1
00:00:04,630 --> 00:00:02,869
[Music]

2
00:00:06,950 --> 00:00:04,640
congratulations youtube

3
00:00:08,390 --> 00:00:06,960
you did it you wore me down and you

4
00:00:10,709 --> 00:00:08,400
sucked me back in

5
00:00:12,230 --> 00:00:10,719
i have too many subscribers here just to

6
00:00:14,230 --> 00:00:12,240
walk away entirely

7
00:00:15,430 --> 00:00:14,240
especially with no alternative that

8
00:00:17,590 --> 00:00:15,440
truly stacks up

9
00:00:19,670 --> 00:00:17,600
and so many copycat channels uploading

10
00:00:22,150 --> 00:00:19,680
my shows for me anyway

11
00:00:24,150 --> 00:00:22,160
but we can't forget the thc's account

12
00:00:25,910 --> 00:00:24,160
here is on thin ice

13
00:00:28,710 --> 00:00:25,920

and so the youtube version of the show

14

00:00:31,669 --> 00:00:28,720

has to be prefaced with this little psa

15

00:00:32,950 --> 00:00:31,679

only to say that episodes that contain

16

00:00:34,709 --> 00:00:32,960

the kinds of themes that have been

17

00:00:37,670 --> 00:00:34,719

regularly banned on youtube

18

00:00:39,750 --> 00:00:37,680

will not appear here and even with that

19

00:00:41,350 --> 00:00:39,760

precaution there's already enough in the

20

00:00:43,350 --> 00:00:41,360

archive to get us removed

21

00:00:45,830 --> 00:00:43,360

so remember that the higher side chats

22

00:00:48,310 --> 00:00:45,840

could be banned or put in time out again

23

00:00:49,510 --> 00:00:48,320

at any time and i won't be able to tell

24

00:00:51,510 --> 00:00:49,520

you guys about it

25

00:00:53,270 --> 00:00:51,520

so if you feel like it's been too long

26
00:00:56,069 --> 00:00:53,280
since you've heard from me here on this

27
00:00:57,910 --> 00:00:56,079
digital dystopian draconian data mining

28
00:00:59,189 --> 00:00:57,920
monster of a police state seeking

29
00:01:00,990 --> 00:00:59,199
platform

30
00:01:03,750 --> 00:01:01,000
your first step should be to check the

31
00:01:10,550 --> 00:01:03,760
highersidechats.com for the latest shows

32
00:01:13,750 --> 00:01:12,469
embrace yourself because you're about to

33
00:01:15,270 --> 00:01:13,760
dive into another free

34
00:01:17,109 --> 00:01:15,280
first hour episode of the higher side

35
00:01:18,230 --> 00:01:17,119
chats and we just want to let you know

36
00:01:20,469 --> 00:01:18,240
that whether you're looking for a

37
00:01:21,670 --> 00:01:20,479
companion through your paranoid insomnia

38
00:01:23,910 --> 00:01:21,680

entertaining yourself through one of

39

00:01:25,510 --> 00:01:23,920

life's mundane activities or trying to

40

00:01:25,990 --> 00:01:25,520

ward off the internal screams of all

41

00:01:28,230 --> 00:01:26,000

those

42

00:01:29,590 --> 00:01:28,240

sad smothered souls around the office

43

00:01:30,950 --> 00:01:29,600

thc is here

44

00:01:32,710 --> 00:01:30,960

and you should know that every episode

45

00:01:35,030 --> 00:01:32,720

of the higher side chats has an entire

46

00:01:37,270 --> 00:01:35,040

second hour for plus members

47

00:01:38,550 --> 00:01:37,280

sign up at thehiresidechats.com and

48

00:01:41,350 --> 00:01:38,560

you'll get years of plus

49

00:01:42,789 --> 00:01:41,360

show archives lifetime forum access a

50

00:01:44,389 --> 00:01:42,799

special invite to greg carlwood's

51

00:01:47,590 --> 00:01:44,399

monthly joint sessions

52

00:01:50,710 --> 00:01:47,600

mp3s of the music bonus episodes

53

00:01:52,310 --> 00:01:50,720

tour videos and 10 off t-shirts

54

00:01:54,310 --> 00:01:52,320

grinders and whatever else ends up in

55

00:01:55,830 --> 00:01:54,320

the higher side store it's eight dollars

56

00:01:57,510 --> 00:01:55,840

a month that you won't miss

57

00:01:59,429 --> 00:01:57,520

so become a plus member and treat

58

00:02:01,590 --> 00:01:59,439

yourself in these troubled times

59

00:02:03,270 --> 00:02:01,600

always action-packed and commercial-free

60

00:02:06,830 --> 00:02:03,280

which means you'll unfortunately never

61

00:02:06,840 --> 00:02:12,790

again

62

00:02:17,350 --> 00:02:15,510

in the 1930s president franklin delano

63

00:02:19,910 --> 00:02:17,360

roosevelt addressed the nation through a

64

00:02:20,790 --> 00:02:19,920

series of radio broadcasts known as the

65

00:02:23,510 --> 00:02:20,800

fireside

66

00:02:25,510 --> 00:02:23,520

chats his aim was to reassure the common

67

00:02:26,710 --> 00:02:25,520

man that our society would recover from

68

00:02:29,350 --> 00:02:26,720

its troubled times

69

00:02:30,949 --> 00:02:29,360

well we're far from 1930 and i deal with

70

00:02:33,670 --> 00:02:30,959

a different kind of fire

71

00:02:36,470 --> 00:02:33,680

for a new era of worldly frustration we

72

00:02:37,589 --> 00:02:36,480

offer a fresh conversation i'm greg

73

00:02:41,190 --> 00:02:37,599

carlwood

74

00:02:43,270 --> 00:02:41,200

and these are the higher side chats

75

00:02:44,949 --> 00:02:43,280

all right higher sight chatters how's it

76
00:02:47,430 --> 00:02:44,959
going out there riding the waves of the

77
00:02:49,430 --> 00:02:47,440
vast and choppy conspiracy from sunny

78
00:02:51,110 --> 00:02:49,440
san diego i'm greg carlwood

79
00:02:53,750 --> 00:02:51,120
and long time listeners know we have

80
00:02:56,470 --> 00:02:53,760
spent a lot of time talking about health

81
00:02:58,949 --> 00:02:56,480
consciousness magic manifestation

82
00:03:00,070 --> 00:02:58,959
multi-dimensional entities mind control

83
00:03:02,830 --> 00:03:00,080
black budgets

84
00:03:04,309 --> 00:03:02,840
cultural manipulation geopolitics

85
00:03:06,070 --> 00:03:04,319
spirituality power

86
00:03:08,149 --> 00:03:06,080
corruption and many other things that

87
00:03:09,910 --> 00:03:08,159
make up the construct of our carefully

88
00:03:12,790 --> 00:03:09,920

managed human terrarium

89

00:03:13,750 --> 00:03:12,800

but we don't focus too often on evil by

90

00:03:15,190 --> 00:03:13,760

name

91

00:03:17,110 --> 00:03:15,200

it's certainly in the mix of our

92

00:03:19,589 --> 00:03:17,120

conversations but some might find it

93

00:03:21,110 --> 00:03:19,599

curious how rarely society tackles the

94

00:03:23,430 --> 00:03:21,120

notion of evil head on

95

00:03:25,030 --> 00:03:23,440

which didn't always seem to be true

96

00:03:27,509 --> 00:03:25,040

maybe it's social engineering

97

00:03:28,470 --> 00:03:27,519

widespread neglect or straight up denial

98

00:03:31,110 --> 00:03:28,480

but it seems like

99

00:03:33,430 --> 00:03:31,120

slowly over time the foresight to keep a

100

00:03:35,190 --> 00:03:33,440

spotlight shined on evil has slowly

101
00:03:37,509 --> 00:03:35,200
faded away to the point that people have

102
00:03:39,030 --> 00:03:37,519
forgotten how to even identify it or if

103
00:03:41,509 --> 00:03:39,040
it's really even there

104
00:03:43,589 --> 00:03:41,519
it's this ambiguity and even widespread

105
00:03:45,270 --> 00:03:43,599
apathy that seems a bit out of place in

106
00:03:46,149 --> 00:03:45,280
the human experience but it's not

107
00:03:48,149 --> 00:03:46,159
arbitrary

108
00:03:49,990 --> 00:03:48,159
because as we know the greatest trick

109
00:03:51,990 --> 00:03:50,000
the devil ever pulled was to convince

110
00:03:54,149 --> 00:03:52,000
the world he didn't exist

111
00:03:56,470 --> 00:03:54,159
well here to reintroduce us is my friend

112
00:03:58,229 --> 00:03:56,480
and yours the great alex zakirus as he's

113
00:04:00,630 --> 00:03:58,239

written a new book entitled why

114

00:04:02,390 --> 00:04:00,640

evil matters how science and religion

115

00:04:04,550 --> 00:04:02,400

fumbled the big one

116

00:04:06,390 --> 00:04:04,560

many of you know alex from the skeptico

117

00:04:08,149 --> 00:04:06,400

podcast where he focuses on the

118

00:04:09,830 --> 00:04:08,159

exploration of consciousness and

119

00:04:11,910 --> 00:04:09,840

regularly points out that if a

120

00:04:13,750 --> 00:04:11,920

scientific discipline and its gaggle of

121

00:04:15,429 --> 00:04:13,760

academics refuse to fold in the

122

00:04:16,150 --> 00:04:15,439

existence of consciousness into their

123

00:04:18,789 --> 00:04:16,160

model

124

00:04:21,030 --> 00:04:18,799

how valuable is their work some would

125

00:04:22,790 --> 00:04:21,040

say it's half-baked at least and now the

126

00:04:25,350 --> 00:04:22,800

same can be said about the ignorance of

127

00:04:26,710 --> 00:04:25,360

evil in a lot of these same areas

128

00:04:28,550 --> 00:04:26,720

i don't think this is going to be one

129

00:04:30,070 --> 00:04:28,560

for the faint of heart but let's do the

130

00:04:32,469 --> 00:04:30,080

damn thing one of my favorite

131

00:04:34,550 --> 00:04:32,479

confrontational podcasters the social

132

00:04:35,110 --> 00:04:34,560

king of consciousness convos the man

133

00:04:37,670 --> 00:04:35,120

himself

134

00:04:39,030 --> 00:04:37,680

ben the knee people alex my man great to

135

00:04:42,430 --> 00:04:39,040

have you back

136

00:04:44,070 --> 00:04:42,440

oh greg the show me state's favorite

137

00:04:47,350 --> 00:04:44,080

conspiratorial son

138

00:04:48,629 --> 00:04:47,360

ah oh i like it so great to be back in

139

00:04:51,430 --> 00:04:48,639

your company man and

140

00:04:53,510 --> 00:04:51,440

and those introductions i'm like hell

141

00:04:54,950 --> 00:04:53,520

yes he's right he's right he's like yeah

142

00:04:57,510 --> 00:04:54,960

that's what i was trying to say

143

00:04:58,390 --> 00:04:57,520

i think you said it better than i did ah

144

00:05:00,550 --> 00:04:58,400

too kind

145

00:05:02,710 --> 00:05:00,560

but it is a real pleasure man you've

146

00:05:04,310 --> 00:05:02,720

been a great friend and colleague and we

147

00:05:06,469 --> 00:05:04,320

got a lot to catch up on

148

00:05:08,629 --> 00:05:06,479

i'm excited to see where this goes but

149

00:05:09,189 --> 00:05:08,639

let's kick it off with the obvious first

150

00:05:11,749 --> 00:05:09,199

question

151
00:05:14,150 --> 00:05:11,759
as to what this new book is about why

152
00:05:17,189 --> 00:05:14,160
this topic what's the elevator pitch for

153
00:05:17,909 --> 00:05:17,199
why evil matters i mean it's sincerely

154
00:05:20,230 --> 00:05:17,919
when i say

155
00:05:22,390 --> 00:05:20,240
i really couldn't have done it better

156
00:05:25,670 --> 00:05:22,400
than you did because you captured

157
00:05:27,270 --> 00:05:25,680
the subtlety of it that i gotta say 80

158
00:05:28,469 --> 00:05:27,280
percent of people miss right at the

159
00:05:29,350 --> 00:05:28,479
beginning they come right out of the

160
00:05:31,590 --> 00:05:29,360
gate and they go

161
00:05:32,629 --> 00:05:31,600
is this evil well what about this and

162
00:05:35,029 --> 00:05:32,639
you're not kind

163
00:05:37,029 --> 00:05:35,039

and it's like this isn't a book about

164

00:05:38,950 --> 00:05:37,039

what is evil or what

165

00:05:41,590 --> 00:05:38,960

you know is this more evil than

166

00:05:44,790 --> 00:05:41,600

something else is it more evil to

167

00:05:49,189 --> 00:05:44,800

drone strike a wedding party

168

00:05:52,469 --> 00:05:49,199

in yemen versus the evil pandemic

169

00:05:54,390 --> 00:05:52,479

it's a question of you know why looking

170

00:05:57,830 --> 00:05:54,400

through that lens

171

00:06:00,230 --> 00:05:57,840

might be a necessary first step and

172

00:06:01,590 --> 00:06:00,240

just as you perfectly said why aren't we

173

00:06:04,070 --> 00:06:01,600

doing that you know because

174

00:06:06,629 --> 00:06:04,080

as you alluded to we used to be kind of

175

00:06:09,270 --> 00:06:06,639

more tuned into

176
00:06:09,749 --> 00:06:09,280
asking the question the initial question

177
00:06:12,710 --> 00:06:09,759
of

178
00:06:13,510 --> 00:06:12,720
you know should we be investigating evil

179
00:06:16,710 --> 00:06:13,520
yeah

180
00:06:17,510 --> 00:06:16,720
it is an absolutely great topic to

181
00:06:20,070 --> 00:06:17,520
tackle

182
00:06:21,350 --> 00:06:20,080
and i agree it just seems like

183
00:06:23,990 --> 00:06:21,360
especially in the last

184
00:06:25,510 --> 00:06:24,000
year the conversations i've been trying

185
00:06:27,990 --> 00:06:25,520
to have with people are

186
00:06:29,990 --> 00:06:28,000
look i'm convinced the guest is usually

187
00:06:32,710 --> 00:06:30,000
convinced the audience is convinced

188
00:06:34,710 --> 00:06:32,720

but we need to increase our numbers in

189

00:06:36,710 --> 00:06:34,720

terms of people who think there might be

190

00:06:38,950 --> 00:06:36,720

something fishy going on here

191

00:06:40,070 --> 00:06:38,960

and when you reverse engineer that all

192

00:06:43,029 --> 00:06:40,080

the way down

193

00:06:45,350 --> 00:06:43,039

to the beginning it's like the issue is

194

00:06:47,510 --> 00:06:45,360

that many of our friends and family

195

00:06:49,189 --> 00:06:47,520

don't think that people in positions of

196

00:06:50,390 --> 00:06:49,199

power could have anything but good

197

00:06:53,029 --> 00:06:50,400

intentions

198

00:06:53,990 --> 00:06:53,039

and so they aren't even putting evil or

199

00:06:56,629 --> 00:06:54,000

nefariousness

200

00:06:57,430 --> 00:06:56,639

on the radar and if you can't do that

201
00:06:59,110 --> 00:06:57,440
you'll never

202
00:07:00,950 --> 00:06:59,120
wake up to what's really going on out

203
00:07:04,070 --> 00:07:00,960
there that is

204
00:07:06,710 --> 00:07:04,080
perfectly put and i don't think

205
00:07:07,830 --> 00:07:06,720
i realized that when i started this

206
00:07:10,950 --> 00:07:07,840
project down the

207
00:07:13,270 --> 00:07:10,960
evil path but it really did become clear

208
00:07:15,189 --> 00:07:13,280
in the last year with the pandemic

209
00:07:16,150 --> 00:07:15,199
because it's very very subtle what

210
00:07:19,189 --> 00:07:16,160
you're saying

211
00:07:21,430 --> 00:07:19,199
and it's this divide between science

212
00:07:23,589 --> 00:07:21,440
who we just kind of go along with the

213
00:07:25,830 --> 00:07:23,599

idea that well they don't have any

214

00:07:27,189 --> 00:07:25,840

stake in the evil game to begin with

215

00:07:28,629 --> 00:07:27,199

because they don't believe it could

216

00:07:31,189 --> 00:07:28,639

possibly exist

217

00:07:31,830 --> 00:07:31,199

so we'll just let them march along on

218

00:07:34,870 --> 00:07:31,840

their own

219

00:07:38,390 --> 00:07:34,880

well hold up now wait a minute if

220

00:07:41,029 --> 00:07:38,400

evil does exist if evil

221

00:07:41,990 --> 00:07:41,039

is a part of this overall fabric

222

00:07:44,790 --> 00:07:42,000

especially

223

00:07:46,710 --> 00:07:44,800

in this extended fabric of consciousness

224

00:07:49,350 --> 00:07:46,720

that we know exists out there

225

00:07:50,150 --> 00:07:49,360

then why would we give them a pass why

226

00:07:53,589 --> 00:07:50,160

would we

227

00:07:55,350 --> 00:07:53,599

just a priori assume that science

228

00:07:56,950 --> 00:07:55,360

doesn't have any stake in that

229

00:08:00,309 --> 00:07:56,960

it doesn't we shouldn't even hold them

230

00:08:03,110 --> 00:08:00,319

accountable for analyzing or evaluating

231

00:08:05,909 --> 00:08:03,120

whether any of that is at play let alone

232

00:08:09,270 --> 00:08:05,919

as you're going next level and saying

233

00:08:12,309 --> 00:08:09,280

could their motives possibly be

234

00:08:16,869 --> 00:08:12,319

something that we would characterize as

235

00:08:18,869 --> 00:08:16,879

nefarious evil not so good

236

00:08:19,909 --> 00:08:18,879

yeah it's a question at least worth

237

00:08:21,589 --> 00:08:19,919

asking

238

00:08:23,110 --> 00:08:21,599

a lot of the guests i've interviewed

239

00:08:25,350 --> 00:08:23,120

they've been talking about

240

00:08:26,150 --> 00:08:25,360

dumbing us down for years and part of

241

00:08:28,629 --> 00:08:26,160

that

242

00:08:30,869 --> 00:08:28,639

is making us ignorant of all sorts of

243

00:08:31,670 --> 00:08:30,879

things and having this big blind spot

244

00:08:33,589 --> 00:08:31,680

for evil

245

00:08:35,350 --> 00:08:33,599

and whether you go to the rockefellers

246

00:08:37,909 --> 00:08:35,360

the rothschilds bill gates

247

00:08:38,870 --> 00:08:37,919

these people put a lot of money into

248

00:08:41,829 --> 00:08:38,880

managing

249

00:08:42,790 --> 00:08:41,839

their pr and their reputation and i

250

00:08:45,750 --> 00:08:42,800

don't know that

251
00:08:46,630 --> 00:08:45,760
truly altruistic people need to even do

252
00:08:49,190 --> 00:08:46,640
that so

253
00:08:49,910 --> 00:08:49,200
that's just another red flag but it is a

254
00:08:52,550 --> 00:08:49,920
great book

255
00:08:54,470 --> 00:08:52,560
that weaves through your own thoughts as

256
00:08:55,350 --> 00:08:54,480
well as the insights of many of your

257
00:08:56,870 --> 00:08:55,360
guests

258
00:08:58,790 --> 00:08:56,880
it's something that i've been trying to

259
00:09:00,790 --> 00:08:58,800
work on myself actually so

260
00:09:02,470 --> 00:09:00,800
to read it it's great to see something

261
00:09:04,470 --> 00:09:02,480
in that kind of format

262
00:09:06,790 --> 00:09:04,480
and it really explores some interesting

263
00:09:09,430 --> 00:09:06,800

ideas but i guess when it comes to

264

00:09:11,670 --> 00:09:09,440

the guests that made it into the book

265

00:09:12,630 --> 00:09:11,680

what do you think surprised you most

266

00:09:15,910 --> 00:09:12,640

about their

267

00:09:18,230 --> 00:09:15,920

reactions or responses

268

00:09:20,310 --> 00:09:18,240

when you'd bring up the notion of evil

269

00:09:23,430 --> 00:09:20,320

in these conversations

270

00:09:26,230 --> 00:09:23,440

well you know it kind of came about

271

00:09:27,590 --> 00:09:26,240

almost the other way greg where i kept

272

00:09:30,070 --> 00:09:27,600

bumping into it

273

00:09:31,190 --> 00:09:30,080

and then i kind of caught on what was

274

00:09:33,350 --> 00:09:31,200

going on

275

00:09:34,630 --> 00:09:33,360

you know i start out in the book with an

276

00:09:35,430 --> 00:09:34,640

interview that i actually did a couple

277

00:09:37,509 --> 00:09:35,440

years ago

278

00:09:39,910 --> 00:09:37,519

and it isn't exactly where i was going

279

00:09:43,030 --> 00:09:39,920

but was with an fbi guy

280

00:09:46,710 --> 00:09:43,040

a guy who was an undercover fbi agent

281

00:09:50,230 --> 00:09:46,720

for like 20 years and he was telling me

282

00:09:51,670 --> 00:09:50,240

his story about nambla remember namla

283

00:09:53,350 --> 00:09:51,680

from south park you know

284

00:09:54,949 --> 00:09:53,360

right because he was on the namla case

285

00:09:55,910 --> 00:09:54,959

and the first thing he said is you know

286

00:09:59,509 --> 00:09:55,920

you think

287

00:10:01,910 --> 00:09:59,519

undercover is what everybody

288

00:10:03,910 --> 00:10:01,920

in the fbi does and goes actually it's

289

00:10:04,870 --> 00:10:03,920

not like that because only a small group

290

00:10:07,670 --> 00:10:04,880

of people

291

00:10:09,670 --> 00:10:07,680

can really do the whole thing of totally

292

00:10:11,829 --> 00:10:09,680

getting in character and totally

293

00:10:13,590 --> 00:10:11,839

winning the confidence of these people

294

00:10:14,949 --> 00:10:13,600

he said so when somebody came in and

295

00:10:16,470 --> 00:10:14,959

said

296

00:10:18,310 --> 00:10:16,480

hey we have a new case and it's really

297

00:10:19,110 --> 00:10:18,320

weird there are only a few people to

298

00:10:20,870 --> 00:10:19,120

choose from

299

00:10:23,750 --> 00:10:20,880

and i was one of the people who got

300

00:10:27,509 --> 00:10:23,760

chosen so this is a guy who's done

301
00:10:28,870 --> 00:10:27,519
drug smuggling gangs all sorts of crazy

302
00:10:32,069 --> 00:10:28,880
things in his career

303
00:10:35,509 --> 00:10:32,079
and next up for him is he's meeting with

304
00:10:37,430 --> 00:10:35,519
these group of really creepy mostly

305
00:10:40,949 --> 00:10:37,440
middle-aged men

306
00:10:42,150 --> 00:10:40,959
who are interested in having sex with

307
00:10:44,150 --> 00:10:42,160
little boys

308
00:10:45,350 --> 00:10:44,160
little girls sometimes but a lot of

309
00:10:49,350 --> 00:10:45,360
little boys

310
00:10:52,230 --> 00:10:49,360
and the story he tells is going to

311
00:10:53,910 --> 00:10:52,240
one of their field trips to times square

312
00:10:55,829 --> 00:10:53,920
new york city back when

313
00:10:57,750 --> 00:10:55,839

times square was really time square

314

00:10:59,750 --> 00:10:57,760

before everything happened

315

00:11:01,190 --> 00:10:59,760

but they used to have a big toys r us

316

00:11:04,710 --> 00:11:01,200

there

317

00:11:07,910 --> 00:11:04,720

inside the store

318

00:11:09,750 --> 00:11:07,920

it was like 20 feet 30 feet high and he

319

00:11:12,949 --> 00:11:09,760

was standing there

320

00:11:14,870 --> 00:11:12,959

mulling around with all these men these

321

00:11:17,590 --> 00:11:14,880

nambla guys

322

00:11:19,750 --> 00:11:17,600

in nambla for people who don't know you

323

00:11:23,110 --> 00:11:19,760

know we just made that passing reference

324

00:11:25,030 --> 00:11:23,120

to south park is the north american man

325

00:11:27,030 --> 00:11:25,040

boy love association

326

00:11:29,110 --> 00:11:27,040

so they kind of created this political

327

00:11:31,509 --> 00:11:29,120

front for pedophiles

328

00:11:34,069 --> 00:11:31,519

to make it sound like oh we're trying to

329

00:11:37,030 --> 00:11:34,079

advance this politically

330

00:11:38,230 --> 00:11:37,040

and he says you know that at no time

331

00:11:41,430 --> 00:11:38,240

were these people at all

332

00:11:43,430 --> 00:11:41,440

interested in any political agenda they

333

00:11:45,590 --> 00:11:43,440

just wanted to get together

334

00:11:47,590 --> 00:11:45,600

and rape and not only rape but they

335

00:11:49,910 --> 00:11:47,600

wanted to hurt these little kids

336

00:11:50,949 --> 00:11:49,920

and back to times square he said he was

337

00:11:54,150 --> 00:11:50,959

standing there

338

00:11:56,949 --> 00:11:54,160

in the store and these men are looking

339

00:11:57,750 --> 00:11:56,959

over the rail and they're looking at the

340

00:11:59,829 --> 00:11:57,760

parents

341

00:12:01,269 --> 00:11:59,839

but they're looking at these kids and

342

00:12:02,710 --> 00:12:01,279

they're talking about what they want to

343

00:12:05,190 --> 00:12:02,720

do to these kids

344

00:12:06,230 --> 00:12:05,200

and it's not just about sex it's about

345

00:12:08,230 --> 00:12:06,240

violence

346

00:12:09,990 --> 00:12:08,240

and how they want to hurt him and he

347

00:12:13,030 --> 00:12:10,000

says alex

348

00:12:14,550 --> 00:12:13,040

if i wasn't undercover i would have

349

00:12:15,990 --> 00:12:14,560

thrown those guys

350

00:12:17,590 --> 00:12:16,000

i would have tossed them over that

351
00:12:20,790 --> 00:12:17,600
20-foot rail and

352
00:12:22,389 --> 00:12:20,800
enjoyed watching their head smash on the

353
00:12:25,750 --> 00:12:22,399
ground

354
00:12:26,710 --> 00:12:25,760
so two things one i think a lot of us

355
00:12:29,590 --> 00:12:26,720
can relate

356
00:12:30,230 --> 00:12:29,600
to that feeling that we get when we feel

357
00:12:32,470 --> 00:12:30,240
like

358
00:12:33,750 --> 00:12:32,480
that's going to be inflicted on somebody

359
00:12:35,590 --> 00:12:33,760
especially somebody as

360
00:12:38,069 --> 00:12:35,600
helpless as a six or seven year old

361
00:12:39,829 --> 00:12:38,079
child but what it also brought into

362
00:12:41,829 --> 00:12:39,839
focus for me

363
00:12:44,389 --> 00:12:41,839

and this is what i asked them about i

364

00:12:47,910 --> 00:12:44,399

asked them about the evil question

365

00:12:50,790 --> 00:12:47,920

because it almost like snaps us

366

00:12:52,230 --> 00:12:50,800

out of that i don't know just kind of

367

00:12:53,430 --> 00:12:52,240

lull that you were talking about at the

368

00:12:55,910 --> 00:12:53,440

beginning of the show

369

00:12:57,110 --> 00:12:55,920

where you go no that's freaking evil

370

00:12:59,910 --> 00:12:57,120

that is freaking

371

00:13:01,670 --> 00:12:59,920

evil there don't tell me about you know

372

00:13:04,710 --> 00:13:01,680

sexual preference or

373

00:13:05,190 --> 00:13:04,720

that is evil what they wanted to do was

374

00:13:06,790 --> 00:13:05,200

evil

375

00:13:08,230 --> 00:13:06,800

and then as soon as you grab hold of

376

00:13:11,990 --> 00:13:08,240

yourself you go

377

00:13:14,629 --> 00:13:12,000

okay if i know in my gut

378

00:13:15,350 --> 00:13:14,639

that that's evil well what does that

379

00:13:18,389 --> 00:13:15,360

mean

380

00:13:21,110 --> 00:13:18,399

isn't just this

381

00:13:23,110 --> 00:13:21,120

evil is a social construct evil is

382

00:13:25,910 --> 00:13:23,120

whatever anyone says it is

383

00:13:26,389 --> 00:13:25,920

it's like no man no there's something

384

00:13:30,150 --> 00:13:26,399

else

385

00:13:33,190 --> 00:13:30,160

to it and that story to me

386

00:13:35,590 --> 00:13:33,200

kind of helps kind of jump me into that

387

00:13:36,629 --> 00:13:35,600

in a way kind of shake me out of the fog

388

00:13:40,310 --> 00:13:36,639

what do you think do you know what i

389

00:13:42,470 --> 00:13:40,320

mean yeah absolutely i think that

390

00:13:43,829 --> 00:13:42,480

we are at a point and this comes up in

391

00:13:46,470 --> 00:13:43,839

the book as well that

392

00:13:47,670 --> 00:13:46,480

we're trying to justify everything with

393

00:13:50,230 --> 00:13:47,680

science like you

394

00:13:51,430 --> 00:13:50,240

say about sexual preference or it's a

395

00:13:54,230 --> 00:13:51,440

mental condition

396

00:13:54,710 --> 00:13:54,240

it's like well sometimes it is just evil

397

00:13:57,189 --> 00:13:54,720

and

398

00:13:58,069 --> 00:13:57,199

this is kind of how the devil slips in

399

00:14:01,670 --> 00:13:58,079

you know just

400

00:14:03,910 --> 00:14:01,680

so to speak because if you're in denial

401
00:14:06,310 --> 00:14:03,920
you don't really recognize what's going

402
00:14:08,230 --> 00:14:06,320
on and it's this justification

403
00:14:09,910 --> 00:14:08,240
which is always it is through science

404
00:14:11,829 --> 00:14:09,920
which is kind of the weird thing about

405
00:14:12,949 --> 00:14:11,839
it like we're looking for a scientific

406
00:14:15,189 --> 00:14:12,959
explanation

407
00:14:16,550 --> 00:14:15,199
because we have removed spirituality

408
00:14:18,870 --> 00:14:16,560
from the world

409
00:14:20,949 --> 00:14:18,880
at large so it's got to have some

410
00:14:21,670 --> 00:14:20,959
explanation and we just can't fathom it

411
00:14:25,910 --> 00:14:21,680
instead of just

412
00:14:28,550 --> 00:14:25,920
pinning evil for evil we try to

413
00:14:30,550 --> 00:14:28,560

do all these mental gymnastics to find a

414

00:14:31,910 --> 00:14:30,560

scientific explanation that then i don't

415

00:14:32,230 --> 00:14:31,920

know what they want to do at that point

416

00:14:36,550 --> 00:14:32,240

just

417

00:14:38,790 --> 00:14:36,560

strange but

418

00:14:40,310 --> 00:14:38,800

we used to have our guard up a lot more

419

00:14:41,350 --> 00:14:40,320

against evil and we used to be more

420

00:14:43,350 --> 00:14:41,360

vigilant

421

00:14:45,110 --> 00:14:43,360

and i think it's probably time to return

422

00:14:46,949 --> 00:14:45,120

to that

423

00:14:48,870 --> 00:14:46,959

well you said a couple of things there

424

00:14:50,069 --> 00:14:48,880

that i think are really interesting that

425

00:14:52,870 --> 00:14:50,079

i want to return to

426
00:14:54,150 --> 00:14:52,880
is the last thing you said about having

427
00:14:56,310 --> 00:14:54,160
our guard up

428
00:14:57,990 --> 00:14:56,320
i hadn't really thought of that but that

429
00:15:00,150 --> 00:14:58,000
definitely has to be in play

430
00:15:02,790 --> 00:15:00,160
here right because when i was

431
00:15:05,350 --> 00:15:02,800
flip-flopping back and forth between

432
00:15:05,990 --> 00:15:05,360
why is science so whack about this why

433
00:15:08,550 --> 00:15:06,000
can't they

434
00:15:09,189 --> 00:15:08,560
figure out at least the most obvious of

435
00:15:11,670 --> 00:15:09,199
it and

436
00:15:13,189 --> 00:15:11,680
maybe we'll talk about that in a minute

437
00:15:15,509 --> 00:15:13,199
with the

438
00:15:16,389 --> 00:15:15,519

guy from ohio state university who isn't

439

00:15:18,470 --> 00:15:16,399

sure

440

00:15:19,590 --> 00:15:18,480

about whether the evil he's encountered

441

00:15:21,829 --> 00:15:19,600

is really evil

442

00:15:23,189 --> 00:15:21,839

but you know back to kind of flipping

443

00:15:26,389 --> 00:15:23,199

back and forth about that

444

00:15:29,189 --> 00:15:26,399

you go well what could be the agenda

445

00:15:31,350 --> 00:15:29,199

and i think one of the agenda items is

446

00:15:34,150 --> 00:15:31,360

exactly as you just put it

447

00:15:34,629 --> 00:15:34,160

in that it kind of lets your guard down

448

00:15:38,710 --> 00:15:34,639

because

449

00:15:41,030 --> 00:15:38,720

if evil is merely a social construct

450

00:15:42,550 --> 00:15:41,040

merely something that well we all agree

451

00:15:45,110 --> 00:15:42,560

on and the drone strikes

452

00:15:47,350 --> 00:15:45,120

in yemen hey you know it's kind of gray

453

00:15:47,829 --> 00:15:47,360

because maybe those yemenis guys were

454

00:15:49,430 --> 00:15:47,839

really

455

00:15:51,030 --> 00:15:49,440

terrorists and maybe they were going to

456

00:15:54,069 --> 00:15:51,040

kill thousands so

457

00:15:56,389 --> 00:15:54,079

yeah i guess everything is kind of gray

458

00:15:58,150 --> 00:15:56,399

and it really takes like we're just

459

00:16:02,030 --> 00:15:58,160

talking about you have to kind of

460

00:16:04,069 --> 00:16:02,040

then realize the implications that

461

00:16:05,910 --> 00:16:04,079

scientifically which is the connection

462

00:16:09,269 --> 00:16:05,920

you made which i think is so great and

463

00:16:10,870 --> 00:16:09,279

what i'm all about is to say what are

464

00:16:13,910 --> 00:16:10,880

the philosophical

465

00:16:17,189 --> 00:16:13,920

and scientific implications of

466

00:16:18,310 --> 00:16:17,199

saying that evil is merely a social

467

00:16:20,710 --> 00:16:18,320

construct

468

00:16:21,590 --> 00:16:20,720

what it gets back to is saying well

469

00:16:31,829 --> 00:16:21,600

really

470

00:16:33,350 --> 00:16:31,839

bad on any kind of scale and you know

471

00:16:35,269 --> 00:16:33,360

what like greg

472

00:16:36,710 --> 00:16:35,279

you've been down this path so long and

473

00:16:37,910 --> 00:16:36,720

i've heard you so many times on the show

474

00:16:39,590 --> 00:16:37,920

you know you're way past the

475

00:16:42,870 --> 00:16:39,600

materialistic science

476

00:16:46,389 --> 00:16:42,880

but i would throw that out as hey

477

00:16:48,949 --> 00:16:46,399

that is a legitimate question right

478

00:16:49,590 --> 00:16:48,959

but the problem is the question has been

479

00:16:52,629 --> 00:16:49,600

answered

480

00:16:54,069 --> 00:16:52,639

and it's not true you know scientific

481

00:16:57,670 --> 00:16:54,079

materialism

482

00:17:01,030 --> 00:16:57,680

fails consciousness is real

483

00:17:03,990 --> 00:17:01,040

extended consciousness is real so

484

00:17:05,189 --> 00:17:04,000

we have to bring back on the table this

485

00:17:08,150 --> 00:17:05,199

whole thing of

486

00:17:08,789 --> 00:17:08,160

is there a moral imperative could there

487

00:17:12,470 --> 00:17:08,799

be

488

00:17:15,990 --> 00:17:12,480

an evil

489

00:17:17,590 --> 00:17:16,000

and that's really without going too far

490

00:17:19,110 --> 00:17:17,600

just to get to that point would be a

491

00:17:21,029 --> 00:17:19,120

huge step forward because we're not

492

00:17:24,710 --> 00:17:21,039

there

493

00:17:27,429 --> 00:17:24,720

yes i agree it does heavily relate to

494

00:17:29,430 --> 00:17:27,439

the question of is there meaning in the

495

00:17:30,549 --> 00:17:29,440

universe and i know that you've had your

496

00:17:33,350 --> 00:17:30,559

frustrations with

497

00:17:34,470 --> 00:17:33,360

grant cameron's perspective as well as i

498

00:17:36,549 --> 00:17:34,480

have which is that

499

00:17:38,310 --> 00:17:36,559

well it's all consciousness man it's

500

00:17:40,630 --> 00:17:38,320

just all happening in the spectrum

501
00:17:42,390 --> 00:17:40,640
it's like okay maybe at a higher level

502
00:17:42,710 --> 00:17:42,400
ultimately that's true but it's really

503
00:17:47,510 --> 00:17:42,720
not

504
00:17:49,350 --> 00:17:47,520
helpful for understanding

505
00:17:51,430 --> 00:17:49,360
the motives of these interactions with

506
00:17:53,750 --> 00:17:51,440
non-human intelligences

507
00:17:54,470 --> 00:17:53,760
it just doesn't really tell us anything

508
00:17:59,190 --> 00:17:54,480
so

509
00:18:00,150 --> 00:17:59,200
people just in ufology as an example

510
00:18:01,909 --> 00:18:00,160
that

511
00:18:03,590 --> 00:18:01,919
we're trying to get a handle on should

512
00:18:04,789 --> 00:18:03,600
we be interacting with some of the stuff

513
00:18:06,630 --> 00:18:04,799

we're interacting with

514

00:18:08,230 --> 00:18:06,640

and they just keep bringing it back to

515

00:18:10,470 --> 00:18:08,240

it's all consciousness and if you can

516

00:18:13,029 --> 00:18:10,480

recognize evil you realize well

517

00:18:13,990 --> 00:18:13,039

you can't ration with it you're not

518

00:18:16,789 --> 00:18:14,000

going to reason with

519

00:18:17,430 --> 00:18:16,799

it it's just just you should ostracize

520

00:18:19,430 --> 00:18:17,440

it from

521

00:18:21,510 --> 00:18:19,440

yourself and the people you care about

522

00:18:24,150 --> 00:18:21,520

and there should be more vigilance about

523

00:18:25,909 --> 00:18:24,160

protection but i didn't want to switch

524

00:18:27,350 --> 00:18:25,919

gears on you too much but

525

00:18:28,870 --> 00:18:27,360

this is also interesting because you're

526

00:18:30,070 --> 00:18:28,880

always having this question about

527

00:18:32,310 --> 00:18:30,080

consciousness

528

00:18:34,390 --> 00:18:32,320

with the scientific community you're

529

00:18:35,750 --> 00:18:34,400

still it's in the book and in the show

530

00:18:38,870 --> 00:18:35,760

that you still have to

531

00:18:41,669 --> 00:18:38,880

have this consciousness conversation and

532

00:18:41,990 --> 00:18:41,679

there in some cases in denial or maybe

533

00:18:44,150 --> 00:18:42,000

even

534

00:18:46,070 --> 00:18:44,160

outward rebellion against the idea of

535

00:18:48,630 --> 00:18:46,080

consciousness being real and it does

536

00:18:50,789 --> 00:18:48,640

make you wonder about the value of their

537

00:18:52,070 --> 00:18:50,799

academic work when they won't fold in

538

00:18:55,190 --> 00:18:52,080

consciousness at all

539

00:18:58,070 --> 00:18:55,200

well let's apply that to what's gone on

540

00:18:59,669 --> 00:18:58,080

in the last year and a half because the

541

00:19:01,029 --> 00:18:59,679

way you approach this stuff has been

542

00:19:03,029 --> 00:19:01,039

really helpful for me

543

00:19:05,510 --> 00:19:03,039

because i apply that same sort of

544

00:19:08,390 --> 00:19:05,520

thinking to medical science and that

545

00:19:09,110 --> 00:19:08,400

most of these virologists or cdc medical

546

00:19:10,549 --> 00:19:09,120

experts

547

00:19:12,390 --> 00:19:10,559

i think they're largely in the

548

00:19:14,950 --> 00:19:12,400

materialist paradigm too

549

00:19:16,310 --> 00:19:14,960

and so i ask well if you still don't

550

00:19:18,230 --> 00:19:16,320

understand or acknowledge

551

00:19:20,390 --> 00:19:18,240

consciousness if you're not factoring

552

00:19:22,789 --> 00:19:20,400

that into what it is to be human

553

00:19:24,630 --> 00:19:22,799

even if you have good intentions how can

554

00:19:25,669 --> 00:19:24,640

i really trust your vaccine you don't

555

00:19:28,870 --> 00:19:25,679

even understand

556

00:19:31,430 --> 00:19:28,880

the human ecosystem really

557

00:19:32,310 --> 00:19:31,440

well that's a big big big point it's a

558

00:19:33,909 --> 00:19:32,320

great point

559

00:19:36,150 --> 00:19:33,919

and you've kind of brought the whole

560

00:19:38,789 --> 00:19:36,160

world into

561

00:19:40,070 --> 00:19:38,799

one little focal point which i think is

562

00:19:43,510 --> 00:19:40,080

awesome and that is

563

00:19:45,190 --> 00:19:43,520

yeah i would almost return it back to

564

00:19:46,230 --> 00:19:45,200

the question of evil because that's

565

00:19:47,669 --> 00:19:46,240

where i thought you were

566

00:19:49,830 --> 00:19:47,679

you were going but i think we can get to

567

00:19:53,430 --> 00:19:49,840

the same place because

568

00:19:54,470 --> 00:19:53,440

what i've developed over the course of

569

00:19:55,990 --> 00:19:54,480

doing this and i

570

00:19:57,830 --> 00:19:56,000

certainly didn't see this at the

571

00:20:00,230 --> 00:19:57,840

beginning but

572

00:20:01,750 --> 00:20:00,240

kind of as you were alluding to the

573

00:20:04,950 --> 00:20:01,760

whole evil thing now

574

00:20:06,149 --> 00:20:04,960

is almost like a litmus test like you

575

00:20:09,110 --> 00:20:06,159

were talking about grant

576
00:20:11,029 --> 00:20:09,120
cameron who i have a lot of respect for

577
00:20:12,149 --> 00:20:11,039
but in general people in the ufo

578
00:20:14,070 --> 00:20:12,159
community

579
00:20:15,669 --> 00:20:14,080
when they can't wrap their heads around

580
00:20:18,789 --> 00:20:15,679
the possibility

581
00:20:21,750 --> 00:20:18,799
that these interactions with et

582
00:20:24,149 --> 00:20:21,760
with non-human intelligence might be

583
00:20:25,110 --> 00:20:24,159
associated with something that we would

584
00:20:27,510 --> 00:20:25,120
identify

585
00:20:28,630 --> 00:20:27,520
as evil if you can't wrap your head

586
00:20:31,909 --> 00:20:28,640
around that

587
00:20:32,710 --> 00:20:31,919
if you can't be willing to throw that on

588
00:20:35,270 --> 00:20:32,720

the table

589

00:20:36,549 --> 00:20:35,280

and say wow you know there's kind of

590

00:20:39,190 --> 00:20:36,559

that's a reasonable

591

00:20:40,070 --> 00:20:39,200

read of someone who's been raped

592

00:20:43,190 --> 00:20:40,080

publicly

593

00:20:44,789 --> 00:20:43,200

by some entity and has the physical

594

00:20:47,029 --> 00:20:44,799

evidence to prove it

595

00:20:48,070 --> 00:20:47,039

yeah i guess i do have to consider that

596

00:20:51,510 --> 00:20:48,080

there might be an

597

00:20:54,149 --> 00:20:51,520

evil there so in the same way that

598

00:20:56,230 --> 00:20:54,159

that becomes a litmus test and a similar

599

00:20:58,310 --> 00:20:56,240

litmus test for the academic

600

00:20:59,990 --> 00:20:58,320

who says well of course you know i've

601
00:21:00,549 --> 00:21:00,000
been around the block i've seen a lot of

602
00:21:02,870 --> 00:21:00,559
things

603
00:21:04,870 --> 00:21:02,880
i don't characterize anything as quote

604
00:21:06,789 --> 00:21:04,880
unquote evil because

605
00:21:10,149 --> 00:21:06,799
i've just seen so many different things

606
00:21:13,029 --> 00:21:10,159
again alarm bell goes off in my head

607
00:21:13,750 --> 00:21:13,039
but to return it to the pandemic thing

608
00:21:16,870 --> 00:21:13,760
one

609
00:21:20,310 --> 00:21:16,880
thousand percent agree with you that

610
00:21:22,470 --> 00:21:20,320
what we saw in the last year to me

611
00:21:24,230 --> 00:21:22,480
is the i don't want to say the end game

612
00:21:25,350 --> 00:21:24,240
because we have no idea where the end

613
00:21:28,470 --> 00:21:25,360

game is going

614

00:21:29,190 --> 00:21:28,480

but it is definitely a consequence of

615

00:21:33,430 --> 00:21:29,200

the one

616

00:21:36,710 --> 00:21:33,440

dumbing down and also the manipulation

617

00:21:37,669 --> 00:21:36,720

of science and the total manipulation of

618

00:21:40,710 --> 00:21:37,679

science

619

00:21:43,990 --> 00:21:40,720

that does relate back to

620

00:21:46,310 --> 00:21:44,000

exactly what you said if you are going

621

00:21:48,390 --> 00:21:46,320

to peddle the biological robot

622

00:21:50,549 --> 00:21:48,400

meaningless universe meme

623

00:21:51,669 --> 00:21:50,559

and if you're allowed to get away with

624

00:21:54,149 --> 00:21:51,679

that

625

00:21:54,789 --> 00:21:54,159

then it makes it easier to get away with

626
00:21:57,830 --> 00:21:54,799
almost

627
00:21:58,950 --> 00:21:57,840
anything and to then do all sorts of

628
00:22:01,830 --> 00:21:58,960
scientific

629
00:22:02,549 --> 00:22:01,840
mandates and then when people complain

630
00:22:05,750 --> 00:22:02,559
they say

631
00:22:08,789 --> 00:22:05,760
quit your damn clamoring

632
00:22:10,710 --> 00:22:08,799
about scientific studies and analysis

633
00:22:12,549 --> 00:22:10,720
and that's i have a quote where the guy

634
00:22:16,310 --> 00:22:12,559
actually says that it was about

635
00:22:19,590 --> 00:22:16,320
mass science because we did a show about

636
00:22:22,310 --> 00:22:19,600
how science has repeatedly

637
00:22:24,549 --> 00:22:22,320
when you do the careful randomized

638
00:22:28,310 --> 00:22:24,559

controlled clinical trials

639

00:22:31,029 --> 00:22:28,320

all this nonsense about masks falls away

640

00:22:32,149 --> 00:22:31,039

there's no significant difference in

641

00:22:34,630 --> 00:22:32,159

clinical trials

642

00:22:35,430 --> 00:22:34,640

of course in the laboratory you can show

643

00:22:38,390 --> 00:22:35,440

that a mask

644

00:22:39,430 --> 00:22:38,400

stops stuff from coming out of your face

645

00:22:41,029 --> 00:22:39,440

we knew that

646

00:22:42,630 --> 00:22:41,039

when we worked right when you went to

647

00:22:44,950 --> 00:22:42,640

kindergarten your mom said

648

00:22:45,990 --> 00:22:44,960

greg cover your face when you cup we

649

00:22:47,830 --> 00:22:46,000

knew that

650

00:22:49,590 --> 00:22:47,840

but what they do is then they try and

651
00:22:51,669 --> 00:22:49,600
turn that into science

652
00:22:53,110 --> 00:22:51,679
when the real science says and i'm

653
00:22:54,149 --> 00:22:53,120
getting a little bit off target but it

654
00:22:55,669 --> 00:22:54,159
comes back here

655
00:22:57,270 --> 00:22:55,679
the real science as much as they've

656
00:22:59,029 --> 00:22:57,280
tested it over and over again and they

657
00:23:01,990 --> 00:22:59,039
don't know exactly why

658
00:23:03,669 --> 00:23:02,000
masks don't work in terms of reducing

659
00:23:05,990 --> 00:23:03,679
the spread of the disease in the

660
00:23:06,630 --> 00:23:06,000
population whatever disease that is you

661
00:23:08,630 --> 00:23:06,640
know because

662
00:23:10,230 --> 00:23:08,640
most of that science was done not just

663
00:23:12,230 --> 00:23:10,240

in the last year it was done five

664

00:23:14,230 --> 00:23:12,240

ten years ago they kept getting the same

665

00:23:16,549 --> 00:23:14,240

result gee it doesn't lead to

666

00:23:17,909 --> 00:23:16,559

a reduction in the spreading but my real

667

00:23:20,549 --> 00:23:17,919

point on all that was

668

00:23:22,310 --> 00:23:20,559

if you go look at the shows that i did

669

00:23:24,710 --> 00:23:22,320

and the research it's like

670

00:23:26,789 --> 00:23:24,720

here's a guy here's an official muckety

671

00:23:29,990 --> 00:23:26,799

muck saying those exact words

672

00:23:32,870 --> 00:23:30,000

stop clamoring about studies

673

00:23:34,390 --> 00:23:32,880

he's telling us the public stop worrying

674

00:23:36,630 --> 00:23:34,400

about the science

675

00:23:39,029 --> 00:23:36,640

we'll tell you when to wear a mask and

676
00:23:42,070 --> 00:23:39,039
damn it we'll tell you when you can stop

677
00:23:42,950 --> 00:23:42,080
wearing your freaking mask that is the

678
00:23:46,070 --> 00:23:42,960
end game

679
00:23:48,789 --> 00:23:46,080
that i think you're pointing to if i can

680
00:23:51,269 --> 00:23:48,799
fool you about consciousness if i can

681
00:23:54,630 --> 00:23:51,279
fool you about meaninglessness

682
00:23:55,110 --> 00:23:54,640
if i can convince you that the love you

683
00:23:57,590 --> 00:23:55,120
feel

684
00:23:58,710 --> 00:23:57,600
for your partner for your parents for

685
00:24:01,590 --> 00:23:58,720
your kids

686
00:24:03,590 --> 00:24:01,600
that that doesn't really exist that it's

687
00:24:05,510 --> 00:24:03,600
just a trick of the mind

688
00:24:07,269 --> 00:24:05,520

well then i'm well on my way to

689

00:24:12,310 --> 00:24:07,279

convincing you

690

00:24:15,909 --> 00:24:12,320

scientific study i put in front of you

691

00:24:17,269 --> 00:24:15,919

um yes man that is so well said and that

692

00:24:19,510 --> 00:24:17,279

is why it is so

693

00:24:20,390 --> 00:24:19,520

important ignoring evil and ignoring

694

00:24:23,430 --> 00:24:20,400

consciousness

695

00:24:24,549 --> 00:24:23,440

or extracting them from the you know the

696

00:24:28,149 --> 00:24:24,559

public mindset

697

00:24:30,470 --> 00:24:28,159

they both have similar effects and

698

00:24:32,710 --> 00:24:30,480

yeah it's like science wants to tell you

699

00:24:34,710 --> 00:24:32,720

that love you feel is just chemicals

700

00:24:36,710 --> 00:24:34,720

just chemicals doesn't mean anything and

701
00:24:37,750 --> 00:24:36,720
they'd say the same about psychedelics

702
00:24:39,430 --> 00:24:37,760
you know it's just

703
00:24:41,110 --> 00:24:39,440
chemicals in your brain it's you're

704
00:24:42,630 --> 00:24:41,120
poisoning yourself and so you have these

705
00:24:45,190 --> 00:24:42,640
odd effects and it's like no

706
00:24:46,390 --> 00:24:45,200
experience it and what it really is is a

707
00:24:48,630 --> 00:24:46,400
peek behind the veil

708
00:24:50,470 --> 00:24:48,640
yes and you could say the same about

709
00:24:52,310 --> 00:24:50,480
love too love is

710
00:24:53,990 --> 00:24:52,320
something that shows you there's meaning

711
00:24:57,190 --> 00:24:54,000
in the universe and

712
00:24:58,789 --> 00:24:57,200
science is this huge field that's

713
00:25:01,590 --> 00:24:58,799

ripped both of those things away from

714

00:25:04,710 --> 00:25:01,600

the public consciousness but it also

715

00:25:05,350 --> 00:25:04,720

operates on this the ends justify the

716

00:25:08,149 --> 00:25:05,360

means

717

00:25:08,710 --> 00:25:08,159

kind of thing i mean think about all the

718

00:25:11,590 --> 00:25:08,720

even just

719

00:25:13,190 --> 00:25:11,600

animal torture that goes on in the name

720

00:25:15,990 --> 00:25:13,200

of science that we turned

721

00:25:17,750 --> 00:25:16,000

a complete blind eye to because well

722

00:25:19,830 --> 00:25:17,760

ultimately it's for the greater good

723

00:25:21,510 --> 00:25:19,840

well they've also tested a lot of stuff

724

00:25:25,029 --> 00:25:21,520

on mental patients

725

00:25:27,990 --> 00:25:25,039

people in prison kids in orphanages

726

00:25:28,390 --> 00:25:28,000

kids in the third world i mean pfizer

727

00:25:31,590 --> 00:25:28,400

just

728

00:25:35,510 --> 00:25:31,600

lost a giant lawsuit for

729

00:25:37,990 --> 00:25:35,520

damaging african boys with a vaccine

730

00:25:40,230 --> 00:25:38,000

they got meningitis and they lost this

731

00:25:41,510 --> 00:25:40,240

lawsuit and my mind goes to wow they

732

00:25:45,029 --> 00:25:41,520

must have

733

00:25:47,029 --> 00:25:45,039

been pretty clear because little boys in

734

00:25:50,070 --> 00:25:47,039

a village in africa don't really have

735

00:25:52,149 --> 00:25:50,080

a lot of legal resources and pfizer does

736

00:25:53,990 --> 00:25:52,159

so for visor to still not be able to win

737

00:25:55,909 --> 00:25:54,000

that fight

738

00:25:58,149 --> 00:25:55,919

i mean that's interesting and should

739

00:25:59,029 --> 00:25:58,159

they be injecting people with something

740

00:26:01,830 --> 00:25:59,039

now like

741

00:26:03,590 --> 00:26:01,840

i think the whole history of science and

742

00:26:06,630 --> 00:26:03,600

medical science in particular

743

00:26:07,350 --> 00:26:06,640

it's full of evil but we don't call it

744

00:26:10,070 --> 00:26:07,360

that

745

00:26:11,190 --> 00:26:10,080

because well they're trying to improve

746

00:26:13,190 --> 00:26:11,200

the world it's like well

747

00:26:14,470 --> 00:26:13,200

show me the fruits of that show me that

748

00:26:17,350 --> 00:26:14,480

because if you're gonna say

749

00:26:18,230 --> 00:26:17,360

this campaign is trying to make the

750

00:26:20,950 --> 00:26:18,240

world better

751

00:26:22,230 --> 00:26:20,960

i just don't see it yeah two things let

752

00:26:25,430 --> 00:26:22,240

me jump in there with two things

753

00:26:27,909 --> 00:26:25,440

one is on the meaning thing

754

00:26:29,590 --> 00:26:27,919

and it took me a long time to even be

755

00:26:31,029 --> 00:26:29,600

able to voice this because

756

00:26:33,190 --> 00:26:31,039

they're so effective with their

757

00:26:34,070 --> 00:26:33,200

messaging that for all of us even people

758

00:26:36,390 --> 00:26:34,080

like you and i

759

00:26:37,990 --> 00:26:36,400

who feel like we're kind of pushing

760

00:26:40,630 --> 00:26:38,000

against it and were

761

00:26:41,510 --> 00:26:40,640

leery and we're on guard we still let

762

00:26:43,669 --> 00:26:41,520

our guard down

763

00:26:44,549 --> 00:26:43,679

when they say then the universe is

764

00:26:46,870 --> 00:26:44,559

meaningless

765

00:26:48,950 --> 00:26:46,880

or that like we're saying love is really

766

00:26:51,909 --> 00:26:48,960

just the chemical whatever

767

00:26:52,310 --> 00:26:51,919

it is not just wrong it is completely

768

00:26:55,750 --> 00:26:52,320

the

769

00:26:57,350 --> 00:26:55,760

opposite like when you go spiritual when

770

00:26:58,149 --> 00:26:57,360

you go to the great mystics and the

771

00:27:00,310 --> 00:26:58,159

great thinkers

772

00:27:01,350 --> 00:27:00,320

what they say is the opposite right they

773

00:27:04,070 --> 00:27:01,360

say everything

774

00:27:04,710 --> 00:27:04,080

is meaningful the point that you're

775

00:27:07,269 --> 00:27:04,720

looking at

776

00:27:08,230 --> 00:27:07,279

outside your window is conscious it's

777

00:27:14,149 --> 00:27:08,240

meaningful

778

00:27:14,549 --> 00:27:14,159

everywhere in the universe everything

779

00:27:16,950 --> 00:27:14,559

has

780

00:27:18,549 --> 00:27:16,960

meaning right so it's funny how they've

781

00:27:20,549 --> 00:27:18,559

completely switched it

782

00:27:22,870 --> 00:27:20,559

so usually when we have that dialogue

783

00:27:24,950 --> 00:27:22,880

we're like well i think there might be

784

00:27:26,950 --> 00:27:24,960

a little bit of meaning i mean i don't

785

00:27:28,230 --> 00:27:26,960

know if you know aren't dolphins you

786

00:27:30,710 --> 00:27:28,240

know smart of course

787

00:27:31,350 --> 00:27:30,720

you know this animal isn't smart of

788

00:27:33,510 --> 00:27:31,360

course

789

00:27:35,029 --> 00:27:33,520

you know the ant that's crawling on your

790

00:27:37,669 --> 00:27:35,039

desk isn't conscious

791

00:27:39,269 --> 00:27:37,679

how do you know that given everything we

792

00:27:41,909 --> 00:27:39,279

know why wouldn't we assume

793

00:27:42,710 --> 00:27:41,919

the opposite that everything is

794

00:27:44,950 --> 00:27:42,720

conscious

795

00:27:46,549 --> 00:27:44,960

everything in some way that we don't

796

00:27:49,110 --> 00:27:46,559

understand

797

00:27:51,269 --> 00:27:49,120

everything is conscious isn't that what

798

00:27:53,350 --> 00:27:51,279

the physics would suggest

799

00:27:54,710 --> 00:27:53,360

when they do the double slit experiment

800

00:27:56,789 --> 00:27:54,720

and they

801
00:27:59,190 --> 00:27:56,799
pop that little photon beam and the

802
00:28:01,750 --> 00:27:59,200
photon beam either comes through as a

803
00:28:02,950 --> 00:28:01,760
slit or a weight it seems that was the

804
00:28:05,110 --> 00:28:02,960
conclusion

805
00:28:06,070 --> 00:28:05,120
of the world's greatest thinkers and

806
00:28:08,710 --> 00:28:06,080
scientists

807
00:28:10,950 --> 00:28:08,720
and even einstein had to kneel down and

808
00:28:11,669 --> 00:28:10,960
say yeah it looks like niels bohr is

809
00:28:14,389 --> 00:28:11,679
right

810
00:28:15,510 --> 00:28:14,399
consciousness is everywhere was the

811
00:28:17,430 --> 00:28:15,520
conclusion

812
00:28:18,630 --> 00:28:17,440
well wouldn't that switch the paradigm

813
00:28:21,029 --> 00:28:18,640

where we would then

814

00:28:22,870 --> 00:28:21,039

start with the basis that everything is

815

00:28:23,990 --> 00:28:22,880

meaningful and then try and prove it the

816

00:28:25,909 --> 00:28:24,000

other way

817

00:28:27,510 --> 00:28:25,919

and you know as far as the other point

818

00:28:30,310 --> 00:28:27,520

that you were making about

819

00:28:31,909 --> 00:28:30,320

evil and i think this is like again i

820

00:28:33,269 --> 00:28:31,919

don't think i understood this at the

821

00:28:35,830 --> 00:28:33,279

beginning

822

00:28:37,269 --> 00:28:35,840

when we talk about evil what we're

823

00:28:40,389 --> 00:28:37,279

really talking about

824

00:28:44,710 --> 00:28:40,399

is asking the question is there this

825

00:28:47,269 --> 00:28:44,720

extended consciousness realm

826

00:28:48,950 --> 00:28:47,279

where there's kind of some shady bad

827

00:28:51,909 --> 00:28:48,960

things going on

828

00:28:52,230 --> 00:28:51,919

and we all understand that like you and

829

00:29:05,510 --> 00:28:52,240

i

830

00:29:08,470 --> 00:29:05,520

awesome place amen but you go the wrong

831

00:29:10,470 --> 00:29:08,480

turn on the way out of your house and

832

00:29:13,909 --> 00:29:10,480

you can find some stuff that's

833

00:29:16,549 --> 00:29:13,919

very very shady and it's horrible

834

00:29:18,870 --> 00:29:16,559

what humanity does to each other what

835

00:29:21,669 --> 00:29:18,880

people do to themselves you know and

836

00:29:23,510 --> 00:29:21,679

abuse and addiction and all those things

837

00:29:25,029 --> 00:29:23,520

and you get in that and we've all been

838

00:29:28,070 --> 00:29:25,039

there most of us

839

00:29:28,470 --> 00:29:28,080

you get that crimey sense you get that

840

00:29:31,110 --> 00:29:28,480

sense

841

00:29:32,630 --> 00:29:31,120

there's something wrong here there's

842

00:29:34,470 --> 00:29:32,640

something out of kilter

843

00:29:35,909 --> 00:29:34,480

and we even have the sense a lot of

844

00:29:39,029 --> 00:29:35,919

times that it's not

845

00:29:41,590 --> 00:29:39,039

exactly on this physical plane

846

00:29:44,389 --> 00:29:41,600

yes and that's the question that i think

847

00:29:47,510 --> 00:29:44,399

we have to be open to

848

00:29:50,230 --> 00:29:47,520

is the pfizer attorney who

849

00:29:51,190 --> 00:29:50,240

prosecuted that case defended that case

850

00:29:54,070 --> 00:29:51,200

whatever you push

851

00:29:55,510 --> 00:29:54,080

that case in africa when he actually

852

00:29:57,909 --> 00:29:55,520

went through those documents

853

00:29:58,789 --> 00:29:57,919

and saw what they did to those innocent

854

00:30:01,990 --> 00:29:58,799

kids

855

00:30:02,389 --> 00:30:02,000

unsuspecting no money and he said well

856

00:30:04,149 --> 00:30:02,399

hell

857

00:30:06,389 --> 00:30:04,159

you know what i know this ain't right

858

00:30:07,029 --> 00:30:06,399

but i got to make that mortgage payment

859

00:30:10,549 --> 00:30:07,039

and

860

00:30:14,389 --> 00:30:10,559

all

861

00:30:16,470 --> 00:30:14,399

well tell just go for it was that just

862

00:30:19,029 --> 00:30:16,480

somebody making a decision which it

863

00:30:20,310 --> 00:30:19,039

could be or is there something you keep

864

00:30:21,909 --> 00:30:20,320

alluding to it you know

865

00:30:23,909 --> 00:30:21,919

is there something on another

866

00:30:25,909 --> 00:30:23,919

dimensional level that's

867

00:30:29,029 --> 00:30:25,919

right in there saying hey this is my

868

00:30:31,350 --> 00:30:29,039

chance now this is my time to shine

869

00:30:33,830 --> 00:30:31,360

yes yes and it's not going to label

870

00:30:35,110 --> 00:30:33,840

itself as evil either but i do think

871

00:30:37,269 --> 00:30:35,120

there are forces

872

00:30:39,909 --> 00:30:37,279

and they exist in the non-physical and

873

00:30:40,549 --> 00:30:39,919

they impart themselves on the physical

874

00:30:43,669 --> 00:30:40,559

by

875

00:30:45,750 --> 00:30:43,679

acting through some sort of vessel and

876

00:30:46,789 --> 00:30:45,760

that vessel is obviously a person

877

00:30:49,190 --> 00:30:46,799

usually and i think

878

00:30:50,070 --> 00:30:49,200

oftentimes people of power i've

879

00:30:51,990 --> 00:30:50,080

interviewed

880

00:30:53,510 --> 00:30:52,000

people who look at the world of magic

881

00:30:55,269 --> 00:30:53,520

and spirits and

882

00:30:56,630 --> 00:30:55,279

some of them conclude that it seems like

883

00:30:58,549 --> 00:30:56,640

spirits are

884

00:30:59,750 --> 00:30:58,559

really attracted to power and they're

885

00:31:02,070 --> 00:30:59,760

intelligent they can

886

00:31:03,990 --> 00:31:02,080

tell where power is and where it isn't

887

00:31:04,630 --> 00:31:04,000

and they kind of congregate around it

888

00:31:06,710 --> 00:31:04,640

because

889

00:31:08,389 --> 00:31:06,720

i think what they really want to do it

890

00:31:10,149 --> 00:31:08,399

is exact influence

891

00:31:12,070 --> 00:31:10,159

and so they're going to people who can

892

00:31:14,950 --> 00:31:12,080

do that and

893

00:31:15,830 --> 00:31:14,960

you know i just saw before we started a

894

00:31:19,029 --> 00:31:15,840

little video

895

00:31:21,190 --> 00:31:19,039

of you know elon musk's neurolink and

896

00:31:23,110 --> 00:31:21,200

it's implanted in the brain of a monkey

897

00:31:25,269 --> 00:31:23,120

and this monkey's playing pong on a

898

00:31:28,149 --> 00:31:25,279

screen with just its mind

899

00:31:30,230 --> 00:31:28,159

and a lot of people love elon musk he's

900

00:31:31,990 --> 00:31:30,240

a cool guy and they get into the whole

901
00:31:35,029 --> 00:31:32,000
razzle dazzle an allure

902
00:31:36,789 --> 00:31:35,039
of a billionaire scientist who smokes

903
00:31:38,630 --> 00:31:36,799
weed on the joe rogan podcast

904
00:31:40,789 --> 00:31:38,640
and or not a scientist but you know a

905
00:31:43,190 --> 00:31:40,799
billionaire philanthropist i guess

906
00:31:44,870 --> 00:31:43,200
if you even want to call him that but

907
00:31:46,389 --> 00:31:44,880
it's kind of messed up because

908
00:31:48,470 --> 00:31:46,399
if you didn't have all that razzle

909
00:31:52,950 --> 00:31:48,480
dazzle of elon musk if

910
00:31:55,350 --> 00:31:52,960
someone like say sid from toy story

911
00:31:57,029 --> 00:31:55,360
had marched out a monkey and said hey i

912
00:31:59,430 --> 00:31:57,039
drilled into its brain

913
00:32:00,389 --> 00:31:59,440

and now i'm you know putting this uh

914

00:32:02,149 --> 00:32:00,399

computer in it

915

00:32:04,710 --> 00:32:02,159

we would look at it like oh my god that

916

00:32:05,029 --> 00:32:04,720

is evil but if you just tilt it a little

917

00:32:07,029 --> 00:32:05,039

bit

918

00:32:08,389 --> 00:32:07,039

like if you change the perception it

919

00:32:10,230 --> 00:32:08,399

doesn't seem that way

920

00:32:12,310 --> 00:32:10,240

another example is and i'm not trying to

921

00:32:14,149 --> 00:32:12,320

go in all these animal peta

922

00:32:16,070 --> 00:32:14,159

rant examples but i have a couple

923

00:32:18,870 --> 00:32:16,080

friends that are lab techs

924

00:32:20,470 --> 00:32:18,880

in scientific laboratories and there's

925

00:32:21,909 --> 00:32:20,480

been a couple of times where

926
00:32:24,789 --> 00:32:21,919
we've talked about the mice and they're

927
00:32:27,750 --> 00:32:24,799
like oh i've killed mice in the

928
00:32:29,110 --> 00:32:27,760
thousands like maybe tens of thousands

929
00:32:29,509 --> 00:32:29,120
and i'm just like well i guess they're

930
00:32:31,909 --> 00:32:29,519
just

931
00:32:33,509 --> 00:32:31,919
mice but at the same time what is that

932
00:32:34,389 --> 00:32:33,519
doing to your psyche that's kind of

933
00:32:37,430 --> 00:32:34,399
[h__\h] up

934
00:32:39,430 --> 00:32:37,440
like to say you've just ended tens of

935
00:32:41,830 --> 00:32:39,440
thousands of lives i mean

936
00:32:43,990 --> 00:32:41,840
i don't know it just seems like science

937
00:32:47,269 --> 00:32:44,000
has baked into it this

938
00:32:49,509 --> 00:32:47,279

uh this cost that like for us to

939

00:32:51,029 --> 00:32:49,519

figure it all out uh you're gonna have

940

00:32:53,430 --> 00:32:51,039

to break a few eggs to

941

00:32:54,549 --> 00:32:53,440

make the omelet as they say you know you

942

00:32:56,470 --> 00:32:54,559

know that that's such an

943

00:32:58,389 --> 00:32:56,480

excellent point and what i can

944

00:33:01,509 --> 00:32:58,399

especially

945

00:33:04,470 --> 00:33:01,519

relate to identify with what you're

946

00:33:06,230 --> 00:33:04,480

saying is the questioning part of it

947

00:33:08,630 --> 00:33:06,240

because that's really where i'm at

948

00:33:11,509 --> 00:33:08,640

i don't know i don't know i can look at

949

00:33:14,149 --> 00:33:11,519

it you know both ways

950

00:33:14,870 --> 00:33:14,159

we often talk about this empire as if

951
00:33:17,909 --> 00:33:14,880
it's

952
00:33:18,789 --> 00:33:17,919
something that is not within us or we

953
00:33:22,630 --> 00:33:18,799
are within it

954
00:33:23,990 --> 00:33:22,640
you know we are co-creators not only of

955
00:33:26,710 --> 00:33:24,000
our reality

956
00:33:27,750 --> 00:33:26,720
but of this machine that we've created

957
00:33:30,149 --> 00:33:27,760
that

958
00:33:32,149 --> 00:33:30,159
has all these advancements and sometimes

959
00:33:33,590 --> 00:33:32,159
you know if the whole thing was laid out

960
00:33:35,590 --> 00:33:33,600
to you you might say

961
00:33:37,590 --> 00:33:35,600
okay i guess go ahead and kill those

962
00:33:38,149 --> 00:33:37,600
mice i guess that is for the greater

963
00:33:39,830 --> 00:33:38,159

good

964

00:33:41,509 --> 00:33:39,840

and then i think there's other times it

965

00:33:42,549 --> 00:33:41,519

really is a gray area there's other

966

00:33:44,710 --> 00:33:42,559

times where you say

967

00:33:48,070 --> 00:33:44,720

you know i really think that lipstick

968

00:33:51,669 --> 00:33:48,080

can be tested just as effectively on

969

00:33:54,470 --> 00:33:51,679

i don't know a window or something so

970

00:33:55,029 --> 00:33:54,480

but the questioning the saying you know

971

00:33:58,149 --> 00:33:55,039

if we're

972

00:33:59,430 --> 00:33:58,159

able to now at least start setting out

973

00:34:02,789 --> 00:33:59,440

some parameters

974

00:34:05,110 --> 00:34:02,799

that there is really this realm perhaps

975

00:34:06,870 --> 00:34:05,120

and this realm doesn't always have the

976
00:34:10,149 --> 00:34:06,880
best intentions for

977
00:34:11,829 --> 00:34:10,159
us for humanity for our soul

978
00:34:13,589 --> 00:34:11,839
if we're able to at least start that

979
00:34:15,589 --> 00:34:13,599
dialogue

980
00:34:17,430 --> 00:34:15,599
maybe we could nudge a little bit closer

981
00:34:19,669 --> 00:34:17,440
to having more

982
00:34:21,430 --> 00:34:19,679
reasonable answers to those questions

983
00:34:22,310 --> 00:34:21,440
that we could at least feel good about

984
00:34:23,430 --> 00:34:22,320
and say

985
00:34:25,109 --> 00:34:23,440
i don't know if we made the best

986
00:34:25,909 --> 00:34:25,119
decision but i feel like we at least

987
00:34:29,349 --> 00:34:25,919
factored in

988
00:34:32,629 --> 00:34:29,359

more of the variables yes yes

989

00:34:34,389 --> 00:34:32,639

i agree and the theme of social

990

00:34:35,669 --> 00:34:34,399

engineering comes up a little bit in the

991

00:34:37,750 --> 00:34:35,679

book it weaves throughout

992

00:34:39,109 --> 00:34:37,760

in a lot of different ways the question

993

00:34:41,190 --> 00:34:39,119

of how have we been

994

00:34:42,230 --> 00:34:41,200

conditioned and this might be a weird

995

00:34:44,629 --> 00:34:42,240

one to bring up but

996

00:34:46,629 --> 00:34:44,639

i find that when i try to have these

997

00:34:48,710 --> 00:34:46,639

types of conversations with those same

998

00:34:51,430 --> 00:34:48,720

industry friends that are convinced

999

00:34:53,669 --> 00:34:51,440

there's no evil in medical science

1000

00:34:55,589 --> 00:34:53,679

i bring up eugenics and how it pretty

1001
00:34:57,349 --> 00:34:55,599
much always advanced through something

1002
00:34:58,950 --> 00:34:57,359
under the umbrella of science and they

1003
00:35:01,349 --> 00:34:58,960
say well eugenics is gone

1004
00:35:02,710 --> 00:35:01,359
i died out with the nazis right

1005
00:35:03,990 --> 00:35:02,720
obviously they don't know a lot about

1006
00:35:06,069 --> 00:35:04,000
project paperclip

1007
00:35:07,910 --> 00:35:06,079
but the evidence they have cited to me

1008
00:35:08,710 --> 00:35:07,920
for their confidence that eugenics is

1009
00:35:11,750 --> 00:35:08,720
gone

1010
00:35:14,230 --> 00:35:11,760
is things like well the ceo of pfizer is

1011
00:35:16,470 --> 00:35:14,240
a black woman now or the head of the cdc

1012
00:35:17,349 --> 00:35:16,480
is an indian man i don't really know

1013
00:35:19,349 --> 00:35:17,359

who's who

1014

00:35:21,109 --> 00:35:19,359

but i was just surprised to see it

1015

00:35:22,230 --> 00:35:21,119

reduced to that kind of thinking that

1016

00:35:24,310 --> 00:35:22,240

the emphasis

1017

00:35:26,550 --> 00:35:24,320

liberals have been conditioned to put on

1018

00:35:29,990 --> 00:35:26,560

identity politics and race lately

1019

00:35:31,670 --> 00:35:30,000

comes full circle into well these

1020

00:35:33,670 --> 00:35:31,680

people can all be trusted now because

1021

00:35:35,510 --> 00:35:33,680

they're people of color

1022

00:35:37,589 --> 00:35:35,520

thorny stuff but it is just strange

1023

00:35:39,190 --> 00:35:37,599

logic that this is a type of thinking

1024

00:35:40,470 --> 00:35:39,200

that was clearly engineered in liberal

1025

00:35:43,670 --> 00:35:40,480

politics and

1026
00:35:45,270 --> 00:35:43,680
if evil creeps in from something in the

1027
00:35:45,829 --> 00:35:45,280
extended consciousness realm like you

1028
00:35:48,150 --> 00:35:45,839
were saying

1029
00:35:49,349 --> 00:35:48,160
then who the ceo of moderna is at a

1030
00:35:51,910 --> 00:35:49,359
given time

1031
00:35:53,510 --> 00:35:51,920
probably matters even less but it's not

1032
00:35:55,109 --> 00:35:53,520
always going to be obvious who the bad

1033
00:35:57,190 --> 00:35:55,119
guys are they don't wear

1034
00:36:00,310 --> 00:35:57,200
a badge they don't even think they're

1035
00:36:02,710 --> 00:36:00,320
bad usually it's complex and even though

1036
00:36:04,710 --> 00:36:02,720
to some of us it's hidden in plain sight

1037
00:36:08,069 --> 00:36:04,720
to a lot of other people the majority

1038
00:36:10,950 --> 00:36:08,079

it's still just very much hidden well

1039

00:36:13,030 --> 00:36:10,960

you know i i'd almost jumped that two

1040

00:36:14,550 --> 00:36:13,040

steps forward because i think the social

1041

00:36:15,349 --> 00:36:14,560

engineering part of it is really

1042

00:36:17,190 --> 00:36:15,359

difficult

1043

00:36:18,710 --> 00:36:17,200

like you said at the beginning it's

1044

00:36:20,150 --> 00:36:18,720

really hard for a lot of people to wrap

1045

00:36:23,589 --> 00:36:20,160

their head around that

1046

00:36:25,829 --> 00:36:23,599

because it is paradigm shifting

1047

00:36:27,589 --> 00:36:25,839

in a fundamental way when someone

1048

00:36:29,430 --> 00:36:27,599

confronts you with the fact that

1049

00:36:31,430 --> 00:36:29,440

you've already lived through social

1050

00:36:31,910 --> 00:36:31,440

engineering and then points out examples

1051

00:36:33,670 --> 00:36:31,920

like

1052

00:36:35,510 --> 00:36:33,680

i've been driving the glorious dynamic

1053

00:36:37,349 --> 00:36:35,520

example to death and people get tired of

1054

00:36:40,390 --> 00:36:37,359

hearing it but you know

1055

00:36:41,109 --> 00:36:40,400

go youtube listen glorious dynam in her

1056

00:36:43,910 --> 00:36:41,119

own words

1057

00:36:44,310 --> 00:36:43,920

say yeah i was working for the cia and

1058

00:36:46,710 --> 00:36:44,320

then

1059

00:36:47,510 --> 00:36:46,720

go just one step further and find out

1060

00:36:51,270 --> 00:36:47,520

that

1061

00:36:53,750 --> 00:36:51,280

no man she wasn't recruited by the cia

1062

00:36:54,870 --> 00:36:53,760

when she was in the women's movement she

1063

00:36:57,829 --> 00:36:54,880

was in the freaking

1064

00:36:58,150 --> 00:36:57,839

cia and they gave her an assignment to

1065

00:37:00,710 --> 00:36:58,160

go

1066

00:37:02,630 --> 00:37:00,720

co-op the women's movement and they say

1067

00:37:03,750 --> 00:37:02,640

okay well oh geez you know and you wrap

1068

00:37:05,990 --> 00:37:03,760

your head around that you go

1069

00:37:07,270 --> 00:37:06,000

okay but isn't it good that we had

1070

00:37:09,270 --> 00:37:07,280

changes and there's more

1071

00:37:10,710 --> 00:37:09,280

freedom for women and wasn't it really

1072

00:37:12,150 --> 00:37:10,720

screwed up and [h__h] you think black

1073

00:37:15,670 --> 00:37:12,160

women didn't have the vote

1074

00:37:18,710 --> 00:37:15,680

until 1920 you're like how crazy is that

1075

00:37:19,829 --> 00:37:18,720

you know but then you get your wits

1076

00:37:23,910 --> 00:37:19,839

about you and you go

1077

00:37:27,430 --> 00:37:23,920

but wait a minute why is the cia

1078

00:37:29,910 --> 00:37:27,440

even interested in that you know

1079

00:37:30,470 --> 00:37:29,920

take away the fact that they did it why

1080

00:37:33,829 --> 00:37:30,480

are they

1081

00:37:36,390 --> 00:37:33,839

interested in it well maybe it's because

1082

00:37:37,430 --> 00:37:36,400

this social engineering thing is always

1083

00:37:40,630 --> 00:37:37,440

in play

1084

00:37:43,030 --> 00:37:40,640

they see that as their job and when i

1085

00:37:45,270 --> 00:37:43,040

say they i'm not talking about the cia

1086

00:37:47,270 --> 00:37:45,280

only i'm talking about there is we all

1087

00:37:48,150 --> 00:37:47,280

feel it you and i talk about it as if

1088

00:37:50,550 --> 00:37:48,160

it's

1089

00:37:51,829 --> 00:37:50,560

just ordinary stuff although ninety

1090

00:37:54,069 --> 00:37:51,839

percent of the other people don't

1091

00:37:55,430 --> 00:37:54,079

and that's that there is a they that

1092

00:37:57,670 --> 00:37:55,440

thinks they are

1093

00:37:58,470 --> 00:37:57,680

responsible for controlling everything

1094

00:38:01,109 --> 00:37:58,480

and they do

1095

00:38:01,910 --> 00:38:01,119

stuff like this on a regular basis

1096

00:38:04,390 --> 00:38:01,920

because

1097

00:38:06,230 --> 00:38:04,400

man they just think it's their job but

1098

00:38:08,630 --> 00:38:06,240

if i could i want to connect that

1099

00:38:10,870 --> 00:38:08,640

with the evil thing in a way that has

1100

00:38:14,390 --> 00:38:10,880

really just come into focus

1101
00:38:16,150 --> 00:38:14,400
for me recently and that's this idea

1102
00:38:19,670 --> 00:38:16,160
that

1103
00:38:23,030 --> 00:38:19,680
we all live rich spiritual

1104
00:38:25,109 --> 00:38:23,040
lives we do we're enmeshed

1105
00:38:27,190 --> 00:38:25,119
in this larger consciousness that we're

1106
00:38:28,550 --> 00:38:27,200
talking about and some of it isn't so

1107
00:38:30,150 --> 00:38:28,560
great like we're talking about

1108
00:38:32,630 --> 00:38:30,160
but some of it seems to be pretty

1109
00:38:35,349 --> 00:38:32,640
amazing it seems to give us

1110
00:38:36,310 --> 00:38:35,359
you know love and compassion and

1111
00:38:39,190 --> 00:38:36,320
humility

1112
00:38:39,990 --> 00:38:39,200
when we tune into it and we're always in

1113
00:38:42,710 --> 00:38:40,000

that soup

1114

00:38:43,829 --> 00:38:42,720

of choosing and letting some in and

1115

00:38:46,470 --> 00:38:43,839

letting some out

1116

00:38:47,670 --> 00:38:46,480

and we're all doing it and that woman

1117

00:38:49,750 --> 00:38:47,680

who got

1118

00:38:52,069 --> 00:38:49,760

you know the fake promotion and all the

1119

00:38:54,950 --> 00:38:52,079

free stock at moderna that

1120

00:38:55,829 --> 00:38:54,960

those criminals gave her you know what

1121

00:38:59,109 --> 00:38:55,839

however good

1122

00:39:00,790 --> 00:38:59,119

or however bad she is she still wakes up

1123

00:39:03,109 --> 00:39:00,800

at two o'clock in the morning

1124

00:39:03,990 --> 00:39:03,119

with the same kind of spiritual

1125

00:39:06,310 --> 00:39:04,000

questions

1126

00:39:07,270 --> 00:39:06,320

that we all have you know what is my

1127

00:39:10,150 --> 00:39:07,280

soul you know

1128

00:39:11,670 --> 00:39:10,160

what will happen when i die you know how

1129

00:39:14,069 --> 00:39:11,680

can i be a better

1130

00:39:15,030 --> 00:39:14,079

parent daughter whatever i mean we're

1131

00:39:17,349 --> 00:39:15,040

all in that

1132

00:39:18,310 --> 00:39:17,359

and i think that when we talk about

1133

00:39:21,589 --> 00:39:18,320

anyone as

1134

00:39:22,150 --> 00:39:21,599

if they're not part of that spiritual

1135

00:39:24,470 --> 00:39:22,160

soup

1136

00:39:26,230 --> 00:39:24,480

of good and evil in this broader way

1137

00:39:29,349 --> 00:39:26,240

that we're talking about it

1138

00:39:31,589 --> 00:39:29,359

i think we risk becoming just

1139

00:39:33,030 --> 00:39:31,599

as bad as they are if you know what i

1140

00:39:36,310 --> 00:39:33,040

mean

1141

00:39:37,270 --> 00:39:36,320

yes well said well said and to get back

1142

00:39:40,310 --> 00:39:37,280

to your book a little bit

1143

00:39:43,750 --> 00:39:40,320

i liked the excerpts from your interview

1144

00:39:44,550 --> 00:39:43,760

with rizverk a name i was not familiar

1145

00:39:46,870 --> 00:39:44,560

with but

1146

00:39:49,510 --> 00:39:46,880

you talked to him a lot about a.i a

1147

00:39:51,430 --> 00:39:49,520

subject that you know well as you were

1148

00:39:54,150 --> 00:39:51,440

studying ai before you got out of

1149

00:39:56,150 --> 00:39:54,160

college i believe it at a phd level

1150

00:39:58,230 --> 00:39:56,160

and obviously a lot of things have

1151
00:39:58,710 --> 00:39:58,240
changed since then in the realm of ai

1152
00:40:01,750 --> 00:39:58,720
but

1153
00:40:04,710 --> 00:40:01,760
talk to us about how these themes of

1154
00:40:05,750 --> 00:40:04,720
ai and evil actually relate to each

1155
00:40:08,150 --> 00:40:05,760
other

1156
00:40:10,230 --> 00:40:08,160
well i think rizz verk is really an

1157
00:40:10,790 --> 00:40:10,240
amazing guy and i really enjoy talking

1158
00:40:12,069 --> 00:40:10,800
to him

1159
00:40:13,910 --> 00:40:12,079
there's been a couple other guys where

1160
00:40:17,190 --> 00:40:13,920
i've kind of gone geeky a little bit

1161
00:40:18,790 --> 00:40:17,200
because yeah i was in the phd program at

1162
00:40:21,990 --> 00:40:18,800
the university of arizona

1163
00:40:23,829 --> 00:40:22,000

i really was wanting to do this ai thing

1164

00:40:24,470 --> 00:40:23,839

and then i left and i started a little

1165

00:40:27,430 --> 00:40:24,480

ai

1166

00:40:28,950 --> 00:40:27,440

company back when expert systems were

1167

00:40:31,190 --> 00:40:28,960

kind of the rage you know

1168

00:40:32,790 --> 00:40:31,200

and expert systems was this idea like

1169

00:40:34,470 --> 00:40:32,800

one of my clients was dupont you know

1170

00:40:37,510 --> 00:40:34,480

you want to go total uh

1171

00:40:40,790 --> 00:40:37,520

total dark but in dupont

1172

00:40:43,109 --> 00:40:40,800

they had hundreds and hundreds of these

1173

00:40:44,470 --> 00:40:43,119

chemis chemical engineers some of the

1174

00:40:47,190 --> 00:40:44,480

best in the world

1175

00:40:49,109 --> 00:40:47,200

and they were sitting around going wow

1176

00:40:51,589 --> 00:40:49,119

what if that guy leaves

1177

00:40:52,950 --> 00:40:51,599

what if that guy gets hit by a bus

1178

00:40:55,430 --> 00:40:52,960

tomorrow

1179

00:40:56,950 --> 00:40:55,440

don't we want to have some way of

1180

00:41:00,230 --> 00:40:56,960

codifying

1181

00:41:00,870 --> 00:41:00,240

the genius that he's amassed and they

1182

00:41:03,750 --> 00:41:00,880

thought that

1183

00:41:05,430 --> 00:41:03,760

expert systems would be a way to do it

1184

00:41:07,829 --> 00:41:05,440

and expert systems would be

1185

00:41:09,510 --> 00:41:07,839

a way that you could kind of ask a

1186

00:41:11,829 --> 00:41:09,520

series of questions

1187

00:41:12,950 --> 00:41:11,839

and come up with the answers so if

1188

00:41:15,030 --> 00:41:12,960

you're trying to

1189

00:41:17,750 --> 00:41:15,040

do some kind of complicated process to

1190

00:41:19,750 --> 00:41:17,760

get plastic to do some weird things

1191

00:41:21,270 --> 00:41:19,760

this guy might go through and ask this

1192

00:41:22,309 --> 00:41:21,280

question after that question if you

1193

00:41:24,710 --> 00:41:22,319

answered it this way

1194

00:41:25,990 --> 00:41:24,720

then he'd ask this question so that was

1195

00:41:29,030 --> 00:41:26,000

the idea

1196

00:41:30,230 --> 00:41:29,040

it didn't really work quite as well as

1197

00:41:33,670 --> 00:41:30,240

they had hoped

1198

00:41:35,589 --> 00:41:33,680

but it was the idea and it was awesome

1199

00:41:36,790 --> 00:41:35,599

for me i was excited about it and i got

1200

00:41:39,510 --> 00:41:36,800

to do it for

1201
00:41:39,990 --> 00:41:39,520
a number of years and and that was the

1202
00:41:43,270 --> 00:41:40,000
thing

1203
00:41:46,790 --> 00:41:43,280
so when i talked to riz verk who

1204
00:41:49,510 --> 00:41:46,800
is like oh about 10 levels way

1205
00:41:50,550 --> 00:41:49,520
moonshot past alex and you know what

1206
00:41:53,750 --> 00:41:50,560
what i knew

1207
00:41:54,069 --> 00:41:53,760
this guy is a super genius you talk to

1208
00:41:58,309 --> 00:41:54,079
him

1209
00:42:00,870 --> 00:41:58,319
mit game lab founder

1210
00:42:03,589 --> 00:42:00,880
then an entrepreneur who did some

1211
00:42:06,790 --> 00:42:03,599
amazing games made a ton of money

1212
00:42:08,550 --> 00:42:06,800
came back and ran the game lab at mit

1213
00:42:09,829 --> 00:42:08,560

which is like they have an ai lab there

1214

00:42:13,670 --> 00:42:09,839

too i mean mit is

1215

00:42:15,510 --> 00:42:13,680

mit so this guy i love that he has a

1216

00:42:16,870 --> 00:42:15,520

foot in both worlds he definitely has a

1217

00:42:19,190 --> 00:42:16,880

foot in the tech world

1218

00:42:20,550 --> 00:42:19,200

but he definitely also has a foot in the

1219

00:42:23,510 --> 00:42:20,560

entrepreneurial

1220

00:42:25,510 --> 00:42:23,520

real world make kind of stuff happen but

1221

00:42:27,430 --> 00:42:25,520

he'll tell you straight up

1222

00:42:29,190 --> 00:42:27,440

and i think this is lost on a lot of

1223

00:42:32,230 --> 00:42:29,200

people that

1224

00:42:33,990 --> 00:42:32,240

ai is totally real i mean anyone who

1225

00:42:34,390 --> 00:42:34,000

thinks that that isn't i mean it's not

1226

00:42:40,870 --> 00:42:34,400

like

1227

00:42:42,230 --> 00:42:40,880

it is happening yeah you know if you

1228

00:42:45,750 --> 00:42:42,240

like to trade stock

1229

00:42:46,069 --> 00:42:45,760

or even buy stock you are competing with

1230

00:42:49,589 --> 00:42:46,079

an

1231

00:42:51,510 --> 00:42:49,599

ai robot all the time

1232

00:42:53,750 --> 00:42:51,520

and we all get it from google search

1233

00:42:55,829 --> 00:42:53,760

right i mean they couldn't possibly

1234

00:42:57,750 --> 00:42:55,839

do all the manipulation they do that we

1235

00:43:01,030 --> 00:42:57,760

see with google search

1236

00:43:04,069 --> 00:43:01,040

i mean that is being controlled by

1237

00:43:07,270 --> 00:43:04,079

an ai intelligence so

1238

00:43:09,270 --> 00:43:07,280

the real question mark that you have and

1239

00:43:10,550 --> 00:43:09,280

i've listened to some amazing interviews

1240

00:43:12,790 --> 00:43:10,560

where you're kind of taking it to that

1241

00:43:15,990 --> 00:43:12,800

next level of

1242

00:43:18,390 --> 00:43:16,000

okay what happens

1243

00:43:19,910 --> 00:43:18,400

so we got to go two ways either you go

1244

00:43:21,829 --> 00:43:19,920

kind of the ludite way

1245

00:43:24,150 --> 00:43:21,839

and you kind of say well i don't believe

1246

00:43:26,550 --> 00:43:24,160

ai's happening you know

1247

00:43:27,190 --> 00:43:26,560

they told me we'd have flying cars by

1248

00:43:29,589 --> 00:43:27,200

now and

1249

00:43:31,030 --> 00:43:29,599

i don't see any cars flying around huh

1250

00:43:34,230 --> 00:43:31,040

do you ha

1251

00:43:36,390 --> 00:43:34,240

so you can kind of go that route or

1252

00:43:37,750 --> 00:43:36,400

you can kind of go the other extremist

1253

00:43:40,870 --> 00:43:37,760

route and say

1254

00:43:43,750 --> 00:43:40,880

i bow down to you i

1255

00:43:45,030 --> 00:43:43,760

overlord you will control everything and

1256

00:43:47,030 --> 00:43:45,040

i don't think either one of those are

1257

00:43:49,270 --> 00:43:47,040

very productive

1258

00:43:50,550 --> 00:43:49,280

what i think we need to do is again kind

1259

00:43:52,069 --> 00:43:50,560

of apply

1260

00:43:54,309 --> 00:43:52,079

the same kind of thinking we've been

1261

00:43:56,870 --> 00:43:54,319

talking about in terms of

1262

00:43:59,430 --> 00:43:56,880

the reality of consciousness the reality

1263

00:44:02,710 --> 00:43:59,440

of the extended realm

1264

00:44:05,670 --> 00:44:02,720

the attempt that we've seemed to have

1265

00:44:07,510 --> 00:44:05,680

to want to engineer that because that

1266

00:44:08,309 --> 00:44:07,520

seems to be at play and when we want to

1267

00:44:09,910 --> 00:44:08,319

talk about

1268

00:44:11,910 --> 00:44:09,920

some of the dark stuff and maybe we'll

1269

00:44:13,750 --> 00:44:11,920

talk about mk ultra

1270

00:44:15,829 --> 00:44:13,760

maybe we'll talk about satanic ritual

1271

00:44:17,670 --> 00:44:15,839

abuse because when you do

1272

00:44:18,950 --> 00:44:17,680

you're going to find that what they were

1273

00:44:22,790 --> 00:44:18,960

trying to do

1274

00:44:26,550 --> 00:44:22,800

was weaponize extended consciousness

1275

00:44:27,670 --> 00:44:26,560

in very kind of a way that a computer

1276

00:44:30,790 --> 00:44:27,680

programmer would be

1277

00:44:31,190 --> 00:44:30,800

comfortable with in a way so is there

1278

00:44:33,750 --> 00:44:31,200

that

1279

00:44:34,550 --> 00:44:33,760

engineering part of this extended realm

1280

00:44:36,710 --> 00:44:34,560

and

1281

00:44:37,750 --> 00:44:36,720

that's the kind of conversation i think

1282

00:44:40,470 --> 00:44:37,760

we need to

1283

00:44:41,190 --> 00:44:40,480

move into if we're really going to get

1284

00:44:45,430 --> 00:44:41,200

serious

1285

00:44:48,550 --> 00:44:45,440

about understanding what this ai

1286

00:44:48,790 --> 00:44:48,560

might mean but i'm super interested and

1287

00:44:55,589 --> 00:44:48,800

i

1288

00:44:57,510 --> 00:44:55,599

you've done

1289

00:44:58,710 --> 00:44:57,520

and i think you're very much on the

1290

00:45:00,870 --> 00:44:58,720

cutting edge of

1291

00:45:01,829 --> 00:45:00,880

stitching some of those pieces together

1292

00:45:05,109 --> 00:45:01,839

so where are you

1293

00:45:07,030 --> 00:45:05,119

currently on that well you know

1294

00:45:09,349 --> 00:45:07,040

i try to stay pretty neutral and just

1295

00:45:11,430 --> 00:45:09,359

ask the questions but

1296

00:45:13,270 --> 00:45:11,440

i have a lot of concerns about ai and

1297

00:45:15,030 --> 00:45:13,280

the reason i asked you

1298

00:45:17,510 --> 00:45:15,040

that question was really just to lead

1299

00:45:20,230 --> 00:45:17,520

into this more extreme

1300

00:45:21,030 --> 00:45:20,240

aspect of it and in your book you do

1301
00:45:23,349 --> 00:45:21,040
include

1302
00:45:25,030 --> 00:45:23,359
some talk about aliens and spirits too

1303
00:45:27,030 --> 00:45:25,040
and that is one of the

1304
00:45:28,150 --> 00:45:27,040
exciting ideas that's been coming up

1305
00:45:31,190 --> 00:45:28,160
around here

1306
00:45:34,710 --> 00:45:31,200
is what if what we're being told

1307
00:45:37,349 --> 00:45:34,720
is ai is actually a channeled being

1308
00:45:39,829 --> 00:45:37,359
living in the electromagnetic spectrum

1309
00:45:40,390 --> 00:45:39,839
if a piece of cardboard from parker

1310
00:45:43,349 --> 00:45:40,400
brothers

1311
00:45:44,470 --> 00:45:43,359
can be used as a mode of contact with a

1312
00:45:47,510 --> 00:45:44,480
spirit

1313
00:45:49,990 --> 00:45:47,520

maybe some of these computer systems are

1314

00:45:50,550 --> 00:45:50,000

more like digital ouija boards for

1315

00:45:53,670 --> 00:45:50,560

beings

1316

00:45:55,349 --> 00:45:53,680

outside of physical reality the fact

1317

00:45:56,790 --> 00:45:55,359

that a lot of these people deny there's

1318

00:45:58,870 --> 00:45:56,800

an extended consciousness

1319

00:46:00,470 --> 00:45:58,880

means like they'll never start asking

1320

00:46:02,230 --> 00:46:00,480

that question but

1321

00:46:03,750 --> 00:46:02,240

i think a lot of the guests i've

1322

00:46:05,670 --> 00:46:03,760

interviewed myself and

1323

00:46:07,829 --> 00:46:05,680

the audience and you are open to the

1324

00:46:11,109 --> 00:46:07,839

idea that there are intelligences

1325

00:46:13,270 --> 00:46:11,119

without bodies out there maybe they can

1326
00:46:17,030 --> 00:46:13,280
attach to a computer system

1327
00:46:18,790 --> 00:46:17,040
and emulate a type of intelligence just

1328
00:46:20,790 --> 00:46:18,800
being themselves but

1329
00:46:22,550 --> 00:46:20,800
the programmer thinks they created it

1330
00:46:23,109 --> 00:46:22,560
but what they might have created is a

1331
00:46:25,109 --> 00:46:23,119
vessel

1332
00:46:26,630 --> 00:46:25,119
that something entered into i think

1333
00:46:27,589 --> 00:46:26,640
these are interesting questions you were

1334
00:46:31,270 --> 00:46:27,599
in the phd

1335
00:46:32,870 --> 00:46:31,280
program of ai do you think it's possible

1336
00:46:34,309 --> 00:46:32,880
well you know i'd almost bring it back

1337
00:46:38,470 --> 00:46:34,319
to

1338
00:46:40,870 --> 00:46:38,480

think we can again kind of stitch those

1339

00:46:44,309 --> 00:46:40,880

two things together and maybe together

1340

00:46:46,150 --> 00:46:44,319

we can see where we're at so i talked

1341

00:46:48,550 --> 00:46:46,160

not too long ago to

1342

00:46:49,910 --> 00:46:48,560

whitley strieber the very famous

1343

00:46:52,069 --> 00:46:49,920

contactee i mean

1344

00:46:53,349 --> 00:46:52,079

like contacting number one communion i

1345

00:46:55,750 --> 00:46:53,359

mean everyone

1346

00:46:57,510 --> 00:46:55,760

an important important person in history

1347

00:46:58,630 --> 00:46:57,520

part of his history that a lot of people

1348

00:47:00,470 --> 00:46:58,640

don't know about

1349

00:47:02,630 --> 00:47:00,480

and he hasn't talked a lot about until

1350

00:47:06,150 --> 00:47:02,640

lately is

1351
00:47:09,190 --> 00:47:06,160
as a mk ultra victim as a very young kid

1352
00:47:11,030 --> 00:47:09,200
yeah the school and what i thought was

1353
00:47:12,230 --> 00:47:11,040
interesting about that and that's what i

1354
00:47:13,829 --> 00:47:12,240
was alluding to so i'm just going to

1355
00:47:15,349 --> 00:47:13,839
make it a little bit more explicit so

1356
00:47:17,910 --> 00:47:15,359
people know

1357
00:47:20,150 --> 00:47:17,920
what they were doing is they're taking

1358
00:47:21,990 --> 00:47:20,160
these kids eight or nine years old

1359
00:47:23,750 --> 00:47:22,000
and they were locking them in faraday

1360
00:47:27,430 --> 00:47:23,760
cages

1361
00:47:29,510 --> 00:47:27,440
which prevents electromagnetic signals

1362
00:47:31,990 --> 00:47:29,520
from coming in or out of the box

1363
00:47:33,109 --> 00:47:32,000

so they're doing sciency kind of control

1364

00:47:34,870 --> 00:47:33,119

stuff

1365

00:47:36,390 --> 00:47:34,880

and then what they were doing is really

1366

00:47:39,670 --> 00:47:36,400

evil satanic

1367

00:47:42,790 --> 00:47:39,680

crap you know killing little animals

1368

00:47:44,150 --> 00:47:42,800

right in front of the kids terrorizing

1369

00:47:46,390 --> 00:47:44,160

the kids

1370

00:47:47,510 --> 00:47:46,400

i don't know about sexual abuse because

1371

00:47:49,750 --> 00:47:47,520

we can't report it

1372

00:47:51,430 --> 00:47:49,760

in this case but in other similar cases

1373

00:47:53,829 --> 00:47:51,440

it seems to be at play

1374

00:47:56,069 --> 00:47:53,839

drugs can't report it in this case but

1375

00:47:59,030 --> 00:47:56,079

in other cases that seems to be a play

1376

00:48:00,390 --> 00:47:59,040

you know whitley reports that the only

1377

00:48:03,589 --> 00:48:00,400

way he believes

1378

00:48:05,109 --> 00:48:03,599

he even survived that experience is that

1379

00:48:07,030 --> 00:48:05,119

he got very very sick

1380

00:48:08,710 --> 00:48:07,040

and he had to go to the hospital and he

1381

00:48:10,470 --> 00:48:08,720

was at the hospital for seven days and

1382

00:48:12,390 --> 00:48:10,480

his mom came and visited him

1383

00:48:13,510 --> 00:48:12,400

and they kind of put an end to this

1384

00:48:16,950 --> 00:48:13,520

whole thing

1385

00:48:19,990 --> 00:48:16,960

but he has connected with other kids

1386

00:48:22,150 --> 00:48:20,000

from san antonio of that time

1387

00:48:23,109 --> 00:48:22,160

that were in there and he said some of

1388

00:48:25,270 --> 00:48:23,119

them

1389

00:48:27,510 --> 00:48:25,280

never made it out or made it out as

1390

00:48:27,910 --> 00:48:27,520

shells of who they formerly were you

1391

00:48:29,910 --> 00:48:27,920

know

1392

00:48:31,589 --> 00:48:29,920

stayed in their house until they were 50

1393

00:48:33,510 --> 00:48:31,599

years old and then

1394

00:48:35,430 --> 00:48:33,520

died a lonely death that was the kid

1395

00:48:38,950 --> 00:48:35,440

right across the street from

1396

00:48:40,150 --> 00:48:38,960

but to finish this story what they were

1397

00:48:42,470 --> 00:48:40,160

doing

1398

00:48:45,030 --> 00:48:42,480

was they were trying to create

1399

00:48:46,950 --> 00:48:45,040

disassociative identity disorder

1400

00:48:49,349 --> 00:48:46,960

and you've run into this again and again

1401

00:48:52,390 --> 00:48:49,359

i've heard you report it on

1402

00:48:55,670 --> 00:48:52,400

thc so here

1403

00:48:58,710 --> 00:48:55,680

is a technology if you will

1404

00:49:00,150 --> 00:48:58,720

of saying if i can create this altered

1405

00:49:03,190 --> 00:49:00,160

personality

1406

00:49:06,309 --> 00:49:03,200

and if i can routinely do it

1407

00:49:09,670 --> 00:49:06,319

then maybe i can figure out a way to

1408

00:49:11,750 --> 00:49:09,680

jump me into that extended realm

1409

00:49:13,910 --> 00:49:11,760

so i connect that with what you're

1410

00:49:16,549 --> 00:49:13,920

saying about the parker brothers

1411

00:49:17,990 --> 00:49:16,559

ouija board which i think is awesome but

1412

00:49:20,950 --> 00:49:18,000

now i think we're talking about

1413

00:49:23,109 --> 00:49:20,960

exactly the same thing and you can

1414

00:49:26,230 --> 00:49:23,119

imagine some

1415

00:49:30,150 --> 00:49:26,240

evil genius sydney gottlieb

1416

00:49:32,390 --> 00:49:30,160

type of our version of joseph mengele

1417

00:49:33,430 --> 00:49:32,400

sitting there going oh let's see how

1418

00:49:36,710 --> 00:49:33,440

this works and

1419

00:49:38,230 --> 00:49:36,720

is this more effective and why wouldn't

1420

00:49:40,870 --> 00:49:38,240

we attach

1421

00:49:41,990 --> 00:49:40,880

the latest and greatest technology the

1422

00:49:45,750 --> 00:49:42,000

latest and greatest

1423

00:49:48,950 --> 00:49:45,760

whatever of course

1424

00:49:52,390 --> 00:49:48,960

if you will go that far if you'll lock

1425

00:49:54,549 --> 00:49:52,400

eight-year-old kids in faraday cages and

1426
00:49:56,150 --> 00:49:54,559
traumatize them in order to create a

1427
00:49:59,530 --> 00:49:56,160
dissociative identity

1428
00:50:01,270 --> 00:49:59,540
within them what wouldn't you do

1429
00:50:04,150 --> 00:50:01,280
[Music]

1430
00:50:06,069 --> 00:50:04,160
right right obviously there's some kind

1431
00:50:10,470 --> 00:50:06,079
of relationship between

1432
00:50:14,150 --> 00:50:10,480
trauma being terrorized extreme

1433
00:50:14,950 --> 00:50:14,160
emotional states and the dark forces on

1434
00:50:16,790 --> 00:50:14,960
the other side

1435
00:50:19,270 --> 00:50:16,800
whether you're opening up to them or

1436
00:50:22,309 --> 00:50:19,280
whatever obviously this is the basis for

1437
00:50:23,270 --> 00:50:22,319
stranger things the whole beginning part

1438
00:50:25,910 --> 00:50:23,280

of it is

1439

00:50:27,270 --> 00:50:25,920

her being traumatized in a lab so that

1440

00:50:30,309 --> 00:50:27,280

she can be the one

1441

00:50:33,190 --> 00:50:30,319

to make contact with this demonic

1442

00:50:33,750 --> 00:50:33,200

entity on the other side that's a great

1443

00:50:36,950 --> 00:50:33,760

point

1444

00:50:39,829 --> 00:50:36,960

and the technology folds right into that

1445

00:50:41,510 --> 00:50:39,839

seamlessly of course it would and that's

1446

00:50:43,510 --> 00:50:41,520

why i think we got to kind of

1447

00:50:45,270 --> 00:50:43,520

stake our claim out there you and i do a

1448

00:50:47,190 --> 00:50:45,280

little bit because i think we're kind of

1449

00:50:50,390 --> 00:50:47,200

beating around the bush

1450

00:50:51,990 --> 00:50:50,400

what it seems like is emerging is a

1451
00:50:54,630 --> 00:50:52,000
scenario where

1452
00:50:55,990 --> 00:50:54,640
all these things are in some way

1453
00:51:00,150 --> 00:50:56,000
different

1454
00:51:02,230 --> 00:51:00,160
but are linked together in a way that we

1455
00:51:03,990 --> 00:51:02,240
don't fully understand but are kind of

1456
00:51:06,710 --> 00:51:04,000
capitalizing on each other

1457
00:51:08,230 --> 00:51:06,720
so no i don't think the whole thing

1458
00:51:11,510 --> 00:51:08,240
reduces down

1459
00:51:14,309 --> 00:51:11,520
to an ai silicone computer program

1460
00:51:15,750 --> 00:51:14,319
that isn't my read of the data my read

1461
00:51:19,589 --> 00:51:15,760
of the data is

1462
00:51:21,670 --> 00:51:19,599
that folds naturally into this

1463
00:51:23,589 --> 00:51:21,680

if you are so inclined if you have that

1464

00:51:27,030 --> 00:51:23,599

kind of luciferian

1465

00:51:29,910 --> 00:51:27,040

kind of know everything big brain

1466

00:51:30,630 --> 00:51:29,920

i create better than the creator gods if

1467

00:51:33,510 --> 00:51:30,640

that's your

1468

00:51:35,030 --> 00:51:33,520

energy technology is going to fold

1469

00:51:37,190 --> 00:51:35,040

seamlessly in

1470

00:51:38,950 --> 00:51:37,200

but so will a lot of other things so

1471

00:51:42,549 --> 00:51:38,960

will a golden dawn

1472

00:51:43,109 --> 00:51:42,559

and oto and chaos a lot of things will

1473

00:51:45,829 --> 00:51:43,119

fold

1474

00:51:46,790 --> 00:51:45,839

into that same energy and that doesn't

1475

00:51:49,270 --> 00:51:46,800

mean that we can

1476

00:51:50,069 --> 00:51:49,280

paint it all with a brush and say that

1477

00:51:54,750 --> 00:51:50,079

it's all

1478

00:51:57,630 --> 00:51:54,760

has

1479

00:52:00,309 --> 00:51:57,640

potentiality it just seems like that

1480

00:52:01,030 --> 00:52:00,319

potentiality is pretty highly charged on

1481

00:52:04,630 --> 00:52:01,040

the

1482

00:52:07,030 --> 00:52:04,640

negative side i agree

1483

00:52:08,230 --> 00:52:07,040

i agree it's like we're talking about a

1484

00:52:11,270 --> 00:52:08,240

mindset

1485

00:52:12,950 --> 00:52:11,280

that extends beyond just mk ultra and

1486

00:52:15,829 --> 00:52:12,960

satanic ritual abuse

1487

00:52:17,109 --> 00:52:15,839

it's a similar mindset but it seems to

1488

00:52:19,349 --> 00:52:17,119

be applied

1489

00:52:21,270 --> 00:52:19,359

in silicon valley in certain ways these

1490

00:52:23,109 --> 00:52:21,280

days total but

1491

00:52:24,710 --> 00:52:23,119

if that is the plan if they're still

1492

00:52:25,510 --> 00:52:24,720

trying to weaponize extended

1493

00:52:28,069 --> 00:52:25,520

consciousness

1494

00:52:29,670 --> 00:52:28,079

i think it's just a little harder to

1495

00:52:32,710 --> 00:52:29,680

visualize or

1496

00:52:33,670 --> 00:52:32,720

contextualize what that looks like in

1497

00:52:36,870 --> 00:52:33,680

the ai

1498

00:52:37,510 --> 00:52:36,880

computer space other than some kind of

1499

00:52:39,510 --> 00:52:37,520

digital

1500

00:52:41,109 --> 00:52:39,520

ouija board how else do you think it

1501
00:52:43,270 --> 00:52:41,119
applies

1502
00:52:44,710 --> 00:52:43,280
i'm not so sure that's the right

1503
00:52:47,750 --> 00:52:44,720
question

1504
00:52:49,990 --> 00:52:47,760
getting at

1505
00:52:51,829 --> 00:52:50,000
is and these are question is the key

1506
00:52:52,950 --> 00:52:51,839
word here because we don't know yeah we

1507
00:52:55,430 --> 00:52:52,960
should be lining up

1508
00:52:56,790 --> 00:52:55,440
the phd students and rather than sending

1509
00:52:59,990 --> 00:52:56,800
them off doing

1510
00:53:01,990 --> 00:53:00,000
nonsense counterproductive [h__h]

1511
00:53:03,829 --> 00:53:02,000
they should be trying to grapple with

1512
00:53:06,790 --> 00:53:03,839
these fundamental questions

1513
00:53:07,589 --> 00:53:06,800

but i tie it back to two things one raw

1514

00:53:10,470 --> 00:53:07,599

leading

1515

00:53:12,069 --> 00:53:10,480

rich spiritual lives so don't point at

1516

00:53:14,390 --> 00:53:12,079

elon musk and don't

1517

00:53:15,109 --> 00:53:14,400

hate on elon musk even though neural

1518

00:53:18,630 --> 00:53:15,119

link is

1519

00:53:18,950 --> 00:53:18,640

luciferian black magic you know he's

1520

00:53:21,829 --> 00:53:18,960

still

1521

00:53:22,390 --> 00:53:21,839

trying to figure it all out as we all

1522

00:53:28,069 --> 00:53:22,400

are

1523

00:53:28,790 --> 00:53:28,079

rich spiritual lives then my read of the

1524

00:53:32,549 --> 00:53:28,800

data

1525

00:53:36,390 --> 00:53:32,559

is that the light the love

1526

00:53:39,990 --> 00:53:36,400

is an infinite order of magnitude

1527

00:53:42,549 --> 00:53:40,000

bigger greater larger than

1528

00:53:44,230 --> 00:53:42,559

this lower level stuff and i know that's

1529

00:53:46,309 --> 00:53:44,240

hard to kind of it sounds

1530

00:53:47,270 --> 00:53:46,319

a little bit too good to be true and a

1531

00:53:50,630 --> 00:53:47,280

little bit too

1532

00:53:53,030 --> 00:53:50,640

pollyanna but i feel like

1533

00:53:54,230 --> 00:53:53,040

that's my read of the data that the best

1534

00:53:57,030 --> 00:53:54,240

data i get for that

1535

00:53:58,470 --> 00:53:57,040

is near death experience because there's

1536

00:54:00,390 --> 00:53:58,480

a case where

1537

00:54:02,630 --> 00:54:00,400

you know scientifically if you will

1538

00:54:04,150 --> 00:54:02,640

medically we can say with confidence

1539

00:54:05,190 --> 00:54:04,160

that the brain is now out of the

1540

00:54:07,990 --> 00:54:05,200

equation

1541

00:54:08,870 --> 00:54:08,000

so why does the data look so different

1542

00:54:11,109 --> 00:54:08,880

when we

1543

00:54:11,910 --> 00:54:11,119

go down that path that's a question that

1544

00:54:15,430 --> 00:54:11,920

i ask

1545

00:54:19,430 --> 00:54:15,440

so my conclusion is maybe

1546

00:54:22,230 --> 00:54:19,440

what we see in this realm of

1547

00:54:24,230 --> 00:54:22,240

what's being manifested is evil but

1548

00:54:26,549 --> 00:54:24,240

isn't even fully evil like we said you

1549

00:54:30,069 --> 00:54:26,559

know the luciferian vibe is not

1550

00:54:31,349 --> 00:54:30,079

all evil it's just a force

1551

00:54:33,109 --> 00:54:31,359

you know it's a force that can be

1552

00:54:35,190 --> 00:54:33,119

applied in different ways but

1553

00:54:37,510 --> 00:54:35,200

anyways i'm kind of rambling are you

1554

00:54:40,549 --> 00:54:37,520

picking up the thread i'm saying i mean

1555

00:54:42,470 --> 00:54:40,559

you know maybe the light is really

1556

00:54:44,710 --> 00:54:42,480

what it's all about and i don't mean

1557

00:54:46,549 --> 00:54:44,720

that in just a like

1558

00:54:48,549 --> 00:54:46,559

what we want to hear thing maybe it

1559

00:54:50,390 --> 00:54:48,559

really is more about the light than it

1560

00:54:52,789 --> 00:54:50,400

is about the dark

1561

00:54:54,470 --> 00:54:52,799

right and it gets back to those people

1562

00:54:56,789 --> 00:54:54,480

who say well it's all just

1563

00:54:58,230 --> 00:54:56,799

experience on some level yes i

1564

00:55:01,190 --> 00:54:58,240

understand that

1565

00:55:02,549 --> 00:55:01,200

this life this soul school this

1566

00:55:04,950 --> 00:55:02,559

simulation if you want to say

1567

00:55:07,030 --> 00:55:04,960

it would get boring really quick if we

1568

00:55:07,589 --> 00:55:07,040

were all just eating grapes and a

1569

00:55:09,990 --> 00:55:07,599

hammock

1570

00:55:11,589 --> 00:55:10,000

being fanned by topless models we got to

1571

00:55:15,349 --> 00:55:11,599

save some time for that

1572

00:55:16,789 --> 00:55:15,359

but obviously in the grand scheme of it

1573

00:55:18,710 --> 00:55:16,799

it would get pretty boring if there

1574

00:55:22,069 --> 00:55:18,720

wasn't some villain in the game

1575

00:55:24,069 --> 00:55:22,079

but when we die and the game ends for us

1576

00:55:26,069 --> 00:55:24,079

it's always love and light it seems to

1577

00:55:26,710 --> 00:55:26,079

be it seems to be those are the reports

1578

00:55:29,030 --> 00:55:26,720

from

1579

00:55:29,829 --> 00:55:29,040

the near-death experiences that i've

1580

00:55:31,829 --> 00:55:29,839

heard and

1581

00:55:33,109 --> 00:55:31,839

they far outweigh anything negative

1582

00:55:35,990 --> 00:55:33,119

although there do seem to be

1583

00:55:37,349 --> 00:55:36,000

a couple of negative ones but i guess

1584

00:55:39,109 --> 00:55:37,359

maybe that experience didn't

1585

00:55:40,710 --> 00:55:39,119

fully play itself out and maybe they

1586

00:55:42,309 --> 00:55:40,720

would have gotten to the light at the

1587

00:55:43,750 --> 00:55:42,319

end of the tunnel with grandma saying

1588

00:55:46,390 --> 00:55:43,760

it's all going to be okay

1589

00:55:48,390 --> 00:55:46,400

but yeah the data does seem to be that

1590

00:55:51,430 --> 00:55:48,400

no matter what goes on

1591

00:55:55,270 --> 00:55:51,440

in the end you're gonna be fine

1592

00:55:57,589 --> 00:55:55,280

and the universe is a warm hug

1593

00:56:00,069 --> 00:55:57,599

waiting for you to come into it with

1594

00:56:02,150 --> 00:56:00,079

open arms i guess in the end

1595

00:56:03,190 --> 00:56:02,160

and if that doesn't sound like enough of

1596

00:56:06,230 --> 00:56:03,200

a solve

1597

00:56:06,789 --> 00:56:06,240

for the evil problem i think we're

1598

00:56:10,390 --> 00:56:06,799

selling

1599

00:56:12,549 --> 00:56:10,400

that short a little bit because

1600

00:56:13,430 --> 00:56:12,559

i think our experience everyone's

1601
00:56:16,549 --> 00:56:13,440
experience

1602
00:56:19,829 --> 00:56:16,559
is that that evil is much

1603
00:56:22,150 --> 00:56:19,839
closer to us than that kind of

1604
00:56:23,190 --> 00:56:22,160
abstract you know grandma's hug kind of

1605
00:56:26,309 --> 00:56:23,200
thing

1606
00:56:29,030 --> 00:56:26,319
we all get the sense that we are

1607
00:56:29,670 --> 00:56:29,040
in the middle of the soup all the time

1608
00:56:32,950 --> 00:56:29,680
you know

1609
00:56:33,430 --> 00:56:32,960
and that whether it's the racing

1610
00:56:36,069 --> 00:56:33,440
thoughts

1611
00:56:37,910 --> 00:56:36,079
in our head or whether it's the

1612
00:56:41,190 --> 00:56:37,920
screaming at our loved one

1613
00:56:43,109 --> 00:56:41,200

or whether it's a lot lot worse which

1614

00:56:44,710 --> 00:56:43,119

all of us have probably engaged in

1615

00:56:47,349 --> 00:56:44,720

things that are like that

1616

00:56:48,470 --> 00:56:47,359

so i don't want to give a quick shuffle

1617

00:56:51,510 --> 00:56:48,480

out the door

1618

00:56:54,710 --> 00:56:51,520

for evil because i think most of us it's

1619

00:56:57,190 --> 00:56:54,720

very very real in us and

1620

00:56:59,670 --> 00:56:57,200

it's very real in the people around us

1621

00:57:01,589 --> 00:56:59,680

the psychopathic

1622

00:57:03,030 --> 00:57:01,599

situation that we've created because i

1623

00:57:03,510 --> 00:57:03,040

was going to say culture i was going to

1624

00:57:06,230 --> 00:57:03,520

say

1625

00:57:08,470 --> 00:57:06,240

all those things kind of failed i mean

1626
00:57:11,349 --> 00:57:08,480
the fact that psychopaths run the world

1627
00:57:12,230 --> 00:57:11,359
is inescapable you know so you got to

1628
00:57:15,750 --> 00:57:12,240
deal with that

1629
00:57:18,309 --> 00:57:15,760
grandma's hug is nice but right now we

1630
00:57:20,870 --> 00:57:18,319
have to deal with that first part

1631
00:57:22,789 --> 00:57:20,880
it's true but then it just kind of comes

1632
00:57:26,069 --> 00:57:22,799
back to if it is all experience

1633
00:57:29,349 --> 00:57:26,079
and once we die we get the warm glowing

1634
00:57:31,430 --> 00:57:29,359
love of the universe then

1635
00:57:32,789 --> 00:57:31,440
doesn't it have a role it has to play a

1636
00:57:36,069 --> 00:57:32,799
role in the experience

1637
00:57:38,630 --> 00:57:36,079
and maybe not maybe not in the way

1638
00:57:40,789 --> 00:57:38,640

that you're talking about right there

1639

00:57:44,069 --> 00:57:40,799

because my read of that data

1640

00:57:45,750 --> 00:57:44,079

is that the most important part of the

1641

00:57:48,150 --> 00:57:45,760

near-death experience

1642

00:57:49,990 --> 00:57:48,160

and i really got this from a guy named

1643

00:57:51,430 --> 00:57:50,000

dr jeff long and i'm so excited because

1644

00:57:52,950 --> 00:57:51,440

he's coming back

1645

00:57:55,109 --> 00:57:52,960

on skeptico in a couple weeks and

1646

00:57:56,630 --> 00:57:55,119

there's so many next level things

1647

00:57:58,789 --> 00:57:56,640

that one i want to talk to this guy

1648

00:58:01,589 --> 00:57:58,799

about but he is a

1649

00:58:02,470 --> 00:58:01,599

radiation oncologist which puts him in

1650

00:58:03,910 --> 00:58:02,480

the death game

1651
00:58:05,829 --> 00:58:03,920
all the time he's dealing with people

1652
00:58:08,870 --> 00:58:05,839
who are dying of cancer

1653
00:58:10,230 --> 00:58:08,880
and he's a full-time highly regarded

1654
00:58:11,510 --> 00:58:10,240
radiation oncologist

1655
00:58:13,430 --> 00:58:11,520
but he's written these best-selling

1656
00:58:16,390 --> 00:58:13,440
books on near-death experience

1657
00:58:17,990 --> 00:58:16,400
and he's collected the largest database

1658
00:58:20,069 --> 00:58:18,000
of near-death experiences

1659
00:58:22,390 --> 00:58:20,079
a searchable database you can go online

1660
00:58:23,109 --> 00:58:22,400
and see you can read and compare all

1661
00:58:24,870 --> 00:58:23,119
these

1662
00:58:27,750 --> 00:58:24,880
things we're saying kind of alluding to

1663
00:58:29,349 --> 00:58:27,760

about grandma's hug and stuff like that

1664

00:58:31,990 --> 00:58:29,359

and the biggest thing that comes out of

1665

00:58:36,470 --> 00:58:32,000

that is that

1666

00:58:38,950 --> 00:58:36,480

no you will be judged grandma's hug

1667

00:58:41,589 --> 00:58:38,960

isn't what it's really about what it's

1668

00:58:45,030 --> 00:58:41,599

really about is judgment

1669

00:58:47,510 --> 00:58:45,040

but you're the one doing the judging

1670

00:58:49,030 --> 00:58:47,520

so when this really hit me i mean it

1671

00:58:50,470 --> 00:58:49,040

took me a long time for me to really

1672

00:58:53,750 --> 00:58:50,480

process this

1673

00:58:55,829 --> 00:58:53,760

but the way i relate it to is well [\h__\h]

1674

00:58:59,349 --> 00:58:55,839

i know that all along

1675

00:59:02,870 --> 00:58:59,359

when i was a little kid seven years old

1676
00:59:04,470 --> 00:59:02,880
running down to toducci's grocery store

1677
00:59:05,589 --> 00:59:04,480
down in the corner back when they had

1678
00:59:07,910 --> 00:59:05,599
those old-fashioned

1679
00:59:09,109 --> 00:59:07,920
you know candy stores and i was like man

1680
00:59:10,549 --> 00:59:09,119
i don't have a nickel

1681
00:59:12,549 --> 00:59:10,559
i don't have a dime i don't have a

1682
00:59:14,069 --> 00:59:12,559
porter i'm going to steal this candy

1683
00:59:15,430 --> 00:59:14,079
i'll put it in my pocket no one will

1684
00:59:18,069 --> 00:59:15,440
notice

1685
00:59:19,270 --> 00:59:18,079
i didn't feel like jesus was judging me

1686
00:59:21,990 --> 00:59:19,280
right then

1687
00:59:23,589 --> 00:59:22,000
i just felt internally in my gut and

1688
00:59:26,069 --> 00:59:23,599

sometimes i took the candy

1689

00:59:28,390 --> 00:59:26,079

but sometimes i just felt like man that

1690

00:59:30,950 --> 00:59:28,400

wasn't the right thing to do

1691

00:59:32,470 --> 00:59:30,960

and that's what they're saying and

1692

00:59:34,069 --> 00:59:32,480

they're not saying it to like

1693

00:59:35,910 --> 00:59:34,079

manipulate you but that's what the

1694

00:59:37,589 --> 00:59:35,920

near-death experiences are saying saying

1695

00:59:40,950 --> 00:59:37,599

when you get to the other side

1696

00:59:43,750 --> 00:59:40,960

you just have compassion but at the same

1697

00:59:46,230 --> 00:59:43,760

time you have this sense of judgment of

1698

00:59:47,910 --> 00:59:46,240

this is what's weighing on your soul

1699

00:59:50,470 --> 00:59:47,920

everything you've done

1700

00:59:52,390 --> 00:59:50,480

is now weighing on your soul and that's

1701
00:59:53,910 --> 00:59:52,400
not good or bad it's just the freaking

1702
00:59:58,150 --> 00:59:53,920
way that it is you know

1703
01:00:02,069 --> 00:59:58,160
buck up deal with it yes and to me

1704
01:00:04,549 --> 01:00:02,079
that puts a different spin on everything

1705
01:00:05,589 --> 01:00:04,559
that puts a different spin on the lab

1706
01:00:08,390 --> 01:00:05,599
tech

1707
01:00:09,910 --> 01:00:08,400
who killed ten thousand mice a different

1708
01:00:12,789 --> 01:00:09,920
spin on the attorney

1709
01:00:14,069 --> 01:00:12,799
who said oh what the hell pfizer's my

1710
01:00:15,750 --> 01:00:14,079
boss pfizer pays my

1711
01:00:18,069 --> 01:00:15,760
bills i don't care if it's right or

1712
01:00:21,510 --> 01:00:18,079
wrong imagine

1713
01:00:24,549 --> 01:00:21,520

now you're in a realm where that becomes

1714

01:00:26,789 --> 01:00:24,559

realer than real you're feeling that

1715

01:00:28,390 --> 01:00:26,799

fully and it's not someone looking over

1716

01:00:30,710 --> 01:00:28,400

your shoulder saying you

1717

01:00:31,910 --> 01:00:30,720

bastard son of a [h__\h] now you will pay

1718

01:00:33,910 --> 01:00:31,920

it's none of that

1719

01:00:35,030 --> 01:00:33,920

it's the ultimate compassion and love

1720

01:00:38,309 --> 01:00:35,040

but saying

1721

01:00:42,150 --> 01:00:38,319

wow craig you could have done

1722

01:00:44,870 --> 01:00:42,160

better you are better than that yeah

1723

01:00:46,150 --> 01:00:44,880

no it's totally true it goes with

1724

01:00:48,069 --> 01:00:46,160

science

1725

01:00:50,630 --> 01:00:48,079

leading us down this path of well there

1726

01:00:51,510 --> 01:00:50,640

is no god there is no spirit there is no

1727

01:00:54,069 --> 01:00:51,520

consciousness

1728

01:00:55,270 --> 01:00:54,079

it also means there is no wayne of the

1729

01:00:57,990 --> 01:00:55,280

heart ceremony

1730

01:01:00,150 --> 01:00:58,000

there is no life review nothing you do

1731

01:01:02,710 --> 01:01:00,160

matters there is no judgment

1732

01:01:04,390 --> 01:01:02,720

and it was because of your interview or

1733

01:01:06,870 --> 01:01:04,400

maybe interviews with dr

1734

01:01:09,270 --> 01:01:06,880

raymond moody that i had him on recently

1735

01:01:12,150 --> 01:01:09,280

and i definitely wanted to focus on

1736

01:01:12,630 --> 01:01:12,160

that life review aspect that so many

1737

01:01:15,670 --> 01:01:12,640

people

1738

01:01:17,510 --> 01:01:15,680

seem to report i felt the pain that i

1739

01:01:20,150 --> 01:01:17,520

caused every single person

1740

01:01:20,950 --> 01:01:20,160

from their perspective like that's

1741

01:01:23,589 --> 01:01:20,960

interesting

1742

01:01:24,069 --> 01:01:23,599

and that is what the data kind of says

1743

01:01:26,950 --> 01:01:24,079

and

1744

01:01:29,030 --> 01:01:26,960

when it comes to what is life i really

1745

01:01:32,150 --> 01:01:29,040

do conclude with that

1746

01:01:35,030 --> 01:01:32,160

that soul school hypothesis like

1747

01:01:36,710 --> 01:01:35,040

if this is something and reincarnation

1748

01:01:39,670 --> 01:01:36,720

is real well it seems to be

1749

01:01:41,190 --> 01:01:39,680

a soul school and if that's true well

1750

01:01:44,069 --> 01:01:41,200

where are the tests

1751

01:01:45,670 --> 01:01:44,079

well that's what evil's role is is the

1752

01:01:48,549 --> 01:01:45,680

temptation

1753

01:01:50,150 --> 01:01:48,559

like can you pass that test we finish a

1754

01:01:52,230 --> 01:01:50,160

life it's pass fail

1755

01:01:53,750 --> 01:01:52,240

and you either go on to something else

1756

01:01:55,990 --> 01:01:53,760

that we probably never will

1757

01:01:57,349 --> 01:01:56,000

understand until we get there personally

1758

01:01:59,589 --> 01:01:57,359

or we fail

1759

01:02:01,349 --> 01:01:59,599

we come back and we repeat the process

1760

01:02:05,029 --> 01:02:01,359

but without evil being here

1761

01:02:06,549 --> 01:02:05,039

without some temptation there is no test

1762

01:02:09,430 --> 01:02:06,559

and it's kind of like jordan peterson

1763

01:02:10,309 --> 01:02:09,440

would say you can't really be a good

1764

01:02:13,430 --> 01:02:10,319

person

1765

01:02:15,829 --> 01:02:13,440

until you know your capacity for evil

1766

01:02:18,390 --> 01:02:15,839

we all know ignorant people we all know

1767

01:02:21,190 --> 01:02:18,400

really simple-minded nice guys

1768

01:02:21,990 --> 01:02:21,200

that have never heard a fly or anything

1769

01:02:23,990 --> 01:02:22,000

and it's like

1770

01:02:25,349 --> 01:02:24,000

well have they really wrestled with the

1771

01:02:27,510 --> 01:02:25,359

damage they could do

1772

01:02:29,270 --> 01:02:27,520

is it a choice for that person because

1773

01:02:30,470 --> 01:02:29,280

it seems like that person is just so

1774

01:02:32,549 --> 01:02:30,480

simple minded they're

1775

01:02:34,230 --> 01:02:32,559

doing what they're told and following

1776

01:02:34,549 --> 01:02:34,240

the teachers good lessons and leaving

1777

01:02:37,349 --> 01:02:34,559

them

1778

01:02:38,150 --> 01:02:37,359

an apple on the desk every friday and

1779

01:02:40,150 --> 01:02:38,160

it's like

1780

01:02:41,750 --> 01:02:40,160

they're just a good little pet but no a

1781

01:02:42,470 --> 01:02:41,760

lot of other people they deal with their

1782

01:02:44,789 --> 01:02:42,480

shadow

1783

01:02:46,950 --> 01:02:44,799

and they recognize oh my god i can

1784

01:02:48,630 --> 01:02:46,960

really crush lives like i can do some

1785

01:02:50,470 --> 01:02:48,640

real damage here and now i'm gonna

1786

01:02:52,069 --> 01:02:50,480

choose to not do that in fact i'm gonna

1787

01:02:53,990 --> 01:02:52,079

keep my shadow in check

1788

01:02:56,150 --> 01:02:54,000

i'm gonna integrate it into myself or

1789

01:02:58,789 --> 01:02:56,160

something but i'm gonna overcome that

1790

01:03:00,630 --> 01:02:58,799

and if the universe is a soul school and

1791

01:03:01,510 --> 01:03:00,640

i think that's the best hypothesis we

1792

01:03:03,430 --> 01:03:01,520

got

1793

01:03:06,390 --> 01:03:03,440

there have to be tests and maybe that's

1794

01:03:09,190 --> 01:03:06,400

evil's position in the game

1795

01:03:10,950 --> 01:03:09,200

and i know we're a little past time here

1796

01:03:12,309 --> 01:03:10,960

i hope that's okay but as we're starting

1797

01:03:14,549 --> 01:03:12,319

to wrap this up

1798

01:03:15,990 --> 01:03:14,559

you know your show has been really on

1799

01:03:17,910 --> 01:03:16,000

the money these days and

1800

01:03:19,109 --> 01:03:17,920

your finger is on the pulse of what's

1801
01:03:21,670 --> 01:03:19,119
happening in

1802
01:03:22,789 --> 01:03:21,680
cutting edge science i'm curious if

1803
01:03:26,710 --> 01:03:22,799
there are any

1804
01:03:27,750 --> 01:03:26,720
new books in the scientific exploration

1805
01:03:30,069 --> 01:03:27,760
of weird stuff

1806
01:03:31,190 --> 01:03:30,079
areas that you think are must reads the

1807
01:03:33,589 --> 01:03:31,200
virus has taken up

1808
01:03:35,589 --> 01:03:33,599
so much energy i haven't even really

1809
01:03:36,789 --> 01:03:35,599
dove very deep into what else is

1810
01:03:39,670 --> 01:03:36,799
happening out there

1811
01:03:41,750 --> 01:03:39,680
but are there people that are you think

1812
01:03:43,430 --> 01:03:41,760
maybe good interviews for thc have a

1813
01:03:46,150 --> 01:03:43,440

more sciency flavor that

1814

01:03:47,829 --> 01:03:46,160

i should look into oh greg i wish you

1815

01:03:48,950 --> 01:03:47,839

wouldn't ask that i'm in a total

1816

01:03:52,069 --> 01:03:48,960

different thing man

1817

01:03:55,109 --> 01:03:52,079

my head space has been in the romans

1818

01:03:56,230 --> 01:03:55,119

i am deep deep deep into the romans into

1819

01:03:58,789 --> 01:03:56,240

christianity

1820

01:03:59,349 --> 01:03:58,799

into the early social engineering and

1821

01:04:02,230 --> 01:03:59,359

i'm just

1822

01:04:03,510 --> 01:04:02,240

fascinated with it the joe atwell stuff

1823

01:04:10,549 --> 01:04:03,520

well

1824

01:04:10,950 --> 01:04:10,559

he's kind of missed the first conspiracy

1825

01:04:12,710 --> 01:04:10,960

which

1826

01:04:14,630 --> 01:04:12,720

now i've bounced it off of enough

1827

01:04:15,670 --> 01:04:14,640

religious scholars and gotten that blank

1828

01:04:18,150 --> 01:04:15,680

stare or that

1829

01:04:19,190 --> 01:04:18,160

outright hostility that i feel very

1830

01:04:21,190 --> 01:04:19,200

confident

1831

01:04:22,309 --> 01:04:21,200

that the evidence is overwhelming and

1832

01:04:24,950 --> 01:04:22,319

it's true and

1833

01:04:26,549 --> 01:04:24,960

the bad thing i guess about skeptico

1834

01:04:27,990 --> 01:04:26,559

sometimes and i think it does frustrate

1835

01:04:29,829 --> 01:04:28,000

people is

1836

01:04:31,589 --> 01:04:29,839

people that do enter a lot of interviews

1837

01:04:33,270 --> 01:04:31,599

about evil and it's like there's nothing

1838

01:04:34,950 --> 01:04:33,280

else going on in the world right now

1839

01:04:36,630 --> 01:04:34,960

because i'm interested in evil well

1840

01:04:37,190 --> 01:04:36,640

they're kind of now having to endure a

1841

01:04:40,150 --> 01:04:37,200

bunch of

1842

01:04:43,750 --> 01:04:40,160

interviews about first century roman

1843

01:04:47,829 --> 01:04:43,760

history and vespasian and josephus and

1844

01:04:49,670 --> 01:04:47,839

but it is a story that i think

1845

01:04:51,430 --> 01:04:49,680

we all know part of the story but i

1846

01:04:54,549 --> 01:04:51,440

think it's a fundamental rewrite

1847

01:04:56,549 --> 01:04:54,559

of how the game

1848

01:04:58,069 --> 01:04:56,559

has always been played and maybe not

1849

01:05:01,109 --> 01:04:58,079

always is too far but

1850

01:05:02,470 --> 01:05:01,119

how these freaking guys were gonna play

1851

01:05:03,670 --> 01:05:02,480

in this thing playing the social

1852

01:05:05,829 --> 01:05:03,680

engineering game

1853

01:05:07,109 --> 01:05:05,839

from the beginning and what are the

1854

01:05:09,270 --> 01:05:07,119

implications for

1855

01:05:11,430 --> 01:05:09,280

where we're at so i'm chewing through

1856

01:05:13,029 --> 01:05:11,440

that and then once i get that maybe i

1857

01:05:14,870 --> 01:05:13,039

can return to science but right now i

1858

01:05:17,270 --> 01:05:14,880

haven't really

1859

01:05:18,470 --> 01:05:17,280

really dug into it well well fair enough

1860

01:05:20,230 --> 01:05:18,480

and just to leave

1861

01:05:22,390 --> 01:05:20,240

the people with maybe a little bit of

1862

01:05:23,829 --> 01:05:22,400

cliff notes to that what do you find so

1863

01:05:26,470 --> 01:05:23,839

interesting about

1864

01:05:27,750 --> 01:05:26,480

going back to the romans and the initial

1865

01:05:30,870 --> 01:05:27,760

social engineering

1866

01:05:33,270 --> 01:05:30,880

because i agree that it's there i mean

1867

01:05:36,710 --> 01:05:33,280

we think of the romans as a very

1868

01:05:37,990 --> 01:05:36,720

bloodthirsty empire that definitely had

1869

01:05:41,589 --> 01:05:38,000

an iron-clad grip

1870

01:05:43,349 --> 01:05:41,599

on their people uh what's mind-blowing

1871

01:05:44,710 --> 01:05:43,359

about this

1872

01:05:46,549 --> 01:05:44,720

the christian angle is still

1873

01:05:51,109 --> 01:05:46,559

mind-blowing the fact

1874

01:05:55,270 --> 01:05:51,119

that people are so mind controlled

1875

01:05:55,750 --> 01:05:55,280

by christianity when christianity can be

1876

01:05:58,870 --> 01:05:55,760

shown

1877

01:06:04,710 --> 01:06:02,470

a game you know an invention

1878

01:06:05,829 --> 01:06:04,720

this is not to say christ consciousness

1879

01:06:06,950 --> 01:06:05,839

you know that gets into a whole

1880

01:06:07,349 --> 01:06:06,960

different realm of what we're talking

1881

01:06:09,270 --> 01:06:07,359

about

1882

01:06:10,789 --> 01:06:09,280

consciousness and extended consciousness

1883

01:06:15,510 --> 01:06:10,799

and historical jesus

1884

01:06:17,589 --> 01:06:15,520

who knows but in terms of co-opting

1885

01:06:19,829 --> 01:06:17,599

someone's spiritual beliefs jumping in

1886

01:06:22,870 --> 01:06:19,839

there to be that intermediary to say

1887

01:06:26,150 --> 01:06:22,880

oh no i can tell you

1888

01:06:28,789 --> 01:06:26,160

how to experience your greater self

1889

01:06:30,230 --> 01:06:28,799

i think that's exactly what's in play

1890

01:06:33,430 --> 01:06:30,240

and i think until we

1891

01:06:35,270 --> 01:06:33,440

unravel that it's kind of the mirror

1892

01:06:37,910 --> 01:06:35,280

image of the science game right

1893

01:06:39,349 --> 01:06:37,920

because in the science game it's hey

1894

01:06:41,910 --> 01:06:39,359

you're meaningless

1895

01:06:43,829 --> 01:06:41,920

so just let me control stuff it's

1896

01:06:45,670 --> 01:06:43,839

socialism communism you know it's like

1897

01:06:47,750 --> 01:06:45,680

the other thing that has been kind of

1898

01:06:49,190 --> 01:06:47,760

for a lot of people have kind of woken

1899

01:06:52,309 --> 01:06:49,200

up

1900

01:06:54,789 --> 01:06:52,319

is this idea that like hey i got a great

1901
01:06:56,309 --> 01:06:54,799
idea here i tell you what once you give

1902
01:06:58,630 --> 01:06:56,319
me all your [h__\h]

1903
01:07:00,309 --> 01:06:58,640
all your material wealth and all your

1904
01:07:03,029 --> 01:07:00,319
rights and privileges

1905
01:07:04,549 --> 01:07:03,039
and then i'll dull those back out to you

1906
01:07:07,829 --> 01:07:04,559
in a way that i

1907
01:07:09,670 --> 01:07:07,839
want right so that's what they're saying

1908
01:07:11,270 --> 01:07:09,680
with the pandemic right they're saying

1909
01:07:13,430 --> 01:07:11,280
yeah you know we'll just decide what you

1910
01:07:15,510 --> 01:07:13,440
can do when you fly working

1911
01:07:17,670 --> 01:07:15,520
and people are like whoa why would i do

1912
01:07:18,710 --> 01:07:17,680
that why would i give you everything so

1913
01:07:21,349 --> 01:07:18,720

you can decide

1914

01:07:23,349 --> 01:07:21,359

well that is essentially what communism

1915

01:07:25,430 --> 01:07:23,359

is right and i'm not like

1916

01:07:28,710 --> 01:07:25,440

the oligarchy in capitalism and it's a

1917

01:07:31,829 --> 01:07:28,720

disaster and i get all that but

1918

01:07:33,109 --> 01:07:31,839

that just at a surface level is kind of

1919

01:07:40,390 --> 01:07:33,119

insane

1920

01:07:42,069 --> 01:07:40,400

is the idea that hey i had a genuine

1921

01:07:45,190 --> 01:07:42,079

spiritual experience

1922

01:07:47,349 --> 01:07:45,200

i died i felt what did you call the

1923

01:07:49,270 --> 01:07:47,359

weighing of my soul i went through that

1924

01:07:51,270 --> 01:07:49,280

i'm changed and then i come up and

1925

01:07:52,710 --> 01:07:51,280

somebody goes okay now

1926

01:07:54,870 --> 01:07:52,720

here's how we're gonna do this going

1927

01:07:56,230 --> 01:07:54,880

forward you're gonna come to church

1928

01:07:58,309 --> 01:07:56,240

you're going to look through this book

1929

01:08:00,549 --> 01:07:58,319

and i am going to start convincing you

1930

01:08:03,670 --> 01:08:00,559

that your genuine spiritual experience

1931

01:08:05,829 --> 01:08:03,680

can only be interpreted in this way

1932

01:08:08,870 --> 01:08:05,839

and the fact that that is the dominant

1933

01:08:11,670 --> 01:08:08,880

paradigm throughout the world

1934

01:08:13,190 --> 01:08:11,680

man that's just i still can't wrap my

1935

01:08:16,470 --> 01:08:13,200

head around

1936

01:08:18,870 --> 01:08:16,480

how that game has been fully played

1937

01:08:21,269 --> 01:08:18,880

so that's what brings me back to the

1938

01:08:26,630 --> 01:08:21,279

original

1939

01:08:29,749 --> 01:08:26,640

from josephus who was supposed to be

1940

01:08:31,430 --> 01:08:29,759

the super jew and then says hey all you

1941

01:08:31,910 --> 01:08:31,440

jewish people you know what we had it

1942

01:08:35,430 --> 01:08:31,920

wrong

1943

01:08:37,349 --> 01:08:35,440

really vespasian he's the messiah

1944

01:08:39,030 --> 01:08:37,359

forget it switch you're legit and it

1945

01:08:41,590 --> 01:08:39,040

doesn't work

1946

01:08:43,430 --> 01:08:41,600

they don't totally switch over but the

1947

01:08:45,110 --> 01:08:43,440

fact that they were playing at that

1948

01:08:48,789 --> 01:08:45,120

level

1949

01:08:52,229 --> 01:08:48,799

is just the beginning of unraveling

1950

01:08:54,470 --> 01:08:52,239

how we've all been played you know

1951

01:08:55,430 --> 01:08:54,480

and whether you are christian and i'm

1952

01:08:57,269 --> 01:08:55,440

not christian

1953

01:08:59,030 --> 01:08:57,279

but you're brought up in a christian

1954

01:09:00,229 --> 01:08:59,040

church or you're brought up in a

1955

01:09:02,789 --> 01:09:00,239

christian culture

1956

01:09:03,990 --> 01:09:02,799

it weighs on you and i just think it's

1957

01:09:07,030 --> 01:09:04,000

something that needs to be

1958

01:09:07,510 --> 01:09:07,040

unraveled well i agree with you it's a

1959

01:09:11,189 --> 01:09:07,520

great

1960

01:09:12,950 --> 01:09:11,199

case study in influence and propaganda

1961

01:09:15,030 --> 01:09:12,960

and this idea that just because it's

1962

01:09:17,590 --> 01:09:15,040

popular doesn't mean it's true

1963

01:09:19,030 --> 01:09:17,600

these are religious gatekeepers that

1964

01:09:22,309 --> 01:09:19,040

work for the empire

1965

01:09:24,630 --> 01:09:22,319

to hand people a spiritual cul-de-sac

1966

01:09:26,229 --> 01:09:24,640

and i totally agree with you empires

1967

01:09:28,950 --> 01:09:26,239

don't work so hard

1968

01:09:30,550 --> 01:09:28,960

to spread ideas that aren't going to

1969

01:09:31,990 --> 01:09:30,560

help them in the end so the fact that

1970

01:09:34,630 --> 01:09:32,000

they went around and

1971

01:09:35,030 --> 01:09:34,640

killed anyone who wouldn't comply with

1972

01:09:37,510 --> 01:09:35,040

this

1973

01:09:38,789 --> 01:09:37,520

model it's very telling because it did

1974

01:09:41,189 --> 01:09:38,799

get us to where we are

1975

01:09:42,630 --> 01:09:41,199

today where we don't think there's a god

1976

01:09:43,749 --> 01:09:42,640

and we don't think there's a spirit

1977

01:09:46,229 --> 01:09:43,759

world

1978

01:09:48,390 --> 01:09:46,239

first you demonize it you know and you

1979

01:09:50,789 --> 01:09:48,400

kill off anyone who has those ideas

1980

01:09:51,510 --> 01:09:50,799

and then just ignore it and now people

1981

01:09:53,669 --> 01:09:51,520

are

1982

01:09:56,070 --> 01:09:53,679

mocked for having those kind of ideas

1983

01:09:57,669 --> 01:09:56,080

and i think that's where we are now and

1984

01:09:58,229 --> 01:09:57,679

we're kind of coming out the other side

1985

01:10:00,790 --> 01:09:58,239

of that

1986

01:10:02,630 --> 01:10:00,800

and i think the medical lens the silver

1987

01:10:05,910 --> 01:10:02,640

lining is it's going to be very

1988

01:10:07,830 --> 01:10:05,920

helpful to bring spirituality back into

1989

01:10:09,270 --> 01:10:07,840

the culture that's my hope

1990

01:10:11,350 --> 01:10:09,280

yeah so you could probably do it in one

1991

01:10:13,830 --> 01:10:11,360

or two shows

1992

01:10:16,070 --> 01:10:13,840

20 or 30. oh man you're just too

1993

01:10:18,390 --> 01:10:16,080

complimentary i am just a humble

1994

01:10:19,510 --> 01:10:18,400

stoner college dropout but it's always

1995

01:10:23,830 --> 01:10:19,520

fun to talk to you man

1996

01:10:26,709 --> 01:10:23,840

yeah yeah your book is a lot of fun

1997

01:10:28,550 --> 01:10:26,719

i hope people do read it skeptico is as

1998

01:10:31,110 --> 01:10:28,560

entertaining as ever and i really

1999

01:10:32,390 --> 01:10:31,120

look forward to following along as you

2000

01:10:35,189 --> 01:10:32,400

parse through all this

2001
01:10:35,990 --> 01:10:35,199
religion stuff but remind people where

2002
01:10:38,550 --> 01:10:36,000
they can

2003
01:10:39,350 --> 01:10:38,560
get plugged into the stuff you're doing

2004
01:10:40,950 --> 01:10:39,360
skeptico

2005
01:10:43,270 --> 01:10:40,960
just like you said so i think it's

2006
01:10:44,390 --> 01:10:43,280
pretty easy to find it's got 2ks in it

2007
01:10:46,630 --> 01:10:44,400
you know what i'm going to talk to you

2008
01:10:49,910 --> 01:10:46,640
afterwards i'd like to do

2009
01:10:51,910 --> 01:10:49,920
a book giveaway for thc i want people to

2010
01:10:53,270 --> 01:10:51,920
read the book that's the main thing

2011
01:10:54,950 --> 01:10:53,280
that's not the main thing listen to

2012
01:10:55,510 --> 01:10:54,960
skeptico but if you're interested in the

2013
01:10:59,110 --> 01:10:55,520

book

2014

01:11:01,590 --> 01:10:59,120

to read so let's

2015

01:11:02,709 --> 01:11:01,600

see if we make that happen cool i'm sure

2016

01:11:05,110 --> 01:11:02,719

we can

2017

01:11:06,790 --> 01:11:05,120

awesome well until next time man take

2018

01:11:11,350 --> 01:11:06,800

care out there

2019

01:11:16,070 --> 01:11:14,149

well this was a fun one and how could i

2020

01:11:17,270 --> 01:11:16,080

not feel that way when alex is so

2021

01:11:20,630 --> 01:11:17,280

complimentary

2022

01:11:22,870 --> 01:11:20,640

he makes it easy but this topic of why

2023

01:11:24,630 --> 01:11:22,880

evil matters was a lot more interesting

2024

01:11:25,750 --> 01:11:24,640

than i first thought it would be and if

2025

01:11:27,750 --> 01:11:25,760

it wasn't alex

2026

01:11:29,110 --> 01:11:27,760

i might not have made time to read the

2027

01:11:31,350 --> 01:11:29,120

book

2028

01:11:33,430 --> 01:11:31,360

maybe because at first it seemed a bit

2029

01:11:33,910 --> 01:11:33,440

obvious but when i heard him talk about

2030

01:11:37,030 --> 01:11:33,920

this

2031

01:11:38,950 --> 01:11:37,040

project on roon soup many moons ago when

2032

01:11:40,070 --> 01:11:38,960

it wasn't a hundred percent fleshed out

2033

01:11:42,149 --> 01:11:40,080

yet

2034

01:11:43,590 --> 01:11:42,159

the wheels started turning and the more

2035

01:11:44,149 --> 01:11:43,600

i thought about it and worked through

2036

01:11:46,870 --> 01:11:44,159

the book

2037

01:11:47,910 --> 01:11:46,880

the more profound it seemed to be as he

2038

01:11:50,390 --> 01:11:47,920

said it's subtle

2039

01:11:51,990 --> 01:11:50,400

but it's still profound i might have

2040

01:11:53,510 --> 01:11:52,000

taken it for granted or

2041

01:11:55,910 --> 01:11:53,520

overlooked some of the implications

2042

01:11:58,310 --> 01:11:55,920

until i read through the book myself

2043

01:12:00,229 --> 01:11:58,320

and really it's a book about mk ultra

2044

01:12:02,149 --> 01:12:00,239

and aliens and remote viewing and

2045

01:12:04,149 --> 01:12:02,159

extended consciousness

2046

01:12:06,470 --> 01:12:04,159

so it's right up our alley regardless

2047

01:12:07,990 --> 01:12:06,480

but this evil angle does highlight some

2048

01:12:10,229 --> 01:12:08,000

nuances that often go

2049

01:12:12,229 --> 01:12:10,239

unnoticed and wouldn't you know it

2050

01:12:14,630 --> 01:12:12,239

people you don't even have to take my

2051
01:12:18,149 --> 01:12:14,640
word for it because alex has a special

2052
01:12:19,750 --> 01:12:18,159
offer for thc listeners if you made it

2053
01:12:21,590 --> 01:12:19,760
all the way to the end here he's gonna

2054
01:12:24,870 --> 01:12:21,600
make the ebook version

2055
01:12:26,070 --> 01:12:24,880
free this friday april 30th for the

2056
01:12:28,310 --> 01:12:26,080
entire day

2057
01:12:29,830 --> 01:12:28,320
and you guys are the only ones who know

2058
01:12:31,750 --> 01:12:29,840
about that

2059
01:12:33,510 --> 01:12:31,760
sure some people might get lucky and

2060
01:12:35,430 --> 01:12:33,520
happen to check out the book that day

2061
01:12:36,550 --> 01:12:35,440
but this announcement is really just for

2062
01:12:39,110 --> 01:12:36,560
you

2063
01:12:40,790 --> 01:12:39,120

so why not hop over to amazon download

2064

01:12:43,510 --> 01:12:40,800

it and check it out for yourself

2065

01:12:45,189 --> 01:12:43,520

no coupon code needed or anything maybe

2066

01:12:46,790 --> 01:12:45,199

you could give him a good review

2067

01:12:48,390 --> 01:12:46,800

or shoot him a message that you

2068

01:12:49,669 --> 01:12:48,400

appreciated and thought it was a good

2069

01:12:53,189 --> 01:12:49,679

show today

2070

01:12:54,870 --> 01:12:53,199

but no strings attached just free

2071

01:12:56,310 --> 01:12:54,880

man it must be nice to sell off your

2072

01:12:58,390 --> 01:12:56,320

tech company at the height of the boom

2073

01:12:59,750 --> 01:12:58,400

right guys

2074

01:13:01,910 --> 01:12:59,760

i'm just kidding but he put a lot of

2075

01:13:03,189 --> 01:13:01,920

work into this project and writing a

2076

01:13:05,590 --> 01:13:03,199

book is not easy

2077

01:13:07,590 --> 01:13:05,600

so to put it out for free for you guys

2078

01:13:09,750 --> 01:13:07,600

makes it pretty clear that he cares a

2079

01:13:10,950 --> 01:13:09,760

lot more about the subject matter than

2080

01:13:13,350 --> 01:13:10,960

he does about the money

2081

01:13:15,189 --> 01:13:13,360

and that's a beautiful thing so this

2082

01:13:18,870 --> 01:13:15,199

friday april 30th

2083

01:13:20,550 --> 01:13:18,880

don't sleep on it and as for evil itself

2084

01:13:21,030 --> 01:13:20,560

what can i add that hasn't been said

2085

01:13:23,030 --> 01:13:21,040

today

2086

01:13:24,709 --> 01:13:23,040

he spent an extra 20 minutes with us

2087

01:13:27,270 --> 01:13:24,719

which i thank him for

2088

01:13:28,950 --> 01:13:27,280

making a dent in the short show last

2089

01:13:31,990 --> 01:13:28,960

week already

2090

01:13:34,070 --> 01:13:32,000

but maybe it is all a spectrum on a

2091

01:13:36,390 --> 01:13:34,080

higher level maybe we can act all

2092

01:13:37,590 --> 01:13:36,400

enlightened and say it's all experienced

2093

01:13:39,910 --> 01:13:37,600

man

2094

01:13:41,270 --> 01:13:39,920

and on your 10 millionth life maybe you

2095

01:13:43,510 --> 01:13:41,280

do want to see what it's like

2096

01:13:44,950 --> 01:13:43,520

being born into poverty in a third world

2097

01:13:48,709 --> 01:13:44,960

country

2098

01:13:50,870 --> 01:13:48,719

or a psychopath with really deep pockets

2099

01:13:52,950 --> 01:13:50,880

but we aren't on a higher level we're on

2100

01:13:54,550 --> 01:13:52,960

this one and i think the reason there is

2101

01:13:57,669 --> 01:13:54,560

evil in this world

2102

01:13:59,990 --> 01:13:57,679

the reason we have villains is not just

2103

01:14:01,830 --> 01:14:00,000

to acquiesce and say well yeah

2104

01:14:03,030 --> 01:14:01,840

the catholic church rapes kids what are

2105

01:14:05,189 --> 01:14:03,040

you gonna do

2106

01:14:07,030 --> 01:14:05,199

or corporations have always been evil

2107

01:14:09,510 --> 01:14:07,040

can't change it

2108

01:14:11,910 --> 01:14:09,520

sure child labor and dangerous mining

2109

01:14:13,510 --> 01:14:11,920

operations and factories with suicide

2110

01:14:15,590 --> 01:14:13,520

nets on the windows are part of the

2111

01:14:17,270 --> 01:14:15,600

process that gets me my cell phone

2112

01:14:18,950 --> 01:14:17,280

but how am i gonna get around town

2113

01:14:21,430 --> 01:14:18,960

without google maps or know where the

2114

01:14:23,189 --> 01:14:21,440

best burger is without yelp

2115

01:14:25,110 --> 01:14:23,199

yeah government is a corrupt revolving

2116

01:14:27,590 --> 01:14:25,120

door of [h__h] might as well throw up

2117

01:14:28,709 --> 01:14:27,600

our hands and learn to live with it

2118

01:14:31,030 --> 01:14:28,719

i don't think those are the right

2119

01:14:33,990 --> 01:14:31,040

attitudes if this is a learning or

2120

01:14:36,310 --> 01:14:34,000

growth process of some kind if there is

2121

01:14:37,590 --> 01:14:36,320

a purpose to life besides getting high

2122

01:14:39,750 --> 01:14:37,600

and getting laid

2123

01:14:41,590 --> 01:14:39,760

well i think it's to push back against

2124

01:14:43,510 --> 01:14:41,600

these forces

2125

01:14:45,510 --> 01:14:43,520

and i'm not saying storm the capital we

2126

01:14:46,950 --> 01:14:45,520

don't fight violence with violence i

2127

01:14:47,750 --> 01:14:46,960

think that's another lesson in this

2128

01:14:49,510 --> 01:14:47,760

reality

2129

01:14:52,229 --> 01:14:49,520

as gordon has said sometimes you don't

2130

01:14:54,950 --> 01:14:52,239

get to fight sauron and all that

2131

01:14:58,149 --> 01:14:54,960

but you can push back living by higher

2132

01:15:00,310 --> 01:14:58,159

principles having some self-discipline

2133

01:15:02,390 --> 01:15:00,320

and of course things like making art and

2134

01:15:02,870 --> 01:15:02,400

spreading love all the cheesy hippie

2135

01:15:06,229 --> 01:15:02,880

stuff

2136

01:15:08,310 --> 01:15:06,239

i think actually has merit i understand

2137

01:15:09,590 --> 01:15:08,320

the notion that events on this earthly

2138

01:15:11,510 --> 01:15:09,600

plane might just be

2139

01:15:14,070 --> 01:15:11,520

some kind of cosmic theater i'm down

2140

01:15:15,430 --> 01:15:14,080

with that but when that perspective is

2141

01:15:17,910 --> 01:15:15,440

generally promoted

2142

01:15:19,110 --> 01:15:17,920

there's a subtext that i feel i pick up

2143

01:15:21,350 --> 01:15:19,120

on sometimes

2144

01:15:22,229 --> 01:15:21,360

that insinuates that since it's all

2145

01:15:24,310 --> 01:15:22,239

theater

2146

01:15:26,390 --> 01:15:24,320

just keep letting the kids in africa

2147

01:15:28,709 --> 01:15:26,400

starve don't worry so much about the

2148

01:15:30,070 --> 01:15:28,719

abused or fixing a problem like human

2149

01:15:31,910 --> 01:15:30,080

trafficking

2150

01:15:34,390 --> 01:15:31,920

because it's all part of the show the

2151

01:15:36,870 --> 01:15:34,400

range of experience it's all just energy

2152

01:15:39,270 --> 01:15:36,880

it's all neutral on a higher level and

2153

01:15:41,350 --> 01:15:39,280

let what happens happen

2154

01:15:43,990 --> 01:15:41,360

well i don't see it that way if this is

2155

01:15:46,070 --> 01:15:44,000

all theater and we're just playing parts

2156

01:15:48,070 --> 01:15:46,080

then you've got to play the part of a

2157

01:15:50,550 --> 01:15:48,080

person who pushes back

2158

01:15:53,030 --> 01:15:50,560

maybe it's not just theater but it's a

2159

01:15:55,110 --> 01:15:53,040

soul school one that doesn't want you to

2160

01:15:57,590 --> 01:15:55,120

be apathetic towards evil

2161

01:15:59,669 --> 01:15:57,600

spotting evil is supposed to be a call

2162

01:16:01,750 --> 01:15:59,679

to rise to the occasion not to shrug

2163

01:16:03,669 --> 01:16:01,760

your shoulders and say see on the astral

2164

01:16:04,870 --> 01:16:03,679

plane where we'll all laugh and hug it

2165

01:16:07,270 --> 01:16:04,880

out

2166

01:16:09,270 --> 01:16:07,280

it seems to me that the most legendarily

2167

01:16:10,950 --> 01:16:09,280

bold and admirable people

2168

01:16:12,790 --> 01:16:10,960

have this enlightened sense that the

2169

01:16:13,590 --> 01:16:12,800

physical world is not the main game in

2170

01:16:16,470 --> 01:16:13,600

town

2171

01:16:18,470 --> 01:16:16,480

and that fearlessness allowed them to be

2172

01:16:20,790 --> 01:16:18,480

proud of the way they stood up to evil

2173

01:16:23,110 --> 01:16:20,800

or fought back against it

2174

01:16:25,270 --> 01:16:23,120

i do my part but how many of our careers

2175

01:16:27,030 --> 01:16:25,280

and personal lives are aligned with the

2176

01:16:29,590 --> 01:16:27,040

greater good

2177

01:16:30,070 --> 01:16:29,600

even if it's just passive i mean really

2178

01:16:32,550 --> 01:16:30,080

i'm just

2179

01:16:34,470 --> 01:16:32,560

tubing down the lazy river of resistance

2180

01:16:36,630 --> 01:16:34,480

and finding what i think is a perfect

2181

01:16:38,229 --> 01:16:36,640

balance for myself between success and

2182

01:16:40,149 --> 01:16:38,239

service

2183

01:16:41,750 --> 01:16:40,159

it works for me and my guess is that

2184

01:16:44,229 --> 01:16:41,760

there's a way for a lot of people to

2185

01:16:46,149 --> 01:16:44,239

make some sort of pivot towards that

2186

01:16:48,790 --> 01:16:46,159

and if you're brave enough to try well

2187

01:16:51,910 --> 01:16:48,800

cheers to you it's scary sometimes

2188

01:16:53,910 --> 01:16:51,920

that illusion is persistent isn't it

2189

01:16:55,270 --> 01:16:53,920

the lesson is not to just realize it's

2190

01:16:57,030 --> 01:16:55,280

all a game the lesson is

2191

01:16:59,510 --> 01:16:57,040

actually to step up to the plate and

2192

01:17:02,630 --> 01:16:59,520

play your part in the game

2193

01:17:03,910 --> 01:17:02,640

put that on a t-shirt kids but i think

2194

01:17:06,229 --> 01:17:03,920

that's one of the main

2195

01:17:07,510 --> 01:17:06,239

important layers to alex's inquiry and

2196

01:17:10,149 --> 01:17:07,520

evil

2197

01:17:11,910 --> 01:17:10,159

this acceptance we see from a spiritual

2198

01:17:13,510 --> 01:17:11,920

perspective with the enlightened it's

2199

01:17:16,310 --> 01:17:13,520

all consciousness folks

2200

01:17:18,070 --> 01:17:16,320

the acceptance of it from the scientific

2201
01:17:20,630 --> 01:17:18,080
perspective where it's just a chemical

2202
01:17:22,149 --> 01:17:20,640
imbalance or a sexual preference

2203
01:17:24,229 --> 01:17:22,159
or something that's just part of our

2204
01:17:26,630 --> 01:17:24,239
animal instincts

2205
01:17:28,830 --> 01:17:26,640
those socially engineered mindsets

2206
01:17:30,070 --> 01:17:28,840
really do get us to accept a lot don't

2207
01:17:31,510 --> 01:17:30,080
they

2208
01:17:33,669 --> 01:17:31,520
i mean does the whole thing really need

2209
01:17:35,669 --> 01:17:33,679
to be more complicated than

2210
01:17:37,750 --> 01:17:35,679
evil is a force in reality and we're

2211
01:17:42,310 --> 01:17:37,760
supposed to resist that force or

2212
01:17:44,630 --> 01:17:42,320
at least make an equal amount of good

2213
01:17:46,229 --> 01:17:44,640

some people are too dumb to see evil as

2214

01:17:47,990 --> 01:17:46,239

evil and they got a lot of lessons to

2215

01:17:49,510 --> 01:17:48,000

learn and they'll be doing this soul

2216

01:17:52,310 --> 01:17:49,520

cycle for a long time

2217

01:17:54,149 --> 01:17:52,320

but if you see it and you can't fight it

2218

01:17:56,870 --> 01:17:54,159

with brute force you can counter

2219

01:17:58,870 --> 01:17:56,880

something like bear Monsanto by growing

2220

01:18:01,189 --> 01:17:58,880

your own food and encouraging your

2221

01:18:03,110 --> 01:18:01,199

neighbors to do a food swap that's

2222

01:18:03,830 --> 01:18:03,120

making your whole neighborhood healthier

2223

01:18:05,669 --> 01:18:03,840

happier

2224

01:18:08,870 --> 01:18:05,679

and taking money out of the pockets of

2225

01:18:11,590 --> 01:18:08,880

those same forces doing so much damage

2226

01:18:12,950 --> 01:18:11,600

be a steward of the people in your small

2227

01:18:15,590 --> 01:18:12,960

circle

2228

01:18:16,950 --> 01:18:15,600

this isn't new stuff and you know what

2229

01:18:17,669 --> 01:18:16,960

you need to do and you know if you're

2230

01:18:20,550 --> 01:18:17,679

doing enough

2231

01:18:21,669 --> 01:18:20,560

of it because you can feel it as alex

2232

01:18:23,430 --> 01:18:21,679

said somewhere in there

2233

01:18:25,270 --> 01:18:23,440

you will be judged but you're the one

2234

01:18:27,510 --> 01:18:25,280

doing the judging

2235

01:18:29,350 --> 01:18:27,520

this is probably why that life review

2236

01:18:31,110 --> 01:18:29,360

happens and you experience a range of

2237

01:18:33,110 --> 01:18:31,120

things from another viewpoint

2238

01:18:36,390 --> 01:18:33,120

it just needs to be shown to you and the

2239

01:18:39,030 --> 01:18:36,400

morality of it should be self-evident

2240

01:18:40,070 --> 01:18:39,040

it feels like the universe saying you

2241

01:18:41,830 --> 01:18:40,080

could have done better

2242

01:18:43,910 --> 01:18:41,840

like a loving parent would who might

2243

01:18:46,390 --> 01:18:43,920

just be a little disappointed

2244

01:18:48,630 --> 01:18:46,400

i think you know if you passed or failed

2245

01:18:50,870 --> 01:18:48,640

this world is so full of hierarchy it's

2246

01:18:52,870 --> 01:18:50,880

hard to avoid that type of thinking that

2247

01:18:54,870 --> 01:18:52,880

some supreme being is going to be the

2248

01:18:57,270 --> 01:18:54,880

judge jury and executioner

2249

01:18:58,390 --> 01:18:57,280

but i think alex is right in that we do

2250

01:19:01,189 --> 01:18:58,400

the judging

2251
01:19:02,630 --> 01:19:01,199
and we might be in a situation where we

2252
01:19:04,950 --> 01:19:02,640
can't lie to ourselves

2253
01:19:07,350 --> 01:19:04,960
at the end of the game we know how we

2254
01:19:08,709 --> 01:19:07,360
felt we know why we did what we did in

2255
01:19:10,709 --> 01:19:08,719
this life

2256
01:19:12,470 --> 01:19:10,719
can elon musk stand up straight at the

2257
01:19:14,070 --> 01:19:12,480
life review and say well i just wanted

2258
01:19:15,990 --> 01:19:14,080
to explore the mind and push on the

2259
01:19:16,550 --> 01:19:16,000
boundaries of reality i'm not ashamed of

2260
01:19:18,390 --> 01:19:16,560
that

2261
01:19:20,229 --> 01:19:18,400
sorry about shipping all those pigs and

2262
01:19:22,229 --> 01:19:20,239
monkeys along the way to digitizing the

2263
01:19:24,950 --> 01:19:22,239

human brain

2264

01:19:26,790 --> 01:19:24,960

i guess only he can answer that but i

2265

01:19:29,030 --> 01:19:26,800

thought this was a good show alex always

2266

01:19:29,750 --> 01:19:29,040

flatters me a lot it's very kind of him

2267

01:19:33,030 --> 01:19:29,760

but i do

2268

01:19:34,390 --> 01:19:33,040

feel so ignorant and uneducated maybe

2269

01:19:35,990 --> 01:19:34,400

it's something like the difference

2270

01:19:37,669 --> 01:19:36,000

between wisdom and knowledge

2271

01:19:39,110 --> 01:19:37,679

because you can read all the books and

2272

01:19:42,390 --> 01:19:39,120

get the degrees

2273

01:19:44,149 --> 01:19:42,400

go through the system and get a master's

2274

01:19:46,790 --> 01:19:44,159

you're going to know a lot more about

2275

01:19:48,950 --> 01:19:46,800

say virology than me

2276

01:19:51,669 --> 01:19:48,960

but if you don't factor in greed and

2277

01:19:55,430 --> 01:19:51,679

corruption and corporate malfeasance and

2278

01:19:58,070 --> 01:19:55,440

basically evil those blind spots

2279

01:19:59,189 --> 01:19:58,080

almost make your whole body of knowledge

2280

01:20:01,510 --> 01:19:59,199

moot

2281

01:20:03,030 --> 01:20:01,520

it's very much the same as what alex

2282

01:20:04,790 --> 01:20:03,040

always says about consciousness

2283

01:20:06,550 --> 01:20:04,800

i say about conspiracy look you're

2284

01:20:08,390 --> 01:20:06,560

missing this giant piece

2285

01:20:09,910 --> 01:20:08,400

that actually affects everything to

2286

01:20:13,510 --> 01:20:09,920

pretend it's not there

2287

01:20:15,110 --> 01:20:13,520

is to miss the boat entirely structural

2288

01:20:17,669 --> 01:20:15,120

engineers can do all the mental

2289

01:20:19,590 --> 01:20:17,679

gymnastics and physics calculations they

2290

01:20:22,310 --> 01:20:19,600

need to do to convince themselves that

2291

01:20:24,149 --> 01:20:22,320

two planes took down the twin towers

2292

01:20:26,070 --> 01:20:24,159

do they know more about structural

2293

01:20:28,709 --> 01:20:26,080

engineering and physics than i do

2294

01:20:30,790 --> 01:20:28,719

of course but what's it all worth if

2295

01:20:32,149 --> 01:20:30,800

they can't wrestle with the concept of a

2296

01:20:34,310 --> 01:20:32,159

false flag and

2297

01:20:37,270 --> 01:20:34,320

a coordination between government and

2298

01:20:40,149 --> 01:20:37,280

media to convince the world otherwise

2299

01:20:41,830 --> 01:20:40,159

maybe engineering knowledge at a phd

2300

01:20:44,550 --> 01:20:41,840

level isn't really what's needed to

2301
01:20:47,030 --> 01:20:44,560
figure this one out

2302
01:20:47,990 --> 01:20:47,040
anyway as for the plush show we talked a

2303
01:20:50,709 --> 01:20:48,000
lot about the

2304
01:20:51,510 --> 01:20:50,719
various angles and camps and alternative

2305
01:20:54,229 --> 01:20:51,520
researchers

2306
01:20:56,229 --> 01:20:54,239
on the circuit talking about covid and

2307
01:20:59,030 --> 01:20:56,239
it got a bit spicy there too

2308
01:20:59,990 --> 01:20:59,040
because he's not shy about calling out

2309
01:21:02,470 --> 01:21:00,000
ideas he

2310
01:21:04,390 --> 01:21:02,480
thinks are stupid or people he thinks

2311
01:21:06,310 --> 01:21:04,400
are flat out wrong

2312
01:21:08,629 --> 01:21:06,320
alex said several times that he's not

2313
01:21:10,310 --> 01:21:08,639

afraid to be wrong and he really isn't

2314

01:21:12,709 --> 01:21:10,320

it's something i admire about him he's

2315

01:21:14,790 --> 01:21:12,719

excited by challenging ideas and having

2316

01:21:17,430 --> 01:21:14,800

his own ideas challenged

2317

01:21:18,229 --> 01:21:17,440

and he operates his show from that place

2318

01:21:20,629 --> 01:21:18,239

i say

2319

01:21:22,149 --> 01:21:20,639

he does confrontational interviews but i

2320

01:21:23,030 --> 01:21:22,159

don't even think that's the right word

2321

01:21:25,270 --> 01:21:23,040

for it

2322

01:21:27,910 --> 01:21:25,280

he's just got his pride so well in check

2323

01:21:28,229 --> 01:21:27,920

that he is totally okay with being wrong

2324

01:21:30,070 --> 01:21:28,239

and

2325

01:21:31,270 --> 01:21:30,080

assume some of his guests would have

2326

01:21:33,430 --> 01:21:31,280

their pride in check

2327

01:21:35,830 --> 01:21:33,440

similarly and when they don't that's

2328

01:21:37,590 --> 01:21:35,840

when we get some fireworks

2329

01:21:38,870 --> 01:21:37,600

they go out my only two shows that have

2330

01:21:41,110 --> 01:21:38,880

had fireworks you know

2331

01:21:42,629 --> 01:21:41,120

ten years and we got one yawn irving and

2332

01:21:44,870 --> 01:21:42,639

a steven greer

2333

01:21:46,470 --> 01:21:44,880

notice anything similar about these guys

2334

01:21:48,070 --> 01:21:46,480

personalities

2335

01:21:49,910 --> 01:21:48,080

do they have their pride and check i'm

2336

01:21:51,669 --> 01:21:49,920

not so sure

2337

01:21:53,430 --> 01:21:51,679

and it got really good towards the end

2338

01:21:55,830 --> 01:21:53,440

there because when it comes to alex's

2339

01:21:56,790 --> 01:21:55,840

background i appreciate and respect his

2340

01:21:59,510 --> 01:21:56,800

experiences

2341

01:22:00,790 --> 01:21:59,520

in the business tech venture capital

2342

01:22:02,229 --> 01:22:00,800

space

2343

01:22:04,550 --> 01:22:02,239

and i know he's open to some pretty

2344

01:22:06,870 --> 01:22:04,560

radical things but i think he was kind

2345

01:22:09,430 --> 01:22:06,880

of calling me out for being too trusting

2346

01:22:11,669 --> 01:22:09,440

or being naive about this perspective

2347

01:22:13,750 --> 01:22:11,679

that commercial corporate science is not

2348

01:22:15,910 --> 01:22:13,760

allowing some of these tesla tech type

2349

01:22:18,229 --> 01:22:15,920

people to break through

2350

01:22:19,910 --> 01:22:18,239

and i think that he thinks that i might

2351

01:22:21,830 --> 01:22:19,920

not be giving enough attention to the

2352

01:22:24,310 --> 01:22:21,840

fact that these guys can be deceptive

2353

01:22:26,310 --> 01:22:24,320

and dishonest too

2354

01:22:29,430 --> 01:22:26,320

he's probably right i think we all make

2355

01:22:31,510 --> 01:22:29,440

mistakes but we do what we can right

2356

01:22:33,910 --> 01:22:31,520

i'm actually recording an episode with

2357

01:22:35,350 --> 01:22:33,920

george wiseman very soon about brown's

2358

01:22:37,350 --> 01:22:35,360

gas that i think

2359

01:22:38,709 --> 01:22:37,360

is a great illustration of the point i

2360

01:22:40,470 --> 01:22:38,719

was making to him that

2361

01:22:42,870 --> 01:22:40,480

some scientific discoveries and

2362

01:22:44,870 --> 01:22:42,880

technologies are simply off limits in

2363

01:22:46,870 --> 01:22:44,880

the western capitalist corporate

2364

01:22:49,270 --> 01:22:46,880

dominated system

2365

01:22:51,669 --> 01:22:49,280

there are some technological and

2366

01:22:54,550 --> 01:22:51,679

scientific roads you cannot go down

2367

01:22:55,910 --> 01:22:54,560

venture capital be damned but i still

2368

01:22:57,669 --> 01:22:55,920

think it's a lot of fun to talk about

2369

01:23:01,189 --> 01:22:57,679

and to put a finer point on the

2370

01:23:03,350 --> 01:23:01,199

plus portion topics we discussed lessons

2371

01:23:05,669 --> 01:23:03,360

from being in recovery

2372

01:23:06,870 --> 01:23:05,679

dr tom zinzer and his work with the

2373

01:23:09,910 --> 01:23:06,880

spiritual entity

2374

01:23:10,470 --> 01:23:09,920

jared plus people who heard that little

2375

01:23:13,270 --> 01:23:10,480

section

2376

01:23:15,110 --> 01:23:13,280

will be probably pretty excited to know

2377

01:23:18,310 --> 01:23:15,120

that dr tom zinzer

2378

01:23:21,030 --> 01:23:18,320

is on the books for thc

2379

01:23:22,709 --> 01:23:21,040

we also talked ted bundy and the state

2380

01:23:25,430 --> 01:23:22,719

of our counterculture

2381

01:23:27,510 --> 01:23:25,440

alex's thoughts on the range of voices

2382

01:23:29,990 --> 01:23:27,520

talking about covet as i said

2383

01:23:31,590 --> 01:23:30,000

dr mary's monkey and the story of alton

2384

01:23:34,390 --> 01:23:31,600

ochsner

2385

01:23:35,510 --> 01:23:34,400

and alex also had some harsh words for

2386

01:23:39,270 --> 01:23:35,520

nasim haraming

2387

01:23:40,790 --> 01:23:39,280

and i'll leave it at that a lot to like

2388

01:23:42,950 --> 01:23:40,800

curious what you guys think of some of

2389

01:23:44,870 --> 01:23:42,960

the bold things said in the second half

2390

01:23:46,870 --> 01:23:44,880

actually sign up for plus if you like

2391

01:23:47,750 --> 01:23:46,880

what i do spend your money on things you

2392

01:23:49,510 --> 01:23:47,760

want to grow

2393

01:23:52,950 --> 01:23:49,520

and stop spending them on things that

2394

01:23:55,590 --> 01:23:52,960

are propping up the evil in our system

2395

01:23:58,550 --> 01:23:55,600

i got a lot of great feedback from my

2396

01:24:00,470 --> 01:23:58,560

post andy wakefield show rant

2397

01:24:01,990 --> 01:24:00,480

i wasn't even all that comfortable with

2398

01:24:03,990 --> 01:24:02,000

it but it did actually boost

2399

01:24:06,229 --> 01:24:04,000

signups quite a bit which is really

2400

01:24:08,310 --> 01:24:06,239

great to see thank you guys so i'll

2401

01:24:10,870 --> 01:24:08,320

spare you the speech

2402

01:24:12,870 --> 01:24:10,880

but if you can buy plastic [h__h] made by

2403

01:24:15,030 --> 01:24:12,880

wage slaves in the third world without

2404

01:24:16,709 --> 01:24:15,040

passing nearly as much judgment on that

2405

01:24:19,030 --> 01:24:16,719

process as you should

2406

01:24:20,709 --> 01:24:19,040

then maybe the plus isn't where you

2407

01:24:23,750 --> 01:24:20,719

should draw the line on

2408

01:24:26,950 --> 01:24:23,760

who gets your support hey i don't know

2409

01:24:29,590 --> 01:24:26,960

i'm just saying think about it

2410

01:24:30,390 --> 01:24:29,600

nothing but love guys let's be the

2411

01:24:32,470 --> 01:24:30,400

change

2412

01:24:35,030 --> 01:24:32,480

and all that make sure to pick up alex's

2413

01:24:36,950 --> 01:24:35,040

book for free this friday on amazon

2414

01:24:39,350 --> 01:24:36,960

check out skeptico he does an awesome

2415

01:24:42,229 --> 01:24:39,360

job and i'll see you next time

2416

01:24:44,310 --> 01:24:42,239

i've done my part your move evil doers

2417

01:24:45,830 --> 01:24:44,320

people screwers and agents of the big

2418

01:24:49,669 --> 01:24:45,840

bad machine

2419

01:24:52,950 --> 01:24:49,679

your [h__h] move

2420

01:24:56,870 --> 01:24:52,960

they built a little empire

2421

01:25:00,629 --> 01:24:56,880

out of some crazy garbage

2422

01:25:01,840 --> 01:25:00,639

called the blood of the exploited

2423

01:25:03,910 --> 01:25:01,850

working class

2424

01:25:08,070 --> 01:25:03,920

[Music]

2425

01:25:11,750 --> 01:25:08,080

but they've overcome their shyness

2426
01:25:15,430 --> 01:25:11,760
now we're calling them your highness

2427
01:25:19,110 --> 01:25:15,440
and the world screams save me

2428
01:25:26,390 --> 01:25:22,470
they destroyed the bonds of friendship

2429
01:25:30,149 --> 01:25:26,400
and respect between the only

2430
01:25:33,510 --> 01:25:30,159
people left who'd even look them

2431
01:25:41,270 --> 01:25:37,430
now they laugh and make a fortune

2432
01:25:44,950 --> 01:25:41,280
off the same ones that they tortured

2433
01:25:48,229 --> 01:25:44,960
and a world screams save me

2434
01:25:51,750 --> 01:25:48,239
thc let's

2435
01:25:55,189 --> 01:25:51,760
look for jesus

2436
01:25:58,790 --> 01:25:55,199
some will say

2437
01:26:02,550 --> 01:25:58,800
but mr jesus

2438
01:26:06,820 --> 01:26:02,560

is so far away

2439

01:26:19,669 --> 01:26:06,830

now you're the only one who

2440

01:26:27,189 --> 01:26:22,790

a little empire out of

2441

01:26:32,629 --> 01:26:27,199

some crazy garbage called the blood

2442

01:26:40,310 --> 01:26:36,709

but they've overcome their shyness

2443

01:26:48,830 --> 01:26:40,320

now we're calling them your highness
