

# HELEN "OF DESTROY" BUYNISKI | THE INFORMATION IRON CURTAIN, PARSING PROPAGANDA, AND THE SYNTHETIC SLAVE SPECIES SHIFT

You're listening to a free first hour episode. To hear the full 2 hour version, become a Plus Member. Start your 7 day free trial at [\[link\]](#)

1  
00:00:08,509 --> 00:00:06,170  
all right people I'm gonna make this

2  
00:00:11,270 --> 00:00:08,519  
quick but for the next six weeks or so

3  
00:00:14,209 --> 00:00:11,280  
starting February 1st I'm putting all my

4  
00:00:15,770 --> 00:00:14,219  
show outlines up for auction I've

5  
00:00:18,109 --> 00:00:15,780  
mentioned before that I have a very

6  
00:00:20,570 --> 00:00:18,119  
strict routine for preparing for and

7  
00:00:24,170 --> 00:00:20,580  
recording THC episodes and part of that

8  
00:00:26,750 --> 00:00:24,180  
process 95 of the time going back many

9  
00:00:28,910 --> 00:00:26,760  
years has been waking up early on the

10  
00:00:31,550 --> 00:00:28,920  
days I record and compiling my notes

11  
00:00:33,650 --> 00:00:31,560  
into a roughly four to six page outline

12  
00:00:36,470 --> 00:00:33,660  
that I print out and conduct the

13  
00:00:38,810 --> 00:00:36,480

interviews from as a template I write in

14

00:00:40,850 --> 00:00:38,820

the margins I cross stuff out as we go

15

00:00:43,250 --> 00:00:40,860

along I jot things down I don't want to

16

00:00:45,410 --> 00:00:43,260

forget and I usually have a good deal of

17

00:00:47,090 --> 00:00:45,420

material in these outlines that never

18

00:00:48,950 --> 00:00:47,100

even makes it to air

19

00:00:50,750 --> 00:00:48,960

when a show is done I put a little

20

00:00:53,090 --> 00:00:50,760

staple up in the corner and throw them

21

00:00:55,310 --> 00:00:53,100

in a filing cabinet well it's no secret

22

00:00:57,229 --> 00:00:55,320

I'm trying to move and what better time

23

00:00:59,270 --> 00:00:57,239

to try to collect a little extra cash

24

00:01:01,490 --> 00:00:59,280

and offload a box of stuff I've been

25

00:01:04,009 --> 00:01:01,500

storing that I don't need

26

00:01:06,109 --> 00:01:04,019

so I'm signing listing and auctioning

27

00:01:08,090 --> 00:01:06,119

off all the outlines I have to any

28

00:01:10,670 --> 00:01:08,100

listeners who might be interested in

29

00:01:12,830 --> 00:01:10,680

that kind of thing each one is totally

30

00:01:14,929 --> 00:01:12,840

unique with its own markings coffee

31

00:01:17,090 --> 00:01:14,939

stains beer spills printing

32

00:01:19,370 --> 00:01:17,100

imperfections typos and maybe even

33

00:01:21,050 --> 00:01:19,380

Doodles in some cases that were never

34

00:01:24,230 --> 00:01:21,060

really supposed to be seen by anyone

35

00:01:26,149 --> 00:01:24,240

else but I guess that's no big deal I

36

00:01:28,190 --> 00:01:26,159

know I've personally bought signed

37

00:01:30,649 --> 00:01:28,200

scripts before and some of my most

38

00:01:33,469 --> 00:01:30,659

prized possessions are banned set lists

39

00:01:35,630 --> 00:01:33,479

I nabbed at the end of concerts so maybe

40

00:01:38,390 --> 00:01:35,640

this is something like that for podcasts

41

00:01:42,310 --> 00:01:38,400

if you're into it they will be listed at

42

00:01:46,310 --> 00:01:42,320

ebay.com yeah I know ebay.com

43

00:01:48,350 --> 00:01:46,320

USR slash Higher Side chats the link is

44

00:01:49,990 --> 00:01:48,360

at the top of the show notes as well but

45

00:01:53,810 --> 00:01:50,000

it's ebay.com

46

00:01:55,670 --> 00:01:53,820

USR slash Higher Side chats and of

47

00:01:58,010 --> 00:01:55,680

course I'll post the links across all

48

00:02:00,649 --> 00:01:58,020

the social media dystopias I have an

49

00:02:02,810 --> 00:02:00,659

unfortunate presence in again the first

50

00:02:06,109 --> 00:02:02,820

batch of outlines will go up February

51  
00:02:08,749 --> 00:02:06,119  
1st and be listed for 10 days and I'm

52  
00:02:11,630 --> 00:02:08,759  
gonna continue to put up new batches as

53  
00:02:13,250 --> 00:02:11,640  
time permits when and where I can and I

54  
00:02:15,890 --> 00:02:13,260  
hope to have the whole thing completed

55  
00:02:17,449 --> 00:02:15,900  
in about six to eight weeks or so I

56  
00:02:19,130 --> 00:02:17,459  
guess I'm just out when I'm out but if

57  
00:02:21,410 --> 00:02:19,140  
there's a specific one you might want

58  
00:02:23,570 --> 00:02:21,420  
keep dipping in to see what's been added

59  
00:02:25,670 --> 00:02:23,580  
there's a good chance I haven't gotten

60  
00:02:27,530 --> 00:02:25,680  
it listed yet and a real chance I don't

61  
00:02:30,350 --> 00:02:27,540  
even have it for one reason or another

62  
00:02:32,449 --> 00:02:30,360  
but I do have most so just keep an eye

63  
00:02:34,430 --> 00:02:32,459

out thanks in advance to anyone who

64

00:02:36,470 --> 00:02:34,440

picks up a little piece of THC history

65

00:02:39,229 --> 00:02:36,480

and contributes to the carlwood family

66

00:02:41,150 --> 00:02:39,239

moving fund alright and that said in

67

00:02:44,840 --> 00:02:41,160

more ways than one let's get this show

68

00:02:56,400 --> 00:02:44,850

on the road enjoy

69

00:02:56,410 --> 00:03:04,270

[Music]

70

00:03:10,270 --> 00:03:07,369

I find the more you think you know the

71

00:03:12,980 --> 00:03:10,280

less you really do

72

00:03:15,410 --> 00:03:12,990

where would we be

73

00:03:19,430 --> 00:03:15,420

[Music]

74

00:03:25,160 --> 00:03:20,809

see

75

00:03:28,610 --> 00:03:25,170

company

76  
00:03:30,949 --> 00:03:28,620  
[Music]

77  
00:03:33,050 --> 00:03:30,959  
praise be to he Higher Side chatter

78  
00:03:36,170 --> 00:03:33,060  
setting sail once again on the vast

79  
00:03:38,930 --> 00:03:36,180  
conspiracy from Sunny San Diego I'm Greg

80  
00:03:41,449 --> 00:03:38,940  
carlwood and we are in choppy Waters No

81  
00:03:43,190 --> 00:03:41,459  
Doubt it feels like the nefarious few

82  
00:03:46,009 --> 00:03:43,200  
are in a full court press of Life

83  
00:03:48,170 --> 00:03:46,019  
altering agenda's Psychopathic plans and

84  
00:03:50,570 --> 00:03:48,180  
digital technocratic takeovers While

85  
00:03:52,850 --> 00:03:50,580  
most people remain blissfully unaware

86  
00:03:55,190 --> 00:03:52,860  
yet the public-private partnership

87  
00:03:57,470 --> 00:03:55,200  
puppeteers are still inking deals the

88  
00:04:00,410 --> 00:03:57,480

misinformation police are Marching on

89

00:04:02,390 --> 00:04:00,420

the fact Checker Mafia is making sure no

90

00:04:04,789 --> 00:04:02,400

unsavory thoughts penetrate the soft

91

00:04:06,410 --> 00:04:04,799

skulls of the sheeple and the digital

92

00:04:09,190 --> 00:04:06,420

infrastructure for the global Community

93

00:04:11,929 --> 00:04:09,200

Network is primed to box out all of us

94

00:04:14,030 --> 00:04:11,939

undesirables that's right folks get

95

00:04:16,370 --> 00:04:14,040

ready for internet everything all at

96

00:04:18,770 --> 00:04:16,380

once lab made food in a revolving door

97

00:04:20,629 --> 00:04:18,780

of lab-made pathogens as the masses

98

00:04:22,850 --> 00:04:20,639

wonder why the rest of us have such an

99

00:04:24,530 --> 00:04:22,860

issue living our lives in small pimped

100

00:04:26,450 --> 00:04:24,540

out smart pods safe from the

101  
00:04:28,370 --> 00:04:26,460  
unpredictable open-air and dangerous

102  
00:04:30,530 --> 00:04:28,380  
nature where we can just tune in for

103  
00:04:32,770 --> 00:04:30,540  
MILF Manor and cash out some carbon

104  
00:04:35,390 --> 00:04:32,780  
credits for Cricket powder brick cakes

105  
00:04:37,310 --> 00:04:35,400  
it is not a pretty picture but that is

106  
00:04:39,650 --> 00:04:37,320  
why we sound the alarm while we still

107  
00:04:41,689 --> 00:04:39,660  
can and one of the best alarm Sounders

108  
00:04:43,850 --> 00:04:41,699  
on these issues is independent

109  
00:04:47,810 --> 00:04:43,860  
journalist commentator and violinist

110  
00:04:49,310 --> 00:04:47,820  
Helen by nisky AKA Helen of destroy she

111  
00:04:51,350 --> 00:04:49,320  
has been going for the proverbial

112  
00:04:53,390 --> 00:04:51,360  
jugular in her work and highlighting

113  
00:04:55,969 --> 00:04:53,400

many things the rest seem to be missing

114

00:04:58,430 --> 00:04:55,979

you can find her on sub stack and bit

115

00:05:00,710 --> 00:04:58,440

shoot under the Helen of destroy moniker

116

00:05:04,550 --> 00:05:00,720

and on Twitter and telegram under the

117

00:05:06,890 --> 00:05:04,560

creative handle velocirapture 23. in

118

00:05:09,110 --> 00:05:06,900

April of 2020 she gained some notoriety

119

00:05:11,870 --> 00:05:09,120

with a prophetic essay for Cynthia

120

00:05:13,969 --> 00:05:11,880

McKinney's book when China sneezes from

121

00:05:16,430 --> 00:05:13,979

the coronavirus lockdown to the global

122

00:05:19,430 --> 00:05:16,440

Politico economic crisis entitled the

123

00:05:22,490 --> 00:05:19,440

post-covet 19 World a permanent dystopia

124

00:05:25,310 --> 00:05:22,500

and she also occasionally writes for RT

125

00:05:27,290 --> 00:05:25,320

as well I can't wait it's an honor and a

126

00:05:29,749 --> 00:05:27,300

pleasure the prophetic plan exposing

127

00:05:31,670 --> 00:05:29,759

journalist raw truth-telling Tweeter and

128

00:05:34,129 --> 00:05:31,680

the hold nothing back Basher of the

129

00:05:36,590 --> 00:05:34,139

controller class Helen of destroy

130

00:05:39,050 --> 00:05:36,600

welcome to the higher side good to be

131

00:05:41,150 --> 00:05:39,060

here thanks of course this is going to

132

00:05:44,150 --> 00:05:41,160

be great thank you for doing it I really

133

00:05:46,730 --> 00:05:44,160

enjoy your writing not just the content

134

00:05:48,830 --> 00:05:46,740

but also the style you hit a Vibe that's

135

00:05:51,230 --> 00:05:48,840

actually really hard to hit and I salute

136

00:05:53,629 --> 00:05:51,240

you for it and I have a big outline here

137

00:05:55,490 --> 00:05:53,639

with lots of quotes and details on all

138

00:05:58,070 --> 00:05:55,500

the threads you've covered but I thought

139

00:06:00,350 --> 00:05:58,080

it would be interesting to just kick

140

00:06:03,050 --> 00:06:00,360

this off by asking you as a journalist

141

00:06:05,150 --> 00:06:03,060

who's looking at all kinds of stuff what

142

00:06:06,950 --> 00:06:05,160

is your diagnosis is for the state of

143

00:06:09,110 --> 00:06:06,960

our world and what do you consider some

144

00:06:10,550 --> 00:06:09,120

of the biggest most important problems

145

00:06:12,469 --> 00:06:10,560

we face

146

00:06:14,090 --> 00:06:12,479

well I mean my diagnosis for the state

147

00:06:15,529 --> 00:06:14,100

of the world is you can probably tell by

148

00:06:18,050 --> 00:06:15,539

reading anything I write is that things

149

00:06:20,450 --> 00:06:18,060

are looking pretty Grim um I mean people

150

00:06:22,430 --> 00:06:20,460

have allowed themselves to be passively

151  
00:06:25,730 --> 00:06:22,440  
led by the nose through convenience

152  
00:06:28,189 --> 00:06:25,740  
through shiny things through following

153  
00:06:31,249 --> 00:06:28,199  
the path of least resistance into this

154  
00:06:33,290 --> 00:06:31,259  
sort of control sequence where we're

155  
00:06:35,270 --> 00:06:33,300  
slowly divorced piece by piece from our

156  
00:06:37,730 --> 00:06:35,280  
humanity and as we become these more

157  
00:06:40,070 --> 00:06:37,740  
synthetic organisms then the technology

158  
00:06:41,749 --> 00:06:40,080  
moves in and sort of encourages that so

159  
00:06:44,510 --> 00:06:41,759  
it becomes like a feedback loop and

160  
00:06:46,490 --> 00:06:44,520  
we're so different than an actual human

161  
00:06:47,990 --> 00:06:46,500  
being at this point that it's it's very

162  
00:06:49,850 --> 00:06:48,000  
difficult for us to even interact with

163  
00:06:51,469 --> 00:06:49,860

one another or for for a person who's

164

00:06:53,029 --> 00:06:51,479

wholly bought into the system to speak

165

00:06:54,469 --> 00:06:53,039

coherently with a person who's outside

166

00:06:56,090 --> 00:06:54,479

of the system and of course the ruling

167

00:06:58,249 --> 00:06:56,100

class encourages this with this divide

168

00:07:00,050 --> 00:06:58,259

and conquer and everything but one of

169

00:07:02,270 --> 00:07:00,060

the things that I'm working on now is

170

00:07:04,249 --> 00:07:02,280

this chatbot GPT that everybody is

171

00:07:06,230 --> 00:07:04,259

raving about because you're talking it

172

00:07:07,850 --> 00:07:06,240

up like mad at the world economic forum

173

00:07:09,650 --> 00:07:07,860

and it's this is something I've been

174

00:07:11,629 --> 00:07:09,660

warning about for years is that I forget

175

00:07:14,090 --> 00:07:11,639

which Google executive it was but one of

176

00:07:16,189 --> 00:07:14,100

them made a big point of saying that

177

00:07:18,830 --> 00:07:16,199

Google's returning more than one search

178

00:07:20,150 --> 00:07:18,840

result was not a feature but a bug like

179

00:07:21,290 --> 00:07:20,160

it's only supposed to return one search

180

00:07:22,430 --> 00:07:21,300

result it's supposed to know which one

181

00:07:23,930 --> 00:07:22,440

you want and it's supposed to give you

182

00:07:25,430 --> 00:07:23,940

it or rather it's supposed to know which

183

00:07:26,749 --> 00:07:25,440

one the system wants and give you that

184

00:07:28,370 --> 00:07:26,759

and you're supposed to not think that

185

00:07:30,350 --> 00:07:28,380

there can be anything else I mean the

186

00:07:31,909 --> 00:07:30,360

idea is not for you know that two plus

187

00:07:33,350 --> 00:07:31,919

two equals four but they want you to say

188

00:07:34,730 --> 00:07:33,360

equals five no you're supposed to say

189

00:07:35,870 --> 00:07:34,740

the two plus two equals five and how

190

00:07:37,790 --> 00:07:35,880

could it ever possibly equal anything

191

00:07:39,710 --> 00:07:37,800

else that that's a ludicrous idea what a

192

00:07:41,210 --> 00:07:39,720

conspiracy theory and why would you ever

193

00:07:44,150 --> 00:07:41,220

think that but this chatbot thing is

194

00:07:47,029 --> 00:07:44,160

apparently programmed to exclude certain

195

00:07:50,029 --> 00:07:47,039

political narratives and exclude certain

196

00:07:53,450 --> 00:07:50,039

possibilities from the universe of like

197

00:07:55,490 --> 00:07:53,460

what can be in reality and it's been of

198

00:07:57,529 --> 00:07:55,500

course raised on a diet of Wikipedia

199

00:08:00,469 --> 00:07:57,539

entries and people familiar with my work

200

00:08:02,330 --> 00:08:00,479

might know that I've dissected the inner

201  
00:08:04,010 --> 00:08:02,340  
workings of Wikipedia pretty extensively

202  
00:08:05,689 --> 00:08:04,020  
and it's a very scary place in there I

203  
00:08:06,890 --> 00:08:05,699  
think the big Tech platforms like

204  
00:08:09,830 --> 00:08:06,900  
Facebook and Twitter get a lot of the

205  
00:08:13,129 --> 00:08:09,840  
attention but Wikipedia is a very

206  
00:08:15,290 --> 00:08:13,139  
powerful player in the control Matrix

207  
00:08:17,450 --> 00:08:15,300  
but this chatbot thing is where things

208  
00:08:20,629 --> 00:08:17,460  
are going in terms of the synthetic

209  
00:08:22,610 --> 00:08:20,639  
thought police that is going on and one

210  
00:08:24,969 --> 00:08:22,620  
of my recent pieces is talking about how

211  
00:08:27,890 --> 00:08:24,979  
there's just this cross-disciplinary

212  
00:08:30,050 --> 00:08:27,900  
inculcation of this this control Matrix

213  
00:08:31,850 --> 00:08:30,060

that eventually they want us to

214

00:08:33,949 --> 00:08:31,860

internalize it so they don't have to

215

00:08:36,709 --> 00:08:33,959

censor us because we have this internal

216

00:08:37,790 --> 00:08:36,719

sensor that just stops us from our

217

00:08:39,829 --> 00:08:37,800

thoughts wandering in a certain

218

00:08:41,209 --> 00:08:39,839

direction because we're worried that oh

219

00:08:42,829 --> 00:08:41,219

we might be committing a crime or we

220

00:08:46,070 --> 00:08:42,839

might be just you know doing something

221

00:08:48,050 --> 00:08:46,080

that's wrong for a society and basically

222

00:08:50,030 --> 00:08:48,060

that I mean I'm kind of all over the

223

00:08:51,590 --> 00:08:50,040

place here but I see things going in a

224

00:08:52,970 --> 00:08:51,600

very bad direction as actually that

225

00:08:55,130 --> 00:08:52,980

chapter that I wrote for Cynthia's book

226

00:08:56,690 --> 00:08:55,140

a permanent dystopia question mark the

227

00:08:58,730 --> 00:08:56,700

editor put that question mark in there I

228

00:09:00,530 --> 00:08:58,740

I didn't put a question mark in there it

229

00:09:02,449 --> 00:09:00,540

seemed pretty clear at the time where we

230

00:09:03,710 --> 00:09:02,459

were headed and pretty much everything I

231

00:09:05,810 --> 00:09:03,720

predicted in that chapter has come to

232

00:09:07,850 --> 00:09:05,820

pass I think a lot of us who do this

233

00:09:10,250 --> 00:09:07,860

kind of work are experiencing this sort

234

00:09:11,630 --> 00:09:10,260

of like I told you so fatigue yeah we

235

00:09:13,310 --> 00:09:11,640

warned about these things and these

236

00:09:15,290 --> 00:09:13,320

things happen and they happen exactly as

237

00:09:17,509 --> 00:09:15,300

we predicted maybe not in the exact time

238

00:09:19,670 --> 00:09:17,519

frame or in the exact order but they

239

00:09:21,710 --> 00:09:19,680

happen and it would be really nice if we

240

00:09:24,350 --> 00:09:21,720

could just get Humanity's attention and

241

00:09:26,150 --> 00:09:24,360

make people realize that this is not a

242

00:09:27,889 --> 00:09:26,160

drill this is not a joke this is not

243

00:09:31,009 --> 00:09:27,899

some sort of like hypothetical

244

00:09:32,810 --> 00:09:31,019

theorizing or or even like the people

245

00:09:34,730 --> 00:09:32,820

who throw shade on quote unquote

246

00:09:37,430 --> 00:09:34,740

conspiracy theories accuse the people

247

00:09:38,630 --> 00:09:37,440

who trafficking them of this helps them

248

00:09:40,430 --> 00:09:38,640

sleep better at night they want to see

249

00:09:42,290 --> 00:09:40,440

the world in a more comforting way I

250

00:09:44,030 --> 00:09:42,300

don't see how it's comforting to uh

251

00:09:46,190 --> 00:09:44,040

believe that or to know rather that

252

00:09:48,110 --> 00:09:46,200

there is are these powerful people who

253

00:09:49,370 --> 00:09:48,120

happen to not want what's best for

254

00:09:51,350 --> 00:09:49,380

Humanity and would like to turn us into

255

00:09:53,810 --> 00:09:51,360

a slave species in our very far along

256

00:09:56,150 --> 00:09:53,820

the lines doing that but um yeah the

257

00:09:58,009 --> 00:09:56,160

whole fact Checker industrial complex is

258

00:09:59,750 --> 00:09:58,019

sort of speeding the process of that

259

00:10:01,790 --> 00:09:59,760

transformation into the slave species

260

00:10:02,930 --> 00:10:01,800

there are people who I don't know if

261

00:10:05,690 --> 00:10:02,940

they're Bots or if they're real human

262

00:10:07,370 --> 00:10:05,700

beings on like Twitter or whatever that

263

00:10:09,230 --> 00:10:07,380

you present them with an argument and

264

00:10:11,630 --> 00:10:09,240

they say oh that's been debunked and you

265

00:10:12,710 --> 00:10:11,640

say no it hasn't and they point to the

266

00:10:14,449 --> 00:10:12,720

fact check and you read the fact check

267

00:10:15,769 --> 00:10:14,459

the fact that doesn't say anything that

268

00:10:17,690 --> 00:10:15,779

disproves the thing it just says that

269

00:10:19,970 --> 00:10:17,700

this has been debunked and they just

270

00:10:22,610 --> 00:10:19,980

refuse to like engage with the

271

00:10:24,530 --> 00:10:22,620

information on its basic level it's I've

272

00:10:26,690 --> 00:10:24,540

referred to it as the Iron Curtain of

273

00:10:28,850 --> 00:10:26,700

information and it's just like the way

274

00:10:31,490 --> 00:10:28,860

that this is completely blotting out we

275

00:10:33,829 --> 00:10:31,500

reality from many people's daily

276

00:10:35,329 --> 00:10:33,839

existence is very scary and it's

277

00:10:39,290 --> 00:10:35,339

something that has to be stopped if we

278

00:10:41,630 --> 00:10:39,300

have any hope of regaining our agency as

279

00:10:45,769 --> 00:10:41,640

people

280

00:10:47,690 --> 00:10:45,779

yes well said what a triple Axel Swan

281

00:10:50,210 --> 00:10:47,700

Dive Right into the deep end of the pool

282

00:10:52,850 --> 00:10:50,220

and you hit on several things that I was

283

00:10:55,550 --> 00:10:52,860

going to ask you about chat GPT being

284

00:10:58,130 --> 00:10:55,560

one of them this is a couple of your

285

00:11:00,829 --> 00:10:58,140

tweets smashed together that I copied

286

00:11:03,170 --> 00:11:00,839

down but you say it is a quirk of the

287

00:11:06,050 --> 00:11:03,180

parasites psychosis that they obsess

288

00:11:08,329 --> 00:11:06,060

over their host appearing to consent to

289

00:11:10,670 --> 00:11:08,339

the asset stripping and ruination of

290

00:11:13,190 --> 00:11:10,680

their society thus there can be no show

291

00:11:15,650 --> 00:11:13,200

of descent no memory that descent was

292

00:11:16,910 --> 00:11:15,660

ever a thing Google should give one

293

00:11:21,290 --> 00:11:16,920

search result

294

00:11:24,110 --> 00:11:21,300

and uh you go on to say that the 2.0

295

00:11:27,889 --> 00:11:24,120

version of this is basically chat GTP

296

00:11:30,410 --> 00:11:27,899

that a world economic Forum panel hinted

297

00:11:33,650 --> 00:11:30,420

at how censorship would be achieved

298

00:11:37,009 --> 00:11:33,660

through hate speech laws re-education of

299

00:11:40,790 --> 00:11:37,019

the public Source control upload filters

300

00:11:43,850 --> 00:11:40,800

and AI chat GPT was specifically

301  
00:11:47,810 --> 00:11:43,860  
mentioned and you go on to show examples

302  
00:11:50,870 --> 00:11:47,820  
of chat gpt's bias pretty much just like

303  
00:11:53,630 --> 00:11:50,880  
Google or Wikipedia but I suppose maybe

304  
00:11:56,269 --> 00:11:53,640  
the conversational style is probably

305  
00:11:58,310 --> 00:11:56,279  
more convincing to the reader I'm not so

306  
00:12:01,910 --> 00:11:58,320  
sure but there's probably a psychology

307  
00:12:05,030 --> 00:12:01,920  
to it that makes it easier to really

308  
00:12:07,310 --> 00:12:05,040  
craft the nuances around what they want

309  
00:12:08,150 --> 00:12:07,320  
people to digest is that what you would

310  
00:12:09,710 --> 00:12:08,160  
say

311  
00:12:11,990 --> 00:12:09,720  
yeah I mean there have been these

312  
00:12:14,810 --> 00:12:12,000  
studies done that suggest that humans

313  
00:12:17,690 --> 00:12:14,820

actually trust computer programs more

314

00:12:19,550 --> 00:12:17,700

than they trust say a stranger and I

315

00:12:21,350 --> 00:12:19,560

find that extremely disturbing because

316

00:12:22,970 --> 00:12:21,360

computer programs are programmed by

317

00:12:25,730 --> 00:12:22,980

human beings so like that in and of

318

00:12:27,470 --> 00:12:25,740

itself is like a duh moment but the idea

319

00:12:29,930 --> 00:12:27,480

that we trust these machines more than

320

00:12:31,670 --> 00:12:29,940

we trust each other speaks to how much

321

00:12:34,370 --> 00:12:31,680

the ruling class has a violated our

322

00:12:36,530 --> 00:12:34,380

trust in they're always limiting that we

323

00:12:38,630 --> 00:12:36,540

don't trust institutions and it's like

324

00:12:41,210 --> 00:12:38,640

well whose fault is that really but in

325

00:12:42,710 --> 00:12:41,220

terms of what what gbt because if you're

326

00:12:44,870 --> 00:12:42,720

having a conversation with this thing

327

00:12:46,670 --> 00:12:44,880

and Wikipedia already does this but it

328

00:12:48,650 --> 00:12:46,680

has this authority of like this idea of

329

00:12:50,210 --> 00:12:48,660

neutrality so this chatbot is supposed

330

00:12:51,769 --> 00:12:50,220

to be like this All-Seeing all-knowing

331

00:12:53,090 --> 00:12:51,779

thing so if you're having a conversation

332

00:12:54,530 --> 00:12:53,100

with it and it's giving you the answers

333

00:12:56,389 --> 00:12:54,540

it's the Oracle it's the Oracle of

334

00:12:57,949 --> 00:12:56,399

Delphi yeah so you're supposed to

335

00:13:00,050 --> 00:12:57,959

believe what it says and not question

336

00:13:01,670 --> 00:13:00,060

that because how could they program an

337

00:13:03,949 --> 00:13:01,680

AI to give you the wrong answer that

338

00:13:07,069 --> 00:13:03,959

would be so strange two plus two can

339

00:13:09,590 --> 00:13:07,079

never eat before rights right and let's

340

00:13:12,470 --> 00:13:09,600

back it up to throw some shade at

341

00:13:14,449 --> 00:13:12,480

Wikipedia I think I first heard you on

342

00:13:17,150 --> 00:13:14,459

my buddy Charlie Robinson's podcast

343

00:13:20,150 --> 00:13:17,160

talking about Wikipedia and I perked up

344

00:13:23,509 --> 00:13:20,160

a bit because Wikipedia is a huge issue

345

00:13:25,370 --> 00:13:23,519

it's pushed all the other old pedias out

346

00:13:26,930 --> 00:13:25,380

of the circle and sort of claimed this

347

00:13:29,930 --> 00:13:26,940

space as the one true source of

348

00:13:32,329 --> 00:13:29,940

everything claiming to be crowdsourced

349

00:13:33,590 --> 00:13:32,339

but it's really more spook sourced and I

350

00:13:36,110 --> 00:13:33,600

think I heard you say say you're

351

00:13:38,210 --> 00:13:36,120

actually working on a Wikipedia book

352

00:13:40,670 --> 00:13:38,220

which I'm sure will be great but talk to

353

00:13:43,129 --> 00:13:40,680

us about the seriousness of this and the

354

00:13:45,829 --> 00:13:43,139

perception versus reality when it comes

355

00:13:49,190 --> 00:13:45,839

to Wikipedia and its Central role in the

356

00:13:51,110 --> 00:13:49,200

whole information control apparatus

357

00:13:53,030 --> 00:13:51,120

well yeah you know I was working on a

358

00:13:54,350 --> 00:13:53,040

book before the coronavirus hit and so

359

00:13:56,090 --> 00:13:54,360

the book is a little bit out of date but

360

00:13:59,090 --> 00:13:56,100

I will work on it again at some point

361

00:14:01,129 --> 00:13:59,100

but yeah Wikipedia unfortunately it's a

362

00:14:02,090 --> 00:14:01,139

serves as sort of a feeder for all of

363

00:14:05,210 --> 00:14:02,100

the other

364

00:14:07,250 --> 00:14:05,220

fact Checkers or social media platforms

365

00:14:09,230 --> 00:14:07,260

they check their facts or Google will

366

00:14:10,970 --> 00:14:09,240

get it when it ranks its search results

367

00:14:13,490 --> 00:14:10,980

it'll rank them based on their

368

00:14:15,410 --> 00:14:13,500

reputation from Wikipedia like Google

369

00:14:16,850 --> 00:14:15,420

search rankers are actually told if

370

00:14:18,590 --> 00:14:16,860

they're not familiar with a certain site

371

00:14:21,350 --> 00:14:18,600

to look it up on Wikipedia and find out

372

00:14:23,750 --> 00:14:21,360

what the general consensus is of how

373

00:14:25,069 --> 00:14:23,760

irreputable it is so it's like sort of

374

00:14:27,829 --> 00:14:25,079

behind the scenes with all of these

375

00:14:29,870 --> 00:14:27,839

other fact-checking apparatus and people

376

00:14:31,550 --> 00:14:29,880

do ascribe it this neutrality that it

377

00:14:33,530 --> 00:14:31,560

certainly doesn't deserve and even

378

00:14:35,030 --> 00:14:33,540

Wikipedia itself which is something that

379

00:14:38,329 --> 00:14:35,040

a lot of people don't know it doesn't

380

00:14:40,490 --> 00:14:38,339

claim to be the truth they even say that

381

00:14:43,009 --> 00:14:40,500

we cannot aspire to like being the one

382

00:14:45,050 --> 00:14:43,019

true anything but be aspire to quote

383

00:14:47,030 --> 00:14:45,060

unquote verifiability and verifiability

384

00:14:49,910 --> 00:14:47,040

just means that quote unquote reliable

385

00:14:52,550 --> 00:14:49,920

sources say it's true so I mean reliable

386

00:14:55,189 --> 00:14:52,560

sources as you probably know is was the

387

00:14:56,810 --> 00:14:55,199

name of Brian stelford's CNN show before

388

00:14:58,250 --> 00:14:56,820

he was unceremoniously dumped by the

389

00:14:59,990 --> 00:14:58,260

side of the road I mean there's a reason

390

00:15:01,550 --> 00:15:00,000

why that show had that name is because

391

00:15:03,470 --> 00:15:01,560

they want us like kind of subliminally

392

00:15:05,569 --> 00:15:03,480

wedge it in there that oh reliable

393

00:15:06,949 --> 00:15:05,579

sources well this is a tautology CNN

394

00:15:08,629 --> 00:15:06,959

must be a reliable source but it's

395

00:15:11,509 --> 00:15:08,639

called reliable sources why would they

396

00:15:13,730 --> 00:15:11,519

lie to me but um the reliable source is

397

00:15:15,949 --> 00:15:13,740

what Wikipedia editors say is a reliable

398

00:15:18,110 --> 00:15:15,959

source and Wikipedia editors if you've

399

00:15:20,689 --> 00:15:18,120

ever had any interaction with them are

400

00:15:22,009 --> 00:15:20,699

not exactly the salt of the earth types

401  
00:15:23,810 --> 00:15:22,019  
they try to say that anyone can edit

402  
00:15:25,610 --> 00:15:23,820  
Wikipedia well that's obviously not the

403  
00:15:27,650 --> 00:15:25,620  
case if you've ever tried to edit any

404  
00:15:29,449 --> 00:15:27,660  
sort of sensitive article I mean the way

405  
00:15:31,250 --> 00:15:29,459  
that I even got into looking into

406  
00:15:34,189 --> 00:15:31,260  
Wikipedia was I was working for a guy

407  
00:15:35,810 --> 00:15:34,199  
who had been completely slandered on his

408  
00:15:38,569 --> 00:15:35,820  
Wikipedia entry he couldn't get it

409  
00:15:40,129 --> 00:15:38,579  
deleted he couldn't get a chain it call

410  
00:15:42,050 --> 00:15:40,139  
in professional editors and they

411  
00:15:43,730 --> 00:15:42,060  
couldn't do anything then the Wikipedia

412  
00:15:45,650 --> 00:15:43,740  
entry was really greedy it still is I

413  
00:15:47,990 --> 00:15:45,660

mean there has been no no progress on

414

00:15:50,509 --> 00:15:48,000

that front and so I started digging into

415

00:15:52,790 --> 00:15:50,519

it and realized that I forget the peak

416

00:15:55,790 --> 00:15:52,800

number but it's declined by over 77

417

00:15:58,370 --> 00:15:55,800

percent over the last say seven years

418

00:15:59,750 --> 00:15:58,380

from the peak number of editors and at

419

00:16:02,150 --> 00:15:59,760

this point it's like one percent of

420

00:16:03,829 --> 00:16:02,160

editors make the vast majority of the

421

00:16:05,750 --> 00:16:03,839

edits I wish I had the statistics in

422

00:16:07,370 --> 00:16:05,760

front of me I don't but I have written

423

00:16:09,850 --> 00:16:07,380

about a million articles about it which

424

00:16:12,470 --> 00:16:09,860

can be found on my other sub stack

425

00:16:16,550 --> 00:16:12,480

velociraptor.substack.com but yeah it's

426

00:16:18,170 --> 00:16:16,560

a very gated community and if you run a

427

00:16:20,269 --> 00:16:18,180

foul of any of the people who are in

428

00:16:21,949 --> 00:16:20,279

charge you are immediately banned do not

429

00:16:23,569 --> 00:16:21,959

pass go do not collect 200 even if

430

00:16:26,210 --> 00:16:23,579

you're a respected editor like there was

431

00:16:28,370 --> 00:16:26,220

one one of my sources in the Wikipedia

432

00:16:29,990 --> 00:16:28,380

editor Community was basically banned

433

00:16:31,730 --> 00:16:30,000

for a better part of a year for calling

434

00:16:33,590 --> 00:16:31,740

out somebody who would come back under a

435

00:16:35,750 --> 00:16:33,600

different name who had been banned for

436

00:16:37,730 --> 00:16:35,760

shenanigans like promoted Undeclared

437

00:16:39,410 --> 00:16:37,740

paid editing and advocacy and stuff like

438

00:16:40,910 --> 00:16:39,420

that and he had come back and he was

439

00:16:41,990 --> 00:16:40,920

doing the paid editing stuff again he

440

00:16:43,670 --> 00:16:42,000

said this time he was working for

441

00:16:46,189 --> 00:16:43,680

basically the Democratic party Hillary

442

00:16:48,590 --> 00:16:46,199

Clinton campaign it was back in 2016.

443

00:16:50,870 --> 00:16:48,600

and so this guy calls him out on it and

444

00:16:52,310 --> 00:16:50,880

instead of the obvious he's got Reams

445

00:16:54,470 --> 00:16:52,320

and reams of proof like pages and Pages

446

00:16:56,150 --> 00:16:54,480

have proved that this guy is not on the

447

00:16:58,430 --> 00:16:56,160

up and up and then he gets banned

448

00:17:00,050 --> 00:16:58,440

because everybody on the Wikipedia

449

00:17:01,189 --> 00:17:00,060

editor Community is on this other guy's

450

00:17:02,930 --> 00:17:01,199

side so

451

00:17:04,909 --> 00:17:02,940

this idea that it's a democratic

452

00:17:07,309 --> 00:17:04,919

platform where and the co-founder has

453

00:17:08,809 --> 00:17:07,319

spoken about this so Larry Sanger who

454

00:17:10,730 --> 00:17:08,819

was almost written out of History

455

00:17:12,590 --> 00:17:10,740

himself because Jimmy Wales the other

456

00:17:14,510 --> 00:17:12,600

co-founder decided he want to be the

457

00:17:17,090 --> 00:17:14,520

only founder so he would go into his

458

00:17:19,189 --> 00:17:17,100

Wikipedia entry and remove the code part

459

00:17:20,510 --> 00:17:19,199

and just be founder and it's like okay

460

00:17:22,130 --> 00:17:20,520

so you're editing your own history and

461

00:17:24,890 --> 00:17:22,140

you want us to believe that this is a

462

00:17:27,350 --> 00:17:24,900

free and open encyclopedia but yeah

463

00:17:29,330 --> 00:17:27,360

basically Wikipedia is also in addition

464

00:17:32,390 --> 00:17:29,340

to being the source of quote-unquote

465

00:17:34,909 --> 00:17:32,400

facts for these fact-checking and social

466

00:17:38,150 --> 00:17:34,919

media platforms it's also used as the

467

00:17:40,490 --> 00:17:38,160

source for AI so like in addition to

468

00:17:42,110 --> 00:17:40,500

feeding chat gbt if you have an Alexa

469

00:17:43,310 --> 00:17:42,120

device if you're one of these morons

470

00:17:45,350 --> 00:17:43,320

that has this thing in there in your

471

00:17:46,789 --> 00:17:45,360

home if you ask it a question chances

472

00:17:48,710 --> 00:17:46,799

are it's going to spit back Wikipedia

473

00:17:50,270 --> 00:17:48,720

entry at you and a lot of times it's not

474

00:17:51,950 --> 00:17:50,280

even these Wikipedia entries which have

475

00:17:53,450 --> 00:17:51,960

to be if you have a fact in Wikipedia

476

00:17:55,130 --> 00:17:53,460

entry it has to be sourced to a

477

00:17:56,870 --> 00:17:55,140

quote-unquote reliable source well

478

00:17:59,510 --> 00:17:56,880

there's this thing called wikidata which

479

00:18:01,549 --> 00:17:59,520

is even less reliable in that you can

480

00:18:03,230 --> 00:18:01,559

put a factoid in there and it doesn't

481

00:18:05,870 --> 00:18:03,240

necessarily have to be sourced it was

482

00:18:07,730 --> 00:18:05,880

discovered a few years ago that actually

483

00:18:09,169 --> 00:18:07,740

the vast majority were not source and

484

00:18:12,230 --> 00:18:09,179

they only noticed this because somebody

485

00:18:14,630 --> 00:18:12,240

had put some wildly libelous thing in

486

00:18:16,130 --> 00:18:14,640

there about I think it was it's a

487

00:18:18,110 --> 00:18:16,140

millennia Trump I think it was Melania

488

00:18:20,029 --> 00:18:18,120

Trump but um they put in something about

489

00:18:22,730 --> 00:18:20,039

her that was like really not true but

490

00:18:24,230 --> 00:18:22,740

like very salacious and they happen to

491

00:18:26,450 --> 00:18:24,240

notice that oh wait actually none of

492

00:18:28,610 --> 00:18:26,460

this stuff is sourced and we're using it

493

00:18:30,110 --> 00:18:28,620

to power all of these devices that's a

494

00:18:31,250 --> 00:18:30,120

great idea of course nothing was done

495

00:18:33,950 --> 00:18:31,260

about it because why would you do

496

00:18:36,950 --> 00:18:33,960

anything about it the amount of money

497

00:18:39,049 --> 00:18:36,960

that goes into Wikipedia is also off the

498

00:18:40,549 --> 00:18:39,059

charts like if you've ever used it you

499

00:18:42,590 --> 00:18:40,559

see they have these like money grubbing

500

00:18:44,930 --> 00:18:42,600

banners top all the time everybody just

501  
00:18:47,330 --> 00:18:44,940  
gave a dollar this would go away well I

502  
00:18:48,890 --> 00:18:47,340  
mean hundreds of billions of dollars and

503  
00:18:50,810 --> 00:18:48,900  
millions of millions not billions sorry

504  
00:18:53,090 --> 00:18:50,820  
I'm thinking of the military industrial

505  
00:18:54,470 --> 00:18:53,100  
complex not the Wikipedia industrial

506  
00:18:56,330 --> 00:18:54,480  
complex hundreds of billions of dollars

507  
00:18:58,010 --> 00:18:56,340  
are going into this thing and if you

508  
00:19:00,049 --> 00:18:58,020  
just look at it's a pretty bare-bone

509  
00:19:01,789 --> 00:19:00,059  
site while they have been growing their

510  
00:19:03,289 --> 00:19:01,799  
staff significantly they don't have

511  
00:19:05,330 --> 00:19:03,299  
enough staff to justify 100 million

512  
00:19:06,590 --> 00:19:05,340  
dollars so it's uh and I think it's gone

513  
00:19:08,630 --> 00:19:06,600

up since then that was a couple years

514

00:19:11,930 --> 00:19:08,640

ago but you've got all these foundations

515

00:19:15,230 --> 00:19:11,940

like The Usual Suspects the on the Dr

516

00:19:17,570 --> 00:19:15,240

networks the Soros open Society all of

517

00:19:19,549 --> 00:19:17,580

these like Numark Foundation Hewlett

518

00:19:21,470 --> 00:19:19,559

Foundation all of these narrative

519

00:19:24,529 --> 00:19:21,480

managers is what I call them are all

520

00:19:26,630 --> 00:19:24,539

contributing accessibly to Wikipedia and

521

00:19:27,710 --> 00:19:26,640

so you have to wonder okay well what do

522

00:19:29,210 --> 00:19:27,720

they get in return for these

523

00:19:31,430 --> 00:19:29,220

contributions because it's not like the

524

00:19:33,350 --> 00:19:31,440

site needs all this money to run so if

525

00:19:35,150 --> 00:19:33,360

you look into some of Jimmy Wales

526  
00:19:37,970 --> 00:19:35,160  
connections I mean the guy after meeting

527  
00:19:40,789 --> 00:19:37,980  
Bono of all people in like 2006 suddenly

528  
00:19:42,529 --> 00:19:40,799  
he's being squired around Davos and is

529  
00:19:44,510 --> 00:19:42,539  
hanging out with all these fancy people

530  
00:19:47,210 --> 00:19:44,520  
and marries the diary Secretary of Tony

531  
00:19:49,430 --> 00:19:47,220  
Blair and um I mean of course Tony Blair

532  
00:19:51,169 --> 00:19:49,440  
is right there at WWEF last week talking

533  
00:19:52,430 --> 00:19:51,179  
up how we all needed digital ID because

534  
00:19:54,950 --> 00:19:52,440  
otherwise how will we know what

535  
00:19:56,450 --> 00:19:54,960  
vaccinations we've got well gee it's not

536  
00:19:58,130 --> 00:19:56,460  
like that's any beer business weird

537  
00:19:59,510 --> 00:19:58,140  
looking dude we talked about being able

538  
00:20:01,730 --> 00:19:59,520

to judge book by his cover but that's

539

00:20:03,650 --> 00:20:01,740

the universe there so basically

540

00:20:05,270 --> 00:20:03,660

Wikipedia is sort of looming in the

541

00:20:07,970 --> 00:20:05,280

background in a lot of very Sinister

542

00:20:10,789 --> 00:20:07,980

things and it's hooked in it's Israeli

543

00:20:13,970 --> 00:20:10,799

intelligence has a very Central role in

544

00:20:14,930 --> 00:20:13,980

it they learned early on back in 2008 I

545

00:20:17,630 --> 00:20:14,940

think was the first time they were

546

00:20:20,270 --> 00:20:17,640

caught secretly editing Wikipedia and

547

00:20:22,490 --> 00:20:20,280

it's been downhill ever since then and

548

00:20:23,570 --> 00:20:22,500

if you shoot anything go on Wikipedia

549

00:20:25,789 --> 00:20:23,580

look at anything about the Israel

550

00:20:27,650 --> 00:20:25,799

Palestine situation you're going to find

551  
00:20:30,230 --> 00:20:27,660  
the most laughably biased thing on the

552  
00:20:31,970 --> 00:20:30,240  
planet it's obscene but they get away

553  
00:20:33,010 --> 00:20:31,980  
with it because you know who's going to

554  
00:20:36,770 --> 00:20:33,020  
tell them no

555  
00:20:39,590 --> 00:20:36,780  
yes that's a great summary and I'm glad

556  
00:20:41,690 --> 00:20:39,600  
you pointed out that non-profit aspect

557  
00:20:43,730 --> 00:20:41,700  
you go there they got the banner we just

558  
00:20:46,130 --> 00:20:43,740  
need your money yet they are making

559  
00:20:48,049 --> 00:20:46,140  
hundreds of millions from billionaire

560  
00:20:50,090 --> 00:20:48,059  
quote-unquote philanthropists and

561  
00:20:53,870 --> 00:20:50,100  
narrative controllers and corporations

562  
00:20:55,850 --> 00:20:53,880  
all getting their perspectives out to

563  
00:20:57,710 --> 00:20:55,860

the people and

564

00:20:59,870 --> 00:20:57,720

in my notes here from that conversation

565

00:21:02,810 --> 00:20:59,880

you had with Charlie you mentioned that

566

00:21:05,390 --> 00:21:02,820

in the Integrity initiative scandal from

567

00:21:07,310 --> 00:21:05,400

a few years ago Wikipedia was included I

568

00:21:10,789 --> 00:21:07,320

wasn't sure really what that Scandal

569

00:21:14,210 --> 00:21:10,799

entailed and you also mentioned that the

570

00:21:17,390 --> 00:21:14,220

Israeli military has rows and Columns of

571

00:21:19,610 --> 00:21:17,400

people editing Wikipedia like uh you

572

00:21:21,289 --> 00:21:19,620

know a human bot Farm kind of thing do

573

00:21:23,029 --> 00:21:21,299

we know that for sure and and where

574

00:21:25,070 --> 00:21:23,039

where do we know that from and what can

575

00:21:26,390 --> 00:21:25,080

you say about the Integrity initiative

576  
00:21:28,430 --> 00:21:26,400  
scandal

577  
00:21:30,770 --> 00:21:28,440  
so the thing with the Israelis are in

578  
00:21:33,230 --> 00:21:30,780  
rows and columns they brag about it that

579  
00:21:36,049 --> 00:21:33,240  
there's some program that was on Israeli

580  
00:21:37,549 --> 00:21:36,059  
TV back in like 2012. the name is

581  
00:21:39,409 --> 00:21:37,559  
escaping me right now but it's the guy

582  
00:21:40,669 --> 00:21:39,419  
naturally Bennett was in charge of this

583  
00:21:43,190 --> 00:21:40,679  
thing and now he's of course in the

584  
00:21:45,110 --> 00:21:43,200  
government now but he was just a lowly a

585  
00:21:46,970 --> 00:21:45,120  
runner of an education program that was

586  
00:21:49,310 --> 00:21:46,980  
teaching Israelis how to edit Wikipedia

587  
00:21:50,510 --> 00:21:49,320  
and there is military Connections in

588  
00:21:51,950 --> 00:21:50,520

there and of course because he I think

589

00:21:53,870 --> 00:21:51,960

he ended up being a secretary of defense

590

00:21:55,430 --> 00:21:53,880

I always read I know who we're going to

591

00:21:57,649 --> 00:21:55,440

talk about this so I would have refresh

592

00:21:59,270 --> 00:21:57,659

my memory I'm sorry basically like yeah

593

00:22:01,310 --> 00:21:59,280

I've never probably Bennett is there on

594

00:22:03,049 --> 00:22:01,320

Israeli TV talking up how great it is

595

00:22:05,149 --> 00:22:03,059

that we're gonna make Wikipedia quote

596

00:22:07,549 --> 00:22:05,159

unquote balanced and Zionist in nature

597

00:22:09,950 --> 00:22:07,559

no that phrase I don't know sends a lot

598

00:22:11,390 --> 00:22:09,960

of red flags to me but you've got like

599

00:22:13,549 --> 00:22:11,400

rows and cons of people editing

600

00:22:15,950 --> 00:22:13,559

Wikipedia all pushing it in a certain

601  
00:22:17,810 --> 00:22:15,960  
ideological Direction and getting it

602  
00:22:20,090 --> 00:22:17,820  
into the schools one of the members of

603  
00:22:21,770 --> 00:22:20,100  
the board of directors her whole thing

604  
00:22:23,750 --> 00:22:21,780  
is getting Wikipedia into the schools

605  
00:22:25,789 --> 00:22:23,760  
which is another I should have mentioned

606  
00:22:27,289 --> 00:22:25,799  
that when you asked me about what the

607  
00:22:28,490 --> 00:22:27,299  
Sinister has effects of it are because

608  
00:22:30,470 --> 00:22:28,500  
that's a really big one that's one

609  
00:22:32,930 --> 00:22:30,480  
that's sort of metastasized during the

610  
00:22:35,270 --> 00:22:32,940  
pandemic the United Nations is now

611  
00:22:37,549 --> 00:22:35,280  
pushing that but Integrity initiative

612  
00:22:40,310 --> 00:22:37,559  
before I go too far on the schooling

613  
00:22:44,149 --> 00:22:40,320

thing was a UK sort of

614

00:22:45,890 --> 00:22:44,159

information Warfare operation in which

615

00:22:47,450 --> 00:22:45,900

they were trying to push back against

616

00:22:50,029 --> 00:22:47,460

quote unquote Russian information

617

00:22:52,250 --> 00:22:50,039

operations and like the Syrian War

618

00:22:54,470 --> 00:22:52,260

narrative and so they would have

619

00:22:56,029 --> 00:22:54,480

basically intelligence operatives

620

00:22:58,490 --> 00:22:56,039

pretending to be journalists and

621

00:23:00,710 --> 00:22:58,500

pretending to be other sort of more

622

00:23:02,750 --> 00:23:00,720

above board figures and it came out that

623

00:23:04,610 --> 00:23:02,760

this was not completely above board and

624

00:23:06,049 --> 00:23:04,620

I don't really remember the details on

625

00:23:08,450 --> 00:23:06,059

that one all good all good it's a

626

00:23:09,950 --> 00:23:08,460

scandal from a while back I just I

627

00:23:11,990 --> 00:23:09,960

hadn't I hadn't heard of it I didn't

628

00:23:13,310 --> 00:23:12,000

think or I glossed over it so I figured

629

00:23:16,430 --> 00:23:13,320

I would ask but that's a pretty good

630

00:23:19,190 --> 00:23:16,440

summary I mean it is a tangled web and

631

00:23:20,690 --> 00:23:19,200

it's often the same spiders in it you

632

00:23:22,669 --> 00:23:20,700

just gotta find out which one's

633

00:23:24,590 --> 00:23:22,679

connected to which in a weird connect

634

00:23:26,090 --> 00:23:24,600

the dots yeah and another thing if you

635

00:23:28,430 --> 00:23:26,100

look up the Integrity initiative you try

636

00:23:29,750 --> 00:23:28,440

to Google that you will find nothing uh

637

00:23:31,430 --> 00:23:29,760

even if you try to look it up on

638

00:23:33,350 --> 00:23:31,440

DuckDuckGo you'll find nothing go to

639

00:23:35,750 --> 00:23:33,360

Yandex you'll find plenty Wiki Spooks

640

00:23:37,850 --> 00:23:35,760

has a Wiki Spooks as the sort of expose

641

00:23:39,289 --> 00:23:37,860

it's the Amira image Wikipedia almost

642

00:23:40,970 --> 00:23:39,299

because it's like it's got all the

643

00:23:42,710 --> 00:23:40,980

information Wikipedia doesn't have yes

644

00:23:46,549 --> 00:23:42,720

yes in the same format

645

00:23:48,890 --> 00:23:46,559

so I also really liked this line from

646

00:23:51,649 --> 00:23:48,900

your latest substack article where you

647

00:23:54,890 --> 00:23:51,659

said the censorship we see on social

648

00:23:58,010 --> 00:23:54,900

media or read stories about is only the

649

00:24:00,590 --> 00:23:58,020

tip of a well-funded Iceberg powered by

650

00:24:03,169 --> 00:24:00,600

Armani stolen by the financial cartels

651  
00:24:06,169 --> 00:24:03,179  
to create the illusion that Humanity

652  
00:24:08,149 --> 00:24:06,179  
Embraces their totalitarianism descent

653  
00:24:10,909 --> 00:24:08,159  
must not be just suppressed but

654  
00:24:13,850 --> 00:24:10,919  
disappeared well I think that is so well

655  
00:24:16,909 --> 00:24:13,860  
said it's actually really easy to slip

656  
00:24:19,730 --> 00:24:16,919  
into feelings of isolation like nobody

657  
00:24:22,090 --> 00:24:19,740  
else gets this or sees this stuff but

658  
00:24:24,649 --> 00:24:22,100  
you know I do see other folks getting

659  
00:24:27,169 --> 00:24:24,659  
giddy on the other side over this Mass

660  
00:24:30,110 --> 00:24:27,179  
Awakening that I also don't really see

661  
00:24:32,690 --> 00:24:30,120  
and it's hard to get a true sense of if

662  
00:24:35,330 --> 00:24:32,700  
a tide is really turning or not what's

663  
00:24:37,610 --> 00:24:35,340

your read on how a lot of this

664

00:24:39,950 --> 00:24:37,620

perception management is really going

665

00:24:42,230 --> 00:24:39,960

like is there a mass Awakening or are

666

00:24:44,990 --> 00:24:42,240

the Sheep just as asleep as they always

667

00:24:47,090 --> 00:24:45,000

have been I can't seem to really nail

668

00:24:48,649 --> 00:24:47,100

down exactly where that Needle on the

669

00:24:49,970 --> 00:24:48,659

meter should be because of all this

670

00:24:51,770 --> 00:24:49,980

manipulation

671

00:24:53,750 --> 00:24:51,780

yeah it's very difficult to tell and of

672

00:24:56,029 --> 00:24:53,760

course that's by Design I mean they make

673

00:24:57,169 --> 00:24:56,039

these fake polls where especially in New

674

00:24:59,090 --> 00:24:57,179

Zealand is one of the worst with this

675

00:25:00,710 --> 00:24:59,100

because they've got just into art and

676  
00:25:02,330 --> 00:25:00,720  
was always up there saying we're going

677  
00:25:04,130 --> 00:25:02,340  
to be your sole source of Truth great

678  
00:25:05,570 --> 00:25:04,140  
great yeah we really trust you but they

679  
00:25:07,190 --> 00:25:05,580  
would have these like polls saying that

680  
00:25:09,409 --> 00:25:07,200  
90 of people Love Lockdown and think

681  
00:25:10,610 --> 00:25:09,419  
it's really great and of course you

682  
00:25:11,750 --> 00:25:10,620  
can't actually go out and ask people

683  
00:25:13,370 --> 00:25:11,760  
because if they Love Lockdown they're

684  
00:25:15,230 --> 00:25:13,380  
going to be at home locked down so like

685  
00:25:17,630 --> 00:25:15,240  
you can't really get a barometer there

686  
00:25:18,830 --> 00:25:17,640  
and yeah that was a lot of it especially

687  
00:25:20,270 --> 00:25:18,840  
during the lockdown during the early

688  
00:25:21,649 --> 00:25:20,280

part of the pandemic was you couldn't

689

00:25:24,049 --> 00:25:21,659

actually go out and compare notes with

690

00:25:25,789 --> 00:25:24,059

your neighbor and they try to sort of

691

00:25:27,950 --> 00:25:25,799

instill this distrust so that we don't

692

00:25:29,510 --> 00:25:27,960

ask our neighbors or just random people

693

00:25:31,190 --> 00:25:29,520

that we happen to meet political

694

00:25:34,190 --> 00:25:31,200

questions because it's now considered

695

00:25:35,750 --> 00:25:34,200

we're so polarized as a nation that if

696

00:25:37,430 --> 00:25:35,760

you ask anybody a political question

697

00:25:38,990 --> 00:25:37,440

they're going to be violent at you and

698

00:25:40,490 --> 00:25:39,000

stuff and it's like well that's usually

699

00:25:41,750 --> 00:25:40,500

not the case I mean a lot of times if

700

00:25:43,190 --> 00:25:41,760

you strike up a conversation with

701  
00:25:45,049 --> 00:25:43,200  
someone in line about how ludicrous it

702  
00:25:46,789 --> 00:25:45,059  
is that you have to stand six feet apart

703  
00:25:48,110 --> 00:25:46,799  
and you probably find at least some

704  
00:25:50,630 --> 00:25:48,120  
degree of sympathy even if they aren't

705  
00:25:53,210 --> 00:25:50,640  
like openly espousing these use on their

706  
00:25:55,010 --> 00:25:53,220  
own a lot of times I think that well

707  
00:25:58,070 --> 00:25:55,020  
there might be knots on the surface

708  
00:26:00,470 --> 00:25:58,080  
Awakening I think people sort of at

709  
00:26:02,870 --> 00:26:00,480  
least subconsciously understand that

710  
00:26:05,149 --> 00:26:02,880  
this is a true shrieking fraud and it

711  
00:26:06,830 --> 00:26:05,159  
can't continue in this way but I think

712  
00:26:09,230 --> 00:26:06,840  
that one of the big problems with the

713  
00:26:11,510 --> 00:26:09,240

mass vaccination is that they've sort of

714

00:26:14,029 --> 00:26:11,520

like tied up people's fear of their own

715

00:26:16,190 --> 00:26:14,039

mortality in this whole mess so like if

716

00:26:18,649 --> 00:26:16,200

people admit that reality exists and

717

00:26:20,210 --> 00:26:18,659

that these Spike proteins manufacturing

718

00:26:22,430 --> 00:26:20,220

facilities that their cells have been

719

00:26:24,529 --> 00:26:22,440

turned into are not ideal situations

720

00:26:26,630 --> 00:26:24,539

physically mentally anything like that

721

00:26:28,310 --> 00:26:26,640

they then have to admit that maybe their

722

00:26:30,049 --> 00:26:28,320

days on Earth are numbered and nobody

723

00:26:31,850 --> 00:26:30,059

wants to admit that because the species

724

00:26:34,610 --> 00:26:31,860

we are completely terrified of our own

725

00:26:36,110 --> 00:26:34,620

mortality so it was really a number that

726

00:26:37,130 --> 00:26:36,120

they did on people's psyches with that

727

00:26:38,750 --> 00:26:37,140

one but

728

00:26:41,750 --> 00:26:38,760

they definitely want to keep us isolated

729

00:26:43,669 --> 00:26:41,760

and believing that we are the conspiracy

730

00:26:45,169 --> 00:26:43,679

theorists who are just like off the wall

731

00:26:46,430 --> 00:26:45,179

like nobody could ever possibly believe

732

00:26:48,230 --> 00:26:46,440

this stuff so

733

00:26:50,450 --> 00:26:48,240

that's why they have all of these bots

734

00:26:51,769 --> 00:26:50,460

on Twitter and of course Elon Musk says

735

00:26:53,870 --> 00:26:51,779

he's gonna go get the boss and it only

736

00:26:55,610 --> 00:26:53,880

just introduces his own boss I mean I

737

00:26:57,710 --> 00:26:55,620

was just in some thread where there was

738

00:27:00,590 --> 00:26:57,720

like videos of people posting their

739

00:27:02,510 --> 00:27:00,600

vaccine side effects and all of these

740

00:27:04,789 --> 00:27:02,520

people responding so with so much

741

00:27:06,950 --> 00:27:04,799

hostility to these people just posting

742

00:27:08,810 --> 00:27:06,960

like images of themselves shaking it's

743

00:27:10,610 --> 00:27:08,820

like oh is this how could you possibly

744

00:27:12,049 --> 00:27:10,620

think that this is real oh remember it's

745

00:27:13,970 --> 00:27:12,059

like why are you getting so angry like

746

00:27:16,850 --> 00:27:13,980

what is it to you what these people are

747

00:27:18,289 --> 00:27:16,860

doing it's completely false and if these

748

00:27:19,789 --> 00:27:18,299

are real people I mean I kind of feel

749

00:27:21,470 --> 00:27:19,799

sorry for them but I just don't think

750

00:27:23,269 --> 00:27:21,480

that the majority of people I like that

751  
00:27:24,649 --> 00:27:23,279  
if you are having a good time if you are

752  
00:27:26,269 --> 00:27:24,659  
enjoying life or just having a

753  
00:27:28,250 --> 00:27:26,279  
harmonious existence with your Universe

754  
00:27:30,289 --> 00:27:28,260  
you aren't on social media complaining

755  
00:27:32,210 --> 00:27:30,299  
about it so there's also like a sort of

756  
00:27:34,010 --> 00:27:32,220  
sampling error there in that we don't

757  
00:27:35,990 --> 00:27:34,020  
see a lot of like the people who are

758  
00:27:37,669 --> 00:27:36,000  
maybe they're not only awake but they've

759  
00:27:39,830 --> 00:27:37,679  
found like a way to

760  
00:27:41,750 --> 00:27:39,840  
carve out their own niche in this

761  
00:27:43,190 --> 00:27:41,760  
psychotic world and so they're not going

762  
00:27:44,750 --> 00:27:43,200  
to be on social media talking about it

763  
00:27:47,090 --> 00:27:44,760

because they're going to attract

764

00:27:48,470 --> 00:27:47,100

unwanted tension and there's so many

765

00:27:49,730 --> 00:27:48,480

people out there that they see you

766

00:27:53,029 --> 00:27:49,740

having a good time they just want to

767

00:27:55,010 --> 00:27:53,039

mess it up so it's hard to tell but I

768

00:27:58,010 --> 00:27:55,020

think that there is some Awakening going

769

00:27:59,750 --> 00:27:58,020

on it's just that it's flow and it's cut

770

00:28:02,090 --> 00:27:59,760

through with this fear of mortality

771

00:28:04,850 --> 00:28:02,100

which is a difficult thing to get around

772

00:28:07,130 --> 00:28:04,860

well said yes the mortality thing is

773

00:28:09,649 --> 00:28:07,140

definitely an element and it is tough

774

00:28:11,690 --> 00:28:09,659

because they try to make it seem like

775

00:28:14,390 --> 00:28:11,700

it's non-existent and then people on the

776  
00:28:15,830 --> 00:28:14,400  
other side maybe overemphasize where

777  
00:28:17,810 --> 00:28:15,840  
it's at because of that and you're kind

778  
00:28:20,029 --> 00:28:17,820  
of stuck in the middle like hmm I don't

779  
00:28:21,649 --> 00:28:20,039  
know I don't see a lot of it in my

780  
00:28:23,269 --> 00:28:21,659  
personal life maybe people have their

781  
00:28:24,950 --> 00:28:23,279  
own private thoughts that they're not

782  
00:28:27,890 --> 00:28:24,960  
going to share with me because they know

783  
00:28:29,870 --> 00:28:27,900  
where I am already but it's just a

784  
00:28:32,149 --> 00:28:29,880  
difficult thing we got to deal with and

785  
00:28:34,430 --> 00:28:32,159  
I wanted to switch gears a little bit to

786  
00:28:36,590 --> 00:28:34,440  
something you said about World War III

787  
00:28:39,049 --> 00:28:36,600  
and the Ukraine issue and it's hard not

788  
00:28:40,669 --> 00:28:39,059

to start every question with a quote

789

00:28:42,710 --> 00:28:40,679

from you because I just want people to

790

00:28:44,210 --> 00:28:42,720

hear the way you put things but let's

791

00:28:46,070 --> 00:28:44,220

talk about your perspective on the

792

00:28:49,549 --> 00:28:46,080

Ukraine thing and this Prospect of World

793

00:28:51,110 --> 00:28:49,559

War III you refer to Ukraine as big

794

00:28:53,690 --> 00:28:51,120

Israel which I want to hear more about

795

00:28:55,789 --> 00:28:53,700

but you write big Israel will have all

796

00:28:57,950 --> 00:28:55,799

of NATO's weapons at its beck and call

797

00:29:01,370 --> 00:28:57,960

as the head of president's office for

798

00:29:04,310 --> 00:29:01,380

Ukraine Andrea yermak and former NATO

799

00:29:07,190 --> 00:29:04,320

security General Anders Vogue Ross

800

00:29:09,649 --> 00:29:07,200

Newton made clear earlier this month

801  
00:29:12,769 --> 00:29:09,659  
when they unveiled the Kiev security

802  
00:29:15,230 --> 00:29:12,779  
compact achutespa soaked document that

803  
00:29:17,930 --> 00:29:15,240  
explicitly obliges the U.S and its

804  
00:29:20,990 --> 00:29:17,940  
European allies to not only support

805  
00:29:24,289 --> 00:29:21,000  
unlimited military and financial aid to

806  
00:29:26,750 --> 00:29:24,299  
Ukraine for as long as it exists but to

807  
00:29:29,389 --> 00:29:26,760  
defend whatever Kiev calls its borders

808  
00:29:32,210 --> 00:29:29,399  
in case of aggression putting them in

809  
00:29:35,029 --> 00:29:32,220  
direct conflict with Russia on a legally

810  
00:29:38,510 --> 00:29:35,039  
and politically binding one-way journey

811  
00:29:40,190 --> 00:29:38,520  
to World War III I mean God damn you

812  
00:29:42,350 --> 00:29:40,200  
know I've been saying since the

813  
00:29:44,870 --> 00:29:42,360

beginning chill out with the Ukrainian

814

00:29:46,789 --> 00:29:44,880

flag stop being led around by the TV

815

00:29:48,529 --> 00:29:46,799

there are so many atrocities in the

816

00:29:50,389 --> 00:29:48,539

world but nobody cares until they're

817

00:29:53,450 --> 00:29:50,399

told to care but there is this

818

00:29:56,029 --> 00:29:53,460

perception that even anti-war folks have

819

00:29:58,669 --> 00:29:56,039

that well Russia was first to act they

820

00:30:01,190 --> 00:29:58,679

invaded But it's not really that simple

821

00:30:04,130 --> 00:30:01,200

help us understand a truer context for

822

00:30:07,010 --> 00:30:04,140

this situation the real impact of this

823

00:30:10,190 --> 00:30:07,020

Kiev security Compact and what the next

824

00:30:11,750 --> 00:30:10,200

stages of this big mess look like to you

825

00:30:14,090 --> 00:30:11,760

well I mean Russia of course wasn't

826

00:30:15,889 --> 00:30:14,100

first to act this is something that the

827

00:30:18,110 --> 00:30:15,899

U.S and NATO have been doing since the

828

00:30:19,430 --> 00:30:18,120

early 90s when they promised that they

829

00:30:20,870 --> 00:30:19,440

weren't going to push NATO's boundaries

830

00:30:22,130 --> 00:30:20,880

any further east and then have just

831

00:30:25,250 --> 00:30:22,140

proceeded to break that promise

832

00:30:27,649 --> 00:30:25,260

repeatedly for the last like 30 years so

833

00:30:30,409 --> 00:30:27,659

there's that and then the Ukraine itself

834

00:30:32,870 --> 00:30:30,419

situation was that we overthrew or

835

00:30:34,490 --> 00:30:32,880

helped overthrow basically overthrew

836

00:30:35,470 --> 00:30:34,500

their Democratic elected government in

837

00:30:37,610 --> 00:30:35,480

2014

838

00:30:40,190 --> 00:30:37,620

installing these you know Nazi

839

00:30:42,529 --> 00:30:40,200

Psychopaths and because you know they

840

00:30:44,210 --> 00:30:42,539

are they're easy to control and CIA has

841

00:30:45,830 --> 00:30:44,220

been fostering that sort of current that

842

00:30:48,230 --> 00:30:45,840

sort of far right like weird

843

00:30:50,690 --> 00:30:48,240

fetishization of like the organization

844

00:30:52,850 --> 00:30:50,700

of Ukrainian nationalists Stefan Bandera

845

00:30:55,850 --> 00:30:52,860

he'll see his face in any sort of

846

00:30:57,710 --> 00:30:55,860

gathering of Ukrainian nationalists but

847

00:30:59,389 --> 00:30:57,720

CAA has been fostering this since the

848

00:31:01,010 --> 00:30:59,399

end of World War II and so like we have

849

00:31:03,110 --> 00:31:01,020

this faction the sort of fifth column in

850

00:31:04,909 --> 00:31:03,120

the Ukraine and we sort of put those

851

00:31:07,250 --> 00:31:04,919

people in power and ever since then

852

00:31:09,649 --> 00:31:07,260

they've been bombing the eastern Ukraine

853

00:31:11,750 --> 00:31:09,659

these Breakaway republics the donetskin

854

00:31:13,730 --> 00:31:11,760

lugons because they broke away because

855

00:31:15,950 --> 00:31:13,740

they saw these Psychopaths take power

856

00:31:17,210 --> 00:31:15,960

and basically declare war on the

857

00:31:19,430 --> 00:31:17,220

russian-speaking population which is

858

00:31:20,269 --> 00:31:19,440

half of Ukraine and they said oh you

859

00:31:21,289 --> 00:31:20,279

know we don't really want to be a part

860

00:31:24,230 --> 00:31:21,299

of this so they're like you know we're

861

00:31:26,090 --> 00:31:24,240

gonna bounce and of course shenko which

862

00:31:27,169 --> 00:31:26,100

who is the president at that time said

863

00:31:28,730 --> 00:31:27,179

no you're not going to balance and

864

00:31:30,889 --> 00:31:28,740

offered to bomb you and they proceeded

865

00:31:32,810 --> 00:31:30,899

to kill over 10 000 civilians I think

866

00:31:35,810 --> 00:31:32,820

the number is like fourteen thousand

867

00:31:39,169 --> 00:31:35,820

it was 14 000 before the invasion in

868

00:31:42,190 --> 00:31:39,179

February and so claiming that Russia

869

00:31:44,389 --> 00:31:42,200

started this is a complete historically

870

00:31:46,010 --> 00:31:44,399

amnesiac way of looking at things which

871

00:31:47,930 --> 00:31:46,020

unfortunately is kind of how the US

872

00:31:49,909 --> 00:31:47,940

tends to do things but

873

00:31:51,409 --> 00:31:49,919

and then there was this was supposed to

874

00:31:54,049 --> 00:31:51,419

be a treaty and that was supposed to be

875

00:31:56,930 --> 00:31:54,059

a ceasefire and the Minsk process in

876

00:31:58,549 --> 00:31:56,940

2015 and that was poroshenko has since

877

00:31:59,990 --> 00:31:58,559

admitted that that was just to buy them

878

00:32:02,269 --> 00:32:00,000

time to get more weapons and to have

879

00:32:04,669 --> 00:32:02,279

NATO train other people so ever since

880

00:32:07,730 --> 00:32:04,679

then it's been the US bulking up their

881

00:32:09,590 --> 00:32:07,740

army Europe bulking up their army and so

882

00:32:11,810 --> 00:32:09,600

this idea that Russia struck first is

883

00:32:13,850 --> 00:32:11,820

not even remotely true and

884

00:32:16,250 --> 00:32:13,860

it's very unfortunate that Americans

885

00:32:18,889 --> 00:32:16,260

have been so duped into supporting this

886

00:32:21,049 --> 00:32:18,899

regime because I mean even zelenski was

887

00:32:22,549 --> 00:32:21,059

was elected on a platform of peace to

888

00:32:24,830 --> 00:32:22,559

make peace with Russia and stop this

889

00:32:26,990 --> 00:32:24,840

ridiculous bombarding of their fellow

890

00:32:28,909 --> 00:32:27,000

ukrainians I mean well just while there

891

00:32:30,769 --> 00:32:28,919

is a certain faction that is rapidly

892

00:32:32,690 --> 00:32:30,779

anti-russian they aren't all like that

893

00:32:34,010 --> 00:32:32,700

and I think I would imagine that

894

00:32:35,210 --> 00:32:34,020

especially at this point the vast

895

00:32:37,970 --> 00:32:35,220

majority of ukrainians just want this

896

00:32:39,529 --> 00:32:37,980

war to be over and nobody cares what

897

00:32:40,850 --> 00:32:39,539

they think the us is going to fight to

898

00:32:42,409 --> 00:32:40,860

the last Ukrainian I think Lindsey

899

00:32:45,590 --> 00:32:42,419

Graham actually said that out loud which

900

00:32:47,990 --> 00:32:45,600

is like ridiculous that guy is a cartoon

901  
00:32:49,850 --> 00:32:48,000  
character but um of course zielinski

902  
00:32:52,430 --> 00:32:49,860  
supposedly wanted peace and then

903  
00:32:53,630 --> 00:32:52,440  
supposedly the ASA Battalion took him

904  
00:32:55,430 --> 00:32:53,640  
aside and said well if you try to do

905  
00:32:56,870 --> 00:32:55,440  
that we'll kill you and I don't think

906  
00:32:58,789 --> 00:32:56,880  
that even had to happen I think that

907  
00:33:00,409 --> 00:32:58,799  
because zielinski and the Ava Battalion

908  
00:33:02,870 --> 00:33:00,419  
are both owned by the same guy Jewish

909  
00:33:04,490 --> 00:33:02,880  
billionaire named Igor kolomoski which

910  
00:33:06,289 --> 00:33:04,500  
is you might think why is the Jewish

911  
00:33:08,870 --> 00:33:06,299  
billionaire funding a Neo-Nazi militia

912  
00:33:10,250 --> 00:33:08,880  
well I mean I could explain that but it

913  
00:33:13,070 --> 00:33:10,260

would take a little while and it

914

00:33:14,630 --> 00:33:13,080

basically it's a lot easier to present

915

00:33:16,370 --> 00:33:14,640

yourself as the persecuted minority when

916

00:33:18,110 --> 00:33:16,380

you have these big scary theatrical

917

00:33:19,850 --> 00:33:18,120

neo-nazis running around everywhere and

918

00:33:22,909 --> 00:33:19,860

so you know they get they get it coming

919

00:33:24,889 --> 00:33:22,919

and going but um yeah and so this this

920

00:33:26,930 --> 00:33:24,899

idea that oh the Nazi thing is totally

921

00:33:28,310 --> 00:33:26,940

Russian propaganda I was like well if

922

00:33:31,070 --> 00:33:28,320

you look at any Western media coverage

923

00:33:32,750 --> 00:33:31,080

of Ukraine before February 2022 and

924

00:33:34,909 --> 00:33:32,760

you'll see Ukraine has a Nazi problem

925

00:33:36,470 --> 00:33:34,919

gee what's with all these swastikas and

926

00:33:38,750 --> 00:33:36,480

just look at the guys covered in like

927

00:33:40,370 --> 00:33:38,760

swasco tattoos I think I included a

928

00:33:42,769 --> 00:33:40,380

picture in one of my recent articles

929

00:33:43,789 --> 00:33:42,779

it's like you really it's like a

930

00:33:44,810 --> 00:33:43,799

responsible tattoo to go with your

931

00:33:47,029 --> 00:33:44,820

swanse a good tattoo and your other

932

00:33:49,009 --> 00:33:47,039

swastika tattoos I saw that yeah yeah

933

00:33:50,990 --> 00:33:49,019

it's pretty bad but in terms of like

934

00:33:53,389 --> 00:33:51,000

where this is going the US refuses to

935

00:33:54,830 --> 00:33:53,399

let it go and whenever there's like a

936

00:33:56,210 --> 00:33:54,840

sign that the ukrainians might be

937

00:33:57,649 --> 00:33:56,220

willing to negotiate Russia has been

938

00:33:59,090 --> 00:33:57,659

willing to negotiate since day one

939

00:34:02,149 --> 00:33:59,100

they've been trying to head this war off

940

00:34:04,310 --> 00:34:02,159

like since last was constantly returning

941

00:34:05,870 --> 00:34:04,320

uh Communications to Nato saying these

942

00:34:08,510 --> 00:34:05,880

are our terms just don't have Ukraine

943

00:34:10,609 --> 00:34:08,520

join NATO let the borders stay where

944

00:34:12,169 --> 00:34:10,619

they are which is let the republics

945

00:34:14,450 --> 00:34:12,179

remain independent and let come yeah

946

00:34:16,129 --> 00:34:14,460

remain a part of Russia Crimea voted to

947

00:34:19,310 --> 00:34:16,139

become part of Russia it was not invaded

948

00:34:22,010 --> 00:34:19,320

it was not occupied it is Russian and it

949

00:34:23,389 --> 00:34:22,020

is Russian now so that's like ridiculous

950

00:34:25,010 --> 00:34:23,399

that that is even a thing but yeah

951

00:34:27,109 --> 00:34:25,020

Ukraine is insisting it's going to take

952

00:34:29,030 --> 00:34:27,119

back Crimea well the crimeans don't want

953

00:34:32,510 --> 00:34:29,040

you dude

954

00:34:34,849 --> 00:34:32,520

yeah it is tough because we are in a

955

00:34:37,010 --> 00:34:34,859

Continuum of events and everybody wants

956

00:34:40,550 --> 00:34:37,020

to start the story where it's convenient

957

00:34:42,889 --> 00:34:40,560

for them and you know you lose a lot of

958

00:34:44,510 --> 00:34:42,899

context for what came before that and

959

00:34:47,450 --> 00:34:44,520

you have to throw in a layer of

960

00:34:50,450 --> 00:34:47,460

propaganda and incentives from various

961

00:34:52,909 --> 00:34:50,460

States and it's tough to unpack it it

962

00:34:56,149 --> 00:34:52,919

really is and it's crazy to me that

963

00:34:58,430 --> 00:34:56,159

everyone knows we're broke here everyone

964

00:35:00,470 --> 00:34:58,440

sees businesses closing or doing these

965

00:35:02,210 --> 00:35:00,480

Mass layoffs most of the major cities

966

00:35:04,130 --> 00:35:02,220

I've been to lately have a real bad

967

00:35:07,010 --> 00:35:04,140

homelessness crisis like I've never seen

968

00:35:10,190 --> 00:35:07,020

before but nobody really has anything to

969

00:35:13,010 --> 00:35:10,200

say about each new blank check written

970

00:35:15,109 --> 00:35:13,020

to Ukraine will anyone ever say enough

971

00:35:17,870 --> 00:35:15,119

is enough most people just seem checked

972

00:35:19,970 --> 00:35:17,880

out and then I had a listener call in on

973

00:35:22,069 --> 00:35:19,980

this voicemail bonus show I do and he

974

00:35:25,190 --> 00:35:22,079

was living in Sweden and he said his

975

00:35:28,370 --> 00:35:25,200

energy bill went from 700 pounds to a

976

00:35:30,710 --> 00:35:28,380

back-breaking 3 000 pounds a month oh my

977

00:35:32,329 --> 00:35:30,720

God it's insane out there Helen

978

00:35:34,910 --> 00:35:32,339

and of course it's that way because of

979

00:35:36,589 --> 00:35:34,920

the energy situation with Russia yeah

980

00:35:38,510 --> 00:35:36,599

this is a self-inflicted wound I mean

981

00:35:40,849 --> 00:35:38,520

Europe basically said we are not going

982

00:35:42,470 --> 00:35:40,859

to take any more Russian energy

983

00:35:44,329 --> 00:35:42,480

so Europe was getting a lot of its

984

00:35:46,130 --> 00:35:44,339

energy from Russia they don't produce a

985

00:35:48,349 --> 00:35:46,140

lot of energy over there so they get the

986

00:35:50,210 --> 00:35:48,359

gas and the oil from Russia and the U.S

987

00:35:51,770 --> 00:35:50,220

of course has tried to step in and say

988

00:35:53,450 --> 00:35:51,780

oh we'll sell you are liquefied natural

989

00:35:55,490 --> 00:35:53,460

gas which of course costs a lot more and

990

00:35:56,990 --> 00:35:55,500

it requires all this infrastructure to

991

00:35:58,970 --> 00:35:57,000

transport but Europe doesn't have the

992

00:36:00,650 --> 00:35:58,980

infrastructure to receive the amount

993

00:36:03,470 --> 00:36:00,660

that it is no longer receiving from

994

00:36:04,790 --> 00:36:03,480

Russia so the costs have just ballooned

995

00:36:06,770 --> 00:36:04,800

and of course it's not like they're

996

00:36:09,470 --> 00:36:06,780

making any more money to sort of meet

997

00:36:12,109 --> 00:36:09,480

that and so you have like UK they were

998

00:36:14,450 --> 00:36:12,119

just asked to um cut back their usage

999

00:36:16,910 --> 00:36:14,460

for an hour and then they could get like

1000

00:36:19,970 --> 00:36:16,920

12 pounds and like that's like putting a

1001  
00:36:22,069 --> 00:36:19,980  
Band-Aid on a cannonball wound and it's

1002  
00:36:24,109 --> 00:36:22,079  
completely they are not equipped to deal

1003  
00:36:26,270 --> 00:36:24,119  
with this again self-inflicted wound

1004  
00:36:27,650 --> 00:36:26,280  
they insist on oh yes we're saving

1005  
00:36:30,230 --> 00:36:27,660  
democracy and there were all these again

1006  
00:36:32,510 --> 00:36:30,240  
fake polls pulling the Europeans saying

1007  
00:36:35,030 --> 00:36:32,520  
oh yes Europeans are totally willing to

1008  
00:36:37,550 --> 00:36:35,040  
sacrifice a few dollars here and there

1009  
00:36:40,190 --> 00:36:37,560  
for a few Euros here and there for the

1010  
00:36:41,990 --> 00:36:40,200  
sake of our fellow democracy in Ukraine

1011  
00:36:43,550 --> 00:36:42,000  
well one thing there's no democracy in

1012  
00:36:45,530 --> 00:36:43,560  
Ukraine Solinski has banned all

1013  
00:36:47,690 --> 00:36:45,540

opposition parties all opposition media

1014

00:36:49,849 --> 00:36:47,700

they discussed I think another law that

1015

00:36:51,589 --> 00:36:49,859

gives them control of all media they've

1016

00:36:53,230 --> 00:36:51,599

banned some religions now if you worship

1017

00:36:55,430 --> 00:36:53,240

the wrong way you can get thrown in jail

1018

00:36:57,050 --> 00:36:55,440

it's really out of control over there

1019

00:36:58,370 --> 00:36:57,060

and they're drafting like supposedly

1020

00:36:59,450 --> 00:36:58,380

they're drafting like 14 year olds

1021

00:37:01,310 --> 00:36:59,460

because they're running out of cannon

1022

00:37:02,690 --> 00:37:01,320

fodder it's not a good place to be

1023

00:37:04,609 --> 00:37:02,700

there's nothing remotely Democratic

1024

00:37:06,589 --> 00:37:04,619

about it and unfortunately the way that

1025

00:37:08,150 --> 00:37:06,599

I see it at least is that it's sort of

1026

00:37:09,230 --> 00:37:08,160

being used as a test laboratory for

1027

00:37:11,089 --> 00:37:09,240

stuff they want to be able to get away

1028

00:37:14,030 --> 00:37:11,099

with here and get away with with other

1029

00:37:16,190 --> 00:37:14,040

Western democracies I called zelinski

1030

00:37:17,690 --> 00:37:16,200

the West's bad idea man because he's

1031

00:37:19,190 --> 00:37:17,700

basically being used as a guinea pig

1032

00:37:20,870 --> 00:37:19,200

well the ukrainians are being used as

1033

00:37:23,569 --> 00:37:20,880

guinea pigs for all these really

1034

00:37:26,390 --> 00:37:23,579

terrible like totalitarian situations

1035

00:37:28,670 --> 00:37:26,400

and this state within a smartphone the

1036

00:37:31,069 --> 00:37:28,680

DIA app that is basically the world

1037

00:37:33,290 --> 00:37:31,079

economic forum's wet dream that's being

1038

00:37:35,030 --> 00:37:33,300

rolled out in Estonia now so uh as it

1039

00:37:36,290 --> 00:37:35,040

says goes to Ukraine us those Estonia so

1040

00:37:38,270 --> 00:37:36,300

it goes the rest of Europe and then

1041

00:37:39,710 --> 00:37:38,280

eventually still goes to America and

1042

00:37:41,690 --> 00:37:39,720

that's really scary once it gets that

1043

00:37:43,310 --> 00:37:41,700

way because then your social credit

1044

00:37:45,230 --> 00:37:43,320

score goes down I mean everyone's seen

1045

00:37:47,030 --> 00:37:45,240

the Black Mirror episode I know what I'm

1046

00:37:48,950 --> 00:37:47,040

talking about it's um if you can't do

1047

00:37:51,050 --> 00:37:48,960

anything you cannot there will be no

1048

00:37:52,970 --> 00:37:51,060

cash there will be no even the idea of

1049

00:37:54,890 --> 00:37:52,980

barter will be sort of excised from

1050

00:37:56,510 --> 00:37:54,900

human consciousness and anybody caught

1051

00:37:57,829 --> 00:37:56,520

doing it will be made an example of

1052

00:37:59,750 --> 00:37:57,839

there's going to be a lot of examples

1053

00:38:02,329 --> 00:37:59,760

made a lot of like bodies hanging in

1054

00:38:05,030 --> 00:38:02,339

public squares I'm afraid scary but

1055

00:38:06,890 --> 00:38:05,040

you're probably not wrong and when gas

1056

00:38:08,990 --> 00:38:06,900

prices were high they were calling it

1057

00:38:10,849 --> 00:38:09,000

Putin's price hike which was kind of

1058

00:38:13,310 --> 00:38:10,859

insane it's like well stop [h\_\_h] with

1059

00:38:15,230 --> 00:38:13,320

the equilibrium we had it kind of seems

1060

00:38:16,490 --> 00:38:15,240

like I'm not a trump guy but it seems

1061

00:38:19,370 --> 00:38:16,500

like the globalist and military

1062

00:38:21,230 --> 00:38:19,380

industrial complex are like a rabid dog

1063

00:38:22,609 --> 00:38:21,240

on a leash and he was like kind of

1064

00:38:24,710 --> 00:38:22,619

holding it back and then as soon as

1065

00:38:26,750 --> 00:38:24,720

Biden got in office it's like release

1066

00:38:29,329 --> 00:38:26,760

the hounds like we're just going for

1067

00:38:31,970 --> 00:38:29,339

every agenda we ever thought about at

1068

00:38:33,829 --> 00:38:31,980

the same time yep and it's it's kind of

1069

00:38:35,569 --> 00:38:33,839

messed up I know I know it's a little

1070

00:38:38,510 --> 00:38:35,579

more nuanced than that but that's just

1071

00:38:40,609 --> 00:38:38,520

kind of how it feels and sometimes it is

1072

00:38:42,470 --> 00:38:40,619

really hard to frame up the rest of the

1073

00:38:44,630 --> 00:38:42,480

world accurately from inside the

1074

00:38:47,270 --> 00:38:44,640

American bubble I try not to get sucked

1075

00:38:49,490 --> 00:38:47,280

into good guys versus bad guys there's

1076

00:38:52,069 --> 00:38:49,500

clearly more going on than that but you

1077

00:38:54,109 --> 00:38:52,079

write for RT and I have liked a lot of

1078

00:38:56,150 --> 00:38:54,119

RT content I used to follow Abby

1079

00:38:58,250 --> 00:38:56,160

Martin's Breaking the Set and Lee camps

1080

00:38:59,630 --> 00:38:58,260

redacted tonight I understand that if

1081

00:39:01,250 --> 00:38:59,640

you want to criticize the American

1082

00:39:04,310 --> 00:39:01,260

Empire and the globalist you've got to

1083

00:39:07,190 --> 00:39:04,320

find a platform outside of the system to

1084

00:39:09,050 --> 00:39:07,200

do that but we hear a lot about Russian

1085

00:39:11,810 --> 00:39:09,060

gangsterism you know we might see an

1086

00:39:13,490 --> 00:39:11,820

American journalist who's critical of

1087

00:39:15,650 --> 00:39:13,500

the state banned online but you might

1088

00:39:18,050 --> 00:39:15,660

see a Russian journalist critical of the

1089

00:39:20,329 --> 00:39:18,060

state thrown off a building I guess I

1090

00:39:22,970 --> 00:39:20,339

just want a better understanding of the

1091

00:39:25,790 --> 00:39:22,980

Russian State philosophy around media

1092

00:39:28,250 --> 00:39:25,800

and how to square that with rt plainly

1093

00:39:30,710 --> 00:39:28,260

stating its state Affiliated media using

1094

00:39:33,109 --> 00:39:30,720

the tagline Freedom over censorship

1095

00:39:35,450 --> 00:39:33,119

truth over narrative we all know Fox

1096

00:39:36,770 --> 00:39:35,460

News uses fair and balance so what's in

1097

00:39:40,069 --> 00:39:36,780

a slogan but

1098

00:39:42,710 --> 00:39:40,079

all states sponsored everything has some

1099

00:39:45,109 --> 00:39:42,720

sort of agenda doesn't it all media has

1100

00:39:47,030 --> 00:39:45,119

attended this idea that state-sponsored

1101  
00:39:49,430 --> 00:39:47,040  
media is somehow unique in that it has

1102  
00:39:50,569 --> 00:39:49,440  
an agenda or it has a bias I mean what

1103  
00:39:53,150 --> 00:39:50,579  
do you think that brought to you by

1104  
00:39:55,010 --> 00:39:53,160  
Pfizer in every single U.S media

1105  
00:39:56,810 --> 00:39:55,020  
organization in the last three years is

1106  
00:39:58,670 --> 00:39:56,820  
supposed to mean I mean this idea that

1107  
00:40:00,230 --> 00:39:58,680  
RT is the only one who's biased it's

1108  
00:40:02,150 --> 00:40:00,240  
ludicrous and all of these people who

1109  
00:40:03,290 --> 00:40:02,160  
claim to be unbiased those are the ones

1110  
00:40:04,670 --> 00:40:03,300  
you should look at because you know that

1111  
00:40:06,530 --> 00:40:04,680  
they're lying in addition to their bias

1112  
00:40:09,050 --> 00:40:06,540  
everybody comes to the table with some

1113  
00:40:10,190 --> 00:40:09,060

kind of bias but um in terms of Russia

1114

00:40:12,290 --> 00:40:10,200

is not a place where journalists are

1115

00:40:14,089 --> 00:40:12,300

routinely thrown off buildings or I mean

1116

00:40:15,410 --> 00:40:14,099

I'm sure there are some cases of this

1117

00:40:17,329 --> 00:40:15,420

but there are some cases of this in the

1118

00:40:18,950 --> 00:40:17,339

U.S yes ever heard of Gary Webb the guy

1119

00:40:21,170 --> 00:40:18,960

who supposedly shot himself twice in the

1120

00:40:23,329 --> 00:40:21,180

head after exposing the cia's role in

1121

00:40:25,069 --> 00:40:23,339

trafficking cocaine from Nicaragua so

1122

00:40:26,870 --> 00:40:25,079

this is not a thing that is unique to

1123

00:40:28,910 --> 00:40:26,880

Russia but of course if you controlled

1124

00:40:31,190 --> 00:40:28,920

media you can shine a spotlight wherever

1125

00:40:33,470 --> 00:40:31,200

you like and true well I wouldn't expect

1126

00:40:36,470 --> 00:40:33,480

that I wouldn't go to RT if I was

1127

00:40:38,990 --> 00:40:36,480

looking for like incisive criticism of

1128

00:40:41,450 --> 00:40:39,000

the Russian government but in the same

1129

00:40:42,710 --> 00:40:41,460

token I wouldn't go to any U.S media

1130

00:40:44,270 --> 00:40:42,720

organization if I was looking for

1131

00:40:46,849 --> 00:40:44,280

insights of criticism of the Biden

1132

00:40:48,710 --> 00:40:46,859

Administration so it's like you know

1133

00:40:50,690 --> 00:40:48,720

what you're getting with a state-owned

1134

00:40:52,550 --> 00:40:50,700

media organization and hopefully you

1135

00:40:55,310 --> 00:40:52,560

have one that's run relatively well and

1136

00:40:57,410 --> 00:40:55,320

gives their authors some freedom to

1137

00:40:59,390 --> 00:40:57,420

follow particular stories that are

1138

00:41:01,910 --> 00:40:59,400

interesting and RT I think has a lot of

1139

00:41:05,030 --> 00:41:01,920

that there's I mean it's unfortunate

1140

00:41:08,329 --> 00:41:05,040

that maybe the their the corona thing

1141

00:41:10,910 --> 00:41:08,339

they have their own setup to prop up and

1142

00:41:13,130 --> 00:41:10,920

so maybe people can't necessarily follow

1143

00:41:14,329 --> 00:41:13,140

that string down whatever Rabbit Hole

1144

00:41:16,190 --> 00:41:14,339

they want but it's like you can do that

1145

00:41:18,890 --> 00:41:16,200

on your own site or you could do that on

1146

00:41:20,690 --> 00:41:18,900

other outlets and I think that they

1147

00:41:24,349 --> 00:41:20,700

don't control what their journalists do

1148

00:41:26,270 --> 00:41:24,359

outside their website so it's like

1149

00:41:27,770 --> 00:41:26,280

if you work for a U.S media organization

1150

00:41:29,630 --> 00:41:27,780

they have all of these like ridiculous

1151

00:41:31,370 --> 00:41:29,640

social media policies and stuff you

1152

00:41:33,349 --> 00:41:31,380

can't say certain things because you're

1153

00:41:35,270 --> 00:41:33,359

supposedly always representing the thing

1154

00:41:37,190 --> 00:41:35,280

no of course I'm here as an independent

1155

00:41:39,050 --> 00:41:37,200

person I'm not here as an our team

1156

00:41:40,490 --> 00:41:39,060

representative so obviously I'm not

1157

00:41:42,290 --> 00:41:40,500

going to say something really stupid but

1158

00:41:44,210 --> 00:41:42,300

like I can Rusty as you knowing that

1159

00:41:45,950 --> 00:41:44,220

nobody's breathing down my neck yeah and

1160

00:41:47,089 --> 00:41:45,960

so I think that this idea that oh yes Us

1161

00:41:49,609 --> 00:41:47,099

Media organization is the only place

1162

00:41:52,190 --> 00:41:49,619

where you can be free it's yeah free

1163

00:41:53,750 --> 00:41:52,200

right really it is I mean the C enough

1164

00:41:55,849 --> 00:41:53,760

people get canceled to know that's not

1165

00:41:57,109 --> 00:41:55,859

the case let's say yeah yeah I

1166

00:42:00,050 --> 00:41:57,119

definitely just thought because we're

1167

00:42:02,510 --> 00:42:00,060

talking about a sensitive conflict it

1168

00:42:04,970 --> 00:42:02,520

was worth a mention and I am totally on

1169

00:42:07,490 --> 00:42:04,980

your page with that answer and another

1170

00:42:09,530 --> 00:42:07,500

story that kind of came and went and I

1171

00:42:11,930 --> 00:42:09,540

never really had a guest here to talk

1172

00:42:14,930 --> 00:42:11,940

about was the quote-unquote revolution

1173

00:42:16,790 --> 00:42:14,940

in Iran it's another one of those things

1174

00:42:18,829 --> 00:42:16,800

that's hard for me to really get a

1175

00:42:20,810 --> 00:42:18,839

handle on are they really locking women

1176  
00:42:23,089 --> 00:42:20,820  
out of education and even reading well

1177  
00:42:25,069 --> 00:42:23,099  
then A revolution is warranted and of

1178  
00:42:27,950 --> 00:42:25,079  
course the CIA is going to try to light

1179  
00:42:30,050 --> 00:42:27,960  
that fire you referred to it as Persian

1180  
00:42:32,630 --> 00:42:30,060  
Girls Gone Wild in the service of

1181  
00:42:35,150 --> 00:42:32,640  
Western imperialism love it help us

1182  
00:42:37,430 --> 00:42:35,160  
frame that situation up more accurately

1183  
00:42:40,069 --> 00:42:37,440  
than it's typically presented

1184  
00:42:43,310 --> 00:42:40,079  
well they've been trying to get a color

1185  
00:42:44,630 --> 00:42:43,320  
Revolution going in Iran for over a

1186  
00:42:47,150 --> 00:42:44,640  
decade now

1187  
00:42:48,710 --> 00:42:47,160  
the Brooking Institute came out in 2009

1188  
00:42:50,990 --> 00:42:48,720

with this paper called what path to

1189

00:42:52,370 --> 00:42:51,000

Persia it basically said well we can't

1190

00:42:54,230 --> 00:42:52,380

just have a direct ground Invasion

1191

00:42:55,310 --> 00:42:54,240

because we'll lose their army is too

1192

00:42:56,750 --> 00:42:55,320

good it's not going to be like

1193

00:42:58,370 --> 00:42:56,760

Afghanistan where you get a bunch of

1194

00:43:00,290 --> 00:42:58,380

like goat herders in the wilderness and

1195

00:43:02,089 --> 00:43:00,300

so we can't just do that and we can't

1196

00:43:04,309 --> 00:43:02,099

have some sort of military coup they're

1197

00:43:06,410 --> 00:43:04,319

not going to go for that we can't send

1198

00:43:07,550 --> 00:43:06,420

in Isis the religious the identity is

1199

00:43:09,470 --> 00:43:07,560

too strong it's not going to really find

1200

00:43:11,270 --> 00:43:09,480

any adherence there so the only way

1201

00:43:13,490 --> 00:43:11,280

we're going to do this is through civil

1202

00:43:16,069 --> 00:43:13,500

society and Civil Society of course is

1203

00:43:18,050 --> 00:43:16,079

when the US the usaid and National

1204

00:43:19,910 --> 00:43:18,060

Endowment for democracy whatever send

1205

00:43:22,370 --> 00:43:19,920

their people into your country and start

1206

00:43:24,410 --> 00:43:22,380

organizing the youth into you know fun

1207

00:43:25,849 --> 00:43:24,420

after school programs just don't look

1208

00:43:27,530 --> 00:43:25,859

too close at it it's we're just having

1209

00:43:29,450 --> 00:43:27,540

some fun here having some fun on the

1210

00:43:31,910 --> 00:43:29,460

service of Western imperialism so it's

1211

00:43:33,470 --> 00:43:31,920

been like the same Playbook again and

1212

00:43:35,630 --> 00:43:33,480

again they just try to tune up these

1213

00:43:38,210 --> 00:43:35,640

they'll nibble on some like minor thing

1214

00:43:39,470 --> 00:43:38,220

in 2009 it was the election results they

1215

00:43:41,690 --> 00:43:39,480

didn't like that I think it was

1216

00:43:43,609 --> 00:43:41,700

Ahmadinejad had been re-elected and so

1217

00:43:45,230 --> 00:43:43,619

they claimed that oh it was rigged in

1218

00:43:46,490 --> 00:43:45,240

this and the green movie movement was

1219

00:43:48,190 --> 00:43:46,500

what was spawned out of that the green

1220

00:43:50,329 --> 00:43:48,200

movement is totally

1221

00:43:53,150 --> 00:43:50,339

uscia-sponsored nonsense

1222

00:43:55,370 --> 00:43:53,160

so that actually has sort of lingered

1223

00:43:57,650 --> 00:43:55,380

around in the periphery ever since and

1224

00:44:00,770 --> 00:43:57,660

they were risen again with this latest

1225

00:44:02,329 --> 00:44:00,780

one which it was this woman who was

1226  
00:44:04,190 --> 00:44:02,339  
brought in because she didn't have her

1227  
00:44:06,230 --> 00:44:04,200  
hair covered I mean I don't know it's a

1228  
00:44:07,609 --> 00:44:06,240  
cultural thing maybe maybe I just don't

1229  
00:44:09,050 --> 00:44:07,619  
understand it because I'm not there but

1230  
00:44:10,670 --> 00:44:09,060  
the whole hair covering thing seems a

1231  
00:44:11,690 --> 00:44:10,680  
little excessive but besides you that

1232  
00:44:12,530 --> 00:44:11,700  
they're barred from education or

1233  
00:44:14,050 --> 00:44:12,540  
something like you're thinking of

1234  
00:44:16,370 --> 00:44:14,060  
Afghanistan that's the totally different

1235  
00:44:19,370 --> 00:44:16,380  
very different situation typical

1236  
00:44:21,230 --> 00:44:19,380  
American get it all mixed up yeah no

1237  
00:44:22,970 --> 00:44:21,240  
that's they do that on purpose it's the

1238  
00:44:24,349 --> 00:44:22,980

the idea of they'll probably put a

1239

00:44:26,150 --> 00:44:24,359

picture of like women under the Taliban

1240

00:44:27,950 --> 00:44:26,160

and say yes oh women in Iran are so

1241

00:44:29,030 --> 00:44:27,960

impressed and yeah I wouldn't want to

1242

00:44:30,770 --> 00:44:29,040

have to wear a headscarf all the time

1243

00:44:32,390 --> 00:44:30,780

but it's they're relatively modern

1244

00:44:35,150 --> 00:44:32,400

society over there it's not like they

1245

00:44:38,089 --> 00:44:35,160

have to peer through a hole in a giant

1246

00:44:40,609 --> 00:44:38,099

carpet over their head but this latest

1247

00:44:42,050 --> 00:44:40,619

one was the woman supposedly she died in

1248

00:44:44,089 --> 00:44:42,060

a police station first he tried to say

1249

00:44:45,589 --> 00:44:44,099

she was beaten and then it wasn't that

1250

00:44:47,270 --> 00:44:45,599

because the doctor said well the noise

1251  
00:44:48,890 --> 00:44:47,280  
she had a brain aneurysm or something

1252  
00:44:50,329 --> 00:44:48,900  
like that but it was a natural cause

1253  
00:44:51,890 --> 00:44:50,339  
thing it was something that she had had

1254  
00:44:54,050 --> 00:44:51,900  
for a while and it had flared up again

1255  
00:44:55,670 --> 00:44:54,060  
and then she died but they tried to make

1256  
00:44:57,230 --> 00:44:55,680  
it that it was a responsibility of the

1257  
00:44:59,030 --> 00:44:57,240  
police beating her or otherwise treating

1258  
00:45:01,130 --> 00:44:59,040  
her and family and you could tell when

1259  
00:45:02,930 --> 00:45:01,140  
you look at all these protests I was

1260  
00:45:04,370 --> 00:45:02,940  
trying to find pictures to illustrate

1261  
00:45:07,550 --> 00:45:04,380  
the articles that I was writing about it

1262  
00:45:10,970 --> 00:45:07,560  
and I couldn't find any actual photos of

1263  
00:45:12,890 --> 00:45:10,980

like a peaceful protest in Iran there

1264

00:45:15,410 --> 00:45:12,900

was some riots there was plenty of riots

1265

00:45:16,430 --> 00:45:15,420

and they did they sent in their Kurdish

1266

00:45:17,930 --> 00:45:16,440

separatists that's because they always

1267

00:45:20,210 --> 00:45:17,940

have Kurdish separatists hanging out

1268

00:45:21,410 --> 00:45:20,220

that's one of of the big goals of the US

1269

00:45:23,150 --> 00:45:21,420

and the Middle East is to create this

1270

00:45:24,530 --> 00:45:23,160

greater Kurdistan so as to facilitate

1271

00:45:27,050 --> 00:45:24,540

the creation of Greater Israel but

1272

00:45:28,309 --> 00:45:27,060

that's another story so they sent into

1273

00:45:31,309 --> 00:45:28,319

their careers and this this woman was

1274

00:45:32,690 --> 00:45:31,319

Kurdish so they had their calls there in

1275

00:45:34,130 --> 00:45:32,700

Iran it was the protests were basically

1276

00:45:35,930 --> 00:45:34,140

riots and the police came in and put

1277

00:45:38,329 --> 00:45:35,940

them down as you do when you have a

1278

00:45:39,890 --> 00:45:38,339

right going on but of course in every

1279

00:45:41,630 --> 00:45:39,900

European city and every American city

1280

00:45:43,910 --> 00:45:41,640

they had these women come out with with

1281

00:45:46,010 --> 00:45:43,920

scissors I'm sorry like you don't go

1282

00:45:47,630 --> 00:45:46,020

just have scissors when you go out like

1283

00:45:49,069 --> 00:45:47,640

you have Scissors because you know

1284

00:45:50,030 --> 00:45:49,079

you're going to do something the idea

1285

00:45:52,730 --> 00:45:50,040

that this woman cut her hair

1286

00:45:54,050 --> 00:45:52,740

spontaneously in the middle and shares

1287

00:45:55,849 --> 00:45:54,060

off her head scarf and cuts her hair

1288

00:45:57,470 --> 00:45:55,859

with these big giant scissors I'm sorry

1289

00:45:58,790 --> 00:45:57,480

I don't like when I go out into the

1290

00:46:00,530 --> 00:45:58,800

street to go do my shopping or whatever

1291

00:46:02,270 --> 00:46:00,540

I don't carry big ass scissors around

1292

00:46:04,370 --> 00:46:02,280

with me on the occasion that I might

1293

00:46:06,470 --> 00:46:04,380

want to like stage a protest against my

1294

00:46:08,450 --> 00:46:06,480

oppressive Islamic regime and cut my

1295

00:46:10,910 --> 00:46:08,460

hair in the middle of Public Square so

1296

00:46:11,870 --> 00:46:10,920

that's nonsense the whole protest the

1297

00:46:13,010 --> 00:46:11,880

first reason they call them call it

1298

00:46:14,630 --> 00:46:13,020

revolutions I mean this one didn't have

1299

00:46:17,510 --> 00:46:14,640

a color associated with it but it's

1300

00:46:19,970 --> 00:46:17,520

always like these very like sort of

1301  
00:46:21,530 --> 00:46:19,980  
lowest common denominator like things

1302  
00:46:23,690 --> 00:46:21,540  
that anyone can understand like Brute

1303  
00:46:25,309 --> 00:46:23,700  
Force like women life Freedom or

1304  
00:46:26,450 --> 00:46:25,319  
whatever it was is their slogan it's

1305  
00:46:28,250 --> 00:46:26,460  
like what does that even mean like

1306  
00:46:30,589 --> 00:46:28,260  
nobody's against women life or Freedom

1307  
00:46:32,809 --> 00:46:30,599  
like that's not even a thing so they

1308  
00:46:34,910 --> 00:46:32,819  
assume that people have a low

1309  
00:46:37,010 --> 00:46:34,920  
imagination or low intellect and that

1310  
00:46:38,569 --> 00:46:37,020  
they can just be oh well things must be

1311  
00:46:40,130 --> 00:46:38,579  
so bad in in Iran that they they're

1312  
00:46:41,690 --> 00:46:40,140  
against women life and freedom that over

1313  
00:46:44,030 --> 00:46:41,700

there so we have to support in

1314

00:46:45,470 --> 00:46:44,040

solidarity and so it's like when you

1315

00:46:47,930 --> 00:46:45,480

have more people demonstrating in the

1316

00:46:49,670 --> 00:46:47,940

streets of Berlin for your Iranian cause

1317

00:46:51,410 --> 00:46:49,680

that maybe it's like the women of Iran

1318

00:46:54,710 --> 00:46:51,420

are not running around saying oh yes

1319

00:46:56,390 --> 00:46:54,720

please save us CIA it's very telling

1320

00:46:59,690 --> 00:46:56,400

that the woman who claims to be in

1321

00:47:01,370 --> 00:46:59,700

charge is a FBI funded she's taking

1322

00:47:02,930 --> 00:47:01,380

money from a couple of U.S agencies

1323

00:47:05,930 --> 00:47:02,940

actually but I know FBI was one of them

1324

00:47:07,609 --> 00:47:05,940

I must see a lineagead I think is her

1325

00:47:10,130 --> 00:47:07,619

name yeah she was honored at the world

1326  
00:47:12,230 --> 00:47:10,140  
economic Forum actually oh and so it's

1327  
00:47:14,329 --> 00:47:12,240  
like yeah really is this the savior of

1328  
00:47:16,069 --> 00:47:14,339  
the Iranian women really okay

1329  
00:47:17,510 --> 00:47:16,079  
um I'm sure you guys should have a

1330  
00:47:19,130 --> 00:47:17,520  
greater time as all the other women in

1331  
00:47:20,930 --> 00:47:19,140  
the countries that the US have saved and

1332  
00:47:22,430 --> 00:47:20,940  
that are now like under Isis so yeah

1333  
00:47:24,230 --> 00:47:22,440  
Libya the women of Libya went from

1334  
00:47:26,030 --> 00:47:24,240  
having the highest standard of living in

1335  
00:47:27,710 --> 00:47:26,040  
the entire African continent to now

1336  
00:47:29,290 --> 00:47:27,720  
they're being sold as slaves okay great

1337  
00:47:32,270 --> 00:47:29,300  
yeah thank you NATO

1338  
00:47:33,890 --> 00:47:32,280

yeah it's just so hard to know exactly

1339

00:47:36,710 --> 00:47:33,900

where the truth is because I also see

1340

00:47:40,670 --> 00:47:36,720

these articles with images that I'm sure

1341

00:47:43,930 --> 00:47:40,680

are propaganda to that show like 1990s

1342

00:47:46,849 --> 00:47:43,940

or 1980s I ran before the current regime

1343

00:47:48,530 --> 00:47:46,859

and the the women look like they're at a

1344

00:47:50,809 --> 00:47:48,540

Brady Bunch conference the way they're

1345

00:47:52,010 --> 00:47:50,819

dressed and the way their hair is and it

1346

00:47:55,970 --> 00:47:52,020

just seems like

1347

00:47:58,309 --> 00:47:55,980

a oppressive extremely religious regime

1348

00:47:59,569 --> 00:47:58,319

got in power and kind of changed the

1349

00:48:01,550 --> 00:47:59,579

culture and

1350

00:48:03,290 --> 00:48:01,560

I don't know maybe people do have a real

1351  
00:48:05,450 --> 00:48:03,300  
problem with it and they can't stand up

1352  
00:48:08,329 --> 00:48:05,460  
but I guess the point is that like the

1353  
00:48:11,450 --> 00:48:08,339  
cia's interests are not in freeing

1354  
00:48:13,490 --> 00:48:11,460  
anybody it's in destabilizing an area

1355  
00:48:16,190 --> 00:48:13,500  
they've been trying to get at for a long

1356  
00:48:17,930 --> 00:48:16,200  
time and never let a good crisis go to

1357  
00:48:20,390 --> 00:48:17,940  
waste you know that kind of thing but

1358  
00:48:23,450 --> 00:48:20,400  
it's really hard to know where the true

1359  
00:48:25,490 --> 00:48:23,460  
incentives are and and what people even

1360  
00:48:27,349 --> 00:48:25,500  
want because we just don't have access

1361  
00:48:30,230 --> 00:48:27,359  
directly to them there's all these

1362  
00:48:32,089 --> 00:48:30,240  
layers of propaganda in between us and

1363  
00:48:33,170 --> 00:48:32,099

Them yeah and that's one of the reasons

1364

00:48:34,910 --> 00:48:33,180

why they've de-platformed all these

1365

00:48:36,349 --> 00:48:34,920

Iranian accounts from like Twitter and

1366

00:48:38,210 --> 00:48:36,359

Facebook and stuff they don't want those

1367

00:48:41,270 --> 00:48:38,220

comparing notes so instead they have

1368

00:48:43,849 --> 00:48:41,280

these like fake ones from the MEK which

1369

00:48:45,950 --> 00:48:43,859

is this Iranian Exile cult that is

1370

00:48:48,050 --> 00:48:45,960

basically sponsors a lot of far-right

1371

00:48:49,730 --> 00:48:48,060

politicians in the US John Bolton is one

1372

00:48:51,890 --> 00:48:49,740

of their favorite speakers but um yeah

1373

00:48:53,630 --> 00:48:51,900

in terms of whether a Hardline regime

1374

00:48:56,809 --> 00:48:53,640

took over yes Heartland regime did take

1375

00:48:59,270 --> 00:48:56,819

over and there are some social strains

1376

00:49:00,890 --> 00:48:59,280

there but the thing is that it's not

1377

00:49:02,690 --> 00:49:00,900

like they didn't listen they did

1378

00:49:05,569 --> 00:49:02,700

actually disband these morality police

1379

00:49:07,490 --> 00:49:05,579

in response to the actual protest that

1380

00:49:08,930 --> 00:49:07,500

did go on there because it wasn't like

1381

00:49:10,130 --> 00:49:08,940

that it was completely synthetic

1382

00:49:11,750 --> 00:49:10,140

obviously when you have a color

1383

00:49:15,050 --> 00:49:11,760

Revolution what you do is you take

1384

00:49:16,970 --> 00:49:15,060

existing social unrest and you fan the

1385

00:49:19,190 --> 00:49:16,980

Flames of that and redirect it into a

1386

00:49:20,450 --> 00:49:19,200

regime change thing so that's what we're

1387

00:49:21,829 --> 00:49:20,460

trying to do here that's what they've

1388

00:49:23,990 --> 00:49:21,839

that's the whole if you read The

1389

00:49:26,210 --> 00:49:24,000

Brookings Institute paper it makes a lot

1390

00:49:27,470 --> 00:49:26,220

of sense because all of a suddenly the

1391

00:49:30,589 --> 00:49:27,480

events of the last I think they tried it

1392

00:49:33,349 --> 00:49:30,599

in 2017 they tried it in 2019 2009 and

1393

00:49:34,730 --> 00:49:33,359

then now in 2022 they tried it so it's

1394

00:49:37,010 --> 00:49:34,740

like eventually they're gonna have to

1395

00:49:38,870 --> 00:49:37,020

come up with something new but it's not

1396

00:49:40,550 --> 00:49:38,880

wholly fake but it's not only real

1397

00:49:42,950 --> 00:49:40,560

either and you can usually tell when you

1398

00:49:44,270 --> 00:49:42,960

see the signs if you're in a Muslim

1399

00:49:47,270 --> 00:49:44,280

country and the signs are all in English

1400

00:49:48,770 --> 00:49:47,280

it's like um guys could you like you

1401

00:49:50,690 --> 00:49:48,780

know I don't know try to be a little

1402

00:49:52,010 --> 00:49:50,700

more realistic here right right who is

1403

00:49:55,010 --> 00:49:52,020

this for it seems like it's for the

1404

00:49:56,990 --> 00:49:55,020

American audience watching it on CNN and

1405

00:49:59,089 --> 00:49:57,000

it reminds me a lot of Wag the Dog when

1406

00:50:00,950 --> 00:49:59,099

they're trying to find highly emotional

1407

00:50:02,510 --> 00:50:00,960

scenes to film and they're like we gotta

1408

00:50:04,430 --> 00:50:02,520

get the right kitten and they go through

1409

00:50:07,069 --> 00:50:04,440

this whole thing of like

1410

00:50:09,950 --> 00:50:07,079

casting for kittens that could be in the

1411

00:50:11,750 --> 00:50:09,960

rubble of the bombed building yeah I use

1412

00:50:14,089 --> 00:50:11,760

that clip in my articles all the time

1413

00:50:16,130 --> 00:50:14,099

yes that's what that hair cutting then

1414

00:50:18,349 --> 00:50:16,140

reminds me of and another important

1415

00:50:20,210 --> 00:50:18,359

topic you mentioned earlier is education

1416

00:50:22,609 --> 00:50:20,220

and the way it's being crafted it's

1417

00:50:24,530 --> 00:50:22,619

always been propaganda and narrative

1418

00:50:26,930 --> 00:50:24,540

control especially like in the history

1419

00:50:29,030 --> 00:50:26,940

department but the dial seems to be

1420

00:50:32,510 --> 00:50:29,040

turned up a lot recently here's a quote

1421

00:50:34,309 --> 00:50:32,520

of yours regarding education Iran Israel

1422

00:50:36,290 --> 00:50:34,319

and Palestine that I wanted to have you

1423

00:50:38,809 --> 00:50:36,300

elaborate on you right

1424

00:50:40,970 --> 00:50:38,819

just as an increasingly mainstream

1425

00:50:43,790 --> 00:50:40,980

school of thought in Israel holds that

1426

00:50:45,589 --> 00:50:43,800

Palestine never existed and this less

1427

00:50:47,329 --> 00:50:45,599

than a century after stealing its land

1428

00:50:49,130 --> 00:50:47,339

destroying its Villages and rendering

1429

00:50:51,829 --> 00:50:49,140

hundreds of thousands of Palestinians

1430

00:50:55,309 --> 00:50:51,839

homeless and stateless Israel firsters

1431

00:50:58,849 --> 00:50:55,319

efforts to pin responsibility for 9 11

1432

00:51:00,650 --> 00:50:58,859

on Iran are ongoing and who knows how

1433

00:51:02,930 --> 00:51:00,660

many other historical atrocities are

1434

00:51:05,690 --> 00:51:02,940

being pinned on the Persians as we speak

1435

00:51:08,390 --> 00:51:05,700

if Tehran Falls to one of these color

1436

00:51:10,250 --> 00:51:08,400

revolutions we will within a decade be

1437

00:51:11,569 --> 00:51:10,260

teaching this absurdity in elementary

1438

00:51:15,170 --> 00:51:11,579

schools

1439

00:51:18,349 --> 00:51:15,180

I mean wow I didn't know they were going

1440

00:51:21,530 --> 00:51:18,359

to that extreme to a race Palestine from

1441

00:51:23,390 --> 00:51:21,540

the history books and even pin 911 on

1442

00:51:25,370 --> 00:51:23,400

Iran when you really think about the

1443

00:51:28,130 --> 00:51:25,380

implications of that it's pretty wild

1444

00:51:30,890 --> 00:51:28,140

and clearly official history has to be

1445

00:51:32,870 --> 00:51:30,900

full of these sorts of Fabrications but

1446

00:51:34,609 --> 00:51:32,880

to see it in real time is pretty

1447

00:51:36,410 --> 00:51:34,619

eye-opening you know

1448

00:51:38,030 --> 00:51:36,420

yeah it's like they know that most

1449

00:51:40,309 --> 00:51:38,040

parents don't sit there and read their

1450

00:51:41,990 --> 00:51:40,319

kids textbooks so yeah like if they can

1451

00:51:43,609 --> 00:51:42,000

put in a low bid to supply textbooks

1452

00:51:44,870 --> 00:51:43,619

every school district is strapped for

1453

00:51:46,670 --> 00:51:44,880

cash because they have these bloated

1454

00:51:48,530 --> 00:51:46,680

administrative superstructures that take

1455

00:51:50,270 --> 00:51:48,540

up all the money so it's like when you

1456

00:51:51,589 --> 00:51:50,280

need new textbooks and somebody comes in

1457

00:51:53,270 --> 00:51:51,599

and says oh yeah I can supply it for

1458

00:51:54,589 --> 00:51:53,280

half the price just don't read that part

1459

00:51:56,870 --> 00:51:54,599

above the Middle East because it's

1460

00:51:58,910 --> 00:51:56,880

totally fictional this is not

1461

00:52:00,950 --> 00:51:58,920

speculation there was some County in

1462

00:52:03,950 --> 00:52:00,960

Virginia they actually sued and managed

1463

00:52:06,410 --> 00:52:03,960

to stop it was some Israeli group that

1464

00:52:08,750 --> 00:52:06,420

had interceded and created this whole

1465

00:52:10,549 --> 00:52:08,760

like false thing into the curriculum and

1466

00:52:12,349 --> 00:52:10,559

of course the ADL is notorious for this

1467

00:52:15,049 --> 00:52:12,359

their quote unquote anti-racist

1468

00:52:16,730 --> 00:52:15,059

curriculums that have a few creative

1469

00:52:18,109 --> 00:52:16,740

interpretations of reality which is

1470

00:52:21,049 --> 00:52:18,119

understandable when you when you know

1471

00:52:23,809 --> 00:52:21,059

that the ADL was founded to defend a

1472

00:52:26,270 --> 00:52:23,819

rapist and murderer who you know in a

1473

00:52:28,549 --> 00:52:26,280

factory and he killed this 13 year old

1474

00:52:31,250 --> 00:52:28,559

worker and raped her and then tried to

1475

00:52:33,710 --> 00:52:31,260

blame it on a black watch man and

1476  
00:52:35,750 --> 00:52:33,720  
the benign birth organization managed to

1477  
00:52:37,910 --> 00:52:35,760  
get him away with not having the death

1478  
00:52:40,130 --> 00:52:37,920  
penalty the villagers ended up stringing

1479  
00:52:41,870 --> 00:52:40,140  
him up by his balls basically and the

1480  
00:52:43,549 --> 00:52:41,880  
ADL has ever since then worked

1481  
00:52:45,650 --> 00:52:43,559  
tirelessly to clear his name even though

1482  
00:52:47,030 --> 00:52:45,660  
he was guilty as Sin and there's no

1483  
00:52:49,190 --> 00:52:47,040  
evidence that can outweigh the amount of

1484  
00:52:50,690 --> 00:52:49,200  
evidence in favor of that so it's like

1485  
00:52:52,370 --> 00:52:50,700  
when you look at what they were founded

1486  
00:52:55,430 --> 00:52:52,380  
to do all of a sudden what they're doing

1487  
00:52:58,250 --> 00:52:55,440  
now makes a lot more sense

1488  
00:53:01,549 --> 00:52:58,260

yeah man you really have a knack for

1489

00:53:03,890 --> 00:53:01,559

Parson through this stuff and I know we

1490

00:53:07,190 --> 00:53:03,900

gotta wrap this up before we do though

1491

00:53:09,650 --> 00:53:07,200

on the Hope front you know so much about

1492

00:53:12,049 --> 00:53:09,660

where so many of these different agendas

1493

00:53:14,750 --> 00:53:12,059

connect and come together how do you

1494

00:53:16,790 --> 00:53:14,760

advise people like in this audience who

1495

00:53:18,829 --> 00:53:16,800

see the writing on the wall in a lot of

1496

00:53:21,589 --> 00:53:18,839

ways how do you advise them to

1497

00:53:24,589 --> 00:53:21,599

contribute to making this harder for the

1498

00:53:27,349 --> 00:53:24,599

cabal what are the silent daily acts of

1499

00:53:30,650 --> 00:53:27,359

peaceful non-compliance we can actually

1500

00:53:32,930 --> 00:53:30,660

do to gum up the works even as a

1501  
00:53:34,910 --> 00:53:32,940  
minority that sees the general shape of

1502  
00:53:37,670 --> 00:53:34,920  
these plans and desperately doesn't want

1503  
00:53:40,190 --> 00:53:37,680  
them to succeed well I mean you can opt

1504  
00:53:41,750 --> 00:53:40,200  
out of the system wherever possible you

1505  
00:53:43,430 --> 00:53:41,760  
can yeah gum with the words if you have

1506  
00:53:45,710 --> 00:53:43,440  
one of these like snitching systems

1507  
00:53:47,329 --> 00:53:45,720  
submit fake reports create fake

1508  
00:53:49,370 --> 00:53:47,339  
personalities and do it that way I mean

1509  
00:53:51,710 --> 00:53:49,380  
if you work some way in the system find

1510  
00:53:53,569 --> 00:53:51,720  
ways to slow things down or interrupt

1511  
00:53:55,069 --> 00:53:53,579  
things or divert things I mean everybody

1512  
00:53:56,750 --> 00:53:55,079  
could do like their own little thing or

1513  
00:53:58,730 --> 00:53:56,760

if like you know you're being surveilled

1514

00:54:00,829 --> 00:53:58,740

then put a bunch of red herrings in your

1515

00:54:03,230 --> 00:54:00,839

text and to send people down obvious

1516

00:54:04,910 --> 00:54:03,240

dead ends and I mean parallel structures

1517

00:54:06,290 --> 00:54:04,920

are also very important I think as we're

1518

00:54:08,809 --> 00:54:06,300

seeing like doctors losing their

1519

00:54:10,849 --> 00:54:08,819

licenses over wrong think and stuff we

1520

00:54:12,470 --> 00:54:10,859

need to find ways you had somebody on

1521

00:54:15,410 --> 00:54:12,480

your show actually a couple months ago

1522

00:54:16,609 --> 00:54:15,420

talking about pmas and like I think that

1523

00:54:18,049 --> 00:54:16,619

that's a route that people should

1524

00:54:20,270 --> 00:54:18,059

explore I personally don't know enough

1525

00:54:22,130 --> 00:54:20,280

about it myself but what I have learned

1526

00:54:23,210 --> 00:54:22,140

I I think it's very intriguing and that

1527

00:54:24,650 --> 00:54:23,220

the idea that we can have these

1528

00:54:26,750 --> 00:54:24,660

membership organizations that are not

1529

00:54:29,089 --> 00:54:26,760

subject to these increasingly Draconian

1530

00:54:30,710 --> 00:54:29,099

laws and just have some privacy where we

1531

00:54:32,270 --> 00:54:30,720

can actually you know have a functional

1532

00:54:34,670 --> 00:54:32,280

Society again because we're not having

1533

00:54:36,470 --> 00:54:34,680

that right now and the more that the

1534

00:54:37,910 --> 00:54:36,480

medical professionals are driven out of

1535

00:54:39,650 --> 00:54:37,920

the official industry and their

1536

00:54:41,569 --> 00:54:39,660

credentials are no longer meaningful we

1537

00:54:44,329 --> 00:54:41,579

need to have our own like set of trusted

1538

00:54:46,309 --> 00:54:44,339

credentials and a way to find other

1539

00:54:49,010 --> 00:54:46,319

people who are not snitches who are not

1540

00:54:50,750 --> 00:54:49,020

pod people and construct our own Society

1541

00:54:53,150 --> 00:54:50,760

because the way that they're doing this

1542

00:54:54,470 --> 00:54:53,160

with the pandemic world is that it's a

1543

00:54:56,390 --> 00:54:54,480

global 911 there's not going to be

1544

00:54:58,130 --> 00:54:56,400

anywhere to go both that you can go and

1545

00:54:59,990 --> 00:54:58,140

be safe from this police state so

1546

00:55:01,309 --> 00:55:00,000

they've made sure that every country is

1547

00:55:03,109 --> 00:55:01,319

going along with it the World Health

1548

00:55:04,849 --> 00:55:03,119

organization's Global pandemic treaty

1549

00:55:07,010 --> 00:55:04,859

which I'm sure that your listeners are

1550

00:55:09,470 --> 00:55:07,020

familiar with by now but it's going to

1551  
00:55:10,609 --> 00:55:09,480  
basically make it so that even if a

1552  
00:55:12,049 --> 00:55:10,619  
country decides it doesn't want to go

1553  
00:55:13,970 --> 00:55:12,059  
along with the lockdowns or go along

1554  
00:55:15,530 --> 00:55:13,980  
with the vaccine mandates they're not

1555  
00:55:17,930 --> 00:55:15,540  
going to be able to because they will be

1556  
00:55:19,609 --> 00:55:17,940  
legally required to do so and so we have

1557  
00:55:21,770 --> 00:55:19,619  
to push back now because there is not

1558  
00:55:23,630 --> 00:55:21,780  
going to be another chance and uh yeah

1559  
00:55:25,010 --> 00:55:23,640  
just basically I mean parallel

1560  
00:55:26,089 --> 00:55:25,020  
structures are key I think that that's

1561  
00:55:27,950 --> 00:55:26,099  
the most important thing right now that

1562  
00:55:30,230 --> 00:55:27,960  
we can do whether it's like a barter

1563  
00:55:32,210 --> 00:55:30,240

system or I don't want to say go with

1564

00:55:33,410 --> 00:55:32,220

Bitcoin because Bitcoin is a trap if

1565

00:55:34,609 --> 00:55:33,420

you're going to use digital currency go

1566

00:55:36,710 --> 00:55:34,619

with Monero because at least it's

1567

00:55:38,150 --> 00:55:36,720

private otherwise Bitcoin like every

1568

00:55:39,530 --> 00:55:38,160

transaction you ever make is public on

1569

00:55:41,089 --> 00:55:39,540

the blockchain for everybody to look at

1570

00:55:43,190 --> 00:55:41,099

and that's not really a good idea but

1571

00:55:46,309 --> 00:55:43,200

yeah use cash

1572

00:55:49,250 --> 00:55:46,319

right cash for sure Fair points and good

1573

00:55:51,950 --> 00:55:49,260

advice yeah parallel structures indeed

1574

00:55:54,530 --> 00:55:51,960

and Guerrilla tactics there are

1575

00:55:56,690 --> 00:55:54,540

their people everywhere but also our

1576

00:55:59,390 --> 00:55:56,700

people are everywhere we all have jobs

1577

00:56:02,870 --> 00:55:59,400

too so uh you know do what you can where

1578

00:56:05,569 --> 00:56:02,880

you can I guess but man I really really

1579

00:56:08,569 --> 00:56:05,579

enjoyed this I hope you get a grip of

1580

00:56:10,970 --> 00:56:08,579

new sub stack subscribers we are so

1581

00:56:13,370 --> 00:56:10,980

lucky as I said that platform came along

1582

00:56:15,589 --> 00:56:13,380

to support all these journalists being

1583

00:56:18,230 --> 00:56:15,599

pushed out of the circle kind of crazy

1584

00:56:20,750 --> 00:56:18,240

how much knowledge really hinges on just

1585

00:56:23,510 --> 00:56:20,760

a small handful of remaining platforms

1586

00:56:25,670 --> 00:56:23,520

but use it while we got it I guess but

1587

00:56:27,770 --> 00:56:25,680

thanks again for what you do give them

1588

00:56:29,990 --> 00:56:27,780

your links one more time before we call

1589

00:56:32,230 --> 00:56:30,000

it in all right you can see my my

1590

00:56:34,250 --> 00:56:32,240

website sub stack um Helen of

1591

00:56:36,349 --> 00:56:34,260

destroy.substack.com is my current stuff

1592

00:56:39,010 --> 00:56:36,359

you can see some of my archives at

1593

00:56:40,490 --> 00:56:39,020

velocirapture

1594

00:56:42,349 --> 00:56:40,500

v-e-l-o-c-i-r-a-p-t-u-r-e dot

1595

00:56:44,030 --> 00:56:42,359

substack.com I used to have a website

1596

00:56:45,470 --> 00:56:44,040

that is no longer Unfortunately because

1597

00:56:47,450 --> 00:56:45,480

of certain foreign intelligence service

1598

00:56:49,250 --> 00:56:47,460

but it's not going to go into that and

1599

00:56:52,490 --> 00:56:49,260

uh my Twitter and telegram are

1600

00:56:54,589 --> 00:56:52,500

velocirapture save spelling23 and my

1601  
00:56:57,230 --> 00:56:54,599  
YouTube and shoot are just Helen of

1602  
00:56:59,450 --> 00:56:57,240  
destroy and so that's basically on the

1603  
00:57:00,829 --> 00:56:59,460  
links and I have alternate social media

1604  
00:57:02,809 --> 00:57:00,839  
platforms but I don't really use them so

1605  
00:57:04,430 --> 00:57:02,819  
there's not really any points but yeah

1606  
00:57:06,470 --> 00:57:04,440  
substack is great I think that it's

1607  
00:57:08,930 --> 00:57:06,480  
really a godsend for people who are like

1608  
00:57:11,510 --> 00:57:08,940  
one-man shows here like me and who don't

1609  
00:57:12,950 --> 00:57:11,520  
have web support people to constantly be

1610  
00:57:15,049 --> 00:57:12,960  
putting their website back up when the

1611  
00:57:18,770 --> 00:57:15,059  
people take it down and it's such a

1612  
00:57:21,049 --> 00:57:18,780  
relief yeah it is well right on you know

1613  
00:57:23,569 --> 00:57:21,059

a lot about a lot thanks for sharing all

1614

00:57:25,250 --> 00:57:23,579

this with us kudos to you for sticking

1615

00:57:27,109 --> 00:57:25,260

it to the man you are a talented

1616

00:57:31,490 --> 00:57:27,119

Wordsmith keep fighting the good fight

1617

00:57:37,569 --> 00:57:34,490

and boom goes the dynamite yes people

1618

00:57:41,150 --> 00:57:37,579

Helen of destroy I really liked this one

1619

00:57:43,190 --> 00:57:41,160

after January's shows which I tried to

1620

00:57:45,710 --> 00:57:43,200

keep as varied as ever Chris Knowles

1621

00:57:47,870 --> 00:57:45,720

kicking it off with a banger and the

1622

00:57:50,510 --> 00:57:47,880

education show with Carrie McDonald was

1623

00:57:52,430 --> 00:57:50,520

a high level one two and not that the

1624

00:57:55,010 --> 00:57:52,440

other ones weren't but I could see a

1625

00:57:57,290 --> 00:57:55,020

person coming off of the Mount Shasta

1626  
00:57:59,870 --> 00:57:57,300  
crew show and one about floating and

1627  
00:58:01,910 --> 00:57:59,880  
think geez with so much going on in the

1628  
00:58:04,190 --> 00:58:01,920  
world when is this guy gonna get back to

1629  
00:58:06,890 --> 00:58:04,200  
covering all these conspiracies on his

1630  
00:58:09,230 --> 00:58:06,900  
conspiracy show and if you were thinking

1631  
00:58:10,309 --> 00:58:09,240  
that see I don't even need to be told I

1632  
00:58:13,490 --> 00:58:10,319  
already know

1633  
00:58:15,109 --> 00:58:13,500  
and that win is now

1634  
00:58:17,089 --> 00:58:15,119  
but I'm not trying to hit you over the

1635  
00:58:18,170 --> 00:58:17,099  
head with the same subjects show after

1636  
00:58:20,329 --> 00:58:18,180  
show

1637  
00:58:22,490 --> 00:58:20,339  
so we covered a few outside the box

1638  
00:58:25,190 --> 00:58:22,500

things and I thought yes it's probably

1639

00:58:27,770 --> 00:58:25,200

time to revisit the various news items

1640

00:58:30,109 --> 00:58:27,780

out there with a well-rounded journalist

1641

00:58:32,030 --> 00:58:30,119

and I would say we accomplished it

1642

00:58:34,549 --> 00:58:32,040

I really didn't hear anything that I

1643

00:58:37,089 --> 00:58:34,559

disagree with across the board of all

1644

00:58:40,370 --> 00:58:37,099

the major topics we got into

1645

00:58:42,049 --> 00:58:40,380

manufactured consensus the stupid chat

1646

00:58:44,030 --> 00:58:42,059

GPT thing

1647

00:58:45,410 --> 00:58:44,040

which we will be hearing about Forever

1648

00:58:49,609 --> 00:58:45,420

by the way

1649

00:58:52,069 --> 00:58:49,619

I tune out so fast over AI commentary

1650

00:58:55,370 --> 00:58:52,079

there's just so much of it out there

1651  
00:58:58,430 --> 00:58:55,380  
though there are still conspiracy and

1652  
00:59:01,250 --> 00:58:58,440  
esoteric angles that I find interesting

1653  
00:59:03,710 --> 00:59:01,260  
but I'm talking about the plain vanilla

1654  
00:59:05,930 --> 00:59:03,720  
how is this going to change society kind

1655  
00:59:09,890 --> 00:59:05,940  
of stuff or the giddy kids on Christmas

1656  
00:59:11,870 --> 00:59:09,900  
morning announcing well I ask GTP XYZ

1657  
00:59:14,690 --> 00:59:11,880  
and this is what it said

1658  
00:59:17,329 --> 00:59:14,700  
I mean come on it's literally just a

1659  
00:59:19,430 --> 00:59:17,339  
wordy Google you say that and then

1660  
00:59:22,849 --> 00:59:19,440  
people say well yeah but it's going to

1661  
00:59:24,530 --> 00:59:22,859  
get better and I think is it did Google

1662  
00:59:26,870 --> 00:59:24,540  
ever really get better I remember it

1663  
00:59:29,569 --> 00:59:26,880

launching pretty much like it is now but

1664

00:59:33,470 --> 00:59:29,579

with a layer of ads and censorship added

1665

00:59:36,530 --> 00:59:33,480

and with chat GTP you got the censorship

1666

00:59:37,549 --> 00:59:36,540

and bias from day one so I guess that's

1667

00:59:39,890 --> 00:59:37,559

something

1668

00:59:42,289 --> 00:59:39,900

but we also talked about the academic

1669

00:59:44,870 --> 00:59:42,299

Inquisition purity test that's going on

1670

00:59:46,370 --> 00:59:44,880

right now another thing that gets a

1671

00:59:48,109 --> 00:59:46,380

little annoying when I hear the same

1672

00:59:50,089 --> 00:59:48,119

five academics going on the biggest

1673

00:59:52,549 --> 00:59:50,099

podcast in the world and talking about

1674

00:59:54,710 --> 00:59:52,559

how nobody lets them talk

1675

00:59:57,289 --> 00:59:54,720

but the way Helen breaks it down I think

1676  
00:59:59,450 --> 00:59:57,299  
is a lot closer to the raw truth and

1677  
01:00:00,829 --> 00:59:59,460  
danger involved in going down this road

1678  
01:00:02,630 --> 01:00:00,839  
and it should be held under the

1679  
01:00:06,530 --> 01:00:02,640  
microscope and then also the

1680  
01:00:08,930 --> 01:00:06,540  
geopolitical topics Russia Ukraine Iran

1681  
01:00:11,510 --> 01:00:08,940  
important stuff to touch on and Helen is

1682  
01:00:13,250 --> 01:00:11,520  
pretty knowledgeable across the board

1683  
01:00:16,190 --> 01:00:13,260  
we obviously recorded this interview

1684  
01:00:18,530 --> 01:00:16,200  
before the Chinese satellite story

1685  
01:00:21,170 --> 01:00:18,540  
that's dominated conspiracy culture the

1686  
01:00:23,450 --> 01:00:21,180  
last couple of days and I guess they

1687  
01:00:25,190 --> 01:00:23,460  
shot it down but just another one of

1688  
01:00:27,650 --> 01:00:25,200

those weird little stories that doesn't

1689

01:00:29,809 --> 01:00:27,660

add up was it a distraction from all the

1690

01:00:30,829 --> 01:00:29,819

Pfizer stuff and the project Veritas

1691

01:00:33,589 --> 01:00:30,839

thing

1692

01:00:35,750 --> 01:00:33,599

was it just more fear and paranoia

1693

01:00:37,309 --> 01:00:35,760

probably a bit of both but this idea

1694

01:00:39,890 --> 01:00:37,319

that it got all the way to Montana

1695

01:00:41,030 --> 01:00:39,900

without being detected doesn't really

1696

01:00:42,950 --> 01:00:41,040

add up

1697

01:00:45,589 --> 01:00:42,960

and I'm not even sure what incentive

1698

01:00:47,390 --> 01:00:45,599

China would have to do such a thing

1699

01:00:50,510 --> 01:00:47,400

so to me it just seems like more

1700

01:00:54,230 --> 01:00:50,520

military industrial complex [h\_\_h] some

1701

01:00:56,569 --> 01:00:54,240

sort of soft fear generating false flag

1702

01:00:59,089 --> 01:00:56,579

for so many different things now more

1703

01:01:01,549 --> 01:00:59,099

than in previous decades it just feels

1704

01:01:04,309 --> 01:01:01,559

like the American people are the rats in

1705

01:01:05,630 --> 01:01:04,319

the Maze being tested on for all these

1706

01:01:07,190 --> 01:01:05,640

various little things how will they

1707

01:01:08,150 --> 01:01:07,200

react to this let's throw another thing

1708

01:01:11,030 --> 01:01:08,160

at them

1709

01:01:12,950 --> 01:01:11,040

rinse and repeat rinse and repeat

1710

01:01:15,650 --> 01:01:12,960

it's just funny because the government

1711

01:01:17,750 --> 01:01:15,660

and the news media tells us about this

1712

01:01:19,549 --> 01:01:17,760

Chinese balloon and everyone tries to

1713

01:01:22,150 --> 01:01:19,559

start puzzle solving

1714

01:01:24,829 --> 01:01:22,160

but few people that I saw were actually

1715

01:01:27,589 --> 01:01:24,839

stopping to ask well do we trust that

1716

01:01:29,270 --> 01:01:27,599

this is a Chinese spy balloon

1717

01:01:31,730 --> 01:01:29,280

I mean why not try to start our

1718

01:01:33,289 --> 01:01:31,740

detective work before the headline and

1719

01:01:35,329 --> 01:01:33,299

not after

1720

01:01:37,609 --> 01:01:35,339

oh well just a weird thing that happened

1721

01:01:38,630 --> 01:01:37,619

or didn't happen I don't know it's real

1722

01:01:40,849 --> 01:01:38,640

anymore

1723

01:01:42,770 --> 01:01:40,859

but if you liked the first hour you know

1724

01:01:45,109 --> 01:01:42,780

every episode has a second hour and in

1725

01:01:47,510 --> 01:01:45,119

today's we talked about some pretty

1726

01:01:49,730 --> 01:01:47,520

thorny things like her

1727

01:01:51,470 --> 01:01:49,740

recent post are you enjoying your

1728

01:01:54,230 --> 01:01:51,480

membership in the mass shooting of the

1729

01:01:56,630 --> 01:01:54,240

day Club we got Helen's take on Ron

1730

01:01:59,690 --> 01:01:56,640

DeSantis we talked about the spiral of

1731

01:02:01,190 --> 01:01:59,700

Silence the order of nine angels in the

1732

01:02:03,410 --> 01:02:01,200

temple of blood

1733

01:02:05,569 --> 01:02:03,420

Helen's thoughts on if they really could

1734

01:02:08,690 --> 01:02:05,579

stage an alien invasion

1735

01:02:12,109 --> 01:02:08,700

her own high strangeness experience

1736

01:02:14,450 --> 01:02:12,119

this talk about quarantation camps in

1737

01:02:16,250 --> 01:02:14,460

New York City yeah now even still

1738

01:02:17,809 --> 01:02:16,260

they're talking about that

1739

01:02:19,849 --> 01:02:17,819

we got into the carbon credit

1740

01:02:22,670 --> 01:02:19,859

infrastructure rollout that's happening

1741

01:02:24,950 --> 01:02:22,680

in real time slave mining in Africa and

1742

01:02:26,329 --> 01:02:24,960

the fight between east and west on that

1743

01:02:28,250 --> 01:02:26,339

Battleground

1744

01:02:29,510 --> 01:02:28,260

The Impossible plan for electric

1745

01:02:33,890 --> 01:02:29,520

vehicles

1746

01:02:37,430 --> 01:02:33,900

Elon vaccine injury WeChat and Twitter

1747

01:02:40,430 --> 01:02:37,440

Helen's Twitter files analysis pre-crime

1748

01:02:42,890 --> 01:02:40,440

and the dangerous tiptoe towards it

1749

01:02:44,089 --> 01:02:42,900

and deep and harpa which I didn't know

1750

01:02:46,010 --> 01:02:44,099

much about

1751  
01:02:47,329 --> 01:02:46,020  
I was happy to hear her break them down

1752  
01:02:49,910 --> 01:02:47,339  
as well

1753  
01:02:52,010 --> 01:02:49,920  
a real Pandora's box of parapolitical

1754  
01:02:53,510 --> 01:02:52,020  
goodness start your membership off with

1755  
01:02:55,549 --> 01:02:53,520  
a seven day free trial at the

1756  
01:02:57,710 --> 01:02:55,559  
highersidechats.com

1757  
01:02:59,809 --> 01:02:57,720  
and treat yourself to everything

1758  
01:03:02,390 --> 01:02:59,819  
everywhere all at once

1759  
01:03:05,930 --> 01:03:02,400  
but follow Helen her sub stack is great

1760  
01:03:07,609 --> 01:03:05,940  
her telegram is also great and I just

1761  
01:03:10,730 --> 01:03:07,619  
saw her announcement that she got her

1762  
01:03:12,470 --> 01:03:10,740  
website back Helen of destroy.com

1763  
01:03:14,450 --> 01:03:12,480

but let her know you appreciate her

1764

01:03:16,789 --> 01:03:14,460

analysis if you do

1765

01:03:19,370 --> 01:03:16,799

in higher side news we got the THC

1766

01:03:21,589 --> 01:03:19,380

outline auction underway

1767

01:03:23,809 --> 01:03:21,599

still just the first batch about a

1768

01:03:26,990 --> 01:03:23,819

hundred outlines up there and pretty

1769

01:03:29,690 --> 01:03:27,000

easy to still snag one for like 40 bucks

1770

01:03:31,430 --> 01:03:29,700

there are a couple that are near or over

1771

01:03:33,589 --> 01:03:31,440

a hundred bucks which is kind of

1772

01:03:35,809 --> 01:03:33,599

surprising and in first place is a

1773

01:03:36,770 --> 01:03:35,819

Gordon white show going for over 200

1774

01:03:41,270 --> 01:03:36,780

bucks

1775

01:03:43,250 --> 01:03:41,280

I just really really appreciate that and

1776

01:03:45,349 --> 01:03:43,260

it's good news that a Gordon white show

1777

01:03:48,770 --> 01:03:45,359

is out in front because what do I have

1778

01:03:50,210 --> 01:03:48,780

the most of Gordon White shows thank you

1779

01:03:53,150 --> 01:03:50,220

Jesus

1780

01:03:54,829 --> 01:03:53,160

but five more days on the first batch

1781

01:03:58,190 --> 01:03:54,839

and I hope to have a second round up

1782

01:04:00,770 --> 01:03:58,200

before I leave for Shasta at least

1783

01:04:03,230 --> 01:04:00,780

I was gonna fly but now I'm driving with

1784

01:04:04,670 --> 01:04:03,240

the wife and kid we are leaving this

1785

01:04:06,770 --> 01:04:04,680

Coast soon

1786

01:04:08,750 --> 01:04:06,780

so it's one last chance to go through

1787

01:04:11,390 --> 01:04:08,760

Redwood country and show our daughter

1788

01:04:13,370 --> 01:04:11,400

the Pacific Northwest and give her a

1789

01:04:16,250 --> 01:04:13,380

lesson in what cold really is I know

1790

01:04:17,809 --> 01:04:16,260

she's only one but she is just too soft

1791

01:04:20,450 --> 01:04:17,819

if you ask me

1792

01:04:21,770 --> 01:04:20,460

and what else what else I guess we'll go

1793

01:04:23,030 --> 01:04:21,780

through the Meetup calendar and then

1794

01:04:25,309 --> 01:04:23,040

call it a day

1795

01:04:28,250 --> 01:04:25,319

if you were ever curious to find other

1796

01:04:30,049 --> 01:04:28,260

THC fans that might live around you that

1797

01:04:32,450 --> 01:04:30,059

is what the Meetup calendar is for at

1798

01:04:34,370 --> 01:04:32,460

higherside meetups.com and ask for

1799

01:04:36,589 --> 01:04:34,380

upcoming events

1800

01:04:37,970 --> 01:04:36,599

it looks like the next one on the list

1801

01:04:39,890 --> 01:04:37,980

is

1802

01:04:41,750 --> 01:04:39,900

the higher suit meet up in Wellington

1803

01:04:44,569 --> 01:04:41,760

New Zealand so if you're in Wellington

1804

01:04:47,809 --> 01:04:44,579

New Zealand Gordon set up an event for

1805

01:04:50,089 --> 01:04:47,819

THC and Rune suit fans and I have seen

1806

01:04:52,609 --> 01:04:50,099

some various comments on different

1807

01:04:54,829 --> 01:04:52,619

platforms from people saying yay I'm in

1808

01:04:57,589 --> 01:04:54,839

New Zealand I'm definitely going

1809

01:04:59,690 --> 01:04:57,599

but then nobody is really using the RSVP

1810

01:05:01,609 --> 01:04:59,700

system which is frustrating when someone

1811

01:05:04,490 --> 01:05:01,619

is trying to gauge interest in an event

1812

01:05:06,589 --> 01:05:04,500

and get a head count so please if you

1813

01:05:08,569 --> 01:05:06,599

plan to go let them know

1814

01:05:10,670 --> 01:05:08,579

and that really goes for all events on

1815

01:05:13,089 --> 01:05:10,680

the calendar I've actually been hearing

1816

01:05:16,130 --> 01:05:13,099

people say well I made an event nobody

1817

01:05:18,049 --> 01:05:16,140

rsvp'd so I almost didn't even go myself

1818

01:05:20,270 --> 01:05:18,059

but I did go and then there was like a

1819

01:05:22,069 --> 01:05:20,280

dozen people there on the joint session

1820

01:05:23,510 --> 01:05:22,079

we had a guy call in who said the host

1821

01:05:25,010 --> 01:05:23,520

didn't show for the event that he

1822

01:05:26,030 --> 01:05:25,020

attended but he still met some cool

1823

01:05:29,089 --> 01:05:26,040

people

1824

01:05:31,910 --> 01:05:29,099

well that's bad form on both sides if

1825

01:05:34,069 --> 01:05:31,920

you make an event honor it show up and

1826

01:05:37,549 --> 01:05:34,079

if you hear about one you plan to go to

1827

01:05:38,930 --> 01:05:37,559

it's not hard to click RSVP and let them

1828

01:05:40,010 --> 01:05:38,940

know that they won't be sitting there

1829

01:05:42,109 --> 01:05:40,020

alone

1830

01:05:44,630 --> 01:05:42,119

I know they shut us all down for a year

1831

01:05:47,510 --> 01:05:44,640

and our social skills might be a little

1832

01:05:48,770 --> 01:05:47,520

rusty but let's not forget basic human

1833

01:05:51,170 --> 01:05:48,780

etiquette okay

1834

01:05:53,030 --> 01:05:51,180

so also on February 11th there is one in

1835

01:05:55,609 --> 01:05:53,040

Montpelier Vermont

1836

01:05:57,730 --> 01:05:55,619

on February 15th the Seattle THC

1837

01:06:00,950 --> 01:05:57,740

Inquisition coming back around again

1838

01:06:05,089 --> 01:06:00,960

February 17th since spiracy monthly

1839

01:06:08,569 --> 01:06:05,099

number two in Blue Ash Ohio and then the

1840

01:06:10,910 --> 01:06:08,579

rest are in March so not a ton for

1841

01:06:13,309 --> 01:06:10,920

February but we do have a handful

1842

01:06:15,049 --> 01:06:13,319

and it seems like several of them are

1843

01:06:17,510 --> 01:06:15,059

recurring so it's good to know that

1844

01:06:19,490 --> 01:06:17,520

people put themselves out there they met

1845

01:06:20,990 --> 01:06:19,500

some new people that they like and they

1846

01:06:22,250 --> 01:06:21,000

want to get together again that's a

1847

01:06:24,650 --> 01:06:22,260

beautiful thing

1848

01:06:29,089 --> 01:06:24,660

so at least in some cities across this

1849

01:06:31,250 --> 01:06:29,099

great land the THC meetups are working

1850

01:06:33,529 --> 01:06:31,260

but with that let's say that's the show

1851

01:06:36,529 --> 01:06:33,539

big thanks to Helen and to you dear

1852

01:06:38,329 --> 01:06:36,539

listeners I've done my part your move

1853

01:06:41,089 --> 01:06:38,339

Sorcerers of digital censorship

1854

01:06:42,910 --> 01:06:41,099

geopolitical puppeteers and operators of

1855

01:06:47,390 --> 01:06:42,920

the never-ending Ops

1856

01:06:50,390 --> 01:06:47,400

your [h\_\_\h] move you know the plan has

1857

01:06:55,069 --> 01:06:50,400

always been to hack your brain

1858

01:06:57,410 --> 01:06:55,079

MK all just trying to drive you insane

1859

01:07:00,049 --> 01:06:57,420

and they'll explode your heart if they

1860

01:07:02,809 --> 01:07:00,059

think that's what it takes

1861

01:07:04,730 --> 01:07:02,819

you think I'm answering the phone while

1862

01:07:07,670 --> 01:07:04,740

I ain't

1863

01:07:09,950 --> 01:07:07,680

you gotta keep the turn strong cause you

1864

01:07:13,069 --> 01:07:09,960

don't want anyone thinking you're at

1865

01:07:16,490 --> 01:07:13,079

home well you're not you should tape the

1866

01:07:19,430 --> 01:07:16,500

mail slot and baby if I seem withdrawn

1867

01:07:23,089 --> 01:07:19,440

let me say it's cause I just don't wanna

1868

01:07:26,870 --> 01:07:23,099

go and get whacked maybe you should know

1869

01:07:28,270 --> 01:07:26,880

that the trauma affects you like it does

1870

01:07:31,490 --> 01:07:28,280

everyone

1871

01:07:35,829 --> 01:07:31,500

it's just the game plan it's what the

1872

01:07:40,450 --> 01:07:39,109

don't you see what's going on well now

1873

01:07:43,970 --> 01:07:40,460

you know

1874

01:07:48,410 --> 01:07:43,980

you're better keeping on your cause you

1875

01:07:52,490 --> 01:07:48,420

can see the Master's lie too much oh

1876

01:07:56,930 --> 01:07:52,500

baby you can only trust yourself

1877

01:08:00,109 --> 01:07:56,940

and if you think the systems out of

1878

01:08:01,750 --> 01:08:00,119

touch it is and you can only trust

1879

01:08:05,750 --> 01:08:01,760

yourself

1880

01:08:06,950 --> 01:08:05,760

I hope you know the elite aren't your

1881

01:08:10,309 --> 01:08:06,960

friends

1882

01:08:11,930 --> 01:08:10,319

they'll suck out everything from you in

1883

01:08:15,049 --> 01:08:11,940

the end

1884

01:08:16,729 --> 01:08:15,059

and if for some reason you think I might

1885

01:08:21,470 --> 01:08:16,739

be wrong

1886

01:08:24,169 --> 01:08:21,480

I wonder where you got that opinion from

1887

01:08:26,689 --> 01:08:24,179

you gotta keep the curtain strong cause

1888

01:08:29,870 --> 01:08:26,699

you don't want anyone thinking you're at

1889

01:08:33,229 --> 01:08:29,880

home well you're not you should tape the

1890

01:08:36,169 --> 01:08:33,239

mail slot and baby if I seem withdrawn

1891

01:08:39,829 --> 01:08:36,179

let me say it's cause I just don't wanna

1892

01:08:43,610 --> 01:08:39,839

go and get whacked maybe you should know

1893

01:08:45,349 --> 01:08:43,620

that the trauma affects you like it does

1894

01:08:48,349 --> 01:08:45,359

everyone

1895

01:08:50,209 --> 01:08:48,359

it's just a game plan it's where the

1896

01:08:53,510 --> 01:08:50,219

world's become

1897

01:08:56,269 --> 01:08:53,520

they want a pat down and a swamp don't

1898

01:08:57,130 --> 01:08:56,279

you see what's going on well now you

1899

01:09:00,169 --> 01:08:57,140

know

1900

01:09:04,329 --> 01:09:00,179

you're better keeping on your own cause

1901

01:09:13,789 --> 01:09:09,289

oh baby you can only trust yourself

1902

01:09:16,970 --> 01:09:13,799

and if you think the system's out of

1903

01:09:19,719 --> 01:09:16,980

touch it is and you can only trust

1904

01:09:30,349 --> 01:09:28,789

[Music]

1905

01:09:46,440 --> 01:09:30,359

foreign

1906

01:10:01,990 --> 01:09:51,830

[Music]

1907

01:10:11,450 --> 01:10:06,830

oh baby you can only trust yourself

1908

01:10:14,630 --> 01:10:11,460

and if you think the system's out of

1909

01:10:16,110 --> 01:10:14,640

touch it is and you can only trust

1910

01:10:19,990 --> 01:10:16,120

yourself
