1
00:00:06,389 --> 00:00:02,629

[Music]

2
00:00:09,350 --> 00:00:06,399

these days so many podcast hosts just

3
00:00:11,669 --> 00:00:09,360

riff through unprepared segments until

4
00:00:14,629 --> 00:00:11,679

they get to the next ad break for pills

5
00:00:16,870 --> 00:00:14,639

they know nothing about cheap razors and

6
00:00:19,269 --> 00:00:16,880

whatever else they can get a buck from

7
00:00:20,390 --> 00:00:19,279

but the higher side chats does it

8
00:00:23,349 --> 00:00:20,400

differently

9
00:00:25,990 --> 00:00:23,359

we succeed or fail on the quality of the

10
00:00:28,950 --> 00:00:26,000

content and your desire to hear more of

11
00:00:30,390 --> 00:00:28,960

it so you're about to hear another free

12
00:00:32,630 --> 00:00:30,400

first hour episode

13
00:00:34,709 --> 00:00:32,640

that's here to prove that two hour shows

14

00:00:37,670 --> 00:00:34,719

are worth subscribing for

15

00:00:38,790 --> 00:00:37,680

five shows a month for just eight

16

00:00:41,430 --> 00:00:38,800

dollars

17

00:00:44,709 --> 00:00:41,440

members get a mobile friendly website a

18

00:00:47,750 --> 00:00:44,719

decade of archives a dedicated rss feed

19

00:00:50,069 --> 00:00:47,760

for the best podcast apps and a lot

20

00:00:51,270 --> 00:00:50,079

deeper discussion that a single hour can

21

00:00:54,150 --> 00:00:51,280

allow for

22

00:00:57,670 --> 00:00:54,160

sponsor free with more for the

23

00:00:58,830 --> 00:00:57,680

get a free 7-day trial of thc plus at

24

00:01:00,470 --> 00:00:58,840

the

25

00:01:01,620 --> 00:01:00,480

highersidechats.com

26

00:01:08,550 --> 00:01:01,630

enjoy

27

00:01:13,109 --> 00:01:11,190

in the 1930s president franklin delano

28

00:01:15,670 --> 00:01:13,119

roosevelt addressed the nation through a

29

00:01:18,789 --> 00:01:15,680

series of radio broadcasts known as the

30

00:01:20,550 --> 00:01:18,799

fireside chats his aim was to reassure

31

00:01:22,710 --> 00:01:20,560

the common man that our society would

32

00:01:25,190 --> 00:01:22,720

recover from its troubled times well

33

00:01:27,830 --> 00:01:25,200

we're far from 1930 and i deal with a

34

00:01:30,390 --> 00:01:27,840

different kind of fire for a new era of

35

00:01:34,230 --> 00:01:30,400

worldly frustration we offer a fresh

36

00:01:37,270 --> 00:01:34,240

conversation i'm greg carlwood and these

37

00:01:39,590 --> 00:01:37,280

are the higher side chats

38

00:01:41,670 --> 00:01:39,600

what a world people from sunny san diego

39

00:01:43,429 --> 00:01:41,680

i'm greg carlwood and the dial has been

40

00:01:45,109 --> 00:01:43,439

turned up to 11 the screws are

41

00:01:47,510 --> 00:01:45,119

tightening and the pot of water is

42

00:01:49,350 --> 00:01:47,520

starting to boil if a person doesn't see

43

00:01:51,270 --> 00:01:49,360

the signs of the times now then they're

44

00:01:53,109 --> 00:01:51,280

probably destined to take their climate

45

00:01:55,670 --> 00:01:53,119

change throttled electric car to their

46

00:01:57,590 --> 00:01:55,680

metaverse cubicle job eat a satisfying

47

00:01:59,670 --> 00:01:57,600

bowl of bugs and an all-too-short lunch

48

00:02:02,149 --> 00:01:59,680

break scan their social credit

49

00:02:03,990 --> 00:02:02,159

controlled id at the lab-made meat shop

50

00:02:05,910 --> 00:02:04,000

paid for with their allotted central

51
00:02:07,990 --> 00:02:05,920
bank digital currency and then make it

52
00:02:10,150 --> 00:02:08,000
home just in time to get a few hours of

53
00:02:12,630 --> 00:02:10,160
shut-eye in their emf irradiated smart

54
00:02:13,830 --> 00:02:12,640
pod before it starts all over again

55
00:02:15,589 --> 00:02:13,840
tomorrow

56
00:02:17,750 --> 00:02:15,599
this is the disturbing wet dream of the

57
00:02:19,830 --> 00:02:17,760
parasite class and if we want something

58
00:02:22,309 --> 00:02:19,840
different it's time to get serious about

59
00:02:24,309 --> 00:02:22,319
engaging with real solutions and not

60
00:02:25,990 --> 00:02:24,319
just distracting ourselves with new lord

61
00:02:28,790 --> 00:02:26,000
of the rings and game of thrones shows

62
00:02:30,630 --> 00:02:28,800
while hoping it somehow brushes by us

63
00:02:32,630 --> 00:02:30,640

well there are few people out there

64

00:02:34,869 --> 00:02:32,640

developing and supporting as wide a

65

00:02:37,030 --> 00:02:34,879

range of solution oriented projects as

66

00:02:39,350 --> 00:02:37,040

my main man derek bro

67

00:02:41,190 --> 00:02:39,360

he's updating and expanding his holistic

68

00:02:43,190 --> 00:02:41,200

self-assessment putting together really

69

00:02:45,509 --> 00:02:43,200

effective educational material with the

70

00:02:47,509 --> 00:02:45,519

pyramid of power series giving

71

00:02:49,670 --> 00:02:47,519

inspirational speeches all over this

72

00:02:52,390 --> 00:02:49,680

island earth organizing the annual

73

00:02:53,910 --> 00:02:52,400

greater reset conference continuing to

74

00:02:56,150 --> 00:02:53,920

build the freedom cells network and in

75

00:02:58,070 --> 00:02:56,160

the very near future providing the model

76

00:03:00,070 --> 00:02:58,080

for a free and sustainable community

77

00:03:01,910 --> 00:03:00,080

with the conscious agora

78

00:03:03,630 --> 00:03:01,920

you can find out about all this and more

79

00:03:05,190 --> 00:03:03,640

at his main hub the

80

00:03:06,710 --> 00:03:05,200

theconsciousresistance.com and it is a

81

00:03:09,670 --> 00:03:06,720

real pleasure to have him back for a

82

00:03:11,589 --> 00:03:09,680

third time the man focused on proactive

83

00:03:13,509 --> 00:03:11,599

solutions to a growing cascade of

84

00:03:15,350 --> 00:03:13,519

problems he's beautiful he's powerful

85

00:03:17,190 --> 00:03:15,360

and he's free derrick bros welcome back

86

00:03:19,670 --> 00:03:17,200

to the higher side man

87

00:03:22,309 --> 00:03:19,680

hey thank you brother that was epic epic

88

00:03:25,270 --> 00:03:22,319

and true all around appreciate it

89

00:03:27,350 --> 00:03:25,280

you got it man i am always so impressed

90

00:03:29,509 --> 00:03:27,360

with how much you're doing you really

91

00:03:31,670 --> 00:03:29,519

are a shining example of what's needed

92

00:03:34,229 --> 00:03:31,680

if we want to build a better world and

93

00:03:35,750 --> 00:03:34,239

just how much of a positive impact one

94

00:03:37,990 --> 00:03:35,760

person can make

95

00:03:40,470 --> 00:03:38,000

and kind of along those lines of turning

96

00:03:42,390 --> 00:03:40,480

a negative into a positive having you

97

00:03:44,710 --> 00:03:42,400

back was bound to happen anyway but the

98

00:03:47,190 --> 00:03:44,720

catalyst was a weird twitter meltdown

99

00:03:48,949 --> 00:03:47,200

from allison mcdowell whose research i

100

00:03:50,789 --> 00:03:48,959

have a lot of respect for she's always

101
00:03:53,270 --> 00:03:50,799
seemed like a nice person to me up until

102
00:03:55,429 --> 00:03:53,280
that point but she just unloaded on me

103
00:03:58,149 --> 00:03:55,439
for accepting crypto as payment for the

104
00:04:00,550 --> 00:03:58,159
extended show but the reality is that if

105
00:04:02,630 --> 00:04:00,560
you're using platforms like twitter or

106
00:04:04,550 --> 00:04:02,640
using the banking system in the dollar

107
00:04:06,070 --> 00:04:04,560
maybe you just shouldn't throw stones

108
00:04:08,229 --> 00:04:06,080
because nobody is perfect and none of

109
00:04:09,990 --> 00:04:08,239
these tools are perfect but apparently

110
00:04:11,670 --> 00:04:10,000
the two of you had a similar clash i

111
00:04:13,750 --> 00:04:11,680
understand

112
00:04:15,830 --> 00:04:13,760
yeah man that's well for one i'll say

113
00:04:18,229 --> 00:04:15,840

it's unfortunate to see someone such as

114

00:04:20,229 --> 00:04:18,239

yourself who i think is just all around

115

00:04:21,670 --> 00:04:20,239

a genuinely good person who is just you

116

00:04:23,430 --> 00:04:21,680

know doing great work and bringing that

117

00:04:25,430 --> 00:04:23,440

to the people

118

00:04:27,670 --> 00:04:25,440

but it's not surprising you know i i did

119

00:04:29,749 --> 00:04:27,680

have my own over the last two years kind

120

00:04:31,749 --> 00:04:29,759

of back and forth with allison and not

121

00:04:33,590 --> 00:04:31,759

even because it was something i wanted

122

00:04:36,230 --> 00:04:33,600

it was sort of similar to your situation

123

00:04:38,469 --> 00:04:36,240

in the sense of it more like happened to

124

00:04:40,710 --> 00:04:38,479

you than you know you actively being

125

00:04:43,030 --> 00:04:40,720

involved and it started because of

126

00:04:45,430 --> 00:04:43,040

similar things with as you said i do

127

00:04:47,830 --> 00:04:45,440

respect a lot of allison's work and i

128

00:04:49,350 --> 00:04:47,840

appreciate much of it to the point that

129

00:04:51,110 --> 00:04:49,360

she was going to originally be involved

130

00:04:52,950 --> 00:04:51,120

in the pyramid of power documentary

131

00:04:55,510 --> 00:04:52,960

series we had agreed to that

132

00:04:57,510 --> 00:04:55,520

we had a mutual appreciation respect for

133

00:04:59,670 --> 00:04:57,520

native activist john trudeau and had

134

00:05:01,430 --> 00:04:59,680

communicated about that and then one day

135

00:05:03,110 --> 00:05:01,440

i get a message from somebody saying

136

00:05:04,950 --> 00:05:03,120

alison's saying this thing or that thing

137

00:05:06,390 --> 00:05:04,960

about you and i you know went to twitter

138

00:05:08,710 --> 00:05:06,400

and went to facebook and realized that

139

00:05:10,310 --> 00:05:08,720

myself and john the creators the

140

00:05:13,510 --> 00:05:10,320

founders of the freedom cell network

141

00:05:15,590 --> 00:05:13,520

were both blocked while she began to

142

00:05:17,430 --> 00:05:15,600

just basically libel us and and claim

143

00:05:19,909 --> 00:05:17,440

things that are not true about

144

00:05:21,590 --> 00:05:19,919

just trying to i think draw for whatever

145

00:05:23,670 --> 00:05:21,600

reason i don't claim to know but trying

146

00:05:25,430 --> 00:05:23,680

to create doubt in people's minds about

147

00:05:27,270 --> 00:05:25,440

our intentions or who we are or what the

148

00:05:29,189 --> 00:05:27,280

freedom cell network's about which to my

149

00:05:30,710 --> 00:05:29,199

mind is like wow okay we're out here

150

00:05:32,710 --> 00:05:30,720

creating and promoting solutions

151
00:05:34,310 --> 00:05:32,720
actively helping bring people together

152
00:05:36,870 --> 00:05:34,320
and someone else who's out there doing

153
00:05:39,029 --> 00:05:36,880
good research as well is choosing to use

154
00:05:40,950 --> 00:05:39,039
the platform they have to attack us so

155
00:05:43,510 --> 00:05:40,960
it just seemed like a whole waste of

156
00:05:45,510 --> 00:05:43,520
time and it was around of course

157
00:05:46,950 --> 00:05:45,520
blockchain crypto related stuff you know

158
00:05:49,590 --> 00:05:46,960
i've done plenty of investigations and

159
00:05:51,110 --> 00:05:49,600
reports on the dangers of both

160
00:05:52,230 --> 00:05:51,120
blockchain and

161
00:05:54,550 --> 00:05:52,240
obviously central bank digital

162
00:05:55,990 --> 00:05:54,560
currencies and things like that but also

163
00:05:58,870 --> 00:05:56,000

like yourself you know i take and

164

00:06:01,029 --> 00:05:58,880

receive crypto payments you know for me

165

00:06:02,150 --> 00:06:01,039

it's allowed me to operate without a

166

00:06:04,309 --> 00:06:02,160

bank like you mentioned the banking

167

00:06:07,510 --> 00:06:04,319

system i haven't used a bank since 2008

168

00:06:09,510 --> 00:06:07,520

and a big part of that from 2012 on has

169

00:06:10,950 --> 00:06:09,520

been crypto being able to receive crypto

170

00:06:12,790 --> 00:06:10,960

for my journalism and

171

00:06:15,350 --> 00:06:12,800

either hold on to it and potentially

172

00:06:16,950 --> 00:06:15,360

gain value with it or you know sell it

173

00:06:18,790 --> 00:06:16,960

to get fiat to pay rent or whatever i

174

00:06:20,710 --> 00:06:18,800

need to do so that's allowed me to

175

00:06:23,029 --> 00:06:20,720

transact value with people receive

176

00:06:25,110 --> 00:06:23,039

support whenever places like paypal

177

00:06:27,350 --> 00:06:25,120

patreon or the banks you know want to

178

00:06:28,790 --> 00:06:27,360

try to limit our ability so i can kind

179

00:06:29,909 --> 00:06:28,800

of look at it objectively and see like

180

00:06:31,189 --> 00:06:29,919

yeah there's some really worrisome

181

00:06:33,270 --> 00:06:31,199

things here there's some things i don't

182

00:06:34,469 --> 00:06:33,280

agree with but there's also lots of

183

00:06:36,309 --> 00:06:34,479

benefits and

184

00:06:37,909 --> 00:06:36,319

allison and her

185

00:06:40,950 --> 00:06:37,919

crowd of folks seem to be incapable of

186

00:06:43,350 --> 00:06:40,960

doing that and myself and the greater

187

00:06:45,430 --> 00:06:43,360

reset we extended a invitation to her

188

00:06:47,189 --> 00:06:45,440

even and said come share your

189

00:06:48,629 --> 00:06:47,199

concerns that's not a debate but a

190

00:06:49,830 --> 00:06:48,639

discussion let's hear what you have to

191

00:06:51,670 --> 00:06:49,840

say about these things and we'll also

192

00:06:54,070 --> 00:06:51,680

have speakers talking about the benefits

193

00:06:55,430 --> 00:06:54,080

of those or the potential benefits she

194

00:06:57,189 --> 00:06:55,440

declined she didn't want to be involved

195

00:06:59,749 --> 00:06:57,199

and instead has like chosen to spend the

196

00:07:01,430 --> 00:06:59,759

last year attacking myself and as she

197

00:07:03,510 --> 00:07:01,440

has done with other people so you know

198

00:07:05,270 --> 00:07:03,520

there's much more i think bigger issues

199

00:07:07,270 --> 00:07:05,280

at hand but it's just unfortunate to see

200

00:07:08,390 --> 00:07:07,280

somebody who is doing good work out

201
00:07:10,230 --> 00:07:08,400
there

202
00:07:12,070 --> 00:07:10,240
kind of i think shooting themselves in

203
00:07:13,830 --> 00:07:12,080
the foot by attacking people and not

204
00:07:15,830 --> 00:07:13,840
really even attacking from a point of

205
00:07:17,430 --> 00:07:15,840
like here's evidence of somebody being a

206
00:07:19,510 --> 00:07:17,440
bad person like you said more just sort

207
00:07:20,950 --> 00:07:19,520
of making judgments about

208
00:07:22,870 --> 00:07:20,960
the way people live their lives you know

209
00:07:24,309 --> 00:07:22,880
i don't use a bank account i could be

210
00:07:25,670 --> 00:07:24,319
that way and be like oh you're all full

211
00:07:27,110 --> 00:07:25,680
of it this and that why are you using

212
00:07:28,469 --> 00:07:27,120
this and that but i don't think it's

213
00:07:31,110 --> 00:07:28,479

productive you know i think that's not

214

00:07:32,790 --> 00:07:31,120

really a way to try to be an example or

215

00:07:34,550 --> 00:07:32,800

to model

216

00:07:36,150 --> 00:07:34,560

better behavior by just attacking other

217

00:07:38,070 --> 00:07:36,160

people especially as you like when you

218

00:07:40,230 --> 00:07:38,080

mentioned when you're still using the

219

00:07:41,830 --> 00:07:40,240

banks or youtube or twitter or whatever

220

00:07:45,189 --> 00:07:41,840

but then you're like oh attack everybody

221

00:07:46,629 --> 00:07:45,199

who uses a blockchain platform

222

00:07:49,430 --> 00:07:46,639

i'm right there with you we're totally

223

00:07:52,070 --> 00:07:49,440

on the same page in terms of crypto and

224

00:07:53,909 --> 00:07:52,080

just it's as mundane a tool as a hammer

225

00:07:56,150 --> 00:07:53,919

you can build someone a house or bash

226

00:07:59,270 --> 00:07:56,160

their head in and yeah it's just another

227

00:08:02,629 --> 00:07:59,280

tool and of course crypto and blockchain

228

00:08:05,589 --> 00:08:02,639

technology is a part of the technocratic

229

00:08:07,950 --> 00:08:05,599

dystopia but so is the internet itself

230

00:08:10,469 --> 00:08:07,960

and if i didn't get into bitcoin back in

231

00:08:12,550 --> 00:08:10,479

2014 when i was really struggling as a

232

00:08:14,710 --> 00:08:12,560

gamestop store manager i probably

233

00:08:17,029 --> 00:08:14,720

wouldn't have had the cushion i needed

234

00:08:19,670 --> 00:08:17,039

to make the leap to get out of that job

235

00:08:23,029 --> 00:08:19,680

and do this full time that was like a a

236

00:08:25,350 --> 00:08:23,039

plan b safety net that existed and it's

237

00:08:27,990 --> 00:08:25,360

just it's been amazing for me and you

238

00:08:30,790 --> 00:08:28,000

know there are so many decentralized and

239

00:08:32,389 --> 00:08:30,800

privacy based crypto projects out there

240

00:08:34,550 --> 00:08:32,399

that to say they're all bad is as

241

00:08:36,790 --> 00:08:34,560

simple-minded as saying all websites are

242

00:08:38,070 --> 00:08:36,800

bad yeah and i just think it's sad to

243

00:08:39,990 --> 00:08:38,080

see a person who does really good

244

00:08:41,990 --> 00:08:40,000

research behave like that you got to

245

00:08:44,230 --> 00:08:42,000

treat people with respect and don't be

246

00:08:46,550 --> 00:08:44,240

judgmental of others who are trying to

247

00:08:49,430 --> 00:08:46,560

do good things just because they don't

248

00:08:51,829 --> 00:08:49,440

do them exactly to your standard is such

249

00:08:53,750 --> 00:08:51,839

a basic principle that someone with

250

00:08:55,269 --> 00:08:53,760

twice as much time on the planet to work

251

00:08:56,870 --> 00:08:55,279

on themselves as us

252

00:08:58,870 --> 00:08:56,880

should know better but these are

253

00:09:01,670 --> 00:08:58,880

stressful times man and i'm seeing folks

254

00:09:03,269 --> 00:09:01,680

lash out in all sorts of unbecoming ways

255

00:09:06,070 --> 00:09:03,279

even just

256

00:09:08,470 --> 00:09:06,080

reddit pages of public freakouts and

257

00:09:10,790 --> 00:09:08,480

fast food establishments and walmart i

258

00:09:12,550 --> 00:09:10,800

mean people are acting quite erratic

259

00:09:14,710 --> 00:09:12,560

because they are under a ton of stress

260

00:09:16,470 --> 00:09:14,720

and a ton of mind control

261

00:09:18,389 --> 00:09:16,480

yeah absolutely i think they're right

262

00:09:20,630 --> 00:09:18,399

there's plenty of reason to be

263

00:09:21,990 --> 00:09:20,640

compassionate and empathetic towards

264

00:09:23,190 --> 00:09:22,000

everybody at the moment we're all

265

00:09:25,509 --> 00:09:23,200

dealing with some really intense

266

00:09:26,949 --> 00:09:25,519

situations which i think is why these

267

00:09:27,829 --> 00:09:26,959

kind of conversations are important i

268

00:09:31,110 --> 00:09:27,839

know we're going to cover a lot of

269

00:09:33,110 --> 00:09:31,120

ground today and solutions are just

270

00:09:34,710 --> 00:09:33,120

more essential than ever

271

00:09:37,030 --> 00:09:34,720

absolutely and i definitely want to move

272

00:09:38,630 --> 00:09:37,040

on from the negative but i'm glad we

273

00:09:40,389 --> 00:09:38,640

could do this again regardless of what

274

00:09:42,870 --> 00:09:40,399

crazy circumstance brought us back

275

00:09:44,790 --> 00:09:42,880

together and what i'm most excited about

276

00:09:47,670 --> 00:09:44,800

is what you're calling the conscious

277

00:09:49,829 --> 00:09:47,680

agora a real freedom-based sustainable

278

00:09:51,430 --> 00:09:49,839

community in mexico i believe with big

279

00:09:53,750 --> 00:09:51,440

plans down the line to create a

280

00:09:55,670 --> 00:09:53,760

cross-border community it's really

281

00:09:58,230 --> 00:09:55,680

impressive and really ambitious but

282

00:09:59,829 --> 00:09:58,240

what's going on with this project

283

00:10:01,910 --> 00:09:59,839

yeah man i appreciate the opportunity to

284

00:10:04,470 --> 00:10:01,920

talk about that actually i just got back

285

00:10:06,870 --> 00:10:04,480

from spending the night at the

286

00:10:07,990 --> 00:10:06,880

land that we are hoping to do this

287

00:10:10,310 --> 00:10:08,000

project on

288

00:10:11,269 --> 00:10:10,320

so i moved to mexico i'm originally from

289

00:10:13,750 --> 00:10:11,279

houston

290

00:10:15,430 --> 00:10:13,760

texas and i moved to mexico

291

00:10:18,069 --> 00:10:15,440

right at the start of all the coveted

292

00:10:20,230 --> 00:10:18,079

insanity march 2020 like you know i knew

293

00:10:21,590 --> 00:10:20,240

what was coming and whenever the

294

00:10:23,670 --> 00:10:21,600

government starts talking about

295

00:10:25,430 --> 00:10:23,680

restricting interstate travel that's

296

00:10:28,310 --> 00:10:25,440

always been a sort of red line for me

297

00:10:30,389 --> 00:10:28,320

you know i think it's important in our

298

00:10:32,230 --> 00:10:30,399

line of thinking or work however you

299

00:10:33,509 --> 00:10:32,240

want to think about it to have a red

300

00:10:35,110 --> 00:10:33,519

line for yourself like things that

301

00:10:36,710 --> 00:10:35,120

you're just not willing to accept you

302

00:10:38,710 --> 00:10:36,720

know because the way this incrementalism

303

00:10:40,790 --> 00:10:38,720

works it sort of wears you down and you

304

00:10:42,389 --> 00:10:40,800

get used to things that maybe you would

305

00:10:43,509 --> 00:10:42,399

have never accepted in the past because

306

00:10:45,110 --> 00:10:43,519

you just kind of gradually get

307

00:10:46,630 --> 00:10:45,120

comfortable with it so that i think it's

308

00:10:48,069 --> 00:10:46,640

important to have those red lines to

309

00:10:49,430 --> 00:10:48,079

reflect so that you can be like wait

310

00:10:51,430 --> 00:10:49,440

here it is here's that thing i said i

311

00:10:53,750 --> 00:10:51,440

would never accept that this would be

312

00:10:54,790 --> 00:10:53,760

you know red line for me and then you

313

00:10:56,710 --> 00:10:54,800

know act

314

00:10:59,990 --> 00:10:56,720

appropriately whatever that may mean for

315

00:11:01,350 --> 00:11:00,000

me in march 2020 when we had me and my

316

00:11:03,509 --> 00:11:01,360

partner miriam had just got back to the

317

00:11:05,670 --> 00:11:03,519

u.s after visiting mexico literally

318

00:11:07,750 --> 00:11:05,680

within days we're starting here all the

319

00:11:09,670 --> 00:11:07,760

panic about covid the grocery stores are

320

00:11:11,590 --> 00:11:09,680

starting to empty out of toilet paper

321

00:11:13,910 --> 00:11:11,600

and all that and then they start talking

322

00:11:15,430 --> 00:11:13,920

about checking license plates leaving i

323

00:11:16,710 --> 00:11:15,440

think it was new york headed to rhode

324

00:11:18,710 --> 00:11:16,720

island it was one of those places when

325

00:11:20,790 --> 00:11:18,720

they were saying new york was a hot spot

326

00:11:22,389 --> 00:11:20,800

and i was just like nope nope this is it

327

00:11:24,949 --> 00:11:22,399

this is too much for me like we gotta go

328

00:11:25,829 --> 00:11:24,959

we gotta go and so we literally packed

329

00:11:28,630 --> 00:11:25,839

up

330

00:11:30,630 --> 00:11:28,640

not everything but our first kind of

331

00:11:32,550 --> 00:11:30,640

car load of gear and then headed down to

332

00:11:34,550 --> 00:11:32,560

the border and my partner she's got

333

00:11:36,310 --> 00:11:34,560

family in mexico so our original plan

334

00:11:37,590 --> 00:11:36,320

was just like all right let's just get

335

00:11:39,269 --> 00:11:37,600

out of the u.s for a minute let's go

336

00:11:40,310 --> 00:11:39,279

back and visit your grandpa

337

00:11:42,630 --> 00:11:40,320

and

338

00:11:43,829 --> 00:11:42,640

take some time to watch this from a

339

00:11:45,990 --> 00:11:43,839

distance because i just didn't feel good

340

00:11:47,910 --> 00:11:46,000

about watching it within the us being

341

00:11:49,590 --> 00:11:47,920

there actively and then

342

00:11:50,949 --> 00:11:49,600

literally i think a day or two after we

343

00:11:52,550 --> 00:11:50,959

crossed the u.s government claimed the

344

00:11:55,829 --> 00:11:52,560

border was closed they never closed it

345

00:11:57,910 --> 00:11:55,839

but they actively stated that

346

00:11:59,509 --> 00:11:57,920

anyways we end up coming to morelia

347

00:12:01,590 --> 00:11:59,519

mexico which is in the state of

348

00:12:04,150 --> 00:12:01,600

michoacan which is like central mexico a

349

00:12:06,470 --> 00:12:04,160

couple hours west of mexico city not far

350

00:12:07,990 --> 00:12:06,480

from the beach not far from coast and up

351
00:12:09,269 --> 00:12:08,000
in the mountains beautiful weather all

352
00:12:11,030 --> 00:12:09,279
the time

353
00:12:12,790 --> 00:12:11,040
and i'd never been here didn't know

354
00:12:14,470 --> 00:12:12,800
anything about this area but different

355
00:12:16,710 --> 00:12:14,480
synchronicity different events brought

356
00:12:19,110 --> 00:12:16,720
us here and have kept us here including

357
00:12:20,870 --> 00:12:19,120
meeting real estate agents meeting other

358
00:12:22,550 --> 00:12:20,880
good people and

359
00:12:24,710 --> 00:12:22,560
the freedom cell movement has grown in

360
00:12:26,870 --> 00:12:24,720
mexico the last two years you know once

361
00:12:29,190 --> 00:12:26,880
we came we started the first mexico

362
00:12:31,350 --> 00:12:29,200
freedom cell and then so many people

363
00:12:34,069 --> 00:12:31,360

were flooding out in mexico from canada

364

00:12:35,829 --> 00:12:34,079

the u.s europe because mexico never

365

00:12:38,150 --> 00:12:35,839

enforced any sort of

366

00:12:39,430 --> 00:12:38,160

vaccine requirement or testing or

367

00:12:41,430 --> 00:12:39,440

quarantine requirement it was one of the

368

00:12:43,269 --> 00:12:41,440

few places over the last two years that

369

00:12:44,310 --> 00:12:43,279

never did that so there was a flood of

370

00:12:45,750 --> 00:12:44,320

all these people and all these different

371

00:12:47,910 --> 00:12:45,760

freedom cells start popping up people

372

00:12:49,829 --> 00:12:47,920

start looking for land and that was sort

373

00:12:51,590 --> 00:12:49,839

of the journey we were on miriam and i

374

00:12:53,509 --> 00:12:51,600

knew we wanted to build i've had plans

375

00:12:56,230 --> 00:12:53,519

for this conscious agora vision since

376

00:12:57,829 --> 00:12:56,240

2017 my third book that is part of the

377

00:12:59,750 --> 00:12:57,839

conscious resistance trilogy called

378

00:13:01,190 --> 00:12:59,760

manifesto of the free humans is the

379

00:13:03,190 --> 00:13:01,200

first place i wrote about this when i

380

00:13:05,590 --> 00:13:03,200

was intending to do this in texas

381

00:13:06,389 --> 00:13:05,600

originally but as time progressed i have

382

00:13:09,190 --> 00:13:06,399

just

383

00:13:11,269 --> 00:13:09,200

developed less of a optimistic viewpoint

384

00:13:13,110 --> 00:13:11,279

on the future of the us you know not

385

00:13:14,470 --> 00:13:13,120

giving up so to speak as some like to

386

00:13:16,069 --> 00:13:14,480

think about it you know a lot of my work

387

00:13:18,069 --> 00:13:16,079

is still focused on the us but i just

388

00:13:19,750 --> 00:13:18,079

i'm not as optimistic in places like

389

00:13:22,949 --> 00:13:19,760

mexico and other places in latin and

390

00:13:24,710 --> 00:13:22,959

central america are quote-unquote behind

391

00:13:26,230 --> 00:13:24,720

in terms of technology in a lot of ways

392

00:13:29,190 --> 00:13:26,240

and there are benefits to that

393

00:13:30,389 --> 00:13:29,200

especially for my preferred lifestyle so

394

00:13:32,470 --> 00:13:30,399

we knew we were going to build this

395

00:13:33,430 --> 00:13:32,480

community and we had already decided at

396

00:13:35,110 --> 00:13:33,440

some point we were going to do it in

397

00:13:37,590 --> 00:13:35,120

mexico

398

00:13:39,030 --> 00:13:37,600

covid was just like okay why wait five

399

00:13:40,389 --> 00:13:39,040

more years let's just do it let's do it

400

00:13:43,189 --> 00:13:40,399

now let's go to mexico let's start

401
00:13:45,110 --> 00:13:43,199
looking for land and also in 2020 we

402
00:13:47,350 --> 00:13:45,120
were going to be doing a permaculture

403
00:13:49,430 --> 00:13:47,360
design certification

404
00:13:51,030 --> 00:13:49,440
course in costa rica cove had missed

405
00:13:53,269 --> 00:13:51,040
that up so it ended up being a six month

406
00:13:53,990 --> 00:13:53,279
online course but we did get certified

407
00:13:55,990 --> 00:13:54,000
to

408
00:13:57,990 --> 00:13:56,000
basically you know teach and do

409
00:13:59,590 --> 00:13:58,000
permaculture and learned a whole bunch

410
00:14:01,670 --> 00:13:59,600
and continue to learn these skills and

411
00:14:03,350 --> 00:14:01,680
so the idea was let's come to mexico

412
00:14:04,870 --> 00:14:03,360
let's start looking for land so we've

413
00:14:06,150 --> 00:14:04,880

been living in morelia now for the last

414

00:14:07,829 --> 00:14:06,160

two years that's where we held the

415

00:14:10,790 --> 00:14:07,839

greater reset this year in january and

416

00:14:12,550 --> 00:14:10,800

where it'll be at again in january 23.

417

00:14:14,470 --> 00:14:12,560

and we've just been living here in a

418

00:14:17,189 --> 00:14:14,480

house while exploring different parts of

419

00:14:18,629 --> 00:14:17,199

mexico and like i said i did go visit

420

00:14:20,470 --> 00:14:18,639

this property the other day we've been

421

00:14:22,069 --> 00:14:20,480

looking at this property for

422

00:14:24,389 --> 00:14:22,079

almost the two years that we've been

423

00:14:25,750 --> 00:14:24,399

here but we've been taking our time and

424

00:14:27,110 --> 00:14:25,760

developing a community you know there's

425

00:14:28,629 --> 00:14:27,120

so many people

426

00:14:29,829 --> 00:14:28,639

you see that meme that goes around every

427

00:14:31,670 --> 00:14:29,839

now and then man i'm sure you've seen it

428

00:14:33,590 --> 00:14:31,680

it's like the meme of like

429

00:14:35,350 --> 00:14:33,600

tag all your friends who want to go live

430

00:14:36,389 --> 00:14:35,360

in the off bridge community out in the

431

00:14:37,990 --> 00:14:36,399

country or you know there's like

432

00:14:40,069 --> 00:14:38,000

versions of this meme and it's clearly a

433

00:14:41,670 --> 00:14:40,079

popular idea that's within us people

434

00:14:43,590 --> 00:14:41,680

want to you know go out and live and

435

00:14:45,350 --> 00:14:43,600

live in the countryside like i think

436

00:14:47,910 --> 00:14:45,360

everybody can res no a lot of people can

437

00:14:49,509 --> 00:14:47,920

resonate with in different ways but

438

00:14:51,350 --> 00:14:49,519

there's a lot more than just like hey

439

00:14:52,790 --> 00:14:51,360

i'm gonna go get land or let me just get

440

00:14:54,710 --> 00:14:52,800

all my best friends and let's go start a

441

00:14:55,750 --> 00:14:54,720

community because

442

00:14:57,509 --> 00:14:55,760

for one

443

00:15:00,230 --> 00:14:57,519

just because we might get along and

444

00:15:01,910 --> 00:15:00,240

listen to the same podcast or go to the

445

00:15:03,350 --> 00:15:01,920

same conferences or festivals or

446

00:15:05,910 --> 00:15:03,360

whatever things can bring people

447

00:15:07,110 --> 00:15:05,920

together in these varying movements that

448

00:15:08,550 --> 00:15:07,120

doesn't necessarily mean you'd want to

449

00:15:10,150 --> 00:15:08,560

live with somebody or live on the same

450

00:15:12,150 --> 00:15:10,160

piece of land or even be their neighbor

451
00:15:14,389 --> 00:15:12,160
right there's a lot of we might be

452
00:15:16,790 --> 00:15:14,399
united by bodily autonomy or

453
00:15:18,310 --> 00:15:16,800
self-ownership or even just the

454
00:15:19,670 --> 00:15:18,320
curiosity about all the crazy things in

455
00:15:21,990 --> 00:15:19,680
the world but that doesn't mean that we

456
00:15:23,430 --> 00:15:22,000
necessarily have the same guiding values

457
00:15:25,590 --> 00:15:23,440
and you know

458
00:15:26,629 --> 00:15:25,600
version of what our community would look

459
00:15:28,470 --> 00:15:26,639
like so

460
00:15:30,790 --> 00:15:28,480
we've spent the last two years taking

461
00:15:32,389 --> 00:15:30,800
that time myself and miriam initially in

462
00:15:33,829 --> 00:15:32,399
september 2020 i put the call out

463
00:15:35,030 --> 00:15:33,839

through my channels and was like hey i'm

464

00:15:36,870 --> 00:15:35,040

going to build a community in mexico

465

00:15:38,550 --> 00:15:36,880

this is the vision from my book if

466

00:15:40,949 --> 00:15:38,560

you're interested reach out and we had

467

00:15:42,389 --> 00:15:40,959

about 400 people reach out and then we

468

00:15:43,990 --> 00:15:42,399

put together like a questionnaire to

469

00:15:46,150 --> 00:15:44,000

help us get to know everybody better and

470

00:15:47,749 --> 00:15:46,160

kind of elaborate on the plan and then

471

00:15:49,910 --> 00:15:47,759

we sent that out to all the people who

472

00:15:52,389 --> 00:15:49,920

initially responded and we got about 2

473

00:15:53,670 --> 00:15:52,399

300 responses and we narrowed that we

474

00:15:55,189 --> 00:15:53,680

put that all in a spreadsheet and

475

00:15:56,470 --> 00:15:55,199

basically went through all that info and

476

00:15:57,990 --> 00:15:56,480

like looked at

477

00:16:00,150 --> 00:15:58,000

what are the visions of the people here

478

00:16:02,710 --> 00:16:00,160

like do they have a similar vision to us

479

00:16:04,069 --> 00:16:02,720

do they have skills to contribute and or

480

00:16:05,430 --> 00:16:04,079

financial resources it wasn't

481

00:16:06,629 --> 00:16:05,440

necessarily like hey you have to have x

482

00:16:08,389 --> 00:16:06,639

amount of dollars we didn't really

483

00:16:10,870 --> 00:16:08,399

approach it that way it was like

484

00:16:12,949 --> 00:16:10,880

do you get the vision mostly do you have

485

00:16:14,069 --> 00:16:12,959

you know some financial resources and or

486

00:16:15,269 --> 00:16:14,079

do you have

487

00:16:16,790 --> 00:16:15,279

you know skills or something to

488

00:16:18,069 --> 00:16:16,800

contribute that's really going to help

489

00:16:19,590 --> 00:16:18,079

the community

490

00:16:22,069 --> 00:16:19,600

and we narrowed that down to 50 people

491

00:16:24,069 --> 00:16:22,079

and so starting september 2020 we've

492

00:16:26,310 --> 00:16:24,079

started having these bi-weekly online

493

00:16:28,230 --> 00:16:26,320

calls and they've kind of progressed and

494

00:16:31,110 --> 00:16:28,240

just over the last two almost two years

495

00:16:33,269 --> 00:16:31,120

now it's naturally gone down to now

496

00:16:35,189 --> 00:16:33,279

five households that we're working on

497

00:16:36,790 --> 00:16:35,199

this project with and so i mean we've

498

00:16:38,069 --> 00:16:36,800

learned so much and i'm going to be

499

00:16:40,389 --> 00:16:38,079

putting together in the future like a

500

00:16:42,310 --> 00:16:40,399

course on like a webinar some kind of

501
00:16:43,829 --> 00:16:42,320
thing about just sharing all the things

502
00:16:45,350 --> 00:16:43,839
i've learned you know some of the things

503
00:16:46,870 --> 00:16:45,360
is like there's good books out there

504
00:16:48,069 --> 00:16:46,880
that talk about communities but a lot of

505
00:16:49,749 --> 00:16:48,079
it is you just have to do it you know

506
00:16:51,829 --> 00:16:49,759
just like anything you have to make

507
00:16:53,189 --> 00:16:51,839
mistakes and experience and i've seen

508
00:16:54,629 --> 00:16:53,199
people coming out to mexico and making

509
00:16:56,790 --> 00:16:54,639
mistakes people are running away from

510
00:16:58,310 --> 00:16:56,800
tyranny and canada and germany and

511
00:16:59,829 --> 00:16:58,320
elsewhere and they come here and these

512
00:17:01,829 --> 00:16:59,839
people might be

513
00:17:03,110 --> 00:17:01,839

pretty well you know financially off and

514

00:17:04,789 --> 00:17:03,120

maybe they just emptied their bank

515

00:17:06,390 --> 00:17:04,799

account and they're coming here like in

516

00:17:08,309 --> 00:17:06,400

a hurry in a panic like i need to find a

517

00:17:09,990 --> 00:17:08,319

community and unfortunately you know

518

00:17:11,829 --> 00:17:10,000

these tough times bring out scammers

519

00:17:13,110 --> 00:17:11,839

just like any other tough time so

520

00:17:14,710 --> 00:17:13,120

there's scammy people who've come to

521

00:17:15,909 --> 00:17:14,720

mexico claiming that they're going to

522

00:17:17,750 --> 00:17:15,919

build a community and they're happy to

523

00:17:19,270 --> 00:17:17,760

take your money and that doesn't turn

524

00:17:20,710 --> 00:17:19,280

out well and there's other people who as

525

00:17:22,470 --> 00:17:20,720

i mentioned they maybe they met at the

526

00:17:24,230 --> 00:17:22,480

greater reset or they they met at a

527

00:17:25,669 --> 00:17:24,240

freedom cell meetup and so they just

528

00:17:26,870 --> 00:17:25,679

decide like hey let's get land together

529

00:17:28,390 --> 00:17:26,880

and they don't even know each other for

530

00:17:30,950 --> 00:17:28,400

more than a week or a couple of months

531

00:17:33,430 --> 00:17:30,960

and then you know inevitably things go

532

00:17:35,029 --> 00:17:33,440

wrong and then they're having to

533

00:17:37,350 --> 00:17:35,039

deal with lawyers and all kinds of fun

534

00:17:39,909 --> 00:17:37,360

stuff so we've learned so much and it's

535

00:17:41,909 --> 00:17:39,919

been a process but the idea is

536

00:17:43,750 --> 00:17:41,919

essentially to bring together

537

00:17:45,990 --> 00:17:43,760

probably seven to eight households which

538

00:17:47,990 --> 00:17:46,000

is essentially a freedom cell living

539

00:17:50,150 --> 00:17:48,000

together on the property like creating a

540

00:17:51,590 --> 00:17:50,160

village everybody has their own acreage

541

00:17:52,950 --> 00:17:51,600

their own home you know it's not going

542

00:17:55,110 --> 00:17:52,960

to be like a sort of

543

00:17:56,230 --> 00:17:55,120

co-living or anything like that you know

544

00:17:57,190 --> 00:17:56,240

because we're trying to balance in our

545

00:17:58,630 --> 00:17:57,200

community we have these strong

546

00:18:00,310 --> 00:17:58,640

individuals who want their own space

547

00:18:01,909 --> 00:18:00,320

their own privacy but also want the

548

00:18:03,590 --> 00:18:01,919

benefits of community and being together

549

00:18:04,390 --> 00:18:03,600

and that's an interesting mix sometimes

550

00:18:05,750 --> 00:18:04,400

but

551
00:18:07,110 --> 00:18:05,760
our foundational principles are

552
00:18:08,150 --> 00:18:07,120
self-ownership the non-aggression

553
00:18:10,150 --> 00:18:08,160
principle

554
00:18:11,430 --> 00:18:10,160
using permaculture as the guide to how

555
00:18:13,830 --> 00:18:11,440
we grow our food how we build our

556
00:18:16,390 --> 00:18:13,840
buildings natural building off-grid and

557
00:18:18,710 --> 00:18:16,400
then the third foundational principle is

558
00:18:20,390 --> 00:18:18,720
mindfulness which is broadly speaking

559
00:18:21,669 --> 00:18:20,400
you know people wanting to work with

560
00:18:23,990 --> 00:18:21,679
other people

561
00:18:25,350 --> 00:18:24,000
who are it's not like okay everybody has

562
00:18:26,870 --> 00:18:25,360
to meditate every day everybody has to

563
00:18:28,710 --> 00:18:26,880

pray once a week or anything necessarily

564

00:18:31,110 --> 00:18:28,720

like that it's just more like wanting to

565

00:18:32,470 --> 00:18:31,120

work with people who are not static

566

00:18:34,150 --> 00:18:32,480

individuals who think they're done

567

00:18:36,310 --> 00:18:34,160

growing and learning as people you know

568

00:18:37,990 --> 00:18:36,320

people who want to keep experimenting

569

00:18:39,909 --> 00:18:38,000

and trying to be the best versions of

570

00:18:41,830 --> 00:18:39,919

ourselves and just having that

571

00:18:43,110 --> 00:18:41,840

interest and cultivating that and then

572

00:18:44,630 --> 00:18:43,120

there's some other kind of principles

573

00:18:46,150 --> 00:18:44,640

we've expanded on but that's kind of the

574

00:18:49,110 --> 00:18:46,160

foundation of it self-ownership

575

00:18:50,710 --> 00:18:49,120

non-aggression principle permaculture

576

00:18:52,630 --> 00:18:50,720

and then those mindfulness kind of

577

00:18:54,390 --> 00:18:52,640

conscious solutions and that

578

00:18:56,470 --> 00:18:54,400

is what i call the conscious agora and

579

00:18:58,230 --> 00:18:56,480

yeah we're we're at the point now where

580

00:18:59,909 --> 00:18:58,240

we've got our group and we've got our

581

00:19:02,549 --> 00:18:59,919

money pulled together we're actually

582

00:19:05,110 --> 00:19:02,559

just now starting to kind of softly

583

00:19:06,470 --> 00:19:05,120

quietly seek some investors to help us

584

00:19:08,310 --> 00:19:06,480

close the deal on this beautiful

585

00:19:11,110 --> 00:19:08,320

property that we found that's got banana

586

00:19:13,270 --> 00:19:11,120

trees and avocado trees and guayaba and

587

00:19:15,190 --> 00:19:13,280

apple and lime and

588

00:19:16,310 --> 00:19:15,200

wild raspberry and just i mean it's

589

00:19:18,630 --> 00:19:16,320

amazing

590

00:19:20,390 --> 00:19:18,640

and yeah and the cool thing to see is

591

00:19:21,990 --> 00:19:20,400

that we're one of

592

00:19:24,230 --> 00:19:22,000

probably

593

00:19:26,150 --> 00:19:24,240

eight to 12 or more that i know of at

594

00:19:28,230 --> 00:19:26,160

the moment projects that are either

595

00:19:30,150 --> 00:19:28,240

already started or are at the beginning

596

00:19:31,669 --> 00:19:30,160

stages that have popped up in mexico

597

00:19:33,590 --> 00:19:31,679

just in the last two years and and some

598

00:19:35,350 --> 00:19:33,600

of these are like foreigners expats who

599

00:19:36,870 --> 00:19:35,360

came from elsewhere and came here but

600

00:19:38,789 --> 00:19:36,880

also we've got to meet a lot of mexicans

601
00:19:40,870 --> 00:19:38,799
who are increasingly paying attention to

602
00:19:42,070 --> 00:19:40,880
these things and who have land and are

603
00:19:44,470 --> 00:19:42,080
trying to build community or doing

604
00:19:45,669 --> 00:19:44,480
permaculture doing off-grid living

605
00:19:47,669 --> 00:19:45,679
there's something special happening in

606
00:19:50,310 --> 00:19:47,679
mexico right now and you know what we're

607
00:19:51,590 --> 00:19:50,320
trying to do i hope will eventually be a

608
00:19:53,510 --> 00:19:51,600
like the conscious agora i kind of

609
00:19:54,950 --> 00:19:53,520
envisioned that as being like a network

610
00:19:57,110 --> 00:19:54,960
in the long term you know a network of

611
00:19:58,150 --> 00:19:57,120
communities that will be different in

612
00:20:03,350 --> 00:19:58,160
the

613
00:20:04,870 --> 00:20:03,360

located but you could still know all

614

00:20:07,110 --> 00:20:04,880

these communities are united by these

615

00:20:08,470 --> 00:20:07,120

basic principles the self-ownership etc

616

00:20:09,750 --> 00:20:08,480

you know and it's just kind of this

617

00:20:11,510 --> 00:20:09,760

common bond

618

00:20:13,590 --> 00:20:11,520

that can bring people together and and

619

00:20:15,029 --> 00:20:13,600

can create be a part of a larger network

620

00:20:16,870 --> 00:20:15,039

of communities that is just popping up

621

00:20:18,070 --> 00:20:16,880

right now and i really think that

622

00:20:19,270 --> 00:20:18,080

you know this is something i wrote about

623

00:20:21,110 --> 00:20:19,280

in my book how to opt out of the

624

00:20:22,549 --> 00:20:21,120

technocratic state the what we call the

625

00:20:24,070 --> 00:20:22,559

exit and build strategy and i really

626

00:20:25,590 --> 00:20:24,080

think this is what's most important for

627

00:20:26,870 --> 00:20:25,600

people right now that the cities are not

628

00:20:28,390 --> 00:20:26,880

going to be safe you know i'm a city boy

629

00:20:31,430 --> 00:20:28,400

i grew up in the city i love this city

630

00:20:32,950 --> 00:20:31,440

even morelia is like 600 000 people

631

00:20:34,549 --> 00:20:32,960

that's really big for a lot of people

632

00:20:36,789 --> 00:20:34,559

for me it's small because houston's 4

633

00:20:38,789 --> 00:20:36,799

million you know i get like the

634

00:20:41,270 --> 00:20:38,799

attraction on one hand of the city and

635

00:20:44,230 --> 00:20:41,280

all the benefits but i also know that

636

00:20:45,590 --> 00:20:44,240

it's not safe long term and i think that

637

00:20:46,870 --> 00:20:45,600

people need to be thinking more of those

638

00:20:48,630 --> 00:20:46,880

terms whether you're going to come to

639

00:20:51,430 --> 00:20:48,640

mexico or do it wherever you're at the

640

00:20:53,669 --> 00:20:51,440

point is you know think about can you

641

00:20:56,149 --> 00:20:53,679

really continue to provide and sustain

642

00:20:58,230 --> 00:20:56,159

the lifestyle you might want by staying

643

00:20:59,270 --> 00:20:58,240

in the city or maybe even the suburbs i

644

00:21:00,870 --> 00:20:59,280

don't know if they're going to be safe

645

00:21:04,310 --> 00:21:00,880

positions long term

646

00:21:06,549 --> 00:21:04,320

mm-hmm i totally agree and it sounds

647

00:21:08,630 --> 00:21:06,559

like such a beautiful vision i know

648

00:21:10,230 --> 00:21:08,640

there are many people out there who want

649

00:21:12,230 --> 00:21:10,240

someone else to build it so that they

650

00:21:14,230 --> 00:21:12,240

can just integrate into it i guess it's

651
00:21:16,950 --> 00:21:14,240
the way our minds work maybe when people

652
00:21:19,190 --> 00:21:16,960
see the template more people will feel

653
00:21:20,789 --> 00:21:19,200
comfortable taking the plunge and just

654
00:21:22,950 --> 00:21:20,799
using that template

655
00:21:24,950 --> 00:21:22,960
i watch a lot of homestead youtube

656
00:21:26,149 --> 00:21:24,960
channels and just daydream about the

657
00:21:28,630 --> 00:21:26,159
lifestyle

658
00:21:31,110 --> 00:21:28,640
but yeah if you just commit to it then

659
00:21:33,510 --> 00:21:31,120
you can slowly make yourself more

660
00:21:35,430 --> 00:21:33,520
comfortable by refining it over time so

661
00:21:37,190 --> 00:21:35,440
many of these channels i watch you go to

662
00:21:39,190 --> 00:21:37,200
the beginning and they're like i just

663
00:21:41,909 --> 00:21:39,200

bought the land and this shack and i'm

664

00:21:44,230 --> 00:21:41,919

just gonna figure it out and then later

665

00:21:46,870 --> 00:21:44,240

on down the road it's like oh i i made

666

00:21:48,390 --> 00:21:46,880

this better and i tweaked this and now

667

00:21:50,070 --> 00:21:48,400

we have hot water

668

00:21:52,070 --> 00:21:50,080

all these things like you really can

669

00:21:54,390 --> 00:21:52,080

just tweak it as you go especially if

670

00:21:56,230 --> 00:21:54,400

this is what you have to do

671

00:21:57,430 --> 00:21:56,240

uh if you've gotten out of the rat race

672

00:21:59,270 --> 00:21:57,440

and now you're just committed to an

673

00:22:02,070 --> 00:21:59,280

off-the-grid sustainable lifestyle you

674

00:22:04,310 --> 00:22:02,080

have more time to tinker and tweak

675

00:22:06,950 --> 00:22:04,320

things and it's a process and there's so

676
00:22:09,430 --> 00:22:06,960
many youtube channels and courses out

677
00:22:11,669 --> 00:22:09,440
there to get good ideas from it's easier

678
00:22:13,270 --> 00:22:11,679
than it's ever been maybe not ever our

679
00:22:15,590 --> 00:22:13,280
grandparents and great-grandparents it

680
00:22:19,270 --> 00:22:15,600
was just the way of life but we suckled

681
00:22:20,710 --> 00:22:19,280
on that industrial teat and we lost this

682
00:22:22,630 --> 00:22:20,720
stuff through our education system and

683
00:22:24,070 --> 00:22:22,640
we're trying to get it back and there

684
00:22:27,029 --> 00:22:24,080
are things you can look at for

685
00:22:29,110 --> 00:22:27,039
educational materials and a helping hand

686
00:22:31,510 --> 00:22:29,120
and i heard you say that you were

687
00:22:34,070 --> 00:22:31,520
planning on putting out a digital map of

688
00:22:36,149 --> 00:22:34,080

the places that expats can go or the

689

00:22:37,990 --> 00:22:36,159

places where sustainable communities are

690

00:22:39,510 --> 00:22:38,000

being developed how's that going could

691

00:22:42,149 --> 00:22:39,520

you mention a few of these places in

692

00:22:44,230 --> 00:22:42,159

mexico or even central america that

693

00:22:46,470 --> 00:22:44,240

people should consider if they want to

694

00:22:48,070 --> 00:22:46,480

exit and build and just don't even know

695

00:22:49,990 --> 00:22:48,080

where to look maybe we can help them

696

00:22:52,230 --> 00:22:50,000

jump start at least the research part of

697

00:22:54,630 --> 00:22:52,240

the process

698

00:22:55,909 --> 00:22:54,640

yeah man there's so many that have been

699

00:22:57,990 --> 00:22:55,919

popping up as i was mentioning a moment

700

00:23:00,310 --> 00:22:58,000

ago i'm actually so as far as the map

701
00:23:01,510 --> 00:23:00,320
goes i've actually probably will be done

702
00:23:03,270 --> 00:23:01,520
with that

703
00:23:05,350 --> 00:23:03,280
as soon as you know this week that we're

704
00:23:06,789 --> 00:23:05,360
recording this conversation and

705
00:23:08,390 --> 00:23:06,799
if it's done by time you release this

706
00:23:11,110 --> 00:23:08,400
i'll definitely send you the link the

707
00:23:12,710 --> 00:23:11,120
idea with that is i'm using open source

708
00:23:14,310 --> 00:23:12,720
mapping software

709
00:23:15,990 --> 00:23:14,320
which is you know available to everybody

710
00:23:18,630 --> 00:23:16,000
and we're just creating

711
00:23:20,070 --> 00:23:18,640
a digital kind of living map that people

712
00:23:22,230 --> 00:23:20,080
can go to this it's just going to be

713
00:23:24,070 --> 00:23:22,240

called mexico freedom communities and so

714

00:23:26,390 --> 00:23:24,080

you can go there and you'll see you know

715

00:23:28,470 --> 00:23:26,400

a little dot on the map you can click it

716

00:23:29,990 --> 00:23:28,480

and it'll give you some details about

717

00:23:31,750 --> 00:23:30,000

basically we're just taking their

718

00:23:33,190 --> 00:23:31,760

description of the community and then a

719

00:23:34,870 --> 00:23:33,200

link to it and then showing you the

720

00:23:36,390 --> 00:23:34,880

general location because you know one

721

00:23:38,310 --> 00:23:36,400

thing about this as well is a lot of

722

00:23:40,070 --> 00:23:38,320

people are also pretty you know trying

723

00:23:41,909 --> 00:23:40,080

it's like trying to grow movements while

724

00:23:43,510 --> 00:23:41,919

also people being very concerned about

725

00:23:45,510 --> 00:23:43,520

privacy and not just giving away

726

00:23:47,830 --> 00:23:45,520

locations on the internet in the same

727

00:23:49,669 --> 00:23:47,840

sense that like we don't publicize where

728

00:23:51,269 --> 00:23:49,679

the land is we're trying to build this

729

00:23:53,510 --> 00:23:51,279

on and maybe in the future that will

730

00:23:55,029 --> 00:23:53,520

change because we do plan to host as a

731

00:23:56,710 --> 00:23:55,039

lot of these communities do plan to host

732

00:23:57,990 --> 00:23:56,720

like permaculture workshops like i want

733

00:23:59,750 --> 00:23:58,000

our land specifically to be an

734

00:24:01,269 --> 00:23:59,760

educational center that not just where

735

00:24:03,269 --> 00:24:01,279

we have our little residential village

736

00:24:04,630 --> 00:24:03,279

but where we can host people we can

737

00:24:06,870 --> 00:24:04,640

bring people there to learn natural

738

00:24:08,549 --> 00:24:06,880

building to learn you know meditation

739

00:24:10,310 --> 00:24:08,559

and spiritual techniques to come learn

740

00:24:12,310 --> 00:24:10,320

from the wide network of people that

741

00:24:14,149 --> 00:24:12,320

i've got to be affiliated with and so

742

00:24:16,390 --> 00:24:14,159

i'm excited to where that's going to go

743

00:24:17,750 --> 00:24:16,400

but the map will basically take

744

00:24:18,549 --> 00:24:17,760

all the communities that we've got to

745

00:24:20,070 --> 00:24:18,559

meet

746

00:24:22,710 --> 00:24:20,080

because i don't think i mentioned this

747

00:24:24,630 --> 00:24:22,720

but in 2021 i did a tour of the us the

748

00:24:26,549 --> 00:24:24,640

activation tour inspired by the greater

749

00:24:29,190 --> 00:24:26,559

reset activation and then we did a 17

750

00:24:31,269 --> 00:24:29,200

city mexico tour just back in

751
00:24:32,870 --> 00:24:31,279
march and april and so we got to meet so

752
00:24:34,310 --> 00:24:32,880
many people across the country and as i

753
00:24:35,909 --> 00:24:34,320
said a lot of freedom cells popping up

754
00:24:37,430 --> 00:24:35,919
and organizing to different communities

755
00:24:39,029 --> 00:24:37,440
people buying land

756
00:24:40,870 --> 00:24:39,039
and there's a lot of really exciting

757
00:24:42,950 --> 00:24:40,880
projects some of them are still at the

758
00:24:44,070 --> 00:24:42,960
point where it's an idea you know people

759
00:24:46,070 --> 00:24:44,080
have found

760
00:24:47,830 --> 00:24:46,080
land that they would like to build on

761
00:24:50,390 --> 00:24:47,840
and they're trying to find the right

762
00:24:52,870 --> 00:24:50,400
people you know others have already got

763
00:24:54,230 --> 00:24:52,880

the land they've already owned it

764

00:24:56,230 --> 00:24:54,240

they're in the process of building

765

00:24:57,909 --> 00:24:56,240

they're looking for people to

766

00:24:59,269 --> 00:24:57,919

sign on and move in as soon as possible

767

00:25:01,669 --> 00:24:59,279

and start building like some communities

768

00:25:03,029 --> 00:25:01,679

are really at that point and

769

00:25:04,390 --> 00:25:03,039

i can say from

770

00:25:06,950 --> 00:25:04,400

just off the top my head the ones that

771

00:25:08,870 --> 00:25:06,960

are coming to mind you know there's

772

00:25:11,590 --> 00:25:08,880

at least two that we know in the yucatan

773

00:25:14,149 --> 00:25:11,600

which like playa del carmen

774

00:25:15,590 --> 00:25:14,159

tulum area not in there but out a little

775

00:25:17,510 --> 00:25:15,600

bit outside of those cities in the

776
00:25:19,830 --> 00:25:17,520
yucatan and on the other side of yucatan

777
00:25:22,149 --> 00:25:19,840
in marita there's a

778
00:25:24,789 --> 00:25:22,159
community out there that we know of so

779
00:25:27,830 --> 00:25:24,799
that's kind of like more jungle tropical

780
00:25:29,029 --> 00:25:27,840
definitely more warm out there and then

781
00:25:30,789 --> 00:25:29,039
there's some

782
00:25:31,750 --> 00:25:30,799
not far from where we're at where i live

783
00:25:33,350 --> 00:25:31,760
out here in the mountains there's a

784
00:25:34,710 --> 00:25:33,360
couple other communities out here so

785
00:25:36,470 --> 00:25:34,720
again totally different climate i mean

786
00:25:37,990 --> 00:25:36,480
that's what i love about mexico is you

787
00:25:39,750 --> 00:25:38,000
don't really have the four seasons like

788
00:25:43,110 --> 00:25:39,760

you might expect in the u.s and

789

00:25:44,789 --> 00:25:43,120

elsewhere you kind of have dry and rainy

790

00:25:46,549 --> 00:25:44,799

but there also are all these sub

791

00:25:48,630 --> 00:25:46,559

climates and you know you got tropical

792

00:25:50,390 --> 00:25:48,640

and subtropical and in forest and then

793

00:25:52,149 --> 00:25:50,400

beach and coast and mountain and there

794

00:25:53,830 --> 00:25:52,159

really is so much beauty to it and then

795

00:25:55,510 --> 00:25:53,840

yeah there's some other communities that

796

00:25:57,029 --> 00:25:55,520

we know of that are on the other coast

797

00:25:59,110 --> 00:25:57,039

headed towards

798

00:26:01,510 --> 00:25:59,120

baja california and kind of on that

799

00:26:02,950 --> 00:26:01,520

coast puerto vallarta area

800

00:26:04,470 --> 00:26:02,960

and then i'm sure once we put this out

801
00:26:06,230 --> 00:26:04,480
there that we'll probably get more

802
00:26:08,070 --> 00:26:06,240
communities and people who reach out to

803
00:26:09,590 --> 00:26:08,080
us and say hey i heard you're doing this

804
00:26:10,950 --> 00:26:09,600
and i mean i literally just learned

805
00:26:12,230 --> 00:26:10,960
about two new communities in the last

806
00:26:14,950 --> 00:26:12,240
couple of days

807
00:26:16,230 --> 00:26:14,960
so what i'm trying to do is at least get

808
00:26:18,310 --> 00:26:16,240
to know the people in the communities a

809
00:26:19,750 --> 00:26:18,320
little bit talk to them because you know

810
00:26:21,669 --> 00:26:19,760
things like this already exist you know

811
00:26:23,909 --> 00:26:21,679
for example you could go to ic.org

812
00:26:25,750 --> 00:26:23,919
that's intentional communities website

813
00:26:27,510 --> 00:26:25,760

and you could search mexico or central

814

00:26:29,269 --> 00:26:27,520

america and you'll find lists of

815

00:26:30,789 --> 00:26:29,279

communities right but one of the things

816

00:26:32,390 --> 00:26:30,799

that we saw in the last two years that

817

00:26:34,549 --> 00:26:32,400

even in the intentional community

818

00:26:37,190 --> 00:26:34,559

conscious community space permaculture

819

00:26:38,789 --> 00:26:37,200

space etc those communities were totally

820

00:26:40,070 --> 00:26:38,799

divided by covid you had some

821

00:26:42,070 --> 00:26:40,080

communities that had been together for

822

00:26:43,830 --> 00:26:42,080

20 years and all of a sudden some people

823

00:26:45,750 --> 00:26:43,840

say we need to require mass and some

824

00:26:47,590 --> 00:26:45,760

people say no some people say we need to

825

00:26:49,510 --> 00:26:47,600

require vaccines and some people say no

826

00:26:52,310 --> 00:26:49,520

i mean it was a very divisive time and

827

00:26:53,750 --> 00:26:52,320

continues to be for a lot of communities

828

00:26:56,390 --> 00:26:53,760

so what we're trying to do with this

829

00:26:57,669 --> 00:26:56,400

specific map as well as we're adding a

830

00:26:59,269 --> 00:26:57,679

similar feature to the freedom sales

831

00:27:00,549 --> 00:26:59,279

website that i can tell you about in a

832

00:27:02,870 --> 00:27:00,559

little bit where people can list their

833

00:27:05,430 --> 00:27:02,880

intentional communities there as well

834

00:27:08,230 --> 00:27:05,440

this is going to be communities that are

835

00:27:10,149 --> 00:27:08,240

more freedom minded is the best way i

836

00:27:11,190 --> 00:27:10,159

can describe it i would expect that the

837

00:27:13,110 --> 00:27:11,200

communities on the list that we're

838

00:27:14,870 --> 00:27:13,120

putting that we're going to list are

839

00:27:17,029 --> 00:27:14,880

definitely communities that don't

840

00:27:19,190 --> 00:27:17,039

require vaccines aren't looking to have

841

00:27:21,029 --> 00:27:19,200

people vaccinated as a stipulation of

842

00:27:22,789 --> 00:27:21,039

being involved or

843

00:27:24,870 --> 00:27:22,799

wearing masks or those kinds of things

844

00:27:26,389 --> 00:27:24,880

right like so that's i think the benefit

845

00:27:27,510 --> 00:27:26,399

of this map is it's not just going to be

846

00:27:29,669 --> 00:27:27,520

like oh a list of intentional

847

00:27:31,830 --> 00:27:29,679

communities it's going to be people that

848

00:27:33,590 --> 00:27:31,840

are generally more you know for lack of

849

00:27:34,950 --> 00:27:33,600

a better term awake

850

00:27:36,549 --> 00:27:34,960

does that mean you'll agree with them on

851

00:27:38,230 --> 00:27:36,559

every single topic no but that's

852

00:27:39,430 --> 00:27:38,240

anywhere you live anywhere you move to

853

00:27:41,190 --> 00:27:39,440

so the idea is that we're going to put

854

00:27:42,630 --> 00:27:41,200

the information out there we're going to

855

00:27:44,149 --> 00:27:42,640

highlight some of the active freedom

856

00:27:46,230 --> 00:27:44,159

cells that are here in mexico that are

857

00:27:47,909 --> 00:27:46,240

really doing some good work you know so

858

00:27:49,430 --> 00:27:47,919

they might not have land but they're an

859

00:27:50,870 --> 00:27:49,440

active city that you could move to and

860

00:27:53,269 --> 00:27:50,880

get really plugged in with other

861

00:27:55,190 --> 00:27:53,279

like-minded people and yeah that map

862

00:27:57,669 --> 00:27:55,200

hopefully will be coming out soon this

863

00:27:59,669 --> 00:27:57,679

week at the latest and then as far as

864

00:28:02,389 --> 00:27:59,679

beyond mexico it's interesting you ask

865

00:28:03,750 --> 00:28:02,399

about that because i actually literally

866

00:28:06,149 --> 00:28:03,760

in the last couple days have received an

867

00:28:07,909 --> 00:28:06,159

email from a woman who is really

868

00:28:10,710 --> 00:28:07,919

interested in freedom cells and she

869

00:28:12,070 --> 00:28:10,720

lives in belize and that's another area

870

00:28:13,830 --> 00:28:12,080

that a lot of people

871

00:28:16,470 --> 00:28:13,840

nicaragua belize that people have

872

00:28:18,470 --> 00:28:16,480

considered and she's basically said hey

873

00:28:19,830 --> 00:28:18,480

i have land out here

874

00:28:21,510 --> 00:28:19,840

i'm working with people doing

875

00:28:23,350 --> 00:28:21,520

permaculture you know just promoted all

876

00:28:25,750 --> 00:28:23,360

these wonderful things and she said

877

00:28:27,750 --> 00:28:25,760

she's just trying to you know is anybody

878

00:28:29,269 --> 00:28:27,760

doing freedom cells out here or can i

879

00:28:31,269 --> 00:28:29,279

you know work with some people or do you

880

00:28:32,950 --> 00:28:31,279

want to help share this so she's looking

881

00:28:34,950 --> 00:28:32,960

to get the word out there i don't have

882

00:28:36,070 --> 00:28:34,960

the info in front of me but maybe we can

883

00:28:37,110 --> 00:28:36,080

include that in the show notes or

884

00:28:39,269 --> 00:28:37,120

something because she's already got a

885

00:28:41,190 --> 00:28:39,279

website set up and from what i read and

886

00:28:43,590 --> 00:28:41,200

what she said she was saying

887

00:28:44,789 --> 00:28:43,600

she can get people who are interested in

888

00:28:47,190 --> 00:28:44,799

belize

889

00:28:49,350 --> 00:28:47,200

ready to purchase an acre and owning and

890

00:28:51,029 --> 00:28:49,360

owning some acreage for as little as 100

891

00:28:52,950 --> 00:28:51,039

usd a month

892

00:28:54,789 --> 00:28:52,960

you know things like that so that's not

893

00:28:56,630 --> 00:28:54,799

financial advice or you know vouching

894

00:28:57,909 --> 00:28:56,640

for the community per se but my point is

895

00:28:59,750 --> 00:28:57,919

that there's a lot of people reaching

896

00:29:02,470 --> 00:28:59,760

out right now there's a lot of you know

897

00:29:04,230 --> 00:29:02,480

if if you are looking to exit build

898

00:29:05,590 --> 00:29:04,240

right now the information the

899

00:29:07,750 --> 00:29:05,600

opportunities are there i mean you just

900

00:29:08,950 --> 00:29:07,760

gotta kind of step up and look for it

901
00:29:11,190 --> 00:29:08,960
i'm trying to make it as easy as

902
00:29:12,789 --> 00:29:11,200
possible like you said earlier i mean

903
00:29:14,470 --> 00:29:12,799
the idea of doing the conscious agora

904
00:29:16,470 --> 00:29:14,480
network i do want it to be a model that

905
00:29:18,549 --> 00:29:16,480
people could easily replicate because

906
00:29:20,230 --> 00:29:18,559
i'm like a builder i like to create and

907
00:29:21,590 --> 00:29:20,240
design and build things from the bottom

908
00:29:23,029 --> 00:29:21,600
up other people

909
00:29:24,389 --> 00:29:23,039
you mentioned like you know some people

910
00:29:25,510 --> 00:29:24,399
just want to move into the community

911
00:29:27,110 --> 00:29:25,520
once all the work's been done and

912
00:29:28,710 --> 00:29:27,120
there's nothing wrong or right about

913
00:29:30,389 --> 00:29:28,720

either approach that's just different

914

00:29:32,470 --> 00:29:30,399

personalities some people just want to

915

00:29:34,789 --> 00:29:32,480

okay here's my money where's my lot let

916

00:29:37,190 --> 00:29:34,799

me build my house and all good whereas

917

00:29:38,710 --> 00:29:37,200

we wanted to find the land and find the

918

00:29:40,149 --> 00:29:38,720

right people and then co-create

919

00:29:41,669 --> 00:29:40,159

something like we get to decide what is

920

00:29:43,430 --> 00:29:41,679

our decision-making process how are we

921

00:29:44,630 --> 00:29:43,440

going to handle conflict resolution how

922

00:29:46,710 --> 00:29:44,640

are we going to you know we get to be

923

00:29:48,630 --> 00:29:46,720

the designers of that and that's

924

00:29:50,070 --> 00:29:48,640

exciting to me but for other people they

925

00:29:52,070 --> 00:29:50,080

might not have the patience the time or

926
00:29:54,310 --> 00:29:52,080
the energy to do that and they just want

927
00:29:56,230 --> 00:29:54,320
to come in and do their thing and so

928
00:29:58,710 --> 00:29:56,240
we're trying to make these

929
00:30:00,230 --> 00:29:58,720
processes as easy as possible but also

930
00:30:01,830 --> 00:30:00,240
it does take some personal

931
00:30:03,510 --> 00:30:01,840
responsibility some effort and some

932
00:30:05,510 --> 00:30:03,520
energy on the side of people who are

933
00:30:07,190 --> 00:30:05,520
curious about this and if you are

934
00:30:08,950 --> 00:30:07,200
there's an immense opportunity right now

935
00:30:10,070 --> 00:30:08,960
to get ahead of the game as much as

936
00:30:11,430 --> 00:30:10,080
possible

937
00:30:13,110 --> 00:30:11,440
and you know we're doing all of this of

938
00:30:15,430 --> 00:30:13,120

course with the awareness of all the

939

00:30:17,909 --> 00:30:15,440

crazy stuff going on in the world but

940

00:30:19,669 --> 00:30:17,919

again my advice is to not let that put

941

00:30:21,430 --> 00:30:19,679

you into a panic and make mistakes you

942

00:30:22,950 --> 00:30:21,440

know you gotta still like

943

00:30:25,750 --> 00:30:22,960

try to stay level-headed and

944

00:30:27,909 --> 00:30:25,760

clear-minded you know

945

00:30:29,830 --> 00:30:27,919

man you are just such an inspiration and

946

00:30:32,149 --> 00:30:29,840

you make me feel like i should be doing

947

00:30:35,350 --> 00:30:32,159

so much more because i've cultivated

948

00:30:36,630 --> 00:30:35,360

this six-figure audience over 10 years

949

00:30:38,149 --> 00:30:36,640

and i guess a lot of people just want to

950

00:30:40,389 --> 00:30:38,159

listen to the show and get on with their

951
00:30:42,389 --> 00:30:40,399
day they don't need me to organize

952
00:30:44,870 --> 00:30:42,399
anything for them but it just makes me

953
00:30:46,870 --> 00:30:44,880
feel like we're of a like mind and of

954
00:30:49,190 --> 00:30:46,880
course covet divided this audience too

955
00:30:50,950 --> 00:30:49,200
how could it not but i think the

956
00:30:52,470 --> 00:30:50,960
beautiful thing about it is those who

957
00:30:53,990 --> 00:30:52,480
stuck around

958
00:30:55,669 --> 00:30:54,000
those who

959
00:30:57,590 --> 00:30:55,679
have communities that made it through

960
00:31:00,149 --> 00:30:57,600
that they're armored up for the next

961
00:31:02,230 --> 00:31:00,159
time you know they've chosen body

962
00:31:05,269 --> 00:31:02,240
autonomy you know bodily autonomy and

963
00:31:07,269 --> 00:31:05,279

they're not given in and so now you know

964

00:31:09,350 --> 00:31:07,279

now you know who those people are and

965

00:31:11,190 --> 00:31:09,360

it's not a hypothetical anymore i mean i

966

00:31:14,149 --> 00:31:11,200

heard your great presentation at the

967

00:31:15,990 --> 00:31:14,159

exit and build two conference and it was

968

00:31:17,430 --> 00:31:16,000

inspiring when you

969

00:31:21,269 --> 00:31:17,440

were talking about

970

00:31:23,990 --> 00:31:21,279

how all these strange communities crypto

971

00:31:26,710 --> 00:31:24,000

weirdos conspiracy folks homesteaders

972

00:31:29,350 --> 00:31:26,720

homeschoolers they've all been united by

973

00:31:32,310 --> 00:31:29,360

the concept of freedom and bodily

974

00:31:33,830 --> 00:31:32,320

autonomy and at a time when a lot of my

975

00:31:36,230 --> 00:31:33,840

guests have been making it seem like

976
00:31:38,789 --> 00:31:36,240
we're all [\h__\h] in the world is ending

977
00:31:40,950 --> 00:31:38,799
there's just a lot of inspiration in

978
00:31:43,509 --> 00:31:40,960
those people choosing that and the

979
00:31:45,830 --> 00:31:43,519
relationships they're forming in spite

980
00:31:48,230 --> 00:31:45,840
of all the dark plans of of the davos

981
00:31:51,110 --> 00:31:48,240
crowd and uh it's just a beautiful thing

982
00:31:52,789 --> 00:31:51,120
even that resource ic.org i didn't know

983
00:31:55,029 --> 00:31:52,799
about that now i'm definitely going to

984
00:31:58,389 --> 00:31:55,039
spend a couple hours digging into that

985
00:32:01,110 --> 00:31:58,399
and sometimes just the right website or

986
00:32:03,509 --> 00:32:01,120
the right reference can open up a lot of

987
00:32:05,509 --> 00:32:03,519
doors for people and so i guess i would

988
00:32:07,830 --> 00:32:05,519

ask you about that outside of full-on

989

00:32:09,830 --> 00:32:07,840

communities let's talk about some other

990

00:32:11,110 --> 00:32:09,840

solutions that are out there can you

991

00:32:12,470 --> 00:32:11,120

talk to us about some other things

992

00:32:14,990 --> 00:32:12,480

you're seeing and supporting i mean

993

00:32:17,190 --> 00:32:15,000

there's a lot happening around food

994

00:32:18,630 --> 00:32:17,200

decentralization and food sovereignty

995

00:32:20,310 --> 00:32:18,640

isn't there

996

00:32:22,230 --> 00:32:20,320

yeah absolutely man that's a great place

997

00:32:23,830 --> 00:32:22,240

to go to with the conversation so

998

00:32:25,190 --> 00:32:23,840

there's two things i'll mention of

999

00:32:26,310 --> 00:32:25,200

course freedom cells i'll talk about

1000

00:32:28,389 --> 00:32:26,320

that in a moment because we're actually

1001
00:32:30,070 --> 00:32:28,399
getting ready to launch the next version

1002
00:32:31,509 --> 00:32:30,080
of our website it's going to be we just

1003
00:32:33,110 --> 00:32:31,519
got some great features that are i think

1004
00:32:35,029 --> 00:32:33,120
going to be really helpful for people

1005
00:32:36,470 --> 00:32:35,039
but i actually just got plugged into

1006
00:32:38,710 --> 00:32:36,480
this i don't know if you'd call it a

1007
00:32:41,269 --> 00:32:38,720
movement but it's an initiative that is

1008
00:32:43,029 --> 00:32:41,279
being spearheaded by henna maria this

1009
00:32:44,389 --> 00:32:43,039
woman that i met in the last year she

1010
00:32:46,470 --> 00:32:44,399
lives in spain and she does a lot of

1011
00:32:48,710 --> 00:32:46,480
really good work in different areas but

1012
00:32:50,710 --> 00:32:48,720
she contacted me and has reached out to

1013
00:32:52,389 --> 00:32:50,720

different groups and i'm sure she'd love

1014

00:32:53,590 --> 00:32:52,399

you know your your involvement which is

1015

00:32:56,149 --> 00:32:53,600

you know basically just saying hey i

1016

00:32:58,149 --> 00:32:56,159

think this is an important topic and she

1017

00:32:59,590 --> 00:32:58,159

her like drive was like look we're as

1018

00:33:00,950 --> 00:32:59,600

you mentioned like people see all the

1019

00:33:02,710 --> 00:33:00,960

crazy problems like

1020

00:33:04,789 --> 00:33:02,720

we all are very aware of the danger to

1021

00:33:06,310 --> 00:33:04,799

the food supply and things happening and

1022

00:33:09,190 --> 00:33:06,320

inflation food prices i mean we're

1023

00:33:11,830 --> 00:33:09,200

living it right it's in our faces so

1024

00:33:14,470 --> 00:33:11,840

her kind of motive was like why don't we

1025

00:33:15,669 --> 00:33:14,480

bring together all these really powerful

1026

00:33:18,070 --> 00:33:15,679

people and people with different

1027

00:33:19,669 --> 00:33:18,080

audiences and essentially just say you

1028

00:33:21,590 --> 00:33:19,679

know whatever your diet is it's not

1029

00:33:23,110 --> 00:33:21,600

about promoting one diet over the other

1030

00:33:24,710 --> 00:33:23,120

anything but whatever your diet is we

1031

00:33:26,789 --> 00:33:24,720

all need food and we all need healthy

1032

00:33:28,710 --> 00:33:26,799

organic nutrient-rich nutrient-dense

1033

00:33:30,789 --> 00:33:28,720

food and clearly that's not what they're

1034

00:33:32,870 --> 00:33:30,799

offering at the big box stores and the

1035

00:33:34,950 --> 00:33:32,880

future of food that these psychopaths

1036

00:33:35,990 --> 00:33:34,960

have planned for us is not that either

1037

00:33:38,389 --> 00:33:36,000

and so

1038

00:33:40,230 --> 00:33:38,399

she launched this website just four days

1039

00:33:41,430 --> 00:33:40,240

ago actually just a few days ago on july

1040

00:33:44,149 --> 00:33:41,440

22nd

1041

00:33:46,789 --> 00:33:44,159

save our food.net and you know it's just

1042

00:33:48,230 --> 00:33:46,799

kind of a campaign calling for people to

1043

00:33:50,470 --> 00:33:48,240

like hey if you're going out there and

1044

00:33:52,389 --> 00:33:50,480

shopping at the local farmers market

1045

00:33:53,750 --> 00:33:52,399

like take a picture use this hashtag

1046

00:33:55,750 --> 00:33:53,760

save our food and send people to the

1047

00:33:57,190 --> 00:33:55,760

website if you're doing podcasts or

1048

00:33:58,470 --> 00:33:57,200

having conversations or just talking to

1049

00:34:00,630 --> 00:33:58,480

family and friends try to start

1050

00:34:02,710 --> 00:34:00,640

conversations about the importance of

1051
00:34:05,269 --> 00:34:02,720
food sovereignty and maybe even food

1052
00:34:06,870 --> 00:34:05,279
storage and localizing food supply just

1053
00:34:08,790 --> 00:34:06,880
trying to have that conversation and

1054
00:34:11,109 --> 00:34:08,800
again recognize that like

1055
00:34:12,470 --> 00:34:11,119
clearly there's some scary things going

1056
00:34:14,790 --> 00:34:12,480
on but

1057
00:34:17,190 --> 00:34:14,800
once again we also have so many things

1058
00:34:19,829 --> 00:34:17,200
we can do for ourselves and it's just

1059
00:34:21,430 --> 00:34:19,839
about being more proactive than i think

1060
00:34:23,270 --> 00:34:21,440
reactive and sometimes even if we're not

1061
00:34:24,310 --> 00:34:23,280
reactive like what i mean by that is you

1062
00:34:25,829 --> 00:34:24,320
know the

1063
00:34:27,990 --> 00:34:25,839

whatever the predator class goes out and

1064

00:34:29,349 --> 00:34:28,000

does something and we oh let's go talk

1065

00:34:31,430 --> 00:34:29,359

about that on the internet let's go

1066

00:34:32,629 --> 00:34:31,440

protest that or you know we're reacting

1067

00:34:35,829 --> 00:34:32,639

to what they're doing we're letting them

1068

00:34:38,069 --> 00:34:35,839

drive us around but maybe that's not you

1069

00:34:39,669 --> 00:34:38,079

per se but sometimes people just slip

1070

00:34:41,109 --> 00:34:39,679

into apathy where they're just like yeah

1071

00:34:42,389 --> 00:34:41,119

yeah of course they're doing that yeah

1072

00:34:44,790 --> 00:34:42,399

there's another bad thing you know and

1073

00:34:47,669 --> 00:34:44,800

there's just sort of become numb to it

1074

00:34:49,750 --> 00:34:47,679

and i think that being numb to it

1075

00:34:52,470 --> 00:34:49,760

and or being reactive to it aren't

1076
00:34:53,669 --> 00:34:52,480
really great states because you know you

1077
00:34:55,190 --> 00:34:53,679
don't want to just accept what's

1078
00:34:56,950 --> 00:34:55,200
happening but you also don't want to

1079
00:34:58,630 --> 00:34:56,960
just be passive about it and just kind

1080
00:35:00,230 --> 00:34:58,640
of become yeah numb to the point that

1081
00:35:01,430 --> 00:35:00,240
you're just if you're familiar with the

1082
00:35:02,870 --> 00:35:01,440
term your audience is probably familiar

1083
00:35:04,069 --> 00:35:02,880
with it black pills you know where you

1084
00:35:05,910 --> 00:35:04,079
really think that everything's just

1085
00:35:07,910 --> 00:35:05,920
screwed and i think there's a lot of

1086
00:35:09,430 --> 00:35:07,920
that going on and there has been for

1087
00:35:11,109 --> 00:35:09,440
since either before either of us have

1088
00:35:13,030 --> 00:35:11,119

been around that's you know people have

1089

00:35:14,950 --> 00:35:13,040

been doomsday

1090

00:35:17,349 --> 00:35:14,960

doomsayers and stuff like that but i

1091

00:35:19,910 --> 00:35:17,359

think it's become even more

1092

00:35:21,589 --> 00:35:19,920

prevalent in recent years just because

1093

00:35:23,829 --> 00:35:21,599

you know a lot of people have woken up a

1094

00:35:26,550 --> 00:35:23,839

lot of crazy nefarious things have come

1095

00:35:27,829 --> 00:35:26,560

to light and yet still a lot of people

1096

00:35:29,430 --> 00:35:27,839

feel

1097

00:35:30,950 --> 00:35:29,440

even hopeless like you know well we have

1098

00:35:32,710 --> 00:35:30,960

these big movements but maybe nobody's

1099

00:35:34,230 --> 00:35:32,720

paying attention so you know i think

1100

00:35:35,750 --> 00:35:34,240

some people can get to that point and

1101
00:35:37,990 --> 00:35:35,760
thinking there's no solutions but there

1102
00:35:39,990 --> 00:35:38,000
are solutions and save our food.net is

1103
00:35:41,349 --> 00:35:40,000
at least part of it now is sharing that

1104
00:35:43,109 --> 00:35:41,359
hashtag going to save the world

1105
00:35:45,589 --> 00:35:43,119
obviously not there's still more that

1106
00:35:47,670 --> 00:35:45,599
needs to take place but if learning of

1107
00:35:48,790 --> 00:35:47,680
the website and the hashtag inspires you

1108
00:35:50,150 --> 00:35:48,800
to say you know what there is that

1109
00:35:51,190 --> 00:35:50,160
farmers market this weekend i keep

1110
00:35:52,870 --> 00:35:51,200
hearing about it i've never actually

1111
00:35:54,710 --> 00:35:52,880
gone why don't i go take a trip and then

1112
00:35:56,230 --> 00:35:54,720
you go there you check out the local

1113
00:35:58,550 --> 00:35:56,240

produce and maybe you get connected with

1114

00:36:00,310 --> 00:35:58,560

somebody who's selling eggs or selling

1115

00:36:02,790 --> 00:36:00,320

you know some product that really you

1116

00:36:04,870 --> 00:36:02,800

can use whether food or otherwise that

1117

00:36:07,109 --> 00:36:04,880

becomes a new relationship that you have

1118

00:36:08,470 --> 00:36:07,119

that's part of defeating the great reset

1119

00:36:10,150 --> 00:36:08,480

right like you have to localize your

1120

00:36:12,710 --> 00:36:10,160

food supply so that they can't try to

1121

00:36:14,550 --> 00:36:12,720

say all you can have is bugs or bill

1122

00:36:16,150 --> 00:36:14,560

gates burgers or whatever right but if

1123

00:36:18,790 --> 00:36:16,160

you have no connection to the local food

1124

00:36:21,109 --> 00:36:18,800

supply and you don't have any backyard

1125

00:36:23,349 --> 00:36:21,119

garden or community garden or urban farm

1126

00:36:26,069 --> 00:36:23,359

or any of that connection and you don't

1127

00:36:27,270 --> 00:36:26,079

have relationship with the farmers then

1128

00:36:28,950 --> 00:36:27,280

i mean what are you doing you're just

1129

00:36:30,550 --> 00:36:28,960

waiting for them to come take away your

1130

00:36:32,230 --> 00:36:30,560

food and you're just accepting that you

1131

00:36:33,910 --> 00:36:32,240

will own nothing and be happy but for

1132

00:36:35,270 --> 00:36:33,920

the rest of us who are just saying no

1133

00:36:36,550 --> 00:36:35,280

we're not going to accept this we're

1134

00:36:38,630 --> 00:36:36,560

going to create our own

1135

00:36:41,030 --> 00:36:38,640

2030 our own vision of what 2030 could

1136

00:36:43,030 --> 00:36:41,040

look like we're going to take proactive

1137

00:36:44,630 --> 00:36:43,040

steps and

1138

00:36:46,950 --> 00:36:44,640

one of the things i think that this save

1139

00:36:49,349 --> 00:36:46,960

our food thing is valuable for and even

1140

00:36:50,630 --> 00:36:49,359

just that idea of using hashtags and

1141

00:36:51,910 --> 00:36:50,640

documenting like hey we're here at the

1142

00:36:53,990 --> 00:36:51,920

garden save our food or i went to the

1143

00:36:56,150 --> 00:36:54,000

farmer's market save our food it seems

1144

00:36:57,750 --> 00:36:56,160

so silly and just maybe even like oh

1145

00:36:59,990 --> 00:36:57,760

this is useless like i could do so much

1146

00:37:01,670 --> 00:37:00,000

more you can do more but still

1147

00:37:03,190 --> 00:37:01,680

what that does

1148

00:37:04,710 --> 00:37:03,200

i think it helps people realize that

1149

00:37:05,990 --> 00:37:04,720

there are options out there right i feel

1150

00:37:07,829 --> 00:37:06,000

like so many people on the internet have

1151
00:37:09,910 --> 00:37:07,839
forgotten the idea of sharing things i

1152
00:37:11,670 --> 00:37:09,920
noticed this with podcasts and articles

1153
00:37:13,349 --> 00:37:11,680
and videos like people will consume it

1154
00:37:15,190 --> 00:37:13,359
but then maybe not pass it along to

1155
00:37:16,950 --> 00:37:15,200
others and i feel like in the past the

1156
00:37:18,310 --> 00:37:16,960
internet used to very much be about like

1157
00:37:19,829 --> 00:37:18,320
sharing that's what social media was

1158
00:37:21,829 --> 00:37:19,839
about and

1159
00:37:23,510 --> 00:37:21,839
to me the importance of sharing is to

1160
00:37:24,630 --> 00:37:23,520
say hey this is important to me this is

1161
00:37:25,829 --> 00:37:24,640
something that i like or that i'm

1162
00:37:28,069 --> 00:37:25,839
interested in or that i'm concerned

1163
00:37:29,910 --> 00:37:28,079

about this is something that i you my

1164

00:37:31,750 --> 00:37:29,920

friends whoever you are on social media

1165

00:37:34,150 --> 00:37:31,760

or whatever that i think you might be

1166

00:37:35,589 --> 00:37:34,160

interested in right and in that same way

1167

00:37:38,230 --> 00:37:35,599

if you think it's important to talk

1168

00:37:39,910 --> 00:37:38,240

about the food supply and food

1169

00:37:42,470 --> 00:37:39,920

sovereignty and growing your own food

1170

00:37:44,310 --> 00:37:42,480

and localizing food production

1171

00:37:45,910 --> 00:37:44,320

and you know getting away from

1172

00:37:48,710 --> 00:37:45,920

the mass factory farming and all that

1173

00:37:51,109 --> 00:37:48,720

stuff well using a hashtag or taking

1174

00:37:52,470 --> 00:37:51,119

pictures and documenting that it helps

1175

00:37:53,829 --> 00:37:52,480

show your friends and family that it's

1176

00:37:55,829 --> 00:37:53,839

important to you and i know that's like

1177

00:37:57,430 --> 00:37:55,839

so obvious and it seems simple but i

1178

00:37:59,349 --> 00:37:57,440

just feel like sometimes we forget about

1179

00:38:01,589 --> 00:37:59,359

that that yeah it doesn't feel like the

1180

00:38:03,510 --> 00:38:01,599

biggest acts you could ever do but it

1181

00:38:05,510 --> 00:38:03,520

will generate conversation it will at

1182

00:38:07,510 --> 00:38:05,520

the least generate other people wow oh

1183

00:38:09,030 --> 00:38:07,520

wow i didn't know greg was into

1184

00:38:10,150 --> 00:38:09,040

community gardening maybe i should go

1185

00:38:11,430 --> 00:38:10,160

check that out or i'm going to message

1186

00:38:13,109 --> 00:38:11,440

him and find out more about you know all

1187

00:38:15,030 --> 00:38:13,119

like you said earlier all those like a

1188

00:38:16,710 --> 00:38:15,040

website can just completely alter your

1189

00:38:18,950 --> 00:38:16,720

path right and in the same way you

1190

00:38:20,310 --> 00:38:18,960

sharing something about food sovereignty

1191

00:38:22,310 --> 00:38:20,320

or saving your food or whatever it may

1192

00:38:23,910 --> 00:38:22,320

be it can really

1193

00:38:26,230 --> 00:38:23,920

spark something in someone else and then

1194

00:38:28,790 --> 00:38:26,240

it just keeps growing

1195

00:38:30,550 --> 00:38:28,800

well said i guess maybe my role is just

1196

00:38:32,390 --> 00:38:30,560

highlighting the people doing great

1197

00:38:35,030 --> 00:38:32,400

stuff like yourself but it makes me feel

1198

00:38:37,190 --> 00:38:35,040

quite lazy but hey this is uh what i've

1199

00:38:39,109 --> 00:38:37,200

cultivated over time and i think you're

1200

00:38:41,990 --> 00:38:39,119

right that is the bare minimum getting

1201
00:38:43,750 --> 00:38:42,000
your food locally i hope my listeners by

1202
00:38:46,150 --> 00:38:43,760
now can say that they're growing where

1203
00:38:49,190 --> 00:38:46,160
they can and at least getting their

1204
00:38:51,910 --> 00:38:49,200
produce and protein from local sources

1205
00:38:53,589 --> 00:38:51,920
direct i had my local rancher on as a

1206
00:38:55,430 --> 00:38:53,599
guest and i think we've had three

1207
00:38:58,069 --> 00:38:55,440
different ranchers across the country

1208
00:39:00,150 --> 00:38:58,079
that do organic grass-fed sustainable

1209
00:39:01,030 --> 00:39:00,160
meat subscription boxes shipped right to

1210
00:39:04,069 --> 00:39:01,040
your home

1211
00:39:06,550 --> 00:39:04,079
sunrise ranch on the west coast mastodon

1212
00:39:08,550 --> 00:39:06,560
farms in the midwest and polyface farms

1213
00:39:10,310 --> 00:39:08,560

on the east coast so wherever you live

1214

00:39:11,829 --> 00:39:10,320

in the country one of these guys has

1215

00:39:13,430 --> 00:39:11,839

probably got you covered on their

1216

00:39:15,670 --> 00:39:13,440

coverage map

1217

00:39:16,710 --> 00:39:15,680

but i also would advise people this is

1218

00:39:19,430 --> 00:39:16,720

just something i thought of the other

1219

00:39:21,750 --> 00:39:19,440

day but write down the addresses of

1220

00:39:25,349 --> 00:39:21,760

these farms if we do have an internet

1221

00:39:27,349 --> 00:39:25,359

outage if they do a cyber pandemic do

1222

00:39:28,790 --> 00:39:27,359

you know where to go

1223

00:39:30,470 --> 00:39:28,800

if you don't have these things shipped

1224

00:39:32,950 --> 00:39:30,480

to your house i think that's kind of

1225

00:39:34,870 --> 00:39:32,960

important uh you know i

1226

00:39:36,630 --> 00:39:34,880

stored these addresses where i keep my

1227

00:39:37,589 --> 00:39:36,640

birth certificate and that kind of stuff

1228

00:39:38,950 --> 00:39:37,599

because

1229

00:39:39,910 --> 00:39:38,960

you only have a couple days before

1230

00:39:42,069 --> 00:39:39,920

you're going to need to know that

1231

00:39:44,390 --> 00:39:42,079

information if the grocery store can't

1232

00:39:46,390 --> 00:39:44,400

supply you and even if it can this is

1233

00:39:48,310 --> 00:39:46,400

the better way this is the future way

1234

00:39:50,390 --> 00:39:48,320

you want to keep these farms in business

1235

00:39:52,630 --> 00:39:50,400

it's important and yeah

1236

00:39:53,790 --> 00:39:52,640

hannah maria is exactly who i hoped you

1237

00:39:56,790 --> 00:39:53,800

would mention

1238

00:39:58,470 --> 00:39:56,800

saveourfood.net really great interview

1239

00:40:00,069 --> 00:39:58,480

you did with her i think it might have

1240

00:40:04,069 --> 00:40:00,079

been been in that interview you

1241

00:40:05,670 --> 00:40:04,079

mentioned or she mentions lemongraft.com

1242

00:40:08,390 --> 00:40:05,680

which is a website

1243

00:40:10,390 --> 00:40:08,400

trying to connect neighbors directly to

1244

00:40:13,349 --> 00:40:10,400

talk about what they're growing

1245

00:40:15,030 --> 00:40:13,359

and how you can purchase or trade right

1246

00:40:17,349 --> 00:40:15,040

in your neighborhoods i went to the

1247

00:40:19,430 --> 00:40:17,359

website it needs some work i think the

1248

00:40:21,670 --> 00:40:19,440

database only has florida in it i didn't

1249

00:40:24,390 --> 00:40:21,680

see anything in southern california but

1250

00:40:25,990 --> 00:40:24,400

once that resource is out there people

1251
00:40:28,790 --> 00:40:26,000
can start using it

1252
00:40:30,630 --> 00:40:28,800
i know a lot of my neighbors grow stuff

1253
00:40:31,589 --> 00:40:30,640
i see it in their little patches and

1254
00:40:33,109 --> 00:40:31,599
their

1255
00:40:35,270 --> 00:40:33,119
raised beds i don't know what they're

1256
00:40:37,430 --> 00:40:35,280
growing and i don't really know them but

1257
00:40:40,230 --> 00:40:37,440
you know a website like this can help

1258
00:40:43,589 --> 00:40:40,240
facilitate those connections i think she

1259
00:40:46,470 --> 00:40:43,599
also mentioned ecotopia a company

1260
00:40:49,270 --> 00:40:46,480
selling hydroponic grow towers that can

1261
00:40:51,910 --> 00:40:49,280
go in any apartment and get four times

1262
00:40:54,069 --> 00:40:51,920
the yield as conventional gardens so

1263
00:40:56,309 --> 00:40:54,079

there's a company trying to help you

1264

00:40:58,870 --> 00:40:56,319

help yourself you just gotta support

1265

00:41:01,030 --> 00:40:58,880

them while they're still around and

1266

00:41:03,510 --> 00:41:01,040

yeah just so many

1267

00:41:05,510 --> 00:41:03,520

great resources and things happening

1268

00:41:06,870 --> 00:41:05,520

there is also a book i just learned

1269

00:41:09,190 --> 00:41:06,880

about i'm going to try to get this guy

1270

00:41:11,430 --> 00:41:09,200

on in the future but tristan scott wrote

1271

00:41:13,510 --> 00:41:11,440

a book called bitcoin and beef which i

1272

00:41:15,990 --> 00:41:13,520

thought would be good to mention to you

1273

00:41:18,550 --> 00:41:16,000

but it's criticisms similarities and why

1274

00:41:21,750 --> 00:41:18,560

decentralization matters so

1275

00:41:24,309 --> 00:41:21,760

him and this guy texas slim you can find

1276

00:41:26,710 --> 00:41:24,319

him on twitter but

1277

00:41:29,190 --> 00:41:26,720

they are going out there speaking to

1278

00:41:31,270 --> 00:41:29,200

ranchers and trying to convert them to

1279

00:41:33,670 --> 00:41:31,280

direct to consumer

1280

00:41:35,510 --> 00:41:33,680

and offering them tools like

1281

00:41:36,790 --> 00:41:35,520

crypto payments you know bitcoin

1282

00:41:39,109 --> 00:41:36,800

payments and

1283

00:41:41,030 --> 00:41:39,119

that is what bitcoin is good for right

1284

00:41:44,230 --> 00:41:41,040

there you know if we get to a point

1285

00:41:46,069 --> 00:41:44,240

where your finances are monitored uh and

1286

00:41:48,309 --> 00:41:46,079

you're working off a central bank

1287

00:41:51,030 --> 00:41:48,319

digital currency that can only be used

1288

00:41:53,190 --> 00:41:51,040

on the corporate food well these guys

1289

00:41:55,829 --> 00:41:53,200

need a system and bitcoin's a little

1290

00:41:57,670 --> 00:41:55,839

early my god if my whole show is based

1291

00:41:59,670 --> 00:41:57,680

on just taking bitcoin payments i'd

1292

00:42:02,470 --> 00:41:59,680

probably be broke because it's so

1293

00:42:04,950 --> 00:42:02,480

early still yeah and same goes for these

1294

00:42:06,790 --> 00:42:04,960

ranchers but it is an option and if you

1295

00:42:07,990 --> 00:42:06,800

get cut out

1296

00:42:09,670 --> 00:42:08,000

of the

1297

00:42:11,910 --> 00:42:09,680

traditional system because you said

1298

00:42:13,670 --> 00:42:11,920

something bad on twitter well you have

1299

00:42:15,589 --> 00:42:13,680

to have a little bitcoin on hand to get

1300

00:42:18,069 --> 00:42:15,599

your food supply from these ranchers who

1301

00:42:20,150 --> 00:42:18,079

are willing to accept it so we are in

1302

00:42:22,790 --> 00:42:20,160

the infancy of a lot of this stuff it's

1303

00:42:25,030 --> 00:42:22,800

a beautiful thing i really love talking

1304

00:42:28,230 --> 00:42:25,040

about these solutions giving people

1305

00:42:29,430 --> 00:42:28,240

those websites that it's just like man

1306

00:42:31,030 --> 00:42:29,440

this could change your whole world

1307

00:42:33,510 --> 00:42:31,040

because you listened to a two-hour show

1308

00:42:35,030 --> 00:42:33,520

but you heard the right website address

1309

00:42:36,630 --> 00:42:35,040

absolutely and i'm sure there's even

1310

00:42:38,470 --> 00:42:36,640

more i don't know if any more come to

1311

00:42:40,069 --> 00:42:38,480

mind for you i could name a couple

1312

00:42:41,510 --> 00:42:40,079

things that you just you you're

1313

00:42:43,190 --> 00:42:41,520

reminding me about you know i just want

1314

00:42:45,270 --> 00:42:43,200

to re-emphasize what you were just

1315

00:42:46,790 --> 00:42:45,280

saying they're just how important it is

1316

00:42:48,309 --> 00:42:46,800

to support these things because as you

1317

00:42:49,510 --> 00:42:48,319

said like you might visit you hear about

1318

00:42:51,589 --> 00:42:49,520

a great idea and you go visit you're

1319

00:42:53,430 --> 00:42:51,599

like oh wow like there's nobody here yet

1320

00:42:55,349 --> 00:42:53,440

or like you said it's only in one state

1321

00:42:57,190 --> 00:42:55,359

or maybe it's just it's not quite there

1322

00:42:59,270 --> 00:42:57,200

yet right and that's something we come

1323

00:43:01,589 --> 00:42:59,280

across a lot or i've come across with

1324

00:43:03,589 --> 00:43:01,599

some of the the new quote-unquote

1325

00:43:04,710 --> 00:43:03,599

alternative social media that in the

1326
00:43:06,150 --> 00:43:04,720
beginning you're like okay they don't

1327
00:43:07,990 --> 00:43:06,160
have all the features of youtube or

1328
00:43:09,589 --> 00:43:08,000
whatever else but if you support them

1329
00:43:10,950 --> 00:43:09,599
and because you get it on principle

1330
00:43:12,950 --> 00:43:10,960
you're kind of willing to deal with

1331
00:43:14,150 --> 00:43:12,960
whatever bumps and bruises you got to

1332
00:43:15,829 --> 00:43:14,160
deal with along the way because you

1333
00:43:17,589 --> 00:43:15,839
support the product i think it's the

1334
00:43:18,870 --> 00:43:17,599
same thing with a lot of these new

1335
00:43:20,470 --> 00:43:18,880
initiatives that you know we're

1336
00:43:22,309 --> 00:43:20,480
essentially what we're talking about to

1337
00:43:23,589 --> 00:43:22,319
me at least all these different pieces

1338
00:43:25,190 --> 00:43:23,599

of the puzzle are about building a

1339

00:43:27,589 --> 00:43:25,200

parallel society building parallel

1340

00:43:28,950 --> 00:43:27,599

networks to the current system because

1341

00:43:31,589 --> 00:43:28,960

if we can't

1342

00:43:32,790 --> 00:43:31,599

completely stop the great reset and i

1343

00:43:34,230 --> 00:43:32,800

don't know that we can there's trillions

1344

00:43:36,390 --> 00:43:34,240

of dollars invested into it every

1345

00:43:38,470 --> 00:43:36,400

multinational corporation and almost

1346

00:43:40,309 --> 00:43:38,480

every major government pushing towards

1347

00:43:42,309 --> 00:43:40,319

that agenda to me you know that's the

1348

00:43:43,829 --> 00:43:42,319

idea of exiting from that system to

1349

00:43:45,430 --> 00:43:43,839

build something better right and part of

1350

00:43:46,550 --> 00:43:45,440

that is getting our food supply into our

1351

00:43:49,190 --> 00:43:46,560

hands and all these interesting

1352

00:43:51,430 --> 00:43:49,200

conversations well it also involves new

1353

00:43:52,950 --> 00:43:51,440

websites new apps new technology you

1354

00:43:54,150 --> 00:43:52,960

know and we are very much at the

1355

00:43:55,750 --> 00:43:54,160

beginning of a lot of it like you were

1356

00:43:57,589 --> 00:43:55,760

saying with bitcoin with crypto in

1357

00:43:59,109 --> 00:43:57,599

general and so i think that's important

1358

00:44:01,030 --> 00:43:59,119

to remember is that sometimes it takes

1359

00:44:02,230 --> 00:44:01,040

time for these tools we might not feel

1360

00:44:03,990 --> 00:44:02,240

like we have all the time so i think

1361

00:44:05,990 --> 00:44:04,000

we're all working as hard and diligently

1362

00:44:07,349 --> 00:44:06,000

as possible i'm not the tech guy that

1363

00:44:08,550 --> 00:44:07,359

can build the things i just kind of go

1364

00:44:10,470 --> 00:44:08,560

out there and promote them when i learn

1365

00:44:12,230 --> 00:44:10,480

about them but i am friends with some of

1366

00:44:14,950 --> 00:44:12,240

the people who have the technology and

1367

00:44:17,109 --> 00:44:14,960

who are just working on amazing tools so

1368

00:44:19,589 --> 00:44:17,119

as far as solutions when it comes to

1369

00:44:21,430 --> 00:44:19,599

food i will mention another one that is

1370

00:44:22,910 --> 00:44:21,440

called falling fruit

1371

00:44:24,550 --> 00:44:22,920

and i think it's

1372

00:44:26,150 --> 00:44:24,560

fallingfruit.org.com i haven't checked

1373

00:44:28,550 --> 00:44:26,160

in a couple years it should still exist

1374

00:44:31,190 --> 00:44:28,560

because it's a pretty bare bones basic

1375

00:44:32,390 --> 00:44:31,200

minimum website it also uses sort of

1376

00:44:36,710 --> 00:44:32,400

mapping

1377

00:44:38,710 --> 00:44:36,720

technology where similar to different

1378

00:44:40,230 --> 00:44:38,720

maps people probably use like waze or

1379

00:44:41,829 --> 00:44:40,240

something like that where you can mark a

1380

00:44:43,910 --> 00:44:41,839

police checkpoint or

1381

00:44:45,750 --> 00:44:43,920

red light or traffic or car wreck or

1382

00:44:47,510 --> 00:44:45,760

whatever you want to do on the map with

1383

00:44:48,630 --> 00:44:47,520

this let's say you're walking down the

1384

00:44:50,069 --> 00:44:48,640

street

1385

00:44:51,990 --> 00:44:50,079

and you notice on public property

1386

00:44:54,069 --> 00:44:52,000

there's you know a couple of orange

1387

00:44:55,430 --> 00:44:54,079

trees just out there at the park or just

1388

00:44:56,790 --> 00:44:55,440

out there in some random field or

1389

00:44:58,710 --> 00:44:56,800

something like that you can go on to

1390

00:45:00,710 --> 00:44:58,720

falling fruit and you can mark it so

1391

00:45:03,109 --> 00:45:00,720

that other people who are

1392

00:45:05,430 --> 00:45:03,119

foragers or just out there you know want

1393

00:45:06,870 --> 00:45:05,440

food that is widely available can find

1394

00:45:08,230 --> 00:45:06,880

that can have access to it so it's

1395

00:45:09,430 --> 00:45:08,240

really cool i mean i've used this when i

1396

00:45:11,990 --> 00:45:09,440

was traveling different places i

1397

00:45:13,670 --> 00:45:12,000

remember i was in san francisco and i

1398

00:45:15,190 --> 00:45:13,680

was doing a speaking tour across the us

1399

00:45:17,190 --> 00:45:15,200

and my idea was like let's try to use

1400

00:45:19,109 --> 00:45:17,200

this map while we travel to show people

1401

00:45:21,030 --> 00:45:19,119

that it can work and we were literally

1402

00:45:23,990 --> 00:45:21,040

in san francisco like in the city and

1403

00:45:26,230 --> 00:45:24,000

using that website we found an avocado

1404

00:45:27,510 --> 00:45:26,240

tree growing like in the middle of the

1405

00:45:29,430 --> 00:45:27,520

city where you would never expect it

1406

00:45:30,950 --> 00:45:29,440

kind of hidden behind some restaurant

1407

00:45:33,349 --> 00:45:30,960

and we were able to go pick avocados it

1408

00:45:35,270 --> 00:45:33,359

was crazy but so i think that's a cool

1409

00:45:37,910 --> 00:45:35,280

resource that people can use and even if

1410

00:45:39,670 --> 00:45:37,920

you're the kind of person that maybe has

1411

00:45:41,349 --> 00:45:39,680

an abundance of fruit trees on your

1412

00:45:43,109 --> 00:45:41,359

property or your house that you can't

1413

00:45:44,550 --> 00:45:43,119

tend to you could put something on there

1414

00:45:46,230 --> 00:45:44,560

if it's free for the picking or if you

1415

00:45:47,990 --> 00:45:46,240

want to charge people when i was living

1416

00:45:49,990 --> 00:45:48,000

in houston and i was living in the

1417

00:45:52,069 --> 00:45:50,000

freethinker house our community space we

1418

00:45:53,190 --> 00:45:52,079

would do that we would go ride bikes

1419

00:45:54,150 --> 00:45:53,200

around the neighborhood me and a couple

1420

00:45:56,309 --> 00:45:54,160

of guys that were living there we would

1421

00:45:57,750 --> 00:45:56,319

go ride around and check out the

1422

00:45:59,670 --> 00:45:57,760

different people in the neighborhood who

1423

00:46:01,750 --> 00:45:59,680

had fruit trees or look for fruit trees

1424

00:46:03,109 --> 00:46:01,760

on public property and sometimes you

1425

00:46:04,710 --> 00:46:03,119

know you just go to people you can see

1426

00:46:06,470 --> 00:46:04,720

their trees are like overflowing with

1427

00:46:07,510 --> 00:46:06,480

fruit they're clearly not doing anything

1428

00:46:09,190 --> 00:46:07,520

with them they're just dropping to the

1429

00:46:10,790 --> 00:46:09,200

ground and people will let you go pick

1430

00:46:12,710 --> 00:46:10,800

their trees for free

1431

00:46:14,550 --> 00:46:12,720

maybe that's like too outgoing for some

1432

00:46:15,750 --> 00:46:14,560

people but think about that like we were

1433

00:46:17,030 --> 00:46:15,760

able to go

1434

00:46:18,790 --> 00:46:17,040

find

1435

00:46:19,910 --> 00:46:18,800

a bunch of mandarins and oranges from

1436

00:46:21,510 --> 00:46:19,920

somebody's tree that weren't going to be

1437

00:46:23,990 --> 00:46:21,520

able to use them we took them home to

1438

00:46:25,670 --> 00:46:24,000

our house we juiced them bottled them up

1439

00:46:27,910 --> 00:46:25,680

in some glasses and then used at the

1440

00:46:29,430 --> 00:46:27,920

time we used the nextdoor website now i

1441

00:46:31,829 --> 00:46:29,440

would use something like freedom sales

1442

00:46:34,390 --> 00:46:31,839

and we sold those juices to like local

1443

00:46:36,630 --> 00:46:34,400

offices that were like in downtown

1444

00:46:38,550 --> 00:46:36,640

so this is like fruit going to

1445

00:46:41,109 --> 00:46:38,560

potentially waste picked off a tree

1446

00:46:43,190 --> 00:46:41,119

taken home juiced it cost us a bottle in

1447

00:46:45,030 --> 00:46:43,200

the time and then you know we make a few

1448

00:46:46,630 --> 00:46:45,040

bucks now is that going to pay your rent

1449

00:46:48,790 --> 00:46:46,640

maybe not in the beginning but those are

1450

00:46:50,390 --> 00:46:48,800

the kind of i think innovative ideas

1451
00:46:52,550 --> 00:46:50,400
that are out there if you're willing and

1452
00:46:55,190 --> 00:46:52,560
ready to kind of think on those terms so

1453
00:46:56,950 --> 00:46:55,200
falling fruit is a great resource

1454
00:46:58,790 --> 00:46:56,960
and then i'll mention

1455
00:47:00,550 --> 00:46:58,800
the freedom cells website again we're

1456
00:47:02,710 --> 00:47:00,560
going to launch the website is up right

1457
00:47:05,589 --> 00:47:02,720
now freedomselfs.org it's been there for

1458
00:47:07,349 --> 00:47:05,599
two years now but it's closed to sign

1459
00:47:09,270 --> 00:47:07,359
ups at the moment it'll be relaunched on

1460
00:47:11,990 --> 00:47:09,280
august 1st so just

1461
00:47:13,510 --> 00:47:12,000
very soon here and i'm just so excited

1462
00:47:15,030 --> 00:47:13,520
to share this with people because the

1463
00:47:16,630 --> 00:47:15,040

original intention and the current

1464

00:47:18,069 --> 00:47:16,640

version of the website is

1465

00:47:19,750 --> 00:47:18,079

the maps you know people can create a

1466

00:47:21,750 --> 00:47:19,760

free profile and here's my interest

1467

00:47:23,349 --> 00:47:21,760

here's my goals here's my skills and

1468

00:47:26,309 --> 00:47:23,359

then you put where you live and then you

1469

00:47:28,630 --> 00:47:26,319

can search for people or sells slash

1470

00:47:30,069 --> 00:47:28,640

groups in your area you can join the

1471

00:47:31,510 --> 00:47:30,079

groups connect with them go to their

1472

00:47:33,750 --> 00:47:31,520

physical meetings but the whole purpose

1473

00:47:36,549 --> 00:47:33,760

is using the website to meet people and

1474

00:47:38,549 --> 00:47:36,559

then you know actually connect in person

1475

00:47:40,790 --> 00:47:38,559

so that you can for example grow your

1476

00:47:42,150 --> 00:47:40,800

own food or come together and you know

1477

00:47:44,309 --> 00:47:42,160

think about hey how's our community

1478

00:47:46,230 --> 00:47:44,319

gonna handle if things get tough or how

1479

00:47:48,069 --> 00:47:46,240

do we come together as a community and

1480

00:47:49,430 --> 00:47:48,079

just see how you can support each other

1481

00:47:50,870 --> 00:47:49,440

with everything we have going on or

1482

00:47:53,430 --> 00:47:50,880

maybe even find other people who are

1483

00:47:55,270 --> 00:47:53,440

looking to get land at that stage so

1484

00:47:57,510 --> 00:47:55,280

that's already been what we've

1485

00:47:59,109 --> 00:47:57,520

been doing and that has functioned but

1486

00:48:00,470 --> 00:47:59,119

the website needed some improvements and

1487

00:48:02,150 --> 00:48:00,480

thanks to the greater reset audience

1488

00:48:03,670 --> 00:48:02,160

back in january we were able to raise

1489

00:48:04,630 --> 00:48:03,680

fifteen thousand dollars and we've used

1490

00:48:06,230 --> 00:48:04,640

that to

1491

00:48:08,150 --> 00:48:06,240

just totally streamline everything and

1492

00:48:10,309 --> 00:48:08,160

we've also added new features including

1493

00:48:12,470 --> 00:48:10,319

a marketplace so now when the website

1494

00:48:14,790 --> 00:48:12,480

relaunches people can

1495

00:48:16,950 --> 00:48:14,800

submit goods obviously

1496

00:48:18,390 --> 00:48:16,960

we can't without inviting any trouble

1497

00:48:20,309 --> 00:48:18,400

have anything illegal on there but

1498

00:48:22,309 --> 00:48:20,319

people can come on there and offer their

1499

00:48:24,150 --> 00:48:22,319

services their goods if they're growing

1500

00:48:25,589 --> 00:48:24,160

food they could list things like that

1501

00:48:27,190 --> 00:48:25,599

whatever things that they can offer

1502

00:48:28,710 --> 00:48:27,200

within the community and it can be like

1503

00:48:31,109 --> 00:48:28,720

online services that go out to the whole

1504

00:48:32,870 --> 00:48:31,119

network or you can localize it so that

1505

00:48:34,790 --> 00:48:32,880

people in your area when they go to the

1506

00:48:36,150 --> 00:48:34,800

map they can search to find people they

1507

00:48:37,750 --> 00:48:36,160

can search to find groups or they can

1508

00:48:39,349 --> 00:48:37,760

also search to see what services are

1509

00:48:40,790 --> 00:48:39,359

listed in their area

1510

00:48:43,109 --> 00:48:40,800

that's one new feature that we're adding

1511

00:48:45,030 --> 00:48:43,119

in addition to that with the marketplace

1512

00:48:47,829 --> 00:48:45,040

we're also letting you know one of those

1513

00:48:49,109 --> 00:48:47,839

listings that you can do is a dating ad

1514

00:48:50,470 --> 00:48:49,119

you know this is a huge request we've

1515

00:48:52,069 --> 00:48:50,480

got from so many people you know for

1516

00:48:54,790 --> 00:48:52,079

those people who are not in

1517

00:48:56,630 --> 00:48:54,800

relationships prior to kovid or maybe

1518

00:48:58,790 --> 00:48:56,640

people who even relationship ended over

1519

00:49:00,069 --> 00:48:58,800

kovid it's very important in the freedom

1520

00:49:01,270 --> 00:49:00,079

community i've come to find out where

1521

00:49:03,510 --> 00:49:01,280

there's a lot of people who don't want

1522

00:49:05,109 --> 00:49:03,520

to date or potentially you know

1523

00:49:06,470 --> 00:49:05,119

have children with somebody who may have

1524

00:49:08,710 --> 00:49:06,480

been vaccinated or may not have been

1525

00:49:10,630 --> 00:49:08,720

vaccinated depending on your view um and

1526
00:49:13,349 --> 00:49:10,640
we want to be able to have that as well

1527
00:49:15,910 --> 00:49:13,359
so you could list services like you have

1528
00:49:18,150 --> 00:49:15,920
food for sale you're a graphic designer

1529
00:49:19,829 --> 00:49:18,160
or you could say hey i'm a man seeking a

1530
00:49:21,990 --> 00:49:19,839
woman and these are my interests and

1531
00:49:23,270 --> 00:49:22,000
these are that and you know this is like

1532
00:49:24,630 --> 00:49:23,280
it sounds kind of silly but this is

1533
00:49:27,270 --> 00:49:24,640
actually one of the most requested

1534
00:49:29,589 --> 00:49:27,280
things we've had from our growing online

1535
00:49:30,870 --> 00:49:29,599
community the website is 32 000 people

1536
00:49:32,230 --> 00:49:30,880
and then through the greater reset we're

1537
00:49:33,349 --> 00:49:32,240
reaching hundreds of thousands of people

1538
00:49:35,030 --> 00:49:33,359

around the world and there are a lot of

1539

00:49:36,549 --> 00:49:35,040

people not only looking for communities

1540

00:49:38,390 --> 00:49:36,559

but looking for people that they can

1541

00:49:41,030 --> 00:49:38,400

partner with and you know maybe start a

1542

00:49:43,190 --> 00:49:41,040

family or spend you know somebody to

1543

00:49:45,430 --> 00:49:43,200

enjoy the apocalypse with at least so

1544

00:49:47,589 --> 00:49:45,440

we've added that feature as well so

1545

00:49:49,670 --> 00:49:47,599

there's the marketplace the agora is

1546

00:49:51,430 --> 00:49:49,680

what we're calling it and we've also

1547

00:49:53,750 --> 00:49:51,440

improved our search so now when you go

1548

00:49:55,910 --> 00:49:53,760

on there you can search specif let's say

1549

00:49:57,750 --> 00:49:55,920

you live in southern california you want

1550

00:49:59,349 --> 00:49:57,760

to search to find people

1551
00:50:02,870 --> 00:49:59,359
in that general area and you can choose

1552
00:50:04,630 --> 00:50:02,880
okay let me search 25 miles around

1553
00:50:06,630 --> 00:50:04,640
san diego just an example let's just see

1554
00:50:09,030 --> 00:50:06,640
what's around there what people show up

1555
00:50:10,950 --> 00:50:09,040
what groups show up but you can also

1556
00:50:13,430 --> 00:50:10,960
now we have specific options where you

1557
00:50:15,510 --> 00:50:13,440
can search only show me people who say

1558
00:50:17,910 --> 00:50:15,520
they're ready to meet in person or only

1559
00:50:20,470 --> 00:50:17,920
show me people who are

1560
00:50:22,230 --> 00:50:20,480
interested in buying land and then it'll

1561
00:50:24,150 --> 00:50:22,240
show you those people who have clicked

1562
00:50:25,990 --> 00:50:24,160
those options on their profile so we're

1563
00:50:28,309 --> 00:50:26,000

trying to just make it as intuitive and

1564

00:50:29,910 --> 00:50:28,319

easy as possible to eliminate any time

1565

00:50:31,349 --> 00:50:29,920

wasting because you know there's just a

1566

00:50:32,790 --> 00:50:31,359

lot of things we learned people go on

1567

00:50:34,069 --> 00:50:32,800

there and they they search and they're

1568

00:50:35,910 --> 00:50:34,079

trying to find people in their local

1569

00:50:37,670 --> 00:50:35,920

area they meet people but then some

1570

00:50:39,510 --> 00:50:37,680

people maybe they're only ready to have

1571

00:50:40,790 --> 00:50:39,520

an online conversation or join an online

1572

00:50:42,710 --> 00:50:40,800

group they're not quite ready for

1573

00:50:43,990 --> 00:50:42,720

whatever reason to meet in person and

1574

00:50:45,589 --> 00:50:44,000

even though that's the goal of freedom

1575

00:50:46,549 --> 00:50:45,599

sales we still want to make sure that

1576
00:50:49,829 --> 00:50:46,559
people

1577
00:50:51,510 --> 00:50:49,839
for wherever they're at whether that

1578
00:50:53,349 --> 00:50:51,520
means people who want to buy land people

1579
00:50:55,030 --> 00:50:53,359
who are selling food people who are just

1580
00:50:57,430 --> 00:50:55,040
trying to do activism in the community

1581
00:50:59,109 --> 00:50:57,440
in the city or people who are still very

1582
00:51:01,349 --> 00:50:59,119
early in this journey and so yeah the

1583
00:51:02,710 --> 00:51:01,359
freedom cells website freedomscells.org

1584
00:51:04,790 --> 00:51:02,720
is going to be another great resource

1585
00:51:06,710 --> 00:51:04,800
for people that i think will just take

1586
00:51:08,549 --> 00:51:06,720
things to the next level and allowing

1587
00:51:10,309 --> 00:51:08,559
new connections to happen because even

1588
00:51:12,150 --> 00:51:10,319

with our previous version of the website

1589

00:51:14,790 --> 00:51:12,160

which was definitely i'll admit not

1590

00:51:16,150 --> 00:51:14,800

running to its fullest capacity and had

1591

00:51:18,870 --> 00:51:16,160

some kinks and things that needed to be

1592

00:51:20,630 --> 00:51:18,880

ironed out even with that so many people

1593

00:51:23,589 --> 00:51:20,640

that i met while traveling the us and

1594

00:51:25,190 --> 00:51:23,599

traveling mexico told us that when kobet

1595

00:51:27,109 --> 00:51:25,200

started they felt alone they felt

1596

00:51:28,309 --> 00:51:27,119

desperate they felt depressed

1597

00:51:29,589 --> 00:51:28,319

you know they were isolated they were

1598

00:51:30,630 --> 00:51:29,599

locked down the family members were

1599

00:51:32,870 --> 00:51:30,640

thinking they were crazy because they

1600

00:51:34,470 --> 00:51:32,880

were asking the wrong questions and then

1601
00:51:36,230 --> 00:51:34,480
they said i went on the freedom sales

1602
00:51:37,670 --> 00:51:36,240
network website where i watched the

1603
00:51:39,670 --> 00:51:37,680
greater reset and i went to a local

1604
00:51:41,670 --> 00:51:39,680
watch party and i met all these people

1605
00:51:43,430 --> 00:51:41,680
in my community and now we're growing

1606
00:51:44,950 --> 00:51:43,440
food together now we're homeschooling

1607
00:51:46,870 --> 00:51:44,960
our kids we pulled our money out of the

1608
00:51:49,270 --> 00:51:46,880
banks we're buying land like people are

1609
00:51:51,829 --> 00:51:49,280
doing real concrete things

1610
00:51:53,190 --> 00:51:51,839
right now and again my invitation to the

1611
00:51:55,109 --> 00:51:53,200
audience that's going to hear this is

1612
00:51:56,390 --> 00:51:55,119
just you know don't miss out you know

1613
00:51:57,829 --> 00:51:56,400

i'm not saying the freedom cell movement

1614

00:51:59,430 --> 00:51:57,839

is the only movement or the things we're

1615

00:52:00,790 --> 00:51:59,440

doing are the only solutions or anything

1616

00:52:02,549 --> 00:52:00,800

of that i'm just saying whatever you're

1617

00:52:04,790 --> 00:52:02,559

gravitating towards whatever you feel

1618

00:52:06,549 --> 00:52:04,800

like is a practical real world solution

1619

00:52:08,470 --> 00:52:06,559

for you and your family

1620

00:52:10,470 --> 00:52:08,480

don't wait you know and if you got some

1621

00:52:11,990 --> 00:52:10,480

extra money you know there's things like

1622

00:52:13,910 --> 00:52:12,000

investing in crypto can be valuable

1623

00:52:15,430 --> 00:52:13,920

investing in precious metal those kinds

1624

00:52:17,670 --> 00:52:15,440

of things but i think what's key at this

1625

00:52:18,950 --> 00:52:17,680

moment is invest in yourself if you've

1626
00:52:20,790 --> 00:52:18,960
got money that's just literally sitting

1627
00:52:22,069 --> 00:52:20,800
in the bank and slowly losing value

1628
00:52:23,349 --> 00:52:22,079
because of inflation and they could

1629
00:52:24,870 --> 00:52:23,359
potentially take it away from you

1630
00:52:26,790 --> 00:52:24,880
because you support the wrong causes or

1631
00:52:28,630 --> 00:52:26,800
because you listen to the wrong podcast

1632
00:52:30,710 --> 00:52:28,640
take it out of there go look up some

1633
00:52:32,230 --> 00:52:30,720
courses that you need to learn you know

1634
00:52:33,270 --> 00:52:32,240
if you're like okay one day i do want to

1635
00:52:35,190 --> 00:52:33,280
buy land but i really don't know

1636
00:52:37,349 --> 00:52:35,200
anything about growing food well go get

1637
00:52:39,589 --> 00:52:37,359
involved in the local community

1638
00:52:41,270 --> 00:52:39,599

gardeners you know find some local

1639

00:52:42,870 --> 00:52:41,280

agriculture or farmer that you can work

1640

00:52:45,270 --> 00:52:42,880

with or partner or volunteer with or

1641

00:52:46,870 --> 00:52:45,280

take an online course i mean that's much

1642

00:52:48,390 --> 00:52:46,880

more valuable way to use the money that

1643

00:52:50,309 --> 00:52:48,400

you have available to you is to invest

1644

00:52:52,390 --> 00:52:50,319

in yourself to give yourself the skills

1645

00:52:53,430 --> 00:52:52,400

and the tools and the

1646

00:52:55,030 --> 00:52:53,440

the information that you're going to

1647

00:52:57,030 --> 00:52:55,040

need to thrive

1648

00:52:58,390 --> 00:52:57,040

into the coming years and you know and

1649

00:53:00,230 --> 00:52:58,400

that's i think is what's most important

1650

00:53:01,430 --> 00:53:00,240

right now is we need to be taking all

1651
00:53:04,549 --> 00:53:01,440
these different tools and different

1652
00:53:06,870 --> 00:53:04,559
ideas and seeing what works for us and

1653
00:53:08,150 --> 00:53:06,880
seeing how we can empower ourselves

1654
00:53:08,950 --> 00:53:08,160
yeah man

1655
00:53:11,349 --> 00:53:08,960
oh

1656
00:53:13,750 --> 00:53:11,359
really great additions coming with the

1657
00:53:15,990 --> 00:53:13,760
freedom cells upgrade i got similar

1658
00:53:18,069 --> 00:53:16,000
feedback people were feeling isolated

1659
00:53:21,109 --> 00:53:18,079
feeling like the odd man out among

1660
00:53:22,870 --> 00:53:21,119
family and friends and i made the higher

1661
00:53:25,270 --> 00:53:22,880
side meetups calendar it's just a

1662
00:53:28,069 --> 00:53:25,280
totally free thing where you could go on

1663
00:53:29,829 --> 00:53:28,079

and say hey i want to find other higher

1664

00:53:32,150 --> 00:53:29,839

side chats listeners around me let's all

1665

00:53:34,710 --> 00:53:32,160

go to this brewery or something very

1666

00:53:37,589 --> 00:53:34,720

cool and then you know i just end every

1667

00:53:39,109 --> 00:53:37,599

show reading the meetups and it's just

1668

00:53:40,870 --> 00:53:39,119

probably not the best system freedom

1669

00:53:42,470 --> 00:53:40,880

sells is much better but it's what i can

1670

00:53:44,309 --> 00:53:42,480

do with my people

1671

00:53:46,549 --> 00:53:44,319

and just trying to get them out there

1672

00:53:49,430 --> 00:53:46,559

and even trying to coordinate groups

1673

00:53:50,950 --> 00:53:49,440

with uh other shows like we're all

1674

00:53:52,950 --> 00:53:50,960

talking about similar things we're all

1675

00:53:54,790 --> 00:53:52,960

on the same page it doesn't matter which

1676
00:53:56,710 --> 00:53:54,800
show you like best if you're looking for

1677
00:53:58,150 --> 00:53:56,720
people locally who agree with you on

1678
00:54:00,630 --> 00:53:58,160
these things because

1679
00:54:02,710 --> 00:54:00,640
it has been a really isolating few years

1680
00:54:05,030 --> 00:54:02,720
for some people and it's funny you

1681
00:54:07,349 --> 00:54:05,040
mentioned the dating thing i do have a

1682
00:54:08,950 --> 00:54:07,359
singles forum thread it doesn't get used

1683
00:54:11,349 --> 00:54:08,960
a whole lot and a forum thread isn't

1684
00:54:13,109 --> 00:54:11,359
even the best way to do such a thing but

1685
00:54:15,109 --> 00:54:13,119
it's in the

1686
00:54:17,030 --> 00:54:15,119
mindset of trying to get people

1687
00:54:19,910 --> 00:54:17,040
connected i've thought about adding

1688
00:54:22,309 --> 00:54:19,920

fields to profiles that so that people

1689

00:54:24,470 --> 00:54:22,319

who are subscribers can just list their

1690

00:54:25,990 --> 00:54:24,480

independent businesses so

1691

00:54:28,069 --> 00:54:26,000

any member could just scroll the

1692

00:54:30,230 --> 00:54:28,079

database of businesses and like hey i'm

1693

00:54:31,910 --> 00:54:30,240

in the market for this or that let me

1694

00:54:34,549 --> 00:54:31,920

see if there's a higher side chats

1695

00:54:37,030 --> 00:54:34,559

listener who does this who makes a good

1696

00:54:38,390 --> 00:54:37,040

product that could you know support that

1697

00:54:40,390 --> 00:54:38,400

instead of me going to the mall or

1698

00:54:41,670 --> 00:54:40,400

something and yeah it's a beautiful

1699

00:54:43,270 --> 00:54:41,680

thing yeah those are all just going to

1700

00:54:45,349 --> 00:54:43,280

say that those are all great starts

1701
00:54:47,750 --> 00:54:45,359
ma'am and you definitely like you've got

1702
00:54:49,109 --> 00:54:47,760
such a big audience that even giving

1703
00:54:51,589 --> 00:54:49,119
them those

1704
00:54:53,270 --> 00:54:51,599
options i think is magnificent because

1705
00:54:55,349 --> 00:54:53,280
people are looking to connect right now

1706
00:54:58,069 --> 00:54:55,359
i mean i think that so much of what is

1707
00:54:59,510 --> 00:54:58,079
happening in our world is because people

1708
00:55:01,910 --> 00:54:59,520
in a lot of different ways people feel

1709
00:55:03,270 --> 00:55:01,920
disconnected people feel alone and so

1710
00:55:05,109 --> 00:55:03,280
yeah i've realized that more and more

1711
00:55:06,789 --> 00:55:05,119
man and people of all ages you know we

1712
00:55:09,030 --> 00:55:06,799
got people there are older folks that

1713
00:55:10,549 --> 00:55:09,040

i've come across in the movement who are

1714

00:55:12,870 --> 00:55:10,559

getting to the point where they want

1715

00:55:14,710 --> 00:55:12,880

someone to spend the last 20 whatever

1716

00:55:16,950 --> 00:55:14,720

years their life 30 years their life and

1717

00:55:18,870 --> 00:55:16,960

they're not feeling too optimistic about

1718

00:55:20,150 --> 00:55:18,880

it because of oh now i can't you know

1719

00:55:21,670 --> 00:55:20,160

the vaccines are dividing people are

1720

00:55:23,109 --> 00:55:21,680

this and that there's also a lot of

1721

00:55:25,589 --> 00:55:23,119

young people who

1722

00:55:27,589 --> 00:55:25,599

lost relationships and stuff and the

1723

00:55:29,109 --> 00:55:27,599

lockdowns didn't help anybody

1724

00:55:31,109 --> 00:55:29,119

it's a tough time for a lot of people as

1725

00:55:33,030 --> 00:55:31,119

we were saying from the beginning and

1726

00:55:34,630 --> 00:55:33,040

any way we can bring people together

1727

00:55:36,630 --> 00:55:34,640

whether through your website or freedom

1728

00:55:38,150 --> 00:55:36,640

cells like i said the more the merrier

1729

00:55:40,069 --> 00:55:38,160

we need as many options for people to

1730

00:55:41,270 --> 00:55:40,079

connect and do it on a local level

1731

00:55:42,950 --> 00:55:41,280

because i think that's where we really

1732

00:55:46,390 --> 00:55:42,960

have strength you know we can connect

1733

00:55:48,069 --> 00:55:46,400

digitally and share ideas but ultimately

1734

00:55:49,990 --> 00:55:48,079

what i do in mexico in my community

1735

00:55:51,589 --> 00:55:50,000

doesn't necessarily benefit you in

1736

00:55:53,990 --> 00:55:51,599

southern california or someone listening

1737

00:55:54,789 --> 00:55:54,000

in chicago or wherever else right so we

1738

00:55:55,990 --> 00:55:54,799

need

1739

00:55:57,349 --> 00:55:56,000

that same

1740

00:55:58,789 --> 00:55:57,359

we need people to be wherever you're

1741

00:56:00,150 --> 00:55:58,799

going to be holding down the fort as i

1742

00:56:01,349 --> 00:56:00,160

call it if you're committed to like for

1743

00:56:02,470 --> 00:56:01,359

example with you if you're committed to

1744

00:56:04,390 --> 00:56:02,480

southern california if someone's

1745

00:56:05,990 --> 00:56:04,400

committed to texas

1746

00:56:07,109 --> 00:56:06,000

whatever your move is if you're moving

1747

00:56:08,630 --> 00:56:07,119

somewhere else or if you're staying

1748

00:56:10,789 --> 00:56:08,640

where you're at

1749

00:56:12,230 --> 00:56:10,799

if you're committed to that place

1750

00:56:13,829 --> 00:56:12,240

you need to build there that's just what

1751

00:56:15,990 --> 00:56:13,839

i feel like is so important and finding

1752

00:56:17,670 --> 00:56:16,000

people locally who you know because a

1753

00:56:20,150 --> 00:56:17,680

lot of it also is just

1754

00:56:21,990 --> 00:56:20,160

social you know so much of

1755

00:56:23,750 --> 00:56:22,000

what i saw too is that even if people

1756

00:56:26,470 --> 00:56:23,760

weren't doing these big changes in their

1757

00:56:28,710 --> 00:56:26,480

lives that freedom cells at the least

1758

00:56:30,789 --> 00:56:28,720

gave them a place where a couple hours a

1759

00:56:32,470 --> 00:56:30,799

week or however often they met they felt

1760

00:56:34,549 --> 00:56:32,480

like they weren't crazy and that's a

1761

00:56:36,150 --> 00:56:34,559

huge thing right now that's just so

1762

00:56:37,990 --> 00:56:36,160

important i mean again it's so simple

1763

00:56:40,069 --> 00:56:38,000

but helping other people realize like

1764

00:56:42,069 --> 00:56:40,079

holy crap i'm not alone i mean i've seen

1765

00:56:43,430 --> 00:56:42,079

it happen so many times and i saw it on

1766

00:56:44,870 --> 00:56:43,440

tour where people who might not be

1767

00:56:46,309 --> 00:56:44,880

plugged in locally they don't know the

1768

00:56:48,789 --> 00:56:46,319

local freedom cells or the different

1769

00:56:50,390 --> 00:56:48,799

groups they just heard about an event or

1770

00:56:51,829 --> 00:56:50,400

you know somebody told them to come or

1771

00:56:53,829 --> 00:56:51,839

they just know about my work but they're

1772

00:56:55,510 --> 00:56:53,839

not locally plugged in and in the moment

1773

00:56:57,589 --> 00:56:55,520

that happens it's like this whole world

1774

00:56:59,589 --> 00:56:57,599

opens up to him and now they have a new

1775

00:57:01,430 --> 00:56:59,599

group of friends that often become like

1776
00:57:02,710 --> 00:57:01,440
family and maybe even closer than their

1777
00:57:04,710 --> 00:57:02,720
real family especially if they were

1778
00:57:06,150 --> 00:57:04,720
being judged or attacked by their family

1779
00:57:07,910 --> 00:57:06,160
and then they get plugged into events

1780
00:57:10,390 --> 00:57:07,920
and they get plugged into like action

1781
00:57:11,910 --> 00:57:10,400
solutions and that can truly

1782
00:57:13,910 --> 00:57:11,920
change your life from just feeling

1783
00:57:16,309 --> 00:57:13,920
pretty down and pretty

1784
00:57:18,710 --> 00:57:16,319
just really negative and pessimistic

1785
00:57:20,390 --> 00:57:18,720
about the future to feeling like okay i

1786
00:57:22,789 --> 00:57:20,400
actually have some solutions i actually

1787
00:57:24,829 --> 00:57:22,799
do have tools that i can do

1788
00:57:27,829 --> 00:57:24,839

all is not lost you know and that's so

1789

00:57:29,710 --> 00:57:27,839

valuable it is it is and

1790

00:57:31,430 --> 00:57:29,720

man i can't believe we've had enough

1791

00:57:32,870 --> 00:57:31,440

solution-oriented things to fill the

1792

00:57:35,430 --> 00:57:32,880

whole first hour here i thought we were

1793

00:57:36,710 --> 00:57:35,440

going to have to go dark but another

1794

00:57:38,630 --> 00:57:36,720

little thing i wanted to throw in is

1795

00:57:40,390 --> 00:57:38,640

digital technology it's obviously

1796

00:57:42,710 --> 00:57:40,400

important too and i've considered

1797

00:57:44,630 --> 00:57:42,720

getting rid of my phone over the emf

1798

00:57:46,789 --> 00:57:44,640

concerns especially with a young baby

1799

00:57:49,109 --> 00:57:46,799

around but then i'd be chained to my

1800

00:57:51,109 --> 00:57:49,119

computer twice as much as i am now

1801
00:57:53,270 --> 00:57:51,119
because of what i do for work but at

1802
00:57:55,190 --> 00:57:53,280
least in terms of playing ball with the

1803
00:57:58,069 --> 00:57:55,200
surveillance machine and all the data

1804
00:58:00,390 --> 00:57:58,079
collection we do have other options like

1805
00:58:02,309 --> 00:58:00,400
jail breaking our phones and installing

1806
00:58:04,150 --> 00:58:02,319
the graphene os

1807
00:58:07,270 --> 00:58:04,160
or this other thing that i've seen you

1808
00:58:09,430 --> 00:58:07,280
post about called the above phone do you

1809
00:58:10,870 --> 00:58:09,440
know enough about that to speak to it a

1810
00:58:13,030 --> 00:58:10,880
little bit

1811
00:58:14,390 --> 00:58:13,040
yeah absolutely i do and i'm glad you

1812
00:58:16,789 --> 00:58:14,400
brought that up i was gonna mention that

1813
00:58:18,789 --> 00:58:16,799

i almost forgot but yeah definitely so

1814

00:58:20,549 --> 00:58:18,799

first thing i'll say is that

1815

00:58:22,549 --> 00:58:20,559

basically the guy who built the website

1816

00:58:23,910 --> 00:58:22,559

for the greater reset and the freedom

1817

00:58:25,990 --> 00:58:23,920

cell network website that i was just

1818

00:58:27,510 --> 00:58:26,000

describing his name is ramiro romani

1819

00:58:29,270 --> 00:58:27,520

he's originally from houston as well i

1820

00:58:30,630 --> 00:58:29,280

know him just from back in houston and

1821

00:58:32,069 --> 00:58:30,640

we've been working together now for

1822

00:58:33,510 --> 00:58:32,079

about two years

1823

00:58:34,950 --> 00:58:33,520

again he's one of the tech people i

1824

00:58:36,390 --> 00:58:34,960

mentioned who do know how to do all the

1825

00:58:38,710 --> 00:58:36,400

tech things that i don't know how to do

1826

00:58:41,109 --> 00:58:38,720

but i can help share and so he's been

1827

00:58:43,510 --> 00:58:41,119

involved in not only helping us improve

1828

00:58:45,510 --> 00:58:43,520

our tech side of things but he has his

1829

00:58:47,990 --> 00:58:45,520

own project website called take back our

1830

00:58:51,109 --> 00:58:48,000

tech take back our tech.org

1831

00:58:52,470 --> 00:58:51,119

and again this is an amazing resource

1832

00:58:53,829 --> 00:58:52,480

for people who are really trying to

1833

00:58:55,829 --> 00:58:53,839

figure out like like you said like we

1834

00:58:57,990 --> 00:58:55,839

need to use digital tools i'm sitting

1835

00:59:00,309 --> 00:58:58,000

here in front of two computers and you

1836

00:59:01,589 --> 00:59:00,319

know and technology all around me but i

1837

00:59:03,270 --> 00:59:01,599

want to learn how to use those tools as

1838

00:59:05,109 --> 00:59:03,280

best as possible and so

1839

00:59:07,109 --> 00:59:05,119

take back our tech offers

1840

00:59:09,109 --> 00:59:07,119

a lot of really helpful both

1841

00:59:10,390 --> 00:59:09,119

blogging guides and video guides where

1842

00:59:12,549 --> 00:59:10,400

ramiro will take you through different

1843

00:59:15,990 --> 00:59:12,559

things like for example how to change

1844

00:59:18,549 --> 00:59:16,000

your computer to get off of microsoft or

1845

00:59:20,470 --> 00:59:18,559

apple or google and get on linux and you

1846

00:59:21,670 --> 00:59:20,480

know finding a linux operating system

1847

00:59:23,270 --> 00:59:21,680

that works for you

1848

00:59:24,950 --> 00:59:23,280

that's what i'm using i'm using linux

1849

00:59:26,630 --> 00:59:24,960

right now he's helped me convert all of

1850

00:59:28,470 --> 00:59:26,640

my stuff over the last year it's

1851
00:59:30,549 --> 00:59:28,480
something i've known about for years but

1852
00:59:32,390 --> 00:59:30,559
i just didn't take the initiative and

1853
00:59:34,309 --> 00:59:32,400
didn't have the opportunity and so

1854
00:59:36,230 --> 00:59:34,319
there's things like that as well as on

1855
00:59:38,150 --> 00:59:36,240
take back our tech he promotes

1856
00:59:41,109 --> 00:59:38,160
some lesser-known

1857
00:59:42,950 --> 00:59:41,119
encrypted messaging platforms like xmpp

1858
00:59:45,750 --> 00:59:42,960
and just a lot of good really

1859
00:59:47,750 --> 00:59:45,760
database for all kinds of decentralized

1860
00:59:49,829 --> 00:59:47,760
and kind of open source tech knowledge

1861
00:59:51,270 --> 00:59:49,839
and a big part of that is as you

1862
00:59:53,190 --> 00:59:51,280
mentioned the phones i mean the phones

1863
00:59:54,230 --> 00:59:53,200

are clearly one of the most

1864

00:59:56,309 --> 00:59:54,240

just

1865

00:59:57,990 --> 00:59:56,319

the least privacy based thing that many

1866

01:00:00,150 --> 00:59:58,000

activists do that many of us who know

1867

01:00:02,470 --> 01:00:00,160

about it right like i don't use a phone

1868

01:00:03,990 --> 01:00:02,480

but i'm also you know here at home on

1869

01:00:05,510 --> 01:00:04,000

the computer all the time like you said

1870

01:00:06,789 --> 01:00:05,520

and i don't have a child so i don't have

1871

01:00:08,789 --> 01:00:06,799

to worry about as much as you do in the

1872

01:00:10,230 --> 01:00:08,799

same sense but i know the pain of what

1873

01:00:12,230 --> 01:00:10,240

you're saying because

1874

01:00:14,390 --> 01:00:12,240

i often end up just carrying my computer

1875

01:00:15,670 --> 01:00:14,400

around with me everywhere i go and so

1876

01:00:18,150 --> 01:00:15,680

i'm like okay what's the difference

1877

01:00:19,670 --> 01:00:18,160

right but if you're gonna use a phone

1878

01:00:21,109 --> 01:00:19,680

and you know some people go the dumb

1879

01:00:22,390 --> 01:00:21,119

phone option and go buy an old one

1880

01:00:23,990 --> 01:00:22,400

that's an option you know i've done that

1881

01:00:25,829 --> 01:00:24,000

in the past too but if you want a

1882

01:00:27,670 --> 01:00:25,839

smartphone or you need it for work or

1883

01:00:29,589 --> 01:00:27,680

there's just some benefit well as you

1884

01:00:31,829 --> 01:00:29,599

said there are options of de-googling

1885

01:00:33,829 --> 01:00:31,839

your phone jailbreaking them and putting

1886

01:00:35,990 --> 01:00:33,839

in better operating systems including

1887

01:00:37,190 --> 01:00:36,000

graphene as you mentioned and so that

1888

01:00:39,109 --> 01:00:37,200

information's out there if you've got

1889

01:00:40,789 --> 01:00:39,119

the drive and the time and the energy

1890

01:00:43,190 --> 01:00:40,799

you can go look it up on youtube and

1891

01:00:44,789 --> 01:00:43,200

watch some videos and read some blogs

1892

01:00:47,109 --> 01:00:44,799

but if you don't have that knowledge or

1893

01:00:47,910 --> 01:00:47,119

the patience or just want

1894

01:00:50,630 --> 01:00:47,920

something that's a little more

1895

01:00:52,390 --> 01:00:50,640

streamlined what ramiro offers is the

1896

01:00:53,990 --> 01:00:52,400

above phone and the website's just above

1897

01:00:55,990 --> 01:00:54,000

phone.com

1898

01:00:57,829 --> 01:00:56,000

i can probably send you a direct link

1899

01:00:59,349 --> 01:00:57,839

and i think if you order it through me

1900

01:01:00,710 --> 01:00:59,359

there might be like a slight discount or

1901
01:01:03,430 --> 01:01:00,720
something for the audience so if anybody

1902
01:01:05,190 --> 01:01:03,440
wants that but the phone is just

1903
01:01:07,750 --> 01:01:05,200
he has a few versions now but they have

1904
01:01:09,109 --> 01:01:07,760
google phones you know google pixels

1905
01:01:10,549 --> 01:01:09,119
that have been stripped of all the

1906
01:01:12,150 --> 01:01:10,559
google stuff

1907
01:01:14,150 --> 01:01:12,160
you know so d googled and all the

1908
01:01:15,670 --> 01:01:14,160
spyware removed and then

1909
01:01:16,950 --> 01:01:15,680
there's a couple of options you can just

1910
01:01:19,670 --> 01:01:16,960
buy the phone like hey here's your

1911
01:01:21,030 --> 01:01:19,680
google pixel and what they include with

1912
01:01:22,950 --> 01:01:21,040
it is

1913
01:01:24,309 --> 01:01:22,960

a host of different tools so all the

1914

01:01:27,030 --> 01:01:24,319

stuff you're used to like email

1915

01:01:29,190 --> 01:01:27,040

messaging video platforms

1916

01:01:31,829 --> 01:01:29,200

calendar calculator all that stuff but

1917

01:01:33,829 --> 01:01:31,839

it's non-microsoft non-google versions

1918

01:01:35,670 --> 01:01:33,839

of these so instead of google maps on

1919

01:01:36,950 --> 01:01:35,680

there you have organic maps

1920

01:01:39,670 --> 01:01:36,960

there's like three different mapping

1921

01:01:41,270 --> 01:01:39,680

options and so a lot of it is just it's

1922

01:01:43,270 --> 01:01:41,280

just like a new learning curve a lot of

1923

01:01:44,630 --> 01:01:43,280

them the tools look exactly the same the

1924

01:01:47,270 --> 01:01:44,640

ones you're used to but they're not

1925

01:01:48,789 --> 01:01:47,280

sending back data to the companies every

1926

01:01:51,030 --> 01:01:48,799

two seconds like all the other tools

1927

01:01:52,549 --> 01:01:51,040

that we're used to right so some of them

1928

01:01:54,150 --> 01:01:52,559

like the maps don't look exactly like

1929

01:01:55,910 --> 01:01:54,160

what you're used to when you're used to

1930

01:01:56,789 --> 01:01:55,920

looking at google maps but this is also

1931

01:01:58,710 --> 01:01:56,799

for me

1932

01:02:01,190 --> 01:01:58,720

i realized just over the past year how

1933

01:02:03,910 --> 01:02:01,200

big of a weakness this is to many of us

1934

01:02:05,349 --> 01:02:03,920

99 of the world probably because even

1935

01:02:07,829 --> 01:02:05,359

something as simple as trying a new

1936

01:02:09,670 --> 01:02:07,839

digital map is hard to adjust to because

1937

01:02:10,789 --> 01:02:09,680

we're so used to what google maps looks

1938

01:02:12,069 --> 01:02:10,799

like

1939

01:02:13,990 --> 01:02:12,079

and yeah there is a slight learning

1940

01:02:15,829 --> 01:02:14,000

curve but the maps work great and what i

1941

01:02:17,270 --> 01:02:15,839

love about it like with organic maps

1942

01:02:19,349 --> 01:02:17,280

when miriam and i were traveling around

1943

01:02:21,190 --> 01:02:19,359

the us and mexico for our tour what you

1944

01:02:22,470 --> 01:02:21,200

can do is you can use it just like you

1945

01:02:23,990 --> 01:02:22,480

normally would like you're connected to

1946

01:02:25,029 --> 01:02:24,000

the internet and you know use it like a

1947

01:02:26,390 --> 01:02:25,039

map

1948

01:02:27,589 --> 01:02:26,400

sometimes it might not find the

1949

01:02:28,870 --> 01:02:27,599

locations you're looking for and you

1950

01:02:30,470 --> 01:02:28,880

have to kind of manually put it in the

1951

01:02:32,069 --> 01:02:30,480

location but it still works great and

1952

01:02:33,829 --> 01:02:32,079

then you can you're like building the

1953

01:02:35,109 --> 01:02:33,839

map so maybe you add the location to

1954

01:02:36,789 --> 01:02:35,119

your church or your workplace or

1955

01:02:39,109 --> 01:02:36,799

whatever and now it has saved there and

1956

01:02:40,630 --> 01:02:39,119

you can get there easier but the other

1957

01:02:42,230 --> 01:02:40,640

thing is you can download all the maps

1958

01:02:43,750 --> 01:02:42,240

so let's say the power goes out or you

1959

01:02:45,589 --> 01:02:43,760

lose internet service

1960

01:02:47,670 --> 01:02:45,599

those maps are downloaded to your phone

1961

01:02:49,270 --> 01:02:47,680

now so you can still use them just like

1962

01:02:50,950 --> 01:02:49,280

you would anything else as long as you

1963

01:02:53,029 --> 01:02:50,960

know where you need to go and of course

1964

01:02:55,109 --> 01:02:53,039

it's gonna be using your gps while

1965

01:02:57,109 --> 01:02:55,119

you're using the maps that's the kind of

1966

01:02:58,470 --> 01:02:57,119

the give and take with those tools

1967

01:03:00,470 --> 01:02:58,480

but that's really cool because it's as

1968

01:03:02,309 --> 01:03:00,480

close to a digital paper map as you can

1969

01:03:03,589 --> 01:03:02,319

get right it's like downloaded to your

1970

01:03:05,190 --> 01:03:03,599

phone

1971

01:03:06,870 --> 01:03:05,200

so as we were traveling the us we would

1972

01:03:08,470 --> 01:03:06,880

download okay that we need the texas map

1973

01:03:10,150 --> 01:03:08,480

okay we need the california map okay we

1974

01:03:11,589 --> 01:03:10,160

need this and then eventually you know

1975

01:03:13,029 --> 01:03:11,599

we had the whole us

1976

01:03:15,510 --> 01:03:13,039

that's like how we chose to do it so

1977

01:03:17,109 --> 01:03:15,520

that we could just practice with it yeah

1978

01:03:18,549 --> 01:03:17,119

and so many other tools you can just buy

1979

01:03:19,990 --> 01:03:18,559

the phone from above phone just like

1980

01:03:22,069 --> 01:03:20,000

that hey i'm gonna buy it i'm gonna get

1981

01:03:23,510 --> 01:03:22,079

my own service my own sim card but they

1982

01:03:25,109 --> 01:03:23,520

also

1983

01:03:27,349 --> 01:03:25,119

have other kind of packages where you

1984

01:03:29,190 --> 01:03:27,359

can buy what they call the above suite

1985

01:03:32,390 --> 01:03:29,200

which is like their own servers which

1986

01:03:34,630 --> 01:03:32,400

are hosted i believe in iceland and you

1987

01:03:36,710 --> 01:03:34,640

can get email through them and xmpp

1988

01:03:38,390 --> 01:03:36,720

encrypted messaging and your own jitsi

1989

01:03:40,230 --> 01:03:38,400

hosting service jitsi is like an

1990

01:03:41,829 --> 01:03:40,240

alternative to zoom

1991

01:03:43,829 --> 01:03:41,839

so they have different levels that you

1992

01:03:45,589 --> 01:03:43,839

can go about and they're very much

1993

01:03:47,430 --> 01:03:45,599

available to help walk people through

1994

01:03:49,109 --> 01:03:47,440

these things and and it's really cool

1995

01:03:50,390 --> 01:03:49,119

because it's been growing pretty rapidly

1996

01:03:52,870 --> 01:03:50,400

through our network a lot of people

1997

01:03:53,990 --> 01:03:52,880

getting the above phone or at least just

1998

01:03:55,829 --> 01:03:54,000

if you don't want to get the above phone

1999

01:03:57,510 --> 01:03:55,839

just seek some alternative right that's

2000

01:03:59,270 --> 01:03:57,520

the whole point but it's been cool to

2001
01:04:01,029 --> 01:03:59,280
see it growing to the point that now we

2002
01:04:02,549 --> 01:04:01,039
have distribution out here in mexico as

2003
01:04:04,710 --> 01:04:02,559
well so like i'm

2004
01:04:05,910 --> 01:04:04,720
one of the official unofficial

2005
01:04:07,990 --> 01:04:05,920
distributors of the phone out here in

2006
01:04:09,349 --> 01:04:08,000
morelia where i live so yeah it's

2007
01:04:10,630 --> 01:04:09,359
growing and

2008
01:04:12,710 --> 01:04:10,640
it's a tool you know if you're going to

2009
01:04:15,029 --> 01:04:12,720
be using a smartphone

2010
01:04:16,950 --> 01:04:15,039
why spend

2011
01:04:18,470 --> 01:04:16,960
however much people pay for phones on

2012
01:04:20,549 --> 01:04:18,480
the latest whatever that's just going to

2013
01:04:22,470 --> 01:04:20,559

spy on you when you could at least spend

2014

01:04:25,270 --> 01:04:22,480

some money and invest in a phone that is

2015

01:04:26,789 --> 01:04:25,280

going to start you off on a better foot

2016

01:04:28,549 --> 01:04:26,799

now of course if you download you buy

2017

01:04:30,870 --> 01:04:28,559

the phone and you go download facebook

2018

01:04:32,789 --> 01:04:30,880

and instagram and all that stuff and

2019

01:04:35,510 --> 01:04:32,799

give them access to your phone you do

2020

01:04:37,190 --> 01:04:35,520

kind of defeat the purpose of it um

2021

01:04:39,109 --> 01:04:37,200

so there's different levels of privacy

2022

01:04:40,549 --> 01:04:39,119

you can have with it you could be like a

2023

01:04:42,549 --> 01:04:40,559

super secure

2024

01:04:44,390 --> 01:04:42,559

privacy anonymous person using this

2025

01:04:46,150 --> 01:04:44,400

phone you could also still just do the

2026

01:04:47,829 --> 01:04:46,160

things you're used to but instead of

2027

01:04:49,510 --> 01:04:47,839

sending youtube all your data you're

2028

01:04:51,190 --> 01:04:49,520

going to use the new pipe app which

2029

01:04:52,470 --> 01:04:51,200

allows you to watch videos on youtube

2030

01:04:53,829 --> 01:04:52,480

but it's not sending them any of your

2031

01:04:55,109 --> 01:04:53,839

information so i mean it's an

2032

01:04:56,710 --> 01:04:55,119

alternative for a lot of things you're

2033

01:04:58,630 --> 01:04:56,720

already used to so yeah i would

2034

01:05:01,589 --> 01:04:58,640

definitely recommend takebacktech.org

2035

01:05:02,549 --> 01:05:01,599

and above phone.com

2036

01:05:04,789 --> 01:05:02,559

another

2037

01:05:06,470 --> 01:05:04,799

great possibility for people to engage

2038

01:05:09,270 --> 01:05:06,480

in and it's another area we shouldn't

2039

01:05:11,750 --> 01:05:09,280

neglect it's not just about food and

2040

01:05:14,470 --> 01:05:11,760

communities but tech and as you said a

2041

01:05:16,390 --> 01:05:14,480

lot of activists talk a strong game with

2042

01:05:18,549 --> 01:05:16,400

an iphone or a google pixel in their

2043

01:05:20,870 --> 01:05:18,559

pocket it's one of the places we tend to

2044

01:05:23,270 --> 01:05:20,880

compromise but again there are no

2045

01:05:25,990 --> 01:05:23,280

perfect people we're all just trying to

2046

01:05:28,470 --> 01:05:26,000

reclaim aspects of our freedom our

2047

01:05:30,549 --> 01:05:28,480

security and our privacy we're doing the

2048

01:05:31,430 --> 01:05:30,559

best we can exactly

2049

01:05:34,270 --> 01:05:31,440

and

2050

01:05:35,670 --> 01:05:34,280

before we go obviously

2051
01:05:36,950 --> 01:05:35,680
theconsciousresistance.com is your

2052
01:05:38,870 --> 01:05:36,960
central hub

2053
01:05:40,390 --> 01:05:38,880
but anything else you're working on that

2054
01:05:42,630 --> 01:05:40,400
we should throw out there you know these

2055
01:05:44,150 --> 01:05:42,640
conferences and live events i always

2056
01:05:46,230 --> 01:05:44,160
find them after they've happened you

2057
01:05:47,829 --> 01:05:46,240
have any events on the books for the

2058
01:05:50,630 --> 01:05:47,839
rest of the year

2059
01:05:52,870 --> 01:05:50,640
well not for this year but early 2023 so

2060
01:05:54,710 --> 01:05:52,880
i'll mention it now the greater reset

2061
01:05:56,950 --> 01:05:54,720
four we're coming back the website is

2062
01:05:58,710 --> 01:05:56,960
the greaterreset.org

2063
01:06:00,630 --> 01:05:58,720

we're calling the fourth one co-creation

2064

01:06:01,990 --> 01:06:00,640

and for those who aren't familiar i mean

2065

01:06:03,349 --> 01:06:02,000

it's pretty much taken the first half of

2066

01:06:05,270 --> 01:06:03,359

the show and all the solutions we were

2067

01:06:07,990 --> 01:06:05,280

talking about and throwing them into an

2068

01:06:09,829 --> 01:06:08,000

event five days we meet the same week

2069

01:06:12,150 --> 01:06:09,839

that the world economic forum meets in

2070

01:06:14,549 --> 01:06:12,160

davos so the same way they get together

2071

01:06:17,190 --> 01:06:14,559

with their thinkers and

2072

01:06:18,950 --> 01:06:17,200

people to talk about technology and the

2073

01:06:20,789 --> 01:06:18,960

health industry and all that stuff we

2074

01:06:23,670 --> 01:06:20,799

get together some of the brightest minds

2075

01:06:26,549 --> 01:06:23,680

in the freedom truth conspiracy

2076

01:06:28,230 --> 01:06:26,559

decentralized tech crypto etc

2077

01:06:30,150 --> 01:06:28,240

movements homestead homeschooling

2078

01:06:32,150 --> 01:06:30,160

movements and for five days we talk

2079

01:06:33,829 --> 01:06:32,160

about mental physical spiritual health

2080

01:06:36,150 --> 01:06:33,839

we talk about permaculture and growing

2081

01:06:38,069 --> 01:06:36,160

food we talk about building community

2082

01:06:40,630 --> 01:06:38,079

decentralized technology counter

2083

01:06:43,349 --> 01:06:40,640

economics five days of solutions it's a

2084

01:06:45,510 --> 01:06:43,359

live event in texas and in mexico very

2085

01:06:47,430 --> 01:06:45,520

affordable and it's also free to watch

2086

01:06:49,510 --> 01:06:47,440

online if you can't come in person

2087

01:06:51,430 --> 01:06:49,520

but i encourage you to just sign up for

2088

01:06:54,470 --> 01:06:51,440

our email list thegraderreset.org we'll

2089

01:06:56,069 --> 01:06:54,480

be sending out updates as we get closer

2090

01:06:58,950 --> 01:06:56,079

i can confirm that we are already going

2091

01:07:01,910 --> 01:06:58,960

to have katherine austin fifth speaking

2092

01:07:03,430 --> 01:07:01,920

christian westbrook of ice age farmer

2093

01:07:05,190 --> 01:07:03,440

and a lot of really other

2094

01:07:06,789 --> 01:07:05,200

amazing people that people won't know

2095

01:07:08,470 --> 01:07:06,799

their names but they would want to know

2096

01:07:09,990 --> 01:07:08,480

about the tools and tips that they have

2097

01:07:11,670 --> 01:07:10,000

because that's one thing as well it's

2098

01:07:13,349 --> 01:07:11,680

like balancing between the big names

2099

01:07:15,670 --> 01:07:13,359

that are going to draw people in and the

2100

01:07:17,430 --> 01:07:15,680

people who don't have any following but

2101
01:07:18,549 --> 01:07:17,440
these people can teach you how to grow

2102
01:07:19,670 --> 01:07:18,559
you know

2103
01:07:21,029 --> 01:07:19,680
a hundred pounds of food in your

2104
01:07:22,470 --> 01:07:21,039
backyard or something like that you know

2105
01:07:24,150 --> 01:07:22,480
the people who are doing the good work

2106
01:07:26,150 --> 01:07:24,160
but just don't have a a brand or

2107
01:07:28,870 --> 01:07:26,160
something so i encourage everybody to

2108
01:07:30,470 --> 01:07:28,880
check it out the greaterreset.org

2109
01:07:33,430 --> 01:07:30,480
that's a great approach it's kind of how

2110
01:07:34,630 --> 01:07:33,440
i try to choose guests as well but man

2111
01:07:36,390 --> 01:07:34,640
this is

2112
01:07:38,390 --> 01:07:36,400
always a pleasure you are one of the

2113
01:07:40,549 --> 01:07:38,400

good ones you're doing great work and

2114

01:07:43,990 --> 01:07:40,559

i'm lucky to know you and have you pop

2115

01:07:45,910 --> 01:07:44,000

in every so often to keep us updated but

2116

01:07:47,829 --> 01:07:45,920

keep doing what you do keep fighting the

2117

01:07:49,190 --> 01:07:47,839

good fight and take care out there man

2118

01:07:52,789 --> 01:07:49,200

thank you so much brother i appreciate

2119

01:07:57,910 --> 01:07:56,309

serenity now people the great great

2120

01:08:00,309 --> 01:07:57,920

derrick bros

2121

01:08:03,109 --> 01:08:00,319

man his work ethic and commitment to

2122

01:08:05,589 --> 01:08:03,119

solution oriented projects is very

2123

01:08:08,309 --> 01:08:05,599

impressive you got to respect it

2124

01:08:10,309 --> 01:08:08,319

i'm enjoying having him on more and more

2125

01:08:12,789 --> 01:08:10,319

and probably need to get familiar with

2126

01:08:14,630 --> 01:08:12,799

other people that he works with

2127

01:08:16,309 --> 01:08:14,640

and i'm a big fan of how this went

2128

01:08:18,789 --> 01:08:16,319

actually i expected a lot of the

2129

01:08:20,550 --> 01:08:18,799

solutions talk to just take up 30

2130

01:08:21,990 --> 01:08:20,560

minutes or so but we filled the whole

2131

01:08:25,030 --> 01:08:22,000

first hour

2132

01:08:27,430 --> 01:08:25,040

with a wide range of resources and ideas

2133

01:08:30,149 --> 01:08:27,440

and so it comes off as a way more

2134

01:08:32,070 --> 01:08:30,159

positive episode than some others

2135

01:08:34,149 --> 01:08:32,080

that are really talking about the same

2136

01:08:35,510 --> 01:08:34,159

sort of stuff that's coming just with a

2137

01:08:38,470 --> 01:08:35,520

different tone

2138

01:08:41,030 --> 01:08:38,480

the conscious agora sounds awesome take

2139

01:08:42,709 --> 01:08:41,040

back our tech.com and the above phone

2140

01:08:44,870 --> 01:08:42,719

was a nice addition

2141

01:08:47,430 --> 01:08:44,880

to what is understandably usually a

2142

01:08:50,149 --> 01:08:47,440

conversation focused on location and

2143

01:08:52,789 --> 01:08:50,159

decentralized organic food

2144

01:08:55,749 --> 01:08:52,799

also i should mention his sustainable

2145

01:08:57,030 --> 01:08:55,759

communities in mexico map is now out and

2146

01:08:59,110 --> 01:08:57,040

available

2147

01:09:00,950 --> 01:08:59,120

there is a link in the show notes to his

2148

01:09:02,550 --> 01:09:00,960

page about it

2149

01:09:05,030 --> 01:09:02,560

very ambitious plan to have a

2150

01:09:06,390 --> 01:09:05,040

cross-border network between mexico and

2151

01:09:11,829 --> 01:09:06,400

texas

2152

01:09:13,829 --> 01:09:11,839

involved in this network somehow

2153

01:09:15,910 --> 01:09:13,839

it's funny because some people are so

2154

01:09:17,349 --> 01:09:15,920

obsessed with the border and getting it

2155

01:09:19,189 --> 01:09:17,359

sealed up

2156

01:09:20,870 --> 01:09:19,199

but it's been suggested before that

2157

01:09:23,349 --> 01:09:20,880

they're going to seal the border right

2158

01:09:25,430 --> 01:09:23,359

before americans really want to start

2159

01:09:26,870 --> 01:09:25,440

leaving in mass so be careful what you

2160

01:09:28,309 --> 01:09:26,880

wish for

2161

01:09:31,110 --> 01:09:28,319

because we're kind of talking about the

2162

01:09:33,030 --> 01:09:31,120

early stages of that right now

2163

01:09:34,470 --> 01:09:33,040

if the mexican government said eh we

2164

01:09:37,030 --> 01:09:34,480

don't really want you why don't you get

2165

01:09:39,430 --> 01:09:37,040

your own house in order

2166

01:09:41,669 --> 01:09:39,440

that would be one hell of a taste of our

2167

01:09:43,430 --> 01:09:41,679

own medicine wouldn't it

2168

01:09:45,669 --> 01:09:43,440

anyway i don't want to comment too much

2169

01:09:48,950 --> 01:09:45,679

on that because the border is a real

2170

01:09:51,990 --> 01:09:48,960

trigger issue for some people oftentimes

2171

01:09:54,070 --> 01:09:52,000

people who live nowhere near the border

2172

01:09:56,070 --> 01:09:54,080

even though i actually do and i know

2173

01:09:58,149 --> 01:09:56,080

several people with jobs here who live

2174

01:10:00,709 --> 01:09:58,159

over there i know several people who

2175

01:10:04,149 --> 01:10:00,719

live here and go over there for surfing

2176
01:10:06,149 --> 01:10:04,159
and food but when your main lens to view

2177
01:10:07,990 --> 01:10:06,159
a problem is through the media because

2178
01:10:10,149 --> 01:10:08,000
it's not a local problem for you

2179
01:10:12,070 --> 01:10:10,159
everything looks like the sky is falling

2180
01:10:13,750 --> 01:10:12,080
all the time right

2181
01:10:15,910 --> 01:10:13,760
media would also have you thinking that

2182
01:10:18,550 --> 01:10:15,920
there's not a single roof that isn't on

2183
01:10:20,229 --> 01:10:18,560
fire in california too

2184
01:10:21,830 --> 01:10:20,239
of course i do have empathy for those

2185
01:10:23,590 --> 01:10:21,840
who lose their homes you'd have to be

2186
01:10:25,990 --> 01:10:23,600
dumb not to

2187
01:10:27,910 --> 01:10:26,000
but california is a very big place if

2188
01:10:30,390 --> 01:10:27,920

you haven't noticed

2189

01:10:33,110 --> 01:10:30,400

either way really happy with this

2190

01:10:35,350 --> 01:10:33,120

i knew it was gonna start by mentioning

2191

01:10:37,830 --> 01:10:35,360

allison's rant and i didn't want to

2192

01:10:39,830 --> 01:10:37,840

spend too much time throwing shade at

2193

01:10:41,669 --> 01:10:39,840

her because that's not what we're about

2194

01:10:43,430 --> 01:10:41,679

but it is what brought me and derek

2195

01:10:45,430 --> 01:10:43,440

together again

2196

01:10:49,270 --> 01:10:45,440

and it is sort of important to talk

2197

01:10:52,070 --> 01:10:49,280

about tone and candor and the nuance of

2198

01:10:53,510 --> 01:10:52,080

being a person in this space

2199

01:10:55,270 --> 01:10:53,520

and you know what i'm going to say i'm

2200

01:10:58,229 --> 01:10:55,280

going to go back to the dave chappelle

2201

01:11:00,709 --> 01:10:58,239

bit about imperfect allies kind of his

2202

01:11:02,550 --> 01:11:00,719

rebuttal to wokeness where nobody is

2203

01:11:04,870 --> 01:11:02,560

ever pure enough

2204

01:11:08,070 --> 01:11:04,880

he makes points about me too and even

2205

01:11:10,870 --> 01:11:08,080

apartheid and says nobody's perfect but

2206

01:11:13,350 --> 01:11:10,880

if you aren't receptive and accepting of

2207

01:11:14,709 --> 01:11:13,360

people who want to be helpful in your

2208

01:11:17,350 --> 01:11:14,719

cause

2209

01:11:19,750 --> 01:11:17,360

if nobody can pass the purity test then

2210

01:11:21,990 --> 01:11:19,760

you'll be fighting your fight alone

2211

01:11:23,830 --> 01:11:22,000

and it will probably fail

2212

01:11:25,750 --> 01:11:23,840

we've had this conversation about flat

2213

01:11:27,990 --> 01:11:25,760

earthers too they draw this line in the

2214

01:11:29,830 --> 01:11:28,000

sand where if you're not a flat earther

2215

01:11:31,430 --> 01:11:29,840

then you're a shill and you're not on

2216

01:11:32,750 --> 01:11:31,440

our side well

2217

01:11:34,950 --> 01:11:32,760

did covid

2218

01:11:36,950 --> 01:11:34,960

re-organize your priorities has the

2219

01:11:39,270 --> 01:11:36,960

world economic forum made it seem a

2220

01:11:40,950 --> 01:11:39,280

little more important to be on the same

2221

01:11:42,470 --> 01:11:40,960

page with this sort of stuff than the

2222

01:11:44,149 --> 01:11:42,480

shape of the world

2223

01:11:45,830 --> 01:11:44,159

because i'm still here

2224

01:11:47,510 --> 01:11:45,840

willing to find that common ground with

2225

01:11:49,830 --> 01:11:47,520

you guys

2226
01:11:52,149 --> 01:11:49,840
but coveted lockdowns is a great example

2227
01:11:54,229 --> 01:11:52,159
when i was desperately looking for some

2228
01:11:57,110 --> 01:11:54,239
resistance to all these tyrannical

2229
01:11:59,990 --> 01:11:57,120
policies across my city

2230
01:12:02,229 --> 01:12:00,000
i didn't expect it to be churches

2231
01:12:04,310 --> 01:12:02,239
but there you go imperfect allies you've

2232
01:12:06,870 --> 01:12:04,320
heard me talk not so kindly about

2233
01:12:09,189 --> 01:12:06,880
organized religion in the past

2234
01:12:11,189 --> 01:12:09,199
but they were for vaccine freedom and

2235
01:12:13,669 --> 01:12:11,199
committed to human interactions and

2236
01:12:16,550 --> 01:12:13,679
public gatherings so i let the small

2237
01:12:19,430 --> 01:12:16,560
stuff that i didn't like go

2238
01:12:21,270 --> 01:12:19,440

same with a lot of fanatical trump folks

2239

01:12:23,030 --> 01:12:21,280

even some of our guests they do great

2240

01:12:24,709 --> 01:12:23,040

research they have good arguments but

2241

01:12:27,430 --> 01:12:24,719

then they have to throw in some big

2242

01:12:29,189 --> 01:12:27,440

daddy don comments and i just roll my

2243

01:12:31,030 --> 01:12:29,199

eyes and move on

2244

01:12:33,750 --> 01:12:31,040

who cares

2245

01:12:36,709 --> 01:12:33,760

these issues of masks and mandates and

2246

01:12:39,910 --> 01:12:36,719

lockdowns were way more important to me

2247

01:12:41,270 --> 01:12:39,920

than churches and politics

2248

01:12:43,430 --> 01:12:41,280

so i took

2249

01:12:45,350 --> 01:12:43,440

imperfect allies wherever they were i

2250

01:12:48,149 --> 01:12:45,360

think allison needs to reconsider what

2251

01:12:50,550 --> 01:12:48,159

her real priority is

2252

01:12:53,350 --> 01:12:50,560

if it's to educate enough people to the

2253

01:12:55,189 --> 01:12:53,360

nefarious plans of these folks and how

2254

01:12:56,390 --> 01:12:55,199

digital technology and this new

2255

01:12:58,709 --> 01:12:56,400

infrastructure is going to be

2256

01:13:01,270 --> 01:12:58,719

instrumental and all of that

2257

01:13:03,510 --> 01:13:01,280

does ranting about me and derek help

2258

01:13:05,669 --> 01:13:03,520

that cause or heard it

2259

01:13:07,430 --> 01:13:05,679

she obviously doesn't need us but we

2260

01:13:10,470 --> 01:13:07,440

really should be on the same side here

2261

01:13:12,149 --> 01:13:10,480

we can all be helpful

2262

01:13:14,550 --> 01:13:12,159

but it's definitely not the first time a

2263

01:13:16,070 --> 01:13:14,560

person has enjoyed doing interviews with

2264

01:13:19,350 --> 01:13:16,080

me more than one

2265

01:13:21,030 --> 01:13:19,360

and we're happy to promote their work on

2266

01:13:23,510 --> 01:13:21,040

the show and gain access to our

2267

01:13:25,350 --> 01:13:23,520

listeners and then suddenly broke bad

2268

01:13:28,310 --> 01:13:25,360

and had some kind of problem with me and

2269

01:13:29,910 --> 01:13:28,320

went on public rants about it

2270

01:13:31,510 --> 01:13:29,920

john brisson would be the other one that

2271

01:13:34,070 --> 01:13:31,520

comes to mind

2272

01:13:36,070 --> 01:13:34,080

and if i'm so bad why did i give you one

2273

01:13:38,310 --> 01:13:36,080

of the most informed and dedicated

2274

01:13:40,550 --> 01:13:38,320

interviews ever and why did you come

2275

01:13:42,709 --> 01:13:40,560

back for another one

2276

01:13:44,790 --> 01:13:42,719

in both cases with john and allison we

2277

01:13:47,030 --> 01:13:44,800

did two interviews

2278

01:13:48,709 --> 01:13:47,040

and it feels a bit more like now that

2279

01:13:49,669 --> 01:13:48,719

you've captured the audience from the

2280

01:13:51,510 --> 01:13:49,679

show

2281

01:13:53,510 --> 01:13:51,520

you get a whole new kind of attention by

2282

01:13:55,830 --> 01:13:53,520

trying to slam me

2283

01:13:57,229 --> 01:13:55,840

and the commonality in both cases the

2284

01:14:00,870 --> 01:13:57,239

issue that they took was a

2285

01:14:03,830 --> 01:14:00,880

misunderstanding of tool use i accept

2286

01:14:05,669 --> 01:14:03,840

crypto for thc plus because i will take

2287

01:14:07,430 --> 01:14:05,679

it any way i can get it

2288

01:14:09,510 --> 01:14:07,440

i don't want it to be hard i just want

2289

01:14:12,630 --> 01:14:09,520

it to be reciprocal

2290

01:14:15,110 --> 01:14:12,640

i have bartered for wire wrapped jewelry

2291

01:14:16,390 --> 01:14:15,120

i barter for astrology readings i have

2292

01:14:18,070 --> 01:14:16,400

deals with two different coffee

2293

01:14:19,910 --> 01:14:18,080

companies where they send me a big bag

2294

01:14:21,990 --> 01:14:19,920

of beans every year

2295

01:14:23,270 --> 01:14:22,000

and i plug them in for another 12 months

2296

01:14:24,950 --> 01:14:23,280

a plus

2297

01:14:27,590 --> 01:14:24,960

if you want to give me bitcoin or

2298

01:14:29,189 --> 01:14:27,600

ethereum that's fine

2299

01:14:31,590 --> 01:14:29,199

but well because the bad guys are going

2300

01:14:34,790 --> 01:14:31,600

to be using blockchain all crypto is bad

2301

01:14:36,709 --> 01:14:34,800

and if you use it then you're bad

2302

01:14:39,030 --> 01:14:36,719

and in john's case he heard me talking

2303

01:14:40,950 --> 01:14:39,040

about trying some magical rituals for

2304

01:14:43,669 --> 01:14:40,960

manifestation

2305

01:14:46,950 --> 01:14:43,679

and because the bad guys use magic all

2306

01:14:49,910 --> 01:14:46,960

magic is bad and so i'm bad

2307

01:14:52,630 --> 01:14:49,920

it really is the same flawed simplistic

2308

01:14:53,910 --> 01:14:52,640

logic in both cases funny how that works

2309

01:14:56,310 --> 01:14:53,920

out

2310

01:14:57,910 --> 01:14:56,320

but these are intense and stressful

2311

01:15:00,229 --> 01:14:57,920

times and i don't want to pretend that

2312

01:15:02,310 --> 01:15:00,239

i'm immune to it either i get as [h__\h]

2313

01:15:04,470 --> 01:15:02,320

as ever to tell you the truth

2314

01:15:06,310 --> 01:15:04,480

i feel sorry for my wife sometimes i can

2315

01:15:08,149 --> 01:15:06,320

be a real downer when i get off some of

2316

01:15:11,350 --> 01:15:08,159

these heavier interviews or when i'm

2317

01:15:13,669 --> 01:15:11,360

preparing for them and i just try really

2318

01:15:16,070 --> 01:15:13,679

hard to keep it all in check and i don't

2319

01:15:19,030 --> 01:15:16,080

do much posting online at all except for

2320

01:15:21,270 --> 01:15:19,040

the work so my embarrassing behavior is

2321

01:15:23,590 --> 01:15:21,280

relegated to the home

2322

01:15:25,750 --> 01:15:23,600

i'm half kidding there but i will

2323

01:15:27,110 --> 01:15:25,760

acknowledge it's been harder to be my

2324

01:15:28,310 --> 01:15:27,120

best self

2325

01:15:30,390 --> 01:15:28,320

lately

2326

01:15:32,229 --> 01:15:30,400

and i'm sure i'm not alone

2327

01:15:34,790 --> 01:15:32,239

but all that said i hope you dug this

2328

01:15:37,030 --> 01:15:34,800

one in the second hour we did throw out

2329

01:15:38,950 --> 01:15:37,040

a few other creative solution side

2330

01:15:42,229 --> 01:15:38,960

things that i've seen derek covering

2331

01:15:43,669 --> 01:15:42,239

like detroit soup which is really great

2332

01:15:45,910 --> 01:15:43,679

and then we got deeper into the big

2333

01:15:49,110 --> 01:15:45,920

machine their plans and his really

2334

01:15:51,990 --> 01:15:49,120

impressive pyramid of power series some

2335

01:15:53,910 --> 01:15:52,000

elements of all that would be the monkey

2336

01:15:57,110 --> 01:15:53,920

pox operation

2337

01:15:59,510 --> 01:15:57,120

dissecting the digital id plan

2338

01:16:02,149 --> 01:15:59,520

we discussed some child abuse child

2339

01:16:04,470 --> 01:16:02,159

trafficking news with

2340

01:16:07,030 --> 01:16:04,480

an investigation that's going on

2341

01:16:10,149 --> 01:16:07,040

from the utah county sheriff's office as

2342

01:16:12,229 --> 01:16:10,159

well as galen maxwell's sentencing

2343

01:16:15,350 --> 01:16:12,239

we talked about the fashion industry to

2344

01:16:17,669 --> 01:16:15,360

sex abuse pipeline a vice hit piece that

2345

01:16:19,270 --> 01:16:17,679

was done on derrick and then we tried to

2346

01:16:21,270 --> 01:16:19,280

squeeze in

2347

01:16:23,750 --> 01:16:21,280

at least a little bit about that very

2348

01:16:26,870 --> 01:16:23,760

thorough and impressive pyramid of power

2349

01:16:28,630 --> 01:16:26,880

series it's great educational material

2350

01:16:31,990 --> 01:16:28,640

and there's certainly going to be

2351

01:16:34,709 --> 01:16:32,000

details that even the die hards

2352

01:16:37,110 --> 01:16:34,719

wouldn't be familiar with so i certainly

2353

01:16:38,870 --> 01:16:37,120

give that the full carl wood stamp of

2354

01:16:40,229 --> 01:16:38,880

approval it is

2355

01:16:42,310 --> 01:16:40,239

great stuff

2356

01:16:46,310 --> 01:16:42,320

as always you know the deal sign up for

2357

01:16:48,550 --> 01:16:46,320

plus get a free 7-day trial so you know

2358

01:16:50,950 --> 01:16:48,560

that it works with your apps and that

2359

01:16:52,550 --> 01:16:50,960

you can conveniently get the second hour

2360

01:16:54,390 --> 01:16:52,560

and that you enjoy it

2361

01:16:57,430 --> 01:16:54,400

i don't know why you wouldn't you only

2362

01:16:59,590 --> 01:16:57,440

hear half the show sticking with the

2363

01:17:00,709 --> 01:16:59,600

free hour but this is the name of the

2364

01:17:04,229 --> 01:17:00,719

game

2365

01:17:06,229 --> 01:17:04,239

no advertisers no sponsorships

2366

01:17:07,860 --> 01:17:06,239

just me and you baby

2367

01:17:09,030 --> 01:17:07,870

and let's look at the meetup calendar

2368

01:17:11,350 --> 01:17:09,040

[Music]

2369

01:17:14,550 --> 01:17:11,360

in the month of august we've got again

2370

01:17:18,310 --> 01:17:14,560

the milwaukee metaphysical society

2371

01:17:20,229 --> 01:17:18,320

in milwaukee oregon that is august 13th

2372

01:17:22,550 --> 01:17:20,239

coming up this weekend

2373

01:17:25,110 --> 01:17:22,560

also the 13th we have strange chats

2374

01:17:27,910 --> 01:17:25,120

kansas city north kansas city missouri

2375

01:17:30,229 --> 01:17:27,920

at big rip brewing company

2376

01:17:32,149 --> 01:17:30,239

and also this weekend on the 13th we

2377

01:17:33,990 --> 01:17:32,159

have a meet up at the oroville

2378

01:17:36,229 --> 01:17:34,000

washington

2379

01:17:38,790 --> 01:17:36,239

brick house brewery

2380

01:17:41,910 --> 01:17:38,800

then august 17th we have

2381

01:17:44,790 --> 01:17:41,920

a new jersey conspiracy group meeting up

2382

01:17:46,470 --> 01:17:44,800

in paramus new jersey

2383

01:17:48,550 --> 01:17:46,480

out of panera bread

2384

01:17:50,790 --> 01:17:48,560

i like that my wife used to work at

2385

01:17:53,270 --> 01:17:50,800

panera bread back in the day

2386

01:17:55,750 --> 01:17:53,280

kind of funny but i do also like when

2387

01:17:57,910 --> 01:17:55,760

people support local independently owned

2388

01:17:58,709 --> 01:17:57,920

businesses for these types of things but

2389

01:18:00,630 --> 01:17:58,719

hey

2390

01:18:02,310 --> 01:18:00,640

i don't make the rules i just make a few

2391

01:18:04,709 --> 01:18:02,320

suggestions

2392

01:18:08,310 --> 01:18:04,719

and then august 22nd i see this just got

2393

01:18:11,669 --> 01:18:08,320

added sunset by the vast conspiracy

2394

01:18:13,669 --> 01:18:11,679

venice beach in venice california

2395

01:18:16,070 --> 01:18:13,679

very interesting

2396

01:18:18,149 --> 01:18:16,080

looking at my calendar that is a monday

2397

01:18:19,990 --> 01:18:18,159

and sadly i have an interview the next

2398

01:18:22,070 --> 01:18:20,000

morning so i'm going to be preparing for

2399

01:18:23,990 --> 01:18:22,080

that but otherwise i'd consider driving

2400

01:18:25,510 --> 01:18:24,000

up to venice beach

2401

01:18:28,709 --> 01:18:25,520

i like to see it

2402

01:18:30,470 --> 01:18:28,719

august 27th the london

2403

01:18:32,870 --> 01:18:30,480

thc meetup

2404

01:18:35,669 --> 01:18:32,880

still looking to confirm that venue they

2405

01:18:38,149 --> 01:18:35,679

have not updated the event i hope they

2406

01:18:40,149 --> 01:18:38,159

do soon because

2407

01:18:41,830 --> 01:18:40,159

the place you go is kind of an important

2408

01:18:44,470 --> 01:18:41,840

piece of the puzzle but

2409

01:18:47,990 --> 01:18:44,480

he does say he's tossing

2410

01:18:50,870 --> 01:18:48,000

the idea around of going to

2411

01:18:53,189 --> 01:18:50,880

some pubs in king's cross

2412

01:18:54,470 --> 01:18:53,199

covent garden or the

2413

01:18:55,669 --> 01:18:54,480

camden area

2414

01:18:57,270 --> 01:18:55,679

so

2415

01:19:00,070 --> 01:18:57,280

that's probably where it will be but it

2416

01:19:04,070 --> 01:19:00,080

is best to just pick a place put it on

2417

01:19:06,470 --> 01:19:04,080

the posting and let the people come

2418

01:19:09,110 --> 01:19:06,480

and that's what we got for august so far

2419

01:19:10,630 --> 01:19:09,120

not bad not bad better than previous

2420

01:19:12,630 --> 01:19:10,640

months but

2421

01:19:15,270 --> 01:19:12,640

there's a lot of listeners out there in

2422

01:19:18,310 --> 01:19:15,280

a lot of locations and i don't see why

2423

01:19:19,790 --> 01:19:18,320

we shouldn't have way more events

2424

01:19:21,510 --> 01:19:19,800

anyone can go to

2425

01:19:23,510 --> 01:19:21,520

highersidemeetups.com and make an

2426

01:19:25,189 --> 01:19:23,520

account create a free event and start

2427

01:19:28,149 --> 01:19:25,199

working on local solutions with

2428

01:19:30,149 --> 01:19:28,159

like-minded people right in your area

2429

01:19:33,270 --> 01:19:30,159

i think we're due for a san diego one

2430

01:19:35,750 --> 01:19:33,280

myself so maybe i'll get on that but

2431

01:19:38,070 --> 01:19:35,760

that's the show i hope you're motivated

2432

01:19:40,070 --> 01:19:38,080

if you weren't before i hope you got a

2433

01:19:42,310 --> 01:19:40,080

couple of resources that might be useful

2434

01:19:44,070 --> 01:19:42,320

for you and i hope you're charged up by

2435

01:19:45,669 --> 01:19:44,080

seeing that we don't have to just sit

2436

01:19:47,510 --> 01:19:45,679

around and wait for these nefarious

2437

01:19:49,750 --> 01:19:47,520

plans to be implemented

2438

01:19:52,470 --> 01:19:49,760

we can engage with these solution

2439

01:19:54,950 --> 01:19:52,480

oriented counter measures right now we

2440

01:19:57,350 --> 01:19:54,960

can support the right food suppliers we

2441

01:20:00,630 --> 01:19:57,360

can cover our digital tracks

2442

01:20:03,590 --> 01:20:00,640

and we can rally around bodily autonomy

2443

01:20:05,430 --> 01:20:03,600

and get over our smaller differences

2444

01:20:08,709 --> 01:20:05,440

in the name of the greater good the

2445

01:20:10,470 --> 01:20:08,719

greater reset as derek would say

2446

01:20:12,709 --> 01:20:10,480

but i'm getting out of here tell derek

2447

01:20:15,669 --> 01:20:12,719

you liked it if you did let him know you

2448

01:20:17,110 --> 01:20:15,679

were fired up and inspired and see where

2449

01:20:19,590 --> 01:20:17,120

you can help out

2450

01:20:21,510 --> 01:20:19,600

i've done my part your move digital

2451

01:20:23,590 --> 01:20:21,520

dystopia builders self-appointed

2452

01:20:26,290 --> 01:20:23,600

management class cronies and world

2453

01:20:30,830 --> 01:20:26,300

economic forum freaks

2454

01:20:36,390 --> 01:20:33,830

sometimes when i get down i eat a bunch

2455

01:20:40,310 --> 01:20:36,400

of corporate junk

2456

01:20:43,350 --> 01:20:40,320

process stuff that makes you fat

2457

01:20:44,450 --> 01:20:43,360

yeah it's a week and sickly people make

2458

01:20:45,510 --> 01:20:44,460

an industry

2459

01:20:47,910 --> 01:20:45,520

[Applause]

2460

01:21:05,830 --> 01:20:47,920

don't tell me

2461

01:21:18,790 --> 01:21:08,260

that's right

2462

01:21:23,669 --> 01:21:21,750

got an addiction to the digital

2463

01:21:26,790 --> 01:21:23,679

technology

2464

01:21:30,470 --> 01:21:26,800

and every now and then i try to quit and

2465

01:21:35,760 --> 01:21:30,480

leave it be but it's too hard to turn it

2466

01:21:35,770 --> 01:22:14,310

[Music]

2467

01:22:36,950 --> 01:22:18,030

don't tell me

2468

01:22:43,510 --> 01:22:40,390

expanding off the big conspiracy

2469

01:22:45,189 --> 01:22:43,520

and every one of them has got a couple

2470

01:22:48,229 --> 01:22:45,199

of hooks into me

2471

01:22:50,629 --> 01:22:48,239

trying to forget and i ignore but i'm

2472

01:22:53,690 --> 01:22:50,639

just out of luck

2473

01:23:07,830 --> 01:22:53,700

but i don't have to tell you that

2474

01:23:10,629 --> 01:23:07,840

[Music]

2475

01:23:12,550 --> 01:23:10,639

and that is another show complete

2476

01:23:14,870 --> 01:23:12,560

remember as much as you enjoyed this

2477

01:23:16,629 --> 01:23:14,880

which is just the free first hour i hope

2478

01:23:18,550 --> 01:23:16,639

you'll become a plus member to hear the

2479

01:23:20,550 --> 01:23:18,560

full 2 hour interviews

2480

01:23:23,189 --> 01:23:20,560

you also can engage with other plus

2481

01:23:24,709 --> 01:23:23,199

members in the comments and the forums

2482

01:23:26,709 --> 01:23:24,719

and you'll find your answer to one of

2483

01:23:28,550 --> 01:23:26,719

the most common questions i get which is

2484

01:23:30,470 --> 01:23:28,560

where can i find those cover songs that

2485

01:23:33,189 --> 01:23:30,480

you use at the end of the show well they

2486

01:23:35,189 --> 01:23:33,199

are free downloads for plus members too

2487

01:23:37,110 --> 01:23:35,199

and without plus members i can't hire

2488

01:23:39,750 --> 01:23:37,120

the occasional musician to bring these

2489

01:23:41,590 --> 01:23:39,760

odd cover song ideas to fruition

2490

01:23:43,430 --> 01:23:41,600

plus members are how i'm able to do what

2491

01:23:45,350 --> 01:23:43,440

i do without ads and without the big

2492

01:23:47,510 --> 01:23:45,360

machine being on my back

2493

01:23:49,430 --> 01:23:47,520

we can fit so much more into a two-hour

2494

01:23:51,590 --> 01:23:49,440

interview and i do my best to make it

2495

01:23:54,149 --> 01:23:51,600

worth your time and money the

2496

01:23:56,390 --> 01:23:54,159

conversation only gets deeper weirder

2497

01:23:58,470 --> 01:23:56,400

and more controversial in that private

2498

01:23:59,350 --> 01:23:58,480

hour how could it not the way things are

2499

01:24:01,629 --> 01:23:59,360

going

2500

01:24:03,350 --> 01:24:01,639

but the best way to sign up is that at

2501

01:24:05,910 --> 01:24:03,360

thehiresidechats.com where new

2502

01:24:08,070 --> 01:24:05,920

first-time subscribers always get a free

2503

01:24:10,390 --> 01:24:08,080

seven-day trial because i'm just that

2504

01:24:12,470 --> 01:24:10,400

confident there's no paypal on the

2505

01:24:14,470 --> 01:24:12,480

website but if you need to use paypal

2506

01:24:17,110 --> 01:24:14,480

then sign up through patreon and you get

2507

01:24:19,110 --> 01:24:17,120

all the same episodes our website is a

2508

01:24:21,030 --> 01:24:19,120

credit or debit system but you can also

2509

01:24:23,990 --> 01:24:21,040

scope out the other options like a few

2510

01:24:26,310 --> 01:24:24,000

various cryptos cash or check mail to

2511

01:24:27,750 --> 01:24:26,320

the po box and i'll even barter with

2512

01:24:29,669 --> 01:24:27,760

most people if you have your own

2513

01:24:32,870 --> 01:24:29,679

business and produce something nice that

2514

01:24:35,030 --> 01:24:32,880

my wife or kid or taste buds might like

2515

01:24:36,870 --> 01:24:35,040

but the architects of consensus reality

2516

01:24:38,790 --> 01:24:36,880

have made it clear that these themes and

2517

01:24:41,430 --> 01:24:38,800

topics aren't really welcome on the main

2518

01:24:43,110 --> 01:24:41,440

stage and so this is how we secure a

2519

01:24:45,270 --> 01:24:43,120

little counterculture corner for

2520

01:24:47,990 --> 01:24:45,280

ourselves and i hope you'll join plus

2521

01:24:50,470 --> 01:24:48,000

because that is the only way it works

2522

01:24:52,870 --> 01:24:50,480

besides you can cancel any time right on

2523

01:24:54,950 --> 01:24:52,880

your profile page the most common

2524

01:24:57,430 --> 01:24:54,960

concern i hear is people just being

2525

01:24:59,830 --> 01:24:57,440

unsure if thc plus will work with their

2526

01:25:02,629 --> 01:24:59,840

podcast app and the answer is probably

2527

01:25:04,709 --> 01:25:02,639

yes but if not we have several high

2528

01:25:06,790 --> 01:25:04,719

level app recommendations for whatever

2529

01:25:09,270 --> 01:25:06,800

phone you use and the website is made

2530

01:25:11,030 --> 01:25:09,280

for mobile too we're trained to tip a

2531

01:25:12,870 --> 01:25:11,040

waitress for bringing us a sandwich but

2532

01:25:15,510 --> 01:25:12,880

that tip doesn't give you access to a

2533

01:25:17,110 --> 01:25:15,520

second sandwich really i'm not asking

2534

01:25:19,030 --> 01:25:17,120

for any more than that and i think i

2535

01:25:21,110 --> 01:25:19,040

offer a better service come get your

2536

01:25:22,950 --> 01:25:21,120

second serving of tasty conspiracy

2537

01:25:25,590 --> 01:25:22,960

goodness in exchange for that small

2538

01:25:27,590 --> 01:25:25,600

token of your appreciation beyond that

2539

01:25:29,669 --> 01:25:27,600

let it also be known that we have grown

2540

01:25:30,709 --> 01:25:29,679

and survived as long as we have by word

2541

01:25:32,709 --> 01:25:30,719

of mouth

2542

01:25:34,870 --> 01:25:32,719

i don't care so much about social media

2543

01:25:36,790 --> 01:25:34,880

likes or follows but tell the right

2544

01:25:38,550 --> 01:25:36,800

people about the

2545

01:25:40,550 --> 01:25:38,560

and not just listeners but the high

2546

01:25:43,189 --> 01:25:40,560

level figures who are better suited to

2547

01:25:44,709 --> 01:25:43,199

sit down with me than most other hosts

2548

01:25:46,709 --> 01:25:44,719

and if you can help me with any of these

2549

01:25:48,790 --> 01:25:46,719

things i can work to bring you better

2550

01:25:49,669 --> 01:25:48,800

shows which is just a win-win for both

2551

01:25:51,510 --> 01:25:49,679

of us

2552

01:25:54,070 --> 01:25:51,520

informative entertaining and

2553

01:25:55,669 --> 01:25:54,080

action-packed it also never hurts to

2554

01:25:57,669 --> 01:25:55,679

thank a guest you liked if you have the

2555

01:25:59,110 --> 01:25:57,679

time either we want them to know people

2556

01:26:01,350 --> 01:25:59,120

are listening so they're willing to come

2557

01:26:03,590 --> 01:26:01,360

back down the road too thank you for
