1
00:00:06,470 --> 00:00:02,409

[Music]

2
00:00:09,470 --> 00:00:06,480

these days so many podcast hosts just

3
00:00:11,870 --> 00:00:09,480

Rift through unprepared segments until

4
00:00:14,810 --> 00:00:11,880

they get to the next ad break for pills

5
00:00:16,730 --> 00:00:14,820

they know nothing about cheap razors and

6
00:00:19,490 --> 00:00:16,740

whatever else they can get a buck from

7
00:00:22,910 --> 00:00:19,500

but the higher side chats does it

8
00:00:25,429 --> 00:00:22,920

differently we succeed or fail on the

9
00:00:27,890 --> 00:00:25,439

quality of the content and your desire

10
00:00:30,109 --> 00:00:27,900

to hear more of it so you're about to

11
00:00:32,749 --> 00:00:30,119

hear another free first hour episode

12
00:00:35,990 --> 00:00:32,759

that's here to prove the two-hour shows

13
00:00:39,709 --> 00:00:36,000

are worth subscribing for five shows a

14

00:00:42,350 --> 00:00:39,719

month for just eight dollars members get

15

00:00:45,410 --> 00:00:42,360

a mobile friendly website a decade of

16

00:00:48,410 --> 00:00:45,420

archives a dedicated RSS feed for the

17

00:00:50,690 --> 00:00:48,420

best podcast apps and a lot deeper

18

00:00:54,709 --> 00:00:50,700

discussion than a single hour can allow

19

00:00:58,250 --> 00:00:54,719

for sponsor free with more for thee get

20

00:01:00,410 --> 00:00:58,260

a free 7-Day trial of THC Plus at the

21

00:01:01,740 --> 00:01:00,420

highersidejets.com

22

00:01:07,670 --> 00:01:01,750

enjoy

23

00:01:12,649 --> 00:01:10,730

in the 1930s President Franklin Delano

24

00:01:15,170 --> 00:01:12,659

Roosevelt addressed the nation through a

25

00:01:18,109 --> 00:01:15,180

series of radio broadcasts known as the

26

00:01:19,910 --> 00:01:18,119

Fireside Chats his aim was to reassure

27

00:01:22,190 --> 00:01:19,920

the common man that our society would

28

00:01:24,710 --> 00:01:22,200

recover from its troubled times well

29

00:01:27,350 --> 00:01:24,720

we're far from 1930 and I deal with a

30

00:01:29,690 --> 00:01:27,360

different kind of fire for a new era of

31

00:01:33,530 --> 00:01:29,700

worldly frustration we offer a fresh

32

00:01:36,350 --> 00:01:33,540

conversation I'm Greg Carlwood and these

33

00:01:38,749 --> 00:01:36,360

are the higher side chats

34

00:01:41,210 --> 00:01:38,759

brace yourself for another wild ride

35

00:01:43,130 --> 00:01:41,220

from Sunny San Diego I'm Greg Carlwood

36

00:01:45,170 --> 00:01:43,140

and right now it feels as if we have

37

00:01:47,990 --> 00:01:45,180

enough political scandals and Corruption

38

00:01:50,210 --> 00:01:48,000

sagas to last us a lifetime but just

39

00:01:52,370 --> 00:01:50,220

beyond the big circus clown show there

40

00:01:54,469 --> 00:01:52,380

are mysterious paranormal places and

41

00:01:57,109 --> 00:01:54,479

strange beings that continue to defy

42

00:01:59,030 --> 00:01:57,119

logic are they helping us hurting us

43

00:02:01,130 --> 00:01:59,040

taking our children extracting our

44

00:02:02,929 --> 00:02:01,140

genetic material Guardians of the forest

45

00:02:04,730 --> 00:02:02,939

beings from beneath the surface left

46

00:02:06,770 --> 00:02:04,740

over energy from occultist that didn't

47

00:02:08,449 --> 00:02:06,780

close the ritual right or life forms

48

00:02:10,910 --> 00:02:08,459

clawing their way into this Dimension

49

00:02:13,250 --> 00:02:10,920

from somewhere else have they made deals

50

00:02:15,589 --> 00:02:13,260

with a Capstone cabal or do they see no

51
00:02:17,690 --> 00:02:15,599
need we hear all sorts of perspectives

52
00:02:19,550 --> 00:02:17,700
from all sorts of experiences and

53
00:02:21,290 --> 00:02:19,560
researchers and it feels like you can

54
00:02:23,809 --> 00:02:21,300
still make a good case for all these

55
00:02:26,089 --> 00:02:23,819
things and more and of all the hotbeds

56
00:02:28,130 --> 00:02:26,099
for such activity none is quite as well

57
00:02:30,949 --> 00:02:28,140
known or well studied as the infamous

58
00:02:32,630 --> 00:02:30,959
Skinwalker Ranch in Utah well today

59
00:02:34,190 --> 00:02:32,640
we're talking once again to the man who

60
00:02:36,110 --> 00:02:34,200
owns a property that neighbors

61
00:02:38,030 --> 00:02:36,120
Skinwalker Ranch has hosted members of

62
00:02:40,550 --> 00:02:38,040
the visible College on their research

63
00:02:42,290 --> 00:02:40,560

trips including Jacques file and has

64

00:02:43,670 --> 00:02:42,300

been conducting his own research into

65

00:02:45,650 --> 00:02:43,680

what's going on in this strange

66

00:02:47,509 --> 00:02:45,660

landscape why government scientists

67

00:02:49,490 --> 00:02:47,519

steep State contractors occultists

68

00:02:51,290 --> 00:02:49,500

aerospace engineers are so preoccupied

69

00:02:54,050 --> 00:02:51,300

with it and what they might know about

70

00:02:56,449 --> 00:02:54,060

it he's the host of the hero paranormal

71

00:02:58,910 --> 00:02:56,459

podcast and since we last spoke on air

72

00:03:00,530 --> 00:02:58,920

in 2019 he's learned a lot more about

73

00:03:04,190 --> 00:03:00,540

the place and even started his own

74

00:03:05,869 --> 00:03:04,200

company space Wolf Research LLC he's

75

00:03:08,270 --> 00:03:05,879

written a lot about the area in his

76

00:03:10,670 --> 00:03:08,280

books the Utah UFO Ranch and

77

00:03:12,350 --> 00:03:10,680

shapeshifter territory and I'm certainly

78

00:03:14,690 --> 00:03:12,360

psyched to dive back in and get an

79

00:03:16,910 --> 00:03:14,700

update from our man on the ground the

80

00:03:19,369 --> 00:03:16,920

Skinwalker Ranch researcher hero

81

00:03:22,729 --> 00:03:19,379

paranormal podcaster and certified space

82

00:03:24,949 --> 00:03:22,739

Wolf Ryan Patrick Burns welcome back

83

00:03:27,050 --> 00:03:24,959

thank you Greg and appreciate the

84

00:03:29,390 --> 00:03:27,060

wonderful introduction man can't be beat

85

00:03:30,830 --> 00:03:29,400

love those introductions thank you thank

86

00:03:33,290 --> 00:03:30,840

you this is great man our first

87

00:03:36,890 --> 00:03:33,300

interview was back in the much simpler

88

00:03:38,570 --> 00:03:36,900

world of 2019 and since that time you

89

00:03:40,910 --> 00:03:38,580

have been kind enough to send me little

90

00:03:42,710 --> 00:03:40,920

bits of information here and there and

91

00:03:44,990 --> 00:03:42,720

we even have you to thank for a couple

92

00:03:46,550 --> 00:03:45,000

of the paranormally shows we've done

93

00:03:49,250 --> 00:03:46,560

since then with people like Ryan

94

00:03:52,850 --> 00:03:49,260

Musgrave Evans and Trey Hudson so thanks

95

00:03:55,369 --> 00:03:52,860

for that back in 2019 there wasn't a

96

00:03:57,229 --> 00:03:55,379

show about it yet and the Skinwalker

97

00:03:59,809 --> 00:03:57,239

Ranch was just in the process of

98

00:04:01,130 --> 00:03:59,819

changing hands although actually this

99

00:04:04,550 --> 00:04:01,140

seems to have happened much earlier

100

00:04:07,070 --> 00:04:04,560

according to the wiki in 2016 Bigelow

101
00:04:09,350 --> 00:04:07,080
sold Skinwalker Ranch to adamantium real

102
00:04:11,570 --> 00:04:09,360
estate LLC which you did tell us and

103
00:04:13,970 --> 00:04:11,580
then after this purchase roads leading

104
00:04:15,530 --> 00:04:13,980
to the ranch were blocked and the

105
00:04:17,750 --> 00:04:15,540
perimeter was guarded by cameras and

106
00:04:19,969 --> 00:04:17,760
barbed wire and signs were posted that

107
00:04:22,670 --> 00:04:19,979
aimed to prevent people from approaching

108
00:04:26,749 --> 00:04:22,680
the ranch it says in March 2020 Utah

109
00:04:28,310 --> 00:04:26,759
real estate Tycoon Brandon Fogel who you

110
00:04:30,409 --> 00:04:28,320
were calling just the Wolverine back

111
00:04:32,450 --> 00:04:30,419
then actually announced ownership of the

112
00:04:34,730 --> 00:04:32,460
ranch so there we have it we know the

113
00:04:36,409 --> 00:04:34,740

guy's name and we know he probably did

114

00:04:38,990 --> 00:04:36,419

all this trademarking of the term

115

00:04:41,810 --> 00:04:39,000

Skinwalker Ranch to try to capitalize on

116

00:04:43,850 --> 00:04:41,820

the TV show well bring us up to speed

117

00:04:46,070 --> 00:04:43,860

how have things changed since we last

118

00:04:48,350 --> 00:04:46,080

spoke what insights can you give us from

119

00:04:49,730 --> 00:04:48,360

living next door that we wouldn't get

120

00:04:52,969 --> 00:04:49,740

anywhere else

121

00:04:57,710 --> 00:04:52,979

yeah a ton has changed as you said since

122

00:05:00,409 --> 00:04:57,720

2019 July of 2019 I purchased sort of a

123

00:05:03,230 --> 00:05:00,419

base camp known as space Wolf Research

124

00:05:06,409 --> 00:05:03,240

LLC it's adjacent there to the South

125

00:05:09,230 --> 00:05:06,419

border and it's interesting because

126

00:05:12,110 --> 00:05:09,240

since then obviously a lot has come

127

00:05:14,749 --> 00:05:12,120

forward that is no longer guarded or

128

00:05:16,670 --> 00:05:14,759

considered things that should be kept in

129

00:05:17,749 --> 00:05:16,680

the shadows so we can speak more openly

130

00:05:20,030 --> 00:05:17,759

about it

131

00:05:23,870 --> 00:05:20,040

such as the owner's name who I called

132

00:05:26,629 --> 00:05:23,880

The Wolverine that is Brandon and

133

00:05:29,689 --> 00:05:26,639

the Paranormal reputation of the area

134

00:05:32,930 --> 00:05:29,699

located there in Uintah County

135

00:05:36,890 --> 00:05:32,940

it's popularly dubbed the most

136

00:05:39,350 --> 00:05:36,900

scientifically studied hot spot in the

137

00:05:41,450 --> 00:05:39,360

world and a lot of the folklore

138

00:05:43,249 --> 00:05:41,460

surrounding the area for decades comes

139

00:05:44,810 --> 00:05:43,259

from nids the National Institute of

140

00:05:48,610 --> 00:05:44,820

Discovery Science

141

00:05:52,790 --> 00:05:48,620

who was under Robert Bigelow's control

142

00:05:55,730 --> 00:05:52,800

and whose members did a ton of research

143

00:06:00,830 --> 00:05:55,740

there a lot of which believe it or not

144

00:06:04,550 --> 00:06:00,840

was a cult and by that I mean the use of

145

00:06:05,870 --> 00:06:04,560

Ouija boards and other occult practices

146

00:06:09,469 --> 00:06:05,880

because they were getting they were

147

00:06:11,629 --> 00:06:09,479

getting data they were getting data so

148

00:06:13,610 --> 00:06:11,639

for somebody like me this really stirs

149

00:06:16,969 --> 00:06:13,620

the pot and

150

00:06:19,850 --> 00:06:16,979

you have people such as the

151

00:06:23,930 --> 00:06:19,860

quote-unquote father of non-lethal

152

00:06:25,969 --> 00:06:23,940

Weaponry Colonel John Alexander who was

153

00:06:28,490 --> 00:06:25,979

studying there on the property was

154

00:06:31,850 --> 00:06:28,500

obviously tied to the government and

155

00:06:33,830 --> 00:06:31,860

also working with nids and we have

156

00:06:35,210 --> 00:06:33,840

strange goings-on such as cattle

157

00:06:36,830 --> 00:06:35,220

mutilations that have been part of the

158

00:06:37,850 --> 00:06:36,840

folklore in the surrounding area for

159

00:06:41,629 --> 00:06:37,860

decades

160

00:06:42,950 --> 00:06:41,639

and with the new ownership adamantium

161

00:06:45,650 --> 00:06:42,960

real estate

162

00:06:48,290 --> 00:06:45,660

we have obviously after this purchase a

163

00:06:49,870 --> 00:06:48,300

very popularized

164

00:06:53,029 --> 00:06:49,880

and

165

00:06:56,150 --> 00:06:53,039

well-received television show so things

166

00:06:57,290 --> 00:06:56,160

have changed a lot you know we used to

167

00:07:02,230 --> 00:06:57,300

have

168

00:07:04,909 --> 00:07:02,240

some of the ultimate Spooks and extreme

169

00:07:07,390 --> 00:07:04,919

occult practices taking place on the

170

00:07:10,850 --> 00:07:07,400

property in secret finding things out

171

00:07:15,050 --> 00:07:10,860

what is interesting is whatever Bigelow

172

00:07:17,689 --> 00:07:15,060

did find out he gave not one iota to the

173

00:07:20,990 --> 00:07:17,699

new owner and he made that very clear

174

00:07:24,830 --> 00:07:21,000

in the documentation that zero data

175

00:07:28,070 --> 00:07:24,840

would be transferred and this is kind of

176
00:07:31,249 --> 00:07:28,080
a mark of Bigelow's the type of business

177
00:07:33,110 --> 00:07:31,259
he does he's very very serious about his

178
00:07:36,350 --> 00:07:33,120
research and

179
00:07:37,850 --> 00:07:36,360
I believe the ranch was just a tool with

180
00:07:40,490 --> 00:07:37,860
which

181
00:07:43,309 --> 00:07:40,500
he was able to gather whatever research

182
00:07:45,950 --> 00:07:43,319
data he needed for his next Conquest

183
00:07:47,809 --> 00:07:45,960
which it seems like he's taken on

184
00:07:51,589 --> 00:07:47,819
a quite larger

185
00:07:53,689 --> 00:07:51,599
thing now with Bix bics which is

186
00:07:56,210 --> 00:07:53,699
basically a study for Consciousness

187
00:07:59,570 --> 00:07:56,220
Bigelow Institute for Consciousness

188
00:08:02,689 --> 00:07:59,580

studies and Bix is

189

00:08:05,150 --> 00:08:02,699

really asking the deepest darkest

190

00:08:06,110 --> 00:08:05,160

hardest questions Humanity has why are

191

00:08:08,390 --> 00:08:06,120

we here

192

00:08:10,490 --> 00:08:08,400

is there life after death

193

00:08:12,710 --> 00:08:10,500

and what is really going on in the

194

00:08:16,490 --> 00:08:12,720

greater scheme of things so

195

00:08:19,189 --> 00:08:16,500

it's very Consciousness based and

196

00:08:22,010 --> 00:08:19,199

since my purchase of space Wolf research

197

00:08:25,189 --> 00:08:22,020

that base camp on the South Boundary

198

00:08:27,589 --> 00:08:25,199

I started sort of meeting interesting

199

00:08:30,230 --> 00:08:27,599

people as is usually the case with these

200

00:08:34,850 --> 00:08:30,240

things I met a very interesting person

201
00:08:36,769 --> 00:08:34,860
who has desired to remain unnamed and I

202
00:08:37,670 --> 00:08:36,779
met him through a mutual friend Jeremy

203
00:08:40,790 --> 00:08:37,680
Corbell

204
00:08:44,269 --> 00:08:40,800
and this gentleman is from back east and

205
00:08:46,430 --> 00:08:44,279
he was also interested in investigating

206
00:08:49,070 --> 00:08:46,440
and studying

207
00:08:53,210 --> 00:08:49,080
sort of this Consciousness aspect and

208
00:08:56,690 --> 00:08:53,220
doing so through technological means

209
00:08:59,690 --> 00:08:56,700
as many know there are technologies that

210
00:09:03,050 --> 00:08:59,700
lend themselves to Consciousness studies

211
00:09:05,030 --> 00:09:03,060
such as the god helmet which is

212
00:09:08,449 --> 00:09:05,040
basically

213
00:09:11,210 --> 00:09:08,459

a helmet that was designed by Dr

214

00:09:13,130 --> 00:09:11,220

Persinger if you've come across that and

215

00:09:15,530 --> 00:09:13,140

it was originally designed to help

216

00:09:16,850 --> 00:09:15,540

stroke victims and the like however

217

00:09:21,230 --> 00:09:16,860

there's a strange Connection in

218

00:09:24,350 --> 00:09:21,240

persingers career how this led up to

219

00:09:27,710 --> 00:09:24,360

this photo bio modulation helmet type

220

00:09:31,070 --> 00:09:27,720

technology and the strange thing is when

221

00:09:33,889 --> 00:09:31,080

you put this technology on a great deal

222

00:09:37,870 --> 00:09:33,899

of the people who wear the quote unquote

223

00:09:42,949 --> 00:09:37,880

God helmet have spiritual experiences

224

00:09:45,170 --> 00:09:42,959

so it really asks the question you know

225

00:09:49,910 --> 00:09:45,180

what is going on is this all in our

226

00:09:53,150 --> 00:09:49,920

heads or are our heads able to gather

227

00:09:55,250 --> 00:09:53,160

and grasp things that our regular senses

228

00:09:57,949 --> 00:09:55,260

cannot mm-hmm

229

00:10:02,090 --> 00:09:57,959

and this gentleman I ended up selling

230

00:10:06,829 --> 00:10:02,100

him 14 acres of the property and he has

231

00:10:09,230 --> 00:10:06,839

also delved into Anja lamp type studies

232

00:10:12,110 --> 00:10:09,240

while after purchasing the property

233

00:10:14,990 --> 00:10:12,120

and that is an interesting technology as

234

00:10:17,329 --> 00:10:15,000

well the angel lamp is basically a

235

00:10:19,910 --> 00:10:17,339

technology that can also be used for

236

00:10:23,090 --> 00:10:19,920

Consciousness studies and is said to

237

00:10:24,590 --> 00:10:23,100

mimic the effects of DNT yet in a

238

00:10:27,590 --> 00:10:24,600

technological form something you can

239

00:10:29,389 --> 00:10:27,600

switch on and off without the long drawn

240

00:10:31,130 --> 00:10:29,399

out not to mention biological

241

00:10:35,690 --> 00:10:31,140

repercussions

242

00:10:39,650 --> 00:10:35,700

and he sets up a tent for lack of a

243

00:10:42,889 --> 00:10:39,660

better word a very dark light proof tent

244

00:10:45,350 --> 00:10:42,899

on the premises and fires up these

245

00:10:50,210 --> 00:10:45,360

Technologies this Angel lamp technology

246

00:10:53,090 --> 00:10:50,220

which interestingly is said to have been

247

00:10:55,550 --> 00:10:53,100

invented or created by a Catholic priest

248

00:10:57,829 --> 00:10:55,560

who claims he channeled all the

249

00:11:00,110 --> 00:10:57,839

information on how to create it didn't

250

00:11:02,750 --> 00:11:00,120

have the background really to do it so

251
00:11:05,750 --> 00:11:02,760
that's very interesting oh yeah but yeah

252
00:11:08,090 --> 00:11:05,760
the property it's been just an array of

253
00:11:11,569 --> 00:11:08,100
strange activity on my side of the fence

254
00:11:13,850 --> 00:11:11,579
as well as my close friends who is

255
00:11:15,829 --> 00:11:13,860
basically doing his thing on the other

256
00:11:17,389 --> 00:11:15,839
side we still have a very open door

257
00:11:19,550 --> 00:11:17,399
policy with one another

258
00:11:21,530 --> 00:11:19,560
and

259
00:11:22,850 --> 00:11:21,540
he's gathered a lot of information as

260
00:11:26,750 --> 00:11:22,860
well and

261
00:11:28,370 --> 00:11:26,760
since July of 2019 when I originally

262
00:11:31,009 --> 00:11:28,380
purchased the

263
00:11:32,150 --> 00:11:31,019

property I've added some acreage to it

264

00:11:34,069 --> 00:11:32,160

since

265

00:11:35,750 --> 00:11:34,079

heading towards the east which is

266

00:11:38,389 --> 00:11:35,760

actually pretty exciting that happened

267

00:11:40,990 --> 00:11:38,399

this year and

268

00:11:44,329 --> 00:11:41,000

we've had some pretty

269

00:11:46,670 --> 00:11:44,339

unbelievable unexplainable events take

270

00:11:49,490 --> 00:11:46,680

place hell yeah give us an example of

271

00:11:51,829 --> 00:11:49,500

like one of those events okay

272

00:11:53,870 --> 00:11:51,839

the most mind-blowing

273

00:11:55,930 --> 00:11:53,880

well it sounds kind of cheesy to say

274

00:11:59,750 --> 00:11:55,940

that you have the objects in the sky

275

00:12:01,490 --> 00:11:59,760

basically all the time which I think

276

00:12:03,050 --> 00:12:01,500

I've sent you some of those images but I

277

00:12:04,970 --> 00:12:03,060

can send you more it's a pretty fairly

278

00:12:07,730 --> 00:12:04,980

common scenario that you have these

279

00:12:09,889 --> 00:12:07,740

unidentified aerial phenomena during the

280

00:12:13,009 --> 00:12:09,899

day or at night that's quite easily

281

00:12:15,110 --> 00:12:13,019

caught on camera and

282

00:12:18,050 --> 00:12:15,120

that's evidence in itself but then you

283

00:12:22,850 --> 00:12:18,060

have other strange things for example

284

00:12:25,310 --> 00:12:22,860

a cabin and a 40-foot RV that I placed

285

00:12:27,050 --> 00:12:25,320

on the property was vaporized during the

286

00:12:28,910 --> 00:12:27,060

day by

287

00:12:30,949 --> 00:12:28,920

quite literally

288

00:12:33,829 --> 00:12:30,959

a bolt of energy

289

00:12:37,190 --> 00:12:33,839

so something akin to a lightning bolt

290

00:12:40,550 --> 00:12:37,200

and by vaporized I mean the only things

291

00:12:43,670 --> 00:12:40,560

left were literally molten metal

292

00:12:48,170 --> 00:12:43,680

glass on the ground nothing left of this

293

00:12:50,329 --> 00:12:48,180

40-foot massive RV and I had a

294

00:12:51,949 --> 00:12:50,339

exploration team out just the weekend

295

00:12:54,829 --> 00:12:51,959

before

296

00:12:57,050 --> 00:12:54,839

Crider exploration and then I was

297

00:12:59,810 --> 00:12:57,060

supposed to be out there actually when

298

00:13:01,850 --> 00:12:59,820

this thing hit but I got backed up and

299

00:13:04,610 --> 00:13:01,860

thank goodness I wasn't there

300

00:13:07,069 --> 00:13:04,620

so that happened and in almost the same

301
00:13:09,350 --> 00:13:07,079
area or same location

302
00:13:12,590 --> 00:13:09,360
we had

303
00:13:13,970 --> 00:13:12,600
basically I brought in a large 40-foot

304
00:13:16,310 --> 00:13:13,980
steel container

305
00:13:19,250 --> 00:13:16,320
to place all the technology in kind of a

306
00:13:22,730 --> 00:13:19,260
quick fix be able to lock it all up

307
00:13:25,670 --> 00:13:22,740
and I placed it in roughly the same

308
00:13:29,090 --> 00:13:25,680
location also to test and see if it too

309
00:13:30,769 --> 00:13:29,100
would be hit by lightning and it has not

310
00:13:32,930 --> 00:13:30,779
been hit by lightning I don't believe

311
00:13:34,190 --> 00:13:32,940
that that's a common thing in the middle

312
00:13:38,290 --> 00:13:34,200
of the day

313
00:13:41,990 --> 00:13:38,300

but what has happened is that 40 foot

314

00:13:44,449 --> 00:13:42,000

long 8 700 pound container

315

00:13:48,889 --> 00:13:44,459

was quite literally

316

00:13:51,829 --> 00:13:48,899

moved from a East-West facing direction

317

00:13:55,430 --> 00:13:51,839

to a north-south-facing Direction

318

00:13:58,069 --> 00:13:55,440

and almost just for fun damn it seemed

319

00:14:01,190 --> 00:13:58,079

to be airlifted it appears that there

320

00:14:03,769 --> 00:14:01,200

are no tire marks drag marks

321

00:14:06,650 --> 00:14:03,779

any Telltale science not even so much as

322

00:14:08,690 --> 00:14:06,660

a blade of grass seemed Disturbed it was

323

00:14:11,210 --> 00:14:08,700

just no longer Facing East to West it's

324

00:14:13,610 --> 00:14:11,220

now facing north to south

325

00:14:17,150 --> 00:14:13,620

and it's stuff like that that just

326

00:14:19,190 --> 00:14:17,160

really kind of keeps me interested yeah

327

00:14:21,769 --> 00:14:19,200

yeah those are interesting bits of

328

00:14:25,129 --> 00:14:21,779

information but what about contact with

329

00:14:27,829 --> 00:14:25,139

whatever this is I'm still unsure if

330

00:14:30,829 --> 00:14:27,839

it's a portal place where multiple types

331

00:14:34,190 --> 00:14:30,839

of intelligences seem to bleed in or if

332

00:14:36,410 --> 00:14:34,200

there's one big entity I talked to Greg

333

00:14:37,970 --> 00:14:36,420

little after the release of his last

334

00:14:40,490 --> 00:14:37,980

book that he wrote with Andrew Collins

335

00:14:43,610 --> 00:14:40,500

and Andrew Collins says he thinks that

336

00:14:45,710 --> 00:14:43,620

it is a blanket of Consciousness that

337

00:14:48,889 --> 00:14:45,720

kind of covers the whole area as if it's

338

00:14:50,870 --> 00:14:48,899

one big etheric entity

339

00:14:52,730 --> 00:14:50,880
and that's a perspective that is

340

00:14:55,129 --> 00:14:52,740
interesting but I I really just don't

341

00:14:57,470 --> 00:14:55,139
know and I'm curious your thoughts and

342

00:14:59,449 --> 00:14:57,480
if there's been any mind-to-mind

343

00:15:00,350 --> 00:14:59,459
communication where we can get a sense

344

00:15:02,210 --> 00:15:00,360
of

345

00:15:05,750 --> 00:15:02,220
if it's one thing if it's many things

346

00:15:08,509 --> 00:15:05,760
and what the logic is an agenda is of

347

00:15:10,970 --> 00:15:08,519
this otherworldly Force

348

00:15:13,310 --> 00:15:10,980
such a great question Greg you never

349

00:15:15,650 --> 00:15:13,320
underestimate the questions well I'm

350

00:15:18,290 --> 00:15:15,660
just figuring let's get into it let's do

351

00:15:21,889 --> 00:15:18,300

it let's roll up our sleeves and I'm

352

00:15:24,590 --> 00:15:21,899

glad you asked that question because

353

00:15:27,470 --> 00:15:24,600

it is one of those larger questions that

354

00:15:29,210 --> 00:15:27,480

much like nids

355

00:15:31,250 --> 00:15:29,220

under Bigelow

356

00:15:33,290 --> 00:15:31,260

diving into the cult to get these

357

00:15:35,629 --> 00:15:33,300

answers I've also

358

00:15:37,970 --> 00:15:35,639

done somewhat of a deep dive especially

359

00:15:41,150 --> 00:15:37,980

literally into literature

360

00:15:43,490 --> 00:15:41,160

with Navajo richcraft

361

00:15:46,250 --> 00:15:43,500

Native American Skinwalker Witchcraft

362

00:15:48,170 --> 00:15:46,260

and related phenomena reading books by

363

00:15:51,230 --> 00:15:48,180

Clyde Kluckhohn

364

00:15:55,189 --> 00:15:51,240

Joan Teller Norman Blackwater really

365

00:15:57,290 --> 00:15:55,199

hard to find texts that delineate step

366

00:16:00,410 --> 00:15:57,300

by step what these

367

00:16:02,689 --> 00:16:00,420

dark adapts are doing to achieve this

368

00:16:04,970 --> 00:16:02,699

shape-shifting quote-unquote biological

369

00:16:05,930 --> 00:16:04,980

technology that they assume in their

370

00:16:07,490 --> 00:16:05,940

witchcraft

371

00:16:11,150 --> 00:16:07,500

and

372

00:16:13,910 --> 00:16:11,160

to get back to your question as far as

373

00:16:15,889 --> 00:16:13,920

what it is we're dealing with

374

00:16:18,230 --> 00:16:15,899

I think that

375

00:16:21,470 --> 00:16:18,240

I love Gregory little by the way I think

376

00:16:23,930 --> 00:16:21,480

that he is right in one aspect that this

377

00:16:26,689 --> 00:16:23,940

is a blanket of

378

00:16:29,990 --> 00:16:26,699

Consciousness or intelligence

379

00:16:32,689 --> 00:16:30,000

however I think that it merges in a way

380

00:16:34,310 --> 00:16:32,699

that is difficult to explain much like

381

00:16:37,249 --> 00:16:34,320

the Bible

382

00:16:38,569 --> 00:16:37,259

speaks of the Gods as the Elohim

383

00:16:41,689 --> 00:16:38,579

yet

384

00:16:43,189 --> 00:16:41,699

the Elohim are also what makeup

385

00:16:44,389 --> 00:16:43,199

the godhead

386

00:16:50,629 --> 00:16:44,399

so

387

00:16:54,410 --> 00:16:50,639

and I find that

388

00:16:57,650 --> 00:16:54,420

it gets super tricky because

389

00:17:00,350 --> 00:16:57,660

you have all of these negative and

390

00:17:02,689 --> 00:17:00,360

positive malevolent and benevolent

391

00:17:03,470 --> 00:17:02,699

activities that can take place in the

392

00:17:05,990 --> 00:17:03,480

area

393

00:17:09,110 --> 00:17:06,000

and there is a trickster

394

00:17:11,150 --> 00:17:09,120

mentality to a lot of the malevolent

395

00:17:13,610 --> 00:17:11,160

but there's also something I like to

396

00:17:15,650 --> 00:17:13,620

call it friends when I go to the area

397

00:17:17,990 --> 00:17:15,660

I gathered that from

398

00:17:19,730 --> 00:17:18,000

someone else that term

399

00:17:21,530 --> 00:17:19,740

and when I asked why do you call them

400

00:17:23,929 --> 00:17:21,540

friends he said well it's better than

401

00:17:26,150 --> 00:17:23,939

calling them enemies and

402

00:17:28,549 --> 00:17:26,160

I think that's very true

403

00:17:31,850 --> 00:17:28,559

you have to go in with an open mind set

404

00:17:34,669 --> 00:17:31,860

boundaries be very protected no matter

405

00:17:37,070 --> 00:17:34,679

what your religion is you have to say

406

00:17:40,010 --> 00:17:37,080

prayers of protection say I'm willing to

407

00:17:42,430 --> 00:17:40,020

engage engage with the phenomena or the

408

00:17:44,870 --> 00:17:42,440

intelligence this non-corporeal

409

00:17:46,490 --> 00:17:44,880

intelligence of sorts which is

410

00:17:49,370 --> 00:17:46,500

precognitive which makes it very

411

00:17:51,409 --> 00:17:49,380

difficult to engage with because it can

412

00:17:54,710 --> 00:17:51,419

know your settings and what you're

413

00:17:56,630 --> 00:17:54,720

thinking literally before you do it so

414

00:17:59,570 --> 00:17:56,640

it's quite precognitive and it kind of

415

00:18:03,409 --> 00:17:59,580

sees you coming a mile away but it does

416

00:18:06,650 --> 00:18:03,419

appear that this intelligence of sorts

417

00:18:07,850 --> 00:18:06,660

has not only a sense of humor which is

418

00:18:09,430 --> 00:18:07,860

super awesome

419

00:18:12,590 --> 00:18:09,440

but

420

00:18:15,289 --> 00:18:12,600

this aspect of liking to play the game

421

00:18:18,529 --> 00:18:15,299

it has this trickery mentality almost

422

00:18:23,390 --> 00:18:18,539

childlike at times where

423

00:18:26,029 --> 00:18:23,400

it just wants to engage and that I get

424

00:18:29,270 --> 00:18:26,039

in the bigger scheme of things just the

425

00:18:30,830 --> 00:18:29,280

fact that there's contact whatsoever is

426

00:18:33,650 --> 00:18:30,840

so phenomenal to me

427

00:18:36,289 --> 00:18:33,660

but yet the fact that it wants it makes

428

00:18:37,850 --> 00:18:36,299

it not easier it makes it a little

429

00:18:40,549 --> 00:18:37,860

harder because you don't know where it's

430

00:18:42,950 --> 00:18:40,559

going with this particular contact each

431

00:18:44,390 --> 00:18:42,960

time it occurs and to give you an

432

00:18:47,029 --> 00:18:44,400

example

433

00:18:48,890 --> 00:18:47,039

on a recent trip and I actually took my

434

00:18:50,390 --> 00:18:48,900

mother on this trip

435

00:18:53,090 --> 00:18:50,400

we

436

00:18:55,190 --> 00:18:53,100

had kind of bedded down for the night in

437

00:18:56,990 --> 00:18:55,200

this small cabin there at the base camp

438

00:18:59,630 --> 00:18:57,000

at space Wolf

439

00:19:01,669 --> 00:18:59,640

and we hear

440

00:19:03,710 --> 00:19:01,679

some sounds outside and it sounds like

441

00:19:06,710 --> 00:19:03,720

my car doors opening and closing which

442

00:19:08,750 --> 00:19:06,720

this is nothing special these types of

443

00:19:11,090 --> 00:19:08,760

trickery mechanisms happen quite often

444

00:19:13,490 --> 00:19:11,100

but they don't always lead somewhere

445

00:19:15,409 --> 00:19:13,500

so I got up I said oh Mom it sounds like

446

00:19:17,090 --> 00:19:15,419

somebody's getting into my car and I

447

00:19:18,529 --> 00:19:17,100

said but don't worry it probably isn't

448

00:19:19,909 --> 00:19:18,539

it's probably just messing around and

449

00:19:22,130 --> 00:19:19,919

that's no big deal

450

00:19:25,669 --> 00:19:22,140

and I went out the front door

451
00:19:27,470 --> 00:19:25,679
and I noticed these lights swirling

452
00:19:29,570 --> 00:19:27,480
around the vehicle

453
00:19:31,850 --> 00:19:29,580
of course as I turned to close the door

454
00:19:33,289 --> 00:19:31,860
and come out and really investigate

455
00:19:36,169 --> 00:19:33,299
there's no lights

456
00:19:38,630 --> 00:19:36,179
they disappear they vanish

457
00:19:41,390 --> 00:19:38,640
and then in the distance not too far

458
00:19:45,890 --> 00:19:41,400
away I would say about

459
00:19:46,669 --> 00:19:45,900
20 yards 15 yards I see a spotlight come

460
00:19:49,850 --> 00:19:46,679
out

461
00:19:52,130 --> 00:19:49,860
from around the angular corner of this

462
00:19:53,330 --> 00:19:52,140
container this 40-foot container that we

463
00:19:56,090 --> 00:19:53,340

spoke of

464

00:19:59,270 --> 00:19:56,100

and it looks like a flashlight

465

00:20:01,549 --> 00:19:59,280

coming down from the top corner of the

466

00:20:03,470 --> 00:20:01,559

container towards the ground and so

467

00:20:05,450 --> 00:20:03,480

I say well maybe there is somebody out

468

00:20:06,470 --> 00:20:05,460

here I walk over towards this beam of

469

00:20:10,190 --> 00:20:06,480

light

470

00:20:13,370 --> 00:20:10,200

and there is zero point of origin

471

00:20:15,890 --> 00:20:13,380

as I try to come around angularly around

472

00:20:20,090 --> 00:20:15,900

the corner of the container

473

00:20:22,430 --> 00:20:20,100

it evades ever so slightly as so I can

474

00:20:25,490 --> 00:20:22,440

never see a point of origin

475

00:20:26,630 --> 00:20:25,500

now when I get too close it will turn

476

00:20:30,230 --> 00:20:26,640

off

477

00:20:32,029 --> 00:20:30,240

and there's zero beam of Light by now my

478

00:20:34,789 --> 00:20:32,039

mom has gotten up to see what's going on

479

00:20:37,010 --> 00:20:34,799

she's come out onto the little porch and

480

00:20:40,490 --> 00:20:37,020

she sees the inside of the car

481

00:20:41,690 --> 00:20:40,500

all of the dash and screens Etc inside

482

00:20:44,750 --> 00:20:41,700

the vehicle

483

00:20:47,630 --> 00:20:44,760

are emanating colors that are not usual

484

00:20:50,210 --> 00:20:47,640

for the vehicle like very bright

485

00:20:52,310 --> 00:20:50,220

different rainbow colored colors

486

00:20:54,650 --> 00:20:52,320

so she thinks I'm in the car

487

00:20:57,169 --> 00:20:54,660

it had a very heavy tint on the vehicle

488

00:20:58,850 --> 00:20:57,179

so she went up to the window and looked

489

00:20:59,690 --> 00:20:58,860

inside and could tell I was not in the

490

00:21:01,789 --> 00:20:59,700

vehicle

491

00:21:04,130 --> 00:21:01,799

and then looked over and I'm I'm

492

00:21:06,529 --> 00:21:04,140

standing in this beam of light because

493

00:21:08,390 --> 00:21:06,539

at this point I literally just went to

494

00:21:10,789 --> 00:21:08,400

stand in the beam of light to see if I

495

00:21:13,070 --> 00:21:10,799

could feel anything

496

00:21:14,150 --> 00:21:13,080

and I noticed that I could not cast a

497

00:21:16,010 --> 00:21:14,160

shadow

498

00:21:17,330 --> 00:21:16,020

in this beam of light so I called her

499

00:21:18,770 --> 00:21:17,340

over I'm like Mom you gotta check this

500

00:21:21,049 --> 00:21:18,780

out this is so awesome

501
00:21:22,310 --> 00:21:21,059
so she came over could not believe her

502
00:21:24,169 --> 00:21:22,320
eyes I said get in get in there's

503
00:21:25,730 --> 00:21:24,179
nothing to worry about look at this you

504
00:21:28,510 --> 00:21:25,740
can't cast a shadow no matter how low

505
00:21:31,490 --> 00:21:28,520
you go and if we try to follow around

506
00:21:34,610 --> 00:21:31,500
this container to see where this beam is

507
00:21:37,850 --> 00:21:34,620
coming from it will either turn off move

508
00:21:39,950 --> 00:21:37,860
or always remain just inches out of

509
00:21:41,029 --> 00:21:39,960
sight so the light has zero point of

510
00:21:44,450 --> 00:21:41,039
origin

511
00:21:45,409 --> 00:21:44,460
and she engaged and saw this all take

512
00:21:48,289 --> 00:21:45,419
place

513
00:21:51,169 --> 00:21:48,299

she's a very Hispanic

514

00:21:54,770 --> 00:21:51,179

lady born in Costa Rica she's

515

00:21:57,409 --> 00:21:54,780

very familiar with witchcraft and

516

00:21:58,610 --> 00:21:57,419

after the event because eventually you

517

00:22:00,169 --> 00:21:58,620

know she's like this is just too much

518

00:22:01,850 --> 00:22:00,179

this is just too much

519

00:22:03,649 --> 00:22:01,860

she starts you know praying and stuff

520

00:22:06,470 --> 00:22:03,659

and I told her mom don't pray too much

521

00:22:09,230 --> 00:22:06,480

you know like like we don't want to

522

00:22:10,250 --> 00:22:09,240

completely disengage but she got the

523

00:22:12,230 --> 00:22:10,260

point

524

00:22:15,350 --> 00:22:12,240

that there's something

525

00:22:18,470 --> 00:22:15,360

that relates the phenomena to us and it

526

00:22:20,149 --> 00:22:18,480

just wants that engagement

527

00:22:22,970 --> 00:22:20,159

that playful

528

00:22:24,470 --> 00:22:22,980

much like a puppy or a dog it just wants

529

00:22:27,289 --> 00:22:24,480

to engage

530

00:22:30,169 --> 00:22:27,299

great story I'm sure that these things

531

00:22:33,049 --> 00:22:30,179

are really impactful to experience

532

00:22:35,810 --> 00:22:33,059

firsthand but we've heard many stories

533

00:22:38,029 --> 00:22:35,820

at this level of trickster activity and

534

00:22:41,149 --> 00:22:38,039

doors opening and closing and strange

535

00:22:44,570 --> 00:22:41,159

lights has there been any you said it's

536

00:22:48,470 --> 00:22:44,580

capable of mine to mind communication or

537

00:22:51,110 --> 00:22:48,480

reading one's mind has this entity

538

00:22:54,049 --> 00:22:51,120

communicated anything to you when asked

539

00:22:56,270 --> 00:22:54,059

what are you how did you get here what

540

00:22:58,430 --> 00:22:56,280

do you want I mean these have to be the

541

00:23:00,649 --> 00:22:58,440

first questions that come to mind has it

542

00:23:02,630 --> 00:23:00,659

ever given you any response or have you

543

00:23:04,310 --> 00:23:02,640

talked to someone first hand who's

544

00:23:05,570 --> 00:23:04,320

gotten a response to those kind of

545

00:23:09,529 --> 00:23:05,580

questions

546

00:23:11,330 --> 00:23:09,539

yes on both accounts it seems as if for

547

00:23:15,350 --> 00:23:11,340

whatever reason

548

00:23:19,690 --> 00:23:15,360

this entity is somewhat stuck or enjoys

549

00:23:23,450 --> 00:23:19,700

being in this location or general area

550

00:23:28,250 --> 00:23:23,460

and it's difficult to find out exactly

551
00:23:32,930 --> 00:23:28,260
why it is banished to this area stuck in

552
00:23:35,149 --> 00:23:32,940
this area or chooses to roam

553
00:23:38,330 --> 00:23:35,159
this particular

554
00:23:40,789 --> 00:23:38,340
spot and does so

555
00:23:44,990 --> 00:23:40,799
kind of with Reckless abandon it has

556
00:23:46,070 --> 00:23:45,000
full control of the area and what I mean

557
00:23:49,909 --> 00:23:46,080
by that

558
00:23:53,510 --> 00:23:49,919
is quite literally it almost appears and

559
00:23:57,470 --> 00:23:53,520
seems as if the very ground itself

560
00:24:00,289 --> 00:23:57,480
is alive or has a Consciousness to it as

561
00:24:02,870 --> 00:24:00,299
soon as dark hits and you get that magic

562
00:24:05,690 --> 00:24:02,880
time from

563
00:24:09,470 --> 00:24:05,700

dusk tonight

564

00:24:10,669 --> 00:24:09,480

it exponentially just energizes the area

565

00:24:12,649 --> 00:24:10,679

and it's something that you can

566

00:24:14,450 --> 00:24:12,659

physically feel

567

00:24:16,370 --> 00:24:14,460

being human beings we have that

568

00:24:18,409 --> 00:24:16,380

biological

569

00:24:20,870 --> 00:24:18,419

kind of sensor

570

00:24:23,930 --> 00:24:20,880

in us that you know the hairs go up on

571

00:24:25,909 --> 00:24:23,940

your neck you know you're not alone you

572

00:24:28,310 --> 00:24:25,919

hear things that shouldn't be heard you

573

00:24:30,590 --> 00:24:28,320

see things that shouldn't be seen but

574

00:24:32,210 --> 00:24:30,600

more importantly you realize that it's

575

00:24:35,390 --> 00:24:32,220

quite clearly

576
00:24:38,330 --> 00:24:35,400
the domain of something else that you

577
00:24:40,029 --> 00:24:38,340
are just a visitor there and

578
00:24:43,669 --> 00:24:40,039
that is

579
00:24:46,549 --> 00:24:43,679
mesmerizing to me I do feel at times

580
00:24:49,370 --> 00:24:46,559
like

581
00:24:52,190 --> 00:24:49,380
things could go very wrong

582
00:24:53,510 --> 00:24:52,200
with a lot of good reasons but I think

583
00:24:56,630 --> 00:24:53,520
if you

584
00:24:58,669 --> 00:24:56,640
are very careful respectful of the area

585
00:25:05,029 --> 00:24:58,679
and

586
00:25:08,270 --> 00:25:05,039
not

587
00:25:12,350 --> 00:25:08,280
I don't need to prove anything

588
00:25:15,350 --> 00:25:12,360

to anybody other than myself so I

589

00:25:17,090 --> 00:25:15,360

already believe so when when I go it

590

00:25:19,730 --> 00:25:17,100

just seems like they're kind of like the

591

00:25:21,529 --> 00:25:19,740

edge is taken off like I'm not gonna

592

00:25:23,450 --> 00:25:21,539

have a psychic break because I see

593

00:25:25,850 --> 00:25:23,460

something that was Next Level to what I

594

00:25:28,730 --> 00:25:25,860

saw the previous time

595

00:25:29,630 --> 00:25:28,740

so my history in the area possibly makes

596

00:25:31,510 --> 00:25:29,640

me

597

00:25:35,090 --> 00:25:31,520

a little bit more

598

00:25:38,510 --> 00:25:35,100

desensitized but still engaging with it

599

00:25:42,230 --> 00:25:38,520

it's a rush it is a complete Rush

600

00:25:44,090 --> 00:25:42,240

how the actual landscape itself can

601
00:25:47,450 --> 00:25:44,100
become alive with the type of

602
00:25:49,789 --> 00:25:47,460
Consciousness and at times the Earth

603
00:25:54,409 --> 00:25:49,799
itself will move it will shake it will

604
00:25:55,610 --> 00:25:54,419
shudder it will Rumble and another very

605
00:25:57,830 --> 00:25:55,620
strange

606
00:26:00,049 --> 00:25:57,840
thing that happens is you'll have these

607
00:26:02,810 --> 00:26:00,059
cracks in the ground that will

608
00:26:05,210 --> 00:26:02,820
completely open up and some of these

609
00:26:08,029 --> 00:26:05,220
Caverns or cracks and this is just

610
00:26:11,149 --> 00:26:08,039
regular desert landscape High Desert

611
00:26:14,450 --> 00:26:11,159
some of them will go down 20 to 50 feet

612
00:26:16,490 --> 00:26:14,460
I mean massive and be three feet wide

613
00:26:18,950 --> 00:26:16,500

four feet wide at the surface

614

00:26:20,690 --> 00:26:18,960

and within days they'll close up and

615

00:26:24,230 --> 00:26:20,700

you'll never even know they were there

616

00:26:26,090 --> 00:26:24,240

so it's quite literally as if the ground

617

00:26:28,669 --> 00:26:26,100

is alive

618

00:26:30,649 --> 00:26:28,679

yeah very fascinating and it does jive

619

00:26:32,570 --> 00:26:30,659

with things previous guests have talked

620

00:26:36,409 --> 00:26:32,580

about here I mean animism the

621

00:26:39,890 --> 00:26:36,419

perspective that all objects can be

622

00:26:41,269 --> 00:26:39,900

bound with Consciousness that even rocks

623

00:26:42,710 --> 00:26:41,279

and elements of the landscape have

624

00:26:45,890 --> 00:26:42,720

Consciousness we've talked about

625

00:26:47,750 --> 00:26:45,900

Guardian Spirits before and fairies and

626
00:26:50,450 --> 00:26:47,760
all that folklore some people think

627
00:26:53,090 --> 00:26:50,460
Bigfoot is still a guardian of the

628
00:26:54,549 --> 00:26:53,100
forest to some degree and Dr little

629
00:26:59,210 --> 00:26:54,559
talked about

630
00:27:02,029 --> 00:26:59,220
geological activity being a component of

631
00:27:05,690 --> 00:27:02,039
what facilitates maybe these plasma

632
00:27:09,590 --> 00:27:05,700
discharges and that either the plasma

633
00:27:12,950 --> 00:27:09,600
itself is conscious or maybe these

634
00:27:17,510 --> 00:27:12,960
beings live in plasma like a fish lives

635
00:27:19,669 --> 00:27:17,520
in water and when plasma emerges the

636
00:27:21,950 --> 00:27:19,679
intelligence is just in there from

637
00:27:24,890 --> 00:27:21,960
another dimension or whatever that's

638
00:27:28,070 --> 00:27:24,900

obviously why the term portal is used so

639

00:27:29,870 --> 00:27:28,080

when you say it's bound to the area that

640

00:27:32,390 --> 00:27:29,880

obviously is

641

00:27:34,789 --> 00:27:32,400

occult language and it speaks to maybe

642

00:27:37,789 --> 00:27:34,799

something that you'd find in Dr Little's

643

00:27:41,990 --> 00:27:37,799

book like a big shamanic ritual and

644

00:27:45,010 --> 00:27:42,000

Magic is always kind of about binding or

645

00:27:47,090 --> 00:27:45,020

you know you draw the circle The Bean Is

646

00:27:49,669 --> 00:27:47,100

invoked and then it can't leave the

647

00:27:51,710 --> 00:27:49,679

circle so the notion that something was

648

00:27:53,930 --> 00:27:51,720

once called there and can't really

649

00:27:56,029 --> 00:27:53,940

Escape but doesn't hate it I don't know

650

00:27:59,210 --> 00:27:56,039

maybe that makes sense like a little

651
00:28:02,330 --> 00:27:59,220
trickster in a regional prison of some

652
00:28:05,210 --> 00:28:02,340
kind without real bars yeah I'm open to

653
00:28:08,930 --> 00:28:05,220
a lot of that it seems to make sense but

654
00:28:09,710 --> 00:28:08,940
have you asked it what are you does it

655
00:28:12,830 --> 00:28:09,720
ever

656
00:28:16,549 --> 00:28:12,840
describe itself is it an angel is it a

657
00:28:21,110 --> 00:28:16,559
spirit is it what does it say it is

658
00:28:25,010 --> 00:28:21,120
and this is a good question it does not

659
00:28:27,289 --> 00:28:25,020
at least that I've been convinced by and

660
00:28:29,990 --> 00:28:27,299
even in conversations with people who

661
00:28:32,330 --> 00:28:30,000
have had unusual impressions as well of

662
00:28:34,450 --> 00:28:32,340
the intelligence

663
00:28:37,070 --> 00:28:34,460

name itself

664

00:28:40,930 --> 00:28:37,080

accordingly however

665

00:28:45,590 --> 00:28:40,940

it does seem to

666

00:28:48,769 --> 00:28:45,600

have many attributes that are shared

667

00:28:50,810 --> 00:28:48,779

with other occult beings that are deemed

668

00:28:53,690 --> 00:28:50,820

extremely powerful

669

00:28:55,730 --> 00:28:53,700

and the immediate one that comes to mind

670

00:28:58,490 --> 00:28:55,740

is the gin

671

00:29:03,710 --> 00:28:58,500

and the reason I bring up the gin

672

00:29:04,970 --> 00:29:03,720

is this is also not my idea I originally

673

00:29:08,090 --> 00:29:04,980

was

674

00:29:11,890 --> 00:29:08,100

told this idea by Jacque Valley

675

00:29:16,250 --> 00:29:11,900

he and Frank Salisbury and Junior Hicks

676

00:29:19,909 --> 00:29:16,260

would have conversations and

677

00:29:22,970 --> 00:29:19,919

in Frank Salisbury's very difficult to

678

00:29:25,430 --> 00:29:22,980

get but very good book on the phenomenon

679

00:29:29,269 --> 00:29:25,440

called the Utah UFO display

680

00:29:32,090 --> 00:29:29,279

but becomes apparent that even though

681

00:29:33,769 --> 00:29:32,100

these scientists are looking at this

682

00:29:37,010 --> 00:29:33,779

through

683

00:29:40,850 --> 00:29:37,020

the traditionally scientific lens that

684

00:29:43,490 --> 00:29:40,860

it quite quickly and inexplicably

685

00:29:44,990 --> 00:29:43,500

borders on spiritualism at some point

686

00:29:46,970 --> 00:29:45,000

you can't

687

00:29:51,409 --> 00:29:46,980

look at this

688

00:29:54,590 --> 00:29:51,419

from just the scientific lens

689

00:29:57,529 --> 00:29:54,600

standard science only gets so far

690

00:29:59,090 --> 00:29:57,539

before it's outgunned so to speak

691

00:30:01,190 --> 00:29:59,100

and

692

00:30:04,250 --> 00:30:01,200

Mr valet

693

00:30:05,930 --> 00:30:04,260

I quite literally told me he said very

694

00:30:07,669 --> 00:30:05,940

similar things are happening in the

695

00:30:10,909 --> 00:30:07,679

deserts of the Middle East

696

00:30:14,149 --> 00:30:10,919

and entities with similar capabilities

697

00:30:15,850 --> 00:30:14,159

doing similar things and having similar

698

00:30:20,090 --> 00:30:15,860

approaches

699

00:30:22,610 --> 00:30:20,100

are being witnessed in again the deserts

700

00:30:25,490 --> 00:30:22,620

and it's strange that the desert comes

701
00:30:28,909 --> 00:30:25,500
up so often because

702
00:30:32,149 --> 00:30:28,919
in many occult ancient texts

703
00:30:33,950 --> 00:30:32,159
when someone wants to gain answers from

704
00:30:37,310 --> 00:30:33,960
a magical perspective

705
00:30:38,690 --> 00:30:37,320
they are told to go to the desert and

706
00:30:41,389 --> 00:30:38,700
this is where you will find the great

707
00:30:43,730 --> 00:30:41,399
teacher for example many other

708
00:30:45,590 --> 00:30:43,740
names and anecdotal

709
00:30:47,990 --> 00:30:45,600
terminology but

710
00:30:50,630 --> 00:30:48,000
basically

711
00:30:53,570 --> 00:30:50,640
it's reported through a lot of ancient

712
00:30:56,510 --> 00:30:53,580
texts that the deserts have

713
00:30:58,310 --> 00:30:56,520

this intelligence and the standard

714

00:31:01,909 --> 00:30:58,320

scientific approach just has a really

715

00:31:03,289 --> 00:31:01,919

hard time wrapping its head around that

716

00:31:06,409 --> 00:31:03,299

mm-hmm

717

00:31:09,409 --> 00:31:06,419

yeah it sounds like some I am that which

718

00:31:11,269 --> 00:31:09,419

is called I am kind of thing like it's

719

00:31:13,730 --> 00:31:11,279

just a Consciousness a spirit that's

720

00:31:15,470 --> 00:31:13,740

like what do you mean what am I I am I

721

00:31:17,570 --> 00:31:15,480

am what I am I'm right here I'm I'm

722

00:31:18,649 --> 00:31:17,580

communicating with you like I don't

723

00:31:20,690 --> 00:31:18,659

really

724

00:31:22,250 --> 00:31:20,700

have a word for it here you know

725

00:31:23,990 --> 00:31:22,260

whatever you're looking for I don't have

726

00:31:27,169 --> 00:31:24,000

that answer I'm just you're gonna learn

727

00:31:29,389 --> 00:31:27,179

about me from the interactions and I

728

00:31:31,070 --> 00:31:29,399

guess that's what we have to go on and I

729

00:31:32,450 --> 00:31:31,080

wanted to ask you about this guy Chris

730

00:31:34,430 --> 00:31:32,460

Marks

731

00:31:36,049 --> 00:31:34,440

someone you interviewed that you

732

00:31:37,730 --> 00:31:36,059

recommended that I interview as well but

733

00:31:40,669 --> 00:31:37,740

I just haven't gotten to it apparently

734

00:31:43,610 --> 00:31:40,679

he worked for Bigelow Advanced Aerospace

735

00:31:45,470 --> 00:31:43,620

studies is a military policeman with

736

00:31:47,990 --> 00:31:45,480

active clearances and was a security

737

00:31:50,210 --> 00:31:48,000

guard for Skinwalker Ranch what did you

738

00:31:53,330 --> 00:31:50,220

learn from him

739

00:31:55,310 --> 00:31:53,340

through a series of conversations and

740

00:31:58,610 --> 00:31:55,320

there's another Chris involved which was

741

00:32:01,789 --> 00:31:58,620

also a quote-unquote guard

742

00:32:04,789 --> 00:32:01,799

for Bigelow and his name was Chris

743

00:32:06,769 --> 00:32:04,799

Bartell interestingly these are the guys

744

00:32:09,649 --> 00:32:06,779

that I was literally

745

00:32:11,810 --> 00:32:09,659

you know running from

746

00:32:13,850 --> 00:32:11,820

years ago and these are the guys that

747

00:32:17,750 --> 00:32:13,860

were posted up outside of my house and

748

00:32:20,990 --> 00:32:17,760

in Black Suburbans when I was being

749

00:32:23,269 --> 00:32:21,000

quote unquote monitored and what's fun

750

00:32:25,430 --> 00:32:23,279

about talking to them now

751

00:32:28,070 --> 00:32:25,440

is that we can laugh about it they're

752

00:32:29,630 --> 00:32:28,080

like yeah you know we were asked to park

753

00:32:34,490 --> 00:32:29,640

outside of your house and keep an eye on

754

00:32:36,350 --> 00:32:34,500

you and this was well within the range

755

00:32:38,510 --> 00:32:36,360

of possibility for a private company

756

00:32:40,730 --> 00:32:38,520

which had

757

00:32:43,250 --> 00:32:40,740

deals with the Department of Defense

758

00:32:45,110 --> 00:32:43,260

this is all plausible deniability and

759

00:32:48,049 --> 00:32:45,120

completely within you know

760

00:32:50,510 --> 00:32:48,059

they knew I was in the area they knew

761

00:32:52,430 --> 00:32:50,520

what I was up to and so anyway it's kind

762

00:32:55,130 --> 00:32:52,440

of funny to look back on it but yes I

763

00:32:58,730 --> 00:32:55,140

found a lot out from these two gentlemen

764

00:33:01,610 --> 00:32:58,740

and the stories detailed and the claims

765

00:33:05,029 --> 00:33:01,620

that have been made by both of them are

766

00:33:07,690 --> 00:33:05,039

100 True in my opinion

767

00:33:12,710 --> 00:33:07,700

one particular story that comes to mind

768

00:33:17,269 --> 00:33:12,720

is a quote-unquote shapeshifter

769

00:33:19,370 --> 00:33:17,279

at the property on the ridge which

770

00:33:21,230 --> 00:33:19,380

spooked one of them because he felt as

771

00:33:22,430 --> 00:33:21,240

if he was being watched he turned and

772

00:33:25,789 --> 00:33:22,440

looked up

773

00:33:27,769 --> 00:33:25,799

and he saw a person just a Native

774

00:33:29,090 --> 00:33:27,779

American walking along the ridge kind of

775

00:33:31,490 --> 00:33:29,100

shadowing him

776
00:33:33,889 --> 00:33:31,500
and when he engaged with this individual

777
00:33:38,090 --> 00:33:33,899
and called out to him

778
00:33:40,549 --> 00:33:38,100
it I say it but this individual what

779
00:33:42,169 --> 00:33:40,559
appeared to be a Native American man

780
00:33:46,970 --> 00:33:42,179
average build

781
00:33:49,070 --> 00:33:46,980
bent over as if folded in half so kind

782
00:33:52,370 --> 00:33:49,080
of like touching your toes

783
00:33:55,370 --> 00:33:52,380
and then

784
00:33:56,750 --> 00:33:55,380
quite quickly became a wolf right in

785
00:33:58,850 --> 00:33:56,760
front of his eyes

786
00:34:00,350 --> 00:33:58,860
and

787
00:34:04,250 --> 00:34:00,360
obviously

788
00:34:07,310 --> 00:34:04,260

this made him a Believer other events

789

00:34:09,829 --> 00:34:07,320

that took place were these three wolves

790

00:34:11,510 --> 00:34:09,839

that would kind of pack up and there

791

00:34:13,909 --> 00:34:11,520

have been some instances that have

792

00:34:16,430 --> 00:34:13,919

happened that I'll get into

793

00:34:18,589 --> 00:34:16,440

but a lot of times these things will

794

00:34:20,570 --> 00:34:18,599

roam in threes and I say these things

795

00:34:22,669 --> 00:34:20,580

but these wolf-like shape-shifting

796

00:34:26,149 --> 00:34:22,679

entities

797

00:34:28,669 --> 00:34:26,159

and they engaged with

798

00:34:31,909 --> 00:34:28,679

one of these down by a Waterway and

799

00:34:34,190 --> 00:34:31,919

unloaded on it but by no means killed it

800

00:34:35,270 --> 00:34:34,200

the bullets seem to have no effect which

801
00:34:37,369 --> 00:34:35,280
is

802
00:34:39,109 --> 00:34:37,379
quite often the case and goes along with

803
00:34:40,490 --> 00:34:39,119
a lot of the folklore you hear which is

804
00:34:43,310 --> 00:34:40,500
unbelievable

805
00:34:45,589 --> 00:34:43,320
and these are guys that don't lie these

806
00:34:47,149 --> 00:34:45,599
are guys that in my opinion

807
00:34:49,070 --> 00:34:47,159
we're just doing a job you know they're

808
00:34:50,990 --> 00:34:49,080
just collecting a paycheck

809
00:34:53,210 --> 00:34:51,000
making car payments making mortgage

810
00:34:55,250 --> 00:34:53,220
payments and they're not really wanting

811
00:34:58,310 --> 00:34:55,260
any trouble

812
00:35:00,109 --> 00:34:58,320
but the thing that stood out to me the

813
00:35:03,050 --> 00:35:00,119

most

814

00:35:08,329 --> 00:35:03,060

was the way they were engaging with the

815

00:35:12,170 --> 00:35:08,339

trickster the types of games and playful

816

00:35:13,970 --> 00:35:12,180

back and forth and the Occult means by

817

00:35:16,670 --> 00:35:13,980

which they were doing so

818

00:35:19,250 --> 00:35:16,680

so they had a custom

819

00:35:20,450 --> 00:35:19,260

Ouija board made specifically for the

820

00:35:22,910 --> 00:35:20,460

property

821

00:35:24,410 --> 00:35:22,920

and these two gentlemen said that when

822

00:35:26,690 --> 00:35:24,420

they would touch

823

00:35:28,910 --> 00:35:26,700

the Ouija board together

824

00:35:30,710 --> 00:35:28,920

that it would almost overpower them like

825

00:35:32,450 --> 00:35:30,720

they couldn't stop this thing from

826

00:35:34,849 --> 00:35:32,460

telling them things at times even if

827

00:35:36,470 --> 00:35:34,859

they wanted to and these are two big

828

00:35:37,970 --> 00:35:36,480

beefy guys

829

00:35:40,910 --> 00:35:37,980

so

830

00:35:43,490 --> 00:35:40,920

in an attempt to contact

831

00:35:45,109 --> 00:35:43,500

The Entity and kind of go out on a limb

832

00:35:47,450 --> 00:35:45,119

they realize the whole tree was

833

00:35:50,930 --> 00:35:47,460

literally shaking the power was so real

834

00:35:53,870 --> 00:35:50,940

they couldn't deny it and the occult

835

00:35:56,030 --> 00:35:53,880

ways that they contacted it I think says

836

00:35:59,390 --> 00:35:56,040

a lot about the area and it may say a

837

00:36:00,829 --> 00:35:59,400

lot about what possibly might be there

838

00:36:03,829 --> 00:36:00,839

hmm

839

00:36:06,230 --> 00:36:03,839

yeah and you also mentioned to me that

840

00:36:08,930 --> 00:36:06,240

he was originally from Germany and

841

00:36:11,510 --> 00:36:08,940

Robert Bigelow had him translate German

842

00:36:13,670 --> 00:36:11,520

submarine messages accounting for an

843

00:36:16,550 --> 00:36:13,680

anomalous expedition to Antarctica

844

00:36:19,210 --> 00:36:16,560

looking into odd things can you

845

00:36:23,270 --> 00:36:19,220

elaborate on that what odd things

846

00:36:26,690 --> 00:36:23,280

yes this is very strange

847

00:36:28,370 --> 00:36:26,700

at first he thought why am I reading

848

00:36:31,190 --> 00:36:28,380

through

849

00:36:35,329 --> 00:36:31,200

all these Pages translating something

850

00:36:37,250 --> 00:36:35,339

that seems monotonous and

851
00:36:39,230 --> 00:36:37,260
has no meaning

852
00:36:42,710 --> 00:36:39,240
and

853
00:36:44,630 --> 00:36:42,720
what he found was this was an event that

854
00:36:46,490 --> 00:36:44,640
took place

855
00:36:49,970 --> 00:36:46,500
and

856
00:36:51,650 --> 00:36:49,980
it may have been UFO related I'm not

857
00:36:54,170 --> 00:36:51,660
sure and it may have something to do

858
00:36:56,930 --> 00:36:54,180
with the hollow Earth and that's kind of

859
00:37:00,290 --> 00:36:56,940
what I gathered from our conversation

860
00:37:03,530 --> 00:37:00,300
there were instances in the accounts

861
00:37:05,569 --> 00:37:03,540
where the submarine was

862
00:37:07,790 --> 00:37:05,579
running deep

863
00:37:11,510 --> 00:37:07,800

finding things that were out of this

864

00:37:15,349 --> 00:37:11,520

world and engaging with things that were

865

00:37:16,970 --> 00:37:15,359

again not the usual so even though I

866

00:37:20,750 --> 00:37:16,980

didn't get an exact

867

00:37:23,089 --> 00:37:20,760

answer I believe it was UFO related and

868

00:37:24,530 --> 00:37:23,099

possibly having to do with Hollow Earth

869

00:37:27,010 --> 00:37:24,540

hmm

870

00:37:29,750 --> 00:37:27,020

well what was like the most revealing

871

00:37:32,329 --> 00:37:29,760

aspect of what he told you because we've

872

00:37:34,250 --> 00:37:32,339

heard that the Germans were looking in

873

00:37:36,770 --> 00:37:34,260

Antarctica we've heard that they were

874

00:37:38,930 --> 00:37:36,780

interested in the hollow Earth what can

875

00:37:40,370 --> 00:37:38,940

you tell us beyond what we might already

876

00:37:44,930 --> 00:37:40,380

know

877

00:37:47,569 --> 00:37:44,940

it did have something to do with

878

00:37:50,030 --> 00:37:47,579

Foo Fighters as they were known

879

00:37:55,069 --> 00:37:50,040

and

880

00:38:01,490 --> 00:37:59,930

not quite attacking the submarine but

881

00:38:03,349 --> 00:38:01,500

and I'm sure that this stuff is

882

00:38:04,430 --> 00:38:03,359

confidential I just don't know to what

883

00:38:05,690 --> 00:38:04,440

end

884

00:38:08,510 --> 00:38:05,700

but

885

00:38:11,030 --> 00:38:08,520

they were investigating

886

00:38:12,530 --> 00:38:11,040

something in the area that was near

887

00:38:16,609 --> 00:38:12,540

South America

888

00:38:19,490 --> 00:38:16,619

there were events taking place which

889

00:38:23,270 --> 00:38:19,500

had to do with UFOs

890

00:38:26,450 --> 00:38:23,280

and apparently the information gathered

891

00:38:29,349 --> 00:38:26,460

was very important to Robert Bigelow so

892

00:38:32,690 --> 00:38:29,359

much in fact that he had him translate

893

00:38:34,730 --> 00:38:32,700

this entire

894

00:38:39,410 --> 00:38:34,740

paperwork that came with the submarine

895

00:38:41,930 --> 00:38:39,420

so it was a very detailed very much

896

00:38:43,790 --> 00:38:41,940

quite the process to go through it all a

897

00:38:45,950 --> 00:38:43,800

lot of detail in the story

898

00:38:48,230 --> 00:38:45,960

but where it was leading was that there

899

00:38:51,349 --> 00:38:48,240

was some sort of

900

00:38:54,230 --> 00:38:51,359

interaction as we sometimes in this

901
00:38:56,810 --> 00:38:54,240
country believe there is interaction

902
00:38:59,750 --> 00:38:56,820
of sorts between governments or

903
00:39:02,810 --> 00:38:59,760
collusion between governments and UFOs

904
00:39:05,329 --> 00:39:02,820
that conspiracy that governments and

905
00:39:07,970 --> 00:39:05,339
these others are working together

906
00:39:10,250 --> 00:39:07,980
and this stuff's always kind of held in

907
00:39:11,990 --> 00:39:10,260
these black vaults cover-ups

908
00:39:14,089 --> 00:39:12,000
controversies

909
00:39:16,550 --> 00:39:14,099
and it's difficult to know how much of

910
00:39:18,050 --> 00:39:16,560
it is accurate and how much isn't

911
00:39:21,109 --> 00:39:18,060
mm-hmm

912
00:39:23,089 --> 00:39:21,119
well fair enough and you know of course

913
00:39:25,910 --> 00:39:23,099

our interactions originally started with

914

00:39:28,550 --> 00:39:25,920

the THC plus Forum post you made

915

00:39:31,190 --> 00:39:28,560

offering up an NDA free Skinwalker show

916

00:39:32,870 --> 00:39:31,200

and then you showed me images of a

917

00:39:34,550 --> 00:39:32,880

portal that was pretty compelling and

918

00:39:37,370 --> 00:39:34,560

funny enough after the Trey Hudson

919

00:39:40,250 --> 00:39:37,380

interview the researcher he mentioned

920

00:39:42,170 --> 00:39:40,260

from turkey that uh I had meant that

921

00:39:44,750 --> 00:39:42,180

came out in the interview that reached

922

00:39:46,790 --> 00:39:44,760

out to him actually popped up in the

923

00:39:48,290 --> 00:39:46,800

plus form as well offering to answer

924

00:39:51,890 --> 00:39:48,300

some questions so that was an

925

00:39:54,050 --> 00:39:51,900

interesting coincidence and going back

926
00:39:56,569 --> 00:39:54,060
to our last interview you had mentioned

927
00:40:00,050 --> 00:39:56,579
that you yourself did an invocation of

928
00:40:02,569 --> 00:40:00,060
Thoth out there and you told me recently

929
00:40:04,430 --> 00:40:02,579
that the Avenue that you're looking more

930
00:40:08,510 --> 00:40:04,440
at is the connection between Witchcraft

931
00:40:10,550 --> 00:40:08,520
and UFOs and you had said that

932
00:40:12,950 --> 00:40:10,560
there are similarities between

933
00:40:15,290 --> 00:40:12,960
witchcraft used for healing and cursing

934
00:40:17,870 --> 00:40:15,300
in Central America mostly Costa Rica

935
00:40:21,050 --> 00:40:17,880
where you were born and the skinwalkers

936
00:40:22,670 --> 00:40:21,060
of the Unita basin and this is the

937
00:40:24,829 --> 00:40:22,680
direction a lot of people are going the

938
00:40:26,990 --> 00:40:24,839

trail seems to be much less sci-fi and

939

00:40:28,609 --> 00:40:27,000

much more metaphysical esoteric and

940

00:40:30,290 --> 00:40:28,619

occult but for people who aren't

941

00:40:32,990 --> 00:40:30,300

familiar with Central American

942

00:40:35,270 --> 00:40:33,000

witchcraft for healing and cursing what

943

00:40:36,770 --> 00:40:35,280

are the specific similarities that you

944

00:40:41,750 --> 00:40:36,780

see

945

00:40:45,890 --> 00:40:41,760

yeah there are for example

946

00:40:47,589 --> 00:40:45,900

for lack of a better word things found

947

00:40:51,410 --> 00:40:47,599

on the landscape

948

00:40:53,630 --> 00:40:51,420

and this is similar to in Costa Rica for

949

00:40:55,910 --> 00:40:53,640

example there is a

950

00:40:57,710 --> 00:40:55,920

a very long history of Witchcraft in

951
00:41:00,530 --> 00:40:57,720
fact some of the Cities

952
00:41:02,210 --> 00:41:00,540
you can't go a block without passing two

953
00:41:03,710 --> 00:41:02,220
or three it's like psychics you know two

954
00:41:05,750 --> 00:41:03,720
or three witches which people know of

955
00:41:09,349 --> 00:41:05,760
and you know they're of course the white

956
00:41:11,690 --> 00:41:09,359
witches and the dark witches which this

957
00:41:14,089 --> 00:41:11,700
will come into play shortly because you

958
00:41:17,569 --> 00:41:14,099
have the same exact thing in Native

959
00:41:20,030 --> 00:41:17,579
American cultures and

960
00:41:22,250 --> 00:41:20,040
what I find is

961
00:41:25,250 --> 00:41:22,260
at times you'll visit the property and

962
00:41:27,950 --> 00:41:25,260
come across gifts is what

963
00:41:32,329 --> 00:41:27,960

I like to call them but things that

964

00:41:35,089 --> 00:41:32,339

offerings offerings yes great yes

965

00:41:38,089 --> 00:41:35,099

offerings that should not be there and

966

00:41:39,829 --> 00:41:38,099

seem to be created just for you and

967

00:41:43,069 --> 00:41:39,839

other times you will have things taken

968

00:41:44,450 --> 00:41:43,079

you will literally have an object a

969

00:41:48,589 --> 00:41:44,460

personal

970

00:41:50,750 --> 00:41:48,599

object of yours taken I recently bought

971

00:41:53,210 --> 00:41:50,760

I hate buying new electronics I had

972

00:41:56,569 --> 00:41:53,220

bought the new iPhone I went up to the

973

00:41:59,930 --> 00:41:56,579

property and the thing disappears and I

974

00:42:02,210 --> 00:41:59,940

to not go too off topic I start trying

975

00:42:05,450 --> 00:42:02,220

to Ping the device with my other Apple

976
00:42:07,910 --> 00:42:05,460
products and it's pinging in completely

977
00:42:09,829 --> 00:42:07,920
different counties each time I do it

978
00:42:11,630 --> 00:42:09,839
bouncing around

979
00:42:15,589 --> 00:42:11,640
and then

980
00:42:18,470 --> 00:42:15,599
we hear it literally at the bottom of a

981
00:42:20,810 --> 00:42:18,480
backpack in the vehicle now this is

982
00:42:23,810 --> 00:42:20,820
impossible because we had the phone with

983
00:42:26,630 --> 00:42:23,820
us the entire evening we hadn't gone

984
00:42:29,150 --> 00:42:26,640
into the vehicle it was morning and we

985
00:42:31,490 --> 00:42:29,160
were in the cabin and I had I had the

986
00:42:34,849 --> 00:42:31,500
phone right next to me so obviously

987
00:42:36,410 --> 00:42:34,859
impossible and paranormal but the fact

988
00:42:38,569 --> 00:42:36,420

that it was pinging in different

989

00:42:40,430 --> 00:42:38,579

counties made me wonder is this actually

990

00:42:41,450 --> 00:42:40,440

dimensional like it didn't know where to

991

00:42:44,089 --> 00:42:41,460

put it

992

00:42:45,349 --> 00:42:44,099

but we did find the phone eventually in

993

00:42:47,450 --> 00:42:45,359

the car at the bottom of a backpack

994

00:42:49,730 --> 00:42:47,460

where it couldn't have been but it will

995

00:42:51,530 --> 00:42:49,740

take things from you and if you're not

996

00:42:54,170 --> 00:42:51,540

able to Ping these devices you'll

997

00:42:56,510 --> 00:42:54,180

probably never find them an interesting

998

00:42:58,370 --> 00:42:56,520

story with this particular phone

999

00:42:59,870 --> 00:42:58,380

is I should have learned my lesson but

1000

00:43:01,309 --> 00:42:59,880

that morning I decided to go out and

1001
00:43:04,790 --> 00:43:01,319
take some pictures by this little

1002
00:43:07,910 --> 00:43:04,800
Waterway we call Cryptid Creek and I was

1003
00:43:10,730 --> 00:43:07,920
walking and I felt as if something just

1004
00:43:12,710 --> 00:43:10,740
grabbed or pushed the phone out of my

1005
00:43:14,630 --> 00:43:12,720
hand it went in the water obviously done

1006
00:43:16,670 --> 00:43:14,640
deal the water was high and moving very

1007
00:43:18,410 --> 00:43:16,680
quickly

1008
00:43:19,910 --> 00:43:18,420
the phone was gone

1009
00:43:22,609 --> 00:43:19,920
well

1010
00:43:25,730 --> 00:43:22,619
fast forward a few months

1011
00:43:27,410 --> 00:43:25,740
the water level was lower I was looking

1012
00:43:30,890 --> 00:43:27,420
for the device

1013
00:43:32,329 --> 00:43:30,900

and I found the device Upstream from

1014

00:43:34,490 --> 00:43:32,339

where I lost it which again is

1015

00:43:36,829 --> 00:43:34,500

Paranormal so you'll have things taken

1016

00:43:40,490 --> 00:43:36,839

from you which witches will do in Native

1017

00:43:43,309 --> 00:43:40,500

American and Navajo witchcraft it's very

1018

00:43:45,190 --> 00:43:43,319

common to guard things such as hair

1019

00:43:49,370 --> 00:43:45,200

you'll notice

1020

00:43:51,410 --> 00:43:49,380

that many especially Elders both in

1021

00:43:53,809 --> 00:43:51,420

Hispanic cultures and in Native American

1022

00:43:54,950 --> 00:43:53,819

cultures will clean off their Combs when

1023

00:43:56,630 --> 00:43:54,960

they're done combing their hair and

1024

00:43:59,089 --> 00:43:56,640

throw it in the garbage they won't leave

1025

00:44:02,750 --> 00:43:59,099

it strand of hair in their comb when

1026
00:44:05,870 --> 00:44:02,760
they put it back because if someone with

1027
00:44:07,910 --> 00:44:05,880
dark Adept tendencies

1028
00:44:10,130 --> 00:44:07,920
breaks into your house and they're able

1029
00:44:14,030 --> 00:44:10,140
to gather so much as a strand of hair

1030
00:44:16,010 --> 00:44:14,040
they have sort of a screenshot of you

1031
00:44:19,670 --> 00:44:16,020
they have a piece of you quite literally

1032
00:44:22,849 --> 00:44:19,680
that they can then work with and related

1033
00:44:25,430 --> 00:44:22,859
phenomena can build upon that so

1034
00:44:27,530 --> 00:44:25,440
there's a lot of different examples of

1035
00:44:28,730 --> 00:44:27,540
that but that's just a quick and kind of

1036
00:44:32,510 --> 00:44:28,740
Cliff Notes

1037
00:44:36,349 --> 00:44:32,520
way to explain it right on right on

1038
00:44:39,829 --> 00:44:36,359

well man we had planned to talk more

1039

00:44:41,270 --> 00:44:39,839

about PB Randolph and let that be the

1040

00:44:43,430 --> 00:44:41,280

bulk of the show but even just getting

1041

00:44:45,170 --> 00:44:43,440

some updates on Skinwalker Ranch has

1042

00:44:47,930 --> 00:44:45,180

taken almost the full hour but let's

1043

00:44:51,109 --> 00:44:47,940

squeeze in some PB Randolph here so if

1044

00:44:53,630 --> 00:44:51,119

we follow along the occult lead laid out

1045

00:44:56,089 --> 00:44:53,640

you mentioned to me a deep study of this

1046

00:44:58,390 --> 00:44:56,099

guy PB Randolph who was the partial

1047

00:45:02,150 --> 00:44:58,400

basis for Doctor Strange in the Marvel

1048

00:45:04,609 --> 00:45:02,160

Universe he was the real first hashish

1049

00:45:07,010 --> 00:45:04,619

importer into the U.S and founder of the

1050

00:45:08,930 --> 00:45:07,020

oldest secret society in America he's

1051
00:45:11,630 --> 00:45:08,940
kind of lost to history because he was a

1052
00:45:13,609 --> 00:45:11,640
black man in the time of slavery and

1053
00:45:15,109 --> 00:45:13,619
that's one hell of a resume already but

1054
00:45:16,490 --> 00:45:15,119
tell us more and why this guy is

1055
00:45:21,109 --> 00:45:16,500
important

1056
00:45:23,170 --> 00:45:21,119
he had

1057
00:45:28,370 --> 00:45:23,180
so many of

1058
00:45:31,670 --> 00:45:28,380
the founding ideas and philosophies that

1059
00:45:33,349 --> 00:45:31,680
were taken by people such as HB

1060
00:45:37,010 --> 00:45:33,359
blowatsky

1061
00:45:42,349 --> 00:45:37,020
thalima uses a lot of the ideas he was a

1062
00:45:47,950 --> 00:45:44,510
interesting character he took an active

1063
00:45:50,329 --> 00:45:47,960

part in the Abolitionist Movement

1064

00:45:54,170 --> 00:45:50,339

Randolph's Enlightenment was way ahead

1065

00:45:56,030 --> 00:45:54,180

of its time apparently and in his

1066

00:45:58,670 --> 00:45:56,040

rosicrucian order

1067

00:46:01,010 --> 00:45:58,680

quote unquote the white Brotherhood he

1068

00:46:03,770 --> 00:46:01,020

included but was not limited to members

1069

00:46:05,750 --> 00:46:03,780

such as Benjamin Franklin Thomas Payne

1070

00:46:09,109 --> 00:46:05,760

Abraham Lincoln which was a personal

1071

00:46:12,050 --> 00:46:09,119

friend and these names were kept in an

1072

00:46:13,910 --> 00:46:12,060

anonymity but everybody sort of knew

1073

00:46:15,910 --> 00:46:13,920

Randolph was invited to go to New

1074

00:46:19,609 --> 00:46:15,920

Orleans with Abraham Lincoln

1075

00:46:22,089 --> 00:46:19,619

and for some sort of revitalization

1076

00:46:25,130 --> 00:46:22,099

effort of philanthropy he went

1077

00:46:27,829 --> 00:46:25,140

and was trying to get certain blacks the

1078

00:46:29,630 --> 00:46:27,839

ability to vote things like that and

1079

00:46:32,150 --> 00:46:29,640

landed him in a ton he was always

1080

00:46:35,390 --> 00:46:32,160

Landing in a whirlwind of conflict and

1081

00:46:39,349 --> 00:46:35,400

controversy but he was a physician

1082

00:46:40,970 --> 00:46:39,359

and he would use a great deal of hashish

1083

00:46:44,510 --> 00:46:40,980

and

1084

00:46:47,329 --> 00:46:44,520

basically trance work he seemed to be a

1085

00:46:49,790 --> 00:46:47,339

clairvoyant physician so

1086

00:46:52,309 --> 00:46:49,800

he had thousands of people who claimed

1087

00:46:53,930 --> 00:46:52,319

to have been healed by him he would go

1088

00:46:55,550 --> 00:46:53,940

and see him he would go into this

1089

00:46:58,130 --> 00:46:55,560

trance-like state

1090

00:47:00,950 --> 00:46:58,140

and find out what was really wrong with

1091

00:47:03,349 --> 00:47:00,960

you the way I found out about his

1092

00:47:06,250 --> 00:47:03,359

organization back east as well as others

1093

00:47:09,109 --> 00:47:06,260

is I had a conversation with Jay Parker

1094

00:47:12,170 --> 00:47:09,119

and after delving pretty deeply into

1095

00:47:13,910 --> 00:47:12,180

Satanic ritual abuse back east

1096

00:47:16,670 --> 00:47:13,920

you know Jay was telling me everywhere

1097

00:47:19,069 --> 00:47:16,680

to go what to see what to do and I

1098

00:47:21,230 --> 00:47:19,079

decided to book an air flight back East

1099

00:47:23,710 --> 00:47:21,240

to Arden Delaware the place Joe Biden

1100

00:47:26,690 --> 00:47:23,720

was raised in a place called Rose Valley

1101
00:47:29,930 --> 00:47:26,700
to investigate claims of Satanic ritual

1102
00:47:32,030 --> 00:47:29,940
abuse by the dark side of the Illuminati

1103
00:47:33,710 --> 00:47:32,040
much like in the Native American and

1104
00:47:36,829 --> 00:47:33,720
Hispanic witchcraft there's the dark

1105
00:47:39,230 --> 00:47:36,839
side and the light side apparently and I

1106
00:47:42,470 --> 00:47:39,240
was told to visit a specific dinner

1107
00:47:45,650 --> 00:47:42,480
theater at specific times and also a

1108
00:47:47,210 --> 00:47:45,660
neighborhood called royland Croft I

1109
00:47:48,829 --> 00:47:47,220
probably shouldn't even say the name of

1110
00:47:50,510 --> 00:47:48,839
the neighborhood but amongst others

1111
00:47:54,890 --> 00:47:50,520
there's some others that I won't say the

1112
00:47:59,390 --> 00:47:54,900
name of and I did this to delve into

1113
00:48:04,430 --> 00:48:02,089

evidentiary ritual sites by the

1114

00:48:05,870 --> 00:48:04,440

informants I was talking to Jay Parker

1115

00:48:08,030 --> 00:48:05,880

was one of them

1116

00:48:10,430 --> 00:48:08,040

many of these neighborhoods are said to

1117

00:48:12,530 --> 00:48:10,440

be 90 percent

1118

00:48:15,349 --> 00:48:12,540

of the people living there are said to

1119

00:48:16,309 --> 00:48:15,359

be 90 satanic and taking part in many

1120

00:48:19,670 --> 00:48:16,319

dark

1121

00:48:20,750 --> 00:48:19,680

SRA style Gatherings or Satanic ritual

1122

00:48:23,630 --> 00:48:20,760

abuse

1123

00:48:25,910 --> 00:48:23,640

usually dealing with children so I was

1124

00:48:29,089 --> 00:48:25,920

kind of you know

1125

00:48:30,770 --> 00:48:29,099

fired up about this and I wanted to get

1126
00:48:33,230 --> 00:48:30,780
out there and look you know I've always

1127
00:48:34,790 --> 00:48:33,240
been interested in other groups that do

1128
00:48:37,790 --> 00:48:34,800
this sort of thing and I wanted to see

1129
00:48:39,890 --> 00:48:37,800
if this is very real obviously the when

1130
00:48:42,950 --> 00:48:39,900
I went out there the pizzagate thing was

1131
00:48:46,010 --> 00:48:42,960
huge and pedo gate and all of that so

1132
00:48:48,950 --> 00:48:46,020
what I found was tragic

1133
00:48:51,230 --> 00:48:48,960
I now 100 believe

1134
00:48:53,630 --> 00:48:51,240
the words and claims of Jay Parker and

1135
00:48:55,430 --> 00:48:53,640
many others and to give you an idea some

1136
00:48:58,190 --> 00:48:55,440
of the things I witnessed

1137
00:49:01,069 --> 00:48:58,200
I saw children being ushered into bottom

1138
00:49:03,290 --> 00:49:01,079

levels of a dinner theater a place they

1139

00:49:06,050 --> 00:49:03,300

had no reason to be especially at the

1140

00:49:07,910 --> 00:49:06,060

time I was told to see it I saw a

1141

00:49:11,089 --> 00:49:07,920

massive ovens in the woods behind the

1142

00:49:13,490 --> 00:49:11,099

homes of Elites where the bodies are

1143

00:49:16,849 --> 00:49:13,500

said to be thrown and disposed of

1144

00:49:17,930 --> 00:49:16,859

again no reason for these massive ovens

1145

00:49:19,730 --> 00:49:17,940

to be there

1146

00:49:22,010 --> 00:49:19,740

and I was chased out of certain

1147

00:49:23,930 --> 00:49:22,020

neighborhoods just for stopping on the

1148

00:49:25,670 --> 00:49:23,940

side of the road as I was told I would

1149

00:49:29,089 --> 00:49:25,680

be I didn't believe it you know they

1150

00:49:31,069 --> 00:49:29,099

said do not stop and even though I'm in

1151

00:49:32,809 --> 00:49:31,079

the business of Real Estate

1152

00:49:34,550 --> 00:49:32,819

I'm not a big deal but I made the

1153

00:49:36,770 --> 00:49:34,560

appropriate calls I dressed

1154

00:49:39,470 --> 00:49:36,780

appropriately in a suit as well as

1155

00:49:41,930 --> 00:49:39,480

having business cards on me

1156

00:49:43,730 --> 00:49:41,940

I was not allowed to View Estates that

1157

00:49:46,609 --> 00:49:43,740

were listed for sale and some of the

1158

00:49:47,950 --> 00:49:46,619

properties in the purported hot spots of

1159

00:49:50,809 --> 00:49:47,960

satanic control

1160

00:49:53,510 --> 00:49:50,819

one angry lady came up to my vehicle

1161

00:49:56,450 --> 00:49:53,520

right as I stopped and

1162

00:49:57,470 --> 00:49:56,460

almost immediately asked who do you know

1163

00:49:59,450 --> 00:49:57,480

here

1164

00:50:01,730 --> 00:49:59,460

and when I responded explaining I was

1165

00:50:03,710 --> 00:50:01,740

just looking to buy a property I gave

1166

00:50:05,510 --> 00:50:03,720

her my business card

1167

00:50:08,089 --> 00:50:05,520

she threatened me with physical harm

1168

00:50:11,870 --> 00:50:08,099

said others would join her if I did not

1169

00:50:16,430 --> 00:50:11,880

leave immediately anyway

1170

00:50:19,069 --> 00:50:16,440

I also found workers of the good quote

1171

00:50:20,870 --> 00:50:19,079

unquote Illuminati variety and the

1172

00:50:23,930 --> 00:50:20,880

Brethren of light

1173

00:50:26,089 --> 00:50:23,940

which it's referred to so anyway I

1174

00:50:28,609 --> 00:50:26,099

digress sorry for being tangential back

1175

00:50:31,609 --> 00:50:28,619

to Randolph that's all right

1176

00:50:34,910 --> 00:50:31,619

Randolph believed that the inhabitants

1177

00:50:37,130 --> 00:50:34,920

of the Soul worlds have much to do with

1178

00:50:39,170 --> 00:50:37,140

the goings-on of the great world's

1179

00:50:41,510 --> 00:50:39,180

future so a lot like the entities we're

1180

00:50:44,270 --> 00:50:41,520

talking about in the U in the basin

1181

00:50:46,910 --> 00:50:44,280

that there was this hierarchy

1182

00:50:49,490 --> 00:50:46,920

of entities that sort of work together

1183

00:50:51,790 --> 00:50:49,500

much like the Greeks explained in their

1184

00:50:56,210 --> 00:50:51,800

mythology and that they did so

1185

00:50:58,370 --> 00:50:56,220

oftentimes by using Mortals so when you

1186

00:51:00,109 --> 00:50:58,380

have these horrible horrific things that

1187

00:51:02,150 --> 00:51:00,119

you say how could a person possibly do

1188

00:51:05,270 --> 00:51:02,160

that well it might not be a person doing

1189

00:51:07,609 --> 00:51:05,280

that it may be some of these other

1190

00:51:10,370 --> 00:51:07,619

entities working through a person to do

1191

00:51:12,650 --> 00:51:10,380

these things and the same can be said on

1192

00:51:14,450 --> 00:51:12,660

the light side so anyway Randolph

1193

00:51:16,370 --> 00:51:14,460

consciously experienced all kinds of

1194

00:51:20,089 --> 00:51:16,380

angelic Realms and hierarchies and

1195

00:51:22,490 --> 00:51:20,099

Visions he had extreme advocacy of

1196

00:51:26,390 --> 00:51:22,500

hashish as you said he was the number

1197

00:51:27,890 --> 00:51:26,400

one importer of hashish he also created

1198

00:51:30,170 --> 00:51:27,900

magic mirrors

1199

00:51:31,849 --> 00:51:30,180

and he put the tools in the hands of

1200

00:51:33,589 --> 00:51:31,859

just about anybody who wanted to

1201

00:51:37,370 --> 00:51:33,599

experience these visions and States

1202

00:51:40,670 --> 00:51:37,380

described by Sears for millennia so

1203

00:51:43,250 --> 00:51:40,680

Randolph was definitely the beginning of

1204

00:51:45,349 --> 00:51:43,260

this Foundation this old secret society

1205

00:51:49,609 --> 00:51:45,359

this Rose secretion order

1206

00:51:52,309 --> 00:51:49,619

and his occult progress had a lot to do

1207

00:51:56,150 --> 00:51:52,319

with the will not the intellect so much

1208

00:51:58,910 --> 00:51:56,160

but the will to interact with these

1209

00:52:01,309 --> 00:51:58,920

entities and to try

1210

00:52:03,589 --> 00:52:01,319

that kind of became his motto and his

1211

00:52:06,230 --> 00:52:03,599

trademark to try

1212

00:52:09,349 --> 00:52:06,240

to become your best self

1213

00:52:11,510 --> 00:52:09,359

very interesting yeah I read quite a bit

1214

00:52:13,730 --> 00:52:11,520

about him preparing for this you

1215

00:52:17,510 --> 00:52:13,740

mentioned Sex Magic he actually wrote a

1216

00:52:19,970 --> 00:52:17,520

book called Magicka sexualis and the

1217

00:52:22,730 --> 00:52:19,980

Amazon description says this book

1218

00:52:25,069 --> 00:52:22,740

explains Randolph's meticulous science

1219

00:52:27,109 --> 00:52:25,079

of sex magic practiced by the

1220

00:52:29,150 --> 00:52:27,119

Brotherhood of Eules and the Hermetic

1221

00:52:31,370 --> 00:52:29,160

Brotherhood of light beginning with

1222

00:52:33,230 --> 00:52:31,380

exercises to develop essential skills

1223

00:52:35,329 --> 00:52:33,240

the book explains the step-by-step

1224

00:52:38,329 --> 00:52:35,339

details of how to perform sex magic

1225

00:52:40,790 --> 00:52:38,339

rituals for specific results such as

1226
00:52:44,030 --> 00:52:40,800
greater strength or enhancement of the

1227
00:52:46,190 --> 00:52:44,040
senses how to charge or use a vault an

1228
00:52:48,890 --> 00:52:46,200
effigy for a specific person you want to

1229
00:52:51,049 --> 00:52:48,900
influence or protect how to enliven a

1230
00:52:53,089 --> 00:52:51,059
painting in order to influence those

1231
00:52:55,910 --> 00:52:53,099
around it and how to create magical

1232
00:52:58,670 --> 00:52:55,920
talismans with specific planetary forces

1233
00:53:00,230 --> 00:52:58,680
using what Randolph calls fluid

1234
00:53:02,630 --> 00:53:00,240
condensers

1235
00:53:04,910 --> 00:53:02,640
this work shows that true power of the

1236
00:53:07,849 --> 00:53:04,920
spirit is acquired in conjunction with

1237
00:53:10,849 --> 00:53:07,859
the power of sex affirming that sex is

1238
00:53:13,010 --> 00:53:10,859

the fundamental force in every being the

1239

00:53:15,349 --> 00:53:13,020

most powerful force in nature and the

1240

00:53:17,870 --> 00:53:15,359

most characteristic evidence of God well

1241

00:53:21,589 --> 00:53:17,880

how about that right there on Amazon for

1242

00:53:24,349 --> 00:53:21,599

anyone to see secrets in plain sight so

1243

00:53:27,710 --> 00:53:24,359

you go out there

1244

00:53:31,549 --> 00:53:27,720

and you follow Jay Parker's advice and

1245

00:53:35,290 --> 00:53:31,559

you see some things that convince you

1246

00:53:38,450 --> 00:53:35,300

that the darkness in this area is real

1247

00:53:42,290 --> 00:53:38,460

well talk to us more about the light

1248

00:53:45,290 --> 00:53:42,300

side or why that connects to PB Randolph

1249

00:53:46,970 --> 00:53:45,300

and his deep history I suppose in that

1250

00:53:48,049 --> 00:53:46,980

area

1251

00:53:51,530 --> 00:53:48,059

sure

1252

00:53:54,890 --> 00:53:51,540

yeah Randolph was by all means a

1253

00:53:56,809 --> 00:53:54,900

rosicrucian through and through and he

1254

00:53:59,990 --> 00:53:56,819

with the founding of his organization

1255

00:54:02,510 --> 00:54:00,000

the Third Temple of the rosy cross which

1256

00:54:05,569 --> 00:54:02,520

began with the initiation of like 12

1257

00:54:07,910 --> 00:54:05,579

adepts and is not only the oldest

1258

00:54:11,270 --> 00:54:07,920

Rose cross secret society in the United

1259

00:54:14,569 --> 00:54:11,280

States but it is also what is known as

1260

00:54:16,849 --> 00:54:14,579

the Brotherhood of light and I spoke to

1261

00:54:19,250 --> 00:54:16,859

the juxtaposing

1262

00:54:21,170 --> 00:54:19,260

Brethren let's say a Brethren of the

1263

00:54:22,790 --> 00:54:21,180

shadows as they're known and dark adepts

1264

00:54:24,349 --> 00:54:22,800

of Arden Delaware and Rose Valley

1265

00:54:26,870 --> 00:54:24,359

Pennsylvania

1266

00:54:29,690 --> 00:54:26,880

and these two organizations are

1267

00:54:32,930 --> 00:54:29,700

completely on the opposite spectrums

1268

00:54:36,470 --> 00:54:32,940

of this quote-unquote battle between

1269

00:54:39,410 --> 00:54:36,480

good and evil and Mark passio

1270

00:54:41,089 --> 00:54:39,420

can affirm my claims that only workers

1271

00:54:43,250 --> 00:54:41,099

of light are involved with the

1272

00:54:45,290 --> 00:54:43,260

organization in the order PB Randolph

1273

00:54:48,290 --> 00:54:45,300

started in Pennsylvania

1274

00:54:50,270 --> 00:54:48,300

now every Ying has to have sort of a

1275

00:54:52,730 --> 00:54:50,280

Yang even in the quote unquote

1276

00:54:57,109 --> 00:54:52,740

Illuminati which is sort of a catch-all

1277

00:54:59,210 --> 00:54:57,119

term for these illuminous and after my

1278

00:55:02,270 --> 00:54:59,220

trips to Rose Valley and Arden Delaware

1279

00:55:04,130 --> 00:55:02,280

to delve into this super deeply I found

1280

00:55:06,410 --> 00:55:04,140

that the darkness

1281

00:55:08,809 --> 00:55:06,420

was very real but I also found that the

1282

00:55:11,510 --> 00:55:08,819

light was very real and

1283

00:55:14,150 --> 00:55:11,520

Mark as I mentioned and myself

1284

00:55:17,510 --> 00:55:14,160

no members of this group

1285

00:55:20,270 --> 00:55:17,520

these light working illuminous and I can

1286

00:55:23,450 --> 00:55:20,280

verify that they are sort of the tip of

1287

00:55:26,990 --> 00:55:23,460

the spear fighting against the dark side

1288

00:55:29,630 --> 00:55:27,000

of the quote-unquote Illuminati and the

1289

00:55:32,630 --> 00:55:29,640

late Bill Cooper believed without a

1290

00:55:34,490 --> 00:55:32,640

doubt that this group was the most

1291

00:55:37,190 --> 00:55:34,500

powerful in the United States from a

1292

00:55:39,770 --> 00:55:37,200

magical perspective but although Bill

1293

00:55:41,750 --> 00:55:39,780

always seemed to believe that absolute

1294

00:55:45,049 --> 00:55:41,760

power corrupted absolutely I'm not

1295

00:55:48,049 --> 00:55:45,059

entirely sure it is

1296

00:55:50,150 --> 00:55:48,059

true that there would probably be no

1297

00:55:52,609 --> 00:55:50,160

escaping the eventual Blasphemous truth

1298

00:55:54,470 --> 00:55:52,619

of the Gnostic theory of the demiurge

1299

00:55:55,730 --> 00:55:54,480

eventually because that's very common

1300

00:55:58,250 --> 00:55:55,740

but again

1301

00:56:00,290 --> 00:55:58,260

as I said I'm not so sure a powerful

1302

00:56:02,150 --> 00:56:00,300

omnipotent being wouldn't be able to

1303

00:56:04,849 --> 00:56:02,160

fulfill the job description that they're

1304

00:56:06,290 --> 00:56:04,859

built for I don't know not my place to

1305

00:56:09,010 --> 00:56:06,300

say either way

1306

00:56:12,650 --> 00:56:09,020

Randolph's Rose secretion rates began in

1307

00:56:14,030 --> 00:56:12,660

1852 he began His official order with 12

1308

00:56:16,490 --> 00:56:14,040

adepts

1309

00:56:18,890 --> 00:56:16,500

with the first ground Lodge founded in

1310

00:56:22,010 --> 00:56:18,900

August of 1857 known as the August

1311

00:56:24,049 --> 00:56:22,020

fraternity and the great spiritual

1312

00:56:27,230 --> 00:56:24,059

philosophical systems that the rose

1313

00:56:29,870 --> 00:56:27,240

secretions have used ever since Germany

1314

00:56:32,569 --> 00:56:29,880

and ancient Greece and before that Egypt

1315

00:56:35,270 --> 00:56:32,579

they preach of these cataclysms that

1316

00:56:39,589 --> 00:56:35,280

destroy previous civilizations such as

1317

00:56:40,609 --> 00:56:39,599

Noah's flood and Randolph believed that

1318

00:56:46,549 --> 00:56:40,619

the

1319

00:56:48,290 --> 00:56:46,559

were one thing but he also believed it

1320

00:56:51,470 --> 00:56:48,300

was a fact that there was an oscillating

1321

00:56:53,030 --> 00:56:51,480

motion so kind of going back to the U.N

1322

00:56:55,730 --> 00:56:53,040

of base and that there were other

1323

00:56:57,549 --> 00:56:55,740

movements taking place and this living

1324

00:57:02,410 --> 00:56:57,559

being called the planet

1325

00:57:05,030 --> 00:57:02,420

and basically Randolph started something

1326
00:57:07,150 --> 00:57:05,040
he started something very interesting

1327
00:57:11,210 --> 00:57:07,160
way ahead of his time

1328
00:57:12,470 --> 00:57:11,220
he traveled all over Europe and the

1329
00:57:15,770 --> 00:57:12,480
Middle East

1330
00:57:19,430 --> 00:57:15,780
turkey searching for these adepts of

1331
00:57:22,910 --> 00:57:19,440
different magical sorts to try to gather

1332
00:57:25,609 --> 00:57:22,920
his own description of what it meant to

1333
00:57:29,270 --> 00:57:25,619
be a magician or a sorcerer

1334
00:57:31,370 --> 00:57:29,280
and he picked up a lot of masterful

1335
00:57:34,190 --> 00:57:31,380
things

1336
00:57:36,230 --> 00:57:34,200
his mom apparently married one of the

1337
00:57:37,069 --> 00:57:36,240
famous Randolph's fairly Elite for the

1338
00:57:39,049 --> 00:57:37,079

time

1339

00:57:41,510 --> 00:57:39,059

and this was a guy that sort of

1340

00:57:43,490 --> 00:57:41,520

abandoned the family PB Randolph's

1341

00:57:45,230 --> 00:57:43,500

father took no role in raising him

1342

00:57:48,890 --> 00:57:45,240

abandoned him to the streets in New York

1343

00:57:51,770 --> 00:57:48,900

so even though he kind of came from this

1344

00:57:52,970 --> 00:57:51,780

finer cloth he didn't get any of the

1345

00:57:54,470 --> 00:57:52,980

perks

1346

00:57:59,390 --> 00:57:54,480

and

1347

00:58:02,270 --> 00:57:59,400

father's death by purely Clairvoyant

1348

00:58:04,490 --> 00:58:02,280

means but as a child Randolph lost his

1349

00:58:06,890 --> 00:58:04,500

mother during the cholera epidemic of

1350

00:58:09,410 --> 00:58:06,900

1831 32

1351

00:58:12,349 --> 00:58:09,420

he would spend nights on the street

1352

00:58:14,329 --> 00:58:12,359

basically as a beggar found a place

1353

00:58:17,690 --> 00:58:14,339

called Bellevue Hospital where he was

1354

00:58:20,809 --> 00:58:17,700

taken and he spent quite a while in the

1355

00:58:24,349 --> 00:58:20,819

stone building on Manhattan Island as

1356

00:58:26,690 --> 00:58:24,359

you know a very sad youth so he had a

1357

00:58:29,809 --> 00:58:26,700

lot of pain in his life early on and I

1358

00:58:32,690 --> 00:58:29,819

think this is where he sort of kindled

1359

00:58:35,210 --> 00:58:32,700

this fire within him to go and find out

1360

00:58:39,410 --> 00:58:35,220

all of the Mysteries of the world and

1361

00:58:43,069 --> 00:58:39,420

become more than what he believed he was

1362

00:58:45,170 --> 00:58:43,079

and he was put to work really young you

1363

00:58:48,289 --> 00:58:45,180

know going door-to-door soliciting items

1364

00:58:50,329 --> 00:58:48,299

for sale he picked up kind of being a

1365

00:58:53,150 --> 00:58:50,339

master of marketing and self-promotion

1366

00:58:55,910 --> 00:58:53,160

which came pretty handy later in life

1367

00:58:57,470 --> 00:58:55,920

when he took to traveling and being in

1368

00:58:59,930 --> 00:58:57,480

the circles of these Mystics and

1369

00:59:01,250 --> 00:58:59,940

mesmerists he would go to France and

1370

00:59:05,030 --> 00:59:01,260

performed

1371

00:59:07,549 --> 00:59:05,040

before Napoleon III and even though the

1372

00:59:09,470 --> 00:59:07,559

term sex magician has a very negative

1373

00:59:11,329 --> 00:59:09,480

connotation I think mostly due to

1374

00:59:13,250 --> 00:59:11,339

Aleister Crowley's abuse of this term

1375

00:59:14,630 --> 00:59:13,260

and his quest to detach from his

1376

00:59:17,030 --> 00:59:14,640

guardian angel

1377

00:59:19,670 --> 00:59:17,040

which is a whole other story I believe

1378

00:59:22,789 --> 00:59:19,680

Randolph's medical views on sex healing

1379

00:59:25,549 --> 00:59:22,799

were sort of part of his Universal views

1380

00:59:28,130 --> 00:59:25,559

and theories of spiritualism and magic

1381

00:59:31,069 --> 00:59:28,140

of vital human energies I mean

1382

00:59:36,589 --> 00:59:31,079

realistically that's the closest

1383

00:59:39,109 --> 00:59:36,599

that people become to being a God is or

1384

00:59:42,589 --> 00:59:39,119

a Creator is to be able to create life

1385

00:59:45,410 --> 00:59:42,599

it's such a magical thing I think he saw

1386

00:59:47,990 --> 00:59:45,420

that and even though he practiced all

1387

00:59:51,589 --> 00:59:48,000

kinds of medicine and used magic

1388

00:59:54,170 --> 00:59:51,599

crystals and scrying mirrors

1389

00:59:57,710 --> 00:59:54,180

he always sort of in the background

1390

01:00:01,730 --> 00:59:57,720

believed in this energy between male and

1391

01:00:04,430 --> 01:00:01,740

female energy being able to upload

1392

01:00:07,250 --> 01:00:04,440

a higher mystical experience

1393

01:00:09,470 --> 01:00:07,260

hmm yeah I've done a couple of shows

1394

01:00:11,809 --> 01:00:09,480

recently that have pretty much convinced

1395

01:00:15,170 --> 01:00:11,819

me the big secret is

1396

01:00:17,390 --> 01:00:15,180

using the energy of sex for Magical

1397

01:00:19,190 --> 01:00:17,400

purposes and

1398

01:00:21,710 --> 01:00:19,200

just to cruise through some of the

1399

01:00:24,650 --> 01:00:21,720

things that you told me about Randolph

1400

01:00:27,289 --> 01:00:24,660

or that I learned preparing for this

1401

01:00:30,049 --> 01:00:27,299

you said Bill Cooper was convinced that

1402

01:00:32,990 --> 01:00:30,059

this Rose of Christian order founded in

1403

01:00:35,510 --> 01:00:33,000

the U.S by Randolph in 1856 was the most

1404

01:00:37,069 --> 01:00:35,520

powerful hidden group in the U.S and

1405

01:00:38,150 --> 01:00:37,079

that's kind of what sets you on your

1406

01:00:39,770 --> 01:00:38,160

Trail

1407

01:00:42,230 --> 01:00:39,780

he was married to a Native American

1408

01:00:44,270 --> 01:00:42,240

named Mary Jane some think that's where

1409

01:00:46,849 --> 01:00:44,280

the association started I liked that

1410

01:00:49,069 --> 01:00:46,859

little anecdote you said Abraham Lincoln

1411

01:00:52,190 --> 01:00:49,079

Benjamin Franklin and Thomas Paine were

1412

01:00:56,530 --> 01:00:52,200

all members and I also learned that he

1413

01:00:59,870 --> 01:00:56,540

used a cannabis preparation called

1414

01:01:02,270 --> 01:00:59,880

dawamesh aka the medicine of immortality

1415

01:01:04,430 --> 01:01:02,280

for occult powers like scrying with

1416

01:01:06,829 --> 01:01:04,440

magic mirrors and that's interesting I

1417

01:01:10,970 --> 01:01:06,839

wonder what makes up that specific

1418

01:01:12,770 --> 01:01:10,980

cannabis preparation but regardless I

1419

01:01:14,870 --> 01:01:12,780

have to squeeze this in here to the

1420

01:01:16,609 --> 01:01:14,880

first hour I can't really leave it where

1421

01:01:18,829 --> 01:01:16,619

we are because otherwise I'm just going

1422

01:01:21,349 --> 01:01:18,839

to get raked over the coals but I

1423

01:01:22,609 --> 01:01:21,359

obviously have a little skepticism when

1424

01:01:24,470 --> 01:01:22,619

you say

1425

01:01:26,569 --> 01:01:24,480

you know there's the Dark Side of things

1426

01:01:28,490 --> 01:01:26,579

and then there's the light side not that

1427

01:01:30,770 --> 01:01:28,500

I don't think that there are light

1428

01:01:34,609 --> 01:01:30,780

magicians but I just don't know how well

1429

01:01:36,349 --> 01:01:34,619

organized they are and I don't know if

1430

01:01:39,170 --> 01:01:36,359

they really have any power in today's

1431

01:01:41,930 --> 01:01:39,180

world because I would ask to see the

1432

01:01:45,049 --> 01:01:41,940

evidence of their light work because no

1433

01:01:48,289 --> 01:01:45,059

human sacrifice or child trafficking

1434

01:01:50,990 --> 01:01:48,299

seems to get exposed they don't go and

1435

01:01:53,690 --> 01:01:51,000

smash the ovens of Arden Delaware

1436

01:01:56,690 --> 01:01:53,700

corruption has run amok Society has

1437

01:01:59,329 --> 01:01:56,700

fallen apart where is the evidence of

1438

01:02:01,370 --> 01:01:59,339

light work or a counterbalance to the

1439

01:02:05,990 --> 01:02:01,380

dark side

1440

01:02:09,829 --> 01:02:06,000

that's a great question and you know

1441

01:02:12,410 --> 01:02:09,839

Randolph joined various secret societies

1442

01:02:14,450 --> 01:02:12,420

before starting his own and he came

1443

01:02:16,609 --> 01:02:14,460

across a lot of individuals in Europe

1444

01:02:18,890 --> 01:02:16,619

that at this point in time seems

1445

01:02:22,430 --> 01:02:18,900

unbelievable you know other magicians

1446

01:02:25,609 --> 01:02:22,440

it's rumored he came across ulifis Levy

1447

01:02:29,630 --> 01:02:25,619

walking the streets of Paris many many

1448

01:02:33,289 --> 01:02:29,640

rumors obviously which are too big to

1449

01:02:35,089 --> 01:02:33,299

imagine aside from very you know little

1450

01:02:37,730 --> 01:02:35,099

proof of this we have many verbal

1451

01:02:40,609 --> 01:02:37,740

accounts of him meeting these people

1452

01:02:42,109 --> 01:02:40,619

kind of secretive in themselves because

1453

01:02:44,270 --> 01:02:42,119

a lot of these orders were not really

1454

01:02:46,789 --> 01:02:44,280

readily accepted at the time

1455

01:02:48,829 --> 01:02:46,799

and one thing that isn't a secret is the

1456

01:02:51,230 --> 01:02:48,839

fact that Randolph gave performances and

1457

01:02:53,690 --> 01:02:51,240

never disappointed so he would do these

1458

01:02:55,309 --> 01:02:53,700

exhibitions these public affairs

1459

01:02:56,630 --> 01:02:55,319

sometimes they were performed in private

1460

01:02:59,450 --> 01:02:56,640

residences

1461

01:03:01,490 --> 01:02:59,460

people would claim to see multitudes of

1462

01:03:02,630 --> 01:03:01,500

lights around him and he would often

1463

01:03:04,970 --> 01:03:02,640

produce

1464

01:03:07,130 --> 01:03:04,980

credible materializations and sometimes

1465

01:03:09,589 --> 01:03:07,140

human forms different Misty forms

1466

01:03:11,630 --> 01:03:09,599

walking the audience streaks of light

1467

01:03:14,390 --> 01:03:11,640

and many other spectacles that could not

1468

01:03:16,730 --> 01:03:14,400

be explained but no one ever got this

1469

01:03:19,190 --> 01:03:16,740

dark feeling about it and on his travels

1470

01:03:22,910 --> 01:03:19,200

he visited many countries obviously in

1471

01:03:25,430 --> 01:03:22,920

order to create this mastership of this

1472

01:03:26,870 --> 01:03:25,440

magical craft

1473

01:03:29,990 --> 01:03:26,880

one

1474

01:03:31,730 --> 01:03:30,000

path that is interesting is there's the

1475

01:03:34,130 --> 01:03:31,740

left-hand path that many magicians and

1476

01:03:36,470 --> 01:03:34,140

people looking into this come across and

1477

01:03:38,450 --> 01:03:36,480

So my answer to that is if there is a

1478

01:03:41,870 --> 01:03:38,460

left hand path then there obviously must

1479

01:03:43,670 --> 01:03:41,880

be a right hand path and I'm glad that

1480

01:03:46,849 --> 01:03:43,680

you mentioned the

1481

01:03:49,130 --> 01:03:46,859

don't mesh which is you know that

1482

01:03:52,010 --> 01:03:49,140

medicine of immortality

1483

01:03:54,470 --> 01:03:52,020

which is primarily hashish

1484

01:03:57,410 --> 01:03:54,480

hashish was highly regarded by Randolph

1485

01:04:01,370 --> 01:03:57,420

and he wrote that hashish perfectly

1486

01:04:04,370 --> 01:04:01,380

illuminated him but the lucidity

1487

01:04:06,410 --> 01:04:04,380

with the high for example infinitely

1488

01:04:08,510 --> 01:04:06,420

exceeded anything he'd ever known before

1489

01:04:11,329 --> 01:04:08,520

even in trance state with no loss of

1490

01:04:13,970 --> 01:04:11,339

will or self-consciousness so I think he

1491

01:04:16,609 --> 01:04:13,980

utilized that and I happen to know the

1492

01:04:19,069 --> 01:04:16,619

magical recipe you asked for and that

1493

01:04:21,349 --> 01:04:19,079

magical recipe for this

1494

01:04:24,230 --> 01:04:21,359

Don't Mess which is translated from

1495

01:04:27,549 --> 01:04:24,240

Arabic into the medicine of immortality

1496

01:04:31,910 --> 01:04:27,559

it's 300 grams of hashish

1497

01:04:36,410 --> 01:04:31,920

250 grams of opium 50 grams of henbane

1498

01:04:39,650 --> 01:04:36,420

and 20 grams of Belladonna but

1499

01:04:41,569 --> 01:04:39,660

I digress the big thing is Randolph said

1500

01:04:44,089 --> 01:04:41,579

he had been searching for years to find

1501

01:04:46,430 --> 01:04:44,099

what he called the real secret of the

1502

01:04:49,370 --> 01:04:46,440

wisdom tradition so Alchemists

1503

01:04:54,010 --> 01:04:49,380

hermeticists Mystics the Illuminati

1504

01:04:58,910 --> 01:04:54,020

quote unquote of all ages had basically

1505

01:05:00,950 --> 01:04:58,920

used hashish or any of its family to

1506

01:05:03,170 --> 01:05:00,960

liberate the imagination

1507

01:05:06,049 --> 01:05:03,180

while reaching for what they called the

1508

01:05:08,930 --> 01:05:06,059

Philosopher's Stone and Randolph was

1509

01:05:11,390 --> 01:05:08,940

enthusiastic and believed

1510

01:05:14,390 --> 01:05:11,400

this was part of the tree of life and

1511

01:05:17,450 --> 01:05:14,400

was a proponent of hashishus and the

1512

01:05:20,030 --> 01:05:17,460

largest importer not only before the

1513

01:05:22,430 --> 01:05:20,040

Civil War but I think in that book you

1514

01:05:25,270 --> 01:05:22,440

quoted Mahia sekswalis

1515

01:05:28,069 --> 01:05:25,280

which was written with Maria neglauska

1516

01:05:30,349 --> 01:05:28,079

he gives this formula and this recipe

1517

01:05:32,990 --> 01:05:30,359

for this ointment that you mentioned to

1518

01:05:36,890 --> 01:05:33,000

produce Visions to use with magic

1519

01:05:39,609 --> 01:05:36,900

scrying mirrors and he believed that

1520

01:05:41,809 --> 01:05:39,619

this was sort of the key to unlock

1521

01:05:44,750 --> 01:05:41,819

Consciousness and put it in a realm

1522

01:05:46,130 --> 01:05:44,760

where it could more easily connect

1523

01:05:49,730 --> 01:05:46,140

hmm

1524

01:05:52,130 --> 01:05:49,740

I love it very impressive that you knew

1525

01:05:54,770 --> 01:05:52,140

the recipe off the top of your head but

1526

01:05:57,410 --> 01:05:54,780

this has been a lot of fun it was great

1527

01:05:58,910 --> 01:05:57,420

talking to you again this is probably

1528

01:06:01,190 --> 01:05:58,920

really interesting to long time

1529

01:06:03,470 --> 01:06:01,200

listeners who got several unexpected

1530

01:06:05,510 --> 01:06:03,480

updates on the work of previous guests

1531

01:06:07,789 --> 01:06:05,520

and I appreciate that give the people

1532

01:06:09,829 --> 01:06:07,799

your links and if you have any new

1533

01:06:10,670 --> 01:06:09,839

avenues of study in the future let us

1534

01:06:13,190 --> 01:06:10,680

know what you're going to be looking

1535

01:06:16,730 --> 01:06:13,200

into you bet thanks for having me on

1536

01:06:19,849 --> 01:06:16,740

Greg I'm pretty easy to find here

1537

01:06:22,910 --> 01:06:19,859

paranormal is my podcast a very small

1538

01:06:25,250 --> 01:06:22,920

podcast just things that interest me you

1539

01:06:27,410 --> 01:06:25,260

can find that at heroparanormal.com or

1540

01:06:29,450 --> 01:06:27,420

hero paranormal on YouTube as long as

1541

01:06:31,670 --> 01:06:29,460

they allow me to be there which seems

1542

01:06:35,029 --> 01:06:31,680

like that's getting walking on thin ice

1543

01:06:38,049 --> 01:06:35,039

there and you can also check on the base

1544

01:06:40,370 --> 01:06:38,059

camp space Wolf research that's at

1545

01:06:42,529 --> 01:06:40,380

spacewolfresearch.com you can also

1546

01:06:44,990 --> 01:06:42,539

follow both of those on social media

1547

01:06:46,390 --> 01:06:45,000

they're on Facebook

1548

01:06:49,910 --> 01:06:46,400

Etc Instagram

1549

01:06:52,069 --> 01:06:49,920

and I think uh yeah that's about it

1550

01:06:54,710 --> 01:06:52,079

awesome well you are one of the good

1551
01:06:58,910 --> 01:06:54,720
ones man keep digging and take care

1552
01:07:03,650 --> 01:07:01,430
and boom goes the dynamite kicking off

1553
01:07:06,289 --> 01:07:03,660
December with a trip back to the old

1554
01:07:07,670 --> 01:07:06,299
skin walker ranch with exactly the right

1555
01:07:10,549 --> 01:07:07,680
guy to do it

1556
01:07:13,430 --> 01:07:10,559
as I mentioned Ryan and I have kind of

1557
01:07:16,730 --> 01:07:13,440
stayed in touch from time to time and he

1558
01:07:18,829 --> 01:07:16,740
sent over leads on a few people that did

1559
01:07:21,770 --> 01:07:18,839
become THC guests

1560
01:07:24,770 --> 01:07:21,780
of them I think Ryan Musgrave Evans

1561
01:07:27,190 --> 01:07:24,780
talking about these beans being crypto

1562
01:07:30,049 --> 01:07:27,200
terrestrials with high technology

1563
01:07:32,750 --> 01:07:30,059

managing the ancient Earth farm and

1564

01:07:34,910 --> 01:07:32,760

their free range cornfed human livestock

1565

01:07:37,549 --> 01:07:34,920

was my favorite

1566

01:07:39,829 --> 01:07:37,559

his book children of Orion was a good

1567

01:07:41,990 --> 01:07:39,839

read with some very unique takes in a

1568

01:07:44,990 --> 01:07:42,000

crowded space of yeah we've heard that

1569

01:07:46,849 --> 01:07:45,000

before so I appreciated it a lot

1570

01:07:48,230 --> 01:07:46,859

add in the fact that when I would ask

1571

01:07:50,990 --> 01:07:48,240

him well how could you know such

1572

01:07:52,970 --> 01:07:51,000

detailed stuff his reply is well they

1573

01:07:56,809 --> 01:07:52,980

come to me I have my own experiences

1574

01:07:59,029 --> 01:07:56,819

with them I am a contactee I thought it

1575

01:08:00,829 --> 01:07:59,039

became even more compelling

1576

01:08:02,809 --> 01:08:00,839

but then there were also a few people

1577

01:08:04,750 --> 01:08:02,819

that Ryan had interviewed on here

1578

01:08:07,430 --> 01:08:04,760

paranormal that I thought well

1579

01:08:10,190 --> 01:08:07,440

interesting but maybe we don't do a full

1580

01:08:12,349 --> 01:08:10,200

two hours with each of them instead

1581

01:08:14,569 --> 01:08:12,359

maybe I just get Ryan back and we talk

1582

01:08:16,729 --> 01:08:14,579

about them in an interview with him

1583

01:08:19,729 --> 01:08:16,739

along with some updates from the

1584

01:08:21,650 --> 01:08:19,739

property and his latest thoughts on what

1585

01:08:24,110 --> 01:08:21,660

we might be calling the skinwalker

1586

01:08:26,090 --> 01:08:24,120

trickster now I know there's a lot of

1587

01:08:28,189 --> 01:08:26,100

conversation about it it is a weird

1588

01:08:30,530 --> 01:08:28,199

place no doubt

1589

01:08:33,349 --> 01:08:30,540

if you have gotten a chance to pick up

1590

01:08:34,390 --> 01:08:33,359

Dr Greg Little's last book with Andrew

1591

01:08:37,370 --> 01:08:34,400

Collins

1592

01:08:39,709 --> 01:08:37,380

origins of the Gods there is

1593

01:08:41,930 --> 01:08:39,719

a photo in there in Andrew Collins

1594

01:08:44,870 --> 01:08:41,940

section that he took himself at

1595

01:08:46,970 --> 01:08:44,880

Skinwalker Ranch of something in the sky

1596

01:08:49,729 --> 01:08:46,980

and it's compelling and I do believe

1597

01:08:52,309 --> 01:08:49,739

that there's enough going on there that

1598

01:08:55,370 --> 01:08:52,319

a researcher could go out for a week and

1599

01:08:58,070 --> 01:08:55,380

capture something pretty extraordinary

1600

01:09:01,309 --> 01:08:58,080

but I did try to press Ryan a bit more

1601
01:09:02,450 --> 01:09:01,319
for details and I think he gave us some

1602
01:09:04,370 --> 01:09:02,460
good stuff

1603
01:09:06,829 --> 01:09:04,380
as I sort of mentioned we were really

1604
01:09:09,950 --> 01:09:06,839
going to focus this episode around PB

1605
01:09:12,169 --> 01:09:09,960
Randolph but we got to talking and that

1606
01:09:13,789 --> 01:09:12,179
content almost didn't make it into the

1607
01:09:16,550 --> 01:09:13,799
first hour at all

1608
01:09:18,169 --> 01:09:16,560
sometimes I think two hours is really a

1609
01:09:19,789 --> 01:09:18,179
long time it's basically a

1610
01:09:22,370 --> 01:09:19,799
feature-length movie

1611
01:09:24,829 --> 01:09:22,380
and I wonder if maybe I'm asking too

1612
01:09:27,470 --> 01:09:24,839
much of the guests or even asking too

1613
01:09:29,570 --> 01:09:27,480

much of listeners to care about one

1614

01:09:32,809 --> 01:09:29,580

interview that's two hours long

1615

01:09:35,150 --> 01:09:32,819

but then when I'm recording them I

1616

01:09:36,890 --> 01:09:35,160

usually think the time flies

1617

01:09:38,749 --> 01:09:36,900

and it's hard to believe that the vast

1618

01:09:41,570 --> 01:09:38,759

majority of listeners are only getting

1619

01:09:43,970 --> 01:09:41,580

the first hour not trying to segue right

1620

01:09:45,950 --> 01:09:43,980

into the sales pitch but days like today

1621

01:09:48,050 --> 01:09:45,960

really do feel like we were just getting

1622

01:09:50,329 --> 01:09:48,060

started 60 Minutes in

1623

01:09:52,309 --> 01:09:50,339

and we're here so I guess I'll just do

1624

01:09:55,310 --> 01:09:52,319

that part of the thing now in the second

1625

01:09:58,189 --> 01:09:55,320

hour we got into digging deeper on the

1626
01:10:00,290 --> 01:09:58,199
light workers premise of course Ryan

1627
01:10:02,270 --> 01:10:00,300
said if there's a left-hand path then

1628
01:10:04,850 --> 01:10:02,280
there must be a right hand path and I

1629
01:10:07,010 --> 01:10:04,860
don't disagree that there is a path I'm

1630
01:10:10,070 --> 01:10:07,020
just not convinced there are very many

1631
01:10:12,169 --> 01:10:10,080
organized groups walking it when it

1632
01:10:15,709 --> 01:10:12,179
comes to something like the white hats

1633
01:10:17,870 --> 01:10:15,719
or a secret society that's keeping the

1634
01:10:19,850 --> 01:10:17,880
bad guys from destroying the world

1635
01:10:22,790 --> 01:10:19,860
obviously I know there are positive

1636
01:10:24,050 --> 01:10:22,800
applications of magic we talk about it

1637
01:10:27,350 --> 01:10:24,060
all the time

1638
01:10:28,729 --> 01:10:27,360

but when it comes to light workers my

1639

01:10:31,850 --> 01:10:28,739

thought is just that maybe they aren't

1640

01:10:33,890 --> 01:10:31,860

so organized I think of them as more of

1641

01:10:36,830 --> 01:10:33,900

a decentralized network of people

1642

01:10:38,450 --> 01:10:36,840

working on their own energy Fields the

1643

01:10:39,470 --> 01:10:38,460

Frodo Baggins thing that Gordon would

1644

01:10:42,229 --> 01:10:39,480

talk about

1645

01:10:44,570 --> 01:10:42,239

just making the most positive ripples in

1646

01:10:47,930 --> 01:10:44,580

the world and even simple things can end

1647

01:10:51,050 --> 01:10:47,940

up having like this Butterfly Effect

1648

01:10:53,330 --> 01:10:51,060

that amplifies more positivity into the

1649

01:10:55,729 --> 01:10:53,340

world and that makes it harder for the

1650

01:10:57,770 --> 01:10:55,739

Capstone cabal to do its job

1651
01:11:01,130 --> 01:10:57,780
but Ryan made some interesting points

1652
01:11:03,169 --> 01:11:01,140
about potentially high-level people who

1653
01:11:07,209 --> 01:11:03,179
seem like they might be bad guys on the

1654
01:11:10,250 --> 01:11:07,219
surface but in secret might be actually

1655
01:11:12,290 --> 01:11:10,260
pumping the brakes on Elite agendas in

1656
01:11:14,930 --> 01:11:12,300
some way in their own way you know we've

1657
01:11:18,649 --> 01:11:14,940
seen that character type in certain

1658
01:11:20,870 --> 01:11:18,659
films where they seem like a soldier or

1659
01:11:22,070 --> 01:11:20,880
a good lieutenant and then they just

1660
01:11:24,709 --> 01:11:22,080
turn

1661
01:11:26,810 --> 01:11:24,719
at the right time and they help the hero

1662
01:11:28,010 --> 01:11:26,820
and the hero really needed a person in

1663
01:11:29,990 --> 01:11:28,020

that position

1664

01:11:31,669 --> 01:11:30,000

and I think that's an archetype that

1665

01:11:34,189 --> 01:11:31,679

isn't just from Hollywood I think it

1666

01:11:36,290 --> 01:11:34,199

exists in the real world even when

1667

01:11:38,030 --> 01:11:36,300

people just have a crisis of

1668

01:11:39,530 --> 01:11:38,040

Consciousness in a particular moment

1669

01:11:41,330 --> 01:11:39,540

maybe they didn't even wake up thinking

1670

01:11:44,030 --> 01:11:41,340

they were going to help a good guy

1671

01:11:46,850 --> 01:11:44,040

I just think the universe kind of breaks

1672

01:11:48,830 --> 01:11:46,860

good and sometimes people even bad

1673

01:11:50,630 --> 01:11:48,840

people are inspired to goodness in

1674

01:11:53,030 --> 01:11:50,640

moments and you never really know what's

1675

01:11:56,330 --> 01:11:53,040

in someone's heart either

1676

01:12:00,290 --> 01:11:56,340

and all that said I do just kind of

1677

01:12:04,729 --> 01:12:00,300

wince when we talk about an organized

1678

01:12:06,410 --> 01:12:04,739

Shadow group that is working against the

1679

01:12:09,770 --> 01:12:06,420

elite it's just one of those savior

1680

01:12:12,050 --> 01:12:09,780

motifs that I would rather avoid

1681

01:12:14,030 --> 01:12:12,060

because I just don't know I guess

1682

01:12:17,270 --> 01:12:14,040

and that part was interesting but we

1683

01:12:20,450 --> 01:12:17,280

also got into screen mirrors sacrifice

1684

01:12:21,530 --> 01:12:20,460

and the skinwalker entity space as an

1685

01:12:23,810 --> 01:12:21,540

altar

1686

01:12:25,130 --> 01:12:23,820

some other researchers that Ryan has

1687

01:12:27,290 --> 01:12:25,140

interviewed who have connected

1688

01:12:29,270 --> 01:12:27,300

Skinwalker Ranch to the hollow Earth you

1689

01:12:31,189 --> 01:12:29,280

know I like that and then probably the

1690

01:12:33,410 --> 01:12:31,199

most compelling thing we talked about

1691

01:12:34,850 --> 01:12:33,420

was the blue dirt it's kind of like the

1692

01:12:38,149 --> 01:12:34,860

black goo but it's a whole different

1693

01:12:39,950 --> 01:12:38,159

thing and maybe it activates ships and

1694

01:12:41,810 --> 01:12:39,960

maybe there's some alchemy involved but

1695

01:12:44,810 --> 01:12:41,820

the blue dirt was

1696

01:12:47,330 --> 01:12:44,820

something I've yet to hear anywhere else

1697

01:12:49,370 --> 01:12:47,340

Ryan also gave us another

1698

01:12:52,430 --> 01:12:49,380

example of where we might have seen

1699

01:12:55,070 --> 01:12:52,440

Robert guffey's camellio Tech

1700

01:12:58,729 --> 01:12:55,080

and we talked about the prospect of

1701

01:13:00,830 --> 01:12:58,739

weaponizing paranormal phenomenon or the

1702

01:13:02,870 --> 01:13:00,840

effects of some of those things

1703

01:13:05,810 --> 01:13:02,880

we talked about Ryan's thoughts on

1704

01:13:06,770 --> 01:13:05,820

Brandon Fogel Fogle foogel Fogle I don't

1705

01:13:09,770 --> 01:13:06,780

know

1706

01:13:11,510 --> 01:13:09,780

to name I read quite often

1707

01:13:13,729 --> 01:13:11,520

but I haven't seen the show or anything

1708

01:13:16,430 --> 01:13:13,739

so I don't really hear it said but

1709

01:13:19,130 --> 01:13:16,440

Ryan's thoughts on this Brandon Fogel

1710

01:13:21,050 --> 01:13:19,140

guy and the skinwalker show was a part

1711

01:13:23,090 --> 01:13:21,060

of the plus episode

1712

01:13:25,850 --> 01:13:23,100

then we got into a weird tangent about

1713

01:13:28,370 --> 01:13:25,860

crispr the CIA and the woolly mammoth

1714

01:13:30,110 --> 01:13:28,380

and a little story about remote viewing

1715

01:13:32,209 --> 01:13:30,120

Amelia Earhart

1716

01:13:34,550 --> 01:13:32,219

and spoiler alert for the free listeners

1717

01:13:36,290 --> 01:13:34,560

but apparently she was some sort of spy

1718

01:13:38,630 --> 01:13:36,300

according to these remote viewing

1719

01:13:41,030 --> 01:13:38,640

sessions and it just makes me think

1720

01:13:44,630 --> 01:13:41,040

about how we have these people

1721

01:13:46,790 --> 01:13:44,640

whose names match their stories a little

1722

01:13:49,189 --> 01:13:46,800

too well like Bernie Madoff making off

1723

01:13:52,510 --> 01:13:49,199

with everybody's money Stephen Paddock

1724

01:13:55,010 --> 01:13:52,520

shooting a bunch of people who were in a

1725

01:13:57,470 --> 01:13:55,020

paddock-like situation

1726

01:13:59,930 --> 01:13:57,480

Sam bankman freed who seems like this

1727

01:14:02,030 --> 01:13:59,940

Patsy was placed at FTX when it

1728

01:14:04,669 --> 01:14:02,040

collapsed to be the Fall Guy and then

1729

01:14:08,510 --> 01:14:04,679

you have this potential spy Amelia

1730

01:14:10,970 --> 01:14:08,520

Earhart who goes missing in the air

1731

01:14:13,790 --> 01:14:10,980

now if a lot of these people were spies

1732

01:14:15,649 --> 01:14:13,800

or Patsy's or connected in some way

1733

01:14:18,290 --> 01:14:15,659

you'd expect them to not be using the

1734

01:14:20,990 --> 01:14:18,300

real name and then hence the name

1735

01:14:23,630 --> 01:14:21,000

actually has something with their

1736

01:14:26,390 --> 01:14:23,640

mission or task it's it's an odd world

1737

01:14:28,490 --> 01:14:26,400

you know but the plush show had a lot to

1738

01:14:30,770 --> 01:14:28,500

like do yourself a favor if you're

1739

01:14:33,530 --> 01:14:30,780

listening to THC just get the full

1740

01:14:35,810 --> 01:14:33,540

episode start with the seven day free

1741

01:14:37,910 --> 01:14:35,820

trial plug the RSS feed right into

1742

01:14:41,270 --> 01:14:37,920

whatever app you use to listen and get

1743

01:14:43,130 --> 01:14:41,280

in the game we keep it ad in sponsorship

1744

01:14:45,709 --> 01:14:43,140

free for a reason

1745

01:14:47,270 --> 01:14:45,719

a man's got to make money but I think I

1746

01:14:49,970 --> 01:14:47,280

want to do this for the people who

1747

01:14:52,689 --> 01:14:49,980

appreciate it and get my income that way

1748

01:14:56,390 --> 01:14:52,699

have you heard about this

1749

01:14:57,830 --> 01:14:56,400

established titles scandal it's all the

1750

01:14:59,870 --> 01:14:57,840

rage for the people who do listen to

1751

01:15:03,169 --> 01:14:59,880

other podcasts not to go on a huge

1752

01:15:05,870 --> 01:15:03,179

tangent but this company established

1753

01:15:08,750 --> 01:15:05,880

titles has been saying that you can buy

1754

01:15:09,890 --> 01:15:08,760

a little square plot of land in Scotland

1755

01:15:12,050 --> 01:15:09,900

and then

1756

01:15:15,530 --> 01:15:12,060

because of the Scottish custom you can

1757

01:15:16,669 --> 01:15:15,540

then use the title Lord or lady in your

1758

01:15:18,890 --> 01:15:16,679

name

1759

01:15:20,689 --> 01:15:18,900

well this company came on the scene and

1760

01:15:24,229 --> 01:15:20,699

did ads with so many different

1761

01:15:27,229 --> 01:15:24,239

podcasters Ben Shapiro Logan Paul

1762

01:15:30,229 --> 01:15:27,239

several other ones I heard this ad

1763

01:15:32,330 --> 01:15:30,239

everywhere and it turns out to be a

1764

01:15:34,490 --> 01:15:32,340

complete sham company

1765

01:15:37,970 --> 01:15:34,500

you're giving them money for a piece of

1766

01:15:39,950 --> 01:15:37,980

paper there is no land and the Scottish

1767

01:15:42,890 --> 01:15:39,960

government actually said when there was

1768

01:15:45,290 --> 01:15:42,900

inquiries that no this does not qualify

1769

01:15:46,310 --> 01:15:45,300

for our custom of being a lord or a lady

1770

01:15:48,709 --> 01:15:46,320

so

1771

01:15:51,229 --> 01:15:48,719

it's a silly company it's kind of

1772

01:15:52,970 --> 01:15:51,239

harmless but they're definitely lying

1773

01:15:55,189 --> 01:15:52,980

about what the product is and so many

1774

01:15:57,770 --> 01:15:55,199

podcasters just read the ad because who

1775

01:15:59,990 --> 01:15:57,780

cares and there might be examples that

1776

01:16:02,810 --> 01:16:00,000

aren't so innocent how many of these

1777

01:16:05,209 --> 01:16:02,820

podcasts talk about supplements or even

1778

01:16:07,130 --> 01:16:05,219

sell blue shoes yeah it's all funny

1779

01:16:10,189 --> 01:16:07,140

let's sell the dick pill because then I

1780

01:16:12,890 --> 01:16:10,199

can make a few low brow jokes about it

1781

01:16:16,790 --> 01:16:12,900

these podcasters in a lot of cases are

1782

01:16:18,890 --> 01:16:16,800

cashing in the trust you have in them to

1783

01:16:20,330 --> 01:16:18,900

sell products they don't know anything

1784

01:16:22,010 --> 01:16:20,340

about

1785

01:16:23,870 --> 01:16:22,020

and I hope they're proud of themselves

1786

01:16:26,330 --> 01:16:23,880

but we're going to see more and more of

1787

01:16:28,490 --> 01:16:26,340

that kind of thing as time goes on and I

1788

01:16:30,709 --> 01:16:28,500

am just happy to

1789

01:16:32,750 --> 01:16:30,719

have never gone down that road I get

1790

01:16:34,669 --> 01:16:32,760

offers all the time hey based on your

1791

01:16:37,430 --> 01:16:34,679

listenership we think you could make x

1792

01:16:39,229 --> 01:16:37,440

amount by promoting this product it's

1793

01:16:41,209 --> 01:16:39,239

like I don't do that

1794

01:16:43,010 --> 01:16:41,219

you know some people cast a lot of shade

1795

01:16:44,870 --> 01:16:43,020

about oh this guy he's just trying to

1796

01:16:47,030 --> 01:16:44,880

make money he puts half of his content

1797

01:16:48,890 --> 01:16:47,040

behind a paywall but I think it's better

1798

01:16:51,169 --> 01:16:48,900

than the alternative and we all have to

1799

01:16:53,270 --> 01:16:51,179

have a job of some kind so this is my

1800

01:16:54,110 --> 01:16:53,280

job I built it myself this is how I do

1801

01:17:00,770 --> 01:16:54,120

it

1802

01:17:03,590 --> 01:17:00,780

podcasts are supposed to be free but we

1803

01:17:05,810 --> 01:17:03,600

burn eight bucks in all sorts of ways

1804

01:17:07,130 --> 01:17:05,820

we tip a waitress eight bucks for a

1805

01:17:08,810 --> 01:17:07,140

single meal

1806

01:17:10,729 --> 01:17:08,820

and I'm saying you give me an eight

1807

01:17:14,870 --> 01:17:10,739

dollar tip and you get twice as much

1808

01:17:19,970 --> 01:17:16,790

I didn't really mean to spin it or go

1809

01:17:23,270 --> 01:17:19,980

off on this weird tangent but when these

1810

01:17:26,209 --> 01:17:23,280

scam companies pop up in podcasting I

1811

01:17:28,430 --> 01:17:26,219

just have to mention it as a sort of pat

1812

01:17:29,930 --> 01:17:28,440

on the back to the way I do things and

1813

01:17:32,330 --> 01:17:29,940

why I do it this way

1814

01:17:34,610 --> 01:17:32,340

but anyway getting back to the content

1815

01:17:37,310 --> 01:17:34,620

here for the real ogs I think it was fun

1816

01:17:39,229 --> 01:17:37,320

to have some of the material in this

1817

01:17:41,570 --> 01:17:39,239

episode bump up against some old

1818

01:17:44,090 --> 01:17:41,580

classics like the show with Jay Parker

1819

01:17:46,790 --> 01:17:44,100

or the one with Robert Guffey the stuff

1820

01:17:48,950 --> 01:17:46,800

about Bigelow's big pivot made me start

1821

01:17:52,189 --> 01:17:48,960

to wonder if Bigelow Consciousness

1822

01:17:54,709 --> 01:17:52,199

studies could be code for Magic

1823

01:17:56,570 --> 01:17:54,719

Consciousness studies sounds a lot more

1824

01:17:58,189 --> 01:17:56,580

broad you're not going to call it occult

1825

01:18:01,970 --> 01:17:58,199

studies or

1826

01:18:04,250 --> 01:18:01,980

ritual investigations but if you know

1827

01:18:06,590 --> 01:18:04,260

about magic the wink wink nod nod is

1828

01:18:09,050 --> 01:18:06,600

that Consciousness clearly plays a role

1829

01:18:11,570 --> 01:18:09,060

and might be a key part of the

1830

01:18:12,709 --> 01:18:11,580

mechanisms behind it so I could see that

1831

01:18:14,810 --> 01:18:12,719

being true

1832

01:18:17,689 --> 01:18:14,820

he tried going outward with Bigelow

1833

01:18:19,669 --> 01:18:17,699

Aerospace and now he's going inward baby

1834

01:18:21,229 --> 01:18:19,679

that would make sense to me

1835

01:18:23,750 --> 01:18:21,239

but these are some of the Eternal

1836

01:18:26,030 --> 01:18:23,760

Mysteries and I try to make sure we're

1837

01:18:27,890 --> 01:18:26,040

being creative and coming at them from

1838

01:18:28,850 --> 01:18:27,900

different angles when we cover these

1839

01:18:31,430 --> 01:18:28,860

things

1840

01:18:33,410 --> 01:18:31,440

it's hard not to just return to The Well

1841

01:18:35,689 --> 01:18:33,420

of ideas and I don't know how much

1842

01:18:38,390 --> 01:18:35,699

closer we get to a solve

1843

01:18:40,189 --> 01:18:38,400

but I'm intrigued and so I do try to

1844

01:18:42,350 --> 01:18:40,199

make sure we're not just rehashing the

1845

01:18:44,270 --> 01:18:42,360

same ideas over and over and getting at

1846

01:18:45,770 --> 01:18:44,280

least something fresh and I think today

1847

01:18:47,750 --> 01:18:45,780

qualifies

1848

01:18:49,910 --> 01:18:47,760

you know I've been very big on the

1849

01:18:52,310 --> 01:18:49,920

plasma thing since I first heard about

1850

01:18:54,050 --> 01:18:52,320

it because first when you think about

1851

01:18:55,850 --> 01:18:54,060

aliens it's like oh maybe there are

1852

01:18:57,649 --> 01:18:55,860

fairies or some kind of Elemental that's

1853

01:18:59,630 --> 01:18:57,659

always been here great or maybe they're

1854

01:19:01,010 --> 01:18:59,640

spirits and then it's like well what

1855

01:19:04,370 --> 01:19:01,020

does that even mean and then you're like

1856

01:19:07,250 --> 01:19:04,380

maybe Plasma's involved maybe that's why

1857

01:19:10,070 --> 01:19:07,260

Eric dollar created one in the lab maybe

1858

01:19:12,229 --> 01:19:10,080

it's a portal maybe it's a vehicle of

1859

01:19:15,830 --> 01:19:12,239

some kind maybe that's why these ships

1860

01:19:18,709 --> 01:19:15,840

people see in the sky are always covered

1861

01:19:22,669 --> 01:19:18,719

in these crazy bright lights and doing

1862

01:19:24,649 --> 01:19:22,679

these crazy Christmas light ask patterns

1863

01:19:26,930 --> 01:19:24,659

with their lighting

1864

01:19:27,709 --> 01:19:26,940

maybe you're seeing the plasma I don't

1865

01:19:30,110 --> 01:19:27,719

know

1866

01:19:32,630 --> 01:19:30,120

but I will forever enjoy mulling this

1867

01:19:34,550 --> 01:19:32,640

stuff over so big thanks to Ryan and

1868

01:19:36,410 --> 01:19:34,560

congrats to him on getting space Wolf

1869

01:19:38,510 --> 01:19:36,420

research off the ground

1870

01:19:41,090 --> 01:19:38,520

if this kind of episode is your jam

1871

01:19:43,729 --> 01:19:41,100

Ryan's on this thread week after week on

1872

01:19:46,250 --> 01:19:43,739

hero paranormal just so you know

1873

01:19:47,870 --> 01:19:46,260

in higher side news not a lot to say

1874

01:19:49,430 --> 01:19:47,880

just trying to hang on through this

1875

01:19:52,130 --> 01:19:49,440

holiday season

1876

01:19:54,709 --> 01:19:52,140

we have had several guests in previous

1877

01:19:57,590 --> 01:19:54,719

months talk about supply chain issues

1878

01:20:00,050 --> 01:19:57,600

and food shortages and a big collapse

1879

01:20:02,090 --> 01:20:00,060

and things are certainly fragile and

1880

01:20:04,729 --> 01:20:02,100

shaky out there

1881

01:20:06,410 --> 01:20:04,739

but I think all things considered we are

1882

01:20:08,450 --> 01:20:06,420

chugging along

1883

01:20:10,910 --> 01:20:08,460

I get that feeling a lot though it's not

1884

01:20:12,950 --> 01:20:10,920

that some of our guests are wrong they

1885

01:20:15,410 --> 01:20:12,960

just need to extend their timeline out a

1886

01:20:17,990 --> 01:20:15,420

bit more in a lot of cases

1887

01:20:20,090 --> 01:20:18,000

so much of this stuff often moves way

1888

01:20:21,709 --> 01:20:20,100

slower than expected

1889

01:20:23,390 --> 01:20:21,719

so I'm not saying we're through the

1890

01:20:25,490 --> 01:20:23,400

woods but I'm certainly not going to

1891

01:20:27,470 --> 01:20:25,500

complain that Society hasn't collapsed

1892

01:20:29,930 --> 01:20:27,480

as predicted right

1893

01:20:32,090 --> 01:20:29,940

screws are tighter than usual for a lot

1894

01:20:33,590 --> 01:20:32,100

of people I won't deny that cracks are

1895

01:20:36,890 --> 01:20:33,600

certainly showing but it's not

1896

01:20:39,050 --> 01:20:36,900

full-blown broken yet and I'll take it

1897

01:20:41,149 --> 01:20:39,060

let's check that calendar if you're

1898

01:20:43,430 --> 01:20:41,159

feeling a bit down this December if

1899

01:20:45,649 --> 01:20:43,440

you'd like to change your situation and

1900

01:20:48,770 --> 01:20:45,659

Shuffle up your friend group either make

1901
01:20:50,570 --> 01:20:48,780
a THC event or show up to one near you

1902
01:20:52,130 --> 01:20:50,580
here's what we got going on for the rest

1903
01:20:54,709 --> 01:20:52,140
of the year

1904
01:20:56,149 --> 01:20:54,719
December 8th we got the LA truth Meetup

1905
01:20:59,689 --> 01:20:56,159
at flame International Restaurant

1906
01:21:02,090 --> 01:20:59,699
December 10th we got one going on in

1907
01:21:04,370 --> 01:21:02,100
pachogi New York I think it's the Long

1908
01:21:07,490 --> 01:21:04,380
Island Bar Crawl okay let's just say

1909
01:21:10,189 --> 01:21:07,500
Long Island also December 10th Grable

1910
01:21:12,770 --> 01:21:10,199
Wyoming at Bob's Diner also December

1911
01:21:16,010 --> 01:21:12,780
10th Vancouver Washington

1912
01:21:19,550 --> 01:21:16,020
going to Shanahan's Pub and Grill

1913
01:21:21,530 --> 01:21:19,560

also December 10th the anti-vaxmist 2 at

1914

01:21:24,649 --> 01:21:21,540

Gilligan's Irish pub in Glendale

1915

01:21:28,010 --> 01:21:24,659

California December 11th Asheville North

1916

01:21:31,250 --> 01:21:28,020

Carolina December 17th Fayetteville New

1917

01:21:33,530 --> 01:21:31,260

York and I think that does it the rest

1918

01:21:35,390 --> 01:21:33,540

look like they're popping off in January

1919

01:21:37,090 --> 01:21:35,400

so consider it

1920

01:21:39,110 --> 01:21:37,100

it's as simple as going to

1921

01:21:41,209 --> 01:21:39,120

highersidemeetups.com making a quick

1922

01:21:43,130 --> 01:21:41,219

account and adding your event to the mix

1923

01:21:45,410 --> 01:21:43,140

nobody should feel lonely in the holiday

1924

01:21:48,169 --> 01:21:45,420

season and this is just one potential

1925

01:21:49,729 --> 01:21:48,179

Avenue for changing your situation if it

1926

01:21:51,830 --> 01:21:49,739

needs changing

1927

01:21:54,110 --> 01:21:51,840

have a good December be good to each

1928

01:21:56,149 --> 01:21:54,120

other and don't let yourself get overly

1929

01:21:57,110 --> 01:21:56,159

black piller who does that really serve

1930

01:21:59,870 --> 01:21:57,120

you know

1931

01:22:02,570 --> 01:21:59,880

well much love guys thanks for listening

1932

01:22:04,970 --> 01:22:02,580

I've done my part your move invisible

1933

01:22:06,950 --> 01:22:04,980

College secret Keepers plasma beans of

1934

01:22:12,050 --> 01:22:06,960

the landscape and desert tricksters at

1935

01:22:14,090 --> 01:22:12,060

the Unita Basin your from space

1936

01:22:20,270 --> 01:22:14,100

it was falling it's lights

1937

01:22:23,209 --> 01:22:20,280

[Music]

1938

01:22:26,030 --> 01:22:23,219

looking up it showed me all the hidden

1939

01:22:29,050 --> 01:22:26,040

stuff and now I'm all enlightened and

1940

01:22:35,530 --> 01:22:33,410

masses is hard silver ships are coming

1941

01:22:40,100 --> 01:22:35,540

your fire

1942

01:23:12,229 --> 01:23:08,290

[Music]

1943

01:23:36,120 --> 01:23:15,250

to go when you see the sausage

1944

01:24:50,670 --> 01:24:17,450

[Music]

1945

01:24:55,729 --> 01:24:53,400

[Applause]

1946

01:24:57,600 --> 01:24:55,739

[Music]

1947

01:24:58,040 --> 01:24:57,610

what you want it again

1948

01:25:01,280 --> 01:24:58,050

[Applause]

1949

01:25:02,090 --> 01:25:01,290

[Music]

1950

01:25:29,270 --> 01:25:02,100

[Applause]

1951

01:25:31,970 --> 01:25:29,280

[Music]

1952

01:25:34,250 --> 01:25:31,980

and that is another show complete

1953

01:25:36,590 --> 01:25:34,260

remember as much as you enjoyed this

1954

01:25:38,390 --> 01:25:36,600

which is just the free first hour I hope

1955

01:25:41,090 --> 01:25:38,400

you'll become a plus member to hear the

1956

01:25:43,070 --> 01:25:41,100

full two-hour interviews you also can

1957

01:25:45,590 --> 01:25:43,080

engage with other Plus members in the

1958

01:25:46,970 --> 01:25:45,600

comments and the forums and you'll find

1959

01:25:49,070 --> 01:25:46,980

your answer to one of the most common

1960

01:25:50,810 --> 01:25:49,080

questions I get which is where can I

1961

01:25:52,610 --> 01:25:50,820

find those cover songs that you use at

1962

01:25:55,070 --> 01:25:52,620

the end of the show well they are free

1963

01:25:57,169 --> 01:25:55,080

downloads for Plus members too and

1964

01:25:59,209 --> 01:25:57,179

without Plus members I can't hire the

1965

01:26:01,729 --> 01:25:59,219

occasional musician to bring these odd

1966

01:26:03,649 --> 01:26:01,739

cover song ideas to fruition Plus

1967

01:26:05,450 --> 01:26:03,659

members are how I'm able to do what I do

1968

01:26:08,330 --> 01:26:05,460

without ads and without the big machine

1969

01:26:10,490 --> 01:26:08,340

being on my back we can fit so much more

1970

01:26:12,290 --> 01:26:10,500

into a two-hour interview and I do my

1971

01:26:15,229 --> 01:26:12,300

best to make it worth your time and

1972

01:26:17,689 --> 01:26:15,239

money the conversation only gets deeper

1973

01:26:19,850 --> 01:26:17,699

weirder and more controversial in that

1974

01:26:20,990 --> 01:26:19,860

private hour how could it not the way

1975

01:26:22,910 --> 01:26:21,000

things are going

1976

01:26:25,070 --> 01:26:22,920

but the best way to sign up is at the

1977

01:26:27,590 --> 01:26:25,080

higher sidechats.com where new

1978

01:26:29,750 --> 01:26:27,600

first-time subscribers always get a free

1979

01:26:32,149 --> 01:26:29,760

7-Day trial because I'm just that

1980

01:26:34,010 --> 01:26:32,159

confident there's no PayPal on the

1981

01:26:36,169 --> 01:26:34,020

website but if you need to use PayPal

1982

01:26:37,729 --> 01:26:36,179

then sign up through patreon and you get

1983

01:26:39,950 --> 01:26:37,739

all the same episodes

1984

01:26:41,689 --> 01:26:39,960

our website is a credit or debit system

1985

01:26:44,570 --> 01:26:41,699

but you can also scope out the other

1986

01:26:47,270 --> 01:26:44,580

options like a few various cryptos cash

1987

01:26:49,129 --> 01:26:47,280

or check mail to the PO box and I'll

1988

01:26:50,750 --> 01:26:49,139

even barter with most people if you have

1989

01:26:53,629 --> 01:26:50,760

your own business and produce something

1990

01:26:55,669 --> 01:26:53,639

nice that my wife or kid or taste buds

1991

01:26:57,530 --> 01:26:55,679

might like but the architects of

1992

01:26:59,390 --> 01:26:57,540

consensus reality have made it clear

1993

01:27:01,729 --> 01:26:59,400

that these themes and topics aren't

1994

01:27:03,890 --> 01:27:01,739

really welcome on the main stage and so

1995

01:27:05,930 --> 01:27:03,900

this is how we secure a little Counter

1996

01:27:08,209 --> 01:27:05,940

Culture corner for ourselves and I hope

1997

01:27:10,910 --> 01:27:08,219

you'll join plus because that is the

1998

01:27:14,209 --> 01:27:10,920

only way it works besides you can cancel

1999

01:27:16,070 --> 01:27:14,219

anytime right on your profile page the

2000

01:27:18,770 --> 01:27:16,080

most common concern I hear is people

2001

01:27:21,110 --> 01:27:18,780

just being unsure if THC plus will work

2002

01:27:24,050 --> 01:27:21,120

with their podcast app and the answer is

2003

01:27:26,030 --> 01:27:24,060

probably yes but if not we have several

2004

01:27:28,010 --> 01:27:26,040

high-level app recommendations for

2005

01:27:30,709 --> 01:27:28,020

whatever phone you use and the website

2006

01:27:32,209 --> 01:27:30,719

is made for mobile too we're trained to

2007

01:27:33,830 --> 01:27:32,219

tip a waitress for bringing us a

2008

01:27:36,649 --> 01:27:33,840

sandwich but that tip doesn't give you

2009

01:27:38,570 --> 01:27:36,659

access to a second sandwich really I'm

2010

01:27:40,550 --> 01:27:38,580

not asking for any more than that and I

2011

01:27:42,830 --> 01:27:40,560

think I offer a better service come get

2012

01:27:44,629 --> 01:27:42,840

your second serving of tasty conspiracy

2013

01:27:47,270 --> 01:27:44,639

goodness in exchange for that small

2014

01:27:49,310 --> 01:27:47,280

token of your appreciation beyond that

2015

01:27:51,350 --> 01:27:49,320

let it also be known that we have grown

2016

01:27:53,629 --> 01:27:51,360

and survived as long as we have By Word

2017

01:27:56,090 --> 01:27:53,639

of Mouth I don't care so much about

2018

01:27:59,149 --> 01:27:56,100

social media likes or follows but tell

2019

01:28:01,310 --> 01:27:59,159

the right people about THC and not just

2020

01:28:03,169 --> 01:28:01,320

listeners but the high level figures who

2021

01:28:05,450 --> 01:28:03,179

are better suited to sit down with me

2022

01:28:07,250 --> 01:28:05,460

than most other hosts and if you can

2023

01:28:09,110 --> 01:28:07,260

help me with any of these things I can

2024

01:28:11,110 --> 01:28:09,120

work to bring you better shows which is

2025

01:28:13,370 --> 01:28:11,120

just a a win-win for both of us

2026

01:28:15,830 --> 01:28:13,380

informative entertaining and

2027

01:28:17,510 --> 01:28:15,840

action-packed it also never hurts to

2028

01:28:19,310 --> 01:28:17,520

thank a guest you liked if you have the

2029

01:28:20,810 --> 01:28:19,320

time either we want them to know people

2030

01:28:23,090 --> 01:28:20,820

are listening so they're willing to come

2031

01:28:25,310 --> 01:28:23,100

back down the road too thank you for
