1  
00:00:05,670 --> 00:00:02,830

[Music]

2  
00:00:08,549 --> 00:00:05,680

congratulations youtube you did it you

3  
00:00:10,709 --> 00:00:08,559

wore me down and you sucked me back in i

4  
00:00:13,350 --> 00:00:10,719

have too many subscribers here just to

5  
00:00:15,749 --> 00:00:13,360

walk away entirely especially with no

6  
00:00:17,990 --> 00:00:15,759

alternative that truly stacks up and so

7  
00:00:19,670 --> 00:00:18,000

many copycat channels uploading my shows

8  
00:00:22,070 --> 00:00:19,680

for me anyway

9  
00:00:24,150 --> 00:00:22,080

but we can't forget the thc's account

10  
00:00:25,910 --> 00:00:24,160

here is on thin ice

11  
00:00:28,710 --> 00:00:25,920

and so the youtube version of the show

12  
00:00:31,669 --> 00:00:28,720

has to be prefaced with this little psa

13  
00:00:32,870 --> 00:00:31,679

only to say that episodes that contain

14

00:00:35,350 --> 00:00:32,880

the kinds of themes that have been

15

00:00:36,790 --> 00:00:35,360

regularly banned on youtube will not

16

00:00:38,709 --> 00:00:36,800

appear here

17

00:00:40,630 --> 00:00:38,719

and even with that precaution there's

18

00:00:42,950 --> 00:00:40,640

already enough in the archive to get us

19

00:00:45,350 --> 00:00:42,960

removed so remember that the higher side

20

00:00:48,069 --> 00:00:45,360

chats could be banned or put in time out

21

00:00:50,229 --> 00:00:48,079

again at any time and i won't be able to

22

00:00:51,910 --> 00:00:50,239

tell you guys about it so if you feel

23

00:00:53,750 --> 00:00:51,920

like it's been too long since you've

24

00:00:56,549 --> 00:00:53,760

heard from me here on this digital

25

00:00:59,189 --> 00:00:56,559

dystopian draconian data mining monster

26

00:01:00,990 --> 00:00:59,199

of a police state seeking platform

27

00:01:03,750 --> 00:01:01,000

your first step should be to check the

28

00:01:05,590 --> 00:01:03,760

highersidechats.com for the latest shows

29

00:01:11,030 --> 00:01:05,600

alright alright

30

00:01:15,590 --> 00:01:13,030

welcome to another free first hour

31

00:01:17,030 --> 00:01:15,600

episode of the higher side chats i know

32

00:01:19,190 --> 00:01:17,040

we want to get into the action but i

33

00:01:21,670 --> 00:01:19,200

have to ask that you help me armor us up

34

00:01:23,270 --> 00:01:21,680

a bit for the bumpy road ahead because i

35

00:01:25,910 --> 00:01:23,280

bring you the first hour of this show

36

00:01:28,789 --> 00:01:25,920

without unrelated ad nonsense as a proof

37

00:01:31,030 --> 00:01:28,799

of concept and if you value it then come

38

00:01:32,710 --> 00:01:31,040

over to the plus for the eight dollars a

39

00:01:34,630 --> 00:01:32,720

month and hear the full two hour

40

00:01:37,030 --> 00:01:34,640

interviews as they were designed to be

41

00:01:39,190 --> 00:01:37,040

and as you would enjoy them most go to

42

00:01:40,710 --> 00:01:39,200

the highersidechats.com or just click

43

00:01:42,389 --> 00:01:40,720

the link in the show notes to get

44

00:01:44,789 --> 00:01:42,399

started and within a minute you'll be

45

00:01:46,630 --> 00:01:44,799

plugging in your new plus show rss feed

46

00:01:49,670 --> 00:01:46,640

into a hopefully decentralized

47

00:01:51,429 --> 00:01:49,680

podcasting 2.0 supported app feed the

48

00:01:53,510 --> 00:01:51,439

things you want to grow and starve the

49

00:01:56,069 --> 00:01:53,520

things that gotta go and we will reach

50

00:02:04,149 --> 00:01:56,079

the promised land think about that and

51  
00:02:08,630 --> 00:02:06,789  
in the 1930s president franklin delano

52  
00:02:11,270 --> 00:02:08,640  
roosevelt addressed the nation through a

53  
00:02:14,390 --> 00:02:11,280  
series of radio broadcasts known as the

54  
00:02:16,150 --> 00:02:14,400  
fireside chats his aim was to reassure

55  
00:02:18,309 --> 00:02:16,160  
the common man that our society would

56  
00:02:20,790 --> 00:02:18,319  
recover from its troubled times well

57  
00:02:23,430 --> 00:02:20,800  
we're far from 1930 and i deal with a

58  
00:02:25,990 --> 00:02:23,440  
different kind of fire for a new era of

59  
00:02:29,830 --> 00:02:26,000  
worldly frustration we offer a fresh

60  
00:02:33,110 --> 00:02:29,840  
conversation i'm greg carlwood and these

61  
00:02:35,110 --> 00:02:33,120  
are the higher side chats

62  
00:02:36,790 --> 00:02:35,120  
it's a beautiful day in the neighborhood

63  
00:02:39,509 --> 00:02:36,800

higher side chatters doing the thing

64

00:02:42,150 --> 00:02:39,519

from sunny san diego i'm greg carlwood

65

00:02:44,229 --> 00:02:42,160

and anyone who's got even the most basic

66

00:02:46,229 --> 00:02:44,239

understanding of history knows that

67

00:02:48,390 --> 00:02:46,239

empires and the indigenous people in the

68

00:02:49,750 --> 00:02:48,400

way of their expansion efforts do not

69

00:02:51,750 --> 00:02:49,760

mix well

70

00:02:53,509 --> 00:02:51,760

oftentimes the people who don't speak

71

00:02:56,150 --> 00:02:53,519

the language or even understand the

72

00:02:58,309 --> 00:02:56,160

mindset of the hostile invader stand

73

00:03:00,550 --> 00:02:58,319

little chance as they're intentionally

74

00:03:03,350 --> 00:03:00,560

infected with disease steamrolled with

75

00:03:05,670 --> 00:03:03,360

new policies and procedures pushed to

76  
00:03:08,070 --> 00:03:05,680  
the margins of their ancestral lands and

77  
00:03:10,229 --> 00:03:08,080  
systematically abused in ways that are

78  
00:03:12,309 --> 00:03:10,239  
hard to even talk about

79  
00:03:14,149 --> 00:03:12,319  
today it's commonly held wishful

80  
00:03:16,470 --> 00:03:14,159  
thinking to assume the high level

81  
00:03:18,949 --> 00:03:16,480  
benefactors of empire and the archon

82  
00:03:21,110 --> 00:03:18,959  
controlled predator class no longer

83  
00:03:22,710 --> 00:03:21,120  
employ these tactics or operate from

84  
00:03:24,789 --> 00:03:22,720  
such a mindset

85  
00:03:27,030 --> 00:03:24,799  
yet we are in the midst of a global

86  
00:03:29,589 --> 00:03:27,040  
injection campaign a dismantling of

87  
00:03:31,589 --> 00:03:29,599  
medical autonomy cultural segregation

88  
00:03:34,309 --> 00:03:31,599

and movement management based on our

89

00:03:36,550 --> 00:03:34,319

compliance to the empire's experts so it

90

00:03:38,630 --> 00:03:36,560

doesn't seem all that different to me

91

00:03:41,030 --> 00:03:38,640

and probably not to today's guest darren

92

00:03:42,869 --> 00:03:41,040

grimes either we all know darren is one

93

00:03:45,430 --> 00:03:42,879

half of the canadian podcasting

94

00:03:47,670 --> 00:03:45,440

powerhouse that is gramerica but he's

95

00:03:49,990 --> 00:03:47,680

also just finished writing his first

96

00:03:52,869 --> 00:03:50,000

book entitled a canadian shame the

97

00:03:54,630 --> 00:03:52,879

indian act and residential schools

98

00:03:56,710 --> 00:03:54,640

it's a much needed look at how the

99

00:03:58,350 --> 00:03:56,720

native people of canada were treated by

100

00:04:00,229 --> 00:03:58,360

the invaders and how the

101  
00:04:02,630 --> 00:04:00,239  
multi-generational effects of this

102  
00:04:04,390 --> 00:04:02,640  
darkness are still felt today

103  
00:04:06,390 --> 00:04:04,400  
and given the recent uncovering of

104  
00:04:08,630 --> 00:04:06,400  
several mass graves near these old

105  
00:04:09,830 --> 00:04:08,640  
residential schools the timing couldn't

106  
00:04:11,509 --> 00:04:09,840  
be better

107  
00:04:14,070 --> 00:04:11,519  
happy to have him here to talk about it

108  
00:04:15,910 --> 00:04:14,080  
my canadian podcasting colleague of the

109  
00:04:17,909 --> 00:04:15,920  
north and freshly minted author

110  
00:04:18,710 --> 00:04:17,919  
extraordinaire darren my man welcome

111  
00:04:20,550 --> 00:04:18,720  
back

112  
00:04:22,870 --> 00:04:20,560  
hey greg thanks for having me always

113  
00:04:25,270 --> 00:04:22,880

good to be back on the higher side

114

00:04:27,670 --> 00:04:25,280

yes this is awesome congrats on getting

115

00:04:31,110 --> 00:04:27,680

the book done not an easy thing to do

116

00:04:33,030 --> 00:04:31,120

when i saw the title a canadian shame i

117

00:04:34,710 --> 00:04:33,040

thought oh i guess he wrote a book about

118

00:04:36,790 --> 00:04:34,720

his co-host graham

119

00:04:38,230 --> 00:04:36,800

i thought about it i mean i promised

120

00:04:39,590 --> 00:04:38,240

grandma wouldn't pick on him too much

121

00:04:40,950 --> 00:04:39,600

during this interview but we gotta pick

122

00:04:43,350 --> 00:04:40,960

on him a little bit i mean he just found

123

00:04:46,390 --> 00:04:43,360

out he used to be a super soldier

124

00:04:48,070 --> 00:04:46,400

and uh was on the mars 20 and back or

125

00:04:49,909 --> 00:04:48,080

whatever i mean this is he's got a lot

126

00:04:52,150 --> 00:04:49,919

of that on his plate right now he's just

127

00:04:53,189 --> 00:04:52,160

found out this week so he's dealing with

128

00:04:57,830 --> 00:04:53,199

that

129

00:05:00,070 --> 00:04:57,840

i'm sure can help him go through the

130

00:05:02,550 --> 00:05:00,080

motions and get his life back together

131

00:05:04,710 --> 00:05:02,560

he's probably 150 years old now with all

132

00:05:06,710 --> 00:05:04,720

the regression that happens

133

00:05:08,550 --> 00:05:06,720

thoughts and prayers for sure

134

00:05:10,710 --> 00:05:08,560

that's all we can do maybe we'll change

135

00:05:13,670 --> 00:05:10,720

our twitter avatars for him for a couple

136

00:05:16,310 --> 00:05:13,680

of days amen yes yes

137

00:05:18,469 --> 00:05:16,320

but i kid i could i love graham but

138

00:05:20,870 --> 00:05:18,479

let me just ask you how things are in

139

00:05:23,350 --> 00:05:20,880

general canada is one of those countries

140

00:05:25,590 --> 00:05:23,360

where it seems like the coveted policies

141

00:05:27,909 --> 00:05:25,600

are on the harsher side but i did hear

142

00:05:30,230 --> 00:05:27,919

you say somewhere that you're really not

143

00:05:31,749 --> 00:05:30,240

that concerned because canada is so

144

00:05:34,469 --> 00:05:31,759

spread out that they really don't have

145

00:05:36,710 --> 00:05:34,479

the manpower to enforce the things that

146

00:05:38,390 --> 00:05:36,720

they might want to and i thought that

147

00:05:40,150 --> 00:05:38,400

was a pretty good point but how are you

148

00:05:41,990 --> 00:05:40,160

guys holding up these days and dealing

149

00:05:44,550 --> 00:05:42,000

with all the craziness

150

00:05:47,110 --> 00:05:44,560

man alberta it seemed like and i don't

151

00:05:48,550 --> 00:05:47,120

know if it was by design or not but it

152

00:05:50,629 --> 00:05:48,560

seems like i mean

153

00:05:52,230 --> 00:05:50,639

our premier's at doofus i really have a

154

00:05:54,950 --> 00:05:52,240

hard time believing that he's part of

155

00:05:57,430 --> 00:05:54,960

some any sort of cabal and we were like

156

00:05:59,749 --> 00:05:57,440

almost out of it we were almost out of

157

00:06:02,070 --> 00:05:59,759

it we had this date set for i think it

158

00:06:03,670 --> 00:06:02,080

was august 16th

159

00:06:05,670 --> 00:06:03,680

or something like that no it was like

160

00:06:07,909 --> 00:06:05,680

august 23rd and everything was going to

161

00:06:10,070 --> 00:06:07,919

be over the only way to get a test after

162

00:06:11,270 --> 00:06:10,080

that which i think is the biggest thing

163

00:06:12,629 --> 00:06:11,280

of all

164

00:06:13,990 --> 00:06:12,639

they were going to change it so instead

165

00:06:15,990 --> 00:06:14,000

of being able to just go through this

166

00:06:17,189 --> 00:06:16,000

drive through testing thing which now is

167

00:06:18,870 --> 00:06:17,199

still here

168

00:06:21,430 --> 00:06:18,880

but they had said this was all going to

169

00:06:22,710 --> 00:06:21,440

end as of august 23rd if you want to

170

00:06:24,629 --> 00:06:22,720

cover test you're going to need to go

171

00:06:27,270 --> 00:06:24,639

get a prescription so either going to

172

00:06:28,870 --> 00:06:27,280

call your doctor get a prescription or

173

00:06:30,390 --> 00:06:28,880

if you don't want to do that you have to

174

00:06:32,309 --> 00:06:30,400

go to the hospital

175

00:06:34,790 --> 00:06:32,319

which i think just those couple of

176

00:06:36,629 --> 00:06:34,800

barriers to entry rate there

177

00:06:40,230 --> 00:06:36,639

would probably have cut everything back

178

00:06:42,950 --> 00:06:40,240

by probably like 80 to 90 percent

179

00:06:45,909 --> 00:06:42,960

and then along with that we were ending

180

00:06:47,510 --> 00:06:45,919

all quarantine requirements now i

181

00:06:49,990 --> 00:06:47,520

haven't looked into it because i don't

182

00:06:51,510 --> 00:06:50,000

live in saskatchewan but

183

00:06:53,830 --> 00:06:51,520

they had said the same thing and i don't

184

00:06:56,390 --> 00:06:53,840

know if they've stuck with it or not but

185

00:06:58,870 --> 00:06:56,400

basically the health authorities

186

00:07:00,950 --> 00:06:58,880

authorities i even hate saying that but

187

00:07:03,110 --> 00:07:00,960

had come out and said you know it's time

188

00:07:04,629 --> 00:07:03,120

to start treating this as endemic

189

00:07:07,430 --> 00:07:04,639

instead of

190

00:07:09,909 --> 00:07:07,440

pandemic and it's time to just let

191

00:07:11,270 --> 00:07:09,919

adults make adult decisions and people

192

00:07:13,270 --> 00:07:11,280

make you know when you're sick don't go

193

00:07:14,870 --> 00:07:13,280

to school you don't need a test to say

194

00:07:16,230 --> 00:07:14,880

that when you're sick don't go to work

195

00:07:18,230 --> 00:07:16,240

when you're sick don't go to school

196

00:07:20,390 --> 00:07:18,240

don't go to walmart don't go out to the

197

00:07:22,070 --> 00:07:20,400

restaurant all that stuff don't do that

198

00:07:23,909 --> 00:07:22,080

[h\_\_h] when you're sick which

199

00:07:25,189 --> 00:07:23,919

i mean maybe some of us got lazy on that

200

00:07:27,110 --> 00:07:25,199

maybe this has been a little bit of a

201  
00:07:28,950 --> 00:07:27,120  
reminder of that but i mean here's the

202  
00:07:30,710 --> 00:07:28,960  
thing that really i think hits at home

203  
00:07:32,550 --> 00:07:30,720  
is canada had enough money to give

204  
00:07:33,990 --> 00:07:32,560  
everyone some cash

205  
00:07:35,749 --> 00:07:34,000  
and i get to finish that thought because

206  
00:07:37,430 --> 00:07:35,759  
we are far from out of this they ended

207  
00:07:39,589 --> 00:07:37,440  
up extending that

208  
00:07:41,430 --> 00:07:39,599  
until september sometime it was supposed

209  
00:07:43,270 --> 00:07:41,440  
to be september 16th

210  
00:07:44,869 --> 00:07:43,280  
there's a news conference today that i

211  
00:07:45,909 --> 00:07:44,879  
missed it's probably still going on

212  
00:07:47,990 --> 00:07:45,919  
right now

213  
00:07:50,550 --> 00:07:48,000

he was already screaming at unvaccinated

214

00:07:52,629 --> 00:07:50,560

people saying we're the worst

215

00:07:54,550 --> 00:07:52,639

and he started offering to pay people a

216

00:07:56,230 --> 00:07:54,560

hundred dollars a shot

217

00:07:57,749 --> 00:07:56,240

to go get the shot

218

00:07:59,029 --> 00:07:57,759

so i think we're the first people to

219

00:08:00,869 --> 00:07:59,039

actually offer

220

00:08:03,189 --> 00:08:00,879

cold hard cash

221

00:08:04,950 --> 00:08:03,199

to just go get your shots right outside

222

00:08:06,390 --> 00:08:04,960

of the lottery system that we've had a

223

00:08:07,430 --> 00:08:06,400

million dollars

224

00:08:09,110 --> 00:08:07,440

here

225

00:08:10,550 --> 00:08:09,120

we just had a draw the other day for a

226

00:08:13,270 --> 00:08:10,560

million bucks too and we've got another

227

00:08:14,629 --> 00:08:13,280

one coming up and i actually entered the

228

00:08:17,670 --> 00:08:14,639

draw

229

00:08:18,950 --> 00:08:17,680

so we'll cross that bridge if i win yeah

230

00:08:20,390 --> 00:08:18,960

i mean maybe if they'll give me the

231

00:08:21,909 --> 00:08:20,400

million bucks to take the shot right

232

00:08:23,350 --> 00:08:21,919

there maybe i'll consider it i mean

233

00:08:25,830 --> 00:08:23,360

that'd be a tough one right a million

234

00:08:27,749 --> 00:08:25,840

bucks cash right there it would be a

235

00:08:29,350 --> 00:08:27,759

tough one that'd be a tough call right

236

00:08:31,270 --> 00:08:29,360

that's a tougher call than a hundred

237

00:08:33,430 --> 00:08:31,280

bucks for sure 100 bucks is a no-brainer

238

00:08:35,110 --> 00:08:33,440

but a million bucks dude i'd have to

239

00:08:36,790 --> 00:08:35,120

think about that right it's going to be

240

00:08:38,389 --> 00:08:36,800

a life-changing vaccine one way or

241

00:08:40,949 --> 00:08:38,399

another either way

242

00:08:42,949 --> 00:08:40,959

maybe on both ends maybe hopefully only

243

00:08:44,630 --> 00:08:42,959

on one end but

244

00:08:47,590 --> 00:08:44,640

so we did all that but even at the end

245

00:08:48,630 --> 00:08:47,600

of the day what we still don't have

246

00:08:50,310 --> 00:08:48,640

is

247

00:08:51,910 --> 00:08:50,320

paid sick leave

248

00:08:54,630 --> 00:08:51,920

and now

249

00:08:55,990 --> 00:08:54,640

i'm not a proponent say of government

250

00:08:57,190 --> 00:08:56,000

intervening on that level i'm definitely

251  
00:08:58,550 --> 00:08:57,200  
not a proponent of the government

252  
00:08:59,990 --> 00:08:58,560  
telling me

253  
00:09:02,550 --> 00:09:00,000  
or greg

254  
00:09:04,870 --> 00:09:02,560  
that you need to pay your employees two

255  
00:09:06,070 --> 00:09:04,880  
weeks to stay home when they get sick

256  
00:09:07,910 --> 00:09:06,080  
but hey for all the money the

257  
00:09:10,070 --> 00:09:07,920  
government's got and it's thrown around

258  
00:09:12,470 --> 00:09:10,080  
anyway how is that not a thing yet how

259  
00:09:15,190 --> 00:09:12,480  
is that not our number one

260  
00:09:17,430 --> 00:09:15,200  
thing right now is if you're sick stay

261  
00:09:19,670 --> 00:09:17,440  
home i mean we had it set up so that you

262  
00:09:21,430 --> 00:09:19,680  
could just click on your online stuff

263  
00:09:23,430 --> 00:09:21,440

and you'd have two grand within three

264

00:09:26,070 --> 00:09:23,440

days or you'd have your unemployment

265

00:09:28,310 --> 00:09:26,080

money within three days so we can't

266

00:09:29,829 --> 00:09:28,320

figure out a system there that you know

267

00:09:32,310 --> 00:09:29,839

janet gets sick she doesn't want to go

268

00:09:33,990 --> 00:09:32,320

to work but janet's also a single mom

269

00:09:35,750 --> 00:09:34,000

and she lives paycheck to paycheck and

270

00:09:37,350 --> 00:09:35,760

she gets paid hourly because this is a

271

00:09:39,350 --> 00:09:37,360

situation that

272

00:09:41,590 --> 00:09:39,360

you know sometimes we forget that half

273

00:09:43,590 --> 00:09:41,600

the world is it

274

00:09:45,269 --> 00:09:43,600

but you know in canada where we're

275

00:09:46,870 --> 00:09:45,279

fairly down the road of socialism

276

00:09:48,310 --> 00:09:46,880

already we got the free health care i

277

00:09:50,389 --> 00:09:48,320

mean you'd think you'd save health care

278

00:09:52,310 --> 00:09:50,399

money there just you could probably save

279

00:09:53,750 --> 00:09:52,320

that on the back end just by taking it

280

00:09:55,910 --> 00:09:53,760

out of the health care budget paying

281

00:09:58,070 --> 00:09:55,920

people to stay home when they're sick

282

00:10:00,070 --> 00:09:58,080

but i think the fact that two years into

283

00:10:02,310 --> 00:10:00,080

coven or whatever it is

284

00:10:04,550 --> 00:10:02,320

we still don't have that in canada

285

00:10:05,829 --> 00:10:04,560

we have like all these other things but

286

00:10:07,670 --> 00:10:05,839

we still won't pay you to stay home if

287

00:10:09,750 --> 00:10:07,680

you're sick

288

00:10:12,150 --> 00:10:09,760

unless you're quarantined and guaranteed

289

00:10:14,069 --> 00:10:12,160

to have covet so

290

00:10:15,430 --> 00:10:14,079

i mean that's the kind of the jig is up

291

00:10:17,190 --> 00:10:15,440

on that one but it looks like alberta's

292

00:10:19,590 --> 00:10:17,200

slipping right back into it i mean we'll

293

00:10:21,190 --> 00:10:19,600

see how harsh it is we've been lucky

294

00:10:23,430 --> 00:10:21,200

in alberta because our police here

295

00:10:25,910 --> 00:10:23,440

haven't enforced it at all the alberta

296

00:10:27,910 --> 00:10:25,920

rcmp from the get-go basically

297

00:10:29,590 --> 00:10:27,920

publicly said they weren't interested in

298

00:10:31,829 --> 00:10:29,600

what people were doing

299

00:10:33,509 --> 00:10:31,839

with their private lives so we on the

300

00:10:35,190 --> 00:10:33,519

outside it looked like we had harsh

301  
00:10:37,110 --> 00:10:35,200  
mandates here probably some of the

302  
00:10:39,430 --> 00:10:37,120  
harshest because i think from december

303  
00:10:41,110 --> 00:10:39,440  
until may or something like that april

304  
00:10:43,110 --> 00:10:41,120  
or may

305  
00:10:44,949 --> 00:10:43,120  
they basically said

306  
00:10:46,710 --> 00:10:44,959  
you can't have anyone you can't hang out

307  
00:10:48,230 --> 00:10:46,720  
with anyone outside

308  
00:10:49,590 --> 00:10:48,240  
and you can't hang out with anyone

309  
00:10:51,190 --> 00:10:49,600  
inside

310  
00:10:53,110 --> 00:10:51,200  
no hanging out with anyone period the

311  
00:10:55,110 --> 00:10:53,120  
restaurants were closed

312  
00:10:56,470 --> 00:10:55,120  
all that but

313  
00:10:58,550 --> 00:10:56,480

then they had this thing where if you

314

00:11:00,230 --> 00:10:58,560

were a single mom or stuff like that

315

00:11:01,829 --> 00:11:00,240

you're allowed to have if you didn't

316

00:11:03,990 --> 00:11:01,839

live with anyone all of a sudden you

317

00:11:05,990 --> 00:11:04,000

were allowed to have a couple of cohorts

318

00:11:07,430 --> 00:11:06,000

so but i mean i was just sort of doing

319

00:11:10,150 --> 00:11:07,440

whatever i wanted the whole time we had

320

00:11:12,470 --> 00:11:10,160

a couple of barbecues over here

321

00:11:13,190 --> 00:11:12,480

and nothing ever happened as far as i

322

00:11:15,509 --> 00:11:13,200

know

323

00:11:17,030 --> 00:11:15,519

not a lot of that was enforced

324

00:11:18,389 --> 00:11:17,040

but i mean the restaurant people took a

325

00:11:20,230 --> 00:11:18,399

[h\_\_h] beating

326

00:11:22,230 --> 00:11:20,240

yeah you're taking a beating again

327

00:11:23,910 --> 00:11:22,240

already i mean just closing that [h\_\_h] at

328

00:11:25,350 --> 00:11:23,920

10 o'clock

329

00:11:26,710 --> 00:11:25,360

sucks to people who want to go out and

330

00:11:28,470 --> 00:11:26,720

party and stuff like that but i mean

331

00:11:30,550 --> 00:11:28,480

there's just a shitload of people that

332

00:11:32,550 --> 00:11:30,560

just lost their income again yeah really

333

00:11:34,389 --> 00:11:32,560

so i mean we're still at

334

00:11:35,990 --> 00:11:34,399

the average age in alberta of people

335

00:11:38,630 --> 00:11:36,000

that have died or are hospitalized

336

00:11:39,910 --> 00:11:38,640

because of covid as per the government

337

00:11:41,670 --> 00:11:39,920

website

338

00:11:44,230 --> 00:11:41,680

is 80 years old

339

00:11:47,190 --> 00:11:44,240

the average life expectancy

340

00:11:49,509 --> 00:11:47,200

for alberta is 81.

341

00:11:51,910 --> 00:11:49,519

so to shut down the entire economy

342

00:11:53,350 --> 00:11:51,920

because this is happening seems

343

00:11:55,590 --> 00:11:53,360

i don't know i mean i just got called a

344

00:11:57,430 --> 00:11:55,600

nazi on twitter again

345

00:11:59,590 --> 00:11:57,440

because i stated that because they're

346

00:12:02,230 --> 00:11:59,600

having a big scare thing i i actually

347

00:12:05,590 --> 00:12:02,240

quoted on jason kenny's

348

00:12:07,990 --> 00:12:05,600

stupid little press conference tweet

349

00:12:10,470 --> 00:12:08,000

that you know the average age

350

00:12:12,550 --> 00:12:10,480

someone is hospitalized for covid is 80

351  
00:12:13,910 --> 00:12:12,560  
and the average life expectancy is 81.

352  
00:12:15,430 --> 00:12:13,920  
that's as far as i'm concerned that

353  
00:12:17,190 --> 00:12:15,440  
those are the only stats you need to

354  
00:12:19,350 --> 00:12:17,200  
know i don't want old people to die i'm

355  
00:12:21,750 --> 00:12:19,360  
not saying that's fine but we need to

356  
00:12:23,590 --> 00:12:21,760  
look at this with some context here how

357  
00:12:24,870 --> 00:12:23,600  
many of the people that we saved last

358  
00:12:29,590 --> 00:12:24,880  
year

359  
00:12:31,190 --> 00:12:29,600  
yes that's the ultimate question

360  
00:12:32,710 --> 00:12:31,200  
i mean people that we're shutting down

361  
00:12:35,269 --> 00:12:32,720  
to save aren't going to see the end of

362  
00:12:36,790 --> 00:12:35,279  
kovat anyway for other reasons i mean it

363  
00:12:40,069 --> 00:12:36,800

sucks but

364

00:12:42,710 --> 00:12:40,079

i mean his quarrels was god not with me

365

00:12:44,550 --> 00:12:42,720

right right for me it's just the the

366

00:12:47,190 --> 00:12:44,560

biggest issue is

367

00:12:50,829 --> 00:12:47,200

hearing from a lot more people that are

368

00:12:53,829 --> 00:12:50,839

seeing the sadness catch up to them the

369

00:12:55,750 --> 00:12:53,839

isolation the uncertainty all the stress

370

00:12:56,949 --> 00:12:55,760

the splitting of friend groups and that

371

00:12:59,990 --> 00:12:56,959

sort of thing

372

00:13:03,509 --> 00:13:00,000

and it's all right to be sad for a bit

373

00:13:06,230 --> 00:13:03,519

but the only path forward that i see is

374

00:13:07,269 --> 00:13:06,240

building new networks making new friends

375

00:13:09,590 --> 00:13:07,279

getting

376

00:13:11,110 --> 00:13:09,600

out there and finding the others as they

377

00:13:13,110 --> 00:13:11,120

say you know

378

00:13:14,069 --> 00:13:13,120

that's one way i guess guys like us were

379

00:13:16,790 --> 00:13:14,079

blessed

380

00:13:18,790 --> 00:13:16,800

yes because we're like

381

00:13:21,269 --> 00:13:18,800

we live in the rabbit hole

382

00:13:23,030 --> 00:13:21,279

so i mean it's mostly rabbits down here

383

00:13:24,389 --> 00:13:23,040

it's not bad you know i mean there's

384

00:13:26,710 --> 00:13:24,399

very few

385

00:13:28,710 --> 00:13:26,720

if i don't go online i don't really see

386

00:13:30,310 --> 00:13:28,720

it at all there's some places at work i

387

00:13:32,150 --> 00:13:30,320

have to wear a mask honestly in the

388

00:13:34,949 --> 00:13:32,160

beginning i kicked up a fuss about it

389

00:13:37,430 --> 00:13:34,959

now i'm just like we're way past that

390

00:13:39,269 --> 00:13:37,440

hill you know what i mean all right you

391

00:13:41,670 --> 00:13:39,279

should get one of sofia small storms

392

00:13:43,430 --> 00:13:41,680

masks because they're cheese cloth and

393

00:13:45,670 --> 00:13:43,440

they look like a regular mask but you

394

00:13:47,590 --> 00:13:45,680

can breathe through them just fine

395

00:13:50,389 --> 00:13:47,600

so you know if you got to wear it for

396

00:13:51,350 --> 00:13:50,399

multiple hours a day i have found that

397

00:13:53,750 --> 00:13:51,360

to be

398

00:13:56,069 --> 00:13:53,760

a really great tool my wife wanted to go

399

00:13:58,389 --> 00:13:56,079

back to missouri to announce that she

400

00:14:00,550 --> 00:13:58,399

was pregnant and i wasn't going to put

401  
00:14:02,949 --> 00:14:00,560  
her on an airplane with restricted

402  
00:14:05,430 --> 00:14:02,959  
breathing so i hit up sophia to get one

403  
00:14:07,509 --> 00:14:05,440  
of those and she said it helped a lot

404  
00:14:09,350 --> 00:14:07,519  
she's thousand yeah she makes them and

405  
00:14:10,949 --> 00:14:09,360  
she sells them i'll send me the link

406  
00:14:13,430 --> 00:14:10,959  
after and i'll order some of those i

407  
00:14:15,670 --> 00:14:13,440  
have this little plastic chin thing

408  
00:14:17,430 --> 00:14:15,680  
that holds a little plastic guard out

409  
00:14:19,829 --> 00:14:17,440  
it's a little tiny thing too it's like

410  
00:14:21,189 --> 00:14:19,839  
it's basically like your face mask but

411  
00:14:22,230 --> 00:14:21,199  
it's a clear plastic thing and there's a

412  
00:14:24,150 --> 00:14:22,240  
little thing that goes in your chin

413  
00:14:26,069 --> 00:14:24,160

holds it like three inches out

414

00:14:27,509 --> 00:14:26,079

that works at the grocery store and all

415

00:14:28,550 --> 00:14:27,519

those places i mean people look at you

416

00:14:30,230 --> 00:14:28,560

funny

417

00:14:32,870 --> 00:14:30,240

but like the planes and that they're

418

00:14:34,710 --> 00:14:32,880

like no no no no no you gotta

419

00:14:36,389 --> 00:14:34,720

you gotta take that off

420

00:14:37,990 --> 00:14:36,399

right so i definitely wanna start

421

00:14:40,150 --> 00:14:38,000

talking about the book but i guess the

422

00:14:41,509 --> 00:14:40,160

last covid related thing i would ask you

423

00:14:44,069 --> 00:14:41,519

about is

424

00:14:46,710 --> 00:14:44,079

the vaccine and where you guys are with

425

00:14:48,550 --> 00:14:46,720

thinking about it as like how dangerous

426

00:14:51,030 --> 00:14:48,560

is it really like what are some of your

427

00:14:53,110 --> 00:14:51,040

guests saying the people you trust the

428

00:14:55,189 --> 00:14:53,120

people you think make the best case i

429

00:14:56,949 --> 00:14:55,199

mean i'm hearing people say that it's a

430

00:14:59,430 --> 00:14:56,959

death sentence that in three to five

431

00:15:01,829 --> 00:14:59,440

years everyone who got it will be gone i

432

00:15:04,150 --> 00:15:01,839

think that's a little hyperbolic to me

433

00:15:06,550 --> 00:15:04,160

the biggest group of people is people

434

00:15:08,550 --> 00:15:06,560

who get coveted are fine or people who

435

00:15:11,670 --> 00:15:08,560

get the vaccine and are fine like in

436

00:15:13,030 --> 00:15:11,680

either case i think we're talking about

437

00:15:15,110 --> 00:15:13,040

10

438

00:15:17,670 --> 00:15:15,120

who are really gonna be lifelong

439

00:15:19,829 --> 00:15:17,680

affected and i don't know i'm just i i

440

00:15:22,150 --> 00:15:19,839

tend to think that like we get

441

00:15:23,910 --> 00:15:22,160

hyperbolic in the alternative community

442

00:15:26,550 --> 00:15:23,920

and the reality is that the vast

443

00:15:29,430 --> 00:15:26,560

majority of people who take childhood

444

00:15:31,269 --> 00:15:29,440

vaccines or this are probably still

445

00:15:33,189 --> 00:15:31,279

going to be fine at least i have to tell

446

00:15:35,350 --> 00:15:33,199

myself that because i know too many damn

447

00:15:36,150 --> 00:15:35,360

people have gotten it but what do you

448

00:15:38,230 --> 00:15:36,160

think

449

00:15:40,470 --> 00:15:38,240

things look like with the vaccinated

450

00:15:43,030 --> 00:15:40,480

over the next uh couple of years based

451  
00:15:45,269 --> 00:15:43,040  
on the people you've been talking to

452  
00:15:47,110 --> 00:15:45,279  
i agree that i mean

453  
00:15:49,990 --> 00:15:47,120  
maybe they do but i think that's a

454  
00:15:52,710 --> 00:15:50,000  
little harsh that everybody's [h\_\_h]

455  
00:15:54,629 --> 00:15:52,720  
i don't do blackpill i'm really not

456  
00:15:55,910 --> 00:15:54,639  
super interested in entertaining that

457  
00:15:58,230 --> 00:15:55,920  
because

458  
00:16:00,310 --> 00:15:58,240  
i'm a magician

459  
00:16:02,150 --> 00:16:00,320  
we're all magicians on a certain level

460  
00:16:03,990 --> 00:16:02,160  
so you got to be careful with that kind

461  
00:16:07,030 --> 00:16:04,000  
of stuff you got to kind of be aware but

462  
00:16:09,910 --> 00:16:07,040  
not dwell on it

463  
00:16:11,110 --> 00:16:09,920

it's a scary time though man i mean

464

00:16:13,030 --> 00:16:11,120

i know

465

00:16:14,069 --> 00:16:13,040

a whack of people that have got it and

466

00:16:16,870 --> 00:16:14,079

they're fine

467

00:16:17,990 --> 00:16:16,880

like completely fine no nothing

468

00:16:19,829 --> 00:16:18,000

people that

469

00:16:21,269 --> 00:16:19,839

i work with high level construction

470

00:16:23,030 --> 00:16:21,279

people

471

00:16:24,870 --> 00:16:23,040

like the high level

472

00:16:26,790 --> 00:16:24,880

sorts of people in it that are on the

473

00:16:28,310 --> 00:16:26,800

ball you know when you're meeting with

474

00:16:30,629 --> 00:16:28,320

them they're on the ball

475

00:16:33,509 --> 00:16:30,639

and they're still on the ball

476

00:16:35,670 --> 00:16:33,519

but i also know people close to me that

477

00:16:37,990 --> 00:16:35,680

are still on the ball

478

00:16:39,749 --> 00:16:38,000

but they got a joint thing

479

00:16:42,069 --> 00:16:39,759

because maybe that you know it started

480

00:16:44,069 --> 00:16:42,079

with the finger was aching and now it's

481

00:16:45,590 --> 00:16:44,079

all your joints sometimes go on you and

482

00:16:47,430 --> 00:16:45,600

they're all just sort of aching and it's

483

00:16:49,509 --> 00:16:47,440

sort of and these are people that maybe

484

00:16:51,670 --> 00:16:49,519

had some childhood this or that you know

485

00:16:53,430 --> 00:16:51,680

maybe some autoimmune issues already

486

00:16:54,870 --> 00:16:53,440

that's what i think the biggest thing is

487

00:16:57,350 --> 00:16:54,880

going to be yeah

488

00:16:59,670 --> 00:16:57,360

seems to be an autoimmune trigger that

489

00:17:01,509 --> 00:16:59,680

on the best case scenario it's the same

490

00:17:02,949 --> 00:17:01,519

as a childhood vaccine

491

00:17:04,949 --> 00:17:02,959

on some level

492

00:17:07,750 --> 00:17:04,959

the problem is you're taking it from

493

00:17:09,429 --> 00:17:07,760

four million people a year

494

00:17:12,390 --> 00:17:09,439

you know four to six million people a

495

00:17:13,990 --> 00:17:12,400

year getting the childhood vaccines

496

00:17:16,470 --> 00:17:14,000

to

497

00:17:18,870 --> 00:17:16,480

what a billion yeah

498

00:17:20,710 --> 00:17:18,880

it's some insane number at this point

499

00:17:22,549 --> 00:17:20,720

right it's hundreds and hundreds and

500

00:17:24,870 --> 00:17:22,559

hundreds of millions i mean even at one

501  
00:17:26,630 --> 00:17:24,880  
in ten thousand that starts to get crazy

502  
00:17:28,549 --> 00:17:26,640  
guys like you and i know it's not one

503  
00:17:29,990 --> 00:17:28,559  
and ten thousand it's a lot higher than

504  
00:17:32,310 --> 00:17:30,000  
that

505  
00:17:33,830 --> 00:17:32,320  
but it's not one and one i don't think i

506  
00:17:36,230 --> 00:17:33,840  
mean

507  
00:17:39,110 --> 00:17:36,240  
i don't know do you think they'd be that

508  
00:17:41,110 --> 00:17:39,120  
my thought is that

509  
00:17:44,310 --> 00:17:41,120  
the population problems that they're

510  
00:17:46,230 --> 00:17:44,320  
talking about are usually

511  
00:17:47,750 --> 00:17:46,240  
in the third world not in the first

512  
00:17:49,190 --> 00:17:47,760  
world but they have maybe they've gotten

513  
00:17:50,870 --> 00:17:49,200

to the point where they want to replace

514

00:17:53,350 --> 00:17:50,880

us with

515

00:17:55,430 --> 00:17:53,360

people that want to listen or not you

516

00:17:57,430 --> 00:17:55,440

know i don't know right but it seems

517

00:17:59,029 --> 00:17:57,440

like there's easier ways to do that at

518

00:18:00,870 --> 00:17:59,039

the same time

519

00:18:02,310 --> 00:18:00,880

than this whole thing you know what i

520

00:18:04,630 --> 00:18:02,320

mean like you could have just released a

521

00:18:06,070 --> 00:18:04,640

real bug then mm-hmm

522

00:18:08,390 --> 00:18:06,080

the other problem is i don't know what

523

00:18:10,310 --> 00:18:08,400

to believe these days right it's like

524

00:18:12,630 --> 00:18:10,320

weird new world where

525

00:18:14,549 --> 00:18:12,640

stuff graham's telling me and stuff i'm

526  
00:18:19,110 --> 00:18:14,559  
hearing from the alternative community

527  
00:18:21,110 --> 00:18:19,120  
and stuff i'm i'm hearing from podcasts

528  
00:18:23,990 --> 00:18:21,120  
and the stuff i'm seeing on the news and

529  
00:18:26,390 --> 00:18:24,000  
on the msm i mean it's all just there's

530  
00:18:28,150 --> 00:18:26,400  
so much [h\_\_\h] on the walls now it's

531  
00:18:30,390 --> 00:18:28,160  
pretty hard to see what's going on at

532  
00:18:31,510 --> 00:18:30,400  
this point so it's just like

533  
00:18:36,150 --> 00:18:31,520  
i don't know

534  
00:18:37,590 --> 00:18:36,160  
but my hope is that it's just like

535  
00:18:39,669 --> 00:18:37,600  
pharma greed

536  
00:18:42,230 --> 00:18:39,679  
yeah yeah i think that i also do think

537  
00:18:44,390 --> 00:18:42,240  
that they are obsessed with managing the

538  
00:18:46,710 --> 00:18:44,400

planet and they do have in the back of

539

00:18:48,870 --> 00:18:46,720

their minds that they're doing something

540

00:18:52,390 --> 00:18:48,880

good and they have to preserve the

541

00:18:54,310 --> 00:18:52,400

system and i think automation is a big

542

00:18:57,270 --> 00:18:54,320

thing on their minds and so if they're

543

00:18:59,029 --> 00:18:57,280

thinking oh we can just take out 20 of

544

00:19:00,710 --> 00:18:59,039

the useless eaters

545

00:19:02,390 --> 00:19:00,720

i really think that's a thing that they

546

00:19:04,549 --> 00:19:02,400

would entertain in these think tanks

547

00:19:06,070 --> 00:19:04,559

because they would see it as well

548

00:19:07,990 --> 00:19:06,080

with automation there's going to be so

549

00:19:09,430 --> 00:19:08,000

many people without jobs and what are we

550

00:19:12,070 --> 00:19:09,440

going to do with all these people these

551  
00:19:15,350 --> 00:19:12,080  
drains on the system let's call them a

552  
00:19:17,190 --> 00:19:15,360  
little bit so the timing with automation

553  
00:19:19,750 --> 00:19:17,200  
does make me think that that's a little

554  
00:19:21,510 --> 00:19:19,760  
bit in the mindset

555  
00:19:23,350 --> 00:19:21,520  
but there's a lot of as you say crazy

556  
00:19:25,750 --> 00:19:23,360  
things going on in the alternative

557  
00:19:27,669 --> 00:19:25,760  
community graphene oxide it seems to be

558  
00:19:29,590 --> 00:19:27,679  
a component of

559  
00:19:31,830 --> 00:19:29,600  
the vaccines and i think it's a real

560  
00:19:34,230 --> 00:19:31,840  
blessing for us that they're now going

561  
00:19:37,430 --> 00:19:34,240  
with boosters and third shots

562  
00:19:40,230 --> 00:19:37,440  
because it seems like you're never gonna

563  
00:19:41,750 --> 00:19:40,240

be fully vaccinated as they say with

564

00:19:42,549 --> 00:19:41,760

just two shots

565

00:19:45,350 --> 00:19:42,559

so

566

00:19:48,310 --> 00:19:45,360

if people are all across the spectrum

567

00:19:50,150 --> 00:19:48,320

from zero shots to the most up-to-date

568

00:19:52,630 --> 00:19:50,160

recommendations whatever they end up

569

00:19:53,669 --> 00:19:52,640

being i mean there's a lot of variance

570

00:19:56,070 --> 00:19:53,679

in there

571

00:19:59,669 --> 00:19:56,080

and so when you start restricting rights

572

00:20:01,909 --> 00:19:59,679

based on who's fully vaccinated well

573

00:20:04,630 --> 00:20:01,919

now a lot of people who have two shots

574

00:20:07,350 --> 00:20:04,640

and me now are in the same category and

575

00:20:09,750 --> 00:20:07,360

i like that i think that that works for

576

00:20:11,350 --> 00:20:09,760

for our benefit the more people in the

577

00:20:13,350 --> 00:20:11,360

club even those who've already gotten

578

00:20:15,590 --> 00:20:13,360

vaccinated when they move the goal post

579

00:20:17,669 --> 00:20:15,600

and people decide that they've just had

580

00:20:19,270 --> 00:20:17,679

it they're not going to comply anymore

581

00:20:20,789 --> 00:20:19,280

i think that's going to help us out a

582

00:20:21,909 --> 00:20:20,799

lot and

583

00:20:24,950 --> 00:20:21,919

one of the

584

00:20:26,390 --> 00:20:24,960

darker stranger things that is being

585

00:20:29,510 --> 00:20:26,400

talked about is

586

00:20:31,750 --> 00:20:29,520

technocracy and this move to push people

587

00:20:34,950 --> 00:20:31,760

to digital spaces that are highly

588

00:20:38,310 --> 00:20:34,960

controlled and make the physical body

589

00:20:40,950 --> 00:20:38,320

uncomfortable and make people desire to

590

00:20:42,950 --> 00:20:40,960

live in these digital spaces it starts

591

00:20:44,630 --> 00:20:42,960

to sound like ready player one if you've

592

00:20:47,430 --> 00:20:44,640

seen the movie like everybody's in

593

00:20:49,830 --> 00:20:47,440

poverty and filth and they just want to

594

00:20:50,950 --> 00:20:49,840

get that headset on and escape to the

595

00:20:53,350 --> 00:20:50,960

game

596

00:20:55,270 --> 00:20:53,360

that to me seems like a real possibility

597

00:20:58,149 --> 00:20:55,280

of where things are going and

598

00:21:01,430 --> 00:20:58,159

maybe these routine shots having to

599

00:21:03,750 --> 00:21:01,440

continually get re-upped i mean

600

00:21:06,310 --> 00:21:03,760

potentially it is one of those things

601  
00:21:08,950 --> 00:21:06,320  
that pushes people to be more of a

602  
00:21:11,270 --> 00:21:08,960  
chimera more of a

603  
00:21:13,270 --> 00:21:11,280  
digital friendly

604  
00:21:15,350 --> 00:21:13,280  
body rather than one that's kind of in

605  
00:21:17,909 --> 00:21:15,360  
tune with the natural world and gets

606  
00:21:20,470 --> 00:21:17,919  
people further and further away from the

607  
00:21:22,310 --> 00:21:20,480  
natural space a lot of crazy stuff being

608  
00:21:24,630 --> 00:21:22,320  
talked about but i could see some of

609  
00:21:27,909 --> 00:21:24,640  
these things circling around the mindset

610  
00:21:30,070 --> 00:21:27,919  
of the archon controlled elite and i

611  
00:21:31,750 --> 00:21:30,080  
just think all you can do is uh keep it

612  
00:21:34,230 --> 00:21:31,760  
all at bay and as you say we're

613  
00:21:37,110 --> 00:21:34,240

magicians so the mindset it's got got to

614

00:21:39,750 --> 00:21:37,120

be kind of important to keep it positive

615

00:21:41,990 --> 00:21:39,760

well i definitely think the time to like

616

00:21:43,110 --> 00:21:42,000

like i said i've given up on the mask

617

00:21:44,470 --> 00:21:43,120

battle

618

00:21:46,149 --> 00:21:44,480

and i mean i'm kind of at the point

619

00:21:47,909 --> 00:21:46,159

where like jumping up and down about not

620

00:21:49,909 --> 00:21:47,919

being vaccinated doesn't seem like such

621

00:21:52,390 --> 00:21:49,919

a hot idea anymore either like it's time

622

00:21:54,070 --> 00:21:52,400

to shut the [h\_\_h] up and fight it you

623

00:21:55,350 --> 00:21:54,080

know i'm not complying graham's like

624

00:21:57,669 --> 00:21:55,360

well that's compliant i'm like no it's

625

00:21:59,669 --> 00:21:57,679

not you know what i mean i got my papers

626  
00:22:01,510 --> 00:21:59,679  
just in case

627  
00:22:04,230 --> 00:22:01,520  
but i mean

628  
00:22:06,070 --> 00:22:04,240  
how i got them that remains to be seen

629  
00:22:07,750 --> 00:22:06,080  
i'm not vaccinated

630  
00:22:09,029 --> 00:22:07,760  
but i've got papers that say yeah i mean

631  
00:22:11,029 --> 00:22:09,039  
the problem becomes when there's three

632  
00:22:12,710 --> 00:22:11,039  
four five and six of those

633  
00:22:14,230 --> 00:22:12,720  
how do you keep up but i mean then it

634  
00:22:16,070 --> 00:22:14,240  
becomes

635  
00:22:18,390 --> 00:22:16,080  
i mean are they pushing us to want to

636  
00:22:20,470 --> 00:22:18,400  
just give in to that digital system so

637  
00:22:21,909 --> 00:22:20,480  
that you just scam your qr code every

638  
00:22:23,909 --> 00:22:21,919

time you get a new shot so they know

639

00:22:26,390 --> 00:22:23,919

who's up to date and

640

00:22:28,070 --> 00:22:26,400

i mean i guess the hope is that i'm not

641

00:22:30,549 --> 00:22:28,080

the hope even but i feel like we're

642

00:22:33,430 --> 00:22:30,559

close to getting a wake-up call on on

643

00:22:35,430 --> 00:22:33,440

how fragile the whole thing is and maybe

644

00:22:36,310 --> 00:22:35,440

put all this into some real context

645

00:22:38,230 --> 00:22:36,320

mm-hmm

646

00:22:39,590 --> 00:22:38,240

yeah whether that's something with china

647

00:22:41,510 --> 00:22:39,600

or something else but it starts to look

648

00:22:43,990 --> 00:22:41,520

weird when you see places like russia

649

00:22:46,630 --> 00:22:44,000

and china banning this thing right

650

00:22:48,789 --> 00:22:46,640

yes very curious

651  
00:22:50,230 --> 00:22:48,799  
i mean it's a weird world i mean and to

652  
00:22:52,310 --> 00:22:50,240  
bring it back to the book it's

653  
00:22:53,510 --> 00:22:52,320  
interesting timing in that regard too i

654  
00:22:55,750 --> 00:22:53,520  
mean we're were

655  
00:22:57,510 --> 00:22:55,760  
were less than 100 years removed from

656  
00:22:59,270 --> 00:22:57,520  
indians needing to pass before they

657  
00:23:01,669 --> 00:22:59,280  
could leave their reserve

658  
00:23:03,510 --> 00:23:01,679  
right so you've got a designated section

659  
00:23:05,190 --> 00:23:03,520  
of land that you can't leave without

660  
00:23:09,510 --> 00:23:05,200  
having a pass in your hand this is in

661  
00:23:10,950 --> 00:23:09,520  
[h\_\_h] early 1900s very hard to enforce

662  
00:23:12,789 --> 00:23:10,960  
but now

663  
00:23:14,070 --> 00:23:12,799

easy to enforce right i mean we're

664

00:23:15,669 --> 00:23:14,080

getting to the point where we're going

665

00:23:16,950 --> 00:23:15,679

to agree to have all our money on our

666

00:23:18,950 --> 00:23:16,960

phones and they'll just be able to say

667

00:23:20,230 --> 00:23:18,960

well this doesn't work anymore if you're

668

00:23:21,750 --> 00:23:20,240

farther than

669

00:23:27,029 --> 00:23:21,760

this

670

00:23:28,470 --> 00:23:27,039

right that's the kind of thing i try to

671

00:23:30,470 --> 00:23:28,480

point out to

672

00:23:33,110 --> 00:23:30,480

conventional thinking friends all the

673

00:23:34,549 --> 00:23:33,120

time that eugenics is not a dead

674

00:23:37,110 --> 00:23:34,559

philosophy

675

00:23:39,350 --> 00:23:37,120

we are not that far from

676  
00:23:40,549 --> 00:23:39,360  
a lot of the things that you know people

677  
00:23:44,470 --> 00:23:40,559  
think

678  
00:23:46,710 --> 00:23:44,480  
can trust these authorities they can

679  
00:23:48,549 --> 00:23:46,720  
trust this medical system so i try to

680  
00:23:51,190 --> 00:23:48,559  
highlight all the times that the medical

681  
00:23:53,350 --> 00:23:51,200  
system has abused people

682  
00:23:54,789 --> 00:23:53,360  
and when you hear bill gates saying oh

683  
00:23:56,549 --> 00:23:54,799  
we got to get the shot in the arms of

684  
00:23:57,669 --> 00:23:56,559  
the black and brown people first i mean

685  
00:24:00,149 --> 00:23:57,679  
that should be

686  
00:24:02,549 --> 00:24:00,159  
the easiest thing to see through the

687  
00:24:04,390 --> 00:24:02,559  
biggest red flag if you think bill gates

688  
00:24:06,870 --> 00:24:04,400

that's his priority really

689

00:24:08,390 --> 00:24:06,880

i mean why is he getting kicked out of

690

00:24:10,070 --> 00:24:08,400

these third world countries with his

691

00:24:11,909 --> 00:24:10,080

vaccine campaigns

692

00:24:14,310 --> 00:24:11,919

uh yeah but we could talk about it all

693

00:24:15,350 --> 00:24:14,320

day let's let's move on and get into the

694

00:24:17,510 --> 00:24:15,360

book a bit

695

00:24:20,070 --> 00:24:17,520

i guess a good place to start is really

696

00:24:22,310 --> 00:24:20,080

with your own history and background and

697

00:24:23,590 --> 00:24:22,320

why this book was an important one for

698

00:24:25,510 --> 00:24:23,600

you to write

699

00:24:27,350 --> 00:24:25,520

well honestly i was like

700

00:24:29,269 --> 00:24:27,360

i didn't grow up on the reserve i am a

701

00:24:33,909 --> 00:24:29,279

registered indian from the michigan

702

00:24:38,230 --> 00:24:33,919

gaming band ojibwe nation in ontario

703

00:24:39,990 --> 00:24:38,240

also ojibwe some people call anishinabe

704

00:24:42,710 --> 00:24:40,000

so the book kind of was one of those

705

00:24:44,390 --> 00:24:42,720

weird things i wasn't really

706

00:24:47,350 --> 00:24:44,400

thinking about it but i mean over the

707

00:24:49,750 --> 00:24:47,360

last so i grew up i grew up off reserve

708

00:24:51,669 --> 00:24:49,760

in ontario i wasn't very close i didn't

709

00:24:54,070 --> 00:24:51,679

grow up with my dad in my life so i was

710

00:24:55,510 --> 00:24:54,080

i was very detached from that whole side

711

00:24:57,990 --> 00:24:55,520

of things

712

00:25:02,870 --> 00:24:58,000

i grew up in the 80s and 90s in a mining

713

00:25:04,310 --> 00:25:02,880

town in ontario where the population was

714

00:25:06,470 --> 00:25:04,320

probably you know there's still a lot of

715

00:25:10,070 --> 00:25:06,480

that

716

00:25:11,990 --> 00:25:10,080

hostile sort of or residual racism i

717

00:25:13,990 --> 00:25:12,000

guess left over from

718

00:25:16,630 --> 00:25:14,000

everything that's going on and and what

719

00:25:18,789 --> 00:25:16,640

you have in my hometown is also a lot of

720

00:25:20,149 --> 00:25:18,799

homeless and for a town of five or six

721

00:25:21,190 --> 00:25:20,159

thousand people

722

00:25:23,029 --> 00:25:21,200

you'd think there's not a lot of

723

00:25:25,590 --> 00:25:23,039

homelessness

724

00:25:27,909 --> 00:25:25,600

but there's a lot of homeless natives

725

00:25:29,669 --> 00:25:27,919

in my hometown older on the streets

726

00:25:32,070 --> 00:25:29,679

drunk all the time

727

00:25:33,990 --> 00:25:32,080

and even myself growing up you have no

728

00:25:36,390 --> 00:25:34,000

idea why you know it's just like what's

729

00:25:38,390 --> 00:25:36,400

going on here so you get that it's just

730

00:25:40,549 --> 00:25:38,400

their fault and and all that sort of

731

00:25:42,230 --> 00:25:40,559

thing starts happening and that causes

732

00:25:44,470 --> 00:25:42,240

more sort of weird trauma when you're an

733

00:25:45,510 --> 00:25:44,480

indian growing up in that environment

734

00:25:47,990 --> 00:25:45,520

and

735

00:25:49,510 --> 00:25:48,000

anyway it wasn't until i had kids

736

00:25:51,909 --> 00:25:49,520

and it's funny enough i went through a

737

00:25:53,510 --> 00:25:51,919

bunch of alcoholism and stuff like that

738

00:25:54,870 --> 00:25:53,520

in my 20s

739

00:25:56,950 --> 00:25:54,880  
and came out the other side of it

740

00:25:59,510 --> 00:25:56,960  
luckily not everyone does

741

00:26:01,990 --> 00:25:59,520  
i had my kids and i pulled out of it

742

00:26:03,990 --> 00:26:02,000  
and as my kids got older it started to

743

00:26:06,310 --> 00:26:04,000  
seem more of an important thing as i got

744

00:26:08,390 --> 00:26:06,320  
back into hunting and stuff like that of

745

00:26:11,669 --> 00:26:08,400  
course some hunting rights come along

746

00:26:14,230 --> 00:26:11,679  
with that so that kind of the hunting

747

00:26:16,149 --> 00:26:14,240  
and the fishing got me sort of facing

748

00:26:18,390 --> 00:26:16,159  
off with

749

00:26:20,789 --> 00:26:18,400  
conservation officers a little more over

750

00:26:23,430 --> 00:26:20,799  
the last few years you know with them

751

00:26:25,990 --> 00:26:23,440

trying to tell me i can't fish here i

752

00:26:28,470 --> 00:26:26,000

shouldn't be doing that and i'm very

753

00:26:30,549 --> 00:26:28,480

abrasive in that sense where you know

754

00:26:32,470 --> 00:26:30,559

let's have that conversation and

755

00:26:34,149 --> 00:26:32,480

and i won most of those conversations

756

00:26:36,070 --> 00:26:34,159

i'm pretty good at retaining information

757

00:26:38,630 --> 00:26:36,080

and stuff like that so i'll kind of read

758

00:26:41,830 --> 00:26:38,640

through things to see where we stand

759

00:26:45,830 --> 00:26:41,840

and then as covet got going

760

00:26:47,430 --> 00:26:45,840

i started using some of those rights

761

00:26:49,750 --> 00:26:47,440

to travel

762

00:26:51,990 --> 00:26:49,760

because i've got an into the usa with

763

00:26:53,430 --> 00:26:52,000

the card whether i'm boxed or not like

764

00:26:55,110 --> 00:26:53,440

i'll be driving down the stage here in a

765

00:26:56,630 --> 00:26:55,120

couple of weeks and

766

00:26:58,149 --> 00:26:56,640

there's nothing that's funny because no

767

00:26:59,909 --> 00:26:58,159

one else is driving to the states right

768

00:27:01,909 --> 00:26:59,919

now so i get to cut into the trucker

769

00:27:04,149 --> 00:27:01,919

line and stuff like that but

770

00:27:06,470 --> 00:27:04,159

i mean that's kind of what got me down

771

00:27:09,110 --> 00:27:06,480

the road of looking at things and the

772

00:27:10,310 --> 00:27:09,120

current climate of how everything is

773

00:27:12,789 --> 00:27:10,320

going on

774

00:27:15,110 --> 00:27:12,799

and then they started finding the bodies

775

00:27:17,990 --> 00:27:15,120

earlier this year

776

00:27:20,950 --> 00:27:18,000

and you start talking to people and

777

00:27:23,269 --> 00:27:20,960

nobody really like none of my friends

778

00:27:24,630 --> 00:27:23,279

that really know anything about it they

779

00:27:26,070 --> 00:27:24,640

don't know what a residential school is

780

00:27:28,789 --> 00:27:26,080

and i didn't know what most of that was

781

00:27:30,789 --> 00:27:28,799

either five or ten years ago

782

00:27:32,389 --> 00:27:30,799

but you start learning about it and you

783

00:27:35,269 --> 00:27:32,399

start trying to bring it up and there

784

00:27:37,830 --> 00:27:35,279

was just so many misconceptions

785

00:27:39,750 --> 00:27:37,840

from people that you know aren't racist

786

00:27:41,750 --> 00:27:39,760

they're people i'm friends with people i

787

00:27:43,990 --> 00:27:41,760

hang out with people i work with but

788

00:27:45,510 --> 00:27:44,000

they just they have no idea

789

00:27:47,510 --> 00:27:45,520

because there's no education of it

790

00:27:49,510 --> 00:27:47,520

there's no education of it and me

791

00:27:51,269 --> 00:27:49,520

growing up you know basically on indian

792

00:27:52,710 --> 00:27:51,279

land are very close to it the only

793

00:27:54,310 --> 00:27:52,720

reason it wasn't indian land is because

794

00:27:56,630 --> 00:27:54,320

there was gold there

795

00:27:59,190 --> 00:27:56,640

so it was sort of taken over but a huge

796

00:28:01,029 --> 00:27:59,200

indian population there and there's just

797

00:28:03,590 --> 00:28:01,039

you know we don't even grow up as far as

798

00:28:06,230 --> 00:28:03,600

we grow up you know the americans they

799

00:28:08,549 --> 00:28:06,240

had their wars with the indians bad

800

00:28:10,549 --> 00:28:08,559

we all became friends up here it was all

801  
00:28:12,470 --> 00:28:10,559  
it was all fine yes that is the

802  
00:28:13,909 --> 00:28:12,480  
conventional kind of thought

803  
00:28:16,470 --> 00:28:13,919  
yeah so

804  
00:28:18,710 --> 00:28:16,480  
it kind of hit in june that it was like

805  
00:28:21,669 --> 00:28:18,720  
okay well all this information is there

806  
00:28:23,990 --> 00:28:21,679  
it's all publicly available

807  
00:28:25,750 --> 00:28:24,000  
i mean really the book is probably

808  
00:28:28,630 --> 00:28:25,760  
80

809  
00:28:29,430 --> 00:28:28,640  
or 85 percent isn't written by me

810  
00:28:30,870 --> 00:28:29,440  
it's

811  
00:28:34,230 --> 00:28:30,880  
public domain

812  
00:28:37,029 --> 00:28:34,240  
information whether it's old reports

813  
00:28:40,310 --> 00:28:37,039

excerpts from the government website

814

00:28:43,269 --> 00:28:40,320

stuff from the truth and reconciliation

815

00:28:46,070 --> 00:28:43,279

commission that took place in from 2008

816

00:28:47,909 --> 00:28:46,080

to 2015 they generated just thousands of

817

00:28:49,909 --> 00:28:47,919

pages of reports that

818

00:28:52,149 --> 00:28:49,919

so all this information is there it's

819

00:28:53,830 --> 00:28:52,159

all readily available but what i noticed

820

00:28:55,430 --> 00:28:53,840

over the last few years is even when i

821

00:28:57,430 --> 00:28:55,440

want to look for it

822

00:28:58,950 --> 00:28:57,440

it's hard to find

823

00:29:00,710 --> 00:28:58,960

you know it's like you're not just

824

00:29:03,190 --> 00:29:00,720

punching into google and hears ding ding

825

00:29:05,510 --> 00:29:03,200

ding ding and then the thing that really

826

00:29:07,669 --> 00:29:05,520

triggered me was what i went on this

827

00:29:09,750 --> 00:29:07,679

year and i went to start looking for the

828

00:29:14,070 --> 00:29:09,760

old versions of the indian act which

829

00:29:15,669 --> 00:29:14,080

originally came into place in 1876

830

00:29:19,190 --> 00:29:15,679

and you go on the government of canada

831

00:29:21,669 --> 00:29:19,200

website and it does not exist the

832

00:29:23,029 --> 00:29:21,679

earliest rendition of the indian act

833

00:29:26,549 --> 00:29:23,039

that you can find on the canadian

834

00:29:29,669 --> 00:29:26,559

government website is 1985 currently

835

00:29:31,510 --> 00:29:29,679

there might be a 1951 hidden there

836

00:29:33,830 --> 00:29:31,520

somewhere but if there is i haven't been

837

00:29:36,870 --> 00:29:33,840

able to find it the only place i've been

838

00:29:40,789 --> 00:29:36,880

able to find anything pre

839

00:29:42,070 --> 00:29:40,799

1985 is actually on first nations

840

00:29:45,590 --> 00:29:42,080

websites

841

00:29:48,230 --> 00:29:45,600

so you know there's 650 bands in canada

842

00:29:50,149 --> 00:29:48,240

and a few of them have decent websites

843

00:29:51,669 --> 00:29:50,159

some of them have worse websites some of

844

00:29:53,269 --> 00:29:51,679

them don't have websites at all but some

845

00:29:54,470 --> 00:29:53,279

of the ones that have a bigger web

846

00:29:56,710 --> 00:29:54,480

presence

847

00:29:58,870 --> 00:29:56,720

have got you know all of these acts in

848

00:29:59,830 --> 00:29:58,880

their entirety and pdf and stuff like

849

00:30:03,269 --> 00:29:59,840

that

850

00:30:05,510 --> 00:30:03,279

thing for me and it took me a while i

851  
00:30:07,669 --> 00:30:05,520  
actually didn't find the pdf on some of

852  
00:30:10,549 --> 00:30:07,679  
these other websites until i was well

853  
00:30:13,269 --> 00:30:10,559  
down the road of researching the book

854  
00:30:14,870 --> 00:30:13,279  
so all i could find for the indian act

855  
00:30:16,710 --> 00:30:14,880  
the original indian act when i first

856  
00:30:17,909 --> 00:30:16,720  
started looking earlier this year was an

857  
00:30:20,870 --> 00:30:17,919  
old

858  
00:30:22,870 --> 00:30:20,880  
scanned pdf version that you could

859  
00:30:25,269 --> 00:30:22,880  
barely read it's like scanned out of the

860  
00:30:26,230 --> 00:30:25,279  
original book

861  
00:30:29,029 --> 00:30:26,240  
so

862  
00:30:31,350 --> 00:30:29,039  
i paid a guy in india

863  
00:30:35,990 --> 00:30:31,360

to retype the whole thing

864

00:30:37,590 --> 00:30:36,000

into like a readable format that could

865

00:30:39,590 --> 00:30:37,600

be made into a

866

00:30:41,830 --> 00:30:39,600

a real pdf

867

00:30:43,510 --> 00:30:41,840

so that i could make it available

868

00:30:45,510 --> 00:30:43,520

online and so that i could have it for

869

00:30:46,870 --> 00:30:45,520

my own purposes for writing the book and

870

00:30:48,710 --> 00:30:46,880

stuff like that and it was actually i

871

00:30:49,669 --> 00:30:48,720

was going to release that whole indian

872

00:30:52,549 --> 00:30:49,679

act

873

00:30:54,510 --> 00:30:52,559

the original in 1967 and all the

874

00:30:57,590 --> 00:30:54,520

amendments and everything it was like

875

00:30:59,110 --> 00:30:57,600

485 pages eight and a half by 11 or

876

00:31:01,269 --> 00:30:59,120

something like that

877

00:31:05,029 --> 00:31:01,279

and i was just gonna release that as

878

00:31:07,669 --> 00:31:05,039

sort of a not-for-profit thing

879

00:31:09,430 --> 00:31:07,679

so it was out there and then what i was

880

00:31:11,110 --> 00:31:09,440

writing was originally just i was going

881

00:31:13,350 --> 00:31:11,120

to write a two or three page little

882

00:31:15,110 --> 00:31:13,360

blurb for the front of that

883

00:31:17,110 --> 00:31:15,120

before i could release it kind of

884

00:31:17,909 --> 00:31:17,120

explaining what i had done and blah blah

885

00:31:19,830 --> 00:31:17,919

blah

886

00:31:22,070 --> 00:31:19,840

and just in writing the blurb it kind of

887

00:31:24,310 --> 00:31:22,080

extended to

888

00:31:25,909 --> 00:31:24,320

six pages and then seven pages and then

889

00:31:28,470 --> 00:31:25,919

i was like well no one wants to read

890

00:31:31,830 --> 00:31:28,480

when i shrink this down to

891

00:31:34,310 --> 00:31:31,840

to six by nine it's like [h\_\_h] closing

892

00:31:37,029 --> 00:31:34,320

in on a thousand pages

893

00:31:39,750 --> 00:31:37,039

so you know nobody's gonna read that i

894

00:31:41,590 --> 00:31:39,760

mean even 400 pages is a stretch right

895

00:31:44,230 --> 00:31:41,600

like i don't want to read 400 pages of

896

00:31:45,590 --> 00:31:44,240

super dry material right so i was like

897

00:31:46,950 --> 00:31:45,600

well maybe i should just sort of

898

00:31:48,950 --> 00:31:46,960

highlight

899

00:31:50,630 --> 00:31:48,960

some of this and my original goal was to

900

00:31:52,470 --> 00:31:50,640

get something i was thinking around 100

901  
00:31:54,470 --> 00:31:52,480  
to 120 pages

902  
00:31:56,470 --> 00:31:54,480  
something super small

903  
00:31:57,990 --> 00:31:56,480  
super concise where we could where it's

904  
00:32:00,870 --> 00:31:58,000  
not going to scare people off they could

905  
00:32:02,310 --> 00:32:00,880  
sort of get through it on a plane ride

906  
00:32:04,630 --> 00:32:02,320  
so that's sort of where the book came

907  
00:32:07,590 --> 00:32:04,640  
from and that's how it got put together

908  
00:32:09,350 --> 00:32:07,600  
as mostly an amalgamation of information

909  
00:32:12,310 --> 00:32:09,360  
from all over the place

910  
00:32:14,389 --> 00:32:12,320  
so there's nothing in there that i'm

911  
00:32:16,149 --> 00:32:14,399  
speculating there's no speculation in

912  
00:32:17,669 --> 00:32:16,159  
here it's all

913  
00:32:19,350 --> 00:32:17,679

i would say the closest thing to

914

00:32:21,190 --> 00:32:19,360

speculation which i would argue is not

915

00:32:23,190 --> 00:32:21,200

speculation at all

916

00:32:26,070 --> 00:32:23,200

is the international tribunal for the

917

00:32:26,870 --> 00:32:26,080

disappear to canada but i mean if you go

918

00:32:28,470 --> 00:32:26,880

to

919

00:32:30,669 --> 00:32:28,480

and it's all linked in the book but if

920

00:32:33,669 --> 00:32:30,679

you go to his website i mean he's got

921

00:32:35,350 --> 00:32:33,679

120 pages at the back of his digital

922

00:32:36,950 --> 00:32:35,360

book that have the old newspaper

923

00:32:38,950 --> 00:32:36,960

clippings

924

00:32:41,350 --> 00:32:38,960

and all of that stuff so it's basically

925

00:32:43,590 --> 00:32:41,360

just a source and it's 10 of the book

926  
00:32:45,350 --> 00:32:43,600  
almost is the bibliography i mean that

927  
00:32:46,789 --> 00:32:45,360  
was probably the worst part of it is me

928  
00:32:49,110 --> 00:32:46,799  
and my girlfriend going through and

929  
00:32:51,110 --> 00:32:49,120  
trying to source all of it right right

930  
00:32:52,789 --> 00:32:51,120  
we sourced it all down to the pages of

931  
00:32:54,630 --> 00:32:52,799  
the parliaments and

932  
00:32:56,630 --> 00:32:54,640  
any place we could we took it back to

933  
00:32:59,110 --> 00:32:56,640  
original not just to some other site on

934  
00:33:02,230 --> 00:32:59,120  
the internet no here's where

935  
00:33:05,830 --> 00:33:02,240  
he said this in the house of commons

936  
00:33:08,430 --> 00:33:05,840  
and to give people some context for what

937  
00:33:12,310 --> 00:33:08,440  
is in that indian act of

938  
00:33:15,350 --> 00:33:12,320

1876 this is when they extinguished any

939

00:33:17,350 --> 00:33:15,360

indigenous self-governing structures and

940

00:33:18,389 --> 00:33:17,360

really started to manage the native

941

00:33:20,789 --> 00:33:18,399

people

942

00:33:22,789 --> 00:33:20,799

and you say in the book here just a few

943

00:33:24,950 --> 00:33:22,799

of the sections of the indian act or

944

00:33:27,350 --> 00:33:24,960

policies that were particularly

945

00:33:29,990 --> 00:33:27,360

oppressive and destructive to the people

946

00:33:32,950 --> 00:33:30,000

and their culture the ban of religious

947

00:33:35,430 --> 00:33:32,960

ceremonies the ban of indians leaving

948

00:33:38,789 --> 00:33:35,440

reservations without indian agent

949

00:33:41,509 --> 00:33:38,799

permission inability to vote

950

00:33:43,990 --> 00:33:41,519

introduction of mandatory residential

951  
00:33:46,630 --> 00:33:44,000  
schools which we'll get into the denial

952  
00:33:49,190 --> 00:33:46,640  
of status of indian women

953  
00:33:52,070 --> 00:33:49,200  
creation of reserves prohibition of

954  
00:33:55,590 --> 00:33:52,080  
alcohol sales prohibition of the sale of

955  
00:33:58,389 --> 00:33:55,600  
ammunition prohibition of solicitation

956  
00:34:01,190 --> 00:33:58,399  
of funds for indian legal claims i mean

957  
00:34:03,990 --> 00:34:01,200  
that's a huge one and these are just a

958  
00:34:06,470 --> 00:34:04,000  
few of the atrocities hidden within the

959  
00:34:08,310 --> 00:34:06,480  
indian act over its century and a half

960  
00:34:10,869 --> 00:34:08,320  
long existence

961  
00:34:12,869 --> 00:34:10,879  
a document that is still legally binding

962  
00:34:15,349 --> 00:34:12,879  
at the time of this writing as you say

963  
00:34:18,950 --> 00:34:15,359

they've rewritten certain parts of it

964

00:34:20,710 --> 00:34:18,960

made it less offensive in some areas but

965

00:34:24,470 --> 00:34:20,720

it is still

966

00:34:26,149 --> 00:34:24,480

the law of the land technically it seems

967

00:34:28,629 --> 00:34:26,159

technically in a lot of ways and i mean

968

00:34:31,030 --> 00:34:28,639

you might get some flack for us using

969

00:34:33,589 --> 00:34:31,040

the word indian on here

970

00:34:36,389 --> 00:34:33,599

i mean i call myself an indian right

971

00:34:39,669 --> 00:34:36,399

i'll try and use indigenous or native or

972

00:34:42,149 --> 00:34:39,679

first nations where i can but personally

973

00:34:43,750 --> 00:34:42,159

i refer to myself as an indian

974

00:34:45,909 --> 00:34:43,760

the reason being is because i have a

975

00:34:47,349 --> 00:34:45,919

little card i don't have my wallet on me

976

00:34:48,950 --> 00:34:47,359

but i have a little card in my wallet

977

00:34:50,790 --> 00:34:48,960

that says i'm a registered indian and

978

00:34:52,710 --> 00:34:50,800

that's the exact wording on it i'm a

979

00:34:55,349 --> 00:34:52,720

registered indian i have a registration

980

00:34:57,109 --> 00:34:55,359

number because of my dna

981

00:34:58,310 --> 00:34:57,119

now i think they've sort of changed the

982

00:34:59,510 --> 00:34:58,320

name

983

00:35:02,550 --> 00:34:59,520

of the

984

00:35:04,069 --> 00:35:02,560

it used to be the indian affairs canada

985

00:35:06,710 --> 00:35:04,079

now they've maybe changed that to

986

00:35:08,390 --> 00:35:06,720

indigenous and northern affairs canada

987

00:35:10,550 --> 00:35:08,400

but i mean you can go to the canadian

988

00:35:13,430 --> 00:35:10,560

website right now it's still called the

989

00:35:15,510 --> 00:35:13,440

indian act i'm still a registered indian

990

00:35:17,510 --> 00:35:15,520

there's a whole page of definitions that

991

00:35:19,430 --> 00:35:17,520

i just copy pasted from the canadian

992

00:35:22,230 --> 00:35:19,440

website into the book that still uses

993

00:35:24,710 --> 00:35:22,240

the term indian competent indian

994

00:35:26,790 --> 00:35:24,720

registered indian legal indian all of

995

00:35:27,990 --> 00:35:26,800

those terms are still very much in play

996

00:35:30,150 --> 00:35:28,000

by the

997

00:35:31,670 --> 00:35:30,160

canadian government and i assume the us

998

00:35:33,589 --> 00:35:31,680

government as well

999

00:35:35,910 --> 00:35:33,599

so as far as i'm concerned that let's

1000

00:35:37,829 --> 00:35:35,920

not play games i mean let's not virtue

1001  
00:35:39,670 --> 00:35:37,839  
signal that we're using terms like

1002  
00:35:41,270 --> 00:35:39,680  
native and indigenous

1003  
00:35:43,910 --> 00:35:41,280  
until the [h\_\_h] government i mean it's

1004  
00:35:45,910 --> 00:35:43,920  
not that hard it shouldn't be that hard

1005  
00:35:47,349 --> 00:35:45,920  
to change that kind of stuff if we cared

1006  
00:35:49,190 --> 00:35:47,359  
enough but

1007  
00:35:51,270 --> 00:35:49,200  
i would argue that virtue signaling and

1008  
00:35:52,470 --> 00:35:51,280  
stuff like that actually does the exact

1009  
00:35:54,150 --> 00:35:52,480  
opposite

1010  
00:35:56,870 --> 00:35:54,160  
and makes people think

1011  
00:35:58,230 --> 00:35:56,880  
that it's fine but you know it makes

1012  
00:35:59,990 --> 00:35:58,240  
people think that we're all using the

1013  
00:36:01,349 --> 00:36:00,000

term indigenous well i'm still walking

1014

00:36:04,150 --> 00:36:01,359

around with a card in my wallet that

1015

00:36:06,069 --> 00:36:04,160

says registered india right right great

1016

00:36:08,069 --> 00:36:06,079

points great point and i mean another

1017

00:36:10,230 --> 00:36:08,079

big one on the reserves that is another

1018

00:36:11,750 --> 00:36:10,240

misconception people get especially in

1019

00:36:14,069 --> 00:36:11,760

the canadian system i don't know how the

1020

00:36:16,230 --> 00:36:14,079

american system works my my books very

1021

00:36:18,710 --> 00:36:16,240

much on the canadian system

1022

00:36:19,910 --> 00:36:18,720

but no indian land is owned by indians

1023

00:36:21,990 --> 00:36:19,920

in canada

1024

00:36:24,470 --> 00:36:22,000

it's all held in trust by the federal

1025

00:36:27,190 --> 00:36:24,480

government for registered indians

1026  
00:36:29,349 --> 00:36:27,200  
so basically the context being there is

1027  
00:36:30,790 --> 00:36:29,359  
once we all assimilate which i think

1028  
00:36:33,109 --> 00:36:30,800  
we're down to about a half a million

1029  
00:36:36,310 --> 00:36:33,119  
actual registered indians in canada

1030  
00:36:38,630 --> 00:36:36,320  
there's about 1.6 or 1.7 million

1031  
00:36:39,990 --> 00:36:38,640  
non-registered metis

1032  
00:36:41,750 --> 00:36:40,000  
inuit and all that but there's we're

1033  
00:36:43,109 --> 00:36:41,760  
down to around just over half a million

1034  
00:36:45,589 --> 00:36:43,119  
registered indians the plan would of

1035  
00:36:46,470 --> 00:36:45,599  
course be i mean me i'm i'm an example

1036  
00:36:48,150 --> 00:36:46,480  
of

1037  
00:36:50,390 --> 00:36:48,160  
assimilated right

1038  
00:36:52,870 --> 00:36:50,400

i live in a town i work a full-time job

1039

00:36:54,710 --> 00:36:52,880

i pay my taxes i start a business i

1040

00:36:56,470 --> 00:36:54,720

don't live on the reserve at all i use

1041

00:36:58,310 --> 00:36:56,480

some of my stuff i get

1042

00:37:00,069 --> 00:36:58,320

we use my hunting rights and stuff like

1043

00:37:01,829 --> 00:37:00,079

that but for all intents and purposes

1044

00:37:02,870 --> 00:37:01,839

i've assimilated into the canadian

1045

00:37:04,710 --> 00:37:02,880

system

1046

00:37:06,069 --> 00:37:04,720

now what's going to happen is once that

1047

00:37:08,390 --> 00:37:06,079

all happens

1048

00:37:10,230 --> 00:37:08,400

that land's all going to go back

1049

00:37:11,030 --> 00:37:10,240

to the crowd

1050

00:37:12,310 --> 00:37:11,040

so

1051  
00:37:13,589 --> 00:37:12,320  
at the end of the day the indians don't

1052  
00:37:15,670 --> 00:37:13,599  
have any land which is a huge

1053  
00:37:17,670 --> 00:37:15,680  
misconception in canada and the other

1054  
00:37:19,430 --> 00:37:17,680  
thing is now as people were well if

1055  
00:37:21,349 --> 00:37:19,440  
we're coming for land whose land are we

1056  
00:37:23,829 --> 00:37:21,359  
going to take right am i going to lose

1057  
00:37:25,190 --> 00:37:23,839  
my land if the ojibwe needs some land is

1058  
00:37:27,510 --> 00:37:25,200  
that going to come out of

1059  
00:37:30,230 --> 00:37:27,520  
jim's ranch and it doesn't need to it

1060  
00:37:32,550 --> 00:37:30,240  
doesn't [h\_\_h] close to need to because

1061  
00:37:36,390 --> 00:37:32,560  
if you look at a country like canada

1062  
00:37:38,950 --> 00:37:36,400  
we're sitting at 88.9 percent

1063  
00:37:40,790 --> 00:37:38,960

of all the land in canada is owned by

1064

00:37:41,829 --> 00:37:40,800

the government either the prevention

1065

00:37:47,589 --> 00:37:41,839

government

1066

00:37:49,190 --> 00:37:47,599

of all the land in canada and over half

1067

00:37:52,470 --> 00:37:49,200

of the remaining is owned by

1068

00:37:54,710 --> 00:37:52,480

corporations wild so i mean i think we

1069

00:37:56,390 --> 00:37:54,720

can find something in the 19 out of 20

1070

00:37:57,910 --> 00:37:56,400

parts so that we don't have to cut into

1071

00:37:59,990 --> 00:37:57,920

the 1 to 20 and i think you know

1072

00:38:02,069 --> 00:38:00,000

everyone's private line can be fine we

1073

00:38:03,430 --> 00:38:02,079

can find a way to make this all work i

1074

00:38:04,710 --> 00:38:03,440

mean at this point i don't even think

1075

00:38:06,550 --> 00:38:04,720

you need

1076

00:38:08,310 --> 00:38:06,560

any more land i don't know what it looks

1077

00:38:10,150 --> 00:38:08,320

like i mean let's be honest i'm a pod

1078

00:38:12,150 --> 00:38:10,160

head like you

1079

00:38:13,430 --> 00:38:12,160

and i'm not saying that in a bad way but

1080

00:38:15,349 --> 00:38:13,440

it's just putting the information out

1081

00:38:17,349 --> 00:38:15,359

there i don't have the answers on how we

1082

00:38:18,550 --> 00:38:17,359

get out of the indian act

1083

00:38:20,790 --> 00:38:18,560

i'm just trying to start that

1084

00:38:23,150 --> 00:38:20,800

conversation because i shouldn't have

1085

00:38:25,349 --> 00:38:23,160

the answers it's not up to me it's up to

1086

00:38:28,470 --> 00:38:25,359

650 different

1087

00:38:30,950 --> 00:38:28,480

first nations in canada but until we sit

1088

00:38:32,710 --> 00:38:30,960

down around a table with those

1089

00:38:35,030 --> 00:38:32,720

representatives or maybe they each

1090

00:38:36,710 --> 00:38:35,040

region can figure out a representative

1091

00:38:38,310 --> 00:38:36,720

or some way to do this but until we get

1092

00:38:39,750 --> 00:38:38,320

around the table and start having a

1093

00:38:41,589 --> 00:38:39,760

conversation

1094

00:38:43,190 --> 00:38:41,599

about how we're going to get out of this

1095

00:38:45,270 --> 00:38:43,200

indian act

1096

00:38:47,270 --> 00:38:45,280

and move on to something different

1097

00:38:48,870 --> 00:38:47,280

but at this point

1098

00:38:50,790 --> 00:38:48,880

we could probably work something out

1099

00:38:52,470 --> 00:38:50,800

that doesn't cost a whole lot more land

1100

00:38:54,150 --> 00:38:52,480

than you've got already maybe a little

1101  
00:38:55,349 --> 00:38:54,160  
bit more we can figure out some more

1102  
00:38:57,109 --> 00:38:55,359  
here and there

1103  
00:38:58,230 --> 00:38:57,119  
and let's just start

1104  
00:39:00,069 --> 00:38:58,240  
actually

1105  
00:39:02,470 --> 00:39:00,079  
passing that over you know and then

1106  
00:39:03,670 --> 00:39:02,480  
maybe we can pay taxes on it

1107  
00:39:06,230 --> 00:39:03,680  
or something i don't know i'm not

1108  
00:39:08,550 --> 00:39:06,240  
against that i pay taxes now but the way

1109  
00:39:11,430 --> 00:39:08,560  
it's set up now it just doesn't work

1110  
00:39:13,270 --> 00:39:11,440  
it's not getting better for anybody and

1111  
00:39:14,950 --> 00:39:13,280  
it's not getting better for

1112  
00:39:16,390 --> 00:39:14,960  
for the people on the reserve and it's

1113  
00:39:17,990 --> 00:39:16,400

not getting better for the government

1114

00:39:20,230 --> 00:39:18,000

and it's just this problem that's not

1115

00:39:23,109 --> 00:39:20,240

going away we still have a problem where

1116

00:39:25,910 --> 00:39:23,119

you know half the reserves in canada

1117

00:39:27,510 --> 00:39:25,920

have to boil their water damn

1118

00:39:29,589 --> 00:39:27,520

and it's just like you know we're still

1119

00:39:31,510 --> 00:39:29,599

sending out billions and billions and we

1120

00:39:33,030 --> 00:39:31,520

got a billion dollars to bribe the

1121

00:39:35,349 --> 00:39:33,040

provinces

1122

00:39:36,870 --> 00:39:35,359

and just paraphrasing the half it might

1123

00:39:38,630 --> 00:39:36,880

not be there but it's hundreds there's

1124

00:39:40,470 --> 00:39:38,640

hundreds of reserves in canada that have

1125

00:39:42,150 --> 00:39:40,480

to boil their water

1126

00:39:44,550 --> 00:39:42,160

but we got billions of dollars to send

1127

00:39:46,790 --> 00:39:44,560

overseas we got a billion dollars to

1128

00:39:48,790 --> 00:39:46,800

bribe [h\_\_h] people with the provinces

1129

00:39:53,270 --> 00:39:48,800

with right now to get covert to

1130

00:39:56,870 --> 00:39:53,280

implement a vaccine passport system

1131

00:39:59,270 --> 00:39:56,880

yeah so i mean that's kind of a scary

1132

00:40:01,589 --> 00:39:59,280

thing that's a scary thing to me and my

1133

00:40:03,910 --> 00:40:01,599

running joke with graham lately is that

1134

00:40:05,589 --> 00:40:03,920

you know you guys are all the indian now

1135

00:40:06,870 --> 00:40:05,599

and it's gonna be the reserve's gonna be

1136

00:40:08,390 --> 00:40:06,880

the city

1137

00:40:10,230 --> 00:40:08,400

and it's gonna be you don't leave and

1138

00:40:11,750 --> 00:40:10,240

the funny thing is when you drive around

1139

00:40:13,270 --> 00:40:11,760

here in alberta

1140

00:40:15,990 --> 00:40:13,280

you'll get like

1141

00:40:17,349 --> 00:40:16,000

you know an hour and a half southwest of

1142

00:40:19,710 --> 00:40:17,359

the city

1143

00:40:23,349 --> 00:40:19,720

and it'll be like

1144

00:40:25,109 --> 00:40:23,359

714th avenue southwest

1145

00:40:27,990 --> 00:40:25,119

and it's like why

1146

00:40:29,910 --> 00:40:28,000

you know the city's never gonna get here

1147

00:40:31,990 --> 00:40:29,920

in 50 years but you could almost see

1148

00:40:34,710 --> 00:40:32,000

where they could just quadrant that all

1149

00:40:35,670 --> 00:40:34,720

off into municipality sections instead

1150

00:40:37,829 --> 00:40:35,680

of

1151

00:40:39,990 --> 00:40:37,839

i mean it's a weird thing it's a weird

1152

00:40:42,550 --> 00:40:40,000

thing and that is a time when i'm sort

1153

00:40:44,790 --> 00:40:42,560

of happier to be in canada

1154

00:40:46,150 --> 00:40:44,800

especially in alberta just for the

1155

00:40:48,550 --> 00:40:46,160

reason that

1156

00:40:49,750 --> 00:40:48,560

like my state comment is there's only 20

1157

00:40:52,470 --> 00:40:49,760

000.

1158

00:40:55,750 --> 00:40:52,480

there's only 20 000

1159

00:40:57,510 --> 00:40:55,760

standing military in canada 20 000.

1160

00:40:58,630 --> 00:40:57,520

it might be like 23 or something like

1161

00:40:59,589 --> 00:40:58,640

that

1162

00:41:02,150 --> 00:40:59,599

but

1163

00:41:04,309 --> 00:41:02,160

i'd rather that than you know what

1164

00:41:05,190 --> 00:41:04,319

israel's up against

1165

00:41:07,190 --> 00:41:05,200

or

1166

00:41:08,550 --> 00:41:07,200

what you guys could be up against i

1167

00:41:10,390 --> 00:41:08,560

guess

1168

00:41:12,309 --> 00:41:10,400

in that sense i feel like it'll be much

1169

00:41:13,349 --> 00:41:12,319

harder now i'm on my way out of town

1170

00:41:16,150 --> 00:41:13,359

right now

1171

00:41:18,630 --> 00:41:16,160

i'm currently actively looking for you

1172

00:41:20,550 --> 00:41:18,640

know a 5 or 10 acre parcel or so

1173

00:41:21,670 --> 00:41:20,560

someplace an hour away from the city so

1174

00:41:23,190 --> 00:41:21,680

i can have

1175

00:41:25,829 --> 00:41:23,200

you know i'm not under the illusions

1176

00:41:28,069 --> 00:41:25,839

that it's foolproof but

1177

00:41:30,630 --> 00:41:28,079

i feel like it's much better yeah you

1178

00:41:34,550 --> 00:41:30,640

know because it does seem like at least

1179

00:41:37,270 --> 00:41:34,560

for the next few years to a decade it's

1180

00:41:39,430 --> 00:41:37,280

gonna be confined to the

1181

00:41:41,109 --> 00:41:39,440

to at least the some sort of city level

1182

00:41:42,550 --> 00:41:41,119

i mean you can get the towns to enforce

1183

00:41:44,790 --> 00:41:42,560

it too fine

1184

00:41:46,390 --> 00:41:44,800

but i mean nobody's driving by my ranch

1185

00:41:47,670 --> 00:41:46,400

in the middle of nowhere i mean maybe

1186

00:41:49,589 --> 00:41:47,680

they'll start tracking the phones and

1187

00:41:51,030 --> 00:41:49,599

stuff i don't know but then you just i

1188

00:41:52,309 --> 00:41:51,040

mean it wouldn't be the worst if we left

1189

00:41:54,309 --> 00:41:52,319

our phones at home when we had a

1190

00:41:56,069 --> 00:41:54,319

barbecue anyway

1191

00:41:59,109 --> 00:41:56,079

right right yeah i think the management

1192

00:42:01,510 --> 00:41:59,119

class they just cast big nets and they

1193

00:42:03,670 --> 00:42:01,520

get as many people as they can and i

1194

00:42:05,430 --> 00:42:03,680

don't think they worry too much about

1195

00:42:07,910 --> 00:42:05,440

those on the periphery they're not

1196

00:42:10,069 --> 00:42:07,920

trying to get every single body because

1197

00:42:12,309 --> 00:42:10,079

i just don't think you can they're

1198

00:42:14,470 --> 00:42:12,319

trying to use the mass media and

1199

00:42:16,550 --> 00:42:14,480

everything they can to create

1200

00:42:18,710 --> 00:42:16,560

the perception that it's every single

1201

00:42:20,390 --> 00:42:18,720

person but if you shut that stuff off if

1202

00:42:23,030 --> 00:42:20,400

you put a little distance between you

1203

00:42:25,750 --> 00:42:23,040

and the machine i think you'll be all

1204

00:42:27,990 --> 00:42:25,760

right and let's get into the residential

1205

00:42:31,109 --> 00:42:28,000

schools this is the darkest of the dark

1206

00:42:32,950 --> 00:42:31,119

man i mean we've often heard that

1207

00:42:35,750 --> 00:42:32,960

schools are the one of the first things

1208

00:42:38,309 --> 00:42:35,760

that an invading empire sets up so that

1209

00:42:40,390 --> 00:42:38,319

they can convert the kids to the new way

1210

00:42:42,870 --> 00:42:40,400

of life separate them from their parents

1211

00:42:46,390 --> 00:42:42,880

and their culture and teach them the new

1212

00:42:49,589 --> 00:42:46,400

western ways but these schools in canada

1213

00:42:52,630 --> 00:42:49,599

seemed particularly brutal you write

1214

00:42:55,030 --> 00:42:52,640

that as of 1884

1215

00:42:57,510 --> 00:42:55,040

attendance in residential schools became

1216

00:42:58,630 --> 00:42:57,520

mandatory for indians until the age of

1217

00:43:01,589 --> 00:42:58,640

16

1218

00:43:03,430 --> 00:43:01,599

children are forcibly removed and

1219

00:43:06,069 --> 00:43:03,440

separated from their families and not

1220

00:43:08,550 --> 00:43:06,079

allowed to speak their own language or

1221

00:43:10,550 --> 00:43:08,560

practice their own religious rituals and

1222

00:43:13,349 --> 00:43:10,560

i've heard you talk about this in other

1223

00:43:16,230 --> 00:43:13,359

interviews that sometimes kids came home

1224

00:43:18,309 --> 00:43:16,240

for the summer sometimes they didn't but

1225

00:43:20,710 --> 00:43:18,319

i mean when you're young and you go

1226

00:43:22,470 --> 00:43:20,720

eight months without speaking your

1227

00:43:24,390 --> 00:43:22,480

native tongue and you're being taught

1228

00:43:26,390 --> 00:43:24,400

french or english and then you come back

1229

00:43:27,349 --> 00:43:26,400

to your parents who don't know a lick of

1230

00:43:30,150 --> 00:43:27,359

that

1231

00:43:32,390 --> 00:43:30,160

now you've created this divide within

1232

00:43:35,190 --> 00:43:32,400

the family and it's really really sad

1233

00:43:37,990 --> 00:43:35,200

and that's just one aspect of these

1234

00:43:39,349 --> 00:43:38,000

schools and how terrible they were but

1235

00:43:40,870 --> 00:43:39,359

what else would you say for people who

1236

00:43:42,390 --> 00:43:40,880

are unfamiliar

1237

00:43:44,150 --> 00:43:42,400

well i mean you can add to that that

1238

00:43:46,150 --> 00:43:44,160

they were taught that

1239

00:43:47,990 --> 00:43:46,160

their parents speaking that language is

1240

00:43:49,990 --> 00:43:48,000

because they were lesser

1241

00:43:52,390 --> 00:43:50,000

because they were devils because the

1242

00:43:54,309 --> 00:43:52,400

kids are being indoctrinated with

1243

00:43:56,710 --> 00:43:54,319

christianity at the same time or

1244

00:43:58,150 --> 00:43:56,720

catholicism or whatever the case may be

1245

00:43:59,910 --> 00:43:58,160

but it's basically

1246

00:44:01,750 --> 00:43:59,920

so i mean and you can read through i

1247

00:44:03,990 --> 00:44:01,760

mean the truth and reconciliation

1248

00:44:05,589 --> 00:44:04,000

documents have hundreds of interviews

1249

00:44:07,030 --> 00:44:05,599

with survivors

1250

00:44:10,309 --> 00:44:07,040

where they talk about just that where

1251  
00:44:12,150 --> 00:44:10,319  
they'd go home after a year because they

1252  
00:44:13,829 --> 00:44:12,160  
maybe they got thrown on a farm which

1253  
00:44:15,430 --> 00:44:13,839  
would happen a lot you'd go and maybe

1254  
00:44:16,790 --> 00:44:15,440  
learn

1255  
00:44:19,670 --> 00:44:16,800  
we'd call it like an apprenticeship

1256  
00:44:21,030 --> 00:44:19,680  
today but it's much darker than that of

1257  
00:44:22,630 --> 00:44:21,040  
course

1258  
00:44:25,990 --> 00:44:22,640  
so you wouldn't get home for maybe over

1259  
00:44:27,990 --> 00:44:26,000  
a year maybe two years at a young age

1260  
00:44:29,510 --> 00:44:28,000  
but like you said even even one year

1261  
00:44:30,630 --> 00:44:29,520  
what was happening is when these kids

1262  
00:44:33,270 --> 00:44:30,640  
were going home they couldn't

1263  
00:44:35,589 --> 00:44:33,280

communicate anymore right they could no

1264

00:44:37,030 --> 00:44:35,599

longer communicate with their parents

1265

00:44:38,390 --> 00:44:37,040

their parents couldn't communicate with

1266

00:44:40,950 --> 00:44:38,400

them because their parents couldn't

1267

00:44:42,870 --> 00:44:40,960

speak english and french

1268

00:44:44,790 --> 00:44:42,880

and then they also had it in the back of

1269

00:44:46,950 --> 00:44:44,800

their head that everything their parents

1270

00:44:48,390 --> 00:44:46,960

was doing was sort of

1271

00:44:50,950 --> 00:44:48,400

evil bad

1272

00:44:53,589 --> 00:44:50,960

you know not good at at the very least

1273

00:44:55,589 --> 00:44:53,599

right primitive at a minimum yeah

1274

00:44:57,430 --> 00:44:55,599

exactly and then at the same time you've

1275

00:45:00,390 --> 00:44:57,440

sort of banned the religious ceremonies

1276

00:45:01,589 --> 00:45:00,400

you've banned the potlucks you've banned

1277

00:45:03,630 --> 00:45:01,599

this

1278

00:45:05,589 --> 00:45:03,640

system of

1279

00:45:08,069 --> 00:45:05,599

interweaving

1280

00:45:11,190 --> 00:45:08,079

bands and tribes that have been sort of

1281

00:45:13,190 --> 00:45:11,200

meeting up over the years and it's

1282

00:45:15,589 --> 00:45:13,200

even though you had one band say of a

1283

00:45:17,349 --> 00:45:15,599

couple hundred or a thousand

1284

00:45:19,670 --> 00:45:17,359

thousand natives and you'd put them on

1285

00:45:21,829 --> 00:45:19,680

on one reserve i mean that they're used

1286

00:45:23,910 --> 00:45:21,839

to meeting up a few times a year and

1287

00:45:25,990 --> 00:45:23,920

there's this whole intermingling thing

1288

00:45:28,150 --> 00:45:26,000

so i mean all that's

1289

00:45:29,510 --> 00:45:28,160

taken away at the same time but

1290

00:45:30,950 --> 00:45:29,520

and at the same time you're in the

1291

00:45:32,150 --> 00:45:30,960

school where your teachers are punishing

1292

00:45:33,910 --> 00:45:32,160

you every time you speak your own

1293

00:45:35,270 --> 00:45:33,920

language if you've got a sibling you

1294

00:45:37,670 --> 00:45:35,280

know you're sort of not allowed to talk

1295

00:45:40,470 --> 00:45:37,680

to them you're kept away from them

1296

00:45:42,150 --> 00:45:40,480

and you go home if you're lucky and you

1297

00:45:44,230 --> 00:45:42,160

can't communicate with your family

1298

00:45:47,030 --> 00:45:44,240

anymore and you think everything they do

1299

00:45:48,470 --> 00:45:47,040

is primitive and you're at the best and

1300

00:45:50,150 --> 00:45:48,480

at the worst you just can't communicate

1301  
00:45:52,069 --> 00:45:50,160  
with them and in the back of your head

1302  
00:45:54,309 --> 00:45:52,079  
you think your parents have just taken

1303  
00:45:56,309 --> 00:45:54,319  
you to this place and left you there

1304  
00:45:58,870 --> 00:45:56,319  
which i mean if everyone just takes them

1305  
00:46:00,790 --> 00:45:58,880  
in and just thinks about your kids

1306  
00:46:02,309 --> 00:46:00,800  
if you just when they turned six if you

1307  
00:46:03,990 --> 00:46:02,319  
just took them off and dropped them off

1308  
00:46:05,510 --> 00:46:04,000  
at an institution and didn't see them

1309  
00:46:07,190 --> 00:46:05,520  
for a few years

1310  
00:46:08,150 --> 00:46:07,200  
i mean none of us are going to be okay

1311  
00:46:10,390 --> 00:46:08,160  
with that

1312  
00:46:13,030 --> 00:46:10,400  
today but that was happening up until

1313  
00:46:15,589 --> 00:46:13,040

you know 60 years ago in canada

1314

00:46:17,910 --> 00:46:15,599

right right and of course the big story

1315

00:46:20,470 --> 00:46:17,920

that's coming out now are these mass

1316

00:46:21,510 --> 00:46:20,480

unmarked graves of children around these

1317

00:46:23,750 --> 00:46:21,520

schools

1318

00:46:27,349 --> 00:46:23,760

from the book i wrote down

1319

00:46:30,630 --> 00:46:27,359

215 bodies at camp loops indian

1320

00:46:33,550 --> 00:46:30,640

residential school 109 bodies at the

1321

00:46:36,470 --> 00:46:33,560

brandon indian residential school

1322

00:46:39,750 --> 00:46:36,480

751 bodies at the

1323

00:46:41,510 --> 00:46:39,760

maryvale indian residential school

1324

00:46:44,630 --> 00:46:41,520

and these are just three examples there

1325

00:46:47,589 --> 00:46:44,640

are quite a few more right

1326

00:46:49,589 --> 00:46:47,599

yeah i think the last time i checked it

1327

00:46:52,870 --> 00:46:49,599

was up to over five thousand

1328

00:46:54,470 --> 00:46:52,880

wow total kids in unmarked graves yeah

1329

00:46:55,829 --> 00:46:54,480

mostly kids

1330

00:46:58,150 --> 00:46:55,839

and i think you know there's the

1331

00:47:00,230 --> 00:46:58,160

argument that a lot of those graves used

1332

00:47:02,630 --> 00:47:00,240

to be marked and i've

1333

00:47:04,710 --> 00:47:02,640

got a lot of time for that

1334

00:47:06,230 --> 00:47:04,720

i don't think they were all crammed in

1335

00:47:08,230 --> 00:47:06,240

unmarked graze they were probably put in

1336

00:47:10,790 --> 00:47:08,240

mark graves and it's been

1337

00:47:13,349 --> 00:47:10,800

60 70 years of just people not giving a

1338

00:47:15,910 --> 00:47:13,359

[h\_\_h] or not paying attention or you know

1339

00:47:17,990 --> 00:47:15,920

they got knocked over or they rotted or

1340

00:47:20,309 --> 00:47:18,000

maybe they were unmarked

1341

00:47:22,390 --> 00:47:20,319

but it's a disaster

1342

00:47:24,870 --> 00:47:22,400

and the funny thing is that

1343

00:47:27,349 --> 00:47:24,880

not the funny thing but guys like kevin

1344

00:47:30,390 --> 00:47:27,359

annette that have been saying this for

1345

00:47:32,390 --> 00:47:30,400

20 years i mean their numbers are closer

1346

00:47:34,309 --> 00:47:32,400

to 10 times this

1347

00:47:36,549 --> 00:47:34,319

and he's got real concerns that the only

1348

00:47:38,390 --> 00:47:36,559

reason this is coming out now is because

1349

00:47:40,230 --> 00:47:38,400

they're sort of ready for it this is a

1350

00:47:42,309 --> 00:47:40,240

controlled release of we'll give them

1351

00:47:45,190 --> 00:47:42,319

five or ten thousand and we'll just

1352

00:47:48,069 --> 00:47:45,200

leave the rest to be done with it

1353

00:47:48,790 --> 00:47:48,079

right limited hangout classic situation

1354

00:47:50,390 --> 00:47:48,800

and

1355

00:47:53,349 --> 00:47:50,400

let's talk about

1356

00:47:57,109 --> 00:47:53,359

how these kids died i mean a lot of it

1357

00:47:58,150 --> 00:47:57,119

apparently is tuberculosis a 1907 report

1358

00:48:01,270 --> 00:47:58,160

said that

1359

00:48:02,750 --> 00:48:01,280

in one case over 25

1360

00:48:06,549 --> 00:48:02,760

of the

1361

00:48:09,589 --> 00:48:06,559

1537 students had died from tuberculosis

1362

00:48:10,470 --> 00:48:09,599

with some schools approaching 70 death

1363

00:48:12,950 --> 00:48:10,480

rates

1364

00:48:15,430 --> 00:48:12,960

bryce's report blamed school

1365

00:48:17,589 --> 00:48:15,440

construction and care standards for the

1366

00:48:20,710 --> 00:48:17,599

much higher rates of tuberculosis in the

1367

00:48:23,829 --> 00:48:20,720

schools which went against the popular

1368

00:48:26,230 --> 00:48:23,839

racial susceptibility theory of the time

1369

00:48:27,750 --> 00:48:26,240

and uh we also have a race racial

1370

00:48:30,549 --> 00:48:27,760

susceptibility

1371

00:48:32,309 --> 00:48:30,559

thread to covid too and i just think

1372

00:48:35,190 --> 00:48:32,319

this is so important to bring this stuff

1373

00:48:37,430 --> 00:48:35,200

up to people who think this mindset is

1374

00:48:38,790 --> 00:48:37,440

gone that the elite are no longer racist

1375

00:48:40,630 --> 00:48:38,800

that we can trust them they have our

1376

00:48:43,510 --> 00:48:40,640

best interests at heart it's a tale as

1377

00:48:45,670 --> 00:48:43,520

old as time that they don't but talk to

1378

00:48:47,990 --> 00:48:45,680

us about tuberculosis in these schools

1379

00:48:49,910 --> 00:48:48,000

because my first thought was always that

1380

00:48:53,750 --> 00:48:49,920

when you find these mass graves it's

1381

00:48:55,750 --> 00:48:53,760

abuse it's murdering kids and just

1382

00:48:57,990 --> 00:48:55,760

not taking care of them which you know

1383

00:48:59,430 --> 00:48:58,000

of course disease i think we both kind

1384

00:49:02,470 --> 00:48:59,440

of rethought

1385

00:49:05,270 --> 00:49:02,480

what disease is and how it affects us

1386

00:49:08,069 --> 00:49:05,280

and its relationship to

1387

00:49:08,950 --> 00:49:08,079

standards of of cleanliness and and

1388

00:49:10,710 --> 00:49:08,960

health

1389

00:49:12,309 --> 00:49:10,720

talk to us about tuberculosis and how

1390

00:49:13,829 --> 00:49:12,319

you're processing the fact that the

1391

00:49:15,670 --> 00:49:13,839

majority of these deaths seem to be

1392

00:49:17,349 --> 00:49:15,680

because of that

1393

00:49:19,589 --> 00:49:17,359

i mean the main thing was probably that

1394

00:49:21,030 --> 00:49:19,599

it was about a six or seven to one

1395

00:49:22,790 --> 00:49:21,040

between

1396

00:49:24,790 --> 00:49:22,800

indigenous kids at schools and

1397

00:49:27,190 --> 00:49:24,800

indigenous kids on the reserve so i mean

1398

00:49:29,430 --> 00:49:27,200

tuberculosis was a big problem

1399

00:49:31,270 --> 00:49:29,440

already i mean there probably was a bit

1400

00:49:33,510 --> 00:49:31,280

of

1401

00:49:35,750 --> 00:49:33,520

i mean if disease works like that which

1402

00:49:37,829 --> 00:49:35,760

i we don't know i mean we still that's

1403

00:49:39,109 --> 00:49:37,839

probably still on the table but if there

1404

00:49:41,430 --> 00:49:39,119

was uh

1405

00:49:43,109 --> 00:49:41,440

it seems to me to be more of a poverty

1406

00:49:44,790 --> 00:49:43,119

thing again

1407

00:49:46,309 --> 00:49:44,800

where the poorer you were

1408

00:49:47,829 --> 00:49:46,319

the more chance you had to die in

1409

00:49:51,190 --> 00:49:47,839

tuberculosis because even the on

1410

00:49:53,270 --> 00:49:51,200

reservation numbers compared to

1411

00:49:55,589 --> 00:49:53,280

the general population of the settler

1412

00:49:57,270 --> 00:49:55,599

population was still higher

1413

00:49:58,870 --> 00:49:57,280

but once you got onto the residential

1414

00:50:00,630 --> 00:49:58,880

schools it was about seven times the

1415

00:50:03,109 --> 00:50:00,640

settler population i think about four

1416

00:50:05,270 --> 00:50:03,119

times the on reserve population

1417

00:50:07,030 --> 00:50:05,280

and i mean i think that still just boils

1418

00:50:10,309 --> 00:50:07,040

down to cramming a bunch of kids into a

1419

00:50:13,670 --> 00:50:10,319

shitty house in a canadian winter i mean

1420

00:50:15,190 --> 00:50:13,680

no one really cares you know you got it

1421

00:50:18,309 --> 00:50:15,200

you're coming to a thing where there

1422

00:50:20,230 --> 00:50:18,319

wasn't a lot of love in these places

1423

00:50:22,309 --> 00:50:20,240

you got kids that aren't getting hugged

1424

00:50:23,910 --> 00:50:22,319

they're not getting touched when they're

1425

00:50:26,309 --> 00:50:23,920

sick they're probably just left in their

1426  
00:50:28,309 --> 00:50:26,319  
bed alone

1427  
00:50:30,150 --> 00:50:28,319  
they're probably not getting extra care

1428  
00:50:34,230 --> 00:50:30,160  
when they're sick they're probably not

1429  
00:50:36,549 --> 00:50:34,240  
being separated from the population and

1430  
00:50:38,470 --> 00:50:36,559  
it's one less mouth to feed probably is

1431  
00:50:40,150 --> 00:50:38,480  
the outlook of the time

1432  
00:50:42,950 --> 00:50:40,160  
and then there's a ton of reports from

1433  
00:50:45,270 --> 00:50:42,960  
bryce's own report who was the i forget

1434  
00:50:47,030 --> 00:50:45,280  
his exact title at the time but he was

1435  
00:50:49,109 --> 00:50:47,040  
put in charge of checking

1436  
00:50:50,230 --> 00:50:49,119  
the health level these places out by the

1437  
00:50:52,069 --> 00:50:50,240  
government

1438  
00:50:54,549 --> 00:50:52,079

now when he started questioning the

1439

00:50:56,790 --> 00:50:54,559

government and wrote his report he was

1440

00:50:59,589 --> 00:50:56,800

forced into retirement

1441

00:51:01,190 --> 00:50:59,599

he fought that and tried to

1442

00:51:04,150 --> 00:51:01,200

overturn it

1443

00:51:05,829 --> 00:51:04,160

and he was unsuccessful and was forced

1444

00:51:07,750 --> 00:51:05,839

into retirement which is why he released

1445

00:51:10,950 --> 00:51:07,760

it as a book

1446

00:51:12,710 --> 00:51:10,960

the book was a national crime

1447

00:51:13,670 --> 00:51:12,720

which is where a lot of this information

1448

00:51:15,750 --> 00:51:13,680

can be

1449

00:51:17,750 --> 00:51:15,760

found now it's only about little 22 page

1450

00:51:20,309 --> 00:51:17,760

book but it's basically just a breakdown

1451  
00:51:22,630 --> 00:51:20,319  
of exactly what was happening

1452  
00:51:24,710 --> 00:51:22,640  
in these schools and why tuberculosis

1453  
00:51:26,150 --> 00:51:24,720  
was such a problem

1454  
00:51:28,390 --> 00:51:26,160  
i mean the other problem is there was a

1455  
00:51:30,390 --> 00:51:28,400  
ton of abuse i mean

1456  
00:51:32,950 --> 00:51:30,400  
let's be honest catholics in the [h\_\_\h]

1457  
00:51:35,430 --> 00:51:32,960  
1800s and the 18 1900s work great to

1458  
00:51:36,630 --> 00:51:35,440  
[h\_\_\h] any kids you know it's a harsh

1459  
00:51:40,150 --> 00:51:36,640  
[h\_\_\h] thing

1460  
00:51:42,069 --> 00:51:40,160  
and now take it on to a bunch of savages

1461  
00:51:43,910 --> 00:51:42,079  
quote unquote that you're not happy

1462  
00:51:45,430 --> 00:51:43,920  
about where you are or why you are or

1463  
00:51:47,030 --> 00:51:45,440

your post and you're just stuck there

1464

00:51:48,630 --> 00:51:47,040

with a bunch of

1465

00:51:51,030 --> 00:51:48,640

kids you don't like

1466

00:51:52,950 --> 00:51:51,040

so there's a ton of stories of abuse i'm

1467

00:51:55,750 --> 00:51:52,960

sure a ton of murder there's a ton of

1468

00:51:57,030 --> 00:51:55,760

stories of principles and

1469

00:51:58,309 --> 00:51:57,040

because it seemed like the principles in

1470

00:51:59,750 --> 00:51:58,319

a lot of time ended up with the

1471

00:52:01,750 --> 00:51:59,760

authority in these situations but

1472

00:52:03,270 --> 00:52:01,760

there's a ton of evidence of of just

1473

00:52:06,069 --> 00:52:03,280

that abuse

1474

00:52:09,589 --> 00:52:06,079

murder that kind of stuff

1475

00:52:11,910 --> 00:52:09,599

and the other big one is running away

1476

00:52:13,990 --> 00:52:11,920

i mean a ton of these kids took it on

1477

00:52:16,230 --> 00:52:14,000

themselves to try and run away some

1478

00:52:17,589 --> 00:52:16,240

ended up getting caught some gave up and

1479

00:52:19,910 --> 00:52:17,599

came back

1480

00:52:21,349 --> 00:52:19,920

some made it but we're talking about

1481

00:52:25,829 --> 00:52:21,359

canada

1482

00:52:29,190 --> 00:52:25,839

there's a lot of untamed wilderness now

1483

00:52:30,069 --> 00:52:29,200

in 2021 a hundred years ago it was much

1484

00:52:30,829 --> 00:52:30,079

much

1485

00:52:33,190 --> 00:52:30,839

more

1486

00:52:35,510 --> 00:52:33,200

untamed and

1487

00:52:37,910 --> 00:52:35,520

you know the weather is harsh six months

1488

00:52:40,069 --> 00:52:37,920

of the year so

1489

00:52:41,829 --> 00:52:40,079

for a young kid to be walking around or

1490

00:52:43,109 --> 00:52:41,839

wandering around in the fall the spring

1491

00:52:44,309 --> 00:52:43,119

or the winter

1492

00:52:46,630 --> 00:52:44,319

which you really wouldn't know any

1493

00:52:47,829 --> 00:52:46,640

better at that age and you just want to

1494

00:52:51,030 --> 00:52:47,839

get away

1495

00:52:52,950 --> 00:52:51,040

and you end up just succumbing to the

1496

00:52:55,829 --> 00:52:52,960

the elements i think you know their

1497

00:52:57,109 --> 00:52:55,839

official numbers they say it's up to 6

1498

00:52:59,030 --> 00:52:57,119

000

1499

00:53:01,510 --> 00:52:59,040

kids died at the schools i think that

1500

00:53:03,109 --> 00:53:01,520

number's probably closer to 60.

1501

00:53:05,109 --> 00:53:03,119

i won't say that in the book though

1502

00:53:06,950 --> 00:53:05,119

because i don't speculate but that's my

1503

00:53:10,069 --> 00:53:06,960

personal thought is that that number's

1504

00:53:13,349 --> 00:53:10,079

probably closer to 50 or 60 000 kids

1505

00:53:15,109 --> 00:53:13,359

fair enough and i have this quote from

1506

00:53:16,630 --> 00:53:15,119

scott i can't remember his first name

1507

00:53:18,390 --> 00:53:16,640

but he's one of the players you say

1508

00:53:21,990 --> 00:53:18,400

who's involved with all this but his

1509

00:53:24,630 --> 00:53:22,000

quote from 1910 says i can safely say

1510

00:53:27,349 --> 00:53:24,640

that barely half of the children in our

1511

00:53:29,990 --> 00:53:27,359

indian schools survive to take advantage

1512

00:53:31,510 --> 00:53:30,000

of the education we are offering them i

1513

00:53:33,910 --> 00:53:31,520

mean that's pretty dark but it's right

1514

00:53:35,030 --> 00:53:33,920

from the horse's mouth right there

1515

00:53:36,309 --> 00:53:35,040

and that's

1516

00:53:38,549 --> 00:53:36,319

18.

1517

00:53:40,230 --> 00:53:38,559

that's the 18 he's talking about we're

1518

00:53:43,030 --> 00:53:40,240

not even

1519

00:53:44,950 --> 00:53:43,040

taking into account

1520

00:53:47,109 --> 00:53:44,960

what happened to these kids in early

1521

00:53:48,790 --> 00:53:47,119

adulthood

1522

00:53:51,349 --> 00:53:48,800

you know like if you start taking in

1523

00:53:53,270 --> 00:53:51,359

account how many of them ended up with

1524

00:53:56,549 --> 00:53:53,280

alcoholism problems

1525

00:53:57,829 --> 00:53:56,559

how many of them ended up with crime

1526  
00:54:00,470 --> 00:53:57,839

problems

1527  
00:54:02,069 --> 00:54:00,480

i mean you've completely broken a person

1528  
00:54:04,309 --> 00:54:02,079

when you've done this to them at that

1529  
00:54:07,349 --> 00:54:04,319

age and if they're lucky enough to get

1530  
00:54:10,230 --> 00:54:07,359

through that now you know you've got a

1531  
00:54:13,190 --> 00:54:10,240

huge percentage with drinking problems

1532  
00:54:15,670 --> 00:54:13,200

you've got an insane increase in suicide

1533  
00:54:16,950 --> 00:54:15,680

among indigenous and inuit populations

1534  
00:54:18,470 --> 00:54:16,960

in canada

1535  
00:54:20,069 --> 00:54:18,480

especially young people right up to

1536  
00:54:24,150 --> 00:54:20,079

today

1537  
00:54:25,750 --> 00:54:24,160

so we've got three generations of

1538  
00:54:27,750 --> 00:54:25,760

you know we're just kind of getting a

1539

00:54:29,109 --> 00:54:27,760

grasp on where indians are raising their

1540

00:54:32,150 --> 00:54:29,119

own kids again

1541

00:54:35,109 --> 00:54:32,160

i mean so for like a hundred years

1542

00:54:38,150 --> 00:54:35,119

i mean technically as is 1884 maybe or

1543

00:54:41,670 --> 00:54:38,160

1894 i should get those years right

1544

00:54:43,589 --> 00:54:41,680

because it was up until 1947 that it was

1545

00:54:46,670 --> 00:54:43,599

mandatory attendance and i believe it

1546

00:54:49,910 --> 00:54:46,680

started in 18 yeah 1884 to

1547

00:54:51,750 --> 00:54:49,920

1947 mandatory attendance so

1548

00:54:53,829 --> 00:54:51,760

i mean we're 60 years removed from that

1549

00:54:57,349 --> 00:54:53,839

so maybe two generations but so you got

1550

00:54:59,030 --> 00:54:57,359

to think now the repercussions of that

1551  
00:55:02,150 --> 00:54:59,040  
are that

1552  
00:55:04,069 --> 00:55:02,160  
maybe you're the first generation

1553  
00:55:07,109 --> 00:55:04,079  
of parents that are raising their own

1554  
00:55:08,870 --> 00:55:07,119  
kids now is into the 60s no

1555  
00:55:12,069 --> 00:55:08,880  
but these people

1556  
00:55:13,670 --> 00:55:12,079  
weren't raised by parents

1557  
00:55:15,589 --> 00:55:13,680  
they didn't learn i mean parenting's

1558  
00:55:16,710 --> 00:55:15,599  
hard enough right i mean as you're about

1559  
00:55:18,309 --> 00:55:16,720  
to find out

1560  
00:55:19,270 --> 00:55:18,319  
i already know but i mean it's hard

1561  
00:55:22,390 --> 00:55:19,280  
enough

1562  
00:55:24,950 --> 00:55:22,400  
with all the information and everything

1563  
00:55:27,750 --> 00:55:24,960

we've got around us today

1564

00:55:31,109 --> 00:55:27,760

but now take into that that you never

1565

00:55:32,950 --> 00:55:31,119

got to experience the child end of that

1566

00:55:34,950 --> 00:55:32,960

because that's the biggest one right

1567

00:55:37,670 --> 00:55:34,960

that's the biggest thing we ever learn

1568

00:55:39,589 --> 00:55:37,680

from is from watching our parents

1569

00:55:41,430 --> 00:55:39,599

now you take that away that these kids

1570

00:55:43,430 --> 00:55:41,440

didn't have that they didn't have a

1571

00:55:45,430 --> 00:55:43,440

parents to emulate they didn't have

1572

00:55:47,270 --> 00:55:45,440

parents to copy they didn't really have

1573

00:55:49,030 --> 00:55:47,280

parents to love they didn't really have

1574

00:55:50,549 --> 00:55:49,040

anyone to love

1575

00:55:52,069 --> 00:55:50,559

but then they stumbled out of that

1576  
00:55:53,829 --> 00:55:52,079  
somehow

1577  
00:55:56,150 --> 00:55:53,839  
had kids

1578  
00:55:58,630 --> 00:55:56,160  
and now got to figure out

1579  
00:56:01,430 --> 00:55:58,640  
something that

1580  
00:56:04,150 --> 00:56:01,440  
you know arguably 30 of the population

1581  
00:56:05,910 --> 00:56:04,160  
has an insane problem with today and not

1582  
00:56:08,069 --> 00:56:05,920  
letting it slip into

1583  
00:56:10,710 --> 00:56:08,079  
addiction or abuse

1584  
00:56:13,190 --> 00:56:10,720  
today we're talking 20 or 30 percent of

1585  
00:56:15,190 --> 00:56:13,200  
people in modern society

1586  
00:56:16,390 --> 00:56:15,200  
living the way we live can't keep a lid

1587  
00:56:18,630 --> 00:56:16,400  
on that [h\_\_h]

1588  
00:56:20,470 --> 00:56:18,640

now add to that that you were basically

1589

00:56:22,390 --> 00:56:20,480

in a concentration camp for your

1590

00:56:23,990 --> 00:56:22,400

developing years and you never got

1591

00:56:27,109 --> 00:56:24,000

raised by parents

1592

00:56:28,470 --> 00:56:27,119

how high does that number go up then

1593

00:56:30,390 --> 00:56:28,480

oh

1594

00:56:31,990 --> 00:56:30,400

man it is wild

1595

00:56:34,710 --> 00:56:32,000

and i also wanted to ask you about some

1596

00:56:36,390 --> 00:56:34,720

of your upcoming trips you guys really

1597

00:56:38,549 --> 00:56:36,400

are doing what needs to be done

1598

00:56:40,710 --> 00:56:38,559

strengthening the tribe building out the

1599

00:56:42,950 --> 00:56:40,720

network and just having a good time out

1600

00:56:45,670 --> 00:56:42,960

in the world i am a little jealous i do

1601  
00:56:47,589 --> 00:56:45,680  
still plan on coming to magic on the

1602  
00:56:50,309 --> 00:56:47,599  
mountain in february if you guys will

1603  
00:56:51,750 --> 00:56:50,319  
have me and my life is calmed down a

1604  
00:56:53,750 --> 00:56:51,760  
little bit by then

1605  
00:56:55,829 --> 00:56:53,760  
but i know you got a lot of other trips

1606  
00:56:57,430 --> 00:56:55,839  
on the books too tell people about them

1607  
00:56:59,670 --> 00:56:57,440  
well i'm actually headed down in two

1608  
00:57:02,710 --> 00:56:59,680  
weeks two weeks from monday i'm driving

1609  
00:57:04,470 --> 00:57:02,720  
back down to washington state to soap

1610  
00:57:06,230 --> 00:57:04,480  
lake washington

1611  
00:57:07,349 --> 00:57:06,240  
to meet up with randall carlson and

1612  
00:57:09,030 --> 00:57:07,359  
friends

1613  
00:57:11,349 --> 00:57:09,040

and the brothers of the serpent are

1614

00:57:13,030 --> 00:57:11,359

going to be there ben from uncharted x

1615

00:57:14,150 --> 00:57:13,040

will be there

1616

00:57:18,069 --> 00:57:14,160

and

1617

00:57:20,069 --> 00:57:18,079

going to be there

1618

00:57:22,069 --> 00:57:20,079

and we're going to be doing wim hof

1619

00:57:23,990 --> 00:57:22,079

training there doing some cold water

1620

00:57:25,270 --> 00:57:24,000

training doing the breath work

1621

00:57:27,430 --> 00:57:25,280

and of course we're going to be cruising

1622

00:57:29,030 --> 00:57:27,440

around for six days looking at all the

1623

00:57:30,150 --> 00:57:29,040

channeled scab lines with randall

1624

00:57:31,829 --> 00:57:30,160

carlson

1625

00:57:33,109 --> 00:57:31,839

we'll be doing some presentations at

1626

00:57:34,549 --> 00:57:33,119

night i was lucky enough to just do this

1627

00:57:36,309 --> 00:57:34,559

tour this is our second one this year we

1628

00:57:38,069 --> 00:57:36,319

did another one in may

1629

00:57:39,750 --> 00:57:38,079

from the third to the eighth it was a

1630

00:57:41,829 --> 00:57:39,760

fantastic time i'm looking forward to

1631

00:57:45,030 --> 00:57:41,839

get back down there we had i think about

1632

00:57:46,789 --> 00:57:45,040

15 rebuy of the people that came on the

1633

00:57:48,390 --> 00:57:46,799

first tour wanted to come back and do it

1634

00:57:50,069 --> 00:57:48,400

all over again

1635

00:57:51,349 --> 00:57:50,079

so they're doing that we are sold out

1636

00:57:53,349 --> 00:57:51,359

for that but we'll be doing that from

1637

00:57:54,950 --> 00:57:53,359

the 20th to the 26th

1638

00:57:56,789 --> 00:57:54,960

having a good old time usually randall

1639

00:57:59,430 --> 00:57:56,799

on the last night does his fabled moon

1640

00:58:01,190 --> 00:57:59,440

presentation which is a getter i highly

1641

00:58:03,589 --> 00:58:01,200

recommend it

1642

00:58:05,670 --> 00:58:03,599

so we got that september 20th to 26th

1643

00:58:07,510 --> 00:58:05,680

that's the last one of the year we

1644

00:58:10,150 --> 00:58:07,520

pulled off three this year even during

1645

00:58:11,829 --> 00:58:10,160

the lockdowns in canada we managed to

1646

00:58:13,829 --> 00:58:11,839

graham couldn't get out but i got out

1647

00:58:15,190 --> 00:58:13,839

and we were able to pull those off of

1648

00:58:16,870 --> 00:58:15,200

course we have the magic on the mountain

1649

00:58:18,870 --> 00:58:16,880

in arizona that you mentioned in

1650

00:58:20,150 --> 00:58:18,880

february that'll be february 10th to

1651  
00:58:20,829 --> 00:58:20,160  
13th

1652  
00:58:24,390 --> 00:58:20,839  
and

1653  
00:58:26,230 --> 00:58:24,400  
lakeside pinetop lakeside arizona i'll

1654  
00:58:28,789 --> 00:58:26,240  
probably have to drive down i think with

1655  
00:58:30,230 --> 00:58:28,799  
the new vacation stuff but that's okay

1656  
00:58:32,150 --> 00:58:30,240  
arizona is a nice drive that's got to be

1657  
00:58:35,510 --> 00:58:32,160  
like 20 some hours

1658  
00:58:36,390 --> 00:58:35,520  
right if you can go 27 hours i can go

1659  
00:58:37,750 --> 00:58:36,400  
five

1660  
00:58:40,069 --> 00:58:37,760  
there you go i mean i've driven to

1661  
00:58:42,390 --> 00:58:40,079  
california a couple times colorado i'm

1662  
00:58:43,750 --> 00:58:42,400  
used to it it's still better than

1663  
00:58:44,950 --> 00:58:43,760

jumping through their hoops but we're

1664

00:58:47,430 --> 00:58:44,960

doing that

1665

00:58:49,510 --> 00:58:47,440

in arizona from the 10th to the 13th

1666

00:58:52,549 --> 00:58:49,520

we've got for sure joe rupe's going to

1667

00:58:54,390 --> 00:58:52,559

be there owen hunt brandon powell we'll

1668

00:58:57,109 --> 00:58:54,400

have some actual snow up there so we'll

1669

00:58:58,470 --> 00:58:57,119

do some proper whim hoffer up there and

1670

00:59:00,870 --> 00:58:58,480

we're going to learn a bunch of magic

1671

00:59:02,069 --> 00:59:00,880

and manifestation tricks to take on life

1672

00:59:04,069 --> 00:59:02,079

we'll do a day trip over to the

1673

00:59:06,150 --> 00:59:04,079

petrified forest national park for

1674

00:59:07,349 --> 00:59:06,160

anyone who wants to go

1675

00:59:08,470 --> 00:59:07,359

and then

1676

00:59:11,589 --> 00:59:08,480

next

1677

00:59:14,230 --> 00:59:11,599

april april 28 to may 2nd

1678

00:59:15,990 --> 00:59:14,240

we're in utah for contact at the canyons

1679

00:59:17,190 --> 00:59:16,000

we go with our mutual friend dave

1680

00:59:19,829 --> 00:59:17,200

matheson

1681

00:59:22,950 --> 00:59:19,839

and brandon powell we meet up down in

1682

00:59:25,349 --> 00:59:22,960

south western utah on duck creek

1683

00:59:26,710 --> 00:59:25,359

mountain and we hang out we go to bryce

1684

00:59:28,710 --> 00:59:26,720

canyon

1685

00:59:31,510 --> 00:59:28,720

hike it have dinner out in the park

1686

00:59:33,510 --> 00:59:31,520

there and then we wait till dark and we

1687

00:59:36,069 --> 00:59:33,520

check out the stars the stars at bryce

1688

00:59:38,309 --> 00:59:36,079

canyon are amazing

1689

00:59:40,470 --> 00:59:38,319

and we have our buddy dave there telling

1690

00:59:42,549 --> 00:59:40,480

us all the star mythology and pointing

1691

00:59:44,829 --> 00:59:42,559

out all the constellations and all that

1692

00:59:47,190 --> 00:59:44,839

it really is a good time it's great for

1693

00:59:48,549 --> 00:59:47,200

couples unfortunately that's sold out if

1694

00:59:50,630 --> 00:59:48,559

you do decide to come to that one though

1695

00:59:52,470 --> 00:59:50,640

i will get you in all right

1696

00:59:54,390 --> 00:59:52,480

that's probably my favorite one honestly

1697

00:59:56,950 --> 00:59:54,400

it's the four days just hanging out and

1698

00:59:59,109 --> 00:59:56,960

hiking and checking out the stars and we

1699

01:00:00,710 --> 00:59:59,119

got a giant chalet rented out up there

1700

01:00:02,470 --> 01:00:00,720

in duck creek we're there right before

1701

01:00:04,069 --> 01:00:02,480

the start of the season up there so it's

1702

01:00:05,670 --> 01:00:04,079

super quiet

1703

01:00:07,510 --> 01:00:05,680

and you get to fly into vegas on your

1704

01:00:09,109 --> 01:00:07,520

way in so i mean you get if you want you

1705

01:00:10,470 --> 01:00:09,119

can have a night in vegas and then head

1706

01:00:12,470 --> 01:00:10,480

up on the mountain to decompress i'll

1707

01:00:14,870 --> 01:00:12,480

tell you that's a crazy drive

1708

01:00:17,190 --> 01:00:14,880

i bought a bag of chips just outside of

1709

01:00:18,950 --> 01:00:17,200

vegas on my way up the mountain and we

1710

01:00:20,870 --> 01:00:18,960

were driving up the mountain

1711

01:00:23,109 --> 01:00:20,880

and you hear a pop

1712

01:00:24,630 --> 01:00:23,119

and i were like what the hell was that

1713

01:00:26,710 --> 01:00:24,640

then sure enough all the chips have

1714

01:00:28,470 --> 01:00:26,720

exploded in the back seat

1715

01:00:30,309 --> 01:00:28,480

i've never seen anything like that but

1716

01:00:31,829 --> 01:00:30,319

it was pretty gnarly but that one's sold

1717

01:00:33,349 --> 01:00:31,839

out too we're thinking about doing a

1718

01:00:35,270 --> 01:00:33,359

second week

1719

01:00:37,829 --> 01:00:35,280

and then of course

1720

01:00:40,309 --> 01:00:37,839

next june we're doing the second half of

1721

01:00:42,390 --> 01:00:40,319

the scab lines tour in idaho and montana

1722

01:00:44,069 --> 01:00:42,400

with randall carlson again that's

1723

01:00:46,630 --> 01:00:44,079

already half sold

1724

01:00:48,069 --> 01:00:46,640

and next november we're going to egypt

1725

01:00:50,150 --> 01:00:48,079

damn

1726

01:00:53,030 --> 01:00:50,160

two weeks in egypt with ben from

1727

01:00:55,829 --> 01:00:53,040

uncharted x and the snake brothers right

1728

01:00:57,990 --> 01:00:55,839

that's all over at contact cabin.com if

1729

01:01:01,270 --> 01:00:58,000

people want to check that out

1730

01:01:02,870 --> 01:01:01,280

we can join the mailing list or

1731

01:01:04,230 --> 01:01:02,880

get on a wait list we have some wait

1732

01:01:05,829 --> 01:01:04,240

lists because lately the you know the

1733

01:01:07,670 --> 01:01:05,839

world's pretty fluid these days with

1734

01:01:08,950 --> 01:01:07,680

people wanting to travel or being able

1735

01:01:10,549 --> 01:01:08,960

to travel

1736

01:01:11,910 --> 01:01:10,559

so there's always some last minute

1737

01:01:13,670 --> 01:01:11,920

movement if you get your name on a

1738

01:01:15,430 --> 01:01:13,680

waitlist sometimes you can get in last

1739

01:01:19,030 --> 01:01:15,440

minute

1740

01:01:21,109 --> 01:01:19,040

wow well ambitious and bold and i love

1741

01:01:22,789 --> 01:01:21,119

it i love it i'm definitely a little

1742

01:01:25,190 --> 01:01:22,799

jealous but i'm gonna try to make it out

1743

01:01:27,510 --> 01:01:25,200

on some of these trips i gotta quit just

1744

01:01:29,349 --> 01:01:27,520

talking about it and actually

1745

01:01:31,510 --> 01:01:29,359

get out of the

1746

01:01:33,589 --> 01:01:31,520

my little bubble here in san diego i

1747

01:01:35,270 --> 01:01:33,599

just don't leave it and once you get out

1748

01:01:36,470 --> 01:01:35,280

once you'll just be like oh this is

1749

01:01:38,549 --> 01:01:36,480

great

1750

01:01:40,710 --> 01:01:38,559

right it's dumb to keep complaining

1751

01:01:42,710 --> 01:01:40,720

about the same things and then doing the

1752

01:01:45,030 --> 01:01:42,720

same things and not actually making some

1753

01:01:46,870 --> 01:01:45,040

kind of change so it just uh

1754

01:01:48,950 --> 01:01:46,880

unfortunately it coincides right with

1755

01:01:51,910 --> 01:01:48,960

having my first kid so it's like now is

1756

01:01:53,750 --> 01:01:51,920

not the time to start getting out but

1757

01:01:54,950 --> 01:01:53,760

maybe it is i don't know

1758

01:01:56,870 --> 01:01:54,960

but is there anything else we should

1759

01:01:59,270 --> 01:01:56,880

tell the people before i cut you loose

1760

01:02:00,870 --> 01:01:59,280

where to get the book obviously where to

1761

01:02:02,870 --> 01:02:00,880

get the show i'm sure most people are

1762

01:02:04,470 --> 01:02:02,880

aware but still it's how these things

1763

01:02:05,990 --> 01:02:04,480

tend to wind down

1764

01:02:07,589 --> 01:02:06,000

yeah well of course the website's

1765

01:02:09,349 --> 01:02:07,599

gramerica.ca

1766

01:02:11,589 --> 01:02:09,359

you can find everything from there

1767

01:02:15,349 --> 01:02:11,599

that'll lead you sort of everywhere

1768

01:02:17,190 --> 01:02:15,359

gramerica outlaw.ca is the other podcast

1769

01:02:19,109 --> 01:02:17,200

the book a canadian chains available on

1770

01:02:21,829 --> 01:02:19,119

amazon everyplace else

1771

01:02:23,910 --> 01:02:21,839

or you can go to a canadian shame.ca

1772

01:02:26,549 --> 01:02:23,920

there's a little contact form at the

1773

01:02:28,789 --> 01:02:26,559

bottom if you need bulk copies

1774

01:02:31,349 --> 01:02:28,799

or if you want to sign copy or anything

1775

01:02:32,950 --> 01:02:31,359

like that i can do that for you

1776

01:02:35,670 --> 01:02:32,960

and then the other big thing we got

1777

01:02:38,789 --> 01:02:35,680

going these days is the audiobooks we've

1778

01:02:41,190 --> 01:02:38,799

taken a bunch of these esoteric classics

1779

01:02:43,750 --> 01:02:41,200

turn them into audio as narrated by

1780

01:02:45,750 --> 01:02:43,760

graham dunlop co-host degramerica does

1781

01:02:47,589 --> 01:02:45,760

the reading i do the editing

1782

01:02:49,670 --> 01:02:47,599

but we've got i think about 20 titles

1783

01:02:51,750 --> 01:02:49,680

available now and you can go to adult

1784

01:02:53,829 --> 01:02:51,760

brain dot ca that'll give you a list of

1785

01:02:56,710 --> 01:02:53,839

them all or if you go to like audible or

1786

01:02:58,630 --> 01:02:56,720

itunes and just type in graham dunlop or

1787

01:03:01,190 --> 01:02:58,640

grimerica they should all pop up as well

1788

01:03:03,589 --> 01:03:01,200

that includes my book a canadian shame

1789

01:03:05,430 --> 01:03:03,599

is available on audio same with the

1790

01:03:09,589 --> 01:03:05,440

secret teachings of all ages we did

1791

01:03:11,990 --> 01:03:09,599

that's about 35 hours by manly p hall

1792

01:03:14,309 --> 01:03:12,000

we've done all three of blavatsky's

1793

01:03:16,390 --> 01:03:14,319

secret doctrines secret doctrine one two

1794

01:03:17,510 --> 01:03:16,400

and three again they're about 35 hours

1795

01:03:19,349 --> 01:03:17,520

each

1796

01:03:21,670 --> 01:03:19,359

hamlet's mill which is a big one that

1797

01:03:23,510 --> 01:03:21,680

comes up a whole ton in these esoteric

1798

01:03:24,309 --> 01:03:23,520

circles wasn't available as an audio

1799

01:03:26,230 --> 01:03:24,319

book

1800

01:03:27,910 --> 01:03:26,240

we finally made that available as an

1801  
01:03:30,390 --> 01:03:27,920  
audio book

1802  
01:03:32,390 --> 01:03:30,400  
the unabomber manifesto we've got that

1803  
01:03:34,470 --> 01:03:32,400  
up there and just

1804  
01:03:36,950 --> 01:03:34,480  
basically we're going through all these

1805  
01:03:38,710 --> 01:03:36,960  
books written in the 1800s that you know

1806  
01:03:40,230 --> 01:03:38,720  
you'll probably never read

1807  
01:03:42,069 --> 01:03:40,240  
but if you could just listen to someone

1808  
01:03:43,510 --> 01:03:42,079  
else read it you might do it i mean i'm

1809  
01:03:45,270 --> 01:03:43,520  
never going to read the secret doctrine

1810  
01:03:47,430 --> 01:03:45,280  
but it's not so bad to listen to it read

1811  
01:03:49,910 --> 01:03:47,440  
to me

1812  
01:03:52,789 --> 01:03:49,920  
i like it that is awesome really making

1813  
01:03:54,789 --> 01:03:52,799

uh a mark on the world you guys are and

1814

01:03:57,510 --> 01:03:54,799

trying very cool

1815

01:04:00,069 --> 01:03:57,520

yes as you're you sometimes

1816

01:04:02,069 --> 01:04:00,079

but congrats on getting a book done i

1817

01:04:04,230 --> 01:04:02,079

know it's not easy takes a lot of

1818

01:04:06,470 --> 01:04:04,240

discipline to say the least and you're

1819

01:04:09,029 --> 01:04:06,480

highlighting an important issue that

1820

01:04:11,430 --> 01:04:09,039

deserves the attention and great talking

1821

01:04:16,950 --> 01:04:11,440

to you again man take care out there

1822

01:04:21,589 --> 01:04:19,589

yes people my canadian podcasting

1823

01:04:23,190 --> 01:04:21,599

colleague from the north getting his

1824

01:04:26,710 --> 01:04:23,200

first book out

1825

01:04:28,789 --> 01:04:26,720

passing me by in so many ways

1826

01:04:31,750 --> 01:04:28,799

i kid i kid but it is a great

1827

01:04:33,190 --> 01:04:31,760

accomplishment and an important subject

1828

01:04:36,069 --> 01:04:33,200

that he seems

1829

01:04:38,950 --> 01:04:36,079

uniquely situated to cover

1830

01:04:40,870 --> 01:04:38,960

it's a perfect storm of heritage and an

1831

01:04:42,710 --> 01:04:40,880

understanding of how empire and its

1832

01:04:45,349 --> 01:04:42,720

cover-ups typically work through all

1833

01:04:47,109 --> 01:04:45,359

this conspiratorial exploration for

1834

01:04:49,589 --> 01:04:47,119

several years

1835

01:04:52,150 --> 01:04:49,599

and the reach and network that he's

1836

01:04:54,150 --> 01:04:52,160

built up from doing the show

1837

01:04:57,109 --> 01:04:54,160

and i'm glad he chose something so

1838

01:05:00,390 --> 01:04:57,119

specific and not often highlighted much

1839

01:05:02,549 --> 01:05:00,400

better than throwing together a pandemic

1840

01:05:05,349 --> 01:05:02,559

book as a lot of people are choosing to

1841

01:05:07,029 --> 01:05:05,359

do in the middle of the story

1842

01:05:09,430 --> 01:05:07,039

and i don't know if anyone noticed my

1843

01:05:11,349 --> 01:05:09,440

stupid mistake but when i was talking to

1844

01:05:14,309 --> 01:05:11,359

darren about his recent shows i

1845

01:05:16,309 --> 01:05:14,319

mentioned the one he did with k rubick

1846

01:05:20,710 --> 01:05:16,319

and for some reason even though the

1847

01:05:22,950 --> 01:05:20,720

topic read ccp i read cps and went on a

1848

01:05:25,029 --> 01:05:22,960

little rant about the very unrelated

1849

01:05:26,950 --> 01:05:25,039

child protective services

1850

01:05:29,990 --> 01:05:26,960

and he didn't even call me out on it

1851

01:05:34,309 --> 01:05:31,589

but i'm glad we could highlight this

1852

01:05:36,549 --> 01:05:34,319

scandal and contribute to its ongoing

1853

01:05:38,710 --> 01:05:36,559

exposure i'm sure many of us have heard

1854

01:05:40,069 --> 01:05:38,720

the headlines about these mass graves in

1855

01:05:42,630 --> 01:05:40,079

canada

1856

01:05:44,150 --> 01:05:42,640

but not a lot else so this was

1857

01:05:45,990 --> 01:05:44,160

informative

1858

01:05:48,230 --> 01:05:46,000

and i'm sure you can hear it in my voice

1859

01:05:51,829 --> 01:05:48,240

every time i talk to darren or graham

1860

01:05:54,069 --> 01:05:51,839

about how badly i wish i had a co-host

1861

01:05:56,870 --> 01:05:54,079

it's more in my nature to want to work

1862

01:05:58,630 --> 01:05:56,880

with friends than to work alone

1863

01:06:00,630 --> 01:05:58,640

and anyone who's been with the higher

1864

01:06:02,069 --> 01:06:00,640

side chat since the early days knows

1865

01:06:03,990 --> 01:06:02,079

that i tried

1866

01:06:06,309 --> 01:06:04,000

but if you feel like you're doing 80 of

1867

01:06:08,630 --> 01:06:06,319

the work eventually you just say well i

1868

01:06:10,390 --> 01:06:08,640

suppose i can do 100 since no one really

1869

01:06:12,069 --> 01:06:10,400

seems to care enough to read the guest's

1870

01:06:13,430 --> 01:06:12,079

book or prepare some questions in

1871

01:06:15,190 --> 01:06:13,440

advance

1872

01:06:17,430 --> 01:06:15,200

eventually you just say well this is

1873

01:06:19,589 --> 01:06:17,440

work and we don't often get everything

1874

01:06:21,270 --> 01:06:19,599

we want with work so

1875

01:06:22,789 --> 01:06:21,280

just do it

1876

01:06:24,630 --> 01:06:22,799

i probably would have been working at

1877

01:06:27,190 --> 01:06:24,640

gamestop a year or two longer if i had

1878

01:06:30,069 --> 01:06:27,200

to share the wealth anyway

1879

01:06:32,630 --> 01:06:30,079

but yes the rotating co-hosts went away

1880

01:06:35,270 --> 01:06:32,640

about as quickly as they came for the

1881

01:06:37,349 --> 01:06:35,280

but the universe tends to unfold as it

1882

01:06:39,270 --> 01:06:37,359

should they say

1883

01:06:41,990 --> 01:06:39,280

and recording this episode with darren

1884

01:06:43,990 --> 01:06:42,000

is at least partly the catalyst for me

1885

01:06:47,670 --> 01:06:44,000

finally saying [h\_\_h] it and doing a real

1886

01:06:50,470 --> 01:06:47,680

world meet up happening tonight actually

1887

01:06:52,470 --> 01:06:50,480

sunday september 19th at the tipsy crow

1888

01:06:55,990 --> 01:06:52,480

in san diego

1889

01:06:58,710 --> 01:06:56,000

could be two people there could be 20.

1890

01:07:01,190 --> 01:06:58,720

i have no idea how many locals would be

1891

01:07:03,589 --> 01:07:01,200

included in the larger thc audience and

1892

01:07:06,470 --> 01:07:03,599

i don't know how hungry people are for

1893

01:07:08,789 --> 01:07:06,480

any kind of meat space meetup either

1894

01:07:11,910 --> 01:07:08,799

but i'm excited for it i guess what has

1895

01:07:14,870 --> 01:07:11,920

always kept me cloistered away is the

1896

01:07:17,190 --> 01:07:14,880

few bad interactions that i've had

1897

01:07:19,430 --> 01:07:17,200

99 people out of 100 just want to say

1898

01:07:20,390 --> 01:07:19,440

hey love the show keep it up thanks for

1899

01:07:21,910 --> 01:07:20,400

doing it

1900

01:07:23,270 --> 01:07:21,920

and would be a pleasure to meet in

1901  
01:07:24,870 --> 01:07:23,280  
person

1902  
01:07:26,710 --> 01:07:24,880  
but then there's that one guy sending

1903  
01:07:28,630 --> 01:07:26,720  
you creepy pictures and saying he's

1904  
01:07:29,910 --> 01:07:28,640  
performing rituals to ruin your marriage

1905  
01:07:31,270 --> 01:07:29,920  
and win your heart

1906  
01:07:32,470 --> 01:07:31,280  
you don't want to share a beer with that

1907  
01:07:34,230 --> 01:07:32,480  
guy

1908  
01:07:35,750 --> 01:07:34,240  
although if he's good at magic maybe

1909  
01:07:37,910 --> 01:07:35,760  
eventually you do

1910  
01:07:40,390 --> 01:07:37,920  
but sometimes that all keeps you from

1911  
01:07:42,309 --> 01:07:40,400  
sharing a beer with anybody

1912  
01:07:44,549 --> 01:07:42,319  
even getting friendly with guests has

1913  
01:07:46,470 --> 01:07:44,559

been a mixed bag i probably don't even

1914

01:07:48,549 --> 01:07:46,480

have to go into that too much for people

1915

01:07:51,109 --> 01:07:48,559

to come up with at least one big example

1916

01:07:53,270 --> 01:07:51,119

of what i'm talking about

1917

01:07:55,349 --> 01:07:53,280

i guess i just thought well if i keep my

1918

01:07:57,190 --> 01:07:55,359

head down and just do the show and keep

1919

01:07:58,390 --> 01:07:57,200

it professional with people rather than

1920

01:08:00,390 --> 01:07:58,400

personal

1921

01:08:02,390 --> 01:08:00,400

what can go wrong

1922

01:08:04,870 --> 01:08:02,400

and nothing has gone wrong but another

1923

01:08:07,430 --> 01:08:04,880

question is what might i be missing by

1924

01:08:09,510 --> 01:08:07,440

doing that what could go right

1925

01:08:11,270 --> 01:08:09,520

and the times have changed the culture

1926

01:08:13,750 --> 01:08:11,280

has changed and i'm sure a lot of our

1927

01:08:15,589 --> 01:08:13,760

priorities have changed as well

1928

01:08:17,269 --> 01:08:15,599

so let's step into the unknown and see

1929

01:08:19,189 --> 01:08:17,279

how it goes

1930

01:08:21,669 --> 01:08:19,199

besides it seems like i'm going to have

1931

01:08:22,829 --> 01:08:21,679

alex zacaris and sofia small storm there

1932

01:08:25,110 --> 01:08:22,839

to keep me

1933

01:08:26,470 --> 01:08:25,120

company but i guess i won't really know

1934

01:08:27,990 --> 01:08:26,480

till i'm there

1935

01:08:30,550 --> 01:08:28,000

and hopefully we will have more

1936

01:08:32,309 --> 01:08:30,560

hopefully i can set up a calendar type

1937

01:08:34,309 --> 01:08:32,319

system where people can host their own

1938

01:08:36,550 --> 01:08:34,319

meetups across the country and find the

1939

01:08:37,669 --> 01:08:36,560

others and maybe i show up to those once

1940

01:08:40,149 --> 01:08:37,679

in a while

1941

01:08:42,470 --> 01:08:40,159

so don't feel like you're missing out

1942

01:08:44,789 --> 01:08:42,480

either way big thanks to darren of

1943

01:08:46,470 --> 01:08:44,799

course you know how it goes around here

1944

01:08:48,950 --> 01:08:46,480

first hour of the show is free second

1945

01:08:50,829 --> 01:08:48,960

hours for the supporters and we added a

1946

01:08:54,070 --> 01:08:50,839

lot to the stack in the second hour

1947

01:08:56,470 --> 01:08:54,080

today talked about graham's new show the

1948

01:08:58,709 --> 01:08:56,480

indian in the room talked about his

1949

01:09:01,749 --> 01:08:58,719

thoughts on the spiritual and religious

1950

01:09:04,709 --> 01:09:01,759

rituals and beliefs that were lost

1951

01:09:08,070 --> 01:09:04,719

the intentionally introducing disease

1952

01:09:09,110 --> 01:09:08,080

aspect of these sorts of things the 60s

1953

01:09:10,950 --> 01:09:09,120

scoop

1954

01:09:12,550 --> 01:09:10,960

the missing and murdered indigenous

1955

01:09:14,789 --> 01:09:12,560

women of canada

1956

01:09:18,470 --> 01:09:14,799

and a little shooting the [h\_\_\h] about

1957

01:09:20,550 --> 01:09:18,480

podcasting a fun and educational time

1958

01:09:22,870 --> 01:09:20,560

sign up for plus if you like what i do

1959

01:09:24,950 --> 01:09:22,880

and want twice as much of it

1960

01:09:26,709 --> 01:09:24,960

as well as this huge archive of second

1961

01:09:28,709 --> 01:09:26,719

hours that you've missed

1962

01:09:30,470 --> 01:09:28,719

and a big thanks to those who are

1963

01:09:31,990 --> 01:09:30,480

already plus members couldn't do it

1964

01:09:34,309 --> 01:09:32,000

without you

1965

01:09:36,789 --> 01:09:34,319

i wanted to get one more show out before

1966

01:09:38,550 --> 01:09:36,799

the meet-up so i'm glad i did but i am

1967

01:09:41,590 --> 01:09:38,560

gonna get out of here i got somewhere to

1968

01:09:43,990 --> 01:09:41,600

be for once and i've done my part your

1969

01:09:47,669 --> 01:09:44,000

move canadian cover-uppers scandal

1970

01:09:48,630 --> 01:09:47,679

suppressors and agents of the empire

1971

01:09:51,269 --> 01:09:48,640

your

1972

01:09:54,630 --> 01:09:51,279

[h\_\_\h] move

1973

01:09:57,830 --> 01:09:54,640

have a drink in the smoke

1974

01:10:01,270 --> 01:09:57,840

listen to the cast

1975

01:10:04,630 --> 01:10:01,280

we shine a shiny spotlight

1976

01:10:08,149 --> 01:10:04,640

but criminals on blast

1977

01:10:11,510 --> 01:10:08,159

the pinstripe men of mourning

1978

01:10:15,030 --> 01:10:11,520

and families of finance

1979

01:10:18,390 --> 01:10:15,040

dupont windsor and rothschild

1980

01:10:20,070 --> 01:10:18,400

the kids don't stand a chance

1981

01:10:24,790 --> 01:10:20,080

the kids don't

1982

01:10:26,950 --> 01:10:24,800

stand a chance

1983

01:10:29,590 --> 01:10:26,960

i said the kids don't

1984

01:10:32,149 --> 01:10:29,600

the kids don't stand the kids don't

1985

01:10:35,510 --> 01:10:32,159

stand a chance

1986

01:10:38,709 --> 01:10:35,520

we're looking for the answers

1987

01:10:42,390 --> 01:10:38,719

to questions never asked

1988

01:10:45,750 --> 01:10:42,400

so we come to the cartwood

1989

01:10:49,270 --> 01:10:45,760

for the higher side chats

1990

01:10:52,630 --> 01:10:49,280

the pinstripe men of mourning

1991

01:10:56,149 --> 01:10:52,640

and families of finance

1992

01:10:59,510 --> 01:10:56,159

dupont windsor and rothschild

1993

01:11:01,189 --> 01:10:59,520

the kids don't stand a chance

1994

01:11:05,910 --> 01:11:01,199

the kids don't

1995

01:11:08,070 --> 01:11:05,920

stand a chance

1996

01:11:10,790 --> 01:11:08,080

i say the kids don't

1997

01:11:13,430 --> 01:11:10,800

the kids don't stand the kids don't

1998

01:11:27,030 --> 01:11:13,440

stand a chance

1999

01:11:30,390 --> 01:11:27,040

[Music]

2000

01:11:33,830 --> 01:11:30,400

involved in shady business

2001

01:11:37,270 --> 01:11:33,840

we try to get a glance

2002

01:11:40,630 --> 01:11:37,280

we're working on the numbers

2003

01:11:44,149 --> 01:11:40,640

resistance must advance

2004

01:11:47,510 --> 01:11:44,159

the pinstriper men of mourning

2005

01:11:51,030 --> 01:11:47,520

and families of finance

2006

01:11:54,390 --> 01:11:51,040

dupont windsor and rothschild

2007

01:11:56,070 --> 01:11:54,400

the kids don't stand a chance

2008

01:12:00,790 --> 01:11:56,080

the kids don't

2009

01:12:02,870 --> 01:12:00,800

stand a chance

2010

01:12:05,669 --> 01:12:02,880

i said the kids don't

2011

01:12:08,070 --> 01:12:05,679

the kids don't stand the kids don't

2012

01:12:09,750 --> 01:12:08,080

stand a chance

2013

01:12:14,470 --> 01:12:09,760

the kids don't

2014

01:12:16,630 --> 01:12:14,480

stand a chance

2015

01:12:19,430 --> 01:12:16,640

i said the kids don't
