1
00:00:04,630 --> 00:00:02,869
[Music]

2
00:00:06,950 --> 00:00:04,640
congratulations youtube

3
00:00:08,390 --> 00:00:06,960
you did it you wore me down and you

4
00:00:10,709 --> 00:00:08,400
sucked me back in

5
00:00:12,230 --> 00:00:10,719
i have too many subscribers here just to

6
00:00:14,230 --> 00:00:12,240
walk away entirely

7
00:00:15,430 --> 00:00:14,240
especially with no alternative that

8
00:00:17,590 --> 00:00:15,440
truly stacks up

9
00:00:19,670 --> 00:00:17,600
and so many copycat channels uploading

10
00:00:22,150 --> 00:00:19,680
my shows for me anyway

11
00:00:24,150 --> 00:00:22,160
but we can't forget the thc's account

12
00:00:25,910 --> 00:00:24,160
here is on thin ice

13
00:00:28,710 --> 00:00:25,920

and so the youtube version of the show

14

00:00:31,669 --> 00:00:28,720

has to be prefaced with this little psa

15

00:00:32,950 --> 00:00:31,679

only to say that episodes that contain

16

00:00:34,709 --> 00:00:32,960

the kinds of themes that have been

17

00:00:37,670 --> 00:00:34,719

regularly banned on youtube

18

00:00:39,750 --> 00:00:37,680

will not appear here and even with that

19

00:00:41,350 --> 00:00:39,760

precaution there's already enough in the

20

00:00:43,350 --> 00:00:41,360

archive to get us removed

21

00:00:45,830 --> 00:00:43,360

so remember that the higher side chats

22

00:00:48,310 --> 00:00:45,840

could be banned or put in time out again

23

00:00:49,510 --> 00:00:48,320

at any time and i won't be able to tell

24

00:00:51,510 --> 00:00:49,520

you guys about it

25

00:00:53,270 --> 00:00:51,520

so if you feel like it's been too long

26
00:00:56,069 --> 00:00:53,280
since you've heard from me here on this

27
00:00:57,910 --> 00:00:56,079
digital dystopian draconian data mining

28
00:00:59,189 --> 00:00:57,920
monster of a police state seeking

29
00:01:00,990 --> 00:00:59,199
platform

30
00:01:03,750 --> 00:01:01,000
your first step should be to check the

31
00:01:10,550 --> 00:01:03,760
highersidechats.com for the latest shows

32
00:01:14,149 --> 00:01:12,469
embrace yourself because you're about to

33
00:01:15,990 --> 00:01:14,159
dive into another free first hour

34
00:01:17,270 --> 00:01:16,000
episode of the higher side chats

35
00:01:18,710 --> 00:01:17,280
and we just want to let you know that

36
00:01:20,390 --> 00:01:18,720
whether you're looking for a companion

37
00:01:21,670 --> 00:01:20,400
through your paranoid insomnia

38
00:01:23,429 --> 00:01:21,680

entertaining yourself through one of

39

00:01:24,950 --> 00:01:23,439

life's mundane activities

40

00:01:27,109 --> 00:01:24,960

or trying to ward off the internal

41

00:01:28,149 --> 00:01:27,119

screams of all those sad smothered souls

42

00:01:30,310 --> 00:01:28,159

around the office

43

00:01:31,910 --> 00:01:30,320

thc is here and you should know that

44

00:01:33,109 --> 00:01:31,920

every episode of the higher side chats

45

00:01:36,270 --> 00:01:33,119

has an entire second

46

00:01:37,590 --> 00:01:36,280

hour for plus members sign up at the

47

00:01:39,190 --> 00:01:37,600

highersidechatsplus.com

48

00:01:41,510 --> 00:01:39,200

and you'll get years of plus show

49

00:01:43,109 --> 00:01:41,520

archives lifetime forum access

50

00:01:44,789 --> 00:01:43,119

a special invite to greg carlwood's

51

00:01:47,990 --> 00:01:44,799

monthly joint sessions

52

00:01:51,030 --> 00:01:48,000

mp3s of the music bonus episodes

53

00:01:52,630 --> 00:01:51,040

tour videos and 10 off t-shirts

54

00:01:54,710 --> 00:01:52,640

grinders and whatever else ends up in

55

00:01:56,149 --> 00:01:54,720

the higher side store it's eight dollars

56

00:01:57,910 --> 00:01:56,159

a month that you won't miss

57

00:01:59,749 --> 00:01:57,920

so become a plus member and treat

58

00:02:01,990 --> 00:01:59,759

yourself in these troubled times

59

00:02:03,429 --> 00:02:02,000

always action-packed and commercial-free

60

00:02:13,030 --> 00:02:03,439

which means you'll unfortunately

61

00:02:17,589 --> 00:02:15,750

in the 1930s president franklin delano

62

00:02:20,150 --> 00:02:17,599

roosevelt addressed the nation through a

63

00:02:23,270 --> 00:02:20,160

series of radio broadcasts known as the

64

00:02:25,030 --> 00:02:23,280

fireside chats his aim was to reassure

65

00:02:27,030 --> 00:02:25,040

the common man that our society would

66

00:02:29,670 --> 00:02:27,040

recover from its troubled times

67

00:02:31,190 --> 00:02:29,680

well we're far from 1930 and i deal with

68

00:02:33,910 --> 00:02:31,200

a different kind of fire

69

00:02:36,150 --> 00:02:33,920

for a new era of worldly frustration we

70

00:02:39,110 --> 00:02:36,160

offer a fresh conversation

71

00:02:41,430 --> 00:02:39,120

i'm greg carlwood and these are the

72

00:02:43,430 --> 00:02:41,440

higher side chats

73

00:02:45,350 --> 00:02:43,440

happy days are here again higher side

74

00:02:47,430 --> 00:02:45,360

chatters doing the thing from sunny san

75

00:02:49,270 --> 00:02:47,440

diego i'm greg carlwood and it's

76
00:02:51,110 --> 00:02:49,280
unfortunate that not only do we have to

77
00:02:52,949 --> 00:02:51,120
deal with greed corruption and winner

78
00:02:54,229 --> 00:02:52,959
take all capitalism in the realms of

79
00:02:55,830 --> 00:02:54,239
food and medicine

80
00:02:57,509 --> 00:02:55,840
but i'm not even sure the people with

81
00:02:59,430 --> 00:02:57,519
their hands on the wheel realize what

82
00:03:01,350 --> 00:02:59,440
makes good food and medicine

83
00:03:03,750 --> 00:03:01,360
and when most areas of modern science

84
00:03:05,350 --> 00:03:03,760
don't even factor in consciousness how

85
00:03:05,990 --> 00:03:05,360
can they really know anything about the

86
00:03:09,110 --> 00:03:06,000
body

87
00:03:11,910 --> 00:03:09,120
health or even reality itself because if

88
00:03:14,309 --> 00:03:11,920

you ask the mystics shamans herbologists

89

00:03:16,309 --> 00:03:14,319

holistic doctors natural scientists

90

00:03:17,670 --> 00:03:16,319

ether physics researchers or tesla

91

00:03:19,430 --> 00:03:17,680

technicians

92

00:03:21,589 --> 00:03:19,440

they would say the fabric of reality

93

00:03:23,589 --> 00:03:21,599

emerges more like a song from the keys

94

00:03:25,750 --> 00:03:23,599

of the grand piano than from a random

95

00:03:27,670 --> 00:03:25,760

explosion at the beginning of time

96

00:03:29,589 --> 00:03:27,680

that consciousness permeates from all

97

00:03:31,509 --> 00:03:29,599

things nature gives us everything we

98

00:03:34,070 --> 00:03:31,519

need and that engaging with the natural

99

00:03:35,990 --> 00:03:34,080

world makes these things self-evident

100

00:03:38,470 --> 00:03:36,000

many of the brightest minds like victor

101
00:03:39,670 --> 00:03:38,480
shawburger rudolph steiner wilhelm reich

102
00:03:42,149 --> 00:03:39,680
and nicola tesla

103
00:03:44,229 --> 00:03:42,159
also advised us to derive technology and

104
00:03:45,270 --> 00:03:44,239
understanding from observing natural

105
00:03:47,509 --> 00:03:45,280
systems

106
00:03:50,710 --> 00:03:47,519
recognizing patterns and thinking in

107
00:03:52,789 --> 00:03:50,720
terms of energy frequency and vibration

108
00:03:54,550 --> 00:03:52,799
and when you see the worn leftover

109
00:03:56,710 --> 00:03:54,560
structures of ancient cultures and

110
00:03:58,229 --> 00:03:56,720
pyramid builders it seems obvious that

111
00:03:59,509 --> 00:03:58,239
they too were in a whole different

112
00:04:01,190 --> 00:03:59,519
headspace

113
00:04:03,350 --> 00:04:01,200

one that really seemed to serve their

114

00:04:04,789 --> 00:04:03,360

lives well as opposed to one they lived

115

00:04:06,470 --> 00:04:04,799

to serve

116

00:04:08,030 --> 00:04:06,480

well now more than ever people are

117

00:04:09,270 --> 00:04:08,040

looking at the fruits of modern

118

00:04:11,429 --> 00:04:09,280

industrialization

119

00:04:14,149 --> 00:04:11,439

academia and corporate industry and

120

00:04:15,750 --> 00:04:14,159

realizing there has to be a better way

121

00:04:18,229 --> 00:04:15,760

and wouldn't you know it today's guest

122

00:04:20,789 --> 00:04:18,239

dr bear lando has been working on a

123

00:04:23,510 --> 00:04:20,799

better way for over 40 years

124

00:04:25,749 --> 00:04:23,520

for the unfamiliar dr lando is extremely

125

00:04:27,510 --> 00:04:25,759

accomplished as he's traveled a winding

126

00:04:29,670 --> 00:04:27,520

path through athletics and

127

00:04:32,230 --> 00:04:29,680

academics to becoming a physician

128

00:04:33,350 --> 00:04:32,240

bio-terrain specialist and permaculture

129

00:04:35,670 --> 00:04:33,360

farmer

130

00:04:36,870 --> 00:04:35,680

he was both a pre-law and pre-med

131

00:04:39,990 --> 00:04:36,880

undergraduate student

132

00:04:41,830 --> 00:04:40,000

recognized for maintaining a 4.0 gpa as

133

00:04:44,390 --> 00:04:41,840

a division one scholarship football

134

00:04:46,390 --> 00:04:44,400

player and competitive power lifter

135

00:04:48,550 --> 00:04:46,400

his lifelong passion for the martial

136

00:04:50,790 --> 00:04:48,560

arts and surfing would eventually lead

137

00:04:52,870 --> 00:04:50,800

to studies in chinese medicine and other

138

00:04:55,350 --> 00:04:52,880

alternative therapies while raising his

139

00:04:58,070 --> 00:04:55,360

family in exotic locations from fiji to

140

00:05:00,230 --> 00:04:58,080

hawaii in search of better waves

141

00:05:02,070 --> 00:05:00,240

after completing graduate studies in

142

00:05:04,230 --> 00:05:02,080

social psychology he earned a

143

00:05:04,710 --> 00:05:04,240

certification from stanford medical

144

00:05:07,029 --> 00:05:04,720

school

145

00:05:08,950 --> 00:05:07,039

then attended a four-year naturopathic

146

00:05:10,950 --> 00:05:08,960

college and completed a doctor of

147

00:05:12,870 --> 00:05:10,960

chiropractic degree

148

00:05:15,270 --> 00:05:12,880

in more recent years he's earned his

149

00:05:16,150 --> 00:05:15,280

master gardener and permaculture design

150

00:05:18,390 --> 00:05:16,160

certification

151
00:05:19,909 --> 00:05:18,400
and presently overseas his off-grid

152
00:05:21,830 --> 00:05:19,919
medicinal herb farm

153
00:05:23,510 --> 00:05:21,840
while teaching biodynamic farming

154
00:05:26,710 --> 00:05:23,520
methods and ionization

155
00:05:28,629 --> 00:05:26,720
soil analysis now retired from clinical

156
00:05:29,590 --> 00:05:28,639
medical practice he remains active in

157
00:05:32,070 --> 00:05:29,600
the martial arts

158
00:05:33,270 --> 00:05:32,080
health consulting creating formulations

159
00:05:35,110 --> 00:05:33,280
for his herbal company

160
00:05:37,110 --> 00:05:35,120
and developing innovative medical

161
00:05:39,029 --> 00:05:37,120
protocols based on the principles of

162
00:05:40,790 --> 00:05:39,039
waveform physics

163
00:05:42,870 --> 00:05:40,800

you can find out more about him and his

164

00:05:45,270 --> 00:05:42,880

farm at alphavedic.com

165

00:05:47,110 --> 00:05:45,280

as well as pick up high quality spagyric

166

00:05:49,110 --> 00:05:47,120

tinctures and other products from his

167

00:05:52,070 --> 00:05:49,120

shop and listen to the alpha cast

168

00:05:54,469 --> 00:05:52,080

podcast co-hosted by dr lando and mike

169

00:05:56,150 --> 00:05:54,479

winter this is a real treat people

170

00:05:58,230 --> 00:05:56,160

because he does more in a day than i do

171

00:06:00,629 --> 00:05:58,240

all week the surfers but jirasis

172

00:06:01,830 --> 00:06:00,639

bioterrain teacher and biodynamic

173

00:06:05,990 --> 00:06:01,840

do-gooder dr

174

00:06:08,070 --> 00:06:06,000

bear lando welcome to the higher side

175

00:06:09,990 --> 00:06:08,080

hey greg really good to be here i'm

176
00:06:11,749 --> 00:06:10,000
looking forward to this one quite a bit

177
00:06:13,189 --> 00:06:11,759
and that you are definitely the master

178
00:06:15,909 --> 00:06:13,199
of the intro there

179
00:06:17,430 --> 00:06:15,919
that's a show in itself so uh i've been

180
00:06:19,590 --> 00:06:17,440
a big fan of yours for a long time i'm

181
00:06:19,990 --> 00:06:19,600
really honored to be here and thank you

182
00:06:23,029 --> 00:06:20,000
again

183
00:06:26,309 --> 00:06:23,039
for the invite oh of course man

184
00:06:27,110 --> 00:06:26,319
too kind and what i do is not even a

185
00:06:29,590 --> 00:06:27,120
fraction as

186
00:06:31,189 --> 00:06:29,600
impressive as your resume man it's

187
00:06:33,029 --> 00:06:31,199
really hard to do it justice but i

188
00:06:33,990 --> 00:06:33,039

wanted to try just to save you from

189

00:06:36,309 --> 00:06:34,000

repeating yourself

190

00:06:38,790 --> 00:06:36,319

again and again but you've been very

191

00:06:40,309 --> 00:06:38,800

well educated in both western medicine

192

00:06:42,950 --> 00:06:40,319

and alternative ways

193

00:06:44,550 --> 00:06:42,960

which is so perfect because it puts you

194

00:06:46,230 --> 00:06:44,560

in a unique position

195

00:06:48,790 --> 00:06:46,240

to be able to get through to people

196

00:06:51,510 --> 00:06:48,800

still stuck in the rockefeller medicine

197

00:06:51,830 --> 00:06:51,520

big bang western materialist paradigm

198

00:06:54,710 --> 00:06:51,840

and

199

00:06:55,270 --> 00:06:54,720

introduced them to the better ways which

200

00:06:57,990 --> 00:06:55,280

have been

201
00:06:59,990 --> 00:06:58,000
suppressed mocked and legislated out to

202
00:07:01,589 --> 00:07:00,000
the margins of society

203
00:07:03,830 --> 00:07:01,599
and maybe that's a good place to start

204
00:07:06,029 --> 00:07:03,840
because the people here i think really

205
00:07:07,589 --> 00:07:06,039
love these ideas intellectually and

206
00:07:09,830 --> 00:07:07,599
philosophically

207
00:07:12,150 --> 00:07:09,840
but some might figure well if these

208
00:07:13,510 --> 00:07:12,160
alternative holistic natural ways are

209
00:07:16,309 --> 00:07:13,520
actually superior

210
00:07:18,469 --> 00:07:16,319
and we're once a lot more common how did

211
00:07:21,110 --> 00:07:18,479
things actually get so backwards

212
00:07:23,350 --> 00:07:21,120
how could the conventional models really

213
00:07:25,589 --> 00:07:23,360

win out and dominate like they do

214

00:07:27,029 --> 00:07:25,599

when they're not nearly as effective or

215

00:07:29,589 --> 00:07:27,039

accurate

216

00:07:30,469 --> 00:07:29,599

well the short answer is they didn't win

217

00:07:34,230 --> 00:07:30,479

out and

218

00:07:37,430 --> 00:07:34,240

what seems i think on the outside is

219

00:07:38,150 --> 00:07:37,440

just a fabrication of media and a whole

220

00:07:41,830 --> 00:07:38,160

facade

221

00:07:44,790 --> 00:07:41,840

because the truth has never gone away

222

00:07:46,390 --> 00:07:44,800

a lot of us who have taken extra measure

223

00:07:49,749 --> 00:07:46,400

beyond our conventional

224

00:07:51,430 --> 00:07:49,759

education and put these things to

225

00:07:52,390 --> 00:07:51,440

practice to prove it in our own

226

00:07:54,390 --> 00:07:52,400

experience

227

00:07:56,390 --> 00:07:54,400

there's a lot more of us out there than

228

00:07:58,629 --> 00:07:56,400

people realize there's a lot more truth

229

00:08:02,150 --> 00:07:58,639

seekers out there than people realize

230

00:08:04,790 --> 00:08:02,160

and i really believe we're on the cusp

231

00:08:05,909 --> 00:08:04,800

of the facade just crumbling i mean it's

232

00:08:08,790 --> 00:08:05,919

apparent

233

00:08:09,270 --> 00:08:08,800

so yeah it sounds like or seems like

234

00:08:11,589 --> 00:08:09,280

they've

235

00:08:12,469 --> 00:08:11,599

had a little bit of a temporary victory

236

00:08:14,070 --> 00:08:12,479

but you know

237

00:08:16,230 --> 00:08:14,080

we're really in the driver's seat we've

238

00:08:19,029 --> 00:08:16,240

never not been in a driver's seat

239

00:08:22,230 --> 00:08:19,039

and that realization is i think hitting

240

00:08:24,710 --> 00:08:22,240

home with a lot of people right now

241

00:08:26,869 --> 00:08:24,720

well said and i do appreciate the

242

00:08:29,189 --> 00:08:26,879

positivity i think you're making

243

00:08:30,469 --> 00:08:29,199

some great points and when it comes to

244

00:08:32,310 --> 00:08:30,479

the history

245

00:08:33,829 --> 00:08:32,320

of how we got so backwards i've heard

246

00:08:37,350 --> 00:08:33,839

you mention that

247

00:08:38,550 --> 00:08:37,360

the background of the ama is a big part

248

00:08:40,230 --> 00:08:38,560

of the story and

249

00:08:42,070 --> 00:08:40,240

i did want to at least touch on that

250

00:08:44,630 --> 00:08:42,080

because it's a lot more

251
00:08:45,750 --> 00:08:44,640
ruthless than people might expect it

252
00:08:49,190 --> 00:08:45,760
isn't just some

253
00:08:50,150 --> 00:08:49,200
high brow academic organization forming

254
00:08:52,150 --> 00:08:50,160
to oversee

255
00:08:53,430 --> 00:08:52,160
and consolidate medical science under

256
00:08:56,470 --> 00:08:53,440
one big umbrella

257
00:08:59,430 --> 00:08:56,480
it was more like divide and conquer

258
00:08:59,990 --> 00:08:59,440
i would say would you agree with that

259
00:09:03,030 --> 00:09:00,000
yeah

260
00:09:04,710 --> 00:09:03,040
absolutely and you know i had a

261
00:09:06,310 --> 00:09:04,720
conventional background you know i just

262
00:09:06,949 --> 00:09:06,320
played sports went through all my

263
00:09:08,790 --> 00:09:06,959

studies

264

00:09:10,550 --> 00:09:08,800

graduate school and my first

265

00:09:11,110 --> 00:09:10,560

certification was in conventional

266

00:09:13,509 --> 00:09:11,120

medicine

267

00:09:14,389 --> 00:09:13,519

and i was as clueless as anybody else

268

00:09:16,070 --> 00:09:14,399

but one thing

269

00:09:18,310 --> 00:09:16,080

i think maybe i brought to the table

270

00:09:19,670 --> 00:09:18,320

that's a little different is i did grow

271

00:09:21,430 --> 00:09:19,680

up in a bit of a different

272

00:09:22,949 --> 00:09:21,440

cultural background you know my

273

00:09:25,110 --> 00:09:22,959

grandparents were from different

274

00:09:27,990 --> 00:09:25,120

countries different languages

275

00:09:29,590 --> 00:09:28,000

they lived on the land i grew up helping

276

00:09:31,670 --> 00:09:29,600

mom and dad in the garden and the

277

00:09:32,870 --> 00:09:31,680

orchards you know my cousins were dairy

278

00:09:35,430 --> 00:09:32,880

ranchers

279

00:09:36,870 --> 00:09:35,440

and i had a whole different practical

280

00:09:39,269 --> 00:09:36,880

side of myself

281

00:09:40,150 --> 00:09:39,279

we're self-doers because we had to be

282

00:09:42,389 --> 00:09:40,160

and also

283

00:09:43,750 --> 00:09:42,399

sports is a very grounded practical

284

00:09:44,710 --> 00:09:43,760

endeavor and i played at a pretty high

285

00:09:46,870 --> 00:09:44,720

level

286

00:09:48,470 --> 00:09:46,880

and when you're engaged in those

287

00:09:52,150 --> 00:09:48,480

activities you just want to know

288

00:09:53,590 --> 00:09:52,160

what works and i saw the efficacy of

289

00:09:55,269 --> 00:09:53,600

you know when i was in the conventional

290

00:09:57,269 --> 00:09:55,279

side because i was working more on

291

00:09:59,430 --> 00:09:57,279

emergency services but beyond that i

292

00:10:01,670 --> 00:09:59,440

really wasn't finding the answers

293

00:10:03,990 --> 00:10:01,680

that i was seeking as far as how does

294

00:10:05,590 --> 00:10:04,000

the body work and how can humans reach

295

00:10:08,150 --> 00:10:05,600

your higher potential

296

00:10:10,710 --> 00:10:08,160

which led me into you know my what we'd

297

00:10:12,870 --> 00:10:10,720

say are my alternative training

298

00:10:14,949 --> 00:10:12,880

and in naturopathic college i got my

299

00:10:17,110 --> 00:10:14,959

first eye opening because

300

00:10:17,990 --> 00:10:17,120

we had to first semester take a survey

301
00:10:21,350 --> 00:10:18,000
course on the history

302
00:10:21,910 --> 00:10:21,360
of naturopathy and what i found out was

303
00:10:24,870 --> 00:10:21,920
that

304
00:10:25,190 --> 00:10:24,880
natureopathy was actually the business

305
00:10:28,310 --> 00:10:25,200
of

306
00:10:30,069 --> 00:10:28,320
the day back in the 1900s naturopathic

307
00:10:32,310 --> 00:10:30,079
physicians were really considered

308
00:10:33,670 --> 00:10:32,320
the prominent physicians is who

309
00:10:35,670 --> 00:10:33,680
everybody went to

310
00:10:37,910 --> 00:10:35,680
and these young upstarts that were

311
00:10:40,710 --> 00:10:37,920
peddling literal snake oil

312
00:10:41,350 --> 00:10:40,720
were the precursors of the ama they were

313
00:10:44,069 --> 00:10:41,360

very much

314

00:10:44,470 --> 00:10:44,079

shunned and rejected by the population

315

00:10:47,509 --> 00:10:44,480

so

316

00:10:50,069 --> 00:10:47,519

be helpful if americans knew that nature

317

00:10:51,509 --> 00:10:50,079

paths were the primary physicians at one

318

00:10:53,509 --> 00:10:51,519

time in this country

319

00:10:55,030 --> 00:10:53,519

and the way that the conventional system

320

00:10:58,550 --> 00:10:55,040

as we think of it today got

321

00:10:59,350 --> 00:10:58,560

hold is just through amazingly ruthless

322

00:11:02,550 --> 00:10:59,360

tactics

323

00:11:05,269 --> 00:11:02,560

we used to have friday meetings you know

324

00:11:05,990 --> 00:11:05,279

in naturopathic college in our main hall

325

00:11:08,949 --> 00:11:06,000

there

326

00:11:11,030 --> 00:11:08,959

and we'd always have guest speakers and

327

00:11:13,269 --> 00:11:11,040

i used to sit next to this guy who is in

328

00:11:14,069 --> 00:11:13,279

his 90s he was a naturopath who lived

329

00:11:15,829 --> 00:11:14,079

through those times

330

00:11:17,430 --> 00:11:15,839

we got to be friends he told me all

331

00:11:20,790 --> 00:11:17,440

sorts of stories about

332

00:11:22,710 --> 00:11:20,800

how he was routinely sent to jail how

333

00:11:24,870 --> 00:11:22,720

people like him were you know their

334

00:11:26,069 --> 00:11:24,880

families were persecuted their houses

335

00:11:28,630 --> 00:11:26,079

were burnt down

336

00:11:29,350 --> 00:11:28,640

in my survey course i found out that

337

00:11:31,190 --> 00:11:29,360

there was

338

00:11:33,110 --> 00:11:31,200

natural healing libraries like in

339

00:11:35,350 --> 00:11:33,120

philadelphia four stories high that were

340

00:11:37,509 --> 00:11:35,360

burnt to the ground and destroyed

341

00:11:39,590 --> 00:11:37,519

and you know it was just really a

342

00:11:40,949 --> 00:11:39,600

takeover by force and then finally what

343

00:11:43,509 --> 00:11:40,959

they did by

344

00:11:46,389 --> 00:11:43,519

compromising our government which was

345

00:11:47,990 --> 00:11:46,399

long compromised since about 1871 this

346

00:11:51,590 --> 00:11:48,000

year probably where

347

00:11:53,590 --> 00:11:51,600

they de-legislated the whole

348

00:11:55,430 --> 00:11:53,600

certification and licensing

349

00:11:56,870 --> 00:11:55,440

possibilities for nature passed in the

350

00:11:57,910 --> 00:11:56,880

first place so even if you wanted to be

351
00:11:59,990 --> 00:11:57,920
a naturopath

352
00:12:02,790 --> 00:12:00,000
you couldn't there was no license for it

353
00:12:04,150 --> 00:12:02,800
i found that out in the 70s

354
00:12:06,389 --> 00:12:04,160
which is why i actually went to

355
00:12:08,310 --> 00:12:06,399
chiropractic college at the end

356
00:12:10,150 --> 00:12:08,320
because in the state of california where

357
00:12:12,150 --> 00:12:10,160
i lived at that time they didn't

358
00:12:14,550 --> 00:12:12,160
license nature pass so i was still

359
00:12:16,230 --> 00:12:14,560
looking for a license back in those days

360
00:12:19,670 --> 00:12:16,240
to open up a private practice in

361
00:12:21,670 --> 00:12:19,680
chiropractic serve the purpose so that's

362
00:12:23,430 --> 00:12:21,680
eventually what led me to chiropractic

363
00:12:25,590 --> 00:12:23,440

college but i'm glad i did because i

364

00:12:28,389 --> 00:12:25,600

learned a lot of good skills too there

365

00:12:30,150 --> 00:12:28,399

so that was my eye opener and it just

366

00:12:32,230 --> 00:12:30,160

kept getting better over the years and

367

00:12:33,670 --> 00:12:32,240

i've got a lot of stories along that

368

00:12:35,110 --> 00:12:33,680

line i can share that

369

00:12:37,430 --> 00:12:35,120

you know where i've seen a lot of my

370

00:12:39,910 --> 00:12:37,440

comrades you know bite the dust and

371

00:12:41,590 --> 00:12:39,920

you know really be targeted just for

372

00:12:43,430 --> 00:12:41,600

practicing real medicine

373

00:12:45,110 --> 00:12:43,440

so that's how they've done it and how

374

00:12:48,389 --> 00:12:45,120

they continue to do it

375

00:12:51,350 --> 00:12:48,399

today by brute force yes

376

00:12:52,389 --> 00:12:51,360

we have seen the brute force template

377

00:12:54,550 --> 00:12:52,399

applied

378

00:12:56,230 --> 00:12:54,560

quite a bit in many different stories

379

00:12:57,030 --> 00:12:56,240

over time and that's a lot of great

380

00:13:01,509 --> 00:12:57,040

context

381

00:13:03,430 --> 00:13:01,519

and background as to why the natural way

382

00:13:04,790 --> 00:13:03,440

is a little bit on the more margins of

383

00:13:08,710 --> 00:13:04,800

society today

384

00:13:10,629 --> 00:13:08,720

and it seems like they won a long battle

385

00:13:11,509 --> 00:13:10,639

but definitely not the war do you think

386

00:13:14,389 --> 00:13:11,519

we're seeing

387

00:13:16,389 --> 00:13:14,399

or have already seen peak rockefeller

388

00:13:20,230 --> 00:13:16,399

medicine

389

00:13:21,670 --> 00:13:20,240

i believe it has peaked in its on the

390

00:13:25,509 --> 00:13:21,680

downside

391

00:13:26,069 --> 00:13:25,519

because as life expectancies decline as

392

00:13:28,949 --> 00:13:26,079

they are

393

00:13:30,670 --> 00:13:28,959

plummeting right now as people are

394

00:13:32,710 --> 00:13:30,680

finding out that

395

00:13:33,670 --> 00:13:32,720

pharmaceuticals and conventional

396

00:13:35,829 --> 00:13:33,680

practices

397

00:13:37,269 --> 00:13:35,839

you know shock and all medicine as i

398

00:13:39,990 --> 00:13:37,279

like to refer to it

399

00:13:41,910 --> 00:13:40,000

really doesn't work you know people are

400

00:13:45,030 --> 00:13:41,920

just more and more seeking

401
00:13:47,829 --> 00:13:45,040
different solutions and again

402
00:13:48,470 --> 00:13:47,839
the only thing that the conventional

403
00:13:50,230 --> 00:13:48,480
size

404
00:13:52,870 --> 00:13:50,240
has left because they have really

405
00:13:55,590 --> 00:13:52,880
nothing left to offer that's helpful

406
00:13:57,670 --> 00:13:55,600
is just indoctrination and the

407
00:13:59,430 --> 00:13:57,680
propaganda machine behind them

408
00:14:01,110 --> 00:13:59,440
and if it wasn't for that they would

409
00:14:03,030 --> 00:14:01,120
have been gone a long time ago in fact

410
00:14:04,069 --> 00:14:03,040
they never would have got started in the

411
00:14:05,269 --> 00:14:04,079
first place

412
00:14:08,550 --> 00:14:05,279
the other thing that's happening

413
00:14:12,150 --> 00:14:08,560

simultaneously is a lot of

414

00:14:13,990 --> 00:14:12,160

modalities and real science is again

415

00:14:16,870 --> 00:14:14,000

resurfacing things that were on the

416

00:14:19,430 --> 00:14:16,880

planet for thousands of years

417

00:14:20,230 --> 00:14:19,440

and the one thing that has been

418

00:14:21,910 --> 00:14:20,240

contributed

419

00:14:23,269 --> 00:14:21,920

we'll say by more contemporaneous

420

00:14:24,910 --> 00:14:23,279

western science

421

00:14:26,629 --> 00:14:24,920

you know some of our different

422

00:14:29,750 --> 00:14:26,639

technologies if they're

423

00:14:30,949 --> 00:14:29,760

used properly in context they can

424

00:14:33,110 --> 00:14:30,959

actually be used to

425

00:14:34,470 --> 00:14:33,120

verify what people have always known in

426

00:14:37,829 --> 00:14:34,480

those other cultures

427

00:14:40,150 --> 00:14:37,839

and also actually improve upon them

428

00:14:42,150 --> 00:14:40,160

and then integrate it in a way that's

429

00:14:42,949 --> 00:14:42,160

more meaningful for the populations

430

00:14:44,790 --> 00:14:42,959

today

431

00:14:46,949 --> 00:14:44,800

and you know i'm engaged and have been

432

00:14:48,629 --> 00:14:46,959

engaged for quite a long time and a lot

433

00:14:50,949 --> 00:14:48,639

of those technologies

434

00:14:51,990 --> 00:14:50,959

so as the truth surfaces and their

435

00:14:55,509 --> 00:14:52,000

facade

436

00:14:57,350 --> 00:14:55,519

fades and they have nothing to offer

437

00:14:58,870 --> 00:14:57,360

except for things that are extremely

438

00:15:01,189 --> 00:14:58,880

harmful and

439

00:15:02,790 --> 00:15:01,199

becoming more and more apparent even to

440

00:15:04,230 --> 00:15:02,800

some of the most asleep people in our

441

00:15:07,269 --> 00:15:04,240

population

442

00:15:07,990 --> 00:15:07,279

they've already experienced their demise

443

00:15:12,230 --> 00:15:08,000

as far as

444

00:15:12,710 --> 00:15:12,240

i'm concerned i like it that has to make

445

00:15:14,310 --> 00:15:12,720

people

446

00:15:16,310 --> 00:15:14,320

a little bit hopeful given everything

447

00:15:17,750 --> 00:15:16,320

we've seen in the last year and a half

448

00:15:19,750 --> 00:15:17,760

and i'm very interested in those

449

00:15:21,910 --> 00:15:19,760

technologies that can verify

450

00:15:23,910 --> 00:15:21,920

and prove these ideas but let's talk a

451
00:15:25,509 --> 00:15:23,920
little more about the ideas themselves

452
00:15:27,750 --> 00:15:25,519
because in previous interviews

453
00:15:29,829 --> 00:15:27,760
i've heard you mention several of the

454
00:15:31,749 --> 00:15:29,839
names i respect most when it comes to

455
00:15:32,790 --> 00:15:31,759
this sort of stuff guys like steiner and

456
00:15:34,949 --> 00:15:32,800
shawburger

457
00:15:37,189 --> 00:15:34,959
but i've also heard you say that what

458
00:15:38,470 --> 00:15:37,199
really connected all the dots and tied

459
00:15:41,189 --> 00:15:38,480
everything together

460
00:15:43,189 --> 00:15:41,199
was finding waveform mechanics and the

461
00:15:45,350 --> 00:15:43,199
work of walter russell

462
00:15:47,030 --> 00:15:45,360
which is pretty new to me but tell us a

463
00:15:49,110 --> 00:15:47,040

bit about his work and

464

00:15:50,389 --> 00:15:49,120

what you found so interesting and unique

465

00:15:53,509 --> 00:15:50,399

about it

466

00:15:56,150 --> 00:15:53,519

yeah walter russell is unique

467

00:15:57,509 --> 00:15:56,160

in uh you know many luminaries you know

468

00:16:00,230 --> 00:15:57,519

that i've studied and

469

00:16:01,430 --> 00:16:00,240

have mentored me in my studies but

470

00:16:04,470 --> 00:16:01,440

walter russell

471

00:16:06,949 --> 00:16:04,480

is unique in that he has deciphered all

472

00:16:08,710 --> 00:16:06,959

of the old ways you know things that

473

00:16:10,870 --> 00:16:08,720

other greats have talked about and

474

00:16:12,629 --> 00:16:10,880

taught for thousands of years

475

00:16:15,670 --> 00:16:12,639

you know starting all the way back with

476

00:16:18,069 --> 00:16:15,680

the pythagoreans and beyond them and

477

00:16:19,590 --> 00:16:18,079

more contemporaneously with people like

478

00:16:21,590 --> 00:16:19,600

rudolph steiner

479

00:16:24,310 --> 00:16:21,600

and i just had sort of an intuitive

480

00:16:26,069 --> 00:16:24,320

sense of a lot about those people and

481

00:16:28,470 --> 00:16:26,079

just studied them on my own

482

00:16:29,509 --> 00:16:28,480

but when i found walter russell he

483

00:16:32,310 --> 00:16:29,519

actually

484

00:16:33,189 --> 00:16:32,320

broke down the mechanics of it to

485

00:16:36,069 --> 00:16:33,199

explain

486

00:16:38,069 --> 00:16:36,079

let's just say to my left brain how

487

00:16:39,509 --> 00:16:38,079

those things were actually possible so i

488

00:16:41,350 --> 00:16:39,519

no longer had to be

489

00:16:43,110 --> 00:16:41,360

you know conflicted between my heart and

490

00:16:44,710 --> 00:16:43,120

mind you know where my heart's saying oh

491

00:16:46,710 --> 00:16:44,720

this stuff is right on

492

00:16:48,069 --> 00:16:46,720

and then my mind quibbling because i'm

493

00:16:50,790 --> 00:16:48,079

trying to figure things out

494

00:16:52,069 --> 00:16:50,800

more in a linear mindset that you know

495

00:16:53,829 --> 00:16:52,079

we've all been trained in in our

496

00:16:55,829 --> 00:16:53,839

conventional studies and just life in

497

00:16:58,310 --> 00:16:55,839

general in western cultures

498

00:17:00,150 --> 00:16:58,320

so i think that the biggest thing for me

499

00:17:02,710 --> 00:17:00,160

is walter russell by

500

00:17:04,710 --> 00:17:02,720

just laying out the mechanics we just

501
00:17:07,270 --> 00:17:04,720
loosely call waveform mechanics

502
00:17:08,630 --> 00:17:07,280
it explains how those primal forces that

503
00:17:11,510 --> 00:17:08,640
actually originate from

504
00:17:12,630 --> 00:17:11,520
our thoughts create every facet of our

505
00:17:14,870 --> 00:17:12,640
reality

506
00:17:17,669 --> 00:17:14,880
and it also explains how the larger

507
00:17:19,750 --> 00:17:17,679
canvas created by our creator

508
00:17:21,909 --> 00:17:19,760
came to being in the first place and how

509
00:17:22,789 --> 00:17:21,919
we all get to play on that canvas

510
00:17:25,029 --> 00:17:22,799
together

511
00:17:26,870 --> 00:17:25,039
so for me it was a great reconciliation

512
00:17:29,270 --> 00:17:26,880
between the heart and the mind

513
00:17:30,630 --> 00:17:29,280

so that i could regulate my left brain

514

00:17:33,270 --> 00:17:30,640

to what it's useful for

515

00:17:35,510 --> 00:17:33,280

and then have it shut up when it was no

516

00:17:36,710 --> 00:17:35,520

longer useful so that i could use my

517

00:17:38,470 --> 00:17:36,720

whole brain

518

00:17:40,710 --> 00:17:38,480

you know rather than just being in

519

00:17:42,870 --> 00:17:40,720

conflict and a lot of our so-called

520

00:17:45,669 --> 00:17:42,880

scientists these days have just been

521

00:17:46,390 --> 00:17:45,679

taught one half the equation they have a

522

00:17:48,150 --> 00:17:46,400

hard time

523

00:17:49,590 --> 00:17:48,160

accepting some of these new concepts

524

00:17:52,390 --> 00:17:49,600

because they've never

525

00:17:53,909 --> 00:17:52,400

had it explained in a way and laid out

526

00:17:56,150 --> 00:17:53,919

so that the left brain

527

00:17:58,710 --> 00:17:56,160

could really analyze it and say oh that

528

00:18:01,990 --> 00:17:58,720

really makes sense

529

00:18:04,789 --> 00:18:02,000

um yes i like that a lot because

530

00:18:06,710 --> 00:18:04,799

that struggle that you're expressing

531

00:18:08,070 --> 00:18:06,720

between the mind and the heart or the

532

00:18:10,070 --> 00:18:08,080

left and the right brain

533

00:18:11,270 --> 00:18:10,080

i definitely have it and it comes up

534

00:18:14,310 --> 00:18:11,280

here a lot

535

00:18:16,470 --> 00:18:14,320

and so what more can you say about the

536

00:18:17,750 --> 00:18:16,480

technologies that really helped you get

537

00:18:20,950 --> 00:18:17,760

over that the

538

00:18:22,070 --> 00:18:20,960

technologies the tools you use to verify

539

00:18:24,710 --> 00:18:22,080

and prove

540

00:18:27,110 --> 00:18:24,720

the underlying ideas of waveform

541

00:18:30,710 --> 00:18:27,120

mechanics or this idea that everything

542

00:18:32,950 --> 00:18:30,720

does permeate from thought to

543

00:18:33,909 --> 00:18:32,960

physical reality that consciousness is

544

00:18:36,150 --> 00:18:33,919

primary

545

00:18:37,510 --> 00:18:36,160

these things that are all in the kind of

546

00:18:40,710 --> 00:18:37,520

alternative paradigm

547

00:18:41,669 --> 00:18:40,720

soup that we hear about so often how are

548

00:18:44,630 --> 00:18:41,679

you able to

549

00:18:45,669 --> 00:18:44,640

kind of rectify the the two sides of

550

00:18:47,909 --> 00:18:45,679

your brain

551
00:18:49,190 --> 00:18:47,919
using some of the tools that people

552
00:18:52,390 --> 00:18:49,200
might not be aware

553
00:18:55,830 --> 00:18:52,400
exist you know greg it's

554
00:18:57,669 --> 00:18:55,840
really a process it's a personal process

555
00:18:58,870 --> 00:18:57,679
and in a way you could actually think of

556
00:19:02,070 --> 00:18:58,880
it as a spiritual

557
00:19:05,029 --> 00:19:02,080
journey and like most people

558
00:19:06,390 --> 00:19:05,039
i had to really digest one baby step at

559
00:19:10,230 --> 00:19:06,400
a time

560
00:19:12,549 --> 00:19:10,240
and my first foray into

561
00:19:13,350 --> 00:19:12,559
what we call naturopathic medicine you

562
00:19:15,750 --> 00:19:13,360
know i was

563
00:19:18,470 --> 00:19:15,760

traveling in circles the early pioneers

564

00:19:21,750 --> 00:19:18,480

of what we call clinical kinesiology and

565

00:19:23,110 --> 00:19:21,760

with that where german doctors and

566

00:19:25,590 --> 00:19:23,120

doctors from france

567

00:19:27,750 --> 00:19:25,600

it were the last remnants of that

568

00:19:28,230 --> 00:19:27,760

original bio-terrain medicine we'll call

569

00:19:31,990 --> 00:19:28,240

it

570

00:19:34,230 --> 00:19:32,000

because they knew we were making

571

00:19:35,430 --> 00:19:34,240

inroads into neurology in a whole

572

00:19:37,750 --> 00:19:35,440

different way

573

00:19:39,590 --> 00:19:37,760

and in the process they introduced us to

574

00:19:41,669 --> 00:19:39,600

traditional biotrain medicine

575

00:19:43,029 --> 00:19:41,679

and biotrain medicine if your audience

576

00:19:46,070 --> 00:19:43,039

isn't familiar with it

577

00:19:48,310 --> 00:19:46,080

can simply be summarized as you treat

578

00:19:49,669 --> 00:19:48,320

the ecology of the body rather than

579

00:19:51,430 --> 00:19:49,679

disease in fact

580

00:19:53,990 --> 00:19:51,440

we understand that there's really no

581

00:19:55,590 --> 00:19:54,000

such thing as disease or pathogens

582

00:19:57,029 --> 00:19:55,600

and that the whole germ theory of

583

00:19:59,590 --> 00:19:57,039

disease was

584

00:20:00,950 --> 00:19:59,600

fostered by you know louis pasteur who

585

00:20:04,070 --> 00:20:00,960

plagiarized

586

00:20:05,909 --> 00:20:04,080

work of like antoine bouchamp and people

587

00:20:07,510 --> 00:20:05,919

that really knew the truth and of course

588

00:20:09,990 --> 00:20:07,520

he was a cut out like a dr

589

00:20:11,830 --> 00:20:10,000

fauci type character of the day that was

590

00:20:13,830 --> 00:20:11,840

a cut out for the powers that be that

591

00:20:14,789 --> 00:20:13,840

emanate back from the old royal society

592

00:20:18,230 --> 00:20:14,799

so

593

00:20:20,390 --> 00:20:18,240

long story short i found first

594

00:20:21,909 --> 00:20:20,400

hand by treating thousands of people

595

00:20:22,390 --> 00:20:21,919

that what they're saying was actually

596

00:20:26,149 --> 00:20:22,400

true

597

00:20:28,870 --> 00:20:26,159

when i changed my focus from disease and

598

00:20:30,950 --> 00:20:28,880

even in naturopathic circles i think

599

00:20:33,029 --> 00:20:30,960

we've become way too allopathic

600

00:20:33,990 --> 00:20:33,039

where we're maybe using non-toxic

601
00:20:36,310 --> 00:20:34,000
mediums

602
00:20:37,430 --> 00:20:36,320
and more gentle intelligent ways of

603
00:20:40,549 --> 00:20:37,440
treating people

604
00:20:42,630 --> 00:20:40,559
we're still making war in a more gentle

605
00:20:44,630 --> 00:20:42,640
way on the body rather than understand

606
00:20:45,990 --> 00:20:44,640
the body is a self-maintaining

607
00:20:49,110 --> 00:20:46,000
self-correcting

608
00:20:51,430 --> 00:20:49,120
organism so by treating that way for

609
00:20:53,590 --> 00:20:51,440
many years i found that while there's

610
00:20:55,350 --> 00:20:53,600
a design in here all you have to do is

611
00:20:57,350 --> 00:20:55,360
understand how to work with it

612
00:20:58,870 --> 00:20:57,360
and the microbes and all these things

613
00:21:01,029 --> 00:20:58,880

that conventional medicine

614

00:21:01,990 --> 00:21:01,039

taught us where the bad guys actually

615

00:21:04,390 --> 00:21:02,000

weren't in fact

616

00:21:06,310 --> 00:21:04,400

they were actually benign and beneficial

617

00:21:09,190 --> 00:21:06,320

actors in the process

618

00:21:10,630 --> 00:21:09,200

so now with that experience you know i

619

00:21:12,950 --> 00:21:10,640

came to realize that wow

620

00:21:13,830 --> 00:21:12,960

what i learned along the way wasn't

621

00:21:16,789 --> 00:21:13,840

necessarily

622

00:21:18,630 --> 00:21:16,799

true and you know your paradigm your

623

00:21:21,110 --> 00:21:18,640

conventional paradigm through that kind

624

00:21:23,830 --> 00:21:21,120

of experience starts breaking down

625

00:21:25,830 --> 00:21:23,840

step by step and like i said i had

626
00:21:27,830 --> 00:21:25,840
another part of myself that was engaged

627
00:21:30,149 --> 00:21:27,840
in metaphysical studies

628
00:21:32,950 --> 00:21:30,159
and you know that was another part of

629
00:21:35,669 --> 00:21:32,960
the process where i could now apply

630
00:21:37,590 --> 00:21:35,679
different technologies you know we would

631
00:21:39,430 --> 00:21:37,600
equate to maybe frequency medicine you

632
00:21:42,630 --> 00:21:39,440
know with rife technologies

633
00:21:44,710 --> 00:21:42,640
with sound and light technologies with

634
00:21:46,549 --> 00:21:44,720
asian medicine you know acupuncture

635
00:21:47,110 --> 00:21:46,559
which i've been engaged with forever and

636
00:21:49,750 --> 00:21:47,120
then

637
00:21:51,430 --> 00:21:49,760
applying acoustic modalities you know

638
00:21:52,789 --> 00:21:51,440

with acupuncture and you know it just

639

00:21:55,029 --> 00:21:52,799

became apparent that

640

00:21:56,070 --> 00:21:55,039

the whole ball game the way the body

641

00:21:58,310 --> 00:21:56,080

works and the way

642

00:21:59,590 --> 00:21:58,320

everything outside us works is by

643

00:22:03,430 --> 00:21:59,600

resonance

644

00:22:05,830 --> 00:22:03,440

and so step by step it finally

645

00:22:07,510 --> 00:22:05,840

helped me understand exactly what

646

00:22:09,029 --> 00:22:07,520

steiner and schauberger and some of

647

00:22:11,029 --> 00:22:09,039

these people you mentioned

648

00:22:13,270 --> 00:22:11,039

knew all along and especially what

649

00:22:15,190 --> 00:22:13,280

people way back at the beginning

650

00:22:17,270 --> 00:22:15,200

five thousand years ago in oriental

651
00:22:17,990 --> 00:22:17,280
medicine you know when you start reading

652
00:22:19,750 --> 00:22:18,000
the old

653
00:22:21,190 --> 00:22:19,760
like sean hon loon you know like the

654
00:22:22,230 --> 00:22:21,200
bible of chinese medicine they're

655
00:22:24,310 --> 00:22:22,240
talking about

656
00:22:25,270 --> 00:22:24,320
five element metaphors and things you

657
00:22:27,029 --> 00:22:25,280
know and they teach in

658
00:22:29,190 --> 00:22:27,039
cultural metaphors that were appropriate

659
00:22:30,549 --> 00:22:29,200
for them and here we are in our western

660
00:22:32,149 --> 00:22:30,559
culture of mind

661
00:22:33,510 --> 00:22:32,159
trying to decipher that and make sense

662
00:22:35,270 --> 00:22:33,520
out of us but then i realized wow the

663
00:22:37,029 --> 00:22:35,280

five elements they're talking

664

00:22:40,070 --> 00:22:37,039

actually about frequencies about

665

00:22:42,230 --> 00:22:40,080

keynotes and so all the pieces just

666

00:22:44,710 --> 00:22:42,240

gradually fit together and then like i

667

00:22:47,510 --> 00:22:44,720

said it finally led me to walter russell

668

00:22:48,950 --> 00:22:47,520

and waveform mechanics that just made

669

00:22:51,909 --> 00:22:48,960

sense out of the whole thing

670

00:22:53,669 --> 00:22:51,919

and created a cohesive whole and now

671

00:22:56,630 --> 00:22:53,679

since then there's many

672

00:22:58,630 --> 00:22:56,640

new modalities that have surfaced on the

673

00:23:01,430 --> 00:22:58,640

planet that i'm engaged in that

674

00:23:02,149 --> 00:23:01,440

allow you to directly work with those

675

00:23:05,190 --> 00:23:02,159

forces

676
00:23:07,270 --> 00:23:05,200
upstream so that i'm even less engaged

677
00:23:08,950 --> 00:23:07,280
these days in looking at things under

678
00:23:11,190 --> 00:23:08,960
the microscopes i used to

679
00:23:13,190 --> 00:23:11,200
and we're just working primarily with

680
00:23:15,190 --> 00:23:13,200
those waveforms like in fields of

681
00:23:18,549 --> 00:23:15,200
biogeometry radiocasia

682
00:23:20,870 --> 00:23:18,559
where you're literally bending waveforms

683
00:23:23,750 --> 00:23:20,880
that are putting those primal forces

684
00:23:28,310 --> 00:23:23,760
that are putting those biological events

685
00:23:35,830 --> 00:23:31,750
yes and the mechanics of of how

686
00:23:38,310 --> 00:23:35,840
thoughts work that walter russell really

687
00:23:39,270 --> 00:23:38,320
introduced you to in a way that was you

688
00:23:41,590 --> 00:23:39,280

know paradigm

689

00:23:44,230 --> 00:23:41,600

shifting from your previous interviews

690

00:23:46,470 --> 00:23:44,240

it seems like some of the details there

691

00:23:47,909 --> 00:23:46,480

are that he would say there's only one

692

00:23:50,630 --> 00:23:47,919

substance in the universe

693

00:23:51,909 --> 00:23:50,640

pure consciousness there are nine

694

00:23:55,029 --> 00:23:51,919

octaves and

695

00:23:58,470 --> 00:23:55,039

seven tonal fields within each one that

696

00:24:01,190 --> 00:23:58,480

kind of make up reality that thoughts

697

00:24:03,350 --> 00:24:01,200

create an electrical vector that

698

00:24:04,549 --> 00:24:03,360

polarizes and branches off in two

699

00:24:06,870 --> 00:24:04,559

directions

700

00:24:08,230 --> 00:24:06,880

and that causes a kind of vibration like

701
00:24:11,430 --> 00:24:08,240
a guitar string

702
00:24:11,830 --> 00:24:11,440
and that polarization is what we pick up

703
00:24:15,029 --> 00:24:11,840
on

704
00:24:17,110 --> 00:24:15,039
as physical reality and

705
00:24:19,269 --> 00:24:17,120
that seems to be kind of the gist my

706
00:24:21,350 --> 00:24:19,279
layman's early understanding of of what

707
00:24:21,830 --> 00:24:21,360
i've heard you explain in great detail

708
00:24:23,350 --> 00:24:21,840
but

709
00:24:25,029 --> 00:24:23,360
can you elaborate on some of that is

710
00:24:29,190 --> 00:24:25,039
that the gist of uh

711
00:24:31,269 --> 00:24:29,200
walter russell's waveform mechanics 101

712
00:24:33,190 --> 00:24:31,279
yeah and that's a fantastic summary i

713
00:24:35,909 --> 00:24:33,200

can tell you've done your homework there

714

00:24:38,070 --> 00:24:35,919

and if our so-called scientists these

715

00:24:40,070 --> 00:24:38,080

days could just grasp what you just said

716

00:24:42,070 --> 00:24:40,080

we'd be in a whole different reality

717

00:24:43,909 --> 00:24:42,080

you know the thing that we have to

718

00:24:46,310 --> 00:24:43,919

understand also

719

00:24:46,950 --> 00:24:46,320

is that our senses as we think of them

720

00:24:50,789 --> 00:24:46,960

our five

721

00:24:53,190 --> 00:24:50,799

senses are part of that fabrication

722

00:24:55,350 --> 00:24:53,200

you know just if you sit down with an

723

00:24:56,710 --> 00:24:55,360

electronic game you know you have a

724

00:24:57,669 --> 00:24:56,720

little screen there where you can see

725

00:25:00,549 --> 00:24:57,679

your avatar

726
00:25:01,269 --> 00:25:00,559
and you know manipulate the controls and

727
00:25:04,390 --> 00:25:01,279
get

728
00:25:05,909 --> 00:25:04,400
feedback from what's going on in the

729
00:25:09,269 --> 00:25:05,919
game and that's

730
00:25:10,950 --> 00:25:09,279
basically what we're doing here and

731
00:25:12,390 --> 00:25:10,960
when you understand the principle of

732
00:25:15,190 --> 00:25:12,400
resonance and that

733
00:25:16,310 --> 00:25:15,200
thoughts are things that do exactly what

734
00:25:18,470 --> 00:25:16,320
you just said

735
00:25:20,070 --> 00:25:18,480
you know create the resonance by

736
00:25:21,909 --> 00:25:20,080
producing an electrical vector that

737
00:25:23,029 --> 00:25:21,919
polarizes and then creates a resonance

738
00:25:24,710 --> 00:25:23,039

that then are picked up

739

00:25:26,390 --> 00:25:24,720

within the little device within the game

740

00:25:29,029 --> 00:25:26,400

we call our five physical senses

741

00:25:30,070 --> 00:25:29,039

and then it outpictures to us in all

742

00:25:32,070 --> 00:25:30,080

these different ways

743

00:25:33,510 --> 00:25:32,080

gives all the myriad of nuances and

744

00:25:37,029 --> 00:25:33,520

characteristics

745

00:25:38,870 --> 00:25:37,039

that we're familiar with in our external

746

00:25:41,669 --> 00:25:38,880

environment in our lives the events in

747

00:25:44,950 --> 00:25:41,679

our lives in our own bodies

748

00:25:46,390 --> 00:25:44,960

but it's really not a physical thing

749

00:25:47,990 --> 00:25:46,400

and you know i've had a lot of

750

00:25:51,350 --> 00:25:48,000

experience

751

00:25:53,990 --> 00:25:51,360

where you can have somebody

752

00:25:56,710 --> 00:25:54,000

that you know maybe has an issue and

753

00:25:58,789 --> 00:25:56,720

you're working with them in real time

754

00:26:00,390 --> 00:25:58,799

and get to the point where you've built

755

00:26:03,029 --> 00:26:00,400

up momentum

756

00:26:03,510 --> 00:26:03,039

through working with them over a while

757

00:26:06,549 --> 00:26:03,520

and

758

00:26:08,470 --> 00:26:06,559

they're simultaneously undergoing a

759

00:26:11,909 --> 00:26:08,480

consciousness shift in the process

760

00:26:13,990 --> 00:26:11,919

it just naturally occurs and now

761

00:26:15,909 --> 00:26:14,000

you can actually observe real time

762

00:26:18,789 --> 00:26:15,919

changes

763

00:26:19,909 --> 00:26:18,799

on a person's body as you're working on

764

00:26:21,830 --> 00:26:19,919

them for instance

765

00:26:22,950 --> 00:26:21,840

something that just blew my mind a long

766

00:26:24,549 --> 00:26:22,960

time ago

767

00:26:26,070 --> 00:26:24,559

as i was working with somebody with

768

00:26:27,669 --> 00:26:26,080

eczema and you know we went through a

769

00:26:29,830 --> 00:26:27,679

little process with them

770

00:26:30,710 --> 00:26:29,840

and then you know got to the end of the

771

00:26:32,710 --> 00:26:30,720

treatment

772

00:26:35,190 --> 00:26:32,720

sequence that i did with them where i

773

00:26:36,630 --> 00:26:35,200

was doing a particular procedure and you

774

00:26:39,669 --> 00:26:36,640

could literally see the

775

00:26:41,830 --> 00:26:39,679

eczema which was pretty gross just

776

00:26:43,190 --> 00:26:41,840

start to fade right before your eyes and

777

00:26:45,350 --> 00:26:43,200

we're both working there

778

00:26:47,190 --> 00:26:45,360

my jaw dropped open too even though i

779

00:26:47,909 --> 00:26:47,200

had a belief system as far as how it

780

00:26:49,990 --> 00:26:47,919

worked

781

00:26:51,669 --> 00:26:50,000

but you know you start seeing things

782

00:26:54,230 --> 00:26:51,679

like that and you realize well this

783

00:26:57,750 --> 00:26:54,240

physical substance as we think of it

784

00:26:59,909 --> 00:26:57,760

is the most mutable easy thing to change

785

00:27:00,870 --> 00:26:59,919

but the hardest thing to change is our

786

00:27:03,350 --> 00:27:00,880

minds

787

00:27:04,710 --> 00:27:03,360

so if you know how to sequentially get

788

00:27:08,390 --> 00:27:04,720

to that point

789

00:27:08,789 --> 00:27:08,400

you'll see miracles happen right on i

790

00:27:10,789 --> 00:27:08,799

love

791

00:27:13,669 --> 00:27:10,799

stories like that they definitely help

792

00:27:16,549 --> 00:27:13,679

to cement the idea that this

793

00:27:17,830 --> 00:27:16,559

is the way things are supposed to be

794

00:27:20,310 --> 00:27:17,840

with examples like

795

00:27:21,909 --> 00:27:20,320

the eczema one you just gave us and

796

00:27:25,990 --> 00:27:21,919

other things that like you say

797

00:27:28,389 --> 00:27:26,000

sound miraculous and they do it kind of

798

00:27:30,149 --> 00:27:28,399

makes it hard for me to believe that

799

00:27:32,230 --> 00:27:30,159

when there's all these conditions that

800

00:27:34,230 --> 00:27:32,240

people in the conventional system are

801
00:27:37,750 --> 00:27:34,240
just told to live with

802
00:27:40,710 --> 00:27:37,760
based on the results alone of this more

803
00:27:41,190 --> 00:27:40,720
natural pathic medicine how are there

804
00:27:44,310 --> 00:27:41,200
not

805
00:27:47,510 --> 00:27:44,320
lines around the block word of mouth

806
00:27:50,630 --> 00:27:47,520
just lighting the whole field on fire

807
00:27:52,710 --> 00:27:50,640
it's hard to understand how just based

808
00:27:55,669 --> 00:27:52,720
on that we don't have

809
00:27:57,430 --> 00:27:55,679
better results or just a more attention

810
00:28:00,789 --> 00:27:57,440
on this field

811
00:28:03,990 --> 00:28:00,799
um well actually for some of us that

812
00:28:07,269 --> 00:28:04,000
have practiced it that way we are very

813
00:28:08,310 --> 00:28:07,279

busy we always had a two-year wait in to

814

00:28:11,190 --> 00:28:08,320

see us

815

00:28:13,190 --> 00:28:11,200

but what we did do is that we practice

816

00:28:15,750 --> 00:28:13,200

in a private setting

817

00:28:16,389 --> 00:28:15,760

because if we didn't do that we would

818

00:28:19,110 --> 00:28:16,399

quickly

819

00:28:19,590 --> 00:28:19,120

draw the wrath of the powers that be and

820

00:28:21,029 --> 00:28:19,600

and i

821

00:28:22,630 --> 00:28:21,039

saw a lot of people along the way

822

00:28:23,669 --> 00:28:22,640

succumbed to that i was targeted a

823

00:28:26,149 --> 00:28:23,679

couple times

824

00:28:28,149 --> 00:28:26,159

so we necessarily those of us that are

825

00:28:29,590 --> 00:28:28,159

treating people with serious conditions

826

00:28:31,269 --> 00:28:29,600

you know we had people coming from

827

00:28:32,230 --> 00:28:31,279

around the world we had little live-in

828

00:28:34,230 --> 00:28:32,240

units

829

00:28:35,909 --> 00:28:34,240

and you know nice grounds so people

830

00:28:38,549 --> 00:28:35,919

could be in the natural setting

831

00:28:40,230 --> 00:28:38,559

and you know kind of connect with nature

832

00:28:43,269 --> 00:28:40,240

between their visits

833

00:28:46,149 --> 00:28:43,279

and you know we're very popular but

834

00:28:47,830 --> 00:28:46,159

popular within very close channels and

835

00:28:49,590 --> 00:28:47,840

we took great measure

836

00:28:51,350 --> 00:28:49,600

to make sure that we weren't in the

837

00:28:53,590 --> 00:28:51,360

limelight in any way so

838

00:28:55,430 --> 00:28:53,600

it was kind of not just with me but

839

00:28:57,350 --> 00:28:55,440

other people i knew that practice in the

840

00:28:58,470 --> 00:28:57,360

same way you know we're always the best

841

00:29:00,470 --> 00:28:58,480

kept secret

842

00:29:03,110 --> 00:29:00,480

and the people that came to us came as

843

00:29:05,909 --> 00:29:03,120

consenting adults they knew the game

844

00:29:06,470 --> 00:29:05,919

usually they came to us as a last resort

845

00:29:08,630 --> 00:29:06,480

because

846

00:29:09,909 --> 00:29:08,640

you know the system had given up on them

847

00:29:12,789 --> 00:29:09,919

so by the time we

848

00:29:13,669 --> 00:29:12,799

got them we had to spend as much time

849

00:29:16,070 --> 00:29:13,679

treating

850

00:29:17,190 --> 00:29:16,080

the treatment that they had received you

851
00:29:19,590 --> 00:29:17,200
know usually they were

852
00:29:22,230 --> 00:29:19,600
nuked and sliced and diced by the time

853
00:29:25,190 --> 00:29:22,240
they got to us so they're pretty rough

854
00:29:26,389 --> 00:29:25,200
but still they came to us and it was all

855
00:29:29,510 --> 00:29:26,399
word of mouth

856
00:29:31,830 --> 00:29:29,520
and i practiced in a very favorable

857
00:29:33,750 --> 00:29:31,840
situation because you know i was had my

858
00:29:35,830 --> 00:29:33,760
practice in the islands

859
00:29:37,110 --> 00:29:35,840
you know as kind of a nice close little

860
00:29:38,950 --> 00:29:37,120
community so i

861
00:29:40,230 --> 00:29:38,960
treated a lot of the personnel at the

862
00:29:42,789 --> 00:29:40,240
hospital some

863
00:29:44,950 --> 00:29:42,799

chiefs of staff of different departments

864

00:29:45,750 --> 00:29:44,960

so they trusted very much what i was

865

00:29:48,230 --> 00:29:45,760

doing

866

00:29:49,190 --> 00:29:48,240

so i could send my people in you know

867

00:29:51,029 --> 00:29:49,200

when i needed

868

00:29:52,310 --> 00:29:51,039

certain types of tests that i couldn't

869

00:29:54,870 --> 00:29:52,320

do in-house

870

00:29:56,470 --> 00:29:54,880

and then they'd say okay go back to dr

871

00:29:59,029 --> 00:29:56,480

barry you're in good hands

872

00:30:01,669 --> 00:29:59,039

and so i got to experience the best of

873

00:30:03,830 --> 00:30:01,679

both worlds and what i like to think of

874

00:30:06,070 --> 00:30:03,840

as integrative medicine and that's

875

00:30:09,269 --> 00:30:06,080

really the way i'd like to see things go

876

00:30:10,950 --> 00:30:09,279

because western medicine facilities do

877

00:30:13,830 --> 00:30:10,960

have things to offer

878

00:30:14,870 --> 00:30:13,840

and if they had a proper context to put

879

00:30:16,630 --> 00:30:14,880

their

880

00:30:17,990 --> 00:30:16,640

modalities and personnel and

881

00:30:20,950 --> 00:30:18,000

technologies

882

00:30:22,789 --> 00:30:20,960

to use it would only be favorable to

883

00:30:26,389 --> 00:30:22,799

people that need help

884

00:30:29,269 --> 00:30:26,399

so yeah a lot of people find their way

885

00:30:31,110 --> 00:30:29,279

word of mouth and that's growing day by

886

00:30:32,710 --> 00:30:31,120

day and it's really hit the mainstream

887

00:30:33,830 --> 00:30:32,720

you know i've been retired for a number

888

00:30:36,389 --> 00:30:33,840

of years

889

00:30:37,830 --> 00:30:36,399

and i see a lot of the things that we

890

00:30:39,750 --> 00:30:37,840

used to talk about with our clients

891

00:30:41,110 --> 00:30:39,760

behind closed doors that are just now

892

00:30:44,710 --> 00:30:41,120

common knowledge

893

00:30:47,029 --> 00:30:44,720

so it is shifting but the people that

894

00:30:49,669 --> 00:30:47,039

are still in the conventional system

895

00:30:51,269 --> 00:30:49,679

are kept there by fear because they will

896

00:30:53,750 --> 00:30:51,279

be blackballed they'll be

897

00:30:54,789 --> 00:30:53,760

ridiculed i've experienced that in the

898

00:30:57,190 --> 00:30:54,799

past

899

00:30:59,430 --> 00:30:57,200

they'll lose lucrative careers and then

900

00:31:01,430 --> 00:30:59,440

of course their controllers who count on

901
00:31:03,509 --> 00:31:01,440
these physicians and practitioners to be

902
00:31:07,110 --> 00:31:03,519
their gatekeepers

903
00:31:07,909 --> 00:31:07,120
there of course they have greater power

904
00:31:14,870 --> 00:31:07,919
to

905
00:31:17,990 --> 00:31:14,880
very uncomfortable and even

906
00:31:19,669 --> 00:31:18,000
worse again that goes back to the

907
00:31:21,269 --> 00:31:19,679
beginning of our conversation that's how

908
00:31:24,149 --> 00:31:21,279
they keep us in line

909
00:31:24,870 --> 00:31:24,159
and have kept what power they have so

910
00:31:28,549 --> 00:31:24,880
far but

911
00:31:29,669 --> 00:31:28,559
they're losing grip yeah i mean i think

912
00:31:32,630 --> 00:31:29,679
that's totally

913
00:31:33,190 --> 00:31:32,640

reasonable and understandable that those

914

00:31:36,549 --> 00:31:33,200

are the

915

00:31:38,870 --> 00:31:36,559

kind of difficulties in the

916

00:31:39,750 --> 00:31:38,880

basically pr war it's like you can't

917

00:31:41,750 --> 00:31:39,760

really

918

00:31:43,909 --> 00:31:41,760

learn about this stuff unless you have a

919

00:31:44,470 --> 00:31:43,919

practitioner to work with and if they're

920

00:31:48,070 --> 00:31:44,480

rare

921

00:31:48,710 --> 00:31:48,080

and as you kind of alluded to a lot of

922

00:31:52,149 --> 00:31:48,720

it is

923

00:31:54,870 --> 00:31:52,159

a mind war and that is the first step is

924

00:31:57,350 --> 00:31:54,880

convincing the world that these

925

00:32:00,389 --> 00:31:57,360

practices don't work convincing

926
00:32:01,909 --> 00:32:00,399
americans that western medicine is far

927
00:32:04,630 --> 00:32:01,919
more advanced than any

928
00:32:06,149 --> 00:32:04,640
indigenous natural herbology stuff and

929
00:32:09,110 --> 00:32:06,159
you should just ignore it

930
00:32:10,470 --> 00:32:09,120
i mean when that is in place that comes

931
00:32:12,950 --> 00:32:10,480
first and it's going to inform

932
00:32:14,630 --> 00:32:12,960
everybody's decision making and one

933
00:32:16,950 --> 00:32:14,640
question i have for you it's always kind

934
00:32:18,549 --> 00:32:16,960
of been a curiosity of mine

935
00:32:20,710 --> 00:32:18,559
is about thoughts because i have a lot

936
00:32:22,630 --> 00:32:20,720
of guests who tend to

937
00:32:24,630 --> 00:32:22,640
maybe work in the realms of the occult

938
00:32:26,870 --> 00:32:24,640

or the esoteric and they operate from

939

00:32:29,029 --> 00:32:26,880

this same model that thoughts come first

940

00:32:31,830 --> 00:32:29,039

and reality is derived from them

941

00:32:33,830 --> 00:32:31,840

it's an idea i'm very attracted to but

942

00:32:36,470 --> 00:32:33,840

if i use myself as an example

943

00:32:38,549 --> 00:32:36,480

i've had a really fortunate life with

944

00:32:40,789 --> 00:32:38,559

very little tragedy or violence

945

00:32:42,230 --> 00:32:40,799

but if i'm being honest it's much easier

946

00:32:45,269 --> 00:32:42,240

for me to visualize

947

00:32:48,070 --> 00:32:45,279

tragic and violent things like if a

948

00:32:49,190 --> 00:32:48,080

car comes close to cutting me off i go

949

00:32:51,110 --> 00:32:49,200

through my head on what would have

950

00:32:53,029 --> 00:32:51,120

happened if they did and all the gory

951
00:32:54,950 --> 00:32:53,039
details that would happen or if i walk

952
00:32:57,430 --> 00:32:54,960
around a corner too fast and

953
00:32:58,389 --> 00:32:57,440
stepped on my cat these things don't

954
00:33:00,710 --> 00:32:58,399
actually happen

955
00:33:01,509 --> 00:33:00,720
but the thoughts pop into my head much

956
00:33:04,230 --> 00:33:01,519
easier and

957
00:33:06,710 --> 00:33:04,240
clearer than when i try to visualize my

958
00:33:07,669 --> 00:33:06,720
actual goals or successes or anything

959
00:33:10,310 --> 00:33:07,679
like that

960
00:33:11,269 --> 00:33:10,320
and maybe that's conditioning by society

961
00:33:13,750 --> 00:33:11,279
i'm not sure

962
00:33:14,549 --> 00:33:13,760
but i i would imagine i'm not alone in

963
00:33:16,870 --> 00:33:14,559

that so

964

00:33:18,870 --> 00:33:16,880

what's going on here why are like

965

00:33:21,269 --> 00:33:18,880

violent or bad thoughts maybe

966

00:33:22,149 --> 00:33:21,279

clear or easier to visualize but yet

967

00:33:24,470 --> 00:33:22,159

don't

968

00:33:26,149 --> 00:33:24,480

manifest and what is that relationship

969

00:33:28,230 --> 00:33:26,159

between what's in our head and what's in

970

00:33:31,190 --> 00:33:28,240

our reality

971

00:33:32,789 --> 00:33:31,200

well it's a two-fold indoctrination

972

00:33:34,710 --> 00:33:32,799

system

973

00:33:37,110 --> 00:33:34,720

anybody of course that watches the

974

00:33:40,149 --> 00:33:37,120

medium or even studies medicine

975

00:33:43,190 --> 00:33:40,159

or law it's all based on

976
00:33:44,950 --> 00:33:43,200
bad things happening we're taught that

977
00:33:45,830 --> 00:33:44,960
there's terrorists lurking in every

978
00:33:48,310 --> 00:33:45,840
alleyway

979
00:33:49,430 --> 00:33:48,320
and whether they're microbes or whether

980
00:33:52,070 --> 00:33:49,440
it's some kind of

981
00:33:53,029 --> 00:33:52,080
human terrorist everybody's out to get

982
00:33:59,509 --> 00:33:53,039
us

983
00:33:59,909 --> 00:33:59,519
engrammed at a very deep level from day

984
00:34:02,870 --> 00:33:59,919
one

985
00:34:03,590 --> 00:34:02,880
in our lives to believe that this is a

986
00:34:06,710 --> 00:34:03,600
malevolent

987
00:34:09,430 --> 00:34:06,720
universe and bad things happen

988
00:34:10,389 --> 00:34:09,440

so you know that tends to be our train

989

00:34:13,990 --> 00:34:10,399

of thought

990

00:34:17,190 --> 00:34:14,000

the second part that's even more devious

991

00:34:19,430 --> 00:34:17,200

is they've cut us off from source

992

00:34:21,589 --> 00:34:19,440

especially through what we call science

993

00:34:23,589 --> 00:34:21,599

which a lot of us call scientism these

994

00:34:26,869 --> 00:34:23,599

days because it is more

995

00:34:27,349 --> 00:34:26,879

akin to a religion is is it teaches us

996

00:34:29,750 --> 00:34:27,359

that

997

00:34:32,149 --> 00:34:29,760

you know we live in a material universe

998

00:34:33,349 --> 00:34:32,159

we're held together even our own bodies

999

00:34:36,710 --> 00:34:33,359

by these magic

1000

00:34:38,230 --> 00:34:36,720

bbs that we call atoms and that you know

1001

00:34:41,589 --> 00:34:38,240

we're like these corks

1002

00:34:43,589 --> 00:34:41,599

bobbing on a vast uh ocean subject to

1003

00:34:46,069 --> 00:34:43,599

the whim of every ripple that comes

1004

00:34:48,629 --> 00:34:46,079

along we have no way to

1005

00:34:50,230 --> 00:34:48,639

protect ourselves we have nothing to say

1006

00:34:53,109 --> 00:34:50,240

about it

1007

00:34:55,190 --> 00:34:53,119

of course that from the start was the

1008

00:34:56,790 --> 00:34:55,200

beginning of the plan through religions

1009

00:34:59,829 --> 00:34:56,800

that then morphed into what we call

1010

00:35:03,750 --> 00:34:59,839

science to lead us in this

1011

00:35:07,589 --> 00:35:03,760

highly superstitious state so if we

1012

00:35:10,310 --> 00:35:07,599

really feel that we're that powerless

1013

00:35:11,950 --> 00:35:10,320

it's going to be pretty daunting to most

1014

00:35:13,270 --> 00:35:11,960

of us and that's the way we were

1015

00:35:15,349 --> 00:35:13,280

indoctrinated

1016

00:35:16,470 --> 00:35:15,359

and then they just give the one-two

1017

00:35:18,790 --> 00:35:16,480

punch with

1018

00:35:20,150 --> 00:35:18,800

constantly reaffirming all the bad

1019

00:35:22,150 --> 00:35:20,160

things that are happening in the world

1020

00:35:25,109 --> 00:35:22,160

and all the bad things that will

1021

00:35:26,710 --> 00:35:25,119

inevitably happen and that's why part of

1022

00:35:28,829 --> 00:35:26,720

the population right now is just sitting

1023

00:35:31,829 --> 00:35:28,839

at home waiting for the other shoe to

1024

00:35:34,550 --> 00:35:31,839

drop well that is true that we are

1025

00:35:35,030 --> 00:35:34,560

conditioned to expect bad things to

1026
00:35:38,230 --> 00:35:35,040
happen

1027
00:35:41,030 --> 00:35:38,240
and plan for tragedy and fixate on

1028
00:35:43,349 --> 00:35:41,040
the negative and what might get us

1029
00:35:44,550 --> 00:35:43,359
regardless of how well that matches real

1030
00:35:47,750 --> 00:35:44,560
world experience

1031
00:35:50,710 --> 00:35:47,760
but this paradigm that thoughts

1032
00:35:52,870 --> 00:35:50,720
create reality it seems like something

1033
00:35:55,190 --> 00:35:52,880
that we should be able to use

1034
00:35:56,630 --> 00:35:55,200
right to improve our lives possibly to

1035
00:35:59,750 --> 00:35:56,640
either manifest

1036
00:36:01,510 --> 00:35:59,760
our own goals are there

1037
00:36:03,829 --> 00:36:01,520
techniques and practices for

1038
00:36:04,230 --> 00:36:03,839

strengthening our minds and manifesting

1039

00:36:06,230 --> 00:36:04,240

our

1040

00:36:07,829 --> 00:36:06,240

best thoughts and positive goals that

1041

00:36:11,030 --> 00:36:07,839

you're aware of and

1042

00:36:12,950 --> 00:36:11,040

how do we use like our emotions to help

1043

00:36:15,109 --> 00:36:12,960

further this rather than getting in our

1044

00:36:17,829 --> 00:36:15,119

own way

1045

00:36:19,829 --> 00:36:17,839

well you know if we default to what

1046

00:36:22,630 --> 00:36:19,839

we'll maybe call spiritual practices

1047

00:36:23,430 --> 00:36:22,640

that have been here forever you know

1048

00:36:25,910 --> 00:36:23,440

they all

1049

00:36:27,349 --> 00:36:25,920

center around using our minds to

1050

00:36:30,150 --> 00:36:27,359

visualize

1051

00:36:31,990 --> 00:36:30,160

the reality that we want rather than

1052

00:36:35,190 --> 00:36:32,000

just having these nonsensical

1053

00:36:35,750 --> 00:36:35,200

thoughts chaotically going across our

1054

00:36:38,470 --> 00:36:35,760

screen

1055

00:36:39,910 --> 00:36:38,480

all day long so you learn to use your

1056

00:36:42,710 --> 00:36:39,920

mind in a little bit more of a

1057

00:36:45,030 --> 00:36:42,720

disciplined way now that's pretty tough

1058

00:36:46,710 --> 00:36:45,040

for people these days because people

1059

00:36:48,150 --> 00:36:46,720

even have a hard time sitting down

1060

00:36:50,550 --> 00:36:48,160

reading a book

1061

00:36:52,470 --> 00:36:50,560

because they're so used to looking at

1062

00:36:54,870 --> 00:36:52,480

things on their devices

1063

00:36:56,790 --> 00:36:54,880

and that is part of the way technology

1064

00:36:59,030 --> 00:36:56,800

has been used against us so

1065

00:37:00,630 --> 00:36:59,040

somehow we have to get back to that

1066

00:37:03,829 --> 00:37:00,640

place where we can

1067

00:37:08,710 --> 00:37:03,839

bring a little bit of control back

1068

00:37:11,349 --> 00:37:08,720

into our mindset and use our imagination

1069

00:37:12,230 --> 00:37:11,359

for instance in tibet a good example is

1070

00:37:15,030 --> 00:37:12,240

when they

1071

00:37:16,069 --> 00:37:15,040

took young minds into the temples that

1072

00:37:18,870 --> 00:37:16,079

were

1073

00:37:20,710 --> 00:37:18,880

going to have a lifetime in more of a

1074

00:37:22,390 --> 00:37:20,720

monastic society

1075

00:37:25,430 --> 00:37:22,400

the way they would teach them first is

1076

00:37:27,829 --> 00:37:25,440

not just giving them information bits

1077

00:37:28,870 --> 00:37:27,839

like we get these days but they would

1078

00:37:32,069 --> 00:37:28,880

spend

1079

00:37:33,109 --> 00:37:32,079

a good number of years early on in their

1080

00:37:35,349 --> 00:37:33,119

education

1081

00:37:36,150 --> 00:37:35,359

using their mind constructing very

1082

00:37:39,510 --> 00:37:36,160

elaborate

1083

00:37:42,550 --> 00:37:39,520

structures you know buildings and

1084

00:37:43,670 --> 00:37:42,560

you had free reign to create anything

1085

00:37:47,270 --> 00:37:43,680

you want you know with

1086

00:37:49,829 --> 00:37:47,280

rooms and hallways and levels and

1087

00:37:51,190 --> 00:37:49,839

desks and drawers and you know in all

1088

00:37:54,470 --> 00:37:51,200

these rooms and

1089

00:37:56,550 --> 00:37:54,480

once you did that and it became so

1090

00:37:58,310 --> 00:37:56,560

tangible to you that you could go

1091

00:38:01,430 --> 00:37:58,320

anywhere in your imagination

1092

00:38:02,310 --> 00:38:01,440

in this creation then they would start

1093

00:38:04,790 --> 00:38:02,320

giving you

1094

00:38:05,829 --> 00:38:04,800

bits of information and then when you

1095

00:38:08,870 --> 00:38:05,839

got that

1096

00:38:11,030 --> 00:38:08,880

whatever that morsel was you could just

1097

00:38:11,589 --> 00:38:11,040

go put it wherever you want you know you

1098

00:38:13,349 --> 00:38:11,599

might go

1099

00:38:15,030 --> 00:38:13,359

into a certain room and a place put it

1100

00:38:15,990 --> 00:38:15,040

in a certain drawer you knew exactly

1101
00:38:17,510 --> 00:38:16,000
where it is

1102
00:38:19,589 --> 00:38:17,520
just like you know where the keys to

1103
00:38:22,150 --> 00:38:19,599
your car are and you know is in

1104
00:38:24,150 --> 00:38:22,160
in your own house so it was real

1105
00:38:25,190 --> 00:38:24,160
education where you learned how to use

1106
00:38:27,750 --> 00:38:25,200
your mind

1107
00:38:29,270 --> 00:38:27,760
use your imagination to create very

1108
00:38:31,510 --> 00:38:29,280
tangible things

1109
00:38:33,109 --> 00:38:31,520
and then take the information that might

1110
00:38:35,190 --> 00:38:33,119
be useful to you

1111
00:38:36,310 --> 00:38:35,200
and put it in a place where you'd never

1112
00:38:39,589 --> 00:38:36,320
forget it

1113
00:38:42,630 --> 00:38:39,599

so our education instead

1114

00:38:45,190 --> 00:38:42,640

is really about giving kids

1115

00:38:47,109 --> 00:38:45,200

abstract symbols you know as far as

1116

00:38:51,270 --> 00:38:47,119

letters of the alphabet

1117

00:38:54,390 --> 00:38:51,280

mathematical symbols and everything is

1118

00:38:57,030 --> 00:38:54,400

really never real in the first place and

1119

00:38:59,589 --> 00:38:57,040

of course on day one we're taught that

1120

00:39:00,790 --> 00:38:59,599

your imagination is not real it's

1121

00:39:03,510 --> 00:39:00,800

make-believe

1122

00:39:04,470 --> 00:39:03,520

but somehow these little abstract

1123

00:39:07,589 --> 00:39:04,480

factoids

1124

00:39:08,069 --> 00:39:07,599

are more real so we have to turn it

1125

00:39:11,030 --> 00:39:08,079

around

1126

00:39:11,910 --> 00:39:11,040

i think from childhood on now adults can

1127

00:39:13,589 --> 00:39:11,920

do it

1128

00:39:15,510 --> 00:39:13,599

just as much but it's going to take a

1129

00:39:16,790 --> 00:39:15,520

little bit more effort for most of us

1130

00:39:18,310 --> 00:39:16,800

that have had a lifetime of

1131

00:39:22,310 --> 00:39:18,320

indoctrination

1132

00:39:24,950 --> 00:39:22,320

so imagination is the key well said and

1133

00:39:26,150 --> 00:39:24,960

on the subject of turning it around i've

1134

00:39:29,829 --> 00:39:26,160

heard you say that

1135

00:39:32,230 --> 00:39:29,839

diagnosis has been inverted we examine

1136

00:39:32,950 --> 00:39:32,240

the after effects and we get lost we've

1137

00:39:35,990 --> 00:39:32,960

got to

1138

00:39:38,470 --> 00:39:36,000

invert it back and determine a solution

1139

00:39:39,510 --> 00:39:38,480

for a lot of the problems people are

1140

00:39:41,990 --> 00:39:39,520

dealing with

1141

00:39:43,990 --> 00:39:42,000

and so i guess i would ask when it comes

1142

00:39:44,710 --> 00:39:44,000

to health and healing if a person comes

1143

00:39:47,589 --> 00:39:44,720

to you

1144

00:39:49,349 --> 00:39:47,599

in a state of dis-ease how do you

1145

00:39:51,109 --> 00:39:49,359

approach them as a bio-terrain

1146

00:39:53,510 --> 00:39:51,119

specialist if you're not trying to kill

1147

00:39:55,430 --> 00:39:53,520

a virus or destroy a germ

1148

00:39:56,870 --> 00:39:55,440

can you elaborate a little bit more on

1149

00:39:59,510 --> 00:39:56,880

how you go about

1150

00:40:02,310 --> 00:39:59,520

diagnosis and then determining a

1151

00:40:04,790 --> 00:40:02,320

treatment it has to do with these uh

1152

00:40:07,190 --> 00:40:04,800

octaves and different possible readings

1153

00:40:09,990 --> 00:40:07,200

that you might get right

1154

00:40:11,990 --> 00:40:10,000

sure once you get a little experience as

1155

00:40:13,750 --> 00:40:12,000

a physician the first thing i learned

1156

00:40:15,109 --> 00:40:13,760

was you have to meet people where

1157

00:40:17,510 --> 00:40:15,119

they're at

1158

00:40:18,950 --> 00:40:17,520

so if they come in and they've got a

1159

00:40:21,030 --> 00:40:18,960

serious condition

1160

00:40:22,550 --> 00:40:21,040

first off they're really you know in a

1161

00:40:25,510 --> 00:40:22,560

state of angst

1162

00:40:26,069 --> 00:40:25,520

and quite emotional turmoil so if i

1163

00:40:28,390 --> 00:40:26,079

start

1164

00:40:29,270 --> 00:40:28,400

downloading a lot of information it's

1165

00:40:31,349 --> 00:40:29,280

gonna

1166

00:40:33,109 --> 00:40:31,359

stretch your imagination even further

1167

00:40:34,230 --> 00:40:33,119

then you know you're not gonna get

1168

00:40:37,349 --> 00:40:34,240

anywhere

1169

00:40:39,990 --> 00:40:37,359

so there's a way if a person is coming

1170

00:40:42,230 --> 00:40:40,000

in from a conventional mindset

1171

00:40:44,309 --> 00:40:42,240

and you know to just repeat people would

1172

00:40:47,990 --> 00:40:44,319

come to me as a last resort

1173

00:40:49,750 --> 00:40:48,000

typically so they were willing to

1174

00:40:51,670 --> 00:40:49,760

try something new what have you got to

1175

00:40:54,950 --> 00:40:51,680

lose the other side said i'm

1176
00:40:55,349 --> 00:40:54,960
dead go put my affairs in order so i had

1177
00:40:57,910 --> 00:40:55,359
that

1178
00:40:58,950 --> 00:40:57,920
advantage as far as getting their ears

1179
00:41:00,870 --> 00:40:58,960
from the start

1180
00:41:02,710 --> 00:41:00,880
but then you know we would start with

1181
00:41:05,270 --> 00:41:02,720
things that were tangible

1182
00:41:06,550 --> 00:41:05,280
you know i'd sit them down i'd take

1183
00:41:08,790 --> 00:41:06,560
samples of their blood

1184
00:41:10,309 --> 00:41:08,800
look under the microscope with them

1185
00:41:12,950 --> 00:41:10,319
explain things just

1186
00:41:14,230 --> 00:41:12,960
take it out of the mystical and really

1187
00:41:17,670 --> 00:41:14,240
try to make congruent

1188
00:41:19,510 --> 00:41:17,680

sense out of it and then do measures

1189

00:41:19,990 --> 00:41:19,520

that they were ready for you know where

1190

00:41:22,790 --> 00:41:20,000

we start

1191

00:41:24,630 --> 00:41:22,800

cleaning up their terrain getting organ

1192

00:41:27,910 --> 00:41:24,640

systems working better

1193

00:41:29,670 --> 00:41:27,920

and then you know we'd keep daily

1194

00:41:32,550 --> 00:41:29,680

looking at their blood and they'd see

1195

00:41:33,829 --> 00:41:32,560

real life changes happening i'd explain

1196

00:41:37,109 --> 00:41:33,839

to them the type of

1197

00:41:39,430 --> 00:41:37,119

inside in-house labs that i would do

1198

00:41:41,510 --> 00:41:39,440

and show them the results and explain as

1199

00:41:44,069 --> 00:41:41,520

best i could what that meant

1200

00:41:46,230 --> 00:41:44,079

and then you know i do these labs daily

1201
00:41:48,390 --> 00:41:46,240
and then you show them the changes and

1202
00:41:49,990 --> 00:41:48,400
they get really encouraged that

1203
00:41:51,910 --> 00:41:50,000
they can see that they're actually

1204
00:41:54,710 --> 00:41:51,920
making progress and as they make

1205
00:41:57,109 --> 00:41:54,720
progress their body is doing better

1206
00:41:58,150 --> 00:41:57,119
there's less stagnation in their

1207
00:42:00,069 --> 00:41:58,160
meridians

1208
00:42:01,990 --> 00:42:00,079
in their circulation their lymph and

1209
00:42:04,870 --> 00:42:02,000
every facet of their body their

1210
00:42:06,470 --> 00:42:04,880
neurology they start thinking a lot

1211
00:42:08,710 --> 00:42:06,480
clearer and then you start having

1212
00:42:11,109 --> 00:42:08,720
different conversations

1213
00:42:12,870 --> 00:42:11,119

and you know before you know it we're

1214

00:42:14,790 --> 00:42:12,880

talking about things that you and i

1215

00:42:16,550 --> 00:42:14,800

are talking about today and it's not

1216

00:42:18,069 --> 00:42:16,560

stretching them at all

1217

00:42:20,150 --> 00:42:18,079

which goes back to our earlier

1218

00:42:20,630 --> 00:42:20,160

conversation that's what we're all going

1219

00:42:23,510 --> 00:42:20,640

through

1220

00:42:25,670 --> 00:42:23,520

these days we have to just start with

1221

00:42:27,270 --> 00:42:25,680

where we're at not try to be where

1222

00:42:29,750 --> 00:42:27,280

somebody else is at

1223

00:42:30,550 --> 00:42:29,760

or digest something that seems too far

1224

00:42:35,910 --> 00:42:30,560

out

1225

00:42:37,750 --> 00:42:35,920

then you start looking in contrast

1226

00:42:39,589 --> 00:42:37,760

to what we're taught in conventional

1227

00:42:41,510 --> 00:42:39,599

science through the media

1228

00:42:43,829 --> 00:42:41,520

and so forth and it just doesn't make

1229

00:42:45,349 --> 00:42:43,839

any sense anymore in fact it actually

1230

00:42:47,430 --> 00:42:45,359

starts becoming

1231

00:42:50,309 --> 00:42:47,440

i mean if it wasn't so tragic it would

1232

00:42:52,230 --> 00:42:50,319

be hilarious because it's incongruous

1233

00:42:53,589 --> 00:42:52,240

everywhere you look and you know when i

1234

00:42:56,349 --> 00:42:53,599

was in just

1235

00:42:58,470 --> 00:42:56,359

basic physics you learn the law of

1236

00:42:59,990 --> 00:42:58,480

thermodynamics as an example and then

1237

00:43:02,230 --> 00:43:00,000

you find that you know the different

1238

00:43:05,270 --> 00:43:02,240

laws contradict each other and

1239

00:43:07,510 --> 00:43:05,280

even before i knew all that i know now i

1240

00:43:08,390 --> 00:43:07,520

just used to think to myself well how

1241

00:43:10,710 --> 00:43:08,400

can that be

1242

00:43:11,990 --> 00:43:10,720

if one thing says this and another thing

1243

00:43:15,190 --> 00:43:12,000

says that then that means

1244

00:43:17,190 --> 00:43:15,200

one thing's not true and is a whole

1245

00:43:19,109 --> 00:43:17,200

thing a bunch of bs

1246

00:43:21,109 --> 00:43:19,119

but you know it's amazing you have your

1247

00:43:23,109 --> 00:43:21,119

phds your doctors and everything that

1248

00:43:24,309 --> 00:43:23,119

just never ask those questions because

1249

00:43:26,309 --> 00:43:24,319

they're afraid to

1250

00:43:29,430 --> 00:43:26,319

so you know it's really a sequential

1251
00:43:31,349 --> 00:43:29,440
process i guess to answer your question

1252
00:43:32,550 --> 00:43:31,359
yeah well cheers to that i definitely

1253
00:43:35,030 --> 00:43:32,560
agree that

1254
00:43:36,790 --> 00:43:35,040
it seems to come in mind-blowing waves

1255
00:43:37,510 --> 00:43:36,800
that you realize that you need to take

1256
00:43:39,349 --> 00:43:37,520
it further

1257
00:43:40,710 --> 00:43:39,359
and challenge another thing and another

1258
00:43:43,829 --> 00:43:40,720
thing and

1259
00:43:46,390 --> 00:43:43,839
when you look through a certain segment

1260
00:43:47,910 --> 00:43:46,400
of industrialized society you find that

1261
00:43:49,829 --> 00:43:47,920
oh the old ways

1262
00:43:51,910 --> 00:43:49,839
are right there they're still preserved

1263
00:43:53,750 --> 00:43:51,920

and they're far better

1264

00:43:55,829 --> 00:43:53,760

and i also wanted to maybe throw in a

1265

00:43:57,589 --> 00:43:55,839

little bit about the microscope you use

1266

00:43:57,910 --> 00:43:57,599

you mentioned looking at people's blood

1267

00:43:59,510 --> 00:43:57,920

and

1268

00:44:01,270 --> 00:43:59,520

this is something that's come up before

1269

00:44:02,630 --> 00:44:01,280

because when a person goes through the

1270

00:44:05,910 --> 00:44:02,640

traditional system

1271

00:44:08,390 --> 00:44:05,920

they're trained to examine dead things

1272

00:44:09,349 --> 00:44:08,400

and so no wonder we don't think there's

1273

00:44:10,870 --> 00:44:09,359

a difference

1274

00:44:12,390 --> 00:44:10,880

between alive and dead but also the

1275

00:44:14,630 --> 00:44:12,400

electron microscope

1276
00:44:17,030 --> 00:44:14,640
isn't even a very good representation of

1277
00:44:19,670 --> 00:44:17,040
the micro world from what i understand

1278
00:44:20,950 --> 00:44:19,680
and you seem to have a better way is

1279
00:44:22,230 --> 00:44:20,960
that right

1280
00:44:24,470 --> 00:44:22,240
well there's a man by the name of

1281
00:44:25,750 --> 00:44:24,480
gunther enderline who took antoine

1282
00:44:27,829 --> 00:44:25,760
bouchamps

1283
00:44:30,230 --> 00:44:27,839
understanding of the biotrain and that

1284
00:44:30,950 --> 00:44:30,240
germs were actually a natural part of

1285
00:44:35,430 --> 00:44:30,960
the

1286
00:44:37,510 --> 00:44:35,440
microscope what we call live cell

1287
00:44:39,829 --> 00:44:37,520
microscopy where you look at things

1288
00:44:40,790 --> 00:44:39,839

in your life state it illuminates at a

1289

00:44:44,150 --> 00:44:40,800

different angle

1290

00:44:47,270 --> 00:44:44,160

from the bottom up and then you put

1291

00:44:49,190 --> 00:44:47,280

live elements directly taken out of the

1292

00:44:51,190 --> 00:44:49,200

body onto the slide there and you can

1293

00:44:53,030 --> 00:44:51,200

see things swimming around and

1294

00:44:54,710 --> 00:44:53,040

you know in my conventional studies in

1295

00:44:57,990 --> 00:44:54,720

histology

1296

00:44:58,950 --> 00:44:58,000

you're staining samples of tissues and

1297

00:45:00,790 --> 00:44:58,960

fluids

1298

00:45:02,950 --> 00:45:00,800

so that you know it does bring out

1299

00:45:04,870 --> 00:45:02,960

certain elements and kind of fixate them

1300

00:45:06,710 --> 00:45:04,880

in a way that's useful

1301
00:45:09,829 --> 00:45:06,720
in some ways depending on what you're

1302
00:45:12,150 --> 00:45:09,839
looking at but it's not going to

1303
00:45:13,910 --> 00:45:12,160
really tell you what's going on in a

1304
00:45:16,309 --> 00:45:13,920
live medium i mean it'd be like

1305
00:45:18,069 --> 00:45:16,319
torching an external environment and

1306
00:45:19,990 --> 00:45:18,079
then going out and looking at the

1307
00:45:22,150 --> 00:45:20,000
aftermath and trying to figure out how

1308
00:45:24,950 --> 00:45:22,160
life works in that environment

1309
00:45:27,030 --> 00:45:24,960
and the first thing you understand in

1310
00:45:30,069 --> 00:45:27,040
this kind of microbiology

1311
00:45:32,309 --> 00:45:30,079
is that the cells are working in

1312
00:45:34,790 --> 00:45:32,319
conjunction with microbes

1313
00:45:36,309 --> 00:45:34,800

in a very intimate way and that these

1314

00:45:38,470 --> 00:45:36,319

microbes that we think

1315

00:45:39,829 --> 00:45:38,480

are the bad actors actually live within

1316

00:45:41,750 --> 00:45:39,839

this all the time

1317

00:45:43,270 --> 00:45:41,760

and you would see for instance the

1318

00:45:46,630 --> 00:45:43,280

little seeds of these different

1319

00:45:47,670 --> 00:45:46,640

organism families in the blood and then

1320

00:45:49,829 --> 00:45:47,680

you'd watch them

1321

00:45:52,069 --> 00:45:49,839

in real time progressing through these

1322

00:45:55,430 --> 00:45:52,079

different stages that we would

1323

00:45:56,550 --> 00:45:55,440

in conventional medicine call bacteria

1324

00:45:58,870 --> 00:45:56,560

and fungi

1325

00:46:00,710 --> 00:45:58,880

and some of these bacteria that if you

1326
00:46:03,349 --> 00:46:00,720
took them at a certain phase

1327
00:46:04,630 --> 00:46:03,359
and then cultured them in a conventional

1328
00:46:06,349 --> 00:46:04,640
lab study you'd say oh they're

1329
00:46:09,589 --> 00:46:06,359
streptococcus or

1330
00:46:10,150 --> 00:46:09,599
staphylococcus and what the medics were

1331
00:46:12,230 --> 00:46:10,160
not

1332
00:46:13,510 --> 00:46:12,240
ever allowed to experience or see with

1333
00:46:15,910 --> 00:46:13,520
their own eyes

1334
00:46:16,790 --> 00:46:15,920
is how the progression of the seeds of

1335
00:46:20,069 --> 00:46:16,800
those that we call

1336
00:46:20,870 --> 00:46:20,079
protids in german microbiology or

1337
00:46:23,190 --> 00:46:20,880
somatis

1338
00:46:25,109 --> 00:46:23,200

like people like gaston naisons

1339

00:46:27,270 --> 00:46:25,119

visualized in his version of the same

1340

00:46:28,870 --> 00:46:27,280

microscope he called a somatoscope

1341

00:46:30,470 --> 00:46:28,880

you'd see these progressing through

1342

00:46:32,630 --> 00:46:30,480

predictable stages

1343

00:46:34,150 --> 00:46:32,640

and they'd always progress to a certain

1344

00:46:36,390 --> 00:46:34,160

stage to

1345

00:46:38,309 --> 00:46:36,400

provide a certain function for the body

1346

00:46:39,109 --> 00:46:38,319

if a part of the body had diseased

1347

00:46:42,230 --> 00:46:39,119

tissue

1348

00:46:43,990 --> 00:46:42,240

or needed certain regenerative effects

1349

00:46:47,270 --> 00:46:44,000

in certain tissues and any

1350

00:46:49,670 --> 00:46:47,280

you know myriad number of things certain

1351
00:46:51,670 --> 00:46:49,680
organisms progress to different stages

1352
00:46:53,829 --> 00:46:51,680
in order to provide that function

1353
00:46:54,790 --> 00:46:53,839
so when you sit there day after day and

1354
00:46:57,750 --> 00:46:54,800
spend hours

1355
00:46:59,829 --> 00:46:57,760
looking at this stuff you realize wow

1356
00:47:02,750 --> 00:46:59,839
it's beyond conjecture

1357
00:47:04,470 --> 00:47:02,760
that this system of conventional

1358
00:47:08,950 --> 00:47:04,480
microbiology has it

1359
00:47:13,430 --> 00:47:11,270
i love it all this stuff i think helps

1360
00:47:13,990 --> 00:47:13,440
to take people who are still wrestling

1361
00:47:16,069 --> 00:47:14,000
with

1362
00:47:17,670 --> 00:47:16,079
which paradigm you know or getting out

1363
00:47:19,430 --> 00:47:17,680

of the old paradigm all this stuff i

1364

00:47:22,150 --> 00:47:19,440

think helps them to see

1365

00:47:24,150 --> 00:47:22,160

why things are so screwed up and i've

1366

00:47:26,390 --> 00:47:24,160

heard you say that if it was up to you

1367

00:47:28,549 --> 00:47:26,400

every doctor would take four years of

1368

00:47:30,390 --> 00:47:28,559

permaculture and farming first

1369

00:47:32,309 --> 00:47:30,400

and that when you live and study in

1370

00:47:34,069 --> 00:47:32,319

nature you see the patterns and it

1371

00:47:36,309 --> 00:47:34,079

resets even your own

1372

00:47:37,430 --> 00:47:36,319

neurology can you elaborate on these

1373

00:47:40,150 --> 00:47:37,440

things how has

1374

00:47:42,230 --> 00:47:40,160

engaging with nature and actually

1375

00:47:44,230 --> 00:47:42,240

getting your hands in the dirt

1376

00:47:45,270 --> 00:47:44,240

confirmed a lot of these ideas and

1377

00:47:48,630 --> 00:47:45,280

strengthened your

1378

00:47:48,950 --> 00:47:48,640

overall world view you know if we start

1379

00:47:51,270 --> 00:47:48,960

it

1380

00:47:51,990 --> 00:47:51,280

maybe asian medicine and look at what we

1381

00:47:56,069 --> 00:47:52,000

think of as

1382

00:47:59,349 --> 00:47:56,079

the acupuncture meridian system

1383

00:48:02,150 --> 00:47:59,359

what it is is a system that is

1384

00:48:03,190 --> 00:48:02,160

constantly resonating with the external

1385

00:48:06,230 --> 00:48:03,200

environment

1386

00:48:06,870 --> 00:48:06,240

and in a two-way fashion communicating

1387

00:48:09,430 --> 00:48:06,880

that

1388

00:48:11,430 --> 00:48:09,440

resonance from the external environment

1389

00:48:14,870 --> 00:48:11,440

into the internal environment

1390

00:48:16,790 --> 00:48:14,880

to create a moment-by-moment equilibrium

1391

00:48:18,470 --> 00:48:16,800

effect so that you are in balance with

1392

00:48:21,670 --> 00:48:18,480

your surroundings

1393

00:48:24,230 --> 00:48:21,680

and that's its primary purpose even in

1394

00:48:26,390 --> 00:48:24,240

acupuncture you know we've realized that

1395

00:48:28,870 --> 00:48:26,400

there are internal

1396

00:48:30,790 --> 00:48:28,880

meridian systems within every organ and

1397

00:48:32,790 --> 00:48:30,800

that's another whole story so we could

1398

00:48:33,750 --> 00:48:32,800

elaborate greatly on that but going back

1399

00:48:36,390 --> 00:48:33,760

to the

1400

00:48:38,150 --> 00:48:36,400

external environment everything out

1401

00:48:39,349 --> 00:48:38,160

there is operating on the same

1402

00:48:42,790 --> 00:48:39,359

principles

1403

00:48:45,349 --> 00:48:42,800

and when you work with nature

1404

00:48:48,549 --> 00:48:45,359

the more you spend time out there it

1405

00:48:51,990 --> 00:48:48,559

just becomes apparent and very palpable

1406

00:48:54,390 --> 00:48:52,000

that this resonant factor is

1407

00:48:55,990 --> 00:48:54,400

operating between us and the environment

1408

00:48:58,710 --> 00:48:56,000

all the time and if you're

1409

00:48:59,910 --> 00:48:58,720

ready for that kind of communication

1410

00:49:02,950 --> 00:48:59,920

things become very

1411

00:49:04,069 --> 00:49:02,960

tangible and you get feedback in the

1412

00:49:07,430 --> 00:49:04,079

form of when you're

1413

00:49:09,030 --> 00:49:07,440

growing things you realize over time

1414

00:49:11,589 --> 00:49:09,040

that the more you

1415

00:49:12,630 --> 00:49:11,599

tune in in a certain way with what

1416

00:49:16,230 --> 00:49:12,640

you're growing

1417

00:49:17,829 --> 00:49:16,240

that things respond very favorably you

1418

00:49:18,790 --> 00:49:17,839

also realize there's a whole

1419

00:49:22,790 --> 00:49:18,800

communication

1420

00:49:24,870 --> 00:49:22,800

system with the mycelium in the ground

1421

00:49:26,790 --> 00:49:24,880

like where i live in the forest around

1422

00:49:27,589 --> 00:49:26,800

us it's mycelium heaven here because

1423

00:49:30,309 --> 00:49:27,599

we're in the

1424

00:49:32,790 --> 00:49:30,319

pacific northwest and then there's a

1425

00:49:35,589 --> 00:49:32,800

whole communication between mycelium

1426

00:49:36,710 --> 00:49:35,599

and the microorganisms so it's a vast

1427

00:49:39,430 --> 00:49:36,720

communication

1428

00:49:40,790 --> 00:49:39,440

network and then that again is

1429

00:49:44,309 --> 00:49:40,800

communicating with us

1430

00:49:44,710 --> 00:49:44,319

all the time and when disease happens as

1431

00:49:51,589 --> 00:49:44,720

we

1432

00:49:54,630 --> 00:49:51,599

that communication nexus with our

1433

00:49:58,309 --> 00:49:54,640

surroundings and we become

1434

00:50:01,829 --> 00:49:58,319

dissonant with those surroundings and

1435

00:50:04,870 --> 00:50:01,839

that's where things start to go awry

1436

00:50:07,030 --> 00:50:04,880

with the advent of factory farming and

1437

00:50:09,829 --> 00:50:07,040

all the the urbanization

1438

00:50:11,510 --> 00:50:09,839

now we even tampered with the residents

1439

00:50:14,710 --> 00:50:11,520

of nature

1440

00:50:16,470 --> 00:50:14,720

so not only does that affect

1441

00:50:18,790 --> 00:50:16,480

nature and all the problems we see in

1442

00:50:19,670 --> 00:50:18,800

our environment but it affects us

1443

00:50:21,990 --> 00:50:19,680

greatly

1444

00:50:23,670 --> 00:50:22,000

so doctors really need to get outside

1445

00:50:27,030 --> 00:50:23,680

put their hands in the dirt

1446

00:50:30,950 --> 00:50:27,040

and understand that it's a communication

1447

00:50:33,750 --> 00:50:30,960

system it's a network of resonance

1448

00:50:34,630 --> 00:50:33,760

that we are not only part of but we

1449

00:50:38,790 --> 00:50:34,640

can't be

1450

00:50:39,349 --> 00:50:38,800

severed from and if we do get severed

1451
00:50:41,910 --> 00:50:39,359
from it

1452
00:50:43,349 --> 00:50:41,920
again that's where things start going

1453
00:50:46,630 --> 00:50:43,359
wrong

1454
00:50:47,030 --> 00:50:46,640
so farming follows the same principles

1455
00:50:50,549 --> 00:50:47,040
that

1456
00:50:53,349 --> 00:50:50,559
i practiced in biological medicine

1457
00:50:54,309 --> 00:50:53,359
the same way that i tend to my soil is

1458
00:50:57,670 --> 00:50:54,319
the same way

1459
00:51:00,470 --> 00:50:57,680
i tend to people's bodies and there's

1460
00:51:02,309 --> 00:51:00,480
no difference between the two we use

1461
00:51:03,430 --> 00:51:02,319
even some of the same laboratory

1462
00:51:05,750 --> 00:51:03,440
procedures

1463
00:51:06,710 --> 00:51:05,760

to test people's fluids as we do to test

1464

00:51:09,510 --> 00:51:06,720

the soil

1465

00:51:10,790 --> 00:51:09,520

where you extrapolate chemistry into

1466

00:51:12,950 --> 00:51:10,800

electrical vectors

1467

00:51:13,829 --> 00:51:12,960

and understand reality from that

1468

00:51:16,630 --> 00:51:13,839

electrical

1469

00:51:18,230 --> 00:51:16,640

vector context which again are those

1470

00:51:20,309 --> 00:51:18,240

primal forces that put

1471

00:51:22,230 --> 00:51:20,319

things in the motion in the first place

1472

00:51:23,990 --> 00:51:22,240

so whether you're treating the soil

1473

00:51:27,829 --> 00:51:24,000

outside or the body

1474

00:51:30,309 --> 00:51:27,839

when you use herbology homeopathy or

1475

00:51:31,670 --> 00:51:30,319

any other modality what you're really

1476

00:51:34,470 --> 00:51:31,680

doing is very

1477

00:51:36,549 --> 00:51:34,480

efficiently using those substances to

1478

00:51:38,390 --> 00:51:36,559

adjust the electrical vectors

1479

00:51:40,390 --> 00:51:38,400

rather than trying to make chemical

1480

00:51:41,750 --> 00:51:40,400

changes and then that's what's going to

1481

00:51:44,309 --> 00:51:41,760

create that congruity

1482

00:51:44,870 --> 00:51:44,319

of resonance within ourselves in the

1483

00:51:46,549 --> 00:51:44,880

outside

1484

00:51:49,270 --> 00:51:46,559

soil and then re-establish the

1485

00:51:51,589 --> 00:51:49,280

communication between the two

1486

00:51:52,790 --> 00:51:51,599

very interesting man just the whole idea

1487

00:51:55,270 --> 00:51:52,800

of assessing things

1488

00:51:56,390 --> 00:51:55,280

at the electrical level it's just a

1489

00:51:59,510 --> 00:51:56,400

whole

1490

00:52:02,230 --> 00:51:59,520

new way to to think about dis-ease and

1491

00:52:02,950 --> 00:52:02,240

problems in the various structures

1492

00:52:06,230 --> 00:52:02,960

whether they're

1493

00:52:08,150 --> 00:52:06,240

in plants soil or people and

1494

00:52:09,430 --> 00:52:08,160

i'm just kind of curious this might be a

1495

00:52:11,109 --> 00:52:09,440

little bit of a weird one

1496

00:52:13,510 --> 00:52:11,119

i haven't heard you talk about these

1497

00:52:17,109 --> 00:52:13,520

things but have you ever pursued

1498

00:52:17,670 --> 00:52:17,119

what they call ormus or monoatomic gold

1499

00:52:21,109 --> 00:52:17,680

or

1500

00:52:23,109 --> 00:52:21,119

mineral alchemy i mean it seems to jive

1501
00:52:24,950 --> 00:52:23,119
and be somewhat adjacent to the things

1502
00:52:25,910 --> 00:52:24,960
you're talking about but it definitely

1503
00:52:28,549 --> 00:52:25,920
has a more

1504
00:52:30,069 --> 00:52:28,559
esoteric flavor but i am fascinated by

1505
00:52:33,670 --> 00:52:30,079
those realms too do they

1506
00:52:37,510 --> 00:52:33,680
fold into your overall umbrella

1507
00:52:41,030 --> 00:52:37,520
yeah ormus orbilly rearranged monotonic

1508
00:52:44,309 --> 00:52:41,040
elements as we could call them

1509
00:52:45,349 --> 00:52:44,319
our transitional elements is what i

1510
00:52:48,390 --> 00:52:45,359
prefer

1511
00:52:50,549 --> 00:52:48,400
to call them now ormus is taking on some

1512
00:52:53,910 --> 00:52:50,559
mystical connotations in certain

1513
00:52:56,549 --> 00:52:53,920

circles and it does do

1514

00:52:58,390 --> 00:52:56,559

amazing things when we get a regular

1515

00:53:00,630 --> 00:52:58,400

supply of the so-called ormus

1516

00:53:02,430 --> 00:53:00,640

you know our bodies are our nervous

1517

00:53:03,910 --> 00:53:02,440

system should be like into a

1518

00:53:06,470 --> 00:53:03,920

superconductor

1519

00:53:07,670 --> 00:53:06,480

so that means of course signals travel

1520

00:53:10,710 --> 00:53:07,680

unimpeded

1521

00:53:13,430 --> 00:53:10,720

beyond the speed of light and

1522

00:53:14,150 --> 00:53:13,440

when that happens we turn into more of

1523

00:53:16,470 --> 00:53:14,160

our original

1524

00:53:17,349 --> 00:53:16,480

self which is a zero point energy so it

1525

00:53:20,150 --> 00:53:17,359

takes little

1526
00:53:21,349 --> 00:53:20,160
or no input from the outside in order to

1527
00:53:24,309 --> 00:53:21,359
operate us

1528
00:53:25,190 --> 00:53:24,319
we enter maximum efficiency and when

1529
00:53:27,910 --> 00:53:25,200
that happens

1530
00:53:28,549 --> 00:53:27,920
also energy systems open up that are a

1531
00:53:31,510 --> 00:53:28,559
little bit

1532
00:53:33,510 --> 00:53:31,520
stagnated in most people energy travels

1533
00:53:34,549 --> 00:53:33,520
to the pineal and other places in our

1534
00:53:37,589 --> 00:53:34,559
higher centers

1535
00:53:39,990 --> 00:53:37,599
that open up our bandwidth of perception

1536
00:53:41,829 --> 00:53:40,000
now what ormus really is it's

1537
00:53:44,150 --> 00:53:41,839
transitional elements

1538
00:53:45,030 --> 00:53:44,160

that are between the keynotes of what we

1539

00:53:47,829 --> 00:53:45,040

think of as

1540

00:53:48,870 --> 00:53:47,839

elements on the periodic table and

1541

00:53:51,750 --> 00:53:48,880

walter russell

1542

00:53:52,150 --> 00:53:51,760

understood that very much so you could

1543

00:53:54,790 --> 00:53:52,160

take

1544

00:53:56,150 --> 00:53:54,800

maybe hydrogen and carbon two different

1545

00:53:58,549 --> 00:53:56,160

elements on the periodic

1546

00:54:01,670 --> 00:53:58,559

table now those are keynotes and just

1547

00:54:03,589 --> 00:54:01,680

like keynotes on a piano keyboard

1548

00:54:06,309 --> 00:54:03,599

you know when you play a particular

1549

00:54:07,430 --> 00:54:06,319

chord you hear the harmonics which is

1550

00:54:09,510 --> 00:54:07,440

really the pleasant

1551

00:54:11,430 --> 00:54:09,520

part of music and that's that

1552

00:54:14,470 --> 00:54:11,440

transitional those transitional

1553

00:54:15,589 --> 00:54:14,480

harmonics between the keynotes now in

1554

00:54:18,950 --> 00:54:15,599

nature

1555

00:54:21,270 --> 00:54:18,960

things are not cast in stone either even

1556

00:54:23,109 --> 00:54:21,280

down to the elements and if you take

1557

00:54:25,030 --> 00:54:23,119

hydrogen which is the beginning of the

1558

00:54:27,349 --> 00:54:25,040

fifth octave and walter russell's

1559

00:54:30,390 --> 00:54:27,359

understanding of the periodic table

1560

00:54:32,710 --> 00:54:30,400

that hydrogen is going to eventually if

1561

00:54:34,870 --> 00:54:32,720

you understand it as just an angulation

1562

00:54:35,510 --> 00:54:34,880

of a waveform rather than a really

1563

00:54:38,549 --> 00:54:35,520

physical

1564

00:54:39,349 --> 00:54:38,559

substance like hydrogen is about 33

1565

00:54:41,589 --> 00:54:39,359

degrees

1566

00:54:42,950 --> 00:54:41,599

on the positive side of the equator of a

1567

00:54:45,109 --> 00:54:42,960

waveform carbon

1568

00:54:46,309 --> 00:54:45,119

is 90 degrees straight up you know

1569

00:54:48,390 --> 00:54:46,319

that's kind of the

1570

00:54:50,870 --> 00:54:48,400

the pinnacle of the fifth octave which

1571

00:54:52,710 --> 00:54:50,880

is the basis of our playground here

1572

00:54:55,109 --> 00:54:52,720

we're in the carbon octa

1573

00:54:56,470 --> 00:54:55,119

and the next octave up is where we're

1574

00:54:58,309 --> 00:54:56,480

going and it's just

1575

00:54:59,990 --> 00:54:58,319

you know we're traveling through the

1576

00:55:01,190 --> 00:55:00,000

octaves into higher levels of

1577

00:55:04,390 --> 00:55:01,200

consciousness

1578

00:55:05,030 --> 00:55:04,400

so as hydrogen eventually makes the

1579

00:55:07,190 --> 00:55:05,040

journey

1580

00:55:08,870 --> 00:55:07,200

and back full circle through all the

1581

00:55:10,789 --> 00:55:08,880

elements it might take thousands of

1582

00:55:12,069 --> 00:55:10,799

years in the earth's surface or beneath

1583

00:55:15,190 --> 00:55:12,079

the earth's surface

1584

00:55:17,349 --> 00:55:15,200

but it happens nevertheless so if you

1585

00:55:18,950 --> 00:55:17,359

take any element you can think of it is

1586

00:55:22,069 --> 00:55:18,960

going to eventually become

1587

00:55:24,069 --> 00:55:22,079

every other element and

1588

00:55:26,230 --> 00:55:24,079

when it's in between the keynotes that

1589

00:55:27,270 --> 00:55:26,240

we recognize as physical metallic

1590

00:55:29,670 --> 00:55:27,280

elements

1591

00:55:31,349 --> 00:55:29,680

they're in the pre-metallic ceramic

1592

00:55:33,990 --> 00:55:31,359

state

1593

00:55:36,390 --> 00:55:34,000

and there's a gentleman david hudson who

1594

00:55:39,910 --> 00:55:36,400

was a soil scientist and he

1595

00:55:42,950 --> 00:55:39,920

discovered these back on about

1596

00:55:45,589 --> 00:55:42,960

89 and i actually got together with him

1597

00:55:47,990 --> 00:55:45,599

shortly after so i started investigating

1598

00:55:50,710 --> 00:55:48,000

ormus as it was called back then

1599

00:55:51,750 --> 00:55:50,720

from the very start but ormus is a

1600

00:55:55,270 --> 00:55:51,760

terminology

1601
00:55:56,150 --> 00:55:55,280
barred from more of an atomic theory of

1602
00:55:57,829 --> 00:55:56,160
elements

1603
00:55:59,829 --> 00:55:57,839
but when you get into the waveform

1604
00:56:01,510 --> 00:55:59,839
mechanics you realize what they really

1605
00:56:03,349 --> 00:56:01,520
are they're transitional elements they

1606
00:56:05,910 --> 00:56:03,359
are in the state of becoming

1607
00:56:07,829 --> 00:56:05,920
now these transitional elements are also

1608
00:56:10,870 --> 00:56:07,839
very powerful because they are the

1609
00:56:13,270 --> 00:56:10,880
informational fields that our body needs

1610
00:56:14,870 --> 00:56:13,280
and just as any farmer will tell you

1611
00:56:16,789 --> 00:56:14,880
these days that the

1612
00:56:18,710 --> 00:56:16,799
basic mineral elements are very

1613
00:56:20,789 --> 00:56:18,720

deficient in the soil and water

1614

00:56:22,230 --> 00:56:20,799

while these transitional elements are

1615

00:56:25,190 --> 00:56:22,240

even more delicate

1616

00:56:27,430 --> 00:56:25,200

and even more deficient that's why we

1617

00:56:29,589 --> 00:56:27,440

take great measure to

1618

00:56:31,270 --> 00:56:29,599

concentrate these transitional elements

1619

00:56:32,150 --> 00:56:31,280

and there's ways to do this from the

1620

00:56:36,390 --> 00:56:32,160

water

1621

00:56:38,150 --> 00:56:36,400

in other ways and then combine them

1622

00:56:40,390 --> 00:56:38,160

with the keynotes or what people would

1623

00:56:43,270 --> 00:56:40,400

think of as regular minerals from

1624

00:56:43,670 --> 00:56:43,280

like folic or humic sources and make

1625

00:56:46,230 --> 00:56:43,680

sure

1626
00:56:47,430 --> 00:56:46,240
that information is part of the package

1627
00:56:49,829 --> 00:56:47,440
because it's so so

1628
00:56:50,789 --> 00:56:49,839
important and it's really what we need

1629
00:56:53,589 --> 00:56:50,799
the most

1630
00:56:54,630 --> 00:56:53,599
otherwise it would be more like digital

1631
00:56:56,710 --> 00:56:54,640
music

1632
00:56:58,630 --> 00:56:56,720
whereas when you start understanding the

1633
00:57:01,030 --> 00:56:58,640
transitional nature of elements

1634
00:57:03,430 --> 00:57:01,040
you're back to analog music and that's

1635
00:57:05,829 --> 00:57:03,440
what our body thrives on

1636
00:57:08,549 --> 00:57:05,839
wow man i'm glad i asked because you

1637
00:57:12,230 --> 00:57:08,559
said so many fascinating things there

1638
00:57:14,390 --> 00:57:12,240

and before we really call it in

1639

00:57:15,589 --> 00:57:14,400

obviously you sell a lot of products on

1640

00:57:17,750 --> 00:57:15,599

the website

1641

00:57:18,789 --> 00:57:17,760

people can also become a part of the

1642

00:57:20,549 --> 00:57:18,799

co-op

1643

00:57:22,230 --> 00:57:20,559

do you want to elaborate on some of the

1644

00:57:24,069 --> 00:57:22,240

things they'll find for

1645

00:57:25,270 --> 00:57:24,079

health and wellness on your website and

1646

00:57:28,069 --> 00:57:25,280

how they can

1647

00:57:29,829 --> 00:57:28,079

contribute to this prototype that you've

1648

00:57:32,510 --> 00:57:29,839

got going on

1649

00:57:34,309 --> 00:57:32,520

sure i appreciate that you know we're at

1650

00:57:37,430 --> 00:57:34,319

alphavedic.com

1651
00:57:39,349 --> 00:57:37,440
and you know the reason why we created a

1652
00:57:42,950 --> 00:57:39,359
commercial enterprise is

1653
00:57:44,470 --> 00:57:42,960
in order to self-fund ourselves and to

1654
00:57:46,630 --> 00:57:44,480
create everything that we're talking

1655
00:57:46,950 --> 00:57:46,640
about it takes a lot of time and money

1656
00:57:49,589 --> 00:57:46,960
and

1657
00:57:51,910 --> 00:57:49,599
you know this is a culmination of many

1658
00:57:54,630 --> 00:57:51,920
decades of my life and learning

1659
00:57:56,470 --> 00:57:54,640
and so our products you know we're here

1660
00:57:58,630 --> 00:57:56,480
on a new piece of

1661
00:58:00,549 --> 00:57:58,640
land you know we're in our fifth year we

1662
00:58:02,549 --> 00:58:00,559
we had a more developed farm elsewhere

1663
00:58:04,630 --> 00:58:02,559

but we outgrew it so we're here doing

1664

00:58:09,670 --> 00:58:04,640

the same thing recreating

1665

00:58:11,910 --> 00:58:09,680

and the goal is one ingredient at a time

1666

00:58:13,430 --> 00:58:11,920

we're growing it you know and it any

1667

00:58:14,950 --> 00:58:13,440

farmer knows that you don't just go

1668

00:58:16,710 --> 00:58:14,960

plant a bunch of seeds and grow

1669

00:58:19,349 --> 00:58:16,720

everything all at once especially

1670

00:58:21,510 --> 00:58:19,359

if you adhere to biodynamic permaculture

1671

00:58:24,230 --> 00:58:21,520

principles it's not like

1672

00:58:25,430 --> 00:58:24,240

mass factory farming you know we just

1673

00:58:27,030 --> 00:58:25,440

plow some stuff

1674

00:58:29,349 --> 00:58:27,040

and hire a bunch of people and grow a

1675

00:58:31,430 --> 00:58:29,359

bunch of stuff because you know

1676

00:58:33,109 --> 00:58:31,440

more than just growing things we also in

1677

00:58:36,470 --> 00:58:33,119

the process want to grow

1678

00:58:38,150 --> 00:58:36,480

topsoil for future generations because

1679

00:58:38,789 --> 00:58:38,160

they might want to have something to eat

1680

00:58:41,190 --> 00:58:38,799

too

1681

00:58:43,430 --> 00:58:41,200

and we want to improve the ecology where

1682

00:58:45,910 --> 00:58:43,440

we farm rather than just

1683

00:58:48,230 --> 00:58:45,920

take from it and destroy it so our

1684

00:58:50,710 --> 00:58:48,240

products reflect that

1685

00:58:52,309 --> 00:58:50,720

now we have trusted sources where we get

1686

00:58:53,750 --> 00:58:52,319

ingredients you know where we aren't

1687

00:58:56,150 --> 00:58:53,760

capable of growing it yet

1688

00:58:58,150 --> 00:58:56,160

but every year we expand our crops so

1689

00:58:59,910 --> 00:58:58,160

that a lot of our products

1690

00:59:02,950 --> 00:58:59,920

will reflect more with what we're

1691

00:59:04,870 --> 00:59:02,960

growing and our goal is to have 100

1692

00:59:06,870 --> 00:59:04,880

everything that we have in our products

1693

00:59:09,750 --> 00:59:06,880

is what we grow right here

1694

00:59:10,549 --> 00:59:09,760

or in some of our sister brother-sister

1695

00:59:12,710 --> 00:59:10,559

farms

1696

00:59:14,789 --> 00:59:12,720

like we have one in hawaii and and we've

1697

00:59:17,750 --> 00:59:14,799

got other people that are interested so

1698

00:59:20,230 --> 00:59:17,760

in a cooperative method we can pull our

1699

00:59:23,030 --> 00:59:20,240

resources and have more ingredients that

1700

00:59:24,230 --> 00:59:23,040

we can trust because we grew them

1701

00:59:26,710 --> 00:59:24,240

ourselves

1702

00:59:28,710 --> 00:59:26,720

so that's what we're really up to that's

1703

00:59:31,990 --> 00:59:28,720

the way we fund ourselves

1704

00:59:35,349 --> 00:59:32,000

and the formulas that i create are

1705

00:59:37,109 --> 00:59:35,359

not just putting in ingredients

1706

00:59:39,589 --> 00:59:37,119

because they're the latest trend that

1707

00:59:42,470 --> 00:59:39,599

everybody's talking about

1708

00:59:43,589 --> 00:59:42,480

you know i create things based on their

1709

00:59:45,670 --> 00:59:43,599

function

1710

00:59:48,309 --> 00:59:45,680

and what i've learned in my years of

1711

00:59:50,549 --> 00:59:48,319

practice how things really work

1712

00:59:51,510 --> 00:59:50,559

and you know not just having an

1713

00:59:53,510 --> 00:59:51,520

impressive

1714

00:59:55,190 --> 00:59:53,520

ingredient list which has everything

1715

00:59:56,150 --> 00:59:55,200

that everybody's been hearing about so

1716

00:59:57,670 --> 00:59:56,160

they buy it

1717

00:59:59,589 --> 00:59:57,680

you know we just designed things a

1718

01:00:02,150 --> 00:59:59,599

little bit different but

1719

01:00:03,670 --> 01:00:02,160

that's what we're up to and i appreciate

1720

01:00:06,390 --> 01:00:03,680

you bringing that up

1721

01:00:07,829 --> 01:00:06,400

yes man the range of things you offer is

1722

01:00:11,109 --> 01:00:07,839

very wide so

1723

01:00:14,230 --> 01:00:11,119

i encourage people to check them out

1724

01:00:16,390 --> 01:00:14,240

and also the alphacast podcast these are

1725

01:00:19,670 --> 01:00:16,400

podcast listeners they should know that

1726

01:00:20,870 --> 01:00:19,680

you do a show with uh a buddy of yours

1727

01:00:22,710 --> 01:00:20,880

and you have some

1728

01:00:23,990 --> 01:00:22,720

great guests and a lot of overlap with

1729

01:00:26,870 --> 01:00:24,000

what we do so

1730

01:00:28,230 --> 01:00:26,880

i think they would also enjoy checking

1731

01:00:31,589 --> 01:00:28,240

that podcast out too

1732

01:00:32,230 --> 01:00:31,599

but man you really know a lot about a

1733

01:00:34,549 --> 01:00:32,240

lot

1734

01:00:36,470 --> 01:00:34,559

i appreciate your time there's so many

1735

01:00:39,990 --> 01:00:36,480

different threads here that i know

1736

01:00:42,950 --> 01:00:40,000

i definitely want to follow up on and

1737

01:00:44,390 --> 01:00:42,960

you make it all seem so hopeful there's

1738

01:00:45,030 --> 01:00:44,400

a lot of ways people can look at the

1739

01:00:48,150 --> 01:00:45,040

world and

1740

01:00:51,430 --> 01:00:48,160

right now it's hard to really focus

1741

01:00:53,190 --> 01:00:51,440

on uh what might be emerging when we see

1742

01:00:55,109 --> 01:00:53,200

so many things kind of

1743

01:00:56,870 --> 01:00:55,119

collapsing and so many of our friends

1744

01:00:57,829 --> 01:00:56,880

and family being rooted in the old

1745

01:01:00,390 --> 01:00:57,839

system

1746

01:01:02,150 --> 01:01:00,400

but i also think there's a lot of

1747

01:01:03,109 --> 01:01:02,160

opportunity and it's really really

1748

01:01:05,349 --> 01:01:03,119

exciting

1749

01:01:06,870 --> 01:01:05,359

to talk to people like you and and

1750

01:01:10,309 --> 01:01:06,880

really be on the forefront

1751

01:01:13,030 --> 01:01:10,319

of a new system emerging i mean we

1752

01:01:14,390 --> 01:01:13,040

quite possibly manifested here at this

1753

01:01:17,270 --> 01:01:14,400

time for a reason

1754

01:01:18,549 --> 01:01:17,280

so let's engage with it and usher in the

1755

01:01:21,510 --> 01:01:18,559

new world so

1756

01:01:23,190 --> 01:01:21,520

i really appreciate everything and

1757

01:01:24,710 --> 01:01:23,200

thanks for helping us on the path man

1758

01:01:25,589 --> 01:01:24,720

keep doing what you do it's been a real

1759

01:01:27,190 --> 01:01:25,599

pleasure

1760

01:01:29,430 --> 01:01:27,200

thank you greg and thanks again for

1761

01:01:32,630 --> 01:01:29,440

having me i really enjoyed our talk

1762

01:01:35,829 --> 01:01:35,430

holy hell praise be to he people what a

1763

01:01:39,670 --> 01:01:35,839

good

1764

01:01:40,630 --> 01:01:39,680

show i cannot believe how impressive dr

1765

01:01:44,549 --> 01:01:40,640

lando's

1766

01:01:46,390 --> 01:01:44,559

life has been the guy has lived no doubt

1767

01:01:48,549 --> 01:01:46,400

it's amazing that he went through such

1768

01:01:49,670 --> 01:01:48,559

conventional routes and still ended up

1769

01:01:52,950 --> 01:01:49,680

on the

1770

01:01:54,630 --> 01:01:52,960

natural path path it's slightly

1771

01:01:55,270 --> 01:01:54,640

surprising to me that more people don't

1772

01:01:58,870 --> 01:01:55,280

but i guess

1773

01:02:01,829 --> 01:01:58,880

only certain folks are wired that way

1774

01:02:04,150 --> 01:02:01,839

but man dr lando is clearly a wealth of

1775

01:02:05,990 --> 01:02:04,160

knowledge and he really walks the walk

1776

01:02:08,710 --> 01:02:06,000

when it comes to applying this world

1777

01:02:09,670 --> 01:02:08,720

view to not only human health but

1778

01:02:12,069 --> 01:02:09,680

permaculture

1779

01:02:14,390 --> 01:02:12,079

and gardening and just a holistic model

1780

01:02:16,950 --> 01:02:14,400

for reality itself

1781

01:02:18,870 --> 01:02:16,960

i do remember crow bringing up walter

1782

01:02:20,789 --> 01:02:18,880

russell and waveform mechanics the last

1783

01:02:22,870 --> 01:02:20,799

time we spoke but other than that this

1784

01:02:25,750 --> 01:02:22,880

was pretty new to me

1785

01:02:26,069 --> 01:02:25,760

the general idea has obviously been in

1786

01:02:29,109 --> 01:02:26,079

the

1787

01:02:31,510 --> 01:02:29,119

air for a long time but with walter

1788

01:02:32,549 --> 01:02:31,520

russell it's about the level of detail

1789

01:02:35,190 --> 01:02:32,559

from what i've seen

1790

01:02:37,190 --> 01:02:35,200

that makes it the most impressive

1791

01:02:39,349 --> 01:02:37,200

reality just seems to be a stack

1792

01:02:41,750 --> 01:02:39,359

of layers seen and unseen and

1793

01:02:44,390 --> 01:02:41,760

corresponding elements making notes on

1794

01:02:46,630 --> 01:02:44,400

the great cosmic grand piano

1795

01:02:48,309 --> 01:02:46,640

see string theory is just stuck on the

1796

01:02:49,829 --> 01:02:48,319

wrong instrument

1797

01:02:52,630 --> 01:02:49,839

but we covered a lot of ground and it

1798

01:02:55,829 --> 01:02:52,640

makes me feel a lot more confident that

1799

01:02:57,829 --> 01:02:55,839

i'm invested in the right paradigm

1800

01:02:59,029 --> 01:02:57,839

sometimes the full court press of the

1801
01:03:02,150 --> 01:02:59,039
system can

1802
01:03:04,390 --> 01:03:02,160
cause us to second guess ourselves

1803
01:03:07,589 --> 01:03:04,400
especially when we aren't necessarily

1804
01:03:10,710 --> 01:03:07,599
experts in any specific discipline

1805
01:03:13,349 --> 01:03:10,720
but i trust the bear landos of the world

1806
01:03:15,750 --> 01:03:13,359
he lives out off the grid on a satellite

1807
01:03:17,029 --> 01:03:15,760
internet connection so i am sorry if our

1808
01:03:19,109 --> 01:03:17,039
editing didn't clear up

1809
01:03:21,270 --> 01:03:19,119
all the breakups we even switched to

1810
01:03:23,349 --> 01:03:21,280
zoom after 20 minutes to try to improve

1811
01:03:25,750 --> 01:03:23,359
the overall situation

1812
01:03:27,990 --> 01:03:25,760
but when a person walks the walk there

1813
01:03:29,430 --> 01:03:28,000

are inconveniences

1814

01:03:31,270 --> 01:03:29,440

that's the whole point of the kovid's

1815

01:03:34,950 --> 01:03:31,280

shot right if you don't get it

1816

01:03:36,230 --> 01:03:34,960

prepare for a slew of inconveniences

1817

01:03:38,150 --> 01:03:36,240

if you don't want to live in a smart

1818

01:03:39,190 --> 01:03:38,160

city and you want to be a bit more off

1819

01:03:40,710 --> 01:03:39,200

the radar well

1820

01:03:42,230 --> 01:03:40,720

your internet connection also isn't

1821

01:03:44,630 --> 01:03:42,240

going to be that great

1822

01:03:46,549 --> 01:03:44,640

we all have to decide where our line is

1823

01:03:47,910 --> 01:03:46,559

and what level of participation we're

1824

01:03:49,990 --> 01:03:47,920

comfortable with i guess

1825

01:03:51,589 --> 01:03:50,000

but i respect the people who land on the

1826

01:03:54,470 --> 01:03:51,599

same side of these choices

1827

01:03:56,230 --> 01:03:54,480

as bear does quite a bit even if it

1828

01:03:57,910 --> 01:03:56,240

makes getting an interview recorded in

1829

01:03:59,510 --> 01:03:57,920

an optimal environment a little more

1830

01:04:01,990 --> 01:03:59,520

difficult

1831

01:04:03,430 --> 01:04:02,000

but as for this alternative treatment

1832

01:04:05,910 --> 01:04:03,440

paradigm and some of the things that

1833

01:04:08,710 --> 01:04:05,920

sound like healing miracles

1834

01:04:10,390 --> 01:04:08,720

as much of a believer as i am i do still

1835

01:04:11,670 --> 01:04:10,400

get caught up in how this stuff can be

1836

01:04:14,630 --> 01:04:11,680

the best kept secret

1837

01:04:15,910 --> 01:04:14,640

that healing that is cheap easy and has

1838

01:04:18,150 --> 01:04:15,920

no side effects

1839

01:04:19,670 --> 01:04:18,160

doesn't just blow the suppression out of

1840

01:04:21,990 --> 01:04:19,680

the water

1841

01:04:24,549 --> 01:04:22,000

because it's so effective and so many

1842

01:04:26,710 --> 01:04:24,559

people are in a bad state of health

1843

01:04:28,309 --> 01:04:26,720

everybody's got an aunt an uncle or a

1844

01:04:30,069 --> 01:04:28,319

grandma

1845

01:04:32,390 --> 01:04:30,079

and you would think if you see one

1846

01:04:33,829 --> 01:04:32,400

person healed like this from a serious

1847

01:04:35,270 --> 01:04:33,839

condition that the system says is

1848

01:04:37,589 --> 01:04:35,280

unhealable

1849

01:04:38,829 --> 01:04:37,599

everyone in your family would adopt this

1850

01:04:42,309 --> 01:04:38,839

world view

1851

01:04:44,549 --> 01:04:42,319

right i mean when i asked dr lando did

1852

01:04:46,069 --> 01:04:44,559

say he was very busy he had a two-year

1853

01:04:47,910 --> 01:04:46,079

wait

1854

01:04:50,150 --> 01:04:47,920

and he's often treating people who are

1855

01:04:51,589 --> 01:04:50,160

seeking a last resort

1856

01:04:53,270 --> 01:04:51,599

they've been through it all their

1857

01:04:53,990 --> 01:04:53,280

conditions are worse than they've ever

1858

01:04:56,150 --> 01:04:54,000

been

1859

01:04:58,710 --> 01:04:56,160

and now you finally seek out natural

1860

01:05:01,349 --> 01:04:58,720

healing and terrain-based treatment

1861

01:05:02,870 --> 01:05:01,359

and it still works most of the time

1862

01:05:04,150 --> 01:05:02,880

that's a big deal

1863

01:05:05,910 --> 01:05:04,160

and we hear that a lot too the

1864

01:05:07,430 --> 01:05:05,920

alternative approaches have the best

1865

01:05:09,670 --> 01:05:07,440

results with the people who are in the

1866

01:05:11,510 --> 01:05:09,680

most desperate state

1867

01:05:14,069 --> 01:05:11,520

and i also think about the people i know

1868

01:05:17,029 --> 01:05:14,079

i know people with bad eczema

1869

01:05:18,309 --> 01:05:17,039

and fibromyalgia and crohn's disease and

1870

01:05:19,990 --> 01:05:18,319

cancer

1871

01:05:21,750 --> 01:05:20,000

if i told these people about a

1872

01:05:24,789 --> 01:05:21,760

lesser-known acupuncture

1873

01:05:27,990 --> 01:05:24,799

technique or tuning fork healing

1874

01:05:29,910 --> 01:05:28,000

they would definitely just laugh as much

1875

01:05:33,349 --> 01:05:29,920

pain as some of them might be in

1876

01:05:35,190 --> 01:05:33,359

most of them wouldn't even try if i came

1877

01:05:38,230 --> 01:05:35,200

to them with a healed deaf ear

1878

01:05:40,470 --> 01:05:38,240

maybe they'd listen no pun intended

1879

01:05:42,470 --> 01:05:40,480

but dr lando is right in that it's

1880

01:05:44,069 --> 01:05:42,480

really a mental thing

1881

01:05:46,309 --> 01:05:44,079

if you heard the last full show with

1882

01:05:48,069 --> 01:05:46,319

gordon when we talked about

1883

01:05:50,710 --> 01:05:48,079

healing my ear in the plush show he

1884

01:05:52,789 --> 01:05:50,720

pretty much said the same thing

1885

01:05:53,910 --> 01:05:52,799

a big part of the healing is knowing it

1886

01:05:56,950 --> 01:05:53,920

can be done

1887

01:05:58,710 --> 01:05:56,960

and then allowing it to happen

1888

01:06:00,549 --> 01:05:58,720

maybe it's attached to some emotional

1889

01:06:02,150 --> 01:06:00,559

trauma or baggage that needs to be

1890

01:06:03,589 --> 01:06:02,160

worked out too

1891

01:06:05,910 --> 01:06:03,599

and i don't want to be bringing up the

1892

01:06:08,309 --> 01:06:05,920

deaf ear thing every time i have

1893

01:06:10,150 --> 01:06:08,319

a guest like this because it's not

1894

01:06:10,789 --> 01:06:10,160

always a song about me it's a song about

1895

01:06:12,470 --> 01:06:10,799

all of us

1896

01:06:14,150 --> 01:06:12,480

and it probably sounds like a broken

1897

01:06:16,150 --> 01:06:14,160

record to you guys

1898

01:06:18,870 --> 01:06:16,160

but i asked dr lando about his thoughts

1899

01:06:21,990 --> 01:06:18,880

on a possible solution for me off there

1900

01:06:23,589 --> 01:06:22,000

and he mentioned tam acupuncture and

1901

01:06:26,390 --> 01:06:23,599

there are actually two places in san

1902

01:06:28,710 --> 01:06:26,400

diego that use that specific modality

1903

01:06:30,390 --> 01:06:28,720

and wouldn't you know they actually list

1904

01:06:31,190 --> 01:06:30,400

deafness as something they have had

1905

01:06:33,990 --> 01:06:31,200

success with

1906

01:06:34,789 --> 01:06:34,000

on their website which is so crazy

1907

01:06:38,150 --> 01:06:34,799

because

1908

01:06:40,309 --> 01:06:38,160

there it is right in plain sight and 99

1909

01:06:43,430 --> 01:06:40,319

of people would think this kind of

1910

01:06:45,670 --> 01:06:43,440

healing would be impossible

1911

01:06:47,750 --> 01:06:45,680

and it is pretty funny of me to think

1912

01:06:49,910 --> 01:06:47,760

that i need to go to some off-the-grid

1913

01:06:52,069 --> 01:06:49,920

shaman in the jungle for this sort of

1914

01:06:53,829 --> 01:06:52,079

thing when there seems to be a place in

1915

01:06:56,150 --> 01:06:53,839

a strip mall in la jolla just

1916

01:06:58,230 --> 01:06:56,160

quietly doing their thing between a tire

1917

01:07:00,230 --> 01:06:58,240

store and i tan

1918

01:07:01,349 --> 01:07:00,240

but the people practicing these things

1919

01:07:03,029 --> 01:07:01,359

they know the deal

1920

01:07:04,950 --> 01:07:03,039

they know it's poking the bear and they

1921

01:07:07,190 --> 01:07:04,960

probably just want to do what they do

1922

01:07:10,309 --> 01:07:07,200

and stay a bit under the radar with a

1923

01:07:12,230 --> 01:07:10,319

nice quiet little successful business

1924

01:07:13,910 --> 01:07:12,240

a sentiment i can certainly understand

1925

01:07:14,870 --> 01:07:13,920

because i feel the same way about what i

1926

01:07:16,549 --> 01:07:14,880

do

1927

01:07:18,870 --> 01:07:16,559

i get enough attention and i really

1928

01:07:20,390 --> 01:07:18,880

don't care if youtube shuts us down or

1929

01:07:23,190 --> 01:07:20,400

if the free audience

1930

01:07:25,109 --> 01:07:23,200

even expands it all i wish more people

1931

01:07:27,990 --> 01:07:25,119

would convert over the plush show but

1932

01:07:29,910 --> 01:07:28,000

we've heard that story before right

1933

01:07:31,510 --> 01:07:29,920

anyway i am glad i got that ormus

1934

01:07:34,230 --> 01:07:31,520

question into the first hour

1935

01:07:36,230 --> 01:07:34,240

transitional elements is a great term to

1936

01:07:37,910 --> 01:07:36,240

think about these things actually

1937

01:07:39,430 --> 01:07:37,920

and from there the plush show got pretty

1938

01:07:41,990 --> 01:07:39,440

wild

1939

01:07:42,870 --> 01:07:42,000

bear explained how alive our thoughts

1940

01:07:46,069 --> 01:07:42,880

really are

1941

01:07:47,430 --> 01:07:46,079

and the five electronic levels we got

1942

01:07:50,230 --> 01:07:47,440

into trying to understand

1943

01:07:51,430 --> 01:07:50,240

what spiritual forces really are and a

1944

01:07:54,829 --> 01:07:51,440

better model for

1945

01:07:57,910 --> 01:07:54,839

human anatomy herbology spagirix and

1946

01:07:59,670 --> 01:07:57,920

alchemy dr lando's process for assessing

1947

01:08:00,870 --> 01:07:59,680

a person and finding the right tool for

1948

01:08:02,789 --> 01:08:00,880

the job

1949

01:08:05,349 --> 01:08:02,799

german new medicine which some people

1950

01:08:07,990 --> 01:08:05,359

have been asking me about lately

1951

01:08:10,309 --> 01:08:08,000

how vaccination affects the soul

1952

01:08:14,390 --> 01:08:10,319

conscious commerce and a bunch of other

1953

01:08:15,910 --> 01:08:14,400

little tidbits really interesting stuff

1954

01:08:17,669 --> 01:08:15,920

if you're just here in the free first

1955

01:08:20,390 --> 01:08:17,679

hour you're missing out

1956

01:08:21,669 --> 01:08:20,400

conscious commerce is a good one i like

1957

01:08:24,229 --> 01:08:21,679

mediums of direct

1958

01:08:26,070 --> 01:08:24,239

exchange outside of the system i

1959

01:08:27,430 --> 01:08:26,080

actually haven't paid for coffee beans

1960

01:08:29,189 --> 01:08:27,440

in at least a year

1961

01:08:31,749 --> 01:08:29,199

because two different coffee roasters

1962

01:08:34,070 --> 01:08:31,759

listen to thc and we trade

1963

01:08:36,630 --> 01:08:34,080

wind and see coffee if you want that

1964

01:08:38,789 --> 01:08:36,640

sweet sweet cbd infused goodness

1965

01:08:39,749 --> 01:08:38,799

and lab notes coffee another great

1966

01:08:43,430 --> 01:08:39,759

company who

1967

01:08:44,870 --> 01:08:43,440

makes a great product i've traded thc

1968

01:08:48,309 --> 01:08:44,880

plus for all sorts of things

1969

01:08:51,510 --> 01:08:48,319

coffee beans artwork crystals vaporizers

1970

01:08:52,229 --> 01:08:51,520

glass supplements i'm very willing to do

1971

01:08:54,390 --> 01:08:52,239

that

1972

01:08:55,430 --> 01:08:54,400

i don't really need any more artwork or

1973

01:08:57,030 --> 01:08:55,440

supplements

1974

01:08:59,510 --> 01:08:57,040

but if you make something that you think

1975

01:09:01,030 --> 01:08:59,520

i'm interested in let's talk about it

1976

01:09:03,510 --> 01:09:01,040

if you want to pay in pretty much any

1977

01:09:05,430 --> 01:09:03,520

crypto accepted by the exodus wallet i'm

1978

01:09:08,149 --> 01:09:05,440

down for that too

1979

01:09:08,709 --> 01:09:08,159

help me help you people but that's the

1980

01:09:10,470 --> 01:09:08,719

show

1981

01:09:13,110 --> 01:09:10,480

big thanks again to bear such an

1982

01:09:16,229 --> 01:09:13,120

impressive wealth of information

1983

01:09:16,870 --> 01:09:16,239

and inspiration really his podcast is

1984

01:09:19,669 --> 01:09:16,880

great too

1985

01:09:20,950 --> 01:09:19,679

check it out but i'm getting out of here

1986

01:09:23,030 --> 01:09:20,960

i've done my part

1987

01:09:25,349 --> 01:09:23,040

your move medical system manipulators

1988

01:09:27,430 --> 01:09:25,359

waveform reality deniers and holistic

1989

01:09:30,470 --> 01:09:27,440

model suppressors

1990

01:09:36,229 --> 01:09:30,480

your [h__h] move

1991

01:09:42,269 --> 01:09:40,550

the world is in random it's attached to

1992

01:09:46,829 --> 01:09:42,279

puppet strings

1993

01:09:46,839 --> 01:09:51,669

everything

1994

01:10:00,070 --> 01:09:54,950

now don't that job seems silly

1995

01:10:03,669 --> 01:10:00,080

hello can you hear me

1996

01:10:07,510 --> 01:10:03,679

or should i play back recordings

1997

01:10:12,550 --> 01:10:07,520

from some spying agency wish we were

1998

01:10:18,660 --> 01:10:12,560

younger and free

1999

01:10:18,670 --> 01:10:41,990

[Music]

2000

01:10:42,000 --> 01:10:50,480

they'll tell you

2001
01:10:50,490 --> 01:10:56,830

[Music]

2002
01:11:10,830 --> 01:10:58,910
hello

2003
01:11:10,840 --> 01:11:25,430
is

2004
01:11:35,030 --> 01:11:30,790
don't know their cartoons

2005
01:11:40,630 --> 01:11:35,040
it's so typical of me to talk about

2006
01:11:43,830 --> 01:11:40,640
this stuff i'm sorry that's good

2007
01:11:47,590 --> 01:11:43,840
well did you

2008
01:11:51,910 --> 01:11:47,600
ever hear the argument that nothing

2009
01:12:09,250 --> 01:11:51,920
really happens it's no secret

2010
01:12:20,830 --> 01:12:09,260
and that the best is

2011
01:12:31,630 --> 01:12:20,840
[Music]

2012
01:12:48,830 --> 01:12:37,540
challenging your paradise

2013
01:13:16,830 --> 01:12:50,270

has

2014

01:13:44,510 --> 01:13:17,930

hello

2015

01:13:46,410 --> 01:13:44,520

[Music]

2016

01:13:47,400 --> 01:13:46,420

challenging

2017

01:13:49,190 --> 01:13:47,410

[Music]

2018

01:13:59,430 --> 01:13:49,200

[Applause]
