

California Radio
MUFON
LORIENT FENTON

The logo features the text "California Radio" in a cursive, yellow-to-orange gradient font with a white outline. Below it, "MUFON" is written in a large, bold, blocky font with the same gradient and outline. Underneath "MUFON" is the name "LORIENT FENTON" in a smaller, italicized, yellow-to-orange gradient font with a white outline. To the right of the text is a glowing, ethereal figure in shades of blue and white, appearing to be in motion or floating.

Lorien Fenton

1
00:00:03,189 --> 00:00:02,470
you're locked into inception radio

2
00:00:55,029 --> 00:00:03,199
network

3
00:00:55,039 --> 00:01:00,150
thank you

4
00:01:03,510 --> 00:01:02,470
and now your host of california mufon

5
00:01:07,670 --> 00:01:03,520
radio

6
00:01:12,310 --> 00:01:10,070
welcome everyone to the california mufon

7
00:01:13,590 --> 00:01:12,320
radio show i'm your host lorian fenton

8
00:01:17,270 --> 00:01:13,600
so happy to have you

9
00:01:19,350 --> 00:01:17,280
all with me here tonight here on irn

10
00:01:20,950 --> 00:01:19,360
one of my favorite networks in the whole

11
00:01:22,310 --> 00:01:20,960
universe it's got to be the whole

12
00:01:24,310 --> 00:01:22,320
universe because they have the most

13
00:01:26,230 --> 00:01:24,320

amazing universal app

14

00:01:27,830 --> 00:01:26,240

the app tells you when the shows are

15

00:01:29,990 --> 00:01:27,840

going to start it tells you what's going

16

00:01:33,190 --> 00:01:30,000

on it's absolutely phenomenal so

17

00:01:35,190 --> 00:01:33,200

get that app you guys and also you know

18

00:01:37,190 --> 00:01:35,200

there's all kinds of cool stuff coming

19

00:01:40,870 --> 00:01:37,200

your way on the insiders club

20

00:01:42,310 --> 00:01:40,880

i don't know if if joe and mj have had

21

00:01:45,990 --> 00:01:42,320

time yet to get my

22

00:01:47,990 --> 00:01:46,000

interviews and sasha and janet lesson

23

00:01:50,870 --> 00:01:48,000

were helping me fill in

24

00:01:51,749 --> 00:01:50,880

at international ufo congress and i'm

25

00:01:53,350 --> 00:01:51,759

pretty sure

26

00:01:55,990 --> 00:01:53,360

they got most of it i think there's

27

00:01:56,950 --> 00:01:56,000

about 12 hours or maybe 14 hours of

28

00:01:59,030 --> 00:01:56,960

audio

29

00:02:00,469 --> 00:01:59,040

that will be up in the insiders club i'm

30

00:02:02,310 --> 00:02:00,479

not sure when it's going to get there if

31

00:02:02,870 --> 00:02:02,320

it might even be there by now i don't

32

00:02:04,389 --> 00:02:02,880

know but

33

00:02:06,389 --> 00:02:04,399

we're going to have to get that there

34

00:02:09,270 --> 00:02:06,399

for all of you

35

00:02:10,309 --> 00:02:09,280

and i have a little conundrum tonight

36

00:02:13,270 --> 00:02:10,319

folks i'm just

37

00:02:13,990 --> 00:02:13,280

going to tell you what's going on here

38

00:02:17,589 --> 00:02:14,000

um

39

00:02:19,510 --> 00:02:17,599

i have a guest scheduled yeah mj says

40

00:02:21,350 --> 00:02:19,520

they're getting to it so it will be up

41

00:02:23,910 --> 00:02:21,360

soon so it's well worth your while to

42

00:02:26,949 --> 00:02:23,920

pay the 4.95 a month to become a member

43

00:02:28,150 --> 00:02:26,959

of irn's insiders club folks so if you

44

00:02:29,990 --> 00:02:28,160

do that you get to hear

45

00:02:32,070 --> 00:02:30,000

all those great interviews from

46

00:02:33,990 --> 00:02:32,080

conferences and different kind of

47

00:02:36,470 --> 00:02:34,000

i'm going to do a few specials this year

48

00:02:37,910 --> 00:02:36,480

i've got some adventures coming up where

49

00:02:39,670 --> 00:02:37,920

i'm going to be recording some people

50

00:02:41,190 --> 00:02:39,680

you've never heard about before peter's

51

00:02:42,790 --> 00:02:41,200

going to go oh my god

52

00:02:44,309 --> 00:02:42,800

when you hear what they've got to say

53

00:02:47,030 --> 00:02:44,319

it's going to be really cool

54

00:02:48,949 --> 00:02:47,040

anyhow moving on um i have a very

55

00:02:49,990 --> 00:02:48,959

interesting guest scheduled for tonight

56

00:02:53,509 --> 00:02:50,000

but the problem

57

00:02:55,110 --> 00:02:53,519

i've got is he's actually in a hospital

58

00:02:57,190 --> 00:02:55,120

and he i don't think he's going to be

59

00:02:57,990 --> 00:02:57,200

with us much longer folks so i don't

60

00:03:03,350 --> 00:02:58,000

know

61

00:03:06,309 --> 00:03:03,360

the nurse took away his phone

62

00:03:07,110 --> 00:03:06,319

i have no idea but his name is ron

63

00:03:09,270 --> 00:03:07,120

gardner

64

00:03:10,229 --> 00:03:09,280

and he's been a guest here on inception

65

00:03:11,990 --> 00:03:10,239

radio network on

66

00:03:15,509 --> 00:03:12,000

other shows over the years he's an

67

00:03:20,470 --> 00:03:18,630

his last book is kind of controversial

68

00:03:21,509 --> 00:03:20,480

i'm trying to bring it up right now i'm

69

00:03:24,550 --> 00:03:21,519

trying to remember

70

00:03:27,110 --> 00:03:24,560

the the uh url

71

00:03:27,830 --> 00:03:27,120

it's stargate something stars or

72

00:03:31,270 --> 00:03:27,840

something

73

00:03:34,149 --> 00:03:31,280

uh anyhow it's about dan burrish

74

00:03:35,670 --> 00:03:34,159

and i was fascinated by this new book

75

00:03:37,990 --> 00:03:35,680

that he's put out

76

00:03:39,350 --> 00:03:38,000

it's i don't even know what to say i

77

00:03:40,630 --> 00:03:39,360

mean i'm going to talk about it for a

78

00:03:42,949 --> 00:03:40,640

few minutes because

79

00:03:44,550 --> 00:03:42,959

i told him we tried to call him about 8

80

00:03:46,229 --> 00:03:44,560

15 this evening

81

00:03:48,149 --> 00:03:46,239

and so they gave me a few minutes to

82

00:03:50,390 --> 00:03:48,159

poke around in here and kind of

83

00:03:52,869 --> 00:03:50,400

uh do what i wanted to do about mufon

84

00:03:55,670 --> 00:03:52,879

but before we get to mufon

85

00:03:57,190 --> 00:03:55,680

i just i feel the whole dan burst thing

86

00:03:59,990 --> 00:03:57,200

when i first heard about it

87

00:04:01,030 --> 00:04:00,000

i absolutely felt it was true now to

88

00:04:04,390 --> 00:04:01,040

what extent

89

00:04:05,589 --> 00:04:04,400

it's all true i don't know um when i

90

00:04:07,190 --> 00:04:05,599

first heard about it i

91

00:04:08,789 --> 00:04:07,200

only heard about the fact that he was

92

00:04:10,390 --> 00:04:08,799

working at area 51

93

00:04:12,869 --> 00:04:10,400

and then later the story you know

94

00:04:15,190 --> 00:04:12,879

expanded into he pushed an alien through

95

00:04:17,590 --> 00:04:15,200

a portal back to his own dimensions

96

00:04:20,789 --> 00:04:17,600

after being stuck here for 50 years

97

00:04:21,430 --> 00:04:20,799

you know so i was like well you know

98

00:04:24,150 --> 00:04:21,440

maybe

99

00:04:26,550 --> 00:04:24,160

i at that time it was quite a while back

100

00:04:27,990 --> 00:04:26,560

it was in the 90s and i'm like oh maybe

101

00:04:30,710 --> 00:04:28,000

you know who knows

102

00:04:33,990 --> 00:04:30,720

and then there was a report out that uh

103

00:04:36,230 --> 00:04:34,000

dan burrish had ended up in the hospital

104

00:04:38,550 --> 00:04:36,240

and that everybody around him said he

105

00:04:39,990 --> 00:04:38,560

was never the same person he was before

106

00:04:42,550 --> 00:04:40,000

he went in

107

00:04:44,390 --> 00:04:42,560

and later when i got involved with the

108

00:04:47,270 --> 00:04:44,400

mind control community i thought

109

00:04:49,030 --> 00:04:47,280

oh my god well that's very similar to

110

00:04:50,629 --> 00:04:49,040

probably what they did to bob lazar when

111

00:04:52,710 --> 00:04:50,639

they made him drink that weird stuff

112

00:04:54,550 --> 00:04:52,720

that made him forget everything

113

00:04:55,990 --> 00:04:54,560

and then when i met my friend up here in

114

00:04:59,670 --> 00:04:56,000

northern california who used

115

00:05:03,110 --> 00:04:59,680

to work at a base and has absolute

116

00:05:04,790 --> 00:05:03,120

total lack of memory of many days of

117

00:05:06,950 --> 00:05:04,800

when he was at a base

118

00:05:07,830 --> 00:05:06,960

and then also my good friend todd

119

00:05:10,469 --> 00:05:07,840

michael

120

00:05:12,310 --> 00:05:10,479

who worked at a base overseas and he had

121

00:05:13,029 --> 00:05:12,320

days where he couldn't remember anything

122

00:05:15,270 --> 00:05:13,039

that happened

123

00:05:16,870 --> 00:05:15,280

at the base i mean literally folks this

124

00:05:17,670 --> 00:05:16,880

is this is what they've all told me they

125

00:05:20,629 --> 00:05:17,680

said yeah

126

00:05:22,469 --> 00:05:20,639

i go to work i remember getting there

127

00:05:24,150 --> 00:05:22,479

i'd walk in the door i punch in i'd do

128

00:05:25,670 --> 00:05:24,160

whatever i'd be doing something and then

129

00:05:29,670 --> 00:05:25,680

a few hours later

130

00:05:31,510 --> 00:05:29,680

i'd be walking out the gate

131

00:05:33,749 --> 00:05:31,520

and then i'd be home and then i'd be

132

00:05:35,749 --> 00:05:33,759

like what happened today and it's like

133

00:05:37,110 --> 00:05:35,759

you know five or six hours their day is

134

00:05:39,430 --> 00:05:37,120

gone it's just gone

135

00:05:41,350 --> 00:05:39,440

they have no idea what happened so when

136

00:05:43,510 --> 00:05:41,360

the whole bob lazar thing happened i was

137

00:05:44,150 --> 00:05:43,520

pretty much like well that can't be real

138

00:05:45,670 --> 00:05:44,160

right

139

00:05:48,310 --> 00:05:45,680

but then i'm meeting all these people as

140

00:05:49,749 --> 00:05:48,320

years go on and on now it's 2015 i met

141

00:05:51,670 --> 00:05:49,759

three or four people

142

00:05:53,430 --> 00:05:51,680

that are pretty well healed in the

143

00:05:55,110 --> 00:05:53,440

military that have said yeah

144

00:05:56,390 --> 00:05:55,120

this stuff goes on all the time they can

145

00:05:56,950 --> 00:05:56,400

totally mess with their heads they can

146

00:06:00,230 --> 00:05:56,960

make you

147

00:06:02,230 --> 00:06:00,240

forget everything i'm like oh yeah well

148

00:06:03,110 --> 00:06:02,240

that makes sense of what they did to dan

149

00:06:05,510 --> 00:06:03,120

burriss then

150

00:06:06,390 --> 00:06:05,520

and you know and maybe dan's not

151

00:06:08,710 --> 00:06:06,400

remembering it

152

00:06:10,390 --> 00:06:08,720

exactly like it happened because that's

153

00:06:11,510 --> 00:06:10,400

the other thing they do to people they

154

00:06:14,230 --> 00:06:11,520

put these bizarre

155

00:06:15,189 --> 00:06:14,240

memories in their heads so you know i

156

00:06:18,070 --> 00:06:15,199

tell everybody

157

00:06:19,990 --> 00:06:18,080

it's very similar to the first scene in

158

00:06:21,990 --> 00:06:20,000

the manchurian candidate with denzel

159

00:06:23,590 --> 00:06:22,000

washington which is my favorite movie of

160

00:06:25,270 --> 00:06:23,600

all times if you want to learn about

161

00:06:27,189 --> 00:06:25,280

what's really going on out there folks

162

00:06:30,469 --> 00:06:27,199

that's what you should be watching

163

00:06:32,790 --> 00:06:30,479

and the last born episode

164

00:06:34,230 --> 00:06:32,800

the one with the guy named aaron the

165

00:06:36,150 --> 00:06:34,240

character's name aaron and he was

166

00:06:36,870 --> 00:06:36,160

actually named after aaron mccullen by

167

00:06:38,309 --> 00:06:36,880

the way

168

00:06:40,629 --> 00:06:38,319

just thought you guys might want to know

169

00:06:42,309 --> 00:06:40,639

that that's very interesting

170

00:06:44,309 --> 00:06:42,319

when that happened he actually kind of

171

00:06:46,150 --> 00:06:44,319

looks like him that's his jeremy renner

172

00:06:47,430 --> 00:06:46,160

looks like him so it's it's very

173

00:06:50,469 --> 00:06:47,440

interesting how that all

174

00:06:52,150 --> 00:06:50,479

took place i i must say hollywood has a

175

00:06:56,150 --> 00:06:52,160

unique sense of humor

176

00:06:59,350 --> 00:06:56,160

but um so watch the third born

177

00:07:01,510 --> 00:06:59,360

because it really does tell you exactly

178

00:07:05,029 --> 00:07:01,520

what they're doing to these guys

179

00:07:07,189 --> 00:07:05,039

and also this whole mind control thing

180

00:07:08,710 --> 00:07:07,199

i it really crosses over into the whole

181

00:07:10,230 --> 00:07:08,720

ufo community which is

182

00:07:11,830 --> 00:07:10,240

very interesting to me because when i

183

00:07:14,870 --> 00:07:11,840

first started discovering the

184

00:07:16,950 --> 00:07:14,880

the alien agenda the ufos the whole bit

185

00:07:18,870 --> 00:07:16,960

i never in my wildest dreams thought

186

00:07:19,909 --> 00:07:18,880

that 15 years later i would think it had

187

00:07:22,309 --> 00:07:19,919

a crossover

188

00:07:23,749 --> 00:07:22,319

to this type of thing that's going on in

189

00:07:26,150 --> 00:07:23,759

the world so

190

00:07:27,830 --> 00:07:26,160

very bizarre and just way too many

191

00:07:29,749 --> 00:07:27,840

people coming to me saying yep

192

00:07:31,670 --> 00:07:29,759

i don't remember a whole day at work i

193

00:07:32,950 --> 00:07:31,680

don't remember a month and a half at

194

00:07:34,790 --> 00:07:32,960

work i don't remember

195

00:07:36,390 --> 00:07:34,800

six months of my life i didn't remember

196

00:07:39,430 --> 00:07:36,400

two years in my life

197

00:07:41,670 --> 00:07:39,440

um it's i don't even know what to say

198

00:07:43,189 --> 00:07:41,680

it's just so bizarre it's just insane

199

00:07:45,510 --> 00:07:43,199

i will tell you guys all this i don't

200

00:07:46,950 --> 00:07:45,520

think i very seldom have ever mentioned

201
00:07:48,950 --> 00:07:46,960
this

202
00:07:50,710 --> 00:07:48,960
as most of you know i got very involved

203
00:07:52,950 --> 00:07:50,720
with the super soldiers and at one point

204
00:07:55,189 --> 00:07:52,960
i was sitting with michael prince

205
00:07:56,309 --> 00:07:55,199
and he got a very sad look on his face

206
00:07:58,309 --> 00:07:56,319
and i said to him

207
00:07:59,830 --> 00:07:58,319
oh that's james caspel for those of you

208
00:08:02,629 --> 00:07:59,840
out there who don't know that

209
00:08:04,710 --> 00:08:02,639
michael prince is james caspell anyhow

210
00:08:06,550 --> 00:08:04,720
he says to me he says lorian

211
00:08:08,070 --> 00:08:06,560
and he just looks so sad you guys my

212
00:08:11,990 --> 00:08:08,080
heart was breaking for him

213
00:08:14,309 --> 00:08:12,000

he said i don't remember about oh

214

00:08:15,830 --> 00:08:14,319

god seven years of my life i think was

215

00:08:17,110 --> 00:08:15,840

seven he said it could have been five it

216

00:08:18,710 --> 00:08:17,120

could have been ten it could have been

217

00:08:21,430 --> 00:08:18,720

six i don't remember but

218

00:08:22,150 --> 00:08:21,440

my brain says seven but i was so shocked

219

00:08:24,390 --> 00:08:22,160

at

220

00:08:26,150 --> 00:08:24,400

the way he said it and how many years it

221

00:08:26,950 --> 00:08:26,160

was that my mind just kind of went

222

00:08:30,309 --> 00:08:26,960

freezing

223

00:08:32,630 --> 00:08:30,319

i was like how can somebody be 35 or 40

224

00:08:35,269 --> 00:08:32,640

you know 38 years old or whatever he is

225

00:08:36,469 --> 00:08:35,279

and not remember a whole seven years of

226

00:08:40,389 --> 00:08:36,479

his life between

227

00:08:42,630 --> 00:08:40,399

25 and 30 or 22 and 35.

228

00:08:45,030 --> 00:08:42,640

you know that's just mind-boggling to me

229

00:08:46,230 --> 00:08:45,040

and he absolutely meant it folks i mean

230

00:08:48,070 --> 00:08:46,240

i don't know if he was telling me the

231

00:08:50,070 --> 00:08:48,080

truth i don't know if it's real i i'm

232

00:08:51,590 --> 00:08:50,080

not in his head i don't know

233

00:08:53,030 --> 00:08:51,600

but for somebody you know we're talking

234

00:08:54,310 --> 00:08:53,040

about something completely different and

235

00:08:54,630 --> 00:08:54,320

then he just looks at me and he gets

236

00:08:56,550 --> 00:08:54,640

this

237

00:08:57,910 --> 00:08:56,560

horrible sad look on his face and says i

238

00:08:58,790 --> 00:08:57,920

just don't remember all these years of

239

00:09:00,949 --> 00:08:58,800

my life

240

00:09:02,230 --> 00:09:00,959

i was like oh my god you poor man you

241

00:09:03,750 --> 00:09:02,240

know i mean

242

00:09:05,509 --> 00:09:03,760

there are so many things they do to

243

00:09:06,310 --> 00:09:05,519

these people to abuse them now i'm not

244

00:09:09,509 --> 00:09:06,320

saying that

245

00:09:10,070 --> 00:09:09,519

90 percent or probably 99 of what

246

00:09:12,790 --> 00:09:10,080

michael

247

00:09:13,590 --> 00:09:12,800

or james had to say was absolutely the

248

00:09:16,710 --> 00:09:13,600

real deal

249

00:09:19,430 --> 00:09:16,720

but i must say i got to friend him

250

00:09:21,590 --> 00:09:19,440

and he you know he seemed like he was

251

00:09:23,350 --> 00:09:21,600

telling me the truth for what he knew

252

00:09:25,670 --> 00:09:23,360

you know and he never came to me and

253

00:09:27,350 --> 00:09:25,680

said fantastical things to me he just

254

00:09:28,949 --> 00:09:27,360

said i don't know if they happen but

255

00:09:32,310 --> 00:09:28,959

this is what i remember

256

00:09:35,110 --> 00:09:32,320

you know thank god he said that he's

257

00:09:37,190 --> 00:09:35,120

since then gone way off the deep end and

258

00:09:39,430 --> 00:09:37,200

he is now in jail serving us or he's

259

00:09:41,670 --> 00:09:39,440

been waiting to be sentenced uh to a

260

00:09:43,110 --> 00:09:41,680

mental institution in the uk

261

00:09:44,949 --> 00:09:43,120

and we don't know how many years he'll

262

00:09:46,710 --> 00:09:44,959

be in there but it may be a very long

263

00:09:48,470 --> 00:09:46,720

time but he really did go off the deep

264

00:09:49,670 --> 00:09:48,480

end and that's another thing they do to

265

00:09:51,750 --> 00:09:49,680

people folks

266

00:09:53,430 --> 00:09:51,760

is they really they either go after you

267

00:09:55,190 --> 00:09:53,440

and say you're a child pornographer like

268

00:09:56,470 --> 00:09:55,200

they did to stan romanak

269

00:09:59,269 --> 00:09:56,480

which we're going to talk about here in

270

00:09:59,829 --> 00:09:59,279

a minute also or they go after you and

271

00:10:06,790 --> 00:09:59,839

they

272

00:10:08,389 --> 00:10:06,800

just bizarre things that make no sense

273

00:10:09,910 --> 00:10:08,399

at all to anybody

274

00:10:11,990 --> 00:10:09,920

and then they do what they did to the

275

00:10:14,069 --> 00:10:12,000

targeted individuals like aaron alexis

276

00:10:15,910 --> 00:10:14,079

the the naval yard shooter they

277

00:10:18,550 --> 00:10:15,920

they get them to kill other people and

278

00:10:22,069 --> 00:10:18,560

then kill themselves you know so

279

00:10:23,750 --> 00:10:22,079

um yeah it's a very complex situation

280

00:10:25,190 --> 00:10:23,760

and i don't know if anybody will ever

281

00:10:27,590 --> 00:10:25,200

get to the bottom of any

282

00:10:29,030 --> 00:10:27,600

one of those wells or those rabbit holes

283

00:10:31,829 --> 00:10:29,040

as we want to say

284

00:10:33,269 --> 00:10:31,839

but in my world all those rabbit holes

285

00:10:35,350 --> 00:10:33,279

lead to one place

286

00:10:37,030 --> 00:10:35,360

and they all have a door it's like i go

287

00:10:38,790 --> 00:10:37,040

down this giant rabbit hole

288

00:10:40,389 --> 00:10:38,800

and at the bottom there's a door one

289

00:10:42,949 --> 00:10:40,399

says super soldiers one says mind

290

00:10:45,190 --> 00:10:42,959

control one says aliens one says ufos

291

00:10:46,069 --> 00:10:45,200

one says the jfk assassination i know

292

00:10:48,710 --> 00:10:46,079

you guys are laughing

293

00:10:50,949 --> 00:10:48,720

now but they're all connected as i've

294

00:10:53,430 --> 00:10:50,959

mentioned many a time on my shows

295

00:10:54,710 --> 00:10:53,440

it's like a giant spider web and the

296

00:10:58,069 --> 00:10:54,720

real key to all this

297

00:10:59,190 --> 00:10:58,079

is being able to unlock all those doors

298

00:11:01,430 --> 00:10:59,200

at the same time

299

00:11:03,350 --> 00:11:01,440

that's going to be the big mind blower

300

00:11:05,670 --> 00:11:03,360

is when we finally figure out that

301
00:11:07,430 --> 00:11:05,680
possibly there's an ai connection to all

302
00:11:09,430 --> 00:11:07,440
this you know the god the

303
00:11:10,949 --> 00:11:09,440
the superconductor computer that's

304
00:11:14,550 --> 00:11:10,959
running the universe maybe

305
00:11:16,389 --> 00:11:14,560
it is has a sense of humor maybe one day

306
00:11:18,550 --> 00:11:16,399
open the door so we could all see what's

307
00:11:18,870 --> 00:11:18,560
going on with the ghosts the vampires

308
00:11:24,790 --> 00:11:18,880
the

309
00:11:26,470 --> 00:11:24,800
connected to all this so anyhow as you

310
00:11:28,470 --> 00:11:26,480
guys can tell my allergies are

311
00:11:30,150 --> 00:11:28,480
really beating me up i'm kind of gravely

312
00:11:32,470 --> 00:11:30,160
and i sound like uh

313
00:11:33,190 --> 00:11:32,480

marlena dietrich yeah marlena dietrich

314

00:11:36,310 --> 00:11:33,200

here

315

00:11:37,190 --> 00:11:36,320

and i'm trying not to so um anyhow what

316

00:11:40,150 --> 00:11:37,200

was i saying

317

00:11:41,590 --> 00:11:40,160

my gosh oh it's 8 14 i can't go on to

318

00:11:43,750 --> 00:11:41,600

too much but i do want to talk about

319

00:11:46,389 --> 00:11:43,760

mufon here for a minute but

320

00:11:47,910 --> 00:11:46,399

mj you want to try to give ron a call

321

00:11:49,750 --> 00:11:47,920

let's see if we can get him and if we

322

00:11:52,629 --> 00:11:49,760

can't then i'm going to talk about mufon

323

00:11:59,350 --> 00:11:54,230

well folks i'm just going to take a sip

324

00:12:04,389 --> 00:12:02,949

okay let's see what happens okay the big

325

00:12:04,790 --> 00:12:04,399

moment this is where the drum roll

326

00:12:08,710 --> 00:12:04,800

starts

327

00:12:12,150 --> 00:12:10,870

well there we go folks i don't know if

328

00:12:12,710 --> 00:12:12,160

we're gonna be able to get our guests in

329

00:12:15,269 --> 00:12:12,720

tonight

330

00:12:16,870 --> 00:12:15,279

and uh i had a funny feeling now i'll

331

00:12:18,710 --> 00:12:16,880

tell you a bit about ron now

332

00:12:20,310 --> 00:12:18,720

what i've gotta do since i can't get him

333

00:12:22,629 --> 00:12:20,320

on the phone

334

00:12:24,069 --> 00:12:22,639

is i'm gonna talk about his book tonight

335

00:12:26,710 --> 00:12:24,079

and i have to go find

336

00:12:28,550 --> 00:12:26,720

his website tell you what i'll do that

337

00:12:29,990 --> 00:12:28,560

during the first break so

338

00:12:31,670 --> 00:12:30,000

here's what we're going to do for the

339

00:12:32,629 --> 00:12:31,680

next part of the show i'm going to talk

340

00:12:35,269 --> 00:12:32,639

about mufon

341

00:12:35,750 --> 00:12:35,279

and we're going to talk a bit about ufo

342

00:12:39,430 --> 00:12:35,760

con

343

00:12:41,269 --> 00:12:39,440

other things what's happened with stan

344

00:12:43,990 --> 00:12:41,279

lee's and roman ack

345

00:12:44,710 --> 00:12:44,000

for ufo con and then we'll go find his

346

00:12:49,350 --> 00:12:44,720

website

347

00:12:51,750 --> 00:12:49,360

we'll talk about the dan burris book

348

00:12:53,269 --> 00:12:51,760

and you know what i'll go in there and

349

00:12:55,110 --> 00:12:53,279

i'll see if i can find any more

350

00:12:58,069 --> 00:12:55,120

information that i can read to you guys

351

00:12:59,509 --> 00:12:58,079

from the book and if i can great if not

352

00:13:01,509 --> 00:12:59,519

you know what we'll do we'll just do

353

00:13:03,430 --> 00:13:01,519

open questions for the last part of the

354

00:13:05,030 --> 00:13:03,440

show maybe the last 45 minutes of the

355

00:13:08,949 --> 00:13:05,040

show tonight so you guys can ask

356

00:13:11,190 --> 00:13:08,959

me anything you want oh gosh i could be

357

00:13:14,230 --> 00:13:11,200

getting myself in big trouble now

358

00:13:15,509 --> 00:13:14,240

okay so and i have the word out to a few

359

00:13:17,670 --> 00:13:15,519

people

360

00:13:19,350 --> 00:13:17,680

i was uh you know instead of what they

361

00:13:22,230 --> 00:13:19,360

call butt dialing on

362

00:13:23,910 --> 00:13:22,240

your cell phone i was uh finger dialing

363

00:13:25,910 --> 00:13:23,920

on skype to see if i can get any of my

364

00:13:29,750 --> 00:13:25,920

friends to join us in here

365

00:13:33,030 --> 00:13:29,760

and uh we'll see oh there we go area 51j

366

00:13:36,389 --> 00:13:33,040

rod that's it thank you mj beautiful

367

00:13:39,990 --> 00:13:36,399

okay well okay before we get to that

368

00:13:43,430 --> 00:13:40,000

i am going to go to the mufon reports

369

00:13:45,269 --> 00:13:43,440

of the ufo citing statistics for

370

00:13:47,430 --> 00:13:45,279

february yay

371

00:13:49,189 --> 00:13:47,440

so excited i don't know about you guys i

372

00:13:51,509 --> 00:13:49,199

just love this report it just

373

00:13:53,269 --> 00:13:51,519

it makes my day makes me smile makes me

374

00:13:56,710 --> 00:13:53,279

laugh i just love it

375

00:13:59,990 --> 00:13:56,720

okay the united states had 478

376

00:14:02,629 --> 00:14:00,000

reports wow that's a lot

377

00:14:05,670 --> 00:14:02,639

uh in february that's just mind-boggling

378

00:14:07,829 --> 00:14:05,680

canada had 30 the united kingdom had 21.

379

00:14:08,710 --> 00:14:07,839

you know i think that as you all know

380

00:14:10,710 --> 00:14:08,720

and i know

381

00:14:13,670 --> 00:14:10,720

i don't think it i know it it's because

382

00:14:15,509 --> 00:14:13,680

mufon in the united states is so active

383

00:14:16,949 --> 00:14:15,519

that we get that many reports if we

384

00:14:19,430 --> 00:14:16,959

could just get

385

00:14:20,790 --> 00:14:19,440

uh mufon in the rest of the world as

386

00:14:23,030 --> 00:14:20,800

active as it is here

387

00:14:24,470 --> 00:14:23,040

boy i'll tell you what i'd love to see

388

00:14:26,069 --> 00:14:24,480

the real stats

389

00:14:28,150 --> 00:14:26,079

i would love to see how many are

390

00:14:29,350 --> 00:14:28,160

actually over mexico all the time that

391

00:14:33,030 --> 00:14:29,360

would be just

392

00:14:36,150 --> 00:14:33,040

phenomenal so anyhow okay united states

393

00:14:38,389 --> 00:14:36,160

478 canada 30 united kingdom 21

394

00:14:39,430 --> 00:14:38,399

india's oh india pulled up a little bit

395

00:14:42,310 --> 00:14:39,440

and australia

396

00:14:43,990 --> 00:14:42,320

dropped that's interesting india had

397

00:14:47,430 --> 00:14:44,000

nine australia you had eight

398

00:14:50,150 --> 00:14:47,440

and you you what uruguay oh my gosh

399

00:14:53,030 --> 00:14:50,160

uruguay came up to the top too mexico

400

00:14:56,790 --> 00:14:53,040

dropped way down there with five hmm

401
00:15:00,629 --> 00:14:56,800
very intriguing okay well that's fun

402
00:15:01,590 --> 00:15:00,639
okay here we go by state california had

403
00:15:04,230 --> 00:15:01,600
84

404
00:15:06,470 --> 00:15:04,240
as usual we are the ufo state you know

405
00:15:09,829 --> 00:15:06,480
that should be our license plate

406
00:15:12,949 --> 00:15:09,839
the ufo state

407
00:15:15,430 --> 00:15:12,959
that's what we got to do i got it okay

408
00:15:16,150 --> 00:15:15,440
i'm gonna start uh doing a campaign for

409
00:15:18,470 --> 00:15:16,160
mufon

410
00:15:19,750 --> 00:15:18,480
to get license plates for california

411
00:15:23,590 --> 00:15:19,760
that say california

412
00:15:26,230 --> 00:15:23,600
is the mufon state that would be awesome

413
00:15:27,750 --> 00:15:26,240

okay now i got bubbles going on here mj

414

00:15:29,829 --> 00:15:27,760

i don't know what's hap who's trying to

415

00:15:33,189 --> 00:15:29,839

get a hold of me and what's going on

416

00:15:36,389 --> 00:15:33,199

trying to find him can't find him okay

417

00:15:39,269 --> 00:15:36,399

well anyhow if somebody does uh get

418

00:15:43,189 --> 00:15:39,279

online here and say they can do the show

419

00:15:46,710 --> 00:15:43,199

i'll let you know mj okay so anyhow yeah

420

00:15:49,030 --> 00:15:46,720

california 84.

421

00:15:50,629 --> 00:15:49,040

and then florida had 34. now that's

422

00:15:50,949 --> 00:15:50,639

interesting florida doesn't usually

423

00:15:53,670 --> 00:15:50,959

creep

424

00:15:54,069 --> 00:15:53,680

up to second place too often texas is

425

00:15:57,350 --> 00:15:54,079

usually

426

00:15:59,590 --> 00:15:57,360

in second place and they are at 26.

427

00:16:00,949 --> 00:15:59,600

pennsylvania is creeping up a little bit

428

00:16:01,990 --> 00:16:00,959

they were a little higher a couple

429

00:16:05,269 --> 00:16:02,000

months ago as well

430

00:16:08,150 --> 00:16:05,279

22 new jersey had 18.

431

00:16:09,189 --> 00:16:08,160

now that's cool new york has dropped

432

00:16:12,470 --> 00:16:09,199

down it's got

433

00:16:14,629 --> 00:16:12,480

only had 13. oregon only had 11 this

434

00:16:15,990 --> 00:16:14,639

month and nevada only had nine and they

435

00:16:18,230 --> 00:16:16,000

usually have quite a bit more

436

00:16:19,509 --> 00:16:18,240

hmm that's interesting very interesting

437

00:16:23,749 --> 00:16:19,519

colorado crept up

438

00:16:24,150 --> 00:16:23,759

16. wow very cool arizona's at its usual

439

00:16:27,509 --> 00:16:24,160

spot

440

00:16:28,949 --> 00:16:27,519

about 15 to 20. and

441

00:16:31,110 --> 00:16:28,959

uh there we go so we're not going to do

442

00:16:33,829 --> 00:16:31,120

any more on that but north dakota was

443

00:16:34,710 --> 00:16:33,839

solid last with south dakota with one

444

00:16:37,990 --> 00:16:34,720

each

445

00:16:40,230 --> 00:16:38,000

very sad i don't know why

446

00:16:41,430 --> 00:16:40,240

the dakota's always running the bottom

447

00:16:43,910 --> 00:16:41,440

spot

448

00:16:45,829 --> 00:16:43,920

okay here we are my absolute favorite

449

00:16:48,069 --> 00:16:45,839

part of the whole thing

450

00:16:49,749 --> 00:16:48,079

the shape of the object and the number

451
00:16:53,110 --> 00:16:49,759
of reports

452
00:16:53,749 --> 00:16:53,120
spheres have always kind of been at the

453
00:16:56,389 --> 00:16:53,759
top

454
00:16:57,990 --> 00:16:56,399
but what is very interesting to me and

455
00:17:01,670 --> 00:16:58,000
spheres are at the top this month there

456
00:17:04,949 --> 00:17:01,680
are 117 of those reports

457
00:17:06,870 --> 00:17:04,959
described as fear likes craft or object

458
00:17:09,189 --> 00:17:06,880
or something in the sky

459
00:17:09,909 --> 00:17:09,199
now this is what blows my mind folks

460
00:17:14,150 --> 00:17:09,919
people

461
00:17:15,189 --> 00:17:14,160
said star-like objects 56 reports were

462
00:17:18,390 --> 00:17:15,199
star-like

463
00:17:19,189 --> 00:17:18,400

objects and that is the shape of the

464

00:17:22,150 --> 00:17:19,199

object

465

00:17:24,470 --> 00:17:22,160

now i don't know about you guys but if

466

00:17:25,510 --> 00:17:24,480

it's a star-like object then isn't it

467

00:17:28,630 --> 00:17:25,520

really just a

468

00:17:29,830 --> 00:17:28,640

glowing orb or a ball of light or

469

00:17:32,710 --> 00:17:29,840

something

470

00:17:33,029 --> 00:17:32,720

i don't know how could it be star-like

471

00:17:36,789 --> 00:17:33,039

if

472

00:17:37,990 --> 00:17:36,799

it's metal or a ship or something like

473

00:17:40,310 --> 00:17:38,000

that

474

00:17:43,190 --> 00:17:40,320

unless it has a plasma field around it

475

00:17:45,430 --> 00:17:43,200

that's causing it to glow in that way

476

00:17:47,430 --> 00:17:45,440

that's the only thing i can come up with

477

00:17:48,150 --> 00:17:47,440

to describe what might be going with the

478

00:17:49,990 --> 00:17:48,160

star

479

00:17:52,230 --> 00:17:50,000

like shape who was way down at the

480

00:17:54,549 --> 00:17:52,240

bottom for years and years and in the

481

00:17:56,789 --> 00:17:54,559

last two years last 18 months

482

00:17:57,750 --> 00:17:56,799

has gone from the very bottom now all

483

00:18:00,870 --> 00:17:57,760

the way to second

484

00:18:04,230 --> 00:18:00,880

place which blows my mind

485

00:18:05,029 --> 00:18:04,240

now triangles which are usually hovering

486

00:18:07,110 --> 00:18:05,039

around

487

00:18:09,590 --> 00:18:07,120

fifth or sixth have come in third this

488

00:18:12,950 --> 00:18:09,600

month 55 triangles

489

00:18:15,990 --> 00:18:12,960

and they're right in place with the disc

490

00:18:17,750 --> 00:18:16,000

shape at 55 which usually beats out the

491

00:18:18,710 --> 00:18:17,760

triangles so this is very interesting

492

00:18:20,950 --> 00:18:18,720

now you know what

493

00:18:21,990 --> 00:18:20,960

really blows my mind about this list

494

00:18:25,270 --> 00:18:22,000

this month

495

00:18:26,549 --> 00:18:25,280

there were 51 others and others means

496

00:18:29,669 --> 00:18:26,559

there's no description

497

00:18:32,710 --> 00:18:29,679

on this list for them so that doesn't

498

00:18:33,830 --> 00:18:32,720

i mean what so are we defining a whole

499

00:18:35,669 --> 00:18:33,840

new category

500

00:18:37,350 --> 00:18:35,679

that we've got to come up with for the

501
00:18:40,070 --> 00:18:37,360
other category

502
00:18:40,390 --> 00:18:40,080
i would love to have somebody break down

503
00:18:47,830 --> 00:18:40,400
the

504
00:18:49,750 --> 00:18:47,840
people that are

505
00:18:51,430 --> 00:18:49,760
reporting them i would just really love

506
00:18:55,270 --> 00:18:51,440
to hear that broken down even

507
00:18:58,070 --> 00:18:55,280
further because if it doesn't fall under

508
00:18:58,789 --> 00:18:58,080
my god okay here's the here's the list

509
00:19:02,310 --> 00:18:58,799
sphere

510
00:19:06,549 --> 00:19:02,320
starlight triangle disc circle

511
00:19:10,230 --> 00:19:06,559
fireball cylinder oval square rectangle

512
00:19:13,909 --> 00:19:10,240
diamond cigar boomerang egg flash

513
00:19:14,950 --> 00:19:13,919

blimp chevron bullet missile teardrop

514

00:19:18,390 --> 00:19:14,960

cone

515

00:19:20,630 --> 00:19:18,400

saturn-like crosses i mean

516

00:19:22,630 --> 00:19:20,640

how could it be other than any of those

517

00:19:24,470 --> 00:19:22,640

shades i mean how many

518

00:19:26,070 --> 00:19:24,480

other shapes are there this is what i'm

519

00:19:27,750 --> 00:19:26,080

trying to get at folks this really kind

520

00:19:30,390 --> 00:19:27,760

of bothers me because

521

00:19:32,870 --> 00:19:30,400

what in the heck was it because if you

522

00:19:34,870 --> 00:19:32,880

can't describe it under all of those

523

00:19:36,789 --> 00:19:34,880

descriptions then really we're in

524

00:19:38,310 --> 00:19:36,799

trouble i mean that other category

525

00:19:40,630 --> 00:19:38,320

should be like one

526
00:19:41,510 --> 00:19:40,640
and it used to be like one and zero all

527
00:19:43,990 --> 00:19:41,520
the time

528
00:19:45,029 --> 00:19:44,000
now having said that it could be the

529
00:19:47,190 --> 00:19:45,039
fault of the

530
00:19:49,029 --> 00:19:47,200
investigator it could be the fault of

531
00:19:50,150 --> 00:19:49,039
the person describing it to the

532
00:19:52,150 --> 00:19:50,160
investigator

533
00:19:53,669 --> 00:19:52,160
it could be many people's faults as to

534
00:19:56,710 --> 00:19:53,679
why so many

535
00:19:59,350 --> 00:19:56,720
became other descriptors but

536
00:20:01,270 --> 00:19:59,360
uh very interesting very interesting to

537
00:20:02,950 --> 00:20:01,280
me i hope you're interested in it too it

538
00:20:05,510 --> 00:20:02,960

just kind of really bothers me

539

00:20:08,390 --> 00:20:05,520

so this is a good time for you guys to

540

00:20:11,110 --> 00:20:08,400

join mufon and become a mufon member

541

00:20:12,310 --> 00:20:11,120

and then become an investigator so that

542

00:20:15,029 --> 00:20:12,320

you can make sure

543

00:20:16,789 --> 00:20:15,039

that these other categories don't happen

544

00:20:17,750 --> 00:20:16,799

i would really love to see that that

545

00:20:21,990 --> 00:20:17,760

would be awesome

546

00:20:22,470 --> 00:20:22,000

hey laurie okay i have some padded stats

547

00:20:25,590 --> 00:20:22,480

that

548

00:20:28,630 --> 00:20:25,600

in the email you want to hear

549

00:20:31,029 --> 00:20:28,640

some more on that report yes

550

00:20:32,390 --> 00:20:31,039

is this about the others no this yeah

551
00:20:35,430 --> 00:20:32,400
this is about the

552
00:20:36,870 --> 00:20:35,440
distance from the objects and

553
00:20:39,590 --> 00:20:36,880
well here here we go i'll just i'll just

554
00:20:41,190 --> 00:20:39,600
tell the listeners quick um on my report

555
00:20:43,750 --> 00:20:41,200
on my report i guess distance from

556
00:20:47,270 --> 00:20:43,760
witness uh less than 100 feet

557
00:20:50,789 --> 00:20:47,280
from the object 85 people 85 cases

558
00:20:54,149 --> 00:20:50,799
100 to 500 feet 89 cases

559
00:20:58,230 --> 00:20:54,159
uh 500 feet to one mile 120 cases

560
00:20:59,590 --> 00:20:58,240
over one mile 161 unknown 181 and no

561
00:21:01,430 --> 00:20:59,600
value 23 and this

562
00:21:03,750 --> 00:21:01,440
is this is the cool stat i watch for

563
00:21:05,750 --> 00:21:03,760

every month most impressively there were

564

00:21:07,990 --> 00:21:05,760

16 landings

565

00:21:10,310 --> 00:21:08,000

hoverings or takeoffs and no entities

566

00:21:12,549 --> 00:21:10,320

observed

567

00:21:13,430 --> 00:21:12,559

what can you repeat that again how many

568

00:21:15,750 --> 00:21:13,440

no entities

569

00:21:16,789 --> 00:21:15,760

observed there was none zero there was

570

00:21:18,470 --> 00:21:16,799

none oh okay

571

00:21:20,470 --> 00:21:18,480

but some months there would be two two

572

00:21:22,390 --> 00:21:20,480

three four maybe ten on that list

573

00:21:24,470 --> 00:21:22,400

but i can't i can't see what case it is

574

00:21:27,750 --> 00:21:24,480

but that's the stats i get

575

00:21:28,710 --> 00:21:27,760

wow that's pretty cool now because we do

576

00:21:30,630 --> 00:21:28,720

get distance

577

00:21:32,070 --> 00:21:30,640

um from witness down at the bottom okay

578

00:21:33,750 --> 00:21:32,080

you do see that too yeah i get that

579

00:21:35,590 --> 00:21:33,760

little extra line but it's it's neat

580

00:21:36,950 --> 00:21:35,600

seeing that extra line and

581

00:21:39,510 --> 00:21:36,960

like i said i'll i'll let you know what

582

00:21:41,430 --> 00:21:39,520

that is every month too oh that'd be hot

583

00:21:42,549 --> 00:21:41,440

yeah especially the one about the aliens

584

00:21:45,990 --> 00:21:42,559

at the craft

585

00:21:46,789 --> 00:21:46,000

yeah yeah i like that but mj answer me a

586

00:21:49,110 --> 00:21:46,799

question

587

00:21:51,110 --> 00:21:49,120

what goes on with this other category

588

00:21:53,830 --> 00:21:51,120

casino that bothers me to see it as

589

00:21:55,750 --> 00:21:53,840

number three because that's 51

590

00:21:57,669 --> 00:21:55,760

cases where nobody can figure out the

591

00:22:00,470 --> 00:21:57,679

shape of the object

592

00:22:02,630 --> 00:22:00,480

i guess yeah that is that is strange

593

00:22:06,630 --> 00:22:02,640

maybe

594

00:22:08,390 --> 00:22:06,640

explain it or

595

00:22:09,909 --> 00:22:08,400

i don't know that's weird what would it

596

00:22:11,190 --> 00:22:09,919

be isn't it weird i mean because i'm

597

00:22:12,789 --> 00:22:11,200

telling you i think someone

598

00:22:14,390 --> 00:22:12,799

entered that wrong because other is

599

00:22:16,390 --> 00:22:14,400

usually down at the bottom

600

00:22:17,590 --> 00:22:16,400

and it usually has like three to you

601
00:22:20,789 --> 00:22:17,600
know 10 maybe

602
00:22:21,510 --> 00:22:20,799
if it's lucky i've never seen it hit 51

603
00:22:23,430 --> 00:22:21,520
like that

604
00:22:25,350 --> 00:22:23,440
and yeah and there's no unknown on that

605
00:22:28,390 --> 00:22:25,360
so weird

606
00:22:29,029 --> 00:22:28,400
well unknown has gone up to 47. oh yeah

607
00:22:32,470 --> 00:22:29,039
there it is

608
00:22:35,750 --> 00:22:32,480
okay hmm i mean this is

609
00:22:38,710 --> 00:22:35,760
that what that tells me is we've got uh

610
00:22:39,669 --> 00:22:38,720
98 cases that we can't figure out what's

611
00:22:42,789 --> 00:22:39,679
going on

612
00:22:44,070 --> 00:22:42,799
it seems like high strangeness to me it

613
00:22:45,909 --> 00:22:44,080

seems like high numbers

614

00:22:47,270 --> 00:22:45,919

yeah oh yeah oh yeah well i'll let you

615

00:22:50,870 --> 00:22:47,280

get back to the shoulder

616

00:22:52,870 --> 00:22:50,880

thank you well that was mj you guys now

617

00:22:56,070 --> 00:22:52,880

mj if you guys don't know this

618

00:22:57,909 --> 00:22:56,080

is the pang radio show host here at

619

00:22:59,270 --> 00:22:57,919

inception radio network and i love

620

00:23:00,950 --> 00:22:59,280

saying that word paying

621

00:23:02,549 --> 00:23:00,960

i still haven't even asked him what it

622

00:23:04,070 --> 00:23:02,559

means and why it got to be the name of

623

00:23:04,870 --> 00:23:04,080

the show but we'll do that on another

624

00:23:08,070 --> 00:23:04,880

day

625

00:23:09,750 --> 00:23:08,080

and he is also one of the owners of the

626

00:23:11,750 --> 00:23:09,760

station which is fabulous

627

00:23:12,789 --> 00:23:11,760

and the most important part to all that

628

00:23:15,909 --> 00:23:12,799

is he is a state

629

00:23:16,549 --> 00:23:15,919

section director and boy he's going to

630

00:23:18,870 --> 00:23:16,559

beat me up

631

00:23:20,630 --> 00:23:18,880

it's either wisconsin or minnesota but

632

00:23:24,549 --> 00:23:20,640

he's got a minnesotan accent

633

00:23:26,310 --> 00:23:24,559

so it probably is minnesota

634

00:23:27,990 --> 00:23:26,320

but we'll see here he might be on the

635

00:23:29,750 --> 00:23:28,000

border maybe that's it

636

00:23:32,230 --> 00:23:29,760

so he's gonna have to type it to me and

637

00:23:34,230 --> 00:23:32,240

let me know where what state it is

638

00:23:35,990 --> 00:23:34,240

so i think it now that i said that it's

639

00:23:39,430 --> 00:23:36,000

probably wisconsin

640

00:23:41,669 --> 00:23:39,440

i'm in trouble anyhow so mj is a state

641

00:23:43,750 --> 00:23:41,679

sector director he's fabulous he does a

642

00:23:45,590 --> 00:23:43,760

great job and he told me before the show

643

00:23:47,110 --> 00:23:45,600

today that they got all the reports and

644

00:23:49,029 --> 00:23:47,120

they're doing really good

645

00:23:51,350 --> 00:23:49,039

and you know thank god for that because

646

00:23:53,830 --> 00:23:51,360

he does a lot of work for mufon you guys

647

00:23:56,950 --> 00:23:53,840

he really does besides running irn

648

00:23:58,950 --> 00:23:56,960

he's he's always working with mufon and

649

00:23:59,830 --> 00:23:58,960

doing investigations and all kinds of

650

00:24:02,230 --> 00:23:59,840

things so

651
00:24:04,070 --> 00:24:02,240
it's really amazing to me um you know

652
00:24:07,350 --> 00:24:04,080
that we all have the time we do

653
00:24:09,669 --> 00:24:07,360
we make it for mufon and i just love

654
00:24:13,669 --> 00:24:09,679
being part of mufon so what can i say

655
00:24:18,630 --> 00:24:13,679
okay now i have had a lot of people go

656
00:24:21,110 --> 00:24:18,640
to ufocon2015.com you guys might want to

657
00:24:23,350 --> 00:24:21,120
go there with me tonight

658
00:24:25,029 --> 00:24:23,360
i'm going to wait for you to open it up

659
00:24:26,789 --> 00:24:25,039
and what has happened

660
00:24:28,870 --> 00:24:26,799
is i've had a really rough week around

661
00:24:30,549 --> 00:24:28,880
producing this you guys i don't know

662
00:24:32,789 --> 00:24:30,559
i thought producing the mind control

663
00:24:34,390 --> 00:24:32,799

conferences was tough and that they were

664

00:24:36,310 --> 00:24:34,400

after me for those

665

00:24:38,310 --> 00:24:36,320

but they must not like me very much

666

00:24:41,510 --> 00:24:38,320

because

667

00:24:43,830 --> 00:24:41,520

my friend todd michael can't

668

00:24:45,350 --> 00:24:43,840

appear this year and he just told me

669

00:24:47,510 --> 00:24:45,360

this week as well

670

00:24:49,510 --> 00:24:47,520

and i had uh basically been promoting

671

00:24:50,950 --> 00:24:49,520

todd for a very long time he's a very

672

00:24:51,350 --> 00:24:50,960

good friend of mine and i'm going to

673

00:24:56,870 --> 00:24:51,360

miss

674

00:24:57,990 --> 00:24:56,880

an issue with family and stuff and he

675

00:25:00,390 --> 00:24:58,000

just cannot

676
00:25:01,750 --> 00:25:00,400
be with us we've tried every means to

677
00:25:04,230 --> 00:25:01,760
get him away from them

678
00:25:06,149 --> 00:25:04,240
but there's something going on that i

679
00:25:08,390 --> 00:25:06,159
can't talk about that's very important

680
00:25:10,549 --> 00:25:08,400
and he needs to be with them so

681
00:25:12,630 --> 00:25:10,559
um that's what's happening with todd so

682
00:25:14,789 --> 00:25:12,640
he had to drop out this week which was

683
00:25:16,390 --> 00:25:14,799
kind of okay because he'll she'll show

684
00:25:17,269 --> 00:25:16,400
up for another one he'll be there

685
00:25:19,350 --> 00:25:17,279
someday

686
00:25:21,510 --> 00:25:19,360
and he's got oh you guys have heard him

687
00:25:23,029 --> 00:25:21,520
here he's got amazing stories especially

688
00:25:24,870 --> 00:25:23,039

the story about how the

689

00:25:26,710 --> 00:25:24,880

bailey has fixed his refrigerator i

690

00:25:28,070 --> 00:25:26,720

still love that story i can hear it 50

691

00:25:30,710 --> 00:25:28,080

times i'm just like a kid

692

00:25:31,190 --> 00:25:30,720

like at night tell me a story daddy you

693

00:25:33,590 --> 00:25:31,200

know

694

00:25:35,510 --> 00:25:33,600

and he he tells me the story but the

695

00:25:37,190 --> 00:25:35,520

alien fixing the refrigerator and i just

696

00:25:37,510 --> 00:25:37,200

cracked up every time he says that i

697

00:25:39,830 --> 00:25:37,520

start

698

00:25:41,750 --> 00:25:39,840

laughing because it's the only time i've

699

00:25:43,990 --> 00:25:41,760

heard somebody say

700

00:25:46,390 --> 00:25:44,000

an alien fix my appliances you know i

701
00:25:48,070 --> 00:25:46,400
keep asking them do they have warranties

702
00:25:50,070 --> 00:25:48,080
you know what do they do when they're

703
00:25:52,549 --> 00:25:50,080
done so idiot

704
00:25:55,029 --> 00:25:52,559
great great guy and i'm he's sorely

705
00:25:57,029 --> 00:25:55,039
going to be missed at the conference so

706
00:25:58,870 --> 00:25:57,039
he tells me this and then i'm just like

707
00:26:00,710 --> 00:25:58,880
oh i'm devastated

708
00:26:02,310 --> 00:26:00,720
and then it's uh that was either

709
00:26:05,350 --> 00:26:02,320
saturday or friday and then

710
00:26:05,669 --> 00:26:05,360
sunday i have to call stan and lisa and

711
00:26:07,830 --> 00:26:05,679
i'm

712
00:26:09,830 --> 00:26:07,840
calling them and we're having our usual

713
00:26:12,390 --> 00:26:09,840

talk and stan's very quiet and i'm like

714

00:26:13,750 --> 00:26:12,400

why are you so quiet what's going on and

715

00:26:16,149 --> 00:26:13,760

he says

716

00:26:18,390 --> 00:26:16,159

i can't do the i said how are we doing

717

00:26:20,310 --> 00:26:18,400

it now and he goes i can't do it i said

718

00:26:21,830 --> 00:26:20,320

oh my god you're kidding he goes now i'm

719

00:26:22,470 --> 00:26:21,840

not he goes i can't do it i've tried

720

00:26:25,830 --> 00:26:22,480

every

721

00:26:29,269 --> 00:26:25,840

it like we were talking about

722

00:26:30,870 --> 00:26:29,279

and what we had decided was that

723

00:26:33,029 --> 00:26:30,880

he was he and lisa were just going to

724

00:26:35,190 --> 00:26:33,039

appear on the phone because he's not

725

00:26:38,549 --> 00:26:35,200

allowed at this time to use a computer

726

00:26:41,430 --> 00:26:38,559

they're not allowed to do any um

727

00:26:42,149 --> 00:26:41,440

uh videotapes they're not allowed to do

728

00:26:44,870 --> 00:26:42,159

anything

729

00:26:46,710 --> 00:26:44,880

and because of the court case which many

730

00:26:48,630 --> 00:26:46,720

of you know about now

731

00:26:51,029 --> 00:26:48,640

we're almost at the bottom of the hour

732

00:26:52,950 --> 00:26:51,039

and i really do want to talk about

733

00:26:55,269 --> 00:26:52,960

what's happened to stan and what i'd

734

00:26:56,710 --> 00:26:55,279

like to do also

735

00:26:57,909 --> 00:26:56,720

is i'm going to finish up about ufo

736

00:26:59,190 --> 00:26:57,919

connor then i want to talk about what's

737

00:27:00,070 --> 00:26:59,200

happened to stan and then we'll go to

738

00:27:02,230 --> 00:27:00,080

the book about

739

00:27:03,750 --> 00:27:02,240

that ron's book who was supposed to be

740

00:27:06,870 --> 00:27:03,760

on the show tonight

741

00:27:10,470 --> 00:27:06,880

and what we'll do is i'm going to take

742

00:27:12,549 --> 00:27:10,480

uh questions from the chat about stan

743

00:27:14,310 --> 00:27:12,559

and i'll answer them to the best of my

744

00:27:15,909 --> 00:27:14,320

ability folks i know quite a bit

745

00:27:17,750 --> 00:27:15,919

but there's a lot of things i can't talk

746

00:27:18,310 --> 00:27:17,760

about but i can't talk about the basic

747

00:27:21,830 --> 00:27:18,320

stuff

748

00:27:22,789 --> 00:27:21,840

so um if you're interested in that just

749

00:27:25,350 --> 00:27:22,799

let me know

750

00:27:27,110 --> 00:27:25,360

and i do have a tirade i go on about

751

00:27:29,510 --> 00:27:27,120

stan and i'll probably go on it here in

752

00:27:31,510 --> 00:27:29,520

a minute so

753

00:27:33,430 --> 00:27:31,520

so stay with us you guys get to listen

754

00:27:35,269 --> 00:27:33,440

to me have smoke coming out of my ears

755

00:27:37,269 --> 00:27:35,279

tonight it'll be a lot of fun so we'll

756

00:28:04,230 --> 00:27:37,279

be right back after our first break

757

00:28:07,350 --> 00:28:06,630

you're locked into inception radio

758

00:28:10,549 --> 00:28:07,360

network

759

00:28:12,389 --> 00:28:10,559

superior wisconsin

760

00:28:13,909 --> 00:28:12,399

don't have a computer is your internet

761

00:28:15,590 --> 00:28:13,919

connection down don't worry

762

00:28:18,510 --> 00:28:15,600

use your trusty cell phone or landline

763

00:28:20,630 --> 00:28:18,520

and call into our listing line at

764

00:28:22,389 --> 00:28:20,640

401-283-6700 to listen to the inception

765

00:28:25,950 --> 00:28:22,399

radio network 24 7.

766

00:28:34,950 --> 00:28:27,269

401-283-6700

767

00:28:38,710 --> 00:28:36,710

hi inception radio network listeners

768

00:28:40,310 --> 00:28:38,720

this is amanda just a reminder that

769

00:28:43,590 --> 00:28:40,320

inception radio network is

770

00:28:45,909 --> 00:28:43,600

on twitter follow us at i underscore

771

00:28:47,909 --> 00:28:45,919

our underscore n and keep up to date

772

00:28:48,789 --> 00:28:47,919

about who's on tonight what interviews

773

00:28:50,630 --> 00:28:48,799

they'll be doing

774

00:28:52,149 --> 00:28:50,640

who's guest spotting what topics they'll

775

00:28:54,230 --> 00:28:52,159

be covering tweet to us

776

00:28:55,830 --> 00:28:54,240

tweet about us retweet topics to your

777

00:28:57,990 --> 00:28:55,840

friends and most importantly

778

00:29:03,029 --> 00:28:58,000

never miss a great show again that's i

779

00:29:07,190 --> 00:29:05,110

do you have a smartphone if so

780

00:29:07,909 --> 00:29:07,200

conception radio network is the best app

781

00:29:11,029 --> 00:29:07,919

for you

782

00:29:13,269 --> 00:29:11,039

available on itunes android samsung

783

00:29:15,190 --> 00:29:13,279

and most other app stores just search

784

00:29:17,190 --> 00:29:15,200

inception radio network

785

00:29:19,669 --> 00:29:17,200

with the app you can listen live check

786

00:29:21,669 --> 00:29:19,679

out podcast recent empire shows

787

00:29:23,590 --> 00:29:21,679

view our videos see what shows are

788

00:29:25,909 --> 00:29:23,600

coming up who the guests are

789

00:29:27,510 --> 00:29:25,919

and via the chat room send live

790

00:29:29,430 --> 00:29:27,520

questions to those guests

791

00:29:30,710 --> 00:29:29,440

do you know it makes sense check your

792

00:29:33,110 --> 00:29:30,720

app store now

793

00:29:36,310 --> 00:29:33,120

inception radio network i'll see you

794

00:29:40,549 --> 00:29:38,710

are you a fan of inception radio network

795

00:29:42,549 --> 00:29:40,559

do you reckon it's the best alternative

796

00:29:45,110 --> 00:29:42,559

talk radio station on the planet

797

00:29:46,070 --> 00:29:45,120

well if you do head to facebook.com

798

00:29:48,149 --> 00:29:46,080

forward slash

799

00:29:49,110 --> 00:29:48,159

inception radio network and like the

800

00:29:51,110 --> 00:29:49,120

page

801
00:29:57,190 --> 00:29:51,120
tell your friends spread the word and

802
00:30:02,710 --> 00:30:00,389
hello everyone lorien fenton here host

803
00:30:05,830 --> 00:30:02,720
of the california mufon radio show

804
00:30:06,630 --> 00:30:05,840
asking if you'd like special access to

805
00:30:09,990 --> 00:30:06,640
exclusive

806
00:30:12,389 --> 00:30:10,000
and amazing information about ufos

807
00:30:13,750 --> 00:30:12,399
the paranormal and all things

808
00:30:16,710 --> 00:30:13,760

insider club

824

00:31:07,430 --> 00:31:05,350

welcome back everyone to the california

825

00:31:09,830 --> 00:31:07,440

mufon radio show i'm your host

826

00:31:11,750 --> 00:31:09,840

lorian fenton really happy to have you

827

00:31:13,590 --> 00:31:11,760

guys all here with me tonight we're kind

828

00:31:15,190 --> 00:31:13,600

of around the campfire because i don't

829

00:31:16,310 --> 00:31:15,200

have a guest with me this evening but

830

00:31:17,990 --> 00:31:16,320

it's okay

831

00:31:20,070 --> 00:31:18,000

because i've got lots to talk about

832

00:31:21,190 --> 00:31:20,080

myself and i just wasn't planning on it

833

00:31:22,870 --> 00:31:21,200

tonight or i would have

834

00:31:25,029 --> 00:31:22,880

gotten a lot of things ready for you

835

00:31:26,789 --> 00:31:25,039

guys but uh

836

00:31:28,710 --> 00:31:26,799

it's all right we'll survive i'll

837

00:31:29,750 --> 00:31:28,720

survive you guys will survive and you

838

00:31:33,190 --> 00:31:29,760

might actually even

839

00:31:33,909 --> 00:31:33,200

learn something who knows about me at

840

00:31:35,590 --> 00:31:33,919

least or

841

00:31:37,190 --> 00:31:35,600

who knows i don't know what i'm talking

842

00:31:39,110 --> 00:31:37,200

about you guys i'm just having a funny

843

00:31:42,070 --> 00:31:39,120

evening this evening so

844

00:31:43,029 --> 00:31:42,080

anyhow back to ufo con i got to say it's

845

00:31:45,590 --> 00:31:43,039

coming up on march

846

00:31:47,190 --> 00:31:45,600

28th and 29th i hope you guys are going

847

00:31:50,470 --> 00:31:47,200

to try to make it

848

00:31:51,830 --> 00:31:50,480

we got 16 days about 13 hours and 24

849

00:31:54,870 --> 00:31:51,840

minutes before it

850

00:31:57,190 --> 00:31:54,880

touches down in santa clara california

851
00:31:58,710 --> 00:31:57,200
but i lost todd this week then i call up

852
00:32:00,789 --> 00:31:58,720
stan and then i lose stan

853
00:32:02,710 --> 00:32:00,799
and lisa which is really heartbreaking

854
00:32:04,230 --> 00:32:02,720
for me and then i'm sitting there what

855
00:32:06,310 --> 00:32:04,240
am i going to do what am i going to do

856
00:32:08,389 --> 00:32:06,320
and i realized that

857
00:32:10,470 --> 00:32:08,399
i was thinking about asking preston

858
00:32:13,269 --> 00:32:10,480
dennett to come on to the show because

859
00:32:15,190 --> 00:32:13,279
he has some really amazing information

860
00:32:16,710 --> 00:32:15,200
he's one of those researchers out there

861
00:32:19,110 --> 00:32:16,720
that isn't like

862
00:32:19,750 --> 00:32:19,120
super you know like super hot on the

863
00:32:21,990 --> 00:32:19,760

circuit

864

00:32:23,509 --> 00:32:22,000

because i don't know why i i think he's

865

00:32:25,590 --> 00:32:23,519

a wonderful guy i've heard him on coast

866

00:32:25,909 --> 00:32:25,600

to coast i've seen him on ancient aliens

867

00:32:27,350 --> 00:32:25,919

and

868

00:32:29,430 --> 00:32:27,360

you know just all kinds of stuff like

869

00:32:33,669 --> 00:32:29,440

this he's been on lots of shows

870

00:32:35,669 --> 00:32:33,679

um so um oh we got a question already

871

00:32:37,110 --> 00:32:35,679

about stan i knew that was coming

872

00:32:38,870 --> 00:32:37,120

okay you guys i'm gonna try to get into

873

00:32:39,909 --> 00:32:38,880

the chat room here in a minute too as

874

00:32:42,950 --> 00:32:39,919

well so

875

00:32:43,830 --> 00:32:42,960

uh thanks for that mj anyhow so the

876

00:32:46,230 --> 00:32:43,840

whole thing

877

00:32:47,430 --> 00:32:46,240

was i thought well you know he's got a

878

00:32:50,710 --> 00:32:47,440

new book out called

879

00:32:52,630 --> 00:32:50,720

uh ufos over nevada

880

00:32:54,789 --> 00:32:52,640

and i'd remember that he had a book

881

00:32:57,350 --> 00:32:54,799

called ufos over california out

882

00:32:58,470 --> 00:32:57,360

about a year or two ago so i gave

883

00:33:00,549 --> 00:32:58,480

preston a call

884

00:33:02,710 --> 00:33:00,559

and he was so gracious folks so we got

885

00:33:03,830 --> 00:33:02,720

to just thank him right now he said yeah

886

00:33:06,230 --> 00:33:03,840

i'll be there you know

887

00:33:07,029 --> 00:33:06,240

he said where do i go what time do i be

888

00:33:09,269 --> 00:33:07,039

there

889

00:33:10,630 --> 00:33:09,279

instead of well i gotta check you know

890

00:33:11,029 --> 00:33:10,640

all this he's just like yeah i'll be

891

00:33:13,110 --> 00:33:11,039

there

892

00:33:14,070 --> 00:33:13,120

i'll i'd be happy to help you out so

893

00:33:16,070 --> 00:33:14,080

preston

894

00:33:17,990 --> 00:33:16,080

dennett will be that the conference in

895

00:33:19,830 --> 00:33:18,000

place of todd so i've got him replaced

896

00:33:21,029 --> 00:33:19,840

so far now here's the hard part

897

00:33:23,110 --> 00:33:21,039

uh here's where i'm kind of really

898

00:33:23,990 --> 00:33:23,120

having a meltdown i'm gonna share all my

899

00:33:26,549 --> 00:33:24,000

personal stuff with

900

00:33:28,549 --> 00:33:26,559

you guys tonight um putting on the

901
00:33:30,630 --> 00:33:28,559
conference wise

902
00:33:32,870 --> 00:33:30,640
my good friend plutronis who's been on

903
00:33:33,669 --> 00:33:32,880
this show so many times as you guys all

904
00:33:35,430 --> 00:33:33,679
know and we

905
00:33:37,029 --> 00:33:35,440
and i love him to pieces i don't know if

906
00:33:39,909 --> 00:33:37,039
you guys do but i do

907
00:33:42,389 --> 00:33:39,919
he's one of my best friends and we all

908
00:33:44,630 --> 00:33:42,399
got to say big huge prayers for this guy

909
00:33:47,029 --> 00:33:44,640
because um he was in the hospital for

910
00:33:48,549 --> 00:33:47,039
five days last week he's not doing well

911
00:33:50,710 --> 00:33:48,559
he's doing better

912
00:33:52,789 --> 00:33:50,720
he went in for five he was out for a day

913
00:33:56,070 --> 00:33:52,799

or two then he went back in for two

914

00:33:57,909 --> 00:33:56,080

and now he's out again and i just i'm

915

00:34:00,310 --> 00:33:57,919

very concerned for him

916

00:34:01,990 --> 00:34:00,320

so i and and we're laughing because he

917

00:34:03,350 --> 00:34:02,000

says you're only concerned about me

918

00:34:05,669 --> 00:34:03,360

because you want me to show up on the

919

00:34:09,909 --> 00:34:05,679

28th and 29th and then i can die

920

00:34:12,230 --> 00:34:09,919

right i'm like no that's not the case

921

00:34:13,510 --> 00:34:12,240

but you know it is the case in a weird

922

00:34:15,750 --> 00:34:13,520

way it's like you know i've been

923

00:34:16,069 --> 00:34:15,760

advertising him now forever and i really

924

00:34:17,990 --> 00:34:16,079

have

925

00:34:20,310 --> 00:34:18,000

nobody to replace him so i'm just kind

926

00:34:22,550 --> 00:34:20,320

of going oh my god but

927

00:34:24,230 --> 00:34:22,560

uh besides that he is one of my best

928

00:34:26,149 --> 00:34:24,240

friends and i'm very concerned about him

929

00:34:28,470 --> 00:34:26,159

so i really hope that all of you people

930

00:34:30,950 --> 00:34:28,480

out there could do me a huge favor

931

00:34:33,349 --> 00:34:30,960

and and pray for tron you can say

932

00:34:33,990 --> 00:34:33,359

plutonium or tron the vibration's the

933

00:34:37,909 --> 00:34:34,000

same it'll

934

00:34:40,230 --> 00:34:37,919

get to him and i just you know he is

935

00:34:42,470 --> 00:34:40,240

you guys he's the smartest guy i know

936

00:34:44,790 --> 00:34:42,480

and i know some very smart people

937

00:34:45,669 --> 00:34:44,800

i know people that are like einstein

938

00:34:47,669 --> 00:34:45,679

people

939

00:34:49,750 --> 00:34:47,679

and i'll tell you this guy he may come

940

00:34:52,149 --> 00:34:49,760

on the show and he may be

941

00:34:54,550 --> 00:34:52,159

uh plutonium he may be the tron he may

942

00:34:56,389 --> 00:34:54,560

be what he is on my radio show but

943

00:34:57,990 --> 00:34:56,399

what you guys don't know about this guy

944

00:35:01,589 --> 00:34:58,000

is that he can think

945

00:35:02,069 --> 00:35:01,599

circles around 99 of the scientists at

946

00:35:05,670 --> 00:35:02,079

nasa

947

00:35:08,710 --> 00:35:05,680

livermore um he would not have been

948

00:35:11,030 --> 00:35:08,720

hired by the department of defense uh

949

00:35:13,349 --> 00:35:11,040

to do things that he can't even talk

950

00:35:15,910 --> 00:35:13,359

about that i know a little hint about

951
00:35:17,270 --> 00:35:15,920
that would blow you guys minds

952
00:35:19,829 --> 00:35:17,280
absolutely away

953
00:35:21,990 --> 00:35:19,839
absolutely so i'm just telling you if we

954
00:35:24,790 --> 00:35:22,000
lose him we're going to lose somebody

955
00:35:26,310 --> 00:35:24,800
who is working on and this is public

956
00:35:30,069 --> 00:35:26,320
knowledge he's working on

957
00:35:31,750 --> 00:35:30,079
a ufo detector and he swears to me he's

958
00:35:34,790 --> 00:35:31,760
not dying until that thing is

959
00:35:35,510 --> 00:35:34,800
done because that is his life's dream to

960
00:35:37,750 --> 00:35:35,520
do that

961
00:35:40,230 --> 00:35:37,760
and what he wants to do is he wants to

962
00:35:41,910 --> 00:35:40,240
have a ufo detector on every home in the

963
00:35:43,990 --> 00:35:41,920

united states

964

00:35:46,470 --> 00:35:44,000

that's his goal who knows if it'll

965

00:35:49,430 --> 00:35:46,480

happen but i think it's an amazing goal

966

00:35:51,270 --> 00:35:49,440

and if anybody can build it he can and

967

00:35:52,950 --> 00:35:51,280

he's doing an amazing job with it and

968

00:35:55,750 --> 00:35:52,960

we're hoping that you know sometime

969

00:35:56,310 --> 00:35:55,760

soon in the next year or so we'll have

970

00:35:58,310 --> 00:35:56,320

that

971

00:36:00,390 --> 00:35:58,320

available for everybody here at the

972

00:36:00,950 --> 00:36:00,400

network and i'm sure tron will still be

973

00:36:03,750 --> 00:36:00,960

with us

974

00:36:05,750 --> 00:36:03,760

uh when this all blows over and i'm sure

975

00:36:08,150 --> 00:36:05,760

he'll present at ufo con

976
00:36:09,109 --> 00:36:08,160
he said even if he has to crawl up there

977
00:36:11,670 --> 00:36:09,119
he'll make it

978
00:36:14,150 --> 00:36:11,680
so there you are so that's that's my

979
00:36:16,790 --> 00:36:14,160
little tragedies this week so far

980
00:36:18,230 --> 00:36:16,800
so um i'm dealing with that and i've

981
00:36:21,910 --> 00:36:18,240
still got to replace

982
00:36:23,510 --> 00:36:21,920
uh stan romanak so oh and jonathan nolan

983
00:36:24,310 --> 00:36:23,520
who's been on the show here is on two

984
00:36:27,109 --> 00:36:24,320
weeks ago

985
00:36:29,109 --> 00:36:27,119
and he is going to be there live and in

986
00:36:30,630 --> 00:36:29,119
person from australia it's the first

987
00:36:33,190 --> 00:36:30,640
time he's ever

988
00:36:33,750 --> 00:36:33,200

spoken at a ufo conference he's spoken

989

00:36:35,829 --> 00:36:33,760

at uh

990

00:36:37,430 --> 00:36:35,839

other types of conferences but never at

991

00:36:40,630 --> 00:36:37,440

a ufo conference

992

00:36:42,630 --> 00:36:40,640

and he has discovered and i believe we

993

00:36:44,230 --> 00:36:42,640

mentioned this couple weeks ago on the

994

00:36:44,870 --> 00:36:44,240

show but i want to reiterate this

995

00:36:47,109 --> 00:36:44,880

because it's

996

00:36:48,870 --> 00:36:47,119

very important that you guys understand

997

00:36:52,310 --> 00:36:48,880

what he's going through right now

998

00:36:55,670 --> 00:36:52,320

in the moment as i'm talking to you he

999

00:36:58,310 --> 00:36:55,680

and well not just he a friend of his or

1000

00:36:59,030 --> 00:36:58,320

somebody in his mining group i'm not

1001

00:37:01,190 --> 00:36:59,040

sure who it

1002

00:37:03,510 --> 00:37:01,200

is i haven't gotten that deep into it

1003

00:37:04,870 --> 00:37:03,520

because all we ever do now is just say

1004

00:37:06,230 --> 00:37:04,880

you're gonna be here at this time and

1005

00:37:06,950 --> 00:37:06,240

this is what you're doing and blah blah

1006

00:37:09,109 --> 00:37:06,960

blah

1007

00:37:11,109 --> 00:37:09,119

but um he's going to give a lot more

1008

00:37:13,190 --> 00:37:11,119

details at the conference he's going to

1009

00:37:15,349 --> 00:37:13,200

talk about it he might even have some

1010

00:37:16,950 --> 00:37:15,359

footage i'm just we're praying he can

1011

00:37:19,910 --> 00:37:16,960

find some footage by then

1012

00:37:21,670 --> 00:37:19,920

but here's what's going on he works uh

1013

00:37:24,390 --> 00:37:21,680

in the solomon islands

1014

00:37:25,910 --> 00:37:24,400

which is off the gosh is it the west

1015

00:37:29,349 --> 00:37:25,920

coast or the i think it's the east

1016

00:37:32,470 --> 00:37:29,359

west coast of australia and

1017

00:37:33,990 --> 00:37:32,480

he works there as a miner and he also

1018

00:37:35,910 --> 00:37:34,000

sets up

1019

00:37:37,829 --> 00:37:35,920

communities there for banking

1020

00:37:39,750 --> 00:37:37,839

communities anyhow i'm not going to go

1021

00:37:42,470 --> 00:37:39,760

into all the details of what his job is

1022

00:37:43,430 --> 00:37:42,480

but in the course of his job he has to

1023

00:37:46,870 --> 00:37:43,440

hang out

1024

00:37:47,190 --> 00:37:46,880

at these remote places that have just

1025

00:37:49,430 --> 00:37:47,200

like

1026

00:37:51,109 --> 00:37:49,440

a bar in a shack where people stand

1027

00:37:52,710 --> 00:37:51,119

there and you know throw their glasses

1028

00:37:55,829 --> 00:37:52,720

on the dirt floor

1029

00:37:57,910 --> 00:37:55,839

type of thing and he was telling me that

1030

00:38:00,069 --> 00:37:57,920

one of the guys in his group came up to

1031

00:38:02,390 --> 00:38:00,079

him and said i just saw or

1032

00:38:04,150 --> 00:38:02,400

somebody just saw a ufo coming out of

1033

00:38:06,230 --> 00:38:04,160

the water over here

1034

00:38:08,470 --> 00:38:06,240

and he's like oh yeah right and so you

1035

00:38:08,870 --> 00:38:08,480

know this goes on for like a year i mean

1036

00:38:11,109 --> 00:38:08,880

then

1037

00:38:13,030 --> 00:38:11,119

they finally realized that there is a

1038

00:38:15,430 --> 00:38:13,040

ufo base under here

1039

00:38:16,550 --> 00:38:15,440

under this uh this little bay this

1040

00:38:18,630 --> 00:38:16,560

little inlet and this

1041

00:38:19,910 --> 00:38:18,640

very remote part of the world folks i

1042

00:38:21,750 --> 00:38:19,920

can't even tell you where it is yet

1043

00:38:22,630 --> 00:38:21,760

because it's up to him to reveal where

1044

00:38:24,710 --> 00:38:22,640

it is

1045

00:38:25,990 --> 00:38:24,720

but it's in the very remote parts of

1046

00:38:30,150 --> 00:38:26,000

these island chains

1047

00:38:31,510 --> 00:38:30,160

and he's there and sure enough this one

1048

00:38:34,069 --> 00:38:31,520

kid in their group gets

1049

00:38:36,069 --> 00:38:34,079

finally gets footage of this now it

1050

00:38:37,589 --> 00:38:36,079

turns out in the time that they've all

1051

00:38:39,430 --> 00:38:37,599

discovered and all the people in the

1052

00:38:42,230 --> 00:38:39,440

area and the tribes people know that

1053

00:38:45,510 --> 00:38:42,240

these ufos are coming out of the water

1054

00:38:46,870 --> 00:38:45,520

there has appeared a pirate ship that's

1055

00:38:49,190 --> 00:38:46,880

what they're calling it they're calling

1056

00:38:49,670 --> 00:38:49,200

it a pirate ship but there's guys in

1057

00:38:51,190 --> 00:38:49,680

black

1058

00:38:52,790 --> 00:38:51,200

uniforms that look like they're

1059

00:38:56,230 --> 00:38:52,800

halliburton or

1060

00:38:58,870 --> 00:38:56,240

military or who knows what

1061

00:39:00,069 --> 00:38:58,880

uh cia i don't know i'm just throwing

1062

00:39:02,710 --> 00:39:00,079

names out because i have

1063

00:39:04,069 --> 00:39:02,720

no clue who these people are he doesn't

1064

00:39:06,069 --> 00:39:04,079

either but he knows that they're

1065

00:39:08,069 --> 00:39:06,079

military and he knows they're nasty and

1066

00:39:10,390 --> 00:39:08,079

he knows that they've showed up there

1067

00:39:11,349 --> 00:39:10,400

and they're patrolling that bay day and

1068

00:39:14,150 --> 00:39:11,359

night now

1069

00:39:15,670 --> 00:39:14,160

now here's what happened five weeks ago

1070

00:39:19,270 --> 00:39:15,680

one of the kids that

1071

00:39:21,750 --> 00:39:19,280

got actual video footage of the ufos

1072

00:39:25,190 --> 00:39:21,760

coming out of the water

1073

00:39:28,230 --> 00:39:25,200

was coming back to the mainland and

1074

00:39:28,870 --> 00:39:28,240

trying to deliver the video footage and

1075

00:39:31,430 --> 00:39:28,880

he got

1076

00:39:33,510 --> 00:39:31,440

close to the edge of one of the bigger

1077

00:39:35,270 --> 00:39:33,520

islands on the way to the mainland and

1078

00:39:38,230 --> 00:39:35,280

he was attacked and killed

1079

00:39:39,510 --> 00:39:38,240

and he was killed in a very horrific way

1080

00:39:42,150 --> 00:39:39,520

folks he was

1081

00:39:43,510 --> 00:39:42,160

basically hacked up and that's the only

1082

00:39:45,109 --> 00:39:43,520

way i'm going to describe it you know

1083

00:39:47,910 --> 00:39:45,119

what they do with machetes in africa

1084

00:39:51,190 --> 00:39:47,920

well they did this to this poor man

1085

00:39:52,310 --> 00:39:51,200

since that happened uh they and they

1086

00:39:54,630 --> 00:39:52,320

were told it was

1087

00:39:56,310 --> 00:39:54,640

a robbery okay now it could have been a

1088

00:39:57,190 --> 00:39:56,320

robbery i don't know but that was what

1089

00:40:00,150 --> 00:39:57,200

they were told

1090

00:40:01,990 --> 00:40:00,160

in the the mining group and and they

1091

00:40:04,069 --> 00:40:02,000

were pretty concerned but

1092

00:40:05,829 --> 00:40:04,079

what are you going to do and in that

1093

00:40:09,190 --> 00:40:05,839

same instance

1094

00:40:12,309 --> 00:40:09,200

they realized that back at the camp

1095

00:40:13,829 --> 00:40:12,319

in another part of the islands there is

1096

00:40:15,510 --> 00:40:13,839

more video footage

1097

00:40:16,950 --> 00:40:15,520

because he's just bringing out pieces i

1098

00:40:18,630 --> 00:40:16,960

guess i don't know how they knew this

1099

00:40:21,589 --> 00:40:18,640

but

1100

00:40:24,069 --> 00:40:21,599

the kid that went to retrieve the video

1101
00:40:27,349 --> 00:40:24,079
footage that was left behind

1102
00:40:28,790 --> 00:40:27,359
was shot and murdered so now everybody

1103
00:40:31,990 --> 00:40:28,800
has bodyguards

1104
00:40:35,349 --> 00:40:32,000
and uh it's gotten way crazy

1105
00:40:36,150 --> 00:40:35,359
as far as um what they're doing to

1106
00:40:37,829 --> 00:40:36,160
jonathan

1107
00:40:39,589 --> 00:40:37,839
and that's what he's going to be talking

1108
00:40:41,750 --> 00:40:39,599
about for the first time ever is this

1109
00:40:44,230 --> 00:40:41,760
whole thing that's going on down there

1110
00:40:45,190 --> 00:40:44,240
and what the place looks like he's going

1111
00:40:47,190 --> 00:40:45,200
to give us

1112
00:40:49,349 --> 00:40:47,200
many many more details so i'm very

1113
00:40:50,390 --> 00:40:49,359

excited about this this is like a huge

1114

00:40:52,069 --> 00:40:50,400

thing and we're

1115

00:40:53,589 --> 00:40:52,079

right now i'm trying to get him on some

1116

00:40:56,150 --> 00:40:53,599

major networks and

1117

00:40:57,910 --> 00:40:56,160

uh just get him out there so that he's

1118

00:40:59,270 --> 00:40:57,920

kept alive i mean right now at this

1119

00:41:00,790 --> 00:40:59,280

point i don't know what to do but we got

1120

00:41:02,390 --> 00:41:00,800

to keep him alive that's the most

1121

00:41:09,990 --> 00:41:02,400

important thing now i've got to cough so

1122

00:41:13,430 --> 00:41:11,990

see now that's what i do when i have a

1123

00:41:15,990 --> 00:41:13,440

guest

1124

00:41:17,430 --> 00:41:16,000

i can do that you guys don't even know

1125

00:41:23,670 --> 00:41:17,440

what's happening but i

1126

00:41:27,190 --> 00:41:25,430

so anyhow that's what we're doing with

1127

00:41:31,109 --> 00:41:27,200

jonathan nolan he's going to be

1128

00:41:35,910 --> 00:41:31,119

uh being like a super expert

1129

00:41:38,309 --> 00:41:35,920

person on this so hey mj can you uh

1130

00:41:40,069 --> 00:41:38,319

uh i'm not sure i've got to cough and

1131

00:41:42,630 --> 00:41:40,079

it's a pretty bad cough here so i don't

1132

00:41:46,829 --> 00:41:42,640

want to leave dead air

1133

00:41:59,670 --> 00:41:46,839

can you um talk to the gang for just a

1134

00:42:03,190 --> 00:42:01,990

hello gang how's it going out there

1135

00:42:05,829 --> 00:42:03,200

tonight mj here

1136

00:42:08,550 --> 00:42:05,839

this sunday we actually have on bill and

1137

00:42:10,230 --> 00:42:08,560

nancy burns so join us for uh

1138

00:42:12,390 --> 00:42:10,240

a little reunion with future theater and

1139

00:42:14,630 --> 00:42:12,400

bill and nancy burns so that'll uh

1140

00:42:16,069 --> 00:42:14,640

be a fun show i know bill will join us

1141

00:42:19,270 --> 00:42:16,079

the first hour

1142

00:42:20,870 --> 00:42:19,280

but after that we get nancy the

1143

00:42:23,349 --> 00:42:20,880

full show so it'll be fun me and ken

1144

00:42:25,829 --> 00:42:23,359

will be on with bill talking about their

1145

00:42:27,990 --> 00:42:25,839

ufo hunters episode and uh some of

1146

00:42:29,990 --> 00:42:28,000

bill's research on ufo hunter so good

1147

00:42:32,950 --> 00:42:30,000

stuff good stuff so

1148

00:42:34,710 --> 00:42:32,960

i tell you what let's go to break here

1149

00:42:36,150 --> 00:42:34,720

quick we'll do a little earlier oh no no

1150

00:42:37,349 --> 00:42:36,160

that's okay i'm finally back

1151

00:42:39,030 --> 00:42:37,359

oh you're back there you go can't

1152

00:42:41,589 --> 00:42:39,040

believe it i can't believe what i just

1153

00:42:44,710 --> 00:42:41,599

had i had a major attack it's like

1154

00:42:46,309 --> 00:42:44,720

oh my gosh you okay you know it's f yeah

1155

00:42:47,910 --> 00:42:46,319

i'm okay i think i'll be all right well

1156

00:42:49,910 --> 00:42:47,920

if it happens again we will go to a

1157

00:42:53,190 --> 00:42:49,920

break because it was a pretty nasty

1158

00:42:55,990 --> 00:42:53,200

attack here and uh you know what's funny

1159

00:42:57,109 --> 00:42:56,000

mj is that this happened right when i

1160

00:42:57,990 --> 00:42:57,119

started talking about the little

1161

00:43:01,910 --> 00:42:58,000

jonathan nolan

1162

00:43:04,790 --> 00:43:01,920

thing oh better change the subject

1163

00:43:07,270 --> 00:43:04,800

yeah yeah and every time he and i even

1164

00:43:10,390 --> 00:43:07,280

try to talk about it on skype

1165

00:43:12,309 --> 00:43:10,400

we get cut off so i don't know what's

1166

00:43:14,150 --> 00:43:12,319

going on folks i think it's very bizarre

1167

00:43:17,349 --> 00:43:14,160

thanks mj i really appreciate it

1168

00:43:18,870 --> 00:43:17,359

no problem okay so anyhow folks i

1169

00:43:20,390 --> 00:43:18,880

i don't know what's going on with this

1170

00:43:22,630 --> 00:43:20,400

whole thing but

1171

00:43:24,230 --> 00:43:22,640

i think he's got a big piece of the

1172

00:43:26,630 --> 00:43:24,240

puzzle and i think he's going to be

1173

00:43:28,390 --> 00:43:26,640

extraordinary to see at ufo khan if you

1174

00:43:29,670 --> 00:43:28,400

can make it because i think he's just

1175

00:43:32,710 --> 00:43:29,680

going to steal the show

1176

00:43:34,710 --> 00:43:32,720

to be honest with you and then like i

1177

00:43:38,309 --> 00:43:34,720

said i'm trying to get him on

1178

00:43:40,150 --> 00:43:38,319

some big name shows over the next month

1179

00:43:41,990 --> 00:43:40,160

and just keep them alive i think that's

1180

00:43:46,230 --> 00:43:42,000

the most important thing at this point

1181

00:43:48,790 --> 00:43:46,240

so okay so that's enough about ufo con

1182

00:43:50,150 --> 00:43:48,800

i'm just having traumas and moments and

1183

00:43:52,069 --> 00:43:50,160

you know every time i put on a

1184

00:43:53,030 --> 00:43:52,079

conference this is what happens oh and i

1185

00:43:55,030 --> 00:43:53,040

do have to

1186

00:43:56,309 --> 00:43:55,040

i've got to read you guys something very

1187

00:43:58,950 --> 00:43:56,319

funny here

1188

00:44:01,190 --> 00:43:58,960

uh it says more news we are fortunate to

1189

00:44:04,230 --> 00:44:01,200

have an ambassador from another galaxy

1190

00:44:05,589 --> 00:44:04,240

joining us at ufo con mr zeta reticuli

1191

00:44:08,150 --> 00:44:05,599

will be in the house

1192

00:44:10,470 --> 00:44:08,160

we have loads of fun we had loads of fun

1193

00:44:12,309 --> 00:44:10,480

with him at ufo con 2012.

1194

00:44:14,630 --> 00:44:12,319

i can still see him and his lovely

1195

00:44:16,950 --> 00:44:14,640

klinton wife dancing to robert perala

1196

00:44:18,790 --> 00:44:16,960

playing beatles songs on his guitar

1197

00:44:20,470 --> 00:44:18,800

i've asked zeta if he would bring along

1198

00:44:23,430 --> 00:44:20,480

his cousin zetan

1199

00:44:25,109 --> 00:44:23,440

who was a big hit at ufo con 2013. you

1200

00:44:25,589 --> 00:44:25,119

will be able to take your picture with

1201

00:44:28,309 --> 00:44:25,599

zeta

1202

00:44:29,349 --> 00:44:28,319

and z tan adam as a memento of the

1203

00:44:32,309 --> 00:44:29,359

weekend

1204

00:44:34,150 --> 00:44:32,319

fair warning though zeta has asked to

1205

00:44:36,550 --> 00:44:34,160

help out at the conference and he's

1206

00:44:38,630 --> 00:44:36,560

offered to direct parking but he only

1207

00:44:41,349 --> 00:44:38,640

communicates telepathically so i'm not

1208

00:44:44,550 --> 00:44:41,359

sure this is the best job for him

1209

00:44:45,910 --> 00:44:44,560

he's assures me that he can i'm sorry i

1210

00:44:48,390 --> 00:44:45,920

laugh every time i read this

1211

00:44:49,109 --> 00:44:48,400

he assures me that he that he has parked

1212

00:44:52,150 --> 00:44:49,119

his ufo

1213

00:44:54,309 --> 00:44:52,160

in the hangars at area 51 so how hard

1214

00:44:55,030 --> 00:44:54,319

can it be to direct humans to a parking

1215

00:44:56,950 --> 00:44:55,040

lot

1216

00:44:58,710 --> 00:44:56,960

anyone know of a good interstellar

1217

00:45:02,270 --> 00:44:58,720

insurance company

1218

00:45:04,069 --> 00:45:02,280

anyhow that's up on the the main site

1219

00:45:05,910 --> 00:45:04,079

ufocon2015.com if you just

1220

00:45:08,790 --> 00:45:05,920

peruse on down the page you'll see a

1221

00:45:11,430 --> 00:45:08,800

picture of ambassador zeta reticuli

1222

00:45:12,950 --> 00:45:11,440

he will be there in person along with

1223

00:45:17,030 --> 00:45:12,960

his cousin zetan

1224

00:45:17,990 --> 00:45:17,040

now satan doesn't talk he doesn't move

1225

00:45:19,910 --> 00:45:18,000

he doesn't do anything

1226

00:45:27,510 --> 00:45:19,920

but he just he's there so hold on a

1227

00:45:34,309 --> 00:45:31,349

okay i'm back so but c10

1228

00:45:34,790 --> 00:45:34,319

doesn't move much but mr zeta reticula

1229

00:45:36,710 --> 00:45:34,800

does

1230

00:45:39,109 --> 00:45:36,720

so he he'll be there and he'll see you

1231

00:45:41,910 --> 00:45:39,119

guys and that'll be a lot of fun

1232

00:45:42,309 --> 00:45:41,920

okay well enough of ufo con i'm pretty

1233

00:45:44,550 --> 00:45:42,319

much

1234

00:45:45,990 --> 00:45:44,560

over talking about all the craziness

1235

00:45:49,430 --> 00:45:46,000

going on around it but it's

1236

00:45:52,710 --> 00:45:49,440

going to be spectacular you know what

1237

00:45:53,109 --> 00:45:52,720

i'm one last thing about it whenever i

1238

00:45:54,710 --> 00:45:53,119

have

1239

00:45:56,630 --> 00:45:54,720

this much trouble putting on a

1240

00:45:58,470 --> 00:45:56,640

conference it's usually one of the best

1241

00:46:00,710 --> 00:45:58,480

conferences i ever put on and that

1242

00:46:04,069 --> 00:46:00,720

because what happens is

1243

00:46:06,390 --> 00:46:04,079

the energy around it just gets you know

1244

00:46:07,829 --> 00:46:06,400

more and more intense because people are

1245

00:46:10,950 --> 00:46:07,839

going oh now what

1246

00:46:12,790 --> 00:46:10,960

you know what's gonna happen next and uh

1247

00:46:14,630 --> 00:46:12,800

they all show up and we have a great

1248

00:46:17,030 --> 00:46:14,640

time and it's so much fun it's like

1249

00:46:18,870 --> 00:46:17,040

finding your long-lost family folks

1250

00:46:20,790 --> 00:46:18,880

so i do hope you can make it if you're

1251

00:46:22,470 --> 00:46:20,800

in on the west coast anywhere on the

1252

00:46:24,309 --> 00:46:22,480

west coast please try to make it it's

1253

00:46:27,190 --> 00:46:24,319

very affordable

1254

00:46:29,190 --> 00:46:27,200

and there's lots of hotels in the area

1255

00:46:29,829 --> 00:46:29,200

and we just have a really really good

1256

00:46:31,430 --> 00:46:29,839

time

1257

00:46:33,190 --> 00:46:31,440

and this year we've added something

1258

00:46:33,990 --> 00:46:33,200

we've never done before and that is

1259

00:46:36,550 --> 00:46:34,000

we're offering

1260

00:46:37,990 --> 00:46:36,560

lunch both saturday and sunday at the

1261

00:46:39,510 --> 00:46:38,000

conference at a very

1262

00:46:41,109 --> 00:46:39,520

reasonable price for all that you're

1263

00:46:42,309 --> 00:46:41,119

getting and

1264

00:46:44,230 --> 00:46:42,319

that we don't even have to leave the

1265

00:46:45,750 --> 00:46:44,240

building so unless you want to go out

1266

00:46:47,750 --> 00:46:45,760

for dinner or something like that on

1267

00:46:49,750 --> 00:46:47,760

sunday which is available but we're also

1268

00:46:50,870 --> 00:46:49,760

having our fundraiser on saturday night

1269

00:46:52,630 --> 00:46:50,880

at a restaurant

1270

00:46:54,230 --> 00:46:52,640

so we got lots of activities it's not

1271

00:46:55,829 --> 00:46:54,240

like you just go sit there hear somebody

1272

00:46:56,309 --> 00:46:55,839

speak we've got things planned from the

1273

00:46:59,270 --> 00:46:56,319

morning

1274

00:47:00,950 --> 00:46:59,280

until night both days a lot of fun sky

1275

00:47:01,750 --> 00:47:00,960

watch on sunday night it's going to be

1276

00:47:05,190 --> 00:47:01,760

great

1277

00:47:09,030 --> 00:47:05,200

so i do hope you guys show up and

1278

00:47:11,109 --> 00:47:09,040

be with us it'll be great okay i'm uh

1279

00:47:13,510 --> 00:47:11,119

let's see what am i doing i'm trying to

1280

00:47:16,390 --> 00:47:13,520

find that website

1281

00:47:17,990 --> 00:47:16,400

la de da la sorry you guys i just was

1282

00:47:20,150 --> 00:47:18,000

not expecting not to have

1283

00:47:22,309 --> 00:47:20,160

a guest with me tonight i would have

1284

00:47:24,710 --> 00:47:22,319

prepared much more so

1285

00:47:26,710 --> 00:47:24,720

okay here we are now this is ron

1286

00:47:30,710 --> 00:47:26,720

gardner's website

1287

00:47:34,630 --> 00:47:30,720

and it's called area 51et and

1288

00:47:38,349 --> 00:47:34,640

yeah area51jrod.com

1289

00:47:41,910 --> 00:47:38,359

is the website area 51

1290

00:47:43,829 --> 00:47:41,920

jrod.com we'll talk about this for a

1291

00:47:44,470 --> 00:47:43,839

while and then i will go back into the

1292

00:47:46,470 --> 00:47:44,480

stan

1293

00:47:47,990 --> 00:47:46,480

uh questions in the last half hour of

1294

00:47:50,630 --> 00:47:48,000

the show

1295

00:47:53,190 --> 00:47:50,640

okay so let's see what we can do here oh

1296

00:47:55,510 --> 00:47:53,200

yeah you know what um

1297

00:47:56,549 --> 00:47:55,520

at this website i really want you guys

1298

00:48:00,069 --> 00:47:56,559

to check out

1299

00:48:03,589 --> 00:48:02,630

videos he has on here i did see them the

1300

00:48:06,950 --> 00:48:03,599

other day

1301
00:48:10,309 --> 00:48:06,960
and it was very intriguing there is a

1302
00:48:13,990 --> 00:48:10,319
video of my good friend mark mccandless

1303
00:48:17,109 --> 00:48:14,000
talking to dan burrish about

1304
00:48:19,190 --> 00:48:17,119
what it looked like in area 51

1305
00:48:21,750 --> 00:48:19,200
at the hangers and what and what the

1306
00:48:23,589 --> 00:48:21,760
area layout was and mark mccandless

1307
00:48:25,349 --> 00:48:23,599
is if you don't know he's been on the

1308
00:48:28,390 --> 00:48:25,359
show he

1309
00:48:31,510 --> 00:48:28,400
is a graphic designer

1310
00:48:33,670 --> 00:48:31,520
or graphic uh aero engineer artist i

1311
00:48:35,990 --> 00:48:33,680
don't know if there is such a word but

1312
00:48:37,750 --> 00:48:36,000
he was build not building he was

1313
00:48:41,589 --> 00:48:37,760

designing and drawing

1314

00:48:43,990 --> 00:48:41,599

um secret space not secret space

1315

00:48:46,069 --> 00:48:44,000

secret aircraft i keep thinking of the

1316

00:48:48,390 --> 00:48:46,079

secret space program which does exist

1317

00:48:52,549 --> 00:48:48,400

but we can't talk about it now can we

1318

00:48:56,470 --> 00:48:52,559

um so he was drawing all of those

1319

00:49:00,150 --> 00:48:56,480

uh for lockheed and skunk works

1320

00:49:01,750 --> 00:49:00,160

and i think john lear's company and i'm

1321

00:49:04,630 --> 00:49:01,760

not sure who else but

1322

00:49:05,349 --> 00:49:04,640

there were quite a few and he stumbled

1323

00:49:09,030 --> 00:49:05,359

upon

1324

00:49:13,510 --> 00:49:09,040

a friend of his stumbled into an actual

1325

00:49:17,030 --> 00:49:13,520

evening when they were showing the

1326

00:49:20,630 --> 00:49:17,040

uh what did they called it a avf or a

1327

00:49:22,069 --> 00:49:20,640

afv the aerial something vehicle i'm

1328

00:49:24,710 --> 00:49:22,079

gonna have to look it up as well

1329

00:49:26,150 --> 00:49:24,720

my brain is gone today i'm sorry folks

1330

00:49:28,950 --> 00:49:26,160

and

1331

00:49:29,349 --> 00:49:28,960

he stumbled upon it with a friend of his

1332

00:49:31,510 --> 00:49:29,359

at an

1333

00:49:32,549 --> 00:49:31,520

air show and there were like barbara

1334

00:49:35,270 --> 00:49:32,559

boxer and

1335

00:49:37,190 --> 00:49:35,280

other senators and all the way up to

1336

00:49:37,510 --> 00:49:37,200

generals and the president was the only

1337

00:49:39,430 --> 00:49:37,520

one

1338

00:49:40,870 --> 00:49:39,440

not in this building at the time and

1339

00:49:44,470 --> 00:49:40,880

they were showing them

1340

00:49:47,750 --> 00:49:44,480

this spacecraft that was engineered

1341

00:49:49,510 --> 00:49:47,760

from a down craft plus the the

1342

00:49:51,430 --> 00:49:49,520

stealth aircraft that they were showing

1343

00:49:53,510 --> 00:49:51,440

them as well at the time

1344

00:49:54,470 --> 00:49:53,520

and this was back in like you know the

1345

00:49:57,990 --> 00:49:54,480

late 80s

1346

00:49:59,349 --> 00:49:58,000

80s or early 90s and

1347

00:50:01,750 --> 00:49:59,359

i'm just trying to remember the whole

1348

00:50:04,069 --> 00:50:01,760

story bottom line mark ends up

1349

00:50:05,510 --> 00:50:04,079

drawing it uh from this guy's

1350

00:50:08,630 --> 00:50:05,520

description

1351

00:50:11,510 --> 00:50:08,640

and it's an absolute beautiful drawing

1352

00:50:15,030 --> 00:50:11,520

beautiful blueprint drawing of this

1353

00:50:17,750 --> 00:50:15,040

vehicle this re re-engineered spacecraft

1354

00:50:19,910 --> 00:50:17,760

and it is it's identical to the one that

1355

00:50:23,030 --> 00:50:19,920

dan burge was talking about

1356

00:50:25,109 --> 00:50:23,040

uh so i you know i don't know i just i

1357

00:50:28,470 --> 00:50:25,119

have days where i just go what

1358

00:50:30,150 --> 00:50:28,480

so ron gardner is the man who actually

1359

00:50:33,829 --> 00:50:30,160

got

1360

00:50:36,710 --> 00:50:33,839

mark to sit and draw and talk to dan

1361

00:50:38,950 --> 00:50:36,720

about the area that he was in so you can

1362

00:50:40,870 --> 00:50:38,960

see that video up online and it

1363

00:50:45,109 --> 00:50:40,880

i think there's a whole bunch of videos

1364

00:50:48,710 --> 00:50:45,119

up on this website it's area51jrod.com

1365

00:50:49,030 --> 00:50:48,720

so please go there and check them out

1366

00:50:51,670 --> 00:50:49,040

and

1367

00:50:52,390 --> 00:50:51,680

there's lots of videos there there is a

1368

00:50:55,990 --> 00:50:52,400

video

1369

00:50:59,030 --> 00:50:56,000

of let's see if i can find them all

1370

00:51:01,030 --> 00:50:59,040

let's see radio show interviews stan

1371

00:51:03,750 --> 00:51:01,040

burrish oh my gosh there's so much cool

1372

00:51:06,870 --> 00:51:03,760

stuff here you guys this is amazing

1373

00:51:07,990 --> 00:51:06,880

um who we are video store well let's

1374

00:51:09,829 --> 00:51:08,000

just go see what we got

1375

00:51:11,670 --> 00:51:09,839

i haven't been to the video store yet so

1376

00:51:15,030 --> 00:51:11,680

let's check that out

1377

00:51:18,470 --> 00:51:15,040

buy area 51et featured videos

1378

00:51:19,510 --> 00:51:18,480

on dvd oh interesting the danbury story

1379

00:51:22,069 --> 00:51:19,520

director's cut

1380

00:51:25,430 --> 00:51:22,079

oh that looks good that's the one i'm

1381

00:51:31,510 --> 00:51:28,549

oh dear that looks really good

1382

00:51:32,470 --> 00:51:31,520

okay so anyhow this is what i would like

1383

00:51:34,549 --> 00:51:32,480

you guys to do

1384

00:51:35,990 --> 00:51:34,559

get to the website see all the free

1385

00:51:38,069 --> 00:51:36,000

videos that are up on youtube

1386

00:51:39,829 --> 00:51:38,079

that are posted up here it's very

1387

00:51:41,670 --> 00:51:39,839

important because

1388

00:51:43,670 --> 00:51:41,680

you know there's an even a bill you

1389

00:51:44,069 --> 00:51:43,680

house interview on here oh bill you

1390

00:51:46,549 --> 00:51:44,079

house

1391

00:51:48,150 --> 00:51:46,559

okay you guys this is an amazing website

1392

00:51:48,549 --> 00:51:48,160

you really do have to go check it out

1393

00:51:51,910 --> 00:51:48,559

that's

1394

00:51:54,230 --> 00:51:51,920

area area51jrod.com

1395

00:51:55,829 --> 00:51:54,240

okay now i'm not going to go much more

1396

00:51:57,829 --> 00:51:55,839

into this because

1397

00:51:59,349 --> 00:51:57,839

i've given you guys my opinion about dan

1398

00:52:01,190 --> 00:51:59,359

burrish and i want you to ask me

1399

00:52:03,030 --> 00:52:01,200

questions about the whole dan bursh

1400

00:52:04,069 --> 00:52:03,040

incident if you'd like i have no problem

1401
00:52:06,390 --> 00:52:04,079
with that

1402
00:52:08,230 --> 00:52:06,400
and i'm going to say that we're going to

1403
00:52:11,270 --> 00:52:08,240
spend the next hour

1404
00:52:13,190 --> 00:52:11,280
probably for the first the next half

1405
00:52:15,109 --> 00:52:13,200
hour we'll do questions and answers and

1406
00:52:17,190 --> 00:52:15,119
then i'm going to tell you guys a story

1407
00:52:18,790 --> 00:52:17,200
in the last half hour about some of the

1408
00:52:19,670 --> 00:52:18,800
crazy stuff that's happened to me in my

1409
00:52:21,670 --> 00:52:19,680
life

1410
00:52:23,270 --> 00:52:21,680
i think it's time to do that again i

1411
00:52:24,950 --> 00:52:23,280
haven't done it for a while i may go

1412
00:52:27,589 --> 00:52:24,960
into it earlier we'll see we'll see how

1413
00:52:30,710 --> 00:52:27,599

many questions we get from the chat room

1414

00:52:34,069 --> 00:52:30,720

okay so

1415

00:52:37,190 --> 00:52:34,079

in the meantime back to uh stan

1416

00:52:40,309 --> 00:52:37,200

before we close this hour out i

1417

00:52:43,349 --> 00:52:40,319

it's my opinion that stan romanek

1418

00:52:45,270 --> 00:52:43,359

is probably one of the most bravest guys

1419

00:52:49,430 --> 00:52:45,280

on this planet right now

1420

00:52:51,190 --> 00:52:49,440

um most of you haven't heard this part

1421

00:52:53,990 --> 00:52:51,200

of the story but

1422

00:52:55,030 --> 00:52:54,000

the it all started back in i think

1423

00:53:02,309 --> 00:52:55,040

february

1424

00:53:03,670 --> 00:53:02,319

he was arrested for trafficking child

1425

00:53:06,150 --> 00:53:03,680

pornography

1426
00:53:07,910 --> 00:53:06,160
and the story goes and i'm just going to

1427
00:53:09,750 --> 00:53:07,920
do it in generalization because i'm not

1428
00:53:12,630 --> 00:53:09,760
sure how much of this i can actually

1429
00:53:14,630 --> 00:53:12,640
say there's a lot of information out on

1430
00:53:16,470 --> 00:53:14,640
the web there's a lot of stories out

1431
00:53:18,150 --> 00:53:16,480
there there's a lot of

1432
00:53:19,750 --> 00:53:18,160
misconceptions about what really

1433
00:53:22,069 --> 00:53:19,760
happened but i can tell you this

1434
00:53:23,589 --> 00:53:22,079
i know for a fact that this is what

1435
00:53:24,870 --> 00:53:23,599
happened because i've heard it from all

1436
00:53:26,309 --> 00:53:24,880
the witnesses present

1437
00:53:28,069 --> 00:53:26,319
and i heard it from several of them

1438
00:53:30,470 --> 00:53:28,079

separately so it isn't like

1439

00:53:31,750 --> 00:53:30,480

i'm making this up this is what truly

1440

00:53:33,670 --> 00:53:31,760

happened

1441

00:53:35,510 --> 00:53:33,680

um stan and lisa are in the house and

1442

00:53:37,430 --> 00:53:35,520

they have friends there with them

1443

00:53:40,390 --> 00:53:37,440

that are their roommates at the time so

1444

00:53:43,829 --> 00:53:40,400

there's four people in the house

1445

00:53:46,790 --> 00:53:43,839

what happens is the homeland security

1446

00:53:48,630 --> 00:53:46,800

and the fbi now that i found that very

1447

00:53:49,990 --> 00:53:48,640

disturbing that homeland security would

1448

00:53:51,510 --> 00:53:50,000

have been involved in this in the first

1449

00:53:52,950 --> 00:53:51,520

place i still am trying to wrap my head

1450

00:53:54,950 --> 00:53:52,960

around that one

1451
00:53:57,109 --> 00:53:54,960
break you know basically come to the

1452
00:53:59,910 --> 00:53:57,119
door almost break it down

1453
00:54:00,870 --> 00:53:59,920
get in there and throw them not throw

1454
00:54:02,870 --> 00:54:00,880
them all but

1455
00:54:04,549 --> 00:54:02,880
forcibly sit them all on a couch in the

1456
00:54:06,309 --> 00:54:04,559
living room

1457
00:54:08,150 --> 00:54:06,319
and they won't let them get up talk or

1458
00:54:08,470 --> 00:54:08,160
move for two and a half hours while they

1459
00:54:10,950 --> 00:54:08,480
go

1460
00:54:12,390 --> 00:54:10,960
into the room where the computer is and

1461
00:54:14,549 --> 00:54:12,400
hang out in there for two and a half

1462
00:54:16,790 --> 00:54:14,559
almost two and a half hours

1463
00:54:18,230 --> 00:54:16,800

and that really disturbed me too because

1464

00:54:20,390 --> 00:54:18,240

what are they doing in there for two and

1465

00:54:22,069 --> 00:54:20,400

a half hours without them being present

1466

00:54:24,150 --> 00:54:22,079

their lawyer being present somebody

1467

00:54:25,910 --> 00:54:24,160

being present as to what they're putting

1468

00:54:28,390 --> 00:54:25,920

on the computer or taking off of the

1469

00:54:31,430 --> 00:54:28,400

computer that's what i want to know

1470

00:54:33,270 --> 00:54:31,440

then they take all the computers in the

1471

00:54:35,109 --> 00:54:33,280

house all the electronic devices and

1472

00:54:37,349 --> 00:54:35,119

they take everything with them as their

1473

00:54:40,069 --> 00:54:37,359

resting stand

1474

00:54:42,150 --> 00:54:40,079

i found that disturbing too because lisa

1475

00:54:42,870 --> 00:54:42,160

has to make a living and her computer's

1476

00:54:44,630 --> 00:54:42,880

gone and

1477

00:54:46,069 --> 00:54:44,640

and the people that are staying there

1478

00:54:47,510 --> 00:54:46,079

they're they have nothing to do with

1479

00:54:48,789 --> 00:54:47,520

stan and they have their own computer

1480

00:54:50,630 --> 00:54:48,799

and it's taken and

1481

00:54:51,990 --> 00:54:50,640

it's just ugly folks just really ugly

1482

00:54:54,390 --> 00:54:52,000

stuff happened

1483

00:54:57,430 --> 00:54:54,400

and so he's arrested and what bothered

1484

00:54:59,030 --> 00:54:57,440

me the most about the whole arrest

1485

00:55:00,630 --> 00:54:59,040

wasn't the fact that he was arrested it

1486

00:55:02,710 --> 00:55:00,640

wasn't the fact that they were trying to

1487

00:55:03,910 --> 00:55:02,720

say he did child pornography it wasn't

1488

00:55:05,990 --> 00:55:03,920

any of that

1489

00:55:07,190 --> 00:55:06,000

what bothered me was that in all of the

1490

00:55:09,510 --> 00:55:07,200

articles or

1491

00:55:11,109 --> 00:55:09,520

or a good portion of the articles which

1492

00:55:13,190 --> 00:55:11,119

i looked up online

1493

00:55:15,510 --> 00:55:13,200

they mentioned that he's a ufo

1494

00:55:16,069 --> 00:55:15,520

researcher and that he has said that he

1495

00:55:18,390 --> 00:55:16,079

has had

1496

00:55:20,470 --> 00:55:18,400

seen aliens in his house or that there

1497

00:55:21,349 --> 00:55:20,480

was a movie about aliens that he said he

1498

00:55:24,549 --> 00:55:21,359

saw

1499

00:55:26,470 --> 00:55:24,559

or you know just some catty remarks like

1500

00:55:28,630 --> 00:55:26,480

a whole paragraph full of them

1501
00:55:30,630 --> 00:55:28,640
about the fact that this guy is a ufo

1502
00:55:32,230 --> 00:55:30,640
person so right there they're painting

1503
00:55:34,789 --> 00:55:32,240
him as a nut job

1504
00:55:36,710 --> 00:55:34,799
okay folks it's nine o'clock my time

1505
00:55:37,750 --> 00:55:36,720
here on the west coast and i've got to

1506
00:55:39,670 --> 00:55:37,760
take a break

1507
00:55:41,190 --> 00:55:39,680
so we'll be right back after these

1508
00:55:43,109 --> 00:55:41,200
messages and i'll go on about my

1509
00:55:54,390 --> 00:55:43,119
opinions about the stan roman act case

1510
00:55:57,510 --> 00:55:56,789
you're locked into inception radio

1511
00:56:00,630 --> 00:55:57,520
network

1512
00:56:02,230 --> 00:56:00,640
superior wisconsin

1513
00:56:04,069 --> 00:56:02,240

don't have a computer here's your

1514

00:56:05,829 --> 00:56:04,079

internet connection down don't worry

1515

00:56:07,990 --> 00:56:05,839

use your trusty cell phone or landline

1516

00:56:10,789 --> 00:56:08,000

and call into our listen line at 401

1517

00:56:12,549 --> 00:56:10,799

283 6700 to listen to the inception

1518

00:56:17,430 --> 00:56:12,559

radio network 24 7.

1519

00:56:23,829 --> 00:56:17,440

again that call and number is 401 283

1520

00:56:28,069 --> 00:56:26,309

are you a fan of inception radio network

1521

00:56:30,150 --> 00:56:28,079

do you reckon it's the best alternative

1522

00:56:32,710 --> 00:56:30,160

torque radio station on the planet

1523

00:56:33,589 --> 00:56:32,720

well if you do head to facebook.com

1524

00:56:35,670 --> 00:56:33,599

forward slash

1525

00:56:36,710 --> 00:56:35,680

inception radio network and like the

1526

00:56:38,630 --> 00:56:36,720

page

1527

00:56:44,390 --> 00:56:38,640

tell your friends spread the word and

1528

00:56:46,630 --> 00:56:44,400

keep listening to the best hello

1529

00:56:48,150 --> 00:56:46,640

inception radio network listeners this

1530

00:56:50,230 --> 00:56:48,160

is amanda remember

1531

00:56:51,270 --> 00:56:50,240

you can take your inception radio shows

1532

00:56:52,870 --> 00:56:51,280

on the go

1533

00:56:54,950 --> 00:56:52,880

just download the inception radio

1534

00:56:57,990 --> 00:56:54,960

network app for your iphone

1535

00:57:00,470 --> 00:56:58,000

ipad or android smartphones and access

1536

00:57:01,270 --> 00:57:00,480

live shows past shows guest lineups and

1537

00:57:03,190 --> 00:57:01,280

much more

1538

00:57:04,950 --> 00:57:03,200

just visit the itunes store or the

1539

00:57:05,510 --> 00:57:04,960

google play marketplace and download it

1540

00:57:09,670 --> 00:57:05,520

today

1541

00:57:12,789 --> 00:57:10,870

you didn't forget what's coming up

1542

00:57:14,710 --> 00:57:12,799

tonight did you hi inception radio

1543

00:57:16,150 --> 00:57:14,720

network listeners this is amanda

1544

00:57:17,670 --> 00:57:16,160

never miss that interview you were

1545

00:57:18,710 --> 00:57:17,680

looking forward to or the show on your

1546

00:57:21,829 --> 00:57:18,720

favorite topic

1547

00:57:24,230 --> 00:57:21,839

follow irn on twitter i underscore

1548

00:57:25,990 --> 00:57:24,240

our underscore n and get reminders about

1549

00:57:27,829 --> 00:57:26,000

the evening's live shows as well as

1550

00:57:29,190 --> 00:57:27,839

fun and important updates throughout the

1551
00:57:31,750 --> 00:57:29,200
week that's i

1552
00:57:36,150 --> 00:57:31,760
underscore our underscore end and never

1553
00:57:41,670 --> 00:57:39,349
hello everyone lori and fenton here host

1554
00:57:44,710 --> 00:57:41,680
of the california mufon radio show

1555
00:57:45,589 --> 00:57:44,720
asking if you'd like special access to

1556
00:57:48,950 --> 00:57:45,599
exclusive

1557
00:57:51,270 --> 00:57:48,960
and amazing information about ufos

1558
00:57:52,710 --> 00:57:51,280
the paranormal and all things

1559
00:57:55,589 --> 00:57:52,720
unexplained

1560
00:57:57,190 --> 00:57:55,599
if you're nodding yes then join irn's

1561

insider club

1562
00:58:04,990 --> 00:58:01,280
all-access pass to premiere

1563
00:58:06,950 --> 00:58:05,000

inception radio network content for only

1564

00:58:10,069 --> 00:58:06,960

4.99 a month

1565

00:58:11,349 --> 00:58:10,079

this includes live ufo and paranormal

1566

00:58:14,710 --> 00:58:11,359

conferences

1567

00:58:17,510 --> 00:58:14,720

live streaming ufo sky watches exclusive

1568

00:58:18,309 --> 00:58:17,520

irn radio and tv productions and of

1569

00:58:21,349 --> 00:58:18,319

course

1570

00:58:24,349 --> 00:58:21,359

paying radio with mj and ken storch

1571

00:58:25,670 --> 00:58:24,359

so don't wait any longer visit

1572

00:58:29,030 --> 00:58:25,680

inceptionradionetwork.com

1573

00:58:30,230 --> 00:58:29,040

and click on member login to join irn's

1574

00:58:45,190 --> 00:58:30,240

insider club

1575

00:58:49,270 --> 00:58:47,190

welcome back everyone to the california

1576
00:58:49,990 --> 00:58:49,280
mufon radio show i'm your host florian

1577
00:58:51,670 --> 00:58:50,000
fenton i'm

1578
00:58:53,510 --> 00:58:51,680
really happy to have you guys all with

1579
00:58:55,990 --> 00:58:53,520
me here tonight

1580
00:58:56,950 --> 00:58:56,000
here with the the place with the most

1581
00:58:59,750 --> 00:58:56,960
amazing app

1582
00:59:00,069 --> 00:58:59,760
in the whole world what can i say irrn's

1583
00:59:02,870 --> 00:59:00,079
app

1584
00:59:03,670 --> 00:59:02,880
it's fabulous you guys really do need to

1585
00:59:06,150 --> 00:59:03,680
get one

1586
00:59:07,589 --> 00:59:06,160
so get on there get on the website i

1587
00:59:10,069 --> 00:59:07,599
think it's the google store

1588
00:59:11,750 --> 00:59:10,079

and at the app store for the iphones

1589

00:59:13,030 --> 00:59:11,760

wherever that may be because i don't

1590

00:59:14,870 --> 00:59:13,040

even know how to do that because i've

1591

00:59:17,670 --> 00:59:14,880

never owned an iphone so

1592

00:59:18,309 --> 00:59:17,680

but get to the um the app stores of your

1593

00:59:20,710 --> 00:59:18,319

choice

1594

00:59:21,670 --> 00:59:20,720

and download the irn app and then you'll

1595

00:59:23,589 --> 00:59:21,680

get to know when

1596

00:59:25,910 --> 00:59:23,599

everybody is going to be on and what

1597

00:59:27,589 --> 00:59:25,920

time they're on and what's happening

1598

00:59:30,710 --> 00:59:27,599

okay everyone well i'm going to get back

1599

00:59:33,510 --> 00:59:30,720

to the whole stan roman act story so

1600

00:59:34,470 --> 00:59:33,520

from and this is from what i know so and

1601
00:59:37,510 --> 00:59:34,480
this is

1602
00:59:39,750 --> 00:59:37,520
from it i wasn't there when it happened

1603
00:59:41,829 --> 00:59:39,760
i can't say for sure that it went down

1604
00:59:44,309 --> 00:59:41,839
exactly like i've been told

1605
00:59:46,069 --> 00:59:44,319
but i am friends with them i don't think

1606
00:59:49,109 --> 00:59:46,079
lisa would ever lie to me about

1607
00:59:50,630 --> 00:59:49,119
the situation and how it unfolded um

1608
00:59:52,470 --> 00:59:50,640
i mean i know she wouldn't let's just

1609
00:59:54,390 --> 00:59:52,480
but i don't think it i know she wouldn't

1610
00:59:57,430 --> 00:59:54,400
and i don't know the other people

1611
00:59:57,990 --> 00:59:57,440
there i just know them from having you

1612
00:59:59,510 --> 00:59:58,000
know

1613
01:00:02,390 --> 00:59:59,520

been on the phone with them for a minute

1614

01:00:03,910 --> 01:00:02,400

or two um so i can't i can't vouch for

1615

01:00:06,710 --> 01:00:03,920

them but i can vouch for stan

1616

01:00:08,150 --> 01:00:06,720

and lisa and so we're at the point now

1617

01:00:11,510 --> 01:00:08,160

where they're on the couch for

1618

01:00:13,589 --> 01:00:11,520

two and a half hours-ish stan's arrested

1619

01:00:15,589 --> 01:00:13,599

and then it gets hits the media

1620

01:00:16,870 --> 01:00:15,599

and the media makes him out to be a nut

1621

01:00:19,109 --> 01:00:16,880

job ufo guy

1622

01:00:20,390 --> 01:00:19,119

and they put the picture of him with his

1623

01:00:22,069 --> 01:00:20,400

hair all tousled

1624

01:00:24,230 --> 01:00:22,079

and everything making him look even

1625

01:00:26,069 --> 01:00:24,240

weirder and stranger than

1626
01:00:27,510 --> 01:00:26,079
you know fiction of course they want him

1627
01:00:29,270 --> 01:00:27,520
to look like he's crazy

1628
01:00:30,950 --> 01:00:29,280
so that's what they do folks that's

1629
01:00:32,950 --> 01:00:30,960
exactly what they do

1630
01:00:35,349 --> 01:00:32,960
they do everything they can to discredit

1631
01:00:38,150 --> 01:00:35,359
you from the minute this all starts

1632
01:00:38,950 --> 01:00:38,160
and then um all i can tell you about the

1633
01:00:41,990 --> 01:00:38,960
cases

1634
01:00:42,789 --> 01:00:42,000
is that it's still going on and this is

1635
01:00:45,990 --> 01:00:42,799
the part that

1636
01:00:48,470 --> 01:00:46,000
really makes me mad i start getting

1637
01:00:49,589 --> 01:00:48,480
smoke coming out of my ears is that i'm

1638
01:00:52,230 --> 01:00:49,599

sitting

1639

01:00:53,990 --> 01:00:52,240

at an international ufo congress and

1640

01:00:55,990 --> 01:00:54,000

people are picking up my flyer and

1641

01:00:58,150 --> 01:00:56,000

they're seeing stan romanex face on

1642

01:01:00,950 --> 01:00:58,160

it and then they're saying oh he's a

1643

01:01:02,069 --> 01:01:00,960

pedophile oh he's this oh he's that i'm

1644

01:01:03,750 --> 01:01:02,079

like you've got

1645

01:01:06,069 --> 01:01:03,760

i actually went up to four or five

1646

01:01:09,589 --> 01:01:06,079

people because i'm not shy

1647

01:01:11,109 --> 01:01:09,599

as many of you know and i said excuse me

1648

01:01:12,789 --> 01:01:11,119

do you know anything about what happened

1649

01:01:15,349 --> 01:01:12,799

to stan and they go no

1650

01:01:17,270 --> 01:01:15,359

and well yeah they said yeah i know and

1651
01:01:17,910 --> 01:01:17,280
i go no i don't think you really know

1652
01:01:20,390 --> 01:01:17,920
and then i'd

1653
01:01:21,430 --> 01:01:20,400
you know go off into my tirade for until

1654
01:01:23,349 --> 01:01:21,440
their eyes are

1655
01:01:24,950 --> 01:01:23,359
glazing over and their skin's turning

1656
01:01:25,349 --> 01:01:24,960
green and they just want to get out of

1657
01:01:27,349 --> 01:01:25,359
there

1658
01:01:29,190 --> 01:01:27,359
but basically i told them that you know

1659
01:01:31,750 --> 01:01:29,200
the truth as i know it and

1660
01:01:33,190 --> 01:01:31,760
as a ufo researcher in the community i

1661
01:01:35,990 --> 01:01:33,200
have been fooled before

1662
01:01:38,230 --> 01:01:36,000
folks but not to this extent it would

1663
01:01:39,270 --> 01:01:38,240

take a whole lot to get me to the point

1664

01:01:41,910 --> 01:01:39,280

where i could say

1665

01:01:43,990 --> 01:01:41,920

man i was really wrong about this case i

1666

01:01:44,870 --> 01:01:44,000

really absolutely believe in stan and

1667

01:01:46,950 --> 01:01:44,880

lisa

1668

01:01:47,910 --> 01:01:46,960

so anyhow back to international ufo

1669

01:01:49,750 --> 01:01:47,920

congress

1670

01:01:51,190 --> 01:01:49,760

people are brainwashed immediately by

1671

01:01:53,349 --> 01:01:51,200

what they see in the media and what

1672

01:01:55,190 --> 01:01:53,359

everybody gossips about it's never about

1673

01:01:57,430 --> 01:01:55,200

the truth it's always about what they

1674

01:01:59,589 --> 01:01:57,440

want you to think the truth is and i

1675

01:02:00,950 --> 01:01:59,599

think people need to realize that that's

1676

01:02:03,349 --> 01:02:00,960

what's going on here

1677

01:02:04,069 --> 01:02:03,359

it's another smoke and mirrors thing of

1678

01:02:07,670 --> 01:02:04,079

this guy

1679

01:02:09,589 --> 01:02:07,680

has some amazing stuff going on and

1680

01:02:11,750 --> 01:02:09,599

i don't know if any of you have rented

1681

01:02:14,710 --> 01:02:11,760

his movie yet but if you haven't

1682

01:02:15,670 --> 01:02:14,720

you need to because it will blow your

1683

01:02:19,910 --> 01:02:15,680

mind

1684

01:02:21,670 --> 01:02:19,920

times i paid 4.99

1685

01:02:24,710 --> 01:02:21,680

three times i could have just owned it

1686

01:02:25,589 --> 01:02:24,720

by now but no i kept paying 4.99 to rent

1687

01:02:31,990 --> 01:02:25,599

it

1688

01:02:34,870 --> 01:02:32,000

that alien in the window i believe

1689

01:02:36,470 --> 01:02:34,880

is absolutely real um now there's a

1690

01:02:37,829 --> 01:02:36,480

slight possibility it could have been

1691

01:02:40,309 --> 01:02:37,839

fake but i don't think so

1692

01:02:41,829 --> 01:02:40,319

i mean i really really don't there's

1693

01:02:43,829 --> 01:02:41,839

another alien

1694

01:02:45,270 --> 01:02:43,839

uh that i probably shouldn't tell you

1695

01:02:45,910 --> 01:02:45,280

guys about you need to watch it for

1696

01:02:47,670 --> 01:02:45,920

yourself

1697

01:02:49,670 --> 01:02:47,680

you need to decide if that's a real

1698

01:02:51,430 --> 01:02:49,680

alien or not i don't know

1699

01:02:53,349 --> 01:02:51,440

it's in the plate glass window on the

1700

01:02:55,349 --> 01:02:53,359

patio and you guys will know for what

1701

01:02:57,990 --> 01:02:55,359

i'm talking about when you get there

1702

01:02:59,829 --> 01:02:58,000

and it's up to you i have never seen a

1703

01:03:02,309 --> 01:02:59,839

gray alien i've never seen an

1704

01:03:02,870 --> 01:03:02,319

alien like this one on the patio so i

1705

01:03:06,549 --> 01:03:02,880

don't

1706

01:03:09,430 --> 01:03:06,559

know what i'm looking at um

1707

01:03:09,990 --> 01:03:09,440

it's just it's so hard to to figure it

1708

01:03:13,349 --> 01:03:10,000

out

1709

01:03:15,270 --> 01:03:13,359

whether they're real or not but i what

1710

01:03:16,870 --> 01:03:15,280

amazes me more than the fact that

1711

01:03:18,230 --> 01:03:16,880

they're real is that they even caught

1712

01:03:20,150 --> 01:03:18,240

them on camera

1713

01:03:21,990 --> 01:03:20,160

and then people go into this whole thing

1714

01:03:24,069 --> 01:03:22,000

if all it was you know

1715

01:03:25,750 --> 01:03:24,079

it was a special effects company that

1716

01:03:27,430 --> 01:03:25,760

made it for them and you know all this

1717

01:03:29,190 --> 01:03:27,440

stuff and you guys when you look at that

1718

01:03:30,789 --> 01:03:29,200

you can tell there's no special effects

1719

01:03:33,109 --> 01:03:30,799

these are just regular old black and

1720

01:03:34,710 --> 01:03:33,119

white security cameras

1721

01:03:37,109 --> 01:03:34,720

i just really don't think that there's

1722

01:03:38,950 --> 01:03:37,119

any special effects involved in this

1723

01:03:40,789 --> 01:03:38,960

but you know like i said i've been

1724

01:03:41,349 --> 01:03:40,799

fooled there's a one percent chance that

1725

01:03:44,710 --> 01:03:41,359

i'm being

1726

01:03:47,589 --> 01:03:44,720

a absolute ridiculous person here but

1727

01:03:49,589 --> 01:03:47,599

i think i'm right i just my gut feeling

1728

01:03:50,710 --> 01:03:49,599

says that these things are real and he's

1729

01:03:53,190 --> 01:03:50,720

right

1730

01:03:55,190 --> 01:03:53,200

and the part that really bothered me the

1731

01:03:58,710 --> 01:03:55,200

most about all this was before

1732

01:04:01,430 --> 01:03:58,720

stan got arrested he and i were talking

1733

01:04:02,870 --> 01:04:01,440

it was in it was uh november no it was

1734

01:04:06,230 --> 01:04:02,880

october

1735

01:04:09,349 --> 01:04:06,240

of 2013.

1736

01:04:12,549 --> 01:04:09,359

his movie was read scheduled to

1737

01:04:15,589 --> 01:04:12,559

uh premiere in florida and he was

1738

01:04:18,950 --> 01:04:15,599

scheduled to be at my ufo conference

1739

01:04:21,589 --> 01:04:18,960

in that year that was 13

1740

01:04:23,750 --> 01:04:21,599

and he couldn't do it because the people

1741

01:04:25,510 --> 01:04:23,760

now this is another thing that really is

1742

01:04:27,990 --> 01:04:25,520

intriguing now

1743

01:04:29,510 --> 01:04:28,000

the people that made the movie moved his

1744

01:04:31,270 --> 01:04:29,520

date of his premiere

1745

01:04:33,430 --> 01:04:31,280

to right around when he was supposed to

1746

01:04:35,349 --> 01:04:33,440

appear at ufo con

1747

01:04:37,589 --> 01:04:35,359

and it didn't even strike me until a few

1748

01:04:40,390 --> 01:04:37,599

weeks ago as to

1749

01:04:41,589 --> 01:04:40,400

why they may have done that they they

1750

01:04:44,549 --> 01:04:41,599

premiered his movie

1751

01:04:45,750 --> 01:04:44,559

at a at an obscure film festival in

1752

01:04:49,109 --> 01:04:45,760

florida

1753

01:04:51,109 --> 01:04:49,119

in front of about 30 people and they

1754

01:04:53,190 --> 01:04:51,119

could have premiered it at my conference

1755

01:04:54,710 --> 01:04:53,200

with over 200 people

1756

01:04:56,309 --> 01:04:54,720

and it would have been in the ufo

1757

01:04:58,390 --> 01:04:56,319

community and i think it would have

1758

01:04:59,029 --> 01:04:58,400

gotten a lot more publicity and i was

1759

01:05:01,270 --> 01:04:59,039

thinking

1760

01:05:02,870 --> 01:05:01,280

you know later i thought well what was

1761

01:05:04,630 --> 01:05:02,880

that all about but

1762

01:05:06,870 --> 01:05:04,640

i didn't say anything at the time stan

1763

01:05:08,950 --> 01:05:06,880

and lisa had to bow out and

1764

01:05:10,789 --> 01:05:08,960

they said we'll do it next year and that

1765

01:05:11,750 --> 01:05:10,799

was where we left it and i was fine with

1766

01:05:13,670 --> 01:05:11,760

that because

1767

01:05:15,670 --> 01:05:13,680

i had plenty of people for that year and

1768

01:05:18,390 --> 01:05:15,680

everything was good

1769

01:05:19,910 --> 01:05:18,400

so looking back on it now i'm starting

1770

01:05:22,870 --> 01:05:19,920

to wonder if that wasn't

1771

01:05:24,069 --> 01:05:22,880

uh planted or a setup or something going

1772

01:05:26,950 --> 01:05:24,079

on there so

1773

01:05:28,950 --> 01:05:26,960

anyhow so okay where am i in the story

1774

01:05:30,390 --> 01:05:28,960

gosh i'm getting so excited about

1775

01:05:32,150 --> 01:05:30,400

putting all these pieces together and

1776

01:05:35,510 --> 01:05:32,160

forgetting where i'm at so

1777

01:05:38,549 --> 01:05:35,520

this is uh back in 2013

1778

01:05:40,470 --> 01:05:38,559

they can't be at my conference um

1779

01:05:42,549 --> 01:05:40,480

everything's fine

1780

01:05:43,589 --> 01:05:42,559

and i'm trying to think what my point

1781

01:05:47,670 --> 01:05:43,599

was to this

1782

01:05:50,950 --> 01:05:47,680

oh shoot i forgot well anyhow so

1783

01:05:53,589 --> 01:05:50,960

then february of 2013 it

1784

01:05:55,029 --> 01:05:53,599

so it must yeah it was february of 13 so

1785

01:05:58,710 --> 01:05:55,039

that must have been 12.

1786

01:06:01,029 --> 01:05:58,720

so anyhow bottom line it's february 13

1787

01:06:02,950 --> 01:06:01,039

and then stan gets arrested and i call

1788

01:06:03,270 --> 01:06:02,960

him and i get all the scoop about that

1789

01:06:06,309 --> 01:06:03,280

oh

1790

01:06:08,309 --> 01:06:06,319

i know what it was i remember now he's

1791

01:06:10,789 --> 01:06:08,319

going off to do the premiere of the

1792

01:06:12,789 --> 01:06:10,799

movie and he says to me lorian

1793

01:06:14,710 --> 01:06:12,799

i got a phone call and i think he's told

1794

01:06:15,910 --> 01:06:14,720

this in public oh please stand forgive

1795

01:06:17,990 --> 01:06:15,920

me if i'm saying something i'm not

1796

01:06:21,670 --> 01:06:18,000

supposed to say please please

1797

01:06:23,349 --> 01:06:21,680

um he said i was told i got a phone call

1798

01:06:25,430 --> 01:06:23,359

and i was told the film would never see

1799

01:06:27,109 --> 01:06:25,440

the light of day

1800

01:06:29,029 --> 01:06:27,119

and i think he said this in public and

1801

01:06:31,190 --> 01:06:29,039

please forgive me stan if i if i'm

1802

01:06:33,270 --> 01:06:31,200

spilling the beans here but

1803

01:06:35,349 --> 01:06:33,280

i thought that was very telling when he

1804

01:06:37,190 --> 01:06:35,359

told me that in october

1805

01:06:38,630 --> 01:06:37,200

you know right before the movie was

1806

01:06:40,470 --> 01:06:38,640

supposed to premiere

1807

01:06:41,750 --> 01:06:40,480

and i thought well that's odd why would

1808

01:06:44,309 --> 01:06:41,760

they tell him that

1809

01:06:46,470 --> 01:06:44,319

and you know it's just strange and the

1810

01:06:49,190 --> 01:06:46,480

movie is premiering it's premiering in

1811

01:06:51,270 --> 01:06:49,200

in florida in november but it never went

1812

01:06:52,230 --> 01:06:51,280

anywhere after that it was like at that

1813

01:06:54,549 --> 01:06:52,240

movie

1814

01:06:55,349 --> 01:06:54,559

house it won a few awards and then it

1815

01:06:57,510 --> 01:06:55,359

was gone

1816

01:06:58,950 --> 01:06:57,520

and no one ever saw it again i mean it's

1817

01:07:01,190 --> 01:06:58,960

just gone it's like

1818

01:07:02,950 --> 01:07:01,200

nobody knows about it even in the ufo

1819

01:07:05,349 --> 01:07:02,960

community they don't know about it

1820

01:07:07,109 --> 01:07:05,359

and that really it bothers me just you

1821

01:07:09,190 --> 01:07:07,119

know it's just like it was squelched and

1822

01:07:11,349 --> 01:07:09,200

i have no idea how people are squelching

1823

01:07:13,430 --> 01:07:11,359

it so badly so easily

1824

01:07:15,430 --> 01:07:13,440

you know you'd think it would be the top

1825

01:07:18,150 --> 01:07:15,440

banner at any ufo

1826

01:07:20,069 --> 01:07:18,160

conference in the in the world you know

1827

01:07:22,230 --> 01:07:20,079

stan romanek in a movie where you can

1828

01:07:22,710 --> 01:07:22,240

actually see aliens you know and you can

1829

01:07:26,549 --> 01:07:22,720

see

1830

01:07:28,150 --> 01:07:26,559

strangeness going on you think it'd be

1831

01:07:31,510 --> 01:07:28,160

the top movie on

1832

01:07:33,270 --> 01:07:31,520

everybody's lips but no not not a peep

1833

01:07:35,190 --> 01:07:33,280

about it anywhere so that kind of

1834

01:07:37,349 --> 01:07:35,200

bothered me for that whole year after

1835

01:07:38,549 --> 01:07:37,359

the movie premiered i was thinking gosh

1836

01:07:40,470 --> 01:07:38,559

does anybody know about it you know and

1837

01:07:41,349 --> 01:07:40,480

i went i paid my money for it and saw it

1838

01:07:44,230 --> 01:07:41,359

right away

1839

01:07:45,829 --> 01:07:44,240

it's very excited for them and then

1840

01:07:47,670 --> 01:07:45,839

february comes around and he gets

1841

01:07:50,870 --> 01:07:47,680

arrested

1842

01:07:52,870 --> 01:07:50,880

and boy i tell you it was

1843

01:07:54,390 --> 01:07:52,880

it was the talk of international ufo

1844

01:07:55,430 --> 01:07:54,400

congress while was happening i didn't

1845

01:07:57,910 --> 01:07:55,440

hear about it till

1846

01:07:59,430 --> 01:07:57,920

just the day i was leaving so i i didn't

1847

01:08:01,029 --> 01:07:59,440

pay much attention to

1848

01:08:02,870 --> 01:08:01,039

what was happening and what was being

1849

01:08:06,069 --> 01:08:02,880

said but when i got a hold of stan

1850

01:08:08,069 --> 01:08:06,079

later a few months later uh

1851

01:08:10,390 --> 01:08:08,079

he basically said yeah it's been

1852

01:08:12,069 --> 01:08:10,400

horrific you told me some details he

1853

01:08:13,510 --> 01:08:12,079

i can tell you guys about sitting on the

1854

01:08:16,950 --> 01:08:13,520

couch for two and a half hours

1855

01:08:19,510 --> 01:08:16,960

um that's pretty much well known i think

1856

01:08:20,870 --> 01:08:19,520

um they've just had a rough time with

1857

01:08:23,269 --> 01:08:20,880

this whole thing and it

1858

01:08:25,269 --> 01:08:23,279

and the problem is folks that he's

1859

01:08:27,349 --> 01:08:25,279

already convicted pretty much

1860

01:08:29,349 --> 01:08:27,359

by the the poor guy who's being their

1861

01:08:29,990 --> 01:08:29,359

public defender you know he's trying to

1862

01:08:32,070 --> 01:08:30,000

get him

1863

01:08:33,990 --> 01:08:32,080

obviously i don't know this for a fact i

1864

01:08:35,430 --> 01:08:34,000

haven't asked him because i'm trying not

1865

01:08:37,990 --> 01:08:35,440

to stay

1866

01:08:39,590 --> 01:08:38,000

on you know i try not to talk about that

1867

01:08:41,430 --> 01:08:39,600

when i call stan i talk about

1868

01:08:43,189 --> 01:08:41,440

everything but the court case because i

1869

01:08:44,950 --> 01:08:43,199

don't want to know and i don't think

1870

01:08:46,950 --> 01:08:44,960

they want me to know because i have a

1871

01:08:48,630 --> 01:08:46,960

big mouth on my radio show

1872

01:08:50,550 --> 01:08:48,640

so i don't blame them for not telling me

1873

01:08:52,630 --> 01:08:50,560

anything and i've told them not to tell

1874

01:08:54,070 --> 01:08:52,640

me anything up for that exact reason

1875

01:08:55,910 --> 01:08:54,080

because i just don't want to get up here

1876

01:08:56,789 --> 01:08:55,920

and and say something i'm not supposed

1877

01:09:00,709 --> 01:08:56,799

to

1878

01:09:01,990 --> 01:09:00,719

but yeah i mean it's just it's so crazy

1879

01:09:05,510 --> 01:09:02,000

what's happening to them

1880

01:09:06,070 --> 01:09:05,520

and in the movie this is the part that i

1881

01:09:11,590 --> 01:09:06,080

think

1882

01:09:15,110 --> 01:09:11,600

got to see this movie because

1883

01:09:16,070 --> 01:09:15,120

as i was watching it the very first time

1884

01:09:20,309 --> 01:09:16,080

i watched it

1885

01:09:22,870 --> 01:09:20,319

i realized that it isn't probably

1886

01:09:23,749 --> 01:09:22,880

the aliens that's the problem with this

1887

01:09:26,630 --> 01:09:23,759

movie

1888

01:09:26,950 --> 01:09:26,640

i think it goes much deeper than that i

1889

01:09:30,149 --> 01:09:26,960

think

1890

01:09:32,550 --> 01:09:30,159

stan caught those dark shadow beans

1891

01:09:34,550 --> 01:09:32,560

on his camera and there's quite a few of

1892

01:09:35,030 --> 01:09:34,560

them if there's three or four instances

1893

01:09:38,950 --> 01:09:35,040

where they

1894

01:09:42,550 --> 01:09:38,960

show that going on in the movie

1895

01:09:44,470 --> 01:09:42,560

and i i really think

1896

01:09:45,990 --> 01:09:44,480

that that is the reason the movie is

1897

01:09:47,189 --> 01:09:46,000

never going to see the light of day

1898

01:09:50,870 --> 01:09:47,199

quote unquote

1899

01:09:53,269 --> 01:09:50,880

and i believe that those shadow beings

1900

01:09:56,070 --> 01:09:53,279

are not what people want to think they

1901

01:09:58,149 --> 01:09:56,080

are i think and this is just my opinion

1902

01:09:59,510 --> 01:09:58,159

this has nothing to do with stan or lisa

1903

01:10:02,390 --> 01:09:59,520

or anybody else this is

1904

01:10:05,030 --> 01:10:02,400

lorien's opinion and i've never even

1905

01:10:07,430 --> 01:10:05,040

talked to stan about this

1906

01:10:09,669 --> 01:10:07,440

i believe that those dark shadow beans

1907

01:10:11,430 --> 01:10:09,679

that are running through stan's house

1908

01:10:13,590 --> 01:10:11,440

and going through walls and whatever

1909

01:10:15,270 --> 01:10:13,600

they're doing i believe they're part of

1910

01:10:19,350 --> 01:10:15,280

the mind control projects

1911

01:10:22,870 --> 01:10:19,360

i believe they are assassins and killers

1912

01:10:25,350 --> 01:10:22,880

in an astral dimension sent

1913

01:10:27,350 --> 01:10:25,360

through these mind control projects and

1914

01:10:30,790 --> 01:10:27,360

i believe that they're keeping tabs

1915

01:10:32,390 --> 01:10:30,800

on him in that way and that's how they

1916

01:10:35,030 --> 01:10:32,400

monitor him

1917

01:10:36,390 --> 01:10:35,040

and i think stan has been just lucky

1918

01:10:38,550 --> 01:10:36,400

enough to capture them

1919

01:10:40,950 --> 01:10:38,560

on film and i think the government the

1920

01:10:43,430 --> 01:10:40,960

black ops military

1921

01:10:45,669 --> 01:10:43,440

alien agenda government that are down on

1922

01:10:47,830 --> 01:10:45,679

those underground bases somewhere

1923

01:10:49,910 --> 01:10:47,840

are just freaking out that he was able

1924

01:10:53,750 --> 01:10:49,920

to actually capture those

1925

01:10:55,510 --> 01:10:53,760

so um that's my opinion folks i've heard

1926

01:10:57,990 --> 01:10:55,520

a lot of things over the years

1927

01:10:59,189 --> 01:10:58,000

the men who stare at goats isn't as

1928

01:11:02,229 --> 01:10:59,199

crazy as it might

1929

01:11:05,270 --> 01:11:02,239

seem to be those people that

1930

01:11:05,990 --> 01:11:05,280

were supposedly doing major remote

1931

01:11:08,390 --> 01:11:06,000

viewing

1932

01:11:09,110 --> 01:11:08,400

and were supposed to be trying to kill

1933

01:11:11,669 --> 01:11:09,120

people

1934

01:11:12,149 --> 01:11:11,679

on in this dimension with their mind

1935

01:11:15,270 --> 01:11:12,159

well

1936

01:11:16,630 --> 01:11:15,280

i have it under good authority they did

1937

01:11:19,270 --> 01:11:16,640

accomplish that but they don't

1938

01:11:20,950 --> 01:11:19,280

accomplish it in 3d reality they do it

1939

01:11:23,910 --> 01:11:20,960

in another dimension

1940

01:11:26,470 --> 01:11:23,920

space whether it be a dream space or out

1941

01:11:26,950 --> 01:11:26,480

of their body space or another dimension

1942

01:11:29,430 --> 01:11:26,960

space

1943

01:11:31,430 --> 01:11:29,440

i don't know but i think that's what the

1944

01:11:33,590 --> 01:11:31,440

dark shadow people are

1945

01:11:34,550 --> 01:11:33,600

and i you know and and they could be

1946

01:11:37,830 --> 01:11:34,560

ghosts too

1947

01:11:40,229 --> 01:11:37,840

so that's just my feeling on it but

1948

01:11:41,830 --> 01:11:40,239

that's my opinion and you know i may be

1949

01:11:42,310 --> 01:11:41,840

spilling the beans right now and there

1950

01:11:44,149 --> 01:11:42,320

may be

1951

01:11:45,350 --> 01:11:44,159

dark shadow people in my house tonight i

1952

01:11:47,350 --> 01:11:45,360

don't know but

1953

01:11:48,950 --> 01:11:47,360

that's kind of what i think is going on

1954

01:11:50,790 --> 01:11:48,960

so i just thought i'd share that with

1955

01:11:53,750 --> 01:11:50,800

you guys

1956

01:11:55,510 --> 01:11:53,760

so anyhow back to stan and lisa i think

1957

01:11:56,790 --> 01:11:55,520

that's why they're being attacked and i

1958

01:11:58,950 --> 01:11:56,800

haven't even told them yet

1959

01:12:00,470 --> 01:11:58,960

and i i'm going to save that for another

1960

01:12:02,470 --> 01:12:00,480

day another time

1961

01:12:03,910 --> 01:12:02,480

and my opinion about the whole thing is

1962

01:12:07,030 --> 01:12:03,920

just simply that

1963

01:12:10,229 --> 01:12:07,040

so there we go okay

1964

01:12:11,910 --> 01:12:10,239

up until the next uh 15 10 15

1965

01:12:13,350 --> 01:12:11,920

20 minutes i'm going to take questions

1966

01:12:17,030 --> 01:12:13,360

from you guys

1967

01:12:20,070 --> 01:12:17,040

so let's see what we got here for me

1968

01:12:22,149 --> 01:12:20,080

it says lorian concerning this the

1969

01:12:23,830 --> 01:12:22,159

circulating picture of one of stan's

1970

01:12:26,870 --> 01:12:23,840

hybrid children

1971

01:12:29,430 --> 01:12:26,880

showing up at the end of his lectures

1972

01:12:30,630 --> 01:12:29,440

what more do we know about the hybrid ie

1973

01:12:34,310 --> 01:12:30,640

interaction with

1974

01:12:36,950 --> 01:12:34,320

other with other attendees

1975

01:12:38,470 --> 01:12:36,960

oh you know that's a darn good question

1976

01:12:42,310 --> 01:12:38,480

because i was actually

1977

01:12:44,310 --> 01:12:42,320

there at one at that event i'm pretty

1978

01:12:47,430 --> 01:12:44,320

sure that was an international ufo

1979

01:12:50,550 --> 01:12:47,440

congress 2013

1980

01:12:51,270 --> 01:12:50,560

and stan was asked to fill in for

1981

01:12:54,709 --> 01:12:51,280

somebody

1982

01:12:57,750 --> 01:12:54,719

and one of those kids showed up

1983

01:12:58,630 --> 01:12:57,760

and i don't know if there was any

1984

01:13:00,390 --> 01:12:58,640

interaction

1985

01:13:02,550 --> 01:13:00,400

and i'll tell you something else i don't

1986

01:13:04,310 --> 01:13:02,560

know about that i'm wondering about

1987

01:13:06,950 --> 01:13:04,320

about that picture

1988

01:13:07,750 --> 01:13:06,960

one of the reasons i think that picture

1989

01:13:12,390 --> 01:13:07,760

was

1990

01:13:15,030 --> 01:13:12,400

actually see this person for what she

1991

01:13:16,470 --> 01:13:15,040

is because if i remember correctly and

1992

01:13:18,149 --> 01:13:16,480

you guys are going to have to correct me

1993

01:13:19,830 --> 01:13:18,159

on this in the chat room

1994

01:13:22,149 --> 01:13:19,840

wasn't that the picture where she looks

1995

01:13:24,470 --> 01:13:22,159

kind of odd in her eyebrows or

1996

01:13:25,990 --> 01:13:24,480

her eye ridges her eyebrow ridges are

1997

01:13:29,030 --> 01:13:26,000

bigger and her

1998

01:13:30,950 --> 01:13:29,040

her ears kind of pointy and long and i

1999

01:13:32,630 --> 01:13:30,960

she just didn't look right she looked

2000

01:13:35,669 --> 01:13:32,640

like an alien

2001

01:13:36,630 --> 01:13:35,679

type of human if that is a picture i'm

2002

01:13:39,110 --> 01:13:36,640

thinking of

2003

01:13:40,310 --> 01:13:39,120

i don't think that she looked like that

2004

01:13:43,590 --> 01:13:40,320

to anybody else

2005

01:13:45,510 --> 01:13:43,600

in the room i think that that is one of

2006

01:13:45,990 --> 01:13:45,520

those pictures that was taken of her

2007

01:13:48,630 --> 01:13:46,000

real

2008

01:13:50,550 --> 01:13:48,640

form through digital media and she

2009

01:13:52,390 --> 01:13:50,560

probably just looked like a normal girl

2010

01:13:55,669 --> 01:13:52,400

but to stan

2011

01:13:57,430 --> 01:13:55,679

she probably looked like that i mean

2012

01:14:00,149 --> 01:13:57,440

come on folks you got to think about

2013

01:14:03,189 --> 01:14:00,159

this they can make us think that we're

2014

01:14:04,630 --> 01:14:03,199

we're having sex with fabio if we wanted

2015

01:14:08,709 --> 01:14:04,640

to

2016

01:14:10,550 --> 01:14:08,719

i mean mind control with an alien agenda

2017

01:14:13,590 --> 01:14:10,560

behind it or an alien agenda

2018

01:14:14,310 --> 01:14:13,600

using mind control folks they can make

2019

01:14:16,390 --> 01:14:14,320

anybody

2020

01:14:18,149 --> 01:14:16,400

see anything do anything they can block

2021

01:14:20,709 --> 01:14:18,159

your memory they can make you think it's

2022

01:14:23,510 --> 01:14:20,719

a chimpanzee sitting in the front row

2023

01:14:24,790 --> 01:14:23,520

but in this case i actually believe that

2024

01:14:28,229 --> 01:14:24,800

they allowed stan

2025

01:14:30,470 --> 01:14:28,239

to see the real form and i believe lisa

2026

01:14:31,750 --> 01:14:30,480

was taking pictures and she was able to

2027

01:14:35,110 --> 01:14:31,760

take a picture of it

2028

01:14:37,110 --> 01:14:35,120

i think it allowed that and i believe

2029

01:14:39,350 --> 01:14:37,120

that the rest of the people in the room

2030

01:14:40,709 --> 01:14:39,360

believe me your room full of ufo

2031

01:14:42,630 --> 01:14:40,719

enthusiasts and they're not going to

2032

01:14:43,590 --> 01:14:42,640

notice that somebody looks like an alien

2033

01:14:45,750 --> 01:14:43,600

come on

2034

01:14:47,510 --> 01:14:45,760

or if they did they'd at least walk up

2035

01:14:48,229 --> 01:14:47,520

and say that's a great costume where did

2036

01:14:50,950 --> 01:14:48,239

you get it

2037

01:14:52,470 --> 01:14:50,960

i mean it wouldn't be like she could

2038

01:14:54,709 --> 01:14:52,480

just be sitting there looking

2039

01:14:56,149 --> 01:14:54,719

bizarre and nobody would say anything at

2040

01:14:59,110 --> 01:14:56,159

least i would

2041

01:15:00,950 --> 01:14:59,120

um and i know about 50 or 60 people

2042

01:15:02,310 --> 01:15:00,960

intimately that go to that conference

2043

01:15:03,590 --> 01:15:02,320

and i can tell you right now if they'd

2044

01:15:05,030 --> 01:15:03,600

seen her they would have all been

2045

01:15:07,669 --> 01:15:05,040

running up to her to

2046

01:15:08,390 --> 01:15:07,679

to talk to her they are not shy people

2047

01:15:10,709 --> 01:15:08,400

unlike

2048

01:15:12,229 --> 01:15:10,719

just like myself you know there's very

2049

01:15:14,310 --> 01:15:12,239

few people at these conferences that

2050

01:15:18,390 --> 01:15:14,320

won't approach somebody who looks odd

2051

01:15:20,070 --> 01:15:18,400

yeah i mean really so um i think

2052

01:15:22,229 --> 01:15:20,080

that's my opinion of what happened i

2053

01:15:23,030 --> 01:15:22,239

haven't talked to stan or lisa about it

2054

01:15:25,750 --> 01:15:23,040

yet at all

2055

01:15:26,709 --> 01:15:25,760

either and i think a lot of the things

2056

01:15:30,229 --> 01:15:26,719

that they've seen

2057

01:15:31,189 --> 01:15:30,239

only they can see or other contactees

2058

01:15:34,630 --> 01:15:31,199

that are with them

2059

01:15:36,390 --> 01:15:34,640

can see i really doubt that if you and i

2060

01:15:38,229 --> 01:15:36,400

were sitting in the audience and even

2061

01:15:39,830 --> 01:15:38,239

sitting maybe right next to her

2062

01:15:41,590 --> 01:15:39,840

would we have been able to see that

2063

01:15:43,430 --> 01:15:41,600

unless maybe out of the corner where i

2064

01:15:46,310 --> 01:15:43,440

were catching something you know

2065

01:15:47,669 --> 01:15:46,320

i mean i actually saw one of my super

2066

01:15:49,990 --> 01:15:47,679

soldier buddies

2067

01:15:51,270 --> 01:15:50,000

start to transform into a reptilian

2068

01:15:53,270 --> 01:15:51,280

right before my eyes

2069

01:15:54,390 --> 01:15:53,280

for a fraction of a second at one point

2070

01:15:55,830 --> 01:15:54,400

and i thought i was

2071

01:15:57,750 --> 01:15:55,840

seeing things i thought i was making

2072

01:15:59,110 --> 01:15:57,760

myself see and i realized later i

2073

01:16:01,669 --> 01:15:59,120

thought man maybe i'm actually seeing

2074

01:16:05,350 --> 01:16:01,679

the truth for once who knows

2075

01:16:06,070 --> 01:16:05,360

so i don't know i just don't know

2076

01:16:08,790 --> 01:16:06,080

anymore

2077

01:16:10,870 --> 01:16:08,800

it's a very bizarre world out there so

2078

01:16:13,030 --> 01:16:10,880

that's my answer to that question

2079

01:16:14,870 --> 01:16:13,040

and uh as far as interacting with the

2080

01:16:16,790 --> 01:16:14,880

other attendees well like i said there's

2081

01:16:17,990 --> 01:16:16,800

a gazillion of those people out there

2082

01:16:21,030 --> 01:16:18,000

that would have

2083

01:16:24,950 --> 01:16:21,040

would have been there for that let's see

2084

01:16:27,030 --> 01:16:24,960

um let's see what's going on

2085

01:16:28,790 --> 01:16:27,040

okay i'm gonna go back to the chat room

2086

01:16:32,830 --> 01:16:28,800

right now and see if anybody's got any

2087

01:16:36,790 --> 01:16:32,840

comments or questions

2088

01:16:38,709 --> 01:16:36,800

uh let's see and everybody boy i sure

2089

01:16:42,149 --> 01:16:38,719

stirred up a hornet's nest in here i can

2090

01:16:46,070 --> 01:16:44,310

uh let's see red show said stan romanek

2091

01:16:46,470 --> 01:16:46,080

had a very similar story to tell about

2092

01:16:49,270 --> 01:16:46,480

the j

2093

01:16:50,390 --> 01:16:49,280

rods as time travelers which kind of

2094

01:16:52,550 --> 01:16:50,400

follows the br

2095

01:16:54,310 --> 01:16:52,560

what burst said only claims to have been

2096

01:16:55,990 --> 01:16:54,320

unaware of this at the time of writing

2097

01:16:58,790 --> 01:16:56,000

his book and yeah you know that's

2098

01:17:00,870 --> 01:16:58,800

interesting redshift because

2099

01:17:02,709 --> 01:17:00,880

stan and i have actually had a couple of

2100

01:17:06,070 --> 01:17:02,719

talks about time travel

2101

01:17:09,189 --> 01:17:06,080

and time travel you know

2102

01:17:11,030 --> 01:17:09,199

the the older i get and the the and i

2103

01:17:13,030 --> 01:17:11,040

say the stupider i get because i'm not

2104

01:17:13,910 --> 01:17:13,040

getting that much wiser i gotta say

2105

01:17:16,470 --> 01:17:13,920

folks

2106

01:17:18,550 --> 01:17:16,480

i'm forgetting more than i knew you know

2107

01:17:18,950 --> 01:17:18,560

15 years ago it's all going out of my

2108

01:17:22,390 --> 01:17:18,960

head

2109

01:17:25,430 --> 01:17:22,400

but what i would say about that is

2110

01:17:27,510 --> 01:17:25,440

i have really had some really bizarre

2111

01:17:29,590 --> 01:17:27,520

experiences happen to me in my life

2112

01:17:31,270 --> 01:17:29,600

and one of the ones that you guys all

2113

01:17:32,630 --> 01:17:31,280

know about that i've told you is the

2114

01:17:35,030 --> 01:17:32,640

rabbit story

2115

01:17:37,189 --> 01:17:35,040

about how i came home as a child wanting

2116

01:17:39,590 --> 01:17:37,199

a rabbit there's a rabbit there

2117

01:17:40,709 --> 01:17:39,600

and i used to think oh an angel put it

2118

01:17:45,350 --> 01:17:40,719

there or

2119

01:17:47,830 --> 01:17:45,360

it and the

2120

01:17:49,510 --> 01:17:47,840

the god put it there whatever the god is

2121

01:17:51,430 --> 01:17:49,520

out there you know for years and years

2122

01:17:53,110 --> 01:17:51,440

and years i always thought this

2123

01:17:55,910 --> 01:17:53,120

you know that my angel i always thought

2124

01:17:58,229 --> 01:17:55,920

it was my angels looking out for me

2125

01:17:59,590 --> 01:17:58,239

up until about six months ago and then

2126

01:18:03,430 --> 01:17:59,600

six months ago

2127

01:18:05,030 --> 01:18:03,440

i was sitting here going time travel is

2128

01:18:08,390 --> 01:18:05,040

such an amazing thing

2129

01:18:09,830 --> 01:18:08,400

and i wonder if and i you guys are gonna

2130

01:18:10,709 --> 01:18:09,840

love this i'm gonna tell you something

2131

01:18:13,510 --> 01:18:10,719

that happened to me

2132

01:18:15,510 --> 01:18:13,520

i'm gonna start a story for you uh when

2133

01:18:18,790 --> 01:18:15,520

i was about 23 years old

2134

01:18:20,390 --> 01:18:18,800

i had a a psychic reading by somebody

2135

01:18:22,790 --> 01:18:20,400

and she said to me and this

2136

01:18:24,790 --> 01:18:22,800

i thought she was cracked but she said

2137

01:18:26,550 --> 01:18:24,800

some amazing things and guess what

2138

01:18:28,310 --> 01:18:26,560

they've all come true

2139

01:18:30,229 --> 01:18:28,320

that's what scares me about this

2140

01:18:32,229 --> 01:18:30,239

prediction and i will tell it to you

2141

01:18:33,750 --> 01:18:32,239

she said besides the fact that i would

2142

01:18:34,470 --> 01:18:33,760

be talking in front of hundreds of

2143

01:18:36,950 --> 01:18:34,480

people

2144

01:18:38,390 --> 01:18:36,960

and i would be or actually she said

2145

01:18:40,149 --> 01:18:38,400

thousands of people

2146

01:18:41,669 --> 01:18:40,159

and now at conferences i'm speaking in

2147

01:18:42,870 --> 01:18:41,679

front of hundreds and i'm talking to

2148

01:18:45,110 --> 01:18:42,880

thousands on the radio

2149

01:18:46,870 --> 01:18:45,120

and all this and i here i am a lady who

2150

01:18:48,229 --> 01:18:46,880

had a speech impediment and can barely

2151

01:18:49,990 --> 01:18:48,239

talk as it is

2152

01:18:51,669 --> 01:18:50,000

and i'm like are you kidding me i looked

2153

01:18:53,669 --> 01:18:51,679

at her like she was absolutely

2154

01:18:55,990 --> 01:18:53,679

out of her mind at the time i was a

2155

01:18:58,709 --> 01:18:56,000

professional dancer back then

2156

01:18:59,750 --> 01:18:58,719

uh we didn't speak on stage thank god

2157

01:19:02,630 --> 01:18:59,760

for that

2158

01:19:04,070 --> 01:19:02,640

and i just said you know what i i really

2159

01:19:05,750 --> 01:19:04,080

thought she was cracked you guys i

2160

01:19:07,590 --> 01:19:05,760

really did but everything

2161

01:19:09,990 --> 01:19:07,600

this woman has ever said to me and i

2162

01:19:13,110 --> 01:19:10,000

wrote it all down i've kept it i'm i'm

2163

01:19:15,189 --> 01:19:13,120

57 i did this when i was 23 i still have

2164

01:19:16,950 --> 01:19:15,199

it i know exactly what she said

2165

01:19:18,870 --> 01:19:16,960

and it's all coming true and she said

2166

01:19:20,709 --> 01:19:18,880

the weirdest thing to me

2167

01:19:22,229 --> 01:19:20,719

she said lorien you're going to be one

2168

01:19:24,310 --> 01:19:22,239

of the few people

2169

01:19:25,590 --> 01:19:24,320

in our lifetime that is going to be able

2170

01:19:27,990 --> 01:19:25,600

to time travel

2171

01:19:28,950 --> 01:19:28,000

and i said what i mean i literally

2172

01:19:30,870 --> 01:19:28,960

looked at her i said

2173

01:19:32,790 --> 01:19:30,880

oh okay you know i was really i was

2174

01:19:35,350 --> 01:19:32,800

ready to laugh at this woman

2175

01:19:37,350 --> 01:19:35,360

she goes no i'm serious she says you are

2176

01:19:39,990 --> 01:19:37,360

going to be able to transcend

2177

01:19:42,390 --> 01:19:40,000

time as we as we know it you'll be a

2178

01:19:44,390 --> 01:19:42,400

time traveler and i said you're nuts

2179

01:19:45,669 --> 01:19:44,400

i really did i said you're kind of nuts

2180

01:19:48,390 --> 01:19:45,679

i just i was like

2181

01:19:50,470 --> 01:19:48,400

what this girl's nuts but the more i

2182

01:19:52,470 --> 01:19:50,480

thought about it i thought

2183

01:19:53,990 --> 01:19:52,480

this is really strange about six months

2184

01:19:56,870 --> 01:19:54,000

ago i just

2185

01:19:58,709 --> 01:19:56,880

was thinking maybe it's me with that

2186

01:19:59,830 --> 01:19:58,719

weird lady telling me i'm going to time

2187

01:20:01,350 --> 01:19:59,840

travel in some way now

2188

01:20:03,030 --> 01:20:01,360

when she says time travel she didn't say

2189

01:20:03,510 --> 01:20:03,040

i was physically going to time travel

2190

01:20:05,350 --> 01:20:03,520

but she

2191

01:20:06,950 --> 01:20:05,360

says i was going to be a time traveler i

2192

01:20:09,430 --> 01:20:06,960

was like okay right

2193

01:20:11,430 --> 01:20:09,440

but maybe if i took her at her word

2194

01:20:13,990 --> 01:20:11,440

about this

2195

01:20:14,550 --> 01:20:14,000

maybe i put that rabbit there in the

2196

01:20:17,030 --> 01:20:14,560

future

2197

01:20:18,870 --> 01:20:17,040

maybe i'm like a 90 year old lady and i

2198

01:20:20,629 --> 01:20:18,880

go back in time and i put that rabbit

2199

01:20:21,350 --> 01:20:20,639

there so that i wouldn't end up doing

2200

01:20:23,430 --> 01:20:21,360

what i do

2201

01:20:25,430 --> 01:20:23,440

now because if that rabbit experience

2202

01:20:28,950 --> 01:20:25,440

had never happened to me

2203

01:20:30,790 --> 01:20:28,960

back in you know the early 60s i would

2204

01:20:31,510 --> 01:20:30,800

never be here right now talking to you

2205

01:20:34,470 --> 01:20:31,520

guys

2206

01:20:36,790 --> 01:20:34,480

so it's very interesting what stepping

2207

01:20:37,830 --> 01:20:36,800

stones we take to get to where we gotta

2208

01:20:40,709 --> 01:20:37,840

go

2209

01:20:41,110 --> 01:20:40,719

and it's just always amazed me about

2210

01:20:42,870 --> 01:20:41,120

that

2211

01:20:44,550 --> 01:20:42,880

but up until six months ago i would

2212

01:20:45,030 --> 01:20:44,560

never thought about it but you never

2213

01:20:46,629 --> 01:20:45,040

know

2214

01:20:48,310 --> 01:20:46,639

baby i'm the one who went got that

2215

01:20:50,149 --> 01:20:48,320

rabbit and put it there in the first

2216

01:20:52,070 --> 01:20:50,159

place

2217

01:20:54,870 --> 01:20:52,080

so yeah just thought i'd let you guys

2218

01:20:59,270 --> 01:20:54,880

know oh truthfundrs is online

2219

01:21:02,310 --> 01:21:00,870

well i hope you guys are listening to

2220

01:21:04,550 --> 01:21:02,320

truth funders before

2221

01:21:06,310 --> 01:21:04,560

uh the california mufon radio show with

2222

01:21:07,910 --> 01:21:06,320

my good buddy mark schwartz

2223

01:21:09,750 --> 01:21:07,920

hey mark you want to come on the air

2224

01:21:11,430 --> 01:21:09,760

with me in the next half hour i'm just

2225

01:21:13,750 --> 01:21:11,440

going to throw that out to you because

2226

01:21:16,149 --> 01:21:13,760

uh i'm just sitting here you know i was

2227

01:21:17,510 --> 01:21:16,159

going to start telling stories again but

2228

01:21:19,830 --> 01:21:17,520

i'm not sure if everybody's that

2229

01:21:21,350 --> 01:21:19,840

interested in my stories but

2230

01:21:23,189 --> 01:21:21,360

i'd love to have you on because you're

2231

01:21:25,430 --> 01:21:23,199

going to be at ufo con so i'd love to

2232

01:21:28,470 --> 01:21:25,440

have you on so let me know if you can

2233

01:21:30,390 --> 01:21:28,480

um anyhow so that's a thought you guys

2234

01:21:30,790 --> 01:21:30,400

so maybe this woman isn't as nuts as i

2235

01:21:33,990 --> 01:21:30,800

think

2236

01:21:34,470 --> 01:21:34,000

maybe now here's my thought on it maybe

2237

01:21:56,390 --> 01:21:34,480

i

2238

01:21:59,510 --> 01:21:56,400

was

2239

01:22:02,149 --> 01:21:59,520

and maybe that's how it got there

2240

01:22:04,470 --> 01:22:02,159

maybe that's the trick maybe you have to

2241

01:22:05,590 --> 01:22:04,480

go into an altered state into another

2242

01:22:08,070 --> 01:22:05,600

dimension

2243

01:22:08,790 --> 01:22:08,080

now having said that there is a guy

2244

01:22:10,950 --> 01:22:08,800

named dan

2245

01:22:11,830 --> 01:22:10,960

bolan and i don't know if you guys can

2246

01:22:15,270 --> 01:22:11,840

find him but

2247

01:22:19,709 --> 01:22:15,280

you can find him on super soldier talk

2248

01:22:22,709 --> 01:22:19,719

by james rank and his name is dan bolin

2249

01:22:23,430 --> 01:22:22,719

b-o-l-l-y-n i believe i could be wrong

2250

01:22:26,550 --> 01:22:23,440

but

2251

01:22:30,390 --> 01:22:26,560

i hope you guys can find it he has

2252

01:22:32,790 --> 01:22:30,400

a video of him coming through a portal

2253

01:22:35,189 --> 01:22:32,800

and traveling through time and he says

2254

01:22:39,030 --> 01:22:35,199

they mastered it ages ago and it's

2255

01:22:41,270 --> 01:22:39,040

very easy to do so there you are

2256

01:22:43,750 --> 01:22:41,280

so check that out sometime now i'm not

2257

01:22:45,990 --> 01:22:43,760

saying it's real i'm not saying he did

2258

01:22:47,350 --> 01:22:46,000

i'm not saying anything but it's very

2259

01:22:49,270 --> 01:22:47,360

intriguing

2260

01:22:51,430 --> 01:22:49,280

and he is one of these kind of super

2261

01:22:52,149 --> 01:22:51,440

soldier kind of characters so who knows

2262

01:22:55,270 --> 01:22:52,159

what's going

2263

01:22:57,430 --> 01:22:55,280

on and uh very good stuff

2264

01:22:59,350 --> 01:22:57,440

so okay so it looks like truthfundrs

2265

01:23:00,709 --> 01:22:59,360

might uh mark's gonna come on with this

2266

01:23:03,430 --> 01:23:00,719

here for a little bit

2267

01:23:04,470 --> 01:23:03,440

uh at the last part of the show and if

2268

01:23:06,550 --> 01:23:04,480

you guys like

2269

01:23:07,910 --> 01:23:06,560

uh go ahead and put any questions you

2270

01:23:10,470 --> 01:23:07,920

have for me

2271

01:23:12,629 --> 01:23:10,480

in the chat and i will try to answer

2272

01:23:16,070 --> 01:23:12,639

anything you want me to answer

2273

01:23:17,030 --> 01:23:16,080

about me or what i do or my life or you

2274

01:23:20,310 --> 01:23:17,040

have ocon

2275

01:23:22,709 --> 01:23:20,320

or the mind control summits or mufon

2276

01:23:24,070 --> 01:23:22,719

or anything you want that would be

2277

01:23:26,709 --> 01:23:24,080

wonderful

2278

01:23:28,629 --> 01:23:26,719

so okay we're gonna take our last break

2279

01:23:29,030 --> 01:23:28,639

everybody stay with us we'll be right

2280

01:23:31,830 --> 01:23:29,040

back

2281

01:23:34,950 --> 01:23:31,840

locked into inception radio network

2282

01:23:36,550 --> 01:23:34,960

superior wisconsin

2283

01:23:38,390 --> 01:23:36,560

don't have a computer here's your

2284

01:23:40,070 --> 01:23:38,400

internet connection down don't worry

2285

01:23:42,229 --> 01:23:40,080

use your trusty cell phone or landline

2286

01:23:45,110 --> 01:23:42,239

and call into our listen line at 401

2287

01:23:46,870 --> 01:23:45,120

283 6700 to listen to the inception

2288

01:23:50,430 --> 01:23:46,880

radio network 24 7.

2289

01:23:59,350 --> 01:23:51,750

401-283-6700

2290

01:24:03,189 --> 01:24:01,110

hi inception radio network listeners

2291

01:24:05,750 --> 01:24:03,199

this is amanda just a reminder that

2292

01:24:09,030 --> 01:24:05,760

inception radio network is on twitter

2293

01:24:11,189 --> 01:24:09,040

follow us at i underscore our underscore

2294

01:24:13,189 --> 01:24:11,199

n and keep up to date about who's on

2295

01:24:15,030 --> 01:24:13,199

tonight what interviews they'll be doing

2296

01:24:17,430 --> 01:24:15,040

who's guest spotting what topics they'll

2297

01:24:19,590 --> 01:24:17,440

be covering tweet to us tweet about us

2298

01:24:21,270 --> 01:24:19,600

retweet topics to your friends and most

2299

01:24:21,750 --> 01:24:21,280

importantly never miss a great show

2300

01:24:27,510 --> 01:24:21,760

again

2301

01:24:30,950 --> 01:24:30,070

do you have a smartphone if so inception

2302

01:24:32,950 --> 01:24:30,960

radio network

2303

01:24:34,709 --> 01:24:32,960

is the best app for you available on

2304

01:24:37,350 --> 01:24:34,719

itunes android

2305

01:24:39,669 --> 01:24:37,360

samsung and most other app stores just

2306

01:24:41,590 --> 01:24:39,679

search inception radio network

2307

01:24:43,030 --> 01:24:41,600

with the app you can listen live check

2308

01:24:45,669 --> 01:24:43,040

out podcasts recent

2309

01:24:46,790 --> 01:24:45,679

empire shows view our videos see what

2310

01:24:49,669 --> 01:24:46,800

shows are coming up

2311

01:24:51,990 --> 01:24:49,679

who the guests are and via the chat room

2312

01:24:53,830 --> 01:24:52,000

send live questions to those guests

2313

01:24:55,110 --> 01:24:53,840

do you know it makes sense check your

2314

01:24:57,510 --> 01:24:55,120

app store now

2315

01:25:01,669 --> 01:24:57,520

inception radio network i'll see you

2316

01:25:05,430 --> 01:25:03,350

are you looking for a cure for boredom

2317

01:25:07,750 --> 01:25:05,440

never worry irn's new

2318

01:25:09,510 --> 01:25:07,760

interactive website introduces a number

2319

01:25:11,189 --> 01:25:09,520

of ways to pass time while you listen to

2320

01:25:13,910 --> 01:25:11,199

your favorite show

2321

01:25:15,030 --> 01:25:13,920

choose anything from the irn chat lounge

2322

01:25:17,750 --> 01:25:15,040

the game lounge

2323

01:25:19,750 --> 01:25:17,760

video lounge or the mood lounge these

2324

01:25:21,510 --> 01:25:19,760

fun exciting features let you chat in

2325

01:25:23,990 --> 01:25:21,520

real time with fellow listeners

2326

01:25:25,270 --> 01:25:24,000

view live sky watches play daily posted

2327

01:25:27,270 --> 01:25:25,280

online games or

2328

01:25:29,910 --> 01:25:27,280

pick a show based on topic the choices

2329

01:25:33,830 --> 01:25:29,920

are endless use your time wisely

2330

01:25:39,350 --> 01:25:36,950

hello everyone lorian fenton here host

2331

01:25:42,390 --> 01:25:39,360

of the california mufon radio show

2332

01:25:43,270 --> 01:25:42,400

asking if you'd like special access to

2333

01:25:46,550 --> 01:25:43,280

exclusive

2334

01:25:48,950 --> 01:25:46,560

and amazing information about ufos

2335

01:25:50,310 --> 01:25:48,960

the paranormal and all things

and get your vip access today

2354

01:26:36,950 --> 01:26:34,480

welcome back everyone to the california

2355

01:26:38,149 --> 01:26:36,960

museum radio show i'm your host lorian

2356

01:26:39,669 --> 01:26:38,159

fenton

2357

01:26:41,830 --> 01:26:39,679

and i'm so glad you guys are still

2358

01:26:43,750 --> 01:26:41,840

hanging in here with me tonight boy it's

2359

01:26:45,669 --> 01:26:43,760

been a wild ride like i said if i known

2360

01:26:46,629 --> 01:26:45,679

i was going to be alone tonight i would

2361

01:26:49,430 --> 01:26:46,639

have

2362

01:26:51,590 --> 01:26:49,440

uh just done so much more research and

2363

01:26:53,430 --> 01:26:51,600

had all kinds of fun topics for you guys

2364

01:26:54,870 --> 01:26:53,440

but i just didn't know and i was very

2365

01:26:56,390 --> 01:26:54,880

worried about ron

2366

01:26:57,910 --> 01:26:56,400

i don't know if i mentioned this at the

2367

01:26:58,790 --> 01:26:57,920

beginning of the show but he is very

2368

01:27:00,629 --> 01:26:58,800

very ill

2369

01:27:01,910 --> 01:27:00,639

and we're going to be lucky if i can get

2370

01:27:04,790 --> 01:27:01,920

a recording with him

2371

01:27:06,470 --> 01:27:04,800

before he passes to the other side but

2372

01:27:08,550 --> 01:27:06,480

um that's what i'm going to try to do

2373

01:27:09,510 --> 01:27:08,560

is mj's suggestion and i'm going to take

2374

01:27:12,790 --> 01:27:09,520

care of it

2375

01:27:13,590 --> 01:27:12,800

as soon as possible so with me now for a

2376

01:27:15,990 --> 01:27:13,600

few minutes

2377

01:27:18,390 --> 01:27:16,000

is my good friend mark schwartz and mark

2378

01:27:19,510 --> 01:27:18,400

you guys have a radio show here at iran

2379

01:27:21,830 --> 01:27:19,520

now don't you

2380

01:27:23,350 --> 01:27:21,840

we do we were on uh earlier today in

2381

01:27:26,870 --> 01:27:23,360

fact

2382

01:27:28,070 --> 01:27:26,880

six o'clock to 7 30. it's so much fun i

2383

01:27:30,709 --> 01:27:28,080

can't even begin to

2384

01:27:31,669 --> 01:27:30,719

uh describe how what a good time art and

2385

01:27:34,790 --> 01:27:31,679

i are having doing

2386

01:27:39,590 --> 01:27:34,800

doing the show now art's name is art

2387

01:27:43,430 --> 01:27:42,149

four letter last name um he's really

2388

01:27:46,390 --> 01:27:43,440

great he

2389

01:27:47,110 --> 01:27:46,400

i actually got to know him via the

2390

01:27:50,070 --> 01:27:47,120

internet

2391

01:27:51,430 --> 01:27:50,080

we originally met we worked on projects

2392

01:27:54,629 --> 01:27:51,440

together when i was

2393

01:27:55,350 --> 01:27:54,639

a producer for a company called rooftop

2394

01:27:57,830 --> 01:27:55,360

which has

2395

01:27:58,870 --> 01:27:57,840

since been acquired by amazon and

2396

01:28:02,390 --> 01:27:58,880

audible

2397

01:28:04,790 --> 01:28:02,400

but um i was doing online video content

2398

01:28:06,470 --> 01:28:04,800

and creating tv shows is pretty cool i

2399

01:28:10,470 --> 01:28:06,480

was like directing

2400

01:28:13,350 --> 01:28:10,480

seth green and um a couple of cool

2401
01:28:15,030 --> 01:28:13,360
cool peeps out out there in la and

2402
01:28:18,390 --> 01:28:15,040
making these shows and

2403
01:28:21,590 --> 01:28:18,400
um i was listening to arts

2404
01:28:22,229 --> 01:28:21,600
uh he had a radio show he was on a radio

2405
01:28:23,990 --> 01:28:22,239
show a

2406
01:28:25,270 --> 01:28:24,000
pretty well-known radio show called the

2407
01:28:27,910 --> 01:28:25,280
tom leica show

2408
01:28:29,510 --> 01:28:27,920
he was the producer there and then he

2409
01:28:32,629 --> 01:28:29,520
also

2410
01:28:34,629 --> 01:28:32,639
was producing a a music station

2411
01:28:35,910 --> 01:28:34,639
called new normal music and it was

2412
01:28:38,229 --> 01:28:35,920
online

2413
01:28:39,270 --> 01:28:38,239

and i listened to that music during my

2414

01:28:40,950 --> 01:28:39,280

breakup with

2415

01:28:42,470 --> 01:28:40,960

with my ex-girlfriend because it was

2416

01:28:43,669 --> 01:28:42,480

completely different music than what i

2417

01:28:46,070 --> 01:28:43,679

was used to listening to

2418

01:28:47,270 --> 01:28:46,080

so i didn't conjure any memories or

2419

01:28:49,350 --> 01:28:47,280

anything like that

2420

01:28:51,350 --> 01:28:49,360

uh and i wound up reaching out to him

2421

01:28:52,790 --> 01:28:51,360

and we were friends ever since that was

2422

01:28:54,629 --> 01:28:52,800

about three or four years ago

2423

01:28:56,310 --> 01:28:54,639

and now we work together on on truth

2424

01:28:58,709 --> 01:28:56,320

funders so it's oh

2425

01:29:00,709 --> 01:28:58,719

that's great yeah he seems like a really

2426

01:29:02,629 --> 01:29:00,719

good guy and i'm so glad you guys are at

2427

01:29:04,950 --> 01:29:02,639

ir and you have no idea

2428

01:29:06,629 --> 01:29:04,960

oh they're so incredible yeah and every

2429

01:29:09,750 --> 01:29:06,639

i'm sure the fans listening right now

2430

01:29:12,709 --> 01:29:09,760

know how incredible irn is it's it's a

2431

01:29:14,310 --> 01:29:12,719

such a different network um they have

2432

01:29:16,550 --> 01:29:14,320

just killer shows

2433

01:29:18,229 --> 01:29:16,560

your show is just fabulous i mean it was

2434

01:29:19,590 --> 01:29:18,239

it was what drew me to the network in

2435

01:29:22,629 --> 01:29:19,600

the very first place

2436

01:29:25,590 --> 01:29:22,639

um i searched paranormal radio

2437

01:29:27,590 --> 01:29:25,600

and and it came up and i listened to

2438

01:29:31,430 --> 01:29:27,600

your show and i was like this is wacky

2439

01:29:35,669 --> 01:29:33,270

well you know i gotta say that's a huge

2440

01:29:37,750 --> 01:29:35,679

compliment that i'm all wacky i love it

2441

01:29:39,510 --> 01:29:37,760

thanks mark well it was a breath of

2442

01:29:41,430 --> 01:29:39,520

fresh air because there's so much stuff

2443

01:29:43,270 --> 01:29:41,440

that you hear online that's the same

2444

01:29:45,350 --> 01:29:43,280

with the same guests and the same people

2445

01:29:48,629 --> 01:29:45,360

and so it was really nice to hear

2446

01:29:51,030 --> 01:29:48,639

uh hear some some new people and

2447

01:29:53,990 --> 01:29:51,040

uh your take on it it was kind of like i

2448

01:29:55,750 --> 01:29:54,000

feel like your no holds bars your euro

2449

01:29:58,229 --> 01:29:55,760

you know a lot of hosts are afraid to

2450

01:30:01,590 --> 01:29:58,239

get into the whole like

2451

01:30:04,070 --> 01:30:01,600

uh i've seen things and they try to

2452

01:30:06,070 --> 01:30:04,080

remain subjective which is great i think

2453

01:30:09,189 --> 01:30:06,080

i think that's really good to to do

2454

01:30:10,790 --> 01:30:09,199

but i feel like you just jump in and and

2455

01:30:12,390 --> 01:30:10,800

that was just really there's

2456

01:30:14,550 --> 01:30:12,400

it's very unique there's nothing else

2457

01:30:16,229 --> 01:30:14,560

like it well thank you i really

2458

01:30:17,990 --> 01:30:16,239

appreciate that you know one of the most

2459

01:30:18,390 --> 01:30:18,000

important things for me is that i tell

2460

01:30:21,110 --> 01:30:18,400

the

2461

01:30:23,030 --> 01:30:21,120

my truth to people because i want people

2462

01:30:24,790 --> 01:30:23,040

to come on my show that nobody knows

2463

01:30:25,430 --> 01:30:24,800

about and i want them to understand that

2464

01:30:30,310 --> 01:30:25,440

they're

2465

01:30:31,669 --> 01:30:30,320

that their truth means a lot to me

2466

01:30:33,430 --> 01:30:31,679

because that's what i'm doing i'm

2467

01:30:35,270 --> 01:30:33,440

telling people my truth as well now you

2468

01:30:37,590 --> 01:30:35,280

can tell your people your truth

2469

01:30:38,790 --> 01:30:37,600

and then you can be all like a crazy cat

2470

01:30:41,430 --> 01:30:38,800

lady around it and then

2471

01:30:43,030 --> 01:30:41,440

nobody wants to hear you again but if

2472

01:30:43,510 --> 01:30:43,040

you tell your truth and in the same

2473

01:30:46,310 --> 01:30:43,520

breath

2474

01:30:47,750 --> 01:30:46,320

you say like i say you know it could or

2475

01:30:49,750 --> 01:30:47,760

could not be true it could be something

2476

01:30:51,270 --> 01:30:49,760

in my own head hey maybe my therapist

2477

01:30:53,430 --> 01:30:51,280

can figure out what's wrong with me

2478

01:30:54,950 --> 01:30:53,440

but you know i mean the bottom line is

2479

01:30:57,189 --> 01:30:54,960

we don't know and i'm

2480

01:30:59,830 --> 01:30:57,199

brave enough also in the same breath to

2481

01:31:01,430 --> 01:30:59,840

not get on a bandwagon that says

2482

01:31:03,510 --> 01:31:01,440

what i'm saying is the absolute truth

2483

01:31:05,270 --> 01:31:03,520

and you have to believe me what i say

2484

01:31:06,870 --> 01:31:05,280

is hey just take it for what it is

2485

01:31:10,070 --> 01:31:06,880

because everybody has a different

2486

01:31:12,709 --> 01:31:10,080

perception of my experience even

2487

01:31:14,550 --> 01:31:12,719

more so than i do so you know and it's

2488

01:31:16,070 --> 01:31:14,560

if it's real it's real if it's not it's

2489

01:31:16,950 --> 01:31:16,080

not it doesn't matter we're all living

2490

01:31:20,070 --> 01:31:16,960

the same unique

2491

01:31:22,070 --> 01:31:20,080

earth experience here so absolutely

2492

01:31:27,590 --> 01:31:22,080

yeah as long as we're having fun i think

2493

01:31:32,070 --> 01:31:29,750

well that's good thank you so much well

2494

01:31:33,270 --> 01:31:32,080

so who was your guest tonight on truth

2495

01:31:36,470 --> 01:31:33,280

funders

2496

01:31:39,669 --> 01:31:36,480

uh tonight we had uh jose escamilla

2497

01:31:41,510 --> 01:31:39,679

oh and how's he doing by the way he's

2498

01:31:43,910 --> 01:31:41,520

good we didn't get into any of

2499

01:31:46,470 --> 01:31:43,920

of the medical stuff but uh that's fine

2500

01:31:47,669 --> 01:31:46,480

but he's okay and he's back at home and

2501

01:31:49,830 --> 01:31:47,679

everything's good right

2502

01:31:51,910 --> 01:31:49,840

yeah yeah you know he's just really

2503

01:31:53,510 --> 01:31:51,920

passionate he's been working on rods for

2504

01:31:57,110 --> 01:31:53,520

over 20 years

2505

01:31:58,550 --> 01:31:57,120

20 years you know and that story broke

2506

01:32:00,870 --> 01:31:58,560

we were talking about it on the show

2507

01:32:03,270 --> 01:32:00,880

today his story broke on art bell

2508

01:32:04,149 --> 01:32:03,280

you know in 1990s yeah and i was

2509

01:32:06,470 --> 01:32:04,159

listening it was

2510

01:32:07,990 --> 01:32:06,480

life-changing for him and it and you

2511

01:32:10,709 --> 01:32:08,000

know seeing this stuff

2512

01:32:11,590 --> 01:32:10,719

all he's trying to do is show the world

2513

01:32:14,070 --> 01:32:11,600

that it's

2514

01:32:14,790 --> 01:32:14,080

it's out there and that he has i mean

2515

01:32:17,189 --> 01:32:14,800

truly

2516

01:32:18,790 --> 01:32:17,199

some of the broad footage i i've seen so

2517

01:32:20,870 --> 01:32:18,800

much of it now it's

2518

01:32:21,990 --> 01:32:20,880

you can't you can't say it's not there

2519

01:32:24,629 --> 01:32:22,000

you can't deny that

2520

01:32:25,830 --> 01:32:24,639

it's just it's literally there um

2521

01:32:28,870 --> 01:32:25,840

absolutely

2522

01:32:29,750 --> 01:32:28,880

so it's pretty it's pretty cool and we

2523

01:32:31,669 --> 01:32:29,760

talked about that

2524

01:32:33,430 --> 01:32:31,679

talked a little bit about what he was

2525

01:32:35,830 --> 01:32:33,440

doing um you know there's some

2526

01:32:38,950 --> 01:32:35,840

controversy with monster quest

2527

01:32:42,709 --> 01:32:38,960

uh going in and and trying to debunk him

2528

01:32:44,070 --> 01:32:42,719

and sort of what how he felt about that

2529

01:32:45,590 --> 01:32:44,080

and

2530

01:32:47,590 --> 01:32:45,600

you know hearing his side of the story

2531

01:32:48,550 --> 01:32:47,600

which is really cool because being a

2532

01:32:51,110 --> 01:32:48,560

media person

2533

01:32:52,870 --> 01:32:51,120

and being a producer um you know working

2534

01:32:56,149 --> 01:32:52,880

in the industry for so long

2535

01:32:58,070 --> 01:32:56,159

i'm able to see see through stuff uh

2536

01:32:59,830 --> 01:32:58,080

when i watch the news i'm able to tell

2537

01:33:01,910 --> 01:32:59,840

what's b-roll what's

2538

01:33:02,950 --> 01:33:01,920

what's fake what's been edited together

2539

01:33:06,149 --> 01:33:02,960

who did what

2540

01:33:08,629 --> 01:33:06,159

you know who wrote what script uh

2541

01:33:10,390 --> 01:33:08,639

and and so monster quest you know he was

2542

01:33:11,350 --> 01:33:10,400

describing all the things that happened

2543

01:33:13,270 --> 01:33:11,360

to him

2544

01:33:14,870 --> 01:33:13,280

uh on that show and he thought they were

2545

01:33:16,629 --> 01:33:14,880

going to do a really great job

2546

01:33:17,910 --> 01:33:16,639

and they wound up you know sort of

2547

01:33:20,470 --> 01:33:17,920

taking the lazy way

2548

01:33:22,310 --> 01:33:20,480

and debunking and not doing the stuff

2549

01:33:24,870 --> 01:33:22,320

the way he asked them to and

2550

01:33:25,910 --> 01:33:24,880

yeah you know it's really troubling to

2551

01:33:27,990 --> 01:33:25,920

hear that

2552

01:33:29,189 --> 01:33:28,000

uh but it's really good to expose that

2553

01:33:31,430 --> 01:33:29,199

too um

2554

01:33:33,270 --> 01:33:31,440

so so i hope that we did a little bit of

2555

01:33:36,470 --> 01:33:33,280

exposing some of the

2556

01:33:37,750 --> 01:33:36,480

the nature of of the business today and

2557

01:33:40,310 --> 01:33:37,760

what does go on

2558

01:33:41,590 --> 01:33:40,320

sort of behind the scenes yeah yeah

2559

01:33:44,149 --> 01:33:41,600

absolutely

2560

01:33:44,950 --> 01:33:44,159

well cool well i want to thank you for

2561

01:33:47,110 --> 01:33:44,960

popping in

2562

01:33:49,590 --> 01:33:47,120

i know you got to go you and i are both

2563

01:33:51,669 --> 01:33:49,600

living here in marin county california

2564

01:33:53,350 --> 01:33:51,679

and the acacias are blooming and

2565

01:33:55,510 --> 01:33:53,360

something's happening because i'll tell

2566

01:33:58,149 --> 01:33:55,520

you what i am miserable

2567

01:34:00,950 --> 01:33:58,159

i know we both sound like kermit the

2568

01:34:04,149 --> 01:34:00,960

frog together isn't that cute

2569

01:34:06,550 --> 01:34:04,159

yeah exactly um well you know what

2570

01:34:08,390 --> 01:34:06,560

you're i just i love your show it's such

2571

01:34:09,350 --> 01:34:08,400

it's so great it really is it's so

2572

01:34:12,149 --> 01:34:09,360

entertaining

2573

01:34:13,669 --> 01:34:12,159

you have such real people on um you're

2574

01:34:15,430 --> 01:34:13,679

handling it you're all you're on by

2575

01:34:17,430 --> 01:34:15,440

yourself tonight and i'm just listening

2576

01:34:19,030 --> 01:34:17,440

it's like listening to a friend talk

2577

01:34:20,870 --> 01:34:19,040

um and you are my friend so i am

2578

01:34:23,590 --> 01:34:20,880

listening to my friend talk but

2579

01:34:24,790 --> 01:34:23,600

uh you know it's kind of incestuous

2580

01:34:27,910 --> 01:34:24,800

isn't it

2581

01:34:28,229 --> 01:34:27,920

but it's it's great and uh you know i

2582

01:34:31,430 --> 01:34:28,239

think

2583

01:34:34,470 --> 01:34:31,440

people out there they really should uh

2584

01:34:34,870 --> 01:34:34,480

think about going to ufo con because it

2585

01:34:39,030 --> 01:34:34,880

you

2586

01:34:40,550 --> 01:34:39,040

it's like the 3d version

2587

01:34:42,709 --> 01:34:40,560

and to meet some of these people that

2588

01:34:46,709 --> 01:34:42,719

you hear on the show all the time

2589

01:34:49,270 --> 01:34:46,719

it really uh can can affect you and and

2590

01:34:51,270 --> 01:34:49,280

in a really positive way so i will be

2591

01:34:53,109 --> 01:34:51,280

there i'm so excited to be there i can't

2592

01:34:55,990 --> 01:34:53,119

wait to meet some of your fans

2593

01:34:56,310 --> 01:34:56,000

uh and and see some of the speakers you

2594

01:34:59,430 --> 01:34:56,320

know

2595

01:35:00,709 --> 01:34:59,440

uh you said we might get rick fryer to

2596

01:35:02,870 --> 01:35:00,719

be one of the speakers and

2597

01:35:04,470 --> 01:35:02,880

his stuff is great yeah oh i haven't

2598

01:35:05,189 --> 01:35:04,480

even had him on the show yet and i've

2599

01:35:06,950 --> 01:35:05,199

been i've

2600

01:35:08,870 --> 01:35:06,960

that's the other thing i gotta do i

2601

01:35:12,070 --> 01:35:08,880

gotta book him for the show

2602

01:35:13,750 --> 01:35:12,080

yeah you know he was at uh mufon at your

2603

01:35:15,430 --> 01:35:13,760

your mufa meeting a few months ago i

2604

01:35:17,430 --> 01:35:15,440

think it was the christmas christmas it

2605

01:35:19,510 --> 01:35:17,440

was our christmas party it was so much

2606

01:35:21,830 --> 01:35:19,520

fun too that was a blast

2607

01:35:23,510 --> 01:35:21,840

it was a blast yeah and it was so funny

2608

01:35:25,750 --> 01:35:23,520

meeting you i was like oh

2609

01:35:26,629 --> 01:35:25,760

that's lori and i've i've heard her on

2610

01:35:29,910 --> 01:35:26,639

air

2611

01:35:32,950 --> 01:35:29,920

i was super excited like a little kid

2612

01:35:35,590 --> 01:35:32,960

oh god well no we had a really good time

2613

01:35:36,870 --> 01:35:35,600

and uh rick was absolutely fascinating

2614

01:35:38,629 --> 01:35:36,880

you know even

2615

01:35:40,870 --> 01:35:38,639

the director of northern california

2616

01:35:41,590 --> 01:35:40,880

mufon ruben uriarti came up to me and

2617

01:35:45,910 --> 01:35:41,600

said

2618

01:35:48,550 --> 01:35:45,920

didn't find him mark found him but

2619

01:35:51,109 --> 01:35:48,560

he's he's awesome isn't he he goes i

2620

01:35:53,189 --> 01:35:51,119

just never thought that science faction

2621

01:35:54,149 --> 01:35:53,199

like rick calls it instead of science

2622

01:35:57,590 --> 01:35:54,159

fiction

2623

01:36:00,310 --> 01:35:57,600

could you know intertwine with the alien

2624

01:36:02,470 --> 01:36:00,320

ufo agenda as well as he's done it

2625

01:36:03,510 --> 01:36:02,480

he says this kid knows his re how to

2626
01:36:05,669 --> 01:36:03,520
research

2627
01:36:06,550 --> 01:36:05,679
and and just when you think he's going

2628
01:36:09,590 --> 01:36:06,560
too far

2629
01:36:11,030 --> 01:36:09,600
into a place that might not be

2630
01:36:12,950 --> 01:36:11,040
might not have anything to do with

2631
01:36:15,270 --> 01:36:12,960
aliens suddenly he's

2632
01:36:15,990 --> 01:36:15,280
like brings you right back in and it all

2633
01:36:17,510 --> 01:36:16,000
makes sense

2634
01:36:19,750 --> 01:36:17,520
all the stuff that he was just

2635
01:36:22,390 --> 01:36:19,760
discussing and it's politics

2636
01:36:23,270 --> 01:36:22,400
global politics and then it's it's how

2637
01:36:25,270 --> 01:36:23,280
it connects with

2638
01:36:28,229 --> 01:36:25,280

you know what's going on in in that

2639

01:36:30,310 --> 01:36:28,239

alien world

2640

01:36:32,310 --> 01:36:30,320

the most mark was the fact that he never

2641

01:36:35,030 --> 01:36:32,320

said this is the way it is

2642

01:36:36,470 --> 01:36:35,040

he just said this is what my research

2643

01:36:38,629 --> 01:36:36,480

has led me to believe

2644

01:36:40,790 --> 01:36:38,639

you know this is the scenario i would be

2645

01:36:42,470 --> 01:36:40,800

putting in a science fiction book if i

2646

01:36:44,470 --> 01:36:42,480

was writing one

2647

01:36:45,750 --> 01:36:44,480

yeah and that's what i love about it i

2648

01:36:48,950 --> 01:36:45,760

think it's awesome

2649

01:36:50,950 --> 01:36:48,960

yeah and his books are great um so

2650

01:36:52,790 --> 01:36:50,960

i'm sure he would have them at you know

2651

01:36:54,310 --> 01:36:52,800

if if he's booked for the show if you're

2652

01:36:56,709 --> 01:36:54,320

if you're able to grab him

2653

01:36:58,070 --> 01:36:56,719

um yeah i'm trying to get him to do a

2654

01:37:00,070 --> 01:36:58,080

truth thunders project

2655

01:37:01,830 --> 01:37:00,080

uh i i know he's working on a new book

2656

01:37:03,830 --> 01:37:01,840

so we're thinking of potentially

2657

01:37:07,510 --> 01:37:03,840

working together and having it try to be

2658

01:37:09,270 --> 01:37:07,520

funded through truth blenders

2659

01:37:10,950 --> 01:37:09,280

yeah and i'll be donating money for that

2660

01:37:13,350 --> 01:37:10,960

one for sure yeah

2661

01:37:14,470 --> 01:37:13,360

yeah and and anybody listening you know

2662

01:37:16,470 --> 01:37:14,480

if you are

2663

01:37:17,990 --> 01:37:16,480

on the other side of the country and if

2664

01:37:21,350 --> 01:37:18,000

you're unable to

2665

01:37:24,629 --> 01:37:21,360

make it to to uh the

2666

01:37:26,390 --> 01:37:24,639

the california ufo con uh i really

2667

01:37:28,790 --> 01:37:26,400

really recommend going to

2668

01:37:30,629 --> 01:37:28,800

truth funders there is the ufo con there

2669

01:37:33,990 --> 01:37:30,639

and there's ways to

2670

01:37:35,990 --> 01:37:34,000

to uh contribute and help out and in the

2671

01:37:37,030 --> 01:37:36,000

at the same time get something for what

2672

01:37:38,790 --> 01:37:37,040

you're doing which is

2673

01:37:40,390 --> 01:37:38,800

you'll be able to get the videos and

2674

01:37:42,149 --> 01:37:40,400

access to all the videos

2675

01:37:44,229 --> 01:37:42,159

uh of the different speakers if you're

2676

01:37:46,149 --> 01:37:44,239

if you're unable to make it absolutely

2677

01:37:48,790 --> 01:37:46,159

yes which is a super cheap way to go

2678

01:37:50,149 --> 01:37:48,800

without a plane flight it is and you

2679

01:37:52,229 --> 01:37:50,159

know what's cool about it is

2680

01:37:54,229 --> 01:37:52,239

i will be selling all of those videos

2681

01:37:56,229 --> 01:37:54,239

for quite a bit more money

2682

01:37:58,390 --> 01:37:56,239

when the actual comes around to you know

2683

01:38:00,310 --> 01:37:58,400

when we get them edited and everything

2684

01:38:02,070 --> 01:38:00,320

anybody who donates at truth funders is

2685

01:38:04,390 --> 01:38:02,080

going to get them at a huge discount

2686

01:38:06,070 --> 01:38:04,400

so it'll just be like being there and

2687

01:38:07,990 --> 01:38:06,080

paying your ticket and you'll get in

2688

01:38:09,990 --> 01:38:08,000

if you wait and then you don't get a

2689

01:38:11,350 --> 01:38:10,000

ticket or don't go to truth funders

2690

01:38:13,590 --> 01:38:11,360

and you say oh i'll just watch the

2691

01:38:14,870 --> 01:38:13,600

videos later it'll cost you like two or

2692

01:38:17,109 --> 01:38:14,880

three hundred bucks to get all the

2693

01:38:19,109 --> 01:38:17,119

videos whereas if you just donate the 80

2694

01:38:20,790 --> 01:38:19,119

or 100 or whatever it is you get just

2695

01:38:22,790 --> 01:38:20,800

like a ticket to the event

2696

01:38:25,030 --> 01:38:22,800

and then you get the whole event as well

2697

01:38:26,950 --> 01:38:25,040

so you know it's pretty cool

2698

01:38:29,030 --> 01:38:26,960

it's kind of like buying a virtual

2699

01:38:31,109 --> 01:38:29,040

ticket for the same price

2700

01:38:32,629 --> 01:38:31,119

yeah and i believe there's uh you know

2701

01:38:33,430 --> 01:38:32,639

you get to meet the guests and there's

2702

01:38:35,270 --> 01:38:33,440

dinners and

2703

01:38:36,550 --> 01:38:35,280

autographs and all sorts of stuff like

2704

01:38:39,669 --> 01:38:36,560

that there too yeah

2705

01:38:41,270 --> 01:38:39,679

absolutely so really cool and i wish you

2706

01:38:42,070 --> 01:38:41,280

the best of luck i can't wait to be

2707

01:38:45,430 --> 01:38:42,080

there i will

2708

01:38:48,950 --> 01:38:47,669

uh this weekend okay so don't all right

2709

01:38:50,629 --> 01:38:48,960

forget all right

2710

01:38:52,229 --> 01:38:50,639

sounds great hey thank you so much for

2711

01:38:52,870 --> 01:38:52,239

having me on laurie great to hear from

2712

01:38:58,149 --> 01:38:52,880

you

2713

01:39:00,470 --> 01:38:58,159

i'm sure they are me too

2714

01:39:01,189 --> 01:39:00,480

me too and if they're not they could uh

2715

01:39:03,510 --> 01:39:01,199

let us know

2716

01:39:05,510 --> 01:39:03,520

and if they are they honestly they are i

2717

01:39:08,790 --> 01:39:05,520

know they are they've got to be

2718

01:39:10,310 --> 01:39:08,800

so anyway it was it was a blast um

2719

01:39:12,870 --> 01:39:10,320

so yeah thank you i don't want to take

2720

01:39:14,870 --> 01:39:12,880

up your show i love you lauren

2721

01:39:15,990 --> 01:39:14,880

love you too sweetie take care talk to

2722

01:39:19,030 --> 01:39:16,000

you later bye

2723

01:39:20,629 --> 01:39:19,040

okay bye-bye okay folks that was mark

2724

01:39:23,030 --> 01:39:20,639

schwartz one of the two

2725

01:39:25,270 --> 01:39:23,040

gentlemen that have true funders uh it's

2726

01:39:27,510 --> 01:39:25,280

a radio show right before mine here on

2727

01:39:30,390 --> 01:39:27,520

wednesday nights in irn

2728

01:39:32,390 --> 01:39:30,400

and they are just two amazing guys i've

2729

01:39:33,510 --> 01:39:32,400

known mark now for quite a while and he

2730

01:39:36,310 --> 01:39:33,520

is just truly

2731

01:39:37,910 --> 01:39:36,320

one of my favorite people um he started

2732

01:39:41,109 --> 01:39:37,920

truth funders because

2733

01:39:43,030 --> 01:39:41,119

he wanted everybody to have a way

2734

01:39:45,270 --> 01:39:43,040

to donate money to people who have

2735

01:39:49,189 --> 01:39:45,280

projects like ufo con

2736

01:39:51,590 --> 01:39:49,199

or jose escamilla's rods movie or

2737

01:39:54,149 --> 01:39:51,600

jonathan nolan's mysteries of the south

2738

01:39:56,070 --> 01:39:54,159

pacific documentary that he wants to do

2739

01:39:57,990 --> 01:39:56,080

and that's how i met john uh yeah

2740

01:40:00,229 --> 01:39:58,000

jonathan was through mark

2741

01:40:01,750 --> 01:40:00,239

and now jonathan is coming all the way

2742

01:40:03,669 --> 01:40:01,760

from australia to

2743

01:40:05,990 --> 01:40:03,679

talk about the underground underwater

2744

01:40:07,830 --> 01:40:06,000

base it's just going to be wild i mean

2745

01:40:09,830 --> 01:40:07,840

it's amazing you folks when you meet

2746

01:40:11,030 --> 01:40:09,840

people you start talking to them you

2747

01:40:13,350 --> 01:40:11,040

look them in the eye and you're

2748

01:40:14,390 --> 01:40:13,360

with them this is what my mufon meetings

2749

01:40:16,870 --> 01:40:14,400

have done for me

2750

01:40:18,390 --> 01:40:16,880

you know this is the bottom line mark

2751

01:40:20,229 --> 01:40:18,400

came to my mufon meeting

2752

01:40:22,070 --> 01:40:20,239

he didn't know that it was the same

2753

01:40:23,669 --> 01:40:22,080

person he was hearing at iran and then

2754

01:40:25,430 --> 01:40:23,679

when he met me he was like oh my god

2755

01:40:27,590 --> 01:40:25,440

you're lorien fenton i said yeah

2756

01:40:28,550 --> 01:40:27,600

i know who i am you know we were

2757

01:40:31,750 --> 01:40:28,560

laughing and

2758

01:40:32,870 --> 01:40:31,760

uh it's just amazing the amount of

2759

01:40:35,109 --> 01:40:32,880

people you meet

2760

01:40:36,070 --> 01:40:35,119

at mufon meetings i can't stress that

2761

01:40:37,510 --> 01:40:36,080

enough

2762

01:40:39,590 --> 01:40:37,520

you've got to get out there and you've

2763

01:40:41,590 --> 01:40:39,600

got to be around other people that's why

2764

01:40:43,270 --> 01:40:41,600

i put on ufo con

2765

01:40:44,950 --> 01:40:43,280

i tell people all the time if you think

2766

01:40:46,550 --> 01:40:44,960

i'm making money out of this and if you

2767

01:40:49,590 --> 01:40:46,560

think that i'm actually

2768

01:40:51,910 --> 01:40:49,600

sane during the whole process then

2769

01:40:54,149 --> 01:40:51,920

oh boy if i got another thought for you

2770

01:40:55,830 --> 01:40:54,159

uh this is not a money-making adventure

2771

01:40:58,229 --> 01:40:55,840

i happen to have been producing

2772

01:41:00,629 --> 01:40:58,239

conferences now for almost 30 years or

2773

01:41:01,590 --> 01:41:00,639

events or arts festivals or you know

2774

01:41:03,750 --> 01:41:01,600

whatever

2775

01:41:06,390 --> 01:41:03,760

so producing them is not the problem for

2776
01:41:07,109 --> 01:41:06,400
me getting people to come to these kind

2777
01:41:09,350 --> 01:41:07,119
of events

2778
01:41:11,430 --> 01:41:09,360
is because i'm not international ufo

2779
01:41:13,350 --> 01:41:11,440
congress i'm not the big guy on the

2780
01:41:13,910 --> 01:41:13,360
block i'm not any of those people but

2781
01:41:16,310 --> 01:41:13,920
what i

2782
01:41:19,030 --> 01:41:16,320
am is i'm putting on an event where

2783
01:41:22,149 --> 01:41:19,040
you're in a room full of 150 people

2784
01:41:23,189 --> 01:41:22,159
200 people that all talk your same

2785
01:41:24,470 --> 01:41:23,199
language folks

2786
01:41:25,910 --> 01:41:24,480
they understand what you're talking

2787
01:41:27,830 --> 01:41:25,920
about it's like going to my mufon

2788
01:41:28,950 --> 01:41:27,840

meetings we have a core group of 40 to

2789

01:41:31,030 --> 01:41:28,960

50 people

2790

01:41:33,830 --> 01:41:31,040

we look each other in the eye we're all

2791

01:41:36,390 --> 01:41:33,840

friends we all respect each other we

2792

01:41:39,590 --> 01:41:36,400

respect each other's opinions and people

2793

01:41:40,149 --> 01:41:39,600

range in age from 20 something to 80

2794

01:41:42,310 --> 01:41:40,159

something

2795

01:41:44,149 --> 01:41:42,320

at my meetings and we have the most

2796

01:41:46,870 --> 01:41:44,159

amazing exchanges

2797

01:41:48,950 --> 01:41:46,880

people are telling the their truth to

2798

01:41:51,669 --> 01:41:48,960

each other at our meetings

2799

01:41:52,149 --> 01:41:51,679

that is absolutely mind-boggling it's

2800

01:41:54,950 --> 01:41:52,159

just

2801
01:41:57,270 --> 01:41:54,960
it's almost i would say almost as good

2802
01:41:59,510 --> 01:41:57,280
as an experimenter's group

2803
01:42:01,669 --> 01:41:59,520
but in my opinion and i know this is

2804
01:42:03,510 --> 01:42:01,679
going to sound a little hoity-toity

2805
01:42:05,990 --> 01:42:03,520
i have a lot of friends who have

2806
01:42:07,990 --> 01:42:06,000
experimenter groups

2807
01:42:10,070 --> 01:42:08,000
and their licensed psychotherapists and

2808
01:42:11,350 --> 01:42:10,080
they do an amazing job with these people

2809
01:42:15,030 --> 01:42:11,360
who are having

2810
01:42:16,310 --> 01:42:15,040
extreme ptsd issues with the abduction

2811
01:42:18,790 --> 01:42:16,320
phenomena

2812
01:42:20,709 --> 01:42:18,800
but i think there's so many other types

2813
01:42:22,790 --> 01:42:20,719

of of things that are happening to

2814

01:42:24,310 --> 01:42:22,800

people and if they just have somebody to

2815

01:42:26,310 --> 01:42:24,320

talk to about it

2816

01:42:28,070 --> 01:42:26,320

i think they're a lot happier than

2817

01:42:29,910 --> 01:42:28,080

sitting at a therapist's

2818

01:42:31,990 --> 01:42:29,920

office you know trying to get all the

2819

01:42:33,270 --> 01:42:32,000

answers in some way just having friends

2820

01:42:33,910 --> 01:42:33,280

that are going through what you're going

2821

01:42:36,470 --> 01:42:33,920

through

2822

01:42:37,590 --> 01:42:36,480

and not have to psychoanalyze it all the

2823

01:42:39,990 --> 01:42:37,600

time

2824

01:42:41,510 --> 01:42:40,000

just a little bit nicer and a little bit

2825

01:42:43,350 --> 01:42:41,520

easier on people

2826

01:42:45,270 --> 01:42:43,360

so i'm not saying not to go to a

2827

01:42:47,430 --> 01:42:45,280

therapist i'm not saying not to get

2828

01:42:48,310 --> 01:42:47,440

regressed if you need it i'm saying this

2829

01:42:51,109 --> 01:42:48,320

may be an

2830

01:42:53,350 --> 01:42:51,119

easier way to jump into the pool just by

2831

01:42:56,390 --> 01:42:53,360

meeting friends at mufon

2832

01:42:59,270 --> 01:42:56,400

you know so if you do that wonderful so

2833

01:43:00,870 --> 01:42:59,280

like i say folks it's all about looking

2834

01:43:02,950 --> 01:43:00,880

each other in the eye

2835

01:43:04,310 --> 01:43:02,960

and saying to each other hi you know i

2836

01:43:05,750 --> 01:43:04,320

had a really weird experience do you

2837

01:43:07,910 --> 01:43:05,760

want to hear about it you know

2838

01:43:08,950 --> 01:43:07,920

99 of the people in my group are like

2839

01:43:10,790 --> 01:43:08,960

all ears

2840

01:43:12,310 --> 01:43:10,800

they can't wait to hear about what

2841

01:43:13,910 --> 01:43:12,320

you've been through and then they'll

2842

01:43:15,270 --> 01:43:13,920

share with you what they've been through

2843

01:43:16,870 --> 01:43:15,280

and then we all have

2844

01:43:18,790 --> 01:43:16,880

we all know each other's stories and

2845

01:43:20,629 --> 01:43:18,800

that's even funner because after we've

2846

01:43:22,390 --> 01:43:20,639

all found each other's stories out

2847

01:43:23,910 --> 01:43:22,400

we just hang out and talk about what we

2848

01:43:25,430 --> 01:43:23,920

think could happen in the future what

2849

01:43:27,350 --> 01:43:25,440

time travel could be

2850

01:43:29,030 --> 01:43:27,360

what consciousness connections are

2851
01:43:30,870 --> 01:43:29,040
between aliens and humans

2852
01:43:32,790 --> 01:43:30,880
we just have a great time because we're

2853
01:43:33,189 --> 01:43:32,800
all speaking the same language folks

2854
01:43:35,990 --> 01:43:33,199
it's

2855
01:43:38,790 --> 01:43:36,000
absolutely amazing now that's what ufo

2856
01:43:40,550 --> 01:43:38,800
con is about ufo khan is a giant meeting

2857
01:43:42,870 --> 01:43:40,560
where we can all get together we can

2858
01:43:44,470 --> 01:43:42,880
talk about whatever is under the sun we

2859
01:43:45,270 --> 01:43:44,480
could talk about the fact that douglas

2860
01:43:46,790 --> 01:43:45,280
dietrich

2861
01:43:48,950 --> 01:43:46,800
who's going to be presenting on the

2862
01:43:50,070 --> 01:43:48,960
battle of los angeles he doesn't believe

2863
01:43:51,750 --> 01:43:50,080

it's a ufo

2864

01:43:53,350 --> 01:43:51,760

and we can all sit there and debate him

2865

01:43:53,830 --> 01:43:53,360

until we're green because he doesn't

2866

01:43:55,510 --> 01:43:53,840

care

2867

01:43:58,470 --> 01:43:55,520

that we debate him because he has

2868

01:44:01,270 --> 01:43:58,480

respect for our group

2869

01:44:03,510 --> 01:44:01,280

which is quite amazing you know i mean

2870

01:44:04,950 --> 01:44:03,520

to have a guy like that who is a walking

2871

01:44:06,470 --> 01:44:04,960

encyclopedia he's

2872

01:44:09,189 --> 01:44:06,480

absolutely an amazing guy he's one of my

2873

01:44:11,189 --> 01:44:09,199

best friends and you know and he

2874

01:44:12,790 --> 01:44:11,199

and he knows that he's going to be in

2875

01:44:14,149 --> 01:44:12,800

front of 200 people that

2876

01:44:15,430 --> 01:44:14,159

don't believe what he's saying but

2877

01:44:17,350 --> 01:44:15,440

they're all going to listen to him and

2878

01:44:19,189 --> 01:44:17,360

respect him for what he has to say

2879

01:44:20,950 --> 01:44:19,199

so those are the kind of people i hang

2880

01:44:22,950 --> 01:44:20,960

out with and they're all coming to ufo

2881

01:44:27,189 --> 01:44:22,960

con i hope you guys are too

2882

01:44:28,629 --> 01:44:27,199

okay a quick moment back to stan romanak

2883

01:44:31,030 --> 01:44:28,639

uh there were a couple questions

2884

01:44:33,189 --> 01:44:31,040

redshift asked two questions lauren

2885

01:44:35,030 --> 01:44:33,199

did dan burst ever say what he thinks

2886

01:44:37,669 --> 01:44:35,040

brought down the roswell craft i heard

2887

01:44:40,390 --> 01:44:37,679

the radar caused the accident well

2888

01:44:41,510 --> 01:44:40,400

you know ah gosh now i'm trying to

2889

01:44:44,149 --> 01:44:41,520

remember

2890

01:44:45,510 --> 01:44:44,159

i have heard from several sources about

2891

01:44:47,430 --> 01:44:45,520

what they thought brought down the

2892

01:44:49,590 --> 01:44:47,440

roswell crash and i can't remember if

2893

01:44:52,390 --> 01:44:49,600

one of them was damn burst or not

2894

01:44:54,390 --> 01:44:52,400

but this is very interesting tron my

2895

01:44:55,990 --> 01:44:54,400

good friend plutonis who's going to be

2896

01:44:58,390 --> 01:44:56,000

at ufo con

2897

01:45:00,550 --> 01:44:58,400

and has been on the show several times

2898

01:45:03,430 --> 01:45:00,560

really has the answer to that one

2899

01:45:04,470 --> 01:45:03,440

because that is one of his specialties

2900

01:45:07,590 --> 01:45:04,480

is that type of

2901

01:45:11,189 --> 01:45:07,600

radar array systems and

2902

01:45:14,310 --> 01:45:11,199

i think it was him that told me

2903

01:45:15,669 --> 01:45:14,320

that it really wasn't radar in the sense

2904

01:45:17,750 --> 01:45:15,679

of regular radar

2905

01:45:19,189 --> 01:45:17,760

it was a different type of radar that

2906

01:45:22,629 --> 01:45:19,199

they were using

2907

01:45:25,910 --> 01:45:22,639

that is just on the edge of being radar

2908

01:45:29,430 --> 01:45:25,920

if you want to call it that so

2909

01:45:32,229 --> 01:45:29,440

there you go that's my answer right now

2910

01:45:33,669 --> 01:45:32,239

so redshift what we'll do is i will

2911

01:45:36,390 --> 01:45:33,679

definitely

2912

01:45:38,310 --> 01:45:36,400

um have plutonis back on the show

2913

01:45:41,990 --> 01:45:38,320

within the next month or so

2914

01:45:43,830 --> 01:45:42,000

and um we'll we'll see about that and oh

2915

01:45:46,229 --> 01:45:43,840

redshift right now in chat you're

2916

01:45:48,470 --> 01:45:46,239

talking about dorothy isaac

2917

01:45:50,550 --> 01:45:48,480

guess who i'm trying to get dorothy

2918

01:45:52,709 --> 01:45:50,560

isaac's representative to be

2919

01:45:54,229 --> 01:45:52,719

at ufo con that's what i'm working on i

2920

01:45:55,990 --> 01:45:54,239

wasn't going to tell you guys but now

2921

01:45:58,470 --> 01:45:56,000

that you brought her up

2922

01:45:59,270 --> 01:45:58,480

because i think she's amazing she has

2923

01:46:02,149 --> 01:45:59,280

pictures

2924

01:46:03,430 --> 01:46:02,159

in her living room of them on these

2925

01:46:06,390 --> 01:46:03,440

crafts

2926

01:46:08,629 --> 01:46:06,400

oh my god it's wild her story is just so

2927

01:46:09,590 --> 01:46:08,639

well it goes so far beyond what people

2928

01:46:12,950 --> 01:46:09,600

see

2929

01:46:14,470 --> 01:46:12,960

uh it's just unbelievable so i can't get

2930

01:46:16,390 --> 01:46:14,480

her folks but i can

2931

01:46:17,830 --> 01:46:16,400

get her representative who's been here

2932

01:46:20,709 --> 01:46:17,840

on the show before

2933

01:46:21,430 --> 01:46:20,719

uh i think is i can't remember his name

2934

01:46:23,030 --> 01:46:21,440

right now i was

2935

01:46:25,030 --> 01:46:23,040

trying to find it this afternoon when i

2936

01:46:28,709 --> 01:46:25,040

got home so we'll see

2937

01:46:31,430 --> 01:46:28,719

we'll see what happens um anyhow so

2938

01:46:32,709 --> 01:46:31,440

uh back to the questions uh whatever

2939

01:46:34,149 --> 01:46:32,719

happened to bill herman

2940

01:46:35,750 --> 01:46:34,159

and you know i don't know who bill

2941

01:46:37,270 --> 01:46:35,760

herman is i can't believe i don't know

2942

01:46:39,270 --> 01:46:37,280

who this is

2943

01:46:40,310 --> 01:46:39,280

um so i can't answer that question i'm

2944

01:46:41,990 --> 01:46:40,320

so sorry

2945

01:46:43,669 --> 01:46:42,000

bill herman i'll be looking them up this

2946

01:46:45,750 --> 01:46:43,679

week and i'll give you guys an answer

2947

01:46:48,470 --> 01:46:45,760

next week okay

2948

01:46:50,390 --> 01:46:48,480

so that's that okay i don't see any more

2949

01:46:52,870 --> 01:46:50,400

questions in chat if anybody has

2950

01:46:54,390 --> 01:46:52,880

one or two or just something quickly i

2951

01:46:57,030 --> 01:46:54,400

can answer

2952

01:47:00,550 --> 01:46:57,040

uh that would be great um what movie are

2953

01:47:02,870 --> 01:47:00,560

you guys talking about in chat

2954

01:47:05,189 --> 01:47:02,880

betty cash betty cash why does that name

2955

01:47:07,990 --> 01:47:05,199

sound familiar too

2956

01:47:09,350 --> 01:47:08,000

capture the light capturing the light uh

2957

01:47:12,629 --> 01:47:09,360

capturing the light

2958

01:47:18,070 --> 01:47:12,639

that's gotta be the uh dorothy isaac

2959

01:47:21,669 --> 01:47:20,149

okay i know that those of you who aren't

2960

01:47:22,070 --> 01:47:21,679

in the chat room don't know what i'm

2961

01:47:25,750 --> 01:47:22,080

talking

2962

01:47:27,270 --> 01:47:25,760

called capturing the light

2963

01:47:30,310 --> 01:47:27,280

and they're also talking about a woman

2964

01:47:33,990 --> 01:47:30,320

named betty cash and dorothy isaac

2965

01:47:37,030 --> 01:47:34,000

isaac and um

2966

01:47:38,629 --> 01:47:37,040

let's see i can't think of bill herman

2967

01:47:40,310 --> 01:47:38,639

okay they're showing me bill herman

2968

01:47:41,990 --> 01:47:40,320

which i don't know anything about bill

2969

01:47:43,189 --> 01:47:42,000

herman i'll have to find out about him

2970

01:47:45,270 --> 01:47:43,199

as well

2971

01:47:47,270 --> 01:47:45,280

and we have a couple minutes left here i

2972

01:47:48,950 --> 01:47:47,280

guess i got time for one quick story i'm

2973

01:47:51,189 --> 01:47:48,960

not sure if i ever told the story on the

2974

01:47:55,510 --> 01:47:51,199

air and i'm gonna do it very fast

2975

01:47:59,350 --> 01:47:55,520

i was about 19 years old or maybe 18

2976

01:48:00,870 --> 01:47:59,360

and i had gone out and i had partied

2977

01:48:04,149 --> 01:48:00,880

very hard

2978

01:48:06,790 --> 01:48:04,159

and i drank way way

2979

01:48:09,109 --> 01:48:06,800

more than i had in my entire life up to

2980

01:48:10,229 --> 01:48:09,119

that point in my ripe old age of like

2981

01:48:14,870 --> 01:48:10,239

18.

2982

01:48:16,790 --> 01:48:14,880

i drank i was with some college buddy

2983

01:48:19,350 --> 01:48:16,800

friends that were older than me

2984

01:48:21,830 --> 01:48:19,360

and all i can tell you folks is i didn't

2985

01:48:24,229 --> 01:48:21,840

know about alcohol poisoning back then

2986

01:48:26,149 --> 01:48:24,239

but i'm pretty sure that's what happened

2987

01:48:27,830 --> 01:48:26,159

to me because it was the first time i

2988

01:48:30,950 --> 01:48:27,840

ever drank vodka

2989

01:48:31,430 --> 01:48:30,960

and oh my god i don't know but all i

2990

01:48:34,470 --> 01:48:31,440

know

2991

01:48:35,750 --> 01:48:34,480

is i ended up in bed at home sick as a

2992

01:48:38,709 --> 01:48:35,760

dog

2993

01:48:39,189 --> 01:48:38,719

and i fell asleep and the next thing i

2994

01:48:42,709 --> 01:48:39,199

know

2995

01:48:45,669 --> 01:48:42,719

is i'm pushing my

2996

01:48:46,149 --> 01:48:45,679

hands down onto the bed and going up

2997

01:48:48,229 --> 01:48:46,159

into

2998

01:48:49,990 --> 01:48:48,239

in the yoga position i can't remember

2999

01:48:50,709 --> 01:48:50,000

what it's called i think it's the cat or

3000

01:48:52,310 --> 01:48:50,719

something

3001
01:48:53,990 --> 01:48:52,320
where your head is up and your body's

3002
01:48:55,669 --> 01:48:54,000
just kind of a slight s

3003
01:48:58,070 --> 01:48:55,679
curve so i'm pushing my hands down in

3004
01:49:01,270 --> 01:48:58,080
front of me and i'm pushing myself

3005
01:49:04,470 --> 01:49:01,280
up and i'm looking at the back

3006
01:49:05,830 --> 01:49:04,480
of my head i see my hair i see the back

3007
01:49:08,870 --> 01:49:05,840
of my head

3008
01:49:11,030 --> 01:49:08,880
and i'm going out of my body and as i

3009
01:49:14,870 --> 01:49:11,040
start to go out of my body

3010
01:49:15,270 --> 01:49:14,880
i look to the right and there is a wall

3011
01:49:17,750 --> 01:49:15,280
there

3012
01:49:20,070 --> 01:49:17,760
about four and a half six maybe six feet

3013
01:49:22,470 --> 01:49:20,080

away at the most

3014

01:49:24,790 --> 01:49:22,480

and it was right near where the door

3015

01:49:27,910 --> 01:49:24,800

opened to come into the room

3016

01:49:30,629 --> 01:49:27,920

and i had a big old radio

3017

01:49:33,109 --> 01:49:30,639

one of those old 1940s wood cabinet

3018

01:49:35,910 --> 01:49:33,119

radios oh the bass sound on that was

3019

01:49:36,870 --> 01:49:35,920

lovely it was amazing anyhow i look at

3020

01:49:39,669 --> 01:49:36,880

this cabinet

3021

01:49:40,550 --> 01:49:39,679

and suddenly it all disappears into a

3022

01:49:43,990 --> 01:49:40,560

bright light

3023

01:49:46,629 --> 01:49:44,000

and a portal is opening up in the wall

3024

01:49:47,430 --> 01:49:46,639

and a woman is coming down this long

3025

01:49:50,470 --> 01:49:47,440

white

3026

01:49:53,669 --> 01:49:50,480

hallway tunnel towards me

3027

01:49:56,950 --> 01:49:53,679

in a beautiful flowing kind of

3028

01:50:00,629 --> 01:49:56,960

masters not masters of the universe but

3029

01:50:03,669 --> 01:50:00,639

um ascended master type of garb

3030

01:50:05,589 --> 01:50:03,679

and i look at her and she's beautiful

3031

01:50:05,830 --> 01:50:05,599

folks i'm like i'm amazed i don't know

3032

01:50:10,870 --> 01:50:05,840

if

3033

01:50:11,830 --> 01:50:10,880

get but i was amazed and i realized it

3034

01:50:14,070 --> 01:50:11,840

was me

3035

01:50:15,270 --> 01:50:14,080

and that was even weirder so you know

3036

01:50:16,470 --> 01:50:15,280

what i'm going to leave it as a

3037

01:50:18,950 --> 01:50:16,480

cliffhanger there

3038

01:50:20,470 --> 01:50:18,960

and i will see you guys all next week

3039

01:50:22,070 --> 01:50:20,480

and i will finish the story about the

3040

01:50:23,750 --> 01:50:22,080

lady coming through the wall

3041

01:50:25,510 --> 01:50:23,760

and i want to thank you all for putting

3042

01:50:25,830 --> 01:50:25,520

up with me tonight without a guest it

3043

01:50:28,310 --> 01:50:25,840

was

3044

01:50:29,990 --> 01:50:28,320

lots of fun so hang in there everyone
