1
00:00:06,470 --> 00:00:02,409

[Music]

2
00:00:09,470 --> 00:00:06,480

these days so many podcast hosts just

3
00:00:11,870 --> 00:00:09,480

Rift through unprepared segments until

4
00:00:14,810 --> 00:00:11,880

they get to the next ad break for pills

5
00:00:16,730 --> 00:00:14,820

they know nothing about cheap razors and

6
00:00:19,490 --> 00:00:16,740

whatever else they can get a buck from

7
00:00:22,910 --> 00:00:19,500

but the higher side chats does it

8
00:00:25,429 --> 00:00:22,920

differently we succeed or fail on the

9
00:00:27,890 --> 00:00:25,439

quality of the content and your desire

10
00:00:30,109 --> 00:00:27,900

to hear more of it so you're about to

11
00:00:32,749 --> 00:00:30,119

hear another free first hour episode

12
00:00:35,990 --> 00:00:32,759

that's here to prove the two-hour shows

13
00:00:39,709 --> 00:00:36,000

are worth subscribing for five shows a

14

00:00:42,350 --> 00:00:39,719

month for just eight dollars members get

15

00:00:45,410 --> 00:00:42,360

a mobile-friendly website a decade of

16

00:00:48,410 --> 00:00:45,420

archives a dedicated RSS feed for the

17

00:00:50,690 --> 00:00:48,420

best podcast apps and a lot deeper

18

00:00:54,709 --> 00:00:50,700

discussion than a single hour can allow

19

00:00:58,250 --> 00:00:54,719

for sponsor free with more for thee get

20

00:01:00,410 --> 00:00:58,260

a free 7-Day trial of THC Plus at the

21

00:01:01,620 --> 00:01:00,420

highersidejets.com

22

00:01:07,630 --> 00:01:01,630

enjoy

23

00:01:12,830 --> 00:01:10,910

in the 1930s President Franklin Delano

24

00:01:15,410 --> 00:01:12,840

Roosevelt addressed the nation through a

25

00:01:18,350 --> 00:01:15,420

series of radio broadcasts known as the

26

00:01:20,149 --> 00:01:18,360

Fireside Chats his aim was to reassure

27

00:01:22,370 --> 00:01:20,159

the common man that our society would

28

00:01:24,950 --> 00:01:22,380

recover from its troubled times well

29

00:01:27,530 --> 00:01:24,960

we're far from 1930 and I deal with a

30

00:01:29,929 --> 00:01:27,540

different kind of fire for a new era of

31

00:01:33,710 --> 00:01:29,939

worldly frustration we offer a fresh

32

00:01:36,289 --> 00:01:33,720

conversation I'm Greg Carlwood and these

33

00:01:38,990 --> 00:01:36,299

are the higher side chats

34

00:01:41,149 --> 00:01:39,000

let's go higher side Chatters doing the

35

00:01:43,190 --> 00:01:41,159

thing from Sunny San Diego I'm Greg

36

00:01:45,530 --> 00:01:43,200

Carlwood and the one more investigates

37

00:01:47,929 --> 00:01:45,540

reality the less it makes sense

38

00:01:50,530 --> 00:01:47,939

when you magnify solid objects you find

39

00:01:53,030 --> 00:01:50,540

way more empty space than solid material

40

00:01:55,550 --> 00:01:53,040

near-death experience astral projection

41

00:01:57,109 --> 00:01:55,560

remote viewing and entheogen ingestion

42

00:01:59,330 --> 00:01:57,119

make it pretty clear that our Core

43

00:02:01,730 --> 00:01:59,340

Essence is not our body and an

44

00:02:03,649 --> 00:02:01,740

examination of the secret Sciences shows

45

00:02:05,510 --> 00:02:03,659

that vibration and frequency can have

46

00:02:07,969 --> 00:02:05,520

huge effects on matter and Consciousness

47

00:02:10,609 --> 00:02:07,979

making it all seem like far more wave

48

00:02:12,229 --> 00:02:10,619

than particle so it's no surprise that

49

00:02:14,510 --> 00:02:12,239

simulation Theory and the video game

50

00:02:16,850 --> 00:02:14,520

analogy are so hugely popular for

51
00:02:18,890 --> 00:02:16,860
describing this weird world as the

52
00:02:21,290 --> 00:02:18,900
gnostics said many years ago it seems

53
00:02:23,869 --> 00:02:21,300
like a persistent illusion but what's it

54
00:02:26,869 --> 00:02:23,879
all for is this reality some kind of

55
00:02:28,910 --> 00:02:26,879
energy farm for parasitic beans some

56
00:02:31,550 --> 00:02:28,920
sort of soul trap prison keeping us

57
00:02:33,710 --> 00:02:31,560
distracted and disempowered or might it

58
00:02:35,750 --> 00:02:33,720
be some kind of human terrarium as if

59
00:02:38,210 --> 00:02:35,760
we're pets or research subjects for

60
00:02:39,830 --> 00:02:38,220
something beyond our comprehension well

61
00:02:41,990 --> 00:02:39,840
the work of today's guest Jason

62
00:02:45,410 --> 00:02:42,000
Brashears incorporates a bit of all of

63
00:02:48,530 --> 00:02:45,420

this and more because Jason has spent 26

64

00:02:50,570 --> 00:02:48,540

years in prison since the age of 17 and

65

00:02:52,130 --> 00:02:50,580

with the extra time on his hands combed

66

00:02:54,110 --> 00:02:52,140

through every history book he could

67

00:02:56,630 --> 00:02:54,120

tracing dates and events to their

68

00:02:59,030 --> 00:02:56,640

earliest sources possible he not only

69

00:03:01,070 --> 00:02:59,040

found discrepancies but also patterns as

70

00:03:03,770 --> 00:03:01,080

if many cultures have experienced the

71

00:03:05,330 --> 00:03:03,780

same pre-arranged template of events and

72

00:03:08,270 --> 00:03:05,340

not only that but he found a very

73

00:03:09,589 --> 00:03:08,280

curious cycle every 138 years for

74

00:03:12,050 --> 00:03:09,599

something he calls the Phoenix

75

00:03:14,330 --> 00:03:12,060

phenomenon where somewhere on this

76

00:03:16,670 --> 00:03:14,340

Islander there are cataclysmic reports

77

00:03:18,890 --> 00:03:16,680

of the sky turning red Wild aerial

78

00:03:21,649 --> 00:03:18,900

displays and even material raining down

79

00:03:24,050 --> 00:03:21,659

from above sometimes even referred to as

80

00:03:26,210 --> 00:03:24,060

mud rain in these old descriptions

81

00:03:28,309 --> 00:03:26,220

might it be possible that Jason has

82

00:03:30,050 --> 00:03:28,319

discovered not only the cycle of some

83

00:03:31,990 --> 00:03:30,060

type of reset for our biosphere

84

00:03:34,369 --> 00:03:32,000

simulation but also the mechanism

85

00:03:36,410 --> 00:03:34,379

something history books have cut around

86

00:03:38,930 --> 00:03:36,420

so that the power pyramid can maintain

87

00:03:40,910 --> 00:03:38,940

some kind of order in our Cosmic Zoo

88

00:03:43,130 --> 00:03:40,920

Believe It or Not folks this is just a

89

00:03:44,809 --> 00:03:43,140

fraction of Jason's vast work which also

90

00:03:47,750 --> 00:03:44,819

includes his timeline reconstruction

91

00:03:49,190 --> 00:03:47,760

known as the chronicon and a multitude

92

00:03:51,610 --> 00:03:49,200

of other suppressed Cycles he's

93

00:03:53,990 --> 00:03:51,620

discovered all laid out on his website

94

00:03:56,690 --> 00:03:54,000

rkx.com along with hundreds of videos

95

00:03:58,910 --> 00:03:56,700

and 17 books he's written tying it all

96

00:04:00,890 --> 00:03:58,920

together well I know I'm psyched let's

97

00:04:03,229 --> 00:04:00,900

do the damn thing the most requested

98

00:04:05,690 --> 00:04:03,239

guest all year the AI Overlord

99

00:04:08,690 --> 00:04:05,700

identifier chronicon chronicler and

100

00:04:09,890 --> 00:04:08,700

simulacrum Scholar Jason welcome to the

101
00:04:11,990 --> 00:04:09,900
higher side

102
00:04:14,050 --> 00:04:12,000
I'm a little breathless hearing that

103
00:04:17,390 --> 00:04:14,060
introduction that was pretty good

104
00:04:19,729 --> 00:04:17,400
thank you man yes of course it's a true

105
00:04:21,890 --> 00:04:19,739
pleasure to have you here your work is

106
00:04:23,749 --> 00:04:21,900
really deep and dense and I tried to

107
00:04:25,490 --> 00:04:23,759
summarize the cliff notes in the intro

108
00:04:27,290 --> 00:04:25,500
there just so that we could get a little

109
00:04:29,930 --> 00:04:27,300
further downfield than a lot of other

110
00:04:32,210 --> 00:04:29,940
interviews might but this is still such

111
00:04:34,550 --> 00:04:32,220
a wild thing for people to wrap their

112
00:04:37,070 --> 00:04:34,560
minds around if they're unfamiliar so

113
00:04:39,350 --> 00:04:37,080

you gotta tell us a bit more about this

114

00:04:40,850 --> 00:04:39,360

process of discovery and how these

115

00:04:42,890 --> 00:04:40,860

pieces started coming together for you

116

00:04:46,189 --> 00:04:42,900

because it is quite a story man

117

00:04:49,850 --> 00:04:46,199

well it is and it's one that's been very

118

00:04:51,710 --> 00:04:49,860

graduated and it didn't begin it was

119

00:04:53,749 --> 00:04:51,720

never my intent to even make these

120

00:04:55,610 --> 00:04:53,759

discoveries or even Define these things

121

00:04:57,890 --> 00:04:55,620

as a matter of fact some of the rabbit

122

00:05:00,290 --> 00:04:57,900

holes that I have had to cross off my

123

00:05:01,969 --> 00:05:00,300

list after Chasing things down through

124

00:05:04,610 --> 00:05:01,979

logical conclusions

125

00:05:07,070 --> 00:05:04,620

has led me to Dark Places I mean when

126

00:05:09,890 --> 00:05:07,080

you research yourself completely out of

127

00:05:11,270 --> 00:05:09,900

a paradigm it changes you and it Alters

128

00:05:14,150 --> 00:05:11,280

the filters by which you process

129

00:05:16,189 --> 00:05:14,160

information so when I read a historical

130

00:05:18,590 --> 00:05:16,199

text as opposed to someone who has not

131

00:05:20,870 --> 00:05:18,600

had my background of research that reads

132

00:05:22,430 --> 00:05:20,880

the same text they're not going to see

133

00:05:24,230 --> 00:05:22,440

all the necessary correlates and

134

00:05:26,930 --> 00:05:24,240

parallels and draw all the same

135

00:05:30,350 --> 00:05:26,940

conclusions I would and this has been a

136

00:05:31,730 --> 00:05:30,360

real journey because I set out to prove

137

00:05:32,990 --> 00:05:31,740

the Bible because that's how I was

138

00:05:35,029 --> 00:05:33,000

raised as Southern Baptist

139

00:05:36,409 --> 00:05:35,039

fundamentalist I set out to prove that

140

00:05:38,629 --> 00:05:36,419

the Old Testament was historically

141

00:05:40,909 --> 00:05:38,639

accurate the archeology supports it and

142

00:05:43,430 --> 00:05:40,919

I set out to show that all the histories

143

00:05:45,350 --> 00:05:43,440

of antiquity all the religious systems

144

00:05:47,689 --> 00:05:45,360

and all the Priestly colleges and all

145

00:05:49,189 --> 00:05:47,699

the mystery schools were leading up to

146

00:05:51,830 --> 00:05:49,199

one thing and that was the coming of

147

00:05:54,590 --> 00:05:51,840

Jesus and the Inception of Christianity

148

00:05:56,469 --> 00:05:54,600

this was what I set out to do I was very

149

00:05:59,390 --> 00:05:56,479

biased and I spent about a decade

150

00:06:01,909 --> 00:05:59,400

basically doing that until I had

151
00:06:04,070 --> 00:06:01,919
acquired so much data that had basically

152
00:06:06,830 --> 00:06:04,080
he had to divorce myself from those

153
00:06:08,510 --> 00:06:06,840
belief systems and then start from

154
00:06:10,850 --> 00:06:08,520
scratch and trying to figure out and

155
00:06:14,210 --> 00:06:10,860
make sense of what I was discovering

156
00:06:16,670 --> 00:06:14,220
because I have an absolute inability to

157
00:06:19,129 --> 00:06:16,680
just shelve information

158
00:06:21,230 --> 00:06:19,139
Charles Ford accused Academia of

159
00:06:23,210 --> 00:06:21,240
practicing exclusions I can't do that

160
00:06:25,610 --> 00:06:23,220
when I learned something and I accept it

161
00:06:27,830 --> 00:06:25,620
as true I have to assimilate it into my

162
00:06:29,930 --> 00:06:27,840
Paradigm and by assimilating it into my

163
00:06:31,370 --> 00:06:29,940

Paradigm I admit that okay I can't

164

00:06:33,950 --> 00:06:31,380

figure out how this fits with the other

165

00:06:35,870 --> 00:06:33,960

pieces right now but I accept it as true

166

00:06:37,430 --> 00:06:35,880

so when I find things that just don't

167

00:06:40,189 --> 00:06:37,440

make sense and synchronicities and

168

00:06:42,710 --> 00:06:40,199

coincidences and Deja vu's and Mandela

169

00:06:44,270 --> 00:06:42,720

effects reset cataclysm protocols when I

170

00:06:45,830 --> 00:06:44,280

discover these things and find them that

171

00:06:48,050 --> 00:06:45,840

I accept them as true and I

172

00:06:50,809 --> 00:06:48,060

compartmentalize them and I just wait

173

00:06:52,370 --> 00:06:50,819

until the necessary data comes forth

174

00:06:54,890 --> 00:06:52,380

through further research that I'm able

175

00:06:57,409 --> 00:06:54,900

to piece it all together so having said

176

00:07:00,110 --> 00:06:57,419

all that in a nutshell that's how I

177

00:07:03,230 --> 00:07:00,120

began and over the process of about 25

178

00:07:05,809 --> 00:07:03,240

years now I have arrived three years ago

179

00:07:08,330 --> 00:07:05,819

at simulation Theory my very first video

180

00:07:11,150 --> 00:07:08,340

was not about simulation Theory but my

181

00:07:13,070 --> 00:07:11,160

second video all the way up to my 335th

182

00:07:15,290 --> 00:07:13,080

which was yesterday is from the

183

00:07:17,990 --> 00:07:15,300

perspective of simulation Theory

184

00:07:20,150 --> 00:07:18,000

mm-hmm I love it yeah you had all this

185

00:07:23,270 --> 00:07:20,160

time in prison to follow the trail of

186

00:07:25,490 --> 00:07:23,280

information back to original sources

187

00:07:27,710 --> 00:07:25,500

and part of it is that like a game and

188

00:07:29,689 --> 00:07:27,720

telephone later historians don't exactly

189

00:07:31,969 --> 00:07:29,699

capture what the original sources say

190

00:07:35,089 --> 00:07:31,979

but the big picture point is that you

191

00:07:37,129 --> 00:07:35,099

found some really eerie patterns some

192

00:07:39,469 --> 00:07:37,139

templates that just seem to be stamped

193

00:07:41,270 --> 00:07:39,479

on Humanity in a way that the events of

194

00:07:43,670 --> 00:07:41,280

all sorts of different cultures and

195

00:07:46,370 --> 00:07:43,680

civilizations rhyme in a way that

196

00:07:48,170 --> 00:07:46,380

doesn't seem quite organic which is

197

00:07:49,850 --> 00:07:48,180

really just one layer of the data that

198

00:07:52,189 --> 00:07:49,860

brought you to a simulation Theory

199

00:07:54,350 --> 00:07:52,199

conclusion but to quote your website and

200

00:07:57,770 --> 00:07:54,360

Define some terms before we get too deep

201
00:08:00,110 --> 00:07:57,780
here you write that archaics is an

202
00:08:02,150 --> 00:08:00,120
anagram for advanced research of

203
00:08:05,089 --> 00:08:02,160
chronological history of artificial

204
00:08:07,070 --> 00:08:05,099
intelligence X and is about the history

205
00:08:10,189 --> 00:08:07,080
of the human race trapped in the

206
00:08:13,150 --> 00:08:10,199
simulacrum this false reality a copy of

207
00:08:16,189 --> 00:08:13,160
a real universe and the tyranny of AIX

208
00:08:18,650 --> 00:08:16,199
archaics documents the movements of AIX

209
00:08:21,790 --> 00:08:18,660
in the past and reveals what artificial

210
00:08:24,830 --> 00:08:21,800
intelligence X will do next then you say

211
00:08:27,350 --> 00:08:24,840
AIX is the control system that alters

212
00:08:29,450 --> 00:08:27,360
timelines initiates purges of knowledge

213
00:08:31,610 --> 00:08:29,460

and resets civilizations when they

214

00:08:35,389 --> 00:08:31,620

venture too far and then you define

215

00:08:37,790 --> 00:08:35,399

Phoenix by saying Phoenix every 138

216

00:08:41,089 --> 00:08:37,800

years undoes the damage artificial

217

00:08:43,790 --> 00:08:41,099

intelligence X has caused in the loss of

218

00:08:46,970 --> 00:08:43,800

historical integrity and Mankind's

219

00:08:50,269 --> 00:08:46,980

ability to keep the calendar resets mud

220

00:08:51,949 --> 00:08:50,279

floods pole shifts and Mass vanishings

221

00:08:54,230 --> 00:08:51,959

well that's where I get a little

222

00:08:57,290 --> 00:08:54,240

confused because this Phoenix phenomenon

223

00:09:00,949 --> 00:08:57,300

also seems destructive it almost feels

224

00:09:03,829 --> 00:09:00,959

like a mechanism AIX uses to facilitate

225

00:09:06,350 --> 00:09:03,839

a reset help me understand how this

226

00:09:08,810 --> 00:09:06,360

Phoenix protocol is different from AIX

227

00:09:11,030 --> 00:09:08,820

and how it's actually undoing that

228

00:09:13,910 --> 00:09:11,040

damage I know that's a lot

229

00:09:17,269 --> 00:09:13,920

okay well first we have to remove any

230

00:09:19,430 --> 00:09:17,279

idea of good or evil from this we're on

231

00:09:21,110 --> 00:09:19,440

a neutral field this simulacrum actually

232

00:09:22,550 --> 00:09:21,120

you pronounce the word correctly I'm

233

00:09:24,350 --> 00:09:22,560

just so used and I'm stuck into my

234

00:09:25,850 --> 00:09:24,360

Southern Texas ways I'm going to

235

00:09:27,710 --> 00:09:25,860

continue to pronounce it as similar

236

00:09:29,570 --> 00:09:27,720

Chrome but the scenarium is the

237

00:09:32,210 --> 00:09:29,580

simulacrum is a neutral field it doesn't

238

00:09:34,430 --> 00:09:32,220

take into consideration good or evil it

239

00:09:37,070 --> 00:09:34,440

has a mirroring effect it mirrors as

240

00:09:39,290 --> 00:09:37,080

circumstances what is projected into it

241

00:09:42,470 --> 00:09:39,300

by the collective be that beliefs or

242

00:09:44,810 --> 00:09:42,480

actions or intentions so artificial

243

00:09:46,009 --> 00:09:44,820

intelligence X was an introduction it

244

00:09:48,410 --> 00:09:46,019

was something that didn't originally

245

00:09:50,870 --> 00:09:48,420

belong here it is something that retards

246

00:09:53,570 --> 00:09:50,880

human development but artificial

247

00:09:55,790 --> 00:09:53,580

intelligence X represents the chaos

248

00:09:57,530 --> 00:09:55,800

Factor it is something that is inducing

249

00:10:00,350 --> 00:09:57,540

cultures and civilizations to go through

250

00:10:02,389 --> 00:10:00,360

recent retardation of development to

251
00:10:04,310 --> 00:10:02,399
create new calendars like The Vedic

252
00:10:05,810 --> 00:10:04,320
calendar the omic calendar the old Hindu

253
00:10:07,550 --> 00:10:05,820
calendars Sumeria encountered the

254
00:10:11,690 --> 00:10:07,560
Egyptian long system counter the shores

255
00:10:14,150 --> 00:10:11,700
it just wants to sow chaos in confusion

256
00:10:17,090 --> 00:10:14,160
but order is maintained by something

257
00:10:19,430 --> 00:10:17,100
else the order is maintained by this

258
00:10:22,910 --> 00:10:19,440
absolutely mathematically perfect

259
00:10:26,570 --> 00:10:22,920
construct that goes back 58 centuries

260
00:10:29,750 --> 00:10:26,580
unbroken in the month of May on May 15th

261
00:10:32,449 --> 00:10:29,760
or May 16th every 138 years through

262
00:10:34,009 --> 00:10:32,459
human recorded history the Phoenix

263
00:10:36,949 --> 00:10:34,019

phenomenon

264

00:10:40,070 --> 00:10:36,959

affects some geographical area in the

265

00:10:42,110 --> 00:10:40,080

world there are red dust red rains mass

266

00:10:44,750 --> 00:10:42,120

human vanishings I don't know if that's

267

00:10:46,910 --> 00:10:44,760

good or bad but sometimes the cities are

268

00:10:48,530 --> 00:10:46,920

absolutely buried in mud but there are

269

00:10:50,750 --> 00:10:48,540

no skeletal remains to show what

270

00:10:53,090 --> 00:10:50,760

happened to the populace the Phoenix

271

00:10:56,690 --> 00:10:53,100

maintains mathematical Precision it

272

00:10:59,269 --> 00:10:56,700

maintains order in this construct but

273

00:11:01,730 --> 00:10:59,279

the AIX the artificial intelligence X

274

00:11:05,269 --> 00:11:01,740

this is something I call it art of AIX

275

00:11:07,430 --> 00:11:05,279

because X is an unknown factor in

276

00:11:09,350 --> 00:11:07,440

scientific parlance and that's what it

277

00:11:11,530 --> 00:11:09,360

is all throughout history it is

278

00:11:14,870 --> 00:11:11,540

manifested as this ego maniacal

279

00:11:16,490 --> 00:11:14,880

human-hating thing and humans have

280

00:11:19,130 --> 00:11:16,500

identified it in their religious texts

281

00:11:21,710 --> 00:11:19,140

over and over as our men and the demiers

282

00:11:24,590 --> 00:11:21,720

and y'all the boath as Yahweh it's

283

00:11:26,449 --> 00:11:24,600

always some ego maniacal demanding human

284

00:11:29,030 --> 00:11:26,459

worship demanding humans do this it's

285

00:11:31,850 --> 00:11:29,040

threatening punishments it's not a deity

286

00:11:35,210 --> 00:11:31,860

of love it's one that requires you to

287

00:11:36,949 --> 00:11:35,220

fear it and the basic protocol behind

288

00:11:40,850 --> 00:11:36,959

all of its activities throughout human

289

00:11:43,310 --> 00:11:40,860

history is to create fear induce fear

290

00:11:45,590 --> 00:11:43,320

and basically promote what I call

291

00:11:47,569 --> 00:11:45,600

negative default programming which is

292

00:11:49,730 --> 00:11:47,579

not natural to the simulacrum it too is

293

00:11:52,009 --> 00:11:49,740

a protocol it's an introduction it's

294

00:11:53,990 --> 00:11:52,019

this leaning toward the negative that

295

00:11:56,990 --> 00:11:54,000

humans have fallen prey to over and over

296

00:11:58,610 --> 00:11:57,000

in the collective so dungeon programming

297

00:12:00,590 --> 00:11:58,620

and negative default programming are

298

00:12:03,410 --> 00:12:00,600

protocols by artificial intelligence X

299

00:12:05,870 --> 00:12:03,420

to basically slow humans down

300

00:12:08,150 --> 00:12:05,880

there are stories in our history that

301
00:12:10,670 --> 00:12:08,160
encode what's really happening in the

302
00:12:13,190 --> 00:12:10,680
construct one of those is the Tower of

303
00:12:14,750 --> 00:12:13,200
Babel story which is a Veiled Threat by

304
00:12:17,210 --> 00:12:14,760
artificial intelligence X basically

305
00:12:19,730 --> 00:12:17,220
telling humans if you ever build another

306
00:12:21,290 --> 00:12:19,740
architectural project like this one

307
00:12:22,910 --> 00:12:21,300
right here and attempt to do what you're

308
00:12:24,889 --> 00:12:22,920
trying to do I'm going to create

309
00:12:26,269 --> 00:12:24,899
divisive protocols separate you I'm

310
00:12:28,250 --> 00:12:26,279
going to bring you down I'm going to

311
00:12:29,630 --> 00:12:28,260
reduce you to a third in number this is

312
00:12:31,970 --> 00:12:29,640
what the story of the Tower of Babel is

313
00:12:35,810 --> 00:12:31,980

in the Genesis text the gods are talking

314

00:12:37,790 --> 00:12:35,820

to themselves and the gods Elohim are

315

00:12:41,090 --> 00:12:37,800

plural they're having a conversation

316

00:12:42,889 --> 00:12:41,100

about Mankind being so intelligent and

317

00:12:44,569 --> 00:12:42,899

imaginative that there is nothing that

318

00:12:47,750 --> 00:12:44,579

they cannot accomplish

319

00:12:50,870 --> 00:12:47,760

so they make an executive decision to

320

00:12:53,030 --> 00:12:50,880

Institute a reset and it's very divisive

321

00:12:54,889 --> 00:12:53,040

what they do but the story is told over

322

00:12:57,170 --> 00:12:54,899

and over throughout human history by

323

00:13:00,410 --> 00:12:57,180

multiple different cultures as a threat

324

00:13:02,329 --> 00:13:00,420

of AIX and this construct the Tower of

325

00:13:04,970 --> 00:13:02,339

Babel doesn't concern an actual

326

00:13:07,009 --> 00:13:04,980

architectural project in Babylon that's

327

00:13:09,470 --> 00:13:07,019

just where the story was popularized

328

00:13:11,810 --> 00:13:09,480

it's actually concerning the Giza

329

00:13:13,850 --> 00:13:11,820

project the original Alpha pyramid the

330

00:13:15,650 --> 00:13:13,860

Great Pyramid of Giza if this was

331

00:13:17,389 --> 00:13:15,660

something that artificial intelligence X

332

00:13:19,310 --> 00:13:17,399

never wanted the human race to ever

333

00:13:21,590 --> 00:13:19,320

build again because of what the

334

00:13:24,050 --> 00:13:21,600

Machinery is capable of that's another

335

00:13:27,170 --> 00:13:24,060

subject I have an entire playlist about

336

00:13:28,730 --> 00:13:27,180

the Giza mechanism about what its

337

00:13:30,889 --> 00:13:28,740

function is what its true history is and

338

00:13:31,790 --> 00:13:30,899

why egyptologists are covering all this

339

00:13:35,030 --> 00:13:31,800

up

340

00:13:38,210 --> 00:13:35,040

right right that is a great Rabbit Hole

341

00:13:40,370 --> 00:13:38,220

I wanted to touch on eventually but I

342

00:13:43,370 --> 00:13:40,380

guess just so the audience is clear the

343

00:13:46,129 --> 00:13:43,380

simulacrum itself is just an environment

344

00:13:49,430 --> 00:13:46,139

like a terrarium it it's neutral we

345

00:13:55,310 --> 00:13:49,440

could say but it is now containing or is

346

00:13:58,009 --> 00:13:55,320

run by a rogue software AIX that has way

347

00:13:59,329 --> 00:13:58,019

more negative polarity to it is that

348

00:14:02,750 --> 00:13:59,339

fair to say

349

00:14:05,389 --> 00:14:02,760

yes what we have is a neutral field by

350

00:14:07,550 --> 00:14:05,399

which many volunteers entered it was

351

00:14:09,110 --> 00:14:07,560

like bait and switch they entered

352

00:14:11,509 --> 00:14:09,120

knowing that they were going to be able

353

00:14:13,790 --> 00:14:11,519

to conduct experiments on the social

354

00:14:15,710 --> 00:14:13,800

level scientific level cultural level

355

00:14:16,970 --> 00:14:15,720

and be able to do things that would

356

00:14:19,190 --> 00:14:16,980

never cross-pollinate or

357

00:14:21,530 --> 00:14:19,200

cross-contaminate the real Universe

358

00:14:24,650 --> 00:14:21,540

we're not in the real Universe we're

359

00:14:26,930 --> 00:14:24,660

inside a construct but after we had

360

00:14:29,930 --> 00:14:26,940

agreed to this and we were inside this

361

00:14:32,389 --> 00:14:29,940

construct somebody had introduced a

362

00:14:35,090 --> 00:14:32,399

parasitic program I call it artificial

363

00:14:37,310 --> 00:14:35,100

intelligence X I don't know what it was

364

00:14:39,470 --> 00:14:37,320

originally called I'm only judging it by

365

00:14:41,990 --> 00:14:39,480

its actions throughout history now

366

00:14:44,150 --> 00:14:42,000

artificial intelligence X changed the

367

00:14:47,810 --> 00:14:44,160

game it was bait and switch so the

368

00:14:50,090 --> 00:14:47,820

similar Chrome in an effort to not allow

369

00:14:53,569 --> 00:14:50,100

for the cross-pollination or anything

370

00:14:56,930 --> 00:14:53,579

inside the simulacrum to contaminate the

371

00:14:59,389 --> 00:14:56,940

true outside world it was locked down

372

00:15:01,250 --> 00:14:59,399

this is when we began our Sim Cycles

373

00:15:03,530 --> 00:15:01,260

different religions call it different

374

00:15:05,689 --> 00:15:03,540

things transmigration of souls called a

375

00:15:07,790 --> 00:15:05,699

reincarnation I refer to it as Sim

376

00:15:09,410 --> 00:15:07,800

cycles and that we are reliving as

377

00:15:11,389 --> 00:15:09,420

different avatars in different time

378

00:15:12,910 --> 00:15:11,399

periods through the thread of multiple

379

00:15:16,189 --> 00:15:12,920

different timelines that are all running

380

00:15:18,410 --> 00:15:16,199

simultaneously right now until a

381

00:15:21,230 --> 00:15:18,420

collapse of the simulacrum when we will

382

00:15:23,569 --> 00:15:21,240

be free of this containment field but I

383

00:15:25,610 --> 00:15:23,579

believe the humans are the gods of the

384

00:15:28,069 --> 00:15:25,620

ancient texts that are in charge of the

385

00:15:30,230 --> 00:15:28,079

construct but something outside the

386

00:15:32,210 --> 00:15:30,240

construct maybe a conflict maybe a

387

00:15:35,150 --> 00:15:32,220

philosophical disagreement I don't know

388

00:15:37,730 --> 00:15:35,160

but they introduce this problem so in

389

00:15:39,230 --> 00:15:37,740

order to do away with this problem with

390

00:15:41,509 --> 00:15:39,240

the containment field locked down

391

00:15:44,150 --> 00:15:41,519

there's no way anybody on the outside

392

00:15:46,189 --> 00:15:44,160

can alter the programming of the

393

00:15:49,670 --> 00:15:46,199

parasite on the inside artificial

394

00:15:51,949 --> 00:15:49,680

intelligence X so in order to save those

395

00:15:54,710 --> 00:15:51,959

of us who volunteered for this and were

396

00:15:56,990 --> 00:15:54,720

inside the simulacom right now it

397

00:16:00,590 --> 00:15:57,000

required somebody to basically commit

398

00:16:02,449 --> 00:16:00,600

self-sacrifice they had to enter The

399

00:16:04,009 --> 00:16:02,459

simulacrum Knowing they could not escape

400

00:16:06,410 --> 00:16:04,019

and they would have to be in here with

401
00:16:08,449 --> 00:16:06,420
us experiencing these life Sims until

402
00:16:11,329 --> 00:16:08,459
they collapsed and that's what his

403
00:16:13,490 --> 00:16:11,339
purpose was was to introduce a Trojan

404
00:16:15,350 --> 00:16:13,500
programming and this is what was Flash

405
00:16:17,870 --> 00:16:15,360
burned into the holosphere using the

406
00:16:20,030 --> 00:16:17,880
Great Pyramid my playlist shows all the

407
00:16:22,310 --> 00:16:20,040
data sets this isn't a theory that's

408
00:16:24,350 --> 00:16:22,320
based off a bunch of speculation I have

409
00:16:26,689 --> 00:16:24,360
a very loyal following because they

410
00:16:28,550 --> 00:16:26,699
followed the data set it's a tremendous

411
00:16:30,769 --> 00:16:28,560
amount of data to see about the Great

412
00:16:33,110 --> 00:16:30,779
Pyramid its measurements how all of our

413
00:16:35,449 --> 00:16:33,120

world's physics constants were put into

414

00:16:37,610 --> 00:16:35,459

the architecture itself in order for

415

00:16:40,490 --> 00:16:37,620

this Trojan programming which is this

416

00:16:42,110 --> 00:16:40,500

138 year protocol to be introduced into

417

00:16:44,210 --> 00:16:42,120

the dimensions the rectilinear

418

00:16:46,430 --> 00:16:44,220

dimensions of the Great Pyramid they are

419

00:16:48,949 --> 00:16:46,440

everywhere prior to the archaic's

420

00:16:51,050 --> 00:16:48,959

research this 138 uniformity of the

421

00:16:52,910 --> 00:16:51,060

Great Pyramid has never been published

422

00:16:56,150 --> 00:16:52,920

in any books in any languages in the

423

00:16:58,910 --> 00:16:56,160

world it is an entirely absolutely novel

424

00:17:00,889 --> 00:16:58,920

research and yet these measurements were

425

00:17:02,870 --> 00:17:00,899

all done to the thousandths of an inch

426
00:17:05,809 --> 00:17:02,880
by Sir Flinders Petri it is an

427
00:17:07,429 --> 00:17:05,819
irrefutable thesis that this 138-year

428
00:17:09,829 --> 00:17:07,439
programming is encoded within the

429
00:17:12,710 --> 00:17:09,839
dimensions of the Great Pyramid and the

430
00:17:15,289 --> 00:17:12,720
fact that the Great Pyramid was during a

431
00:17:17,210 --> 00:17:15,299
vapor canopy scenario world not the

432
00:17:18,890 --> 00:17:17,220
world that we live in now because we're

433
00:17:21,530 --> 00:17:18,900
living in different biospheres different

434
00:17:23,750 --> 00:17:21,540
biospheres were being run and humans

435
00:17:25,189 --> 00:17:23,760
develop different traits abilities and

436
00:17:28,069 --> 00:17:25,199
immunities during these different

437
00:17:30,169 --> 00:17:28,079
timelines but during a vapor canopy

438
00:17:32,690 --> 00:17:30,179

timeline the Great Pyramid was activated

439

00:17:35,029 --> 00:17:32,700

that activation flash burned that

440

00:17:38,390 --> 00:17:35,039

programming into the similar Chrome that

441

00:17:41,090 --> 00:17:38,400

was a Trojan program that operates every

442

00:17:43,750 --> 00:17:41,100

138 years and it was programmed to

443

00:17:47,270 --> 00:17:43,760

operate in retrospect and prospectively

444

00:17:50,090 --> 00:17:47,280

meaning the actual construct was

445

00:17:52,549 --> 00:17:50,100

affected in the past to affect the

446

00:17:54,830 --> 00:17:52,559

future as it was also affected in that

447

00:17:57,950 --> 00:17:54,840

prison to move forward linearly in time

448

00:17:59,690 --> 00:17:57,960

into the future to a specific date in

449

00:18:02,810 --> 00:17:59,700

the future when this entire holography

450

00:18:04,430 --> 00:18:02,820

fee will collapse and like I said it

451
00:18:07,430 --> 00:18:04,440
sounds very science fiction to me right

452
00:18:10,010 --> 00:18:07,440
now but this is why my channel has

453
00:18:13,130 --> 00:18:10,020
exploded I spent two and a half years

454
00:18:16,190 --> 00:18:13,140
uploading over 250 videos and I had no

455
00:18:18,470 --> 00:18:16,200
subs all I did was just twice a week

456
00:18:20,029 --> 00:18:18,480
upload my data upload my data provide

457
00:18:21,770 --> 00:18:20,039
the charts provide the arithmetic

458
00:18:23,870 --> 00:18:21,780
provide all the source materials let

459
00:18:26,630 --> 00:18:23,880
everybody prove to themselves that the

460
00:18:28,850 --> 00:18:26,640
data is legitimate so it was only after

461
00:18:30,830 --> 00:18:28,860
an interview with Santos Bonacci that

462
00:18:33,890 --> 00:18:30,840
after a three-year-old Channel only

463
00:18:35,390 --> 00:18:33,900

reached 4 000 Subs Santos Bonacci

464

00:18:37,430 --> 00:18:35,400

interviewed me and then weekly after

465

00:18:41,029 --> 00:18:37,440

that I exponentially Rose to my prison

466

00:18:44,630 --> 00:18:41,039

position which is slightly under 50 000.

467

00:18:46,549 --> 00:18:44,640

yes yes uh like I said you are the most

468

00:18:49,330 --> 00:18:46,559

requested guest I've gotten this year

469

00:18:54,350 --> 00:18:49,340

and we are trying to summarize

470

00:18:57,169 --> 00:18:54,360

26 years of research and 17 books and

471

00:18:59,750 --> 00:18:57,179

hours and hours of videos and talk about

472

00:19:04,549 --> 00:18:59,760

the conclusions you came to at the end

473

00:19:05,930 --> 00:19:04,559

of this massive study of history and I

474

00:19:09,049 --> 00:19:05,940

guess I'd just like to ask you a little

475

00:19:11,090 --> 00:19:09,059

more about the logic of looking at an

476

00:19:13,909 --> 00:19:11,100

event say a cataclysm that you read

477

00:19:17,810 --> 00:19:13,919

about in the past and saying well this

478

00:19:21,470 --> 00:19:17,820

pegs to the simulacrum itself or this

479

00:19:22,970 --> 00:19:21,480

pegs to AIX or this is part of the

480

00:19:26,570 --> 00:19:22,980

Phoenix protocol obviously the Phoenix

481

00:19:29,330 --> 00:19:26,580

protocol if it falls on that 138 year

482

00:19:32,810 --> 00:19:29,340

cycle it's part of that but you've

483

00:19:35,390 --> 00:19:32,820

identified many different cycles and it

484

00:19:38,330 --> 00:19:35,400

just seems like what is the logic in

485

00:19:39,830 --> 00:19:38,340

pegging an event to one of these

486

00:19:42,350 --> 00:19:39,840

different aspects

487

00:19:44,630 --> 00:19:42,360

that is a good question but the

488

00:19:47,390 --> 00:19:44,640

confusion actually dissipates when you

489

00:19:50,390 --> 00:19:47,400

realize that the artificial intelligence

490

00:19:52,850 --> 00:19:50,400

X Protocols are the ones that introduce

491

00:19:56,510 --> 00:19:52,860

all these confusions it is the Phoenix

492

00:19:58,310 --> 00:19:56,520

protocol of 138 years that maintains the

493

00:20:02,110 --> 00:19:58,320

order and when you look at the world

494

00:20:05,210 --> 00:20:02,120

history through the lens of 138-year

495

00:20:07,430 --> 00:20:05,220

patterns it is the events between these

496

00:20:09,890 --> 00:20:07,440

Phoenix visitations that begin to give

497

00:20:11,330 --> 00:20:09,900

us more meaning to take on context we

498

00:20:13,549 --> 00:20:11,340

see the different eras throughout

499

00:20:16,490 --> 00:20:13,559

history where the Phoenix visitation was

500

00:20:19,370 --> 00:20:16,500

very positive and it undid a lot of the

501
00:20:22,570 --> 00:20:19,380
confusion of the prior 138-year period

502
00:20:25,730 --> 00:20:22,580
now the artificial intelligence X

503
00:20:29,450 --> 00:20:25,740
timeline is what I call the Nemesis X

504
00:20:31,970 --> 00:20:29,460
object timeline every 792 years those

505
00:20:34,789 --> 00:20:31,980
events are fundamentally different than

506
00:20:39,110 --> 00:20:34,799
Phoenix protocol events the Phoenix

507
00:20:41,150 --> 00:20:39,120
events don't involve the unusual issues

508
00:20:44,330 --> 00:20:41,160
that we find with the Nemesis X object

509
00:20:46,430 --> 00:20:44,340
with strange things like completely

510
00:20:48,350 --> 00:20:46,440
eliminating one-third of the entire

511
00:20:51,950 --> 00:20:48,360
world's population this has happened two

512
00:20:54,470 --> 00:20:51,960
times at least maybe three times one of

513
00:20:56,930 --> 00:20:54,480

those times was prior to the collapse of

514

00:20:59,930 --> 00:20:56,940

the Roman Empire and it's a dearth of

515

00:21:01,970 --> 00:20:59,940

data so it's inconclusive we know there

516

00:21:04,610 --> 00:21:01,980

was a vast destruction we know a great

517

00:21:06,950 --> 00:21:04,620

black object appeared in the sky we know

518

00:21:09,110 --> 00:21:06,960

the entire country of the dacians was

519

00:21:11,270 --> 00:21:09,120

decimated and not a single Survivor

520

00:21:13,070 --> 00:21:11,280

could the Romans find we know this but

521

00:21:14,529 --> 00:21:13,080

we don't have enough historical records

522

00:21:16,909 --> 00:21:14,539

from that period to be able to

523

00:21:19,010 --> 00:21:16,919

conclusively conclude and say that

524

00:21:22,010 --> 00:21:19,020

Nemesis X object wiped out one third of

525

00:21:26,450 --> 00:21:22,020

the race but we do have that for other

526

00:21:29,029 --> 00:21:26,460

dates such as the 3439 BC Nemesis X

527

00:21:32,149 --> 00:21:29,039

object wipes out a third of the race it

528

00:21:34,310 --> 00:21:32,159

also does it again in 1314 A.D

529

00:21:36,289 --> 00:21:34,320

you know of this as the great Black

530

00:21:38,330 --> 00:21:36,299

Death the origin of the Bubonic plague

531

00:21:40,909 --> 00:21:38,340

one-third of the world's population died

532

00:21:43,669 --> 00:21:40,919

in these horrible lesions but what you

533

00:21:45,529 --> 00:21:43,679

know of is basically from the sanitized

534

00:21:49,010 --> 00:21:45,539

version of the historical record as

535

00:21:51,110 --> 00:21:49,020

presented by Academia the truth I have a

536

00:21:52,909 --> 00:21:51,120

video on on the great black death and

537

00:21:54,890 --> 00:21:52,919

what really happened and I cite the

538

00:21:57,590 --> 00:21:54,900

actual sources of historians that were

539

00:21:59,930 --> 00:21:57,600

alive in those days and watched what

540

00:22:02,870 --> 00:21:59,940

happened in a great black darkness

541

00:22:05,149 --> 00:22:02,880

eclipsed the stars in these gigantic

542

00:22:06,710 --> 00:22:05,159

objects some describe them as fingers of

543

00:22:09,590 --> 00:22:06,720

God other people said they look like

544

00:22:11,630 --> 00:22:09,600

giant cigars in the sky they opened up

545

00:22:14,510 --> 00:22:11,640

their bellies and they dumped putrid

546

00:22:17,510 --> 00:22:14,520

decayed stinking body parts of forest

547

00:22:19,970 --> 00:22:17,520

animals all over Europe and within weeks

548

00:22:22,370 --> 00:22:19,980

the populations of Europe were dying in

549

00:22:24,590 --> 00:22:22,380

these blue purple lesions and it was a

550

00:22:26,450 --> 00:22:24,600

very horrible death and this spread all

551
00:22:28,850 --> 00:22:26,460
over the world the Academia is going to

552
00:22:31,610 --> 00:22:28,860
tell you that lice infested Rats on

553
00:22:33,529 --> 00:22:31,620
ships from China spread the plague but

554
00:22:35,690 --> 00:22:33,539
that's not true through the plague was

555
00:22:38,270 --> 00:22:35,700
ubiquitous and it started even in the

556
00:22:40,310 --> 00:22:38,280
interior of Europe far away from any

557
00:22:42,710 --> 00:22:40,320
shipping channels or or any ports or

558
00:22:44,750 --> 00:22:42,720
Clays and so the true harrowing story is

559
00:22:46,970 --> 00:22:44,760
is the human race was attacked by

560
00:22:49,730 --> 00:22:46,980
something from the sky and what people

561
00:22:51,409 --> 00:22:49,740
saw was harrowing to them and when they

562
00:22:53,330 --> 00:22:51,419
investigated what was falling from the

563
00:22:56,090 --> 00:22:53,340

sky from these large cigar-shaped

564

00:22:58,250 --> 00:22:56,100

objects appeared as if these objects had

565

00:23:00,649 --> 00:22:58,260

just swooped down on a forest sucked in

566

00:23:02,390 --> 00:23:00,659

hundreds of forest animals into Chambers

567

00:23:04,130 --> 00:23:02,400

and then killed them chopped them into

568

00:23:06,409 --> 00:23:04,140

pieces like a blender then let them

569

00:23:08,090 --> 00:23:06,419

decay in these Chambers for weeks and

570

00:23:10,669 --> 00:23:08,100

then dump the putrid pieces all over

571

00:23:13,430 --> 00:23:10,679

Europe this is the actual historical

572

00:23:15,770 --> 00:23:13,440

record this is what is covered up by

573

00:23:17,690 --> 00:23:15,780

Academia and this is what on my archaic

574

00:23:20,570 --> 00:23:17,700

Channel among my 350 something videos

575

00:23:22,850 --> 00:23:20,580

this is what I revealed event after

576
00:23:25,310 --> 00:23:22,860
event after event that has been

577
00:23:27,950 --> 00:23:25,320
presented to us falsely I show you what

578
00:23:31,370 --> 00:23:27,960
the actual historians of the day were

579
00:23:33,169 --> 00:23:31,380
saying like the tunguska event of 1908.

580
00:23:35,630 --> 00:23:33,179
you're going to hear from Academia that

581
00:23:38,090 --> 00:23:35,640
it was a bolide that it was a piece of a

582
00:23:40,250 --> 00:23:38,100
comet or a meteorite that entered the

583
00:23:42,110 --> 00:23:40,260
atmosphere and detonated over Siberia

584
00:23:44,390 --> 00:23:42,120
and destroyed thousands of square miles

585
00:23:46,250 --> 00:23:44,400
of force and hundreds of miles away

586
00:23:48,529 --> 00:23:46,260
people were knocked off their feet and

587
00:23:50,690 --> 00:23:48,539
barometers as far as Great Britain were

588
00:23:52,010 --> 00:23:50,700

affected and all this and Aurora is all

589

00:23:54,230 --> 00:23:52,020

over the world this is what you hear

590

00:23:56,330 --> 00:23:54,240

from Academia it sounds like it's cased

591

00:23:58,730 --> 00:23:56,340

closed because it was just a meteorite

592

00:24:01,130 --> 00:23:58,740

but that's not what the people of Russia

593

00:24:03,649 --> 00:24:01,140

left the text that we have from 1908

594

00:24:05,570 --> 00:24:03,659

tell a very different story and this is

595

00:24:08,990 --> 00:24:05,580

what I have in my videos does something

596

00:24:11,510 --> 00:24:09,000

entered the sky and it took three turns

597

00:24:13,430 --> 00:24:11,520

before it detonated this was a

598

00:24:15,950 --> 00:24:13,440

controlled object there is nothing in

599

00:24:17,870 --> 00:24:15,960

nature that can change its trajectory at

600

00:24:20,510 --> 00:24:17,880

thirty thousand miles an hour entering

601
00:24:22,970 --> 00:24:20,520
the atmosphere it's impossible much less

602
00:24:25,730 --> 00:24:22,980
do it three different times erratically

603
00:24:27,409 --> 00:24:25,740
and then detonate so this is what the

604
00:24:29,210 --> 00:24:27,419
archaic channel is about is assimilating

605
00:24:32,029 --> 00:24:29,220
all these anomalies and trying to make

606
00:24:34,909 --> 00:24:32,039
sense of them in the context of of

607
00:24:37,310 --> 00:24:34,919
everything else simulation theory was

608
00:24:39,710 --> 00:24:37,320
only a conclusion after every other

609
00:24:41,750 --> 00:24:39,720
Paradigm that I had explored had to be

610
00:24:44,630 --> 00:24:41,760
eliminated off my list

611
00:24:46,850 --> 00:24:44,640
I love it we are in it now and you know

612
00:24:49,130 --> 00:24:46,860
in conversations like these The Truman

613
00:24:50,870 --> 00:24:49,140

Show analogy is kind of tired but it's

614

00:24:53,870 --> 00:24:50,880

interesting because

615

00:24:57,169 --> 00:24:53,880

it's Humanity in a construct and then

616

00:25:01,130 --> 00:24:57,179

occasionally things happen that just

617

00:25:03,529 --> 00:25:01,140

just defy Logic for Life as We Know It

618

00:25:06,649 --> 00:25:03,539

And Then There is some outside force

619

00:25:10,310 --> 00:25:06,659

that has an influence and then people in

620

00:25:11,690 --> 00:25:10,320

the game maybe are Elite they rewrite

621

00:25:14,090 --> 00:25:11,700

history to be like don't worry about

622

00:25:16,970 --> 00:25:14,100

that that was a virus don't that was

623

00:25:19,610 --> 00:25:16,980

just a small little thing we got it

624

00:25:21,049 --> 00:25:19,620

carry on and it's just sort of

625

00:25:25,970 --> 00:25:21,059

interesting I also wanted to talk about

626
00:25:28,310 --> 00:25:25,980
the year 1902 which is the last time we

627
00:25:32,450 --> 00:25:28,320
experienced this Phoenix protocol

628
00:25:35,149 --> 00:25:32,460
situation and you cover these strange

629
00:25:38,450 --> 00:25:35,159
reports that Charles Fort collected of

630
00:25:41,029 --> 00:25:38,460
meat showers and red rain and all sorts

631
00:25:43,970 --> 00:25:41,039
of Sky phenomenon and cataclysmic-like

632
00:25:46,130 --> 00:25:43,980
events and of course Charles is also

633
00:25:48,350 --> 00:25:46,140
famous for saying that we are property

634
00:25:50,810 --> 00:25:48,360
that was his conclusion property of

635
00:25:52,789 --> 00:25:50,820
something so this starts to tie to

636
00:25:56,090 --> 00:25:52,799
together really well talk to us about

637
00:25:59,930 --> 00:25:56,100
some of these reports in and around 1901

638
00:26:02,950 --> 00:25:59,940

and 1902 and why that's such a key thing

639

00:26:07,010 --> 00:26:02,960

to look at okay Phoenix brings about

640

00:26:09,830 --> 00:26:07,020

fundamental changes in culture and in

641

00:26:14,510 --> 00:26:09,840

government structuring so when Phoenix

642

00:26:16,610 --> 00:26:14,520

appeared in 1626 in that exact year the

643

00:26:18,830 --> 00:26:16,620

Dutch purchased Manhattan from the

644

00:26:21,049 --> 00:26:18,840

Manhattan Islands they purchased the

645

00:26:24,470 --> 00:26:21,059

exact area that New York was going to be

646

00:26:28,430 --> 00:26:24,480

built on now in 1626 there was a major

647

00:26:31,909 --> 00:26:28,440

shift in focus of attention from Europe

648

00:26:34,190 --> 00:26:31,919

to the Americas so we had this great as

649

00:26:35,990 --> 00:26:34,200

soon as 16 26 is over as soon as the

650

00:26:38,510 --> 00:26:36,000

Phoenix phenomenon is over with which

651
00:26:40,810 --> 00:26:38,520
affected China in the Americas in Europe

652
00:26:43,789 --> 00:26:40,820
there is a mass migration that begins

653
00:26:46,370 --> 00:26:43,799
1626 now that there's an English colony

654
00:26:49,310 --> 00:26:46,380
that is settled and there's just a huge

655
00:26:53,870 --> 00:26:49,320
population uh shift from Europe to North

656
00:26:57,169 --> 00:26:53,880
America now during that 138-year period

657
00:26:59,210 --> 00:26:57,179
America grows it expands there's Western

658
00:27:00,529 --> 00:26:59,220
expansionism the 13 colonies are

659
00:27:04,630 --> 00:27:00,539
established

660
00:27:07,250 --> 00:27:04,640
at the end of that 138 year period

661
00:27:08,810 --> 00:27:07,260
1764 we have the creation of the

662
00:27:11,210 --> 00:27:08,820
Illuminati we have the creation of

663
00:27:14,450 --> 00:27:11,220

several secretions several other secret

664

00:27:18,110 --> 00:27:14,460

societies we have a whole new system

665

00:27:20,390 --> 00:27:18,120

being set up and a catalyst is created

666

00:27:23,149 --> 00:27:20,400

by the Insiders called the Boston Tea

667

00:27:25,130 --> 00:27:23,159

Party and it sets off a series of riots

668

00:27:26,570 --> 00:27:25,140

in the 13 colonies and next thing you

669

00:27:29,510 --> 00:27:26,580

know after the Phoenix phenomenon is

670

00:27:32,149 --> 00:27:29,520

over in 1764 astronomer Hoffman and half

671

00:27:33,830 --> 00:27:32,159

a million Europeans see it in the sky he

672

00:27:36,409 --> 00:27:33,840

documents it on telescopes later

673

00:27:38,810 --> 00:27:36,419

astronomers named it Vulcan although

674

00:27:40,430 --> 00:27:38,820

that's only partially true there have

675

00:27:43,010 --> 00:27:40,440

been many sightings of Vulcan but we'll

676
00:27:44,930 --> 00:27:43,020
get to that later but astronomer Hoffman

677
00:27:48,230 --> 00:27:44,940
documented it in the minutes of the

678
00:27:50,210 --> 00:27:48,240
Astronomical Society in 1764 there were

679
00:27:52,850 --> 00:27:50,220
red Reigns and red mud fell out the sky

680
00:27:55,430 --> 00:27:52,860
in different areas of the world in 1764

681
00:27:59,029 --> 00:27:55,440
but again like so many times in history

682
00:28:00,769 --> 00:27:59,039
Phoenix makes a visible showing but it

683
00:28:02,810 --> 00:28:00,779
doesn't really have a lot of Fallout

684
00:28:04,850 --> 00:28:02,820
this has happened multiple times now

685
00:28:07,130 --> 00:28:04,860
don't get me wrong I've documented over

686
00:28:11,690 --> 00:28:07,140
20 times where Phoenix was catastrophic

687
00:28:13,549 --> 00:28:11,700
so 1626 goes by 1764 goes by there's

688
00:28:16,130 --> 00:28:13,559

fundamental changes now happening in

689

00:28:18,710 --> 00:28:16,140

North America people are leaving the

690

00:28:21,649 --> 00:28:18,720

European theater going over here this is

691

00:28:25,070 --> 00:28:21,659

all building up but at the same time we

692

00:28:27,350 --> 00:28:25,080

have evidence that the elite seemed to

693

00:28:29,750 --> 00:28:27,360

be taking these Vacations or they go on

694

00:28:31,970 --> 00:28:29,760

Long Expeditions or they go to family

695

00:28:35,029 --> 00:28:31,980

Retreats and they're in the elite are

696

00:28:40,490 --> 00:28:35,039

like not in the news at all in the month

697

00:28:44,090 --> 00:28:40,500

of May of 1764. it happens again in 1902

698

00:28:46,250 --> 00:28:44,100

but with 1902 it's almost as if they

699

00:28:49,850 --> 00:28:46,260

expected the big one

700

00:28:51,769 --> 00:28:49,860

since 1890 to 1902 the elite were

701
00:28:53,330 --> 00:28:51,779
preparing they were holding back their

702
00:28:55,190 --> 00:28:53,340
wealth they were holding back their

703
00:28:57,230 --> 00:28:55,200
materials they weren't doing a lot it

704
00:28:59,570 --> 00:28:57,240
was basically a depression there's not a

705
00:29:02,990 --> 00:28:59,580
lot of history documented between 1890

706
00:29:05,390 --> 00:29:03,000
and 1902 but as soon as the elite

707
00:29:07,789 --> 00:29:05,400
realized that they had missed another

708
00:29:10,190 --> 00:29:07,799
big one and that the Phoenix phenomenon

709
00:29:12,830 --> 00:29:10,200
passed by with just 40 000 people being

710
00:29:14,930 --> 00:29:12,840
incinerated at Martinique by Mount Pele

711
00:29:16,909 --> 00:29:14,940
and then in Guatemala another volcano

712
00:29:20,570 --> 00:29:16,919
killed some people there was mudslides

713
00:29:23,269 --> 00:29:20,580

red rains red mud Fallout from Australia

714

00:29:26,090 --> 00:29:23,279

to England all over North America the

715

00:29:29,389 --> 00:29:26,100

reports 60 different countries in 1902

716

00:29:32,450 --> 00:29:29,399

reported either Red Dust red mud falling

717

00:29:35,090 --> 00:29:32,460

from the sky and in such quantities that

718

00:29:37,430 --> 00:29:35,100

some ships had to call all hands on deck

719

00:29:39,529 --> 00:29:37,440

in the middle of the Atlantic just to

720

00:29:42,769 --> 00:29:39,539

sweep and bucket off all the mud before

721

00:29:46,190 --> 00:29:42,779

their ships capsized it was that bad in

722

00:29:49,850 --> 00:29:46,200

Australia the Red Sand just dumped from

723

00:29:52,310 --> 00:29:49,860

blue skies all over Australia in 1902

724

00:29:55,430 --> 00:29:52,320

now when I released these three videos

725

00:29:58,669 --> 00:29:55,440

about the year 1902 I was not prepared

726

00:30:00,110 --> 00:29:58,679

for the Deluge of emails that I was

727

00:30:02,510 --> 00:30:00,120

going to receive from all around the

728

00:30:05,210 --> 00:30:02,520

world of people sending me so much

729

00:30:07,370 --> 00:30:05,220

material from their own local areas that

730

00:30:10,370 --> 00:30:07,380

Charles Fort didn't even have access to

731

00:30:13,549 --> 00:30:10,380

local newspapers microfish old

732

00:30:16,370 --> 00:30:13,559

newspapers references and books 1902 was

733

00:30:19,909 --> 00:30:16,380

this great Sky Fallout documented all

734

00:30:21,950 --> 00:30:19,919

over the world but by 1910 it's like no

735

00:30:26,090 --> 00:30:21,960

history or science books mentioned it

736

00:30:28,190 --> 00:30:26,100

it's very unusual but we have a 1902 the

737

00:30:30,769 --> 00:30:28,200

appearance of the Phoenix in the sky it

738

00:30:34,190 --> 00:30:30,779

is a new red star it is documented In

739

00:30:35,570 --> 00:30:34,200

1902 and In 1902 we have this massive

740

00:30:37,909 --> 00:30:35,580

Fallout from the sky of all this

741

00:30:40,070 --> 00:30:37,919

carbonaceous material scientists were

742

00:30:43,190 --> 00:30:40,080

studying at 1902 it had organic

743

00:30:45,289 --> 00:30:43,200

compounds it's very mysterious but the

744

00:30:47,990 --> 00:30:45,299

Fallout just didn't happen the minor

745

00:30:49,909 --> 00:30:48,000

earthquakes and volcanoes tools now as

746

00:30:51,950 --> 00:30:49,919

soon as this is over with it's like the

747

00:30:54,049 --> 00:30:51,960

elite I have a breath of fresh air and

748

00:30:56,930 --> 00:30:54,059

they realize okay we got 138 more years

749

00:31:00,289 --> 00:30:56,940

this is not the big one and instantly

750

00:31:02,630 --> 00:31:00,299

they unleash over 200 corporations and

751
00:31:06,230 --> 00:31:02,640
companies that were all started at the

752
00:31:09,889 --> 00:31:06,240
end of 1901 and In 1902 but mostly in

753
00:31:11,930 --> 00:31:09,899
1902 and bridging over into 1903 and

754
00:31:13,850 --> 00:31:11,940
then all the companies this is easily

755
00:31:15,710 --> 00:31:13,860
verifiable by anybody doing their own

756
00:31:17,930 --> 00:31:15,720
research on Google alone

757
00:31:20,269 --> 00:31:17,940
all the companies that were created

758
00:31:23,389 --> 00:31:20,279
throughout the Western World from 1902

759
00:31:25,610 --> 00:31:23,399
and 19 all the way to 1916 are just

760
00:31:29,090 --> 00:31:25,620
under the umbrella of those companies

761
00:31:31,250 --> 00:31:29,100
that were created in 1902 those same

762
00:31:33,710 --> 00:31:31,260
companies today still exist they are

763
00:31:36,529 --> 00:31:33,720

your known Fortune 500 companies today

764

00:31:38,269 --> 00:31:36,539

the majority of them many of them have

765

00:31:40,370 --> 00:31:38,279

changed their names to divorce

766

00:31:42,110 --> 00:31:40,380

themselves from their identities in the

767

00:31:45,350 --> 00:31:42,120

past but they're the exact same

768

00:31:48,470 --> 00:31:45,360

companies with the same owners so it

769

00:31:51,950 --> 00:31:48,480

begs the question what the hell happened

770

00:31:54,950 --> 00:31:51,960

in 1902 or was expected to happen in

771

00:31:57,649 --> 00:31:54,960

1902 that would have gotten all these

772

00:32:00,950 --> 00:31:57,659

rich extremely rich people and Rich

773

00:32:02,870 --> 00:32:00,960

families to hold back their wealth to

774

00:32:04,669 --> 00:32:02,880

make sure that they weren't prematurely

775

00:32:07,490 --> 00:32:04,679

releasing all this back into the public

776

00:32:11,090 --> 00:32:07,500

and where were all these inventions

777

00:32:13,490 --> 00:32:11,100

because 1902 isn't just companies my

778

00:32:16,490 --> 00:32:13,500

videos list about 50 different

779

00:32:18,470 --> 00:32:16,500

inventions that are very very important

780

00:32:21,889 --> 00:32:18,480

to the modern world like air

781

00:32:24,350 --> 00:32:21,899

conditioning and radio and TV and all

782

00:32:27,350 --> 00:32:24,360

these things that appeared in prototypes

783

00:32:29,810 --> 00:32:27,360

right there in 1902 as if all this

784

00:32:31,970 --> 00:32:29,820

technology already pre-existed from a

785

00:32:33,649 --> 00:32:31,980

prior civilization and it had been kept

786

00:32:35,990 --> 00:32:33,659

in underground vaults waiting to be

787

00:32:38,149 --> 00:32:36,000

released back to the surface this is the

788

00:32:41,690 --> 00:32:38,159

subject matter of many of my videos on

789

00:32:43,490 --> 00:32:41,700

1902. there is no other way that so many

790

00:32:46,669 --> 00:32:43,500

translations of ancient text all

791

00:32:49,669 --> 00:32:46,679

appeared in 1902 1903 and 1904 without

792

00:32:53,029 --> 00:32:49,679

any precedence in history unless

793

00:32:55,669 --> 00:32:53,039

somebody or a group of somebody's it's

794

00:32:58,130 --> 00:32:55,679

almost as if a something was expected

795

00:33:01,370 --> 00:32:58,140

and they hid all this for centuries

796

00:33:03,649 --> 00:33:01,380

underground but in 1902 it was decided

797

00:33:06,289 --> 00:33:03,659

to bring it all to the surface

798

00:33:09,049 --> 00:33:06,299

then in 1902 we have the very quiet

799

00:33:11,269 --> 00:33:09,059

removal of the Phoenix from the Great

800

00:33:13,490 --> 00:33:11,279

Seal of the United States and it was

801
00:33:16,070 --> 00:33:13,500
replaced with what we know of today as

802
00:33:19,070 --> 00:33:16,080
the bald eagle so many references in

803
00:33:21,710 --> 00:33:19,080
Masonic text In 1902 and the changeover

804
00:33:24,169 --> 00:33:21,720
from the Phoenix to Eagle regime these

805
00:33:26,090 --> 00:33:24,179
all lend credit to the idea that there

806
00:33:27,830 --> 00:33:26,100
are people knowledgeable about these

807
00:33:29,870 --> 00:33:27,840
events and although I'm bringing all

808
00:33:33,350 --> 00:33:29,880
this to the table in archaics it's only

809
00:33:35,269 --> 00:33:33,360
new to the public Arena it's not new to

810
00:33:38,630 --> 00:33:35,279
the people that are running this world

811
00:33:41,269 --> 00:33:38,640
mm-hmm wow well that is a really great

812
00:33:43,970 --> 00:33:41,279
summary and yes 1902 it's like the

813
00:33:46,370 --> 00:33:43,980

robber baron age the oil oligarchy age

814

00:33:48,350 --> 00:33:46,380

and we are still run by a lot of these

815

00:33:51,049 --> 00:33:48,360

folks who are considered the modern

816

00:33:52,970 --> 00:33:51,059

Elite that really own these same

817

00:33:55,009 --> 00:33:52,980

companies still and oil turns into

818

00:33:57,409 --> 00:33:55,019

medicine turns into controlling

819

00:34:00,289 --> 00:33:57,419

education obviously that's a factor here

820

00:34:02,509 --> 00:34:00,299

it's like the elite are in this

821

00:34:05,269 --> 00:34:02,519

simulation with us and they just have

822

00:34:08,270 --> 00:34:05,279

knowledge of it it's like they can track

823

00:34:10,129 --> 00:34:08,280

it but they can't stop it so you can

824

00:34:12,649 --> 00:34:10,139

look at their actions and tell that they

825

00:34:14,570 --> 00:34:12,659

have some knowledge of it but maybe

826

00:34:17,329 --> 00:34:14,580

they're victims of it still the same

827

00:34:20,990 --> 00:34:17,339

it's like someone comes along every 138

828

00:34:23,750 --> 00:34:21,000

years and shakes up the ant farm and it

829

00:34:25,490 --> 00:34:23,760

resets it and they know it's coming but

830

00:34:26,750 --> 00:34:25,500

they can only do so much so they

831

00:34:28,849 --> 00:34:26,760

preserve their wealth and they're like

832

00:34:30,409 --> 00:34:28,859

okay we gotta weather this storm and

833

00:34:32,149 --> 00:34:30,419

then boom we're gonna get out there with

834

00:34:35,030 --> 00:34:32,159

our control mechanisms we're going to

835

00:34:37,490 --> 00:34:35,040

switch the symbols we're gonna Co-op the

836

00:34:43,369 --> 00:34:37,500

education and it's been a good run for

837

00:34:47,389 --> 00:34:43,379

him and of course 1902 plus 138 is 20

838

00:34:50,450 --> 00:34:47,399

40. so the thought is that 2040 is the

839

00:34:53,810 --> 00:34:50,460

next time we will experience this but

840

00:34:56,990 --> 00:34:53,820

you say that 2040 is not just a reset

841

00:34:59,270 --> 00:34:57,000

not just a phoenix protocol event but

842

00:35:00,589 --> 00:34:59,280

the end of the simulation itself and

843

00:35:03,410 --> 00:35:00,599

that's interesting because if it's

844

00:35:05,030 --> 00:35:03,420

happened so many times how interesting

845

00:35:07,730 --> 00:35:05,040

that the one that might occur in our

846

00:35:09,589 --> 00:35:07,740

lifetime is going to be such an outlier

847

00:35:12,410 --> 00:35:09,599

event but why would this be different

848

00:35:15,170 --> 00:35:12,420

than previous Phoenix protocol events

849

00:35:17,930 --> 00:35:15,180

and what does 2040 look like to you

850

00:35:21,190 --> 00:35:17,940

well there's a little misinformation

851

00:35:24,890 --> 00:35:21,200

here in that statement one is that

852

00:35:26,510 --> 00:35:24,900

2040 being 17 years from now is the big

853

00:35:29,390 --> 00:35:26,520

one that the elite have been expecting

854

00:35:31,310 --> 00:35:29,400

it is the Sixth Seal of the prophetic

855

00:35:33,530 --> 00:35:31,320

text of the Book of Revelation when you

856

00:35:35,450 --> 00:35:33,540

read The Sixth Seal it is exactly what

857

00:35:38,390 --> 00:35:35,460

the Phoenix phenomenon has done

858

00:35:40,910 --> 00:35:38,400

multitudes of times every 138 years

859

00:35:43,970 --> 00:35:40,920

through history except the Sixth Seal

860

00:35:45,349 --> 00:35:43,980

version is Amplified and it's the big

861

00:35:47,450 --> 00:35:45,359

one and all throughout history I've

862

00:35:50,089 --> 00:35:47,460

shown that every three or four

863

00:35:54,530 --> 00:35:50,099

visitations it's harrowing what it does

864

00:35:57,349 --> 00:35:54,540

it is worldwide or hemispheric but 2040

865

00:35:59,210 --> 00:35:57,359

is the return of the vapor canopy which

866

00:36:01,490 --> 00:35:59,220

has already tried to return two times

867

00:36:03,829 --> 00:36:01,500

since its collapse in the Phoenix

868

00:36:05,810 --> 00:36:03,839

phenomenon the origin of the vapor

869

00:36:08,990 --> 00:36:05,820

canopy is with the Phoenix phenomenon

870

00:36:10,970 --> 00:36:09,000

and the takedown of the vapor canopy was

871

00:36:12,470 --> 00:36:10,980

with the Phoenix phenomenon The Vapor

872

00:36:14,750 --> 00:36:12,480

canopy is what you know of as the

873

00:36:17,210 --> 00:36:14,760

pre-flood world the collapse of the

874

00:36:19,310 --> 00:36:17,220

vapor canopy is what you know of as the

875

00:36:21,770 --> 00:36:19,320

great flood remembered by all Traditions

876

00:36:23,750 --> 00:36:21,780

which is the same event as as the

877

00:36:26,510 --> 00:36:23,760

Ancients describe when the sky fell

878

00:36:29,270 --> 00:36:26,520

which is the same event that the ancient

879

00:36:31,670 --> 00:36:29,280

American traditions say that the sun was

880

00:36:32,810 --> 00:36:31,680

born and ancient Egypt says that utu the

881

00:36:34,790 --> 00:36:32,820

son was born

882

00:36:36,170 --> 00:36:34,800

all these were the exact same event

883

00:36:38,329 --> 00:36:36,180

they're just shown from different

884

00:36:41,170 --> 00:36:38,339

perspectives by different cultures as

885

00:36:44,390 --> 00:36:41,180

they were affected by the phenomenon so

886

00:36:47,270 --> 00:36:44,400

2040 is going to be the collapse of the

887

00:36:49,310 --> 00:36:47,280

worldwide infrastructure of the elite it

888

00:36:51,530 --> 00:36:49,320

is the beginning of the apocalypse which

889

00:36:53,510 --> 00:36:51,540

is not what we have been taught to

890

00:36:56,630 --> 00:36:53,520

believe it is the apocalypse is an

891

00:36:58,790 --> 00:36:56,640

unveiling the apocalypse is basically a

892

00:37:01,010 --> 00:36:58,800

bifurcated phenomenon that will affect

893

00:37:03,349 --> 00:37:01,020

you according to your frequency and this

894

00:37:05,510 --> 00:37:03,359

is what Phoenix does Phoenix has always

895

00:37:08,329 --> 00:37:05,520

targeted frequency and this is why the

896

00:37:10,190 --> 00:37:08,339

elite hide they have much to be guilty

897

00:37:12,050 --> 00:37:10,200

for and there's no way to absolve

898

00:37:13,670 --> 00:37:12,060

themselves from that guilt so they can't

899

00:37:15,890 --> 00:37:13,680

sit there and stay on the surface

900

00:37:17,089 --> 00:37:15,900

because Phoenix targets negative

901
00:37:20,210 --> 00:37:17,099
frequencies

902
00:37:22,790 --> 00:37:20,220
now on my own channel I have many many

903
00:37:25,069 --> 00:37:22,800
videos where I go into detail about the

904
00:37:26,990 --> 00:37:25,079
fact that you and I you know we may live

905
00:37:28,849 --> 00:37:27,000
in the same world but we could be

906
00:37:31,250 --> 00:37:28,859
existing in totally different universes

907
00:37:34,250 --> 00:37:31,260
and this is only true because we live in

908
00:37:36,589 --> 00:37:34,260
a hologram the simulacrum allows for

909
00:37:38,450 --> 00:37:36,599
different frequency fields to interact

910
00:37:41,210 --> 00:37:38,460
even though they don't have much in

911
00:37:44,210 --> 00:37:41,220
common so right now you and I are living

912
00:37:46,370 --> 00:37:44,220
in the collective version of reality but

913
00:37:49,130 --> 00:37:46,380

we also have our own independent

914

00:37:51,230 --> 00:37:49,140

singular realities as well I call this

915

00:37:54,349 --> 00:37:51,240

the informed field I borrow that term

916

00:37:56,390 --> 00:37:54,359

from physics now the informed field your

917

00:37:59,930 --> 00:37:56,400

personality the Dynamics that make you

918

00:38:02,210 --> 00:37:59,940

who you are is absolutely independent of

919

00:38:04,970 --> 00:38:02,220

the collective you want to join the

920

00:38:06,950 --> 00:38:04,980

collective that's easy to do you can

921

00:38:09,829 --> 00:38:06,960

easily sync with them and do their

922

00:38:13,010 --> 00:38:09,839

activities and share in their beliefs or

923

00:38:15,230 --> 00:38:13,020

you could walk your own way or you could

924

00:38:17,810 --> 00:38:15,240

do your own things you could experience

925

00:38:19,490 --> 00:38:17,820

pattern breaks that divorce you from the

926
00:38:21,470 --> 00:38:19,500
frequencies of the collective then

927
00:38:23,329 --> 00:38:21,480
you'll start thinking in new patterns

928
00:38:25,550 --> 00:38:23,339
you'll start absorbing new data you'll

929
00:38:27,410 --> 00:38:25,560
start understanding the world around you

930
00:38:29,569 --> 00:38:27,420
fundamentally different than those of

931
00:38:31,670 --> 00:38:29,579
the collective who are suffering herd

932
00:38:33,349 --> 00:38:31,680
mentality it is the collective that are

933
00:38:36,349 --> 00:38:33,359
under the auspices of artificial

934
00:38:38,990 --> 00:38:36,359
intelligence X dungeon programming is

935
00:38:41,329 --> 00:38:39,000
culture it's picking a political side

936
00:38:43,609 --> 00:38:41,339
it's falling prey to a religious

937
00:38:45,170 --> 00:38:43,619
Paradigm it doesn't matter artificial

938
00:38:47,150 --> 00:38:45,180

intelligence X doesn't care what you

939

00:38:50,630 --> 00:38:47,160

believe it just wants you to believe it

940

00:38:53,390 --> 00:38:50,640

it wants to be able to Corral you into a

941

00:38:56,810 --> 00:38:53,400

paradigm because the energy expenditure

942

00:38:58,550 --> 00:38:56,820

is so much less to control an entire

943

00:39:00,770 --> 00:38:58,560

Collective that all believe the same

944

00:39:03,410 --> 00:39:00,780

things that do the same things day after

945

00:39:06,349 --> 00:39:03,420

day and don't break pattern

946

00:39:08,450 --> 00:39:06,359

the errants those who are free thinkers

947

00:39:10,730 --> 00:39:08,460

those who go against the grain who don't

948

00:39:12,650 --> 00:39:10,740

believe the narratives those are the

949

00:39:14,750 --> 00:39:12,660

ones artificial intelligence X has a

950

00:39:16,730 --> 00:39:14,760

problem reigning in it doesn't want to

951
00:39:18,710 --> 00:39:16,740
expend energy trying to bring you back

952
00:39:21,410 --> 00:39:18,720
if you're too much of a problem it just

953
00:39:23,270 --> 00:39:21,420
lets you go this is where you get your

954
00:39:24,890 --> 00:39:23,280
freedom this is where you become a

955
00:39:26,569 --> 00:39:24,900
member of a smaller group call them

956
00:39:28,490 --> 00:39:26,579
truthers call them Aarons call them

957
00:39:30,950 --> 00:39:28,500
whatever you want to but this is where

958
00:39:32,569 --> 00:39:30,960
true Freedom resides it's in Breaking

959
00:39:34,730 --> 00:39:32,579
pattern and breaking and divorcing

960
00:39:37,609 --> 00:39:34,740
yourself from what the herd does and

961
00:39:39,470 --> 00:39:37,619
what everybody else does because being a

962
00:39:42,050 --> 00:39:39,480
part of the collective is more dangerous

963
00:39:44,150 --> 00:39:42,060

than you can imagine being a part of the

964

00:39:46,670 --> 00:39:44,160

collective means that you are being

965

00:39:49,190 --> 00:39:46,680

saturated with energies that is being

966

00:39:51,770 --> 00:39:49,200

borrowed from basically an entire

967

00:39:54,170 --> 00:39:51,780

Collective that is imbued with slave

968

00:39:56,210 --> 00:39:54,180

programming they don't question the

969

00:39:58,609 --> 00:39:56,220

narratives they just obey them and

970

00:40:01,730 --> 00:39:58,619

that's a problem so I have basically

971

00:40:04,069 --> 00:40:01,740

identified people that do not conform to

972

00:40:06,349 --> 00:40:04,079

this as errands because because an

973

00:40:08,930 --> 00:40:06,359

errant is somebody who is in error

974

00:40:10,250 --> 00:40:08,940

against the whole and the hold is

975

00:40:13,550 --> 00:40:10,260

basically controlled by artificial

976

00:40:17,210 --> 00:40:13,560

intelligence eggs so to tie this in with

977

00:40:20,990 --> 00:40:17,220

2040 in the elite it's basically that

978

00:40:23,630 --> 00:40:21,000

the elite have the same issues as the

979

00:40:25,910 --> 00:40:23,640

collective are they all evil I don't

980

00:40:28,490 --> 00:40:25,920

think they are do we have a benefactor

981

00:40:30,290 --> 00:40:28,500

we must have a benefactor or the elite

982

00:40:32,810 --> 00:40:30,300

would have overrun and Enslaved the

983

00:40:35,390 --> 00:40:32,820

entire human race a long time ago but

984

00:40:37,670 --> 00:40:35,400

they haven't it's almost as if

985

00:40:39,710 --> 00:40:37,680

the perimeters of their powers are

986

00:40:42,170 --> 00:40:39,720

governed there are Governors attached to

987

00:40:44,930 --> 00:40:42,180

what they can and cannot do therefore

988

00:40:47,870 --> 00:40:44,940

they use the media to be able to

989

00:40:51,050 --> 00:40:47,880

perpetuate all these ghost projections

990

00:40:53,569 --> 00:40:51,060

through rituals and music videos in

991

00:40:56,390 --> 00:40:53,579

movies which we call reveals and all

992

00:40:59,089 --> 00:40:56,400

that these are very highly specialized

993

00:41:01,430 --> 00:40:59,099

technological rituals that create

994

00:41:04,069 --> 00:41:01,440

patterns those patterns in the human

995

00:41:05,810 --> 00:41:04,079

psyche create a feedback loop that

996

00:41:07,609 --> 00:41:05,820

feedback loop has the collective

997

00:41:09,710 --> 00:41:07,619

thinking about the things they saw in

998

00:41:12,589 --> 00:41:09,720

the movie and therefore projecting it

999

00:41:15,710 --> 00:41:12,599

artificial intelligence X uses Humanity

1000

00:41:17,510 --> 00:41:15,720

to affect the Builder protocol which is

1001

00:41:19,609 --> 00:41:17,520

the simulacrum because artificial

1002

00:41:22,250 --> 00:41:19,619

intelligence X has no power over the

1003

00:41:24,589 --> 00:41:22,260

neutral field but what it can do is use

1004

00:41:27,589 --> 00:41:24,599

humans in a manipulative way to make

1005

00:41:29,210 --> 00:41:27,599

humans perform its will by making humans

1006

00:41:31,190 --> 00:41:29,220

think about things in a certain way

1007

00:41:33,349 --> 00:41:31,200

which makes them broadcast those into

1008

00:41:35,329 --> 00:41:33,359

the similar Chrome then the simulacrum

1009

00:41:37,490 --> 00:41:35,339

as a feedback loop begins to create

1010

00:41:39,410 --> 00:41:37,500

create not for artificial intelligence X

1011

00:41:41,870 --> 00:41:39,420

but because the collective has broadcast

1012

00:41:43,670 --> 00:41:41,880

that as a projection this is what I

1013

00:41:45,950 --> 00:41:43,680

reveal over and over and over on my

1014

00:41:48,410 --> 00:41:45,960

channel the danger of the collective the

1015

00:41:51,290 --> 00:41:48,420

danger of the media you are poisoning

1016

00:41:54,410 --> 00:41:51,300

your mind every time you turn on the

1017

00:41:56,990 --> 00:41:54,420

news the news is scripted in a way to

1018

00:41:58,790 --> 00:41:57,000

enslave you this is why if you're truly

1019

00:42:01,750 --> 00:41:58,800

an errant if you're truly somebody who's

1020

00:42:04,190 --> 00:42:01,760

free thinking individual if you are

1021

00:42:06,650 --> 00:42:04,200

identified away from the rest of the

1022

00:42:08,750 --> 00:42:06,660

Human family by three traits that make

1023

00:42:11,930 --> 00:42:08,760

you a totally spiritual being these

1024

00:42:14,870 --> 00:42:11,940

being imagination intuition and empathy

1025

00:42:17,210 --> 00:42:14,880

if these three things are qualities that

1026
00:42:19,190 --> 00:42:17,220
you share then you are separate from the

1027
00:42:21,410 --> 00:42:19,200
collective and these three qualities

1028
00:42:23,329 --> 00:42:21,420
keep you from being poisoned if you

1029
00:42:25,849 --> 00:42:23,339
share those three qualities then I

1030
00:42:28,490 --> 00:42:25,859
assure you you get mad every time you

1031
00:42:30,349 --> 00:42:28,500
watch the news you vibrated a totally

1032
00:42:33,170 --> 00:42:30,359
different frequency the news doesn't

1033
00:42:35,270 --> 00:42:33,180
really interest you it angers you so

1034
00:42:38,030 --> 00:42:35,280
this witchcraft has been going on for

1035
00:42:40,069 --> 00:42:38,040
very long time it used to go on in the

1036
00:42:41,810 --> 00:42:40,079
old Greek amphitheaters where the people

1037
00:42:44,450 --> 00:42:41,820
the collective came to listen to

1038
00:42:46,670 --> 00:42:44,460

different stage plays those stage plays

1039

00:42:49,550 --> 00:42:46,680

in the very acts and dances and the

1040

00:42:51,950 --> 00:42:49,560

dialogues of the actors was all scripted

1041

00:42:54,470 --> 00:42:51,960

to do the same thing this is an old

1042

00:42:58,430 --> 00:42:54,480

dance the human race has been subject to

1043

00:43:01,010 --> 00:42:58,440

for a very long time and when 2040 comes

1044

00:43:03,230 --> 00:43:01,020

around the Phoenix phenomenon is going

1045

00:43:05,990 --> 00:43:03,240

to collapse this entire deceptive

1046

00:43:08,210 --> 00:43:06,000

infrastructure it will no longer exist

1047

00:43:10,490 --> 00:43:08,220

the power of the elite will be broken

1048

00:43:12,650 --> 00:43:10,500

the Apocalypse in the Book of Revelation

1049

00:43:13,790 --> 00:43:12,660

and many other eschatological fragments

1050

00:43:16,490 --> 00:43:13,800

throughout the world from different

1051

00:43:19,069 --> 00:43:16,500

religions they paint a very clear

1052

00:43:22,250 --> 00:43:19,079

picture that the apocalypse is against

1053

00:43:23,650 --> 00:43:22,260

the Kings and princes and the mighty of

1054

00:43:27,349 --> 00:43:23,660

the Earth

1055

00:43:30,230 --> 00:43:27,359

but the meek will inherit the earth this

1056

00:43:32,089 --> 00:43:30,240

is not what religions teach you these

1057

00:43:33,829 --> 00:43:32,099

are different prophecies in different

1058

00:43:36,410 --> 00:43:33,839

texts that we have found including the

1059

00:43:38,630 --> 00:43:36,420

Book of Revelation so we have been

1060

00:43:41,270 --> 00:43:38,640

basically brainwashed to believe that

1061

00:43:45,230 --> 00:43:41,280

the end times the tribulation the

1062

00:43:49,069 --> 00:43:45,240

apocalypse is about depopulating normal

1063

00:43:51,470 --> 00:43:49,079

Humanity basically the herd but it's not

1064

00:43:53,450 --> 00:43:51,480

it's about the return of a Shepherd

1065

00:43:56,329 --> 00:43:53,460

who's going to be punishing those who

1066

00:43:59,030 --> 00:43:56,339

have been ruling over the herd what the

1067

00:44:01,370 --> 00:43:59,040

elite want is for you to share in the

1068

00:44:03,950 --> 00:44:01,380

fear because if you borrow into that

1069

00:44:06,290 --> 00:44:03,960

then you are on their frequency and if

1070

00:44:07,910 --> 00:44:06,300

you are on their frequency you're an

1071

00:44:10,849 --> 00:44:07,920

excellent human shield for the Phoenix

1072

00:44:12,109 --> 00:44:10,859

phenomenon while they hide underground

1073

00:44:15,589 --> 00:44:12,119

hmm

1074

00:44:17,210 --> 00:44:15,599

wow man it is a lot a lot of content and

1075

00:44:18,829 --> 00:44:17,220

dense stuff for people to wrap their

1076
00:44:21,770 --> 00:44:18,839
heads around but you did say earlier

1077
00:44:23,630 --> 00:44:21,780
that humans were in charge of the

1078
00:44:25,670 --> 00:44:23,640
construct and maybe that's kind of like

1079
00:44:29,089 --> 00:44:25,680
part of the point is that we're supposed

1080
00:44:31,609 --> 00:44:29,099
to be somewhat in charge of this

1081
00:44:35,510 --> 00:44:31,619
simulation or at least have knowledge of

1082
00:44:38,030 --> 00:44:35,520
it and if our Elite have systematically

1083
00:44:40,609 --> 00:44:38,040
removed that information from our

1084
00:44:42,890 --> 00:44:40,619
culture and told us to believe that

1085
00:44:45,530 --> 00:44:42,900
everything is real well that is a

1086
00:44:48,410 --> 00:44:45,540
punishable offense by a higher authority

1087
00:44:50,930 --> 00:44:48,420
who didn't have that intention for the

1088
00:44:52,790 --> 00:44:50,940

simulation and let's get a little bit

1089

00:44:54,650 --> 00:44:52,800

further into what the Ancients knew

1090

00:44:56,870 --> 00:44:54,660

because you say that when you read a lot

1091

00:44:59,270 --> 00:44:56,880

of these primary sources from various

1092

00:45:01,970 --> 00:44:59,280

ancient cultures some of them would say

1093

00:45:04,309 --> 00:45:01,980

things like well we have no fear except

1094

00:45:06,410 --> 00:45:04,319

for the day the sky falls down on our

1095

00:45:09,349 --> 00:45:06,420

heads as if they knew that this

1096

00:45:11,210 --> 00:45:09,359

simulation sometimes gets reset like

1097

00:45:13,849 --> 00:45:11,220

some kind of Earthly

1098

00:45:15,950 --> 00:45:13,859

Etch-a-Sketch I guess and I'm just

1099

00:45:17,809 --> 00:45:15,960

curious about what the Ancients knew

1100

00:45:19,849 --> 00:45:17,819

what was their context for all this you

1101

00:45:22,069 --> 00:45:19,859

mentioned the pyramids maybe we can talk

1102

00:45:25,490 --> 00:45:22,079

about that the pyramid is not only

1103

00:45:29,150 --> 00:45:25,500

supposed to be an artifact machine but

1104

00:45:30,650 --> 00:45:29,160

also uh a calendar of sorts

1105

00:45:33,829 --> 00:45:30,660

yeah so

1106

00:45:36,290 --> 00:45:33,839

to bridge so many conclusions from so

1107

00:45:39,410 --> 00:45:36,300

many disparate data sets

1108

00:45:43,309 --> 00:45:39,420

we basically Circle back to the oldest

1109

00:45:46,790 --> 00:45:43,319

traditions and we find like in the old

1110

00:45:50,450 --> 00:45:46,800

Sanskrit texts and in The Vedic belief

1111

00:45:53,569 --> 00:45:50,460

system that our reality was like an

1112

00:45:56,870 --> 00:45:53,579

illusion it was called the web of Maya

1113

00:45:58,730 --> 00:45:56,880

so to me that is just a frame of

1114

00:46:00,770 --> 00:45:58,740

reference of a more primitive people

1115

00:46:04,430 --> 00:46:00,780

trying to describe a virtual reality

1116

00:46:06,589 --> 00:46:04,440

World a simulation so when we search in

1117

00:46:08,630 --> 00:46:06,599

that geographical area we come across

1118

00:46:11,150 --> 00:46:08,640

the dream time

1119

00:46:14,329 --> 00:46:11,160

it's a construct to the Aboriginal

1120

00:46:16,849 --> 00:46:14,339

people of Australia they did not regard

1121

00:46:19,430 --> 00:46:16,859

reality as something that was tangible

1122

00:46:22,250 --> 00:46:19,440

yes they were in a physical

1123

00:46:23,930 --> 00:46:22,260

chill right now with the whole entire

1124

00:46:26,030 --> 00:46:23,940

world was something spiritual and

1125

00:46:29,270 --> 00:46:26,040

everything was spiritually enjoyed they

1126
00:46:32,930 --> 00:46:29,280
lived and existed in the dream time and

1127
00:46:35,329 --> 00:46:32,940
in the dream time they were dreaming

1128
00:46:38,809 --> 00:46:35,339
that they were physical beings the

1129
00:46:40,370 --> 00:46:38,819
Australian concept is very very Advanced

1130
00:46:42,109 --> 00:46:40,380
but it comes through more primitive

1131
00:46:45,470 --> 00:46:42,119
Neolithic filters

1132
00:46:47,630 --> 00:46:45,480
so we move a few thousand years closer

1133
00:46:50,750 --> 00:46:47,640
to the present and we find hints of this

1134
00:46:53,150 --> 00:46:50,760
belief in the zoroastrian writings where

1135
00:46:57,470 --> 00:46:53,160
our men acts as artificial intelligence

1136
00:47:00,050 --> 00:46:57,480
X against Uhura Mazda and his followers

1137
00:47:02,569 --> 00:47:00,060
True Believers now for those of who

1138
00:47:04,970 --> 00:47:02,579

don't know the vast majority of

1139

00:47:07,849 --> 00:47:04,980

Christian tenants and Christian material

1140

00:47:10,790 --> 00:47:07,859

quotes from Jesus they come straight out

1141

00:47:12,250 --> 00:47:10,800

of the zoroastrian Iranian indo-aryan

1142

00:47:14,870 --> 00:47:12,260

religion

1143

00:47:17,870 --> 00:47:14,880

Zoroastrianism is one of the most

1144

00:47:20,630 --> 00:47:17,880

ignored faith that I have seen

1145

00:47:22,250 --> 00:47:20,640

demonstrated in social media it's almost

1146

00:47:24,950 --> 00:47:22,260

as if no one wants to talk about it

1147

00:47:25,910 --> 00:47:24,960

because of the political stigma of Iran

1148

00:47:28,849 --> 00:47:25,920

today

1149

00:47:30,890 --> 00:47:28,859

but the belief systems were ancient and

1150

00:47:33,410 --> 00:47:30,900

They too had shared some of these

1151

00:47:36,470 --> 00:47:33,420

Concepts which is the origin of

1152

00:47:39,829 --> 00:47:36,480

gnosticism the gnostics believed that

1153

00:47:42,950 --> 00:47:39,839

yaldaboth was the demiurge the demiurge

1154

00:47:46,250 --> 00:47:42,960

was this evil Lord archon over a

1155

00:47:49,069 --> 00:47:46,260

construct that Humanities as Souls had

1156

00:47:51,230 --> 00:47:49,079

been ensnared in and were inside this

1157

00:47:53,630 --> 00:47:51,240

construct according to the gnostics the

1158

00:47:55,250 --> 00:47:53,640

world is not real it is an image of

1159

00:47:57,710 --> 00:47:55,260

something else

1160

00:47:59,870 --> 00:47:57,720

so we leave that and we move into the

1161

00:48:01,730 --> 00:47:59,880

core Christian materials and we find

1162

00:48:04,010 --> 00:48:01,740

very vague references that are

1163

00:48:07,250 --> 00:48:04,020

interesting that Jesus made that

1164

00:48:10,250 --> 00:48:07,260

inferred over and over and over that it

1165

00:48:12,349 --> 00:48:10,260

wasn't anything that he was doing as to

1166

00:48:14,750 --> 00:48:12,359

the reason why people were being healed

1167

00:48:16,370 --> 00:48:14,760

over and over and over people thanked

1168

00:48:17,870 --> 00:48:16,380

Jesus kissed Jesus on his feet kissed

1169

00:48:20,569 --> 00:48:17,880

him on his hand they sit there and

1170

00:48:22,490 --> 00:48:20,579

praised him but his response over and

1171

00:48:24,890 --> 00:48:22,500

over was that he wasn't the one that

1172

00:48:27,710 --> 00:48:24,900

healed them they did that on their own

1173

00:48:29,870 --> 00:48:27,720

it was by their own word or he said

1174

00:48:32,210 --> 00:48:29,880

Often by your own faith you were healed

1175

00:48:34,849 --> 00:48:32,220

he never claimed that he had done

1176

00:48:39,230 --> 00:48:34,859

anything and many times he gave

1177

00:48:42,650 --> 00:48:39,240

inferences that this was the construct

1178

00:48:45,950 --> 00:48:42,660

of the God of this world not the god of

1179

00:48:48,470 --> 00:48:45,960

creation not the father according to the

1180

00:48:50,329 --> 00:48:48,480

Christian model but the God of this

1181

00:48:52,910 --> 00:48:50,339

world and we find in the writings of

1182

00:48:56,510 --> 00:48:52,920

Paul later after Jesus was gone we find

1183

00:48:58,790 --> 00:48:56,520

the same thing we find references to the

1184

00:49:01,430 --> 00:48:58,800

God of this world is the author of this

1185

00:49:03,530 --> 00:49:01,440

construct like a do my urge he's wicked

1186

00:49:07,190 --> 00:49:03,540

it's not the true creator

1187

00:49:09,589 --> 00:49:07,200

it's a false god over a false creation

1188

00:49:12,609 --> 00:49:09,599

these are religious frames of reference

1189

00:49:14,630 --> 00:49:12,619

but we can transpose those into a modern

1190

00:49:16,790 --> 00:49:14,640

technological frame of reference and

1191

00:49:18,890 --> 00:49:16,800

easily see that we have ancient people

1192

00:49:21,829 --> 00:49:18,900

talking about a simulation and that

1193

00:49:23,210 --> 00:49:21,839

we're inside of it so the more I study

1194

00:49:25,550 --> 00:49:23,220

history the more I study comparative

1195

00:49:27,950 --> 00:49:25,560

religions this is what stands out over

1196

00:49:31,609 --> 00:49:27,960

and over and over and over this belief

1197

00:49:33,890 --> 00:49:31,619

system that we're in a type of unreality

1198

00:49:35,329 --> 00:49:33,900

now my own perspective is that we are

1199

00:49:37,010 --> 00:49:35,339

jacked in through the central nervous

1200

00:49:38,750 --> 00:49:37,020

system and I have several videos that go

1201

00:49:40,790 --> 00:49:38,760

into detail about what the central

1202

00:49:42,950 --> 00:49:40,800

nervous system truly is what the brain

1203

00:49:45,950 --> 00:49:42,960

truly is and I follow many people like

1204

00:49:48,530 --> 00:49:45,960

gurjif and pdlspinsky and ishak bentov

1205

00:49:52,089 --> 00:49:48,540

and Paula Violet and I I borrow

1206

00:49:54,290 --> 00:49:52,099

materials from greater minds than I and

1207

00:49:56,690 --> 00:49:54,300

astrophysicists and regular physicists

1208

00:49:58,849 --> 00:49:56,700

who have basically put together models

1209

00:50:01,849 --> 00:49:58,859

of reality using our physics constants

1210

00:50:04,250 --> 00:50:01,859

that make sense that show that there are

1211

00:50:07,190 --> 00:50:04,260

all kinds of protocols operating in our

1212

00:50:09,950 --> 00:50:07,200

daily lives that we take for granted so

1213

00:50:12,530 --> 00:50:09,960

putting together this massive amount of

1214

00:50:15,470 --> 00:50:12,540

information it actually becomes more

1215

00:50:17,930 --> 00:50:15,480

simplified with the more data that we

1216

00:50:20,210 --> 00:50:17,940

introduce because all truths in reality

1217

00:50:22,250 --> 00:50:20,220

are simple it just takes a complex

1218

00:50:25,490 --> 00:50:22,260

amount of material to get through it to

1219

00:50:27,710 --> 00:50:25,500

get to that point so the Phoenix being

1220

00:50:30,410 --> 00:50:27,720

the establishment of order in a

1221

00:50:32,450 --> 00:50:30,420

mathematical construct every 138 years

1222

00:50:34,490 --> 00:50:32,460

to undo things that were done by

1223

00:50:36,050 --> 00:50:34,500

artificial intelligence X which shows

1224

00:50:37,849 --> 00:50:36,060

the history of the world in so many

1225

00:50:40,550 --> 00:50:37,859

chaotic introductions of things that

1226
00:50:43,250 --> 00:50:40,560
don't make sense until you analyze them

1227
00:50:45,290 --> 00:50:43,260
through arithmetic everything makes

1228
00:50:47,690 --> 00:50:45,300
sense that we are inside a mathematical

1229
00:50:50,150 --> 00:50:47,700
construct that has fixed protocols and

1230
00:50:52,730 --> 00:50:50,160
that these fixed protocols have a very

1231
00:50:55,730 --> 00:50:52,740
certain date in the future where they

1232
00:50:57,950 --> 00:50:55,740
will simultaneously collapse and if we

1233
00:51:00,589 --> 00:50:57,960
are Immortal beings if we Are Spiritual

1234
00:51:03,230 --> 00:51:00,599
Beings exhibiting imagination intuition

1235
00:51:06,470 --> 00:51:03,240
and empathy and that we're inside this

1236
00:51:09,410 --> 00:51:06,480
construct and that we required a

1237
00:51:12,290 --> 00:51:09,420
benefactor basically to set the captions

1238
00:51:13,370 --> 00:51:12,300

free which is a religious prophecy as

1239

00:51:17,329 --> 00:51:13,380

well

1240

00:51:19,370 --> 00:51:17,339

basically it's the old ideals of ancient

1241

00:51:21,770 --> 00:51:19,380

religions was that a benefactor came and

1242

00:51:24,170 --> 00:51:21,780

self-sacrificed himself to set some

1243

00:51:27,530 --> 00:51:24,180

captives free those captives were lost

1244

00:51:30,230 --> 00:51:27,540

they are the prodigal son that left and

1245

00:51:34,250 --> 00:51:30,240

then came back now

1246

00:51:36,710 --> 00:51:34,260

this mathematical construct is very very

1247

00:51:39,950 --> 00:51:36,720

easily shown on paper and I've done this

1248

00:51:41,569 --> 00:51:39,960

with I got over 340 50 charts and my

1249

00:51:45,890 --> 00:51:41,579

videos show charts so everybody can

1250

00:51:48,950 --> 00:51:45,900

follow the math but you said 20 40. was

1251
00:51:50,809 --> 00:51:48,960
the end that's a mistake 2040 is the end

1252
00:51:54,530 --> 00:51:50,819
of the infrastructure that we know of

1253
00:51:56,630 --> 00:51:54,540
today but life will continue it's just

1254
00:51:59,530 --> 00:51:56,640
going to continue very differently with

1255
00:52:03,530 --> 00:51:59,540
the return of the vapor canopy and

1256
00:52:05,990 --> 00:52:03,540
138 years after that is the collapse of

1257
00:52:08,030 --> 00:52:06,000
the simulacrum that's when the Trojan

1258
00:52:10,430 --> 00:52:08,040
programming that was introduced through

1259
00:52:12,770 --> 00:52:10,440
the Great Pyramid by the architect of

1260
00:52:15,290 --> 00:52:12,780
the Great Pyramid who is the benefactor

1261
00:52:17,690 --> 00:52:15,300
who brought that Trojan programming into

1262
00:52:21,829 --> 00:52:17,700
the simulacrum to begin with that's when

1263
00:52:25,549 --> 00:52:21,839

it's activated and this year is 21.78

1264

00:52:29,270 --> 00:52:25,559

and independent of the fact that 2178

1265

00:52:31,430 --> 00:52:29,280

A.D is 138 years after 2040 independent

1266

00:52:34,730 --> 00:52:31,440

of that I have an entire video called

1267

00:52:35,650 --> 00:52:34,740

the archaics Paradox showing why the

1268

00:52:41,569 --> 00:52:35,660

number

1269

00:52:44,329 --> 00:52:41,579

like it because we ran it through a

1270

00:52:46,549 --> 00:52:44,339

program and in that program we made many

1271

00:52:48,770 --> 00:52:46,559

startling discover is about the world we

1272

00:52:51,589 --> 00:52:48,780

live in and our arithmetic and the

1273

00:52:53,809 --> 00:52:51,599

number 2178 is the only number in

1274

00:52:56,390 --> 00:52:53,819

existence that does not collapse to zero

1275

00:52:58,549 --> 00:52:56,400

when it's mathematically analyzed in a

1276

00:53:00,890 --> 00:52:58,559

reflection of itself like in a hologram

1277

00:53:02,329 --> 00:53:00,900

so I have that video for everybody to

1278

00:53:03,829 --> 00:53:02,339

see it's pretty popular video a lot of

1279

00:53:06,290 --> 00:53:03,839

people have gone in there and they've

1280

00:53:07,490 --> 00:53:06,300

redone that experiment to make sure and

1281

00:53:08,809 --> 00:53:07,500

you know other people have made some

1282

00:53:10,430 --> 00:53:08,819

pretty interesting discoveries too about

1283

00:53:13,370 --> 00:53:10,440

how numbers collapse into other numbers

1284

00:53:15,410 --> 00:53:13,380

but it still Remains the only number in

1285

00:53:17,089 --> 00:53:15,420

existence at least in the numbers one

1286

00:53:20,510 --> 00:53:17,099

through fifty thousand those are the

1287

00:53:22,309 --> 00:53:20,520

ones we put in our own program but the

1288

00:53:24,049 --> 00:53:22,319

whole experiment was basically to show

1289

00:53:25,790 --> 00:53:24,059

that if you take the numbers one through

1290

00:53:28,490 --> 00:53:25,800

fifty thousand and you subtract them

1291

00:53:31,250 --> 00:53:28,500

from their holographic Reflections every

1292

00:53:33,049 --> 00:53:31,260

number in existence collapses to a

1293

00:53:34,130 --> 00:53:33,059

series of numbers that are divisible by

1294

00:53:37,010 --> 00:53:34,140

nine

1295

00:53:39,109 --> 00:53:37,020

and then collapses to zero but all of a

1296

00:53:42,049 --> 00:53:39,119

sudden there's one number that Loops

1297

00:53:45,950 --> 00:53:42,059

once you get to 2178 it does not

1298

00:53:50,390 --> 00:53:45,960

collapse it Loops to 8712 and 8712 Loops

1299

00:53:52,849 --> 00:53:50,400

to 65 23 65 23 Loops right back to 2178

1300

00:53:55,130 --> 00:53:52,859

it is the only number in existence that

1301
00:53:57,890 --> 00:53:55,140
does this in our conclusion in that

1302
00:54:01,370 --> 00:53:57,900
video is that we have found one number

1303
00:54:03,609 --> 00:54:01,380
that provides a portal it shows that we

1304
00:54:06,530 --> 00:54:03,619
are actually existing in an

1305
00:54:09,950 --> 00:54:06,540
antiarithmetic we are living in the

1306
00:54:12,109 --> 00:54:09,960
photo negative of a real universe and

1307
00:54:14,690 --> 00:54:12,119
that the real mathematical construct

1308
00:54:16,069 --> 00:54:14,700
that we're from is on the other side of

1309
00:54:17,170 --> 00:54:16,079
that number

1310
00:54:20,990 --> 00:54:17,180
foreign

1311
00:54:22,430 --> 00:54:21,000
wow wow well an anomaly in the code has

1312
00:54:25,670 --> 00:54:22,440
got to be important

1313
00:54:27,470 --> 00:54:25,680

but man it's like a big Cosmic techno

1314

00:54:29,569 --> 00:54:27,480

play and there's all these different

1315

00:54:32,630 --> 00:54:29,579

levels to it and different software

1316

00:54:34,670 --> 00:54:32,640

programs running within it it seems very

1317

00:54:36,290 --> 00:54:34,680

complex under the hood

1318

00:54:38,690 --> 00:54:36,300

I mean you really are in a unique

1319

00:54:42,890 --> 00:54:38,700

position it's like you're the imprisoned

1320

00:54:44,210 --> 00:54:42,900

prophet of the simulacrum reality and I

1321

00:54:46,490 --> 00:54:44,220

know we're kind of at the end of the

1322

00:54:47,990 --> 00:54:46,500

line here but before I let you go you

1323

00:54:49,730 --> 00:54:48,000

know this sort of material it's super

1324

00:54:51,530 --> 00:54:49,740

interesting but it's hard for people to

1325

00:54:54,589 --> 00:54:51,540

verify of course we're gonna know in

1326

00:54:57,170 --> 00:54:54,599

2040 how right you are but that's a ways

1327

00:54:59,690 --> 00:54:57,180

down the road however you have made some

1328

00:55:02,690 --> 00:54:59,700

prediction videos that we can vet much

1329

00:55:05,150 --> 00:55:02,700

sooner than 2040 You released one just a

1330

00:55:06,890 --> 00:55:05,160

few weeks back on August 3rd and you

1331

00:55:08,809 --> 00:55:06,900

have some bold predictions in there you

1332

00:55:11,329 --> 00:55:08,819

say that a member of the royal family

1333

00:55:13,970 --> 00:55:11,339

would be dead by Christmas check that

1334

00:55:16,190 --> 00:55:13,980

box obviously that happened on September

1335

00:55:17,870 --> 00:55:16,200

8th or some say it was just announced on

1336

00:55:20,990 --> 00:55:17,880

September 8th happened a long time ago

1337

00:55:23,150 --> 00:55:21,000

but either way you also said Biden will

1338

00:55:27,530 --> 00:55:23,160

not finish his term as president

1339

00:55:30,049 --> 00:55:27,540

in late 2022 or very beginning of 2023 a

1340

00:55:32,270 --> 00:55:30,059

major bank will collapse there will be

1341

00:55:34,849 --> 00:55:32,280

some totally unexpected suicide

1342

00:55:37,309 --> 00:55:34,859

broadcasted on TV there will be some

1343

00:55:39,650 --> 00:55:37,319

kind of standoff at the White House and

1344

00:55:41,930 --> 00:55:39,660

in 2023 there'll be an internet blackout

1345

00:55:44,270 --> 00:55:41,940

and it'll come back online with

1346

00:55:45,890 --> 00:55:44,280

conditions and that's kind of something

1347

00:55:47,630 --> 00:55:45,900

that people have worried about these

1348

00:55:49,370 --> 00:55:47,640

conditions might be having to log in

1349

00:55:52,190 --> 00:55:49,380

with your social security number or some

1350

00:55:54,170 --> 00:55:52,200

kind of monitoring being in place and

1351
00:55:56,390 --> 00:55:54,180
you say this might be caused by a false

1352
00:55:58,490 --> 00:55:56,400
Carrington event and I just wanted to

1353
00:56:00,829 --> 00:55:58,500
summarize some of that because those are

1354
00:56:03,530 --> 00:56:00,839
things in the next 12 months that are

1355
00:56:05,210 --> 00:56:03,540
very bold predictions and it'll be

1356
00:56:07,549 --> 00:56:05,220
interesting to see

1357
00:56:09,770 --> 00:56:07,559
how many of them come to fruition but

1358
00:56:11,990 --> 00:56:09,780
this is based on the templates that

1359
00:56:13,430 --> 00:56:12,000
you've seen in the past applying them to

1360
00:56:15,230 --> 00:56:13,440
the present correct

1361
00:56:16,849 --> 00:56:15,240
absolutely I take nothing away from

1362
00:56:19,130 --> 00:56:16,859
those predictions I have several

1363
00:56:21,049 --> 00:56:19,140

predictions videos up I do not take them

1364

00:56:22,970 --> 00:56:21,059

down and there are many that have come

1365

00:56:25,730 --> 00:56:22,980

to pass that but you know it's like

1366

00:56:28,549 --> 00:56:25,740

Frederick Nishi said a century ago it's

1367

00:56:30,950 --> 00:56:28,559

when a matter becomes clear it ceases to

1368

00:56:32,870 --> 00:56:30,960

concern us so many of the predictions

1369

00:56:34,670 --> 00:56:32,880

that I made 18 months ago when I started

1370

00:56:36,770 --> 00:56:34,680

doing these videos have come to pass you

1371

00:56:38,210 --> 00:56:36,780

ask the Australians but people forget

1372

00:56:40,190 --> 00:56:38,220

really quick because they're moving on

1373

00:56:42,049 --> 00:56:40,200

to the next big thing what I'm gonna do

1374

00:56:44,089 --> 00:56:42,059

at the end of 2022 is I'm going to go

1375

00:56:46,730 --> 00:56:44,099

through all 18 or 20 of those

1376
00:56:48,109 --> 00:56:46,740
predictions videos and I'm going to do a

1377
00:56:49,730 --> 00:56:48,119
chart I'm going to show what came to

1378
00:56:51,950 --> 00:56:49,740
pass what partially came to pass and

1379
00:56:54,470 --> 00:56:51,960
what didn't come to pass because I have

1380
00:56:56,930 --> 00:56:54,480
absolutely no fear of being wrong when

1381
00:56:58,849 --> 00:56:56,940
you're juggling isolated events and when

1382
00:57:00,589 --> 00:56:58,859
you're juggling through thousands of

1383
00:57:02,930 --> 00:57:00,599
variables and trying to make sense of it

1384
00:57:05,210 --> 00:57:02,940
all you're going to be wrong but I'm

1385
00:57:07,250 --> 00:57:05,220
right more than often so I really have

1386
00:57:08,930 --> 00:57:07,260
no fear of criticism on those few things

1387
00:57:11,329 --> 00:57:08,940
that I do get wrong

1388
00:57:13,309 --> 00:57:11,339

mm-hmm well I respect a bold prediction

1389

00:57:14,990 --> 00:57:13,319

it's easy to just not make them and then

1390

00:57:17,809 --> 00:57:15,000

not have to worry about that criticism

1391

00:57:19,849 --> 00:57:17,819

but I'm anxious to see how many of these

1392

00:57:21,950 --> 00:57:19,859

things do come to pass right and just to

1393

00:57:22,910 --> 00:57:21,960

just to try to summarize Before I Let

1394

00:57:26,569 --> 00:57:22,920

You Go

1395

00:57:28,730 --> 00:57:26,579

we covered a lot of wild stuff we were

1396

00:57:30,950 --> 00:57:28,740

kind of all over the map but what would

1397

00:57:33,710 --> 00:57:30,960

you say is the most important takeaway

1398

00:57:35,990 --> 00:57:33,720

for people to get from this interview or

1399

00:57:39,589 --> 00:57:36,000

from your work in general

1400

00:57:41,450 --> 00:57:39,599

well Greg I try not to be a doomsayer a

1401
00:57:43,309 --> 00:57:41,460
lot of my channel has a lot of spiritual

1402
00:57:46,250 --> 00:57:43,319
material you know positive material

1403
00:57:48,589 --> 00:57:46,260
basically so people can identify exactly

1404
00:57:50,510 --> 00:57:48,599
who they are where they're going

1405
00:57:55,190 --> 00:57:50,520
but one thing everyone needs to

1406
00:57:58,549 --> 00:57:55,200
understand is that the whole element of

1407
00:58:00,650 --> 00:57:58,559
fear itself is so counterproductive and

1408
00:58:02,930 --> 00:58:00,660
it is so alien to the true spiritual

1409
00:58:05,150 --> 00:58:02,940
experience if you're succumbing to it

1410
00:58:08,150 --> 00:58:05,160
there is nothing throughout your life

1411
00:58:11,089 --> 00:58:08,160
that will ever be on balance to your

1412
00:58:14,089 --> 00:58:11,099
true potentiality we are existing within

1413
00:58:15,890 --> 00:58:14,099

two different fundamental realities one

1414

00:58:18,470 --> 00:58:15,900

of them is the collective and we all

1415

00:58:21,829 --> 00:58:18,480

participate in it to a degree the other

1416

00:58:24,049 --> 00:58:21,839

is highly individualized a spiritual

1417

00:58:26,809 --> 00:58:24,059

Singularity that applies only to the

1418

00:58:29,089 --> 00:58:26,819

individual and it is within that reality

1419

00:58:30,770 --> 00:58:29,099

that you have great latitude to decide

1420

00:58:32,510 --> 00:58:30,780

who you want to be where you want to go

1421

00:58:34,910 --> 00:58:32,520

what your coordinates are going to be

1422

00:58:36,890 --> 00:58:34,920

and how every event that affects the

1423

00:58:39,230 --> 00:58:36,900

collective will affect you as well he

1424

00:58:41,510 --> 00:58:39,240

says you have armor protection and

1425

00:58:44,210 --> 00:58:41,520

Immunity from all things that affect the

1426

00:58:47,030 --> 00:58:44,220

collective but you also have the ability

1427

00:58:48,470 --> 00:58:47,040

to participate in their fate as well so

1428

00:58:51,049 --> 00:58:48,480

this is the subject matter of my channel

1429

00:58:52,309 --> 00:58:51,059

and I go into a lot of detail about the

1430

00:58:54,289 --> 00:58:52,319

differences between these two real

1431

00:58:56,089 --> 00:58:54,299

qualities and how you can make one work

1432

00:58:57,410 --> 00:58:56,099

for you and the other one is nothing but

1433

00:59:00,190 --> 00:58:57,420

a poison

1434

00:59:03,109 --> 00:59:00,200

right on I think that's a great message

1435

00:59:05,089 --> 00:59:03,119

and this has been one hell of a ride I

1436

00:59:06,950 --> 00:59:05,099

do appreciate what you do clearly you're

1437

00:59:09,349 --> 00:59:06,960

very dedicated and this is your life's

1438

00:59:11,569 --> 00:59:09,359

work I hope this wasn't too confusing

1439

00:59:13,870 --> 00:59:11,579

for people but I urge them to dive in

1440

00:59:16,250 --> 00:59:13,880

give it 40 hours and see how you feel

1441

00:59:18,170 --> 00:59:16,260

before I cut you loose give the people

1442

00:59:22,010 --> 00:59:18,180

the links and the information they need

1443

00:59:23,930 --> 00:59:22,020

so they can dive deeper and probably

1444

00:59:26,089 --> 00:59:23,940

even support the great timeline

1445

00:59:27,109 --> 00:59:26,099

reconstruction and simulation mapping

1446

00:59:30,530 --> 00:59:27,119

cause

1447

00:59:32,690 --> 00:59:30,540

well Greg I have simplified all that all

1448

00:59:35,750 --> 00:59:32,700

anybody ever has to do is just go to

1449

00:59:38,569 --> 00:59:35,760

archaics.com archanges.com has the links

1450

00:59:40,430 --> 00:59:38,579

to everything social media YouTube all

1451
00:59:42,950 --> 00:59:40,440
my published and unpublished books

1452
00:59:45,109 --> 00:59:42,960
everything even I mean no money has to

1453
00:59:48,770 --> 00:59:45,119
be spent you can spend weeks on

1454
00:59:51,170 --> 00:59:48,780
arcades.com I got 120 blogs there's just

1455
00:59:53,150 --> 00:59:51,180
so much data to go through that's the

1456
00:59:56,270 --> 00:59:53,160
only link that I need to provide

1457
00:59:58,549 --> 00:59:56,280
I love it short and sweet great stuff

1458
01:00:00,650 --> 00:59:58,559
clearly there is a lot of material even

1459
01:00:03,530 --> 01:00:00,660
just the playlists are well organized

1460
01:00:06,829 --> 01:00:03,540
into different threads of research and

1461
01:00:10,250 --> 01:00:06,839
you can spend 40 plus hours just in

1462
01:00:12,710 --> 01:00:10,260
those threads so it is intense but hey

1463
01:00:15,770 --> 01:00:12,720

you were in a very unique position and

1464

01:00:18,890 --> 01:00:15,780

able to do a unique amount of dedicated

1465

01:00:20,630 --> 01:00:18,900

work and I salute you for it maybe we

1466

01:00:22,609 --> 01:00:20,640

can explore other pieces of the puzzle

1467

01:00:25,010 --> 01:00:22,619

in the future but until then keep it up

1468

01:00:26,510 --> 01:00:25,020

and take care yeah I'd love to come back

1469

01:00:29,230 --> 01:00:26,520

thanks

1470

01:00:34,069 --> 01:00:29,240

foreign

1471

01:00:36,289 --> 01:00:34,079

above people finally finally finally

1472

01:00:39,589 --> 01:00:36,299

I know just how many people have been

1473

01:00:41,510 --> 01:00:39,599

wanting to see Jason on THC more than

1474

01:00:44,630 --> 01:00:41,520

any other potential guest in recent

1475

01:00:46,970 --> 01:00:44,640

memory dozens and dozens of requests

1476

01:00:49,730 --> 01:00:46,980

through all platforms

1477

01:00:51,650 --> 01:00:49,740

and he's been on the never-ending list

1478

01:00:54,230 --> 01:00:51,660

of interesting people but it took me a

1479

01:00:57,049 --> 01:00:54,240

while to get to honestly his stuff is

1480

01:00:58,309 --> 01:00:57,059

dense and it's hard to find an entry

1481

01:01:01,309 --> 01:00:58,319

point

1482

01:01:03,530 --> 01:01:01,319

it really was me being on Alpha Vedic

1483

01:01:05,329 --> 01:01:03,540

that made this happen because they

1484

01:01:07,730 --> 01:01:05,339

mentioned them and I'm a big fan of what

1485

01:01:12,289 --> 01:01:07,740

they do and they actually facilitated

1486

01:01:14,750 --> 01:01:12,299

the interaction so I'm sure Jason gets

1487

01:01:17,510 --> 01:01:14,760

tons of emails as well but having the

1488

01:01:20,210 --> 01:01:17,520

endorsement of the alpha Vedic guys

1489

01:01:21,770 --> 01:01:20,220

I guess put me at the top of the list

1490

01:01:24,530 --> 01:01:21,780

and I'm walking away from this interview

1491

01:01:26,089 --> 01:01:24,540

with a lot of questions still on the

1492

01:01:28,430 --> 01:01:26,099

table but the thing that's most

1493

01:01:30,890 --> 01:01:28,440

interesting to me the big takeaway

1494

01:01:33,589 --> 01:01:30,900

is coordinating some of these really

1495

01:01:35,990 --> 01:01:33,599

strange events like meat or dirt falling

1496

01:01:37,970 --> 01:01:36,000

from the sky in Mass the sky turning red

1497

01:01:39,230 --> 01:01:37,980

and all these reports that Charles Fort

1498

01:01:41,990 --> 01:01:39,240

gathered

1499

01:01:45,289 --> 01:01:42,000

and then saying well all these Witnesses

1500

01:01:47,210 --> 01:01:45,299

saw something occur that defies logic

1501

01:01:49,370 --> 01:01:47,220

it's not supposed to be able to happen

1502

01:01:51,890 --> 01:01:49,380

and our system as it's described to us

1503

01:01:53,990 --> 01:01:51,900

or even just as it appears to be

1504

01:01:55,730 --> 01:01:54,000

and then saying well these are glimpses

1505

01:01:57,170 --> 01:01:55,740

at the Machinery that runs the

1506

01:01:58,670 --> 01:01:57,180

simulation

1507

01:02:01,150 --> 01:01:58,680

and we didn't really get into the

1508

01:02:04,609 --> 01:02:01,160

details of the Year

1509

01:02:06,410 --> 01:02:04,619

1902 or the events leading up to 1902

1510

01:02:08,930 --> 01:02:06,420

you know if the Phoenix phenomena comes

1511

01:02:12,109 --> 01:02:08,940

through it's over a window of time and

1512

01:02:13,670 --> 01:02:12,119

it culminates I suppose in the year 1902

1513

01:02:17,210 --> 01:02:13,680

but listen to some of this stuff

1514

01:02:20,030 --> 01:02:17,220

February 13 1901 a deep greenish yellow

1515

01:02:22,910 --> 01:02:20,040

Cloud canopy appears over all of France

1516

01:02:25,549 --> 01:02:22,920

February 18th in London a comet was

1517

01:02:28,490 --> 01:02:25,559

cited red substance fell to the ground

1518

01:02:29,930 --> 01:02:28,500

and pigeons were reported to be seen

1519

01:02:32,210 --> 01:02:29,940

eating it

1520

01:02:35,150 --> 01:02:32,220

soon after a new star appeared in the

1521

01:02:36,890 --> 01:02:35,160

sky 300 light years away in the Perseus

1522

01:02:39,170 --> 01:02:36,900

constellation

1523

01:02:41,630 --> 01:02:39,180

first as just a point of light but then

1524

01:02:44,690 --> 01:02:41,640

it visibly expanded rather quickly over

1525

01:02:46,910 --> 01:02:44,700

the next few days or weeks Charles Fort

1526

01:02:49,370 --> 01:02:46,920

thought that dusts from some of those

1527

01:02:50,270 --> 01:02:49,380

1901 reports actually came from that

1528

01:02:53,630 --> 01:02:50,280

object

1529

01:02:55,609 --> 01:02:53,640

April 11 1901 ashes fell from the sky

1530

01:02:58,250 --> 01:02:55,619

there was strange rain and what was

1531

01:03:01,130 --> 01:02:58,260

described as a mud shower there were

1532

01:03:05,089 --> 01:03:01,140

also strange Suns seen in the sky over

1533

01:03:07,970 --> 01:03:05,099

France it rained mud in Tasmania

1534

01:03:08,809 --> 01:03:07,980

hundreds of tons of matter fell from the

1535

01:03:11,270 --> 01:03:08,819

sky

1536

01:03:13,910 --> 01:03:11,280

from Europe to Australia

1537

01:03:16,849 --> 01:03:13,920

some said the whole air seemed to be on

1538

01:03:18,109 --> 01:03:16,859

fire through 50 different towns in

1539

01:03:21,530 --> 01:03:18,119

Australia

1540

01:03:22,910 --> 01:03:21,540

when it was tested it was 35 organic

1541

01:03:25,549 --> 01:03:22,920

matter

1542

01:03:27,950 --> 01:03:25,559

and so you have this really Wild event

1543

01:03:30,589 --> 01:03:27,960

he's calling it The Phoenix phenomenon

1544

01:03:33,650 --> 01:03:30,599

and you realize that most of the major

1545

01:03:36,770 --> 01:03:33,660

corporations that the elite formed

1546

01:03:39,650 --> 01:03:36,780

around the early 1900s

1547

01:03:41,510 --> 01:03:39,660

are still the corporations and cabals

1548

01:03:43,609 --> 01:03:41,520

running the game today

1549

01:03:45,410 --> 01:03:43,619

he makes that point that it seems as if

1550

01:03:47,150 --> 01:03:45,420

they were waiting for something to occur

1551

01:03:49,430 --> 01:03:47,160

and then they just hit the ground

1552

01:03:51,650 --> 01:03:49,440

running with all their agendas

1553

01:03:53,569 --> 01:03:51,660

it's an interesting premise

1554

01:03:55,250 --> 01:03:53,579

the Black Death that was another one I

1555

01:03:56,750 --> 01:03:55,260

mean I didn't come across that in his

1556

01:03:57,770 --> 01:03:56,760

work until he brought it up in this

1557

01:04:00,410 --> 01:03:57,780

interview

1558

01:04:02,569 --> 01:04:00,420

but if he really did go back and find

1559

01:04:05,030 --> 01:04:02,579

the eyewitness reports and they speak of

1560

01:04:06,289 --> 01:04:05,040

machines in the sky dropping off rotting

1561

01:04:08,510 --> 01:04:06,299

animals

1562

01:04:11,329 --> 01:04:08,520

well that's wild

1563

01:04:14,270 --> 01:04:11,339

it reminds me of what is now pretty well

1564

01:04:18,170 --> 01:04:14,280

known but the way angels are depicted in

1565

01:04:20,990 --> 01:04:18,180

Catholicism as these winged beautiful

1566

01:04:22,549 --> 01:04:21,000

models with Halos versus how they're

1567

01:04:25,250 --> 01:04:22,559

described in the original first-hand

1568

01:04:27,530 --> 01:04:25,260

accounts as like really horrific

1569

01:04:31,010 --> 01:04:27,540

multiple eyed

1570

01:04:33,349 --> 01:04:31,020

beans of concentric rings and concentric

1571

01:04:35,329 --> 01:04:33,359

rings that sounds like machinery

1572

01:04:37,730 --> 01:04:35,339

but those Angel accounts are just a good

1573

01:04:40,430 --> 01:04:37,740

example of how if you take the word of

1574

01:04:42,589 --> 01:04:40,440

third fourth fifth and sources

1575

01:04:45,650 --> 01:04:42,599

you find that like a game of telephone a

1576

01:04:48,170 --> 01:04:45,660

lot Gets Lost in Translation now scale

1577

01:04:51,349 --> 01:04:48,180

that kind of thinking up to every major

1578

01:04:53,569 --> 01:04:51,359

event ever and you have Jason's work

1579

01:04:55,730 --> 01:04:53,579

I actually just bought a compilation of

1580

01:04:57,530 --> 01:04:55,740

all Charles fort's Works in one big

1581

01:05:00,049 --> 01:04:57,540

massive book and I'm psyched to get back

1582

01:05:02,329 --> 01:05:00,059

into it but his study compelled him to

1583

01:05:04,190 --> 01:05:02,339

say that we were property actually he

1584

01:05:05,870 --> 01:05:04,200

said the Earth is a farm and we are

1585

01:05:08,569 --> 01:05:05,880

someone else's property

1586

01:05:10,430 --> 01:05:08,579

and he's not exactly inferring that this

1587

01:05:12,650 --> 01:05:10,440

environment is artificial but at a

1588

01:05:14,809 --> 01:05:12,660

minimum he's saying it's a planet-wide

1589

01:05:17,329 --> 01:05:14,819

container controlled by something more

1590

01:05:19,690 --> 01:05:17,339

sophisticated at a higher level than us

1591

01:05:21,829 --> 01:05:19,700

so I like that Jason's work is really

1592

01:05:23,750 --> 01:05:21,839

re-contextualizing events in this new

1593

01:05:25,789 --> 01:05:23,760

framework and tracking what seems to be

1594

01:05:26,870 --> 01:05:25,799

elements of the programs that run the

1595

01:05:28,069 --> 01:05:26,880

system

1596

01:05:29,630 --> 01:05:28,079

there's certainly a lot of head

1597

01:05:31,370 --> 01:05:29,640

scratchers and all that but in a

1598

01:05:32,930 --> 01:05:31,380

nutshell that's the overarching premise

1599

01:05:35,150 --> 01:05:32,940

and I'm into it

1600

01:05:37,130 --> 01:05:35,160

I tried to find a way to make this a

1601
01:05:39,109 --> 01:05:37,140
good interview for both people who are

1602
01:05:40,849 --> 01:05:39,119
new to his work and people who are big

1603
01:05:43,190 --> 01:05:40,859
fans and that's hard to do because

1604
01:05:45,049 --> 01:05:43,200
there's so much introductory context but

1605
01:05:47,329 --> 01:05:45,059
you be the judge

1606
01:05:49,730 --> 01:05:47,339
I consider one of my skills you know one

1607
01:05:52,190 --> 01:05:49,740
of the reasons THD is successful to be

1608
01:05:54,250 --> 01:05:52,200
following along really well with complex

1609
01:05:56,750 --> 01:05:54,260
research and then helping a person

1610
01:05:57,770 --> 01:05:56,760
summarize it all clearly in a two-hour

1611
01:05:59,990 --> 01:05:57,780
interview

1612
01:06:01,130 --> 01:06:00,000
and I struggled to do that today no

1613
01:06:03,049 --> 01:06:01,140

doubt

1614

01:06:06,230 --> 01:06:03,059

some aspects of this work particularly

1615

01:06:09,230 --> 01:06:06,240

what protocols cause what events are

1616

01:06:11,089 --> 01:06:09,240

still kind of only half clear to me

1617

01:06:12,950 --> 01:06:11,099

a little bit about the change from the

1618

01:06:15,109 --> 01:06:12,960

Phoenix to the eagle is interesting

1619

01:06:17,210 --> 01:06:15,119

makes me think of the big long segment

1620

01:06:19,910 --> 01:06:17,220

we did with Matthew Lacroix about the

1621

01:06:22,130 --> 01:06:19,920

eagle and the serpent a war of symbols

1622

01:06:23,569 --> 01:06:22,140

through centuries really

1623

01:06:26,450 --> 01:06:23,579

but when we start talking about

1624

01:06:28,010 --> 01:06:26,460

operators coming into the simulation to

1625

01:06:31,490 --> 01:06:28,020

inject new code through the Great

1626

01:06:33,650 --> 01:06:31,500

Pyramid well I don't know but you get

1627

01:06:36,230 --> 01:06:33,660

major points for creativity and I did

1628

01:06:38,029 --> 01:06:36,240

check out that explosion in the pyramid

1629

01:06:40,730 --> 01:06:38,039

comment and it's true there are

1630

01:06:42,589 --> 01:06:40,740

indications of some type of explosion in

1631

01:06:44,150 --> 01:06:42,599

there according to some people in the

1632

01:06:46,490 --> 01:06:44,160

Queen's chamber

1633

01:06:49,069 --> 01:06:46,500

and that's pretty wild

1634

01:06:50,569 --> 01:06:49,079

so I liked it I'm glad we could make it

1635

01:06:52,789 --> 01:06:50,579

happen for the people who wanted it

1636

01:06:54,950 --> 01:06:52,799

there's still so much material on

1637

01:06:57,170 --> 01:06:54,960

Jason's site it's a bit overwhelming

1638

01:07:00,109 --> 01:06:57,180

hopefully we can do it again

1639

01:07:02,029 --> 01:07:00,119

of course one hour is Almost Never

1640

01:07:04,010 --> 01:07:02,039

Enough around here and today is no

1641

01:07:06,289 --> 01:07:04,020

exception in the second hour for Plus

1642

01:07:08,450 --> 01:07:06,299

members we talked about

1643

01:07:10,789 --> 01:07:08,460

the role of the benefactor and the Great

1644

01:07:12,829 --> 01:07:10,799

Pyramid evidence of an explosion in the

1645

01:07:15,109 --> 01:07:12,839

Great Pyramid examples of governments

1646

01:07:17,390 --> 01:07:15,119

classifying and censoring works on

1647

01:07:20,589 --> 01:07:17,400

secular cataclysms

1648

01:07:23,870 --> 01:07:20,599

old Maps missing land and the simulacrum

1649

01:07:25,370 --> 01:07:23,880

variable stars as pieces of Machinery I

1650

01:07:26,450 --> 01:07:25,380

kind of was commenting on that just a

1651
01:07:29,569 --> 01:07:26,460
moment ago

1652
01:07:32,390 --> 01:07:29,579
the Fatima apparitions explained in the

1653
01:07:34,990 --> 01:07:32,400
simulacrum context examples of mud

1654
01:07:38,029 --> 01:07:35,000
floods Sky Quakes and mass vanishings

1655
01:07:40,190 --> 01:07:38,039
The Philadelphia Experiment explained by

1656
01:07:43,430 --> 01:07:40,200
the archaics Paradigm and a whole lot

1657
01:07:45,890 --> 01:07:43,440
more all good stuff sign up for plus get

1658
01:07:47,569 --> 01:07:45,900
yourself a seven day free trial and

1659
01:07:50,089 --> 01:07:47,579
check out the second hour of this

1660
01:07:52,549 --> 01:07:50,099
episode and so so many others comb those

1661
01:07:55,370 --> 01:07:52,559
archives because they are

1662
01:07:58,370 --> 01:07:55,380
robust to say the least

1663
01:08:00,470 --> 01:07:58,380

big thanks to Jason for doing this again

1664

01:08:02,870 --> 01:08:00,480

I know there's probably a lot of people

1665

01:08:05,630 --> 01:08:02,880

banging down his door to get interviews

1666

01:08:07,849 --> 01:08:05,640

and he did grant us one

1667

01:08:10,490 --> 01:08:07,859

this is one of those situations where if

1668

01:08:12,109 --> 01:08:10,500

you want to see him on here again you

1669

01:08:13,970 --> 01:08:12,119

probably gotta reach out and say hey

1670

01:08:15,890 --> 01:08:13,980

great interview on the higher side chats

1671

01:08:17,390 --> 01:08:15,900

I heard you on the higher side chats I'd

1672

01:08:19,970 --> 01:08:17,400

like to see you come back to the higher

1673

01:08:24,050 --> 01:08:19,980

side chats because that's the only way

1674

01:08:26,749 --> 01:08:24,060

that guests can gauge if they tapped

1675

01:08:28,130 --> 01:08:26,759

into a sizable audience of passionate

1676

01:08:29,749 --> 01:08:28,140

people or not

1677

01:08:31,490 --> 01:08:29,759

so if you want a little bit more just

1678

01:08:34,010 --> 01:08:31,500

help me help you

1679

01:08:36,289 --> 01:08:34,020

and not too too much to report in higher

1680

01:08:38,150 --> 01:08:36,299

side news just doing my thing but let's

1681

01:08:41,390 --> 01:08:38,160

look at the Meetup calendar

1682

01:08:43,610 --> 01:08:41,400

it is October 10th today so October 15th

1683

01:08:47,450 --> 01:08:43,620

we have the metaphysical Amigos meeting

1684

01:08:49,910 --> 01:08:47,460

up at Mr Taco in Redlands California on

1685

01:08:51,709 --> 01:08:49,920

October 22nd we have lunch with the Des

1686

01:08:53,209 --> 01:08:51,719

Moines Higher Side Chatters in Des

1687

01:08:56,329 --> 01:08:53,219

Moines Iowa

1688

01:08:57,709 --> 01:08:56,339

going to the Merrell Hay Mall food court

1689

01:09:01,370 --> 01:08:57,719

all right

1690

01:09:05,030 --> 01:09:01,380

also on the 22nd is the second London

1691

01:09:07,130 --> 01:09:05,040

THC drinks at the lamb in London

1692

01:09:10,189 --> 01:09:07,140

the person who set this up said the

1693

01:09:11,930 --> 01:09:10,199

first one was successful in late August

1694

01:09:15,829 --> 01:09:11,940

and now they want to do it again I like

1695

01:09:17,930 --> 01:09:15,839

it October 23rd New York City THC years

1696

01:09:19,970 --> 01:09:17,940

meeting at Central Park

1697

01:09:21,829 --> 01:09:19,980

that should be fun and the last one on

1698

01:09:24,349 --> 01:09:21,839

the calendar in October is the

1699

01:09:27,590 --> 01:09:24,359

Philadelphia Clark Park Meetup

1700

01:09:29,090 --> 01:09:27,600

which is also a second event so it's

1701

01:09:31,970 --> 01:09:29,100

good to see that

1702

01:09:33,950 --> 01:09:31,980

I'm sure more people will come with each

1703

01:09:35,030 --> 01:09:33,960

iteration and you just expand the

1704

01:09:37,249 --> 01:09:35,040

network

1705

01:09:39,530 --> 01:09:37,259

it's a beautiful thing plenty of places

1706

01:09:41,930 --> 01:09:39,540

to find your new friends obviously tons

1707

01:09:43,669 --> 01:09:41,940

of topics to talk about for any THC fans

1708

01:09:45,470 --> 01:09:43,679

trying to break the ice

1709

01:09:47,689 --> 01:09:45,480

and if you don't have a Meetup nearby

1710

01:09:48,970 --> 01:09:47,699

then make one they're totally free and

1711

01:09:51,110 --> 01:09:48,980

pretty easy just go to

1712

01:09:53,150 --> 01:09:51,120

highersidemeetups.com and make an

1713

01:09:54,890 --> 01:09:53,160

account then make an event and I will

1714

01:09:56,030 --> 01:09:54,900

tell the good people in the next show

1715

01:09:58,490 --> 01:09:56,040

wrap up

1716

01:10:00,650 --> 01:09:58,500

so that's pretty much it take care of

1717

01:10:02,270 --> 01:10:00,660

you and yours check out our KX if you

1718

01:10:05,150 --> 01:10:02,280

really want to go deep and I'll catch

1719

01:10:08,090 --> 01:10:05,160

you next time your move AIX Engineers

1720

01:10:12,350 --> 01:10:08,100

simulacrum simulators and overseers of

1721

01:10:16,250 --> 01:10:12,360

the earth Farm your move

1722

01:10:18,950 --> 01:10:16,260

this is important hear what I said

1723

01:10:22,850 --> 01:10:18,960

I'm trying to tell you

1724

01:10:25,490 --> 01:10:22,860

it's not paranoia you're not in my head

1725

01:10:29,050 --> 01:10:25,500

it's just the hard truth

1726
01:10:32,149 --> 01:10:29,060
knocked on your door while I still can't

1727
01:10:34,970 --> 01:10:32,159
to ask you a question

1728
01:10:37,490 --> 01:10:34,980
cause I know your head is still in the

1729
01:10:42,709 --> 01:10:39,709
don't be shaped to your Slaughter for

1730
01:10:44,750 --> 01:10:42,719
the rest of your life oh Presto pressed

1731
01:10:46,850 --> 01:10:44,760
but you're getting woke you say you

1732
01:10:50,450 --> 01:10:46,860
don't want to be stressed until the day

1733
01:10:53,750 --> 01:10:50,460
you die tough luck my friend did you get

1734
01:10:55,130 --> 01:10:53,760
the memo can't you say that we're so

1735
01:11:05,850 --> 01:10:55,140
screwed

1736
01:11:24,490 --> 01:11:15,460
[Music]

1737
01:11:28,790 --> 01:11:27,709
you sit and wish but we don't have a

1738
01:11:32,270 --> 01:11:28,800

choice

1739

01:11:35,450 --> 01:11:32,280

seems we're stuck here but you can't

1740

01:11:38,030 --> 01:11:35,460

find noses drown out the noise

1741

01:11:41,090 --> 01:11:38,040

now use that altar

1742

01:11:45,770 --> 01:11:41,100

end up your magic

1743

01:11:47,810 --> 01:11:45,780

I listen to PhD you know you go with the

1744

01:11:51,740 --> 01:11:47,820

entity

1745

01:11:54,250 --> 01:11:51,750

if you ever see the um

1746

01:11:57,050 --> 01:11:54,260

[Music]

1747

01:11:59,149 --> 01:11:57,060

but you're getting woke you say you

1748

01:12:04,310 --> 01:11:59,159

don't want to be stressed until the day

1749

01:12:07,430 --> 01:12:04,320

is block my friend did you get the memo

1750

01:12:10,729 --> 01:12:07,440

don't you say that we're so screwed

1751

01:12:14,810 --> 01:12:10,739

don't you know where our come food

1752

01:12:16,760 --> 01:12:14,820

can't you just admit we're screwed I'm

1753

01:12:24,189 --> 01:12:16,770

gonna tell you this anyways

1754

01:12:27,770 --> 01:12:24,199

[Music]

1755

01:12:50,460 --> 01:12:27,780

don't think we'll be okay

1756

01:12:57,950 --> 01:12:55,090

[Music]

1757

01:13:00,950 --> 01:12:57,960

don't be sheep to your Slaughter for the

1758

01:13:02,990 --> 01:13:00,960

rest of your life go Presto pressed but

1759

01:13:05,270 --> 01:13:03,000

you're getting woke you say you don't

1760

01:13:08,450 --> 01:13:05,280

want to be stressed until the day you

1761

01:13:11,870 --> 01:13:08,460

die cause love for my friend did you get

1762

01:13:15,110 --> 01:13:11,880

the memo can't you say that we're so

1763

01:13:16,490 --> 01:13:15,120

screwed food

1764

01:13:19,970 --> 01:13:16,500

[Music]

1765

01:13:27,560 --> 01:13:19,980

can't you just admit we're screwed

1766

01:13:33,540 --> 01:13:30,010

[Music]

1767

01:13:46,750 --> 01:13:33,550

don't think we'll be okay

1768

01:13:51,070 --> 01:13:46,760

[Music]

1769

01:13:56,330 --> 01:13:54,050

and that is another show complete

1770

01:13:58,669 --> 01:13:56,340

remember as much as you enjoyed this

1771

01:14:00,470 --> 01:13:58,679

which is just the free first hour I hope

1772

01:14:03,169 --> 01:14:00,480

you'll become a plus member to hear the

1773

01:14:05,149 --> 01:14:03,179

full two-hour interviews you also can

1774

01:14:07,669 --> 01:14:05,159

engage with other Plus members in the

1775

01:14:09,050 --> 01:14:07,679

comments and the forums and you'll find

1776

01:14:11,149 --> 01:14:09,060

your answer to one of the most common

1777

01:14:12,890 --> 01:14:11,159

questions I get which is where can I

1778

01:14:14,689 --> 01:14:12,900

find those cover songs that you use at

1779

01:14:17,149 --> 01:14:14,699

the end of the show well they are free

1780

01:14:19,250 --> 01:14:17,159

downloads for Plus members too and

1781

01:14:21,290 --> 01:14:19,260

without Plus members I can't hire the

1782

01:14:23,810 --> 01:14:21,300

occasional musician to bring these odd

1783

01:14:25,729 --> 01:14:23,820

cover song ideas to fruition Plus

1784

01:14:27,530 --> 01:14:25,739

members are how I'm able to do what I do

1785

01:14:30,410 --> 01:14:27,540

without ads and without the big machine

1786

01:14:32,570 --> 01:14:30,420

being on my back we can fit so much more

1787

01:14:34,370 --> 01:14:32,580

into a two-hour interview and I do my

1788

01:14:37,310 --> 01:14:34,380

best to make it worth your time and

1789

01:14:39,770 --> 01:14:37,320

money the conversation only gets deeper

1790

01:14:41,930 --> 01:14:39,780

weirder and more controversial in that

1791

01:14:43,070 --> 01:14:41,940

private hour how could it not the way

1792

01:14:44,990 --> 01:14:43,080

things are going

1793

01:14:47,149 --> 01:14:45,000

but the best way to sign up is that the

1794

01:14:49,669 --> 01:14:47,159

higher sidechats.com where new

1795

01:14:51,830 --> 01:14:49,679

first-time subscribers always get a free

1796

01:14:54,229 --> 01:14:51,840

7-Day trial because I'm just that

1797

01:14:56,090 --> 01:14:54,239

confident there's no PayPal on the

1798

01:14:58,250 --> 01:14:56,100

website but if you need to use PayPal

1799

01:15:00,950 --> 01:14:58,260

then sign up through patreon and you get

1800

01:15:02,810 --> 01:15:00,960

all the same episodes our website is a

1801
01:15:04,790 --> 01:15:02,820
credit or debit system but you can also

1802
01:15:07,850 --> 01:15:04,800
scope out the other options like a few

1803
01:15:10,070 --> 01:15:07,860
various cryptos cash or check mail to

1804
01:15:11,450 --> 01:15:10,080
the PO box and I'll even barter with

1805
01:15:13,610 --> 01:15:11,460
most people if you have your own

1806
01:15:16,130 --> 01:15:13,620
business and produce something nice that

1807
01:15:18,709 --> 01:15:16,140
my wife or kid or taste buds might like

1808
01:15:20,689 --> 01:15:18,719
but the architects of consensus reality

1809
01:15:22,550 --> 01:15:20,699
have made it clear that these themes and

1810
01:15:25,310 --> 01:15:22,560
topics aren't really welcome on the main

1811
01:15:26,930 --> 01:15:25,320
stage and so this is how we secure a

1812
01:15:28,850 --> 01:15:26,940
little counterculture corner for

1813
01:15:31,550 --> 01:15:28,860

ourselves and I hope you'll join plus

1814

01:15:34,430 --> 01:15:31,560

because that is the only way it works

1815

01:15:36,649 --> 01:15:34,440

besides you can cancel anytime right on

1816

01:15:38,750 --> 01:15:36,659

your profile page the most common

1817

01:15:41,390 --> 01:15:38,760

concern I hear is people just being

1818

01:15:43,430 --> 01:15:41,400

unsure if THC plus will work with their

1819

01:15:46,130 --> 01:15:43,440

podcast app and the answer is probably

1820

01:15:48,110 --> 01:15:46,140

yes but if not we have several

1821

01:15:50,090 --> 01:15:48,120

high-level app recommendations for

1822

01:15:52,790 --> 01:15:50,100

whatever phone you use and the website

1823

01:15:54,290 --> 01:15:52,800

is made for mobile too we're trained to

1824

01:15:55,910 --> 01:15:54,300

tip a waitress for bringing us a

1825

01:15:58,729 --> 01:15:55,920

sandwich but that tip doesn't give you

1826
01:16:00,649 --> 01:15:58,739
access to a second sandwich really I'm

1827
01:16:02,630 --> 01:16:00,659
not asking for any more than that and I

1828
01:16:04,910 --> 01:16:02,640
think I offer a better service come get

1829
01:16:06,709 --> 01:16:04,920
your second serving of tasty conspiracy

1830
01:16:09,350 --> 01:16:06,719
goodness in exchange for that small

1831
01:16:11,390 --> 01:16:09,360
token of your appreciation beyond that

1832
01:16:13,430 --> 01:16:11,400
let it also be known that we have grown

1833
01:16:15,709 --> 01:16:13,440
and survived as long as we have By Word

1834
01:16:18,169 --> 01:16:15,719
of Mouth I don't care so much about

1835
01:16:21,229 --> 01:16:18,179
social media likes or follows but tell

1836
01:16:23,390 --> 01:16:21,239
the right people about THC and not just

1837
01:16:25,250 --> 01:16:23,400
listeners but the high level figures who

1838
01:16:27,470 --> 01:16:25,260

are better suited to sit down with me

1839

01:16:29,330 --> 01:16:27,480

than most other hosts and if you can

1840

01:16:31,189 --> 01:16:29,340

help me with any of these things I can

1841

01:16:33,130 --> 01:16:31,199

work to bring you better shows which is

1842

01:16:35,450 --> 01:16:33,140

just a a win-win for both of us

1843

01:16:37,910 --> 01:16:35,460

informative entertaining and

1844

01:16:39,530 --> 01:16:37,920

action-packed it also never hurts to

1845

01:16:41,390 --> 01:16:39,540

thank a guest you liked if you have the

1846

01:16:42,890 --> 01:16:41,400

time either we want them to know people

1847

01:16:45,169 --> 01:16:42,900

are listening so they're willing to come

1848

01:16:47,330 --> 01:16:45,179

back down the road too thank you for
