theater they've been doing the show for

38

00:02:32,710 --> 00:02:30,480

quite a few years now i believe since

39

00:02:35,110 --> 00:02:32,720

2010 and

40

00:02:36,390 --> 00:02:35,120

they were kind of uh

41

00:02:37,509 --> 00:02:36,400

they kind of got me you know i thought

42

00:02:39,190 --> 00:02:37,519

you know it would be neat to start a

43

00:02:41,190 --> 00:02:39,200

show so they're kind of uh

44

00:02:42,150 --> 00:02:41,200

you know i look up to them as uh you

45

00:02:44,150 --> 00:02:42,160

know

46

00:02:45,750 --> 00:02:44,160

broadcasters in the field here that it

47

00:02:47,589 --> 00:02:45,760

good

152  
00:06:45,189 --> 00:06:42,000  
nancy how you been i mean what have you

153  
00:06:48,070 --> 00:06:45,199  
been up to let our listeners know well

154  
00:06:50,870 --> 00:06:48,080  
we have been uh sort of taking a week

155  
00:06:52,309 --> 00:06:50,880  
vacation and i'm having a heck of a time

156  
00:06:53,189 --> 00:06:52,319  
trying to get back into the swing of

157  
00:06:55,029 --> 00:06:53,199  
things

158  
00:06:57,430 --> 00:06:55,039  
uh vacations are

159  
00:06:59,749 --> 00:06:57,440  
wow they're fun but boy

160  
00:07:02,469 --> 00:06:59,759  
have you ever found well ken ken is

161  
00:07:05,749 --> 00:07:02,479  
actually sitting in an airport so he

162  
00:07:08,230 --> 00:07:05,759  
knows of which is fort worth you know

163  
00:07:10,550 --> 00:07:08,240

yeah it's so do you are you able to work

164

00:07:12,070 --> 00:07:10,560

all the time just keep your open up your

165

00:07:13,510 --> 00:07:12,080

lap book and your life is right there

166

00:07:14,790 --> 00:07:13,520

for you

167

00:07:16,950 --> 00:07:14,800

i'm not

168

00:07:18,629 --> 00:07:16,960

no i think yeah i think can can ken just

169

00:07:19,909 --> 00:07:18,639

brings his phone with them

170

00:07:24,390 --> 00:07:19,919

yeah

171

00:07:26,309 --> 00:07:24,400

respect well

172

00:07:27,749 --> 00:07:26,319

you know it's it's fascinating uh how

173

00:07:29,510 --> 00:07:27,759

much people are living on their

174

00:07:31,830 --> 00:07:29,520

telephones just they're just i never

175

00:07:34,390 --> 00:07:31,840

would have thought that that everybody

176

00:07:36,550 --> 00:07:34,400

would be looking at their little screens

177

00:07:38,309 --> 00:07:36,560

you know with with

178

00:07:39,990 --> 00:07:38,319

and now we have a watch that they're

179

00:07:42,150 --> 00:07:40,000

going to promote that you can wear in

180

00:07:43,350 --> 00:07:42,160

your wrist you know yeah i i don't you

181

00:07:44,390 --> 00:07:43,360

think that's going to succeed or you

182

00:07:46,629 --> 00:07:44,400

think it's going to

183

00:07:48,150 --> 00:07:46,639

do it doesn't it it doesn't appeal to me

184

00:07:49,749 --> 00:07:48,160

but i'm sure there are you know tech

185

00:07:52,150 --> 00:07:49,759

savvy people that are you know

186

00:07:55,430 --> 00:07:52,160

salivating to get that you know the new

187

00:07:57,510 --> 00:07:55,440

gadget if you will i wonder i wonder

188

00:07:58,869 --> 00:07:57,520

uh it's uh and it's the first time i

189

00:08:01,510 --> 00:07:58,879

think i've ever watched an apple

190

00:08:03,510 --> 00:08:01,520

presentation and sort of went

191

00:08:04,790 --> 00:08:03,520

nah

192

00:08:06,469 --> 00:08:04,800

yeah that's interesting i thought the

193

00:08:08,390 --> 00:08:06,479

same thing i wasn't that overly

194

00:08:10,950 --> 00:08:08,400

impressed by the presentation of it

195

00:08:11,990 --> 00:08:10,960

right and they were flashing gold i mean

196

00:08:13,830 --> 00:08:12,000

the uh

197

00:08:16,710 --> 00:08:13,840

the thing itself can be i mean who's

198

00:08:18,390 --> 00:08:16,720

gonna be so stupid as to wear a gold one

199

00:08:20,950 --> 00:08:18,400

where it's advertising to everybody you

200

00:08:24,710 --> 00:08:20,960

know i'm thirteen thousand dollars

201  
00:08:31,430 --> 00:08:27,830  
well yeah from a law enforcement uh uh

202  
00:08:32,790 --> 00:08:31,440  
standpoint we call that bait okay

203  
00:08:34,230 --> 00:08:32,800  
really

204  
00:08:35,909 --> 00:08:34,240  
some predator is going to be watching

205  
00:08:37,269 --> 00:08:35,919  
that's for sure

206  
00:08:40,550 --> 00:08:37,279  
well but then if you steal it then

207  
00:08:42,070 --> 00:08:40,560  
you're the idiot you know i mean what if

208  
00:08:44,310 --> 00:08:42,080  
i don't know i

209  
00:08:46,070 --> 00:08:44,320  
i've also heard that apple's going to be

210  
00:08:48,470 --> 00:08:46,080  
trying to make cars

211  
00:08:50,310 --> 00:08:48,480  
that they're looking into the car world

212  
00:08:52,310 --> 00:08:50,320  
so it's like you know when you make so

213  
00:08:54,470 --> 00:08:52,320

much money you have to find something to

214

00:08:56,150 --> 00:08:54,480

do with it i guess it's burning a hole

215

00:08:57,829 --> 00:08:56,160

in their pockets [h\_\_h] it yeah i gotta

216

00:08:59,990 --> 00:08:57,839

find a way to spend it i suppose yeah

217

00:09:01,910 --> 00:09:00,000

maybe wow making cars i hadn't heard

218

00:09:03,430 --> 00:09:01,920

that but that's interesting well that

219

00:09:05,430 --> 00:09:03,440

would certainly take care of their

220

00:09:06,389 --> 00:09:05,440

excess profit right

221

00:09:07,750 --> 00:09:06,399

you just

222

00:09:09,590 --> 00:09:07,760

you know you do something that you don't

223

00:09:11,269 --> 00:09:09,600

know how to do like it sounds like our

224

00:09:12,870 --> 00:09:11,279

life you should try something you don't

225

00:09:15,190 --> 00:09:12,880

know how to do and you spend money on it

226

00:09:18,310 --> 00:09:15,200

and so forth whoops i'm sorry it might

227

00:09:20,070 --> 00:09:18,320

get my thing but yeah so

228

00:09:20,870 --> 00:09:20,080

oh well yeah

229

00:09:22,630 --> 00:09:20,880

yeah

230

00:09:24,310 --> 00:09:22,640

so so nancy i'm still working on getting

231

00:09:25,030 --> 00:09:24,320

bill so he's on coast to coast tonight

232

00:09:27,670 --> 00:09:25,040

huh

233

00:09:29,430 --> 00:09:27,680

yes he is he's um

234

00:09:31,990 --> 00:09:29,440

well when he comes on the show he'll

235

00:09:33,750 --> 00:09:32,000

tell us what his topic is because he's

236

00:09:36,710 --> 00:09:33,760

the kind of person i i think he's on

237

00:09:38,150 --> 00:09:36,720

with dave schroeder i think is the host

238

00:09:39,990 --> 00:09:38,160

and i'll be curious as to what they're

239

00:09:41,590 --> 00:09:40,000

talking about because he does have a few

240

00:09:43,509 --> 00:09:41,600

irons in the fire

241

00:09:45,670 --> 00:09:43,519

yes very cool now what you've been up to

242

00:09:46,949 --> 00:09:45,680

now you were working on a book uh last

243

00:09:50,150 --> 00:09:46,959

time we talked have you finished that

244

00:09:52,949 --> 00:09:50,160

book yes i have i have finally well

245

00:09:54,550 --> 00:09:52,959

here's the thing um as as everybody

246

00:09:56,870 --> 00:09:54,560

knows it's a whole new world when it

247

00:09:58,790 --> 00:09:56,880

comes to ebooks right

248

00:10:02,070 --> 00:09:58,800

uh if you guys know

249

00:10:04,230 --> 00:10:02,080

you guys may personally know

250

00:10:05,829 --> 00:10:04,240

friends who've actually finally put it

251  
00:10:07,269 --> 00:10:05,839  
all together and made an e-book

252  
00:10:08,470 --> 00:10:07,279  
available for sale which is what i've

253  
00:10:11,110 --> 00:10:08,480  
done i have

254  
00:10:14,230 --> 00:10:11,120  
um i have a lot of stuff

255  
00:10:16,870 --> 00:10:14,240  
that is uh in physical form you know in

256  
00:10:18,630 --> 00:10:16,880  
the form of books paperbacks hardcovers

257  
00:10:20,389 --> 00:10:18,640  
but no uh

258  
00:10:22,870 --> 00:10:20,399  
no ebook so far so i'm learning how to

259  
00:10:25,509 --> 00:10:22,880  
do that that's exactly you know and it's

260  
00:10:28,470 --> 00:10:25,519  
uh it's killer hard i can tell you but i

261  
00:10:30,870 --> 00:10:28,480  
do have one yeah okay um i'm going to

262  
00:10:33,269 --> 00:10:30,880  
type for you i uh

263  
00:10:35,350 --> 00:10:33,279

bill's skype name yes yeah

264

00:10:37,590 --> 00:10:35,360

perfect and as you as you can see i'm

265

00:10:39,829 --> 00:10:37,600

i'm transparent i if you send me a

266

00:10:41,430 --> 00:10:39,839

message don't ever don't don't ever send

267

00:10:43,269 --> 00:10:41,440

me a message saying don't talk about

268

00:10:45,829 --> 00:10:43,279

that because i'll say i'll say it right

269

00:10:47,590 --> 00:10:45,839

out loud oh okay no worries no no this

270

00:10:49,110 --> 00:10:47,600

is this is just a fun free-for-all show

271

00:10:50,069 --> 00:10:49,120

just kind of like the old days huh it's

272

00:10:53,190 --> 00:10:50,079

perfect

273

00:10:55,750 --> 00:10:53,200

so i would say it's friday doc burns

274

00:10:57,829 --> 00:10:55,760

uh he he hardly ever uses his official

275

00:11:01,269 --> 00:10:57,839

titles but i think for skype he might be

276  
00:11:02,150 --> 00:11:01,279  
doc burns b-i-r-n-e-s okay try that and

277  
00:11:04,630 --> 00:11:02,160  
um

278  
00:11:06,069 --> 00:11:04,640  
uh or william

279  
00:11:07,350 --> 00:11:06,079  
geez

280  
00:11:09,910 --> 00:11:07,360  
on mine

281  
00:11:12,870 --> 00:11:09,920  
okay are you guys on on uh mac

282  
00:11:14,150 --> 00:11:12,880  
macintosh or on pc i'm on pc producing

283  
00:11:16,550 --> 00:11:14,160  
producing and

284  
00:11:18,710 --> 00:11:16,560  
uh ken is on phone

285  
00:11:20,949 --> 00:11:18,720  
okay so i i the thing is i don't

286  
00:11:22,069 --> 00:11:20,959  
understand how that one

287  
00:11:23,750 --> 00:11:22,079  
uh

288  
00:11:26,310 --> 00:11:23,760

you know on the skype where you can find

289

00:11:28,710 --> 00:11:26,320

the guy's actual code name

290

00:11:31,350 --> 00:11:28,720

i've got him listed as try try

291

00:11:34,630 --> 00:11:31,360

w-m-b-i-r-n-e-s

292

00:11:35,829 --> 00:11:34,640

to two words i believe i have him here

293

00:11:37,190 --> 00:11:35,839

i'm going to add him he'll have to

294

00:11:39,910 --> 00:11:37,200

accept

295

00:11:42,550 --> 00:11:39,920

w are you trying w-m-b-i-r i got doc

296

00:11:45,030 --> 00:11:42,560

burns okay doc burns try that uh and

297

00:11:47,590 --> 00:11:45,040

then also try this other the uh hello

298

00:11:49,190 --> 00:11:47,600

people this is the way this is you said

299

00:11:51,110 --> 00:11:49,200

we've been on the air for five years we

300

00:11:52,310 --> 00:11:51,120

are celebrating our fifth anniversary

301  
00:11:55,509 --> 00:11:52,320  
and we are

302  
00:11:56,550 --> 00:11:55,519  
uh still learning the technology i think

303  
00:11:58,230 --> 00:11:56,560  
uh

304  
00:11:59,990 --> 00:11:58,240  
and and for anybody who thinks they want

305  
00:12:01,670 --> 00:12:00,000  
to do a radio show

306  
00:12:03,990 --> 00:12:01,680  
keep this in mind

307  
00:12:07,750 --> 00:12:04,000  
it gets tricky at times it sure does

308  
00:12:08,790 --> 00:12:07,760  
like so try capital w smaller case m

309  
00:12:13,430 --> 00:12:08,800  
space

310  
00:12:16,389 --> 00:12:13,440  
capital w a b i r n e s see if that see

311  
00:12:17,910 --> 00:12:16,399  
if that rings some burn spells yeah the

312  
00:12:18,870 --> 00:12:17,920  
first one worked i think he just says

313  
00:12:21,110 --> 00:12:18,880

accept

314

00:12:23,269 --> 00:12:21,120

it did it did fall under his name yeah

315

00:12:25,350 --> 00:12:23,279

that's his uh wm burns so it did it you

316

00:12:27,430 --> 00:12:25,360

did have a skype name right so william

317

00:12:28,629 --> 00:12:27,440

parts okay but we'll wait for him to

318

00:12:31,030 --> 00:12:28,639

accept he's probably looking for the

319

00:12:32,069 --> 00:12:31,040

iron little chimer there we you know we

320

00:12:35,030 --> 00:12:32,079

we

321

00:12:37,269 --> 00:12:35,040

didn't can

322

00:12:39,110 --> 00:12:37,279

i know i know well that's what i'm

323

00:12:40,310 --> 00:12:39,120

saying it's really hard i'm telling you

324

00:12:42,710 --> 00:12:40,320

i don't know how

325

00:12:44,230 --> 00:12:42,720

how uh you know i heard you i heard you

326

00:12:46,550 --> 00:12:44,240

before you started as you were starting

327

00:12:47,750 --> 00:12:46,560

the show you were talking about facebook

328

00:12:49,829 --> 00:12:47,760

and so

329

00:12:53,110 --> 00:12:49,839

you've become a fabulous facebook person

330

00:12:54,710 --> 00:12:53,120

right i have i think i'd spend some too

331

00:12:56,790 --> 00:12:54,720

much time on it sometimes but it's great

332

00:12:58,470 --> 00:12:56,800

to spread it's easy to talk about it and

333

00:13:00,629 --> 00:12:58,480

get the network out i mean it's a good

334

00:13:03,110 --> 00:13:00,639

way to do it well how do you deal with

335

00:13:04,870 --> 00:13:03,120

stuff that you don't really that

336

00:13:06,629 --> 00:13:04,880

does stuff come across your facebook

337

00:13:08,629 --> 00:13:06,639

page that kind of

338

00:13:11,350 --> 00:13:08,639

to use a word does it pan your heart

339

00:13:13,430 --> 00:13:11,360

does it do you see stuff that from old

340

00:13:14,870 --> 00:13:13,440

boyfriends and girlfriends and

341

00:13:17,430 --> 00:13:14,880

old uh

342

00:13:19,750 --> 00:13:17,440

do you see stuff that you

343

00:13:21,350 --> 00:13:19,760

that makes you that makes you sad i see

344

00:13:23,509 --> 00:13:21,360

i see i see

345

00:13:26,550 --> 00:13:23,519

i see news and videos that people are

346

00:13:28,790 --> 00:13:26,560

posting that make me sad societal stuff

347

00:13:31,430 --> 00:13:28,800

right yeah i mean that that that is i

348

00:13:32,550 --> 00:13:31,440

don't i try not to watch the news feed

349

00:13:34,150 --> 00:13:32,560

because

350

00:13:35,190 --> 00:13:34,160

how do you avoid it i just don't look at

351  
00:13:36,470 --> 00:13:35,200  
it

352  
00:13:37,990 --> 00:13:36,480  
well how do you

353  
00:13:40,230 --> 00:13:38,000  
do any facebook

354  
00:13:43,190 --> 00:13:40,240  
i do see it go ahead ken

355  
00:13:46,470 --> 00:13:43,200  
well i i was just saying i i have a

356  
00:13:47,990 --> 00:13:46,480  
facebook page but i don't update it and

357  
00:13:50,629 --> 00:13:48,000  
there's a lot of information on her

358  
00:13:53,430 --> 00:13:50,639  
that's erroneous okay and i don't

359  
00:13:55,750 --> 00:13:53,440

yeah go ahead ken well i was just saying

455  
00:18:58,870 --> 00:18:56,799  
that uh listen as we were discussing i

456  
00:19:00,549 --> 00:18:58,880  
i'm coming back from albuquerque i gave

457  
00:19:02,710 --> 00:19:00,559  
a a talk

458  
00:19:05,590 --> 00:19:02,720  
at the university of new mexico west

459  
00:19:09,110 --> 00:19:05,600  
campus and rio rancho is where i was

460  
00:19:10,950 --> 00:19:09,120  
actually and it was a packed audience

461  
00:19:13,590 --> 00:19:10,960  
what was the topic

462  
00:19:17,029 --> 00:19:13,600  
if um it was uh

463  
00:19:19,590 --> 00:19:17,039

looking at the i i don't use the term

464

00:19:22,870 --> 00:19:19,600

ufos very often

465

00:19:25,350 --> 00:19:22,880

but it was looking at the ufo problem to

466

00:19:27,590 --> 00:19:25,360

the eyes of law enforcement is what the

467

00:19:29,830 --> 00:19:27,600

the subject matter was and

468

00:19:32,549 --> 00:19:29,840

uh the question came up

469

00:19:34,150 --> 00:19:32,559

that the episode of ufo hunters where we

470

00:19:37,350 --> 00:19:34,160

were filming

471

00:19:39,750 --> 00:19:37,360

uh outside the gate of dugway and we

472

00:19:41,590 --> 00:19:39,760

interacted with the base police came

473

00:19:43,909 --> 00:19:41,600

screaming off the base red lights and

474

00:19:45,909 --> 00:19:43,919

siren and the officer gets out of his

475

00:19:48,950 --> 00:19:45,919

car with his hand

476

00:19:50,390 --> 00:19:48,960

on his uh service weapon his arm

477

00:19:52,310 --> 00:19:50,400

extended because we started approaching

478

00:19:53,669 --> 00:19:52,320

him and he said oh stand right there you

479

00:19:56,390 --> 00:19:53,679

can't be filming here i need to

480

00:19:58,150 --> 00:19:56,400

confiscate the cameras in the film and

481

00:20:00,310 --> 00:19:58,160

uh it got pretty intense here for a

482

00:20:03,270 --> 00:20:00,320

couple of seconds anyway didn't it bill

483

00:20:05,430 --> 00:20:03,280

yes it sure did so basically uh

484

00:20:07,110 --> 00:20:05,440

obviously you walk up you say good

485

00:20:07,909 --> 00:20:07,120

afternoon officer what can i help you

486

00:20:08,789 --> 00:20:07,919

with

487

00:20:10,870 --> 00:20:08,799

uh

488

00:20:13,350 --> 00:20:10,880

and he's furious

489

00:20:14,549 --> 00:20:13,360

and he says well why are you here he was

490

00:20:16,070 --> 00:20:14,559

out here

491

00:20:17,990 --> 00:20:16,080

yeah he's saying you're filming inside

492

00:20:21,270 --> 00:20:18,000

the base you know he's were you guys on

493

00:20:22,870 --> 00:20:21,280

private property nope we were on public

494

00:20:24,870 --> 00:20:22,880

actually we were right off the county

495

00:20:26,950 --> 00:20:24,880

road on bureau of land management land

496

00:20:29,750 --> 00:20:26,960

which is which is public property there

497

00:20:31,350 --> 00:20:29,760

was a uh mormon church right across the

498

00:20:33,190 --> 00:20:31,360

road from us and we were in like a

499

00:20:35,669 --> 00:20:33,200

parking lot area and we were probably

500

00:20:37,510 --> 00:20:35,679

maybe two miles maybe a mile and a half

501  
00:20:39,029 --> 00:20:37,520  
from the main gate of the base you could

502  
00:20:41,190 --> 00:20:39,039  
see it from where we were it was plain

503  
00:20:43,110 --> 00:20:41,200  
invisible there wasn't any obstructions

504  
00:20:44,549 --> 00:20:43,120  
and you know if you ever

505  
00:20:46,870 --> 00:20:44,559  
question whether there's a ufo

506  
00:20:48,870 --> 00:20:46,880  
phenomenon it's almost like an invisible

507  
00:20:50,710 --> 00:20:48,880  
bubble but but when you hit the side of

508  
00:20:52,950 --> 00:20:50,720  
the bubble just like that

509  
00:20:53,990 --> 00:20:52,960  
you know something's up this is weirder

510  
00:20:56,070 --> 00:20:54,000  
than just

511  
00:20:57,590 --> 00:20:56,080  
you know you're on private land or

512  
00:20:59,830 --> 00:20:57,600  
you're you know you're parking in the

513  
00:21:01,190 --> 00:20:59,840

wrong spot this is what hand on the

514

00:21:02,710 --> 00:21:01,200

weapon weird

515

00:21:04,630 --> 00:21:02,720

yes it is

516

00:21:07,909 --> 00:21:04,640

it is and the episode that we were doing

517

00:21:08,950 --> 00:21:07,919

there was the men in black episode and

518

00:21:10,870 --> 00:21:08,960

um

519

00:21:15,270 --> 00:21:10,880

and there had been an encounter with bob

520

00:21:17,990 --> 00:21:15,280

and i at dugway uh with uh with

521

00:21:20,230 --> 00:21:18,000

people or two guys anyway dressed all in

522

00:21:23,830 --> 00:21:20,240

black and we were starting the interview

523

00:21:25,590 --> 00:21:23,840

right there and this police officer cop

524

00:21:27,830 --> 00:21:25,600

uh come screaming off base red lights

525

00:21:29,830 --> 00:21:27,840

and siren i mean it was like he was a

526

00:21:32,230 --> 00:21:29,840

that was cold tree in law enforcement

527

00:21:33,510 --> 00:21:32,240

terms okay and george and doug i know

528

00:21:35,270 --> 00:21:33,520

you guys are listening you know what i'm

529

00:21:37,029 --> 00:21:35,280

talking about i mean he was warped

530

00:21:38,549 --> 00:21:37,039

factor five out of the main gate comes

531

00:21:40,070 --> 00:21:38,559

screaming into the parking lot red

532

00:21:42,549 --> 00:21:40,080

lights and siren blaze and gets out of

533

00:21:44,230 --> 00:21:42,559

his car hand on his weapon arm extended

534

00:21:45,350 --> 00:21:44,240

because we started walking towards and

535

00:21:47,350 --> 00:21:45,360

you'll stay right there don't come any

536

00:21:50,549 --> 00:21:47,360

closer you can't film here i'm gonna

537

00:21:52,310 --> 00:21:50,559

have to uh confiscate your uh camera and

538

00:21:54,950 --> 00:21:52,320

the film and don't you take it from

539

00:21:56,950 --> 00:21:54,960

there because you you basically uh

540

00:21:59,430 --> 00:21:56,960

talked to the officer more than what was

541

00:22:02,710 --> 00:21:59,440

his what was his badge what was his um

542

00:22:04,950 --> 00:22:02,720

area that he was based police military

543

00:22:06,789 --> 00:22:04,960

base police i mean that was his job he

544

00:22:08,390 --> 00:22:06,799

was a police officer

545

00:22:11,190 --> 00:22:08,400

at dugway

546

00:22:13,029 --> 00:22:11,200

and so i approached him and i said

547

00:22:14,870 --> 00:22:13,039

what's the problem and he said you can't

548

00:22:16,230 --> 00:22:14,880

film here and i said well where we're

549

00:22:18,870 --> 00:22:16,240

standing

550

00:22:21,190 --> 00:22:18,880

is bureau of management land it's not

551  
00:22:24,549 --> 00:22:21,200  
it's not federal military preserve this

552  
00:22:27,029 --> 00:22:24,559  
is uh this is blm land and

553  
00:22:28,470 --> 00:22:27,039  
we have shooting permits so he gets all

554  
00:22:29,750 --> 00:22:28,480  
flustered and says let me see those

555  
00:22:33,669 --> 00:22:29,760  
permits so

556  
00:22:35,830 --> 00:22:33,679  
um i got the permits i think from um

557  
00:22:37,830 --> 00:22:35,840  
our field coordinator

558  
00:22:39,669 --> 00:22:37,840  
and showed it to him and they were

559  
00:22:41,590 --> 00:22:39,679  
perfectly in order

560  
00:22:43,510 --> 00:22:41,600  
he said well you're filming inside the

561  
00:22:45,190 --> 00:22:43,520  
base we said the cameras aren't even on

562  
00:22:48,549 --> 00:22:45,200  
how can we film

563  
00:22:51,190 --> 00:22:48,559

inside the bay so he was flummoxed

564

00:22:53,270 --> 00:22:51,200

he calls his captain

565

00:22:55,669 --> 00:22:53,280

this guy comes in

566

00:23:00,230 --> 00:22:55,679

big handlebar mustache looking like

567

00:23:05,190 --> 00:23:03,029

yeah and so and so he basically starts

568

00:23:07,270 --> 00:23:05,200

to read us the riot act and we said we

569

00:23:09,110 --> 00:23:07,280

understand we can't film on the base

570

00:23:12,230 --> 00:23:09,120

that's not what we're doing we're right

571

00:23:14,870 --> 00:23:12,240

here state of utah bureau of management

572

00:23:16,549 --> 00:23:14,880

land with shooting permits and we're

573

00:23:19,990 --> 00:23:16,559

shooting ourselves

574

00:23:23,029 --> 00:23:20,000

now what happened how we captured all

575

00:23:25,669 --> 00:23:23,039

that footage was that our cameraman our

576

00:23:28,710 --> 00:23:25,679

b cameraman brian garrity

577

00:23:31,430 --> 00:23:28,720

um can you remember the scene

578

00:23:34,149 --> 00:23:31,440

in the china syndrome when michael

579

00:23:36,230 --> 00:23:34,159

douglas as the cameraman when people are

580

00:23:38,789 --> 00:23:36,240

screaming at jane fonda and michael

581

00:23:42,310 --> 00:23:38,799

douglas you can't film you can't film

582

00:23:45,190 --> 00:23:42,320

douglas had the camera down by his knee

583

00:23:46,870 --> 00:23:45,200

aimed it at the board where jack lemmon

584

00:23:48,470 --> 00:23:46,880

was trying to figure out what was going

585

00:23:50,950 --> 00:23:48,480

on with the um

586

00:23:54,070 --> 00:23:50,960

nuclear reactor and began filming well

587

00:23:56,789 --> 00:23:54,080

brian garrity did the same thing he held

588

00:23:59,110 --> 00:23:56,799

the camera down and he's filming the

589

00:24:01,430 --> 00:23:59,120

interaction and i might so we could hear

590

00:24:04,390 --> 00:24:01,440

the whole thing

591

00:24:06,950 --> 00:24:04,400

he is filming the entire encounter

592

00:24:08,630 --> 00:24:06,960

so then the police captain shows up and

593

00:24:11,510 --> 00:24:08,640

we say we don't understand what's wrong

594

00:24:13,029 --> 00:24:11,520

captain we're just here on blm land just

595

00:24:15,190 --> 00:24:13,039

us mice

596

00:24:17,269 --> 00:24:15,200

not bothering anybody

597

00:24:19,909 --> 00:24:17,279

but we have got some questions for you

598

00:24:22,710 --> 00:24:19,919

sir about what's going on at this space

599

00:24:24,950 --> 00:24:22,720

well the captain gets freaked out so he

600

00:24:27,269 --> 00:24:24,960

calls the base public information

601  
00:24:28,710 --> 00:24:27,279  
officer this tiny little person real

602  
00:24:32,549 --> 00:24:28,720  
sweetie pie

603  
00:24:33,990 --> 00:24:32,559  
shows up she'd been up all night doing

604  
00:24:35,990 --> 00:24:34,000  
some other

605  
00:24:37,990 --> 00:24:36,000  
press work

606  
00:24:39,590 --> 00:24:38,000  
and she starts talking to us about and

607  
00:24:43,029 --> 00:24:39,600  
this was like

608  
00:24:45,669 --> 00:24:43,039  
a golden rainbow opened up for the pio

609  
00:24:48,549 --> 00:24:45,679  
of one of the most secretive

610  
00:24:50,390 --> 00:24:48,559  
military bases in the country

611  
00:24:51,590 --> 00:24:50,400  
showing up on camera to talk about

612  
00:24:53,669 --> 00:24:51,600  
that's kind of an opportunity to see

613  
00:24:57,750 --> 00:24:53,679

moronic job if she's got to be the

614

00:25:01,110 --> 00:24:57,760

public relations officer of a secret

615

00:25:02,950 --> 00:25:01,120

see right now let ken answer that yeah

616

00:25:04,710 --> 00:25:02,960

i'm sorry i i was distracted by the

617

00:25:06,870 --> 00:25:04,720

announcement go ahead what did you ask

618

00:25:08,149 --> 00:25:06,880

no what we're saying no what nancy asked

619

00:25:10,230 --> 00:25:08,159

was is it an

620

00:25:12,549 --> 00:25:10,240

oxymoron for a

621

00:25:15,669 --> 00:25:12,559

highly top-secret base to have a public

622

00:25:17,190 --> 00:25:15,679

information officer well yeah and and uh

623

00:25:18,950 --> 00:25:17,200

just so our listeners understand

624

00:25:20,870 --> 00:25:18,960

something dugway

625

00:25:23,430 --> 00:25:20,880

is the largest

626  
00:25:26,710 --> 00:25:23,440  
encompasses more land than any other

627  
00:25:29,029 --> 00:25:26,720  
base in the continental united states

628  
00:25:30,470 --> 00:25:29,039  
really that's and that's incredibly area

629  
00:25:32,070 --> 00:25:30,480  
51.

630  
00:25:35,029 --> 00:25:32,080  
yeah

631  
00:25:35,990 --> 00:25:35,039  
it is it is it is huge

632  
00:25:38,390 --> 00:25:36,000  
well

633  
00:25:40,870 --> 00:25:38,400  
you were you said you just uh gave a

634  
00:25:43,350 --> 00:25:40,880  
talk at the university of new mexico

635  
00:25:45,669 --> 00:25:43,360  
at west campus yes well are they

636  
00:25:47,269 --> 00:25:45,679  
actually touching upon the ufo subject

637  
00:25:49,750 --> 00:25:47,279  
in universities

638  
00:25:52,070 --> 00:25:49,760

it was publicized it was uh it was a

639

00:25:53,510 --> 00:25:52,080

small lecture hall it happened probably

640

00:25:56,630 --> 00:25:53,520

120

641

00:25:58,789 --> 00:25:56,640

uh people and it was packed

642

00:26:01,110 --> 00:25:58,799

wow and you've heard stanton friedman

643

00:26:03,510 --> 00:26:01,120

talk about how packed his audiences

644

00:26:05,669 --> 00:26:03,520

constantly are so young people are still

645

00:26:08,310 --> 00:26:05,679

interested in this topic

646

00:26:10,470 --> 00:26:08,320

there was a number of uh college

647

00:26:12,870 --> 00:26:10,480

students and local residents in the area

648

00:26:13,830 --> 00:26:12,880

of albuquerque that showed up and uh

649

00:26:18,070 --> 00:26:13,840

yeah

650

00:26:20,310 --> 00:26:18,080

a fact but it looked like there was a

651  
00:26:23,269 --> 00:26:20,320  
couple of uh professors in the audience

652  
00:26:25,830 --> 00:26:23,279  
too in fact one of the one question came

653  
00:26:27,830 --> 00:26:25,840  
from um a gentleman that

654  
00:26:30,870 --> 00:26:27,840  
teaches at the west campus there about

655  
00:26:32,870 --> 00:26:30,880  
the ufo uh hunter episode that we were

656  
00:26:35,830 --> 00:26:32,880  
talking about right right

657  
00:26:37,510 --> 00:26:35,840  
well did you get a lot of um

658  
00:26:38,870 --> 00:26:37,520  
debunker type questions like this is

659  
00:26:42,070 --> 00:26:38,880  
just bs

660  
00:26:46,390 --> 00:26:42,080  
no no no it was uh and all in all it was

661  
00:26:47,510 --> 00:26:46,400  
very very positive it was uh um i think

662  
00:26:49,190 --> 00:26:47,520  
probably

663  
00:26:51,029 --> 00:26:49,200

if i had to give a percentage i'd say

664

00:26:54,310 --> 00:26:51,039

somewhere between 80 and 90 of the

665

00:26:56,950 --> 00:26:54,320

people were were believers wow nice

666

00:27:00,149 --> 00:26:56,960

nice yeah and uh

667

00:27:01,190 --> 00:27:00,159

i reference uh you know i i think i i

668

00:27:03,269 --> 00:27:01,200

may have

669

00:27:05,110 --> 00:27:03,279

wrinkled some feathers when i said when

670

00:27:06,789 --> 00:27:05,120

when people tell you that there is no

671

00:27:08,630 --> 00:27:06,799

scientific proof

672

00:27:10,470 --> 00:27:08,640

and i said you have to go look at

673

00:27:13,350 --> 00:27:10,480

project identification as it's one of

674

00:27:16,470 --> 00:27:13,360

the largest scientific uh

675

00:27:19,110 --> 00:27:16,480

uh examination of the ufo enigma it was

676  
00:27:21,590 --> 00:27:19,120  
done by a major university and nobody's

677  
00:27:23,350 --> 00:27:21,600  
nobody say that again what what is it

678  
00:27:26,230 --> 00:27:23,360  
they say it again

679  
00:27:30,390 --> 00:27:26,240  
project identification and it was done

680  
00:27:33,269 --> 00:27:30,400  
by professor harley rutledge and he was

681  
00:27:36,149 --> 00:27:33,279  
head of the physics department uh at

682  
00:27:37,590 --> 00:27:36,159  
southeast missouri state and and

683  
00:27:39,990 --> 00:27:37,600  
yeah wait what

684  
00:27:42,710 --> 00:27:40,000  
when did he do this

685  
00:27:45,350 --> 00:27:42,720  
it was 1973 is when it took place

686  
00:27:51,110 --> 00:27:48,390  
in order to work uh to be a part of his

687  
00:27:53,590 --> 00:27:51,120  
team and he had 26 people you had to

688  
00:27:56,070 --> 00:27:53,600

have a graduate degree uh working on

689

00:27:57,110 --> 00:27:56,080

your ms or your or your uh doctorate

690

00:27:59,590 --> 00:27:57,120

degree

691

00:28:01,430 --> 00:27:59,600

so you know

692

00:28:03,430 --> 00:28:01,440

it wasn't ken stewart's police officer

693

00:28:04,870 --> 00:28:03,440

that was allowed to be on the

694

00:28:08,070 --> 00:28:04,880

scientific team

695

00:28:09,110 --> 00:28:08,080

okay 26 people he had three stations he

696

00:28:12,070 --> 00:28:09,120

employed

697

00:28:14,630 --> 00:28:12,080

uh some of the most high-tech equipment

698

00:28:17,590 --> 00:28:14,640

at the time including infrared cameras

699

00:28:20,470 --> 00:28:17,600

uh electromagnetic uh detectors he had

700

00:28:23,029 --> 00:28:20,480

an airborne unit that had radar uh the

701  
00:28:25,350 --> 00:28:23,039  
pilot was a phd and the radar operator

702  
00:28:26,870 --> 00:28:25,360  
uh in 1973 i'm writing all this down

703  
00:28:28,230 --> 00:28:26,880  
right now uh

704  
00:28:30,549 --> 00:28:28,240  
and how can you get

705  
00:28:32,070 --> 00:28:30,559  
product a project identification and how

706  
00:28:34,149 --> 00:28:32,080  
and you this is under the auspices of

707  
00:28:36,389 --> 00:28:34,159  
the university

708  
00:28:39,190 --> 00:28:36,399  
right i'm sorry what this is under the

709  
00:28:41,830 --> 00:28:39,200  
auspices of the university uh the

710  
00:28:44,389 --> 00:28:41,840  
initial funding for the first 17 months

711  
00:28:47,190 --> 00:28:44,399  
it lasted for almost five years

712  
00:28:49,990 --> 00:28:47,200  
the first 17 months

713  
00:28:50,950 --> 00:28:50,000

was funded by the university of missouri

714

00:28:53,269 --> 00:28:50,960

uh

715

00:28:56,230 --> 00:28:53,279

and then it was picked up by saint louis

716

00:28:57,190 --> 00:28:56,240

post-dispatch and kmlx

717

00:29:02,310 --> 00:28:57,200

radio

718

00:29:04,630 --> 00:29:02,320

wow yeah yeah wow and and i i have a a

719

00:29:07,669 --> 00:29:04,640

copy of the hardback book was given to

720

00:29:10,070 --> 00:29:07,679

me today or yesterday at albuquerque

721

00:29:12,630 --> 00:29:10,080

and um well have you started to to look

722

00:29:14,549 --> 00:29:12,640

to see what's online from this book

723

00:29:16,230 --> 00:29:14,559

oh yeah yeah i i found out about this

724

00:29:18,870 --> 00:29:16,240

book four years ago nancy i didn't even

725

00:29:21,190 --> 00:29:18,880

know that the the scientific uh

726

00:29:22,870 --> 00:29:21,200

uh study had been done i never had no no

727

00:29:25,830 --> 00:29:22,880

neither and this is fascinating stuff

728

00:29:26,950 --> 00:29:25,840

and so uh was this a a thorough or

729

00:29:29,110 --> 00:29:26,960

what was the results of this

730

00:29:32,549 --> 00:29:29,120

investigation what did they say

731

00:29:34,230 --> 00:29:32,559

out of 864 objects that they witnessed

732

00:29:35,990 --> 00:29:34,240

over this five-year period that they

733

00:29:40,630 --> 00:29:36,000

recorded that they were they saw more

734

00:29:42,230 --> 00:29:40,640

but he only uh in his paper analysis he

735

00:29:47,269 --> 00:29:42,240

referenced only the objects that they

736

00:29:50,230 --> 00:29:47,279

were able to uh record out of 864 82 of

737

00:29:52,470 --> 00:29:50,240

them he felt that professor harley

738

00:29:54,389 --> 00:29:52,480

rutledge looked that not only were they

739

00:29:56,149 --> 00:29:54,399

constructed craft but they were under

740

00:29:57,110 --> 00:29:56,159

intelligent control

741

00:30:01,269 --> 00:29:57,120

and

742

00:30:03,110 --> 00:30:01,279

in 16 of the encounters the the craft

743

00:30:05,350 --> 00:30:03,120

interacted with the observers on the

744

00:30:07,430 --> 00:30:05,360

ground they would flash lights and then

745

00:30:09,990 --> 00:30:07,440

the flashlights back it sounds like the

746

00:30:11,830 --> 00:30:10,000

comedo report doesn't it

747

00:30:14,149 --> 00:30:11,840

yeah you know

748

00:30:15,909 --> 00:30:14,159

in other words it's a it's some and it's

749

00:30:18,389 --> 00:30:15,919

it's in university of missouri i never

750

00:30:20,389 --> 00:30:18,399

heard of this and i think rutledge

751  
00:30:23,510 --> 00:30:20,399  
harley rutledge his name does ring about

752  
00:30:25,190 --> 00:30:23,520  
he might be in the file someplace but

753  
00:30:27,909 --> 00:30:25,200  
the reason i'm asking is it online

754  
00:30:29,590 --> 00:30:27,919  
because if this is in 1973

755  
00:30:33,110 --> 00:30:29,600  
somebody has to physically scan all

756  
00:30:35,269 --> 00:30:33,120  
those pages in and oc are them right

757  
00:30:38,310 --> 00:30:35,279  
oh i would think so absolutely might it

758  
00:30:43,510 --> 00:30:41,510  
i have the uh hard hardback copy of the

759  
00:30:45,990 --> 00:30:43,520  
book that was uh that's what i'm that's

760  
00:30:48,789 --> 00:30:46,000  
what i'm saying see

761  
00:30:50,389 --> 00:30:48,799  
but but uh yeah i was very honored to

762  
00:30:52,149 --> 00:30:50,399  
receive the book

763  
00:30:54,070 --> 00:30:52,159

you know you know you you're you're

764

00:30:55,909 --> 00:30:54,080

missing what i'm saying you may be the

765

00:31:00,230 --> 00:30:55,919

guy who has to stand in front of a

766

00:31:03,029 --> 00:31:00,240

scanner and open every page

767

00:31:04,870 --> 00:31:03,039

yeah really really oh yeah absolutely i

768

00:31:05,990 --> 00:31:04,880

think this needs to get out because like

769

00:31:08,789 --> 00:31:06,000

i said i've been

770

00:31:11,669 --> 00:31:08,799

involved in the flying saucer enigma for

771

00:31:14,149 --> 00:31:11,679

since 19 since 1973 when i was in the

772

00:31:16,070 --> 00:31:14,159

air force and i never heard of this

773

00:31:18,549 --> 00:31:16,080

project identification it was done

774

00:31:20,789 --> 00:31:18,559

scientifically by a major university

775

00:31:22,389 --> 00:31:20,799

ryan me either yeah in 1973 and it

776  
00:31:24,149 --> 00:31:22,399  
should be this should be front page this

777  
00:31:25,669 --> 00:31:24,159  
is like blue book as i said or the

778  
00:31:28,389 --> 00:31:25,679  
united states version of project

779  
00:31:29,510 --> 00:31:28,399  
comedian the kubato report

780  
00:31:31,190 --> 00:31:29,520  
which is

781  
00:31:32,310 --> 00:31:31,200  
belgian i think

782  
00:31:34,630 --> 00:31:32,320  
french

783  
00:31:38,149 --> 00:31:34,640  
from france

784  
00:31:40,389 --> 00:31:38,159  
but uh well i and i think it goes to

785  
00:31:41,350 --> 00:31:40,399  
to the root of the problem is that

786  
00:31:47,269 --> 00:31:41,360  
there's

787  
00:31:48,950 --> 00:31:47,279  
a lot of ignorance concerning this

788  
00:31:50,789 --> 00:31:48,960

right or denial

789

00:31:52,310 --> 00:31:50,799

it's willful too

790

00:31:54,389 --> 00:31:52,320

yeah it is willful one of the things

791

00:31:57,750 --> 00:31:54,399

that peter sturrock um

792

00:32:01,669 --> 00:31:57,760

who was part of the pokentico hills

793

00:32:03,750 --> 00:32:01,679

lawrence rockefeller study said was that

794

00:32:06,549 --> 00:32:03,760

what piqued his interest

795

00:32:08,789 --> 00:32:06,559

was jacques valet saying to him that

796

00:32:10,389 --> 00:32:08,799

there were so many astronomers

797

00:32:13,990 --> 00:32:10,399

who actually

798

00:32:15,669 --> 00:32:14,000

saw ufos in between them and the objects

799

00:32:17,190 --> 00:32:15,679

they were photographing they were

800

00:32:19,669 --> 00:32:17,200

actually getting annoyed somebody get

801  
00:32:22,389 --> 00:32:19,679  
that lousy flying saucer out of my lens

802  
00:32:23,269 --> 00:32:22,399  
and so peter starrock asked valet well

803  
00:32:26,870 --> 00:32:23,279  
why

804  
00:32:28,630 --> 00:32:26,880  
these are

805  
00:32:30,389 --> 00:32:28,640  
important astronomers at important

806  
00:32:32,789 --> 00:32:30,399  
institutions why don't they say

807  
00:32:34,630 --> 00:32:32,799  
something and valee had a very very

808  
00:32:37,909 --> 00:32:34,640  
pointed answer he said

809  
00:32:40,630 --> 00:32:37,919  
where do most if not all astronomers get

810  
00:32:42,470 --> 00:32:40,640  
the funding for their projects

811  
00:32:45,990 --> 00:32:42,480  
they get it from the government

812  
00:32:48,789 --> 00:32:46,000  
so if the so if you're going to say on

813  
00:32:51,430 --> 00:32:48,799

government money i'm looking at a ufo in

814

00:32:53,750 --> 00:32:51,440

my telescope that you paid for or that

815

00:32:55,590 --> 00:32:53,760

you paid to maintain guess what you're

816

00:32:57,350 --> 00:32:55,600

going to lose you're going to lose your

817

00:32:58,950 --> 00:32:57,360

funding yeah but there must be anything

818

00:33:00,470 --> 00:32:58,960

else put up with this if it's that

819

00:33:02,389 --> 00:33:00,480

common there must be a procedure for

820

00:33:04,710 --> 00:33:02,399

dealing with it though

821

00:33:06,630 --> 00:33:04,720

yeah there is you shut up that's the

822

00:33:08,870 --> 00:33:06,640

procedure don't talk about it yeah

823

00:33:11,909 --> 00:33:08,880

exactly well i i think a lot of that's

824

00:33:13,430 --> 00:33:11,919

true intimidation uh a lot of the

825

00:33:14,710 --> 00:33:13,440

a lot of the funding

826

00:33:16,870 --> 00:33:14,720

comes from the federal government

827

00:33:19,190 --> 00:33:16,880

concerning these universities

828

00:33:21,430 --> 00:33:19,200

they have a they have a stranglehold on

829

00:33:24,470 --> 00:33:21,440

on that type of information well you

830

00:33:27,190 --> 00:33:24,480

know bill is right now on a show called

831

00:33:29,269 --> 00:33:27,200

nasa's secret files something like that

832

00:33:31,750 --> 00:33:29,279

is unexplained files right it's on

833

00:33:34,470 --> 00:33:31,760

discovery channel and it's almost as

834

00:33:36,870 --> 00:33:34,480

good as ufo hunters i have to say um

835

00:33:40,470 --> 00:33:36,880

they really seem to be not bringing in

836

00:33:41,909 --> 00:33:40,480

debunkers telling the true stories but

837

00:33:43,269 --> 00:33:41,919

it's nasa

838

00:33:45,110 --> 00:33:43,279

and they have stanton and they have

839

00:33:47,750 --> 00:33:45,120

billa's talking heads and lots and lots

840

00:33:49,669 --> 00:33:47,760

of other folks do you think bill that

841

00:33:51,190 --> 00:33:49,679

this is a true story i mean i mean

842

00:33:53,830 --> 00:33:51,200

you're sitting on the couch watching it

843

00:33:55,909 --> 00:33:53,840

you were part part of it

844

00:33:57,509 --> 00:33:55,919

how different or like ufo hunters is

845

00:33:59,669 --> 00:33:57,519

this well believe it well first of all

846

00:34:01,110 --> 00:33:59,679

it's not at all like ufo hunters but but

847

00:34:04,230 --> 00:34:01,120

the thing is

848

00:34:07,110 --> 00:34:04,240

that in this latest episode that

849

00:34:08,550 --> 00:34:07,120

um was from last week i was actually the

850

00:34:10,310 --> 00:34:08,560

debunker

851  
00:34:12,470 --> 00:34:10,320  
it was funny i was actually in the role

852  
00:34:13,510 --> 00:34:12,480  
of the debunker in the cash landrum

853  
00:34:14,389 --> 00:34:13,520  
story

854  
00:34:17,430 --> 00:34:14,399  
while

855  
00:34:20,230 --> 00:34:17,440  
the show itself was pushing the ufo

856  
00:34:22,869 --> 00:34:20,240  
explanation and this all had to do with

857  
00:34:24,069 --> 00:34:22,879  
um and can you probably remember this

858  
00:34:26,069 --> 00:34:24,079  
after

859  
00:34:27,750 --> 00:34:26,079  
jimmy carter's attempt to rescue the

860  
00:34:30,389 --> 00:34:27,760  
hostages at the from the american

861  
00:34:32,470 --> 00:34:30,399  
embassy in tehran failed because there

862  
00:34:34,310 --> 00:34:32,480  
was no communication between the various

863  
00:34:36,470 --> 00:34:34,320

armed services that were part of the

864

00:34:38,790 --> 00:34:36,480

special operations mission the

865

00:34:40,310 --> 00:34:38,800

helicopters didn't really have night

866

00:34:43,589 --> 00:34:40,320

vision for this i mean there were a

867

00:34:45,750 --> 00:34:43,599

whole bunch of problems a whole new unit

868

00:34:49,510 --> 00:34:45,760

under the joint services operations

869

00:34:51,430 --> 00:34:49,520

command under jsoc was created

870

00:34:53,349 --> 00:34:51,440

called the black called the nighthawks

871

00:34:57,190 --> 00:34:53,359

the blackhawk helicopters the stealth

872

00:34:58,550 --> 00:34:57,200

helicopters uh team 160 right um we own

873

00:35:01,829 --> 00:34:58,560

the night

874

00:35:04,790 --> 00:35:01,839

that was the group that was carrying

875

00:35:07,270 --> 00:35:04,800

this burning nuclear reactor

876

00:35:09,829 --> 00:35:07,280

south of houston over this highway when

877

00:35:12,870 --> 00:35:09,839

betty cash and vicki landrum and kobe

878

00:35:15,589 --> 00:35:12,880

landrum were in a car passing underneath

879

00:35:17,910 --> 00:35:15,599

and the person who told us this about

880

00:35:19,589 --> 00:35:17,920

this or at least gave us the direction

881

00:35:23,030 --> 00:35:19,599

like a deep throat

882

00:35:24,310 --> 00:35:23,040

was the head of texas air national guard

883

00:35:26,630 --> 00:35:24,320

because

884

00:35:29,430 --> 00:35:26,640

units were pulled from the texas air

885

00:35:32,710 --> 00:35:29,440

national guard to join in this convoy of

886

00:35:35,829 --> 00:35:32,720

helicopters escorting this device

887

00:35:38,150 --> 00:35:35,839

chained to helicopters out over the gulf

888

00:35:39,349 --> 00:35:38,160

where they dropped it in the water

889

00:35:41,990 --> 00:35:39,359

and so we

890

00:35:43,589 --> 00:35:42,000

yes so we knew this and then when we

891

00:35:45,510 --> 00:35:43,599

were filming on

892

00:35:48,390 --> 00:35:45,520

long island

893

00:35:49,990 --> 00:35:48,400

for the brookhaven episode

894

00:35:52,150 --> 00:35:50,000

someone who

895

00:35:54,950 --> 00:35:52,160

identified himself as a non-official

896

00:35:57,750 --> 00:35:54,960

cover officer for the cia said

897

00:35:59,750 --> 00:35:57,760

that that whole operation

898

00:36:01,829 --> 00:35:59,760

was planned out of the intelligence

899

00:36:04,870 --> 00:36:01,839

support unit for the joint services

900

00:36:07,430 --> 00:36:04,880

operations command because it was so

901  
00:36:09,510 --> 00:36:07,440  
classified that the united states

902  
00:36:10,790 --> 00:36:09,520  
military was working on

903  
00:36:14,950 --> 00:36:10,800  
small

904  
00:36:17,349 --> 00:36:14,960  
suitcase sized nuclear reactors to power

905  
00:36:19,190 --> 00:36:17,359  
these personal um

906  
00:36:22,230 --> 00:36:19,200  
aeronautical devices

907  
00:36:24,470 --> 00:36:22,240  
it didn't work the project failed they

908  
00:36:26,390 --> 00:36:24,480  
couldn't shield the occupants it just

909  
00:36:28,710 --> 00:36:26,400  
turned out to be an epic failure and

910  
00:36:30,790 --> 00:36:28,720  
this was one of the pieces of failure

911  
00:36:32,390 --> 00:36:30,800  
from that operation

912  
00:36:34,390 --> 00:36:32,400  
well it's interesting you say that

913  
00:36:37,430 --> 00:36:34,400

because i know when i reinvestigated the

914

00:36:40,470 --> 00:36:37,440

cash landing case about four to five

915

00:36:43,670 --> 00:36:40,480

weeks prior to the to the encounter

916

00:36:46,550 --> 00:36:43,680

with uh betty and vicky and colby there

917

00:36:48,310 --> 00:36:46,560

were reports coming in all over the gulf

918

00:36:51,349 --> 00:36:48,320

as a result of

919

00:36:53,990 --> 00:36:51,359

seeing helicopters and this huge bright

920

00:36:56,150 --> 00:36:54,000

object um

921

00:36:58,150 --> 00:36:56,160

with you know either hanging or being

922

00:37:01,990 --> 00:36:58,160

escorted by the helicopters and i always

923

00:37:03,670 --> 00:37:02,000

did i always did feel and i told uh

924

00:37:06,829 --> 00:37:03,680

betty cash and vicki landry have since

925

00:37:09,829 --> 00:37:06,839

passed but i always felt that it was a

926

00:37:12,470 --> 00:37:09,839

uh a us device that what they

927

00:37:15,270 --> 00:37:12,480

encountered right it was messy it made

928

00:37:17,910 --> 00:37:15,280

them very sick it was

929

00:37:20,630 --> 00:37:17,920

yeah i interviewed i think it was dr

930

00:37:23,109 --> 00:37:20,640

anderson he's like one of the world's

931

00:37:25,670 --> 00:37:23,119

leading uh doctors at the time he

932

00:37:27,270 --> 00:37:25,680

treated betty right he treated better

933

00:37:29,990 --> 00:37:27,280

he did he happened to be in the

934

00:37:32,550 --> 00:37:30,000

emergency room when she went there she

935

00:37:33,910 --> 00:37:32,560

had water blisters on her face and on

936

00:37:35,750 --> 00:37:33,920

her hands because she's the only one

937

00:37:37,750 --> 00:37:35,760

that really got out of the car and he

938

00:37:39,990 --> 00:37:37,760

recognized radiation poisoning right

939

00:37:43,270 --> 00:37:40,000

away and his first question was how does

940

00:37:45,190 --> 00:37:43,280

a a woman in rural texas get radiation

941

00:37:46,390 --> 00:37:45,200

poisoning how does that happen

942

00:37:49,430 --> 00:37:46,400

exactly

943

00:37:51,349 --> 00:37:49,440

i asked him specifically i said how bad

944

00:37:53,190 --> 00:37:51,359

was and he said well

945

00:37:57,990 --> 00:37:53,200

he said it was equivalent to her being

946

00:37:58,790 --> 00:37:58,000

within a mile of hiroshima detonation

947

00:38:00,230 --> 00:37:58,800

wow

948

00:38:02,870 --> 00:38:00,240

exactly

949

00:38:05,750 --> 00:38:02,880

well can you extrapolate then how much

950

00:38:08,069 --> 00:38:05,760

radiation that was putting out

951

00:38:10,230 --> 00:38:08,079

well i can tell you this much

952

00:38:12,069 --> 00:38:10,240

it it melted the pavement which was

953

00:38:14,470 --> 00:38:12,079

blacktop and that was only place that

954

00:38:16,870 --> 00:38:14,480

was very for a hundred yards in either

955

00:38:19,270 --> 00:38:16,880

direction where the craft or the object

956

00:38:22,390 --> 00:38:19,280

touched down and all of the trees when i

957

00:38:24,470 --> 00:38:22,400

was there had been removed for at least

958

00:38:26,470 --> 00:38:24,480

an eighth of a mile in every direction

959

00:38:28,150 --> 00:38:26,480

wow that's right i mean and john

960

00:38:30,790 --> 00:38:28,160

schussler john schussler had

961

00:38:33,910 --> 00:38:30,800

investigated this as well for a mufon

962

00:38:36,470 --> 00:38:33,920

and and and and he noticed that

963

00:38:38,150 --> 00:38:36,480

everything about the official reports

964

00:38:39,190 --> 00:38:38,160

was wrong

965

00:38:42,470 --> 00:38:39,200

that

966

00:38:45,030 --> 00:38:42,480

the location was the wrong location

967

00:38:47,349 --> 00:38:45,040

there had been so much road work done

968

00:38:48,390 --> 00:38:47,359

on the spot where betty cash stopped the

969

00:38:50,230 --> 00:38:48,400

car

970

00:38:52,470 --> 00:38:50,240

that it was clear that somebody was

971

00:38:54,950 --> 00:38:52,480

trying to cover something up new asphalt

972

00:38:57,910 --> 00:38:54,960

new paving material somebody really

973

00:39:00,470 --> 00:38:57,920

worked hard to cover this up well i had

974

00:39:03,270 --> 00:39:00,480

located witnesses that actually saw

975

00:39:06,550 --> 00:39:03,280

these bright yellow dump trucks

976

00:39:08,710 --> 00:39:06,560

uh hauling the asphalt away

977

00:39:12,069 --> 00:39:08,720

and the county in the state of texas

978

00:39:13,670 --> 00:39:12,079

didn't have those types of trucks

979

00:39:15,829 --> 00:39:13,680

yeah wow

980

00:39:17,430 --> 00:39:15,839

yeah that's right and and and the other

981

00:39:20,230 --> 00:39:17,440

aspect was that

982

00:39:22,069 --> 00:39:20,240

other people observed the lit object as

983

00:39:24,390 --> 00:39:22,079

well there was a sheriff's officer i

984

00:39:27,190 --> 00:39:24,400

think he was actually the sheriff or

985

00:39:29,190 --> 00:39:27,200

maybe a deputy at that time um he told

986

00:39:31,030 --> 00:39:29,200

us flat out he was driving along another

987

00:39:32,069 --> 00:39:31,040

part of the road it was the other side

988

00:39:32,950 --> 00:39:32,079

from where

989

00:39:35,910 --> 00:39:32,960

uh

990

00:39:38,390 --> 00:39:35,920

betty was driving and he saw the object

991

00:39:40,310 --> 00:39:38,400

and he's and he identified

992

00:39:42,950 --> 00:39:40,320

the helicopters he said yeah we see them

993

00:39:47,430 --> 00:39:42,960

all the time those types of craft out of

994

00:39:52,069 --> 00:39:48,790

so this was

995

00:39:55,190 --> 00:39:52,079

something that yeah ch47

996

00:39:56,550 --> 00:39:55,200

you know which is uh the twin rotor

997

00:39:59,030 --> 00:39:56,560

i talked to

998

00:40:01,829 --> 00:39:59,040

a police officer in the nearby town and

999

00:40:04,390 --> 00:40:01,839

he saw at least a half a dozen of those

1000

00:40:07,910 --> 00:40:04,400

ch-47 type helicopters

1001  
00:40:10,710 --> 00:40:07,920  
flying in a like a circular pattern

1002  
00:40:13,109 --> 00:40:10,720  
excuse me he never saw

1003  
00:40:15,190 --> 00:40:13,119  
he never saw the object but he did with

1004  
00:40:17,510 --> 00:40:15,200  
this the helicopter activity well ken

1005  
00:40:19,270 --> 00:40:17,520  
did you recognize any of the pr

1006  
00:40:21,829 --> 00:40:19,280  
in project identification did you

1007  
00:40:23,430 --> 00:40:21,839  
recognize any of the cases

1008  
00:40:23,910 --> 00:40:23,440  
no

1009  
00:40:26,310 --> 00:40:23,920  
so wow

1010  
00:40:28,069 --> 00:40:26,320  
wow all new ones then for us

1011  
00:40:29,829 --> 00:40:28,079  
yeah and and and there are several

1012  
00:40:31,510 --> 00:40:29,839  
photographs that were taken with

1013  
00:40:33,910 --> 00:40:31,520

high-speed cameras

1014

00:40:35,270 --> 00:40:33,920

of what appears to be and you know of

1015

00:40:37,430 --> 00:40:35,280

course i'm

1016

00:40:38,470 --> 00:40:37,440

probably um

1017

00:40:40,470 --> 00:40:38,480

you know

1018

00:40:41,990 --> 00:40:40,480

contaminated in the sense that i believe

1019

00:40:44,150 --> 00:40:42,000

in flying saucers but they look like

1020

00:40:45,990 --> 00:40:44,160

science soft systems i'm sorry but

1021

00:40:47,190 --> 00:40:46,000

that's what they look like right

1022

00:40:49,670 --> 00:40:47,200

right

1023

00:40:50,390 --> 00:40:49,680

and there there's no photoshop back then

1024

00:40:52,710 --> 00:40:50,400

for

1025

00:40:54,790 --> 00:40:52,720

all young folks here this was taken with

1026  
00:40:57,750 --> 00:40:54,800  
high speed film black and white 35

1027  
00:40:59,270 --> 00:40:57,760  
millimeter with telephoto lens right

1028  
00:41:02,390 --> 00:40:59,280  
okay and they were you know they were

1029  
00:41:05,829 --> 00:41:02,400  
sitting on the camera i mean on tripods

1030  
00:41:08,069 --> 00:41:05,839  
uh i i heard that there was film taken

1031  
00:41:09,349 --> 00:41:08,079  
eight millimeter uh film but i have not

1032  
00:41:10,790 --> 00:41:09,359  
seen that i have not been able to

1033  
00:41:12,309 --> 00:41:10,800  
confirm that

1034  
00:41:13,990 --> 00:41:12,319  
but but

1035  
00:41:16,309 --> 00:41:14,000  
well you know the um the blue book

1036  
00:41:18,150 --> 00:41:16,319  
investigation is is now the entire blue

1037  
00:41:20,630 --> 00:41:18,160  
book is now online i think because of

1038  
00:41:22,309 --> 00:41:20,640

john greenwald

1039

00:41:24,870 --> 00:41:22,319

he has the thing called the black vault

1040

00:41:27,270 --> 00:41:24,880

he used to be the youngest person to

1041

00:41:29,109 --> 00:41:27,280

ever really take all this information

1042

00:41:30,069 --> 00:41:29,119

and put it online for folks back in the

1043

00:41:33,030 --> 00:41:30,079

day

1044

00:41:36,630 --> 00:41:33,040

now he's middle-aged but he was a young

1045

00:41:38,069 --> 00:41:36,640

a young oh yeah he had uh the fbi showed

1046

00:41:40,470 --> 00:41:38,079

up at his house and talked to his

1047

00:41:42,710 --> 00:41:40,480

parents about what he was doing he was

1048

00:41:44,390 --> 00:41:42,720

filing all these foyer requests

1049

00:41:46,309 --> 00:41:44,400

right right right right i didn't know

1050

00:41:48,309 --> 00:41:46,319

that i thought yeah

1051

00:41:49,910 --> 00:41:48,319

wow i should have actually have we

1052

00:41:51,510 --> 00:41:49,920

should have we have never had him on our

1053

00:41:52,630 --> 00:41:51,520

show we should really talk to him i

1054

00:41:54,390 --> 00:41:52,640

should have been he was one of our

1055

00:41:55,670 --> 00:41:54,400

producers yeah he's a business oh yeah

1056

00:41:57,430 --> 00:41:55,680

he was he was he was one of our

1057

00:41:59,910 --> 00:41:57,440

producers in uh

1058

00:42:02,309 --> 00:41:59,920

in season three and season two on ufo

1059

00:42:04,230 --> 00:42:02,319

hunters he was he was very active well

1060

00:42:07,030 --> 00:42:04,240

we've been actually getting getting new

1061

00:42:09,190 --> 00:42:07,040

guests based on young people now going

1062

00:42:11,030 --> 00:42:09,200

over the recently released blue book

1063

00:42:12,550 --> 00:42:11,040

it's like people are

1064

00:42:14,230 --> 00:42:12,560

you know that's public information it's

1065

00:42:17,109 --> 00:42:14,240

our own public

1066

00:42:19,030 --> 00:42:17,119

record you can go through it and uh

1067

00:42:20,150 --> 00:42:19,040

and open up some of these cases that the

1068

00:42:21,750 --> 00:42:20,160

government

1069

00:42:23,670 --> 00:42:21,760

at least i'm going to make a prediction

1070

00:42:26,790 --> 00:42:23,680

and this is strictly a gut feeling based

1071

00:42:28,309 --> 00:42:26,800

upon what i'm feeling and seeing i think

1072

00:42:30,069 --> 00:42:28,319

we're going to have another major

1073

00:42:32,069 --> 00:42:30,079

incident that's going to spark a whole

1074

00:42:34,710 --> 00:42:32,079

lot of interest like another kenneth

1075

00:42:36,870 --> 00:42:34,720

arnold maybe another roswell but i think

1076

00:42:39,510 --> 00:42:36,880

we're going to have another event

1077

00:42:42,150 --> 00:42:39,520

uh that's going to take place that is

1078

00:42:44,150 --> 00:42:42,160

going to capture the attention not only

1079

00:42:45,670 --> 00:42:44,160

of people here and younger people in the

1080

00:42:46,950 --> 00:42:45,680

united states but probably of the world

1081

00:42:49,430 --> 00:42:46,960

i think

1082

00:42:51,510 --> 00:42:49,440

i feel it coming don't you

1083

00:42:53,430 --> 00:42:51,520

yeah absolutely yeah you know the more

1084

00:42:55,510 --> 00:42:53,440

that we send more and more probes and

1085

00:42:57,270 --> 00:42:55,520

more and more they begin to pull you

1086

00:43:00,710 --> 00:42:57,280

know mars and venus now they want to go

1087

00:43:05,349 --> 00:43:00,720

to some of the moons around saturn

1088

00:43:07,670 --> 00:43:05,359

the more we venture into this uh

1089

00:43:09,270 --> 00:43:07,680

sea called space especially in our own

1090

00:43:10,870 --> 00:43:09,280

solar system i think we're going to find

1091

00:43:13,109 --> 00:43:10,880

that we're going to have the encounter

1092

00:43:15,190 --> 00:43:13,119

and i think this is just my gut feeling

1093

00:43:17,430 --> 00:43:15,200

i think the vatican knows this that's

1094

00:43:19,030 --> 00:43:17,440

why they changed their stance i also

1095

00:43:20,950 --> 00:43:19,040

think that nasa and the government

1096

00:43:23,109 --> 00:43:20,960

realize that they can only keep the

1097

00:43:25,270 --> 00:43:23,119

living on the kettle for so long

1098

00:43:26,870 --> 00:43:25,280

yeah i think you're absolutely right

1099

00:43:29,190 --> 00:43:26,880

i was thinking all of this when i was

1100

00:43:30,230 --> 00:43:29,200

watching that stuff why is nasa fronting

1101

00:43:33,829 --> 00:43:30,240

a show

1102

00:43:35,510 --> 00:43:33,839

on one hand uh you expect them to they

1103

00:43:37,430 --> 00:43:35,520

have the money they have the facilities

1104

00:43:39,910 --> 00:43:37,440

but you expect them to totally debunk

1105

00:43:43,030 --> 00:43:39,920

everything you don't expect them to

1106

00:43:45,349 --> 00:43:43,040

suggest for even the moon landing that

1107

00:43:46,230 --> 00:43:45,359

nasa did they didn't make the

1108

00:43:51,190 --> 00:43:46,240

uh

1109

00:43:52,790 --> 00:43:51,200

let's say

1110

00:43:54,150 --> 00:43:52,800

guys i'm getting the evil live from the

1111

00:43:56,790 --> 00:43:54,160

1125

00:44:25,990 --> 00:44:23,520

you ken

1126

00:44:27,750 --> 00:44:26,000

that is such a cool radio moment you

1127

00:44:29,030 --> 00:44:27,760

know i'm on the plane i got to close it

1128

00:44:30,870 --> 00:44:29,040

down i mean

1129

00:44:32,470 --> 00:44:30,880

that see that's the thing that's why i

1130

00:44:34,470 --> 00:44:32,480

think something's going to be

1131

00:44:35,670 --> 00:44:34,480

uh i think ken's absolutely right

1132

00:44:38,630 --> 00:44:35,680

something's going to happen probably

1133

00:44:41,030 --> 00:44:38,640

this year the internet demands it the

1134

00:44:43,829 --> 00:44:41,040

internet is ready there you know there

1135

00:44:46,150 --> 00:44:43,839

are radio shows that you can listen to

1136

00:44:48,150 --> 00:44:46,160

now that we'll talk about it not just

1137

00:44:50,630 --> 00:44:48,160

one or two shows at the end of the
