

JEFF HARMAN | THE ENERGIES IN 2023, THE 4 WORLDS, AND THE MULTIDIMENSIONAL MATRIX OF THE SOUL

isode. To hear the full 2 hour version, become a Plus Member. Start your 7 day free trial at TheHighersideChats.com You're liste

1
00:00:08,509 --> 00:00:06,170
all right people I'm gonna make this

2
00:00:11,270 --> 00:00:08,519
quick but for the next six weeks or so

3
00:00:14,209 --> 00:00:11,280
starting February 1st I'm putting all my

4
00:00:15,770 --> 00:00:14,219
show outlines up for auction I've

5
00:00:18,050 --> 00:00:15,780
mentioned before that I have a very

6
00:00:20,570 --> 00:00:18,060
strict routine for preparing for and

7
00:00:24,109 --> 00:00:20,580
recording THC episodes and part of that

8
00:00:26,689 --> 00:00:24,119
process 95 of the time going back many

9
00:00:28,910 --> 00:00:26,699
years has been waking up early on the

10
00:00:31,550 --> 00:00:28,920
days I record and compiling my notes

11
00:00:33,650 --> 00:00:31,560
into a roughly four to six page outline

12
00:00:36,470 --> 00:00:33,660
that I print out and conduct the

13
00:00:38,810 --> 00:00:36,480

interviews from as a template I write in

14

00:00:40,850 --> 00:00:38,820

the margins I cross stuff out as we go

15

00:00:43,250 --> 00:00:40,860

along I jot things down I don't want to

16

00:00:45,410 --> 00:00:43,260

forget and I usually have a good deal of

17

00:00:47,090 --> 00:00:45,420

material in these outlines that never

18

00:00:48,950 --> 00:00:47,100

even makes it to air

19

00:00:50,750 --> 00:00:48,960

when a show is done I put a little

20

00:00:53,090 --> 00:00:50,760

staple up in the corner and throw them

21

00:00:55,310 --> 00:00:53,100

in a filing cabinet well it's no secret

22

00:00:57,229 --> 00:00:55,320

I'm trying to move and what better time

23

00:00:59,270 --> 00:00:57,239

to try to collect a little extra cash

24

00:01:01,490 --> 00:00:59,280

and offload a box of stuff I've been

25

00:01:04,009 --> 00:01:01,500

storing that I don't need

26

00:01:06,109 --> 00:01:04,019

so I'm signing listing and auctioning

27

00:01:08,030 --> 00:01:06,119

off all the outlines I have to any

28

00:01:10,670 --> 00:01:08,040

listeners who might be interested in

29

00:01:12,770 --> 00:01:10,680

that kind of thing each one is totally

30

00:01:14,929 --> 00:01:12,780

unique with its own markings coffee

31

00:01:17,030 --> 00:01:14,939

stains beer spills printing

32

00:01:19,370 --> 00:01:17,040

imperfections typos and maybe even

33

00:01:21,050 --> 00:01:19,380

Doodles in some cases that were never

34

00:01:24,230 --> 00:01:21,060

really supposed to be seen by anyone

35

00:01:26,149 --> 00:01:24,240

else but I guess that's no big deal I

36

00:01:28,190 --> 00:01:26,159

know I've personally bought signed

37

00:01:30,590 --> 00:01:28,200

scripts before and some of my most

38

00:01:33,469 --> 00:01:30,600

prized possessions are banned set lists

39

00:01:35,630 --> 00:01:33,479

I nabbed at the end of concerts so maybe

40

00:01:38,390 --> 00:01:35,640

this is something like that for podcasts

41

00:01:42,310 --> 00:01:38,400

if you're into it they will be listed at

42

00:01:46,310 --> 00:01:42,320

ebay.com yeah I know ebay.com

43

00:01:48,350 --> 00:01:46,320

USR slash Higher Side chats the link is

44

00:01:49,990 --> 00:01:48,360

at the top of the show notes as well but

45

00:01:53,810 --> 00:01:50,000

it's ebay.com

46

00:01:55,670 --> 00:01:53,820

USR slash Higher Side chats and of

47

00:01:58,010 --> 00:01:55,680

course I'll post the links across all

48

00:02:00,649 --> 00:01:58,020

the social media dystopias I have an

49

00:02:02,810 --> 00:02:00,659

unfortunate presence in again the first

50

00:02:06,109 --> 00:02:02,820

batch of outlines will go up February

51
00:02:08,749 --> 00:02:06,119
1st and be listed for 10 days and I'm

52
00:02:11,630 --> 00:02:08,759
gonna continue to put up new batches as

53
00:02:13,250 --> 00:02:11,640
time permits when and where I can and I

54
00:02:15,890 --> 00:02:13,260
hope to have the whole thing completed

55
00:02:17,449 --> 00:02:15,900
in about six to eight weeks or so I

56
00:02:19,130 --> 00:02:17,459
guess I'm just out when I'm out but if

57
00:02:21,410 --> 00:02:19,140
there's a specific one you might want

58
00:02:23,570 --> 00:02:21,420
keep dipping in to see what's been added

59
00:02:25,670 --> 00:02:23,580
there's a good chance I haven't gotten

60
00:02:27,530 --> 00:02:25,680
it listed yet and a real chance I don't

61
00:02:30,350 --> 00:02:27,540
even have it for one reason or another

62
00:02:32,449 --> 00:02:30,360
but I do have most so just keep an eye

63
00:02:34,430 --> 00:02:32,459

out thanks in advance to anyone who

64

00:02:36,470 --> 00:02:34,440

picks up a little piece of THC history

65

00:02:39,229 --> 00:02:36,480

and contributes to the carlwood family

66

00:02:41,150 --> 00:02:39,239

moving fund alright and that said in

67

00:02:45,350 --> 00:02:41,160

more ways than one let's get this show

68

00:02:51,050 --> 00:02:48,410

I've been Masters on surely have a plan

69

00:02:53,570 --> 00:02:51,060

there's clearly maybe something that'd

70

00:02:55,850 --> 00:02:53,580

be all around the plan and until you've

71

00:02:58,430 --> 00:02:55,860

clearly tested every last closed chest

72

00:03:02,350 --> 00:02:58,440

of you I'll find the more you think you

73

00:03:08,810 --> 00:03:07,070

where would we be without you cause we

74

00:03:20,290 --> 00:03:08,820

know the lying to us

75

00:03:25,250 --> 00:03:22,670

here we go higher side Chatters from

76
00:03:27,290 --> 00:03:25,260
Sunny San Diego I'm Greg Carlwood and it

77
00:03:29,449 --> 00:03:27,300
looks like my world's on fire how about

78
00:03:31,550 --> 00:03:29,459
yours because instead of a government

79
00:03:33,410 --> 00:03:31,560
that's working on a single thing to lift

80
00:03:35,570 --> 00:03:33,420
people up they're preoccupied with

81
00:03:37,430 --> 00:03:35,580
manifesting every element and deepest

82
00:03:40,250 --> 00:03:37,440
desire of the Techno credit control

83
00:03:42,170 --> 00:03:40,260
freak class converting companies to

84
00:03:44,449 --> 00:03:42,180
subscriptions and product rentals over

85
00:03:46,369 --> 00:03:44,459
any actual ownership continuing to

86
00:03:48,729 --> 00:03:46,379
attack high quality animal foods and

87
00:03:51,289 --> 00:03:48,739
offer you lab made processed garbage

88
00:03:53,030 --> 00:03:51,299

silently suppressing critics memory

89

00:03:55,250 --> 00:03:53,040

holding journalists and locking out

90

00:03:58,009 --> 00:03:55,260

academics over voicing the slightest

91

00:04:00,470 --> 00:03:58,019

resistance phasing out energetic

92

00:04:02,449 --> 00:04:00,480

optionality in your life in exchange for

93

00:04:05,089 --> 00:04:02,459

highly metered and controllable electric

94

00:04:07,490 --> 00:04:05,099

everything foaming at the mouth over the

95

00:04:09,350 --> 00:04:07,500

prospect of another Great War throwing

96

00:04:11,570 --> 00:04:09,360

more of your income in the big piggy

97

00:04:13,850 --> 00:04:11,580

bank to be enthusiastically snatched up

98

00:04:16,189 --> 00:04:13,860

by the fistful like kids rushing a

99

00:04:18,770 --> 00:04:16,199

busted pinata to fund all these various

100

00:04:21,170 --> 00:04:18,780

nightmares and a news media whose only

101
00:04:23,570 --> 00:04:21,180
stories seem to be about justifying all

102
00:04:25,310 --> 00:04:23,580
these objectives but in times like these

103
00:04:27,530 --> 00:04:25,320
it's important to get insight from

104
00:04:29,030 --> 00:04:27,540
anywhere that still offers it and for me

105
00:04:30,950 --> 00:04:29,040
that means going to those who read

106
00:04:33,650 --> 00:04:30,960
between the lines and see the deeper

107
00:04:34,969 --> 00:04:33,660
structures of our reality and few do it

108
00:04:37,189 --> 00:04:34,979
like today's returning guest

109
00:04:39,710 --> 00:04:37,199
astrological and spiritual consultant

110
00:04:41,749 --> 00:04:39,720
Jeff Harmon Jeff was first here about

111
00:04:43,490 --> 00:04:41,759
six months ago and because I like to

112
00:04:45,650 --> 00:04:43,500
inquire about the energies and

113
00:04:47,330 --> 00:04:45,660

astrological signposts on the road ahead

114

00:04:51,530 --> 00:04:47,340

at least somewhere near the start of a

115

00:04:53,270 --> 00:04:51,540

new year for 2023 Jeff is our guy he's

116

00:04:55,010 --> 00:04:53,280

been putting out a lot of great stuff on

117

00:04:57,350 --> 00:04:55,020

his YouTube channel and is still doing

118

00:05:00,290 --> 00:04:57,360

personal readings relocation astrology

119

00:05:02,270 --> 00:05:00,300

Vedic planetary gemology and casting

120

00:05:05,570 --> 00:05:02,280

charts for those interested at Jeff

121

00:05:07,969 --> 00:05:05,580

harmon.com and let's see what he sees

122

00:05:10,010 --> 00:05:07,979

the esoteric energy reader ancient

123

00:05:12,650 --> 00:05:10,020

knowledge extractor and space weather

124

00:05:14,030 --> 00:05:12,660

meteorologist extraordinaire Jeff my man

125

00:05:17,210 --> 00:05:14,040

welcome back

126

00:05:19,370 --> 00:05:17,220

hey thanks for having me Greg yes it is

127

00:05:23,210 --> 00:05:19,380

an honor man as I said in that intro

128

00:05:25,490 --> 00:05:23,220

there I like to do an astrology of the

129

00:05:27,770 --> 00:05:25,500

coming year show as we turn a new page

130

00:05:29,510 --> 00:05:27,780

but some of the ones I've talked to

131

00:05:31,490 --> 00:05:29,520

before seemed like they wanted to keep

132

00:05:33,950 --> 00:05:31,500

their distance from me since the coveted

133

00:05:36,590 --> 00:05:33,960

years and others whose work I really

134

00:05:38,570 --> 00:05:36,600

like in other areas seemed like they had

135

00:05:40,850 --> 00:05:38,580

some pretty big misses in their previous

136

00:05:43,790 --> 00:05:40,860

forecasts but I think you're right in

137

00:05:46,490 --> 00:05:43,800

the Goldilocks zone for us accurate and

138

00:05:48,590 --> 00:05:46,500

not afraid to get raw and bold with the

139

00:05:51,170 --> 00:05:48,600

truth so I appreciate you coming back

140

00:05:53,810 --> 00:05:51,180

let's start with a little reminder for

141

00:05:55,550 --> 00:05:53,820

people as to the systems you use and

142

00:05:59,150 --> 00:05:55,560

what they can offer us

143

00:06:01,790 --> 00:05:59,160

yeah I mean I I use a lot you know again

144

00:06:04,909 --> 00:06:01,800

I got into this in the mid 70s and I was

145

00:06:06,710 --> 00:06:04,919

a skeptic you know I really started out

146

00:06:08,510 --> 00:06:06,720

in a whole different world than

147

00:06:09,890 --> 00:06:08,520

astrology and when I first got exposed

148

00:06:12,610 --> 00:06:09,900

to it I thought come on did this stuff

149

00:06:15,710 --> 00:06:12,620

even work well I think when it really

150

00:06:18,590 --> 00:06:15,720

became apparent to me that this truly is

151
00:06:21,290 --> 00:06:18,600
an ancient science see modern astrology

152
00:06:23,990 --> 00:06:21,300
really got off track from the 1700s

153
00:06:25,969 --> 00:06:24,000
forward not that all of it doesn't have

154
00:06:28,010 --> 00:06:25,979
some value but it's really love light

155
00:06:30,290 --> 00:06:28,020
and cluelessness all this sun sign stuff

156
00:06:33,290 --> 00:06:30,300
when you look at our founding fathers

157
00:06:35,930 --> 00:06:33,300
particularly Thomas Jefferson Benjamin

158
00:06:39,409 --> 00:06:35,940
Franklin and so so many others they were

159
00:06:42,710 --> 00:06:39,419
really in and aware of the esoteric

160
00:06:46,309 --> 00:06:42,720
energies that come on the world and this

161
00:06:48,650 --> 00:06:46,319
stuff goes back to Antiquity and most of

162
00:06:50,450 --> 00:06:48,660
your astronomers that we heard about in

163
00:06:52,070 --> 00:06:50,460

the Middle Ages were really astrologers

164

00:06:54,650 --> 00:06:52,080

in fact that's what they call it was

165

00:06:57,170 --> 00:06:54,660

astronomy and that's what attracted me

166

00:07:00,230 --> 00:06:57,180

because it's a geometric science and

167

00:07:02,570 --> 00:07:00,240

when you get back into India and the

168

00:07:05,629 --> 00:07:02,580

vedantic and the Tibetan stuff and

169

00:07:07,610 --> 00:07:05,639

Egyptian and Chaldean this was truly

170

00:07:09,710 --> 00:07:07,620

astronomy this isn't a bunch of sun sign

171

00:07:12,230 --> 00:07:09,720

stuff this was looking at the heavens

172

00:07:14,689 --> 00:07:12,240

and extrapolating it to events on the

173

00:07:16,790 --> 00:07:14,699

Earth and you know kings and queens and

174

00:07:19,610 --> 00:07:16,800

Generals used this stuff throughout

175

00:07:21,770 --> 00:07:19,620

history and still do the new one world

176

00:07:25,070 --> 00:07:21,780

order right now I've been saying you

177

00:07:27,710 --> 00:07:25,080

know when we saw 911 come in I'll never

178

00:07:29,749 --> 00:07:27,720

forget it I was on the phone with a

179

00:07:31,490 --> 00:07:29,759

friend of mine a Wall Street astrologer

180

00:07:32,930 --> 00:07:31,500

and I said

181

00:07:35,510 --> 00:07:32,940

we're going to see something happen here

182

00:07:38,150 --> 00:07:35,520

anytime we had a Saturn Pluto opposition

183

00:07:40,490 --> 00:07:38,160

sure enough the next day the towers came

184

00:07:43,010 --> 00:07:40,500

down like sparklers from jet fuel and so

185

00:07:45,830 --> 00:07:43,020

did building seven and then the banks

186

00:07:47,749 --> 00:07:45,840

crash in 2008 nine and everyone was

187

00:07:49,790 --> 00:07:47,759

saying to me for years Chef what do you

188

00:07:52,370 --> 00:07:49,800

think of the Mayan calendar and Nibiru I

189

00:07:57,050 --> 00:07:52,380

said not too much right I said I'm

190

00:07:58,909 --> 00:07:57,060

really seeing more 2020 is the one we

191

00:08:00,350 --> 00:07:58,919

want to watch it forward from and look

192

00:08:03,710 --> 00:08:00,360

what's happened

193

00:08:06,830 --> 00:08:03,720

yeah as you said then uh last time

194

00:08:09,290 --> 00:08:06,840

the Jupiter Saturn conjunction on the

195

00:08:11,390 --> 00:08:09,300

winter solstice of 2020 that pretty much

196

00:08:14,689 --> 00:08:11,400

opened the window for the covetop and

197

00:08:17,029 --> 00:08:14,699

the ball just keeps rolling and to put a

198

00:08:19,730 --> 00:08:17,039

finer point on the systems you use I

199

00:08:22,369 --> 00:08:19,740

believe you've said ancient Nadi

200

00:08:24,950 --> 00:08:22,379

astrology is one of the main systems you

201
00:08:27,710 --> 00:08:24,960
lean on I know you do some like casting

202
00:08:31,070 --> 00:08:27,720
of charts that is kind of uh almost

203
00:08:33,230 --> 00:08:31,080
divinatory in a certain type there's no

204
00:08:35,209 --> 00:08:33,240
question about it yeah it's called

205
00:08:37,310 --> 00:08:35,219
interrogation in India they call it

206
00:08:39,469 --> 00:08:37,320
prashna interrogation is the word I was

207
00:08:40,909 --> 00:08:39,479
looking for yeah it's literally that was

208
00:08:44,690 --> 00:08:40,919
probably one of the oldest types of

209
00:08:47,329 --> 00:08:44,700
astrology clearly India you know the

210
00:08:51,110 --> 00:08:47,339
entire Egyptian Chaldean and medieval

211
00:08:53,030 --> 00:08:51,120
worlds use that still use today and it

212
00:08:55,190 --> 00:08:53,040
literally proves the universe as an

213
00:08:57,650 --> 00:08:55,200

interactive Consciousness where you can

214

00:09:00,410 --> 00:08:57,660

ask a chart anything from where's my cat

215

00:09:02,810 --> 00:09:00,420

to will I win this lawsuit you know so

216

00:09:04,970 --> 00:09:02,820

it's pretty wild stuff and even in

217

00:09:07,550 --> 00:09:04,980

medical analysis it's quite interesting

218

00:09:09,949 --> 00:09:07,560

I can't practice medicine but I tell you

219

00:09:11,990 --> 00:09:09,959

I actually consulted and work with a lot

220

00:09:14,329 --> 00:09:12,000

of different people particularly even

221

00:09:16,610 --> 00:09:14,339

some surgeons and doctors who have said

222

00:09:18,829 --> 00:09:16,620

you know this is interesting stuff

223

00:09:21,170 --> 00:09:18,839

because we follow procedure all the time

224

00:09:22,910 --> 00:09:21,180

but we find certain days it just doesn't

225

00:09:26,449 --> 00:09:22,920

go too good and I'm going well yeah look

226

00:09:28,130 --> 00:09:26,459

at the energy you went in on Wow and I'm

227

00:09:31,009 --> 00:09:28,140

getting a lot of feedback from different

228

00:09:33,530 --> 00:09:31,019

sources that they agree with it so you

229

00:09:35,630 --> 00:09:33,540

know there's more than just linear logic

230

00:09:37,790 --> 00:09:35,640

and procedure not that linear logic and

231

00:09:40,970 --> 00:09:37,800

procedure isn't important because you

232

00:09:43,370 --> 00:09:40,980

have to use both common sense and look

233

00:09:46,490 --> 00:09:43,380

at this more for what it is energy

234

00:09:48,949 --> 00:09:46,500

right right and even just the yearly

235

00:09:51,410 --> 00:09:48,959

lewallen astrological calendar that I

236

00:09:53,470 --> 00:09:51,420

pick up every year it even has planting

237

00:09:56,329 --> 00:09:53,480

and fishing it's like the whole system

238

00:09:58,009 --> 00:09:56,339

does have various Cycles I like the way

239

00:09:59,810 --> 00:09:58,019

you put it the universe is an

240

00:10:02,690 --> 00:09:59,820

interactive Consciousness it does seem

241

00:10:05,630 --> 00:10:02,700

to be that succinct really but the

242

00:10:07,730 --> 00:10:05,640

further you go back it's so surprising

243

00:10:10,550 --> 00:10:07,740

that the more detailed and specific

244

00:10:12,889 --> 00:10:10,560

their concepts for really complex and

245

00:10:15,949 --> 00:10:12,899

unseen aspects of reality seem to be

246

00:10:18,230 --> 00:10:15,959

they really were but in terms of the

247

00:10:20,269 --> 00:10:18,240

modern world today with so many things

248

00:10:22,430 --> 00:10:20,279

being thrown at us right now balloons

249

00:10:24,590 --> 00:10:22,440

being shot out of the sky demonic

250

00:10:27,290 --> 00:10:24,600

rituals center stage at the Grammys

251

00:10:29,630 --> 00:10:27,300

crisis in Ukraine and all that uh what

252

00:10:32,150 --> 00:10:29,640

are some of the big things on your radar

253

00:10:34,970 --> 00:10:32,160

that you actually do see reflected in

254

00:10:37,009 --> 00:10:34,980

these Celestial energies now and a few

255

00:10:40,130 --> 00:10:37,019

steps more down the road this year

256

00:10:43,430 --> 00:10:40,140

yeah well you know I want to refine

257

00:10:46,370 --> 00:10:43,440

something covid came in really on the

258

00:10:49,509 --> 00:10:46,380

Saturn Pluto conjunction which was right

259

00:10:54,829 --> 00:10:49,519

in January of 2020.

260

00:10:57,350 --> 00:10:54,839

that Confluence with the 240-year Saturn

261

00:10:59,810 --> 00:10:57,360

Jupiter conjunction which was at the end

262

00:11:01,430 --> 00:10:59,820

of 2020 on the winter solstice because

263

00:11:05,389 --> 00:11:01,440

remember covet came in at the beginning

264

00:11:07,550 --> 00:11:05,399

of 220 and this other aspect the very

265

00:11:11,269 --> 00:11:07,560

powerful Jupiter Saturn conjunction came

266

00:11:14,329 --> 00:11:11,279

in at the end of 2020. really ushered in

267

00:11:16,430 --> 00:11:14,339

a new era and it's interesting talking

268

00:11:19,009 --> 00:11:16,440

about the country

269

00:11:20,569 --> 00:11:19,019

I've become quite enamored lately with

270

00:11:22,130 --> 00:11:20,579

the constitution in fact they actually

271

00:11:23,930 --> 00:11:22,140

have a copy of it here and I encourage

272

00:11:25,490 --> 00:11:23,940

everyone to get the Constitution of the

273

00:11:27,410 --> 00:11:25,500

United States you know a lot of

274

00:11:30,410 --> 00:11:27,420

religions have said all the nations are

275

00:11:32,150 --> 00:11:30,420

evil well if you read the Constitution

276

00:11:33,889 --> 00:11:32,160

you don't need an IQ above room

277

00:11:36,410 --> 00:11:33,899

temperature to come up with real quick

278

00:11:39,650 --> 00:11:36,420

that that was for the betterment of all

279

00:11:41,389 --> 00:11:39,660

Humanity and they can say what they want

280

00:11:43,790 --> 00:11:41,399

about the Masons I'm not here defending

281

00:11:46,850 --> 00:11:43,800

anyone or the Masons but I am saying

282

00:11:47,930 --> 00:11:46,860

that document is quite profound and I

283

00:11:50,090 --> 00:11:47,940

don't think there's ever been another

284

00:11:53,690 --> 00:11:50,100

document that we know of in modern

285

00:11:55,850 --> 00:11:53,700

history at least that equals it and it's

286

00:11:58,970 --> 00:11:55,860

really quite interesting because George

287

00:12:00,490 --> 00:11:58,980

Washington was actually fighting for the

288

00:12:03,410 --> 00:12:00,500

British in

289

00:12:07,190 --> 00:12:03,420

1762. there was a lot of mystery around

290

00:12:10,069 --> 00:12:07,200

this and that was another great fire

291

00:12:11,750 --> 00:12:10,079

conjunction of Jupiter and said enough

292

00:12:12,889 --> 00:12:11,760

anybody's listening they're all going to

293

00:12:14,750 --> 00:12:12,899

say well wait a minute he's wrong

294

00:12:16,670 --> 00:12:14,760

Jupiter and Saturn conjunct every 20

295

00:12:19,069 --> 00:12:16,680

years well you'd be right about that

296

00:12:21,769 --> 00:12:19,079

they do conjunct approximately every 20

297

00:12:23,930 --> 00:12:21,779

years but we're not talking about that

298

00:12:26,269 --> 00:12:23,940

if you go back to the flood of Noah

299

00:12:28,970 --> 00:12:26,279

these were called the Great conjunctions

300

00:12:30,590 --> 00:12:28,980

and approximately every thousand years

301

00:12:33,530 --> 00:12:30,600

it's not exactly it's close because

302

00:12:36,230 --> 00:12:33,540

years don't equal planetary alignments

303

00:12:38,030 --> 00:12:36,240

in astronomy there is what we call the

304

00:12:40,130 --> 00:12:38,040

great conjunctions and the that's

305

00:12:42,530 --> 00:12:40,140

believed and I certainly have seen it in

306

00:12:45,590 --> 00:12:42,540

history that great changes happen well

307

00:12:48,769 --> 00:12:45,600

that's exactly what was happening when

308

00:12:51,050 --> 00:12:48,779

the Revolutionary War started and the

309

00:12:52,670 --> 00:12:51,060

Declaration of Independence was signed

310

00:12:54,410 --> 00:12:52,680

right around that time not exactly but

311

00:12:55,970 --> 00:12:54,420

very close and

312

00:12:57,250 --> 00:12:55,980

a lot of people don't know this but

313

00:13:00,949 --> 00:12:57,260

George Washington

314

00:13:03,470 --> 00:13:00,959

was fighting and every officer with him

315

00:13:06,590 --> 00:13:03,480

and many of the men were all killed and

316

00:13:08,690 --> 00:13:06,600

he had bullet holes in his coat and his

317

00:13:10,430 --> 00:13:08,700

hat and he had two horses shout out from

318

00:13:12,889 --> 00:13:10,440

underneath him he didn't have a bullet

319

00:13:16,190 --> 00:13:12,899

hole in him now that's very mysterious

320

00:13:19,310 --> 00:13:16,200

because later an Indian chief ran into

321

00:13:21,410 --> 00:13:19,320

Washington many years later about 15 20

322

00:13:24,410 --> 00:13:21,420

years later and said you know we saw a

323

00:13:26,449 --> 00:13:24,420

great spirit above you and we tried to

324

00:13:28,550 --> 00:13:26,459

shoot you and we know we were putting

325

00:13:31,069 --> 00:13:28,560

bullets right into you and you didn't go

326

00:13:33,350 --> 00:13:31,079

down and there was all kinds of

327

00:13:35,810 --> 00:13:33,360

mysticisms surrounding the founding

328

00:13:39,050 --> 00:13:35,820

fathers people may have heard of Thomas

329

00:13:41,870 --> 00:13:39,060

Paine Thomas Paine wrote the articles

330

00:13:45,050 --> 00:13:41,880

called Common Sense he came over and he

331

00:13:46,550 --> 00:13:45,060

really awakened the colonists to the

332

00:13:47,990 --> 00:13:46,560

shafting that they were getting from the

333

00:13:49,550 --> 00:13:48,000

crown with all the taxes and everything

334

00:13:51,590 --> 00:13:49,560

well

335

00:13:54,170 --> 00:13:51,600

fast forward to today why am I telling

336

00:13:57,590 --> 00:13:54,180

everybody all this well in a way I'm not

337

00:13:59,690 --> 00:13:57,600

defending Elon Musk but in a way I

338

00:14:02,509 --> 00:13:59,700

really look at him as kind of a modern

339

00:14:05,090 --> 00:14:02,519

day Thomas Paine because he's been

340

00:14:07,850 --> 00:14:05,100

exposing the lies that we all knew were

341

00:14:09,769 --> 00:14:07,860

true and now we actually have proof of

342

00:14:11,690 --> 00:14:09,779

it with the Twitter dumps and the

343

00:14:15,650 --> 00:14:11,700

coercion and the manipulation that's

344

00:14:18,769 --> 00:14:15,660

been going on so in 2020 we had these

345

00:14:21,290 --> 00:14:18,779

two powerful powerful energies and that

346

00:14:23,329 --> 00:14:21,300

was the coveted ruse and I'm not saying

347

00:14:24,769 --> 00:14:23,339

covert wasn't real what I am saying is

348

00:14:27,650 --> 00:14:24,779

they used it

349

00:14:29,990 --> 00:14:27,660

these new one world orderers they know

350

00:14:31,310 --> 00:14:30,000

when these energies happen they're very

351

00:14:33,530 --> 00:14:31,320

aware of it

352

00:14:35,930 --> 00:14:33,540

I had a teacher once that used to do

353

00:14:37,730 --> 00:14:35,940

astrology for one of the Rothschilds and

354

00:14:39,590 --> 00:14:37,740

he told me he said they do not make

355

00:14:42,290 --> 00:14:39,600

major moves unless they know the timing

356

00:14:45,410 --> 00:14:42,300

is right and I can tell you they knew

357

00:14:48,170 --> 00:14:45,420

the timing was right in 220 and then the

358

00:14:50,150 --> 00:14:48,180

winter solstice of 2020 which was right

359

00:14:52,850 --> 00:14:50,160

at the end we know what happened we saw

360

00:14:54,829 --> 00:14:52,860

the fiascos going on in the political

361

00:14:57,490 --> 00:14:54,839

scene with the elections and all the

362

00:15:00,290 --> 00:14:57,500

coercion and the tearing up of every

363

00:15:04,790 --> 00:15:00,300

executive order and then bringing in

364

00:15:07,750 --> 00:15:04,800

this whole new fascist regime that has

365

00:15:12,530 --> 00:15:07,760

been pretty much destroying the country

366

00:15:14,569 --> 00:15:12,540

so we had on the winter solstice a new

367

00:15:16,310 --> 00:15:14,579

what they call mutation conjunction

368

00:15:19,189 --> 00:15:16,320

that's a fancy word that just simply

369

00:15:21,710 --> 00:15:19,199

means a new era has started and they

370

00:15:24,110 --> 00:15:21,720

knew this and this is why we're seeing

371

00:15:25,730 --> 00:15:24,120

the smoke being blown up our rear ends

372

00:15:27,530 --> 00:15:25,740

about you know you've got to get rid of

373

00:15:30,230 --> 00:15:27,540

your gas stove and you know everything

374

00:15:32,269 --> 00:15:30,240

is destroying the planet when you look

375

00:15:34,670 --> 00:15:32,279

back through history you know the grand

376

00:15:36,530 --> 00:15:34,680

solar minimum people might be right yeah

377

00:15:38,569 --> 00:15:36,540

I think we're actually heading into a

378

00:15:41,030 --> 00:15:38,579

colder phase right now with erratic

379

00:15:43,730 --> 00:15:41,040

weather and it's largely due to the sun

380

00:15:45,710 --> 00:15:43,740

but yet we see articles every day with

381

00:15:47,930 --> 00:15:45,720

some genius with a bunch of letters

382

00:15:50,269 --> 00:15:47,940

behind their names telling us that it's

383

00:15:53,210 --> 00:15:50,279

you causing it with the farting cows and

384

00:15:55,850 --> 00:15:53,220

the SUVs and I really think they're

385

00:15:58,730 --> 00:15:55,860

utilizing this when you analyze what's

386

00:16:01,129 --> 00:15:58,740

happening to this country it's really

387

00:16:03,050 --> 00:16:01,139

kind of sad I mean they're not only

388

00:16:04,850 --> 00:16:03,060

flooding the borders with a lot of very

389

00:16:08,210 --> 00:16:04,860

questionable people and terrorists

390

00:16:10,610 --> 00:16:08,220

they're also strategically funding and

391

00:16:14,030 --> 00:16:10,620

planting people all over this country in

392

00:16:17,449 --> 00:16:14,040

places of power that are causing major

393

00:16:19,430 --> 00:16:17,459

dissension and uprooting the structures

394

00:16:21,650 --> 00:16:19,440

of this country in more ways than we'll

395

00:16:23,509 --> 00:16:21,660

ever know and then George Washington

396

00:16:25,250 --> 00:16:23,519

might have said it best he says if you

397

00:16:27,230 --> 00:16:25,260

want to really destroy a country loot

398

00:16:28,069 --> 00:16:27,240

the treasury that's exactly what they're

399

00:16:29,449 --> 00:16:28,079

doing

400

00:16:32,990 --> 00:16:29,459

and

401

00:16:35,210 --> 00:16:33,000

this fits the astrology not only of the

402

00:16:38,449 --> 00:16:35,220

times you know because people say well

403

00:16:42,170 --> 00:16:38,459

yeah but kovitz go over now see we

404

00:16:43,730 --> 00:16:42,180

entered an area of fascism combined with

405

00:16:47,210 --> 00:16:43,740

high-tech

406

00:16:50,090 --> 00:16:47,220

you could say Revolution coming in all

407

00:16:53,389 --> 00:16:50,100

in 220 so the effects of this could last

408

00:16:57,230 --> 00:16:53,399

decades it may be indelible May last

409

00:16:59,689 --> 00:16:57,240

forever so we're in a really new era and

410

00:17:03,470 --> 00:16:59,699

the other thing is the United States

411

00:17:04,909 --> 00:17:03,480

birth chart most astrologers take the

412

00:17:06,049 --> 00:17:04,919

birth of the United States from the

413

00:17:08,409 --> 00:17:06,059

signing of the Declaration of

414

00:17:12,829 --> 00:17:08,419

Independence and

415

00:17:16,669 --> 00:17:12,839

the date obviously is July 4th 1776.

416

00:17:19,250 --> 00:17:16,679

most astrologers use one time or another

417

00:17:20,750 --> 00:17:19,260

I use something called the Sibley chart

418

00:17:23,929 --> 00:17:20,760

it was

419

00:17:25,309 --> 00:17:23,939

recorded by a man named Ebenezer Sibley

420

00:17:28,250 --> 00:17:25,319

that's why we call it the Sibley chart

421

00:17:31,190 --> 00:17:28,260

he claimed that somewhere around 5 10

422

00:17:33,169 --> 00:17:31,200

p.m the boys were temping their quill

423

00:17:35,210 --> 00:17:33,179

pens into the inkwells and signing the

424

00:17:38,750 --> 00:17:35,220

Declaration that's what it comes

425

00:17:42,590 --> 00:17:38,760

so using that chart I can tell you the

426

00:17:45,470 --> 00:17:42,600

United States right now is under the

427

00:17:47,150 --> 00:17:45,480

most powerful destructive energies it

428

00:17:49,550 --> 00:17:47,160

has ever been under

429

00:17:50,750 --> 00:17:49,560

and that's called a Pluto return

430

00:17:54,650 --> 00:17:50,760

[Music]

431

00:17:56,690 --> 00:17:54,660

plus it has progression see in astrology

432

00:17:59,990 --> 00:17:56,700

or eyeballs cross it's kind of complex

433

00:18:03,770 --> 00:18:00,000

but it's all just geometric aspects in

434

00:18:06,890 --> 00:18:03,780

their are what we call progressions and

435

00:18:08,690 --> 00:18:06,900

transits right now that are stuff I've

436

00:18:10,730 --> 00:18:08,700

never seen on this country this country

437

00:18:13,909 --> 00:18:10,740

won't be here as we know it in two years

438

00:18:16,490 --> 00:18:13,919

by the end of 24 or it's going to be the

439

00:18:17,990 --> 00:18:16,500

Phoenix rising out of the ashes and it

440

00:18:21,169 --> 00:18:18,000

fits reality I mean look what's

441

00:18:23,390 --> 00:18:21,179

happening right right I heard you on

442

00:18:26,450 --> 00:18:23,400

quite frankly with uh my buddy Frank

443

00:18:29,210 --> 00:18:26,460

there talking about January 17th

444

00:18:31,370 --> 00:18:29,220

obviously we've passed that but Saturn

445

00:18:32,810 --> 00:18:31,380

was going over the U.S Moon if I

446

00:18:35,870 --> 00:18:32,820

remember correctly and that's right

447

00:18:37,970 --> 00:18:35,880

that's actually March 11th is when it

448

00:18:39,650 --> 00:18:37,980

happens in the sidereal zodiac oh okay

449

00:18:42,650 --> 00:18:39,660

well I don't remember what I might have

450

00:18:44,690 --> 00:18:42,660

was going on on January 17th but it

451
00:18:46,850 --> 00:18:44,700
seemed like there was some kind of shift

452
00:18:48,470 --> 00:18:46,860
that signified an economic slowdown and

453
00:18:50,390 --> 00:18:48,480
I was going to say that yeah it seems

454
00:18:52,549 --> 00:18:50,400
like the first month of the year has

455
00:18:54,710 --> 00:18:52,559
been about Mass layoffs across Tech

456
00:18:56,630 --> 00:18:54,720
across Banking and media companies

457
00:18:58,789 --> 00:18:56,640
sectors I don't mind seeing getting a

458
00:19:02,510 --> 00:18:58,799
little smaller but it sucks for the

459
00:19:04,070 --> 00:19:02,520
individuals involved but you did say I

460
00:19:06,650 --> 00:19:04,080
guess to broaden it out that the U.S

461
00:19:08,930 --> 00:19:06,660
Moon signifies the populace well what

462
00:19:10,730 --> 00:19:08,940
else do you see going on this year with

463
00:19:12,289 --> 00:19:10,740

the U.S Moon

464

00:19:15,049 --> 00:19:12,299

a lot

465

00:19:17,570 --> 00:19:15,059

well first off there's oh and by the way

466

00:19:19,250 --> 00:19:17,580

you're right I did say the 17th and I'll

467

00:19:21,730 --> 00:19:19,260

tell you what that is that's actually a

468

00:19:25,130 --> 00:19:21,740

positive aspect in naughty astrology

469

00:19:30,049 --> 00:19:25,140

there's things called progressions and

470

00:19:32,690 --> 00:19:30,059

we entered a 12-year progression of a

471

00:19:34,310 --> 00:19:32,700

little bit of a blessing that I don't

472

00:19:38,029 --> 00:19:34,320

think they're going to be able to

473

00:19:40,190 --> 00:19:38,039

completely take over as they were and of

474

00:19:41,810 --> 00:19:40,200

course we know the midterm elections

475

00:19:43,970 --> 00:19:41,820

anyone who doesn't think there's

476
00:19:45,470 --> 00:19:43,980
manipulation going on in these elections

477
00:19:48,650 --> 00:19:45,480
needs to

478
00:19:50,810 --> 00:19:48,660
maybe shine up their glasses because I

479
00:19:53,150 --> 00:19:50,820
don't know that we've ever had an honest

480
00:19:55,130 --> 00:19:53,160
election for a long long time

481
00:19:57,350 --> 00:19:55,140
there's a lot of coercion and

482
00:19:59,029 --> 00:19:57,360
manipulation that goes on even though

483
00:20:01,430 --> 00:19:59,039
I'll be called a conspiracy theory at

484
00:20:04,789 --> 00:20:01,440
four but the church certainly showed

485
00:20:06,830 --> 00:20:04,799
that so there was a positive and that

486
00:20:08,090 --> 00:20:06,840
actually exists for 12 years over the

487
00:20:11,870 --> 00:20:08,100
United States

488
00:20:16,190 --> 00:20:11,880

so we've got the next year just focusing

489

00:20:19,130 --> 00:20:16,200

on 2020 I really hope I'm wrong about

490

00:20:21,770 --> 00:20:19,140

what I'm going to say and that is we

491

00:20:25,850 --> 00:20:21,780

could see a lot more violence

492

00:20:28,730 --> 00:20:25,860

for instance we have Saturn commencing

493

00:20:31,730 --> 00:20:28,740

its Transit over the moon of the United

494

00:20:33,289 --> 00:20:31,740

States it's almost exact

495

00:20:38,390 --> 00:20:33,299

the first pass

496

00:20:42,890 --> 00:20:38,400

right on March 11th and that also lines

497

00:20:46,010 --> 00:20:42,900

up very closely to the completion of the

498

00:20:48,470 --> 00:20:46,020

sidereal Transit of Neptune squaring

499

00:20:50,510 --> 00:20:48,480

Mars now people listening might go okay

500

00:20:52,430 --> 00:20:50,520

great what does all that mean that's

501
00:20:55,610 --> 00:20:52,440
what I'd say and

502
00:20:57,650 --> 00:20:55,620
it's really a very

503
00:21:00,830 --> 00:20:57,660
it's a very tricky energy it's

504
00:21:02,330 --> 00:21:00,840
subterfuge it's lying it's deceit it's

505
00:21:04,970 --> 00:21:02,340
all the stuff we've been seeing and this

506
00:21:07,010 --> 00:21:04,980
has been going on really strongly for

507
00:21:10,870 --> 00:21:07,020
the last two years just to give you an

508
00:21:13,930 --> 00:21:10,880
idea in the Civil War right before it

509
00:21:18,289 --> 00:21:13,940
the civil war broke out in April of

510
00:21:20,270 --> 00:21:18,299
1861. and it basically happened right

511
00:21:22,730 --> 00:21:20,280
before that in other words the Neptune

512
00:21:24,710 --> 00:21:22,740
Square Mars happened right before the

513
00:21:26,450 --> 00:21:24,720

Civil War we've got that same energy

514

00:21:29,330 --> 00:21:26,460

again now I don't think we're going to

515

00:21:31,730 --> 00:21:29,340

see a civil war anything like that but I

516

00:21:33,529 --> 00:21:31,740

do think we're going to see a lot of

517

00:21:37,610 --> 00:21:33,539

planned unrest

518

00:21:41,390 --> 00:21:37,620

later in this year we have what we call

519

00:21:43,490 --> 00:21:41,400

a primary directed Mars conjuncting the

520

00:21:46,669 --> 00:21:43,500

moon and people may say what does that

521

00:21:49,130 --> 00:21:46,679

mean well primary directions are each

522

00:21:52,070 --> 00:21:49,140

rotation of the earth after a person's

523

00:21:54,950 --> 00:21:52,080

birth or the commencement of the forming

524

00:21:56,169 --> 00:21:54,960

of a country equals a year so the United

525

00:21:59,870 --> 00:21:56,179

States is

526
00:22:04,909 --> 00:21:59,880
246 years old and some odd months and

527
00:22:07,909 --> 00:22:04,919
you know July 4th so it is now 246 and

528
00:22:12,130 --> 00:22:07,919
about a half degrees from its birthplace

529
00:22:15,169 --> 00:22:12,140
and that puts the primary directed Mars

530
00:22:18,110 --> 00:22:15,179
going right over the top of the United

531
00:22:20,090 --> 00:22:18,120
States Moon so not only do we have

532
00:22:23,810 --> 00:22:20,100
Saturn the planet of karma transiting

533
00:22:26,090 --> 00:22:23,820
the moon we also have Mars by primary

534
00:22:29,270 --> 00:22:26,100
Direction these have never happened

535
00:22:31,010 --> 00:22:29,280
before not the primary Direction

536
00:22:35,149 --> 00:22:31,020
and I can tell you it'll never happen

537
00:22:37,430 --> 00:22:35,159
again for another 360 years so what does

538
00:22:39,770 --> 00:22:37,440

it mean well the moon in the United

539

00:22:41,870 --> 00:22:39,780

States using this birth chart is in the

540

00:22:44,870 --> 00:22:41,880

third house that's daily routines and

541

00:22:47,570 --> 00:22:44,880

activities and transits and I think

542

00:22:50,330 --> 00:22:47,580

we're going to see something that's very

543

00:22:52,490 --> 00:22:50,340

strong that affects our daily lives

544

00:22:55,250 --> 00:22:52,500

we're already hearing what they're doing

545

00:22:56,510 --> 00:22:55,260

to the petrochemical industry you know I

546

00:22:59,029 --> 00:22:56,520

call it that because I don't believe

547

00:23:03,110 --> 00:22:59,039

it's fossil fuel right Rockefeller got

548

00:23:07,250 --> 00:23:03,120

that changed back in the 1800s but we're

549

00:23:09,409 --> 00:23:07,260

seeing you know again fuel prices are

550

00:23:11,630 --> 00:23:09,419

exponentially causing every other cost

551
00:23:16,669 --> 00:23:11,640
to go up because you can't get anything

552
00:23:19,070 --> 00:23:16,679
anywhere without a truck or a train or a

553
00:23:22,789 --> 00:23:19,080
plane so when they increase all these

554
00:23:24,890 --> 00:23:22,799
costs of petrochemical products you're

555
00:23:26,330 --> 00:23:24,900
really choking off the country and then

556
00:23:28,690 --> 00:23:26,340
you've got the Fed

557
00:23:31,070 --> 00:23:28,700
on the other end of the fulcrum

558
00:23:32,750 --> 00:23:31,080
tightening up the availability of money

559
00:23:36,409 --> 00:23:32,760
now granted they're claiming they're

560
00:23:39,169 --> 00:23:36,419
doing that to you know thwart inflation

561
00:23:41,210 --> 00:23:39,179
but the quantitative easing

562
00:23:42,890 --> 00:23:41,220
might have been the better way to go not

563
00:23:45,350 --> 00:23:42,900

that I'm an economist telling anybody

564

00:23:47,990 --> 00:23:45,360

what to do but it certainly seems like a

565

00:23:50,149 --> 00:23:48,000

cocktail here where you've got the

566

00:23:54,169 --> 00:23:50,159

politicians shoveling money into the

567

00:23:57,169 --> 00:23:54,179

furnace in Foreign Wars and looting the

568

00:23:59,450 --> 00:23:57,179

treasury to save the planet which is not

569

00:24:02,630 --> 00:23:59,460

a bad thing if it's really saving it and

570

00:24:05,870 --> 00:24:02,640

then you've got this Insanity where

571

00:24:09,110 --> 00:24:05,880

they're trying to turn off all the

572

00:24:11,750 --> 00:24:09,120

available and low-cost energy now if you

573

00:24:13,909 --> 00:24:11,760

had the dilithium crystals from Star

574

00:24:18,289 --> 00:24:13,919

Trek or the free energy

575

00:24:21,289 --> 00:24:18,299

then great let's have it but solar is

576

00:24:24,830 --> 00:24:21,299

not that reliable and I know for a fact

577

00:24:28,070 --> 00:24:24,840

they had hydrogen hydrogen is used in

578

00:24:30,710 --> 00:24:28,080

military submarines all the time for an

579

00:24:32,870 --> 00:24:30,720

oxygen dissemination

580

00:24:36,110 --> 00:24:32,880

I think it was back in the late 80s

581

00:24:38,990 --> 00:24:36,120

early 90s I I rode in a truck that was

582

00:24:42,890 --> 00:24:39,000

powered by hydrogen it's very easy to do

583

00:24:45,350 --> 00:24:42,900

you simply apply a copper and a aluminum

584

00:24:47,149 --> 00:24:45,360

rod and you will get oxygen off of one

585

00:24:49,370 --> 00:24:47,159

you'll get hydrogen off the other it's

586

00:24:51,470 --> 00:24:49,380

so flammable you have to water it down

587

00:24:54,049 --> 00:24:51,480

or you'll burn up the motor

588

00:24:56,270 --> 00:24:54,059

I know the military has been using they

589

00:24:59,330 --> 00:24:56,280

call it cracked water which is hydrogen

590

00:25:01,190 --> 00:24:59,340

and they're running drones off of it and

591

00:25:03,649 --> 00:25:01,200

why they don't make this available to

592

00:25:06,409 --> 00:25:03,659

the public so you know not to sound

593

00:25:07,850 --> 00:25:06,419

conspiratorial but somebody's urinating

594

00:25:09,950 --> 00:25:07,860

down our back and telling us it's

595

00:25:12,130 --> 00:25:09,960

raining because if you're gonna choke

596

00:25:15,169 --> 00:25:12,140

off the economy without a replacement

597

00:25:18,169 --> 00:25:15,179

that's at least as good if not better

598

00:25:20,930 --> 00:25:18,179

and lower in cost then you must be

599

00:25:22,850 --> 00:25:20,940

trying to destroy the economy yeah and I

600

00:25:25,610 --> 00:25:22,860

think that's where we're going we're

601
00:25:29,029 --> 00:25:25,620
seeing the new one world order doesn't

602
00:25:31,370 --> 00:25:29,039
want borders they don't want

603
00:25:32,870 --> 00:25:31,380
this country for sure I think the one on

604
00:25:35,930 --> 00:25:32,880
the crosshairs the most is the United

605
00:25:39,769 --> 00:25:35,940
States because the Constitution stands

606
00:25:42,730 --> 00:25:39,779
directly in the way of fascism yeah it's

607
00:25:46,370 --> 00:25:42,740
specifically designed for it

608
00:25:48,230 --> 00:25:46,380
man a lot of great stuff there we could

609
00:25:51,049 --> 00:25:48,240
go many different directions but I

610
00:25:53,570 --> 00:25:51,059
wanted to make sure we had the time to

611
00:25:56,110 --> 00:25:53,580
fit in some talk about the makeup of

612
00:25:59,210 --> 00:25:56,120
reality as you see it to put astrology

613
00:26:01,850 --> 00:25:59,220

in that context on shows that have a

614

00:26:03,529 --> 00:26:01,860

visual component I've seen you show this

615

00:26:06,169 --> 00:26:03,539

slide that looks like four different

616

00:26:09,169 --> 00:26:06,179

kabbalistic trees of Life stacked on top

617

00:26:12,830 --> 00:26:09,179

of each other and a hierarchy of four

618

00:26:15,110 --> 00:26:12,840

worlds each being 49 Dimensions with 49

619

00:26:17,750 --> 00:26:15,120

sub-dimensions can you talk to us about

620

00:26:19,789 --> 00:26:17,760

that model where it comes from and why

621

00:26:22,549 --> 00:26:19,799

this seems to be the map that you

622

00:26:24,890 --> 00:26:22,559

gravitate towards as most accurate as a

623

00:26:27,110 --> 00:26:24,900

description of our reality

624

00:26:29,810 --> 00:26:27,120

well you know I'm not here to convince

625

00:26:31,070 --> 00:26:29,820

anybody that my viewpoints are the best

626

00:26:32,990 --> 00:26:31,080

or anything like that but that's

627

00:26:36,049 --> 00:26:33,000

actually not my viewpoint that actually

628

00:26:39,230 --> 00:26:36,059

comes out of a hierarchical text called

629

00:26:43,130 --> 00:26:39,240

the Sharia gilgam or Shar which is a

630

00:26:45,890 --> 00:26:43,140

Hebrew Aramaic text that is Char a or

631

00:26:47,510 --> 00:26:45,900

Char means gate or Gates and how gilgam

632

00:26:49,490 --> 00:26:47,520

is a strange word that just means

633

00:26:54,289 --> 00:26:49,500

cycling of the souls

634

00:26:58,070 --> 00:26:54,299

and you'll see the same general concepts

635

00:27:00,049 --> 00:26:58,080

in many other ancient texts not quite

636

00:27:03,049 --> 00:27:00,059

like that but similar

637

00:27:05,570 --> 00:27:03,059

the vedantic stuff is eerily parallel to

638

00:27:08,450 --> 00:27:05,580

the judeo-christian structures of

639

00:27:09,409 --> 00:27:08,460

creation and it says it in a different

640

00:27:13,970 --> 00:27:09,419

way

641

00:27:15,529 --> 00:27:13,980

so why I like that one is because in

642

00:27:17,510 --> 00:27:15,539

fact I would encourage people to go to

643

00:27:20,029 --> 00:27:17,520

my YouTube channel

644

00:27:23,690 --> 00:27:20,039

and you can see on there

645

00:27:26,390 --> 00:27:23,700

a really good video about the soul and

646

00:27:29,630 --> 00:27:26,400

it really gets into I think

647

00:27:31,850 --> 00:27:29,640

a real basic principle of how this

648

00:27:34,250 --> 00:27:31,860

structure that you're referring to works

649

00:27:36,409 --> 00:27:34,260

and no matter what your religion or

650

00:27:38,210 --> 00:27:36,419

spiritual belief is we all believe in

651
00:27:40,909 --> 00:27:38,220
some higher power God right hopefully

652
00:27:43,549 --> 00:27:40,919
unless you're a Satanist and

653
00:27:47,029 --> 00:27:43,559
beneath that they say our soul is

654
00:27:50,450 --> 00:27:47,039
created in this upper upper world called

655
00:27:53,330 --> 00:27:50,460
absolute and absolute just means we're

656
00:27:55,669 --> 00:27:53,340
the Divine emanation of souls come from

657
00:27:57,830 --> 00:27:55,679
and that's a Aramaic Hebrew word and

658
00:28:00,230 --> 00:27:57,840
they claim there's 49 Dimensions 49

659
00:28:03,950 --> 00:28:00,240
sub-dimensions in each one of these four

660
00:28:06,830 --> 00:28:03,960
worlds and prior the world's underneath

661
00:28:08,810 --> 00:28:06,840
that is where the Waters of creation and

662
00:28:13,490 --> 00:28:08,820
many worlds are believed to become more

663
00:28:15,890 --> 00:28:13,500

dense and it's the yetzeratic world is

664

00:28:17,870 --> 00:28:15,900

really where the rubber hits the road

665

00:28:20,029 --> 00:28:17,880

this is where

666

00:28:22,850 --> 00:28:20,039

you know physicists are looking at all

667

00:28:26,390 --> 00:28:22,860

the molecular creation of everything the

668

00:28:31,370 --> 00:28:26,400

amino acids the rotating galaxies the

669

00:28:34,490 --> 00:28:31,380

whole concept of physical matter and the

670

00:28:37,669 --> 00:28:34,500

yetzeratic world is where you could say

671

00:28:38,870 --> 00:28:37,679

astronomy and astrology start happening

672

00:28:41,690 --> 00:28:38,880

and

673

00:28:44,510 --> 00:28:41,700

they claim there could be 49 parallel

674

00:28:46,310 --> 00:28:44,520

universes and 49 subdimensions in each

675

00:28:48,649 --> 00:28:46,320

one I don't know about you Greg but

676
00:28:50,450 --> 00:28:48,659
that's way past my comprehension when

677
00:28:53,390 --> 00:28:50,460
you really sit and think about it yes

678
00:28:56,690 --> 00:28:53,400
and our Milky Way and our little solar

679
00:28:59,390 --> 00:28:56,700
system on the spec edge of all of it

680
00:29:01,430 --> 00:28:59,400
is really where the final worlds happen

681
00:29:04,730 --> 00:29:01,440
and that's called the astral planes

682
00:29:06,590 --> 00:29:04,740
which is the worlds of assaya but I

683
00:29:08,570 --> 00:29:06,600
think what's important about this and

684
00:29:10,789 --> 00:29:08,580
again there's 49 Dimensions 49

685
00:29:13,909 --> 00:29:10,799
sub-dimensions there and then there's

686
00:29:16,370 --> 00:29:13,919
Earth where spirit is believed to

687
00:29:19,370 --> 00:29:16,380
manifest and you know when we talk about

688
00:29:23,330 --> 00:29:19,380

all this stuff in the world where

689

00:29:25,250 --> 00:29:23,340

we see Wars and the injustices and we

690

00:29:26,210 --> 00:29:25,260

also see the Beautiful Things creation

691

00:29:28,190 --> 00:29:26,220

and

692

00:29:30,049 --> 00:29:28,200

birth of all different living things

693

00:29:32,210 --> 00:29:30,059

which is stunning

694

00:29:34,730 --> 00:29:32,220

I'm still amazed that you can throw a

695

00:29:36,950 --> 00:29:34,740

seed on the shelf and 30 years from now

696

00:29:38,269 --> 00:29:36,960

or whenever you can walk up take it out

697

00:29:40,070 --> 00:29:38,279

and throw it in the ground put some

698

00:29:42,529 --> 00:29:40,080

water on it and it'll grow

699

00:29:45,350 --> 00:29:42,539

it's astonishing I mean you look at

700

00:29:48,590 --> 00:29:45,360

children and just all the magic of

701
00:29:51,769 --> 00:29:48,600
Creation in life it's stunning and

702
00:29:54,769 --> 00:29:51,779
that's something that I think

703
00:29:58,669 --> 00:29:54,779
the lower World here on Earth always

704
00:30:00,649 --> 00:29:58,679
tries to take us away from and this text

705
00:30:01,789 --> 00:30:00,659
that I mentioned called the Shariah

706
00:30:04,070 --> 00:30:01,799
gilgam

707
00:30:07,250 --> 00:30:04,080
break something down that I think is

708
00:30:11,529 --> 00:30:07,260
very very fascinating and that is the

709
00:30:15,230 --> 00:30:11,539
structure of the human psyche the spirit

710
00:30:19,789 --> 00:30:15,240
and the upper layers of the Soul

711
00:30:22,850 --> 00:30:19,799
and that has a lot to do with this whole

712
00:30:25,389 --> 00:30:22,860
Matrix of the universes and the

713
00:30:28,010 --> 00:30:25,399

astrology because a lot of astrologers

714

00:30:30,889 --> 00:30:28,020

spend I think too much time on astrology

715

00:30:32,510 --> 00:30:30,899

and not enough on what is Astrology and

716

00:30:34,730 --> 00:30:32,520

what isn't it

717

00:30:37,730 --> 00:30:34,740

I always say forget Trinity Neo and

718

00:30:40,490 --> 00:30:37,740

Morpheus we might be looking at truly

719

00:30:43,250 --> 00:30:40,500

The Matrix of the Soul when you look at

720

00:30:47,330 --> 00:30:43,260

the heavens and the astrological

721

00:30:49,430 --> 00:30:47,340

energies that go on on this planet and

722

00:30:51,830 --> 00:30:49,440

particularly The Vedic and the Nadi

723

00:30:53,389 --> 00:30:51,840

astrology I think shed lights on that in

724

00:30:55,690 --> 00:30:53,399

a way that's

725

00:30:58,510 --> 00:30:55,700

potentially much more healthy because

726

00:31:01,130 --> 00:30:58,520

it's not saying you are your astrology

727

00:31:02,990 --> 00:31:01,140

it's actually saying the opposite that

728

00:31:06,470 --> 00:31:03,000

your astrology may be you

729

00:31:09,889 --> 00:31:06,480

and now we see where the religions may

730

00:31:11,810 --> 00:31:09,899

have fallen short and quite a bit short

731

00:31:13,010 --> 00:31:11,820

instead of us all being Sinners and

732

00:31:15,529 --> 00:31:13,020

going to hell

733

00:31:17,810 --> 00:31:15,539

there may be a lot more to life than

734

00:31:19,549 --> 00:31:17,820

they're letting us really know and not

735

00:31:21,470 --> 00:31:19,559

that they're keeping it but I think

736

00:31:24,529 --> 00:31:21,480

these doctrines were

737

00:31:26,990 --> 00:31:24,539

thrown out and politicized and all that

738

00:31:29,930 --> 00:31:27,000

over the Millennia and

739

00:31:31,269 --> 00:31:29,940

what's fascinating about where I'm going

740

00:31:34,430 --> 00:31:31,279

with all this

741

00:31:37,370 --> 00:31:34,440

is the world we're currently in because

742

00:31:40,190 --> 00:31:37,380

a lot of people have really become

743

00:31:43,070 --> 00:31:40,200

very disheartened with the world and the

744

00:31:45,169 --> 00:31:43,080

lies and the politics and all the stuff

745

00:31:47,090 --> 00:31:45,179

I went on with covid as well as if you

746

00:31:49,070 --> 00:31:47,100

go back through history nothing's new

747

00:31:50,510 --> 00:31:49,080

folks it's you know they've been pulling

748

00:31:52,430 --> 00:31:50,520

this crap forever

749

00:31:56,090 --> 00:31:52,440

it's just getting more sophisticated now

750

00:31:57,649 --> 00:31:56,100

and we're now entering into this new

751

00:32:00,769 --> 00:31:57,659

high-tech world

752

00:32:02,169 --> 00:32:00,779

where artificial intelligence genetic

753

00:32:08,330 --> 00:32:02,179

manipulation

754

00:32:11,169 --> 00:32:08,340

become much much more prevalent than I

755

00:32:14,330 --> 00:32:11,179

think ever before and

756

00:32:17,210 --> 00:32:14,340

the mechanistic society lends itself to

757

00:32:18,230 --> 00:32:17,220

us everyone's on the internet just the

758

00:32:21,409 --> 00:32:18,240

other day

759

00:32:23,510 --> 00:32:21,419

went into Whole Foods and look you could

760

00:32:25,850 --> 00:32:23,520

pay with your palm well there's digital

761

00:32:27,950 --> 00:32:25,860

currency see so

762

00:32:31,909 --> 00:32:27,960

the future is hitting us like a freight

763

00:32:35,210 --> 00:32:31,919

train and it really has started

764

00:32:37,490 --> 00:32:35,220
since 2020 and

765

00:32:39,230 --> 00:32:37,500
even though it just didn't happen then I

766

00:32:41,630 --> 00:32:39,240
mean come on we've had computers and

767

00:32:44,149 --> 00:32:41,640
high-tech genetic manipulation going on

768

00:32:46,549 --> 00:32:44,159
for many many years

769

00:32:48,830 --> 00:32:46,559
ever since World War II we've been on a

770

00:32:52,250 --> 00:32:48,840
high-tech escalation that's quite

771

00:32:54,590 --> 00:32:52,260
stunning but I think it's really

772

00:32:58,490 --> 00:32:54,600
becoming manifest now because the

773

00:32:59,930 --> 00:32:58,500
astrology opened the gate so to speak

774

00:33:01,549 --> 00:32:59,940
and

775

00:33:03,889 --> 00:33:01,559
AI

776

00:33:06,769 --> 00:33:03,899

again I'm not here promoting or demoting

777

00:33:08,330 --> 00:33:06,779

Elon Musk or anybody else but he made a

778

00:33:10,970 --> 00:33:08,340

statement that I thought was very

779

00:33:14,690 --> 00:33:10,980

accurate and that is AI is going to

780

00:33:17,990 --> 00:33:14,700

replace most of the human functionary

781

00:33:20,330 --> 00:33:18,000

jobs that require manual labor

782

00:33:22,610 --> 00:33:20,340

probably within the next 20 to 30 years

783

00:33:24,830 --> 00:33:22,620

yeah and it may come sooner in some

784

00:33:27,950 --> 00:33:24,840

areas and later in others but it's here

785

00:33:31,070 --> 00:33:27,960

and artificial intelligence is a scary

786

00:33:33,470 --> 00:33:31,080

thing because if it's used for the

787

00:33:35,870 --> 00:33:33,480

betterment to serve Humanity it's a

788

00:33:38,330 --> 00:33:35,880

wonderful thing if it's used to

789

00:33:40,669 --> 00:33:38,340

manipulate or control

790

00:33:43,430 --> 00:33:40,679

which you know we've always seen

791

00:33:45,409 --> 00:33:43,440

our learned leaders try and do that and

792

00:33:47,389 --> 00:33:45,419

launches kept in checks and balances and

793

00:33:50,090 --> 00:33:47,399

back to the Constitution I'm actually

794

00:33:52,490 --> 00:33:50,100

stunned when you read the Constitution

795

00:33:55,430 --> 00:33:52,500

it actually works even in today's

796

00:33:58,490 --> 00:33:55,440

high-tech Society mm-hmm the principles

797

00:34:00,470 --> 00:33:58,500

yeah it does it does and to go a little

798

00:34:03,049 --> 00:34:00,480

deeper on these four worlds I've also

799

00:34:05,509 --> 00:34:03,059

heard you talk about the many Legions of

800

00:34:08,149 --> 00:34:05,519

Angels in each of these worlds and I'm

801
00:34:10,070 --> 00:34:08,159
interested in that because I've also

802
00:34:12,109 --> 00:34:10,080
heard you kind of say that these

803
00:34:14,750 --> 00:34:12,119
astrological energies or these energies

804
00:34:17,690 --> 00:34:14,760
that we call astrological they could be

805
00:34:20,810 --> 00:34:17,700
considered Angelic as well as planetary

806
00:34:23,089 --> 00:34:20,820
from a certain perspective and I guess

807
00:34:25,669 --> 00:34:23,099
another thing you said last time was

808
00:34:28,190 --> 00:34:25,679
that these angels these fallen angels

809
00:34:29,869 --> 00:34:28,200
that might be imprisoned in the earth

810
00:34:31,909 --> 00:34:29,879
which we hear all the time imprisoned in

811
00:34:33,290 --> 00:34:31,919
the earth usually that's uh thought to

812
00:34:34,909 --> 00:34:33,300
be like the core of the Earth or

813
00:34:36,889 --> 00:34:34,919

something but you phrased it as if

814

00:34:39,589 --> 00:34:36,899

almost they could be imprisoned in the

815

00:34:41,510 --> 00:34:39,599

actual molecular structure of the

816

00:34:43,490 --> 00:34:41,520

physical world I think that's really

817

00:34:47,930 --> 00:34:43,500

interesting help us get a better concept

818

00:34:50,329 --> 00:34:47,940

of how these angels of the other worlds

819

00:34:52,310 --> 00:34:50,339

interact with us do they all have access

820

00:34:53,990 --> 00:34:52,320

to the physical plane or just some of

821

00:34:55,609 --> 00:34:54,000

them what are your thoughts on that

822

00:34:59,089 --> 00:34:55,619

interaction

823

00:35:00,349 --> 00:34:59,099

oh that's deep stuff you know I mean the

824

00:35:03,650 --> 00:35:00,359

hierarchical

825

00:35:06,890 --> 00:35:03,660

structure seems to work correctly they

826

00:35:08,690 --> 00:35:06,900

you know the upper worlds of absolute I

827

00:35:10,430 --> 00:35:08,700

mentioned before again watch that video

828

00:35:14,510 --> 00:35:10,440

on the soul gets into a little bit of

829

00:35:17,089 --> 00:35:14,520

this exceedingly vast topic and what I

830

00:35:19,130 --> 00:35:17,099

loved about the Sharia gilgam and some

831

00:35:23,030 --> 00:35:19,140

of the models that I'm using in that

832

00:35:25,069 --> 00:35:23,040

video is that at least allows us to wrap

833

00:35:27,530 --> 00:35:25,079

our minds around something that's so

834

00:35:30,050 --> 00:35:27,540

abstract with when you talk about angels

835

00:35:32,870 --> 00:35:30,060

you know angels and many of the

836

00:35:35,329 --> 00:35:32,880

religions will use metaphorical stories

837

00:35:37,609 --> 00:35:35,339

to explain exceedingly detailed things

838

00:35:40,730 --> 00:35:37,619

that are cryptographic in the scriptures

839

00:35:42,890 --> 00:35:40,740

we lost so much when you came out of the

840

00:35:45,410 --> 00:35:42,900

airbank in the Hebrew and the Coptic

841

00:35:47,150 --> 00:35:45,420

into the Vulgate translations because

842

00:35:49,069 --> 00:35:47,160

you can't take those Secret

843

00:35:51,589 --> 00:35:49,079

cryptographic

844

00:35:53,930 --> 00:35:51,599

codes that are embedded in the Psalms

845

00:35:56,150 --> 00:35:53,940

and in the scriptures and put it into

846

00:35:58,069 --> 00:35:56,160

Latin or English and maintain it quite

847

00:35:59,450 --> 00:35:58,079

the same way I mean you still can but

848

00:36:01,609 --> 00:35:59,460

not the same way

849

00:36:03,950 --> 00:36:01,619

I mean it's stunning the stuff that's in

850

00:36:05,930 --> 00:36:03,960

there I mean you take the Psalms there

851
00:36:08,210 --> 00:36:05,940
are certain verses you pass them through

852
00:36:10,970 --> 00:36:08,220
coded ciphers it's called Tamira and

853
00:36:13,970 --> 00:36:10,980
gamatria and uh speaker and all these

854
00:36:17,150 --> 00:36:13,980
different very complex codes

855
00:36:20,030 --> 00:36:17,160
and you'll get names of angels so we are

856
00:36:22,970 --> 00:36:20,040
clearly dealing with a matrix here and

857
00:36:25,849 --> 00:36:22,980
when you look at the upper heavens and

858
00:36:29,089 --> 00:36:25,859
upper Dimensions these angels seem to be

859
00:36:31,550 --> 00:36:29,099
very specific and very very powerful and

860
00:36:35,390 --> 00:36:31,560
as we get down into the yetzeratic world

861
00:36:38,930 --> 00:36:35,400
you get the co-mixture see many of your

862
00:36:41,510 --> 00:36:38,940
medieval and ancient societies

863
00:36:43,370 --> 00:36:41,520

particularly Egypt chaldaea and India or

864

00:36:45,710 --> 00:36:43,380

some of the ones that have their

865

00:36:47,690 --> 00:36:45,720

documents are intact to prove it though

866

00:36:49,970 --> 00:36:47,700

I think it was fairly ubiquitous a long

867

00:36:53,210 --> 00:36:49,980

time ago it sure seems to have been

868

00:36:56,450 --> 00:36:53,220

anyways the point is is that there

869

00:36:59,710 --> 00:36:56,460

appears to be a war in heaven that is

870

00:37:02,270 --> 00:36:59,720

spoke about in almost all your religions

871

00:37:05,569 --> 00:37:02,280

particularly the East and the West I'll

872

00:37:08,810 --> 00:37:05,579

say that and that the

873

00:37:10,970 --> 00:37:08,820

Spirits were cast down well in that

874

00:37:12,770 --> 00:37:10,980

model that we were looking at you're

875

00:37:14,030 --> 00:37:12,780

speaking about Greg you'll notice

876

00:37:17,089 --> 00:37:14,040

there's something referred to as the

877

00:37:20,329 --> 00:37:17,099

fourth hierarchy the fourth hierarchy

878

00:37:21,770 --> 00:37:20,339

is not just the devil you know usually

879

00:37:23,270 --> 00:37:21,780

get the guy with the suit tie and

880

00:37:25,609 --> 00:37:23,280

microphone telling us about the devil

881

00:37:28,310 --> 00:37:25,619

but it's just a little bit more than

882

00:37:30,230 --> 00:37:28,320

that you have those Force Lucifer Satan

883

00:37:31,970 --> 00:37:30,240

Belial on Leviathan beneath that you

884

00:37:34,670 --> 00:37:31,980

have eight and beneath that there is

885

00:37:38,050 --> 00:37:34,680

just a plethora of lesions

886

00:37:41,630 --> 00:37:38,060

and this is what many people would term

887

00:37:44,930 --> 00:37:41,640

the angry spirits that are evil and they

888

00:37:48,589 --> 00:37:44,940

sure seem to be and this gets into a

889

00:37:51,530 --> 00:37:48,599

whole Matrix of astrology because really

890

00:37:54,050 --> 00:37:51,540

when we look at the zodiacs you know

891

00:37:55,550 --> 00:37:54,060

astronomers will say well wait a minute

892

00:37:57,470 --> 00:37:55,560

they don't even line up with the

893

00:38:01,190 --> 00:37:57,480

constellations I don't think they were

894

00:38:02,930 --> 00:38:01,200

ever meant to and the sidereal Vedic

895

00:38:05,210 --> 00:38:02,940

astrology is a little closer but even

896

00:38:07,910 --> 00:38:05,220

then it doesn't so we clearly have

897

00:38:10,970 --> 00:38:07,920

something that's hidden that is of a

898

00:38:12,950 --> 00:38:10,980

spiritual very Dynamic nature and it

899

00:38:15,950 --> 00:38:12,960

seems to involve the good and the evil

900

00:38:17,750 --> 00:38:15,960

spirits and I think the evil spirits I

901
00:38:19,849 --> 00:38:17,760
think which you mentioned before they

902
00:38:22,130 --> 00:38:19,859
appear to be not just in the earth

903
00:38:25,870 --> 00:38:22,140
though they some might be but they

904
00:38:29,270 --> 00:38:25,880
appear to be forced to be participants

905
00:38:31,730 --> 00:38:29,280
right down to the very structures of not

906
00:38:34,609 --> 00:38:31,740
only molecular but other things we can't

907
00:38:37,069 --> 00:38:34,619
measure which is spirit and you could

908
00:38:40,130 --> 00:38:37,079
say the etheric energy is one word to

909
00:38:42,589 --> 00:38:40,140
use of the soul and the fabric of

910
00:38:46,069 --> 00:38:42,599
mysterious forces that science is just

911
00:38:49,010 --> 00:38:46,079
now beginning to acknowledge even exist

912
00:38:50,390 --> 00:38:49,020
a good friend of mine Dr Claude Swanson

913
00:38:53,390 --> 00:38:50,400

who just passed away I was hoping to

914

00:38:55,730 --> 00:38:53,400

have him on the show but he wrote some

915

00:38:58,250 --> 00:38:55,740

interesting things where he's starting

916

00:39:00,470 --> 00:38:58,260

to come up with models where hard

917

00:39:03,170 --> 00:39:00,480

science can begin to at least consider

918

00:39:06,230 --> 00:39:03,180

this stuff and the Ancients I think were

919

00:39:08,810 --> 00:39:06,240

way past where modern science and its

920

00:39:11,690 --> 00:39:08,820

kind of slow stodgy analytical you know

921

00:39:14,690 --> 00:39:11,700

put everything in a box method is not

922

00:39:17,990 --> 00:39:14,700

that that isn't good too but yeah the

923

00:39:21,710 --> 00:39:18,000

evil spirits really seem to be embedded

924

00:39:23,210 --> 00:39:21,720

here and they may be forced by the oh I

925

00:39:25,010 --> 00:39:23,220

believe they are forced by the up

926

00:39:28,190 --> 00:39:25,020

they're held in advance this is why we

927

00:39:30,410 --> 00:39:28,200

always see the wars and the good and the

928

00:39:33,349 --> 00:39:30,420

evil in all points in between

929

00:39:35,690 --> 00:39:33,359

but what's fascinating is when you get

930

00:39:38,270 --> 00:39:35,700

into the really ancient rabbinical texts

931

00:39:41,569 --> 00:39:38,280

and some of the Egyptian and Atlantic

932

00:39:43,910 --> 00:39:41,579

they all talk about how do we get out of

933

00:39:46,069 --> 00:39:43,920

the Matrix of astrology and that's the

934

00:39:49,609 --> 00:39:46,079

one I'm most interested in because

935

00:39:53,750 --> 00:39:49,619

if we can all Escape from Alcatraz and

936

00:39:56,870 --> 00:39:53,760

Rise Above This word we hear a lot

937

00:39:59,030 --> 00:39:56,880

thrown around called karma isn't that

938

00:40:02,050 --> 00:39:59,040

interesting because karma can be good or

939

00:40:07,430 --> 00:40:02,060

ill but many of the ancient

940

00:40:09,650 --> 00:40:07,440

societies said the game was to dissipate

941

00:40:11,569 --> 00:40:09,660

that lower

942

00:40:14,329 --> 00:40:11,579

there's a series of texts called the

943

00:40:17,390 --> 00:40:14,339

piranhas and it's one of many in the

944

00:40:19,730 --> 00:40:17,400

ancient vedantic texts and the Hebrew

945

00:40:23,510 --> 00:40:19,740

has them too where it's basically

946

00:40:26,630 --> 00:40:23,520

speaking that we keep incarnating here

947

00:40:30,589 --> 00:40:26,640

until the Elementals they call them

948

00:40:32,870 --> 00:40:30,599

samskaras in India bind the soul to the

949

00:40:35,450 --> 00:40:32,880

physical plane of reincarnation

950

00:40:37,790 --> 00:40:35,460

now in plain English

951
00:40:40,310 --> 00:40:37,800
there is some very fascinating stories

952
00:40:42,230 --> 00:40:40,320
about people who will die with hatred

953
00:40:44,510 --> 00:40:42,240
and anger and they will come right back

954
00:40:46,609 --> 00:40:44,520
and Replay that stuff out again and

955
00:40:49,310 --> 00:40:46,619
there even seems to be Celestial courts

956
00:40:52,069 --> 00:40:49,320
that are referred to

957
00:40:54,470 --> 00:40:52,079
specifically that have to do with

958
00:40:56,030 --> 00:40:54,480
reincarnation you know Rome through the

959
00:40:57,650 --> 00:40:56,040
doctrines of reincarnation out the

960
00:41:00,410 --> 00:40:57,660
window somewhere between the second and

961
00:41:02,270 --> 00:41:00,420
the 5th Century maybe even the first and

962
00:41:05,089 --> 00:41:02,280
it clearly was there in ancient

963
00:41:06,410 --> 00:41:05,099

Christianity and it certainly is there

964

00:41:09,470 --> 00:41:06,420

in many other

965

00:41:11,690 --> 00:41:09,480

doctrines and naughty astrology I think

966

00:41:13,010 --> 00:41:11,700

proves it you know when we were doing a

967

00:41:15,109 --> 00:41:13,020

reading with you remember we were

968

00:41:18,109 --> 00:41:15,119

talking about your dad and so many

969

00:41:22,370 --> 00:41:18,119

different things you can totally see

970

00:41:24,050 --> 00:41:22,380

the kind of patterns that that Soul has

971

00:41:25,849 --> 00:41:24,060

come in with

972

00:41:27,530 --> 00:41:25,859

when I started studying Nadia astrology

973

00:41:29,150 --> 00:41:27,540

it really helped me to understand some

974

00:41:33,589 --> 00:41:29,160

of the insane stuff that went on in my

975

00:41:35,089 --> 00:41:33,599

childhood and you become instead of so

976

00:41:37,910 --> 00:41:35,099

reactive

977

00:41:39,650 --> 00:41:37,920

it's like being in the world but not of

978

00:41:41,930 --> 00:41:39,660

it you're of it but not in it it's

979

00:41:44,270 --> 00:41:41,940

another way to say that and

980

00:41:47,870 --> 00:41:44,280

this is what I think all the religions

981

00:41:50,510 --> 00:41:47,880

have tried to do but some have done it

982

00:41:51,589 --> 00:41:50,520

well but many have it and that is you

983

00:41:54,530 --> 00:41:51,599

know you're all Sinners and you're all

984

00:41:58,069 --> 00:41:54,540

going to hell whereas if we look at it

985

00:42:01,970 --> 00:41:58,079

more from we're engaged here

986

00:42:04,010 --> 00:42:01,980

in a dissipation of etheric energy that

987

00:42:06,290 --> 00:42:04,020

the East called karma

988

00:42:08,270 --> 00:42:06,300

and you know of course the West it's all

989

00:42:09,950 --> 00:42:08,280

your sins right which you also may have

990

00:42:13,910 --> 00:42:09,960

attributes that are really good because

991

00:42:16,490 --> 00:42:13,920

the astrology literally is a matrix

992

00:42:19,130 --> 00:42:16,500

you know we look at planets as gravity

993

00:42:21,470 --> 00:42:19,140

and you know masses floating around the

994

00:42:23,810 --> 00:42:21,480

sun right and if you're a flat earther

995

00:42:25,550 --> 00:42:23,820

it's still a Celestial model so the

996

00:42:28,569 --> 00:42:25,560

bottom line is

997

00:42:33,410 --> 00:42:28,579

the Ancients said no there are angels

998

00:42:35,810 --> 00:42:33,420

intelligences Spirits in each planet and

999

00:42:37,490 --> 00:42:35,820

there's hierarchies and you know if you

1000

00:42:39,530 --> 00:42:37,500

focus your telescope you're not going to

1001
00:42:41,210 --> 00:42:39,540
see them and that's the wrong Channel

1002
00:42:42,890 --> 00:42:41,220
you can't see them just like you can't

1003
00:42:45,829 --> 00:42:42,900
see the spirits and all the other

1004
00:42:49,010 --> 00:42:45,839
mysterious forces that are going on and

1005
00:42:50,870 --> 00:42:49,020
I really believe when you look at

1006
00:42:55,250 --> 00:42:50,880
naughty astrology you're looking at that

1007
00:42:57,309 --> 00:42:55,260
Matrix and I'm actually stunned at how

1008
00:42:59,750 --> 00:42:57,319
powerful these

1009
00:43:02,569 --> 00:42:59,760
planetary switches are there are

1010
00:43:05,569 --> 00:43:02,579
literally multi-dimensional portals so

1011
00:43:10,670 --> 00:43:05,579
Earth in my opinion is a very sacred

1012
00:43:15,290 --> 00:43:10,680
very special place that Souls come to

1013
00:43:18,349 --> 00:43:15,300

experience purify Rectify and create and

1014

00:43:20,990 --> 00:43:18,359

it seems to be that complex

1015

00:43:23,089 --> 00:43:21,000

everything's going on here um I mean

1016

00:43:26,270 --> 00:43:23,099

look around us

1017

00:43:27,170 --> 00:43:26,280

yeah it's a busy place and it does seem

1018

00:43:32,450 --> 00:43:27,180

like

1019

00:43:35,210 --> 00:43:32,460

the Capstone cabal wants to keep us

1020

00:43:37,309 --> 00:43:35,220

rooted in the physical because they

1021

00:43:38,809 --> 00:43:37,319

control the physical to an extent and

1022

00:43:41,150 --> 00:43:38,819

that's why I think we've been taken into

1023

00:43:43,550 --> 00:43:41,160

this materialist world view and

1024

00:43:45,950 --> 00:43:43,560

knowledge of these other worlds has been

1025

00:43:48,470 --> 00:43:45,960

wiped away when we think of astrology we

1026

00:43:51,710 --> 00:43:48,480

tend to think of the planets because we

1027

00:43:54,230 --> 00:43:51,720

have this materialist mindset but of

1028

00:43:55,910 --> 00:43:54,240

course you know that's why the gods and

1029

00:43:58,309 --> 00:43:55,920

the planets have the same names when you

1030

00:44:01,010 --> 00:43:58,319

go back a little ways and they kind of

1031

00:44:03,710 --> 00:44:01,020

understood that these energies maybe

1032

00:44:06,470 --> 00:44:03,720

they aren't uh anthropomorphized

1033

00:44:08,990 --> 00:44:06,480

completely but they have stories and

1034

00:44:12,230 --> 00:44:09,000

personalities and many different aspects

1035

00:44:15,290 --> 00:44:12,240

to them and this is another thing so I

1036

00:44:18,950 --> 00:44:15,300

have been drifting more away from the

1037

00:44:20,750 --> 00:44:18,960

idea that modern ufology is this sci-fi

1038

00:44:23,390 --> 00:44:20,760

alien thing when really it should be

1039

00:44:25,430 --> 00:44:23,400

thought of as a relationship with forces

1040

00:44:27,309 --> 00:44:25,440

or angels from a higher plane that has

1041

00:44:30,650 --> 00:44:27,319

always kind of been

1042

00:44:32,270 --> 00:44:30,660

occasional in life and I didn't know

1043

00:44:34,910 --> 00:44:32,280

this last time we talked but you were

1044

00:44:38,270 --> 00:44:34,920

actually contracted by mufon to do some

1045

00:44:41,809 --> 00:44:38,280

work into correlation between astrology

1046

00:44:44,270 --> 00:44:41,819

and UFO experience to some degree right

1047

00:44:46,730 --> 00:44:44,280

what do you think about the idea of

1048

00:44:49,130 --> 00:44:46,740

ufology kind of getting it wrong it's

1049

00:44:51,650 --> 00:44:49,140

not about sci-fi aliens it's more about

1050

00:44:55,309 --> 00:44:51,660

this eternal presence of energies from

1051
00:44:58,609 --> 00:44:55,319
these more ethereal worlds and it may be

1052
00:45:00,829 --> 00:44:58,619
both you know it's interesting the other

1053
00:45:02,809 --> 00:45:00,839
groups that I've had a blessing to get

1054
00:45:04,430 --> 00:45:02,819
involved with and do work for was remote

1055
00:45:06,710 --> 00:45:04,440
viewing groups and some of these guys

1056
00:45:08,870 --> 00:45:06,720
are military some are ex-military it's

1057
00:45:11,230 --> 00:45:08,880
very interesting stuff because you're in

1058
00:45:14,390 --> 00:45:11,240
the same genre they're trying to find

1059
00:45:17,390 --> 00:45:14,400
energies or C into various different

1060
00:45:20,270 --> 00:45:17,400
things they call them targets and what

1061
00:45:23,030 --> 00:45:20,280
we found was the celestial influences

1062
00:45:26,809 --> 00:45:23,040
really do have a profound effect even on

1063
00:45:28,370 --> 00:45:26,819

each individual and yet I also see that

1064

00:45:31,609 --> 00:45:28,380

there's definitely extraterrestrial

1065

00:45:32,510 --> 00:45:31,619

stuff going on it always impressed me

1066

00:45:38,210 --> 00:45:32,520

that

1067

00:45:40,430 --> 00:45:38,220

to study like the Maelstrom Air Force

1068

00:45:43,130 --> 00:45:40,440

Base and various different places you

1069

00:45:45,829 --> 00:45:43,140

know and we were looking for was there

1070

00:45:48,050 --> 00:45:45,839

any possibility there was a astrological

1071

00:45:50,150 --> 00:45:48,060

connection or an astronomical connection

1072

00:45:54,230 --> 00:45:50,160

might be a more specific way to say it

1073

00:45:55,809 --> 00:45:54,240

between those events and there was it's

1074

00:45:59,390 --> 00:45:55,819

very interesting especially on

1075

00:46:01,750 --> 00:45:59,400

individuals who have said things like I

1076

00:46:04,309 --> 00:46:01,760

was abducted I had missing time Etc

1077

00:46:06,950 --> 00:46:04,319

Travis Walton and so many other famous

1078

00:46:09,349 --> 00:46:06,960

cases were really quite interesting and

1079

00:46:13,490 --> 00:46:09,359

we found the same thing in

1080

00:46:15,470 --> 00:46:13,500

the remote viewing that targets by

1081

00:46:17,870 --> 00:46:15,480

certain teams or individuals working

1082

00:46:20,510 --> 00:46:17,880

were much more accurate at certain

1083

00:46:23,150 --> 00:46:20,520

positions of the heavens and fixed stars

1084

00:46:25,309 --> 00:46:23,160

and lunar aspects you know when you look

1085

00:46:27,770 --> 00:46:25,319

at the Moon look at the enigmas

1086

00:46:31,309 --> 00:46:27,780

surrounding the Moon I mean that thing

1087

00:46:34,550 --> 00:46:31,319

is a very interesting I know myself I

1088

00:46:37,309 --> 00:46:34,560

have taken very long lenses

1089

00:46:39,230 --> 00:46:37,319

optically and looked with very high

1090

00:46:40,609 --> 00:46:39,240

quality digital cameras and there's

1091

00:46:43,550 --> 00:46:40,619

stuff coming in and out of that Moon

1092

00:46:46,190 --> 00:46:43,560

that is pretty mysterious and it ain't

1093

00:46:48,290 --> 00:46:46,200

Birds I can tell you that yes it's birds

1094

00:46:52,010 --> 00:46:48,300

of a different kind that's for sure

1095

00:46:54,650 --> 00:46:52,020

and the U.S military has documented so

1096

00:46:57,950 --> 00:46:54,660

much stuff I mean I was talking to one

1097

00:46:59,450 --> 00:46:57,960

guy who's on a team with the Marines off

1098

00:47:01,069 --> 00:46:59,460

the coast of Malibu out here in

1099

00:47:03,770 --> 00:47:01,079

California and and well you're you're

1100

00:47:06,109 --> 00:47:03,780

here too so there's this huge Cavern

1101

00:47:08,210 --> 00:47:06,119

that they've been studying vessels

1102

00:47:10,630 --> 00:47:08,220

coming in and out of there

1103

00:47:13,130 --> 00:47:10,640

and the speeds are almost immeasurable

1104

00:47:16,910 --> 00:47:13,140

so it's really it's almost like they're

1105

00:47:19,790 --> 00:47:16,920

warping time and space and now we get

1106

00:47:24,470 --> 00:47:19,800

into maybe what astrology is astrology

1107

00:47:26,750 --> 00:47:24,480

might be multi-dimensional portals and

1108

00:47:28,490 --> 00:47:26,760

you know any astrologer if you get

1109

00:47:29,510 --> 00:47:28,500

around anybody doing astrology the first

1110

00:47:31,430 --> 00:47:29,520

thing you're getting out of their mouth

1111

00:47:34,309 --> 00:47:31,440

well you've got to exalted this or

1112

00:47:37,870 --> 00:47:34,319

debilitated that in other words as

1113

00:47:41,450 --> 00:47:37,880

planets move around the Earth

1114

00:47:43,130 --> 00:47:41,460

they end up in different positions it's

1115

00:47:46,190 --> 00:47:43,140

almost like taking a stator in

1116

00:47:48,290 --> 00:47:46,200

electricity and if you move it around it

1117

00:47:50,809 --> 00:47:48,300

contacts different you could say

1118

00:47:52,870 --> 00:47:50,819

circuits it's very similar to that

1119

00:47:57,710 --> 00:47:52,880

analogy but I think much more complex

1120

00:48:01,430 --> 00:47:57,720

and every single geometric aspect plus

1121

00:48:04,730 --> 00:48:01,440

you have all these fixed stars that are

1122

00:48:08,390 --> 00:48:04,740

documented in the ancient Egyptian and

1123

00:48:11,630 --> 00:48:08,400

Greek and vedantic that's stunning I

1124

00:48:15,349 --> 00:48:11,640

mean one of the things that struck me in

1125

00:48:17,210 --> 00:48:15,359

Vedic astrology is particularly naughty

1126
00:48:19,150 --> 00:48:17,220
and for anyone listening and that's not

1127
00:48:22,790 --> 00:48:19,160
naughty that's naughty it's

1128
00:48:25,910 --> 00:48:22,800
n-a-a-d-i it's very ancient it may be

1129
00:48:28,490 --> 00:48:25,920
some of the older stuff in India and I

1130
00:48:31,730 --> 00:48:28,500
love the concept because it's really

1131
00:48:33,950 --> 00:48:31,740
looking at Spirit manifest

1132
00:48:35,809 --> 00:48:33,960
now think about that instead of you

1133
00:48:36,950 --> 00:48:35,819
being a Pisces or an Aries they're

1134
00:48:38,809 --> 00:48:36,960
saying well when did your spirit

1135
00:48:42,770 --> 00:48:38,819
manifest and then they look at the

1136
00:48:45,349 --> 00:48:42,780
astrology to see what's unfolding with

1137
00:48:47,329 --> 00:48:45,359
the Soul's path now that's a whole

1138
00:48:50,210 --> 00:48:47,339

different way of looking at astrology

1139

00:48:53,390 --> 00:48:50,220

that's more putting the emphasis on you

1140

00:48:55,790 --> 00:48:53,400

your free will and your individuality

1141

00:48:57,410 --> 00:48:55,800

and now we go back to the evil spirits

1142

00:48:59,870 --> 00:48:57,420

and the good spirits and the angels and

1143

00:49:02,050 --> 00:48:59,880

all points in between this literally

1144

00:49:05,569 --> 00:49:02,060

seems to be a matrix

1145

00:49:07,849 --> 00:49:05,579

that plays out in an interactive

1146

00:49:10,370 --> 00:49:07,859

Consciousness with this Free Will of the

1147

00:49:12,349 --> 00:49:10,380

Soul because think about that every one

1148

00:49:14,390 --> 00:49:12,359

of us has been ticked off by somebody

1149

00:49:15,589 --> 00:49:14,400

now what are you going to do get a gun

1150

00:49:17,329 --> 00:49:15,599

and shoot them or you're going to take

1151

00:49:20,030 --> 00:49:17,339

them to court or are you going to say

1152

00:49:22,190 --> 00:49:20,040

you know that was a mistake please don't

1153

00:49:24,050 --> 00:49:22,200

do it again so we have free will to do

1154

00:49:26,630 --> 00:49:24,060

any of those points and any point in

1155

00:49:28,870 --> 00:49:26,640

between you see so

1156

00:49:32,329 --> 00:49:28,880

astrology is not predicting the future

1157

00:49:37,069 --> 00:49:32,339

it's more showing maybe where the soul

1158

00:49:39,410 --> 00:49:37,079

is at this point in time in our quote

1159

00:49:41,270 --> 00:49:39,420

unquote reality and you were mentioning

1160

00:49:44,270 --> 00:49:41,280

something before I really like and that

1161

00:49:46,790 --> 00:49:44,280

model that I talk about on my video on

1162

00:49:48,410 --> 00:49:46,800

my YouTube channel about the soul and

1163

00:49:52,750 --> 00:49:48,420

that's certainly not conclusive but it

1164

00:49:56,210 --> 00:49:52,760

touches on the fact that when we're born

1165

00:49:58,730 --> 00:49:56,220

the angel ties the spirit psyche and

1166

00:50:00,650 --> 00:49:58,740

soul to the body at first breath

1167

00:50:03,530 --> 00:50:00,660

permanently it's actually attached when

1168

00:50:05,270 --> 00:50:03,540

we're conceived by silver court and then

1169

00:50:07,370 --> 00:50:05,280

whatever our gestation period is it's

1170

00:50:10,370 --> 00:50:07,380

usually about nine months we we come out

1171

00:50:13,250 --> 00:50:10,380

of mom's womb right and at that point in

1172

00:50:16,130 --> 00:50:13,260

time they say the angel attaches the

1173

00:50:19,309 --> 00:50:16,140

spirit psyche and Soul at first breath

1174

00:50:20,990 --> 00:50:19,319

breath is synonymous with Spirit try not

1175

00:50:24,290 --> 00:50:21,000

taking one for a while see how good you

1176

00:50:26,150 --> 00:50:24,300

do so you know so breath is really

1177

00:50:28,790 --> 00:50:26,160

sacred and

1178

00:50:32,270 --> 00:50:28,800

what's I think important about that is

1179

00:50:34,190 --> 00:50:32,280

they say the angel not only think about

1180

00:50:36,109 --> 00:50:34,200

when you know for any women out there

1181

00:50:38,630 --> 00:50:36,119

who've had a child that's a pretty

1182

00:50:39,829 --> 00:50:38,640

dramatic experience you know and I can

1183

00:50:42,650 --> 00:50:39,839

tell you

1184

00:50:44,750 --> 00:50:42,660

I've been to that barbecue and you know

1185

00:50:47,750 --> 00:50:44,760

you've got a child too don't you yeah I

1186

00:50:49,730 --> 00:50:47,760

do yeah it's wonderful I mean it's I was

1187

00:50:52,490 --> 00:50:49,740

in the delivery room and I had always

1188

00:50:54,589 --> 00:50:52,500

heard that legend that the soul is tied

1189

00:50:56,150 --> 00:50:54,599

to the body at first and I'll never

1190

00:50:58,730 --> 00:50:56,160

forget it

1191

00:51:00,829 --> 00:50:58,740

my son had to go C-section and my wife

1192

00:51:03,109 --> 00:51:00,839

she's shaking Camille right so from the

1193

00:51:04,849 --> 00:51:03,119

epidural and I actually got to see them

1194

00:51:07,910 --> 00:51:04,859

open her up I was looking around the

1195

00:51:09,890 --> 00:51:07,920

tent and I literally saw two lights join

1196

00:51:12,650 --> 00:51:09,900

the second he cried and I didn't expect

1197

00:51:14,390 --> 00:51:12,660

it I did not see any wings or shapes I

1198

00:51:16,730 --> 00:51:14,400

just saw illuminations that's all I

1199

00:51:19,309 --> 00:51:16,740

could see but oh my God it was so

1200

00:51:21,770 --> 00:51:19,319

profound it was like literally the hair

1201
00:51:25,010 --> 00:51:21,780
on my arms just went up and I said my

1202
00:51:27,049 --> 00:51:25,020
God the legend is true and you could

1203
00:51:28,609 --> 00:51:27,059
just feel the light in the room and

1204
00:51:30,890 --> 00:51:28,619
anybody who's been in a delivery room

1205
00:51:34,730 --> 00:51:30,900
has probably felt something like that

1206
00:51:37,490 --> 00:51:34,740
because it's quite stunning and this is

1207
00:51:39,349 --> 00:51:37,500
why the astrology of the Ancients was

1208
00:51:41,870 --> 00:51:39,359
much more correct particularly naughty

1209
00:51:44,329 --> 00:51:41,880
in that it views it I think in a more

1210
00:51:47,870 --> 00:51:44,339
correct light it's where Spirit becomes

1211
00:51:50,750 --> 00:51:47,880
manifest so the place and time you're

1212
00:51:53,750 --> 00:51:50,760
born the longitude latitude in the exact

1213
00:51:56,630 --> 00:51:53,760

second really comes into play most birth

1214

00:51:58,430 --> 00:51:56,640

charts or a birth certificates don't

1215

00:52:00,230 --> 00:51:58,440

record the times of the second I was

1216

00:52:03,589 --> 00:52:00,240

kind of rectified right right but

1217

00:52:06,049 --> 00:52:03,599

there's an angel that rules that that is

1218

00:52:09,109 --> 00:52:06,059

really stunning and

1219

00:52:13,910 --> 00:52:09,119

I find it so accurate

1220

00:52:16,730 --> 00:52:13,920

to the individual's expression of their

1221

00:52:17,990 --> 00:52:16,740

kind of inner Drive their inner

1222

00:52:20,089 --> 00:52:18,000

aspirations

1223

00:52:23,809 --> 00:52:20,099

and some of them are too nice and some

1224

00:52:25,370 --> 00:52:23,819

of them are wonderful and you get this

1225

00:52:28,609 --> 00:52:25,380

kaleidoscope

1226

00:52:31,490 --> 00:52:28,619

of reality literally yeah I tend to

1227

00:52:34,309 --> 00:52:31,500

think of astrology as not something that

1228

00:52:37,069 --> 00:52:34,319

is going to dictate your life but it is

1229

00:52:39,049 --> 00:52:37,079

your Tendencies and some people have a

1230

00:52:42,710 --> 00:52:39,059

tendency towards anger that takes them

1231

00:52:44,809 --> 00:52:42,720

years to get into check some people have

1232

00:52:47,030 --> 00:52:44,819

other Tendencies towards humor or

1233

00:52:49,370 --> 00:52:47,040

whatever your coping mechanism is take

1234

00:52:52,010 --> 00:52:49,380

your pick you know these are kind of the

1235

00:52:54,290 --> 00:52:52,020

things that I would say uh

1236

00:52:56,569 --> 00:52:54,300

you have some free will as you put it

1237

00:52:58,430 --> 00:52:56,579

within them but they're kind of like the

1238

00:53:00,230 --> 00:52:58,440

the forces that push and pull on you

1239

00:53:02,329 --> 00:53:00,240

I've heard you say astrology doesn't

1240

00:53:04,910 --> 00:53:02,339

predict the future it shows the Divine

1241

00:53:07,730 --> 00:53:04,920

forces at play in the dense lower worlds

1242

00:53:11,030 --> 00:53:07,740

of spiritual manifestation into the

1243

00:53:13,609 --> 00:53:11,040

physical plane and I like that and just

1244

00:53:15,230 --> 00:53:13,619

to get a little deeper into the the move

1245

00:53:17,329 --> 00:53:15,240

on work you did or even the remote

1246

00:53:19,670 --> 00:53:17,339

viewing work you did when you find

1247

00:53:21,890 --> 00:53:19,680

people who either have a high degree of

1248

00:53:24,890 --> 00:53:21,900

high strangeness experience or have a

1249

00:53:27,650 --> 00:53:24,900

knack for remote viewing I mean do you

1250

00:53:30,470 --> 00:53:27,660

see similarities in the charts of people

1251

00:53:32,870 --> 00:53:30,480

who have a bunch of this activity or

1252

00:53:35,270 --> 00:53:32,880

people who consider themselves Sears is

1253

00:53:36,950 --> 00:53:35,280

there a quality we can look at in a

1254

00:53:38,270 --> 00:53:36,960

chart and be like oh this is going to be

1255

00:53:41,030 --> 00:53:38,280

one of those people

1256

00:53:43,790 --> 00:53:41,040

absolutely you bet

1257

00:53:46,130 --> 00:53:43,800

it really shows up quite prevalently in

1258

00:53:48,770 --> 00:53:46,140

a number of different ways yeah they're

1259

00:53:50,750 --> 00:53:48,780

called yogas and combinations which are

1260

00:53:53,329 --> 00:53:50,760

infinite you know I mean once you get

1261

00:53:55,309 --> 00:53:53,339

past the sun sign astrology you know I

1262

00:53:58,910 --> 00:53:55,319

spend when I do readings I spend a lot

1263

00:54:00,589 --> 00:53:58,920

of time preparing because I really take

1264

00:54:02,390 --> 00:54:00,599

responsibility that's a person's life

1265

00:54:05,809 --> 00:54:02,400

and you know I'm not God and I'm never

1266

00:54:08,990 --> 00:54:05,819

gonna be but I want to be as accurate as

1267

00:54:10,270 --> 00:54:09,000

I can to understand the incredibly

1268

00:54:13,910 --> 00:54:10,280

complex

1269

00:54:16,970 --> 00:54:13,920

energies that are imbued in that Soul's

1270

00:54:19,970 --> 00:54:16,980

time of birth because it really is a

1271

00:54:22,069 --> 00:54:19,980

reflection of us in my opinion and I

1272

00:54:24,230 --> 00:54:22,079

find like people who've had paranormal

1273

00:54:26,450 --> 00:54:24,240

phenomena will tend to have it more

1274

00:54:30,829 --> 00:54:26,460

frequently During certain cycles of

1275

00:54:32,990 --> 00:54:30,839

their life like Saturn is definitely a

1276

00:54:35,450 --> 00:54:33,000

real time keeper in a person's life just

1277

00:54:36,710 --> 00:54:35,460

like we were mentioning earlier Saturn

1278

00:54:38,809 --> 00:54:36,720

is transmitting over the United States

1279

00:54:42,470 --> 00:54:38,819

Moon well that happens every 28 and a

1280

00:54:45,410 --> 00:54:42,480

half years it's referred to as sarisate

1281

00:54:47,809 --> 00:54:45,420

it's extremely powerful

1282

00:54:51,650 --> 00:54:47,819

see if you look at the glyphs of the

1283

00:54:54,230 --> 00:54:51,660

planets every icon or glyph is a

1284

00:54:57,109 --> 00:54:54,240

combination of the circle the crescent

1285

00:55:00,349 --> 00:54:57,119

and the cross well what is the circle

1286

00:55:02,690 --> 00:55:00,359

the sun if you look at the stars in the

1287

00:55:04,730 --> 00:55:02,700

heavens they may be portals to the upper

1288

00:55:07,069 --> 00:55:04,740

Dimensions hence why they're so bright

1289

00:55:09,290 --> 00:55:07,079

and many scientists are scratching their

1290

00:55:11,809 --> 00:55:09,300

heads going you know maybe it isn't a

1291

00:55:13,370 --> 00:55:11,819

nuclear fission maybe it's plasma maybe

1292

00:55:15,290 --> 00:55:13,380

it's electric there's all kinds of

1293

00:55:18,770 --> 00:55:15,300

theories floating around out there and

1294

00:55:20,750 --> 00:55:18,780

they seem to shift as time moves on but

1295

00:55:23,210 --> 00:55:20,760

I believe that they're portals to the

1296

00:55:26,030 --> 00:55:23,220

upper light and the dimensions of the

1297

00:55:29,030 --> 00:55:26,040

upper heavens and the planets seem to be

1298

00:55:31,430 --> 00:55:29,040

modulators of that so the Moon is The

1299

00:55:34,190 --> 00:55:31,440

Crucible and you could look at it like

1300

00:55:35,990 --> 00:55:34,200

this dad puts seed in Mom's womb farmer

1301
00:55:38,750 --> 00:55:36,000
puts the seed in the ground that's the

1302
00:55:40,730 --> 00:55:38,760
sun into the womb and then Spirit

1303
00:55:43,730 --> 00:55:40,740
becomes manifest

1304
00:55:45,950 --> 00:55:43,740
on the physical plane which the cross is

1305
00:55:48,770 --> 00:55:45,960
the four elements also equals Sunrise

1306
00:55:52,970 --> 00:55:48,780
noon Sunset midnight so Saturn is the

1307
00:55:56,450 --> 00:55:52,980
cross over the Crescent of the Moon and

1308
00:55:59,270 --> 00:55:56,460
it seems to show previously concretized

1309
00:56:01,190 --> 00:55:59,280
energies that now become manifest well

1310
00:56:04,970 --> 00:56:01,200
how could that happen if reincarnation

1311
00:56:07,549 --> 00:56:04,980
wasn't a possibility yeah what could be

1312
00:56:09,170 --> 00:56:07,559
previous now I'm not saying some Souls

1313
00:56:11,750 --> 00:56:09,180

don't come in here new

1314

00:56:15,290 --> 00:56:11,760

and there's yogas in the naughty

1315

00:56:17,690 --> 00:56:15,300

astrology that seem to indicate when

1316

00:56:20,750 --> 00:56:17,700

we're getting closer to that conscious

1317

00:56:23,210 --> 00:56:20,760

Escape from Alcatraz kind of energy they

1318

00:56:25,670 --> 00:56:23,220

call it muksha in the ancient fedantic

1319

00:56:27,589 --> 00:56:25,680

stuff where muksha is a term that means

1320

00:56:29,630 --> 00:56:27,599

enlightenment

1321

00:56:32,510 --> 00:56:29,640

and there are other I mean just look at

1322

00:56:34,670 --> 00:56:32,520

all the people you see some people are

1323

00:56:36,650 --> 00:56:34,680

really Advanced and kind and

1324

00:56:39,410 --> 00:56:36,660

knowledgeable and wise

1325

00:56:41,089 --> 00:56:39,420

some aren't you know some you know you

1326
00:56:43,490 --> 00:56:41,099
see them on the road they'll chase you

1327
00:56:47,150 --> 00:56:43,500
down and shoot you so we're dealing with

1328
00:56:49,849 --> 00:56:47,160
every level of Consciousness here and

1329
00:56:52,130 --> 00:56:49,859
the world I really think is a

1330
00:56:54,730 --> 00:56:52,140
so-calledron it's almost like a

1331
00:56:59,990 --> 00:56:54,740
grounding rod and where the capacitors

1332
00:57:00,950 --> 00:57:00,000
storing our individual egoic senses of

1333
00:57:03,290 --> 00:57:00,960
self

1334
00:57:06,349 --> 00:57:03,300
and that's really quite phenomenal when

1335
00:57:07,970 --> 00:57:06,359
you think about it and going back to AI

1336
00:57:09,950 --> 00:57:07,980
this is what I wanted to drive at before

1337
00:57:13,549 --> 00:57:09,960
and I failed to make the point and that

1338
00:57:17,270 --> 00:57:13,559

is the demonic spirits know full well

1339

00:57:19,549 --> 00:57:17,280

that the lower conscious mind in that

1340

00:57:22,849 --> 00:57:19,559

video I talk about something referred to

1341

00:57:24,710 --> 00:57:22,859

as the nafeesh now they talk about this

1342

00:57:27,530 --> 00:57:24,720

in other they call it the castra in

1343

00:57:29,809 --> 00:57:27,540

vedantic so it's all just a fancy bunch

1344

00:57:32,150 --> 00:57:29,819

of nomenclature once you get familiar

1345

00:57:34,849 --> 00:57:32,160

with it it's pretty simple our lower

1346

00:57:37,849 --> 00:57:34,859

conscious minds are like Silly Putty

1347

00:57:39,410 --> 00:57:37,859

when we're born they say you know we

1348

00:57:41,089 --> 00:57:39,420

can't walk we can't talk if it wasn't

1349

00:57:42,650 --> 00:57:41,099

for the parents that little being

1350

00:57:44,690 --> 00:57:42,660

wouldn't live same thing with the

1351
00:57:46,490 --> 00:57:44,700
animals just like the seed in the ground

1352
00:57:49,490 --> 00:57:46,500
if it wasn't nurtured if it gets

1353
00:57:52,970 --> 00:57:49,500
trampled it's done so that's the most

1354
00:57:56,210 --> 00:57:52,980
vulnerable face and they say our lower

1355
00:57:58,430 --> 00:57:56,220
conscious mind is forming constantly

1356
00:58:00,170 --> 00:57:58,440
throughout life and you know obviously

1357
00:58:03,470 --> 00:58:00,180
look at the changes we all go through

1358
00:58:05,990 --> 00:58:03,480
from youth until where we're at now so

1359
00:58:08,390 --> 00:58:06,000
that's called the lower nafesh or the

1360
00:58:11,030 --> 00:58:08,400
conscious mind this is where mind

1361
00:58:13,010 --> 00:58:11,040
control is very effective you know if

1362
00:58:15,470 --> 00:58:13,020
you beat someone and tell them don't do

1363
00:58:17,809 --> 00:58:15,480

that or I'll hurt you they will probably

1364

00:58:19,370 --> 00:58:17,819

stop doing it right even though it's not

1365

00:58:21,410 --> 00:58:19,380

very good thing to do

1366

00:58:23,809 --> 00:58:21,420

so it's the carrot and the stick if you

1367

00:58:25,190 --> 00:58:23,819

reward someone for doing something that

1368

00:58:27,589 --> 00:58:25,200

they're supposed to do well then

1369

00:58:30,530 --> 00:58:27,599

everybody's happy right you get pleasure

1370

00:58:33,890 --> 00:58:30,540

and reward so these carrot stick methods

1371

00:58:36,170 --> 00:58:33,900

have been used throughout history to

1372

00:58:39,430 --> 00:58:36,180

form the lower conscious mind look at

1373

00:58:42,289 --> 00:58:39,440

you know you take military the military

1374

00:58:44,390 --> 00:58:42,299

in all these different

1375

00:58:46,250 --> 00:58:44,400

civilizations back to the beginning of

1376
00:58:48,410 --> 00:58:46,260
time you know if the Pope says you go

1377
00:58:51,049 --> 00:58:48,420
take every man woman and child no

1378
00:58:52,730 --> 00:58:51,059
prisoners that's what they did because I

1379
00:58:54,349 --> 00:58:52,740
weren't told to question orders they

1380
00:58:56,210 --> 00:58:54,359
were told to follow them and we see

1381
00:58:59,270 --> 00:58:56,220
these same things today so there's

1382
00:59:02,450 --> 00:58:59,280
nothing wrong with hierarchy and people

1383
00:59:05,690 --> 00:59:02,460
having respect for structure but when

1384
00:59:08,450 --> 00:59:05,700
you look at the manipulation that can

1385
00:59:11,569 --> 00:59:08,460
happen that's where wisdom and the

1386
00:59:14,630 --> 00:59:11,579
spirit and the Soul come in where you

1387
00:59:16,910 --> 00:59:14,640
start seeing certain Souls they see past

1388
00:59:18,770 --> 00:59:16,920

the lower programming they start getting

1389

00:59:20,630 --> 00:59:18,780

what is referred to as just simply

1390

00:59:23,150 --> 00:59:20,640

wisdom and

1391

00:59:25,789 --> 00:59:23,160

this is a very interesting topic because

1392

00:59:28,309 --> 00:59:25,799

now you start getting into the rash

1393

00:59:31,190 --> 00:59:28,319

which is the spirit and the lower

1394

00:59:32,870 --> 00:59:31,200

portions of the Soul which the religions

1395

00:59:34,370 --> 00:59:32,880

have always called like your conscience

1396

00:59:36,349 --> 00:59:34,380

and all that stuff but when you look at

1397

00:59:38,510 --> 00:59:36,359

it from the standpoint we begin to

1398

00:59:41,510 --> 00:59:38,520

really maybe

1399

00:59:44,690 --> 00:59:41,520

look at our beliefs with more

1400

00:59:48,770 --> 00:59:44,700

objectivity and that is where it all

1401
00:59:51,730 --> 00:59:48,780
starts because we see the manipulation

1402
00:59:54,589 --> 00:59:51,740
that's going on even in modern society

1403
00:59:56,450 --> 00:59:54,599
and you know people's internet's being

1404
00:59:59,809 --> 00:59:56,460
turned off for their accounts being

1405
01:00:02,150 --> 00:59:59,819
stopped so this is the coercive efforts

1406
01:00:04,309 --> 01:00:02,160
that are nothing new it's just new tools

1407
01:00:06,470 --> 01:00:04,319
to do it with you know it was just like

1408
01:00:09,589 --> 01:00:06,480
if you pissed off the king he would send

1409
01:00:11,690 --> 01:00:09,599
in a brigade and in Rome they actually

1410
01:00:13,250 --> 01:00:11,700
would not only kill you they'd kill your

1411
01:00:14,990 --> 01:00:13,260
family and then they would salt the

1412
01:00:18,589 --> 01:00:15,000
ground so nothing you own would ever

1413
01:00:20,329 --> 01:00:18,599

grow food anymore I mean yeah I mean the

1414

01:00:23,930 --> 01:00:20,339

Romans were do you know the Romans used

1415

01:00:27,289 --> 01:00:23,940

to do a ritual outside of a city to

1416

01:00:28,549 --> 01:00:27,299

chase the angel of the city away so that

1417

01:00:31,190 --> 01:00:28,559

the people would not have as much

1418

01:00:34,970 --> 01:00:31,200

resolve to fight yeah I think you taught

1419

01:00:36,530 --> 01:00:34,980

me that yeah it's pretty stunning wow

1420

01:00:38,450 --> 01:00:36,540

yeah they used to have so much more

1421

01:00:40,970 --> 01:00:38,460

knowledge about this interplay but

1422

01:00:43,430 --> 01:00:40,980

between the various worlds even if they

1423

01:00:47,270 --> 01:00:43,440

had a basic concept of just a spirit

1424

01:00:49,730 --> 01:00:47,280

world and ours even that is just so much

1425

01:00:51,530 --> 01:00:49,740

more developed than our own little

1426

01:00:54,410 --> 01:00:51,540

difference there yes

1427

01:00:57,170 --> 01:00:54,420

well it seems like the road ahead is

1428

01:01:00,109 --> 01:00:57,180

going to be pretty bumpy but hopefully

1429

01:01:02,450 --> 01:01:00,119

people will uh resist some of the stuff

1430

01:01:04,430 --> 01:01:02,460

finally and wake up from the trance and

1431

01:01:06,470 --> 01:01:04,440

it seems like we have some windows of

1432

01:01:09,230 --> 01:01:06,480

opportunity to do that just as they have

1433

01:01:11,870 --> 01:01:09,240

Windows of opportunity to turn up the

1434

01:01:13,190 --> 01:01:11,880

dial on us and uh Unfortunately they

1435

01:01:14,750 --> 01:01:13,200

have a little more knowledge of these

1436

01:01:16,190 --> 01:01:14,760

Cycles than the masses but hey that's

1437

01:01:19,370 --> 01:01:16,200

what we're here to correct right that's

1438

01:01:21,049 --> 01:01:19,380

what we're trying to do so I appreciate

1439

01:01:23,089 --> 01:01:21,059

the insights it's been a pleasure

1440

01:01:26,089 --> 01:01:23,099

talking to you again you certainly know

1441

01:01:28,849 --> 01:01:26,099

a lot about the spiritual energetic and

1442

01:01:32,210 --> 01:01:28,859

political sides of things I guess we

1443

01:01:34,549 --> 01:01:32,220

have a lot to watch out for but I also

1444

01:01:36,470 --> 01:01:34,559

appreciate the uh reading you did for me

1445

01:01:38,329 --> 01:01:36,480

so if people wanted to get their own

1446

01:01:40,130 --> 01:01:38,339

reading or follow up on the things

1447

01:01:43,069 --> 01:01:40,140

you're doing where should they go

1448

01:01:46,010 --> 01:01:43,079

oh yeah go to [Jeff herman.com](http://Jeffherman.com) that's

1449

01:01:47,390 --> 01:01:46,020

always the best at jeffharma.com and

1450

01:01:48,829 --> 01:01:47,400

then also check out the YouTube channel

1451

01:01:50,870 --> 01:01:48,839

because there's a lot of cool stuff on

1452

01:01:53,049 --> 01:01:50,880

there and you know we got to realize I'm

1453

01:01:56,329 --> 01:01:53,059

very humbled because I I can tell you

1454

01:01:58,789 --> 01:01:56,339

none of us will ever figure this out and

1455

01:02:01,370 --> 01:01:58,799

the more we start from there and keep

1456

01:02:03,890 --> 01:02:01,380

the ego out of it and just be observers

1457

01:02:06,829 --> 01:02:03,900

the the better off we are because every

1458

01:02:08,750 --> 01:02:06,839

one of us are going to exit the body I

1459

01:02:11,569 --> 01:02:08,760

call it taking the pipe we're all going

1460

01:02:14,450 --> 01:02:11,579

to exit the body sooner or later and you

1461

01:02:16,970 --> 01:02:14,460

know really what's it all about you know

1462

01:02:19,069 --> 01:02:16,980

and the only thing we take with us is

1463

01:02:22,069 --> 01:02:19,079

the conscious awareness that we've

1464

01:02:24,770 --> 01:02:22,079

amassed in this Incarnation and you see

1465

01:02:26,690 --> 01:02:24,780

some people pass away not too high a

1466

01:02:28,490 --> 01:02:26,700

conscious States they're angry they're

1467

01:02:29,750 --> 01:02:28,500

bitter they're hateful

1468

01:02:33,349 --> 01:02:29,760

you know look at some of these people

1469

01:02:34,670 --> 01:02:33,359

who die in violent situations and the

1470

01:02:36,710 --> 01:02:34,680

stuff that they do you tell me there

1471

01:02:38,450 --> 01:02:36,720

isn't Karma I see it in the charts it

1472

01:02:41,089 --> 01:02:38,460

comes back and then you see other people

1473

01:02:44,690 --> 01:02:41,099

that are just the most precious Souls on

1474

01:02:47,630 --> 01:02:44,700

the planet and everybody's marching to

1475

01:02:50,510 --> 01:02:47,640

their own level of Consciousness we're

1476

01:02:53,870 --> 01:02:50,520

all like little buoys floating in this

1477

01:02:56,690 --> 01:02:53,880

ocean of conscious existence and it's

1478

01:03:00,410 --> 01:02:56,700

really an interesting interesting little

1479

01:03:03,289 --> 01:03:00,420

boat ride I'll say them indeed we all

1480

01:03:05,210 --> 01:03:03,299

got a role to play in the theater of

1481

01:03:07,069 --> 01:03:05,220

Life yeah you're gonna hit this

1482

01:03:09,349 --> 01:03:07,079

progression remember I told you you got

1483

01:03:11,210 --> 01:03:09,359

a progression coming up in just a couple

1484

01:03:12,730 --> 01:03:11,220

of years yeah I was just looking at your

1485

01:03:16,130 --> 01:03:12,740

chart just now

1486

01:03:18,950 --> 01:03:16,140

yep yep lots to consider and I remember

1487

01:03:21,530 --> 01:03:18,960

the relocation breakdown and we talked

1488

01:03:23,690 --> 01:03:21,540

about the Pacific Northwest and yeah and

1489

01:03:26,990 --> 01:03:23,700

Texas and you mentioned there is some

1490

01:03:29,030 --> 01:03:27,000

good energy in Central Florida which I

1491

01:03:31,730 --> 01:03:29,040

think is going to be the landing point

1492

01:03:33,950 --> 01:03:31,740

so hopefully I can ride that wave I

1493

01:03:35,750 --> 01:03:33,960

gotta tell you location astrology is

1494

01:03:38,450 --> 01:03:35,760

just stunning it really is I include

1495

01:03:41,630 --> 01:03:38,460

that in my personal readings and I have

1496

01:03:44,270 --> 01:03:41,640

just it's absolutely uncanny how

1497

01:03:46,069 --> 01:03:44,280

accurate it is and you have cycles that

1498

01:03:48,530 --> 01:03:46,079

come through the transits and the

1499

01:03:50,990 --> 01:03:48,540

progressions you know like you had that

1500

01:03:53,150 --> 01:03:51,000

nasty Pluto descending which you can

1501

01:03:55,190 --> 01:03:53,160

wave bye-bye now too that thing will

1502

01:03:58,130 --> 01:03:55,200

never come back here again unless you

1503

01:04:00,410 --> 01:03:58,140

live to be another 240 years old so well

1504

01:04:04,490 --> 01:04:00,420

I'm glad uh I'm glad the storm is over

1505

01:04:06,890 --> 01:04:04,500

but man awesome well Food For Thought

1506

01:04:09,289 --> 01:04:06,900

from the land of fruits and nuts thanks

1507

01:04:11,930 --> 01:04:09,299

again I appreciate everything you do and

1508

01:04:13,970 --> 01:04:11,940

take care all right my friend you bet

1509

01:04:15,910 --> 01:04:13,980

thank you so much

1510

01:04:18,710 --> 01:04:15,920

foreign

1511

01:04:21,410 --> 01:04:18,720

guys whoo man

1512

01:04:23,809 --> 01:04:21,420

I take an extended weekend off to go do

1513

01:04:26,630 --> 01:04:23,819

this gramerica event and the big machine

1514

01:04:28,250 --> 01:04:26,640

through everything at us didn't it

1515

01:04:30,289 --> 01:04:28,260

clearly at the meeting they thought

1516

01:04:33,950 --> 01:04:30,299

they'd better do an all systems go while

1517

01:04:36,410 --> 01:04:33,960

THC is not available to cover it but yes

1518

01:04:38,329 --> 01:04:36,420

of course I recorded this with Jeff just

1519

01:04:41,329 --> 01:04:38,339

before I left for that trip

1520

01:04:43,309 --> 01:04:41,339

maybe six days ago which almost sounds

1521

01:04:45,530 --> 01:04:43,319

like an eternity now

1522

01:04:47,510 --> 01:04:45,540

but I like Jeff he's got a good radio

1523

01:04:50,089 --> 01:04:47,520

voice and he's really knowledgeable

1524

01:04:52,309 --> 01:04:50,099

about the things in his wheelhouse

1525

01:04:54,170 --> 01:04:52,319

I knew it had only been about six months

1526

01:04:56,270 --> 01:04:54,180

since he was here the first time but I

1527

01:04:59,270 --> 01:04:56,280

thought if we focused on the star map

1528

01:05:00,829 --> 01:04:59,280

forecast ahead we would be keeping it

1529

01:05:02,690 --> 01:05:00,839

pretty fresh

1530

01:05:06,289 --> 01:05:02,700

but I do think we got some of the same

1531

01:05:08,870 --> 01:05:06,299

anecdotes and Segways as last time it

1532

01:05:10,309 --> 01:05:08,880

happens nobody can be expected to

1533

01:05:12,049 --> 01:05:10,319

remember what they said in every

1534

01:05:14,809 --> 01:05:12,059

previous interview

1535

01:05:16,970 --> 01:05:14,819

but I kind of felt that happening and so

1536

01:05:20,390 --> 01:05:16,980

we switched gears to the four World

1537

01:05:22,549 --> 01:05:20,400

stuff and I like that a lot too I've

1538

01:05:25,010 --> 01:05:22,559

definitely got a renewed interest in

1539

01:05:27,170 --> 01:05:25,020

models for reality that outline a

1540

01:05:29,150 --> 01:05:27,180

hierarchy of various layers of

1541

01:05:32,210 --> 01:05:29,160

increasing density

1542

01:05:33,829 --> 01:05:32,220

call it Schwab residue maybe but Jeff

1543

01:05:35,329 --> 01:05:33,839

seems to operate from a similar

1544

01:05:37,670 --> 01:05:35,339

perspective

1545

01:05:39,470 --> 01:05:37,680

this is kind of a strange personal story

1546

01:05:41,630 --> 01:05:39,480

but about a week ago I was picking up

1547

01:05:43,250 --> 01:05:41,640

some food and I was walking back to the

1548

01:05:45,410 --> 01:05:43,260

higher side mobile

1549

01:05:48,650 --> 01:05:45,420

with the big crazy wrap on it for people

1550

01:05:51,049 --> 01:05:48,660

who know and sometimes the rap prompts

1551

01:05:53,150 --> 01:05:51,059

people to start a conversation so I'm

1552

01:05:55,130 --> 01:05:53,160

strapping Theory into the car seat and a

1553

01:05:56,870 --> 01:05:55,140

guy says hey man I like the car you know

1554

01:05:59,329 --> 01:05:56,880

I've seen a UFO

1555

01:06:00,170 --> 01:05:59,339

and I say oh yeah I do hear that quite a

1556

01:06:02,329 --> 01:06:00,180

bit

1557

01:06:04,670 --> 01:06:02,339

and he says but it wasn't a UFO really

1558

01:06:07,789 --> 01:06:04,680

it was more like an angel like a real

1559

01:06:10,130 --> 01:06:07,799

Biblical Angel like ezekiel's wheel

1560

01:06:11,750 --> 01:06:10,140

and now I'm intrigued to say damn I hear

1561

01:06:12,650 --> 01:06:11,760

that more and more too what else can you

1562

01:06:14,690 --> 01:06:12,660

tell me

1563

01:06:18,349 --> 01:06:14,700

and he says well it was like a bunch of

1564

01:06:21,230 --> 01:06:18,359

spinning rings and it had four wings

1565

01:06:24,170 --> 01:06:21,240

and I say very cool did it interact with

1566

01:06:26,510 --> 01:06:24,180

you or give you some psychedelic vision

1567

01:06:29,750 --> 01:06:26,520

and he says yeah actually it told me it

1568

01:06:31,609 --> 01:06:29,760

was fixing my fourth chakra and it did I

1569

01:06:34,630 --> 01:06:31,619

had some stuff going on that it fixed

1570

01:06:37,670 --> 01:06:34,640

and then it took off into the sky just

1571

01:06:40,010 --> 01:06:37,680

and that was about it but probably my

1572

01:06:42,470 --> 01:06:40,020

favorite interaction in a while

1573

01:06:44,569 --> 01:06:42,480

and something I can fit into the four

1574

01:06:47,029 --> 01:06:44,579

worlds Model A lot easier than something

1575

01:06:49,430 --> 01:06:47,039

that came from a distant planet

1576

01:06:51,109 --> 01:06:49,440

but man it is chaos out there in the

1577

01:06:55,490 --> 01:06:51,119

world right now isn't it

1578

01:06:57,529 --> 01:06:55,500

the giant disaster in Ohio is insane

1579

01:06:58,970 --> 01:06:57,539

I mean this is the sort of thing that's

1580

01:07:02,450 --> 01:06:58,980

gonna happen when you don't let

1581

01:07:04,549 --> 01:07:02,460

underpaid and overworked workers strike

1582

01:07:07,010 --> 01:07:04,559

and you run everything on a skeleton

1583

01:07:08,390 --> 01:07:07,020

crew and neglect to do proper

1584

01:07:10,190 --> 01:07:08,400

inspections

1585

01:07:11,930 --> 01:07:10,200

that's probably why they don't want to

1586

01:07:15,109 --> 01:07:11,940

cover it because it would look really

1587

01:07:16,789 --> 01:07:15,119

bad for the Democrats who blocked that

1588

01:07:19,069 --> 01:07:16,799

strike legally

1589

01:07:20,930 --> 01:07:19,079

didn't even know you could do that

1590

01:07:23,930 --> 01:07:20,940

and it seems like all our systems are

1591

01:07:26,569 --> 01:07:23,940

just breaking down but this event also

1592

01:07:29,089 --> 01:07:26,579

seems intentional like why did the CDC

1593

01:07:31,370 --> 01:07:29,099

update the page for vinyl chloride just

1594

01:07:34,069 --> 01:07:31,380

a few days before the crash

1595

01:07:37,069 --> 01:07:34,079

why did like three other trains carrying

1596

01:07:39,289 --> 01:07:37,079

hazardous material also crash

1597

01:07:41,270 --> 01:07:39,299

why is there a new Netflix movie called

1598

01:07:43,670 --> 01:07:41,280

White Noise about a toxic train

1599

01:07:46,490 --> 01:07:43,680

derailment in Ohio

1600

01:07:48,950 --> 01:07:46,500

dicey and there's a new train derailment

1601
01:07:51,470 --> 01:07:48,960
of hazardous material in Detroit that I

1602
01:07:53,569 --> 01:07:51,480
think happened today and a five acre

1603
01:07:55,250 --> 01:07:53,579
plastic Warehouse in Kissimmee Florida

1604
01:07:57,410 --> 01:07:55,260
on fire

1605
01:08:00,230 --> 01:07:57,420
and all the media cares about is a few

1606
01:08:03,289 --> 01:08:00,240
unidentified objects that they say have

1607
01:08:05,150 --> 01:08:03,299
been shot down but they can't recover

1608
01:08:07,609 --> 01:08:05,160
it is a wild [h__\h] week crazy

1609
01:08:09,890 --> 01:08:07,619
earthquake in Turkey too

1610
01:08:12,049 --> 01:08:09,900
where I also read that apparently many

1611
01:08:15,109 --> 01:08:12,059
in the club officials had advanced

1612
01:08:17,150 --> 01:08:15,119
warning to evacuate so they say

1613
01:08:18,590 --> 01:08:17,160

I always throw these caveats out there

1614

01:08:20,150 --> 01:08:18,600

because I just don't really trust

1615

01:08:23,030 --> 01:08:20,160

anything

1616

01:08:25,249 --> 01:08:23,040

but Ohio is such important farmland and

1617

01:08:27,950 --> 01:08:25,259

the river there is Tainted now all the

1618

01:08:29,570 --> 01:08:27,960

way down to Tennessee they're saying

1619

01:08:31,910 --> 01:08:29,580

if we were under attack with

1620

01:08:33,050 --> 01:08:31,920

unconventional warfare would we even

1621

01:08:35,269 --> 01:08:33,060

know

1622

01:08:37,789 --> 01:08:35,279

it does feel like some of this is a big

1623

01:08:39,769 --> 01:08:37,799

enough deal that the objects much like

1624

01:08:41,090 --> 01:08:39,779

the balloon could just be distraction

1625

01:08:43,309 --> 01:08:41,100

stories

1626

01:08:45,349 --> 01:08:43,319

I'm still interested it's possible for

1627

01:08:47,329 --> 01:08:45,359

two things to be going on at once

1628

01:08:49,370 --> 01:08:47,339

but I'm really worried about the Fallout

1629

01:08:52,729 --> 01:08:49,380

from these industrial disasters more

1630

01:08:55,249 --> 01:08:52,739

than I am the objects apparently Senator

1631

01:08:56,749 --> 01:08:55,259

John Kennedy got a briefing of some kind

1632

01:08:58,789 --> 01:08:56,759

and then came out and said Americans

1633

01:08:59,990 --> 01:08:58,799

better lock their doors tonight are you

1634

01:09:02,209 --> 01:09:00,000

kidding me

1635

01:09:03,769 --> 01:09:02,219

the story for decades has been that we

1636

01:09:05,450 --> 01:09:03,779

can't tell people about the strange

1637

01:09:07,970 --> 01:09:05,460

stuff flying around in the sky because

1638

01:09:10,130 --> 01:09:07,980

it might cause a panic and then you say

1639

01:09:12,950 --> 01:09:10,140

something ominous like that

1640

01:09:15,050 --> 01:09:12,960

clearly they want us to be afraid

1641

01:09:17,329 --> 01:09:15,060

but that aside the Mount Shasta event

1642

01:09:18,769 --> 01:09:17,339

was a lot of fun I got to hang out and

1643

01:09:21,709 --> 01:09:18,779

light up with a lot of really cool

1644

01:09:23,809 --> 01:09:21,719

people we did a podcaster panel q a one

1645

01:09:25,070 --> 01:09:23,819

night which will go up to Plus members

1646

01:09:27,349 --> 01:09:25,080

eventually

1647

01:09:29,329 --> 01:09:27,359

we did a little hiking but the road we

1648

01:09:31,849 --> 01:09:29,339

really wanted to go up was closed and

1649

01:09:33,650 --> 01:09:31,859

then our Trek to fairy Falls was impeded

1650

01:09:35,570 --> 01:09:33,660

by some Rushing Water

1651
01:09:38,030 --> 01:09:35,580
and it was cold and when you got close

1652
01:09:40,729 --> 01:09:38,040
to 40 people you can't really press on

1653
01:09:43,130 --> 01:09:40,739
if everyone isn't willing to do so

1654
01:09:44,329 --> 01:09:43,140
but I still enjoyed a nice hike in the

1655
01:09:46,249 --> 01:09:44,339
fresh air

1656
01:09:49,189 --> 01:09:46,259
and there was a lot of fun to be had at

1657
01:09:51,650 --> 01:09:49,199
the cabin we did some breath work and I

1658
01:09:55,070 --> 01:09:51,660
definitely got to a lightheaded Spacey

1659
01:09:57,050 --> 01:09:55,080
Place Brandon Powell is a great coach

1660
01:09:59,750 --> 01:09:57,060
but it was a lot of hanging at the cabin

1661
01:10:01,070 --> 01:09:59,760
again transporting 40 people isn't the

1662
01:10:03,530 --> 01:10:01,080
easiest thing

1663
01:10:06,470 --> 01:10:03,540

but I loved it the cabin was really

1664

01:10:07,850 --> 01:10:06,480

awesome and cheers to all the guys I met

1665

01:10:09,770 --> 01:10:07,860

out there

1666

01:10:11,630 --> 01:10:09,780

and I'm actually quite pressed for time

1667

01:10:13,310 --> 01:10:11,640

because when I was in the mountains we

1668

01:10:15,530 --> 01:10:13,320

actually put an offer on a house in

1669

01:10:17,810 --> 01:10:15,540

Florida and it was accepted

1670

01:10:19,790 --> 01:10:17,820

so I'm getting on a plane in just a

1671

01:10:22,550 --> 01:10:19,800

couple of hours so I can be present for

1672

01:10:24,649 --> 01:10:22,560

the inspection at least and as long as

1673

01:10:30,229 --> 01:10:24,659

nothing crazy comes out of that we will

1674

01:10:32,990 --> 01:10:30,239

be one step closer to the big move yes

1675

01:10:35,510 --> 01:10:33,000

but with all this craziness going on and

1676

01:10:38,149 --> 01:10:35,520

me being already absent for almost a

1677

01:10:40,070 --> 01:10:38,159

week I wanted to scramble this thing

1678

01:10:42,169 --> 01:10:40,080

together and get it out to you quickly

1679

01:10:43,490 --> 01:10:42,179

so the Gap didn't have to be larger than

1680

01:10:45,470 --> 01:10:43,500

necessary

1681

01:10:47,870 --> 01:10:45,480

I'm trying here you know

1682

01:10:49,430 --> 01:10:47,880

I also got the first round of outlines

1683

01:10:51,649 --> 01:10:49,440

sent out

1684

01:10:53,810 --> 01:10:51,659

and thanks to everyone who picked up one

1685

01:10:56,990 --> 01:10:53,820

or two or three

1686

01:10:59,630 --> 01:10:57,000

there's a new round of show outlines up

1687

01:11:01,669 --> 01:10:59,640

there now so if you're hoping for a

1688

01:11:03,709 --> 01:11:01,679

specific one take another look and keep

1689

01:11:06,470 --> 01:11:03,719

your eyes peeled because

1690

01:11:08,630 --> 01:11:06,480

more will be going up every five days or

1691

01:11:10,729 --> 01:11:08,640

so whenever I can

1692

01:11:13,490 --> 01:11:10,739

but before we go we gotta mention meetup

1693

01:11:16,130 --> 01:11:13,500

events and here are the next few

1694

01:11:17,810 --> 01:11:16,140

today actually February 16th it looks

1695

01:11:19,370 --> 01:11:17,820

like the Los Angeles truthers are

1696

01:11:21,050 --> 01:11:19,380

getting together again at the flame

1697

01:11:24,290 --> 01:11:21,060

international restaurant

1698

01:11:28,669 --> 01:11:24,300

tomorrow February 17th since spiricy

1699

01:11:31,370 --> 01:11:28,679

monthly 2 in Blue Ash Ohio man

1700

01:11:33,950 --> 01:11:31,380

I hope you guys are all right but it'd

1701

01:11:36,950 --> 01:11:33,960

probably be nice to uh talk about what's

1702

01:11:40,550 --> 01:11:36,960

going on with other Ohioans

1703

01:11:43,729 --> 01:11:40,560

February 18th we got one in London

1704

01:11:46,370 --> 01:11:43,739

also February 18th we got one in

1705

01:11:49,370 --> 01:11:46,380

Harrisburg Oregon

1706

01:11:50,870 --> 01:11:49,380

and February 26th Asheville North

1707

01:11:52,970 --> 01:11:50,880

Carolina

1708

01:11:55,610 --> 01:11:52,980

looks like a couple more got added but

1709

01:11:57,290 --> 01:11:55,620

that will fill out the calendar for the

1710

01:11:59,810 --> 01:11:57,300

month of February

1711

01:12:01,729 --> 01:11:59,820

and there you have it fun show today I

1712

01:12:03,470 --> 01:12:01,739

thank Jeff for his time and his talent

1713

01:12:05,510 --> 01:12:03,480

if you liked the first hour the second

1714

01:12:08,750 --> 01:12:05,520

hour got into

1715

01:12:11,270 --> 01:12:08,760

the soul cycle trap hypothesis cymatics

1716

01:12:12,709 --> 01:12:11,280

frequency vibration and tartarian

1717

01:12:14,930 --> 01:12:12,719

architecture

1718

01:12:17,570 --> 01:12:14,940

Jeff's take on the most prolific healer

1719

01:12:19,970 --> 01:12:17,580

of the last century strangeness on

1720

01:12:22,850 --> 01:12:19,980

Jeff's grandmother's property the

1721

01:12:25,910 --> 01:12:22,860

Demonic suppression of Life Old World

1722

01:12:28,669 --> 01:12:25,920

Tech and etheric energy the question of

1723

01:12:31,130 --> 01:12:28,679

if there's some window in the Stars

1724

01:12:32,570 --> 01:12:31,140

that just might help end Humanity's

1725

01:12:34,550 --> 01:12:32,580

trance

1726

01:12:36,110 --> 01:12:34,560

we also talked about insights from the

1727

01:12:39,530 --> 01:12:36,120

charts of the

1728

01:12:42,169 --> 01:12:39,540

CCP and the Russian Empire and Jeff talk

1729

01:12:45,050 --> 01:12:42,179

to us about eclipses Omens and the road

1730

01:12:47,330 --> 01:12:45,060

ahead so no shortage of stuff

1731

01:12:49,250 --> 01:12:47,340

sign up for THC plus and start getting

1732

01:12:51,169 --> 01:12:49,260

the full show with a free seven-day

1733

01:12:53,209 --> 01:12:51,179

trial to kick it off

1734

01:12:56,270 --> 01:12:53,219

of course if you want a personal reading

1735

01:12:58,070 --> 01:12:56,280

go to Jeff he is very thorough and I

1736

01:13:00,050 --> 01:12:58,080

enjoyed mine quite a bit

1737

01:13:02,030 --> 01:13:00,060

big thanks to you for listening I'm

1738

01:13:04,669 --> 01:13:02,040

getting out of here your move astral

1739

01:13:07,130 --> 01:13:04,679

energies reality map readers and angels

1740

01:13:10,460 --> 01:13:07,140

of the four worlds

1741

01:13:33,410 --> 01:13:10,470

your [h__h] mood

1742

01:13:37,370 --> 01:13:33,420

[Music]

1743

01:13:37,380 --> 01:13:41,830

died

1744

01:13:41,840 --> 01:13:47,500

I can't stand

1745

01:13:52,550 --> 01:13:50,760

[Music]

1746

01:14:04,530 --> 01:13:52,560

[Applause]

1747

01:14:13,370 --> 01:14:09,770

[Music]

1748

01:14:19,350 --> 01:14:13,860

foreign

1749

01:14:46,400 --> 01:14:43,910

[Music]

1750

01:14:59,290 --> 01:14:46,410

your mind

1751

01:15:23,870 --> 01:15:10,420

[Music]

1752

01:16:00,850 --> 01:15:24,960

foreign

1753

01:16:13,110 --> 01:16:00,860

[Music]
