THEHIGHERSIDECHATS.COM**

1
00:00:05,910 --> 00:00:03,510
the higher side chats doesn't start with

2
00:00:07,749 --> 00:00:05,920
underwear ads or guilt-tripping donation

3
00:00:09,990 --> 00:00:07,759
please nor would i ever commit the

4
00:00:11,910 --> 00:00:10,000
cardinal sin of podcasting and interrupt

5
00:00:14,549 --> 00:00:11,920
the flow mid-show to show you an

6
00:00:16,550 --> 00:00:14,559
unrelated sponsor but the free first

7
00:00:18,950 --> 00:00:16,560
hour episodes do have to start with a

8
00:00:21,269 --> 00:00:18,960
little psa before we get into it to ever

9
00:00:23,830 --> 00:00:21,279
so quickly remind slash informed

10
00:00:25,670 --> 00:00:23,840
listeners both old slash new that you're

11
00:00:27,589 --> 00:00:25,680
about to get into what i'm sure is a

12
00:00:29,429 --> 00:00:27,599
great first hour of a high level

13
00:00:31,750 --> 00:00:29,439

interview but that means you're missing

14

00:00:34,069 --> 00:00:31,760

half the show if you like what we do

15

00:00:35,910 --> 00:00:34,079

around here get yourself a thc plus

16

00:00:37,510 --> 00:00:35,920

membership and listen to the full two

17

00:00:39,270 --> 00:00:37,520

hour interviews as they were really

18

00:00:41,350 --> 00:00:39,280

designed to be and as i know you would

19

00:00:43,350 --> 00:00:41,360

enjoy them most give a little and

20

00:00:45,750 --> 00:00:43,360

actually get a little more in return of

21

00:00:47,990 --> 00:00:45,760

the thing you're actually engaging with

22

00:00:50,549 --> 00:00:48,000

five episodes every month plus forum

23

00:00:53,189 --> 00:00:50,559

access community comments downloads to

24

00:00:56,310 --> 00:00:53,199

all the closing cover songs a plus show

25

00:00:58,869 --> 00:00:56,320

rss feed to use with any private rss

26
00:01:01,029 --> 00:00:58,879
feed supported app and the occasional

27
00:01:02,790 --> 00:01:01,039
joint session bonus shows which include

28
00:01:04,630 --> 00:01:02,800
the messages you might leave me about

29
00:01:06,830 --> 00:01:04,640
your own theories experiences or

30
00:01:09,429 --> 00:01:06,840
otherworldly encounters at

31
00:01:11,190 --> 00:01:09,439
thehiresidechats.com voicemail

32
00:01:13,030 --> 00:01:11,200
if you're not quite sure if you just

33
00:01:15,429 --> 00:01:13,040
want to feel us out or if you're only

34
00:01:17,990 --> 00:01:15,439
here for this particular episode no

35
00:01:20,070 --> 00:01:18,000
worries new first time subscribers get a

36
00:01:21,749 --> 00:01:20,080
7 day free trial when you sign up at

37
00:01:24,149 --> 00:01:21,759
thehiresidechats.com

38
00:01:26,070 --> 00:01:24,159

cancel anytime try it out because it's

39

00:01:27,670 --> 00:01:26,080

so important to feed the things you want

40

00:01:30,149 --> 00:01:27,680

to grow and starve the things that gotta

41

00:01:37,030 --> 00:01:30,159

go and with that said let's get on with

42

00:01:41,590 --> 00:01:39,749

in the 1930s president franklin delano

43

00:01:44,149 --> 00:01:41,600

roosevelt addressed the nation through a

44

00:01:47,270 --> 00:01:44,159

series of radio broadcasts known as the

45

00:01:49,030 --> 00:01:47,280

fireside chats his aim was to reassure

46

00:01:51,190 --> 00:01:49,040

the common man that our society would

47

00:01:53,749 --> 00:01:51,200

recover from its troubled times well

48

00:01:56,310 --> 00:01:53,759

we're far from 1930 and i deal with a

49

00:01:58,870 --> 00:01:56,320

different kind of fire for a new era of

50

00:02:02,709 --> 00:01:58,880

worldly frustration we offer a fresh

51
00:02:05,429 --> 00:02:02,719
conversation i'm greg carlwood and these

52
00:02:07,350 --> 00:02:05,439
are the higher side chats

53
00:02:09,669 --> 00:02:07,360
well this is the way higher side chatter

54
00:02:11,990 --> 00:02:09,679
is doing what we do from sunny san diego

55
00:02:14,150 --> 00:02:12,000
i'm greg carlwood and if you take even

56
00:02:16,070 --> 00:02:14,160
the slightest step off the path laid by

57
00:02:17,990 --> 00:02:16,080
the contrived conventional narratives of

58
00:02:20,309 --> 00:02:18,000
history drilled into us through

59
00:02:21,589 --> 00:02:20,319
state-sponsored schooling and pavlovian

60
00:02:23,830 --> 00:02:21,599
training over the most important

61
00:02:25,910 --> 00:02:23,840
developmental years of our youth you'll

62
00:02:28,150 --> 00:02:25,920
find that there are major flaws in the

63
00:02:30,630 --> 00:02:28,160

expert's history as well as echoes of

64

00:02:33,030 --> 00:02:30,640

advanced civilization and epic weirdness

65

00:02:34,869 --> 00:02:33,040

from all corners of this island earth a

66

00:02:37,110 --> 00:02:34,879

network of pyramids that has yet to be

67

00:02:39,350 --> 00:02:37,120

explained megalithic structures with

68

00:02:42,150 --> 00:02:39,360

unique energetic qualities cosmic

69

00:02:44,390 --> 00:02:42,160

alignments and archaeoacoustic resonance

70

00:02:45,430 --> 00:02:44,400

complex cosmologies of the indigenous

71

00:02:47,910 --> 00:02:45,440

cultures that haven't been

72

00:02:50,630 --> 00:02:47,920

systematically eliminated or co-opted

73

00:02:53,589 --> 00:02:50,640

mysterious mounds lost cities missing

74

00:02:55,990 --> 00:02:53,599

islands vast underground complexes

75

00:02:57,830 --> 00:02:56,000

stories of metaphysical manifestation

76

00:03:00,790 --> 00:02:57,840

civilizing trickster beans and

77

00:03:02,790 --> 00:03:00,800

androgynous hybrid fish gods shamanic

78

00:03:04,790 --> 00:03:02,800

games of telephone with the spirit world

79

00:03:07,030 --> 00:03:04,800

and thousands of stories of giant

80

00:03:08,869 --> 00:03:07,040

skeletons with even more myths and

81

00:03:10,949 --> 00:03:08,879

legends that speak to a time when they

82

00:03:12,309 --> 00:03:10,959

walked among us and maybe even

83

00:03:14,309 --> 00:03:12,319

engineered us

84

00:03:16,869 --> 00:03:14,319

it's as if official history and the

85

00:03:18,869 --> 00:03:16,879

experts of academia do more concealing

86

00:03:20,790 --> 00:03:18,879

than revealing these days and that's why

87

00:03:22,869 --> 00:03:20,800

we're lucky to have the powerful one-two

88

00:03:25,270 --> 00:03:22,879

punch of truth and today's guests hugh

89

00:03:27,670 --> 00:03:25,280

newman and jim vieira they are the

90

00:03:29,750 --> 00:03:27,680

best-selling authors of giants on record

91

00:03:31,830 --> 00:03:29,760

america's hidden history secrets in the

92

00:03:33,430 --> 00:03:31,840

mounds and the smithsonian files from

93

00:03:35,509 --> 00:03:33,440

2015

94

00:03:38,229 --> 00:03:35,519

and stars of history channels search for

95

00:03:39,670 --> 00:03:38,239

the lost giants and ancient aliens

96

00:03:41,990 --> 00:03:39,680

now they're out with a new book the

97

00:03:43,670 --> 00:03:42,000

giants of stonehenge and ancient britain

98

00:03:45,430 --> 00:03:43,680

which is actually the first book to

99

00:03:47,750 --> 00:03:45,440

document the reality of giants in the

100

00:03:49,589 --> 00:03:47,760

british isles together they investigate

101
00:03:51,910 --> 00:03:49,599
these claims of giants and take a deep

102
00:03:54,390 --> 00:03:51,920
dive into obscure newspaper accounts

103
00:03:57,270 --> 00:03:54,400
antiquarian diaries archaeological

104
00:04:00,149 --> 00:03:57,280
reports local history records newly

105
00:04:02,070 --> 00:04:00,159
translated ancient texts academic papers

106
00:04:03,990 --> 00:04:02,080
new scientific reports and written

107
00:04:06,869 --> 00:04:04,000
evidence from hundreds of sources going

108
00:04:09,750 --> 00:04:06,879
back over a 4 000 year period to uncover

109
00:04:11,990 --> 00:04:09,760
the truth over 250 accounts of the

110
00:04:14,710 --> 00:04:12,000
remains of giant human skeletons ranging

111
00:04:16,710 --> 00:04:14,720
from 7 ft all the way to 21 feet have

112
00:04:19,030 --> 00:04:16,720
been found in the archaeological and

113
00:04:21,110 --> 00:04:19,040

historical record often measured and

114

00:04:23,110 --> 00:04:21,120

commented on by famous scientists

115

00:04:24,870 --> 00:04:23,120

scholars and writers at the time yet

116

00:04:27,110 --> 00:04:24,880

somehow never acknowledged by the modern

117

00:04:29,670 --> 00:04:27,120

day experts and institutions but hey

118

00:04:31,670 --> 00:04:29,680

their loss is our gain so let's get into

119

00:04:34,150 --> 00:04:31,680

it one from the old england and one from

120

00:04:36,870 --> 00:04:34,160

the new the megalithomaniac supreme and

121

00:04:39,430 --> 00:04:36,880

giant reality revealers hugh and jim jim

122

00:04:41,670 --> 00:04:39,440

and hugh welcome to the higher side

123

00:04:43,110 --> 00:04:41,680

thanks a lot greg hey welcome thanks

124

00:04:45,909 --> 00:04:43,120

greg appreciate it

125

00:04:48,310 --> 00:04:45,919

yes i am psyched for this so hugh you're

126
00:04:51,189 --> 00:04:48,320
from glastonbury england and jim you're

127
00:04:53,030 --> 00:04:51,199
from asheville massachusetts the accent

128
00:04:56,230 --> 00:04:53,040
certainly will help the audience tell

129
00:04:58,390 --> 00:04:56,240
you apart on an audio only show and big

130
00:05:00,710 --> 00:04:58,400
thanks to dr greg little for helping us

131
00:05:03,510 --> 00:05:00,720
find each other because i really loved

132
00:05:05,990 --> 00:05:03,520
this book it's very rapid fire account

133
00:05:08,550 --> 00:05:06,000
after account from nearly every area of

134
00:05:11,029 --> 00:05:08,560
the british isles and you clip a lot of

135
00:05:13,510 --> 00:05:11,039
these stories right out of the newspaper

136
00:05:15,670 --> 00:05:13,520
archives which i myself have had many

137
00:05:18,150 --> 00:05:15,680
late nights combing through usually

138
00:05:19,430 --> 00:05:18,160

searching for terms like inner earth or

139

00:05:21,510 --> 00:05:19,440

cave city

140

00:05:23,029 --> 00:05:21,520

but there's no shortage of strangeness

141

00:05:25,830 --> 00:05:23,039

when people really want to look for it

142

00:05:28,070 --> 00:05:25,840

is there that's for sure absolutely yeah

143

00:05:29,830 --> 00:05:28,080

i mean the amount of documents myself

144

00:05:32,070 --> 00:05:29,840

and jim have gone through over the years

145

00:05:34,469 --> 00:05:32,080

is pretty insane we've even been in

146

00:05:36,390 --> 00:05:34,479

libraries going through microfilm you

147

00:05:38,150 --> 00:05:36,400

know finding these old diaries and

148

00:05:39,430 --> 00:05:38,160

things like this and jim discovered this

149

00:05:41,510 --> 00:05:39,440

scrapbook

150

00:05:42,629 --> 00:05:41,520

from a very interesting scholar in new

151
00:05:44,310 --> 00:05:42,639
england

152
00:05:45,670 --> 00:05:44,320
so yes it's amazing what you find when

153
00:05:48,950 --> 00:05:45,680
you start looking

154
00:05:50,469 --> 00:05:48,960
yes and so i know you both have a wide

155
00:05:53,670 --> 00:05:50,479
range of interests that certainly

156
00:05:57,150 --> 00:05:53,680
overlap with ours here hugh to start

157
00:05:59,029 --> 00:05:57,160
with you you're the man behind

158
00:06:01,189 --> 00:05:59,039
megalithomania.co.uk a really great

159
00:06:04,150 --> 00:06:01,199
website and an amazing conference that i

160
00:06:06,390 --> 00:06:04,160
hope to go to someday you were also an

161
00:06:09,590 --> 00:06:06,400
author on a book that came out last year

162
00:06:13,110 --> 00:06:09,600
called geomancy earth grids ley lines

163
00:06:15,670 --> 00:06:13,120

feng shui divination dowsing and dragons

164

00:06:17,990 --> 00:06:15,680

very provocative but talk to us a bit

165

00:06:20,230 --> 00:06:18,000

more about your overall interests in

166

00:06:21,270 --> 00:06:20,240

strange stuff and where giants fit into

167

00:06:23,830 --> 00:06:21,280

it all

168

00:06:26,070 --> 00:06:23,840

well yeah fundamentally i'm fascinated

169

00:06:28,469 --> 00:06:26,080

by the megalithic sights that's my kind

170

00:06:30,230 --> 00:06:28,479

of real kind of intense passion trying

171

00:06:31,189 --> 00:06:30,240

to understand what the ancients were up

172

00:06:33,110 --> 00:06:31,199

to

173

00:06:36,230 --> 00:06:33,120

myself and john martin and gareth mills

174

00:06:38,070 --> 00:06:36,240

founded megalithomania back in 2005 did

175

00:06:40,469 --> 00:06:38,080

our first conference the following year

176

00:06:43,110 --> 00:06:40,479

and one of our big inspirations is the

177

00:06:44,870 --> 00:06:43,120

author and scholar john michelle

178

00:06:46,110 --> 00:06:44,880

who wrote the classic book the view over

179

00:06:49,430 --> 00:06:46,120

atlantis he wrote the book called

180

00:06:51,909 --> 00:06:49,440

megalithomania as well back in the 1980s

181

00:06:53,670 --> 00:06:51,919

and he was a big influence and he's

182

00:06:55,990 --> 00:06:53,680

really into the earth mysteries and

183

00:06:58,309 --> 00:06:56,000

trying to understand like the invisible

184

00:07:00,390 --> 00:06:58,319

aspects of these ancient sites so

185

00:07:02,550 --> 00:07:00,400

looking at the archaeoastronomy

186

00:07:03,990 --> 00:07:02,560

the earth energies the ley lines that

187

00:07:06,390 --> 00:07:04,000

connect them all up

188

00:07:08,390 --> 00:07:06,400

the archaeoacoustics and things like

189

00:07:10,629 --> 00:07:08,400

this and so these kind of themes really

190

00:07:13,110 --> 00:07:10,639

get me and also obviously the geomancy

191

00:07:16,150 --> 00:07:13,120

trying to understand how the ancients

192

00:07:18,550 --> 00:07:16,160

were able to manipulate these energies

193

00:07:21,990 --> 00:07:18,560

for higher states of consciousness but

194

00:07:24,150 --> 00:07:22,000

also for fertility enhancing farming and

195

00:07:25,749 --> 00:07:24,160

agriculture and things like this

196

00:07:27,589 --> 00:07:25,759

and it's what john michelle called the

197

00:07:30,230 --> 00:07:27,599

enchantment of the landscape and so this

198

00:07:31,830 --> 00:07:30,240

is kind of what's always fascinated me

199

00:07:33,430 --> 00:07:31,840

and it surprised me that getting into

200

00:07:34,950 --> 00:07:33,440

the giant stories when i started

201
00:07:37,110 --> 00:07:34,960
researching that with jim a few years

202
00:07:38,390 --> 00:07:37,120
ago like well probably 10 years ago now

203
00:07:39,990 --> 00:07:38,400
that

204
00:07:41,029 --> 00:07:40,000
more and more we looked into especially

205
00:07:43,510 --> 00:07:41,039
in britain

206
00:07:45,990 --> 00:07:43,520
this geomantic aspect these ley lines

207
00:07:48,390 --> 00:07:46,000
these kind of divination and all these

208
00:07:50,150 --> 00:07:48,400
elements are all part of the giants

209
00:07:52,469 --> 00:07:50,160
they're part of the giant mythos that

210
00:07:53,189 --> 00:07:52,479
kind of blankets the whole country here

211
00:07:55,029 --> 00:07:53,199
so

212
00:07:57,350 --> 00:07:55,039
it's kind of like coming full circle for

213
00:07:59,430 --> 00:07:57,360

me from my research years ago i was

214

00:08:01,029 --> 00:07:59,440

studying earth energies and crop circles

215

00:08:02,869 --> 00:08:01,039

and things like this going to the

216

00:08:05,029 --> 00:08:02,879

megaliths did that for years and it's

217

00:08:07,510 --> 00:08:05,039

come back to all these more esoteric

218

00:08:09,990 --> 00:08:07,520

subjects with these giants so it all

219

00:08:13,110 --> 00:08:10,000

fits together somehow

220

00:08:16,070 --> 00:08:13,120

i love it and jim you're a stonemason

221

00:08:18,230 --> 00:08:16,080

and writer who has compiled so many news

222

00:08:20,230 --> 00:08:18,240

articles and academic reports on giants

223

00:08:22,950 --> 00:08:20,240

you had a blog called the daily giant

224

00:08:24,790 --> 00:08:22,960

and would post about one every day very

225

00:08:26,390 --> 00:08:24,800

impressive clearly no shortage of

226

00:08:28,790 --> 00:08:26,400

information to present

227

00:08:30,710 --> 00:08:28,800

but i also understand you're very

228

00:08:33,350 --> 00:08:30,720

interested in the metaphysical and

229

00:08:35,190 --> 00:08:33,360

you've had maybe hundreds of ayahuasca

230

00:08:37,110 --> 00:08:35,200

ceremonies in the amazon i heard you say

231

00:08:39,029 --> 00:08:37,120

that i'm not sure how

232

00:08:41,750 --> 00:08:39,039

serious you were being but i am curious

233

00:08:44,230 --> 00:08:41,760

how this metaphysical and spiritual

234

00:08:46,630 --> 00:08:44,240

interest overlaps with the very real

235

00:08:49,190 --> 00:08:46,640

reality of giants in the ancient past

236

00:08:51,829 --> 00:08:49,200

how strong is that overlap might some of

237

00:08:53,509 --> 00:08:51,839

them have had a metaphysical origin to

238

00:08:55,990 --> 00:08:53,519

begin with

239

00:08:58,790 --> 00:08:56,000

i'll say that i started an early age in

240

00:09:01,430 --> 00:08:58,800

my teenage years reading all the

241

00:09:04,310 --> 00:09:01,440

non-dualistic teachers like lao tzu the

242

00:09:06,070 --> 00:09:04,320

upanishads the inviter vendanta and i

243

00:09:08,470 --> 00:09:06,080

didn't even really know i i was doing it

244

00:09:10,790 --> 00:09:08,480

i was just compelled to do it i was

245

00:09:12,630 --> 00:09:10,800

drawn to the material and i started

246

00:09:14,870 --> 00:09:12,640

getting to the work of edgar casey the

247

00:09:16,630 --> 00:09:14,880

christian mystic who would go into like

248

00:09:18,310 --> 00:09:16,640

a trance-like state

249

00:09:20,550 --> 00:09:18,320

and talk about

250

00:09:23,670 --> 00:09:20,560

mostly health-related matters but he

251
00:09:25,750 --> 00:09:23,680
also got into ideas of atlantis and

252
00:09:27,829 --> 00:09:25,760
giants and little people

253
00:09:29,110 --> 00:09:27,839
and metaphysical underpinnings of

254
00:09:31,590 --> 00:09:29,120
reality

255
00:09:33,990 --> 00:09:31,600
so i've come from that

256
00:09:35,269 --> 00:09:34,000
level of awareness or research for a

257
00:09:36,470 --> 00:09:35,279
long time

258
00:09:38,710 --> 00:09:36,480
and

259
00:09:40,150 --> 00:09:38,720
for me it was always the indigenous

260
00:09:43,509 --> 00:09:40,160
traditions

261
00:09:45,670 --> 00:09:43,519
around the world and religious documents

262
00:09:47,750 --> 00:09:45,680
that caught my attention how can all

263
00:09:50,150 --> 00:09:47,760

these sources be talking about such a

264

00:09:51,990 --> 00:09:50,160

different history a lost world if you

265

00:09:54,790 --> 00:09:52,000

will and they're all

266

00:09:56,790 --> 00:09:54,800

remarkably similar in the ideas of

267

00:09:57,910 --> 00:09:56,800

ubiquitous and that's what's drawn my

268

00:09:59,269 --> 00:09:57,920

attention

269

00:10:01,670 --> 00:09:59,279

i don't know if i've done hundreds of

270

00:10:04,310 --> 00:10:01,680

ayahuasca ceremonies i'd say dozens i

271

00:10:06,069 --> 00:10:04,320

might misspoke but i spent lots of time

272

00:10:07,990 --> 00:10:06,079

with wisdom keepers

273

00:10:10,150 --> 00:10:08,000

and lots of time

274

00:10:12,550 --> 00:10:10,160

exploring the nature of reality with

275

00:10:14,630 --> 00:10:12,560

spiritual teachers and masters as well

276

00:10:15,750 --> 00:10:14,640

around the world so that's always

277

00:10:17,590 --> 00:10:15,760

you know

278

00:10:19,030 --> 00:10:17,600

drawn me in and as he was saying it's

279

00:10:21,350 --> 00:10:19,040

like

280

00:10:23,990 --> 00:10:21,360

the giant story is one of

281

00:10:26,069 --> 00:10:24,000

wisdom keepers and masters not just the

282

00:10:28,470 --> 00:10:26,079

malevolent stories you hear in the bible

283

00:10:31,110 --> 00:10:28,480

there's kind of two stories like one of

284

00:10:33,110 --> 00:10:31,120

these great civiliziers who help humanity

285

00:10:35,350 --> 00:10:33,120

and another side of the story is kind of

286

00:10:37,509 --> 00:10:35,360

the dark and malevolent side of

287

00:10:39,670 --> 00:10:37,519

cannibalistic giants that you hear from

288

00:10:40,389 --> 00:10:39,680

the bible and native american legends

289

00:10:42,230 --> 00:10:40,399

and

290

00:10:44,310 --> 00:10:42,240

you know a tip of the hat to greg little

291

00:10:46,389 --> 00:10:44,320

as well who studies a lot of the casey

292

00:10:47,350 --> 00:10:46,399

material he got me interested with his

293

00:10:49,350 --> 00:10:47,360

books

294

00:10:51,190 --> 00:10:49,360

and you know it's all coalesced for me

295

00:10:53,670 --> 00:10:51,200

and i've learned a lot throughout the

296

00:10:56,230 --> 00:10:53,680

years of dealing with academics and

297

00:10:57,990 --> 00:10:56,240

skeptics dealing with alternative people

298

00:11:00,949 --> 00:10:58,000

and trying to be objective about

299

00:11:02,949 --> 00:11:00,959

controversial subjects um

300

00:11:05,110 --> 00:11:02,959

well cheers to that it seems like the

301

00:11:07,829 --> 00:11:05,120

three of us have a lot of overlapping

302

00:11:10,710 --> 00:11:07,839

interests and hey dozens of amazonian

303

00:11:13,030 --> 00:11:10,720

ayahuasca sessions is impressive enough

304

00:11:15,350 --> 00:11:13,040

but so you have this previous book about

305

00:11:17,430 --> 00:11:15,360

giants in north america and that's

306

00:11:19,110 --> 00:11:17,440

certainly where we hear about them most

307

00:11:22,710 --> 00:11:19,120

often at least that's where i hear about

308

00:11:25,110 --> 00:11:22,720

them most often of course we also hear

309

00:11:27,590 --> 00:11:25,120

plenty about megalithic sites and stone

310

00:11:30,310 --> 00:11:27,600

circles in the british isles but talk to

311

00:11:32,389 --> 00:11:30,320

us about why this book is so unique what

312

00:11:34,710 --> 00:11:32,399

have you guys brought out that hasn't

313

00:11:36,870 --> 00:11:34,720

really been explored previously in the

314

00:11:38,790 --> 00:11:36,880

uh alternative realm

315

00:11:41,829 --> 00:11:38,800

i mean if you're talking about the new

316

00:11:44,069 --> 00:11:41,839

book giant stonehenge nation britain

317

00:11:45,750 --> 00:11:44,079

that really was you know actually in our

318

00:11:47,990 --> 00:11:45,760

first book giants on record we did

319

00:11:49,829 --> 00:11:48,000

actually look a little bit at britain

320

00:11:51,750 --> 00:11:49,839

and we published a couple of accounts in

321

00:11:53,590 --> 00:11:51,760

there and we were going to do you know

322

00:11:56,069 --> 00:11:53,600

after we done our book on america you

323

00:11:57,829 --> 00:11:56,079

know there's so many accounts i mean jim

324

00:12:00,230 --> 00:11:57,839

collected a majority of the employees we

325

00:12:02,949 --> 00:12:00,240

had ross hamilton we have mikey ewers

326

00:12:04,710 --> 00:12:02,959

collecting them i found a few as well

327

00:12:06,230 --> 00:12:04,720

and we ended up having you know over a

328

00:12:09,670 --> 00:12:06,240

thousand i think there's something like

329

00:12:11,590 --> 00:12:09,680

1500 have now been discovered so far

330

00:12:13,910 --> 00:12:11,600

since you know the last couple of years

331

00:12:15,030 --> 00:12:13,920

last count but in britain that we didn't

332

00:12:16,790 --> 00:12:15,040

really think there'd be that many

333

00:12:18,949 --> 00:12:16,800

accounts but we started looking we were

334

00:12:21,030 --> 00:12:18,959

going to do a book on the worldwide

335

00:12:22,870 --> 00:12:21,040

culture of giants go look at each

336

00:12:25,430 --> 00:12:22,880

country or each you know part of the

337

00:12:27,269 --> 00:12:25,440

world individually we started on britain

338

00:12:29,190 --> 00:12:27,279

as the first chapter

339

00:12:31,509 --> 00:12:29,200

and it just grew and grew and we kept

340

00:12:33,350 --> 00:12:31,519

finding all these old documents there's

341

00:12:36,230 --> 00:12:33,360

this brilliant book called the giants of

342

00:12:38,710 --> 00:12:36,240

wales by chris grooms we found this book

343

00:12:39,990 --> 00:12:38,720

from the 1500s we checked all these old

344

00:12:42,870 --> 00:12:40,000

documents

345

00:12:43,990 --> 00:12:42,880

some translated welsh texts and things

346

00:12:45,910 --> 00:12:44,000

like this

347

00:12:47,829 --> 00:12:45,920

and the archives of ireland and we were

348

00:12:50,150 --> 00:12:47,839

just like stunned because not only have

349

00:12:51,910 --> 00:12:50,160

you got the accounts of the skeletons

350

00:12:53,990 --> 00:12:51,920

and the bones and things that were

351
00:12:57,509 --> 00:12:54,000
recorded as being on display you've also

352
00:12:59,030 --> 00:12:57,519
got this remarkable lost mythos that

353
00:13:01,269 --> 00:12:59,040
covered the whole

354
00:13:02,150 --> 00:13:01,279
all four countries of the british isles

355
00:13:03,910 --> 00:13:02,160
and

356
00:13:04,949 --> 00:13:03,920
not many people actually know about many

357
00:13:07,670 --> 00:13:04,959
of these

358
00:13:09,750 --> 00:13:07,680
creation stories these foundation myths

359
00:13:12,550 --> 00:13:09,760
of britain all of them are related to

360
00:13:14,870 --> 00:13:12,560
giants this is what's so odd and this is

361
00:13:17,110 --> 00:13:14,880
almost known as the land of the giants

362
00:13:19,030 --> 00:13:17,120
you know in prehistoric times and it was

363
00:13:21,110 --> 00:13:19,040

just part of the culture as part of the

364

00:13:23,269 --> 00:13:21,120

kind of way of thinking back then

365

00:13:25,829 --> 00:13:23,279

clearly you know one of the things

366

00:13:27,910 --> 00:13:25,839

that makes this unique as you asked is

367

00:13:29,590 --> 00:13:27,920

the fact that not only we found loads of

368

00:13:32,949 --> 00:13:29,600

accounts that no one's ever documented

369

00:13:35,430 --> 00:13:32,959

before but we found stories associated

370

00:13:37,750 --> 00:13:35,440

with the giants you know linked at the

371

00:13:39,110 --> 00:13:37,760

same places where the skeletons are

372

00:13:40,629 --> 00:13:39,120

being found you know this is what's

373

00:13:42,949 --> 00:13:40,639

really odd you get these really strong

374

00:13:45,509 --> 00:13:42,959

stories have been remembered passed down

375

00:13:47,430 --> 00:13:45,519

from generation to generation they all

376

00:13:48,710 --> 00:13:47,440

appear to be actually where skeletons

377

00:13:51,110 --> 00:13:48,720

have been found we've got multiple

378

00:13:52,870 --> 00:13:51,120

examples like michael's mail

379

00:13:54,710 --> 00:13:52,880

we've found skeletons in their stone

380

00:13:57,110 --> 00:13:54,720

hands reports of them

381

00:13:59,750 --> 00:13:57,120

there's you know the story of the giant

382

00:14:02,150 --> 00:13:59,760

idris on caddy idris in wales and at the

383

00:14:04,629 --> 00:14:02,160

base of there they found two over seven

384

00:14:06,949 --> 00:14:04,639

foot skeletons with these hazel dowsing

385

00:14:09,750 --> 00:14:06,959

rods in the burial which is again

386

00:14:11,269 --> 00:14:09,760

linking to this geomantic aspect so

387

00:14:12,629 --> 00:14:11,279

yeah i mean we've documented and

388

00:14:14,710 --> 00:14:12,639

published stuff that's never been put

389

00:14:17,189 --> 00:14:14,720

out there before in a popular kind of

390

00:14:19,189 --> 00:14:17,199

format of a book and so yeah so there's

391

00:14:20,550 --> 00:14:19,199

a lot of information i think people kind

392

00:14:21,350 --> 00:14:20,560

of look at the cover they think it's

393

00:14:23,269 --> 00:14:21,360

like

394

00:14:25,829 --> 00:14:23,279

they're not sure what to expect and i

395

00:14:27,670 --> 00:14:25,839

think it's quite surprising how deep

396

00:14:29,829 --> 00:14:27,680

we've gone into the research for this

397

00:14:31,030 --> 00:14:29,839

one

398

00:14:33,590 --> 00:14:31,040

nice

399

00:14:36,710 --> 00:14:33,600

and jim let me ask you this so are there

400

00:14:39,670 --> 00:14:36,720

qualities or common details that vary

401
00:14:41,750 --> 00:14:39,680
between north american stories and those

402
00:14:44,069 --> 00:14:41,760
of the british isles how would you

403
00:14:46,870 --> 00:14:44,079
compare and contrast them are they

404
00:14:48,710 --> 00:14:46,880
different in any significant ways

405
00:14:49,750 --> 00:14:48,720
yeah one thing that caught my attention

406
00:14:52,710 --> 00:14:49,760
is

407
00:14:55,670 --> 00:14:52,720
you find similar anatomic anomalies

408
00:14:57,829 --> 00:14:55,680
there are so many accounts of jaw bones

409
00:15:00,230 --> 00:14:57,839
fitting over the face of the finder

410
00:15:01,590 --> 00:15:00,240
which indicates a massive skeleton

411
00:15:03,189 --> 00:15:01,600
there were so many of those in the in

412
00:15:04,710 --> 00:15:03,199
the united states

413
00:15:05,829 --> 00:15:04,720

from coast to coast it was really

414

00:15:06,790 --> 00:15:05,839

compelling

415

00:15:08,790 --> 00:15:06,800

and

416

00:15:11,590 --> 00:15:08,800

what we found out was there was a series

417

00:15:13,269 --> 00:15:11,600

of anthropologists in the 1940s and 50s

418

00:15:14,790 --> 00:15:13,279

in the united states

419

00:15:17,590 --> 00:15:14,800

webb and snow from the university of

420

00:15:20,790 --> 00:15:17,600

kentucky dr don dragoo from the carnegie

421

00:15:23,030 --> 00:15:20,800

section of man head of anthropology that

422

00:15:25,430 --> 00:15:23,040

found over seven foot skeletons with

423

00:15:26,550 --> 00:15:25,440

this massive and robust

424

00:15:27,590 --> 00:15:26,560

physical

425

00:15:29,430 --> 00:15:27,600

makeup

426

00:15:31,829 --> 00:15:29,440

and the jaw bones were so thick and

427

00:15:33,509 --> 00:15:31,839

large they called it the adena jar and

428

00:15:35,030 --> 00:15:33,519

the adena was one of the first mound

429

00:15:37,509 --> 00:15:35,040

building cultures in the united states

430

00:15:39,110 --> 00:15:37,519

about 1008 bc

431

00:15:41,990 --> 00:15:39,120

that built a lot of the mounds you see

432

00:15:44,470 --> 00:15:42,000

in the ohio river valley and their royal

433

00:15:46,470 --> 00:15:44,480

class was extremely large well over

434

00:15:48,069 --> 00:15:46,480

seven foot tall for the males well over

435

00:15:51,189 --> 00:15:48,079

six foot tall for the females and they

436

00:15:53,749 --> 00:15:51,199

had massive jaw bones that were verified

437

00:15:55,350 --> 00:15:53,759

by you know modern-day anthropologists

438

00:15:57,350 --> 00:15:55,360

so you find the same story in the

439

00:15:58,790 --> 00:15:57,360

british isles you find jaw bones over

440

00:16:02,150 --> 00:15:58,800

the faces

441

00:16:04,069 --> 00:16:02,160

well-proportioned massive bone structure

442

00:16:06,069 --> 00:16:04,079

you also find

443

00:16:07,590 --> 00:16:06,079

well i'll say to contrast in the united

444

00:16:10,150 --> 00:16:07,600

states you know because a lot of people

445

00:16:13,150 --> 00:16:10,160

say dismiss these stories as

446

00:16:15,829 --> 00:16:13,160

sensationalist hoaxes or headlines or

447

00:16:17,910 --> 00:16:15,839

misidentified mastodon remains

448

00:16:20,389 --> 00:16:17,920

but that just really isn't true if you

449

00:16:23,430 --> 00:16:20,399

look at the evidence what you find is

450

00:16:25,030 --> 00:16:23,440

a lot of the descriptions are say in the

451
00:16:26,629 --> 00:16:25,040
united states

452
00:16:34,629 --> 00:16:26,639
native american

453
00:16:36,790 --> 00:16:34,639
so these aren't mastodon bones these are

454
00:16:39,509 --> 00:16:36,800
human burials in the british isles you

455
00:16:41,990 --> 00:16:39,519
have neolithic burials you have stone

456
00:16:44,629 --> 00:16:42,000
tombs but you also have a lot of the

457
00:16:46,710 --> 00:16:44,639
same kind of accounts where railroad

458
00:16:48,629 --> 00:16:46,720
workers are unearthing an ancient burial

459
00:16:50,870 --> 00:16:48,639
ground or they're digging a well and

460
00:16:53,350 --> 00:16:50,880
they encounter this or they dig into a

461
00:16:54,470 --> 00:16:53,360
burial mound and they find absolutely

462
00:16:57,110 --> 00:16:54,480
massive

463
00:16:59,670 --> 00:16:57,120

skeletons just like in the united states

464

00:17:01,110 --> 00:16:59,680

and the mythology amongst the native

465

00:17:03,189 --> 00:17:01,120

americans

466

00:17:04,549 --> 00:17:03,199

is similar to the mythology that you

467

00:17:06,789 --> 00:17:04,559

find in the british isles of the

468

00:17:08,710 --> 00:17:06,799

indigenous people and what i found

469

00:17:10,150 --> 00:17:08,720

fascinating you know for you and i this

470

00:17:11,909 --> 00:17:10,160

wasn't just like

471

00:17:13,829 --> 00:17:11,919

not that we were going in blind but it

472

00:17:15,669 --> 00:17:13,839

was a revelation in itself all the

473

00:17:17,510 --> 00:17:15,679

things we've uncovered and one of the

474

00:17:18,789 --> 00:17:17,520

big things is is that all the biblical

475

00:17:21,350 --> 00:17:18,799

connections

476

00:17:23,189 --> 00:17:21,360

the incubi and the watchers and the

477

00:17:25,350 --> 00:17:23,199

shining ones and all these mysterious

478

00:17:27,590 --> 00:17:25,360

beings that you find in the bible lands

479

00:17:30,230 --> 00:17:27,600

show up in the british isles as well and

480

00:17:34,310 --> 00:17:30,240

there's connections with the early

481

00:17:35,909 --> 00:17:34,320

waves of migration noah's son and albina

482

00:17:37,990 --> 00:17:35,919

and albion and

483

00:17:39,909 --> 00:17:38,000

connections to the holy lands in greece

484

00:17:40,950 --> 00:17:39,919

it's a really fascinating migratory

485

00:17:43,830 --> 00:17:40,960

story

486

00:17:47,430 --> 00:17:43,840

and you know at the end of the day

487

00:17:49,350 --> 00:17:47,440

just a kind of a mundane approach

488

00:17:50,950 --> 00:17:49,360

doesn't do the story justice there's

489

00:17:53,430 --> 00:17:50,960

clearly another

490

00:17:54,710 --> 00:17:53,440

supernatural aspect to it as well and

491

00:17:56,630 --> 00:17:54,720

that's why i think

492

00:17:58,230 --> 00:17:56,640

people find this material interesting

493

00:18:00,390 --> 00:17:58,240

because they intuitively know there's a

494

00:18:03,029 --> 00:18:00,400

broader story of our past

495

00:18:05,990 --> 00:18:03,039

one that's rooted in mythology in lost

496

00:18:06,870 --> 00:18:06,000

worlds and high metaphysical teachings

497

00:18:09,029 --> 00:18:06,880

so

498

00:18:10,950 --> 00:18:09,039

i am not anti-science by any means i

499

00:18:13,430 --> 00:18:10,960

just feel like science operates like an

500

00:18:16,390 --> 00:18:13,440

atheistic cult where it doesn't give

501
00:18:18,310 --> 00:18:16,400
enough weight to the metaphysical realms

502
00:18:20,710 --> 00:18:18,320
and the mythological stories and

503
00:18:23,430 --> 00:18:20,720
indigenous oral traditions you and i

504
00:18:25,190 --> 00:18:23,440
approach our research like academics

505
00:18:26,789 --> 00:18:25,200
but i think the difference is we're open

506
00:18:28,630 --> 00:18:26,799
to those ideas

507
00:18:30,549 --> 00:18:28,640
oral traditions carry weight for us

508
00:18:32,549 --> 00:18:30,559
religious documents carry weight

509
00:18:34,630 --> 00:18:32,559
especially oral traditions because

510
00:18:37,029 --> 00:18:34,640
there's a limited amount of information

511
00:18:38,870 --> 00:18:37,039
you can transmit orally so it won't be

512
00:18:40,070 --> 00:18:38,880
erroneous it has to be very important to

513
00:18:42,470 --> 00:18:40,080

the people

514

00:18:45,110 --> 00:18:42,480

and what are they transmitting ideas of

515

00:18:47,350 --> 00:18:45,120

lost lands and giants and metaphysical

516

00:18:50,789 --> 00:18:47,360

teachings so that to me

517

00:18:56,150 --> 00:18:53,110

well said wow so many

518

00:18:58,710 --> 00:18:56,160

directions to go but yeah science

519

00:19:01,110 --> 00:18:58,720

operating as an atheistic cult seems to

520

00:19:03,510 --> 00:19:01,120

be a thread i can't get away from no

521

00:19:05,590 --> 00:19:03,520

matter how off the radar the subject i

522

00:19:07,510 --> 00:19:05,600

think is going to be it just keeps

523

00:19:09,750 --> 00:19:07,520

coming up especially over the last

524

00:19:12,310 --> 00:19:09,760

couple of years but i wanted to ask more

525

00:19:14,230 --> 00:19:12,320

about the physical characteristics

526
00:19:17,990 --> 00:19:14,240
because this was something that really

527
00:19:19,909 --> 00:19:18,000
stuck out to me and for anyone who

528
00:19:21,350 --> 00:19:19,919
isn't sure how much stock to put into

529
00:19:22,390 --> 00:19:21,360
the giant thing

530
00:19:23,990 --> 00:19:22,400
there are

531
00:19:25,909 --> 00:19:24,000
physical characteristics that make some

532
00:19:28,630 --> 00:19:25,919
of these giants different not only

533
00:19:31,990 --> 00:19:28,640
bigger but two or even three rows of

534
00:19:33,990 --> 00:19:32,000
teeth six fingers and toes and some of

535
00:19:35,510 --> 00:19:34,000
these characteristics

536
00:19:38,630 --> 00:19:35,520
what makes them really interesting is

537
00:19:40,870 --> 00:19:38,640
that there are places where we find some

538
00:19:43,190 --> 00:19:40,880

genetic lineage perhaps would be the

539

00:19:46,390 --> 00:19:43,200

term of places where some of these

540

00:19:47,510 --> 00:19:46,400

qualities still pop up talk to us about

541

00:19:48,310 --> 00:19:47,520

that

542

00:19:49,590 --> 00:19:48,320

yeah

543

00:19:51,750 --> 00:19:49,600

i'll say that

544

00:19:53,110 --> 00:19:51,760

one thing i've really dove into is the

545

00:19:56,470 --> 00:19:53,120

idea of

546

00:20:00,070 --> 00:19:56,480

polydactyly extra digits six digits on

547

00:20:02,789 --> 00:20:00,080

the fingers and six on the toes is found

548

00:20:04,870 --> 00:20:02,799

all throughout history the bible

549

00:20:07,830 --> 00:20:04,880

lists the giant of gaff

550

00:20:09,350 --> 00:20:07,840

as having six fingers and six toes 24

551
00:20:12,870 --> 00:20:09,360
digits in all

552
00:20:15,510 --> 00:20:12,880
in samaria the summa ibzu in 2800 bc is

553
00:20:18,230 --> 00:20:15,520
the first one to talk about this idea of

554
00:20:21,430 --> 00:20:18,240
extra digits and the fact that it is

555
00:20:24,070 --> 00:20:21,440
always associated with the divine or

556
00:20:25,990 --> 00:20:24,080
malevolent activity so it's considered a

557
00:20:27,990 --> 00:20:26,000
supernatural trait

558
00:20:29,110 --> 00:20:28,000
and i've searched the globe and have

559
00:20:31,110 --> 00:20:29,120
found

560
00:20:33,110 --> 00:20:31,120
giant hands and feet with six fingers

561
00:20:35,190 --> 00:20:33,120
and toes and rock art and petroglyphs

562
00:20:37,190 --> 00:20:35,200
around the world all around the united

563
00:20:39,430 --> 00:20:37,200

states in the four corners region

564

00:20:41,430 --> 00:20:39,440

isolated pacific islands

565

00:20:42,710 --> 00:20:41,440

australia holy land it's rather

566

00:20:43,909 --> 00:20:42,720

remarkable

567

00:20:45,350 --> 00:20:43,919

and

568

00:20:48,070 --> 00:20:45,360

you have

569

00:20:49,750 --> 00:20:48,080

places like the four corners region of

570

00:20:52,470 --> 00:20:49,760

the united states where the pueblo

571

00:20:54,870 --> 00:20:52,480

people have a higher incidence of this

572

00:20:57,270 --> 00:20:54,880

genetic condition called polydactyly

573

00:20:59,990 --> 00:20:57,280

than the rest of the population you have

574

00:21:02,549 --> 00:21:00,000

tribes in ecuador and villages in spain

575

00:21:05,350 --> 00:21:02,559

where people have this condition

576

00:21:06,789 --> 00:21:05,360

of extra digits so the question is it's

577

00:21:09,110 --> 00:21:06,799

associated with the giants it's

578

00:21:11,110 --> 00:21:09,120

associated with the supernatural was

579

00:21:13,510 --> 00:21:11,120

there ancient interbreeding

580

00:21:15,590 --> 00:21:13,520

and you bring up genetics

581

00:21:18,789 --> 00:21:15,600

the highest incidence of pituitary

582

00:21:21,350 --> 00:21:18,799

gigantism which is a rare condition when

583

00:21:23,669 --> 00:21:21,360

a tumor grows on the pituitary gland of

584

00:21:25,510 --> 00:21:23,679

an individual and they basically grow

585

00:21:27,750 --> 00:21:25,520

out of control like if you've seen

586

00:21:29,669 --> 00:21:27,760

robert waldo from illinois he was nine

587

00:21:30,870 --> 00:21:29,679

foot tall but he had this disease

588

00:21:33,669 --> 00:21:30,880

condition

589

00:21:36,470 --> 00:21:33,679

so the highest incidence of this occurs

590

00:21:39,190 --> 00:21:36,480

in the north in ulster county in ireland

591

00:21:41,350 --> 00:21:39,200

where the tuatha de danann landed

592

00:21:43,750 --> 00:21:41,360

they landed on iron mountain in this

593

00:21:46,470 --> 00:21:43,760

this supernatural mist and they were

594

00:21:48,870 --> 00:21:46,480

noted to be extremely tall they fought

595

00:21:50,630 --> 00:21:48,880

with the fomorian like tolkien's

596

00:21:52,630 --> 00:21:50,640

mythological battles

597

00:21:54,710 --> 00:21:52,640

and you have this incidence this

598

00:21:57,190 --> 00:21:54,720

occurrence and you have these accounts

599

00:21:59,750 --> 00:21:57,200

of six fingers and toes as well in the

600

00:22:02,070 --> 00:21:59,760

british isles and like i said you have

601
00:22:04,390 --> 00:22:02,080
massive jaw bones and other things

602
00:22:05,669 --> 00:22:04,400
associated and that's what we look into

603
00:22:07,110 --> 00:22:05,679
like

604
00:22:09,110 --> 00:22:07,120
there's a genetic condition called

605
00:22:10,390 --> 00:22:09,120
beetle bar syndrome

606
00:22:13,430 --> 00:22:10,400
and you know basically in the same

607
00:22:15,510 --> 00:22:13,440
genetic zip code you have extra digits

608
00:22:16,549 --> 00:22:15,520
and pituitary gigantism

609
00:22:17,830 --> 00:22:16,559
so

610
00:22:19,029 --> 00:22:17,840
is this like

611
00:22:20,870 --> 00:22:19,039
some kind of

612
00:22:24,070 --> 00:22:20,880
genetic rejection

613
00:22:27,190 --> 00:22:24,080

by larger individuals and it is now a

614

00:22:29,270 --> 00:22:27,200

part of our genetic code but it presents

615

00:22:31,750 --> 00:22:29,280

as a disease condition so it's kind of a

616

00:22:33,750 --> 00:22:31,760

genetic interesting mystery that we

617

00:22:36,230 --> 00:22:33,760

follow in the book and to your broader

618

00:22:38,310 --> 00:22:36,240

question yes the giants had

619

00:22:40,310 --> 00:22:38,320

telepathic abilities they could control

620

00:22:42,310 --> 00:22:40,320

weather like many of the native american

621

00:22:44,549 --> 00:22:42,320

shamans in the united states they were

622

00:22:47,190 --> 00:22:44,559

called the tall ones these wisdom

623

00:22:49,669 --> 00:22:47,200

bringers who showed up after a flood and

624

00:22:52,149 --> 00:22:49,679

you have to wonder if

625

00:22:53,830 --> 00:22:52,159

there was higher cranial capacity

626
00:22:55,350 --> 00:22:53,840
there were metaphysical understandings

627
00:22:57,110 --> 00:22:55,360
that we really didn't understand

628
00:22:59,110 --> 00:22:57,120
ourselves that you know in our modern

629
00:23:02,789 --> 00:22:59,120
day society so there's all this kind of

630
00:23:04,149 --> 00:23:02,799
mystery surrounding the idea of giants

631
00:23:06,310 --> 00:23:04,159
you also have

632
00:23:07,590 --> 00:23:06,320
the double rows of teeth you mentioned

633
00:23:09,270 --> 00:23:07,600
as well i think that's something me and

634
00:23:10,870 --> 00:23:09,280
jim have kind of got obsessed by a

635
00:23:12,870 --> 00:23:10,880
couple of years a few years ago when we

636
00:23:14,149 --> 00:23:12,880
were working on our previous book in

637
00:23:17,750 --> 00:23:14,159
north america because we had something

638
00:23:20,630 --> 00:23:17,760

like what 30 maybe 40 accounts of extra

639

00:23:23,830 --> 00:23:20,640

rows of teeth even a third set of teeth

640

00:23:25,830 --> 00:23:23,840

from a seven foot skeleton in florida so

641

00:23:27,669 --> 00:23:25,840

that side of it really interests me we

642

00:23:30,710 --> 00:23:27,679

have the extra digits we have really

643

00:23:33,430 --> 00:23:30,720

thick skulls in some cases as jim said

644

00:23:34,870 --> 00:23:33,440

the adena jaw but we find this you know

645

00:23:37,909 --> 00:23:34,880

all these kind of traits in britain it's

646

00:23:39,990 --> 00:23:37,919

also the robust nature of the skeletons

647

00:23:42,230 --> 00:23:40,000

as well it's something you know that's

648

00:23:44,390 --> 00:23:42,240

been described over and over again in

649

00:23:46,070 --> 00:23:44,400

america and in britain so we're not

650

00:23:49,110 --> 00:23:46,080

talking about like basketball players

651
00:23:51,669 --> 00:23:49,120
who are sort of quite slim and very tall

652
00:23:55,510 --> 00:23:51,679
they're actually like robust well-formed

653
00:23:57,190 --> 00:23:55,520
really powerful kind of physiques and so

654
00:23:59,269 --> 00:23:57,200
that makes it a whole different thing

655
00:24:00,710 --> 00:23:59,279
that isn't pituitary gigantism for

656
00:24:02,870 --> 00:24:00,720
instance you don't get that kind of

657
00:24:05,430 --> 00:24:02,880
thing when you're talking about the

658
00:24:07,190 --> 00:24:05,440
types of accounts we're dealing with but

659
00:24:09,669 --> 00:24:07,200
the double rosa t thing we had a lot of

660
00:24:12,470 --> 00:24:09,679
debate about that with certain skeptics

661
00:24:15,029 --> 00:24:12,480
but we are pretty convinced that

662
00:24:17,830 --> 00:24:15,039
it's a genetic trait of giants you know

663
00:24:20,390 --> 00:24:17,840

when you go back in time far enough you

664

00:24:23,510 --> 00:24:20,400

find these accounts over and over again

665

00:24:25,669 --> 00:24:23,520

of extra teeth extra rows of teeth

666

00:24:27,350 --> 00:24:25,679

we've even got a few horn skulls just to

667

00:24:28,549 --> 00:24:27,360

make it all go a bit crazy in north

668

00:24:30,310 --> 00:24:28,559

america but

669

00:24:32,149 --> 00:24:30,320

and that's a known thing that happens as

670

00:24:34,149 --> 00:24:32,159

well even i think moose was supposed to

671

00:24:35,830 --> 00:24:34,159

have had horns in some accounts as well

672

00:24:38,310 --> 00:24:35,840

and so you know also like the double

673

00:24:40,310 --> 00:24:38,320

rows of teeth it's also linked i

674

00:24:41,990 --> 00:24:40,320

remember robert temple as a well-known

675

00:24:44,310 --> 00:24:42,000

author he wrote about them and he

676
00:24:46,710 --> 00:24:44,320
suggested that they had really connected

677
00:24:49,909 --> 00:24:46,720
with what he described as supernatural

678
00:24:50,710 --> 00:24:49,919
heroes and so this actually is the kind

679
00:24:52,870 --> 00:24:50,720
of

680
00:24:54,470 --> 00:24:52,880
the stories you get in britain and

681
00:24:57,350 --> 00:24:54,480
ireland are

682
00:24:58,950 --> 00:24:57,360
of supernatural heroes and so i find

683
00:25:01,029 --> 00:24:58,960
that particularly interesting because we

684
00:25:03,430 --> 00:25:01,039
found several accounts like cranbourne

685
00:25:05,669 --> 00:25:03,440
chase and dorset also i think on the

686
00:25:07,669 --> 00:25:05,679
isle of lewis or near there we're

687
00:25:09,669 --> 00:25:07,679
finding some accounts some giant

688
00:25:11,669 --> 00:25:09,679

skeletons and normal sized skeletons

689

00:25:13,269 --> 00:25:11,679

that have these extra rows of teeth so

690

00:25:16,149 --> 00:25:13,279

it's like a genetic throwback you know

691

00:25:19,350 --> 00:25:16,159

the last kind of people who kind of had

692

00:25:21,669 --> 00:25:19,360

this and we even spoke i think to shara

693

00:25:24,070 --> 00:25:21,679

bailey who was a dental anthropologist

694

00:25:25,909 --> 00:25:24,080

from new york university when we were

695

00:25:28,230 --> 00:25:25,919

doing the show a few years ago and she

696

00:25:30,470 --> 00:25:28,240

was blown away by all the accounts when

697

00:25:31,669 --> 00:25:30,480

we showed them terms she suggested

698

00:25:33,510 --> 00:25:31,679

perhaps

699

00:25:35,830 --> 00:25:33,520

this is something that triggers you know

700

00:25:38,390 --> 00:25:35,840

as you grow so large you get into like

701
00:25:40,310 --> 00:25:38,400
eight feet tall and so on and so forth

702
00:25:41,830 --> 00:25:40,320
and you're doing that naturally which is

703
00:25:44,070 --> 00:25:41,840
what we believe these giants it was a

704
00:25:44,950 --> 00:25:44,080
natural process of getting to this size

705
00:25:47,990 --> 00:25:44,960
through

706
00:25:50,230 --> 00:25:48,000
interbreeding with specific kind of

707
00:25:52,230 --> 00:25:50,240
other royal class or priestly elites and

708
00:25:54,149 --> 00:25:52,240
things like this that the teeth would

709
00:25:55,830 --> 00:25:54,159
actually grow into the space in the

710
00:25:57,830 --> 00:25:55,840
mouth and so you would have these extra

711
00:26:00,549 --> 00:25:57,840
rows of teeth and it would become like

712
00:26:04,549 --> 00:26:00,559
this genetic marker but also be a

713
00:26:06,310 --> 00:26:04,559

sign of being of elite status and so all

714

00:26:07,830 --> 00:26:06,320

these different things extra rows of

715

00:26:10,230 --> 00:26:07,840

teeth

716

00:26:12,230 --> 00:26:10,240

powerful physiques large jaws are all

717

00:26:15,510 --> 00:26:12,240

connected with these giants but also the

718

00:26:17,909 --> 00:26:15,520

supernatural kind of heroes and warriors

719

00:26:20,549 --> 00:26:17,919

of these ancient stories so it all kind

720

00:26:22,230 --> 00:26:20,559

of comes together it's very odd

721

00:26:23,750 --> 00:26:22,240

mm-hmm

722

00:26:26,470 --> 00:26:23,760

yes and

723

00:26:29,830 --> 00:26:26,480

jim you had mentioned deliberate and

724

00:26:32,070 --> 00:26:29,840

elaborate burial sites and then one that

725

00:26:35,830 --> 00:26:32,080

i had notes on from the book was

726

00:26:37,990 --> 00:26:35,840

actually where he lives in glastonbury i

727

00:26:41,269 --> 00:26:38,000

guess it's the giant of glastonbury

728

00:26:44,390 --> 00:26:41,279

abbey buried between two big obelisks

729

00:26:46,710 --> 00:26:44,400

with strange inscriptions there's like a

730

00:26:48,950 --> 00:26:46,720

lead cross buried in the middle and on

731

00:26:49,990 --> 00:26:48,960

one side a nine foot skeleton and an oak

732

00:26:52,310 --> 00:26:50,000

coffin

733

00:26:54,630 --> 00:26:52,320

and three skeletons buried on the right

734

00:26:57,669 --> 00:26:54,640

side you have a great diagram of it in

735

00:27:00,149 --> 00:26:57,679

the book of how this was all positioned

736

00:27:01,350 --> 00:27:00,159

and it's quite odd and just breezing

737

00:27:05,029 --> 00:27:01,360

through some of my notes so i can't

738

00:27:08,310 --> 00:27:05,039

believe how fast this is going um

739

00:27:11,269 --> 00:27:08,320

also all four countries of the british

740

00:27:13,590 --> 00:27:11,279

isles have origin stories that are

741

00:27:16,230 --> 00:27:13,600

intimately connected to

742

00:27:19,190 --> 00:27:16,240

ruling giants so this is no small thing

743

00:27:21,590 --> 00:27:19,200

even if it's just like mythology or lore

744

00:27:23,909 --> 00:27:21,600

it's it's there in all four countries of

745

00:27:25,750 --> 00:27:23,919

the british isles so i mean that's a

746

00:27:28,230 --> 00:27:25,760

pretty big hit but

747

00:27:31,029 --> 00:27:28,240

it seems that quite often these giants

748

00:27:33,830 --> 00:27:31,039

were associated with being kings or

749

00:27:35,990 --> 00:27:33,840

rulers what are your thoughts on there

750

00:27:37,590 --> 00:27:36,000

being a sort of lineage that still

751
00:27:39,590 --> 00:27:37,600
exists in the

752
00:27:42,310 --> 00:27:39,600
what seems to be a tight-knit ruling

753
00:27:44,710 --> 00:27:42,320
class today where many world leaders are

754
00:27:47,430 --> 00:27:44,720
still interrelated to each other or

755
00:27:49,990 --> 00:27:47,440
other famous figures in history

756
00:27:52,070 --> 00:27:50,000
are they descendants of these giants and

757
00:27:54,630 --> 00:27:52,080
do you think that behind closed doors

758
00:27:56,710 --> 00:27:54,640
they know about some of this stuff

759
00:27:59,269 --> 00:27:56,720
well we won't talk about prince andrew

760
00:28:05,110 --> 00:28:03,029
a little hot to talk about him

761
00:28:07,909 --> 00:28:05,120
i hear what you're saying the idea of

762
00:28:10,149 --> 00:28:07,919
royal bloodlines is something that

763
00:28:12,310 --> 00:28:10,159

you find in ancient times you find

764

00:28:14,070 --> 00:28:12,320

interbreeding brother and

765

00:28:16,870 --> 00:28:14,080

sister husband and wife

766

00:28:19,510 --> 00:28:16,880

associated with the gods in egypt and

767

00:28:21,510 --> 00:28:19,520

peru and other places

768

00:28:22,710 --> 00:28:21,520

and in fact they found ancient

769

00:28:25,269 --> 00:28:22,720

interpreting

770

00:28:26,470 --> 00:28:25,279

associated with a burial at newgrange

771

00:28:28,470 --> 00:28:26,480

recently

772

00:28:30,950 --> 00:28:28,480

you could probably google it brother and

773

00:28:31,830 --> 00:28:30,960

sister ancestral relationship you know

774

00:28:33,909 --> 00:28:31,840

uh

775

00:28:35,990 --> 00:28:33,919

at newgrange or something like that and

776

00:28:38,310 --> 00:28:36,000

you wonder why we view it as like a

777

00:28:39,669 --> 00:28:38,320

repugnant behavior but the ancient

778

00:28:41,669 --> 00:28:39,679

peoples

779

00:28:42,870 --> 00:28:41,679

seem to keep this interbreeding intact

780

00:28:50,070 --> 00:28:42,880

to

781

00:28:52,230 --> 00:28:50,080

british isles all have giants involved

782

00:28:55,510 --> 00:28:52,240

and it's true it's rather remarkable

783

00:28:57,269 --> 00:28:55,520

albion and albina and england this idea

784

00:28:59,669 --> 00:28:57,279

that

785

00:29:02,789 --> 00:28:59,679

giants are interwoven in not only the

786

00:29:05,350 --> 00:29:02,799

mythology but in the priestly elite

787

00:29:07,510 --> 00:29:05,360

the idea of kingship

788

00:29:09,269 --> 00:29:07,520

the landscape itself

789

00:29:11,669 --> 00:29:09,279

virtually every stone circle and

790

00:29:14,389 --> 00:29:11,679

standing stone has some it's the fairy

791

00:29:16,710 --> 00:29:14,399

stone or the giant stone

792

00:29:19,430 --> 00:29:16,720

there's definitely echoes of ancient

793

00:29:20,950 --> 00:29:19,440

migrations of supernatural beings and

794

00:29:23,029 --> 00:29:20,960

giant people

795

00:29:24,549 --> 00:29:23,039

and i can't get around that i just if

796

00:29:26,389 --> 00:29:24,559

you were to be dropped off on earth

797

00:29:29,430 --> 00:29:26,399

today and looked around at the

798

00:29:31,909 --> 00:29:29,440

megalithic sites the strange

799

00:29:34,710 --> 00:29:31,919

gods that are set in iconography and

800

00:29:37,110 --> 00:29:34,720

statues around the world the mythologies

801
00:29:38,310 --> 00:29:37,120
you just would not be able to make sense

802
00:29:40,990 --> 00:29:38,320
of it through

803
00:29:42,870 --> 00:29:41,000
the idea of gradualism and

804
00:29:44,549 --> 00:29:42,880
uniformitarianism and the way science

805
00:29:47,350 --> 00:29:44,559
portrays the past

806
00:29:50,070 --> 00:29:47,360
they seem completely in opposition

807
00:29:52,630 --> 00:29:50,080
so we go towards mythology to help fill

808
00:29:54,870 --> 00:29:52,640
in the gaps and what it tells us is that

809
00:29:57,350 --> 00:29:54,880
there were giant beings who showed up

810
00:29:59,750 --> 00:29:57,360
and they taught a geomantic science

811
00:30:02,149 --> 00:29:59,760
and they built all these structures

812
00:30:03,430 --> 00:30:02,159
stonehenge and glastonbury tour like you

813
00:30:05,350 --> 00:30:03,440

talked about

814

00:30:07,669 --> 00:30:05,360

as an ancient way to enchant the

815

00:30:09,750 --> 00:30:07,679

landscape and edgar casey even talked

816

00:30:11,750 --> 00:30:09,760

about that it's basically these temple

817

00:30:13,510 --> 00:30:11,760

sites are tools of enlightenment when

818

00:30:16,470 --> 00:30:13,520

you go to stonehenge or the king's

819

00:30:18,230 --> 00:30:16,480

chamber at egypt or machu picchu

820

00:30:20,630 --> 00:30:18,240

they really have this effect on the

821

00:30:22,470 --> 00:30:20,640

consciousness on human consciousness the

822

00:30:24,230 --> 00:30:22,480

elevation of

823

00:30:26,230 --> 00:30:24,240

the spirit if you will

824

00:30:27,590 --> 00:30:26,240

that's why it's to me it's not just

825

00:30:29,190 --> 00:30:27,600

another story because it's an

826

00:30:31,510 --> 00:30:29,200

interesting story

827

00:30:33,110 --> 00:30:31,520

but then you move on in most of these

828

00:30:34,070 --> 00:30:33,120

ancient mysteries but i feel there's a

829

00:30:35,990 --> 00:30:34,080

real

830

00:30:39,510 --> 00:30:36,000

compelling nature to it that has to do

831

00:30:40,870 --> 00:30:39,520

with an ancient system that supported

832

00:30:43,110 --> 00:30:40,880

health and prosperity throughout the

833

00:30:45,510 --> 00:30:43,120

land but i'll throw it over to hugh

834

00:30:47,909 --> 00:30:45,520

about the glastonbury giant because he's

835

00:30:50,950 --> 00:30:47,919

the one who really lived in glastonbury

836

00:30:52,710 --> 00:30:50,960

and knows that story inside and out

837

00:30:54,549 --> 00:30:52,720

yeah the glastonbury giant that's one of

838

00:30:55,990 --> 00:30:54,559

the kind of classic ones it's one of the

839

00:30:59,830 --> 00:30:56,000

oldest ones as well because they were

840

00:31:02,470 --> 00:30:59,840

talking about the late 1100s so the 12th

841

00:31:05,590 --> 00:31:02,480

century that this was said to have been

842

00:31:08,389 --> 00:31:05,600

found now at the time it was called some

843

00:31:10,549 --> 00:31:08,399

dunstance this was one of the earliest

844

00:31:11,509 --> 00:31:10,559

christian monasteries or abby's in the

845

00:31:14,710 --> 00:31:11,519

country

846

00:31:16,070 --> 00:31:14,720

the whole area was sacred long before

847

00:31:18,389 --> 00:31:16,080

the christians moved in there's a

848

00:31:20,870 --> 00:31:18,399

well-known area you know in tradition

849

00:31:23,750 --> 00:31:20,880

it's avalon part of the arthurian mythos

850

00:31:26,549 --> 00:31:23,760

and so forth in the late 1100s there was

851
00:31:29,430 --> 00:31:26,559
a whole process of discovery and

852
00:31:32,310 --> 00:31:29,440
revelation with these monks linked also

853
00:31:34,710 --> 00:31:32,320
with i think king henry seventh or sixth

854
00:31:36,950 --> 00:31:34,720
at the time and there was apparently

855
00:31:39,110 --> 00:31:36,960
this story that was being kept by the

856
00:31:42,789 --> 00:31:39,120
royal family about

857
00:31:45,190 --> 00:31:42,799
king arthur being buried in glastonbury

858
00:31:47,269 --> 00:31:45,200
beneath these two pyramids or next to in

859
00:31:48,149 --> 00:31:47,279
between these two pyramids

860
00:31:51,909 --> 00:31:48,159
and

861
00:31:53,990 --> 00:31:51,919
revelation they found this what they

862
00:31:56,310 --> 00:31:54,000
believed was a spot they dug into it

863
00:31:58,070 --> 00:31:56,320

they found these kind of pillars which

864

00:32:00,710 --> 00:31:58,080

are like pyramids with all these strange

865

00:32:02,310 --> 00:32:00,720

engravings on and like he said halfway

866

00:32:04,870 --> 00:32:02,320

down about seven or eight feet down they

867

00:32:07,190 --> 00:32:04,880

found his lead cross which in latin red

868

00:32:09,750 --> 00:32:07,200

here lies in turd the burial of king

869

00:32:11,909 --> 00:32:09,760

arthur and so on and so forth which they

870

00:32:13,350 --> 00:32:11,919

believed that might have actually been a

871

00:32:15,269 --> 00:32:13,360

some people suggest that might have been

872

00:32:17,909 --> 00:32:15,279

a hoax placed there by the monks to

873

00:32:20,230 --> 00:32:17,919

attract pilgrims i.e tourists who would

874

00:32:22,230 --> 00:32:20,240

you know donate to the cause but as they

875

00:32:25,190 --> 00:32:22,240

dug further down they found this about

876

00:32:28,389 --> 00:32:25,200

16 feet down they found this huge

877

00:32:31,430 --> 00:32:28,399

oak coffin made out of a solid trunk of

878

00:32:33,990 --> 00:32:31,440

oak with two burials in it a male and

879

00:32:36,789 --> 00:32:34,000

possibly a female but the male was said

880

00:32:39,269 --> 00:32:36,799

to be over nine feet tall and something

881

00:32:41,269 --> 00:32:39,279

like the eye socket was so big you could

882

00:32:42,789 --> 00:32:41,279

pass your fist through it all that and

883

00:32:44,710 --> 00:32:42,799

all these descriptions and all these

884

00:32:47,430 --> 00:32:44,720

well-known scholars

885

00:32:49,190 --> 00:32:47,440

writers at the time even

886

00:32:51,430 --> 00:32:49,200

members of parliament and other such

887

00:32:52,789 --> 00:32:51,440

things all witnessed this and there was

888

00:32:55,110 --> 00:32:52,799

even a time

889

00:32:56,950 --> 00:32:55,120

a couple of decades later where this big

890

00:32:59,110 --> 00:32:56,960

ceremony took place and the royal family

891

00:33:01,750 --> 00:32:59,120

were involved and actually moved the

892

00:33:04,310 --> 00:33:01,760

nine foot skeleton burial from one spot

893

00:33:06,549 --> 00:33:04,320

to another spot within the abbey itself

894

00:33:08,549 --> 00:33:06,559

and you can actually see the sign

895

00:33:10,710 --> 00:33:08,559

the two signs of where it was discovered

896

00:33:12,310 --> 00:33:10,720

and where it was finally buried actually

897

00:33:15,190 --> 00:33:12,320

in the abbey today and yet they don't

898

00:33:17,269 --> 00:33:15,200

mention anything about a nine-foot

899

00:33:19,909 --> 00:33:17,279

skeleton being on earth but what's

900

00:33:22,310 --> 00:33:19,919

interesting is is that this is reported

901
00:33:23,830 --> 00:33:22,320
on for the next 200 years and verified

902
00:33:26,230 --> 00:33:23,840
over and over again by people who

903
00:33:27,590 --> 00:33:26,240
witnessed it and yet it's not really

904
00:33:30,149 --> 00:33:27,600
talked about it's not in the kind of

905
00:33:33,190 --> 00:33:30,159
classic glastonbury mythos that people

906
00:33:36,389 --> 00:33:33,200
write about today and discuss today so

907
00:33:39,110 --> 00:33:36,399
but this is also the area of a tribe of

908
00:33:41,350 --> 00:33:39,120
giants called the kangik giants

909
00:33:43,430 --> 00:33:41,360
this was written about in the 1600s by a

910
00:33:45,029 --> 00:33:43,440
gentleman called reverend robert gay who

911
00:33:47,350 --> 00:33:45,039
was from somerset

912
00:33:48,389 --> 00:33:47,360
he was a bit of an anarchist but also he

913
00:33:51,990 --> 00:33:48,399

was

914

00:33:53,509 --> 00:33:52,000

like involved in his church and all this

915

00:33:55,430 --> 00:33:53,519

kind of stuff but he wrote this book

916

00:33:57,669 --> 00:33:55,440

called the fool's bolt soon shot at

917

00:33:59,190 --> 00:33:57,679

stonehenge and it was like a sarcastic

918

00:34:00,789 --> 00:33:59,200

look at all the revelations that were

919

00:34:02,389 --> 00:34:00,799

coming out about stonehenge that william

920

00:34:04,789 --> 00:34:02,399

stookly and john albright been writing

921

00:34:06,549 --> 00:34:04,799

about around that time

922

00:34:07,669 --> 00:34:06,559

and he wrote about this tribe of giants

923

00:34:09,349 --> 00:34:07,679

called the kangaroo giants and it was

924

00:34:11,190 --> 00:34:09,359

part of this mythos that he picked up

925

00:34:13,589 --> 00:34:11,200

from from the area they were from

926

00:34:15,030 --> 00:34:13,599

somerset and some people say that they

927

00:34:17,109 --> 00:34:15,040

might have been connected it might have

928

00:34:20,629 --> 00:34:17,119

been one one of them might have ended up

929

00:34:21,990 --> 00:34:20,639

beneath the ground at the abbey and also

930

00:34:23,349 --> 00:34:22,000

they're very strongly connected with

931

00:34:25,109 --> 00:34:23,359

stonehenge they were actually said to

932

00:34:27,990 --> 00:34:25,119

have built stonehenge

933

00:34:29,430 --> 00:34:28,000

after they defeated an incoming tribe

934

00:34:31,109 --> 00:34:29,440

coming in from the east they went

935

00:34:33,589 --> 00:34:31,119

towards the east to the borders of

936

00:34:35,909 --> 00:34:33,599

somerset into wiltshire and built it as

937

00:34:37,349 --> 00:34:35,919

a trophy of their victory and so you've

938

00:34:39,589 --> 00:34:37,359

got all these kind of strange

939

00:34:42,310 --> 00:34:39,599

connections kind of merging once again

940

00:34:44,149 --> 00:34:42,320

but yeah but the glastonbury giant is a

941

00:34:45,990 --> 00:34:44,159

absolutely fascinating story i mean

942

00:34:47,030 --> 00:34:46,000

where the bones are now we just don't

943

00:34:48,470 --> 00:34:47,040

know but

944

00:34:50,100 --> 00:34:48,480

possibly they're still buried in the

945

00:34:51,510 --> 00:34:50,110

abbey

946

00:34:53,750 --> 00:34:51,520

[Music]

947

00:34:55,349 --> 00:34:53,760

yeah that seems to be the case

948

00:34:57,829 --> 00:34:55,359

in a lot of these stories is that we

949

00:35:00,710 --> 00:34:57,839

don't know where the bones are anymore

950

00:35:03,349 --> 00:35:00,720

even though there's so many stories and

951
00:35:04,870 --> 00:35:03,359
let's get into it the cover-up aspect

952
00:35:06,790 --> 00:35:04,880
pretty much one of the most provocative

953
00:35:08,710 --> 00:35:06,800
things i always want to go for is why

954
00:35:10,790 --> 00:35:08,720
don't we have more information about

955
00:35:13,190 --> 00:35:10,800
this what is going on with the cover-ups

956
00:35:15,190 --> 00:35:13,200
in so many different areas but

957
00:35:17,589 --> 00:35:15,200
everybody knows that when it comes to

958
00:35:19,910 --> 00:35:17,599
giants the smithsonian is involved to a

959
00:35:22,310 --> 00:35:19,920
degree they receive these remains then

960
00:35:25,030 --> 00:35:22,320
they never seem to surface again

961
00:35:27,270 --> 00:35:25,040
but to what depths does this cover-up go

962
00:35:28,790 --> 00:35:27,280
are there other organizations involved

963
00:35:31,550 --> 00:35:28,800

when it comes to the giants of the

964

00:35:33,910 --> 00:35:31,560

british isles what's going on with the

965

00:35:35,750 --> 00:35:33,920

pre-smithsonian remains that should be

966

00:35:37,829 --> 00:35:35,760

out there you actually have a great

967

00:35:40,790 --> 00:35:37,839

image of the queen looking at a giant

968

00:35:43,270 --> 00:35:40,800

skeleton in a display case so maybe she

969

00:35:44,950 --> 00:35:43,280

knows a little something about it but

970

00:35:47,430 --> 00:35:44,960

what would you say about the cover-up

971

00:35:49,349 --> 00:35:47,440

and and why we just can't seem to

972

00:35:51,589 --> 00:35:49,359

penetrate this stuff i mean obviously

973

00:35:53,349 --> 00:35:51,599

you guys are but the smoking gun it's

974

00:35:55,109 --> 00:35:53,359

got to be out there somewhere somebody's

975

00:35:57,109 --> 00:35:55,119

got it what would you say about the

976
00:35:59,270 --> 00:35:57,119
cover-up aspect here

977
00:36:01,270 --> 00:35:59,280
yeah i'd say that

978
00:36:04,870 --> 00:36:01,280
i'll talk about what i know

979
00:36:07,910 --> 00:36:04,880
which is that the smithsonian scientists

980
00:36:10,829 --> 00:36:07,920
unearthed you know close to 20 skeletons

981
00:36:14,069 --> 00:36:10,839
in the late 1800s seven foot eight foot

982
00:36:18,550 --> 00:36:14,079
tall massive jaw bones

983
00:36:20,390 --> 00:36:18,560
one in 1873 thomas perrin in illinois

984
00:36:23,190 --> 00:36:20,400
found and reported a

985
00:36:24,790 --> 00:36:23,200
36 inch circumference skull and many

986
00:36:26,870 --> 00:36:24,800
other giant skulls

987
00:36:28,550 --> 00:36:26,880
although those crumbled to dust in

988
00:36:30,710 --> 00:36:28,560

several of the accounts

989

00:36:32,870 --> 00:36:30,720

not only the smithsonian literature but

990

00:36:35,109 --> 00:36:32,880

in other academic sources in town and

991

00:36:37,510 --> 00:36:35,119

county histories crumbled to dust as

992

00:36:39,430 --> 00:36:37,520

well which would account for

993

00:36:42,310 --> 00:36:39,440

some loss of evidence

994

00:36:44,710 --> 00:36:42,320

but the smithsonian had a rather racist

995

00:36:47,910 --> 00:36:44,720

and zealous head of anthropology

996

00:36:51,109 --> 00:36:47,920

dr hertlichke from about 1900 to about

997

00:36:52,230 --> 00:36:51,119

1940 and he never acknowledged those

998

00:36:54,790 --> 00:36:52,240

fines

999

00:36:57,109 --> 00:36:54,800

in 1933 he said you know giants are no

1000

00:37:00,230 --> 00:36:57,119

more he wrote this article where he

1001
00:37:02,710 --> 00:37:00,240
basically said these fines are wishful

1002
00:37:04,630 --> 00:37:02,720
thinking and misidentification and

1003
00:37:07,510 --> 00:37:04,640
hoaxes and stuff like that

1004
00:37:10,710 --> 00:37:07,520
so you know it was a move away from more

1005
00:37:12,950 --> 00:37:10,720
mythological ideas in science

1006
00:37:15,510 --> 00:37:12,960
science and religion had a great war if

1007
00:37:17,430 --> 00:37:15,520
you will in the 1800s and for good

1008
00:37:20,470 --> 00:37:17,440
reason science moved away from some

1009
00:37:22,069 --> 00:37:20,480
religious ideas but i like to think both

1010
00:37:25,109 --> 00:37:22,079
parties have some things right and

1011
00:37:26,710 --> 00:37:25,119
something's wrong so i don't extend a

1012
00:37:29,349 --> 00:37:26,720
massive cut you know i work with

1013
00:37:31,750 --> 00:37:29,359

professional anthropologists because i

1014

00:37:33,589 --> 00:37:31,760

discuss these things and i i like to get

1015

00:37:35,190 --> 00:37:33,599

both sides of the story

1016

00:37:37,589 --> 00:37:35,200

and

1017

00:37:40,950 --> 00:37:37,599

institutions i don't trust as far as you

1018

00:37:42,230 --> 00:37:40,960

can throw them a cabal of individual

1019

00:37:44,310 --> 00:37:42,240

academics

1020

00:37:45,670 --> 00:37:44,320

covering things up i don't really buy

1021

00:37:48,230 --> 00:37:45,680

but like i said

1022

00:37:50,630 --> 00:37:48,240

there's kind of a paradigm that views

1023

00:37:53,750 --> 00:37:50,640

these ideas as kind of fringe or

1024

00:37:55,589 --> 00:37:53,760

mythological so there's not a lot of

1025

00:37:56,710 --> 00:37:55,599

reason to delve into these subjects you

1026
00:37:58,710 --> 00:37:56,720
get into

1027
00:38:00,069 --> 00:37:58,720
ideas that are frowned upon in academic

1028
00:38:02,069 --> 00:38:00,079
circles

1029
00:38:04,630 --> 00:38:02,079
and i just feel like

1030
00:38:05,910 --> 00:38:04,640
science is slow to react but you know

1031
00:38:08,790 --> 00:38:05,920
things are changing moving in the right

1032
00:38:10,630 --> 00:38:08,800
direction with new finds and new science

1033
00:38:12,069 --> 00:38:10,640
i wish i had a better answer quite

1034
00:38:14,950 --> 00:38:12,079
frankly because when you read through

1035
00:38:17,670 --> 00:38:14,960
all the evidence it's quite astonishing

1036
00:38:19,670 --> 00:38:17,680
you find bones that are on display

1037
00:38:21,589 --> 00:38:19,680
credible people measurements of

1038
00:38:22,870 --> 00:38:21,599

stationary objects that are absolutely

1039

00:38:24,710 --> 00:38:22,880

enormous

1040

00:38:27,270 --> 00:38:24,720

and you know you and i can go to ball

1041

00:38:29,589 --> 00:38:27,280

back lebanon and show you the trilothon

1042

00:38:31,910 --> 00:38:29,599

and we can show you all kinds of weird

1043

00:38:34,230 --> 00:38:31,920

beings and inexplicable evidence around

1044

00:38:36,870 --> 00:38:34,240

the planet evidence of cataclysm and

1045

00:38:39,589 --> 00:38:36,880

other things in in places like gobekli

1046

00:38:40,630 --> 00:38:39,599

tepe that are so ancient that it upends

1047

00:38:42,150 --> 00:38:40,640

history

1048

00:38:44,790 --> 00:38:42,160

but i have not

1049

00:38:47,430 --> 00:38:44,800

seen and dna tested the 12-foot skeleton

1050

00:38:49,670 --> 00:38:47,440

as of yet and i just say it's kind of

1051
00:38:51,349 --> 00:38:49,680
frustrating in that regard but we like

1052
00:38:53,109 --> 00:38:51,359
just to lay out the case and let people

1053
00:38:55,270 --> 00:38:53,119
decide for themselves

1054
00:38:58,069 --> 00:38:55,280
right right and i agree with what you

1055
00:39:00,390 --> 00:38:58,079
said it is in the institutions and the

1056
00:39:01,990 --> 00:39:00,400
education it does enough to

1057
00:39:03,910 --> 00:39:02,000
sort out the

1058
00:39:06,069 --> 00:39:03,920
serious professionals from the rogue

1059
00:39:08,630 --> 00:39:06,079
scholars because you can't get your

1060
00:39:10,870 --> 00:39:08,640
professional archaeology merit badge if

1061
00:39:12,710 --> 00:39:10,880
you talk about this kind of stuff and

1062
00:39:14,630 --> 00:39:12,720
yes it's great that that's breaking down

1063
00:39:17,589 --> 00:39:14,640

a little bit but that is what has kept

1064

00:39:19,190 --> 00:39:17,599

the secrets uh in in my opinion but hugh

1065

00:39:21,190 --> 00:39:19,200

what were you going to say

1066

00:39:23,190 --> 00:39:21,200

yeah oh no i can't yeah agree with jim

1067

00:39:24,790 --> 00:39:23,200

and in britain it's actually quite

1068

00:39:26,950 --> 00:39:24,800

similar i mean it's quite a similar

1069

00:39:29,589 --> 00:39:26,960

story but it goes back quite a bit

1070

00:39:31,430 --> 00:39:29,599

further you know and things happening at

1071

00:39:32,470 --> 00:39:31,440

different times we're really talking

1072

00:39:35,349 --> 00:39:32,480

about

1073

00:39:37,670 --> 00:39:35,359

the switch over from like a pagan

1074

00:39:40,630 --> 00:39:37,680

culture going into a christian culture

1075

00:39:42,550 --> 00:39:40,640

so we're talking like from 500 a.d

1076

00:39:45,589 --> 00:39:42,560

going all the way up to like we're

1077

00:39:48,150 --> 00:39:45,599

talking the 16 1700s so you know one and

1078

00:39:49,829 --> 00:39:48,160

a half thousand years of kind of people

1079

00:39:51,030 --> 00:39:49,839

holding on to these old traditions

1080

00:39:52,790 --> 00:39:51,040

because

1081

00:39:54,390 --> 00:39:52,800

these kind of stories of the giants you

1082

00:39:56,150 --> 00:39:54,400

know we've got jack the giant killer

1083

00:39:58,310 --> 00:39:56,160

which we know has been proven

1084

00:40:00,950 --> 00:39:58,320

scientifically through you know quite

1085

00:40:03,750 --> 00:40:00,960

serious scholarly research to be 5 000

1086

00:40:05,750 --> 00:40:03,760

years old at least so that suggests many

1087

00:40:09,270 --> 00:40:05,760

of these other giant myths and stories

1088

00:40:11,430 --> 00:40:09,280

and creation myths are this kind of age

1089

00:40:13,190 --> 00:40:11,440

and so i'm not just talking about pagan

1090

00:40:16,150 --> 00:40:13,200

times we're talking about neolithic

1091

00:40:18,150 --> 00:40:16,160

times times of the megaliths times of

1092

00:40:20,150 --> 00:40:18,160

the kind of megalithic tombs stone

1093

00:40:22,630 --> 00:40:20,160

circles and other such things

1094

00:40:25,910 --> 00:40:22,640

and there's a gradual kind of push

1095

00:40:28,950 --> 00:40:25,920

by the church to remove

1096

00:40:31,670 --> 00:40:28,960

anything pagan like building over pagan

1097

00:40:33,270 --> 00:40:31,680

megalithic sites put churches on them so

1098

00:40:35,829 --> 00:40:33,280

they're all kind of now on these ley

1099

00:40:37,589 --> 00:40:35,839

lines and things like this and so when

1100

00:40:38,390 --> 00:40:37,599

they were finding these skeletons and

1101

00:40:39,829 --> 00:40:38,400

bones

1102

00:40:41,829 --> 00:40:39,839

it was all really connected with this

1103

00:40:43,030 --> 00:40:41,839

pagan story you know and so they they

1104

00:40:44,069 --> 00:40:43,040

kind of would brush them under the

1105

00:40:46,069 --> 00:40:44,079

carpet

1106

00:40:50,069 --> 00:40:46,079

and then we know that right up until you

1107

00:40:53,030 --> 00:40:50,079

know the 1800s and early 1900s there was

1108

00:40:54,470 --> 00:40:53,040

a whole movement of especially pushing

1109

00:40:56,550 --> 00:40:54,480

into wales

1110

00:40:58,309 --> 00:40:56,560

where many of the traditions held strong

1111

00:41:00,390 --> 00:40:58,319

even their old welsh languages was the

1112

00:41:02,630 --> 00:41:00,400

old british language you know many

1113

00:41:03,990 --> 00:41:02,640

hundreds or thousands of years ago and

1114

00:41:05,349 --> 00:41:04,000

they were pushing in there they were

1115

00:41:07,589 --> 00:41:05,359

trying to deny

1116

00:41:09,750 --> 00:41:07,599

their history like because it was in

1117

00:41:12,069 --> 00:41:09,760

there they were taught in history the

1118

00:41:14,230 --> 00:41:12,079

brutus did come over he did defeat gog

1119

00:41:16,470 --> 00:41:14,240

and magog and the giants he did found

1120

00:41:18,550 --> 00:41:16,480

london he did have

1121

00:41:21,109 --> 00:41:18,560

gog magog as the protector of london and

1122

00:41:23,349 --> 00:41:21,119

so forth this was actually history

1123

00:41:25,910 --> 00:41:23,359

up until the early 1900s but this got

1124

00:41:28,710 --> 00:41:25,920

changed and pushed back and all this

1125

00:41:30,150 --> 00:41:28,720

kind of new emerging science and these

1126

00:41:32,230 --> 00:41:30,160

christian kind of

1127

00:41:33,589 --> 00:41:32,240

new testament dogma was brought in to

1128

00:41:36,710 --> 00:41:33,599

replace that

1129

00:41:38,390 --> 00:41:36,720

so we lost a lot of what was part of our

1130

00:41:40,150 --> 00:41:38,400

kind of culture it was part of our

1131

00:41:42,950 --> 00:41:40,160

consciousness it was part of our memory

1132

00:41:45,190 --> 00:41:42,960

system our oral tradition

1133

00:41:47,270 --> 00:41:45,200

fortunately a lot of this was recorded

1134

00:41:49,510 --> 00:41:47,280

before this happened before it all got

1135

00:41:51,589 --> 00:41:49,520

lost and there's a few scholars i could

1136

00:41:53,750 --> 00:41:51,599

mention like chris grooms

1137

00:41:56,470 --> 00:41:53,760

john reese davis back in he was actually

1138

00:41:58,390 --> 00:41:56,480

collecting stories in the 1500s in wales

1139

00:42:00,069 --> 00:41:58,400

and documenting giant skeletons at the

1140

00:42:03,030 --> 00:42:00,079

same time and he was talking about this

1141

00:42:04,550 --> 00:42:03,040

problem as it was happening and so

1142

00:42:06,630 --> 00:42:04,560

there's like you know like like jim said

1143

00:42:09,270 --> 00:42:06,640

it's not really a big conspiracy it's

1144

00:42:10,470 --> 00:42:09,280

just a series of like agendas

1145

00:42:13,589 --> 00:42:10,480

religion

1146

00:42:15,349 --> 00:42:13,599

changes in thoughts about what science

1147

00:42:17,190 --> 00:42:15,359

is and things like this

1148

00:42:19,430 --> 00:42:17,200

which just unfortunately pushed the

1149

00:42:21,430 --> 00:42:19,440

whole giant story under the carpet and

1150

00:42:24,550 --> 00:42:21,440

it pushed it away and kind of put it

1151
00:42:26,550 --> 00:42:24,560
into this denial part of reality and so

1152
00:42:28,069 --> 00:42:26,560
we're contending with that

1153
00:42:30,309 --> 00:42:28,079
so there's a lot more to it than meets

1154
00:42:32,069 --> 00:42:30,319
the eye but there are so many accounts

1155
00:42:34,309 --> 00:42:32,079
that we've come across that are recorded

1156
00:42:35,829 --> 00:42:34,319
very long time ago and they were so

1157
00:42:37,589 --> 00:42:35,839
matter of fact the way they were

1158
00:42:39,670 --> 00:42:37,599
measured and put out into the public

1159
00:42:41,990 --> 00:42:39,680
domain that you know there's certainly a

1160
00:42:43,430 --> 00:42:42,000
reality to this which is just absolutely

1161
00:42:45,750 --> 00:42:43,440
kind of mind-blowing when you start

1162
00:42:47,510 --> 00:42:45,760
looking into it

1163
00:42:50,710 --> 00:42:47,520

that's a pretty good breakdown maybe it

1164

00:42:52,950 --> 00:42:50,720

is less conspiracy and more a series of

1165

00:42:53,990 --> 00:42:52,960

unfortunate events but it is always hard

1166

00:42:56,150 --> 00:42:54,000

to tell

1167

00:42:58,230 --> 00:42:56,160

who's motivated to do what when we're

1168

00:43:00,710 --> 00:42:58,240

looking at time depths that we're

1169

00:43:03,109 --> 00:43:00,720

talking about and i would suspect that

1170

00:43:05,030 --> 00:43:03,119

where the cover-up is concerned

1171

00:43:07,910 --> 00:43:05,040

i would think maybe the royal society

1172

00:43:10,390 --> 00:43:07,920

plays its usual part somewhere in there

1173

00:43:12,710 --> 00:43:10,400

but it is a tangled web and i'm glad

1174

00:43:15,270 --> 00:43:12,720

that you guys are resurrecting a lot of

1175

00:43:17,990 --> 00:43:15,280

this stuff and i can't get through this

1176

00:43:20,550 --> 00:43:18,000

first hour without diving deeper into

1177

00:43:23,750 --> 00:43:20,560

the magic stuff we had some passing

1178

00:43:25,990 --> 00:43:23,760

references to magic and geomancy but i

1179

00:43:28,390 --> 00:43:26,000

mean it gets pretty deep according to

1180

00:43:30,390 --> 00:43:28,400

the book not only were these giants

1181

00:43:32,950 --> 00:43:30,400

oftentimes kings and queens but you say

1182

00:43:35,750 --> 00:43:32,960

quote they were often master geomancers

1183

00:43:38,550 --> 00:43:35,760

surveyors architects and astronomers who

1184

00:43:40,150 --> 00:43:38,560

ruled from their mountaintop fortresses

1185

00:43:42,309 --> 00:43:40,160

and then there's this other paragraph

1186

00:43:44,710 --> 00:43:42,319

where you say

1187

00:43:46,710 --> 00:43:44,720

a wealth of folklore from england wales

1188

00:43:48,870 --> 00:43:46,720

scotland and ireland talk about

1189

00:43:50,870 --> 00:43:48,880

sophisticated cultures of giants with

1190

00:43:53,990 --> 00:43:50,880

supernatural powers and advanced

1191

00:43:56,309 --> 00:43:54,000

technology who had control over thunder

1192

00:43:58,390 --> 00:43:56,319

and lightning as witnessed when their

1193

00:43:59,910 --> 00:43:58,400

tombs were disturbed by later

1194

00:44:03,109 --> 00:43:59,920

generations

1195

00:44:06,710 --> 00:44:03,119

and i guess in an open-ended sense what

1196

00:44:08,870 --> 00:44:06,720

more can you guys say about the range of

1197

00:44:11,190 --> 00:44:08,880

magical abilities that are talked about

1198

00:44:12,710 --> 00:44:11,200

or maybe we call it high science or

1199

00:44:14,790 --> 00:44:12,720

hidden science

1200

00:44:16,870 --> 00:44:14,800

but this is quite interesting and the

1201

00:44:19,670 --> 00:44:16,880

control of weather i mean

1202

00:44:21,670 --> 00:44:19,680

that's a real provocative one

1203

00:44:24,230 --> 00:44:21,680

that is yeah that's the kind of classic

1204

00:44:26,309 --> 00:44:24,240

sowers of thunder mythos this is

1205

00:44:29,349 --> 00:44:26,319

actually brought to our attention by a

1206

00:44:31,109 --> 00:44:29,359

brilliant author called anthony roberts

1207

00:44:33,190 --> 00:44:31,119

he wrote a book called sowers of thunder

1208

00:44:34,390 --> 00:44:33,200

back in 1917. he was a glastonbury

1209

00:44:36,069 --> 00:44:34,400

resident

1210

00:44:37,670 --> 00:44:36,079

and he was part of the whole earth

1211

00:44:39,910 --> 00:44:37,680

mysteries movement but he did a lot of

1212

00:44:41,990 --> 00:44:39,920

research into these giants and realized

1213

00:44:44,230 --> 00:44:42,000

that there was this geomantic

1214

00:44:46,230 --> 00:44:44,240

element to it you know and also he found

1215

00:44:47,829 --> 00:44:46,240

you know a handful of accounts where

1216

00:44:50,230 --> 00:44:47,839

there were stories of people when they

1217

00:44:51,589 --> 00:44:50,240

disturbed the graves of giants in over

1218

00:44:53,750 --> 00:44:51,599

in the last few hundred years these

1219

00:44:56,150 --> 00:44:53,760

thousands of years old burials that

1220

00:44:58,150 --> 00:44:56,160

giant storms and thunder and lightning

1221

00:45:00,470 --> 00:44:58,160

would occur immediately and it would

1222

00:45:02,230 --> 00:45:00,480

terrify the desecrator and they was run

1223

00:45:03,829 --> 00:45:02,240

off and so we looked into that in more

1224

00:45:04,630 --> 00:45:03,839

detail and we thought hang on a sec

1225

00:45:06,790 --> 00:45:04,640

because

1226
00:45:08,550 --> 00:45:06,800
these not only i mean jim can talk about

1227
00:45:09,430 --> 00:45:08,560
this in a moment but not only do we have

1228
00:45:11,990 --> 00:45:09,440
these

1229
00:45:13,829 --> 00:45:12,000
kind of high kings and queens and rulers

1230
00:45:15,270 --> 00:45:13,839
who had these magical powers like we

1231
00:45:17,430 --> 00:45:15,280
find in ireland we find with the

1232
00:45:18,550 --> 00:45:17,440
children of doane in wales and so on and

1233
00:45:20,710 --> 00:45:18,560
so forth

1234
00:45:23,670 --> 00:45:20,720
but they actually had

1235
00:45:26,069 --> 00:45:23,680
spells placed over their burials and so

1236
00:45:28,069 --> 00:45:26,079
when people in relatively modern times

1237
00:45:30,150 --> 00:45:28,079
last few hundred years would dig them up

1238
00:45:31,750 --> 00:45:30,160

it would literally cause a storm like

1239

00:45:34,710 --> 00:45:31,760

immediately as soon as they started

1240

00:45:37,670 --> 00:45:34,720

digging and sometimes earthquakes

1241

00:45:39,990 --> 00:45:37,680

sometimes such delusion rain that it

1242

00:45:42,230 --> 00:45:40,000

would just almost drown the people it

1243

00:45:43,910 --> 00:45:42,240

would terrify them and we're not just

1244

00:45:46,550 --> 00:45:43,920

talking one or two accounts we've got

1245

00:45:49,030 --> 00:45:46,560

something like 40 accounts or something

1246

00:45:50,710 --> 00:45:49,040

in the historical record and most of

1247

00:45:52,870 --> 00:45:50,720

these are giants greys but we also even

1248

00:45:54,790 --> 00:45:52,880

have the same story at silbury hill we

1249

00:45:57,670 --> 00:45:54,800

have the same story at stanton drew

1250

00:45:59,910 --> 00:45:57,680

triple stone circles where lightning

1251

00:46:01,990 --> 00:45:59,920

formed into like a spiral into the

1252

00:46:04,710 --> 00:46:02,000

center of the circle this was documented

1253

00:46:08,550 --> 00:46:04,720

by a doctor you know back in i think the

1254

00:46:10,069 --> 00:46:08,560

17 or late 1700s and so what is going on

1255

00:46:11,990 --> 00:46:10,079

here so there's two things we looked

1256

00:46:13,589 --> 00:46:12,000

into in the book one of them was the

1257

00:46:15,750 --> 00:46:13,599

fact that they were just master

1258

00:46:17,750 --> 00:46:15,760

magicians and sorcerers and this was

1259

00:46:19,510 --> 00:46:17,760

part of their lineage it was part of

1260

00:46:21,589 --> 00:46:19,520

their magical lineage and as jim will

1261

00:46:23,270 --> 00:46:21,599

talk about in a second we know that

1262

00:46:25,670 --> 00:46:23,280

there because the myths and the stories

1263

00:46:28,069 --> 00:46:25,680

the creation stories of ireland wales

1264

00:46:30,309 --> 00:46:28,079

and even scotland as well talk about

1265

00:46:31,430 --> 00:46:30,319

these high-level kind of magicians who

1266

00:46:33,190 --> 00:46:31,440

not only

1267

00:46:35,030 --> 00:46:33,200

do the magic they were masters of

1268

00:46:36,870 --> 00:46:35,040

technology as well and had different

1269

00:46:38,069 --> 00:46:36,880

types of technology and weapons and

1270

00:46:39,910 --> 00:46:38,079

things like this

1271

00:46:41,670 --> 00:46:39,920

but the other angle we looked at was the

1272

00:46:43,270 --> 00:46:41,680

fact that it might be a kind of earth

1273

00:46:45,510 --> 00:46:43,280

energy science

1274

00:46:47,750 --> 00:46:45,520

and this is something we found to be the

1275

00:46:49,430 --> 00:46:47,760

case it could be the case because if you

1276

00:46:51,190 --> 00:46:49,440

build something in a specific way and

1277

00:46:53,190 --> 00:46:51,200

you're working with the earth energies

1278

00:46:55,349 --> 00:46:53,200

in a very specific way

1279

00:46:56,950 --> 00:46:55,359

and constructing with different layers

1280

00:46:59,030 --> 00:46:56,960

you get like this orgone effect you get

1281

00:47:01,030 --> 00:46:59,040

all this energetic effect and you build

1282

00:47:03,190 --> 00:47:01,040

it on high points in the landscape to

1283

00:47:05,270 --> 00:47:03,200

attract lightning and things like this

1284

00:47:07,910 --> 00:47:05,280

so they could have had this kind of

1285

00:47:10,150 --> 00:47:07,920

scientific understanding of

1286

00:47:11,349 --> 00:47:10,160

placing their burials in very specific

1287

00:47:14,150 --> 00:47:11,359

places

1288

00:47:15,750 --> 00:47:14,160

that would manipulate the environment

1289

00:47:18,150 --> 00:47:15,760

around them you know they were like what

1290

00:47:20,069 --> 00:47:18,160

were called thunderstorm capacitors but

1291

00:47:21,030 --> 00:47:20,079

they would build up charge and whenever

1292

00:47:23,910 --> 00:47:21,040

it was

1293

00:47:25,349 --> 00:47:23,920

interfered with or changed in any way it

1294

00:47:27,190 --> 00:47:25,359

would just trigger

1295

00:47:28,870 --> 00:47:27,200

the weather to change and so you know we

1296

00:47:30,870 --> 00:47:28,880

look into that in more i can't go into

1297

00:47:32,710 --> 00:47:30,880

all the specifics right now but

1298

00:47:35,190 --> 00:47:32,720

we were kind of blown away by this but

1299

00:47:36,549 --> 00:47:35,200

we think that these giants many of them

1300

00:47:38,390 --> 00:47:36,559

at least

1301
00:47:40,470 --> 00:47:38,400
this is what you know we discovered that

1302
00:47:43,349 --> 00:47:40,480
they were literally like magicians they

1303
00:47:44,630 --> 00:47:43,359
were master sorcerers they had control

1304
00:47:47,109 --> 00:47:44,640
of the elements

1305
00:47:49,270 --> 00:47:47,119
they were probably telekinetic they

1306
00:47:51,190 --> 00:47:49,280
probably had control of people's minds

1307
00:47:53,190 --> 00:47:51,200
in the case of merlin it seemed like he

1308
00:47:55,750 --> 00:47:53,200
could levitate stones just by using

1309
00:47:58,069 --> 00:47:55,760
magic or using his mind but when you

1310
00:48:00,630 --> 00:47:58,079
find the actual historical account of

1311
00:48:02,309 --> 00:48:00,640
people having these direct experiences

1312
00:48:03,990 --> 00:48:02,319
of these storms and thunder and

1313
00:48:06,069 --> 00:48:04,000

lightning occurring as soon as they

1314

00:48:08,309 --> 00:48:06,079

start digging a grave you have to take

1315

00:48:10,870 --> 00:48:08,319

note that these were very powerful

1316

00:48:12,630 --> 00:48:10,880

individuals who were buried there

1317

00:48:14,950 --> 00:48:12,640

hmm

1318

00:48:17,190 --> 00:48:14,960

damn well jim you had anything to add on

1319

00:48:18,150 --> 00:48:17,200

the magic front i can't get enough magic

1320

00:48:19,829 --> 00:48:18,160

talk

1321

00:48:20,950 --> 00:48:19,839

absolutely that was a pretty good

1322

00:48:23,190 --> 00:48:20,960

summation

1323

00:48:24,710 --> 00:48:23,200

and when you read through the book and

1324

00:48:26,630 --> 00:48:24,720

you read the different chapters of the

1325

00:48:29,349 --> 00:48:26,640

geomancy of the giants and the souls of

1326

00:48:31,109 --> 00:48:29,359

thunder you can see that there's a

1327

00:48:33,990 --> 00:48:31,119

an intelligent science behind what we're

1328

00:48:35,990 --> 00:48:34,000

talking about that the way you put in

1329

00:48:38,390 --> 00:48:36,000

acupuncture needles in the human body to

1330

00:48:41,589 --> 00:48:38,400

modulate the energy systems the same

1331

00:48:44,309 --> 00:48:41,599

thing occurs on earth and you get into

1332

00:48:46,790 --> 00:48:44,319

ideas of tolerance energy and ley lines

1333

00:48:49,349 --> 00:48:46,800

the earth being a living being

1334

00:48:51,670 --> 00:48:49,359

things that are understood now by many

1335

00:48:52,870 --> 00:48:51,680

and that just make logical sense as well

1336

00:48:54,870 --> 00:48:52,880

you don't have to be scientific to

1337

00:48:57,109 --> 00:48:54,880

understand these concepts but there's

1338

00:48:59,430 --> 00:48:57,119

this geomantic science clearly that's at

1339

00:49:02,069 --> 00:48:59,440

work this isn't wishful thinking and

1340

00:49:04,390 --> 00:49:02,079

like he was saying use specific stones

1341

00:49:05,910 --> 00:49:04,400

you divine the right location

1342

00:49:07,670 --> 00:49:05,920

and you know if you ever deal with

1343

00:49:09,589 --> 00:49:07,680

somebody who has

1344

00:49:11,030 --> 00:49:09,599

supernatural abilities or psychic

1345

00:49:13,510 --> 00:49:11,040

abilities i deal with a lot of

1346

00:49:14,870 --> 00:49:13,520

clairvoyance and spiritual masters and

1347

00:49:16,950 --> 00:49:14,880

they just come from a different place

1348

00:49:19,750 --> 00:49:16,960

they have a different set of abilities

1349

00:49:21,670 --> 00:49:19,760

and you realize that this isn't a fairy

1350

00:49:24,309 --> 00:49:21,680

tale that there is something to this

1351

00:49:26,309 --> 00:49:24,319

even ideas like levitation or high magic

1352

00:49:28,790 --> 00:49:26,319

is just a form of technology that is not

1353

00:49:30,390 --> 00:49:28,800

really understood these days because the

1354

00:49:32,069 --> 00:49:30,400

ancient ones were

1355

00:49:34,069 --> 00:49:32,079

you know the scientists were spiritual

1356

00:49:36,710 --> 00:49:34,079

masters as well they were initiated in

1357

00:49:38,069 --> 00:49:36,720

mystery schools like plato and

1358

00:49:41,030 --> 00:49:38,079

pythagoras

1359

00:49:43,589 --> 00:49:41,040

and once again you have a

1360

00:49:46,549 --> 00:49:43,599

left brain male dominated

1361

00:49:49,190 --> 00:49:46,559

academia that is oriented towards

1362

00:49:52,549 --> 00:49:49,200

abusive rationalistic thinking

1363

00:49:55,589 --> 00:49:52,559

exclusion of more metaphysical ideas and

1364

00:49:58,150 --> 00:49:55,599

sources and i just think we are left

1365

00:50:00,069 --> 00:49:58,160

interpreting shadows on on a cave wall

1366

00:50:02,150 --> 00:50:00,079

rather than understanding the heart of

1367

00:50:05,190 --> 00:50:02,160

the matter you know

1368

00:50:07,270 --> 00:50:05,200

so to turn back to these ideas i i think

1369

00:50:08,390 --> 00:50:07,280

it is clear that these races of beings

1370

00:50:10,549 --> 00:50:08,400

showed up

1371

00:50:13,109 --> 00:50:10,559

and if you look at all the traditions

1372

00:50:15,030 --> 00:50:13,119

the twatha twathadejanin these huge and

1373

00:50:16,710 --> 00:50:15,040

magical beings who show up they're

1374

00:50:18,150 --> 00:50:16,720

associated with the building of

1375

00:50:20,390 --> 00:50:18,160

newgrange

1376

00:50:22,390 --> 00:50:20,400

they show up in northern ireland

1377

00:50:23,750 --> 00:50:22,400

they are you know masters of the

1378

00:50:25,750 --> 00:50:23,760

elements

1379

00:50:27,430 --> 00:50:25,760

and you have the same stories in native

1380

00:50:30,309 --> 00:50:27,440

american tribes

1381

00:50:32,549 --> 00:50:30,319

you have the us army outlawed the sioux

1382

00:50:34,390 --> 00:50:32,559

ghost dance for instance and there's a

1383

00:50:36,790 --> 00:50:34,400

book called weather shamanism that talks

1384

00:50:38,790 --> 00:50:36,800

about native american shaman's ability

1385

00:50:41,670 --> 00:50:38,800

to control the weather and how it

1386

00:50:45,030 --> 00:50:41,680

terrified the us army and they outlawed

1387

00:50:47,829 --> 00:50:45,040

these ideas so our culture is like

1388

00:50:50,630 --> 00:50:47,839

burnt out and bankrupt and has very

1389

00:50:53,109 --> 00:50:50,640

little connection to the divine or the

1390

00:50:56,470 --> 00:50:53,119

supernatural but the ancient indigenous

1391

00:50:58,390 --> 00:50:56,480

cultures and this lost golden age

1392

00:51:01,430 --> 00:50:58,400

had this level of connection that would

1393

00:51:03,750 --> 00:51:01,440

be portrayed as supernatural or

1394

00:51:06,150 --> 00:51:03,760

of advanced technology to

1395

00:51:08,150 --> 00:51:06,160

less of all people in the past so

1396

00:51:10,630 --> 00:51:08,160

to bring it all together i think you

1397

00:51:12,790 --> 00:51:10,640

know you have these ideas associated

1398

00:51:15,190 --> 00:51:12,800

with the lost world and a lot of the

1399

00:51:17,349 --> 00:51:15,200

mythology is from edgar cayce to the

1400

00:51:19,510 --> 00:51:17,359

traditions throughout the british isles

1401

00:51:22,549 --> 00:51:19,520

as there was a lost continent lost

1402

00:51:24,630 --> 00:51:22,559

islands you could talk about atlantis

1403

00:51:27,030 --> 00:51:24,640

and i know that subject's off-putting to

1404

00:51:29,510 --> 00:51:27,040

some people but i really myself believe

1405

00:51:31,030 --> 00:51:29,520

in edgar casey and plato's atlantis it

1406

00:51:33,349 --> 00:51:31,040

makes a lot of sense

1407

00:51:35,510 --> 00:51:33,359

as far as shared traditions of a mother

1408

00:51:37,589 --> 00:51:35,520

culture around the world we now know

1409

00:51:39,910 --> 00:51:37,599

that there was a cataclysmic event that

1410

00:51:42,710 --> 00:51:39,920

occurred right at the sinking of plato's

1411

00:51:45,750 --> 00:51:42,720

atlantis about 12 800 years ago called

1412

00:51:49,109 --> 00:51:45,760

the younger driest impact event

1413

00:51:52,150 --> 00:51:49,119

so you know it all comes together by

1414

00:51:55,750 --> 00:51:52,160

virtue of looking at the traditions

1415

00:51:57,270 --> 00:51:55,760

and what they state is eerily specific

1416

00:51:59,750 --> 00:51:57,280

and ubiquitous

1417

00:52:01,750 --> 00:51:59,760

and it makes sense when you

1418

00:52:02,950 --> 00:52:01,760

tie all the information together and

1419

00:52:05,349 --> 00:52:02,960

once again

1420

00:52:06,790 --> 00:52:05,359

not to disparage academia but

1421

00:52:08,710 --> 00:52:06,800

it's like

1422

00:52:10,549 --> 00:52:08,720

when you go to the doctor

1423

00:52:11,750 --> 00:52:10,559

it's good that he can set your compound

1424

00:52:14,630 --> 00:52:11,760

fracture

1425

00:52:17,030 --> 00:52:14,640

but he's not gonna look at alternative

1426

00:52:19,510 --> 00:52:17,040

ideas you know what i mean like

1427

00:52:22,710 --> 00:52:19,520

these things take a long time to take

1428

00:52:24,870 --> 00:52:22,720

hold and it's just the ideas of magical

1429

00:52:26,309 --> 00:52:24,880

worlds and supernatural beings is

1430

00:52:28,950 --> 00:52:26,319

something that is not embraced by

1431

00:52:31,109 --> 00:52:28,960

academia so the ideas are marginalized

1432

00:52:33,349 --> 00:52:31,119

and considered farcical which i

1433

00:52:36,150 --> 00:52:33,359

completely disagree with

1434

00:52:39,510 --> 00:52:36,160

yeah well said it does seem to me the

1435

00:52:42,309 --> 00:52:39,520

more interviews i do that almost every

1436

00:52:44,829 --> 00:52:42,319

slice of science if you were to

1437

00:52:47,109 --> 00:52:44,839

break up the pie into

1438

00:52:49,990 --> 00:52:47,119

biology geography all the different

1439

00:52:53,270 --> 00:52:50,000

aspects physics there's always some kind

1440

00:52:57,069 --> 00:52:53,280

of esoteric science that we seem to have

1441

00:52:59,750 --> 00:52:57,079

lost ether orgone alchemy

1442

00:53:02,990 --> 00:52:59,760

frequency-based stuff cymatics stone

1443

00:53:05,990 --> 00:53:03,000

levitation psi abilities and these weird

1444

00:53:07,829 --> 00:53:06,000

correspondences across landscapes and

1445

00:53:10,069 --> 00:53:07,839

layers of reality like multiple

1446

00:53:11,190 --> 00:53:10,079

dimensions and the human body as you

1447

00:53:13,510 --> 00:53:11,200

pointed out

1448

00:53:15,670 --> 00:53:13,520

it goes quite deep and there's a lot of

1449

00:53:18,230 --> 00:53:15,680

stuff that we need to pull out of the

1450

00:53:21,750 --> 00:53:18,240

past so to speak but man

1451

00:53:23,670 --> 00:53:21,760

just so interesting and dr greg little

1452

00:53:25,910 --> 00:53:23,680

definitely broke down edgar cayce's

1453

00:53:28,390 --> 00:53:25,920

atlantis in a previous interview and i

1454

00:53:30,230 --> 00:53:28,400

really really enjoyed that one it's kind

1455

00:53:31,349 --> 00:53:30,240

of weird how

1456

00:53:39,910 --> 00:53:31,359

we hear

1457

00:53:42,230 --> 00:53:39,920

forget how interesting the real details

1458

00:53:45,030 --> 00:53:42,240

are of these things and to have it

1459

00:53:46,549 --> 00:53:45,040

broken down at length is always a great

1460

00:53:48,790 --> 00:53:46,559

pleasure of mine

1461

00:53:50,950 --> 00:53:48,800

before we really wrap this up we should

1462

00:53:53,030 --> 00:53:50,960

spend a little more time on stonehenge

1463

00:53:55,349 --> 00:53:53,040

it is in the title of your book i now

1464

00:53:57,430 --> 00:53:55,359

know the original name of stonehenge

1465

00:54:01,030 --> 00:53:57,440

translates to the giants dance and you

1466

00:54:03,589 --> 00:54:01,040

mention the story of how it got there

1467

00:54:06,309 --> 00:54:03,599

relates to the giants building it to

1468

00:54:07,670 --> 00:54:06,319

celebrate a great battle but

1469

00:54:09,670 --> 00:54:07,680

i think stonehenge is one of these

1470

00:54:12,549 --> 00:54:09,680

things we hear about it so often we

1471

00:54:15,430 --> 00:54:12,559

maybe forget the details of why it is so

1472

00:54:16,710 --> 00:54:15,440

interesting and the math and all the

1473

00:54:18,710 --> 00:54:16,720

things about it

1474

00:54:20,950 --> 00:54:18,720

obviously in recent years it seems as if

1475

00:54:23,589 --> 00:54:20,960

the complex has gotten even bigger with

1476

00:54:25,990 --> 00:54:23,599

things that are buried underneath but

1477

00:54:27,990 --> 00:54:26,000

before we really wrap this up let me ask

1478

00:54:29,910 --> 00:54:28,000

you about stonehenge whoever wants to

1479

00:54:31,990 --> 00:54:29,920

take it but remind people of why this is

1480

00:54:34,309 --> 00:54:32,000

such a special place

1481

00:54:36,789 --> 00:54:34,319

yeah i'll just quickly say because he

1482

00:54:38,390 --> 00:54:36,799

lives a half a mile from stonehenge so

1483

00:54:39,990 --> 00:54:38,400

he'll talk all about it

1484

00:54:42,789 --> 00:54:40,000

i just want to say that

1485

00:54:46,069 --> 00:54:42,799

one point i wanted to hit is that

1486

00:54:48,630 --> 00:54:46,079

giant effigies have been paraded around

1487

00:54:51,109 --> 00:54:48,640

london in salisbury which is near

1488

00:54:52,470 --> 00:54:51,119

stonehenge or on display for long

1489

00:54:54,549 --> 00:54:52,480

periods of time

1490

00:54:56,549 --> 00:54:54,559

as part of this idea of giants being

1491

00:54:59,589 --> 00:54:56,559

embedded in the consciousness of the

1492

00:55:03,270 --> 00:54:59,599

landscape now you know why is that part

1493

00:55:05,589 --> 00:55:03,280

of the traditions why are gog and magog

1494

00:55:08,710 --> 00:55:05,599

you know noted to be these great rulers

1495

00:55:11,109 --> 00:55:08,720

and guardians of britain and i would say

1496

00:55:13,349 --> 00:55:11,119

that it's a matter of being embedded in

1497

00:55:15,750 --> 00:55:13,359

the collective unconscious it's not just

1498

00:55:17,430 --> 00:55:15,760

like a fairy tale there's a historical

1499

00:55:18,870 --> 00:55:17,440

reality that is being remembered through

1500

00:55:21,030 --> 00:55:18,880

these traditions

1501

00:55:23,190 --> 00:55:21,040

and i'll kick it to hugh and that's

1502

00:55:24,789 --> 00:55:23,200

exactly what's going on at stonehenge

1503

00:55:27,990 --> 00:55:24,799

and all the traditions surrounding it

1504

00:55:30,150 --> 00:55:28,000

it's like some trickster is giving clues

1505

00:55:32,470 --> 00:55:30,160

to figure out the reality of the

1506

00:55:35,349 --> 00:55:32,480

situation like it was once called the

1507

00:55:36,630 --> 00:55:35,359

giants dance the original name the

1508

00:55:38,549 --> 00:55:36,640

original

1509

00:55:41,510 --> 00:55:38,559

pitcher is a tapestry from the 12th

1510

00:55:43,910 --> 00:55:41,520

century with king ambrosius merlin and a

1511

00:55:45,990 --> 00:55:43,920

giant building stonehenge those are the

1512

00:55:46,870 --> 00:55:46,000

clues that we pieced together in the

1513

00:55:49,349 --> 00:55:46,880

book

1514

00:55:50,630 --> 00:55:49,359

stonehenge yeah i do live quite close to

1515

00:55:51,829 --> 00:55:50,640

it actually yeah

1516

00:55:53,750 --> 00:55:51,839

obviously it's one of the most

1517

00:55:56,390 --> 00:55:53,760

impressive ancient sites on the planet

1518

00:55:57,910 --> 00:55:56,400

it's a unique stone circle

1519

00:55:59,589 --> 00:55:57,920

there's nothing like it in britain we've

1520

00:56:00,870 --> 00:55:59,599

got a thousand stone circles in brit

1521

00:56:03,190 --> 00:56:00,880

i've written an entire book about stone

1522

00:56:05,270 --> 00:56:03,200

circles but this one has lint tools so

1523

00:56:07,349 --> 00:56:05,280

you've got these sort of stones on top

1524

00:56:09,270 --> 00:56:07,359

you've got carved stones you've got what

1525

00:56:10,789 --> 00:56:09,280

looks like scoop marks in the stones as

1526

00:56:12,630 --> 00:56:10,799

well which is really bizarre it's like

1527

00:56:13,990 --> 00:56:12,640

they've softened the stone this is

1528

00:56:15,670 --> 00:56:14,000

actually a tradition of the kangig

1529

00:56:17,349 --> 00:56:15,680

giants which we go into in the book that

1530

00:56:19,349 --> 00:56:17,359

they were able to do this much like the

1531

00:56:20,390 --> 00:56:19,359

cyclops in greece were able to do that

1532

00:56:22,950 --> 00:56:20,400

as well

1533

00:56:25,750 --> 00:56:22,960

but we have actual accounts

1534

00:56:27,430 --> 00:56:25,760

of the giants not just the 24 foot giant

1535

00:56:30,630 --> 00:56:27,440

effigy jim was talking about that they

1536

00:56:34,950 --> 00:56:30,640

parade round salisbury since the 1400s i

1537

00:56:37,589 --> 00:56:34,960

might add but also in 1719

1538

00:56:40,309 --> 00:56:37,599

just south of stonehenge near salisbury

1539

00:56:42,549 --> 00:56:40,319

in a mound called the giant's grave they

1540

00:56:44,230 --> 00:56:42,559

found a nine foot four skeleton and this

1541

00:56:46,309 --> 00:56:44,240

was reported in two different accounts

1542

00:56:49,750 --> 00:56:46,319

we've managed to uncover if we go back

1543

00:56:53,109 --> 00:56:49,760

even further to 1508 we have sir thomas

1544

00:56:55,190 --> 00:56:53,119

elliott who was a renowned scholar writer

1545

00:56:57,430 --> 00:56:55,200

he was knighted he was an mp for

1546

00:56:58,470 --> 00:56:57,440

cambridge he wrote the dictionary of all

1547

00:57:00,069 --> 00:56:58,480

books

1548

00:57:01,589 --> 00:57:00,079

as well as also a gentleman called john

1549

00:57:04,470 --> 00:57:01,599

lee learned who wrote you know

1550

00:57:05,990 --> 00:57:04,480

britannica books we have other scholars

1551
00:57:07,270 --> 00:57:06,000
and researchers at the time who

1552
00:57:10,390 --> 00:57:07,280
witnessed

1553
00:57:13,270 --> 00:57:10,400
not a 9 foot 4 skeleton but a 14 foot 10

1554
00:57:15,190 --> 00:57:13,280
inch skeleton at a place called ivy

1555
00:57:17,910 --> 00:57:15,200
church priory which again is just south

1556
00:57:20,470 --> 00:57:17,920
of stonehenge near salisbury and so this

1557
00:57:21,990 --> 00:57:20,480
was reported on that they found in the

1558
00:57:23,910 --> 00:57:22,000
coffin in the kind of it was like a

1559
00:57:25,670 --> 00:57:23,920
large kind of oak

1560
00:57:26,470 --> 00:57:25,680
kind of coffin a huge great thing

1561
00:57:28,630 --> 00:57:26,480
obviously

1562
00:57:30,230 --> 00:57:28,640
and it had this strange book with this

1563
00:57:32,549 --> 00:57:30,240

inscription on it which no one could

1564

00:57:34,950 --> 00:57:32,559

read which crumbled to dust when it was

1565

00:57:38,870 --> 00:57:34,960

uncovered but they also found this giant

1566

00:57:40,950 --> 00:57:38,880

metal tin and lead kind of table top lid

1567

00:57:42,390 --> 00:57:40,960

thing with the same kind of inscriptions

1568

00:57:43,750 --> 00:57:42,400

all over it and people have always

1569

00:57:45,030 --> 00:57:43,760

wondered where the hell that well that's

1570

00:57:46,950 --> 00:57:45,040

never been found no one knows what

1571

00:57:49,030 --> 00:57:46,960

happened but it was described in detail

1572

00:57:52,150 --> 00:57:49,040

by thomas elliot and john leland at the

1573

00:57:53,829 --> 00:57:52,160

time respected scholars in the 1500s and

1574

00:57:56,789 --> 00:57:53,839

so that is really intriguing that in

1575

00:58:00,470 --> 00:57:56,799

1508 we have this discovery but even

1576

00:58:02,069 --> 00:58:00,480

before that in the 1470s

1577

00:58:03,990 --> 00:58:02,079

as jim said a giant started to be

1578

00:58:06,150 --> 00:58:04,000

paraded around

1579

00:58:08,230 --> 00:58:06,160

salisbury and he was like this pagan

1580

00:58:09,910 --> 00:58:08,240

giant it was always around the time of

1581

00:58:11,829 --> 00:58:09,920

the summer solstice and john the baptist

1582

00:58:14,069 --> 00:58:11,839

day which is a few days after

1583

00:58:15,990 --> 00:58:14,079

and so it was clearly a reference to the

1584

00:58:17,829 --> 00:58:16,000

giants and stonehenge especially as the

1585

00:58:19,829 --> 00:58:17,839

name the original name is the giants

1586

00:58:21,589 --> 00:58:19,839

dance and we always wondered well you

1587

00:58:23,349 --> 00:58:21,599

know what's going on with this

1588

00:58:26,390 --> 00:58:23,359

and they changed the name of the giant

1589

00:58:27,750 --> 00:58:26,400

they paraded around to saint christopher

1590

00:58:29,670 --> 00:58:27,760

now we always question why would they

1591

00:58:31,829 --> 00:58:29,680

change it was just a christian kind of

1592

00:58:32,950 --> 00:58:31,839

shift but actually saint christopher

1593

00:58:35,349 --> 00:58:32,960

himself

1594

00:58:38,230 --> 00:58:35,359

was a canaanite giant who came from the

1595

00:58:39,910 --> 00:58:38,240

bible lands who carried jesus famously

1596

00:58:42,309 --> 00:58:39,920

on his shoulder across a river when

1597

00:58:44,470 --> 00:58:42,319

jesus was a baby and he wanted to like

1598

00:58:46,470 --> 00:58:44,480

serve the greatest king rather than be a

1599

00:58:49,670 --> 00:58:46,480

commander in a canaanite army and he was

1600

00:58:52,230 --> 00:58:49,680

said to be between 12 or 18 feet tall so

1601

00:58:54,390 --> 00:58:52,240

what is a giant from the bible lands a

1602

00:58:56,390 --> 00:58:54,400

canaanite warrior

1603

00:58:58,390 --> 00:58:56,400

have this connection with this giant

1604

00:59:00,710 --> 00:58:58,400

paraded around the nearest town to

1605

00:59:03,589 --> 00:59:00,720

stonehenge then you've got the kangik

1606

00:59:05,829 --> 00:59:03,599

giants and the can is like canaanite

1607

00:59:08,549 --> 00:59:05,839

kangik it's the same principle

1608

00:59:10,150 --> 00:59:08,559

robert gay in his book from 1666 claimed

1609

00:59:11,910 --> 00:59:10,160

that there was a direct connection

1610

00:59:13,910 --> 00:59:11,920

between these names and they followed

1611

00:59:15,829 --> 00:59:13,920

the same principles of the canaanites

1612

00:59:19,030 --> 00:59:15,839

and that the kanjik giants themselves

1613

00:59:21,430 --> 00:59:19,040

were connected with the bible lands and

1614

00:59:23,510 --> 00:59:21,440

so we have all these odd connections and

1615

00:59:26,069 --> 00:59:23,520

then you start i can go on and on here

1616

00:59:27,430 --> 00:59:26,079

but i'll just quickly summarize this but

1617

00:59:30,549 --> 00:59:27,440

you start looking at the measurement

1618

00:59:32,549 --> 00:59:30,559

systems the type of geometry

1619

00:59:35,670 --> 00:59:32,559

the placement in the landscape compared

1620

00:59:37,430 --> 00:59:35,680

to other sites a stonehenge is like it's

1621

00:59:39,750 --> 00:59:37,440

like an international site it's got

1622

00:59:41,829 --> 00:59:39,760

measurements from egypt it's got

1623

00:59:43,829 --> 00:59:41,839

measurements from sumeria it's got

1624

00:59:45,349 --> 00:59:43,839

british measurements it's got other

1625

00:59:46,549 --> 00:59:45,359

measurements from different parts of the

1626
00:59:48,549 --> 00:59:46,559
ancient world

1627
00:59:50,470 --> 00:59:48,559
it's got specific geometries and

1628
00:59:51,990 --> 00:59:50,480
orientations which we find in other

1629
00:59:54,549 --> 00:59:52,000
countries as well

1630
00:59:56,470 --> 00:59:54,559
and so you have to kind of question

1631
00:59:58,470 --> 00:59:56,480
what is going on here is there something

1632
01:00:01,510 --> 00:59:58,480
that's been completely eradicated from

1633
01:00:04,470 --> 01:00:01,520
my history books but was only kept and

1634
01:00:06,630 --> 01:00:04,480
held within these secret societies who

1635
01:00:08,789 --> 01:00:06,640
created this parade of this giant around

1636
01:00:10,870 --> 01:00:08,799
it was their way of remembering and

1637
01:00:13,670 --> 01:00:10,880
maintaining this tradition because it

1638
01:00:16,789 --> 01:00:13,680

was a secret society that this guild of

1639

01:00:19,510 --> 01:00:16,799

tailors who created this giant kind of

1640

01:00:21,430 --> 01:00:19,520

pageant in salisbury so i mean i'm

1641

01:00:23,270 --> 01:00:21,440

trying to summarize maybe too much in

1642

01:00:24,950 --> 01:00:23,280

too short amount of time but there are

1643

01:00:26,789 --> 01:00:24,960

strong connections not just with

1644

01:00:28,390 --> 01:00:26,799

stonehenge we find similar things in

1645

01:00:30,309 --> 01:00:28,400

different parts of the country

1646

01:00:32,630 --> 01:00:30,319

hundreds of years thousands of years of

1647

01:00:34,870 --> 01:00:32,640

these pageants of parading giants around

1648

01:00:37,670 --> 01:00:34,880

we even have it in london with gog magog

1649

01:00:40,230 --> 01:00:37,680

gog and magog are paraded around and the

1650

01:00:41,750 --> 01:00:40,240

lord may have show every year even today

1651
01:00:42,390 --> 01:00:41,760
that's been going on for hundreds of

1652
01:00:44,230 --> 01:00:42,400
years

1653
01:00:46,230 --> 01:00:44,240
so there's just this

1654
01:00:49,190 --> 01:00:46,240
thing that's like almost trapped in our

1655
01:00:51,109 --> 01:00:49,200
consciousness about this founding story

1656
01:00:55,430 --> 01:00:51,119
these creation myths

1657
01:00:59,349 --> 01:00:57,510
yeah a really great summary it's so true

1658
01:01:01,750 --> 01:00:59,359
there's a lot of cultures that still

1659
01:01:03,510 --> 01:01:01,760
parade around some big puppet of a giant

1660
01:01:05,670 --> 01:01:03,520
it's like what's that about but i

1661
01:01:08,549 --> 01:01:05,680
definitely have never heard about jesus

1662
01:01:09,589 --> 01:01:08,559
riding on the shoulders of a giant i've

1663
01:01:11,750 --> 01:01:09,599

heard

1664

01:01:13,910 --> 01:01:11,760

enough biblical stuff for probably five

1665

01:01:15,190 --> 01:01:13,920

lifetimes that's never come up so i like

1666

01:01:17,349 --> 01:01:15,200

it and

1667

01:01:19,910 --> 01:01:17,359

i was in london once and i wanted to see

1668

01:01:21,670 --> 01:01:19,920

stonehenge but my buddy gordon suggested

1669

01:01:23,430 --> 01:01:21,680

that we go to avebury instead because

1670

01:01:24,789 --> 01:01:23,440

there's less tourists maybe it was even

1671

01:01:26,870 --> 01:01:24,799

closer

1672

01:01:29,109 --> 01:01:26,880

it was quite impressive i was a bit

1673

01:01:31,829 --> 01:01:29,119

distracted by trying not to track sheep

1674

01:01:33,829 --> 01:01:31,839

[h__\h] back into his car but a very

1675

01:01:36,549 --> 01:01:33,839

impressive place and they're really all

1676
01:01:38,549 --> 01:01:36,559
over the british isles and man just

1677
01:01:41,190 --> 01:01:38,559
before i let you go something i like to

1678
01:01:45,109 --> 01:01:41,200
ask guests who are explorers and focus

1679
01:01:48,549 --> 01:01:45,119
on a wide range of ancient mysteries is

1680
01:01:51,750 --> 01:01:48,559
if time money and access weren't an

1681
01:01:54,470 --> 01:01:51,760
issue where would you guys explore to

1682
01:01:56,789 --> 01:01:54,480
try to uncover the biggest lost mystery

1683
01:01:59,190 --> 01:01:56,799
giants or otherwise biggest bang for the

1684
01:02:00,230 --> 01:01:59,200
buck uh whoever wants to go first feel

1685
01:02:02,710 --> 01:02:00,240
free

1686
01:02:04,549 --> 01:02:02,720
i'll jump in first here jim well if this

1687
01:02:07,029 --> 01:02:04,559
money is no object then

1688
01:02:08,870 --> 01:02:07,039

there's a couple of places one of them

1689

01:02:11,910 --> 01:02:08,880

is nam madol

1690

01:02:14,789 --> 01:02:11,920

in micronesia i'd love to get out there

1691

01:02:16,630 --> 01:02:14,799

because we have the amazing megalithic

1692

01:02:18,950 --> 01:02:16,640

temple of madonna made with these bass

1693

01:02:22,230 --> 01:02:18,960

out columns but also there's really

1694

01:02:24,549 --> 01:02:22,240

interesting giant discoveries and myths

1695

01:02:26,230 --> 01:02:24,559

of these like flying shaman giants you

1696

01:02:28,150 --> 01:02:26,240

could levitate stones and things like

1697

01:02:29,829 --> 01:02:28,160

this plus it's beautiful weather and you

1698

01:02:32,150 --> 01:02:29,839

know it's like stunning scenery and

1699

01:02:34,710 --> 01:02:32,160

things like that and also

1700

01:02:37,990 --> 01:02:34,720

on you know the opposite side of like

1701
01:02:40,950 --> 01:02:38,000
the weather spectrum is antarctica and

1702
01:02:43,029 --> 01:02:40,960
patagonia now that area down there is

1703
01:02:44,549 --> 01:02:43,039
absolutely fascinating because i right

1704
01:02:46,950 --> 01:02:44,559
up until recently i've been like i said

1705
01:02:48,470 --> 01:02:46,960
earlier frederick cook in 1901

1706
01:02:51,670 --> 01:02:48,480
we have

1707
01:02:52,710 --> 01:02:51,680
this absolutely mind-blowing accounts of

1708
01:02:54,789 --> 01:02:52,720
direct

1709
01:02:56,470 --> 01:02:54,799
connections meetings with these giants

1710
01:02:58,870 --> 01:02:56,480
but also there's all these sacred sites

1711
01:03:01,109 --> 01:02:58,880
that no one really knows about even on

1712
01:03:02,710 --> 01:03:01,119
antarctica as well and like you know

1713
01:03:04,789 --> 01:03:02,720

there's something to be found down there

1714

01:03:07,109 --> 01:03:04,799

it's not being looked at it's been kind

1715

01:03:09,990 --> 01:03:07,119

of pretty much suppressed in my opinion

1716

01:03:13,190 --> 01:03:10,000

so i'd love to get a trip down there

1717

01:03:16,230 --> 01:03:13,200

yeah that's an easy one for me uh

1718

01:03:17,349 --> 01:03:16,240

excavate under the front of the sphinx

1719

01:03:19,589 --> 01:03:17,359

because

1720

01:03:20,549 --> 01:03:19,599

in order to prove the case

1721

01:03:21,990 --> 01:03:20,559

you need

1722

01:03:24,549 --> 01:03:22,000

evidence

1723

01:03:26,230 --> 01:03:24,559

that can be carbon dated contemporaneous

1724

01:03:27,910 --> 01:03:26,240

artifacts

1725

01:03:29,430 --> 01:03:27,920

records

1726

01:03:31,190 --> 01:03:29,440

you know right now the

1727

01:03:34,950 --> 01:03:31,200

official date of the building of the

1728

01:03:37,589 --> 01:03:34,960

giza complex about 2650 bc

1729

01:03:39,829 --> 01:03:37,599

casey specifically states that

1730

01:03:42,150 --> 01:03:39,839

between 490 and 10

1731

01:03:44,549 --> 01:03:42,160

390 bc

1732

01:03:47,190 --> 01:03:44,559

was the actual construction date over

1733

01:03:49,190 --> 01:03:47,200

100 year period of the great pyramid and

1734

01:03:51,510 --> 01:03:49,200

rata and hermes

1735

01:03:54,069 --> 01:03:51,520

both are the architects and builders of

1736

01:03:56,309 --> 01:03:54,079

it and in order to prove that case and

1737

01:03:58,549 --> 01:03:56,319

it's just not the casey material

1738

01:03:59,589 --> 01:03:58,559

i believe that the assyrian

1739

01:04:02,549 --> 01:03:59,599

and the

1740

01:04:04,069 --> 01:04:02,559

sphinx temple are much older because i i

1741

01:04:05,270 --> 01:04:04,079

have engineering experience i'm a

1742

01:04:08,150 --> 01:04:05,280

stonemason

1743

01:04:10,390 --> 01:04:08,160

there are two different construction

1744

01:04:12,870 --> 01:04:10,400

techniques at work in egypt just like

1745

01:04:15,510 --> 01:04:12,880

you find in the inca world

1746

01:04:17,670 --> 01:04:15,520

and in pumapunku in cusco and other

1747

01:04:18,710 --> 01:04:17,680

places so i would say in order to prove

1748

01:04:19,910 --> 01:04:18,720

the case

1749

01:04:23,270 --> 01:04:19,920

you have to

1750

01:04:24,710 --> 01:04:23,280

excavate and find if there is a lost

1751

01:04:26,549 --> 01:04:24,720

hall of records

1752

01:04:27,510 --> 01:04:26,559

under the sphinx in the giza plateau

1753

01:04:29,670 --> 01:04:27,520

also

1754

01:04:31,750 --> 01:04:29,680

about three quarters up in the great

1755

01:04:34,630 --> 01:04:31,760

pyramid japanese scientists with muon

1756

01:04:36,549 --> 01:04:34,640

technology have found a void that's like

1757

01:04:39,510 --> 01:04:36,559

30 meters wide

1758

01:04:41,430 --> 01:04:39,520

and that i would like to

1759

01:04:42,710 --> 01:04:41,440

investigate as well or see scientists

1760

01:04:44,710 --> 01:04:42,720

investigate

1761

01:04:46,390 --> 01:04:44,720

and we'll see how it goes i really you

1762

01:04:47,829 --> 01:04:46,400

know i'd love to do a show

1763

01:04:50,549 --> 01:04:47,839

search for the last hall of records i

1764

01:04:53,029 --> 01:04:50,559

think people would love that idea

1765

01:04:55,029 --> 01:04:53,039

any time they did specials in egypt was

1766

01:04:57,910 --> 01:04:55,039

awas or whatever you know they get huge

1767

01:05:00,390 --> 01:04:57,920

ratings and i understand the reluctance

1768

01:05:03,109 --> 01:05:00,400

of egyptologists especially egyptians

1769

01:05:05,349 --> 01:05:03,119

themselves because they view these ideas

1770

01:05:07,270 --> 01:05:05,359

you know through a nationalistic lens

1771

01:05:10,069 --> 01:05:07,280

where the interlopers are trying to

1772

01:05:12,470 --> 01:05:10,079

steal our history and all that but to me

1773

01:05:15,029 --> 01:05:12,480

this isn't a racist argument

1774

01:05:17,029 --> 01:05:15,039

basically as we told you the gods and

1775

01:05:19,510 --> 01:05:17,039

the giants and the shining ones are

1776

01:05:21,589 --> 01:05:19,520

associated with tuatha data and with new

1777

01:05:23,750 --> 01:05:21,599

grange and other sites

1778

01:05:26,630 --> 01:05:23,760

just like they're attached to

1779

01:05:29,029 --> 01:05:26,640

pumapunku or teotihuacan or these other

1780

01:05:30,390 --> 01:05:29,039

sites around the world so it's not like

1781

01:05:32,390 --> 01:05:30,400

an ancient

1782

01:05:34,230 --> 01:05:32,400

or it's not a racist argument it says

1783

01:05:36,630 --> 01:05:34,240

who are the gods that showed up in

1784

01:05:38,549 --> 01:05:36,640

antiquity so long story short i think

1785

01:05:41,349 --> 01:05:38,559

that's where the rubber meets the road

1786

01:05:43,430 --> 01:05:41,359

is to find evidence of further antiquity

1787

01:05:47,270 --> 01:05:43,440

on the giza plateau

1788

01:05:49,670 --> 01:05:47,280

yes both really great answers nan madol

1789

01:05:51,910 --> 01:05:49,680

is quite intriguing with the curse and

1790

01:05:54,150 --> 01:05:51,920

everything and jim i figured you were

1791

01:05:54,950 --> 01:05:54,160

gonna say the paw of the sphinx and i

1792

01:05:56,470 --> 01:05:54,960

guess

1793

01:05:58,150 --> 01:05:56,480

i would think that it's probably been

1794

01:05:59,990 --> 01:05:58,160

explored in secret but we're never gonna

1795

01:06:02,230 --> 01:06:00,000

know about it it's such a specific

1796

01:06:05,029 --> 01:06:02,240

location how could they not have gotten

1797

01:06:08,230 --> 01:06:05,039

in there but regardless it's definitely

1798

01:06:10,710 --> 01:06:08,240

an intriguing mystery and

1799

01:06:13,109 --> 01:06:10,720

man this has just been so much fun

1800

01:06:15,109 --> 01:06:13,119

talk to the people about the other

1801

01:06:17,109 --> 01:06:15,119

things you have going on in terms of

1802

01:06:19,349 --> 01:06:17,119

following up on your work the shows

1803

01:06:21,510 --> 01:06:19,359

you're involved with upcoming projects

1804

01:06:23,430 --> 01:06:21,520

links because i'm sure people are going

1805

01:06:25,589 --> 01:06:23,440

to want to follow up in some regard and

1806

01:06:27,430 --> 01:06:25,599

your work ethic certainly puts mine to

1807

01:06:28,870 --> 01:06:27,440

shame but what are you going to do uh

1808

01:06:30,549 --> 01:06:28,880

tell people about that follow-up

1809

01:06:32,549 --> 01:06:30,559

material

1810

01:06:34,150 --> 01:06:32,559

sure in the pipeline

1811

01:06:36,630 --> 01:06:34,160

me and jim are going to be eventually be

1812

01:06:38,150 --> 01:06:36,640

doing a worldwide book we've got so much

1813

01:06:40,630 --> 01:06:38,160

cracking data

1814

01:06:42,630 --> 01:06:40,640

it's quite remarkable and

1815

01:06:45,270 --> 01:06:42,640

personally i've got my big conference in

1816

01:06:47,430 --> 01:06:45,280

glastonbury on the 7th and 8th of may

1817

01:06:49,670 --> 01:06:47,440

we run megalithomania my company we run

1818

01:06:51,510 --> 01:06:49,680

a bunch of tours we're going out to like

1819

01:06:53,029 --> 01:06:51,520

we do a tour around stonehenge in

1820

01:06:55,990 --> 01:06:53,039

england in july

1821

01:06:58,309 --> 01:06:56,000

orkney august we've done a big beckley

1822

01:07:00,470 --> 01:06:58,319

tepee tour and a few other bits and bobs

1823

01:07:03,029 --> 01:07:00,480

and yeah we kind of it's one of the

1824

01:07:05,670 --> 01:07:03,039

other areas i'm researching now is with

1825

01:07:08,069 --> 01:07:05,680

my partner jj ainsworth as well is

1826

01:07:10,470 --> 01:07:08,079

quebec lee tepe and carahan tepe which

1827

01:07:12,069 --> 01:07:10,480

is a whole other story which i've just

1828

01:07:14,069 --> 01:07:12,079

published a video tonight about that

1829

01:07:16,069 --> 01:07:14,079

actually up on the megalithomania uk

1830

01:07:18,630 --> 01:07:16,079

youtube channel because the stuff that's

1831

01:07:21,190 --> 01:07:18,640

coming out of there is insane it's

1832

01:07:23,109 --> 01:07:21,200

remarkable and i think that's going to

1833

01:07:25,430 --> 01:07:23,119

open up this whole other world because

1834

01:07:28,390 --> 01:07:25,440

these dating of what's being found out

1835

01:07:31,910 --> 01:07:28,400

in that part of the world is matching

1836

01:07:33,750 --> 01:07:31,920

this whole atlantean time it's like 9600

1837

01:07:36,150 --> 01:07:33,760

bc this is exactly the same kind of

1838

01:07:37,990 --> 01:07:36,160

dates we have for the kind of

1839

01:07:39,990 --> 01:07:38,000

if the casey's idea of what atlantis was

1840

01:07:42,549 --> 01:07:40,000

but this is the dates of quebec lee tepe

1841

01:07:44,710 --> 01:07:42,559

and carahan tepe so yeah so there's i

1842

01:07:47,190 --> 01:07:44,720

mean myself and jim we're involved in a

1843

01:07:48,870 --> 01:07:47,200

few tv shows we're both involved in

1844

01:07:50,230 --> 01:07:48,880

ancient aliens i've got i think there's

1845

01:07:52,390 --> 01:07:50,240

a few more episodes of this season

1846

01:07:53,990 --> 01:07:52,400

coming out the unexplained

1847

01:07:56,710 --> 01:07:54,000

with william shatner that's great fun

1848

01:07:59,349 --> 01:07:56,720

doing that i also work with gaia tv on

1849

01:08:00,950 --> 01:07:59,359

ancient civilizations and yeah there's a

1850

01:08:03,109 --> 01:08:00,960

whole people can just you know check out

1851
01:08:05,029 --> 01:08:03,119
the megalithomania dot co dot uk website

1852
01:08:07,829 --> 01:08:05,039
everything's up on there that's the best

1853
01:08:11,349 --> 01:08:07,839
clearing house for a who has a section

1854
01:08:13,430 --> 01:08:11,359
of all my videos and different talks

1855
01:08:15,270 --> 01:08:13,440
i'm setting up a website i have the tech

1856
01:08:16,070 --> 01:08:15,280
skills of an amish preacher i like to

1857
01:08:18,070 --> 01:08:16,080
say

1858
01:08:20,630 --> 01:08:18,080
but i'm setting up a website so i can

1859
01:08:22,950 --> 01:08:20,640
put my videos and as you know greg from

1860
01:08:24,390 --> 01:08:22,960
watching my stuff i'm into metaphysical

1861
01:08:26,470 --> 01:08:24,400
ideas and

1862
01:08:28,070 --> 01:08:26,480
i think that's what's most interesting

1863
01:08:30,470 --> 01:08:28,080

it's kind of like there's such a

1864

01:08:33,030 --> 01:08:30,480

burgeoning population on earth of

1865

01:08:35,590 --> 01:08:33,040

spiritual but not religious people now

1866

01:08:38,630 --> 01:08:35,600

that don't subscribe to any dogmatic

1867

01:08:40,229 --> 01:08:38,640

ideas and it's kind of like the in my

1868

01:08:42,470 --> 01:08:40,239

effort i study with the spiritual

1869

01:08:44,309 --> 01:08:42,480

teacher for like 25 years and transcribe

1870

01:08:45,990 --> 01:08:44,319

all the sessions with my brother and

1871

01:08:46,789 --> 01:08:46,000

hughes met him as well

1872

01:08:48,870 --> 01:08:46,799

and

1873

01:08:50,950 --> 01:08:48,880

it's more like how do you

1874

01:08:53,269 --> 01:08:50,960

reach something larger

1875

01:08:55,590 --> 01:08:53,279

through meditation or

1876

01:08:57,189 --> 01:08:55,600

undoing of misperceptions

1877

01:08:58,789 --> 01:08:57,199

i just like to share ideas from

1878

01:09:01,189 --> 01:08:58,799

spiritual masters that help people in

1879

01:09:03,269 --> 01:09:01,199

their day-to-day lives to help them find

1880

01:09:05,030 --> 01:09:03,279

peace and to deal with mental illness

1881

01:09:07,110 --> 01:09:05,040

and things like that so i'm pro

1882

01:09:09,349 --> 01:09:07,120

psilocybin i'm pro

1883

01:09:11,110 --> 01:09:09,359

alternative protocols for mental health

1884

01:09:13,110 --> 01:09:11,120

disorders and things like that and you

1885

01:09:15,189 --> 01:09:13,120

know if you watch my videos i i share a

1886

01:09:17,430 --> 01:09:15,199

lot of that kind of information and

1887

01:09:19,189 --> 01:09:17,440

so as far as what i'm doing and like

1888

01:09:21,349 --> 01:09:19,199

hugh said you know we'll be on william

1889

01:09:22,709 --> 01:09:21,359

shatner's show and we show up on ancient

1890

01:09:25,510 --> 01:09:22,719

aliens and

1891

01:09:27,590 --> 01:09:25,520

and i hope to do a show excavating in

1892

01:09:29,669 --> 01:09:27,600

front of the sphinx at some point we'll

1893

01:09:32,630 --> 01:09:29,679

see if history channel bites on that but

1894

01:09:33,749 --> 01:09:32,640

uh that's kind of my story right now

1895

01:09:36,709 --> 01:09:33,759

right on

1896

01:09:39,030 --> 01:09:36,719

what a life jax of many trades and you

1897

01:09:41,349 --> 01:09:39,040

guys seriously crushed it i can't wait

1898

01:09:43,910 --> 01:09:41,359

to put this one out big thanks to the

1899

01:09:46,149 --> 01:09:43,920

good doctor the greg superior as i like

1900

01:09:47,829 --> 01:09:46,159

to say for linking us up i really

1901

01:09:49,749 --> 01:09:47,839

enjoyed the book it belongs in the

1902

01:09:52,950 --> 01:09:49,759

library of anyone that wants to have a

1903

01:09:55,189 --> 01:09:52,960

high level giant section and

1904

01:09:57,110 --> 01:09:55,199

you each have enough work on your own to

1905

01:09:58,630 --> 01:09:57,120

fill up several solid interviews so i

1906

01:10:00,390 --> 01:09:58,640

hope we stay in touch but it's been a

1907

01:10:01,270 --> 01:10:00,400

pleasure keep up the great work and take

1908

01:10:03,750 --> 01:10:01,280

care

1909

01:10:05,270 --> 01:10:03,760

thanks greg you too great interview yeah

1910

01:10:08,390 --> 01:10:05,280

thanks a lot appreciate it it's really

1911

01:10:13,590 --> 01:10:10,870

and boom goes the dynamite double your

1912

01:10:16,630 --> 01:10:13,600

pleasure double your fun hugh and jim

1913

01:10:19,110 --> 01:10:16,640

jim and you really bringing it today

1914

01:10:22,950 --> 01:10:19,120

i loved it i loved the content i love

1915

01:10:26,070 --> 01:10:22,960

the audio quality we got a winner here

1916

01:10:28,310 --> 01:10:26,080

i appreciate dr little recommending thc

1917

01:10:30,550 --> 01:10:28,320

to his colleagues this is how we get the

1918

01:10:33,510 --> 01:10:30,560

best interviews sometimes

1919

01:10:36,310 --> 01:10:33,520

quality endorsements are important and i

1920

01:10:38,470 --> 01:10:36,320

appreciate that very much from him

1921

01:10:40,709 --> 01:10:38,480

the show is only as good as the guests i

1922

01:10:42,790 --> 01:10:40,719

can get and only grows as big as the

1923

01:10:43,750 --> 01:10:42,800

reach of those who recommend it by the

1924

01:10:46,390 --> 01:10:43,760

way

1925

01:10:48,550 --> 01:10:46,400

but we got giants we got geomancy and we

1926

01:10:49,830 --> 01:10:48,560

got a lot of interesting tangents along

1927

01:10:52,149 --> 01:10:49,840

the way

1928

01:10:55,110 --> 01:10:52,159

who knows where the line between ancient

1929

01:10:56,390 --> 01:10:55,120

akashic memory and myth should be drawn

1930

01:10:58,470 --> 01:10:56,400

if anywhere

1931

01:11:01,590 --> 01:10:58,480

but the evidence is in there are too

1932

01:11:03,510 --> 01:11:01,600

many giant stories to write off

1933

01:11:05,350 --> 01:11:03,520

i think anyone who's familiar with all

1934

01:11:07,430 --> 01:11:05,360

the shows in the archive would already

1935

01:11:09,350 --> 01:11:07,440

say that about america but now we got

1936

01:11:12,390 --> 01:11:09,360

them on the other side of the pond and

1937

01:11:14,950 --> 01:11:12,400

it just goes to strengthen the case and

1938

01:11:17,750 --> 01:11:14,960

probably my favorite part was weather

1939

01:11:19,430 --> 01:11:17,760

effects tied to these stone circles and

1940

01:11:22,870 --> 01:11:19,440

tombs

1941

01:11:25,030 --> 01:11:22,880

also the idea that ufos and paranormal

1942

01:11:27,270 --> 01:11:25,040

encounters and orbs are all direct

1943

01:11:29,350 --> 01:11:27,280

results of these old shamanic portal

1944

01:11:32,070 --> 01:11:29,360

places that's something that's gaining

1945

01:11:33,910 --> 01:11:32,080

more and more steam and i'm into it

1946

01:11:35,590 --> 01:11:33,920

i just finished gordon's new book

1947

01:11:37,750 --> 01:11:35,600

animistic which will be the next thing

1948

01:11:39,189 --> 01:11:37,760

we talk about here and it hits on that

1949

01:11:41,350 --> 01:11:39,199

theme too

1950

01:11:42,950 --> 01:11:41,360

dr greg little himself has a new book

1951

01:11:44,310 --> 01:11:42,960

coming out this summer hopefully one

1952

01:11:46,229 --> 01:11:44,320

we're going to talk about that looks

1953

01:11:47,669 --> 01:11:46,239

like it's also going to be adding to

1954

01:11:50,470 --> 01:11:47,679

that stack

1955

01:11:51,590 --> 01:11:50,480

but i like these megalomaniacs quite a

1956

01:11:53,430 --> 01:11:51,600

bit

1957

01:11:55,990 --> 01:11:53,440

i'm glad they had a lot of fun

1958

01:11:57,510 --> 01:11:56,000

underground and cave stories in the book

1959

01:11:59,110 --> 01:11:57,520

that we could pull out

1960

01:12:01,189 --> 01:11:59,120

and i hope we're able to make it happen

1961

01:12:03,430 --> 01:12:01,199

again down the line they both have a lot

1962

01:12:05,350 --> 01:12:03,440

of overlapping interest with the things

1963

01:12:07,590 --> 01:12:05,360

that we like around here

1964

01:12:09,189 --> 01:12:07,600

i think i have one from my notes that we

1965

01:12:10,630 --> 01:12:09,199

didn't mention

1966

01:12:12,790 --> 01:12:10,640

although i think

1967

01:12:14,630 --> 01:12:12,800

they did mention the term scrapbook but

1968

01:12:16,630 --> 01:12:14,640

we didn't get into it unless there are

1969

01:12:21,110 --> 01:12:16,640

others i think this is a reference to

1970

01:12:23,910 --> 01:12:21,120

the third manx scrap book by w.w gill a

1971

01:12:26,709 --> 01:12:23,920

private publication from 1938 that

1972

01:12:28,390 --> 01:12:26,719

didn't come to light until 1963

1973

01:12:30,790 --> 01:12:28,400

and listen to this

1974

01:12:33,990 --> 01:12:30,800

they say it references the

1975

01:12:36,470 --> 01:12:34,000

fennodiri a hairy supernatural creature

1976

01:12:39,110 --> 01:12:36,480

that is said to be a large elemental

1977

01:12:40,870 --> 01:12:39,120

being sounds a lot like what some people

1978

01:12:43,350 --> 01:12:40,880

think bigfoot is

1979

01:12:45,510 --> 01:12:43,360

but also in the scrapbook is this

1980

01:12:47,270 --> 01:12:45,520

account that originally came from a book

1981

01:12:48,950 --> 01:12:47,280

called the undersea giants i'm gonna

1982

01:12:51,110 --> 01:12:48,960

have to check that out

1983

01:12:54,390 --> 01:12:51,120

and it gives a story about a miner from

1984

01:12:56,310 --> 01:12:54,400

laxie who got lost in mining tunnels

1985

01:12:58,630 --> 01:12:56,320

while trying to find his way out he came

1986

01:13:01,110 --> 01:12:58,640

to a great room hollowed in the rock

1987

01:13:02,229 --> 01:13:01,120

with tables and chairs in it all of

1988

01:13:04,390 --> 01:13:02,239

stone

1989

01:13:06,550 --> 01:13:04,400

the light in the room was yellowish and

1990

01:13:09,510 --> 01:13:06,560

seemed to come from above

1991

01:13:11,350 --> 01:13:09,520

six great powerful men in queer rough

1992

01:13:12,310 --> 01:13:11,360

clothes were sitting there and staring

1993

01:13:15,110 --> 01:13:12,320

at him

1994

01:13:16,950 --> 01:13:15,120

he asked them in manx to direct him to

1995

01:13:18,470 --> 01:13:16,960

the upper world they spoke amongst

1996

01:13:19,669 --> 01:13:18,480

themselves in a language he could not

1997

01:13:21,510 --> 01:13:19,679

understand

1998

01:13:23,910 --> 01:13:21,520

and then one turned to him and told him

1999

01:13:26,149 --> 01:13:23,920

that he was under lexi bay

2000

01:13:28,310 --> 01:13:26,159

quote this is the castle of the giants

2001

01:13:29,990 --> 01:13:28,320

that used to be living in laxy and you

2002

01:13:31,350 --> 01:13:30,000

were the first man that ever found his

2003

01:13:33,030 --> 01:13:31,360

way down here

2004

01:13:35,270 --> 01:13:33,040

they said they were just putting in the

2005

01:13:37,030 --> 01:13:35,280

time until the island would be fit for

2006

01:13:39,669 --> 01:13:37,040

heroes to live again and they had been

2007

01:13:41,669 --> 01:13:39,679

waiting there hundreds of years

2008

01:13:43,430 --> 01:13:41,679

then one of them gave him a knock on the

2009

01:13:46,070 --> 01:13:43,440

head and he didn't know anything until

2010

01:13:48,390 --> 01:13:46,080

he found himself outside the big door he

2011

01:13:50,709 --> 01:13:48,400

tried again to find the area he had seen

2012

01:13:52,790 --> 01:13:50,719

these giants but failed

2013

01:13:54,630 --> 01:13:52,800

well i like it another story that kind

2014

01:13:57,910 --> 01:13:54,640

of sounds like

2015

01:13:59,830 --> 01:13:57,920

fallen angels or watchers kind of stuck

2016

01:14:01,990 --> 01:13:59,840

in the earth waiting for a time when

2017

01:14:03,750 --> 01:14:02,000

they can re-emerge

2018

01:14:06,390 --> 01:14:03,760

another common theme we hear with these

2019

01:14:08,310 --> 01:14:06,400

kinds of stories is that a person cannot

2020

01:14:10,470 --> 01:14:08,320

find the place again speaking to a

2021

01:14:12,790 --> 01:14:10,480

metaphysical quality

2022

01:14:14,630 --> 01:14:12,800

good stuff i checked my outline for

2023

01:14:17,110 --> 01:14:14,640

other things that i didn't bring up

2024

01:14:18,310 --> 01:14:17,120

because this was just so chalk full of

2025

01:14:20,470 --> 01:14:18,320

material

2026

01:14:23,510 --> 01:14:20,480

and i don't think i asked about the

2027

01:14:25,189 --> 01:14:23,520

lizard people i might have but my notes

2028

01:14:26,390 --> 01:14:25,199

say that i didn't so i'll read it to you

2029

01:14:28,470 --> 01:14:26,400

guys here

2030

01:14:30,149 --> 01:14:28,480

because you can bet that if a book has a

2031

01:14:32,149 --> 01:14:30,159

reference to lizard people i'm gonna

2032

01:14:33,669 --> 01:14:32,159

have to highlight that in an interview

2033

01:14:35,910 --> 01:14:33,679

but

2034

01:14:38,390 --> 01:14:35,920

they write a strange story about the

2035

01:14:41,030 --> 01:14:38,400

origins of the cornish giants discussed

2036

01:14:42,950 --> 01:14:41,040

a race of inferior people who went about

2037

01:14:43,910 --> 01:14:42,960

on all fours and spoke in a strange

2038

01:14:45,910 --> 01:14:43,920

tongue

2039

01:14:48,149 --> 01:14:45,920

these were called the lizard people a

2040

01:14:50,310 --> 01:14:48,159

large ship was one day wrecked off the

2041

01:14:52,310 --> 01:14:50,320

coast and some giant survivors settled

2042

01:14:54,149 --> 01:14:52,320

amongst the lizard people

2043

01:14:56,870 --> 01:14:54,159

gradually interbreeding with them over

2044

01:14:59,110 --> 01:14:56,880

the generations their offspring became

2045

01:15:02,229 --> 01:14:59,120

renowned in the area being very tall

2046

01:15:04,310 --> 01:15:02,239

intelligent and superior in many ways

2047

01:15:06,950 --> 01:15:04,320

it is said that in this area of cornwall

2048

01:15:09,030 --> 01:15:06,960

local residents still often reach over

2049

01:15:11,189 --> 01:15:09,040

six feet tall

2050

01:15:14,390 --> 01:15:11,199

well that's a hell of a story again the

2051
01:15:17,430 --> 01:15:14,400
theme of watchers fallen angels giants

2052
01:15:19,189 --> 01:15:17,440
breeding with people in this case some

2053
01:15:21,510 --> 01:15:19,199
kind of primitive

2054
01:15:23,270 --> 01:15:21,520
lizard person

2055
01:15:25,750 --> 01:15:23,280
i don't know the world is a weird place

2056
01:15:27,750 --> 01:15:25,760
but i do love hearing about it

2057
01:15:29,270 --> 01:15:27,760
but their book is just full of stories

2058
01:15:31,110 --> 01:15:29,280
like this so many things that we

2059
01:15:33,189 --> 01:15:31,120
couldn't fit into a two-hour interview

2060
01:15:34,790 --> 01:15:33,199
and i'm anxious to read their book about

2061
01:15:37,270 --> 01:15:34,800
north american giants because i'm sure

2062
01:15:39,110 --> 01:15:37,280
it's just as dense

2063
01:15:41,270 --> 01:15:39,120

so good show today of course if you

2064

01:15:43,590 --> 01:15:41,280

liked the free first hour you're missing

2065

01:15:45,430 --> 01:15:43,600

half the interview just become a member

2066

01:15:47,669 --> 01:15:45,440

you know you like what i do why not get

2067

01:15:49,750 --> 01:15:47,679

the full episodes eight bucks eight

2068

01:15:53,270 --> 01:15:49,760

dollars is worth less every day but you

2069

01:15:55,110 --> 01:15:53,280

can still get thc plus how about that

2070

01:15:57,270 --> 01:15:55,120

but in this one we added a lot more to

2071

01:15:59,350 --> 01:15:57,280

the stack we got into several other

2072

01:16:02,229 --> 01:15:59,360

tales of giants living underground and

2073

01:16:04,550 --> 01:16:02,239

in caves astrological alignments the

2074

01:16:06,950 --> 01:16:04,560

origins of the giants metaphysical

2075

01:16:09,189 --> 01:16:06,960

secrets of the ancients

2076

01:16:11,590 --> 01:16:09,199

my favorite section ancient crispr

2077

01:16:13,030 --> 01:16:11,600

creations of the atlantean geneticists

2078

01:16:14,229 --> 01:16:13,040

maybe that's where those lizard people

2079

01:16:17,030 --> 01:16:14,239

came from

2080

01:16:20,390 --> 01:16:17,040

the giants cave in eden hall

2081

01:16:23,590 --> 01:16:20,400

the catalina giants and land missing

2082

01:16:25,990 --> 01:16:23,600

from modern maps like high brazil island

2083

01:16:28,070 --> 01:16:26,000

you know i love land missing from old

2084

01:16:29,750 --> 01:16:28,080

maps it's a very provocative thing to

2085

01:16:31,110 --> 01:16:29,760

get into and

2086

01:16:32,790 --> 01:16:31,120

they touch on it

2087

01:16:34,790 --> 01:16:32,800

solid stuff and don't forget the

2088

01:16:37,350 --> 01:16:34,800

standard seven day free trial that we

2089

01:16:38,310 --> 01:16:37,360

got going on now so hop on in and check

2090

01:16:40,390 --> 01:16:38,320

it out

2091

01:16:42,149 --> 01:16:40,400

in higher side news there's not a ton to

2092

01:16:45,270 --> 01:16:42,159

report we're still playing with the

2093

01:16:48,070 --> 01:16:45,280

formatting of the netflix style display

2094

01:16:50,229 --> 01:16:48,080

on the landing page of the website we

2095

01:16:51,669 --> 01:16:50,239

found a way to use the full images which

2096

01:16:53,750 --> 01:16:51,679

is great

2097

01:16:55,990 --> 01:16:53,760

i think we can make the boxes a bit

2098

01:16:57,830 --> 01:16:56,000

smaller and try to fit more on screen

2099

01:17:00,070 --> 01:16:57,840

but that's coming up

2100

01:17:02,709 --> 01:17:00,080

we built out a better account management

2101
01:17:05,350 --> 01:17:02,719
page and the new more integrated forum

2102
01:17:07,430 --> 01:17:05,360
feels like a solid improvement

2103
01:17:10,070 --> 01:17:07,440
i guess i would say that i could use a

2104
01:17:11,990 --> 01:17:10,080
few more forum moderators we just need a

2105
01:17:14,390 --> 01:17:12,000
small team of people that have some

2106
01:17:17,189 --> 01:17:14,400
experience doing this kind of thing

2107
01:17:19,590 --> 01:17:17,199
that want to primarily just help keep

2108
01:17:22,310 --> 01:17:19,600
threads and categories organized for the

2109
01:17:24,550 --> 01:17:22,320
sake of overall readability

2110
01:17:27,270 --> 01:17:24,560
and of course police the occasional use

2111
01:17:28,550 --> 01:17:27,280
of slurs and threats and inappropriate

2112
01:17:30,790 --> 01:17:28,560
stuff

2113
01:17:32,470 --> 01:17:30,800

and look i give a very long leash for

2114

01:17:34,630 --> 01:17:32,480

that kind of thing but of course some

2115

01:17:37,030 --> 01:17:34,640

people can't help themselves and i can't

2116

01:17:38,709 --> 01:17:37,040

be there to keep an eye on everyone

2117

01:17:40,390 --> 01:17:38,719

so if you have forum moderation

2118

01:17:42,550 --> 01:17:40,400

experience and you like doing that kind

2119

01:17:45,189 --> 01:17:42,560

of thing shoot me an email at the higher

2120

01:17:47,430 --> 01:17:45,199

side chats gmail.com and we can do a

2121

01:17:49,590 --> 01:17:47,440

free plus membership for helping me out

2122

01:17:51,110 --> 01:17:49,600

for as long as you want to do it

2123

01:17:52,950 --> 01:17:51,120

i'm not going to be able to respond to

2124

01:17:55,110 --> 01:17:52,960

every email i get on this i can tell you

2125

01:17:57,750 --> 01:17:55,120

that now so please

2126
01:17:59,830 --> 01:17:57,760
show me where you've done this before

2127
01:18:02,390 --> 01:17:59,840
be clear and concise and it'll help make

2128
01:18:03,430 --> 01:18:02,400
it easier for me and i appreciate you in

2129
01:18:06,630 --> 01:18:03,440
advance

2130
01:18:09,990 --> 01:18:06,640
as for meetups on the calendar well

2131
01:18:14,070 --> 01:18:10,000
today march 6th there is the la picnic

2132
01:18:16,149 --> 01:18:14,080
meetup at the la state historic park

2133
01:18:18,550 --> 01:18:16,159
i really wanted to make it to this one

2134
01:18:21,030 --> 01:18:18,560
but here i am trying to get a new show

2135
01:18:23,910 --> 01:18:21,040
up and i just don't see myself driving

2136
01:18:26,390 --> 01:18:23,920
up to la and back today i am sorry

2137
01:18:29,430 --> 01:18:26,400
but also today we have the

2138
01:18:30,870 --> 01:18:29,440

cabin boys brewery meetup in tulsa

2139

01:18:34,390 --> 01:18:30,880

oklahoma

2140

01:18:36,630 --> 01:18:34,400

and then next week march 11th there is

2141

01:18:39,910 --> 01:18:36,640

another new york city one happening at

2142

01:18:43,030 --> 01:18:39,920

cafe 28. check the calendar for details

2143

01:18:45,510 --> 01:18:43,040

and times and to rsvp so the organizer

2144

01:18:47,510 --> 01:18:45,520

knows how many people to expect

2145

01:18:50,390 --> 01:18:47,520

but those are the next three add your

2146

01:18:52,390 --> 01:18:50,400

own events if you want to meet other thc

2147

01:18:54,070 --> 01:18:52,400

fans in your area and build the local

2148

01:18:55,990 --> 01:18:54,080

relationships that we are going to need

2149

01:18:58,550 --> 01:18:56,000

for the next few years

2150

01:19:00,950 --> 01:18:58,560

tell your favorite podcast hosts to hop

2151

01:19:03,030 --> 01:19:00,960

over and make joint events

2152

01:19:05,590 --> 01:19:03,040

the more the merrier i say the only real

2153

01:19:08,310 --> 01:19:05,600

rule is that we are not promoting paid

2154

01:19:10,870 --> 01:19:08,320

events these are free hangouts but other

2155

01:19:12,669 --> 01:19:10,880

podcasts and their audiences are welcome

2156

01:19:14,950 --> 01:19:12,679

too

2157

01:19:17,830 --> 01:19:14,960

highersidemeetups.com to make it happen

2158

01:19:19,990 --> 01:19:17,840

and that's about it i really enjoyed jim

2159

01:19:21,910 --> 01:19:20,000

and hugh's work and it was a pleasure to

2160

01:19:23,990 --> 01:19:21,920

talk to them i hope you enjoyed it as

2161

01:19:25,910 --> 01:19:24,000

well the book is worth it if you're into

2162

01:19:26,709 --> 01:19:25,920

giants and geomancy and all the rest of

2163

01:19:34,229 --> 01:19:26,719

it

2164

01:19:41,910 --> 01:19:34,239

geomantic art erasers and magical

2165

01:19:50,070 --> 01:19:46,229

the truth has been hidden from me

2166

01:19:54,149 --> 01:19:50,080

didn't believe in myself

2167

01:20:00,390 --> 01:19:54,159

got lizard people on top of the world

2168

01:20:08,629 --> 01:20:04,070

believe it or not the truth is out there

2169

01:20:13,110 --> 01:20:08,639

for people who have the eyes to see

2170

01:20:16,070 --> 01:20:13,120

my favorite show makes me more aware

2171

01:20:18,550 --> 01:20:16,080

who could it be

2172

01:20:20,360 --> 01:20:18,560

[Music]

2173

01:20:21,360 --> 01:20:20,370

thc

2174

01:20:31,430 --> 01:20:21,370

[Applause]

2175

01:20:39,750 --> 01:20:35,830

just watch the tv and obey

2176
01:20:42,550 --> 01:20:39,760
take some more pills when you're blue

2177
01:20:43,910 --> 01:20:42,560
or we'll break you out of the spell that

2178
01:20:50,070 --> 01:20:43,920
you're in

2179
01:20:56,760 --> 01:20:53,669
believe it or not the truth is out there

2180
01:20:58,310 --> 01:20:56,770
for people who have the eyes to see

2181
01:21:02,790 --> 01:20:58,320
[Music]

2182
01:21:06,629 --> 01:21:02,800
my favorite show makes me more aware

2183
01:21:10,870 --> 01:21:06,639
who could it be

2184
01:21:16,070 --> 01:21:10,880
the higher side chat thc

2185
01:21:16,080 --> 01:21:20,070
thc

2186
01:21:20,080 --> 01:21:23,520
is here for you

2187
01:21:29,270 --> 01:21:25,189
[Music]

2188
01:21:37,669 --> 01:21:31,630

believe it or not

2189

01:21:54,550 --> 01:21:37,679

[Music]

2190

01:21:57,450 --> 01:21:54,560

my favorite show makes me more aware

2191

01:22:13,110 --> 01:22:08,629

[Music]

2192

01:22:16,950 --> 01:22:13,120

my favorite show makes me more aware

2193

01:22:20,540 --> 01:22:16,960

who could it be

2194

01:22:21,370 --> 01:22:20,550

the higher side chess thc

2195

01:22:33,430 --> 01:22:21,380

[Applause]

2196

01:22:36,229 --> 01:22:33,440

[Music]

2197

01:22:38,149 --> 01:22:36,239

and that is another show complete

2198

01:22:40,470 --> 01:22:38,159

remember as much as you enjoyed this

2199

01:22:42,229 --> 01:22:40,480

which is just the free first hour i hope

2200

01:22:44,149 --> 01:22:42,239

you'll become a plus member to hear the

2201

01:22:46,070 --> 01:22:44,159

full two hour interviews

2202

01:22:48,790 --> 01:22:46,080

you also can engage with other plus

2203

01:22:50,310 --> 01:22:48,800

members in the comments and the forums

2204

01:22:52,310 --> 01:22:50,320

and you'll find your answer to one of

2205

01:22:54,149 --> 01:22:52,320

the most common questions i get which is

2206

01:22:56,070 --> 01:22:54,159

where can i find those cover songs that

2207

01:22:58,709 --> 01:22:56,080

you use at the end of the show well they

2208

01:23:00,790 --> 01:22:58,719

are free downloads for plus members too

2209

01:23:02,709 --> 01:23:00,800

and without plus members i can't hire

2210

01:23:05,669 --> 01:23:02,719

the occasional musician to bring these

2211

01:23:07,510 --> 01:23:05,679

odd cover song ideas to fruition plus

2212

01:23:09,510 --> 01:23:07,520

members are how i'm able to do what i do

2213

01:23:10,950 --> 01:23:09,520

without ads and without the big machine

2214

01:23:13,189 --> 01:23:10,960

being on my back

2215

01:23:15,030 --> 01:23:13,199

we can fit so much more into a two-hour

2216

01:23:17,189 --> 01:23:15,040

interview and i do my best to make it

2217

01:23:19,750 --> 01:23:17,199

worth your time and money the

2218

01:23:21,990 --> 01:23:19,760

conversation only gets deeper weirder

2219

01:23:24,070 --> 01:23:22,000

and more controversial in that private

2220

01:23:24,950 --> 01:23:24,080

hour how could it not the way things are

2221

01:23:27,229 --> 01:23:24,960

going

2222

01:23:29,510 --> 01:23:27,239

but the best way to sign up is at the

2223

01:23:32,149 --> 01:23:29,520

highersidechats.com where new first-time

2224

01:23:34,629 --> 01:23:32,159

subscribers always get a free seven-day

2225

01:23:36,709 --> 01:23:34,639

trial because i'm just that confident

2226

01:23:38,950 --> 01:23:36,719

there's no pay pal on the website but if

2227

01:23:40,629 --> 01:23:38,960

you need to use paypal then sign up

2228

01:23:41,830 --> 01:23:40,639

through patreon and you get all the same

2229

01:23:43,910 --> 01:23:41,840

episodes

2230

01:23:45,590 --> 01:23:43,920

our website is a credit or debit system

2231

01:23:48,550 --> 01:23:45,600

but you can also scope out the other

2232

01:23:51,110 --> 01:23:48,560

options like a few various cryptos cash

2233

01:23:52,950 --> 01:23:51,120

or check mail to the po box and i'll

2234

01:23:54,790 --> 01:23:52,960

even barter with most people if you have

2235

01:23:57,430 --> 01:23:54,800

your own business and produce something

2236

01:23:59,430 --> 01:23:57,440

nice that my wife or kid or taste buds

2237

01:24:01,430 --> 01:23:59,440

might like but the architects of

2238

01:24:03,189 --> 01:24:01,440

consensus reality have made it clear

2239

01:24:05,590 --> 01:24:03,199

that these themes and topics aren't

2240

01:24:07,750 --> 01:24:05,600

really welcome on the main stage and so

2241

01:24:09,750 --> 01:24:07,760

this is how we secure a little counter

2242

01:24:11,990 --> 01:24:09,760

culture corner for ourselves and i hope

2243

01:24:13,590 --> 01:24:12,000

you'll join plus because that is the

2244

01:24:16,070 --> 01:24:13,600

only way it works

2245

01:24:18,470 --> 01:24:16,080

besides you can cancel anytime right on

2246

01:24:20,550 --> 01:24:18,480

your profile page the most common

2247

01:24:23,030 --> 01:24:20,560

concern i hear is people just being

2248

01:24:25,430 --> 01:24:23,040

unsure if thc plus will work with their

2249

01:24:28,229 --> 01:24:25,440

podcast app and the answer is probably

2250

01:24:30,310 --> 01:24:28,239

yes but if not we have several high

2251
01:24:32,390 --> 01:24:30,320
level app recommendations for whatever

2252
01:24:33,750 --> 01:24:32,400
phone you use and the website is made

2253
01:24:35,430 --> 01:24:33,760
for mobile too

2254
01:24:37,110 --> 01:24:35,440
we're trained to tip a waitress for

2255
01:24:38,950 --> 01:24:37,120
bringing us a sandwich but that tip

2256
01:24:41,510 --> 01:24:38,960
doesn't give you access to a second

2257
01:24:43,110 --> 01:24:41,520
sandwich really i'm not asking for any

2258
01:24:45,030 --> 01:24:43,120
more than that and i think i offer a

2259
01:24:47,350 --> 01:24:45,040
better service come get your second

2260
01:24:49,350 --> 01:24:47,360
serving of tasty conspiracy goodness in

2261
01:24:51,990 --> 01:24:49,360
exchange for that small token of your

2262
01:24:53,910 --> 01:24:52,000
appreciation beyond that let it also be

2263
01:24:56,310 --> 01:24:53,920

known that we have grown and survived as

2264

01:24:58,310 --> 01:24:56,320

long as we have by word of mouth

2265

01:25:00,470 --> 01:24:58,320

i don't care so much about social media

2266

01:25:02,390 --> 01:25:00,480

likes or follows but tell the right

2267

01:25:04,149 --> 01:25:02,400

people about the

2268

01:25:06,149 --> 01:25:04,159

and not just listeners but the high

2269

01:25:08,790 --> 01:25:06,159

level figures who are better suited to

2270

01:25:10,310 --> 01:25:08,800

sit down with me than most other hosts

2271

01:25:12,310 --> 01:25:10,320

and if you can help me with any of these

2272

01:25:14,390 --> 01:25:12,320

things i can work to bring you better

2273

01:25:15,270 --> 01:25:14,400

shows which is just a win-win for both

2274

01:25:17,110 --> 01:25:15,280

of us

2275

01:25:19,590 --> 01:25:17,120

informative entertaining and

2276

01:25:21,270 --> 01:25:19,600

action-packed it also never hurts to

2277

01:25:23,270 --> 01:25:21,280

thank a guest you liked if you have the

2278

01:25:24,709 --> 01:25:23,280

time either we want them to know people

2279

01:25:26,950 --> 01:25:24,719

are listening so they're willing to come

2280

01:25:29,189 --> 01:25:26,960

back down the road too thank you for
