funders network radio live program

11

00:00:46,500 --> 00:00:44,409  
I'm your host for this week we look at

13  
00:00:49,349 --> 00:00:46,510

truth funders calm and everything that

14

00:00:52,379 --> 00:00:49,359

is the paranormal metaphysical universal

15

00:00:55,680 --> 00:00:52,389

and good it's about the light here this

16

00:00:57,329 --> 00:00:55,690

is a community interactive oriented live

17

00:00:59,639 --> 00:00:57,339

radio show for you the truth funders

18

00:01:01,979 --> 00:00:59,649

network community and everyone else that

19

00:01:05,100 --> 00:01:01,989

happens to be tuned in listening live to

20

00:01:08,490 --> 00:01:05,110

us on irn this evening thanks again for

21

00:01:12,300 --> 00:01:08,500

tuning in I have the creator of truth

22

00:01:14,789 --> 00:01:12,310

funders dot-com with me his name is mark

23

00:01:18,149 --> 00:01:14,799

schwartz and a lot of people have no

24

00:01:20,310 --> 00:01:18,159

idea what the hell truth finders calm is

25

00:01:23,990 --> 00:01:20,320

why I'm even talking about this

26  
00:01:27,770 --> 00:01:24,000  
craziness mark hi hey how you doing art

27  
00:01:30,510 --> 00:01:27,780  
okay first of all I have to say we are

28  
00:01:33,330 --> 00:01:30,520  
just thrown into this right now and

29  
00:01:35,039 --> 00:01:33,340  
we're having a good time I'd literally

30  
00:01:37,380 --> 00:01:35,049  
feel like I'm at a laundromat and

31  
00:01:39,870 --> 00:01:37,390  
somebody threw me in the dryer on the

32  
00:01:41,520 --> 00:01:39,880  
dry cycle and hit on and we're just

33  
00:01:42,810 --> 00:01:41,530  
rumbling around right now going in

34  
00:01:44,429 --> 00:01:42,820  
circles so this might be a little rough

35  
00:01:48,239 --> 00:01:44,439  
but we'll get through it but it's great

36  
00:01:51,389 --> 00:01:48,249  
no it's great I mean live radio is is

37  
00:01:54,389 --> 00:01:51,399  
the place to be and I am just a huge

38  
00:01:55,800 --> 00:01:54,399

believer in the change of of what's

39

00:01:58,529 --> 00:01:55,810

happening right now with terrestrial

40

00:02:00,450 --> 00:01:58,539

radio and how people are moving over to

41

00:02:02,039 --> 00:02:00,460

the digital space and digital radio

42

00:02:03,959 --> 00:02:02,049

because they can actually get what they

43

00:02:07,169 --> 00:02:03,969

want like the new Tesla's that are

44

00:02:08,940 --> 00:02:07,179

coming out all those cars are programmed

45

00:02:12,570 --> 00:02:08,950

with digital dashboards and you have

46

00:02:14,010 --> 00:02:12,580

tuned in there you have different apps

47

00:02:16,410 --> 00:02:14,020

but it

48

00:02:18,390 --> 00:02:16,420

hard to find the am FM dial so this is

49

00:02:20,580 --> 00:02:18,400

this is a you know what I'm really

50

00:02:25,170 --> 00:02:20,590

excited about is being a part of this

51  
00:02:28,020 --> 00:02:25,180  
new genre of you know disruption that's

52  
00:02:29,820 --> 00:02:28,030  
happening in in society and and it's a

53  
00:02:32,220 --> 00:02:29,830  
great tool it's a great tool for people

54  
00:02:33,770 --> 00:02:32,230  
like us trying to find the truth to be

55  
00:02:37,260 --> 00:02:33,780  
able to communicate with each other and

56  
00:02:39,000 --> 00:02:37,270  
talk with each other and talk with the

57  
00:02:41,100 --> 00:02:39,010  
world it's at the same time because

58  
00:02:43,050 --> 00:02:41,110  
never before in the history were you

59  
00:02:44,940 --> 00:02:43,060  
able to do something like this well

60  
00:02:47,370 --> 00:02:44,950  
let's tell a little bit of your story

61  
00:02:50,040 --> 00:02:47,380  
and my story and why it is we're on here

62  
00:02:51,660 --> 00:02:50,050  
speaking live this evening or morning or

63  
00:02:54,510 --> 00:02:51,670

afternoon wherever 20 listening is a

64

00:02:57,000 --> 00:02:54,520

global community uh truth funders in

65

00:02:59,570 --> 00:02:57,010

essence is a brand new website that just

66

00:03:02,720 --> 00:02:59,580

launched within the last month or so

67

00:03:05,640 --> 00:03:02,730

created and owned by you that is

68

00:03:08,280 --> 00:03:05,650

specifically driven crowdfunding

69

00:03:09,750 --> 00:03:08,290

crowdsourcing towards the paranormal in

70

00:03:12,000 --> 00:03:09,760

the metaphysical and everything that is

71

00:03:14,190 --> 00:03:12,010

sort of fringe that is so widely

72

00:03:17,610 --> 00:03:14,200

interested in by know many people but

73

00:03:20,460 --> 00:03:17,620

also so widely avoided in discussion by

74

00:03:21,780 --> 00:03:20,470

the mass public and I think that I would

75

00:03:23,400 --> 00:03:21,790

like to first and foremost just

76  
00:03:25,020 --> 00:03:23,410  
introduce people to the website and the

77  
00:03:27,900 --> 00:03:25,030  
story behind it and kind of talk about

78  
00:03:30,600 --> 00:03:27,910  
that yeah absolutely so I'm a little bit

79  
00:03:33,780 --> 00:03:30,610  
about myself so I'm the CEO of truth

80  
00:03:36,420 --> 00:03:33,790  
funders calm and you guys if you're out

81  
00:03:38,760 --> 00:03:36,430  
there right now go check it out truth

82  
00:03:41,190 --> 00:03:38,770  
funders calm and it's a brand new

83  
00:03:43,170 --> 00:03:41,200  
technically powerful crowdfunding

84  
00:03:46,620 --> 00:03:43,180  
platform and it's specifically designed

85  
00:03:49,350 --> 00:03:46,630  
to fund paranormal projects like films

86  
00:03:52,170 --> 00:03:49,360  
books research and expeditions that

87  
00:03:54,810 --> 00:03:52,180  
people are trying to do you know create

88  
00:03:56,970 --> 00:03:54,820

groups of the pair of better that our

89

00:03:58,910 --> 00:03:56,980

ghost hunting and searching for for

90

00:04:01,800 --> 00:03:58,920

ghosts and in the paranormal world

91

00:04:04,050 --> 00:04:01,810

inventions basically anything that has

92

00:04:08,130 --> 00:04:04,060

to do with the unknown we want to help

93

00:04:10,199 --> 00:04:08,140

crowd fund there is a lot of other

94

00:04:13,070 --> 00:04:10,209

platforms that are out there that are

95

00:04:16,199 --> 00:04:13,080

more general I don't want to necessarily

96

00:04:18,810 --> 00:04:16,209

mention them on air but I will there

97

00:04:21,810 --> 00:04:18,820

there's places like a Kickstarter and

98

00:04:25,380 --> 00:04:21,820

IndieGoGo which are fantastic platforms

99

00:04:27,700 --> 00:04:25,390

but when it comes to the paranormal it's

100

00:04:31,930 --> 00:04:27,710

not a great place to launch you

101  
00:04:35,400 --> 00:04:31,940  
or your project I see people creating

102  
00:04:38,350 --> 00:04:35,410  
projects all the time on on different

103  
00:04:41,140 --> 00:04:38,360  
bigger crowdfunding platforms and their

104  
00:04:43,330 --> 00:04:41,150  
project gets kicked to the side it

105  
00:04:46,960 --> 00:04:43,340  
doesn't get any marketing thrown at it

106  
00:04:48,820 --> 00:04:46,970  
people kind of laugh at it it just goes

107  
00:04:51,070 --> 00:04:48,830  
to the bottom of the pile and so what

108  
00:04:54,189 --> 00:04:51,080  
truth funders is and what we're trying

109  
00:04:55,870 --> 00:04:54,199  
to do is shine the spotlight on those

110  
00:04:58,270 --> 00:04:55,880  
projects because those projects are

111  
00:05:00,760 --> 00:04:58,280  
amazing I mean every day I wake up and I

112  
00:05:02,439 --> 00:05:00,770  
wonder what am I doing here what's

113  
00:05:05,740 --> 00:05:02,449

what's the purpose what are we all doing

114

00:05:07,810 --> 00:05:05,750

here are their visitors are is they're

115

00:05:10,029 --> 00:05:07,820

really Bigfoot these are these are

116

00:05:12,460 --> 00:05:10,039

questions that we are have been trying

117

00:05:15,310 --> 00:05:12,470

to figure out for so long in our whole

118

00:05:17,830 --> 00:05:15,320

lives and there's such a history behind

119

00:05:21,149 --> 00:05:17,840

it in all these different cultures and

120

00:05:25,839 --> 00:05:21,159

that history and culture gets hidden by

121

00:05:28,809 --> 00:05:25,849

you know just the everyday everyday

122

00:05:30,939 --> 00:05:28,819

person who who in the past would say we

123

00:05:32,890 --> 00:05:30,949

were tin foil hat wearers but it's

124

00:05:35,920 --> 00:05:32,900

slowly becoming more and more acceptable

125

00:05:37,719 --> 00:05:35,930

because you know shows like ancient

126

00:05:42,040 --> 00:05:37,729

aliens is number one on the History

127

00:05:44,439 --> 00:05:42,050

Channel there are shows like like about

128

00:05:48,010 --> 00:05:44,449

Bigfoot that are number two on Discovery

129

00:05:49,540 --> 00:05:48,020

Channel or animal planet sorry and so

130

00:05:51,459 --> 00:05:49,550

the paranormal is something that's

131

00:05:53,920 --> 00:05:51,469

growing and growing and becoming bigger

132

00:05:55,899 --> 00:05:53,930

and bigger and truth funders really

133

00:05:59,110 --> 00:05:55,909

wants to help harness those powers and

134

00:06:03,180 --> 00:05:59,120

and answer the questions you know anyone

135

00:06:05,980 --> 00:06:03,190

who's a go-getter anyone that is an

136

00:06:09,480 --> 00:06:05,990

entrepreneur and really wants to create

137

00:06:13,240 --> 00:06:09,490

that next application that will help

138

00:06:17,800 --> 00:06:13,250

hunt ghosts or find aliens or search for

139

00:06:20,709 --> 00:06:17,810

UFOs or you know to share a story that

140

00:06:23,560 --> 00:06:20,719

happened to them as a personal abductee

141

00:06:26,230 --> 00:06:23,570

or spread the consciousness they can do

142

00:06:29,110 --> 00:06:26,240

that at truth funders if they if they

143

00:06:31,089 --> 00:06:29,120

you know go to the site and and want to

144

00:06:33,640 --> 00:06:31,099

check it out and see what they can get

145

00:06:35,170 --> 00:06:33,650

involved with and also what I'm sorry I

146

00:06:37,209 --> 00:06:35,180

want to watch jump in here really cool

147

00:06:39,339 --> 00:06:37,219

just remind any listeners out that they

148

00:06:40,490 --> 00:06:39,349

can check out truth funders on social

149

00:06:42,680 --> 00:06:40,500

media as well

150

00:06:45,230 --> 00:06:42,690

by using Twitter or Facebook I believe

151  
00:06:47,870 --> 00:06:45,240  
that's all dot-com / truth funders yes

152  
00:06:51,710 --> 00:06:47,880  
yes yes we're at truth funders on

153  
00:06:53,990 --> 00:06:51,720  
Twitter and we are true funders on

154  
00:06:55,880 --> 00:06:54,000  
facebook so you can just search for us

155  
00:06:58,760 --> 00:06:55,890  
you could like us and you'll will let

156  
00:07:00,710 --> 00:06:58,770  
you know about the latest project that's

157  
00:07:03,110 --> 00:07:00,720  
coming out and there are new projects

158  
00:07:06,050 --> 00:07:03,120  
coming out all the time and what's great

159  
00:07:08,180 --> 00:07:06,060  
is that it's big names and its small

160  
00:07:10,670 --> 00:07:08,190  
names its people no one has ever heard

161  
00:07:14,060 --> 00:07:10,680  
of before but there they have great

162  
00:07:17,120 --> 00:07:14,070  
ideas and great marketing skills to get

163  
00:07:19,909 --> 00:07:17,130

their project out there it's people that

164

00:07:23,300 --> 00:07:19,919

people know about I'm currently working

165

00:07:25,640 --> 00:07:23,310

with Jesse Marcel and in fact in the

166

00:07:29,090 --> 00:07:25,650

next two days his project is going up on

167

00:07:31,550 --> 00:07:29,100

the website and you know his his

168

00:07:36,380 --> 00:07:31,560

grandfather was part of the original

169

00:07:40,970 --> 00:07:36,390

Roswell crash and he has created models

170

00:07:43,940 --> 00:07:40,980

of the the i-beam that was originally

171

00:07:46,070 --> 00:07:43,950

shown to his father by his grandfather

172

00:07:48,500 --> 00:07:46,080

and he's going to be creating a certain

173

00:07:51,409 --> 00:07:48,510

amount of models and and sharing them on

174

00:07:53,150 --> 00:07:51,419

truth funders trying to fund a project

175

00:07:54,770 --> 00:07:53,160

there so that's something to look

176

00:07:57,140 --> 00:07:54,780

forward to you in the next two days so

177

00:08:00,560 --> 00:07:57,150

there's people that that everybody knows

178

00:08:02,450 --> 00:08:00,570

like Jesse Marcel and then there's the

179

00:08:05,710 --> 00:08:02,460

you know lesser known people who have

180

00:08:11,240 --> 00:08:05,720

just wonderful ideas and just are into

181

00:08:14,030 --> 00:08:11,250

into it all from ufology to to ghosts to

182

00:08:15,830 --> 00:08:14,040

psychic abilities competitors your

183

00:08:17,810 --> 00:08:15,840

website right now and all the different

184

00:08:19,790 --> 00:08:17,820

projects that are listed and there's ESP

185

00:08:21,920 --> 00:08:19,800

there's beetles conspiracies as in the

186

00:08:23,600 --> 00:08:21,930

band rock group there's rods that live

187

00:08:25,490 --> 00:08:23,610

in the skies there's metaphysically

188

00:08:27,590 --> 00:08:25,500

based artwork there's mysteries of the

189

00:08:32,829 --> 00:08:27,600

South Pacific cryptozoology there's all

190

00:08:35,750 --> 00:08:32,839

sorts of super content driven and very

191

00:08:36,800 --> 00:08:35,760

specific paranormally based projects to

192

00:08:38,360 --> 00:08:36,810

check out and the great thing about

193

00:08:41,110 --> 00:08:38,370

truth funders and part of the reason why

194

00:08:43,399 --> 00:08:41,120

you started it is as a result of

195

00:08:45,470 --> 00:08:43,409

paranormal type things getting lost in

196

00:08:48,260 --> 00:08:45,480

the sauce at IndieGoGo or Kickstarter

197

00:08:50,570 --> 00:08:48,270

it's impossible to really suss out the

198

00:08:52,130 --> 00:08:50,580

things that you the listener might be

199

00:08:53,660 --> 00:08:52,140

interested in and especially for that

200

00:08:54,290 --> 00:08:53,670

kind of stuff and it gives you an

201  
00:08:57,350 --> 00:08:54,300  
opportunity

202  
00:08:59,620 --> 00:08:57,360  
just have one place to go to help fund

203  
00:09:02,720 --> 00:08:59,630  
all these types of things that honestly

204  
00:09:06,740 --> 00:09:02,730  
have difficulty getting major funding

205  
00:09:09,170 --> 00:09:06,750  
because of their superstitious or you

206  
00:09:11,660 --> 00:09:09,180  
know black or whatever the lot of people

207  
00:09:14,030 --> 00:09:11,670  
with money don't want to touch them well

208  
00:09:16,400 --> 00:09:14,040  
and so that's something about truth

209  
00:09:19,430 --> 00:09:16,410  
funders as well so our website was

210  
00:09:21,110 --> 00:09:19,440  
designed to not scare people away you

211  
00:09:24,470 --> 00:09:21,120  
know generally when someone looks for a

212  
00:09:26,930 --> 00:09:24,480  
UFO online or aliens or something about

213  
00:09:29,030 --> 00:09:26,940

ESP they're going to wind up eventually

214

00:09:30,620 --> 00:09:29,040

you'll go through the rabbit hole and

215

00:09:33,889 --> 00:09:30,630

you're not clicking on all sorts of

216

00:09:35,840 --> 00:09:33,899

different stories and one takes if you

217

00:09:38,690 --> 00:09:35,850

start off at the nice Huffington Post

218

00:09:41,000 --> 00:09:38,700

article and it takes you down the rabbit

219

00:09:42,740 --> 00:09:41,010

hole to the stranger article and then

220

00:09:45,500 --> 00:09:42,750

that takes you down the rabbit hole to

221

00:09:47,300 --> 00:09:45,510

like the dark web site with the weird

222

00:09:49,310 --> 00:09:47,310

looking aliens that freak you out that

223

00:09:51,889 --> 00:09:49,320

you're looking at on it and you're like

224

00:09:53,600 --> 00:09:51,899

and sometimes people will keep going

225

00:09:55,519 --> 00:09:53,610

down the rabbit hole and other times

226

00:09:58,850 --> 00:09:55,529

that might scare people and they'll go

227

00:10:00,620 --> 00:09:58,860

back up the rabbit hole but the truth

228

00:10:04,220 --> 00:10:00,630

funders we've developed it in a way so

229

00:10:07,730 --> 00:10:04,230

that normal people can feel comfortable

230

00:10:12,340 --> 00:10:07,740

looking at this and and donating to a

231

00:10:15,230 --> 00:10:12,350

project so you don't necessarily have to

232

00:10:17,840 --> 00:10:15,240

you want to be afraid of going to this

233

00:10:20,750 --> 00:10:17,850

website it's totally clean we want to be

234

00:10:22,040 --> 00:10:20,760

like the apple of the paranormal and

235

00:10:23,720 --> 00:10:22,050

that's something that I think that we're

236

00:10:27,980 --> 00:10:23,730

going to be discussing on this pot on

237

00:10:30,500 --> 00:10:27,990

this radio show now art is is not only

238

00:10:32,510 --> 00:10:30,510

the project so the goal is that once a

239

00:10:35,210 --> 00:10:32,520

week we have one or two people on the

240

00:10:37,160 --> 00:10:35,220

show that are talking about their

241

00:10:39,560 --> 00:10:37,170

project and people can go to the website

242

00:10:41,360 --> 00:10:39,570

and interact with the project they could

243

00:10:43,310 --> 00:10:41,370

donate to the project they could get to

244

00:10:45,650 --> 00:10:43,320

know more about what that person is

245

00:10:48,680 --> 00:10:45,660

doing but the other part of this podcast

246

00:10:50,870 --> 00:10:48,690

is something really cool which is the

247

00:10:54,439 --> 00:10:50,880

effect that technology is starting to

248

00:10:59,290 --> 00:10:54,449

have on the paranormal but people could

249

00:11:02,689 --> 00:10:59,300

not make projects like this 15 years ago

250

00:11:05,000 --> 00:11:02,699

there are so many UFO groups on facebook

251  
00:11:07,340 --> 00:11:05,010  
now and you can go on a facebook you

252  
00:11:08,210 --> 00:11:07,350  
could type in UFO and search and you

253  
00:11:11,180 --> 00:11:08,220  
could join all

254  
00:11:13,730 --> 00:11:11,190  
these different UFO networks in UFO

255  
00:11:15,980 --> 00:11:13,740  
groups and you could do the same thing

256  
00:11:18,770 --> 00:11:15,990  
on Twitter and it's changing the way

257  
00:11:21,760 --> 00:11:18,780  
that we interact and not only that it's

258  
00:11:23,990 --> 00:11:21,770  
it's bringing in a younger crowd to

259  
00:11:26,510 --> 00:11:24,000  
something that I think a lot of people

260  
00:11:29,420 --> 00:11:26,520  
thought that you follow G was dying out

261  
00:11:31,100 --> 00:11:29,430  
and people the attendance was low at a

262  
00:11:33,050 --> 00:11:31,110  
lot of events and that things were

263  
00:11:34,820 --> 00:11:33,060

starting to move that way but now

264

00:11:36,590 --> 00:11:34,830

there's this resurgence happening and

265

00:11:39,260 --> 00:11:36,600

the reason why the resurgence is

266

00:11:42,920 --> 00:11:39,270

happening is because people you know

267

00:11:46,640 --> 00:11:42,930

young people medium medium middle aged

268

00:11:50,510 --> 00:11:46,650

people like myself I'm 34 years old you

269

00:11:52,370 --> 00:11:50,520

know we can go online and we can dig

270

00:11:54,080 --> 00:11:52,380

around and we can find the events that

271

00:11:56,630 --> 00:11:54,090

are actually happening around your us

272

00:11:59,060 --> 00:11:56,640

and we can participate in that stuff so

273

00:12:01,370 --> 00:11:59,070

there isn't a decrease happening what

274

00:12:03,200 --> 00:12:01,380

we're seeing is an increase and and

275

00:12:05,840 --> 00:12:03,210

that's something that's really exciting

276

00:12:08,000 --> 00:12:05,850

and driven by technology so I want to

277

00:12:11,510 --> 00:12:08,010

really discuss some of those topics on

278

00:12:13,250 --> 00:12:11,520

this show as well known this is a great

279

00:12:14,960 --> 00:12:13,260

way for people to get familiar with

280

00:12:17,060 --> 00:12:14,970

what's going on with truth funders each

281

00:12:19,310 --> 00:12:17,070

week especially as a website grows I

282

00:12:21,350 --> 00:12:19,320

really love the concept of doing a live

283

00:12:23,750 --> 00:12:21,360

weekly radio talk show that can be

284

00:12:26,270 --> 00:12:23,760

interactive and we can have the people

285

00:12:28,640 --> 00:12:26,280

behind these projects on to tell their

286

00:12:30,530 --> 00:12:28,650

stories and what it is that inspire them

287

00:12:33,560 --> 00:12:30,540

to get involved with whatever project

288

00:12:36,950 --> 00:12:33,570

that they're doing and really the human

289

00:12:38,870 --> 00:12:36,960

element the human stories behind every

290

00:12:42,800 --> 00:12:38,880

single thing like this is what's going

291

00:12:44,660 --> 00:12:42,810

to open up you know the world of why

292

00:12:46,730 --> 00:12:44,670

people need to be donating two different

293

00:12:48,860 --> 00:12:46,740

things and each week hearing somebody

294

00:12:50,330 --> 00:12:48,870

talk about their project it may sway you

295

00:12:52,310 --> 00:12:50,340

one way or the other you may be of

296

00:12:54,110 --> 00:12:52,320

looking at the truth funders project

297

00:12:55,220 --> 00:12:54,120

online that you're like man that's kind

298

00:12:56,780 --> 00:12:55,230

of cool i'm interested in that oh wow

299

00:12:58,700 --> 00:12:56,790

they're gonna interview this guy on the

300

00:13:00,680 --> 00:12:58,710

radio show coming up next week i want to

301

00:13:01,850 --> 00:13:00,690

listen to it and sieve this is something

302

00:13:04,070 --> 00:13:01,860

that's going to be worth my time or not

303

00:13:06,680 --> 00:13:04,080

it just it gives an opportunity for

304

00:13:08,300 --> 00:13:06,690

people to come once a week and really

305

00:13:10,820 --> 00:13:08,310

get to know what's going on with truth

306

00:13:12,650 --> 00:13:10,830

funders and keep updated with the person

307

00:13:14,360 --> 00:13:12,660

behind it which is you I mean it's great

308

00:13:15,620 --> 00:13:14,370

that the CEO of a website is willing to

309

00:13:17,600 --> 00:13:15,630

come on and talk about this stuff every

310

00:13:19,250 --> 00:13:17,610

week and be that hands-on and that

311

00:13:20,150 --> 00:13:19,260

involved because I know that you're not

312

00:13:22,759 --> 00:13:20,160

sleeping a whole

313

00:13:25,369 --> 00:13:22,769

right now and are things going on so

314

00:13:26,840 --> 00:13:25,379

that important aspect that's that I

315

00:13:29,210 --> 00:13:26,850

think really needs to be mentioned

316

00:13:32,720 --> 00:13:29,220

because it's a labor of love and the

317

00:13:35,480 --> 00:13:32,730

entire genesis of this website in this

318

00:13:37,939 --> 00:13:35,490

entire project in this undertaking came

319

00:13:39,980 --> 00:13:37,949

originally from that seed of passion in

320

00:13:42,710 --> 00:13:39,990

that seat of love you did not start this

321

00:13:43,939 --> 00:13:42,720

to make money at all I mean why he gets

322

00:13:46,369 --> 00:13:43,949

into the paranormal you know you know

323

00:13:48,889 --> 00:13:46,379

what I mean exactly and that's that's

324

00:13:50,900 --> 00:13:48,899

the thing too I mean I RN they're

325

00:13:54,410 --> 00:13:50,910

broadcasting us right now how cool is

326

00:13:57,170 --> 00:13:54,420

that they are doing this out of their

327

00:14:00,319 --> 00:13:57,180

own passion as well I mean literally

328

00:14:03,439 --> 00:14:00,329

they they're one of those disruptors

329

00:14:05,420 --> 00:14:03,449

right they have created an application

330

00:14:07,309 --> 00:14:05,430

so you can listen to their shows on the

331

00:14:09,410 --> 00:14:07,319

go you know you can download their app

332

00:14:14,059 --> 00:14:09,420

you can listen to them stream them

333

00:14:17,449 --> 00:14:14,069

online you can interact in there in in

334

00:14:20,629 --> 00:14:17,459

their chat rooms it's it's at a point

335

00:14:24,949 --> 00:14:20,639

now where it's like that comes from a

336

00:14:27,230 --> 00:14:24,959

labor of love and and you it's it's not

337

00:14:30,620 --> 00:14:27,240

necessarily making any money but it's

338

00:14:33,290 --> 00:14:30,630

helping support other people that are

339

00:14:35,480 --> 00:14:33,300

trying to find the answers and and

340

00:14:37,670 --> 00:14:35,490

discuss really cool interesting topics

341

00:14:39,230 --> 00:14:37,680

now you yourself I think it's important

342

00:14:41,509 --> 00:14:39,240

for for the audience to know a little

343

00:14:43,579 --> 00:14:41,519

bit about us too because here we are two

344

00:14:45,710 --> 00:14:43,589

people talking about truth funders and

345

00:14:47,840 --> 00:14:45,720

this website but true thunders is more

346

00:14:50,660 --> 00:14:47,850

than just a website I look at it as a

347

00:14:53,210 --> 00:14:50,670

place for anybody anybody could go there

348

00:14:55,309 --> 00:14:53,220

that really says I want to make a

349

00:14:57,499 --> 00:14:55,319

difference I want to make some some

350

00:14:59,660 --> 00:14:57,509

money and create something in the

351  
00:15:02,780 --> 00:14:59,670  
paranormal and this is the place where I

352  
00:15:06,889 --> 00:15:02,790  
can do it and and it'll be seen it'll be

353  
00:15:10,999 --> 00:15:06,899  
heard these guys will help us do it but

354  
00:15:12,860 --> 00:15:11,009  
but i also want to talk about sort of my

355  
00:15:14,889 --> 00:15:12,870  
love for the paranormal and your love

356  
00:15:19,189 --> 00:15:14,899  
for the paranormal and why we're here

357  
00:15:21,619 --> 00:15:19,199  
because we're not just these people and

358  
00:15:24,619 --> 00:15:21,629  
and this website we're also you know

359  
00:15:26,629 --> 00:15:24,629  
doing this radio show and so you should

360  
00:15:28,160 --> 00:15:26,639  
talk a little bit about yourself art and

361  
00:15:29,870 --> 00:15:28,170  
and maybe the audience might be

362  
00:15:31,129 --> 00:15:29,880  
interested in on how we we met that

363  
00:15:33,049 --> 00:15:31,139

would even be an interesting story

364

00:15:33,319 --> 00:15:33,059

that's my favorite thing to do as you

365

00:15:36,169 --> 00:15:33,329

know

366

00:15:38,780 --> 00:15:36,179

talk about myself Thanks that's not your

367

00:15:40,939 --> 00:15:38,790

favorite thing to do at all I hate but

368

00:15:42,379 --> 00:15:40,949

for the sake of that maybe a bunch of

369

00:15:43,819 --> 00:15:42,389

people have no idea who I am or why I'm

370

00:15:46,069 --> 00:15:43,829

hosting a radio show I guess I can do

371

00:15:48,019 --> 00:15:46,079

that uh my name like I said before the

372

00:15:49,729 --> 00:15:48,029

beginning of the show is art web and by

373

00:15:52,539 --> 00:15:49,739

the way you are listening to the truth

374

00:15:55,489 --> 00:15:52,549

lenders radio show we again this is a

375

00:15:57,979 --> 00:15:55,499

trial by fire situation so everything

376

00:16:02,329 --> 00:15:57,989

about this is kind of developing

377

00:16:05,329 --> 00:16:02,339

organically as we go exactly so the name

378

00:16:06,619 --> 00:16:05,339

truth finders radio is working it's a

379

00:16:08,629 --> 00:16:06,629

working title at the moment and we're

380

00:16:11,780 --> 00:16:08,639

gonna settle on something by by the time

381

00:16:14,449 --> 00:16:11,790

this is all settled in in and locked in

382

00:16:17,689 --> 00:16:14,459

and ready to go but I'm art web that's

383

00:16:20,900 --> 00:16:17,699

my name and I come from ten ten plus

384

00:16:23,449 --> 00:16:20,910

years now in talk radio programming and

385

00:16:25,509 --> 00:16:23,459

production and I've worked on nationally

386

00:16:28,340 --> 00:16:25,519

syndicated live radio shows and then

387

00:16:30,710 --> 00:16:28,350

live radio talk shows one of the most

388

00:16:32,780 --> 00:16:30,720

prominent named the Tom like his show

389

00:16:35,479 --> 00:16:32,790

for many years and then from there I

390

00:16:38,329 --> 00:16:35,489

moved on to the digital realm as things

391

00:16:40,159 --> 00:16:38,339

were evolving and technologies were

392

00:16:43,759 --> 00:16:40,169

shifting and it's been a couple years at

393

00:16:45,799 --> 00:16:43,769

a place called podcast one where I was

394

00:16:47,869 --> 00:16:45,809

the assistant director of programming

395

00:16:50,720 --> 00:16:47,879

and content developed and content

396

00:16:52,850 --> 00:16:50,730

development and I started tons of shows

397

00:16:54,609 --> 00:16:52,860

a lot of the most predominant podcasts

398

00:16:57,979 --> 00:16:54,619

out there right now so I have a lot of

399

00:16:59,689 --> 00:16:57,989

experience in talk radio and I know what

400

00:17:01,429 --> 00:16:59,699

it is that people want to hear and

401  
00:17:03,949 --> 00:17:01,439  
what's interesting what's captivating

402  
00:17:05,720 --> 00:17:03,959  
and i also am a huge arbel fan going

403  
00:17:07,519 --> 00:17:05,730  
back to like when i was 11 years old and

404  
00:17:08,629 --> 00:17:07,529  
i first discovered him and I used to lie

405  
00:17:10,370 --> 00:17:08,639  
to my parents about saying I play

406  
00:17:12,710 --> 00:17:10,380  
tonight listening to heart and I just

407  
00:17:14,059 --> 00:17:12,720  
captivate I mean I did I'm so proud that

408  
00:17:17,480 --> 00:17:14,069  
I even share the same first name of the

409  
00:17:19,129 --> 00:17:17,490  
guy so what was you know what was your

410  
00:17:22,279 --> 00:17:19,139  
if I can interrupt you for a second

411  
00:17:24,710 --> 00:17:22,289  
you're scared scariest moment laying in

412  
00:17:26,629 --> 00:17:24,720  
bed as a kid listening to art bell what

413  
00:17:28,639 --> 00:17:26,639

what was it was there a defining moment

414

00:17:32,720 --> 00:17:28,649

when you were laying there and you were

415

00:17:35,840 --> 00:17:32,730

like what the heck is going on no

416

00:17:41,419 --> 00:17:35,850

actually I've never really found myself

417

00:17:43,100 --> 00:17:41,429

in any state of kind of nervousness as a

418

00:17:44,510 --> 00:17:43,110

result of listening to show I'm sure if

419

00:17:46,380 --> 00:17:44,520

I really thought about it there would be

420

00:17:49,740 --> 00:17:46,390

moments that came up where

421

00:17:51,420 --> 00:17:49,750

I can say that man I was spooked maybe

422

00:17:53,520 --> 00:17:51,430

some kind of ESP thing you know

423

00:17:55,620 --> 00:17:53,530

listening to voices within electronics

424

00:17:58,160 --> 00:17:55,630

noise kind of speak oh that's scared the

425

00:18:02,160 --> 00:17:58,170

heck out of me whenever people do that

426

00:18:04,620 --> 00:18:02,170

on any show whenever they do EVPs I

427

00:18:06,900 --> 00:18:04,630

literally if it if it's during the day

428

00:18:09,660 --> 00:18:06,910

I'll listen to it and then if it's at

429

00:18:12,090 --> 00:18:09,670

nighttime I fuse to listen to it like I

430

00:18:14,130 --> 00:18:12,100

can't do it even if I'm sitting next to

431

00:18:17,460 --> 00:18:14,140

my yeah even if I'm sleeping next to my

432

00:18:19,200 --> 00:18:17,470

fiance you know she'll like I'm afraid

433

00:18:21,620 --> 00:18:19,210

that she'll start looking at me making

434

00:18:25,320 --> 00:18:21,630

weird noises or something like the EVPs

435

00:18:27,540 --> 00:18:25,330

creeped me out so much but at the same

436

00:18:29,310 --> 00:18:27,550

time in the morning all I will listen to

437

00:18:31,470 --> 00:18:29,320

that show like I'm drawn to it I need to

438

00:18:34,380 --> 00:18:31,480

hear what what they were saying it's you

439

00:18:36,960 --> 00:18:34,390

know and you know me is it he's no good

440

00:18:38,730 --> 00:18:36,970

oh no no go ahead and my brother well I

441

00:18:40,710 --> 00:18:38,740

was just gonna say that art is a master

442

00:18:43,980 --> 00:18:40,720

broadcaster and I used to always listen

443

00:18:47,070 --> 00:18:43,990

to art bell on two levels one as just a

444

00:18:49,410 --> 00:18:47,080

radio host and how good he was or is

445

00:18:51,840 --> 00:18:49,420

rather he might come back in hot but

446

00:18:54,960 --> 00:18:51,850

also just by interest in the paranormal

447

00:18:56,790 --> 00:18:54,970

in cryptozoology and metaphysics and

448

00:18:58,830 --> 00:18:56,800

things like that you know i have ghost

449

00:19:00,120 --> 00:18:58,840

experiences tons of ghost experiences

450

00:19:03,120 --> 00:19:00,130

that I can talk about here on the air

451  
00:19:05,160 --> 00:19:03,130  
you have so many more paranormal

452  
00:19:06,570 --> 00:19:05,170  
experiences that I do that it's nuts i

453  
00:19:08,250 --> 00:19:06,580  
mean we could spend two hours just

454  
00:19:12,900 --> 00:19:08,260  
talking about the last five years of

455  
00:19:15,240 --> 00:19:12,910  
your life I'm sure but I just have

456  
00:19:18,420 --> 00:19:15,250  
always been so drawn to and so

457  
00:19:20,760 --> 00:19:18,430  
captivated by by the paranormal by the

458  
00:19:23,550 --> 00:19:20,770  
unknown by I described it the other day

459  
00:19:25,710 --> 00:19:23,560  
is the thing that we cannot sense but

460  
00:19:28,140 --> 00:19:25,720  
know it's there we can't see it we can't

461  
00:19:30,390 --> 00:19:28,150  
taste it we can't hear it we can't smell

462  
00:19:31,770 --> 00:19:30,400  
it we can't feel it but goddamn it it's

463  
00:19:34,290 --> 00:19:31,780

there and I know it's there and I

464

00:19:38,820 --> 00:19:34,300

interact with it on a daily basis you

465

00:19:40,410 --> 00:19:38,830

know basis and I've just always been you

466

00:19:42,390 --> 00:19:40,420

know especially since the internet I can

467

00:19:44,370 --> 00:19:42,400

assess with reading above top secret

468

00:19:46,380 --> 00:19:44,380

different conspiracy websites and things

469

00:19:48,420 --> 00:19:46,390

like that so somewhere like truth

470

00:19:50,610 --> 00:19:48,430

funders is a dream come true for me

471

00:19:53,280 --> 00:19:50,620

especially and the fact that I'm

472

00:19:56,610 --> 00:19:53,290

involved with this with you is huge

473

00:19:58,380 --> 00:19:56,620

honor and you said a little bit ago you

474

00:20:00,169 --> 00:19:58,390

wanted to mention about how we met and

475

00:20:04,659 --> 00:20:00,179

how we got involved

476

00:20:07,639 --> 00:20:04,669

I had been working on a online radio

477

00:20:10,580 --> 00:20:07,649

kind of syndication company in an online

478

00:20:12,560 --> 00:20:10,590

new music format called new normal music

479

00:20:14,389 --> 00:20:12,570

it was indie rock indie pop things like

480

00:20:16,129 --> 00:20:14,399

that and we actually met through that

481

00:20:17,840 --> 00:20:16,139

you were a listener of that you sent me

482

00:20:20,180 --> 00:20:17,850

an email you said hey we should work

483

00:20:21,739 --> 00:20:20,190

together and Silicon Valley and into

484

00:20:24,230 --> 00:20:21,749

technology and all these things and we

485

00:20:26,060 --> 00:20:24,240

put a few different deals together over

486

00:20:28,489 --> 00:20:26,070

the years to work together and all of

487

00:20:30,350 --> 00:20:28,499

them fell through so that was kind of a

488

00:20:34,700 --> 00:20:30,360

disappointment and then you came to me

489

00:20:38,690 --> 00:20:34,710

you know I goodness I reached out to you

490

00:20:41,720 --> 00:20:38,700

I was brokenhearted the girl that I

491

00:20:46,190 --> 00:20:41,730

thought I was going to marry left she

492

00:20:49,100 --> 00:20:46,200

left and I was crushed and so I could

493

00:20:51,019 --> 00:20:49,110

not listen to any music anymore like all

494

00:20:53,989 --> 00:20:51,029

the stuff that I hadn't been listening

495

00:20:56,299 --> 00:20:53,999

to it had all been you know those

496

00:20:59,090 --> 00:20:56,309

memories of her so I started listening

497

00:21:00,919 --> 00:20:59,100

and started you know being the the

498

00:21:03,080 --> 00:21:00,929

person that I am looking for things on

499

00:21:04,759 --> 00:21:03,090

the raid on the Internet always looking

500

00:21:08,570 --> 00:21:04,769

for the newest thing on the Internet I

501  
00:21:11,419 --> 00:21:08,580  
came across this this music station and

502  
00:21:13,100 --> 00:21:11,429  
so I was listening to it and it had

503  
00:21:15,590 --> 00:21:13,110  
nothing to do with music that i was

504  
00:21:17,539 --> 00:21:15,600  
listening before so it didn't remind me

505  
00:21:21,259 --> 00:21:17,549  
at all when i was at work and listening

506  
00:21:23,419 --> 00:21:21,269  
to music you know about about my

507  
00:21:26,269 --> 00:21:23,429  
ex-girlfriend so I wrote art a letter

508  
00:21:28,879 --> 00:21:26,279  
thanking him about that that you know is

509  
00:21:31,789 --> 00:21:28,889  
this is this is new music I hadn't heard

510  
00:21:34,460 --> 00:21:31,799  
before and its really helped out we

511  
00:21:37,310 --> 00:21:34,470  
wound up being in the same sort of space

512  
00:21:39,739 --> 00:21:37,320  
but being in the completely different

513  
00:21:41,989 --> 00:21:39,749

space at the same time he was in radio

514

00:21:47,600 --> 00:21:41,999

and i was in film and television at the

515

00:21:49,940 --> 00:21:47,610

time so and and marketing and yeah so

516

00:21:52,460 --> 00:21:49,950

then we came across and when i was

517

00:21:54,980 --> 00:21:52,470

creating truth funders I thought man it

518

00:21:57,139 --> 00:21:54,990

would be great if we had a radio show or

519

00:21:58,850 --> 00:21:57,149

if we had a podcast and we were able to

520

00:22:01,009 --> 00:21:58,860

bring on some of the people that are

521

00:22:02,810 --> 00:22:01,019

creating projects and have them talk

522

00:22:04,669 --> 00:22:02,820

about their projects because they know

523

00:22:08,659 --> 00:22:04,679

more about the projects than we ever

524

00:22:12,649 --> 00:22:08,669

could and really helped them get a leg

525

00:22:13,490 --> 00:22:12,659

up as far as marketing you know for

526  
00:22:15,320 --> 00:22:13,500  
their own

527  
00:22:18,170 --> 00:22:15,330  
ject and to get it out there because

528  
00:22:20,410 --> 00:22:18,180  
these other big big places they don't do

529  
00:22:23,450 --> 00:22:20,420  
that they don't they don't make you know

530  
00:22:25,580 --> 00:22:23,460  
podcasts for people to listen to and

531  
00:22:28,340 --> 00:22:25,590  
help their projects they'll send an e

532  
00:22:29,750 --> 00:22:28,350  
blast and that's about it so we want to

533  
00:22:31,720 --> 00:22:29,760  
really do something that made a

534  
00:22:34,460 --> 00:22:31,730  
difference and was a big car matic

535  
00:22:36,470 --> 00:22:34,470  
project and so I thought you know who

536  
00:22:39,770 --> 00:22:36,480  
else could better help me come up with

537  
00:22:42,530 --> 00:22:39,780  
an idea for a radio show than art and so

538  
00:22:44,870 --> 00:22:42,540

once again I think people are sent to

539

00:22:47,870 --> 00:22:44,880

you for certain reasons at different

540

00:22:50,510 --> 00:22:47,880

points of your life and that's what what

541

00:22:53,150 --> 00:22:50,520

art is and he is here and he has been

542

00:22:55,070 --> 00:22:53,160

since we started doing we we did the

543

00:22:57,110 --> 00:22:55,080

podcast and the podcast is on truth

544

00:22:59,030 --> 00:22:57,120

funders calm you can listen to a few

545

00:23:03,170 --> 00:22:59,040

episodes of it there before we came to

546

00:23:05,720 --> 00:23:03,180

irn but man dudes a professional and

547

00:23:08,330 --> 00:23:05,730

right now we're we're on the fly we're

548

00:23:11,960 --> 00:23:08,340

on the go like we literally said hey

549

00:23:14,450 --> 00:23:11,970

let's do a show yeah five minutes before

550

00:23:16,580 --> 00:23:14,460

we went on and so you're what you're

551  
00:23:19,160 --> 00:23:16,590  
hearing is what I think people want to

552  
00:23:21,080 --> 00:23:19,170  
hear the behind the scenes stuff get to

553  
00:23:23,600 --> 00:23:21,090  
know us a little bit and and what we're

554  
00:23:25,670 --> 00:23:23,610  
about and from there we can move on to

555  
00:23:30,320 --> 00:23:25,680  
these awesome topics of the paranormal

556  
00:23:33,020 --> 00:23:30,330  
and and you know the wonderous wonderful

557  
00:23:35,570 --> 00:23:33,030  
world that's out there of mystery and

558  
00:23:37,460 --> 00:23:35,580  
intrigue I want to back up something you

559  
00:23:39,200 --> 00:23:37,470  
just said very quickly and state that

560  
00:23:41,830 --> 00:23:39,210  
everything absolutely one hundred

561  
00:23:44,170 --> 00:23:41,840  
percent happens for a reason and I do

562  
00:23:46,010 --> 00:23:44,180  
wholeheartedly believe that our

563  
00:23:48,020 --> 00:23:46,020

interactions our encounters in our

564

00:23:51,290 --> 00:23:48,030

initial meeting and coming together was

565

00:23:53,440 --> 00:23:51,300

as a result of this now what we're doing

566

00:23:56,510 --> 00:23:53,450

coming up in a few years down the line

567

00:23:58,540 --> 00:23:56,520

you know I know I knew when I met you

568

00:24:02,270 --> 00:23:58,550

that we were already vibing on a

569

00:24:04,310 --> 00:24:02,280

wavelength together that i did not have

570

00:24:05,990 --> 00:24:04,320

with most other people that I met you

571

00:24:07,820 --> 00:24:06,000

just got it in a certain way and

572

00:24:09,500 --> 00:24:07,830

everyone listening knows especially

573

00:24:13,190 --> 00:24:09,510

people that are into the paranormal and

574

00:24:15,260 --> 00:24:13,200

exploring the the out what is outside of

575

00:24:17,480 --> 00:24:15,270

their comfort zone type things it did

576

00:24:19,580 --> 00:24:17,490

you to get it or you don't and you got

577

00:24:21,260 --> 00:24:19,590

it in such a way that I knew you were

578

00:24:23,990 --> 00:24:21,270

going to have an important impact on my

579

00:24:26,840 --> 00:24:24,000

life somehow and then I think that it

580

00:24:27,320 --> 00:24:26,850

both hit us over the head in such a way

581

00:24:29,030 --> 00:24:27,330

that we

582

00:24:30,650 --> 00:24:29,040

didn't really know what to do with it

583

00:24:31,970 --> 00:24:30,660

and it did take a few years for

584

00:24:34,190 --> 00:24:31,980

something to come together but thank God

585

00:24:35,960 --> 00:24:34,200

it was this and not like two of the

586

00:24:37,990 --> 00:24:35,970

other projects that we tried to put

587

00:24:40,940 --> 00:24:38,000

together because those weren't

588

00:24:42,320 --> 00:24:40,950

ultimately it for the power of good and

589

00:24:46,180 --> 00:24:42,330

I really believe that what we're doing

590

00:24:50,600 --> 00:24:46,190

here is providing an amplification

591

00:24:53,180 --> 00:24:50,610

system to do good to get things out into

592

00:24:55,460 --> 00:24:53,190

the world and to expose truths and to

593

00:24:59,630 --> 00:24:55,470

expose hypocrisy and things that have

594

00:25:01,790 --> 00:24:59,640

been covered up and allow the community

595

00:25:04,610 --> 00:25:01,800

the world community the global community

596

00:25:07,250 --> 00:25:04,620

to come together and tell all these

597

00:25:09,770 --> 00:25:07,260

people in power that are holding so much

598

00:25:13,280 --> 00:25:09,780

information back hey excuse my language

599

00:25:15,110 --> 00:25:13,290

f off you know and that really is it's

600

00:25:17,660 --> 00:25:15,120

such an important element of this whole

601  
00:25:20,150 --> 00:25:17,670  
project for me to be able to contribute

602  
00:25:22,910 --> 00:25:20,160  
towards something like that that's

603  
00:25:25,010 --> 00:25:22,920  
awesome I mean that's so great and in

604  
00:25:29,750 --> 00:25:25,020  
and you're exactly right you know the

605  
00:25:33,740 --> 00:25:29,760  
the fact that I can be you know Joe

606  
00:25:37,760 --> 00:25:33,750  
somebody in the middle of the country

607  
00:25:42,230 --> 00:25:37,770  
and I have an idea and it's a paranormal

608  
00:25:44,030 --> 00:25:42,240  
idea and I can put it somewhere and I if

609  
00:25:46,700 --> 00:25:44,040  
it's a good idea and I believe in it and

610  
00:25:49,030 --> 00:25:46,710  
I put I actually say hey I'm gonna do

611  
00:25:51,560 --> 00:25:49,040  
this I'm gonna do it i believe in myself

612  
00:25:52,940 --> 00:25:51,570  
everybody can do that everybody has the

613  
00:25:54,080 --> 00:25:52,950

power to believe in themselves and

614

00:25:57,080 --> 00:25:54,090

everybody has the power to create

615

00:26:00,080 --> 00:25:57,090

something and and true funders is that

616

00:26:02,510 --> 00:26:00,090

place if if what you want to do is the

617

00:26:04,550 --> 00:26:02,520

paranormal and you know this is the

618

00:26:07,070 --> 00:26:04,560

place to get involved and to make your

619

00:26:09,740 --> 00:26:07,080

dream a reality and to help uncover

620

00:26:12,290 --> 00:26:09,750

truths you know a lot of people say oh I

621

00:26:13,940 --> 00:26:12,300

don't have the time to do the research i

622

00:26:16,400 --> 00:26:13,950

would really be i think i could really

623

00:26:18,080 --> 00:26:16,410

figure out you know what's going on with

624

00:26:20,300 --> 00:26:18,090

Bigfoot but i just don't have the time

625

00:26:22,130 --> 00:26:20,310

or the money to do the research well you

626  
00:26:25,040 --> 00:26:22,140  
know what you have to invest that time

627  
00:26:27,080 --> 00:26:25,050  
you have to and you have to put it out

628  
00:26:29,330 --> 00:26:27,090  
there you can have the best idea in the

629  
00:26:31,670 --> 00:26:29,340  
world and and if no one's there to hear

630  
00:26:33,950 --> 00:26:31,680  
it then it's not going to make a

631  
00:26:36,380 --> 00:26:33,960  
difference but if you have that idea and

632  
00:26:38,090 --> 00:26:36,390  
you put it out there and you scream to

633  
00:26:39,920 --> 00:26:38,100  
the world hey everyone look at checkout

634  
00:26:40,549 --> 00:26:39,930  
my idea check out what i'm doing this is

635  
00:26:43,999 --> 00:26:40,559  
it it's he

636  
00:26:46,610 --> 00:26:44,009  
and you you work at getting people to

637  
00:26:49,310 --> 00:26:46,620  
donate to it you know what you will have

638  
00:26:51,470 --> 00:26:49,320

that time because that that money will

639

00:26:54,799 --> 00:26:51,480

come into your project and you will have

640

00:26:58,100 --> 00:26:54,809

the resources in order to discover your

641

00:26:59,450 --> 00:26:58,110

dream or whatever it might be discover

642

00:27:02,840 --> 00:26:59,460

the answers to some of the questions

643

00:27:04,700 --> 00:27:02,850

that you have I mean the guys at irn

644

00:27:07,070 --> 00:27:04,710

they're they're doing this this was a

645

00:27:09,230 --> 00:27:07,080

hobby of theirs and now it's a radio

646

00:27:12,019 --> 00:27:09,240

station now it's a podcast that people

647

00:27:14,960 --> 00:27:12,029

listen to that people download from the

648

00:27:16,789 --> 00:27:14,970

apple itunes store this isn't out of

649

00:27:19,700 --> 00:27:16,799

your reach if you're out there you can

650

00:27:21,739 --> 00:27:19,710

do this you can create a projects and if

651  
00:27:25,009 --> 00:27:21,749  
you love the paranormal as much as art

652  
00:27:27,019 --> 00:27:25,019  
and I do go to choose funders com that's

653  
00:27:28,909 --> 00:27:27,029  
the place you know and and and let us

654  
00:27:32,779 --> 00:27:28,919  
know what what your project is let's

655  
00:27:34,580 --> 00:27:32,789  
let's do it I mean I want to just allow

656  
00:27:36,409 --> 00:27:34,590  
those who might have tuned in late to

657  
00:27:38,840 --> 00:27:36,419  
get comfortable with who we are my name

658  
00:27:40,700 --> 00:27:38,850  
is art web this is ken thunders radio

659  
00:27:42,980 --> 00:27:40,710  
i'm sitting here with mark Schwartz who

660  
00:27:45,379 --> 00:27:42,990  
was just speaking he is the CEO of truth

661  
00:27:48,889 --> 00:27:45,389  
funders com which is a brand new website

662  
00:27:51,919 --> 00:27:48,899  
that is a crowdsourcing a crowdfunding

663  
00:27:55,639 --> 00:27:51,929

driven entity that is paranormal based

664

00:28:00,919 --> 00:27:55,649

and solely focused on fringe type of

665

00:28:02,659 --> 00:28:00,929

projects so yeah and-and-and to talk

666

00:28:04,460 --> 00:28:02,669

about some of those French projects too

667

00:28:06,230 --> 00:28:04,470

I think it'd be cool for us to by the

668

00:28:08,299 --> 00:28:06,240

way I wanna interrupt outside when a

669

00:28:11,180 --> 00:28:08,309

review for one second yeah i'm looking

670

00:28:13,249 --> 00:28:11,190

at the inception radio network website

671

00:28:16,129 --> 00:28:13,259

here and maybe MJ if you're there you

672

00:28:17,779 --> 00:28:16,139

can answer this question for me um can I

673

00:28:19,669 --> 00:28:17,789

give out this phone number this 888

674

00:28:21,859 --> 00:28:19,679

number and if anybody is interested in

675

00:28:28,239 --> 00:28:21,869

calling in and talking to us they can do

676

00:28:33,680 --> 00:28:28,249

so or no I'll give it that anyway 888

677

00:28:35,539 --> 00:28:33,690

992 3550 there is okay cool yes the

678

00:28:37,399 --> 00:28:35,549

answer is yes great I would love to talk

679

00:28:39,980 --> 00:28:37,409

to anybody who's listening and see if

680

00:28:41,299 --> 00:28:39,990

anybody will even is uh all that

681

00:28:43,100 --> 00:28:41,309

interested in what we're talking about

682

00:28:45,049 --> 00:28:43,110

or if they are learning about truth

683

00:28:46,909 --> 00:28:45,059

funders for the first time and get some

684

00:28:48,680 --> 00:28:46,919

get some responses to what's going on

685

00:28:50,149 --> 00:28:48,690

here maybe I suck you want to tell me

686

00:28:53,000 --> 00:28:50,159

that you're more than welcome to do so

687

00:28:56,500 --> 00:28:53,010

everybody has an opinion 88 89

688

00:28:58,880 --> 00:28:56,510

923 55 is the phone number to call into

689

00:29:00,800 --> 00:28:58,890

inception radio network can get on the

690

00:29:06,830 --> 00:29:00,810

air with Mark and I if you care to do so

691

00:29:08,180 --> 00:29:06,840

once again 88 89 1923 55 and now we are

692

00:29:09,920 --> 00:29:08,190

going to talk about a couple of projects

693

00:29:11,750 --> 00:29:09,930

that are currently on truth funders calm

694

00:29:14,180 --> 00:29:11,760

and we do have something to play here at

695

00:29:16,700 --> 00:29:14,190

some point I believe too that is also

696

00:29:21,730 --> 00:29:16,710

based on one of these projects yeah

697

00:29:25,670 --> 00:29:21,740

absolutely so um okay so space boy he is

698

00:29:27,080 --> 00:29:25,680

this incredible musician you know

699

00:29:30,170 --> 00:29:27,090

everyone has their own taste in music

700

00:29:33,350 --> 00:29:30,180

and that's a given his his music is

701

00:29:35,540 --> 00:29:33,360

electronic but he's a big fan he he

702

00:29:37,640 --> 00:29:35,550

loves the paranormal and I first

703

00:29:39,500 --> 00:29:37,650

encountered him through Jimmy church he

704

00:29:41,530 --> 00:29:39,510

was a big fan he and he created the

705

00:29:46,700 --> 00:29:41,540

bumper music for the Jimmy church show

706

00:29:48,350 --> 00:29:46,710

and so so he you know he's on Twitter a

707

00:29:49,850 --> 00:29:48,360

lot and we were tweeting back and forth

708

00:29:52,550 --> 00:29:49,860

I said hey man you should do a project

709

00:29:55,220 --> 00:29:52,560

you never know it might be interesting

710

00:29:57,980 --> 00:29:55,230

and he wrote me back he said oh well I

711

00:30:00,170 --> 00:29:57,990

don't know I don't know if there's

712

00:30:01,760 --> 00:30:00,180

anything to do but I love the idea and I

713

00:30:03,740 --> 00:30:01,770

totally support your idea a hundred

714

00:30:06,080 --> 00:30:03,750

percent and then about a week and a half

715

00:30:08,600 --> 00:30:06,090

later he wrote me back on twitter said

716

00:30:11,480 --> 00:30:08,610

hey I have an idea and I said bring it

717

00:30:15,790 --> 00:30:11,490

on so he wanted to call he wanted to

718

00:30:18,920 --> 00:30:15,800

bring on or create actually create a

719

00:30:20,570 --> 00:30:18,930

song and you know he does electronic

720

00:30:24,170 --> 00:30:20,580

music he wanted to create a song just

721

00:30:26,300 --> 00:30:24,180

for truth funders based off of our logo

722

00:30:28,520 --> 00:30:26,310

which is the Dragonfly which I can get

723

00:30:31,370 --> 00:30:28,530

into why the logos and dragonfly and

724

00:30:33,980 --> 00:30:31,380

[h\_\_\h] that story yeah let's actually make

725

00:30:36,020 --> 00:30:33,990

that the last thing that we do with this

726

00:30:40,270 --> 00:30:36,030

show this evening but let's play the

727

00:30:45,440 --> 00:30:40,280

song before that alright cool so um so

728

00:30:48,290 --> 00:30:45,450

yeah let's see um we basically we

729

00:30:51,380 --> 00:30:48,300

basically got in touch with each other

730

00:30:53,330 --> 00:30:51,390

and I said to him hey let's uh let's get

731

00:30:56,440 --> 00:30:53,340

something together so he is like

732

00:30:59,390 --> 00:30:56,450

prolific he has created I don't know I

733

00:31:04,010 --> 00:30:59,400

don't quote me but it's I think it's 17

734

00:31:06,860 --> 00:31:04,020

12 or 17 albums of his own music since

735

00:31:10,310 --> 00:31:06,870

he started many many years

736

00:31:13,760 --> 00:31:10,320

go and if you go to his his truth

737

00:31:15,950 --> 00:31:13,770

funders page for five dollars you got to

738

00:31:18,799 --> 00:31:15,960

musical downloads you get one band load

739

00:31:21,470 --> 00:31:18,809

of his song called dragonfly which is

740

00:31:24,650 --> 00:31:21,480

based off the truth lenders logo and

741

00:31:28,970 --> 00:31:24,660

then there spaceboy track off of any

742

00:31:31,700 --> 00:31:28,980

album know that that he has and he has

743

00:31:33,980 --> 00:31:31,710

you can you can donate to his project

744

00:31:36,380 --> 00:31:33,990

I'm ten dollars twenty dollars thirty

745

00:31:38,630 --> 00:31:36,390

dollars all the way up to 60 bucks and I

746

00:31:41,720 --> 00:31:38,640

think 60 bucks gets you something like

747

00:31:45,860 --> 00:31:41,730

five or six albums plus the the

748

00:31:49,760 --> 00:31:45,870

dragonfly track and and of track of your

749

00:31:54,260 --> 00:31:49,770

own so it's pretty cool and I don't have

750

00:31:56,930 --> 00:31:54,270

access currently to my skype but if

751  
00:31:59,090 --> 00:31:56,940  
you're there MJ we'd love to hear sample

752  
00:32:00,560 --> 00:31:59,100  
that song for maybe 20 seconds just so

753  
00:32:32,400 --> 00:32:00,570  
the audience can hear it that'd be great

754  
00:32:32,410 --> 00:33:02,140  
ha

755  
00:33:02,150 --> 00:33:26,090  
I

756  
00:33:33,660 --> 00:33:28,860  
spaceboy it's the space for a true

757  
00:33:37,350 --> 00:33:33,670  
colors so you can many other people

758  
00:33:39,600 --> 00:33:37,360  
right now the truth fun boys get web and

759  
00:33:41,310 --> 00:33:39,610  
give more choice and that's that's

760  
00:33:43,140 --> 00:33:41,320  
something I like to say is this song

761  
00:33:45,150 --> 00:33:43,150  
when I first heard it I was like oh yeah

762  
00:33:48,660 --> 00:33:45,160  
that's really good it felt kind of

763  
00:33:51,030 --> 00:33:48,670

inspirational and then I heard a few

764

00:33:53,970 --> 00:33:51,040

more times and I i went ahead and i

765

00:33:55,800 --> 00:33:53,980

supported space boy i spent ten bucks of

766

00:34:00,720 --> 00:33:55,810

my own money and I downloaded one of his

767

00:34:03,690 --> 00:34:00,730

own and his albums are like just so good

768

00:34:05,610 --> 00:34:03,700

and this mixed in with it was great it's

769

00:34:07,590 --> 00:34:05,620

something that I can go to sleep to like

770

00:34:09,840 --> 00:34:07,600

at nighttime when I'm falling asleep I

771

00:34:13,200 --> 00:34:09,850

ponds baseball and I'm like in this

772

00:34:16,169 --> 00:34:13,210

other world and just thinking and zoning

773

00:34:17,669 --> 00:34:16,179

out and it's great for meditation and I

774

00:34:19,590 --> 00:34:17,679

also listen to it when i wake up in the

775

00:34:21,450 --> 00:34:19,600

morning and get ready because it's kind

776

00:34:24,450 --> 00:34:21,460

of like yeah my day is going to be good

777

00:34:27,570 --> 00:34:24,460

so yeah that's that's sort of a sample

778

00:34:29,990 --> 00:34:27,580

of it of space boys project and that's

779

00:34:32,460 --> 00:34:30,000

an example of being creative like you

780

00:34:35,850 --> 00:34:32,470

want to create something and be part of

781

00:34:38,460 --> 00:34:35,860

the paranormal his you know he's space

782

00:34:41,940 --> 00:34:38,470

boy and he's making music you don't

783

00:34:44,430 --> 00:34:41,950

necessarily have to create a project to

784

00:34:46,770 --> 00:34:44,440

go search in the pyramids of ancient

785

00:34:50,129 --> 00:34:46,780

Egypt and look underneath the sphinxes

786

00:34:52,260 --> 00:34:50,139

you know leg in order to to create a

787

00:34:54,950 --> 00:34:52,270

project here you could create something

788

00:34:58,590 --> 00:34:54,960

that's artistic and musical like that

789

00:35:01,140 --> 00:34:58,600

but it supports the paranormal genre and

790

00:35:03,000 --> 00:35:01,150

paranormal world you know I would love

791

00:35:07,290 --> 00:35:03,010

actually to throw out this phone number

792

00:35:09,390 --> 00:35:07,300

one more time and ask people to call in

793

00:35:11,610 --> 00:35:09,400

with projects that may have come up with

794

00:35:13,740 --> 00:35:11,620

that they would like to see themselves

795

00:35:16,170 --> 00:35:13,750

getting involved with her executing that

796

00:35:18,570 --> 00:35:16,180

they have not been able to secure the

797

00:35:21,450 --> 00:35:18,580

funds for secure the time for not really

798

00:35:23,670 --> 00:35:21,460

necessarily any type of avenues to even

799

00:35:25,680 --> 00:35:23,680

begin to start something like that if

800

00:35:27,750 --> 00:35:25,690

you have an idea for a project that you

801  
00:35:30,900 --> 00:35:27,760  
think you would love to see up on truth

802  
00:35:34,620 --> 00:35:30,910  
funders calm and get going please call

803  
00:35:38,819 --> 00:35:34,630  
eight eight eight nine one nine two 355

804

812  
00:36:08,999 --> 00:36:06,279  
Claremont California virtually a stone's

813  
00:36:12,029 --> 00:36:09,009

throw from the famous claremont colleges

814

00:36:14,130 --> 00:36:12,039

I grew up in Riverside California very

815

00:36:15,660 --> 00:36:14,140

close to where you are and I currently

816

00:36:17,609 --> 00:36:15,670

in broadcasting from Pasadena marks

817

00:36:19,620 --> 00:36:17,619

nowhere near as don't listen to him all

818

00:36:22,109 --> 00:36:19,630

alone in California I'm in the Silicon

819

00:36:25,890 --> 00:36:22,119

Valley far far away from LA we have the

820

00:36:28,170 --> 00:36:25,900

rivalry going on hey indeed we do on the

821

00:36:30,870 --> 00:36:28,180

yes indeed well but we all have the same

822

00:36:34,380 --> 00:36:30,880

whether that doesn't have snow several

823

00:36:37,920 --> 00:36:34,390

seen yet we are the same broken state we

824

00:36:39,359 --> 00:36:37,930

have the same broken economy exactly oh

825

00:36:43,880 --> 00:36:39,369

well wait till we get that incredible

826  
00:36:46,859 --> 00:36:43,890  
high-speed train but on another realm I

827  
00:36:50,099 --> 00:36:46,869  
read the UFO headline news here at

828  
00:36:51,630 --> 00:36:50,109  
inception radio network okay great well

829  
00:36:53,910 --> 00:36:51,640  
thanks so much for calling in and saying

830  
00:36:56,160 --> 00:36:53,920  
hi to us and all well yes and I'm

831  
00:36:58,259 --> 00:36:56,170  
calling to say hey go guys because this

832  
00:37:00,809 --> 00:36:58,269  
is a great addition you sound fantastic

833  
00:37:02,819 --> 00:37:00,819  
and I love your content awesome thank

834  
00:37:05,099 --> 00:37:02,829  
you so much Carolyn I appreciate that

835  
00:37:07,380 --> 00:37:05,109  
and you listening and we look forward to

836  
00:37:09,289 --> 00:37:07,390  
having you there in the show interesting

837  
00:37:13,380 --> 00:37:09,299  
being involved more with inception radio

838  
00:37:15,180 --> 00:37:13,390

question because I do I listen to you

839

00:37:17,339 --> 00:37:15,190

know I'm a big fan of inception radio

840

00:37:19,799 --> 00:37:17,349

and so I feel honored to even you know

841

00:37:21,719 --> 00:37:19,809

beyond inception radio it's always it's

842

00:37:24,839 --> 00:37:21,729

all it's a very cool thing and I hear

843

00:37:27,269 --> 00:37:24,849

you dude UFO report and it's really

844

00:37:29,009 --> 00:37:27,279

exciting where where do you get your UFO

845

00:37:30,719 --> 00:37:29,019

reports from do you wrap them from all

846

00:37:35,189 --> 00:37:30,729

over the place or is it just one

847

00:37:38,099 --> 00:37:35,199

specific Asian well I spend a lot of

848

00:37:40,410 --> 00:37:38,109

time grabbing and sleuthing and you know

849

00:37:43,880 --> 00:37:40,420

various websites and then of course you

850

00:37:45,809 --> 00:37:43,890

know as in the jack head Manitoba Canada

851

00:37:48,269 --> 00:37:45,819

interesting thing that's going on up

852

00:37:51,290 --> 00:37:48,279

there which could be Canada's Roswell

853

00:37:53,330 --> 00:37:51,300

but i'm not saying i just read it

854

00:37:55,610 --> 00:37:53,340

out of a lake and I have been keeping up

855

00:37:59,060 --> 00:37:55,620

with that yeah right exactly it's

856

00:38:00,920 --> 00:37:59,070

apparently Lake Winnipeg and I know I

857

00:38:03,320 --> 00:38:00,930

mean I don't want to be part of the

858

00:38:05,810 --> 00:38:03,330

rumor machine but apparently it may not

859

00:38:08,300 --> 00:38:05,820

be exactly is we're being told it is and

860

00:38:11,060 --> 00:38:08,310

which could be very interesting so stay

861

00:38:14,020 --> 00:38:11,070

tuned but know why I just grabbed from

862

00:38:16,370 --> 00:38:14,030

various sources and it's part of my job

863

00:38:17,450 --> 00:38:16,380

what do you think about it is very

864

00:38:19,370 --> 00:38:17,460

quickly Markham sorry what do you think

865

00:38:20,480 --> 00:38:19,380

about this Obama's I think it was a

866

00:38:22,190 --> 00:38:20,490

chief of staff or something like that

867

00:38:24,800 --> 00:38:22,200

the recently stepped down to go work on

868

00:38:27,080 --> 00:38:24,810

Hillary's campaign yes yes John Podesta

869

00:38:29,420 --> 00:38:27,090

right John heard em say right out right

870

00:38:33,530 --> 00:38:29,430

I covered that you know it's very

871

00:38:35,990 --> 00:38:33,540

interesting because it's so I'm really

872

00:38:38,180 --> 00:38:36,000

in flux about this because apparently in

873

00:38:40,820 --> 00:38:38,190

some of what he said in his later

874

00:38:43,310 --> 00:38:40,830

remarks upon you know retiring or

875

00:38:46,640 --> 00:38:43,320

leaving this position to then work for

876

00:38:49,310 --> 00:38:46,650

Hillary he said something about how his

877

00:38:53,540 --> 00:38:49,320

biggest regret in his position was if he

878

00:38:56,360 --> 00:38:53,550

did not somehow gather enough fuel

879

00:38:58,780 --> 00:38:56,370

behind him underneath him whatever to

880

00:39:01,220 --> 00:38:58,790

push disclosure to the American public

881

00:39:03,440 --> 00:39:01,230

now it's real interesting because some

882

00:39:06,500 --> 00:39:03,450

sources that you would think would not

883

00:39:09,530 --> 00:39:06,510

be disinformation sources and supportive

884

00:39:12,110 --> 00:39:09,540

of the UFO disclosure project some

885

00:39:16,670 --> 00:39:12,120

sources said well he was joking when he

886

00:39:19,610 --> 00:39:16,680

said that so hahaha I don't know it's a

887

00:39:21,350 --> 00:39:19,620

great big confusing thing if anything

888

00:39:24,050 --> 00:39:21,360

when people are talking about it so it's

889

00:39:25,580 --> 00:39:24,060

it's just more to exactly it brings it

890

00:39:27,560 --> 00:39:25,590

to the forefront and then brings it a

891

00:39:29,450 --> 00:39:27,570

little more to mainstream and that's you

892

00:39:31,250 --> 00:39:29,460

know all we can do inch by inch step by

893

00:39:33,230 --> 00:39:31,260

step well that's what we're hoping to do

894

00:39:35,420 --> 00:39:33,240

with truth fighters as well and Mark and

895

00:39:37,070 --> 00:39:35,430

sorry I interrupted you but sees no no

896

00:39:39,640 --> 00:39:37,080

are you kidding I love listening to you

897

00:39:42,260 --> 00:39:39,650

guys talk it's it's all it's fantastic

898

00:39:45,140 --> 00:39:42,270

my other my other question that had for

899

00:39:47,810 --> 00:39:45,150

you is what debt is there a project out

900

00:39:50,510 --> 00:39:47,820

there some sort of ufology project that

901  
00:39:53,690 --> 00:39:50,520  
you've always wanted to see research

902  
00:39:55,970 --> 00:39:53,700  
happen that you feel the research is

903  
00:39:57,920 --> 00:39:55,980  
there if there was just the money and

904  
00:39:59,960 --> 00:39:57,930  
the capital and the time to do it is

905  
00:40:02,180 --> 00:39:59,970  
there is there any case in particular

906  
00:40:04,849 --> 00:40:02,190  
that you would love to to learn more

907  
00:40:06,829 --> 00:40:04,859  
about well you know when

908  
00:40:10,279 --> 00:40:06,839  
conflicted on that because as much as I

909  
00:40:13,220 --> 00:40:10,289  
say Rodwell Roswell razo I also say it's

910  
00:40:16,670 --> 00:40:13,230  
very interesting that Kecksburg was a

911  
00:40:20,359 --> 00:40:16,680  
situation where apparently there was not

912  
00:40:24,920 --> 00:40:20,369  
the immediate shall we say official

913  
00:40:28,039 --> 00:40:24,930

response to it and so in other words the

914

00:40:31,069 --> 00:40:28,049

populace were more involved in what they

915

00:40:33,700 --> 00:40:31,079

saw and there were a lot of reports that

916

00:40:36,529 --> 00:40:33,710

were I suppose they would be called

917

00:40:39,519 --> 00:40:36,539

unsubstantiated but from the locals and

918

00:40:41,930 --> 00:40:39,529

things they saw and things they heard

919

00:40:43,880 --> 00:40:41,940

and then of course there's a rumor

920

00:40:47,029 --> 00:40:43,890

machine but in other words the military

921

00:40:50,450 --> 00:40:47,039

apparently did not get the clamp down if

922

00:40:54,319 --> 00:40:50,460

you will on Kecksburg and the same time

923

00:40:56,690 --> 00:40:54,329

frame they did it Roswell right so to me

924

00:40:58,640 --> 00:40:56,700

that maintains as you know i'm not going

925

00:41:01,339 --> 00:40:58,650

to say Roswell's not legitimate but

926  
00:41:03,259 --> 00:41:01,349  
Kecksburg is really interesting to me so

927  
00:41:06,140 --> 00:41:03,269  
i would say yeah i guess i would say the

928  
00:41:08,630 --> 00:41:06,150  
Kecksburg incident oh I know many out

929  
00:41:12,620 --> 00:41:08,640  
there yet I'm writing that down as we

930  
00:41:14,900 --> 00:41:12,630  
see you because you never know I I'm

931  
00:41:17,029 --> 00:41:14,910  
keeping a little list of things that

932  
00:41:18,769 --> 00:41:17,039  
people want to see and and things that

933  
00:41:21,079 --> 00:41:18,779  
people want to know about because I

934  
00:41:23,450 --> 00:41:21,089  
think true funders is going to do

935  
00:41:26,499 --> 00:41:23,460  
something along the lines of tried you

936  
00:41:28,549 --> 00:41:26,509  
know put out put out quizzes or

937  
00:41:30,259 --> 00:41:28,559  
something along those lines because

938  
00:41:32,509 --> 00:41:30,269

there's people out there that have that

939

00:41:34,329 --> 00:41:32,519

do have these answers and are listening

940

00:41:37,130 --> 00:41:34,339

and do you want to create projects

941

00:41:40,309 --> 00:41:37,140

around this and so I and I think that's

942

00:41:42,259 --> 00:41:40,319

great something just grass roots crossed

943

00:41:45,529 --> 00:41:42,269

my mind this is like right off the top

944

00:41:49,880 --> 00:41:45,539

of my head and that is like people in

945

00:41:52,039 --> 00:41:49,890

malls with clipboards I mean absolutely

946

00:41:54,289 --> 00:41:52,049

boots on the ground saying like okay

947

00:41:56,720 --> 00:41:54,299

like Kecksburg like did you or your

948

00:41:58,370 --> 00:41:56,730

grandmother you know see anything around

949

00:42:01,700 --> 00:41:58,380

in this area and do you want to talk

950

00:42:04,370 --> 00:42:01,710

about it absolutely absolutely you know

951  
00:42:07,160 --> 00:42:04,380  
the creating something like that a

952  
00:42:09,979 --> 00:42:07,170  
project where people join and it's not

953  
00:42:12,890 --> 00:42:09,989  
even necessarily to do a donation but

954  
00:42:15,319 --> 00:42:12,900  
people join a group in order to go go

955  
00:42:17,450 --> 00:42:15,329  
and ask those questions and find some of

956  
00:42:18,470 --> 00:42:17,460  
the information for themselves I think

957  
00:42:21,890 --> 00:42:18,480  
that that is

958  
00:42:24,980 --> 00:42:21,900  
is a phenomenal idea grassroots is is

959  
00:42:28,490 --> 00:42:24,990  
where it starts and the power of the

960  
00:42:30,740 --> 00:42:28,500  
internet and social media and technology

961  
00:42:33,350 --> 00:42:30,750  
to that I has sort of a grassroots feel

962  
00:42:36,740 --> 00:42:33,360  
to it at the same time it's really funny

963  
00:42:38,780 --> 00:42:36,750

how if something bad happens and enough

964

00:42:42,050 --> 00:42:38,790

people get you know a big corporation

965

00:42:44,840 --> 00:42:42,060

gets angry tweets coming their way or

966

00:42:46,640 --> 00:42:44,850

enough tweets or Facebook messages

967

00:42:49,310 --> 00:42:46,650

coming away they'll they'll go and run

968

00:42:52,190 --> 00:42:49,320

tail so you know organizing something

969

00:42:54,260 --> 00:42:52,200

along those lines too would be right and

970

00:42:56,660 --> 00:42:54,270

I'm just thinking that very ancient meme

971

00:42:59,510 --> 00:42:56,670

of good news travels fast but bad news

972

00:43:01,250 --> 00:42:59,520

travels faster and I suppose we could

973

00:43:05,060 --> 00:43:01,260

take out the bad and put in

974

00:43:07,430 --> 00:43:05,070

controversial news travels faster abson

975

00:43:08,750 --> 00:43:07,440

976  
00:43:11,120 --> 00:43:08,760

back on the show again at some point

985

absolutely and thank you guys and I

really appreciate all your efforts yes

987  
00:43:33,290 --> 00:43:30,810  
thank you sir thanks for the call you're

988  
00:43:34,670 --> 00:43:33,300

welcome this is true thunders radio my

989

00:43:35,780 --> 00:43:34,680

name is art web i'm here with mark

990

00:43:38,030 --> 00:43:35,790

schwartz the creator of truth

991

00:43:39,440 --> 00:43:38,040

fighters.com this is a brand new show

992

00:43:41,300 --> 00:43:39,450

that you should be able to hear weekly

993

00:43:43,910 --> 00:43:41,310

here on the inception radio network

994

00:43:46,940 --> 00:43:43,920

starting it very soon again this is a

995

00:43:48,710 --> 00:43:46,950

kind of a trial by fire type of evening

996

00:43:49,970 --> 00:43:48,720

we're doing this live broadcast but

997

00:43:52,220 --> 00:43:49,980

hopefully we will have much more to

998

00:43:55,040 --> 00:43:52,230

announce coming up soon we only have

999

00:43:59,210 --> 00:43:55,050

about I think five minutes or so left

1000

00:44:02,000 --> 00:43:59,220

and I want to have you like I said a few

1001  
00:44:05,900 --> 00:44:02,010  
minutes ago mark explain the Dragonfly

1002  
00:44:08,720 --> 00:44:05,910  
logo behind truth funders and why you

1003  
00:44:12,200 --> 00:44:08,730  
chose a dragonfly to be the emblem and

1004  
00:44:15,650 --> 00:44:12,210  
the symbolic representation of what

1005  
00:44:18,110 --> 00:44:15,660  
truth funders is absolutely so I'll

1006  
00:44:20,930 --> 00:44:18,120  
start there and then a couple things to

1007  
00:44:23,120 --> 00:44:20,940  
end up with as well just a couple of

1008  
00:44:24,590 --> 00:44:23,130  
links to send people to so they can

1009  
00:44:28,700 --> 00:44:24,600  
check out some of these school projects

1010  
00:44:30,650 --> 00:44:28,710  
but the dragonfly okay when when I first

1011  
00:44:32,059 --> 00:44:30,660  
came up with the idea of truth funders

1012  
00:44:34,969 --> 00:44:32,069  
my background

1013  
00:44:37,609 --> 00:44:34,979

is its in television and technology and

1014

00:44:40,489 --> 00:44:37,619

in 2010 I was nominated for an

1015

00:44:43,849 --> 00:44:40,499

interactive primetime interactive media

1016

00:44:48,890 --> 00:44:43,859

Emmy for an interactive application I

1017

00:44:52,910 --> 00:44:48,900

did that mixed the video with social

1018

00:44:56,150 --> 00:44:52,920

media and for for television show on on

1019

00:44:58,039 --> 00:44:56,160

Fox Glee it's not my favorite show in

1020

00:45:01,819 --> 00:44:58,049

the world out there I'm the first to say

1021

00:45:03,709 --> 00:45:01,829

by any means but it you know it was work

1022

00:45:07,910 --> 00:45:03,719

and i created this really cool

1023

00:45:10,160 --> 00:45:07,920

application with the help of my team and

1024

00:45:14,509 --> 00:45:10,170

so yeah but it was nominated for that

1025

00:45:17,479 --> 00:45:14,519

and kept pursuing that started working

1026  
00:45:20,839 --> 00:45:17,489  
for you know creating shows on amazon

1027  
00:45:24,380 --> 00:45:20,849  
creating shows for hulu doing a lot of a

1028  
00:45:26,390 --> 00:45:24,390  
lot of production work and interactive

1029  
00:45:28,160 --> 00:45:26,400  
technology work and in the back of my

1030  
00:45:31,729 --> 00:45:28,170  
mind while I was doing that I was always

1031  
00:45:34,939 --> 00:45:31,739  
listening to new interesting paranormal

1032  
00:45:37,599 --> 00:45:34,949  
podcasts so when I came up with this

1033  
00:45:40,519 --> 00:45:37,609  
idea I was listening so many podcasts

1034  
00:45:43,099 --> 00:45:40,529  
paranormal podcasts a day people would

1035  
00:45:45,289 --> 00:45:43,109  
call up and and the guests on the show

1036  
00:45:47,059 --> 00:45:45,299  
would say oh we would love to do that

1037  
00:45:49,069 --> 00:45:47,069  
but we just don't have the money or

1038  
00:45:51,799 --> 00:45:49,079

we're trying to raise the money we're

1039

00:45:54,019 --> 00:45:51,809

doing a Kickstarter campaign so if you

1040

00:45:56,299 --> 00:45:54,029

could please donate and literally one

1041

00:46:00,109 --> 00:45:56,309

day I heard it six times in a row on

1042

00:46:02,239 --> 00:46:00,119

different different podcasts and

1043

00:46:04,849 --> 00:46:02,249

different radio shows and I said you

1044

00:46:07,130 --> 00:46:04,859

know the it would be a wonderful idea it

1045

00:46:13,309 --> 00:46:07,140

would just be so cool to go ahead and

1046

00:46:15,170 --> 00:46:13,319

create something so so different and I

1047

00:46:17,930 --> 00:46:15,180

was also talking to Jimmy church at the

1048

00:46:20,209 --> 00:46:17,940

time and he had brought up the the

1049

00:46:21,469 --> 00:46:20,219

Malibu base and I told him that it you

1050

00:46:24,640 --> 00:46:21,479

know it would be a great idea to

1051  
00:46:27,739 --> 00:46:24,650  
crowdfund that that Malibu base and so

1052  
00:46:30,319 --> 00:46:27,749  
all this was going on and it was going

1053  
00:46:31,939 --> 00:46:30,329  
on in my head and finally I said out

1054  
00:46:36,469 --> 00:46:31,949  
loud you know what I'm going to do this

1055  
00:46:39,109 --> 00:46:36,479  
so I called up someone who I had worked

1056  
00:46:42,410 --> 00:46:39,119  
with in the past and he was the one of

1057  
00:46:45,620 --> 00:46:42,420  
the VPS of AOL Time Warner back and back

1058  
00:46:49,160 --> 00:46:45,630  
in the day during the big merger

1059  
00:46:52,880 --> 00:46:49,170  
and I said to him you know I had this

1060  
00:46:54,950 --> 00:46:52,890  
idea for it's like a Kickstarter if you

1061  
00:47:00,249 --> 00:46:54,960  
will it's a crowdfunding campaign but

1062  
00:47:02,870 --> 00:47:00,259  
it's specifically for the paranormal and

1063  
00:47:04,789 --> 00:47:02,880

you know it took him a while and he said

1064

00:47:06,470 --> 00:47:04,799

let me call you back and I thought

1065

00:47:08,660 --> 00:47:06,480

that's it he's gonna think I'm crazy

1066

00:47:11,210 --> 00:47:08,670

it's gonna think I'm totally nuts so you

1067

00:47:12,740 --> 00:47:11,220

are crazy I mean let's be honest thank

1068

00:47:16,430 --> 00:47:12,750

you i take that it's a compliment it

1069

00:47:20,329 --> 00:47:16,440

just loves you yeah you totally are so

1070

00:47:23,630 --> 00:47:20,339

so uh literally within half an hour I

1071

00:47:26,450 --> 00:47:23,640

got a callback and I heard on the other

1072

00:47:28,730 --> 00:47:26,460

line yes we would love to do that and I

1073

00:47:31,039 --> 00:47:28,740

said are you serious you're you're on to

1074

00:47:33,920 --> 00:47:31,049

this idea and he said when he worked at

1075

00:47:36,740 --> 00:47:33,930

AOL the number one thing that people

1076  
00:47:40,809 --> 00:47:36,750  
clicked on more than anything else more

1077  
00:47:44,299 --> 00:47:40,819  
than news top headlines anything was

1078  
00:47:46,640 --> 00:47:44,309  
horoscopes that was by millions people

1079  
00:47:49,339 --> 00:47:46,650  
clicked on horoscopes so he knew that

1080  
00:47:51,620 --> 00:47:49,349  
there was you know this genre of people

1081  
00:47:53,930 --> 00:47:51,630  
out there that like the paranormal that

1082  
00:47:55,730 --> 00:47:53,940  
are interested in it would they be

1083  
00:47:58,160 --> 00:47:55,740  
willing to donate would they be willing

1084  
00:48:01,130 --> 00:47:58,170  
to create projects he didn't know but I

1085  
00:48:02,839 --> 00:48:01,140  
was really into it and and I convinced

1086  
00:48:05,569 --> 00:48:02,849  
him and we we went into business

1087  
00:48:07,390 --> 00:48:05,579  
together so our first business meeting

1088  
00:48:11,480 --> 00:48:07,400

or sitting down we're in a coffee shop

1089

00:48:13,970 --> 00:48:11,490

I'm showing him a business plan of how

1090

00:48:16,999 --> 00:48:13,980

it all works and you know how much money

1091

00:48:20,630 --> 00:48:17,009

things are gonna cost and you know a

1092

00:48:22,819 --> 00:48:20,640

breakdown of some of the higher shows in

1093

00:48:26,120 --> 00:48:22,829

the paranormal genre and the who's who

1094

00:48:28,549 --> 00:48:26,130

and I'm it's literally like a grid that

1095

00:48:30,529 --> 00:48:28,559

I've created and it sits on my computer

1096

00:48:32,630 --> 00:48:30,539

screen so he gets up to go to the

1097

00:48:35,420 --> 00:48:32,640

bathroom he says I'll be right back gets

1098

00:48:37,210 --> 00:48:35,430

up to go to the bathroom and and moments

1099

00:48:40,190 --> 00:48:37,220

after he gets up to go to the bathroom a

1100

00:48:43,490 --> 00:48:40,200

dragonfly flies into this coffee shop

1101  
00:48:46,160 --> 00:48:43,500  
now it's not an outside coffee shop

1102  
00:48:48,349 --> 00:48:46,170  
there's not like windows and doors just

1103  
00:48:51,170 --> 00:48:48,359  
open to the outside world it's like

1104  
00:48:53,740 --> 00:48:51,180  
we're in a closed-door coffee shop but

1105  
00:48:58,490 --> 00:48:53,750  
this dragonfly comes out of nowhere

1106  
00:48:59,210 --> 00:48:58,500  
it's it's or hovers directly in the above

1107  
00:49:01,640 --> 00:48:59,220  
the sea

1108  
00:49:03,859 --> 00:49:01,650  
eat of my business partner staring at my

1109  
00:49:07,250 --> 00:49:03,869  
computer screen and I thought to myself

1110  
00:49:09,589 --> 00:49:07,260  
you have got to be kidding and the first

1111  
00:49:11,990 --> 00:49:09,599  
thing being me the first thing that

1112  
00:49:14,960 --> 00:49:12,000  
comes to my head is I wonder if it's a

1113  
00:49:16,849 --> 00:49:14,970

drone if its spying on us is and and I

1114

00:49:19,460 --> 00:49:16,859

thought about it I'm like no it can't be

1115

00:49:22,160 --> 00:49:19,470

that's that's ridiculous Marquis you're

1116

00:49:25,040 --> 00:49:22,170

being ridiculous but it was just this

1117

00:49:27,620 --> 00:49:25,050

moment in time and it stayed there for

1118

00:49:31,040 --> 00:49:27,630

like 30 seconds 45 seconds staring my

1119

00:49:35,599 --> 00:49:31,050

screen and boom it was gone and I looked

1120

00:49:37,250 --> 00:49:35,609

at it as a very symbolic sort of way the

1121

00:49:39,650 --> 00:49:37,260

Dragonfly means a lot in a lot of

1122

00:49:41,990 --> 00:49:39,660

different cultures the colors of it

1123

00:49:46,730 --> 00:49:42,000

represent a lot of different people and

1124

00:49:49,030 --> 00:49:46,740

things like the indigo children I mean I

1125

00:49:51,740 --> 00:49:49,040

could go on and on about the dragonfly

1126  
00:49:56,089 --> 00:49:51,750  
was it a drone looking at my computer

1127  
00:49:59,060 --> 00:49:56,099  
screen you know I don't think so but you

1128  
00:50:02,089 --> 00:49:59,070  
never know I like to remain skeptical on

1129  
00:50:05,120 --> 00:50:02,099  
things like that but it was just really

1130  
00:50:07,280 --> 00:50:05,130  
cool and it stuck with me and so when it

1131  
00:50:09,079 --> 00:50:07,290  
came time for our logo I said you know I

1132  
00:50:10,760 --> 00:50:09,089  
already have in mind it's it's the

1133  
00:50:13,099 --> 00:50:10,770  
Dragonfly because that thing's been

1134  
00:50:15,470 --> 00:50:13,109  
following me you know since since day

1135  
00:50:17,270 --> 00:50:15,480  
one of can really sitting down and

1136  
00:50:20,030 --> 00:50:17,280

1195

00:52:43,880 --> 00:52:42,359

inception radio thank you so much Carol

1196

00:52:46,970 --> 00:52:43,890

thank you so much for calling in it is

1197

00:52:49,160 --> 00:52:46,980

our I mean I'm eagerly anticipating just

1198

00:52:51,200 --> 00:52:49,170

diving in headfirst with this show and

00:52:53,420 --> 00:52:51,210

getting to know every single person that

1200

00:52:54,620 --> 00:52:53,430

listens specifically you you listening

1201

1202

00:53:00,530 --> 00:52:58,440

from you next week and just please visit

truth lenders check it out and thank you

1204

00:53:08,299 --> 00:53:04,020

make an email you to write art bless the

1205

00:53:10,339 --> 00:53:08,309

email address is I believe it's podcast

1206

00:53:12,109 --> 00:53:10,349

at truth funders calm for the time being

1207

00:53:14,120 --> 00:53:12,119

but we should change that probably at

1208

00:53:15,980 --> 00:53:14,130

some point to reflect the live radio

1209

00:53:17,809 --> 00:53:15,990

show and again doing a live radio show

1210

00:53:20,150 --> 00:53:17,819

so much more rewarding for me personally

1211

00:53:22,549 --> 00:53:20,160

than doing a weekly podcast that is

1212

00:53:24,109 --> 00:53:22,559

recorded and then access after the fact

1213

00:53:26,059 --> 00:53:24,119

having come from background of live

1214

00:53:27,230 --> 00:53:26,069

radio and actually making an interactive

1215

00:53:30,050 --> 00:53:27,240

community experience

1216

00:53:33,410 --> 00:53:30,060

is so much more just exciting for me the

1217

00:53:34,850 --> 00:53:33,420

podcast is fun I guess really the he

1218

00:53:36,170 --> 00:53:34,860

don't you don't get that interaction you

1219

00:53:37,640 --> 00:53:36,180

don't get that back and forth in that

1220

00:53:39,590 --> 00:53:37,650

live kind of spur the moment anything

1221

00:53:41,420 --> 00:53:39,600

can happen mentality and that's what I

1222

00:53:43,550 --> 00:53:41,430

really love about what inception radio

1223

00:53:45,500 --> 00:53:43,560

is doing and again can't thank them

1224

00:53:47,060 --> 00:53:45,510

enough we are super out of time here I'm

1225

00:53:48,530 --> 00:53:47,070

already running over mark thank you so
