

Just Energy
Radio

Erich von Däniken

& Dr. Barry Weinhold

Dr. Rita Louise

1
00:00:18,950 --> 00:00:16,390
welcome to just energy radio with your

2
00:00:20,630 --> 00:00:18,960
host naturopath and medical intuitive dr

3
00:00:22,230 --> 00:00:20,640
rita louise

4
00:00:24,310 --> 00:00:22,240
we have learned from einstein's theory

5
00:00:26,390 --> 00:00:24,320
that matter and energy are one

6
00:00:28,230 --> 00:00:26,400
physicists believe that all systems in

7
00:00:29,990 --> 00:00:28,240
nature have their own particular way of

8
00:00:32,150 --> 00:00:30,000
vibrating from the swinging of a

9
00:00:34,069 --> 00:00:32,160
pendulum to the waves of the ocean to

10
00:00:36,389 --> 00:00:34,079
the light that brightens the sky each

11
00:00:38,310 --> 00:00:36,399
day each of these oscillates at its own

12
00:00:40,470 --> 00:00:38,320
unique rate the same holds true for

13
00:00:42,950 --> 00:00:40,480

every thought feeling event or word we

14

00:00:45,110 --> 00:00:42,960

speak each has its own frequency or rate

15

00:00:47,029 --> 00:00:45,120

of vibration what many of us don't

16

00:00:49,670 --> 00:00:47,039

realize is when we take everything in

17

00:00:52,389 --> 00:00:49,680

our universe down to its simplest form

18

00:00:54,549 --> 00:00:52,399

it is all just energy

19

00:00:57,029 --> 00:00:54,559

join dr rita louise on a journey through

20

00:00:58,549 --> 00:00:57,039

time and space where past present and

21

00:01:01,270 --> 00:00:58,559

future collide

22

00:01:03,830 --> 00:01:01,280

today what you believe may be called

23

00:01:05,910 --> 00:01:03,840

into question what we want to know is

24

00:01:08,710 --> 00:01:05,920

who made up the rules

25

00:01:10,870 --> 00:01:08,720

be brave and step outside the box we are

26
00:01:12,950 --> 00:01:10,880
about to turn our world upside down and

27
00:01:15,670 --> 00:01:12,960
venture into the unknown

28
00:01:18,469 --> 00:01:15,680
hold on we are departing our own beliefs

29
00:01:24,070 --> 00:01:18,479
and entering alternative realms

30
00:01:28,390 --> 00:01:26,230
hello and welcome to just energy radio

31
00:01:31,749 --> 00:01:28,400
thank you all for tuning in to the show

32
00:01:34,870 --> 00:01:31,759
today we have a great show lined up kind

33
00:01:36,469 --> 00:01:34,880
of a mixed bag but both hours are going

34
00:01:38,230 --> 00:01:36,479
to be excellent in the first hour we're

35
00:01:41,830 --> 00:01:38,240
going to be speaking to barry weinhold

36
00:01:43,429 --> 00:01:41,840
about are you a 21st century man

37
00:01:46,310 --> 00:01:43,439
and in the second hour we're going to

38
00:01:48,789 --> 00:01:46,320

have the infamous or famous eric von

39

00:01:53,030 --> 00:01:48,799

donekin talking about

40

00:01:54,870 --> 00:01:53,040

all things ancient and alien so i'm very

41

00:01:56,670 --> 00:01:54,880

excited about that

42

00:01:58,550 --> 00:01:56,680

just energy radio is brought to you by

43

00:02:00,550 --> 00:01:58,560

soulhealer.com where you can find out

44

00:02:03,270 --> 00:02:00,560

about the products and services i offer

45

00:02:06,550 --> 00:02:03,280

including medical intuition evaluations

46

00:02:08,389 --> 00:02:06,560

energy healing and psychic readings it's

47

00:02:12,430 --> 00:02:08,399

also brought to you by the institute of

48

00:02:15,670 --> 00:02:13,670

www.appliedenergeticsinstitute.com where

49

00:02:18,949 --> 00:02:15,680

you can jumpstart your intuition today

50

00:02:21,430 --> 00:02:18,959

by downloading our free 50-page guide

51
00:02:23,589 --> 00:02:21,440
if you haven't already gotten a copy of

52
00:02:26,309 --> 00:02:23,599
icon deconstructing the archetype for

53
00:02:29,910 --> 00:02:26,319
the ancients it's available for you on

54
00:02:32,390 --> 00:02:29,920
amazon digital downloads only 1.99 along

55
00:02:35,350 --> 00:02:32,400
with all of my other books which you can

56
00:02:39,270 --> 00:02:35,360
get through the just energy radio page

57
00:02:41,430 --> 00:02:39,280
so it's just a click away for all of you

58
00:02:42,790 --> 00:02:41,440
let me tell you a little bit about barry

59
00:02:45,190 --> 00:02:42,800
i think it's going to be interesting

60
00:02:47,750 --> 00:02:45,200
conversation we're going to have so men

61
00:02:50,790 --> 00:02:47,760
i hope you're prepared

62
00:02:52,229 --> 00:02:50,800
barry weinhold is professor emeritus

63
00:02:54,150 --> 00:02:52,239

emreetus

64

00:02:56,710 --> 00:02:54,160

at the university of colorado at

65

00:02:59,509 --> 00:02:56,720

colorado springs he was the founder of

66

00:03:02,710 --> 00:02:59,519

the master's counseling and human

67

00:03:05,430 --> 00:03:02,720

services program at uccs

68

00:03:08,149 --> 00:03:05,440

he has also been a licensed psychologist

69

00:03:10,710 --> 00:03:08,159

in private practice for 38 years he

70

00:03:11,830 --> 00:03:10,720

specializes in working with adult male

71

00:03:15,030 --> 00:03:11,840

clients

72

00:03:16,949 --> 00:03:15,040

currently barrie services

73

00:03:19,190 --> 00:03:16,959

serves as the co-director of the

74

00:03:22,670 --> 00:03:19,200

colorado institute of conflict

75

00:03:26,710 --> 00:03:22,680

resolution and creative leadership a

76
00:03:29,509 --> 00:03:26,720
501c3 educational nonprofit organization

77
00:03:31,350 --> 00:03:29,519
in colorado springs so please welcome

78
00:03:33,430 --> 00:03:31,360
the author of

79
00:03:35,830 --> 00:03:33,440
the male mother

80
00:03:38,630 --> 00:03:35,840
barry whiteholtz hey barry how are you

81
00:03:40,869 --> 00:03:38,640
doing i'm doing great rita good to talk

82
00:03:42,710 --> 00:03:40,879
with you this morning well and it's

83
00:03:44,149 --> 00:03:42,720
great having you back on the show but i

84
00:03:45,670 --> 00:03:44,159
have to ask you we're going to be

85
00:03:48,470 --> 00:03:45,680
talking about i'm going to put this in

86
00:03:50,309 --> 00:03:48,480
quotes the male mother

87
00:03:52,149 --> 00:03:50,319
right

88
00:03:55,030 --> 00:03:52,159

i you know i can just

89
00:03:56,710 --> 00:03:55,040
feel my male audience members going you

90
00:03:57,509 --> 00:03:56,720
know their skin going

91
00:03:59,030 --> 00:03:57,519
huh

92
00:04:01,110 --> 00:03:59,040
what what

93
00:04:04,789 --> 00:04:01,120
so talk to me about it what do you mean

94
00:04:09,350 --> 00:04:04,799
by the the male mother well the term

95
00:04:11,110 --> 00:04:09,360
actually uh was initiated initially uh

96
00:04:13,270 --> 00:04:11,120
came from robert bly

97
00:04:15,910 --> 00:04:13,280
and his book iron john

98
00:04:17,830 --> 00:04:15,920
back in i think his early 90s he wrote

99
00:04:21,030 --> 00:04:17,840
about this he didn't write a lot about

100
00:04:23,590 --> 00:04:21,040
it but he talked about how men in our

101
00:04:24,469 --> 00:04:23,600
culture didn't really get initiated very

102
00:04:27,830 --> 00:04:24,479
well

103
00:04:29,749 --> 00:04:27,840
and they go into adulthood without good

104
00:04:30,870 --> 00:04:29,759
role models about what it's like to be a

105
00:04:33,430 --> 00:04:30,880
man

106
00:04:37,110 --> 00:04:33,440
and so he suggested that they need

107
00:04:38,870 --> 00:04:37,120
mentors uh in the form of male mothers

108
00:04:41,749 --> 00:04:38,880
older men who could

109
00:04:43,670 --> 00:04:41,759
mentor younger men well i kind of liked

110
00:04:46,870 --> 00:04:43,680
that idea but i thought gee you know

111
00:04:47,909 --> 00:04:46,880
i've worked with fathers for many years

112
00:04:49,909 --> 00:04:47,919
and

113
00:04:50,870 --> 00:04:49,919

i think that fathers it's not rocket

114

00:04:53,110 --> 00:04:50,880

science

115

00:04:56,390 --> 00:04:53,120

but if fathers had the skills they could

116

00:04:58,629 --> 00:04:56,400

do what bly suggested that older men had

117

00:05:00,070 --> 00:04:58,639

to do for younger men who didn't have

118

00:05:02,710 --> 00:05:00,080

that when they

119

00:05:03,990 --> 00:05:02,720

were growing up from their fathers so i

120

00:05:07,110 --> 00:05:04,000

set about

121

00:05:09,590 --> 00:05:07,120

writing a book for fathers to help them

122

00:05:11,749 --> 00:05:09,600

understand what they could do for their

123

00:05:13,670 --> 00:05:11,759

kids to give them the solid foundation

124

00:05:17,510 --> 00:05:13,680

they needed so they wouldn't need a

125

00:05:19,590 --> 00:05:17,520

mentor later to help them uh navigate uh

126
00:05:21,830 --> 00:05:19,600
adult life

127
00:05:23,990 --> 00:05:21,840
well when you look at

128
00:05:27,029 --> 00:05:24,000
men because you're looking at obviously

129
00:05:28,629 --> 00:05:27,039
the the byproduct of a child what are

130
00:05:30,070 --> 00:05:28,639
you noticing

131
00:05:32,870 --> 00:05:30,080
that is

132
00:05:35,270 --> 00:05:32,880
i'm going to say perhaps deficient in

133
00:05:37,590 --> 00:05:35,280
them because they're not having this

134
00:05:40,230 --> 00:05:37,600
male model growing up

135
00:05:43,350 --> 00:05:40,240
well it's the fact that the models they

136
00:05:47,110 --> 00:05:43,360
do have are pretty unbalanced

137
00:05:49,510 --> 00:05:47,120
uh we have a lot of models of what

138
00:05:52,230 --> 00:05:49,520

it's like to be a man and they no longer

139

00:05:54,150 --> 00:05:52,240

fit i think you're leading about the men

140

00:05:56,950 --> 00:05:54,160

of the 21st century they want a

141

00:05:59,510 --> 00:05:56,960

different kind of model for what it's

142

00:06:02,310 --> 00:05:59,520

like to be a man in this world and

143

00:06:05,510 --> 00:06:02,320

uh it's clearly unbalanced in the form

144

00:06:07,590 --> 00:06:05,520

of too much masculinity now in our

145

00:06:11,830 --> 00:06:07,600

culture we have kind of

146

00:06:14,870 --> 00:06:11,840

uh avoided and actually condemned men

147

00:06:18,150 --> 00:06:14,880

who have developed their feminine side

148

00:06:20,390 --> 00:06:18,160

and so they are really very over

149

00:06:22,230 --> 00:06:20,400

balanced in the masculine area

150

00:06:24,309 --> 00:06:22,240

and i think that's been the cause of a

151

00:06:26,629 --> 00:06:24,319

lot of our problems and men are still

152

00:06:28,790 --> 00:06:26,639

the leaders in most of the

153

00:06:30,230 --> 00:06:28,800

institutions in the world and

154

00:06:31,110 --> 00:06:30,240

i don't think they've done a very good

155

00:06:33,110 --> 00:06:31,120

job

156

00:06:36,309 --> 00:06:33,120

in my opinion

157

00:06:37,990 --> 00:06:36,319

i mean sorry guys we have more more wars

158

00:06:39,110 --> 00:06:38,000

and more conflicts than we've ever had

159

00:06:41,510 --> 00:06:39,120

before

160

00:06:43,749 --> 00:06:41,520

uh it seems and i think we need a new

161

00:06:44,629 --> 00:06:43,759

model and that's what the male mother is

162

00:06:47,350 --> 00:06:44,639

and

163

00:06:49,189 --> 00:06:47,360

in my book i talk about how

164

00:06:52,469 --> 00:06:49,199

men and you know men

165

00:06:54,150 --> 00:06:52,479

uh when they when they have a a child i

166

00:06:57,029 --> 00:06:54,160

mean they see their wife going through

167

00:06:59,589 --> 00:06:57,039

this enormous pain to give birth

168

00:07:01,350 --> 00:06:59,599

and they they are so and if they're

169

00:07:04,150 --> 00:07:01,360

really devoted fathers they're right

170

00:07:06,629 --> 00:07:04,160

there with their their uh their spouse

171

00:07:08,870 --> 00:07:06,639

or their partner giving while the that

172

00:07:11,670 --> 00:07:08,880

person that woman's giving birth and

173

00:07:13,029 --> 00:07:11,680

then after the the birth is finished

174

00:07:15,350 --> 00:07:13,039

they don't know what their role should

175

00:07:18,070 --> 00:07:15,360

be and they also feel pretty

176

00:07:19,110 --> 00:07:18,080

uh kind of insignificant after they see

177

00:07:23,430 --> 00:07:19,120

what the

178

00:07:25,589 --> 00:07:23,440

through to have to give birth and so

179

00:07:27,589 --> 00:07:25,599

they they kind of feel disenfranchised

180

00:07:29,990 --> 00:07:27,599

in a way they want to help they don't

181

00:07:32,629 --> 00:07:30,000

know what to do and so eventually they

182

00:07:33,350 --> 00:07:32,639

just sort of give up and go back to work

183

00:07:35,350 --> 00:07:33,360

and

184

00:07:38,309 --> 00:07:35,360

isn't that the expectation in our

185

00:07:39,430 --> 00:07:38,319

society is that the the husband the

186

00:07:41,350 --> 00:07:39,440

father

187

00:07:43,670 --> 00:07:41,360

the man

188

00:07:46,469 --> 00:07:43,680

is the person that is the primary

189

00:07:49,749 --> 00:07:46,479

breadwinner of the family and that's

190

00:07:52,950 --> 00:07:49,759

kind of his contribution to the family

191

00:07:54,629 --> 00:07:52,960

dynamic that was the model and the new

192

00:07:57,029 --> 00:07:54,639

model is emerging

193

00:07:59,350 --> 00:07:57,039

young fathers

194

00:08:01,270 --> 00:07:59,360

often are opting to stay home with their

195

00:08:02,950 --> 00:08:01,280

children and have their wife work

196

00:08:06,950 --> 00:08:02,960

and there's a new model that we've not

197

00:08:09,749 --> 00:08:06,960

had before and so they uh or if they

198

00:08:11,510 --> 00:08:09,759

can't do that they want to be involved

199

00:08:14,150 --> 00:08:11,520

as equals in the raising of their

200

00:08:15,909 --> 00:08:14,160

children and i i saw that one example

201
00:08:17,670 --> 00:08:15,919
that happened this last summer that was

202
00:08:20,070 --> 00:08:17,680
very interesting uh

203
00:08:21,589 --> 00:08:20,080
daniel murphy the second baseman for the

204
00:08:24,070 --> 00:08:21,599
new york mets

205
00:08:25,990 --> 00:08:24,080
took time off in mid-season

206
00:08:27,830 --> 00:08:26,000
to be there at the birth of his child

207
00:08:29,350 --> 00:08:27,840
and to stay there and i think he took a

208
00:08:32,469 --> 00:08:29,360
week or two off

209
00:08:34,790 --> 00:08:32,479
well the sports writers just creamed him

210
00:08:36,310 --> 00:08:34,800
what is he doing you know why is he

211
00:08:38,389 --> 00:08:36,320
taking time off in the middle of the

212
00:08:40,790 --> 00:08:38,399
season to be there at the birth of his

213
00:08:42,949 --> 00:08:40,800

child why is that so significant to him

214

00:08:44,710 --> 00:08:42,959

and they they said one of them even

215

00:08:45,350 --> 00:08:44,720

suggested well why didn't they just have

216

00:08:50,710 --> 00:08:45,360

a

217

00:08:52,710 --> 00:08:50,720

well

218

00:08:55,110 --> 00:08:52,720

that caught the national media and there

219

00:08:57,350 --> 00:08:55,120

are a number of newscasters including

220

00:08:59,430 --> 00:08:57,360

chris hayes on all in with chris hayes

221

00:09:02,949 --> 00:08:59,440

on msnbc

222

00:09:04,550 --> 00:09:02,959

brought daniel on and he had a long

223

00:09:07,030 --> 00:09:04,560

discussion with daniel about the

224

00:09:08,790 --> 00:09:07,040

importance of fathers being there at the

225

00:09:10,870 --> 00:09:08,800

birth of their child

226

00:09:13,829 --> 00:09:10,880

and interestingly

227

00:09:15,670 --> 00:09:13,839

every time after that

228

00:09:17,829 --> 00:09:15,680

and during the baseball season i watched

229

00:09:18,710 --> 00:09:17,839

this when uh

230

00:09:25,110 --> 00:09:18,720

a

231

00:09:27,190 --> 00:09:25,120

he took time off

232

00:09:29,670 --> 00:09:27,200

and nobody said anything so the barrier

233

00:09:31,750 --> 00:09:29,680

has been broken at that level and i

234

00:09:32,630 --> 00:09:31,760

think that's an important kind of model

235

00:09:36,150 --> 00:09:32,640

that

236

00:09:38,550 --> 00:09:36,160

younger men need uh you know even uh in

237

00:09:41,590 --> 00:09:38,560

companies where they give paternity

238

00:09:43,190 --> 00:09:41,600

leave for fathers to take time off to be

239

00:09:44,389 --> 00:09:43,200

home with their children

240

00:09:46,230 --> 00:09:44,399

early on

241

00:09:48,389 --> 00:09:46,240

most men don't take it

242

00:09:49,430 --> 00:09:48,399

or they take one day or they take one

243

00:09:52,790 --> 00:09:49,440

day yeah

244

00:09:54,710 --> 00:09:52,800

so it's it's a it's a new emerging model

245

00:09:55,750 --> 00:09:54,720

and i'm excited that the male mother

246

00:09:57,430 --> 00:09:55,760

book

247

00:10:01,030 --> 00:09:57,440

gives fathers

248

00:10:02,949 --> 00:10:01,040

not only the skills they need but also

249

00:10:04,630 --> 00:10:02,959

helps them show helps show them how

250

00:10:07,910 --> 00:10:04,640

important it is

251
00:10:10,230 --> 00:10:07,920
to be there and and i i talk about four

252
00:10:13,030 --> 00:10:10,240
initiations that fathers

253
00:10:14,389 --> 00:10:13,040
with male mother skills have to perform

254
00:10:16,310 --> 00:10:14,399
to give their

255
00:10:19,350 --> 00:10:16,320
children the kind of foundation they

256
00:10:21,190 --> 00:10:19,360
need to lead effective lives as adults

257
00:10:22,150 --> 00:10:21,200
i can talk a lot about that so you want

258
00:10:24,230 --> 00:10:22,160
me to

259
00:10:26,069 --> 00:10:24,240
we'll we'll come back to that okay um

260
00:10:27,670 --> 00:10:26,079
yeah i think it's interesting your

261
00:10:31,750 --> 00:10:27,680
comment about

262
00:10:34,069 --> 00:10:31,760
that men are trying to create equality

263
00:10:36,310 --> 00:10:34,079

in the rearing of their children

264

00:10:38,790 --> 00:10:36,320

where women have been trying to create

265

00:10:40,550 --> 00:10:38,800

equality outside the home

266

00:10:41,829 --> 00:10:40,560

it sounds like men are trying to create

267

00:10:43,190 --> 00:10:41,839

equality

268

00:10:45,590 --> 00:10:43,200

inside the home

269

00:10:47,350 --> 00:10:45,600

exactly that's that's a great way to put

270

00:10:48,310 --> 00:10:47,360

it because that's exactly what i see

271

00:10:50,550 --> 00:10:48,320

happening

272

00:10:52,389 --> 00:10:50,560

more and more and uh

273

00:10:54,870 --> 00:10:52,399

and i i want to be able to support men i

274

00:10:57,269 --> 00:10:54,880

mean i i work with men and fathers in my

275

00:10:59,509 --> 00:10:57,279

private practice as a psychologist and

276

00:11:02,790 --> 00:10:59,519

i've talked to a lot of men

277

00:11:05,269 --> 00:11:02,800

about their role as a father and they

278

00:11:06,550 --> 00:11:05,279

i've yet to meet one father

279

00:11:09,110 --> 00:11:06,560

who said

280

00:11:11,110 --> 00:11:09,120

i was well prepared for the job of a

281

00:11:12,870 --> 00:11:11,120

father not one

282

00:11:14,150 --> 00:11:12,880

no but i don't think women are prepared

283

00:11:15,670 --> 00:11:14,160

for the job either if they're a

284

00:11:19,190 --> 00:11:15,680

first-time mom

285

00:11:23,030 --> 00:11:19,200

probably that's true but even uh even so

286

00:11:24,949 --> 00:11:23,040

uh there's no real attempt to prepare

287

00:11:27,350 --> 00:11:24,959

fathers and this book is really an

288

00:11:30,710 --> 00:11:27,360

attempt to give fathers the skills they

289

00:11:33,509 --> 00:11:30,720

need to do the job that that i think

290

00:11:35,350 --> 00:11:33,519

needs to be done i think really uh

291

00:11:36,949 --> 00:11:35,360

i look at this i'm a kind of a visionary

292

00:11:38,949 --> 00:11:36,959

so i look at things in the look of the

293

00:11:43,430 --> 00:11:38,959

big picture i think this is where we're

294

00:11:45,829 --> 00:11:43,440

stuck as a uh the human race i think

295

00:11:48,870 --> 00:11:45,839

that men just

296

00:11:49,670 --> 00:11:48,880

and women uh have

297

00:11:51,910 --> 00:11:49,680

uh

298

00:11:54,470 --> 00:11:51,920

they haven't really developed fully

299

00:11:56,550 --> 00:11:54,480

the the various aspects of who they are

300

00:11:58,069 --> 00:11:56,560

and the women have developed maybe their

301
00:12:00,150 --> 00:11:58,079
feminine side the men have developed

302
00:12:01,990 --> 00:12:00,160
their masculine side but i'm talking

303
00:12:03,269 --> 00:12:02,000
about men and women developing both

304
00:12:05,509 --> 00:12:03,279
sides

305
00:12:07,430 --> 00:12:05,519
and this is this is a jungian model carl

306
00:12:09,509 --> 00:12:07,440
jung talked a lot about this

307
00:12:10,629 --> 00:12:09,519
and he said that really people can't

308
00:12:13,350 --> 00:12:10,639
achieve

309
00:12:15,990 --> 00:12:13,360
full maturity until they've done this

310
00:12:18,310 --> 00:12:16,000
joseph campbell wrote about this in his

311
00:12:20,230 --> 00:12:18,320
book long time ago called the hero with

312
00:12:22,150 --> 00:12:20,240
a thousand faces and he talked about the

313
00:12:24,310 --> 00:12:22,160

transformational journey

314

00:12:26,710 --> 00:12:24,320

and he says at one point in the journey

315

00:12:29,350 --> 00:12:26,720

of transformation you reach what he

316

00:12:31,829 --> 00:12:29,360

called the hieroscommels which is the

317

00:12:34,870 --> 00:12:31,839

inner union of the masculine and the

318

00:12:37,910 --> 00:12:34,880

feminine the marriage of the two parts

319

00:12:40,310 --> 00:12:37,920

and when people arrive at that level

320

00:12:42,310 --> 00:12:40,320

then they are fully equipped to handle

321

00:12:43,910 --> 00:12:42,320

whatever is happening in their lives

322

00:12:46,069 --> 00:12:43,920

much more effectively

323

00:12:48,150 --> 00:12:46,079

and i think that's going to be what is

324

00:12:49,990 --> 00:12:48,160

going to spur evolution of our our of

325

00:12:52,870 --> 00:12:50,000

the human race is when

326
00:12:54,550 --> 00:12:52,880
more and more people have that kind of

327
00:12:57,110 --> 00:12:54,560
balance between the masculine and

328
00:12:59,750 --> 00:12:57,120
feminine and have it well integrated

329
00:13:03,030 --> 00:12:59,760
but it also sounds like

330
00:13:05,829 --> 00:13:03,040
if if there is the opportunity to

331
00:13:08,710 --> 00:13:05,839
balance the masculine feminine feminine

332
00:13:10,150 --> 00:13:08,720
i mean i think there are men who are are

333
00:13:11,110 --> 00:13:10,160
manly men

334
00:13:15,269 --> 00:13:11,120
and

335
00:13:16,150 --> 00:13:15,279
are men that are

336
00:13:17,430 --> 00:13:16,160
more

337
00:13:19,030 --> 00:13:17,440
uh

338
00:13:21,509 --> 00:13:19,040

emotional or

339

00:13:23,829 --> 00:13:21,519

empathic and have more of a feminine

340

00:13:25,829 --> 00:13:23,839

side to them not that they're feminine

341

00:13:28,710 --> 00:13:25,839

but a feminine side

342

00:13:30,230 --> 00:13:28,720

and it would give them permission to

343

00:13:32,470 --> 00:13:30,240

be that way and they don't have to be

344

00:13:35,030 --> 00:13:32,480

this macho man if that's not who they

345

00:13:36,470 --> 00:13:35,040

are and the same with women that's true

346

00:13:38,710 --> 00:13:36,480

i think there are a lot of women who

347

00:13:41,190 --> 00:13:38,720

operate on their male polarity

348

00:13:43,590 --> 00:13:41,200

they have they they in order to make it

349

00:13:44,790 --> 00:13:43,600

in the in the world of work they have

350

00:13:49,350 --> 00:13:44,800

adopted

351
00:13:51,110 --> 00:13:49,360
the the masculine kind of uh archetype

352
00:13:52,470 --> 00:13:51,120
and they think that's what needs to be

353
00:13:54,629 --> 00:13:52,480
they need to do in order to be

354
00:13:57,189 --> 00:13:54,639
successful well they need the feminine

355
00:13:59,509 --> 00:13:57,199
side too because we need women

356
00:14:02,150 --> 00:13:59,519
in the workplace in the boardrooms that

357
00:14:03,670 --> 00:14:02,160
can help make the decisions that really

358
00:14:06,629 --> 00:14:03,680
are uh

359
00:14:08,870 --> 00:14:06,639
decisions that as the natives said that

360
00:14:10,949 --> 00:14:08,880
affect the next seven generations or the

361
00:14:12,949 --> 00:14:10,959
next or as they call it the seven

362
00:14:15,189 --> 00:14:12,959
generations yet unborn

363
00:14:17,350 --> 00:14:15,199

and that's the kind of decision-making

364

00:14:20,629 --> 00:14:17,360

that only people who have integrated

365

00:14:23,110 --> 00:14:20,639

their masculine and feminine can make

366

00:14:24,870 --> 00:14:23,120

i mean i i you know in listening to you

367

00:14:27,030 --> 00:14:24,880

talk i have three brothers but i come

368

00:14:27,829 --> 00:14:27,040

from a very large family

369

00:14:30,629 --> 00:14:27,839

and

370

00:14:33,670 --> 00:14:30,639

i feel like they were i'm gonna say

371

00:14:36,710 --> 00:14:33,680

fairly well prepared because they all my

372

00:14:39,269 --> 00:14:36,720

brothers have younger sisters

373

00:14:42,710 --> 00:14:39,279

that they had to take care of at some

374

00:14:45,430 --> 00:14:42,720

point time change diapers you know do

375

00:14:47,189 --> 00:14:45,440

all of that kind of stuff where in a lot

376

00:14:49,350 --> 00:14:47,199

of families they

377

00:14:51,829 --> 00:14:49,360

you know that's a girl job you know and

378

00:14:53,030 --> 00:14:51,839

not something a boy would do and my mom

379

00:14:55,829 --> 00:14:53,040

was an equal

380

00:14:59,269 --> 00:14:55,839

opportunity employer of anybody that was

381

00:15:02,550 --> 00:14:59,279

standing around yeah well i had a few of

382

00:15:04,389 --> 00:15:02,560

those like i don't do windows

383

00:15:09,350 --> 00:15:04,399

when i was growing up that was one of

384

00:15:13,350 --> 00:15:10,710

and

385

00:15:15,910 --> 00:15:13,360

of course i was the oldest of three uh

386

00:15:18,550 --> 00:15:15,920

children so i was there actually my

387

00:15:20,949 --> 00:15:18,560

brother is 12 years younger than i am so

388

00:15:21,750 --> 00:15:20,959

i was there to help raise him

389

00:15:23,590 --> 00:15:21,760

from

390

00:15:26,069 --> 00:15:23,600

an infant on up and

391

00:15:28,150 --> 00:15:26,079

and i was sort of almost like a second

392

00:15:30,710 --> 00:15:28,160

parent uh

393

00:15:33,670 --> 00:15:30,720

as i was uh and when i left the cup for

394

00:15:36,310 --> 00:15:33,680

colleges uh at 18

395

00:15:39,030 --> 00:15:36,320

he was only like six at that time

396

00:15:41,829 --> 00:15:39,040

he had a complete breakdown he he just

397

00:15:44,150 --> 00:15:41,839

fell apart because his

398

00:15:46,870 --> 00:15:44,160

anchor who i i didn't realize how much

399

00:15:47,590 --> 00:15:46,880

of an anchor i was i i left

400

00:15:49,670 --> 00:15:47,600

and

401
00:15:52,069 --> 00:15:49,680
uh he recovered obviously but it was it

402
00:15:53,990 --> 00:15:52,079
was a very hard on him and much surprise

403
00:15:55,110 --> 00:15:54,000
of a surprise to everybody no one

404
00:15:57,189 --> 00:15:55,120
thought that

405
00:15:59,350 --> 00:15:57,199
my leaving would have such a huge effect

406
00:16:00,870 --> 00:15:59,360
on my brother but it did

407
00:16:04,710 --> 00:16:00,880
well it sounds like you guys had a

408
00:16:06,389 --> 00:16:04,720
pretty close bond we did yeah

409
00:16:08,310 --> 00:16:06,399
um

410
00:16:10,310 --> 00:16:08,320
why do you why do you think traditional

411
00:16:12,230 --> 00:16:10,320
roles are changing

412
00:16:13,670 --> 00:16:12,240
well that's an interesting question i i

413
00:16:16,470 --> 00:16:13,680

just think that

414

00:16:18,310 --> 00:16:16,480

it's it's i'm an optimist so i look at

415

00:16:22,069 --> 00:16:18,320

it positively i think people are getting

416

00:16:23,110 --> 00:16:22,079

awake more and aware of the limitations

417

00:16:24,629 --> 00:16:23,120

they have and they're trying to do

418

00:16:26,550 --> 00:16:24,639

something about it

419

00:16:28,710 --> 00:16:26,560

they kind of know there's a better way

420

00:16:29,990 --> 00:16:28,720

they kind of know there's some way they

421

00:16:32,389 --> 00:16:30,000

could do this

422

00:16:33,269 --> 00:16:32,399

much in a much easier way and so they're

423

00:16:35,670 --> 00:16:33,279

they're

424

00:16:37,910 --> 00:16:35,680

really looking for the resources that to

425

00:16:39,590 --> 00:16:37,920

help them improve

426
00:16:40,790 --> 00:16:39,600
do you think it's also

427
00:16:42,310 --> 00:16:40,800
i mean

428
00:16:44,150 --> 00:16:42,320
in the last

429
00:16:46,629 --> 00:16:44,160
right i'm trying to i'm going to say 50

430
00:16:49,269 --> 00:16:46,639
years 40 years you know there has been

431
00:16:50,629 --> 00:16:49,279
the increase obvious increase of women

432
00:16:53,030 --> 00:16:50,639
in the workforce

433
00:16:56,629 --> 00:16:53,040
and taking on more professional roles

434
00:17:00,150 --> 00:16:56,639
etc right what impact does that have on

435
00:17:02,470 --> 00:17:00,160
the changing dynamic of the male

436
00:17:04,789 --> 00:17:02,480
role in society

437
00:17:07,270 --> 00:17:04,799
well i think i hope hopefully it has had

438
00:17:08,789 --> 00:17:07,280

a positive effect and obviously some men

439

00:17:10,069 --> 00:17:08,799

have trouble with that

440

00:17:11,270 --> 00:17:10,079

uh because

441

00:17:12,309 --> 00:17:11,280

their own

442

00:17:16,470 --> 00:17:12,319

lack of

443

00:17:17,270 --> 00:17:16,480

development of their

444

00:17:18,710 --> 00:17:17,280

of

445

00:17:20,390 --> 00:17:18,720

their fullness

446

00:17:22,230 --> 00:17:20,400

and they are threatened by women who

447

00:17:24,870 --> 00:17:22,240

come to the workplace and and actually

448

00:17:30,830 --> 00:17:24,880

can do things better than they can

449

00:17:37,590 --> 00:17:35,110

yeah so that that is a an issue that uh

450

00:17:39,909 --> 00:17:37,600

i think is is part of the transition

451

00:17:43,430 --> 00:17:39,919

we're in right now that will smooth out

452

00:17:46,549 --> 00:17:43,440

eventually as more and more people uh

453

00:17:48,150 --> 00:17:46,559

hopefully do develop both the sides of

454

00:17:50,310 --> 00:17:48,160

their personality the feminine and the

455

00:17:52,710 --> 00:17:50,320

masculine and they integrate those

456

00:17:55,430 --> 00:17:52,720

so when they come together there's no

457

00:17:57,669 --> 00:17:55,440

threat there's no in fact it's seen as

458

00:17:59,990 --> 00:17:57,679

as oh there's more of you now that can

459

00:18:02,549 --> 00:18:00,000

help in this situation we need everybody

460

00:18:05,990 --> 00:18:02,559

to to be involved and everybody has to

461

00:18:07,430 --> 00:18:06,000

take uh part in in this transition we're

462

00:18:11,510 --> 00:18:07,440

in

463

00:18:13,350 --> 00:18:11,520

and just as a disclaimer if men embrace

464

00:18:15,590 --> 00:18:13,360

their feminine side it's not going to

465

00:18:18,230 --> 00:18:15,600

make them be weak or it's not going to

466

00:18:21,190 --> 00:18:18,240

make them be gay or

467

00:18:25,110 --> 00:18:21,200

you know anything like that right no no

468

00:18:27,110 --> 00:18:25,120

i i it's really an add-on it's it's a

469

00:18:30,390 --> 00:18:27,120

value-added piece

470

00:18:32,070 --> 00:18:30,400

and it enables them to be more effective

471

00:18:33,270 --> 00:18:32,080

in whatever they're doing not only as a

472

00:18:36,470 --> 00:18:33,280

father but

473

00:18:39,350 --> 00:18:36,480

as a a teacher or

474

00:18:40,870 --> 00:18:39,360

whatever as a doctor a lawyer

475

00:18:42,710 --> 00:18:40,880

a corporate

476

00:18:45,510 --> 00:18:42,720

executive whatever they're doing it

477

00:18:48,310 --> 00:18:45,520

helps them do a better job

478

00:18:51,430 --> 00:18:48,320

is it possible to kind of

479

00:18:55,590 --> 00:18:51,440

give a an example or kind of lay a

480

00:18:58,470 --> 00:18:55,600

scenario down of a man who has

481

00:19:00,870 --> 00:18:58,480

embraced this part of himself

482

00:19:03,430 --> 00:19:00,880

so that people can kind of get a feel

483

00:19:05,669 --> 00:19:03,440

for what that would look like well i

484

00:19:08,150 --> 00:19:05,679

think yeah there are a number of what i

485

00:19:11,190 --> 00:19:08,160

call male mother skills that fathers

486

00:19:13,110 --> 00:19:11,200

need to learn first of them is really to

487

00:19:15,430 --> 00:19:13,120

develop genuine

488

00:19:16,710 --> 00:19:15,440

empathy for toward their children

489

00:19:19,750 --> 00:19:16,720

particularly when their children are

490

00:19:21,590 --> 00:19:19,760

experiencing some deep feelings

491

00:19:22,390 --> 00:19:21,600

fathers aren't so good at feelings you

492

00:19:23,669 --> 00:19:22,400

know

493

00:19:24,710 --> 00:19:23,679

because they've never been taught how to

494

00:19:27,110 --> 00:19:24,720

do that

495

00:19:29,270 --> 00:19:27,120

so with some instruction

496

00:19:31,510 --> 00:19:29,280

they can learn how to relate to people

497

00:19:32,950 --> 00:19:31,520

who are in some kind of deep feeling

498

00:19:35,110 --> 00:19:32,960

state maybe they

499

00:19:37,669 --> 00:19:35,120

they fell down and got hurt and they're

500

00:19:40,230 --> 00:19:37,679

crying and they need some comfort well

501
00:19:41,990 --> 00:19:40,240
fathers often say well here here go to

502
00:19:44,310 --> 00:19:42,000
your mother she'll help you

503
00:19:47,430 --> 00:19:44,320
well that has to change and i think it

504
00:19:50,230 --> 00:19:47,440
can change with fathers learning a few

505
00:19:51,669 --> 00:19:50,240
skills on how to deal with people

506
00:19:53,830 --> 00:19:51,679
and have some empathy for them when

507
00:19:55,590 --> 00:19:53,840
they're in some distress

508
00:19:58,549 --> 00:19:55,600
they have to also show compassion

509
00:20:01,590 --> 00:19:58,559
towards their children actually even

510
00:20:04,549 --> 00:20:01,600
when their children might oppose their

511
00:20:06,390 --> 00:20:04,559
requests in some way to understand why

512
00:20:07,750 --> 00:20:06,400
that child might be

513
00:20:09,190 --> 00:20:07,760

have a different way of looking at

514

00:20:10,870 --> 00:20:09,200

things

515

00:20:14,230 --> 00:20:10,880

they have to also

516

00:20:17,190 --> 00:20:14,240

be able to look at their children as

517

00:20:19,750 --> 00:20:17,200

doing the best they can and forgive them

518

00:20:22,310 --> 00:20:19,760

when they fail and not get off overly

519

00:20:25,270 --> 00:20:22,320

judgmental about them they have to learn

520

00:20:27,510 --> 00:20:25,280

how to give emotional support mirroring

521

00:20:29,669 --> 00:20:27,520

and what i call unconditional love

522

00:20:31,909 --> 00:20:29,679

too often parents give what i call

523

00:20:33,909 --> 00:20:31,919

conditional love to their children i'll

524

00:20:35,909 --> 00:20:33,919

love you as long as you get good grades

525

00:20:37,669 --> 00:20:35,919

i love you as long as you

526

00:20:39,909 --> 00:20:37,679

sometimes it's fulfilled the dreams i

527

00:20:42,950 --> 00:20:39,919

never was able to fill

528

00:20:44,549 --> 00:20:42,960

so it becomes fairly conditional so

529

00:20:45,669 --> 00:20:44,559

learning how to

530

00:20:48,549 --> 00:20:45,679

do that

531

00:20:51,510 --> 00:20:48,559

give that love unconditionally i think i

532

00:20:53,669 --> 00:20:51,520

remember with my son

533

00:20:55,430 --> 00:20:53,679

there was something he had done that he

534

00:20:56,630 --> 00:20:55,440

thought was going to displease me and i

535

00:20:58,950 --> 00:20:56,640

said to him

536

00:21:01,430 --> 00:20:58,960

you know there's nothing you can ever do

537

00:21:04,630 --> 00:21:01,440

or say that will cause me to stop loving

538

00:21:06,390 --> 00:21:04,640

you i will love you regardless

539

00:21:08,549 --> 00:21:06,400

and i'm glad i said that to him because

540

00:21:11,190 --> 00:21:08,559

it gave him a sense

541

00:21:13,510 --> 00:21:11,200

of of security and safety that there

542

00:21:15,990 --> 00:21:13,520

wasn't anything he could do to

543

00:21:17,990 --> 00:21:16,000

destroy the love that i i was giving to

544

00:21:19,669 --> 00:21:18,000

him and i think that's the that's the

545

00:21:21,190 --> 00:21:19,679

kind of thing that i'm talking about you

546

00:21:23,590 --> 00:21:21,200

might kick his ass

547

00:21:26,630 --> 00:21:23,600

but you'd still love him absolutely i

548

00:21:29,590 --> 00:21:26,640

can i can not like what he did but i can

549

00:21:32,149 --> 00:21:31,110

so and then

550

00:21:36,630 --> 00:21:32,159

i think

551
00:21:39,590 --> 00:21:36,640
mother fathers could do is they could

552
00:21:42,230 --> 00:21:39,600
help create a lifestyle and model a

553
00:21:43,669 --> 00:21:42,240
lifestyle of life giving

554
00:21:45,909 --> 00:21:43,679
rather than life

555
00:21:47,190 --> 00:21:45,919
what do you mean by that well i think

556
00:21:49,029 --> 00:21:47,200
that

557
00:21:51,350 --> 00:21:49,039
traditionally men

558
00:21:52,950 --> 00:21:51,360
have been put in the role of life takers

559
00:21:54,789 --> 00:21:52,960
women have put in been put in the role

560
00:21:57,029 --> 00:21:54,799
of life-givers obviously they are

561
00:21:58,470 --> 00:21:57,039
life-givers and in many cases men have

562
00:21:59,990 --> 00:21:58,480
been called to go to war and they've

563
00:22:02,070 --> 00:22:00,000

been life takers

564

00:22:04,310 --> 00:22:02,080

so these are two stereotypes obviously

565

00:22:05,909 --> 00:22:04,320

it doesn't fit in every situation but i

566

00:22:09,029 --> 00:22:05,919

think that men

567

00:22:12,149 --> 00:22:09,039

who develop that feminine side have more

568

00:22:14,149 --> 00:22:12,159

life-giving kinds of qualities and peop

569

00:22:17,430 --> 00:22:14,159

their children pick up on those and they

570

00:22:19,990 --> 00:22:17,440

can model that for their children

571

00:22:22,310 --> 00:22:20,000

and i think this helps them grow up

572

00:22:24,070 --> 00:22:22,320

having respect for other human beings

573

00:22:25,430 --> 00:22:24,080

maybe even plants and animals and all

574

00:22:27,350 --> 00:22:25,440

the creatures

575

00:22:29,110 --> 00:22:27,360

that on our planet that are somewhat

576

00:22:30,630 --> 00:22:29,120

dependent or vulnerable

577

00:22:32,149 --> 00:22:30,640

that they don't have to

578

00:22:33,909 --> 00:22:32,159

feel like they have to

579

00:22:36,230 --> 00:22:33,919

be aggressive toward them they can be

580

00:22:37,990 --> 00:22:36,240

much more compassionate understanding

581

00:22:40,710 --> 00:22:38,000

and supportive

582

00:22:43,110 --> 00:22:40,720

i also believe that it's important that

583

00:22:45,669 --> 00:22:43,120

and carl jung said this that there's a

584

00:22:48,470 --> 00:22:45,679

wisdom of the heart that the mind never

585

00:22:51,110 --> 00:22:48,480

understands never will understand

586

00:22:53,750 --> 00:22:51,120

so i think this intuition that

587

00:22:56,149 --> 00:22:53,760

maybe women have have sometimes had

588

00:22:58,310 --> 00:22:56,159

better opportunities to develop i think

589

00:23:00,070 --> 00:22:58,320

men could develop just as well

590

00:23:02,149 --> 00:23:00,080

and so developing the wisdom of the

591

00:23:05,110 --> 00:23:02,159

heart and having intuition

592

00:23:07,430 --> 00:23:05,120

uh on their side and as another tool

593

00:23:09,750 --> 00:23:07,440

another skill will help them in every

594

00:23:12,310 --> 00:23:09,760

situation in their life not only just as

595

00:23:16,149 --> 00:23:13,990

well and it sounds like the things that

596

00:23:18,070 --> 00:23:16,159

you're talking about

597

00:23:21,830 --> 00:23:18,080

you know obviously it can be applied to

598

00:23:23,990 --> 00:23:21,840

a child but also can be applied to every

599

00:23:26,630 --> 00:23:24,000

single person on the planet in every

600

00:23:28,149 --> 00:23:26,640

relationship that you have absolutely

601
00:23:30,070 --> 00:23:28,159

yes

602
00:23:34,710 --> 00:23:30,080

you know so i mean i feel like it would

603
00:23:36,470 --> 00:23:34,720

help the individual develop as a person

604
00:23:39,830 --> 00:23:36,480

oh of course i mean that's the whole

605
00:23:41,669 --> 00:23:39,840

goal is i think if we had

606
00:23:43,909 --> 00:23:41,679

two committed parents

607
00:23:45,190 --> 00:23:43,919

working together cooperatively to raise

608
00:23:47,190 --> 00:23:45,200

a child

609
00:23:50,549 --> 00:23:47,200

what a difference that would make

610
00:23:51,590 --> 00:23:50,559

in the ultimate life of that child i

611
00:23:53,430 --> 00:23:51,600

mean we're

612
00:23:54,310 --> 00:23:53,440

you're creating a foundation for the

613
00:23:55,990 --> 00:23:54,320

child

614

00:23:58,149 --> 00:23:56,000

and and if there are holes in that

615

00:23:59,590 --> 00:23:58,159

foundation they're going to fall in them

616

00:24:01,029 --> 00:23:59,600

they're going to fall in those holes as

617

00:24:01,909 --> 00:24:01,039

an adult

618

00:24:04,789 --> 00:24:01,919

but

619

00:24:06,310 --> 00:24:04,799

so if you begin to create that from the

620

00:24:09,190 --> 00:24:06,320

very beginning and that's what the four

621

00:24:11,110 --> 00:24:09,200

initiations that i'm i put in the book

622

00:24:13,750 --> 00:24:11,120

are all about to help create that

623

00:24:19,750 --> 00:24:16,789

and i'm just going to ask this question

624

00:24:20,710 --> 00:24:19,760

and i'd like your opinion it seems to me

625

00:24:23,110 --> 00:24:20,720

that

626
00:24:26,149 --> 00:24:23,120
there is a number

627
00:24:27,990 --> 00:24:26,159
of parents you know and i don't know if

628
00:24:29,990 --> 00:24:28,000
i should just throw it on women or

629
00:24:32,549 --> 00:24:30,000
parents or how whatever

630
00:24:34,950 --> 00:24:32,559
that have children just because they

631
00:24:36,789 --> 00:24:34,960
think that's what they're supposed to do

632
00:24:39,590 --> 00:24:36,799
absolutely yeah

633
00:24:43,110 --> 00:24:39,600
and so how does all of this fit into

634
00:24:45,350 --> 00:24:43,120
that dynamic well i think that children

635
00:24:46,390 --> 00:24:45,360
deserve to be

636
00:24:48,310 --> 00:24:46,400
planned

637
00:24:49,830 --> 00:24:48,320
and wanted

638
00:24:51,909 --> 00:24:49,840

and and so

639

00:24:55,350 --> 00:24:51,919

and for the right reasons

640

00:24:57,750 --> 00:24:55,360

and i i think that a child

641

00:25:00,149 --> 00:24:57,760

with two parents who have

642

00:25:02,710 --> 00:25:00,159

you know kind of thought through why

643

00:25:04,789 --> 00:25:02,720

they want to have a child they they do

644

00:25:05,990 --> 00:25:04,799

the planning they need to do they want

645

00:25:08,549 --> 00:25:06,000

the child

646

00:25:10,310 --> 00:25:08,559

and they then are ready to they prepare

647

00:25:12,549 --> 00:25:10,320

themselves to bring that child into the

648

00:25:14,470 --> 00:25:12,559

world that's the kind of beginning that

649

00:25:15,350 --> 00:25:14,480

children need

650

00:25:17,990 --> 00:25:15,360

okay

651
00:25:20,630 --> 00:25:18,000
um which brings us kind of to another

652
00:25:24,070 --> 00:25:20,640
topic it seems today that in many

653
00:25:25,750 --> 00:25:24,080
families affect are affected by divorce

654
00:25:27,590 --> 00:25:25,760
and with that

655
00:25:29,350 --> 00:25:27,600
it's the mother who

656
00:25:31,669 --> 00:25:29,360
raises the children

657
00:25:33,269 --> 00:25:31,679
um yeah and i'm sure you have a lot to

658
00:25:35,750 --> 00:25:33,279
say about this and so i'm going to start

659
00:25:38,070 --> 00:25:35,760
with this are there any negative effects

660
00:25:41,510 --> 00:25:38,080
about not having the father involved in

661
00:25:44,070 --> 00:25:41,520
the child's life oh god yes i mean the

662
00:25:47,350 --> 00:25:44,080
research is very clear and

663
00:25:50,310 --> 00:25:47,360

my own clinical research just shows

664

00:25:52,149 --> 00:25:50,320

the enormous problems that people have

665

00:25:54,470 --> 00:25:52,159

when they don't have

666

00:25:56,950 --> 00:25:54,480

either they don't have a father who's

667

00:25:59,510 --> 00:25:56,960

physically present or they have a father

668

00:26:02,950 --> 00:25:59,520

who's not emotionally present

669

00:26:05,590 --> 00:26:02,960

uh who's distant and and uh distracted

670

00:26:07,350 --> 00:26:05,600

and tired and i know my father when he

671

00:26:08,390 --> 00:26:07,360

came home he worked like two or three

672

00:26:11,110 --> 00:26:08,400

jobs

673

00:26:12,789 --> 00:26:11,120

and he'd come home my only memories of

674

00:26:15,029 --> 00:26:12,799

him for the first

675

00:26:16,870 --> 00:26:15,039

maybe six or eight years were him lying

676

00:26:19,190 --> 00:26:16,880

on the couch between

677

00:26:21,110 --> 00:26:19,200

one job or the other resting so i could

678

00:26:23,350 --> 00:26:21,120

go back to the other job

679

00:26:25,029 --> 00:26:23,360

so it it i never did get a chance to

680

00:26:27,110 --> 00:26:25,039

really have much relationship with him

681

00:26:29,029 --> 00:26:27,120

until much later when when i was a

682

00:26:31,110 --> 00:26:29,039

teenager

683

00:26:34,390 --> 00:26:31,120

but what kind of impact does that have

684

00:26:37,269 --> 00:26:34,400

on the child and maybe not during their

685

00:26:40,789 --> 00:26:37,279

childhood but you know even later in

686

00:26:42,950 --> 00:26:40,799

life when they become adults and parents

687

00:26:44,950 --> 00:26:42,960

well children uh

688

00:26:46,149 --> 00:26:44,960

model after the behavior they see in

689

00:26:48,470 --> 00:26:46,159

their parents

690

00:26:49,830 --> 00:26:48,480

so in my case i think i became a

691

00:26:51,669 --> 00:26:49,840

workaholic

692

00:26:53,510 --> 00:26:51,679

like my father was

693

00:26:54,950 --> 00:26:53,520

because that was the model i had of work

694

00:26:56,870 --> 00:26:54,960

hard and

695

00:26:58,710 --> 00:26:56,880

and tire yourself out and do everything

696

00:27:02,230 --> 00:26:58,720

you can to provide for your family but

697

00:27:08,549 --> 00:27:04,390

oops

698

00:27:10,710 --> 00:27:08,559

um

699

00:27:12,390 --> 00:27:10,720

you know but in those type of situations

700

00:27:14,710 --> 00:27:12,400

obviously

701
00:27:17,430 --> 00:27:14,720
you know if there is like a joint

702
00:27:19,590 --> 00:27:17,440
custody or visitation of the father can

703
00:27:21,830 --> 00:27:19,600
you still create

704
00:27:24,390 --> 00:27:21,840
that balance that you're talking about

705
00:27:25,669 --> 00:27:24,400
even if the parents aren't together

706
00:27:28,549 --> 00:27:25,679
full-time

707
00:27:29,830 --> 00:27:28,559
it's harder but yes you can

708
00:27:31,990 --> 00:27:29,840
and

709
00:27:33,590 --> 00:27:32,000
you have opportunities

710
00:27:36,710 --> 00:27:33,600
regardless to

711
00:27:39,830 --> 00:27:36,720
to provide that foundation uh if you're

712
00:27:42,630 --> 00:27:39,840
really committed to uh co-parenting and

713
00:27:45,590 --> 00:27:42,640

many parents even after they've divorced

714

00:27:47,350 --> 00:27:45,600

are still committed to co-parenting

715

00:27:49,510 --> 00:27:47,360

do you have any tips for those dads

716

00:27:51,830 --> 00:27:49,520

because i think for a lot of them they

717

00:27:53,750 --> 00:27:51,840

they feel kind of like a third wheel

718

00:27:55,669 --> 00:27:53,760

fifth wheel you know they're they're

719

00:27:57,909 --> 00:27:55,679

just like this guy that

720

00:27:59,590 --> 00:27:57,919

the kids have to go visit well that's

721

00:28:02,950 --> 00:27:59,600

why again the book

722

00:28:04,710 --> 00:28:02,960

shows the importance of what the role of

723

00:28:06,389 --> 00:28:04,720

the father is in the lives of their

724

00:28:07,350 --> 00:28:06,399

children and i think that's an important

725

00:28:10,149 --> 00:28:07,360

thing for

726

00:28:11,990 --> 00:28:10,159

fathers to understand that that they do

727

00:28:13,830 --> 00:28:12,000

have an important role even if they're

728

00:28:15,750 --> 00:28:13,840

divorced and they're only seeing the

729

00:28:17,750 --> 00:28:15,760

kids on every other weekend

730

00:28:19,750 --> 00:28:17,760

they still have an important role in the

731

00:28:22,950 --> 00:28:19,760

development of those child and helping

732

00:28:25,350 --> 00:28:22,960

to create the foundation uh for them so

733

00:28:27,909 --> 00:28:25,360

they can have a successful

734

00:28:30,789 --> 00:28:27,919

life and so it's and it's interesting

735

00:28:33,750 --> 00:28:30,799

too the other thing advice i'd have to

736

00:28:36,070 --> 00:28:33,760

fathers is give up your guilt

737

00:28:38,389 --> 00:28:36,080

about not being perfect at this job

738

00:28:40,870 --> 00:28:38,399

nobody's perfect women aren't perfect at

739

00:28:42,549 --> 00:28:40,880

being mothers and fathers aren't perfect

740

00:28:44,710 --> 00:28:42,559

at being fathers

741

00:28:45,750 --> 00:28:44,720

and if you don't give up your guilt and

742

00:28:46,789 --> 00:28:45,760

shame

743

00:28:48,310 --> 00:28:46,799

you end up

744

00:28:50,070 --> 00:28:48,320

your children are going to end up with

745

00:28:54,630 --> 00:28:50,080

more of a relationship to your guilt and

746

00:28:58,470 --> 00:28:56,950

and in what we're talking about are we

747

00:29:01,590 --> 00:28:58,480

talking about

748

00:29:04,710 --> 00:29:01,600

this is the dynamic because you want to

749

00:29:06,870 --> 00:29:04,720

empower your sons or are we talking

750

00:29:10,870 --> 00:29:06,880

equal opportunity your sons and

751
00:29:12,389 --> 00:29:10,880
daughters absolutely it applies to both

752
00:29:14,470 --> 00:29:12,399
daughters and sons

753
00:29:15,590 --> 00:29:14,480
and in the book i talk about that it's

754
00:29:18,470 --> 00:29:15,600
not just

755
00:29:20,710 --> 00:29:18,480
uh raising your sons it's raising

756
00:29:21,750 --> 00:29:20,720
all your children to be effective in the

757
00:29:23,830 --> 00:29:21,760
world

758
00:29:27,430 --> 00:29:23,840
and to create help create the foundation

759
00:29:30,389 --> 00:29:27,440
for them so they can do that

760
00:29:32,389 --> 00:29:30,399
and if the dad's not around is it a good

761
00:29:34,870 --> 00:29:32,399
idea

762
00:29:37,909 --> 00:29:34,880
to find some kind of a

763
00:29:41,430 --> 00:29:37,919

role a male role model or you know have

764

00:29:42,549 --> 00:29:41,440

a male energy to kind of step in to take

765

00:29:44,310 --> 00:29:42,559

that role

766

00:29:46,310 --> 00:29:44,320

oh that's i think that's certainly

767

00:29:48,470 --> 00:29:46,320

happening in fact more and more

768

00:29:51,110 --> 00:29:48,480

grandparents are ending up raising their

769

00:29:51,909 --> 00:29:51,120

their grandkids than ever before

770

00:29:58,870 --> 00:29:51,919

and

771

00:30:01,110 --> 00:29:58,880

often have a better help or better

772

00:30:03,590 --> 00:30:01,120

they can do a better job because they're

773

00:30:04,710 --> 00:30:03,600

not kind of tied in as much as parents

774

00:30:07,590 --> 00:30:04,720

are until

775

00:30:08,870 --> 00:30:07,600

uh all of the things that

776
00:30:10,549 --> 00:30:08,880
help

777
00:30:11,830 --> 00:30:10,559
actually prevent parents from being as

778
00:30:13,029 --> 00:30:11,840
effective as they could be so

779
00:30:14,630 --> 00:30:13,039
grandparents

780
00:30:15,510 --> 00:30:14,640
raising their kids

781
00:30:18,710 --> 00:30:15,520
often

782
00:30:20,389 --> 00:30:18,720
are are a model that that where the

783
00:30:22,470 --> 00:30:20,399
grandfather who's had

784
00:30:24,470 --> 00:30:22,480
many years of experience in life can

785
00:30:25,430 --> 00:30:24,480
take the child out into the world and

786
00:30:27,190 --> 00:30:25,440
show them

787
00:30:29,909 --> 00:30:27,200
more about how the world works and

788
00:30:31,510 --> 00:30:29,919

that's one of the four initiations that

789

00:30:33,350 --> 00:30:31,520

i talk about in the book that the

790

00:30:35,430 --> 00:30:33,360

fathers or grandfathers

791

00:30:37,750 --> 00:30:35,440

i have to be the ones that take their

792

00:30:39,909 --> 00:30:37,760

sons and daughters out of the world and

793

00:30:42,710 --> 00:30:39,919

show them how the world works

794

00:30:44,549 --> 00:30:42,720

and and help them gain mastery over

795

00:30:46,549 --> 00:30:44,559

first their everyday environment but

796

00:30:48,870 --> 00:30:46,559

then the world around them outside the

797

00:30:53,029 --> 00:30:48,880

family outside the home

798

00:30:56,070 --> 00:30:53,039

well i know like with my grandparents

799

00:30:57,990 --> 00:30:56,080

we minded them my parents you know sort

800

00:31:00,149 --> 00:30:58,000

of you know in a different kind of way

801
00:31:01,510 --> 00:31:00,159
it was yeah you know they're gonna we're

802
00:31:03,029 --> 00:31:01,520
gonna get in trouble but with my

803
00:31:05,269 --> 00:31:03,039
grandparents it was like they asked you

804
00:31:08,230 --> 00:31:05,279
to do something with like okay grandma

805
00:31:10,149 --> 00:31:08,240
and you just go do it right yeah that

806
00:31:12,230 --> 00:31:10,159
that seems to be happening

807
00:31:13,909 --> 00:31:12,240
uh with many people i've heard many

808
00:31:16,389 --> 00:31:13,919
stories about that that

809
00:31:18,710 --> 00:31:16,399
yeah that grandpa and grandma seem to

810
00:31:21,190 --> 00:31:18,720
have a better grasp on

811
00:31:22,870 --> 00:31:21,200
what needs to be done and also

812
00:31:24,870 --> 00:31:22,880
that they're they're sort of more

813
00:31:26,630 --> 00:31:24,880

experienced because there's a learning

814

00:31:28,149 --> 00:31:26,640

curve for young parents

815

00:31:30,549 --> 00:31:28,159

and the grandparents

816

00:31:33,510 --> 00:31:30,559

now have had the years of experience so

817

00:31:36,310 --> 00:31:33,520

they know what battles to to fight and

818

00:31:38,950 --> 00:31:36,320

which ones not to and and they don't get

819

00:31:41,350 --> 00:31:38,960

into power struggles with their their

820

00:31:42,870 --> 00:31:41,360

grandkids as parents often do

821

00:31:44,070 --> 00:31:42,880

so it's a much

822

00:31:47,029 --> 00:31:44,080

i think

823

00:31:47,990 --> 00:31:47,039

it can be a very healthy situation

824

00:31:51,990 --> 00:31:48,000

good

825

00:31:52,789 --> 00:31:52,000

um do you have any general rules or tips

826

00:31:54,230 --> 00:31:52,799

uh

827

00:31:56,870 --> 00:31:54,240

for fathers

828

00:31:58,630 --> 00:31:56,880

that they can use to practice their male

829

00:32:01,110 --> 00:31:58,640

mothering skills

830

00:32:03,750 --> 00:32:01,120

well in the book i i

831

00:32:05,990 --> 00:32:03,760

have various kinds of

832

00:32:08,310 --> 00:32:06,000

practice exercises for

833

00:32:10,070 --> 00:32:08,320

the the reader to to

834

00:32:11,350 --> 00:32:10,080

practice their empathy skills i give

835

00:32:13,110 --> 00:32:11,360

them a couple of

836

00:32:15,350 --> 00:32:13,120

little quizzes about

837

00:32:17,269 --> 00:32:15,360

uh here's what's happening what do you

838

00:32:20,310 --> 00:32:17,279

think the person that's

839

00:32:22,230 --> 00:32:20,320

uh described here is feeling

840

00:32:24,710 --> 00:32:22,240

tune into the feelings you if you can

841

00:32:27,509 --> 00:32:24,720

and so i i kind of think that it's a

842

00:32:29,909 --> 00:32:27,519

skill that you have to learn

843

00:32:32,070 --> 00:32:29,919

and so if you have some practice at it

844

00:32:34,389 --> 00:32:32,080

that's the main thing i'm

845

00:32:35,430 --> 00:32:34,399

asking people to do just to

846

00:32:39,830 --> 00:32:35,440

practice

847

00:32:41,669 --> 00:32:39,840

these skills as any any skills new

848

00:32:43,190 --> 00:32:41,679

skills that you learn it's first going

849

00:32:46,310 --> 00:32:43,200

to feel awkward

850

00:32:48,950 --> 00:32:46,320

and difficult but eventually you'll see

851
00:32:51,110 --> 00:32:48,960
the results and you'll begin to say yeah

852
00:32:53,269 --> 00:32:51,120
i did it i was able to

853
00:32:55,430 --> 00:32:53,279
really be there for my son or daughter

854
00:32:58,630 --> 00:32:55,440
when they needed me

855
00:33:01,509 --> 00:32:58,640
well and it seems like the tools that

856
00:33:03,830 --> 00:33:01,519
you are providing you know even though

857
00:33:06,870 --> 00:33:03,840
the book is called the male mother

858
00:33:08,830 --> 00:33:06,880
many women could utilize very similar

859
00:33:11,909 --> 00:33:08,840
skills

860
00:33:13,669 --> 00:33:11,919
to become a more conscious parent i

861
00:33:15,909 --> 00:33:13,679
guess would be the correct way to say it

862
00:33:17,590 --> 00:33:15,919
yeah i actually have a full a whole

863
00:33:19,110 --> 00:33:17,600

chapter in the book about the male

864

00:33:22,789 --> 00:33:19,120

mother in women

865

00:33:24,870 --> 00:33:22,799

uh how that has to also be part of

866

00:33:26,789 --> 00:33:24,880

of the of the team

867

00:33:29,190 --> 00:33:26,799

since both of them are working together

868

00:33:32,549 --> 00:33:29,200

then they both have to have these male

869

00:33:35,269 --> 00:33:32,559

mother skills and and learn how to

870

00:33:37,029 --> 00:33:35,279

feed off each other and trade off so if

871

00:33:42,310 --> 00:33:37,039

one day i don't feel very

872

00:33:49,750 --> 00:33:45,590

is it important in the dynamic between

873

00:33:53,909 --> 00:33:49,760

the parents that they have um

874

00:33:56,230 --> 00:33:53,919

you know a platform or an agreement to

875

00:33:58,149 --> 00:33:56,240

this is how we are going to raise our

876

00:33:59,909 --> 00:33:58,159

children you know with some general

877

00:34:02,310 --> 00:33:59,919

guidelines and

878

00:34:05,509 --> 00:34:02,320

between the two of them so that they can

879

00:34:08,149 --> 00:34:05,519

provide consistency to their children

880

00:34:11,030 --> 00:34:08,159

absolutely and i think the the main job

881

00:34:12,790 --> 00:34:11,040

is to create a cooperative

882

00:34:13,909 --> 00:34:12,800

agreement rather than a competitive

883

00:34:16,790 --> 00:34:13,919

agreement

884

00:34:19,030 --> 00:34:16,800

most families and most parents end up

885

00:34:20,950 --> 00:34:19,040

competing with each other for the favors

886

00:34:23,589 --> 00:34:20,960

of their children

887

00:34:24,869 --> 00:34:23,599

and and so if if you have a more

888

00:34:26,470 --> 00:34:24,879

cooperative

889

00:34:28,710 --> 00:34:26,480

agreement that you're not going to buy

890

00:34:31,109 --> 00:34:28,720

into that kind of behavior

891

00:34:34,149 --> 00:34:31,119

and you're not going to promote it i

892

00:34:36,869 --> 00:34:34,159

think you're far ahead of the game

893

00:34:38,310 --> 00:34:36,879

well and i think the kids figure out you

894

00:34:40,550 --> 00:34:38,320

know

895

00:34:42,869 --> 00:34:40,560

who to go to who to go to it's like well

896

00:34:44,710 --> 00:34:42,879

you know if i if i go to dad you know

897

00:34:46,230 --> 00:34:44,720

he's going to let me do it where mom's

898

00:34:49,109 --> 00:34:46,240

going to be like

899

00:34:50,149 --> 00:34:49,119

you're crazy well that does promote a

900

00:34:51,190 --> 00:34:50,159

kind of a

901
00:34:52,710 --> 00:34:51,200
um

902
00:34:55,589 --> 00:34:52,720
two against one

903
00:34:56,869 --> 00:34:55,599
attitude and we discourage that uh and

904
00:34:58,550 --> 00:34:56,879
uh so if

905
00:35:01,030 --> 00:34:58,560
if uh

906
00:35:03,589 --> 00:35:01,040
if bobby comes to me and says

907
00:35:05,670 --> 00:35:03,599
i'd like to do this and i'd say well you

908
00:35:08,470 --> 00:35:05,680
know that may be a good idea let me talk

909
00:35:10,150 --> 00:35:08,480
to your mother and i'll get back to you

910
00:35:12,790 --> 00:35:10,160
so you you work

911
00:35:15,109 --> 00:35:12,800
as a team as long as you can keep your

912
00:35:17,190 --> 00:35:15,119
your kids from uh doing a divide and

913
00:35:19,990 --> 00:35:17,200

conquer you'll get away you'll be able

914

00:35:22,710 --> 00:35:20,000

to do that more effectively

915

00:35:25,349 --> 00:35:22,720

having that consistency in the bringing

916

00:35:27,510 --> 00:35:25,359

up of children does that help the child

917

00:35:29,109 --> 00:35:27,520

to

918

00:35:31,589 --> 00:35:29,119

does that help the child i'll just put a

919

00:35:32,870 --> 00:35:31,599

period there oh yeah it's it's it's

920

00:35:34,790 --> 00:35:32,880

invaluable

921

00:35:37,670 --> 00:35:34,800

consistency is

922

00:35:38,870 --> 00:35:37,680

uh is really an important characteristic

923

00:35:40,310 --> 00:35:38,880

because

924

00:35:45,750 --> 00:35:40,320

these

925

00:35:48,950 --> 00:35:45,760

feelings that the child grows up with

926
00:35:51,589 --> 00:35:48,960
grow out of a consistent kind of pattern

927
00:35:54,470 --> 00:35:51,599
that's that's modeled for them

928
00:35:56,710 --> 00:35:54,480
and is expected of them and so as long

929
00:35:58,390 --> 00:35:56,720
as that consistency is there they will

930
00:36:01,670 --> 00:35:58,400
not get confused

931
00:36:04,870 --> 00:36:01,680
and will be able to follow that model

932
00:36:07,270 --> 00:36:04,880
it seems like in i'm going to say this

933
00:36:12,870 --> 00:36:07,280
generation whatever

934
00:36:16,950 --> 00:36:14,310
you know i'm gonna say spare the rod

935
00:36:18,230 --> 00:36:16,960
spoil the child but there's not a lot of

936
00:36:21,109 --> 00:36:18,240
discipline

937
00:36:22,390 --> 00:36:21,119
that of you know or expectations from

938
00:36:23,910 --> 00:36:22,400

parents

939

00:36:25,750 --> 00:36:23,920

um

940

00:36:27,589 --> 00:36:25,760

what's your thought on that whole

941

00:36:29,910 --> 00:36:27,599

concept as far as what we're talking

942

00:36:31,829 --> 00:36:29,920

about now that's absolutely the worst

943

00:36:34,950 --> 00:36:31,839

thing you can do

944

00:36:36,790 --> 00:36:34,960

is not give any limits or do

945

00:36:37,750 --> 00:36:36,800

no discipline at all

946

00:36:40,310 --> 00:36:37,760

because

947

00:36:42,390 --> 00:36:40,320

children need limits and they will act

948

00:36:44,150 --> 00:36:42,400

out if they don't have them to try to

949

00:36:46,950 --> 00:36:44,160

get the limits so sometimes when you

950

00:36:47,910 --> 00:36:46,960

have an act out acting out teenager it's

951
00:36:49,190 --> 00:36:47,920
not the

952
00:36:50,790 --> 00:36:49,200
teenager's

953
00:36:53,190 --> 00:36:50,800
problem it's the fact that the parents

954
00:36:55,270 --> 00:36:53,200
have not set effective limits

955
00:36:57,190 --> 00:36:55,280
and the teenagers acting out to find out

956
00:36:59,589 --> 00:36:57,200
where the limits are

957
00:37:01,190 --> 00:36:59,599
so i will do this to see if i can get

958
00:37:03,430 --> 00:37:01,200
away with it and if i can get away with

959
00:37:05,990 --> 00:37:03,440
it i'll just keep doing it that's one of

960
00:37:08,550 --> 00:37:06,000
the things that happens yeah frequently

961
00:37:09,990 --> 00:37:08,560
but then interestingly uh and i've

962
00:37:11,829 --> 00:37:10,000
studied this and others have studied

963
00:37:13,910 --> 00:37:11,839

this that children who grew up in

964

00:37:17,030 --> 00:37:13,920

families where they

965

00:37:19,910 --> 00:37:17,040

had very permissive parenting

966

00:37:23,030 --> 00:37:19,920

they all almost all end up feeling that

967

00:37:24,950 --> 00:37:23,040

they weren't loved by their parents

968

00:37:27,109 --> 00:37:24,960

interesting yeah

969

00:37:29,190 --> 00:37:27,119

so people parents sometimes think well

970

00:37:31,589 --> 00:37:29,200

if i discipline them they're not gonna

971

00:37:34,390 --> 00:37:31,599

lie they're not gonna think i love them

972

00:37:36,390 --> 00:37:34,400

well that's not true

973

00:37:37,990 --> 00:37:36,400

when you discipline your children you're

974

00:37:40,470 --> 00:37:38,000

you're showing them that you care about

975

00:37:43,109 --> 00:37:40,480

their behavior and you love them enough

976
00:37:45,510 --> 00:37:43,119
to intervene and make sure that uh

977
00:37:48,150 --> 00:37:45,520
they're safe and that they learn

978
00:37:49,829 --> 00:37:48,160
how to how to grow up effectively

979
00:37:52,150 --> 00:37:49,839
and if you don't set any limits and you

980
00:37:54,630 --> 00:37:52,160
don't discipline them they they kind of

981
00:37:57,670 --> 00:37:54,640
think you don't care

982
00:37:59,990 --> 00:37:57,680
well and i think it makes them

983
00:38:05,270 --> 00:38:03,109
be more rounded in general you know one

984
00:38:08,150 --> 00:38:05,280
of the things that i see because i work

985
00:38:09,589 --> 00:38:08,160
with um i have a lot of female clients

986
00:38:11,910 --> 00:38:09,599
and then i you know what we end up

987
00:38:13,750 --> 00:38:11,920
talking about their their teenage or

988
00:38:15,109 --> 00:38:13,760

young adult uh

989

00:38:16,230 --> 00:38:15,119

children

990

00:38:18,950 --> 00:38:16,240

that

991

00:38:22,790 --> 00:38:18,960

there's this rash of depression

992

00:38:24,390 --> 00:38:22,800

that they're experiencing um the child

993

00:38:25,910 --> 00:38:24,400

you know because they get out of high

994

00:38:28,470 --> 00:38:25,920

school or they're a senior in high

995

00:38:30,790 --> 00:38:28,480

school or whatever and

996

00:38:33,430 --> 00:38:30,800

now there are these expectations that

997

00:38:36,550 --> 00:38:33,440

they do something absolutely and i don't

998

00:38:38,870 --> 00:38:36,560

feel many of them don't feel prepared

999

00:38:41,190 --> 00:38:38,880

for what they what they now see that

1000

00:38:43,150 --> 00:38:41,200

they're going to have to do

1001

00:38:47,910 --> 00:38:43,160

and there's also been a wrath

1002

00:38:48,710 --> 00:38:47,920

a rash of teenage suicides

1003

00:38:50,390 --> 00:38:48,720

uh

1004

00:38:51,430 --> 00:38:50,400

that i don't know if that's national but

1005

00:38:53,510 --> 00:38:51,440

locally

1006

00:38:56,310 --> 00:38:53,520

it's an epidemic

1007

00:38:58,310 --> 00:38:56,320

really yeah and people are scratching

1008

00:39:03,030 --> 00:38:58,320

their head why are all these

1009

00:39:06,710 --> 00:39:04,950

and so there's some people now looking

1010

00:39:09,510 --> 00:39:06,720

into that and seeing if we can find some

1011

00:39:12,230 --> 00:39:09,520

answers to that question

1012

00:39:14,790 --> 00:39:12,240

well i mean i just see that you know

1013

00:39:18,069 --> 00:39:14,800

there's not even responsibility placed

1014

00:39:19,589 --> 00:39:18,079

on the child to go and

1015

00:39:20,870 --> 00:39:19,599

do stuff

1016

00:39:22,950 --> 00:39:20,880

you know you tell them to clean their

1017

00:39:24,150 --> 00:39:22,960

room and then they don't do it and

1018

00:39:26,870 --> 00:39:24,160

you're like

1019

00:39:28,390 --> 00:39:26,880

and then there's no consequence for it

1020

00:39:30,230 --> 00:39:28,400

right

1021

00:39:32,390 --> 00:39:30,240

well i mean there's a lot of good

1022

00:39:33,829 --> 00:39:32,400

parenting programs out there for parents

1023

00:39:36,069 --> 00:39:33,839

who have trouble

1024

00:39:37,349 --> 00:39:36,079

setting those limits i mean there's uh

1025

00:39:40,230 --> 00:39:37,359

love and logic

1026
00:39:42,470 --> 00:39:40,240
is one of them that i know of where they

1027
00:39:43,910 --> 00:39:42,480
talk about natural and logical

1028
00:39:45,990 --> 00:39:43,920
consequences

1029
00:39:47,910 --> 00:39:46,000
so if a child doesn't clean their room

1030
00:39:49,750 --> 00:39:47,920
that what would be the logical natural

1031
00:39:51,910 --> 00:39:49,760
consequence that would help them

1032
00:39:55,349 --> 00:39:51,920
remember to clean their room

1033
00:39:56,710 --> 00:39:55,359
and i often encourage parents to involve

1034
00:39:58,069 --> 00:39:56,720
their children in setting those

1035
00:39:59,430 --> 00:39:58,079
consequences

1036
00:40:01,349 --> 00:39:59,440
you know like what would help you

1037
00:40:02,790 --> 00:40:01,359
remember to clean your room

1038
00:40:04,550 --> 00:40:02,800

what would have to happen to help you

1039

00:40:05,430 --> 00:40:04,560

remember that

1040

00:40:06,550 --> 00:40:05,440

and

1041

00:40:09,670 --> 00:40:06,560

then they have to come up with the

1042

00:40:11,430 --> 00:40:09,680

consequence well if i don't remember it

1043

00:40:13,349 --> 00:40:11,440

if if

1044

00:40:15,430 --> 00:40:13,359

i didn't get to go to the movies or i

1045

00:40:17,270 --> 00:40:15,440

didn't go get to go out with my friends

1046

00:40:20,230 --> 00:40:17,280

that would probably help me remember

1047

00:40:22,310 --> 00:40:20,240

okay that's a consequence then we'll use

1048

00:40:25,190 --> 00:40:22,320

so you engage the children in that

1049

00:40:27,030 --> 00:40:25,200

process don't just arbitrarily assign a

1050

00:40:27,910 --> 00:40:27,040

consequence that may have no meaning for

1051
00:40:32,470 --> 00:40:27,920
them

1052
00:40:34,790 --> 00:40:32,480
well and it sounds like with that format

1053
00:40:38,310 --> 00:40:34,800
they made the consequence and so they

1054
00:40:40,550 --> 00:40:38,320
have to live by their own rule exactly

1055
00:40:45,829 --> 00:40:40,560
that's how it works

1056
00:40:47,430 --> 00:40:45,839
oh no i broke my own rule right right

1057
00:40:49,270 --> 00:40:47,440
yeah

1058
00:40:50,829 --> 00:40:49,280
all right going back to going back to

1059
00:40:54,230 --> 00:40:50,839
the male mother

1060
00:40:56,630 --> 00:40:54,240
um let's talk biology for a second

1061
00:40:59,430 --> 00:40:56,640
um from a biological point of view does

1062
00:41:02,069 --> 00:40:59,440
taking on this role you know the as the

1063
00:41:05,589 --> 00:41:02,079

male mother changed chemistry and

1064

00:41:08,550 --> 00:41:05,599

fathers absolutely it's also helps

1065

00:41:10,470 --> 00:41:08,560

develop a part of the brain that can

1066

00:41:12,790 --> 00:41:10,480

in many people be underdeveloped and

1067

00:41:15,190 --> 00:41:12,800

that's a prefrontal cortex

1068

00:41:18,390 --> 00:41:15,200

we know that the prefrontal cortex

1069

00:41:21,589 --> 00:41:18,400

houses a lot of these male mother type

1070

00:41:24,150 --> 00:41:21,599

behaviors and skills and and if if you

1071

00:41:26,230 --> 00:41:24,160

haven't developed those your prefrontal

1072

00:41:29,109 --> 00:41:26,240

cortex in your brain is not developed so

1073

00:41:32,069 --> 00:41:29,119

you're again you you're leaving out a

1074

00:41:34,950 --> 00:41:32,079

big part of of of the resources that you

1075

00:41:36,470 --> 00:41:34,960

you need to to be effective in the world

1076

00:41:38,550 --> 00:41:36,480

and and so

1077

00:41:41,030 --> 00:41:38,560

the chemistry and the biology is there

1078

00:41:43,349 --> 00:41:41,040

and the research has been very clear

1079

00:41:46,230 --> 00:41:43,359

that uh that people who develop these

1080

00:41:48,230 --> 00:41:46,240

skills have a much more uh

1081

00:41:50,630 --> 00:41:48,240

fully developed prefrontal cortex in

1082

00:41:52,630 --> 00:41:50,640

their brain well and what does the pre

1083

00:41:54,069 --> 00:41:52,640

what is the prefrontal cortex

1084

00:41:56,309 --> 00:41:54,079

responsible for

1085

00:41:57,670 --> 00:41:56,319

well it it also it helps us make

1086

00:41:59,750 --> 00:41:57,680

decisions

1087

00:42:02,790 --> 00:41:59,760

it's it's almost uh like

1088

00:42:05,589 --> 00:42:02,800

it has an executive function of it

1089

00:42:08,390 --> 00:42:05,599

it also helps us

1090

00:42:10,069 --> 00:42:08,400

use our intuition as a tool

1091

00:42:12,150 --> 00:42:10,079

when we don't quite know what to do we

1092

00:42:14,550 --> 00:42:12,160

kind of tune into our own

1093

00:42:16,470 --> 00:42:14,560

intuitive feelings about what might be

1094

00:42:19,270 --> 00:42:16,480

the best choice here

1095

00:42:20,790 --> 00:42:19,280

uh it also helps us

1096

00:42:22,470 --> 00:42:20,800

develop empathy

1097

00:42:25,670 --> 00:42:22,480

and compassion

1098

00:42:27,510 --> 00:42:25,680

and learn how to

1099

00:42:29,990 --> 00:42:27,520

really

1100

00:42:31,349 --> 00:42:30,000

use our feelings more effectively in our

1101

00:42:33,190 --> 00:42:31,359

life

1102

00:42:35,349 --> 00:42:33,200

so those are all things that come out of

1103

00:42:38,470 --> 00:42:35,359

the prefrontal cortex

1104

00:42:40,790 --> 00:42:38,480

well i guess women must have giant free

1105

00:42:42,230 --> 00:42:40,800

prefrontal cortexes interesting you

1106

00:42:45,030 --> 00:42:42,240

would say that because the research

1107

00:42:48,390 --> 00:42:45,040

confirms that women have much more fully

1108

00:42:50,710 --> 00:42:48,400

developed prefrontal cortexes than men

1109

00:42:53,510 --> 00:42:50,720

ha ha my prefrontal cortex is bigger

1110

00:42:56,829 --> 00:42:55,270

i guess if you want to be competitive

1111

00:42:59,990 --> 00:42:56,839

about

1112

00:43:01,910 --> 00:43:00,000

it but the other side would be okay i

1113

00:43:04,470 --> 00:43:01,920

have i've worked on these things how can

1114

00:43:05,910 --> 00:43:04,480

i help you work on these things too

1115

00:43:07,670 --> 00:43:05,920

i've learned how to do this because

1116

00:43:10,150 --> 00:43:07,680

society has said it's okay for me to

1117

00:43:12,150 --> 00:43:10,160

learn how to do this so how can i help

1118

00:43:15,750 --> 00:43:12,160

you learn how to be a partner an equal

1119

00:43:18,309 --> 00:43:15,760

partner at parenting our children

1120

00:43:19,990 --> 00:43:18,319

and you know i think yeah if

1121

00:43:22,309 --> 00:43:20,000

men are open to that

1122

00:43:23,990 --> 00:43:22,319

women can teach them a lot about how to

1123

00:43:26,950 --> 00:43:24,000

do that although men do nurture

1124

00:43:28,630 --> 00:43:26,960

differently than women

1125

00:43:30,390 --> 00:43:28,640

and that's explain

1126

00:43:32,870 --> 00:43:30,400

well uh

1127

00:43:34,710 --> 00:43:32,880

women tend to in their nurturing they

1128

00:43:36,069 --> 00:43:34,720

tend to be much more

1129

00:43:38,950 --> 00:43:36,079

uh in

1130

00:43:41,349 --> 00:43:38,960

enveloping and and kind of oh here come

1131

00:43:42,230 --> 00:43:41,359

let me hold you and comfort you

1132

00:43:43,990 --> 00:43:42,240

men

1133

00:43:45,990 --> 00:43:44,000

are different about that

1134

00:43:47,109 --> 00:43:46,000

they tend to nurture by saying well i

1135

00:43:48,630 --> 00:43:47,119

can see

1136

00:43:50,470 --> 00:43:48,640

if they're doing it well

1137

00:43:52,470 --> 00:43:50,480

i can see this is hard for you and

1138

00:43:55,030 --> 00:43:52,480

you're having a hard time with this so

1139

00:43:57,190 --> 00:43:55,040

how can i help you what can i what can

1140

00:43:59,510 --> 00:43:57,200

we do together here to help you feel

1141

00:44:01,910 --> 00:43:59,520

better so they they come at it a little

1142

00:44:04,550 --> 00:44:01,920

differently than women do and and i

1143

00:44:08,870 --> 00:44:04,560

think having both of those operating in

1144

00:44:12,790 --> 00:44:08,880

in a family i think is very healthy

1145

00:44:15,190 --> 00:44:12,800

have you worked with any men who have

1146

00:44:18,950 --> 00:44:15,200

you know that that seem like manly men

1147

00:44:22,309 --> 00:44:18,960

who have taken the opportunity to

1148

00:44:25,510 --> 00:44:22,319

nurture and you know become a male

1149

00:44:27,829 --> 00:44:25,520

mother and changes within them within

1150

00:44:30,870 --> 00:44:27,839

their personality

1151

00:44:32,470 --> 00:44:30,880

yourself absolutely and i've all of the

1152

00:44:34,870 --> 00:44:32,480

things i write about

1153

00:44:37,510 --> 00:44:34,880

i have worked on and developed in myself

1154

00:44:39,910 --> 00:44:37,520

so i'm a model for men who come

1155

00:44:42,470 --> 00:44:39,920

to me and and want to know how to do it

1156

00:44:45,670 --> 00:44:42,480

i can i can tell them how to do it i can

1157

00:44:48,390 --> 00:44:45,680

also show them how to do it

1158

00:44:50,470 --> 00:44:48,400

but i i'm just kind of looking for an

1159

00:44:53,430 --> 00:44:50,480

example i i just you know i have that

1160

00:44:55,190 --> 00:44:53,440

curiosity factor so what kind of things

1161

00:44:56,550 --> 00:44:55,200

change i mean because there are a lot of

1162

00:44:58,069 --> 00:44:56,560

men who

1163

00:45:00,150 --> 00:44:58,079

you know that's that's my wife the

1164

00:45:03,349 --> 00:45:00,160

children are my wife's job i mean have

1165

00:45:05,349 --> 00:45:03,359

you seen them make the transition from

1166

00:45:07,670 --> 00:45:05,359

not taking any responsibility to

1167

00:45:08,790 --> 00:45:07,680

actually stepping into the role of

1168

00:45:10,630 --> 00:45:08,800

parenting

1169

00:45:13,109 --> 00:45:10,640

and and what had what was your

1170

00:45:14,150 --> 00:45:13,119

observation as far as the personality

1171

00:45:15,589 --> 00:45:14,160

change

1172

00:45:18,790 --> 00:45:15,599

oh uh

1173

00:45:21,270 --> 00:45:18,800

yes uh the answer is i'm seeing many

1174

00:45:23,670 --> 00:45:21,280

many more young men millennials

1175

00:45:25,750 --> 00:45:23,680

who are now saying i want to be an equal

1176

00:45:26,550 --> 00:45:25,760

partner and i want to learn how to do

1177

00:45:27,670 --> 00:45:26,560

this

1178

00:45:29,349 --> 00:45:27,680

and it's

1179

00:45:30,150 --> 00:45:29,359

it's in life in them they're they're

1180

00:45:34,470 --> 00:45:30,160

much

1181

00:45:37,670 --> 00:45:34,480

alive and

1182

00:45:40,550 --> 00:45:37,680

uh passionate about life and about

1183

00:45:42,950 --> 00:45:40,560

what they're doing i i i just

1184

00:45:45,589 --> 00:45:42,960

and actually it sometimes isn't just

1185

00:45:47,910 --> 00:45:45,599

younger men i have a men's i'm in a

1186

00:45:50,069 --> 00:45:47,920

men's group and one of my uh men in the

1187

00:45:52,870 --> 00:45:50,079

men's group just became a grandfather

1188

00:45:55,270 --> 00:45:52,880

and he is so passionate about this child

1189

00:45:57,589 --> 00:45:55,280

his daughter sends him pictures every

1190

00:45:58,870 --> 00:45:57,599

day of this baby and he comes to men's

1191

00:46:01,349 --> 00:45:58,880

group and he shows us the latest

1192

00:46:03,670 --> 00:46:01,359

pictures every week and he's so excited

1193

00:46:06,150 --> 00:46:03,680

about it and he says i want to be i want

1194

00:46:07,910 --> 00:46:06,160

to be in this child's life as much as i

1195

00:46:10,309 --> 00:46:07,920

possibly can

1196

00:46:12,710 --> 00:46:10,319

and and he said it's my number one

1197

00:46:15,750 --> 00:46:12,720

priority in life right now i mean that

1198

00:46:18,550 --> 00:46:15,760

that's that's a shift

1199

00:46:20,630 --> 00:46:18,560

but that's really great um

1200

00:46:24,710 --> 00:46:20,640

i mean because there really hasn't been

1201
00:46:26,550 --> 00:46:24,720
permission for men to do that or

1202
00:46:28,630 --> 00:46:26,560
you know just because of social

1203
00:46:29,349 --> 00:46:28,640
stereotypes i mean you know speaking of

1204
00:46:31,030 --> 00:46:29,359
that

1205
00:46:32,790 --> 00:46:31,040
you know we're talking about socials are

1206
00:46:35,030 --> 00:46:32,800
kind of talking about social stereotypes

1207
00:46:38,550 --> 00:46:35,040
what are the kind of obstacles do men

1208
00:46:41,990 --> 00:46:38,560
face in trying to make this transition

1209
00:46:43,349 --> 00:46:42,000
well it does take some courage to face

1210
00:46:44,150 --> 00:46:43,359
the fact that

1211
00:46:46,230 --> 00:46:44,160
many

1212
00:46:48,550 --> 00:46:46,240
people will

1213
00:46:50,470 --> 00:46:48,560

not support you they may be

1214

00:46:52,790 --> 00:46:50,480

they may be outwardly critical or they

1215

00:46:54,230 --> 00:46:52,800

may be sinus kind of silently critical

1216

00:46:55,589 --> 00:46:54,240

and you'll notice

1217

00:46:57,750 --> 00:46:55,599

that

1218

00:46:59,589 --> 00:46:57,760

they have some judgments about

1219

00:47:01,670 --> 00:46:59,599

the fact that you're you're doing some

1220

00:47:04,069 --> 00:47:01,680

things i mean that was i mean that's

1221

00:47:05,990 --> 00:47:04,079

true that's why men don't take their

1222

00:47:07,270 --> 00:47:06,000

paid paternity leave because they're

1223

00:47:09,190 --> 00:47:07,280

afraid that there's going to be some

1224

00:47:11,589 --> 00:47:09,200

judgment

1225

00:47:14,710 --> 00:47:11,599

among their co-workers if they do that

1226

00:47:16,790 --> 00:47:14,720

uh so i think there's a there's a uh uh

1227

00:47:19,430 --> 00:47:16,800

i think the people that are the young

1228

00:47:21,109 --> 00:47:19,440

men that are doing this are the pioneers

1229

00:47:22,870 --> 00:47:21,119

and obviously the pioneers are gonna

1230

00:47:25,510 --> 00:47:22,880

have some higher arrows in their back so

1231

00:47:27,190 --> 00:47:25,520

to speak people are not going to accept

1232

00:47:28,309 --> 00:47:27,200

this and they're going to have some

1233

00:47:29,750 --> 00:47:28,319

some things that they're going to have

1234

00:47:31,750 --> 00:47:29,760

to work on i have some things in the

1235

00:47:33,109 --> 00:47:31,760

book about that about how men can handle

1236

00:47:37,510 --> 00:47:33,119

that

1237

00:47:38,470 --> 00:47:37,520

we're we're in this transition

1238

00:47:40,790 --> 00:47:38,480

between

1239

00:47:43,589 --> 00:47:40,800

the over emphasis and the unbalanced

1240

00:47:46,630 --> 00:47:43,599

male and masculine characteristics to

1241

00:47:47,990 --> 00:47:46,640

where men are beginning to learn how to

1242

00:47:49,750 --> 00:47:48,000

uh develop their feminine

1243

00:47:51,349 --> 00:47:49,760

characteristics and then the third stage

1244

00:47:53,829 --> 00:47:51,359

of course would be to put the two

1245

00:47:57,750 --> 00:47:53,839

together which is a whole another maybe

1246

00:48:02,630 --> 00:48:00,710

integration we're gonna talk integration

1247

00:48:05,670 --> 00:48:02,640

yes

1248

00:48:07,670 --> 00:48:05,680

um any other kinds of obstacles um you

1249

00:48:10,870 --> 00:48:07,680

know even from a legal you know i think

1250

00:48:15,910 --> 00:48:10,880

the family care act was

1251

00:48:18,390 --> 00:48:15,920

a wonderful benefit to men women

1252

00:48:21,349 --> 00:48:18,400

you know and families in general but are

1253

00:48:23,750 --> 00:48:21,359

there other places where

1254

00:48:25,510 --> 00:48:23,760

men or people have conflict in

1255

00:48:27,430 --> 00:48:25,520

taking care of their children

1256

00:48:28,470 --> 00:48:27,440

well let me just go back to the family

1257

00:48:31,190 --> 00:48:28,480

care act

1258

00:48:34,069 --> 00:48:31,200

it's too little too late and

1259

00:48:39,030 --> 00:48:34,079

actually the united states among all of

1260

00:48:45,109 --> 00:48:42,549

supportive in their policies towards

1261

00:48:46,309 --> 00:48:45,119

mothers and fathers taking time away

1262

00:48:50,470 --> 00:48:46,319

from work

1263

00:48:52,950 --> 00:48:50,480

to care for their young children we

1264

00:48:54,470 --> 00:48:52,960

lived in in czechoslovakia when we

1265

00:48:55,510 --> 00:48:54,480

worked on a project for the united

1266

00:48:58,710 --> 00:48:55,520

nations

1267

00:49:01,750 --> 00:48:58,720

and in czechoslovakia women got

1268

00:49:04,790 --> 00:49:01,760

three years of paid maternity leave get

1269

00:49:06,230 --> 00:49:04,800

out get out right

1270

00:49:08,549 --> 00:49:06,240

if they were working

1271

00:49:10,470 --> 00:49:08,559

their job was held for three years for

1272

00:49:12,470 --> 00:49:10,480

them and they got paid during that time

1273

00:49:14,790 --> 00:49:12,480

they got 90 percent of their salary the

1274

00:49:17,670 --> 00:49:14,800

first year then i think it dropped to 80

1275

00:49:19,349 --> 00:49:17,680

and then 75 the third year but we also

1276

00:49:21,349 --> 00:49:19,359

noticed that

1277

00:49:24,309 --> 00:49:21,359

the family planning most of the children

1278

00:49:25,910 --> 00:49:24,319

were spaced at least three years apart

1279

00:49:27,589 --> 00:49:25,920

so they

1280

00:49:30,309 --> 00:49:27,599

they learned how to play the system a

1281

00:49:32,790 --> 00:49:30,319

little bit but that's not bad because

1282

00:49:35,270 --> 00:49:32,800

spacing your children three years apart

1283

00:49:38,069 --> 00:49:35,280

is is a very effective way of family

1284

00:49:40,549 --> 00:49:38,079

planning because that means every child

1285

00:49:42,390 --> 00:49:40,559

gets at least three years of of full

1286

00:49:44,470 --> 00:49:42,400

attention and they don't have to compete

1287

00:49:46,710 --> 00:49:44,480

for that with other siblings who are

1288

00:49:49,430 --> 00:49:46,720

maybe a year older or you're

1289

00:49:52,470 --> 00:49:49,440

uh you know or two young older so it

1290

00:49:53,990 --> 00:49:52,480

it's a very good plan and i know when we

1291

00:49:56,230 --> 00:49:54,000

when we were over there we were asked to

1292

00:49:57,349 --> 00:49:56,240

go out and speak to various groups and

1293

00:49:59,270 --> 00:49:57,359

the the

1294

00:50:01,589 --> 00:49:59,280

theme of our talk always was well don't

1295

00:50:03,750 --> 00:50:01,599

throw the baby out with the bath water

1296

00:50:05,589 --> 00:50:03,760

don't cha don't change these policies

1297

00:50:07,270 --> 00:50:05,599

because the west doesn't have these

1298

00:50:09,349 --> 00:50:07,280

because after communism fell this was

1299

00:50:11,270 --> 00:50:09,359

just after communism fell on there was

1300

00:50:13,990 --> 00:50:11,280

this rush to try to adopt everything

1301

00:50:15,990 --> 00:50:14,000

western and to to do away with

1302

00:50:17,510 --> 00:50:16,000

everything that they had before i said

1303

00:50:19,349 --> 00:50:17,520

don't throw the baby out with a bath

1304

00:50:21,910 --> 00:50:19,359

water keep this policy because it's

1305

00:50:25,430 --> 00:50:21,920

absolutely an important policy that most

1306

00:50:28,549 --> 00:50:25,440

of the countries in the west don't have

1307

00:50:31,030 --> 00:50:28,559

but i mean at least we have something

1308

00:50:32,470 --> 00:50:31,040

now i mean it might not be great but at

1309

00:50:34,390 --> 00:50:32,480

least it's

1310

00:50:36,309 --> 00:50:34,400

something it's it's a little bit and

1311

00:50:38,950 --> 00:50:36,319

it's a little too late and

1312

00:50:41,270 --> 00:50:38,960

uh it it i mean

1313

00:50:41,990 --> 00:50:41,280

countries like sweden have

1314

00:50:45,030 --> 00:50:42,000

uh

1315

00:50:46,549 --> 00:50:45,040

a year of paid not only maternity leave

1316

00:50:48,630 --> 00:50:46,559

but paternity leave

1317

00:50:50,870 --> 00:50:48,640

fathers can stay home from their job for

1318

00:50:52,950 --> 00:50:50,880

a year and get paid

1319

00:50:55,990 --> 00:50:52,960

and i mean that's the kind of support

1320

00:50:58,870 --> 00:50:56,000

you really need to to create uh this

1321

00:51:00,470 --> 00:50:58,880

kind of equal parenting that we have

1322

00:51:03,109 --> 00:51:00,480

this model of equal parenting that we're

1323

00:51:06,470 --> 00:51:03,119

talking about with the male mother

1324

00:51:09,190 --> 00:51:06,480

so we're far short of where we should be

1325

00:51:10,150 --> 00:51:09,200

in terms of family policy family

1326

00:51:12,710 --> 00:51:10,160

planning

1327

00:51:14,470 --> 00:51:12,720

and a long way to go yet and i think if

1328

00:51:16,549 --> 00:51:14,480

we could look at some of these other

1329

00:51:17,990 --> 00:51:16,559

countries and what they're doing and how

1330

00:51:20,390 --> 00:51:18,000

this is affecting

1331

00:51:22,870 --> 00:51:20,400

their children giving them the

1332

00:51:24,150 --> 00:51:22,880

secure foundation they need to grow up

1333

00:51:27,910 --> 00:51:24,160

and and be

1334

00:51:30,390 --> 00:51:27,920

uh responsible uh citizens i think

1335

00:51:33,349 --> 00:51:30,400

uh maybe we can learn something there

1336

00:51:34,870 --> 00:51:33,359

or if you have men tap more into their

1337

00:51:37,990 --> 00:51:34,880

male mothers

1338

00:51:40,790 --> 00:51:38,000

then they would be empathic into the

1339

00:51:42,230 --> 00:51:40,800

need of the man being there i mean

1340

00:51:45,750 --> 00:51:42,240

because if you think about it who's

1341

00:51:46,870 --> 00:51:45,760

making the rules the man the men right

1342

00:51:49,510 --> 00:51:46,880

yeah

1343

00:51:52,069 --> 00:51:49,520

people said if if we if we had

1344

00:51:54,150 --> 00:51:52,079

uh uh actually if we even had the

1345

00:51:56,230 --> 00:51:54,160

proportion of women

1346

00:51:57,910 --> 00:51:56,240

in cult in congress that we have in our

1347

00:51:59,750 --> 00:51:57,920

population

1348

00:52:01,430 --> 00:51:59,760

the rules would be different

1349

00:52:03,270 --> 00:52:01,440

they wouldn't make the kind of laws that

1350

00:52:05,109 --> 00:52:03,280

they they are now making

1351
00:52:07,990 --> 00:52:05,119
and in fact interestingly when we were

1352
00:52:09,910 --> 00:52:08,000
in in czechoslovakia this was another

1353
00:52:12,309 --> 00:52:09,920
progressive idea that

1354
00:52:15,430 --> 00:52:12,319
the west has not adopted they had a

1355
00:52:17,670 --> 00:52:15,440
cabinet level person

1356
00:52:19,910 --> 00:52:17,680
who was whose job was to make sure that

1357
00:52:21,750 --> 00:52:19,920
no laws were passed by the legislature

1358
00:52:23,670 --> 00:52:21,760
that would have any adverse effect on

1359
00:52:25,829 --> 00:52:23,680
families

1360
00:52:27,510 --> 00:52:25,839
can you imagine that having maybe that's

1361
00:52:29,829 --> 00:52:27,520
kind of hard to like even wrap your mind

1362
00:52:30,870 --> 00:52:29,839
around isn't it yeah but that was that

1363
00:52:32,390 --> 00:52:30,880

was

1364

00:52:34,309 --> 00:52:32,400

absolutely

1365

00:52:37,349 --> 00:52:34,319

essential and they they

1366

00:52:38,870 --> 00:52:37,359

that person's job was to to review every

1367

00:52:40,549 --> 00:52:38,880

piece of legislation that was being

1368

00:52:43,190 --> 00:52:40,559

proposed and then to make

1369

00:52:45,030 --> 00:52:43,200

recommendations about if if it needed to

1370

00:52:47,430 --> 00:52:45,040

be changed so it wasn't adversely

1371

00:52:48,549 --> 00:52:47,440

affecting families in any way

1372

00:52:50,470 --> 00:52:48,559

wow

1373

00:52:53,030 --> 00:52:50,480

you know i heard this one joke and i'm

1374

00:52:55,349 --> 00:52:53,040

sure it went around you know if if men

1375

00:52:59,589 --> 00:52:55,359

could get pregnant you know then

1376
00:53:01,109 --> 00:52:59,599
abortion would be a sacrament yeah right

1377
00:53:02,790 --> 00:53:01,119
that's probably true

1378
00:53:04,710 --> 00:53:02,800
well you know and and it but i think

1379
00:53:05,750 --> 00:53:04,720
when it comes to family and child

1380
00:53:08,710 --> 00:53:05,760
rearing

1381
00:53:12,470 --> 00:53:08,720
you know because they don't do that job

1382
00:53:17,270 --> 00:53:14,790
they just push it away you know and they

1383
00:53:18,870 --> 00:53:17,280
just step outside that role

1384
00:53:21,510 --> 00:53:18,880
i want to i want to say one more thing

1385
00:53:23,109 --> 00:53:21,520
that was interesting to me when i when i

1386
00:53:24,549 --> 00:53:23,119
started writing this book i was going to

1387
00:53:25,829 --> 00:53:24,559
do some research

1388
00:53:29,510 --> 00:53:25,839

so i

1389

00:53:31,270 --> 00:53:29,520
sent out an email to 53

1390

00:53:33,510 --> 00:53:31,280
fathers that i knew

1391

00:53:35,990 --> 00:53:33,520
and i said if you're interested in

1392

00:53:38,470 --> 00:53:36,000
helping me

1393

00:53:40,230 --> 00:53:38,480
answer these three questions and send me

1394

00:53:43,030 --> 00:53:40,240
your responses email me back your

1395

00:53:46,069 --> 00:53:43,040
responses the three questions were

1396

00:53:47,990 --> 00:53:46,079
uh what did you do as a father

1397

00:53:49,670 --> 00:53:48,000
when your kids were young that you

1398

00:53:50,549 --> 00:53:49,680
really are proud of and you think really

1399

00:53:54,230 --> 00:53:50,559
worked

1400

00:53:58,309 --> 00:53:56,069
are you there yeah i just dropped

1401
00:53:59,270 --> 00:53:58,319
something okay and then the second

1402
00:54:02,309 --> 00:53:59,280
question

1403
00:54:04,309 --> 00:54:02,319
was and what did you do that didn't work

1404
00:54:06,790 --> 00:54:04,319
but as you look at it now you say well

1405
00:54:08,870 --> 00:54:06,800
that that one didn't work as well

1406
00:54:10,390 --> 00:54:08,880
and then the third question was if you

1407
00:54:11,990 --> 00:54:10,400
had to do over again

1408
00:54:13,990 --> 00:54:12,000
if you had a mulligan

1409
00:54:15,510 --> 00:54:14,000
what would you do differently

1410
00:54:17,510 --> 00:54:15,520
and so i sent these out i thought they

1411
00:54:19,349 --> 00:54:17,520
would be pretty easy for

1412
00:54:21,670 --> 00:54:19,359
fathers to answer

1413
00:54:25,030 --> 00:54:21,680

and out of the 53 they all said yes they

1414

00:54:27,190 --> 00:54:25,040

would fill out the questions only seven

1415

00:54:28,950 --> 00:54:27,200

of them were capable of filling them out

1416

00:54:30,309 --> 00:54:28,960

and sending them back

1417

00:54:31,430 --> 00:54:30,319

so i started following up with some of

1418

00:54:33,270 --> 00:54:31,440

these people actually some of them

1419

00:54:34,950 --> 00:54:33,280

followed up with me

1420

00:54:36,549 --> 00:54:34,960

i sent them a second email saying i

1421

00:54:38,470 --> 00:54:36,559

haven't gotten your response yet what's

1422

00:54:40,790 --> 00:54:38,480

going on i got a phone call from a

1423

00:54:42,870 --> 00:54:40,800

couple of them one one father was in

1424

00:54:45,270 --> 00:54:42,880

tears he was sobbing

1425

00:54:47,829 --> 00:54:45,280

he said this has brought up so much for

1426

00:54:51,109 --> 00:54:47,839

me i can't i can't answer your questions

1427

00:54:53,270 --> 00:54:51,119

i just can't do it i feel so much guilt

1428

00:54:55,829 --> 00:54:53,280

and shame about what i didn't do and

1429

00:54:58,470 --> 00:54:55,839

what i should have done

1430

00:54:59,990 --> 00:54:58,480

that i can't do it so only seven of the

1431

00:55:02,630 --> 00:55:00,000

53

1432

00:55:04,790 --> 00:55:02,640

who agreed to do it were able to

1433

00:55:07,270 --> 00:55:04,800

fil to fill out those questions and send

1434

00:55:09,270 --> 00:55:07,280

them back to me i was amazed at that

1435

00:55:11,750 --> 00:55:09,280

which showed to me how many fathers are

1436

00:55:14,549 --> 00:55:11,760

carrying around a lot of guilt and shame

1437

00:55:17,109 --> 00:55:14,559

about not doing a good job of raising

1438

00:55:17,990 --> 00:55:17,119

their kids and i'm saying to fathers

1439

00:55:19,829 --> 00:55:18,000

please

1440

00:55:22,069 --> 00:55:19,839

forgive yourself don't

1441

00:55:24,549 --> 00:55:22,079

nobody's perfect at this you have to

1442

00:55:26,870 --> 00:55:24,559

give your cut yourself some slack as i

1443

00:55:28,150 --> 00:55:26,880

said earlier if you don't your kids are

1444

00:55:29,670 --> 00:55:28,160

going to have more of a relationship

1445

00:55:31,109 --> 00:55:29,680

with your guilt and shame than they will

1446

00:55:33,270 --> 00:55:31,119

with you

1447

00:55:35,750 --> 00:55:33,280

and do you want that no most fathers

1448

00:55:37,270 --> 00:55:35,760

don't no i mean i think they want the

1449

00:55:39,030 --> 00:55:37,280

best for their children even though they

1450

00:55:41,030 --> 00:55:39,040

don't know how to provide it yeah they

1451

00:55:44,390 --> 00:55:41,040

do

1452

00:55:46,549 --> 00:55:44,400

okay well we're running out of actually

1453

00:55:49,750 --> 00:55:46,559

we're pretty much out of time do you

1454

00:55:52,870 --> 00:55:49,760

have any closing comments that you would

1455

00:55:55,670 --> 00:55:52,880

make to encourage our

1456

00:55:58,710 --> 00:55:55,680

are male listeners are potentially new

1457

00:56:00,950 --> 00:55:58,720

male mothers into taking the next step

1458

00:56:03,030 --> 00:56:00,960

in working on themselves

1459

00:56:04,309 --> 00:56:03,040

well i think the young

1460

00:56:06,950 --> 00:56:04,319

males

1461

00:56:09,190 --> 00:56:06,960

and most of them have gotten it they

1462

00:56:11,109 --> 00:56:09,200

know that this is important and they're

1463

00:56:13,510 --> 00:56:11,119

taking steps to

1464

00:56:15,750 --> 00:56:13,520

try to be equal parents obviously

1465

00:56:18,230 --> 00:56:15,760

sometimes because they have they grew up

1466

00:56:20,230 --> 00:56:18,240

in a society that didn't emphasize

1467

00:56:21,349 --> 00:56:20,240

learning these male mother skills

1468

00:56:24,230 --> 00:56:21,359

they're going to have some skills to

1469

00:56:25,109 --> 00:56:24,240

learn it's like learning any new job

1470

00:56:27,270 --> 00:56:25,119

so

1471

00:56:28,630 --> 00:56:27,280

the book provides that information for

1472

00:56:30,470 --> 00:56:28,640

them here are the skills you need to

1473

00:56:32,390 --> 00:56:30,480

learn and here's how to learn them

1474

00:56:34,309 --> 00:56:32,400

the second thing is

1475

00:56:35,190 --> 00:56:34,319

even if your children are older it's

1476

00:56:37,030 --> 00:56:35,200

never

1477

00:56:40,069 --> 00:56:37,040

too late to provide

1478

00:56:42,630 --> 00:56:40,079

this support for them i mean as an

1479

00:56:45,750 --> 00:56:42,640

a grandfather now i'm still giving

1480

00:56:49,510 --> 00:56:45,760

support to my kids and my grandkids that

1481

00:56:53,349 --> 00:56:49,520

are that use my male mother skills so it

1482

00:56:55,829 --> 00:56:53,359

you're you're never going to be uh

1483

00:56:56,549 --> 00:56:55,839

anything but a father

1484

00:57:00,150 --> 00:56:56,559

if

1485

00:57:02,150 --> 00:57:00,160

always going to be a father no matter

1486

00:57:05,270 --> 00:57:02,160

how old your your children are and

1487

00:57:07,589 --> 00:57:05,280

there's always opportunities at any age

1488

00:57:09,670 --> 00:57:07,599

to provide them with the support they

1489

00:57:11,670 --> 00:57:09,680

need to develop the things that they

1490

00:57:13,910 --> 00:57:11,680

didn't maybe learn early on because you

1491

00:57:14,950 --> 00:57:13,920

didn't have the skills

1492

00:57:16,549 --> 00:57:14,960

excellent

1493

00:57:18,549 --> 00:57:16,559

and if somebody wants to get a copy of

1494

00:57:20,710 --> 00:57:18,559

your book the male mother the missing

1495

00:57:22,950 --> 00:57:20,720

skill set for fathers

1496

00:57:25,589 --> 00:57:22,960

well it's available at amazon in two

1497

00:57:27,670 --> 00:57:25,599

forms it's available as an e-book

1498

00:57:29,030 --> 00:57:27,680

for almost nothing i think it's four

1499

00:57:31,109 --> 00:57:29,040

dollars

1500

00:57:33,270 --> 00:57:31,119

and and then it's also available as a

1501
00:57:34,789 --> 00:57:33,280
print-on-demand book from amazon from

1502
00:57:36,309 --> 00:57:34,799
createspace

1503
00:57:37,750 --> 00:57:36,319
uh and it's a little bit more i think

1504
00:57:39,270 --> 00:57:37,760
it's 15

1505
00:57:41,829 --> 00:57:39,280
so if you want a book in your hand you

1506
00:57:43,270 --> 00:57:41,839
pay 15 if you can if you have a kindle

1507
00:57:46,069 --> 00:57:43,280
or a

1508
00:57:47,670 --> 00:57:46,079
device where you can do a an e-book

1509
00:57:48,950 --> 00:57:47,680
you can buy it for a lot less and read

1510
00:57:49,750 --> 00:57:48,960
it there

1511
00:57:52,150 --> 00:57:49,760
but

1512
00:57:54,150 --> 00:57:52,160
i encourage you if you're a young father

1513
00:57:56,470 --> 00:57:54,160

or if you're a grandfather or a father

1514

00:57:58,230 --> 00:57:56,480

of children of any age that you can

1515

00:58:00,230 --> 00:57:58,240

learn something from this that will help

1516

00:58:02,950 --> 00:58:00,240

your your children

1517

00:58:04,870 --> 00:58:02,960

excellent barry wonderful conversation

1518

00:58:05,829 --> 00:58:04,880

thank you so much for coming on well

1519

00:58:08,230 --> 00:58:05,839

again

1520

00:58:10,789 --> 00:58:08,240

yeah well thank you i and actually this

1521

00:58:12,950 --> 00:58:10,799

is the first book of a series of four

1522

00:58:14,789 --> 00:58:12,960

so i might ask you to come on again when

1523

00:58:16,549 --> 00:58:14,799

i start talking about the other books

1524

00:58:19,190 --> 00:58:16,559

well you know i love talking to you it's

1525

00:58:21,349 --> 00:58:19,200

always a great conversation so

1526

00:58:24,789 --> 00:58:21,359

and everybody learned something the male

1527

00:58:27,510 --> 00:58:24,799

mother huh who'd have thought yeah

1528

00:58:29,190 --> 00:58:27,520

well actually i i actually that title is

1529

00:58:31,349 --> 00:58:29,200

a bit provocative and i kept it there

1530

00:58:35,190 --> 00:58:31,359

for that reason i think it would create

1531

00:58:37,349 --> 00:58:35,200

some interest and and curiosity so i

1532

00:58:39,190 --> 00:58:37,359

hope i think it works

1533

00:58:41,109 --> 00:58:39,200

all right barry i need to let you go

1534

00:58:42,390 --> 00:58:41,119

because the music is going to be coming

1535

00:58:45,190 --> 00:58:42,400

up okay

1536

00:58:47,750 --> 00:58:45,200

thank you again all right thank you all

1537

00:58:49,829 --> 00:58:47,760

right bye barry bye-bye rita that's

1538

00:58:52,710 --> 00:58:49,839

barry weinhold his book is the male

1539

00:58:55,190 --> 00:58:52,720

mother the missing skill set for fathers

1540

00:59:04,069 --> 00:58:55,200

and we'll be back after these words from

1541

00:59:08,309 --> 00:59:06,549

just energy radio with your host dr reed

1542

00:59:21,510 --> 00:59:08,319

louise will return right after these

1543

00:59:27,990 --> 00:59:24,069

you're listening to irn

1544

00:59:36,309 --> 00:59:28,000

the inception radio network chicago

1545

00:59:40,630 --> 00:59:37,990

are you looking for a cure for boredom

1546

00:59:42,870 --> 00:59:40,640

never worry irn's new interactive

1547

00:59:44,309 --> 00:59:42,880

website introduces a number of ways to

1548

00:59:45,750 --> 00:59:44,319

pass time while you listen to your

1549

00:59:48,470 --> 00:59:45,760

favorite show

1550

00:59:51,190 --> 00:59:48,480

choose anything from the irn chat lounge

1551
00:59:53,750 --> 00:59:51,200
the game lounge video lounge or the mood

1552
00:59:55,430 --> 00:59:53,760
lounge these fun exciting features let

1553
00:59:57,829 --> 00:59:55,440
you chat in real time with fellow

1554
01:00:00,549 --> 00:59:57,839
listeners view live sky watches play

1555
01:00:02,710 --> 01:00:00,559
daily posted online beans or pick a show

1556
01:00:04,470 --> 01:00:02,720
based on topic the choices are endless

1557
01:00:06,549 --> 01:00:04,480
use your time wisely

1558
01:00:08,630 --> 01:00:06,559
keeping it all on irrn

1559
01:00:10,870 --> 01:00:08,640
who are the gods of antiquity they've

1560
01:00:13,109 --> 01:00:10,880
been described as the forces of nature

1561
01:00:15,430 --> 01:00:13,119
levels of consciousness and aspects of

1562
01:00:17,829 --> 01:00:15,440
our psyche stories that depict their

1563
01:00:19,510 --> 01:00:17,839

incredible weapons their flying machines

1564

01:00:21,430 --> 01:00:19,520

and their amazing adventures are

1565

01:00:24,390 --> 01:00:21,440

characterized as being the product of

1566

01:00:27,190 --> 01:00:24,400

our ancestors fanciful imaginations

1567

01:00:29,270 --> 01:00:27,200

but what if the tales of gods are true

1568

01:00:31,670 --> 01:00:29,280

did the writers chroniclers and scribes

1569

01:00:33,910 --> 01:00:31,680

of our distant past actually document a

1570

01:00:35,910 --> 01:00:33,920

realistic view of our origin

1571

01:00:37,990 --> 01:00:35,920

my latest book man-made the chronicles

1572

01:00:40,309 --> 01:00:38,000

of our extraterrestrial gods looks at

1573

01:00:42,950 --> 01:00:40,319

our most ancient legends learn of the

1574

01:00:44,950 --> 01:00:42,960

torrid romance's elaborate plots violent

1575

01:00:46,390 --> 01:00:44,960

scandals and conspiracies that played

1576

01:00:48,470 --> 01:00:46,400

out in antiquity

1577

01:00:50,870 --> 01:00:48,480

find out the role the gods played in the

1578

01:00:52,630 --> 01:00:50,880

life and culture we have today

1579

01:00:55,109 --> 01:00:52,640

if you want to find out the truth of who

1580

01:00:57,430 --> 01:00:55,119

we are and where we come from order your

1581

01:00:58,710 --> 01:00:57,440

copy of man-made today for more

1582

01:01:02,789 --> 01:00:58,720

information go to

1583

01:01:02,799 --> 01:01:08,549

that's www.manmadethechronicles.com

1584

01:01:13,510 --> 01:01:11,030

hello inception radio network listeners

1585

01:01:15,910 --> 01:01:13,520

this is amanda remember you can take

1586

01:01:17,589 --> 01:01:15,920

your inception radio shows on the go

1587

01:01:20,549 --> 01:01:17,599

just download the inception radio

1588

01:01:22,710 --> 01:01:20,559

network app for your iphone ipad or

1589

01:01:25,190 --> 01:01:22,720

android smartphones and access

1590

01:01:27,670 --> 01:01:25,200

live shows past shows guest lineups and

1591

01:01:29,589 --> 01:01:27,680

much more just visit the itunes store or

1592

01:01:36,549 --> 01:01:29,599

the google play marketplace and download

1593

01:01:40,470 --> 01:01:38,470

move past the crossroads in your life

1594

01:01:43,270 --> 01:01:40,480

and discover alternative solutions to

1595

01:01:45,190 --> 01:01:43,280

your deepest concerns at soulhealer.com

1596

01:01:47,349 --> 01:01:45,200

so whether it's a physical problem an

1597

01:01:49,270 --> 01:01:47,359

emotional issue a question about work or

1598

01:01:51,910 --> 01:01:49,280

troubles in your relationships

1599

01:01:54,789 --> 01:01:51,920

naturopath and medical intuitive dr rita

1600

01:01:57,430 --> 01:01:54,799

louise can help you bring peace harmony

1601
01:02:00,150 --> 01:01:57,440
and health back into your life schedule

1602
01:02:01,829 --> 01:02:00,160
a session today visit soulhealer.com

1603
01:02:03,510 --> 01:02:01,839
right away and live the life you've been

1604
01:02:04,710 --> 01:02:03,520
dreaming

1605
01:02:06,710 --> 01:02:04,720
you didn't forget what's coming up

1606
01:02:08,950 --> 01:02:06,720
tonight did you hi inception radio

1607
01:02:10,309 --> 01:02:08,960
network listeners this is amanda never

1608
01:02:11,990 --> 01:02:10,319
miss that interview you were looking

1609
01:02:15,670 --> 01:02:12,000
forward to or the show on your favorite

1610
01:02:18,069 --> 01:02:15,680
topic follow irn on twitter i underscore

1611
01:02:20,150 --> 01:02:18,079
our underscore n and get reminders about

1612
01:02:21,670 --> 01:02:20,160
the evening's live shows as well as fun

1613
01:02:24,789 --> 01:02:21,680

and important updates throughout the

1614

01:02:34,309 --> 01:02:24,799

week that's i underscore our underscore

1615

01:02:37,750 --> 01:02:35,990

we only have a couple of seconds before

1616

01:02:39,750 --> 01:02:37,760

we have to get back to the show and i

1617

01:02:42,630 --> 01:02:39,760

want to tell you how you can jumpstart

1618

01:02:45,349 --> 01:02:42,640

your intuition today using my free

1619

01:02:47,109 --> 01:02:45,359

50-page introductory guide filled with

1620

01:02:49,670 --> 01:02:47,119

simple revolutionary and proven

1621

01:02:51,990 --> 01:02:49,680

techniques you can ignite your intuition

1622

01:02:54,870 --> 01:02:52,000

and tap into your inner wisdom all from

1623

01:02:57,030 --> 01:02:54,880

the comfort of your own home

1624

01:02:59,109 --> 01:02:57,040

the institute of applied energetics is

1625

01:03:00,870 --> 01:02:59,119

the leader in online home study

1626

01:03:03,589 --> 01:03:00,880

instruction for those interested in

1627

01:03:06,069 --> 01:03:03,599

becoming a certified medical intuitive

1628

01:03:07,670 --> 01:03:06,079

intuitive counselor or energy medicine

1629

01:03:09,829 --> 01:03:07,680

practitioner

1630

01:03:12,630 --> 01:03:09,839

now is the time to transform your life

1631

01:03:15,430 --> 01:03:12,640

and take it to a completely new level

1632

01:03:17,670 --> 01:03:15,440

discover who you are and how you work

1633

01:03:19,670 --> 01:03:17,680

open the door to the world of intuition

1634

01:03:21,670 --> 01:03:19,680

health and healing

1635

01:03:26,190 --> 01:03:21,680

you can jump start your intuition right

1636

01:03:30,390 --> 01:03:27,430

www.appliedenergeticsinstitute.com and

1637

01:03:32,470 --> 01:03:30,400

downloading our free guide get the

1638

01:03:34,549 --> 01:03:32,480

opportunity of a lifetime and live the

1639

01:03:36,309 --> 01:03:34,559

life you deserve

1640

01:03:37,990 --> 01:03:36,319

download your free jumpstart your

1641

01:03:42,309 --> 01:03:38,000

intuition guide today at

1642

01:03:52,950 --> 01:03:44,230

and begin living a life filled with

1643

01:03:56,710 --> 01:03:54,870

don't have a computer is your internet

1644

01:03:58,390 --> 01:03:56,720

connection down don't worry use your

1645

01:04:00,990 --> 01:03:58,400

trusty cell phone or landline and call

1646

01:04:03,109 --> 01:04:01,000

into our listing line at 401

1647

01:04:05,670 --> 01:04:03,119

283-6700 to listen to the inception

1648

01:04:09,750 --> 01:04:05,680

radio network 24 7. again that call-in

1649

01:04:09,760 --> 01:04:15,589

for the inception radio network i am mj

1650

01:04:20,230 --> 01:04:18,150

go deep inside yourself and venture into

1651
01:04:22,710 --> 01:04:20,240
the realm of the unconscious mind with

1652
01:04:25,430 --> 01:04:22,720
my meditating on the kabbalah guided

1653
01:04:27,430 --> 01:04:25,440
imagery audio cds

1654
01:04:28,789 --> 01:04:27,440
discover who you are and what you want

1655
01:04:30,710 --> 01:04:28,799
in life

1656
01:04:33,510 --> 01:04:30,720
meditating on the kabbalah can help you

1657
01:04:36,630 --> 01:04:33,520
to open clear and revitalize the

1658
01:04:38,470 --> 01:04:36,640
energetic pathways of your subtle being

1659
01:04:40,549 --> 01:04:38,480
they will support you in your spiritual

1660
01:04:43,190 --> 01:04:40,559
quest by helping you to access the

1661
01:04:45,670 --> 01:04:43,200
profound insights and inner guidance you

1662
01:04:47,349 --> 01:04:45,680
need as you work in alignment with your

1663
01:04:49,270 --> 01:04:47,359

highest good

1664

01:04:52,069 --> 01:04:49,280

let them help you to release negative

1665

01:04:54,150 --> 01:04:52,079

thoughts and emotions and clear away any

1666

01:04:57,349 --> 01:04:54,160

limitations that may be keeping you from

1667

01:04:59,990 --> 01:04:57,359

experiencing your full potential

1668

01:05:02,390 --> 01:05:00,000

walk down the path to health healing

1669

01:05:05,109 --> 01:05:02,400

understanding and enlightenment with

1670

01:05:09,430 --> 01:05:05,119

meditating on the kabbalah order your

1671

01:05:09,440 --> 01:05:22,069

that's right that's www.soulhealer.com

1672

01:05:26,390 --> 01:05:24,630

hello inception radio network would you

1673

01:05:28,789 --> 01:05:26,400

like your favorite show to be played

1674

01:05:31,349 --> 01:05:28,799

again live on air well now the choice is

1675

01:05:33,270 --> 01:05:31,359

in your hands with irn's live request

1676

01:05:35,670 --> 01:05:33,280

portal an easy way to request your

1677

01:05:37,990 --> 01:05:35,680

favorite show with a simple click

1678

01:05:40,789 --> 01:05:38,000

irn's live request portal now gives you

1679

01:05:43,349 --> 01:05:40,799

exclusive access to all the shows how

1680

01:05:45,829 --> 01:05:43,359

easy is it simply type a show name or a

1681

01:05:48,470 --> 01:05:45,839

guest name click request even write a

1682

01:05:50,270 --> 01:05:48,480

dedication message and that's it try it

1683

01:05:51,910 --> 01:05:50,280

now simply visit

1684

01:05:54,950 --> 01:05:51,920

inceptionradionetwork.com click on the

1685

01:05:56,710 --> 01:05:54,960

live request tab under the show menu

1686

01:06:06,069 --> 01:05:56,720

now playing your favorite show is just a

1687

01:06:14,630 --> 01:06:08,870

and now back to just energy radio with

1688

01:06:18,549 --> 01:06:16,549

hello and welcome back to just energy

1689

01:06:20,230 --> 01:06:18,559

radio i'm your host dr rita louise and

1690

01:06:22,150 --> 01:06:20,240

thank you all for staying tuned to the

1691

01:06:24,230 --> 01:06:22,160

second hour of the show

1692

01:06:26,630 --> 01:06:24,240

oh my god you know you have those

1693

01:06:29,190 --> 01:06:26,640

moments where you get to hang out or

1694

01:06:32,150 --> 01:06:29,200

interact with just spectacular people in

1695

01:06:33,430 --> 01:06:32,160

this hour you're going to hang out and

1696

01:06:36,150 --> 01:06:33,440

visit with

1697

01:06:39,349 --> 01:06:36,160

the famous eric von danigan and we're

1698

01:06:41,589 --> 01:06:39,359

going to pick his brain and find out

1699

01:06:44,470 --> 01:06:41,599

everything he knows about

1700

01:06:46,510 --> 01:06:44,480

ancient aliens and extraterrestrials

1701

01:06:48,470 --> 01:06:46,520

just energy radio is brought to you by

1702

01:06:49,910 --> 01:06:48,480

soulhealer.com and the institute of

1703

01:06:55,270 --> 01:06:49,920

applied energetics that's

1704

01:06:58,950 --> 01:06:57,109

let me tell you a little bit about eric

1705

01:07:02,230 --> 01:06:58,960

and get them on the air

1706

01:07:04,549 --> 01:07:02,240

for over 45 years eric von daniken has

1707

01:07:06,349 --> 01:07:04,559

pursued the theory which postulates that

1708

01:07:09,270 --> 01:07:06,359

the earth has been visited by

1709

01:07:11,430 --> 01:07:09,280

extraterrestrials in the remote past

1710

01:07:13,670 --> 01:07:11,440

eric the world's most successful

1711

01:07:16,549 --> 01:07:13,680

non-fiction writer of all time has

1712

01:07:19,190 --> 01:07:16,559

written 55 books and e-media on the

1713

01:07:20,390 --> 01:07:19,200

topic and has sold over 65 million

1714

01:07:23,190 --> 01:07:20,400

copies

1715

01:07:25,990 --> 01:07:23,200

worldwide a man who probably doesn't

1716

01:07:28,470 --> 01:07:26,000

need an introduction on this show his

1717

01:07:31,670 --> 01:07:28,480

web page is danican.com

1718

01:07:33,430 --> 01:07:31,680

please welcome eric vondanigan hey eric

1719

01:07:35,990 --> 01:07:33,440

how are you

1720

01:07:39,029 --> 01:07:36,000

well i'm sitting in switzerland it's

1721

01:07:42,470 --> 01:07:39,039

blue sky the mountains are full with

1722

01:07:44,710 --> 01:07:42,480

white snow it's very spectacular

1723

01:07:47,190 --> 01:07:44,720

well that just sounds wonderful i'm

1724

01:07:51,109 --> 01:07:47,200

sitting here in texas and we have blue

1725

01:07:53,750 --> 01:07:51,119

skies no snow thank god

1726

01:07:58,549 --> 01:07:56,470

eric you are the godfather of the

1727

01:08:01,109 --> 01:07:58,559

ancient alien theory

1728

01:08:03,270 --> 01:08:01,119

and and my question to you is not about

1729

01:08:06,069 --> 01:08:03,280

the theory but what

1730

01:08:08,710 --> 01:08:06,079

made you first suspect

1731

01:08:11,349 --> 01:08:08,720

that just had that inkling

1732

01:08:14,150 --> 01:08:11,359

that the gods of the bible or or the

1733

01:08:16,870 --> 01:08:14,160

gods that we worship and pray to

1734

01:08:18,950 --> 01:08:16,880

were not omnipotent beings

1735

01:08:22,470 --> 01:08:18,960

like we've been taught to believe

1736

01:08:25,749 --> 01:08:22,480

but instead were extraterrestrials

1737

01:08:28,309 --> 01:08:25,759

well it's a long long time ago you see i

1738

01:08:29,590 --> 01:08:28,319

was educated in switzerland as a strict

1739

01:08:32,470 --> 01:08:29,600

catholic

1740

01:08:35,669 --> 01:08:32,480

and for six years i was in a boarding

1741

01:08:38,789 --> 01:08:35,679

school in switzerland led by jesuits so

1742

01:08:42,390 --> 01:08:38,799

i was a boy with 16 years and i was a

1743

01:08:44,789 --> 01:08:42,400

deep deep believer in the concept of god

1744

01:08:47,590 --> 01:08:44,799

by the way i still believe in god also i

1745

01:08:51,669 --> 01:08:47,600

cannot explain it so at that time when i

1746

01:08:52,709 --> 01:08:51,679

was a boy i said to myself

1747

01:08:56,309 --> 01:08:52,719

some

1748

01:08:58,070 --> 01:08:56,319

minimum qualities for example god would

1749

01:09:01,590 --> 01:08:58,080

never make a mistake

1750

01:09:03,430 --> 01:09:01,600

or god is out of time he would not need

1751

01:09:06,070 --> 01:09:03,440

to make an experience and then he has to

1752

01:09:09,430 --> 01:09:06,080

read what the result is what the outcome

1753

01:09:12,470 --> 01:09:09,440

is or god of course would never need a

1754

01:09:14,789 --> 01:09:12,480

vehicle to to move from point a to point

1755

01:09:16,149 --> 01:09:14,799

b god is all over

1756

01:09:18,950 --> 01:09:16,159

so in this

1757

01:09:21,349 --> 01:09:18,960

boring school we had to translate parts

1758

01:09:24,309 --> 01:09:21,359

of the bible from latin to greeks and

1759

01:09:27,269 --> 01:09:24,319

from greek to german and there i learned

1760

01:09:30,950 --> 01:09:27,279

that the god of the old testament had

1761

01:09:33,990 --> 01:09:30,960

none of these minimum qualities god made

1762

01:09:35,990 --> 01:09:34,000

mistakes he used vehicles he made

1763

01:09:38,309 --> 01:09:36,000

experiences and he didn't know the

1764

01:09:41,349 --> 01:09:38,319

result in advance so i was simply

1765

01:09:44,550 --> 01:09:41,359

shocked and i had doubts in my own

1766

01:09:47,590 --> 01:09:44,560

religious education and i wanted to find

1767

01:09:50,390 --> 01:09:47,600

out if other communities in antiquity

1768

01:09:51,669 --> 01:09:50,400

have similar stories of flying beings

1769

01:09:54,390 --> 01:09:51,679

descending

1770

01:09:57,510 --> 01:09:54,400

from the clouds with smoke fire loud

1771

01:10:00,390 --> 01:09:57,520

mouse noise trembling at all that was

1772

01:10:03,750 --> 01:10:00,400

the beginning of everything and it all

1773

01:10:06,790 --> 01:10:03,760

ended with the book chariots of the gods

1774

01:10:09,270 --> 01:10:06,800

what made you make the connection you

1775

01:10:11,030 --> 01:10:09,280

know connect the dots between

1776

01:10:14,149 --> 01:10:11,040

these characters that you were reading

1777

01:10:14,950 --> 01:10:14,159

about in the bible and other mythology

1778

01:10:17,030 --> 01:10:14,960

or

1779

01:10:20,390 --> 01:10:17,040

philosophical systems and

1780

01:10:21,990 --> 01:10:20,400

extraterrestrials because i would think

1781

01:10:24,149 --> 01:10:22,000

back in that day

1782

01:10:27,590 --> 01:10:24,159

you know the notion of extraterrestrials

1783

01:10:30,870 --> 01:10:27,600

wasn't that i'm going to say popular

1784

01:10:33,910 --> 01:10:30,880

no it was not popular at all you see i

1785

01:10:36,870 --> 01:10:33,920

was always aware i always knew that our

1786

01:10:40,390 --> 01:10:36,880

stone age ancestors they had some

1787

01:10:43,350 --> 01:10:40,400

natural religions for example our stone

1788

01:10:44,709 --> 01:10:43,360

age people some 10 000 years ago they

1789

01:10:47,189 --> 01:10:44,719

did not know

1790

01:10:49,830 --> 01:10:47,199

why the lightning flashes down from the

1791

01:10:53,189 --> 01:10:49,840

sky they could not understand what the

1792

01:10:55,510 --> 01:10:53,199

thunder was maybe they were victims of

1793

01:10:58,390 --> 01:10:55,520

an earthquake or something so they

1794

01:11:00,870 --> 01:10:58,400

started to be afraid of nature and the

1795

01:11:03,990 --> 01:11:00,880

first religions we had on our planet

1796

01:11:07,030 --> 01:11:04,000

were definitely natural religions

1797

01:11:09,990 --> 01:11:07,040

but then of a sudden something changed

1798

01:11:12,950 --> 01:11:10,000

beings from the clouds from the sky

1799

01:11:15,270 --> 01:11:12,960

descended to the humans now how can you

1800

01:11:17,590 --> 01:11:15,280

make a difference between these beings

1801

01:11:19,510 --> 01:11:17,600

and natural religion i mean the

1802

01:11:21,590 --> 01:11:19,520

lightning is also descending from the

1803

01:11:22,709 --> 01:11:21,600

cloud or a thundering is coming from the

1804

01:11:25,910 --> 01:11:22,719

cloud

1805

01:11:27,910 --> 01:11:25,920

the difference is between the knowledge

1806

01:11:31,750 --> 01:11:27,920

you see these beings from outer space

1807

01:11:34,709 --> 01:11:31,760

these so-called gods they teach humans

1808

01:11:37,830 --> 01:11:34,719

they say to them uh loch youn go there

1809

01:11:40,390 --> 01:11:37,840

and there and if you are there

1810

01:11:43,189 --> 01:11:40,400

you will see a little light and you

1811

01:11:45,990 --> 01:11:43,199

humans you call this little light moon

1812

01:11:48,870 --> 01:11:46,000

but the moon has in reality no

1813

01:11:49,669 --> 01:11:48,880

no light the moon receives his light

1814

01:11:52,630 --> 01:11:49,679

from

1815

01:11:55,590 --> 01:11:52,640

the sun and then they explained our

1816

01:11:57,510 --> 01:11:55,600

humans the the the moon why the high

1817

01:11:59,270 --> 01:11:57,520

moon the low moon and all these things

1818

01:12:01,270 --> 01:11:59,280

are working so

1819

01:12:03,830 --> 01:12:01,280

it was information information in

1820

01:12:06,149 --> 01:12:03,840

astronomy sometimes information about

1821

01:12:09,110 --> 01:12:06,159

the date about our calendar about the

1822

01:12:12,550 --> 01:12:09,120

leak here etc and all this was not the

1823

01:12:14,790 --> 01:12:12,560

same as nature nature did not speak

1824

01:12:16,709 --> 01:12:14,800

nature did not gave scientific

1825

01:12:19,110 --> 01:12:16,719

information so if you had to make a

1826

01:12:20,790 --> 01:12:19,120

difference between the natural gods and

1827

01:12:23,430 --> 01:12:20,800

the ones from outer space

1828

01:12:25,189 --> 01:12:23,440

so that was the next link i had of

1829

01:12:28,149 --> 01:12:25,199

course in the beginning i was still very

1830

01:12:30,630 --> 01:12:28,159

young then about 19 20 years old uh all

1831

01:12:33,270 --> 01:12:30,640

my friends and eric you must be crazy

1832

01:12:35,669 --> 01:12:33,280

and in the school i was the you know the

1833

01:12:37,750 --> 01:12:35,679

the partners the teachers they were all

1834

01:12:40,229 --> 01:12:37,760

professors i talked to them very

1835

01:12:42,310 --> 01:12:40,239

friendly how what about this and they

1836

01:12:44,310 --> 01:12:42,320

just said eric you must read more and

1837

01:12:46,630 --> 01:12:44,320

more in the bible and more and more of

1838

01:12:49,110 --> 01:12:46,640

our holy books then you will understand

1839

01:12:51,110 --> 01:12:49,120

and i read and read and read and my

1840

01:12:55,270 --> 01:12:51,120

understanding have more and more

1841

01:12:59,430 --> 01:12:57,350

but after all of that reading did you

1842

01:13:02,550 --> 01:12:59,440

find that your

1843

01:13:04,870 --> 01:13:02,560

belief in um the gods being

1844

01:13:06,870 --> 01:13:04,880

extraterrestrials

1845

01:13:09,669 --> 01:13:06,880

increase or

1846

01:13:11,990 --> 01:13:09,679

did it did you just get more confused

1847

01:13:14,470 --> 01:13:12,000

no no it definitely increased

1848

01:13:16,550 --> 01:13:14,480

of course i made some mistakes you know

1849

01:13:17,669 --> 01:13:16,560

when you are a young man by the way at

1850

01:13:20,630 --> 01:13:17,679

that time

1851

01:13:22,950 --> 01:13:20,640

i came from the family of hotel business

1852

01:13:26,310 --> 01:13:22,960

my mother and my father they were owner

1853

01:13:28,790 --> 01:13:26,320

of a hotel so after my hike school i

1854

01:13:31,750 --> 01:13:28,800

first went into the hotel business there

1855

01:13:33,510 --> 01:13:31,760

were times when i was simply a waiter i

1856

01:13:36,870 --> 01:13:33,520

was a cook i was sitting at the

1857

01:13:38,790 --> 01:13:36,880

reception desk i was in the hotel school

1858

01:13:41,430 --> 01:13:38,800

for two and a half years and when i

1859

01:13:43,430 --> 01:13:41,440

wrote chariots of the guards i was the

1860

01:13:45,990 --> 01:13:43,440

managing director of a first-class hotel

1861

01:13:49,510 --> 01:13:46,000

in switzerland so i had to work at the

1862

01:13:51,830 --> 01:13:49,520

same time to make money so of course my

1863

01:13:52,870 --> 01:13:51,840

belief in the extraterrestrial growth

1864

01:13:55,590 --> 01:13:52,880

they

1865

01:13:57,910 --> 01:13:55,600

were stem stronger and stronger all

1866

01:13:59,590 --> 01:13:57,920

through i made some mistakes

1867

01:14:02,229 --> 01:13:59,600

when you are young you are not

1868

01:14:04,950 --> 01:14:02,239

self-critical enough you believe

1869

01:14:05,750 --> 01:14:04,960

everything what someone says

1870

01:14:08,229 --> 01:14:05,760

and

1871

01:14:10,070 --> 01:14:08,239

you know you always want to have right

1872

01:14:12,630 --> 01:14:10,080

so in chariots of the gods there are a

1873

01:14:15,270 --> 01:14:12,640

few mistakes which i was criticized for

1874

01:14:18,470 --> 01:14:15,280

that's that's okay but later you learn

1875

01:14:21,350 --> 01:14:18,480

and learn and learn and you try do not

1876
01:14:23,590 --> 01:14:21,360
make the same mistakes a second time

1877
01:14:26,070 --> 01:14:23,600
whether you're young or old it seems

1878
01:14:29,270 --> 01:14:26,080
like you gather the information you

1879
01:14:31,030 --> 01:14:29,280
synthesize it the best you can and you

1880
01:14:32,709 --> 01:14:31,040
present it

1881
01:14:35,270 --> 01:14:32,719
you know as as

1882
01:14:38,149 --> 01:14:35,280
best you can with the best meaning that

1883
01:14:39,669 --> 01:14:38,159
you can and you know are you 100 correct

1884
01:14:40,830 --> 01:14:39,679
all of the time

1885
01:14:42,390 --> 01:14:40,840
no not

1886
01:14:44,390 --> 01:14:42,400
necessarily

1887
01:14:45,750 --> 01:14:44,400
yeah we are all making mistakes of

1888
01:14:48,070 --> 01:14:45,760

course

1889

01:14:50,790 --> 01:14:48,080

but the belief in the meantime it's not

1890

01:14:53,270 --> 01:14:50,800

a belief anymore i have too many

1891

01:14:56,790 --> 01:14:53,280

indications i would even say too many

1892

01:14:59,189 --> 01:14:56,800

proofs which clearly show this planet

1893

01:15:01,430 --> 01:14:59,199

was visited by beings from outer space

1894

01:15:04,790 --> 01:15:01,440

and before these beings left they

1895

01:15:07,830 --> 01:15:04,800

promised to our ancestors to return when

1896

01:15:10,550 --> 01:15:07,840

they again back to earth that's why in

1897

01:15:12,709 --> 01:15:10,560

every religion still today in every

1898

01:15:16,149 --> 01:15:12,719

living religion we all have the

1899

01:15:18,229 --> 01:15:16,159

expectation of the return of some gods

1900

01:15:20,950 --> 01:15:18,239

we christians we believe that jesus will

1901

01:15:24,229 --> 01:15:20,960

return one day but the muslim society

1902

01:15:26,229 --> 01:15:24,239

believes that mahadi will return one day

1903

01:15:28,550 --> 01:15:26,239

as we know the buddhistic society

1904

01:15:30,870 --> 01:15:28,560

expects the returning of buddha or the

1905

01:15:33,910 --> 01:15:30,880

great jewish community they wait for the

1906

01:15:37,430 --> 01:15:33,920

return of their messiah so this promise

1907

01:15:38,390 --> 01:15:37,440

of return is very very old and i am

1908

01:15:41,750 --> 01:15:38,400

afraid

1909

01:15:43,350 --> 01:15:41,760

not every religion can be right some of

1910

01:15:46,870 --> 01:15:43,360

them must be wrong

1911

01:15:47,750 --> 01:15:46,880

so what what happens if they all are

1912

01:15:49,590 --> 01:15:47,760

wrong

1913

01:15:52,870 --> 01:15:49,600

somebody will return

1914

01:15:54,709 --> 01:15:52,880

but i guess neither messiah or jesus or

1915

01:15:57,830 --> 01:15:54,719

mahadi or buddha simply

1916

01:16:03,910 --> 01:16:00,390

i have a question for you when we look

1917

01:16:05,910 --> 01:16:03,920

at the the stories the mythology the

1918

01:16:08,229 --> 01:16:05,920

legends that come out of cultures around

1919

01:16:11,830 --> 01:16:08,239

the world as you're suggesting

1920

01:16:14,790 --> 01:16:11,840

the return of the gods or messiah we

1921

01:16:16,950 --> 01:16:14,800

find that same storyline or

1922

01:16:19,110 --> 01:16:16,960

lots of different storylines stories of

1923

01:16:21,270 --> 01:16:19,120

the flood stories of them coming from

1924

01:16:24,229 --> 01:16:21,280

the sky

1925

01:16:26,070 --> 01:16:24,239

in each of these cultures that seem

1926

01:16:28,870 --> 01:16:26,080

isolated you know we find it in

1927

01:16:31,030 --> 01:16:28,880

australia we find it in the new world we

1928

01:16:32,229 --> 01:16:31,040

find it obviously in europe and the

1929

01:16:36,630 --> 01:16:32,239

middle east

1930

01:16:39,189 --> 01:16:36,640

any idea how these uh stories manage to

1931

01:16:42,310 --> 01:16:39,199

make it all the way around the world

1932

01:16:44,229 --> 01:16:42,320

well i make an example with christianity

1933

01:16:46,950 --> 01:16:44,239

we know that we had a

1934

01:16:48,950 --> 01:16:46,960

wonderful figure called jesus christ he

1935

01:16:50,390 --> 01:16:48,960

was living in jerusalem some two

1936

01:16:53,350 --> 01:16:50,400

thousand years ago

1937

01:16:56,390 --> 01:16:53,360

we know from the gospels that he died

1938

01:16:59,430 --> 01:16:56,400

and and etc so we know all this story

1939

01:17:01,830 --> 01:16:59,440

then a christian culture appears that

1940

01:17:05,510 --> 01:17:01,840

christian culture has constructed great

1941

01:17:08,790 --> 01:17:05,520

cathedrals wonderful churches wonderful

1942

01:17:12,550 --> 01:17:08,800

high altors wonderful music i think of

1943

01:17:15,350 --> 01:17:12,560

of sebastian bach with the orchestra etc

1944

01:17:18,950 --> 01:17:15,360

it's all a christian cultures but no

1945

01:17:23,189 --> 01:17:18,960

architect no painter no

1946

01:17:26,709 --> 01:17:23,199

artist no musicians was eyewitness at

1947

01:17:29,430 --> 01:17:26,719

the time of jesut they all just worked

1948

01:17:31,590 --> 01:17:29,440

out of touches tradition the same thing

1949

01:17:34,790 --> 01:17:31,600

happened with the extraterrestrials

1950

01:17:37,350 --> 01:17:34,800

some of our ancestors they saw these

1951

01:17:40,550 --> 01:17:37,360

extraterrestrials they had the direct

1952

01:17:43,750 --> 01:17:40,560

contact and then it turned into

1953

01:17:46,630 --> 01:17:43,760

mythology and mythology grows all over

1954

01:17:49,030 --> 01:17:46,640

the planet maybe different cultures had

1955

01:17:52,149 --> 01:17:49,040

some visits of these extraterrestrials

1956

01:17:55,510 --> 01:17:52,159

not everyone and later because of the

1957

01:17:58,709 --> 01:17:55,520

knowledge in in tradition they start to

1958

01:18:01,669 --> 01:17:58,719

make cave paintings they start to sculpt

1959

01:18:03,830 --> 01:18:01,679

of the gods into their temples and so on

1960

01:18:05,590 --> 01:18:03,840

so it is not necessary that these

1961

01:18:08,470 --> 01:18:05,600

extraterrestrials were all over the

1962

01:18:10,550 --> 01:18:08,480

world but the traditions have grown all

1963

01:18:12,630 --> 01:18:10,560

over the world like christianity like

1964

01:18:14,470 --> 01:18:12,640

every other religion

1965

01:18:17,510 --> 01:18:14,480

and the part that

1966

01:18:19,910 --> 01:18:17,520

i i would like to throw in is it sounds

1967

01:18:22,310 --> 01:18:19,920

like from your perspective the stories

1968

01:18:26,310 --> 01:18:22,320

that have come down to us

1969

01:18:29,110 --> 01:18:26,320

you believe there is a basis in fact at

1970

01:18:30,310 --> 01:18:29,120

some point time in our past

1971

01:18:32,310 --> 01:18:30,320

definitely

1972

01:18:34,470 --> 01:18:32,320

yes you see

1973

01:18:37,030 --> 01:18:34,480

these extraterrestrials they beheld

1974

01:18:38,070 --> 01:18:37,040

themselves like today's technologists

1975

01:18:40,470 --> 01:18:38,080

would do

1976

01:18:43,270 --> 01:18:40,480

they studied a few tribes they learned

1977

01:18:44,070 --> 01:18:43,280

the few language they gave a few advice

1978

01:18:46,870 --> 01:18:44,080

how

1979

01:18:49,430 --> 01:18:46,880

life could could be easier and then they

1980

01:18:52,390 --> 01:18:49,440

disappeared with the promise to return

1981

01:18:55,350 --> 01:18:52,400

in the far away future but i think

1982

01:18:58,229 --> 01:18:55,360

they just did not disappear without any

1983

01:19:01,830 --> 01:18:58,239

proof they left something behind

1984

01:19:04,310 --> 01:19:01,840

something which i call a time capsule in

1985

01:19:07,750 --> 01:19:04,320

this time capsule we would find some

1986

01:19:10,630 --> 01:19:07,760

writings in whatever form which on which

1987

01:19:12,310 --> 01:19:10,640

we are explained we were here from that

1988

01:19:15,030 --> 01:19:12,320

in that planet with that

1989

01:19:18,070 --> 01:19:15,040

technology for that that reason we found

1990

01:19:21,030 --> 01:19:18,080

that that here we talk to them etc we

1991

01:19:24,470 --> 01:19:21,040

will return but the problem is if you

1992

01:19:26,870 --> 01:19:24,480

make a deposit i call it a time capsule

1993

01:19:30,390 --> 01:19:26,880

somewhere in the earth you have to be

1994

01:19:34,870 --> 01:19:30,400

very careful that during the next 5 000

1995

01:19:38,070 --> 01:19:34,880

years this time capsule is not destroyed

1996

01:19:41,270 --> 01:19:38,080

beat by earthquakes beat by by great

1997

01:19:44,229 --> 01:19:41,280

flood beat by ants or animals or

1998

01:19:46,870 --> 01:19:44,239

whatever so how do you manage this

1999

01:19:50,070 --> 01:19:46,880

we have to think what would be a logical

2000

01:19:52,390 --> 01:19:50,080

place to look for a time capsule left

2001

01:19:54,149 --> 01:19:52,400

behind by the extraterrestrials some

2002

01:19:56,709 --> 01:19:54,159

thousands of years ago

2003

01:19:59,750 --> 01:19:56,719

one possibility is that they left for

2004

01:20:01,830 --> 01:19:59,760

example a simple satellite a satellite

2005

01:20:02,950 --> 01:20:01,840

surrounding the earth not bigger than a

2006

01:20:05,750 --> 01:20:02,960

football

2007

01:20:08,229 --> 01:20:05,760

now in the satellite they would know

2008

01:20:10,310 --> 01:20:08,239

it is not destroyed neither by great

2009

01:20:12,550 --> 01:20:10,320

flood neither by earthquakes neither by

2010

01:20:14,070 --> 01:20:12,560

animals ants and whatever but the

2011

01:20:16,950 --> 01:20:14,080

problem is now

2012

01:20:19,510 --> 01:20:16,960

you plant this satellite 5000 years in

2013

01:20:22,709 --> 01:20:19,520

the past around the orbit of the earth

2014

01:20:24,470 --> 01:20:22,719

how do you manage it now that the humans

2015

01:20:27,990 --> 01:20:24,480

five thousand years later

2016

01:20:30,550 --> 01:20:28,000

go and look for the satellite the humans

2017

01:20:32,709 --> 01:20:30,560

have to have a reason to seek to search

2018

01:20:35,270 --> 01:20:32,719

to make resurgent even if you have a

2019

01:20:36,550 --> 01:20:35,280

time capsule let's say someone beneath

2020

01:20:38,310 --> 01:20:36,560

the pyramid

2021

01:20:41,430 --> 01:20:38,320

somebody in the future has to come to

2022

01:20:44,229 --> 01:20:41,440

the idea hey there must be something

2023

01:20:46,630 --> 01:20:44,239

so they left indications and these

2024

01:20:50,390 --> 01:20:46,640

indications we can prove

2025

01:20:53,030 --> 01:20:50,400

in my over 35 books i

2026
01:20:54,950 --> 01:20:53,040
have published many of these indications

2027
01:20:58,470 --> 01:20:54,960
some of them are maybe perfectly

2028
01:21:00,630 --> 01:20:58,480
wonderful others may be bad it's on to

2029
01:21:02,950 --> 01:21:00,640
the scientific community to make a

2030
01:21:06,070 --> 01:21:02,960
choice what is reasonable or what is

2031
01:21:08,070 --> 01:21:06,080
unreasonable but at least because of all

2032
01:21:10,709 --> 01:21:08,080
these indications we have now the

2033
01:21:13,750 --> 01:21:10,719
question we have to question something

2034
01:21:16,709 --> 01:21:13,760
was wrong in our past in prehistory time

2035
01:21:18,709 --> 01:21:16,719
now we ask why can we explain that was

2036
01:21:21,669 --> 01:21:18,719
there maybe a higher civilization at

2037
01:21:23,750 --> 01:21:21,679
that time than our civilization today if

2038
01:21:25,430 --> 01:21:23,760

not have we been visited by

2039

01:21:27,110 --> 01:21:25,440

extraterrestrials

2040

01:21:30,070 --> 01:21:27,120

and if we have been visited by

2041

01:21:31,270 --> 01:21:30,080

extraterrestrials where is the concrete

2042

01:21:33,910 --> 01:21:31,280

preproof

2043

01:21:35,030 --> 01:21:33,920

that's exactly the situation we have

2044

01:21:37,430 --> 01:21:35,040

today

2045

01:21:39,750 --> 01:21:37,440

because of the indications we have now

2046

01:21:43,270 --> 01:21:39,760

the question now it's time for a

2047

01:21:45,350 --> 01:21:43,280

scientific community to look to search

2048

01:21:47,430 --> 01:21:45,360

for what i call the time capsule and we

2049

01:21:49,430 --> 01:21:47,440

will find it

2050

01:21:51,910 --> 01:21:49,440

what kind of indications are you talking

2051
01:21:53,110 --> 01:21:51,920
about can you give a few examples

2052
01:21:55,430 --> 01:21:53,120
of course

2053
01:21:58,070 --> 01:21:55,440
everyone knows ancient greek ancient

2054
01:22:00,149 --> 01:21:58,080
greece is full of temples everybody

2055
01:22:03,830 --> 01:22:00,159
knows maybe of delphi

2056
01:22:07,189 --> 01:22:03,840
of epidaurus of different old ancient

2057
01:22:10,390 --> 01:22:07,199
temples now all these temples are linked

2058
01:22:12,149 --> 01:22:10,400
together in the same distance with the

2059
01:22:14,390 --> 01:22:12,159
same geometric and

2060
01:22:17,510 --> 01:22:14,400
geometrical angle

2061
01:22:18,470 --> 01:22:17,520
there is a whole network over antique

2062
01:22:21,189 --> 01:22:18,480
greece

2063
01:22:23,910 --> 01:22:21,199

now one could say well maybe the old

2064

01:22:27,030 --> 01:22:23,920

greeks they planned their temple their

2065

01:22:29,110 --> 01:22:27,040

temples in a geometrical pattern because

2066

01:22:32,310 --> 01:22:29,120

in greece we had wonderful

2067

01:22:35,830 --> 01:22:32,320

mathematicians like alkhlete for example

2068

01:22:39,110 --> 01:22:35,840

or plato or pythagoras but all these

2069

01:22:42,310 --> 01:22:39,120

temples existed already in stone age

2070

01:22:46,070 --> 01:22:42,320

time so there was a holy place in stone

2071

01:22:48,709 --> 01:22:46,080

aged time which later becomes a temple

2072

01:22:52,070 --> 01:22:48,719

like delphi and epidaurus so

2073

01:22:55,590 --> 01:22:52,080

this geometrical pattern was laid down

2074

01:22:57,750 --> 01:22:55,600

before a cleat before pythagoras before

2075

01:23:00,310 --> 01:22:57,760

plato it is older

2076

01:23:02,550 --> 01:23:00,320

now our stone age people

2077

01:23:05,590 --> 01:23:02,560

they knew nothing about mathematics and

2078

01:23:08,550 --> 01:23:05,600

geometry why should they put their

2079

01:23:11,110 --> 01:23:08,560

temples in the same distance from one to

2080

01:23:13,990 --> 01:23:11,120

another in the same geometrical angle

2081

01:23:16,229 --> 01:23:14,000

and in some cases these temples are far

2082

01:23:18,629 --> 01:23:16,239

away from one to each other for example

2083

01:23:21,510 --> 01:23:18,639

between greece and and

2084

01:23:23,350 --> 01:23:21,520

the mediterranean islands of creta

2085

01:23:26,229 --> 01:23:23,360

there's a distance which you cannot look

2086

01:23:28,870 --> 01:23:26,239

over by the by the naked eye so there

2087

01:23:29,990 --> 01:23:28,880

was a planning behind it who made this

2088

01:23:31,510 --> 01:23:30,000

planning

2089

01:23:33,910 --> 01:23:31,520

i suggested

2090

01:23:36,629 --> 01:23:33,920

these extraterrestrials were worshiped

2091

01:23:39,030 --> 01:23:36,639

by by the humans as the gods

2092

01:23:41,590 --> 01:23:39,040

of course the extraterrestries knew we

2093

01:23:43,510 --> 01:23:41,600

are not god they even told them you

2094

01:23:46,070 --> 01:23:43,520

should make no pictures about god we are

2095

01:23:49,350 --> 01:23:46,080

not gods but the humans adored them and

2096

01:23:52,149 --> 01:23:49,360

the humans may said we want to create

2097

01:23:54,310 --> 01:23:52,159

some memory from you for you for a

2098

01:23:56,550 --> 01:23:54,320

temple for the future generations and

2099

01:23:59,590 --> 01:23:56,560

the so-called god said okay we accept

2100

01:24:01,910 --> 01:23:59,600

this but please make your temple exactly

2101
01:24:04,629 --> 01:24:01,920
at this place and not another and the

2102
01:24:07,590 --> 01:24:04,639
next temple are this place etc

2103
01:24:10,550 --> 01:24:07,600
they knew that mankind after a few

2104
01:24:13,270 --> 01:24:10,560
thousand years would be able to fly and

2105
01:24:15,669 --> 01:24:13,280
they knew that mankind after a few

2106
01:24:18,310 --> 01:24:15,679
thousand years they would make a maps on

2107
01:24:20,550 --> 01:24:18,320
their on their landscapes and sooner or

2108
01:24:22,790 --> 01:24:20,560
later they would realize something is

2109
01:24:25,350 --> 01:24:22,800
wrong here because of the same distance

2110
01:24:28,390 --> 01:24:25,360
in the same angles and that's

2111
01:24:31,990 --> 01:24:28,400
exactly the indications which they put

2112
01:24:34,149 --> 01:24:32,000
on purpose in the deep past for mankind

2113
01:24:37,510 --> 01:24:34,159

of the future

2114

01:24:39,590 --> 01:24:37,520

do you find similar patterns of

2115

01:24:42,550 --> 01:24:39,600

i'm going to say more contemporary

2116

01:24:45,590 --> 01:24:42,560

structures speaking like greek

2117

01:24:47,990 --> 01:24:45,600

being built onto older structures and

2118

01:24:49,669 --> 01:24:48,000

then this network or pattern being

2119

01:24:50,709 --> 01:24:49,679

formed as well

2120

01:24:54,390 --> 01:24:50,719

exactly

2121

01:24:56,950 --> 01:24:54,400

all these greek temples existed in stone

2122

01:25:00,550 --> 01:24:56,960

age temples and stone age times they

2123

01:25:02,790 --> 01:25:00,560

were primitive holy places in stone age

2124

01:25:05,110 --> 01:25:02,800

times you see today

2125

01:25:08,149 --> 01:25:05,120

when you have a place of pilgrim for

2126

01:25:10,229 --> 01:25:08,159

example some children say

2127

01:25:13,270 --> 01:25:10,239

we had a vision of the holy mother of

2128

01:25:16,229 --> 01:25:13,280

jesus now this pilgrim place in the

2129

01:25:18,550 --> 01:25:16,239

beginning is only an altar later it's a

2130

01:25:20,470 --> 01:25:18,560

little chapter then more and more people

2131

01:25:22,229 --> 01:25:20,480

can buy if they want to visit the holy

2132

01:25:25,350 --> 01:25:22,239

place then the first

2133

01:25:29,030 --> 01:25:25,360

church is built and later the first

2134

01:25:31,990 --> 01:25:29,040

hotel and the first water papers etc so

2135

01:25:34,709 --> 01:25:32,000

all these pyramid places they grow and

2136

01:25:36,709 --> 01:25:34,719

grow from big antique antiquity to the

2137

01:25:37,990 --> 01:25:36,719

present the same thing happened in

2138

01:25:41,189 --> 01:25:38,000

ancient greece

2139

01:25:43,830 --> 01:25:41,199

in prehistory time in stone age time

2140

01:25:46,950 --> 01:25:43,840

there was already a primitive holy place

2141

01:25:49,750 --> 01:25:46,960

there and later the places grow to

2142

01:25:52,149 --> 01:25:49,760

delphi to epidurals to whatever it is

2143

01:25:54,229 --> 01:25:52,159

the acropolis etc

2144

01:25:56,390 --> 01:25:54,239

but we also have such things in in other

2145

01:25:58,550 --> 01:25:56,400

places of the world for example in

2146

01:26:01,990 --> 01:25:58,560

french brittany which is not too far

2147

01:26:03,990 --> 01:26:02,000

away from from my place it's about 700

2148

01:26:07,270 --> 01:26:04,000

kilometers from switzerland in french

2149

01:26:10,950 --> 01:26:07,280

britany they are thousands and thousands

2150

01:26:13,110 --> 01:26:10,960

of stones made out of granite granite

2151

01:26:15,350 --> 01:26:13,120

in specific lines

2152

01:26:18,229 --> 01:26:15,360

now there were speculations over the

2153

01:26:21,830 --> 01:26:18,239

centuries what for what have our stone

2154

01:26:24,870 --> 01:26:21,840

age person made these stone lines it was

2155

01:26:27,350 --> 01:26:24,880

suggested maybe it's just a place for

2156

01:26:30,149 --> 01:26:27,360

astronomy you can watch the stars you

2157

01:26:31,350 --> 01:26:30,159

can see when how the moon goes up etc

2158

01:26:33,430 --> 01:26:31,360

etc

2159

01:26:36,149 --> 01:26:33,440

only a few decades ago

2160

01:26:38,550 --> 01:26:36,159

it was in 1976

2161

01:26:41,910 --> 01:26:38,560

the whole places were photographed and

2162

01:26:43,590 --> 01:26:41,920

filmed by helicopters and then they

2163

01:26:46,390 --> 01:26:43,600

made the pattern on earth and they

2164

01:26:49,510 --> 01:26:46,400

realized that these stone lines are not

2165

01:26:52,550 --> 01:26:49,520

standing there by coincidence it's all a

2166

01:26:54,110 --> 01:26:52,560

geometrical pattern it's always the same

2167

01:26:57,750 --> 01:26:54,120

length of

2168

01:27:02,070 --> 01:26:57,760

2650 meters it's always the same angles

2169

01:27:05,270 --> 01:27:02,080

or exactly the height of 2560 meters so

2170

01:27:08,310 --> 01:27:05,280

we find pythagorean triangles in the

2171

01:27:10,629 --> 01:27:08,320

ground made out in stones from a stone

2172

01:27:12,070 --> 01:27:10,639

age society which knew nothing about

2173

01:27:13,189 --> 01:27:12,080

pythagoras

2174

01:27:15,070 --> 01:27:13,199

again

2175

01:27:17,510 --> 01:27:15,080

it is not my ideas that

2176
01:27:20,149 --> 01:27:17,520
extraterrestrials they move stone around

2177
01:27:22,950 --> 01:27:20,159
no they never made their hands dirty

2178
01:27:23,910 --> 01:27:22,960
they simply ordered to our forefathers

2179
01:27:25,750 --> 01:27:23,920
please

2180
01:27:28,229 --> 01:27:25,760
bring these stones there and there maybe

2181
01:27:30,950 --> 01:27:28,239
they helped them how it was easier to

2182
01:27:32,390 --> 01:27:30,960
move them because they know exactly in

2183
01:27:34,950 --> 01:27:32,400
the far future

2184
01:27:37,030 --> 01:27:34,960
mankind will find out that this is

2185
01:27:38,629 --> 01:27:37,040
geometry

2186
01:27:39,910 --> 01:27:38,639
is that why we

2187
01:27:42,390 --> 01:27:39,920
kind of

2188
01:27:46,070 --> 01:27:42,400

interview yes continue

2189

01:27:48,149 --> 01:27:46,080

is that why as a culture or as a as

2190

01:27:50,950 --> 01:27:48,159

humanity we really don't have any

2191

01:27:52,950 --> 01:27:50,960

recollection recollection of why they

2192

01:27:55,750 --> 01:27:52,960

were built in the first place why we

2193

01:27:58,310 --> 01:27:55,760

erected these stones why we erected

2194

01:28:01,590 --> 01:27:58,320

monoliths why we you know have these

2195

01:28:03,510 --> 01:28:01,600

standing stones around the world

2196

01:28:06,790 --> 01:28:03,520

that's exactly the point

2197

01:28:09,350 --> 01:28:06,800

it was not made by coincidence it was

2198

01:28:12,070 --> 01:28:09,360

not made because of some calendar

2199

01:28:15,110 --> 01:28:12,080

including stonehenge it has all the

2200

01:28:17,669 --> 01:28:15,120

meaning which goes back to the so-called

2201

01:28:19,510 --> 01:28:17,679

gods which were the extraterrestrials

2202

01:28:21,990 --> 01:28:19,520

some thousands of years ago

2203

01:28:23,990 --> 01:28:22,000

it is not coincidence it is made on

2204

01:28:25,350 --> 01:28:24,000

purpose

2205

01:28:28,470 --> 01:28:25,360

the reason is

2206

01:28:30,310 --> 01:28:28,480

that we humans in modern time in the

2207

01:28:31,430 --> 01:28:30,320

time of aircraft in the time of

2208

01:28:34,550 --> 01:28:31,440

measuring

2209

01:28:36,790 --> 01:28:34,560

that we recognize of a sudden hey

2210

01:28:39,430 --> 01:28:36,800

something is wrong here on this planet

2211

01:28:41,350 --> 01:28:39,440

and this does not fit to the stone age

2212

01:28:42,390 --> 01:28:41,360

our stonehenge primitive stone age

2213

01:28:44,310 --> 01:28:42,400

forefathers

2214

01:28:45,910 --> 01:28:44,320

so we have to ask new questions the

2215

01:28:47,270 --> 01:28:45,920

facts are here

2216

01:28:49,990 --> 01:28:47,280

on the ground

2217

01:28:53,510 --> 01:28:50,000

on the land and not only there they are

2218

01:28:56,629 --> 01:28:53,520

also here in uh in the holy scriptures

2219

01:28:59,189 --> 01:28:56,639

they're they're in every culture i i

2220

01:29:00,950 --> 01:28:59,199

have to ask you i remember seeing i i

2221

01:29:02,790 --> 01:29:00,960

think it was in in

2222

01:29:04,550 --> 01:29:02,800

search of ancient history i i don't even

2223

01:29:06,390 --> 01:29:04,560

remember the name of the show is you

2224

01:29:09,270 --> 01:29:06,400

know from the 70s

2225

01:29:11,830 --> 01:29:09,280

and you were on the show and they showed

2226

01:29:13,669 --> 01:29:11,840

the lines of nazca and i have to tell

2227

01:29:17,430 --> 01:29:13,679

you it it i

2228

01:29:19,430 --> 01:29:17,440

i held my breath i was just so shocked

2229

01:29:21,830 --> 01:29:19,440

by those images

2230

01:29:23,750 --> 01:29:21,840

when you went there for the first time

2231

01:29:26,390 --> 01:29:23,760

what was your impression of history can

2232

01:29:30,629 --> 01:29:26,400

you make me play maybe interview sorry

2233

01:29:33,590 --> 01:29:30,639

yes i was first in nazca in 1959

2234

01:29:35,910 --> 01:29:33,600

natsuka was not known at that time only

2235

01:29:37,270 --> 01:29:35,920

a few persons knew that there are some

2236

01:29:40,870 --> 01:29:37,280

lines in the ground

2237

01:29:43,189 --> 01:29:40,880

now really in it on television and even

2238

01:29:46,229 --> 01:29:43,199

in the so-called scientific books

2239

01:29:47,830 --> 01:29:46,239

i read some nonsense about nazca this is

2240

01:29:50,470 --> 01:29:47,840

incredible

2241

01:29:53,110 --> 01:29:50,480

the real pictures of nazca are never

2242

01:29:56,790 --> 01:29:53,120

shown on television nowhere you find

2243

01:29:58,870 --> 01:29:56,800

them only in my book nazca is a mystery

2244

01:30:01,030 --> 01:29:58,880

first of all when you are on the ground

2245

01:30:03,510 --> 01:30:01,040

of nazca it's just a desert like other

2246

01:30:06,550 --> 01:30:03,520

deserts there are black stones black and

2247

01:30:09,110 --> 01:30:06,560

brown stones and brown sand soon as you

2248

01:30:11,590 --> 01:30:09,120

fly a leader a little over the desert of

2249

01:30:14,149 --> 01:30:11,600

nazca the first thing you see are

2250

01:30:17,830 --> 01:30:14,159

figures figures in the sand scratched

2251
01:30:20,790 --> 01:30:17,840
out figures like fishes monkeys spiders

2252
01:30:21,669 --> 01:30:20,800
spiders and so on then you fly higher

2253
01:30:23,110 --> 01:30:21,679
again

2254
01:30:26,709 --> 01:30:23,120
then you see

2255
01:30:29,830 --> 01:30:26,719
lines these lines look like airstrips

2256
01:30:33,669 --> 01:30:29,840
they start abruptly they end abruptly

2257
01:30:34,470 --> 01:30:33,679
the longest about it is 3.6 kilometers

2258
01:30:36,870 --> 01:30:34,480
long

2259
01:30:38,709 --> 01:30:36,880
then you go even higher and then you see

2260
01:30:41,430 --> 01:30:38,719
in the middle in the midst of all these

2261
01:30:44,070 --> 01:30:41,440
things figures and lines you see even

2262
01:30:47,189 --> 01:30:44,080
longer lines but these longer lines are

2263
01:30:50,550 --> 01:30:47,199

small about one and a half meter large

2264

01:30:53,510 --> 01:30:50,560

but long the longest of it is 23

2265

01:30:56,629 --> 01:30:53,520

kilometers long crossing hills and

2266

01:30:57,750 --> 01:30:56,639

mountains etc so nazca is a whole

2267

01:31:00,709 --> 01:30:57,760

mystery

2268

01:31:02,709 --> 01:31:00,719

now of course it is possible to make

2269

01:31:05,350 --> 01:31:02,719

small figures in the ground by

2270

01:31:07,669 --> 01:31:05,360

scratching away the surface this is

2271

01:31:10,550 --> 01:31:07,679

absolutely understandable you scratch

2272

01:31:12,550 --> 01:31:10,560

away the the dirty the brown stones and

2273

01:31:14,470 --> 01:31:12,560

then it comes a little brighter a little

2274

01:31:16,790 --> 01:31:14,480

shinier the ground so you can make

2275

01:31:21,030 --> 01:31:16,800

figures out of that but this does not

2276

01:31:24,950 --> 01:31:21,040

explain the gigantic lines sometimes the

2277

01:31:26,550 --> 01:31:24,960

top of a mountain was cut off completely

2278

01:31:28,629 --> 01:31:26,560

cut off and

2279

01:31:31,110 --> 01:31:28,639

they put one of these lines looking like

2280

01:31:33,750 --> 01:31:31,120

an airstrip by the way i never said it

2281

01:31:36,470 --> 01:31:33,760

is an airstrip i always said seen from

2282

01:31:39,910 --> 01:31:36,480

the air it remembers it looks like an

2283

01:31:42,950 --> 01:31:39,920

airstrip i have in my archive around 5

2284

01:31:45,030 --> 01:31:42,960

000 pictures about natsuka and whenever

2285

01:31:46,870 --> 01:31:45,040

they have an archaeologist here and we

2286

01:31:49,030 --> 01:31:46,880

look at these pictures in tolerance of

2287

01:31:51,270 --> 01:31:49,040

the computer they say eric this is

2288

01:31:54,709 --> 01:31:51,280

impossible this is not nazca i say i'm

2289

01:31:57,430 --> 01:31:54,719

sorry this is nazca television has never

2290

01:31:59,669 --> 01:31:57,440

shown the true nazca

2291

01:32:01,669 --> 01:31:59,679

when you talk about these lines the ones

2292

01:32:03,590 --> 01:32:01,679

that look like runways and

2293

01:32:07,830 --> 01:32:03,600

you know in my mind the one that is uh

2294

01:32:10,709 --> 01:32:07,840

the 23 kilometers long are they straight

2295

01:32:12,790 --> 01:32:10,719

i mean if someone is taking a stick and

2296

01:32:15,430 --> 01:32:12,800

carving into the ground you would think

2297

01:32:17,590 --> 01:32:15,440

that they would kind of be crooked and

2298

01:32:20,310 --> 01:32:17,600

be there here and there

2299

01:32:23,030 --> 01:32:20,320

now absolutely straight cutlet like with

2300

01:32:25,990 --> 01:32:23,040

the lineal you know they are just 23

2301

01:32:28,229 --> 01:32:26,000

kilometers over hills and mountains

2302

01:32:29,590 --> 01:32:28,239

nobody has an explained explanation for

2303

01:32:30,950 --> 01:32:29,600

it

2304

01:32:33,270 --> 01:32:30,960

and you see

2305

01:32:35,590 --> 01:32:33,280

we have made some scientific uh

2306

01:32:38,629 --> 01:32:35,600

researches in nazca there is a

2307

01:32:40,470 --> 01:32:38,639

university here in dresden dresden is a

2308

01:32:42,470 --> 01:32:40,480

city in east germany

2309

01:32:44,950 --> 01:32:42,480

and we paid that we i mean the eric

2310

01:32:49,830 --> 01:32:44,960

vandenken society and the eric vandenken

2311

01:32:53,430 --> 01:32:49,840

foundation we pi we paid over 150 000

2312

01:32:55,669 --> 01:32:53,440

euros for the university in dresden to

2313

01:32:58,950 --> 01:32:55,679

make certain measurements at the plane

2314

01:33:01,510 --> 01:32:58,960

of nazca i was asking for example

2315

01:33:03,270 --> 01:33:01,520

is there something which is maybe a

2316

01:33:05,270 --> 01:33:03,280

mineral or whatever which is not

2317

01:33:08,149 --> 01:33:05,280

explainable which should not be on

2318

01:33:10,229 --> 01:33:08,159

natsuka what about the magnetic fields

2319

01:33:13,669 --> 01:33:10,239

has the magnetic field on the earth

2320

01:33:16,229 --> 01:33:13,679

changed in nazca and why etc and the

2321

01:33:19,590 --> 01:33:16,239

fact was the scientific outcome

2322

01:33:21,910 --> 01:33:19,600

we have a change of the magnetic field

2323

01:33:23,990 --> 01:33:21,920

under some of these lines you know these

2324

01:33:26,470 --> 01:33:24,000

lines which are made artificially and

2325

01:33:29,110 --> 01:33:26,480

you can even measure you know about six

2326

01:33:31,990 --> 01:33:29,120

meters under the line there is something

2327

01:33:33,990 --> 01:33:32,000

which influences the magnetic field now

2328

01:33:36,070 --> 01:33:34,000

a normal average reader would say what

2329

01:33:37,430 --> 01:33:36,080

about six meter under the line why don't

2330

01:33:39,430 --> 01:33:37,440

you make a hole

2331

01:33:42,070 --> 01:33:39,440

it's not permitted

2332

01:33:44,870 --> 01:33:42,080

natsuka is one of these walled

2333

01:33:47,270 --> 01:33:44,880

whatever unesco place and you are not

2334

01:33:49,830 --> 01:33:47,280

allowed to scratch on the surface all

2335

01:33:52,470 --> 01:33:49,840

that you can make make is measurements

2336

01:33:55,189 --> 01:33:52,480

from above from the surface you are not

2337

01:33:58,550 --> 01:33:55,199

allowed to make any diggings but we know

2338

01:34:00,950 --> 01:33:58,560

for sure something is wrong in natsuka

2339

01:34:03,750 --> 01:34:00,960

and the scientific community did not

2340

01:34:05,830 --> 01:34:03,760

pick up that case until today

2341

01:34:08,310 --> 01:34:05,840

well and it seems like that whole region

2342

01:34:10,950 --> 01:34:08,320

because we have nazca we have parachutes

2343

01:34:13,270 --> 01:34:10,960

with the the elongated skulls we have

2344

01:34:16,590 --> 01:34:13,280

sexy woman with the

2345

01:34:19,430 --> 01:34:16,600

the carved stones that are

2346

01:34:22,149 --> 01:34:19,440

unexplainable in my mind that whole you

2347

01:34:24,870 --> 01:34:22,159

know the inca trail that whole area is

2348

01:34:26,470 --> 01:34:24,880

just so full of mysteries and i find it

2349

01:34:27,830 --> 01:34:26,480

interesting that no one's really

2350

01:34:28,790 --> 01:34:27,840

exploring it

2351
01:34:31,350 --> 01:34:28,800
well

2352
01:34:33,430 --> 01:34:31,360
we always want to be reasonable we are

2353
01:34:35,110 --> 01:34:33,440
in a society

2354
01:34:38,149 --> 01:34:35,120
which suggests

2355
01:34:40,229 --> 01:34:38,159
be reasonable for example

2356
01:34:41,990 --> 01:34:40,239
normal astronomers say

2357
01:34:43,990 --> 01:34:42,000
and they are correct

2358
01:34:46,229 --> 01:34:44,000
between the stars is such and such a

2359
01:34:49,750 --> 01:34:46,239
distance this distance is measured in

2360
01:34:52,470 --> 01:34:49,760
light ears it is not possible to

2361
01:34:55,590 --> 01:34:52,480
move the light ears from one

2362
01:34:57,950 --> 01:34:55,600
star to another so this is reasonable if

2363
01:35:00,470 --> 01:34:57,960

you have this in your mind you say why

2364

01:35:02,790 --> 01:35:00,480

extraterrestrials they should never have

2365

01:35:03,750 --> 01:35:02,800

been able to visit us even if they do

2366

01:35:06,390 --> 01:35:03,760

exist

2367

01:35:09,270 --> 01:35:06,400

or in the scientific community you say

2368

01:35:10,950 --> 01:35:09,280

if extraterrestrials exist they would

2369

01:35:13,430 --> 01:35:10,960

look completely different than the

2370

01:35:16,390 --> 01:35:13,440

humans because evolution on another

2371

01:35:19,189 --> 01:35:16,400

world grows up completely different and

2372

01:35:21,910 --> 01:35:19,199

this is only partly true because we

2373

01:35:25,030 --> 01:35:21,920

could be the offspring of another

2374

01:35:27,350 --> 01:35:25,040

society like the old holy book said the

2375

01:35:31,030 --> 01:35:27,360

gods created humans according their own

2376

01:35:33,830 --> 01:35:31,040

image so then they are looking similar

2377

01:35:36,149 --> 01:35:33,840

so we always wanted to be reasonable the

2378

01:35:39,669 --> 01:35:36,159

same thing happened in archaeology we

2379

01:35:42,229 --> 01:35:39,679

say stone age people made that and that

2380

01:35:45,669 --> 01:35:42,239

temple and in most of the cases it's

2381

01:35:47,590 --> 01:35:45,679

correct but nobody asks more questions

2382

01:35:51,030 --> 01:35:47,600

when i have come the first time up to

2383

01:35:54,070 --> 01:35:51,040

pumapunku pumapunku is in bolivia in

2384

01:35:56,070 --> 01:35:54,080

highland is about 4 000 meter high

2385

01:35:58,870 --> 01:35:56,080

there we have a temple where you

2386

01:36:02,229 --> 01:35:58,880

immediately realize this temple was made

2387

01:36:05,189 --> 01:36:02,239

by humans it's human stone cutting it's

2388

01:36:07,430 --> 01:36:05,199

chiseling etc but just a few kilometers

2389

01:36:10,870 --> 01:36:07,440

away you find other

2390

01:36:14,790 --> 01:36:10,880

stones in in the ground which are cut in

2391

01:36:18,229 --> 01:36:14,800

such a precise work with small lines

2392

01:36:21,310 --> 01:36:18,239

grooves etc that it is impossible for

2393

01:36:24,070 --> 01:36:21,320

stone age people to do it you even find

2394

01:36:26,870 --> 01:36:24,080

prefabricated blocks that means like

2395

01:36:29,430 --> 01:36:26,880

lego lego stones you just can put them

2396

01:36:32,470 --> 01:36:29,440

together that means planning planning

2397

01:36:34,070 --> 01:36:32,480

means writing finally we know how hard

2398

01:36:36,310 --> 01:36:34,080

the stone is you know granite for

2399

01:36:39,030 --> 01:36:36,320

example his heart has the figure number

2400

01:36:41,189 --> 01:36:39,040

eight so if you want to work on granite

2401

01:36:43,030 --> 01:36:41,199

it's such a precise work you need a tool

2402

01:36:45,350 --> 01:36:43,040

which is harder than granite but the

2403

01:36:48,310 --> 01:36:45,360

stone age people had no tools harder

2404

01:36:51,189 --> 01:36:48,320

than granite or we find block which have

2405

01:36:54,070 --> 01:36:51,199

a weight of 80 tons

2406

01:36:57,510 --> 01:36:54,080

stone age people were not able to move

2407

01:36:59,830 --> 01:36:57,520

80 ton blocks platforms from one point

2408

01:37:02,470 --> 01:36:59,840

to the other and then at the same thing

2409

01:37:04,310 --> 01:37:02,480

you always have mythology

2410

01:37:06,790 --> 01:37:04,320

there in pumapunku in the island of

2411

01:37:09,189 --> 01:37:06,800

bolivia when the spanish conquerors come

2412

01:37:11,830 --> 01:37:09,199

up there the indians were all around

2413

01:37:15,430 --> 01:37:11,840

including the ruler of the india the

2414

01:37:17,109 --> 01:37:15,440

inca and the spanish asked the natives

2415

01:37:19,750 --> 01:37:17,119

who has done this

2416

01:37:22,390 --> 01:37:19,760

not even we spanish people would be able

2417

01:37:25,350 --> 01:37:22,400

to make such a precise work we would not

2418

01:37:27,430 --> 01:37:25,360

be able to move to transport such blocks

2419

01:37:31,109 --> 01:37:27,440

and then the natives including the inca

2420

01:37:34,550 --> 01:37:31,119

ruler said it was not us who made this

2421

01:37:36,149 --> 01:37:34,560

it was the gods who made this in one

2422

01:37:38,950 --> 01:37:36,159

simple night

2423

01:37:41,189 --> 01:37:38,960

which gods the gods from the sky the

2424

01:37:44,229 --> 01:37:41,199

gods who were descending with loud smoke

2425

01:37:46,390 --> 01:37:44,239

and fire and troubling from the sky

2426

01:37:49,270 --> 01:37:46,400

the question remains why have the god

2427

01:37:51,510 --> 01:37:49,280

done such thing i i have a possible

2428

01:37:54,709 --> 01:37:51,520

answer

2429

01:37:57,350 --> 01:37:54,719

for example our mountain climber they go

2430

01:37:59,990 --> 01:37:57,360

to the himalaya now you always use a

2431

01:38:02,709 --> 01:38:00,000

base camp you don't want to take all

2432

01:38:05,109 --> 01:38:02,719

your material your stuff your photo

2433

01:38:07,109 --> 01:38:05,119

upper up your your technological stuff

2434

01:38:09,910 --> 01:38:07,119

up to the top of the mountain so you

2435

01:38:11,669 --> 01:38:09,920

make a basic camp the same thing

2436

01:38:13,590 --> 01:38:11,679

happened with extraterrestrials some

2437

01:38:15,830 --> 01:38:13,600

thousands of years ago there was a

2438

01:38:17,990 --> 01:38:15,840

mother spaceship surrounding the earth

2439

01:38:20,310 --> 01:38:18,000

and from the mother spaceship smaller

2440

01:38:21,990 --> 01:38:20,320

vehicle have come down to the earth

2441

01:38:24,870 --> 01:38:22,000

today in america you would call them

2442

01:38:28,070 --> 01:38:24,880

space shuttles from these space shuttles

2443

01:38:30,709 --> 01:38:28,080

again smaller vehicles came out like on

2444

01:38:34,229 --> 01:38:30,719

the moon we have had the landing robot

2445

01:38:37,189 --> 01:38:34,239

we had the moon car etc and now the

2446

01:38:39,990 --> 01:38:37,199

nazis another the extraterrestrials they

2447

01:38:42,790 --> 01:38:40,000

start to make their ethnological

2448

01:38:45,189 --> 01:38:42,800

exploration but at certain places they

2449

01:38:47,270 --> 01:38:45,199

say stop here we stay for two or three

2450

01:38:49,030 --> 01:38:47,280

years we want to study the natives there

2451

01:38:51,910 --> 01:38:49,040

is a tribe we want to teach them a

2452

01:38:53,430 --> 01:38:51,920

little and now they start to create a

2453

01:38:55,030 --> 01:38:53,440

base camp

2454

01:38:57,669 --> 01:38:55,040

for themselves

2455

01:39:00,149 --> 01:38:57,679

base camp where they can deposit their

2456

01:39:03,350 --> 01:39:00,159

high technology so that it is not uh

2457

01:39:04,950 --> 01:39:03,360

destroyed by by animals or by by the

2458

01:39:06,870 --> 01:39:04,960

weather etc

2459

01:39:09,350 --> 01:39:06,880

that's the the solution

2460

01:39:11,510 --> 01:39:09,360

later the guards disappear and what is

2461

01:39:13,669 --> 01:39:11,520

left is the base camp and now the

2462

01:39:16,709 --> 01:39:13,679

natives came and the nazis look with

2463

01:39:19,910 --> 01:39:16,719

their eyes to this perfectly cutted

2464

01:39:21,750 --> 01:39:19,920

stone and they say the gods made it we

2465

01:39:25,109 --> 01:39:21,760

are not able to do it and now the

2466

01:39:27,350 --> 01:39:25,119

natives start to create a temple at the

2467

01:39:28,390 --> 01:39:27,360

same place because it has become a holy

2468

01:39:31,590 --> 01:39:28,400

place

2469

01:39:33,830 --> 01:39:31,600

so we have two different things to see

2470

01:39:36,070 --> 01:39:33,840

the technology of the extraterrestrials

2471

01:39:38,310 --> 01:39:36,080

which was not stone age technology and

2472

01:39:41,109 --> 01:39:38,320

the technology of our stone age people

2473

01:39:43,270 --> 01:39:41,119

which we can perfectly understand

2474

01:39:45,830 --> 01:39:43,280

is that what you think was going on at

2475

01:39:48,470 --> 01:39:45,840

belback where we have those

2476

01:39:53,270 --> 01:39:50,470

yeah balbeck is in lebanon

2477

01:39:55,109 --> 01:39:53,280

no today no tourists can go to balbach

2478

01:39:56,790 --> 01:39:55,119

anymore at least at the moment because

2479

01:39:59,669 --> 01:39:56,800

they still have this war there you know

2480

01:40:03,109 --> 01:39:59,679

this this islamic and arabic war there

2481

01:40:06,390 --> 01:40:03,119

but baal balbik has a gigantic terrace

2482

01:40:10,550 --> 01:40:06,400

absolutely giganti their stone block

2483

01:40:14,550 --> 01:40:10,560

were moved of 900 tons

2484

01:40:16,629 --> 01:40:14,560

imagine this 900 tons and not one

2485

01:40:20,149 --> 01:40:16,639

about 60 of it

2486

01:40:23,910 --> 01:40:20,159

this is not a flat landscapes it's hill

2487

01:40:27,270 --> 01:40:23,920

and mountains so we have no idea how

2488

01:40:29,750 --> 01:40:27,280

stone age people could have moved 90 ton

2489

01:40:32,310 --> 01:40:29,760

blocks over over hills

2490

01:40:34,149 --> 01:40:32,320

but the legend again says in the

2491

01:40:36,709 --> 01:40:34,159

beginning this was the place of the

2492

01:40:39,510 --> 01:40:36,719

guards from here they have come down

2493

01:40:42,229 --> 01:40:39,520

from the sky and from here they started

2494

01:40:44,629 --> 01:40:42,239

later the babylonians and later the

2495

01:40:45,990 --> 01:40:44,639

romans constructed the temple at the

2496

01:40:48,870 --> 01:40:46,000

same place

2497

01:40:51,189 --> 01:40:48,880

but the beginning the oldest was not the

2498

01:40:52,950 --> 01:40:51,199

temple the oldest was a terrace a

2499

01:40:56,390 --> 01:40:52,960

platform of balbach

2500

01:40:58,310 --> 01:40:56,400

put together of gigantic stones

2501
01:40:59,350 --> 01:40:58,320
gigantic stones

2502
01:41:01,750 --> 01:40:59,360
um

2503
01:41:03,669 --> 01:41:01,760
if you were to pick and i this might be

2504
01:41:04,950 --> 01:41:03,679
a hard question to answer i mean easy

2505
01:41:08,070 --> 01:41:04,960
but hard

2506
01:41:11,030 --> 01:41:08,080
if you were to pick one group

2507
01:41:13,390 --> 01:41:11,040
whose art myth and culture clearly

2508
01:41:15,750 --> 01:41:13,400
demonstrates that we were visited by

2509
01:41:17,830 --> 01:41:15,760
extraterrestrials in the past who would

2510
01:41:20,550 --> 01:41:17,840
you

2511
01:41:22,470 --> 01:41:20,560
i have two possibilities one are the

2512
01:41:24,870 --> 01:41:22,480
holy scriptures and the others are the

2513
01:41:27,109 --> 01:41:24,880

hard facts something which every

2514

01:41:29,910 --> 01:41:27,119

everyone can see with his eyes in the

2515

01:41:33,750 --> 01:41:29,920

holy scriptures we have a book called

2516

01:41:37,270 --> 01:41:33,760

the book of enoch it comes from ethiopia

2517

01:41:40,310 --> 01:41:37,280

and there is a man his name was enoch he

2518

01:41:43,590 --> 01:41:40,320

clearly writes in the first person that

2519

01:41:47,109 --> 01:41:43,600

means eyewitness person what happened at

2520

01:41:50,550 --> 01:41:47,119

his time he was taken up by beings he

2521

01:41:54,149 --> 01:41:50,560

says they were not from this earth they

2522

01:41:56,070 --> 01:41:54,159

did not breed like humans did etc he

2523

01:41:57,590 --> 01:41:56,080

came up to what today we would call

2524

01:42:00,709 --> 01:41:57,600

another spaceship

2525

01:42:03,830 --> 01:42:00,719

he learned their language they taught

2526

01:42:06,390 --> 01:42:03,840

him in astronomy in calendar etc and

2527

01:42:08,470 --> 01:42:06,400

then they brought him back so parts of

2528

01:42:09,669 --> 01:42:08,480

the book of enoch are absolutely

2529

01:42:12,229 --> 01:42:09,679

convincing

2530

01:42:14,709 --> 01:42:12,239

if we go to the heart facts you must go

2531

01:42:17,189 --> 01:42:14,719

to mexico to palenque

2532

01:42:19,990 --> 01:42:17,199

palenque is one of the maya cities and

2533

01:42:22,470 --> 01:42:20,000

in palenque is one of the temple called

2534

01:42:24,870 --> 01:42:22,480

the temple of inscriptions because there

2535

01:42:26,870 --> 01:42:24,880

were over 800 inscriptions found there

2536

01:42:27,669 --> 01:42:26,880

in 1952

2537

01:42:30,950 --> 01:42:27,679

then

2538

01:42:35,669 --> 01:42:30,960

under the temple professor dr rutz

2539

01:42:38,629 --> 01:42:35,679

found a secret tomb a grave and

2540

01:42:41,910 --> 01:42:38,639

in this this grave was covered with a

2541

01:42:45,750 --> 01:42:41,920

large tombstone i say large because

2542

01:42:48,390 --> 01:42:45,760

there is 3 meter 8 is long 2 meter 20

2543

01:42:51,910 --> 01:42:48,400

large that's quite quite one block and

2544

01:42:53,030 --> 01:42:51,920

on this block chiseled out an incredible

2545

01:42:55,430 --> 01:42:53,040

picture

2546

01:42:58,870 --> 01:42:55,440

you see something like a frame

2547

01:43:01,510 --> 01:42:58,880

and inside this frame a man is sitting

2548

01:43:04,629 --> 01:43:01,520

bending forward almost like a rising

2549

01:43:07,990 --> 01:43:04,639

motorcyclist he has some mask on his

2550

01:43:10,390 --> 01:43:08,000

nose like an oxygen mask and he clearly

2551
01:43:12,550 --> 01:43:10,400
uses his two hands to manipulate some

2552
01:43:15,109 --> 01:43:12,560
controls you even see the

2553
01:43:18,229 --> 01:43:15,119
the finger of his left hand who is

2554
01:43:21,109 --> 01:43:18,239
putting an up he sits on a chair and

2555
01:43:24,629 --> 01:43:21,119
then behind him out of the frame you see

2556
01:43:27,750 --> 01:43:24,639
a linking flam like fire coming out

2557
01:43:30,950 --> 01:43:27,760
now in maya archaeology it was clear

2558
01:43:32,950 --> 01:43:30,960
that this stone represents pakal and

2559
01:43:35,910 --> 01:43:32,960
this is correct because we have the

2560
01:43:39,030 --> 01:43:35,920
writings of pakal on the stone packal

2561
01:43:41,510 --> 01:43:39,040
was the second last ruler of palenque

2562
01:43:45,109 --> 01:43:41,520
but in the past archaeologists always

2563
01:43:47,990 --> 01:43:45,119

thought that paccal is just descending

2564

01:43:50,870 --> 01:43:48,000

into the earth he's falling into the

2565

01:43:53,030 --> 01:43:50,880

earth and out of his body is something

2566

01:43:56,390 --> 01:43:53,040

like the tree of life or the cross of

2567

01:43:59,830 --> 01:43:56,400

life now in modern time and this is just

2568

01:44:02,070 --> 01:43:59,840

two years ago professor dr stewart by

2569

01:44:04,310 --> 01:44:02,080

the way from the united states he is the

2570

01:44:08,870 --> 01:44:04,320

best the newest and the modern most

2571

01:44:12,149 --> 01:44:08,880

modern uh professor who can read uh maya

2572

01:44:14,229 --> 01:44:12,159

scripture he says no it is paco that's

2573

01:44:16,070 --> 01:44:14,239

true but papa is not falling into the

2574

01:44:18,229 --> 01:44:16,080

earth and it has nothing to do with the

2575

01:44:21,990 --> 01:44:18,239

tree of life or the cross of life

2576

01:44:24,310 --> 01:44:22,000

pacquiao is driving out to the sky

2577

01:44:26,790 --> 01:44:24,320

to the universe it all has to do with

2578

01:44:29,590 --> 01:44:26,800

universe and which stars so our meaning

2579

01:44:30,709 --> 01:44:29,600

has changed and if you stand before the

2580

01:44:33,510 --> 01:44:30,719

stone

2581

01:44:36,310 --> 01:44:33,520

you go to the internet palenque palenque

2582

01:44:37,430 --> 01:44:36,320

platform you will find it or you see our

2583

01:44:39,990 --> 01:44:37,440

television

2584

01:44:42,310 --> 01:44:40,000

ancient aliens has showed it it's

2585

01:44:46,470 --> 01:44:42,320

fantastic you are just shocked and this

2586

01:44:49,109 --> 01:44:46,480

piece of stone is thousands of years old

2587

01:44:51,510 --> 01:44:49,119

well and it seems very congruent when

2588

01:44:53,510 --> 01:44:51,520

you look at cultures around the world

2589

01:44:57,189 --> 01:44:53,520

they're always taking some kind of a

2590

01:45:00,470 --> 01:44:57,199

boat or something when they die to get

2591

01:45:03,830 --> 01:45:00,480

back to the heavens or to transcend into

2592

01:45:06,709 --> 01:45:03,840

the next world of course this is the

2593

01:45:08,709 --> 01:45:06,719

same thing happens with the old egyptian

2594

01:45:11,430 --> 01:45:08,719

in old egypt we had the so-called

2595

01:45:13,750 --> 01:45:11,440

pyramid texts they date back to the

2596

01:45:16,470 --> 01:45:13,760

pyramid of unas for example the 5th

2597

01:45:20,830 --> 01:45:16,480

dynasty back to the certainty

2598

01:45:22,910 --> 01:45:20,840

in in years that means about

2599

01:45:27,990 --> 01:45:22,920

2600 bc

2600

01:45:31,189 --> 01:45:28,000

2700 bc so from today about 4 700 years

2601

01:45:34,229 --> 01:45:31,199

and the walls of these tombs are full

2602

01:45:36,950 --> 01:45:34,239

with texts with hieroglyphs and we were

2603

01:45:39,350 --> 01:45:36,960

able to translate these high rifts and

2604

01:45:42,709 --> 01:45:39,360

there we find incredible thing some of

2605

01:45:45,430 --> 01:45:42,719

the pharaoh says you god you took me

2606

01:45:48,709 --> 01:45:45,440

with your ship into the sky i was

2607

01:45:51,350 --> 01:45:48,719

flowing over the earth etc but in the

2608

01:45:54,070 --> 01:45:51,360

past we always interpreted these

2609

01:45:57,750 --> 01:45:54,080

translations as psychological

2610

01:46:00,629 --> 01:45:57,760

explanations it's just a wish or a dream

2611

01:46:04,070 --> 01:46:00,639

of the king after he's dead

2612

01:46:07,030 --> 01:46:04,080

in reality it is was not a dream he

2613

01:46:10,390 --> 01:46:07,040

simply spoke about facts which happened

2614

01:46:12,550 --> 01:46:10,400

at each time he was taken up for a ride

2615

01:46:16,149 --> 01:46:12,560

he was flying over the planet he was

2616

01:46:20,149 --> 01:46:16,159

looking down to to his kingdom

2617

01:46:22,709 --> 01:46:20,159

that's why egypt is full of the the the

2618

01:46:25,669 --> 01:46:22,719

sign with the winged sun

2619

01:46:27,430 --> 01:46:25,679

you always see a son who has wing on

2620

01:46:28,550 --> 01:46:27,440

so it's it's always the same thing

2621

01:46:29,669 --> 01:46:28,560

worldwide

2622

01:46:31,590 --> 01:46:29,679

exactly

2623

01:46:34,470 --> 01:46:31,600

i'm gonna shift gears here a little bit

2624

01:46:36,950 --> 01:46:34,480

because we only have so much time and i

2625

01:46:39,510 --> 01:46:36,960

feel i need to ask you this um one

2626
01:46:42,229 --> 01:46:39,520
question that seems reoccurring in this

2627
01:46:44,390 --> 01:46:42,239
phenomena is why

2628
01:46:45,990 --> 01:46:44,400
why did they come here

2629
01:46:47,669 --> 01:46:46,000
any thought that's the best that's the

2630
01:46:49,910 --> 01:46:47,679
best question of all

2631
01:46:51,910 --> 01:46:49,920
i don't know

2632
01:46:54,790 --> 01:46:51,920
we have been making so-called

2633
01:46:57,270 --> 01:46:54,800
brainstorming sessions and we have asked

2634
01:46:59,750 --> 01:46:57,280
the same questions why

2635
01:47:02,070 --> 01:46:59,760
we have come to about 15 possible

2636
01:47:03,750 --> 01:47:02,080
answers and we have no

2637
01:47:05,350 --> 01:47:03,760
final answer

2638
01:47:06,709 --> 01:47:05,360

but i think

2639

01:47:10,310 --> 01:47:06,719

it is

2640

01:47:13,750 --> 01:47:10,320

part of the intelligent in the universe

2641

01:47:14,870 --> 01:47:13,760

to grow to spread out to multiply

2642

01:47:17,910 --> 01:47:14,880

themselves

2643

01:47:20,790 --> 01:47:17,920

as soon as we find planets which are

2644

01:47:24,550 --> 01:47:20,800

similar planets which are not too hot

2645

01:47:27,510 --> 01:47:24,560

and not too cold planets like our earth

2646

01:47:30,229 --> 01:47:27,520

and in the meantime we know that only in

2647

01:47:33,030 --> 01:47:30,239

our milky way we have about five

2648

01:47:35,030 --> 01:47:33,040

billions of earth-like planets so soon

2649

01:47:36,390 --> 01:47:35,040

as you have planets like this you want

2650

01:47:40,390 --> 01:47:36,400

to spread out

2651

01:47:43,109 --> 01:47:40,400

intelligence like we did it in a

2652

01:47:44,950 --> 01:47:43,119

primitive way on earth in our in our

2653

01:47:47,350 --> 01:47:44,960

colonial times

2654

01:47:50,470 --> 01:47:47,360

one of the things and and i i i think

2655

01:47:52,550 --> 01:47:50,480

it's wonderful to hear this from you

2656

01:47:54,709 --> 01:47:52,560

in all of the writing in all of the

2657

01:47:57,590 --> 01:47:54,719

mythology and all of the

2658

01:47:58,470 --> 01:47:57,600

text or oral law that has come down to

2659

01:47:59,669 --> 01:47:58,480

us

2660

01:48:02,070 --> 01:47:59,679

we don't

2661

01:48:05,510 --> 01:48:02,080

have that answer there's never been any

2662

01:48:07,510 --> 01:48:05,520

insights into why they came why they

2663

01:48:09,830 --> 01:48:07,520

were here what their purpose was other

2664

01:48:12,070 --> 01:48:09,840

than that they they created us that

2665

01:48:14,550 --> 01:48:12,080

seemed pretty clear yeah in ancient

2666

01:48:17,430 --> 01:48:14,560

indian texts in the mahabharata or in

2667

01:48:20,070 --> 01:48:17,440

the vedic text two or three times some

2668

01:48:21,910 --> 01:48:20,080

humans ask their gods

2669

01:48:24,070 --> 01:48:21,920

why have you come here

2670

01:48:27,910 --> 01:48:24,080

what was the reason and the answer was

2671

01:48:30,830 --> 01:48:27,920

always we come here to study you

2672

01:48:33,350 --> 01:48:30,840

so like ethnologists

2673

01:48:35,510 --> 01:48:33,360

interesting interesting

2674

01:48:37,990 --> 01:48:35,520

um you made the statement earlier in the

2675

01:48:39,189 --> 01:48:38,000

interview that they were here and then

2676

01:48:41,910 --> 01:48:39,199

they left

2677

01:48:44,830 --> 01:48:41,920

um so you don't believe that there has

2678

01:48:46,390 --> 01:48:44,840

been visitation over the years since

2679

01:48:48,870 --> 01:48:46,400

antiquity

2680

01:48:51,510 --> 01:48:48,880

oh yes i believe again now

2681

01:48:52,629 --> 01:48:51,520

i was always a very skeptic

2682

01:48:55,669 --> 01:48:52,639

at least for

2683

01:48:58,629 --> 01:48:55,679

at least 30 40 years i was very skeptic

2684

01:49:01,189 --> 01:48:58,639

in the ufo ufo stories because there was

2685

01:49:03,830 --> 01:49:01,199

too many rubbish and nonsense around

2686

01:49:06,229 --> 01:49:03,840

also there were nice and honest people

2687

01:49:08,709 --> 01:49:06,239

but in the meantime i have changed my

2688

01:49:10,310 --> 01:49:08,719

opinion you know some years ago i had

2689

01:49:12,870 --> 01:49:10,320

the chance to

2690

01:49:15,109 --> 01:49:12,880

meet professor dr john mack

2691

01:49:16,950 --> 01:49:15,119

john mack was a harvard professor and he

2692

01:49:19,510 --> 01:49:16,960

would publish the book a book called

2693

01:49:22,310 --> 01:49:19,520

abductions about the abductions of

2694

01:49:25,510 --> 01:49:22,320

humans by extraterrestrials and in the

2695

01:49:27,510 --> 01:49:25,520

last years i had the chance in uh you

2696

01:49:30,709 --> 01:49:27,520

know the contact in the desert joshua

2697

01:49:33,350 --> 01:49:30,719

tree etc to meet wonderful personalities

2698

01:49:35,590 --> 01:49:33,360

who had contact with extraterrestrials

2699

01:49:36,709 --> 01:49:35,600

so for the moment i really start to

2700

01:49:39,510 --> 01:49:36,719

believe

2701

01:49:41,990 --> 01:49:39,520

somebody is observing us again

2702

01:49:44,229 --> 01:49:42,000

somebody is teaching our language

2703

01:49:46,870 --> 01:49:44,239

learning our language somebody is trying

2704

01:49:48,629 --> 01:49:46,880

to find out what are we what political

2705

01:49:50,709 --> 01:49:48,639

systems what religious systems do we

2706

01:49:52,790 --> 01:49:50,719

have they study us maybe they want to

2707

01:49:55,430 --> 01:49:52,800

find out could it be dangerous what kind

2708

01:49:58,870 --> 01:49:55,440

of weapons do we have but something is

2709

01:50:00,070 --> 01:49:58,880

going on in the past 30 years

2710

01:50:02,149 --> 01:50:00,080

and maybe

2711

01:50:04,550 --> 01:50:02,159

they return they are already back and

2712

01:50:06,790 --> 01:50:04,560

they don't show up at the moment

2713

01:50:08,470 --> 01:50:06,800

why do you think we've lost sight of our

2714

01:50:09,430 --> 01:50:08,480

past

2715

01:50:11,830 --> 01:50:09,440

yeah

2716

01:50:13,270 --> 01:50:11,840

it's probably because of

2717

01:50:16,070 --> 01:50:13,280

religion

2718

01:50:17,669 --> 01:50:16,080

but also because of education

2719

01:50:20,950 --> 01:50:17,679

as i said before

2720

01:50:23,189 --> 01:50:20,960

education means scientific education and

2721

01:50:25,990 --> 01:50:23,199

scientific education has to be

2722

01:50:27,229 --> 01:50:26,000

reasonable it has to make sense

2723

01:50:29,910 --> 01:50:27,239

and the

2724

01:50:32,470 --> 01:50:29,920

extraterrestrials for the last two three

2725

01:50:35,189 --> 01:50:32,480

thousand years made no sense

2726

01:50:38,950 --> 01:50:35,199

our science our modern science in maybe

2727

01:50:42,070 --> 01:50:38,960

about about 50 60 or 70 years old

2728

01:50:44,310 --> 01:50:42,080

but and it made no sense to think about

2729

01:50:47,430 --> 01:50:44,320

extraterrestrials but in the meantime

2730

01:50:49,830 --> 01:50:47,440

the situation has changed we know we

2731

01:50:53,430 --> 01:50:49,840

have earth light earth-like planets out

2732

01:50:55,669 --> 01:50:53,440

there we know it is possible to travel

2733

01:50:57,990 --> 01:50:55,679

from start to start in the meantime we

2734

01:51:00,270 --> 01:50:58,000

have an opener mind and we should

2735

01:51:03,030 --> 01:51:00,280

reconsider the wizard of the

2736

01:51:05,510 --> 01:51:03,040

extraterrestrials be it in the deep past

2737

01:51:07,990 --> 01:51:05,520

or be it in present time again we should

2738

01:51:10,070 --> 01:51:08,000

put it on the level of scientific at the

2739

01:51:12,390 --> 01:51:10,080

moment it's not scientific because

2740

01:51:14,310 --> 01:51:12,400

science wants to be reasonable i always

2741

01:51:18,870 --> 01:51:14,320

say to my followers

2742

01:51:25,910 --> 01:51:22,470

well and it seems like today we have

2743

01:51:28,550 --> 01:51:25,920

technology that somewhat parallels or

2744

01:51:30,550 --> 01:51:28,560

rivals what you read about in a lot of

2745

01:51:31,910 --> 01:51:30,560

the ancient stories

2746

01:51:36,070 --> 01:51:31,920

of course

2747

01:51:37,669 --> 01:51:36,080

yes but oh god i have as i said many

2748

01:51:39,430 --> 01:51:37,679

books on the market

2749

01:51:41,030 --> 01:51:39,440

and if you read it

2750

01:51:43,270 --> 01:51:41,040

you sooner or later because you can

2751
01:51:44,709 --> 01:51:43,280
control everything which i write and

2752
01:51:46,790 --> 01:51:44,719
they speak to

2753
01:51:49,430 --> 01:51:46,800
sooner or later you came to the same

2754
01:51:52,310 --> 01:51:49,440
conclusion as i i had a lot of

2755
01:51:55,510 --> 01:51:52,320
scientific criticisms and most of them

2756
01:51:58,149 --> 01:51:55,520
were wonderful and integral personality

2757
01:52:00,470 --> 01:51:58,159
who always thought this is all rubbish

2758
01:52:02,390 --> 01:52:00,480
rubbish what this eric van dyken says

2759
01:52:05,350 --> 01:52:02,400
and then we sit together

2760
01:52:07,830 --> 01:52:05,360
quiet friendly and had a scientific

2761
01:52:10,790 --> 01:52:07,840
discussion and after two hours they

2762
01:52:14,149 --> 01:52:10,800
always said to me eric we didn't know

2763
01:52:18,470 --> 01:52:14,159

this we had no information about this so

2764

01:52:20,950 --> 01:52:18,480

we change our meaning as time change

2765

01:52:23,189 --> 01:52:20,960

do you feel vindicated now that the

2766

01:52:25,109 --> 01:52:23,199

paradigm and

2767

01:52:26,950 --> 01:52:25,119

toward the whole idea of

2768

01:52:28,149 --> 01:52:26,960

extraterrestrials in our past has

2769

01:52:30,310 --> 01:52:28,159

changed

2770

01:52:32,149 --> 01:52:30,320

of course i am happy i mean in the

2771

01:52:32,950 --> 01:52:32,159

meantime i am

2772

01:52:35,270 --> 01:52:32,960

sorry

2773

01:52:37,750 --> 01:52:35,280

nearly 80 years old

2774

01:52:39,830 --> 01:52:37,760

my brain works perfect i'm still

2775

01:52:42,310 --> 01:52:39,840

traveling and by the way i will be in

2776

01:52:44,629 --> 01:52:42,320

the united states this year at least

2777

01:52:46,229 --> 01:52:44,639

twice one is this contact in the desert

2778

01:52:47,510 --> 01:52:46,239

you know joshua tree

2779

01:52:49,030 --> 01:52:47,520

on on

2780

01:52:51,189 --> 01:52:49,040

may 29

2781

01:52:54,229 --> 01:52:51,199

9 and the other visit in the united

2782

01:52:57,189 --> 01:52:54,239

states is the edgar gays ira in virginia

2783

01:53:01,030 --> 01:52:57,199

beach in the end of october so

2784

01:53:04,550 --> 01:53:01,040

i am happy that i am invited worldwide

2785

01:53:06,390 --> 01:53:04,560

and uh they present me as a sort of a

2786

01:53:09,990 --> 01:53:06,400

living legend

2787

01:53:11,589 --> 01:53:10,000

you're a man that needs no introduction

2788

01:53:14,390 --> 01:53:11,599

in my mind

2789

01:53:16,950 --> 01:53:14,400

let me ask you this one last question

2790

01:53:19,109 --> 01:53:16,960

your work has influenced millions of

2791

01:53:22,149 --> 01:53:19,119

people around the world

2792

01:53:25,669 --> 01:53:22,159

what do you hope your legacy will be in

2793

01:53:28,629 --> 01:53:25,679

20 50 100 years from now

2794

01:53:31,270 --> 01:53:28,639

i hope that this what i started with

2795

01:53:32,709 --> 01:53:31,280

this will never die again

2796

01:53:35,510 --> 01:53:32,719

in the meantime

2797

01:53:38,149 --> 01:53:35,520

too many other authors around the world

2798

01:53:40,310 --> 01:53:38,159

and absolutely integral personalities

2799

01:53:41,830 --> 01:53:40,320

have come up with their book and with

2800

01:53:44,550 --> 01:53:41,840

similar stories

2801

01:53:47,750 --> 01:53:44,560

also now on the market we have the first

2802

01:53:50,390 --> 01:53:47,760

scientific books written by scientists

2803

01:53:52,629 --> 01:53:50,400

of their special branch for example from

2804

01:53:55,750 --> 01:53:52,639

philosophy or from the technological

2805

01:53:58,149 --> 01:53:55,760

point of sale so i think what i started

2806

01:54:01,270 --> 01:53:58,159

will not die out anymore

2807

01:54:02,629 --> 01:54:01,280

if they called me later in 25 years i

2808

01:54:04,950 --> 01:54:02,639

was a fool

2809

01:54:06,229 --> 01:54:04,960

or i had just had enough fantasy it

2810

01:54:08,790 --> 01:54:06,239

doesn't matter

2811

01:54:10,550 --> 01:54:08,800

important is that we learn

2812

01:54:12,950 --> 01:54:10,560

this planet was visited by

2813

01:54:15,830 --> 01:54:12,960

extraterrestrials in the d past they

2814

01:54:18,310 --> 01:54:15,840

promised to return and they will return

2815

01:54:21,109 --> 01:54:18,320

well and i i think that's going to be a

2816

01:54:23,750 --> 01:54:21,119

very interesting day you know if they're

2817

01:54:25,910 --> 01:54:23,760

not already here you know if the contact

2818

01:54:27,830 --> 01:54:25,920

that people are having

2819

01:54:30,629 --> 01:54:27,840

is in contact with

2820

01:54:31,830 --> 01:54:30,639

these gods that we were in contact with

2821

01:54:33,990 --> 01:54:31,840

before

2822

01:54:35,109 --> 01:54:34,000

i would exclude nothing everything is

2823

01:54:37,910 --> 01:54:35,119

possible

2824

01:54:39,589 --> 01:54:37,920

yeah um okay all right eric i i know

2825

01:54:41,910 --> 01:54:39,599

that you have a lot going on you have a

2826
01:54:43,830 --> 01:54:41,920
lot on your plate so i'm gonna go ahead

2827
01:54:45,910 --> 01:54:43,840
and let you go

2828
01:54:48,950 --> 01:54:45,920
thank you so much for coming on and

2829
01:54:50,390 --> 01:54:48,960
spending time with me you have made my

2830
01:54:54,390 --> 01:54:50,400
day

2831
01:54:56,390 --> 01:54:54,400
i have been happy to be able to talk to

2832
01:54:59,030 --> 01:54:56,400
you and to that you give me the chance

2833
01:55:01,189 --> 01:54:59,040
to talk to me please tell the people in

2834
01:55:04,550 --> 01:55:01,199
the united states when i'm in the united

2835
01:55:07,030 --> 01:55:04,560
states again so on the 29th of may in uh

2836
01:55:09,189 --> 01:55:07,040
contacting visit joshua tree and edgar

2837
01:55:12,390 --> 01:55:09,199
geisha's place in virginia beach 9th to

2838
01:55:14,790 --> 01:55:12,400

11th october bye bye and thank you

2839

01:55:17,270 --> 01:55:14,800

okay thank you very much all right

2840

01:55:19,750 --> 01:55:17,280

bye-bye thank you good job

2841

01:55:23,270 --> 01:55:19,760

that's eric von daniken the author of

2842

01:55:26,470 --> 01:55:23,280

chariots of the gods in 54 other books

2843

01:55:28,390 --> 01:55:26,480

his website is danican.com

2844

01:55:30,950 --> 01:55:28,400

and next week we're going to be speaking

2845

01:55:34,149 --> 01:55:30,960

with larry scranton about the point of

2846

01:55:37,910 --> 01:55:34,159

origin until the next till next time i'm
