1
00:00:06,470 --> 00:00:02,409

[Music]

2
00:00:09,470 --> 00:00:06,480

these days so many podcast hosts just

3
00:00:11,870 --> 00:00:09,480

Rift through unprepared segments until

4
00:00:14,810 --> 00:00:11,880

they get to the next ad break for pills

5
00:00:16,730 --> 00:00:14,820

they know nothing about cheap razors and

6
00:00:19,490 --> 00:00:16,740

whatever else they can get a buck from

7
00:00:22,910 --> 00:00:19,500

but the higher side chats does it

8
00:00:25,429 --> 00:00:22,920

differently we succeed or fail on the

9
00:00:27,890 --> 00:00:25,439

quality of the content and your desire

10
00:00:30,109 --> 00:00:27,900

to hear more of it so you're about to

11
00:00:32,749 --> 00:00:30,119

hear another free first hour episode

12
00:00:36,049 --> 00:00:32,759

that's here to prove the two-hour shows

13
00:00:39,709 --> 00:00:36,059

are worth subscribing for five shows a

14

00:00:42,350 --> 00:00:39,719

month for just eight dollars members get

15

00:00:45,410 --> 00:00:42,360

a mobile friendly website a decade of

16

00:00:48,410 --> 00:00:45,420

archives a dedicated RSS feed for the

17

00:00:50,690 --> 00:00:48,420

best podcast apps and a lot deeper

18

00:00:54,709 --> 00:00:50,700

discussion than a single hour can allow

19

00:00:58,250 --> 00:00:54,719

for sponsor free with more for thee get

20

00:01:00,410 --> 00:00:58,260

a free 7-Day trial of THC Plus at the

21

00:01:01,620 --> 00:01:00,420

highersidejets.com

22

00:01:07,969 --> 00:01:01,630

enjoy

23

00:01:13,010 --> 00:01:11,090

in the 1930s President Franklin Delano

24

00:01:15,530 --> 00:01:13,020

Roosevelt addressed the nation through a

25

00:01:18,469 --> 00:01:15,540

series of radio broadcasts known as the

26

00:01:20,270 --> 00:01:18,479

Fireside Chats his aim was to reassure

27

00:01:22,490 --> 00:01:20,280

the common man that our society would

28

00:01:25,070 --> 00:01:22,500

recover from its troubled times well

29

00:01:27,649 --> 00:01:25,080

we're far from 1930 and I deal with a

30

00:01:30,050 --> 00:01:27,659

different kind of fire for a new era of

31

00:01:33,830 --> 00:01:30,060

worldly frustration we offer a fresh

32

00:01:37,310 --> 00:01:33,840

conversation I'm Greg Carlwood and these

33

00:01:39,050 --> 00:01:37,320

are the higher side chats yes good

34

00:01:41,210 --> 00:01:39,060

people of the internet how we doing out

35

00:01:43,730 --> 00:01:41,220

there from Sunny San Diego I'm Greg

36

00:01:46,370 --> 00:01:43,740

Carlwood and it's a confusing thing just

37

00:01:49,310 --> 00:01:46,380

how numb passive ignorant and uncurious

38

00:01:51,410 --> 00:01:49,320

people tend to be today rarely pondering

39

00:01:54,289 --> 00:01:51,420

the deeper questions of what human life

40

00:01:57,130 --> 00:01:54,299

even is yet being able to Rattle off a

41

00:01:59,690 --> 00:01:57,140

minutia of meaningless NFL statistics

42

00:02:01,670 --> 00:01:59,700

spending their entire lifetime in

43

00:02:03,889 --> 00:02:01,680

Baseline Consciousness total mind

44

00:02:06,230 --> 00:02:03,899

capture without any sense of adventure

45

00:02:08,449 --> 00:02:06,240

or exploration between The Daily Grind

46

00:02:10,850 --> 00:02:08,459

and the Nightly News knowing we have

47

00:02:12,470 --> 00:02:10,860

mysterious monolithic sites and pyramids

48

00:02:14,690 --> 00:02:12,480

from an ancient age that puzzle the

49

00:02:17,030 --> 00:02:14,700

professionals even today but assuming

50

00:02:18,589 --> 00:02:17,040

there must not be much more to know as

51
00:02:20,750 --> 00:02:18,599
to not interfere with their detective

52
00:02:23,630 --> 00:02:20,760
work as to who might be revealed as the

53
00:02:26,089 --> 00:02:23,640
next Masked Singer it's as if a string

54
00:02:28,430 --> 00:02:26,099
of pointless redundant distractions and

55
00:02:30,170 --> 00:02:28,440
stressful soulless obligations keep the

56
00:02:32,630 --> 00:02:30,180
majority of the herd from doing anything

57
00:02:34,610 --> 00:02:32,640
but trying to get through the next day

58
00:02:36,949 --> 00:02:34,620
but the work and life story of today's

59
00:02:39,170 --> 00:02:36,959
guest howdy mikowski can provide the

60
00:02:41,270 --> 00:02:39,180
best medicine for the mundane mental

61
00:02:43,670 --> 00:02:41,280
mind rut many might be experiencing

62
00:02:45,770 --> 00:02:43,680
because he found himself depressed and

63
00:02:47,809 --> 00:02:45,780

unfulfilled at the ripe old age of 28

64

00:02:49,490 --> 00:02:47,819

but after having come across a program

65

00:02:51,770 --> 00:02:49,500

that took a deeper dive into the Great

66

00:02:54,229 --> 00:02:51,780

Pyramids he decided to dedicate his

67

00:02:56,509 --> 00:02:54,239

energy to studying the ancient world and

68

00:02:58,910 --> 00:02:56,519

a deeper examination of Egypt spiraled

69

00:03:01,250 --> 00:02:58,920

out into time spent with the Korean Zen

70

00:03:03,770 --> 00:03:01,260

monk Native American medicine men a

71

00:03:06,589 --> 00:03:03,780

doctor of medical Qigong herbalists and

72

00:03:08,330 --> 00:03:06,599

Alchemists he spent his time traveling

73

00:03:10,070 --> 00:03:08,340

to the locations he studied and

74

00:03:12,649 --> 00:03:10,080

chronicled his work in his first book

75

00:03:16,009 --> 00:03:12,659

The Power of then revealing Egypt's Lost

76

00:03:17,930 --> 00:03:16,019

Wisdom at 36 he fell into a canyon in

77

00:03:19,610 --> 00:03:17,940

western Canada and had a near-death

78

00:03:22,550 --> 00:03:19,620

experience that revealed the false

79

00:03:24,410 --> 00:03:22,560

covering of oneself and of reality which

80

00:03:26,390 --> 00:03:24,420

led him to study Gnostic and hermetic

81

00:03:28,490 --> 00:03:26,400

teachings and explore the challenges of

82

00:03:30,350 --> 00:03:28,500

dealing with an Awakening which came to

83

00:03:33,410 --> 00:03:30,360

be put in the pages of his second book

84

00:03:35,089 --> 00:03:33,420

Falling For Truth as well as firing his

85

00:03:37,490 --> 00:03:35,099

newest book which certainly kicked it up

86

00:03:40,009 --> 00:03:37,500

a level exit the cave ending The

87

00:03:42,229 --> 00:03:40,019

Reincarnation trap but throughout his

88

00:03:43,910 --> 00:03:42,239

travels and examinations howdy started

89

00:03:46,309 --> 00:03:43,920

to see a lot of holes in the historic

90

00:03:48,350 --> 00:03:46,319

narrative and conventional timeline from

91

00:03:50,630 --> 00:03:48,360

Gothic cathedrals in the Knights Templar

92

00:03:52,970 --> 00:03:50,640

to Exotic Energy Technologies and the

93

00:03:56,030 --> 00:03:52,980

world's fairs much of which is in his

94

00:03:57,830 --> 00:03:56,040

book exposing the expositions you can

95

00:03:59,690 --> 00:03:57,840

find him getting into all this stuff and

96

00:04:02,050 --> 00:03:59,700

more on his YouTube channel howdy

97

00:04:04,550 --> 00:04:02,060

mikowski talks as well as his website

98

00:04:06,589 --> 00:04:04,560

egyptianwisdom reveal.com and I am

99

00:04:09,350 --> 00:04:06,599

psyched to get into it the dedicated

100

00:04:11,630 --> 00:04:09,360

deep diver Exposition exposure and death

101
00:04:12,890 --> 00:04:11,640
trap detective howdy welcome to the

102
00:04:16,009 --> 00:04:12,900
higher side

103
00:04:17,750 --> 00:04:16,019
it is good to be here and that sounds

104
00:04:19,330 --> 00:04:17,760
like you know me better than I know

105
00:04:23,390 --> 00:04:19,340
myself

106
00:04:25,490 --> 00:04:23,400
I tried I try to be informed and this is

107
00:04:27,590 --> 00:04:25,500
going to be great because your work hits

108
00:04:29,590 --> 00:04:27,600
on several high notes in the alternative

109
00:04:32,270 --> 00:04:29,600
research world that I love to talk about

110
00:04:34,070 --> 00:04:32,280
and it might be the first interview to

111
00:04:35,990 --> 00:04:34,080
come out of a voicemail that you left me

112
00:04:38,930 --> 00:04:36,000
which we generally use for audience

113
00:04:41,150 --> 00:04:38,940

insights but it seems that we both have

114

00:04:43,730 --> 00:04:41,160

had some mutual fans try to get us

115

00:04:45,770 --> 00:04:43,740

together and I'm glad we're here I also

116

00:04:48,590 --> 00:04:45,780

think your story is so important

117

00:04:50,570 --> 00:04:48,600

depressed at 28 much around the same

118

00:04:52,430 --> 00:04:50,580

time I started this show as a desperate

119

00:04:55,850 --> 00:04:52,440

attempt to bring something fulfilling

120

00:04:58,310 --> 00:04:55,860

into my life but you dedicated yourself

121

00:05:00,650 --> 00:04:58,320

to a study of your interests you travel

122

00:05:02,870 --> 00:05:00,660

to those places you formed relationships

123

00:05:04,730 --> 00:05:02,880

with some really interesting people and

124

00:05:06,890 --> 00:05:04,740

now you're putting out your fourth book

125

00:05:09,050 --> 00:05:06,900

and have tens of thousands of people

126

00:05:11,689 --> 00:05:09,060

following your work and it seems like

127

00:05:14,450 --> 00:05:11,699

you really did Forge a self-directed

128

00:05:16,310 --> 00:05:14,460

path and I think that's something many

129

00:05:18,950 --> 00:05:16,320

people could learn from

130

00:05:22,850 --> 00:05:18,960

thanks it's been a very in one sense

131

00:05:24,770 --> 00:05:22,860

rewarding 25 years or so and it's been a

132

00:05:26,990 --> 00:05:24,780

very challenging 25 years of course and

133

00:05:29,510 --> 00:05:27,000

we can talk about both sides of it

134

00:05:32,210 --> 00:05:29,520

there's been a lot of yeah a lot of pain

135

00:05:33,710 --> 00:05:32,220

along with a lot of the joys and where

136

00:05:36,469 --> 00:05:33,720

would you like to start where would you

137

00:05:38,390 --> 00:05:36,479

like to begin the my sharing with you

138

00:05:40,249 --> 00:05:38,400

sure well I thought before we got into

139

00:05:42,650 --> 00:05:40,259

the latest book I hoped we could talk

140

00:05:45,050 --> 00:05:42,660

about some of the work you've done along

141

00:05:46,969 --> 00:05:45,060

the way when you started studying

142

00:05:49,070 --> 00:05:46,979

ancient Egypt what were some of the

143

00:05:51,529 --> 00:05:49,080

first real mind blowers that made you

144

00:05:53,270 --> 00:05:51,539

dive into such a degree that you wrote a

145

00:05:55,850 --> 00:05:53,280

whole book on it

146

00:05:58,430 --> 00:05:55,860

well of course I I grew up as sort of a

147

00:06:00,890 --> 00:05:58,440

pretty simplistic normal person I grew

148

00:06:02,150 --> 00:06:00,900

up as a hockey player in Canada semi

149

00:06:04,189 --> 00:06:02,160

stand-up comedian I was a stand-up

150

00:06:06,230 --> 00:06:04,199

comedian for 12 years most people don't

151
00:06:07,850 --> 00:06:06,240
know that and love that yeah I had some

152
00:06:10,490 --> 00:06:07,860
difficult tragedies though early in my

153
00:06:12,830 --> 00:06:10,500
life my father was a psychopath and uh

154
00:06:14,510 --> 00:06:12,840
stole all my money just as I was going

155
00:06:16,909 --> 00:06:14,520
into my last year of University and

156
00:06:18,950 --> 00:06:16,919
pretty much made it very very difficult

157
00:06:20,330 --> 00:06:18,960
to finish my University degree I did I

158
00:06:21,890 --> 00:06:20,340
came up with a history degree but it was

159
00:06:24,290 --> 00:06:21,900
very tough and then just after

160
00:06:28,010 --> 00:06:24,300
University ended my ex-girlfriend was

161
00:06:30,950 --> 00:06:28,020
murdered and the combination of these

162
00:06:32,629 --> 00:06:30,960
two experiences on me

163
00:06:35,570 --> 00:06:32,639

it started the beginning of sending me

164

00:06:37,430 --> 00:06:35,580

into a very depressed spiral but it was

165

00:06:40,490 --> 00:06:37,440

a depressed spiral trying to answer

166

00:06:42,409 --> 00:06:40,500

questions that I was realizing that the

167

00:06:45,950 --> 00:06:42,419

way the world had been presented to me

168

00:06:48,650 --> 00:06:45,960

which was how you were supposed to live

169

00:06:51,409 --> 00:06:48,660

didn't actually match the experiences

170

00:06:53,629 --> 00:06:51,419

now of the trauma in the world so I was

171

00:06:55,550 --> 00:06:53,639

already in this turmoil

172

00:06:58,370 --> 00:06:55,560

and when I reached the height of my

173

00:06:59,390 --> 00:06:58,380

depression in early 1997 and I was

174

00:07:01,730 --> 00:06:59,400

actually at the point of wanting to kill

175

00:07:03,650 --> 00:07:01,740

myself I just I couldn't think of a good

176
00:07:06,110 --> 00:07:03,660
way to do it that wouldn't be messy for

177
00:07:07,670 --> 00:07:06,120
the person having to find it and I was

178
00:07:10,249 --> 00:07:07,680
in this state it was right around my

179
00:07:13,010 --> 00:07:10,259
birthday and a television program came

180
00:07:15,590 --> 00:07:13,020
on uh Nova pyramid building program

181
00:07:17,510 --> 00:07:15,600
and it was like instantaneous almost

182
00:07:20,210 --> 00:07:17,520
like a universal setup if you can put it

183
00:07:21,830 --> 00:07:20,220
that way and it was like I knew that's

184
00:07:24,290 --> 00:07:21,840
what I had to put my focus on there was

185
00:07:26,930 --> 00:07:24,300
a secret in ancient Egypt and I had to

186
00:07:29,029 --> 00:07:26,940
go track it down not so much necessarily

187
00:07:31,010 --> 00:07:29,039
to fix the world or heal a world but I

188
00:07:32,809 --> 00:07:31,020

just needed to know it for myself

189

00:07:35,510 --> 00:07:32,819

and I got really lucky at the beginning

190

00:07:37,189 --> 00:07:35,520

because while I had a history degree I

191

00:07:40,129 --> 00:07:37,199

didn't have an archaeological background

192

00:07:41,510 --> 00:07:40,139

so I was free to explore and one of the

193

00:07:43,430 --> 00:07:41,520

first books I happened to take out of

194

00:07:46,249 --> 00:07:43,440

the library was John Anthony West

195

00:07:48,050 --> 00:07:46,259

serpent in the sky and as soon as I read

196

00:07:50,990 --> 00:07:48,060

serpent in the sky which put me into

197

00:07:53,689 --> 00:07:51,000

schweiler de lubitz's ideas around the

198

00:07:55,790 --> 00:07:53,699

temples of Karnak and Luxor it was that

199

00:07:57,529 --> 00:07:55,800

in itself was the immediate mind-blowing

200

00:08:00,770 --> 00:07:57,539

experience

201
00:08:02,270 --> 00:08:00,780
it showed me that it's obvious the

202
00:08:04,550 --> 00:08:02,280
standard story that archeology and

203
00:08:06,770 --> 00:08:04,560
egyptology had was incorrect

204
00:08:09,890 --> 00:08:06,780
this was further of course realized once

205
00:08:11,689 --> 00:08:09,900
I got to Giza into Joshua and to abusir

206
00:08:13,850 --> 00:08:11,699
Etc and could see the stones and see the

207
00:08:15,650 --> 00:08:13,860
cuts and see the carving and see the the

208
00:08:18,110 --> 00:08:15,660
quality of the work that is impossible

209
00:08:20,270 --> 00:08:18,120
with the supposed Stone tool and copper

210
00:08:23,510 --> 00:08:20,280
tools and that's where it sort of began

211
00:08:25,790 --> 00:08:23,520
the combination of a whole new potential

212
00:08:28,390 --> 00:08:25,800
way of seeing the ancient world combined

213
00:08:30,830 --> 00:08:28,400

with once you start seeing the actual

214

00:08:33,230 --> 00:08:30,840

pieces that are on the ground still

215

00:08:34,730 --> 00:08:33,240

existing it starts moving you in a New

216

00:08:36,350 --> 00:08:34,740

Direction and that's what I tried to do

217

00:08:40,130 --> 00:08:36,360

in the research then yeah

218

00:08:42,110 --> 00:08:40,140

hmm yeah one thing I've pulled out of

219

00:08:44,449 --> 00:08:42,120

previous conversations where you talked

220

00:08:46,130 --> 00:08:44,459

about this a little bit is you had said

221

00:08:48,230 --> 00:08:46,140

that you were told what's below the

222

00:08:50,630 --> 00:08:48,240

geyser Plateau is more exciting and

223

00:08:53,030 --> 00:08:50,640

important than what's on the surface and

224

00:08:55,610 --> 00:08:53,040

I'm always intrigued by the wild stuff

225

00:08:59,690 --> 00:08:55,620

we find underground and it seems to be

226

00:09:01,730 --> 00:08:59,700

no exception in the uh Giza Plateau huh

227

00:09:04,130 --> 00:09:01,740

no that knows some true stories one was

228

00:09:06,470 --> 00:09:04,140

a gentleman that I met sort of I might

229

00:09:08,449 --> 00:09:06,480

call them a local keeper of knowledge

230

00:09:11,750 --> 00:09:08,459

who on the first day I was ever at the

231

00:09:14,030 --> 00:09:11,760

Giza Plateau we made a deal and he took

232

00:09:16,070 --> 00:09:14,040

me into underground Caverns all

233

00:09:18,290 --> 00:09:16,080

throughout the plateau sort of more

234

00:09:21,710 --> 00:09:18,300

between the Sphinx and the coffee

235

00:09:23,570 --> 00:09:21,720

pyramid so in that area is these very

236

00:09:25,790 --> 00:09:23,580

deep Long shafts it was very difficult

237

00:09:28,070 --> 00:09:25,800

to go down and there was smaller

238

00:09:30,470 --> 00:09:28,080

underground temples that he showed me

239

00:09:32,509 --> 00:09:30,480

but he was very clear that this is only

240

00:09:34,070 --> 00:09:32,519

a minor piece of it and I can't show you

241

00:09:37,130 --> 00:09:34,080

much more this is all that I can show

242

00:09:39,410 --> 00:09:37,140

you of it okay fast forward to my next

243

00:09:40,730 --> 00:09:39,420

trip and I was walking kind of in the

244

00:09:41,810 --> 00:09:40,740

same area I was going a little bit

245

00:09:45,110 --> 00:09:41,820

further

246

00:09:47,210 --> 00:09:45,120

and there were two soldiers standing

247

00:09:49,430 --> 00:09:47,220

there which is very rare you never see

248

00:09:51,530 --> 00:09:49,440

soldiers on a Giza plateau

249

00:09:53,630 --> 00:09:51,540

but I I know how to talk to no matter

250

00:09:55,310 --> 00:09:53,640

who it is on the plateau and what I've

251
00:09:57,170 --> 00:09:55,320
learned some Arabic and I know what to

252
00:09:58,910 --> 00:09:57,180
say do not have people

253
00:10:00,410 --> 00:09:58,920
cause me any problems while I'm there

254
00:10:02,269 --> 00:10:00,420
and as soon as I got a little closer

255
00:10:05,150 --> 00:10:02,279
they pulled up rifles and pointed them

256
00:10:06,410 --> 00:10:05,160
at me and made it very clear I better

257
00:10:08,329 --> 00:10:06,420
back off

258
00:10:09,889 --> 00:10:08,339
when I got to Luxor and talked to a

259
00:10:11,269 --> 00:10:09,899
friend of mine down there who who has

260
00:10:14,810 --> 00:10:11,279
quite a good knowledge of what's going

261
00:10:17,269 --> 00:10:14,820
on behind the scenes in in Cairo told me

262
00:10:19,670 --> 00:10:17,279
that it was his understanding that I had

263
00:10:21,710 --> 00:10:19,680

walked into the exact same time that the

264

00:10:23,570 --> 00:10:21,720

members of the government were down in a

265

00:10:26,750 --> 00:10:23,580

shaft on the Giza plateau and claiming

266

00:10:28,730 --> 00:10:26,760

to have found a time travel device that

267

00:10:30,650 --> 00:10:28,740

the ancient Egyptians had or the we call

268

00:10:33,650 --> 00:10:30,660

the pre-egyptians Hat

269

00:10:35,509 --> 00:10:33,660

and what was going on apparently I guess

270

00:10:37,550 --> 00:10:35,519

right at that moment when I was there is

271

00:10:39,889 --> 00:10:37,560

they were trying to make a decision do

272

00:10:42,350 --> 00:10:39,899

they try to test the device in the place

273

00:10:45,110 --> 00:10:42,360

where it is I.E not move it or do they

274

00:10:47,030 --> 00:10:45,120

try to move it to the Cairo Museum or

275

00:10:48,290 --> 00:10:47,040

some other safe place where they access

276
00:10:50,090 --> 00:10:48,300
it somewhere else and they were having

277
00:10:53,569 --> 00:10:50,100
this big discussion on should they move

278
00:10:55,310 --> 00:10:53,579
this time travel device or not and given

279
00:10:57,410 --> 00:10:55,320
the experience I had on the plateau and

280
00:10:59,389 --> 00:10:57,420
how strange the whole day was I'm

281
00:11:02,110 --> 00:10:59,399
leaning to that was probably a very true

282
00:11:05,210 --> 00:11:02,120
piece of information I got

283
00:11:08,569 --> 00:11:05,220
wow well we are in it now it doesn't get

284
00:11:10,610 --> 00:11:08,579
much Stranger than that but the idea

285
00:11:13,009 --> 00:11:10,620
that there's a lot of stuff beneath the

286
00:11:14,990 --> 00:11:13,019
Giza plateau and that you were able to

287
00:11:17,630 --> 00:11:15,000
talk your way into seeing some of it

288
00:11:20,449 --> 00:11:17,640

jives with what I've heard from your

289

00:11:24,170 --> 00:11:20,459

stories looking into Gothic Cathedrals

290

00:11:26,150 --> 00:11:24,180

across Europe that if you approach

291

00:11:28,790 --> 00:11:26,160

people the right way

292

00:11:30,230 --> 00:11:28,800

come in with the right energy sometimes

293

00:11:32,630 --> 00:11:30,240

they'll take you to see things and

294

00:11:35,810 --> 00:11:32,640

you've seen the basement of old

295

00:11:38,269 --> 00:11:35,820

Cathedrals under the Crips and you've

296

00:11:41,569 --> 00:11:38,279

said that typically these Cathedrals

297

00:11:44,690 --> 00:11:41,579

were all built on previous temples

298

00:11:46,550 --> 00:11:44,700

temples of Isis and Diana and it seems

299

00:11:49,550 --> 00:11:46,560

like you've gotten a pretty good look at

300

00:11:51,710 --> 00:11:49,560

some of that stuff too right as good as

301
00:11:53,630 --> 00:11:51,720
I think somebody who's not completely

302
00:11:55,490 --> 00:11:53,640
interconnected with the system can get

303
00:11:58,550 --> 00:11:55,500
and and yeah it's a combination I guess

304
00:12:01,550 --> 00:11:58,560
of asking the right way and it's also

305
00:12:03,590 --> 00:12:01,560
being confident to ask a lot of times

306
00:12:05,269 --> 00:12:03,600
doors will open to you but so many

307
00:12:08,269 --> 00:12:05,279
people are just afraid to ask that

308
00:12:11,210 --> 00:12:08,279
question and I know that when I'm on the

309
00:12:13,370 --> 00:12:11,220
search it's just ask if I get rejected

310
00:12:15,110 --> 00:12:13,380
fine I get rejected but don't walk away

311
00:12:17,210 --> 00:12:15,120
saying I wished I had asked I wished I

312
00:12:18,530 --> 00:12:17,220
checked I wished I had gone there and

313
00:12:20,150 --> 00:12:18,540

when you get down to some of these

314

00:12:21,769 --> 00:12:20,160

Cathedrals unfortunately I couldn't get

315

00:12:22,970 --> 00:12:21,779

down in chartres I tried really hard

316

00:12:25,009 --> 00:12:22,980

when I was in Chargers but I couldn't

317

00:12:27,769 --> 00:12:25,019

get down there but in some of the other

318

00:12:30,530 --> 00:12:27,779

European Cathedrals when you're in the

319

00:12:32,090 --> 00:12:30,540

basement you'll still often have the you

320

00:12:34,009 --> 00:12:32,100

call them a sarcophagus box but it's

321

00:12:37,009 --> 00:12:34,019

more like a recapitulation or an energy

322

00:12:39,230 --> 00:12:37,019

box right it's a place of retuning your

323

00:12:41,150 --> 00:12:39,240

your energy frequency those are still

324

00:12:43,310 --> 00:12:41,160

down there columns are still down there

325

00:12:45,410 --> 00:12:43,320

parts of the temple still remain and

326

00:12:47,210 --> 00:12:45,420

once you get below floor level in some

327

00:12:51,050 --> 00:12:47,220

of these places you're actually overcome

328

00:12:52,970 --> 00:12:51,060

with a pretty heavy duty energy and when

329

00:12:55,550 --> 00:12:52,980

it comes to Europe itself the only other

330

00:12:57,470 --> 00:12:55,560

place that I found with a strong energy

331

00:12:59,750 --> 00:12:57,480

as in a couple of the cathedrals I've

332

00:13:02,269 --> 00:12:59,760

been in those basements is Avebury in

333

00:13:04,310 --> 00:13:02,279

England Avebury is another place that I

334

00:13:05,810 --> 00:13:04,320

was literally my legs were on fire when

335

00:13:07,129 --> 00:13:05,820

I was there as I was moving because most

336

00:13:09,110 --> 00:13:07,139

people don't realize that Avebury's

337

00:13:11,090 --> 00:13:09,120

actually sent out like a giant serpent

338

00:13:13,129 --> 00:13:11,100

on the ground it's like the Kundalini

339

00:13:15,290 --> 00:13:13,139

serpent similar to what you have in the

340

00:13:17,449 --> 00:13:15,300

United States at Serpent Mound in Ohio

341

00:13:19,970 --> 00:13:17,459

and I walked the whole thing and as I'd

342

00:13:21,769 --> 00:13:19,980

walked Ian finally made it into the main

343

00:13:23,629 --> 00:13:21,779

Circle yeah my legs were on fire they

344

00:13:25,790 --> 00:13:23,639

were actually burning from the kind of

345

00:13:28,850 --> 00:13:25,800

energy that was there and these are

346

00:13:30,590 --> 00:13:28,860

reminders to me that whatever the

347

00:13:32,509 --> 00:13:30,600

Ancients were doing and we can't be

348

00:13:34,370 --> 00:13:32,519

fully sure what they were doing it's

349

00:13:36,170 --> 00:13:34,380

personal speculation personal thesis

350

00:13:38,210 --> 00:13:36,180

you're like I have a thesis myself but

351

00:13:39,949 --> 00:13:38,220

that doesn't mean it's true and nobody

352

00:13:41,930 --> 00:13:39,959

should believe what someone suggests the

353

00:13:44,210 --> 00:13:41,940

Ancients were doing all we can do is tap

354

00:13:46,850 --> 00:13:44,220

into some of what's there get a sense of

355

00:13:50,150 --> 00:13:46,860

it and without doubt the energetic

356

00:13:52,310 --> 00:13:50,160

structures of these ancient sites even

357

00:13:53,870 --> 00:13:52,320

today thousands of years after they're

358

00:13:56,210 --> 00:13:53,880

usually tens of thousands of years after

359

00:13:57,769 --> 00:13:56,220

their use are still that strong that

360

00:13:59,090 --> 00:13:57,779

they can like like literally if I

361

00:14:01,069 --> 00:13:59,100

thought if I Stood Still I'm going to

362

00:14:03,350 --> 00:14:01,079

burn up that's how much energy was at

363

00:14:04,370 --> 00:14:03,360

Avery and then like I'm sure you've

364

00:14:05,870 --> 00:14:04,380

heard the other interviews I go to

365

00:14:07,790 --> 00:14:05,880

Stonehenge and there's nothing

366

00:14:09,829 --> 00:14:07,800

hmm

367

00:14:12,949 --> 00:14:09,839

curious curious

368

00:14:15,889 --> 00:14:12,959

energy and timelines I mean those are

369

00:14:17,990 --> 00:14:15,899

major themes of the day and I wanted to

370

00:14:20,690 --> 00:14:18,000

fast forward to this part of the story

371

00:14:23,750 --> 00:14:20,700

where you write on your about page that

372

00:14:26,629 --> 00:14:23,760

following a study trip to Florence new

373

00:14:28,550 --> 00:14:26,639

information came to light of the lies of

374

00:14:29,990 --> 00:14:28,560

modern history and this is really

375

00:14:31,910 --> 00:14:30,000

interesting because when you were

376

00:14:33,769 --> 00:14:31,920

looking at these Cathedrals I've heard

377

00:14:36,410 --> 00:14:33,779

you say that you started looking at them

378

00:14:38,509 --> 00:14:36,420

as energy structures and I've heard you

379

00:14:41,210 --> 00:14:38,519

say that when you take religion out of

380

00:14:43,610 --> 00:14:41,220

it you're looking at a machine which is

381

00:14:45,230 --> 00:14:43,620

very provocative elaborate on this part

382

00:14:47,090 --> 00:14:45,240

of your work for us and some of these

383

00:14:49,250 --> 00:14:47,100

lies of modern history that you

384

00:14:52,610 --> 00:14:49,260

uncovered through this process

385

00:14:54,889 --> 00:14:52,620

yeah so I was lucky enough to spend the

386

00:14:56,410 --> 00:14:54,899

time with the Zen monk who was a great

387

00:14:58,730 --> 00:14:56,420

teacher for me and

388

00:15:00,290 --> 00:14:58,740

fabulous wild stories from him the

389

00:15:02,750 --> 00:15:00,300

medicine men were

390

00:15:05,569 --> 00:15:02,760

different kind of teachers taught me

391

00:15:07,490 --> 00:15:05,579

very different kinds of things and I

392

00:15:08,750 --> 00:15:07,500

took a lot of that with me to the

393

00:15:10,850 --> 00:15:08,760

ancient sites

394

00:15:13,430 --> 00:15:10,860

I know for sure I couldn't have tapped

395

00:15:15,170 --> 00:15:13,440

might say tapped in or seen what I I've

396

00:15:17,990 --> 00:15:15,180

managed to see at some of these sites

397

00:15:19,490 --> 00:15:18,000

I've had experiences of walls changing

398

00:15:21,829 --> 00:15:19,500

disappearing

399

00:15:24,350 --> 00:15:21,839

amazing experiences but it's linked to

400

00:15:26,210 --> 00:15:24,360

who I was lucky enough to meet 25 years

401
00:15:29,569 --> 00:15:26,220
ago and they were kind enough to spend

402
00:15:31,730 --> 00:15:29,579
their time with me and teach me some

403
00:15:33,769 --> 00:15:31,740
so I I was working at all whether we

404
00:15:35,810 --> 00:15:33,779
Toyota walk-in or Palenque in Mexico

405
00:15:38,629 --> 00:15:35,820
whether it be these sites in Egypt sites

406
00:15:41,210 --> 00:15:38,639
through Europe it was finding these

407
00:15:43,310 --> 00:15:41,220
energy structures finding that the way

408
00:15:45,829 --> 00:15:43,320
they were built was generating you might

409
00:15:48,110 --> 00:15:45,839
say a particular charge and I began

410
00:15:49,490 --> 00:15:48,120
getting the sense that and I hadn't had

411
00:15:52,189 --> 00:15:49,500
this for a long time it was maybe around

412
00:15:54,170 --> 00:15:52,199
2018 that I started recognizing that the

413
00:15:55,370 --> 00:15:54,180

cathedrals themselves these great Gothic

414

00:15:58,370 --> 00:15:55,380

cathedrals

415

00:16:01,430 --> 00:15:58,380

are so similar to the temple layouts of

416

00:16:03,829 --> 00:16:01,440

Karnak and Luxor so I wanted to go and

417

00:16:06,050 --> 00:16:03,839

now experience them the way I would an

418

00:16:08,509 --> 00:16:06,060

ancient Temple so go to them a little

419

00:16:11,030 --> 00:16:08,519

differently and I the best example of it

420

00:16:13,850 --> 00:16:11,040

was in a city called Nantes in the west

421

00:16:15,769 --> 00:16:13,860

part of France on the coast and they

422

00:16:19,009 --> 00:16:15,779

have a cathedral there called the

423

00:16:20,990 --> 00:16:19,019

Cathedral of Saint Nicholas if you ever

424

00:16:22,790 --> 00:16:21,000

get a chance to go the main one that

425

00:16:24,050 --> 00:16:22,800

caught fire a few years ago was in the

426

00:16:25,250 --> 00:16:24,060

middle of town that's what get most of

427

00:16:28,610 --> 00:16:25,260

the tourists this one gets almost no

428

00:16:31,670 --> 00:16:28,620

tourists fabulous fabulous Cathedral and

429

00:16:34,009 --> 00:16:31,680

I stood underneath the main Dome

430

00:16:35,930 --> 00:16:34,019

and I could feel like literally a bolt

431

00:16:38,150 --> 00:16:35,940

of energy was coming directly down from

432

00:16:40,850 --> 00:16:38,160

the dome right under me and I could kind

433

00:16:42,470 --> 00:16:40,860

of follow it I could watch it move and I

434

00:16:44,870 --> 00:16:42,480

don't remember what the names are of the

435

00:16:46,670 --> 00:16:44,880

aisles of a cathedral what are the name

436

00:16:49,550 --> 00:16:46,680

of the sides of a cathedral do you know

437

00:16:51,290 --> 00:16:49,560

what the name of that is Greg pews no

438

00:16:52,850 --> 00:16:51,300

not not the places where you sit I mean

439

00:16:55,069 --> 00:16:52,860

like there's always like a central area

440

00:16:57,470 --> 00:16:55,079

where all the the seating is but then

441

00:16:58,910 --> 00:16:57,480

there's usually a set of columns and

442

00:17:01,249 --> 00:16:58,920

then there's still like what look like

443

00:17:04,069 --> 00:17:01,259

walkways or you know their passages on

444

00:17:05,449 --> 00:17:04,079

the sides of the church okay anyway I

445

00:17:07,250 --> 00:17:05,459

could feel the energy would come down

446

00:17:10,189 --> 00:17:07,260

and it would start swirling in a

447

00:17:11,630 --> 00:17:10,199

circular motion around the outside of

448

00:17:13,010 --> 00:17:11,640

the church it wasn't going unnecessarily

449

00:17:15,949 --> 00:17:13,020

inside it was swirling on the outside

450

00:17:17,809 --> 00:17:15,959

and I noticed the rose windows and in

451

00:17:21,289 --> 00:17:17,819

this particular case the rose windows

452

00:17:23,270 --> 00:17:21,299

were obvious cymatic patterns if you

453

00:17:25,370 --> 00:17:23,280

could put these patterns through the

454

00:17:27,710 --> 00:17:25,380

waves of and sand you would know exactly

455

00:17:29,930 --> 00:17:27,720

what the pattern was so I could see the

456

00:17:31,850 --> 00:17:29,940

combination of the energy moving the

457

00:17:33,710 --> 00:17:31,860

giant organ when it started to play and

458

00:17:35,810 --> 00:17:33,720

again of course the name Oregon so it's

459

00:17:38,330 --> 00:17:35,820

related to the human organ it's related

460

00:17:40,909 --> 00:17:38,340

to the energy system that with the

461

00:17:43,549 --> 00:17:40,919

energy the organ and Blasting that

462

00:17:45,830 --> 00:17:43,559

energy out of those Rose Windows which

463

00:17:50,210 --> 00:17:45,840

would change the cymatic energy into an

464

00:17:52,789 --> 00:17:50,220

exact frequency my guess is that not

465

00:17:53,990 --> 00:17:52,799

only would when it was fully operational

466

00:17:55,430 --> 00:17:54,000

I don't think these are fully

467

00:17:57,590 --> 00:17:55,440

operational anymore but when they were

468

00:17:59,210 --> 00:17:57,600

fully operational I'm pretty sure you

469

00:18:01,010 --> 00:17:59,220

could just be healed by going into these

470

00:18:03,110 --> 00:18:01,020

Cathedrals that you wouldn't really

471

00:18:04,250 --> 00:18:03,120

needed doctors too much you could have

472

00:18:05,990 --> 00:18:04,260

just gone there and healed most

473

00:18:07,789 --> 00:18:06,000

everything you would have and then this

474

00:18:10,610 --> 00:18:07,799

energy would be going out to the city

475

00:18:12,350 --> 00:18:10,620

which depending on how the rose windows

476
00:18:13,549 --> 00:18:12,360
are structured you're moving a balance

477
00:18:15,710 --> 00:18:13,559
you're moving on Harmony you're moving

478
00:18:17,270 --> 00:18:15,720
out whatever you feel you need for your

479
00:18:20,150 --> 00:18:17,280
population

480
00:18:21,650 --> 00:18:20,160
honestly it was it was an awe-inspiring

481
00:18:23,690 --> 00:18:21,660
experience

482
00:18:27,230 --> 00:18:23,700
but that wasn't as much of it once I got

483
00:18:30,590 --> 00:18:27,240
home I came back here to Norway somehow

484
00:18:32,690 --> 00:18:30,600
I bumped into the world expositions

485
00:18:35,690 --> 00:18:32,700
particularly the Chicago exposition of

486
00:18:37,370 --> 00:18:35,700
1893 and I and it was like just coming

487
00:18:39,529 --> 00:18:37,380
like literally right out of the

488
00:18:41,390 --> 00:18:39,539

cathedrals of Florence and tracking the

489

00:18:43,310 --> 00:18:41,400

energy there and all of a sudden I'm

490

00:18:46,070 --> 00:18:43,320

looking at the same buildings the same

491

00:18:47,510 --> 00:18:46,080

kind of structures and once I started

492

00:18:49,789 --> 00:18:47,520

looking into the story of these

493

00:18:52,190 --> 00:18:49,799

expositions they just made no sense

494

00:18:53,810 --> 00:18:52,200

whatsoever and demanded as far as I was

495

00:18:55,370 --> 00:18:53,820

concerned demanded a complete study on

496

00:18:57,529 --> 00:18:55,380

it I saw no one had written a book yet

497

00:18:59,090 --> 00:18:57,539

on the strangeness of the fair so I

498

00:19:00,470 --> 00:18:59,100

thought okay I'm an author so I'll

499

00:19:02,330 --> 00:19:00,480

research it and write a book I thought

500

00:19:03,770 --> 00:19:02,340

I'd do it in two or three months I got

501
00:19:04,970 --> 00:19:03,780
through nine or ten months and I had to

502
00:19:07,450 --> 00:19:04,980
just stop because I knew I could be

503
00:19:12,070 --> 00:19:07,460
researching this for 20 years

504
00:19:14,810 --> 00:19:12,080
yes yes that is super interesting and

505
00:19:17,990 --> 00:19:14,820
just the last couple thousand years in

506
00:19:20,450 --> 00:19:18,000
particular do have some holes in it or

507
00:19:23,090 --> 00:19:20,460
seem kind of strange I mean I'm really

508
00:19:25,730 --> 00:19:23,100
interested in re-examining the timeline

509
00:19:27,590 --> 00:19:25,740
and the idea of resets and it's a little

510
00:19:30,049 --> 00:19:27,600
strange that we have the Dark Ages

511
00:19:32,690 --> 00:19:30,059
followed by this explosion and the

512
00:19:34,490 --> 00:19:32,700
Renaissance all the gothic cathedrals

513
00:19:37,310 --> 00:19:34,500

you know if this is some sort of

514

00:19:39,830 --> 00:19:37,320

simulation that sounds like one of those

515

00:19:42,890 --> 00:19:39,840

wipe the Slate clean periods right

516

00:19:44,870 --> 00:19:42,900

before the Renaissance and maybe who

517

00:19:46,970 --> 00:19:44,880

knows exactly how it works out but what

518

00:19:49,789 --> 00:19:46,980

are your thoughts on you know that

519

00:19:53,029 --> 00:19:49,799

period of 500 A.D the start of the Dark

520

00:19:54,470 --> 00:19:53,039

Ages on through the Renaissance and you

521

00:19:56,390 --> 00:19:54,480

know then we'll maybe get into the world

522

00:19:58,370 --> 00:19:56,400

fairs but do you have any thoughts on

523

00:20:01,010 --> 00:19:58,380

that earlier period

524

00:20:02,630 --> 00:20:01,020

well from that particular research I

525

00:20:04,750 --> 00:20:02,640

started to realize well obviously the

526

00:20:07,909 --> 00:20:04,760

history we have of the 1800s is a lie

527

00:20:09,770 --> 00:20:07,919

and so the more you look back in the

528

00:20:10,850 --> 00:20:09,780

past I had to start questioning

529

00:20:13,250 --> 00:20:10,860

everything

530

00:20:14,510 --> 00:20:13,260

even like say the Renaissance is that is

531

00:20:16,430 --> 00:20:14,520

that a real thing

532

00:20:18,169 --> 00:20:16,440

we don't know for sure if that's a real

533

00:20:19,610 --> 00:20:18,179

thing we have some stories we have some

534

00:20:21,049 --> 00:20:19,620

events we have some after the fact

535

00:20:22,669 --> 00:20:21,059

information we have some very unique

536

00:20:24,350 --> 00:20:22,679

buildings and artwork but we don't

537

00:20:26,810 --> 00:20:24,360

really know where they came from who did

538

00:20:29,270 --> 00:20:26,820

them and why they did them so I've kind

539

00:20:30,830 --> 00:20:29,280

of had to step back and say

540

00:20:33,470 --> 00:20:30,840

I'm not really sure what the heck's

541

00:20:35,450 --> 00:20:33,480

going on I know that guy famenco talked

542

00:20:38,450 --> 00:20:35,460

about there was a thousand years added

543

00:20:40,730 --> 00:20:38,460

to history and there's a lot of his

544

00:20:43,010 --> 00:20:40,740

stuff I kind of tend to distance myself

545

00:20:45,409 --> 00:20:43,020

from because I find it a bit concerning

546

00:20:47,330 --> 00:20:45,419

but this idea that

547

00:20:49,669 --> 00:20:47,340

obviously we really don't know what year

548

00:20:52,070 --> 00:20:49,679

it is and

549

00:20:56,270 --> 00:20:52,080

once you start popping in this idea of

550

00:20:58,549 --> 00:20:56,280

resets this idea that this entire and

551
00:21:01,909 --> 00:20:58,559
we'll call it human specifically The

552
00:21:03,230 --> 00:21:01,919
Human Experience in this realm is what

553
00:21:05,870 --> 00:21:03,240
you might say constantly being

554
00:21:08,450 --> 00:21:05,880
manipulated and constantly being

555
00:21:11,090 --> 00:21:08,460
as I try to say energy upgraded for

556
00:21:13,130 --> 00:21:11,100
various reasons a lot of these times in

557
00:21:14,870 --> 00:21:13,140
our history start to make potential

558
00:21:17,690 --> 00:21:14,880
sense when you start to look at them

559
00:21:19,190 --> 00:21:17,700
from different angles like is the end of

560
00:21:21,470 --> 00:21:19,200
whatever we consider the Roman Empire

561
00:21:24,049 --> 00:21:21,480
whenever that officially occurred that's

562
00:21:26,390 --> 00:21:24,059
a type of reset that you literally wipe

563
00:21:27,650 --> 00:21:26,400

out one type of culture one type of

564

00:21:29,570 --> 00:21:27,660

living and replace it with something

565

00:21:31,730 --> 00:21:29,580

else and we maybe see that same thing

566

00:21:33,770 --> 00:21:31,740

happen in the 1800s and I hate to say it

567

00:21:35,690 --> 00:21:33,780

we're seeing it right now people don't

568

00:21:38,090 --> 00:21:35,700

want to admit but we're actually seeing

569

00:21:39,890 --> 00:21:38,100

it now and that's where the study of

570

00:21:41,630 --> 00:21:39,900

these events that you're talking about

571

00:21:43,610 --> 00:21:41,640

are actually important not to learn the

572

00:21:45,470 --> 00:21:43,620

past that's not so important it's to

573

00:21:47,390 --> 00:21:45,480

what does that tell us about right now

574

00:21:49,970 --> 00:21:47,400

how can we use that information to stay

575

00:21:52,789 --> 00:21:49,980

one step ahead of what's going to occur

576

00:21:54,049 --> 00:21:52,799

here based on if we can figure out what

577

00:21:57,049 --> 00:21:54,059

happened then

578

00:21:58,310 --> 00:21:57,059

mm-hmm I totally agree with you it does

579

00:22:00,230 --> 00:21:58,320

seem like they're gearing up for

580

00:22:03,049 --> 00:22:00,240

something big and if these resets have

581

00:22:05,029 --> 00:22:03,059

happened in the past well we are in the

582

00:22:07,490 --> 00:22:05,039

middle of a story so you would think

583

00:22:09,770 --> 00:22:07,500

they would happen again but I just

584

00:22:11,930 --> 00:22:09,780

wanted to maybe dig into what you said

585

00:22:14,270 --> 00:22:11,940

about some concerning aspects of

586

00:22:16,250 --> 00:22:14,280

fomenko's work and what you might have

587

00:22:18,830 --> 00:22:16,260

been talking about there we've talked

588

00:22:20,390 --> 00:22:18,840

about fomenko's work before but I don't

589

00:22:22,549 --> 00:22:20,400

know how many listeners have actually

590

00:22:24,770 --> 00:22:22,559

read it or gotten into it to the depth

591

00:22:26,450 --> 00:22:24,780

that you have I assume you think the

592

00:22:28,850 --> 00:22:26,460

concerning aspects are kind of the

593

00:22:29,930 --> 00:22:28,860

russian-centric perspective but you tell

594

00:22:31,970 --> 00:22:29,940

me

595

00:22:34,310 --> 00:22:31,980

B well that's one

596

00:22:36,490 --> 00:22:34,320

everybody tends to be writing history

597

00:22:39,409 --> 00:22:36,500

from their own perspective and their own

598

00:22:41,810 --> 00:22:39,419

Centric idea of course

599

00:22:43,909 --> 00:22:41,820

my concerns were when he was talking

600

00:22:46,789 --> 00:22:43,919

about the more ancient past for example

601
00:22:49,070 --> 00:22:46,799
ancient Egypt given that that's been a

602
00:22:50,690 --> 00:22:49,080
10 or 15 was a 10 or 15 year study of

603
00:22:52,669 --> 00:22:50,700
mine and he was sort of trying to

604
00:22:55,610 --> 00:22:52,679
indicate that Napoleon soldiers built

605
00:22:57,710 --> 00:22:55,620
the pyramids right and uh

606
00:22:59,990 --> 00:22:57,720
that's obviously spoken by somebody

607
00:23:02,450 --> 00:23:00,000
who's never been there someone who's

608
00:23:03,710 --> 00:23:02,460
never actually been not just to see the

609
00:23:06,350 --> 00:23:03,720
construction work because the

610
00:23:08,029 --> 00:23:06,360
construction of and it doesn't matter

611
00:23:09,470 --> 00:23:08,039
the three pyramids on the Giza Plateau

612
00:23:11,169 --> 00:23:09,480
you could look at the ones at doshu or

613
00:23:15,409 --> 00:23:11,179

you look at some of the other giants

614

00:23:17,810 --> 00:23:15,419

that are obviously old unique different

615

00:23:19,370 --> 00:23:17,820

from everything else so never mind the

616

00:23:21,830 --> 00:23:19,380

construction techniques it's once you

617

00:23:24,409 --> 00:23:21,840

start getting into the what happens with

618

00:23:26,330 --> 00:23:24,419

the energy there is no pyramid anywhere

619

00:23:28,549 --> 00:23:26,340

in Egypt where I have not had an actual

620

00:23:30,649 --> 00:23:28,559

experience like the kind of thing where

621

00:23:33,649 --> 00:23:30,659

you could write eight or ten pages on

622

00:23:35,510 --> 00:23:33,659

the experience so something is beyond

623

00:23:38,330 --> 00:23:35,520

just a simple

624

00:23:40,010 --> 00:23:38,340

building process of it there literally

625

00:23:43,010 --> 00:23:40,020

is a

626

00:23:45,049 --> 00:23:43,020

it's like a portal it's a portal almost

627

00:23:46,789 --> 00:23:45,059

outside of our bubble if you think of

628

00:23:47,750 --> 00:23:46,799

this as like the bubble of The Truman

629

00:23:50,090 --> 00:23:47,760

Show

630

00:23:52,669 --> 00:23:50,100

or the way Pleasantville is set up as

631

00:23:54,529 --> 00:23:52,679

this sort of recurring Loop or any of

632

00:23:56,630 --> 00:23:54,539

these shows that kind of lost where

633

00:23:59,210 --> 00:23:56,640

they're always on the island pyramids to

634

00:24:01,789 --> 00:23:59,220

me are like exit points in and out of

635

00:24:02,690 --> 00:24:01,799

this particular bubble of reality that

636

00:24:05,690 --> 00:24:02,700

we're in

637

00:24:08,210 --> 00:24:05,700

and so because of that to think that

638

00:24:10,310 --> 00:24:08,220

a few soldiers could show up from France

639

00:24:12,649 --> 00:24:10,320

and build I think that's

640

00:24:14,570 --> 00:24:12,659

anyone who's producing information like

641

00:24:16,850 --> 00:24:14,580

this the same way egyptologists are

642

00:24:18,409 --> 00:24:16,860

trying to produce information that these

643

00:24:20,930 --> 00:24:18,419

stones that you see carved in the Giza

644

00:24:23,950 --> 00:24:20,940

Plateau these granite and basalt things

645

00:24:26,870 --> 00:24:23,960

with giant drill hole cores in them or

646

00:24:28,970 --> 00:24:26,880

perfectly curved edges are made by

647

00:24:30,649 --> 00:24:28,980

copper tools it's impossible it's

648

00:24:31,909 --> 00:24:30,659

actually impossible these are you're at

649

00:24:34,789 --> 00:24:31,919

the point of having laser type

650

00:24:37,090 --> 00:24:34,799

technology I think it's all designed in

651

00:24:40,549 --> 00:24:37,100

one way or another to

652

00:24:43,310 --> 00:24:40,559

deflect the human understanding that how

653

00:24:46,549 --> 00:24:43,320

much power we actually have what kind of

654

00:24:49,130 --> 00:24:46,559

great inner ability that not only the

655

00:24:51,350 --> 00:24:49,140

mind but the heart the entire source of

656

00:24:53,390 --> 00:24:51,360

the human being potentially has that

657

00:24:55,850 --> 00:24:53,400

we've been so cut off from for so long

658

00:24:59,090 --> 00:24:55,860

and they don't want anyone looking into

659

00:25:01,130 --> 00:24:59,100

the past when humans had access to these

660

00:25:03,470 --> 00:25:01,140

inner skills because we would start

661

00:25:05,409 --> 00:25:03,480

demanding to get them again and the

662

00:25:08,330 --> 00:25:05,419

group that's keeping us you might say

663

00:25:10,610 --> 00:25:08,340

docile and farm animals is making sure

664

00:25:12,350 --> 00:25:10,620

that we don't even think about the

665

00:25:16,250 --> 00:25:12,360

ancient world that way we want to see

666

00:25:18,409 --> 00:25:16,260

them as Savages as idiots as as slave

667

00:25:21,850 --> 00:25:18,419

holders as whatever they want to get us

668

00:25:24,370 --> 00:25:21,860

to think they are but the actual on-site

669

00:25:26,690 --> 00:25:24,380

exploration of these places indicates

670

00:25:28,370 --> 00:25:26,700

that they're literally living in a

671

00:25:30,230 --> 00:25:28,380

different Universe like I almost feel

672

00:25:33,590 --> 00:25:30,240

when I'm at Giza Plateau I'm actually

673

00:25:35,149 --> 00:25:33,600

touching a different universe it might

674

00:25:38,870 --> 00:25:35,159

still be in the same three-dimensional

675

00:25:41,029 --> 00:25:38,880

reality that I was in but I'm so at a

676

00:25:42,890 --> 00:25:41,039

different energetic frequency period

677

00:25:44,090 --> 00:25:42,900

that it's like it feels like I'm in a

678

00:25:46,549 --> 00:25:44,100

different universe same thing I get that

679

00:25:48,110 --> 00:25:46,559

Italian to walk into Mexico and it's one

680

00:25:49,610 --> 00:25:48,120

of the reasons I love going to these

681

00:25:53,090 --> 00:25:49,620

places because it felt like I was

682

00:25:54,950 --> 00:25:53,100

touching something far more I don't want

683

00:25:57,830 --> 00:25:54,960

to say real because it's that's an

684

00:26:01,430 --> 00:25:57,840

illusion itself but far more the

685

00:26:03,830 --> 00:26:01,440

possibilities of this existence are more

686

00:26:04,789 --> 00:26:03,840

in display still at those sites

687

00:26:07,610 --> 00:26:04,799

um

688

00:26:10,070 --> 00:26:07,620

wow well I do appreciate the passion and

689

00:26:12,350 --> 00:26:10,080

I agree with you that it is ignorant and

690

00:26:14,269 --> 00:26:12,360

dismissive of how impressive these

691

00:26:17,210 --> 00:26:14,279

structures are to suggest that they were

692

00:26:20,029 --> 00:26:17,220

just whipped up in a weekend and back

693

00:26:22,610 --> 00:26:20,039

casted through history it seems that the

694

00:26:25,430 --> 00:26:22,620

more reasonable perspective would be

695

00:26:28,370 --> 00:26:25,440

that there are sometimes wipes of

696

00:26:31,610 --> 00:26:28,380

humanity and then the old structures

697

00:26:33,289 --> 00:26:31,620

from the previous round still remain and

698

00:26:36,230 --> 00:26:33,299

we just don't have much information on

699

00:26:38,750 --> 00:26:36,240

them and things get repopulated and it's

700

00:26:41,090 --> 00:26:38,760

it's more kind of in that regard where

701
00:26:43,610 --> 00:26:41,100
everybody is just thrust into chaos but

702
00:26:46,250 --> 00:26:43,620
they can see The Echoes of the time

703
00:26:47,870 --> 00:26:46,260
before their most recent reset would

704
00:26:50,930 --> 00:26:47,880
that be kind of your general perspective

705
00:26:53,029 --> 00:26:50,940
of how things work in this reality

706
00:26:54,830 --> 00:26:53,039
yeah most definitely and when it comes

707
00:26:56,570 --> 00:26:54,840
to the pyramids I got a really good

708
00:26:58,789 --> 00:26:56,580
piece of information from a Russian

709
00:27:01,730 --> 00:26:58,799
researcher who died six or seven years

710
00:27:02,870 --> 00:27:01,740
ago Alexi I'd have to remember his name

711
00:27:05,630 --> 00:27:02,880
he's with the place called the

712
00:27:09,710 --> 00:27:05,640
laboratory of it'll come to me as we

713
00:27:11,690 --> 00:27:09,720

talk okay but he was presenting that a

714

00:27:14,690 --> 00:27:11,700

lot of what we see of what we think of

715

00:27:16,250 --> 00:27:14,700

as sort of crude tunnel systems and

716

00:27:18,049 --> 00:27:16,260

whatever to some of these pyramid

717

00:27:20,269 --> 00:27:18,059

structures that kind of don't fit so

718

00:27:23,169 --> 00:27:20,279

well with the Perfect Design sometimes

719

00:27:26,810 --> 00:27:23,179

that's the ancient Egyptians doing

720

00:27:29,269 --> 00:27:26,820

archaeological work themselves that what

721

00:27:31,310 --> 00:27:29,279

we think of as faronic Egypt Old Kingdom

722

00:27:34,250 --> 00:27:31,320

Egypt didn't build any of these things

723

00:27:36,350 --> 00:27:34,260

in fact they are so old that by the time

724

00:27:37,549 --> 00:27:36,360

pharonic Egypt showed up even with all

725

00:27:40,070 --> 00:27:37,559

of their knowledge and all of their

726

00:27:41,630 --> 00:27:40,080

power they still had no idea what they

727

00:27:44,090 --> 00:27:41,640

were dealing with and they were

728

00:27:46,909 --> 00:27:44,100

literally doing their own archaeological

729

00:27:48,769 --> 00:27:46,919

digs trying to figure out what these

730

00:27:51,049 --> 00:27:48,779

things are and how you use them and once

731

00:27:53,269 --> 00:27:51,059

that information got into my head it was

732

00:27:56,269 --> 00:27:53,279

like oh okay it makes sense now what I'm

733

00:27:59,750 --> 00:27:56,279

seeing I could now start to categorize

734

00:28:01,610 --> 00:27:59,760

okay what's old old pre-egypt What's

735

00:28:03,169 --> 00:28:01,620

Done by the pharaonic Egyptians What's

736

00:28:05,630 --> 00:28:03,179

Done by some later Egyptians you could

737

00:28:07,760 --> 00:28:05,640

actually start seeing the periods of

738

00:28:08,990 --> 00:28:07,770

time of when this was put together

739

00:28:10,970 --> 00:28:09,000

[Music]

740

00:28:13,490 --> 00:28:10,980

well in terms of looking at the the

741

00:28:15,169 --> 00:28:13,500

timeline broadly I definitely think

742

00:28:16,730 --> 00:28:15,179

that's super interesting to think of

743

00:28:18,649 --> 00:28:16,740

them as doing their own excavation

744

00:28:21,169 --> 00:28:18,659

because we think about these as kind of

745

00:28:22,850 --> 00:28:21,179

like all this happened at once we just

746

00:28:25,370 --> 00:28:22,860

don't know about what's underground and

747

00:28:26,990 --> 00:28:25,380

it's it's just a kind of a Twist on what

748

00:28:29,870 --> 00:28:27,000

you'd usually think but

749

00:28:33,169 --> 00:28:29,880

when looking at the Timeline broadly how

750

00:28:37,490 --> 00:28:33,179

do you think they create such chaos and

751
00:28:41,570 --> 00:28:37,500
Devastation as to completely get people

752
00:28:43,850 --> 00:28:41,580
confused or erase their memory of the

753
00:28:45,769 --> 00:28:43,860
previous time before reset What

754
00:28:48,470 --> 00:28:45,779
mechanisms do you think are used for

755
00:28:51,590 --> 00:28:48,480
resets and I mean is this done at a

756
00:28:53,630 --> 00:28:51,600
level higher than our Elite or is this

757
00:28:55,909 --> 00:28:53,640
something that's done kind of on the on

758
00:28:58,730 --> 00:28:55,919
the Capstone cabal level

759
00:29:00,710 --> 00:28:58,740
I think it's beyond that I think if you

760
00:29:01,690 --> 00:29:00,720
start to see this as a simulation as a

761
00:29:05,090 --> 00:29:01,700
type of

762
00:29:06,289 --> 00:29:05,100
computerized AI manufactured reality and

763
00:29:08,330 --> 00:29:06,299

that's not really true I don't want

764

00:29:09,950 --> 00:29:08,340

anyone to think that is what reality is

765

00:29:12,409 --> 00:29:09,960

but it's a decent metaphor for the

766

00:29:15,289 --> 00:29:12,419

standpoint of trying to you know have a

767

00:29:17,390 --> 00:29:15,299

discussion about it so these things

768

00:29:19,430 --> 00:29:17,400

would be happening like literally from

769

00:29:21,169 --> 00:29:19,440

the Mainframe of the computer itself the

770

00:29:23,450 --> 00:29:21,179

changes would be coming from there and

771

00:29:25,250 --> 00:29:23,460

if things need to be done by you might

772

00:29:26,450 --> 00:29:25,260

say the level below the level below the

773

00:29:28,310 --> 00:29:26,460

level below they just get the

774

00:29:30,409 --> 00:29:28,320

information and know what to do

775

00:29:33,710 --> 00:29:30,419

of course the easiest way to do this

776

00:29:37,310 --> 00:29:33,720

which I think you see through the 1800s

777

00:29:38,690 --> 00:29:37,320

to the world fairs is this idea of wipe

778

00:29:40,850 --> 00:29:38,700

out a large segment of the adult

779

00:29:42,830 --> 00:29:40,860

population specifically

780

00:29:45,350 --> 00:29:42,840

and leave yourself with a mostly child

781

00:29:48,769 --> 00:29:45,360

population if you have mostly children

782

00:29:51,230 --> 00:29:48,779

left after a giant series of

783

00:29:52,970 --> 00:29:51,240

distractions that child population is

784

00:29:55,070 --> 00:29:52,980

going to be believing whatever you're

785

00:29:56,570 --> 00:29:55,080

telling them right they're ripe for

786

00:29:58,250 --> 00:29:56,580

information they don't really have any

787

00:30:00,350 --> 00:29:58,260

knowledge themselves there's no one else

788

00:30:03,049 --> 00:30:00,360

there that can give them a different

789

00:30:04,610 --> 00:30:03,059

story or a different idea

790

00:30:06,409 --> 00:30:04,620

that's the first thing you would do

791

00:30:08,630 --> 00:30:06,419

would be to have start with a child

792

00:30:11,990 --> 00:30:08,640

population and within a generation

793

00:30:14,210 --> 00:30:12,000

within 40 50 years most of the old

794

00:30:16,130 --> 00:30:14,220

knowledge would be wiped out

795

00:30:18,409 --> 00:30:16,140

if you were looking at older cultures

796

00:30:21,289 --> 00:30:18,419

then you would find ways to implant

797

00:30:24,350 --> 00:30:21,299

different mythology different stories

798

00:30:27,110 --> 00:30:24,360

into their standard myths that begin to

799

00:30:29,330 --> 00:30:27,120

confuse those who hear them that they're

800

00:30:30,830 --> 00:30:29,340

hearing one myth that says one thing one

801
00:30:32,450 --> 00:30:30,840
myth that says something else and

802
00:30:33,710 --> 00:30:32,460
everything starts to get confused and

803
00:30:35,090 --> 00:30:33,720
they're not really sure what to believe

804
00:30:37,310 --> 00:30:35,100
anymore

805
00:30:38,870 --> 00:30:37,320
I know that one of the medicine men that

806
00:30:40,250 --> 00:30:38,880
I had spent some time with he was very

807
00:30:42,049 --> 00:30:40,260
clear that

808
00:30:43,490 --> 00:30:42,059
when I would go in his sweat lodge he

809
00:30:45,289 --> 00:30:43,500
would tell me you know whatever we

810
00:30:46,610 --> 00:30:45,299
experience here and whatever we do and

811
00:30:48,710 --> 00:30:46,620
whatever I can do this is nothing

812
00:30:51,769 --> 00:30:48,720
compared to like 500 years ago we've

813
00:30:53,269 --> 00:30:51,779

lost almost all of the main ceremonies

814

00:30:54,889 --> 00:30:53,279

all of the main knowledge that the

815

00:30:58,909 --> 00:30:54,899

medicine people used to have the little

816

00:31:01,850 --> 00:30:58,919

bit he's carrying which seems fantastic

817

00:31:04,669 --> 00:31:01,860

to be there he's acknowledging it's like

818

00:31:07,070 --> 00:31:04,679

10 of what the old ones used to know and

819

00:31:08,330 --> 00:31:07,080

again we're just as you begin to process

820

00:31:11,090 --> 00:31:08,340

this just

821

00:31:13,850 --> 00:31:11,100

how much on so many levels of knowledge

822

00:31:16,370 --> 00:31:13,860

and wisdom we've lost in the reality on

823

00:31:18,289 --> 00:31:16,380

the positive side it seems like these

824

00:31:20,029 --> 00:31:18,299

last two or three years

825

00:31:21,590 --> 00:31:20,039

and I don't think just because of the

826

00:31:23,149 --> 00:31:21,600

last two or three years but because of

827

00:31:26,389 --> 00:31:23,159

something that's happening energetically

828

00:31:28,130 --> 00:31:26,399

to our realm there are so many pieces of

829

00:31:30,350 --> 00:31:28,140

this old knowledge and old wisdom

830

00:31:32,210 --> 00:31:30,360

pushing their way back up for those who

831

00:31:34,970 --> 00:31:32,220

want to know it and explore it so as

832

00:31:36,769 --> 00:31:34,980

much as this is a giant set of chaos

833

00:31:39,049 --> 00:31:36,779

insanity

834

00:31:41,450 --> 00:31:39,059

it's also a great doorway it's like

835

00:31:43,730 --> 00:31:41,460

doorways are open right now to anybody

836

00:31:45,769 --> 00:31:43,740

who wants to really get to the truth of

837

00:31:48,590 --> 00:31:45,779

themselves this reality all sorts of

838

00:31:50,090 --> 00:31:48,600

things it's here right now and a lot of

839

00:31:53,149 --> 00:31:50,100

these things that we're sort of having

840

00:31:55,850 --> 00:31:53,159

speculation about are I think becoming

841

00:31:58,490 --> 00:31:55,860

more and more available to knowledge for

842

00:32:01,370 --> 00:31:58,500

whoever wants to know them very well

843

00:32:04,970 --> 00:32:01,380

said and I'm glad you brought up what

844

00:32:07,010 --> 00:32:04,980

you heard from some of these indigenous

845

00:32:10,310 --> 00:32:07,020

spiritual teachers that you've spent

846

00:32:12,350 --> 00:32:10,320

time with because on top of the World's

847

00:32:14,510 --> 00:32:12,360

Fair stuff there's also a video you have

848

00:32:17,930 --> 00:32:14,520

on your YouTube channel about this old

849

00:32:19,610 --> 00:32:17,940

Panorama of San Francisco from 1878.

850

00:32:21,409 --> 00:32:19,620

it's actually your most popular YouTube

851
00:32:23,510 --> 00:32:21,419
video out of everything that you've done

852
00:32:26,029 --> 00:32:23,520
you've made a lot of good points there

853
00:32:27,950 --> 00:32:26,039
the city looks complete but there are no

854
00:32:31,549 --> 00:32:27,960
people in the streets no hustle and

855
00:32:33,289 --> 00:32:31,559
bustle in a full 360 degree image from

856
00:32:36,049 --> 00:32:33,299
the center of the city there's

857
00:32:38,630 --> 00:32:36,059
Cathedrals and domed buildings all

858
00:32:40,789 --> 00:32:38,640
supposedly built by Cowboys and miners

859
00:32:43,010 --> 00:32:40,799
from the Gold Rush which you suggest

860
00:32:46,310 --> 00:32:43,020
might be one of those cover stories for

861
00:32:49,190 --> 00:32:46,320
a repopulation effort when they found

862
00:32:51,529 --> 00:32:49,200
this city kind of as it was and I bring

863
00:32:53,570 --> 00:32:51,539

that up because you have spent time with

864

00:32:55,549 --> 00:32:53,580

Native American medicine men have you

865

00:32:58,610 --> 00:32:55,559

ever asked them about their version of

866

00:33:01,070 --> 00:32:58,620

history and who could have built a city

867

00:33:03,230 --> 00:33:01,080

like San Francisco if it wasn't as we

868

00:33:05,510 --> 00:33:03,240

were told it was built yeah

869

00:33:08,510 --> 00:33:05,520

unfortunately and I feel like I wished I

870

00:33:10,669 --> 00:33:08,520

had known these insights or had studied

871

00:33:12,649 --> 00:33:10,679

these insights 25 years ago when I was

872

00:33:14,570 --> 00:33:12,659

with them I think only one of the

873

00:33:16,370 --> 00:33:14,580

medicine people I had worked with is

874

00:33:17,090 --> 00:33:16,380

still alive

875

00:33:19,009 --> 00:33:17,100

um

876

00:33:21,590 --> 00:33:19,019

and no so I haven't been back to North

877

00:33:23,930 --> 00:33:21,600

America for a long long time and haven't

878

00:33:27,649 --> 00:33:23,940

seen these gentlemen directly for

879

00:33:29,570 --> 00:33:27,659

10 or 15 years so unfortunately I

880

00:33:32,330 --> 00:33:29,580

haven't been able to ask them my hope is

881

00:33:34,970 --> 00:33:32,340

that some others out there who are still

882

00:33:38,750 --> 00:33:34,980

because someone like your channel here

883

00:33:40,850 --> 00:33:38,760

has a lot of really interesting good

884

00:33:43,490 --> 00:33:40,860

researching people that are listening to

885

00:33:46,370 --> 00:33:43,500

these shows and I know people are

886

00:33:48,289 --> 00:33:46,380

connected still in North America to some

887

00:33:50,990 --> 00:33:48,299

Native Indians that they know it would

888

00:33:52,549 --> 00:33:51,000

be great if you had access go and ask go

889

00:33:53,930 --> 00:33:52,559

and look up some of the things that Greg

890

00:33:55,310 --> 00:33:53,940

has just talked about if this is new to

891

00:33:57,649 --> 00:33:55,320

you whether it be San Francisco or the

892

00:33:59,630 --> 00:33:57,659

world fairs or the possibility of this

893

00:34:02,090 --> 00:33:59,640

giant civilization in North America

894

00:34:03,830 --> 00:34:02,100

existing long before it was supposed to

895

00:34:05,389 --> 00:34:03,840

and if you have access to any of the

896

00:34:07,610 --> 00:34:05,399

medicine men please go and ask them and

897

00:34:10,849 --> 00:34:07,620

if you get answers get in touch with me

898

00:34:12,230 --> 00:34:10,859

I I really like to know because I really

899

00:34:15,290 --> 00:34:12,240

don't have that same kind of access

900

00:34:17,810 --> 00:34:15,300

anymore I wished I did but I don't fair

901
00:34:19,909 --> 00:34:17,820
fair points and uh you're only one man

902
00:34:22,190 --> 00:34:19,919
you can only be expected to do so much

903
00:34:24,230 --> 00:34:22,200
but the call has been

904
00:34:27,169 --> 00:34:24,240
levied against the audience and we will

905
00:34:28,550 --> 00:34:27,179
see what people come up with but I think

906
00:34:29,750 --> 00:34:28,560
that's an important concern Greg I think

907
00:34:32,030 --> 00:34:29,760
that's a really that's also an important

908
00:34:33,770 --> 00:34:32,040
comment to make here is that I'm only

909
00:34:36,290 --> 00:34:33,780
one person just like all the researchers

910
00:34:38,810 --> 00:34:36,300
are only one person and

911
00:34:40,250 --> 00:34:38,820
it hurts me sometimes when I feel or see

912
00:34:41,329 --> 00:34:40,260
some of the researchers and it doesn't

913
00:34:43,849 --> 00:34:41,339

matter what field whether it's in

914

00:34:46,550 --> 00:34:43,859

metaphysics philosophy and they sort of

915

00:34:48,409 --> 00:34:46,560

try to own their research or block off

916

00:34:50,389 --> 00:34:48,419

anything else and the only way we're

917

00:34:52,730 --> 00:34:50,399

going to know things is each one of us

918

00:34:54,770 --> 00:34:52,740

find a small piece of the jigsaw puzzle

919

00:34:57,290 --> 00:34:54,780

bring them to everybody and put them all

920

00:34:59,810 --> 00:34:57,300

together into one giant in the puzzle

921

00:35:01,430 --> 00:34:59,820

together if we're holding back our peace

922

00:35:03,050 --> 00:35:01,440

we're never going to see the whole we

923

00:35:05,450 --> 00:35:03,060

have to find the piece that's ours

924

00:35:07,490 --> 00:35:05,460

defined share it with the group that we

925

00:35:08,990 --> 00:35:07,500

can share it with and see what happens

926
00:35:11,150 --> 00:35:09,000
when we put them all together I think

927
00:35:13,190 --> 00:35:11,160
it's a really important thing that if we

928
00:35:16,450 --> 00:35:13,200
don't share this stuff we're never going

929
00:35:19,010 --> 00:35:16,460
to see the next level yes cheers to that

930
00:35:22,069 --> 00:35:19,020
and just to go back to the idea of a

931
00:35:23,930 --> 00:35:22,079
repopulation effort I've heard of Orphan

932
00:35:27,470 --> 00:35:23,940
trains and there are some pretty wild

933
00:35:30,550 --> 00:35:27,480
stories of kids being transported long

934
00:35:33,349 --> 00:35:30,560
distances across the U.S from apparently

935
00:35:37,190 --> 00:35:33,359
all over the world I've heard from South

936
00:35:39,410 --> 00:35:37,200
America I've heard from Europe and the

937
00:35:41,870 --> 00:35:39,420
reasons for this are usually pretty

938
00:35:44,690 --> 00:35:41,880

flimsy but what would you say in terms

939

00:35:46,370 --> 00:35:44,700

of evidence that we can look at or

940

00:35:49,970 --> 00:35:46,380

stories we have

941

00:35:51,950 --> 00:35:49,980

that involve the transportation or the

942

00:35:53,750 --> 00:35:51,960

movement of large numbers of children

943

00:35:55,490 --> 00:35:53,760

for the people who are like what this

944

00:35:56,930 --> 00:35:55,500

just sounds too far out what would you

945

00:35:58,609 --> 00:35:56,940

cite as well maybe you should take

946

00:36:00,109 --> 00:35:58,619

another look at this because it might be

947

00:36:02,510 --> 00:36:00,119

actually possible

948

00:36:05,150 --> 00:36:02,520

yeah you're looking at the two elements

949

00:36:06,470 --> 00:36:05,160

first is we've got children and we're

950

00:36:07,910 --> 00:36:06,480

talking about sort of the time of the

951
00:36:09,410 --> 00:36:07,920
late 1800s here so we're talking about

952
00:36:12,230 --> 00:36:09,420
children and we're talking about insane

953
00:36:15,050 --> 00:36:12,240
asylums and they kind of go hand in hand

954
00:36:15,829 --> 00:36:15,060
with each other so we have these stories

955
00:36:25,250 --> 00:36:15,839
of

956
00:36:27,349 --> 00:36:25,260
by children it's usually presented as if

957
00:36:30,650 --> 00:36:27,359
oh it's cheap labor we're working the

958
00:36:32,690 --> 00:36:30,660
children to the Bone but realistically

959
00:36:34,790 --> 00:36:32,700
an eight-year-old kid is not going to be

960
00:36:37,910 --> 00:36:34,800
anywhere close to getting you the kind

961
00:36:39,650 --> 00:36:37,920
of quality Manpower that a human adult

962
00:36:41,270 --> 00:36:39,660
is going to give you so I'm always

963
00:36:43,430 --> 00:36:41,280

starting to wonder if we're seeing so

964

00:36:46,370 --> 00:36:43,440

many children working it's because there

965

00:36:49,010 --> 00:36:46,380

actually are no adults to work that if

966

00:36:51,349 --> 00:36:49,020

they had adults they would be using them

967

00:36:53,329 --> 00:36:51,359

and so

968

00:36:55,550 --> 00:36:53,339

I'm kind of leaning a bit to the

969

00:36:58,910 --> 00:36:55,560

possibility that we're seeing these time

970

00:37:01,069 --> 00:36:58,920

periods where literally adults had been

971

00:37:02,930 --> 00:37:01,079

eliminated and one of the areas of

972

00:37:05,150 --> 00:37:02,940

elimination of them is these insane

973

00:37:06,290 --> 00:37:05,160

asylums again go take a look at these

974

00:37:09,170 --> 00:37:06,300

things if you haven't seen them from

975

00:37:12,109 --> 00:37:09,180

like the 1870s 1880s 1890s there was an

976

00:37:13,609 --> 00:37:12,119

explosion worldwide of insane asylums

977

00:37:16,250 --> 00:37:13,619

everywhere and they're not just small

978

00:37:18,349 --> 00:37:16,260

buildings these rival Medici palaces in

979

00:37:20,089 --> 00:37:18,359

Florence they're massive and they're

980

00:37:22,730 --> 00:37:20,099

beautiful with towers and domes and

981

00:37:25,010 --> 00:37:22,740

Spirals and the question becomes why do

982

00:37:28,010 --> 00:37:25,020

you need so many insane asylums who all

983

00:37:30,290 --> 00:37:28,020

of a sudden is going insane in 1885.

984

00:37:32,390 --> 00:37:30,300

it starts to make sense if you realize

985

00:37:33,890 --> 00:37:32,400

maybe these are adults who still

986

00:37:36,050 --> 00:37:33,900

remember the old world who still

987

00:37:37,970 --> 00:37:36,060

remember the old way of doing things and

988

00:37:40,790 --> 00:37:37,980

in a sense they're being sent to these

989

00:37:42,730 --> 00:37:40,800

places as re-indoctrination camps and

990

00:37:45,770 --> 00:37:42,740

they stay in them until they either

991

00:37:47,569 --> 00:37:45,780

re-indoctrinate or leave I had another

992

00:37:49,790 --> 00:37:47,579

interesting Theory come up to me that

993

00:37:51,950 --> 00:37:49,800

perhaps these insane asylums were so

994

00:37:53,750 --> 00:37:51,960

opulent that obviously they taken over

995

00:37:55,250 --> 00:37:53,760

old palaces and turned them into insane

996

00:37:57,410 --> 00:37:55,260

asams and maybe they needed the energy

997

00:37:59,750 --> 00:37:57,420

because they they were trying to use the

998

00:38:01,730 --> 00:37:59,760

ones who survived the last reset

999

00:38:04,430 --> 00:38:01,740

whatever it was whether it's by you know

1000

00:38:05,990 --> 00:38:04,440

some sort of natural whether these are

1001
00:38:08,810 --> 00:38:06,000
natural occurrences that happen

1002
00:38:10,670 --> 00:38:08,820
cyclically or whether they're planned

1003
00:38:12,589 --> 00:38:10,680
and put in place and maybe they were

1004
00:38:14,329 --> 00:38:12,599
using them to try to raise the energy

1005
00:38:16,609 --> 00:38:14,339
frequency of those who had been through

1006
00:38:18,710 --> 00:38:16,619
the last World to get their memories out

1007
00:38:21,109 --> 00:38:18,720
of them I don't know but the combination

1008
00:38:26,390 --> 00:38:21,119
of the two just makes it very very very

1009
00:38:27,890 --> 00:38:26,400
strange and it starts to open the doors

1010
00:38:32,990 --> 00:38:27,900
to

1011
00:38:34,550 --> 00:38:33,000
mean we've got some film footage granted

1012
00:38:36,290 --> 00:38:34,560
it's doctored but we've got film footage

1013
00:38:38,089 --> 00:38:36,300

of the Kennedy assassination and still

1014

00:38:40,010 --> 00:38:38,099

we have no idea what happened there how

1015

00:38:42,109 --> 00:38:40,020

are we supposed to know what happened to

1016

00:38:44,329 --> 00:38:42,119

300 500 years ago and then we don't even

1017

00:38:46,130 --> 00:38:44,339

have photography we're so in the dark

1018

00:38:48,770 --> 00:38:46,140

with trying to understand any of this

1019

00:38:52,130 --> 00:38:48,780

stuff and it's so much is taken on

1020

00:38:54,290 --> 00:38:52,140

belief belief rules the historical realm

1021

00:38:56,210 --> 00:38:54,300

and you have to put all the belief aside

1022

00:38:57,829 --> 00:38:56,220

and start Absolutely Fresh and say you

1023

00:38:59,569 --> 00:38:57,839

know I don't know anything and it would

1024

00:39:01,430 --> 00:38:59,579

be a great way to teach history to

1025

00:39:03,170 --> 00:39:01,440

students students would actually like

1026
00:39:04,970 --> 00:39:03,180
history if the teacher walked in day one

1027
00:39:06,890 --> 00:39:04,980
and said yeah we got a book here this is

1028
00:39:08,390 --> 00:39:06,900
what the people in the universities tell

1029
00:39:10,069 --> 00:39:08,400
us but actually we don't know anything

1030
00:39:12,170 --> 00:39:10,079
at all and we're going to start our

1031
00:39:14,390 --> 00:39:12,180
examination with this book and see if we

1032
00:39:15,829 --> 00:39:14,400
can find anything that's true man that

1033
00:39:18,770 --> 00:39:15,839
would be a great way to start a history

1034
00:39:20,270 --> 00:39:18,780
class but that's not what it is yeah

1035
00:39:23,270 --> 00:39:20,280
yeah it really would it would be

1036
00:39:25,670 --> 00:39:23,280
exciting to at least make kids feel like

1037
00:39:27,470 --> 00:39:25,680
they could discover something new or

1038
00:39:29,329 --> 00:39:27,480

make some kind of impact even if it's

1039

00:39:31,030 --> 00:39:29,339

just to kind of motivate them to get

1040

00:39:35,569 --> 00:39:31,040

into the study as opposed to

1041

00:39:37,490 --> 00:39:35,579

regurgitating facts and just basically

1042

00:39:39,890 --> 00:39:37,500

telling them that there's nothing left

1043

00:39:42,650 --> 00:39:39,900

to discover it's all known now you need

1044

00:39:45,410 --> 00:39:42,660

to memorize it and spew it back out on

1045

00:39:48,410 --> 00:39:45,420

this test but you mentioned the idea

1046

00:39:51,410 --> 00:39:48,420

that another reset could occur and the

1047

00:39:55,150 --> 00:39:51,420

idea of a global reset sounds so epic

1048

00:39:58,150 --> 00:39:55,160

and it may be hard to

1049

00:40:00,770 --> 00:39:58,160

apply the modern

1050

00:40:03,170 --> 00:40:00,780

configuration of our world with like

1051
00:40:05,089 --> 00:40:03,180
times in the past but of course if it's

1052
00:40:07,190 --> 00:40:05,099
a simulation all bets are off and

1053
00:40:08,990 --> 00:40:07,200
anything's possible but if you

1054
00:40:11,870 --> 00:40:09,000
hypothetically wanted to do something

1055
00:40:15,470 --> 00:40:11,880
like that in the modern world what might

1056
00:40:18,589 --> 00:40:15,480
you do you might release a virus where

1057
00:40:20,870 --> 00:40:18,599
on the TV the only real common thing

1058
00:40:23,089 --> 00:40:20,880
that it's told that they say about it

1059
00:40:25,069 --> 00:40:23,099
that has been true from the beginning is

1060
00:40:27,589 --> 00:40:25,079
this really isn't a problem for kids

1061
00:40:29,210 --> 00:40:27,599
everybody you need to know not really a

1062
00:40:30,890 --> 00:40:29,220
problem for kids a lot of adults are

1063
00:40:33,410 --> 00:40:30,900

going to die though and then you roll

1064

00:40:35,390 --> 00:40:33,420

out a global vaccination Campaign which

1065

00:40:37,130 --> 00:40:35,400

potentially could have something in it

1066

00:40:39,310 --> 00:40:37,140

that kills everybody who takes it within

1067

00:40:42,230 --> 00:40:39,320

three to five years

1068

00:40:46,010 --> 00:40:42,240

left with a world of mostly children you

1069

00:40:48,650 --> 00:40:46,020

need one adult to run the mine for the

1070

00:40:52,010 --> 00:40:48,660

500 kids you have with the pickaxes down

1071

00:40:53,810 --> 00:40:52,020

there doing the work but it doesn't seem

1072

00:40:54,890 --> 00:40:53,820

super far-fetched that it couldn't be

1073

00:40:57,290 --> 00:40:54,900

possible

1074

00:41:00,230 --> 00:40:57,300

when we already have the term the great

1075

00:41:02,930 --> 00:41:00,240

reset being bandied about and we have

1076

00:41:05,870 --> 00:41:02,940

this Global situation that caused

1077

00:41:08,150 --> 00:41:05,880

everyone to react or a big amount of

1078

00:41:10,250 --> 00:41:08,160

people to react and the story the whole

1079

00:41:13,130 --> 00:41:10,260

time was not really a problem for kids

1080

00:41:15,349 --> 00:41:13,140

so I just find that interesting but

1081

00:41:19,250 --> 00:41:15,359

we're talking about this reset being at

1082

00:41:20,990 --> 00:41:19,260

a level higher than our Capstone cabal

1083

00:41:22,849 --> 00:41:21,000

the Puppet Masters of the power pyramid

1084

00:41:25,790 --> 00:41:22,859

the elite whatever you say but I've

1085

00:41:28,250 --> 00:41:25,800

heard you talk about NPCs and

1086

00:41:31,190 --> 00:41:28,260

in a simulation there could be a point

1087

00:41:33,530 --> 00:41:31,200

to be made that these Elite they might

1088

00:41:36,170 --> 00:41:33,540

just be aspects of the simulation who

1089

00:41:38,450 --> 00:41:36,180

really gets close to a Henry Kissinger

1090

00:41:39,950 --> 00:41:38,460

or a Klaus Schwab I've talked to so many

1091

00:41:42,290 --> 00:41:39,960

guests who say they've been in the

1092

00:41:45,109 --> 00:41:42,300

elevator with a person in this circle or

1093

00:41:47,030 --> 00:41:45,119

something and they feel soulless or they

1094

00:41:48,589 --> 00:41:47,040

feel different when you met the queen

1095

00:41:51,050 --> 00:41:48,599

you're not supposed to look into her

1096

00:41:54,349 --> 00:41:51,060

eyes but Adam Curry did and he said he

1097

00:41:56,210 --> 00:41:54,359

saw nothing so these are weird aspects

1098

00:41:58,609 --> 00:41:56,220

maybe these people aren't even human but

1099

00:42:00,950 --> 00:41:58,619

they're part of the game itself talk to

1100

00:42:03,650 --> 00:42:00,960

us a little bit about NPCs and how you

1101
00:42:07,310 --> 00:42:03,660
see the simulation being run and the

1102
00:42:08,870 --> 00:42:07,320
prospect of a no of a coming reset yeah

1103
00:42:10,310 --> 00:42:08,880
a ton of information so I'll try to go

1104
00:42:12,290 --> 00:42:10,320
through a little bit that I wrote down

1105
00:42:15,410 --> 00:42:12,300
while you were talking the first I guess

1106
00:42:17,390 --> 00:42:15,420
is to think of because I I didn't when I

1107
00:42:19,550 --> 00:42:17,400
wrote my book in 2019 I was talking

1108
00:42:21,290 --> 00:42:19,560
about resets and this was long before

1109
00:42:23,270 --> 00:42:21,300
the things that were starting to happen

1110
00:42:25,010 --> 00:42:23,280
now so it was actually a little creepy

1111
00:42:26,810 --> 00:42:25,020
when that word started to be thrown

1112
00:42:29,089 --> 00:42:26,820
about as this is what we're doing in our

1113
00:42:30,710 --> 00:42:29,099

world now they're like oh man I was

1114

00:42:32,810 --> 00:42:30,720

writing about this before this even

1115

00:42:35,510 --> 00:42:32,820

happened kind of oh boy and I kind of

1116

00:42:37,430 --> 00:42:35,520

realized we're in it now this is no joke

1117

00:42:40,490 --> 00:42:37,440

and I think that's what people need to

1118

00:42:44,150 --> 00:42:40,500

recognize when people are thinking the

1119

00:42:45,530 --> 00:42:44,160

reset is monetary or it's government or

1120

00:42:46,910 --> 00:42:45,540

it's something about the world it's

1121

00:42:49,609 --> 00:42:46,920

about energy

1122

00:42:52,550 --> 00:42:49,619

it's an energetic reset that you can

1123

00:42:54,290 --> 00:42:52,560

think of it that the power source of

1124

00:42:57,650 --> 00:42:54,300

this reality the power source of the

1125

00:42:59,870 --> 00:42:57,660

simulation is obviously now needing more

1126
00:43:01,790 --> 00:42:59,880
power I can't say the exact reason why

1127
00:43:04,670 --> 00:43:01,800
but my theory is now that when these

1128
00:43:08,450 --> 00:43:04,680
resets happen there needs to be a new

1129
00:43:11,030 --> 00:43:08,460
way of power to get into the system

1130
00:43:12,770 --> 00:43:11,040
so that makes sense to me that the reset

1131
00:43:14,930 --> 00:43:12,780
as we're starting to see at the end

1132
00:43:17,569 --> 00:43:14,940
results if we start following along

1133
00:43:20,270 --> 00:43:17,579
where this seems to want to go today is

1134
00:43:22,790 --> 00:43:20,280
to have humans connected with AI

1135
00:43:24,770 --> 00:43:22,800
connected in sort of a robotic way where

1136
00:43:27,290 --> 00:43:24,780
they're plugged directly into the AI

1137
00:43:29,510 --> 00:43:27,300
system and this would make sense that if

1138
00:43:32,569 --> 00:43:29,520

humans are an energy source if humans

1139

00:43:34,309 --> 00:43:32,579

are here being farmed for energy as a

1140

00:43:36,410 --> 00:43:34,319

number of people and writers have talked

1141

00:43:38,569 --> 00:43:36,420

about through history it would also make

1142

00:43:41,270 --> 00:43:38,579

sense you would find you would probably

1143

00:43:43,609 --> 00:43:41,280

get a better ability or a better cleaner

1144

00:43:45,470 --> 00:43:43,619

Harvest if the human was plugged into

1145

00:43:47,270 --> 00:43:45,480

the system itself there would be no loss

1146

00:43:48,710 --> 00:43:47,280

if the human is outside the system

1147

00:43:50,569 --> 00:43:48,720

there's going to be some sort of energy

1148

00:43:52,370 --> 00:43:50,579

loss as you have to take the energy from

1149

00:43:54,349 --> 00:43:52,380

the human through the space into the

1150

00:43:56,030 --> 00:43:54,359

machine whatever you know is taking it

1151
00:43:57,470 --> 00:43:56,040
so it would make sense that the thought

1152
00:43:59,450 --> 00:43:57,480
process would be well if we need more

1153
00:44:01,490 --> 00:43:59,460
energy all we have to do is plug the

1154
00:44:03,230 --> 00:44:01,500
human directly in or the being the

1155
00:44:04,910 --> 00:44:03,240
animal whatever we're plugged in now

1156
00:44:06,589 --> 00:44:04,920
directly and now there's no energy loss

1157
00:44:10,010 --> 00:44:06,599
so my first thought is if we're looking

1158
00:44:11,690 --> 00:44:10,020
at what's going on on an energy level we

1159
00:44:13,790 --> 00:44:11,700
may start to understand what's really

1160
00:44:16,250 --> 00:44:13,800
going on what the real purpose of this

1161
00:44:17,390 --> 00:44:16,260
is and of course what we need to do

1162
00:44:20,150 --> 00:44:17,400
about it

1163
00:44:21,890 --> 00:44:20,160

when you talk about the NPCs

1164

00:44:23,990 --> 00:44:21,900

this comes from a couple of personal

1165

00:44:26,450 --> 00:44:24,000

stories for me and

1166

00:44:28,609 --> 00:44:26,460

I started noticing this

1167

00:44:32,089 --> 00:44:28,619

wow like the first one I ran into is

1168

00:44:34,609 --> 00:44:32,099

like 1999 there's two stories there one

1169

00:44:36,290 --> 00:44:34,619

though was was a negative story it's a

1170

00:44:37,790 --> 00:44:36,300

positive story but in both cases I

1171

00:44:39,470 --> 00:44:37,800

didn't think I was dealing with a human

1172

00:44:40,910 --> 00:44:39,480

in any way shape or form one was a guy

1173

00:44:42,829 --> 00:44:40,920

in a bookstore I was there to meet a

1174

00:44:45,470 --> 00:44:42,839

friend of mine and this guy was just

1175

00:44:47,630 --> 00:44:45,480

staring at me and when I looked at him

1176

00:44:49,370 --> 00:44:47,640

his eyes were like dark

1177

00:44:51,410 --> 00:44:49,380

I wouldn't necessarily black but they

1178

00:44:54,290 --> 00:44:51,420

were just dark he was staring at me and

1179

00:44:56,510 --> 00:44:54,300

not blinking and I had the sense that he

1180

00:44:58,550 --> 00:44:56,520

was trying to like almost like suck the

1181

00:45:01,370 --> 00:44:58,560

soul out of me and I remember I just

1182

00:45:03,230 --> 00:45:01,380

stood there and I looked at him and I

1183

00:45:05,809 --> 00:45:03,240

was in a staring contest with him and I

1184

00:45:07,609 --> 00:45:05,819

was mentally projecting if you come a

1185

00:45:08,690 --> 00:45:07,619

step closer I'm going to put my hands

1186

00:45:10,910 --> 00:45:08,700

around your throat and I'm going to kill

1187

00:45:12,290 --> 00:45:10,920

you and we just stood there and I don't

1188

00:45:14,809 --> 00:45:12,300

know whether it's a minute or whether it

1189

00:45:16,910 --> 00:45:14,819

was 50 minutes I have no idea we just

1190

00:45:18,829 --> 00:45:16,920

stared at each other and then finally

1191

00:45:20,809 --> 00:45:18,839

after a certain amount of time this

1192

00:45:23,750 --> 00:45:20,819

thing just turned around and walked out

1193

00:45:26,030 --> 00:45:23,760

of the store my friend had seen all of

1194

00:45:27,650 --> 00:45:26,040

this occur he had seen this taking place

1195

00:45:30,230 --> 00:45:27,660

and when it was done I remember I was

1196

00:45:33,109 --> 00:45:30,240

rigid I was like a tree I was so tight

1197

00:45:34,790 --> 00:45:33,119

with you know intensity and he just put

1198

00:45:36,710 --> 00:45:34,800

his arm around me and said

1199

00:45:38,750 --> 00:45:36,720

you can never back down from them

1200

00:45:40,010 --> 00:45:38,760

otherwise they'll walk over you the rest

1201

00:45:42,230 --> 00:45:40,020

of your life

1202

00:45:43,849 --> 00:45:42,240

and so that was a powerful thing to

1203

00:45:46,670 --> 00:45:43,859

start with to get that recommendation

1204

00:45:48,470 --> 00:45:46,680

and then the second story was I was

1205

00:45:50,530 --> 00:45:48,480

taking some friends to a stone circle

1206

00:45:53,210 --> 00:45:50,540

that I like to take people to in Norway

1207

00:45:54,890 --> 00:45:53,220

and I was in one stone circle they were

1208

00:45:56,390 --> 00:45:54,900

in another Stone Circle

1209

00:45:58,130 --> 00:45:56,400

and all of a sudden this woman just

1210

00:46:00,890 --> 00:45:58,140

appeared out of nowhere like literally

1211

00:46:02,870 --> 00:46:00,900

out of nowhere and walked into the

1212

00:46:04,490 --> 00:46:02,880

circle and had this conversation with

1213

00:46:06,730 --> 00:46:04,500

them and right away I could see from

1214

00:46:11,329 --> 00:46:06,740

where I was I was a distance away that

1215

00:46:13,490 --> 00:46:11,339

she was a little transparent almost like

1216

00:46:14,750 --> 00:46:13,500

a tuner on a radio she would come in she

1217

00:46:16,130 --> 00:46:14,760

would go out she would come in she would

1218

00:46:18,650 --> 00:46:16,140

go out

1219

00:46:19,849 --> 00:46:18,660

when she walked away I walked over to my

1220

00:46:22,010 --> 00:46:19,859

friends and said

1221

00:46:23,809 --> 00:46:22,020

so did you I mean do you remember every

1222

00:46:25,910 --> 00:46:23,819

single thing she said to you why because

1223

00:46:27,290 --> 00:46:25,920

that wasn't a person you were talking to

1224

00:46:28,849 --> 00:46:27,300

what do you mean it's not a person it's

1225

00:46:30,650 --> 00:46:28,859

not a person you were talking to I asked

1226

00:46:32,390 --> 00:46:30,660

where did she come from well kind of

1227

00:46:33,890 --> 00:46:32,400

over there well what's over there well

1228

00:46:35,569 --> 00:46:33,900

it's the forest yeah and where did she

1229

00:46:37,130 --> 00:46:35,579

go well now she didn't go down the

1230

00:46:39,470 --> 00:46:37,140

pathway she kind of there she kind of

1231

00:46:40,970 --> 00:46:39,480

just I guess into the Forest right she

1232

00:46:42,349 --> 00:46:40,980

came out of the forest and she went into

1233

00:46:44,329 --> 00:46:42,359

the forest what was the first thing she

1234

00:46:46,730 --> 00:46:44,339

said to you oh she said that she's the

1235

00:46:48,650 --> 00:46:46,740

protector of this area protector of this

1236

00:46:50,569 --> 00:46:48,660

area to think some 68 year old woman is

1237

00:46:52,309 --> 00:46:50,579

coming around here with a lawnmower and

1238

00:46:54,829 --> 00:46:52,319

some Cutters and is looking after the

1239

00:46:56,750 --> 00:46:54,839

Stone Circle no so do you understand

1240

00:46:57,589 --> 00:46:56,760

that you were dealing with something not

1241

00:47:00,410 --> 00:46:57,599

human

1242

00:47:01,849 --> 00:47:00,420

and they finally began to and in this

1243

00:47:04,430 --> 00:47:01,859

case this was a very positive thing

1244

00:47:07,609 --> 00:47:04,440

probably so I think we've got so many

1245

00:47:10,910 --> 00:47:07,619

out there that have a human exterior to

1246

00:47:12,290 --> 00:47:10,920

us but one way or another are not so we

1247

00:47:13,849 --> 00:47:12,300

have to recognize that we've got uh

1248

00:47:15,589 --> 00:47:13,859

negative sides of this which you might

1249

00:47:17,750 --> 00:47:15,599

call soulless robots and we've also got

1250

00:47:20,270 --> 00:47:17,760

other things that seem to be

1251
00:47:22,609 --> 00:47:20,280
an extension of the natural world or an

1252
00:47:24,710 --> 00:47:22,619
extension of the total power of this

1253
00:47:26,270 --> 00:47:24,720
place that are also in some way offering

1254
00:47:29,329 --> 00:47:26,280
their help and offering their assistance

1255
00:47:31,490 --> 00:47:29,339
and we sort of need to know when we come

1256
00:47:32,510 --> 00:47:31,500
across them that we are and which one

1257
00:47:35,630 --> 00:47:32,520
we've got

1258
00:47:37,370 --> 00:47:35,640
huh well I certainly like those stories

1259
00:47:38,870 --> 00:47:37,380
and I know I threw a lot at you there

1260
00:47:41,030 --> 00:47:38,880
because I wanted to pack

1261
00:47:43,970 --> 00:47:41,040
a lot of those Concepts into the first

1262
00:47:46,670 --> 00:47:43,980
hour while we still could and we should

1263
00:47:49,970 --> 00:47:46,680

maybe fit this in as well because the

1264

00:47:51,530 --> 00:47:49,980

soul trap book is your latest one and

1265

00:47:53,329 --> 00:47:51,540

obviously you heard the Wayne Bush

1266

00:47:57,770 --> 00:47:53,339

interview he's quoted at the beginning

1267

00:47:59,690 --> 00:47:57,780

of your book people love that idea and

1268

00:48:02,089 --> 00:47:59,700

I've heard you say that we have two

1269

00:48:05,089 --> 00:48:02,099

options when we look at the 1800s either

1270

00:48:07,910 --> 00:48:05,099

we went through a reset somewhere and

1271

00:48:10,550 --> 00:48:07,920

things were restarted and repopulated or

1272

00:48:12,470 --> 00:48:10,560

option two is that we have a simulation

1273

00:48:15,170 --> 00:48:12,480

reality and we don't know when the

1274

00:48:18,410 --> 00:48:15,180

simulation started everything before the

1275

00:48:20,510 --> 00:48:18,420

start is just Westworld backstory for

1276

00:48:22,970 --> 00:48:20,520

the robots and I really like that but

1277

00:48:24,770 --> 00:48:22,980

talk to us about option two a bit and

1278

00:48:26,870 --> 00:48:24,780

how it might relate to the newest book

1279

00:48:30,470 --> 00:48:26,880

and at least provide some context for

1280

00:48:32,690 --> 00:48:30,480

what or why this reality even is

1281

00:48:34,730 --> 00:48:32,700

yeah that's a great comment to make you

1282

00:48:36,829 --> 00:48:34,740

know Wayne Bush I think just a great

1283

00:48:37,790 --> 00:48:36,839

researcher his site is fantastic he was

1284

00:48:39,890 --> 00:48:37,800

a great

1285

00:48:42,650 --> 00:48:39,900

inspiration actually to get my work

1286

00:48:45,230 --> 00:48:42,660

started on this book which is sort of

1287

00:48:47,930 --> 00:48:45,240

trying to ask questions a combination of

1288

00:48:50,150 --> 00:48:47,940

what is this place really why is it set

1289

00:48:52,730 --> 00:48:50,160

up who set it up who created it for what

1290

00:48:54,770 --> 00:48:52,740

purpose and we're going to die and we're

1291

00:48:57,890 --> 00:48:54,780

going to have to experience something is

1292

00:49:00,710 --> 00:48:57,900

there a way to get out of a an endless

1293

00:49:03,290 --> 00:49:00,720

reincarnation cycle and a part of that

1294

00:49:06,290 --> 00:49:03,300

story is digging into

1295

00:49:08,089 --> 00:49:06,300

okay if we're dealing with a simulation

1296

00:49:10,250 --> 00:49:08,099

which seems to be more and more correct

1297

00:49:12,770 --> 00:49:10,260

and again I hate to call it a simulation

1298

00:49:14,450 --> 00:49:12,780

because it's simplifying something much

1299

00:49:17,210 --> 00:49:14,460

more massive so again please if you're

1300

00:49:19,190 --> 00:49:17,220

listening I'm not saying it is exactly a

1301
00:49:21,890 --> 00:49:19,200
simulation the way we know them in our

1302
00:49:25,370 --> 00:49:21,900
world it just it's a metaphor to discuss

1303
00:49:27,410 --> 00:49:25,380
where we're in but any simulation has

1304
00:49:30,050 --> 00:49:27,420
two things that are part of it one is a

1305
00:49:32,329 --> 00:49:30,060
start time there is a day zero day one

1306
00:49:35,329 --> 00:49:32,339
of the simulation there's also a

1307
00:49:36,770 --> 00:49:35,339
simulation is normally not just it's

1308
00:49:39,290 --> 00:49:36,780
copied on something there's something

1309
00:49:41,329 --> 00:49:39,300
that it's copied from so we'll take the

1310
00:49:43,670 --> 00:49:41,339
first one and this leads into Westworld

1311
00:49:45,829 --> 00:49:43,680
it leads into a whole lot of questions

1312
00:49:47,870 --> 00:49:45,839
okay if we're in a simulation and the

1313
00:49:49,550 --> 00:49:47,880

simulation had a start day there's an

1314

00:49:51,410 --> 00:49:49,560

official start day of the simulation

1315

00:49:53,930 --> 00:49:51,420

well when is that

1316

00:49:55,970 --> 00:49:53,940

maybe it's five days ago maybe it's 50

1317

00:49:57,470 --> 00:49:55,980

years ago maybe it's 200 years ago who

1318

00:49:59,690 --> 00:49:57,480

knows when the start date is but that

1319

00:50:01,370 --> 00:49:59,700

would mean every single thing we think

1320

00:50:03,710 --> 00:50:01,380

of as history and let's say it's in our

1321

00:50:05,809 --> 00:50:03,720

own life never mind putting it 500 years

1322

00:50:07,970 --> 00:50:05,819

ago what if we put it the simulation

1323

00:50:10,430 --> 00:50:07,980

started 12 years ago that's a great

1324

00:50:12,470 --> 00:50:10,440

example 2010 that's when that simulation

1325

00:50:14,750 --> 00:50:12,480

started so not just everything in

1326
00:50:16,970 --> 00:50:14,760
history potentially everything we think

1327
00:50:19,190 --> 00:50:16,980
of as a memory in our life

1328
00:50:21,109 --> 00:50:19,200
our own personal life experience is the

1329
00:50:23,990 --> 00:50:21,119
same as just the backstory of a robot in

1330
00:50:25,490 --> 00:50:24,000
Westworld and so that leads also in my

1331
00:50:27,410 --> 00:50:25,500
book I talk a lot about the movie Dark

1332
00:50:29,930 --> 00:50:27,420
City which to me is one of the greatest

1333
00:50:32,089 --> 00:50:29,940
movies ever made and that's another key

1334
00:50:33,770 --> 00:50:32,099
element of dark city is that every night

1335
00:50:35,809 --> 00:50:33,780
the humans are getting brand new

1336
00:50:37,849 --> 00:50:35,819
memories brand new identities pumped

1337
00:50:39,950 --> 00:50:37,859
into them which they believe to be real

1338
00:50:42,230 --> 00:50:39,960

and whatever stories put into them they

1339

00:50:45,349 --> 00:50:42,240

believe that that's their past and we

1340

00:50:48,950 --> 00:50:45,359

actually have no proof generally other

1341

00:50:51,109 --> 00:50:48,960

than superficial ideas that anything 20

1342

00:50:52,849 --> 00:50:51,119

years ago really happened we don't know

1343

00:50:54,950 --> 00:50:52,859

whether that really happened or whether

1344

00:50:56,750 --> 00:50:54,960

literally we've been in equivalent

1345

00:50:58,670 --> 00:50:56,760

injected with memories and told to

1346

00:51:01,910 --> 00:50:58,680

believe that's us I know it's kind of

1347

00:51:03,710 --> 00:51:01,920

mind-bending to dig into that but for me

1348

00:51:06,730 --> 00:51:03,720

if you can actually figure out when the

1349

00:51:09,410 --> 00:51:06,740

simulation started you now know exactly

1350

00:51:11,089 --> 00:51:09,420

what are things that are because there's

1351
00:51:13,370 --> 00:51:11,099
no point studying before the simulation

1352
00:51:15,230 --> 00:51:13,380
began that's just backstory it's things

1353
00:51:18,049 --> 00:51:15,240
that didn't actually happen in our

1354
00:51:22,430 --> 00:51:18,059
so-called experience and we could really

1355
00:51:23,930 --> 00:51:22,440
focus our time in on what did happen and

1356
00:51:26,690 --> 00:51:23,940
I think if we're dealing with a

1357
00:51:28,670 --> 00:51:26,700
simulation I don't think it started that

1358
00:51:31,130 --> 00:51:28,680
long ago maybe five or six hundred years

1359
00:51:33,410 --> 00:51:31,140
at the most I'm maybe literally two

1360
00:51:35,270 --> 00:51:33,420
thousand years might be the most we have

1361
00:51:38,150 --> 00:51:35,280
an actual simulation so here are all

1362
00:51:39,549 --> 00:51:38,160
these pyramids are they really just

1363
00:51:42,530 --> 00:51:39,559

literally

1364

00:51:45,770 --> 00:51:42,540

inserts that when the simulation started

1365

00:51:48,530 --> 00:51:45,780

they're just there and they're literally

1366

00:51:50,630 --> 00:51:48,540

just copies of the pyramids in another

1367

00:51:53,230 --> 00:51:50,640

realm that you might say where we really

1368

00:51:55,849 --> 00:51:53,240

come from it's mind-bending to start

1369

00:51:58,670 --> 00:51:55,859

contemplating this stuff but I think we

1370

00:52:01,849 --> 00:51:58,680

have to maybe you could consider them

1371

00:52:04,849 --> 00:52:01,859

just to use the simulation analogy old

1372

00:52:07,430 --> 00:52:04,859

code like so often our phone will have

1373

00:52:09,109 --> 00:52:07,440

an update and everything will change but

1374

00:52:10,309 --> 00:52:09,119

maybe there's a little old code in there

1375

00:52:11,750 --> 00:52:10,319

somewhere when it comes to the

1376

00:52:14,270 --> 00:52:11,760

infrastructure we're looking at that's

1377

00:52:17,750 --> 00:52:14,280

why I look so beat up and so old

1378

00:52:19,250 --> 00:52:17,760

yeah or again it's just rather than an

1379

00:52:21,049 --> 00:52:19,260

almost like an upgrade instead of

1380

00:52:22,970 --> 00:52:21,059

thinking like the every time we go

1381

00:52:24,530 --> 00:52:22,980

through a new coding it gets upgraded we

1382

00:52:26,210 --> 00:52:24,540

can almost think it's getting downgraded

1383

00:52:28,790 --> 00:52:26,220

all right so literally then that would

1384

00:52:30,710 --> 00:52:28,800

change the ideas too that the further

1385

00:52:32,270 --> 00:52:30,720

you go back in the resets the further

1386

00:52:34,549 --> 00:52:32,280

you go back in the code you're actually

1387

00:52:35,990 --> 00:52:34,559

dealing with a more pure code

1388

00:52:38,089 --> 00:52:36,000

that's another

1389

00:52:39,770 --> 00:52:38,099

set of ideas and theories that have been

1390

00:52:41,809 --> 00:52:39,780

presented to me that actually we are

1391

00:52:43,970 --> 00:52:41,819

from the standpoint we're devolving as

1392

00:52:46,370 --> 00:52:43,980

we go through the years of the

1393

00:52:48,410 --> 00:52:46,380

simulation not evolving hence the If

1394

00:52:49,549 --> 00:52:48,420

we're honest and we look back further

1395

00:52:51,170 --> 00:52:49,559

and further and further in the past

1396

00:52:53,150 --> 00:52:51,180

we're seeing actually more and more

1397

00:52:56,450 --> 00:52:53,160

greatness more and more Harmony more and

1398

00:52:58,609 --> 00:52:56,460

more spectacular things because we're

1399

00:53:00,410 --> 00:52:58,619

the ones that are getting the old we're

1400

00:53:01,970 --> 00:53:00,420

kind of getting the junkie code as

1401
00:53:03,710 --> 00:53:01,980
opposed to the clean code that used to

1402
00:53:06,230 --> 00:53:03,720
be here a long time ago

1403
00:53:07,490 --> 00:53:06,240
yes Fair points and I have heard you

1404
00:53:08,809 --> 00:53:07,500
talk about how it seems like they're

1405
00:53:10,430 --> 00:53:08,819
trying to push us into the whole

1406
00:53:12,829 --> 00:53:10,440
metaverse thing which is a simulation

1407
00:53:15,530 --> 00:53:12,839
inside of the simulation and that's

1408
00:53:17,510 --> 00:53:15,540
another parallel is that a lot of people

1409
00:53:19,069 --> 00:53:17,520
feel like even with their phones and

1410
00:53:22,549 --> 00:53:19,079
with their software

1411
00:53:24,650 --> 00:53:22,559
the updates are really downgrades and

1412
00:53:27,230 --> 00:53:24,660
maybe that's just because inside the

1413
00:53:30,049 --> 00:53:27,240

simulation it's a fractal of the larger

1414

00:53:32,870 --> 00:53:30,059

system and what you say about previous

1415

00:53:36,650 --> 00:53:32,880

incarnations is true as well I like that

1416

00:53:38,690 --> 00:53:36,660

idea but your latest book is called exit

1417

00:53:40,490 --> 00:53:38,700

the cave and let's talk about Plato's

1418

00:53:42,770 --> 00:53:40,500

Cave because you write that a

1419

00:53:45,410 --> 00:53:42,780

foundational discussion point for the

1420

00:53:48,410 --> 00:53:45,420

book is the allegory of Plato's Cave

1421

00:53:50,210 --> 00:53:48,420

that is found in his book Republic it is

1422

00:53:52,210 --> 00:53:50,220

the story of a cave of prisoners being

1423

00:53:54,410 --> 00:53:52,220

tricked into living a life of Illusion

1424

00:53:56,510 --> 00:53:54,420

researchers attempt to explain the

1425

00:53:58,730 --> 00:53:56,520

analogy of Plato's Cave and its exit

1426

00:54:00,470 --> 00:53:58,740

simply they fit their analysis into

1427

00:54:02,630 --> 00:54:00,480

their beliefs of this world and few

1428

00:54:04,790 --> 00:54:02,640

question whether it is a useful analogy

1429

00:54:07,010 --> 00:54:04,800

this book is not concerned much with

1430

00:54:09,849 --> 00:54:07,020

traps in this realm this book is looking

1431

00:54:12,589 --> 00:54:09,859

for the foundation of all traps well

1432

00:54:15,890 --> 00:54:12,599

what is the foundation of all traps and

1433

00:54:19,309 --> 00:54:15,900

how does Plato's Cave relate

1434

00:54:22,549 --> 00:54:19,319

well Plato's Cave I think everybody who

1435

00:54:23,870 --> 00:54:22,559

digs into it into these stories has to

1436

00:54:26,089 --> 00:54:23,880

come across Plato's Cave it just

1437

00:54:30,049 --> 00:54:26,099

presented to you and it's presented as

1438

00:54:31,970 --> 00:54:30,059

the perfect Primal original description

1439

00:54:33,890 --> 00:54:31,980

of reality

1440

00:54:35,569 --> 00:54:33,900

and we all take it for granted that well

1441

00:54:38,210 --> 00:54:35,579

if everybody all these researchers tell

1442

00:54:40,609 --> 00:54:38,220

us Plato's Cave is great it must be

1443

00:54:42,710 --> 00:54:40,619

then I read it and of course Plato's

1444

00:54:44,630 --> 00:54:42,720

Cave is the foundation of

1445

00:54:47,030 --> 00:54:44,640

so many of these movies that we talk

1446

00:54:48,710 --> 00:54:47,040

about so Truman Show Matrix Dark City

1447

00:54:51,049 --> 00:54:48,720

movie after movie after movie they're

1448

00:54:52,609 --> 00:54:51,059

retellings of Plato's Cave so I reread

1449

00:54:54,530 --> 00:54:52,619

Plato's Cave when I started writing my

1450

00:54:56,329 --> 00:54:54,540

book okay I'm writing eggs at the cave I

1451
00:54:58,370 --> 00:54:56,339
better reread Plato's Cave one more time

1452
00:55:00,109 --> 00:54:58,380
to make sure I see what's in there and

1453
00:55:01,910 --> 00:55:00,119
it took me like five minutes to start

1454
00:55:04,250 --> 00:55:01,920
realizing

1455
00:55:07,010 --> 00:55:04,260
all the important stuff is missing

1456
00:55:10,190 --> 00:55:07,020
the key elements of what we need to know

1457
00:55:12,349 --> 00:55:10,200
about Plato's Cave is not there so the

1458
00:55:14,510 --> 00:55:12,359
story actually begins or the allegory I

1459
00:55:17,210 --> 00:55:14,520
guess is what we should call it begins

1460
00:55:19,790 --> 00:55:17,220
with Socrates talking to Plato's brother

1461
00:55:21,589 --> 00:55:19,800
glaucon and explaining to him there's a

1462
00:55:23,150 --> 00:55:21,599
cave and there's prisoners in the cave

1463
00:55:25,370 --> 00:55:23,160

and these prisoners have been brought in

1464

00:55:27,470 --> 00:55:25,380

there just after birth they're placed in

1465

00:55:28,910 --> 00:55:27,480

seats in such a way that they're chained

1466

00:55:31,849 --> 00:55:28,920

together and they can only see forward

1467

00:55:33,410 --> 00:55:31,859

under the cave walls talks about the

1468

00:55:35,870 --> 00:55:33,420

fire in the background and the people

1469

00:55:38,690 --> 00:55:35,880

who are moving objects in front of the

1470

00:55:40,790 --> 00:55:38,700

fire to cast Shadows on the walls and

1471

00:55:43,190 --> 00:55:40,800

and so okay we get the sense this is

1472

00:55:44,630 --> 00:55:43,200

telling a story of Illusion that but

1473

00:55:46,430 --> 00:55:44,640

we're missing key elements the key

1474

00:55:47,569 --> 00:55:46,440

elements right off the bat being what

1475

00:55:54,109 --> 00:55:47,579

prisoners

1476
00:55:55,790 --> 00:55:54,119
war if so what war why are they brought

1477
00:55:57,349 --> 00:55:55,800
to this cave why wouldn't they go to a

1478
00:55:59,390 --> 00:55:57,359
prisoner of war camp

1479
00:56:01,870 --> 00:55:59,400
what is the cave is the cave something

1480
00:56:05,930 --> 00:56:01,880
man-made is something that's existed

1481
00:56:08,089 --> 00:56:05,940
previously why are they why are the

1482
00:56:11,030 --> 00:56:08,099
beings who are going through all this

1483
00:56:12,650 --> 00:56:11,040
work to fool these prisoners

1484
00:56:14,750 --> 00:56:12,660
why are they doing that why are they

1485
00:56:17,329 --> 00:56:14,760
going through all that trouble so within

1486
00:56:18,230 --> 00:56:17,339
the first five minutes of reading the

1487
00:56:20,569 --> 00:56:18,240
story

1488
00:56:23,450 --> 00:56:20,579

you wind up with like 10 absolutely

1489

00:56:26,450 --> 00:56:23,460

important questions and we know that the

1490

00:56:29,210 --> 00:56:26,460

prisoners are us so the prisoners in the

1491

00:56:32,150 --> 00:56:29,220

story are told they are us allegorically

1492

00:56:33,470 --> 00:56:32,160

so right off the bat we're like why

1493

00:56:35,990 --> 00:56:33,480

don't you give us all this extra

1494

00:56:38,210 --> 00:56:36,000

information because that would explain a

1495

00:56:41,690 --> 00:56:38,220

ton of what we're dealing with none of

1496

00:56:43,069 --> 00:56:41,700

it is there and that got me starting to

1497

00:56:45,170 --> 00:56:43,079

wonder

1498

00:56:46,790 --> 00:56:45,180

well what is Plato's Cave really doing

1499

00:56:48,589 --> 00:56:46,800

for is it helping us or is it actually

1500

00:56:51,530 --> 00:56:48,599

distracting us

1501
00:56:55,250 --> 00:56:51,540
hmm very interesting I've heard you talk

1502
00:56:58,130 --> 00:56:55,260
about the fact that well why would you

1503
00:57:00,650 --> 00:56:58,140
go to all this effort to distract and

1504
00:57:02,990 --> 00:57:00,660
Dazzle people who are already prisoners

1505
00:57:05,809 --> 00:57:03,000
who are chained up and that's a very

1506
00:57:08,809 --> 00:57:05,819
great point and it makes me ask you well

1507
00:57:11,750 --> 00:57:08,819
to scale that up to our simulation or

1508
00:57:14,030 --> 00:57:11,760
our false reality why not just let us

1509
00:57:16,430 --> 00:57:14,040
know we're trapped too because if this

1510
00:57:18,950 --> 00:57:16,440
is a loose generation

1511
00:57:21,170 --> 00:57:18,960
Farm of some kind that would generate

1512
00:57:23,450 --> 00:57:21,180
plenty of negative emotion to feed on to

1513
00:57:25,670 --> 00:57:23,460

just tell everyone they're trapped

1514

00:57:27,410 --> 00:57:25,680

again I guess the best slave is always

1515

00:57:30,950 --> 00:57:27,420

one that falsely thinks that they're

1516

00:57:32,809 --> 00:57:30,960

free right touche so it must have

1517

00:57:35,809 --> 00:57:32,819

something to do with this idea because

1518

00:57:38,690 --> 00:57:35,819

Plato tends to say that actually the

1519

00:57:40,670 --> 00:57:38,700

prisoners chains are not locked that

1520

00:57:43,190 --> 00:57:40,680

they can stand up they can move around

1521

00:57:44,950 --> 00:57:43,200

the cave whenever they want to so it

1522

00:57:48,710 --> 00:57:44,960

indicates that there's something about

1523

00:57:50,450 --> 00:57:48,720

the prisoner that us ourselves that are

1524

00:57:52,370 --> 00:57:50,460

part of the locking mechanism of the

1525

00:57:54,970 --> 00:57:52,380

Trap so it's not just that we're being

1526
00:57:57,530 --> 00:57:54,980
deceived we're also deceiving ourself

1527
00:57:58,849 --> 00:57:57,540
another key element of the story that

1528
00:58:01,730 --> 00:57:58,859
most people the allegory that people

1529
00:58:04,010 --> 00:58:01,740
forget or Overlook is that

1530
00:58:05,450 --> 00:58:04,020
one prisoner eventually stands up he

1531
00:58:07,790 --> 00:58:05,460
goes around the cave he sees the

1532
00:58:09,290 --> 00:58:07,800
experience going on and they think the

1533
00:58:10,609 --> 00:58:09,300
average person if you ask them to tell

1534
00:58:12,230 --> 00:58:10,619
them the story of Plato's Cave and then

1535
00:58:14,870 --> 00:58:12,240
say Oh and then the prisoner goes

1536
00:58:17,630 --> 00:58:14,880
outside and actually no the prisoner is

1537
00:58:19,190 --> 00:58:17,640
dragged outside Socrates said what would

1538
00:58:22,010 --> 00:58:19,200

happen if they dragged the prisoner

1539

00:58:24,049 --> 00:58:22,020

outside the cave so even in the story

1540

00:58:25,370 --> 00:58:24,059

one of the prisoners

1541

00:58:27,170 --> 00:58:25,380

they don't even have the story where the

1542

00:58:30,230 --> 00:58:27,180

prisoner leaves on their own they have

1543

00:58:33,290 --> 00:58:30,240

to actually be dragged outside to see a

1544

00:58:35,510 --> 00:58:33,300

greater reality and that's also

1545

00:58:37,309 --> 00:58:35,520

interesting of like well why not right

1546

00:58:39,829 --> 00:58:37,319

into the allegory of a prisoner who

1547

00:58:41,870 --> 00:58:39,839

actually left and this became really

1548

00:58:43,130 --> 00:58:41,880

incredibly important for me as I was

1549

00:58:46,430 --> 00:58:43,140

going through the research and writing

1550

00:58:48,789 --> 00:58:46,440

the book is that I looked through other

1551
00:58:53,569 --> 00:58:48,799
books other similar stories other movies

1552
00:58:55,670 --> 00:58:53,579
never ever do we see a story where the

1553
00:58:58,069 --> 00:58:55,680
character actually leaves Plato's Cave

1554
00:58:59,990 --> 00:58:58,079
they wind up knowing the cave better

1555
00:59:01,849 --> 00:59:00,000
they wind up maybe getting more powers

1556
00:59:03,589 --> 00:59:01,859
where they can influence the cave or

1557
00:59:05,450 --> 00:59:03,599
they can alter the cave where they can

1558
00:59:07,490 --> 00:59:05,460
make the cave a bit better where they

1559
00:59:09,370 --> 00:59:07,500
can help people within the cave but

1560
00:59:12,109 --> 00:59:09,380
there's never an example of actually

1561
00:59:13,490 --> 00:59:12,119
exiting leaving the simulation which

1562
00:59:15,349 --> 00:59:13,500
would actually be

1563
00:59:17,390 --> 00:59:15,359

being completely gone from the

1564

00:59:19,670 --> 00:59:17,400

simulation so that's the part that

1565

00:59:21,890 --> 00:59:19,680

really drags into me it's that what's

1566

00:59:23,750 --> 00:59:21,900

most important it seems like we are

1567

00:59:26,089 --> 00:59:23,760

dealing with deception upon deception

1568

00:59:28,130 --> 00:59:26,099

upon deception layer upon layer upon

1569

00:59:30,530 --> 00:59:28,140

layer of false that has been thrown at

1570

00:59:32,270 --> 00:59:30,540

us since long before we were born you

1571

00:59:34,789 --> 00:59:32,280

know even in the pre-birth state we are

1572

00:59:36,710 --> 00:59:34,799

being deceived constantly but the one

1573

00:59:38,210 --> 00:59:36,720

thing that's being hid from us or

1574

00:59:39,890 --> 00:59:38,220

attempted to be hidden the only thing

1575

00:59:42,349 --> 00:59:39,900

they're trying to really make sure that

1576

00:59:44,329 --> 00:59:42,359

we have no access to is how do we just

1577

00:59:47,390 --> 00:59:44,339

get the hell out how do we just say I've

1578

00:59:50,270 --> 00:59:47,400

had enough of this crap and I'm done and

1579

00:59:53,630 --> 00:59:50,280

they're trying to make sure that is like

1580

00:59:56,329 --> 00:59:53,640

the hardest thing to find and that's

1581

00:59:59,150 --> 00:59:56,339

what I'm hoping this book is starting to

1582

01:00:01,970 --> 00:59:59,160

get towards and eventually I'm assuming

1583

01:00:04,130 --> 01:00:01,980

the world doesn't go into total chaos

1584

01:00:07,010 --> 01:00:04,140

that I will have a second book on this

1585

01:00:09,410 --> 01:00:07,020

subject next May or so I plan on

1586

01:00:11,329 --> 01:00:09,420

continuing this research for another six

1587

01:00:13,549 --> 01:00:11,339

to eight months taking it even to

1588

01:00:15,589 --> 01:00:13,559

another level from where I'm at now and

1589

01:00:17,030 --> 01:00:15,599

I'm hopeful that more will act because

1590

01:00:19,970 --> 01:00:17,040

that to me that's the only thing that

1591

01:00:21,230 --> 01:00:19,980

matters this is me personally I'm tired

1592

01:00:24,049 --> 01:00:21,240

of this place

1593

01:00:26,870 --> 01:00:24,059

I'm tired of that this is set up as a

1594

01:00:29,450 --> 01:00:26,880

suffering pit of Hell and I know I know

1595

01:00:30,950 --> 01:00:29,460

so many people will have their own spin

1596

01:00:32,569 --> 01:00:30,960

it's one thing I've really started to

1597

01:00:34,549 --> 01:00:32,579

find from the interviews now that I've

1598

01:00:37,130 --> 01:00:34,559

done in the last month or so about the

1599

01:00:38,210 --> 01:00:37,140

book is that as soon as I say suffering

1600

01:00:40,250 --> 01:00:38,220

pit of Hell

1601

01:00:42,829 --> 01:00:40,260

I'm always responded with a belief

1602

01:00:44,750 --> 01:00:42,839

structure of why it's okay for this to

1603

01:00:47,329 --> 01:00:44,760

be suffering why it's okay that a loving

1604

01:00:50,329 --> 01:00:47,339

God could have created such suffering in

1605

01:00:51,710 --> 01:00:50,339

this realm and thankfully you're not

1606

01:00:53,510 --> 01:00:51,720

thankfully I've finally come to the

1607

01:00:55,069 --> 01:00:53,520

place where I've broken that attempt to

1608

01:00:56,450 --> 01:00:55,079

try to answer it and I just realize it's

1609

01:00:59,510 --> 01:00:56,460

set up this way

1610

01:01:00,950 --> 01:00:59,520

that's just what this is and I've come

1611

01:01:03,230 --> 01:01:00,960

to the place where

1612

01:01:04,490 --> 01:01:03,240

I'm ready to go home and that's the best

1613

01:01:06,950 --> 01:01:04,500

way to describe it I'm ready to go home

1614

01:01:08,750 --> 01:01:06,960

I'm ready to go in sort of Gnostic

1615

01:01:11,569 --> 01:01:08,760

terminology to return to the true father

1616

01:01:14,089 --> 01:01:11,579

to return where where I actually come

1617

01:01:15,530 --> 01:01:14,099

from and this book is kind of my way of

1618

01:01:17,990 --> 01:01:15,540

helping me

1619

01:01:20,030 --> 01:01:18,000

put the pieces together to learn what

1620

01:01:21,710 --> 01:01:20,040

needs to be done to do that and if

1621

01:01:23,870 --> 01:01:21,720

others can get some pieces of

1622

01:01:25,490 --> 01:01:23,880

information that helps them and if some

1623

01:01:26,870 --> 01:01:25,500

feel like they want to join along the

1624

01:01:28,970 --> 01:01:26,880

way and try to do the same thing

1625

01:01:31,730 --> 01:01:28,980

fantastic

1626

01:01:33,530 --> 01:01:31,740

but I know it's hard for a lot of people

1627

01:01:35,150 --> 01:01:33,540

to have to discuss the subjects that are

1628

01:01:36,589 --> 01:01:35,160

in my book now because it seems so

1629

01:01:39,049 --> 01:01:36,599

negative on the surface it seems like

1630

01:01:41,270 --> 01:01:39,059

I'm just presenting negative information

1631

01:01:44,030 --> 01:01:41,280

but if you're going to get to something

1632

01:01:46,789 --> 01:01:44,040

true then you have to see very clearly

1633

01:01:48,890 --> 01:01:46,799

what's here what the experience of our

1634

01:01:51,530 --> 01:01:48,900

life really is what the experience of

1635

01:01:53,450 --> 01:01:51,540

what we are really is the end result of

1636

01:01:55,490 --> 01:01:53,460

it is extremely positive because truth

1637

01:01:58,789 --> 01:01:55,500

is always positive truth is always the

1638

01:02:00,589 --> 01:01:58,799

doorway to totality but if you're just

1639

01:02:02,630 --> 01:02:00,599

going to trick yourself and I've tricked

1640

01:02:04,370 --> 01:02:02,640

myself for 20 years and there's several

1641

01:02:06,410 --> 01:02:04,380

areas I'm still tricking myself I know

1642

01:02:08,930 --> 01:02:06,420

that I've got a long way to go to keep

1643

01:02:10,730 --> 01:02:08,940

getting the answers I know that I need

1644

01:02:12,470 --> 01:02:10,740

or maybe a short way I don't know but I

1645

01:02:15,170 --> 01:02:12,480

know there's more to go

1646

01:02:17,030 --> 01:02:15,180

but it's important to recognize that you

1647

01:02:18,770 --> 01:02:17,040

have to be okay to deal with potentially

1648

01:02:20,450 --> 01:02:18,780

negative answers

1649

01:02:23,329 --> 01:02:20,460

that are honest coming back to you

1650

01:02:25,430 --> 01:02:23,339

because the end result will make it

1651
01:02:27,829 --> 01:02:25,440
worthwhile to have seen honestly and

1652
01:02:30,109 --> 01:02:27,839
seen clearly the truth is always

1653
01:02:31,430 --> 01:02:30,119
positive but it can be a difficult road

1654
01:02:32,750 --> 01:02:31,440
to get there

1655
01:02:35,089 --> 01:02:32,760
mm-hmm

1656
01:02:37,490 --> 01:02:35,099
wow well I certainly think describing

1657
01:02:40,190 --> 01:02:37,500
reality as a pit of Hell is strong

1658
01:02:42,710 --> 01:02:40,200
language it doesn't bother me but I've

1659
01:02:45,470 --> 01:02:42,720
enjoyed my time here and really haven't

1660
01:02:48,829 --> 01:02:45,480
had much tragedy but I'm also in the

1661
01:02:50,930 --> 01:02:48,839
middle of a story and as you go through

1662
01:02:53,870 --> 01:02:50,940
you know a lot of my friends in Inner

1663
01:02:56,630 --> 01:02:53,880

Circle are getting into our late 30s and

1664

01:03:00,530 --> 01:02:56,640

people are losing their parents and

1665

01:03:04,370 --> 01:03:00,540

that's obviously tragic and it's kind of

1666

01:03:07,270 --> 01:03:04,380

like we all reach that phase of the

1667

01:03:09,470 --> 01:03:07,280

story whether it happens early or late

1668

01:03:11,150 --> 01:03:09,480

generally you're going to lose your

1669

01:03:13,069 --> 01:03:11,160

parents as you get older you're going to

1670

01:03:15,250 --> 01:03:13,079

lose your friends lose your spouse

1671

01:03:18,890 --> 01:03:15,260

hopefully you don't lose your children

1672

01:03:20,690 --> 01:03:18,900

but you really can't say if it was an

1673

01:03:23,089 --> 01:03:20,700

ultimate tragedy until you're in the

1674

01:03:26,270 --> 01:03:23,099

third act whenever that third Act is for

1675

01:03:28,730 --> 01:03:26,280

you so I think it's totally possible

1676

01:03:32,270 --> 01:03:28,740

it's certainly set up that nobody gets

1677

01:03:34,490 --> 01:03:32,280

out without experiencing some loss and

1678

01:03:37,430 --> 01:03:34,500

what is that about you know is that's

1679

01:03:40,010 --> 01:03:37,440

why the Buddhist philosophy is that life

1680

01:03:42,470 --> 01:03:40,020

is ultimately suffering but from my out

1681

01:03:46,309 --> 01:03:42,480

of body experiences psychedelically

1682

01:03:49,549 --> 01:03:46,319

charged yes the other side is like this

1683

01:03:51,170 --> 01:03:49,559

blanket of love and you definitely feel

1684

01:03:52,910 --> 01:03:51,180

like in that moment you know what I

1685

01:03:54,650 --> 01:03:52,920

don't want to go back and you don't

1686

01:03:56,150 --> 01:03:54,660

really think too deeply about well what

1687

01:03:58,010 --> 01:03:56,160

about the the people you're leaving

1688

01:03:59,930 --> 01:03:58,020

behind you're just like this is so

1689

01:04:02,329 --> 01:03:59,940

amazing I don't want to go back they'll

1690

01:04:04,069 --> 01:04:02,339

come here eventually so I'm not that

1691

01:04:05,450 --> 01:04:04,079

worried about it and these are all the

1692

01:04:08,690 --> 01:04:05,460

thoughts that I had just in those

1693

01:04:11,329 --> 01:04:08,700

moments but you know the entities that I

1694

01:04:13,849 --> 01:04:11,339

feel like I had communicated with had

1695

01:04:17,630 --> 01:04:13,859

said to me that the value of this

1696

01:04:20,569 --> 01:04:17,640

reality of this physical layer is that

1697

01:04:23,750 --> 01:04:20,579

you get to experience taste and physical

1698

01:04:27,230 --> 01:04:23,760

pleasure and warm cozy blankets and see

1699

01:04:29,930 --> 01:04:27,240

sunsets that the structure is valuable

1700

01:04:32,089 --> 01:04:29,940

to people in the spirit world the reason

1701

01:04:34,490 --> 01:04:32,099

Spirits want to come here is to have

1702

01:04:36,530 --> 01:04:34,500

experience and it's not all negative

1703

01:04:38,750 --> 01:04:36,540

it's partly even the story why the

1704

01:04:41,329 --> 01:04:38,760

angels are jealous of man is we're here

1705

01:04:44,510 --> 01:04:41,339

we can create things we have the five

1706

01:04:46,670 --> 01:04:44,520

senses and those senses can provide

1707

01:04:49,309 --> 01:04:46,680

intense pleasures

1708

01:04:51,470 --> 01:04:49,319

not always but it is an aspect of

1709

01:04:53,329 --> 01:04:51,480

reality and I feel like when I've had

1710

01:04:55,970 --> 01:04:53,339

conscious communication with something

1711

01:04:59,450 --> 01:04:55,980

that is an intelligence outside of a

1712

01:05:01,130 --> 01:04:59,460

body it has basically said to me I'm

1713

01:05:03,230 --> 01:05:01,140

kind of jealous of your experience man

1714

01:05:04,789 --> 01:05:03,240

it's like a Grass Is Always Greener kind

1715

01:05:06,170 --> 01:05:04,799

of thing and I'm sitting there like well

1716

01:05:08,030 --> 01:05:06,180

I don't even want to go back to that I'd

1717

01:05:10,190 --> 01:05:08,040

stay here if I could and then the drugs

1718

01:05:12,710 --> 01:05:10,200

wear off but this is like kind of the

1719

01:05:15,410 --> 01:05:12,720

thing is it's just how you look at it I

1720

01:05:17,569 --> 01:05:15,420

suppose but a simulation is a simulation

1721

01:05:19,370 --> 01:05:17,579

either way it's false by definition it's

1722

01:05:21,530 --> 01:05:19,380

not the true reality

1723

01:05:23,809 --> 01:05:21,540

it's false by definition and without

1724

01:05:26,510 --> 01:05:23,819

going into too much detail on all this I

1725

01:05:27,530 --> 01:05:26,520

think all of that's a trick I'm open to

1726

01:05:32,510 --> 01:05:27,540

it

1727

01:05:35,210 --> 01:05:32,520

particularly when you go through the

1728

01:05:37,250 --> 01:05:35,220

standard near death experience I think

1729

01:05:38,450 --> 01:05:37,260

what the average person you know because

1730

01:05:41,089 --> 01:05:38,460

it's a near death they don't actually

1731

01:05:43,309 --> 01:05:41,099

die I think it's a propaganda campaign

1732

01:05:47,089 --> 01:05:43,319

and it's designed to take a very

1733

01:05:49,490 --> 01:05:47,099

confused soul and in a sense give them a

1734

01:05:52,130 --> 01:05:49,500

drug of love a bombing of love where

1735

01:05:54,530 --> 01:05:52,140

they lose their ability to have

1736

01:05:56,450 --> 01:05:54,540

real logic ability they work out of

1737

01:05:59,030 --> 01:05:56,460

total feeling so they're very easy to

1738

01:06:01,490 --> 01:05:59,040

manipulate and I talk a lot about that

1739

01:06:04,849 --> 01:06:01,500

in my book how I see the experience now

1740

01:06:05,809 --> 01:06:04,859

as likely a giant set of manipulation

1741

01:06:08,210 --> 01:06:05,819

and

1742

01:06:10,370 --> 01:06:08,220

it's hard to talk about because I know

1743

01:06:11,690 --> 01:06:10,380

how people have built a certain

1744

01:06:15,289 --> 01:06:11,700

structure

1745

01:06:17,030 --> 01:06:15,299

that the world has to be good the loving

1746

01:06:19,010 --> 01:06:17,040

God is the one who made this place and

1747

01:06:20,750 --> 01:06:19,020

he cares about me and he cares about us

1748

01:06:22,549 --> 01:06:20,760

and he's given this a place for

1749

01:06:24,770 --> 01:06:22,559

wonderful experiences and yeah I've had

1750

01:06:27,049 --> 01:06:24,780

wonderful experiences too but you know

1751

01:06:29,750 --> 01:06:27,059

right now today there are probably going

1752

01:06:31,609 --> 01:06:29,760

to be what 50 million girls young girls

1753

01:06:33,289 --> 01:06:31,619

are going to get raped tonight

1754

01:06:35,630 --> 01:06:33,299

by their parents

1755

01:06:38,210 --> 01:06:35,640

how many are going to be tortured in

1756

01:06:40,609 --> 01:06:38,220

various systems all over the world it's

1757

01:06:42,230 --> 01:06:40,619

easy when you're living a life when you

1758

01:06:43,970 --> 01:06:42,240

don't have to worry about feeding

1759

01:06:45,470 --> 01:06:43,980

yourself when you know you've got some

1760

01:06:46,849 --> 01:06:45,480

food in the fridge when no one's going

1761

01:06:48,890 --> 01:06:46,859

to be banging down your door and

1762

01:06:51,170 --> 01:06:48,900

potentially dragging you off to a

1763

01:06:53,089 --> 01:06:51,180

concentration camp or whatever it

1764

01:06:55,849 --> 01:06:53,099

becomes very easy to see the world as

1765

01:06:58,730 --> 01:06:55,859

it's okay you start spending time in

1766

01:07:00,710 --> 01:06:58,740

Africa or the Middle East or India or

1767

01:07:02,569 --> 01:07:00,720

just about anywhere in the world and see

1768

01:07:04,130 --> 01:07:02,579

the Cesspool of difficulty it doesn't

1769

01:07:05,870 --> 01:07:04,140

mean there isn't Beauty in the world it

1770

01:07:08,029 --> 01:07:05,880

doesn't mean there isn't wonderful

1771

01:07:10,430 --> 01:07:08,039

experiences and I'm thrilled when they

1772

01:07:13,250 --> 01:07:10,440

come by I'm thrilled when an experience

1773

01:07:15,950 --> 01:07:13,260

of Love happens or connection happens or

1774

01:07:18,349 --> 01:07:15,960

a beautiful place in nature but I know

1775

01:07:20,270 --> 01:07:18,359

it's just like a rest Plateau I know

1776

01:07:24,289 --> 01:07:20,280

that's not really what this place is set

1777

01:07:26,089 --> 01:07:24,299

up to do and if I just look closely I

1778

01:07:27,650 --> 01:07:26,099

know somebody else is going through the

1779

01:07:30,230 --> 01:07:27,660

pits of hell even though I'm going

1780

01:07:32,630 --> 01:07:30,240

through a really nice experience so

1781

01:07:34,190 --> 01:07:32,640

that's partially why I'm saying it's a

1782

01:07:36,529 --> 01:07:34,200

suffering pit of Hell that doesn't mean

1783

01:07:38,990 --> 01:07:36,539

it it is all the time for everyone else

1784

01:07:41,029 --> 01:07:39,000

and again because we don't know our past

1785

01:07:43,670 --> 01:07:41,039

lies because we get these things memory

1786

01:07:46,549 --> 01:07:43,680

wiped before we come in just like a

1787

01:07:48,410 --> 01:07:46,559

robot in Westworld maybe the last one

1788

01:07:50,210 --> 01:07:48,420

you know the last one was horrible now

1789

01:07:51,950 --> 01:07:50,220

this one well it's not so bad you know I

1790

01:07:53,809 --> 01:07:51,960

think yeah this is okay but we can't see

1791

01:07:55,849 --> 01:07:53,819

all the lives we've actually had and all

1792

01:07:57,890 --> 01:07:55,859

the potential horror and suffering we

1793

01:07:59,870 --> 01:07:57,900

had in the other one so it's another

1794

01:08:01,789 --> 01:07:59,880

problem I have with this whole setup

1795

01:08:03,770 --> 01:08:01,799

like you say at the whole simulation and

1796

01:08:05,210 --> 01:08:03,780

everything that's involved with it if

1797

01:08:07,849 --> 01:08:05,220

they're not going to let us at least

1798

01:08:10,069 --> 01:08:07,859

have access in memory to all of our

1799

01:08:12,349 --> 01:08:10,079

Lives all of our experiences to really

1800

01:08:13,910 --> 01:08:12,359

be able to make clear understandings of

1801
01:08:17,749 --> 01:08:13,920
where we are and where we're not to just

1802
01:08:19,610 --> 01:08:17,759
send us out in this reality blind and

1803
01:08:21,709 --> 01:08:19,620
really not give us any knowledge or any

1804
01:08:23,570 --> 01:08:21,719
understanding indicates to me it's a

1805
01:08:26,749 --> 01:08:23,580
system designed to trick me and deceive

1806
01:08:29,150 --> 01:08:26,759
me and lie to me if the system was

1807
01:08:32,450 --> 01:08:29,160
designed to help me it would for sure

1808
01:08:35,269 --> 01:08:32,460
give me as much totality of experience

1809
01:08:37,370 --> 01:08:35,279
that I've had so that I would know where

1810
01:08:40,130 --> 01:08:37,380
to go next or not and I know that's hard

1811
01:08:42,590 --> 01:08:40,140
for some people to hear but I tried my

1812
01:08:44,990 --> 01:08:42,600
best to find a positive outcome for 25

1813
01:08:47,570 --> 01:08:45,000

years and I finally just I guess I

1814

01:08:49,669 --> 01:08:47,580

finally become a cathar I guess the best

1815

01:08:52,610 --> 01:08:49,679

way to describe it I guess I've become a

1816

01:08:55,490 --> 01:08:52,620

cathar and yeah that's why they're

1817

01:08:57,289 --> 01:08:55,500

chapter 14 of my book is all about their

1818

01:09:00,229 --> 01:08:57,299

story and what they believed and how

1819

01:09:02,209 --> 01:09:00,239

they tried to live their existence to as

1820

01:09:05,570 --> 01:09:02,219

they say end The Reincarnation trap of

1821

01:09:08,150 --> 01:09:05,580

Rex Monday so yeah I love it hell of a

1822

01:09:10,430 --> 01:09:08,160

Segway and that is exactly what I was

1823

01:09:12,410 --> 01:09:10,440

going to ask you about because we have

1824

01:09:14,090 --> 01:09:12,420

talked on this show plenty about the

1825

01:09:16,189 --> 01:09:14,100

gnostics and how they saw this as a

1826

01:09:19,010 --> 01:09:16,199

false reality but you write about the

1827

01:09:20,930 --> 01:09:19,020

cathars who are sometimes considered a

1828

01:09:23,090 --> 01:09:20,940

gnostic sect Under the Umbrella of

1829

01:09:25,189 --> 01:09:23,100

gnostics but they are specific people

1830

01:09:27,709 --> 01:09:25,199

and you write in the book as for the

1831

01:09:29,990 --> 01:09:27,719

cathars why is the study of a group of

1832

01:09:32,809 --> 01:09:30,000

people genocided in the 13th century

1833

01:09:34,610 --> 01:09:32,819

important the cathars had as their main

1834

01:09:37,490 --> 01:09:34,620

belief that this was a World created by

1835

01:09:39,769 --> 01:09:37,500

an evil God Rex Mundy who kept them in a

1836

01:09:42,470 --> 01:09:39,779

reincarnation cycle and their only focus

1837

01:09:44,809 --> 01:09:42,480

in this life was to escape it the

1838

01:09:47,150 --> 01:09:44,819

cathars were not concerned with making

1839

01:09:49,130 --> 01:09:47,160

this place better finding new forms of

1840

01:09:52,309 --> 01:09:49,140

government or Commerce or anything else

1841

01:09:54,590 --> 01:09:52,319

their focus was to escape the evil Realm

1842

01:09:57,530 --> 01:09:54,600

of the Rex Mundy forever and return home

1843

01:09:59,390 --> 01:09:57,540

to the father well how did they come to

1844

01:10:02,330 --> 01:09:59,400

this conclusion and if they were

1845

01:10:05,150 --> 01:10:02,340

dedicated to escaping how were they

1846

01:10:06,770 --> 01:10:05,160

attempting to do that in their day

1847

01:10:08,270 --> 01:10:06,780

well I think what I should do because I

1848

01:10:10,189 --> 01:10:08,280

know we're coming to the end of the

1849

01:10:11,330 --> 01:10:10,199

first hour a portion of this and I'd

1850

01:10:13,070 --> 01:10:11,340

like to leave

1851
01:10:15,410 --> 01:10:13,080
because you know I just had a pretty

1852
01:10:16,790 --> 01:10:15,420
harsh negative outcome I'd like to leave

1853
01:10:18,709 --> 01:10:16,800
something positive if that's okay with

1854
01:10:21,350 --> 01:10:18,719
you well that's fine I plan to actually

1855
01:10:23,030 --> 01:10:21,360
end this a little bit earlier ago like

1856
01:10:24,290 --> 01:10:23,040
in my mind as I'm thinking about how it

1857
01:10:26,030 --> 01:10:24,300
will go through because I'm not really

1858
01:10:29,030 --> 01:10:26,040
one of those people that does here's a

1859
01:10:31,189 --> 01:10:29,040
decisive split but uh either way we'll

1860
01:10:32,990 --> 01:10:31,199
have to talk a little bit longer overall

1861
01:10:34,910 --> 01:10:33,000
if you're cool with that but yeah let's

1862
01:10:36,410 --> 01:10:34,920
let this be the end of the first hour I

1863
01:10:38,030 --> 01:10:36,420

have no problem with that it's a fluid

1864

01:10:39,890 --> 01:10:38,040

thing but we will have to talk a little

1865

01:10:41,689 --> 01:10:39,900

bit longer than expected okay I'm happy

1866

01:10:43,370 --> 01:10:41,699

to talk about the cathars next but I

1867

01:10:45,830 --> 01:10:43,380

think it's good to share this stories of

1868

01:10:48,290 --> 01:10:45,840

Prayer because it's so valuable for

1869

01:10:51,830 --> 01:10:48,300

people to hear these stories okay if

1870

01:10:53,810 --> 01:10:51,840

that's okay it is hit me with it I

1871

01:10:55,370 --> 01:10:53,820

figured this is important time to share

1872

01:10:56,990 --> 01:10:55,380

the element of prayer and it's something

1873

01:10:58,850 --> 01:10:57,000

I had been studying for quite a long

1874

01:11:01,130 --> 01:10:58,860

time ever since I started working with

1875

01:11:03,709 --> 01:11:01,140

the medicine people who the number one

1876

01:11:05,450 --> 01:11:03,719

part of all of their ceremony is prayer

1877

01:11:07,610 --> 01:11:05,460

and trying to understand what they were

1878

01:11:09,649 --> 01:11:07,620

doing and I've written several times as

1879

01:11:11,450 --> 01:11:09,659

I've tried to understand that the main

1880

01:11:13,790 --> 01:11:11,460

element of their prayer was saying thank

1881

01:11:16,729 --> 01:11:13,800

you not actually asking for something

1882

01:11:19,189 --> 01:11:16,739

and okay I started to understand it a

1883

01:11:21,050 --> 01:11:19,199

bit and then as I began working in the

1884

01:11:23,630 --> 01:11:21,060

material that became this book I started

1885

01:11:26,090 --> 01:11:23,640

seeing that the way the normal person

1886

01:11:28,310 --> 01:11:26,100

has learned how to pray is probably

1887

01:11:31,189 --> 01:11:28,320

turning us into prey

1888

01:11:34,130 --> 01:11:31,199

by going outside of ourselves by praying

1889

01:11:36,910 --> 01:11:34,140

to anything outside of ourselves we are

1890

01:11:39,050 --> 01:11:36,920

setting up a possibility of energetic

1891

01:11:40,970 --> 01:11:39,060

manipulation we are turning ourselves

1892

01:11:43,130 --> 01:11:40,980

into praying so why not learn how to

1893

01:11:45,050 --> 01:11:43,140

pray to ourself

1894

01:11:47,510 --> 01:11:45,060

and as I spoke to a medicine man I still

1895

01:11:49,729 --> 01:11:47,520

have connection to a little while ago I

1896

01:11:50,810 --> 01:11:49,739

told him this idea and he shared a story

1897

01:11:53,930 --> 01:11:50,820

with me and I want to share that with

1898

01:11:56,630 --> 01:11:53,940

everybody that story is

1899

01:11:59,570 --> 01:11:56,640

about 20 years ago New Mexico or Arizona

1900

01:12:01,669 --> 01:11:59,580

was going through a terrible drought and

1901

01:12:02,530 --> 01:12:01,679

they called in a local Medicine Man of

1902

01:12:05,330 --> 01:12:02,540

the area

1903

01:12:07,130 --> 01:12:05,340

and they tried they called for rain and

1904

01:12:08,330 --> 01:12:07,140

it never rained so they brought in a

1905

01:12:10,250 --> 01:12:08,340

different medicine man from the north

1906

01:12:12,110 --> 01:12:10,260

and he came down and did his ceremony

1907

01:12:14,030 --> 01:12:12,120

and that night it rained and it rained

1908

01:12:16,130 --> 01:12:14,040

for three or four days straight

1909

01:12:18,410 --> 01:12:16,140

and they finally asked him why did your

1910

01:12:20,450 --> 01:12:18,420

ceremony work when the others didn't and

1911

01:12:22,910 --> 01:12:20,460

he said oh the other medicine men were

1912

01:12:24,709 --> 01:12:22,920

praying for rain and when you pray for

1913

01:12:25,729 --> 01:12:24,719

something that means it doesn't exist

1914

01:12:28,189 --> 01:12:25,739

now

1915

01:12:30,470 --> 01:12:28,199

I just prayed rain

1916

01:12:33,530 --> 01:12:30,480

and when I shared this back with Jerry I

1917

01:12:36,169 --> 01:12:33,540

said so what actually happened is he

1918

01:12:38,930 --> 01:12:36,179

first became rain he wasn't human

1919

01:12:41,750 --> 01:12:38,940

medicine man praying to rain he was rain

1920

01:12:44,149 --> 01:12:41,760

praying to rain so the only thing that

1921

01:12:45,830 --> 01:12:44,159

existed in the reality was rain so of

1922

01:12:47,570 --> 01:12:45,840

course it would have to rain

1923

01:12:48,709 --> 01:12:47,580

and he said yeah that's exactly the way

1924

01:12:51,229 --> 01:12:48,719

it worked and he told me some other

1925

01:12:53,390 --> 01:12:51,239

stories of his uncle bear heart that had

1926

01:12:55,010 --> 01:12:53,400

gone through similar experiences and I

1927

01:12:56,870 --> 01:12:55,020

took that out into the forest the next

1928

01:12:59,090 --> 01:12:56,880

day because it was it's blueberry season

1929

01:13:01,430 --> 01:12:59,100

and I love to get my blueberries for the

1930

01:13:03,229 --> 01:13:01,440

winter normally I always pray I always

1931

01:13:04,850 --> 01:13:03,239

leave an offering and I thank the forest

1932

01:13:06,830 --> 01:13:04,860

I thank the blueberries before I start

1933

01:13:09,050 --> 01:13:06,840

but then I thought well this time

1934

01:13:11,090 --> 01:13:09,060

before I do that I'm going to become a

1935

01:13:13,490 --> 01:13:11,100

blueberry so it's not going to be human

1936

01:13:15,290 --> 01:13:13,500

person giving the offering I'm going to

1937

01:13:16,490 --> 01:13:15,300

be a blueberry giving the offering to

1938

01:13:19,070 --> 01:13:16,500

the blueberries

1939

01:13:20,810 --> 01:13:19,080

when that was done I found more

1940

01:13:22,490 --> 01:13:20,820

blueberries than I could have possibly

1941

01:13:25,370 --> 01:13:22,500

picked in a week

1942

01:13:27,229 --> 01:13:25,380

it was the most unbelievable thing to

1943

01:13:30,590 --> 01:13:27,239

realize that this is like an

1944

01:13:33,649 --> 01:13:30,600

unbelievable secret when you become the

1945

01:13:35,810 --> 01:13:33,659

thing that you are praying to or for

1946

01:13:38,990 --> 01:13:35,820

the creation of it in the reality is

1947

01:13:40,669 --> 01:13:39,000

almost automatic and it was like that

1948

01:13:42,830 --> 01:13:40,679

was like getting the secret of secrets

1949

01:13:45,350 --> 01:13:42,840

in the manifestation in the simulation

1950

01:13:46,850 --> 01:13:45,360

itself so that's something I just it's

1951

01:13:49,310 --> 01:13:46,860

important that I want to pass on to

1952

01:13:51,590 --> 01:13:49,320

everybody this idea of if you start

1953

01:13:53,570 --> 01:13:51,600

changing how you pray start changing

1954

01:13:55,729 --> 01:13:53,580

what prayer means to you you might

1955

01:13:58,490 --> 01:13:55,739

notice you're getting a really different

1956

01:14:00,890 --> 01:13:58,500

response from the energy and the effort

1957

01:14:03,350 --> 01:14:00,900

you put into it hmm

1958

01:14:04,910 --> 01:14:03,360

yeah I think that's really well said on

1959

01:14:07,430 --> 01:14:04,920

the occasions where I have talked to

1960

01:14:09,950 --> 01:14:07,440

occultists or magic practitioners they

1961

01:14:12,770 --> 01:14:09,960

emphasize that point as well that it is

1962

01:14:17,149 --> 01:14:12,780

important to speak in the present tense

1963

01:14:20,149 --> 01:14:17,159

or in very specific language because

1964

01:14:21,890 --> 01:14:20,159

the universe let's just say doesn't

1965

01:14:24,470 --> 01:14:21,900

really understand

1966

01:14:26,390 --> 01:14:24,480

the word not or whatever so you have to

1967

01:14:28,610 --> 01:14:26,400

talk as if you already have the thing

1968

01:14:31,550 --> 01:14:28,620

you want that's how you step into your

1969

01:14:34,130 --> 01:14:31,560

reality it's how manifestation works and

1970

01:14:37,669 --> 01:14:34,140

uh when I hear so many different people

1971

01:14:39,590 --> 01:14:37,679

making that point it leads me to believe

1972

01:14:43,189 --> 01:14:39,600

that it's probably very correct and

1973

01:14:45,050 --> 01:14:43,199

it'll increase your potency and we can

1974

01:14:46,910 --> 01:14:45,060

call that the first hour and we can

1975

01:14:49,550 --> 01:14:46,920

start off that second hour with the

1976

01:14:53,390 --> 01:14:49,560

kathars if you like but I'm curious if

1977

01:14:56,390 --> 01:14:53,400

their focus was getting out well how did

1978

01:14:58,130 --> 01:14:56,400

they do that in their day exactly the

1979

01:15:00,110 --> 01:14:58,140

question I had

1980

01:15:02,570 --> 01:15:00,120

I studied the mysteries of Southern

1981

01:15:04,189 --> 01:15:02,580

France now for almost 10 or 15 years I

1982

01:15:06,470 --> 01:15:04,199

started with the ren La Chateau story

1983

01:15:08,090 --> 01:15:06,480

dug into that tried to find out what was

1984

01:15:09,770 --> 01:15:08,100

true or not true about that moved into

1985

01:15:11,689 --> 01:15:09,780

the night's Templar moved into the

1986

01:15:13,729 --> 01:15:11,699

cathars moved into the Gauls moved into

1987

01:15:15,530 --> 01:15:13,739

the real story potential story of Jesus

1988

01:15:18,530 --> 01:15:15,540

in the New Testament

1989

01:15:20,510 --> 01:15:18,540

and when I re-dug into the cathars I

1990

01:15:23,270 --> 01:15:20,520

thought well they've got to have a great

1991

01:15:24,709 --> 01:15:23,280

system in place obviously if they were

1992

01:15:27,770 --> 01:15:24,719

killed for it they must have a system

1993

01:15:29,990 --> 01:15:27,780

but once you dig into whatever is

1994

01:15:32,209 --> 01:15:30,000

remaining we have so little remaining of

1995

01:15:33,729 --> 01:15:32,219

what the cathars believed or did or

1996

01:15:37,610 --> 01:15:33,739

accessed

1997

01:15:39,830 --> 01:15:37,620

there's not much there and I was kind of

1998

01:15:41,930 --> 01:15:39,840

surprised and I'm happy to share what I

1999

01:15:44,030 --> 01:15:41,940

found with you because what I did get

2000

01:15:45,709 --> 01:15:44,040

out of it makes me wonder

2001

01:15:47,030 --> 01:15:45,719

either they were doing something else

2002

01:15:49,310 --> 01:15:47,040

and they managed even through the

2003

01:15:52,669 --> 01:15:49,320

Inquisition to keep that hidden from the

2004

01:15:53,990 --> 01:15:52,679

Church of Rome or they missed the steps

2005

01:15:55,729 --> 01:15:54,000

somewhere and they were kind of fooling

2006

01:15:58,850 --> 01:15:55,739

themselves I'm not sure which it was

2007

01:16:01,310 --> 01:15:58,860

because always that exiting the cave is

2008

01:16:03,830 --> 01:16:01,320

something so different from seeing the

2009

01:16:06,290 --> 01:16:03,840

cave clearly so we can talk about that

2010

01:16:09,169 --> 01:16:06,300

let's do it you know one of my

2011

01:16:12,169 --> 01:16:09,179

Curiosities is if we're gonna throw so

2012

01:16:13,910 --> 01:16:12,179

much doubt on official stories

2013

01:16:16,310 --> 01:16:13,920

maybe they weren't quote unquote

2014

01:16:18,430 --> 01:16:16,320

genocided maybe they did get out

2015

01:16:20,810 --> 01:16:18,440

there's another really interesting

2016

01:16:23,030 --> 01:16:20,820

Theory because the system is going to

2017

01:16:24,649 --> 01:16:23,040

have to have a cover story yeah that

2018

01:16:27,110 --> 01:16:24,659

maybe they because that's the story of

2019

01:16:29,149 --> 01:16:27,120

the Mayas too right we have this great

2020

01:16:30,729 --> 01:16:29,159

civilization and then all of a sudden

2021

01:16:33,890 --> 01:16:30,739

they just disappear

2022

01:16:35,810 --> 01:16:33,900

and archaeologists find no bodies they

2023

01:16:37,430 --> 01:16:35,820

find no evidence of warfare they find

2024

01:16:38,689 --> 01:16:37,440

you know it's just like they literally

2025

01:16:41,270 --> 01:16:38,699

disappeared

2026

01:16:43,669 --> 01:16:41,280

so same thing did they find a doorway

2027

01:16:45,290 --> 01:16:43,679

and just banished on their own and then

2028

01:16:47,450 --> 01:16:45,300

like you say maybe the cathars did that

2029

01:16:49,490 --> 01:16:47,460

and then a story was created around them

2030

01:16:51,169 --> 01:16:49,500

I'm not so sure because

2031

01:16:52,669 --> 01:16:51,179

one of the strange things that happens

2032

01:16:54,470 --> 01:16:52,679

about the cathars that maybe start

2033

01:16:56,930 --> 01:16:54,480

questioning this was a book from the

2034

01:16:58,250 --> 01:16:56,940

1970s by a psychologist wow I can't

2035

01:17:00,229 --> 01:16:58,260

think of his name now

2036

01:17:02,750 --> 01:17:00,239

Goodman or something who lived in bath

2037

01:17:04,850 --> 01:17:02,760

England and claimed in the course of his

2038

01:17:07,189 --> 01:17:04,860

various psychological studies that he

2039

01:17:09,950 --> 01:17:07,199

was getting continuous

2040

01:17:13,490 --> 01:17:09,960

people claiming to be reincarnated

2041

01:17:15,229 --> 01:17:13,500

cathars and that he had like 20 or 30 of

2042

01:17:16,970 --> 01:17:15,239

them who were giving him information

2043

01:17:18,890 --> 01:17:16,980

that they shouldn't have and they would

2044

01:17:21,350 --> 01:17:18,900

go to France and they would verify this

2045

01:17:23,510 --> 01:17:21,360

information so that was another thing

2046

01:17:27,590 --> 01:17:23,520

that made me wonder okay if the cathars

2047

01:17:29,270 --> 01:17:27,600

hole presentation was exiting The

2048

01:17:31,490 --> 01:17:29,280

Reincarnation cycle

2049

01:17:33,709 --> 01:17:31,500

if someone is still reincarnating and

2050

01:17:36,169 --> 01:17:33,719

still reincarnating six or seven hundred

2051

01:17:40,189 --> 01:17:36,179

years in the future something went wrong

2052

01:17:41,990 --> 01:17:40,199

somewhere so did only certain cathars

2053

01:17:44,750 --> 01:17:42,000

figure it out at only certain at certain

2054

01:17:46,970 --> 01:17:44,760

times was it later on because we know

2055

01:17:49,310 --> 01:17:46,980

the cathars existed much longer than

2056

01:17:51,530 --> 01:17:49,320

their claimed to exist so did certain

2057

01:17:53,090 --> 01:17:51,540

ones only have the right exit tools

2058

01:17:54,950 --> 01:17:53,100

others didn't I don't know but it's

2059

01:17:57,290 --> 01:17:54,960

stories like that with the constant

2060

01:17:59,689 --> 01:17:57,300

claim of I was a reincarnated cathar

2061

01:18:01,430 --> 01:17:59,699

story that makes me wonder well if that

2062

01:18:03,410 --> 01:18:01,440

was the whole purpose of your stories

2063

01:18:04,729 --> 01:18:03,420

that no one asked them I wish someone

2064

01:18:06,530 --> 01:18:04,739

would ask like

2065

01:18:09,110 --> 01:18:06,540

okay you say you're a reincarnated

2066

01:18:10,490 --> 01:18:09,120

cathar yes okay so if your whole

2067

01:18:12,290 --> 01:18:10,500

teaching is about ending The

2068

01:18:14,630 --> 01:18:12,300

Reincarnation cycle why are you still

2069

01:18:16,490 --> 01:18:14,640

reincarnating I mean that would be the

2070

01:18:18,950 --> 01:18:16,500

most powerful information all of us

2071

01:18:20,240 --> 01:18:18,960

could get but no one seemed to ask that

2072

01:18:21,590 --> 01:18:20,250

question

2073

01:18:24,470 --> 01:18:21,600

[Music]

2074

01:18:26,990 --> 01:18:24,480

yeah it just makes me think that maybe

2075

01:18:29,330 --> 01:18:27,000

certain groups have

2076

01:18:31,070 --> 01:18:29,340

jailbroken out of here maybe the heavens

2077

01:18:33,830 --> 01:18:31,080

Gate cult figured it out and they were

2078

01:18:35,630 --> 01:18:33,840

only made to seem stupid for the people

2079

01:18:37,130 --> 01:18:35,640

left inside the game like hey don't pay

2080

01:18:39,890 --> 01:18:37,140

attention to what they're doing they're

2081

01:18:41,570 --> 01:18:39,900

just a bunch of idiots wearing Nikes and

2082

01:18:43,189 --> 01:18:41,580

killing themselves you don't want to go

2083

01:18:45,530 --> 01:18:43,199

down that road so don't you worry about

2084

01:18:48,350 --> 01:18:45,540

that over there meanwhile maybe they

2085

01:18:49,910 --> 01:18:48,360

found an opening and got out I know most

2086

01:18:51,410 --> 01:18:49,920

of the time of course is written and of

2087

01:18:53,870 --> 01:18:51,420

course I wrote a lot about it in my book

2088

01:18:56,270 --> 01:18:53,880

of sort of this how to exit after you

2089

01:18:57,770 --> 01:18:56,280

die period how to avoid some traps and

2090

01:19:00,890 --> 01:18:57,780

deceptions and deal with the after death

2091

01:19:02,750 --> 01:19:00,900

state but I would also for sure say that

2092

01:19:04,610 --> 01:19:02,760

there must be a way to do it before you

2093

01:19:06,470 --> 01:19:04,620

die there would have to be a way to

2094

01:19:08,630 --> 01:19:06,480

almost I heard it described as pop out

2095

01:19:12,350 --> 01:19:08,640

of the Matrix that literally just

2096

01:19:15,890 --> 01:19:12,360

now you're gone but I think it requires

2097

01:19:18,590 --> 01:19:15,900

quite a bit of preparation I get a sense

2098

01:19:20,510 --> 01:19:18,600

that one way or another Carlos Castaneda

2099

01:19:22,010 --> 01:19:20,520

in his own way was writing some of these

2100

01:19:24,110 --> 01:19:22,020

ideas that

2101

01:19:25,970 --> 01:19:24,120

I don't think of course he had total

2102

01:19:28,250 --> 01:19:25,980

knowledge and there was lots of question

2103

01:19:30,350 --> 01:19:28,260

marks about him and how he lived his

2104

01:19:32,090 --> 01:19:30,360

life and the strangeness of his own life

2105

01:19:34,610 --> 01:19:32,100

but in the writings I think are some of

2106

01:19:36,770 --> 01:19:34,620

these ideas that could have become a pop

2107

01:19:39,050 --> 01:19:36,780

out of the Matrix moment and I don't

2108

01:19:41,750 --> 01:19:39,060

doubt that certain individuals and

2109

01:19:43,970 --> 01:19:41,760

certain groups did understand how to do

2110

01:19:45,350 --> 01:19:43,980

this I was told a story by a friend of

2111

01:19:48,110 --> 01:19:45,360

mine I don't know if I should say this

2112

01:19:50,390 --> 01:19:48,120

but maybe I will say I should that there

2113

01:19:52,490 --> 01:19:50,400

was a book that existed in their family

2114

01:19:56,149 --> 01:19:52,500

they come from the her families from the

2115

01:19:57,890 --> 01:19:56,159

southeast Europe so Gypsy country and

2116

01:19:59,630 --> 01:19:57,900

that there was a particular book that

2117

01:20:02,030 --> 01:19:59,640

was in her family and if you read the

2118

01:20:04,729 --> 01:20:02,040

book and did every single thing in this

2119

01:20:06,649 --> 01:20:04,739

book completely perfectly exactly as the

2120

01:20:10,370 --> 01:20:06,659

book said when you were finished it you

2121

01:20:12,290 --> 01:20:10,380

would disappear damn so I think this

2122

01:20:16,010 --> 01:20:12,300

knowledge does actually exist out there

2123

01:20:18,229 --> 01:20:16,020

in some very hidden underground form

2124

01:20:21,290 --> 01:20:18,239

there must be ways to do it but it also

2125

01:20:23,810 --> 01:20:21,300

seems like it's not something you you

2126

01:20:25,729 --> 01:20:23,820

learn in 24 hours that there's a

2127

01:20:28,010 --> 01:20:25,739

tremendous amount of learning not just

2128

01:20:30,110 --> 01:20:28,020

to deal handle the material body the

2129

01:20:31,910 --> 01:20:30,120

mental body the etheric body the astral

2130

01:20:33,050 --> 01:20:31,920

body the whatever other body that all of

2131

01:20:35,090 --> 01:20:33,060

these things have to be really

2132

01:20:36,110 --> 01:20:35,100

fine-tuned and I think you've got to

2133

01:20:38,090 --> 01:20:36,120

then know

2134

01:20:39,830 --> 01:20:38,100

you might say where the crack or the

2135

01:20:41,030 --> 01:20:39,840

portal or whatever it is to make the

2136

01:20:44,689 --> 01:20:41,040

jump out

2137

01:20:47,149 --> 01:20:44,699

mm-hmm and as we're trying to find some

2138

01:20:49,310 --> 01:20:47,159

way to wrap up all the wild stuff we

2139

01:20:51,350 --> 01:20:49,320

talked about I was listening to one of

2140

01:20:53,450 --> 01:20:51,360

your previous interviews about the new

2141

01:20:56,330 --> 01:20:53,460

soul trap book and you were getting

2142

01:20:58,910 --> 01:20:56,340

pretty worked up saying that this era is

2143

01:21:02,149 --> 01:20:58,920

so important nothing is getting fixed we

2144

01:21:04,070 --> 01:21:02,159

have maybe six to 12 months left and if

2145

01:21:05,930 --> 01:21:04,080

the whole thing isn't shut down in six

2146

01:21:09,770 --> 01:21:05,940

to 12 months it'll never be shut down

2147

01:21:13,130 --> 01:21:09,780

the game is that close to being finished

2148

01:21:14,750 --> 01:21:13,140

pretty bold statements as we're pulling

2149

01:21:15,709 --> 01:21:14,760

this all together do you still feel that

2150

01:21:20,570 --> 01:21:15,719

way

2151

01:21:22,669 --> 01:21:20,580

tried to present it's so hard to try to

2152

01:21:24,290 --> 01:21:22,679

say especially when you you know you got

2153

01:21:26,630 --> 01:21:24,300

the energy in it but

2154

01:21:27,950 --> 01:21:26,640

I felt that this was about yeah six

2155

01:21:29,870 --> 01:21:27,960

months ago maybe

2156

01:21:31,850 --> 01:21:29,880

yeah we were in like about a nine or ten

2157

01:21:33,950 --> 01:21:31,860

month period where there's going to be a

2158

01:21:35,990 --> 01:21:33,960

pretty massive event and we're starting

2159

01:21:37,130 --> 01:21:36,000

to see how many balls are in the air

2160

01:21:40,850 --> 01:21:37,140

right now

2161

01:21:44,290 --> 01:21:40,860

and that this event is going to

2162

01:21:49,910 --> 01:21:44,300

guarantee lead this into the next reset

2163

01:21:51,590 --> 01:21:49,920

and if people don't recognize it and

2164

01:21:53,510 --> 01:21:51,600

and I don't know if it can be changed

2165

01:21:55,189 --> 01:21:53,520

this is another important part I'm not

2166

01:21:58,250 --> 01:21:55,199

sure that whatever this event is going

2167

01:22:00,530 --> 01:21:58,260

to be that we can fix it what we can do

2168

01:22:01,970 --> 01:22:00,540

is recognize it's happening

2169

01:22:04,910 --> 01:22:01,980

and

2170

01:22:06,229 --> 01:22:04,920

most importantly move into our own power

2171

01:22:08,149 --> 01:22:06,239

that's really what all this is about

2172

01:22:10,370 --> 01:22:08,159

anyway the whole thing we've talked

2173

01:22:11,570 --> 01:22:10,380

about for the last couple of hours it's

2174

01:22:14,090 --> 01:22:11,580

all about

2175

01:22:16,790 --> 01:22:14,100

while you go externally and you look

2176
01:22:18,290 --> 01:22:16,800
externally and you explore the Cave the

2177
01:22:20,450 --> 01:22:18,300
most important thing you have to explore

2178
01:22:22,669 --> 01:22:20,460
is yourself and the most important thing

2179
01:22:24,649 --> 01:22:22,679
you we have to do is called going within

2180
01:22:27,050 --> 01:22:24,659
or spiraling within or following the

2181
01:22:29,090 --> 01:22:27,060
Labyrinth within to the place of our own

2182
01:22:32,030 --> 01:22:29,100
power to the place of all the things

2183
01:22:35,149 --> 01:22:32,040
we've kind of rejected about our true

2184
01:22:37,370 --> 01:22:35,159
nature all of us every single person

2185
01:22:40,130 --> 01:22:37,380
whether they know it or not has more

2186
01:22:42,410 --> 01:22:40,140
power than they can possibly believe has

2187
01:22:45,050 --> 01:22:42,420
more access to everything you'd ever

2188
01:22:47,810 --> 01:22:45,060

want to know but if we focus that on

2189

01:22:49,790 --> 01:22:47,820

trying to fix external if we focus that

2190

01:22:51,470 --> 01:22:49,800

on trying to say the world is insane or

2191

01:22:54,050 --> 01:22:51,480

the world is going and saying that I

2192

01:22:56,689 --> 01:22:54,060

need to fix it we're already losing a

2193

01:22:59,689 --> 01:22:56,699

lot of our power that instead we want to

2194

01:23:02,689 --> 01:22:59,699

I think in my opinion deepen that power

2195

01:23:04,490 --> 01:23:02,699

deepen our connection to it help others

2196

01:23:07,370 --> 01:23:04,500

to make that connection as well to

2197

01:23:09,290 --> 01:23:07,380

deepen our own power what happens to the

2198

01:23:12,110 --> 01:23:09,300

rest of reality around us because of it

2199

01:23:16,010 --> 01:23:12,120

will happen as it happens we're not

2200

01:23:18,649 --> 01:23:16,020

focused on fixing it we're focused on

2201

01:23:22,189 --> 01:23:18,659

taking ourselves to the totality of what

2202

01:23:25,550 --> 01:23:22,199

we are and allowing that to be our guide

2203

01:23:26,930 --> 01:23:25,560

to in my case of course to leave the

2204

01:23:29,030 --> 01:23:26,940

cave but it might be different for

2205

01:23:30,830 --> 01:23:29,040

everybody but it's then following our

2206

01:23:33,229 --> 01:23:30,840

own Inner Path and our own inner Journey

2207

01:23:34,790 --> 01:23:33,239

the point I was making is don't think

2208

01:23:37,790 --> 01:23:34,800

you've got 10 or 20 years to do this

2209

01:23:40,430 --> 01:23:37,800

work anymore it's not 1980 you know the

2210

01:23:42,590 --> 01:23:40,440

things that applied in 1980 or 1990 and

2211

01:23:43,970 --> 01:23:42,600

the things of self-help Guru said and

2212

01:23:46,430 --> 01:23:43,980

all the spiritual books that came out

2213

01:23:49,370 --> 01:23:46,440

they don't apply anymore all of that is

2214

01:23:51,530 --> 01:23:49,380

no longer relevant we are in a very

2215

01:23:53,630 --> 01:23:51,540

compressed time frame now in a very

2216

01:23:55,610 --> 01:23:53,640

compressed energetic state

2217

01:23:57,110 --> 01:23:55,620

that means there's a great opening

2218

01:23:58,850 --> 01:23:57,120

there's a great portal there's a great

2219

01:24:00,770 --> 01:23:58,860

possibility for knowledge a lot of

2220

01:24:02,630 --> 01:24:00,780

people are getting tremendous amounts of

2221

01:24:04,490 --> 01:24:02,640

knowledge very very quickly right now

2222

01:24:06,229 --> 01:24:04,500

it's overwhelming for a lot of people

2223

01:24:07,010 --> 01:24:06,239

they're having a tough time dealing with

2224

01:24:08,990 --> 01:24:07,020

it

2225

01:24:10,910 --> 01:24:09,000

now is the time to not only work for

2226

01:24:12,950 --> 01:24:10,920

yourself to

2227

01:24:15,530 --> 01:24:12,960

finish the job that you started you

2228

01:24:17,810 --> 01:24:15,540

might say of a path to truth helping

2229

01:24:19,790 --> 01:24:17,820

those that are particularly coming to

2230

01:24:21,410 --> 01:24:19,800

knowledge very very more quick than

2231

01:24:24,350 --> 01:24:21,420

they're ready for and need some help

2232

01:24:26,689 --> 01:24:24,360

need some help to apply what's going on

2233

01:24:28,669 --> 01:24:26,699

understand what's going on because again

2234

01:24:30,350 --> 01:24:28,679

things that would normally have five or

2235

01:24:32,390 --> 01:24:30,360

ten years to assimilate and work through

2236

01:24:33,950 --> 01:24:32,400

you've got you know five or ten months

2237

01:24:37,370 --> 01:24:33,960

now five or ten weeks

2238

01:24:40,189 --> 01:24:37,380

and so my point was not in a sense to

2239

01:24:43,729 --> 01:24:40,199

scare anyone not to present Doom or

2240

01:24:45,229 --> 01:24:43,739

anything it was to say but actually this

2241

01:24:47,570 --> 01:24:45,239

is going to change and it's going to

2242

01:24:51,530 --> 01:24:47,580

become potentially really really crazy

2243

01:24:53,330 --> 01:24:51,540

really really quickly so Focus your time

2244

01:24:55,189 --> 01:24:53,340

and energy on what's absolutely most

2245

01:24:57,169 --> 01:24:55,199

important to you

2246

01:24:59,930 --> 01:24:57,179

if you don't know what's important start

2247

01:25:01,250 --> 01:24:59,940

asking today what is the most important

2248

01:25:02,689 --> 01:25:01,260

thing in my life what is the most

2249

01:25:04,790 --> 01:25:02,699

important thing I want to put my time

2250

01:25:06,530 --> 01:25:04,800

and my energy in put your time in that

2251

01:25:08,990 --> 01:25:06,540

maybe it's I just want to spend time

2252

01:25:10,729 --> 01:25:09,000

with my kids and my dog and my family

2253

01:25:13,370 --> 01:25:10,739

and that's the most important thing in

2254

01:25:15,350 --> 01:25:13,380

my life then do it I mean don't wait for

2255

01:25:18,770 --> 01:25:15,360

next year to do that do it right now

2256

01:25:20,689 --> 01:25:18,780

because the way this reset is seemingly

2257

01:25:22,490 --> 01:25:20,699

structured we don't know how long we've

2258

01:25:24,530 --> 01:25:22,500

got to do anything so find out what's

2259

01:25:26,689 --> 01:25:24,540

most important to you put your time and

2260

01:25:29,270 --> 01:25:26,699

effort into that then no matter what

2261

01:25:31,910 --> 01:25:29,280

happens even if nothing happens and the

2262

01:25:34,070 --> 01:25:31,920

whole thing becomes a magic Wonderland

2263

01:25:36,410 --> 01:25:34,080

you're not going to be disappointed and

2264

01:25:38,450 --> 01:25:36,420

say I wished I'd put my time and effort

2265

01:25:40,550 --> 01:25:38,460

into this when I had the chance you did

2266

01:25:42,770 --> 01:25:40,560

so put your time and effort into what's

2267

01:25:44,990 --> 01:25:42,780

important to you and no matter what

2268

01:25:47,090 --> 01:25:45,000

happens from that you'll be glad you did

2269

01:25:47,649 --> 01:25:47,100

down the road

2270

01:25:50,209 --> 01:25:47,659

um

2271

01:25:52,430 --> 01:25:50,219

I love it great way to bring it home

2272

01:25:56,330 --> 01:25:52,440

what a pro it's like you've done this

2273

01:25:57,890 --> 01:25:56,340

before but damn well howdy this was a

2274

01:25:59,990 --> 01:25:57,900

whirlwind of fun stuff to think about

2275

01:26:01,970 --> 01:26:00,000

the wisdom of the Ancients and the

2276

01:26:04,129 --> 01:26:01,980

indigenous The Oddities and the timeline

2277

01:26:07,430 --> 01:26:04,139

the world's fairs and the trap of all

2278

01:26:09,169 --> 01:26:07,440

traps The Reincarnation cycle really had

2279

01:26:11,570 --> 01:26:09,179

a good time with you today give the

2280

01:26:13,970 --> 01:26:11,580

people your links and the info they need

2281

01:26:16,070 --> 01:26:13,980

to dig in deeper if they want more than

2282

01:26:18,050 --> 01:26:16,080

the taste they got today

2283

01:26:19,790 --> 01:26:18,060

thanks Greg I've been actually looking

2284

01:26:22,010 --> 01:26:19,800

forward to this for a long time I've

2285

01:26:24,290 --> 01:26:22,020

really liked the work you do I like how

2286

01:26:26,270 --> 01:26:24,300

prepared you are for the interviews how

2287

01:26:28,790 --> 01:26:26,280

smooth you make the interviews happen so

2288

01:26:30,530 --> 01:26:28,800

thank you again for having me on on as

2289

01:26:32,270 --> 01:26:30,540

your guest today and if people are

2290

01:26:35,209 --> 01:26:32,280

interested you can look for information

2291

01:26:36,709 --> 01:26:35,219

on my books at the very terribly named I

2292

01:26:38,890 --> 01:26:36,719

can't believe I named my website this

2293

01:26:41,570 --> 01:26:38,900

but it's Egyptian Dash

2294

01:26:43,729 --> 01:26:41,580

wisdom-revealed.com it's probably easier

2295

01:26:46,189 --> 01:26:43,739

to just Google search my name and get to

2296

01:26:48,530 --> 01:26:46,199

it that way you can also see most of the

2297

01:26:50,689 --> 01:26:48,540

books on Amazon exit the cave is just

2298

01:26:53,270 --> 01:26:50,699

out it's new it's only about three weeks

2299

01:26:55,850 --> 01:26:53,280

out it's only as a PDF ebook at this

2300

01:26:58,270 --> 01:26:55,860

time it's by donation actually minimum

2301

01:27:02,629 --> 01:26:58,280

five dollars which I think is great for

2302

01:27:03,830 --> 01:27:02,639

500 or a 200 Page 15 chapter book of

2303

01:27:05,810 --> 01:27:03,840

information

2304

01:27:08,209 --> 01:27:05,820

we're hoping to have it out soon as a

2305

01:27:11,689 --> 01:27:08,219

print book maybe October and an

2306

01:27:13,430 --> 01:27:11,699

audiobook later in November but you can

2307

01:27:14,810 --> 01:27:13,440

go to the website and check out the

2308

01:27:16,189 --> 01:27:14,820

information on that book the other books

2309

01:27:19,010 --> 01:27:16,199

you can find on Amazon or your local

2310

01:27:21,290 --> 01:27:19,020

Bookseller and you can go to YouTube to

2311

01:27:23,810 --> 01:27:21,300

I'm still there for now howdy McCoskey

2312

01:27:26,090 --> 01:27:23,820

talks and there's I think 300 videos

2313

01:27:28,189 --> 01:27:26,100

there that you can look through and find

2314

01:27:29,689 --> 01:27:28,199

a subject that's interesting to you my

2315

01:27:31,729 --> 01:27:29,699

email can be found through both that

2316

01:27:32,930 --> 01:27:31,739

YouTube and my own site if you have

2317

01:27:35,270 --> 01:27:32,940

something to share or you have a

2318

01:27:37,070 --> 01:27:35,280

question to ask or I do get a lot of

2319

01:27:38,570 --> 01:27:37,080

really useful information that comes to

2320

01:27:40,370 --> 01:27:38,580

me from people dropping an email so

2321

01:27:43,430 --> 01:27:40,380

you're more than welcome to do that and

2322

01:27:45,350 --> 01:27:43,440

yeah thanks again for sharing your time

2323

01:27:47,090 --> 01:27:45,360

and listening along with our

2324

01:27:49,910 --> 01:27:47,100

conversation that we've had I I really

2325

01:27:51,950 --> 01:27:49,920

enjoyed this one yeah man me too thank

2326

01:27:54,530 --> 01:27:51,960

you for the kind words and I appreciate

2327

01:27:57,830 --> 01:27:54,540

you going closer to almost three hours

2328

01:28:00,229 --> 01:27:57,840

with me uh you are the man I'm glad you

2329

01:28:02,090 --> 01:28:00,239

found a passion in life before the

2330

01:28:05,209 --> 01:28:02,100

depression took you over the edge not

2331

01:28:07,370 --> 01:28:05,219

everyone is so lucky but you really have

2332

01:28:09,709 --> 01:28:07,380

forged your own path and it's impressive

2333

01:28:12,350 --> 01:28:09,719

and this was quite enjoyable keep up the

2334

01:28:14,990 --> 01:28:12,360

great work and take care thanks Greg all

2335

01:28:22,250 --> 01:28:19,010

sweet big Cathedral energy Batman I am a

2336

01:28:24,890 --> 01:28:22,260

fan of this one locking in it well over

2337

01:28:28,010 --> 01:28:24,900

two hours can you believe it

2338

01:28:30,229 --> 01:28:28,020

Howdy's a fun guy exploring all sorts of

2339

01:28:32,750 --> 01:28:30,239

slices of the mysterious pie of Life

2340

01:28:34,729 --> 01:28:32,760

pulled himself out of a deep depression

2341

01:28:36,470 --> 01:28:34,739

and went balls to the wall

2342

01:28:38,870 --> 01:28:36,480

I think you know by now that one of my

2343

01:28:41,330 --> 01:28:38,880

favorite avenues for exploring the idea

2344

01:28:43,490 --> 01:28:41,340

of a reset or a radically different past

2345

01:28:47,090 --> 01:28:43,500

that has been glossed over and forgotten

2346

01:28:49,370 --> 01:28:47,100

is the world's fairs it's a subject that

2347

01:28:51,830 --> 01:28:49,380

butts right up against Tesla and the

2348

01:28:53,270 --> 01:28:51,840

secret Tech stuff the size and scope of

2349

01:28:56,390 --> 01:28:53,280

these events at a time when getting

2350

01:28:58,790 --> 01:28:56,400

around the planet wasn't at all easy

2351

01:29:01,669 --> 01:28:58,800

and looking at all those details that

2352

01:29:03,890 --> 01:29:01,679

howdy has extracted I mean it's just a

2353

01:29:05,870 --> 01:29:03,900

big wow from me

2354

01:29:07,729 --> 01:29:05,880

and I know that ended up being deep

2355

01:29:09,169 --> 01:29:07,739

second hour stuff though it would have

2356

01:29:12,290 --> 01:29:09,179

been the first thing I asked him about

2357

01:29:14,330 --> 01:29:12,300

but my rule of thumb is always to try to

2358

01:29:15,649 --> 01:29:14,340

get a person's latest work into the

2359

01:29:18,290 --> 01:29:15,659

first hour

2360

01:29:20,570 --> 01:29:18,300

it just feels like that is what I should

2361

01:29:22,970 --> 01:29:20,580

do and that material is interesting as

2362

01:29:26,450 --> 01:29:22,980

well no doubt and when we're talking

2363

01:29:28,310 --> 01:29:26,460

simulation type stuff the idea of NPCs

2364

01:29:30,169 --> 01:29:28,320

is also fascinating

2365

01:29:32,810 --> 01:29:30,179

it's basically just a couple degrees

2366

01:29:35,510 --> 01:29:32,820

over from reptilians which is a couple

2367

01:29:37,370 --> 01:29:35,520

degrees over from Psychopaths

2368

01:29:40,070 --> 01:29:37,380

it also jives with The Hidden Hand

2369

01:29:42,709 --> 01:29:40,080

material which was all about the elite

2370

01:29:45,709 --> 01:29:42,719

reincarnating into the same families to

2371

01:29:46,729 --> 01:29:45,719

maintain that level of control over the

2372

01:29:49,669 --> 01:29:46,739

game

2373

01:29:52,010 --> 01:29:49,679

but it all speaks to that idea that some

2374

01:29:54,050 --> 01:29:52,020

people are not like you and me

2375

01:29:55,910 --> 01:29:54,060

are they a different kind of creature

2376

01:29:59,689 --> 01:29:55,920

are they from a different planet are

2377

01:30:01,970 --> 01:29:59,699

they agents of a conscious reality are

2378

01:30:03,350 --> 01:30:01,980

they bosses in the video game life to be

2379

01:30:05,870 --> 01:30:03,360

conquered

2380

01:30:07,729 --> 01:30:05,880

I guess that's yet to be determined but

2381

01:30:08,689 --> 01:30:07,739

something is certainly off with these

2382

01:30:11,570 --> 01:30:08,699

people

2383

01:30:14,570 --> 01:30:11,580

and who knows when a random character in

2384

01:30:16,490 --> 01:30:14,580

the game sends you on a trajectory that

2385

01:30:17,870 --> 01:30:16,500

seems subtle but ends up being quite

2386

01:30:20,209 --> 01:30:17,880

profound

2387

01:30:22,550 --> 01:30:20,219

it's worth thinking about so I love the

2388

01:30:24,290 --> 01:30:22,560

material I love his personal story I

2389

01:30:26,570 --> 01:30:24,300

think it's a great message to say that

2390

01:30:28,430 --> 01:30:26,580

if you've had enough if you're at your

2391

01:30:31,430 --> 01:30:28,440

Wit's End if you're at the end of your

2392

01:30:34,490 --> 01:30:31,440

rope don't just snuff out your own fire

2393

01:30:36,770 --> 01:30:34,500

Stoke it and burn off all the pain the

2394

01:30:37,850 --> 01:30:36,780

numbness the boredom and the unfulfilled

2395

01:30:39,830 --> 01:30:37,860

dreams

2396

01:30:41,750 --> 01:30:39,840

just go harder than you ever thought

2397

01:30:43,970 --> 01:30:41,760

possible and see where you end up when

2398

01:30:44,990 --> 01:30:43,980

you have nowhere to go but on that

2399

01:30:46,850 --> 01:30:45,000

Adventure

2400

01:30:48,770 --> 01:30:46,860

and howdy is gonna have to come back

2401
01:30:51,290 --> 01:30:48,780
sometime because we left a lot on the

2402
01:30:54,229 --> 01:30:51,300
table he's gone super deep on Dark City

2403
01:30:56,030 --> 01:30:54,239
he did a big 12-part series on renless

2404
01:30:57,229 --> 01:30:56,040
Chateau the cathars and the Knights

2405
01:31:00,050 --> 01:30:57,239
Templar

2406
01:31:02,270 --> 01:31:00,060
getting into the idea that Paris could

2407
01:31:05,209 --> 01:31:02,280
be the New Testament Jerusalem

2408
01:31:07,010 --> 01:31:05,219
it's odd but I like his creativity and

2409
01:31:08,930 --> 01:31:07,020
his willingness to go deep into

2410
01:31:11,629 --> 01:31:08,940
uncharted waters

2411
01:31:13,970 --> 01:31:11,639
plus the life experiences spending time

2412
01:31:16,310 --> 01:31:13,980
with the shamans and medicine men first

2413
01:31:19,070 --> 01:31:16,320

hand I'm a fan

2414

01:31:21,290 --> 01:31:19,080

I did record this one several weeks back

2415

01:31:23,810 --> 01:31:21,300

though so when we ended with him talking

2416

01:31:26,390 --> 01:31:23,820

about us having five or six good weeks

2417

01:31:27,709 --> 01:31:26,400

left that's basically down to two or

2418

01:31:29,870 --> 01:31:27,719

three now

2419

01:31:32,570 --> 01:31:29,880

and we all see the direction things are

2420

01:31:34,729 --> 01:31:32,580

going but sometimes I think these arcs

2421

01:31:37,310 --> 01:31:34,739

seem immediate when really they're much

2422

01:31:40,790 --> 01:31:37,320

longer than we think I can't remember if

2423

01:31:42,410 --> 01:31:40,800

Ice Age farmer was 2020 or 2021 but he

2424

01:31:44,570 --> 01:31:42,420

definitely made it seem like we would

2425

01:31:46,790 --> 01:31:44,580

all be starving and dead by now because

2426

01:31:49,030 --> 01:31:46,800

there'd be no food anywhere

2427

01:31:52,189 --> 01:31:49,040

I also heard a clip the other day from

2428

01:31:55,070 --> 01:31:52,199

1997 where David Ike said the plan was

2429

01:31:57,470 --> 01:31:55,080

to create a virus in a lab let it out

2430

01:32:00,770 --> 01:31:57,480

and then create a global vaccination

2431

01:32:03,350 --> 01:32:00,780

campaign to call the population and gain

2432

01:32:05,450 --> 01:32:03,360

access to the human operating system he

2433

01:32:07,550 --> 01:32:05,460

also said they would change elder care

2434

01:32:12,530 --> 01:32:07,560

to kill off the elderly

2435

01:32:15,110 --> 01:32:12,540

in 1997 I was in the seventh grade

2436

01:32:17,750 --> 01:32:15,120

so was he wrong or was he extremely

2437

01:32:20,030 --> 01:32:17,760

right it sounds to me like a lot of

2438

01:32:23,810 --> 01:32:20,040

people would have said he was crazy as

2439

01:32:26,470 --> 01:32:23,820

he walked the long road to being right

2440

01:32:29,510 --> 01:32:26,480

so even with the world economic Forum

2441

01:32:31,850 --> 01:32:29,520

sustainable development goal stuff we

2442

01:32:35,390 --> 01:32:31,860

are throwing out warnings that might not

2443

01:32:37,790 --> 01:32:35,400

be obvious for five to eight years

2444

01:32:40,490 --> 01:32:37,800

and people have a super short memory so

2445

01:32:42,410 --> 01:32:40,500

we got to consider how long these plans

2446

01:32:44,930 --> 01:32:42,420

are sometimes

2447

01:32:47,330 --> 01:32:44,940

but I still love this one I don't share

2448

01:32:49,610 --> 01:32:47,340

Howdy's negative outlook on reality

2449

01:32:52,070 --> 01:32:49,620

itself as a structure

2450

01:32:53,570 --> 01:32:52,080

but as I said I'm in the beginning of a

2451

01:32:55,610 --> 01:32:53,580

story the middle really

2452

01:32:58,669 --> 01:32:55,620

and I'm well aware that nobody gets out

2453

01:33:02,149 --> 01:32:58,679

alive loss will be baked in but my first

2454

01:33:05,030 --> 01:33:02,159

38 years have been pretty damn enjoyable

2455

01:33:07,129 --> 01:33:05,040

and the negative pressures I felt from

2456

01:33:08,330 --> 01:33:07,139

the system led me to do this and this

2457

01:33:10,250 --> 01:33:08,340

has worked out

2458

01:33:13,970 --> 01:33:10,260

and look I'm not naive to the

2459

01:33:16,430 --> 01:33:13,980

possibilities but so far so good though

2460

01:33:19,189 --> 01:33:16,440

I understand why he feels how he feels

2461

01:33:20,629 --> 01:33:19,199

based on his experience so far and asked

2462

01:33:22,729 --> 01:33:20,639

me in another 10 years and I might be

2463

01:33:25,430 --> 01:33:22,739

more on his page who knows

2464

01:33:27,610 --> 01:33:25,440

and as good as the first half was you

2465

01:33:30,410 --> 01:33:27,620

know we got a second half for members

2466

01:33:32,390 --> 01:33:30,420

you can get a worthless blue check mark

2467

01:33:36,290 --> 01:33:32,400

for eight bucks a month or you can get

2468

01:33:38,629 --> 01:33:36,300

five high octane episodes of THC and it

2469

01:33:40,729 --> 01:33:38,639

all starts with a free seven-day trial

2470

01:33:43,310 --> 01:33:40,739

that you could get right now the higher

2471

01:33:44,870 --> 01:33:43,320

sidechats.com or click the top link

2472

01:33:47,209 --> 01:33:44,880

right there in the show notes of

2473

01:33:49,310 --> 01:33:47,219

whatever podcast app you're on

2474

01:33:52,129 --> 01:33:49,320

and the second hour today we talked

2475

01:33:54,649 --> 01:33:52,139

about recapitulation practices and how

2476

01:33:56,870 --> 01:33:54,659

important they are a deep dive on

2477

01:33:58,390 --> 01:33:56,880

Howdy's work on deconstructing the

2478

01:34:01,729 --> 01:33:58,400

world's fairs and international

2479

01:34:04,010 --> 01:34:01,739

expositions the multi-layer motivation

2480

01:34:06,709 --> 01:34:04,020

for throwing the fares

2481

01:34:08,629 --> 01:34:06,719

the strange history of The Architects of

2482

01:34:11,330 --> 01:34:08,639

these World fairs

2483

01:34:14,870 --> 01:34:11,340

some of Howdy's exploration stories and

2484

01:34:17,570 --> 01:34:14,880

his call to THC listeners insights from

2485

01:34:19,970 --> 01:34:17,580

those medicine men a deep dive into the

2486

01:34:23,030 --> 01:34:19,980

Buffalo World's Fair and its radical

2487

01:34:24,830 --> 01:34:23,040

brutality and we talked about the Temple

2488

01:34:26,330 --> 01:34:24,840

of music and the assassination of

2489

01:34:29,149 --> 01:34:26,340

President McKinley

2490

01:34:31,490 --> 01:34:29,159

very diverse and compelling range of

2491

01:34:33,470 --> 01:34:31,500

topics Bangor of an episode

2492

01:34:35,629 --> 01:34:33,480

in higher side news we're going to pop

2493

01:34:37,010 --> 01:34:35,639

over to that Meetup calendar and see

2494

01:34:39,050 --> 01:34:37,020

what's what

2495

01:34:41,270 --> 01:34:39,060

we are done with the first week of

2496

01:34:44,870 --> 01:34:41,280

November though I am looking at an event

2497

01:34:48,410 --> 01:34:44,880

today that I can barely pronounce but

2498

01:34:50,930 --> 01:34:48,420

it's in Ontario in utterson Canada

2499

01:34:53,870 --> 01:34:50,940

at the Raymond Community Hall

2500

01:34:56,629 --> 01:34:53,880

it says join me in the local seniors for

2501

01:34:58,970 --> 01:34:56,639

arousing Euchre Tournament entry fee two

2502

01:35:00,649 --> 01:34:58,980

dollars coffee included cash prizes for

2503

01:35:03,110 --> 01:35:00,659

the top three winners I have to look at

2504

01:35:05,810 --> 01:35:03,120

what Euchre even is I just Googled how

2505

01:35:08,930 --> 01:35:05,820

to pronounce it but I do like it and I

2506

01:35:10,310 --> 01:35:08,940

do like gambling and games that can win

2507

01:35:12,590 --> 01:35:10,320

people money

2508

01:35:15,770 --> 01:35:12,600

I wish I had had more time to promote it

2509

01:35:18,110 --> 01:35:15,780

but if you're in Ontario Canada and you

2510

01:35:19,189 --> 01:35:18,120

want to play Euchre there's a tournament

2511

01:35:21,649 --> 01:35:19,199

happening

2512

01:35:23,870 --> 01:35:21,659

then on the 11th we got the Topeka

2513

01:35:26,030 --> 01:35:23,880

Kansas Meetup at the Topeka Performing

2514

01:35:28,550 --> 01:35:26,040

Arts Center on the 12th we got an

2515

01:35:31,850 --> 01:35:28,560

Asheville North Carolina meetup on

2516

01:35:35,450 --> 01:35:31,860

November 13th a Utah meet up in Sandy

2517

01:35:37,550 --> 01:35:35,460

Utah at the Athena beans Bistro

2518

01:35:40,129 --> 01:35:37,560

November 16th getting together in

2519

01:35:43,490 --> 01:35:40,139

Seattle Washington again November 18th

2520

01:35:44,570 --> 01:35:43,500

going to the Durango Colorado Smiley

2521

01:35:46,550 --> 01:35:44,580

Cafe

2522

01:35:48,649 --> 01:35:46,560

and we got West Bridgewater

2523

01:35:51,110 --> 01:35:48,659

Massachusetts and Frederick Maryland

2524

01:35:52,850 --> 01:35:51,120

closing out November now I hope more

2525

01:35:54,830 --> 01:35:52,860

things get added always give me the

2526
01:35:56,870 --> 01:35:54,840
two-week lead time so I can promote the

2527
01:35:57,890 --> 01:35:56,880
event let people know so they don't miss

2528
01:36:00,110 --> 01:35:57,900
it

2529
01:36:03,229 --> 01:36:00,120
but that is a full calendar and I like

2530
01:36:04,850 --> 01:36:03,239
to see it people meeting people that's

2531
01:36:07,850 --> 01:36:04,860
life right

2532
01:36:09,950 --> 01:36:07,860
so really good show I don't have much

2533
01:36:12,590 --> 01:36:09,960
else to say big thanks to today's guest

2534
01:36:13,970 --> 01:36:12,600
check out his books and his videos tell

2535
01:36:15,229 --> 01:36:13,980
him you'll like the interview if you'd

2536
01:36:18,050 --> 01:36:15,239
be so kind

2537
01:36:20,510 --> 01:36:18,060
take care out there remember what's

2538
01:36:22,970 --> 01:36:20,520

important life is only getting crazier

2539

01:36:25,550 --> 01:36:22,980

and the big narratives are only trying

2540

01:36:29,330 --> 01:36:25,560

harder and harder to hook you in and

2541

01:36:31,430 --> 01:36:29,340

dominate your mindset that said I've

2542

01:36:33,830 --> 01:36:31,440

done my part your move simulation

2543

01:36:36,229 --> 01:36:33,840

concealers timeline troublemakers and

2544

01:36:40,370 --> 01:36:36,239

Plato's Cave captives

2545

01:36:48,189 --> 01:36:45,410

the truth has been hidden from me didn't

2546

01:36:52,310 --> 01:36:48,199

believe that myself

2547

01:36:58,810 --> 01:36:52,320

got lizard people on top of the world

2548

01:37:07,910 --> 01:37:02,750

believe it or not the truth is out there

2549

01:37:09,950 --> 01:37:07,920

for people who have the eyes to see my

2550

01:37:11,649 --> 01:37:09,960

favorite show makes me

2551
01:37:15,290 --> 01:37:11,659
aware

2552
01:37:19,150 --> 01:37:15,300
who could it be

2553
01:37:25,850 --> 01:37:19,160
the highest I chats THC

2554
01:37:25,860 --> 01:37:29,810
foreign

2555
01:37:37,750 --> 01:37:33,910
just watch the TV and Obey

2556
01:37:41,390 --> 01:37:37,760
take some more pills when you're blue

2557
01:37:44,629 --> 01:37:41,400
oh we'll break you out of the spell that

2558
01:37:48,310 --> 01:37:44,639
you're in together we will make it

2559
01:37:55,270 --> 01:37:52,370
believe it or not the truth is out there

2560
01:38:01,330 --> 01:37:55,280
for people who have the eyes to

2561
01:38:05,030 --> 01:38:01,340
see my favorite show makes me more aware

2562
01:38:06,450 --> 01:38:05,040
who could it be

2563
01:38:14,990 --> 01:38:06,460

true

2564

01:38:18,250 --> 01:38:15,000

[Music]

2565

01:38:23,470 --> 01:38:21,910

is here for you

2566

01:38:25,680 --> 01:38:23,480

[Music]

2567

01:38:27,669 --> 01:38:25,690

believe it or not

2568

01:38:31,810 --> 01:38:27,679

[Music]

2569

01:38:47,050 --> 01:38:31,820

believe it or not

2570

01:38:53,229 --> 01:38:47,060

for people who have the eyes to

2571

01:38:56,530 --> 01:38:53,239

see my favorite show makes me more aware

2572

01:39:00,830 --> 01:38:56,540

who could it be

2573

01:39:03,470 --> 01:39:00,840

the higher side shots believe it or not

2574

01:39:05,649 --> 01:39:03,480

not true the truth out there for people

2575

01:39:11,770 --> 01:39:05,659

who have the eyes to

2576

01:39:18,960 --> 01:39:11,780

see my favorite show makes me more aware

2577

01:39:21,709 --> 01:39:18,970

who could it be the highest I chats THC

2578

01:39:22,740 --> 01:39:21,719

[Applause]

2579

01:39:33,169 --> 01:39:22,750

foreign

2580

01:39:38,030 --> 01:39:35,750

and that is another show complete

2581

01:39:40,370 --> 01:39:38,040

remember as much as you enjoyed this

2582

01:39:42,169 --> 01:39:40,380

which is just the free first hour I hope

2583

01:39:44,930 --> 01:39:42,179

you'll become a plus member to hear the

2584

01:39:46,910 --> 01:39:44,940

full two-hour interviews you also can

2585

01:39:49,430 --> 01:39:46,920

engage with other Plus members in the

2586

01:39:50,810 --> 01:39:49,440

comments and the forums and you'll find

2587

01:39:52,910 --> 01:39:50,820

your answer to one of the most common

2588

01:39:54,649 --> 01:39:52,920

questions I get which is where can I

2589

01:39:56,450 --> 01:39:54,659

find those cover songs that you use at

2590

01:39:58,850 --> 01:39:56,460

the end of the show well they are free

2591

01:40:00,950 --> 01:39:58,860

downloads for Plus members too and

2592

01:40:02,990 --> 01:40:00,960

without Plus members I can't hire the

2593

01:40:05,570 --> 01:40:03,000

occasional musician to bring these odd

2594

01:40:07,490 --> 01:40:05,580

cover song ideas to fruition Plus

2595

01:40:09,290 --> 01:40:07,500

members are how I'm able to do what I do

2596

01:40:12,169 --> 01:40:09,300

without ads and without the big machine

2597

01:40:14,330 --> 01:40:12,179

being on my back we can fit so much more

2598

01:40:16,129 --> 01:40:14,340

into a two-hour interview and I do my

2599

01:40:19,070 --> 01:40:16,139

best to make it worth your time and

2600

01:40:21,530 --> 01:40:19,080

money the conversation only gets deeper

2601
01:40:23,689 --> 01:40:21,540
weirder and more controversial in that

2602
01:40:24,890 --> 01:40:23,699
private hour how could it not the way

2603
01:40:26,810 --> 01:40:24,900
things are going

2604
01:40:28,970 --> 01:40:26,820
but the best way to sign up is that the

2605
01:40:31,490 --> 01:40:28,980
higher sidechats.com where new

2606
01:40:33,649 --> 01:40:31,500
first-time subscribers always get a free

2607
01:40:36,050 --> 01:40:33,659
7-Day trial because I'm just that

2608
01:40:37,910 --> 01:40:36,060
confident there's no PayPal on the

2609
01:40:40,070 --> 01:40:37,920
website but if you need to use PayPal

2610
01:40:42,770 --> 01:40:40,080
then sign up through patreon and you get

2611
01:40:44,629 --> 01:40:42,780
all the same episodes our website is a

2612
01:40:46,610 --> 01:40:44,639
credit or debit system but you can also

2613
01:40:49,610 --> 01:40:46,620

scope out the other options like a few

2614

01:40:51,890 --> 01:40:49,620

various cryptos cash or check mail to

2615

01:40:53,270 --> 01:40:51,900

the PO box and I'll even barter with

2616

01:40:55,430 --> 01:40:53,280

most people if you have your own

2617

01:40:57,950 --> 01:40:55,440

business and produce something nice that

2618

01:41:00,530 --> 01:40:57,960

my wife or kid or taste buds might like

2619

01:41:02,510 --> 01:41:00,540

but the architects of consensus reality

2620

01:41:04,370 --> 01:41:02,520

have made it clear that these themes and

2621

01:41:07,129 --> 01:41:04,380

topics aren't really welcome on the main

2622

01:41:08,750 --> 01:41:07,139

stage and so this is how we secure a

2623

01:41:10,669 --> 01:41:08,760

little counterculture corner for

2624

01:41:13,310 --> 01:41:10,679

ourselves and I hope you'll join plus

2625

01:41:16,189 --> 01:41:13,320

because that is the only way it works

2626

01:41:18,410 --> 01:41:16,199

besides you can cancel anytime right on

2627

01:41:20,510 --> 01:41:18,420

your profile page the most common

2628

01:41:23,149 --> 01:41:20,520

concern I hear is people just being

2629

01:41:25,189 --> 01:41:23,159

unsure if THC plus will work with their

2630

01:41:27,890 --> 01:41:25,199

podcast app and the answer is probably

2631

01:41:29,870 --> 01:41:27,900

yes but if not we have several

2632

01:41:31,850 --> 01:41:29,880

high-level app recommendations for

2633

01:41:34,550 --> 01:41:31,860

whatever phone you use and the website

2634

01:41:36,050 --> 01:41:34,560

is made for mobile too we're trained to

2635

01:41:37,669 --> 01:41:36,060

tip a waitress for bringing us a

2636

01:41:40,490 --> 01:41:37,679

sandwich but that tip doesn't give you

2637

01:41:42,410 --> 01:41:40,500

access to a second sandwich really I'm

2638

01:41:44,390 --> 01:41:42,420

not asking for any more than that and I

2639

01:41:46,669 --> 01:41:44,400

think I offer a better service come get

2640

01:41:48,470 --> 01:41:46,679

your second serving of tasty conspiracy

2641

01:41:51,109 --> 01:41:48,480

goodness in exchange for that small

2642

01:41:53,149 --> 01:41:51,119

token of your appreciation beyond that

2643

01:41:55,189 --> 01:41:53,159

let it also be known that we have grown

2644

01:41:57,470 --> 01:41:55,199

and survived as long as we have By Word

2645

01:41:59,930 --> 01:41:57,480

of Mouth I don't care so much about

2646

01:42:02,990 --> 01:41:59,940

social media likes or follows but tell

2647

01:42:05,149 --> 01:42:03,000

the right people about THC and not just

2648

01:42:07,010 --> 01:42:05,159

listeners but the high level figures who

2649

01:42:09,229 --> 01:42:07,020

are better suited to sit down with me

2650

01:42:11,090 --> 01:42:09,239

than most other hosts and if you can

2651
01:42:12,950 --> 01:42:11,100
help me with any of these things I can

2652
01:42:14,890 --> 01:42:12,960
work to bring you better shows which is

2653
01:42:17,209 --> 01:42:14,900
just a a win-win for both of us

2654
01:42:19,669 --> 01:42:17,219
informative entertaining and

2655
01:42:21,290 --> 01:42:19,679
action-packed it also never hurts to

2656
01:42:23,149 --> 01:42:21,300
thank a guest you liked if you have the

2657
01:42:24,649 --> 01:42:23,159
time either we want them to know people

2658
01:42:26,930 --> 01:42:24,659
are listening so they're willing to come

2659
01:42:29,090 --> 01:42:26,940
back down the road too thank you for
