1
00:00:06,470 --> 00:00:02,409

[Music]

2
00:00:09,470 --> 00:00:06,480

these days so many podcast hosts just

3
00:00:11,870 --> 00:00:09,480

Rift through unprepared segments until

4
00:00:14,810 --> 00:00:11,880

they get to the next ad break for pills

5
00:00:16,730 --> 00:00:14,820

they know nothing about cheap razors and

6
00:00:19,490 --> 00:00:16,740

whatever else they can get a buck from

7
00:00:22,910 --> 00:00:19,500

but the higher side chats does it

8
00:00:25,429 --> 00:00:22,920

differently we succeed or fail on the

9
00:00:27,890 --> 00:00:25,439

quality of the content and your desire

10
00:00:30,109 --> 00:00:27,900

to hear more of it so you're about to

11
00:00:32,749 --> 00:00:30,119

hear another free first hour episode

12
00:00:35,990 --> 00:00:32,759

that's here to prove the two-hour shows

13
00:00:39,709 --> 00:00:36,000

are worth subscribing for five shows a

14

00:00:42,350 --> 00:00:39,719

month for just eight dollars members get

15

00:00:45,410 --> 00:00:42,360

a mobile-friendly website a decade of

16

00:00:48,410 --> 00:00:45,420

archives a dedicated RSS feed for the

17

00:00:50,690 --> 00:00:48,420

best podcast apps and a lot deeper

18

00:00:54,709 --> 00:00:50,700

discussion than a single hour can allow

19

00:00:58,250 --> 00:00:54,719

for sponsor free with more for thee get

20

00:01:00,410 --> 00:00:58,260

a free 7-Day trial of THC Plus at the

21

00:01:01,740 --> 00:01:00,420

highersidejets.com

22

00:01:07,789 --> 00:01:01,750

enjoy

23

00:01:12,770 --> 00:01:10,850

in the 1930s President Franklin Delano

24

00:01:15,289 --> 00:01:12,780

Roosevelt addressed the nation through a

25

00:01:18,230 --> 00:01:15,299

series of radio broadcasts known as the

26

00:01:20,030 --> 00:01:18,240

Fireside Chats his aim was to reassure

27

00:01:22,310 --> 00:01:20,040

the common man that our society would

28

00:01:24,890 --> 00:01:22,320

recover from its troubled times well

29

00:01:27,469 --> 00:01:24,900

we're far from 1930 and I deal with a

30

00:01:29,810 --> 00:01:27,479

different kind of fire for a new era of

31

00:01:33,649 --> 00:01:29,820

worldly frustration we offer a fresh

32

00:01:36,830 --> 00:01:33,659

conversation I'm Greg Carlwood and these

33

00:01:38,870 --> 00:01:36,840

are the higher side chats let's go

34

00:01:41,090 --> 00:01:38,880

higher side Chatters from Sunny San

35

00:01:43,190 --> 00:01:41,100

Diego I'm Greg Carlwood and if you do

36

00:01:46,010 --> 00:01:43,200

the digging there is a wide range of

37

00:01:47,990 --> 00:01:46,020

cultures old and new near and far that

38

00:01:50,270 --> 00:01:48,000

all have Legends of a wide variety of

39

00:01:52,670 --> 00:01:50,280

very similar sounding mythological or

40

00:01:55,249 --> 00:01:52,680

paranormal entities from little green

41

00:01:57,170 --> 00:01:55,259

Sprites and large Hairy Ape men to child

42

00:01:59,990 --> 00:01:57,180

stealing witches and mischief-making

43

00:02:02,270 --> 00:02:00,000

Spirits the names changed but the

44

00:02:04,370 --> 00:02:02,280

descriptions are often so similar you

45

00:02:06,410 --> 00:02:04,380

have to wonder how the Irish the Native

46

00:02:08,389 --> 00:02:06,420

Americans the Japanese and even new

47

00:02:10,130 --> 00:02:08,399

zealanders all all tell stories of being

48

00:02:12,410 --> 00:02:10,140

messed with by the same kinds of

49

00:02:15,170 --> 00:02:12,420

creatures going back about as far as

50

00:02:17,270 --> 00:02:15,180

anyone can trace it's enough to make you

51
00:02:19,550 --> 00:02:17,280
wonder if we're even the apex predator

52
00:02:21,890 --> 00:02:19,560
on this island Earth or if we might have

53
00:02:23,390 --> 00:02:21,900
beans living below the surface deep in

54
00:02:25,790 --> 00:02:23,400
the mountains or in some next door

55
00:02:28,610 --> 00:02:25,800
Dimension that see humans is naive play

56
00:02:30,470 --> 00:02:28,620
things for when the mood suits maybe the

57
00:02:32,390 --> 00:02:30,480
veil was thinner in the past perhaps

58
00:02:34,130 --> 00:02:32,400
Cosmic Arrangements trigger these

59
00:02:35,809 --> 00:02:34,140
overlaps or maybe modern human

60
00:02:37,910 --> 00:02:35,819
consciousness is just too digitally

61
00:02:40,430 --> 00:02:37,920
distracted to catch the glimpses we

62
00:02:42,710 --> 00:02:40,440
sometimes do in less hectic environments

63
00:02:44,869 --> 00:02:42,720

well however you look at it one has to

64
00:02:46,790 --> 00:02:44,879
dismiss way too many eyewitness accounts

65
00:02:48,770 --> 00:02:46,800
and way too much cultural knowledge to

66
00:02:50,809 --> 00:02:48,780
say it all amounts to nothing and

67
00:02:52,729 --> 00:02:50,819
someone who has a deep Rolodex of high

68
00:02:55,550 --> 00:02:52,739
strangeness stories is today's guest

69
00:02:57,290 --> 00:02:55,560
Bruce G Hollenbeck Bruce grew up in

70
00:02:59,210 --> 00:02:57,300
Kinderhook New York a little Hudson

71
00:03:01,130 --> 00:02:59,220
Valley Town steeped in strange history

72
00:03:03,589 --> 00:03:01,140
in folklore near the foothills of the

73
00:03:05,150 --> 00:03:03,599
Catskill Mountains not only has he and

74
00:03:07,309 --> 00:03:05,160
his family been a part of multiple

75
00:03:09,410 --> 00:03:07,319
multi-witness High strangeness sightings

76
00:03:11,089 --> 00:03:09,420
but his new book The Kinderhook creature

77
00:03:13,610 --> 00:03:11,099
and Beyond covers the history of

78
00:03:16,130 --> 00:03:13,620
paranormal activity in the area and it's

79
00:03:18,290 --> 00:03:16,140
a lot Bruce is not only an author but

80
00:03:20,930 --> 00:03:18,300
also a screenwriter whose films include

81
00:03:23,270 --> 00:03:20,940
vampire fangs and the drowned and as

82
00:03:25,610 --> 00:03:23,280
many books on film history and Pulp

83
00:03:27,770 --> 00:03:25,620
horror include the hammer comedy horror

84
00:03:29,270 --> 00:03:27,780
films the chronological history rock and

85
00:03:32,690 --> 00:03:29,280
roll Monsters the American International

86
00:03:34,070 --> 00:03:32,700
story and Poe pictures he has also

87
00:03:36,170 --> 00:03:34,080
written several other books in the

88
00:03:38,390 --> 00:03:36,180

cryptozoology field including Monsters

89

00:03:40,309 --> 00:03:38,400
of New York Monsters of New Jersey with

90

00:03:42,229 --> 00:03:40,319
Lauren Coleman as well as monsters of

91

00:03:45,170 --> 00:03:42,239
the the Northwoods with William brand

92

00:03:47,149 --> 00:03:45,180
Paul Bartholomew and Robert Bartholomew

93

00:03:49,190 --> 00:03:47,159
still living in Upstate New York with

94

00:03:50,990 --> 00:03:49,200
his wife four cats and several ghosts

95

00:03:53,030 --> 00:03:51,000
the Kinderhook cryptozoological

96

00:03:55,789 --> 00:03:53,040
chronicler and strange stuff historian

97

00:03:58,670 --> 00:03:55,799
Bruce welcome to the higher side

98

00:04:02,330 --> 00:03:58,680
wow what an introduction hi thank you

99

00:04:04,490 --> 00:04:02,340
very much I try man yes yes it is a real

100

00:04:07,250 --> 00:04:04,500
treat to have you here I really enjoyed

101
00:04:09,410 --> 00:04:07,260
the book not only do you go deep on the

102
00:04:11,690 --> 00:04:09,420
history of the Kinderhook area but also

103
00:04:13,610 --> 00:04:11,700
the similarities between entities and

104
00:04:16,370 --> 00:04:13,620
creatures seen there with other things

105
00:04:19,009 --> 00:04:16,380
seen around the world and you include a

106
00:04:22,969 --> 00:04:19,019
solid list of high profile hard to

107
00:04:24,770 --> 00:04:22,979
misidentify Epic UFO stories and I guess

108
00:04:27,290 --> 00:04:24,780
to kick this off let's give the people

109
00:04:29,570 --> 00:04:27,300
an overview of the landscape and the

110
00:04:32,030 --> 00:04:29,580
history of Kinderhook because it's kind

111
00:04:33,590 --> 00:04:32,040
of a paranormal hot spot that I wasn't

112
00:04:36,230 --> 00:04:33,600
too familiar with

113
00:04:38,689 --> 00:04:36,240

yeah it seems to be so

114

00:04:41,570 --> 00:04:38,699

basically I guess relevant to this

115

00:04:43,610 --> 00:04:41,580

discussion it's a very old village one

116

00:04:45,530 --> 00:04:43,620

of the oldest in the country

117

00:04:48,170 --> 00:04:45,540

actually Hendrick Hudson when he sailed

118

00:04:49,670 --> 00:04:48,180

up the Hudson River discovered it and

119

00:04:52,670 --> 00:04:49,680

the name Kinderhook means Children's

120

00:04:54,290 --> 00:04:52,680

Corner in Dutch because he saw

121

00:04:57,590 --> 00:04:54,300

Native American children on the

122

00:05:00,530 --> 00:04:57,600

shoreline and that's what he called it

123

00:05:02,510 --> 00:05:00,540

since then it's become famous for a

124

00:05:04,249 --> 00:05:02,520

certain amount of spookiness because

125

00:05:06,650 --> 00:05:04,259

Washington Irving

126
00:05:08,930 --> 00:05:06,660
wrote The Legend of Sleepy Hollow when

127
00:05:12,050 --> 00:05:08,940
he was staying in Kinderhook

128
00:05:14,330 --> 00:05:12,060
for years actually for centuries

129
00:05:16,189 --> 00:05:14,340
the town of Terrytown which is further

130
00:05:19,129 --> 00:05:16,199
south and Kendrick have always fought

131
00:05:20,990 --> 00:05:19,139
over who really has the rights to uh the

132
00:05:22,310 --> 00:05:21,000
Sleepy Hollow story and it turns out we

133
00:05:25,850 --> 00:05:22,320
both do

134
00:05:29,270 --> 00:05:25,860
because what Washington Irving did was

135
00:05:31,070 --> 00:05:29,280
he set the story in Sleepy Hollow which

136
00:05:33,710 --> 00:05:31,080
is Tarrytown basically

137
00:05:35,810 --> 00:05:33,720
but he used the characters

138
00:05:38,510 --> 00:05:35,820

he modeled the characters on people from

139

00:05:42,590 --> 00:05:38,520

around kindergarten and

140

00:05:44,629 --> 00:05:42,600

essentially Ichabod Crane was a real

141

00:05:45,710 --> 00:05:44,639

person named Jesse Merwin who's a school

142

00:05:47,090 --> 00:05:45,720

teacher

143

00:05:50,150 --> 00:05:47,100

and

144

00:05:52,010 --> 00:05:50,160

Katrina Van Tassel was a woman named

145

00:05:54,409 --> 00:05:52,020

Katrina Van Allen whose home is just

146

00:05:57,409 --> 00:05:54,419

down the road from where I live

147

00:05:59,150 --> 00:05:57,419

so we've always had that kind of spooky

148

00:06:02,870 --> 00:05:59,160

atmosphere in Kid Rock it's a great

149

00:06:04,490 --> 00:06:02,880

Halloween Town as far as I'm concerned

150

00:06:07,909 --> 00:06:04,500

of course when I was a kid I made the

151

00:06:10,249 --> 00:06:07,919

most of it still do yes yes and that's

152

00:06:11,450 --> 00:06:10,259

just one aspect of the wild stuff going

153

00:06:12,890 --> 00:06:11,460

on this really should have been a

154

00:06:14,629 --> 00:06:12,900

Halloween show but I guess we're doing

155

00:06:17,029 --> 00:06:14,639

like The Nightmare Before Christmas kind

156

00:06:20,090 --> 00:06:17,039

of thing and uh yes

157

00:06:22,370 --> 00:06:20,100

apparently Martin Van Buren that's where

158

00:06:24,230 --> 00:06:22,380

his estate is that's where he's buried

159

00:06:26,210 --> 00:06:24,240

and there are a lot of ghost stories

160

00:06:27,469 --> 00:06:26,220

from the caretakers of that estate is

161

00:06:29,570 --> 00:06:27,479

that right

162

00:06:31,969 --> 00:06:29,580

that's true

163

00:06:34,309 --> 00:06:31,979

they don't want to talk about it not in

164

00:06:37,850 --> 00:06:34,319

public anyway you have to kind of get

165

00:06:38,930 --> 00:06:37,860

them you know aside when the tour groups

166

00:06:40,850 --> 00:06:38,940

are gone

167

00:06:42,350 --> 00:06:40,860

and then I might tell you a few stories

168

00:06:44,090 --> 00:06:42,360

about how

169

00:06:45,350 --> 00:06:44,100

sometimes when they come in in the

170

00:06:48,529 --> 00:06:45,360

morning

171

00:06:49,790 --> 00:06:48,539

in the estate is now a National Historic

172

00:06:51,529 --> 00:06:49,800

Site

173

00:06:53,930 --> 00:06:51,539

they come in the morning and they find

174

00:06:56,150 --> 00:06:53,940

that they can smell

175

00:06:58,790 --> 00:06:56,160

something cooking in the Old Dutch ovens

176
00:07:00,110 --> 00:06:58,800
which haven't been used in probably 150

177
00:07:01,550 --> 00:07:00,120
years

178
00:07:03,050 --> 00:07:01,560
but it smells like there's something

179
00:07:05,210 --> 00:07:03,060
cooking there

180
00:07:07,370 --> 00:07:05,220
people have seen

181
00:07:11,210 --> 00:07:07,380
spirits

182
00:07:13,969 --> 00:07:11,220
Shades as some call them of Martin Van

183
00:07:17,029 --> 00:07:13,979
Buren and his sons

184
00:07:19,129 --> 00:07:17,039
on the estate mostly outside

185
00:07:21,469 --> 00:07:19,139
although there is one bedroom bedroom of

186
00:07:23,390 --> 00:07:21,479
one of Martin mcbaron's sons that is

187
00:07:25,370 --> 00:07:23,400
supposedly haunted

188
00:07:27,050 --> 00:07:25,380

sometimes they'll find the drapes have

189

00:07:28,909 --> 00:07:27,060

been taken down during the night even

190

00:07:31,430 --> 00:07:28,919

though nobody was there

191

00:07:33,770 --> 00:07:31,440

and they have to put them back up again

192

00:07:35,210 --> 00:07:33,780

little things like that that add up

193

00:07:37,870 --> 00:07:35,220

pretty quickly

194

00:07:41,510 --> 00:07:37,880

yeah sounds like typical

195

00:07:44,629 --> 00:07:41,520

Poltergeist Shenanigans but some places

196

00:07:47,089 --> 00:07:44,639

they just seem to be hot spots for this

197

00:07:51,650 --> 00:07:47,099

maybe there are places that preserve

198

00:07:52,490 --> 00:07:51,660

memories of repeated actions perhaps I

199

00:07:54,589 --> 00:07:52,500

don't know

200

00:07:56,809 --> 00:07:54,599

yeah it doesn't strike me as an actual

201
00:07:58,670 --> 00:07:56,819
haunting it's more like uh you know

202
00:08:00,710 --> 00:07:58,680
Echoes of the past

203
00:08:02,629 --> 00:08:00,720
because there's never been anything

204
00:08:04,610 --> 00:08:02,639
there that's been malicious there's

205
00:08:06,469 --> 00:08:04,620
never been any interaction

206
00:08:09,350 --> 00:08:06,479
with live people

207
00:08:11,749 --> 00:08:09,360
it's sort of like you're looking at a

208
00:08:14,110 --> 00:08:11,759
movie of somebody you know walking along

209
00:08:17,570 --> 00:08:14,120
the path or whatever it is

210
00:08:19,430 --> 00:08:17,580
and another piece of lore that comes

211
00:08:22,490 --> 00:08:19,440
from Kinderhook is apparently the Rip

212
00:08:24,589 --> 00:08:22,500
Van Winkle story is that right

213
00:08:26,650 --> 00:08:24,599

well it's near Kinderhook you know

214

00:08:29,450 --> 00:08:26,660

Kinderhook is near the the cat skills

215

00:08:31,249 --> 00:08:29,460

and of course that Ripple uncle is also

216

00:08:34,010 --> 00:08:31,259

written by Washington Irving

217

00:08:36,649 --> 00:08:34,020

and you wrote it around the same time as

218

00:08:38,389 --> 00:08:36,659

he wrote The Legend of Sleepy Hollow

219

00:08:41,029 --> 00:08:38,399

and rip the Winkle of course is a

220

00:08:42,769 --> 00:08:41,039

classic story of little people

221

00:08:44,810 --> 00:08:42,779

because the

222

00:08:47,630 --> 00:08:44,820

little people that

223

00:08:49,970 --> 00:08:47,640

Spirit rip away Into the Woods

224

00:08:51,170 --> 00:08:49,980

are supposedly the ghosts of Henry

225

00:08:54,130 --> 00:08:51,180

Hudson and This Crew but they've

226
00:08:57,230 --> 00:08:54,140
apparently been shrunken down let's do

227
00:08:59,990 --> 00:08:57,240
miniscule size for whatever reason but

228
00:09:02,470 --> 00:09:00,000
there is a connection as we show

229
00:09:06,530 --> 00:09:02,480
soon see between

230
00:09:09,050 --> 00:09:06,540
so-called fairies and elves and the dead

231
00:09:11,690 --> 00:09:09,060
which I've always found very intriguing

232
00:09:14,449 --> 00:09:11,700
yes absolutely I'm right in that space

233
00:09:16,009 --> 00:09:14,459
too and the Rip Van Winkle story is

234
00:09:18,050 --> 00:09:16,019
really wild because for people who need

235
00:09:20,030 --> 00:09:18,060
a reminder rip is in the Catskill

236
00:09:22,190 --> 00:09:20,040
Mountains stumbles into a man wearing

237
00:09:23,750 --> 00:09:22,200
clothing out of the time period that's

238
00:09:25,250 --> 00:09:23,760

kind of a key thing that pops up in

239

00:09:28,910 --> 00:09:25,260

these stories and he's carrying a keg

240

00:09:31,190 --> 00:09:28,920

and he oddly knows Rip Van Winkle's name

241

00:09:33,170 --> 00:09:31,200

then Rip Van Winkle helps this guy get

242

00:09:35,090 --> 00:09:33,180

the keg to a larger group of strangely

243

00:09:37,250 --> 00:09:35,100

dressed men and he drinks from The Keg

244

00:09:39,769 --> 00:09:37,260

while they are partying and falls asleep

245

00:09:41,329 --> 00:09:39,779

and wakes up 20 years later and as you

246

00:09:44,509 --> 00:09:41,339

mentioned in the book this story

247

00:09:46,670 --> 00:09:44,519

structure is very ancient in fact it

248

00:09:50,449 --> 00:09:46,680

goes back to a first century story

249

00:09:53,210 --> 00:09:50,459

called The 70-year nap but the theme of

250

00:09:56,630 --> 00:09:53,220

finding a strangely dressed person in a

251
00:09:58,370 --> 00:09:56,640
remote area who leads you to a larger

252
00:10:01,070 --> 00:09:58,380
group of those people sometimes

253
00:10:03,530 --> 00:10:01,080
underground and there's music playing

254
00:10:05,810 --> 00:10:03,540
gives you food and drink and it causes

255
00:10:09,470 --> 00:10:05,820
you to have a crazy spell of missing

256
00:10:11,210 --> 00:10:09,480
time that is a story that's retold so

257
00:10:12,710 --> 00:10:11,220
many times you start to wonder if

258
00:10:14,570 --> 00:10:12,720
there's truth in it

259
00:10:18,470 --> 00:10:14,580
well yeah it's the classic fairy

260
00:10:21,290 --> 00:10:18,480
abduction story and of course the alert

261
00:10:23,269 --> 00:10:21,300
listener may may realize that it also

262
00:10:25,009 --> 00:10:23,279
Bears a lot of similarities to alien

263
00:10:28,550 --> 00:10:25,019

abduction stories

264

00:10:30,230 --> 00:10:28,560

which I also find very fascinating

265

00:10:31,970 --> 00:10:30,240

the fact that there's missing time

266

00:10:33,590 --> 00:10:31,980

involved I always thought was very

267

00:10:36,710 --> 00:10:33,600

interesting because

268

00:10:38,750 --> 00:10:36,720

back in ancient times nobody knew

269

00:10:40,910 --> 00:10:38,760

anything about Einstein's theory of

270

00:10:44,630 --> 00:10:40,920

relativity or any of that stuff

271

00:10:47,870 --> 00:10:44,640

and yet the stories always say that time

272

00:10:50,569 --> 00:10:47,880

passes differently in Fairyland or elf

273

00:10:52,009 --> 00:10:50,579

land than it does here

274

00:10:54,230 --> 00:10:52,019

I always thought that was a very

275

00:10:55,490 --> 00:10:54,240

interesting detail where did they come

276

00:10:58,310 --> 00:10:55,500

up with that

277

00:11:00,889 --> 00:10:58,320

you got me but it's you know in the book

278

00:11:03,050 --> 00:11:00,899

I say that I don't really

279

00:11:04,389 --> 00:11:03,060

have any answers to these questions so I

280

00:11:07,490 --> 00:11:04,399

just raised the questions

281

00:11:09,230 --> 00:11:07,500

and it's up to somebody else to find the

282

00:11:11,030 --> 00:11:09,240

answers because

283

00:11:14,389 --> 00:11:11,040

I've had these experiences that I can't

284

00:11:16,190 --> 00:11:14,399

explain throughout my life and

285

00:11:18,530 --> 00:11:16,200

what they mean

286

00:11:22,430 --> 00:11:18,540

it's all up to interpretation

287

00:11:25,490 --> 00:11:22,440

but I just find them fascinating and I I

288

00:11:27,410 --> 00:11:25,500

hope I continue to have them yes yes and

289

00:11:29,810 --> 00:11:27,420

let's get into your own personal

290

00:11:31,970 --> 00:11:29,820

sightings and experiences obviously the

291

00:11:34,430 --> 00:11:31,980

book is called the Kinderhook creature

292

00:11:36,889 --> 00:11:34,440

tell us about this creature and the

293

00:11:38,030 --> 00:11:36,899

experiences you and your family have had

294

00:11:40,130 --> 00:11:38,040

with it

295

00:11:41,930 --> 00:11:40,140

well the full title of the book is the

296

00:11:43,430 --> 00:11:41,940

Kinder creature and Beyond a personal

297

00:11:44,810 --> 00:11:43,440

reminiscence

298

00:11:47,329 --> 00:11:44,820

and

299

00:11:49,190 --> 00:11:47,339

essentially we're talking about yes a

300

00:11:50,569 --> 00:11:49,200

Bigfoot type creature pretty much of the

301
00:11:52,730 --> 00:11:50,579
classic style

302
00:11:55,490 --> 00:11:52,740
which I'm almost embarrassed to say

303
00:11:58,850 --> 00:11:55,500
because here we are in Upstate New York

304
00:12:01,069 --> 00:11:58,860
and I myself used to be skeptical of

305
00:12:02,569 --> 00:12:01,079
Bigfoot reports from this area

306
00:12:04,790 --> 00:12:02,579
because I started hearing them around

307
00:12:06,290 --> 00:12:04,800
the late 1970s

308
00:12:08,210 --> 00:12:06,300
and

309
00:12:09,710 --> 00:12:08,220
there were some that were published in a

310
00:12:10,910 --> 00:12:09,720
a magazine called the Hudson River

311
00:12:13,610 --> 00:12:10,920
Chronicle

312
00:12:16,430 --> 00:12:13,620
and I thought well okay

313
00:12:19,730 --> 00:12:16,440

interesting but I I have a hard time

314

00:12:21,710 --> 00:12:19,740

with Bigfoot in Upstate New York I mean

315

00:12:23,990 --> 00:12:21,720

I can sort of believe it in

316

00:12:25,730 --> 00:12:24,000

you know the Pacific Northwest or in the

317

00:12:26,810 --> 00:12:25,740

Himalayas but Upstate New York I don't

318

00:12:28,730 --> 00:12:26,820

know

319

00:12:30,710 --> 00:12:28,740

until

320

00:12:37,430 --> 00:12:30,720

my family and I started having our own

321

00:12:40,190 --> 00:12:37,440

experiences and that started around 1979

322

00:12:41,930 --> 00:12:40,200

when my grandmother started noticing

323

00:12:43,610 --> 00:12:41,940

and she lived in

324

00:12:44,990 --> 00:12:43,620

actually in the house I'm speaking from

325

00:12:46,670 --> 00:12:45,000

now

326
00:12:48,889 --> 00:12:46,680
which is

327
00:12:50,569 --> 00:12:48,899
you know a country house got seven acres

328
00:12:52,370 --> 00:12:50,579
of land right in the

329
00:12:53,870 --> 00:12:52,380
edge of the Woods

330
00:12:56,569 --> 00:12:53,880
and

331
00:12:59,329 --> 00:12:56,579
she noticed that something was taking

332
00:13:00,949 --> 00:12:59,339
her trash bags off her back porch

333
00:13:02,210 --> 00:13:00,959
and it was taking them down into the

334
00:13:03,949 --> 00:13:02,220
middle of the yard

335
00:13:05,629 --> 00:13:03,959
untying them

336
00:13:08,030 --> 00:13:05,639
going through the foodstuffs and taking

337
00:13:11,569 --> 00:13:08,040
all leftover food out

338
00:13:15,290 --> 00:13:11,579

now a raccoon or a bear for example

339

00:13:17,150 --> 00:13:15,300

would not untie a trash bag that would

340

00:13:19,610 --> 00:13:17,160

just tear it apart and there'd be a mess

341

00:13:21,590 --> 00:13:19,620

all over the lawn but there wasn't

342

00:13:23,389 --> 00:13:21,600

it was pretty neat

343

00:13:24,949 --> 00:13:23,399

it's just that it took what it wanted

344

00:13:26,930 --> 00:13:24,959

and left

345

00:13:28,850 --> 00:13:26,940

and

346

00:13:32,329 --> 00:13:28,860

turned out that a neighbor

347

00:13:35,030 --> 00:13:32,339

a woman who lived across the woods

348

00:13:37,670 --> 00:13:35,040

had reported that her trash bag was

349

00:13:39,829 --> 00:13:37,680

taken and hung up in a tree

350

00:13:41,090 --> 00:13:39,839

so this was all pretty strange but my

351
00:13:44,210 --> 00:13:41,100
grandmother didn't tell anybody about

352
00:13:46,250 --> 00:13:44,220
this for a while until

353
00:13:47,629 --> 00:13:46,260
my cousin Barry who at the time was a

354
00:13:51,110 --> 00:13:47,639
teenager

355
00:13:54,050 --> 00:13:51,120
was trapping and hunting in a nearby

356
00:13:57,350 --> 00:13:54,060
swampy area called Cushing's Hill

357
00:13:59,629 --> 00:13:57,360
and he came back to the house one day to

358
00:14:03,889 --> 00:13:59,639
my grandmother's house and I was here

359
00:14:06,710 --> 00:14:03,899
and his face was white as a sheet and he

360
00:14:08,930 --> 00:14:06,720
said he had just seen three

361
00:14:09,949 --> 00:14:08,940
two-legged creatures walk across the

362
00:14:11,509 --> 00:14:09,959
creek

363
00:14:13,129 --> 00:14:11,519

and they were making clacking and

364

00:14:17,030 --> 00:14:13,139

grunting sounds

365

00:14:19,490 --> 00:14:17,040

and they had reddish brown hair or fur

366

00:14:20,329 --> 00:14:19,500

and this was in broad daylight by the

367

00:14:21,650 --> 00:14:20,339

way

368

00:14:24,889 --> 00:14:21,660

so

369

00:14:26,269 --> 00:14:24,899

you know right away I I went down to the

370

00:14:27,889 --> 00:14:26,279

swamp with them and we looked all over

371

00:14:28,730 --> 00:14:27,899

the place we couldn't find any tracks of

372

00:14:30,650 --> 00:14:28,740

anything

373

00:14:32,329 --> 00:14:30,660

but he was terrified and he had a

374

00:14:35,090 --> 00:14:32,339

baseball bat in his

375

00:14:36,769 --> 00:14:35,100

bag that he was carrying in case he you

376

00:14:39,230 --> 00:14:36,779

know came up with any strange Critters

377

00:14:41,449 --> 00:14:39,240

but he figured that that would not be

378

00:14:43,129 --> 00:14:41,459

any match for what he saw

379

00:14:44,689 --> 00:14:43,139

so

380

00:14:46,069 --> 00:14:44,699

I didn't know what to think at that

381

00:14:47,990 --> 00:14:46,079

point

382

00:14:50,269 --> 00:14:48,000

I didn't think he was lying because he

383

00:14:51,769 --> 00:14:50,279

was genuinely scared

384

00:14:54,290 --> 00:14:51,779

and

385

00:14:55,670 --> 00:14:54,300

there were several incidents that kind

386

00:14:58,550 --> 00:14:55,680

of built up

387

00:15:00,710 --> 00:14:58,560

to the major one in the book which I'll

388

00:15:04,069 --> 00:15:00,720

get to in a minute

389

00:15:06,110 --> 00:15:04,079

the next time I remember really

390

00:15:07,069 --> 00:15:06,120

feeling strange that something weird was

391

00:15:10,850 --> 00:15:07,079

around

392

00:15:13,430 --> 00:15:10,860

I had a friend visiting from England and

393

00:15:14,930 --> 00:15:13,440

she was visiting our house and she was

394

00:15:16,370 --> 00:15:14,940

staying at another place up in

395

00:15:19,730 --> 00:15:16,380

Kinderhook

396

00:15:22,250 --> 00:15:19,740

and one evening I this was in the summer

397

00:15:24,949 --> 00:15:22,260

I took her out

398

00:15:26,810 --> 00:15:24,959

to walk up to where she was staying with

399

00:15:29,449 --> 00:15:26,820

her and just as we got out on the back

400

00:15:32,269 --> 00:15:29,459

porch of my grandparents house

401
00:15:35,210 --> 00:15:32,279
I heard this incredible ungodly noise

402
00:15:38,150 --> 00:15:35,220
coming from the woods

403
00:15:41,210 --> 00:15:38,160
it started out as a shriek or a howl

404
00:15:42,170 --> 00:15:41,220
kind of went into a series of guttural

405
00:15:45,410 --> 00:15:42,180
sounds

406
00:15:47,329 --> 00:15:45,420
and then kind of died out in a low moan

407
00:15:48,889 --> 00:15:47,339
and my English friend looked at me and

408
00:15:52,490 --> 00:15:48,899
said is that a typical American sound

409
00:15:54,290 --> 00:15:52,500
here at night and I said nope never

410
00:15:56,449 --> 00:15:54,300
heard that one before

411
00:15:59,569 --> 00:15:56,459
and I wasn't about to go into the woods

412
00:16:01,129 --> 00:15:59,579
at that hour I mean it was dark and that

413
00:16:02,629 --> 00:16:01,139

sound just did not make me want to go

414

00:16:06,350 --> 00:16:02,639

towards the thing

415

00:16:07,670 --> 00:16:06,360

so I didn't investigate that I kind of

416

00:16:09,230 --> 00:16:07,680

wish I had

417

00:16:11,150 --> 00:16:09,240

but

418

00:16:13,009 --> 00:16:11,160

it all came to a head a couple of months

419

00:16:15,710 --> 00:16:13,019

later in September

420

00:16:16,490 --> 00:16:15,720

when I was out visiting some friends in

421

00:16:18,170 --> 00:16:16,500

the evening

422

00:16:20,689 --> 00:16:18,180

and I got a call

423

00:16:24,650 --> 00:16:20,699

at the restaurant where we were

424

00:16:27,470 --> 00:16:24,660

dining and having a few drinks and

425

00:16:29,030 --> 00:16:27,480

it was from my grandmother and she said

426

00:16:30,949 --> 00:16:29,040

please come over here there's something

427

00:16:33,350 --> 00:16:30,959

outside the house I don't know what it

428

00:16:35,210 --> 00:16:33,360

is but it's making a horrible noise

429

00:16:37,189 --> 00:16:35,220

I'm scared to death and I thought well

430

00:16:38,269 --> 00:16:37,199

that's really strange that she would

431

00:16:41,030 --> 00:16:38,279

call me

432

00:16:42,829 --> 00:16:41,040

here at the restaurant to tell me that I

433

00:16:44,150 --> 00:16:42,839

mean she was not the type to be afraid

434

00:16:45,590 --> 00:16:44,160

of anything

435

00:16:47,870 --> 00:16:45,600

so

436

00:16:50,090 --> 00:16:47,880

I got in my car and I took about 10 or

437

00:16:52,249 --> 00:16:50,100

15 minutes to get home but by then

438

00:16:54,170 --> 00:16:52,259

I'd missed all the excitement

439

00:16:56,030 --> 00:16:54,180

turned out that

440

00:16:58,610 --> 00:16:56,040

my Aunt Barbara had brought my

441

00:17:00,110 --> 00:16:58,620

grandmother home from her house and just

442

00:17:03,410 --> 00:17:00,120

as my grandmother had gotten out of the

443

00:17:04,669 --> 00:17:03,420

car I heard this horrible noise from

444

00:17:07,909 --> 00:17:04,679

around

445

00:17:11,689 --> 00:17:07,919

the shed in the back of the house

446

00:17:14,390 --> 00:17:11,699

the noise was she said like somebody

447

00:17:17,030 --> 00:17:14,400

moaning or groaning almost like a person

448

00:17:19,370 --> 00:17:17,040

in pain except that it went on and on

449

00:17:21,289 --> 00:17:19,380

and on and it had a series of different

450

00:17:23,329 --> 00:17:21,299

noises mixed in and that sounded a lot

451
00:17:25,069 --> 00:17:23,339
like what I had heard

452
00:17:26,929 --> 00:17:25,079
then

453
00:17:29,990 --> 00:17:26,939
my grandmother decided to go in the

454
00:17:34,010 --> 00:17:30,000
house and my aunt decided to go back and

455
00:17:36,950 --> 00:17:34,020
get my cousin Barry who had a shotgun

456
00:17:38,930 --> 00:17:36,960
and so she brought him back

457
00:17:41,090 --> 00:17:38,940
and he stood out on the back porch he

458
00:17:43,549 --> 00:17:41,100
couldn't see anything but he shot up

459
00:17:45,650 --> 00:17:43,559
into the air and whatever the thing was

460
00:17:47,930 --> 00:17:45,660
it screamed he said

461
00:17:49,970 --> 00:17:47,940
and you showed up in the air a second

462
00:17:51,770 --> 00:17:49,980
time and this time he said flame came

463
00:17:54,650 --> 00:17:51,780

out of the barrel of the gun

464

00:17:56,570 --> 00:17:54,660

and the thing screamed and ran off

465

00:17:58,549 --> 00:17:56,580

although he felt that there may have

466

00:18:01,070 --> 00:17:58,559

been more than one you thought there

467

00:18:02,990 --> 00:18:01,080

were maybe two things that ran off

468

00:18:04,370 --> 00:18:03,000

so by the time I got home this was all

469

00:18:07,370 --> 00:18:04,380

over

470

00:18:10,310 --> 00:18:07,380

it had been scared Away by by the

471

00:18:11,930 --> 00:18:10,320

gunfire and when I talked to my

472

00:18:14,330 --> 00:18:11,940

grandmother she said that

473

00:18:15,950 --> 00:18:14,340

first of all it was a really big full

474

00:18:18,110 --> 00:18:15,960

moon that night I remember that very

475

00:18:21,710 --> 00:18:18,120

vividly the moon was like the size of a

476

00:18:23,450 --> 00:18:21,720

basketball in the sky and she said she

477

00:18:26,450 --> 00:18:23,460

could see a shadow around the corner of

478

00:18:29,150 --> 00:18:26,460

the shed of whatever was making this

479

00:18:30,590 --> 00:18:29,160

noise and she said it was very tall had

480

00:18:34,130 --> 00:18:30,600

long arms

481

00:18:36,650 --> 00:18:34,140

and sort of a conical shaped head almost

482

00:18:38,710 --> 00:18:36,660

a pointed head

483

00:18:41,270 --> 00:18:38,720

and I thought well that's a classic

484

00:18:42,169 --> 00:18:41,280

Bigfoot description isn't it

485

00:18:44,090 --> 00:18:42,179

um

486

00:18:47,450 --> 00:18:44,100

so

487

00:18:48,890 --> 00:18:47,460

that was kind of the beginning of a lot

488

00:18:51,230 --> 00:18:48,900

of activity here

489

00:18:53,570 --> 00:18:51,240

my mother had heard

490

00:18:56,029 --> 00:18:53,580

but I should say my parents live

491

00:18:58,430 --> 00:18:56,039

about a quarter mile down the road

492

00:19:00,110 --> 00:18:58,440

and they had heard a lot of the activity

493

00:19:02,210 --> 00:19:00,120

there the gunshots I guess they heard

494

00:19:04,430 --> 00:19:02,220

some of the screaming

495

00:19:06,590 --> 00:19:04,440

so my mother wrote a letter to the

496

00:19:07,789 --> 00:19:06,600

Albany New York newspaper the Times

497

00:19:10,130 --> 00:19:07,799

Union

498

00:19:11,570 --> 00:19:10,140

there was a columnist there named Barney

499

00:19:13,370 --> 00:19:11,580

Fowler who

500

00:19:15,110 --> 00:19:13,380

wrote a column about

501
00:19:16,310 --> 00:19:15,120
the outdoors

502
00:19:22,549 --> 00:19:16,320
and

503
00:19:24,289 --> 00:19:22,559
asked his readers if they had heard

504
00:19:26,150 --> 00:19:24,299
anything similar or encountered anything

505
00:19:28,909 --> 00:19:26,160
similar to this

506
00:19:31,250 --> 00:19:28,919
and shortly after that he was deluged

507
00:19:34,789 --> 00:19:31,260
with letters from people all over

508
00:19:36,650 --> 00:19:34,799
Columbia County and neighboring counties

509
00:19:37,789 --> 00:19:36,660
saying that they had either seen or

510
00:19:40,250 --> 00:19:37,799
heard

511
00:19:42,529 --> 00:19:40,260
similar things

512
00:19:44,810 --> 00:19:42,539
these strange noises they couldn't

513
00:19:47,630 --> 00:19:44,820

account for

514

00:19:50,029 --> 00:19:47,640

one woman at a sighting which was very

515

00:19:52,070 --> 00:19:50,039

impressive she said that

516

00:19:53,890 --> 00:19:52,080

she was driving home from Albany one

517

00:19:57,230 --> 00:19:53,900

night and

518

00:19:59,570 --> 00:19:57,240

this large ape-like creature across the

519

00:20:01,909 --> 00:19:59,580

road in front of her and she said it was

520

00:20:03,230 --> 00:20:01,919

seven to eight feet tall had reddish

521

00:20:05,810 --> 00:20:03,240

brown hair

522

00:20:07,730 --> 00:20:05,820

its arms were swinging she said

523

00:20:09,590 --> 00:20:07,740

gracefully and she said it looked like a

524

00:20:11,409 --> 00:20:09,600

highly evolved ape

525

00:20:14,570 --> 00:20:11,419

and it walked off into the cornfield

526

00:20:16,789 --> 00:20:14,580

across the road and disappeared

527

00:20:19,250 --> 00:20:16,799

so you had sightings you had

528

00:20:21,049 --> 00:20:19,260

you know vocalizations all kinds of

529

00:20:26,029 --> 00:20:21,059

weird things going on

530

00:20:27,529 --> 00:20:26,039

and so Barney Fowler's column was it got

531

00:20:29,210 --> 00:20:27,539

to a point where he finally had to call

532

00:20:31,070 --> 00:20:29,220

a halt he said okay I think we've

533

00:20:33,169 --> 00:20:31,080

overdone this

534

00:20:33,970 --> 00:20:33,179

we'll get on to some different topics

535

00:20:36,890 --> 00:20:33,980

now

536

00:20:39,710 --> 00:20:36,900

but it was pretty amazing that how many

537

00:20:42,890 --> 00:20:39,720

people responded to that yeah I love it

538

00:20:45,710 --> 00:20:42,900

and just the wide range of accounts

539

00:20:48,529 --> 00:20:45,720

within your family had a lot of

540

00:20:50,750 --> 00:20:48,539

credibility to it multiple people seeing

541

00:20:52,610 --> 00:20:50,760

it at one time then there's a story of

542

00:20:55,610 --> 00:20:52,620

your grandma seeing it curled up outside

543

00:20:58,490 --> 00:20:55,620

her window one time and this is going on

544

00:21:01,549 --> 00:20:58,500

over a time period of a couple of years

545

00:21:04,610 --> 00:21:01,559

I suppose yep when was the last time

546

00:21:06,230 --> 00:21:04,620

anyone in your family heard or saw

547

00:21:08,810 --> 00:21:06,240

something like this

548

00:21:10,549 --> 00:21:08,820

well in my family it was probably it's

549

00:21:13,370 --> 00:21:10,559

been a while

550

00:21:14,570 --> 00:21:13,380

I would say around the end of the 80s or

551
00:21:18,470 --> 00:21:14,580
so

552
00:21:21,590 --> 00:21:18,480
guess 30 years damn doesn't seem

553
00:21:25,610 --> 00:21:23,870
why that is I don't know

554
00:21:27,350 --> 00:21:25,620
you know I had a theory for a while that

555
00:21:29,570 --> 00:21:27,360
my cousin shooting off his gun might

556
00:21:32,330 --> 00:21:29,580
have just you know scared it out of the

557
00:21:34,549 --> 00:21:32,340
neighborhood I don't know

558
00:21:37,010 --> 00:21:34,559
on the other hand there is a lot of

559
00:21:38,930 --> 00:21:37,020
building going on in this area a lot of

560
00:21:41,390 --> 00:21:38,940
houses have gone up since then

561
00:21:43,970 --> 00:21:41,400
so you know if this thing is a natural

562
00:21:46,070 --> 00:21:43,980
creature of some sort a biological

563
00:21:48,590 --> 00:21:46,080

creature rather than some sort of

564

00:21:51,230 --> 00:21:48,600

paranormal entity

565

00:21:52,549 --> 00:21:51,240

is breeding ground if you will

566

00:21:57,289 --> 00:21:52,559

is

567

00:21:58,970 --> 00:21:57,299

it used to be

568

00:22:01,130 --> 00:21:58,980

you know I think that may be part of it

569

00:22:03,230 --> 00:22:01,140

I don't know

570

00:22:05,570 --> 00:22:03,240

there have been a lot of

571

00:22:07,730 --> 00:22:05,580

sightings and vocalizations south of us

572

00:22:10,430 --> 00:22:07,740

however in Dutchess County which is the

573

00:22:12,409 --> 00:22:10,440

county just beneath Columbia County

574

00:22:15,409 --> 00:22:12,419

and

575

00:22:17,690 --> 00:22:15,419

I have a feeling maybe it just kind of

576

00:22:20,510 --> 00:22:17,700

moves South I don't know yeah that's

577

00:22:23,690 --> 00:22:20,520

totally possible and there's even some

578

00:22:25,669 --> 00:22:23,700

stories from 1982 just a couple years

579

00:22:27,830 --> 00:22:25,679

after this

580

00:22:30,710 --> 00:22:27,840

kind of peak experience in your family

581

00:22:32,750 --> 00:22:30,720

of white Sasquatches in the area so

582

00:22:36,169 --> 00:22:32,760

that's strange but I've heard you talk

583

00:22:40,010 --> 00:22:36,179

about these stories on other podcasts

584

00:22:42,830 --> 00:22:40,020

and I've heard you say that you tend to

585

00:22:46,250 --> 00:22:42,840

lean towards the conclusion that it is

586

00:22:48,590 --> 00:22:46,260

just some kind of physical creature or

587

00:22:51,409 --> 00:22:48,600

animal as odd as it sounds I think

588

00:22:55,730 --> 00:22:51,419

that's the least likely explanation

589

00:22:57,710 --> 00:22:55,740

because we never can seem to recover a

590

00:23:00,890 --> 00:22:57,720

body no one who encounters it is ever

591

00:23:02,750 --> 00:23:00,900

able to shoot one or kill one maybe they

592

00:23:05,450 --> 00:23:02,760

bury their dead that's brought up in the

593

00:23:07,970 --> 00:23:05,460

book but oftentimes when people see

594

00:23:10,789 --> 00:23:07,980

these things they just vanish they

595

00:23:12,409 --> 00:23:10,799

either take a few steps and dissipate or

596

00:23:15,649 --> 00:23:12,419

they just can't

597

00:23:19,010 --> 00:23:15,659

see it go away the really weird things

598

00:23:22,070 --> 00:23:19,020

tend to happen and again maybe it is

599

00:23:24,830 --> 00:23:22,080

like not seen anymore because of the

600

00:23:27,230 --> 00:23:24,840

building in the area maybe it's just not

601
00:23:29,690 --> 00:23:27,240
that it's its natural habitat but just

602
00:23:32,090 --> 00:23:29,700
you don't see these things if you're not

603
00:23:33,890 --> 00:23:32,100
embedded in nature perhaps maybe it

604
00:23:36,289 --> 00:23:33,900
lives underground that's another theory

605
00:23:37,789 --> 00:23:36,299
I've heard proposed but really when you

606
00:23:41,270 --> 00:23:37,799
get into the details of these stories

607
00:23:43,610 --> 00:23:41,280
it's so strange I can't imagine it being

608
00:23:45,710 --> 00:23:43,620
a real physical creature

609
00:23:48,049 --> 00:23:45,720
well you know I go back and forth on

610
00:23:49,669 --> 00:23:48,059
that and as I say I don't really

611
00:23:52,850 --> 00:23:49,679
come to any

612
00:23:56,210 --> 00:23:52,860
actual conclusions I mean I I tend to

613
00:23:58,250 --> 00:23:56,220

think scientifically

614

00:23:59,810 --> 00:23:58,260

but on the other hand there have been

615

00:24:01,310 --> 00:23:59,820

some experiences that I've had with

616

00:24:04,669 --> 00:24:01,320

these things that

617

00:24:06,710 --> 00:24:04,679

don't add up physically for example the

618

00:24:08,870 --> 00:24:06,720

tracks that I found in the snow that

619

00:24:11,149 --> 00:24:08,880

ended in the middle of a field yeah yeah

620

00:24:13,789 --> 00:24:11,159

there you go that I can't really explain

621

00:24:16,730 --> 00:24:13,799

unless I mean a flying Bigfoot is too

622

00:24:18,590 --> 00:24:16,740

much even for me so it's uh does it

623

00:24:20,870 --> 00:24:18,600

disappear into another Dimensions I

624

00:24:23,090 --> 00:24:20,880

don't know but I did have an experience

625

00:24:25,549 --> 00:24:23,100

in 1982

626

00:24:28,190 --> 00:24:25,559

in which I went to this location which

627

00:24:30,230 --> 00:24:28,200

we dubbed Bigfoot Bridge

628

00:24:32,870 --> 00:24:30,240

because a number of tracks were found

629

00:24:36,230 --> 00:24:32,880

underneath the bridge by a hunter

630

00:24:38,750 --> 00:24:36,240

and I made plaster casts of those

631

00:24:40,490 --> 00:24:38,760

so it seemed to be a hot spot so I

632

00:24:42,169 --> 00:24:40,500

decided one night to just

633

00:24:44,750 --> 00:24:42,179

on the way back from work I was working

634

00:24:46,610 --> 00:24:44,760

in radio at the time and I

635

00:24:48,049 --> 00:24:46,620

I decided on the spur of the moment just

636

00:24:49,850 --> 00:24:48,059

to go over to Bigfoot bridge and just

637

00:24:51,409 --> 00:24:49,860

you know sit there for a while see if

638

00:24:53,690 --> 00:24:51,419

anything happened

639

00:24:54,890 --> 00:24:53,700

which was kind of a dumb idea because I

640

00:24:56,690 --> 00:24:54,900

didn't have a camera I didn't have a

641

00:24:58,850 --> 00:24:56,700

tape recorder or anything else

642

00:25:02,149 --> 00:24:58,860

but I just I don't know it was a spur of

643

00:25:04,010 --> 00:25:02,159

the moment thing so I parked the car and

644

00:25:05,570 --> 00:25:04,020

turned out the lights

645

00:25:07,610 --> 00:25:05,580

and it was a kind of a spooky night

646

00:25:09,710 --> 00:25:07,620

anyway I mean they were

647

00:25:11,630 --> 00:25:09,720

on the way over at Black Cat across my

648

00:25:14,270 --> 00:25:11,640

path so I should have known something

649

00:25:16,430 --> 00:25:14,280

was up but

650

00:25:18,529 --> 00:25:16,440

you know it was a very quiet night at

651
00:25:19,970 --> 00:25:18,539
first and then I just kind of decided

652
00:25:21,830 --> 00:25:19,980
okay well I'm gonna

653
00:25:23,630 --> 00:25:21,840
I'm going to count to a hundred and by

654
00:25:25,610 --> 00:25:23,640
the time I reach 100 if nothing happens

655
00:25:28,070 --> 00:25:25,620
I'm gonna go home

656
00:25:32,510 --> 00:25:28,080
so I was getting up into the 80s or 90s

657
00:25:35,090 --> 00:25:32,520
I think when I heard a sound from this

658
00:25:37,610 --> 00:25:35,100
little group of trees across the road

659
00:25:41,029 --> 00:25:37,620
which to me sounded like two big monkeys

660
00:25:44,149 --> 00:25:41,039
trying to talk to each other chattering

661
00:25:45,830 --> 00:25:44,159
and I really wanted to get out of the

662
00:25:48,010 --> 00:25:45,840
car I really did

663
00:25:52,730 --> 00:25:48,020

but my legs wouldn't cooperate at first

664

00:25:54,769 --> 00:25:52,740

I admit I was a little scared about that

665

00:25:56,450 --> 00:25:54,779

by the time I finally got up the nerve

666

00:25:59,029 --> 00:25:56,460

to get out of the car and go across the

667

00:26:01,730 --> 00:25:59,039

road the noise stopped that was

668

00:26:03,890 --> 00:26:01,740

predictable I suppose

669

00:26:05,269 --> 00:26:03,900

but at the same moment that the noise

670

00:26:08,390 --> 00:26:05,279

stopped

671

00:26:10,310 --> 00:26:08,400

I saw ahead of me there was far in the

672

00:26:11,510 --> 00:26:10,320

distance a light coming out from behind

673

00:26:13,190 --> 00:26:11,520

the trees

674

00:26:15,890 --> 00:26:13,200

just a white light

675

00:26:18,169 --> 00:26:15,900

and it went straight up into the sky and

676

00:26:20,890 --> 00:26:18,179

just disappeared

677

00:26:23,990 --> 00:26:20,900

now what the connection was I don't know

678

00:26:25,250 --> 00:26:24,000

or was there a connection but it's

679

00:26:26,390 --> 00:26:25,260

another one of those things I can't

680

00:26:28,549 --> 00:26:26,400

explain

681

00:26:31,730 --> 00:26:28,559

yeah and you know the Kinderhook

682

00:26:34,510 --> 00:26:31,740

creature it gets top billing in the book

683

00:26:37,390 --> 00:26:34,520

title but there are far stranger

684

00:26:39,649 --> 00:26:37,400

sightings that you've had

685

00:26:42,049 --> 00:26:39,659

including this

686

00:26:44,750 --> 00:26:42,059

I guess thing that was seen multiple

687

00:26:47,450 --> 00:26:44,760

times that you just call the blob and

688

00:26:50,990 --> 00:26:47,460

the depictions of it in the book are

689

00:26:53,630 --> 00:26:51,000

really wild they kind of look like uh

690

00:26:55,549 --> 00:26:53,640

ghost like in an old Mickey Mouse

691

00:26:57,529 --> 00:26:55,559

cartoon an old black and white cartoon

692

00:27:00,710 --> 00:26:57,539

or it looks like a floating bowling ball

693

00:27:03,289 --> 00:27:00,720

with a sheet over it to a degree but

694

00:27:05,810 --> 00:27:03,299

this is strange talk to us about this

695

00:27:08,630 --> 00:27:05,820

it is very strange

696

00:27:12,230 --> 00:27:08,640

back when I was 9 or 10 years old

697

00:27:15,169 --> 00:27:12,240

my cousin Sherry that's Barry's sister

698

00:27:17,330 --> 00:27:15,179

she and I were playing in the woods at

699

00:27:18,649 --> 00:27:17,340

the top of the hill behind the house and

700

00:27:22,070 --> 00:27:18,659

it's

701

00:27:24,769 --> 00:27:22,080

a lot of woods there and

702

00:27:26,570 --> 00:27:24,779

it was just before Sunset and I heard

703

00:27:27,890 --> 00:27:26,580

this noise like a high-pitched whistling

704

00:27:31,070 --> 00:27:27,900

sound

705

00:27:32,750 --> 00:27:31,080

and I turned around and I saw

706

00:27:34,970 --> 00:27:32,760

something that seemed to be looking at

707

00:27:36,769 --> 00:27:34,980

me from behind a tree even though it had

708

00:27:38,690 --> 00:27:36,779

no eyes I said it was looking because I

709

00:27:42,049 --> 00:27:38,700

felt it was looking at me

710

00:27:43,370 --> 00:27:42,059

and it was just this big bulbous bluish

711

00:27:45,590 --> 00:27:43,380

white shape

712

00:27:49,250 --> 00:27:45,600

I likened it to Casper the Friendly

713

00:27:53,330 --> 00:27:50,630

and

714

00:27:55,730 --> 00:27:53,340

I was so startled by this Apparition

715

00:27:58,070 --> 00:27:55,740

that I I said to Sherry let's get out of

716

00:28:00,289 --> 00:27:58,080

here and we just ran down the hill

717

00:28:03,169 --> 00:28:00,299

didn't look back

718

00:28:05,210 --> 00:28:03,179

so that you know I kind of chopped that

719

00:28:07,789 --> 00:28:05,220

up to okay that was a weird thing that

720

00:28:08,810 --> 00:28:07,799

happened in my childhood but two years

721

00:28:11,510 --> 00:28:08,820

later

722

00:28:13,490 --> 00:28:11,520

a friend of mine actually my best friend

723

00:28:15,529 --> 00:28:13,500

and when I was a kid this kid named

724

00:28:17,390 --> 00:28:15,539

Jerome

725

00:28:18,590 --> 00:28:17,400

he was down in the woods by himself he

726
00:28:21,649 --> 00:28:18,600
was

727
00:28:23,269 --> 00:28:21,659
at the house

728
00:28:24,950 --> 00:28:23,279
and

729
00:28:27,830 --> 00:28:24,960
as I was coming out the door he came

730
00:28:29,690 --> 00:28:27,840
running up to the house saying that he

731
00:28:31,669 --> 00:28:29,700
had seen something

732
00:28:33,950 --> 00:28:31,679
that scared him so much down in the

733
00:28:36,710 --> 00:28:33,960
woods that he had jumped over a pond and

734
00:28:38,390 --> 00:28:36,720
the pond was close to six feet wide as I

735
00:28:40,070 --> 00:28:38,400
remember

736
00:28:42,110 --> 00:28:40,080
and he said it was

737
00:28:44,570 --> 00:28:42,120
he called it a blob

738
00:28:47,450 --> 00:28:44,580

and it came down the hill towards him he

739

00:28:48,830 --> 00:28:47,460

said it kind of floated down the hill

740

00:28:50,510 --> 00:28:48,840

so

741

00:28:51,890 --> 00:28:50,520

I wasn't sure if he was pulling my leg

742

00:28:54,769 --> 00:28:51,900

or not

743

00:28:56,870 --> 00:28:54,779

it didn't look like he was because he

744

00:28:58,130 --> 00:28:56,880

looked real like he was really scared

745

00:29:00,590 --> 00:28:58,140

so

746

00:29:02,870 --> 00:29:00,600

you know being uh 12 year olds we

747

00:29:05,390 --> 00:29:02,880

decided okay we're gonna find this thing

748

00:29:06,169 --> 00:29:05,400

and I took a pitchfork and he took some

749

00:29:08,149 --> 00:29:06,179

other

750

00:29:10,130 --> 00:29:08,159

farm implement of death I don't know

751

00:29:13,370 --> 00:29:10,140

what it was and we went down in the

752

00:29:15,049 --> 00:29:13,380

woods to see if they can find this thing

753

00:29:16,490 --> 00:29:15,059

and

754

00:29:17,630 --> 00:29:16,500

you know we were walking through the

755

00:29:20,570 --> 00:29:17,640

woods together and then all of a sudden

756

00:29:22,250 --> 00:29:20,580

he stopped and he pointed ahead

757

00:29:24,110 --> 00:29:22,260

it was like you couldn't say anything he

758

00:29:25,909 --> 00:29:24,120

was too scared

759

00:29:27,289 --> 00:29:25,919

he was pointing toward this tree and I

760

00:29:28,789 --> 00:29:27,299

looked at the tree and there sure enough

761

00:29:31,250 --> 00:29:28,799

there's something up in the tree that

762

00:29:34,250 --> 00:29:31,260

was like a white shape

763

00:29:36,590 --> 00:29:34,260

and being 12 years old we were

764

00:29:40,250 --> 00:29:36,600

incredibly courageous so I said let's

765

00:29:43,789 --> 00:29:42,289

that was not the last time it was seen

766

00:29:47,930 --> 00:29:43,799

though

767

00:29:50,029 --> 00:29:47,940

about 15 or so years later

768

00:29:52,490 --> 00:29:50,039

two of my cousins were down in the woods

769

00:29:54,409 --> 00:29:52,500

and they had built a lean-to down there

770

00:29:57,409 --> 00:29:54,419

and they were in pretty much the same

771

00:30:00,649 --> 00:29:57,419

area where we had had our sightings

772

00:30:05,029 --> 00:30:00,659

and this was in an afternoon

773

00:30:07,310 --> 00:30:05,039

and they saw they said later

774

00:30:09,830 --> 00:30:07,320

this entity this whatever it was

775

00:30:12,049 --> 00:30:09,840

Apparition coming down the hill

776

00:30:14,690 --> 00:30:12,059

now what was interesting is that my

777

00:30:17,269 --> 00:30:14,700

cousin Barry who's Protestant

778

00:30:19,970 --> 00:30:17,279

and this is important to remember he's

779

00:30:21,409 --> 00:30:19,980

Protestant he saw a bell-shaped object

780

00:30:24,409 --> 00:30:21,419

coming down the hill

781

00:30:27,950 --> 00:30:24,419

my other cousin Russell who's Catholic

782

00:30:31,250 --> 00:30:27,960

saw the Virgin Mary coming down the hill

783

00:30:34,070 --> 00:30:31,260

that I thought was very intriguing yes

784

00:30:35,570 --> 00:30:34,080

it sort of implies that whatever this

785

00:30:37,130 --> 00:30:35,580

thing was

786

00:30:42,110 --> 00:30:37,140

it

787

00:30:45,950 --> 00:30:44,870

I don't know I I can't again I can't

788

00:30:48,470 --> 00:30:45,960

explain it

789

00:30:51,710 --> 00:30:48,480

and a few years after that my father was

790

00:30:53,029 --> 00:30:51,720

out in his tractor he had a he used to

791

00:30:54,830 --> 00:30:53,039

do a lot of

792

00:30:56,930 --> 00:30:54,840

not really farming but he had a garden

793

00:30:58,070 --> 00:30:56,940

and he you know he'd take care of the

794

00:30:59,870 --> 00:30:58,080

property

795

00:31:02,570 --> 00:30:59,880

so he was having this tractor one day

796

00:31:03,730 --> 00:31:02,580

and he saw this white object fly over

797

00:31:07,130 --> 00:31:03,740

his head

798

00:31:08,690 --> 00:31:07,140

and over into the trees in the woods

799

00:31:11,269 --> 00:31:08,700

Beyond

800

00:31:14,690 --> 00:31:11,279

and he described it in much the same way

801
00:31:16,810 --> 00:31:14,700
as sort of this big amorphous shape

802
00:31:20,029 --> 00:31:16,820
and that was back around

803
00:31:21,830 --> 00:31:20,039
1990 or their best

804
00:31:24,710 --> 00:31:21,840
but there has been a more recent

805
00:31:27,049 --> 00:31:24,720
sighting of this thing the kinderglob

806
00:31:29,269 --> 00:31:27,059
has taken on a life of its own there are

807
00:31:31,010 --> 00:31:29,279
a couple of websites actually dedicated

808
00:31:33,909 --> 00:31:31,020
to it believe it or not

809
00:31:37,669 --> 00:31:33,919
there's a blob blog

810
00:31:40,789 --> 00:31:37,679
and on the blog I found out that there

811
00:31:44,570 --> 00:31:40,799
were a couple of people two guys

812
00:31:46,970 --> 00:31:44,580
who saw it in 2017 and they described it

813
00:31:48,789 --> 00:31:46,980

almost exactly the same as

814

00:31:51,289 --> 00:31:48,799

other people had

815

00:31:53,330 --> 00:31:51,299

they said that first they heard a

816

00:31:57,110 --> 00:31:53,340

whistling sound

817

00:31:59,870 --> 00:31:57,120

when they looked overhead this big white

818

00:32:01,730 --> 00:31:59,880

Blobby thing was flying over them

819

00:32:03,409 --> 00:32:01,740

and this was again somewhere around

820

00:32:06,230 --> 00:32:03,419

Kinder okay I haven't been able to get

821

00:32:08,210 --> 00:32:06,240

these guys to respond to requests for

822

00:32:09,830 --> 00:32:08,220

interviews I have a feeling they're

823

00:32:12,529 --> 00:32:09,840

probably a little sheepish about it as

824

00:32:14,269 --> 00:32:12,539

many people might be but I know their

825

00:32:16,549 --> 00:32:14,279

names and one of these days I'm gonna

826

00:32:18,649 --> 00:32:16,559

talk to them directly and

827

00:32:21,470 --> 00:32:18,659

get their story firsthand but I just

828

00:32:25,010 --> 00:32:21,480

thought that was fascinating that The

829

00:32:27,529 --> 00:32:25,020

Legend Continues yeah this is one of my

830

00:32:29,810 --> 00:32:27,539

favorite entities that you cover in the

831

00:32:33,049 --> 00:32:29,820

book because it is just so strange and

832

00:32:36,769 --> 00:32:33,059

defies the typical categories we put

833

00:32:41,510 --> 00:32:36,779

these things in and that theme of

834

00:32:43,970 --> 00:32:41,520

looking at a strange entity and then it

835

00:32:45,889 --> 00:32:43,980

kind of morphing into something that

836

00:32:47,750 --> 00:32:45,899

jives with your religious convictions

837

00:32:50,330 --> 00:32:47,760

yeah is something we've heard before

838

00:32:54,769 --> 00:32:50,340

it's like the Our Lady of Fatima

839

00:32:58,190 --> 00:32:54,779

sightings it's uh perhaps the glowing

840

00:33:01,250 --> 00:32:58,200

cross in the sky that people have seen I

841

00:33:03,889 --> 00:33:01,260

don't know why it doesn't jive with

842

00:33:05,870 --> 00:33:03,899

other things that a person could be

843

00:33:09,289 --> 00:33:05,880

interested in it always seems to come

844

00:33:11,510 --> 00:33:09,299

back to their religious beliefs for some

845

00:33:13,430 --> 00:33:11,520

reason and it makes me think about that

846

00:33:15,110 --> 00:33:13,440

connection you mentioned about fairies

847

00:33:18,649 --> 00:33:15,120

and aliens

848

00:33:22,009 --> 00:33:18,659

it's almost as if there was some kind of

849

00:33:25,730 --> 00:33:22,019

potentially an experiment done with

850

00:33:29,210 --> 00:33:25,740

Hollywood with the Deep State CIA

851

00:33:32,750 --> 00:33:29,220

whatever military men to kind of see

852

00:33:36,950 --> 00:33:32,760

what would happen perhaps if they spun

853

00:33:39,110 --> 00:33:36,960

some of these stories into a Sci-Fi lens

854

00:33:40,549 --> 00:33:39,120

and then people of course they see these

855

00:33:42,289 --> 00:33:40,559

things and then maybe they associate

856

00:33:44,389 --> 00:33:42,299

with aliens I don't know I do think

857

00:33:48,529 --> 00:33:44,399

there's a Continuum of these little

858

00:33:50,509 --> 00:33:48,539

green creatures from Ireland right on up

859

00:33:52,669 --> 00:33:50,519

to you know the Sci-Fi stuff we have

860

00:33:54,830 --> 00:33:52,679

today but I could see an experiment

861

00:33:58,190 --> 00:33:54,840

being undergone where it's like what if

862

00:34:00,710 --> 00:33:58,200

we color this there was through a

863

00:34:03,710 --> 00:34:00,720

certain lens and then see if what people

864

00:34:06,230 --> 00:34:03,720

see starts to be things more of that

865

00:34:08,270 --> 00:34:06,240

type I don't know that's a an

866

00:34:10,490 --> 00:34:08,280

explanation that I know there's many

867

00:34:12,889 --> 00:34:10,500

many stories that wouldn't fit into that

868

00:34:15,050 --> 00:34:12,899

mold but it's something I don't know

869

00:34:16,970 --> 00:34:15,060

it's just weird what do you make of that

870

00:34:18,950 --> 00:34:16,980

you think it's reading people's minds or

871

00:34:21,950 --> 00:34:18,960

do you think people's minds are trying

872

00:34:24,770 --> 00:34:21,960

to flip through what it knows to to find

873

00:34:26,930 --> 00:34:24,780

a box to put this thing in

874

00:34:28,190 --> 00:34:26,940

you know my gut feeling is it's the

875

00:34:31,490 --> 00:34:28,200

latter

876

00:34:33,290 --> 00:34:31,500

I have no way of proving that but

877

00:34:36,470 --> 00:34:33,300

did you ever read a book called passport

878

00:34:38,210 --> 00:34:36,480

to Magonia by Jacque Valley oh yeah a

879

00:34:41,030 --> 00:34:38,220

good one a great one yeah I should have

880

00:34:42,889 --> 00:34:41,040

known you yeah yeah I mean he he

881

00:34:44,149 --> 00:34:42,899

postulates such interesting things in

882

00:34:46,849 --> 00:34:44,159

that book about

883

00:34:51,470 --> 00:34:46,859

you know the sort of cosmic Joker that

884

00:34:53,210 --> 00:34:51,480

may exist that plays tricks on our puny

885

00:34:55,010 --> 00:34:53,220

human Minds

886

00:34:58,310 --> 00:34:55,020

and that sort of leads into my theory

887

00:35:01,010 --> 00:34:58,320

about aliens and UFOs

888

00:35:02,750 --> 00:35:01,020

it seems to me that they are some of the

889

00:35:04,070 --> 00:35:02,760

things that they're accused of doing are

890

00:35:06,170 --> 00:35:04,080

so strange

891

00:35:08,210 --> 00:35:06,180

that I don't think extraterrestrial even

892

00:35:10,569 --> 00:35:08,220

covers it

893

00:35:14,450 --> 00:35:10,579

it almost seems as if they're

894

00:35:17,450 --> 00:35:14,460

interdimensional or from another time or

895

00:35:18,890 --> 00:35:17,460

I don't know what but

896

00:35:22,069 --> 00:35:18,900

and there does seem to be a connection

897

00:35:25,430 --> 00:35:22,079

with the the old fairy stories

898

00:35:28,670 --> 00:35:25,440

which have so many parallels

899

00:35:31,010 --> 00:35:28,680

I mean it's hard to find anything in the

900

00:35:35,990 --> 00:35:31,020

old fairy abduction tales that you can't

901
00:35:38,150 --> 00:35:36,000
find in modern day alien abduction Tales

902
00:35:41,150 --> 00:35:38,160
so that to me indicates it's the same

903
00:35:43,550 --> 00:35:41,160
phenomenon but what that phenomenon is I

904
00:35:46,010 --> 00:35:43,560
can't say for sure is it a phenomenon of

905
00:35:48,170 --> 00:35:46,020
the human mind or is it a phenomenon

906
00:35:51,170 --> 00:35:48,180
that's physical

907
00:35:54,050 --> 00:35:51,180
but maybe not of our

908
00:35:56,990 --> 00:35:54,060
Dimension I don't know yeah I don't know

909
00:35:58,250 --> 00:35:57,000
Charles Ford Charles Ford used to say

910
00:35:59,930 --> 00:35:58,260
that

911
00:36:01,730 --> 00:35:59,940
I present

912
00:36:03,170 --> 00:36:01,740
the evidence here and I'll make of it

913
00:36:04,550 --> 00:36:03,180

what you will that's pretty much my

914

00:36:06,410 --> 00:36:04,560

attitude

915

00:36:08,870 --> 00:36:06,420

because I don't I don't try to draw any

916

00:36:11,510 --> 00:36:08,880

foregone conclusions because I think

917

00:36:12,890 --> 00:36:11,520

once you've done that then you kind of

918

00:36:14,569 --> 00:36:12,900

made up your mind

919

00:36:16,450 --> 00:36:14,579

and you're not going to necessarily

920

00:36:18,589 --> 00:36:16,460

follow the evidence where it leads

921

00:36:19,609 --> 00:36:18,599

whereas if you just kind of keep an open

922

00:36:21,290 --> 00:36:19,619

mind

923

00:36:24,710 --> 00:36:21,300

then maybe you'll actually discover

924

00:36:27,829 --> 00:36:24,720

something totally new and unexpected

925

00:36:31,490 --> 00:36:27,839

yeah so I like to keep that attitude

926

00:36:34,490 --> 00:36:31,500

but I do find it very intriguing that

927

00:36:36,410 --> 00:36:34,500

these Tales are so old and yet so

928

00:36:37,910 --> 00:36:36,420

current mm-hmm

929

00:36:40,430 --> 00:36:37,920

and

930

00:36:42,829 --> 00:36:40,440

I mean aliens are usually little aren't

931

00:36:44,750 --> 00:36:42,839

they they're usually about the size of a

932

00:36:47,930 --> 00:36:44,760

child or maybe a little larger

933

00:36:49,910 --> 00:36:47,940

just like the fairies

934

00:36:52,910 --> 00:36:49,920

and the fairies used to abduct people

935

00:36:56,690 --> 00:36:52,920

and they would keep them in their fairy

936

00:36:59,930 --> 00:36:56,700

Mounds or wherever they they went

937

00:37:02,270 --> 00:36:59,940

for maybe uh you know a week or two but

938

00:37:03,109 --> 00:37:02,280

when the person came out of the fairy

939

00:37:04,849 --> 00:37:03,119

Mound

940

00:37:06,290 --> 00:37:04,859

they'd find that years and years had

941

00:37:08,990 --> 00:37:06,300

passed

942

00:37:11,390 --> 00:37:09,000

that's quite similar to what happens to

943

00:37:14,870 --> 00:37:11,400

people with missing time

944

00:37:16,010 --> 00:37:14,880

it all goes kind of in a circle and I

945

00:37:21,530 --> 00:37:16,020

just

946

00:37:24,410 --> 00:37:21,540

it from there yes yes I've even thought

947

00:37:27,770 --> 00:37:24,420

that it's interesting how the classic

948

00:37:30,589 --> 00:37:27,780

Flying Saucer the Dome kind of has a

949

00:37:33,470 --> 00:37:30,599

mound shape to it and these fairies are

950

00:37:35,390 --> 00:37:33,480

supposed to be from the Mounds and also

951
00:37:37,730 --> 00:37:35,400
you mentioned the missing time just the

952
00:37:40,490 --> 00:37:37,740
similarities in the descriptions of the

953
00:37:43,310 --> 00:37:40,500
beans but also their behaviors and

954
00:37:46,370 --> 00:37:43,320
interests like you mentioned stealing

955
00:37:49,849 --> 00:37:46,380
babies abducting people they seem to be

956
00:37:54,410 --> 00:37:49,859
really interested in our genetics or in

957
00:37:57,050 --> 00:37:54,420
mating or in cross breeding and that's a

958
00:37:59,270 --> 00:37:57,060
curious thing yeah and then if you want

959
00:38:02,210 --> 00:37:59,280
to you know get into some real wild

960
00:38:03,950 --> 00:38:02,220
conjecture I mean what if they're what

961
00:38:05,329 --> 00:38:03,960
if they're us from the future you know

962
00:38:07,970 --> 00:38:05,339
what if they

963
00:38:10,310 --> 00:38:07,980

are evolved human beings

964

00:38:12,770 --> 00:38:10,320

who have gone back in time

965

00:38:14,990 --> 00:38:12,780

to you know try and

966

00:38:17,270 --> 00:38:15,000

help the race along because apparently

967

00:38:18,109 --> 00:38:17,280

the race is not doing so well in the

968

00:38:20,270 --> 00:38:18,119

future

969

00:38:24,410 --> 00:38:20,280

and maybe that's why they're so

970

00:38:26,630 --> 00:38:24,420

interested in our reproductive selves

971

00:38:30,290 --> 00:38:26,640

I don't know you know again

972

00:38:32,329 --> 00:38:30,300

you can make all kinds of conjectures

973

00:38:33,890 --> 00:38:32,339

there's no proof of any of it but then

974

00:38:35,810 --> 00:38:33,900

again

975

00:38:37,310 --> 00:38:35,820

there was no proof of evolution until

976

00:38:40,670 --> 00:38:37,320

Darwin so

977

00:38:43,490 --> 00:38:40,680

fair and I had this quote from the book

978

00:38:45,650 --> 00:38:43,500

about the genetic component to fairy

979

00:38:47,630 --> 00:38:45,660

stories you write the good people also

980

00:38:49,670 --> 00:38:47,640

had an exception uh had an obsession

981

00:38:51,470 --> 00:38:49,680

with human reproduction stealing newborn

982

00:38:53,750 --> 00:38:51,480

human babies right out of their cradles

983

00:38:56,329 --> 00:38:53,760

and taking them to Fairyland exchanging

984

00:38:58,849 --> 00:38:56,339

them with fairy babies or sometimes with

985

00:39:00,890 --> 00:38:58,859

old and ugly fairies the intention was

986

00:39:03,410 --> 00:39:00,900

to increase and improve their stock as

987

00:39:05,450 --> 00:39:03,420

for whatever reason fairy births were

988

00:39:07,910 --> 00:39:05,460

often blighted with miscarriages and

989

00:39:10,190 --> 00:39:07,920

deformities as such they would attempt

990

00:39:13,790 --> 00:39:10,200

to strengthen their breed with new blood

991

00:39:16,609 --> 00:39:13,800

hours and I do find some of that to just

992

00:39:18,290 --> 00:39:16,619

be the most interesting part the strange

993

00:39:20,990 --> 00:39:18,300

genetic motivation maybe there's

994

00:39:23,210 --> 00:39:21,000

something about the ancient past and

995

00:39:26,930 --> 00:39:23,220

Humanity's past that we just don't have

996

00:39:29,329 --> 00:39:26,940

context for that would explain some of

997

00:39:32,329 --> 00:39:29,339

this obviously Ancient Aliens has just

998

00:39:34,970 --> 00:39:32,339

totally taken off but the premise that

999

00:39:38,150 --> 00:39:34,980

maybe we were created in the ancient

1000

00:39:40,430 --> 00:39:38,160

past or tinkered with and that it maybe

1001
00:39:42,050 --> 00:39:40,440
these fairies were also created but they

1002
00:39:44,569 --> 00:39:42,060
weren't created as well or something

1003
00:39:47,030 --> 00:39:44,579
maybe there's a big secret in the

1004
00:39:49,370 --> 00:39:47,040
Ancient Ancient past that relates to

1005
00:39:51,950 --> 00:39:49,380
some of this it could be you know

1006
00:39:55,690 --> 00:39:51,960
Charles Ford used to say I believe that

1007
00:39:58,730 --> 00:39:55,700
we are fished for ah I like that phrase

1008
00:40:01,069 --> 00:39:58,740
It's kind of creepy but I like it

1009
00:40:03,710 --> 00:40:01,079
we our property was another one of his

1010
00:40:06,410 --> 00:40:03,720
phrases yeah yeah

1011
00:40:09,170 --> 00:40:06,420
and that was long before alien abduction

1012
00:40:10,790 --> 00:40:09,180
stories were around modern alien

1013
00:40:12,770 --> 00:40:10,800

abduction stories

1014

00:40:16,069 --> 00:40:12,780

so he was ahead of his time in that

1015

00:40:18,770 --> 00:40:16,079

respect in a lot of respects but

1016

00:40:20,690 --> 00:40:18,780

just the fact that

1017

00:40:22,550 --> 00:40:20,700

there are so many similarities to these

1018

00:40:25,250 --> 00:40:22,560

tales and I I had an experience of my

1019

00:40:28,970 --> 00:40:25,260

own which is in the book

1020

00:40:30,170 --> 00:40:28,980

in which I saw something some thing or

1021

00:40:31,670 --> 00:40:30,180

someone

1022

00:40:36,650 --> 00:40:31,680

uh

1023

00:40:38,930 --> 00:40:36,660

and what we call the back 40 of my

1024

00:40:42,710 --> 00:40:38,940

grandparents property which is now our

1025

00:40:47,810 --> 00:40:44,870

one day I was I was probably in my early

1026
00:40:49,730 --> 00:40:47,820
20s I was out wandering in the the field

1027
00:40:52,430 --> 00:40:49,740
in the back which I was wanting to do in

1028
00:40:55,069 --> 00:40:52,440
those days and

1029
00:40:56,630 --> 00:40:55,079
bright sunny day and I happened to see

1030
00:40:58,370 --> 00:40:56,640
at the edge of the woods there was a guy

1031
00:41:01,310 --> 00:40:58,380
with his back to me

1032
00:41:03,890 --> 00:41:01,320
kind of a short person

1033
00:41:06,170 --> 00:41:03,900
who happened to be dressed in green

1034
00:41:08,450 --> 00:41:06,180
and he was digging

1035
00:41:11,390 --> 00:41:08,460
digging in the dirt for something

1036
00:41:13,250 --> 00:41:11,400
and I called out to the man and he

1037
00:41:14,630 --> 00:41:13,260
didn't respond at all it was as if he

1038
00:41:16,490 --> 00:41:14,640

never heard me

1039

00:41:17,810 --> 00:41:16,500

and I called out to him a couple of

1040

00:41:19,370 --> 00:41:17,820

times

1041

00:41:30,890 --> 00:41:19,380

and

1042

00:41:32,990 --> 00:41:30,900

Brave person she wants Chase

1043

00:41:35,569 --> 00:41:33,000

three guys who were carrying guns off

1044

00:41:37,490 --> 00:41:35,579

the property with a broom she just took

1045

00:41:39,710 --> 00:41:37,500

a broom and chased him up

1046

00:41:41,270 --> 00:41:39,720

they were hunting for deer I guess on

1047

00:41:43,490 --> 00:41:41,280

our property but anyway

1048

00:41:45,410 --> 00:41:43,500

she was that kind of person so she came

1049

00:41:47,990 --> 00:41:45,420

out with me and

1050

00:41:50,510 --> 00:41:48,000

we both called out to this man

1051
00:41:53,329 --> 00:41:50,520
and at one point he sort of half turned

1052
00:41:55,910 --> 00:41:53,339
around to face us but we couldn't see

1053
00:41:58,250 --> 00:41:55,920
any features on his face and despite the

1054
00:41:59,750 --> 00:41:58,260
fact it was a bright sunny day

1055
00:42:01,250 --> 00:41:59,760
and then he just

1056
00:42:04,730 --> 00:42:01,260
turned around as if we hadn't even been

1057
00:42:06,589 --> 00:42:04,740
there and just went on digging

1058
00:42:08,930 --> 00:42:06,599
and then something even stranger

1059
00:42:11,450 --> 00:42:08,940
happened we decided to go back to the

1060
00:42:13,069 --> 00:42:11,460
house and to this day I don't know why

1061
00:42:16,609 --> 00:42:13,079
we did that

1062
00:42:19,849 --> 00:42:16,619
but what's really odd about this is that

1063
00:42:22,250 --> 00:42:19,859

I don't recall actually walking back to

1064

00:42:24,050 --> 00:42:22,260

the house I just recall us being back at

1065

00:42:26,089 --> 00:42:24,060

the house

1066

00:42:27,109 --> 00:42:26,099

sitting at the dining room table and

1067

00:42:29,270 --> 00:42:27,119

then

1068

00:42:32,690 --> 00:42:29,280

one of us said to the other

1069

00:42:37,370 --> 00:42:35,390

and so we had no good answer for that so

1070

00:42:39,230 --> 00:42:37,380

we went out to see if the man was still

1071

00:42:42,589 --> 00:42:39,240

there and he was gone

1072

00:42:45,290 --> 00:42:42,599

and there was no sign of anybody having

1073

00:42:47,030 --> 00:42:45,300

dug there

1074

00:42:49,250 --> 00:42:47,040

that was one of the strangest things

1075

00:42:51,470 --> 00:42:49,260

that ever happened to me and I I can't

1076

00:42:53,630 --> 00:42:51,480

account for it

1077

00:42:55,630 --> 00:42:53,640

there might have been some missing time

1078

00:42:58,910 --> 00:42:55,640

involved there I'm not sure

1079

00:43:01,670 --> 00:42:58,920

but whatever it was it was really odd

1080

00:43:03,650 --> 00:43:01,680

and I you know I had the feeling

1081

00:43:08,329 --> 00:43:03,660

that we saw something we weren't

1082

00:43:10,130 --> 00:43:08,339

supposed to see and that somehow

1083

00:43:12,589 --> 00:43:10,140

they got us back to the house so we

1084

00:43:16,250 --> 00:43:12,599

couldn't see any more I don't know yeah

1085

00:43:17,930 --> 00:43:16,260

yeah outside of the blob that was my

1086

00:43:19,309 --> 00:43:17,940

favorite story from the book I read that

1087

00:43:22,130 --> 00:43:19,319

I knew we were going to have a good time

1088

00:43:24,470 --> 00:43:22,140

but as you say he was entirely dressed

1089

00:43:27,890 --> 00:43:24,480

in green olive green shirt olive green

1090

00:43:29,930 --> 00:43:27,900

pants olive green hat that is such a

1091

00:43:32,630 --> 00:43:29,940

common theme and then also a lot of the

1092

00:43:35,089 --> 00:43:32,640

stories I hear are with these little

1093

00:43:37,370 --> 00:43:35,099

creatures digging I don't know why but

1094

00:43:39,349 --> 00:43:37,380

often they're digging of course you know

1095

00:43:42,650 --> 00:43:39,359

the leprechaun and the pot of gold and

1096

00:43:45,650 --> 00:43:42,660

searching for some kind of treasure is

1097

00:43:48,410 --> 00:43:45,660

in the mix of these stories but that has

1098

00:43:51,650 --> 00:43:48,420

to be one of like a couple dozen stories

1099

00:43:55,010 --> 00:43:51,660

I've heard where someone stumbles upon a

1100

00:43:58,010 --> 00:43:55,020

little man who is green or is dressed in

1101
00:44:00,650 --> 00:43:58,020
green who is digging and then notices

1102
00:44:02,390 --> 00:44:00,660
that they're being seen and doesn't

1103
00:44:05,210 --> 00:44:02,400
really care it goes back to what they're

1104
00:44:08,089 --> 00:44:05,220
doing the blank slate no features in the

1105
00:44:10,309 --> 00:44:08,099
face is very strange that has got to be

1106
00:44:13,490 --> 00:44:10,319
a creepy thing to see but yeah I guess

1107
00:44:16,370 --> 00:44:13,500
also this like fairy enchantment the

1108
00:44:19,130 --> 00:44:16,380
idea that they just kind of wave you off

1109
00:44:21,230 --> 00:44:19,140
and and some mind control spell you just

1110
00:44:22,910 --> 00:44:21,240
don't seem to care anymore like you said

1111
00:44:25,609 --> 00:44:22,920
maybe there's missing time who knows why

1112
00:44:26,690 --> 00:44:25,619
you went back but a lot of curiosity in

1113
00:44:32,270 --> 00:44:26,700

that story

1114

00:44:34,730 --> 00:44:32,280
well about 50 years now probably

1115

00:44:37,010 --> 00:44:34,740
and I just

1116

00:44:40,130 --> 00:44:37,020
I still find it to be one of the

1117

00:44:42,530 --> 00:44:40,140
strangest experiences I've ever had

1118

00:44:45,589 --> 00:44:42,540
it's unsettling because it makes you

1119

00:44:48,530 --> 00:44:45,599
feel like maybe you're not entirely in

1120

00:44:50,390 --> 00:44:48,540
control you know yes maybe there are

1121

00:44:51,410 --> 00:44:50,400
other things that control us more than

1122

00:44:54,230 --> 00:44:51,420
we know

1123

00:44:56,450 --> 00:44:54,240
right and some of this stuff also makes

1124

00:44:58,910 --> 00:44:56,460
me think about the possibility that over

1125

00:45:01,849 --> 00:44:58,920
the centuries they have had a successful

1126
00:45:06,050 --> 00:45:01,859
breeding program and maybe some actually

1127
00:45:10,130 --> 00:45:06,060
have learned to live among us or they

1128
00:45:12,530 --> 00:45:10,140
are able to maybe be hybridized in a way

1129
00:45:14,510 --> 00:45:12,540
that if you're not really paying much

1130
00:45:16,370 --> 00:45:14,520
attention you won't notice I actually

1131
00:45:20,030 --> 00:45:16,380
have a good friend who thinks this is

1132
00:45:22,550 --> 00:45:20,040
true through the grapevine he met this

1133
00:45:25,010 --> 00:45:22,560
guy who a female friend of his was

1134
00:45:25,790 --> 00:45:25,020
dating and this guy struck him as very

1135
00:45:28,550 --> 00:45:25,800
weird

1136
00:45:31,490 --> 00:45:28,560
this guy said his family goes on these

1137
00:45:35,030 --> 00:45:31,500
10-day feasts out in the woods the sky

1138
00:45:38,089 --> 00:45:35,040

had money but no job of any kind there

1139

00:45:40,130 --> 00:45:38,099

were also basic things about life that

1140

00:45:43,430 --> 00:45:40,140

this guy seemed unfamiliar with and when

1141

00:45:45,770 --> 00:45:43,440

this girl had to meet this guy's mom the

1142

00:45:48,290 --> 00:45:45,780

mom was very obsessed with her genetics

1143

00:45:50,510 --> 00:45:48,300

and asking questions that were way out

1144

00:45:53,210 --> 00:45:50,520

of line for someone that you're just

1145

00:45:54,829 --> 00:45:53,220

meeting and my buddy also told me that

1146

00:45:57,170 --> 00:45:54,839

if you really took a hard look at this

1147

00:45:59,630 --> 00:45:57,180

guy's clothes they were off he noted

1148

00:46:01,190 --> 00:45:59,640

that the shoes were certainly no brand

1149

00:46:03,170 --> 00:46:01,200

he'd ever seen and he asked the dude hey

1150

00:46:05,210 --> 00:46:03,180

where'd you get these shoes and the guy

1151
00:46:08,450 --> 00:46:05,220
said he just got them second hand

1152
00:46:11,630 --> 00:46:08,460
somehow another sort of vague answer and

1153
00:46:14,569 --> 00:46:11,640
strangest of all apparently this guy had

1154
00:46:17,329 --> 00:46:14,579
a habit of putting his own stuff in

1155
00:46:18,890 --> 00:46:17,339
people's food and drink the example my

1156
00:46:21,410 --> 00:46:18,900
buddy told me is that they were making a

1157
00:46:24,410 --> 00:46:21,420
batch of coffee and this guy just went

1158
00:46:26,990 --> 00:46:24,420
and added a powder what he said was

1159
00:46:28,849 --> 00:46:27,000
herba mate tea sure well it's just a

1160
00:46:31,309 --> 00:46:28,859
powder you happen to have you call it

1161
00:46:33,890 --> 00:46:31,319
herba mate that's a common thing that

1162
00:46:36,589 --> 00:46:33,900
makes it seem less weird but it is weird

1163
00:46:38,569 --> 00:46:36,599

and everybody was like Whoa man we don't

1164

00:46:40,970 --> 00:46:38,579

want yerba mate we're trying to make

1165

00:46:43,309 --> 00:46:40,980

coffee here you should ask before you do

1166

00:46:45,710 --> 00:46:43,319

something like that and of course that

1167

00:46:48,290 --> 00:46:45,720

is a theme with these elves and fairies

1168

00:46:50,569 --> 00:46:48,300

of the woods it's a strange thing where

1169

00:46:52,490 --> 00:46:50,579

they tend to really want you to eat

1170

00:46:54,470 --> 00:46:52,500

something in these encounters a lot of

1171

00:46:56,870 --> 00:46:54,480

the times and this is just a strange

1172

00:46:59,630 --> 00:46:56,880

anecdote from a guy I have known since

1173

00:47:02,690 --> 00:46:59,640

the third grade and I trust him a lot

1174

00:47:05,510 --> 00:47:02,700

and he has no reason to to lie about

1175

00:47:07,010 --> 00:47:05,520

this and uh I don't know but he just

1176

00:47:09,050 --> 00:47:07,020

because he looked at it with a little

1177

00:47:11,750 --> 00:47:09,060

more skeptical of an eye instead of just

1178

00:47:14,210 --> 00:47:11,760

saying this is a weird guy he kind of

1179

00:47:16,069 --> 00:47:14,220

thought well what if this isn't even a a

1180

00:47:18,589 --> 00:47:16,079

guy or what if this is like some kind of

1181

00:47:21,530 --> 00:47:18,599

hybrid because he had all these odd

1182

00:47:23,150 --> 00:47:21,540

things about his family and his past and

1183

00:47:24,950 --> 00:47:23,160

where does the money come from and what

1184

00:47:27,710 --> 00:47:24,960

are you doing in these 10-day feasts out

1185

00:47:30,650 --> 00:47:27,720

in the woods strange but maybe they're

1186

00:47:33,490 --> 00:47:30,660

Among Us man well maybe

1187

00:47:36,530 --> 00:47:33,500

that would explain it some people I know

1188

00:47:38,329 --> 00:47:36,540

but who knows I mean it's as good a

1189

00:47:40,309 --> 00:47:38,339

theory as any and of course that goes

1190

00:47:41,329 --> 00:47:40,319

back to you know the the rip from Winkle

1191

00:47:44,569 --> 00:47:41,339

story where

1192

00:47:46,010 --> 00:47:44,579

Henry Hudson offered rip you know a

1193

00:47:49,069 --> 00:47:46,020

drink

1194

00:47:52,550 --> 00:47:49,079

and he just went into this reverie and

1195

00:47:56,390 --> 00:47:52,560

fell asleep for 20 years right right

1196

00:47:59,690 --> 00:47:56,400

so I don't know and I like when we can

1197

00:48:02,569 --> 00:47:59,700

take a modern sighting and add context

1198

00:48:04,730 --> 00:48:02,579

from the people who have lived in that

1199

00:48:06,410 --> 00:48:04,740

landscape for many many years and with

1200

00:48:09,470 --> 00:48:06,420

Native Americans it's certainly true

1201

00:48:11,930 --> 00:48:09,480

that they have pretty detailed

1202

00:48:13,970 --> 00:48:11,940

descriptions of a wide range of beans

1203

00:48:16,010 --> 00:48:13,980

that also tend to match other beings

1204

00:48:17,809 --> 00:48:16,020

seen around the world but there's a lot

1205

00:48:19,670 --> 00:48:17,819

of that content in the book talk to us

1206

00:48:22,370 --> 00:48:19,680

about some of these Native American

1207

00:48:25,069 --> 00:48:22,380

stories and the categories of creatures

1208

00:48:27,650 --> 00:48:25,079

they seem to see fairly often enough to

1209

00:48:28,790 --> 00:48:27,660

name them yeah and it's interesting what

1210

00:48:33,589 --> 00:48:28,800

they named them they were called

1211

00:48:36,230 --> 00:48:33,599

pukwudgies at least by the Iroquois and

1212

00:48:40,010 --> 00:48:36,240

that's an interesting name puckwaji and

1213

00:48:43,370 --> 00:48:40,020

Puck of course was a name used for

1214

00:48:45,710 --> 00:48:43,380

fairies in the British Isles yeah and of

1215

00:48:47,809 --> 00:48:45,720

course Shakespeare used the name Puck in

1216

00:48:51,349 --> 00:48:47,819

Midsummer Night's Dream

1217

00:48:55,309 --> 00:48:51,359

how odd that Native Americans would use

1218

00:48:57,770 --> 00:48:55,319

part of the same word that's true yeah

1219

00:49:00,829 --> 00:48:57,780

Puck wedgies were sort of diminutive

1220

00:49:03,230 --> 00:49:00,839

people much like the old world fairies

1221

00:49:04,910 --> 00:49:03,240

would play tricks on people

1222

00:49:07,490 --> 00:49:04,920

and

1223

00:49:09,950 --> 00:49:07,500

they behaved very much like the fairies

1224

00:49:10,970 --> 00:49:09,960

that or elves that you would find in

1225

00:49:12,589 --> 00:49:10,980

Europe

1226

00:49:15,470 --> 00:49:12,599

and especially the ones in the British

1227

00:49:18,349 --> 00:49:15,480

Isles and Ireland

1228

00:49:19,190 --> 00:49:18,359

they were notorious tricksters and they

1229

00:49:21,230 --> 00:49:19,200

also

1230

00:49:23,630 --> 00:49:21,240

occasionally abducted

1231

00:49:25,550 --> 00:49:23,640

human babies so

1232

00:49:29,089 --> 00:49:25,560

these Legends are really Universal I

1233

00:49:30,829 --> 00:49:29,099

mean they appear in places as far flung

1234

00:49:33,290 --> 00:49:30,839

as New Zealand

1235

00:49:35,089 --> 00:49:33,300

and Japan

1236

00:49:38,329 --> 00:49:35,099

and you have to wonder

1237

00:49:40,190 --> 00:49:38,339

they must be based on something if these

1238

00:49:42,470 --> 00:49:40,200

cultures that have never communicated

1239

00:49:45,170 --> 00:49:42,480

with each other until recently

1240

00:49:48,550 --> 00:49:45,180

have these old legends that go back

1241

00:49:51,950 --> 00:49:48,560

thousands of years in some cases

1242

00:49:55,069 --> 00:49:51,960

yeah I think it was William Michael Mott

1243

00:49:57,650 --> 00:49:55,079

one time I mean in an old interview we

1244

00:49:59,930 --> 00:49:57,660

were talking about fairy lore in the

1245

00:50:02,510 --> 00:49:59,940

British Isles and he made the case that

1246

00:50:06,530 --> 00:50:02,520

if you were going to carry out some kind

1247

00:50:08,930 --> 00:50:06,540

of genetics program with human beings in

1248

00:50:11,390 --> 00:50:08,940

secret you would want them to be on

1249

00:50:13,370 --> 00:50:11,400

Islands separated from other places and

1250

00:50:15,710 --> 00:50:13,380

you mentioned New Zealand it just kind

1251
00:50:17,750 --> 00:50:15,720
of stuck out to me but of course Native

1252
00:50:20,349 --> 00:50:17,760
Americans this is a real big island for

1253
00:50:23,210 --> 00:50:20,359
any kind of like weird breeding program

1254
00:50:25,910 --> 00:50:23,220
but the fact that the majority of our

1255
00:50:28,069 --> 00:50:25,920
lore does come from that Celtic region I

1256
00:50:29,750 --> 00:50:28,079
thought that was an interesting point

1257
00:50:32,210 --> 00:50:29,760
yeah

1258
00:50:34,490 --> 00:50:32,220
I mean for whatever reason whenever

1259
00:50:36,349 --> 00:50:34,500
people think of the little people and

1260
00:50:39,170 --> 00:50:36,359
they think of Ireland or

1261
00:50:42,050 --> 00:50:39,180
Great Britain but

1262
00:50:45,530 --> 00:50:42,060
these Legends are just as ubiquitous in

1263
00:50:47,210 --> 00:50:45,540

Japan especially in the Far East

1264

00:50:49,970 --> 00:50:47,220

and

1265

00:50:53,150 --> 00:50:49,980

so similar so many parallels that it's

1266

00:50:55,329 --> 00:50:53,160

hard to believe it's this coincidence

1267

00:50:58,130 --> 00:50:55,339

and going back to some of the stories

1268

00:51:01,190 --> 00:50:58,140

that are your personal stories and your

1269

00:51:04,670 --> 00:51:01,200

family's stories you also note that your

1270

00:51:07,190 --> 00:51:04,680

grandfather was a water witch or a

1271

00:51:09,290 --> 00:51:07,200

dowser to use the less provocative term

1272

00:51:12,290 --> 00:51:09,300

but there might be some connection

1273

00:51:14,750 --> 00:51:12,300

between natural springs that your

1274

00:51:16,430 --> 00:51:14,760

grandfather tabbed into and some of

1275

00:51:18,109 --> 00:51:16,440

these creatures both the Kinderhook

1276

00:51:19,970 --> 00:51:18,119

creature and the blob if I'm not

1277

00:51:22,130 --> 00:51:19,980

mistaken not getting my wires crossed

1278

00:51:23,390 --> 00:51:22,140

but talk to us about that potential

1279

00:51:26,210 --> 00:51:23,400

connection

1280

00:51:28,010 --> 00:51:26,220

yeah I mean that's an old Native

1281

00:51:31,130 --> 00:51:28,020

American Legend and actually it's an old

1282

00:51:35,450 --> 00:51:31,140

Celtic Legend as well that

1283

00:51:38,450 --> 00:51:35,460

groundwater especially underground water

1284

00:51:40,250 --> 00:51:38,460

has some connection to

1285

00:51:41,750 --> 00:51:40,260

the Paranormal

1286

00:51:43,690 --> 00:51:41,760

so

1287

00:51:47,270 --> 00:51:43,700

way back in

1288

00:51:48,829 --> 00:51:47,280

1964 actually 63 we had a very bad

1289

00:51:51,770 --> 00:51:48,839

drought

1290

00:51:55,130 --> 00:51:51,780

in Upstate New York and

1291

00:51:57,589 --> 00:51:55,140

my grandfather decided to do some

1292

00:52:00,650 --> 00:51:57,599

dowsing he had done it before I guess

1293

00:52:03,109 --> 00:52:00,660

when he was young and apparently I think

1294

00:52:04,970 --> 00:52:03,119

his father had done it as well

1295

00:52:07,370 --> 00:52:04,980

and I had never seen it before I was

1296

00:52:08,930 --> 00:52:07,380

fascinated I was about 11 years old and

1297

00:52:12,049 --> 00:52:08,940

he uh

1298

00:52:14,870 --> 00:52:12,059

would take these two sticks and either

1299

00:52:17,150 --> 00:52:14,880

six or sometimes he would use

1300

00:52:18,710 --> 00:52:17,160

like a clothes hanger

1301
00:52:19,670 --> 00:52:18,720
a metal clothes hacker that he would

1302
00:52:21,410 --> 00:52:19,680
twist

1303
00:52:23,870 --> 00:52:21,420
in two shapes

1304
00:52:26,089 --> 00:52:23,880
and if these two sticks are whatever

1305
00:52:28,609 --> 00:52:26,099
would meet in the middle that's where

1306
00:52:30,710 --> 00:52:28,619
the water was and they they seemingly

1307
00:52:34,069 --> 00:52:30,720
moved by themselves it's kind of like

1308
00:52:39,950 --> 00:52:36,770
and there was one point down in the

1309
00:52:42,470 --> 00:52:39,960
woods where the sticks met

1310
00:52:44,990 --> 00:52:42,480
so he started digging for water there

1311
00:52:48,710 --> 00:52:45,000
and sure enough

1312
00:52:50,569 --> 00:52:48,720
water burst out all over the place and

1313
00:52:52,609 --> 00:52:50,579

that's where that pond was that I was

1314

00:52:55,549 --> 00:52:52,619

telling you about that my Boyhood friend

1315

00:52:57,890 --> 00:52:55,559

jumped over that's where that came from

1316

00:52:59,569 --> 00:52:57,900

it was all underground water until my

1317

00:53:01,490 --> 00:52:59,579

grandfather uncovered it

1318

00:53:03,190 --> 00:53:01,500

and

1319

00:53:07,069 --> 00:53:03,200

the connection

1320

00:53:08,809 --> 00:53:07,079

if there is one is that that's where the

1321

00:53:10,849 --> 00:53:08,819

blob was seen I mean when my friend

1322

00:53:13,130 --> 00:53:10,859

jumped over the the pond he was running

1323

00:53:17,870 --> 00:53:13,140

away from the block

1324

00:53:21,109 --> 00:53:17,880

it's also very close to where the sound

1325

00:53:22,849 --> 00:53:21,119

was that I heard in the woods

1326

00:53:23,870 --> 00:53:22,859

the one that scared my friend from

1327

00:53:27,370 --> 00:53:23,880

England

1328

00:53:29,569 --> 00:53:27,380

and they've almost exact same spot

1329

00:53:32,870 --> 00:53:29,579

which is where the

1330

00:53:34,430 --> 00:53:32,880

now we have a well that's much closer to

1331

00:53:36,109 --> 00:53:34,440

the house but back then we just had a

1332

00:53:38,089 --> 00:53:36,119

spring down in the woods

1333

00:53:40,069 --> 00:53:38,099

and

1334

00:53:42,290 --> 00:53:40,079

it seemed like a lot of activity

1335

00:53:44,690 --> 00:53:42,300

emanated from that area

1336

00:53:47,870 --> 00:53:44,700

it also wasn't far from where that man

1337

00:53:50,809 --> 00:53:47,880

was digging so maybe he was digging for

1338

00:53:52,130 --> 00:53:50,819

water or I I always thought if I could

1339

00:53:54,829 --> 00:53:52,140

remember where the heck he was digging

1340

00:53:56,990 --> 00:53:54,839

I'd find a treasure I could be rich but

1341

00:53:58,730 --> 00:53:57,000

alas I can't remember exactly where it

1342

00:54:01,730 --> 00:53:58,740

was uh

1343

00:54:03,530 --> 00:54:01,740

is a fairy spell yes probably

1344

00:54:06,890 --> 00:54:03,540

[Laughter]

1345

00:54:08,750 --> 00:54:06,900

Bruce what a wild ride clearly there are

1346

00:54:11,329 --> 00:54:08,760

some weird things going on around the

1347

00:54:13,609 --> 00:54:11,339

Catskills and I salute you for getting

1348

00:54:16,250 --> 00:54:13,619

it on the record Kinderhook seems like

1349

00:54:18,530 --> 00:54:16,260

an interesting little hotbed that I

1350

00:54:20,750 --> 00:54:18,540

really didn't know much about so I

1351
00:54:22,910 --> 00:54:20,760
appreciate uh everything you wrote about

1352
00:54:25,069 --> 00:54:22,920
in this book including your own

1353
00:54:27,170 --> 00:54:25,079
experiences if people want to dig deeper

1354
00:54:29,630 --> 00:54:27,180
get the book and learn about your other

1355
00:54:33,470 --> 00:54:29,640
work tell them how to do it

1356
00:54:35,210 --> 00:54:33,480
well they can go to Amazon the name of

1357
00:54:37,670 --> 00:54:35,220
the book is the Kinder creature and

1358
00:54:39,829 --> 00:54:37,680
Beyond the personal reminiscence you can

1359
00:54:41,630 --> 00:54:39,839
buy it either on Amazon or you can get

1360
00:54:44,450 --> 00:54:41,640
it directly from the publisher which is

1361
00:54:47,089 --> 00:54:44,460
small town monsters and they have a

1362
00:54:50,410 --> 00:54:47,099
website smallfoundmonsters.com

1363
00:54:53,569 --> 00:54:50,420

and all the best bookstores I'm sure

1364

00:54:57,109 --> 00:54:53,579

yes well it was really good it belongs

1365

00:54:58,790 --> 00:54:57,119

on any High strangeness shelf and thanks

1366

00:55:00,349 --> 00:54:58,800

for talking to me today we got outside

1367

00:55:02,030 --> 00:55:00,359

of the parameters of the typical

1368

00:55:04,430 --> 00:55:02,040

paranormal stuff and that's what I go

1369

00:55:07,010 --> 00:55:04,440

for so thanks again and do take care

1370

00:55:09,530 --> 00:55:07,020

well thank you and next time you're over

1371

00:55:11,089 --> 00:55:09,540

in the east coast stop in

1372

00:55:13,790 --> 00:55:11,099

foreign

1373

00:55:17,930 --> 00:55:13,800

all right bringing it in for a landing

1374

00:55:20,089 --> 00:55:17,940

just some good fun for our heavy times

1375

00:55:23,270 --> 00:55:20,099

I personally do like these episodes

1376
00:55:24,650 --> 00:55:23,280
about specific Regional pockets of high

1377
00:55:26,870 --> 00:55:24,660
strangeness

1378
00:55:28,910 --> 00:55:26,880
I like that we can just hear a bunch of

1379
00:55:31,309 --> 00:55:28,920
odd stories that many of us probably

1380
00:55:34,130 --> 00:55:31,319
haven't heard before I like a guy who

1381
00:55:36,349 --> 00:55:34,140
links fairies and aliens in his work

1382
00:55:38,450 --> 00:55:36,359
I know with two hours the part of these

1383
00:55:40,430 --> 00:55:38,460
shows that starts to sound the same as

1384
00:55:41,569 --> 00:55:40,440
the whole well let's try to solve it

1385
00:55:43,910 --> 00:55:41,579
thing

1386
00:55:45,950 --> 00:55:43,920
but I still enjoy the stories and

1387
00:55:48,650 --> 00:55:45,960
getting various takes from new people

1388
00:55:49,970 --> 00:55:48,660

about multiple Dimensions or plasma

1389

00:55:52,849 --> 00:55:49,980

portals

1390

00:55:55,670 --> 00:55:52,859

the Kinderhook blob was a curious story

1391

00:55:57,770 --> 00:55:55,680

as was the little green man and the

1392

00:55:59,690 --> 00:55:57,780

stuff in the second hour about the UFO

1393

00:56:02,030 --> 00:55:59,700

flap was cool too

1394

00:56:04,970 --> 00:56:02,040

flap is a weird word I never really hear

1395

00:56:07,069 --> 00:56:04,980

it in any other context other than UFO

1396

00:56:08,569 --> 00:56:07,079

flap there are no other flaps of any

1397

00:56:11,750 --> 00:56:08,579

kind that I know of

1398

00:56:15,349 --> 00:56:11,760

I tend to say UFO Spike because flap

1399

00:56:17,089 --> 00:56:15,359

just sounds weird but anyway

1400

00:56:19,790 --> 00:56:17,099

I wanted this to come out before

1401
00:56:21,589 --> 00:56:19,800
Christmas but I just overestimated how

1402
00:56:24,349 --> 00:56:21,599
much I could accomplish when Christmas

1403
00:56:26,390 --> 00:56:24,359
festivities were at my place and my wife

1404
00:56:27,470 --> 00:56:26,400
can't make a huge meal and watch a

1405
00:56:29,930 --> 00:56:27,480
one-year-old

1406
00:56:33,049 --> 00:56:29,940
but the Silver Lining to all that is now

1407
00:56:34,730 --> 00:56:33,059
I can mention that crazy UFO sighting in

1408
00:56:36,710 --> 00:56:34,740
Vegas that happened

1409
00:56:38,809 --> 00:56:36,720
what was it on the new moon the Night

1410
00:56:41,630 --> 00:56:38,819
Before Christmas Eve I think

1411
00:56:43,970 --> 00:56:41,640
I saw several videos of employees from

1412
00:56:46,309 --> 00:56:43,980
the sapphire strip club turning their

1413
00:56:48,710 --> 00:56:46,319

phones to This Cloud that clearly had

1414

00:56:51,829 --> 00:56:48,720

something in it it was a lot better

1415

00:56:54,349 --> 00:56:51,839

siding than some distant hovering light

1416

00:56:56,930 --> 00:56:54,359

but again it wasn't a cloud so it makes

1417

00:56:59,809 --> 00:56:56,940

me think bluebeam because Holograms and

1418

00:57:01,970 --> 00:56:59,819

projections need a canvas like smoke or

1419

00:57:03,349 --> 00:57:01,980

a cloud but it was still pretty damn

1420

00:57:05,750 --> 00:57:03,359

cool

1421

00:57:08,030 --> 00:57:05,760

I saw some people trying to say that it

1422

00:57:11,210 --> 00:57:08,040

was probably just viral marketing for

1423

00:57:13,609 --> 00:57:11,220

the strip club and it's like no

1424

00:57:15,770 --> 00:57:13,619

marketing for a strip club is taking

1425

00:57:18,170 --> 00:57:15,780

Havana girls in bikinis down to the

1426
00:57:20,210 --> 00:57:18,180
strip waving in a group of drunk dudes

1427
00:57:21,950 --> 00:57:20,220
and shuttling them to the club it's a

1428
00:57:24,950 --> 00:57:21,960
simple machine

1429
00:57:27,349 --> 00:57:24,960
but people always try to find some

1430
00:57:29,870 --> 00:57:27,359
rationale for The Unexplained

1431
00:57:32,270 --> 00:57:29,880
it seems way more likely that the

1432
00:57:34,010 --> 00:57:32,280
military would have tested their blue

1433
00:57:37,549 --> 00:57:34,020
beams space brothers are coming

1434
00:57:39,349 --> 00:57:37,559
technology in a very populated area

1435
00:57:42,049 --> 00:57:39,359
I mean if we're gonna cast doubt on it

1436
00:57:44,450 --> 00:57:42,059
being a genuine sighting of a non-human

1437
00:57:46,309 --> 00:57:44,460
piloted craft then that's probably the

1438
00:57:48,349 --> 00:57:46,319

direction I would take it

1439

00:57:50,210 --> 00:57:48,359

and there was another weird story I just

1440

00:57:54,410 --> 00:57:50,220

heard about not as recent as the Vegas

1441

00:57:56,809 --> 00:57:54,420

UFO but this guy Andrew Dawson he was a

1442

00:57:59,750 --> 00:57:56,819

popular tick tocker who back in April

1443

00:58:02,329 --> 00:57:59,760

and Canada took a video of what looks

1444

00:58:04,010 --> 00:58:02,339

like a giant person walking along the

1445

00:58:06,950 --> 00:58:04,020

snowy mountain top

1446

00:58:08,630 --> 00:58:06,960

near what looks like a base or an

1447

00:58:11,270 --> 00:58:08,640

outpost of some kind

1448

00:58:13,910 --> 00:58:11,280

he apparently tried to get closer and

1449

00:58:15,829 --> 00:58:13,920

make some other videos trying to get a

1450

00:58:17,990 --> 00:58:15,839

helicopter company to sponsor the

1451
00:58:19,790 --> 00:58:18,000
situation and take him up there

1452
00:58:22,970 --> 00:58:19,800
and then he made a video about being

1453
00:58:24,950 --> 00:58:22,980
stopped by a CIA agent who said he was

1454
00:58:28,490 --> 00:58:24,960
trespassing and then he made a couple

1455
00:58:30,770 --> 00:58:28,500
more about being stalked by said agents

1456
00:58:32,690 --> 00:58:30,780
and then his second to last video is

1457
00:58:34,730 --> 00:58:32,700
about being scared

1458
00:58:37,370 --> 00:58:34,740
and then it seems like his wife found

1459
00:58:40,370 --> 00:58:37,380
him dead from a quote self-inflicted

1460
00:58:42,170 --> 00:58:40,380
gunshot wound and then I also heard from

1461
00:58:45,230 --> 00:58:42,180
just the comments section that she was

1462
00:58:48,349 --> 00:58:45,240
also recently found dead as well

1463
00:58:51,289 --> 00:58:48,359

so really sad situation but I do think

1464

00:58:53,750 --> 00:58:51,299

his video looks like a giant it had over

1465

00:58:56,690 --> 00:58:53,760

4 million views too so not a small thing

1466

00:58:58,730 --> 00:58:56,700

but just another odd story that fits in

1467

00:58:59,990 --> 00:58:58,740

with this episode that I heard very

1468

00:59:02,210 --> 00:59:00,000

recently

1469

00:59:04,190 --> 00:59:02,220

and tip to all you people out there if

1470

00:59:06,710 --> 00:59:04,200

you see something weird and you upload

1471

00:59:08,450 --> 00:59:06,720

it and it goes viral and the CIA says

1472

00:59:10,250 --> 00:59:08,460

stop doing that and then follows you

1473

00:59:12,530 --> 00:59:10,260

around for a little while

1474

00:59:14,630 --> 00:59:12,540

I would probably just stop

1475

00:59:16,670 --> 00:59:14,640

but this episode also gave me the

1476

00:59:18,770 --> 00:59:16,680

opportunity to mention my buddy's weird

1477

00:59:20,990 --> 00:59:18,780

story about that guy who has family

1478

00:59:23,809 --> 00:59:21,000

feasts in the woods and put stuff in

1479

00:59:25,910 --> 00:59:23,819

people's food and wears weird clothes

1480

00:59:28,010 --> 00:59:25,920

so this buddy of mine his name is Kyle

1481

00:59:30,770 --> 00:59:28,020

he actually used to co-host this show

1482

00:59:32,750 --> 00:59:30,780

with me like many many years ago and of

1483

00:59:34,490 --> 00:59:32,760

course he had some kind of psychotic

1484

00:59:36,530 --> 00:59:34,500

break going down the child trafficking

1485

00:59:38,750 --> 00:59:36,540

rabbit hole with Tracy Twyman a couple

1486

00:59:41,450 --> 00:59:38,760

years ago I'm sure a lot of you remember

1487

00:59:43,849 --> 00:59:41,460

that thing that happened

1488

00:59:45,829 --> 00:59:43,859

but he ended up moving back to St Louis

1489

00:59:47,750 --> 00:59:45,839

and he started a podcast with another

1490

00:59:49,730 --> 00:59:47,760

guy that I've known since kindergarten

1491

00:59:51,049 --> 00:59:49,740

and they called it the robot polisher

1492

00:59:53,569 --> 00:59:51,059

podcast

1493

00:59:56,030 --> 00:59:53,579

if you see me on Twitter retweeting

1494

00:59:58,010 --> 00:59:56,040

robot polisher tweets well that's my

1495

00:59:59,510 --> 00:59:58,020

other friend's account but they do a

1496

01:00:01,609 --> 00:59:59,520

podcast together where they just smoke

1497

01:00:04,309 --> 01:00:01,619

weed and [h__\h] about life and the

1498

01:00:05,809 --> 01:00:04,319

news and it's very raw they go down a

1499

01:00:07,789 --> 01:00:05,819

lot of rabbit holes and it's a lot of

1500

01:00:10,370 --> 01:00:07,799

the kind of stuff we like around here

1501
01:00:13,010 --> 01:00:10,380
but my buddy Kyle goes really in depth

1502
01:00:15,230 --> 01:00:13,020
with this story of the strange guy in an

1503
01:00:16,730 --> 01:00:15,240
episode called Goblin bread if you are

1504
01:00:18,770 --> 01:00:16,740
interested

1505
01:00:20,450 --> 01:00:18,780
it's his story he can tell it but I

1506
01:00:22,370 --> 01:00:20,460
wanted to give you guys the gist because

1507
01:00:23,809 --> 01:00:22,380
it is one of the more interesting things

1508
01:00:26,990 --> 01:00:23,819
to have come out of their podcast

1509
01:00:29,809 --> 01:00:27,000
because it's this odd personal story

1510
01:00:32,450 --> 01:00:29,819
about maybe some type of bean that is a

1511
01:00:34,490 --> 01:00:32,460
hybrid or has integrated with humans a

1512
01:00:36,710 --> 01:00:34,500
little bit kind of like a Men In Black

1513
01:00:38,990 --> 01:00:36,720

encounter a person could think nothing

1514

01:00:41,089 --> 01:00:39,000

of it but if you focus on the details

1515

01:00:44,150 --> 01:00:41,099

and you're open to non-humans being

1516

01:00:45,349 --> 01:00:44,160

among us then this guy really set my

1517

01:00:47,870 --> 01:00:45,359

buddy off

1518

01:00:50,630 --> 01:00:47,880

but it's just another random interesting

1519

01:00:52,730 --> 01:00:50,640

thing robot polisher podcast the goblin

1520

01:00:54,650 --> 01:00:52,740

bread episode

1521

01:00:56,990 --> 01:00:54,660

but lots to like in this interview and

1522

01:00:59,870 --> 01:00:57,000

I'm so stuck on the stuff Dr Greg Little

1523

01:01:02,089 --> 01:00:59,880

talks about I think Shamanism and Magic

1524

01:01:03,589 --> 01:01:02,099

are heavily involved with a lot of these

1525

01:01:05,870 --> 01:01:03,599

sightings

1526

01:01:07,910 --> 01:01:05,880

what even is Magic besides altering

1527

01:01:09,890 --> 01:01:07,920

Consciousness and creating a ritual

1528

01:01:12,470 --> 01:01:09,900

portal which oftentimes does produce

1529

01:01:14,450 --> 01:01:12,480

light and I would argue if you captured

1530

01:01:16,309 --> 01:01:14,460

that and put it in a bottle and examined

1531

01:01:18,289 --> 01:01:16,319

it you'd find plasma

1532

01:01:20,329 --> 01:01:18,299

I don't know about that last part I've

1533

01:01:22,849 --> 01:01:20,339

never summoned anything but imagine the

1534

01:01:24,710 --> 01:01:22,859

fairy folk are just really Adept natural

1535

01:01:27,170 --> 01:01:24,720

magicians

1536

01:01:28,910 --> 01:01:27,180

they can play human consciousness like a

1537

01:01:31,609 --> 01:01:28,920

piano or something

1538

01:01:33,829 --> 01:01:31,619

and in this long history of humanity how

1539

01:01:36,289 --> 01:01:33,839

many shamans could have opened up a

1540

01:01:38,569 --> 01:01:36,299

portal and then this thing starts coming

1541

01:01:40,789 --> 01:01:38,579

back to that same spot or if you don't

1542

01:01:42,230 --> 01:01:40,799

close the ritual right then it's out

1543

01:01:44,510 --> 01:01:42,240

there in the world

1544

01:01:47,329 --> 01:01:44,520

so many things can happen but there's a

1545

01:01:48,710 --> 01:01:47,339

lot of overlap in these Venn diagrams if

1546

01:01:51,410 --> 01:01:48,720

you ask me

1547

01:01:54,049 --> 01:01:51,420

so big thanks to Bruce for doing the

1548

01:01:56,089 --> 01:01:54,059

show and to small town monsters for

1549

01:01:57,230 --> 01:01:56,099

sending me the book and making this

1550

01:01:59,630 --> 01:01:57,240

suggestion

1551

01:02:01,789 --> 01:01:59,640

I get way too many Publishers sending me

1552

01:02:03,349 --> 01:02:01,799

things to do everyone but this kind of

1553

01:02:06,710 --> 01:02:03,359

just had enough that I thought it would

1554

01:02:09,289 --> 01:02:06,720

work and you be the judge I guess

1555

01:02:11,569 --> 01:02:09,299

in the second hour we talked about other

1556

01:02:15,109 --> 01:02:11,579

odd Native American trickster beans

1557

01:02:19,069 --> 01:02:15,119

water plasma and electromagnetism UFO

1558

01:02:20,870 --> 01:02:19,079

flaps and the Westchester wing UFOs

1559

01:02:24,349 --> 01:02:20,880

nukes and water

1560

01:02:27,109 --> 01:02:24,359

the best film depictions of UFOs Pope

1561

01:02:28,069 --> 01:02:27,119

pictures Whitley streber entities and

1562

01:02:31,010 --> 01:02:28,079

death

1563

01:02:34,190 --> 01:02:31,020

the case of the missing coleus plant the

1564

01:02:37,250 --> 01:02:34,200

mysterious events of September 11 1985

1565

01:02:41,270 --> 01:02:37,260

the Pine Bush abductions the Margaret

1566

01:02:43,250 --> 01:02:41,280

mayor entity and the Montauk Monster we

1567

01:02:45,829 --> 01:02:43,260

really let it rip become a plus member

1568

01:02:48,589 --> 01:02:45,839

stop missing half the show and take part

1569

01:02:51,470 --> 01:02:48,599

in the reciprocation that's needed for

1570

01:02:53,870 --> 01:02:51,480

truly independent sponsor free media

1571

01:02:55,730 --> 01:02:53,880

just click the link right at the top of

1572

01:02:59,030 --> 01:02:55,740

the show notes and start the seven day

1573

01:03:01,190 --> 01:02:59,040

free trial let's go

1574

01:03:04,069 --> 01:03:01,200

that said one more show to end the year

1575

01:03:06,549 --> 01:03:04,079

and it is a doozy so brace yourself we

1576

01:03:09,049 --> 01:03:06,559

are turning the conspiracy dial up to 11

1577

01:03:11,270 --> 01:03:09,059

and until then enjoy the rest of the

1578

01:03:12,890 --> 01:03:11,280

holidays I will talk to you soon for now

1579

01:03:15,289 --> 01:03:12,900

I'm getting out of here your move

1580

01:03:18,010 --> 01:03:15,299

Kinderhook creature Kinderhook blob and

1581

01:03:22,010 --> 01:03:18,020

other beans of the New England area

1582

01:03:26,230 --> 01:03:22,020

your [h__h] move when you see weird

1583

01:03:32,809 --> 01:03:29,030

something sits on your chest when you

1584

01:03:32,819 --> 01:03:38,170

be a pattern

1585

01:03:44,510 --> 01:03:42,589

oh you might have those green memories

1586

01:03:48,710 --> 01:03:44,520

darling wait

1587

01:03:48,720 --> 01:03:54,410

so make them sing

1588

01:03:59,470 --> 01:03:56,349

and baby I

1589

01:04:04,630 --> 01:03:59,480

tried the camera

1590

01:04:13,190 --> 01:04:09,230

I'm thinking about how people can't get

1591

01:04:19,010 --> 01:04:13,200

free from mysterious Grace

1592

01:04:23,569 --> 01:04:19,020

it's getting just a bit out of hand

1593

01:04:24,950 --> 01:04:23,579

we really just want to get back on with

1594

01:04:31,010 --> 01:04:24,960

our days

1595

01:04:33,730 --> 01:04:31,020

don't care about the hybriding plan so

1596

01:04:35,230 --> 01:04:33,740

honey now

1597

01:04:39,680 --> 01:04:35,240

[Music]

1598

01:05:02,450 --> 01:04:39,690

don't walk into the skinny arms

1599

01:05:05,150 --> 01:05:02,460

[Music]

1600

01:05:08,289 --> 01:05:05,160

I can tell when they're gone cause my

1601
01:05:08,299 --> 01:05:14,150
but we know that it's not just a dream

1602
01:05:18,840 --> 01:05:17,569
cause they never put me back exactly the

1603
01:05:20,450 --> 01:05:18,850
same way

1604
01:05:24,370 --> 01:05:20,460
[Music]

1605
01:05:26,410 --> 01:05:24,380
and the pain is as real as a scream

1606
01:05:29,890 --> 01:05:26,420
honey are

1607
01:05:36,410 --> 01:05:29,900
souls might be the whole

1608
01:05:41,650 --> 01:05:38,470
the higher side

1609
01:05:46,630 --> 01:05:41,660
chats is covered all

1610
01:05:52,630 --> 01:05:48,730
I'm thinking about

1611
01:05:55,010 --> 01:05:52,640
how people can't get free from

1612
01:06:00,849 --> 01:05:55,020
mysterious Grace

1613
01:06:05,569 --> 01:06:00,859

it's getting just a bit out of hand

1614

01:06:06,950 --> 01:06:05,579

we really just want to get back on with

1615

01:06:10,750 --> 01:06:06,960

the days

1616

01:06:15,950 --> 01:06:10,760

don't care about the hybriding

1617

01:06:16,970 --> 01:06:15,960

plan but creepy now

1618

01:06:25,750 --> 01:06:16,980

foreign

1619

01:06:55,930 --> 01:06:41,730

[Music]

1620

01:06:55,940 --> 01:06:59,490

thank you

1621

01:07:11,049 --> 01:07:05,950

[Music]

1622

01:07:11,059 --> 01:07:17,170

don't walk into the skinny arms

1623

01:07:24,250 --> 01:07:20,690

no they came from the sky from out of

1624

01:07:42,670 --> 01:07:35,730

[Music]

1625

01:07:42,680 --> 01:07:53,210

baby this damn life is too bizarre

1626

01:07:58,130 --> 01:07:55,910

and that is another show complete

1627

01:08:00,529 --> 01:07:58,140

remember as much as you enjoyed this

1628

01:08:02,329 --> 01:08:00,539

which is just the free first hour I hope

1629

01:08:05,089 --> 01:08:02,339

you'll become a plus member to hear the

1630

01:08:07,069 --> 01:08:05,099

full to our interviews you also can

1631

01:08:09,589 --> 01:08:07,079

engage with other Plus members in the

1632

01:08:10,910 --> 01:08:09,599

comments and the forums and you'll find

1633

01:08:13,069 --> 01:08:10,920

your answer to one of the most common

1634

01:08:14,750 --> 01:08:13,079

questions I get which is where can I

1635

01:08:16,610 --> 01:08:14,760

find those cover songs that you use at

1636

01:08:19,010 --> 01:08:16,620

the end of the show well they are free

1637

01:08:21,110 --> 01:08:19,020

downloads for Plus members too and

1638

01:08:23,150 --> 01:08:21,120

without Plus members I can't hire the

1639

01:08:25,669 --> 01:08:23,160

occasional musician to bring these odd

1640

01:08:27,590 --> 01:08:25,679

cover song ideas to fruition Plus

1641

01:08:29,450 --> 01:08:27,600

members are how I'm able to do what I do

1642

01:08:32,269 --> 01:08:29,460

without ads and without the big machine

1643

01:08:34,430 --> 01:08:32,279

being on my back we can fit so much more

1644

01:08:36,229 --> 01:08:34,440

into a two-hour interview and I do my

1645

01:08:39,229 --> 01:08:36,239

best to make it worth your time and

1646

01:08:41,630 --> 01:08:39,239

money the conversation only gets deeper

1647

01:08:43,789 --> 01:08:41,640

weirder and more controversial in that

1648

01:08:44,930 --> 01:08:43,799

private hour how could it not the way

1649

01:08:46,970 --> 01:08:44,940

things are going

1650

01:08:49,130 --> 01:08:46,980

but the best way to sign up is that the

1651

01:08:51,650 --> 01:08:49,140

higher sidechats.com where new

1652

01:08:53,809 --> 01:08:51,660

first-time subscribers always get a free

1653

01:08:56,209 --> 01:08:53,819

7-Day trial because I'm just that

1654

01:08:58,070 --> 01:08:56,219

confident there's no PayPal on the

1655

01:09:00,229 --> 01:08:58,080

website but if you need to use PayPal

1656

01:09:02,930 --> 01:09:00,239

then sign up through patreon and you get

1657

01:09:04,789 --> 01:09:02,940

all the same episodes our website is a

1658

01:09:06,769 --> 01:09:04,799

credit or debit system but you can also

1659

01:09:09,769 --> 01:09:06,779

scope out the other options like a few

1660

01:09:12,050 --> 01:09:09,779

various cryptos cash or check mail to

1661

01:09:13,430 --> 01:09:12,060

the PO box and I'll even barter with

1662

01:09:15,530 --> 01:09:13,440

most people if you have your own

1663

01:09:18,050 --> 01:09:15,540

business and produce something nice that

1664

01:09:20,689 --> 01:09:18,060

my wife or kid or taste buds might like

1665

01:09:22,669 --> 01:09:20,699

but the architects of consensus reality

1666

01:09:24,470 --> 01:09:22,679

have made it clear that these themes and

1667

01:09:27,289 --> 01:09:24,480

topics aren't really welcome on the main

1668

01:09:28,910 --> 01:09:27,299

stage and so this is how we secure a

1669

01:09:30,829 --> 01:09:28,920

little Counter Culture corner for

1670

01:09:33,470 --> 01:09:30,839

ourselves and I hope you'll join plus

1671

01:09:36,349 --> 01:09:33,480

because that is the only way it works

1672

01:09:38,570 --> 01:09:36,359

besides you can cancel anytime right on

1673

01:09:40,669 --> 01:09:38,580

your profile page the most common

1674

01:09:43,309 --> 01:09:40,679

concern I hear is people just being

1675

01:09:45,349 --> 01:09:43,319

unsure if THC plus will work with their

1676

01:09:48,050 --> 01:09:45,359

podcast app and the answer is probably

1677

01:09:50,030 --> 01:09:48,060

yes but if not we have several

1678

01:09:52,010 --> 01:09:50,040

high-level app recommendations for

1679

01:09:54,709 --> 01:09:52,020

whatever phone you use and the website

1680

01:09:56,209 --> 01:09:54,719

is made for mobile too we're trained to

1681

01:09:57,830 --> 01:09:56,219

tip a waitress for bringing us a

1682

01:10:00,650 --> 01:09:57,840

sandwich but that tip doesn't give you

1683

01:10:02,570 --> 01:10:00,660

access to a second sandwich really I'm

1684

01:10:04,550 --> 01:10:02,580

not asking for any more than that and I

1685

01:10:06,830 --> 01:10:04,560

think I offer a better service come get

1686

01:10:08,630 --> 01:10:06,840

your second serving of tasty conspiracy

1687

01:10:11,270 --> 01:10:08,640

goodness in exchange for that small

1688

01:10:13,310 --> 01:10:11,280

token of your appreciation beyond that

1689

01:10:15,350 --> 01:10:13,320

let it also be known that we have grown

1690

01:10:17,630 --> 01:10:15,360

and survived as long as we have By Word

1691

01:10:20,090 --> 01:10:17,640

of Mouth I don't care so much about

1692

01:10:23,149 --> 01:10:20,100

social media likes or follows but tell

1693

01:10:25,310 --> 01:10:23,159

the right people about THC and not just

1694

01:10:27,169 --> 01:10:25,320

listeners but the high level figures who

1695

01:10:29,450 --> 01:10:27,179

are better suited to sit down with me

1696

01:10:31,250 --> 01:10:29,460

than most other hosts and if you can

1697

01:10:33,110 --> 01:10:31,260

help me with any of these things I can

1698

01:10:35,110 --> 01:10:33,120

work to bring you better shows which is

1699

01:10:37,370 --> 01:10:35,120

just a a win-win for both of us

1700

01:10:39,830 --> 01:10:37,380

informative entertaining and

1701

01:10:41,510 --> 01:10:39,840

action-packed it also never hurts to

1702

01:10:43,310 --> 01:10:41,520

thank a guest you liked if you have the

1703

01:10:44,810 --> 01:10:43,320

time either we want them to know people

1704

01:10:47,090 --> 01:10:44,820

are listening so they're willing to come

1705

01:10:49,310 --> 01:10:47,100

back down the road too thank you for
