UFO Festival

2015

1
00:00:05,930 --> 00:00:03,080
so anyway Jim Marrs if you've ever

2
00:00:10,009 --> 00:00:05,940
wondered even for a minute who actually

3
00:00:11,870 --> 00:00:10,019
killed JFK you might want to talk to our

4
00:00:13,759 --> 00:00:11,880
next speaker Jim Marrs is one of the

5
00:00:16,160 --> 00:00:13,769
leading advocates on the theory that

6
00:00:19,130 --> 00:00:16,170
President Kennedy was a victim of a deep

7
00:00:21,279 --> 00:00:19,140
conspiracy for over 30 years mr. Mars

8
00:00:23,890 --> 00:00:21,289
taught a course on the JFK assassination

9
00:00:28,400 --> 00:00:23,900
at the University of Texas at Arlington

10
00:00:30,800 --> 00:00:28,410
in 1989 his book crossfire the plot that

11
00:00:32,510 --> 00:00:30,810
killed Kennedy was published to to

12
00:00:36,799 --> 00:00:32,520
critical acclaim and was a New York

13
00:00:40,310 --> 00:00:36,809

Times best seller his book came became a

14

00:00:41,990 --> 00:00:40,320

basis for Oliver Stone's film JFK for

15

00:00:44,889 --> 00:00:42,000

which mr. Mars served as the chief

16

00:00:56,569 --> 00:00:44,899

consultant ladies and gentlemen welcome

17

00:00:59,709 --> 00:00:56,579

the view from Mars Jim Mars howdy hey

18

00:01:02,779 --> 00:00:59,719

come on y'all from Texas howdy

19

00:01:05,270 --> 00:01:02,789

now you're talking and I want to really

20

00:01:07,130 --> 00:01:05,280

thank all you folks that put that sign

21

00:01:09,859 --> 00:01:07,140

up outside of town you know I'm coming

22

00:01:12,080 --> 00:01:09,869

in and I see it it says welcome to Texas

23

00:01:14,120 --> 00:01:12,090

now I thought boy that's great now wait

24

00:01:15,350 --> 00:01:14,130

a minute I was born in Texas I still

25

00:01:19,399 --> 00:01:15,360

live in Texas what are they talking

26

00:01:23,390 --> 00:01:19,409

about yeah yeah I live up in rural Wise

27

00:01:26,090 --> 00:01:23,400

County about 50 miles northwest of Fort

28

00:01:29,840 --> 00:01:26,100

Worth that's where I raised my

29

00:01:31,520 --> 00:01:29,850

registered quarter chickens you know you

30

00:01:35,780 --> 00:01:31,530

know you know what a quarter chicken is

31

00:01:38,450 --> 00:01:35,790

right just 25 cents it's just cheap

32

00:01:41,539 --> 00:01:38,460

chickens I get rid of them but we need

33

00:01:44,300 --> 00:01:41,549

the eggs all right so here we are

34

00:01:48,499 --> 00:01:44,310

tonight know about UFOs but wait a

35

00:01:50,240 --> 00:01:48,509

minute I know Nick Pope asks the

36

00:01:55,010 --> 00:01:50,250

question what our government lied to us

37

00:01:59,420 --> 00:01:55,020

and I and my answer is only continually

38

00:02:01,880 --> 00:01:59,430

in fact if you go back we could spend a

39

00:02:06,709 --> 00:02:01,890

whole seminar for a couple of weeks

40

00:02:10,070 --> 00:02:06,719

talking about Waco Oklahoma City the

41

00:02:12,229 --> 00:02:10,080

Boston bombing Sandy Hook you know on

42

00:02:13,340 --> 00:02:12,239

and on but we ain't got time for that so

43

00:02:14,840 --> 00:02:13,350

let's go back and start

44

00:02:17,660 --> 00:02:14,850

with the granddaddy of them all the

45

00:02:21,140 --> 00:02:17,670

Kennedy assassination now I'm always

46

00:02:25,550 --> 00:02:21,150

they always say that I'm into conspiracy

47

00:02:28,100 --> 00:02:25,560

theories no I'm not I'm into fact okay

48

00:02:30,200 --> 00:02:28,110

and so we could talk for hours and hours

49

00:02:31,400 --> 00:02:30,210

here about the Kennedy assassination can

50

00:02:34,280 --> 00:02:31,410

them a lot

51

00:02:37,960 --> 00:02:34,290

the bullets trajectories ballistics

52

00:02:41,390 --> 00:02:37,970

tests autopsy foibles missing in

53

00:02:44,120 --> 00:02:41,400

evidence and you know so let's go back

54

00:02:45,500 --> 00:02:44,130

and play Sherlock Holmes and we're gonna

55

00:02:49,430 --> 00:02:45,510

start right now

56

00:02:51,710 --> 00:02:49,440

with the crime itself got a little

57

00:02:54,620 --> 00:02:51,720

machine here that supposedly works so

58

00:02:57,200 --> 00:02:54,630

I'm gonna just quickly run through some

59

00:03:00,860 --> 00:02:57,210

things that all you need to know about

60

00:03:04,310 --> 00:03:00,870

the Kennedy assassination what you need

61

00:03:06,590 --> 00:03:04,320

to know is that in connection with the

62

00:03:09,110 --> 00:03:06,600

assassination of 35th President of the

63

00:03:10,370 --> 00:03:09,120

United States there was fabrication of

64

00:03:12,380 --> 00:03:10,380

evidence suppression of evidence

65

00:03:14,270 --> 00:03:12,390

alteration of evidence destruction of

66

00:03:18,080 --> 00:03:14,280

evidence and intimidation and witnesses

67

00:03:20,930 --> 00:03:18,090

now folks these are crimes if you or I

68

00:03:23,890 --> 00:03:20,940

did this in connection with say a murder

69

00:03:27,470 --> 00:03:23,900

case we could be thrown into prison

70

00:03:30,110 --> 00:03:27,480

because under our legal system if we did

71

00:03:33,320 --> 00:03:30,120

all this we are accessories after the

72

00:03:36,110 --> 00:03:33,330

fact okay and here in Texas we've

73

00:03:38,960 --> 00:03:36,120

executed people who are accessories to

74

00:03:39,890 --> 00:03:38,970

murder the facts of the case show they

75

00:03:42,800 --> 00:03:39,900

didn't pull the trigger

76

00:03:45,140 --> 00:03:42,810

but they knew about it they handle the

77

00:03:47,870 --> 00:03:45,150

gun they handle the money they drove the

78

00:03:50,330 --> 00:03:47,880

getaway car and under the our legal

79

00:03:52,760 --> 00:03:50,340

system there is considered as guilty as

80

00:03:53,930 --> 00:03:52,770

the person that pulled the trigger so

81

00:03:56,390 --> 00:03:53,940

let's take a look at some of this

82

00:04:05,720 --> 00:03:56,400

evidence we've got fabrication of

83

00:04:08,270 --> 00:04:05,730

evidence best pieces of evidence they

84

00:04:09,950 --> 00:04:08,280

used at the time and I noticed we have a

85

00:04:11,750 --> 00:04:09,960

pretty good split audience here we've

86

00:04:13,940 --> 00:04:11,760

got some old farts like me who were

87

00:04:15,950 --> 00:04:13,950

probably alive and were there that

88

00:04:17,620 --> 00:04:15,960

weekend and then we got a lot of younger

89

00:04:20,510 --> 00:04:17,630

people who either you know we're just

90

00:04:24,710 --> 00:04:20,520

infants or we hadn't even been born in

91

00:04:26,510 --> 00:04:24,720

1963 it's hard for me to realize how

92

00:04:28,640 --> 00:04:26,520

much time has gone by because

93

00:04:30,320 --> 00:04:28,650

for 30 years I've taught a course on the

94

00:04:32,629 --> 00:04:30,330

Kennedy assassination at the University

95

00:04:34,820 --> 00:04:32,639

of Texas in Arlington and so every

96

00:04:36,439 --> 00:04:34,830

semester I looked at those newsreels all

97

00:04:38,960 --> 00:04:36,449

over again looked at the films

98

00:04:41,570 --> 00:04:38,970

photographs heard the witnesses and so

99

00:04:44,960 --> 00:04:41,580

to me the Kennedy assassination is still

100

00:04:47,540 --> 00:04:44,970

very fresh in my mind but to a lot of

101
00:04:49,159 --> 00:04:47,550
people it's not but you may recall one

102
00:04:51,379 --> 00:04:49,169
of the strongest pieces of evidence

103
00:04:54,680 --> 00:04:51,389
against the accused assassin Lee Harvey

104
00:04:57,200 --> 00:04:54,690
Oswald was when they said we have his

105
00:04:59,300 --> 00:04:57,210
fingerprints on the rifle what seemed

106
00:05:02,600 --> 00:04:59,310
dissension well let's take a look let's

107
00:05:04,809 --> 00:05:02,610
take a closer look that rifle was taken

108
00:05:07,640 --> 00:05:04,819
away from the hands of the Dallas police

109
00:05:09,860 --> 00:05:07,650
that the night of the assassination in

110
00:05:12,140 --> 00:05:09,870
shipped to Washington the very next day

111
00:05:14,210 --> 00:05:12,150
in this document signed by Jagger Hoover

112
00:05:16,309 --> 00:05:14,220
himself it says no latent prints of

113
00:05:19,339 --> 00:05:16,319

value were found on Oswald's rifle

114

00:05:20,960 --> 00:05:19,349

cartridge cases unfired cartridge the

115

00:05:23,330 --> 00:05:20,970

clip of the rifle or even the inner

116

00:05:26,270 --> 00:05:23,340

parts of the rifle so on Saturday

117

00:05:30,110 --> 00:05:26,280

there's no fingerprints on Sunday the

118

00:05:33,920 --> 00:05:30,120

rifle is shipped back to Dallas and on

119

00:05:37,339 --> 00:05:33,930

Monday morning the two FBI guys Vinson

120

00:05:38,930 --> 00:05:37,349

drain and Harrison carry the rifle over

121

00:05:42,200 --> 00:05:38,940

to Miller funeral home where they were

122

00:05:43,490 --> 00:05:42,210

pairing Oswald's body for burial this is

123

00:05:46,159 --> 00:05:43,500

the old Fort Worth press and they

124

00:05:48,320 --> 00:05:46,169

noticed an FBI team with a camera and a

125

00:05:50,719 --> 00:05:48,330

crime lab kit spent a long time in the

126

00:05:52,820 --> 00:05:50,729

morgue well wait a minute Oswald been

127

00:05:54,589 --> 00:05:52,830

alive for three days almost in police

128

00:05:58,850 --> 00:05:54,599

custody where they need to go the morgue

129

00:06:02,240 --> 00:05:58,860

for all Groody a wonderful guy who was

130

00:06:04,010 --> 00:06:02,250

the mortician at the time and when I was

131

00:06:08,300 --> 00:06:04,020

a young police reporter over in Fort

132

00:06:10,430 --> 00:06:08,310

Worth back in the 60s and 70s he told me

133

00:06:14,089 --> 00:06:10,440

over and over how he was there when the

134

00:06:17,779 --> 00:06:14,099

FBI came in and put Oswald's dead hand

135

00:06:20,240 --> 00:06:17,789

on the rifle and that night Henry Wade

136

00:06:23,149 --> 00:06:20,250

the District Attorney of Dallas casually

137

00:06:25,100 --> 00:06:23,159

mentions to the news media Oh have I

138

00:06:28,010 --> 00:06:25,110

mentioned we've got his fingerprints on

139

00:06:32,180 --> 00:06:28,020

the rifle is there a chain of evidence

140

00:06:35,060 --> 00:06:32,190

no is that legitimate evidence no also

141

00:06:38,610 --> 00:06:35,070

we find that they said they have these

142

00:06:40,980 --> 00:06:38,620

three empty shell cases

143

00:06:43,200 --> 00:06:40,990

and that there was one live round found

144

00:06:45,420 --> 00:06:43,210

in the mannlicher-carcano that I was

145

00:06:47,129 --> 00:06:45,430

well supposedly used in the

146

00:06:49,409 --> 00:06:47,139

assassination now here's what's

147

00:06:53,129 --> 00:06:49,419

interesting see the era's well

148

00:06:56,220 --> 00:06:53,139

particularly these you see there's a

149

00:06:58,200 --> 00:06:56,230

little crimp in the shoulder of the

150

00:07:00,360 --> 00:06:58,210

cartridge case on these three the one

151

00:07:01,710 --> 00:07:00,370

that was in the rifle and these two that

152

00:07:04,050 --> 00:07:01,720

they found on the sixth floor of the

153

00:07:07,620 --> 00:07:04,060

School Book Depository the FBI crime lab

154

00:07:10,710 --> 00:07:07,630

said that that is a peculiarity of the

155

00:07:12,690 --> 00:07:10,720

Oswald rifle when you cram the shell

156

00:07:16,469 --> 00:07:12,700

into the chamber it puts that little

157

00:07:19,920 --> 00:07:16,479

crimp on them notice the third cartridge

158

00:07:21,930 --> 00:07:19,930

does not have that Krim but it does have

159

00:07:24,180 --> 00:07:21,940

a little crimp up on the neck which if

160

00:07:27,420 --> 00:07:24,190

that was there when the thing was all

161

00:07:29,310 --> 00:07:27,430

together it would have been it wouldn't

162

00:07:32,550 --> 00:07:29,320

have been able to be fired so we got a

163

00:07:36,150 --> 00:07:32,560

problem with that pieces of evidence I

164

00:07:38,550 --> 00:07:36,160
might point out that originally the

165

00:07:40,590 --> 00:07:38,560
Dallas Police sheet and I may show this

166

00:07:42,900 --> 00:07:40,600
showed that they had only had two

167

00:07:45,150 --> 00:07:42,910
cartridge cases it was only about

168

00:07:47,580 --> 00:07:45,160
several days later when a dallas police

169

00:07:49,800 --> 00:07:47,590
official said oh oh that's right I I got

170

00:07:51,360 --> 00:07:49,810
a third cartridge case and I and I

171

00:07:53,940 --> 00:07:51,370
forgot about it and I carried it around

172

00:07:56,100 --> 00:07:53,950
my pocket how's that for a piece of

173

00:07:57,659 --> 00:07:56,110
evidence okay and of course this was

174

00:07:59,760 --> 00:07:57,669
after the government decided there were

175

00:08:02,640 --> 00:07:59,770
three shots so they had to have three

176

00:08:05,640 --> 00:08:02,650

cartridges here's what appears to be the

177

00:08:07,260 --> 00:08:05,650

same FBI document both of them signed by

178

00:08:09,420 --> 00:08:07,270

Vincente drained both of them with the

179

00:08:14,460 --> 00:08:09,430

same file number one of them released in

180

00:08:16,500 --> 00:08:14,470

1968 and it says that the paper found on

181

00:08:19,290 --> 00:08:16,510

the sixth floor of the scoop depository

182

00:08:22,140 --> 00:08:19,300

that they said was used by as well to to

183

00:08:26,219 --> 00:08:22,150

wrap the rifle in and smuggle it into

184

00:08:28,590 --> 00:08:26,229

the Book Depository matches the paper

185

00:08:30,510 --> 00:08:28,600

that was used for wrapping paper in the

186

00:08:32,100 --> 00:08:30,520

Book Depository and since Oswald worked

187

00:08:34,620 --> 00:08:32,110

there this is pretty incriminating

188

00:08:36,750 --> 00:08:34,630

evidence that he got some of this paper

189

00:08:40,529 --> 00:08:36,760

at work and he used it to wrap the rifle

190

00:08:42,540 --> 00:08:40,539

in but 1980 this document slips out it

191

00:08:44,490 --> 00:08:42,550

looks like the exact same documented set

192

00:08:47,070 --> 00:08:44,500

Vinick says that the paper found on the

193

00:08:49,770 --> 00:08:47,080

sixth floor does not match the wrapping

194

00:08:51,660 --> 00:08:49,780

paper at the School Book Depository you

195

00:08:54,000 --> 00:08:51,670

know so wait a minute and

196

00:08:56,340 --> 00:08:54,010

the FBI was asked well what's the deal

197

00:08:59,760 --> 00:08:56,350

with this copy over here and they came

198

00:09:02,190 --> 00:08:59,770

out in 1980 we were told by an FBI

199

00:09:05,550 --> 00:09:02,200

official that oh well that's a phony

200

00:09:10,470 --> 00:09:05,560

document how many other phony documents

201
00:09:16,800 --> 00:09:10,480
are in FBI files and men now you've got

202
00:09:18,750 --> 00:09:16,810
this newspaper clipping on us I had to

203
00:09:22,350 --> 00:09:18,760
get out of the Seattle Times because it

204
00:09:25,950 --> 00:09:22,360
never went anywhere else this is Gerald

205
00:09:29,520 --> 00:09:25,960
Custer he's not a conspiracy author he's

206
00:09:32,880 --> 00:09:29,530
not a researcher he is the navel

207
00:09:34,800 --> 00:09:32,890
technician that took the x-rays of

208
00:09:39,570 --> 00:09:34,810
president kid in his body

209
00:09:43,470 --> 00:09:39,580
at Bethesda Naval Hospital and he says

210
00:09:47,400 --> 00:09:43,480
today the photo these are fake x-rays

211
00:09:49,830 --> 00:09:47,410
that were being shown on the same podium

212
00:09:52,440 --> 00:09:49,840
with him was Floyd rebe Floyd Ruby is

213
00:09:54,750 --> 00:09:52,450

not a conspiracy theorist Ford rebe is

214

00:09:57,000 --> 00:09:54,760

the photographer who took the autopsy

215

00:10:00,960 --> 00:09:57,010

photographs of President Kennedy and

216

00:10:04,110 --> 00:10:00,970

what does he say he says that the doctor

217

00:10:07,110 --> 00:10:04,120

the photographs released by the National

218

00:10:11,340 --> 00:10:07,120

Archives are phony and not the

219

00:10:15,750 --> 00:10:11,350

photographs we took wait a minute so you

220

00:10:18,990 --> 00:10:15,760

know where's the real evidence and as

221

00:10:21,840 --> 00:10:19,000

you can see here the x-rays that the one

222

00:10:24,150 --> 00:10:21,850

that the National Archive so today show

223

00:10:26,700 --> 00:10:24,160

a huge defect in the right front portion

224

00:10:29,370 --> 00:10:26,710

of President Kennedy's skull and yet the

225

00:10:31,890 --> 00:10:29,380

autopsy photographs that area is

226

00:10:35,100 --> 00:10:31,900

perfectly okay some of these lying

227

00:10:37,230 --> 00:10:35,110

something's going on here and of course

228

00:10:39,120 --> 00:10:37,240

we've got the cockamamie single Bullet

229

00:10:40,830 --> 00:10:39,130

theory says well there was only three

230

00:10:42,540 --> 00:10:40,840

shots fired and we know one a miss

231

00:10:45,420 --> 00:10:42,550

because it nicked a guy named James

232

00:10:47,220 --> 00:10:45,430

Tague down standing down near the triple

233

00:10:49,440 --> 00:10:47,230

underpass and then you got to have one

234

00:10:51,780 --> 00:10:49,450

shot that hit Kennedy in the head so

235

00:10:54,570 --> 00:10:51,790

that only leaves one shot if there's

236

00:10:56,820 --> 00:10:54,580

only one shooter and yet how we're gonna

237

00:10:58,950 --> 00:10:56,830

explain these seven wounds to Kennedy

238

00:11:01,650 --> 00:10:58,960

and Connally oh well they explain it

239

00:11:03,930 --> 00:11:01,660

this way one bullet coming from 60 feet

240

00:11:05,220 --> 00:11:03,940

in the air strikes Kennedy at the third

241

00:11:07,230 --> 00:11:05,230

thoracic vertebra

242

00:11:09,870 --> 00:11:07,240

doesn't strike any bone but somehow

243

00:11:12,480 --> 00:11:09,880

courses upward through his body exits

244

00:11:14,790 --> 00:11:12,490

out his Adam's apple in his throat then

245

00:11:17,910 --> 00:11:14,800

somehow changes direction goes back down

246

00:11:21,240 --> 00:11:17,920

strikes Connally at the near the right

247

00:11:23,580 --> 00:11:21,250

armpit shatters his fifth rib comes out

248

00:11:26,640 --> 00:11:23,590

near his right nipple goes through the

249

00:11:28,860 --> 00:11:26,650

anterior topside of his wrist shattering

250

00:11:33,750 --> 00:11:28,870

the wrist bone and ends up in his left

251
00:11:35,340 --> 00:11:33,760
leg oh yeah anybody ever fired a gun how

252
00:11:38,010 --> 00:11:35,350
many times does the bullet bounced

253
00:11:41,850 --> 00:11:38,020
around inside that beer can it makes a

254
00:11:44,250 --> 00:11:41,860
hole straight through and here's the

255
00:11:49,110 --> 00:11:44,260
proof of that here's Commission exhibit

256
00:11:51,870 --> 00:11:49,120
399 oops come back the so-called magic

257
00:11:55,230 --> 00:11:51,880
bullet this is the bullet the government

258
00:11:56,910 --> 00:11:55,240
says actually caused the wounds to

259
00:11:59,310 --> 00:11:56,920
Kennedy and Connolly including striking

260
00:12:02,730 --> 00:11:59,320
Connolly's fifth rib and shattering his

261
00:12:05,160 --> 00:12:02,740
wrist bone as we can see in the x-ray of

262
00:12:08,160 --> 00:12:05,170
governor Connolly's wrist you can see it

263
00:12:11,460 --> 00:12:08,170

broke that big wrist bone we also see

264

00:12:14,190 --> 00:12:11,470

these bright metal pieces okay there is

265

00:12:16,290 --> 00:12:14,200

more pieces of bullet metal that was

266

00:12:17,850 --> 00:12:16,300

still in Conley's arm when he finally

267

00:12:20,280 --> 00:12:17,860

passed away and was buried

268

00:12:22,170 --> 00:12:20,290

then his missing off the bullet that

269

00:12:24,660 --> 00:12:22,180

you're being toes and caused the wound

270

00:12:26,400 --> 00:12:24,670

and where was this bullet found it

271

00:12:28,830 --> 00:12:26,410

rolled off a stretcher at Parkland

272

00:12:31,410 --> 00:12:28,840

Hospital and they tried desperately to

273

00:12:33,870 --> 00:12:31,420

get the man who found it Daryl Tomlinson

274

00:12:37,050 --> 00:12:33,880

to say that it came off a Connally

275

00:12:38,880 --> 00:12:37,060

stretcher but he wouldn't do it and who

276

00:12:41,700 --> 00:12:38,890

was in Parkland Hospital about one

277

00:12:43,830 --> 00:12:41,710

o'clock Jack Ruby we have a photograph

278

00:12:45,780 --> 00:12:43,840

of him and we have several people in

279

00:12:49,170 --> 00:12:45,790

knew him well who said they saw him and

280

00:12:51,180 --> 00:12:49,180

in fact a TV news reporter that I

281

00:12:53,400 --> 00:12:51,190

interviewed told me that he and he knew

282

00:12:56,520 --> 00:12:53,410

a ruby had been in his club and he saw

283

00:12:58,680 --> 00:12:56,530

Ruby carried TV equipment and slipping

284

00:13:02,820 --> 00:12:58,690

into the hospital so who planted that

285

00:13:06,030 --> 00:13:02,830

bullet probably Jack Ruby alteration of

286

00:13:07,950 --> 00:13:06,040

evidence this is very a little bit

287

00:13:11,280 --> 00:13:07,960

detailed and I hate to bore you with it

288

00:13:13,590 --> 00:13:11,290

but it's extremely important this is the

289

00:13:16,260 --> 00:13:13,600

President's Commission on the SAS nation

290

00:13:18,420 --> 00:13:16,270

of President Kennedy better known as the

291

00:13:22,220 --> 00:13:18,430

Warren Commission

292

00:13:26,600 --> 00:13:22,230

and this is walk walk ward and Paul

293

00:13:29,880 --> 00:13:26,610

public stenographers who were deposing

294

00:13:35,910 --> 00:13:29,890

James C Cadogan a fingerprint expert

295

00:13:38,340 --> 00:13:35,920

with the FBI now in his typed up thing

296

00:13:40,949 --> 00:13:38,350

we see that somebody has scratched out a

297

00:13:44,430 --> 00:13:40,959

whole section and when he's asked you

298

00:13:49,790 --> 00:13:44,440

know why exhibit 820 was not reprocessed

299

00:13:55,199 --> 00:13:53,220

I'm hard to see that only gas I guess

300

00:13:57,120 --> 00:13:55,209

and somebody's written in no this is a

301

00:13:58,949 --> 00:13:57,130

latent fingerprint issue and then

302

00:14:01,199 --> 00:13:58,959

they've scratched out the rest of his

303

00:14:02,760 --> 00:14:01,209

statement that is a crime right there

304

00:14:05,340 --> 00:14:02,770

it's a tamper with an official

305

00:14:07,829 --> 00:14:05,350

transcript so what he was he trying to

306

00:14:10,110 --> 00:14:07,839

cover up what he's covering up is is

307

00:14:12,210 --> 00:14:10,120

that and sure enough the Warren

308

00:14:14,880 --> 00:14:12,220

Commission followed through and in their

309

00:14:16,380 --> 00:14:14,890

in their report they said cadogan's that

310

00:14:19,650 --> 00:14:16,390

when they asked him why wasn't the

311

00:14:21,210 --> 00:14:19,660

exhibit 8:20 not repressor D silver and

312

00:14:24,240 --> 00:14:21,220

he said no there's a latent fingerprint

313

00:14:27,960 --> 00:14:24,250

matter so what was he covering up well

314

00:14:32,220 --> 00:14:27,970

because what we find out later is that

315

00:14:34,500 --> 00:14:32,230

what was axed out said that there was a

316

00:14:37,019 --> 00:14:34,510

big batch of evidence brought into the

317

00:14:39,240 --> 00:14:37,029

laboratory on November the 23rd that's

318

00:14:41,610 --> 00:14:39,250

the day after the Kennedy assassination

319

00:14:43,290 --> 00:14:41,620

that's the Saturday that they took all

320

00:14:45,600 --> 00:14:43,300

of the evidence away from the Dallas

321

00:14:48,750 --> 00:14:45,610

Police the night of the assassination

322

00:14:50,160 --> 00:14:48,760

and he said it's very large quality of

323

00:14:52,350 --> 00:14:50,170

evidence there were several agent

324

00:14:54,329 --> 00:14:52,360

examiner's to evaluate there was

325

00:14:55,890 --> 00:14:54,339

material there were supervisory

326

00:14:58,199 --> 00:14:55,900

officials that were representative or

327

00:15:01,380 --> 00:14:58,209

Internal Security Division

328

00:15:04,290 --> 00:15:01,390

so they every top FBI officials now are

329

00:15:06,710 --> 00:15:04,300

poring over all of the evidence with no

330

00:15:09,150 --> 00:15:06,720

chain of command no public oversight

331

00:15:14,100 --> 00:15:09,160

nobody to see what they might have been

332

00:15:15,810 --> 00:15:14,110

putting in there or taken out okay and

333

00:15:18,060 --> 00:15:15,820

it sure enough when you read the

334

00:15:20,850 --> 00:15:18,070

testimony of chief curry the Dallas

335

00:15:22,290 --> 00:15:20,860

police chief he says well on Friday

336

00:15:25,290 --> 00:15:22,300

evening we kept getting calls from

337

00:15:28,290 --> 00:15:25,300

Washington and asking us to send all the

338

00:15:29,790 --> 00:15:28,300

the evidence up there and captain Fritz

339

00:15:31,580 --> 00:15:29,800

who was in charge of the homicide

340

00:15:33,590 --> 00:15:31,590

investigation said well I'm

341

00:15:35,210 --> 00:15:33,600

on the conduct of investigation here we

342

00:15:37,340 --> 00:15:35,220

got to have people to identify the rifle

343

00:15:38,810 --> 00:15:37,350

we got to get taking statements how can

344

00:15:43,430 --> 00:15:38,820

I do that if you're going to take all

345

00:15:46,450 --> 00:15:43,440

the evidence away but curry finally says

346

00:15:48,860 --> 00:15:46,460

well there was somebody in high office

347

00:15:50,750 --> 00:15:48,870

requesting this and we finally agreed as

348

00:15:52,820 --> 00:15:50,760

a matter of trying to cooperate with

349

00:15:56,269 --> 00:15:52,830

them so they sent all of the evidence

350

00:15:59,450 --> 00:15:56,279

back to Washington he says talking to

351

00:16:02,750 --> 00:15:59,460

Jamie Rankin the senior counsel of the

352

00:16:04,460 --> 00:16:02,760

Warren Commission he says he says well

353

00:16:06,200 --> 00:16:04,470

Jay ever get that evidence back and he

354

00:16:09,500 --> 00:16:06,210

said well we're supposed to get some

355

00:16:11,960 --> 00:16:09,510

copies he said but no I never received

356

00:16:14,660 --> 00:16:11,970

any of that evidence back he said

357

00:16:16,730 --> 00:16:14,670

perhaps the Commission has it and J Lee

358

00:16:18,440 --> 00:16:16,740

Rankin the chief counsel of the Warren

359

00:16:21,079 --> 00:16:18,450

Commission said yes the Commission is

360

00:16:23,410 --> 00:16:21,089

still working with it now what does this

361

00:16:29,060 --> 00:16:23,420

mean this means that for three days

362

00:16:32,780 --> 00:16:29,070

before because it was Tuesday November

363

00:16:34,250 --> 00:16:32,790

the 25th that they had the news media

364

00:16:36,800 --> 00:16:34,260

announced they had a big meeting between

365

00:16:39,590 --> 00:16:36,810

the Dallas Police Chief the sheriff and

366

00:16:43,430 --> 00:16:39,600

the District Attorney the FBI and they

367

00:16:46,130 --> 00:16:43,440

called in the FBI because at the time

368

00:16:48,560 --> 00:16:46,140

this was not a federal crime the feds

369

00:16:51,350 --> 00:16:48,570

had no jurisdiction this was a Texas

370

00:16:53,450 --> 00:16:51,360

homicide but now on Tuesday following

371

00:16:56,120 --> 00:16:53,460

the Friday assassination they announced

372

00:16:57,920 --> 00:16:56,130

the FBI was taken over the case but in

373

00:17:00,020 --> 00:16:57,930

truth they had had all the evidence

374

00:17:03,400 --> 00:17:00,030

since the very day of the SAS nation

375

00:17:06,260 --> 00:17:03,410

with no chain of evidence no oversight

376

00:17:08,720 --> 00:17:06,270

no way of knowing what they did with it

377

00:17:11,059 --> 00:17:08,730

what they took out what they put in now

378

00:17:14,000 --> 00:17:11,069

do you understand why there is so much

379

00:17:17,150 --> 00:17:14,010

controversy over the evidence in the

380

00:17:19,160 --> 00:17:17,160

Kennedy assassination and there you have

381

00:17:21,169 --> 00:17:19,170

it in the Dallas Morning News on

382

00:17:24,020 --> 00:17:21,179

November the 22nd excuse me I think I

383

00:17:26,419 --> 00:17:24,030

said the 25th it was the 27th where they

384

00:17:30,230 --> 00:17:26,429

said the FBI takes over all the evidence

385

00:17:33,710 --> 00:17:30,240

in the Kennedy assassination yeah right

386

00:17:35,750 --> 00:17:33,720

okay now here's a picture I took myself

387

00:17:36,320 --> 00:17:35,760

before they closed off that six floor

388

00:17:38,270 --> 00:17:36,330

window

389

00:17:40,520 --> 00:17:38,280

this is before they turned it into the

390

00:17:42,020 --> 00:17:40,530

sixth floor museum which say that they

391

00:17:43,980 --> 00:17:42,030

say they're not trying to present any

392

00:17:46,290 --> 00:17:43,990

particular viewpoint and yet they

393

00:17:47,970 --> 00:17:46,300

like last off that whole corner of the

394

00:17:49,860 --> 00:17:47,980

6th floor so nobody can get to that

395

00:17:52,650 --> 00:17:49,870

window and look out of it and that's

396

00:17:55,020 --> 00:17:52,660

because what you find is that it's only

397

00:17:57,570 --> 00:17:55,030

a foot away off the floor that's the

398

00:18:00,210 --> 00:17:57,580

floor and the wind is only a foot off of

399

00:18:02,070 --> 00:18:00,220

air and then the window was opened about

400

00:18:07,500 --> 00:18:02,080

half way like this so you just got this

401
00:18:09,810 --> 00:18:07,510
little bitty narrow object a line of

402
00:18:11,549 --> 00:18:09,820
sight there's two two-inch pipes to the

403
00:18:13,140 --> 00:18:11,559
immediate left of the window which is

404
00:18:15,330 --> 00:18:13,150
going to create a problem for anybody

405
00:18:16,980 --> 00:18:15,340
trying to aim off down Elm Street but

406
00:18:19,470 --> 00:18:16,990
the key thing is is that where this

407
00:18:22,290 --> 00:18:19,480
overhead sign is and it was not there in

408
00:18:23,940 --> 00:18:22,300
1963 but it is today that's where the

409
00:18:27,419 --> 00:18:23,950
first shots were fired and you can see

410
00:18:30,060 --> 00:18:27,429
the problem there's a tree intervening

411
00:18:31,830 --> 00:18:30,070
in the line of sight but they don't want

412
00:18:34,590 --> 00:18:31,840
you to see that but if you ever get to

413
00:18:36,540 --> 00:18:34,600

Dallas and get to Debbie Plaza watch the

414

00:18:38,820 --> 00:18:36,550

traffic please but right at the middle

415

00:18:40,950 --> 00:18:38,830

of Elm Street and then look back up at

416

00:18:43,020 --> 00:18:40,960

the sixth floor window and you won't be

417

00:18:45,390 --> 00:18:43,030

able to see it because that tree was

418

00:18:47,640 --> 00:18:45,400

trimmed back for a TV special in the 70s

419

00:18:49,590 --> 00:18:47,650

it was trimmed back again for the Oliver

420

00:18:51,840 --> 00:18:49,600

Stone movie and today it's in

421

00:18:54,870 --> 00:18:51,850

essentially the same configuration that

422

00:18:56,549 --> 00:18:54,880

it was in in 1963 and you can't get a

423

00:18:57,990 --> 00:18:56,559

line of sight from that window to the

424

00:19:02,090 --> 00:18:58,000

point in the street where the shots are

425

00:19:04,410 --> 00:19:02,100

fired today and you couldn't in 1963

426

00:19:09,710 --> 00:19:04,420

this is what I was mentioning earlier

427

00:19:16,770 --> 00:19:09,720

the Warren Commission shows us this

428

00:19:21,240 --> 00:19:16,780

Commission exhibit - whatever it is - 33

429

00:19:24,660 --> 00:19:21,250

and it shows that they found 26.5 spent

430

00:19:26,250 --> 00:19:24,670

rounds and yet in 1991 when I went over

431

00:19:27,720 --> 00:19:26,260

to Dallas and they had opened up their

432

00:19:30,450 --> 00:19:27,730

police files and I found the original

433

00:19:32,970 --> 00:19:30,460

dice police evidence sheet I noticed

434

00:19:35,130 --> 00:19:32,980

that they only had two and it's been

435

00:19:36,930 --> 00:19:35,140

changed to three by the Warren

436

00:19:39,180 --> 00:19:36,940

Commission so they only had two

437

00:19:40,890 --> 00:19:39,190

cartridges at the time but as I

438

00:19:43,440 --> 00:19:40,900

mentioned one of them suddenly turned up

439

00:19:44,880 --> 00:19:43,450

days later would never have been

440

00:19:47,750 --> 00:19:44,890

admitted in a court of law

441

00:19:50,790 --> 00:19:47,760

he also noticed that the bottom of the

442

00:19:52,470 --> 00:19:50,800

Warren Commission document is blank but

443

00:19:55,260 --> 00:19:52,480

the original Dallas police evidence

444

00:19:57,629 --> 00:19:55,270

sheet says paraffin test made on Oswald

445

00:20:00,239 --> 00:19:57,639

was positive on both hands and negative

446

00:20:02,849 --> 00:20:00,249

on the face this is evidence he did not

447

00:20:04,949 --> 00:20:02,859

fire a rifle that day because after his

448

00:20:07,619 --> 00:20:04,959

arrest they took him police headquarters

449

00:20:11,159 --> 00:20:07,629

they put paraffin hot paraffin on his

450

00:20:14,099 --> 00:20:11,169

hand and on his cheek okay and I've got

451
00:20:19,219 --> 00:20:14,109
a copy of the paraffin test report in my

452
00:20:26,369 --> 00:20:23,639
not gun powder but they found some

453
00:20:30,239 --> 00:20:26,379
evidence on his hands but no gunpowder

454
00:20:32,279 --> 00:20:30,249
or nitrates on his face only traces of

455
00:20:34,019 --> 00:20:32,289
nitrates on his hand and you can get

456
00:20:36,089 --> 00:20:34,029
nitrates from any number of things

457
00:20:37,739 --> 00:20:36,099
including book printing ink and of

458
00:20:39,329 --> 00:20:37,749
course we know that he worked at the

459
00:20:41,519 --> 00:20:39,339
Book Depository it was carrying book

460
00:20:44,069 --> 00:20:41,529
boxes around all morning so that could

461
00:20:46,139 --> 00:20:44,079
explain the nitrates but there's no

462
00:20:48,509 --> 00:20:46,149
gunpowder on his hands and the key thing

463
00:20:50,329 --> 00:20:48,519

is no gun powder on his face why is that

464

00:20:52,440 --> 00:20:50,339

critical because any of you who own

465

00:20:54,719 --> 00:20:52,450

bolt-action rifles you know what I'm

466

00:20:57,479 --> 00:20:54,729

going to say to be able to fire three

467

00:20:59,549 --> 00:20:57,489

rounds in six seconds and since it takes

468

00:21:01,919 --> 00:20:59,559

two seconds just to the bolt and

469

00:21:03,989 --> 00:21:01,929

pull the trigger the three is the

470

00:21:06,029 --> 00:21:03,999

maximum number of shots you could fire

471

00:21:08,159 --> 00:21:06,039

in six seconds and that doesn't even

472

00:21:12,509 --> 00:21:08,169

count regaining your sight picture take

473

00:21:14,849 --> 00:21:12,519

a name that's just bank banks and you

474

00:21:16,709 --> 00:21:14,859

cannot lower it to do this you don't

475

00:21:18,719 --> 00:21:16,719

have to keep it right up here and when

476
00:21:21,779 --> 00:21:18,729
you open that bolt boom you're gonna be

477
00:21:24,629 --> 00:21:21,789
hit with nitrates and gunpowder but he

478
00:21:27,239 --> 00:21:24,639
had none evidence that he had not fired

479
00:21:30,659 --> 00:21:27,249
a gun and yet the Warren Commission they

480
00:21:33,359 --> 00:21:30,669
instead of explaining what that is or

481
00:21:37,079 --> 00:21:33,369
perhaps why it didn't matter they just

482
00:21:39,810 --> 00:21:37,089
delete it and hide it from you you have

483
00:21:42,299 --> 00:21:39,820
all the doctors at Parkland all of them

484
00:21:44,219 --> 00:21:42,309
and they all said the kennedy had a

485
00:21:46,379 --> 00:21:44,229
gaping wound in the right rear portion

486
00:21:47,359 --> 00:21:46,389
of his head well that indicates an exit

487
00:21:50,519 --> 00:21:47,369
wound

488
00:21:56,819 --> 00:21:50,529

and yet when the government showed us

489

00:21:59,399 --> 00:21:56,829

these drawings where's the gaping hole

490

00:22:01,560 --> 00:21:59,409

that's not there what it did show was

491

00:22:03,269 --> 00:22:01,570

this what they said at the time was the

492

00:22:05,159 --> 00:22:03,279

entrance wound that bullet hole in the

493

00:22:07,349 --> 00:22:05,169

back of his head and yet when the

494

00:22:09,749 --> 00:22:07,359

autopsy photographs finally were

495

00:22:10,940 --> 00:22:09,759

released we see that there wasn't a

496

00:22:12,860 --> 00:22:10,950

bullet hole there it's just

497

00:22:14,240 --> 00:22:12,870

little piece of dried hair or something

498

00:22:17,210 --> 00:22:14,250

you can see a hair growing through it

499

00:22:19,550 --> 00:22:17,220

it's not a bullet hole in fact commander

500

00:22:21,110 --> 00:22:19,560

Humes who was in charge of the autopsy

501
00:22:23,060 --> 00:22:21,120
when he was shown that photograph he

502
00:22:29,510 --> 00:22:23,070
said well I don't look like anything I

503
00:22:31,220 --> 00:22:29,520
saw the autopsy official autopsy sheet

504
00:22:34,310 --> 00:22:31,230
states that he was hit at the third

505
00:22:36,590 --> 00:22:34,320
thoracic vertebra which is my stubby

506
00:22:38,650 --> 00:22:36,600
fingers right here between your shoulder

507
00:22:42,140 --> 00:22:38,660
blades a little bit to the right of the

508
00:22:43,880 --> 00:22:42,150
backbone and on the autopsy face sheet

509
00:22:46,460 --> 00:22:43,890
that's exactly where it shows the wound

510
00:22:48,860 --> 00:22:46,470
and this is the one the Warren

511
00:22:52,190 --> 00:22:48,870
Commission published and they said oh

512
00:22:55,730 --> 00:22:52,200
well as just a general drawing it's not

513
00:22:57,470 --> 00:22:55,740

really accurate and but yet what did

514

00:23:00,590 --> 00:22:57,480

they leave out on the original face

515

00:23:02,930 --> 00:23:00,600

sheet we see verified by doctor George

516

00:23:05,600 --> 00:23:02,940

Berkeley Kennedy's personal physician

517

00:23:08,210 --> 00:23:05,610

so rather than know that that's where

518

00:23:11,450 --> 00:23:08,220

the back wound was they took they took

519

00:23:15,200 --> 00:23:11,460

this out so they could say oh well you

520

00:23:17,330 --> 00:23:15,210

know actually is up on the neck and yet

521

00:23:19,040 --> 00:23:17,340

his coat shows the bullet hole exactly

522

00:23:21,380 --> 00:23:19,050

where the autopsy showed third thoracic

523

00:23:23,720 --> 00:23:21,390

vertebra tween the shoulder blades to

524

00:23:25,520 --> 00:23:23,730

the ride of the backbone now they argue

525

00:23:28,100 --> 00:23:25,530

well his coat rode up you know he's

526

00:23:30,380 --> 00:23:28,110

waving and his coat kind of bunched up

527

00:23:33,070 --> 00:23:30,390

in the hole in the code is actually much

528

00:23:35,570 --> 00:23:33,080

lower than where it actually struck I

529

00:23:36,500 --> 00:23:35,580

think that's cockamamie but let's assume

530

00:23:39,050 --> 00:23:36,510

that's true

531

00:23:41,660 --> 00:23:39,060

here's his shirt your shirt doesn't rise

532

00:23:44,810 --> 00:23:41,670

up that much in the hole is exactly the

533

00:23:49,070 --> 00:23:44,820

same place and again here's how they

534

00:23:51,590 --> 00:23:49,080

held a meses around there's the hole in

535

00:23:53,570 --> 00:23:51,600

his jacket and yet over here when they

536

00:23:55,760 --> 00:23:53,580

show the drawing of the autopsy and

537

00:23:57,650 --> 00:23:55,770

here's a bullet hole in his back and now

538

00:23:59,480 --> 00:23:57,660

it's not it's not between the shoulder

539

00:24:01,370 --> 00:23:59,490

blades at third threads vertebra and

540

00:24:04,490 --> 00:24:01,380

he's not really in the neck it's kind of

541

00:24:07,730 --> 00:24:04,500

up in the shoulder straps okay and what

542

00:24:09,860 --> 00:24:07,740

I love is if this was Kenny's body and

543

00:24:11,900 --> 00:24:09,870

if there was a true bullet hole right

544

00:24:16,460 --> 00:24:11,910

here where they said it was they've got

545

00:24:18,890 --> 00:24:16,470

it covered up with a ruler now this is

546

00:24:21,050 --> 00:24:18,900

interesting if you'll read my new

547

00:24:23,430 --> 00:24:21,060

version of crossfire I publish these

548

00:24:26,580 --> 00:24:23,440

pictures and some other things too

549

00:24:29,220 --> 00:24:26,590

and this is the supporter frames 257

550

00:24:31,770 --> 00:24:29,230

which shows what the back of Kennedy's

551
00:24:34,140 --> 00:24:31,780
head looked like in normal light the

552
00:24:36,660 --> 00:24:34,150
reflection the Sun off the top of his

553
00:24:39,720 --> 00:24:36,670
head is here and now we see three it's

554
00:24:42,210 --> 00:24:39,730
357 which there is a very obvious black

555
00:24:44,880 --> 00:24:42,220
blob that has been painted onto the back

556
00:24:47,190 --> 00:24:44,890
of his head to cover up that gaping

557
00:24:50,040 --> 00:24:47,200
wound that was so obviously an exit

558
00:24:53,640 --> 00:24:50,050
wound if you'll read my new crossfire

559
00:24:56,520 --> 00:24:53,650
you'll find that not only have several

560
00:24:58,950 --> 00:24:56,530
people who worked on this film the very

561
00:25:01,140 --> 00:24:58,960
weekend of the assassination before it

562
00:25:03,510 --> 00:25:01,150
was turned over at a time life and kept

563
00:25:07,500 --> 00:25:03,520

hidden from the public for 15 years

564

00:25:12,510 --> 00:25:07,510

before it was made public but that they

565

00:25:16,410 --> 00:25:12,520

also also there are 11 Hollywood experts

566

00:25:17,310 --> 00:25:16,420

in video and special effects and some of

567

00:25:20,700 --> 00:25:17,320

them who have worked in the industry

568

00:25:24,930 --> 00:25:20,710

dating back to the 40s who said this was

569

00:25:26,970 --> 00:25:24,940

obviously a artificial artifact in fact

570

00:25:29,160 --> 00:25:26,980

they said it was kind of crude and it

571

00:25:31,500 --> 00:25:29,170

had been painted on so you can't even

572

00:25:33,960 --> 00:25:31,510

trust the Zapruder film that is not

573

00:25:36,450 --> 00:25:33,970

necessarily an accurate picture of what

574

00:25:39,380 --> 00:25:36,460

happened because it's been tampered with

575

00:25:55,380 --> 00:25:39,390

and who had control of the Zapruder film

576

00:25:57,660 --> 00:25:55,390

only the US federal government is

577

00:26:01,250 --> 00:25:57,670

greased hair and here's Roy Kellerman

578

00:26:05,880 --> 00:26:01,260

and here's the same intensity of light

579

00:26:08,430 --> 00:26:05,890

reflecting off of his hair and you can

580

00:26:15,990 --> 00:26:08,440

see that Kellerman's hands are on the

581

00:26:18,890 --> 00:26:16,000

steering wheel and so it didn't happen

582

00:26:21,660 --> 00:26:18,900

okay but that does not necessarily

583

00:26:24,210 --> 00:26:21,670

exonerate the Secret Service the driver

584

00:26:26,490 --> 00:26:24,220

Grier was the oldest member of The

585

00:26:29,100 --> 00:26:26,500

Secret Service detail and he had served

586

00:26:31,740 --> 00:26:29,110

three other presidents besides Kennedy

587

00:26:34,570 --> 00:26:31,750

so his loyalty was to his service not

588

00:26:38,169 --> 00:26:34,580

necessarily the president he was serving

589

00:26:40,090 --> 00:26:38,179

and contrary to his testimony to the

590

00:26:41,649 --> 00:26:40,100

Warren Commission which was he didn't

591

00:26:43,450 --> 00:26:41,659

even know the assassination happened

592

00:26:45,220 --> 00:26:43,460

he's just driving along and then

593

00:26:47,169 --> 00:26:45,230

coverman next to him said we've been hit

594

00:26:49,720 --> 00:26:47,179

get us out of here and that he never

595

00:26:51,789 --> 00:26:49,730

looked back and then he then stepped on

596

00:26:53,769 --> 00:26:51,799

the accelerator and and accelerated the

597

00:26:55,930 --> 00:26:53,779

car out of the plaza which is according

598

00:26:57,610 --> 00:26:55,940

to Secret Service regulation first sign

599

00:27:00,940 --> 00:26:57,620

of trouble you hit the gas and you get

600

00:27:02,289 --> 00:27:00,950

out of there okay and but as you can see

601

00:27:05,620 --> 00:27:02,299

here it's not true

602

00:27:09,220 --> 00:27:05,630

from this film and the next film as the

603

00:27:11,710 --> 00:27:09,230

car comes down the incline on Elm Street

604

00:27:13,480 --> 00:27:11,720

and the first shots ring out the brake

605

00:27:16,659 --> 00:27:13,490

lights come on and the car slows to

606

00:27:18,090 --> 00:27:16,669

almost a complete stop and Grier turns

607

00:27:21,100 --> 00:27:18,100

and looks back over his right shoulder

608

00:27:23,529 --> 00:27:21,110

right directly at Kennedy until after

609

00:27:25,960 --> 00:27:23,539

the fatal head shot and then only then

610

00:27:31,269 --> 00:27:25,970

does he face for it and lights go off

611

00:27:33,549 --> 00:27:31,279

and the car accelerates and this is this

612

00:27:36,129 --> 00:27:33,559

is what Daley Plaza looks like from the

613

00:27:38,200 --> 00:27:36,139

air now today of course some of you may

614

00:27:43,000 --> 00:27:38,210

have been lulled by some of these TV

615

00:27:45,129 --> 00:27:43,010

specials were and even books like Gerald

616

00:27:46,870 --> 00:27:45,139

Posner Zhai believe where they where

617

00:27:49,750 --> 00:27:46,880

they say well we've done a computer

618

00:27:53,919 --> 00:27:49,760

analysis okay well this is very

619

00:27:56,889 --> 00:27:53,929

important here is my computer simulation

620

00:27:58,360 --> 00:27:56,899

okay it's a shot came from the sixth

621

00:28:00,039 --> 00:27:58,370

floor depository went right through the

622

00:28:03,070 --> 00:28:00,049

middle of the tree hits sign bounced

623

00:28:07,299 --> 00:28:03,080

back hit Kennedy in the throat okay hey

624

00:28:09,460 --> 00:28:07,309

don't laugh a computer did that okay we

625

00:28:13,029 --> 00:28:09,470

all know computers garbage in garbage

626

00:28:19,090 --> 00:28:13,039

out you can program a computer to do

627

00:28:21,430 --> 00:28:19,100

anything you want okay and if you look I

628

00:28:25,299 --> 00:28:21,440

went in interviewed and some years ago

629

00:28:28,060 --> 00:28:25,309

both Chester Brennaman who was an

630

00:28:29,590 --> 00:28:28,070

associate of Robert West and I

631

00:28:32,169 --> 00:28:29,600

interviewed Robert West who was the

632

00:28:34,149 --> 00:28:32,179

county surveyor of Dallas County both

633

00:28:35,289 --> 00:28:34,159

those men were hired by time-life on

634

00:28:38,110 --> 00:28:35,299

Monday following the Friday

635

00:28:40,860 --> 00:28:38,120

assassination to do survey work in Davie

636

00:28:44,260 --> 00:28:40,870

plaza to determine distances elevations

637

00:28:46,330 --> 00:28:44,270

all kinds of things trajectories and

638

00:28:48,130 --> 00:28:46,340

they said number one they work with

639

00:28:50,080 --> 00:28:48,140

Secret Service and at the time

640

00:28:54,070 --> 00:28:50,090

everyone concerned said there's no way

641

00:28:55,600 --> 00:28:54,080

one person did all this and magista

642

00:28:57,280 --> 00:28:55,610

Brindavan told me that while they were

643

00:29:00,490 --> 00:28:57,290

working on this and working out of some

644

00:29:03,070 --> 00:29:00,500

rooms in the Adolphus Hotel he noticed

645

00:29:06,100 --> 00:29:03,080

one of the guys from Life magazine was

646

00:29:07,960 --> 00:29:06,110

wearing a bulletproof vest and he said

647

00:29:09,550 --> 00:29:07,970

Lee you know what's that for and he guy

648

00:29:13,900 --> 00:29:09,560

said my life's not worth a plug nickel

649

00:29:17,320 --> 00:29:13,910

on this deal okay and then in the spring

650

00:29:19,420 --> 00:29:17,330

of 64 both Brenneman and Bob West were

651
00:29:21,160 --> 00:29:19,430
hired again to do the survey work for

652
00:29:24,730 --> 00:29:21,170
the official government Warren

653
00:29:26,710 --> 00:29:24,740
Commission and they both told me and

654
00:29:29,620 --> 00:29:26,720
confirmed to me that the Warren

655
00:29:32,260 --> 00:29:29,630
Commission altered their numbers and

656
00:29:34,510 --> 00:29:32,270
here you can see the original plat map

657
00:29:38,020 --> 00:29:34,520
that Chester Brennaman allowed me to

658
00:29:40,210 --> 00:29:38,030
copy and if they even mentioned that

659
00:29:43,330 --> 00:29:40,220
this area which is where one of the far

660
00:29:46,330 --> 00:29:43,340
shots it is ahead behind tree for any

661
00:29:49,150 --> 00:29:46,340
shot from the depository as a May 64

662
00:29:50,740 --> 00:29:49,160
they also show here's an area Burnett

663
00:29:52,300 --> 00:29:50,750

bullet shot on the curb there's another

664

00:29:54,730 --> 00:29:52,310

shot where did that one come from

665

00:29:57,160 --> 00:29:54,740

and then they noticed the yellow mark on

666

00:30:00,010 --> 00:29:57,170

the curb yellow mark on the curb if you

667

00:30:01,860 --> 00:30:00,020

go to DD Plaza today and go over to the

668

00:30:03,820 --> 00:30:01,870

SAS out of Elm Street and go down

669

00:30:06,070 --> 00:30:03,830

approximately where the headshot took

670

00:30:09,580 --> 00:30:06,080

place you're gonna still find traces of

671

00:30:12,030 --> 00:30:09,590

yellow paint on the curb curbing there

672

00:30:14,800 --> 00:30:12,040

and this is quite interesting because

673

00:30:17,020 --> 00:30:14,810

there's it's it's only apparently was

674

00:30:19,330 --> 00:30:17,030

about a stripe of about two feet and

675

00:30:21,640 --> 00:30:19,340

then there's about ten feet space and

676

00:30:23,830 --> 00:30:21,650

then there's another two-foot stripe of

677

00:30:25,240 --> 00:30:23,840

yellow paint and if you'll slow down the

678

00:30:27,340 --> 00:30:25,250

Zapruder film and watch it very

679

00:30:30,490 --> 00:30:27,350

carefully you'll see the bright yellow

680

00:30:32,860 --> 00:30:30,500

streak by so on the day the SAS nation

681

00:30:34,840 --> 00:30:32,870

these two little stripes on the south

682

00:30:37,270 --> 00:30:34,850

side of Elm Street were bright yellow

683

00:30:39,180 --> 00:30:37,280

painted but what's that all about I

684

00:30:42,070 --> 00:30:39,190

checked with the Dallas City and

685

00:30:43,960 --> 00:30:42,080

restraint people and they said no we

686

00:30:46,180 --> 00:30:43,970

never did anything like that and you can

687

00:30:48,550 --> 00:30:46,190

stop and think about it if they wanted

688

00:30:50,710 --> 00:30:48,560

to paint the curb yellow - like caution

689

00:30:52,390 --> 00:30:50,720

they think the whole curb right not just

690

00:30:55,030 --> 00:30:52,400

a little strip here a little strip there

691

00:30:57,690 --> 00:30:55,040

and what happened right in between those

692

00:31:00,710 --> 00:30:57,700

two yellow strips the fatal head shot

693

00:31:03,860 --> 00:31:00,720

this was marking the kill zone

694

00:31:06,740 --> 00:31:03,870

for multiple gunmen using triangulation

695

00:31:11,840 --> 00:31:06,750

of fire to catch Kennedy in it kills

696

00:31:14,750 --> 00:31:11,850

them here's where they you can see the

697

00:31:17,299 --> 00:31:14,760

numbers were altered by the Warren

698

00:31:21,289 --> 00:31:17,309

Commission now what this means is is

699

00:31:23,630 --> 00:31:21,299

that any computer simulation that you

700

00:31:27,169 --> 00:31:23,640

see from now on that is based on the

701
00:31:29,390 --> 00:31:27,179
government figures is wrong and you know

702
00:31:31,460 --> 00:31:29,400
if you're off by the sixteenth of an

703
00:31:33,890 --> 00:31:31,470
inch up here by the time you get out to

704
00:31:37,279 --> 00:31:33,900
one hundred feet you know you're off

705
00:31:39,560 --> 00:31:37,289
twenty thirty yards so you cannot put

706
00:31:41,990 --> 00:31:39,570
any confidence in any computer

707
00:31:44,419 --> 00:31:42,000
simulation if they're using government

708
00:31:47,149 --> 00:31:44,429
figures which we I just showed you have

709
00:31:51,080 --> 00:31:47,159
been altered now we do know that Life

710
00:31:54,590 --> 00:31:51,090
magazine came out in February of 64 with

711
00:31:57,440 --> 00:31:54,600
this picture of Oswald and the title Lee

712
00:32:00,260 --> 00:31:57,450
Oswald with the weapons he used to kill

713
00:32:02,600 --> 00:32:00,270

President Kennedy and officer Tivat this

714

00:32:05,090 --> 00:32:02,610

is February of 64 Thorne Commission had

715

00:32:06,980 --> 00:32:05,100

just gotten underway they didn't come

716

00:32:09,770 --> 00:32:06,990

out with their report until September of

717

00:32:13,970 --> 00:32:09,780

64 how's that for guilty until proven

718

00:32:15,560 --> 00:32:13,980

innocent and if you look at the backyard

719

00:32:16,330 --> 00:32:15,570

photograph you'll find some real

720

00:32:19,010 --> 00:32:16,340

problems

721

00:32:21,289 --> 00:32:19,020

Oswald as you can see from his Dallas

722

00:32:23,750 --> 00:32:21,299

police mugshot had a little sharp cleft

723

00:32:26,510 --> 00:32:23,760

chin and yet the picture in the backyard

724

00:32:29,149 --> 00:32:26,520

shows him with a broad flat chin and

725

00:32:31,460 --> 00:32:29,159

there's a line and the break in the

726

00:32:33,260 --> 00:32:31,470

emulsion he goes from one corner of his

727

00:32:36,169 --> 00:32:33,270

neck to the other corner of his neck and

728

00:32:37,490 --> 00:32:36,179

this is right out of well Fritz's report

729

00:32:40,870 --> 00:32:37,500

that's published right in the Warren

730

00:32:44,750 --> 00:32:40,880

Commission he said this picture has been

731

00:32:47,090 --> 00:32:44,760

enlarged from the crime lab and and

732

00:32:48,950 --> 00:32:47,100

Oswald said the picture was not his that

733

00:32:51,350 --> 00:32:48,960

the face was his face but this picture

734

00:32:53,149 --> 00:32:51,360

had been made by someone superimposing

735

00:32:54,890 --> 00:32:53,159

his face and the other part of the

736

00:32:56,930 --> 00:32:54,900

picture was not him at all and that he

737

00:32:59,029 --> 00:32:56,940

had never seen the picture before that's

738

00:33:01,010 --> 00:32:59,039

right the Warren Commission report of

739

00:33:02,810 --> 00:33:01,020

course we all nobody read that and

740

00:33:05,270 --> 00:33:02,820

everybody thought as well as guilty so

741

00:33:06,560 --> 00:33:05,280

never mind what he said but what then is

742

00:33:11,110 --> 00:33:06,570

there any proof that what he said was

743

00:33:13,290 --> 00:33:11,120

true well here we've got the two

744

00:33:15,040 --> 00:33:13,300

pictures of the backyard that were found

745

00:33:18,640 --> 00:33:15,050

supposedly in the you know outlaws

746

00:33:22,930 --> 00:33:18,650

belongings at the Payne home and they're

747

00:33:27,040 --> 00:33:22,940

labeled 133 a up here and then 133 B

748

00:33:28,690 --> 00:33:27,050

over here and if you make them into it

749

00:33:30,610 --> 00:33:28,700

supposedly these are two separate

750

00:33:33,160 --> 00:33:30,620

pictures taken with a handheld camera

751

00:33:34,960 --> 00:33:33,170

and if you remember the old handheld

752

00:33:36,310 --> 00:33:34,970

cameras that you look down into you know

753

00:33:38,440 --> 00:33:36,320

you look and you take a picture and then

754

00:33:41,260 --> 00:33:38,450

you Road roll the film and you take it

755

00:33:44,470 --> 00:33:41,270

again okay nothing in those photographs

756

00:33:46,720 --> 00:33:44,480

should match and yet when they're made

757

00:33:48,730 --> 00:33:46,730

into a blue and red transparency and

758

00:34:02,860 --> 00:33:48,740

laid one on top of each other you rather

759

00:34:05,590 --> 00:34:02,870

come back this is impossible with a

760

00:34:07,690 --> 00:34:05,600

handheld camera unless oswald was

761

00:34:10,660 --> 00:34:07,700

telling you the truth and it's his face

762

00:34:14,200 --> 00:34:10,670

pasted on somebody else's body somebody

763

00:34:17,860 --> 00:34:14,210

with a broad chin suppression of

764

00:34:19,450 --> 00:34:17,870

evidence a lot of you remember from the

765

00:34:21,250 --> 00:34:19,460

Zapruder film you see jackie kennedy

766

00:34:23,170 --> 00:34:21,260

crawled back on the rear deck of the car

767

00:34:25,240 --> 00:34:23,180

and then crawled back into the car and

768

00:34:28,120 --> 00:34:25,250

Clint Hills trying to hang on as the car

769

00:34:29,590 --> 00:34:28,130

accelerates and of course that's been

770

00:34:32,770 --> 00:34:29,600

the subject of a lot of misinformation

771

00:34:35,110 --> 00:34:32,780

for years they say mrs. Kennedy was

772

00:34:36,610 --> 00:34:35,120

trying to escape the car they say Clint

773

00:34:38,860 --> 00:34:36,620

Hill was and you grabbed her and pushed

774

00:34:42,160 --> 00:34:38,870

her back in there this is not true at

775

00:34:44,230 --> 00:34:42,170

all the truth of this little episode was

776
00:34:47,920 --> 00:34:44,240
that Jackie Kennedy crawls on the rear

777
00:34:49,750 --> 00:34:47,930
deck of the car braces herself with her

778
00:34:51,280 --> 00:34:49,760
left hand and reaches out with the right

779
00:34:53,680 --> 00:34:51,290
hand and takes a piece of the

780
00:34:55,540 --> 00:34:53,690
president's skull cups it in her hand

781
00:34:57,790 --> 00:34:55,550
and comes back into the car under own

782
00:35:00,340 --> 00:34:57,800
power with Clint Hill just hanging on

783
00:35:03,550 --> 00:35:00,350
for dear life and we know this is true

784
00:35:05,020 --> 00:35:03,560
because dr. pepper Jenkins at Parkland

785
00:35:07,990 --> 00:35:05,030
Hospital in the Warren Commission

786
00:35:09,880 --> 00:35:08,000
testimony he said Jackie Kennedy looked

787
00:35:11,440 --> 00:35:09,890
shell-shocked as she circled circle I

788
00:35:13,360 --> 00:35:11,450

noticed her hands were cupped in front

789

00:35:15,130 --> 00:35:13,370

of her as if she was cradling something

790

00:35:17,170 --> 00:35:15,140

as she passed by she nudged me with an

791

00:35:19,330 --> 00:35:17,180

elbow and handed me what she'd been

792

00:35:21,490 --> 00:35:19,340

nursing in her hands a large chunk of

793

00:35:22,510 --> 00:35:21,500

her husband's brain tissue how quickly

794

00:35:26,560 --> 00:35:22,520

handed it to an

795

00:35:29,340 --> 00:35:26,570

and he'll tells the same thing okay now

796

00:35:34,570 --> 00:35:29,350

that's quite an emotional human and in

797

00:35:36,670 --> 00:35:34,580

you know a vivid account while the

798

00:35:39,370 --> 00:35:36,680

confusion and why haven't people been

799

00:35:41,290 --> 00:35:39,380

told about this because if Jackie

800

00:35:42,850 --> 00:35:41,300

Kennedy crawled on the rear deck of the

801
00:35:46,320 --> 00:35:42,860
car and picked up a piece of his brain

802
00:35:48,700 --> 00:35:46,330
that indicates a shot from the front

803
00:35:50,440 --> 00:35:48,710
because he'd be shot from the front it

804
00:35:52,120 --> 00:35:50,450
would go to the rear if he shot from the

805
00:35:55,440 --> 00:35:52,130
rear as we're told it would all go to

806
00:35:58,930 --> 00:35:55,450
the front it didn't happen

807
00:36:01,600 --> 00:35:58,940
okay even the snipers windows got

808
00:36:03,640 --> 00:36:01,610
changed the Warren Commission showed us

809
00:36:05,680 --> 00:36:03,650
this picture and said that's what the

810
00:36:08,650 --> 00:36:05,690
sniper's nest looked like but the Dallas

811
00:36:10,210 --> 00:36:08,660
news that very day ran this picture over

812
00:36:14,680 --> 00:36:10,220
here which is a different configuration

813
00:36:16,540 --> 00:36:14,690

and then the Studebaker the FBI guy who

814

00:36:18,940 --> 00:36:16,550

was taking the pictures for the Warren

815

00:36:21,340 --> 00:36:18,950

Commission testified under oath and yeah

816

00:36:23,140 --> 00:36:21,350

he in as late as Monday he was taking

817

00:36:26,410 --> 00:36:23,150

some of those pictures and he had moved

818

00:36:34,150 --> 00:36:26,420

those boxes all around worthless as

819

00:36:38,260 --> 00:36:34,160

evidence in 2004 I was working with the

820

00:36:40,060 --> 00:36:38,270

Japanese TV crew and they asked me some

821

00:36:42,700 --> 00:36:40,070

questions I answered and asked him if

822

00:36:45,010 --> 00:36:42,710

they would send me a type of the of

823

00:36:46,720 --> 00:36:45,020

their program and they did and I found

824

00:36:50,050 --> 00:36:46,730

it very interesting even though it was

825

00:36:56,470 --> 00:36:50,060

in Japanese I'm speaking Japanese but

826
00:36:59,920 --> 00:36:56,480
they also obviously had a whole section

827
00:37:02,500 --> 00:36:59,930
on the Sabri famine the fact that just

828
00:37:04,120 --> 00:37:02,510
is just as Kennedy's car is coming

829
00:37:07,540 --> 00:37:04,130
towards the Stemmons freeway sign

830
00:37:10,840 --> 00:37:07,550
there's a very obvious break in the film

831
00:37:14,050 --> 00:37:10,850
and there's about six frames missing

832
00:37:16,330 --> 00:37:14,060
there and I was well aware of this as

833
00:37:18,130 --> 00:37:16,340
was a lot of the researchers and we had

834
00:37:20,349 --> 00:37:18,140
always thought that time-life had

835
00:37:23,290 --> 00:37:20,359
probably cut those frames out to

836
00:37:25,690 --> 00:37:23,300
compress the time frame of the superior

837
00:37:28,330 --> 00:37:25,700
film so that they could try to support

838
00:37:31,690 --> 00:37:28,340

that cockamamie single Bullet theory but

839

00:37:34,400 --> 00:37:31,700

it turns out that the Japanese Asahi

840

00:37:38,390 --> 00:37:34,410

television was able to find

841

00:37:41,990 --> 00:37:38,400

a version of the sewer film that had not

842

00:37:44,720 --> 00:37:42,000

been cut in fact they found a friend of

843

00:37:46,279 --> 00:37:44,730

Jim Garrison's in California who had a

844

00:37:48,920 --> 00:37:46,289

copy and then they found another

845

00:37:52,339 --> 00:37:48,930

researcher in Dallas who also had a copy

846

00:37:54,710 --> 00:37:52,349

without the splice and they subjected

847

00:37:57,109 --> 00:37:54,720

this to analysts by people in Poland and

848

00:37:58,970 --> 00:37:57,119

in the UK and guess what they found out

849

00:38:01,190 --> 00:37:58,980

there was a bullet strike on the

850

00:38:04,010 --> 00:38:01,200

Stemmons freeway sign that's what got it

851
00:38:06,620 --> 00:38:04,020
out here's another shot so now we got a

852
00:38:09,140 --> 00:38:06,630
shot in the street we got a shot you

853
00:38:11,870 --> 00:38:09,150
know to Kennedy a shot to Connally shot

854
00:38:14,990 --> 00:38:11,880
to James Tague a shot on the manhole

855
00:38:17,450 --> 00:38:15,000
cover now a shot to the sign now we got

856
00:38:20,599 --> 00:38:17,460
six or seven shots being fired obviously

857
00:38:24,740 --> 00:38:20,609
could not have been done by one man also

858
00:38:27,380 --> 00:38:24,750
never explained is the Dallas news my

859
00:38:29,120 --> 00:38:27,390
counterpart our old Goltz and was

860
00:38:31,520 --> 00:38:29,130
writing for the Dallas news was writing

861
00:38:34,010 --> 00:38:31,530
for the Star Telegram and he interviewed

862
00:38:35,990 --> 00:38:34,020
a lot of people including Dallas police

863
00:38:37,760 --> 00:38:36,000

officers who in the aftermath of the

864

00:38:40,250 --> 00:38:37,770

assassination encountered men in suits

865

00:38:42,559 --> 00:38:40,260

flashing Secret Service identification

866

00:38:44,210 --> 00:38:42,569

and saying don't come back here it's all

867

00:38:46,849 --> 00:38:44,220

taken care of or nothing happening back

868

00:38:48,950 --> 00:38:46,859

here who were these people because

869

00:38:50,720 --> 00:38:48,960

officially all the Secret Service agents

870

00:38:52,819 --> 00:38:50,730

were either at the Dallas Trade Mart or

871

00:38:54,650 --> 00:38:52,829

riding in the motorcade there's never

872

00:38:56,359 --> 00:38:54,660

been any effort to find out who were

873

00:38:58,910 --> 00:38:56,369

these people that had Secret Service

874

00:39:01,220 --> 00:38:58,920

identification it was apparently good

875

00:39:03,859 --> 00:39:01,230

enough to even fool a Dallas policeman

876

00:39:05,870 --> 00:39:03,869

interestingly enough again buried way

877

00:39:08,180 --> 00:39:05,880

back in a pendens of the Warren

878

00:39:10,250 --> 00:39:08,190

Commission report you find that none

879

00:39:15,250 --> 00:39:10,260

other than Lee Harvey Oswald had an

880

00:39:18,049 --> 00:39:15,260

encounter he says that as he was

881

00:39:20,029 --> 00:39:18,059

standing in front of school but textbook

882

00:39:23,809 --> 00:39:20,039

building and about to leave at a young

883

00:39:26,049 --> 00:39:23,819

crew-cut man rushed up to him and said

884

00:39:29,240 --> 00:39:26,059

he was from the Secret Service

885

00:39:31,640 --> 00:39:29,250

showed a book of identification asking

886

00:39:34,339 --> 00:39:31,650

where the phone was Oswald said he

887

00:39:36,529 --> 00:39:34,349

pointed toward the payphone in the

888

00:39:39,650 --> 00:39:36,539

building and that it was that he saw the

889

00:39:42,559 --> 00:39:39,660

man actually go to the phone before he

890

00:39:44,539 --> 00:39:42,569

left and that pretty amazing okay we're

891

00:39:46,460 --> 00:39:44,549

told that less an hour later Oswald

892

00:39:48,470 --> 00:39:46,470

stopped by a policeman out in South Oak

893

00:39:50,720 --> 00:39:48,480

Cliff and he guns him down

894

00:39:52,760 --> 00:39:50,730

here he's encountered a man who shows

895

00:39:55,160 --> 00:39:52,770

him a book of identification says he's

896

00:39:56,810 --> 00:39:55,170

Secret Service and he calmly shows him

897

00:39:58,400 --> 00:39:56,820

where the telephone is and then stood

898

00:40:01,400 --> 00:39:58,410

around to make sure the guy got to the

899

00:40:03,530 --> 00:40:01,410

phone and of course now they try to

900

00:40:05,870 --> 00:40:03,540

argue that well that was just a reporter

901
00:40:07,970 --> 00:40:05,880
well excuse me I was a reporter at that

902
00:40:10,099 --> 00:40:07,980
time and yes I carried a press card and

903
00:40:12,530 --> 00:40:10,109
yes sometime I stuck at my hat just like

904
00:40:16,250 --> 00:40:12,540
you see in all the old movies you know

905
00:40:18,530 --> 00:40:16,260
or I'd flash it but nobody I knew ever

906
00:40:20,420 --> 00:40:18,540
had a book of a dedication who has a

907
00:40:23,630 --> 00:40:20,430
book of identification the leather

908
00:40:28,040 --> 00:40:23,640
folder with a badge and the ID the FBI

909
00:40:30,470 --> 00:40:28,050
the Secret Service okay so again we're

910
00:40:32,330 --> 00:40:30,480
being lied to right down the line again

911
00:40:34,160 --> 00:40:32,340
we're back to the backyard photograph in

912
00:40:37,430 --> 00:40:34,170
what you're probably unaware of is that

913
00:40:41,240 --> 00:40:37,440

the two photographs that they found that

914

00:40:44,330 --> 00:40:41,250

weekend at 1:33 a and B there's a third

915

00:40:47,030 --> 00:40:44,340

photograph that turned up 15 years later

916

00:40:49,640 --> 00:40:47,040

in the hands of a Dallas policeman's

917

00:40:51,680 --> 00:40:49,650

widow whose husband worked at the photo

918

00:40:53,660 --> 00:40:51,690

lab for the Dallas Police Department and

919

00:40:55,370 --> 00:40:53,670

left that photograph with her and told

920

00:40:57,260 --> 00:40:55,380

her to hang on to it that it probably be

921

00:41:01,340 --> 00:40:57,270

worth something someday

922

00:41:06,440 --> 00:41:01,350

so in this photograph we see no comeback

923

00:41:10,099 --> 00:41:06,450

we see that Oswald came back where my

924

00:41:13,760 --> 00:41:10,109

thing is there we go and I'm going to

925

00:41:16,280 --> 00:41:13,770

get smaller fingers okay we can see that

926

00:41:18,080 --> 00:41:16,290

see the pose got the rifle his left hand

927

00:41:21,620 --> 00:41:18,090

the Communists paper in the right hand

928

00:41:24,530 --> 00:41:21,630

and yet the Warren Commission exhibit 37

929

00:41:27,109 --> 00:41:24,540

look what pose they use they use the

930

00:41:29,240 --> 00:41:27,119

same pose as the backyard photograph

931

00:41:31,700 --> 00:41:29,250

that was missing for 15 years and

932

00:41:34,010 --> 00:41:31,710

suppressed from the public and why was

933

00:41:36,770 --> 00:41:34,020

it suppressed because when it's brought

934

00:41:38,690 --> 00:41:36,780

up to the same proportion and it's laid

935

00:41:40,870 --> 00:41:38,700

over the face the face on all three

936

00:41:44,390 --> 00:41:40,880

photographs the face of Oswald match

937

00:41:48,109 --> 00:41:44,400

exactly I could what he said his face

938

00:41:50,690 --> 00:41:48,119

was pasted on somebody else's body and

939

00:41:53,480 --> 00:41:50,700

just to show you how cockamamie the

940

00:41:57,500 --> 00:41:53,490

single Bullet theory is here's Arlen

941

00:41:59,270 --> 00:41:57,510

Specter demonstrating the single Bullet

942

00:42:00,390 --> 00:41:59,280

theory he says well it went through

943

00:42:02,190 --> 00:42:00,400

Kennedy's name

944

00:42:06,690 --> 00:42:02,200

and then it went down and struck

945

00:42:10,050 --> 00:42:06,700

Connelly and but notice coming back you

946

00:42:12,030 --> 00:42:10,060

notice he they almost accurately marked

947

00:42:14,640 --> 00:42:12,040

the spot of the bullet in Kennedy's back

948

00:42:16,470 --> 00:42:14,650

down by the shoulder blades and and

949

00:42:18,840 --> 00:42:16,480

Arlen Specter has to hold his

950

00:42:22,350 --> 00:42:18,850

straightedge up about six inches off the

951
00:42:25,590 --> 00:42:22,360
guy's shoulder to make it work they knew

952
00:42:28,650 --> 00:42:25,600
at the time it didn't work in fact here

953
00:42:30,360 --> 00:42:28,660
is a page from the transcript of the

954
00:42:34,530 --> 00:42:30,370
Warren Commission meeting of January the

955
00:42:36,690 --> 00:42:34,540
27th 1964 page 193 and this keep in mind

956
00:42:38,820 --> 00:42:36,700
this is even before they started doing

957
00:42:40,590 --> 00:42:38,830
any serious investigation they were just

958
00:42:43,290 --> 00:42:40,600
getting organized and their chief

959
00:42:44,760 --> 00:42:43,300
counsel J Lee Rankin says well it seems

960
00:42:46,260 --> 00:42:44,770
quite apparent now since we have a

961
00:42:48,150 --> 00:42:46,270
picture of where the bullet entered the

962
00:42:49,380 --> 00:42:48,160
back that bullet entered below the

963
00:42:52,140 --> 00:42:49,390

shoulder blade to the right of the

964

00:42:54,270 --> 00:42:52,150

backbone which is below the place where

965

00:42:56,940 --> 00:42:54,280

the picture shows the bullet came out

966

00:42:59,040 --> 00:42:56,950

then the neck man of the shirt in front

967

00:43:00,810 --> 00:42:59,050

and that bullet according to autopsy

968

00:43:03,030 --> 00:43:00,820

didn't striking bone at all that

969

00:43:05,850 --> 00:43:03,040

particular bullet and go through so so

970

00:43:07,500 --> 00:43:05,860

then how it could turn and about this

971

00:43:09,120 --> 00:43:07,510

time he realizes what he's saying

972

00:43:11,210 --> 00:43:09,130

how could he turn him midair and go back

973

00:43:14,250 --> 00:43:11,220

down and hit Connally so he shuts up

974

00:43:17,790 --> 00:43:14,260

they knew they knew as far back as

975

00:43:19,290 --> 00:43:17,800

January of 1964 that this single Bullet

976
00:43:21,170 --> 00:43:19,300
theory didn't work but they're still

977
00:43:23,910 --> 00:43:21,180
trying to sell it to you

978
00:43:25,530 --> 00:43:23,920
destruction of evidence there's a

979
00:43:27,390 --> 00:43:25,540
picture of the Star Telegram ran the

980
00:43:29,520 --> 00:43:27,400
next day and it's a little blob here

981
00:43:33,210 --> 00:43:29,530
because I took a picture out of the

982
00:43:35,340 --> 00:43:33,220
newspaper and then it's been made into a

983
00:43:37,290 --> 00:43:35,350
slide and it's in this PowerPoint but

984
00:43:38,730 --> 00:43:37,300
believe me I've seen the actual print

985
00:43:41,160 --> 00:43:38,740
and you can actually see the little

986
00:43:44,210 --> 00:43:41,170
cylindrical slug that's lying in the

987
00:43:47,610 --> 00:43:44,220
grass there right next to a manhole

988
00:43:49,110 --> 00:43:47,620

cover and it says the bullet fired by

989

00:43:52,440 --> 00:43:49,120

the murder of President Kenyan lies the

990

00:43:54,360 --> 00:43:52,450

grass across Elm Street okay well wait a

991

00:43:56,220 --> 00:43:54,370

minute what happened to that chief

992

00:43:58,020 --> 00:43:56,230

Currie published these these pictures

993

00:43:59,970 --> 00:43:58,030

here we see a Daoist policeman kneeling

994

00:44:01,680 --> 00:43:59,980

down and looking at the place near the

995

00:44:03,990 --> 00:44:01,690

manhole cover where the bullet landed in

996

00:44:07,710 --> 00:44:04,000

the grass here we see a sandy haired guy

997

00:44:10,350 --> 00:44:07,720

reached down pick the bullet up with the

998

00:44:11,970 --> 00:44:10,360

douse policeman Foster and with a deputy

999

00:44:13,770 --> 00:44:11,980

sheriff standing there looking at him

1000

00:44:16,320 --> 00:44:13,780

and here we see him put in his

1001
00:44:19,140 --> 00:44:16,330
and he walks away that was the end of

1002
00:44:21,300 --> 00:44:19,150
that that didn't happen if it wasn't for

1003
00:44:23,910 --> 00:44:21,310
these photographs that were published by

1004
00:44:25,860 --> 00:44:23,920
Chief Curie we would never know that

1005
00:44:27,420 --> 00:44:25,870
this even happened so there's another

1006
00:44:31,710 --> 00:44:27,430
bullet now we're talking six eight

1007
00:44:33,540 --> 00:44:31,720
bullets destruction of evidence here's a

1008
00:44:36,300 --> 00:44:33,550
picture they said that was taken of the

1009
00:44:40,410 --> 00:44:36,310
back of general Walker's house by Lee

1010
00:44:42,810 --> 00:44:40,420
Oswald as he cased the joint and before

1011
00:44:44,880 --> 00:44:42,820
taking a shot at general Walker in the

1012
00:44:48,120 --> 00:44:44,890
spring of 1963

1013
00:44:49,740 --> 00:44:48,130

I interviewed Walker back in 1964 and at

1014

00:44:51,960 --> 00:44:49,750

the time there was a lot of speculation

1015

00:44:53,910 --> 00:44:51,970

that he and some of the right-wingers in

1016

00:44:55,680 --> 00:44:53,920

Dallas might have been behind the

1017

00:44:57,540 --> 00:44:55,690

assassination but after I interviewed

1018

00:45:00,360 --> 00:44:57,550

him I found out some very interesting

1019

00:45:02,850 --> 00:45:00,370

things first off he told me that Jack

1020

00:45:04,890 --> 00:45:02,860

Ruby and Oswald knew each other and that

1021

00:45:06,510 --> 00:45:04,900

the Warren Commission was wrong and that

1022

00:45:08,190 --> 00:45:06,520

they have started all over just on the

1023

00:45:10,560 --> 00:45:08,200

fact that Ruby and Oswald knew each

1024

00:45:12,600 --> 00:45:10,570

other prior to the assassination he also

1025

00:45:14,190 --> 00:45:12,610

told me that at the time that somebody

1026

00:45:17,160 --> 00:45:14,200

took a shot at him went through his

1027

00:45:20,670 --> 00:45:17,170

window in the wall that the police told

1028

00:45:23,970 --> 00:45:20,680

him that it was a 30.6 well as wall was

1029

00:45:27,000 --> 00:45:23,980

never known to own a 30.6 but here we

1030

00:45:29,070 --> 00:45:27,010

have this picture and you can see that

1031

00:45:31,500 --> 00:45:29,080

in the Dallas police evidence sheet of

1032

00:45:33,180 --> 00:45:31,510

the evidence they took out of Oswald's

1033

00:45:36,270 --> 00:45:33,190

apartment there's the picture and you

1034

00:45:38,880 --> 00:45:36,280

can see there's no big black hole where

1035

00:45:40,560 --> 00:45:38,890

the license plate is and yet when the

1036

00:45:42,960 --> 00:45:40,570

Warren Commission published it it is the

1037

00:45:44,850 --> 00:45:42,970

exhibit five somebody's poked a hole in

1038

00:45:46,830 --> 00:45:44,860

the license plate so you can't check to

1039

00:45:48,900 --> 00:45:46,840

find out who that car belonged to and

1040

00:45:51,090 --> 00:45:48,910

who might have been mixed up in it now

1041

00:45:53,760 --> 00:45:51,100

this happened while it was in official

1042

00:45:57,530 --> 00:45:53,770

custody it's official destruction of

1043

00:46:01,920 --> 00:45:57,540

evidence and all I might also mention

1044

00:46:06,720 --> 00:46:01,930

Oswald had a Minox camera okay commonly

1045

00:46:08,610 --> 00:46:06,730

known as a spy camera and what was

1046

00:46:10,890 --> 00:46:08,620

really interesting is we've checked and

1047

00:46:13,260 --> 00:46:10,900

found out that it had a five digit

1048

00:46:15,390 --> 00:46:13,270

serial number and when we checked with

1049

00:46:18,510 --> 00:46:15,400

Minox corporation we found that all the

1050

00:46:20,970 --> 00:46:18,520

small military err spy cameras sold at

1051
00:46:23,370 --> 00:46:20,980
that time in the United States carried a

1052
00:46:25,350 --> 00:46:23,380
six digit serial number that means

1053
00:46:28,050 --> 00:46:25,360
Oswald had a spy cam

1054
00:46:30,360 --> 00:46:28,060
it was not commercially available which

1055
00:46:34,020 --> 00:46:30,370
means some intelligence service probably

1056
00:46:35,760 --> 00:46:34,030
issued it to him we also can show you

1057
00:46:37,830 --> 00:46:35,770
this photograph of the Lezyne at

1058
00:46:40,860 --> 00:46:37,840
Parkland Hospital you notice they put

1059
00:46:42,570 --> 00:46:40,870
the top back up on the car they've got

1060
00:46:44,190 --> 00:46:42,580
the lid open they were cleaning it all

1061
00:46:46,680 --> 00:46:44,200
up here's a bucket of water they're

1062
00:46:50,910 --> 00:46:46,690
washing it all down this is nothing more

1063
00:46:53,100 --> 00:46:50,920

than destruction of evidence on orders

1064

00:46:56,520 --> 00:46:53,110

of Lyndon Johnson that car was torn

1065

00:46:59,370 --> 00:46:56,530

apart broke down bulletproof glass put

1066

00:47:04,670 --> 00:46:59,380

in it it had been blue is painted black

1067

00:47:08,690 --> 00:47:04,680

it was armor plated okay and never

1068

00:47:11,100 --> 00:47:08,700

studied forensically by anyone in the

1069

00:47:18,780 --> 00:47:11,110

investigation that's destruction of

1070

00:47:20,850 --> 00:47:18,790

evidence we know that Agent Hosty who

1071

00:47:23,850 --> 00:47:20,860

was assigned Oswald prior to the

1072

00:47:26,970 --> 00:47:23,860

assassination and whose name and phone

1073

00:47:29,610 --> 00:47:26,980

number and address and license-plate

1074

00:47:33,780 --> 00:47:29,620

number were found in Lee Harvey Oswald's

1075

00:47:36,360 --> 00:47:33,790

notebook said that Oswald had left a

1076
00:47:38,790 --> 00:47:36,370
warning note at the FBI office a couple

1077
00:47:41,760 --> 00:47:38,800
of weeks before the assassination and

1078
00:47:43,710 --> 00:47:41,770
yet two days after the assassination he

1079
00:47:46,020 --> 00:47:43,720
was called into the office of the FBI

1080
00:47:48,450 --> 00:47:46,030
agent charged in Dallas and told to

1081
00:47:50,490 --> 00:47:48,460
destroy the evidence he started tearing

1082
00:47:52,440 --> 00:47:50,500
it up and he said no I want it out of

1083
00:47:55,380 --> 00:47:52,450
this office so they tore it up and they

1084
00:47:58,020 --> 00:47:55,390
flushed it down a toilet wait a minute

1085
00:47:59,610 --> 00:47:58,030
that's again blatant destruction of

1086
00:48:03,510 --> 00:47:59,620
evidence while in the hands of federal

1087
00:48:06,210 --> 00:48:03,520
authorities now what kind of warning was

1088
00:48:07,830 --> 00:48:06,220

it they said that was Oswald was

1089

00:48:11,580 --> 00:48:07,840

learning the FBI had to leave his wife

1090

00:48:14,820 --> 00:48:11,590

alone well if it had been a warning from

1091

00:48:18,960 --> 00:48:14,830

Lee Harvey Oswald threatening in any way

1092

00:48:20,250 --> 00:48:18,970

the FBI for any reason come on folks

1093

00:48:24,780 --> 00:48:20,260

it would have been published on the

1094

00:48:28,050 --> 00:48:24,790

front page of The Life magazine but the

1095

00:48:29,760 --> 00:48:28,060

it was styled as a warning and I think

1096

00:48:32,310 --> 00:48:29,770

it was a warning that there was going to

1097

00:48:33,960 --> 00:48:32,320

be an assassination because also have

1098

00:48:36,150 --> 00:48:33,970

information from talking to dowse

1099

00:48:38,010 --> 00:48:36,160

policemen and I'm sharing this with you

1100

00:48:38,400 --> 00:48:38,020

all it's not my book because I couldn't

1101

00:48:41,339 --> 00:48:38,410

prove

1102

00:48:44,880 --> 00:48:41,349

but I talked to several dials policemen

1103

00:48:47,400 --> 00:48:44,890

back in the 60s and 70s and they said it

1104

00:48:48,920 --> 00:48:47,410

was generally not general knowledge that

1105

00:48:51,480 --> 00:48:48,930

about two weeks before the assassination

1106

00:48:54,660 --> 00:48:51,490

the Dow's police had received a letter

1107

00:48:57,870 --> 00:48:54,670

signed by Alex J hydel which was Oswald

1108

00:48:59,549 --> 00:48:57,880

alias and warning that the president was

1109

00:49:02,250 --> 00:48:59,559

going to be shot when he came to Dallas

1110

00:49:05,670 --> 00:49:02,260

and encouraging them to change the

1111

00:49:07,140 --> 00:49:05,680

motorcade plans but of course the Dallas

1112

00:49:09,420 --> 00:49:07,150

police intelligence people they'd never

1113

00:49:11,579 --> 00:49:09,430

heard of Oswald and they probably get

1114

00:49:14,270 --> 00:49:11,589

lots of crank letters so they simply

1115

00:49:17,849 --> 00:49:14,280

filed it away after the assassination

1116

00:49:20,400 --> 00:49:17,859

that weekend the FBI went into Dallas

1117

00:49:22,980 --> 00:49:20,410

police headquarters and ransacked the

1118

00:49:25,170 --> 00:49:22,990

whole place they even told me they went

1119

00:49:27,690 --> 00:49:25,180

into the motorcycle officers saddlebags

1120

00:49:30,089 --> 00:49:27,700

they went into their lockers they went

1121

00:49:31,470 --> 00:49:30,099

in anything they thought even might have

1122

00:49:37,609 --> 00:49:31,480

something do with the assassination the

1123

00:49:42,569 --> 00:49:40,260

intimidation of witnesses here's a

1124

00:49:43,980 --> 00:49:42,579

variety of witnesses who all said that

1125

00:49:46,529 --> 00:49:43,990

the government tried to make them say

1126

00:49:50,849 --> 00:49:46,539

things that weren't true or try to get

1127

00:49:52,890 --> 00:49:50,859

them changed their testimony major Phil

1128

00:49:55,170 --> 00:49:52,900

Willis is a favor of a favorite of mine

1129

00:49:57,480 --> 00:49:55,180

he was a great old guy and by the way

1130

00:49:59,430 --> 00:49:57,490

his claim to fame was he was the first

1131

00:50:01,529 --> 00:49:59,440

American soldier to take a Japanese

1132

00:50:03,539 --> 00:50:01,539

prisoner in World War two

1133

00:50:05,760 --> 00:50:03,549

he'd been stationed over in Hawaii at

1134

00:50:08,670 --> 00:50:05,770

the time of Pearl Harbor and but he was

1135

00:50:11,549 --> 00:50:08,680

in the army and they had him on a Beach

1136

00:50:13,740 --> 00:50:11,559

Patrol they had him with a rifle garden

1137

00:50:15,930 --> 00:50:13,750

one of the beaches there and away and

1138

00:50:18,180 --> 00:50:15,940

there was a little two-man Japanese sub

1139

00:50:20,519 --> 00:50:18,190

sub that had gotten into some action and

1140

00:50:23,039 --> 00:50:20,529

had been damaged and was sinking and the

1141

00:50:24,450 --> 00:50:23,049

two-man crew tried to swim to shore and

1142

00:50:27,059 --> 00:50:24,460

one of them didn't make it but the other

1143

00:50:28,859 --> 00:50:27,069

one you know the exhausted and spit and

1144

00:50:31,349 --> 00:50:28,869

water kind of crawled up onto the beach

1145

00:50:33,569 --> 00:50:31,359

and Willis went over and took him

1146

00:50:36,299 --> 00:50:33,579

prisoner becoming the first American to

1147

00:50:39,630 --> 00:50:36,309

take a Japanese prisoner more - great

1148

00:50:41,430 --> 00:50:39,640

guy went on to become a major and he and

1149

00:50:43,740 --> 00:50:41,440

his whole family were there in Dealey

1150

00:50:45,960 --> 00:50:43,750

Plaza taking pictures at the time of the

1151

00:50:47,880 --> 00:50:45,970

assassination in fact he took a picture

1152

00:50:50,519 --> 00:50:47,890

that the Warren Commission did published

1153

00:50:51,520 --> 00:50:50,529

in which he showed me and he said I knew

1154

00:50:55,780 --> 00:50:51,530

Jack Ruby and

1155

00:50:58,210 --> 00:50:55,790

standing in front of the Texas School

1156

00:50:59,710 --> 00:50:58,220

Book Depository so the Warren Commission

1157

00:51:03,190 --> 00:50:59,720

and actually published that picture but

1158

00:51:05,320 --> 00:51:03,200

hey by some quirk they cropped it and

1159

00:51:07,960 --> 00:51:05,330

cut it right through the figure of the

1160

00:51:08,620 --> 00:51:07,970

person that was Jack Ruby so you'd never

1161

00:51:10,660 --> 00:51:08,630

know it

1162

00:51:12,900 --> 00:51:10,670

extend unless you talked to Phil Willis

1163

00:51:15,970 --> 00:51:12,910

I asked Phil Willis I said well you know

1164

00:51:18,100 --> 00:51:15,980

how did you how did they handle you you

1165

00:51:20,590 --> 00:51:18,110

they had the Warren Commission handle

1166

00:51:23,200 --> 00:51:20,600

yeah and he said oh hell I'd tell him

1167

00:51:24,880 --> 00:51:23,210

yes and they'd put down no and that

1168

00:51:26,710 --> 00:51:24,890

pretty well sums up the Warren

1169

00:51:28,570 --> 00:51:26,720

Commission you can read from these other

1170

00:51:34,180 --> 00:51:28,580

people who claim their testimony was

1171

00:51:35,500 --> 00:51:34,190

altered yeah Dean Hill if you're looking

1172

00:51:37,510 --> 00:51:35,510

the Warren Commission report it says

1173

00:51:40,420 --> 00:51:37,520

they took her testimony at the Federal

1174

00:51:41,890 --> 00:51:40,430

Building in New York and Dallas and

1175

00:51:43,930 --> 00:51:41,900

Federal Building in Dallas because she

1176
00:51:44,890 --> 00:51:43,940
refused to go to Washington she had

1177
00:51:46,600 --> 00:51:44,900
friends in the Dallas Police Department

1178
00:51:48,700 --> 00:51:46,610
told her if you go to Washington you

1179
00:51:50,980 --> 00:51:48,710
probably not going to come back so she

1180
00:51:53,590 --> 00:51:50,990
refused to go so they sent Arlen Specter

1181
00:51:54,880 --> 00:51:53,600
down to interview her in Dallas and he

1182
00:51:57,010 --> 00:51:54,890
didn't take her to the Federal Building

1183
00:51:58,630 --> 00:51:57,020
he took her to Parkland Hospital he put

1184
00:52:02,760 --> 00:51:58,640
her in a little small windowless room

1185
00:52:06,430 --> 00:52:02,770
and browbeat her and tried to get her to

1186
00:52:09,160 --> 00:52:06,440
renege on her testimony in fact at one

1187
00:52:11,080 --> 00:52:09,170
point he told her he said look we can

1188
00:52:13,750 --> 00:52:11,090

make you look as crazy as Margaret

1189

00:52:15,970 --> 00:52:13,760

Oswald and everybody knows how crazy she

1190

00:52:17,830 --> 00:52:15,980

is we could have you put in a mental

1191

00:52:18,160 --> 00:52:17,840

institution if you don't cooperate with

1192

00:52:20,260 --> 00:52:18,170

us

1193

00:52:26,470 --> 00:52:20,270

that's your government tax dollars at

1194

00:52:28,750 --> 00:52:26,480

work and here we just just these are

1195

00:52:31,660 --> 00:52:28,760

just some of the witnesses who told

1196

00:52:33,700 --> 00:52:31,670

things other than the official story who

1197

00:52:35,040 --> 00:52:33,710

were ignored and left out of the Warren

1198

00:52:37,900 --> 00:52:35,050

Commission report

1199

00:52:40,240 --> 00:52:37,910

there's even questions over Oswald's

1200

00:52:42,340 --> 00:52:40,250

identity and if you think that sounds

1201

00:52:46,870 --> 00:52:42,350

crazy or conspiracy theory here is a

1202

00:52:49,780 --> 00:52:46,880

document from 1963 years before the

1203

00:52:51,040 --> 00:52:49,790

assassination from Jagger Hoover to the

1204

00:52:55,480 --> 00:52:51,050

Security Division of the State

1205

00:52:57,340 --> 00:52:55,490

Department and he says that there is the

1206

00:52:59,860 --> 00:52:57,350

possibility an imposter is using

1207

00:53:01,870 --> 00:52:59,870

Oswald's a birth certificate and any

1208

00:53:04,030 --> 00:53:01,880

information the Department of State has

1209

00:53:06,520 --> 00:53:04,040

me appreciate it

1210

00:53:08,080 --> 00:53:06,530

Wow think about that Jagger Hoover

1211

00:53:10,180 --> 00:53:08,090

personally was aware of Lee Harvey

1212

00:53:12,220 --> 00:53:10,190

Oswald three years before the

1213

00:53:16,180 --> 00:53:12,230

assassination and thought that he'd

1214

00:53:18,310 --> 00:53:16,190

someone was impersonating him say we

1215

00:53:20,830 --> 00:53:18,320

have no idea what's really going on

1216

00:53:23,950 --> 00:53:20,840

and now we get this picture commissioned

1217

00:53:26,830 --> 00:53:23,960

exhibit 29 63 supposedly taken a month

1218

00:53:29,080 --> 00:53:26,840

well about the time he tried to defect

1219

00:53:32,380 --> 00:53:29,090

to Russia and it's really an interesting

1220

00:53:34,450 --> 00:53:32,390

picture because if you look at it

1221

00:53:37,450 --> 00:53:34,460

closely you find that although the light

1222

00:53:39,610 --> 00:53:37,460

source is coming from his right see with

1223

00:53:42,430 --> 00:53:39,620

light here and heavy dark on his left

1224

00:53:44,800 --> 00:53:42,440

side behind him as shadows goes to the

1225

00:53:46,750 --> 00:53:44,810

right so what's that about and then you

1226

00:53:49,030 --> 00:53:46,760

notice there's a break in his hairline

1227

00:53:51,250 --> 00:53:49,040

and some weird stuff on it you know it

1228

00:53:53,920 --> 00:53:51,260

looks like his eye brown his mouths been

1229

00:53:55,690 --> 00:53:53,930

painted in and so if you draw a line

1230

00:53:58,660 --> 00:53:55,700

down and separate them you got two

1231

00:54:02,020 --> 00:53:58,670

separate people you got Lee and you got

1232

00:54:04,510 --> 00:54:02,030

a ally here and you got Harvey here and

1233

00:54:08,260 --> 00:54:04,520

this is what they do with people who are

1234

00:54:10,600 --> 00:54:08,270

spies okay agents and they want somebody

1235

00:54:12,520 --> 00:54:10,610

impersonate somebody then they affect

1236

00:54:14,500 --> 00:54:12,530

get a photograph of both of them split

1237

00:54:17,380 --> 00:54:14,510

them but composite put them together and

1238

00:54:19,660 --> 00:54:17,390

it kind of looks right and that way when

1239

00:54:22,900 --> 00:54:19,670

they go through a checkpoint or you know

1240

00:54:26,200 --> 00:54:22,910

show your ID then they kind of look like

1241

00:54:28,800 --> 00:54:26,210

the photograph and here we get others

1242

00:54:32,650 --> 00:54:28,810

same things happening over here we got

1243

00:54:34,330 --> 00:54:32,660

here's Lee here's Harvey here's Lee

1244

00:54:37,240 --> 00:54:34,340

here's Harvey this one's great because

1245

00:54:39,760 --> 00:54:37,250

see the mouth lines up the eyes line up

1246

00:54:41,800 --> 00:54:39,770

you know but but this one's about knees

1247

00:54:44,890 --> 00:54:41,810

shorter and that's the whole deal

1248

00:54:48,910 --> 00:54:44,900

Oswald's marine records shows that he

1249

00:54:51,790 --> 00:54:48,920

was 5 foot 11 and yet his autopsy showed

1250

00:54:53,590 --> 00:54:51,800

he was 5 foot 9 I always thought the

1251
00:54:57,490 --> 00:54:53,600
Marine Corps built man I didn't know

1252
00:54:59,020 --> 00:54:57,500
they tore him down to eat just so we

1253
00:55:00,730 --> 00:54:59,030
don't even know who I was well really

1254
00:55:02,800 --> 00:55:00,740
was in fact going back to Paul grieve

1255
00:55:04,810 --> 00:55:02,810
the funeral home director he told me

1256
00:55:06,340 --> 00:55:04,820
that about a week after they buried on

1257
00:55:09,580 --> 00:55:06,350
us while the Secret Service showed up

1258
00:55:11,710 --> 00:55:09,590
and was asking him about marks and scars

1259
00:55:13,360 --> 00:55:11,720
on the body and one of them finally

1260
00:55:18,230 --> 00:55:13,370
quipped and said you know we don't know

1261
00:55:24,290 --> 00:55:22,010
Oswald's own mother in 1967 asked for an

1262
00:55:26,750 --> 00:55:24,300
exclamation saying that she wanted to

1263
00:55:29,720 --> 00:55:26,760

that there was some question about the

1264

00:55:31,970 --> 00:55:29,730

identity of Oswald in fact if you'll

1265

00:55:33,860 --> 00:55:31,980

read the Warren Commission volumes very

1266

00:55:36,320 --> 00:55:33,870

carefully you'll find that his mother

1267

00:55:38,720 --> 00:55:36,330

his brother and his half-brother all

1268

00:55:40,580 --> 00:55:38,730

three told Warren Commission then when

1269

00:55:43,550 --> 00:55:40,590

he came back from Russia he was really

1270

00:55:45,830 --> 00:55:43,560

changed that his thick hair was now thin

1271

00:55:48,200 --> 00:55:45,840

his big bull neck was now a little

1272

00:55:50,870 --> 00:55:48,210

scrawny neck and his cheeks were Hollow

1273

00:55:52,820 --> 00:55:50,880

you know they all said he didn't quite

1274

00:55:56,180 --> 00:55:52,830

look the same but of course keep in mind

1275

00:55:58,220 --> 00:55:56,190

in 1963 nobody would have thought the

1276

00:56:03,140 --> 00:55:58,230

government capable of substituting

1277

00:56:10,810 --> 00:56:06,500

so these are all criminal acts all

1278

00:56:17,590 --> 00:56:12,520

and they're all done by accessories

1279

00:56:19,510 --> 00:56:17,600

after the fact so who's guilty chamber

1280

00:56:22,390 --> 00:56:19,520

Hoover and his next-door neighbor and

1281

00:56:24,790 --> 00:56:22,400

buddy Lyndon Baines Johnson and who

1282

00:56:27,760 --> 00:56:24,800

profited most from the assassination

1283

00:56:30,160 --> 00:56:27,770

Lyndon Johnson and Jagger Hoover who

1284

00:56:32,220 --> 00:56:30,170

completely control the investigation

1285

00:56:34,620 --> 00:56:32,230

Lyndon Johnson and J Edgar Hoover

1286

00:56:37,990 --> 00:56:34,630

Johnson appointed the Warren Commission

1287

00:56:41,260 --> 00:56:38,000

funded it out of presidential funds and

1288

00:56:53,530 --> 00:56:41,270

in doing so closed down any truthful

1289

00:56:55,780 --> 00:56:53,540

investigation here in the FBI whatever

1290

00:56:57,520 --> 00:56:55,790

he said went and he was in total charge

1291

00:56:59,170 --> 00:56:57,530

of investigation and the Warren

1292

00:57:01,570 --> 00:56:59,180

Commission and whether they were good or

1293

00:57:03,730 --> 00:57:01,580

cover-up artists nevertheless they were

1294

00:57:07,120 --> 00:57:03,740

at the mercy of the information given to

1295

00:57:09,340 --> 00:57:07,130

them by the FBI and are you ready for

1296

00:57:12,240 --> 00:57:09,350

this both of these two guys were about

1297

00:57:15,280 --> 00:57:12,250

to lose their jobs because the Kennedys

1298

00:57:17,740 --> 00:57:15,290

Life magazine some officials have now

1299

00:57:20,440 --> 00:57:17,750

verified that the very week of the

1300

00:57:23,920 --> 00:57:20,450

assassination or the week after they

1301
00:57:26,560 --> 00:57:23,930
were already set to run a big expose

1302
00:57:29,140 --> 00:57:26,570
article on the criminal activities of

1303
00:57:31,150 --> 00:57:29,150
Lyndon Johnson they had been fed this by

1304
00:57:33,040 --> 00:57:31,160
Bobby Kennedy as Attorney General and

1305
00:57:35,920 --> 00:57:33,050
they were going to blow Johnson out of

1306
00:57:38,440 --> 00:57:35,930
the water all right hit the tf-x scandal

1307
00:57:42,340 --> 00:57:38,450
in Fort Worth the Bobby Baker scandal

1308
00:57:44,320 --> 00:57:42,350
the Billy celesta scandal he not only

1309
00:57:47,140 --> 00:57:44,330
was probably going to lose his job he

1310
00:57:49,240 --> 00:57:47,150
was probably going to go to prison jr.

1311
00:57:50,980 --> 00:57:49,250
Hoover was about to lose his job because

1312
00:57:52,840 --> 00:57:50,990
they did the Kennedys that let it be

1313
00:57:55,210 --> 00:57:52,850

known in Washington that they were going

1314

00:57:57,010 --> 00:57:55,220

to force Hoover's retirement because he

1315

00:58:00,220 --> 00:57:57,020

was approaching the mandatory federal

1316

00:58:01,840 --> 00:58:00,230

age for retirement and they were going

1317

00:58:04,030 --> 00:58:01,850

to invoke that and get him out of there

1318

00:58:06,700 --> 00:58:04,040

of course he had to help power since

1319

00:58:07,450 --> 00:58:06,710

1924 because he had the dirt on

1320

00:58:11,920 --> 00:58:07,460

everybody

1321

00:58:15,010 --> 00:58:11,930

and yet in Jane were early January 1964

1322

00:58:19,510 --> 00:58:15,020

just a month or so after this the

1323

00:58:21,250 --> 00:58:19,520

assassination Johnson held a press

1324

00:58:23,590 --> 00:58:21,260

conference in the Rose Garden praised

1325

00:58:24,390 --> 00:58:23,600

Hoover for his anti-communist activities

1326

00:58:34,440 --> 00:58:24,400

and

1327

00:58:37,529 --> 00:58:34,450

him as FBI director for life

1328

00:58:40,049 --> 00:58:37,539

Life magazine scrubbed the article

1329

00:58:42,720 --> 00:58:40,059

because the the magazine issue that came

1330

00:58:45,329 --> 00:58:42,730

out the week after needless to say was

1331

00:58:47,819 --> 00:58:45,339

not revealing the criminalities of

1332

00:58:50,009 --> 00:58:47,829

Johnson but about the assassination of

1333

00:58:53,640 --> 00:58:50,019

President Kennedy and both these men

1334

00:58:56,430 --> 00:58:53,650

took steps that made them accessories

1335

00:58:59,279 --> 00:58:56,440

after the fact now can I prove that

1336

00:59:01,680 --> 00:58:59,289

those men orchestrated or ordered the

1337

00:59:04,109 --> 00:59:01,690

assassination no and I doubt we'll ever

1338

00:59:08,130 --> 00:59:04,119

be able to prove that but what I can

1339

00:59:09,749 --> 00:59:08,140

prove and can be demonstrated to beyond

1340

00:59:11,999 --> 00:59:09,759

a reasonable shot of the doubt is that

1341

00:59:15,660 --> 00:59:12,009

both Hoover and Johnson took actions

1342

00:59:17,279 --> 00:59:15,670

that blocked a meaningful truthful

1343

00:59:20,190 --> 00:59:17,289

investigation into the Kennedy

1344

00:59:22,440 --> 00:59:20,200

assassination again under our legal

1345

00:59:25,049 --> 00:59:22,450

system that makes them accessories after

1346

00:59:28,799 --> 00:59:25,059

the fact and they are guilty in the

1347

00:59:31,859 --> 00:59:28,809

assassination and I'm not the only one

1348

00:59:33,029 --> 00:59:31,869

believing that this letter for 1994 was

1349

00:59:36,769 --> 00:59:33,039

from Evelyn Lincoln

1350

00:59:39,930 --> 00:59:36,779

anybody know who Evelyn Lincoln was

1351

00:59:42,599 --> 00:59:39,940

Kennedy's personal secretary she is with

1352

00:59:45,180 --> 00:59:42,609

him at his elbow almost day and night

1353

00:59:47,069 --> 00:59:45,190

and if anybody knew what was going on in

1354

00:59:49,229 --> 00:59:47,079

the Keeney White House I'm sure is level

1355

00:59:54,390 --> 00:59:49,239

in lincoln and in this letter she said

1356

00:59:57,019 --> 00:59:54,400

it is as for the assassination he's

1357

01:00:00,150 --> 00:59:57,029

concerned is my belief that there were

1358

01:00:03,150 --> 01:00:00,160

those that there was a conspiracy

1359

01:00:04,920 --> 01:00:03,160

because there were those who disliked

1360

01:00:07,220 --> 01:00:04,930

him and felt the only way to get rid of

1361

01:00:09,630 --> 01:00:07,230

him was to assassinate him these five

1362

01:00:12,089 --> 01:00:09,640

conspirators in my opinion were Lyndon

1363

01:00:14,370 --> 01:00:12,099

Johnson Jagger Hoover the Mafia the CIA

1364

01:00:17,339 --> 01:00:14,380

the Cubans in Florida thank you very

1365

01:00:19,470 --> 01:00:17,349

much now with all of the retrospective

1366

01:00:21,269 --> 01:00:19,480

shows on TV and all the who and and not

1367

01:00:23,309 --> 01:00:21,279

only about the Kennedys know they'll

1368

01:00:24,779 --> 01:00:23,319

probably about the SAS nation how many

1369

01:00:29,249 --> 01:00:24,789

times have you seen an interview with

1370

01:00:31,890 --> 01:00:29,259

Evelyn Lincoln not there is she because

1371

01:00:34,680 --> 01:00:31,900

she knew she knew what was going on and

1372

01:00:37,390 --> 01:00:34,690

so when the president United States is

1373

01:00:40,600 --> 01:00:37,400

the guy behind the assassination and

1374

01:00:43,000 --> 01:00:40,610

the FBI is is aid and they have total

1375

01:00:45,160 --> 01:00:43,010

support from the corporate control mass

1376

01:00:47,230 --> 01:00:45,170

media now do you understand why the

1377

01:00:50,920 --> 01:00:47,240

Kennedy assassination is considered

1378

01:00:53,650 --> 01:00:50,930

controversial and it all boils down to

1379

01:00:55,000 --> 01:00:53,660

what Warren Commission John J McCloy if

1380

01:00:56,860 --> 01:00:55,010

you've read my book the rise of the

1381

01:00:57,280 --> 01:00:56,870

Fourth Reich you'll know that John J

1382

01:00:59,440 --> 01:00:57,290

McCloy

1383

01:01:02,170 --> 01:00:59,450

was a mover and a shaker a member of the

1384

01:01:04,180 --> 01:01:02,180

Council on Foreign Relations the largest

1385

01:01:06,370 --> 01:01:04,190

lender of money to the Nazi government

1386

01:01:07,990 --> 01:01:06,380

and then served as High Commissioner to

1387

01:01:10,180 --> 01:01:08,000

Germany brought all the paperclip

1388

01:01:11,830 --> 01:01:10,190

scientists over here and then served on

1389

01:01:14,560 --> 01:01:11,840

the Warren Commission to determine what

1390

01:01:17,170 --> 01:01:14,570

happened to John F Kennedy and in one of

1391

01:01:19,150 --> 01:01:17,180

their meetings he said it is a it was a

1392

01:01:20,890 --> 01:01:19,160

paramount importance to show the world

1393

01:01:22,900 --> 01:01:20,900

that America is not a Banana Republic

1394

01:01:25,210 --> 01:01:22,910

where a government can be changed by

1395

01:01:28,660 --> 01:01:25,220

conspiracy well folks I'm here tonight

1396

01:01:31,930 --> 01:01:28,670

to tell you and I'm sorry to tell you we

1397

01:01:33,730 --> 01:01:31,940

are just another Banana Republic and in

1398

01:01:36,040 --> 01:01:33,740

fact from the time of the Kennedy

1399

01:01:37,780 --> 01:01:36,050

assassination through the assassinations

1400

01:01:40,390 --> 01:01:37,790

of Martin Luther King and Bobby Kennedy

1401

01:01:43,270 --> 01:01:40,400

the shooting of George Wallace the

1402

01:01:46,510 --> 01:01:43,280

shooting of you know it just goes on and

1403

01:01:49,570 --> 01:01:46,520

on the shooting of Reagan come on from

1404

01:01:51,850 --> 01:01:49,580

from 1963 all the way up to about 1980

1405

01:01:53,650 --> 01:01:51,860

for all those elections all those

1406

01:01:56,440 --> 01:01:53,660

presidential elections were cited by

1407

01:02:01,330 --> 01:01:56,450

gunfire were just another Banana

1408

01:02:06,700 --> 01:02:01,340

Republic but whatever you do don't

1409

01:02:09,760 --> 01:02:06,710

mention the coup of 1963 but if you want

1410

01:02:11,740 --> 01:02:09,770

to call the details the sources get my

1411

01:02:14,140 --> 01:02:11,750

new book crossfire the plot to kill

1412

01:02:16,300 --> 01:02:14,150

Kennedy and you'll find out all you need

1413

01:02:18,730 --> 01:02:16,310

to know now how we doing on time we've

1414

01:02:22,510 --> 01:02:18,740

got plenty of time I hope oh yeah okay

1415

01:02:26,080 --> 01:02:22,520

now comes the juice what's that got to

1416

01:02:30,070 --> 01:02:28,240

all right well first off if you

1417

01:02:32,380 --> 01:02:30,080

understand clearly what happened to

1418

01:02:34,540 --> 01:02:32,390

Kennedy and the government can lie can

1419

01:02:37,540 --> 01:02:34,550

cover-up then you can begin to

1420

01:02:39,280 --> 01:02:37,550

understand about UFOs so why would they

1421

01:02:41,140 --> 01:02:39,290

want to get rid of Kennedy well you know

1422

01:02:43,210 --> 01:02:41,150

we know some of the more obvious reasons

1423

01:02:43,720 --> 01:02:43,220

then he was going to pull us out of

1424

01:02:46,770 --> 01:02:43,730

Vietnam

1425

01:02:50,440 --> 01:02:46,780

he had already thwarted the military

1426

01:02:53,920 --> 01:02:50,450

military in the the Pentagon by refusing

1427

01:02:57,490 --> 01:02:53,930

to use nuclear weapons in layoffs all

1428

01:02:59,560 --> 01:02:57,500

right and that he had already in early

1429

01:03:01,960 --> 01:02:59,570

October signed a national security

1430

01:03:04,180 --> 01:03:01,970

action memorandum that said he agreed

1431

01:03:07,090 --> 01:03:04,190

that we could pull all our troops out of

1432

01:03:10,270 --> 01:03:07,100

Vietnam by the end of 1965 and in this

1433

01:03:12,100 --> 01:03:10,280

presidential order he says make no

1434

01:03:16,540 --> 01:03:12,110

public announcement but begin the

1435

01:03:17,830 --> 01:03:16,550

withdrawal of 1,000 advisors ok the

1436

01:03:19,770 --> 01:03:17,840

Monday following the Friday

1437

01:03:23,260 --> 01:03:19,780

assassination Lyndon Johnson issued

1438

01:03:26,350 --> 01:03:23,270

nationalist security action to 73 in

1439

01:03:29,260 --> 01:03:26,360

which he said military and financial aid

1440

01:03:30,970 --> 01:03:29,270

to South Vietnam will not be lowered

1441

01:03:33,250 --> 01:03:30,980

past the level of the diem government

1442

01:03:35,170 --> 01:03:33,260

well that was knocked over the first so

1443

01:03:38,740 --> 01:03:35,180

that essentially blocked Kennedy's

1444

01:03:40,900 --> 01:03:38,750

pullout order ok and it set us on the

1445

01:03:45,190 --> 01:03:40,910

road to Vietnam in fact the real Vietnam

1446

01:03:48,040 --> 01:03:45,200

War started in August of 1964 with the

1447

01:03:50,830 --> 01:03:48,050

phony Gulf of Tonkin battle there was

1448

01:03:52,990 --> 01:03:50,840

never any vital and yet Johnson went to

1449

01:03:55,000 --> 01:03:53,000

the Congress and said our boys are

1450

01:03:57,580 --> 01:03:55,010

floating in the water give me the power

1451

01:04:00,970 --> 01:03:57,590

and I'll stop all this communists you

1452

01:04:02,620 --> 01:04:00,980

know aggression and so they passed the

1453

01:04:04,690 --> 01:04:02,630

Gulf of Tonkin Resolution which

1454

01:04:07,150 --> 01:04:04,700

abrogated the Constitution in the United

1455

01:04:09,130 --> 01:04:07,160

States which says colony Congress has

1456

01:04:11,470 --> 01:04:09,140

power to declare war and they gave that

1457

01:04:14,740 --> 01:04:11,480

war-making power to Johnson and by

1458

01:04:16,540 --> 01:04:14,750

September of 1964 ground troops include

1459

01:04:19,810 --> 01:04:16,550

the Marines were being sent to Vietnam

1460

01:04:22,510 --> 01:04:19,820

and then the bombing campaign of the

1461

01:04:25,780 --> 01:04:22,520

north started and we went into the major

1462

01:04:27,430 --> 01:04:25,790

Vietnam War which cost 58,000 American

1463

01:04:32,440 --> 01:04:27,440

lives wrecked our economy and caused

1464

01:04:35,860 --> 01:04:32,450

still asur differences and and schisms

1465

01:04:38,710 --> 01:04:35,870

between families and generations ok so

1466

01:04:39,190 --> 01:04:38,720

we know that we know that he was trying

1467

01:04:42,250 --> 01:04:39,200

to make

1468

01:04:43,960 --> 01:04:42,260

we approach Minh twith Castro which only

1469

01:04:45,490 --> 01:04:43,970

recently within the past month or so

1470

01:04:47,410 --> 01:04:45,500

they're finally getting around to saying

1471

01:04:50,200 --> 01:04:47,420

made talking about maybe we could do

1472

01:04:51,910 --> 01:04:50,210

that he wouldn't do it he also had been

1473

01:04:53,920 --> 01:04:51,920

meeting with Khrushchev and talking with

1474

01:04:55,809 --> 01:04:53,930

Khrushchev on the hotline and they had

1475

01:04:58,059 --> 01:04:55,819

about decided to try to put an end to

1476

01:05:00,359 --> 01:04:58,069

the Cold War but then Kennedy got

1477

01:05:02,620 --> 01:05:00,369

assassinated the Cold War continued and

1478

01:05:04,870 --> 01:05:02,630

Khrushchev within six months had been

1479

01:05:07,780 --> 01:05:04,880

ousted and they didn't kill him but they

1480

01:05:10,839 --> 01:05:07,790

put him out to pasture and the we went

1481

01:05:12,849 --> 01:05:10,849

continued with the Cold War we also know

1482

01:05:14,770 --> 01:05:12,859

that his brother Bobby Kennedy as

1483

01:05:16,990 --> 01:05:14,780

Attorney General was prosecuting

1484

01:05:19,089 --> 01:05:17,000

organized crime as never before or since

1485

01:05:20,950 --> 01:05:19,099

in fact the very morning of the

1486

01:05:22,990 --> 01:05:20,960

assassination he had had a big meeting

1487

01:05:25,329 --> 01:05:23,000

with his organized crime task force

1488

01:05:29,109 --> 01:05:25,339

they broke for lunch and then he got a

1489

01:05:29,650 --> 01:05:29,119

call from Jagger Hoover who said never

1490

01:05:34,170 --> 01:05:29,660

met me

1491

01:05:36,760 --> 01:05:34,180

Harvey Oswald II he's ex-marine he he

1492

01:05:38,680 --> 01:05:36,770

defected to Russia he's a pro communist

1493

01:05:41,109 --> 01:05:38,690

he's a mean-spirited individual in the

1494

01:05:44,620 --> 01:05:41,119

category of a nut all that came out

1495

01:05:46,329 --> 01:05:44,630

about 20 years ago from FBI files and

1496

01:05:48,099 --> 01:05:46,339

this was like two hours after the

1497

01:05:50,079 --> 01:05:48,109

shooting now there's a good piece of

1498

01:05:51,940 --> 01:05:50,089

circumstantial evidence for you right

1499

01:05:54,760 --> 01:05:51,950

there two hours after the shooting

1500

01:05:56,530 --> 01:05:54,770

Oswald had just been arrested the Texas

1501

01:05:58,599 --> 01:05:56,540

theater hauled out brought down to the

1502

01:06:00,549 --> 01:05:58,609

Dallas Police Headquarters he had two

1503

01:06:02,530 --> 01:06:00,559

sets of identification on him one says

1504

01:06:05,559 --> 01:06:02,540

he's Lee Harvey Oswald the other sees

1505

01:06:07,390 --> 01:06:05,569

these Alex James Hodel well the police

1506

01:06:09,400 --> 01:06:07,400

are saying well which one are you and he

1507

01:06:11,799 --> 01:06:09,410

said he was being uncooperative he said

1508

01:06:13,450 --> 01:06:11,809

you're the cops figure it out and yet at

1509

01:06:15,760 --> 01:06:13,460

the time the local authorities weren't

1510

01:06:17,710 --> 01:06:15,770

even sure who they had in custody Hoover

1511

01:06:19,780 --> 01:06:17,720

is on the phone to Bobby Kennedy giving

1512

01:06:21,640 --> 01:06:19,790

a complete rundown on Oswald who he knew

1513

01:06:24,280 --> 01:06:21,650

all about three years earlier doesn't

1514

01:06:27,539 --> 01:06:24,290

that tell you what was going on okay but

1515

01:06:30,549 --> 01:06:27,549

now so we know all that was going on but

1516

01:06:32,410 --> 01:06:30,559

only the tabloids has brought broached

1517

01:06:34,559 --> 01:06:32,420

the idea that Kennedy may have been

1518

01:06:37,750 --> 01:06:34,569

killed because what he knew about UFOs

1519

01:06:40,030 --> 01:06:37,760

and of course when I first read this and

1520

01:06:41,829 --> 01:06:40,040

I don't see the date on that but there's

1521

01:06:43,539 --> 01:06:41,839

a long time ago and I just kind of

1522

01:06:47,320 --> 01:06:43,549

laughed you know because those tabloids

1523

01:06:50,260 --> 01:06:47,330

they'll just say anything but then

1524

01:06:54,600 --> 01:06:50,270

I got them I found out that there is

1525

01:06:56,980 --> 01:06:54,610

something called the interplanetary unit

1526

01:06:59,560 --> 01:06:56,990

phenomena the interplanetary phenomena

1527

01:07:02,350 --> 01:06:59,570

unit and that sounds pretty far-out but

1528

01:07:04,570 --> 01:07:02,360

that's a legitimate government agency or

1529

01:07:07,030 --> 01:07:04,580

unit that was active at the time of

1530

01:07:09,520 --> 01:07:07,040

Roswell and they actually produced a

1531

01:07:11,530 --> 01:07:09,530

document which is now available and it

1532

01:07:13,720 --> 01:07:11,540

tells the truth about Roswell it says

1533

01:07:15,820 --> 01:07:13,730

that there was one crash site and that

1534

01:07:18,040 --> 01:07:15,830

that there was a lot of debris there but

1535

01:07:20,290 --> 01:07:18,050

that the main capsule continued on and

1536

01:07:22,570 --> 01:07:20,300

landed at Socorro so there was actually

1537

01:07:24,940 --> 01:07:22,580

two landing zones they talked about the

1538

01:07:27,220 --> 01:07:24,950

radar contacts they give a lot of

1539

01:07:30,340 --> 01:07:27,230

detailed information about Roswell that

1540

01:07:32,680 --> 01:07:30,350

that is so far to the most serious

1541

01:07:34,780 --> 01:07:32,690

researchers turned out to be true and at

1542

01:07:36,460 --> 01:07:34,790

the very end of their report it said

1543

01:07:38,470 --> 01:07:36,470

some of the recovery operation was

1544

01:07:41,530 --> 01:07:38,480

shared with representative John F

1545

01:07:45,610 --> 01:07:41,540

Kennedy Massachusetts Democrat elected

1546

01:07:48,580 --> 01:07:45,620

to Congress in 46 son of Joseph P

1547

01:07:50,850 --> 01:07:48,590

Kennedy who was a mission a member of

1548

01:07:52,650 --> 01:07:50,860

the Commission on organization of the

1549

01:07:55,300 --> 01:07:52,660

executive branch of the government

1550

01:07:56,800 --> 01:07:55,310

Kennedy had limited duty as the naval

1551

01:07:59,170 --> 01:07:56,810

officer assigned to Naval Intelligence

1552

01:08:02,680 --> 01:07:59,180

during the war it is believed that

1553

01:08:04,090 --> 01:08:02,690

information was obtained from a source

1554

01:08:06,100 --> 01:08:04,100

in Congress who is close to the

1555

01:08:07,750 --> 01:08:06,110

secretary for the Air Force so in other

1556

01:08:10,720 --> 01:08:07,760

words in this document by the way was

1557

01:08:11,260 --> 01:08:10,730

written back in 1947 how many of you all

1558

01:08:13,860 --> 01:08:11,270

knew that

1559

01:08:17,230 --> 01:08:13,870

John F Kennedy was in naval intelligence

1560

01:08:21,940 --> 01:08:17,240

very few because that is not very well

1561

01:08:23,710 --> 01:08:21,950

known but he was oh my god I got time to

1562

01:08:26,829 --> 01:08:23,720

tell you about I'll just take the time

1563

01:08:28,780 --> 01:08:26,839

it's a great story who put Kennedy in

1564

01:08:33,370 --> 01:08:28,790

the office in the first place Jagger

1565

01:08:36,520 --> 01:08:33,380

Hoover how did he do that ok World War 2

1566

01:08:38,470 --> 01:08:36,530

and John F Kennedy young naval ensign is

1567

01:08:43,030 --> 01:08:38,480

stationed in Washington with Naval

1568

01:08:48,400 --> 01:08:43,040

Intelligence but he liked the women big

1569

01:08:50,500 --> 01:08:48,410

surprise there right so he's hanging

1570

01:08:54,610 --> 01:08:50,510

around with Inga Arvin

1571

01:08:57,579 --> 01:08:54,620

he called her Inga Inga Inga our van was

1572

01:09:00,490 --> 01:08:57,589

a former Miss Sweden quite a looker and

1573

01:09:02,590 --> 01:09:00,500

who had hobnobbed with some of the

1574

01:09:06,700 --> 01:09:02,600

eating lights of Europe including a doff

1575

01:09:08,200 --> 01:09:06,710

Hitler so the FBI suspected her of being

1576

01:09:11,140 --> 01:09:08,210

a Nazi spy

1577

01:09:13,390 --> 01:09:11,150

so they bugged her apartment and who do

1578

01:09:17,769 --> 01:09:13,400

they get in their tapes but John F

1579

01:09:19,570 --> 01:09:17,779

Kennedy so they go to Joe his father and

1580

01:09:23,019 --> 01:09:19,580

they say listen you got a problem here

1581

01:09:25,539 --> 01:09:23,029

you know because we think your son may

1582

01:09:28,180 --> 01:09:25,549

be hobnobbing with this Nazi spy

1583

01:09:29,289 --> 01:09:28,190

so Jagger Hoover calls in Joe Kennedy

1584

01:09:31,870 --> 01:09:29,299

and said we got to do something about

1585

01:09:33,700 --> 01:09:31,880

this so he went to Jack Kennedy and they

1586

01:09:36,130 --> 01:09:33,710

told him you know you got to start

1587

01:09:39,550 --> 01:09:36,140

seeing her and you're gonna have to

1588

01:09:42,039 --> 01:09:39,560

start to battle three guys

1589

01:09:43,990 --> 01:09:42,049

well Jack Kennedy was young and fervor

1590

01:09:45,910 --> 01:09:44,000

and he was just like all young guys that

1591

01:09:46,599 --> 01:09:45,920

in World War two you know he's a well

1592

01:09:49,030 --> 01:09:46,609

above I got it

1593

01:09:51,309 --> 01:09:49,040

if I can't play playboy I don't want to

1594

01:09:53,289 --> 01:09:51,319

be fighting the enemy so he demanded

1595

01:09:54,700 --> 01:09:53,299

that they send him to a combat unit so

1596

01:09:55,420 --> 01:09:54,710

sure enough they sent him to the South

1597

01:09:58,390 --> 01:09:55,430

Pacific

1598

01:10:04,060 --> 01:09:58,400

put him in trumping in command of a PT

1599

01:10:06,340 --> 01:10:04,070

boat PT 109 and of course he lost his

1600

01:10:09,130 --> 01:10:06,350

command and got run over by a Japanese

1601

01:10:11,260 --> 01:10:09,140

Cruiser one night and split all apart

1602

01:10:13,420 --> 01:10:11,270

which on the one hand probably should

1603

01:10:15,550 --> 01:10:13,430

have earned him a court-martial but then

1604

01:10:19,480 --> 01:10:15,560

on the other hand though he with a bad

1605

01:10:22,420 --> 01:10:19,490

back he took his wounded engine engineer

1606

01:10:25,540 --> 01:10:22,430

put the Mae West strapped in his mouth

1607

01:10:28,120 --> 01:10:25,550

and swam all the way to this island with

1608

01:10:29,980 --> 01:10:28,130

this guy help saved him helped save the

1609

01:10:32,620 --> 01:10:29,990

rest of the crew they were on this

1610

01:10:35,200 --> 01:10:32,630

island out of food out of water no ammo

1611

01:10:37,210 --> 01:10:35,210

and they found out that this island was

1612

01:10:38,770 --> 01:10:37,220

held by the Japanese well now they're

1613

01:10:40,690 --> 01:10:38,780

really down there going let's give up

1614

01:10:43,600 --> 01:10:40,700

let's just give up but you know I'll

1615

01:10:45,280 --> 01:10:43,610

just sit out the war and a powa and John

1616

01:10:47,320 --> 01:10:45,290

Hagee said nope I'm gonna get you out of

1617

01:10:49,720 --> 01:10:47,330

here and sure enough he kept messing

1618

01:10:51,970 --> 01:10:49,730

around until he found some natives that

1619

01:10:53,650 --> 01:10:51,980

were somewhat friendly to him and he

1620

01:10:56,530 --> 01:10:53,660

managed to get word back to another

1621

01:10:59,200 --> 01:10:56,540

island that was in the control of the

1622

01:11:01,660 --> 01:10:59,210

Allies they sent a submarine and they

1623

01:11:04,600 --> 01:11:01,670

got John F Kennedy and his crew off the

1624

01:11:07,540 --> 01:11:04,610

island and rescued him so now the Navy

1625

01:11:09,460 --> 01:11:07,550

says okay do we court-martial this guy

1626

01:11:11,080 --> 01:11:09,470

you know who's the son of a prominent

1627

01:11:13,720 --> 01:11:11,090

senator and

1628

01:11:16,359 --> 01:11:13,730

a powerful politician or do we make him

1629

01:11:18,910 --> 01:11:16,369

a hero well they made him a hero and it

1630

01:11:21,220 --> 01:11:18,920

was that fame in the PT 109 that

1631

01:11:23,229 --> 01:11:21,230

launched him into politics put him in

1632

01:11:25,270 --> 01:11:23,239

the House of Representatives been put

1633

01:11:25,870 --> 01:11:25,280

him in as a senator and then on to the

1634

01:11:27,910 --> 01:11:25,880

president

1635

01:11:30,729 --> 01:11:27,920

all thanks to Chad groover and his

1636

01:11:32,520 --> 01:11:30,739

snooping didn't have a story but then

1637

01:11:36,250 --> 01:11:32,530

there was other things going on

1638

01:11:40,390 --> 01:11:36,260

Kennedy and by 47 knew the truth of

1639

01:11:45,370 --> 01:11:40,400

Roswell that there really was aliens and

1640

01:11:50,020 --> 01:11:45,380

there wasn't really was a crash June the

1641

01:11:52,629 --> 01:11:50,030

26 1961 he sends this memo to the

1642

01:11:54,280 --> 01:11:52,639

national security memorandum to the

1643

01:11:58,959 --> 01:11:54,290

Director of Central Intelligence a

1644

01:12:00,760 --> 01:11:58,969

review of mj-12 intelligence operations

1645

01:12:03,330 --> 01:12:00,770

well you know mj-12 that's not supposed

1646

01:12:08,200 --> 01:12:03,340

to exist but he was already on to it and

1647

01:12:12,430 --> 01:12:08,210

then we also know that Dorothy Kilgallen

1648

01:12:14,620 --> 01:12:12,440

said that there was a secret visit by

1649

01:12:16,930 --> 01:12:14,630

the president of the secret airbase so

1650

01:12:21,189 --> 01:12:16,940

all of this was going long and Kitty

1651
01:12:24,459 --> 01:12:21,199
knew about it now in the fall of 1962

1652
01:12:27,490 --> 01:12:24,469
Glenn pace and Rufus Bond were two

1653
01:12:30,550 --> 01:12:27,500
photographers stationed at area 51 in

1654
01:12:32,859 --> 01:12:30,560
Nevada now they did not have access to

1655
01:12:34,540 --> 01:12:32,869
the lower levels so they couldn't say

1656
01:12:37,510 --> 01:12:34,550
with any certainty if there were aliens

1657
01:12:40,689 --> 01:12:37,520
there or flying saucers but they did

1658
01:12:43,330 --> 01:12:40,699
have access to the joint cafeteria where

1659
01:12:45,370 --> 01:12:43,340
the project paperclip scientists ate and

1660
01:12:46,959 --> 01:12:45,380
other scientists they were working in

1661
01:12:50,109 --> 01:12:46,969
these lower levels and they heard all

1662
01:12:53,859 --> 01:12:50,119
kinds of rumors okay but the story they

1663
01:12:56,050 --> 01:12:53,869

tell is that in the fall of 1962 there

1664

01:12:58,000 --> 01:12:56,060

was a buzz going on in the cafeteria

1665

01:12:59,950 --> 01:12:58,010

among the scientists that the president

1666

01:13:04,270 --> 01:12:59,960

John F Kennedy was going to come and

1667

01:13:05,770 --> 01:13:04,280

visit area 51 and they were all kind of

1668

01:13:07,660 --> 01:13:05,780

laughing and snickering about the whole

1669

01:13:09,640 --> 01:13:07,670

thing because basically the attitude

1670

01:13:11,200 --> 01:13:09,650

seemed to be well don't worry about it

1671

01:13:13,149 --> 01:13:11,210

we'll give him the dog and pony show

1672

01:13:16,510 --> 01:13:13,159

like we have everybody else that shows

1673

01:13:18,939 --> 01:13:16,520

up and he'll thank us and go away but

1674

01:13:21,790 --> 01:13:18,949

then a few weeks later when this visit

1675

01:13:22,960 --> 01:13:21,800

took place the whole attitude changed

1676

01:13:25,780 --> 01:13:22,970

abruptly

1677

01:13:28,750 --> 01:13:25,790

scientists were agitated they were upset

1678

01:13:31,210 --> 01:13:28,760

they were mad and they were and it was

1679

01:13:33,940 --> 01:13:31,220

plain they said because Kennedy had

1680

01:13:37,030 --> 01:13:33,950

threatened to cut their budgets now what

1681

01:13:39,940 --> 01:13:37,040

happened there I strongly suspect that

1682

01:13:42,430 --> 01:13:39,950

Kennedy showed up at area 51 and they

1683

01:13:44,620 --> 01:13:42,440

said okay you know here's our space

1684

01:13:46,360 --> 01:13:44,630

ships and here's what we're working on

1685

01:13:48,580 --> 01:13:46,370

and that's it nothing here to see sir

1686

01:13:52,300 --> 01:13:48,590

but he was one of the he didn't buy it

1687

01:13:55,420 --> 01:13:52,310

because he knew from 47 that the Roswell

1688

01:13:57,340 --> 01:13:55,430

crash was real and so he tells him look

1689

01:14:00,040 --> 01:13:57,350

quit lying to me or I'm gonna cut your

1690

01:14:03,070 --> 01:14:00,050

budgets you guys are playing footsie out

1691

01:14:08,170 --> 01:14:03,080

here so they all got upset so there is

1692

01:14:10,210 --> 01:14:08,180

another nail in the coffin all the

1693

01:14:12,970 --> 01:14:10,220

people at area 51 he's threatening to

1694

01:14:17,170 --> 01:14:12,980

blow the secrets we also now have this

1695

01:14:19,180 --> 01:14:17,180

November the 12th 63 document where he

1696

01:14:22,000 --> 01:14:19,190

is demanding that the director of

1697

01:14:22,900 --> 01:14:22,010

Central Intelligence Agency turn over to

1698

01:14:26,440 --> 01:14:22,910

the White House

1699

01:14:29,320 --> 01:14:26,450

all UFO FILES and he said he wants it on

1700

01:14:32,710 --> 01:14:29,330

his desk by no later than February the

1701

01:14:34,030 --> 01:14:32,720

1st 1964 now any of y'all have been in

1702

01:14:35,050 --> 01:14:34,040

the military have been in the government

1703

01:14:37,300 --> 01:14:35,060

you'll probably understand what I'm

1704

01:14:39,850 --> 01:14:37,310

saying when I tell you that if the CIA

1705

01:14:41,770 --> 01:14:39,860

had handed over all of their UFO files

1706

01:14:44,980 --> 01:14:41,780

to the Kennedy White House there would

1707

01:14:48,910 --> 01:14:44,990

have been late glower and we would have

1708

01:14:52,660 --> 01:14:48,920

known about in 1964 the reality of UFOs

1709

01:14:56,440 --> 01:14:52,670

and of the et visitation but on November

1710

01:14:59,710 --> 01:14:56,450

the 22nd Kennedy's cut down and that was

1711

01:15:02,800 --> 01:14:59,720

the end of that so was he murdered too

1712

01:15:05,710 --> 01:15:02,810

I still personally do not feel that he

1713

01:15:08,920 --> 01:15:05,720

was killed specifically to keep UFO

1714

01:15:11,320 --> 01:15:08,930

secrets but I do believe now that that

1715

01:15:12,600 --> 01:15:11,330

was one of the straws that broke the

1716

01:15:15,520 --> 01:15:12,610

camel's back

1717

01:15:19,420 --> 01:15:15,530

keep in mind let me see if there's is

1718

01:15:22,330 --> 01:15:19,430

that yet oh well to prove that this is

1719

01:15:24,790 --> 01:15:22,340

what's going on we have this document

1720

01:15:26,830 --> 01:15:24,800

National Security action memorandum 271

1721

01:15:29,290 --> 01:15:26,840

then I got out of the king of the

1722

01:15:31,960 --> 01:15:29,300

library and he's talking this is to the

1723

01:15:33,910 --> 01:15:31,970

administrator of NASA saying that he

1724

01:15:35,800 --> 01:15:33,920

wants his cooperation because we were

1725

01:15:36,170 --> 01:15:35,810

getting it ready to go into joint space

1726

01:15:38,600 --> 01:15:36,180

X

1727

01:15:40,520 --> 01:15:38,610

operation with the Soviets and he said

1728

01:15:42,920 --> 01:15:40,530

we need to separate the knowns from the

1729

01:15:45,500 --> 01:15:42,930

unknowns so that they won't think we're

1730

01:15:47,030 --> 01:15:45,510

using this as a cover to spy on them and

1731

01:15:54,380 --> 01:15:47,040

sure enough

1732

01:15:57,050 --> 01:15:54,390

Khrushchev's son I believe it is yeah

1733

01:15:59,270 --> 01:15:57,060

his son Khrushchev son later wrote and

1734

01:16:01,730 --> 01:15:59,280

said yes dad agreed to go into joint

1735

01:16:06,110 --> 01:16:01,740

space exploration you know now think

1736

01:16:08,930 --> 01:16:06,120

about that 19 1964 come on man and would

1737

01:16:10,070 --> 01:16:08,940

have ended the Cold War and we would you

1738

01:16:14,300 --> 01:16:10,080

know military-industrial complex

1739

01:16:16,400 --> 01:16:14,310

couldn't have that so they shot Kennedy

1740

01:16:22,310 --> 01:16:16,410

and they fired Khrushchev and we

1741

01:16:24,920 --> 01:16:22,320

continued with the cohort Lyndon Johnson

1742

01:16:27,530 --> 01:16:24,930

he knows he knows what's going on listen

1743

01:16:34,130 --> 01:16:27,540

to what he told the Senate Democratic

1744

01:16:36,500 --> 01:16:34,140

caucus June January 7th 1958 control of

1745

01:16:40,280 --> 01:16:36,510

space means control of the world from

1746

01:16:42,350 --> 01:16:40,290

space the Masters of infinity remember

1747

01:16:45,290 --> 01:16:42,360

that sure would like to know the Masters

1748

01:16:47,570 --> 01:16:45,300

of infinity are the Masters of infinity

1749

01:16:49,910 --> 01:16:47,580

would have the power to control the

1750

01:16:53,090 --> 01:16:49,920

Earth's weather to cause drought and

1751

01:16:55,490 --> 01:16:53,100

flood to change the tides and to raise

1752

01:16:58,010 --> 01:16:55,500

the level of the sea to divert the Gulf

1753

01:17:00,680 --> 01:16:58,020

Stream and change the climate to frigid

1754

01:17:02,870 --> 01:17:00,690

this is the ultimate position the

1755

01:17:07,490 --> 01:17:02,880

position of total control over the earth

1756

01:17:08,860 --> 01:17:07,500

that lies somewhere in outer space now

1757

01:17:14,090 --> 01:17:08,870

what's going on right now

1758

01:17:18,140 --> 01:17:14,100

climate change droughts tsunamis

1759

01:17:21,800 --> 01:17:18,150

earthquakes you know is it just natural

1760

01:17:25,010 --> 01:17:21,810

phenomena or is it HAARP is it secret

1761

01:17:30,820 --> 01:17:25,020

weapons being used is it stuff that

1762

01:17:39,080 --> 01:17:34,310

there's secrets folks and we're not in

1763

01:17:41,210 --> 01:17:39,090

on them and you tell your friends and

1764

01:17:44,060 --> 01:17:41,220

neighbors when you say you've been to a

1765

01:17:47,300 --> 01:17:44,070

UFO conference and they start snickering

1766

01:17:50,060 --> 01:17:47,310

you tell them what I said I don't care

1767

01:17:53,060 --> 01:17:50,070

how brilliant you are how smart you are

1768

01:17:55,970 --> 01:17:53,070

if you're operating with incomplete or

1769

01:17:59,630 --> 01:17:55,980

erroneous information you'll never be

1770

01:18:02,990 --> 01:17:59,640

able to make any serious correct

1771

01:18:05,420 --> 01:18:03,000

decisions about anything and if you

1772

01:18:08,630 --> 01:18:05,430

laugh and blow off the subject of UFOs

1773

01:18:10,460 --> 01:18:08,640

and aliens then you'll never know what's

1774

01:18:12,830 --> 01:18:10,470

really happening in the world because

1775

01:18:23,030 --> 01:18:12,840

you're throwing out a big piece of the

1776

01:18:23,040 --> 01:18:26,960

I think actually

1777

01:18:31,610 --> 01:18:29,060

they hand me down here to go to nine

1778

01:18:32,930 --> 01:18:31,620

it's only about 8:40 so if there's any

1779

01:18:35,930 --> 01:18:32,940

questions I'll be glad to answer

1780

01:18:37,640 --> 01:18:35,940

anything I can you just shout them out

1781

01:18:41,840 --> 01:18:37,650

so I hear what you're saying any

1782

01:19:18,430 --> 01:18:41,850

questions no questions Wow was I that

1783

01:19:23,690 --> 01:19:21,980

yeah well that yeah that goes but that

1784

01:19:27,200 --> 01:19:23,700

goes back to those were those were

1785

01:19:29,300 --> 01:19:27,210

well-documented one one just in 63 it

1786

01:19:31,430 --> 01:19:29,310

was a goes back some comes forward some

1787

01:19:33,680 --> 01:19:31,440

I've talked to some of those military

1788

01:19:35,240 --> 01:19:33,690

officers and there again that's a good

1789

01:19:38,560 --> 01:19:35,250

illustration of how you want to look at

1790

01:19:41,450 --> 01:19:38,570

the UFO issue it is absolutely true that

1791

01:19:44,390 --> 01:19:41,460

over a long time period that UFOs were

1792

01:19:46,100 --> 01:19:44,400

seen over our missile installations and

1793

01:19:49,040 --> 01:19:46,110

the they're launching codes were changed

1794

01:19:50,420 --> 01:19:49,050

and they were there were flummoxed okay

1795

01:19:51,770 --> 01:19:50,430

where they couldn't have launched them

1796

01:19:54,440 --> 01:19:51,780

now

1797

01:19:55,640 --> 01:19:54,450

Colonel Corso he told me well that

1798

01:19:57,980 --> 01:19:55,650

proves they're enemies

1799

01:20:00,350 --> 01:19:57,990

and I said why he said because they came

1800

01:20:02,870 --> 01:20:00,360

over our bases and they we'd order him

1801

01:20:05,090 --> 01:20:02,880

to stop and they wouldn't stop and I

1802

01:20:06,680 --> 01:20:05,100

said well that just means they're not

1803

01:20:08,420 --> 01:20:06,690

obeying you doesn't mean they're enemies

1804

01:20:10,910 --> 01:20:08,430

he said yeah but they're changed the

1805

01:20:12,590 --> 01:20:10,920

codes on our missile launches and I said

1806

01:20:14,450 --> 01:20:12,600

yeah but the missiles didn't launch I

1807

01:20:15,860 --> 01:20:14,460

said have you ever considered the idea

1808

01:20:18,620 --> 01:20:15,870

that maybe they were stopping us from

1809

01:20:20,480 --> 01:20:18,630

killing ourselves you know maybe they

1810

01:20:23,360 --> 01:20:20,490

didn't want those missiles lunch and

1811

01:20:25,880 --> 01:20:23,370

start starting a third world war you

1812

01:20:28,310 --> 01:20:25,890

know so it's really ambiguous as to

1813

01:20:31,130 --> 01:20:28,320

what's going on but I happen to believe

1814

01:20:32,750 --> 01:20:31,140

that if the UFOs which by the way if you

1815

01:20:34,820 --> 01:20:32,760

you all have done your homework you'll

1816

01:20:38,750 --> 01:20:34,830

know I'm telling you the truth the UFOs

1817

01:20:40,399 --> 01:20:38,760

predate 1947 they they go all the way

1818

01:20:43,189 --> 01:20:40,409

back in fact

1819

01:20:44,419 --> 01:20:43,199

my newest book our occulted history

1820

01:20:47,540 --> 01:20:44,429

which I'm going to talk about tomorrow

1821

01:20:50,780 --> 01:20:47,550

by way will show you the linkage between

1822

01:20:53,390 --> 01:20:50,790

the ancient astronauts and today's new

1823

01:20:54,859 --> 01:20:53,400

world order it's the same folks and

1824

01:20:57,649 --> 01:20:54,869

they're still trying to run the planet

1825

01:21:00,439 --> 01:20:57,659

but anyway you know that's that's what's

1826

01:21:02,510 --> 01:21:00,449

going on and it's nothing new

1827

01:21:05,330 --> 01:21:02,520

it's been all throughout history so

1828

01:21:07,220 --> 01:21:05,340

therefore if the plan of the UFOs was to

1829

01:21:10,010 --> 01:21:07,230

invade the earth or to blow up our

1830

01:21:12,020 --> 01:21:10,020

cities and like War of the Worlds it

1831

01:21:14,300 --> 01:21:12,030

common sense to tell you it should have

1832

01:21:17,020 --> 01:21:14,310

happened long before now why do you wait

1833

01:21:18,229 --> 01:21:17,030

until we have nuclear weapons and laser

1834

01:21:19,700 --> 01:21:18,239

technology

1835

01:21:21,680 --> 01:21:19,710

you know when they could have invaded

1836

01:21:25,010 --> 01:21:21,690

this when all we had to defend ourselves

1837

01:21:28,399 --> 01:21:25,020

with was spears come on folks you know

1838

01:21:30,950 --> 01:21:28,409

they're obviously not overtly hostile

1839

01:21:34,850 --> 01:21:30,960

just his Nick Pope said I like what Nick

1840

01:21:38,060 --> 01:21:34,860

Pope said about tourism you know no

1841

01:21:40,459 --> 01:21:38,070

seriously I'm I did graduate work for

1842

01:21:42,620 --> 01:21:40,469

two years out at Lubbock Texas at Texas

1843

01:21:44,120 --> 01:21:42,630

Tech and I had a lot of good friends out

1844

01:21:45,669 --> 01:21:44,130

there and had a good time out there but

1845

01:21:48,950 --> 01:21:45,679

I got to tell you Lubbock

1846

01:21:51,260 --> 01:21:48,960

that's kind of the that's way out in the

1847

01:21:53,839 --> 01:21:51,270

middle of nowhere and in fact and at

1848

01:21:55,939 --> 01:21:53,849

that time it was dry you had to drive

1849

01:21:57,439 --> 01:21:55,949

all the way out of town to pinky's for

1850

01:21:59,830 --> 01:21:57,449

he could get some beer or wine or

1851

01:22:02,540 --> 01:21:59,840

anything so there really wasn't much

1852

01:22:05,330 --> 01:22:02,550

action going on in Lubbock back in the

1853

01:22:06,680 --> 01:22:05,340

day but I remember that on the weekends

1854

01:22:08,870 --> 01:22:06,690

especially if the weather was nice

1855

01:22:12,709 --> 01:22:08,880

they'd always be a collection of cars

1856

01:22:14,870 --> 01:22:12,719

out at prairie dog town because they'd

1857

01:22:17,270 --> 01:22:14,880

all go park out there with their

1858

01:22:20,209 --> 01:22:17,280

sweethearts and you sit on the fender of

1859

01:22:22,160 --> 01:22:20,219

the hood of your car and you watch the

1860

01:22:23,780 --> 01:22:22,170

little prairie dogs scurry around and

1861

01:22:25,700 --> 01:22:23,790

running down the hole and get a little

1862

01:22:27,680 --> 01:22:25,710

fight and then run over and gets up and

1863

01:22:30,439 --> 01:22:27,690

run over there and it's oh look at

1864

01:22:32,870 --> 01:22:30,449

aren't they so cute you know and so I've

1865

01:22:35,000 --> 01:22:32,880

long suspected that some of these folks

1866

01:22:37,580 --> 01:22:35,010

are coming and hanging around and being

1867

01:22:39,140 --> 01:22:37,590

seen and not seen around the earth there

1868

01:22:41,279 --> 01:22:39,150

they're just here to look at the prairie

1869

01:22:46,359 --> 01:22:41,289

dogs

1870

01:22:48,430 --> 01:22:46,369

look at that guy you know so could be

1871

01:22:50,740 --> 01:22:48,440

but I don't think they're overtly

1872

01:22:54,399 --> 01:22:50,750

hostile or weird I heard something from

1873

01:22:55,810 --> 01:22:54,409

that a long time ago but here's what's

1874

01:22:58,390 --> 01:22:55,820

scary

1875

01:23:00,399 --> 01:22:58,400

y'all may remember that President Ronald

1876

01:23:03,189 --> 01:23:00,409

Reagan got up before the United Nations

1877

01:23:05,950 --> 01:23:03,199

and said you know maybe what we need is

1878

01:23:09,490 --> 01:23:05,960

a threat from space to bind the nations

1879

01:23:11,680 --> 01:23:09,500

together you know and I've often

1880

01:23:15,129 --> 01:23:11,690

wondered was he just speculating or did

1881

01:23:17,439 --> 01:23:15,139

he know something but I also know from

1882

01:23:20,770 --> 01:23:17,449

my sources that the plans are in

1883

01:23:23,439 --> 01:23:20,780

government filing cabinets to either

1884

01:23:26,080 --> 01:23:23,449

take advantage of something or to even

1885

01:23:28,479 --> 01:23:26,090

create something we know today that they

1886

01:23:32,259 --> 01:23:28,489

have technology hidden away from the

1887

01:23:34,870 --> 01:23:32,269

public that that's 10 20 30 years ahead

1888

01:23:37,120 --> 01:23:34,880

of what's available to us this is one of

1889

01:23:40,870 --> 01:23:37,130

the things that leads to effective

1890

01:23:42,819 --> 01:23:40,880

false-flag in for events because if they

1891

01:23:44,500 --> 01:23:42,829

use the technology that's not commonly

1892

01:23:46,750 --> 01:23:44,510

known to the public then they put out

1893

01:23:48,879 --> 01:23:46,760

any cockamamie cover story they want and

1894

01:23:51,759 --> 01:23:48,889

there's hardly anybody that can give

1895

01:23:56,470 --> 01:23:51,769

them a serious rebuttal so the idea is

1896

01:24:00,069 --> 01:23:56,480

is that if well in fact Verner von Braun

1897

01:24:02,649 --> 01:24:00,079

told Carol Rosen who I've met and talked

1898

01:24:04,330 --> 01:24:02,659

with was a head of Fairchild industry

1899

01:24:08,589 --> 01:24:04,340

and worked very closely with Vern Braun

1900

01:24:11,140 --> 01:24:08,599

Braun our top lead Nazi rocket scientist

1901

01:24:14,700 --> 01:24:11,150

he said way back in the 70s he said

1902

01:24:17,140 --> 01:24:14,710

today the common enemy is is communism

1903

01:24:19,330 --> 01:24:17,150

world communism he said but when that

1904

01:24:22,299 --> 01:24:19,340

doesn't work anymore he said it'll be

1905

01:24:24,609 --> 01:24:22,309

international terrorism probably

1906

01:24:27,490 --> 01:24:24,619

centered in the Middle East well here we

1907

01:24:30,729 --> 01:24:27,500

are and he said and and it's it's

1908

01:24:33,069 --> 01:24:30,739

beginning to fade a little bit and get

1909

01:24:35,200 --> 01:24:33,079

threadbare he said when that doesn't

1910

01:24:38,919 --> 01:24:35,210

work anymore it's going to be a threat

1911

01:24:40,779 --> 01:24:38,929

from space so what's really kind of

1912

01:24:43,209 --> 01:24:40,789

scary is is that we have technology

1913

01:24:46,299 --> 01:24:43,219

today where they might be able to put

1914

01:24:48,250 --> 01:24:46,309

Holograms in the sky they might be able

1915

01:24:50,060 --> 01:24:48,260

to create all kinds of things they might

1916

01:24:53,600 --> 01:24:50,070

be able to create some

1917

01:24:55,970 --> 01:24:53,610

kind of a anti-gravity craft that would

1918

01:24:58,339 --> 01:24:55,980

seem totally alien to our current

1919

01:25:01,250 --> 01:24:58,349

technology and they might make us

1920

01:25:04,280 --> 01:25:01,260

believe that we are facing a threat from

1921

01:25:07,370 --> 01:25:04,290

space just so they can say get everybody

1922

01:25:10,339 --> 01:25:07,380

fearful and giving up the last vestiges

1923

01:25:13,430 --> 01:25:10,349

of our liberties so I think you guys

1924

01:25:16,700 --> 01:25:13,440

have an interest in UFOs you are the

1925

01:25:18,620 --> 01:25:16,710

vanguard of the watch that needs to be

1926

01:25:21,709 --> 01:25:18,630

watching very carefully to make sure

1927

01:25:24,500 --> 01:25:21,719

that the parol unsuspecting public is

1928

01:25:52,160 --> 01:25:24,510

not suckered into yet another false flag

1929

01:25:54,430 --> 01:25:52,170

operation any questions go ahead in my

1930

01:25:56,629 --> 01:25:54,440

whole career as far as I know I was only

1931

01:25:59,089 --> 01:25:56,639

personally threatened one time and that

1932

01:26:00,890 --> 01:25:59,099

was not by the government now that was

1933

01:26:03,350 --> 01:26:00,900

by a criminal that was a friend of Jack

1934

01:26:04,819 --> 01:26:03,360

Ruby's and he told me all this stuff and

1935

01:26:06,350 --> 01:26:04,829

then he said don't write about that or

1936

01:26:07,490 --> 01:26:06,360

I'll kill you and I said well wait a

1937

01:26:12,410 --> 01:26:07,500

minute you should have told me that

1938

01:26:14,510 --> 01:26:12,420

before you told me but now I have I have

1939

01:26:16,729 --> 01:26:14,520

been approached by sometimes about

1940

01:26:19,220 --> 01:26:16,739

people in positions of authorities who

1941

01:26:21,169 --> 01:26:19,230

very gently try to say maybe maybe y'all

1942

01:26:23,569 --> 01:26:21,179

not right about all that stuff but

1943

01:26:26,089 --> 01:26:23,579

that's to me he's no threat and and

1944

01:26:29,180 --> 01:26:26,099

frankly ma'am I don't feel like that I'm

1945

01:26:31,459 --> 01:26:29,190

a direct threat to them number one I'm

1946

01:26:34,430 --> 01:26:31,469

too visible my books have been out there

1947

01:26:36,319 --> 01:26:34,440

for you know what 20 30 years if

1948

01:26:38,569 --> 01:26:36,329

something untoward happened to me it

1949

01:26:41,359 --> 01:26:38,579

would only give me more credibility and

1950

01:26:42,589 --> 01:26:41,369

also and here's the key point like all

1951

01:26:43,669 --> 01:26:42,599

the stuff I just told you about the

1952

01:26:45,979 --> 01:26:43,679

Kennedy assassination

1953

01:26:48,530 --> 01:26:45,989

that's not conspiracy theory that's all

1954

01:26:50,450 --> 01:26:48,540

fact but this is stuff that I've learned

1955

01:26:53,629 --> 01:26:50,460

from other people from researching

1956

01:26:55,790 --> 01:26:53,639

looking at documents I it's 30 second

1957

01:26:58,010 --> 01:26:55,800

and third-hand information I'm not a

1958

01:26:59,410 --> 01:26:58,020

danger because I cannot go in and be

1959

01:27:01,600 --> 01:26:59,420

called into a court

1960

01:27:03,880 --> 01:27:01,610

and raise my right hand and swear I

1961

01:27:08,320 --> 01:27:03,890

heard something I saw something I am NOT

1962

01:27:10,510 --> 01:27:08,330

a first first person witness so I think

1963

01:27:12,370 --> 01:27:10,520

they there say look look at this group

1964

01:27:14,200 --> 01:27:12,380

here tonight you know you guys are far

1965

01:27:16,540 --> 01:27:14,210

thinking I honor each and every one of

1966

01:27:18,130 --> 01:27:16,550

you for coming out of your homes and to

1967

01:27:20,020 --> 01:27:18,140

coming down here and to try to open your

1968

01:27:22,240 --> 01:27:20,030

mind a little bit and expand your

1969

01:27:25,990 --> 01:27:22,250

knowledge but think about it look we've

1970

01:27:28,270 --> 01:27:26,000

got what about 150 people here out of

1971

01:27:30,280 --> 01:27:28,280

Del Rio and out of the Eagle passing out

1972

01:27:32,980 --> 01:27:30,290

of this whole population down here we're

1973

01:27:37,120 --> 01:27:32,990

just you know they don't care they'll

1974

01:27:38,920 --> 01:27:37,130

let us talk all night if we want to just

1975

01:27:39,670 --> 01:27:38,930

just don't get a million or two folks

1976

01:27:57,190 --> 01:27:39,680

upset

1977

01:27:58,720 --> 01:27:57,200

oh the space platforms over what the

1978

01:28:05,020 --> 01:27:58,730

naval and you're talking about the space

1979

01:28:09,430 --> 01:28:07,870

right and and I don't know if this is

1980

01:28:10,900 --> 01:28:09,440

the same one you're talking about but

1981

01:28:13,300 --> 01:28:10,910

they do have a they're working on a

1982

01:28:15,550 --> 01:28:13,310

suborbital craft and what I find really

1983

01:28:18,840 --> 01:28:15,560

interesting is is that we already know

1984

01:28:21,010 --> 01:28:18,850

that they're calling it the Aurora and

1985

01:28:23,830 --> 01:28:21,020

and I think y'all know why I think

1986

01:28:26,020 --> 01:28:23,840

that's pretty neat because one of the

1987

01:28:32,010 --> 01:28:26,030

areas that I've really investigated is

1988

01:28:36,640 --> 01:28:32,020

the spaceship crash in Aurora Texas in

1989

01:28:38,830 --> 01:28:36,650

1897 okay now you know you know at that

1990

01:28:41,200 --> 01:28:38,840

time this was six years before the

1991

01:28:43,930 --> 01:28:41,210

Wright brothers flew there was nothing

1992

01:28:45,640 --> 01:28:43,940

man-made in the air and in fact and I've

1993

01:28:48,370 --> 01:28:45,650

had people go oh well they had hot air

1994

01:28:51,370 --> 01:28:48,380

balloons well yeah they did but they

1995

01:28:53,040 --> 01:28:51,380

were always tethered they used hot air

1996

01:28:55,990 --> 01:28:53,050

balloons in the War Between the States

1997

01:28:57,790 --> 01:28:56,000

when both sides would raise up these hot

1998

01:28:59,260 --> 01:28:57,800

air balloons and guys with binoculars

1999

01:29:01,780 --> 01:28:59,270

and they'd sit there and spot troop

2000

01:29:04,120 --> 01:29:01,790

movements and give intelligence to what

2001

01:29:05,740 --> 01:29:04,130

the enemy was doing but those they were

2002

01:29:07,330 --> 01:29:05,750

always tethered they were always on the

2003

01:29:10,120 --> 01:29:07,340

line they didn't roam up and they're

2004

01:29:13,500 --> 01:29:10,130

pulling back down the first powered

2005

01:29:17,440 --> 01:29:13,510

balloon flight took place the same year

2006

01:29:18,910 --> 01:29:17,450

1904 that the Wright brothers flew and

2007

01:29:21,370 --> 01:29:18,920

this was and this was several years

2008

01:29:24,280 --> 01:29:21,380

before that and so there was nothing

2009

01:29:26,230 --> 01:29:24,290

man-made here and I I've always thought

2010

01:29:28,920 --> 01:29:26,240

because you know since I started dealing

2011

01:29:33,220 --> 01:29:28,930

with UFOs which goes back into the 1950s

2012

01:29:34,780 --> 01:29:33,230

there's a kid even there's always been

2013

01:29:36,820 --> 01:29:34,790

the argument well they're just secret

2014

01:29:38,650 --> 01:29:36,830

government test craft you know there's

2015

01:29:41,020 --> 01:29:38,660

some ice testing some stuff that we

2016

01:29:43,600 --> 01:29:41,030

haven't seen and that's a legitimate

2017

01:29:46,690 --> 01:29:43,610

argument not I listen quite seriously to

2018

01:29:49,570 --> 01:29:46,700

that of course I also listen to at first

2019

01:29:54,970 --> 01:29:49,580

to the very serious argument that it was

2020

01:29:57,010 --> 01:29:54,980

just a mass hallucination you know and

2021

01:29:59,590 --> 01:29:57,020

but then as I got to be a reporter I

2022

01:30:04,030 --> 01:29:59,600

thought wait a minute you know a a

2023

01:30:08,260 --> 01:30:04,040

heretofore unknown contagious mass

2024

01:30:10,150 --> 01:30:08,270

psychosis god what a story but you don't

2025

01:30:12,040 --> 01:30:10,160

hear that anymore because it's not true

2026

01:30:15,160 --> 01:30:12,050

and the thing that put all that to rest

2027

01:30:17,710 --> 01:30:15,170

about hallucinations or psychosis was

2028

01:30:18,640 --> 01:30:17,720

that was the internet and cell phones

2029

01:30:21,070 --> 01:30:18,650

and

2030

01:30:22,630 --> 01:30:21,080

camcorders because all of a sudden

2031

01:30:25,000 --> 01:30:22,640

anybody and everybody was taking

2032

01:30:29,190 --> 01:30:25,010

pictures of UFOs go up on the Internet

2033

01:30:31,570 --> 01:30:29,200

go googled UFO and and and images and

2034

01:30:33,850 --> 01:30:31,580

it'll keep you occupied for months

2035

01:30:35,800 --> 01:30:33,860

they're just all up there you know so

2036

01:30:37,630 --> 01:30:35,810

you can't you never hear the argument

2037

01:30:42,430 --> 01:30:37,640

anymore that they're just hallucinations

2038

01:30:45,460 --> 01:30:42,440

or some kind of undiagnosed contagious

2039

01:30:47,020 --> 01:30:45,470

mass psychosis all right but that but

2040

01:30:49,930 --> 01:30:47,030

you still hear the argument that their

2041

01:30:51,850 --> 01:30:49,940

government tests craft well okay but

2042

01:30:53,520 --> 01:30:51,860

what about 1897

2043

01:30:56,140 --> 01:30:53,530

there was nothing man-made in the air

2044

01:30:57,850 --> 01:30:56,150

and yet those stories were covered in

2045

01:31:00,580 --> 01:30:57,860

the forward papers in the Dallas time

2046

01:31:03,040 --> 01:31:00,590

Dallas Morning News which is still in

2047

01:31:05,260 --> 01:31:03,050

publication and here's one those who get

2048

01:31:08,080 --> 01:31:05,270

a little too clue as to what's going on

2049

01:31:09,730 --> 01:31:08,090

when I was in the microfilm records of

2050

01:31:11,770 --> 01:31:09,740

the old Fort Worth record the newspaper

2051
01:31:14,410 --> 01:31:11,780
that predated the Star Telegram a

2052
01:31:15,880 --> 01:31:14,420
forerunner of a starter Graham I came

2053
01:31:17,770 --> 01:31:15,890
across an article that was written at

2054
01:31:21,370 --> 01:31:17,780
that same time period in the spring of

2055
01:31:24,700 --> 01:31:21,380
1897 about a railroad track inspector

2056
01:31:26,740 --> 01:31:24,710
from Fort Worth who one day was

2057
01:31:28,540 --> 01:31:26,750
inspecting railroad track up north of

2058
01:31:30,250 --> 01:31:28,550
Fort Worth and it started getting late

2059
01:31:32,920 --> 01:31:30,260
in the day whose bat raid turned back

2060
01:31:34,960 --> 01:31:32,930
and head back to the city when he

2061
01:31:37,720 --> 01:31:34,970
noticed a very bright light of a head

2062
01:31:40,690 --> 01:31:37,730
now keep in mind 1897 yes in a few

2063
01:31:42,370 --> 01:31:40,700

places New York Boston maybe Dallas they

2064

01:31:44,680 --> 01:31:42,380

had a few electric lights but most

2065

01:31:46,990 --> 01:31:44,690

people didn't have electricity in 1897

2066

01:31:48,910 --> 01:31:47,000

and to see a bright light when it was

2067

01:31:51,040 --> 01:31:48,920

starting to get dark obviously probably

2068

01:31:54,220 --> 01:31:51,050

would caught his attention imagination

2069

01:31:56,110 --> 01:31:54,230

so he continues on up the track and he

2070

01:31:58,150 --> 01:31:56,120

said he found a large silver cigar

2071

01:32:00,670 --> 01:31:58,160

shaped object sitting on the tracks and

2072

01:32:03,850 --> 01:32:00,680

he said the crew they were dressed in

2073

01:32:06,220 --> 01:32:03,860

uniforms were working around this craft

2074

01:32:09,630 --> 01:32:06,230

and he said he had a conversation with

2075

01:32:12,010 --> 01:32:09,640

the commander and he never made any

2076

01:32:14,470 --> 01:32:12,020

statements to win it and of course the

2077

01:32:16,900 --> 01:32:14,480

first thing the commander said was don't

2078

01:32:19,660 --> 01:32:16,910

tell anybody you've seen us and of

2079

01:32:21,850 --> 01:32:19,670

course true to human form he ran right

2080

01:32:24,610 --> 01:32:21,860

back to the city and told the newspaper

2081

01:32:28,060 --> 01:32:24,620

what he had seen but he said and but he

2082

01:32:30,100 --> 01:32:28,070

didn't make any comment about the looks

2083

01:32:32,410 --> 01:32:30,110

and he seemed to have understood what

2084

01:32:34,360 --> 01:32:32,420

the commander of the ship was talking to

2085

01:32:37,720 --> 01:32:34,370

so it's kind of interesting that they

2086

01:32:40,450 --> 01:32:37,730

either are like us or can appear to be

2087

01:32:43,480 --> 01:32:40,460

like us but he said the commander told

2088

01:32:46,030 --> 01:32:43,490

him don't tell anybody that about us

2089

01:32:51,340 --> 01:32:46,040

because we're on a secret mission said

2090

01:32:53,590 --> 01:32:51,350

we're on our way to bomb Havana now this

2091

01:32:56,890 --> 01:32:53,600

to me is fascinating because this is the

2092

01:33:00,670 --> 01:32:56,900

spring of 1897 it was not until the

2093

01:33:02,530 --> 01:33:00,680

spring of 1898 a year later that the

2094

01:33:05,170 --> 01:33:02,540

battleship Maine blew up in Havana

2095

01:33:07,960 --> 01:33:05,180

Harbor and that launched us into the

2096

01:33:09,940 --> 01:33:07,970

spanish-american war where Teddy

2097

01:33:14,110 --> 01:33:09,950

Roosevelt fought the Battle of San Juan

2098

01:33:16,210 --> 01:33:14,120

Hill and in on Cuba and that Admiral

2099

01:33:18,490 --> 01:33:16,220

Dewey I think you know says damn the

2100

01:33:22,000 --> 01:33:18,500

torpedoes and they steamed in and took

2101
01:33:22,780 --> 01:33:22,010
the Philippines and had a big war but

2102
01:33:25,300 --> 01:33:22,790
wait a minute

2103
01:33:28,660 --> 01:33:25,310
that supposedly just only happened with

2104
01:33:31,120 --> 01:33:28,670
the explosion of the battleship Maine a

2105
01:33:34,360 --> 01:33:31,130
year later how did this guy know we're

2106
01:33:36,760 --> 01:33:34,370
gonna be fighting in in Havana which

2107
01:33:40,360 --> 01:33:36,770
tells me that they have some kind of

2108
01:33:42,400 --> 01:33:40,370
time travel capability and I'm pretty

2109
01:33:44,860 --> 01:33:42,410
certain of that because one of the most

2110
01:33:47,530 --> 01:33:44,870
interesting I've interviewed dozen dozen

2111
01:33:49,990 --> 01:33:47,540
people who claimed to have experiences

2112
01:33:53,230 --> 01:33:50,000
and being taken up in ships etcetera etc

2113
01:33:55,330 --> 01:33:53,240

in fact one dear lady was trying to tell

2114

01:33:57,430 --> 01:33:55,340

me that you know she was in bed and she

2115

01:33:59,800 --> 01:33:57,440

couldn't move and I guess I was kind of

2116

01:34:01,840 --> 01:33:59,810

looking looked off or something and she

2117

01:34:03,670 --> 01:34:01,850

said young pins and aren't you

2118

01:34:05,620 --> 01:34:03,680

interested in what happened to me and I

2119

01:34:07,210 --> 01:34:05,630

said well yes I am ma'am I said but your

2120

01:34:11,230 --> 01:34:07,220

story sounds exactly like the last

2121

01:34:14,140 --> 01:34:11,240

hundred heard you know yeah this is this

2122

01:34:16,600 --> 01:34:14,150

is happening okay and I really care

2123

01:34:18,820 --> 01:34:16,610

about your individual case but you're

2124

01:34:20,860 --> 01:34:18,830

not the only one but one of the most

2125

01:34:23,380 --> 01:34:20,870

fascinating ones was a fellow that I

2126
01:34:26,530 --> 01:34:23,390
talked to up in the Northeast some years

2127
01:34:28,300 --> 01:34:26,540
back and he told me the story of he said

2128
01:34:31,000 --> 01:34:28,310
he had been taken ever since he was a

2129
01:34:33,820 --> 01:34:31,010
young boy and said initially it just

2130
01:34:36,730 --> 01:34:33,830
scared him to death but you know as is

2131
01:34:38,979 --> 01:34:36,740
the human condition you know anything

2132
01:34:41,200 --> 01:34:38,989
doesn't kill you you tend to get used

2133
01:34:43,390 --> 01:34:41,210
it he said after a while he'd get these

2134
01:34:45,580 --> 01:34:43,400
feelings and you go oh brother here it

2135
01:34:47,950 --> 01:34:45,590
comes again and sure enough they'd take

2136
01:34:49,899 --> 01:34:47,960
him and off he'd go so he said one night

2137
01:34:52,750 --> 01:34:49,909
he was in his apartment he was watching

2138
01:34:54,669 --> 01:34:52,760

television and he got thirsty so he got

2139

01:34:57,120 --> 01:34:54,679

up he went around into his kitchenette

2140

01:34:59,890 --> 01:34:57,130

area open the refrigerator pulled out a

2141

01:35:02,080 --> 01:34:59,900

can of I don't know beer soft drink but

2142

01:35:05,950 --> 01:35:02,090

it was a can with a tab top and you know

2143

01:35:07,839 --> 01:35:05,960

that very distinctive you know he opens

2144

01:35:10,600 --> 01:35:07,849

the can goes back around ladies on the

2145

01:35:12,520 --> 01:35:10,610

divan sipping his drink watching the TV

2146

01:35:15,189 --> 01:35:12,530

and he started getting that feeling like

2147

01:35:16,989 --> 01:35:15,199

oh oh it's gonna happen again sure

2148

01:35:19,209 --> 01:35:16,999

enough next thing he knows he's on the

2149

01:35:20,620 --> 01:35:19,219

ship and they're talking to him and

2150

01:35:22,870 --> 01:35:20,630

they're poking him and prodding even

2151
01:35:25,390 --> 01:35:22,880
they're doing their thing and said the

2152
01:35:27,759 --> 01:35:25,400
next thing he knew he was back in his

2153
01:35:30,819 --> 01:35:27,769
apartment laying on the divan watching

2154
01:35:32,739 --> 01:35:30,829
TV and he said just as he was beginning

2155
01:35:34,089 --> 01:35:32,749
to get his wits about him he hears

2156
01:35:37,660 --> 01:35:34,099
somebody in the kitchen open the

2157
01:35:40,270 --> 01:35:37,670
refrigerator door and he hears that of

2158
01:35:43,979 --> 01:35:40,280
the soft drink and and he looks up and

2159
01:35:47,620 --> 01:35:43,989
he said in just the time it took him to

2160
01:35:50,680 --> 01:35:47,630
see and recognize what he was seeing he

2161
01:35:53,470 --> 01:35:50,690
saw himself coming around the corner

2162
01:35:55,689 --> 01:35:53,480
into the living room and then he just in

2163
01:35:58,870 --> 01:35:55,699

just an instant just long enough for him

2164

01:36:01,089 --> 01:35:58,880

to to recognize what he was seeing it

2165

01:36:03,970 --> 01:36:01,099

faded away and went away and he was back

2166

01:36:06,250 --> 01:36:03,980

on the divan now I don't know about you

2167

01:36:07,959 --> 01:36:06,260

guys but that tells me that they had and

2168

01:36:10,629 --> 01:36:07,969

we all know about lost time

2169

01:36:12,609 --> 01:36:10,639

they have the ability to take you keep

2170

01:36:14,919 --> 01:36:12,619

you for days on in and then bringing you

2171

01:36:17,319 --> 01:36:14,929

back essentially at the same time they

2172

01:36:19,979 --> 01:36:17,329

took you except in this instance they

2173

01:36:23,410 --> 01:36:19,989

were just off by a few seconds you know

2174

01:36:24,729 --> 01:36:23,420

so that's really fascinating and the

2175

01:36:27,609 --> 01:36:24,739

other thing I want to leave you on kind

2176

01:36:28,959 --> 01:36:27,619

of a positive note is that there have

2177

01:36:31,149 --> 01:36:28,969

there are some people who claim that

2178

01:36:33,669 --> 01:36:31,159

that they're taking people and killing

2179

01:36:36,580 --> 01:36:33,679

them you know and there is some

2180

01:36:39,520 --> 01:36:36,590

interesting allegations coming out of

2181

01:36:42,370 --> 01:36:39,530

foreign countries but in all my years of

2182

01:36:45,040 --> 01:36:42,380

study in the UFO situation I don't

2183

01:36:48,250 --> 01:36:45,050

really know of any well-documented case

2184

01:36:48,629 --> 01:36:48,260

of a human who got taken and never came

2185

01:36:59,230 --> 01:36:48,639

back

2186

01:37:02,050 --> 01:36:59,240

we're running out of 10 degrees Mako

2187

01:37:05,470 --> 01:37:02,060

then I think that we are being very very

2188

01:37:07,870 --> 01:37:05,480

close to disclosure I think it can

2189

01:37:10,900 --> 01:37:07,880

happen this year next year or surgery

2190

01:37:12,610 --> 01:37:10,910

the next few years and media Addison

2191

01:37:14,920 --> 01:37:12,620

you're in continuing the decision

2192

01:37:22,900 --> 01:37:14,930

because the government is our makers and

2193

01:37:24,460 --> 01:37:22,910

only relatives I thought you and some of

2194

01:37:26,680 --> 01:37:24,470

this is actually a pretty exciting time
