1  
00:00:06,470 --> 00:00:02,409

[Music]

2  
00:00:09,470 --> 00:00:06,480

these days so many podcast hosts just

3  
00:00:11,870 --> 00:00:09,480

Rift through unprepared segments until

4  
00:00:14,810 --> 00:00:11,880

they get to the next ad break for pills

5  
00:00:16,730 --> 00:00:14,820

they know nothing about cheap razors and

6  
00:00:19,490 --> 00:00:16,740

whatever else they can get a buck from

7  
00:00:22,910 --> 00:00:19,500

but the higher side chats does it

8  
00:00:25,429 --> 00:00:22,920

differently we succeed or fail on the

9  
00:00:27,890 --> 00:00:25,439

quality of the content and your desire

10  
00:00:30,109 --> 00:00:27,900

to hear more of it so you're about to

11  
00:00:32,749 --> 00:00:30,119

hear another free first hour episode

12  
00:00:36,049 --> 00:00:32,759

that's here to prove the two-hour shows

13  
00:00:39,709 --> 00:00:36,059

are worth subscribing for five shows a

14

00:00:42,350 --> 00:00:39,719

month for just eight dollars members get

15

00:00:45,410 --> 00:00:42,360

a mobile-friendly website a decade of

16

00:00:48,410 --> 00:00:45,420

archives a dedicated RSS feed for the

17

00:00:50,690 --> 00:00:48,420

best podcast apps and a lot deeper

18

00:00:54,709 --> 00:00:50,700

discussion than a single hour can allow

19

00:00:58,250 --> 00:00:54,719

for sponsor free with more for thee get

20

00:01:00,410 --> 00:00:58,260

a free 7-Day trial of THC Plus at the

21

00:01:01,620 --> 00:01:00,420

highersidejets.com

22

00:01:07,690 --> 00:01:01,630

enjoy

23

00:01:12,950 --> 00:01:11,030

in the 1930s President Franklin Delano

24

00:01:15,530 --> 00:01:12,960

Roosevelt addressed the nation through a

25

00:01:18,469 --> 00:01:15,540

series of radio broadcasts known as the

26

00:01:20,270 --> 00:01:18,479

Fireside Chats his aim was to reassure

27

00:01:22,490 --> 00:01:20,280

the common man that our society would

28

00:01:25,070 --> 00:01:22,500

recover from its troubled times well

29

00:01:27,649 --> 00:01:25,080

we're far from 1930 and I deal with a

30

00:01:30,050 --> 00:01:27,659

different kind of fire for a new era of

31

00:01:33,830 --> 00:01:30,060

worldly frustration we offer a fresh

32

00:01:37,789 --> 00:01:33,840

conversation I'm Greg Carlwood and these

33

00:01:39,410 --> 00:01:37,799

are the higher side chats Happy Days Are

34

00:01:41,810 --> 00:01:39,420

Here Again Higher Side Chatters doing

35

00:01:43,789 --> 00:01:41,820

the thing from Sunny San Diego I'm Greg

36

00:01:45,830 --> 00:01:43,799

Carlwood and the list of products

37

00:01:47,749 --> 00:01:45,840

processes and policies that have been

38

00:01:50,090 --> 00:01:47,759

introduced to society to keep the people

39

00:01:53,210 --> 00:01:50,100

ignorant distracted sedated and sickly

40

00:01:55,249 --> 00:01:53,220

is so long it's almost never ending they

41

00:01:57,770 --> 00:01:55,259

degraded the food supply eroded

42

00:01:59,630 --> 00:01:57,780

education promoted lazy Lifestyles

43

00:02:01,609 --> 00:01:59,640

dazzled us with screen-based

44

00:02:03,230 --> 00:02:01,619

entertainment and cut around all sorts

45

00:02:05,510 --> 00:02:03,240

of advancements in energy and medicine

46

00:02:07,429 --> 00:02:05,520

that could transform the world in

47

00:02:09,430 --> 00:02:07,439

exchange for massive profits from

48

00:02:12,110 --> 00:02:09,440

petrochemicals and oil-based Everything

49

00:02:13,729 --> 00:02:12,120

But the saddest of all might be the

50

00:02:15,949 --> 00:02:13,739

state of our water and the lack of

51  
00:02:19,130 --> 00:02:15,959  
Education as to how powerful optimized

52  
00:02:21,229 --> 00:02:19,140  
water can be lead pipes fluoridation and

53  
00:02:22,729 --> 00:02:21,239  
a dozen more treatment chemicals are no

54  
00:02:25,130 --> 00:02:22,739  
way to honor the most important

55  
00:02:27,350 --> 00:02:25,140  
life-giving fluid on this island Earth

56  
00:02:29,630 --> 00:02:27,360  
but luckily today's returning guest

57  
00:02:31,910 --> 00:02:29,640  
George Wiseman is doing his damndest to

58  
00:02:33,890 --> 00:02:31,920  
fix that you might remember George being

59  
00:02:35,930 --> 00:02:33,900  
here about a year and a half ago talking

60  
00:02:38,030 --> 00:02:35,940  
about his research and history as an

61  
00:02:40,309 --> 00:02:38,040  
inventor working on projects to increase

62  
00:02:42,589 --> 00:02:40,319  
fuel efficiency and creating Superior

63  
00:02:44,690 --> 00:02:42,599

flame torches as well as his well-known

64

00:02:47,809 --> 00:02:44,700

work with Brown's gas and his Aqua cure

65

00:02:49,850 --> 00:02:47,819

water electrolyzer and after hearing so

66

00:02:51,290 --> 00:02:49,860

many positive testimonials from the

67

00:02:53,089 --> 00:02:51,300

audience as well as getting some

68

00:02:54,770 --> 00:02:53,099

follow-up questions it seemed like it

69

00:02:57,530 --> 00:02:54,780

was about time to get him back for round

70

00:02:59,449 --> 00:02:57,540

two you can find George's products and

71

00:03:02,270 --> 00:02:59,459

educational material on his website

72

00:03:04,490 --> 00:03:02,280

eaglehyphen research.com as well as His

73

00:03:07,009 --> 00:03:04,500

companion website eaglehyphen research

74

00:03:08,990 --> 00:03:07,019

dot life I think it's going to be a good

75

00:03:10,670 --> 00:03:09,000

time talking to George again especially

76

00:03:12,350 --> 00:03:10,680

after hearing about some of the

77

00:03:14,750 --> 00:03:12,360

mind-blowing things he's been up to in

78

00:03:17,330 --> 00:03:14,760

the last 18 months so let's do it the

79

00:03:19,550 --> 00:03:17,340

Browns Gas Guru Aqua cure inventor and

80

00:03:22,670 --> 00:03:19,560

hydrogen deficiency Destroyer George

81

00:03:24,009 --> 00:03:22,680

welcome back holy smokes what an

82

00:03:26,869 --> 00:03:24,019

introduction

83

00:03:28,250 --> 00:03:26,879

man I try to get them psyched up you

84

00:03:30,229 --> 00:03:28,260

know there's a lot of things trying to

85

00:03:32,270 --> 00:03:30,239

get people's attention these days so you

86

00:03:36,229 --> 00:03:32,280

gotta grab them but this is a real

87

00:03:38,390 --> 00:03:36,239

pleasure and it's all the truth ah man

88

00:03:41,630 --> 00:03:38,400

truth is Stranger Than Fiction sometimes

89

00:03:44,089 --> 00:03:41,640

isn't it yes it is that last interview

90

00:03:46,970 --> 00:03:44,099

was certainly one that got a lot of

91

00:03:49,670 --> 00:03:46,980

attention around here there were way

92

00:03:53,449 --> 00:03:49,680

more comments and Forum posts and just

93

00:03:55,789 --> 00:03:53,459

general engagement than usual maybe we

94

00:03:57,289 --> 00:03:55,799

just make good dance Partners but I

95

00:03:58,970 --> 00:03:57,299

guess I would ask how have things been

96

00:04:01,190 --> 00:03:58,980

on your end you got a pretty decent

97

00:04:03,470 --> 00:04:01,200

response from that interview as well I

98

00:04:07,190 --> 00:04:03,480

think right yes

99

00:04:09,350 --> 00:04:07,200

we got six months of orders in the week

100

00:04:12,470 --> 00:04:09,360

after the interview

101  
00:04:13,910 --> 00:04:12,480  
so we were scrambling a little bit and

102  
00:04:15,710 --> 00:04:13,920  
of course it didn't take us six months

103  
00:04:17,689 --> 00:04:15,720  
to fill those orders and the people that

104  
00:04:19,430 --> 00:04:17,699  
got them virtually everybody's been

105  
00:04:21,949 --> 00:04:19,440  
happy my return rates less than one

106  
00:04:23,810 --> 00:04:21,959  
percent consistently so

107  
00:04:26,689 --> 00:04:23,820  
people are getting what they want and

108  
00:04:28,610 --> 00:04:26,699  
that's a guarantee in that we have the

109  
00:04:32,150 --> 00:04:28,620  
when your satisfaction guarantee so

110  
00:04:34,370 --> 00:04:32,160  
obviously the people that listen about

111  
00:04:36,710 --> 00:04:34,380  
what the aqua cure could do for their

112  
00:04:39,249 --> 00:04:36,720  
health got what they were expecting so

113  
00:04:42,290 --> 00:04:39,259

I'm really happy about that

114

00:04:44,090 --> 00:04:42,300

yes and I would say before I was just

115

00:04:46,010 --> 00:04:44,100

interviewing a guy that I thought had

116

00:04:49,010 --> 00:04:46,020

done some intriguing work and had an

117

00:04:51,350 --> 00:04:49,020

interesting product but now I feel way

118

00:04:53,510 --> 00:04:51,360

more confident endorsing it and saying

119

00:04:56,749 --> 00:04:53,520

there really should be one in every home

120

00:04:59,150 --> 00:04:56,759

the only negative or more neutral

121

00:05:01,129 --> 00:04:59,160

feedback I got was from people who said

122

00:05:03,590 --> 00:05:01,139

they got lazy with it like I did

123

00:05:07,070 --> 00:05:03,600

honestly but several people wrote me to

124

00:05:09,230 --> 00:05:07,080

say it fixed condition X Y or Z that I'd

125

00:05:11,629 --> 00:05:09,240

been dealing with but then I got lazy

126

00:05:13,430 --> 00:05:11,639

and my condition came back and I

127

00:05:16,310 --> 00:05:13,440

understand habits are hard to keep up

128

00:05:17,930 --> 00:05:16,320

with but out of a few dozen reports I

129

00:05:19,670 --> 00:05:17,940

don't think anyone has said anything

130

00:05:21,890 --> 00:05:19,680

more negative than that and of course

131

00:05:24,469 --> 00:05:21,900

you gotta use it to get the benefits so

132

00:05:26,749 --> 00:05:24,479

I would consider that pretty huge people

133

00:05:29,810 --> 00:05:26,759

who have used it consistently over the

134

00:05:31,490 --> 00:05:29,820

last year have noted more energy they've

135

00:05:33,710 --> 00:05:31,500

lost weight because they aren't as

136

00:05:36,650 --> 00:05:33,720

hungry eating all of that hydrogen

137

00:05:38,870 --> 00:05:36,660

depleted food I've heard two reports of

138

00:05:40,850 --> 00:05:38,880

no more gingivitis I had another guy

139

00:05:42,770 --> 00:05:40,860

tell me it's worked Wonders on the

140

00:05:45,290 --> 00:05:42,780

negative side effects from chemo because

141

00:05:47,150 --> 00:05:45,300

he has stomach cancer another two people

142

00:05:49,490 --> 00:05:47,160

told me they haven't had a cold since

143

00:05:52,430 --> 00:05:49,500

getting it about 18 months ago and that

144

00:05:54,710 --> 00:05:52,440

is rare for them honestly nobody in the

145

00:05:56,930 --> 00:05:54,720

last 18 months has said to me I bought

146

00:05:58,670 --> 00:05:56,940

it I used it every day and nothing has

147

00:06:03,050 --> 00:05:58,680

happened and I consider that pretty

148

00:06:04,730 --> 00:06:03,060

impressive yes I've sold many thousands

149

00:06:08,150 --> 00:06:04,740

of these things now

150

00:06:09,950 --> 00:06:08,160

and I have had two or three people send

151

00:06:12,950 --> 00:06:09,960

them back saying that they didn't just

152

00:06:15,469 --> 00:06:12,960

for you know being honest here saying

153

00:06:19,189 --> 00:06:15,479

they didn't get a result but I really

154

00:06:22,909 --> 00:06:19,199

kind of think maybe they didn't use it

155

00:06:24,469 --> 00:06:22,919

because my goodness although it may have

156

00:06:26,210 --> 00:06:24,479

happened and then it also may have

157

00:06:28,249 --> 00:06:26,220

happened that they had a gas leak in it

158

00:06:30,650 --> 00:06:28,259

we're getting the gas to their nose or

159

00:06:32,510 --> 00:06:30,660

whatever the case may be so that there

160

00:06:33,770 --> 00:06:32,520

could be times when people say that it

161

00:06:36,770 --> 00:06:33,780

hasn't worked for them but I would

162

00:06:38,510 --> 00:06:36,780

definitely say a thousand to one the

163

00:06:40,670 --> 00:06:38,520

people have been getting what they

164

00:06:43,010 --> 00:06:40,680

expect and that's why we have a

165

00:06:47,270 --> 00:06:43,020

satisfaction guarantee because I'm not

166

00:06:49,670 --> 00:06:47,280

an MD I can't say what it will do okay I

167

00:06:51,710 --> 00:06:49,680

can say for example it seems as though

168

00:06:53,930 --> 00:06:51,720

according to the studies that it

169

00:06:54,950 --> 00:06:53,940

mitigates nearly every ailment known to

170

00:06:57,650 --> 00:06:54,960

man

171

00:07:00,590 --> 00:06:57,660

and people there's thousands of hydrogen

172

00:07:02,629 --> 00:07:00,600

studies out there now that are proving

173

00:07:05,469 --> 00:07:02,639

that in fact the studies there's even

174

00:07:07,909 --> 00:07:05,479

been studies of studies that are showing

175

00:07:09,230 --> 00:07:07,919

zero negative side effects like if you

176

00:07:11,270 --> 00:07:09,240

look at the television you'd see the

177

00:07:12,950 --> 00:07:11,280

drug things and you have to mention the

178

00:07:15,170 --> 00:07:12,960

side effects some of which it always

179

00:07:16,969 --> 00:07:15,180

amuses me is a side effect of the exact

180

00:07:19,510 --> 00:07:16,979

thing it's doing it like a pill for a

181

00:07:22,969 --> 00:07:19,520

headache causes headaches yeah yeah

182

00:07:25,249 --> 00:07:22,979

that's so funny but there's zero

183

00:07:27,469 --> 00:07:25,259

negative side effects of the hydrogen

184

00:07:28,870 --> 00:07:27,479

because it's Pure Nutrition it's exactly

185

00:07:32,450 --> 00:07:28,880

what the people need

186

00:07:34,850 --> 00:07:32,460

so yeah I tend to say that the world's

187

00:07:36,770 --> 00:07:34,860

in turmoil and we have all these health

188

00:07:40,070 --> 00:07:36,780

issues the fuel prices are rising

189

00:07:42,350 --> 00:07:40,080

there's food shortages on the horizon

190

00:07:44,689 --> 00:07:42,360

but here's a technology that helps

191

00:07:46,670 --> 00:07:44,699

people seldom get sick helps the body

192

00:07:48,290 --> 00:07:46,680

heal three times faster like Burns if

193

00:07:50,689 --> 00:07:48,300

you get it burned and you put the gas on

194

00:07:52,370 --> 00:07:50,699

the burn it's been proving three times

195

00:07:54,350 --> 00:07:52,380

faster healing

196

00:07:55,670 --> 00:07:54,360

if you're using the gas in your vehicle

197

00:07:57,350 --> 00:07:55,680

like that would be a different device

198

00:08:01,309 --> 00:07:57,360

that's what I call the highs or not the

199

00:08:04,909 --> 00:08:01,319

the aqua gear people of saving 25 up to

200

00:08:06,950 --> 00:08:04,919

50 on fuel costs and there's ways

201  
00:08:09,890 --> 00:08:06,960  
possibly of making your own Fuel and

202  
00:08:12,290 --> 00:08:09,900  
makes plants grow if in soil three times

203  
00:08:14,990 --> 00:08:12,300  
faster and the aquacure can do this by

204  
00:08:16,430 --> 00:08:15,000  
the way and if it's in Hydroponics up to

205  
00:08:18,890 --> 00:08:16,440  
10 times faster

206  
00:08:21,529 --> 00:08:18,900  
and the kind of testimonials I'm getting

207  
00:08:22,790 --> 00:08:21,539  
back almost on a daily basis I have to

208  
00:08:25,010 --> 00:08:22,800  
every once in a while go over to the

209  
00:08:27,469 --> 00:08:25,020  
shop and just read one to the guys so

210  
00:08:31,189 --> 00:08:27,479  
that they know guys and gals it's

211  
00:08:32,630 --> 00:08:31,199  
multi-gender South the um these days

212  
00:08:35,350 --> 00:08:32,640  
what do you do you know you can't just

213  
00:08:38,449 --> 00:08:35,360

say guys anyway

214

00:08:41,870 --> 00:08:38,459

for example this woman who had ovarian

215

00:08:44,149 --> 00:08:41,880

cancer and she says anything under 36 on

216

00:08:47,030 --> 00:08:44,159

the scale that they used it was stage

217

00:08:49,970 --> 00:08:47,040

four ovarian cancer and she wrote saying

218

00:08:52,970 --> 00:08:49,980

it's now a six anything under 36 is good

219

00:08:54,650 --> 00:08:52,980

and it's a six or whatever that scale is

220

00:08:56,630 --> 00:08:54,660

that they're using for that and she

221

00:08:59,269 --> 00:08:56,640

obviously very happy

222

00:09:02,930 --> 00:08:59,279

it's just on and on and on

223

00:09:05,870 --> 00:09:02,940

this is doing what I had hoped it would

224

00:09:08,090 --> 00:09:05,880

do based on what I was talking about in

225

00:09:09,769 --> 00:09:08,100

the first interview where my wife died

226

00:09:11,930 --> 00:09:09,779

of lupus

227

00:09:14,269 --> 00:09:11,940

and I later discovered the Browns gas

228

00:09:17,090 --> 00:09:14,279

would have helped the lupus

229

00:09:19,190 --> 00:09:17,100

so I I just swore to myself gave me the

230

00:09:21,350 --> 00:09:19,200

passion to help as many people not go

231

00:09:23,030 --> 00:09:21,360

through all of that that we went through

232

00:09:24,829 --> 00:09:23,040

where I was carrying my wife to the

233

00:09:27,530 --> 00:09:24,839

bathroom and she couldn't even roll over

234

00:09:29,990 --> 00:09:27,540

in bed without assistance and she was

235

00:09:31,910 --> 00:09:30,000

blind and losing her hair and her

236

00:09:32,990 --> 00:09:31,920

quality of life she was a multimedia

237

00:09:35,990 --> 00:09:33,000

artist

238

00:09:37,850 --> 00:09:36,000

she was exuberant she did so many

239

00:09:38,810 --> 00:09:37,860

different things and then to be reduced

240

00:09:40,490 --> 00:09:38,820

to that

241

00:09:42,769 --> 00:09:40,500

and I had something that could have

242

00:09:46,430 --> 00:09:42,779

helped her and I didn't know it in my

243

00:09:48,590 --> 00:09:46,440

own shop so that gave me the passion to

244

00:09:49,430 --> 00:09:48,600

say my life has to be dedicated to

245

00:09:51,949 --> 00:09:49,440

something

246

00:09:53,930 --> 00:09:51,959

this is it right and I'm so happy to

247

00:09:55,910 --> 00:09:53,940

hear all of these people

248

00:09:58,250 --> 00:09:55,920

reporting back

249

00:10:00,530 --> 00:09:58,260

the gains that I'm helping them with by

250

00:10:02,990 --> 00:10:00,540

providing this technology and I'm so

251  
00:10:03,889 --> 00:10:03,000  
hoping that more people will to the

252  
00:10:05,690 --> 00:10:03,899  
point where

253  
00:10:08,090 --> 00:10:05,700  
I don't know if you know enough about my

254  
00:10:10,370 --> 00:10:08,100  
history to understand I'm an inventor

255  
00:10:13,009 --> 00:10:10,380  
but I don't patent anything

256  
00:10:16,130 --> 00:10:13,019  
instead it worked out to be much better

257  
00:10:18,290 --> 00:10:16,140  
for me to write instruction manuals and

258  
00:10:20,810 --> 00:10:18,300  
teach people how to do what I do

259  
00:10:22,310 --> 00:10:20,820  
So based on that and the fact that I

260  
00:10:25,850 --> 00:10:22,320  
want to have a life because quite

261  
00:10:28,250 --> 00:10:25,860  
frankly I'm often working from 3 am I'm

262  
00:10:30,110 --> 00:10:28,260  
not joking to 8 pm

263  
00:10:31,670 --> 00:10:30,120

and my wife is saying you've got to have

264

00:10:33,230 --> 00:10:31,680

a life unless she's helping me in the

265

00:10:35,810 --> 00:10:33,240

business because she's trying to reduce

266

00:10:37,310 --> 00:10:35,820

that so often I can stop working at five

267

00:10:39,110 --> 00:10:37,320

but I'm still getting up at three

268

00:10:40,910 --> 00:10:39,120

o'clock in the morning so that I can

269

00:10:41,930 --> 00:10:40,920

have a few hours with my wife in the

270

00:10:45,170 --> 00:10:41,940

evening

271

00:10:47,150 --> 00:10:45,180

and I want to have a life so one of the

272

00:10:49,370 --> 00:10:47,160

things I'm doing is developing a course

273

00:10:51,949 --> 00:10:49,380

which is going to be come out really

274

00:10:53,449 --> 00:10:51,959

shortly now which will teach people how

275

00:10:55,250 --> 00:10:53,459

to build these for their own business

276

00:10:57,290 --> 00:10:55,260

it's ten thousand dollars

277

00:10:59,990 --> 00:10:57,300

to take this course but it takes my 35

278

00:11:01,310 --> 00:11:00,000

years of experience and condenses it

279

00:11:02,810 --> 00:11:01,320

down into something that people can

280

00:11:06,350 --> 00:11:02,820

learn in a couple of weeks self-taught

281

00:11:09,470 --> 00:11:06,360

and they can learn to build these Aqua

282

00:11:11,569 --> 00:11:09,480

cures themselves for their own hometowns

283

00:11:14,449 --> 00:11:11,579

and this is the idea see right now we've

284

00:11:18,230 --> 00:11:14,459

got a worldwide situation going on where

285

00:11:21,110 --> 00:11:18,240

in Australia or Austria or Japan

286

00:11:24,290 --> 00:11:21,120

anywhere in the world obviously North

287

00:11:25,790 --> 00:11:24,300

America gets the most of it but anywhere

288

00:11:27,829 --> 00:11:25,800

in the world these things are going out

289

00:11:29,630 --> 00:11:27,839

to and if there's any problems with them

290

00:11:31,910 --> 00:11:29,640

or anything like that then they have to

291

00:11:33,550 --> 00:11:31,920

be shipped back to me luckily I can

292

00:11:36,769 --> 00:11:33,560

build them so there's very few problems

293

00:11:38,690 --> 00:11:36,779

but still the point is servicing

294

00:11:40,130 --> 00:11:38,700

something from one location doesn't make

295

00:11:42,710 --> 00:11:40,140

a lot of sense you have to go through

296

00:11:44,870 --> 00:11:42,720

all the customs and

297

00:11:46,910 --> 00:11:44,880

the shipping along with these Supply

298

00:11:49,670 --> 00:11:46,920

Chain Solutions and and everything so

299

00:11:51,949 --> 00:11:49,680

it's better to build the machines where

300

00:11:54,350 --> 00:11:51,959

they're going to be used and then also

301  
00:11:56,750 --> 00:11:54,360  
you have the expertise for the people

302  
00:11:57,949 --> 00:11:56,760  
that are there to call up somebody like

303  
00:12:00,170 --> 00:11:57,959  
you want to call an electrician or a

304  
00:12:03,290 --> 00:12:00,180  
plumber and have them come and service

305  
00:12:05,449 --> 00:12:03,300  
the machine or fix the machine or give

306  
00:12:07,670 --> 00:12:05,459  
advice about the machine even initially

307  
00:12:10,670 --> 00:12:07,680  
help set up the machine all these things

308  
00:12:14,090 --> 00:12:10,680  
can be done if you're on a local level

309  
00:12:16,790 --> 00:12:14,100  
so by making this course it will allow

310  
00:12:19,190 --> 00:12:16,800  
this plan that I have of this desire to

311  
00:12:21,470 --> 00:12:19,200  
have one in every home I can't do that

312  
00:12:23,810 --> 00:12:21,480  
myself I'm not Elon Musk I'm not going

313  
00:12:25,670 --> 00:12:23,820

to set up a gigafactory to make these

314

00:12:29,810 --> 00:12:25,680

things instead I'm going to spread out

315

00:12:31,430 --> 00:12:29,820

the health and wealth so that as people

316

00:12:33,949 --> 00:12:31,440

make their own business in their own

317

00:12:36,050 --> 00:12:33,959

home building these machines and selling

318

00:12:39,530 --> 00:12:36,060

them or renting them Distributing them

319

00:12:40,730 --> 00:12:39,540

locally they have their own income at

320

00:12:43,129 --> 00:12:40,740

the same time as they're helping people

321

00:12:46,190 --> 00:12:43,139

around them be healthy so this seems

322

00:12:48,110 --> 00:12:46,200

like an ideal situation that will

323

00:12:52,569 --> 00:12:48,120

eventually if this all works out the way

324

00:12:55,850 --> 00:12:52,579

I want allow me to have some time myself

325

00:12:58,430 --> 00:12:55,860

I love it I've heard you talk about that

326

00:13:00,949 --> 00:12:58,440

course in previous interviews and I

327

00:13:04,690 --> 00:13:00,959

understand that the first person to go

328

00:13:07,790 --> 00:13:04,700

through it has their own Aqua cure

329

00:13:09,889 --> 00:13:07,800

franchise like business now and they

330

00:13:12,410 --> 00:13:09,899

made six figures in the first year

331

00:13:14,030 --> 00:13:12,420

apparently yes they're working up

332

00:13:16,730 --> 00:13:14,040

towards seven figures this particular

333

00:13:19,790 --> 00:13:16,740

guy his name is Ryan in Canada yes in

334

00:13:21,829 --> 00:13:19,800

Saskatchewan and yeah he's doing really

335

00:13:23,690 --> 00:13:21,839

well and we've done a really good thing

336

00:13:25,910 --> 00:13:23,700

about collaborating which is what I want

337

00:13:28,329 --> 00:13:25,920

to do with all these people that take

338

00:13:30,650 --> 00:13:28,339

the course we'll just form unofficial

339

00:13:32,569 --> 00:13:30,660

Collective where we'll help each other

340

00:13:34,129 --> 00:13:32,579

just like Ryan and I have been helping

341

00:13:36,170 --> 00:13:34,139

each other because one person can't

342

00:13:38,150 --> 00:13:36,180

think of everything and he's come up

343

00:13:40,190 --> 00:13:38,160

with some really nice Innovations and

344

00:13:42,470 --> 00:13:40,200

I'm assuming other people will as well

345

00:13:45,410 --> 00:13:42,480

and then those get fed back and fed out

346

00:13:46,910 --> 00:13:45,420

to everybody so that everybody gains

347

00:13:50,090 --> 00:13:46,920

everybody who's part of this Collective

348

00:13:53,389 --> 00:13:50,100

and theoretically the idea is we don't

349

00:13:55,430 --> 00:13:53,399

compete with each other no we all we all

350

00:13:58,730 --> 00:13:55,440

decide to go with the same pricing and

351  
00:14:00,170 --> 00:13:58,740  
help out like if there's like I say I

352  
00:14:00,829 --> 00:14:00,180  
have many thousands of machines out

353  
00:14:02,569 --> 00:14:00,839  
there

354  
00:14:04,250 --> 00:14:02,579  
and I'm going to have a map on my

355  
00:14:07,009 --> 00:14:04,260  
website so that anybody can go to the

356  
00:14:08,870 --> 00:14:07,019  
map and click on it and then see in

357  
00:14:10,250 --> 00:14:08,880  
their area whether there's an aqua cure

358  
00:14:12,769 --> 00:14:10,260  
machine so they can go and take a look

359  
00:14:14,990 --> 00:14:12,779  
at that and of course if we have a

360  
00:14:16,850 --> 00:14:15,000  
manufacturer or distributor in that area

361  
00:14:18,590 --> 00:14:16,860  
they'll be able to click to see the icon

362  
00:14:21,590 --> 00:14:18,600  
for that and click on it and go see

363  
00:14:23,269 --> 00:14:21,600

their local manufacturer or distributor

364

00:14:26,090 --> 00:14:23,279

this is just one of the parts of the

365

00:14:27,470 --> 00:14:26,100

plan that we have but if there is a

366

00:14:29,170 --> 00:14:27,480

manufacturer that starts in that area

367

00:14:32,509 --> 00:14:29,180

and say there's 20 Aqua cures around

368

00:14:35,389 --> 00:14:32,519

they can support those people

369

00:14:37,129 --> 00:14:35,399

they were my sales but those people can

370

00:14:40,310 --> 00:14:37,139

then make a relationship with their

371

00:14:43,610 --> 00:14:40,320

local manufacturer I think it's a good

372

00:14:45,769 --> 00:14:43,620

plan yeah I think so too and there are

373

00:14:48,470 --> 00:14:45,779

definitely some new ideas and

374

00:14:51,170 --> 00:14:48,480

Innovations to talk about but in our

375

00:14:54,410 --> 00:14:51,180

email correspondence you had said that

376

00:14:56,389 --> 00:14:54,420

you know you have all these ideas and

377

00:14:58,670 --> 00:14:56,399

potential applications but you just need

378

00:15:00,889 --> 00:14:58,680

more time and you think you have a way

379

00:15:02,870 --> 00:15:00,899

that the audience could help with that

380

00:15:04,490 --> 00:15:02,880

too is that kind of this stuff we're

381

00:15:07,610 --> 00:15:04,500

talking about now

382

00:15:09,650 --> 00:15:07,620

that's exactly this stuff and here I was

383

00:15:11,509 --> 00:15:09,660

talking about time with my wife which

384

00:15:14,030 --> 00:15:11,519

I'm so happy that she wants to spend

385

00:15:15,710 --> 00:15:14,040

time with me that's a good thing yes

386

00:15:17,689 --> 00:15:15,720

because she's amazing person to be

387

00:15:19,189 --> 00:15:17,699

around my new wife and people get

388

00:15:21,530 --> 00:15:19,199

confused about that because I say my

389

00:15:25,069 --> 00:15:21,540

wife died and that was my previous wife

390

00:15:28,490 --> 00:15:25,079

my late wife and the browse gas actually

391

00:15:31,670 --> 00:15:28,500

saved my life just a quick little segue

392

00:15:33,530 --> 00:15:31,680

because when I started inhaling

393

00:15:36,590 --> 00:15:33,540

one of the things that happened was my

394

00:15:41,090 --> 00:15:36,600

libido came back Big Time hello yeah

395

00:15:44,210 --> 00:15:41,100

yeah that was exactly it and and I tell

396

00:15:46,550 --> 00:15:44,220

you it's impossible even though I was in

397

00:15:48,290 --> 00:15:46,560

grief it's impossible to want to die or

398

00:15:49,970 --> 00:15:48,300

not care about living you certainly

399

00:15:52,250 --> 00:15:49,980

start caring about living when you want

400

00:15:54,590 --> 00:15:52,260

to have sex yes yes that's all I have to

401  
00:15:57,230 --> 00:15:54,600  
say about it so in case I started dating

402  
00:15:59,689 --> 00:15:57,240  
and I met this woman and we got married

403  
00:16:01,550 --> 00:15:59,699  
and so I have a new wife and a new life

404  
00:16:03,650 --> 00:16:01,560  
that's the whole point I do have

405  
00:16:05,269 --> 00:16:03,660  
carryovers from my old life like this

406  
00:16:07,670 --> 00:16:05,279  
passion to get these Aqua cures out

407  
00:16:09,290 --> 00:16:07,680  
there because that's essentially the

408  
00:16:10,850 --> 00:16:09,300  
mission that's been given to me by God

409  
00:16:14,210 --> 00:16:10,860  
if you want to know what I how I see

410  
00:16:17,210 --> 00:16:14,220  
about it and my late wife gave her life

411  
00:16:20,509 --> 00:16:17,220  
to give me this passion so this is what

412  
00:16:23,210 --> 00:16:20,519  
I'm doing but like you said in our email

413  
00:16:24,470 --> 00:16:23,220

correspondence in addition to spending

414

00:16:27,110 --> 00:16:24,480

time with my wife

415

00:16:29,030 --> 00:16:27,120

I have some ideas some projects that

416

00:16:32,090 --> 00:16:29,040

I've been wanting to get to for years

417

00:16:33,650 --> 00:16:32,100

and a couple of projects that I don't

418

00:16:35,569 --> 00:16:33,660

know what it is about the universe that

419

00:16:37,850 --> 00:16:35,579

feeds me this information

420

00:16:40,670 --> 00:16:37,860

did I just get these ideas or things

421

00:16:43,129 --> 00:16:40,680

sent to me that I put together but it

422

00:16:45,650 --> 00:16:43,139

looks like I have a way to make a

423

00:16:47,030 --> 00:16:45,660

gravity wheel now there's other projects

424

00:16:48,889 --> 00:16:47,040

we can talk about as well but this is

425

00:16:51,650 --> 00:16:48,899

kind of my current little passion

426  
00:16:55,310 --> 00:16:51,660  
project that I'm thinking of now imagine

427  
00:16:57,590 --> 00:16:55,320  
a wheel pretty much of any size and I

428  
00:17:01,009 --> 00:16:57,600  
can calculate the horsepower per size

429  
00:17:03,650 --> 00:17:01,019  
kind of thing the math works out

430  
00:17:06,829 --> 00:17:03,660  
but my first prototype will be about

431  
00:17:08,630 --> 00:17:06,839  
four feet in diameter and I have some an

432  
00:17:11,090 --> 00:17:08,640  
engineer working on the drawings and

433  
00:17:13,309 --> 00:17:11,100  
stuff for it now and the reason I think

434  
00:17:15,350 --> 00:17:13,319  
it will work is because I've built

435  
00:17:17,750 --> 00:17:15,360  
gravity wheels in the past I've done

436  
00:17:19,130 --> 00:17:17,760  
quite a lot of research on gravity

437  
00:17:21,470 --> 00:17:19,140  
wheels and there have been gravity

438  
00:17:25,130 --> 00:17:21,480

wheels that worked one of which was in

439

00:17:27,409 --> 00:17:25,140

the 1600s I think it was Newton actually

440

00:17:30,710 --> 00:17:27,419

went and examined it and there were

441

00:17:33,049 --> 00:17:30,720

other physicists around at the time and

442

00:17:35,270 --> 00:17:33,059

they were in this particular castle and

443

00:17:37,850 --> 00:17:35,280

they put it in this room

444

00:17:39,230 --> 00:17:37,860

where it was allowed to turn for a

445

00:17:41,090 --> 00:17:39,240

couple of weeks time while the guys

446

00:17:42,529 --> 00:17:41,100

entertained themselves at the castle it

447

00:17:43,850 --> 00:17:42,539

was all locked in there and sealed and

448

00:17:45,890 --> 00:17:43,860

verified

449

00:17:47,570 --> 00:17:45,900

and we're talking stone walls and things

450

00:17:49,850 --> 00:17:47,580

like that so it's not like the people

451  
00:17:52,970 --> 00:17:49,860  
were cheating in some way and came back

452  
00:17:54,770 --> 00:17:52,980  
and it was still running so historically

453  
00:17:57,409 --> 00:17:54,780  
there's been gravity wheels that have

454  
00:17:59,270 --> 00:17:57,419  
worked and I don't understand gravity

455  
00:18:01,789 --> 00:17:59,280  
any more than any anyone understands

456  
00:18:04,789 --> 00:18:01,799  
electricity we just can measure the

457  
00:18:06,590 --> 00:18:04,799  
effects of it we know that gravity has

458  
00:18:08,090 --> 00:18:06,600  
an acceleration like if you drop

459  
00:18:10,669 --> 00:18:08,100  
something it'll accelerate at a certain

460  
00:18:13,070 --> 00:18:10,679  
rate and as an inventor an alternative

461  
00:18:15,650 --> 00:18:13,080  
energy inventor I'm always looking for

462  
00:18:18,350 --> 00:18:15,660  
what you call Energy flows or energy

463  
00:18:20,750 --> 00:18:18,360

Hills wherever you have a potential

464

00:18:22,850 --> 00:18:20,760

energy then you can theoretically put

465

00:18:26,090 --> 00:18:22,860

some sort of machine in between the two

466

00:18:27,770 --> 00:18:26,100

potentials to get a game like if you

467

00:18:30,169 --> 00:18:27,780

have a water flow like Niagara Falls

468

00:18:32,390 --> 00:18:30,179

which is close to where I live now

469

00:18:34,789 --> 00:18:32,400

Tesla came up with a well there's been

470

00:18:37,010 --> 00:18:34,799

water wheels for you know ever

471

00:18:40,070 --> 00:18:37,020

but Tesla came up with the alternating

472

00:18:41,870 --> 00:18:40,080

current motor generator

473

00:18:42,950 --> 00:18:41,880

and if you overdrive it it becomes a

474

00:18:45,890 --> 00:18:42,960

generator

475

00:18:47,810 --> 00:18:45,900

induction motor and put it in the falls

476

00:18:49,490 --> 00:18:47,820

and then because it was alternating

477

00:18:51,470 --> 00:18:49,500

current they could Step Up in

478

00:18:53,690 --> 00:18:51,480

Transformers and send that electricity

479

00:18:55,130 --> 00:18:53,700

out everywhere I actually live about a

480

00:18:57,409 --> 00:18:55,140

couple hundred feet from the first

481

00:18:59,510 --> 00:18:57,419

amusement park it's gone now but the

482

00:19:02,630 --> 00:18:59,520

cement footings are there that was

483

00:19:04,669 --> 00:19:02,640

lighted with electricity in the world

484

00:19:06,830 --> 00:19:04,679

the first amusement park it's quite

485

00:19:08,570 --> 00:19:06,840

amazing so in any case

486

00:19:11,029 --> 00:19:08,580

and I'm getting off the subject the

487

00:19:13,370 --> 00:19:11,039

subject is this gravity wheel the last

488

00:19:15,650 --> 00:19:13,380

one I built I thought would work and

489

00:19:18,049 --> 00:19:15,660

then I realized after we built it and

490

00:19:20,090 --> 00:19:18,059

tested it why it wouldn't work and this

491

00:19:22,490 --> 00:19:20,100

new one I have built that doesn't have

492

00:19:24,110 --> 00:19:22,500

that flaw otherwise everything else

493

00:19:26,630 --> 00:19:24,120

should be the same

494

00:19:28,730 --> 00:19:26,640

and I have a video of the old one on my

495

00:19:31,850 --> 00:19:28,740

YouTube channel so people can go and

496

00:19:34,370 --> 00:19:31,860

it's called The ccg Wheel

497

00:19:37,850 --> 00:19:34,380

so if people go and look at that they

498

00:19:39,590 --> 00:19:37,860

can see the ccg wheel and see why I

499

00:19:41,630 --> 00:19:39,600

thought it would work and then if they

500

00:19:44,330 --> 00:19:41,640

look at it I'll tell you now why it

501  
00:19:46,490 --> 00:19:44,340  
didn't work is because I had the wheel

502  
00:19:49,850 --> 00:19:46,500  
spinning too fast

503  
00:19:52,430 --> 00:19:49,860  
because gravity has like if you have a

504  
00:19:54,350 --> 00:19:52,440  
weight let's say a teeter-totter and you

505  
00:19:55,909 --> 00:19:54,360  
slide the teeter-totter so that it's

506  
00:19:57,950 --> 00:19:55,919  
shorter on one end and longer on the

507  
00:19:59,029 --> 00:19:57,960  
other than the long end is going to drop

508  
00:20:01,070 --> 00:19:59,039  
down

509  
00:20:03,470 --> 00:20:01,080  
now we won't bother putting a weight on

510  
00:20:04,909 --> 00:20:03,480  
it this time which is a off-center it's

511  
00:20:07,310 --> 00:20:04,919  
going to drop down

512  
00:20:09,409 --> 00:20:07,320  
anyone who works with a board in a

513  
00:20:13,549 --> 00:20:09,419

fulcrum noses

514

00:20:17,990 --> 00:20:13,559

the problem is that the faster it drops

515

00:20:20,570 --> 00:20:18,000

the less push you have on the lever

516

00:20:22,789 --> 00:20:20,580

and I was spinning it fast enough that

517

00:20:25,250 --> 00:20:22,799

the wheel was turning faster than the

518

00:20:27,230 --> 00:20:25,260

dropped speed of the weights depending

519

00:20:30,110 --> 00:20:27,240

on gravity now if you think of gravity

520

00:20:32,450 --> 00:20:30,120

kind of like a waterfall where you have

521

00:20:33,950 --> 00:20:32,460

a constant flow in One Direction a

522

00:20:35,930 --> 00:20:33,960

constant pressure a constant whatever

523

00:20:37,669 --> 00:20:35,940

you're going to call it but it's only

524

00:20:39,890 --> 00:20:37,679

flowing at that speed like if you have

525

00:20:43,430 --> 00:20:39,900

water dropping over the waterfall and

526

00:20:45,770 --> 00:20:43,440

then hitting a vein or or a board and

527

00:20:47,990 --> 00:20:45,780

you have that board moving as fast or

528

00:20:49,250 --> 00:20:48,000

faster than the water is dropping the

529

00:20:52,970 --> 00:20:49,260

water is not going to put any pressure

530

00:20:55,310 --> 00:20:52,980

on it see so you understand the uh the

531

00:20:57,230 --> 00:20:55,320

effect I'm talking about there so for a

532

00:21:00,230 --> 00:20:57,240

gravity wheel to work to get the maximum

533

00:21:02,450 --> 00:21:00,240

torque it has to turn slowly and that's

534

00:21:04,789 --> 00:21:02,460

what my new Gravity wheel design will do

535

00:21:06,350 --> 00:21:04,799

is it'll turn slowly I also have

536

00:21:07,970 --> 00:21:06,360

something called a gravity conveyor

537

00:21:09,770 --> 00:21:07,980

which I haven't built

538

00:21:11,870 --> 00:21:09,780

I was getting all the parts together to

539

00:21:13,610 --> 00:21:11,880

build it when my life went sideways back

540

00:21:15,950 --> 00:21:13,620

in 2009

541

00:21:16,850 --> 00:21:15,960

and all of those parts are still in

542

00:21:20,570 --> 00:21:16,860

storage

543

00:21:23,270 --> 00:21:20,580

and I have another project that I call

544

00:21:25,190 --> 00:21:23,280

the Lord's pump which isn't mine it was

545

00:21:28,029 --> 00:21:25,200

actually developed by a fellow named L

546

00:21:30,169 --> 00:21:28,039

Throckmorton and he took one of my

547

00:21:32,770 --> 00:21:30,179

electrolyzers let's call it an aquacure

548

00:21:35,750 --> 00:21:32,780

type electrolyzer that makes bronze gas

549

00:21:38,149 --> 00:21:35,760

and he was using it in what's called a

550

00:21:40,970 --> 00:21:38,159

pistonless pump I'm not sure if you know

551  
00:21:43,730 --> 00:21:40,980  
what a piston this pump is uh not really

552  
00:21:45,350 --> 00:21:43,740  
the term is kind of self-descriptive and

553  
00:21:46,850 --> 00:21:45,360  
I think I've heard people talk about it

554  
00:21:50,149 --> 00:21:46,860  
but I don't think I've ever seen one

555  
00:21:52,490 --> 00:21:50,159  
okay I did not know what a piston this

556  
00:21:54,230 --> 00:21:52,500  
pump was at one point and I was an

557  
00:21:57,049 --> 00:21:54,240  
automotive mechanic and I'm I'm thinking

558  
00:21:59,270 --> 00:21:57,059  
how can you have a pump that is

559  
00:22:01,610 --> 00:21:59,280  
pistonless because of course your mind

560  
00:22:04,010 --> 00:22:01,620  
gets in a certain way of thinking and

561  
00:22:05,510 --> 00:22:04,020  
it's hard to imagine anything else but

562  
00:22:08,270 --> 00:22:05,520  
essentially what happens is you have a

563  
00:22:10,430 --> 00:22:08,280

cylinder that has two pipes coming out

564

00:22:12,169 --> 00:22:10,440

the bottom one with liquid coming in

565

00:22:13,669 --> 00:22:12,179

with a check valve and one with liquid

566

00:22:15,830 --> 00:22:13,679

going out with a check valve so the

567

00:22:17,090 --> 00:22:15,840

liquid can only go out that one and only

568

00:22:19,669 --> 00:22:17,100

come in the other

569

00:22:21,350 --> 00:22:19,679

so when you're you have the liquid come

570

00:22:24,169 --> 00:22:21,360

in let's say you put a vacuum in there

571

00:22:26,090 --> 00:22:24,179

and it'll suck the liquid in but in

572

00:22:28,490 --> 00:22:26,100

addition to that vacuum now you put in

573

00:22:30,830 --> 00:22:28,500

some combustible mixture which is maybe

574

00:22:32,810 --> 00:22:30,840

a hydrogen oxygen mixture or like they

575

00:22:36,409 --> 00:22:32,820

do in a lot of the pumps are using in

576  
00:22:39,409 --> 00:22:36,419  
the UK for pumping out canals and stuff

577  
00:22:41,750 --> 00:22:39,419  
they use a methane oxygen mixture and

578  
00:22:43,610 --> 00:22:41,760  
then you ignite it with a spark plug and

579  
00:22:47,149 --> 00:22:43,620  
that goes bang and produces a pressure

580  
00:22:48,470 --> 00:22:47,159  
which pushes down on the liquid so the

581  
00:22:50,750 --> 00:22:48,480  
combustion is pushing on the liquid

582  
00:22:52,549 --> 00:22:50,760  
itself not on a piston and of course

583  
00:22:55,310 --> 00:22:52,559  
that liquid can only go out the other

584  
00:22:57,529 --> 00:22:55,320  
pipe so that's the pistonous pump as

585  
00:22:58,730 --> 00:22:57,539  
soon as the combustion happens and all

586  
00:23:01,250 --> 00:22:58,740  
that pressure goes away it actually

587  
00:23:03,230 --> 00:23:01,260  
makes a vacuum which then sucks in more

588  
00:23:05,870 --> 00:23:03,240

of the water and at the same time you

589

00:23:07,850 --> 00:23:05,880

feed a little bit of the combustible gas

590

00:23:10,730 --> 00:23:07,860

in through another little hose at the

591

00:23:12,590 --> 00:23:10,740

top and you just continue the cycle so

592

00:23:14,630 --> 00:23:12,600

it turns out that the measurements they

593

00:23:18,830 --> 00:23:14,640

were taking on this Lord's pump using

594

00:23:21,950 --> 00:23:18,840

the Browns gas it was generating 10

595

00:23:24,529 --> 00:23:21,960

times more potential energy of water

596

00:23:26,990 --> 00:23:24,539

being driven out that could be used to

597

00:23:30,049 --> 00:23:27,000

drive a turbine then the energy it was

598

00:23:33,230 --> 00:23:30,059

taking to make the Browns gas

599

00:23:35,149 --> 00:23:33,240

in the electrolysis process so that's

600

00:23:37,149 --> 00:23:35,159

another one of the technologies that I'd

601  
00:23:40,549 --> 00:23:37,159  
really like to experiment with

602  
00:23:42,529 --> 00:23:40,559  
wow wow so many ideas and so little time

603  
00:23:44,390 --> 00:23:42,539  
as you say but it is kind of

604  
00:23:46,370 --> 00:23:44,400  
mind-boggling when you start talking to

605  
00:23:49,669 --> 00:23:46,380  
people in the alternative science space

606  
00:23:51,049 --> 00:23:49,679  
because our natural environment has

607  
00:23:57,230 --> 00:23:51,059  
these

608  
00:24:00,409 --> 00:23:57,240  
going one way like the tides or gravity

609  
00:24:03,169 --> 00:24:00,419  
or the Earth's negative charge there are

610  
00:24:05,390 --> 00:24:03,179  
forces that are always kind of there

611  
00:24:06,830 --> 00:24:05,400  
that we could play off against in

612  
00:24:10,070 --> 00:24:06,840  
interesting ways like we talked about

613  
00:24:11,450 --> 00:24:10,080

electrogravated crafts last time and the

614

00:24:14,710 --> 00:24:11,460

principle there is that well the Earth

615

00:24:17,930 --> 00:24:14,720

has a negative charge create a rotation

616

00:24:19,270 --> 00:24:17,940

and uh some kind of device it also has a

617

00:24:21,350 --> 00:24:19,280

negative charge and then

618

00:24:23,149 --> 00:24:21,360

electromagnetism well they repel each

619

00:24:25,070 --> 00:24:23,159

other and that's how that could work and

620

00:24:27,470 --> 00:24:25,080

we could use tidal energy similarly

621

00:24:30,230 --> 00:24:27,480

geothermal energy like these forces are

622

00:24:32,090 --> 00:24:30,240

always there pushing out in one way and

623

00:24:35,029 --> 00:24:32,100

you just make a counter force in some

624

00:24:38,450 --> 00:24:35,039

cases but yet none of that stuff ever

625

00:24:41,390 --> 00:24:38,460

reaches the mainstream and I wanted to

626  
00:24:42,830 --> 00:24:41,400  
to back up a little bit because there's

627  
00:24:44,570 --> 00:24:42,840  
some things I wanted to make sure we got

628  
00:24:47,450 --> 00:24:44,580  
in this first hour I can't believe it's

629  
00:24:50,390 --> 00:24:47,460  
already almost half over but

630  
00:24:52,789 --> 00:24:50,400  
the feedback I got probably more than

631  
00:24:55,990 --> 00:24:52,799  
any is that people have been sending me

632  
00:24:58,310 --> 00:24:56,000  
a lot of data on hydrogen and health and

633  
00:24:59,690 --> 00:24:58,320  
that's something we should talk about

634  
00:25:02,330 --> 00:24:59,700  
because I've heard you say there are

635  
00:25:04,370 --> 00:25:02,340  
over 1200 studies now on hydrogen

636  
00:25:07,070 --> 00:25:04,380  
supplementation

637  
00:25:09,490 --> 00:25:07,080  
and health uh there are people like Dr

638  
00:25:13,190 --> 00:25:09,500

Mercola very famous guy he sells

639

00:25:14,810 --> 00:25:13,200

hydrogen tablets that you put into water

640

00:25:17,450 --> 00:25:14,820

and then drink the water really quickly

641

00:25:20,149 --> 00:25:17,460

there's a little of that out there but

642

00:25:22,970 --> 00:25:20,159

you've said that some of these studies

643

00:25:25,310 --> 00:25:22,980

might have been studies on Brown gas

644

00:25:27,049 --> 00:25:25,320

without them even knowing it and that

645

00:25:29,330 --> 00:25:27,059

Brown's gas has about a 30 percent

646

00:25:32,870 --> 00:25:29,340

greater therapeutic benefit than

647

00:25:34,789 --> 00:25:32,880

hydrogen alone so because of this close

648

00:25:36,769 --> 00:25:34,799

Association and some of the confusion

649

00:25:38,810 --> 00:25:36,779

around how it's different why don't you

650

00:25:40,970 --> 00:25:38,820

talk to us a little bit about Brown's

651  
00:25:43,490 --> 00:25:40,980  
gas versus hydrogen supplementation

652  
00:25:45,529 --> 00:25:43,500  
alone because this has come back to me

653  
00:25:49,130 --> 00:25:45,539  
quite a bit this past year

654  
00:25:50,750 --> 00:25:49,140  
that is a really good good question it's

655  
00:25:52,669 --> 00:25:50,760  
good that people are asking it means

656  
00:25:54,710 --> 00:25:52,679  
they're becoming informed

657  
00:25:56,930 --> 00:25:54,720  
wow okay

658  
00:25:59,570 --> 00:25:56,940  
let's start with what Brown's gas is

659  
00:26:01,909 --> 00:25:59,580  
really quickly the first episode will

660  
00:26:03,769 --> 00:26:01,919  
give people more of an in-depth and they

661  
00:26:05,149 --> 00:26:03,779  
can refer back to that it would be great

662  
00:26:08,990 --> 00:26:05,159  
if they did

663  
00:26:11,990 --> 00:26:09,000

Brown's gas differs from hydrogen H<sub>2</sub> or

664

00:26:16,070 --> 00:26:12,000

what they call molecular hydrogen

665

00:26:18,049 --> 00:26:16,080

um in that Brown's gas is made

666

00:26:20,330 --> 00:26:18,059

the electrolyzers that make Brown's gas

667

00:26:22,669 --> 00:26:20,340

don't separate the gases so you have the

668

00:26:24,769 --> 00:26:22,679

hydrogen and oxygen coming out one hose

669

00:26:27,230 --> 00:26:24,779

instead of the hydrogen and oxygen

670

00:26:29,630 --> 00:26:27,240

coming out separate hoses so that's the

671

00:26:31,549 --> 00:26:29,640

first visible difference but what we

672

00:26:35,630 --> 00:26:31,559

discovered is that when you don't have a

673

00:26:38,630 --> 00:26:35,640

membrane in between the anodes the anode

674

00:26:41,930 --> 00:26:38,640

and cathode the electrolytic plates that

675

00:26:44,330 --> 00:26:41,940

are making the hydrogen off the cathode

676  
00:26:46,490 --> 00:26:44,340  
and the oxygen off the anode when you

677  
00:26:48,710 --> 00:26:46,500  
don't have a membrane in the middle that

678  
00:26:51,950 --> 00:26:48,720  
keeps the gases separate something

679  
00:26:54,890 --> 00:26:51,960  
called an electron Bridge forms between

680  
00:26:56,870 --> 00:26:54,900  
the electrodes and the solution in the

681  
00:26:59,269 --> 00:26:56,880  
middle is essentially a wire if you will

682  
00:27:01,909 --> 00:26:59,279  
it conducts electricity and if the

683  
00:27:04,909 --> 00:27:01,919  
electricity isn't conducted from the

684  
00:27:06,529 --> 00:27:04,919  
cathode to the anode the electrolysis

685  
00:27:08,450 --> 00:27:06,539  
doesn't happen so that's a basic thing

686  
00:27:11,269 --> 00:27:08,460  
about electrolysis is that has to happen

687  
00:27:13,909 --> 00:27:11,279  
but when the electricity has to go

688  
00:27:15,950 --> 00:27:13,919

through a membrane then you don't get

689

00:27:18,529 --> 00:27:15,960

this electron Bridge forming and this

690

00:27:21,529 --> 00:27:18,539

electron bridge is absolutely vital to

691

00:27:23,690 --> 00:27:21,539

make a third gas which is very very

692

00:27:27,169 --> 00:27:23,700

important difference between molecular

693

00:27:28,970 --> 00:27:27,179

hydrogen and bronze gas this third gas I

694

00:27:30,830 --> 00:27:28,980

called electrically expanded water

695

00:27:33,710 --> 00:27:30,840

before I really knew what it was because

696

00:27:36,350 --> 00:27:33,720

I just had to have a name for it or exw

697

00:27:38,630 --> 00:27:36,360

because I could see it forming I made

698

00:27:39,529 --> 00:27:38,640

transparent electrolyzers and I have

699

00:27:41,210 --> 00:27:39,539

pictures

700

00:27:43,850 --> 00:27:41,220

and you could actually see the gas

701

00:27:46,390 --> 00:27:43,860

coming right out of the fluid right out

702

00:27:48,890 --> 00:27:46,400

of the middle and I knew it wasn't

703

00:27:50,930 --> 00:27:48,900

hydrogen and I knew it wasn't oxygen

704

00:27:53,870 --> 00:27:50,940

because those only form on the plates

705

00:27:55,730 --> 00:27:53,880

due to the electrochemical reaction of

706

00:27:58,430 --> 00:27:55,740

the water to the negative or positive

707

00:28:01,010 --> 00:27:58,440

charge so in this case I knew that we

708

00:28:04,450 --> 00:28:01,020

had a gas that was coming out that was

709

00:28:07,850 --> 00:28:04,460

not hydrogen or oxygen partially because

710

00:28:11,269 --> 00:28:07,860

the Faraday equations prevented it from

711

00:28:13,190 --> 00:28:11,279

being either those two gases so that the

712

00:28:14,690 --> 00:28:13,200

Faraday equations say if you put a

713

00:28:16,430 --> 00:28:14,700

certain amount of amperage through an

714

00:28:18,169 --> 00:28:16,440

electrolyzer you can expect a certain

715

00:28:20,510 --> 00:28:18,179

amount of hydrogen and a certain amount

716

00:28:23,690 --> 00:28:20,520

of oxygen to be produced and I was

717

00:28:26,750 --> 00:28:23,700

making more gas than that as much as 60

718

00:28:28,669 --> 00:28:26,760

percent more gas than that so not just a

719

00:28:30,710 --> 00:28:28,679

little bit not within a little couple

720

00:28:32,390 --> 00:28:30,720

decimals error or something like that in

721

00:28:34,370 --> 00:28:32,400

my measurements and of course this has

722

00:28:37,010 --> 00:28:34,380

all been duplicated by many many other

723

00:28:39,590 --> 00:28:37,020

people and I could see this gas coming

724

00:28:42,230 --> 00:28:39,600

out the middle so I theorized that it

725

00:28:44,630 --> 00:28:42,240

was some form of water that was

726

00:28:46,789 --> 00:28:44,640

electrically expanded turns out that's

727

00:28:48,590 --> 00:28:46,799

exactly what it was and they already had

728

00:28:49,909 --> 00:28:48,600

a name for it in physics it's called

729

00:28:52,010 --> 00:28:49,919

plasma

730

00:28:53,990 --> 00:28:52,020

so there's four states of matter you

731

00:28:56,029 --> 00:28:54,000

have a solid in in case water it's

732

00:28:58,250 --> 00:28:56,039

called ice you have the liquid which we

733

00:29:00,950 --> 00:28:58,260

call water you have the gaseous form of

734

00:29:04,789 --> 00:29:00,960

gaseous form which is a water vapor or

735

00:29:07,730 --> 00:29:04,799

Steam and then you have plasma now each

736

00:29:09,649 --> 00:29:07,740

of these forms of matter require an

737

00:29:11,269 --> 00:29:09,659

additional amount of energy to be input

738

00:29:13,549 --> 00:29:11,279

so when you have ice and you add energy

739

00:29:16,370 --> 00:29:13,559

like heat it turns into water you

740

00:29:20,149 --> 00:29:16,380

continue adding heat it turns into steam

741

00:29:23,510 --> 00:29:20,159

but if you add electrons it turns into

742

00:29:26,149 --> 00:29:23,520

plasma so we had an electrically charged

743

00:29:29,510 --> 00:29:26,159

or negatively charged gaseous form of

744

00:29:32,630 --> 00:29:29,520

water which was not water vapor or steam

745

00:29:34,070 --> 00:29:32,640

if you cool it it does not condense in

746

00:29:36,350 --> 00:29:34,080

other words the energy that you added to

747

00:29:38,930 --> 00:29:36,360

it wasn't heat it was essentially

748

00:29:41,090 --> 00:29:38,940

electricity these electrons

749

00:29:43,730 --> 00:29:41,100

now it turns out that these electrons

750

00:29:45,649 --> 00:29:43,740

are bio available

751

00:29:46,850 --> 00:29:45,659

so when you inhale the gas like I'm

752

00:29:48,409 --> 00:29:46,860

doing right now

753

00:29:51,710 --> 00:29:48,419

or you

754

00:29:54,350 --> 00:29:51,720

put it through water these electrons

755

00:29:56,450 --> 00:29:54,360

get distributed into the air water and

756

00:29:58,789 --> 00:29:56,460

it goes into your body and your body

757

00:30:01,730 --> 00:29:58,799

uses them and you can do things with

758

00:30:03,049 --> 00:30:01,740

them that you couldn't do with straight

759

00:30:10,610 --> 00:30:03,059

hydrogen

760

00:30:14,210 --> 00:30:10,620

the studies that have to do with

761

00:30:16,730 --> 00:30:14,220

hydrogen Brown's gas does as well or

762

00:30:18,470 --> 00:30:16,740

better and the reason it does better has

763

00:30:20,570 --> 00:30:18,480

to do with this third gas the

764

00:30:23,450 --> 00:30:20,580

electrically expanded water or this

765

00:30:27,169 --> 00:30:23,460

plasma form of water and it's feeding

766

00:30:29,750 --> 00:30:27,179

electrons in now think of hydrogen as a

767

00:30:31,850 --> 00:30:29,760

brick you have a pile of bricks out in

768

00:30:34,490 --> 00:30:31,860

the woods you wouldn't expect that pile

769

00:30:36,529 --> 00:30:34,500

of bricks you come back in 10 years and

770

00:30:38,750 --> 00:30:36,539

it would turn into a brick house

771

00:30:40,250 --> 00:30:38,760

because of entropy it goes the other way

772

00:30:41,630 --> 00:30:40,260

if you have a brick house it can turn

773

00:30:43,490 --> 00:30:41,640

into a pile of bricks but you're never

774

00:30:45,470 --> 00:30:43,500

going to have a pile of bricks turn into

775

00:30:49,130 --> 00:30:45,480

a brick house unless two things happen

776  
00:30:52,490 --> 00:30:49,140  
number one is energy it takes energy and

777  
00:30:54,409 --> 00:30:52,500  
number two directed intelligence so you

778  
00:30:56,269 --> 00:30:54,419  
have to direct that energy somebody has

779  
00:30:58,669 --> 00:30:56,279  
to pick up the brick go over mix and

780  
00:31:02,090 --> 00:30:58,679  
mortar put it down and build the house

781  
00:31:05,149 --> 00:31:02,100  
your body knows how to do that your body

782  
00:31:08,210 --> 00:31:05,159  
is intelligent in ways that we haven't

783  
00:31:11,930 --> 00:31:08,220  
even figured out yet so it knows how to

784  
00:31:15,289 --> 00:31:11,940  
heal itself but to heal itself it needs

785  
00:31:17,930 --> 00:31:15,299  
the bricks and the energy so when you

786  
00:31:20,090 --> 00:31:17,940  
put in the Browns gas it gives you not

787  
00:31:22,370 --> 00:31:20,100  
only the hydrogen which is the building

788  
00:31:25,490 --> 00:31:22,380

block of life because our bodies are 62

789

00:31:27,169 --> 00:31:25,500

percent hydrogen by volume so it's our

790

00:31:29,029 --> 00:31:27,179

major macronutrient

791

00:31:31,730 --> 00:31:29,039

so as you put in the hydrogen you've got

792

00:31:35,450 --> 00:31:31,740

your material but you also have to have

793

00:31:37,310 --> 00:31:35,460

the energy and people who are ill

794

00:31:39,230 --> 00:31:37,320

or have been hydrogen deficient for a

795

00:31:41,570 --> 00:31:39,240

long time because hydrogen is one of the

796

00:31:44,269 --> 00:31:41,580

ways that the body makes energy they've

797

00:31:47,330 --> 00:31:44,279

either used up their energy reserves and

798

00:31:49,669 --> 00:31:47,340

or their energy generation systems have

799

00:31:51,710 --> 00:31:49,679

become compromised so one of the things

800

00:31:54,769 --> 00:31:51,720

that ill bodies don't have is enough

801  
00:31:57,230 --> 00:31:54,779  
energy so when you go to heal with

802  
00:31:59,450 --> 00:31:57,240  
hydrogen you're giving the body the

803  
00:32:01,430 --> 00:31:59,460  
nutrition it needs the bricks

804  
00:32:03,529 --> 00:32:01,440  
but it has to depend on getting energy

805  
00:32:05,510 --> 00:32:03,539  
from somewhere that when you do with the

806  
00:32:07,730 --> 00:32:05,520  
Browns gas you get the bricks and the

807  
00:32:10,310 --> 00:32:07,740  
energy at the same time now the

808  
00:32:13,010 --> 00:32:10,320  
electrons can be used directly to stop

809  
00:32:16,010 --> 00:32:13,020  
things like oxidative Cascade

810  
00:32:18,230 --> 00:32:16,020  
what happens is some molecules in your

811  
00:32:21,769 --> 00:32:18,240  
body let's go with a macro one and call

812  
00:32:23,690 --> 00:32:21,779  
this cell has not enough electrons so it

813  
00:32:26,029 --> 00:32:23,700

will grab electrons from something else

814

00:32:29,029 --> 00:32:26,039

and now that something else is electron

815

00:32:30,350 --> 00:32:29,039

deficient and this is oxidation when

816

00:32:32,810 --> 00:32:30,360

you're grabbing electrons like that it's

817

00:32:34,669 --> 00:32:32,820

called oxidizing so you have this

818

00:32:37,070 --> 00:32:34,679

oxidative Cascade that if the electrons

819

00:32:39,049 --> 00:32:37,080

come along you're inhaling Brown gas for

820

00:32:40,970 --> 00:32:39,059

example and the blood is now

821

00:32:44,029 --> 00:32:40,980

Distributing these electrons to everyone

822

00:32:46,430 --> 00:32:44,039

who needs it the oxidative Cascade stops

823

00:32:48,350 --> 00:32:46,440

in its tracks and what happens with that

824

00:32:51,289 --> 00:32:48,360

is it that's one of the reasons it stops

825

00:32:52,250 --> 00:32:51,299

inflammation stopping inflammation stops

826

00:32:55,610 --> 00:32:52,260

pain

827

00:32:56,930 --> 00:32:55,620

so people when they're inhaling or

828

00:32:59,149 --> 00:32:56,940

they're putting the Browns gas on their

829

00:33:02,029 --> 00:32:59,159

skin most people are noticing that their

830

00:33:03,950 --> 00:33:02,039

pain disappears and I can tell you as a

831

00:33:06,769 --> 00:33:03,960

60 plus year old man

832

00:33:09,470 --> 00:33:06,779

who had pain and was living with it not

833

00:33:15,169 --> 00:33:09,480

as much as some people it is a blessing

834

00:33:17,810 --> 00:33:15,179

to be pain-free just that is so so

835

00:33:20,389 --> 00:33:17,820

beautiful it's it to be able to go and

836

00:33:21,769 --> 00:33:20,399

walk around and not have to be in pain

837

00:33:25,850 --> 00:33:21,779

all the time

838

00:33:28,490 --> 00:33:25,860

to enjoy life just that and then

839

00:33:30,470 --> 00:33:28,500

you look at this latest pandemic

840

00:33:34,009 --> 00:33:30,480

one of the things that they were

841

00:33:37,850 --> 00:33:34,019

accusing the virus of was there was a

842

00:33:40,310 --> 00:33:37,860

lung respiratory virus and that turns

843

00:33:41,870 --> 00:33:40,320

out to not be so now a lot of doctors

844

00:33:43,310 --> 00:33:41,880

still think it is because that's the

845

00:33:45,409 --> 00:33:43,320

Mantra that's out there The Narrative

846

00:33:47,029 --> 00:33:45,419

and kind of thing turns out it was a

847

00:33:49,610 --> 00:33:47,039

blood virus

848

00:33:52,549 --> 00:33:49,620

and what it was doing is knocking

849

00:33:54,230 --> 00:33:52,559

the iron or heme or ferritin whatever

850

00:33:56,269 --> 00:33:54,240

you wanted to call it out of the red

851  
00:33:58,610 --> 00:33:56,279  
blood cells and anybody who understands

852  
00:34:00,289 --> 00:33:58,620  
how oxygen gets around in the body they

853  
00:34:01,549 --> 00:34:00,299  
know that the red blood cells because it

854  
00:34:04,190 --> 00:34:01,559  
contains iron

855  
00:34:05,750 --> 00:34:04,200  
plumbs onto the oxygen in the lungs and

856  
00:34:07,970 --> 00:34:05,760  
then carries it around and distributes

857  
00:34:10,609 --> 00:34:07,980  
it the oxygen in the body

858  
00:34:13,909 --> 00:34:10,619  
so if the blood is circulating but not

859  
00:34:15,770 --> 00:34:13,919  
picking up any Oxygen then the blood

860  
00:34:17,750 --> 00:34:15,780  
oxygen level goes down and these people

861  
00:34:20,149 --> 00:34:17,760  
they were getting blood oxygen levels in

862  
00:34:22,369 --> 00:34:20,159  
in like 70 and they were thinking they

863  
00:34:24,349 --> 00:34:22,379

had to go on ventilators well it turns

864

00:34:27,169 --> 00:34:24,359

out if you put somebody on a ventilator

865

00:34:28,730 --> 00:34:27,179

and the blood can't grab the oxygen it

866

00:34:30,109 --> 00:34:28,740

doesn't matter how much oxygen you try

867

00:34:31,730 --> 00:34:30,119

to put in the lungs

868

00:34:34,190 --> 00:34:31,740

you're still going to have low oxygen

869

00:34:36,109 --> 00:34:34,200

levels and eight or nine people out of

870

00:34:38,270 --> 00:34:36,119

ten put on ventilators were dying

871

00:34:41,450 --> 00:34:38,280

because of this misdiagnosis this

872

00:34:43,369 --> 00:34:41,460

misunderstanding well it turns out

873

00:34:46,310 --> 00:34:43,379

Brown's gas they don't call it Brown's

874

00:34:48,649 --> 00:34:46,320

gas over in Asia but in Asia in China

875

00:34:50,389 --> 00:34:48,659

for example the Browns gas was the

876

00:34:52,730 --> 00:34:50,399

number one treatment for this virus

877

00:34:54,770 --> 00:34:52,740

because it worked

878

00:34:57,470 --> 00:34:54,780

people who were put on the Browns gas

879

00:34:59,150 --> 00:34:57,480

instead of a ventilator in about five

880

00:35:01,430 --> 00:34:59,160

minutes they started to breathe easier

881

00:35:02,810 --> 00:35:01,440

and within three days they're walking

882

00:35:05,930 --> 00:35:02,820

out of the hospital

883

00:35:07,609 --> 00:35:05,940

so this is a fantastic use for this

884

00:35:10,670 --> 00:35:07,619

particular machine

885

00:35:12,230 --> 00:35:10,680

and the reason it works has to do with

886

00:35:14,450 --> 00:35:12,240

these electrons I was just talking about

887

00:35:17,089 --> 00:35:14,460

this electrically expanded water

888

00:35:19,130 --> 00:35:17,099

so wasn't the hydrogen

889

00:35:20,750 --> 00:35:19,140

if you give them pure hydrogen it

890

00:35:22,790 --> 00:35:20,760

doesn't do the same thing as you do when

891

00:35:24,710 --> 00:35:22,800

it's getting the bronze gas what happens

892

00:35:27,470 --> 00:35:24,720

is the red blood cells pick up this

893

00:35:30,410 --> 00:35:27,480

charge these extra electrons and that is

894

00:35:31,790 --> 00:35:30,420

enough to grab the oxygen one of the

895

00:35:33,770 --> 00:35:31,800

reasons the iron is in there is because

896

00:35:35,569 --> 00:35:33,780

it could have this charge that the red

897

00:35:37,970 --> 00:35:35,579

blood cells could have discharge and it

898

00:35:40,010 --> 00:35:37,980

grabs the oxygen and then the oxygen

899

00:35:42,530 --> 00:35:40,020

level in the blood comes up and away you

900

00:35:44,750 --> 00:35:42,540

go the people could breathe and the body

901  
00:35:46,190 --> 00:35:44,760  
could heal it has a chance once it was

902  
00:35:50,089 --> 00:35:46,200  
getting its oxygen

903  
00:35:52,430 --> 00:35:50,099  
so these are reasons why examples of why

904  
00:35:55,190 --> 00:35:52,440  
the Browns gas is better than the pure

905  
00:35:56,930 --> 00:35:55,200  
hydrogen now that said

906  
00:35:59,150 --> 00:35:56,940  
everyone in the world is hydrogen

907  
00:36:02,030 --> 00:35:59,160  
deficient and there's many reasons

908  
00:36:03,710 --> 00:36:02,040  
one of them being antibiotics and I can

909  
00:36:05,510 --> 00:36:03,720  
go into that a little bit if you want to

910  
00:36:06,650 --> 00:36:05,520  
but I'll save that for a little later if

911  
00:36:08,210 --> 00:36:06,660  
necessary

912  
00:36:10,310 --> 00:36:08,220  
but people aren't getting the hydrogen

913  
00:36:12,410 --> 00:36:10,320

they need from their food because you

914

00:36:13,910 --> 00:36:12,420

can't inhale hydrogen you have to get it

915

00:36:15,890 --> 00:36:13,920

from your food and because our digestive

916

00:36:17,329 --> 00:36:15,900

systems have become compromised we're

917

00:36:19,910 --> 00:36:17,339

not getting the hydrogen we need from

918

00:36:22,310 --> 00:36:19,920

our food so most people are hydrogen

919

00:36:24,109 --> 00:36:22,320

deficient and because of that there's a

920

00:36:26,569 --> 00:36:24,119

lot of illness out there that doesn't

921

00:36:29,329 --> 00:36:26,579

need to be okay if you're hydrogen

922

00:36:32,210 --> 00:36:29,339

deficient first thing your body tries to

923

00:36:34,790 --> 00:36:32,220

do is maintain life just a quick side

924

00:36:36,650 --> 00:36:34,800

example if you're out in the cold and

925

00:36:38,329 --> 00:36:36,660

you're getting hypothermia the first

926

00:36:41,030 --> 00:36:38,339

thing the body does is shut off blood

927

00:36:42,050 --> 00:36:41,040

flow to the extremities to preserve core

928

00:36:45,109 --> 00:36:42,060

temperature

929

00:36:47,510 --> 00:36:45,119

well to preserve your core hydrogen the

930

00:36:50,050 --> 00:36:47,520

body starts shutting off systems that

931

00:36:52,130 --> 00:36:50,060

use hydrogen but aren't immediately

932

00:36:53,810 --> 00:36:52,140

life-threatening like shutting off blood

933

00:36:56,089 --> 00:36:53,820

flow to the limbs is not immediately

934

00:36:58,069 --> 00:36:56,099

life-threatening so

935

00:36:59,810 --> 00:36:58,079

the first thing that goes is your or it

936

00:37:02,569 --> 00:36:59,820

gets shut off is your regeneration

937

00:37:05,150 --> 00:37:02,579

systems the stem cells all of that so if

938

00:37:08,390 --> 00:37:05,160

you get a cut your body will patch it

939

00:37:09,950 --> 00:37:08,400

with a scar tissue instead of healing it

940

00:37:11,810 --> 00:37:09,960

and this is something that happened to

941

00:37:14,630 --> 00:37:11,820

me once I started inhaling the hydrogen

942

00:37:16,609 --> 00:37:14,640

all my scars disappeared off my body my

943

00:37:18,650 --> 00:37:16,619

body once it got enough hydrogen was to

944

00:37:20,390 --> 00:37:18,660

go back and take away the patches and

945

00:37:22,190 --> 00:37:20,400

actually heal the skin

946

00:37:24,950 --> 00:37:22,200

the next thing that starts shutting off

947

00:37:26,870 --> 00:37:24,960

is the immune systems so people get sick

948

00:37:28,250 --> 00:37:26,880

from a lot of different things but that

949

00:37:30,050 --> 00:37:28,260

isn't necessarily immediately

950

00:37:31,670 --> 00:37:30,060

life-threatening although a lot of

951  
00:37:33,170 --> 00:37:31,680  
people will die from that

952  
00:37:35,329 --> 00:37:33,180  
and then if you still don't have enough

953  
00:37:39,290 --> 00:37:35,339  
hydrogen your organs start to fail like

954  
00:37:41,210 --> 00:37:39,300  
my late wife and then you die so

955  
00:37:43,490 --> 00:37:41,220  
it turns out that when you start

956  
00:37:45,349 --> 00:37:43,500  
hydrogen supplementation and I'm talking

957  
00:37:47,930 --> 00:37:45,359  
just hydrogen now not the Browns gas

958  
00:37:50,450 --> 00:37:47,940  
specifically though the bronze gas has

959  
00:37:52,609 --> 00:37:50,460  
these effects even quicker because like

960  
00:37:55,069 --> 00:37:52,619  
I say you get the energy as well

961  
00:37:56,870 --> 00:37:55,079  
so hydrogen out there I have a place on

962  
00:37:58,550 --> 00:37:56,880  
my website where I compare the various

963  
00:38:00,410 --> 00:37:58,560

ways of getting hydrogen into your body

964

00:38:01,550 --> 00:38:00,420

and there's nine different ways that

965

00:38:03,589 --> 00:38:01,560

I've discovered

966

00:38:06,109 --> 00:38:03,599

the tablets being one of them now

967

00:38:08,390 --> 00:38:06,119

there's issues and considerations with

968

00:38:10,310 --> 00:38:08,400

each way of doing it so I say What's the

969

00:38:12,470 --> 00:38:10,320

best way to get hydrogen into your body

970

00:38:14,630 --> 00:38:12,480

and I made up a little essay and I put

971

00:38:16,130 --> 00:38:14,640

it up on my website so that people can

972

00:38:18,349 --> 00:38:16,140

you could probably find it even if you

973

00:38:21,109 --> 00:38:18,359

just Google what's the best way

974

00:38:22,849 --> 00:38:21,119

to get hydrogen in my body or your body

975

00:38:24,109 --> 00:38:22,859

or something like that anyway if you go

976

00:38:26,390 --> 00:38:24,119

to my website you'll be able to find it

977

00:38:29,150 --> 00:38:26,400

in my frequently asked questions so

978

00:38:31,730 --> 00:38:29,160

getting back to this the tablets were

979

00:38:34,069 --> 00:38:31,740

one there's other types of electrolysis

980

00:38:37,910 --> 00:38:34,079

there's what they call the ionizers oh

981

00:38:39,530 --> 00:38:37,920

this is a nice story and and a way a

982

00:38:41,990 --> 00:38:39,540

narrative was made that was incorrect

983

00:38:45,589 --> 00:38:42,000

but is known by everybody

984

00:38:47,510 --> 00:38:45,599

people believe that pH high pH water is

985

00:38:50,270 --> 00:38:47,520

healthful and I'm not saying it's not

986

00:38:53,089 --> 00:38:50,280

I'm saying it isn't as helpful as they

987

00:38:55,430 --> 00:38:53,099

thought it was or why it was and it was

988

00:38:57,890 --> 00:38:55,440

started that I'm going to call it myth

989

00:39:00,470 --> 00:38:57,900

information was started over 40 years

990

00:39:02,930 --> 00:39:00,480

ago with people who discovered if they

991

00:39:04,730 --> 00:39:02,940

ran water through what I call a flow

992

00:39:08,270 --> 00:39:04,740

through electrolyzer

993

00:39:11,030 --> 00:39:08,280

commonly called an ionizer and there's

994

00:39:14,089 --> 00:39:11,040

various companies that make them kangan

995

00:39:16,730 --> 00:39:14,099

by enagic was one of the first and I

996

00:39:18,770 --> 00:39:16,740

have a kangan K8 myself it was a five

997

00:39:20,329 --> 00:39:18,780

thousand dollar machine so I got the

998

00:39:22,550 --> 00:39:20,339

best I could to do my experiments with

999

00:39:24,530 --> 00:39:22,560

so I can give you some Authority on

1000

00:39:26,210 --> 00:39:24,540

what's going on here

1001  
00:39:27,829 --> 00:39:26,220  
but I didn't do the experiments I'm

1002  
00:39:30,770 --> 00:39:27,839  
going to talk about right now

1003  
00:39:32,569 --> 00:39:30,780  
so more recently some scientists got

1004  
00:39:35,990 --> 00:39:32,579  
together and they actually experimented

1005  
00:39:38,210 --> 00:39:36,000  
with this the 40 year old myth about pH

1006  
00:39:40,190 --> 00:39:38,220  
and water and being healthful they

1007  
00:39:42,109 --> 00:39:40,200  
neutralized the water but left the

1008  
00:39:45,890 --> 00:39:42,119  
hydrogen in the water

1009  
00:39:47,930 --> 00:39:45,900  
and the health benefits were maintained

1010  
00:39:50,510 --> 00:39:47,940  
they took the hydrogen out of the water

1011  
00:39:52,849 --> 00:39:50,520  
but left the high ph and the health

1012  
00:39:56,510 --> 00:39:52,859  
benefits disappeared

1013  
00:39:59,569 --> 00:39:56,520

it turns out that as you are having the

1014

00:40:02,510 --> 00:39:59,579

water flow through this electrolyzer

1015

00:40:04,430 --> 00:40:02,520

so you look it up to your tap or a water

1016

00:40:07,010 --> 00:40:04,440

source and it flows through and then it

1017

00:40:09,770 --> 00:40:07,020

splits the water into two streams one is

1018

00:40:13,190 --> 00:40:09,780

high ph and one is low ph and the high

1019

00:40:15,290 --> 00:40:13,200

pH happens to be coming off or past what

1020

00:40:18,589 --> 00:40:15,300

we call the cathode or negatively

1021

00:40:21,530 --> 00:40:18,599

charged plate in the electrolyzer and it

1022

00:40:23,810 --> 00:40:21,540

was adding hydrogen to the water so

1023

00:40:25,790 --> 00:40:23,820

people were measuring the high ph and

1024

00:40:27,770 --> 00:40:25,800

assuming that that's where the health

1025

00:40:29,390 --> 00:40:27,780

benefits were coming from but it was

1026  
00:40:31,010 --> 00:40:29,400  
actually coming from the hydrogen that

1027  
00:40:32,270 --> 00:40:31,020  
was in the water not the P had nothing

1028  
00:40:34,550 --> 00:40:32,280  
to do with the pH

1029  
00:40:36,589 --> 00:40:34,560  
and the low PH would go off and be used

1030  
00:40:39,230 --> 00:40:36,599  
for cleaning or whatever kinds of things

1031  
00:40:41,690 --> 00:40:39,240  
they're useful machines these ionizers

1032  
00:40:44,329 --> 00:40:41,700  
but they don't allow you to do something

1033  
00:40:47,030 --> 00:40:44,339  
like inhale the gas and what happened

1034  
00:40:49,250 --> 00:40:47,040  
with myself for example

1035  
00:40:51,589 --> 00:40:49,260  
I got 10 times more benefit from

1036  
00:40:53,990 --> 00:40:51,599  
inhalation than I ever did from the

1037  
00:40:57,829 --> 00:40:54,000  
hydrogen-rich water I started to drink

1038  
00:41:01,370 --> 00:40:57,839

the hydrogen-rich water in 2005 and I

1039

00:41:03,710 --> 00:41:01,380

didn't get sick from 2005 to 2007 so at

1040

00:41:06,710 --> 00:41:03,720

that point I started promoting what I

1041

00:41:08,510 --> 00:41:06,720

call the ER 50 electrolyzer for people

1042

00:41:11,329 --> 00:41:08,520

to bubbling water and have the

1043

00:41:14,270 --> 00:41:11,339

hydrogen-rich water and I got hundreds

1044

00:41:16,130 --> 00:41:14,280

of testimonials back from that and then

1045

00:41:17,569 --> 00:41:16,140

people were asking if we could inhale

1046

00:41:20,630 --> 00:41:17,579

but

1047

00:41:23,270 --> 00:41:20,640

I erroneously told people no you

1048

00:41:24,589 --> 00:41:23,280

shouldn't inhale because it's a

1049

00:41:27,589 --> 00:41:24,599

combustible gas

1050

00:41:29,450 --> 00:41:27,599

which I later realized I was mistaken it

1051  
00:41:31,069 --> 00:41:29,460  
is a combustible gas but not when you

1052  
00:41:32,390 --> 00:41:31,079  
mix it with enough air when you mix it

1053  
00:41:35,329 --> 00:41:32,400  
with enough air it's not combustible

1054  
00:41:37,130 --> 00:41:35,339  
however when I started inhaling in March

1055  
00:41:39,410 --> 00:41:37,140  
of 2016

1056  
00:41:41,390 --> 00:41:39,420  
so you can see it took a decade for me

1057  
00:41:43,790 --> 00:41:41,400  
to get into that

1058  
00:41:46,550 --> 00:41:43,800  
I suddenly noted a lot of health

1059  
00:41:48,589 --> 00:41:46,560  
benefits amazing some happen really fast

1060  
00:41:50,870 --> 00:41:48,599  
some happened over months some happened

1061  
00:41:53,270 --> 00:41:50,880  
over years of time just last year I

1062  
00:41:54,829 --> 00:41:53,280  
discovered as I was washing my feet in

1063  
00:41:57,290 --> 00:41:54,839

the shower that I was not leaning

1064

00:41:59,390 --> 00:41:57,300

against the shower wall which I had been

1065

00:42:01,069 --> 00:41:59,400

doing for years because I had lost that

1066

00:42:03,890 --> 00:42:01,079

much of a sense of balance I was

1067

00:42:05,750 --> 00:42:03,900

standing on one foot and washing my toes

1068

00:42:08,329 --> 00:42:05,760

without leaning against the wall so I'd

1069

00:42:10,609 --> 00:42:08,339

regained a sense of balance that I

1070

00:42:13,730 --> 00:42:10,619

hadn't had before but that happened over

1071

00:42:17,150 --> 00:42:13,740

years of time yes so right in any case

1072

00:42:19,790 --> 00:42:17,160

people can look on my eagle-research DOT

1073

00:42:21,710 --> 00:42:19,800

life website and see about me and they

1074

00:42:23,690 --> 00:42:21,720

can see the list of health benefits that

1075

00:42:24,470 --> 00:42:23,700

I've had from inhalation you were about

1076  
00:42:26,390 --> 00:42:24,480  
to say

1077  
00:42:29,089 --> 00:42:26,400  
oh well that's just one of those things

1078  
00:42:31,609 --> 00:42:29,099  
that if you're not really observant of

1079  
00:42:35,210 --> 00:42:31,619  
yourself you could totally Overlook it

1080  
00:42:37,130 --> 00:42:35,220  
and that is probably a reason why some

1081  
00:42:38,569 --> 00:42:37,140  
people don't notice some benefits I'm

1082  
00:42:40,849 --> 00:42:38,579  
pretty dense when it comes to that kind

1083  
00:42:43,730 --> 00:42:40,859  
of stuff I notice if my sinuses are

1084  
00:42:45,530 --> 00:42:43,740  
better or not but that's about it and

1085  
00:42:47,750 --> 00:42:45,540  
The more I've learned about health and

1086  
00:42:50,690 --> 00:42:47,760  
healing the more I realize it is about

1087  
00:42:53,089 --> 00:42:50,700  
getting proper sunlight about grounding

1088  
00:42:57,710 --> 00:42:53,099

and about good water and all these

1089

00:43:00,410 --> 00:42:57,720

things kind of speak to charge and the

1090

00:43:02,450 --> 00:43:00,420

hydrogen depletion and just the

1091

00:43:04,670 --> 00:43:02,460

electrical systems of the body you know

1092

00:43:06,890 --> 00:43:04,680

some say we are electrical beans and yet

1093

00:43:10,490 --> 00:43:06,900

the modern medical system pays no

1094

00:43:13,069 --> 00:43:10,500

attention to that aspect of the body and

1095

00:43:16,190 --> 00:43:13,079

here we are pointing out how important

1096

00:43:19,309 --> 00:43:16,200

it is and how you know some of these

1097

00:43:20,750 --> 00:43:19,319

things affect it and another thing I

1098

00:43:23,930 --> 00:43:20,760

wanted to make sure we fit in the first

1099

00:43:27,290 --> 00:43:23,940

hour that you had mentioned to me was

1100

00:43:30,650 --> 00:43:27,300

Proto calls five and six so of course

1101  
00:43:32,690 --> 00:43:30,660  
last time we talked about all these kind

1102  
00:43:34,550 --> 00:43:32,700  
of weird aspects like the aqua cure

1103  
00:43:36,650 --> 00:43:34,560  
engaging in transmutation three

1104  
00:43:38,510 --> 00:43:36,660  
different ways the most impressive being

1105  
00:43:40,550 --> 00:43:38,520  
that when you cook or using a Browns gas

1106  
00:43:42,650 --> 00:43:40,560  
flame you can get three times more

1107  
00:43:44,450 --> 00:43:42,660  
Copper from the same amount of ore and

1108  
00:43:46,670 --> 00:43:44,460  
people have used it to make rubies

1109  
00:43:48,170 --> 00:43:46,680  
sapphires other precious gems a lot of

1110  
00:43:50,510 --> 00:43:48,180  
that was in the last interview but kind

1111  
00:43:52,609 --> 00:43:50,520  
of along these lines we have the first

1112  
00:43:55,309 --> 00:43:52,619  
four main protocols for the aqua cure

1113  
00:43:58,010 --> 00:43:55,319

drinking the water breathing the gas or

1114

00:44:00,109 --> 00:43:58,020

the topical application of either the

1115

00:44:03,050 --> 00:44:00,119

water or the gas you know that rounds

1116

00:44:04,970 --> 00:44:03,060

out the first four but now there's these

1117

00:44:07,670 --> 00:44:04,980

protocols five and six that you've been

1118

00:44:10,010 --> 00:44:07,680

talking about a little bit more and

1119

00:44:13,089 --> 00:44:10,020

they're pretty interesting tell us about

1120

00:44:16,190 --> 00:44:13,099

those a little bit okay

1121

00:44:18,710 --> 00:44:16,200

I've mostly been keeping quiet about it

1122

00:44:20,510 --> 00:44:18,720

because I don't yet have the support up

1123

00:44:22,790 --> 00:44:20,520

on the website to tell people how to do

1124

00:44:26,510 --> 00:44:22,800

this but I can say that everyone who has

1125

00:44:28,309 --> 00:44:26,520

bought an aqua cure from day one has the

1126

00:44:30,050 --> 00:44:28,319

equipment the basic equipment to do what

1127

00:44:31,670 --> 00:44:30,060

I'm going to tell you now

1128

00:44:34,849 --> 00:44:31,680

because I built it right into the

1129

00:44:36,650 --> 00:44:34,859

machine so one of the things that and

1130

00:44:38,089 --> 00:44:36,660

because I have 35 years of experience

1131

00:44:40,609 --> 00:44:38,099

with Brown's gas and I know what I'm

1132

00:44:42,050 --> 00:44:40,619

doing I can do things that the people

1133

00:44:44,630 --> 00:44:42,060

that are just jumping on board right now

1134

00:44:46,910 --> 00:44:44,640

can't and this is one of them and that's

1135

00:44:49,490 --> 00:44:46,920

what I call protocol five and six

1136

00:44:52,550 --> 00:44:49,500

now protocol five if people understand

1137

00:44:55,190 --> 00:44:52,560

that deuterium depleted water is good

1138

00:44:58,190 --> 00:44:55,200

for you people get a lot or too much

1139

00:45:00,109 --> 00:44:58,200

deuterium in their bodies these days and

1140

00:45:02,450 --> 00:45:00,119

I think it's deuterium if I remember

1141

00:45:05,930 --> 00:45:02,460

incorrectly is water that has an extra

1142

00:45:07,970 --> 00:45:05,940

proton in its molecular structure or

1143

00:45:09,950 --> 00:45:07,980

hydrogen hydrogen with an extra proton

1144

00:45:13,370 --> 00:45:09,960

excuse me so it makes something called

1145

00:45:15,290 --> 00:45:13,380

heavy water and the heavy water does in

1146

00:45:19,490 --> 00:45:15,300

your body exactly the same thing it does

1147

00:45:22,730 --> 00:45:19,500

in a nuclear reactor it dampens the flow

1148

00:45:24,770 --> 00:45:22,740

of energy so it sucks up things that

1149

00:45:27,530 --> 00:45:24,780

would normally be used to make energy in

1150

00:45:29,089 --> 00:45:27,540

your body so people become a lot less

1151

00:45:32,390 --> 00:45:29,099

energetic when they have too much

1152

00:45:34,790 --> 00:45:32,400

deuterium in their body and deuterium I

1153

00:45:37,130 --> 00:45:34,800

think it naturally is in water about one

1154

00:45:39,890 --> 00:45:37,140

to five thousand parts of water is

1155

00:45:43,790 --> 00:45:39,900

deuterium this heavy hydrogen

1156

00:45:46,430 --> 00:45:43,800

but in today's water it's a lot more so

1157

00:45:49,190 --> 00:45:46,440

people a person's body normally gets rid

1158

00:45:50,630 --> 00:45:49,200

of deuterium at a certain rate but if

1159

00:45:52,010 --> 00:45:50,640

you're putting it in Faster then it's

1160

00:45:53,930 --> 00:45:52,020

going out then you get too much

1161

00:45:56,750 --> 00:45:53,940

deuterium so what people are doing is

1162

00:45:59,690 --> 00:45:56,760

buying very expensive deuterium depleted

1163

00:46:01,910 --> 00:45:59,700

water to put less deuterium into their

1164

00:46:04,550 --> 00:46:01,920

body so that then as the body gets rid

1165

00:46:08,089 --> 00:46:04,560

of it they end up with less vegetarian

1166

00:46:09,410 --> 00:46:08,099

load so it turns out that the Browns gas

1167

00:46:11,569 --> 00:46:09,420

production

1168

00:46:12,950 --> 00:46:11,579

when you make Brown's gas you're

1169

00:46:15,349 --> 00:46:12,960

essentially splitting the water into

1170

00:46:18,650 --> 00:46:15,359

hydrogen and oxygen and then if you burn

1171

00:46:21,890 --> 00:46:18,660

it in a flame the ashes of the

1172

00:46:25,130 --> 00:46:21,900

combustion is water and it's like water

1173

00:46:28,550 --> 00:46:25,140

there's no deuterium in it so you can

1174

00:46:30,530 --> 00:46:28,560

make deuterium depleted water with your

1175

00:46:32,569 --> 00:46:30,540

aquacure if you have the right equipment

1176

00:46:33,230 --> 00:46:32,579

which most of what you need I send with

1177

00:46:38,270 --> 00:46:33,240

it

1178

00:46:39,890 --> 00:46:38,280

yet but at the ashes of the flame that

1179

00:46:43,190 --> 00:46:39,900

Steam and water that comes off the flame

1180

00:46:45,410 --> 00:46:43,200

is your deuterium depleted water so

1181

00:46:46,970 --> 00:46:45,420

that's what I call protocol 5 Health

1182

00:46:49,010 --> 00:46:46,980

protocol because people know that

1183

00:46:52,490 --> 00:46:49,020

drinking deuterium depleted water is

1184

00:46:54,290 --> 00:46:52,500

helpful so that's protocol 5.

1185

00:46:57,470 --> 00:46:54,300

protocol 6

1186

00:46:58,790 --> 00:46:57,480

gets really out there and of course I'm

1187

00:47:02,450 --> 00:46:58,800

talking on the right show for that

1188

00:47:05,990 --> 00:47:04,130

you're going to have to suspend

1189

00:47:08,569 --> 00:47:06,000

disbelief for a little bit while I talk

1190

00:47:10,550 --> 00:47:08,579

about it because I do have proofs of

1191

00:47:13,190 --> 00:47:10,560

everything I'm saying the things have

1192

00:47:14,569 --> 00:47:13,200

been duplicated but it sounds too good

1193

00:47:17,630 --> 00:47:14,579

to be true

1194

00:47:19,910 --> 00:47:17,640

and the science has in no way caught up

1195

00:47:21,890 --> 00:47:19,920

to this Leading Edge that I'm going to

1196

00:47:24,290 --> 00:47:21,900

be talking about right now

1197

00:47:26,569 --> 00:47:24,300

turns out that that diphtherium depleted

1198

00:47:29,750 --> 00:47:26,579

water that I was just now talking about

1199

00:47:31,970 --> 00:47:29,760

is also what we call new water

1200

00:47:34,370 --> 00:47:31,980

and it's new water because it was just

1201  
00:47:35,450 --> 00:47:34,380  
formed from oxygen and hydrogen into

1202  
00:47:39,650 --> 00:47:35,460  
water

1203  
00:47:42,170 --> 00:47:39,660  
something called a memory

1204  
00:47:44,270 --> 00:47:42,180  
and I have another web page

1205  
00:47:46,609 --> 00:47:44,280  
Browns gas for Health Browns gas for

1206  
00:47:48,650 --> 00:47:46,619  
health and it'll get into this quite a

1207  
00:47:50,690 --> 00:47:48,660  
bit and give a little bit more in depth

1208  
00:47:53,150 --> 00:47:50,700  
than I'll be giving right now how much

1209  
00:47:55,190 --> 00:47:53,160  
time do we have there Greg uh let's

1210  
00:47:56,990 --> 00:47:55,200  
let's call it 10 or 15 minutes in the

1211  
00:47:59,290 --> 00:47:57,000  
first hour it's not an exact science

1212  
00:48:01,790 --> 00:47:59,300  
here not no pun intended

1213  
00:48:04,490 --> 00:48:01,800

no problem five or six minutes probably

1214

00:48:06,589 --> 00:48:04,500

I can detail most of what's going on the

1215

00:48:07,910 --> 00:48:06,599

essential kernel of information and we

1216

00:48:10,130 --> 00:48:07,920

can go into it more in the second hour

1217

00:48:11,510 --> 00:48:10,140

if necessary okay

1218

00:48:15,170 --> 00:48:11,520

so

1219

00:48:19,130 --> 00:48:15,180

first water has a memory and the body

1220

00:48:21,589 --> 00:48:19,140

can read that memory so two experiments

1221

00:48:23,510 --> 00:48:21,599

that I'll tell to kind of give an idea

1222

00:48:25,849 --> 00:48:23,520

of what I'm talking about

1223

00:48:27,829 --> 00:48:25,859

what they did is they did a plant

1224

00:48:30,530 --> 00:48:27,839

experiment in this one particular case

1225

00:48:32,329 --> 00:48:30,540

where they and I'm going to assume that

1226

00:48:34,069 --> 00:48:32,339

most people understand that when plants

1227

00:48:36,470 --> 00:48:34,079

are around classical music they grow

1228

00:48:38,270 --> 00:48:36,480

really well and if they're around hard

1229

00:48:41,030 --> 00:48:38,280

rock music they kind of are scraggly

1230

00:48:43,250 --> 00:48:41,040

they don't go as well okay so

1231

00:48:46,970 --> 00:48:43,260

what they did was they took the same

1232

00:48:49,490 --> 00:48:46,980

idea but they made water associated with

1233

00:48:51,230 --> 00:48:49,500

classical music and then in an entirely

1234

00:48:53,450 --> 00:48:51,240

different location they fed this water

1235

00:48:55,309 --> 00:48:53,460

to the plants and those plants did

1236

00:48:58,490 --> 00:48:55,319

exactly as well as if the classical

1237

00:49:00,349 --> 00:48:58,500

music was playing in their environment

1238

00:49:03,410 --> 00:49:00,359

and they did the same thing with the

1239

00:49:05,030 --> 00:49:03,420

rock music the Hard Rock music and fed

1240

00:49:06,349 --> 00:49:05,040

it to another group of plants in a

1241

00:49:08,270 --> 00:49:06,359

different location

1242

00:49:10,370 --> 00:49:08,280

that had never heard the music and they

1243

00:49:11,710 --> 00:49:10,380

turned scraggly just as if the same

1244

00:49:14,930 --> 00:49:11,720

music was playing in their environment

1245

00:49:17,329 --> 00:49:14,940

so the plants could read that

1246

00:49:20,210 --> 00:49:17,339

information that was impressed upon that

1247

00:49:22,849 --> 00:49:20,220

water okay now another experiment what

1248

00:49:24,050 --> 00:49:22,859

they did was they took three groups of

1249

00:49:26,750 --> 00:49:24,060

cattle

1250

00:49:28,609 --> 00:49:26,760

in a meat processing plant where they

1251  
00:49:31,609 --> 00:49:28,619  
had to kill the cattle and then process

1252  
00:49:33,710 --> 00:49:31,619  
the meat and they took water that was

1253  
00:49:35,690 --> 00:49:33,720  
going to go into the processing plant

1254  
00:49:38,990 --> 00:49:35,700  
and they fed some of that water to a

1255  
00:49:41,690 --> 00:49:39,000  
controlled group of cattle and then they

1256  
00:49:44,329 --> 00:49:41,700  
took the water that went through the

1257  
00:49:46,430 --> 00:49:44,339  
processing plant and they cleaned it

1258  
00:49:48,530 --> 00:49:46,440  
they put one group of cattle through the

1259  
00:49:50,630 --> 00:49:48,540  
processing plant and then as they went

1260  
00:49:53,210 --> 00:49:50,640  
through it they gathered up the water

1261  
00:49:55,790 --> 00:49:53,220  
that was used to spray down the various

1262  
00:49:58,010 --> 00:49:55,800  
and clean things and they cleaned that

1263  
00:50:00,109 --> 00:49:58,020

water so that there was no

1264

00:50:03,109 --> 00:50:00,119

it was just pure water

1265

00:50:05,270 --> 00:50:03,119

there was nothing in it but water H<sub>2</sub>O

1266

00:50:06,829 --> 00:50:05,280

and they fed that water to the third

1267

00:50:08,809 --> 00:50:06,839

group of cattle that were in a separate

1268

00:50:12,230 --> 00:50:08,819

pen completely separate

1269

00:50:14,390 --> 00:50:12,240

and they discovered as they monitored

1270

00:50:16,309 --> 00:50:14,400

the stress levels in various ways

1271

00:50:19,670 --> 00:50:16,319

heartbeats now all these kind of things

1272

00:50:21,290 --> 00:50:19,680

of the cattle that the cattle that were

1273

00:50:22,490 --> 00:50:21,300

fed the water that went through the

1274

00:50:25,490 --> 00:50:22,500

packing plant

1275

00:50:27,170 --> 00:50:25,500

had exactly the same stress as the

1276

00:50:29,930 --> 00:50:27,180

cattle who were going through the

1277

00:50:32,569 --> 00:50:29,940

packing plant they exhibited exactly the

1278

00:50:35,809 --> 00:50:32,579

same symptoms hmm so it's not only

1279

00:50:38,450 --> 00:50:35,819

plants but animals can read the water as

1280

00:50:39,849 --> 00:50:38,460

well now there are some other things

1281

00:50:43,670 --> 00:50:39,859

where they call it a hundred monkey

1282

00:50:47,630 --> 00:50:43,680

effect where on one Island they trained

1283

00:50:49,790 --> 00:50:47,640

these monkeys to do a certain task that

1284

00:50:51,410 --> 00:50:49,800

would help them get food better and

1285

00:50:52,730 --> 00:50:51,420

after they had trained a hundred of

1286

00:50:55,430 --> 00:50:52,740

these monkeys

1287

00:50:57,410 --> 00:50:55,440

monkeys on another Island close by

1288

00:50:58,609 --> 00:50:57,420

started learning to do the exact same

1289

00:51:00,530 --> 00:50:58,619

thing even though they had no

1290

00:51:03,530 --> 00:51:00,540

association with the first set of

1291

00:51:06,470 --> 00:51:03,540

monkeys so I think that the water on the

1292

00:51:08,510 --> 00:51:06,480

planet can gather information at this

1293

00:51:11,150 --> 00:51:08,520

coming and of course we're also looking

1294

00:51:12,650 --> 00:51:11,160

at the telephone being invented on two

1295

00:51:14,750 --> 00:51:12,660

continents at the same time there's some

1296

00:51:16,370 --> 00:51:14,760

sort of energetic thing that happens and

1297

00:51:18,589 --> 00:51:16,380

it may or may not be associated with the

1298

00:51:21,290 --> 00:51:18,599

water entirely but we do see that the

1299

00:51:24,109 --> 00:51:21,300

water has a memory okay

1300

00:51:26,210 --> 00:51:24,119

so it's important to have water when

1301  
00:51:28,970 --> 00:51:26,220  
it's new water to have it impressed with

1302  
00:51:31,670 --> 00:51:28,980  
healthful things this is protocol number

1303  
00:51:35,510 --> 00:51:31,680  
six you can think of it we can impress

1304  
00:51:36,950 --> 00:51:35,520  
it with light and ions and music all

1305  
00:51:38,569 --> 00:51:36,960  
different kinds of things that can

1306  
00:51:41,630 --> 00:51:38,579  
enhance health

1307  
00:51:43,549 --> 00:51:41,640  
there was a scientist called Dr Emoto

1308  
00:51:45,890 --> 00:51:43,559  
who did a lot of research on that

1309  
00:51:48,829 --> 00:51:45,900  
whether he would flash freeze water that

1310  
00:51:51,470 --> 00:51:48,839  
had been subjected to various influences

1311  
00:51:53,809 --> 00:51:51,480  
and when it was subject to hate and

1312  
00:51:55,549 --> 00:51:53,819  
negative emotions the water would be it

1313  
00:51:58,190 --> 00:51:55,559

looked like mud and it wouldn't form

1314

00:52:00,470 --> 00:51:58,200

crystalline forms whereas if it was love

1315

00:52:02,329 --> 00:52:00,480

and light it would form beautiful

1316

00:52:04,670 --> 00:52:02,339

crystals so these are the kinds of

1317

00:52:07,130 --> 00:52:04,680

things where it shows

1318

00:52:08,030 --> 00:52:07,140

how it's affected by emotions and the

1319

00:52:09,829 --> 00:52:08,040

environment

1320

00:52:13,370 --> 00:52:09,839

well it turns out

1321

00:52:15,230 --> 00:52:13,380

that if you put this new water next to l

1322

00:52:17,510 --> 00:52:15,240

did this in my own fridge next to a

1323

00:52:19,309 --> 00:52:17,520

glass of orange juice

1324

00:52:21,250 --> 00:52:19,319

the water will start to taste like

1325

00:52:23,329 --> 00:52:21,260

orange juice

1326

00:52:25,970 --> 00:52:23,339

totally separate

1327

00:52:28,370 --> 00:52:25,980

but it absorbs some sort of the energy

1328

00:52:31,609 --> 00:52:28,380

that was in between the two and it turns

1329

00:52:34,370 --> 00:52:31,619

out if you look at Homeopathy that if

1330

00:52:35,750 --> 00:52:34,380

you put a substance in water and of

1331

00:52:37,670 --> 00:52:35,760

course they weren't even using new water

1332

00:52:39,589 --> 00:52:37,680

to do this they're using old water they

1333

00:52:41,690 --> 00:52:39,599

had all kinds of other memories in it

1334

00:52:43,670 --> 00:52:41,700

can you imagine how powerful it'd be if

1335

00:52:45,349 --> 00:52:43,680

they were just using the new water so if

1336

00:52:48,890 --> 00:52:45,359

you put the new water

1337

00:52:51,890 --> 00:52:48,900

next to or some substance in it

1338

00:52:53,329 --> 00:52:51,900

and then did the homeopic things again

1339

00:52:55,490 --> 00:52:53,339

and again and again until there's no

1340

00:52:57,950 --> 00:52:55,500

possibility that any of that substance

1341

00:52:59,390 --> 00:52:57,960

really remains in the water it still has

1342

00:53:02,809 --> 00:52:59,400

the same effect

1343

00:53:06,049 --> 00:53:02,819

as a medicine as the original concoction

1344

00:53:09,049 --> 00:53:06,059

the original tincture so this is the

1345

00:53:12,049 --> 00:53:09,059

importance as far as Homeopathy goes and

1346

00:53:13,549 --> 00:53:12,059

then we get into transmutation now

1347

00:53:16,490 --> 00:53:13,559

there's two different ways that I know

1348

00:53:18,250 --> 00:53:16,500

of that Brown's gas water has been

1349

00:53:21,170 --> 00:53:18,260

turned into

1350

00:53:22,309 --> 00:53:21,180

materials in other words we have a jar I

1351  
00:53:23,329 --> 00:53:22,319  
have two of them sitting right here

1352  
00:53:25,370 --> 00:53:23,339  
beside me

1353  
00:53:28,010 --> 00:53:25,380  
I have them for when I'm doing video

1354  
00:53:30,290 --> 00:53:28,020  
interviews and people can see

1355  
00:53:32,329 --> 00:53:30,300  
Joseph Bender in a company called rain

1356  
00:53:34,190 --> 00:53:32,339  
fresh along with an inventor called

1357  
00:53:35,990 --> 00:53:34,200  
Norman Wooten

1358  
00:53:37,370 --> 00:53:36,000  
we're doing experiments with Browns gas

1359  
00:53:39,650 --> 00:53:37,380  
and they were making the new water and

1360  
00:53:41,569 --> 00:53:39,660  
they were putting it in this bottle that

1361  
00:53:43,490 --> 00:53:41,579  
they had completely cleaned out it was a

1362  
00:53:45,589 --> 00:53:43,500  
plastic bottle with something called

1363  
00:53:48,290 --> 00:53:45,599

body booster in it which was a liquid

1364

00:53:49,790 --> 00:53:48,300

concentrate of 50 different minerals but

1365

00:53:51,109 --> 00:53:49,800

you'd put them in a shot glass and take

1366

00:53:52,430 --> 00:53:51,119

the minerals so theoretically you're

1367

00:53:55,190 --> 00:53:52,440

getting all the minerals you need in a

1368

00:53:56,450 --> 00:53:55,200

day kind of a supplementary thing so it

1369

00:53:59,210 --> 00:53:56,460

was an empty bottle and they were

1370

00:54:00,710 --> 00:53:59,220

putting us new water in it and The Empty

1371

00:54:02,089 --> 00:54:00,720

Bottle which was gradually filling with

1372

00:54:05,089 --> 00:54:02,099

the new water as they made it was

1373

00:54:07,790 --> 00:54:05,099

sitting next to a full bottle of the 50

1374

00:54:10,190 --> 00:54:07,800

mineral mixture on a shelf in the

1375

00:54:14,930 --> 00:54:10,200

sunshine in such a way that the sunshine

1376

00:54:17,809 --> 00:54:14,940

was shining through the full bottle onto

1377

00:54:21,170 --> 00:54:17,819

the bottle of new water so I theorized

1378

00:54:22,730 --> 00:54:21,180

what had happened was it impressed on

1379

00:54:26,270 --> 00:54:22,740

the water

1380

00:54:29,049 --> 00:54:26,280

the information of these minerals and

1381

00:54:31,849 --> 00:54:29,059

it's really important about that because

1382

00:54:34,490 --> 00:54:31,859

this new water then started to form

1383

00:54:37,849 --> 00:54:34,500

sediment and as I understand it they

1384

00:54:40,970 --> 00:54:37,859

told me they got 10 ounces of sediment

1385

00:54:43,309 --> 00:54:40,980

out of this new water

1386

00:54:44,930 --> 00:54:43,319

there was only water H<sub>2</sub>O that's all that

1387

00:54:47,030 --> 00:54:44,940

was in there but they got this sediment

1388

00:54:48,829 --> 00:54:47,040

and they analyzed that sediment and

1389

00:54:50,809 --> 00:54:48,839

found every single one of those 50

1390

00:54:53,270 --> 00:54:50,819

minerals that was in that original

1391

00:54:55,549 --> 00:54:53,280

bottle that was sitting next to it so

1392

00:54:58,609 --> 00:54:55,559

you could actually transmutation was

1393

00:55:00,349 --> 00:54:58,619

happening with that which dovetails into

1394

00:55:04,250 --> 00:55:00,359

something where I was talking about

1395

00:55:05,990 --> 00:55:04,260

before where Creeks seem to form gold

1396

00:55:08,089 --> 00:55:06,000

I was a prospector for a while and

1397

00:55:11,510 --> 00:55:08,099

talking to Old Prospectors and there are

1398

00:55:13,549 --> 00:55:11,520

creeks that simply don't have a mother

1399

00:55:16,190 --> 00:55:13,559

lode for the gold to come from placer

1400

00:55:17,870 --> 00:55:16,200

just fills up they take all the plaster

1401  
00:55:19,130 --> 00:55:17,880  
out of the creek and a year or two later

1402  
00:55:20,329 --> 00:55:19,140  
they go back and there's more there's

1403  
00:55:23,270 --> 00:55:20,339  
more gold

1404  
00:55:24,829 --> 00:55:23,280  
and they theorize that it has something

1405  
00:55:26,630 --> 00:55:24,839  
to do with the water running over the

1406  
00:55:28,790 --> 00:55:26,640  
stones in a certain way certain minerals

1407  
00:55:30,770 --> 00:55:28,800  
and it actually then completes the

1408  
00:55:32,930 --> 00:55:30,780  
process and makes gold somewhat similar

1409  
00:55:35,089 --> 00:55:32,940  
to when

1410  
00:55:37,130 --> 00:55:35,099  
we took the copper ore and we cooked it

1411  
00:55:40,250 --> 00:55:37,140  
with the Browns cast and then we got

1412  
00:55:43,069 --> 00:55:40,260  
three times more copper out of the ore

1413  
00:55:45,410 --> 00:55:43,079

than we could with just processing The

1414

00:55:47,569 --> 00:55:45,420

Ore without cooking it first now in that

1415

00:55:49,790 --> 00:55:47,579

case I was thinking that what the Browns

1416

00:55:52,190 --> 00:55:49,800

gas does is complete the process of

1417

00:55:55,609 --> 00:55:52,200

baking in other words the environment

1418

00:55:57,349 --> 00:55:55,619

started making the copper but this ore

1419

00:55:59,210 --> 00:55:57,359

wasn't completed it was like a cake half

1420

00:56:02,150 --> 00:55:59,220

done whereas you put it back in the oven

1421

00:56:04,190 --> 00:56:02,160

and it made all the possible metal that

1422

00:56:07,190 --> 00:56:04,200

could be made out of that particular orb

1423

00:56:09,530 --> 00:56:07,200

so using the bronze gas then so what I

1424

00:56:10,849 --> 00:56:09,540

think was happening with this in that

1425

00:56:13,790 --> 00:56:10,859

particular Creeks is there's something

1426

00:56:17,270 --> 00:56:13,800

called primary water

1427

00:56:19,250 --> 00:56:17,280

the Earth actually makes new water by

1428

00:56:22,069 --> 00:56:19,260

itself and if you look it up you'll find

1429

00:56:23,990 --> 00:56:22,079

it is called primary water and I think

1430

00:56:27,470 --> 00:56:24,000

this primary water is bubbling out of

1431

00:56:30,109 --> 00:56:27,480

Springs and going down this Creek

1432

00:56:32,390 --> 00:56:30,119

and being impressed with the information

1433

00:56:34,010 --> 00:56:32,400

that made the gold so I think in a

1434

00:56:36,470 --> 00:56:34,020

similar situation where this sunlight

1435

00:56:38,930 --> 00:56:36,480

was shining through and providing the

1436

00:56:41,390 --> 00:56:38,940

energy and the imprint for this

1437

00:56:45,049 --> 00:56:41,400

transmutation to happen

1438

00:56:47,390 --> 00:56:45,059

um that then becomes protocol number six

1439

00:56:50,089 --> 00:56:47,400

in that you can make your own medicine

1440

00:56:51,230 --> 00:56:50,099

so Health protocol number six now it

1441

00:56:53,990 --> 00:56:51,240

turns out you can make a lot of other

1442

00:56:56,329 --> 00:56:54,000

things as well but if you associate the

1443

00:56:59,210 --> 00:56:56,339

medicine you want or the effect you want

1444

00:57:02,690 --> 00:56:59,220

with the new water it can hold me up

1445

00:57:05,210 --> 00:57:02,700

with the type make the medicine and that

1446

00:57:06,710 --> 00:57:05,220

is just amazing now there's a whole

1447

00:57:09,290 --> 00:57:06,720

bunch of other things the new water can

1448

00:57:11,390 --> 00:57:09,300

do which I'll just say look up

1449

00:57:13,190 --> 00:57:11,400

philosopher's stone look up the

1450

00:57:14,390 --> 00:57:13,200

Philosopher's Stone and all of the

1451  
00:57:16,609 --> 00:57:14,400  
things the Philosopher's Stone

1452  
00:57:18,410 --> 00:57:16,619  
theoretically could do this new water

1453  
00:57:21,950 --> 00:57:18,420  
seems to be able to do that

1454  
00:57:25,609 --> 00:57:21,960  
damn I love it I love it you mentioned

1455  
00:57:30,230 --> 00:57:25,619  
some of that last time like the uh work

1456  
00:57:32,650 --> 00:57:30,240  
done with the rain fresh company but

1457  
00:57:37,250 --> 00:57:32,660  
it's like it seems like this new water

1458  
00:57:41,030 --> 00:57:37,260  
is taking that ability to transfer

1459  
00:57:44,809 --> 00:57:41,040  
information or water memory and

1460  
00:57:47,630 --> 00:57:44,819  
just expanding it or in some way yes

1461  
00:57:50,630 --> 00:57:47,640  
expanding water's ability to do that yes

1462  
00:57:53,150 --> 00:57:50,640  
and similar experiments were done with a

1463  
00:57:54,950 --> 00:57:53,160

fellow by the name of Luke montier who

1464

00:57:58,730 --> 00:57:54,960

was the man who a virologist that

1465

00:57:59,750 --> 00:57:58,740

discovered the AIDS virus and did a lot

1466

00:58:02,870 --> 00:57:59,760

of work

1467

00:58:05,690 --> 00:58:02,880

he did not like the RNA things by the

1468

00:58:08,930 --> 00:58:05,700

way oh yeah unfortunately he wasn't

1469

00:58:11,329 --> 00:58:08,940

around long enough to really uh be a

1470

00:58:14,150 --> 00:58:11,339

voice for that position yes

1471

00:58:16,849 --> 00:58:14,160

unfortunately he died yes I did get to

1472

00:58:20,329 --> 00:58:16,859

meet him in person before he died and I

1473

00:58:21,890 --> 00:58:20,339

deeply appreciate that so in any case he

1474

00:58:25,069 --> 00:58:21,900

had experiments and you can look them up

1475

00:58:28,430 --> 00:58:25,079

online where he was able to transmit

1476

00:58:31,910 --> 00:58:28,440

information from one vial

1477

00:58:34,849 --> 00:58:31,920

over the phone lines electronically to

1478

00:58:36,289 --> 00:58:34,859

another vial that then formed the same

1479

00:58:37,190 --> 00:58:36,299

sort of materials that the first vial

1480

00:58:40,910 --> 00:58:37,200

had

1481

00:58:42,530 --> 00:58:40,920

hmm isn't that something yeah yeah his

1482

00:58:45,230 --> 00:58:42,540

work has been talked about here a little

1483

00:58:47,450 --> 00:58:45,240

bit but it is super fascinating and it

1484

00:58:50,569 --> 00:58:47,460

seems like you're expanding on it and

1485

00:58:52,970 --> 00:58:50,579

there's a lot more work to do one more

1486

00:58:55,370 --> 00:58:52,980

question I had about the protocol five

1487

00:58:57,289 --> 00:58:55,380

that I want to squeeze in here

1488

00:58:59,089 --> 00:58:57,299

is that of course you know deuterium

1489

00:59:00,890 --> 00:58:59,099

depleted water it's been talked about

1490

00:59:02,990 --> 00:59:00,900

here a bit people say you get better

1491

00:59:05,510 --> 00:59:03,000

athletic performance and it seems to be

1492

00:59:08,089 --> 00:59:05,520

the most impressive anti-aging substance

1493

00:59:09,730 --> 00:59:08,099

known to man at this point but I have

1494

00:59:12,109 --> 00:59:09,740

looked into

1495

00:59:14,030 --> 00:59:12,119

buying deuterium depleted water there's

1496

00:59:16,910 --> 00:59:14,040

a company called light water and it's

1497

00:59:19,609 --> 00:59:16,920

like eighty dollars for three one liter

1498

00:59:21,829 --> 00:59:19,619

bottles they say that the process is

1499

00:59:24,289 --> 00:59:21,839

really involved in labor intensive

1500

00:59:27,410 --> 00:59:24,299

requires a big facility maybe that's

1501  
00:59:30,109 --> 00:59:27,420  
marketing but it's a process that seems

1502  
00:59:32,089 --> 00:59:30,119  
complex enough that to be able to make

1503  
00:59:33,589 --> 00:59:32,099  
an attachment to the aquacure I meant

1504  
00:59:36,109 --> 00:59:33,599  
I've heard you mention an attachment

1505  
00:59:39,049 --> 00:59:36,119  
before in kind of retrofitting current

1506  
00:59:42,109 --> 00:59:39,059  
models to produce deuterium depleted

1507  
00:59:44,390 --> 00:59:42,119  
water that sounds pretty wild

1508  
00:59:47,569 --> 00:59:44,400  
I'm curious if you can elaborate on that

1509  
00:59:49,490 --> 00:59:47,579  
a bit more where is the new water you

1510  
00:59:51,230 --> 00:59:49,500  
say the water that comes off the flame

1511  
00:59:53,750 --> 00:59:51,240  
is this for people who are using the

1512  
00:59:54,829 --> 00:59:53,760  
torch attachment elaborate a little bit

1513  
00:59:57,349 --> 00:59:54,839

more

1514

01:00:00,470 --> 00:59:57,359

that's exactly right and it really is as

1515

01:00:02,569 --> 01:00:00,480

simple as that the hard part is to catch

1516

01:00:04,370 --> 01:00:02,579

the steam properly

1517

01:00:06,770 --> 01:00:04,380

now there's people that are trying to

1518

01:00:08,630 --> 01:00:06,780

catch the steam like with copper coils

1519

01:00:10,670 --> 01:00:08,640

and I really think that's not a good

1520

01:00:13,549 --> 01:00:10,680

idea because the first impression this

1521

01:00:15,049 --> 01:00:13,559

new water is getting is copper which if

1522

01:00:16,609 --> 01:00:15,059

you have a copper deficiency maybe

1523

01:00:18,650 --> 01:00:16,619

that's a good thing but generally

1524

01:00:20,870 --> 01:00:18,660

speaking it's a micronutrient and you

1525

01:00:23,030 --> 01:00:20,880

don't want to get too much so you got to

1526

01:00:24,410 --> 01:00:23,040

be really careful and this is why I

1527

01:00:27,410 --> 01:00:24,420

don't have the attachment made yet

1528

01:00:29,750 --> 01:00:27,420

because I'm too busy to get back in and

1529

01:00:32,990 --> 01:00:29,760

actually make the commercial version but

1530

01:00:35,390 --> 01:00:33,000

all you have to do is collect that steam

1531

01:00:38,030 --> 01:00:35,400

in a way that is healthful

1532

01:00:40,370 --> 01:00:38,040

that's it and you've made your deuterium

1533

01:00:42,230 --> 01:00:40,380

depleted water and this has already been

1534

01:00:43,609 --> 01:00:42,240

proven in Russia it was one of the ways

1535

01:00:44,930 --> 01:00:43,619

they were making deuterium depleted

1536

01:00:47,450 --> 01:00:44,940

water at first

1537

01:00:49,789 --> 01:00:47,460

but it is energy intensive

1538

01:00:52,670 --> 01:00:49,799

in that it takes quite a bit of

1539

01:00:55,430 --> 01:00:52,680

electricity to make a leader of this the

1540

01:00:57,770 --> 01:00:55,440

term depleted water but we're talking in

1541

01:00:59,990 --> 01:00:57,780

let's call it 50 cents less than a

1542

01:01:02,150 --> 01:01:00,000

dollar at electrical costs that we're

1543

01:01:04,789 --> 01:01:02,160

doing now so people that are paying

1544

01:01:07,250 --> 01:01:04,799

twenty thirty dollars a bottle for their

1545

01:01:09,190 --> 01:01:07,260

determined depleted water are kind of

1546

01:01:11,990 --> 01:01:09,200

pain more than they need to

1547

01:01:15,410 --> 01:01:12,000

so without the visual it's sometimes

1548

01:01:18,170 --> 01:01:15,420

hard and when we talk about capturing

1549

01:01:20,150 --> 01:01:18,180

steam off of a flame that's kind of

1550

01:01:22,609 --> 01:01:20,160

almost counterintuitive but I haven't

1551  
01:01:24,710 --> 01:01:22,619  
seen a video of the flame in action but

1552  
01:01:28,730 --> 01:01:24,720  
obviously there's a torch attachment we

1553  
01:01:31,730 --> 01:01:28,740  
know what a little uh torch looks like a

1554  
01:01:34,609 --> 01:01:31,740  
torch flame and then so in this case it

1555  
01:01:35,930 --> 01:01:34,619  
just has some steam as well and that can

1556  
01:01:38,569 --> 01:01:35,940  
be captured

1557  
01:01:40,670 --> 01:01:38,579  
yes I haven't done it lately but I'm

1558  
01:01:42,470 --> 01:01:40,680  
sure that if people go with Brown's gas

1559  
01:01:45,049 --> 01:01:42,480  
micro torch if they research something

1560  
01:01:46,490 --> 01:01:45,059  
like that they will see a lot of these

1561  
01:01:49,069 --> 01:01:46,500  
little micro torches with their little

1562  
01:01:51,530 --> 01:01:49,079  
flames and they really are a micro torch

1563  
01:01:53,450 --> 01:01:51,540

flame is very small like even in the

1564

01:01:55,970 --> 01:01:53,460

dark you could barely see it an inch

1565

01:01:57,650 --> 01:01:55,980

long it might have just a little pin of

1566

01:01:59,270 --> 01:01:57,660

white dot at the end of the torch flame

1567

01:02:01,430 --> 01:01:59,280

it's going to be very small

1568

01:02:03,950 --> 01:02:01,440

and so obviously it's not making very

1569

01:02:06,170 --> 01:02:03,960

much steam if you want to see a larger

1570

01:02:08,630 --> 01:02:06,180

torch making quite a bit of gas and so

1571

01:02:12,770 --> 01:02:08,640

you can really see the flame better you

1572

01:02:13,630 --> 01:02:12,780

can go to [watertorch.com](http://watertorch.com) okay all one

1573

01:02:16,309 --> 01:02:13,640

word

1574

01:02:17,750 --> 01:02:16,319

[watertorch.com](http://watertorch.com) that's one of my websites

1575

01:02:20,870 --> 01:02:17,760

it's an old website for when I was

1576

01:02:22,970 --> 01:02:20,880

selling the large electrolyzers that

1577

01:02:25,730 --> 01:02:22,980

could produce enough Browns gas to power

1578

01:02:28,309 --> 01:02:25,740

a regular acetylene torch replacing the

1579

01:02:29,750 --> 01:02:28,319

acetylene with the grounds cast and then

1580

01:02:31,309 --> 01:02:29,760

you can see me waving my hand through

1581

01:02:32,870 --> 01:02:31,319

the flame and things like that so you

1582

01:02:35,329 --> 01:02:32,880

can kind of get a better idea what the

1583

01:02:37,849 --> 01:02:35,339

flame is and I think we have pictures

1584

01:02:39,770 --> 01:02:37,859

that were taken in the dark because you

1585

01:02:41,390 --> 01:02:39,780

really can't see a hydrogen flame very

1586

01:02:43,670 --> 01:02:41,400

well in the daylight there's very little

1587

01:02:44,809 --> 01:02:43,680

emissions off of it it's almost

1588

01:02:46,670 --> 01:02:44,819

invisible

1589

01:02:48,530 --> 01:02:46,680

so the flame goes out actually quite a

1590

01:02:50,930 --> 01:02:48,540

bit further than you can see

1591

01:02:53,270 --> 01:02:50,940

and then as it's converting from a

1592

01:02:55,690 --> 01:02:53,280

gaseous form to a liquid form or in this

1593

01:02:58,069 --> 01:02:55,700

case steam it's actually Contracting

1594

01:03:02,030 --> 01:02:58,079

1800 times

1595

01:03:04,010 --> 01:03:02,040

and as it contracts it forms a vacuum so

1596

01:03:05,569 --> 01:03:04,020

as the flame comes out of the tip as

1597

01:03:07,010 --> 01:03:05,579

long as the flame is going fast enough

1598

01:03:09,950 --> 01:03:07,020

that it doesn't go back into the tip

1599

01:03:11,690 --> 01:03:09,960

that's another I won't segue there the

1600

01:03:14,329 --> 01:03:11,700

uh what will happen is

1601  
01:03:17,210 --> 01:03:14,339  
performing that Steam

1602  
01:03:18,950 --> 01:03:17,220  
but because it's going from a gaseous

1603  
01:03:20,870 --> 01:03:18,960  
form to the liquid form you're actually

1604  
01:03:23,329 --> 01:03:20,880  
making a tunnel in the air

1605  
01:03:26,150 --> 01:03:23,339  
because it's making a tube of a vacuum

1606  
01:03:28,069 --> 01:03:26,160  
if you will so the air itself the air

1607  
01:03:30,490 --> 01:03:28,079  
pressure itself keeps the flame long and

1608  
01:03:34,010 --> 01:03:30,500  
thin so it looks like a long thin flame

1609  
01:03:36,289 --> 01:03:34,020  
and you just simply direct that tunnel

1610  
01:03:38,390 --> 01:03:36,299  
if you will at something that can

1611  
01:03:41,750 --> 01:03:38,400  
condense the steam

1612  
01:03:43,730 --> 01:03:41,760  
and that something has to be cooled

1613  
01:03:45,770 --> 01:03:43,740

enough that the flame itself isn't going

1614

01:03:47,150 --> 01:03:45,780

to burn through it like you can wave

1615

01:03:49,069 --> 01:03:47,160

your hand through the flame because it's

1616

01:03:51,289 --> 01:03:49,079

mostly water but if you direct that

1617

01:03:53,270 --> 01:03:51,299

flame against something like a space

1618

01:03:55,250 --> 01:03:53,280

shuttle ceramic that's very resistant to

1619

01:03:58,309 --> 01:03:55,260

heat that flame will burn right through

1620

01:03:59,569 --> 01:03:58,319

that space shuttle ceramic so you have

1621

01:04:02,150 --> 01:03:59,579

to direct it against something that

1622

01:04:04,609 --> 01:04:02,160

isn't going to burn or influence the new

1623

01:04:06,230 --> 01:04:04,619

water in a negative way so that's the

1624

01:04:08,089 --> 01:04:06,240

kind of experiments that need to be done

1625

01:04:09,890 --> 01:04:08,099

but as soon as you get that dripping

1626  
01:04:11,329 --> 01:04:09,900  
happening up where that it's condensing

1627  
01:04:13,190 --> 01:04:11,339  
into the water and then it's dripping

1628  
01:04:15,890 --> 01:04:13,200  
off whatever it is you've directed The

1629  
01:04:18,890 --> 01:04:15,900  
Flame to or even just directing it at

1630  
01:04:21,109 --> 01:04:18,900  
Water itself as you direct it as a into

1631  
01:04:24,109 --> 01:04:21,119  
a glass of water that water will

1632  
01:04:26,390 --> 01:04:24,119  
condense the steam into the liquid that

1633  
01:04:27,829 --> 01:04:26,400  
the water will heat up very slightly

1634  
01:04:29,690 --> 01:04:27,839  
and that's a way to collect the water

1635  
01:04:31,190 --> 01:04:29,700  
without directing it against stainless

1636  
01:04:35,030 --> 01:04:31,200  
steel or copper or something like that

1637  
01:04:37,069 --> 01:04:35,040  
so there are ways relatively simple of

1638  
01:04:40,010 --> 01:04:37,079

getting that new water

1639

01:04:42,109 --> 01:04:40,020

but you do have to do it in such a way

1640

01:04:43,849 --> 01:04:42,119

that the environment because whatever is

1641

01:04:45,710 --> 01:04:43,859

in the environment whatever emotions

1642

01:04:46,910 --> 01:04:45,720

whatever light whatever sound whatever

1643

01:04:48,530 --> 01:04:46,920

anything

1644

01:04:50,750 --> 01:04:48,540

that water is going to start picking up

1645

01:04:53,270 --> 01:04:50,760

that information instantly so in

1646

01:04:54,950 --> 01:04:53,280

addition to condensing the water and

1647

01:04:57,950 --> 01:04:54,960

collecting it you have to make the

1648

01:04:59,750 --> 01:04:57,960

environment what you want it to be for

1649

01:05:02,450 --> 01:04:59,760

something you put in your body

1650

01:05:04,309 --> 01:05:02,460

very interesting very interesting so man

1651  
01:05:06,349 --> 01:05:04,319  
it just seems like

1652  
01:05:09,349 --> 01:05:06,359  
correct me if I'm wrong but maybe an

1653  
01:05:13,609 --> 01:05:09,359  
enterprising listener could get a few

1654  
01:05:16,190 --> 01:05:13,619  
Aqua cures and start a side business of

1655  
01:05:19,190 --> 01:05:16,200  
not only selling deuterium depleted

1656  
01:05:21,410 --> 01:05:19,200  
water but also hydrogen enriched bottled

1657  
01:05:23,809 --> 01:05:21,420  
water or something to that degree

1658  
01:05:25,970 --> 01:05:23,819  
absolutely in fact if they buy my books

1659  
01:05:28,370 --> 01:05:25,980  
the Browns gas books book two for

1660  
01:05:31,069 --> 01:05:28,380  
example and the resources and stuff you

1661  
01:05:33,710 --> 01:05:31,079  
can build large electrolyzers that'll do

1662  
01:05:37,549 --> 01:05:33,720  
all of this at a relatively low cost I

1663  
01:05:38,809 --> 01:05:37,559

call it 500 plus whatever gas production

1664

01:05:40,910 --> 01:05:38,819

you want so if you want a thousand

1665

01:05:42,950 --> 01:05:40,920

liters per hour so it's fifteen hundred

1666

01:05:45,349 --> 01:05:42,960

dollars you could build a thousand liter

1667

01:05:47,569 --> 01:05:45,359

per hour electrolyzer it's probably more

1668

01:05:49,130 --> 01:05:47,579

now come to think of it everything's

1669

01:05:51,770 --> 01:05:49,140

gotten more expensive but still

1670

01:05:53,450 --> 01:05:51,780

relatively low cost whereas if I was

1671

01:05:55,250 --> 01:05:53,460

selling an electrolyzer like that I'd be

1672

01:05:57,530 --> 01:05:55,260

selling it for ten thousand dollars yeah

1673

01:05:59,329 --> 01:05:57,540

so people can get into this business

1674

01:06:01,849 --> 01:05:59,339

just building your own electrolyzers

1675

01:06:03,109 --> 01:06:01,859

making the gas and then and then selling

1676

01:06:07,430 --> 01:06:03,119

that water

1677

01:06:09,230 --> 01:06:07,440

wow many aspects to the one-two punch of

1678

01:06:11,930 --> 01:06:09,240

health and wealth I think a lot of

1679

01:06:14,329 --> 01:06:11,940

people should appreciate that man just

1680

01:06:16,309 --> 01:06:14,339

really impressive even yourself is a

1681

01:06:18,289 --> 01:06:16,319

good case study I've looked at some old

1682

01:06:20,630 --> 01:06:18,299

videos and pictures of you and you look

1683

01:06:23,030 --> 01:06:20,640

20 years younger than when a lot of this

1684

01:06:25,069 --> 01:06:23,040

stuff started and also you've done many

1685

01:06:27,049 --> 01:06:25,079

many interviews and a lot of them are on

1686

01:06:28,789 --> 01:06:27,059

YouTube and anyone can look at those

1687

01:06:31,609 --> 01:06:28,799

YouTube interviews and see that the

1688

01:06:33,410 --> 01:06:31,619

comments are very complementary a lot of

1689

01:06:35,510 --> 01:06:33,420

them are hey this guy changed my life

1690

01:06:37,309 --> 01:06:35,520

this device changed my life you're never

1691

01:06:39,470 --> 01:06:37,319

reading comments on these shows like

1692

01:06:41,510 --> 01:06:39,480

George refuses to give me back my money

1693

01:06:42,829 --> 01:06:41,520

in this whole thing's a sham and YouTube

1694

01:06:44,990 --> 01:06:42,839

comments I mean a lot of people aren't

1695

01:06:47,029 --> 01:06:45,000

policing their YouTube comments so they

1696

01:06:49,549 --> 01:06:47,039

just kind of are what they are and they

1697

01:06:51,950 --> 01:06:49,559

seem universally positive so that's

1698

01:06:55,069 --> 01:06:51,960

another thing people can look at if

1699

01:06:59,029 --> 01:06:55,079

they're feeling on the fence but man I

1700

01:07:01,430 --> 01:06:59,039

just love being even a small part of

1701  
01:07:03,049 --> 01:07:01,440  
introducing people to such a powerful

1702  
01:07:06,470 --> 01:07:03,059  
tool the feedback I've gotten as always

1703  
01:07:09,289 --> 01:07:06,480  
has been super positive and now you're

1704  
01:07:11,390 --> 01:07:09,299  
doing this decentralized franchise like

1705  
01:07:13,130 --> 01:07:11,400  
distribution model that is creating

1706  
01:07:14,690 --> 01:07:13,140  
wealth on top of the health and it's

1707  
01:07:16,370 --> 01:07:14,700  
just incredible what you're doing man

1708  
01:07:18,230 --> 01:07:16,380  
anything else we should leave people

1709  
01:07:21,589 --> 01:07:18,240  
with obviously your lengths they have

1710  
01:07:22,910 --> 01:07:21,599  
the 20 off coupon code Higher Side

1711  
01:07:24,410 --> 01:07:22,920  
anything they should know maybe about

1712  
01:07:26,569 --> 01:07:24,420  
the course

1713  
01:07:29,329 --> 01:07:26,579

three things I think people should take

1714

01:07:31,190 --> 01:07:29,339

away first of all I do have the one year

1715

01:07:32,930 --> 01:07:31,200

satisfaction guarantee

1716

01:07:34,849 --> 01:07:32,940

you can return it for any reason you

1717

01:07:36,589 --> 01:07:34,859

don't like the color of the paint and I

1718

01:07:38,329 --> 01:07:36,599

give you your money back I want every

1719

01:07:40,370 --> 01:07:38,339

one of these machines to be working for

1720

01:07:43,549 --> 01:07:40,380

somebody if it's not working for you

1721

01:07:45,289 --> 01:07:43,559

it's been under your cupboard I will

1722

01:07:48,470 --> 01:07:45,299

return your money if you return the

1723

01:07:49,789 --> 01:07:48,480

machine I'd rather you had health but if

1724

01:07:51,230 --> 01:07:49,799

you aren't going to have health there's

1725

01:07:53,930 --> 01:07:51,240

only a few thousand machines out there

1726

01:07:57,230 --> 01:07:53,940

I'd rather get it to somebody who will

1727

01:07:59,630 --> 01:07:57,240

use it okay so satisfaction guarantee I

1728

01:08:01,309 --> 01:07:59,640

want it to work for everybody and then

1729

01:08:03,770 --> 01:08:01,319

the second thing is I have a lifetime

1730

01:08:04,970 --> 01:08:03,780

warranty a manufacturer's warranty if

1731

01:08:07,670 --> 01:08:04,980

anything goes wrong with the machine

1732

01:08:09,829 --> 01:08:07,680

that's a manufacturer error for the life

1733

01:08:12,829 --> 01:08:09,839

of the machine as long as the person who

1734

01:08:14,930 --> 01:08:12,839

bought it owns it I will fix replace do

1735

01:08:16,610 --> 01:08:14,940

whatever is necessary to make sure you

1736

01:08:18,050 --> 01:08:16,620

continue to have the operating machine

1737

01:08:20,329 --> 01:08:18,060

you paid for

1738

01:08:21,650 --> 01:08:20,339

and now the course

1739

01:08:23,450 --> 01:08:21,660

yes

1740

01:08:25,309 --> 01:08:23,460

it's a franchise like it's not a

1741

01:08:27,530 --> 01:08:25,319

franchise we're I'm saying franchise

1742

01:08:29,090 --> 01:08:27,540

liking that I train everybody to do the

1743

01:08:31,309 --> 01:08:29,100

same thing like a McDonald's they all

1744

01:08:33,709 --> 01:08:31,319

make the same hamburgers and in

1745

01:08:36,590 --> 01:08:33,719

McDonald's each McDonald's is owned by

1746

01:08:38,870 --> 01:08:36,600

its own owner and things like that but

1747

01:08:41,090 --> 01:08:38,880

we're looser than that it's not an

1748

01:08:44,510 --> 01:08:41,100

official franchise in that I don't

1749

01:08:47,209 --> 01:08:44,520

require you to use any particular method

1750

01:08:49,789 --> 01:08:47,219

or anything like that I do say that your

1751

01:08:52,370 --> 01:08:49,799

machines that you build have to meet

1752

01:08:55,130 --> 01:08:52,380

certain quality qualifications to use

1753

01:08:57,530 --> 01:08:55,140

the name aquacure and logos in my name

1754

01:08:59,390 --> 01:08:57,540

and things like that because that's

1755

01:09:01,849 --> 01:08:59,400

integrity and we we have to maintain

1756

01:09:03,590 --> 01:09:01,859

this standard so there are some things

1757

01:09:05,329 --> 01:09:03,600

like that that have to be maintained

1758

01:09:06,229 --> 01:09:05,339

that you agree to do in order to use

1759

01:09:08,630 --> 01:09:06,239

those

1760

01:09:11,150 --> 01:09:08,640

names and logos and stuff

1761

01:09:13,849 --> 01:09:11,160

and if you only build one machine a week

1762

01:09:15,530 --> 01:09:13,859

you're gonna have like a three thousand

1763

01:09:17,749 --> 01:09:15,540

dollar a month income

1764

01:09:19,370 --> 01:09:17,759

it doesn't take much and then there's

1765

01:09:21,169 --> 01:09:19,380

the people that maybe want to build 10 a

1766

01:09:23,269 --> 01:09:21,179

day and they're going to have quite a

1767

01:09:25,130 --> 01:09:23,279

bit more income

1768

01:09:26,930 --> 01:09:25,140

and some people can there will be people

1769

01:09:29,150 --> 01:09:26,940

out there that have manufacturing

1770

01:09:31,849 --> 01:09:29,160

facilities already set up that they can

1771

01:09:34,309 --> 01:09:31,859

just TurnKey pretty much put this right

1772

01:09:36,289 --> 01:09:34,319

into their systems and train a few of

1773

01:09:38,329 --> 01:09:36,299

their employees and they'll be able to

1774

01:09:40,490 --> 01:09:38,339

turn these things out like cookies

1775

01:09:42,410 --> 01:09:40,500

and that's all good except that they

1776

01:09:44,209 --> 01:09:42,420

have to sell them as well

1777

01:09:45,530 --> 01:09:44,219

because this is your own business I'm

1778

01:09:47,209 --> 01:09:45,540

not selling your machines you're not

1779

01:09:48,709 --> 01:09:47,219

making them for me you're making them

1780

01:09:50,809 --> 01:09:48,719

for yourself and you're selling and

1781

01:09:52,910 --> 01:09:50,819

distributing in your local area for

1782

01:09:54,110 --> 01:09:52,920

yourself you can do it on online as well

1783

01:09:55,490 --> 01:09:54,120

there's nothing stopping you from

1784

01:09:58,610 --> 01:09:55,500

selling anywhere in the world if you

1785

01:10:01,430 --> 01:09:58,620

want and I couldn't police that kind of

1786

01:10:03,590 --> 01:10:01,440

thing anyway so we don't bother there's

1787

01:10:04,970 --> 01:10:03,600

no sense making a law or a rule that you

1788

01:10:06,830 --> 01:10:04,980

can't enforce

1789

01:10:09,470 --> 01:10:06,840

but there's already going to be people

1790

01:10:10,970 --> 01:10:09,480

like myself who are online who will

1791

01:10:13,910 --> 01:10:10,980

pretty much be getting most of the

1792

01:10:15,290 --> 01:10:13,920

online sales although I do recommend

1793

01:10:17,030 --> 01:10:15,300

that even if you're selling in your

1794

01:10:19,310 --> 01:10:17,040

local area that you get yourself set up

1795

01:10:21,229 --> 01:10:19,320

with a website and one of the features

1796

01:10:22,850 --> 01:10:21,239

that we're trying to do with this

1797

01:10:25,250 --> 01:10:22,860

organization

1798

01:10:28,729 --> 01:10:25,260

what I call a collective instead of a

1799

01:10:31,729 --> 01:10:28,739

franchise is to make little cookie

1800

01:10:32,990 --> 01:10:31,739

cutter websites that you can rent like I

1801

01:10:34,970 --> 01:10:33,000

don't know it'll be maybe 10 bucks a

1802

01:10:36,410 --> 01:10:34,980

month or something and it'll just be a

1803

01:10:38,390 --> 01:10:36,420

simple little website that you can have

1804

01:10:39,830 --> 01:10:38,400

that'll give all the information to

1805

01:10:42,770 --> 01:10:39,840

somebody you can give out the web

1806

01:10:44,330 --> 01:10:42,780

address or URL and you can have a little

1807

01:10:46,370 --> 01:10:44,340

website without having to put a lot of

1808

01:10:48,229 --> 01:10:46,380

work into it so that's one of the thing

1809

01:10:51,290 --> 01:10:48,239

my web developer is working on

1810

01:10:53,750 --> 01:10:51,300

so yes it's a good little system we've

1811

01:10:55,610 --> 01:10:53,760

got a lot of things going for it we

1812

01:10:57,050 --> 01:10:55,620

should be able to get a start on it kind

1813

01:11:00,050 --> 01:10:57,060

of a soft start

1814

01:11:01,550 --> 01:11:00,060

in the next month or so and

1815

01:11:02,630 --> 01:11:01,560

all you have to do is just send me an

1816

01:11:05,410 --> 01:11:02,640

email

1817

01:11:08,229 --> 01:11:05,420

using the contact us on the website

1818

01:11:12,229 --> 01:11:08,239

eaglehyphen research dot life or

1819

01:11:14,390 --> 01:11:12,239

eaglehyphen research.com and ask for the

1820

01:11:15,649 --> 01:11:14,400

course frequently Asked question thing

1821

01:11:17,570 --> 01:11:15,659

just give me some more information about

1822

01:11:20,270 --> 01:11:17,580

the course the manufacturing course I'll

1823

01:11:22,850 --> 01:11:20,280

send you the information to get signed

1824

01:11:24,350 --> 01:11:22,860

in and then as soon as we get this

1825

01:11:27,770 --> 01:11:24,360

paperwork that we're working on right

1826

01:11:29,450 --> 01:11:27,780

now finished we'll get you started and

1827

01:11:32,510 --> 01:11:29,460

it's as simple as that

1828

01:11:34,610 --> 01:11:32,520

beautiful I love it so many great things

1829

01:11:36,709 --> 01:11:34,620

in the works and good luck on the

1830

01:11:38,689 --> 01:11:36,719

gravity wheel and the Lord's pump as

1831

01:11:41,209 --> 01:11:38,699

well I would love to see that stuff come

1832

01:11:43,550 --> 01:11:41,219

to fruition and I'm certainly getting my

1833

01:11:45,110 --> 01:11:43,560

aquacure back out I'm motivated I just

1834

01:11:47,390 --> 01:11:45,120

had to ask you those maintenance

1835

01:11:49,790 --> 01:11:47,400

questions and I think I'm good to go but

1836

01:11:51,950 --> 01:11:49,800

you are the man I am lucky to have

1837

01:11:53,990 --> 01:11:51,960

gotten to know you thanks for taking the

1838

01:11:55,370 --> 01:11:54,000

time once again keep up the great work

1839

01:11:58,310 --> 01:11:55,380

and take care

1840

01:12:00,169 --> 01:11:58,320

it's been a pleasure Craig I really

1841

01:12:02,149 --> 01:12:00,179

appreciate being on your show you really

1842

01:12:05,209 --> 01:12:02,159

helped me help a lot of people I'm very

1843

01:12:07,090 --> 01:12:05,219

grateful ah me too

1844

01:12:09,470 --> 01:12:07,100

foreign

1845

01:12:12,169 --> 01:12:09,480

Jesus Higher Side Chatters the

1846

01:12:15,830 --> 01:12:12,179

long-awaited return of the great George

1847

01:12:17,030 --> 01:12:15,840

Wiseman how about it I do love me some

1848

01:12:19,610 --> 01:12:17,040

George

1849

01:12:22,070 --> 01:12:19,620

the last interview we had was one of my

1850

01:12:24,470 --> 01:12:22,080

most played shows of the year which is

1851  
01:12:26,510 --> 01:12:24,480  
great every podcaster likes to try to

1852  
01:12:28,669 --> 01:12:26,520  
recreate that lightning in a bottle

1853  
01:12:30,830 --> 01:12:28,679  
but in that first two hours of the first

1854  
01:12:33,050 --> 01:12:30,840  
show we covered so much about his

1855  
01:12:36,350 --> 01:12:33,060  
background and the aqua cure

1856  
01:12:39,290 --> 01:12:36,360  
I didn't see how or why we'd need

1857  
01:12:41,930 --> 01:12:39,300  
another two hours about it and then he

1858  
01:12:45,169 --> 01:12:41,940  
added several things to the stack

1859  
01:12:47,750 --> 01:12:45,179  
this course this Collective as he calls

1860  
01:12:48,890 --> 01:12:47,760  
it this new semi-franchising business

1861  
01:12:50,990 --> 01:12:48,900  
model

1862  
01:12:52,729 --> 01:12:51,000  
I mean the fact that if you believe in

1863  
01:12:54,590 --> 01:12:52,739

it you can actually start getting more

1864

01:12:56,270 --> 01:12:54,600

machines out to people and have a

1865

01:12:57,709 --> 01:12:56,280

lucrative career

1866

01:13:00,050 --> 01:12:57,719

it's crazy

1867

01:13:02,870 --> 01:13:00,060

so I really liked that new angle plus

1868

01:13:04,310 --> 01:13:02,880

the new slash deuterium depleted water

1869

01:13:07,850 --> 01:13:04,320

layers

1870

01:13:10,910 --> 01:13:07,860

it worked we waited like 18 19 months

1871

01:13:12,470 --> 01:13:10,920

but there were enough updates to make it

1872

01:13:14,750 --> 01:13:12,480

worth doing again

1873

01:13:16,189 --> 01:13:14,760

plus the Lord's pump stuff who knows

1874

01:13:18,290 --> 01:13:16,199

where that's gonna go

1875

01:13:20,510 --> 01:13:18,300

the volume of feedback I got last time

1876  
01:13:21,770 --> 01:13:20,520  
was really high too way more than most

1877  
01:13:24,050 --> 01:13:21,780  
episodes

1878  
01:13:25,130 --> 01:13:24,060  
and clearly based off the way this one

1879  
01:13:26,870 --> 01:13:25,140  
started

1880  
01:13:29,330 --> 01:13:26,880  
it seems like a lot of people were

1881  
01:13:31,370 --> 01:13:29,340  
inspired to buy an aqua cure

1882  
01:13:33,050 --> 01:13:31,380  
and even now without people knowing this

1883  
01:13:35,030 --> 01:13:33,060  
was coming I think the most recent thing

1884  
01:13:37,490 --> 01:13:35,040  
on the Reddit page is people asking each

1885  
01:13:40,130 --> 01:13:37,500  
other for aqua cure reviews

1886  
01:13:41,870 --> 01:13:40,140  
the top commenter even says I got one

1887  
01:13:43,729 --> 01:13:41,880  
and I liked it a lot my health has been

1888  
01:13:45,649 --> 01:13:43,739

improving over the last few years and

1889

01:13:47,330 --> 01:13:45,659

has continued improving in the last year

1890

01:13:49,669 --> 01:13:47,340

since I got the machine

1891

01:13:51,530 --> 01:13:49,679

I also started taking vitamins and I'm

1892

01:13:52,970 --> 01:13:51,540

doing other healthy things meditating

1893

01:13:54,830 --> 01:13:52,980

more Etc

1894

01:13:57,169 --> 01:13:54,840

I don't have a dire Condition it's

1895

01:13:58,250 --> 01:13:57,179

pretty much just bad allergies I hear

1896

01:14:00,770 --> 01:13:58,260

you man

1897

01:14:04,010 --> 01:14:00,780

so for me it's a gradual Improvement not

1898

01:14:05,990 --> 01:14:04,020

like a sudden cure of anything wiseman's

1899

01:14:08,330 --> 01:14:06,000

machine is really well built it has

1900

01:14:10,550 --> 01:14:08,340

great control and safety features it's

1901

01:14:13,850 --> 01:14:10,560

easy to set up use and clean it's not

1902

01:14:15,590 --> 01:14:13,860

loud or messy the cost is worth it for a

1903

01:14:17,750 --> 01:14:15,600

high quality product that's improving

1904

01:14:20,810 --> 01:14:17,760

your water and air he has essentially

1905

01:14:23,090 --> 01:14:20,820

taken a standard Chinese medicine these

1906

01:14:25,010 --> 01:14:23,100

devices are frequently used in China and

1907

01:14:26,630 --> 01:14:25,020

added a lot of safety features and

1908

01:14:28,850 --> 01:14:26,640

functional improvements which I believe

1909

01:14:31,010 --> 01:14:28,860

are worth it I don't really invest much

1910

01:14:33,050 --> 01:14:31,020

in spiritual healing tools supplements

1911

01:14:35,390 --> 01:14:33,060

crystals Etc I decided to get this

1912

01:14:38,149 --> 01:14:35,400

because we consume so much water and are

1913

01:14:40,010 --> 01:14:38,159

of course 70 water ourselves so

1914

01:14:42,350 --> 01:14:40,020

improving my water felt like the most

1915

01:14:44,090 --> 01:14:42,360

effective thing to do also there are

1916

01:14:46,250 --> 01:14:44,100

many medical studies showing measurable

1917

01:14:48,770 --> 01:14:46,260

effects from Brown's gas and the

1918

01:14:50,390 --> 01:14:48,780

components of it though I haven't had a

1919

01:14:52,610 --> 01:14:50,400

miracle healing I do feel like it's part

1920

01:14:54,590 --> 01:14:52,620

of my healthy lifestyle and makes my

1921

01:14:56,090 --> 01:14:54,600

water better and my body is happy to

1922

01:14:58,010 --> 01:14:56,100

drink it so I continue to use the

1923

01:14:59,750 --> 01:14:58,020

aquacure every day and I'm very happy

1924

01:15:02,030 --> 01:14:59,760

with my purchase

1925

01:15:03,950 --> 01:15:02,040

lengthy but I've got all kinds of

1926

01:15:05,689 --> 01:15:03,960

messages like that another commenter

1927

01:15:08,810 --> 01:15:05,699

below just in that Reddit thread said

1928

01:15:11,630 --> 01:15:08,820

the ac50 is my baby truly my favorite

1929

01:15:14,330 --> 01:15:11,640

thing I've ever bought

1930

01:15:16,490 --> 01:15:14,340

so that's just all organic conversation

1931

01:15:17,630 --> 01:15:16,500

and that's the kind of stuff I would

1932

01:15:20,510 --> 01:15:17,640

look for

1933

01:15:22,070 --> 01:15:20,520

if I'm trying to vet this thing and

1934

01:15:24,350 --> 01:15:22,080

don't have the benefit of getting a

1935

01:15:26,450 --> 01:15:24,360

bunch of listener feedback like I do

1936

01:15:28,729 --> 01:15:26,460

but I did say I'd never heard bad

1937

01:15:30,470 --> 01:15:28,739

feedback in this interview and that was

1938

01:15:32,689 --> 01:15:30,480

true when I recorded it but a couple

1939

01:15:35,390 --> 01:15:32,699

people did respond to my request for an

1940

01:15:37,250 --> 01:15:35,400

update after the fact and they said that

1941

01:15:38,870 --> 01:15:37,260

they didn't feel an effect or dropped

1942

01:15:41,209 --> 01:15:38,880

off on its use

1943

01:15:44,149 --> 01:15:41,219

though nobody used any word close to

1944

01:15:46,970 --> 01:15:44,159

scam and everyone showed appreciation

1945

01:15:48,830 --> 01:15:46,980

for George and his invention

1946

01:15:50,390 --> 01:15:48,840

but in the interest of being honest as

1947

01:15:53,689 --> 01:15:50,400

George said it's not a hundred percent

1948

01:15:56,030 --> 01:15:53,699

nothing really is but it's pretty close

1949

01:15:58,189 --> 01:15:56,040

I know personally I need to drink more

1950

01:15:59,870 --> 01:15:58,199

water in general so just getting it out

1951

01:16:01,189 --> 01:15:59,880

to build that routine would be a good

1952

01:16:03,110 --> 01:16:01,199

thing for me

1953

01:16:05,030 --> 01:16:03,120

so if you're interested yes the machine

1954

01:16:07,430 --> 01:16:05,040

is twenty five hundred dollars but you

1955

01:16:09,290 --> 01:16:07,440

do get 500 off if you use the coupon

1956

01:16:10,790 --> 01:16:09,300

code Higher Side

1957

01:16:12,110 --> 01:16:10,800

and you got a lengthy money back

1958

01:16:14,990 --> 01:16:12,120

guarantee

1959

01:16:16,850 --> 01:16:15,000

and the aqua cure ac50 is not the only

1960

01:16:19,550 --> 01:16:16,860

thing on the website I do believe the

1961

01:16:21,229 --> 01:16:19,560

coupon code higher side is 20 off

1962

01:16:22,970 --> 01:16:21,239

anything

1963

01:16:26,090 --> 01:16:22,980

you might need to ask George if you're

1964

01:16:29,630 --> 01:16:26,100

interested in other things but 20 off

1965

01:16:31,010 --> 01:16:29,640

the aqua cure ac50 is 500 bucks so I

1966

01:16:32,689 --> 01:16:31,020

just say it like that

1967

01:16:34,970 --> 01:16:32,699

and it seems like one of the best things

1968

01:16:38,090 --> 01:16:34,980

you can have to make or just keep

1969

01:16:40,669 --> 01:16:38,100

yourself healthy there is no one size

1970

01:16:42,590 --> 01:16:40,679

fits-all miracle cure but if hydrogen is

1971

01:16:45,110 --> 01:16:42,600

one of those key building blocks of life

1972

01:16:47,930 --> 01:16:45,120

and we're all depleted in it then as he

1973

01:16:49,850 --> 01:16:47,940

said 99 of people who put it together

1974

01:16:52,070 --> 01:16:49,860

and use it every day

1975

01:16:53,810 --> 01:16:52,080

are going to notice a benefit

1976

01:16:56,090 --> 01:16:53,820

I know there were people out there

1977

01:16:58,669 --> 01:16:56,100

looking for me to be their tester

1978

01:17:00,649 --> 01:16:58,679

and I'm sorry that I got lazy with it my

1979

01:17:03,350 --> 01:17:00,659

wife was pregnant my dog was dying we

1980

01:17:06,110 --> 01:17:03,360

had a lot going on but as I said the dog

1981

01:17:09,350 --> 01:17:06,120

did show increased signs of let's call

1982

01:17:11,570 --> 01:17:09,360

it youthfulness at 16 years old

1983

01:17:13,850 --> 01:17:11,580

getting even a few more months with her

1984

01:17:16,490 --> 01:17:13,860

would be Priceless to my wife who had

1985

01:17:18,169 --> 01:17:16,500

pork chops and she was like 19.

1986

01:17:20,930 --> 01:17:18,179

and I think it helped but there's just

1987

01:17:23,390 --> 01:17:20,940

no way to compare an individual life

1988

01:17:25,130 --> 01:17:23,400

with and without an aqua cure and what

1989

01:17:27,350 --> 01:17:25,140

would or wouldn't happen it's just

1990

01:17:29,510 --> 01:17:27,360

simply not possible

1991

01:17:32,209 --> 01:17:29,520

so I don't mean to oversell it but I get

1992

01:17:33,890 --> 01:17:32,219

excited because we talk to people in the

1993

01:17:35,930 --> 01:17:33,900

Alternative Health Alternative Energy

1994

01:17:38,630 --> 01:17:35,940

space all the time

1995

01:17:40,729 --> 01:17:38,640

and rarely do they actually have a

1996

01:17:42,470 --> 01:17:40,739

product to Market that the vast majority

1997

01:17:44,330 --> 01:17:42,480

of people Rave about

1998

01:17:46,610 --> 01:17:44,340

and when they do happen to have products

1999

01:17:49,189 --> 01:17:46,620

out there's just not this much interest

2000

01:17:51,050 --> 01:17:49,199

I think the last time we really did

2001

01:17:53,390 --> 01:17:51,060

something was when we did the show about

2002

01:17:56,510 --> 01:17:53,400

red light therapy

2003

01:17:58,490 --> 01:17:56,520

Our Guest Mark Sloan sold various levels

2004

01:18:00,530 --> 01:17:58,500

of red lights and I never really heard

2005

01:18:02,030 --> 01:18:00,540

much feedback from many of you guys who

2006

01:18:04,790 --> 01:18:02,040

jumped on that

2007

01:18:06,770 --> 01:18:04,800

I did recently get my water revitalizer

2008

01:18:09,709 --> 01:18:06,780

from natural Action Tech if you remember

2009

01:18:11,209 --> 01:18:09,719

that show just a few episodes back

2010

01:18:13,910 --> 01:18:11,219

and I don't know

2011

01:18:15,709 --> 01:18:13,920

I'm a little disappointed I was buying

2012

01:18:16,970 --> 01:18:15,719

it to test it so I was gonna get it

2013

01:18:19,070 --> 01:18:16,980

anyway

2014

01:18:21,410 --> 01:18:19,080

so maybe I didn't read every Last Detail

2015

01:18:23,149 --> 01:18:21,420

before making that purchase but

2016

01:18:25,669 --> 01:18:23,159

it's pretty small

2017

01:18:26,870 --> 01:18:25,679

I thought it would be the size of like a

2018

01:18:28,910 --> 01:18:26,880

two liter

2019

01:18:31,130 --> 01:18:28,920

so I could actually put a good amount of

2020

01:18:33,470 --> 01:18:31,140

liquid through it or store it in the

2021

01:18:35,750 --> 01:18:33,480

fridge in its charging mode

2022

01:18:38,510 --> 01:18:35,760

but it's more like the size of a single

2023

01:18:40,669 --> 01:18:38,520

servings Aquafina bottle

2024

01:18:44,090 --> 01:18:40,679

and then it has

2025

01:18:46,910 --> 01:18:44,100

golf ball sized objects inside of it

2026

01:18:49,130 --> 01:18:46,920

that I assume are where all the

2027

01:18:50,810 --> 01:18:49,140

interesting things we talked about are

2028

01:18:52,430 --> 01:18:50,820

stored in it but that takes up a lot of

2029

01:18:54,169 --> 01:18:52,440

volume too

2030

01:18:56,090 --> 01:18:54,179

so when you fill it and put it in the

2031

01:18:57,110 --> 01:18:56,100

fridge overnight and then drink that

2032

01:18:59,149 --> 01:18:57,120

water

2033

01:19:01,850 --> 01:18:59,159

it feels like I'm drinking more like a

2034

01:19:04,850 --> 01:19:01,860

champagne flute of water rather than a

2035

01:19:06,530 --> 01:19:04,860

good healthy pint glass or two

2036

01:19:09,370 --> 01:19:06,540

which is really not to say that it

2037

01:19:11,810 --> 01:19:09,380

doesn't work just that it's a little

2038

01:19:13,790 --> 01:19:11,820

underwhelming perhaps

2039

01:19:16,430 --> 01:19:13,800

I'm sure there are actually other things

2040

01:19:17,689 --> 01:19:16,440

on the natural Action Tech site that I

2041

01:19:19,850 --> 01:19:17,699

would like more

2042

01:19:21,530 --> 01:19:19,860

I'm just not in the position to use a

2043

01:19:22,850 --> 01:19:21,540

whole house filter or even an under the

2044

01:19:25,610 --> 01:19:22,860

sink filter

2045

01:19:27,709 --> 01:19:25,620

and I already have shower filters

2046

01:19:30,530 --> 01:19:27,719

but the item I got the twelve hundred

2047

01:19:32,330 --> 01:19:30,540

dollar Model Z portable water

2048

01:19:34,189 --> 01:19:32,340

revitalizer

2049

01:19:36,290 --> 01:19:34,199

I'm not sure about

2050

01:19:39,890 --> 01:19:36,300

but revitalizing the water that comes

2051  
01:19:42,890 --> 01:19:39,900  
into the home is a whole different thing

2052  
01:19:45,169 --> 01:19:42,900  
and there's only so many options

2053  
01:19:47,510 --> 01:19:45,179  
but either way I think George is one of

2054  
01:19:49,490 --> 01:19:47,520  
the bright minds of our times on several

2055  
01:19:51,709 --> 01:19:49,500  
levels I'm lucky to know him and I hope

2056  
01:19:53,209 --> 01:19:51,719  
that those who had questions got them

2057  
01:19:55,070 --> 01:19:53,219  
answered today

2058  
01:19:56,930 --> 01:19:55,080  
I tried to squeeze in the ones that I

2059  
01:19:59,090 --> 01:19:56,940  
got more routinely

2060  
01:20:01,250 --> 01:19:59,100  
mainly people asking about the

2061  
01:20:03,530 --> 01:20:01,260  
differences between Brown's gas water

2062  
01:20:06,350 --> 01:20:03,540  
and hydrogen water

2063  
01:20:08,390 --> 01:20:06,360

and man I liked his answer there too

2064

01:20:10,370 --> 01:20:08,400

of course the aqua cure is not the

2065

01:20:12,410 --> 01:20:10,380

cheapest water electrolyzer out there

2066

01:20:14,570 --> 01:20:12,420

but do you want the cheapest when it's

2067

01:20:16,970 --> 01:20:14,580

going into your lungs

2068

01:20:19,570 --> 01:20:16,980

also I know these water shows aren't for

2069

01:20:22,729 --> 01:20:19,580

everyone it is a thread that was started

2070

01:20:24,050 --> 01:20:22,739

I think with Sherman engineer and I just

2071

01:20:26,330 --> 01:20:24,060

kept pulling

2072

01:20:28,370 --> 01:20:26,340

I hope some engineer is doing well I've

2073

01:20:31,430 --> 01:20:28,380

always wanted to complete the set of

2074

01:20:33,410 --> 01:20:31,440

element themed episodes we were doing

2075

01:20:36,110 --> 01:20:33,420

but during the Trump years he really

2076

01:20:39,169 --> 01:20:36,120

wanted to focus on Fascism and I said

2077

01:20:41,570 --> 01:20:39,179

okay and we did that one episode with me

2078

01:20:44,270 --> 01:20:41,580

thinking that we could get back to the

2079

01:20:47,090 --> 01:20:44,280

elements and it just never happened

2080

01:20:49,430 --> 01:20:47,100

if you're out there man we only have the

2081

01:20:52,490 --> 01:20:49,440

fire episode left let's give the people

2082

01:20:57,350 --> 01:20:55,310

so good episode today if you only heard

2083

01:20:59,750 --> 01:20:57,360

the first hour in the Plus show we got

2084

01:21:02,630 --> 01:20:59,760

into a deeper dive with the new

2085

01:21:04,550 --> 01:21:02,640

protocols making your own fuel

2086

01:21:06,110 --> 01:21:04,560

how to get your Aqua cure in good

2087

01:21:08,030 --> 01:21:06,120

working condition again if you've

2088

01:21:09,770 --> 01:21:08,040

neglected it like I have

2089

01:21:12,410 --> 01:21:09,780

we got through a healthy amount of

2090

01:21:14,689 --> 01:21:12,420

listener questions how to get your cat

2091

01:21:15,890 --> 01:21:14,699

to drink Brown's gas water before it off

2092

01:21:19,850 --> 01:21:15,900

gases

2093

01:21:23,229 --> 01:21:19,860

using the aqua Cura 2 detox from the Jab

2094

01:21:26,390 --> 01:21:23,239

and oh my God like our last episode

2095

01:21:29,270 --> 01:21:26,400

wasn't enough of a tear jerker

2096

01:21:33,290 --> 01:21:29,280

George losing both his parents to the

2097

01:21:37,070 --> 01:21:33,300

jab since the last time we talked

2098

01:21:40,310 --> 01:21:37,080

heavy stuff and I'm sorry for his losses

2099

01:21:43,130 --> 01:21:40,320

we also talked about Brown's gas and EMF

2100

01:21:45,649 --> 01:21:43,140

getting good measurable data to verify

2101

01:21:47,090 --> 01:21:45,659

effects of this stuff and we talked a

2102

01:21:49,490 --> 01:21:47,100

little bit about the self-reliance

2103

01:21:51,950 --> 01:21:49,500

section on George's site

2104

01:21:54,169 --> 01:21:51,960

all good stuff just click the top Link

2105

01:21:56,149 --> 01:21:54,179

in the show notes right in any podcast

2106

01:21:59,330 --> 01:21:56,159

app if you want to get started on the

2107

01:22:00,590 --> 01:21:59,340

seven day free trial of THC Plus or

2108

01:22:02,810 --> 01:22:00,600

follow the prompts at the

2109

01:22:05,450 --> 01:22:02,820

highersidechats.com

2110

01:22:07,729 --> 01:22:05,460

and Higher Side news I am a bit behind

2111

01:22:09,229 --> 01:22:07,739

on the month but everything is in the

2112

01:22:12,110 --> 01:22:09,239

pipeline

2113

01:22:14,450 --> 01:22:12,120

John Bush and in particular howdy

2114

01:22:16,669 --> 01:22:14,460

Makowski seem to be really well received

2115

01:22:18,950 --> 01:22:16,679

as well and I'm glad to hear that

2116

01:22:21,830 --> 01:22:18,960

I think there's still some room at the

2117

01:22:23,930 --> 01:22:21,840

gramerica event I've been mentioning in

2118

01:22:25,970 --> 01:22:23,940

February I think the house might be full

2119

01:22:29,030 --> 01:22:25,980

but there's some camping spots on the

2120

01:22:32,270 --> 01:22:29,040

property I believe if you're interested

2121

01:22:34,310 --> 01:22:32,280

contact at [thecabin.com](http://thecabin.com) for more info or

2122

01:22:36,169 --> 01:22:34,320

just talk to Darren or Graham

2123

01:22:38,090 --> 01:22:36,179

I'm already booking shows for February

2124

01:22:40,250 --> 01:22:38,100

and I don't think I put that on my

2125

01:22:41,930 --> 01:22:40,260

calendar so I gotta do that

2126  
01:22:43,610 --> 01:22:41,940  
and speaking of calendars let's go to

2127  
01:22:46,970 --> 01:22:43,620  
the Meetup calendar at hireside

2128  
01:22:49,189 --> 01:22:46,980  
meetups.com and see what we got

2129  
01:22:51,950 --> 01:22:49,199  
today is November 20th and there is a

2130  
01:22:53,870 --> 01:22:51,960  
meet up today in West Bridgewater

2131  
01:22:57,050 --> 01:22:53,880  
Massachusetts

2132  
01:22:59,090 --> 01:22:57,060  
we also have one on November 22nd at the

2133  
01:23:00,169 --> 01:22:59,100  
old mother Brewing Company in Frederick

2134  
01:23:02,649 --> 01:23:00,179  
Maryland

2135  
01:23:06,410 --> 01:23:02,659  
December 3rd Philadelphia Pennsylvania

2136  
01:23:09,530 --> 01:23:06,420  
December 4th Pompton Lakes New Jersey

2137  
01:23:12,050 --> 01:23:09,540  
and also on December 4th there's one in

2138  
01:23:15,709 --> 01:23:12,060

Cleveland Ohio it's actually aiming to

2139

01:23:17,810 --> 01:23:15,719

be a THC slash Rune soup mashup

2140

01:23:19,970 --> 01:23:17,820

and we'll talk about the other ones down

2141

01:23:22,130 --> 01:23:19,980

the line if you don't hear about one

2142

01:23:24,830 --> 01:23:22,140

near you go ahead and make one it's easy

2143

01:23:26,870 --> 01:23:24,840

it's free and I'll read it on air

2144

01:23:28,669 --> 01:23:26,880

and that said you're probably already

2145

01:23:30,709 --> 01:23:28,679

listening to the show the way you like

2146

01:23:32,750 --> 01:23:30,719

to listen to it but if you ever can't

2147

01:23:34,970 --> 01:23:32,760

find an episode or want to see what I've

2148

01:23:38,330 --> 01:23:34,980

done over the last 12 years for a

2149

01:23:40,250 --> 01:23:38,340

certain topic the website has all sorts

2150

01:23:42,770 --> 01:23:40,260

of categories and a great search

2151  
01:23:45,470 --> 01:23:42,780  
function and a great mobile version

2152  
01:23:48,169 --> 01:23:45,480  
as a podcast listener I know what people

2153  
01:23:49,310 --> 01:23:48,179  
want in a podcast player and we built it

2154  
01:23:52,669 --> 01:23:49,320  
all right in

2155  
01:23:54,530 --> 01:23:52,679  
if you like THC enough ask for Plus for

2156  
01:23:56,990 --> 01:23:54,540  
Christmas we've got a good gifting

2157  
01:23:58,790 --> 01:23:57,000  
section set up on the website as well or

2158  
01:24:00,229 --> 01:23:58,800  
ask for that Aqua cure if you got those

2159  
01:24:02,030 --> 01:24:00,239  
kind of friends

2160  
01:24:03,610 --> 01:24:02,040  
George's links are also in the show

2161  
01:24:06,290 --> 01:24:03,620  
notes

2162  
01:24:09,470 --> 01:24:06,300  
eagle-research.com coupon code higher

2163  
01:24:11,390 --> 01:24:09,480

side for 500 off or you can email them

2164

01:24:14,630 --> 01:24:11,400

to learn more about that really

2165

01:24:16,550 --> 01:24:14,640

interesting manufacturing course system

2166

01:24:18,890 --> 01:24:16,560

he's setting up

2167

01:24:20,930 --> 01:24:18,900

but either way I hope you at least found

2168

01:24:22,550 --> 01:24:20,940

this interesting I love you guys I

2169

01:24:24,950 --> 01:24:22,560

appreciate you listening enjoy the

2170

01:24:26,930 --> 01:24:24,960

holidays I'm getting out of here your

2171

01:24:29,390 --> 01:24:26,940

move dead water drinkers hydrogen

2172

01:24:34,510 --> 01:24:29,400

depleted people and supporters of our

2173

01:24:42,150 --> 01:24:34,520

six six system your

2174

01:24:57,709 --> 01:24:50,710

[Music]

2175

01:25:01,669 --> 01:24:57,719

some of them want to get used by

2176  
01:25:01,679 --> 01:25:07,290  
some of them want to be up you

2177  
01:25:07,300 --> 01:25:13,000  
[Music]

2178  
01:25:13,010 --> 01:25:19,750  
[Applause]

2179  
01:25:24,729 --> 01:25:22,960  
see who the hell

2180  
01:25:26,630 --> 01:25:24,739  
[Music]

2181  
01:25:28,660 --> 01:25:26,640  
we know

2182  
01:25:31,310 --> 01:25:28,670  
[Music]

2183  
01:25:34,910 --> 01:25:31,320  
[Applause]

2184  
01:25:34,920 --> 01:25:45,730  
without using

2185  
01:25:45,740 --> 01:25:53,030  
[Music]

2186  
01:25:53,040 --> 01:25:55,070  
some

2187  
01:25:55,080 --> 01:26:06,830  
[Music]

2188  
01:26:11,810 --> 01:26:09,530

and that is another show complete

2189

01:26:14,149 --> 01:26:11,820

remember as much as you enjoyed this

2190

01:26:15,950 --> 01:26:14,159

which is just the free first hour I hope

2191

01:26:18,649 --> 01:26:15,960

you'll become a plus member to hear the

2192

01:26:20,629 --> 01:26:18,659

full two-hour interviews you also can

2193

01:26:23,149 --> 01:26:20,639

engage with other Plus members in the

2194

01:26:24,530 --> 01:26:23,159

comments and the forums and you'll find

2195

01:26:26,629 --> 01:26:24,540

your answer to one of the most common

2196

01:26:28,370 --> 01:26:26,639

questions I get which is where can I

2197

01:26:30,169 --> 01:26:28,380

find those cover songs that you use at

2198

01:26:32,629 --> 01:26:30,179

the end of the show well they are free

2199

01:26:34,729 --> 01:26:32,639

downloads for Plus members too and

2200

01:26:36,770 --> 01:26:34,739

without Plus members I can't hire the

2201

01:26:39,290 --> 01:26:36,780

occasional musician to bring these odd

2202

01:26:41,209 --> 01:26:39,300

cover song ideas to fruition Plus

2203

01:26:43,010 --> 01:26:41,219

members are how I'm able to do what I do

2204

01:26:45,890 --> 01:26:43,020

without ads and without the big machine

2205

01:26:48,050 --> 01:26:45,900

being on my back we can fit so much more

2206

01:26:49,850 --> 01:26:48,060

into a two-hour interview and I do my

2207

01:26:52,790 --> 01:26:49,860

best to make it worth your time and

2208

01:26:55,250 --> 01:26:52,800

money the conversation only gets deeper

2209

01:26:57,410 --> 01:26:55,260

weirder and more controversial in that

2210

01:26:59,629 --> 01:26:57,420

private hour how could it not the way

2211

01:27:01,610 --> 01:26:59,639

things are going but the best way to

2212

01:27:04,189 --> 01:27:01,620

sign up is at the higher sidechats.com

2213

01:27:07,070 --> 01:27:04,199

where new first-time subscribers always

2214

01:27:09,709 --> 01:27:07,080

get a free 7-Day trial because I'm just

2215

01:27:11,570 --> 01:27:09,719

that confident there's no PayPal on the

2216

01:27:13,729 --> 01:27:11,580

website but if you need to use PayPal

2217

01:27:16,430 --> 01:27:13,739

then sign up through patreon and you get

2218

01:27:18,290 --> 01:27:16,440

all the same episodes our website is a

2219

01:27:20,270 --> 01:27:18,300

credit or debit system but you can also

2220

01:27:23,270 --> 01:27:20,280

scope out the other options like a few

2221

01:27:25,550 --> 01:27:23,280

various cryptos cash or check mail to

2222

01:27:26,930 --> 01:27:25,560

the PO box and I'll even barter with

2223

01:27:29,090 --> 01:27:26,940

most people if you have your own

2224

01:27:31,550 --> 01:27:29,100

business and produce something nice that

2225

01:27:34,189 --> 01:27:31,560

my wife or kid or taste buds might like

2226

01:27:36,169 --> 01:27:34,199

but the architects of consensus reality

2227

01:27:38,030 --> 01:27:36,179

have made it clear that these themes and

2228

01:27:40,790 --> 01:27:38,040

topics aren't really welcome on the main

2229

01:27:42,410 --> 01:27:40,800

stage and so this is how we secure a

2230

01:27:44,330 --> 01:27:42,420

little Counter Culture corner for

2231

01:27:47,030 --> 01:27:44,340

ourselves and I hope you'll join plus

2232

01:27:49,910 --> 01:27:47,040

because that is the only way it works

2233

01:27:52,129 --> 01:27:49,920

besides you can cancel anytime right on

2234

01:27:54,229 --> 01:27:52,139

your profile page the most common

2235

01:27:56,810 --> 01:27:54,239

concern I hear is people just being

2236

01:27:58,910 --> 01:27:56,820

unsure if THC plus will work with their

2237

01:28:01,550 --> 01:27:58,920

podcast app and the answer is probably

2238

01:28:03,530 --> 01:28:01,560

yes but if not we have several

2239

01:28:05,570 --> 01:28:03,540

high-level app recommendations for

2240

01:28:08,209 --> 01:28:05,580

whatever phone you use and the website

2241

01:28:09,770 --> 01:28:08,219

is made for mobile too we're trained to

2242

01:28:11,390 --> 01:28:09,780

tip a waitress for bringing us a

2243

01:28:14,149 --> 01:28:11,400

sandwich but that tip doesn't give you

2244

01:28:16,129 --> 01:28:14,159

access to a second sandwich really I'm

2245

01:28:18,050 --> 01:28:16,139

not asking for any more than that and I

2246

01:28:20,390 --> 01:28:18,060

think I offer a better service come get

2247

01:28:22,129 --> 01:28:20,400

your second serving of tasty conspiracy

2248

01:28:24,770 --> 01:28:22,139

goodness in exchange for that small

2249

01:28:26,870 --> 01:28:24,780

token of your appreciation beyond that

2250

01:28:28,910 --> 01:28:26,880

let it also be known that we have grown

2251

01:28:31,129 --> 01:28:28,920

and survived as long as we have By Word

2252

01:28:33,649 --> 01:28:31,139

of Mouth I don't care so much about

2253

01:28:36,709 --> 01:28:33,659

social media likes or follows but tell

2254

01:28:38,870 --> 01:28:36,719

the right people about THC and not just

2255

01:28:40,669 --> 01:28:38,880

listeners but the high level figures who

2256

01:28:42,950 --> 01:28:40,679

are better suited to sit down with me

2257

01:28:44,810 --> 01:28:42,960

than most other hosts and if you can

2258

01:28:46,669 --> 01:28:44,820

help me with any of these things I can

2259

01:28:48,610 --> 01:28:46,679

work to bring you better shows which is

2260

01:28:50,930 --> 01:28:48,620

just a a win-win for both of us

2261

01:28:53,330 --> 01:28:50,940

informative entertaining and

2262

01:28:55,010 --> 01:28:53,340

action-packed it also never hurts to

2263

01:28:56,810 --> 01:28:55,020

thank a guest you liked if you have the

2264

01:28:58,370 --> 01:28:56,820

time either we want them to know people

2265

01:29:00,649 --> 01:28:58,380

are listening so they're willing to come

2266

01:29:02,810 --> 01:29:00,659

back down the road too thank you for
