

PANG Radio

Mike Lucas & Ken Storch

Mark Zaskey

1
00:00:04,070 --> 00:00:02,240
hi everybody I'm bill burns yeah nancy

2
00:00:06,559 --> 00:00:04,080
burns here and we're from future theater

3
00:00:12,080 --> 00:00:06,569
and you know we like to listen to mmm

4
00:00:14,839 --> 00:00:12,090
radio on sunday nights at 9pm 9pm what

5
00:00:17,870 --> 00:00:14,849
is 00 the best network on the whole

6
00:00:20,450 --> 00:00:17,880
entire internet inception radio network

7
00:00:23,570 --> 00:00:20,460
paying radio was sponsored by dream

8
00:00:25,700 --> 00:00:23,580
nuage organics and naturals made from

9
00:00:27,230 --> 00:00:25,710
organically certified products dream

10
00:00:29,660 --> 00:00:27,240
nuage brings you nothing but the best

11
00:00:34,100 --> 00:00:29,670
for your body made by nature check them

12
00:00:38,000 --> 00:00:34,110
out dream nuage com that's dr e am and

13
00:00:40,580 --> 00:00:38,010

you a GE com simply natural you're

14

00:01:27,090 --> 00:00:40,590

locked into inception radio network

15

00:01:38,670 --> 00:01:31,120

get ready panier your radio go through

16

00:01:45,130 --> 00:01:41,380

welcome welcome everybody tonight is

17

00:01:46,899 --> 00:01:45,140

Sunday march first 2015 I consider this

18

00:01:49,120 --> 00:01:46,909

the first day spring I don't know what

19

00:01:51,010 --> 00:01:49,130

you think but that's how I look at it

20

00:01:52,899 --> 00:01:51,020

welcome to paying radio tonight we have

21

00:01:54,969 --> 00:01:52,909

a great guest tonight we have marks a

22

00:01:56,889 --> 00:01:54,979

ski cryptozoologist and Bigfoot

23

00:01:59,469 --> 00:01:56,899

researcher coming on in about ten

24

00:02:02,830 --> 00:01:59,479

minutes but I'm here with my sidekick

25

00:02:06,039 --> 00:02:02,840

mr. ken storage are also a UFO

26

00:02:07,990 --> 00:02:06,049

researcher cattle not cattle mutilations

27

00:02:10,540 --> 00:02:08,000

I got to get this right cat animal

28

00:02:12,130 --> 00:02:10,550

harvest animal harvesting there we go

29

00:02:14,320 --> 00:02:12,140

there we go well welcome to the show Ken

30

00:02:15,940 --> 00:02:14,330

hey thanks for having me on and welcome

31

00:02:19,690 --> 00:02:15,950

everybody we should have an interesting

32

00:02:22,180 --> 00:02:19,700

interesting show and MJ you could not

33

00:02:24,729 --> 00:02:22,190

tell that it was spring where I live

34

00:02:26,559 --> 00:02:24,739

okay it's like the dead of winter you

35

00:02:28,750 --> 00:02:26,569

know 14 degrees and six and a half

36

00:02:31,840 --> 00:02:28,760

inches of snow on the ground windchill

37

00:02:33,759 --> 00:02:31,850

factor is about a minus two you guys

38

00:02:35,380 --> 00:02:33,769

have more snow than we have on the

39

00:02:37,390 --> 00:02:35,390

ground we got about four inches we had a

40

00:02:39,699 --> 00:02:37,400

little meltdown today too that's

41

00:02:41,199 --> 00:02:39,709

unbelievable because you know that area

42

00:02:43,780 --> 00:02:41,209

has been getting hammered over the

43

00:02:47,800 --> 00:02:43,790

winter i mean in the northeast at least

44

00:02:50,470 --> 00:02:47,810

mmm exactly i'd like to do a day like

45

00:02:52,509 --> 00:02:50,480

today i'll us here we lost Leonard Nimoy

46

00:02:54,819 --> 00:02:52,519

this this week in like a few days ago

47

00:02:57,340 --> 00:02:54,829

very of you know I grew up watching Star

48

00:02:59,020 --> 00:02:57,350

Trek but kind of a big loss in my early

49

00:03:01,949 --> 00:02:59,030

even watched an episode in his honor the

50

00:03:04,750 --> 00:03:01,959

other night it was the awakening of cond

51
00:03:06,460 --> 00:03:04,760
during episode oh yeah I was wet forgot

52
00:03:08,800 --> 00:03:06,470
it was called the seed that the planted

53
00:03:10,750 --> 00:03:08,810
seed but they woke up khong con from the

54
00:03:12,550 --> 00:03:10,760
ship and as all the Trekkies know later

55
00:03:17,319 --> 00:03:12,560
on the wrath of khan was a movie in the

56
00:03:19,870 --> 00:03:17,329
80s and one of my favorite shows of Star

57
00:03:25,150 --> 00:03:19,880
Trek was the trouble with tribbles oh

58
00:03:27,190 --> 00:03:25,160
yeah I love that show vid the Klingons

59
00:03:30,039 --> 00:03:27,200
via they got hammered band with the

60
00:03:32,319 --> 00:03:30,049
tribbles aid it was just a good good

61
00:03:34,059 --> 00:03:32,329
series it was I mean it was it was

62
00:03:36,220 --> 00:03:34,069
before its time like you said we've

63
00:03:39,280 --> 00:03:36,230

we've seen signs of the futures with the

64

00:03:41,650 --> 00:03:39,290

cell phones the the tablets just just

65

00:03:43,270 --> 00:03:41,660

crazy that Gene Roddenberry knew knew

66

00:03:45,909 --> 00:03:43,280

about this technology back then and

67

00:03:48,550 --> 00:03:45,919

we're using it today well and not only

68

00:03:52,059 --> 00:03:48,560

that but the discussion on warp

69

00:03:53,530 --> 00:03:52,069

drive and and then and traveling faster

70

00:03:59,410 --> 00:03:53,540

than the speed of light I mean all of

71

00:04:03,460 --> 00:03:59,420

that is really coming into into its own

72

00:04:06,160 --> 00:04:03,470

i mean i think that that we if we don't

73

00:04:09,970 --> 00:04:06,170

kill the human race off we'll be able to

74

00:04:12,040 --> 00:04:09,980

achieve interplanetary travel I think

75

00:04:14,380 --> 00:04:12,050

it's fair I that's doable in fact let's

76

00:04:16,120 --> 00:04:14,390

put it this way i'm jay somebody has

77

00:04:18,940 --> 00:04:16,130

already figured it out because someone's

78

00:04:22,030 --> 00:04:18,950

coming here yeah yeah actly you got that

79

00:04:24,490 --> 00:04:22,040

right definitely so you know there is a

80

00:04:29,550 --> 00:04:24,500

way to navigate among the stars here in

81

00:04:32,740 --> 00:04:29,560

Star Trek and and Leonard Nimoy I mean

82

00:04:35,110 --> 00:04:32,750

how could you not be fascinated with

83

00:04:36,940 --> 00:04:35,120

Spock he he hit that one out of the

84

00:04:39,190 --> 00:04:36,950

ballpark that was his year that was his

85

00:04:41,740 --> 00:04:39,200

character and and it was made for

86

00:04:43,300 --> 00:04:41,750

Leonard Nimoy it sure was so can you

87

00:04:45,909 --> 00:04:43,310

have any show notes tonight to anybody

88

00:04:50,350 --> 00:04:45,919

well I am I know George and Patti are

89

00:04:52,990 --> 00:04:50,360

listening and dug in Missouri Rosemarie

90

00:04:56,770 --> 00:04:53,000

Jessup in England Rosie how you do a

91

00:04:59,020 --> 00:04:56,780

little girl and I think Marilyn and dick

92

00:05:01,500 --> 00:04:59,030

may be tuned in tonight down in Oklahoma

93

00:05:06,610 --> 00:05:01,510

City and a little bit warmer than I am

94

00:05:08,469 --> 00:05:06,620

I'm jealous but yeah I want to say howdy

95

00:05:10,600 --> 00:05:08,479

to all those folks and Oliver are the

96

00:05:12,219 --> 00:05:10,610

other listeners yeah hi folks yeah and I

97

00:05:13,750 --> 00:05:12,229

got a couple shuttles from last week got

98

00:05:17,110 --> 00:05:13,760

some Leyland's where we have martina

99

00:05:18,460 --> 00:05:17,120

listening in Munich Germany also way

100

00:05:20,740 --> 00:05:18,470

over there near up that's that's great

101
00:05:22,690 --> 00:05:20,750
and we got hail Caden in the state of

102
00:05:24,370 --> 00:05:22,700
Maine us saying we got our longtime

103
00:05:26,230 --> 00:05:24,380
listener who checked in in duluth

104
00:05:28,600 --> 00:05:26,240
minnesota right across the river here

105
00:05:31,029 --> 00:05:28,610
i'm over in wisconsin big packer viking

106
00:05:32,650 --> 00:05:31,039
rival you know deborah thanks for

107
00:05:36,610 --> 00:05:32,660
listening Deborah would appreciate you

108
00:05:38,170 --> 00:05:36,620
and the support so I will go through a

109
00:05:41,110 --> 00:05:38,180
quick spiel there are many ways to

110
00:05:42,969 --> 00:05:41,120
listen to IR and you can listen by our

111
00:05:46,330 --> 00:05:42,979
app on the android and apple devices

112
00:05:48,340 --> 00:05:46,340
great way to listen to the show's listen

113
00:05:49,719 --> 00:05:48,350

to archived shows hit the calendar see

114

00:05:51,340 --> 00:05:49,729

who's going to be on the show on the

115

00:05:53,770 --> 00:05:51,350

upcoming week I mean definitely

116

00:05:55,210 --> 00:05:53,780

definitely a great way to listen to us

117

00:05:57,850 --> 00:05:55,220

and you can listen to us also through

118

00:05:59,740 --> 00:05:57,860

stitcher radio we're trying to get on

119

00:06:02,080 --> 00:05:59,750

iheart we're working on that one but you

120

00:06:03,310 --> 00:06:02,090

listen to it so Apple TV Roku

121

00:06:05,379 --> 00:06:03,320

I mean there's there's various ways

122

00:06:07,600 --> 00:06:05,389

we're pretty much everywhere where we

123

00:06:09,580 --> 00:06:07,610

want to be a household name we want to

124

00:06:11,080 --> 00:06:09,590

show up tell people that there's there's

125

00:06:12,520 --> 00:06:11,090

there's more going on out there than

126

00:06:14,200 --> 00:06:12,530

meets the eye and that's what kind of

127

00:06:16,840 --> 00:06:14,210

iran's about it's about you the people

128

00:06:19,629 --> 00:06:16,850

and us bringing you the information with

129

00:06:22,600 --> 00:06:19,639

all our awesome hosts and guests and my

130

00:06:25,480 --> 00:06:22,610

awesome co-hosts here mr. Kent storage

131

00:06:27,490 --> 00:06:25,490

so now can did you uh did you have an

132

00:06:30,189 --> 00:06:27,500

episode on TV you just did was it a few

133

00:06:33,879 --> 00:06:30,199

weeks ago where you on TV well you know

134

00:06:35,830 --> 00:06:33,889

they they may be in the production

135

00:06:37,780 --> 00:06:35,840

company said that they were going to air

136

00:06:43,960 --> 00:06:37,790

yet would answer your question yes and

137

00:06:47,260 --> 00:06:43,970

no I did do a year ago I did a spot with

138

00:06:49,450 --> 00:06:47,270

a show I think they were calling it true

139

00:06:51,040 --> 00:06:49,460

supernatural or true something I don't

140

00:06:54,210 --> 00:06:51,050

remember exactly but it had to do with

141

00:06:57,129 --> 00:06:54,220

the Betty cash oh yeah landrum yeah uh

142

00:06:58,810 --> 00:06:57,139

incident and then what occurred up there

143

00:07:01,620 --> 00:06:58,820

in narrows Creek and western

144

00:07:05,170 --> 00:07:01,630

Pennsylvania when I had the encounter of

145

00:07:07,870 --> 00:07:05,180

that creature and so they did a show on

146

00:07:12,159 --> 00:07:07,880

end it was supposed to air the 21st and

147

00:07:14,230 --> 00:07:12,169

the 28th to february but on the

148

00:07:17,170 --> 00:07:14,240

destination channel i think it was and

149

00:07:18,730 --> 00:07:17,180

he turns out that who did it was on that

150

00:07:20,860 --> 00:07:18,740

particular night instead of having that

151
00:07:25,360 --> 00:07:20,870
show they had the 10 best disney spots

152
00:07:27,219 --> 00:07:25,370
or something i'm not sure exactly but it

153
00:07:29,050 --> 00:07:27,229
didn't appear let's put it that way okay

154
00:07:30,520 --> 00:07:29,060
yeah but it'll be coming that's pretty

155
00:07:33,159 --> 00:07:30,530
good that's pretty cool though let me

156
00:07:34,690 --> 00:07:33,169
nets that's a your encounter uh you know

157
00:07:36,640 --> 00:07:34,700
probably talk we can talk to that about

158
00:07:39,430 --> 00:07:36,650
Marquis had his own account encounters

159
00:07:41,230 --> 00:07:39,440
tonight our guest is Mark's ASCII he

160
00:07:42,940 --> 00:07:41,240
looking forward to that yeah Bigfoot

161
00:07:44,830 --> 00:07:42,950
Bigfoot researcher can I've had them on

162
00:07:47,230 --> 00:07:44,840
before a probably about a year and a

163
00:07:49,960 --> 00:07:47,240

half ago but very interesting fellow he

164

00:07:53,080 --> 00:07:49,970

really really digs into the research and

165

00:07:54,820 --> 00:07:53,090

you know he's battling a lot of negative

166

00:07:57,460 --> 00:07:54,830

entities out there with this research

167

00:07:59,050 --> 00:07:57,470

you know on the in all with with every

168

00:08:00,400 --> 00:07:59,060

but you know with true seekers people

169

00:08:02,529 --> 00:08:00,410

boots to the ground there's a lot of

170

00:08:04,719 --> 00:08:02,539

negative entities out there trying to

171

00:08:07,540 --> 00:08:04,729

stop what even what you're doing and

172

00:08:10,360 --> 00:08:07,550

even what this networks about well and

173

00:08:12,490 --> 00:08:10,370

and I I think that there is a and this

174

00:08:14,700 --> 00:08:12,500

is strictly my opinion but I think there

175

00:08:17,859 --> 00:08:14,710

is a certain element

176

00:08:20,739 --> 00:08:17,869

within the societal makeup of this

177

00:08:22,179 --> 00:08:20,749

planet that does not want the facts and

178

00:08:25,540 --> 00:08:22,189

the truth to be out there for whatever

179

00:08:28,839 --> 00:08:25,550

for whatever reason that you know either

180

00:08:31,659 --> 00:08:28,849

by it because of power because of

181

00:08:34,269 --> 00:08:31,669

control I don't know but it seems like

182

00:08:38,219 --> 00:08:34,279

an awful lot of roadblocks are

183

00:08:41,819 --> 00:08:38,229

intentionally thrown up when you ask

184

00:08:44,170 --> 00:08:41,829

specific questions concerning this topic

185

00:08:46,689 --> 00:08:44,180

you know you run into a lot of

186

00:08:48,100 --> 00:08:46,699

roadblocks you do and then I mean took a

187

00:08:51,550 --> 00:08:48,110

little drive down to bloomington

188

00:08:53,740 --> 00:08:51,560

minnesota for a conference and looking

189

00:08:56,980 --> 00:08:53,750

up in the skies cannon all you see is

190

00:08:59,170 --> 00:08:56,990

the the chemtrail clouds back and forth

191

00:09:01,329 --> 00:08:59,180

i mean i mean there's something else

192

00:09:03,280 --> 00:09:01,339

that we're not told about it just i mean

193

00:09:05,740 --> 00:09:03,290

basically clear day but you can see the

194

00:09:09,160 --> 00:09:05,750

lines just zigzag checkerboard on many

195

00:09:12,220 --> 00:09:09,170

occasion SAT and watch not only here in

196

00:09:15,009 --> 00:09:12,230

northeast Oklahoma but even out in a

197

00:09:18,220 --> 00:09:15,019

desert environment like the San Luis

198

00:09:20,499 --> 00:09:18,230

Valley and you can't get the atmosphere

199

00:09:21,879 --> 00:09:20,509

any clear there's no humidity in the San

200

00:09:25,210 --> 00:09:21,889

Luis Valley you're looking at probably

201
00:09:27,309 --> 00:09:25,220
fifteen percent humidity okay so you

202
00:09:28,960 --> 00:09:27,319
just don't have the the haze that you

203
00:09:30,730 --> 00:09:28,970
would have around here where the

204
00:09:33,910 --> 00:09:30,740
humidity is somewhere between sixty and

205
00:09:36,160 --> 00:09:33,920
seventy percent at times and I've seen

206
00:09:39,639 --> 00:09:36,170
planes fly over in the San Luis Valley a

207
00:09:41,710 --> 00:09:39,649
Colorado on a clear crystal blue day and

208
00:09:43,990 --> 00:09:41,720
an hour and 20 minutes later there's

209
00:09:48,069 --> 00:09:44,000
this haze all over the and you see this

210
00:09:49,780 --> 00:09:48,079
checkerboard pattern yes okay and you

211
00:09:51,939 --> 00:09:49,790
know somebody tries to tell me all those

212
00:09:54,670 --> 00:09:51,949
are water droplets from condensation on

213
00:09:56,710 --> 00:09:54,680

the plane's engines really the

214

00:09:58,840 --> 00:09:56,720

atmosphere is so dry that those water

215

00:10:01,840 --> 00:09:58,850

droplets would dissipate in a matter of

216

00:10:05,199 --> 00:10:01,850

minutes oh yeah okay I don't give a damn

217

00:10:07,059 --> 00:10:05,209

if it is 32 below zero at 30,000 feet

218

00:10:08,559 --> 00:10:07,069

and you got this hot engine yeah it's

219

00:10:12,670 --> 00:10:08,569

going to have condensation and you're

220

00:10:13,780 --> 00:10:12,680

going to see you know contrails but when

221

00:10:16,540 --> 00:10:13,790

you sit there and watch this

222

00:10:21,160 --> 00:10:16,550

checkerboard pattern and develop and

223

00:10:23,350 --> 00:10:21,170

then it spreads and and gets Horizon to

224

00:10:25,840 --> 00:10:23,360

Horizon next thing you know you've got a

225

00:10:28,360 --> 00:10:25,850

cloudy day yeah I mean it's like wait a

226

00:10:31,750 --> 00:10:28,370

minute there no

227

00:10:34,030 --> 00:10:31,760

right on trails don't do that definitely

228

00:10:35,890 --> 00:10:34,040

okay where I'm going to throw it one

229

00:10:38,560 --> 00:10:35,900

more shuttle to our sponsor check out

230

00:10:41,890 --> 00:10:38,570

our these awesome organic product it's

231

00:10:44,530 --> 00:10:41,900

dream new aaj kaam at dr e am and you a

232

00:10:47,470 --> 00:10:44,540

GE com for you chatters check out that

233

00:10:49,590 --> 00:10:47,480

link there it is let's get mark on the

234

00:10:51,850 --> 00:10:49,600

line here this will take me a second

235

00:10:53,740 --> 00:10:51,860

let's see this this is going to be good

236

00:10:56,620 --> 00:10:53,750

show what we'll do is a going to have

237

00:11:01,510 --> 00:10:56,630

marca tell people about himself and how

238

00:11:03,310 --> 00:11:01,520

he got into the research here let me get

239

00:11:07,540 --> 00:11:03,320

them there is so we'll be calling mark

240

00:11:10,480 --> 00:11:07,550

via his phone tonight and as usual this

241

00:11:12,670 --> 00:11:10,490

is live and this is raw so we're calling

242

00:11:14,980 --> 00:11:12,680

mark and hopefully I embedded that phone

243

00:11:19,480 --> 00:11:14,990

number right and skype there can I've

244

00:11:21,280 --> 00:11:19,490

done that before I call the stranger as

245

00:11:23,890 --> 00:11:21,290

long as it's not a 900 number i think

246

00:11:25,990 --> 00:11:23,900

we'll be okay yeah hello mark zansky

247

00:11:29,110 --> 00:11:26,000

this is MJ and ken storage are you with

248

00:11:31,000 --> 00:11:29,120

us I am with you guys how are you I'm

249

00:11:34,420 --> 00:11:31,010

doing very good mark it's been quite a

250

00:11:36,250 --> 00:11:34,430

while since I had Gian yeah it's been

251

00:11:38,199 --> 00:11:36,260

well your hair about a year and a half

252

00:11:41,590 --> 00:11:38,209

or so so you've probably been busy uh

253

00:11:42,940 --> 00:11:41,600

could you fill our listeners in on your

254

00:11:45,570 --> 00:11:42,950

background a little bit and tell our

255

00:11:49,870 --> 00:11:45,580

listeners what you would you do

256

00:11:53,949 --> 00:11:49,880

absolutely I've been in cryptozoology

257

00:11:58,269 --> 00:11:53,959

and active cryptozoologist looking into

258

00:12:02,880 --> 00:11:58,279

unverified species for about 15 to 16

259

00:12:05,980 --> 00:12:02,890

years almost now and about 10 of that

260

00:12:09,130 --> 00:12:05,990

has been primarily focused on the

261

00:12:12,610 --> 00:12:09,140

unknown species of human type primate

262

00:12:14,320 --> 00:12:12,620

that everybody calls Bigfoot really it

263

00:12:15,670 --> 00:12:14,330

depends on where you're at but there's a

264

00:12:17,800 --> 00:12:15,680

bunch of names for it but the bottom

265

00:12:20,500 --> 00:12:17,810

line is that that's been my primary

266

00:12:22,570 --> 00:12:20,510

focus for about 10 years now they're

267

00:12:24,280 --> 00:12:22,580

very cool not what got you interested in

268

00:12:29,890 --> 00:12:24,290

this mark I had to be a story behind

269

00:12:32,320 --> 00:12:29,900

this yeah just growing up down here in

270

00:12:37,569 --> 00:12:32,330

Florida I mean I I'm from Youngstown

271

00:12:39,730 --> 00:12:37,579

Ohio and we used to go to PA a lot just

272

00:12:41,319 --> 00:12:39,740

across the border it's the arms towns in

273

00:12:44,979 --> 00:12:41,329

northeastern

274

00:12:48,039 --> 00:12:44,989

ohio about 60 70 miles from pittsburgh

275

00:12:50,579 --> 00:12:48,049

but growing up up there you would hear

276

00:12:53,619 --> 00:12:50,589

stories my whole family all hunted and

277

00:12:54,970 --> 00:12:53,629

you know people who would hunt regularly

278

00:12:57,429 --> 00:12:54,980

that were friends of the family would

279

00:13:00,729 --> 00:12:57,439

come back with stories from PA up in the

280

00:13:05,350 --> 00:13:00,739

mountains and but we moved to Florida

281

00:13:07,600 --> 00:13:05,360

and in the late 70s and that's when you

282

00:13:10,720 --> 00:13:07,610

know it really became a part of my life

283

00:13:13,030 --> 00:13:10,730

because the culture down here was was

284

00:13:14,439 --> 00:13:13,040

you know a rural country culture wasn't

285

00:13:17,879 --> 00:13:14,449

very developed here in Palm Beach County

286

00:13:20,979 --> 00:13:17,889

yet so there was a lot of swamp and and

287

00:13:23,319 --> 00:13:20,989

you know we you know still had been

288

00:13:25,150 --> 00:13:23,329

developing they actually started to

289

00:13:28,210 --> 00:13:25,160

develop Florida from the coastlines in

290

00:13:30,400 --> 00:13:28,220

word and so that those areas when you

291

00:13:33,819 --> 00:13:30,410

got ten miles from the coast in Palm

292

00:13:36,069 --> 00:13:33,829

Beach County back in 79 80 81 you were

293

00:13:38,379 --> 00:13:36,079

in the force in the jungle in the swamp

294

00:13:42,549 --> 00:13:38,389

I mean it's you know it's subtropical

295

00:13:46,689 --> 00:13:42,559

down here it's dropping so you know and

296

00:13:48,819 --> 00:13:46,699

and with it being undeveloped or slowly

297

00:13:53,650 --> 00:13:48,829

being developed you'd have your ranches

298

00:13:57,100 --> 00:13:53,660

and in your your larger pieces of of

299

00:13:58,809 --> 00:13:57,110

undeveloped swatches of land and you

300

00:14:01,269 --> 00:13:58,819

know humans started to move into these

301
00:14:02,710 --> 00:14:01,279
areas and expand from the coastline and

302
00:14:04,900 --> 00:14:02,720
Wes and we were encroaching on their

303
00:14:07,780 --> 00:14:04,910
territory that's the bottom line the

304
00:14:10,929 --> 00:14:07,790
reports were coming from the days that I

305
00:14:14,460 --> 00:14:10,939
moved before the very first week that

306
00:14:18,100 --> 00:14:14,470
I've moved here when I was I think 11 I

307
00:14:21,759 --> 00:14:18,110
started to hear reports horses being

308
00:14:24,429 --> 00:14:21,769
bald Reese officers you know chasing

309
00:14:26,889 --> 00:14:24,439
them around their properties it was a

310
00:14:28,900 --> 00:14:26,899
big deal down here it's always been a

311
00:14:31,929 --> 00:14:28,910
big deal here I had a close friend at 15

312
00:14:34,359 --> 00:14:31,939
that he and his mother actually had one

313
00:14:36,939 --> 00:14:34,369

chased them you know out of the area

314

00:14:38,159 --> 00:14:36,949

that they were in so you know it's

315

00:14:41,829 --> 00:14:38,169

always been a part of my life down here

316

00:14:44,019 --> 00:14:41,839

you know I said I grew up in in palm

317

00:14:46,119 --> 00:14:44,029

beach county in a country setting in the

318

00:14:49,689 --> 00:14:46,129

early days and it just took off from

319

00:14:52,779 --> 00:14:49,699

there you know that's that's awesome I

320

00:14:54,879 --> 00:14:52,789

mean Florida is very famous for the the

321

00:14:56,889 --> 00:14:54,889

so-called skunk ape so

322

00:14:58,479 --> 00:14:56,899

that's probably something you've

323

00:15:00,280 --> 00:14:58,489

researched but you've done a little

324

00:15:05,049 --> 00:15:00,290

research around the world to am I

325

00:15:07,929 --> 00:15:05,059

correct mark yeah I mean I traveled um

326

00:15:10,119 --> 00:15:07,939

you know my family basically my brother

327

00:15:12,039 --> 00:15:10,129

is uh is a professional Marlin captain

328

00:15:13,720 --> 00:15:12,049

fishing captain and he's traveled all

329

00:15:16,030 --> 00:15:13,730

over planet Earth I mean he's fished

330

00:15:18,249 --> 00:15:16,040

every ocean fishing he's been to several

331

00:15:20,139 --> 00:15:18,259

different countries and continents by I

332

00:15:22,869 --> 00:15:20,149

pretty much stayed at home I did a lot

333

00:15:24,460 --> 00:15:22,879

of traveling you know it back and forth

334

00:15:26,259 --> 00:15:24,470

to the Bahamas and so on but as far as

335

00:15:28,419 --> 00:15:26,269

my cryptid research it's been mostly

336

00:15:30,849 --> 00:15:28,429

interviews I have interview people on

337

00:15:33,699 --> 00:15:30,859

several different continents mm-hmm

338

00:15:37,239 --> 00:15:33,709

including great English in Great Britain

339

00:15:39,039 --> 00:15:37,249

and you know I can tell you the fun you

340

00:15:43,809 --> 00:15:39,049

know this is something that's not unique

341

00:15:46,389 --> 00:15:43,819

to to North America people have the

342

00:15:48,119 --> 00:15:46,399

exact same eyewitnesses from every

343

00:15:52,689 --> 00:15:48,129

single place that I've ever interviewed

344

00:15:56,289 --> 00:15:52,699

South America Australia Great Britain's

345

00:15:59,650 --> 00:15:56,299

and a couple of places in Europe all

346

00:16:02,559 --> 00:15:59,660

have the exact same traumatic response

347

00:16:06,159 --> 00:16:02,569

to what they've experienced and it's

348

00:16:07,869 --> 00:16:06,169

very similar to what i would i would say

349

00:16:09,699 --> 00:16:07,879

is very similar to someone who's had a

350

00:16:12,039 --> 00:16:09,709

UFO sighting but something very

351

00:16:14,739 --> 00:16:12,049

significant it's a little more

352

00:16:16,749 --> 00:16:14,749

significant because i think with the

353

00:16:18,489 --> 00:16:16,759

Bigfoot thing because most like UFO

354

00:16:21,819 --> 00:16:18,499

sightings they tend to be from a greater

355

00:16:24,639 --> 00:16:21,829

distance but with the Bigfoot thing if

356

00:16:26,439 --> 00:16:24,649

you're seeing it it's within eyeshot you

357

00:16:29,769 --> 00:16:26,449

know and and I've interview a lot of

358

00:16:32,829 --> 00:16:29,779

people who actually have you know I've

359

00:16:35,079 --> 00:16:32,839

been within feet of one of these guys

360

00:16:36,759 --> 00:16:35,089

and now at this point actually since the

361

00:16:38,859 --> 00:16:36,769

last time I was on your show now I have

362

00:16:40,809 --> 00:16:38,869

become an eyewitness and have

363

00:16:42,579 --> 00:16:40,819

experienced the exact same psychological

364

00:16:45,970 --> 00:16:42,589

trauma of having something like this

365

00:16:47,949 --> 00:16:45,980

happened and you know so mean the bottom

366

00:16:50,829 --> 00:16:47,959

line is is you know my experiences with

367

00:16:53,710 --> 00:16:50,839

interviewing eyewitnesses and and you

368

00:16:55,389 --> 00:16:53,720

know talking to them and depth about you

369

00:16:58,239 --> 00:16:55,399

know how they feel about it it's one

370

00:17:00,279 --> 00:16:58,249

thing to take the encounter you know the

371

00:17:03,609 --> 00:17:00,289

the entire counter encounter down and

372

00:17:06,429 --> 00:17:03,619

what they saw but a lot of what really

373

00:17:08,319 --> 00:17:06,439

goes on with eyewitnesses hasn't really

374

00:17:08,710 --> 00:17:08,329

been covered and there's there's a lot

375

00:17:10,000 --> 00:17:08,720

of sight

376

00:17:12,159 --> 00:17:10,010

logical trauma involved with this

377

00:17:14,079 --> 00:17:12,169

because the bottom line is is the way

378

00:17:15,819 --> 00:17:14,089

the subject has been presented to the

379

00:17:17,439 --> 00:17:15,829

people of you know the United States

380

00:17:19,960 --> 00:17:17,449

early the people the world but I focus

381

00:17:23,520 --> 00:17:19,970

you know primarily on the u.s. way it's

382

00:17:26,079 --> 00:17:23,530

been presented to us you know really

383

00:17:29,740 --> 00:17:26,089

it's not the way it actually is in

384

00:17:32,230 --> 00:17:29,750

reality the way it is in reality is much

385

00:17:35,320 --> 00:17:32,240

more traumatic having experienced it

386

00:17:37,149 --> 00:17:35,330

myself I now understand you know from

387

00:17:40,779 --> 00:17:37,159

watching the shows and the programming

388

00:17:42,880 --> 00:17:40,789

the cultural you know program the mass

389

00:17:45,610 --> 00:17:42,890

program that you know the messages that

390

00:17:47,529 --> 00:17:45,620

go into this we perceive the subject

391

00:17:50,470 --> 00:17:47,539

very differently than it actually really

392

00:17:52,299 --> 00:17:50,480

is you know the sensationalism that goes

393

00:17:55,810 --> 00:17:52,309

along with it is one aspect of it but

394

00:17:58,510 --> 00:17:55,820

there's there's an element of twisting

395

00:18:01,120 --> 00:17:58,520

the facts of what eyewitnesses are

396

00:18:03,520 --> 00:18:01,130

clearly describing that's you know

397

00:18:06,190 --> 00:18:03,530

viewable in the programming and you

398

00:18:08,770 --> 00:18:06,200

really really it's difficult for someone

399

00:18:10,330 --> 00:18:08,780

to come become aware of all this unless

400

00:18:13,240 --> 00:18:10,340

they've actually seen it for themselves

401
00:18:14,649 --> 00:18:13,250
and variably when I interview

402
00:18:17,289 --> 00:18:14,659
eyewitnesses regardless of what

403
00:18:19,630 --> 00:18:17,299
continent they were on they described a

404
00:18:22,390 --> 00:18:19,640
very human-like ty beanie they didn't

405
00:18:23,890 --> 00:18:22,400
describe a nonhuman primate they were

406
00:18:27,460 --> 00:18:23,900
very clear in their descriptions that

407
00:18:29,680 --> 00:18:27,470
said worse you know human features and

408
00:18:36,039 --> 00:18:29,690
among particularly in their facial

409
00:18:40,690 --> 00:18:36,049
features mark you you as far as what

410
00:18:43,720 --> 00:18:40,700
little I know about whatever critter is

411
00:18:47,080 --> 00:18:43,730
out there in the woods you said

412
00:18:50,770 --> 00:18:47,090
something that I absolutely 110% believe

413
00:18:54,279 --> 00:18:50,780

because I experienced myself and that I

414

00:18:56,289 --> 00:18:54,289
saw more human qualities in this

415

00:18:59,260 --> 00:18:56,299
creature then in fact I didn't see

416

00:19:02,380 --> 00:18:59,270
anything that suggested to me ape not

417

00:19:04,659 --> 00:19:02,390
the way and I say he I don't know the

418

00:19:06,430 --> 00:19:04,669
gender but he didn't run like an eighth

419

00:19:11,230 --> 00:19:06,440
didn't look like an eighth and didn't

420

00:19:14,320 --> 00:19:11,240
act like an ape ya know that's including

421

00:19:16,690 --> 00:19:14,330
my sighting and you know I mean I've

422

00:19:21,310 --> 00:19:16,700
never actually interviewed a single

423

00:19:22,269 --> 00:19:21,320
eyewitness that has said that they you

424

00:19:27,729 --> 00:19:22,279
know

425

00:19:31,089 --> 00:19:27,739
eight and including people who got

426

00:19:34,389 --> 00:19:31,099

really really close to where it was just

427

00:19:37,180 --> 00:19:34,399

outside their tent or it trashed their

428

00:19:39,219 --> 00:19:37,190

encampment period and they were forced

429

00:19:41,409 --> 00:19:39,229

out of the area and all you know

430

00:19:44,950 --> 00:19:41,419

multiple eyewitnesses getting look at it

431

00:19:47,859 --> 00:19:44,960

none of those people now we're going

432

00:19:50,289 --> 00:19:47,869

within a we're talking about it we're

433

00:19:54,279 --> 00:19:50,299

generalizing the subject of Bigfoot but

434

00:19:55,659 --> 00:19:54,289

to take you to a fire point I have come

435

00:19:57,579 --> 00:19:55,669

to the conclusion especially here in the

436

00:19:59,979 --> 00:19:57,589

state of Florida there are at least

437

00:20:02,739 --> 00:19:59,989

three different types or subspecies

438

00:20:05,229 --> 00:20:02,749

within this species that we call Bigfoot

439

00:20:08,739 --> 00:20:05,239

or and I don't even use the term skunk

440

00:20:12,430 --> 00:20:08,749

ape and I frown on that usage because it

441

00:20:15,969 --> 00:20:12,440

really is uh it changes the perspective

442

00:20:17,739 --> 00:20:15,979

of what we're seeing and so and you know

443

00:20:21,099 --> 00:20:17,749

here's here's the thing when I had been

444

00:20:23,339 --> 00:20:21,109

on your show the last time I had I was

445

00:20:29,019 --> 00:20:23,349

in the middle of an investigation into

446

00:20:30,639 --> 00:20:29,029

semiotics and programming and how I had

447

00:20:32,499 --> 00:20:30,649

suspected them there were some things

448

00:20:34,149 --> 00:20:32,509

going on within the mass cultural

449

00:20:35,619 --> 00:20:34,159

programming that we all view on this

450

00:20:37,930 --> 00:20:35,629

particular subject the Bigfoots

451
00:20:39,519 --> 00:20:37,940
objection what I found in what I had

452
00:20:41,499 --> 00:20:39,529
uncovered through my investigation was

453
00:20:44,829 --> 00:20:41,509
that there is a very real campaign of

454
00:20:46,419 --> 00:20:44,839
dehumanization going on about this

455
00:20:48,759 --> 00:20:46,429
subject within subject within the

456
00:20:52,089 --> 00:20:48,769
program that we view and particularly

457
00:20:55,149 --> 00:20:52,099
any of the programming that you can view

458
00:20:58,659 --> 00:20:55,159
within or on the subject that mainstream

459
00:21:01,810 --> 00:20:58,669
science participation is in in that that

460
00:21:04,169 --> 00:21:01,820
programming and and it's typically when

461
00:21:08,769 --> 00:21:04,179
evolutionary science is involved and

462
00:21:10,539 --> 00:21:08,779
they are definitely skewing twisting and

463
00:21:12,820 --> 00:21:10,549

in Miss representing what we

464

00:21:14,499 --> 00:21:12,830

eyewitnesses are saying now you say you

465

00:21:18,129 --> 00:21:14,509

didn't see any any eight features

466

00:21:23,049 --> 00:21:18,139

neither die it did not it did not you

467

00:21:25,450 --> 00:21:23,059

know what I saw what I saw it was every

468

00:21:30,159 --> 00:21:25,460

bit the closest thing that I can come to

469

00:21:32,139 --> 00:21:30,169

was that it was pre human or but it was

470

00:21:34,930 --> 00:21:32,149

definitely human priming it was not

471

00:21:35,750 --> 00:21:34,940

non-human primate not even close the

472

00:21:39,020 --> 00:21:35,760

thing had a few

473

00:21:41,860 --> 00:21:39,030

they're a human head of hair always when

474

00:21:46,750 --> 00:21:41,870

we break me out you know mark I was uh

475

00:21:52,090 --> 00:21:46,760

within 12 feet and it was a spontaneous

476
00:21:56,540 --> 00:21:52,100
sudden encounter and in this creature

477
00:21:58,190 --> 00:21:56,550
okay I had a through the UFO Oklahoma

478
00:22:01,160 --> 00:21:58,200
you a full paranormal team you can go

479
00:22:04,280 --> 00:22:01,170
there and see a sketch and the footprint

480
00:22:08,030 --> 00:22:04,290
that was casted but I had a forensic

481
00:22:09,620 --> 00:22:08,040
artist sketch what I saw and you can

482
00:22:11,060 --> 00:22:09,630
look at that sky think I kind of pissed

483
00:22:13,370 --> 00:22:11,070
her off a little bit because she asked

484
00:22:15,670 --> 00:22:13,380
me she goes on a scale of 1 to 10 what

485
00:22:19,250 --> 00:22:15,680
do you think and I said I got nine

486
00:22:21,230 --> 00:22:19,260
ninety-five percent accurate and she

487
00:22:22,430 --> 00:22:21,240
goes what would it take and I said I

488
00:22:24,800 --> 00:22:22,440

don't know how to explain it to you I

489

00:22:26,780 --> 00:22:24,810

couldn't explain the look in the eyes I

490

00:22:28,460 --> 00:22:26,790

said you didn't capture that but I said

491

00:22:32,270 --> 00:22:28,470

all the facial features I said you're

492

00:22:34,730 --> 00:22:32,280

spot-on you know and what we call it

493

00:22:38,150 --> 00:22:34,740

difficult for the cause I've had artists

494

00:22:41,000 --> 00:22:38,160

right repeatedly not to recreate what I

495

00:22:43,640 --> 00:22:41,010

saw and what what everyone is missing

496

00:22:45,710 --> 00:22:43,650

and what this programming is preventing

497

00:22:48,200 --> 00:22:45,720

the general public from seeing and

498

00:22:50,330 --> 00:22:48,210

really it's keeping its keeping the

499

00:22:52,700 --> 00:22:50,340

public from realizing the importance of

500

00:22:54,470 --> 00:22:52,710

the discovery period because if the

501
00:22:57,140 --> 00:22:54,480
public continues to think of this thing

502
00:22:58,670 --> 00:22:57,150
is some type of ape then it's just an

503
00:23:02,210 --> 00:22:58,680
animal and it really isn't all that

504
00:23:04,340 --> 00:23:02,220
important but if the public understands

505
00:23:06,530 --> 00:23:04,350
what we're seeing which in the

506
00:23:08,990 --> 00:23:06,540
representations that that I've gotten

507
00:23:10,720 --> 00:23:09,000
from eyewitnesses and my own and what

508
00:23:13,430 --> 00:23:10,730
you're clearly describing is

509
00:23:16,310 --> 00:23:13,440
intelligence that's what the RS had

510
00:23:18,650 --> 00:23:16,320
trouble capturing is that I'm feeling

511
00:23:20,840 --> 00:23:18,660
the intelligence the human intelligence

512
00:23:23,120 --> 00:23:20,850
the smart and I've had a couple of

513
00:23:26,330 --> 00:23:23,130

encounters where I didn't see it but

514

00:23:30,850 --> 00:23:26,340

I've been literally emotionally mocked

515

00:23:34,100 --> 00:23:30,860

by a gigantic Harry human toy being it

516

00:23:37,040 --> 00:23:34,110

here in the state of Florida to where I

517

00:23:41,120 --> 00:23:37,050

actually felt embarrassed that I woke

518

00:23:42,860 --> 00:23:41,130

this guy up I mean I don't even you like

519

00:23:46,190 --> 00:23:42,870

I mean I couldn't even believe it like I

520

00:23:48,470 --> 00:23:46,200

was feeling like it was almost as if you

521

00:23:49,610 --> 00:23:48,480

know somebody was passed out and I woke

522

00:23:51,920 --> 00:23:49,620

them up and they

523

00:23:55,130 --> 00:23:51,930

turn around and got slick with me you

524

00:23:57,049 --> 00:23:55,140

know oh yeah yeah hey Mark and one of

525

00:23:58,820 --> 00:23:57,059

the and I'm by no means have anywhere

526
00:24:02,270 --> 00:23:58,830
near the knowledge and expertise that

527
00:24:04,940 --> 00:24:02,280
you how I I'm lucky I can spell Bigfoot

528
00:24:08,350 --> 00:24:04,950
okay I just don't have the the the

529
00:24:10,970 --> 00:24:08,360
knowledge but what you have said about

530
00:24:12,320 --> 00:24:10,980
intelligence and I gotta ask this here

531
00:24:13,700 --> 00:24:12,330
about two weeks ago I was telling

532
00:24:15,530 --> 00:24:13,710
somebody what happened to me and they

533
00:24:17,270 --> 00:24:15,540
said well can if this creature really

534
00:24:20,510 --> 00:24:17,280
exists how come we don't find any bodies

535
00:24:22,910 --> 00:24:20,520
of it and my reply is well you know I'm

536
00:24:26,120 --> 00:24:22,920
a hunter I hunt deer and elk and very

537
00:24:28,490 --> 00:24:26,130
not very often in fact it's a rarity

538
00:24:30,799 --> 00:24:28,500

that you come across the carcass of a

539

00:24:33,710 --> 00:24:30,809

dead animal in the woods okay they just

540

00:24:36,200 --> 00:24:33,720

don't last very long but my other point

541

00:24:38,000 --> 00:24:36,210

is is that if we're right and i think we

542

00:24:41,900 --> 00:24:38,010

are you're dealing with intelligence

543

00:24:45,530 --> 00:24:41,910

they may bury their dead okay I mean we

544

00:24:47,690 --> 00:24:45,540

do yeah well you know I mean I think

545

00:24:49,700 --> 00:24:47,700

that you know for us to have

546

00:24:53,060 --> 00:24:49,710

conversations about that is one thing

547

00:24:54,919 --> 00:24:53,070

it's completely different to try to

548

00:24:56,750 --> 00:24:54,929

convince the public who has difficulty

549

00:24:59,480 --> 00:24:56,760

specifically because of the programming

550

00:25:01,100 --> 00:24:59,490

that they viewed and received and the

551
00:25:02,690 --> 00:25:01,110
belief system that they developed on the

552
00:25:05,299 --> 00:25:02,700
subject to get them to listen to

553
00:25:06,799 --> 00:25:05,309
something regarding that I mean you know

554
00:25:08,960 --> 00:25:06,809
what you saw you know what you saw had

555
00:25:10,250 --> 00:25:08,970
intelligence I know what I saw and I got

556
00:25:12,140 --> 00:25:10,260
a good look at him and he looked at me

557
00:25:15,110 --> 00:25:12,150
more importantly and I'm sure you had

558
00:25:18,020 --> 00:25:15,120
the same situation I did not see a

559
00:25:19,669 --> 00:25:18,030
single feature that would be uneven

560
00:25:22,970 --> 00:25:19,679
primary this thing was pre-human in

561
00:25:26,120 --> 00:25:22,980
every way in gigantic and not only that

562
00:25:28,040 --> 00:25:26,130
but it was scary and you know and not

563
00:25:30,770 --> 00:25:28,050

only that but the physical ability that

564

00:25:33,980 --> 00:25:30,780

I witnessed because what if happened to

565

00:25:35,840 --> 00:25:33,990

my encounter was I've never even heard

566

00:25:37,610 --> 00:25:35,850

and I've interviewed by witnesses all

567

00:25:39,830 --> 00:25:37,620

over the place and I gotta tell you you

568

00:25:41,720 --> 00:25:39,840

know what I witnessed we weren't even

569

00:25:43,190 --> 00:25:41,730

looking I was teaching somebody how to

570

00:25:45,650 --> 00:25:43,200

track that day I was doing a spot of

571

00:25:47,330 --> 00:25:45,660

fishing in an area I thought there's no

572

00:25:49,370 --> 00:25:47,340

way we're ever going to see this thing

573

00:25:52,940 --> 00:25:49,380

it's there's no way there's so many

574

00:25:54,590 --> 00:25:52,950

people honking and there was a swamp

575

00:25:57,710 --> 00:25:54,600

buggy within a thousand yards of us

576

00:25:59,300 --> 00:25:57,720

firing off shotguns and we had we had

577

00:26:01,250 --> 00:25:59,310

just left an area because we heard

578

00:26:03,350 --> 00:26:01,260

buckshot skipping through the bushes

579

00:26:05,570 --> 00:26:03,360

where we were at I said you know we need

580

00:26:07,100 --> 00:26:05,580

clear this area buddy you know so we

581

00:26:08,500 --> 00:26:07,110

went back to the car and drove down

582

00:26:10,340 --> 00:26:08,510

further and got out of the water

583

00:26:11,450 --> 00:26:10,350

basically because we were in the swamp

584

00:26:14,180 --> 00:26:11,460

and we were looking for some higher

585

00:26:16,250 --> 00:26:14,190

ground and by the time we got to where

586

00:26:19,760 --> 00:26:16,260

we found high ground it was about an

587

00:26:21,560 --> 00:26:19,770

eighth of a mile farther north we parked

588

00:26:24,080 --> 00:26:21,570

a car and by that time we got out the

589

00:26:25,340 --> 00:26:24,090

swamp buggy had made it almost cuz they

590

00:26:27,830 --> 00:26:25,350

were headed in the same direction we

591

00:26:29,720 --> 00:26:27,840

were almost to where we were we had just

592

00:26:32,150 --> 00:26:29,730

gotten out of the car and we were on a

593

00:26:33,919 --> 00:26:32,160

trail that was about 20 feet wide and

594

00:26:36,080 --> 00:26:33,929

there was bushes on both sides of it 12

595

00:26:38,419 --> 00:26:36,090

15 feet high with pine trees in a mitten

596

00:26:40,100 --> 00:26:38,429

60-footers you know but their swamp on

597

00:26:42,919 --> 00:26:40,110

both sides of it in the trail itself

598

00:26:44,840 --> 00:26:42,929

actually runs from the beach to Lake

599

00:26:47,960 --> 00:26:44,850

Okeechobee all the way west until ago

600

00:26:49,640 --> 00:26:47,970

Cho Vees 60 70 maybe 80 miles total but

601
00:26:51,169 --> 00:26:49,650
it cuts through a forest corridor that

602
00:26:54,110 --> 00:26:51,179
there's been hundreds of sightings in

603
00:26:56,600 --> 00:26:54,120
but I wasn't expecting this and he was

604
00:26:58,270 --> 00:26:56,610
adjusting his equipment and we had just

605
00:27:01,700 --> 00:26:58,280
got on the trail you could see the car

606
00:27:04,220 --> 00:27:01,710
when I look back and I just happen to

607
00:27:06,289 --> 00:27:04,230
hear you know I was he was failing with

608
00:27:09,530 --> 00:27:06,299
his equipment my research partner that I

609
00:27:11,600 --> 00:27:09,540
was training and I heard the guns going

610
00:27:13,940 --> 00:27:11,610
off and they were closed man they were

611
00:27:16,610 --> 00:27:13,950
winning a thousand yards of us bow and

612
00:27:20,150 --> 00:27:16,620
shotguns off and i looked up because i

613
00:27:24,680 --> 00:27:20,160

was they were so close it shocked me now

614

00:27:27,860 --> 00:27:24,690

when I looked up I see this thing flying

615

00:27:31,820 --> 00:27:27,870

across the trail where he had cleared by

616

00:27:34,159 --> 00:27:31,830

27 to 30 foot jump and he was coming

617

00:27:36,140 --> 00:27:34,169

down and he was five to six feet off the

618

00:27:38,000 --> 00:27:36,150

ground he landed on the trail he cleared

619

00:27:41,180 --> 00:27:38,010

the 20 foot trail but the ark he was

620

00:27:43,610 --> 00:27:41,190

jumping from was like he jumped 10 15

621

00:27:46,940 --> 00:27:43,620

feet from out in that swamp he landed

622

00:27:49,580 --> 00:27:46,950

without a stutter and turned and pulled

623

00:27:51,680 --> 00:27:49,590

up palm frond down and looked at me and

624

00:27:54,590 --> 00:27:51,690

I was like in a complete state of shock

625

00:27:57,320 --> 00:27:54,600

because first of all I take reports down

626

00:28:00,530 --> 00:27:57,330

in here all the time and in a vault he's

627

00:28:02,480 --> 00:28:00,540

been black or red or burgundy girl you

628

00:28:05,360 --> 00:28:02,490

know that that rust colored hair or

629

00:28:08,090 --> 00:28:05,370

genlack including my son who's seen one

630

00:28:10,700 --> 00:28:08,100

it was jet black and gigantic beastly

631

00:28:13,510 --> 00:28:10,710

huge but I've never heard of I've never

632

00:28:16,580 --> 00:28:13,520

taken a report of one with long shaggy

633

00:28:17,299 --> 00:28:16,590

silver gray shiny hair all over his body

634

00:28:19,129 --> 00:28:17,309

in

635

00:28:22,580 --> 00:28:19,139

not let alone the human head of hair he

636

00:28:25,759 --> 00:28:22,590

had perfect long straight hair parted in

637

00:28:28,759 --> 00:28:25,769

the middle any he was know by now he had

638

00:28:30,680 --> 00:28:28,769

like a bluish grayish whitish skin and

639

00:28:32,269 --> 00:28:30,690

it was I was in a complete state of

640

00:28:33,909 --> 00:28:32,279

shock and I grabbed my partner looked

641

00:28:36,470 --> 00:28:33,919

away for a hundredth of a second after

642

00:28:37,999 --> 00:28:36,480

he and I had stared at each other for a

643

00:28:41,509 --> 00:28:38,009

second he pulled that palm frond down

644

00:28:43,220 --> 00:28:41,519

and shot me a frown and yet you know in

645

00:28:45,440 --> 00:28:43,230

the face I thought it was unbelievable

646

00:28:47,659 --> 00:28:45,450

it was you know 939 15 in the morning

647

00:28:50,600 --> 00:28:47,669

something like that but when I look back

648

00:28:53,629 --> 00:28:50,610

up he was gone and the branch was moving

649

00:28:56,960 --> 00:28:53,639

the palm frond but what I got out of

650

00:28:59,570 --> 00:28:56,970

that I mean in hindsight in reviewing

651
00:29:02,659 --> 00:28:59,580
everything was first of all we we are

652
00:29:04,759 --> 00:29:02,669
not being told at what's going on here

653
00:29:07,940 --> 00:29:04,769
there's absolutely no doubt about it

654
00:29:09,139 --> 00:29:07,950
when I saw what I saw I knew that what

655
00:29:11,029 --> 00:29:09,149
we were learning and what we were

656
00:29:13,759 --> 00:29:11,039
hearing from science about the species

657
00:29:16,279 --> 00:29:13,769
and and the narration that we hear on

658
00:29:18,799 --> 00:29:16,289
these shows was way off base way off

659
00:29:20,960 --> 00:29:18,809
base and I kind of knew that anyway

660
00:29:22,820 --> 00:29:20,970
because of interviewing eyewitnesses but

661
00:29:25,159 --> 00:29:22,830
not to the level i knew now you know

662
00:29:27,889 --> 00:29:25,169
right and it's that's when my real

663
00:29:30,769 --> 00:29:27,899

research took off in uh you know I mean

664

00:29:34,519 --> 00:29:30,779

listen I I you know I've been harassed

665

00:29:36,440 --> 00:29:34,529

on so many levels over this by mark mark

666

00:29:38,690 --> 00:29:36,450

mark nice and I don't even know who

667

00:29:40,430 --> 00:29:38,700

these people are the mark doin mark

668

00:29:41,810 --> 00:29:40,440

we've hit our mark we've hit our break

669

00:29:43,909 --> 00:29:41,820

so we'll talk can we talk about the

670

00:29:46,129 --> 00:29:43,919

harassment after the break I know I know

671

00:29:48,369 --> 00:29:46,139

you've done okay guys hang in there

672

00:29:51,590 --> 00:29:48,379

we're talking to Mark's ascii about his

673

00:29:53,480 --> 00:29:51,600

cryptozoology research arm hang in there

674

00:29:55,369 --> 00:29:53,490

we'll be right back with some more

675

00:30:09,400 --> 00:29:55,379

awesome stories and some great info from

676

00:30:09,410 --> 00:30:25,950

Oh

677

00:30:31,510 --> 00:30:28,750

hello inception radio network listeners

678

00:30:33,370 --> 00:30:31,520

this is Amanda remember you can take

679

00:30:35,500 --> 00:30:33,380

your inception radio shows on the go

680

00:30:38,320 --> 00:30:35,510

just download the inception radio

681

00:30:40,930 --> 00:30:38,330

network app for your iPhone iPad or

682

00:30:43,450 --> 00:30:40,940

Android smartphones and access live

683

00:30:45,940 --> 00:30:43,460

shows past shows guest lineups and much

684

00:30:47,710 --> 00:30:45,950

more just visit the itunes store or the

685

00:30:52,090 --> 00:30:47,720

google play marketplace and download it

686

00:30:58,790 --> 00:30:56,060

hello everyone lorien fenton here hosted

687

00:31:01,280 --> 00:30:58,800

the California MUFON radio show asking

688

00:31:04,310 --> 00:31:01,290

if you'd like special access to

689

00:31:07,580 --> 00:31:04,320

exclusive and amazing information about

690

00:31:10,910 --> 00:31:07,590

UFOs the paranormal and all things

691

00:31:14,540 --> 00:31:10,920

unexplained if you're nodding yes then

692

00:31:16,310 --> 00:31:14,550

join I rn's insider club as an insider

693

00:31:19,310 --> 00:31:16,320

club member you'll get an all-access

694

00:31:21,710 --> 00:31:19,320

pass to premier inception radio network

695

00:31:24,230 --> 00:31:21,720

content for only four dollars and

696

00:31:28,100 --> 00:31:24,240

ninety-nine cents a month this includes

697

00:31:31,400 --> 00:31:28,110

live UFO and paranormal conferences live

698

00:31:34,100 --> 00:31:31,410

streaming UFO sky watches exclusive I

699

00:31:37,070 --> 00:31:34,110

are in radio and TV productions and of

700

00:31:39,800 --> 00:31:37,080

course paying radio with MJ and Ken

701
00:31:42,710 --> 00:31:39,810
starch so don't wait any longer visit

702
00:31:46,040 --> 00:31:42,720
inception radio network calm and click

703
00:31:50,810 --> 00:31:46,050
on member login to join our ends insider

704
00:31:53,660 --> 00:31:50,820
club and get your VIP access today howdy

705
00:31:57,980 --> 00:31:53,670
this John Mars I'm inviting you to tune

706
00:32:00,920 --> 00:31:57,990
in to epic voyages 8 p.m. central 9 p.m.

707
00:32:04,100 --> 00:32:00,930
eastern monday nights right here on

708
00:32:06,410 --> 00:32:04,110
inception radio network to find out more

709
00:32:10,130 --> 00:32:06,420
about epic and how you can become a

710
00:32:24,570 --> 00:32:10,140
member visit epic voyageurs com that's

711
00:32:30,430 --> 00:32:27,549
equity pompidou to the dommage about

712
00:32:41,640 --> 00:32:30,440
Irina is down enigma2 inception radio

713
00:32:45,580 --> 00:32:41,650

network paying radio was sponsored by

714

00:32:47,320 --> 00:32:45,590

dream nuage organics and naturals made

715

00:32:49,299 --> 00:32:47,330

from organically certified products

716

00:32:51,730 --> 00:32:49,309

dream nuage brings you nothing but the

717

00:32:55,990 --> 00:32:51,740

best for your body made by nature check

718

00:33:00,279 --> 00:32:56,000

them out dream nuage calm that's dr e am

719

00:33:02,860 --> 00:33:00,289

and you a GE com simply natural you're

720

00:33:05,529 --> 00:33:02,870

locked into inception radio network

721

00:33:07,240 --> 00:33:05,539

superior Wisconsin welcome back

722

00:33:09,370 --> 00:33:07,250

everybody to paying radio tonight we

723

00:33:11,830 --> 00:33:09,380

have on cryptozoologists and Bigfoot

724

00:33:14,440 --> 00:33:11,840

research or marks a ski mark it's a

725

00:33:16,570 --> 00:33:14,450

second bout on paying radio but market

726

00:33:18,850 --> 00:33:16,580

he's had a lot of things happen since

727

00:33:20,799 --> 00:33:18,860

our last show so we were talking a

728

00:33:22,810 --> 00:33:20,809

little bit on break can and I and Mark

729

00:33:24,250 --> 00:33:22,820

about the movements of this creature so

730

00:33:29,940 --> 00:33:24,260

mark what what did you compare the

731

00:33:33,279 --> 00:33:29,950

movements of this creature to well um I

732

00:33:35,169 --> 00:33:33,289

you know I look at its it's interesting

733

00:33:39,130 --> 00:33:35,179

because that I was in a state of shock

734

00:33:41,950 --> 00:33:39,140

for a while um you know I mean I was

735

00:33:44,740 --> 00:33:41,960

like I was in a state of shock period

736

00:33:46,029 --> 00:33:44,750

and then I started to think about all

737

00:33:48,970 --> 00:33:46,039

the things that I'd heard early years

738

00:33:51,820 --> 00:33:48,980

but I had never heard about anything

739

00:33:54,580 --> 00:33:51,830

like this as far as even from hunters

740

00:33:56,980 --> 00:33:54,590

that had seen them you know move I've

741

00:33:59,770 --> 00:33:56,990

heard you know that they move with you

742

00:34:02,110 --> 00:33:59,780

know effortlessly but do what I saw was

743

00:34:04,720 --> 00:34:02,120

completely different I in comparison to

744

00:34:06,190 --> 00:34:04,730

what I saw MJ I would say that the

745

00:34:09,220 --> 00:34:06,200

closest comparison or I've done this

746

00:34:13,180 --> 00:34:09,230

before I write a blog and you know in an

747

00:34:15,580 --> 00:34:13,190

explanation for what a lot of people are

748

00:34:17,440 --> 00:34:15,590

singing about how they have these

749

00:34:18,790 --> 00:34:17,450

special abilities and they can disappear

750

00:34:20,919 --> 00:34:18,800

at will and all the stuff and I've never

751
00:34:23,710 --> 00:34:20,929
witnessed that and I don't preclude that

752
00:34:26,260 --> 00:34:23,720
because certain people may say that you

753
00:34:28,119 --> 00:34:26,270
know they've witnessed these things you

754
00:34:31,149 --> 00:34:28,129
know I would never question someone

755
00:34:32,930 --> 00:34:31,159
else's experience but i never have

756
00:34:35,750 --> 00:34:32,940
witnessed that what i witnessed

757
00:34:39,230 --> 00:34:35,760
is a perfect explanation for why we find

758
00:34:41,480 --> 00:34:39,240
single anomalous tracks and I continue

759
00:34:43,879 --> 00:34:41,490
to find the single anomalous Traxler

760
00:34:47,149 --> 00:34:43,889
you're walking along and you're in a

761
00:34:49,399 --> 00:34:47,159
heavy substrate that is very very dense

762
00:34:52,040 --> 00:34:49,409
and you don't leave a track i went to

763
00:34:55,339 --> 00:34:52,050

others over 200 pounds and I'm not a

764

00:34:57,770 --> 00:34:55,349

small guy and my my boot will not leave

765

00:35:00,980 --> 00:34:57,780

a track where I'll find attractive to

766

00:35:03,410 --> 00:35:00,990

half-inch deep in 60 inches mom and I

767

00:35:05,450 --> 00:35:03,420

try to you know at first you know before

768

00:35:08,359 --> 00:35:05,460

I had my encounter I didn't understand

769

00:35:09,740 --> 00:35:08,369

what was going on so I had a tendency to

770

00:35:11,569 --> 00:35:09,750

start questioning whether or not you

771

00:35:13,550 --> 00:35:11,579

know this guy fell on the sky landed

772

00:35:15,470 --> 00:35:13,560

here and then just like disappeared

773

00:35:18,230 --> 00:35:15,480

because there's one track and there's no

774

00:35:20,660 --> 00:35:18,240

other track but now I understand because

775

00:35:23,260 --> 00:35:20,670

of what I saw that their physical

776

00:35:26,930 --> 00:35:23,270

morphology the build that they have

777

00:35:28,910 --> 00:35:26,940

gives them the ability to do what I did

778

00:35:31,010 --> 00:35:28,920

witness I mean there's no way that I

779

00:35:32,839 --> 00:35:31,020

would ever come to this conclusion about

780

00:35:35,809 --> 00:35:32,849

this without having seen it because I

781

00:35:39,440 --> 00:35:35,819

would not have believed it but I compare

782

00:35:41,599 --> 00:35:39,450

what I saw to an NFL football player I

783

00:35:45,079 --> 00:35:41,609

know that we just had a brief discussion

784

00:35:47,390 --> 00:35:45,089

about this you know at the break but I

785

00:35:50,270 --> 00:35:47,400

always tell people listen you know how

786

00:35:52,520 --> 00:35:50,280

Barry Sanders was a small guy really

787

00:35:55,099 --> 00:35:52,530

really heavily built but he could do

788

00:35:57,800 --> 00:35:55,109

things that you know had never been done

789

00:36:00,260 --> 00:35:57,810

by a back in the NFL he could run at the

790

00:36:03,050 --> 00:36:00,270

line quarterback at handing the football

791

00:36:04,490 --> 00:36:03,060

and he could accelerate before he even

792

00:36:06,740 --> 00:36:04,500

got that football but once he got a

793

00:36:08,630 --> 00:36:06,750

football he could accelerate to 15 miles

794

00:36:11,960 --> 00:36:08,640

an hour before he even got to the line

795

00:36:14,960 --> 00:36:11,970

and then plant his right foot and bound

796

00:36:18,530 --> 00:36:14,970

off of his right foot to the left edge

797

00:36:21,140 --> 00:36:18,540

nine or ten feet away and hit with his

798

00:36:24,220 --> 00:36:21,150

left foot and then peel off 15 20 yards

799

00:36:26,859 --> 00:36:24,230

from the end and he's a little guy but

800

00:36:29,329 --> 00:36:26,869

the morphology that I witnessed

801
00:36:31,099 --> 00:36:29,339
correlates to that type of ability this

802
00:36:33,710 --> 00:36:31,109
guy was seven and a half feet tall at

803
00:36:37,010 --> 00:36:33,720
least and he was built like a Greek god

804
00:36:38,870 --> 00:36:37,020
man and you know what I witnessed those

805
00:36:41,540 --> 00:36:38,880
with that you know when people talk

806
00:36:44,120 --> 00:36:41,550
about how you know it's difficult to

807
00:36:46,640 --> 00:36:44,130
comprehend that that happens and really

808
00:36:46,820 --> 00:36:46,650
my perspective immedia immediately went

809
00:36:48,980 --> 00:36:46,830
to

810
00:36:50,740 --> 00:36:48,990
science fiction movie this thing moves

811
00:36:55,730 --> 00:36:50,750
like something you would see in

812
00:36:58,220 --> 00:36:55,740
animation uh you know a science-fiction

813
00:37:00,170 --> 00:36:58,230

monster now I hate that use that

814

00:37:03,230 --> 00:37:00,180

comparison because it was absolutely of

815

00:37:08,150 --> 00:37:03,240

the human type of being but the

816

00:37:11,150 --> 00:37:08,160

movements were so superhuman and it's

817

00:37:14,180 --> 00:37:11,160

it's definitely it definitely correlates

818

00:37:17,180 --> 00:37:14,190

to the musculature which obviously is a

819

00:37:19,670 --> 00:37:17,190

direct development of the bones

820

00:37:23,840 --> 00:37:19,680

themselves so I look at this being as

821

00:37:26,480 --> 00:37:23,850

being exactly what it built to be and I

822

00:37:28,580 --> 00:37:26,490

could tell you that what I saw I mean I

823

00:37:30,350 --> 00:37:28,590

I always somebody said well you know

824

00:37:32,630 --> 00:37:30,360

he's scared and I thought you know

825

00:37:35,390 --> 00:37:32,640

absolutely and this thing could have

826

00:37:38,750 --> 00:37:35,400

been on me and my hiking partner in four

827

00:37:40,580 --> 00:37:38,760

seconds from 70 yards away and I have no

828

00:37:42,740 --> 00:37:40,590

doubt among and it probably could have

829

00:37:45,290 --> 00:37:42,750

pulled my arms off and beat him to death

830

00:37:47,810 --> 00:37:45,300

with my arms looks like i have no doubt

831

00:37:51,380 --> 00:37:47,820

about that and you know i'm in this

832

00:37:54,890 --> 00:37:51,390

research area constantly and to this day

833

00:37:58,400 --> 00:37:54,900

I was out there today for some was up 10

834

00:38:00,560 --> 00:37:58,410

miles from my house and you know I found

835

00:38:02,450 --> 00:38:00,570

a bunch of tracks out there today we've

836

00:38:05,120 --> 00:38:02,460

been finding tracks consistently they're

837

00:38:08,270 --> 00:38:05,130

all the same size and it's him it's him

838

00:38:11,450 --> 00:38:08,280

I actually interviewed a guy that I work

839

00:38:16,430 --> 00:38:11,460

with who I had no idea goes into this

840

00:38:18,560 --> 00:38:16,440

area to fish and he flat-out told me you

841

00:38:20,120 --> 00:38:18,570

know listen we started talking about

842

00:38:22,970 --> 00:38:20,130

fishing out there which is the original

843

00:38:24,230 --> 00:38:22,980

reason why I went into this area and he

844

00:38:27,080 --> 00:38:24,240

says all he had four shots are all the

845

00:38:29,450 --> 00:38:27,090

time and he and then he kind of you know

846

00:38:32,360 --> 00:38:29,460

the subject got into what I you what I

847

00:38:34,610 --> 00:38:32,370

do it normally somehow turns into that

848

00:38:37,910 --> 00:38:34,620

I'm all over the internet people tend to

849

00:38:40,190 --> 00:38:37,920

like you know look up stuff so he just

850

00:38:41,990 --> 00:38:40,200

knew something about me and he mentioned

851

00:38:45,020 --> 00:38:42,000

it and he's like listen you know I was

852

00:38:47,780 --> 00:38:45,030

out there with a friend of mine and this

853

00:38:48,950 --> 00:38:47,790

is the same month as my sighting and he

854

00:38:50,660 --> 00:38:48,960

they were out there to thirty in the

855

00:38:52,700 --> 00:38:50,670

morning because they fishing for bass at

856

00:38:54,440 --> 00:38:52,710

night out there and this is a scary

857

00:38:56,570 --> 00:38:54,450

place to be in the daytime so I don't

858

00:38:59,480 --> 00:38:56,580

know minutes guys this guy's got some

859

00:39:00,440 --> 00:38:59,490

serious courage man and the thing is is

860

00:39:01,579 --> 00:39:00,450

he didn't know anything

861

00:39:03,710 --> 00:39:01,589

like this was going on out there but

862

00:39:05,510 --> 00:39:03,720

they got screamed at this thing was

863

00:39:07,940 --> 00:39:05,520

running through the swamp and he said

864

00:39:09,890 --> 00:39:07,950

they could hear it coming and it

865

00:39:12,530 --> 00:39:09,900

screamed at him in it and this is a

866

00:39:14,780 --> 00:39:12,540

seasoned swamp cracker let me tell you

867

00:39:16,730 --> 00:39:14,790

something this guy here is a swamp

868

00:39:17,810 --> 00:39:16,740

cracker period I mean you're out there

869

00:39:19,790 --> 00:39:17,820

to thirty in the morning with a

870

00:39:22,910 --> 00:39:19,800

headlight on investigators and moccasins

871

00:39:25,069 --> 00:39:22,920

and all the stuff out there you are used

872

00:39:26,390 --> 00:39:25,079

to being out there and he said that he'd

873

00:39:28,819 --> 00:39:26,400

never heard anything like it in his life

874

00:39:30,500 --> 00:39:28,829

and it scared him to death he actually

875

00:39:32,870 --> 00:39:30,510

back out of the area when to his truck

876

00:39:35,240 --> 00:39:32,880

got the spotlight and apparently his

877

00:39:37,630 --> 00:39:35,250

partner was about 50 to 75 yards away

878

00:39:41,210 --> 00:39:37,640

and just curled up in the fetal position

879

00:39:43,069 --> 00:39:41,220

these are like experienced Florida

880

00:39:45,410 --> 00:39:43,079

woodsman and you know I mean I look at

881

00:39:47,780 --> 00:39:45,420

the situation like you know he's still

882

00:39:50,810 --> 00:39:47,790

out there I mean today I found six or

883

00:39:53,410 --> 00:39:50,820

seven tracks and you know I'm having

884

00:39:56,420 --> 00:39:53,420

some technical difficulties right now

885

00:40:01,819 --> 00:39:56,430

with any of my equipment that connects

886

00:40:03,829 --> 00:40:01,829

to or has Wi-Fi linkage whenever I go

887

00:40:05,510 --> 00:40:03,839

out the film I'm having a difficulty out

888

00:40:08,839 --> 00:40:05,520

in this area getting my equipment to

889

00:40:11,540 --> 00:40:08,849

work but um you know yeah man listen to

890

00:40:14,720 --> 00:40:11,550

the physical morphology you were you

891

00:40:16,520 --> 00:40:14,730

were telling me at the break about what

892

00:40:19,790 --> 00:40:16,530

you saw and I couldn't group see more oh

893

00:40:22,849 --> 00:40:19,800

hey and you know what mark I was

894

00:40:27,319 --> 00:40:22,859

listening to the way you were describing

895

00:40:29,900 --> 00:40:27,329

Barry Sanders excuse me and i think the

896

00:40:31,970 --> 00:40:29,910

real strength of these creatures is in

897

00:40:34,220 --> 00:40:31,980

their toes they've got to have

898

00:40:36,500 --> 00:40:34,230

incredible spring I mean that the

899

00:40:40,099 --> 00:40:36,510

muscles in their foot and their toes has

900

00:40:43,640 --> 00:40:40,109

to be incredible so ya know I could

901
00:40:46,520 --> 00:40:43,650
agree anymore I I saw him land when he

902
00:40:48,559 --> 00:40:46,530
landed yeah when he flying across the

903
00:40:50,900 --> 00:40:48,569
trail I thought he's gonna there's no

904
00:40:53,930 --> 00:40:50,910
way it just didn't make any sense how he

905
00:40:55,370 --> 00:40:53,940
landed it was it didn't make a sound it

906
00:40:57,109 --> 00:40:55,380
was like you know how you land on your

907
00:40:59,450 --> 00:40:57,119
toes when you jump in you're trying not

908
00:41:02,079 --> 00:40:59,460
to make a noise right yeah exactly yeah

909
00:41:05,359 --> 00:41:02,089
but he did that from 27 to 30 feet and

910
00:41:07,220 --> 00:41:05,369
yeah at least seven feet in the air well

911
00:41:10,130 --> 00:41:07,230
at the arc because he was five feet in

912
00:41:12,470 --> 00:41:10,140
the air coming down it was incredible it

913
00:41:13,910 --> 00:41:12,480

was absolutely incredible and you know

914

00:41:16,460 --> 00:41:13,920

it sounds crazy

915

00:41:19,160 --> 00:41:16,470

oh I'm aware of that I'm fully aware

916

00:41:21,470 --> 00:41:19,170

that this sounds crazy but I mean I know

917

00:41:24,140 --> 00:41:21,480

what I saw no wasn't tell me I didn't

918

00:41:27,020 --> 00:41:24,150

see that oh I watch this uh i watch this

919

00:41:33,220 --> 00:41:27,030

creature run down the river through the

920

00:41:35,990 --> 00:41:33,230

willow trees and it was you know it was

921

00:41:39,410 --> 00:41:36,000

poetry in motion I mean it was graceful

922

00:41:41,750 --> 00:41:39,420

it was I mean you watch a deer or an elk

923

00:41:44,630 --> 00:41:41,760

or any of those animals even a mountain

924

00:41:46,280 --> 00:41:44,640

lion they're graceful they're in their

925

00:41:48,950 --> 00:41:46,290

environment and they are conditioned to

926

00:41:52,069 --> 00:41:48,960

it and so was this creature it was his

927

00:41:55,250 --> 00:41:52,079

environment and he is conditioned into

928

00:41:57,140 --> 00:41:55,260

it that's for sure yes so that's the

929

00:41:59,289 --> 00:41:57,150

feeling I got as well and you know I get

930

00:42:03,170 --> 00:41:59,299

that feeling every time I'm in the area

931

00:42:06,170 --> 00:42:03,180

you know I mean I look at I find signs

932

00:42:09,289 --> 00:42:06,180

of passing almost every time I'm there

933

00:42:10,849 --> 00:42:09,299

and now I'm finding in those signs you

934

00:42:14,390 --> 00:42:10,859

know I take time to carefully consider

935

00:42:16,640 --> 00:42:14,400

where I find the tracks well you know

936

00:42:18,200 --> 00:42:16,650

finding intelligence in those tracks

937

00:42:20,569 --> 00:42:18,210

because you know I'm finally Earl

938

00:42:23,210 --> 00:42:20,579

occasion where there's turns in the

939

00:42:25,640 --> 00:42:23,220

trail and the tracks will be on the

940

00:42:29,299 --> 00:42:25,650

outside of the trail so that he can

941

00:42:32,089 --> 00:42:29,309

clear a corner or he goes around in this

942

00:42:33,950 --> 00:42:32,099

place is heavily used by humans heavily

943

00:42:36,559 --> 00:42:33,960

used at any given time when you're out

944

00:42:38,420 --> 00:42:36,569

there even at night there's 10 to 15

945

00:42:40,569 --> 00:42:38,430

people in this area and in the daytime

946

00:42:42,950 --> 00:42:40,579

there can be up to 35 or 40 people

947

00:42:44,870 --> 00:42:42,960

hunting and shooting and doing all kind

948

00:42:46,849 --> 00:42:44,880

of stuff and he's just right there in

949

00:42:48,650 --> 00:42:46,859

the middle of it and I can see his track

950

00:42:51,319 --> 00:42:48,660

we were out there last weekend and we

951
00:42:54,230 --> 00:42:51,329
went to go to the recreation of what

952
00:42:56,150 --> 00:42:54,240
happened for a little a little brief

953
00:43:00,289 --> 00:42:56,160
documentary for a website on building

954
00:43:02,299 --> 00:43:00,299
and you know I've you know found this

955
00:43:04,250 --> 00:43:02,309
track but there were there were guys

956
00:43:08,450 --> 00:43:04,260
with hunting dogs running all through

957
00:43:11,059 --> 00:43:08,460
this area so you got extreme heavy use

958
00:43:13,220 --> 00:43:11,069
by humans in this wildlife area and he

959
00:43:15,109 --> 00:43:13,230
does not mind it because that day we

960
00:43:16,579 --> 00:43:15,119
found a track where he was right on the

961
00:43:18,920 --> 00:43:16,589
same trail as the dogs and it was a

962
00:43:20,390 --> 00:43:18,930
fresh track it wasn't dry out at all and

963
00:43:23,900 --> 00:43:20,400

it hadn't rained so I know it was from

964

00:43:26,120 --> 00:43:23,910

that morning hmm I i well you know keep

965

00:43:26,420 --> 00:43:26,130

in mind and this is strictly my opinion

966

00:43:31,309 --> 00:43:26,430

but

967

00:43:33,980 --> 00:43:31,319

we are playing in his backyard and it's

968

00:43:36,440 --> 00:43:33,990

his environment it and even though like

969

00:43:39,380 --> 00:43:36,450

you say there's heavy heavy use by

970

00:43:41,270 --> 00:43:39,390

humans he's adapted to it he knows how

971

00:43:43,400 --> 00:43:41,280

to handle this he solved the problem

972

00:43:45,020 --> 00:43:43,410

let's put it that way if he doesn't want

973

00:43:46,640 --> 00:43:45,030

to be seen he's not going to be seen and

974

00:43:48,920 --> 00:43:46,650

when he is seeing it may be purely

975

00:43:50,690 --> 00:43:48,930

accidental at least mine well that's

976

00:43:53,210 --> 00:43:50,700

definitely that's definitely what happen

977

00:43:55,130 --> 00:43:53,220

with me I mean I looked at you know all

978

00:43:56,900 --> 00:43:55,140

everything that contributed to me having

979

00:43:58,880 --> 00:43:56,910

that sighting and I got to tell you if I

980

00:44:01,190 --> 00:43:58,890

had not brushed my teeth that morning I

981

00:44:03,440 --> 00:44:01,200

remember if I did if I did burst my

982

00:44:05,210 --> 00:44:03,450

teeth if I hadn't stirred my coffee yeah

983

00:44:07,220 --> 00:44:05,220

I wouldn't have stopped at that red

984

00:44:10,220 --> 00:44:07,230

light if I know there are a million

985

00:44:12,380 --> 00:44:10,230

things that took me that exact second or

986

00:44:14,059 --> 00:44:12,390

those two seconds to where I was on that

987

00:44:15,950 --> 00:44:14,069

trail and looked up when of guns were

988

00:44:18,740 --> 00:44:15,960

going off and I saw him flying across

989

00:44:20,480 --> 00:44:18,750

trail I look at that and it's you know

990

00:44:22,099 --> 00:44:20,490

it was purely accidental he was not

991

00:44:24,230 --> 00:44:22,109

aware of us we had put him in a choke

992

00:44:26,920 --> 00:44:24,240

point between right here like a tween

993

00:44:30,079 --> 00:44:26,930

lumps in the hunters and it's my opinion

994

00:44:34,480 --> 00:44:30,089

now based on what I'm finding in this

995

00:44:37,880 --> 00:44:34,490

research area in this area that he views

996

00:44:40,220 --> 00:44:37,890

just from what I'm finding he fully

997

00:44:42,140 --> 00:44:40,230

aware that work to listen to the rest of

998

00:44:44,930 --> 00:44:42,150

this interview please go to inception

999

00:44:46,910 --> 00:44:44,940

radio network com and register for the

1000

00:44:49,039 --> 00:44:46,920

insider's club what is the insider's

1001
00:44:51,589 --> 00:44:49,049
club the insider's club is our premium

1002
00:44:54,319 --> 00:44:51,599
content what you just listened to now

1003
00:44:57,170 --> 00:44:54,329
what you just listen to is a preview of

1004
00:44:59,720 --> 00:44:57,180
that premium content the insider's club

1005
00:45:02,990 --> 00:44:59,730
is how we pay the bills that's how you

1006
00:45:06,319 --> 00:45:03,000
support ire and you joined forces with

1007
00:45:08,480 --> 00:45:06,329
irn to get the truth out there now a lot

1008
00:45:10,280 --> 00:45:08,490
of our content is free i mean most of

1009
00:45:14,359 --> 00:45:10,290
our content industry all of our lives

1010
00:45:16,520 --> 00:45:14,369
shows are free if you go to our archives

1011
00:45:19,010 --> 00:45:16,530
the vast majority of our archives are

1012
00:45:22,549 --> 00:45:19,020
for free but to pay the bills to help

1013
00:45:26,210 --> 00:45:22,559

make sure this network stays alive stays

1014

00:45:28,549 --> 00:45:26,220

viable we offer those who really love

1015

00:45:32,329 --> 00:45:28,559

our radio station or network and our

1016

00:45:34,690 --> 00:45:32,339

shows an ability to support our network

1017

00:45:37,810 --> 00:45:34,700

and become a part of iron

1018

00:45:39,460 --> 00:45:37,820

actually joined forces and helping us

1019

00:45:41,950 --> 00:45:39,470

get the truth out there now how do you

1020

00:45:45,370 --> 00:45:41,960

do this again you go to inception radio

1021

00:45:47,530 --> 00:45:45,380

network com and you subscribe for the

1022

00:45:50,020 --> 00:45:47,540

insider's club and you will you'll have

1023

00:45:52,690 --> 00:45:50,030

access to all of our archives including

1024

00:45:54,040 --> 00:45:52,700

this show the rest of the show a faster

1025

00:45:56,260 --> 00:45:54,050

way of getting there go to the

1026
00:45:58,630 --> 00:45:56,270
description below this video and click

1027
00:46:00,700 --> 00:45:58,640
on the link and like I said you'll be

1028
00:46:03,099 --> 00:46:00,710
joining forces with irn you'll have

1029
00:46:06,099 --> 00:46:03,109
availability of all of our content and

1030
00:46:17,680 --> 00:46:06,109
we really appreciate your support thank

1031
00:46:20,109 --> 00:46:17,690
you hello everyone Lori and Fenton here

1032
00:46:23,440 --> 00:46:20,119
hosted the California MUFON radio show

1033
00:46:26,500 --> 00:46:23,450
asking if you'd like special access to

1034
00:46:29,770 --> 00:46:26,510
exclusive and amazing information about

1035
00:46:33,069 --> 00:46:29,780
UFOs the paranormal and all things

1036
00:46:36,700 --> 00:46:33,079
unexplained if you're nodding yes then

1037
00:46:38,500 --> 00:46:36,710
join I rn's insider club as an insider

1038
00:46:41,470 --> 00:46:38,510

club member you'll get an all-access

1039

00:46:43,870 --> 00:46:41,480

pass to premier inception radio network

1040

00:46:46,420 --> 00:46:43,880

content for only four dollars and

1041

00:46:50,290 --> 00:46:46,430

ninety-nine cents a month this includes

1042

00:46:53,950 --> 00:46:50,300

live UFO and paranormal conferences live

1043

00:46:56,339 --> 00:46:53,960

streaming UFO sky watches exclusive irr

1044

00:47:00,339 --> 00:46:56,349

radio and TV productions and of course

1045

00:47:02,620 --> 00:47:00,349

paying radio with MJ and Ken Storch so

1046

00:47:05,770 --> 00:47:02,630

don't wait any longer visit inception

1047

00:47:08,890 --> 00:47:05,780

radio network calm and click on member

1048

00:47:14,380 --> 00:47:08,900

login to join I rn's insider club and

1049

00:47:16,270 --> 00:47:14,390

get your VIP access today to listen to

1050

00:47:18,370 --> 00:47:16,280

the rest of this interview please go to

1051
00:47:20,920 --> 00:47:18,380
inception radio network calm and

1052
00:47:23,109 --> 00:47:20,930
register for the insider's club what is

1053
00:47:24,849 --> 00:47:23,119
the insider's club the insider's club is

1054
00:47:27,400 --> 00:47:24,859
our premium content what you've just

1055
00:47:29,560 --> 00:47:27,410
listened to now what you just listen to

1056
00:47:32,140 --> 00:47:29,570
is a preview of that

1057
00:47:34,300 --> 00:47:32,150
premium content the insider's club is

1058
00:47:37,600 --> 00:47:34,310
how we pay the bills that's how you

1059
00:47:40,870 --> 00:47:37,610
support ire and you joined forces with

1060
00:47:43,060 --> 00:47:40,880
irn to get the truth out there now a lot

1061
00:47:44,890 --> 00:47:43,070
of our content is free i mean most of

1062
00:47:48,940 --> 00:47:44,900
our content industry all of our lives

1063
00:47:51,130 --> 00:47:48,950

shows are free if you go to our archives

1064

00:47:53,590 --> 00:47:51,140

the vast majority of our archives are

1065

00:47:57,160 --> 00:47:53,600

for free but to pay the bills to help

1066

00:48:00,790 --> 00:47:57,170

make sure this network stays alive stays

1067

00:48:03,160 --> 00:48:00,800

viable we offer those who really love

1068

00:48:06,910 --> 00:48:03,170

our radio station or network and our

1069

00:48:10,600 --> 00:48:06,920

shows an ability to support our network

1070

00:48:13,270 --> 00:48:10,610

and become a part of our n actually join

1071

00:48:15,010 --> 00:48:13,280

forces and helping us get the truth out

1072

00:48:18,490 --> 00:48:15,020

there now how do you do this again you

1073

00:48:21,010 --> 00:48:18,500

go to inception radio network com and

1074

00:48:23,500 --> 00:48:21,020

you subscribe for the insider's club and

1075

00:48:25,750 --> 00:48:23,510

you will you'll have access to all of

1076

00:48:27,790 --> 00:48:25,760

our archives including this show the

1077

00:48:29,860 --> 00:48:27,800

rest of the show a faster way of getting

1078

00:48:32,500 --> 00:48:29,870

there go to the description below this

1079

00:48:34,720 --> 00:48:32,510

video and click on the link and like I

1080

00:48:37,030 --> 00:48:34,730

said you'll be joining forces with irn

1081

00:48:39,670 --> 00:48:37,040

you'll have availability of all of our

1082

00:48:51,490 --> 00:48:39,680

content and we really appreciate your

1092

00:49:19,570 --> 00:49:17,420

inception radio network content for only

1093

00:49:22,840 --> 00:49:19,580

four dollars and ninety-nine cents a

1094

00:49:25,360 --> 00:49:22,850

month this includes live UFO and

1095

00:49:27,290 --> 00:49:25,370

paranormal conferences live streaming

1096

00:49:30,200 --> 00:49:27,300

UFO sky watches

1097

00:49:33,620 --> 00:49:30,210

exclusive irn radio and TV productions

1098

00:49:35,810 --> 00:49:33,630

and of course paying radio with MJ and

1099

00:49:38,900 --> 00:49:35,820

Ken starch so don't wait any longer

1100

00:49:42,320 --> 00:49:38,910

visit inception radio network calm and

1101
00:49:45,410 --> 00:49:42,330
click on member login to join our ends

1102
00:49:49,550 --> 00:49:45,420
insider club and get your VIP access

1103
00:49:51,860 --> 00:49:49,560
today to listen to the rest of this

1104
00:49:54,110 --> 00:49:51,870
interview please go to inception radio

1105
00:49:56,120 --> 00:49:54,120
network calm and register for the

1106
00:49:58,220 --> 00:49:56,130
insider's club what is the insider's

1107
00:50:00,770 --> 00:49:58,230
club the insider's club is our premium

1108
00:50:03,530 --> 00:50:00,780
content what you've just listened to now

1109
00:50:06,380 --> 00:50:03,540
what you just listen to is a preview of

1110
00:50:08,900 --> 00:50:06,390
that premium content the insider's club

1111
00:50:12,170 --> 00:50:08,910
is how we pay the bills that's how you

1112
00:50:15,470 --> 00:50:12,180
support ire and you joined forces with

1113
00:50:17,660 --> 00:50:15,480

irn to get the truth out there now a lot

1114

00:50:19,490 --> 00:50:17,670

of our content is free i mean most of

1115

00:50:23,540 --> 00:50:19,500

our content industry all of our lives

1116

00:50:25,730 --> 00:50:23,550

shows are free if you go to our archives

1117

00:50:28,190 --> 00:50:25,740

the vast majority of our archives are

1118

00:50:31,730 --> 00:50:28,200

for free but to pay the bills to help

1119

00:50:35,390 --> 00:50:31,740

make sure this network stays alive stays

1120

00:50:37,730 --> 00:50:35,400

viable we offer those who really love

1121

00:50:41,510 --> 00:50:37,740

our radio station or network and our

1122

00:50:44,810 --> 00:50:41,520

shows an ability to support our network

1123

00:50:47,690 --> 00:50:44,820

and become a part of Eire n actually

1124

00:50:49,310 --> 00:50:47,700

join forces and helping us get the truth

1125

00:50:52,670 --> 00:50:49,320

out there now how do you do this again

1126
00:50:55,220 --> 00:50:52,680
you go to inception radio network com

1127
00:50:57,620 --> 00:50:55,230
and you subscribe for the insider's club

1128
00:51:00,350 --> 00:50:57,630
and you will you'll have access to all

1129
00:51:02,390 --> 00:51:00,360
of our archives including this show the

1130
00:51:04,460 --> 00:51:02,400
rest of the show a faster way of getting

1131
00:51:07,100 --> 00:51:04,470
there go to the description below this

1132
00:51:09,320 --> 00:51:07,110
video and click on the link and like I

1133
00:51:11,630 --> 00:51:09,330
said you'll be joining forces with irn

1134
00:51:14,270 --> 00:51:11,640
you'll have availability of all of our

1135
00:51:23,470 --> 00:51:14,280
content and we really appreciate your

1136
00:51:29,300 --> 00:51:26,870
hello everyone Laurieann fenton here

1137
00:51:32,630 --> 00:51:29,310
hosted the California MUFON radio show

1138
00:51:35,690 --> 00:51:32,640

asking if you'd like special access to

1139

00:51:39,020 --> 00:51:35,700

exclusive and amazing information about

1140

00:51:42,260 --> 00:51:39,030

UFOs the paranormal and all things

1141

00:51:45,890 --> 00:51:42,270

unexplained if you're nodding yes then
