1
00:00:08,450 --> 00:00:06,170
all right people I'm gonna make this

2
00:00:11,209 --> 00:00:08,460
quick but for the next six weeks or so

3
00:00:14,209 --> 00:00:11,219
starting February 1st I'm putting all my

4
00:00:15,770 --> 00:00:14,219
show outlines up for auction I've

5
00:00:18,050 --> 00:00:15,780
mentioned before that I have a very

6
00:00:20,570 --> 00:00:18,060
strict routine for preparing for and

7
00:00:24,109 --> 00:00:20,580
recording THC episodes and part of that

8
00:00:26,689 --> 00:00:24,119
process 95 of the time going back many

9
00:00:28,849 --> 00:00:26,699
years has been waking up early on the

10
00:00:31,490 --> 00:00:28,859
days I record and compiling my notes

11
00:00:33,650 --> 00:00:31,500
into a roughly four to six page outline

12
00:00:36,410 --> 00:00:33,660
that I print out and conduct the

13
00:00:38,750 --> 00:00:36,420

interviews from as a template I write in

14

00:00:40,790 --> 00:00:38,760

the margins I cross stuff out as we go

15

00:00:43,190 --> 00:00:40,800

along I jot things down I don't want to

16

00:00:45,350 --> 00:00:43,200

forget and I usually have a good deal of

17

00:00:48,170 --> 00:00:45,360

material in these outlines that never

18

00:00:50,029 --> 00:00:48,180

even makes it to air when a show is done

19

00:00:52,430 --> 00:00:50,039

I put a little staple up in the corner

20

00:00:54,350 --> 00:00:52,440

and throw them in a filing cabinet well

21

00:00:56,450 --> 00:00:54,360

it's no secret I'm trying to move and

22

00:00:58,549 --> 00:00:56,460

what better time to try to collect a

23

00:01:01,490 --> 00:00:58,559

little extra cash and offload a box of

24

00:01:04,130 --> 00:01:01,500

stuff I've been storing but I don't need

25

00:01:06,230 --> 00:01:04,140

so I'm signing listing and auctioning

26

00:01:08,149 --> 00:01:06,240

off all the outlines I have to any

27

00:01:10,730 --> 00:01:08,159

listeners who might be interested in

28

00:01:12,830 --> 00:01:10,740

that kind of thing each one is totally

29

00:01:14,929 --> 00:01:12,840

unique with its own markings coffee

30

00:01:17,090 --> 00:01:14,939

stains beer spills printing

31

00:01:19,429 --> 00:01:17,100

imperfections typos and maybe even

32

00:01:21,109 --> 00:01:19,439

Doodles in some cases that we're never

33

00:01:24,230 --> 00:01:21,119

really supposed to be seen by anyone

34

00:01:26,210 --> 00:01:24,240

else but I guess that's no big deal I

35

00:01:28,190 --> 00:01:26,220

know I've personally bought signed

36

00:01:30,590 --> 00:01:28,200

scripts before and some of my most

37

00:01:33,469 --> 00:01:30,600

prized possessions are banned set lists

38

00:01:35,690 --> 00:01:33,479

I nabbed at the end of concerts so maybe

39

00:01:38,390 --> 00:01:35,700

this is something like that for podcasts

40

00:01:42,370 --> 00:01:38,400

if you're into it they will be listed at

41

00:01:46,310 --> 00:01:42,380

ebay.com yeah I know ebay.com

42

00:01:48,350 --> 00:01:46,320

USR slash Higher Side chats the link is

43

00:01:49,990 --> 00:01:48,360

at the top of the show notes as well but

44

00:01:53,810 --> 00:01:50,000

it's ebay.com

45

00:01:55,670 --> 00:01:53,820

USR slash Higher Side chats and of

46

00:01:58,010 --> 00:01:55,680

course I'll post the links across all

47

00:02:00,649 --> 00:01:58,020

the social media dystopias I have an

48

00:02:02,810 --> 00:02:00,659

unfortunate presence in again the first

49

00:02:06,109 --> 00:02:02,820

batch of outlines will go up February

50

00:02:08,749 --> 00:02:06,119

1st and be listed for 10 days and I'm

51
00:02:11,630 --> 00:02:08,759
gonna continue to put up new batches as

52
00:02:13,250 --> 00:02:11,640
time permits when and where I can and I

53
00:02:15,890 --> 00:02:13,260
hope to have the whole thing completed

54
00:02:17,449 --> 00:02:15,900
in about six to eight weeks or so I

55
00:02:19,130 --> 00:02:17,459
guess I'm just out when I'm out but if

56
00:02:21,410 --> 00:02:19,140
there's a specific one you might want

57
00:02:23,570 --> 00:02:21,420
keep dipping in to see what's been added

58
00:02:25,670 --> 00:02:23,580
there's a good chance I haven't gotten

59
00:02:27,530 --> 00:02:25,680
it listed yet and a real chance I don't

60
00:02:30,350 --> 00:02:27,540
even have it for one reason or another

61
00:02:32,449 --> 00:02:30,360
but I do have most so just keep an eye

62
00:02:34,430 --> 00:02:32,459
out thanks in advance to anyone who

63
00:02:36,470 --> 00:02:34,440

picks up a little piece of THC history

64

00:02:39,229 --> 00:02:36,480

and contributes to the carlwood family

65

00:02:41,150 --> 00:02:39,239

moving fund alright and that said in

66

00:02:44,809 --> 00:02:41,160

more ways than one let's get this show

67

00:02:52,860 --> 00:02:44,819

on the road enjoy

68

00:02:57,410 --> 00:02:54,430

[Music]

69

00:03:00,110 --> 00:02:57,420

something there beyond the realm of man

70

00:03:01,630 --> 00:03:00,120

and until you've thoroughly tested every

71

00:03:04,670 --> 00:03:01,640

last closed

72

00:03:07,369 --> 00:03:04,680

I find the more you think you know the

73

00:03:11,590 --> 00:03:07,379

less you really do that's true doctor

74

00:03:11,600 --> 00:03:28,550

[Music]

75

00:03:32,449 --> 00:03:30,350

Serenity Now good people of the internet

76
00:03:35,509 --> 00:03:32,459
doing what we do from Sunny San Diego

77
00:03:37,070 --> 00:03:35,519
I'm Greg Carlwood and one only has to

78
00:03:39,170 --> 00:03:37,080
look at the major events of our

79
00:03:41,149 --> 00:03:39,180
lifetimes to see how the Puppet Masters

80
00:03:43,430 --> 00:03:41,159
of the power pyramid work to dominate

81
00:03:46,030 --> 00:03:43,440
something and firmly nail down their

82
00:03:48,890 --> 00:03:46,040
narrative over any and all other angles

83
00:03:51,170 --> 00:03:48,900
oftentimes even in bold defiance of the

84
00:03:53,630 --> 00:03:51,180
actual evidence itself pain no never

85
00:03:56,089 --> 00:03:53,640
mind even to eyewitnesses contradicting

86
00:03:58,250 --> 00:03:56,099
the tales they tell because they control

87
00:04:00,350 --> 00:03:58,260
the official information streams and can

88
00:04:03,229 --> 00:04:00,360

rubber stamp any version of events they

89
00:04:05,509 --> 00:04:03,239
deem advantageous and the loudest voices

90
00:04:07,250 --> 00:04:05,519
shout over the soundest ones and in

91
00:04:09,289 --> 00:04:07,260
their infinite patience the nefarious

92
00:04:11,330 --> 00:04:09,299
fused versions of events slowly and

93
00:04:14,089 --> 00:04:11,340
methodically become the only versions of

94
00:04:16,310 --> 00:04:14,099
events like a conspiratorial python

95
00:04:18,289 --> 00:04:16,320
calmly wrapping itself around the truth

96
00:04:20,150 --> 00:04:18,299
and squeezing the life out of any aspect

97
00:04:22,670 --> 00:04:20,160
not in alignment with the pre-approved

98
00:04:24,830 --> 00:04:22,680
story until it's gone and when you

99
00:04:26,810 --> 00:04:24,840
Marvel at their effectiveness over a

100
00:04:28,790 --> 00:04:26,820
single event or even a single field of

101
00:04:30,650 --> 00:04:28,800
study you wonder how many times times

102
00:04:32,210 --> 00:04:30,660
they've done it and for how long has

103
00:04:34,969 --> 00:04:32,220
this been the process of creating

104
00:04:36,890 --> 00:04:34,979
official reality well we know power and

105
00:04:39,350 --> 00:04:36,900
media have been consolidating for

106
00:04:41,570 --> 00:04:39,360
decades and education has been dialing

107
00:04:43,969 --> 00:04:41,580
up indoctrination incrementally as well

108
00:04:45,950 --> 00:04:43,979
so it seems as if they've only gotten

109
00:04:48,110 --> 00:04:45,960
better at it and to truly wipe the

110
00:04:50,450 --> 00:04:48,120
mental slate clean and observe reality

111
00:04:52,730 --> 00:04:50,460
in the human timeline with new eyes is

112
00:04:54,650 --> 00:04:52,740
no easy thing but if you're familiar

113
00:04:56,570 --> 00:04:54,660

with the work of today's guest analog

114

00:04:58,490 --> 00:04:56,580

then you know there are a few tricks to

115

00:05:00,590 --> 00:04:58,500

revive what's been lost and one of them

116

00:05:02,990 --> 00:05:00,600

is keyword searching your way through

117

00:05:04,909 --> 00:05:03,000

the digitized newspaper article archives

118

00:05:07,850 --> 00:05:04,919

by putting in provocative words and

119

00:05:10,129 --> 00:05:07,860

phrases from underground city and buried

120

00:05:12,710 --> 00:05:10,139

ruins to giant skeleton and pygmy people

121

00:05:15,170 --> 00:05:12,720

because you will find stories from the

122

00:05:17,390 --> 00:05:15,180

18 and early 1900s where people were

123

00:05:19,189 --> 00:05:17,400

finding things all over America that

124

00:05:21,650 --> 00:05:19,199

seem impossible within the Paradigm

125

00:05:23,150 --> 00:05:21,660

we've been coerced into today you can

126

00:05:25,430 --> 00:05:23,160

follow what he does on his Twitter

127

00:05:27,110 --> 00:05:25,440

account waking up with analog and you

128

00:05:29,629 --> 00:05:27,120

can find him doing plenty of interviews

129

00:05:32,150 --> 00:05:29,639

and presentations across other podcasts

130

00:05:34,310 --> 00:05:32,160

and YouTube channels he was the co-host

131

00:05:36,710 --> 00:05:34,320

of the radio tartery show until it was

132

00:05:38,270 --> 00:05:36,720

banned from YouTube but I am happy to

133

00:05:40,909 --> 00:05:38,280

have him here to break it all down for

134

00:05:42,469 --> 00:05:40,919

us today I hope your seat backs and tray

135

00:05:44,029 --> 00:05:42,479

tables are in the upright locked

136

00:05:46,370 --> 00:05:44,039

position because we are going on a hell

137

00:05:49,070 --> 00:05:46,380

of a ride the news article archive

138

00:05:51,650 --> 00:05:49,080

archaeologist historical hole filler and

139

00:05:53,810 --> 00:05:51,660

mysterious event exposure analog my man

140

00:05:55,490 --> 00:05:53,820

welcome to THC

141

00:05:57,590 --> 00:05:55,500

great to be here Greg thanks for the

142

00:05:59,390 --> 00:05:57,600

great intro yeah it's an honor and a

143

00:06:01,790 --> 00:05:59,400

pleasure man I love that you have made

144

00:06:03,890 --> 00:06:01,800

this your thing as soon as I saw the

145

00:06:05,810 --> 00:06:03,900

first post I knew exactly what you were

146

00:06:08,510 --> 00:06:05,820

doing because I too have done keyword

147

00:06:11,029 --> 00:06:08,520

searches in these old American newspaper

148

00:06:13,070 --> 00:06:11,039

archives and you find incredible things

149

00:06:15,290 --> 00:06:13,080

and to see someone really promoting this

150

00:06:17,150 --> 00:06:15,300

and making it their focus and doing a

151

00:06:19,670 --> 00:06:17,160

much deeper dive than I ever did is

152

00:06:21,350 --> 00:06:19,680

amazing I know I've mentioned this

153

00:06:24,170 --> 00:06:21,360

method of research before on the show

154

00:06:26,749 --> 00:06:24,180

but probably only a time or two here or

155

00:06:28,790 --> 00:06:26,759

there over the years so just to get

156

00:06:29,990 --> 00:06:28,800

people oriented with where this

157

00:06:32,570 --> 00:06:30,000

information we're going to be talking

158

00:06:35,629 --> 00:06:32,580

about comes from give us a little more

159

00:06:37,790 --> 00:06:35,639

context for what it is you do and where

160

00:06:40,550 --> 00:06:37,800

you tend to get such amazing material

161

00:06:41,689 --> 00:06:40,560

from as well as how you got started on

162

00:06:44,510 --> 00:06:41,699

this track

163

00:06:45,409 --> 00:06:44,520

well it all started like 10 years ago or

164

00:06:47,330 --> 00:06:45,419

so

165

00:06:49,249 --> 00:06:47,340

when I was young

166

00:06:53,090 --> 00:06:49,259

I found a bomb

167

00:06:55,370 --> 00:06:53,100

next to my middle school okay and

168

00:06:57,170 --> 00:06:55,380

you know the police came and the bomb

169

00:06:59,210 --> 00:06:57,180

squad came and they blew up the bomb and

170

00:07:00,890 --> 00:06:59,220

I was interviewed by the news and it was

171

00:07:02,510 --> 00:07:00,900

in the newspaper and

172

00:07:04,969 --> 00:07:02,520

several years after the fact I was

173

00:07:06,590 --> 00:07:04,979

telling a story and you know my friends

174

00:07:08,990 --> 00:07:06,600

didn't believe me

175

00:07:11,090 --> 00:07:09,000

and my mom no longer had the clipping

176

00:07:13,129 --> 00:07:11,100

from the original and I started to have

177

00:07:14,330 --> 00:07:13,139

to go looking through an archive State

178

00:07:17,510 --> 00:07:14,340

archive

179

00:07:19,490 --> 00:07:17,520

and through that whole process I found

180

00:07:20,689 --> 00:07:19,500

several other students that had been

181

00:07:21,589 --> 00:07:20,699

through similar and I just thought it

182

00:07:23,150 --> 00:07:21,599

was

183

00:07:25,129 --> 00:07:23,160

so interesting

184

00:07:27,589 --> 00:07:25,139

and I had always been fascinated with

185

00:07:29,629 --> 00:07:27,599

the ability you know this was you know

186

00:07:31,189 --> 00:07:29,639

the very early stages of newspapers

187

00:07:34,070 --> 00:07:31,199

being digitized

188

00:07:37,610 --> 00:07:34,080

but that event always stuck with me

189

00:07:39,350 --> 00:07:37,620

and then in 2007 I had a

190

00:07:40,550 --> 00:07:39,360

near-death experience I had a motorcycle

191

00:07:44,029 --> 00:07:40,560

accident

192

00:07:45,230 --> 00:07:44,039

and had a out of body experience at the

193

00:07:47,089 --> 00:07:45,240

same time

194

00:07:51,170 --> 00:07:47,099

and

195

00:07:53,210 --> 00:07:51,180

during that time I became very obsessed

196

00:07:55,790 --> 00:07:53,220

with trying to understand what I had

197

00:07:57,170 --> 00:07:55,800

experienced and I didn't even tell

198

00:07:59,809 --> 00:07:57,180

anybody about it really because it just

199

00:08:02,629 --> 00:07:59,819

seemed sort of dreamlike and

200

00:08:03,710 --> 00:08:02,639

and I came across a book called proof of

201
00:08:05,510 --> 00:08:03,720
heaven

202
00:08:09,890 --> 00:08:05,520
and

203
00:08:13,490 --> 00:08:09,900
have been obsessed with

204
00:08:15,170 --> 00:08:13,500
reading and alternative views to not

205
00:08:17,170 --> 00:08:15,180
only this experience as humans but

206
00:08:20,390 --> 00:08:17,180
history

207
00:08:22,129 --> 00:08:20,400
revisionists Health all those subjects

208
00:08:25,490 --> 00:08:22,139
and the newspapers have

209
00:08:28,070 --> 00:08:25,500
become an amazing medium for me

210
00:08:29,689 --> 00:08:28,080
and I've been doing this for so long but

211
00:08:32,810 --> 00:08:29,699
I've only in the last maybe two or three

212
00:08:33,529 --> 00:08:32,820
years started sharing it with the public

213
00:08:36,649 --> 00:08:33,539

um

214

00:08:39,110 --> 00:08:36,659

well that's kind of a story that rhymes

215

00:08:43,250 --> 00:08:39,120

with other stories that life is just so

216

00:08:45,829 --> 00:08:43,260

busy and we get in these routines that

217

00:08:48,470 --> 00:08:45,839

we just don't even look beyond the

218

00:08:51,590 --> 00:08:48,480

surface of anything and then some event

219

00:08:55,130 --> 00:08:51,600

happens where it actually grants you the

220

00:08:56,570 --> 00:08:55,140

gift of time in a weird way and then you

221

00:08:58,250 --> 00:08:56,580

do some digging that you wouldn't have

222

00:09:00,710 --> 00:08:58,260

had time for otherwise and you find

223

00:09:03,110 --> 00:09:00,720

incredible things I think that's uh you

224

00:09:05,570 --> 00:09:03,120

know obviously it's a unique situation

225

00:09:09,650 --> 00:09:05,580

that a lot of people don't have but when

226

00:09:12,410 --> 00:09:09,660

it comes to these newspapers my take is

227

00:09:15,170 --> 00:09:12,420

that people were at the time kind of

228

00:09:18,470 --> 00:09:15,180

already all right with mystery and

229

00:09:20,449 --> 00:09:18,480

wonder in the 1800s or so and I don't

230

00:09:22,490 --> 00:09:20,459

think newspapers were nearly as tightly

231

00:09:25,190 --> 00:09:22,500

controlled but of course they were

232

00:09:28,070 --> 00:09:25,200

eventually bought up Consolidated and

233

00:09:29,930 --> 00:09:28,080

nobody would have known about any of

234

00:09:32,269 --> 00:09:29,940

this until these archives popped up

235

00:09:34,430 --> 00:09:32,279

another good example is the old cartoons

236

00:09:36,350 --> 00:09:34,440

of the Rockefellers and raw Rothschilds

237

00:09:39,290 --> 00:09:36,360

having huge tentacles weaving through

238

00:09:41,210 --> 00:09:39,300

every sector there was a time when stuff

239

00:09:43,430 --> 00:09:41,220

like that would get printed and then

240

00:09:45,949 --> 00:09:43,440

they bought those Publications but what

241

00:09:47,329 --> 00:09:45,959

is your take on the suppression of all

242

00:09:50,030 --> 00:09:47,339

the stuff we're going to talk about and

243

00:09:52,250 --> 00:09:50,040

the process of wiping it all away when

244

00:09:54,530 --> 00:09:52,260

people were actually talking about it

245

00:09:55,430 --> 00:09:54,540

pretty damn openly for quite a while

246

00:09:56,630 --> 00:09:55,440

there

247

00:09:59,030 --> 00:09:56,640

yeah

248

00:10:02,150 --> 00:09:59,040

the consolidation really starts to rear

249

00:10:04,070 --> 00:10:02,160

its head around World War One

250

00:10:05,930 --> 00:10:04,080

and you can still

251
00:10:07,190 --> 00:10:05,940
in the context of the types of things

252
00:10:08,990 --> 00:10:07,200
that I like to share with the public

253
00:10:10,670 --> 00:10:09,000
hidden archeology

254
00:10:13,610 --> 00:10:10,680
medicine

255
00:10:15,650 --> 00:10:13,620
yeah it really gets

256
00:10:17,630 --> 00:10:15,660
wipe from The Narrative or at least from

257
00:10:18,650 --> 00:10:17,640
the public view starting in about the

258
00:10:21,350 --> 00:10:18,660
20s

259
00:10:23,810 --> 00:10:21,360
the archeology stuff the Smithsonian

260
00:10:25,190 --> 00:10:23,820
really got a grasp on it a little bit

261
00:10:28,250 --> 00:10:25,200
earlier than that

262
00:10:30,530 --> 00:10:28,260
and it's few and far between after even

263
00:10:32,750 --> 00:10:30,540

the early 1900s to find good

264

00:10:35,030 --> 00:10:32,760

archaeological

265

00:10:36,170 --> 00:10:35,040

proofs or people talking openly at least

266

00:10:38,690 --> 00:10:36,180

about them

267

00:10:40,610 --> 00:10:38,700

medicine really starts to get cleared up

268

00:10:42,410 --> 00:10:40,620

and wiped

269

00:10:44,509 --> 00:10:42,420

again right around World War II a little

270

00:10:46,610 --> 00:10:44,519

earlier than that the 20s

271

00:10:48,949 --> 00:10:46,620

and yeah um people were openly talking

272

00:10:50,930 --> 00:10:48,959

about as you just discussed Margaret

273

00:10:52,550 --> 00:10:50,940

just mentioned the Rockefellers

274

00:10:54,050 --> 00:10:52,560

and yeah funny you mentioned that

275

00:10:54,949 --> 00:10:54,060

because there is an article that sticks

276

00:10:57,530 --> 00:10:54,959

out in my head where they were

277

00:10:59,210 --> 00:10:57,540

describing him as a you know kind of an

278

00:11:01,490 --> 00:10:59,220

octopus essentially and his tentacles

279

00:11:02,750 --> 00:11:01,500

stretching into everything from you know

280

00:11:04,250 --> 00:11:02,760

they were talking about it from a

281

00:11:05,870 --> 00:11:04,260

perspective of not only finance and

282

00:11:08,269 --> 00:11:05,880

business but then they were talking

283

00:11:09,829 --> 00:11:08,279

about it from the newspaper and

284

00:11:11,509 --> 00:11:09,839

information

285

00:11:13,430 --> 00:11:11,519

you know him gripping that narrative as

286

00:11:14,810 --> 00:11:13,440

well because yeah the consolidation of

287

00:11:15,829 --> 00:11:14,820

the newspaper starts around that same

288

00:11:18,290 --> 00:11:15,839

time

289

00:11:19,970 --> 00:11:18,300

and the Smithsonian and an equal share

290

00:11:21,470 --> 00:11:19,980

in that as well

291

00:11:23,930 --> 00:11:21,480

um

292

00:11:25,790 --> 00:11:23,940

man so there's a lot of stuff we want to

293

00:11:28,490 --> 00:11:25,800

try to fit in but I had mentioned

294

00:11:32,210 --> 00:11:28,500

wanting to hear about the best stuff you

295

00:11:34,370 --> 00:11:32,220

found from articles about caves and the

296

00:11:37,130 --> 00:11:34,380

underground and there's no shortage of

297

00:11:39,110 --> 00:11:37,140

that stuff any person who even just

298

00:11:41,750 --> 00:11:39,120

gives a cursory glance to your Twitter

299

00:11:43,850 --> 00:11:41,760

feed will see all kinds of things but

300

00:11:45,290 --> 00:11:43,860

what would you consider a couple of your

301
00:11:46,430 --> 00:11:45,300
favorites how would you get us started

302
00:11:49,430 --> 00:11:46,440
here

303
00:11:51,650 --> 00:11:49,440
yeah so I picked a few based off of that

304
00:11:53,630 --> 00:11:51,660
mentioning there and

305
00:11:55,550 --> 00:11:53,640
yeah would you like me to read the

306
00:11:58,009 --> 00:11:55,560
articles or I can just give a synopsis

307
00:12:00,769 --> 00:11:58,019
whatever you think would be pertinent to

308
00:12:03,350 --> 00:12:00,779
the time we have I'd say just go ahead

309
00:12:04,550 --> 00:12:03,360
and read them as they're written of

310
00:12:06,290 --> 00:12:04,560
course you can paraphrase when

311
00:12:08,150 --> 00:12:06,300
appropriate but that way people who are

312
00:12:10,130 --> 00:12:08,160
listening get a sense of exactly how

313
00:12:12,829 --> 00:12:10,140

these stories are presented in old

314

00:12:16,490 --> 00:12:12,839

newspapers okay yeah so I'm just going

315

00:12:17,810 --> 00:12:16,500

to start in with I picked a cave and it

316

00:12:19,550 --> 00:12:17,820

kind of covers the gamut a little bit

317

00:12:21,769 --> 00:12:19,560

and then yeah so I'll just jump right in

318

00:12:24,230 --> 00:12:21,779

this is called the headline is mastodons

319

00:12:26,569 --> 00:12:24,240

in Nebraska this is from a paper from

320

00:12:28,250 --> 00:12:26,579

Georgia 1894.

321

00:12:30,410 --> 00:12:28,260

now I'm just going to start reading from

322

00:12:32,990 --> 00:12:30,420

here a cave containing prehistoric

323

00:12:35,150 --> 00:12:33,000

remains discovered near kedron

324

00:12:37,970 --> 00:12:35,160

bones of animals 10 times as big as

325

00:12:39,829 --> 00:12:37,980

jumbo and of birds that would make the

326

00:12:42,050 --> 00:12:39,839

American Eagle appear like a swallow in

327

00:12:44,629 --> 00:12:42,060

comparison found in a cave a few miles

328

00:12:47,329 --> 00:12:44,639

out of Chadron evidently the tomb of

329

00:12:50,150 --> 00:12:47,339

prehistoric animals who sought therein

330

00:12:53,509 --> 00:12:50,160

Refuge from the flood

331

00:12:55,190 --> 00:12:53,519

adron Nebraska August 13th much

332

00:12:57,230 --> 00:12:55,200

excitement has been created by the

333

00:12:59,030 --> 00:12:57,240

discovery of a great cave about 10 miles

334

00:13:00,290 --> 00:12:59,040

from the city of what is called the

335

00:13:02,449 --> 00:13:00,300

Badlands

336

00:13:04,610 --> 00:13:02,459

this cave contains prehistoric remains

337

00:13:05,569 --> 00:13:04,620

of petrofactons the most valuable ever

338

00:13:08,329 --> 00:13:05,579

found

339

00:13:11,449 --> 00:13:08,339

which go to establish the fact that

340

00:13:15,470 --> 00:13:11,459

giant men and animals lived upon this

341

00:13:18,290 --> 00:13:15,480

continent before the all deluging flood

342

00:13:19,670 --> 00:13:18,300

engulfed it and swept them out of

343

00:13:21,889 --> 00:13:19,680

existence

344

00:13:25,250 --> 00:13:21,899

the discoverer of the cave is Professor

345

00:13:26,629 --> 00:13:25,260

W Don fritzenholtz who is traveling

346

00:13:28,310 --> 00:13:26,639

through the United States in the

347

00:13:29,870 --> 00:13:28,320

interest of a European Institute of

348

00:13:33,110 --> 00:13:29,880

zoology

349

00:13:34,670 --> 00:13:33,120

when seen by your correspondent

350

00:13:37,370 --> 00:13:34,680

was

351
00:13:39,170 --> 00:13:37,380
about giving any information relative to

352
00:13:41,509 --> 00:13:39,180
his wonderful Discovery it was learned

353
00:13:43,610 --> 00:13:41,519
that he consulted some of the legal

354
00:13:47,030 --> 00:13:43,620
fraternity of the city in regard to the

355
00:13:48,170 --> 00:13:47,040
proper procedure to acquire title so

356
00:13:49,490 --> 00:13:48,180
that's pretty interesting there you know

357
00:13:53,090 --> 00:13:49,500
he's talking about a fraternity giving

358
00:13:55,190 --> 00:13:53,100
him the ability to explore the land so

359
00:13:56,150 --> 00:13:55,200
yeah but yeah I am going to just kind of

360
00:13:57,470 --> 00:13:56,160
skip ahead a little bit just because

361
00:14:00,050 --> 00:13:57,480
it's a long article just to get into

362
00:14:01,910 --> 00:14:00,060
some of the what we're after but sure so

363
00:14:03,530 --> 00:14:01,920

basically this guy he goes on to say he

364

00:14:05,810 --> 00:14:03,540

refuses to say why he wanted to become

365

00:14:07,490 --> 00:14:05,820

the owner of this Cavern it was learned

366

00:14:09,530 --> 00:14:07,500

from the other sources that it contained

367

00:14:11,870 --> 00:14:09,540

many Zoological specimens thereof

368

00:14:13,850 --> 00:14:11,880

unknown to the Zoological world as well

369

00:14:15,889 --> 00:14:13,860

as a skeleton and a petrofaction of a

370

00:14:18,110 --> 00:14:15,899

prehistoric man which are considered

371

00:14:20,210 --> 00:14:18,120

very valuable and they are the first of

372

00:14:23,329 --> 00:14:20,220

their kind ever found

373

00:14:25,610 --> 00:14:23,339

every known specimen of extinct animals

374

00:14:27,710 --> 00:14:25,620

are to be found in the cave and several

375

00:14:29,329 --> 00:14:27,720

that were never heard of before

376

00:14:31,430 --> 00:14:29,339

the skeleton of one of these

377

00:14:33,230 --> 00:14:31,440

awe-inspiring to look upon whatever

378

00:14:34,970 --> 00:14:33,240

period in the world's history this

379

00:14:37,310 --> 00:14:34,980

monster roamed the Earth it is safe to

380

00:14:39,949 --> 00:14:37,320

say that mankind did not and that the

381

00:14:42,889 --> 00:14:39,959

most of the animals that now exist were

382

00:14:44,629 --> 00:14:42,899

unknown at that time the skeleton of the

383

00:14:47,689 --> 00:14:44,639

monster would indicate that it resembled

384

00:14:50,629 --> 00:14:47,699

very closely the elephant only it must

385

00:14:53,030 --> 00:14:50,639

have been 10 times as large to give an

386

00:14:54,670 --> 00:14:53,040

idea of its size it is only necessary to

387

00:14:58,610 --> 00:14:54,680

give the dimensions of some of the bones

388

00:15:00,769 --> 00:14:58,620

one of the ribs measured 24 feet 9

389

00:15:02,389 --> 00:15:00,779

inches in length and the others are in

390

00:15:04,490 --> 00:15:02,399

proportion to this

391

00:15:05,389 --> 00:15:04,500

another skeleton resembles that of a

392

00:15:07,069 --> 00:15:05,399

horse

393

00:15:08,210 --> 00:15:07,079

and from its size it would seem

394

00:15:10,490 --> 00:15:08,220

impossible

395

00:15:12,290 --> 00:15:10,500

that it could live if constituted in a

396

00:15:14,870 --> 00:15:12,300

present horse's art and it is evident

397

00:15:17,389 --> 00:15:14,880

that it would be of no use to the man at

398

00:15:20,150 --> 00:15:17,399

present it would be necessary to use a

399

00:15:22,370 --> 00:15:20,160

ladder to harness or get on its back

400

00:15:24,170 --> 00:15:22,380

and if there was a tariff on Lumber it

401
00:15:26,150 --> 00:15:24,180
would be utterly out of the question to

402
00:15:28,910 --> 00:15:26,160
provide stabling for it

403
00:15:30,410 --> 00:15:28,920
there are also many specimens of birds

404
00:15:33,050 --> 00:15:30,420
to be found in the cave

405
00:15:34,610 --> 00:15:33,060
but they are five or six times larger

406
00:15:37,370 --> 00:15:34,620
than the ostrich

407
00:15:39,650 --> 00:15:37,380
the bones of the wing Just One Wing

408
00:15:42,350 --> 00:15:39,660
would indicate their width including the

409
00:15:44,750 --> 00:15:42,360
feathers to be 23 feet

410
00:15:46,850 --> 00:15:44,760
so about 50 foot wingspan

411
00:15:49,310 --> 00:15:46,860
there are also a number of extinct

412
00:15:52,250 --> 00:15:49,320
species of reptiles and fishes

413
00:15:53,810 --> 00:15:52,260

which are so large that is impossible to

414

00:15:54,829 --> 00:15:53,820

conceive how they would be able to move

415

00:15:57,410 --> 00:15:54,839

about

416

00:15:59,150 --> 00:15:57,420

the most interesting Discovery is that

417

00:16:02,030 --> 00:15:59,160

of the skeleton of a man

418

00:16:04,550 --> 00:16:02,040

and as it is said finding these

419

00:16:06,290 --> 00:16:04,560

skeletons with the bones of animals that

420

00:16:08,810 --> 00:16:06,300

undoubtedly have become extinct for

421

00:16:10,430 --> 00:16:08,820

thousands of years leads many to believe

422

00:16:11,810 --> 00:16:10,440

that they must be skeletons of

423

00:16:14,269 --> 00:16:11,820

prehistoric man

424

00:16:17,329 --> 00:16:14,279

these skeletons resemble those of the

425

00:16:20,569 --> 00:16:17,339

present man very much and none but an an

426

00:16:23,150 --> 00:16:20,579

expert eye could detect the difference

427

00:16:25,389 --> 00:16:23,160

one is that before the country was

428

00:16:27,530 --> 00:16:25,399

inundated by the ocean all these animals

429

00:16:29,269 --> 00:16:27,540

congregated in the cave to protect

430

00:16:30,710 --> 00:16:29,279

themselves from the water and were

431

00:16:33,470 --> 00:16:30,720

drowned

432

00:16:36,290 --> 00:16:33,480

the cave being in close proximity to a

433

00:16:38,509 --> 00:16:36,300

natural wall it is supposed by many that

434

00:16:41,030 --> 00:16:38,519

they belong to the race that inhabited

435

00:16:43,249 --> 00:16:41,040

this land at the time when these walls

436

00:16:45,710 --> 00:16:43,259

were built

437

00:16:47,930 --> 00:16:45,720

so built walls constructed walls from

438

00:16:49,850 --> 00:16:47,940

the structure of the walls it is

439

00:16:52,610 --> 00:16:49,860

supposed that they were made to enclose

440

00:16:55,189 --> 00:16:52,620

large tracts of land and that they were

441

00:16:58,610 --> 00:16:55,199

used by the inhabitants at that time as

442

00:17:00,110 --> 00:16:58,620

a place of Refuge from the enemy in the

443

00:17:02,870 --> 00:17:00,120

time of danger

444

00:17:05,929 --> 00:17:02,880

this wall no doubt formally surrounded

445

00:17:08,030 --> 00:17:05,939

an ancient city that has become engulfed

446

00:17:11,329 --> 00:17:08,040

through volcanic eruption or was

447

00:17:13,370 --> 00:17:11,339

inundated by the ocean

448

00:17:15,650 --> 00:17:13,380

some things go to show that it was

449

00:17:18,409 --> 00:17:15,660

engulfed by an ocean as there are to be

450

00:17:20,750 --> 00:17:18,419

found in the vicinity of the walls huge

451

00:17:23,270 --> 00:17:20,760

turtles which measure nine feet and

452

00:17:26,270 --> 00:17:23,280

eight inches across tending to show that

453

00:17:29,630 --> 00:17:26,280

this country must have been deluged at

454

00:17:32,210 --> 00:17:29,640

or after the time these ocean these once

455

00:17:33,970 --> 00:17:32,220

beautiful ruins were destroyed

456

00:17:36,650 --> 00:17:33,980

here was

457

00:17:38,330 --> 00:17:36,660

found a short time ago embedded among

458

00:17:40,250 --> 00:17:38,340

the remains of these extinct animals and

459

00:17:43,730 --> 00:17:40,260

reptiles a beautiful and perfect

460

00:17:44,690 --> 00:17:43,740

petrified man that was exhibited in the

461

00:17:47,090 --> 00:17:44,700

east

462

00:17:49,190 --> 00:17:47,100

and which scientific men were unable to

463

00:17:50,990 --> 00:17:49,200

say as to what period in the world's

464

00:17:53,150 --> 00:17:51,000

history the man existed

465

00:17:56,570 --> 00:17:53,160

there are also to be found huge

466

00:17:59,510 --> 00:17:56,580

petrified logs piled up in great masses

467

00:18:02,270 --> 00:17:59,520

some of them at least 35 feet in

468

00:18:03,830 --> 00:18:02,280

circumference and as solid as a rock

469

00:18:06,409 --> 00:18:03,840

this will indicate that the destruction

470

00:18:09,590 --> 00:18:06,419

was wrought by water

471

00:18:12,169 --> 00:18:09,600

it was learned today from Chief Yelawolf

472

00:18:15,289 --> 00:18:12,179

of the saiyu tribe that these Discovery

473

00:18:16,970 --> 00:18:15,299

had been made and known to them long ago

474

00:18:18,890 --> 00:18:16,980

and that when they would die they would

475

00:18:21,049 --> 00:18:18,900

go to the happy hunting grounds that

476

00:18:24,350 --> 00:18:21,059

they believe that this will be the land

477

00:18:26,090 --> 00:18:24,360

to which their spirits will return and

478

00:18:28,130 --> 00:18:26,100

the game will be provided for them in

479

00:18:30,470 --> 00:18:28,140

abundance and similar to the species

480

00:18:32,330 --> 00:18:30,480

found in the wonderful cave

481

00:18:34,549 --> 00:18:32,340

but that they were afraid to tell the

482

00:18:36,470 --> 00:18:34,559

whites as they feared that they would

483

00:18:38,270 --> 00:18:36,480

destroy the cave and then their

484

00:18:40,549 --> 00:18:38,280

ancestors would never have the pleasure

485

00:18:42,650 --> 00:18:40,559

of examining the skeletons of the kinds

486

00:18:45,409 --> 00:18:42,660

of game provided for them by the great

487

00:18:49,310 --> 00:18:45,419

father when he called them to his happy

488

00:18:55,130 --> 00:18:52,430

damn man there's so much there that is

489

00:18:58,190 --> 00:18:55,140

really interesting and obviously the

490

00:19:00,590 --> 00:18:58,200

overarching theme seems to be that this

491

00:19:02,930 --> 00:19:00,600

story supports the

492

00:19:04,970 --> 00:19:02,940

kind of biblical flood thing the

493

00:19:07,669 --> 00:19:04,980

Nephilim like this kind of story it

494

00:19:10,310 --> 00:19:07,679

seems to be more and more valid as we

495

00:19:12,529 --> 00:19:10,320

unpack more and more things the the more

496

00:19:16,310 --> 00:19:12,539

guests I talk to the more I find people

497

00:19:18,529 --> 00:19:16,320

kind of gravitating to that sort of

498

00:19:21,770 --> 00:19:18,539

Paradigm in the past fallen angels and

499

00:19:23,870 --> 00:19:21,780

all that and just to not pick it apart

500

00:19:26,990 --> 00:19:23,880

too much and move on to like other ones

501
00:19:28,730 --> 00:19:27,000
even the first one you had sent me is

502
00:19:32,450 --> 00:19:28,740
pretty wild just to read the parts you

503
00:19:34,730 --> 00:19:32,460
highlighted astounding discoveries 1869

504
00:19:37,850 --> 00:19:34,740
prehistoric remains dating back to the

505
00:19:40,310 --> 00:19:37,860
founding of the Assyrian Empire 44

506
00:19:42,890 --> 00:19:40,320
centuries before Christ while carrying

507
00:19:45,650 --> 00:19:42,900
out the gigantic undertaking of Bridging

508
00:19:48,409 --> 00:19:45,660
the Mississippi remains dating back to

509
00:19:50,950 --> 00:19:48,419
the founding of the Assyrian Empire were

510
00:19:53,810 --> 00:19:50,960
found at this point the Wonders begin

511
00:19:55,970 --> 00:19:53,820
Builders also found a tunnel under the

512
00:19:58,909 --> 00:19:55,980
Mississippi all the way to the Illinois

513
00:20:01,870 --> 00:19:58,919

Shore opening into an unknown

514

00:20:04,850 --> 00:20:01,880

Subterranean Passage systematically

515

00:20:07,610 --> 00:20:04,860

arched cutting through solid rock with

516

00:20:09,669 --> 00:20:07,620

substantial masonry the bottom worn by

517

00:20:12,650 --> 00:20:09,679

Carriage wheels of some sort

518

00:20:15,470 --> 00:20:12,660

subscriptions in uniform runic

519

00:20:20,270 --> 00:20:15,480

characters between the niches draped

520

00:20:22,250 --> 00:20:20,280

obsidian or Egyptian heads passages on

521

00:20:24,409 --> 00:20:22,260

the North side extend the great Mound

522

00:20:27,350 --> 00:20:24,419

now being removed by the Missouri

523

00:20:30,049 --> 00:20:27,360

railroad Monks Mound an enormous chain

524

00:20:32,330 --> 00:20:30,059

of Mounds from River to Bluffs spanning

525

00:20:35,450 --> 00:20:32,340

nine miles the tunnel under the river

526

00:20:37,490 --> 00:20:35,460

and mounds are connected the opening in

527

00:20:41,510 --> 00:20:37,500

the Mounds connects to a Subterranean

528

00:20:43,549 --> 00:20:41,520

Highway explorers came to a flight of 41

529

00:20:46,850 --> 00:20:43,559

steps and then another chamber of

530

00:20:50,810 --> 00:20:46,860

Wonders the walls sculptured in Boss

531

00:20:52,909 --> 00:20:50,820

reliefs and runic inscriptions like this

532

00:20:55,430 --> 00:20:52,919

is amazing man I've found articles about

533

00:20:57,470 --> 00:20:55,440

finding giant skeletons but this isn't

534

00:20:59,270 --> 00:20:57,480

just some bones this sounds like

535

00:21:01,070 --> 00:20:59,280

something that would be under the Giza

536

00:21:02,510 --> 00:21:01,080

Plateau but it's under the Mississippi

537

00:21:05,210 --> 00:21:02,520

River

538

00:21:07,789 --> 00:21:05,220

yeah that's one of my favorites and

539

00:21:09,650 --> 00:21:07,799

thank you for reading that yeah

540

00:21:11,210 --> 00:21:09,660

so yeah there's so much to pick we could

541

00:21:13,370 --> 00:21:11,220

just spend this entire episode talking

542

00:21:14,930 --> 00:21:13,380

about that article yeah but what I've

543

00:21:17,870 --> 00:21:14,940

been postulating in the past and I've

544

00:21:20,810 --> 00:21:17,880

said on some other shows is that

545

00:21:22,970 --> 00:21:20,820

the Mounds summer burial mounds some

546

00:21:25,010 --> 00:21:22,980

were not most of them pyramidal the big

547

00:21:26,270 --> 00:21:25,020

ones and that they were all connected to

548

00:21:28,669 --> 00:21:26,280

an underground

549

00:21:29,930 --> 00:21:28,679

Subterranean highway so as that article

550

00:21:32,450 --> 00:21:29,940

said

551
00:21:35,029 --> 00:21:32,460
the highway connected the mounts and

552
00:21:37,370 --> 00:21:35,039
monk Mound is an incredible Mound

553
00:21:39,169 --> 00:21:37,380
so

554
00:21:41,750 --> 00:21:39,179
star Fords

555
00:21:43,909 --> 00:21:41,760
pyramids Mounds

556
00:21:46,430 --> 00:21:43,919
all in my opinion are access to some

557
00:21:48,110 --> 00:21:46,440
Subterranean world

558
00:21:50,149 --> 00:21:48,120
you know you've had enough guests on

559
00:21:52,190 --> 00:21:50,159
here that talked about this and

560
00:21:53,390 --> 00:21:52,200
I have tons of Articles to corroborate

561
00:21:56,090 --> 00:21:53,400
the same thing

562
00:21:57,890 --> 00:21:56,100
and the Mississippi area and you

563
00:22:00,830 --> 00:21:57,900

obviously St Louis

564

00:22:02,210 --> 00:22:00,840

I sent you another article

565

00:22:04,070 --> 00:22:02,220

I think it was the first one I may have

566

00:22:06,649 --> 00:22:04,080

ever shared with you and it was talking

567

00:22:09,230 --> 00:22:06,659

about a mining company they were digging

568

00:22:11,090 --> 00:22:09,240

coal shafts so they could decide where

569

00:22:12,230 --> 00:22:11,100

they were going to start advancing their

570

00:22:14,510 --> 00:22:12,240

mining equipment

571

00:22:16,490 --> 00:22:14,520

and at 300 feet they broke into air they

572

00:22:18,770 --> 00:22:16,500

broke into a chamber

573

00:22:21,830 --> 00:22:18,780

and they sent men down

574

00:22:23,990 --> 00:22:21,840

and the men described

575

00:22:26,990 --> 00:22:24,000

uh completely

576

00:22:30,049 --> 00:22:27,000

formed City with buildings four or five

577

00:22:32,270 --> 00:22:30,059

stories tall paved streets fountains

578

00:22:34,730 --> 00:22:32,280

that were still running water still

579

00:22:36,890 --> 00:22:34,740

flowing in the fountains

580

00:22:38,810 --> 00:22:36,900

and you know as outrageous as that may

581

00:22:40,549 --> 00:22:38,820

sound to some people that article you

582

00:22:43,789 --> 00:22:40,559

just shared and again

583

00:22:45,890 --> 00:22:43,799

I have posted you know thousands now and

584

00:22:47,750 --> 00:22:45,900

I have many that I haven't shared and

585

00:22:50,029 --> 00:22:47,760

they're just absolutely it blows your

586

00:22:51,649 --> 00:22:50,039

mind really and yeah that one goes on to

587

00:22:55,190 --> 00:22:51,659

basically describe

588

00:22:58,190 --> 00:22:55,200

a scene where Queen Elizabeth is being

589

00:22:59,270 --> 00:22:58,200

crowned by the king or the leader of the

590

00:23:04,970 --> 00:22:59,280

area

591

00:23:07,190 --> 00:23:04,980

and yeah the Assyrian Egyptian cuneiform

592

00:23:10,430 --> 00:23:07,200

tablets texts all of these things are

593

00:23:12,529 --> 00:23:10,440

found all over America and kind of

594

00:23:16,090 --> 00:23:12,539

reconstructing what I've hypothesized

595

00:23:19,190 --> 00:23:16,100

that America is the true quote Old World

596

00:23:20,930 --> 00:23:19,200

and these stories of the Canaanites and

597

00:23:22,789 --> 00:23:20,940

the Egyptians and all of these things

598

00:23:24,350 --> 00:23:22,799

really happened here

599

00:23:26,330 --> 00:23:24,360

and again that

600

00:23:27,350 --> 00:23:26,340

sounds like a stretch to some I'm sure

601
00:23:29,029 --> 00:23:27,360
but

602
00:23:31,070 --> 00:23:29,039
you read enough of these articles and

603
00:23:32,570 --> 00:23:31,080
you're going to really uh start to build

604
00:23:35,830 --> 00:23:32,580
a completely different

605
00:23:38,570 --> 00:23:35,840
perspective of History yeah absolutely

606
00:23:41,029 --> 00:23:38,580
and like you just said you've got all

607
00:23:44,390 --> 00:23:41,039
kinds of articles with all sorts of

608
00:23:46,970 --> 00:23:44,400
stories of underground communities or

609
00:23:49,490 --> 00:23:46,980
cities I guess far more elaborate than

610
00:23:52,010 --> 00:23:49,500
some bronze tools and skeletons in a

611
00:23:54,350 --> 00:23:52,020
cave and yes it does get even crazier

612
00:23:55,970 --> 00:23:54,360
with these underground lakes and rivers

613
00:23:58,850 --> 00:23:55,980

I've heard you say they're even

614

00:24:01,490 --> 00:23:58,860

petrified boats as if these waterways

615

00:24:03,970 --> 00:24:01,500

were navigated by ship at some point in

616

00:24:06,950 --> 00:24:03,980

the past all Underground Across America

617

00:24:10,010 --> 00:24:06,960

and you've started to conclude that

618

00:24:12,409 --> 00:24:10,020

maybe the Gulf Stream coming from

619

00:24:15,409 --> 00:24:12,419

underground Colorado into the Gulf of

620

00:24:18,049 --> 00:24:15,419

Mexico was the original Fertile Crescent

621

00:24:20,210 --> 00:24:18,059

correct well elaborate on some of that

622

00:24:23,390 --> 00:24:20,220

if you could yeah

623

00:24:25,310 --> 00:24:23,400

so originally not originally but over

624

00:24:26,690 --> 00:24:25,320

the years I've really um through not

625

00:24:28,130 --> 00:24:26,700

only these articles but my own

626

00:24:29,870 --> 00:24:28,140

explorations

627

00:24:31,370 --> 00:24:29,880

developed the opinion again going back

628

00:24:32,930 --> 00:24:31,380

to what I was saying about this being

629

00:24:34,789 --> 00:24:32,940

the old world

630

00:24:37,730 --> 00:24:34,799

I really had to kind of invert my own

631

00:24:40,310 --> 00:24:37,740

view of not only Biblical history but

632

00:24:41,450 --> 00:24:40,320

natural history and geological history

633

00:24:47,270 --> 00:24:41,460

and

634

00:24:49,610 --> 00:24:47,280

Florida from a geological perspective

635

00:24:51,890 --> 00:24:49,620

they're incredibly interesting

636

00:24:55,250 --> 00:24:51,900

there's no bedrock

637

00:24:57,350 --> 00:24:55,260

some of the purest water in the entire

638

00:24:58,610 --> 00:24:57,360

world is found on the Yucatan and in

639

00:25:00,169 --> 00:24:58,620

Florida

640

00:25:01,970 --> 00:25:00,179

you know again through a lot of my posts

641

00:25:05,390 --> 00:25:01,980

I've shown that

642

00:25:07,610 --> 00:25:05,400

once radium became a

643

00:25:10,310 --> 00:25:07,620

kind of Hot Topic in the early 1900s

644

00:25:11,330 --> 00:25:10,320

late 1800s they began testing spring

645

00:25:13,490 --> 00:25:11,340

water

646

00:25:14,570 --> 00:25:13,500

not just from Florida and Mexico but all

647

00:25:17,750 --> 00:25:14,580

over

648

00:25:19,370 --> 00:25:17,760

Switzerland Austria Germany and they

649

00:25:20,330 --> 00:25:19,380

found a lot of these quote Healing

650

00:25:23,149 --> 00:25:20,340

Springs

651
00:25:26,570 --> 00:25:23,159
were filled with radium

652
00:25:29,029 --> 00:25:26,580
and through these tests and things

653
00:25:31,190 --> 00:25:29,039
they found that not only is the Springs

654
00:25:32,510 --> 00:25:31,200
filled with radium but the oceans are

655
00:25:36,049 --> 00:25:32,520
filled with radium

656
00:25:38,029 --> 00:25:36,059
and along the Equator was the highest

657
00:25:40,190 --> 00:25:38,039
concentrations that they've found

658
00:25:42,769 --> 00:25:40,200
and the largest amount of radium in

659
00:25:44,990 --> 00:25:42,779
ocean water was found this is a study

660
00:25:46,190 --> 00:25:45,000
from the 1970s was found in the Gulf of

661
00:25:48,409 --> 00:25:46,200
Mexico

662
00:25:50,269 --> 00:25:48,419
and

663
00:25:52,490 --> 00:25:50,279

you know you go to the story of Ponce de

664

00:25:54,049 --> 00:25:52,500

Leon and you know people trying to find

665

00:25:55,490 --> 00:25:54,059

the Fountain of Youth

666

00:25:57,649 --> 00:25:55,500

well I believe they weren't trying to

667

00:25:59,570 --> 00:25:57,659

find it they knew it was there

668

00:26:01,190 --> 00:25:59,580

you know the

669

00:26:02,690 --> 00:26:01,200

geological record of Florida is

670

00:26:06,529 --> 00:26:02,700

incredibly interesting

671

00:26:08,269 --> 00:26:06,539

there are giants found all over Florida

672

00:26:11,090 --> 00:26:08,279

red-headed Giants

673

00:26:13,130 --> 00:26:11,100

there were Indians

674

00:26:14,870 --> 00:26:13,140

they were

675

00:26:18,350 --> 00:26:14,880

some of the first people that the

676
00:26:20,750 --> 00:26:18,360
Spanish ran into who were far above your

677
00:26:24,110 --> 00:26:20,760
average European height

678
00:26:25,549 --> 00:26:24,120
High six is low eight feet tall

679
00:26:29,149 --> 00:26:25,559
and in their account they were living

680
00:26:30,649 --> 00:26:29,159
for hundreds of years 200 300 years

681
00:26:33,289 --> 00:26:30,659
and

682
00:26:34,610 --> 00:26:33,299
the Gulf Stream one of my articles that

683
00:26:36,710 --> 00:26:34,620
we're going to actually get into here in

684
00:26:38,930 --> 00:26:36,720
just a little bit

685
00:26:40,250 --> 00:26:38,940
they hypothesize the creation of it and

686
00:26:42,830 --> 00:26:40,260
when you study the Gulf Stream it's

687
00:26:44,930 --> 00:26:42,840
quite remarkable and

688
00:26:46,789 --> 00:26:44,940

when I was studying the Baltic

689

00:26:48,350 --> 00:26:46,799

a long time ago I made similar

690

00:26:50,810 --> 00:26:48,360

correlations to the construction of

691

00:26:53,450 --> 00:26:50,820

Florida and the Yucatan to an island in

692

00:26:55,210 --> 00:26:53,460

the Baltic called gotland

693

00:26:57,950 --> 00:26:55,220

and gotland is an incredible Place

694

00:26:59,810 --> 00:26:57,960

filled with a lot of ruins a lot of

695

00:27:01,610 --> 00:26:59,820

ancient churches an incredible

696

00:27:03,470 --> 00:27:01,620

Subterranean world

697

00:27:05,330 --> 00:27:03,480

and the island was completely closed off

698

00:27:06,890 --> 00:27:05,340

to Outsiders I think until the late

699

00:27:09,950 --> 00:27:06,900

1980s

700

00:27:12,830 --> 00:27:09,960

but they've been finding the most large

701
00:27:15,590 --> 00:27:12,840
and ancient collections of coins and

702
00:27:17,870 --> 00:27:15,600
Arabic coins to be more precise

703
00:27:19,370 --> 00:27:17,880
and that's really interesting when you

704
00:27:21,350 --> 00:27:19,380
study Arabic coins and why they're being

705
00:27:23,930 --> 00:27:21,360
found all over the world

706
00:27:25,970 --> 00:27:23,940
predominantly silver Not Gold

707
00:27:27,890 --> 00:27:25,980
it kind of starts to connect with the

708
00:27:30,289 --> 00:27:27,900
dots I've been making about the ancient

709
00:27:32,149 --> 00:27:30,299
sea peoples and you know who these

710
00:27:34,070 --> 00:27:32,159
people really were you know connecting

711
00:27:37,549 --> 00:27:34,080
it with the Moorish Empire and Florida

712
00:27:40,370 --> 00:27:37,559
and the gulf play a huge role in that

713
00:27:43,070 --> 00:27:40,380

and and New Orleans it's called the

714

00:27:46,370 --> 00:27:43,080

Crescent City and there's no

715

00:27:48,470 --> 00:27:46,380

more obviously terraformed place than

716

00:27:51,289 --> 00:27:48,480

the entrance into New Orleans the entire

717

00:27:54,230 --> 00:27:51,299

Peninsula is completely man-made all the

718

00:27:56,149 --> 00:27:54,240

canals and they're very ancient

719

00:27:58,970 --> 00:27:56,159

you know the earliest maps you can see

720

00:28:01,850 --> 00:27:58,980

the canals and the whole Gulf of Mexico

721

00:28:03,590 --> 00:28:01,860

is covered in ancient canals Florida as

722

00:28:05,690 --> 00:28:03,600

well when they tell you they're building

723

00:28:07,010 --> 00:28:05,700

canals if you dig deep enough you'll

724

00:28:09,830 --> 00:28:07,020

find they're just dredging out ancient

725

00:28:12,470 --> 00:28:09,840

canals and the stuff they're finding is

726
00:28:14,690 --> 00:28:12,480
incredible these canals are covered with

727
00:28:18,409 --> 00:28:14,700
giant walls and

728
00:28:20,750 --> 00:28:18,419
Tampa Galveston New Orleans

729
00:28:23,390 --> 00:28:20,760
just about every city on the Gulf

730
00:28:25,909 --> 00:28:23,400
has incredible ancient construction that

731
00:28:27,950 --> 00:28:25,919
they can't really describe and they

732
00:28:29,630 --> 00:28:27,960
don't attribute it to the Indians that

733
00:28:34,010 --> 00:28:29,640
they're finding there at the time

734
00:28:36,049 --> 00:28:34,020
man well you mentioned radium and so

735
00:28:37,730 --> 00:28:36,059
let's dig into that a little bit because

736
00:28:41,330 --> 00:28:37,740
I think we've both looked at enough

737
00:28:43,970 --> 00:28:41,340
stuff to realize that our scientific and

738
00:28:46,070 --> 00:28:43,980

energy Paradigm is completely wrong

739

00:28:49,490 --> 00:28:46,080

today they've dismissed The Ether

740

00:28:51,169 --> 00:28:49,500

they've suppressed electromagnetism and

741

00:28:55,070 --> 00:28:51,179

it seems to me that a lot of this

742

00:28:58,130 --> 00:28:55,080

natural Tech can actually be used with

743

00:29:00,169 --> 00:28:58,140

far less equipment let's say you could

744

00:29:02,510 --> 00:29:00,179

take crystals and build towers and

745

00:29:04,909 --> 00:29:02,520

extract energy from the environment in

746

00:29:06,529 --> 00:29:04,919

ways that seem impossible today but

747

00:29:09,230 --> 00:29:06,539

that's because our Paradigm is

748

00:29:10,789 --> 00:29:09,240

completely off and that is how

749

00:29:13,909 --> 00:29:10,799

you can have

750

00:29:16,850 --> 00:29:13,919

these instances of advanced technology

751
00:29:19,430 --> 00:29:16,860
quote unquote far before any Industrial

752
00:29:22,190 --> 00:29:19,440
Age in fact it seems like the world's

753
00:29:23,810 --> 00:29:22,200
fairs and the Industrial Age were a way

754
00:29:25,970 --> 00:29:23,820
of killing off a lot of that old stuff

755
00:29:28,909 --> 00:29:25,980
and dominating a new paradigm by the

756
00:29:31,029 --> 00:29:28,919
robber baron class so we are kind of in

757
00:29:33,710 --> 00:29:31,039
our infancy of actually understanding

758
00:29:35,990 --> 00:29:33,720
electromagnetism ether crystals and

759
00:29:37,310 --> 00:29:36,000
plasma but it seems like there was a

760
00:29:40,370 --> 00:29:37,320
time when this information was

761
00:29:42,289 --> 00:29:40,380
widespread and even terraforming in the

762
00:29:44,570 --> 00:29:42,299
way you talked about was not so

763
00:29:46,789 --> 00:29:44,580

difficult for them but you do find

764

00:29:49,010 --> 00:29:46,799

pieces of this in your work as well

765

00:29:51,470 --> 00:29:49,020

right along with similar insights

766

00:29:54,350 --> 00:29:51,480

related to radium what are your thoughts

767

00:29:56,149 --> 00:29:54,360

on some of this technology and the

768

00:30:00,049 --> 00:29:56,159

processes and the materials used

769

00:30:02,930 --> 00:30:00,059

including radium yeah

770

00:30:06,289 --> 00:30:02,940

Tech and machinery and the industrial

771

00:30:07,850 --> 00:30:06,299

ages you kind of glossed over there

772

00:30:11,690 --> 00:30:07,860

we're definitely part of the transition

773

00:30:16,730 --> 00:30:15,049

radium is an incredible thing

774

00:30:18,169 --> 00:30:16,740

you know you don't hear anything about

775

00:30:19,850 --> 00:30:18,179

radium really anymore you know it's

776

00:30:21,590 --> 00:30:19,860

uranium and

777

00:30:23,930 --> 00:30:21,600

you know people think of the atomic bomb

778

00:30:26,510 --> 00:30:23,940

and weapons and although weapons were

779

00:30:28,789 --> 00:30:26,520

being experimented with a lot in the

780

00:30:30,590 --> 00:30:28,799

early 1910 through 19 you know up until

781

00:30:32,930 --> 00:30:30,600

World War One

782

00:30:34,490 --> 00:30:32,940

and you know since I mentioned world one

783

00:30:37,130 --> 00:30:34,500

a really interesting

784

00:30:40,070 --> 00:30:37,140

thing to mention about radium is that

785

00:30:42,950 --> 00:30:40,080

almost all of the mining of radium

786

00:30:45,110 --> 00:30:42,960

was controlled by a company or a group

787

00:30:47,870 --> 00:30:45,120

of people called the German Syndicate

788

00:30:50,690 --> 00:30:47,880

this is what the papers multiple papers

789

00:30:53,990 --> 00:30:50,700

were calling them the German syndicate

790

00:30:56,690 --> 00:30:54,000

and I traced that to a trust a German

791

00:30:58,250 --> 00:30:56,700

trust and I'm basing the name off the

792

00:31:00,590 --> 00:30:58,260

top of my head but

793

00:31:01,850 --> 00:31:00,600

what makes this interesting is that you

794

00:31:03,470 --> 00:31:01,860

know on your show you've talked a lot

795

00:31:05,930 --> 00:31:03,480

about you know the real

796

00:31:08,269 --> 00:31:05,940

and you know some of what the Nazis were

797

00:31:10,610 --> 00:31:08,279

experimenting with well I think it's

798

00:31:12,470 --> 00:31:10,620

very very much directly related to

799

00:31:15,289 --> 00:31:12,480

radium

800

00:31:17,990 --> 00:31:15,299

anti-gravidics

801
00:31:20,450 --> 00:31:18,000
radium was described as being you know

802
00:31:23,930 --> 00:31:20,460
the Philosopher's Stone

803
00:31:26,149 --> 00:31:23,940
helium was first discovered by

804
00:31:28,730 --> 00:31:26,159
experiments with radium and the reason

805
00:31:32,630 --> 00:31:28,740
it was given that name was because a

806
00:31:34,850 --> 00:31:32,640
byproduct of radium is helium hmm so not

807
00:31:37,130 --> 00:31:34,860
only does radium

808
00:31:38,570 --> 00:31:37,140
have an incredible Half-Life it loses no

809
00:31:41,269 --> 00:31:38,580
weight over time

810
00:31:44,450 --> 00:31:41,279
and it creates

811
00:31:47,389 --> 00:31:44,460
such a Monumental amount of energy

812
00:31:48,590 --> 00:31:47,399
and helium is a byproduct of that

813
00:31:50,090 --> 00:31:48,600

so when you start to talk about

814

00:31:53,389 --> 00:31:50,100

antichrauidics

815

00:31:54,889 --> 00:31:53,399

and obviously blimps and

816

00:31:56,990 --> 00:31:54,899

aeronautics

817

00:31:59,450 --> 00:31:57,000

you know that's part of what people talk

818

00:32:02,090 --> 00:31:59,460

a lot about when discovering these

819

00:32:03,889 --> 00:32:02,100

different ages well I've hypothesized

820

00:32:04,970 --> 00:32:03,899

and we'll get into a little article here

821

00:32:07,669 --> 00:32:04,980

in a second

822

00:32:10,669 --> 00:32:07,679

that not only were they using radium

823

00:32:12,889 --> 00:32:10,679

as a mode of propulsion and power but

824

00:32:15,830 --> 00:32:12,899

they are also using the helium which was

825

00:32:17,930 --> 00:32:15,840

a byproduct of creating this power

826

00:32:20,990 --> 00:32:17,940

to keep these Aloft

827

00:32:24,110 --> 00:32:21,000

and you know who had the most incredible

828

00:32:25,610 --> 00:32:24,120

Fleet of Glimpse at the time while it

829

00:32:28,909 --> 00:32:25,620

was Germany

830

00:32:31,190 --> 00:32:28,919

and I think Germany's ability to in a

831

00:32:33,710 --> 00:32:31,200

sense Take On The World

832

00:32:34,909 --> 00:32:33,720

have the fighting force that they did I

833

00:32:36,769 --> 00:32:34,919

think was

834

00:32:39,529 --> 00:32:36,779

I think there's a lot of technology that

835

00:32:42,470 --> 00:32:39,539

was going on in World War one and World

836

00:32:44,990 --> 00:32:42,480

War II that has been kept from us by the

837

00:32:47,870 --> 00:32:45,000

government and Germany would be the one

838

00:32:50,810 --> 00:32:47,880

I would say harnessing a lot of that

839

00:32:52,990 --> 00:32:50,820

yeah that makes sense and you actually

840

00:32:55,909 --> 00:32:53,000

posted an article from

841

00:32:58,010 --> 00:32:55,919

1897 from a California paper that was

842

00:33:00,110 --> 00:32:58,020

titled the secrets of aerial flight

843

00:33:02,389 --> 00:33:00,120

revealed the law of gravity can be

844

00:33:04,789 --> 00:33:02,399

overcome with radium and it shows a

845

00:33:06,169 --> 00:33:04,799

sketch of a person in an Airship and

846

00:33:08,090 --> 00:33:06,179

this is one of those things that keeps

847

00:33:11,149 --> 00:33:08,100

popping up it seems like the Hindenburg

848

00:33:13,370 --> 00:33:11,159

was a staged event of mass trauma to

849

00:33:15,769 --> 00:33:13,380

scare people away from this Tech and

850

00:33:17,509 --> 00:33:15,779

it's never come back but I wanted to let

851

00:33:19,669 --> 00:33:17,519

you get into the the article you had

852

00:33:22,130 --> 00:33:19,679

ready if it was different from that one

853

00:33:24,110 --> 00:33:22,140

no it's that one and yeah so funny that

854

00:33:26,269 --> 00:33:24,120

you saw that because I was just getting

855

00:33:29,029 --> 00:33:26,279

ready for this talk so I wanted to have

856

00:33:31,570 --> 00:33:29,039

everything organized and yeah that's one

857

00:33:33,950 --> 00:33:31,580

of my favorites again tying this into

858

00:33:36,529 --> 00:33:33,960

this German syndicate

859

00:33:40,130 --> 00:33:36,539

you'll connect the German syndicate with

860

00:33:41,990 --> 00:33:40,140

nimsa yeah you know you've had Bosley on

861

00:33:42,830 --> 00:33:42,000

he's talked a lot about this they worked

862

00:33:44,750 --> 00:33:42,840

there

863

00:33:47,570 --> 00:33:44,760

but yeah the Trump connection is very

864

00:33:49,669 --> 00:33:47,580

interesting with nimsa and the blimp as

865

00:33:51,830 --> 00:33:49,679

you're aware because it also connects

866

00:33:54,110 --> 00:33:51,840

with one of the largest purchasers of

867

00:33:56,450 --> 00:33:54,120

radium in America at this time

868

00:33:58,669 --> 00:33:56,460

was a watch company that goes by the

869

00:34:00,889 --> 00:33:58,679

name of Ingersoll you're familiar with

870

00:34:02,509 --> 00:34:00,899

that name sounds familiar but not

871

00:34:04,370 --> 00:34:02,519

exactly

872

00:34:06,830 --> 00:34:04,380

so there's a writer

873

00:34:10,970 --> 00:34:06,840

who writes about Barron Trump the time

874

00:34:13,310 --> 00:34:10,980

traveler right yeah that is her name so

875

00:34:15,050 --> 00:34:13,320

The Watch Company Ingersoll because

876

00:34:16,669 --> 00:34:15,060

radium wasn't made available to the

877

00:34:17,930 --> 00:34:16,679

public really you had to work really

878

00:34:19,369 --> 00:34:17,940

hard to get in it was incredibly

879

00:34:21,109 --> 00:34:19,379

expensive and one of the largest

880

00:34:22,369 --> 00:34:21,119

purchasers was a watch company which I

881

00:34:23,690 --> 00:34:22,379

thought was incredibly strange and then

882

00:34:24,889 --> 00:34:23,700

when I made the connection between the

883

00:34:26,869 --> 00:34:24,899

families

884

00:34:30,470 --> 00:34:26,879

it was even more interesting so you got

885

00:34:31,550 --> 00:34:30,480

the Trump blimp on the nimza blimps you

886

00:34:33,230 --> 00:34:31,560

know the tests that were going on in

887

00:34:34,909 --> 00:34:33,240

Southern California

888

00:34:36,530 --> 00:34:34,919

a lot of the technology people I've

889

00:34:37,430 --> 00:34:36,540

hypothesized with that is that they were

890

00:34:39,409 --> 00:34:37,440

using

891

00:34:41,869 --> 00:34:39,419

some kind of magnetism

892

00:34:43,369 --> 00:34:41,879

some kind of advanced technology but

893

00:34:45,169 --> 00:34:43,379

it's incredibly vague

894

00:34:47,450 --> 00:34:45,179

and then you make the connection with

895

00:34:50,089 --> 00:34:47,460

the Ingersoll watch company and the

896

00:34:51,829 --> 00:34:50,099

reason I think you know the public

897

00:34:52,790 --> 00:34:51,839

reason that they were buying so much

898

00:34:54,409 --> 00:34:52,800

radium

899

00:34:55,550 --> 00:34:54,419

was that they were using it because

900

00:34:57,589 --> 00:34:55,560

radium

901
00:34:59,270 --> 00:34:57,599
can make Metals glow

902
00:35:01,609 --> 00:34:59,280
what they told the public is they were

903
00:35:03,349 --> 00:35:01,619
using it to make the watch hands glow on

904
00:35:05,210 --> 00:35:03,359
their watches hmm

905
00:35:08,089 --> 00:35:05,220
but I've hypothesized there was much

906
00:35:10,490 --> 00:35:08,099
more to that and

907
00:35:13,069 --> 00:35:10,500
yeah you talked about crystals and old

908
00:35:14,750 --> 00:35:13,079
technology well radium does amazing

909
00:35:15,770 --> 00:35:14,760
things and when you put crystals near

910
00:35:17,870 --> 00:35:15,780
radium

911
00:35:20,329 --> 00:35:17,880
the crystals absorb the energy

912
00:35:22,550 --> 00:35:20,339
and they store it for long periods of

913
00:35:24,950 --> 00:35:22,560

time and when they different crystals

914

00:35:26,510 --> 00:35:24,960

turn different colors

915

00:35:27,770 --> 00:35:26,520

so they were doing all these stats with

916

00:35:29,450 --> 00:35:27,780

crystals and they were finding the cable

917

00:35:31,190 --> 00:35:29,460

diamonds turned orange and this Crystal

918

00:35:33,470 --> 00:35:31,200

turned so every crystal had a different

919

00:35:36,170 --> 00:35:33,480

reaction with the radium

920

00:35:38,569 --> 00:35:36,180

and you know making connections with you

921

00:35:40,550 --> 00:35:38,579

know the stories of Atlantis and

922

00:35:43,370 --> 00:35:40,560

these ancient people

923

00:35:45,290 --> 00:35:43,380

were using crystals for you know radio

924

00:35:47,750 --> 00:35:45,300

communication and all these different

925

00:35:49,130 --> 00:35:47,760

things power devices weapons so on and

926
00:35:51,050 --> 00:35:49,140
so forth lasers

927
00:35:55,190 --> 00:35:51,060
they were creating lasers with crystals

928
00:35:58,490 --> 00:35:55,200
and radium and yeah the radium is

929
00:35:59,690 --> 00:35:58,500
it just Bridges the gap with so many

930
00:36:01,370 --> 00:35:59,700
Technologies

931
00:36:03,710 --> 00:36:01,380
that we've talked about you know old

932
00:36:05,569 --> 00:36:03,720
Technologies and

933
00:36:06,890 --> 00:36:05,579
the reason why I think a lot of this has

934
00:36:08,210 --> 00:36:06,900
kind of gone Underground

935
00:36:10,609 --> 00:36:08,220
was

936
00:36:14,690 --> 00:36:10,619
what we were mentioning before with the

937
00:36:16,730 --> 00:36:14,700
technology and War and I think part of

938
00:36:18,589 --> 00:36:16,740

the whole driving force between maybe

939

00:36:22,609 --> 00:36:18,599

World War one and maybe World War II was

940

00:36:24,230 --> 00:36:22,619

Tech and the Nazis and

941

00:36:26,030 --> 00:36:24,240

they were using this and they were

942

00:36:26,930 --> 00:36:26,040

controlling all of the radium mining in

943

00:36:28,370 --> 00:36:26,940

the world

944

00:36:30,109 --> 00:36:28,380

so

945

00:36:33,349 --> 00:36:30,119

weird connection

946

00:36:35,210 --> 00:36:33,359

yeah very interesting and for people who

947

00:36:38,329 --> 00:36:35,220

aren't aware don't remember that old

948

00:36:40,870 --> 00:36:38,339

show what you're referencing is the

949

00:36:44,329 --> 00:36:40,880

baron Trump books written in the early

950

00:36:46,609 --> 00:36:44,339

1900s by Ingersoll Lockwood that's the

951
00:36:48,470 --> 00:36:46,619
name of the author maybe it's a pen name

952
00:36:51,430 --> 00:36:48,480
who knows maybe it alludes to two

953
00:36:54,710 --> 00:36:51,440
different family names but this woman

954
00:36:56,870 --> 00:36:54,720
wrote three books about little Baron

955
00:36:59,450 --> 00:36:56,880
Trump one was called the last president

956
00:37:01,730 --> 00:36:59,460
one's called travels and Adventures of

957
00:37:04,910 --> 00:37:01,740
little Baron Trump and ones Baron

958
00:37:08,630 --> 00:37:04,920
Trump's marvelous underground Journey so

959
00:37:12,470 --> 00:37:08,640
she folds into this story from a century

960
00:37:14,270 --> 00:37:12,480
ago like president and the hollow Earth

961
00:37:15,829 --> 00:37:14,280
kind of thing and I I always thought

962
00:37:17,450 --> 00:37:15,839
those were interesting I actually bought

963
00:37:19,550 --> 00:37:17,460

the first one because I needed to

964

00:37:21,530 --> 00:37:19,560

believe it wasn't some internet LARP I

965

00:37:23,890 --> 00:37:21,540

needed to hold it in my hand and know it

966

00:37:27,069 --> 00:37:23,900

was a real book because it was just too

967

00:37:30,050 --> 00:37:27,079

Eerie that it had such a synchronicity

968

00:37:32,030 --> 00:37:30,060

but yeah I think you're totally honest

969

00:37:37,430 --> 00:37:32,040

something interesting I also heard you

970

00:37:39,410 --> 00:37:37,440

talk about radium and Thorium in Healing

971

00:37:42,230 --> 00:37:39,420

Springs that part of these stories of

972

00:37:44,810 --> 00:37:42,240

Healing Springs relates to radium it's

973

00:37:47,630 --> 00:37:44,820

apparently one of the most life-giving

974

00:37:49,550 --> 00:37:47,640

things you say it's where raw got his

975

00:37:50,810 --> 00:37:49,560

name because it glows like the sun like

976
00:37:53,510 --> 00:37:50,820
that's probably what they were talking

977
00:37:56,270 --> 00:37:53,520
about is some technology that they used

978
00:37:58,250 --> 00:37:56,280
with radium and that when you look at

979
00:38:00,470 --> 00:37:58,260
Florida and probably other places as

980
00:38:02,390 --> 00:38:00,480
well most of the major cities are built

981
00:38:05,270 --> 00:38:02,400
on where they would say there were

982
00:38:07,310 --> 00:38:05,280
Healing Springs and the Springs had this

983
00:38:09,589 --> 00:38:07,320
healing quality because of the radium in

984
00:38:12,589 --> 00:38:09,599
it is that pretty accurate

985
00:38:14,630 --> 00:38:12,599
absolutely yeah you can trace this to

986
00:38:16,310 --> 00:38:14,640
the ukutan too all of the major Temple

987
00:38:17,630 --> 00:38:16,320
sites in the Yucatan are built on these

988
00:38:18,770 --> 00:38:17,640

Springs

989

00:38:21,050 --> 00:38:18,780

so

990

00:38:22,910 --> 00:38:21,060

not only do you need water obviously for

991

00:38:26,329 --> 00:38:22,920

you know a city or whatever you want to

992

00:38:29,089 --> 00:38:26,339

call it a group of people you know as

993

00:38:30,890 --> 00:38:29,099

part of life but you'll find that

994

00:38:33,050 --> 00:38:30,900

you can't make it a coincidence that

995

00:38:33,890 --> 00:38:33,060

again the Yucatan in the peninsula

996

00:38:35,210 --> 00:38:33,900

Florida

997

00:38:37,490 --> 00:38:35,220

I have

998

00:38:40,130 --> 00:38:37,500

the most Springs in the world

999

00:38:42,410 --> 00:38:40,140

number one the Yucatan number two and

1000

00:38:46,250 --> 00:38:42,420

not only that but

1001

00:38:48,650 --> 00:38:46,260

they had healing spring hotels in

1002

00:38:51,050 --> 00:38:48,660

Florida and then to go backwards a

1003

00:38:53,990 --> 00:38:51,060

little bit guess who was buying up all

1004

00:38:55,790 --> 00:38:54,000

of the land or the Springs themselves in

1005

00:38:58,609 --> 00:38:55,800

the early 1900s

1006

00:39:00,530 --> 00:38:58,619

well that's Rockefeller hmm

1007

00:39:01,670 --> 00:39:00,540

and on one of your previous shows I

1008

00:39:04,069 --> 00:39:01,680

can't remember

1009

00:39:06,290 --> 00:39:04,079

the guest name but he talked about The

1010

00:39:08,750 --> 00:39:06,300

Healing Springs of Arizona

1011

00:39:10,490 --> 00:39:08,760

and that a lot of these robber barons

1012

00:39:12,589 --> 00:39:10,500

were taking vacations

1013

00:39:14,990 --> 00:39:12,599

that was a big thing to do with a lot of

1014

00:39:17,150 --> 00:39:15,000

these high-class people was they'd visit

1015

00:39:19,190 --> 00:39:17,160

these Springs and Arizona was one of

1016

00:39:20,990 --> 00:39:19,200

them Rockefeller visited it

1017

00:39:23,810 --> 00:39:21,000

a healing spring there and he ended up

1018

00:39:26,810 --> 00:39:23,820

buying it as well so no coincidence

1019

00:39:28,849 --> 00:39:26,820

there no no I believe that was Corey

1020

00:39:32,990 --> 00:39:28,859

Daniels too just covered the whole area

1021

00:39:35,750 --> 00:39:33,000

of of that desert the American southwest

1022

00:39:37,970 --> 00:39:35,760

yeah in Arizona so part of what I've

1023

00:39:39,589 --> 00:39:37,980

done is I've actually gone into every

1024

00:39:41,810 --> 00:39:39,599

state archive

1025

00:39:44,150 --> 00:39:41,820

and

1026

00:39:45,950 --> 00:39:44,160

created essentially what I will

1027

00:39:49,310 --> 00:39:45,960

eventually be presenting

1028

00:39:53,210 --> 00:39:49,320

Mysteries and lost civilizations based

1029

00:39:55,130 --> 00:39:53,220

state by state and Arizona is by far one

1030

00:39:57,410 --> 00:39:55,140

of the densest ones

1031

00:39:59,210 --> 00:39:57,420

the things that we're finding there and

1032

00:40:03,050 --> 00:39:59,220

I know you're familiar with the Kincaid

1033

00:40:04,910 --> 00:40:03,060

article about the Egyptian

1034

00:40:07,310 --> 00:40:04,920

temples and so forth well I got a

1035

00:40:09,470 --> 00:40:07,320

Kincaid article that's like times a

1036

00:40:13,430 --> 00:40:09,480

thousand I love it that a group of

1037

00:40:15,050 --> 00:40:13,440

miners actually found a city

1038

00:40:18,170 --> 00:40:15,060

down in

1039

00:40:20,630 --> 00:40:18,180

the ground

1040

00:40:21,829 --> 00:40:20,640

and there were people there it was a

1041

00:40:24,650 --> 00:40:21,839

living City

1042

00:40:25,910 --> 00:40:24,660

full of Egyptian people dressed as you

1043

00:40:28,310 --> 00:40:25,920

would imagine you know the kind of

1044

00:40:30,170 --> 00:40:28,320

stereotypical Egyptian dress

1045

00:40:32,030 --> 00:40:30,180

Estonian temples

1046

00:40:35,089 --> 00:40:32,040

you know the sun with the wings all that

1047

00:40:36,770 --> 00:40:35,099

stuff wow yeah incredible stuff but

1048

00:40:39,170 --> 00:40:36,780

Arizona is just part of that but getting

1049

00:40:42,410 --> 00:40:39,180

back to what you were saying yeah

1050

00:40:44,930 --> 00:40:42,420

the radium connection the golf

1051
00:40:45,950 --> 00:40:44,940
terraforming and these things might all

1052
00:40:48,589 --> 00:40:45,960
be

1053
00:40:51,470 --> 00:40:48,599
a stretch but once you start connecting

1054
00:40:53,810 --> 00:40:51,480
the dots it definitely seems like

1055
00:40:57,230 --> 00:40:53,820
the Fertile Crescent City

1056
00:40:59,270 --> 00:40:57,240
Eden as such was here in the Gulf

1057
00:41:01,069 --> 00:40:59,280
and we mentioned a little bit we were

1058
00:41:03,170 --> 00:41:01,079
talking about the lodestone

1059
00:41:05,810 --> 00:41:03,180
and another name for the lodestone as a

1060
00:41:10,370 --> 00:41:05,820
worship stone is the Kaaba Stone

1061
00:41:12,470 --> 00:41:10,380
and the Cobblestone is Cuba Cuba the

1062
00:41:14,870 --> 00:41:12,480
Kaaba and

1063
00:41:17,210 --> 00:41:14,880

the Phoenicians were

1064

00:41:19,609 --> 00:41:17,220

not necessarily A group of people but

1065

00:41:21,950 --> 00:41:19,619

more of like a Brotherhood

1066

00:41:23,990 --> 00:41:21,960

and like Masonry

1067

00:41:26,930 --> 00:41:24,000

they had different levels

1068

00:41:29,510 --> 00:41:26,940

and the highest of Phoenician could

1069

00:41:32,390 --> 00:41:29,520

reach in this Society

1070

00:41:34,849 --> 00:41:32,400

it was called the eye of the needle or

1071

00:41:38,150 --> 00:41:34,859

the Q was the label of it

1072

00:41:39,170 --> 00:41:38,160

and only at that time would you be

1073

00:41:41,450 --> 00:41:39,180

taught

1074

00:41:44,870 --> 00:41:41,460

magnetism

1075

00:41:46,730 --> 00:41:44,880

and you know saline was a big part of

1076

00:41:48,230 --> 00:41:46,740

this obviously because sailing was

1077

00:41:49,670 --> 00:41:48,240

freedom and knowing how to Traverse the

1078

00:41:51,589 --> 00:41:49,680

oceans and all of these things well this

1079

00:41:53,990 --> 00:41:51,599

ties in with the merchant race

1080

00:41:57,109 --> 00:41:54,000

the merchant class you know people can

1081

00:41:58,730 --> 00:41:57,119

describe it as you know the Moorish

1082

00:42:01,550 --> 00:41:58,740

but there are many things of it finish

1083

00:42:03,890 --> 00:42:01,560

finishing the Etruscans

1084

00:42:06,710 --> 00:42:03,900

the Etruscans are one of the early

1085

00:42:08,870 --> 00:42:06,720

civilizations found in Mexico

1086

00:42:10,670 --> 00:42:08,880

but yeah I'll get off topic there but

1087

00:42:12,530 --> 00:42:10,680

you can find so much here in the Gulf

1088

00:42:15,290 --> 00:42:12,540

that it would blow your mind

1089

00:42:17,150 --> 00:42:15,300

you know Mexico and the Aztecs and the

1090

00:42:18,530 --> 00:42:17,160

Mayans so it goes away deeper because

1091

00:42:20,990 --> 00:42:18,540

below

1092

00:42:22,910 --> 00:42:21,000

a bunch of these ruins that we know as

1093

00:42:24,589 --> 00:42:22,920

today you know these Mexican ruins well

1094

00:42:27,589 --> 00:42:24,599

they excavated

1095

00:42:29,089 --> 00:42:27,599

100 feet down on some of these ruins and

1096

00:42:31,190 --> 00:42:29,099

they were finding several different

1097

00:42:33,410 --> 00:42:31,200

layers of civilization

1098

00:42:35,450 --> 00:42:33,420

one that was wiped by fire one that was

1099

00:42:36,410 --> 00:42:35,460

wiped by flood another that was wiped by

1100

00:42:38,930 --> 00:42:36,420

mud

1101
00:42:40,430 --> 00:42:38,940
and the Mayan cosmology describes you

1102
00:42:43,790 --> 00:42:40,440
know four different ages that were all

1103
00:42:47,030 --> 00:42:43,800
destroyed by four different elements

1104
00:42:49,310 --> 00:42:47,040
man I want to ask you more about the

1105
00:42:50,630 --> 00:42:49,320
lodestone because I know you know a lot

1106
00:42:52,790 --> 00:42:50,640
about it and it's one of your favorite

1107
00:42:55,790 --> 00:42:52,800
topics but I just wanted to throw this

1108
00:42:59,390 --> 00:42:55,800
in as well so this is a quick one about

1109
00:43:03,650 --> 00:42:59,400
a huge room found underground Mammoth

1110
00:43:05,510 --> 00:43:03,660
Cave in Alabama article from 1888 the

1111
00:43:08,150 --> 00:43:05,520
discovery of what promises to be a

1112
00:43:11,390 --> 00:43:08,160
Wonder a second Kentucky Mammoth Cave

1113
00:43:15,950 --> 00:43:11,400

found they estimate the main room to be

1114

00:43:19,730 --> 00:43:15,960

250 to 300 acres an area having no

1115

00:43:22,849 --> 00:43:19,740

supports but a solid Arch one half mile

1116

00:43:24,470 --> 00:43:22,859

in length the side walls and overhead

1117

00:43:26,690 --> 00:43:24,480

are covered with the most beautiful

1118

00:43:29,450 --> 00:43:26,700

crystals which glistened in the lantern

1119

00:43:32,030 --> 00:43:29,460

light and in many places tall pyramids

1120

00:43:34,809 --> 00:43:32,040

of stalactites and stalagmites were

1121

00:43:38,630 --> 00:43:34,819

found unequal to any ever seen before

1122

00:43:40,849 --> 00:43:38,640

after going three or four hours traces

1123

00:43:42,829 --> 00:43:40,859

of water were found and after going in a

1124

00:43:46,010 --> 00:43:42,839

quarter mile they found a magnificent

1125

00:43:48,410 --> 00:43:46,020

Lake of pure fresh running water crystal

1126
00:43:50,270 --> 00:43:48,420
clear and full of silver fish without

1127
00:43:53,210 --> 00:43:50,280
eyes

1128
00:43:55,490 --> 00:43:53,220
so it's like again underground maybe it

1129
00:43:57,650 --> 00:43:55,500
is radium that

1130
00:44:00,890 --> 00:43:57,660
makes such crystal clear water obviously

1131
00:44:03,710 --> 00:44:00,900
it's unadulterated from pollution from

1132
00:44:05,690 --> 00:44:03,720
the surface in general but that's just a

1133
00:44:08,150 --> 00:44:05,700
quick easy one just to give another

1134
00:44:10,430 --> 00:44:08,160
example of the many many articles you

1135
00:44:13,250 --> 00:44:10,440
have about huge underground things I

1136
00:44:16,609 --> 00:44:13,260
mean 250 Acres that ain't small no but

1137
00:44:21,430 --> 00:44:16,619
yeah a great one lodestones so you

1138
00:44:24,890 --> 00:44:21,440

mentioned that the Obelisk that is in uh

1139

00:44:27,530 --> 00:44:24,900

Central Park okay and Central Park uh

1140

00:44:30,109 --> 00:44:27,540

was decoded or was translated and they

1141

00:44:32,089 --> 00:44:30,119

talk about taking the load like using it

1142

00:44:35,630 --> 00:44:32,099

almost as like a flying carpet it sounds

1143

00:44:38,870 --> 00:44:35,640

like yep but the lodestone is also

1144

00:44:41,089 --> 00:44:38,880

considered to be supposedly the Capstone

1145

00:44:43,490 --> 00:44:41,099

of pyramids or the Great Pyramids and

1146

00:44:44,930 --> 00:44:43,500

you said it relates to agrigors you got

1147

00:44:48,890 --> 00:44:44,940

to tell us about this because this is

1148

00:44:51,470 --> 00:44:48,900

very unique what is lodestone 101

1149

00:44:52,970 --> 00:44:51,480

lodestone 101 so the lodestone is the

1150

00:44:55,250 --> 00:44:52,980

magnetic Stone

1151
00:44:56,630 --> 00:44:55,260
related to magnets that you know your

1152
00:44:59,089 --> 00:44:56,640
everyday magnet

1153
00:45:02,329 --> 00:44:59,099
but to kick it up another notch

1154
00:45:05,329 --> 00:45:02,339
it's kind of the basis of all religions

1155
00:45:07,370 --> 00:45:05,339
in Old alchemical writings they describe

1156
00:45:09,050 --> 00:45:07,380
the lone stone as a living deity and

1157
00:45:11,870 --> 00:45:09,060
that they were worshiped

1158
00:45:13,730 --> 00:45:11,880
and they had Gregor and the thought form

1159
00:45:17,690 --> 00:45:13,740
stuff is a rabbit hole that would take

1160
00:45:20,210 --> 00:45:17,700
very long to describe but basically

1161
00:45:21,950 --> 00:45:20,220
they were making statues

1162
00:45:23,690 --> 00:45:21,960
or they were just worshiping the stone

1163
00:45:26,390 --> 00:45:23,700

itself

1164

00:45:28,130 --> 00:45:26,400

and the stone

1165

00:45:31,250 --> 00:45:28,140

when they would start to lose their

1166

00:45:34,069 --> 00:45:31,260

magnetism or their power however you

1167

00:45:36,890 --> 00:45:34,079

want to describe it they said the best

1168

00:45:39,050 --> 00:45:36,900

way to recharge it was with blood

1169

00:45:41,030 --> 00:45:39,060

goat's blood specifically in one of my

1170

00:45:42,589 --> 00:45:41,040

articles they described that the goat

1171

00:45:44,809 --> 00:45:42,599

and the blood of the goat was the best

1172

00:45:47,390 --> 00:45:44,819

way to re-magnetize or re-energize the

1173

00:45:49,490 --> 00:45:47,400

stone so this could be part of

1174

00:45:52,130 --> 00:45:49,500

the sacrificial system that people are

1175

00:45:54,470 --> 00:45:52,140

familiar with the altar many altars were

1176

00:45:56,809 --> 00:45:54,480

built atop Stone

1177

00:45:59,030 --> 00:45:56,819

and it goes even farther than that

1178

00:46:01,190 --> 00:45:59,040

you know the sacred coronation chair

1179

00:46:02,569 --> 00:46:01,200

that's in England now that was taken

1180

00:46:04,790 --> 00:46:02,579

from Scotland

1181

00:46:07,010 --> 00:46:04,800

The Story Goes and this is a lodestone

1182

00:46:09,650 --> 00:46:07,020

the Cher is built around the lodestone

1183

00:46:11,990 --> 00:46:09,660

The Story Goes that the stone would

1184

00:46:13,970 --> 00:46:12,000

choose the next king and that people

1185

00:46:16,430 --> 00:46:13,980

would come and sit on the chair and it

1186

00:46:18,290 --> 00:46:16,440

would hiss I would make this humming

1187

00:46:20,450 --> 00:46:18,300

sound and they would know that that

1188

00:46:22,490 --> 00:46:20,460

person wasn't meant to be a king

1189

00:46:23,870 --> 00:46:22,500

and it wasn't until someone sat down and

1190

00:46:25,670 --> 00:46:23,880

the stone was silent that person would

1191

00:46:27,710 --> 00:46:25,680

be made King

1192

00:46:29,809 --> 00:46:27,720

now you find stories like this The Sword

1193

00:46:31,970 --> 00:46:29,819

and the stone King Arthur

1194

00:46:34,069 --> 00:46:31,980

that's an allegory in my opinion that

1195

00:46:37,190 --> 00:46:34,079

only the person that the stone chooses

1196

00:46:42,349 --> 00:46:39,890

and the stone as I've

1197

00:46:44,870 --> 00:46:42,359

talked about before and shown through my

1198

00:46:47,270 --> 00:46:44,880

research in my opinion of course but was

1199

00:46:49,790 --> 00:46:47,280

known as the deity Janus

1200

00:46:51,109 --> 00:46:49,800

and Janus was the Roman deity the

1201

00:46:52,370 --> 00:46:51,119

two-faced God

1202

00:46:54,410 --> 00:46:52,380

and

1203

00:46:56,210 --> 00:46:54,420

it's my opinion that he was the god of

1204

00:46:57,890 --> 00:46:56,220

gods that every

1205

00:46:58,910 --> 00:46:57,900

all these different religions and these

1206

00:47:00,650 --> 00:46:58,920

different groups of people all have

1207

00:47:02,809 --> 00:47:00,660

these different pantheons essentially

1208

00:47:05,990 --> 00:47:02,819

and they all go to Janus and what that

1209

00:47:07,430 --> 00:47:06,000

is it's the lodestone it's magnetism

1210

00:47:08,990 --> 00:47:07,440

you know the two hemispheres of the

1211

00:47:10,970 --> 00:47:09,000

brain

1212

00:47:13,910 --> 00:47:10,980

just the dualistic nature of our realm

1213

00:47:16,370 --> 00:47:13,920

in general and that's kind of like the

1214

00:47:19,250 --> 00:47:16,380

starting point Janus and the lodestone

1215

00:47:21,950 --> 00:47:19,260

the symbol of which were the monad

1216

00:47:23,870 --> 00:47:21,960

and you know the flower of life and all

1217

00:47:26,089 --> 00:47:23,880

these different geometrical shapes you

1218

00:47:27,410 --> 00:47:26,099

know through the monad this is what I

1219

00:47:29,630 --> 00:47:27,420

was talking about a little bit too when

1220

00:47:32,210 --> 00:47:29,640

we were mentioning Cuba and the Gulf of

1221

00:47:33,710 --> 00:47:32,220

Mexico and the Fertile Crescent

1222

00:47:36,410 --> 00:47:33,720

well

1223

00:47:37,970 --> 00:47:36,420

symbolically the Fertile Crescent would

1224

00:47:41,450 --> 00:47:37,980

be the egg

1225

00:47:43,790 --> 00:47:41,460

or the womb and the Cuba or the Kaaba

1226
00:47:47,030 --> 00:47:43,800
the impregnator would be the sperm or

1227
00:47:49,609 --> 00:47:47,040
the cell and the monad and the center

1228
00:47:50,930 --> 00:47:49,619
inside of a cell right the dotted side

1229
00:47:53,809 --> 00:47:50,940
of the circle

1230
00:47:54,770 --> 00:47:53,819
would be the impregnated egg and when

1231
00:47:56,150 --> 00:47:54,780
you

1232
00:47:58,849 --> 00:47:56,160
study

1233
00:48:01,250 --> 00:47:58,859
how cells divide and replicate they

1234
00:48:04,730 --> 00:48:01,260
follow the Flower of Life this pattern

1235
00:48:08,569 --> 00:48:04,740
that I'm sure you're familiar with and

1236
00:48:12,290 --> 00:48:08,579
that is all magnetic and the sperm in

1237
00:48:14,150 --> 00:48:12,300
the egg is this symbology you know it's

1238
00:48:17,510 --> 00:48:14,160

in the Washington Monument

1239

00:48:19,609 --> 00:48:17,520

it's everywhere the phallus worship is

1240

00:48:22,190 --> 00:48:19,619

the sperm and the Egg and

1241

00:48:23,809 --> 00:48:22,200

it all goes back to this one symbol and

1242

00:48:26,150 --> 00:48:23,819

this one deity

1243

00:48:29,270 --> 00:48:26,160

and yeah

1244

00:48:31,430 --> 00:48:29,280

many churches have a sacred stone

1245

00:48:34,190 --> 00:48:31,440

no I mentioned the cobblestone

1246

00:48:36,890 --> 00:48:34,200

the Torah has Sacred Stones Christianity

1247

00:48:38,870 --> 00:48:36,900

has Sacred Stones much of what we

1248

00:48:40,430 --> 00:48:38,880

describe when we hear about Jesus being

1249

00:48:42,650 --> 00:48:40,440

the door in the path and all these

1250

00:48:45,309 --> 00:48:42,660

things well Janus is the door

1251

00:48:48,109 --> 00:48:45,319

he was the key carrier to gateways

1252

00:48:51,730 --> 00:48:48,119

Pathways river systems

1253

00:48:55,670 --> 00:48:51,740

arches and he has a million overlays

1254

00:48:58,730 --> 00:48:55,680

with Jesus and

1255

00:49:00,290 --> 00:48:58,740

many other quote unquote Gods but yeah

1256

00:49:02,809 --> 00:49:00,300

that's just kind of a quick synopsis

1257

00:49:05,089 --> 00:49:02,819

right on I could go all day about Janus

1258

00:49:07,790 --> 00:49:05,099

but again people that are interested

1259

00:49:09,650 --> 00:49:07,800

it's a rabbit hole I'm sure I'm sure but

1260

00:49:13,069 --> 00:49:09,660

it is something I don't hear a ton of

1261

00:49:15,710 --> 00:49:13,079

people talking about so kudos to you for

1262

00:49:17,809 --> 00:49:15,720

having kind of a your thumb on the pulse

1263

00:49:20,930 --> 00:49:17,819

of something that just is pretty off the

1264

00:49:23,270 --> 00:49:20,940

radar for a lot of other people and so

1265

00:49:25,250 --> 00:49:23,280

while we still have enough time for one

1266

00:49:28,130 --> 00:49:25,260

more thing in the first hour It's gotta

1267

00:49:30,910 --> 00:49:28,140

be orphan trains and baby Farms this is

1268

00:49:32,990 --> 00:49:30,920

a real synchronicity for me and a total

1269

00:49:35,210 --> 00:49:33,000

180 from everything we've been talking

1270

00:49:37,190 --> 00:49:35,220

about kind of but one of the threads

1271

00:49:38,870 --> 00:49:37,200

that's just insane that I've been really

1272

00:49:40,910 --> 00:49:38,880

interested in over the last year or so

1273

00:49:42,950 --> 00:49:40,920

is these orphan trains that if you do

1274

00:49:45,170 --> 00:49:42,960

some digging even just a basic Google

1275

00:49:47,210 --> 00:49:45,180

image search at the beginning of the

1276

00:49:49,309 --> 00:49:47,220

Industrial Age little kids are being

1277

00:49:50,569 --> 00:49:49,319

loaded on trains and shipped all over

1278

00:49:53,750 --> 00:49:50,579

the country and all over the world

1279

00:49:55,430 --> 00:49:53,760

really they'd arrive in the city and it

1280

00:49:58,069 --> 00:49:55,440

would just be announced hey the train is

1281

00:50:00,829 --> 00:49:58,079

here if you need some labors come and

1282

00:50:03,230 --> 00:50:00,839

get them and it starts to seem like

1283

00:50:05,690 --> 00:50:03,240

towns and cities were being repopulated

1284

00:50:07,910 --> 00:50:05,700

after some massive cataclysm or some

1285

00:50:11,270 --> 00:50:07,920

type of reset okay but then you have

1286

00:50:13,849 --> 00:50:11,280

this other layer where the world's fairs

1287

00:50:16,609 --> 00:50:13,859

were showing off incubator baby with no

1288

00:50:18,470 --> 00:50:16,619

parents to be found around them and this

1289

00:50:21,170 --> 00:50:18,480

other channel that's quite popular mind

1290

00:50:22,790 --> 00:50:21,180

unveiled who I'm talking to right now

1291

00:50:24,650 --> 00:50:22,800

actually about coming on and arranging

1292

00:50:27,410 --> 00:50:24,660

an interview well they did this Wild

1293

00:50:31,370 --> 00:50:27,420

video showing all these old postcards

1294

00:50:34,910 --> 00:50:31,380

and artwork of growing babies like baby

1295

00:50:38,089 --> 00:50:34,920

Farms with imagery of them being grown

1296

00:50:40,490 --> 00:50:38,099

like crops and these old postcards and

1297

00:50:42,170 --> 00:50:40,500

images are just really interesting but

1298

00:50:45,170 --> 00:50:42,180

it also kind of invokes the brand

1299

00:50:48,890 --> 00:50:45,180

Cabbage Patch Kids this allusion to a

1300

00:50:50,990 --> 00:50:48,900

real history of growing cloning farming

1301
00:50:53,569 --> 00:50:51,000
children at a time when no one would

1302
00:50:55,790 --> 00:50:53,579
consider that possible and then the

1303
00:50:58,609 --> 00:50:55,800
synchronicity is that you actually

1304
00:51:02,809 --> 00:50:58,619
talked about this even before mind

1305
00:51:04,730 --> 00:51:02,819
unveiled went viral-ish with it so now I

1306
00:51:06,770 --> 00:51:04,740
have to have you break this all down and

1307
00:51:10,190 --> 00:51:06,780
talk to us about how you even ended up

1308
00:51:13,010 --> 00:51:10,200
coming across it and how you fit this

1309
00:51:15,950 --> 00:51:13,020
into the larger context what is the deal

1310
00:51:17,930 --> 00:51:15,960
with these baby Farms or this early

1311
00:51:22,430 --> 00:51:17,940
cloning program

1312
00:51:24,650 --> 00:51:22,440
yeah so years ago I was I bought a book

1313
00:51:26,030 --> 00:51:24,660

about the exhibition that happened here

1314

00:51:28,609 --> 00:51:26,040

in my home City

1315

00:51:31,490 --> 00:51:28,619

Portland Oregon and

1316

00:51:33,349 --> 00:51:31,500

because you know the research for this

1317

00:51:34,790 --> 00:51:33,359

was years ago and it was few and far

1318

00:51:36,410 --> 00:51:34,800

between and you know it was a bit of an

1319

00:51:37,670 --> 00:51:36,420

echo chamber as far as what people were

1320

00:51:38,990 --> 00:51:37,680

saying about it kind of like what you

1321

00:51:40,790 --> 00:51:39,000

mentioned with the Ingersoll book I

1322

00:51:42,970 --> 00:51:40,800

wanted to get my hands on something

1323

00:51:45,710 --> 00:51:42,980

and really kind of dig into it myself

1324

00:51:48,530 --> 00:51:45,720

and the number one thing

1325

00:51:50,990 --> 00:51:48,540

aside from the construction was the

1326

00:51:52,670 --> 00:51:51,000

incubator room

1327

00:51:54,109 --> 00:51:52,680

so just through that it just was

1328

00:51:55,250 --> 00:51:54,119

incredibly interesting to me and I

1329

00:51:57,170 --> 00:51:55,260

wanted to understand a little bit more

1330

00:52:00,349 --> 00:51:57,180

about it

1331

00:52:03,530 --> 00:52:00,359

and yeah it led me down a rabbit hole

1332

00:52:05,569 --> 00:52:03,540

the Cabbage Patch imagery well again

1333

00:52:07,250 --> 00:52:05,579

people can look through some of my old

1334

00:52:09,890 --> 00:52:07,260

posts or you can do some of your own

1335

00:52:11,390 --> 00:52:09,900

research mine unveiled you know he does

1336

00:52:14,030 --> 00:52:11,400

great work we've had a lot of dialogue

1337

00:52:19,069 --> 00:52:16,430

this is an image that was shown in the

1338

00:52:21,049 --> 00:52:19,079

newspapers babies being grown

1339

00:52:22,549 --> 00:52:21,059

again this kind of ties in with historic

1340

00:52:24,349 --> 00:52:22,559

imagery

1341

00:52:26,329 --> 00:52:24,359

you know babies being delivered and

1342

00:52:29,089 --> 00:52:26,339

guess what babies were delivered to your

1343

00:52:31,370 --> 00:52:29,099

door by the post office

1344

00:52:33,829 --> 00:52:31,380

I heard you say that pretty unbelievable

1345

00:52:37,190 --> 00:52:33,839

but apparently there's some some written

1346

00:52:39,710 --> 00:52:37,200

material you found that suggests that oh

1347

00:52:41,510 --> 00:52:39,720

yeah yeah again people can look into

1348

00:52:43,190 --> 00:52:41,520

this themselves or look into my work or

1349

00:52:45,650 --> 00:52:43,200

mine unveiled you know he did obviously

1350

00:52:48,410 --> 00:52:45,660

a much more in-depth video on it but

1351
00:52:49,970 --> 00:52:48,420
yeah I did an interview with Andreas

1352
00:52:52,190 --> 00:52:49,980
exertus

1353
00:52:54,770 --> 00:52:52,200
I think three years ago now

1354
00:52:56,210 --> 00:52:54,780
and through that book I got about my

1355
00:52:57,890 --> 00:52:56,220
exhibition I started looking into the

1356
00:53:02,150 --> 00:52:57,900
incubators

1357
00:53:05,089 --> 00:53:02,160
and that's a fairly difficult subject to

1358
00:53:07,609 --> 00:53:05,099
find information on we really gotta dig

1359
00:53:09,230 --> 00:53:07,619
and the patent work on it was incredibly

1360
00:53:11,390 --> 00:53:09,240
interesting you're finding a lot of odd

1361
00:53:12,890 --> 00:53:11,400
companies Rockefeller had his ties in it

1362
00:53:14,390 --> 00:53:12,900
as well

1363
00:53:16,490 --> 00:53:14,400

and

1364

00:53:18,710 --> 00:53:16,500

Europe had what were called Baby Farms

1365

00:53:20,950 --> 00:53:18,720

they had baby farms in America too but

1366

00:53:24,829 --> 00:53:20,960

Europe had the big big ones

1367

00:53:27,470 --> 00:53:24,839

royalty of Russia St Petersburg

1368

00:53:29,030 --> 00:53:27,480

royalty in Switzerland

1369

00:53:31,010 --> 00:53:29,040

Austria

1370

00:53:34,430 --> 00:53:31,020

Poland

1371

00:53:35,990 --> 00:53:34,440

they had what they called Baby farms and

1372

00:53:37,790 --> 00:53:36,000

the biggest one I could find was I

1373

00:53:39,890 --> 00:53:37,800

believe St Petersburg

1374

00:53:42,530 --> 00:53:39,900

this is public information

1375

00:53:44,390 --> 00:53:42,540

which is incredibly weird

1376

00:53:47,030 --> 00:53:44,400

they touted that they had fifteen

1377

00:53:50,630 --> 00:53:47,040

thousand babies in their baby Farm

1378

00:53:53,270 --> 00:53:50,640

now what they are doing with these kids

1379

00:53:56,390 --> 00:53:53,280

one can only guess but when you study

1380

00:53:58,910 --> 00:53:56,400

orphan trains and all of these things

1381

00:54:01,430 --> 00:53:58,920

it seems very much like these were some

1382

00:54:03,109 --> 00:54:01,440

sort of a tool for repopulating areas

1383

00:54:05,750 --> 00:54:03,119

and

1384

00:54:07,790 --> 00:54:05,760

when you look at the movement West in

1385

00:54:08,750 --> 00:54:07,800

America not just the movement West but

1386

00:54:10,490 --> 00:54:08,760

that's a big one I would say

1387

00:54:13,190 --> 00:54:10,500

percentage-wise

1388

00:54:14,930 --> 00:54:13,200

the orphan trains have a huge

1389

00:54:16,790 --> 00:54:14,940

part of that

1390

00:54:18,230 --> 00:54:16,800

you'll find factories all over the east

1391

00:54:21,049 --> 00:54:18,240

as well

1392

00:54:22,370 --> 00:54:21,059

that after the Civil War

1393

00:54:24,290 --> 00:54:22,380

being

1394

00:54:25,970 --> 00:54:24,300

filled with children

1395

00:54:28,670 --> 00:54:25,980

and where are these children coming from

1396

00:54:31,549 --> 00:54:28,680

well it seems the majority of them are

1397

00:54:33,109 --> 00:54:31,559

coming from Europe and where they're

1398

00:54:34,430 --> 00:54:33,119

coming from before that where are their

1399

00:54:36,829 --> 00:54:34,440

parents

1400

00:54:39,410 --> 00:54:36,839

I think this has a lot to do with more

1401
00:54:42,950 --> 00:54:39,420
lives being lost in World War One than

1402
00:54:45,170 --> 00:54:42,960
we know and the Bolsheviks tie into this

1403
00:54:46,609 --> 00:54:45,180
and you could even take it a step

1404
00:54:48,290 --> 00:54:46,619
further since we're talking so much

1405
00:54:50,510 --> 00:54:48,300
about the underground

1406
00:54:52,790 --> 00:54:50,520
I've hypothesized too that there were

1407
00:54:55,130 --> 00:54:52,800
part of these underground cities

1408
00:54:59,049 --> 00:54:55,140
and they connect with dumbs deep

1409
00:55:01,849 --> 00:54:59,059
underground military bases are all where

1410
00:55:03,650 --> 00:55:01,859
these cave systems were in my old

1411
00:55:05,569 --> 00:55:03,660
articles they pretty much correlate

1412
00:55:07,430 --> 00:55:05,579
almost perfectly

1413
00:55:10,609 --> 00:55:07,440

so the governments are taking over these

1414

00:55:12,410 --> 00:55:10,619

old world cave systems and I would

1415

00:55:15,770 --> 00:55:12,420

postulate that there are cities down

1416

00:55:17,870 --> 00:55:15,780

there very very large ones I have a

1417

00:55:21,109 --> 00:55:17,880

handful of articles about incredible

1418

00:55:23,089 --> 00:55:21,119

cities that they found completely intact

1419

00:55:25,370 --> 00:55:23,099

like I said some with running water some

1420

00:55:27,349 --> 00:55:25,380

with cities some with lights still

1421

00:55:29,870 --> 00:55:27,359

burning they called them an everlasting

1422

00:55:32,390 --> 00:55:29,880

flame they were using natural gas

1423

00:55:33,170 --> 00:55:32,400

to light their torches then they were

1424

00:55:35,030 --> 00:55:33,180

still

1425

00:55:37,430 --> 00:55:35,040

burning when they got down there this

1426
00:55:40,609 --> 00:55:37,440
was found in Mexico in Missouri Colorado

1427
00:55:42,170 --> 00:55:40,619
Nevada they find ancient cities the

1428
00:55:44,390 --> 00:55:42,180
lights are still on you know that

1429
00:55:48,049 --> 00:55:44,400
doesn't make any sense anyways I've

1430
00:55:49,670 --> 00:55:48,059
hypothesized that part of that was they

1431
00:55:51,829 --> 00:55:49,680
perhaps we're raising these children

1432
00:55:54,290 --> 00:55:51,839
underground could it be clones I don't

1433
00:55:55,970 --> 00:55:54,300
have any textual evidence of that I say

1434
00:55:56,990 --> 00:55:55,980
at this point in my life anything's

1435
00:55:58,370 --> 00:55:57,000
possible

1436
00:56:01,609 --> 00:55:58,380
and then you know you have some of that

1437
00:56:02,990 --> 00:56:01,619
Epstein stuff that ties nicely into you

1438
00:56:05,030 --> 00:56:03,000

know what he wanted to do and what he

1439

00:56:06,650 --> 00:56:05,040

was doing and you know his compound

1440

00:56:08,750 --> 00:56:06,660

where he had tons of underground

1441

00:56:11,809 --> 00:56:08,760

facilities and you know he wanted to

1442

00:56:14,270 --> 00:56:11,819

raise a population based around you know

1443

00:56:15,950 --> 00:56:14,280

his blood or you know his children

1444

00:56:19,190 --> 00:56:15,960

essentially and you know Star Wars

1445

00:56:21,589 --> 00:56:19,200

references this with taking the one man

1446

00:56:22,910 --> 00:56:21,599

and creating an entire Army of clones

1447

00:56:25,970 --> 00:56:22,920

from him

1448

00:56:28,190 --> 00:56:25,980

but yeah it's very interesting and not

1449

00:56:30,829 --> 00:56:28,200

outside of the realm of possibilities

1450

00:56:32,270 --> 00:56:30,839

when you're looking into the things that

1451

00:56:34,309 --> 00:56:32,280

I talk about

1452

00:56:35,870 --> 00:56:34,319

yes and it's unfortunate that we don't

1453

00:56:37,730 --> 00:56:35,880

have the visual reference because when

1454

00:56:39,710 --> 00:56:37,740

you start looking at these postcards

1455

00:56:42,230 --> 00:56:39,720

you're like who would make these and

1456

00:56:44,809 --> 00:56:42,240

what are they about it it's it's very

1457

00:56:47,809 --> 00:56:44,819

strange and it's creepy yes I've also

1458

00:56:50,510 --> 00:56:47,819

looked into some kind of ethereal

1459

00:56:54,049 --> 00:56:50,520

science related to the connection

1460

00:56:55,970 --> 00:56:54,059

between electricity and biology and

1461

00:56:59,690 --> 00:56:55,980

there's some interesting stuff there

1462

00:57:03,049 --> 00:56:59,700

it's not just about using The Ether to

1463

00:57:05,390 --> 00:57:03,059

light lights or or create electricity or

1464

00:57:08,089 --> 00:57:05,400

energy in that sense but there's a real

1465

00:57:11,569 --> 00:57:08,099

relationship with Biology and they've

1466

00:57:14,150 --> 00:57:11,579

done experiments with exposing

1467

00:57:16,910 --> 00:57:14,160

salmon eggs I believe it was two

1468

00:57:19,430 --> 00:57:16,920

different frequencies and they grow

1469

00:57:22,309 --> 00:57:19,440

three times bigger yeah weird stuff like

1470

00:57:24,410 --> 00:57:22,319

that eggs yeah they did it with rats

1471

00:57:26,390 --> 00:57:24,420

they did it with things that weren't

1472

00:57:28,309 --> 00:57:26,400

just eggs but yeah all kinds of stuff

1473

00:57:29,809 --> 00:57:28,319

yeah so you probably even know more

1474

00:57:31,549 --> 00:57:29,819

about that rabbit hole than me but it

1475

00:57:33,530 --> 00:57:31,559

seems like it Rhymes a little bit with

1476
00:57:35,450 --> 00:57:33,540
this babies and incubators thing maybe

1477
00:57:39,170 --> 00:57:35,460
there's a technology there that again it

1478
00:57:41,690 --> 00:57:39,180
isn't some uh it isn't super complicated

1479
00:57:43,250 --> 00:57:41,700
where it needs some big genetics lab but

1480
00:57:47,030 --> 00:57:43,260
it's something more with these natural

1481
00:57:48,530 --> 00:57:47,040
forces that maybe you blast in uh some

1482
00:57:50,270 --> 00:57:48,540
kind of mammal egg with a certain

1483
00:57:51,890 --> 00:57:50,280
frequency and it turns into a human baby

1484
00:57:53,290 --> 00:57:51,900
I don't know how that stuff works it's

1485
00:57:56,750 --> 00:57:53,300
very

1486
00:57:58,370 --> 00:57:56,760
hologram-ish but uh there's some weird

1487
00:57:59,809 --> 00:57:58,380
stuff there that could make this seem

1488
00:58:02,150 --> 00:57:59,819

even more possible

1489

00:58:03,829 --> 00:58:02,160

yeah absolutely

1490

00:58:06,890 --> 00:58:03,839

yeah they were doing experiments with

1491

00:58:09,470 --> 00:58:06,900

radium and frog eggs

1492

00:58:11,210 --> 00:58:09,480

and I believe what they don't want to

1493

00:58:12,650 --> 00:58:11,220

put out in papers and when the

1494

00:58:14,569 --> 00:58:12,660

government started doing its own

1495

00:58:16,910 --> 00:58:14,579

experiments and the Germans were 30

1496

00:58:18,589 --> 00:58:16,920

years ahead of the US government again

1497

00:58:20,150 --> 00:58:18,599

while I was postulating that perhaps

1498

00:58:21,290 --> 00:58:20,160

these were Awards had something to do

1499

00:58:23,750 --> 00:58:21,300

with this

1500

00:58:25,790 --> 00:58:23,760

but in one of my articles I've and I

1501

00:58:28,370 --> 00:58:25,800

haven't shared on Twitter

1502

00:58:32,210 --> 00:58:28,380

they talk about creating a race of

1503

00:58:35,569 --> 00:58:32,220

superhumans with radium men that will

1504

00:58:37,730 --> 00:58:35,579

have Superior strength and can't die

1505

00:58:39,470 --> 00:58:37,740

and I've also kind of done some movie

1506

00:58:42,849 --> 00:58:39,480

decodes over the years and talked about

1507

00:58:45,349 --> 00:58:42,859

how you know the Hulk and these Marvel

1508

00:58:48,109 --> 00:58:45,359

superheroes that these all are related

1509

00:58:49,910 --> 00:58:48,119

to radium experiments and

1510

00:58:52,309 --> 00:58:49,920

things that they were

1511

00:58:53,690 --> 00:58:52,319

you know truth is Stranger Than Fiction

1512

00:58:55,549 --> 00:58:53,700

I believe that they're getting a lot of

1513

00:58:56,770 --> 00:58:55,559

these stories from actual things that

1514

00:59:00,289 --> 00:58:56,780

were happening

1515

00:59:02,809 --> 00:59:00,299

yeah I mean there's some entry level

1516

00:59:05,630 --> 00:59:02,819

stuff regarding that where you could

1517

00:59:07,430 --> 00:59:05,640

look at all the James Bond films and Ian

1518

00:59:08,990 --> 00:59:07,440

Fleming and he was connected to

1519

00:59:12,049 --> 00:59:09,000

intelligence and then all these Bond

1520

00:59:14,510 --> 00:59:12,059

super villains are actually carrying out

1521

00:59:17,329 --> 00:59:14,520

plots that seem to be real conspiracies

1522

00:59:19,309 --> 00:59:17,339

so that's like layer one to that and

1523

00:59:20,930 --> 00:59:19,319

yeah I'm sure it just goes even deeper

1524

00:59:23,930 --> 00:59:20,940

but if you can find layer one at least

1525

00:59:26,030 --> 00:59:23,940

that's a precedent for seeding things in

1526

00:59:28,130 --> 00:59:26,040

fiction and I definitely think they do

1527

00:59:31,010 --> 00:59:28,140

so that when someone hears about

1528

00:59:33,289 --> 00:59:31,020

Egyptian Stargates they're like Oh you

1529

00:59:34,789 --> 00:59:33,299

mean like the movie Stargate you [h__\h]

1530

00:59:37,309 --> 00:59:34,799

and it's like where do you think the

1531

00:59:39,349 --> 00:59:37,319

movie Stargate got the idea oh exactly

1532

00:59:41,030 --> 00:59:39,359

it's like they kind of flip it on you

1533

00:59:43,910 --> 00:59:41,040

because the psychology is oh you're

1534

00:59:45,829 --> 00:59:43,920

pulling things from movies and trying to

1535

00:59:47,930 --> 00:59:45,839

say they're real it's like well you know

1536

00:59:49,730 --> 00:59:47,940

look at who wrote the script and and who

1537

00:59:52,609 --> 00:59:49,740

they're connected to and what secret

1538

00:59:56,390 --> 00:59:52,619

information they might be privy to but

1539

00:59:59,150 --> 00:59:56,400

you are really great at finding unusual

1540

01:00:02,990 --> 00:59:59,160

things and then putting them into a a

1541

01:00:05,690 --> 01:00:03,000

new context and I appreciate it as we're

1542

01:00:08,809 --> 01:00:05,700

wrapping up I wanted to ask you more

1543

01:00:10,250 --> 01:00:08,819

about this concept of tartaria a lot of

1544

01:00:13,010 --> 01:00:10,260

these things we've talked about fall

1545

01:00:15,950 --> 01:00:13,020

under the broad umbrella of tataria

1546

01:00:17,870 --> 01:00:15,960

research let's just call it and in all

1547

01:00:20,089 --> 01:00:17,880

of these isolated examples and articles

1548

01:00:22,130 --> 01:00:20,099

are some really fascinating things that

1549

01:00:24,710 --> 01:00:22,140

don't make sense with the current model

1550

01:00:26,870 --> 01:00:24,720

of history or science but when you add

1551

01:00:29,750 --> 01:00:26,880

them all up and label this ancient

1552

01:00:33,049 --> 01:00:29,760

Advanced widespread culture tataria

1553

01:00:34,970 --> 01:00:33,059

there are just so many researchers in

1554

01:00:36,770 --> 01:00:34,980

the broad conspiracy field that are

1555

01:00:39,530 --> 01:00:36,780

pretty open to a lot of things but on

1556

01:00:41,569 --> 01:00:39,540

tartaria they just say this is a

1557

01:00:43,190 --> 01:00:41,579

[h__\h] conclusion from people who are

1558

01:00:45,470 --> 01:00:43,200

ignorant of history and are cherry

1559

01:00:48,049 --> 01:00:45,480

picking these things and making wild

1560

01:00:50,990 --> 01:00:48,059

leaves to construct this utopian model

1561

01:00:53,870 --> 01:00:51,000

that is just not accurate I know several

1562

01:00:56,750 --> 01:00:53,880

of them that have done real mind-blowing

1563

01:00:59,450 --> 01:00:56,760

work and then say well the tataria stuff

1564

01:01:01,190 --> 01:00:59,460

is dumb nonsense they say Arya was never

1565

01:01:04,430 --> 01:01:01,200

a civilization but it was a sort of

1566

01:01:07,069 --> 01:01:04,440

pejorative term for huge swaths of the

1567

01:01:08,870 --> 01:01:07,079

unexplored world back in the day I just

1568

01:01:10,789 --> 01:01:08,880

feel kind of stuck in the middle of

1569

01:01:13,549 --> 01:01:10,799

finding this all really fascinating but

1570

01:01:15,950 --> 01:01:13,559

also not really knowing how far to

1571

01:01:18,109 --> 01:01:15,960

really run with it and you didn't bring

1572

01:01:20,630 --> 01:01:18,119

up tartaria at all these are just

1573

01:01:23,630 --> 01:01:20,640

newspaper articles of very interesting

1574

01:01:25,370 --> 01:01:23,640

things but you are aware obviously with

1575

01:01:29,150 --> 01:01:25,380

the name of your old radio show that

1576

01:01:34,130 --> 01:01:29,160

this is a segment of conspiracy research

1577

01:01:35,809 --> 01:01:34,140

that is typically labeled tataria well I

1578

01:01:38,390 --> 01:01:35,819

guess I'm asking you to speak to those

1579

01:01:40,309 --> 01:01:38,400

researchers or to speak to this division

1580

01:01:42,170 --> 01:01:40,319

of what those folks might be missing

1581

01:01:45,170 --> 01:01:42,180

that keeps them from entertaining this

1582

01:01:47,030 --> 01:01:45,180

tataria idea or just your thoughts on

1583

01:01:52,010 --> 01:01:47,040

that label

1584

01:01:54,530 --> 01:01:52,020

yeah um you know my posts can seem

1585

01:01:55,849 --> 01:01:54,540

incredibly outlandish or fairy

1586

01:01:58,130 --> 01:01:55,859

tale-esque

1587

01:02:00,170 --> 01:01:58,140

in a lot of ways and I don't blame

1588

01:02:02,150 --> 01:02:00,180

people but as you've learned in life and

1589

01:02:03,410 --> 01:02:02,160

as I'm learning as well

1590

01:02:05,450 --> 01:02:03,420

you need

1591

01:02:07,549 --> 01:02:05,460

so much

1592

01:02:10,609 --> 01:02:07,559

information and you need to really

1593

01:02:12,770 --> 01:02:10,619

invest a lot of time into getting a

1594

01:02:15,170 --> 01:02:12,780

million different opinions and looking

1595

01:02:17,329 --> 01:02:15,180

at a million different perspectives to

1596

01:02:20,750 --> 01:02:17,339

build your own opinion of things

1597

01:02:22,309 --> 01:02:20,760

and nothing could be more true than

1598

01:02:24,410 --> 01:02:22,319

talking about

1599

01:02:26,329 --> 01:02:24,420

tolkien's writings being

1600

01:02:28,670 --> 01:02:26,339

in my opinion true

1601

01:02:31,789 --> 01:02:28,680

or more realistic description of what

1602

01:02:35,210 --> 01:02:31,799

the world was like perhaps a reset ago

1603

01:02:37,849 --> 01:02:35,220

and an age before some kind of cataclysm

1604

01:02:39,109 --> 01:02:37,859

and tartaria fits in that umbrella as

1605

01:02:41,450 --> 01:02:39,119

well

1606

01:02:42,890 --> 01:02:41,460

if you haven't invested enough time you

1607

01:02:44,990 --> 01:02:42,900

haven't looked at all the people being

1608

01:02:47,150 --> 01:02:45,000

described as tartarians you haven't

1609

01:02:49,430 --> 01:02:47,160

looked into the languages if you haven't

1610

01:02:51,530 --> 01:02:49,440

invested enough

1611

01:02:53,270 --> 01:02:51,540

it's gonna seem really crazy and there's

1612

01:02:55,069 --> 01:02:53,280

a positive end to that and a negative

1613

01:02:56,990 --> 01:02:55,079

there are a lot of people that talk

1614

01:02:58,970 --> 01:02:57,000

about this Golden Age being tartery I

1615

01:03:01,730 --> 01:02:58,980

don't think that was the case at all

1616

01:03:03,349 --> 01:03:01,740

there was war there were people doing

1617

01:03:07,490 --> 01:03:03,359

horrible things

1618

01:03:08,809 --> 01:03:07,500

other quote tartarians how I like to

1619

01:03:11,930 --> 01:03:08,819

describe it is

1620

01:03:13,130 --> 01:03:11,940

most of this literature is written under

1621

01:03:16,069 --> 01:03:13,140

control

1622

01:03:16,970 --> 01:03:16,079

or at least through the lens filtered of

1623

01:03:19,309 --> 01:03:16,980

Rome

1624

01:03:21,349 --> 01:03:19,319

or the Catholic Church

1625

01:03:23,690 --> 01:03:21,359

and they described like you said

1626

01:03:25,849 --> 01:03:23,700

unexplored areas I think it was areas

1627

01:03:27,710 --> 01:03:25,859

that they didn't have control over they

1628

01:03:29,690 --> 01:03:27,720

would just label because you know barbar

1629

01:03:31,210 --> 01:03:29,700

and tardar come from the same root and

1630

01:03:33,410 --> 01:03:31,220

often they were

1631

01:03:36,829 --> 01:03:33,420

insulting terms

1632

01:03:39,710 --> 01:03:36,839

kind of ways of describing people less

1633

01:03:42,770 --> 01:03:39,720

capable less Advanced less educated than

1634

01:03:45,130 --> 01:03:42,780

them and also related to paganism people

1635

01:03:48,309 --> 01:03:45,140

that didn't prescribe to this

1636

01:03:52,069 --> 01:03:48,319

Catholicism and there's enough history

1637

01:03:55,370 --> 01:03:52,079

out there and a million books about all

1638

01:03:57,950 --> 01:03:55,380

the forest conversion that the Catholics

1639

01:03:59,450 --> 01:03:57,960

were doing all over Europe and it spread

1640

01:04:01,250 --> 01:03:59,460

out from Rome

1641

01:04:04,010 --> 01:04:01,260

we talked a little bit about the Ben Ben

1642

01:04:06,109 --> 01:04:04,020

Stone and Janus with it all starts there

1643

01:04:08,630 --> 01:04:06,119

all roads lead to Rome

1644

01:04:10,609 --> 01:04:08,640

we could talk about just the stone and

1645

01:04:12,349 --> 01:04:10,619

the worship of the stone and the pine

1646

01:04:22,670 --> 01:04:12,359

cone

1647

01:04:25,670 --> 01:04:22,680

type of tree and the pine nut and the

1648

01:04:27,289 --> 01:04:25,680

pine cone now this tree

1649

01:04:28,609 --> 01:04:27,299

is all over the world you can find it

1650

01:04:30,049 --> 01:04:28,619

all over the place it's even grown in

1651
01:04:33,109 --> 01:04:30,059
Hollywood

1652
01:04:34,970 --> 01:04:33,119
but as a symbol this is the pineal gland

1653
01:04:37,549 --> 01:04:34,980
which people have talked about but the

1654
01:04:39,829 --> 01:04:37,559
pineal gland was the realm of Janus the

1655
01:04:43,910 --> 01:04:39,839
Gateway the doorway

1656
01:04:46,430 --> 01:04:43,920
and yeah so you could think of a kind of

1657
01:04:50,210 --> 01:04:46,440
new paradigm starting in Rome

1658
01:04:53,450 --> 01:04:50,220
and I've connected it with a new

1659
01:04:56,150 --> 01:04:53,460
magnetic Stone becoming God and creating

1660
01:04:58,309 --> 01:04:56,160
its reality again that's

1661
01:05:01,490 --> 01:04:58,319
out there but you know I'm not afraid to

1662
01:05:04,910 --> 01:05:01,500
get too weird on your show so I will yes

1663
01:05:07,069 --> 01:05:04,920

basically it branched from there and to

1664

01:05:09,049 --> 01:05:07,079

use the octopus reference that you know

1665

01:05:10,069 --> 01:05:09,059

you so use in your symbology of your

1666

01:05:11,930 --> 01:05:10,079

show

1667

01:05:15,589 --> 01:05:11,940

the tentacles are the roads of Rome

1668

01:05:18,049 --> 01:05:15,599

extend from there and the places that

1669

01:05:20,809 --> 01:05:18,059

they didn't have control over were often

1670

01:05:23,630 --> 01:05:20,819

labeled or tatari or barbaria

1671

01:05:26,150 --> 01:05:23,640

West and East of Rome yeah tartaria you

1672

01:05:27,230 --> 01:05:26,160

know to the East and barbaria to the

1673

01:05:28,730 --> 01:05:27,240

West

1674

01:05:31,069 --> 01:05:28,740

and often

1675

01:05:33,289 --> 01:05:31,079

there were big confederacies in tartaria

1676

01:05:35,089 --> 01:05:33,299

and I would say it was mostly based on a

1677

01:05:37,789 --> 01:05:35,099

merchant class

1678

01:05:39,230 --> 01:05:37,799

that when you look into the West India

1679

01:05:40,670 --> 01:05:39,240

Company in these first founding

1680

01:05:43,190 --> 01:05:40,680

corporations

1681

01:05:45,710 --> 01:05:43,200

you can kind of see the tentacles taking

1682

01:05:47,390 --> 01:05:45,720

over this huge Empire some call it the

1683

01:05:48,950 --> 01:05:47,400

Moorish Empire there's a lot more to it

1684

01:05:50,210 --> 01:05:48,960

than just the Moorish Empire but that's

1685

01:05:52,010 --> 01:05:50,220

a big part of it

1686

01:05:54,530 --> 01:05:52,020

the expulsion of the Moors and the Jews

1687

01:05:56,630 --> 01:05:54,540

from Spain in 1492 that's a big part of

1688

01:05:58,549 --> 01:05:56,640

it Colombia or Columbus wasn't coming

1689

01:06:00,049 --> 01:05:58,559

over to a land they knew nothing about

1690

01:06:02,329 --> 01:06:00,059

they were chasing the people they

1691

01:06:04,549 --> 01:06:02,339

expelled and trying to take over

1692

01:06:06,289 --> 01:06:04,559

this same concept and you can trace the

1693

01:06:08,690 --> 01:06:06,299

wars from Rome

1694

01:06:10,549 --> 01:06:08,700

the Bolsheviks there's so many that lead

1695

01:06:12,349 --> 01:06:10,559

all the way to the Pacific and the same

1696

01:06:15,349 --> 01:06:12,359

thing all the way to the Atlantic and

1697

01:06:17,690 --> 01:06:15,359

slowly Rome took over the world and it

1698

01:06:20,809 --> 01:06:17,700

starts there and these terms are just

1699

01:06:23,510 --> 01:06:20,819

terms about confederacies quote pagans

1700

01:06:27,349 --> 01:06:23,520

people that were probably going to need

1701

01:06:29,870 --> 01:06:27,359

to be forced conversed or killed and

1702

01:06:32,450 --> 01:06:29,880

this kind of through jumping around

1703

01:06:33,890 --> 01:06:32,460

connects with the world wars and the

1704

01:06:35,930 --> 01:06:33,900

repopulation things that we were talking

1705

01:06:37,670 --> 01:06:35,940

about and

1706

01:06:39,230 --> 01:06:37,680

the underground it's all kind of bridged

1707

01:06:41,990 --> 01:06:39,240

together but yeah the tartarius stuff

1708

01:06:44,990 --> 01:06:42,000

and again this is my opinion

1709

01:06:47,690 --> 01:06:45,000

was just a loose branding of

1710

01:06:50,329 --> 01:06:47,700

pagans or A Confederacy of people they

1711

01:06:53,329 --> 01:06:50,339

weren't all United it wasn't just some

1712

01:06:55,490 --> 01:06:53,339

happy-go-lucky place of unity

1713

01:06:56,809 --> 01:06:55,500

but when you trace the star Forts and

1714

01:06:59,329 --> 01:06:56,819

all of these things you do find there

1715

01:07:01,370 --> 01:06:59,339

had to be some cohesion perhaps that

1716

01:07:02,809 --> 01:07:01,380

comes from a previous age and they were

1717

01:07:04,789 --> 01:07:02,819

being repurposed

1718

01:07:06,650 --> 01:07:04,799

who knows but a lot of the star forts in

1719

01:07:08,390 --> 01:07:06,660

America in America is covered in Star

1720

01:07:10,910 --> 01:07:08,400

forts they've all been dismantled or

1721

01:07:12,529 --> 01:07:10,920

covered in mud there are as many here as

1722

01:07:13,609 --> 01:07:12,539

there were in Europe and the old Maps

1723

01:07:15,529 --> 01:07:13,619

show this

1724

01:07:16,609 --> 01:07:15,539

it seems likely that that was from a

1725

01:07:18,470 --> 01:07:16,619

previous age

1726

01:07:20,569 --> 01:07:18,480

and we've just repurposed them or taken

1727

01:07:21,770 --> 01:07:20,579

them apart or whatever but yeah it

1728

01:07:23,450 --> 01:07:21,780

starts with Rome

1729

01:07:26,029 --> 01:07:23,460

you can just look at the name

1730

01:07:28,010 --> 01:07:26,039

the Romani you know the Etruscans the

1731

01:07:30,109 --> 01:07:28,020

Etruscans have what they would describe

1732

01:07:32,210 --> 01:07:30,119

as the earliest foundation in Rome and

1733

01:07:35,270 --> 01:07:32,220

that they were destroyed

1734

01:07:37,370 --> 01:07:35,280

the etrushkins are Phoenician they are

1735

01:07:39,049 --> 01:07:37,380

part of this Merchant class you can

1736

01:07:42,710 --> 01:07:39,059

trace the Etruscans

1737

01:07:44,569 --> 01:07:42,720

to Mexico all over the East Coast

1738

01:07:46,130 --> 01:07:44,579

The Basque have a lot of relation in

1739

01:07:48,710 --> 01:07:46,140

this too

1740

01:07:49,789 --> 01:07:48,720

but yeah so a group of people took over

1741

01:07:51,770 --> 01:07:49,799

Rome

1742

01:07:53,750 --> 01:07:51,780

and I would say this kind of ties into

1743

01:07:56,690 --> 01:07:53,760

the agragore thought form Ben Ben

1744

01:07:59,870 --> 01:07:56,700

magnetism these living deities it's like

1745

01:08:03,470 --> 01:07:59,880

2001 A Space Odyssey the monolith

1746

01:08:05,329 --> 01:08:03,480

a new King was crowned

1747

01:08:08,569 --> 01:08:05,339

and it was a stone

1748

01:08:10,430 --> 01:08:08,579

and yeah that's weird and out there but

1749

01:08:12,109 --> 01:08:10,440

when you study religions and stone

1750

01:08:13,370 --> 01:08:12,119

worship and thought forms and

1751

01:08:15,109 --> 01:08:13,380

aggregories and all of these things

1752

01:08:17,809 --> 01:08:15,119

again you need a million you got to

1753

01:08:19,010 --> 01:08:17,819

cover a lot of ground to start to piece

1754

01:08:20,990 --> 01:08:19,020

it all together

1755

01:08:24,110 --> 01:08:21,000

and your show has done a great job of

1756

01:08:26,269 --> 01:08:24,120

that for me and hopefully I can fill in

1757

01:08:29,749 --> 01:08:26,279

some holes for people while they're

1758

01:08:32,390 --> 01:08:29,759

listening yeah man I'm so impressed with

1759

01:08:34,189 --> 01:08:32,400

the way you're able to take a lot of

1760

01:08:36,309 --> 01:08:34,199

different information and try to

1761

01:08:40,070 --> 01:08:36,319

incorporate it into a reconstruction

1762

01:08:42,829 --> 01:08:40,080

because you're really not getting all of

1763

01:08:44,450 --> 01:08:42,839

this information from any One Source

1764

01:08:46,610 --> 01:08:44,460

you've got to pull on a bunch of

1765

01:08:49,910 --> 01:08:46,620

different threads I'm just curious do

1766

01:08:52,070 --> 01:08:49,920

you have any favorite books that contain

1767

01:08:53,630 --> 01:08:52,080

aspects of this history that even I

1768

01:08:55,689 --> 01:08:53,640

should follow up on

1769

01:08:58,849 --> 01:08:55,699

hmm not really

1770

01:09:01,789 --> 01:08:58,859

I kind of and you know not to blow smoke

1771

01:09:03,050 --> 01:09:01,799

but really I I listen to your podcast

1772

01:09:06,110 --> 01:09:03,060

for

1773

01:09:06,890 --> 01:09:06,120

since almost its Inception and that's

1774

01:09:09,709 --> 01:09:06,900

about

1775

01:09:12,289 --> 01:09:09,719

one of my only sources from a podcast's

1776

01:09:14,150 --> 01:09:12,299

point of view I don't watch too many

1777

01:09:15,950 --> 01:09:14,160

YouTube videos there are some that I do

1778

01:09:17,990 --> 01:09:15,960

and I've tried to get on with them and

1779

01:09:19,610 --> 01:09:18,000

connect Minds with them

1780

01:09:21,349 --> 01:09:19,620

and

1781

01:09:22,789 --> 01:09:21,359

as far as like

1782

01:09:24,590 --> 01:09:22,799

the stuff we've talked about there's

1783

01:09:26,570 --> 01:09:24,600

really not a lot that's why I've fallen

1784

01:09:29,749 --> 01:09:26,580

in love with newspaper articles yeah

1785

01:09:31,430 --> 01:09:29,759

because it really is so different

1786

01:09:32,570 --> 01:09:31,440

and there are some people out there that

1787

01:09:34,010 --> 01:09:32,580

have written books about this but they

1788

01:09:35,030 --> 01:09:34,020

don't really touch on all these subjects

1789

01:09:36,530 --> 01:09:35,040

like I do

1790

01:09:39,530 --> 01:09:36,540

that's kind of why I've created my

1791

01:09:41,150 --> 01:09:39,540

archive and I still have 90 of my

1792

01:09:43,370 --> 01:09:41,160

archive isn't even published yet so I

1793

01:09:45,650 --> 01:09:43,380

got a lot of work ahead of me

1794

01:09:47,630 --> 01:09:45,660

um but

1795

01:09:49,070 --> 01:09:47,640

the lodestone and all that stuff there's

1796

01:09:51,490 --> 01:09:49,080

nobody really

1797

01:09:55,010 --> 01:09:51,500

it was written a lot about in the 1600s

1798

01:09:57,050 --> 01:09:55,020

1700s but it was very esoteric you know

1799

01:09:59,450 --> 01:09:57,060

the Alchemy ties in with all this stuff

1800

01:10:01,550 --> 01:09:59,460

too and it was very you know for the

1801

01:10:03,890 --> 01:10:01,560

profane only the priest class only as

1802

01:10:06,050 --> 01:10:03,900

you can see that's no more obvious than

1803

01:10:07,930 --> 01:10:06,060

Rome and the symbolism there it's

1804

01:10:11,390 --> 01:10:07,940

ancient it's ancient symbolism

1805

01:10:13,010 --> 01:10:11,400

symbolism's so important and you can

1806

01:10:15,290 --> 01:10:13,020

start there with the symbolism that'll

1807

01:10:17,390 --> 01:10:15,300

lead you to language because from

1808

01:10:19,669 --> 01:10:17,400

language is from you know pictographs

1809

01:10:21,229 --> 01:10:19,679

and so on so forth and you just kind of

1810

01:10:23,990 --> 01:10:21,239

put that time in and

1811

01:10:25,850 --> 01:10:24,000

slowly you'll get to kind of a central

1812

01:10:29,810 --> 01:10:25,860

source and

1813

01:10:31,189 --> 01:10:29,820

it all has led me back to magnetism and

1814

01:10:34,430 --> 01:10:31,199

this realm and Consciousness is

1815

01:10:36,290 --> 01:10:34,440

magnetism it's all One Source you know

1816

01:10:39,229 --> 01:10:36,300

the monad is the brain and

1817

01:10:41,990 --> 01:10:39,239

the two hemispheres the two Duality the

1818

01:10:44,110 --> 01:10:42,000

dualistic nature of magnet

1819

01:10:48,229 --> 01:10:44,120

yeah

1820

01:10:51,590 --> 01:10:48,239

yes man wow well the student has become

1821

01:10:53,990 --> 01:10:51,600

the teacher and I really appreciate you

1822

01:10:56,090 --> 01:10:54,000

uh listening to the show for so long and

1823

01:10:58,910 --> 01:10:56,100

now being a part of it we covered some

1824

01:11:00,950 --> 01:10:58,920

really fun and wild stuff clearly if

1825

01:11:03,050 --> 01:11:00,960

even a fraction of this is true then

1826

01:11:05,090 --> 01:11:03,060

there's so much left to discover and

1827

01:11:08,090 --> 01:11:05,100

it's provocative to go down the road of

1828

01:11:10,010 --> 01:11:08,100

How Deep The manipulation could be so I

1829

01:11:11,689 --> 01:11:10,020

appreciate what you do and the time you

1830

01:11:14,209 --> 01:11:11,699

took to talk to me today give the people

1831

01:11:15,590 --> 01:11:14,219

any links or follow-up info you want

1832

01:11:17,689 --> 01:11:15,600

them to have

1833

01:11:19,669 --> 01:11:17,699

so I have some plans for the future as

1834

01:11:21,350 --> 01:11:19,679

far as like kind of creating a platform

1835

01:11:23,570 --> 01:11:21,360

where I can

1836

01:11:25,669 --> 01:11:23,580

discuss these things openly through my

1837

01:11:28,850 --> 01:11:25,679

own lens you know I really just

1838

01:11:30,350 --> 01:11:28,860

ever since the radio show got taken down

1839

01:11:32,570 --> 01:11:30,360

that was a few years ago I've really

1840

01:11:34,610 --> 01:11:32,580

only just gotten back into

1841

01:11:36,950 --> 01:11:34,620

connecting with people and kind of

1842

01:11:39,290 --> 01:11:36,960

sharing more of my opinions and my

1843

01:11:40,729 --> 01:11:39,300

Outlook on the reality we live in in

1844

01:11:43,550 --> 01:11:40,739

this realm and

1845

01:11:45,950 --> 01:11:43,560

I'm going to be putting together some

1846

01:11:48,410 --> 01:11:45,960

YouTube stuff you know I wouldn't call

1847

01:11:50,510 --> 01:11:48,420

it a podcast but interviews with people

1848

01:11:52,130 --> 01:11:50,520

I'm interested in and trying to get some

1849

01:11:55,430 --> 01:11:52,140

video stuff out there but

1850

01:11:58,370 --> 01:11:55,440

for now you can find me on

1851
01:12:00,950 --> 01:11:58,380
um Twitter I have one underscore analog

1852
01:12:02,810 --> 01:12:00,960
underscore nine and it's the same on

1853
01:12:04,189 --> 01:12:02,820
Instagram I've only been on Instagram

1854
01:12:06,470 --> 01:12:04,199
for a few months and I'm just now

1855
01:12:07,610 --> 01:12:06,480
transitioning some of my favorite stuff

1856
01:12:09,470 --> 01:12:07,620
there

1857
01:12:11,870 --> 01:12:09,480
and the same as my YouTube channel I

1858
01:12:13,790 --> 01:12:11,880
have no videos up yet but

1859
01:12:15,709 --> 01:12:13,800
within a month or so I plan on starting

1860
01:12:16,970 --> 01:12:15,719
a few YouTube shorts

1861
01:12:18,890 --> 01:12:16,980
and kind of reading through these

1862
01:12:21,290 --> 01:12:18,900
articles as we have

1863
01:12:22,729 --> 01:12:21,300

just to bring him to more eyes but yeah

1864

01:12:24,770 --> 01:12:22,739

that's about all I got you know with

1865

01:12:26,270 --> 01:12:24,780

with a family and three little kids it's

1866

01:12:29,209 --> 01:12:26,280

hard to find time too

1867

01:12:31,370 --> 01:12:29,219

but uh you know my goal and dream is to

1868

01:12:32,510 --> 01:12:31,380

provide a living for them a similar way

1869

01:12:35,330 --> 01:12:32,520

that you do

1870

01:12:38,390 --> 01:12:35,340

you know reading and writing and all of

1871

01:12:41,330 --> 01:12:38,400

these things so oh yeah it's kind of

1872

01:12:43,970 --> 01:12:41,340

fortuitous and amazing that I'm on your

1873

01:12:46,610 --> 01:12:43,980

show right now and feel very blessed uh

1874

01:12:49,130 --> 01:12:46,620

well thanks man I really appreciate all

1875

01:12:51,470 --> 01:12:49,140

the work you do and uh I look forward to

1876

01:12:53,090 --> 01:12:51,480

more in the future thanks again keep

1877

01:12:56,090 --> 01:12:53,100

digging and best of luck out there

1878

01:12:57,470 --> 01:12:56,100

thanks so much for having me Andre

1879

01:12:59,570 --> 01:12:57,480

thank you

1880

01:13:01,850 --> 01:12:59,580

heck yeah ladies and gentlemen of the

1881

01:13:03,709 --> 01:13:01,860

internet another new guest who's doing

1882

01:13:06,050 --> 01:13:03,719

some really unique stuff that was

1883

01:13:06,770 --> 01:13:06,060

already familiar with THC when I reached

1884

01:13:09,169 --> 01:13:06,780

out

1885

01:13:12,050 --> 01:13:09,179

that always makes me feel good and makes

1886

01:13:13,310 --> 01:13:12,060

me think things are going to go well and

1887

01:13:15,770 --> 01:13:13,320

they did

1888

01:13:17,570 --> 01:13:15,780

I just really like what analog does it's

1889

01:13:19,490 --> 01:13:17,580

a great strategy if you're going to make

1890

01:13:22,370 --> 01:13:19,500

a name for yourself with this sort of

1891

01:13:24,050 --> 01:13:22,380

research to be the old newspaper

1892

01:13:25,610 --> 01:13:24,060

Oddities guy

1893

01:13:27,169 --> 01:13:25,620

and it makes for some solid interview

1894

01:13:29,510 --> 01:13:27,179

material

1895

01:13:31,790 --> 01:13:29,520

sometimes these articles are a bit hard

1896

01:13:34,370 --> 01:13:31,800

to read because the font is small and

1897

01:13:36,290 --> 01:13:34,380

the scan isn't a hundred percent and the

1898

01:13:37,550 --> 01:13:36,300

language is often a bit different to the

1899

01:13:39,830 --> 01:13:37,560

modern ear

1900

01:13:41,750 --> 01:13:39,840

but we got it done and listening back to

1901

01:13:44,510 --> 01:13:41,760

it I think everything we covered came

1902

01:13:47,030 --> 01:13:44,520

out pretty clear and easy to understand

1903

01:13:49,550 --> 01:13:47,040

the implications may not be easy to wrap

1904

01:13:51,470 --> 01:13:49,560

one's head around at times but that's

1905

01:13:53,630 --> 01:13:51,480

the point I guess

1906

01:13:56,149 --> 01:13:53,640

if you follow analog on Twitter though

1907

01:13:58,010 --> 01:13:56,159

he does a good job of curating the best

1908

01:14:01,010 --> 01:13:58,020

of the best from these newspaper

1909

01:14:03,229 --> 01:14:01,020

archives and highlighting the strangest

1910

01:14:05,090 --> 01:14:03,239

lines from within each article

1911

01:14:07,130 --> 01:14:05,100

and it actually looks like he did a bit

1912

01:14:09,830 --> 01:14:07,140

of a Rebrand between the time of

1913

01:14:11,510 --> 01:14:09,840

recording this and releasing it maybe he

1914

01:14:14,510 --> 01:14:11,520

was just motivated to do more audio

1915

01:14:16,070 --> 01:14:14,520

content his handle and account are the

1916

01:14:18,770 --> 01:14:16,080

same but it looks like he's doing a

1917

01:14:21,169 --> 01:14:18,780

series now called the archivist

1918

01:14:22,729 --> 01:14:21,179

and he's three or four episodes in which

1919

01:14:25,729 --> 01:14:22,739

is great I'm certainly going to add it

1920

01:14:27,830 --> 01:14:25,739

to my long list of things to keep up on

1921

01:14:30,709 --> 01:14:27,840

and maybe we will get with his pal who

1922

01:14:32,510 --> 01:14:30,719

runs the Old World Florida Channel

1923

01:14:34,550 --> 01:14:32,520

seems a bit synchronistic with the

1924

01:14:36,229 --> 01:14:34,560

timing and it might make me more jazzed

1925

01:14:38,149 --> 01:14:36,239

up about moving to Florida and getting

1926

01:14:39,709 --> 01:14:38,159

out and exploring it

1927

01:14:42,169 --> 01:14:39,719

and I guess for those that are curious

1928

01:14:44,030 --> 01:14:42,179

just a quick personal update I did fly

1929

01:14:45,950 --> 01:14:44,040

down there to be present for the

1930

01:14:47,149 --> 01:14:45,960

inspection on this house that accepted

1931

01:14:49,550 --> 01:14:47,159

our offer

1932

01:14:51,709 --> 01:14:49,560

and there were enough red flags that the

1933

01:14:54,169 --> 01:14:51,719

deal got killed

1934

01:14:57,350 --> 01:14:54,179

the house had a sinkhole in the past and

1935

01:14:58,189 --> 01:14:57,360

the property was in a pretty red flood

1936

01:14:59,810 --> 01:14:58,199

zone

1937

01:15:02,510 --> 01:14:59,820

and I could tell there was just some

1938

01:15:05,030 --> 01:15:02,520

Curious language in the listing that

1939

01:15:08,149 --> 01:15:05,040

made me a bit skeptical and once we dug

1940

01:15:10,070 --> 01:15:08,159

a bit deeper it started to feel like we

1941

01:15:12,950 --> 01:15:10,080

should just walk away the final nail in

1942

01:15:14,810 --> 01:15:12,960

the coffin was getting insurance quotes

1943

01:15:18,110 --> 01:15:14,820

and it was going to be a thousand

1944

01:15:21,410 --> 01:15:18,120

dollars a month to insure that house and

1945

01:15:23,450 --> 01:15:21,420

that is a big no but I used the rest of

1946

01:15:24,950 --> 01:15:23,460

the weekend to really explore the area

1947

01:15:26,810 --> 01:15:24,960

and the neighborhoods and I found

1948

01:15:28,189 --> 01:15:26,820

another house that we like in a lot

1949

01:15:29,990 --> 01:15:28,199

better area

1950

01:15:32,630 --> 01:15:30,000

and if all goes well now that we're

1951

01:15:34,910 --> 01:15:32,640

under contract again March will be my

1952

01:15:37,070 --> 01:15:34,920

last month in San Diego

1953

01:15:39,290 --> 01:15:37,080

but I do hear this about Florida that

1954

01:15:41,270 --> 01:15:39,300

insurance is the big killer Yes Yes

1955

01:15:43,250 --> 01:15:41,280

hurricanes we know

1956

01:15:45,649 --> 01:15:43,260

but it's not just that because every

1957

01:15:47,510 --> 01:15:45,659

politician has their little deals that

1958

01:15:49,729 --> 01:15:47,520

they make and apparently DeSantis

1959

01:15:52,729 --> 01:15:49,739

basically lets insurance companies do

1960

01:15:55,550 --> 01:15:52,739

whatever and everyone's rates are going

1961

01:15:57,890 --> 01:15:55,560

way way up so I tried to be pretty

1962

01:16:00,890 --> 01:15:57,900

careful we got a place that's pretty far

1963

01:16:02,870 --> 01:16:00,900

inland out of any flood zone which is

1964

01:16:05,630 --> 01:16:02,880

harder to do than you might think yes

1965

01:16:07,729 --> 01:16:05,640

Florida is a wet place but it's part of

1966

01:16:10,370 --> 01:16:07,739

the insurance scam that you just make

1967

01:16:13,430 --> 01:16:10,380

eighty percent of it a potential flood

1968

01:16:16,669 --> 01:16:13,440

zone and then rake in the extra money

1969

01:16:19,370 --> 01:16:16,679

a couple of the flood plain designations

1970

01:16:21,890 --> 01:16:19,380

actually say in the details they have a

1971

01:16:22,850 --> 01:16:21,900

one percent chance of flooding every

1972

01:16:25,310 --> 01:16:22,860

year

1973

01:16:27,649 --> 01:16:25,320

one percent isn't very much

1974

01:16:29,689 --> 01:16:27,659

but if you can classify the homes of

1975

01:16:31,250 --> 01:16:29,699

tens of thousands maybe even hundreds of

1976

01:16:34,310 --> 01:16:31,260

thousands of people

1977

01:16:36,950 --> 01:16:34,320

under this designation well they're all

1978

01:16:38,689 --> 01:16:36,960

going to be paying you a lot more

1979

01:16:40,550 --> 01:16:38,699

for something that has a one percent

1980

01:16:43,970 --> 01:16:40,560

chance of happening

1981

01:16:46,490 --> 01:16:43,980

good deal for them but it is what it is

1982

01:16:49,669 --> 01:16:46,500

anyway the stuff we talked about in this

1983

01:16:52,070 --> 01:16:49,679

one is just so interesting I'm glad he

1984

01:16:53,870 --> 01:16:52,080

added a layer to the whole weird Loop

1985

01:16:56,450 --> 01:16:53,880

where Trump is written on the Charles

1986

01:17:00,290 --> 01:16:56,460

Dell show Airship drawings

1987

01:17:02,149 --> 01:17:00,300

I think it's even numbered image 45 too

1988

01:17:04,490 --> 01:17:02,159

but then to add in this stuff about

1989

01:17:07,189 --> 01:17:04,500

radium and the Ingersoll watch company

1990

01:17:09,709 --> 01:17:07,199

buying it up that's just wild

1991

01:17:11,450 --> 01:17:09,719

Ingersoll Lockwood being the author who

1992

01:17:13,550 --> 01:17:11,460

wrote the baron Trump books one even

1993

01:17:16,729 --> 01:17:13,560

called the last president

1994

01:17:21,050 --> 01:17:16,739

it's so weird and it's all right in the

1995

01:17:23,510 --> 01:17:21,060

late 1800s early 1900s window

1996

01:17:26,510 --> 01:17:23,520

then you have Trump's Uncle as the guy

1997

01:17:29,149 --> 01:17:26,520

getting access to all Tesla's stuff

1998

01:17:31,189 --> 01:17:29,159

this all butts right up against the

1999

01:17:33,890 --> 01:17:31,199

secret sciences and the whole frequency

2000

01:17:35,689 --> 01:17:33,900

energy electromagnetism

2001

01:17:37,910 --> 01:17:35,699

wheelhouse

2002

01:17:40,250 --> 01:17:37,920

I know we've talked about it before I

2003

01:17:42,770 --> 01:17:40,260

just love it but the radium component

2004

01:17:45,290 --> 01:17:42,780

does seem like a big missing piece that

2005

01:17:47,930 --> 01:17:45,300

analog has added to the puzzle

2006

01:17:51,350 --> 01:17:47,940

but the real scoop the real star of this

2007

01:17:54,169 --> 01:17:51,360

show is these underground ruins or

2008

01:17:56,689 --> 01:17:54,179

cities I don't even know the right term

2009

01:17:58,550 --> 01:17:56,699

but the scope of them is much bigger

2010

01:18:01,850 --> 01:17:58,560

than previously thought

2011

01:18:04,189 --> 01:18:01,860

huge statues and boss reliefs I never

2012

01:18:06,530 --> 01:18:04,199

really heard anything like that outside

2013

01:18:09,649 --> 01:18:06,540

of the Grand Canyon stories

2014

01:18:11,510 --> 01:18:09,659

up until learning about analog's work

2015

01:18:14,330 --> 01:18:11,520

the stories I heard was that the early

2016

01:18:17,270 --> 01:18:14,340

settlers would just find bones of giants

2017

01:18:19,970 --> 01:18:17,280

maybe some armor and a giant ax or some

2018

01:18:23,090 --> 01:18:19,980

Bronze Age tools or weapons

2019

01:18:24,770 --> 01:18:23,100

but this is several orders of magnitude

2020

01:18:26,390 --> 01:18:24,780

more developed

2021

01:18:28,010 --> 01:18:26,400

and then there are the weird things like

2022

01:18:31,250 --> 01:18:28,020

this that we didn't even mention but

2023

01:18:34,729 --> 01:18:31,260

pygmy graveyard in Tennessee Woodbury

2024

01:18:37,430 --> 01:18:34,739

Tennessee press 1876.

2025

01:18:40,370 --> 01:18:37,440

an ancient graveyard of vast proportions

2026

01:18:42,169 --> 01:18:40,380

has been found in Coffee County it is

2027

01:18:44,750 --> 01:18:42,179

similar to those found in White County

2028

01:18:47,810 --> 01:18:44,760

and other places in Tennessee but it is

2029

01:18:49,970 --> 01:18:47,820

vastly more extensive and shows that the

2030

01:18:52,130 --> 01:18:49,980

race of pygmies who once inhabited this

2031

01:18:54,770 --> 01:18:52,140

country were very numerous

2032

01:18:58,669 --> 01:18:54,780

a dwarf race of people about three foot

2033

01:19:03,649 --> 01:18:58,679

high where an estimated 75 to a hundred

2034

01:19:06,229 --> 01:19:03,659

thousand bodies were buried into a six

2035

01:19:09,530 --> 01:19:06,239

acre graveyard

2036

01:19:12,470 --> 01:19:09,540

I mean where's that in any history book

2037

01:19:14,870 --> 01:19:12,480

man the lodestone stuff and the baby

2038

01:19:16,430 --> 01:19:14,880

Farm stuff this was just a wild one and

2039

01:19:17,689 --> 01:19:16,440

I hope he'll come back and talk to me

2040

01:19:20,090 --> 01:19:17,699

again

2041

01:19:22,550 --> 01:19:20,100

the plush show is also just full of

2042

01:19:26,209 --> 01:19:22,560

great stuff the plasma attacks and

2043

01:19:28,610 --> 01:19:26,219

resets idea and archaics we talked about

2044

01:19:30,649 --> 01:19:28,620

we got into analog's favorite story

2045

01:19:33,050 --> 01:19:30,659

maybe mine too

2046

01:19:35,750 --> 01:19:33,060

we talked about Edgar Casey giant

2047

01:19:38,530 --> 01:19:35,760

monsters and the atlanteans golf courses

2048

01:19:41,030 --> 01:19:38,540

Old World Florida and hiding the past

2049

01:19:42,950 --> 01:19:41,040

become a plus member and start it with a

2050

01:19:46,669 --> 01:19:42,960

seven day free trial the higher

2051
01:19:49,070 --> 01:19:46,679
sidechats.com stop missing half the show

2052
01:19:51,530 --> 01:19:49,080
also I know we picked a super long story

2053
01:19:54,050 --> 01:19:51,540
for the plush show but it is interesting

2054
01:19:55,910 --> 01:19:54,060
and unique and has all sorts of cool

2055
01:19:57,950 --> 01:19:55,920
little details

2056
01:19:59,930 --> 01:19:57,960
I guess we could have tried to cut it

2057
01:20:02,330 --> 01:19:59,940
down but it's hard when you don't have

2058
01:20:04,610 --> 01:20:02,340
actual text you have screenshots of

2059
01:20:07,250 --> 01:20:04,620
newspaper articles and it's easier to

2060
01:20:09,290 --> 01:20:07,260
just forge ahead and keep reading

2061
01:20:13,310 --> 01:20:09,300
but also in the plush show analog

2062
01:20:15,229 --> 01:20:13,320
mentioned Maurice carterell someone I

2063
01:20:17,330 --> 01:20:15,239

wasn't familiar with at all but listen

2064

01:20:20,570 --> 01:20:17,340

to this little bio here

2065

01:20:22,850 --> 01:20:20,580

in 1989 engineer and scientist Maurice

2066

01:20:25,550 --> 01:20:22,860

carterel found a way of calculating the

2067

01:20:28,370 --> 01:20:25,560

duration of long-term magnetic reversals

2068

01:20:30,590 --> 01:20:28,380

on the sun using this knowledge he was

2069

01:20:33,050 --> 01:20:30,600

able to break the codes of ancient Sun

2070

01:20:34,970 --> 01:20:33,060

worshiping civilizations first the Maya

2071

01:20:38,149 --> 01:20:34,980

in Central America and those of

2072

01:20:40,130 --> 01:20:38,159

Tutankhamun in Egypt before cracking the

2073

01:20:43,310 --> 01:20:40,140

codes of the Terracotta Warriors of

2074

01:20:45,950 --> 01:20:43,320

China and the European Celts his

2075

01:20:48,770 --> 01:20:45,960

research explains how our 28-day

2076

01:20:50,390 --> 01:20:48,780

spinning Sun regulates fertility in

2077

01:20:52,669 --> 01:20:50,400

females and how it determines

2078

01:20:55,490 --> 01:20:52,679

personality of the fetus in the womb

2079

01:20:58,250 --> 01:20:55,500

with sun sign astrology it explains how

2080

01:21:00,649 --> 01:20:58,260

the Sun causes schizophrenia how mobile

2081

01:21:06,110 --> 01:21:00,659

phones and overhead power lines cause

2082

01:21:09,709 --> 01:21:06,120

cancer and how vdu's which are TV and

2083

01:21:12,350 --> 01:21:09,719

computer screens cause miscarriages

2084

01:21:14,810 --> 01:21:12,360

and his work explains how the Sun brings

2085

01:21:17,450 --> 01:21:14,820

periodic catastrophic destruction to

2086

01:21:20,330 --> 01:21:17,460

Earth every few thousand years

2087

01:21:22,370 --> 01:21:20,340

his own unique decoding process reveals

2088

01:21:24,350 --> 01:21:22,380

amazing pictures from archaeological

2089

01:21:26,990 --> 01:21:24,360

Treasures that explain the spiritual

2090

01:21:29,030 --> 01:21:27,000

mysteries of Life why we are born why we

2091

01:21:31,610 --> 01:21:29,040

die and why this has to be

2092

01:21:33,790 --> 01:21:31,620

his work best described as Adventure

2093

01:21:36,229 --> 01:21:33,800

fact brings together modern science

2094

01:21:37,970 --> 01:21:36,239

spirituality and ancient wisdom to

2095

01:21:39,709 --> 01:21:37,980

unlock the secrets of the past and the

2096

01:21:42,410 --> 01:21:39,719

science of the future

2097

01:21:46,310 --> 01:21:42,420

very cool this is really electric

2098

01:21:48,110 --> 01:21:46,320

Universe adjacent and I'm into it

2099

01:21:50,450 --> 01:21:48,120

I'm gonna have to learn more about this

2100

01:21:52,070 --> 01:21:50,460

Maurice fella but this whole episode was

2101
01:21:53,390 --> 01:21:52,080
really right up my alley and I hope you

2102
01:21:55,910 --> 01:21:53,400
guys agree

2103
01:21:57,950 --> 01:21:55,920
and Higher Side news the outline auction

2104
01:22:00,530 --> 01:21:57,960
is still going on but it's certainly

2105
01:22:02,810 --> 01:22:00,540
slowing down a bit maybe because the

2106
01:22:05,930 --> 01:22:02,820
less popular shows that were in our

2107
01:22:08,030 --> 01:22:05,940
first batch got Auto relisted and people

2108
01:22:09,649 --> 01:22:08,040
just still don't care

2109
01:22:11,930 --> 01:22:09,659
maybe it's a dumb thing to be doing

2110
01:22:13,910 --> 01:22:11,940
period but these little forty dollar

2111
01:22:16,430 --> 01:22:13,920
sales Stack Up and the ones that people

2112
01:22:18,169 --> 01:22:16,440
really want have gone for a lot more

2113
01:22:19,669 --> 01:22:18,179

than that and I can already say that

2114

01:22:22,910 --> 01:22:19,679

it's certainly been worth my time and

2115

01:22:25,610 --> 01:22:22,920

effort but I'm only like 10 through what

2116

01:22:28,430 --> 01:22:25,620

I got am I really gonna continue on I

2117

01:22:31,070 --> 01:22:28,440

don't know I just added a new batch last

2118

01:22:33,590 --> 01:22:31,080

night with some great shows in there

2119

01:22:35,209 --> 01:22:33,600

Joseph Farrell Derrick Bros Matthew

2120

01:22:38,450 --> 01:22:35,219

LaCroix

2121

01:22:41,689 --> 01:22:38,460

Chad stemke with the esoteric Stargate

2122

01:22:44,689 --> 01:22:41,699

Detroit stuff Zachary Hubbard and his

2123

01:22:46,070 --> 01:22:44,699

numerology show Michael Juan Sylvia

2124

01:22:50,090 --> 01:22:46,080

ivanoa

2125

01:22:51,590 --> 01:22:50,100

a lot of Classics in this latest round

2126

01:22:53,390 --> 01:22:51,600

and I guess just to mention a couple

2127

01:22:54,770 --> 01:22:53,400

logistical things I didn't think about

2128

01:22:57,649 --> 01:22:54,780

one issue has been international

2129

01:22:59,270 --> 01:22:57,659

shipping well let me just say yes I will

2130

01:23:02,030 --> 01:22:59,280

ship internationally I think it's about

2131

01:23:04,310 --> 01:23:02,040

ten dollars on average but I will do it

2132

01:23:07,070 --> 01:23:04,320

I thought I had it coded in there but

2133

01:23:09,410 --> 01:23:07,080

eBay apparently the listings say that I

2134

01:23:11,390 --> 01:23:09,420

won't do it so just place a bid and if

2135

01:23:13,550 --> 01:23:11,400

you win we will work it out

2136

01:23:14,930 --> 01:23:13,560

another Factor has been combined

2137

01:23:16,910 --> 01:23:14,940

shipping I didn't really think much

2138

01:23:19,310 --> 01:23:16,920

about people buying multiple outlines

2139

01:23:21,050 --> 01:23:19,320

but that is also something I will do you

2140

01:23:22,490 --> 01:23:21,060

don't have to pay individual shipping

2141

01:23:24,410 --> 01:23:22,500

for each one

2142

01:23:26,510 --> 01:23:24,420

after the auctions are over eBay

2143

01:23:28,850 --> 01:23:26,520

actually has a nice feature of grouping

2144

01:23:31,850 --> 01:23:28,860

items together and just charging

2145

01:23:34,070 --> 01:23:31,860

shipping once so if you get several of

2146

01:23:36,470 --> 01:23:34,080

them just know you'll get a combined

2147

01:23:37,790 --> 01:23:36,480

invoice a day or two after the auction

2148

01:23:40,370 --> 01:23:37,800

ends

2149

01:23:42,590 --> 01:23:40,380

but I don't know this was a random stab

2150

01:23:44,810 --> 01:23:42,600

in the dark at throwing out some THC

2151
01:23:47,330 --> 01:23:44,820
memorabilia and I guess it's just hard

2152
01:23:49,130 --> 01:23:47,340
to describe what it is or how much

2153
01:23:50,209 --> 01:23:49,140
detail I really do put into these

2154
01:23:52,490 --> 01:23:50,219
outlines

2155
01:23:55,250 --> 01:23:52,500
it's typically much more material than

2156
01:23:58,030 --> 01:23:55,260
the show actually has time for

2157
01:24:01,250 --> 01:23:58,040
so maybe some are like a sort of

2158
01:24:03,770 --> 01:24:01,260
podcasters DVD extras

2159
01:24:05,330 --> 01:24:03,780
but I do see some people who picked up a

2160
01:24:07,729 --> 01:24:05,340
couple and actually received them

2161
01:24:10,669 --> 01:24:07,739
already trying to get more in rounds two

2162
01:24:12,830 --> 01:24:10,679
and three and I appreciate that it shows

2163
01:24:14,149 --> 01:24:12,840

that people aren't disappointed by what

2164

01:24:16,490 --> 01:24:14,159

they get

2165

01:24:18,410 --> 01:24:16,500

anyway enough about that let's jump over

2166

01:24:21,229 --> 01:24:18,420

to the Meetup calendar

2167

01:24:23,990 --> 01:24:21,239

in just a few days February 26th there

2168

01:24:26,810 --> 01:24:24,000

is a Meetup in Asheville North Carolina

2169

01:24:29,390 --> 01:24:26,820

then March 4th stay golden in Sedona in

2170

01:24:31,370 --> 01:24:29,400

Sedona Arizona

2171

01:24:34,250 --> 01:24:31,380

the host says just a guy looking to meet

2172

01:24:35,630 --> 01:24:34,260

cool like Minds high on life and

2173

01:24:38,209 --> 01:24:35,640

consciousness

2174

01:24:41,209 --> 01:24:38,219

well who could say no to that March 10th

2175

01:24:43,250 --> 01:24:41,219

the Rochester THC Meetup actually in

2176
01:24:45,890 --> 01:24:43,260
Scottsville New York

2177
01:24:48,950 --> 01:24:45,900
at Dirty Dave's Bar and Grill

2178
01:24:53,149 --> 01:24:48,960
March 11th the doc coffee Spooner

2179
01:24:55,310 --> 01:24:53,159
Wisconsin game day at the dot coffee in

2180
01:24:58,250 --> 01:24:55,320
Spooner Wisconsin

2181
01:25:01,130 --> 01:24:58,260
also March 11th Vancouver Island beach

2182
01:25:04,669 --> 01:25:01,140
Meetup in British Columbia

2183
01:25:07,130 --> 01:25:04,679
March 18th the Harrisburg Oregon Meetup

2184
01:25:08,689 --> 01:25:07,140
at the Olsen Run Winery

2185
01:25:11,689 --> 01:25:08,699
and then went in

2186
01:25:13,250 --> 01:25:11,699
Arroyo Seco New Mexico probably

2187
01:25:16,669 --> 01:25:13,260
butchered it but if you're around there

2188
01:25:19,010 --> 01:25:16,679

you know what I'm trying to say

2189

01:25:22,010 --> 01:25:19,020
and March 23rd

2190

01:25:25,370 --> 01:25:22,020
another one in New Mexico at Cerro De La

2191

01:25:26,750 --> 01:25:25,380
Ola I took a stab at it and let that be

2192

01:25:28,850 --> 01:25:26,760
the thing

2193

01:25:31,669 --> 01:25:28,860
so a lot of good ones March is filling

2194

01:25:33,890 --> 01:25:31,679
up I love it not a bad way to meet some

2195

01:25:36,169 --> 01:25:33,900
cool new people through a mutual love of

2196

01:25:37,970 --> 01:25:36,179
the weird stuff we get into around here

2197

01:25:39,890 --> 01:25:37,980
and that's pretty much the show big

2198

01:25:42,229 --> 01:25:39,900
thanks to analog you gotta let them know

2199

01:25:44,870 --> 01:25:42,239
find them on Twitter at one underscore

2200

01:25:46,910 --> 01:25:44,880
analog underscore nine or just click the

2201

01:25:47,930 --> 01:25:46,920

link in the show notes you're already on

2202

01:25:49,669 --> 01:25:47,940

your phone

2203

01:25:51,830 --> 01:25:49,679

but thanks to you guys for listening

2204

01:25:53,870 --> 01:25:51,840

thanks for all the positive feedback and

2205

01:25:56,030 --> 01:25:53,880

reviews thanks for sharing these shows

2206

01:25:58,070 --> 01:25:56,040

with your friends it all means a lot I

2207

01:25:59,629 --> 01:25:58,080

am the luckiest guy ever take care of

2208

01:26:02,750 --> 01:25:59,639

you and yours out there

2209

01:26:05,149 --> 01:26:02,760

I've done my part your move newspaper

2210

01:26:07,790 --> 01:26:05,159

story suppressors radium secret Keepers

2211

01:26:11,689 --> 01:26:07,800

and bizarre baby farmers

2212

01:26:17,209 --> 01:26:14,689

lucid dreams are so vivid cause you go

2213

01:26:19,490 --> 01:26:17,219

to bed at seven and your brain comes

2214

01:26:22,310 --> 01:26:19,500

alive cause you're hating nine to five

2215

01:26:24,709 --> 01:26:22,320

you wake up with a dread and make sure

2216

01:26:26,870 --> 01:26:24,719

your cats are fed did your brain talk to

2217

01:26:29,750 --> 01:26:26,880

a ghost who moved your coffee and your

2218

01:26:31,430 --> 01:26:29,760

toast as you listen to the high side

2219

01:26:34,310 --> 01:26:31,440

chats

2220

01:26:37,310 --> 01:26:34,320

you get to your desk and your boss says

2221

01:26:39,410 --> 01:26:37,320

it's a mess and your soul slowly goes to

2222

01:26:41,870 --> 01:26:39,420

a place where nothing grows when you

2223

01:26:44,390 --> 01:26:41,880

think he's not around you insert a

2224

01:26:47,330 --> 01:26:44,400

steady sound

2225

01:26:50,649 --> 01:26:47,340

the OM says turn it down and you say

2226

01:26:53,870 --> 01:26:50,659

it's just the higher side chats

2227

01:26:58,310 --> 01:26:53,880

oh do you think you'll be invited

2228

01:27:01,669 --> 01:26:58,320

the Bohemia Grove to a Bilderberg Club

2229

01:27:07,030 --> 01:27:01,679

oh do you think could be invited

2230

01:27:11,090 --> 01:27:07,040

by Rothschild to a party on a submarine

2231

01:27:14,390 --> 01:27:11,100

diving down to the Center of the Earth

2232

01:27:18,610 --> 01:27:14,400

to the Marianas Trench your teeth begin

2233

01:27:22,250 --> 01:27:18,620

to clench from the sufferiest stench

2234

01:27:27,050 --> 01:27:22,260

masculine given doesn't fit

2235

01:27:30,050 --> 01:27:27,060

cause you're not one of them

2236

01:27:32,930 --> 01:27:30,060

starting today you'll make plans to get

2237

01:27:35,270 --> 01:27:32,940

away there's no one to hold you down and

2238

01:27:38,390 --> 01:27:35,280

the what if start to drown then you wake

2239

01:27:40,970 --> 01:27:38,400

to the glare of a confluorescent stare

2240

01:27:43,189 --> 01:27:40,980

and the light Winks at you cause its

2241

01:27:45,950 --> 01:27:43,199

life is almost through but it's holding

2242

01:27:49,800 --> 01:27:45,960

on to quit time just like you
