cowboys and aliens ufo encounters of the

3

old west goes beyond the glamour and

4
00:00:20,310 --> 00:00:18,320
glitz of hollywood

5
00:00:21,990 --> 00:00:20,320
and tells true stories of alien

6
00:00:25,349 --> 00:00:22,000
encounters in the eighteen hundreds

7
00:00:27,509 --> 00:00:25,359
our presenter mr stephen brosko

8
00:00:29,589 --> 00:00:27,519
is a researcher and author who speaks

9
00:00:31,750 --> 00:00:29,599
frequently at ufo conferences including

10
00:00:33,990 --> 00:00:31,760
mine

11
00:00:35,990 --> 00:00:34,000
and is an award-winning storyteller he

12
00:00:37,990 --> 00:00:36,000
owes a master's degree

13
00:00:42,830 --> 00:00:38,000

from the university of north texas in

14

00:00:42,840 --> 00:00:46,150

steve

15

00:00:49,590 --> 00:00:48,310

i i dared him to wear a cowboy hat i see

16

00:00:51,430 --> 00:00:49,600

he didn't

17

00:00:52,709 --> 00:00:51,440

uh anyway i'll get even with him later

18

00:00:54,869 --> 00:00:52,719

thank you ladies and gentlemen here's

19

00:00:57,350 --> 00:00:54,879

steve

20

00:00:59,270 --> 00:00:57,360

now my wife bought me this shirt just to

21

00:01:01,510 --> 00:00:59,280

wear so

22

00:01:04,070 --> 00:01:01,520

if you see her tell her i wore the her

23

00:01:07,429 --> 00:01:04,080

shirt that she bought me

24

00:01:08,950 --> 00:01:07,439

okay well i'm here to take the place of

25

00:01:10,469 --> 00:01:08,960

david who couldn't come in

26

00:01:12,149 --> 00:01:10,479

so you're not going to hear about star

27

00:01:14,950 --> 00:01:12,159

trek tonight

28

00:01:16,710 --> 00:01:14,960

um i work with noe i've worked at the

29

00:01:19,190 --> 00:01:16,720

same library as noe for

30

00:01:20,789 --> 00:01:19,200

the last this is my ninth year that we

31

00:01:22,870 --> 00:01:20,799

work together but we've known each other

32

00:01:25,990 --> 00:01:22,880

for about 20 years

33

00:01:27,910 --> 00:01:26,000

and so i've been around when he started

34

00:01:29,910 --> 00:01:27,920

when he first started writing and his

35

00:01:32,710 --> 00:01:29,920

first couple of books were about

36

00:01:33,270 --> 00:01:32,720

baseball and that's really his first

37

00:01:35,590 --> 00:01:33,280

love is

38

00:01:37,109 --> 00:01:35,600

baseball and he likes to go to baseball

39

00:01:39,670 --> 00:01:37,119

games

40

00:01:41,510 --> 00:01:39,680

but he started collecting some stories

41

00:01:44,230 --> 00:01:41,520

about the rio grande valley

42

00:01:46,069 --> 00:01:44,240

and i liked going to tell stories to

43

00:01:49,670 --> 00:01:46,079

kids about chupacabras

44

00:01:53,749 --> 00:01:49,680

and and other stories

45

00:01:55,749 --> 00:01:53,759

in the rio grande valley and

46

00:01:57,990 --> 00:01:55,759

that's where he collected this story

47

00:02:00,630 --> 00:01:58,000

about a ufo that crashed

48

00:02:01,590 --> 00:02:00,640

not far from here and as he began doing

49

00:02:03,670 --> 00:02:01,600

his research

50

00:02:04,789 --> 00:02:03,680

he ran across others that were doing

51

00:02:07,590 --> 00:02:04,799

research on that

52

00:02:07,990 --> 00:02:07,600

which is reuben who is at the airport

53

00:02:11,990 --> 00:02:08,000

right now

54

00:02:14,790 --> 00:02:12,000

in san antonio picking up uh george nori

55

00:02:15,430 --> 00:02:14,800

and so from that i began meeting people

56

00:02:18,790 --> 00:02:15,440

that were

57

00:02:20,710 --> 00:02:18,800

interested in the ufo thing so

58

00:02:22,949 --> 00:02:20,720

once in a while reuben comes out and if

59

00:02:26,309 --> 00:02:22,959

he comes in the summer we like to go

60

00:02:28,550 --> 00:02:26,319

to baseball games and

61

00:02:30,390 --> 00:02:28,560

so one time we you know if you're at the

62

00:02:32,150 --> 00:02:30,400

baseball game you're free to talk about

63

00:02:32,470 --> 00:02:32,160

whatever you want what a better place to

64

00:02:34,390 --> 00:02:32,480

go

65

00:02:36,309 --> 00:02:34,400

to talk about ufos than to sit in the

66

00:02:37,830 --> 00:02:36,319

baseball stadium and you can sit and

67

00:02:40,309 --> 00:02:37,840

talk

68

00:02:40,869 --> 00:02:40,319

well we went to this baseball game to

69

00:02:43,990 --> 00:02:40,879

see the

70

00:02:47,030 --> 00:02:44,000

rangers and the yankees and

71

00:02:49,270 --> 00:02:47,040

when we were there lo and behold three

72

00:02:50,309 --> 00:02:49,280

nuns came and sat down right in front of

73

00:02:52,790 --> 00:02:50,319

us

74

00:02:54,550 --> 00:02:52,800

and what was worse they were yankees

75

00:02:57,670 --> 00:02:54,560

fans

76

00:02:59,430 --> 00:02:57,680

and they had on these big

77

00:03:01,589 --> 00:02:59,440

habits that they wear so they were kind

78

00:03:03,509 --> 00:03:01,599

of blocking our view

79

00:03:05,509 --> 00:03:03,519

so noey and ruben said well maybe if we

80

00:03:06,790 --> 00:03:05,519

keep talking about ufos they'll get

81

00:03:10,550 --> 00:03:06,800

annoyed and

82

00:03:13,430 --> 00:03:10,560

leave so we kept discussing different

83

00:03:14,869 --> 00:03:13,440

um ufo stories and new things that we

84

00:03:16,550 --> 00:03:14,879

had learned and

85

00:03:18,070 --> 00:03:16,560

sure enough that didn't bother them they

86

00:03:19,670 --> 00:03:18,080

didn't leave

87

00:03:21,589 --> 00:03:19,680

so we thought if we annoyed them enough

88

00:03:23,190 --> 00:03:21,599

they would move to another area and we

89

00:03:25,509 --> 00:03:23,200

could see

90

00:03:27,110 --> 00:03:25,519

so reuben says i think i'm going to go

91

00:03:28,630 --> 00:03:27,120

back to california

92

00:03:31,350 --> 00:03:28,640

you know there's only a couple dozen

93

00:03:34,550 --> 00:03:31,360

nuns in the whole state

94

00:03:35,750 --> 00:03:34,560

well that that didn't bother him and so

95

00:03:37,990 --> 00:03:35,760

no he says well

96

00:03:39,589 --> 00:03:38,000

i think i'll go to louisiana i heard

97

00:03:44,390 --> 00:03:39,599

there's only like a dozen

98

00:03:47,030 --> 00:03:44,400

nuns live there no reaction from them

99

00:03:47,990 --> 00:03:47,040

so i said well i think i'm going to go

100

00:03:49,509 --> 00:03:48,000

to utah

101
00:03:51,110 --> 00:03:49,519
you know up in salt lake city i think

102
00:03:53,030 --> 00:03:51,120
there's only one or two nuns in the

103
00:03:55,190 --> 00:03:53,040
whole state

104
00:03:57,589 --> 00:03:55,200
well one of the nuns turned around and

105
00:04:01,270 --> 00:03:57,599
said well why don't you just go to hell

106
00:04:04,390 --> 00:04:01,280
there's no nuns living there

107
00:04:06,869 --> 00:04:04,400
so we had a good laugh and so we moved a

108
00:04:10,550 --> 00:04:06,879
couple of rows up where we could get a

109
00:04:13,670 --> 00:04:10,560
a better view and began talking about

110
00:04:15,670 --> 00:04:13,680
our favorite thing ufos and and that

111
00:04:18,710 --> 00:04:15,680
sort of thing

112
00:04:21,909 --> 00:04:18,720
and about the time

113
00:04:25,430 --> 00:04:21,919

that this movie came out about

114

00:04:28,469 --> 00:04:25,440

aliens and cowboys um

115

00:04:29,749 --> 00:04:28,479

noe had been doing some research and not

116

00:04:32,070 --> 00:04:29,759

like 133

117

00:04:35,189 --> 00:04:32,080

000 documents are released but research

118

00:04:37,430 --> 00:04:35,199

looking at old newspaper clippings

119

00:04:38,870 --> 00:04:37,440

going through archives online of old

120

00:04:42,710 --> 00:04:38,880

newspapers

121

00:04:46,230 --> 00:04:42,720

and trying to collect some stories about

122

00:04:49,350 --> 00:04:46,240

ufo sightings in the old west

123

00:04:49,749 --> 00:04:49,360

now many people believe that ufos

124

00:04:52,150 --> 00:04:49,759

weren't

125

00:04:53,350 --> 00:04:52,160

cited till you know in the 1940s where

126

00:04:55,430 --> 00:04:53,360

you had the

127

00:04:56,550 --> 00:04:55,440

roswell incident and it was all in the

128

00:04:58,550 --> 00:04:56,560

newspaper or

129

00:05:00,150 --> 00:04:58,560

in the radio television and things like

130

00:05:03,909 --> 00:05:00,160

that

131

00:05:06,710 --> 00:05:03,919

but it really began i mean when men

132

00:05:08,230 --> 00:05:06,720

first began looking up into this into

133

00:05:10,469 --> 00:05:08,240

the skies

134

00:05:12,790 --> 00:05:10,479

nowadays we don't get to look up at this

135

00:05:14,710 --> 00:05:12,800

milky way too much because

136

00:05:16,870 --> 00:05:14,720

i think east of the mississippi you

137

00:05:19,670 --> 00:05:16,880

can't even see the milky way anymore

138

00:05:22,790 --> 00:05:19,680

with the naked eye there's just too much

139

00:05:25,830 --> 00:05:22,800

light pollution so you have to go out

140

00:05:28,710 --> 00:05:25,840

to the west and

141

00:05:29,510 --> 00:05:28,720

last october when we were in presidio

142

00:05:31,990 --> 00:05:29,520

they had a

143

00:05:33,749 --> 00:05:32,000

a star gazing party at the fort leaton

144

00:05:35,749 --> 00:05:33,759

there and you could

145

00:05:37,270 --> 00:05:35,759

gaze up the sky there down on the big

146

00:05:39,189 --> 00:05:37,280

bend and see the

147

00:05:41,909 --> 00:05:39,199

milky way and many of the planets and

148

00:05:44,230 --> 00:05:41,919

things so the old cowboys

149

00:05:46,310 --> 00:05:44,240

you know would go out and as they were

150

00:05:48,070 --> 00:05:46,320

doing their cattle drives or just

151
00:05:49,830 --> 00:05:48,080
working out on the ranches they'd gaze

152
00:05:52,310 --> 00:05:49,840
into the sky and see

153
00:05:54,710 --> 00:05:52,320
you know all kinds of things i mean even

154
00:05:57,590 --> 00:05:54,720
in the bible ezekiel saw

155
00:05:59,749 --> 00:05:57,600
you know a flying wheel that landed and

156
00:06:03,590 --> 00:05:59,759
took off in front of him

157
00:06:04,469 --> 00:06:03,600
many uh recordings of early explorers

158
00:06:07,830 --> 00:06:04,479
crossing the

159
00:06:12,390 --> 00:06:07,840
atlantic seeing strange sites and

160
00:06:19,110 --> 00:06:16,790
and even

161
00:06:19,990 --> 00:06:19,120
some renaissance painters depicted some

162
00:06:23,990 --> 00:06:20,000
strange

163
00:06:24,790 --> 00:06:24,000

flying crafts in some of their paintings

164

00:06:27,990 --> 00:06:24,800

as well as

165

00:06:31,590 --> 00:06:28,000

pictographs and early indian drawings

166

00:06:33,670 --> 00:06:31,600

and the aztecs and mayas had flying

167

00:06:36,469 --> 00:06:33,680

serpents and different things that they

168

00:06:38,070 --> 00:06:36,479

describe in their in their culture and

169

00:06:44,469 --> 00:06:38,080

their myths

170

00:06:48,230 --> 00:06:46,830

we're going to go ahead and start in

171

00:06:51,270 --> 00:06:48,240

1864.

172

00:06:54,790 --> 00:06:51,280

this is much after the 1947

173

00:06:56,629 --> 00:06:54,800

roswell crash now here's a picture

174

00:06:59,430 --> 00:06:56,639

of the authors of the book which i'm

175

00:07:02,230 --> 00:06:59,440

going to tell some of the stories from

176

00:07:03,830 --> 00:07:02,240

and of course there's uh knowie and john

177

00:07:05,670 --> 00:07:03,840

lemay and they're actually out at the

178

00:07:09,510 --> 00:07:05,680

ufo crash site there

179

00:07:18,230 --> 00:07:14,070

now do we know that cowboys

180

00:07:20,870 --> 00:07:18,240

saw ufos well hollywood has

181

00:07:22,870 --> 00:07:20,880

their kind of version of what it would

182

00:07:26,309 --> 00:07:22,880

be like if cowboys and aliens

183

00:07:42,830 --> 00:07:26,319

met and their version looks a little bit

184

00:07:42,840 --> 00:08:02,230

so

185

00:08:06,150 --> 00:08:04,390

and of course you have good guys and bad

186

00:08:08,869 --> 00:08:06,160

guys in every

187

00:08:10,230 --> 00:08:08,879

cowboy movie used to you could tell the

188

00:08:11,510 --> 00:08:10,240

good guys because they had the white

189

00:08:14,230 --> 00:08:11,520

hats and the bad guys

190

00:08:15,670 --> 00:08:14,240

wore the dark hats but in today's movies

191

00:08:31,110 --> 00:08:15,680

it's a little more

192

00:08:43,509 --> 00:08:32,630

i don't think it'll matter i'm just

193

00:08:47,590 --> 00:08:45,910

now it looks pretty ex exciting in the

194

00:08:51,590 --> 00:08:47,600

movies

195

00:08:54,310 --> 00:08:51,600

but in the albuquerque journal after the

196

00:08:55,829 --> 00:08:54,320

movie was released they wrote a little

197

00:08:57,509 --> 00:08:55,839

article that said hey hollywood if

198

00:09:00,550 --> 00:08:57,519

you're going to make a big budget movie

199

00:09:01,110 --> 00:09:00,560

about ets and the wild west can't you at

200

00:09:04,790 --> 00:09:01,120

least

201
00:09:06,230 --> 00:09:04,800
get it right of course spaceman explored

202
00:09:09,829 --> 00:09:06,240
our planets in the days of

203
00:09:11,910 --> 00:09:09,839
lawmen and saloon doors but

204
00:09:14,230 --> 00:09:11,920
was it the cartoonish picture of evil

205
00:09:16,470 --> 00:09:14,240
planetary invaders complete with hideous

206
00:09:20,630 --> 00:09:16,480
teeth and slimy hands

207
00:09:26,310 --> 00:09:23,910
well in the book real cowboys and aliens

208
00:09:27,190 --> 00:09:26,320
the record is set straight using

209
00:09:30,790 --> 00:09:27,200
information from

210
00:09:33,190 --> 00:09:30,800
old newspaper clippings to tell numerous

211
00:09:33,829 --> 00:09:33,200
and very interesting encounters between

212
00:09:36,470 --> 00:09:33,839
farmers

213
00:09:37,350 --> 00:09:36,480

and cowboys and their mysterious

214

00:09:40,710 --> 00:09:37,360

visitors

215

00:09:41,590 --> 00:09:40,720

in flight so they they did a little book

216

00:09:44,550 --> 00:09:41,600

review of

217

00:09:46,630 --> 00:09:44,560

the real cowboys and aliens and so now

218

00:09:51,030 --> 00:09:46,640

we're going to hear some of the

219

00:09:55,030 --> 00:09:51,040

true stories as recorded by eyewitnesses

220

00:09:58,230 --> 00:09:57,269

now in the rocky mountains there was a

221

00:10:01,269 --> 00:09:58,240

mountain man

222

00:10:04,389 --> 00:10:01,279

trapper named of james

223

00:10:06,310 --> 00:10:04,399

lumley and he was out for trapping in

224

00:10:09,430 --> 00:10:06,320

montana

225

00:10:14,550 --> 00:10:09,440

up in the in the teton area

226

00:10:17,590 --> 00:10:16,790

that shows a little place uh the area

227

00:10:22,389 --> 00:10:17,600

where he

228

00:10:28,710 --> 00:10:26,550

and as he was out he heard a swishing

229

00:10:30,630 --> 00:10:28,720

sound a kind of a worrying like a wind

230

00:10:33,269 --> 00:10:30,640

sound in the sky and he looked up and he

231

00:10:35,350 --> 00:10:33,279

saw this bright light coming

232

00:10:37,350 --> 00:10:35,360

towards him and it was coming in at a

233

00:10:40,230 --> 00:10:37,360

very

234

00:10:42,790 --> 00:10:40,240

extremely fast speed and as it got

235

00:10:46,150 --> 00:10:42,800

closer and closer it exploded

236

00:10:49,110 --> 00:10:46,160

and a tremendous wind

237

00:10:50,630 --> 00:10:49,120

pass like a hurricane he describes it as

238

00:10:53,269 --> 00:10:50,640

a hurricane

239

00:10:55,190 --> 00:10:53,279

and the earth shook and there was a loud

240

00:10:58,870 --> 00:10:55,200

explosion and of course this was at

241

00:11:02,389 --> 00:10:58,880

night and so he was unable to see

242

00:11:05,110 --> 00:11:02,399

exactly what it was that caused this

243

00:11:05,670 --> 00:11:05,120

great catastrophe so the next morning he

244

00:11:09,110 --> 00:11:05,680

went out

245

00:11:10,389 --> 00:11:09,120

in search of what had caused uh this to

246

00:11:12,230 --> 00:11:10,399

happen

247

00:11:13,590 --> 00:11:12,240

and he was very surprised just a few

248

00:11:17,190 --> 00:11:13,600

miles from where he was

249

00:11:20,230 --> 00:11:17,200

camped as he got closer to

250

00:11:20,790 --> 00:11:20,240

what had caused this disturbance he

251
00:11:24,069 --> 00:11:20,800
noticed

252
00:11:26,470 --> 00:11:24,079
that there was a great swath of trees

253
00:11:28,470 --> 00:11:26,480
had been just completely blown over the

254
00:11:31,430 --> 00:11:28,480
tops knocked off them

255
00:11:32,150 --> 00:11:31,440
and places in the ground which were dug

256
00:11:36,310 --> 00:11:32,160
up like

257
00:11:39,750 --> 00:11:36,320
you know a huge giant plow had come

258
00:11:40,150 --> 00:11:39,760
through the area and as he got closer he

259
00:11:44,470 --> 00:11:40,160
found

260
00:11:47,670 --> 00:11:44,480
a huge um looked like a burnt

261
00:11:49,030 --> 00:11:47,680
rock that was stuck in the ground

262
00:11:51,030 --> 00:11:49,040
and that's what he thought it was he

263
00:11:52,949 --> 00:11:51,040

thought well it's got to be a meteorite

264

00:11:56,710 --> 00:11:52,959

that fell from the sky

265

00:11:59,269 --> 00:11:56,720

and as he got closer and and

266

00:12:00,470 --> 00:11:59,279

and observe the the object that he was

267

00:12:02,389 --> 00:12:00,480

looking at

268

00:12:04,150 --> 00:12:02,399

well he discovered that it wasn't a

269

00:12:07,430 --> 00:12:04,160

stone but it was actual

270

00:12:10,629 --> 00:12:09,110

a craft or something or some kind of

271

00:12:12,470 --> 00:12:10,639

device that was divided into

272

00:12:15,350 --> 00:12:12,480

compartments in which he could

273

00:12:16,790 --> 00:12:15,360

enter and so as he entered into these

274

00:12:20,069 --> 00:12:16,800

different compartments

275

00:12:22,550 --> 00:12:20,079

he noticed on the on the on the sides of

276

00:12:24,310 --> 00:12:22,560

the walls of some of the

277

00:12:27,030 --> 00:12:24,320

compartments that he entered was some

278

00:12:30,470 --> 00:12:27,040

very strange writing which he described

279

00:12:34,069 --> 00:12:30,480

looking like what he thought would be

280

00:12:39,190 --> 00:12:34,079

egyptian hieroglyphics and so

281

00:12:41,509 --> 00:12:39,200

uh later he he uh

282

00:12:43,190 --> 00:12:41,519

told this story to some people and it

283

00:12:44,629 --> 00:12:43,200

was reported in the cincinnati

284

00:12:48,710 --> 00:12:44,639

commercial

285

00:12:50,870 --> 00:12:48,720

um about what he had saw

286

00:12:52,790 --> 00:12:50,880

they said that strangers the story

287

00:12:54,710 --> 00:12:52,800

appears mr lumley relates it with so

288

00:12:57,829 --> 00:12:54,720

much sincerity that we're a force

289

00:13:01,269 --> 00:12:57,839

to accept that it is true

290

00:13:04,629 --> 00:13:01,279

um and so after interviewing him and

291

00:13:07,790 --> 00:13:04,639

listening to his his remarkable tale

292

00:13:10,310 --> 00:13:07,800

they published that story it says

293

00:13:13,509 --> 00:13:10,320

interestingly enough

294

00:13:16,230 --> 00:13:13,519

it was i guess about

295

00:13:17,350 --> 00:13:16,240

35 years later that h.d wells published

296

00:13:20,470 --> 00:13:17,360

his book

297

00:13:21,509 --> 00:13:20,480

of course the war of the worlds and in

298

00:13:23,990 --> 00:13:21,519

that book

299

00:13:26,629 --> 00:13:24,000

the first spaceship that appears also

300

00:13:29,750 --> 00:13:26,639

looks like a burnt

301
00:13:32,069 --> 00:13:29,760
rock of some kind that has landed and

302
00:13:35,430 --> 00:13:32,079
it's not until the aliens

303
00:13:37,509 --> 00:13:35,440
unscrew the top of the of this craft and

304
00:13:40,629 --> 00:13:37,519
come out that they discover that it's

305
00:13:44,069 --> 00:13:40,639
not a meteor but that it's a

306
00:13:46,389 --> 00:13:44,079
a spaceship with visitors

307
00:13:47,509 --> 00:13:46,399
another promoter so mr lumley was one of

308
00:13:51,430 --> 00:13:47,519
the first

309
00:13:53,509 --> 00:13:51,440
to have his eyewitness

310
00:13:56,230 --> 00:13:53,519
statements recorded and published in the

311
00:14:03,110 --> 00:14:00,230
now about 10 years later an interesting

312
00:14:04,389 --> 00:14:03,120
occurrence occurred in kansas and also

313
00:14:08,629 --> 00:14:04,399

not too far away

314

00:14:12,550 --> 00:14:08,639

in in the south in the state of texas

315

00:14:15,030 --> 00:14:12,560

and in this story uh

316

00:14:15,990 --> 00:14:15,040

people saw and observed what they

317

00:14:19,430 --> 00:14:16,000

described as

318

00:14:20,069 --> 00:14:19,440

a flying serpent it was recorded in the

319

00:14:24,870 --> 00:14:20,079

fort

320

00:14:28,870 --> 00:14:24,880

scott monitor and then later it was

321

00:14:34,629 --> 00:14:31,829

um people saw an enormous serpent that

322

00:14:38,230 --> 00:14:34,639

seemed to float like a cloud

323

00:14:41,750 --> 00:14:40,310

that they described looked like a giant

324

00:14:45,189 --> 00:14:41,760

snake that was

325

00:14:48,310 --> 00:14:45,199

undulating in the sky that breathed

326

00:14:51,509 --> 00:14:48,320

fire and it was traveling at

327

00:14:54,550 --> 00:14:51,519

a very slow and undulating

328

00:14:57,670 --> 00:14:54,560

speed said in the new york times that

329

00:15:01,750 --> 00:14:57,680

they compened also about

330

00:15:05,030 --> 00:15:01,760

the people reporting this and they said

331

00:15:06,550 --> 00:15:05,040

that a few years later or earlier people

332

00:15:09,189 --> 00:15:06,560

in kansas had reported or

333

00:15:11,269 --> 00:15:09,199

nebraska had reported the same type of

334

00:15:13,030 --> 00:15:11,279

sighting

335

00:15:15,110 --> 00:15:13,040

and so many of people saw it that they

336

00:15:16,310 --> 00:15:15,120

put it into a song they wrote a folk

337

00:15:19,269 --> 00:15:16,320

song about it

338

00:15:20,470 --> 00:15:19,279

and one of the verses says there was a

339

00:15:23,269 --> 00:15:20,480

serpent

340

00:15:23,590 --> 00:15:23,279

a flying engine with no wing or wheel it

341

00:15:27,189 --> 00:15:23,600

came

342

00:15:28,389 --> 00:15:27,199

a roaring in the sky with lights along

343

00:15:31,910 --> 00:15:28,399

the side

344

00:15:33,990 --> 00:15:31,920

and scales like a serpent's hide

345

00:15:36,629 --> 00:15:34,000

well some people say this sounds more

346

00:15:38,069 --> 00:15:36,639

like a ufo than a snake flying through

347

00:15:41,269 --> 00:15:38,079

the sky

348

00:15:44,710 --> 00:15:41,279

but many cultures have

349

00:15:46,949 --> 00:15:44,720

have flying serpents uh

350

00:15:48,150 --> 00:15:46,959

in their legends and stories including

351

00:15:51,350 --> 00:15:48,160

the aztecs

352

00:15:54,870 --> 00:15:51,360

of course which had the the serpent god

353

00:15:58,870 --> 00:15:54,880

uh quetzalcoatl was one of their

354

00:16:01,990 --> 00:15:58,880

main gods that they worshipped so

355

00:16:03,189 --> 00:16:02,000

these incidents remain a mystery and

356

00:16:06,829 --> 00:16:03,199

later we'll see

357

00:16:12,069 --> 00:16:06,839

another very similar type of sighting in

358

00:16:18,389 --> 00:16:15,509

now just a few years later

359

00:16:20,150 --> 00:16:18,399

okay this story happens near dallas and

360

00:16:22,870 --> 00:16:20,160

it's actually the first time

361

00:16:24,069 --> 00:16:22,880

that someone used the word as a saucer

362

00:16:27,110 --> 00:16:24,079

to describe

363

00:16:31,749 --> 00:16:27,120

the ufo that they saw

364

00:16:34,790 --> 00:16:31,759

okay now this farmer

365

00:16:37,829 --> 00:16:34,800

his name was john martin

366

00:16:40,550 --> 00:16:37,839

and he was out

367

00:16:42,949 --> 00:16:40,560

one day when he saw what he described as

368

00:16:44,790 --> 00:16:42,959

an upside down saucer

369

00:16:46,550 --> 00:16:44,800

that was about the size of an orange and

370

00:16:48,310 --> 00:16:46,560

it was coming towards him and as it came

371

00:16:51,269 --> 00:16:48,320

with great speed it got closer and

372

00:16:54,389 --> 00:16:51,279

closer and got larger and larger

373

00:16:57,269 --> 00:16:54,399

uh in the dennis and daily news it was

374

00:17:01,749 --> 00:16:59,269

and they they confirmed that martin was

375

00:17:03,269 --> 00:17:01,759

a very trustworthy person

376

00:17:05,270 --> 00:17:03,279

that he was not the kind of person who

377

00:17:07,510 --> 00:17:05,280

would make up a false story he's a

378

00:17:08,630 --> 00:17:07,520

gentleman an undoubted veracity and his

379

00:17:10,470 --> 00:17:08,640

strange occurrence

380

00:17:13,350 --> 00:17:10,480

if it was not a balloon deserves the

381

00:17:15,350 --> 00:17:13,360

attention of our scientists

382

00:17:16,789 --> 00:17:15,360

so hot air balloons were invented in

383

00:17:19,350 --> 00:17:16,799

those days but

384

00:17:23,590 --> 00:17:19,360

what he describes as anything but being

385

00:17:23,600 --> 00:17:28,309

and of course one of my favorite stories

386

00:17:36,230 --> 00:17:32,950

about unusual phenomenon

387

00:17:39,270 --> 00:17:36,240

is located not far from here how many

388

00:17:42,390 --> 00:17:39,280

have been out to see the marfa lights

389

00:17:44,310 --> 00:17:42,400

okay i for the first time i saw them

390

00:17:46,310 --> 00:17:44,320

just a couple of years ago and then

391

00:17:47,510 --> 00:17:46,320

last october we stopped to see them

392

00:17:50,310 --> 00:17:47,520

again

393

00:17:51,270 --> 00:17:50,320

and these lights have been seen and

394

00:17:53,430 --> 00:17:51,280

recorded

395

00:17:55,029 --> 00:17:53,440

being seen since the 1800s i'm sure

396

00:17:58,310 --> 00:17:55,039

they've been seen

397

00:17:59,830 --> 00:17:58,320

many times before that and sometimes

398

00:18:01,270 --> 00:17:59,840

they're called the ghost lights or the

399

00:18:03,430 --> 00:18:01,280

apache lights

400

00:18:05,350 --> 00:18:03,440

and they're so famous that the state of

401
00:18:07,110 --> 00:18:05,360
texas has actually built

402
00:18:08,870 --> 00:18:07,120
a viewing area there where you could

403
00:18:13,830 --> 00:18:08,880
stop along the highway

404
00:18:15,350 --> 00:18:13,840
at night and watch the lights come out

405
00:18:17,029 --> 00:18:15,360
and there are many folk tales and

406
00:18:20,070 --> 00:18:17,039
stories that surround

407
00:18:23,190 --> 00:18:20,080
uh the this

408
00:18:24,950 --> 00:18:23,200
unusual occurrence of these lights these

409
00:18:27,669 --> 00:18:24,960
are some pictures that know ian

410
00:18:27,990 --> 00:18:27,679
took just a couple of summers ago with

411
00:18:29,909 --> 00:18:28,000
his

412
00:18:31,510 --> 00:18:29,919
camera that that show some of the lights

413
00:18:33,430 --> 00:18:31,520

appearing

414

00:18:34,870 --> 00:18:33,440

there off into the mountains looking

415

00:18:38,070 --> 00:18:34,880

down towards the

416

00:18:40,830 --> 00:18:38,080

presidio and towards the uh

417

00:18:43,669 --> 00:18:40,840

the rio grande river from the viewing

418

00:18:45,990 --> 00:18:43,679

area

419

00:18:48,230 --> 00:18:46,000

this is a little laser experiment that

420

00:18:49,270 --> 00:18:48,240

one of the paranormal groups did when

421

00:18:51,350 --> 00:18:49,280

when they were there and they would

422

00:18:53,669 --> 00:18:51,360

point the laser at the lights

423

00:18:56,310 --> 00:18:53,679

and the lights would sometimes go out or

424

00:18:59,270 --> 00:18:56,320

they would split into many other lights

425

00:19:00,789 --> 00:18:59,280

and using their night vision goggles

426
00:19:02,150 --> 00:19:00,799
like we would look and we'd see two or

427
00:19:04,470 --> 00:19:02,160
three lights but when you put on those

428
00:19:05,029 --> 00:19:04,480
goggles you'd see dozens of those lights

429
00:19:09,350 --> 00:19:05,039
that

430
00:19:11,270 --> 00:19:09,360
didn't appear with the naked eye

431
00:19:12,870 --> 00:19:11,280
this is a picture of the viewing station

432
00:19:14,310 --> 00:19:12,880
if you have never been out that way you

433
00:19:17,669 --> 00:19:14,320
can go out there

434
00:19:18,310 --> 00:19:17,679
and usually the lights come begin to

435
00:19:21,270 --> 00:19:18,320
appear

436
00:19:22,870 --> 00:19:21,280
not too long after dark but a lot of

437
00:19:29,029 --> 00:19:22,880
times it's later in the night where they

438
00:19:29,039 --> 00:19:35,750

let's go back a second here

439

00:19:40,470 --> 00:19:39,190

well one of the first uh attempts to

440

00:19:42,470 --> 00:19:40,480

figure out what they were was an

441

00:19:42,789 --> 00:19:42,480

engineer named walter harris and he went

442

00:19:45,029 --> 00:19:42,799

out

443

00:19:46,549 --> 00:19:45,039

he was surveying in the area and he saw

444

00:19:49,029 --> 00:19:46,559

the lights and he

445

00:19:50,789 --> 00:19:49,039

he thought that maybe it was some guys

446

00:19:52,390 --> 00:19:50,799

camping out there or some indians that

447

00:19:55,110 --> 00:19:52,400

had lit and lit

448

00:19:56,549 --> 00:19:55,120

campfires and so they went out into the

449

00:19:58,070 --> 00:19:56,559

towards the mountains there where the

450

00:20:00,710 --> 00:19:58,080

lights appear

451
00:20:02,310 --> 00:20:00,720
and they found nothing and they they

452
00:20:04,070 --> 00:20:02,320
attempted to go out in the daytime and

453
00:20:04,549 --> 00:20:04,080
look around for campfires and that and

454
00:20:08,230 --> 00:20:04,559
they

455
00:20:09,270 --> 00:20:08,240
must have been large fires but found no

456
00:20:11,190 --> 00:20:09,280
evidence

457
00:20:12,470 --> 00:20:11,200
so they continued to do that for three

458
00:20:15,510 --> 00:20:12,480
nights

459
00:20:17,350 --> 00:20:15,520
and never discovered anything

460
00:20:18,789 --> 00:20:17,360
then there was a cowboy named robert

461
00:20:21,830 --> 00:20:18,799
reed ellison

462
00:20:23,510 --> 00:20:21,840
who was herding cattle who also

463
00:20:24,950 --> 00:20:23,520

decided he was going to ride out there

464

00:20:28,710 --> 00:20:24,960

with his horses

465

00:20:34,710 --> 00:20:32,630

he had went many nights in a row

466

00:20:36,230 --> 00:20:34,720

on horseback with his men to try to get

467

00:20:37,590 --> 00:20:36,240

close to the lights and see what they

468

00:20:41,830 --> 00:20:37,600

were and

469

00:20:44,390 --> 00:20:41,840

was never able to to discover the

470

00:20:47,350 --> 00:20:44,400

source of those lights there's been many

471

00:20:50,310 --> 00:20:47,360

tv shows and

472

00:20:52,149 --> 00:20:50,320

experiments by uh different colleges and

473

00:20:53,669 --> 00:20:52,159

things to try to determine what causes

474

00:20:55,590 --> 00:20:53,679

those lights

475

00:20:56,870 --> 00:20:55,600

and there are many stories that go along

476
00:20:59,669 --> 00:20:56,880
with it

477
00:21:00,070 --> 00:20:59,679
some say it's a ghost of an indian chief

478
00:21:04,070 --> 00:21:00,080
named

479
00:21:05,990 --> 00:21:04,080
alzate who used to

480
00:21:07,350 --> 00:21:06,000
conduct raids across the border into

481
00:21:09,190 --> 00:21:07,360
mexico and the

482
00:21:11,590 --> 00:21:09,200
mexican government got very upset and

483
00:21:14,710 --> 00:21:11,600
they finally captured and killed him

484
00:21:17,750 --> 00:21:14,720
and rounded up his men

485
00:21:18,390 --> 00:21:17,760
and sold them all off into slavery to

486
00:21:21,590 --> 00:21:18,400
try

487
00:21:23,750 --> 00:21:21,600
to to stop him from going

488
00:21:25,909 --> 00:21:23,760

to the villages in mexico and raiding

489

00:21:27,669 --> 00:21:25,919

and stealing the

490

00:21:29,190 --> 00:21:27,679

you know chickens and horses and things

491

00:21:32,310 --> 00:21:29,200

like that

492

00:21:33,750 --> 00:21:32,320

and they say that some of the stories

493

00:21:36,870 --> 00:21:33,760

say that it's the ghost of

494

00:21:38,149 --> 00:21:36,880

alsate but one of the stories i like is

495

00:21:41,590 --> 00:21:38,159

the story of a

496

00:21:44,870 --> 00:21:41,600

blacksmith that was in the area there

497

00:21:46,470 --> 00:21:44,880

and his name was john

498

00:21:47,990 --> 00:21:46,480

and there's many different versions of

499

00:21:49,750 --> 00:21:48,000

this story but

500

00:21:52,149 --> 00:21:49,760

john you know he started out as a real

501
00:21:55,669 --> 00:21:52,159
nice guy and of course blacksmiths were

502
00:21:57,029 --> 00:21:55,679
uh very looked upon uh profession in

503
00:21:58,950 --> 00:21:57,039
those days because

504
00:22:01,510 --> 00:21:58,960
if you needed a tool fixed you needed a

505
00:22:02,950 --> 00:22:01,520
shovel fixed or you needed uh

506
00:22:04,789 --> 00:22:02,960
your horseshoed you went to the

507
00:22:08,149 --> 00:22:04,799
blacksmith well

508
00:22:09,510 --> 00:22:08,159
he was kind of a mean old guy as he got

509
00:22:11,190 --> 00:22:09,520
older and older and

510
00:22:12,630 --> 00:22:11,200
people would quit going to see him

511
00:22:15,190 --> 00:22:12,640
because

512
00:22:17,110 --> 00:22:15,200
he was just mean and he liked to play

513
00:22:18,710 --> 00:22:17,120

jokes on people so they would only go to

514

00:22:21,430 --> 00:22:18,720

see him

515

00:22:23,430 --> 00:22:21,440

when it was absolutely necessary so when

516

00:22:25,830 --> 00:22:23,440

people stopped going to see him

517

00:22:26,870 --> 00:22:25,840

he would go out and invite people in

518

00:22:28,549 --> 00:22:26,880

because

519

00:22:30,549 --> 00:22:28,559

he liked to play tricks on people so

520

00:22:33,029 --> 00:22:30,559

sometimes he'd go out and invite people

521

00:22:34,870 --> 00:22:33,039

in for dinner and then after he was

522

00:22:38,230 --> 00:22:34,880

feeding them he'd play some kind of

523

00:22:41,909 --> 00:22:38,240

mean joke on them or trick on them

524

00:22:45,590 --> 00:22:41,919

and so the story goes one cold winter

525

00:22:48,789 --> 00:22:45,600

day he went out and there was an old

526
00:22:50,230 --> 00:22:48,799
man walking around old grey-haired man

527
00:22:52,549 --> 00:22:50,240
with a long beard and

528
00:22:54,230 --> 00:22:52,559
so he invited him in to eat because he

529
00:22:57,190 --> 00:22:54,240
looked pretty old and

530
00:22:59,110 --> 00:22:57,200
and kind of crippled and so as he came

531
00:23:01,190 --> 00:22:59,120
in he cooked him up some soup and began

532
00:23:02,870 --> 00:23:01,200
to feed him and he thought

533
00:23:04,549 --> 00:23:02,880
well this guy's kind of old maybe i

534
00:23:07,669 --> 00:23:04,559
shouldn't play a

535
00:23:11,029 --> 00:23:07,679
trick on him or be mean to him so

536
00:23:13,669 --> 00:23:11,039
he you know he fed him and and began

537
00:23:15,430 --> 00:23:13,679
to talk with him and as he fed him the

538
00:23:17,430 --> 00:23:15,440

man's

539

00:23:18,870 --> 00:23:17,440

appearance began to change he began to

540

00:23:22,230 --> 00:23:18,880

grow he

541

00:23:25,909 --> 00:23:22,240

his hair got shorter his beard got

542

00:23:29,669 --> 00:23:25,919

shorter and he grew taller and

543

00:23:30,630 --> 00:23:29,679

he noticed he had on old raggedy clothes

544

00:23:33,190 --> 00:23:30,640

that turned into

545

00:23:33,990 --> 00:23:33,200

kind of a robe and around his neck was a

546

00:23:37,190 --> 00:23:34,000

chain with

547

00:23:39,510 --> 00:23:37,200

with some keys and

548

00:23:40,789 --> 00:23:39,520

so wicked john said well what the heck

549

00:23:42,950 --> 00:23:40,799

is going on who are you

550

00:23:44,549 --> 00:23:42,960

and he said well if you ever went to

551

00:23:48,070 --> 00:23:44,559

church you might know who i

552

00:23:51,190 --> 00:23:48,080

am i'm saint peter and

553

00:23:51,909 --> 00:23:51,200

i come down here on earth once a year

554

00:23:54,470 --> 00:23:51,919

and if somebody

555

00:23:55,430 --> 00:23:54,480

does anything kind for me i give them

556

00:23:58,549 --> 00:23:55,440

three wishes

557

00:24:00,870 --> 00:23:58,559

that and i grant them and so a wicked

558

00:24:03,430 --> 00:24:00,880

john began to think and he said hmm

559

00:24:05,990 --> 00:24:03,440

three wishes i could do a lot of

560

00:24:09,350 --> 00:24:06,000

mischief with that

561

00:24:12,230 --> 00:24:09,360

and so he says okay

562

00:24:14,710 --> 00:24:12,240

he says for my first wish you see my

563

00:24:16,549 --> 00:24:14,720

favorite rocking chair over there

564

00:24:18,230 --> 00:24:16,559

well there's always some lazy bum coming

565

00:24:20,710 --> 00:24:18,240

in sitting in my rocking chair

566

00:24:21,990 --> 00:24:20,720

and when i'm tired there's i i'd like to

567

00:24:24,070 --> 00:24:22,000

sit there

568

00:24:25,029 --> 00:24:24,080

it says i wish that when someone sits in

569

00:24:27,190 --> 00:24:25,039

that chair

570

00:24:29,990 --> 00:24:27,200

it grabs all of them and it rocks until

571

00:24:32,230 --> 00:24:30,000

i tell it to stop

572

00:24:33,110 --> 00:24:32,240

and saint peter said gosh that's an

573

00:24:36,390 --> 00:24:33,120

awful strange

574

00:24:39,510 --> 00:24:36,400

wish don't you want gold or a mansion or

575

00:24:42,070 --> 00:24:39,520

new horses or something no no he says

576

00:24:45,269 --> 00:24:42,080

well what do you want for a second wish

577

00:24:47,750 --> 00:24:45,279

and john said well you see my my hammer

578

00:24:50,630 --> 00:24:47,760

over there i use that to make my living

579

00:24:52,710 --> 00:24:50,640

but a lot of times i go to get my hammer

580

00:24:53,590 --> 00:24:52,720

and it's gone some kids are out pounding

581

00:24:55,909 --> 00:24:53,600

rocks

582

00:24:56,630 --> 00:24:55,919

or something with it so anybody picks up

583

00:24:58,390 --> 00:24:56,640

my hammer

584

00:25:02,390 --> 00:24:58,400

i want that hammer to grab a hold of

585

00:25:05,750 --> 00:25:02,400

them and pound until i tell it to stop

586

00:25:07,510 --> 00:25:05,760

so saint peter said that's just absurd

587

00:25:10,549 --> 00:25:07,520

what kind of wish is that but

588

00:25:12,230 --> 00:25:10,559

it's your wish and he said what what's

589

00:25:14,710 --> 00:25:12,240

your last wish

590

00:25:15,830 --> 00:25:14,720

he said well look outside the door of

591

00:25:22,070 --> 00:25:15,840

the

592

00:25:23,430 --> 00:25:22,080

prettiest yellow roses you ever saw

593

00:25:25,430 --> 00:25:23,440

but the kids are always coming and

594

00:25:29,029 --> 00:25:25,440

picking it and

595

00:25:31,029 --> 00:25:29,039

i just it really upsets me says i

596

00:25:32,070 --> 00:25:31,039

i wish that anybody that gets near that

597

00:25:33,750 --> 00:25:32,080

bush

598

00:25:35,510 --> 00:25:33,760

it grabs a hold of them and it sticks

599

00:25:36,870 --> 00:25:35,520

them with those thorns until i tell it

600

00:25:38,950 --> 00:25:36,880

to stop

601
00:25:40,230 --> 00:25:38,960
so saint peter said all right those are

602
00:25:43,350 --> 00:25:40,240
your wishes

603
00:25:47,350 --> 00:25:43,360
so i floated off into the sky and

604
00:25:48,870 --> 00:25:47,360
disappeared well john didn't get any

605
00:25:53,029 --> 00:25:48,880
nicer

606
00:25:54,390 --> 00:25:53,039
and so he just kept doing mean things

607
00:25:56,310 --> 00:25:54,400
well pretty soon the devil

608
00:25:58,470 --> 00:25:56,320
found out about him how mean he was he

609
00:25:59,269 --> 00:25:58,480
says i think it's time that guy comes

610
00:26:02,230 --> 00:25:59,279
down here

611
00:26:03,029 --> 00:26:02,240
his days are numbered anyway so he sent

612
00:26:06,870 --> 00:26:03,039
his youngest son

613
00:26:08,789 --> 00:26:06,880

up to get john and john went up and

614

00:26:10,149 --> 00:26:08,799

went up he went up to visit john and he

615

00:26:13,510 --> 00:26:10,159

appeared at the door and

616

00:26:16,310 --> 00:26:13,520

john says who are you he says i'm the

617

00:26:17,909 --> 00:26:16,320

i'm the son of the devil and he sent me

618

00:26:19,750 --> 00:26:17,919

up here to get you

619

00:26:21,110 --> 00:26:19,760

he says well i got plenty of work to do

620

00:26:22,549 --> 00:26:21,120

here i'm not going

621

00:26:24,470 --> 00:26:22,559

he says well you're going whether you

622

00:26:26,950 --> 00:26:24,480

like it or not

623

00:26:27,510 --> 00:26:26,960

and john says all right i'll go i gotta

624

00:26:29,909 --> 00:26:27,520

finish

625

00:26:31,830 --> 00:26:29,919

this horseshoe why don't you go sit down

626
00:26:34,950 --> 00:26:31,840
in that chair over there and relax

627
00:26:37,510 --> 00:26:34,960
for a little while well

628
00:26:38,710 --> 00:26:37,520
the devil young devil sits in there and

629
00:26:39,990 --> 00:26:38,720
the chair grabs a hold of him and it

630
00:26:41,669 --> 00:26:40,000
rocks him and rocks him and rocks him

631
00:26:44,870 --> 00:26:41,679
and rocks him until he's so dizzy he's

632
00:26:48,230 --> 00:26:44,880
going to throw up and he says stop

633
00:26:49,909 --> 00:26:48,240
so john says all right but only if you

634
00:26:52,230 --> 00:26:49,919
leave and never come back here to bother

635
00:26:52,710 --> 00:26:52,240
me again i promise he said so he said

636
00:26:57,430 --> 00:26:52,720
stop

637
00:26:59,430 --> 00:26:57,440
well when the devil heard that he said

638
00:27:02,710 --> 00:26:59,440

gosh that guy is mean

639

00:27:04,310 --> 00:27:02,720

he says he sent his oldest son this time

640

00:27:05,830 --> 00:27:04,320

go on up there and get john bring him

641

00:27:07,430 --> 00:27:05,840

down here and don't take no for an

642

00:27:09,750 --> 00:27:07,440

answer

643

00:27:10,710 --> 00:27:09,760

so he goes up there same kind of thing

644

00:27:13,590 --> 00:27:10,720

john's like

645

00:27:13,990 --> 00:27:13,600

who are you i'm coming to get you my my

646

00:27:17,190 --> 00:27:14,000

dad

647

00:27:18,789 --> 00:27:17,200

sent me he said all right

648

00:27:20,789 --> 00:27:18,799

why don't you have a seat in that chair

649

00:27:21,909 --> 00:27:20,799

over there he said i'm not sitting in

650

00:27:23,909 --> 00:27:21,919

that chair

651

00:27:25,029 --> 00:27:23,919

he said well i can't go yet i still have

652

00:27:27,029 --> 00:27:25,039

some work to do

653

00:27:29,190 --> 00:27:27,039

could you bring me my hammer so i could

654

00:27:31,190 --> 00:27:29,200

finish this horseshoe

655

00:27:32,549 --> 00:27:31,200

so the little devil grabbed a hold of

656

00:27:34,230 --> 00:27:32,559

the hammer and the hammer grabbed a hold

657

00:27:36,470 --> 00:27:34,240

of him and began to pound and pound and

658

00:27:38,389 --> 00:27:36,480

pound till his arm was so long and tired

659

00:27:40,149 --> 00:27:38,399

stretched out

660

00:27:41,750 --> 00:27:40,159

he couldn't stand it anymore and he said

661

00:27:43,750 --> 00:27:41,760

please make it stop

662

00:27:45,750 --> 00:27:43,760

john said all right but only if you

663

00:27:46,630 --> 00:27:45,760

leave and never come back and bother me

664

00:27:51,430 --> 00:27:46,640

again

665

00:27:55,029 --> 00:27:51,440

and so he promised john said stop hammer

666

00:27:59,430 --> 00:27:55,039

it stopped so he went back down

667

00:28:01,510 --> 00:27:59,440

his arm was all hanging down he was just

668

00:28:03,269 --> 00:28:01,520

in such sad shape and the devil saw that

669

00:28:05,269 --> 00:28:03,279

he says i guess i'm gonna have to take

670

00:28:07,990 --> 00:28:05,279

things into my own hands

671

00:28:09,750 --> 00:28:08,000

so with a cloud of dust smoke and fire

672

00:28:12,310 --> 00:28:09,760

he appeared in the blacksmith shop

673

00:28:13,830 --> 00:28:12,320

all right john you're coming with me he

674

00:28:15,430 --> 00:28:13,840

says i can't

675

00:28:17,190 --> 00:28:15,440

why don't you sit in that chair and the

676

00:28:19,830 --> 00:28:17,200

devil says i'm not

677

00:28:21,669 --> 00:28:19,840

i'm not gonna sit in there well bring me

678

00:28:21,990 --> 00:28:21,679

my hammer so i can finish my work i'm

679

00:28:25,190 --> 00:28:22,000

not

680

00:28:26,230 --> 00:28:25,200

falling for that so they began to circle

681

00:28:27,830 --> 00:28:26,240

each other and they got in a big

682

00:28:30,549 --> 00:28:27,840

wrestling match and there was

683

00:28:32,230 --> 00:28:30,559

dust and screaming and yelling and

684

00:28:34,070 --> 00:28:32,240

pretty soon the dust smoked

685

00:28:35,750 --> 00:28:34,080

the devil had old john by the legs he

686

00:28:38,389 --> 00:28:35,760

says now i'm going to give you a whoopin

687

00:28:41,190 --> 00:28:38,399

you're never going to forget so he went

688

00:28:43,269 --> 00:28:41,200

out to that thorn bush to grab himself

689

00:28:44,870 --> 00:28:43,279

a branch off of there and when he did

690

00:28:46,310 --> 00:28:44,880

the bush grabbed him and pulled him

691

00:28:47,190 --> 00:28:46,320

right in and began to stick him and

692

00:28:49,590 --> 00:28:47,200

stick him in

693

00:28:50,630 --> 00:28:49,600

thorns everywhere and he was screaming

694

00:28:53,029 --> 00:28:50,640

and yelling and

695

00:28:54,549 --> 00:28:53,039

john was laughing and finally the devil

696

00:28:56,870 --> 00:28:54,559

gave up and said

697

00:28:58,149 --> 00:28:56,880

okay let me go and he said all right but

698

00:29:01,110 --> 00:28:58,159

only if you promised

699

00:29:02,389 --> 00:29:01,120

and don't bother me again so he made the

700

00:29:05,830 --> 00:29:02,399

promise and

701
00:29:08,230 --> 00:29:05,840
the devil was beat he didn't get john's

702
00:29:11,990 --> 00:29:11,110
well it wasn't too long after that that

703
00:29:14,870 --> 00:29:12,000
john actually

704
00:29:17,990 --> 00:29:14,880
died so when he died he went up to

705
00:29:20,149 --> 00:29:18,000
heaven and there was saint peter and

706
00:29:21,110 --> 00:29:20,159
saint peter says what are you doing up

707
00:29:24,230 --> 00:29:21,120
here

708
00:29:24,870 --> 00:29:24,240
he says well i'm dead i'm come to to

709
00:29:27,669 --> 00:29:24,880
rest

710
00:29:29,669 --> 00:29:27,679
you're not coming up here you're too

711
00:29:33,350 --> 00:29:29,679
mean you got to go down

712
00:29:36,710 --> 00:29:33,360
you got to go down to hell all right

713
00:29:38,230 --> 00:29:36,720

so he he began his descent down

714

00:29:40,389 --> 00:29:38,240

and as he was going down to hell he

715

00:29:41,750 --> 00:29:40,399

passed the first little devil and he saw

716

00:29:45,110 --> 00:29:41,760

him he says oh my gosh

717

00:29:47,269 --> 00:29:45,120

it's john so he ran through the gates

718

00:29:48,870 --> 00:29:47,279

and he told his brother john's had come

719

00:29:50,630 --> 00:29:48,880

and locked the gates so they locked the

720

00:29:52,149 --> 00:29:50,640

gates there to hell and when john got

721

00:29:52,789 --> 00:29:52,159

there he knocked on the gates and the

722

00:29:54,789 --> 00:29:52,799

devil came

723

00:29:56,230 --> 00:29:54,799

out and said what do you want he says

724

00:29:58,870 --> 00:29:56,240

well i went up to see

725

00:30:01,269 --> 00:29:58,880

saint peter and he wouldn't let me in so

726

00:30:03,269 --> 00:30:01,279

where else am i supposed to go

727

00:30:04,950 --> 00:30:03,279

he said well you're not coming in here

728

00:30:08,070 --> 00:30:04,960

that's for sure

729

00:30:09,830 --> 00:30:08,080

and john says well where can i go

730

00:30:11,669 --> 00:30:09,840

then if i can't go to heaven and i can't

731

00:30:15,269 --> 00:30:11,679

go to hell he says i don't care

732

00:30:19,430 --> 00:30:17,669

so john said oh okay i guess i will and

733

00:30:21,269 --> 00:30:19,440

as he turned around

734

00:30:22,950 --> 00:30:21,279

those two little devils each picked up a

735

00:30:25,110 --> 00:30:22,960

big ball of fire and threw him over the

736

00:30:26,870 --> 00:30:25,120

fence and hit john in the back

737

00:30:28,389 --> 00:30:26,880

he grabbed those balls of fire and he

738

00:30:31,350 --> 00:30:28,399

was going to throw him back he said

739

00:30:33,029 --> 00:30:31,360

eh what the heck i'll just take him with

740

00:30:36,950 --> 00:30:33,039

me

741

00:30:40,870 --> 00:30:36,960

and so the story goes that if you go out

742

00:30:42,630 --> 00:30:40,880

there west of martha at night

743

00:30:44,950 --> 00:30:42,640

and you look out off into the mountains

744

00:30:46,549 --> 00:30:44,960

towards presidio

745

00:30:48,389 --> 00:30:46,559

if you look long enough you'll see old

746

00:30:50,310 --> 00:30:48,399

wicked john walking down the sides of

747

00:30:53,510 --> 00:30:50,320

the mountain carrying those two big

748

00:30:56,230 --> 00:30:53,520

balls of fire and that's

749

00:30:58,950 --> 00:30:56,240

the version of the marvel lights that i

750

00:31:00,710 --> 00:30:58,960

like the best

751
00:31:02,830 --> 00:31:00,720
so there's many a legend on how those

752
00:31:06,630 --> 00:31:02,840
marvel lights

753
00:31:09,029 --> 00:31:06,640
uh came about

754
00:31:11,190 --> 00:31:09,039
well now there are other interesting

755
00:31:13,190 --> 00:31:11,200
stories besides marvel lights and

756
00:31:14,389 --> 00:31:13,200
and lights in the sky and another one

757
00:31:16,870 --> 00:31:14,399
was about

758
00:31:19,669 --> 00:31:16,880
some cowboys that lived about the time

759
00:31:23,269 --> 00:31:19,679
of old john and

760
00:31:26,710 --> 00:31:23,279
these guys they were up near

761
00:31:29,430 --> 00:31:26,720
binkelman nebraska and they were

762
00:31:30,950 --> 00:31:29,440
out like many cowboys tending to their

763
00:31:34,870 --> 00:31:30,960

cattle

764

00:31:37,029 --> 00:31:34,880

and according to the nebraska nugget

765

00:31:40,789 --> 00:31:37,039

and the daily state journal of lincoln

766

00:31:44,310 --> 00:31:42,549

these cowboys were in a roundup when

767

00:31:46,310 --> 00:31:44,320

they were interrupted again

768

00:31:47,990 --> 00:31:46,320

similar to the other story by a terrific

769

00:31:50,230 --> 00:31:48,000

whirring noise

770

00:31:52,310 --> 00:31:50,240

and they looked up in the sky and they

771

00:31:53,509 --> 00:31:52,320

saw an airship they described as

772

00:31:56,389 --> 00:31:53,519

cylindrical

773

00:31:57,830 --> 00:31:56,399

50 to 60 feet long and 10 to 12 feet

774

00:32:01,430 --> 00:31:57,840

wide

775

00:32:05,350 --> 00:32:01,440

and this ship was coming down and

776

00:32:08,230 --> 00:32:05,360

it said that again they described him

777

00:32:09,190 --> 00:32:08,240

and his men as being well-known ranch

778

00:32:12,389 --> 00:32:09,200

men

779

00:32:14,070 --> 00:32:12,399

they were going out to herd in the

780

00:32:15,909 --> 00:32:14,080

annual roundup

781

00:32:17,190 --> 00:32:15,919

when they when they heard this terrific

782

00:32:20,789 --> 00:32:17,200

rushing noise of

783

00:32:23,190 --> 00:32:20,799

wind and they thought they saw a blazing

784

00:32:24,549 --> 00:32:23,200

meteor of immense size falling to the

785

00:32:26,549 --> 00:32:24,559

earth

786

00:32:28,549 --> 00:32:26,559

they didn't see it actually crash so

787

00:32:30,549 --> 00:32:28,559

they went off into the

788

00:32:31,750 --> 00:32:30,559

the over the hill to see where this

789

00:32:34,789 --> 00:32:31,760

crashed

790

00:32:36,630 --> 00:32:34,799

as they rode up they saw fragments of

791

00:32:39,750 --> 00:32:36,640

cog wheels and other pieces of fine

792

00:32:41,830 --> 00:32:39,760

machinery lying upon the ground

793

00:32:43,750 --> 00:32:41,840

they took a shovel and they tried to

794

00:32:45,669 --> 00:32:43,760

pick up a fragment of this

795

00:32:48,470 --> 00:32:45,679

of one of the wheels which was so hot

796

00:32:50,870 --> 00:32:48,480

they could not they could not touch it

797

00:32:52,549 --> 00:32:50,880

they picked it up it says it had a

798

00:32:54,310 --> 00:32:52,559

milled rim apparently having the

799

00:32:57,190 --> 00:32:54,320

diameter of seven to eight

800

00:32:57,909 --> 00:32:57,200

feet it seemed to be the same material

801
00:33:00,870 --> 00:32:57,919
as other

802
00:33:01,909 --> 00:33:00,880
uh small pieces they saw and was of

803
00:33:04,710 --> 00:33:01,919
remarkable

804
00:33:07,190 --> 00:33:04,720
lightness so as large as it was they

805
00:33:09,029 --> 00:33:07,200
were able to lift it very easily

806
00:33:11,509 --> 00:33:09,039
they came to the edge of a deep remain

807
00:33:13,509 --> 00:33:11,519
when which the strange object had fallen

808
00:33:15,350 --> 00:33:13,519
and they undertook to see what it was

809
00:33:17,430 --> 00:33:15,360
but the heat was so great and the light

810
00:33:20,549 --> 00:33:17,440
so blazing that the naked eye could not

811
00:33:25,590 --> 00:33:20,559
rest upon it for more than a moment

812
00:33:28,389 --> 00:33:25,600
unfortunately one of the uh cattlemen

813
00:33:30,149 --> 00:33:28,399

who's interesting his name is alf you

814

00:33:30,870 --> 00:33:30,159

know like robin williams when he played

815

00:33:33,669 --> 00:33:30,880

that

816

00:33:36,470 --> 00:33:33,679

crazy more commending was the name alf

817

00:33:39,110 --> 00:33:36,480

but this guy's name was alf williamson

818

00:33:40,630 --> 00:33:39,120

and he tried to get close to the the

819

00:33:42,389 --> 00:33:40,640

object

820

00:33:44,789 --> 00:33:42,399

it says within 30 seconds he felt

821

00:33:46,710 --> 00:33:44,799

senseless from gazing at it at too close

822

00:33:48,310 --> 00:33:46,720

close of corners his hair was singed to

823

00:33:49,669 --> 00:33:48,320

a crisp and his face covered with

824

00:33:51,430 --> 00:33:49,679

blisters

825

00:33:53,190 --> 00:33:51,440

so they dragged the injured man back and

826

00:33:55,029 --> 00:33:53,200

took him back to this ranch where his

827

00:33:56,389 --> 00:33:55,039

brother was called from denver to come

828

00:33:57,990 --> 00:33:56,399

and get him

829

00:34:01,190 --> 00:33:58,000

so this is kind of one of the first

830

00:34:04,630 --> 00:34:01,200

recorded incidents of someone

831

00:34:07,909 --> 00:34:04,640

being injured or harmed

832

00:34:09,589 --> 00:34:07,919

that involved a ufo crash

833

00:34:11,270 --> 00:34:09,599

you know was it from the heat was it

834

00:34:14,629 --> 00:34:11,280

from radiation

835

00:34:17,669 --> 00:34:14,639

uh we don't know but

836

00:34:18,230 --> 00:34:17,679

uh what's more interesting about this

837

00:34:21,510 --> 00:34:18,240

story

838

00:34:23,510 --> 00:34:21,520

is that the news of this crash spread

839

00:34:25,510 --> 00:34:23,520

and people began to come from all around

840

00:34:27,349 --> 00:34:25,520

and a lot of people came to observe

841

00:34:29,109 --> 00:34:27,359

what had happened and right about that

842

00:34:32,470 --> 00:34:29,119

time a tremendous

843

00:34:33,589 --> 00:34:32,480

storm came through the area a tremendous

844

00:34:36,069 --> 00:34:33,599

rainstorm

845

00:34:37,669 --> 00:34:36,079

in which they the people that were there

846

00:34:38,629 --> 00:34:37,679

had to go back to their homes and they

847

00:34:40,470 --> 00:34:38,639

couldn't

848

00:34:42,470 --> 00:34:40,480

get close enough to see and they were

849

00:34:44,389 --> 00:34:42,480

hoping that the rainstorm would put the

850

00:34:46,470 --> 00:34:44,399

heat and the fire of this thing out so

851
00:34:49,829 --> 00:34:46,480
they could get close to observe it

852
00:34:52,389 --> 00:34:49,839
but some of them stayed to to watch

853
00:34:53,990 --> 00:34:52,399
and it says it was impossible to see

854
00:34:55,190 --> 00:34:54,000
more than a rod through the driving

855
00:34:57,510 --> 00:34:55,200
blinding mass

856
00:34:59,109 --> 00:34:57,520
which the rainstorm lasted for over a

857
00:35:01,270 --> 00:34:59,119
half an hour

858
00:35:03,349 --> 00:35:01,280
when it slackened they should have been

859
00:35:06,950 --> 00:35:03,359
able to see the craft visible

860
00:35:09,349 --> 00:35:06,960
but it was no longer there

861
00:35:10,310 --> 00:35:09,359
it had washed away i guess the metal was

862
00:35:12,150 --> 00:35:10,320
so light

863
00:35:14,069 --> 00:35:12,160

that the rain had washed it away down

864

00:35:15,829 --> 00:35:14,079

the ravine

865

00:35:17,829 --> 00:35:15,839

astounding they were able to see that

866

00:35:21,270 --> 00:35:17,839

the queer object seemed to

867

00:35:24,310 --> 00:35:21,280

to them to have melted all that was

868

00:35:27,510 --> 00:35:24,320

left was a spoonful of gooey

869

00:35:29,349 --> 00:35:27,520

jelly-like substances that were there

870

00:35:31,190 --> 00:35:29,359

it grew thinner and thinner until it was

871

00:35:34,630 --> 00:35:31,200

nothing left but some muddy

872

00:35:37,910 --> 00:35:34,640

water that washed away into the current

873

00:35:41,750 --> 00:35:37,920

of the of the running uh

874

00:35:42,470 --> 00:35:41,760

rain water so the object that they came

875

00:35:44,710 --> 00:35:42,480

to see

876

00:35:46,550 --> 00:35:44,720

that was so large and so light the

877

00:35:48,470 --> 00:35:46,560

sudden rainstorm washed it away

878

00:35:50,630 --> 00:35:48,480

down the ravine and down i guess into

879

00:35:53,589 --> 00:35:50,640

the river and nothing was left

880

00:35:57,349 --> 00:35:53,599

but some goo that they saw that

881

00:36:02,950 --> 00:36:00,950

what really happened to it did it melt

882

00:36:06,790 --> 00:36:02,960

away or was it washed away

883

00:36:07,589 --> 00:36:06,800

with the rain well nobody really knows

884

00:36:10,150 --> 00:36:07,599

but

885

00:36:10,710 --> 00:36:10,160

the way they describe the pieces of it

886

00:36:13,670 --> 00:36:10,720

they use

887

00:36:14,950 --> 00:36:13,680

terminology that they you know used in

888

00:36:17,670 --> 00:36:14,960

those days as

889

00:36:22,310 --> 00:36:17,680

as tremendous cog wheels and and pieces

890

00:36:31,510 --> 00:36:26,150

this is kind of the area that

891

00:36:37,589 --> 00:36:34,950

now bigfoot

892

00:36:41,270 --> 00:36:37,599

what does that got to do with the ufos

893

00:36:43,030 --> 00:36:41,280

or does it have any connection to ufos

894

00:36:45,670 --> 00:36:43,040

well this story happens in humboldt

895

00:36:47,910 --> 00:36:45,680

county california which is up in big

896

00:36:48,950 --> 00:36:47,920

big redwood country if you've ever been

897

00:36:51,190 --> 00:36:48,960

up to that

898

00:36:53,349 --> 00:36:51,200

the jedidiah smith redwoods the state

899

00:36:54,950 --> 00:36:53,359

park one of my favorite places to go

900

00:36:58,390 --> 00:36:54,960

camping as a young

901
00:36:59,270 --> 00:36:58,400
man and this is an interesting story

902
00:37:02,069 --> 00:36:59,280
because

903
00:37:03,910 --> 00:37:02,079
it's about a man who befriended the

904
00:37:05,190 --> 00:37:03,920
indian tribe that lived up there and he

905
00:37:07,510 --> 00:37:05,200
was recording

906
00:37:09,270 --> 00:37:07,520
uh kind of their culture their language

907
00:37:12,310 --> 00:37:09,280
their way of life

908
00:37:15,589 --> 00:37:12,320
and while he was there

909
00:37:17,750 --> 00:37:15,599
this mr wyatt while he was there and

910
00:37:20,069 --> 00:37:17,760
taking his notes he

911
00:37:21,270 --> 00:37:20,079
discovered that some local tribesmen

912
00:37:25,270 --> 00:37:21,280
each evening would take

913
00:37:27,510 --> 00:37:25,280

a big platter of meat away from the uh

914

00:37:28,950 --> 00:37:27,520

the village they lived in and off into

915

00:37:31,030 --> 00:37:28,960

the forest

916

00:37:32,950 --> 00:37:31,040

so after a while of observing this he

917

00:37:35,270 --> 00:37:32,960

began to to

918

00:37:37,349 --> 00:37:35,280

be curious and he decided that he would

919

00:37:39,670 --> 00:37:37,359

follow them

920

00:37:41,190 --> 00:37:39,680

on their on their journey what they were

921

00:37:44,870 --> 00:37:41,200

doing

922

00:37:46,630 --> 00:37:44,880

as he did the tribesmen were very

923

00:37:48,150 --> 00:37:46,640

reluctant for him to follow him they

924

00:37:49,349 --> 00:37:48,160

didn't want him to go with them but

925

00:37:52,870 --> 00:37:49,359

after a while

926

00:37:55,430 --> 00:37:52,880

uh of him having lived with them they

927

00:37:56,470 --> 00:37:55,440

let let him go with them on their on

928

00:38:00,870 --> 00:37:56,480

their

929

00:38:05,030 --> 00:38:00,880

interesting

930

00:38:06,069 --> 00:38:05,040

um inside a cave there sat a very

931

00:38:15,510 --> 00:38:06,079

strange creature

932

00:38:19,990 --> 00:38:18,390

and they were bringing him this this

933

00:38:23,829 --> 00:38:20,000

platter of raw meat

934

00:38:28,230 --> 00:38:25,829

it says the the tribesmen took him to

935

00:38:30,310 --> 00:38:28,240

high rock uh pinnacle later

936

00:38:32,630 --> 00:38:30,320

and told him that men came down from the

937

00:38:34,870 --> 00:38:32,640

sky in a small moon and dropped off

938

00:38:36,310 --> 00:38:34,880

several of these hairy creatures and

939

00:38:39,270 --> 00:38:36,320

that in the past

940

00:38:41,829 --> 00:38:39,280

this had happened many times the local

941

00:38:45,430 --> 00:38:41,839

tribe men described these creatures

942

00:38:47,109 --> 00:38:45,440

as crazy bears and they said that

943

00:38:48,870 --> 00:38:47,119

one time that they came down they

944

00:38:52,390 --> 00:38:48,880

dropped off and they could see

945

00:38:56,630 --> 00:38:52,400

inside this small

946

00:38:59,190 --> 00:38:56,640

uh silver moon men

947

00:39:00,150 --> 00:38:59,200

sort of human life and that they even

948

00:39:01,829 --> 00:39:00,160

waved to the

949

00:39:04,790 --> 00:39:01,839

the tribesmen before they closed the

950

00:39:07,430 --> 00:39:04,800

door to their spaceship and flew away

951
00:39:09,750 --> 00:39:07,440
so according to this tribe these

952
00:39:13,270 --> 00:39:09,760
creatures were brought to earth

953
00:39:15,990 --> 00:39:13,280
in the small craft of some kind and left

954
00:39:18,390 --> 00:39:16,000
there for the tribesmen to take care of

955
00:39:19,349 --> 00:39:18,400
the tribesmen thought they had some kind

956
00:39:22,470 --> 00:39:19,359
of

957
00:39:24,230 --> 00:39:22,480
magic and

958
00:39:26,230 --> 00:39:24,240
they began they thought it was their

959
00:39:29,270 --> 00:39:26,240
duty to take care

960
00:39:31,670 --> 00:39:29,280
of these crazy bears

961
00:39:32,390 --> 00:39:31,680
now mr wyatt records that he only

962
00:39:35,349 --> 00:39:32,400
observed

963
00:39:37,430 --> 00:39:35,359

one of these crazy bears and then he

964

00:39:39,349 --> 00:39:37,440

only mentions it the one time in his

965

00:39:42,150 --> 00:39:39,359

diary he doesn't

966

00:39:44,950 --> 00:39:42,160

mention that he ever went back and

967

00:39:47,750 --> 00:39:44,960

whatever happened to the crazy bear

968

00:39:48,710 --> 00:39:47,760

but there are many stories of bigfoot

969

00:39:53,030 --> 00:39:48,720

sightings

970

00:39:57,670 --> 00:39:53,040

in different

971

00:40:00,710 --> 00:39:57,680

areas of the country in fact i saw on

972

00:40:04,630 --> 00:40:00,720

the news the other day they had some

973

00:40:06,630 --> 00:40:04,640

pictures in arizona of some

974

00:40:07,990 --> 00:40:06,640

roadside cameras or something that took

975

00:40:10,790 --> 00:40:08,000

pictures of what looked like a whole

976
00:40:13,670 --> 00:40:10,800
family of bigfoots crossing the highway

977
00:40:16,630 --> 00:40:13,680
but they couldn't nobody could really

978
00:40:20,390 --> 00:40:19,030
what these creatures were because

979
00:40:23,270 --> 00:40:20,400
normally you don't see a whole

980
00:40:23,990 --> 00:40:23,280
family of bears crossing a highway in

981
00:40:26,069 --> 00:40:24,000
arizona

982
00:40:28,230 --> 00:40:26,079
so what what exactly was it that they

983
00:40:29,750 --> 00:40:28,240
were seeing

984
00:40:31,270 --> 00:40:29,760
well that's a very interesting story

985
00:40:36,630 --> 00:40:31,280
that kind of uh

986
00:40:43,190 --> 00:40:39,829
i don't know how i'm doing on my time

987
00:40:43,200 --> 00:40:47,670
okay i got i'm doing pretty good

988
00:40:51,349 --> 00:40:50,309

well another interesting story it's not

989

00:40:54,950 --> 00:40:51,359

a bigfoot

990

00:40:57,589 --> 00:40:54,960

but it's of a giant bird this happened

991

00:41:00,790 --> 00:40:57,599

in 1890 outside of tombstone arizona

992

00:41:02,550 --> 00:41:00,800

by some cowboys that were riding there

993

00:41:05,270 --> 00:41:02,560

and they described this giant

994

00:41:08,390 --> 00:41:05,280

prehistoric looking bird

995

00:41:09,030 --> 00:41:08,400

according to the tombstone epithet it

996

00:41:11,349 --> 00:41:09,040

said

997

00:41:13,430 --> 00:41:11,359

that these cowboys riding saw an

998

00:41:14,470 --> 00:41:13,440

exhausted creature with a huge pair of

999

00:41:16,309 --> 00:41:14,480

wings

1000

00:41:18,390 --> 00:41:16,319

resembling a huge alligator with

1001
00:41:19,510 --> 00:41:18,400
extremely elongated tail and immense

1002
00:41:21,190 --> 00:41:19,520
pair of wings

1003
00:41:24,470 --> 00:41:21,200
the creature was evidently greatly

1004
00:41:26,309 --> 00:41:24,480
exhausted from some long flight

1005
00:41:28,150 --> 00:41:26,319
so the cowboys began to try to get

1006
00:41:31,030 --> 00:41:28,160
closer look at it but their horses

1007
00:41:33,030 --> 00:41:31,040
were too afraid so they began to get

1008
00:41:34,710 --> 00:41:33,040
closer and it took off flying again

1009
00:41:36,150 --> 00:41:34,720
so they chased after it again but

1010
00:41:38,470 --> 00:41:36,160
apparently

1011
00:41:39,190 --> 00:41:38,480
it seemed to be exhausted and not able

1012
00:41:43,910 --> 00:41:39,200
to fly

1013
00:41:45,589 --> 00:41:43,920

very far so they they uh

1014

00:41:47,109 --> 00:41:45,599

followed it after it landed a second

1015

00:41:50,390 --> 00:41:47,119

time and of course they began

1016

00:41:53,430 --> 00:41:50,400

shooting at it after

1017

00:41:56,230 --> 00:41:53,440

many uh shots fired into the creature it

1018

00:41:57,430 --> 00:41:56,240

it fell over dead when they got up to it

1019

00:42:00,710 --> 00:41:57,440

they said that the crate

1020

00:42:04,230 --> 00:42:00,720

the creature measured 92 feet

1021

00:42:06,230 --> 00:42:04,240

in length had only two feet and his head

1022

00:42:08,390 --> 00:42:06,240

was eight feet long with strong jaws

1023

00:42:10,150 --> 00:42:08,400

lined with sharp teeth

1024

00:42:12,069 --> 00:42:10,160

its wings were folded under its dead

1025

00:42:13,430 --> 00:42:12,079

body and so it was difficult to measure

1026

00:42:16,790 --> 00:42:13,440

the wings

1027

00:42:19,910 --> 00:42:16,800

hundred and sixty

1028

00:42:20,710 --> 00:42:19,920

feet from wingtip to wingtip it was

1029

00:42:23,190 --> 00:42:20,720

featherless

1030

00:42:24,150 --> 00:42:23,200

and hairless and the wings were made of

1031

00:42:26,870 --> 00:42:24,160

some kind of thick

1032

00:42:27,430 --> 00:42:26,880

transparent membrane the skin was very

1033

00:42:30,309 --> 00:42:27,440

smooth and

1034

00:42:31,270 --> 00:42:30,319

could be cut off easily and so the men

1035

00:42:34,309 --> 00:42:31,280

sliced

1036

00:42:37,190 --> 00:42:34,319

pieces of the wing membrane and took

1037

00:42:38,710 --> 00:42:37,200

it with them and said they arrived in

1038

00:42:40,870 --> 00:42:38,720

city for supplies to take their

1039

00:42:42,150 --> 00:42:40,880

necessary preparations to scan the

1040

00:42:45,829 --> 00:42:42,160

creature

1041

00:42:50,870 --> 00:42:45,839

be sent back east

1042

00:42:54,390 --> 00:42:52,710

after that it never says what happened

1043

00:42:55,910 --> 00:42:54,400

if the men went back skinned the

1044

00:42:58,950 --> 00:42:55,920

creature or what they did with the

1045

00:43:01,510 --> 00:42:58,960

the creature's skin and that was a

1046

00:43:03,349 --> 00:43:01,520

recorded in the epithet well later

1047

00:43:05,510 --> 00:43:03,359

somebody said there was a picture of

1048

00:43:06,630 --> 00:43:05,520

of men there was a photograph of men

1049

00:43:09,750 --> 00:43:06,640

that actually

1050

00:43:13,190 --> 00:43:09,760

standing behind a giant bird

1051
00:43:14,870 --> 00:43:13,200
but these men the bird was only about 36

1052
00:43:16,950 --> 00:43:14,880
feet in length

1053
00:43:18,550 --> 00:43:16,960
and the picture shows that it was of

1054
00:43:20,710 --> 00:43:18,560
some kind of bird that actually had

1055
00:43:21,670 --> 00:43:20,720
feathers so it's not really the same

1056
00:43:24,950 --> 00:43:21,680
creature

1057
00:43:29,990 --> 00:43:24,960
that was described by earlier by the

1058
00:43:33,829 --> 00:43:32,150
said that they they had nine cowboys

1059
00:43:39,510 --> 00:43:33,839
standing armed arm

1060
00:43:47,109 --> 00:43:44,390
now um no he tried to find

1061
00:43:49,109 --> 00:43:47,119
through all the research they did this

1062
00:43:51,670 --> 00:43:49,119
picture that was described but was never

1063
00:43:55,190 --> 00:43:51,680

able to find it

1064

00:43:56,230 --> 00:43:55,200

now many many cultures have stories of

1065

00:44:01,750 --> 00:43:56,240

birds

1066

00:44:05,910 --> 00:44:04,069

you know giant eagles that come down and

1067

00:44:07,030 --> 00:44:05,920

take their chihuahua and fly off or

1068

00:44:10,630 --> 00:44:07,040

whatever

1069

00:44:12,550 --> 00:44:10,640

but even the famous pioneer daniel boone

1070

00:44:13,670 --> 00:44:12,560

claims to have witnessed what he called

1071

00:44:16,870 --> 00:44:13,680

a thunderbird

1072

00:44:19,829 --> 00:44:16,880

come down and pick up a five-year-old

1073

00:44:21,910 --> 00:44:19,839

indian boy and fly away says that the

1074

00:44:22,950 --> 00:44:21,920

indians fired several arrows into the

1075

00:44:26,550 --> 00:44:22,960

monster with no

1076
00:44:27,910 --> 00:44:26,560
effect and that the boy was never seen

1077
00:44:31,030 --> 00:44:27,920
again

1078
00:44:32,470 --> 00:44:31,040
so there are many stories of giant birds

1079
00:44:35,670 --> 00:44:32,480
called thunderbirds

1080
00:44:36,950 --> 00:44:35,680
one uh one of the tribes i think the

1081
00:44:38,950 --> 00:44:36,960
hopies have

1082
00:44:40,870 --> 00:44:38,960
stories of thunderbirds of a giant bird

1083
00:44:43,510 --> 00:44:40,880
that was struck by lightning and began

1084
00:44:45,510 --> 00:44:43,520
to glow and that's where he got the

1085
00:44:46,870 --> 00:44:45,520
the uh where they got the name of

1086
00:44:48,630 --> 00:44:46,880
thunderbird

1087
00:44:50,550 --> 00:44:48,640
and so they believed that the giant bird

1088
00:44:55,750 --> 00:44:50,560

would fly across the sky and cause

1089

00:45:02,630 --> 00:44:59,109

there are several stories of ufos

1090

00:45:05,270 --> 00:45:02,640

in early texas newspapers one is a

1091

00:45:07,670 --> 00:45:05,280

of one that was spotted by people in

1092

00:45:10,390 --> 00:45:07,680

dublin texas on a sunday

1093

00:45:11,750 --> 00:45:10,400

and it exploded over a flower mill in

1094

00:45:14,390 --> 00:45:11,760

the town

1095

00:45:15,589 --> 00:45:14,400

um what's interesting about this is

1096

00:45:17,349 --> 00:45:15,599

there was a

1097

00:45:19,109 --> 00:45:17,359

reverend and his wife that went out and

1098

00:45:22,870 --> 00:45:19,119

they found

1099

00:45:26,470 --> 00:45:22,880

among the wreckage of this uh spacecraft

1100

00:45:30,230 --> 00:45:26,480

were scraps of paper written with

1101
00:45:31,990 --> 00:45:30,240
like earlier accounts of a strange

1102
00:45:38,710 --> 00:45:32,000
hieroglyphic

1103
00:45:39,109 --> 00:45:38,720
writings and that he was so excited that

1104
00:45:45,990 --> 00:45:39,119
he

1105
00:45:49,430 --> 00:45:46,000
any

1106
00:45:50,790 --> 00:45:49,440
wreckage to the reporter or talk to him

1107
00:45:54,630 --> 00:45:50,800
anymore about it

1108
00:45:57,270 --> 00:45:54,640
so he took his uh his souvenirs that he

1109
00:46:00,309 --> 00:45:57,280
gathered from this crash

1110
00:46:03,430 --> 00:46:00,319
and this is a the crash site where that

1111
00:46:05,829 --> 00:46:03,440
happened today they still have

1112
00:46:06,870 --> 00:46:05,839
remnants of the grist mill the cotton

1113
00:46:11,910 --> 00:46:06,880

gin and

1114

00:46:16,309 --> 00:46:13,589

buildings that were in that area of the

1115

00:46:19,990 --> 00:46:18,230

now the crawfordsville flying monster

1116

00:46:23,030 --> 00:46:20,000

happened in indiana

1117

00:46:27,750 --> 00:46:25,270

and it happened and three or four men

1118

00:46:29,670 --> 00:46:27,760

saw this they saw this giant long

1119

00:46:31,270 --> 00:46:29,680

creature that they described as having

1120

00:46:34,630 --> 00:46:31,280

scales like fish and an

1121

00:46:37,190 --> 00:46:34,640

eye one single blazing eye in the front

1122

00:46:39,270 --> 00:46:37,200

and it made it tremendous screeching

1123

00:46:41,030 --> 00:46:39,280

noises as it flew

1124

00:46:42,790 --> 00:46:41,040

well people laughed at them and thought

1125

00:46:45,030 --> 00:46:42,800

it was funny until the next night when

1126

00:46:48,630 --> 00:46:45,040

over a hundred people in the town

1127

00:46:51,990 --> 00:46:48,640

saw the same thing that they described

1128

00:46:52,470 --> 00:46:52,000

flying over the cornfields outside of

1129

00:46:57,430 --> 00:46:52,480

their

1130

00:47:00,150 --> 00:46:57,440

now other people later it described well

1131

00:47:02,870 --> 00:47:00,160

maybe it was a giant flock of birds

1132

00:47:03,750 --> 00:47:02,880

that sometimes would fly but i think in

1133

00:47:05,829 --> 00:47:03,760

those days

1134

00:47:07,349 --> 00:47:05,839

settlers know the difference between

1135

00:47:09,750 --> 00:47:07,359

birds

1136

00:47:11,030 --> 00:47:09,760

and what could you describe as a giant

1137

00:47:13,910 --> 00:47:11,040

flaming eye

1138

00:47:14,550 --> 00:47:13,920

in the front of this unusual appearance

1139

00:47:18,470 --> 00:47:14,560

that they saw

1140

00:47:26,230 --> 00:47:22,790

this this story has also been on several

1141

00:47:30,150 --> 00:47:26,240

tv shows about ufos

1142

00:47:33,430 --> 00:47:30,160

and finally we have

1143

00:47:35,349 --> 00:47:33,440

the underwater ufo this happened up in

1144

00:47:38,790 --> 00:47:35,359

the puget sound area of washington when

1145

00:47:41,190 --> 00:47:38,800

some men were out on a surveying

1146

00:47:43,349 --> 00:47:41,200

expedition and some other men were out

1147

00:47:44,069 --> 00:47:43,359

on a fishing and hunting expedition the

1148

00:47:46,790 --> 00:47:44,079

same

1149

00:47:47,829 --> 00:47:46,800

area two group different groups of men

1150

00:48:00,150 --> 00:47:47,839

and

1151
00:48:01,430 --> 00:48:00,160
up from static electricity on their arms

1152
00:48:04,230 --> 00:48:01,440
and they felt like

1153
00:48:04,950 --> 00:48:04,240
that one described it as standing inside

1154
00:48:06,710 --> 00:48:04,960
of a suit

1155
00:48:09,190 --> 00:48:06,720
filled with pins and needles that were

1156
00:48:11,430 --> 00:48:09,200
poking their skin

1157
00:48:12,230 --> 00:48:11,440
so as they woke up they went and they

1158
00:48:15,430 --> 00:48:12,240
noticed

1159
00:48:17,270 --> 00:48:15,440
uh that this was coming from the water

1160
00:48:18,470 --> 00:48:17,280
not from the sky and that they could see

1161
00:48:21,510 --> 00:48:18,480
this this

1162
00:48:24,710 --> 00:48:21,520
lighted up uh object

1163
00:48:25,430 --> 00:48:24,720

swimming towards them uh towards the

1164

00:48:27,270 --> 00:48:25,440

shore

1165

00:48:29,910 --> 00:48:27,280

and as it got closer and closer it

1166

00:48:32,710 --> 00:48:29,920

became larger and larger

1167

00:48:33,990 --> 00:48:32,720

they described it as a monster fish 150

1168

00:48:36,230 --> 00:48:34,000

feet long i had a head

1169

00:48:38,390 --> 00:48:36,240

that looked like a walrus and six eyes

1170

00:48:40,549 --> 00:48:38,400

the size of dinner plates

1171

00:48:42,150 --> 00:48:40,559

at intervals of about every eight feet

1172

00:48:43,270 --> 00:48:42,160

from its head to detail there was a

1173

00:48:46,870 --> 00:48:43,280

substance that appeared

1174

00:48:48,630 --> 00:48:46,880

like copper rings and this seemed to be

1175

00:48:51,030 --> 00:48:48,640

where the electrical powerful

1176

00:48:53,270 --> 00:48:51,040

currents were coming from what was even

1177

00:48:55,349 --> 00:48:53,280

more bizarre they tend to have antennae

1178

00:48:58,630 --> 00:48:55,359

or horns on the top of its head

1179

00:49:01,750 --> 00:48:58,640

in which steam a blue steam

1180

00:49:04,230 --> 00:49:01,760

hissed and appeared out of the

1181

00:49:05,589 --> 00:49:04,240

out of the antenna of this swimming

1182

00:49:09,430 --> 00:49:05,599

monster

1183

00:49:12,710 --> 00:49:09,440

well one of the men went down close to

1184

00:49:15,510 --> 00:49:12,720

to get a better view and this is usually

1185

00:49:15,990 --> 00:49:15,520

not the thing you want to do if you were

1186

00:49:19,030 --> 00:49:16,000

here

1187

00:49:19,510 --> 00:49:19,040

and heard travis walton speak uh as he

1188

00:49:22,630 --> 00:49:19,520

ran

1189

00:49:24,470 --> 00:49:22,640

underneath the spacecraft that and his

1190

00:49:25,030 --> 00:49:24,480

friends told him not to do that well

1191

00:49:27,349 --> 00:49:25,040

then

1192

00:49:29,109 --> 00:49:27,359

one of the hunters ran towards it and as

1193

00:49:32,150 --> 00:49:29,119

he did

1194

00:49:35,190 --> 00:49:32,160

this beast turned toward the shore and

1195

00:49:36,870 --> 00:49:35,200

out of its antennae it shot a long

1196

00:49:39,589 --> 00:49:36,880

stream of this hot

1197

00:49:40,630 --> 00:49:39,599

electrical steam and knocked him over

1198

00:49:43,510 --> 00:49:40,640

the second man

1199

00:49:44,470 --> 00:49:43,520

went to recover his friend and he was

1200

00:49:47,349 --> 00:49:44,480

knocked over

1201
00:49:49,510 --> 00:49:47,359
and stunned also the rest of the men ran

1202
00:49:52,230 --> 00:49:49,520
into the forest and waited

1203
00:49:53,670 --> 00:49:52,240
until the beast left and went began

1204
00:49:56,309 --> 00:49:53,680
swimming away to go in

1205
00:49:57,750 --> 00:49:56,319
and they thought their friends were dead

1206
00:50:00,790 --> 00:49:57,760
but they found out that

1207
00:50:04,069 --> 00:50:00,800
they were only stunned and

1208
00:50:06,069 --> 00:50:04,079
were able to recover this story was

1209
00:50:09,510 --> 00:50:06,079
published in the tacoma daily ledger in

1210
00:50:13,589 --> 00:50:09,520
july the 3rd 1893

1211
00:50:15,589 --> 00:50:13,599
and what's interesting about it was

1212
00:50:17,349 --> 00:50:15,599
some of the description sounds very much

1213
00:50:19,670 --> 00:50:17,359

like jules verne's

1214

00:50:20,790 --> 00:50:19,680

captain nemo and the nautilus which was

1215

00:50:24,150 --> 00:50:20,800

published

1216

00:50:26,710 --> 00:50:24,160

in french in 1869

1217

00:50:27,349 --> 00:50:26,720

and in english in 1873 well this took

1218

00:50:29,349 --> 00:50:27,359

place

1219

00:50:30,390 --> 00:50:29,359

about 20 years after the book was

1220

00:50:34,950 --> 00:50:30,400

published

1221

00:50:41,990 --> 00:50:38,549

i think i'm getting a little bit

1222

00:50:48,150 --> 00:50:42,000

close to the time that i need to end

1223

00:50:52,069 --> 00:50:49,990

there seemed to be a mass sightings

1224

00:50:53,430 --> 00:50:52,079

across the western part of the united

1225

00:50:57,510 --> 00:50:53,440

states

1226
00:50:59,670 --> 00:50:57,520
of unusual flying objects now airplanes

1227
00:51:02,950 --> 00:50:59,680
hadn't really taken place the

1228
00:51:05,990 --> 00:51:02,960
transcontinental railroad had just

1229
00:51:08,150 --> 00:51:06,000
been completed and so

1230
00:51:09,750 --> 00:51:08,160
for people to describe these kinds of

1231
00:51:10,950 --> 00:51:09,760
things in those days would be very

1232
00:51:13,829 --> 00:51:10,960
unusual

1233
00:51:17,829 --> 00:51:13,839
but uh airships were spotted from

1234
00:51:19,190 --> 00:51:17,839
sacramento california to san francisco

1235
00:51:24,069 --> 00:51:19,200
all the way up into oregon and

1236
00:51:31,829 --> 00:51:28,069
there were there were people or

1237
00:51:33,510 --> 00:51:31,839
aliens human-like creatures described or

1238
00:51:35,910 --> 00:51:33,520

seen

1239

00:51:37,349 --> 00:51:35,920

in november 25th of that year in lodi

1240

00:51:39,829 --> 00:51:37,359

california a colonel

1241

00:51:42,390 --> 00:51:39,839

g shaw and camille spooner saw three

1242

00:51:44,549 --> 00:51:42,400

very tall beans standing alongside

1243

00:51:46,870 --> 00:51:44,559

the road and the distance behind them

1244

00:51:49,670 --> 00:51:46,880

was a huge cigar-shaped ufo that hovered

1245

00:51:52,150 --> 00:51:49,680

quietly over a body of water

1246

00:51:53,510 --> 00:51:52,160

according to the stockton evening mail

1247

00:51:56,950 --> 00:51:53,520

he described them

1248

00:51:59,190 --> 00:51:56,960

as looking at three strange beings that

1249

00:52:00,950 --> 00:51:59,200

resembled humans in every respect

1250

00:52:02,870 --> 00:52:00,960

except that they were not like anything

1251
00:52:05,069 --> 00:52:02,880
i had ever seen

1252
00:52:06,390 --> 00:52:05,079
they were possessed of a strange and

1253
00:52:09,109 --> 00:52:06,400
irredescribable

1254
00:52:10,470 --> 00:52:09,119
indescribable beauty they wore no

1255
00:52:11,270 --> 00:52:10,480
clothes but their bodies were covered

1256
00:52:13,589 --> 00:52:11,280
with a soft

1257
00:52:15,670 --> 00:52:13,599
fine fuzz and they were seven feet in

1258
00:52:17,190 --> 00:52:15,680
height very slender

1259
00:52:18,950 --> 00:52:17,200
i further noticed that their hands were

1260
00:52:20,630 --> 00:52:18,960
quite small and delicate

1261
00:52:22,470 --> 00:52:20,640
their fingers were without nails and

1262
00:52:24,309 --> 00:52:22,480
their feet were nearly twice as long as

1263
00:52:26,069 --> 00:52:24,319

those of an ordinary man

1264

00:52:29,030 --> 00:52:26,079

they were very narrow with toes that

1265

00:52:30,870 --> 00:52:29,040

were long and slender

1266

00:52:32,470 --> 00:52:30,880

much the same as a monkey he said in

1267

00:52:34,309 --> 00:52:32,480

fact they appear to have much better use

1268

00:52:36,470 --> 00:52:34,319

of their feet than their hands

1269

00:52:37,670 --> 00:52:36,480

their faces and heads were without hair

1270

00:52:39,589 --> 00:52:37,680

the ears were small

1271

00:52:41,270 --> 00:52:39,599

and the nose had an appearance of

1272

00:52:44,150 --> 00:52:41,280

polished ivory

1273

00:52:45,990 --> 00:52:44,160

while the eyes were large and lustrous

1274

00:52:47,349 --> 00:52:46,000

the mouth however was very small it

1275

00:52:50,950 --> 00:52:47,359

seemed to me they were without

1276
00:52:52,710 --> 00:52:50,960
teeth they also seemed to be very light

1277
00:52:54,230 --> 00:52:52,720
they came over and he shook hands with

1278
00:52:56,069 --> 00:52:54,240
one and he said

1279
00:52:58,309 --> 00:52:56,079
as he shook his hands he nearly lifted

1280
00:53:00,230 --> 00:52:58,319
the being off the ground

1281
00:53:01,910 --> 00:53:00,240
he said as far as i could judge he

1282
00:53:03,910 --> 00:53:01,920
weighed less than an ounce

1283
00:53:05,910 --> 00:53:03,920
he said when they be he began to talk to

1284
00:53:08,710 --> 00:53:05,920
them they began to warble like

1285
00:53:10,470 --> 00:53:08,720
birds he began to ask them where they

1286
00:53:12,390 --> 00:53:10,480
were from

1287
00:53:14,790 --> 00:53:12,400
and one of them talked to the other one

1288
00:53:15,270 --> 00:53:14,800

and it seemed like they were going to

1289

00:53:18,630 --> 00:53:15,280

try

1290

00:53:21,349 --> 00:53:18,640

and abduct the colonel

1291

00:53:22,790 --> 00:53:21,359

but when when the alien tried to lift

1292

00:53:24,870 --> 00:53:22,800

him up he couldn't

1293

00:53:26,790 --> 00:53:24,880

he was too heavy for the alien to lift

1294

00:53:29,030 --> 00:53:26,800

and after several attempts of the three

1295

00:53:32,069 --> 00:53:29,040

of them trying to lift the kernel

1296

00:53:33,349 --> 00:53:32,079

they decided to give up i guess

1297

00:53:35,510 --> 00:53:33,359

he said although i made not the

1298

00:53:35,829 --> 00:53:35,520

slightest resistance he could not move

1299

00:53:37,270 --> 00:53:35,839

me

1300

00:53:39,990 --> 00:53:37,280

and finally the three of them tried

1301
00:53:41,990 --> 00:53:40,000
without the slightest success

1302
00:53:43,829 --> 00:53:42,000
they appeared to have no muscular power

1303
00:53:45,750 --> 00:53:43,839
outside of being able to move their own

1304
00:53:48,630 --> 00:53:45,760
limbs

1305
00:53:50,309 --> 00:53:48,640
so they went back to their spacecraft he

1306
00:53:52,950 --> 00:53:50,319
said it was about 150 feet

1307
00:53:54,790 --> 00:53:52,960
length and probably not over 20 feet in

1308
00:53:56,230 --> 00:53:54,800
diameter at the widest part it was

1309
00:53:58,950 --> 00:53:56,240
pointed at both ends

1310
00:54:01,430 --> 00:53:58,960
and had a large rudder other than that

1311
00:54:03,750 --> 00:54:01,440
there was no visible machinery

1312
00:54:05,589 --> 00:54:03,760
the men or beings began they seemed to

1313
00:54:08,390 --> 00:54:05,599

glide as they walked

1314

00:54:10,470 --> 00:54:08,400

sometimes not even touching the ground

1315

00:54:13,190 --> 00:54:10,480

they walked rapidly towards their ship

1316

00:54:14,630 --> 00:54:13,200

not as you and i walk but with a swaying

1317

00:54:16,870 --> 00:54:14,640

motion

1318

00:54:18,870 --> 00:54:16,880

said they followed them very rapidly as

1319

00:54:21,030 --> 00:54:18,880

possible but they reached the bridge

1320

00:54:22,309 --> 00:54:21,040

and they got on their ship seemed to

1321

00:54:23,829 --> 00:54:22,319

spring into the machine

1322

00:54:25,829 --> 00:54:23,839

a door opened at the side and they

1323

00:54:27,190 --> 00:54:25,839

disappeared within

1324

00:54:29,349 --> 00:54:27,200

the ship went through the air very

1325

00:54:31,750 --> 00:54:29,359

rapidly expanded and contracted

1326
00:54:33,430 --> 00:54:31,760
with muscular motion and soon was out of

1327
00:54:36,230 --> 00:54:33,440
sight

1328
00:54:37,990 --> 00:54:36,240
so many of these mysterious airships

1329
00:54:40,870 --> 00:54:38,000
appeared all over the west coast

1330
00:54:42,150 --> 00:54:40,880
united states in 1896 and then farther

1331
00:54:45,190 --> 00:54:42,160
inland

1332
00:54:48,390 --> 00:54:45,200
in 1897.

1333
00:54:50,069 --> 00:54:48,400
as mysteriously as they appeared in the

1334
00:54:51,829 --> 00:54:50,079
middle of 1897

1335
00:54:55,430 --> 00:54:51,839
there were no more sightings or things

1336
00:54:58,950 --> 00:54:55,440
recorded in the newspaper about it

1337
00:55:01,270 --> 00:54:58,960
so these are early stories

1338
00:55:02,069 --> 00:55:01,280

that mr tortoise has gathered together

1339

00:55:05,829 --> 00:55:02,079

from

1340

00:55:10,069 --> 00:55:05,839

articles

1341

00:55:12,789 --> 00:55:10,079

museum archives microfilm

1342

00:55:14,549 --> 00:55:12,799

which some libraries still have and it

1343

00:55:18,309 --> 00:55:14,559

collected those and put them in

1344

00:55:22,230 --> 00:55:18,319

into a book that he has called the real

1345

00:55:23,190 --> 00:55:22,240

1346
