1  
00:00:04,550 --> 00:00:01,829  
all right guys so i wanted to make a

2  
00:00:06,150 --> 00:00:04,560  
video to showcase the thc website

3  
00:00:08,870 --> 00:00:06,160  
because i invested in a lot of

4  
00:00:10,390 --> 00:00:08,880  
improvements last year and that's all

5  
00:00:12,629 --> 00:00:10,400  
pretty much complete

6  
00:00:15,110 --> 00:00:12,639  
so i wanted to show you around a little

7  
00:00:17,109 --> 00:00:15,120  
bit and now i have something

8  
00:00:18,070 --> 00:00:17,119  
i can use as a guide for new plus

9  
00:00:19,429 --> 00:00:18,080  
members

10  
00:00:21,109 --> 00:00:19,439  
and we'll do this on the phone because

11  
00:00:23,990 --> 00:00:21,119  
that's where most of us are listening to

12  
00:00:26,470 --> 00:00:24,000  
podcasts and it was designed to be as

13  
00:00:28,150 --> 00:00:26,480

mobile friendly as possible

14

00:00:29,589 --> 00:00:28,160  
and i'll start with the aspects that

15

00:00:30,630 --> 00:00:29,599  
both free and plus listeners should

16

00:00:32,150 --> 00:00:30,640  
appreciate

17

00:00:34,470 --> 00:00:32,160  
let's get into it

18

00:00:36,229 --> 00:00:34,480  
alright so you pull up the site

19

00:00:38,150 --> 00:00:36,239  
and right off the bat you see the

20

00:00:41,030 --> 00:00:38,160  
netflix style display i keep talking

21

00:00:43,750 --> 00:00:41,040  
about you got latest episodes you got a

22

00:00:45,910 --> 00:00:43,760  
whole bunch of categories that feature

23

00:00:46,950 --> 00:00:45,920  
the artwork and show you what we're

24

00:00:49,029 --> 00:00:46,960  
doing

25

00:00:49,990 --> 00:00:49,039  
and i tried to make them pretty diverse

26

00:00:52,389 --> 00:00:50,000

i'm gonna

27

00:00:54,549 --> 00:00:52,399

cycle them through and

28

00:00:56,630 --> 00:00:54,559

put different ones on the home screen

29

00:00:59,270 --> 00:00:56,640

from time to time but this kind of

30

00:01:01,270 --> 00:00:59,280

covers the spread in terms of conspiracy

31

00:01:03,110 --> 00:01:01,280

paranormal esoteric ancient

32

00:01:06,550 --> 00:01:03,120

civilizations

33

00:01:11,190 --> 00:01:08,070

of course we got the merch we got

34

00:01:13,190 --> 00:01:11,200

reviews easy links for you there and

35

00:01:15,670 --> 00:01:13,200

let's pop up here

36

00:01:17,749 --> 00:01:15,680

and go to the show archive so most

37

00:01:20,149 --> 00:01:17,759

websites they just

38

00:01:22,630 --> 00:01:20,159

have their podcast listed in a big

39

00:01:24,230 --> 00:01:22,640

chronological order list and we got that

40

00:01:26,070 --> 00:01:24,240

too if you want that

41

00:01:27,990 --> 00:01:26,080

and we had complaints that it was hard

42

00:01:30,230 --> 00:01:28,000

to go through every page so now you

43

00:01:32,069 --> 00:01:30,240

don't have to pagination right there

44

00:01:33,350 --> 00:01:32,079

click wherever you want choose any year

45

00:01:34,310 --> 00:01:33,360

you want

46

00:01:35,990 --> 00:01:34,320

and

47

00:01:38,390 --> 00:01:36,000

i think this is the same as the search

48

00:01:41,670 --> 00:01:38,400

page but let me just click search just

49

00:01:44,149 --> 00:01:41,680

to double check but a very robust search

50

00:01:46,870 --> 00:01:44,159

has been added by

51  
00:01:48,630 --> 00:01:46,880  
category look at all these categories i

52  
00:01:51,510 --> 00:01:48,640  
mean we've been around a while

53  
00:01:53,749 --> 00:01:51,520  
so i went and tagged every episode in

54  
00:01:56,709 --> 00:01:53,759  
the archive as to what it is about and

55  
00:01:59,749 --> 00:01:56,719  
we have this massive list you can just

56  
00:02:01,830 --> 00:01:59,759  
click any word here and be directed to

57  
00:02:03,910 --> 00:02:01,840  
shows what's a fun one

58  
00:02:05,590 --> 00:02:03,920  
let's find a fun one

59  
00:02:07,830 --> 00:02:05,600  
how about ether all right here are the

60  
00:02:10,150 --> 00:02:07,840  
ether

61  
00:02:12,869 --> 00:02:10,160  
all right so it's just a big list of all

62  
00:02:14,869 --> 00:02:12,879  
the shows that touch on that topic so

63  
00:02:16,790 --> 00:02:14,879

i've tried to make this very convenient

64

00:02:19,110 --> 00:02:16,800

for you we have so many shows in the

65

00:02:21,110 --> 00:02:19,120

archive i know it can be confusing i

66

00:02:23,350 --> 00:02:21,120

wanted to simplify

67

00:02:25,589 --> 00:02:23,360

all right and going back to the main

68

00:02:28,710 --> 00:02:25,599

page let's look at an actual episode

69

00:02:30,869 --> 00:02:28,720

let's go to the latest one i got here

70

00:02:32,229 --> 00:02:30,879

click on listen and here's the player

71

00:02:34,630 --> 00:02:32,239

you got play

72

00:02:35,990 --> 00:02:34,640

you got rewind 15 seconds fast forward

73

00:02:38,550 --> 00:02:36,000

30 seconds you want to get through that

74

00:02:42,309 --> 00:02:38,560

intro there you go you can adjust the

75

00:02:44,949 --> 00:02:42,319

speed make it slower make it faster

76

00:02:47,670 --> 00:02:44,959

and then also download i just click the

77

00:02:49,670 --> 00:02:47,680

download button opens this up you click

78

00:02:51,509 --> 00:02:49,680

the three dots and you download the show

79

00:02:53,430 --> 00:02:51,519

for offline listening

80

00:02:55,509 --> 00:02:53,440

then of course you have your show notes

81

00:02:58,390 --> 00:02:55,519

section and

82

00:02:59,830 --> 00:02:58,400

let's see we're not logged in so

83

00:03:01,910 --> 00:02:59,840

it'll look a little bit different but

84

00:03:03,670 --> 00:03:01,920

you can rate the episode and then the

85

00:03:05,190 --> 00:03:03,680

comments there

86

00:03:07,750 --> 00:03:05,200

you'll get to when you log in so you

87

00:03:09,190 --> 00:03:07,760

click the icon in the top right

88

00:03:10,309 --> 00:03:09,200

it's that easy

89

00:03:11,589 --> 00:03:10,319

login in

90

00:03:13,509 --> 00:03:11,599

the icon

91

00:03:14,710 --> 00:03:13,519

in the circle will change to whatever

92

00:03:17,110 --> 00:03:14,720

you choose

93

00:03:19,990 --> 00:03:17,120

i use the gravatar system so any

94

00:03:21,509 --> 00:03:20,000

wordpress website you can make a profile

95

00:03:23,670 --> 00:03:21,519

image and it'll be

96

00:03:24,949 --> 00:03:23,680

used across all wordpress websites that

97

00:03:26,229 --> 00:03:24,959

you might log into but there are the

98

00:03:29,030 --> 00:03:26,239

comments

99

00:03:31,030 --> 00:03:29,040

and it's a pretty robust and advanced

100

00:03:33,270 --> 00:03:31,040

commenting system i put a reminder right

101  
00:03:34,949 --> 00:03:33,280  
there that you can timestamp any moment

102  
00:03:37,830 --> 00:03:34,959  
in the show if you want to comment on a

103  
00:03:39,830 --> 00:03:37,840  
specific thing me or a guest said

104  
00:03:41,750 --> 00:03:39,840  
and

105  
00:03:45,430 --> 00:03:41,760  
this is the conversation that's

106  
00:03:47,350 --> 00:03:45,440  
happening already on the latest episode

107  
00:03:48,470 --> 00:03:47,360  
and you can upvote and down vote

108  
00:03:51,030 --> 00:03:48,480  
comments

109  
00:03:52,149 --> 00:03:51,040  
just as you would on reddit

110  
00:03:53,910 --> 00:03:52,159  
um

111  
00:03:56,710 --> 00:03:53,920  
someone's giving me props here let's uh

112  
00:04:00,710 --> 00:03:56,720  
give him a thumbs up and let's say

113  
00:04:03,830 --> 00:04:00,720

cheers rock city 420.

114

00:04:06,390 --> 00:04:03,840

so the conversation

115

00:04:07,830 --> 00:04:06,400

happens pretty quickly

116

00:04:09,910 --> 00:04:07,840

and it adds a little to the show and you

117

00:04:12,550 --> 00:04:09,920

can click on the hottest

118

00:04:14,630 --> 00:04:12,560

and it'll show you the most popular

119

00:04:15,910 --> 00:04:14,640

or you can do it in chronological order

120

00:04:17,749 --> 00:04:15,920

or look at the ones that are most

121

00:04:19,830 --> 00:04:17,759

replied to

122

00:04:22,390 --> 00:04:19,840

i tried to make it nice it's not just

123

00:04:24,950 --> 00:04:22,400

basic commenting

124

00:04:25,990 --> 00:04:24,960

so let's scroll back up here

125

00:04:29,430 --> 00:04:26,000

and

126

00:04:30,390 --> 00:04:29,440

let's go to just to show you for people

127

00:04:32,870 --> 00:04:30,400

who are

128

00:04:35,030 --> 00:04:32,880

getting this as new plus members account

129

00:04:36,870 --> 00:04:35,040

management you got your user profile you

130

00:04:38,790 --> 00:04:36,880

got your actual billing and how to

131

00:04:41,030 --> 00:04:38,800

cancel if you want to cancel

132

00:04:43,350 --> 00:04:41,040

you can get gift subscriptions there

133

00:04:45,270 --> 00:04:43,360

everything is under account management

134

00:04:49,030 --> 00:04:45,280

other ways to listen most people don't

135

00:04:50,629 --> 00:04:49,040

know about wthc but it is a 24 7

136

00:04:53,670 --> 00:04:50,639

no commercials

137

00:04:56,150 --> 00:04:53,680

stream that plays the latest five or so

138

00:04:58,070 --> 00:04:56,160

episodes so you could just pop this open

139

00:04:59,830 --> 00:04:58,080

at work press play and you will be

140

00:05:02,310 --> 00:04:59,840

thrust right into

141

00:05:05,990 --> 00:05:02,320

whatever's playing on basically a radio

142

00:05:07,749 --> 00:05:06,000

station dedicated to the

143

00:05:09,350 --> 00:05:07,759

and of course we got the shop you know

144

00:05:11,029 --> 00:05:09,360

if you've never looked at the merch

145

00:05:14,150 --> 00:05:11,039

there's a good amount of stuff there i

146

00:05:14,870 --> 00:05:14,160

don't plug the merch too much because

147

00:05:21,749 --> 00:05:14,880

the

148

00:05:23,670 --> 00:05:21,759

piece but that's all right

149

00:05:25,510 --> 00:05:23,680

we got the higher side meetups website

150

00:05:28,710 --> 00:05:25,520

if you want to make a meet up find other

151

00:05:28,720 --> 00:05:33,270

and what else do we got

152

00:05:37,430 --> 00:05:35,430

the communities for thc not a lot

153

00:05:39,270 --> 00:05:37,440

anymore the voicemail if you want to

154

00:05:41,749 --> 00:05:39,280

leave me a voicemail for the joint

155

00:05:43,029 --> 00:05:41,759

sessions you just scroll down hit that

156

00:05:47,510 --> 00:05:43,039

try to be in a good recording

157

00:05:52,390 --> 00:05:50,550

let's look at the bonus content page

158

00:05:53,830 --> 00:05:52,400

you become a plus member really to hear

159

00:05:56,550 --> 00:05:53,840

the second hour but you got all this

160

00:05:59,909 --> 00:05:56,560

extra stuff too here are all the songs

161

00:06:04,390 --> 00:06:02,550

a few plus only episodes i don't usually

162

00:06:05,909 --> 00:06:04,400

do that because i like the guests to get

163

00:06:08,469 --> 00:06:05,919

in front of everybody but there are a

164

00:06:10,469 --> 00:06:08,479

couple and then the armenia tour i did

165

00:06:12,469 --> 00:06:10,479

with graham hancock three parts there a

166

00:06:16,710 --> 00:06:12,479

couple of live shows the old joint

167

00:06:18,390 --> 00:06:16,720

sessions all on the thc bonus content

168

00:06:20,790 --> 00:06:18,400

page

169

00:06:22,790 --> 00:06:20,800

and then we have the forum the forum

170

00:06:25,029 --> 00:06:22,800

also a big investment

171

00:06:26,710 --> 00:06:25,039

i had a totally disconnected forum now

172

00:06:28,790 --> 00:06:26,720

we connected it

173

00:06:30,629 --> 00:06:28,800

and yeah you can basically talk about

174

00:06:32,469 --> 00:06:30,639

all kinds of stuff we have many

175

00:06:35,029 --> 00:06:32,479

different categories

176

00:06:37,990 --> 00:06:35,039

many different threads

177

00:06:39,430 --> 00:06:38,000

looks like we got a couple here hmm

178

00:06:41,350 --> 00:06:39,440

people's kind of talking i'm tempted to

179

00:06:43,510 --> 00:06:41,360

get into here looks like people are

180

00:06:45,749 --> 00:06:43,520

giving me a hard time

181

00:06:48,550 --> 00:06:45,759

about little specific

182

00:06:51,029 --> 00:06:48,560

nitpicks and that's okay you're allowed

183

00:06:52,070 --> 00:06:51,039

to do that it's uh pretty much free

184

00:06:53,830 --> 00:06:52,080

reign

185

00:06:56,070 --> 00:06:53,840

and of course also there's a direct

186

00:06:56,870 --> 00:06:56,080

messaging system you can see the pop-up

187

00:06:59,029 --> 00:06:56,880

there

188

00:07:00,710 --> 00:06:59,039

that i have a couple of messages

189

00:07:03,589 --> 00:07:00,720

i can't get distracted i'm in the middle

190

00:07:07,510 --> 00:07:03,599

of a demo video what am i doing all

191

00:07:09,270 --> 00:07:07,520

right but that is basically the forum

192

00:07:10,469 --> 00:07:09,280

of course at the bottom there get help

193

00:07:13,110 --> 00:07:10,479

is a

194

00:07:14,230 --> 00:07:13,120

support system that i also invested a

195

00:07:16,150 --> 00:07:14,240

lot in

196

00:07:17,990 --> 00:07:16,160

but really that's it you got these three

197

00:07:19,749 --> 00:07:18,000

buttons as well you know they pop up

198

00:07:21,270 --> 00:07:19,759

when you are signed in but here's how

199

00:07:24,550 --> 00:07:21,280

you put it on your desktop you click

200

00:07:27,029 --> 00:07:24,560

those three dots add to home screen

201  
00:07:28,790 --> 00:07:27,039  
i think any browser any phone can do

202  
00:07:32,070 --> 00:07:28,800  
this but those three little dots in the

203  
00:07:34,150 --> 00:07:32,080  
browser add the site to the home screen

204  
00:07:38,629 --> 00:07:34,160  
and then it usually shows it making it

205  
00:07:44,230 --> 00:07:41,909  
yes i want an icon

206  
00:07:46,390 --> 00:07:44,240  
and oh there it is all right so it looks

207  
00:07:48,629 --> 00:07:46,400  
just like an app you click it you open

208  
00:07:50,070 --> 00:07:48,639  
it and that's all you have to do and you

209  
00:07:52,790 --> 00:07:50,080  
could be

210  
00:07:56,070 --> 00:07:52,800  
enjoying all aspects of the thc

211  
00:07:57,990 --> 00:07:56,080  
ecosystem as a plus member or

212  
00:07:59,909 --> 00:07:58,000  
as just a regular listener the shows

213  
00:08:01,510 --> 00:07:59,919

will change automatically to the plus

214

00:08:02,790 --> 00:08:01,520

shows when you're logged in you can tell

215

00:08:04,309 --> 00:08:02,800

by the length

216

00:08:05,990 --> 00:08:04,319

but that's the tour

217

00:08:07,990 --> 00:08:06,000

i tried to make it nice for you and if

218

00:08:09,749 --> 00:08:08,000

you make a habit out of using the thc

219

00:08:11,510 --> 00:08:09,759

website we don't have to worry about any

220

00:08:13,350 --> 00:08:11,520

third-party platforms getting in the

221

00:08:15,189 --> 00:08:13,360

middle of what we're doing here so

222

00:08:16,790 --> 00:08:15,199

thanks for checking it out hope you

223

00:08:20,150 --> 00:08:16,800

enjoyed it hope you appreciate the

224

00:08:22,309 --> 00:08:20,160

investments we made in the website and

225

00:08:24,230 --> 00:08:22,319

the infrastructure to deliver the show
