UFO Festival

2015

1
00:00:12,420 --> 00:00:09,150
don't do that y'all do no never point a

2
00:00:15,240 --> 00:00:12,430
laser to anybody because you can blind

3
00:00:16,920 --> 00:00:15,250
somebody like that okay I gotta get

4
00:00:19,170 --> 00:00:16,930
rolling here because I got

5
00:00:20,939 --> 00:00:19,180
it's wild I don't have as much time as I

6
00:00:22,980 --> 00:00:20,949
need today and I got a long way to go

7
00:00:26,550 --> 00:00:22,990
and a short time to get there but first

8
00:00:28,620 --> 00:00:26,560
I want to thank you all like once again

9
00:00:30,450 --> 00:00:28,630
for coming out of your warm homes and

10
00:00:35,069 --> 00:00:30,460
coming here to try to expand your

11
00:00:37,470 --> 00:00:35,079
knowledge in your mind and also I'm glad

12
00:00:40,220 --> 00:00:37,480
Nick pokes said admitted that he's out

13
00:00:42,690 --> 00:00:40,230

of books because I'm out of books too

14

00:00:46,890 --> 00:00:42,700

with this presentation I shouldn't have

15

00:00:48,300 --> 00:00:46,900

a whole pile of our cultured history and

16

00:00:51,360 --> 00:00:48,310

let me point out when I use the term

17

00:00:55,530 --> 00:00:51,370

occulted use it in the astronomical

18

00:00:58,319 --> 00:00:55,540

sense when the moon eclipses the Sun has

19

00:01:01,229 --> 00:00:58,329

called an occultation the moon occults

20

00:01:04,590 --> 00:01:01,239

the Sun and simply means hidden in fact

21

00:01:07,469 --> 00:01:04,600

the word cult comes from the Latin

22

00:01:09,690 --> 00:01:07,479

meaning hidden so what we're talking

23

00:01:12,000 --> 00:01:09,700

about here is we're not talking about

24

00:01:17,399 --> 00:01:12,010

devil worshiper zombies or which is

25

00:01:19,440 --> 00:01:17,409

we're talking about hidden history and

26

00:01:22,410 --> 00:01:19,450

I'm sorry that I don't have any of those

27

00:01:26,210 --> 00:01:22,420

books for sale in fact I've sold out of

28

00:01:29,219 --> 00:01:26,220

everything but I do have a handful of

29

00:01:32,490 --> 00:01:29,229

DVDs left that are on this very program

30

00:01:35,760 --> 00:01:32,500

so if you like what you're seeing here I

31

00:01:39,120 --> 00:01:35,770

want to keep a permanent copy see my

32

00:01:42,810 --> 00:01:39,130

little blonde haired wife and relieve

33

00:01:45,840 --> 00:01:42,820

her of the last of those copies okay we

34

00:01:52,429 --> 00:01:45,850

all know the the premise that ancient

35

00:01:55,499 --> 00:01:52,439

astronauts who were all in the world the

36

00:01:58,910 --> 00:01:55,509

hang on a minute I'm not sure this is

37

00:02:06,230 --> 00:02:03,820

yeah okay we'll take it from here the

38

00:02:08,809 --> 00:02:06,240

the ancient astronaut thing of course

39

00:02:11,480 --> 00:02:08,819

was started by von Daniken we're back in

40

00:02:14,510 --> 00:02:11,490

the 70s and the whole premise is is at

41

00:02:16,390 --> 00:02:14,520

some time in our distant past that the

42

00:02:19,240 --> 00:02:16,400

earth has been visited by

43

00:02:23,570 --> 00:02:19,250

extraterrestrials or at least non-human

44

00:02:28,130 --> 00:02:23,580

entities and the over the evidence for

45

00:02:32,479 --> 00:02:28,140

this is pretty overwhelming if they got

46

00:02:35,180 --> 00:02:32,489

here the question becomes are they still

47

00:02:37,070 --> 00:02:35,190

here or did they all leave it sometime a

48

00:02:40,040 --> 00:02:37,080

lot of you are probably familiar with

49

00:02:42,979 --> 00:02:40,050

the work of zecharia sitchin I attended

50

00:02:45,050 --> 00:02:42,989

a conference one time with Sitchin and I

51
00:02:48,160 --> 00:02:45,060
thought I had a legitimate question

52
00:02:51,680 --> 00:02:48,170
asked him which was mr. Sitchin you know

53
00:02:54,770 --> 00:02:51,690
did they all leave at one point or are

54
00:02:58,009 --> 00:02:54,780
some of them still here and if you know

55
00:03:00,560 --> 00:02:58,019
and he would not answer me in fact he

56
00:03:01,670 --> 00:03:00,570
ran from me he'd see me coming in the

57
00:03:03,620 --> 00:03:01,680
hall he turn around and run the other

58
00:03:05,420 --> 00:03:03,630
way I ended up sitting in a breakfast

59
00:03:09,380 --> 00:03:05,430
with him and he got up and left and

60
00:03:11,180 --> 00:03:09,390
finally I cornered he met his talk by

61
00:03:14,120 --> 00:03:11,190
standing in line and I asked him the

62
00:03:17,120 --> 00:03:14,130
question you know did they leave and if

63
00:03:20,330 --> 00:03:17,130

so at what time did they leave and he

64

00:03:22,789 --> 00:03:20,340

talked and went on for about fifteen

65

00:03:24,170 --> 00:03:22,799

minutes and afterwards everybody came up

66

00:03:26,810 --> 00:03:24,180

to me and said he never answered your

67

00:03:29,060 --> 00:03:26,820

question did he and no he didn't and the

68

00:03:32,120 --> 00:03:29,070

reason for that is as I now understand

69

00:03:35,300 --> 00:03:32,130

is that if he had answered truthfully he

70

00:03:36,860 --> 00:03:35,310

would have said well they never left or

71

00:03:39,380 --> 00:03:36,870

at least a portion of them are still

72

00:03:41,630 --> 00:03:39,390

here but of course he could didn't dare

73

00:03:43,699 --> 00:03:41,640

say that out in a public meeting because

74

00:03:45,949 --> 00:03:43,709

the next question would be well then who

75

00:03:48,530 --> 00:03:45,959

are they where are they what do they

76

00:03:51,979 --> 00:03:48,540

want and so I'm gonna see if I can

77

00:03:53,600 --> 00:03:51,989

answer that question for you today when

78

00:03:55,310 --> 00:03:53,610

they landed on the earth and according

79

00:03:58,340 --> 00:03:55,320

to the Sumerian tablets which you've

80

00:04:00,220 --> 00:03:58,350

already discussed they colonized the

81

00:04:02,960 --> 00:04:00,230

Middle East between the Tigris Euphrates

82

00:04:04,370 --> 00:04:02,970

rivers which they was called at that

83

00:04:07,009 --> 00:04:04,380

point by them

84

00:04:09,380 --> 00:04:07,019

Eden in that interesting because and

85

00:04:10,820 --> 00:04:09,390

Bible everything started in the Garden

86

00:04:15,290 --> 00:04:10,830

of Eden

87

00:04:19,520 --> 00:04:15,300

and then they grew and they prospered

88

00:04:22,160 --> 00:04:19,530

and they brought kingship to the humans

89

00:04:24,620 --> 00:04:22,170

they appointed certain humans to be

90

00:04:28,250 --> 00:04:24,630

their representatives and this gave rise

91

00:04:31,070 --> 00:04:28,260

to Kings and and lords and and most

92

00:04:33,980 --> 00:04:31,080

importantly priests because they found

93

00:04:36,650 --> 00:04:33,990

the two shirts methods of controlling

94

00:04:40,850 --> 00:04:36,660

the human population was first through

95

00:04:42,770 --> 00:04:40,860

religion God ordained me to be his

96

00:04:45,920 --> 00:04:42,780

representative and he wants you to live

97

00:04:48,290 --> 00:04:45,930

like this you know and you better do it

98

00:04:51,520 --> 00:04:48,300

or God will punish you so that was quite

99

00:04:55,210 --> 00:04:51,530

and that's actually stuck for centuries

100

00:04:58,070 --> 00:04:55,220

at the time of the Middle Ages the

101

00:05:01,190 --> 00:04:58,080

Catholic Church or in the universal

102

00:05:04,100 --> 00:05:01,200

Church which Catholic means was the

103

00:05:06,350 --> 00:05:04,110

universal Church they were in and they

104

00:05:08,630 --> 00:05:06,360

ran not only the lives of the commoners

105

00:05:10,970 --> 00:05:08,640

and of everybody they knew everything

106

00:05:14,030 --> 00:05:10,980

everybody would go and confess to the

107

00:05:16,760 --> 00:05:14,040

village priest so they the church knew

108

00:05:19,010 --> 00:05:16,770

everything that was going on plus they

109

00:05:20,360 --> 00:05:19,020

were the moneylenders they had all the

110

00:05:22,310 --> 00:05:20,370

money in the power and they were the

111

00:05:24,590 --> 00:05:22,320

ones who put kings and queens into

112

00:05:26,990 --> 00:05:24,600

position and would loan them money that

113

00:05:30,170 --> 00:05:27,000

would condone their wars and had that's

114

00:05:32,210 --> 00:05:30,180

been a control mechanism ever since this

115

00:05:34,850 --> 00:05:32,220

began to fall apart though back with the

116

00:05:39,710 --> 00:05:34,860

invention of the printing press and the

117

00:05:43,040 --> 00:05:39,720

printing of the first Bible by the

118

00:05:45,230 --> 00:05:43,050

Gutenberg Johann Gutenberg in fact I

119

00:05:47,480 --> 00:05:45,240

have a page it at my home that was

120

00:05:49,400 --> 00:05:47,490

printed on the original Gutenberg press

121

00:05:53,240 --> 00:05:49,410

which is in the basement of the

122

00:05:55,670 --> 00:05:53,250

Gutenberg Museum in Mainz Germany at the

123

00:05:58,460 --> 00:05:55,680

point the Bible began to be able to

124

00:06:00,320 --> 00:05:58,470

reach to everyone you may not know this

125

00:06:02,270 --> 00:06:00,330

but for about a hundred years after the

126

00:06:07,510 --> 00:06:02,280

invention of the invention of the

127

00:06:11,000 --> 00:06:07,520

printing press the most banned and

128

00:06:12,860 --> 00:06:11,010

illegal book was the Bible you weren't

129

00:06:14,810 --> 00:06:12,870

supposed to print the Bible but of

130

00:06:16,820 --> 00:06:14,820

course obviously people did and pretty

131

00:06:19,430 --> 00:06:16,830

soon bootleg copies were going around

132

00:06:21,409 --> 00:06:19,440

and pretty soon everybody could read the

133

00:06:24,399 --> 00:06:21,419

Bible and that's when things started

134

00:06:26,109 --> 00:06:24,409

breaking up for the universal Church and

135

00:06:28,299 --> 00:06:26,119

then we sailed the prouds Protestant

136

00:06:30,699 --> 00:06:28,309

Reformation and then we saw you know the

137

00:06:32,519 --> 00:06:30,709

Protestants break into the Church of

138

00:06:35,169 --> 00:06:32,529

Christ and the Baptist and the

139

00:06:37,570 --> 00:06:35,179

Methodists and on and on and on until

140

00:06:40,899 --> 00:06:37,580

today you've got it's all Christianity

141

00:06:43,449 --> 00:06:40,909

is all splintered up okay so the

142

00:06:45,969 --> 00:06:43,459

religion controlled started slipping and

143

00:06:49,089 --> 00:06:45,979

so then they shifted to financial

144

00:06:50,889 --> 00:06:49,099

control here you can see a broad

145

00:06:55,299 --> 00:06:50,899

representation of all the various

146

00:06:57,399 --> 00:06:55,309

aspects of the religion but then they

147

00:06:59,259 --> 00:06:57,409

went to money whoever you know today

148

00:07:02,409 --> 00:06:59,269

it's been said that we in this country

149

00:07:06,369 --> 00:07:02,419

operate under the Golden Rule whoever

150

00:07:09,850 --> 00:07:06,379

has the gold makes the rules and if

151
00:07:13,209 --> 00:07:09,860
you'll think about it Jesus the Prince

152
00:07:15,369 --> 00:07:13,219
of Peace okay what was the one time that

153
00:07:19,119 --> 00:07:15,379
he really got violent is when he chased

154
00:07:22,299 --> 00:07:19,129
the money changers out okay the

155
00:07:24,759 --> 00:07:22,309
financial people and where were they

156
00:07:28,419 --> 00:07:24,769
were they in the banks no they were in

157
00:07:32,169 --> 00:07:28,429
the temple so religion and money have

158
00:07:34,629 --> 00:07:32,179
been together all the way back usury is

159
00:07:36,189 --> 00:07:34,639
a term that's pretty much lost its

160
00:07:36,999 --> 00:07:36,199
meaning most people don't even know what

161
00:07:40,089 --> 00:07:37,009
that means

162
00:07:43,749 --> 00:07:40,099
originally you sir he meant charging

163
00:07:46,329 --> 00:07:43,759

interest all alone any interest all

164

00:07:48,759 --> 00:07:46,339

right and then according to the Texas

165

00:07:51,819 --> 00:07:48,769

Constitution it finally usually meant

166

00:07:53,619 --> 00:07:51,829

charging exorbitant interest and I know

167

00:07:56,769 --> 00:07:53,629

when I was young man starting in the

168

00:07:59,859 --> 00:07:56,779

journalism field it was 6% if you

169

00:08:01,839 --> 00:07:59,869

charged over 6% interest that was used

170

00:08:04,869 --> 00:08:01,849

and that was a criminal act under the

171

00:08:07,269 --> 00:08:04,879

Texas Constitution but any of you that

172

00:08:09,549 --> 00:08:07,279

are old enough to remember that you know

173

00:08:12,309 --> 00:08:09,559

slipped and pretty soon it was 8% pretty

174

00:08:13,540 --> 00:08:12,319

soon as 10% and then 12% and now if you

175

00:08:16,629 --> 00:08:13,550

look at your credit cards you're

176

00:08:18,759 --> 00:08:16,639

probably paying 22% you know because

177

00:08:21,129 --> 00:08:18,769

they went back in and they just deleted

178

00:08:22,959 --> 00:08:21,139

that from the Texas Constitution now

179

00:08:25,299 --> 00:08:22,969

there's no laws against any form of

180

00:08:29,379 --> 00:08:25,309

interest and user he has pretty much

181

00:08:31,059 --> 00:08:29,389

lost its meaning so the question now is

182

00:08:33,339 --> 00:08:31,069

since they were controlling us through

183

00:08:35,799 --> 00:08:33,349

religion and money but but are they

184

00:08:37,699 --> 00:08:35,809

still here are they still with us well

185

00:08:39,290 --> 00:08:37,709

check this out

186

00:08:42,649 --> 00:08:39,300

for those of you that are familiar with

187

00:08:45,910 --> 00:08:42,659

the Sumerian literature we have we know

188

00:08:50,079 --> 00:08:45,920

about Enlil and Enki and nourish Suge

189

00:08:54,590 --> 00:08:50,089

Marduk Nergal okay that was the Sumerian

190

00:08:56,809 --> 00:08:54,600

pantheon of the Anunnaki which they just

191

00:08:58,340 --> 00:08:56,819

simply referred to as the Anunnaki which

192

00:09:01,579 --> 00:08:58,350

translates those who came from the

193

00:09:04,429 --> 00:09:01,589

heavens landed on the earth but in the

194

00:09:07,400 --> 00:09:04,439

mid-1800s when those tablets begin to be

195

00:09:10,720 --> 00:09:07,410

translated they had no idea of genetics

196

00:09:14,210 --> 00:09:10,730

or of atoms or of space travel or even

197

00:09:16,280 --> 00:09:14,220

airplane travel so they just said oh

198

00:09:17,840 --> 00:09:16,290

well this is their mythology and then

199

00:09:23,059 --> 00:09:17,850

they followed that all the way through

200

00:09:26,030 --> 00:09:23,069

but notice the similarities the heavenly

201
00:09:28,579 --> 00:09:26,040
father of the Sumerians was on knew the

202
00:09:30,679 --> 00:09:28,589
Egyptians at saman raw in the Greek it

203
00:09:33,679 --> 00:09:30,689
was Chronos in the Roman Rite in the

204
00:09:35,540 --> 00:09:33,689
Romans it was Saturn and then you can

205
00:09:38,269 --> 00:09:35,550
see the same thing falling through there

206
00:09:41,090 --> 00:09:38,279
the are the the Lord that was you know

207
00:09:44,269 --> 00:09:41,100
in control of the earth was Enlil to the

208
00:09:47,600 --> 00:09:44,279
Sumerians set to the Egyptians Zeus to

209
00:09:49,669 --> 00:09:47,610
the Greeks Jupiter to the Romans the

210
00:09:52,460 --> 00:09:49,679
characterization was the same they're

211
00:09:54,319 --> 00:09:52,470
talking about the same bunch it's just

212
00:09:56,419 --> 00:09:54,329
the names changed because of the

213
00:09:59,090 --> 00:09:56,429

language differences the languages that

214

00:10:01,939 --> 00:09:59,100
changed but the the individual

215

00:10:04,879 --> 00:10:01,949
characteristics did not so were they

216

00:10:08,379 --> 00:10:04,889
talking about some creatures or some

217

00:10:10,970 --> 00:10:08,389
people that actually existed and

218

00:10:13,009 --> 00:10:10,980
interesting enough there is y'all know

219

00:10:14,269 --> 00:10:13,019
the original Greek sky gods were called

220

00:10:16,460 --> 00:10:14,279
the Titans

221

00:10:19,160 --> 00:10:16,470
all right in the ancient cuneiform

222

00:10:23,150 --> 00:10:19,170
Sumerian tablets those who live in the

223

00:10:25,910 --> 00:10:23,160
heavens is Titan again showing the

224

00:10:28,869 --> 00:10:25,920
connection I was amazed when I started

225

00:10:31,669 --> 00:10:28,879
working on rule by secrecy and the

226

00:10:33,590 --> 00:10:31,679

agriculture history because I'd been

227

00:10:35,239 --> 00:10:33,600

taught about the Egyptians and I knew a

228

00:10:37,609 --> 00:10:35,249

little bit about Sumerians and then I

229

00:10:39,679 --> 00:10:37,619

also knew about the civilizations of the

230

00:10:42,949 --> 00:10:39,689

Babylonians and the Assyrians the

231

00:10:45,850 --> 00:10:42,959

Phoenicians and I always thought these

232

00:10:51,230 --> 00:10:45,860

are all separate civilizations but folks

233

00:10:51,519 --> 00:10:51,240

this was one de-evolution of one civil

234

00:10:54,550 --> 00:10:51,529

as

235

00:10:56,139 --> 00:10:54,560

it started with the sumerians and then

236

00:10:59,170 --> 00:10:56,149

as that broke apart

237

00:11:01,269 --> 00:10:59,180

it became the babylonians and then they

238

00:11:03,850 --> 00:11:01,279

split off and it was the Syrians and

239

00:11:06,489 --> 00:11:03,860

then finally it the the civilization

240

00:11:08,889 --> 00:11:06,499

rose again in ancient Egypt as the

241

00:11:10,420 --> 00:11:08,899

Egyptian civilization which a lot of

242

00:11:13,150 --> 00:11:10,430

people still think was the Earth's

243

00:11:17,040 --> 00:11:13,160

original civilization but it wasn't and

244

00:11:20,439 --> 00:11:17,050

so we see is just one slow degrading

245

00:11:24,670 --> 00:11:20,449

movement from the great civilization all

246

00:11:29,069 --> 00:11:24,680

the way down the we know that the

247

00:11:32,980 --> 00:11:29,079

Hebrews when they were able to flee the

248

00:11:36,249 --> 00:11:32,990

bondage in Egypt they they took a lot of

249

00:11:38,860 --> 00:11:36,259

wealth with them and they then they

250

00:11:40,780 --> 00:11:38,870

fought wars for forty years through the

251
00:11:45,939 --> 00:11:40,790
wilderness conquering one city-state

252
00:11:50,879 --> 00:11:45,949
after another until finally the Solomon

253
00:11:54,040 --> 00:11:50,889
built his famous temple and the temple

254
00:11:56,590 --> 00:11:54,050
well I don't have that slide but the

255
00:11:58,780 --> 00:11:56,600
temple was a huge barn like building but

256
00:12:01,960 --> 00:11:58,790
the worship place was just a little

257
00:12:04,150 --> 00:12:01,970
small room to the back of it what was

258
00:12:06,790 --> 00:12:04,160
the the rest of this big building for it

259
00:12:10,030 --> 00:12:06,800
was the treasure that they had gathered

260
00:12:17,910 --> 00:12:10,040
both in gold silver precious stones but

261
00:12:21,759 --> 00:12:17,920
also in steels and and cylinders and

262
00:12:25,299 --> 00:12:21,769
tablets knowledge knowledge handed down

263
00:12:27,189 --> 00:12:25,309

from the Anunnaki in fact the

264

00:12:30,670 --> 00:12:27,199

researchers have found that Solomon's

265

00:12:34,449 --> 00:12:30,680

Temple is an exact copy of a Sumerian

266

00:12:36,429 --> 00:12:34,459

temple dedicated to the Godman erta so

267

00:12:38,799 --> 00:12:36,439

you can see the connections here between

268

00:12:41,259 --> 00:12:38,809

the ancient sumerians all the way

269

00:12:44,949 --> 00:12:41,269

through the Egyptians to the Hebrews and

270

00:12:48,129 --> 00:12:44,959

on down in fact the knowledge of ancient

271

00:12:51,160 --> 00:12:48,139

Sumeria and what led to the creation of

272

00:12:55,509 --> 00:12:51,170

the great civilization of Egypt came

273

00:12:59,889 --> 00:12:55,519

from the father Abraham who is not only

274

00:13:03,160 --> 00:12:59,899

considered the father of the Hebrews but

275

00:13:05,410 --> 00:13:03,170

also of the Palestinians also of the

276

00:13:07,090 --> 00:13:05,420

Arabs that's why it's so tragic

277

00:13:09,160 --> 00:13:07,100

about all the bloodshed that's going on

278

00:13:11,800 --> 00:13:09,170

the Middle East because it's not them

279

00:13:14,320 --> 00:13:11,810

versus us these are brothers these are

280

00:13:16,600 --> 00:13:14,330

cousins fighting with each other you

281

00:13:18,220 --> 00:13:16,610

might want to remember that because if

282

00:13:20,950 --> 00:13:18,230

somebody accuses you of being an

283

00:13:25,210 --> 00:13:20,960

anti-semite you tell them no I like

284

00:13:29,830 --> 00:13:25,220

Arabs that'll throw them because they

285

00:13:32,080 --> 00:13:29,840

have used this anti-semitic slur against

286

00:13:35,080 --> 00:13:32,090

anyone who would criticize the policies

287

00:13:38,590 --> 00:13:35,090

of Israel and yet Semites are the

288

00:13:41,350 --> 00:13:38,600

original inhabitants of the Levant

289

00:13:44,410 --> 00:13:41,360

and Palestine and the Palestinians are

290

00:13:45,880 --> 00:13:44,420

the Semites but and where did all that

291

00:13:48,460 --> 00:13:45,890

knowledge come from and all came from

292

00:13:50,320 --> 00:13:48,470

Abraham where did Abraham come from it

293

00:13:53,740 --> 00:13:50,330

says so right in the Bible he came from

294

00:13:59,580 --> 00:13:53,750

or of Chaldea well Chaldea was simply an

295

00:14:02,470 --> 00:13:59,590

old term for Mesopotamia right here

296

00:14:05,080 --> 00:14:02,480

between the Tigris and Euphrates rivers

297

00:14:06,880 --> 00:14:05,090

and what is now the one place on the

298

00:14:11,980 --> 00:14:06,890

world that you and I can't just freely

299

00:14:16,330 --> 00:14:11,990

go travel to Iraq and so and also that

300

00:14:20,800 --> 00:14:16,340

means that Abraham was not a Jew he was

301
00:14:23,020 --> 00:14:20,810
a Sumerian and a well-connected Sumerian

302
00:14:27,940 --> 00:14:23,030
at that because some of the cities of

303
00:14:30,550 --> 00:14:27,950
ancient Sumer Herick and the poor in

304
00:14:34,420 --> 00:14:30,560
these various cities they were all named

305
00:14:38,190 --> 00:14:34,430
after members of Abraham's family so he

306
00:14:41,050 --> 00:14:38,200
was a very prominent Mesopotamian or

307
00:14:44,230 --> 00:14:41,060
Sumerian and he brought the knowledge of

308
00:14:57,670 --> 00:14:44,240
the ancient Anunnaki and then built this

309
00:15:02,260 --> 00:14:57,680
all this in crackers deals we see them

310
00:15:04,600 --> 00:15:02,270
over here came back and this was today

311
00:15:08,440 --> 00:15:04,610
we know it as ORM II orbitally

312
00:15:10,030 --> 00:15:08,450
rearranged monatomic elements and what

313
00:15:13,330 --> 00:15:10,040

they have found this is incredible

314

00:15:16,720 --> 00:15:13,340

because they have found that that this

315

00:15:19,180 --> 00:15:16,730

is a small single atom elements found

316

00:15:22,180 --> 00:15:19,190

within heavy metals such as gold so

317

00:15:25,330 --> 00:15:22,190

over copper cobalt nickel etc etc and

318

00:15:29,880 --> 00:15:25,340

which is even Wilder that or may his

319

00:15:35,500 --> 00:15:32,410

they have found that they can create

320

00:15:39,370 --> 00:15:35,510

this monatomic gold through a smelting

321

00:15:41,680 --> 00:15:39,380

process by taking gold and reducing it

322

00:15:44,280 --> 00:15:41,690

through this smelting process to a white

323

00:15:46,570 --> 00:15:44,290

powder and yet the powder has

324

00:15:50,320 --> 00:15:46,580

anti-gravity properties because when

325

00:15:54,370 --> 00:15:50,330

they put it in a scale the scale weighs

326

00:15:56,620 --> 00:15:54,380

44 percent less than it did before you

327

00:15:58,360 --> 00:15:56,630

put the powder in it and they've been

328

00:16:00,580 --> 00:15:58,370

able to take the white powder of gold

329

00:16:03,280 --> 00:16:00,590

and been able through again through a

330

00:16:06,090 --> 00:16:03,290

reverse process of changing it back into

331

00:16:09,610 --> 00:16:06,100

elements of gold or silver or platinum

332

00:16:13,270 --> 00:16:09,620

so now we're beginning to find out about

333

00:16:15,160 --> 00:16:13,280

the basic building blocks of life in the

334

00:16:17,110 --> 00:16:15,170

Bible when the children of Israel are

335

00:16:18,490 --> 00:16:17,120

traveling through the wilderness they

336

00:16:20,260 --> 00:16:18,500

get up in the morning and there be this

337

00:16:22,570 --> 00:16:20,270

white powder lying on the ground and

338

00:16:24,100 --> 00:16:22,580

they take it and they'd mold it and mix

339

00:16:25,780 --> 00:16:24,110

it with water make it into little

340

00:16:28,030 --> 00:16:25,790

biscuits and they'd eat it that's how

341

00:16:30,010 --> 00:16:28,040

they sustain themselves for all this

342

00:16:33,520 --> 00:16:30,020

time in the wilderness and they would

343

00:16:35,440 --> 00:16:33,530

ask what is it and what is it in ancient

344

00:16:38,260 --> 00:16:35,450

Hebrew is manna

345

00:16:41,110 --> 00:16:38,270

this was the mana of heaven and that's

346

00:16:43,260 --> 00:16:41,120

interesting because in the seven steps

347

00:16:46,690 --> 00:16:43,270

to the afterlife in the Egyptian

348

00:16:50,530 --> 00:16:46,700

theology the arrow would stop at each

349

00:16:52,270 --> 00:16:50,540

station and say what is it they didn't

350

00:16:56,500 --> 00:16:52,280

know what it was back then but they knew

351

00:16:58,990 --> 00:16:56,510

that it had magical properties in fact

352

00:17:02,110 --> 00:16:59,000

if you'll read about Moses comes down

353

00:17:04,210 --> 00:17:02,120

from the mountain with the Ten

354

00:17:06,670 --> 00:17:04,220

Commandments and the tables of Destiny

355

00:17:08,650 --> 00:17:06,680

and he finds that the children of Israel

356

00:17:10,900 --> 00:17:08,660

in his absence have taken all their gold

357

00:17:13,059 --> 00:17:10,910

and melted it all down and made a golden

358

00:17:14,620 --> 00:17:13,069

calf that they were worshipping they

359

00:17:16,510 --> 00:17:14,630

knew there was something very very

360

00:17:17,679 --> 00:17:16,520

magical about gold they just didn't

361

00:17:20,140 --> 00:17:17,689

quite know what it was

362

00:17:22,300 --> 00:17:20,150

well this angered Moses who threw down

363

00:17:22,780 --> 00:17:22,310

the Ten Commandments and broke him to

364

00:17:25,929 --> 00:17:22,790

pieces

365

00:17:27,579 --> 00:17:25,939

and it go back and read carefully he had

366

00:17:29,770 --> 00:17:27,589

to go back up on the mountain and say

367

00:17:31,300 --> 00:17:29,780

Lord I'm sorry I broke your Commandments

368

00:17:32,649 --> 00:17:31,310

you know can you can you give me another

369

00:17:34,570 --> 00:17:32,659

copy and

370

00:17:37,330 --> 00:17:34,580

God said no he's just going to have to

371

00:17:39,700 --> 00:17:37,340

make them up yourself so when we get the

372

00:17:42,519 --> 00:17:39,710

Ten Commandments we're getting just kind

373

00:17:46,180 --> 00:17:42,529

of a hand-me-down repeated version of

374

00:17:48,820 --> 00:17:46,190

what was originally there and this could

375

00:17:52,330 --> 00:17:48,830

cause problems because I was one time

376

00:17:54,639 --> 00:17:52,340

interviewing a Hebrew scholar who in all

377

00:17:56,289 --> 00:17:54,649

seriousness told me that one of the

378

00:17:59,560 --> 00:17:56,299

commandments the one one of the ones we

379

00:18:01,330 --> 00:17:59,570

know so best is thou shalt not kill and

380

00:18:02,560 --> 00:18:01,340

he said that's actually been a

381

00:18:05,229 --> 00:18:02,570

mistranslation

382

00:18:07,869 --> 00:18:05,239

he said the Hebrew word used for kill

383

00:18:10,810 --> 00:18:07,879

actually should have been translated as

384

00:18:12,519 --> 00:18:10,820

murder so in other words this could

385

00:18:14,560 --> 00:18:12,529

explain a lot of things I know I've had

386

00:18:16,450 --> 00:18:14,570

a lot of soldiers say well I was in the

387

00:18:18,549 --> 00:18:16,460

war and I had to kill some people you

388

00:18:21,669 --> 00:18:18,559

know does that am I a sinful am I going

389

00:18:23,469 --> 00:18:21,679

to hell and you know well if it says

390

00:18:25,869 --> 00:18:23,479

thou shalt not kill then you got a

391

00:18:29,200 --> 00:18:25,879

problem if it says thou shalt not murder

392

00:18:31,119 --> 00:18:29,210

now there's a nuance to it okay if you

393

00:18:33,369 --> 00:18:31,129

defend yourself if you defend your

394

00:18:35,739 --> 00:18:33,379

family or if you defend your country and

395

00:18:38,409 --> 00:18:35,749

you kill somebody in the in that kind of

396

00:18:39,909 --> 00:18:38,419

process then maybe you're not going

397

00:18:44,019 --> 00:18:39,919

against the Ten Commandments so you can

398

00:18:46,749 --> 00:18:44,029

see the problem of translations so

399

00:18:48,759 --> 00:18:46,759

anyway when Moses comes down and finds

400

00:18:50,349 --> 00:18:48,769

that they've melted their gold down and

401
00:18:52,570 --> 00:18:50,359
made a golden calf he gets really mad

402
00:18:54,729 --> 00:18:52,580
and it says right there in the Bible

403
00:18:57,279 --> 00:18:54,739
that he took the calf which they had

404
00:18:59,769 --> 00:18:57,289
made and burn it with fire and ground it

405
00:19:01,629 --> 00:18:59,779
to a powder and made the people drink it

406
00:19:04,330 --> 00:19:01,639
well obviously this is we're not talking

407
00:19:05,499 --> 00:19:04,340
about molding molten gold here because

408
00:19:07,330 --> 00:19:05,509
if you're trying to make somebody drink

409
00:19:09,999 --> 00:19:07,340
melted gold it would kill him

410
00:19:13,419 --> 00:19:10,009
no he created the white powder of the

411
00:19:15,549 --> 00:19:13,429
mystical white power the masseuse and we

412
00:19:17,859 --> 00:19:15,559
now know even where he probably did that

413
00:19:22,210 --> 00:19:17,869

because on the south end of the Sinai

414

00:19:25,599 --> 00:19:22,220

Peninsula is Mount Hebron Horeb also

415

00:19:28,479 --> 00:19:25,609

known as the Mount of Moses and in 1904

416

00:19:31,269 --> 00:19:28,489

the British archaeologist sir William

417

00:19:34,359 --> 00:19:31,279

Petrie discovered what he calls an

418

00:19:37,930 --> 00:19:34,369

Egyptian smelting operation and and

419

00:19:39,820 --> 00:19:37,940

temple on Mount Horeb and in his

420

00:19:41,919 --> 00:19:39,830

descriptions he said that when they

421

00:19:43,810 --> 00:19:41,929

pulled up the flagstones where do you

422

00:19:45,580 --> 00:19:43,820

think they found under there a large

423

00:19:47,019 --> 00:19:45,590

quantity of white powder

424

00:19:50,440 --> 00:19:47,029

but of course they didn't know what it

425

00:19:53,710 --> 00:19:50,450

was and so they left it open the desert

426

00:19:56,169 --> 00:19:53,720

winds blew it all away so here we have

427

00:19:58,180 --> 00:19:56,179

again the connecting piece connecting

428

00:20:01,390 --> 00:19:58,190

modern times all the way back through

429

00:20:04,240 --> 00:20:01,400

biblical times all the way back to the

430

00:20:07,870 --> 00:20:04,250

ancient Sumerians and to the Anunnaki or

431

00:20:09,159 --> 00:20:07,880

the ancient astronauts it also now makes

432

00:20:11,649 --> 00:20:09,169

us wonder about the Ark of the Covenant

433

00:20:13,090 --> 00:20:11,659

which we've always seen these pictures

434

00:20:15,190 --> 00:20:13,100

you know where you got four or five guys

435

00:20:17,440 --> 00:20:15,200

carrying it along and yet in the Bible

436

00:20:19,600 --> 00:20:17,450

if you'll read the description it gives

437

00:20:22,299 --> 00:20:19,610

the dimensions and particularly of the

438

00:20:24,700 --> 00:20:22,309

mercy seat of the lid and said there was

439

00:20:28,060 --> 00:20:24,710

made out of solid gold if that's the

440

00:20:30,880 --> 00:20:28,070

case then it would weigh almost 3,000

441

00:20:32,769 --> 00:20:30,890

pounds there's no way that four or five

442

00:20:36,460 --> 00:20:32,779

or even six guys could carry that around

443

00:20:38,200 --> 00:20:36,470

so I submit to you that since it's been

444

00:20:42,330 --> 00:20:38,210

said that it was filled with the white

445

00:20:44,560 --> 00:20:42,340

powder that it has anti-gravity

446

00:20:46,240 --> 00:20:44,570

properties and so they weren't carrying

447

00:20:49,389 --> 00:20:46,250

it they were just kind of pushing it

448

00:20:53,380 --> 00:20:49,399

along because it was could almost hover

449

00:20:56,289 --> 00:20:53,390

and we find that the ARCA covenant also

450

00:20:58,690 --> 00:20:56,299

who has said we're the voice of God came

451
00:21:01,500 --> 00:20:58,700
through so it's been speculated that

452
00:21:04,799 --> 00:21:01,510
this was a lifewave superconductor

453
00:21:10,000 --> 00:21:04,809
capable of transmitting communications

454
00:21:11,860 --> 00:21:10,010
through the Ark of the Covenant which

455
00:21:14,590 --> 00:21:11,870
has been venerated all the way down

456
00:21:17,740 --> 00:21:14,600
through the Masen secret societies even

457
00:21:19,269 --> 00:21:17,750
today here in the upper left we see the

458
00:21:21,970 --> 00:21:19,279
Royal arc Room of the George Washington

459
00:21:25,029 --> 00:21:21,980
Masonic National Memorial in Alexandria

460
00:21:29,019 --> 00:21:25,039
Virginia and they have a replica of the

461
00:21:30,909 --> 00:21:29,029
Ark in 1147 in this painting of the

462
00:21:33,039 --> 00:21:30,919
Knights Templars meeting in Paris we've

463
00:21:35,470 --> 00:21:33,049

got the Ark of the Covenant

464

00:21:38,740 --> 00:21:35,480

so these secrets have been passed down

465

00:21:42,820 --> 00:21:38,750

from from antiquity to today in these

466

00:21:45,100 --> 00:21:42,830

secret societies and we can see that all

467

00:21:48,730 --> 00:21:45,110

of Western civilization has been one

468

00:21:51,370 --> 00:21:48,740

mass migration from the cradle of

469

00:21:53,590 --> 00:21:51,380

civilization in the Middle East up north

470

00:21:57,279 --> 00:21:53,600

through the Caucasus to Russia and men

471

00:21:57,919 --> 00:21:57,289

hunt in Europe or south through Egypt in

472

00:22:01,190 --> 00:21:57,929

degrees

473

00:22:03,499 --> 00:22:01,200

to Rome to the MER of Indians of France

474

00:22:06,590 --> 00:22:03,509

up into the Celts and the Scots in

475

00:22:08,419 --> 00:22:06,600

Britain I was kind of amazed to find out

476

00:22:11,450 --> 00:22:08,429

because I got real interested in the

477

00:22:14,210 --> 00:22:11,460

druids and the Celts and I find out that

478

00:22:17,690 --> 00:22:14,220

they are not native to the British Isles

479

00:22:24,169 --> 00:22:17,700

they all emigrated from the Middle East

480

00:22:27,440 --> 00:22:24,179

from the area of Sumar or today Iraq and

481

00:22:30,159 --> 00:22:27,450

as they came they brought this knowledge

482

00:22:34,249 --> 00:22:30,169

this ancient knowledge in various fields

483

00:22:36,619 --> 00:22:34,259

the Thomas Bowen who went on the name

484

00:22:39,619 --> 00:22:36,629

erroneous fell like these there was a

485

00:22:42,259 --> 00:22:39,629

17th century alchemist and he said the

486

00:22:44,210 --> 00:22:42,269

philosopher's stone is nothing but gold

487

00:22:47,450 --> 00:22:44,220

I jested to the highest degree of purity

488

00:22:49,999 --> 00:22:47,460

and subtle fixation a very fine powder

489

00:22:51,590 --> 00:22:50,009

so they were aware of this even through

490

00:22:53,210 --> 00:22:51,600

the Middle Ages and this explains why

491

00:22:56,180 --> 00:22:53,220

the Holika mists were all messing with

492

00:22:58,100 --> 00:22:56,190

gold trying to turn it into to our take

493

00:23:01,039 --> 00:22:58,110

LED and turn it into gold because they

494

00:23:03,379 --> 00:23:01,049

knew gold had properties and then again

495

00:23:07,909 --> 00:23:03,389

was knowledge handed down from the

496

00:23:10,730 --> 00:23:07,919

ancient astronauts I hate to digress but

497

00:23:13,850 --> 00:23:10,740

this is too good you all know who

498

00:23:15,649 --> 00:23:13,860

Francis Bacon was and it's been alleged

499

00:23:18,169 --> 00:23:15,659

that it was Francis Bacon the

500

00:23:21,109 --> 00:23:18,179

illegitimate son of Queen Elizabeth the

501
00:23:22,430 --> 00:23:21,119
first who actually wrote the Shakespeare

502
00:23:26,090 --> 00:23:22,440
material

503
00:23:28,100 --> 00:23:26,100
he and his invisible College and because

504
00:23:29,840 --> 00:23:28,110
they were all connected to the theatre

505
00:23:31,430 --> 00:23:29,850
they're in London and they wanted to

506
00:23:33,369 --> 00:23:31,440
tell people the truth about their

507
00:23:35,899 --> 00:23:33,379
history but they couldn't do it just

508
00:23:37,970 --> 00:23:35,909
forthrightly but they'd lose their head

509
00:23:40,159 --> 00:23:37,980
just like today you'd get in trouble if

510
00:23:42,769 --> 00:23:40,169
you try to tell the truth about things

511
00:23:44,899 --> 00:23:42,779
okay so they wrote them up as plays and

512
00:23:47,419 --> 00:23:44,909
they threw in some funny plays and then

513
00:23:49,279 --> 00:23:47,429

they had some serious plays like Macbeth

514

00:23:52,359 --> 00:23:49,289

okay and I'm sure the people at that

515

00:23:56,629 --> 00:23:52,369

time thought make that poor King Donald

516

00:24:00,769 --> 00:23:56,639

just you know died of natural causes

517

00:24:04,399 --> 00:24:00,779

visiting Macbeth's castle King Duncan

518

00:24:06,590 --> 00:24:04,409

and and so but with the program of

519

00:24:08,869 --> 00:24:06,600

Macbeth they find out that Lady Macbeth

520

00:24:11,280 --> 00:24:08,879

and Macbeth Paul isn't him and then took

521

00:24:14,130 --> 00:24:11,290

the throne so they were putting out in

522

00:24:16,200 --> 00:24:14,140

Meishan but in a safe way because they

523

00:24:18,840 --> 00:24:16,210

got a guy named William Shakespeare and

524

00:24:21,090 --> 00:24:18,850

they paid him to put his name on it even

525

00:24:23,670 --> 00:24:21,100

gave him interest in the theater there

526

00:24:26,010 --> 00:24:23,680

in England and he made lots of money but

527

00:24:28,830 --> 00:24:26,020

he was illiterate and that's why that

528

00:24:31,320 --> 00:24:28,840

there is no contemporary writings of

529

00:24:36,680 --> 00:24:31,330

William Shakespeare now I'm not the only

530

00:24:39,600 --> 00:24:36,690

one who believes that the Mark Twain and

531

00:24:43,020 --> 00:24:39,610

some Supreme Court justices and Sir

532

00:24:45,480 --> 00:24:43,030

Arthur Conan Doyle who wrote the the

533

00:24:48,090 --> 00:24:45,490

Sherlock Holmes stories they all

534

00:24:50,670 --> 00:24:48,100

believed that bacon was the author of

535

00:24:53,070 --> 00:24:50,680

Shakespeare and was as a member of the

536

00:24:55,440 --> 00:24:53,080

invisible College responsible for

537

00:24:57,540 --> 00:24:55,450

passing along the underground knowledge

538

00:24:59,940 --> 00:24:57,550

this the knowledge of the anunnaki their

539

00:25:01,890 --> 00:24:59,950

knowledge of the ancient astronauts now

540

00:25:03,630 --> 00:25:01,900

if you knew I know you might say well

541

00:25:07,050 --> 00:25:03,640

believe that but if you want to see a

542

00:25:09,270 --> 00:25:07,060

very interesting clue go to your King

543

00:25:11,610 --> 00:25:09,280

James Bible and that's the Bible that

544

00:25:13,890 --> 00:25:11,620

we've all pretty much grown up with and

545

00:25:16,500 --> 00:25:13,900

have operated from and it says right on

546

00:25:27,600 --> 00:25:16,510

little cover leaf that says the Bible

547

00:25:29,880 --> 00:25:27,610

according to nobody ever said King James

548

00:25:32,430 --> 00:25:29,890

was the son putting together the modern

549

00:25:35,430 --> 00:25:32,440

King James Version of the Bible but

550

00:25:37,110 --> 00:25:35,440

there was a 46th okay the guy that

551
00:25:39,870 --> 00:25:37,120
headed it all up and that was Sir

552
00:25:42,570 --> 00:25:39,880
Francis Bacon and if you want to see he

553
00:25:47,790 --> 00:25:42,580
left behind a little clue for us go to

554
00:25:52,440 --> 00:25:47,800
Psalms 46 and he was great into symbols

555
00:25:55,590 --> 00:25:52,450
and secret messages and in Psalms 46 if

556
00:25:57,780 --> 00:25:55,600
you'll count 45 46 words from the

557
00:26:00,810 --> 00:25:57,790
beginning of that sum you're gonna find

558
00:26:03,480 --> 00:26:00,820
the words shake and if you find go 46

559
00:26:05,850 --> 00:26:03,490
words from the end of foam Psalms 46

560
00:26:08,790 --> 00:26:05,860
you're gonna find the word spear so he

561
00:26:10,680 --> 00:26:08,800
gave us a little clue Shakespeare did

562
00:26:13,110 --> 00:26:10,690
Sir Francis Bacon actually wrote the

563
00:26:16,280 --> 00:26:13,120

Shakespeare material and was in charge

564

00:26:19,590 --> 00:26:16,290

of the King James Bible interesting huh

565

00:26:24,509 --> 00:26:19,600

anyway also what you need to know about

566

00:26:28,139 --> 00:26:24,519

is cos Aria Azaria was an empire

567

00:26:32,419 --> 00:26:28,149

that was between the Caspian Sea in the

568

00:26:36,749 --> 00:26:32,429

Black Sea and at about the 10th century

569

00:26:39,869 --> 00:26:36,759

it was ruled by cazar lan's and they had

570

00:26:41,519 --> 00:26:39,879

a king sometimes more than one king and

571

00:26:43,409 --> 00:26:41,529

they were in a very advantageous

572

00:26:45,919 --> 00:26:43,419

position because they lay on the

573

00:26:49,229 --> 00:26:45,929

intersection of the Silk Road the

574

00:26:51,749 --> 00:26:49,239

caravan routes between the Oriental East

575

00:26:54,779 --> 00:26:51,759

and the in the West

576

00:26:57,839 --> 00:26:54,789

Occidental West and so as a result they

577

00:26:59,969 --> 00:26:57,849

got filthy rich by raiding caravans but

578

00:27:02,069 --> 00:26:59,979

by the 10th century they had built up an

579

00:27:03,659 --> 00:27:02,079

aristocracy and a royalty and they were

580

00:27:06,060 --> 00:27:03,669

going surely we can do something better

581

00:27:08,459 --> 00:27:06,070

than you know risk our lives right

582

00:27:10,799 --> 00:27:08,469

raiding in caravans what can we do and

583

00:27:12,749 --> 00:27:10,809

they decided hey we know we're here in

584

00:27:14,849 --> 00:27:12,759

the middle of the curve and route will

585

00:27:17,129 --> 00:27:14,859

loan money and exchange money and buy

586

00:27:19,709 --> 00:27:17,139

and sell money we use money to make our

587

00:27:21,989 --> 00:27:19,719

money but they had a problem because in

588

00:27:25,139 --> 00:27:21,999

the Kazarian empire it was about a third

589

00:27:28,409 --> 00:27:25,149

Muslim a third Christian and a third

590

00:27:31,979 --> 00:27:28,419

Jewish and at that time both the Muslims

591

00:27:39,239 --> 00:27:31,989

and the Christians had declared charging

592

00:27:41,489 --> 00:27:39,249

interest on a loan usury and a sin there

593

00:27:43,169 --> 00:27:41,499

was only the Jews who said well

594

00:27:46,199 --> 00:27:43,179

especially if you're dealing with the

595

00:27:50,699 --> 00:27:46,209

the non-jews it's ok to charge

596

00:27:52,680 --> 00:27:50,709

interest so the king of Caesarea just

597

00:27:54,569 --> 00:27:52,690

like Constantine of the Roman Empire

598

00:27:56,609 --> 00:27:54,579

it's suddenly declared that he was a

599

00:27:59,039 --> 00:27:56,619

Christian and the whole Roman Empire

600

00:28:01,949 --> 00:27:59,049

became a Christian the kings of Caesarea

601
00:28:05,190 --> 00:28:01,959
said well we're Jewish and they became

602
00:28:10,789 --> 00:28:05,200
Jews and these are the progenitors of

603
00:28:14,999 --> 00:28:10,799
the Rothschild family and of other these

604
00:28:17,489 --> 00:28:15,009
Astana Z Jews then with the breakup as

605
00:28:19,379 --> 00:28:17,499
AGA's Orion Empire through the ruse the

606
00:28:21,989 --> 00:28:19,389
ruse came in and changed the name to

607
00:28:24,180 --> 00:28:21,999
Russia and a lot of the Khazar lan's

608
00:28:26,609 --> 00:28:24,190
fled into Eastern Europe and they were

609
00:28:28,360 --> 00:28:26,619
the forerunners of the Rothschilds and

610
00:28:31,900 --> 00:28:28,370
of other

611
00:28:33,640 --> 00:28:31,910
Jewish people there in Europe now I'm

612
00:28:37,510 --> 00:28:33,650
not even gonna try to argue whether they

613
00:28:39,010 --> 00:28:37,520

were truly believed in Judaism because

614

00:28:40,690 --> 00:28:39,020

let's face it we're talking three

615

00:28:44,560 --> 00:28:40,700

separate things here you're talking race

616

00:28:47,440 --> 00:28:44,570

religion and political movement race is

617

00:28:51,880 --> 00:28:47,450

the the Hebrew race okay and these are

618

00:28:53,700 --> 00:28:51,890

Semites and and you can't discriminate

619

00:28:56,680 --> 00:28:53,710

against somebody because of their race

620

00:29:00,010 --> 00:28:56,690

then you got Judaism which is the

621

00:29:02,380 --> 00:29:00,020

religion Sammy Davis jr. converted to

622

00:29:04,870 --> 00:29:02,390

Judaism and was a Jew but he wasn't a

623

00:29:07,930 --> 00:29:04,880

Hebrew who was he all right and he got

624

00:29:09,910 --> 00:29:07,940

Zionism Zionism is a political movement

625

00:29:13,720 --> 00:29:09,920

that was started by these Eastern

626

00:29:16,360 --> 00:29:13,730

European Kazarian Jews in Russia in the

627

00:29:18,550 --> 00:29:16,370

late 1800s and it is a political

628

00:29:21,400 --> 00:29:18,560

movement that said we need to carve out

629

00:29:24,250 --> 00:29:21,410

a Jewish homeland in the Middle East and

630

00:29:26,590 --> 00:29:24,260

of course that became Israel all right

631

00:29:29,050 --> 00:29:26,600

now it's not right to discriminate on

632

00:29:32,380 --> 00:29:29,060

race it's not right to discriminate on

633

00:29:34,480 --> 00:29:32,390

religion but now a political movement

634

00:29:36,550 --> 00:29:34,490

you ought to be able to come in on and

635

00:29:39,430 --> 00:29:36,560

criticize especially if it gets out of

636

00:29:42,190 --> 00:29:39,440

hand but this this is just created

637

00:29:44,250 --> 00:29:42,200

problem after problem and that's the

638

00:29:47,140 --> 00:29:44,260

thing to remember because the

639

00:29:49,480 --> 00:29:47,150

Rothschilds have been can or even been

640

00:29:52,030 --> 00:29:49,490

called the fathers of modern Israel and

641

00:29:53,740 --> 00:29:52,040

even today they're having all those

642

00:29:55,750 --> 00:29:53,750

fights over there and all this stuff

643

00:29:57,460 --> 00:29:55,760

going on with them claiming this is

644

00:30:00,150 --> 00:29:57,470

their right and you know who the

645

00:30:03,520 --> 00:30:00,160

original opponents were to Zionism

646

00:30:06,340 --> 00:30:03,530

Orthodox Jews because they said it's not

647

00:30:08,710 --> 00:30:06,350

up to us to take away land from somebody

648

00:30:11,230 --> 00:30:08,720

when the Messiah comes he'll show us

649

00:30:13,300 --> 00:30:11,240

where our homeland is so there's a whole

650

00:30:15,400 --> 00:30:13,310

issue there that rarely gets talked

651
00:30:18,370 --> 00:30:15,410
about because they've used the Holocaust

652
00:30:21,130 --> 00:30:18,380
and they've used the struggles of Israel

653
00:30:24,430 --> 00:30:21,140
to hammer us with this charge of

654
00:30:28,090 --> 00:30:24,440
anti-semite if you try even to to

655
00:30:29,860 --> 00:30:28,100
criticize what Israel does and of course

656
00:30:33,580 --> 00:30:29,870
the Rothschilds built up their own

657
00:30:37,060 --> 00:30:33,590
banking empire by old man Mayer

658
00:30:39,210 --> 00:30:37,070
Rothschild sending his five brothers I

659
00:30:41,730 --> 00:30:39,220
his five sons rather

660
00:30:43,680 --> 00:30:41,740
and they quickly became head of the Bank

661
00:30:46,289 --> 00:30:43,690
of England and the central bank in

662
00:30:48,690 --> 00:30:46,299
Germany central bank in Austria France

663
00:30:50,970 --> 00:30:48,700

and Italy and they have played these

664

00:30:56,340 --> 00:30:50,980

countries off against each other for

665

00:30:58,110 --> 00:30:56,350

maximum profit and control now how's

666

00:31:00,299 --> 00:30:58,120

that tie back to ancient astronauts

667

00:31:02,880 --> 00:31:00,309

because the Rothschilds claim that they

668

00:31:05,340 --> 00:31:02,890

are the descendants of Nimrod the

669

00:31:08,580 --> 00:31:05,350

ancient Sumerian god king who said that

670

00:31:11,610 --> 00:31:08,590

his mother was a human but his father

671

00:31:13,620 --> 00:31:11,620

was one of the Anunnaki so that's

672

00:31:15,330 --> 00:31:13,630

interesting too because doesn't matter

673

00:31:21,330 --> 00:31:15,340

whether you and I want to believe in all

674

00:31:23,010 --> 00:31:21,340

this the point is they do and that's one

675

00:31:24,930 --> 00:31:23,020

of their castles and there's their

676
00:31:29,700 --> 00:31:24,940
shield and they claimed their

677
00:31:32,279 --> 00:31:29,710
descendants Ephraim Nimrod the one of

678
00:31:34,230 --> 00:31:32,289
the german zionist was paul warburg

679
00:31:37,230 --> 00:31:34,240
and this was the Warburg family were

680
00:31:42,180 --> 00:31:37,240
close neighbors and business partners to

681
00:31:43,680 --> 00:31:42,190
the to the Rothschilds and Paul Warburg

682
00:31:46,520 --> 00:31:43,690
then came to the United States

683
00:31:49,560 --> 00:31:46,530
precipitate and participated in the

684
00:31:51,899 --> 00:31:49,570
secret meetings off the Georgia coast on

685
00:31:56,730 --> 00:31:51,909
Jekyll Island where the Federal Reserve

686
00:31:59,789 --> 00:31:56,740
was created and Frank Vanderlip even

687
00:32:03,299 --> 00:31:59,799
said that they acted as conspirators and

688
00:32:05,490 --> 00:32:03,309

so then he became Paul Warburg became

689

00:32:08,970 --> 00:32:05,500

head of the Federal Reserve System the

690

00:32:10,890 --> 00:32:08,980

first head of the Fed and became one of

691

00:32:12,539 --> 00:32:10,900

the richest guys in the United States in

692

00:32:14,760 --> 00:32:12,549

fact any of you old enough to remember

693

00:32:18,870 --> 00:32:14,770

my one of my favorite comic strips

694

00:32:22,140 --> 00:32:18,880

Little Orphan Annie and her mentor was

695

00:32:26,250 --> 00:32:22,150

Daddy Warbucks and Daddy Warbucks was a

696

00:32:28,020 --> 00:32:26,260

direct take-off on Paul Warburg now

697

00:32:30,299 --> 00:32:28,030

interesting enough at the time of World

698

00:32:32,340 --> 00:32:30,309

War 1 Paul Warburg who had come from

699

00:32:35,070 --> 00:32:32,350

Germany a member and connected to the

700

00:32:37,980 --> 00:32:35,080

Rothschild family was in charge of the

701
00:32:41,250 --> 00:32:37,990
American war effort in World War one his

702
00:32:44,990 --> 00:32:41,260
brother max Warburg who was a head of

703
00:32:47,310 --> 00:32:45,000
the German central bank and was also

704
00:32:50,580 --> 00:32:47,320
involved with German intelligence and

705
00:32:52,560 --> 00:32:50,590
helped sneak Lennon out of Switzerland

706
00:32:55,639 --> 00:32:52,570
and send him on that steel rail

707
00:32:58,799 --> 00:32:55,649
through Germany into Russia to create

708
00:33:02,490 --> 00:32:58,809
communism and knock the Russians out of

709
00:33:04,139 --> 00:33:02,500
World War one which then you know left

710
00:33:08,909 --> 00:33:04,149
it all up to America Britain in France

711
00:33:11,639 --> 00:33:08,919
to to take care of that war he also was

712
00:33:13,799 --> 00:33:11,649
a board member of the American Homburg

713
00:33:17,730 --> 00:33:13,809

America steamship line along with

714

00:33:20,730 --> 00:33:17,740

Prescott Bush who in 1942 was prosecuted

715

00:33:22,529 --> 00:33:20,740

under the trading with the enemy Act for

716

00:33:25,200 --> 00:33:22,539

being nothing but a financial frontman

717

00:33:26,430 --> 00:33:25,210

for Hitler and the Nazis you might say

718

00:33:27,320 --> 00:33:26,440

well how come I hadn't heard more about

719

00:33:29,820 --> 00:33:27,330

that

720

00:33:31,440 --> 00:33:29,830

well it's interesting but I'd dug into

721

00:33:34,470 --> 00:33:31,450

that and the reason you didn't hear much

722

00:33:37,320 --> 00:33:34,480

about that was that in the summer of

723

00:33:39,600 --> 00:33:37,330

1942 when Prescott Bush undoubtedly knew

724

00:33:42,509 --> 00:33:39,610

they were investigating his business

725

00:33:44,840 --> 00:33:42,519

dealings with Nazi Germany he helped

726

00:33:49,320 --> 00:33:44,850

create the United service organization

727

00:33:51,840 --> 00:33:49,330

the USO so think about that there was no

728

00:33:53,220 --> 00:33:51,850

way that in the middle of World War two

729

00:33:56,779 --> 00:33:53,230

they were going to come out and

730

00:34:00,060 --> 00:33:56,789

announced that the founder of the USO

731

00:34:02,399 --> 00:34:00,070

that everybody loved was actually a Nazi

732

00:34:05,009 --> 00:34:02,409

agent so they find him a few million

733

00:34:06,740 --> 00:34:05,019

dollars slapped his wrist and swept it

734

00:34:09,629 --> 00:34:06,750

under the carpet

735

00:34:12,750 --> 00:34:09,639

so same people were running the both

736

00:34:15,659 --> 00:34:12,760

sides of World War one and I told you

737

00:34:18,809 --> 00:34:15,669

how that they brought Lenin Trotsky the

738

00:34:21,200 --> 00:34:18,819

philosophy founder of communism was

739

00:34:23,909 --> 00:34:21,210

working for the Rockefellers in New York

740

00:34:26,579 --> 00:34:23,919

Wall Street and they sent him in a

741

00:34:28,710 --> 00:34:26,589

boatload of revolutionaries to Russia to

742

00:34:30,839 --> 00:34:28,720

help create the Communist revolution

743

00:34:32,339 --> 00:34:30,849

Woodrow Wilson wrote that the bulk of

744

00:34:34,710 --> 00:34:32,349

the money that went from America to

745

00:34:36,569 --> 00:34:34,720

Russia at the time of the Revolution did

746

00:34:38,190 --> 00:34:36,579

not go to the White Russians of the

747

00:34:44,339 --> 00:34:38,200

Krinsky government it went to the

748

00:34:46,710 --> 00:34:44,349

Bolsheviks we created communism and here

749

00:34:49,770 --> 00:34:46,720

in this tall cartoon from the st. Louis

750

00:34:52,020 --> 00:34:49,780

post-dispatch in 1911 see those old

751
00:34:54,839 --> 00:34:52,030
folks they knew the connection they see

752
00:34:58,170 --> 00:34:54,849
Karl Marx shaking hands with Frank

753
00:35:01,069 --> 00:34:58,180
Perkins Perkins and Teddy Roosevelt and

754
00:35:03,750 --> 00:35:01,079
Roosevelt and the Rockefeller and

755
00:35:06,060 --> 00:35:03,760
Carnegie and they knew that all of these

756
00:35:09,590 --> 00:35:06,070
industrialists and these bankers were

757
00:35:12,810 --> 00:35:09,600
creating communism but we don't today

758
00:35:15,420 --> 00:35:12,820
the platform of the Communist was

759
00:35:17,460 --> 00:35:15,430
basically the same as the Illuminati and

760
00:35:19,230 --> 00:35:17,470
then that was picked up in there's

761
00:35:21,660 --> 00:35:19,240
almost word-for-word the same platform

762
00:35:24,150 --> 00:35:21,670
of the National Socialists or the Nazis

763
00:35:26,130 --> 00:35:24,160

and we see you can read these for

764

00:35:28,230 --> 00:35:26,140

yourself and you can see that a lot of

765

00:35:33,030 --> 00:35:28,240

those are now taking place in the United

766

00:35:35,130 --> 00:35:33,040

States these are some of the men who

767

00:35:37,980 --> 00:35:35,140

back Hitler what happened here was these

768

00:35:40,440 --> 00:35:37,990

people that created communism wanted to

769

00:35:42,690 --> 00:35:40,450

create socialism in the East capitalism

770

00:35:44,580 --> 00:35:42,700

in the West and play them off against

771

00:35:47,430 --> 00:35:44,590

each other for maximum control and

772

00:35:49,910 --> 00:35:47,440

profit but communism got out of hand

773

00:35:52,920 --> 00:35:49,920

when Lenin died in Trotsky was killed

774

00:35:55,680 --> 00:35:52,930

Joseph Stalin took over and they created

775

00:35:58,890 --> 00:35:55,690

the International and now not only were

776

00:36:00,720 --> 00:35:58,900

they setting up socialism in Russia but

777

00:36:03,870 --> 00:36:00,730

they were talking about workers of the

778

00:36:05,840 --> 00:36:03,880

world unite ok we're gonna where all the

779

00:36:08,340 --> 00:36:05,850

working men are going to take over and

780

00:36:10,680 --> 00:36:08,350

you know will that struck fear into the

781

00:36:12,630 --> 00:36:10,690

hearts of these capitalists and these

782

00:36:16,500 --> 00:36:12,640

people who are trying to run the world

783

00:36:19,260 --> 00:36:16,510

based on financial and religious grounds

784

00:36:21,390 --> 00:36:19,270

so they had to go into the nearest

785

00:36:23,460 --> 00:36:21,400

country that might be able to stop the

786

00:36:26,040 --> 00:36:23,470

spread of communism and that would be

787

00:36:28,200 --> 00:36:26,050

Germany and they found a German army

788

00:36:31,470 --> 00:36:28,210

intelligence agent who was being paid to

789

00:36:34,440 --> 00:36:31,480

spy on political groups by his military

790

00:36:36,450 --> 00:36:34,450

superiors and he infiltrated a little

791

00:36:38,700 --> 00:36:36,460

group called an a German Workers Party

792

00:36:40,680 --> 00:36:38,710

and he went back to his superiors and

793

00:36:42,360 --> 00:36:40,690

said you're like these guys and because

794

00:36:44,700 --> 00:36:42,370

they feel like we were stabbed in the

795

00:36:46,980 --> 00:36:44,710

back at the Versailles Treaty and that

796

00:36:49,050 --> 00:36:46,990

we actually should have won World War 1

797

00:36:51,300 --> 00:36:49,060

and they want to rebuild alas strong and

798

00:36:53,190 --> 00:36:51,310

powerful Germany and so the

799

00:36:55,080 --> 00:36:53,200

industrialists and the bankers backed

800

00:36:58,950 --> 00:36:55,090

this guy and of course that was Adolf

801
00:37:01,920 --> 00:36:58,960
Hitler he was put into power to act as a

802
00:37:04,350 --> 00:37:01,930
bloc against the spread of communist

803
00:37:05,940 --> 00:37:04,360
socialism and he then changed the name

804
00:37:08,690 --> 00:37:05,950
of the German Workers Party to the

805
00:37:12,300 --> 00:37:08,700
National Socialist German Workers Party

806
00:37:14,910 --> 00:37:12,310
so it was both socialism but it was

807
00:37:17,310 --> 00:37:14,920
Russia was trying to export worldwide

808
00:37:19,630 --> 00:37:17,320
socialism and the Nazis were only

809
00:37:21,759 --> 00:37:19,640
interested in National Socialists

810
00:37:23,709 --> 00:37:21,769
well the same thing happened again they

811
00:37:24,430 --> 00:37:23,719
had created yet another Frankenstein

812
00:37:26,680 --> 00:37:24,440
monster

813
00:37:28,150 --> 00:37:26,690

and so now Hitler all of a sudden it

814

00:37:30,819 --> 00:37:28,160

overrun all of Europe and was

815

00:37:34,049 --> 00:37:30,829

threatening Britain and we had to round

816

00:37:38,979 --> 00:37:34,059

up 26 Nations and go to war to stop

817

00:37:41,920 --> 00:37:38,989

National Socialism I'm gonna skip on

818

00:37:45,699 --> 00:37:41,930

through this here here that's just one

819

00:37:48,339 --> 00:37:45,709

catch of bags of gold that the Allies

820

00:37:50,259 --> 00:37:48,349

stumble across in Merkers Germany at the

821

00:37:53,019 --> 00:37:50,269

end of the war they just happen to get

822

00:37:55,180 --> 00:37:53,029

this one many more just like this we're

823

00:37:59,589 --> 00:37:55,190

either never discovered or were shipped

824

00:38:03,249 --> 00:37:59,599

out of country to Argentina where Juan

825

00:38:07,870 --> 00:38:03,259

Peron helped concealed Nazis possibly

826

00:38:10,930 --> 00:38:07,880

even Hitler in his wife Ava under action

827

00:38:12,910 --> 00:38:10,940

idler fluke okay after after the

828

00:38:15,039 --> 00:38:12,920

invasion of Normandy the Germans rule or

829

00:38:17,769 --> 00:38:15,049

the Nazis realized that the writing was

830

00:38:19,930 --> 00:38:17,779

on the wall so they started action

831

00:38:22,120 --> 00:38:19,940

Nadler flute or Operation Eagle flight

832

00:38:24,039 --> 00:38:22,130

and they took all the money jewelry

833

00:38:26,829 --> 00:38:24,049

anything worth anything including

834

00:38:28,420 --> 00:38:26,839

patents licenses and they shipped them

835

00:38:31,630 --> 00:38:28,430

out of Germany and they set up more than

836

00:38:33,880 --> 00:38:31,640

a thousand corporations worldwide most

837

00:38:37,269 --> 00:38:33,890

of the time headed by a national local

838

00:38:39,430 --> 00:38:37,279

but run by the Nazis and so the point

839

00:38:41,529 --> 00:38:39,440

here is is that we beat the German

840

00:38:43,989 --> 00:38:41,539

military in World War two but we didn't

841

00:38:46,269 --> 00:38:43,999

defeat the Nazis we just forced them to

842

00:38:48,699 --> 00:38:46,279

move and they went to Argentina they

843

00:38:51,430 --> 00:38:48,709

went to Egypt and thousands of them came

844

00:38:54,189 --> 00:38:51,440

to the United States under Operation

845

00:38:56,079 --> 00:38:54,199

Paperclip because we were glad to get

846

00:38:58,449 --> 00:38:56,089

their rocket scientists so that we could

847

00:39:01,390 --> 00:38:58,459

compete with Russia in the Cold War but

848

00:39:05,009 --> 00:39:01,400

we also got their mind-control experts

849

00:39:08,049 --> 00:39:05,019

and their chemical experts and

850

00:39:11,499 --> 00:39:08,059

unfortunately we also got their Nazi

851
00:39:13,749 --> 00:39:11,509
philosophy and here you can just see a

852
00:39:17,049 --> 00:39:13,759
few of the American companies and German

853
00:39:20,670 --> 00:39:17,059
companies that participated in operation

854
00:39:23,410 --> 00:39:20,680
aerial flight John J McCloy

855
00:39:25,959 --> 00:39:23,420
Allan Dulles and his brother John Foster

856
00:39:27,670 --> 00:39:25,969
Dulles prior to the war had worked for

857
00:39:30,459 --> 00:39:27,680
Sullivan Cromwell in New York and

858
00:39:31,740 --> 00:39:30,469
represented the Schroeder Bank the Nazis

859
00:39:33,420 --> 00:39:31,750
Key Bank

860
00:39:35,790 --> 00:39:33,430
they were working for the Nazis before

861
00:39:39,270 --> 00:39:35,800
the war the head of national city bank

862
00:39:42,150 --> 00:39:39,280
was John J McCloy and he oversaw the

863
00:39:43,710 --> 00:39:42,160

largest loans of money to the Nazi

864

00:39:45,390 --> 00:39:43,720

government and then at the end of the

865

00:39:47,730 --> 00:39:45,400

war he became the High Commissioner of

866

00:39:50,820 --> 00:39:47,740

Germany and he sent all these Nazis over

867

00:39:53,130 --> 00:39:50,830

to this country and his protege Allan

868

00:39:55,320 --> 00:39:53,140

Dulles had become head of the CIA and

869

00:39:58,140 --> 00:39:55,330

they whitewashed their backgrounds and

870

00:40:01,080 --> 00:39:58,150

this is why the Third Reich went away

871

00:40:04,230 --> 00:40:01,090

and the Fourth Reich began to be built

872

00:40:08,010 --> 00:40:04,240

in the United States so you can see

873

00:40:10,470 --> 00:40:08,020

through the ratlines how that the Nazis

874

00:40:13,050 --> 00:40:10,480

fled Germany came here went to South

875

00:40:15,990 --> 00:40:13,060

America and of course the church was

876

00:40:18,180 --> 00:40:16,000

heavily involved in this because there

877

00:40:21,240 --> 00:40:18,190

was a whole history of Pro Nazism with

878

00:40:23,720 --> 00:40:21,250

the Pope and this was translated into

879

00:40:27,720 --> 00:40:23,730

the fact that so many Nazis escaped

880

00:40:30,120 --> 00:40:27,730

Europe with Vatican passports again we

881

00:40:35,190 --> 00:40:30,130

see the intermingling of religion and

882

00:40:37,680 --> 00:40:35,200

power and wealth in in in Korea which

883

00:40:39,930 --> 00:40:37,690

you might want to go check out you know

884

00:40:42,060 --> 00:40:39,940

this was the United Nations versus the

885

00:40:43,680 --> 00:40:42,070

Communists and yet if you'll check

886

00:40:46,320 --> 00:40:43,690

you'll find that there were two Russian

887

00:40:47,940 --> 00:40:46,330

generals one operating out of the United

888

00:40:52,260 --> 00:40:47,950

Nations headquarters and weren't

889

00:40:55,350 --> 00:40:52,270

operating out of North Korea and they

890

00:40:56,880 --> 00:40:55,360

were actually running that war so again

891

00:41:00,300 --> 00:40:56,890

we have a war that's being run by the

892

00:41:02,610 --> 00:41:00,310

same people at the top and of course

893

00:41:04,980 --> 00:41:02,620

then we come on down to the Vietnam War

894

00:41:07,740 --> 00:41:04,990

Lyndon Johnson and if you heard my talk

895

00:41:09,180 --> 00:41:07,750

about the Kennedy assassination you

896

00:41:11,670 --> 00:41:09,190

realized that he could be held

897

00:41:13,470 --> 00:41:11,680

responsible as an accessory after the

898

00:41:15,780 --> 00:41:13,480

fact in the Kennedy assassination and

899

00:41:18,030 --> 00:41:15,790

then of course he lied about the Gulf of

900

00:41:21,330 --> 00:41:18,040

Tonkin got us into the Vietnam War and

901
00:41:23,190 --> 00:41:21,340
he was surrounded with his wise men all

902
00:41:24,330 --> 00:41:23,200
of whom were members of the Council on

903
00:41:28,260 --> 00:41:24,340
Foreign Relations

904
00:41:30,030 --> 00:41:28,270
a secret society and that was a sister

905
00:41:32,310 --> 00:41:30,040
organization of the Royal Institute of

906
00:41:35,700 --> 00:41:32,320
International Affairs which traced their

907
00:41:38,570 --> 00:41:35,710
history back through Cecil Rhodes and

908
00:41:44,010 --> 00:41:38,580
his round tables which was made up of

909
00:41:45,120 --> 00:41:44,020
illuminated freemasons okay that had

910
00:41:48,839 --> 00:41:45,130
been in viewed with

911
00:41:50,450 --> 00:41:48,849
the philosophy of the three of the

912
00:41:54,029 --> 00:41:50,460
Illuminati

913
00:41:56,160 --> 00:41:54,039

they talked frequently at the early 50s

914

00:41:58,410 --> 00:41:56,170

about anti-gravity and how they were

915

00:42:00,960 --> 00:41:58,420

developing it and how we were gonna have

916

00:42:03,240 --> 00:42:00,970

flights into space and then all of a

917

00:42:05,009 --> 00:42:03,250

sudden that went dark and today you

918

00:42:07,230 --> 00:42:05,019

still can't talk seriously about

919

00:42:09,390 --> 00:42:07,240

anti-gravity without people laughing and

920

00:42:11,519 --> 00:42:09,400

snickering at you because we are now

921

00:42:14,160 --> 00:42:11,529

been told that that can't work has never

922

00:42:16,620 --> 00:42:14,170

worked and yet as you can see from this

923

00:42:20,339 --> 00:42:16,630

article and from these quotes they fully

924

00:42:22,529 --> 00:42:20,349

expected it to happen in the 1950s I

925

00:42:24,690 --> 00:42:22,539

also might point out if you'll read my

926
00:42:27,480 --> 00:42:24,700
book that rise the Fourth Reich how that

927
00:42:29,339 --> 00:42:27,490
they the the reason that the Nazis got

928
00:42:31,980 --> 00:42:29,349
away with all this and came to this

929
00:42:35,009 --> 00:42:31,990
country is because they traded us their

930
00:42:38,640 --> 00:42:35,019
nuclear technology for in exchange for

931
00:42:40,799 --> 00:42:38,650
immunity at the beginning of 1945

932
00:42:45,269 --> 00:42:40,809
Franklin Roosevelt had been informed

933
00:42:48,210 --> 00:42:45,279
that the diffusion of enriching uranium

934
00:42:50,130 --> 00:42:48,220
was a very slow tedious process and we

935
00:42:58,289 --> 00:42:50,140
only had enough enriched uranium to

936
00:43:03,599 --> 00:42:58,299
construct one uranium and and yet in May

937
00:43:06,319 --> 00:43:03,609
the 14th of 1945 the u-boat you 234 and

938
00:43:09,960 --> 00:43:06,329

was taken into captivity after passing

939

00:43:13,259 --> 00:43:09,970

unharmd through wartime warrior waters

940

00:43:16,799 --> 00:43:13,269

and then on July the 6th in and in the u

941

00:43:20,309 --> 00:43:16,809

234 was 50 casks old wine cask of

942

00:43:22,529 --> 00:43:20,319

enriched uranium on July the 16th we now

943

00:43:25,079 --> 00:43:22,539

we had enough uranium to build a bomb

944

00:43:27,930 --> 00:43:25,089

and they set it off at Alamogordo at

945

00:43:31,730 --> 00:43:27,940

work and on that very day the USS

946

00:43:35,759 --> 00:43:31,740

Indianapolis then set sail for Tinian

947

00:43:38,339 --> 00:43:35,769

arriving on July the 26th and then about

948

00:43:40,470 --> 00:43:38,349

a week later on August the 6th they were

949

00:43:42,480 --> 00:43:40,480

able to put the big boy bomb together

950

00:43:43,829 --> 00:43:42,490

and they dropped it on Hiroshima and

951
00:43:48,299 --> 00:43:43,839
then a week later they dropped another

952
00:43:50,670 --> 00:43:48,309
uranium bomb on Nagasaki where did we

953
00:43:51,809 --> 00:43:50,680
get all that uranium we got it from the

954
00:43:54,480 --> 00:43:51,819
you 234

955
00:43:58,289 --> 00:43:54,490
it was swapped us by Nazi Germany in

956
00:43:59,050 --> 00:43:58,299
exchange for immunity they also as

957
00:44:02,920 --> 00:43:59,060
you're well aware

958
00:44:04,630 --> 00:44:02,930
now we're working on flying saucers and

959
00:44:06,610 --> 00:44:04,640
the only question is did they have any

960
00:44:09,700 --> 00:44:06,620
operational and I think the answer is

961
00:44:13,650 --> 00:44:09,710
yes but all of that has been deeply

962
00:44:18,160 --> 00:44:13,660
hidden they had this super collider

963
00:44:21,880 --> 00:44:18,170

operating in in Poland and they also had

964

00:44:27,370 --> 00:44:21,890

the Bell which was a concentric circles

965

00:44:29,320 --> 00:44:27,380

that created a energy field that and

966

00:44:30,970 --> 00:44:29,330

nothing what happened to that if any of

967

00:44:35,590 --> 00:44:30,980

y'all are familiar with the Kecksburg

968

00:44:37,780 --> 00:44:35,600

UFO this walnut shaped object suddenly

969

00:44:38,500 --> 00:44:37,790

appeared in the woods and they felt it

970

00:44:40,900 --> 00:44:38,510

was a UFO

971

00:44:42,760 --> 00:44:40,910

the US military came in covered it

972

00:44:46,240 --> 00:44:42,770

overtook it out and said nothing

973

00:44:48,130 --> 00:44:46,250

happened here folks and me and others

974

00:44:50,560 --> 00:44:48,140

have often wondered if perhaps that was

975

00:44:54,460 --> 00:44:50,570

the Nazi bell that traveled through time

976
00:44:57,190 --> 00:44:54,470
on an energy field so we do know that

977
00:45:01,120 --> 00:44:57,200
the Nazis had all of this exotic

978
00:45:03,610 --> 00:45:01,130
technology excuse me where did they get

979
00:45:05,620 --> 00:45:03,620
it well there's been stories that they

980
00:45:08,140 --> 00:45:05,630
got captured flying saucers in North

981
00:45:09,700 --> 00:45:08,150
Africa or Poland or somewhere else you

982
00:45:12,340 --> 00:45:09,710
know but none of that has ever truly

983
00:45:14,200 --> 00:45:12,350
panned out I think what will find the

984
00:45:15,880 --> 00:45:14,210
truth the matter is is that going back

985
00:45:18,760 --> 00:45:15,890
to the time of World War one

986
00:45:21,030 --> 00:45:18,770
the Germans particularly were interested

987
00:45:24,310 --> 00:45:21,040
in the fad at that time which was

988
00:45:27,010 --> 00:45:24,320

spiritualism where this was early day

989

00:45:30,550 --> 00:45:27,020

remote viewing this was holding seances

990

00:45:32,140 --> 00:45:30,560

and trying to contact other worlds and I

991

00:45:33,820 --> 00:45:32,150

think that they probably made it work

992

00:45:36,460 --> 00:45:33,830

and they probably got in contact with

993

00:45:38,380 --> 00:45:36,470

non-human intelligences and early on

994

00:45:40,900 --> 00:45:38,390

these intelligence says hey these guys

995

00:45:42,640 --> 00:45:40,910

want to rework the world they want to

996

00:45:45,460 --> 00:45:42,650

create a peaceful Society they're gonna

997

00:45:46,750 --> 00:45:45,470

have everybody marching it everywhere

998

00:45:49,300 --> 00:45:46,760

they're saying

999

00:45:51,340 --> 00:45:49,310

you know this was pretty good so they

1000

00:45:54,130 --> 00:45:51,350

supported the Nazis who gave them

1001
00:45:56,710 --> 00:45:54,140
advanced technology with you by the war

1002
00:45:59,320 --> 00:45:56,720
I think the heads of the nonhuman

1003
00:46:00,730 --> 00:45:59,330
intelligence said whoa these guys are

1004
00:46:02,620 --> 00:46:00,740
getting out of hand you know and they're

1005
00:46:06,610 --> 00:46:02,630
killing people that created a big war

1006
00:46:14,230 --> 00:46:06,620
and I think they cut off the the flow of

1007
00:46:18,180 --> 00:46:14,240
information so the human history goes

1008
00:46:22,000 --> 00:46:18,190
back again to Samaria and to the

1009
00:46:26,230 --> 00:46:22,010
Sumerian culture Gilgamesh the world's

1010
00:46:29,680 --> 00:46:26,240
first novel our first story was about

1011
00:46:33,700 --> 00:46:29,690
King Gilgamesh of Sumer and who claimed

1012
00:46:37,980 --> 00:46:33,710
he too had a human mother but a alien

1013
00:46:43,810 --> 00:46:37,990

father and he set out to find his

1014

00:46:47,470 --> 00:46:43,820

master's or his ancestors he was thought

1015

00:46:50,020 --> 00:46:47,480

to be a mythical character until the

1016

00:46:52,150 --> 00:46:50,030

German scientists in Iraq discovered

1017

00:46:54,220 --> 00:46:52,160

what they believe is the lost tomb of

1018

00:46:57,550 --> 00:46:54,230

Gilgamesh so it turned out that what we

1019

00:46:59,500 --> 00:46:57,560

thought was a myth was actually real and

1020

00:47:02,170 --> 00:46:59,510

so this is really interesting because

1021

00:47:04,840 --> 00:47:02,180

Saddam Hussein of Iraq believed himself

1022

00:47:06,630 --> 00:47:04,850

the reincarnated Nebuchadnezzar and he

1023

00:47:10,120 --> 00:47:06,640

was trying to rebuild the glory of

1024

00:47:12,220 --> 00:47:10,130

Baghdad and so what about what's the

1025

00:47:14,050 --> 00:47:12,230

deal with Nebuchadnezzar

1026

00:47:15,760 --> 00:47:14,060

we'll never condenser if you go back and

1027

00:47:19,210 --> 00:47:15,770

read the book of Daniel you'll find that

1028

00:47:21,820 --> 00:47:19,220

he built himself a structure out of gold

1029

00:47:23,680 --> 00:47:21,830

that has been translated as a fiery

1030

00:47:25,330 --> 00:47:23,690

furnace but obviously wasn't a furnace

1031

00:47:28,270 --> 00:47:25,340

because people went in and out although

1032

00:47:31,030 --> 00:47:28,280

some of his people died trying to deal

1033

00:47:33,070 --> 00:47:31,040

with it so he went into Palestine got

1034

00:47:35,620 --> 00:47:33,080

three Hebrew priests Shadrach Meshach

1035

00:47:38,200 --> 00:47:35,630

and Abednego brought them to Babylon and

1036

00:47:40,030 --> 00:47:38,210

says I want you to make this work based

1037

00:47:41,290 --> 00:47:40,040

on the ancient technology and they said

1038

00:47:42,550 --> 00:47:41,300

well you're not our King you don't

1039

00:47:44,500 --> 00:47:42,560

believe in our God we're not going to

1040

00:47:45,880 --> 00:47:44,510

work for you he said well then I'm gonna

1041

00:47:47,920 --> 00:47:45,890

throw you in there you better make it

1042

00:47:49,450 --> 00:47:47,930

work or you're gonna die and then read

1043

00:47:50,860 --> 00:47:49,460

carefully doesn't say he just picked

1044

00:47:52,960 --> 00:47:50,870

them up and threw him in this structure

1045

00:47:55,450 --> 00:47:52,970

no first they Don their raiments and

1046

00:47:56,500 --> 00:47:55,460

their cloaks and their hats what what's

1047

00:47:59,350 --> 00:47:56,510

that got to do with anything

1048

00:48:00,339 --> 00:47:59,360

they put on the radiation suits and they

1049

00:48:02,259 --> 00:48:00,349

went into this in

1050

00:48:04,599 --> 00:48:02,269

you feel that had been created within

1051

00:48:06,549 --> 00:48:04,609

and Nike technology and the

1052

00:48:08,650 --> 00:48:06,559

Nebuchadnezzar says are they in there

1053

00:48:10,569 --> 00:48:08,660

yeah so King they're in there are

1054

00:48:12,370 --> 00:48:10,579

they're still alive yeah so King they're

1055

00:48:14,589 --> 00:48:12,380

still in there of in fact there's

1056

00:48:18,069 --> 00:48:14,599

another one you put in three and now

1057

00:48:22,450 --> 00:48:18,079

there's four four who's the fourth

1058

00:48:24,219 --> 00:48:22,460

person in there a son of God says so

1059

00:48:26,109 --> 00:48:24,229

right there in the Bible and that's the

1060

00:48:28,569 --> 00:48:26,119

end of that who was that where'd he come

1061

00:48:30,160 --> 00:48:28,579

from did they create a wormhole did they

1062

00:48:35,049 --> 00:48:30,170

create an energy field that could

1063

00:48:36,910 --> 00:48:35,059

transfer form and time and space well we

1064

00:48:38,589 --> 00:48:36,920

don't know the only thing we know is

1065

00:48:41,049 --> 00:48:38,599

from the Bible is that Shadrach Meshach

1066

00:48:42,700 --> 00:48:41,059

Abednego so impressed Natan

1067

00:48:46,210 --> 00:48:42,710

Nebuchadnezzar they put them in charge

1068

00:48:49,599 --> 00:48:46,220

of Babylon so there's technology back

1069

00:48:54,960 --> 00:48:49,609

there that we would like to have this

1070

00:48:58,029 --> 00:48:54,970

led to war in Iraq unlike normal

1071

00:49:00,190 --> 00:48:58,039

military tactics which is you take a

1072

00:49:02,589 --> 00:49:00,200

weak point of the enemy and you seize it

1073

00:49:04,559 --> 00:49:02,599

and then you consolidate your winnings

1074

00:49:07,299 --> 00:49:04,569

and you move on to your next objective

1075

00:49:10,479 --> 00:49:07,309

when we invaded Iraq we just immediately

1076
00:49:12,430 --> 00:49:10,489
went to Baghdad bypassing most of the

1077
00:49:12,969 --> 00:49:12,440
countryside which is still causing us

1078
00:49:15,940 --> 00:49:12,979
trouble

1079
00:49:18,489 --> 00:49:15,950
and what happened in Baghdad the looting

1080
00:49:21,989 --> 00:49:18,499
of the Iraqi National Museum where they

1081
00:49:24,880 --> 00:49:21,999
had just placed newly discovered

1082
00:49:26,739 --> 00:49:24,890
technologies and scrolls and writing and

1083
00:49:29,950 --> 00:49:26,749
all kinds of thoughts which probably

1084
00:49:33,309 --> 00:49:29,960
dates back to the Anunnaki and the mob

1085
00:49:36,309 --> 00:49:33,319
attacked the thing but Colonel Matthew

1086
00:49:38,680 --> 00:49:36,319
Bogdanov's who investigated the break-in

1087
00:49:41,079 --> 00:49:38,690
at the Iraqi Museum for general Tommy

1088
00:49:43,749 --> 00:49:41,089

Franks said the basement was an inside

1089

00:49:45,880 --> 00:49:43,759

job that they bypassed expensive-looking

1090

00:49:48,160 --> 00:49:45,890

fakes they had keys to some of the

1091

00:49:50,559 --> 00:49:48,170

vaults they knew exactly what they were

1092

00:49:52,479 --> 00:49:50,569

looking for and there were thousands of

1093

00:49:55,509 --> 00:49:52,489

people species taken out of the basement

1094

00:49:58,749 --> 00:49:55,519

that have never been returned we were

1095

00:50:02,440 --> 00:49:58,759

after the Anunnaki technology the

1096

00:50:04,870 --> 00:50:02,450

ancient astronauts and hermann goering

1097

00:50:06,609 --> 00:50:04,880

at Nuremberg pretty well lined it out

1098

00:50:08,769 --> 00:50:06,619

when he says of course people don't want

1099

00:50:09,999 --> 00:50:08,779

war that's understood but after all it's

1100

00:50:11,920 --> 00:50:10,009

the leaders of the country who

1101

00:50:14,289 --> 00:50:11,930

determined the policy it's always a

1102

00:50:16,269 --> 00:50:14,299

simple matter to drag the people along

1103

00:50:17,799 --> 00:50:16,279

voice or no voice that people can always

1104

00:50:18,759 --> 00:50:17,809

be brought to the bidding of the leaders

1105

00:50:20,349 --> 00:50:18,769

that's easy

1106

00:50:22,390 --> 00:50:20,359

all you have to do is tell them they're

1107

00:50:24,669 --> 00:50:22,400

being attacked and denounced the

1108

00:50:27,339 --> 00:50:24,679

pacifists for lack of patriotism and

1109

00:50:29,189 --> 00:50:27,349

exposing the country to danger does that

1110

00:50:31,929 --> 00:50:29,199

sound familiar

1111

00:50:35,949 --> 00:50:31,939

so in Baghdad we went straight there

1112

00:50:38,949 --> 00:50:35,959

looted the museum and according to bag

1113

00:50:40,749 --> 00:50:38,959

da nose the basement was an inside job

1114

00:50:44,859 --> 00:50:40,759

and they took about ten thousand pieces

1115

00:50:46,809 --> 00:50:44,869

and they'd only recovered about 650 it's

1116

00:50:48,959 --> 00:50:46,819

my understanding from my sources that we

1117

00:50:53,819 --> 00:50:48,969

did get some of this alien technology

1118

00:50:58,719 --> 00:50:56,799

who got the ancient technology it was

1119

00:51:00,759 --> 00:50:58,729

passed along from the mystery schools of

1120

00:51:02,650 --> 00:51:00,769

each have been Greece to Solomon's

1121

00:51:04,949 --> 00:51:02,660

Temple and then to the Knights Templars

1122

00:51:07,329 --> 00:51:04,959

then the stonemasons Rosicrucians

1123

00:51:08,229 --> 00:51:07,339

freemasons the alchemists aluminized

1124

00:51:10,959 --> 00:51:08,239

freemasons

1125

00:51:13,479 --> 00:51:10,969

to the roundtables to the Nazis to the

1126
00:51:15,279 --> 00:51:13,489
US military industrial complex then to

1127
00:51:17,199 --> 00:51:15,289
the secret societies of Council on

1128
00:51:21,069 --> 00:51:17,209
Foreign Relations Trilateral Commission

1129
00:51:22,839 --> 00:51:21,079
and the Bilderbergers and that we know

1130
00:51:24,910 --> 00:51:22,849
about the Council on Foreign Relations

1131
00:51:27,459 --> 00:51:24,920
we know about the trilateral commission

1132
00:51:31,929 --> 00:51:27,469
in it interesting that the trilateral

1133
00:51:37,439 --> 00:51:31,939
commission logo looks suspiciously like

1134
00:51:39,459 --> 00:51:37,449
a stylized swastika and it all

1135
00:51:42,039 --> 00:51:39,469
culminates here along with the

1136
00:51:47,559 --> 00:51:42,049
Bilderbergers which is the rich and

1137
00:51:48,789 --> 00:51:47,569
powerful people and in 2011 a study by

1138
00:51:52,929 --> 00:51:48,799

the Swiss Federal Institute of

1139

00:51:55,809 --> 00:51:52,939

Technology studied 43,000 multinational

1140

00:51:58,449 --> 00:51:55,819

corporations and found that basically

1141

00:52:01,179 --> 00:51:58,459

the control by 147 interlocking firms

1142

00:52:06,339 --> 00:52:01,189

which actually are in turn controlled by

1143

00:52:10,650 --> 00:52:06,349

about 20 banks with cross over ownership

1144

00:52:14,709 --> 00:52:10,660

and directorship now that is incredibly

1145

00:52:16,599 --> 00:52:14,719

tight central control over the finances

1146

00:52:18,729 --> 00:52:16,609

of the world and they do it through

1147

00:52:20,949 --> 00:52:18,739

things like the exchange Stabilization

1148

00:52:24,429 --> 00:52:20,959

Fund and the Financial Stability Board

1149

00:52:27,160 --> 00:52:24,439

and then we also find that again if you

1150

00:52:27,490 --> 00:52:27,170

go back to Rome and Sula he founded a

1151

00:52:29,560 --> 00:52:27,500

call

1152

00:52:34,090 --> 00:52:29,570

in Rome dedicated to the Egyptian God

1153

00:52:37,180 --> 00:52:34,100

Isis so you see you see the the the

1154

00:52:40,510 --> 00:52:37,190

carry on between the ancients and then

1155

00:52:44,710 --> 00:52:40,520

to Rome Jesus Caesar himself claimed to

1156

00:52:49,330 --> 00:52:44,720

be his lineage went to the Aeneas the

1157

00:52:51,100 --> 00:52:49,340

father of Romulus and Remus and then you

1158

00:52:53,650 --> 00:52:51,110

can read this for yourself

1159

00:52:56,170 --> 00:52:53,660

most of the presidents the United States

1160

00:53:02,950 --> 00:52:56,180

can all be tracked back to either King

1161

00:53:05,280 --> 00:53:02,960

Louie the 16th or boo-yan or Philip of

1162

00:53:08,620 --> 00:53:05,290

Macedonia so you've got the same people

1163

00:53:10,900 --> 00:53:08,630

stemming from these legendary so-called

1164

00:53:14,860 --> 00:53:10,910

methodical people that tracked back to

1165

00:53:16,960 --> 00:53:14,870

the Anunnaki every presidential election

1166

00:53:19,630 --> 00:53:16,970

America sensin including George

1167

00:53:21,970 --> 00:53:19,640

Washington 1789 have been won by the

1168

00:53:25,030 --> 00:53:21,980

kind of date with most British and

1169

00:53:28,960 --> 00:53:25,040

French royal genes I got onto this and

1170

00:53:33,450 --> 00:53:28,970

the the selection of mm because Burke's

1171

00:53:41,650 --> 00:53:38,320

biographical of magazine in England said

1172

00:53:44,650 --> 00:53:41,660

that although Al Gore was related to the

1173

00:53:47,110 --> 00:53:44,660

Windsors so was the Bush family but Bush

1174

00:53:49,450 --> 00:53:47,120

was closer related so he would get the

1175

00:53:51,580 --> 00:53:49,460

presidency and what we now know is that

1176

00:53:53,890 --> 00:53:51,590

Gore actually won the election but the

1177

00:53:56,740 --> 00:53:53,900

recount got stopped in the Supreme Court

1178

00:53:59,670 --> 00:53:56,750

gave it to George W Bush so they were

1179

00:54:02,200 --> 00:53:59,680

right Bush the one who had the closer

1180

00:54:04,840 --> 00:54:02,210

relationship to the Rawls of England got

1181

00:54:06,670 --> 00:54:04,850

to be President well you might think

1182

00:54:09,340 --> 00:54:06,680

that's great at least we don't have to

1183

00:54:13,060 --> 00:54:09,350

worry about that with Barack Hussein

1184

00:54:14,950 --> 00:54:13,070

Obama but you'd be wrong because Dick

1185

00:54:17,260 --> 00:54:14,960

Cheney's wife Lynne Cheney and

1186

00:54:19,930 --> 00:54:17,270

researching his family found that Barack

1187

00:54:24,670 --> 00:54:19,940

Obama is an eighth cousin to the former

1188

00:54:28,060 --> 00:54:24,680

vice president according to the the

1189

00:54:30,040 --> 00:54:28,070

Cheney's Obama is descendant of marine

1190

00:54:31,870 --> 00:54:30,050

Duval a French Huguenot whose son

1191

00:54:34,210 --> 00:54:31,880

married the granddaughter of a Richard

1192

00:54:34,990 --> 00:54:34,220

Cheney who had arrived in Maryland so

1193

00:54:38,710 --> 00:54:35,000

Dick Cheney

1194

00:54:40,600 --> 00:54:38,720

and Obama are related distant cousins

1195

00:54:43,720 --> 00:54:40,610

but if that's not weird enough

1196

00:54:45,760 --> 00:54:43,730

courtney's Chicago sun-times Obama and

1197

00:54:48,670 --> 00:54:45,770

Cheney are both blood relations to the

1198

00:54:50,400 --> 00:54:48,680

Bush family according to the paper

1199

00:54:52,900 --> 00:54:50,410

they're linked to a 17th century

1200

00:54:56,020 --> 00:54:52,910

Massachusetts couple Samuel Hinckley and

1201
00:54:57,760 --> 00:54:56,030
Sarah sue Hinckley is a distinct route

1202
00:54:59,560 --> 00:54:57,770
as the distant relative of George

1203
00:55:02,920 --> 00:54:59,570
Herbert Walker Bush is friend John

1204
00:55:05,950 --> 00:55:02,930
Warnock Hinckley jr. whose son John

1205
00:55:09,820 --> 00:55:05,960
Warnock Inc lead jr. was the man who

1206
00:55:12,430 --> 00:55:09,830
shot Reagan man it doesn't that start to

1207
00:55:14,380 --> 00:55:12,440
sound a little incestuous are these the

1208
00:55:16,900 --> 00:55:14,390
same people are these the same people

1209
00:55:18,640 --> 00:55:16,910
who contract their heritage all the way

1210
00:55:22,390 --> 00:55:18,650
back through the British royalty to the

1211
00:55:24,160 --> 00:55:22,400
Annunaki and now we don't know these

1212
00:55:26,740 --> 00:55:24,170
things because they control the media

1213
00:55:29,260 --> 00:55:26,750

these five corporations right here

1214

00:55:32,470 --> 00:55:29,270

control everything you see in here

1215

00:55:34,390 --> 00:55:32,480

except me and I'm just a conspiracy

1216

00:55:35,110 --> 00:55:34,400

theorist so you don't have to worry

1217

00:55:39,970 --> 00:55:35,120

about me

1218

00:55:42,400 --> 00:55:39,980

here they go all right in fact I would

1219

00:55:44,950 --> 00:55:42,410

ask right now don't don't trust me don't

1220

00:55:46,450 --> 00:55:44,960

believe me go check what I'm telling you

1221

00:55:47,770 --> 00:55:46,460

and find out for yourself and then it's

1222

00:55:50,530 --> 00:55:47,780

not questioning you won't believe me

1223

00:55:52,360 --> 00:55:50,540

it's a question of you'll know that this

1224

00:55:56,110 --> 00:55:52,370

is true and now you begin to find out

1225

00:55:59,350 --> 00:55:56,120

who's really running the show so it's

1226

00:56:01,420 --> 00:55:59,360

great irony today that you're getting

1227

00:56:03,790 --> 00:56:01,430

told only what they want you to hear and

1228

00:56:07,150 --> 00:56:03,800

only in the manner in the description

1229

00:56:09,190 --> 00:56:07,160

that they want you to hear interlocking

1230

00:56:13,960 --> 00:56:09,200

boards of directors of cognitive project

1231

00:56:17,050 --> 00:56:13,970

sensory September the 12th 2009 two

1232

00:56:18,940 --> 00:56:17,060

million people marched on Washington DC

1233

00:56:20,830 --> 00:56:18,950

you all ever remember hearing about that

1234

00:56:25,840 --> 00:56:20,840

in the news no because it wasn't

1235

00:56:27,280 --> 00:56:25,850

reported and now we have the Patriot Act

1236

00:56:28,810 --> 00:56:27,290

the military commissions act the

1237

00:56:30,610 --> 00:56:28,820

National Defense Authorization Act

1238

00:56:33,070 --> 00:56:30,620

National Defense resources prepare

1239

00:56:35,050 --> 00:56:33,080

disorder which says that by the way if

1240

00:56:36,940 --> 00:56:35,060

you're ready for this if there's a

1241

00:56:39,160 --> 00:56:36,950

national emergency which is anything the

1242

00:56:41,860 --> 00:56:39,170

president will sign his name to could be

1243

00:56:44,260 --> 00:56:41,870

a trucker strike could be sunspots could

1244

00:56:45,670 --> 00:56:44,270

be a war could be anything guess who's

1245

00:56:48,340 --> 00:56:45,680

going to be in charge of all the water

1246

00:56:51,160 --> 00:56:48,350

resources of this country the Secretary

1247

00:56:53,650 --> 00:56:51,170

of Defense it's all lined out in all

1248

00:56:54,310 --> 00:56:53,660

these papers and all these laws that are

1249

00:56:57,190 --> 00:56:54,320

sitting here way

1250

00:56:59,980 --> 00:56:57,200

to go remember when a police officer

1251
00:57:01,990 --> 00:56:59,990
used to be in blue and would ride around

1252
00:57:05,020 --> 00:57:02,000
in his car that would have stencil on

1253
00:57:07,180 --> 00:57:05,030
the side to serve and protect today we

1254
00:57:10,300 --> 00:57:07,190
get black Jude bike helmet in and

1255
00:57:12,580 --> 00:57:10,310
jackbooted cops have come around and

1256
00:57:14,410 --> 00:57:12,590
beat you up and spray and act like

1257
00:57:16,660 --> 00:57:14,420
you're a perp until you can prove

1258
00:57:19,870 --> 00:57:16,670
yourself otherwise and it all started

1259
00:57:25,330 --> 00:57:19,880
with 911 but I could spend the whole

1260
00:57:27,250 --> 00:57:25,340
time on that the the only thing we know

1261
00:57:31,600 --> 00:57:27,260
about 9/11 is that nineteen hijackers

1262
00:57:33,640 --> 00:57:31,610
with box cutters hijacked those four

1263
00:57:35,830 --> 00:57:33,650

airliners except no we don't even really

1264

00:57:38,800 --> 00:57:35,840

know that because all that came from bar

1265

00:57:40,750 --> 00:57:38,810

brawls and who according to her husband

1266

00:57:42,310 --> 00:57:40,760

Ted Olson who was appointed Solicitor

1267

00:57:44,980 --> 00:57:42,320

General of the United States but George

1268

00:57:47,500 --> 00:57:44,990

W Bush he got calls from his wife on her

1269

00:57:48,970 --> 00:57:47,510

cell phone and she said that she had her

1270

00:57:50,950 --> 00:57:48,980

plane had been hijacked and that they

1271

00:57:53,050 --> 00:57:50,960

were using little box cutters to hurt

1272

00:57:55,510 --> 00:57:53,060

everybody to the back of the plane the

1273

00:57:57,760 --> 00:57:55,520

only problem here is in 2006 at the

1274

00:58:00,490 --> 00:57:57,770

trial of Zecharia Missouri the only

1275

00:58:02,560 --> 00:58:00,500

person ever tried from 9/11 and he was

1276

00:58:04,840 --> 00:58:02,570

in jail at the time so he couldn't have

1277

00:58:07,570 --> 00:58:04,850

participated in that but he did admit he

1278

00:58:09,700 --> 00:58:07,580

was a member of al-qaeda the FBI showed

1279

00:58:12,040 --> 00:58:09,710

up with all the phone records for 9/11

1280

00:58:14,740 --> 00:58:12,050

and if you're ready for this there were

1281

00:58:17,740 --> 00:58:14,750

no phone calls from Barbara Wilson she

1282

00:58:19,270 --> 00:58:17,750

tried one it was unconnected no phone

1283

00:58:21,670 --> 00:58:19,280

calls so how do we even know what

1284

00:58:24,280 --> 00:58:21,680

happened how do we know that building

1285

00:58:27,010 --> 00:58:24,290

seven was just in in that amount of time

1286

00:58:29,860 --> 00:58:27,020

dropped into its own footprint how did

1287

00:58:31,840 --> 00:58:29,870

we know what caused that it wasn't hit

1288

00:58:34,960 --> 00:58:31,850

by any airplanes and they don't want to

1289

00:58:36,700 --> 00:58:34,970

even talk about that the 9/11 Commission

1290

00:58:38,860 --> 00:58:36,710

report how did they explain the collapse

1291

00:58:43,720 --> 00:58:38,870

of building 7 they didn't they didn't

1292

00:58:46,210 --> 00:58:43,730

mention it John farmer was the senior

1293

00:58:50,560 --> 00:58:46,220

counsel to the official Bush appointed

1294

00:58:52,540 --> 00:58:50,570

9/11 Commission and he wrote that the

1295

00:58:53,950 --> 00:58:52,550

canonic Commission staff discovered that

1296

00:58:55,840 --> 00:58:53,960

the official version of what had

1297

00:58:57,790 --> 00:58:55,850

occurred that is with the government

1298

00:58:59,170 --> 00:58:57,800

military officials had told Congress

1299

00:59:01,420 --> 00:58:59,180

commissioned the meeting the public

1300

00:59:05,049 --> 00:59:01,430

about who knew what went was almost

1301
00:59:08,649 --> 00:59:05,059
entirely and inexplicably untrue

1302
00:59:11,559 --> 00:59:08,659
so I simply ask you this if the official

1303
00:59:14,589 --> 00:59:11,569
version is entirely and inexplicably

1304
00:59:16,479 --> 00:59:14,599
untrue then what's a unpatriotic about

1305
00:59:21,159 --> 00:59:16,489
me and others asking well what really

1306
00:59:24,039 --> 00:59:21,169
happened you have to realize that were

1307
00:59:26,799 --> 00:59:24,049
being run from behind the curtain Prince

1308
00:59:30,039 --> 00:59:26,809
Phillip who is a member of the wealthy

1309
00:59:33,609 --> 00:59:30,049
1% says that the human population gross

1310
00:59:37,839 --> 00:59:33,619
is the single most serious threat to

1311
00:59:39,699 --> 00:59:37,849
survival at another point he says in the

1312
00:59:42,819 --> 00:59:39,709
event I'm reincarnated I'd like to

1313
00:59:44,499 --> 00:59:42,829

return as a deadly virus in order to

1314

00:59:47,859 --> 00:59:44,509

contribute something to solve

1315

00:59:48,459 --> 00:59:47,869

overpopulation Bill Gates richest guy in

1316

00:59:50,409 --> 00:59:48,469

the world

1317

00:59:53,319 --> 00:59:50,419

he's always going on long about how we

1318

00:59:55,229 --> 00:59:53,329

need to vaccinate everybody because we

1319

00:59:58,539 --> 00:59:55,239

need to take care of overpopulation

1320

01:00:02,229 --> 00:59:58,549

folks they want to kill you they really

1321

01:00:05,559 --> 01:00:02,239

do this didn't idle political philosophy

1322

01:00:08,579 --> 01:00:05,569

this is self-defense you better wake up

1323

01:00:12,189 --> 01:00:08,589

and realize who's doing what to you and

1324

01:00:15,130 --> 01:00:12,199

start pushing back or they're going to

1325

01:00:17,649 --> 01:00:15,140

just see to it that you die through

1326

01:00:22,359 --> 01:00:17,659

eugenics through vaccines through GMO

1327

01:00:23,229 --> 01:00:22,369

food through water fluoridation through

1328

01:00:26,649 --> 01:00:23,239

chemtrails

1329

01:00:28,449 --> 01:00:26,659

and this is what's causing the problems

1330

01:00:31,390 --> 01:00:28,459

today and all goes back to the corporate

1331

01:00:33,729 --> 01:00:31,400

leadership handful of corporations with

1332

01:00:36,399 --> 01:00:33,739

interlocking directorships on all these

1333

01:00:39,009 --> 01:00:36,409

people who make up the 1% as they call

1334

01:00:41,109 --> 01:00:39,019

them or the Illuminati or the New World

1335

01:00:43,509 --> 01:00:41,119

Order whatever you want to call them

1336

01:00:45,609 --> 01:00:43,519

there are wealthy elite and they can be

1337

01:00:49,899 --> 01:00:45,619

tracked all the way back to the ancient

1338

01:00:51,849 --> 01:00:49,909

astronauts and they want you dead so are

1339

01:00:56,219 --> 01:00:51,859

we in national law or we allow this

1340

01:00:59,890 --> 01:00:56,229

nation it's not fascism when we do it

1341

01:01:01,959 --> 01:00:59,900

and who why would anybody why would

1342

01:01:04,329 --> 01:01:01,969

these leaders of the corporate America

1343

01:01:08,589 --> 01:01:04,339

why would they kill the goose that lays

1344

01:01:11,529 --> 01:01:08,599

the golden egg you know three

1345

01:01:13,509 --> 01:01:11,539

possibilities this ruling elite that's

1346

01:01:15,309 --> 01:01:13,519

trying to kill us all and trying to take

1347

01:01:18,189 --> 01:01:15,319

control of the world they're either

1348

01:01:18,830 --> 01:01:18,199

trying to contact the ancient creators

1349

01:02:08,660 --> 01:01:18,840

the

1350

01:02:09,230 --> 01:02:08,670

find all of this details sourced in my

1351

01:02:11,600 --> 01:02:09,240

book

1352

01:02:13,370 --> 01:02:11,610

our cultured history which you can find

1353

01:02:15,070 --> 01:02:13,380

at any bookstore or you can go to my

1354

01:02:20,090 --> 01:02:15,080

website Jim Marrs

1355

01:02:22,580 --> 01:02:20,100

dot-com or you go to Amazon and I don't

1356

01:02:25,850 --> 01:02:22,590

want to leave you on a downer so I want

1357

01:02:29,030 --> 01:02:25,860

so I want to stress that there are more

1358

01:02:32,030 --> 01:02:29,040

of us than there are them and if we just
