

Del Rio

7 of 7

UFO Festival

2015

1
00:00:19,280 --> 00:00:13,700
del Rio make some noise so by applause

2
00:00:23,760 --> 00:00:22,380
then you probably know your host for the

3
00:00:25,370 --> 00:00:23,770
meet and greet ladies and gentlemen

4
00:00:27,600 --> 00:00:25,380
please put your hands together for

5
00:00:30,540 --> 00:00:27,610
three-time Emmy Award winner in your

6
00:00:42,590 --> 00:00:30,550
hosts their coast to coast am mr. George

7
00:00:42,600 --> 00:00:50,030
hello again great to be here with you

8
00:00:50,040 --> 00:00:54,650
were you all from you're all from Texas

9
00:01:03,240 --> 00:01:01,770
the home state of alex jones alex is one

10
00:01:06,270 --> 00:01:03,250
of a kind do you all listen to alex's

11
00:01:08,310 --> 00:01:06,280
program he is something else i remember

12
00:01:12,600 --> 00:01:08,320
years ago when somebody just called my

13
00:01:14,460 --> 00:01:12,610

program during open lines and said hey

14

00:01:19,469 --> 00:01:14,470

George you got to have this alex jones

15

00:01:21,840 --> 00:01:19,479

guy on the air and I said ooh and he

16

00:01:23,580 --> 00:01:21,850

said Alex Jones you haven't heard him

17

00:01:26,850 --> 00:01:23,590

and I want now I'm and I'm talking about

18

00:01:28,499 --> 00:01:26,860

this was years ago and so I gave him a

19

00:01:30,540 --> 00:01:28,509

listen and I want you know what he'd be

20

00:01:36,450 --> 00:01:30,550

a great fit for what we're trying to do

21

00:01:37,919 --> 00:01:36,460

here and that's watch your back and so I

22

00:01:41,160 --> 00:01:37,929

put him on and we've been dear friends

23

00:01:43,310 --> 00:01:41,170

ever since ever since he goes to a lot

24

00:01:45,870 --> 00:01:43,320

of events with me all around the country

25

00:01:54,340 --> 00:01:45,880

sometimes he can't physically make it so

26

00:01:54,350 --> 00:01:58,930

yep

27

00:02:07,540 --> 00:02:02,660

regular basis regular more than three

28

00:02:15,140 --> 00:02:07,550

times a week good for you and insiders

29

00:02:19,850 --> 00:02:15,150

fifteen cents a day I can't believe it

30

00:02:21,910 --> 00:02:19,860

is now 12 years since i've been doing

31

00:02:26,300 --> 00:02:21,920

this program full-time for the network

32

00:02:30,650 --> 00:02:26,310

12 years and 14 years when I was filling

33

00:02:33,320 --> 00:02:30,660

in for art where does the time go it's

34

00:02:36,860 --> 00:02:33,330

just truly unbelievable but what we've

35

00:02:41,449 --> 00:02:36,870

done over the years is we've tweaked the

36

00:02:44,360 --> 00:02:41,459

program a little bit in the past it was

37

00:02:47,180 --> 00:02:44,370

about ninety-five percent strictly

38

00:02:50,600 --> 00:02:47,190

paranormal which is our base it's our

39

00:02:52,640 --> 00:02:50,610

staple it will always be there but I

40

00:02:55,910 --> 00:02:52,650

started seeing some things happening in

41

00:03:00,080 --> 00:02:55,920

this country after the tragic events of

42

00:03:03,800 --> 00:03:00,090

911 and I sat down with our producers

43

00:03:05,600 --> 00:03:03,810

like Tom and said Tom there are too many

44

00:03:10,789 --> 00:03:05,610

things happening on this planet right

45

00:03:14,390 --> 00:03:10,799

now I love Bigfoot shows I love UFO

46

00:03:16,850 --> 00:03:14,400

programs interviewing people like noe

47

00:03:20,900 --> 00:03:16,860

and Reuben and Jim Marrs those are

48

00:03:25,460 --> 00:03:20,910

incredible shows but I said we need to

49

00:03:29,390 --> 00:03:25,470

take it a step further because we as

50

00:03:33,410 --> 00:03:29,400

people are losing something in this

51
00:03:36,560 --> 00:03:33,420
country we're losing our ability to keep

52
00:03:41,030 --> 00:03:36,570
our voice heard and he said well what do

53
00:03:45,590 --> 00:03:41,040
you mean explain that I said we're going

54
00:03:50,090 --> 00:03:45,600
to lose rights governments going to spy

55
00:03:53,360 --> 00:03:50,100
on us more and more the Federal Reserve

56
00:03:56,479 --> 00:03:53,370
wants to control what we do what we earn

57
00:04:00,800 --> 00:03:56,489
where the money comes from and I said

58
00:04:03,400 --> 00:04:00,810
it's going to get worse not better we

59
00:04:08,390 --> 00:04:03,410
need to address that on this program and

60
00:04:12,380 --> 00:04:08,400
like alex jones has we need to always

61
00:04:12,630 --> 00:04:12,390
watch your back and so what's that's

62
00:04:16,110 --> 00:04:12,640
what

63
00:04:19,620 --> 00:04:16,120

did with the program we evolved it it is

64

00:04:21,780 --> 00:04:19,630

now thanks to all of you and his brad

65

00:04:28,159 --> 00:04:21,790

had mentioned we're on six hundred

66

00:04:34,260 --> 00:04:31,140

millions of people worldwide are

67

00:04:36,630 --> 00:04:34,270

listening to this program because we cut

68

00:04:41,220 --> 00:04:36,640

to the chase you know we questioned Big

69

00:04:44,790 --> 00:04:41,230

Pharma we questioned big government we

70

00:04:46,440 --> 00:04:44,800

we question everything many times just

71

00:04:48,180 --> 00:04:46,450

happened a couple days ago we had a

72

00:04:52,860 --> 00:04:48,190

guest on the air who was into something

73

00:04:56,100 --> 00:04:52,870

very controversial click he's off the

74

00:04:59,070 --> 00:04:56,110

air we didn't know what was wrong with

75

00:05:04,470 --> 00:04:59,080

him we called him back he didn't answer

76

00:05:05,790 --> 00:05:04,480

his phone he thought he was on he said

77

00:05:09,300 --> 00:05:05,800

it George I just thought you were being

78

00:05:11,520 --> 00:05:09,310

courteous letting me talk and I said now

79

00:05:13,650 --> 00:05:11,530

something happened that's happened to us

80

00:05:17,610 --> 00:05:13,660

maybe a half a dozen times already or a

81

00:05:21,560 --> 00:05:17,620

guest is really controversial gets into

82

00:05:24,810 --> 00:05:21,570

a topic and then he merely disappears

83

00:05:27,270 --> 00:05:24,820

somebody's listening and somebody

84

00:05:29,969 --> 00:05:27,280

doesn't like what they hear because

85

00:05:34,260 --> 00:05:29,979

we're getting close and so the pledge

86

00:05:36,540 --> 00:05:34,270

that we will make to you is that we're

87

00:05:39,390 --> 00:05:36,550

not going to give up we're going to

88

00:05:42,750 --> 00:05:39,400

constantly cover the kinds of stories

89

00:05:47,360 --> 00:05:42,760

that affect all of us all of us whether

90

00:05:50,850 --> 00:05:47,370

it's health related or financial or

91

00:05:52,650 --> 00:05:50,860

conspiratorial as Jim Marrs so

92

00:05:55,380 --> 00:05:52,660

eloquently does trying to investigate

93

00:05:58,770 --> 00:05:55,390

the JFK assassination which happened in

94

00:06:08,329 --> 00:05:58,780

this wonderful state we won't stop doing

95

00:06:17,699 --> 00:06:11,279

if this is somebody's idea of a Mexican

96

00:06:21,379 --> 00:06:17,709

sombrero I'm not wearing it one of my

97

00:06:24,029 --> 00:06:21,389

old favorite movies the movie network

98

00:06:29,159 --> 00:06:24,039

played by the late Peter Finch Howard

99

00:06:30,689 --> 00:06:29,169

Beale and I tend to do this at events

100

00:06:33,749 --> 00:06:30,699

once in a while because it's got a

101
00:06:35,909 --> 00:06:33,759
cleansing effect so all of you who have

102
00:06:43,639 --> 00:06:35,919
the capability of standing some of you

103
00:06:52,859 --> 00:06:50,489
favorite phrase of Howard Beale was I'm

104
00:06:57,689 --> 00:06:52,869
as mad as hell and I'm not going to take

105
00:07:02,399 --> 00:06:57,699
it anymore so we're gonna count the

106
00:07:06,659 --> 00:07:02,409
three and at that point I want you to

107
00:07:08,429 --> 00:07:06,669
scream out in or do it three times I'm

108
00:07:12,659 --> 00:07:08,439
as mad as hell and I'm not going to take

109
00:07:15,779 --> 00:07:12,669
it anymore I guarantee you you'll feel

110
00:07:18,659 --> 00:07:15,789
better probably feel good now where you

111
00:07:25,529 --> 00:07:18,669
hope you do and then we'll continue with

112
00:07:27,149 --> 00:07:25,539
the program one two three I'm as mad as

113
00:07:34,379 --> 00:07:27,159

hell and I'm not going to take it

114

00:07:36,889 --> 00:07:34,389

anymore one two three I'm as mad as hell

115

00:07:40,109 --> 00:07:36,899

and I'm not going to take it anymore

116

00:07:44,489 --> 00:07:40,119

we'll do it one more time I think you

117

00:07:59,740 --> 00:07:44,499

can do it a little better one two three

118

00:07:59,750 --> 00:08:05,640

I didn't say so yeah that's okay

119

00:08:14,500 --> 00:08:09,930

compliments of producer Tom dan houser

120

00:08:21,550 --> 00:08:14,510

underneath one of your chairs is a

121

00:08:32,469 --> 00:08:21,560

sticker for one thousand dollars you may

122

00:08:35,219 --> 00:08:32,479

look it's a little yellow sticker I bet

123

00:08:46,420 --> 00:08:35,229

I could have them walk off a cliff I

124

00:08:50,080 --> 00:08:46,430

came i'd say about to get a chance to do

125

00:08:56,500 --> 00:08:50,090

this a radio show will you hear one of

126

00:08:58,900 --> 00:08:56,510

my next jokes three guys died they went

127

00:09:00,730 --> 00:08:58,910

up to heaven right and they see good old

128

00:09:03,880 --> 00:09:00,740

st. Peter at the pearly gates and they

129

00:09:08,110 --> 00:09:03,890

go all say Peter let us in and he said

130

00:09:10,150 --> 00:09:08,120

I'm sorry we're booked to the gills the

131

00:09:12,840 --> 00:09:10,160

only people that are coming in here

132

00:09:18,150 --> 00:09:12,850

today are people who died very

133

00:09:23,110 --> 00:09:18,160

mysteriously that's it so you number one

134

00:09:26,590 --> 00:09:23,120

tell me your story and he said okay he

135

00:09:31,600 --> 00:09:26,600

said for years I suspected that my wife

136

00:09:34,780 --> 00:09:31,610

might have been playing around so we

137

00:09:37,810 --> 00:09:34,790

live on the 24th floor of a new york

138

00:09:42,460 --> 00:09:37,820

high rise and i left work early because

139

00:09:46,510 --> 00:09:42,470

i knew i was going to catch her so I go

140

00:09:51,880 --> 00:09:46,520

up to my apartment I kind of hear noises

141

00:09:56,400 --> 00:09:51,890

going around inside I burst in and st.

142

00:10:02,500 --> 00:09:56,410

Peter she's out there in the bedroom in

143

00:10:03,730 --> 00:10:02,510

the bed alone I felt like an idiot she

144

00:10:07,030 --> 00:10:03,740

said honey what are you doing here and I

145

00:10:11,260 --> 00:10:07,040

went oh nothing nothing and st. Peter I

146

00:10:13,430 --> 00:10:11,270

felt so foolish I went outside on the

147

00:10:15,530 --> 00:10:13,440

balcony just to catch my breath in

148

00:10:18,470 --> 00:10:15,540

compose myself I mean I really felt like

149

00:10:22,250 --> 00:10:18,480

an idiot and as I'm looking around the

150

00:10:28,420 --> 00:10:22,260

sky Hawaiian of New York I looked down

151
00:10:34,640 --> 00:10:28,430
and their fingers holding onto the ledge

152
00:10:38,230 --> 00:10:34,650
with a guy wearing just shorts and I was

153
00:10:41,240 --> 00:10:38,240
furious I start stamping on his fingers

154
00:10:43,700 --> 00:10:41,250
st. Peter he wouldn't let go I'm

155
00:10:45,250 --> 00:10:43,710
stamping again he won't let go so I go

156
00:10:49,190 --> 00:10:45,260
in the house that I get a hammer I

157
00:10:54,380 --> 00:10:49,200
started hammering his fingers and he

158
00:10:57,950 --> 00:10:54,390
lets go he falls twenty four floors into

159
00:11:00,740 --> 00:10:57,960
some bushes and he's alive and he's up

160
00:11:04,490 --> 00:11:00,750
looking at me so I went to the kitchen

161
00:11:07,460 --> 00:11:04,500
and got our refrigerator and I heaved it

162
00:11:10,520 --> 00:11:07,470
out over the balcony and it lands right

163
00:11:15,440 --> 00:11:10,530

on him what Saint Peter I died of a

164

00:11:19,070 --> 00:11:15,450

heart attack I st. Peter says cheese you

165

00:11:22,640 --> 00:11:19,080

come on in goes up to the second guy

166

00:11:26,690 --> 00:11:22,650

says what happened to you he said I have

167

00:11:30,080 --> 00:11:26,700

no idea I live on the 25th floor of a

168

00:11:32,300 --> 00:11:30,090

new york apartment and i was out doing

169

00:11:37,010 --> 00:11:32,310

my exercises on the balcony you know

170

00:11:39,230 --> 00:11:37,020

gust of wind blows me off thank God I

171

00:11:43,880 --> 00:11:39,240

caught the ledge I caught the ledge on

172

00:11:47,360 --> 00:11:43,890

the 24th floor and I'm screaming god

173

00:11:49,910 --> 00:11:47,370

help me somebody help me just then my

174

00:11:53,120 --> 00:11:49,920

prayers were answered st. Peter a guy

175

00:11:56,480 --> 00:11:53,130

comes out of his apartment but then he

176

00:11:59,450 --> 00:11:56,490

starts stepping on my fingers he goes

177

00:12:01,430 --> 00:11:59,460

and gets a hammer he's smashing my

178

00:12:07,370 --> 00:12:01,440

fingers I couldn't hold on anymore I let

179

00:12:12,290 --> 00:12:07,380

go I fall the 24 floors but thank God I

180

00:12:15,400 --> 00:12:12,300

landed in bushes I was alive I looked up

181

00:12:21,560 --> 00:12:15,410

and I could hit by a refrigerator I

182

00:12:23,210 --> 00:12:21,570

Peter says jeez come on in goes up to

183

00:12:27,250 --> 00:12:23,220

the last guy goes alright what happened

184

00:12:34,750 --> 00:12:27,260

to you he says I don't know picture this

185

00:12:43,830 --> 00:12:34,760

I'm hiding in a refrigerator it's one of

186

00:12:48,610 --> 00:12:46,630

hey sometimes I sing at these events I

187

00:12:52,390 --> 00:12:48,620

don't know if the audio guy can hear us

188

00:12:58,780 --> 00:12:52,400

can you hear us up there kidney what's

189

00:13:00,640 --> 00:12:58,790

his name can you hear me up there you

190

00:13:03,430 --> 00:13:00,650

see he can hear once you go up and see

191

00:13:05,710 --> 00:13:03,440

if they can get that song ready yeah

192

00:13:11,190 --> 00:13:05,720

somebody said yes something say yes

193

00:13:18,340 --> 00:13:11,200

again maybe it's somebody in the crowd

194

00:13:23,320 --> 00:13:18,350

they're pulling our legs Tom chipper

195

00:13:35,440 --> 00:13:23,330

hear of an audio guy who can hear you is

196

00:13:42,580 --> 00:13:35,450

he watching me up there is he doing

197

00:13:49,389 --> 00:13:42,590

anything up there what's your name is

198

00:13:58,189 --> 00:13:54,379

they're all playing jokes on me yeah

199

00:14:01,249 --> 00:13:58,199

he's in a refrigerator exactly so I'm

200

00:14:06,259 --> 00:14:01,259

going to the Alamo tomorrow how many

201
00:14:10,389 --> 00:14:06,269
have seen that Oh Lots my guess it's

202
00:14:13,160 --> 00:14:10,399
much smaller than I think isn't it I

203
00:14:16,280 --> 00:14:13,170
mean to think of how much history has

204
00:14:18,439 --> 00:14:16,290
been done out there and I'll take a look

205
00:14:20,180 --> 00:14:18,449
at it and it'll be a small little place

206
00:14:21,499 --> 00:14:20,190
of history but I'm looking forward to

207
00:14:25,509 --> 00:14:21,509
that Tom and I are going out there I

208
00:14:28,970 --> 00:14:25,519
remember when I flew over Pearl Harbor

209
00:14:32,360 --> 00:14:28,980
in Oahu in Hawaii and you're looking

210
00:14:35,829 --> 00:14:32,370
down thinking this is where World War

211
00:14:39,769 --> 00:14:35,839
two for us started and it was so small

212
00:14:42,259 --> 00:14:39,779
it's really just inspiring just to be

213
00:14:43,309 --> 00:14:42,269

able to see that but once you go up

214

00:14:48,879 --> 00:14:43,319

there and see if you can get him to get

215

00:14:51,769 --> 00:14:48,889

that going can't help falling in love

216

00:14:55,429 --> 00:14:51,779

the karaoke version of course I don't

217

00:14:57,379 --> 00:14:55,439

want to sing it with Elvis's voice so

218

00:14:59,689 --> 00:14:57,389

well in in this meat greed I try to keep

219

00:15:02,179 --> 00:14:59,699

it very informal after we're all done

220

00:15:04,460 --> 00:15:02,189

I'll come down there and pose for

221

00:15:07,040 --> 00:15:04,470

pictures and all that stuff and you know

222

00:15:12,319 --> 00:15:07,050

what they're free I don't charge for

223

00:15:14,329 --> 00:15:12,329

those i was i was at an event and a

224

00:15:17,269 --> 00:15:14,339

little boy went up 20 at the time

225

00:15:20,509 --> 00:15:17,279

well-known baseball player i won't

226

00:15:23,929 --> 00:15:20,519

mention his name and asked him if he

227

00:15:28,370 --> 00:15:23,939

would sign his baseball card and the guy

228

00:15:32,540 --> 00:15:28,380

said no you don't have enough money well

229

00:15:36,230 --> 00:15:32,550

five year old kid and so I have told all

230

00:15:41,059 --> 00:15:36,240

our folks never ever do you charge

231

00:15:42,679 --> 00:15:41,069

people for pictures or anything you know

232

00:15:45,319 --> 00:15:42,689

it's enough that you pay for the event

233

00:15:47,870 --> 00:15:45,329

to come in here and that's it's another

234

00:15:51,860 --> 00:15:47,880

Creed as you all know we also broadcast

235

00:15:53,569 --> 00:15:51,870

live on holidays all the time because

236

00:15:56,210 --> 00:15:53,579

there are lots of lonely people out

237

00:15:58,700 --> 00:15:56,220

there and we constantly want to make

238

00:16:00,290 --> 00:15:58,710

sure they're happy

239

00:16:03,350 --> 00:16:00,300

and of course this has been an

240

00:16:05,710 --> 00:16:03,360

incredible year for us as a family we

241

00:16:08,090 --> 00:16:05,720

lost my sister this year last year

242

00:16:12,650 --> 00:16:08,100

because of she had stage for brain

243

00:16:15,800 --> 00:16:12,660

cancer and many of your prayers kept her

244

00:16:18,710 --> 00:16:15,810

going two or three years longer than we

245

00:16:21,200 --> 00:16:18,720

thought she would but then she finally

246

00:16:23,420 --> 00:16:21,210

succumbed and I wanted to thank all of

247

00:16:27,890 --> 00:16:23,430

you for the prayers that you did there I

248

00:16:31,370 --> 00:16:27,900

really appreciate that we're going to

249

00:16:33,590 --> 00:16:31,380

take some questions from you do we have

250

00:16:35,420 --> 00:16:33,600

a microphone right there if you have a

251

00:16:37,670 --> 00:16:35,430

question why don't you just line up why

252

00:16:44,570 --> 00:16:37,680

don't you organize this Tom get this all

253

00:16:53,990 --> 00:16:44,580

set up and just fire away and we'll do

254

00:17:04,820 --> 00:16:54,000

that Tom want to help her now let's turn

255

00:17:09,410 --> 00:17:04,830

this bike on your on sun hot all

256

00:17:11,329 --> 00:17:09,420

right I'll take it oh okay um I'm amber

257

00:17:13,130 --> 00:17:11,339

I'm from San Antonio I've called in to

258

00:17:17,000 --> 00:17:13,140

the program like seven times in the past

259

00:17:20,900 --> 00:17:17,010

two months um you're the one who's taken

260

00:17:24,380 --> 00:17:20,910

over the show yep like the 80s are taken

261

00:17:27,829 --> 00:17:24,390

over the world or so we hope not anyway

262

00:17:30,020 --> 00:17:27,839

my question is how common are encounters

263

00:17:33,650 --> 00:17:30,030

with these men and black that are the

264

00:17:35,450 --> 00:17:33,660

scourge of the UFO field now that's an

265

00:17:38,830 --> 00:17:35,460

interesting question I think they're

266

00:17:41,930 --> 00:17:38,840

pretty common I don't know who they are

267

00:17:44,540 --> 00:17:41,940

these men in black whether their

268

00:17:47,750 --> 00:17:44,550

government agents or their

269

00:17:49,730 --> 00:17:47,760

extraterrestrial themselves but I do

270

00:17:54,110 --> 00:17:49,740

know that a lot of people who have very

271

00:17:57,440 --> 00:17:54,120

serious UFO reports are visited by

272

00:17:59,440 --> 00:17:57,450

someone or some beef people and they

273

00:18:04,370 --> 00:17:59,450

want them to keep the mouth shut and

274

00:18:05,770 --> 00:18:04,380

that's pretty scary yes sir uh what have

275

00:18:08,750 --> 00:18:05,780

you heard about the Todd sees a

276
00:18:12,310 --> 00:18:08,760
mutilation case in Pennsylvania happened

277
00:18:14,169 --> 00:18:12,320
in 2002 Linda Moulton Howe are

278
00:18:17,830 --> 00:18:14,179
to get a reporter who covers those

279
00:18:20,590 --> 00:18:17,840
stories for us is totally baffled by

280
00:18:23,710 --> 00:18:20,600
these mutilation cases not only there

281
00:18:28,149 --> 00:18:23,720
but all around the country these cases

282
00:18:32,049 --> 00:18:28,159
are bizarre because their incisions are

283
00:18:35,649 --> 00:18:32,059
made that are perfectly scalpeled

284
00:18:39,700 --> 00:18:35,659
sometimes lasered all blood is removed

285
00:18:43,710 --> 00:18:39,710
it's not there it's it's not there so

286
00:18:50,889 --> 00:18:48,519
yeah we'll get to that too and people

287
00:18:53,950 --> 00:18:50,899
can't figure out just what the heck is

288
00:18:56,560 --> 00:18:53,960

going on with this now in terms of the

289

00:18:58,899 --> 00:18:56,570

human mutilations I think one of two

290

00:19:00,879 --> 00:18:58,909

things are happening I think that there

291

00:19:04,210 --> 00:19:00,889

could be a cult involved in many of

292

00:19:08,860 --> 00:19:04,220

these a lot of sick people out there but

293

00:19:11,049 --> 00:19:08,870

on those cases again that are so

294

00:19:13,810 --> 00:19:11,059

questionable in terms of how things were

295

00:19:15,279 --> 00:19:13,820

done that that same thing is probably

296

00:19:17,700 --> 00:19:15,289

happening I don't think it's a

297

00:19:20,019 --> 00:19:17,710

government experiment I think they're

298

00:19:22,899 --> 00:19:20,029

extraterrestrials what I can't figure

299

00:19:25,480 --> 00:19:22,909

out is why in the heck do they bring the

300

00:19:29,289 --> 00:19:25,490

carcass is back and just dump them or

301
00:19:31,299 --> 00:19:29,299
leave them human or animal almost as if

302
00:19:34,840 --> 00:19:31,309
they're trying to tell us something or

303
00:19:36,850 --> 00:19:34,850
scare us into seeing some of the things

304
00:19:40,509 --> 00:19:36,860
that that they're doing to us but it's

305
00:19:43,960 --> 00:19:40,519
it's bizarre tongues cut out everything

306
00:19:46,060 --> 00:19:43,970
like that hi I'm Veronica from San

307
00:19:47,950 --> 00:19:46,070
Antonio I want to thank you for making

308
00:19:49,840 --> 00:19:47,960
your way down here so I can spend time

309
00:19:52,509 --> 00:19:49,850
with my family and enjoy your show very

310
00:19:54,509 --> 00:19:52,519
welcome um also enjoy the Alamo because

311
00:19:56,769 --> 00:19:54,519
I don't know if you know Phil Collins

312
00:19:59,830 --> 00:19:56,779
contributed a lot of artifacts he's a

313
00:20:02,430 --> 00:19:59,840

big fan of the hourly okay my question

314

00:20:09,460 --> 00:20:02,440

is do you have any updates on Mel's hole

315

00:20:11,499 --> 00:20:09,470

we almost found Mel's whole years ago we

316

00:20:14,350 --> 00:20:11,509

sent him an email it was the only thing

317

00:20:16,779 --> 00:20:14,360

that was working at the time and we did

318

00:20:18,190 --> 00:20:16,789

get a response back from him that said

319

00:20:20,560 --> 00:20:18,200

hey yeah i'd be interested in coming

320

00:20:23,320 --> 00:20:20,570

back on the show i'll get back to you in

321

00:20:25,830 --> 00:20:23,330

a couple weeks and then he disappeared

322

00:20:28,529 --> 00:20:25,840

the email no longer were

323

00:20:30,360 --> 00:20:28,539

it keeps getting bounced back and nobody

324

00:20:32,580 --> 00:20:30,370

knows what the heck has happened to him

325

00:20:36,350 --> 00:20:32,590

nobody knows about the whole nobody

326

00:20:40,169 --> 00:20:36,360

knows about Mel a strange strange case

327

00:20:42,330 --> 00:20:40,179

but we'd love to follow up on that if

328

00:20:47,070 --> 00:20:42,340

anybody knows where Mellas have them get

329

00:20:49,260 --> 00:20:47,080

ahold of us I'm I'm Monty from San

330

00:20:51,930 --> 00:20:49,270

Antonio I know you Monty I talked to you

331

00:20:53,820 --> 00:20:51,940

about two weeks ago remember you asked

332

00:20:55,320 --> 00:20:53,830

me how to get to the Alamo yell from the

333

00:20:57,570 --> 00:20:55,330

airport I was talking about Donna

334

00:20:59,430 --> 00:20:57,580

Douglas I danced with her and then you

335

00:21:02,039 --> 00:20:59,440

said you were going to we were going to

336

00:21:03,389 --> 00:21:02,049

Del Rio you said we and then you went on

337

00:21:04,919 --> 00:21:03,399

to the next caller before I could ask

338

00:21:07,320 --> 00:21:04,929

you why you're going to us what the hell

339

00:21:09,810 --> 00:21:07,330

is he going to Del Rio for night I

340

00:21:12,120 --> 00:21:09,820

google it on their chamber commerce oh

341

00:21:14,070 --> 00:21:12,130

oh my God he's it's going to UFO

342

00:21:16,139 --> 00:21:14,080

festival in my own backyard and I knew

343

00:21:18,419 --> 00:21:16,149

you were gonna pass my ranch I have a

344

00:21:21,090 --> 00:21:18,429

two thousand acre ranch I you don't want

345

00:21:22,470 --> 00:21:21,100

to put the sign up yes oh ok right they

346

00:21:24,899 --> 00:21:22,480

told me you were coming by it late at

347

00:21:26,340 --> 00:21:24,909

night so I I took it down they told me

348

00:21:29,100 --> 00:21:26,350

to take it down in the spring we were

349

00:21:31,200 --> 00:21:29,110

looking for that sign last night oh well

350

00:21:33,990 --> 00:21:31,210

you took it down then me and my friend

351
00:21:36,000 --> 00:21:34,000
kin Hawkins we put it up and we put cut

352
00:21:38,519 --> 00:21:36,010
out some aliens and I'll tell your

353
00:21:41,909 --> 00:21:38,529
neighbor were sorry for barging and

354
00:21:43,909 --> 00:21:41,919
busting into their house and okay hi

355
00:21:46,470 --> 00:21:43,919
that's this all I wanted to tell you

356
00:21:52,680 --> 00:21:46,480
thanks thanks that's a pretty nice ranch

357
00:22:00,779 --> 00:21:52,690
you have there yeah how much are you

358
00:22:03,240 --> 00:22:00,789
worth anyways Monte keep lining up if

359
00:22:06,000 --> 00:22:03,250
you have questions hi I'm Barbara from

360
00:22:07,889 --> 00:22:06,010
Pleasant Oh Barbara hi um could you talk

361
00:22:14,430 --> 00:22:07,899
a little bit about your work on the

362
00:22:17,600 --> 00:22:14,440
power grid yes as you know I'm obsessed

363
00:22:22,260 --> 00:22:17,610

with trying to insulate our power grid

364

00:22:24,659 --> 00:22:22,270

we as a nation cannot survive if that

365

00:22:29,039 --> 00:22:24,669

power grid goes down either from an ex

366

00:22:32,120 --> 00:22:29,049

flare from the Sun or an EMP attack from

367

00:22:34,860 --> 00:22:32,130

some rogue nation an EMP attack is

368

00:22:38,760 --> 00:22:34,870

detonating a nuke in the atmosphere and

369

00:22:39,750 --> 00:22:38,770

that electromagnetic pulse affects all

370

00:22:42,060 --> 00:22:39,760

the Electra

371

00:22:44,130 --> 00:22:42,070

the in power grids back in the 1800's

372

00:22:47,580 --> 00:22:44,140

there was of an event called the

373

00:22:49,680 --> 00:22:47,590

Carrington event from a large X flare

374

00:22:52,140 --> 00:22:49,690

from the Sun well in those days the only

375

00:22:54,800 --> 00:22:52,150

really had for electricity was the

376

00:22:58,350 --> 00:22:54,810

telegraph system that was cooked

377

00:23:01,170 --> 00:22:58,360

completely cooked can you imagine what

378

00:23:04,620 --> 00:23:01,180

would happen if an X flare that size hit

379

00:23:06,570 --> 00:23:04,630

us today we'd be out of luck I was at a

380

00:23:08,940 --> 00:23:06,580

drugstore it was out of walgreens a

381

00:23:14,000 --> 00:23:08,950

couple years ago and their power was out

382

00:23:16,890 --> 00:23:14,010

just at walgreens and has it right

383

00:23:20,820 --> 00:23:16,900

alright well give us time not yet yeah

384

00:23:22,920 --> 00:23:20,830

and the power went out at walgreens and

385

00:23:26,580 --> 00:23:22,930

they were trying to do things by hand

386

00:23:29,150 --> 00:23:26,590

and memory first of all most young kids

387

00:23:31,920 --> 00:23:29,160

I don't know if you knew this or not

388

00:23:35,550 --> 00:23:31,930

they can't add and subtract without a

389

00:23:38,690 --> 00:23:35,560

computer they can't do it in their heads

390

00:23:40,830 --> 00:23:38,700

like we were taught they're out of luck

391

00:23:42,720 --> 00:23:40,840

so they're trying to figure out how to

392

00:23:44,460 --> 00:23:42,730

do this the lines were getting longer

393

00:23:46,410 --> 00:23:44,470

and longer finally the manager said I'm

394

00:23:49,110 --> 00:23:46,420

going to have to close this is this we

395

00:23:51,840 --> 00:23:49,120

can't do this it was at that point I

396

00:23:55,650 --> 00:23:51,850

realized that if this power grid is real

397

00:23:58,980 --> 00:23:55,660

and goes down we're up a creek so we

398

00:24:02,220 --> 00:23:58,990

found a couple special guests f William

399

00:24:04,620 --> 00:24:02,230

Maloof and William fortune who have

400

00:24:08,160 --> 00:24:04,630

wrote a couple books a nation Forsaken

401
00:24:09,990 --> 00:24:08,170
and one second after and we've teamed up

402
00:24:12,570 --> 00:24:10,000
with them to try to get people in

403
00:24:15,000 --> 00:24:12,580
Congress to pass legislation it would

404
00:24:17,400 --> 00:24:15,010
only cost two billion dollars to

405
00:24:19,950 --> 00:24:17,410
insulate our grid against one of these

406
00:24:22,920 --> 00:24:19,960
two episodes that's nothing for what

407
00:24:24,630 --> 00:24:22,930
they spend nothing and we're going to

408
00:24:27,990 --> 00:24:24,640
keep pounding away and we're going to

409
00:24:31,530 --> 00:24:28,000
get this done because folks I'm telling

410
00:24:33,750 --> 00:24:31,540
you one day something of the two

411
00:24:37,830 --> 00:24:33,760
episodes i just mentioned will happen

412
00:24:41,340 --> 00:24:37,840
and if this grid is not insulated we are

413
00:24:45,000 --> 00:24:41,350

through as a nation you see what happens

414

00:24:49,290 --> 00:24:45,010

when weather knocks out power for three

415

00:24:51,750 --> 00:24:49,300

days people can't handle it they rush

416

00:24:54,000 --> 00:24:51,760

the stores some stores get looted

417

00:24:56,100 --> 00:24:54,010

I was in Ferguson Missouri we'll talk

418

00:25:00,900 --> 00:24:56,110

about that in a moment just a few months

419

00:25:03,900 --> 00:25:00,910

ago so we've got to as a nation insulate

420

00:25:05,460 --> 00:25:03,910

our power grid we've got to get that

421

00:25:12,810 --> 00:25:05,470

done and we're not going to stop until

422

00:25:15,510 --> 00:25:12,820

we do yes my name is Mary I'm from San

423

00:25:17,520 --> 00:25:15,520

Benito Texas hello Mary and I want to

424

00:25:19,950 --> 00:25:17,530

thank you for from on behalf of

425

00:25:22,230 --> 00:25:19,960

everybody i believe for your kindness

426

00:25:24,990 --> 00:25:22,240

your very kind people that you have on

427

00:25:26,820 --> 00:25:25,000

your show and it call in and for all the

428

00:25:29,460 --> 00:25:26,830

insomniacs of the world such as myself

429

00:25:32,130 --> 00:25:29,470

we really appreciate that thank you

430

00:25:34,400 --> 00:25:32,140

thank you well yeah you know you don't

431

00:25:37,590 --> 00:25:34,410

need one of these shock jocks at night

432

00:25:40,470 --> 00:25:37,600

screaming at you or screaming at guests

433

00:25:42,570 --> 00:25:40,480

you know I want our guests to talk I

434

00:25:44,850 --> 00:25:42,580

want them to feel comfortable look I may

435

00:25:48,030 --> 00:25:44,860

not believe in when people ask me do you

436

00:25:49,730 --> 00:25:48,040

believe all that stuff I said my answer

437

00:25:53,490 --> 00:25:49,740

to that is doesn't matter what I believe

438

00:25:55,320 --> 00:25:53,500

that is what you believe and that's what

439

00:25:58,560 --> 00:25:55,330

I try to do with our guests I mean I

440

00:26:00,900 --> 00:25:58,570

could all night long argue with our

441

00:26:03,390 --> 00:26:00,910

guests about everything they're talking

442

00:26:05,460 --> 00:26:03,400

about everything and it doesn't get us

443

00:26:08,790 --> 00:26:05,470

anywhere other than you're going to hear

444

00:26:10,890 --> 00:26:08,800

me shouting and sometimes when I ask a

445

00:26:14,400 --> 00:26:10,900

question I'll get an email from somebody

446

00:26:16,410 --> 00:26:14,410

who says let them speak and I got an

447

00:26:20,520 --> 00:26:16,420

email on back and say it's a talk show

448

00:26:22,500 --> 00:26:20,530

not a speech but you know I try to let

449

00:26:24,840 --> 00:26:22,510

people talk and express their views

450

00:26:27,390 --> 00:26:24,850

without interjecting and putting them

451
00:26:31,560 --> 00:26:27,400
down I think you do more good than you

452
00:26:34,770 --> 00:26:31,570
know well I hope so thanks thanks my

453
00:26:36,480 --> 00:26:34,780
question is about your new book about

454
00:26:38,130 --> 00:26:36,490
them disappeared in relation someone is

455
00:26:40,770 --> 00:26:38,140
hiding something which is a book we

456
00:26:43,140 --> 00:26:40,780
wrote with the actor and researcher

457
00:26:45,360 --> 00:26:43,150
Richard Belzer and david wain comes out

458
00:26:48,270 --> 00:26:45,370
a couple weeks about it's about the

459
00:26:51,510 --> 00:26:48,280
missing Malaysian plane 370 which is

460
00:26:54,030 --> 00:26:51,520
bizarre it's bizarre and they they had

461
00:26:56,670 --> 00:26:54,040
the book three quarters written and they

462
00:26:58,620 --> 00:26:56,680
had heard my show what we talked about a

463
00:27:00,150 --> 00:26:58,630

couple other possibilities of what might

464

00:27:02,970 --> 00:27:00,160

have happened to that plane so they

465

00:27:05,040 --> 00:27:02,980

wanted that included so we wrote a

466

00:27:05,370 --> 00:27:05,050

couple chapters to add into it but it's

467

00:28:07,440 --> 00:27:05,380

a

468

00:28:09,300 --> 00:28:07,450

something you know I thought some kind

469

00:28:11,280 --> 00:28:09,310

of problem with me but everybody was

470

00:28:12,990 --> 00:28:11,290

experiencing it was like lightning but

471

00:28:14,970 --> 00:28:13,000

like at ground level all around you

472

00:28:17,190 --> 00:28:14,980

split second just real quick like like

473

00:28:19,200 --> 00:28:17,200

lightning and you know some of the Scout

474

00:28:21,120 --> 00:28:19,210

masters were like oh it's a the

475

00:28:22,350 --> 00:28:21,130

satellite it's taking pictures and I'm

476

00:28:24,720 --> 00:28:22,360

like I don't think they put flashes

477

00:28:26,280 --> 00:28:24,730

almost things you know you know I

478

00:28:27,570 --> 00:28:26,290

haven't had experience like that ever

479

00:28:29,790 --> 00:28:27,580

again and I've never heard anybody

480

00:28:32,400 --> 00:28:29,800

repeat an experience like that I don't

481

00:28:33,840 --> 00:28:32,410

know if you have we had a guy on what

482

00:28:36,720 --> 00:28:33,850

was about three months ago Tom who

483

00:28:39,540 --> 00:28:36,730

talked about ball lightning and it's an

484

00:28:42,750 --> 00:28:39,550

incredible phenomenon us that on this

485

00:28:46,440 --> 00:28:42,760

planet balls of electrical lightning

486

00:28:50,190 --> 00:28:46,450

that can pass through houses and windows

487

00:28:52,800 --> 00:28:50,200

by the way can literally kill you if

488

00:28:54,720 --> 00:28:52,810

they hit you and it's out there a lot of

489

00:28:57,300 --> 00:28:54,730

people have mistaken them for you of

490

00:29:00,630 --> 00:28:57,310

those sightings but it's a real earth

491

00:29:03,090 --> 00:29:00,640

phenomenon of electromagnetic charges

492

00:29:05,640 --> 00:29:03,100

that look like a ball and then they just

493

00:29:07,110 --> 00:29:05,650

shoot out and they go everywhere and

494

00:29:11,340 --> 00:29:07,120

that's probably what you're what you're

495

00:29:12,900 --> 00:29:11,350

experiencing yes sir well Georgeson are

496

00:29:15,360 --> 00:29:12,910

for you to be here my name is Daniel and

497

00:29:18,360 --> 00:29:15,370

I'm from Fort Worth hello Daniel so I

498

00:29:19,180 --> 00:29:18,370

have a premise that lets you see if you

499

00:29:21,400 --> 00:29:19,190

might be able to share

500

00:29:23,620 --> 00:29:21,410

some insight for okay the classical

501
00:29:25,360 --> 00:29:23,630
model of physics has some issues that it

502
00:29:27,520 --> 00:29:25,370
came across which became known as the

503
00:29:30,100 --> 00:29:27,530
ultraviolet catastrophe which eventually

504
00:29:32,770 --> 00:29:30,110
led to the emergence of a new model of

505
00:29:35,650 --> 00:29:32,780
physics which we can understand more

506
00:29:37,450 --> 00:29:35,660
specifically as quantum mechanics when

507
00:29:39,610 --> 00:29:37,460
it comes to the nature of subjects such

508
00:29:41,770 --> 00:29:39,620
as ufology cryptozoology and other

509
00:29:44,830 --> 00:29:41,780
metaphysical and paranormal related

510
00:29:46,990 --> 00:29:44,840
issues what sort of ultraviolet

511
00:29:50,250 --> 00:29:47,000
catastrophe might take place and these

512
00:29:52,240 --> 00:29:50,260
areas that may represent a more accurate

513
00:29:54,910 --> 00:29:52,250

appropriate model for a unified

514

00:29:58,360 --> 00:29:54,920

understanding or unified theory or field

515

00:29:59,890 --> 00:29:58,370

of what we're dealing with overall is

516

00:30:04,750 --> 00:29:59,900

there anybody a physicist in the

517

00:30:07,800 --> 00:30:04,760

audience Daniel I wish I could answer

518

00:30:09,940 --> 00:30:07,810

that one that's way over my pay grade

519

00:30:11,770 --> 00:30:09,950

but that's something we'll try to add

520

00:30:13,930 --> 00:30:11,780

you got a call in when michiyo Kaku is

521

00:30:16,180 --> 00:30:13,940

on one day he'd be able to give you the

522

00:30:17,710 --> 00:30:16,190

answer I think you're looking for which

523

00:30:21,580 --> 00:30:17,720

one you know reminds me of a quick story

524

00:30:23,140 --> 00:30:21,590

with old Albert Einstein Albert used to

525

00:30:25,480 --> 00:30:23,150

give speeches quite a bit I always

526

00:30:27,130 --> 00:30:25,490

dressed up in this tuxedo he's sitting

527

00:30:29,650 --> 00:30:27,140

in the back seat of his limo one day

528

00:30:31,870 --> 00:30:29,660

going to another speech and he told his

529

00:30:36,520 --> 00:30:31,880

driver you know what I'm exhausted I

530

00:30:38,260 --> 00:30:36,530

cannot do this one more time I can't do

531

00:30:40,780 --> 00:30:38,270

it he said I want you to do it you look

532

00:30:42,700 --> 00:30:40,790

like me got the big white hair and

533

00:30:45,820 --> 00:30:42,710

everything let's just exchange outfits

534

00:30:48,730 --> 00:30:45,830

he said no mr. Einstein I can't I can't

535

00:30:50,980 --> 00:30:48,740

he says just go up there and talk a

536

00:30:54,430 --> 00:30:50,990

little bit and answer a few questions

537

00:30:57,910 --> 00:30:54,440

it'll be 10 15 minutes tops I'll stand

538

00:31:01,000 --> 00:30:57,920

in the back so the exchange clothes they

539

00:31:04,000 --> 00:31:01,010

go to the event and the driver is on

540

00:31:06,850 --> 00:31:04,010

stage pretending to be Albert Einstein

541

00:31:09,010 --> 00:31:06,860

and he gives us a little speech and then

542

00:31:11,290 --> 00:31:09,020

they're doing a little Q&A and during

543

00:31:15,850 --> 00:31:11,300

the Q&A a guy stands up and says mr.

544

00:31:20,920 --> 00:31:15,860

Einstein tell me exactly your theory

545

00:31:23,620 --> 00:31:20,930

behind e equals MC squared the driver

546

00:31:27,540 --> 00:31:23,630

looks around and goes I can't answer

547

00:31:31,180 --> 00:31:27,550

that but my driver in the back end

548

00:31:35,260 --> 00:31:31,190

go ahead my name is inessa I'm visiting

549

00:31:36,910 --> 00:31:35,270

from Wisconsin and um I do a little

550

00:31:40,950 --> 00:31:36,920

podcast with a couple of friends that

551

00:31:43,570 --> 00:31:40,960

talks about aliens and fact or fiction

552

00:31:45,640 --> 00:31:43,580

and something that we've noticed is a

553

00:31:49,320 --> 00:31:45,650

lot of other countries like Chile Canada

554

00:31:51,670 --> 00:31:49,330

Britain they're all more open with

555

00:31:55,030 --> 00:31:51,680

discussing sightings and everything

556

00:31:57,520 --> 00:31:55,040

about UFOs and aliens and that sort of

557

00:32:00,550 --> 00:31:57,530

thing and we noticed that the United

558

00:32:02,230 --> 00:32:00,560

States is very secretive they don't want

559

00:32:03,550 --> 00:32:02,240

to really expose anything and anything

560

00:32:06,400 --> 00:32:03,560

that they put out there is covered in

561

00:32:08,620 --> 00:32:06,410

black sharpie for all of five words on a

562

00:32:11,650 --> 00:32:08,630

page and so we were wondering or I was

563

00:32:13,780 --> 00:32:11,660

wondering what are your thoughts on why

564

00:32:16,630 --> 00:32:13,790

the United States is so much more

565

00:32:18,430 --> 00:32:16,640

secretive about discussing the topics of

566

00:32:20,410 --> 00:32:18,440

UFOs and the possibility of

567

00:32:22,960 --> 00:32:20,420

extraterrestrials they're afraid of a

568

00:32:25,960 --> 00:32:22,970

couple things one is of course losing

569

00:32:27,850 --> 00:32:25,970

control of people I think a lot of

570

00:32:30,490 --> 00:32:27,860

people truly believe that we have

571

00:32:33,310 --> 00:32:30,500

brothers and sisters on other other

572

00:32:36,670 --> 00:32:33,320

planets government believes they're not

573

00:32:40,330 --> 00:32:36,680

listen to us anymore free energy in

574

00:32:44,020 --> 00:32:40,340

things like that to help us medicines

575

00:32:46,270 --> 00:32:44,030

and ways to prevent illnesses and I just

576

00:32:49,810 --> 00:32:46,280

think governments just don't want all

577

00:32:52,210 --> 00:32:49,820

that to us I applause the basket of

578

00:32:56,340 --> 00:32:52,220

choices make this is Victor to get

579

00:32:59,350 --> 00:32:56,350

government to slowly as a Cena is gonna

580

00:33:01,470 --> 00:32:59,360

government is slowly is not going to

581

00:33:04,660 --> 00:33:01,480

have this and I come from whistleblowers

582

00:33:08,380 --> 00:33:04,670

people over there who tell us something

583

00:33:10,240 --> 00:33:08,390

and you know he just keeps plowing ahead

584

00:33:12,700 --> 00:33:10,250

God love him trying to get the

585

00:33:14,800 --> 00:33:12,710

government to disclose but I don't think

586

00:33:16,480 --> 00:33:14,810

it's going to happen that way where's

587

00:33:18,340 --> 00:33:16,490

the cute little baby I here by the way

588

00:33:20,980 --> 00:33:18,350

let's bring the cute little baby up on

589

00:33:23,920 --> 00:33:20,990

stage for a little bit where's the baby

590

00:33:25,990 --> 00:33:23,930

I know it I know you're out there baby

591

00:33:29,680 --> 00:33:26,000

you want to bring the baby up let's

592

00:33:33,200 --> 00:33:29,690

interview the baby for a minute come on

593

00:33:42,600 --> 00:33:38,070

where's the baby all the babies way up

594

00:33:46,980 --> 00:33:42,610

there I guess you can how old nine

595

00:33:53,670 --> 00:33:46,990

months boy or girl what's his name Duke

596

00:34:00,000 --> 00:33:53,680

hey Duke I Duke they do can you be quiet

597

00:34:01,320 --> 00:34:00,010

when I'm talking thanks Duke yes go

598

00:34:07,050 --> 00:34:01,330

ahead Eddie as far as a bracketville

599

00:34:14,400 --> 00:34:07,060

Texas home with the alamo village I just

600

00:34:15,870 --> 00:34:14,410

went to Duke I just wanted to ask with

601
00:34:18,960 --> 00:34:15,880
the Smithsonian coming forward now with

602
00:34:22,290 --> 00:34:18,970
the Giants and Air Force now finally

603
00:34:25,169 --> 00:34:22,300
admitting an open part of partial blue

604
00:34:27,930 --> 00:34:25,179
book project and as mr. Jones says that

605
00:34:30,480 --> 00:34:27,940
they're the leaders are pretty much

606
00:34:32,430 --> 00:34:30,490
doing it out they've gotten so bold that

607
00:34:37,940 --> 00:34:32,440
they're just doing it in our face now I

608
00:34:40,650 --> 00:34:37,950
mean how do you what is how do you feel

609
00:34:43,980 --> 00:34:40,660
that they're coming to us as far as

610
00:34:46,620 --> 00:34:43,990
showing us what they're doing now well

611
00:34:48,870 --> 00:34:46,630
they've got this attitude of we can do

612
00:34:51,110 --> 00:34:48,880
anything we want now and in what he's

613
00:34:54,750 --> 00:34:51,120

talking about is the discovery of

614

00:34:57,030 --> 00:34:54,760

skeletal bones of giants that many

615

00:34:59,610 --> 00:34:57,040

people Steve Quayle included have talked

616

00:35:03,870 --> 00:34:59,620

about on our program and on their own

617

00:35:07,350 --> 00:35:03,880

that this country once had eight to ten

618

00:35:11,300 --> 00:35:07,360

foot giants roaming the planet as the

619

00:35:14,670 --> 00:35:11,310

Bible had depicted a long time ago and

620

00:35:16,500 --> 00:35:14,680

you know Institute's don't want you to

621

00:35:17,640 --> 00:35:16,510

know that because I don't I think for

622

00:35:19,170 --> 00:35:17,650

some reason they don't want you to

623

00:35:21,270 --> 00:35:19,180

believe what's in the Bible and what's

624

00:35:23,880 --> 00:35:21,280

out there but we're getting we're

625

00:35:25,710 --> 00:35:23,890

getting the word out one we're at a time

626

00:35:29,520 --> 00:35:25,720

how many of you were at the panel

627

00:35:32,910 --> 00:35:29,530

earlier a lot of you yeah I was talking

628

00:35:35,480 --> 00:35:32,920

about the Hebrew Torah and apparently

629

00:35:38,190 --> 00:35:35,490

they have found my name in it and

630

00:35:40,800 --> 00:35:38,200

they're investigating it now because

631

00:35:43,260 --> 00:35:40,810

that's that's really bizarre I'm curious

632

00:35:44,810 --> 00:35:43,270

on that yes sir yes my name is Robert

633

00:35:48,620 --> 00:35:44,820

Rodriguez and I'm from Dell

634

00:35:51,740 --> 00:35:48,630

real the only nature has him a long way

635

00:35:54,710 --> 00:35:51,750

yes I actually did two and a half hours

636

00:35:57,380 --> 00:35:54,720

back to the airport there you go my comp

637

00:36:00,260 --> 00:35:57,390

is just comment back in 83 I was a

638

00:36:02,660 --> 00:36:00,270

paramedic and we're coming back had an

639

00:36:04,850 --> 00:36:02,670

RN on board she was a supervisor I was a

640

00:36:07,490 --> 00:36:04,860

supervisor we had another pair for you

641

00:36:09,890 --> 00:36:07,500

mail a paramedic we witness a UFO on the

642

00:36:12,800 --> 00:36:09,900

way back and we stopped off the highway

643

00:36:15,500 --> 00:36:12,810

and we saw it for about 35 minutes and

644

00:36:17,090 --> 00:36:15,510

we got back we reported it to my

645

00:36:21,140 --> 00:36:17,100

superiors and they just told me to be

646

00:36:23,090 --> 00:36:21,150

quiet it is breathtaking yeah which is

647

00:36:25,460 --> 00:36:23,100

understandable but you know I've called

648

00:36:27,800 --> 00:36:25,470

MUFON and you know try to communicate

649

00:36:30,290 --> 00:36:27,810

with them and they don't even seem

650

00:36:32,690 --> 00:36:30,300

interested in it so you know who else

651
00:36:34,850 --> 00:36:32,700
can I tell me he's dropped like you know

652
00:36:36,710 --> 00:36:34,860
Peter Davenport at the national UFO

653
00:36:39,110 --> 00:36:36,720
Reporting Center you just google that

654
00:36:41,480 --> 00:36:39,120
he'll pop up he's very good at taking

655
00:36:43,760 --> 00:36:41,490
down information metalloids data he comes

656
00:36:48,470 --> 00:36:43,770
on our show weekly and gives periodic

657
00:36:50,000 --> 00:36:48,480
reports on that thank you yep you look

658
00:36:53,330 --> 00:36:50,010
like you may have served for us in the

659
00:36:56,720 --> 00:36:53,340
military did you yes what can thank you

660
00:36:58,670 --> 00:36:56,730
well brought-up applause for him and for

661
00:37:01,070 --> 00:36:58,680
every way by the way everybody else who

662
00:37:03,560 --> 00:37:01,080
served in the military stand up if you

663
00:37:07,970 --> 00:37:03,570

can't again look at that let's give

664

00:37:16,420 --> 00:37:07,980

everybody a reluctant at whoo-hoo was in

665

00:37:23,660 --> 00:37:16,430

the Navy with me huh Marines Air Force

666

00:37:26,960 --> 00:37:23,670

Army beautiful Coast Guard yeah National

667

00:37:28,910 --> 00:37:26,970

Guard that's great thank you that's

668

00:37:31,730 --> 00:37:28,920

amazing that's got to be the highest

669

00:37:33,470 --> 00:37:31,740

percent of any place we've been and

670

00:37:36,710 --> 00:37:33,480

thank you again sir 4 sir what branch

671

00:37:39,380 --> 00:37:36,720

were you it may be good for you nor am I

672

00:37:41,930 --> 00:37:39,390

are you sir my name is Ken Hawkins I

673

00:37:44,630 --> 00:37:41,940

come with money I didn't know anything

674

00:37:48,410 --> 00:37:44,640

about what was going on but I would like

675

00:37:53,870 --> 00:37:48,420

to tell you that then 06 we got a patent

676
00:37:56,780 --> 00:37:53,880
on a hydrogen generator 907 66 76 in

677
00:37:58,609 --> 00:37:56,790
this generator if you run a ton of coal

678
00:38:01,249 --> 00:37:58,619
you get there regular

679
00:38:03,200 --> 00:38:01,259
heat the BTUs if you run it through our

680
00:38:05,599 --> 00:38:03,210
patented process you get the same amount

681
00:38:07,880 --> 00:38:05,609
of heat and then you take the hydrogen

682
00:38:11,029 --> 00:38:07,890
at one end the co co to the greenhouse

683
00:38:12,710 --> 00:38:11,039
gases move them downstream into another

684
00:38:15,680 --> 00:38:12,720
burner and you get two more times a

685
00:38:17,390 --> 00:38:15,690
yield that's amazing now are you able to

686
00:38:20,960 --> 00:38:17,400
are you going to be able to develop this

687
00:38:22,640 --> 00:38:20,970
are they trying to shiny you we we had

688
00:38:24,769 --> 00:38:22,650

it developed by a German and a Russian

689

00:38:28,009 --> 00:38:24,779

they funded us while we got that going

690

00:38:30,799 --> 00:38:28,019

and they backed out about three years

691

00:38:33,529 --> 00:38:30,809

ago and that's good because now we own

692

00:38:36,109 --> 00:38:33,539

the patent fully and while we're waiting

693

00:38:38,960 --> 00:38:36,119

on our funding to come through I got a

694

00:38:41,630 --> 00:38:38,970

Generac generator this is a backyard

695

00:38:43,759 --> 00:38:41,640

writer and run it on hydrogen so you

696

00:38:46,069 --> 00:38:43,769

don't have to worry about the grid going

697

00:38:47,480 --> 00:38:46,079

down you don't have a fuel bill and you

698

00:38:49,489 --> 00:38:47,490

won't have electric good for you and

699

00:38:51,529 --> 00:38:49,499

Kelly get it off of the grid good for

700

00:38:52,819 --> 00:38:51,539

you that's a great idea when do you

701
00:38:55,450 --> 00:38:52,829
think you might be able to get that

702
00:38:57,769 --> 00:38:55,460
public if you if you get the funding

703
00:39:00,680 --> 00:38:57,779
we're looking for funding coming in

704
00:39:04,819 --> 00:39:00,690
monday how much is the funding about 200

705
00:39:07,640 --> 00:39:04,829
million tom write a check good see you

706
00:39:10,940 --> 00:39:07,650
later you get a shot at getting 200

707
00:39:13,509 --> 00:39:10,950
million well i have a little more but

708
00:39:16,009 --> 00:39:13,519
anyway they come in the wrong business

709
00:39:20,180 --> 00:39:16,019
the thing that we're trying to do right

710
00:39:21,710 --> 00:39:20,190
now is make it available to everybody so

711
00:39:24,380 --> 00:39:21,720
that they don't have to worry about that

712
00:39:26,569 --> 00:39:24,390
grid there's not been a new coal-fired

713
00:39:28,339 --> 00:39:26,579

power plant foot in existence in the

714

00:39:31,599 --> 00:39:28,349

last eight to ten right you're right

715

00:39:35,150 --> 00:39:31,609

there is also a controlling factor

716

00:39:36,880 --> 00:39:35,160

especially in san antonio and 2016 the

717

00:39:39,109 --> 00:39:36,890

daily power plant is going to shut down

718

00:39:40,759 --> 00:39:39,119

that's going to take a thirty forty

719

00:39:43,430 --> 00:39:40,769

percent increase in all electric bills

720

00:39:45,829 --> 00:39:43,440

in san antonio so we hope that we'll

721

00:39:47,870 --> 00:39:45,839

have this ready to go about ninety

722

00:39:49,640 --> 00:39:47,880

percent done right now and with the

723

00:39:51,950 --> 00:39:49,650

additional funding come in this next

724

00:39:54,200 --> 00:39:51,960

week we'll have it finished and good for

725

00:39:58,040 --> 00:39:54,210

you let's hope you pull that off that's

726

00:40:06,440 --> 00:40:03,860

and thanks again for serving yes sir I'm

727

00:40:10,100 --> 00:40:06,450

Kenneth Dudley from Houston Texas live

728

00:40:13,850 --> 00:40:10,110

down the street from NASA I became a UFO

729

00:40:16,160 --> 00:40:13,860

investigator about six years ago and I

730

00:40:18,080 --> 00:40:16,170

need to talk to Peter Davenport because

731

00:40:23,120 --> 00:40:18,090

he's reason why I became a UFO

732

00:40:26,200 --> 00:40:23,130

investigator yes okay I was at a missile

733

00:40:30,080 --> 00:40:26,210

pace the Utah launch complex in October

734

00:40:34,750 --> 00:40:30,090

1973 and the bases air space was broken

735

00:40:37,460 --> 00:40:34,760

by UFOs similar situation to what the

736

00:40:40,880 --> 00:40:37,470

officers told Robert Hastings Bob

737

00:40:43,310 --> 00:40:40,890

Hastings Robert Salas at the UFO nuke

738

00:40:48,710 --> 00:40:43,320

press conference in Washington DC i

739

00:40:51,140 --> 00:40:48,720

think it was 2010 so i've hooked up with

740

00:40:54,830 --> 00:40:51,150

Robert I've started my own investigation

741

00:40:58,510 --> 00:40:54,840

thanks to Peter Davenport who I'd like

742

00:41:01,040 --> 00:40:58,520

to debate on your show some time and

743

00:41:04,310 --> 00:41:01,050

right here i'm going to give this to you

744

00:41:06,770 --> 00:41:04,320

but this is the affidavit from jerome

745

00:41:10,220 --> 00:41:06,780

see nelson one of the officers that

746

00:41:13,220 --> 00:41:10,230

testify before the CNN at the press

747

00:41:17,600 --> 00:41:13,230

conference he was at roswell new mexico

748

00:41:21,950 --> 00:41:17,610

in 63 and 64 and states the base was

749

00:41:24,920 --> 00:41:21,960

invaded six to ten times by UFOs that's

750

00:41:27,860 --> 00:41:24,930

the same winner that john f kennedy was

751
00:41:30,800 --> 00:41:27,870
assassinated and what I'm telling you is

752
00:41:33,980 --> 00:41:30,810
I think the reason why john f kennedy

753
00:41:36,580 --> 00:41:33,990
was assassinated was because roswell new

754
00:41:39,070 --> 00:41:36,590
mexico was invaded and was an ongoing

755
00:41:41,960 --> 00:41:39,080
conflict between these aliens and

756
00:41:45,500 --> 00:41:41,970
american military is covered up by their

757
00:41:49,640 --> 00:41:45,510
CIA and Air Force I've hooked up with

758
00:41:51,740 --> 00:41:49,650
counterintelligence to NASA and pretty

759
00:41:53,810 --> 00:41:51,750
much gave them to report they reviewed

760
00:41:56,630 --> 00:41:53,820
it and they pass it on to the heads of

761
00:42:00,530 --> 00:41:56,640
NASA so this is the proof right here

762
00:42:02,960 --> 00:42:00,540
that Roswell was invaded there were some

763
00:42:04,550 --> 00:42:02,970

that believed that Kennedy may have been

764

00:42:06,260 --> 00:42:04,560

killed right to give it to Tommy if you

765

00:42:08,720 --> 00:42:06,270

would that some may have been killed

766

00:42:10,820 --> 00:42:08,730

exactly because that good work is that

767

00:42:11,810 --> 00:42:10,830

individual still alive that guy you just

768

00:42:15,380 --> 00:42:11,820

mentioned

769

00:42:21,820 --> 00:42:15,390

okay and contact numbers are there and

770

00:42:26,080 --> 00:42:21,830

stuff Hastings I can get to ya okay okay

771

00:42:29,540 --> 00:42:26,090

hi George Jennifer from Fort Worth Texas

772

00:42:31,460 --> 00:42:29,550

two things comment and a question I have

773

00:42:34,550 --> 00:42:31,470

to tell you that I am so grateful for

774

00:42:39,440 --> 00:42:34,560

you you are the voice that we don't get

775

00:42:43,610 --> 00:42:39,450

to hear anywhere else okay and yes thank

776

00:42:45,980 --> 00:42:43,620

you and I must say the quality of the

777

00:42:47,150 --> 00:42:45,990

guests you have on the show the quality

778

00:42:49,280 --> 00:42:47,160

of the guests that you bring to the show

779

00:42:53,090 --> 00:42:49,290

are just superlative Linda Moulton Howe

780

00:42:56,030 --> 00:42:53,100

is amazing la missoula Steven Greer

781

00:42:59,330 --> 00:42:56,040

Stephen Bassett the thank you for

782

00:43:02,330 --> 00:42:59,340

bringing on dr. Tara dr. sherry Tenpenny

783

00:43:03,920 --> 00:43:02,340

who was blasted out of Australia from

784

00:43:07,760 --> 00:43:03,930

for having certain girl she just

785

00:43:10,970 --> 00:43:07,770

semester injective scientific views on

786

00:43:13,250 --> 00:43:10,980

vaccine that are or against what what

787

00:43:14,990 --> 00:43:13,260

the Big Pharma wants to wants us all to

788

00:43:17,300 --> 00:43:15,000

believe so thank you for for bringing

789

00:43:20,090 --> 00:43:17,310

those guests out because we do not hear

790

00:43:22,070 --> 00:43:20,100

them on the mainstream media the my

791

00:43:24,470 --> 00:43:22,080

question for you is this i know that you

792

00:43:28,610 --> 00:43:24,480

have some real strong thoughts about

793

00:43:30,530 --> 00:43:28,620

disclosure however i have to wonder if

794

00:43:32,420 --> 00:43:30,540

you look at what we see on TV right now

795

00:43:34,190 --> 00:43:32,430

in addition to your TV show which I

796

00:43:36,500 --> 00:43:34,200

don't know people know that you have

797

00:43:40,280 --> 00:43:36,510

your own TV show beyond belief on gaiam

798

00:43:42,800 --> 00:43:40,290

TV which is just wonderful as well but

799

00:43:44,870 --> 00:43:42,810

it seems to me that I have to wonder if

800

00:43:46,850 --> 00:43:44,880

there isn't some type of slow effort for

801
00:43:49,190 --> 00:43:46,860
disclosure if you look at the TV shows

802
00:43:51,350 --> 00:43:49,200
that we're seeing right now there are at

803
00:43:55,340 --> 00:43:51,360
least five six seven different ones on

804
00:43:58,640 --> 00:43:55,350
the alien agenda and UFO ufos also with

805
00:44:01,700 --> 00:43:58,650
the serious project paragon and then

806
00:44:05,570 --> 00:44:01,710
disclosure project where we had we got

807
00:44:08,960 --> 00:44:05,580
see last year in 2013 the citizens

808
00:44:11,870 --> 00:44:08,970
hearing and there was really 22 plus

809
00:44:14,330 --> 00:44:11,880
days of compelling testimony and the

810
00:44:16,910 --> 00:44:14,340
former members of Congress who who

811
00:44:19,730 --> 00:44:16,920
presided over that hearing really were

812
00:44:22,750 --> 00:44:19,740
compelled by much of it and now with the

813
00:44:25,309 --> 00:44:22,760

release of the albeit blacked out

814

00:44:27,620 --> 00:44:25,319

documents from Project Blue Book

815

00:44:30,620 --> 00:44:27,630

do you think that we are in a mode of

816

00:44:33,650 --> 00:44:30,630

some kind of slow release of information

817

00:44:35,779 --> 00:44:33,660

to to move us toward disclosure one

818

00:44:39,140 --> 00:44:35,789

would think that with what's happening

819

00:44:43,249 --> 00:44:39,150

right now that they're slowly trying to

820

00:44:46,729 --> 00:44:43,259

prepare us for disclosure I think

821

00:44:50,029 --> 00:44:46,739

there's another issue at stake maybe a

822

00:44:52,189 --> 00:44:50,039

little more nefarious I think they're

823

00:44:54,199 --> 00:44:52,199

releasing the this information because I

824

00:44:57,650 --> 00:44:54,209

don't happen to believe that all ET

825

00:45:01,329 --> 00:44:57,660

aces are good ones I think this

826

00:45:05,900 --> 00:45:01,339

universe is made up of great beans and

827

00:45:09,170 --> 00:45:05,910

not-so-great beings good bad angels

828

00:45:12,529 --> 00:45:09,180

devils and I think one of the reasons

829

00:45:15,049 --> 00:45:12,539

they may be trying to get us prepared is

830

00:45:20,029 --> 00:45:15,059

that maybe they know something we don't

831

00:45:22,339 --> 00:45:20,039

yet that we should and that a race of

832

00:45:23,870 --> 00:45:22,349

beings could come down here say I happen

833

00:45:28,130 --> 00:45:23,880

to think that all these abduction cases

834

00:45:31,069 --> 00:45:28,140

I don't think good aliens do that I

835

00:45:34,400 --> 00:45:31,079

think this is being done by a different

836

00:45:37,459 --> 00:45:34,410

race of ETS that have their own agenda

837

00:45:40,849 --> 00:45:37,469

and as David Jacobs has always said it

838

00:45:42,170 --> 00:45:40,859

ain't a good one so that could be one of

839

00:45:43,759 --> 00:45:42,180

the things they're doing but I still

840

00:45:46,640 --> 00:45:43,769

don't think we're going to have direct

841

00:45:48,140 --> 00:45:46,650

government disclosure maybe this is

842

00:45:53,749 --> 00:45:48,150

their little way of telling us without

843

00:45:57,049 --> 00:45:53,759

telling us yes sir good afternoon I'm

844

00:46:01,729 --> 00:45:57,059

Tim and I personally owe you a great

845

00:46:04,249 --> 00:46:01,739

thanks mr. nori your kindness and your

846

00:46:06,949 --> 00:46:04,259

understanding I have been personal

847

00:46:10,219 --> 00:46:06,959

witness to of how much that affects

848

00:46:12,709 --> 00:46:10,229

personal lives and I have to thank you

849

00:46:16,430 --> 00:46:12,719

personally for that and I don't think

850

00:46:18,979 --> 00:46:16,440

that you will ever appreciate personally

851

00:46:28,160 --> 00:46:18,989

how much good you really do I want you

852

00:46:35,370 --> 00:46:33,180

second I'm from Wyoming and in Wyoming

853

00:46:39,479 --> 00:46:35,380

we don't have a lot of people but we had

854

00:46:42,410 --> 00:46:39,489

a lot of space and having UFOs a

855

00:46:44,999 --> 00:46:42,420

mutilations just part of life in line

856

00:46:48,569 --> 00:46:45,009

but we don't call them aliens we call

857

00:46:53,130 --> 00:46:48,579

them spooks because nobody sure where

858

00:46:55,019 --> 00:46:53,140

they come from but they seem to home in

859

00:46:59,089 --> 00:46:55,029

on you went to mountains it's where they

860

00:47:03,660 --> 00:46:59,099

come from that's where to go back to and

861

00:47:04,920 --> 00:47:03,670

just why do we think they're aliens you

862

00:47:08,309 --> 00:47:04,930

know a lot of people think they're home

863

00:47:10,680 --> 00:47:08,319

bred that there that they're from this

864

00:47:12,930 --> 00:47:10,690

planet but you're right I don't we that

865

00:47:18,900 --> 00:47:12,940

that alien phrase has been around a long

866

00:47:22,739 --> 00:47:18,910

time a long time I'd like to be called

867

00:47:25,229 --> 00:47:22,749

an ET myself I guess yes sir what's up

868

00:47:27,839 --> 00:47:25,239

George I'm actually from Del Rio my

869

00:47:29,309 --> 00:47:27,849

name's faites i live in austin now you

870

00:47:31,739 --> 00:47:29,319

sound like you've been on the radio babe

871

00:47:34,410 --> 00:47:31,749

no I've been on your show yeah what once

872

00:47:36,900 --> 00:47:34,420

i talked about Maria or sick as a guest

873

00:47:40,670 --> 00:47:36,910

or as a colon no I call her call area um

874

00:47:42,979 --> 00:47:40,680

I think one of the scariest and yet

875

00:47:46,279 --> 00:47:42,989

probably makes the most sense to me

876

00:47:50,609 --> 00:47:46,289

situations is the Dulce New Mexico

877

00:47:54,209 --> 00:47:50,619

underground base situation were Phil

878

00:47:57,509 --> 00:47:54,219

Schneider which was really brave and he

879

00:48:01,410 --> 00:47:57,519

was later in his life later suicided for

880

00:48:03,120 --> 00:48:01,420

that and Kerry Cassidy Project Camelot

881

00:48:05,969 --> 00:48:03,130

is currently doing some research with

882

00:48:09,269 --> 00:48:05,979

Captain Mark Richards and that research

883

00:48:11,789 --> 00:48:09,279

is really provocative and again really

884

00:48:14,579 --> 00:48:11,799

frightening there's a lot of testing on

885

00:48:16,259 --> 00:48:14,589

humans genetic engineering and and

886

00:48:19,229 --> 00:48:16,269

that's I kind of wanted to know what

887

00:48:21,599 --> 00:48:19,239

your personal take on the Dulce New

888

00:48:23,400 --> 00:48:21,609

Mexico situation was in the 70s and

889

00:48:25,799 --> 00:48:23,410

whether or not you really believe or

890

00:48:27,749 --> 00:48:25,809

what you think might actually have

891

00:48:31,620 --> 00:48:27,759

occurred and whether or not they act the

892

00:48:35,789 --> 00:48:31,630

US government invaded this you know

893

00:48:38,160 --> 00:48:35,799

alleged underground alien base well in

894

00:48:41,460 --> 00:48:38,170

the question is too is it a government

895

00:48:43,770 --> 00:48:41,470

structure down there or is it an ET

896

00:48:46,650 --> 00:48:43,780

related structure down there we really

897

00:48:49,020 --> 00:48:46,660

don't know it is an unbelievable area

898

00:48:52,320 --> 00:48:49,030

that has gotten so many incredible UFO

899

00:48:55,230 --> 00:48:52,330

reports of people seeing these objects

900

00:48:57,360 --> 00:48:55,240

coming and going inside of the mountain

901
00:49:00,540 --> 00:48:57,370
and then they're gone there's definitely

902
00:49:02,820 --> 00:49:00,550
something down there people all around

903
00:49:06,300 --> 00:49:02,830
this planet continue to hear strange

904
00:49:09,900 --> 00:49:06,310
hums and sounds to me that sounds like

905
00:49:11,220 --> 00:49:09,910
construction in dynamiting down below as

906
00:49:14,880 --> 00:49:11,230
they continue to build these structures

907
00:49:18,870 --> 00:49:14,890
and facilities not sure whether we

908
00:49:21,720 --> 00:49:18,880
invaded it or not but i am sure there's

909
00:49:25,250 --> 00:49:21,730
something there who controls it who owns

910
00:49:28,860 --> 00:49:25,260
it I don't know so it's a great story

911
00:49:32,130 --> 00:49:28,870
nobody else before we do the meet and

912
00:49:34,140 --> 00:49:32,140
greet and I promise you I'm not leaving

913
00:49:36,330 --> 00:49:34,150

until the last one of you has come up

914

00:49:38,430 --> 00:49:36,340

and either gotten a picture or a little

915

00:49:40,680 --> 00:49:38,440

signing or stop where's my Sharpie pen

916

00:49:42,240 --> 00:49:40,690

is it over there ok and I'll be coming

917

00:49:46,590 --> 00:49:42,250

down do you want to do this song or what

918

00:49:48,900 --> 00:49:46,600

if we can get it come can we hear a

919

00:49:55,020 --> 00:49:48,910

run-through of the music first before do

920

00:50:00,030 --> 00:49:57,330

wrong song it's YouTube so maybe it's

921

00:50:04,410 --> 00:50:00,040

commercial that's you're too good to be

922

00:50:07,980 --> 00:50:04,420

true Reuben what happened where did that

923

00:50:12,390 --> 00:50:07,990

come from did you tell him what song did

924

00:50:15,120 --> 00:50:12,400

you tell him ruben you're just too good

925

00:50:20,390 --> 00:50:15,130

to be true I don't know the words to

926
00:50:27,360 --> 00:50:24,180
who sang that song Frankie Valli that's

927
00:50:32,100 --> 00:50:27,370
right I can't sing with his pitch I

928
00:50:33,600 --> 00:50:32,110
don't want you know why don't we you

929
00:50:35,070 --> 00:50:33,610
just sign some autographs you want to

930
00:50:37,860 --> 00:50:35,080
sign on it but what they wanted me to

931
00:50:42,720 --> 00:50:37,870
say Tom the music's not there what can I

932
00:50:46,230 --> 00:50:42,730
tell you what's he can you seriously

933
00:50:49,440 --> 00:50:46,240
hear me can't help falling in love can

934
00:50:51,300 --> 00:50:49,450
you find that on YouTube the karaoke

935
00:50:52,950 --> 00:50:51,310
version the karaoke version we don't

936
00:50:57,030 --> 00:50:52,960
want to hear open singing in the

937
00:51:00,590 --> 00:50:57,040
background you didn't expect to get this

938
00:51:02,880 --> 00:51:00,600

when you decided to come out in the Jew

939

00:51:05,820 --> 00:51:02,890

it's a great pie how's the events been
