

Exposing the Truth, One Secret at a Time

# NIGHT VISION

Host: René Barnett

# RADIO

# Timothy Wyllie

1  
00:00:09,500 --> 00:00:02,360  
you're locked into Inception Radio

2  
00:00:16,300 --> 00:00:12,730  
you're tuned in to night vision radio

3  
00:00:19,100 --> 00:00:16,310  
exposing the truth one secret at a time

4  
00:00:21,560 --> 00:00:19,110  
prepare yourself as we explore the

5  
00:00:25,429 --> 00:00:21,570  
shadow worlds of suppressed history

6  
00:00:27,770 --> 00:00:25,439  
secret knowledge forbidden religion and

7  
00:01:10,450 --> 00:00:27,780  
shine a light on the conspiracies to

8  
00:01:10,460 --> 00:01:15,560  
welcome to night-vision radio

9  
00:01:20,460 --> 00:01:18,570  
good evening everybody thank you so much

10  
00:01:23,220 --> 00:01:20,470  
for joining us we have an exciting show

11  
00:01:24,990 --> 00:01:23,230  
planned for this evening I'm really

12  
00:01:27,450 --> 00:01:25,000  
really grateful to my good friend

13  
00:01:30,630 --> 00:01:27,460

Patricia Baker who connected me with my

14

00:01:32,490 --> 00:01:30,640

guest tonight and suggested him and my

15

00:01:34,950 --> 00:01:32,500

goodness as I was telling him on the

16

00:01:38,160 --> 00:01:34,960

phone prior to us going on air

17

00:01:42,150 --> 00:01:38,170

I've been steadily delving into his

18

00:01:45,060 --> 00:01:42,160

material his life story and it is quite

19

00:01:47,940 --> 00:01:45,070

quite amazing now I don't know how many

20

00:01:49,920 --> 00:01:47,950

of you might have seen the HBO

21

00:01:53,100 --> 00:01:49,930

documentary that was released this week

22

00:01:58,080 --> 00:01:53,110

all going clear about the Scientology

23

00:02:00,180 --> 00:01:58,090

Church of Scientology I know if you

24

00:02:02,130 --> 00:02:00,190

didn't see it you definitely heard about

25

00:02:03,740 --> 00:02:02,140

it because it was all over the news and

26

00:02:06,660 --> 00:02:03,750

there's been a lot of reviews on it

27

00:02:09,690 --> 00:02:06,670

since that time and so I thought it

28

00:02:14,730 --> 00:02:09,700

might be interesting and timely to sort

29

00:02:17,090 --> 00:02:14,740

of look into organizations like that and

30

00:02:20,940 --> 00:02:17,100

I'm not talking about necessarily in

31

00:02:24,180 --> 00:02:20,950

similar philosophy or but just how these

32

00:02:28,170 --> 00:02:24,190

organizations work how you get involved

33

00:02:31,590 --> 00:02:28,180

in them and actually a marvelous story

34

00:02:34,500 --> 00:02:31,600

and a very revelatory story about this

35

00:02:36,630 --> 00:02:34,510

gentleman's 15 year journey into an

36

00:02:40,020 --> 00:02:36,640

organization called the processed Church

37

00:02:42,840 --> 00:02:40,030

of the final judgment I have with me

38

00:02:45,720 --> 00:02:42,850

tonight artist musician and author

39

00:02:48,440 --> 00:02:45,730

Timothy Wiley timothy thank you so much

40

00:02:50,900 --> 00:02:48,450

for joining us well thank you so much

41

00:02:54,890 --> 00:02:50,910

for having me Renee it's a real pleasure

42

00:02:57,360 --> 00:02:54,900

well as I promised in some of the

43

00:02:59,460 --> 00:02:57,370

promotions that I posted online today

44

00:03:03,150 --> 00:02:59,470

we're going to be talking today about

45

00:03:05,550 --> 00:03:03,160

everything from cults to NDEs to angels

46

00:03:09,540 --> 00:03:05,560

so we've got quite a lot of material to

47

00:03:12,330 --> 00:03:09,550

cover but in reviewing your research I

48

00:03:14,280 --> 00:03:12,340

see that you know this is certainly

49

00:03:16,259 --> 00:03:14,290

nothing that you can't handle you've got

50

00:03:18,630 --> 00:03:16,269

a lot of experience in all these areas

51  
00:03:21,320 --> 00:03:18,640  
and have done some thorough research so

52  
00:03:25,140 --> 00:03:21,330  
I'm sure we can learn a lot from your

53  
00:03:28,170 --> 00:03:25,150  
experiences now can you talk a little

54  
00:03:28,920 --> 00:03:28,180  
bit the process church was originally

55  
00:03:32,910 --> 00:03:28,930  
founded

56  
00:03:36,119 --> 00:03:32,920  
a couple named Robert Moore and Marianne

57  
00:03:39,330 --> 00:03:36,129  
McLean who later changed the last name

58  
00:03:42,270 --> 00:03:39,340  
to Grimstone or des Grimstone because of

59  
00:03:45,149 --> 00:03:42,280  
its I'll call sort of connotations I

60  
00:03:47,039 --> 00:03:45,159  
guess now could you talk about what the

61  
00:03:48,869 --> 00:03:47,049  
alcohol content of that I mean when I

62  
00:03:50,970 --> 00:03:48,879  
see the word Grimstone I I think of

63  
00:03:51,629 --> 00:03:50,980

where grimoire is that am I on the right

64

00:03:56,270 --> 00:03:51,639

track

65

00:04:00,869 --> 00:03:56,280

I think corporate coincidence amazing

66

00:04:03,750 --> 00:04:00,879

Marianne had detentions I think you'd

67

00:04:06,390 --> 00:04:03,760

call it to being you know an important

68

00:04:08,670 --> 00:04:06,400

person and I think she wants to publish

69

00:04:10,979 --> 00:04:08,680

changeovers name or their name because

70

00:04:14,509 --> 00:04:10,989

they were married to two Grimstone

71

00:04:18,689 --> 00:04:14,519

because it sounded more authoritative

72

00:04:21,300 --> 00:04:18,699

and and unspecial I just think it was so

73

00:04:23,219 --> 00:04:21,310

much for the account aspect of that

74

00:04:24,960 --> 00:04:23,229

although I hadn't thought about it on

75

00:04:27,210 --> 00:04:24,970

two dimensions if you practice right

76

00:04:28,860 --> 00:04:27,220

well you know I had just read that

77

00:04:30,689 --> 00:04:28,870

somewhere and so I started trying to

78

00:04:33,719 --> 00:04:30,699

figure it out myself and I thought

79

00:04:37,710 --> 00:04:33,729

Grimstone well maybe grimoire you know I

80

00:04:39,510 --> 00:04:37,720

don't know but but maybe that wasn't it

81

00:04:41,850 --> 00:04:39,520

at all maybe as you said it sounded a

82

00:04:47,180 --> 00:04:41,860

bit more authoritative and possibly a

83

00:04:49,469 --> 00:04:47,190

little bit more aristocratic but now you

84

00:04:52,110 --> 00:04:49,479

were sort of involved with this

85

00:04:53,969 --> 00:04:52,120

organization almost you know in the very

86

00:04:57,540 --> 00:04:53,979

early days right and you know this was

87

00:04:59,399 --> 00:04:57,550

after Robert and Mary Ann left the

88

00:05:01,950 --> 00:04:59,409

Church of Scientology they were declared

89

00:05:05,760 --> 00:05:01,960

suppressive persons by L Ron Hubbard

90

00:05:07,589 --> 00:05:05,770

himself because probably they disagreed

91

00:05:11,990 --> 00:05:07,599

with some philosophy or another of his

92

00:05:16,980 --> 00:05:12,000

they split off and they did use some

93

00:05:19,439 --> 00:05:16,990

forms of of therapy or some methods of

94

00:05:21,960 --> 00:05:19,449

Scientology however they developed their

95

00:05:24,050 --> 00:05:21,970

very own philosophy that differed very

96

00:05:27,029 --> 00:05:24,060

greatly from Scientology is that correct

97

00:05:30,330 --> 00:05:27,039

yes that's correct yeah yeah the

98

00:05:35,670 --> 00:05:30,340

background really is such an I I was a

99

00:05:37,230 --> 00:05:35,680

dr. Carroll School with Roberts and the

100

00:05:38,580 --> 00:05:37,240

architectural training in England is

101  
00:05:42,660 --> 00:05:38,590  
quite a long one it's a seven-year

102  
00:05:45,210 --> 00:05:42,670  
training and Robert did three years

103  
00:05:47,130 --> 00:05:45,220  
then after three years we have one year

104  
00:05:49,560 --> 00:05:47,140  
out working in an office and then you go

105  
00:05:52,440 --> 00:05:49,570  
back to school again over the for the

106  
00:05:54,210 --> 00:05:52,450  
statistics in seven years and Robert

107  
00:05:56,070 --> 00:05:54,220  
left after the third year and I actually

108  
00:05:59,370 --> 00:05:56,080  
lost contact with him it was one of my

109  
00:06:01,980 --> 00:05:59,380  
best friends at that point when the only

110  
00:06:05,190 --> 00:06:01,990  
thing was and he does his national

111  
00:06:06,780 --> 00:06:05,200  
service and he was you know somewhat

112  
00:06:09,480 --> 00:06:06,790  
more sort of mature than the rest of us

113  
00:06:12,450 --> 00:06:09,490

in the architectural in that particular

114

00:06:14,990 --> 00:06:12,460

year so he was interested person very

115

00:06:18,240 --> 00:06:15,000

intelligent very bright very well-read

116

00:06:20,790 --> 00:06:18,250

we got on very well did he disappeared

117

00:06:23,550 --> 00:06:20,800

from my life anyway and when I came back

118

00:06:26,010 --> 00:06:23,560

I think in the fourth or sixth year here

119

00:06:29,010 --> 00:06:26,020

He contacted me out of the blue he

120

00:06:32,400 --> 00:06:29,020

divorces his wife and had remarried this

121

00:06:35,750 --> 00:06:32,410

new woman Mary Ann and had just was

122

00:06:39,780 --> 00:06:35,760

considering starting this psychotherapy

123

00:06:46,260 --> 00:06:39,790

and they asked me if I would be a guinea

124

00:06:50,880 --> 00:06:46,270

pig which I can cavalierly they just of

125

00:07:00,120 --> 00:06:50,890

course adventurous spirit you are well

126

00:07:02,160 --> 00:07:00,130

you know I've made a little one of the

127

00:07:04,530 --> 00:07:02,170

psychology Institute it sounds kind of

128

00:07:06,690 --> 00:07:04,540

used to the whole business of crime

129

00:07:08,310 --> 00:07:06,700

violence certain questions and you know

130

00:07:10,620 --> 00:07:08,320

being a guinea pig in that situation so

131

00:07:12,360 --> 00:07:10,630

I kind of willing to say yes now the

132

00:07:14,910 --> 00:07:12,370

reason they do that Scientology and the

133

00:07:17,600 --> 00:07:14,920

only that for about a year I think is

134

00:07:20,460 --> 00:07:17,610

that they really saw that Scientology

135

00:07:23,070 --> 00:07:20,470

was taking everybody in the wrong

136

00:07:25,200 --> 00:07:23,080

direction by which I mean they were

137

00:07:28,350 --> 00:07:25,210

using the technology basically to create

138

00:07:30,000 --> 00:07:28,360

little wrong habits and actually

139

00:07:33,000 --> 00:07:30,010

interesting and not somebody I think

140

00:07:36,540 --> 00:07:33,010

said that on that show that you were

141

00:07:38,250 --> 00:07:36,550

talking about on Monday that part of

142

00:07:40,920 --> 00:07:38,260

that process was turning people into

143

00:07:42,930 --> 00:07:40,930

little wrong happens so they spotted it

144

00:07:45,150 --> 00:07:42,940

pretty early and they realized that a

145

00:07:48,540 --> 00:07:45,160

meter that a little lie-detector machine

146

00:07:50,720 --> 00:07:48,550

a tablet was using could be used much

147

00:07:55,020 --> 00:07:50,730

much more intelligent in much more

148

00:07:56,230 --> 00:07:55,030

creatively and not trying to crazy you

149

00:07:58,270 --> 00:07:56,240

know

150

00:07:59,529 --> 00:07:58,280

Arianne the little robins but actually

151  
00:08:02,350 --> 00:07:59,539  
trying to find out more about ourselves

152  
00:08:04,510 --> 00:08:02,360  
which we did so it really started since

153  
00:08:06,460 --> 00:08:04,520  
in psychotherapy of course the more you

154  
00:08:08,529 --> 00:08:06,470  
dig into yourself the more you ask

155  
00:08:09,370 --> 00:08:08,539  
questions like why are you here you know

156  
00:08:11,469 --> 00:08:09,380  
why am I here

157  
00:08:14,770 --> 00:08:11,479  
what's my function here what am I really

158  
00:08:17,710 --> 00:08:14,780  
here to do the spiritual things start

159  
00:08:21,309 --> 00:08:17,720  
coming up you know not religious things

160  
00:08:23,620 --> 00:08:21,319  
but spiritual answers you know and so

161  
00:08:25,870 --> 00:08:23,630  
you know basically we gradually turned

162  
00:08:29,529 --> 00:08:25,880  
for psychotherapy into more of a

163  
00:08:31,510 --> 00:08:29,539

spiritual one I could sort of a mystery

164

00:08:33,279 --> 00:08:31,520

school when I guess you'd call it and

165

00:08:37,300 --> 00:08:33,289

then when we came to America some years

166

00:08:38,310 --> 00:08:37,310

later we we began with religion war for

167

00:08:41,560 --> 00:08:38,320

tax payer

168

00:08:43,570 --> 00:08:41,570

tax reasons than any other any other

169

00:08:46,660 --> 00:08:43,580

reason we continue to be a sort of

170

00:08:50,230 --> 00:08:46,670

psychotherapy and a spiritual therapy I

171

00:08:53,199 --> 00:08:50,240

think you say all the way through so

172

00:08:55,930 --> 00:08:53,209

more than then what we might call a

173

00:08:58,960 --> 00:08:55,940

mystery school it was actually more of a

174

00:09:02,280 --> 00:08:58,970

therapy although wasn't it sort of

175

00:09:04,630 --> 00:09:02,290

billed as a mystery school at one time I

176

00:09:07,360 --> 00:09:04,640

don't think anybody ever builders and

177

00:09:09,519 --> 00:09:07,370

mr. Scott I think it's something that I

178

00:09:11,350 --> 00:09:09,529

used in one of my books because it

179

00:09:14,470 --> 00:09:11,360

seemed to be to get closer to a mystery

180

00:09:16,690 --> 00:09:14,480

school than to anything else and he

181

00:09:19,210 --> 00:09:16,700

misses school is also a psychotherapy

182

00:09:21,639 --> 00:09:19,220

because essentially I mean if one wants

183

00:09:24,490 --> 00:09:21,649

to sort of clarify one's consciousness

184

00:09:28,530 --> 00:09:24,500

it was it's more a question of getting

185

00:09:30,970 --> 00:09:28,540

rid of stuff getting rid of that and the

186

00:09:32,710 --> 00:09:30,980

gentle oceans that we have allies we

187

00:09:34,690 --> 00:09:32,720

taught ourselves you know that we're not

188

00:09:37,269 --> 00:09:34,700

capable of doing this or we're not brave

189

00:09:38,560 --> 00:09:37,279

or not clever or whatever it is it's

190

00:09:43,650 --> 00:09:38,570

more a question of getting rid of those

191

00:09:45,720 --> 00:09:43,660

things in any in any sort of a study of

192

00:09:49,030 --> 00:09:45,730

the spiritual world

193

00:09:52,690 --> 00:09:49,040

well I must say that I in reading some

194

00:09:56,860 --> 00:09:52,700

of the material certainly some of it

195

00:09:59,430 --> 00:09:56,870

makes very good sense obviously the

196

00:10:03,819 --> 00:09:59,440

people involved were highly intelligent

197

00:10:05,439 --> 00:10:03,829

and I could see how other people you

198

00:10:07,449 --> 00:10:05,449

know people say how do you get involved

199

00:10:09,670 --> 00:10:07,459

with these groups and how do you get

200

00:10:13,450 --> 00:10:09,680

sucked in

201  
00:10:16,210 --> 00:10:13,460  
I think and it it seems that people

202  
00:10:18,730 --> 00:10:16,220  
think oh I'm too smart to get involved

203  
00:10:21,310 --> 00:10:18,740  
with something like that but really it's

204  
00:10:23,650 --> 00:10:21,320  
kind of the opposite isn't it it's if

205  
00:10:26,050 --> 00:10:23,660  
you're really really intelligent then

206  
00:10:28,930 --> 00:10:26,060  
you're going to be exploring these kinds

207  
00:10:31,510 --> 00:10:28,940  
of ideas and some of them are very very

208  
00:10:33,579 --> 00:10:31,520  
good in its if you can sort of take what

209  
00:10:37,810 --> 00:10:33,589  
you can use and leave the rest you're

210  
00:10:41,500 --> 00:10:37,820  
okay but a lot of it made it made a lot

211  
00:10:44,829 --> 00:10:41,510  
of sense to me and I'm not I know some

212  
00:10:49,030 --> 00:10:44,839  
of it was controversial and I think

213  
00:10:51,400 --> 00:10:49,040

there's certain sort of buzzwords they

214

00:10:53,920 --> 00:10:51,410

or words that are sort of emotionally

215

00:10:56,139 --> 00:10:53,930

charged for people in general just

216

00:10:59,230 --> 00:10:56,149

because of our upbringing society our

217

00:11:01,180 --> 00:10:59,240

programming words like Satan and Lucifer

218

00:11:04,329 --> 00:11:01,190

and things like that when they come up

219

00:11:08,500 --> 00:11:04,339

it's just sort of a deal breaker for

220

00:11:13,510 --> 00:11:08,510

some people but there really was sort of

221

00:11:16,110 --> 00:11:13,520

in some ways some historical basis for

222

00:11:19,390 --> 00:11:16,120

these kinds of beliefs in some of the

223

00:11:21,880 --> 00:11:19,400

earlier Gnostic type beliefs in that

224

00:11:24,640 --> 00:11:21,890

sort of thing at least that was what I

225

00:11:27,910 --> 00:11:24,650

took from it as I was looking into the

226

00:11:30,760 --> 00:11:27,920

material is is that fair to say yes

227

00:11:33,850 --> 00:11:30,770

that's very that's very correct and I

228

00:11:39,329 --> 00:11:33,860

think you know to point to the agnostic

229

00:11:43,180 --> 00:11:39,339

would be a very good point because we

230

00:11:46,510 --> 00:11:43,190

you see we really didn't get into this

231

00:11:49,480 --> 00:11:46,520

whole sort of business of religion wrong

232

00:11:53,740 --> 00:11:49,490

a belief point of view we got into it

233

00:11:55,329 --> 00:11:53,750

from a behavioral point of view we

234

00:11:58,600 --> 00:11:55,339

started realizing that we're different

235

00:12:04,210 --> 00:11:58,610

types of people and the typology was

236

00:12:07,540 --> 00:12:04,220

very similar to the kind of prism which

237

00:12:11,019 --> 00:12:07,550

is over in type we saw as being you know

238

00:12:13,540 --> 00:12:11,029

very authoritative very controlling you

239

00:12:15,069 --> 00:12:13,550

know with the dark side and a light side

240

00:12:17,230 --> 00:12:15,079

you know that they tend to be great

241

00:12:19,540 --> 00:12:17,240

leaders but they also tend to be quite

242

00:12:21,910 --> 00:12:19,550

egocentric you know then you get the

243

00:12:23,440 --> 00:12:21,920

Luciferian type of who tends to be more

244

00:12:29,130 --> 00:12:23,450

artistic

245

00:12:33,220 --> 00:12:29,140

we're more interested in creating

246

00:12:35,140 --> 00:12:33,230

beautiful effects on people the dark

247

00:12:39,310 --> 00:12:35,150

side being that they can slip into

248

00:12:41,710 --> 00:12:39,320

self-indulgence the Christian type wants

249

00:12:43,390 --> 00:12:41,720

to bring everybody together and in peace

250

00:12:48,450 --> 00:12:43,400

and love and charity and nothing like

251  
00:12:52,240 --> 00:12:48,460  
that the satanic type is very sorry and

252  
00:12:55,930 --> 00:12:52,250  
often you know takes public roles of I'm

253  
00:12:57,550 --> 00:12:55,940  
so sorry my cash is on my back is you've

254  
00:13:03,790 --> 00:12:57,560  
got the cat problem I have the dog

255  
00:13:07,720 --> 00:13:03,800  
problem so the I don't think don't

256  
00:13:11,050 --> 00:13:07,730  
scratch as much as cats you know they

257  
00:13:13,000 --> 00:13:11,060  
have so many we have to finish off that

258  
00:13:15,850 --> 00:13:13,010  
little cycle Housatonic type is often

259  
00:13:18,820 --> 00:13:15,860  
the fiery type the phenotype also the

260  
00:13:21,180 --> 00:13:18,830  
very rebellious types so that's the way

261  
00:13:24,850 --> 00:13:21,190  
we came into it and then when we started

262  
00:13:27,220 --> 00:13:24,860  
you know having to sort of dictate the

263  
00:13:30,400 --> 00:13:27,230

terms of our religion you know in order

264

00:13:36,370 --> 00:13:30,410

to get their tax exemption and you know

265

00:13:40,450 --> 00:13:36,380

we kind of made it much more specific

266

00:13:45,280 --> 00:13:40,460

and much more clarifies and then you

267

00:13:48,040 --> 00:13:45,290

know it became you know something to do

268

00:13:49,510 --> 00:13:48,050

with before God's know I never worship

269

00:13:51,550 --> 00:13:49,520

the I don't think any of us worship

270

00:13:55,200 --> 00:13:51,560

these gods it wasn't that worship Satan

271

00:13:57,370 --> 00:13:55,210

no worshipping Jennifer it was about

272

00:14:00,370 --> 00:13:57,380

understanding them understanding the

273

00:14:04,110 --> 00:14:00,380

nature of these archetypes that make

274

00:14:08,650 --> 00:14:04,120

sense yes absolutely absolutely it does

275

00:14:11,950 --> 00:14:08,660

now you said you know obviously you

276

00:14:15,970 --> 00:14:11,960

already knew one of the founders you

277

00:14:18,340 --> 00:14:15,980

knew Robert before he the the processed

278

00:14:22,390 --> 00:14:18,350

church was ever founded before he even

279

00:14:24,580 --> 00:14:22,400

ever met Mary Ann said and then they

280

00:14:26,410 --> 00:14:24,590

started using you as a guinea pig to try

281

00:14:31,050 --> 00:14:26,420

out this therapy that they were

282

00:14:34,600 --> 00:14:31,060

developing how did that go from the

283

00:14:36,790 --> 00:14:34,610

evolving into the the church itself I

284

00:14:39,449 --> 00:14:36,800

mean I know you just explained

285

00:14:42,819 --> 00:14:39,459

in some way how those theories and

286

00:14:46,030 --> 00:14:42,829

evolved but how did it then become an

287

00:14:49,600 --> 00:14:46,040

organization is it was it because of the

288

00:14:55,600 --> 00:14:49,610

tax-exempt status and which allows

289

00:15:01,179 --> 00:14:55,610

operate yes we started becoming aware of

290

00:15:02,710 --> 00:15:01,189

the philosophy I think we were talking

291

00:15:04,509 --> 00:15:02,720

at the same time I miss what you would

292

00:15:10,350 --> 00:15:04,519

you want have we lost my guest

293

00:15:13,169 --> 00:15:10,360

I think I'm sure am I here hello hello

294

00:15:19,720 --> 00:15:13,179

well we're talking with Timothy Wiley

295

00:15:21,249 --> 00:15:19,730

author of love sex death and about the

296

00:15:23,379 --> 00:15:21,259

process Church it seems that he's

297

00:15:28,139 --> 00:15:23,389

dropped out of the line we'll see if we

298

00:15:30,400 --> 00:15:28,149

can't get hello hello there we go

299

00:15:33,340 --> 00:15:30,410

was that you that dropped out or was

300

00:15:37,780 --> 00:15:33,350

that me I'm stuck I can tell I know I do

301

00:15:41,859 --> 00:15:37,790

drop out every once in a while oh oh

302

00:15:44,049 --> 00:15:41,869

sorry about them if I think you're

303

00:15:46,269 --> 00:15:44,059

asking about how how this becomes an

304

00:15:48,189 --> 00:15:46,279

organization well what happens is I was

305

00:15:50,439 --> 00:15:48,199

basically the first one who was a guinea

306

00:15:52,090 --> 00:15:50,449

pig and because I was the occupational

307

00:15:54,369 --> 00:15:52,100

school and because I know the kind of

308

00:15:58,119 --> 00:15:54,379

person who tends to gather people around

309

00:16:00,579 --> 00:15:58,129

him you know almost unconsciously in a

310

00:16:04,329 --> 00:16:00,589

way you know laundered by train started

311

00:16:05,829 --> 00:16:04,339

joining and you know going in for

312

00:16:10,359 --> 00:16:05,839

therapy and everything and that's really

313

00:16:12,220 --> 00:16:10,369

how it started i i'm that's actually

314

00:16:14,769 --> 00:16:12,230

after about six or seven months I had a

315

00:16:17,259 --> 00:16:14,779

terrible brown with Marianne and I said

316

00:16:20,619 --> 00:16:17,269

I'd had nothing I left and that's for

317

00:16:23,350 --> 00:16:20,629

two years and when I came back because

318

00:16:25,569 --> 00:16:23,360

it was all organized and they were in

319

00:16:29,439 --> 00:16:25,579

Wigmore Street and they had 40 or 50

320

00:16:32,979 --> 00:16:29,449

people coming every two days it was

321

00:16:38,439 --> 00:16:32,989

concerns I miss a lot of that early

322

00:16:41,729 --> 00:16:38,449

stage now this was this was in the 60s

323

00:16:44,259 --> 00:16:41,739

and the 70s and it you know sort of

324

00:16:47,379 --> 00:16:44,269

probably your involvement in these kinds

325

00:16:48,879 --> 00:16:47,389

of matters came you know sort of in the

326

00:16:51,669 --> 00:16:48,889

post-war era

327

00:16:54,189 --> 00:16:51,679

imagine when people were becoming a

328

00:16:58,989 --> 00:16:54,199

little bit disillusioned and starting to

329

00:17:02,579 --> 00:16:58,999

look for different ways of of being it

330

00:17:05,230 --> 00:17:02,589

was that sort of a sign of the times I

331

00:17:08,799 --> 00:17:05,240

think so yes I know I did go out to

332

00:17:10,990 --> 00:17:08,809

write I I can't speak for America but in

333

00:17:13,090 --> 00:17:11,000

England you see in the in the early 60s

334

00:17:16,360 --> 00:17:13,100

or the late 50s and early 60s because

335

00:17:19,779 --> 00:17:16,370

it's really basically started about 1963

336

00:17:22,360 --> 00:17:19,789

1964 we were all absolutely convinced

337

00:17:25,029 --> 00:17:22,370

that there was going to be an atomic war

338

00:17:28,029 --> 00:17:25,039

I mean you know we just come out of on

339

00:17:30,610 --> 00:17:28,039

well we knew what was you were like we

340

00:17:33,700 --> 00:17:30,620

knew what Thomas is I grew up with bombs

341

00:17:36,850 --> 00:17:33,710

dropping on my head so you know we had

342

00:17:39,870 --> 00:17:36,860

no solutions about it we use it you know

343

00:17:43,480 --> 00:17:39,880

wasn't worth getting getting younger a

344

00:17:48,009 --> 00:17:43,490

table your protection on your decimal

345

00:17:50,320 --> 00:17:48,019

protection bombs blew everything up so I

346

00:17:53,830 --> 00:17:50,330

you know it was a very very difficult

347

00:17:56,649 --> 00:17:53,840

time also we were covering from the war

348

00:17:58,720 --> 00:17:56,659

you know we kind of had the delusions we

349

00:18:01,120 --> 00:17:58,730

won the war which cost me you really won

350

00:18:02,950 --> 00:18:01,130

the war and I remember the terrible fate

351  
00:18:05,500 --> 00:18:02,960  
and the heart of that is germs even the

352  
00:18:08,019 --> 00:18:05,510  
terrible state so yes it was all that

353  
00:18:09,700 --> 00:18:08,029  
going on and also you know being young

354  
00:18:12,360 --> 00:18:09,710  
people you know and I sort of thinner

355  
00:18:14,649 --> 00:18:12,370  
trenches yeah we were looking at

356  
00:18:17,879 --> 00:18:14,659  
authorities Otakon us into two world

357  
00:18:20,049 --> 00:18:17,889  
wars within 25 years you know it's all

358  
00:18:22,899 --> 00:18:20,059  
there has to be a better way than this

359  
00:18:25,180 --> 00:18:22,909  
you know so really it I think what drew

360  
00:18:27,430 --> 00:18:25,190  
us all together and public what's your

361  
00:18:30,340 --> 00:18:27,440  
authority for two more groups like ours

362  
00:18:33,159 --> 00:18:30,350  
was let's try and find out a better way

363  
00:18:35,740 --> 00:18:33,169

of both being together you know and of

364

00:18:40,389 --> 00:18:35,750

course once you get into that you find

365

00:18:42,730 --> 00:18:40,399

there's an awful lot of problems that we

366

00:18:45,730 --> 00:18:42,740

have both internally the prevents us

367

00:18:47,500 --> 00:18:45,740

from getting on with people so we better

368

00:18:49,539 --> 00:18:47,510

take care of ourselves before this job's

369

00:18:52,060 --> 00:18:49,549

trying to save the world right that's

370

00:18:54,039 --> 00:18:52,070

ready by basic soil stands make friends

371

00:18:56,139 --> 00:18:54,049

from ourselves make friends with all the

372

00:18:58,680 --> 00:18:56,149

sort of the the negative aspects of

373

00:19:02,530 --> 00:18:58,690

ourselves so we can release those things

374

00:19:04,560 --> 00:19:02,540

you know boys try to have other people

375

00:19:07,900 --> 00:19:04,570

now I know a lot of times in

376

00:19:09,850 --> 00:19:07,910

organizations whether they be you know

377

00:19:13,360 --> 00:19:09,860

research organization or whether they be

378

00:19:15,610 --> 00:19:13,370

a religious organization a lot of times

379

00:19:18,370 --> 00:19:15,620

we'll start out with sort of one you

380

00:19:24,010 --> 00:19:18,380

know mission statement or raise on that

381

00:19:27,430 --> 00:19:24,020

and it's it does have a lot of good

382

00:19:29,730 --> 00:19:27,440

aspects to it or positive aspects but

383

00:19:34,750 --> 00:19:29,740

then it seems when people start

384

00:19:38,170 --> 00:19:34,760

organizing that sometimes a hierarchy

385

00:19:43,210 --> 00:19:38,180

will develop and there becomes to be

386

00:19:45,630 --> 00:19:43,220

problems with egos did that happen in

387

00:19:49,090 --> 00:19:45,640

the organization the processed church

388

00:19:51,940 --> 00:19:49,100

did it start out one thing and then sort

389

00:19:55,990 --> 00:19:51,950

of expanded into something else with

390

00:20:00,040 --> 00:19:56,000

egos going out of control or for

391

00:20:03,340 --> 00:20:00,050

instance I heard that while Robert wrote

392

00:20:05,620 --> 00:20:03,350

the books and and and did a lot of the

393

00:20:07,450 --> 00:20:05,630

talking that Mary Ann was actually the

394

00:20:10,510 --> 00:20:07,460

real powerhouse behind the group is that

395

00:20:12,490 --> 00:20:10,520

it is there any truth to that oh yes no

396

00:20:16,960 --> 00:20:12,500

absolutely no she was there it was

397

00:20:19,630 --> 00:20:16,970

really a matriarchy but she decided to

398

00:20:23,080 --> 00:20:19,640

sort of stay behind the scenes you know

399

00:20:25,450 --> 00:20:23,090

the kind of be the invisible sort of

400

00:20:27,820 --> 00:20:25,460

power behind the throne the turbulence

401  
00:20:31,210 --> 00:20:27,830  
Robert had never really sort of cut the

402  
00:20:35,170 --> 00:20:31,220  
public biscuit he never really you know

403  
00:20:36,910 --> 00:20:35,180  
made it applause of one Messiah he

404  
00:20:39,730 --> 00:20:36,920  
wasn't that good a talker he was a good

405  
00:20:41,710 --> 00:20:39,740  
thinker but it wasn't a great talker but

406  
00:20:43,210 --> 00:20:41,720  
you pointed that organisation is

407  
00:20:45,460 --> 00:20:43,220  
changing yes of course I think

408  
00:20:48,190 --> 00:20:45,470  
organizations do change and it's

409  
00:20:50,470 --> 00:20:48,200  
basically you know a small group like

410  
00:20:52,900 --> 00:20:50,480  
that where you got a number of people

411  
00:20:55,450 --> 00:20:52,910  
interacting very intensely together and

412  
00:20:56,680 --> 00:20:55,460  
yes hierarchies and do a nice because

413  
00:20:58,360 --> 00:20:56,690

some people are smarter than other

414

00:21:00,430 --> 00:20:58,370

people some people do some things that

415

00:21:02,950 --> 00:21:00,440

some other people and you know when

416

00:21:04,870 --> 00:21:02,960

you're trying to organize a situation

417

00:21:09,160 --> 00:21:04,880

you can't put people to do the best

418

00:21:11,530 --> 00:21:09,170

things you know in you know in the

419

00:21:15,190 --> 00:21:11,540

relevant positions so you're bound to

420

00:21:16,210 --> 00:21:15,200

get hierarchies I think we kind of we

421

00:21:18,279 --> 00:21:16,220

have a sort of

422

00:21:20,380 --> 00:21:18,289

a really negative understanding of

423

00:21:23,230 --> 00:21:20,390

hierarchies because of the hierarchies

424

00:21:26,460 --> 00:21:23,240

we know is sort of so badly balanced and

425

00:21:31,630 --> 00:21:26,470

and the authorities often you know don't

426

00:21:34,419 --> 00:21:31,640

you know aren't don't have our respect

427

00:21:35,950 --> 00:21:34,429

but if you could imagine that the

428

00:21:38,380 --> 00:21:35,960

situation you know where everybody

429

00:21:40,930 --> 00:21:38,390

basically is functioning is optimal if

430

00:21:43,210 --> 00:21:40,940

it what is in the position that they

431

00:21:44,409 --> 00:21:43,220

function best at then there's a

432

00:21:46,930 --> 00:21:44,419

hierarchy this is the detective

433

00:21:47,590 --> 00:21:46,940

hierarchy and everybody I can't hear you

434

00:21:49,390 --> 00:21:47,600

I hope you can

435

00:21:51,130 --> 00:21:49,400

oh there you go I can hear you again I'm

436

00:21:52,750 --> 00:21:51,140

not sure I'm sorry

437

00:21:57,250 --> 00:21:52,760

listeners for the technical problems

438

00:22:00,460 --> 00:21:57,260

that we're having so did what was it

439

00:22:04,510 --> 00:22:00,470

that that made Mary Ann the special one

440

00:22:06,460 --> 00:22:04,520

was I mean it seems to me that people

441

00:22:09,399 --> 00:22:06,470

were encouraged to sort of look to her

442

00:22:14,770 --> 00:22:09,409

as a goddess and that that's what Robert

443

00:22:17,230 --> 00:22:14,780

saw her as no I know nobody encouraged

444

00:22:19,600 --> 00:22:17,240

anybody to think of her as the Guardians

445

00:22:22,120 --> 00:22:19,610

by any means it's actually who's never

446

00:22:24,190 --> 00:22:22,130

talked about in those terms and she was

447

00:22:28,029 --> 00:22:24,200

an extraordinary woman I mean she was

448

00:22:32,620 --> 00:22:28,039

absolutely brilliant I think anybody

449

00:22:34,240 --> 00:22:32,630

anybody however did must say just liked

450

00:22:37,210 --> 00:22:34,250

and I just liked her intensity for the

451  
00:22:39,159 --> 00:22:37,220  
first couple of years know what have to

452  
00:22:41,680 --> 00:22:39,169  
admit that she was incredibly brilliant

453  
00:22:44,320 --> 00:22:41,690  
she was psychic she was she is one of

454  
00:22:47,320 --> 00:22:44,330  
natural psychic intelligences they could

455  
00:22:51,490 --> 00:22:47,330  
just read somebody and I you know I I

456  
00:22:53,590 --> 00:22:51,500  
remember taking a very very strange

457  
00:22:56,230 --> 00:22:53,600  
architects we would do some filming work

458  
00:22:59,080 --> 00:22:56,240  
together to meet her which is my rash is

459  
00:23:02,380 --> 00:22:59,090  
I rarely met people from the outside he

460  
00:23:05,230 --> 00:23:02,390  
was not a believer he'd you know within

461  
00:23:10,480 --> 00:23:05,240  
20 minutes he was you know she had him

462  
00:23:14,890 --> 00:23:10,490  
eating out of her hand she's very

463  
00:23:18,850 --> 00:23:14,900

persuasive yes nothing was persuasive

464

00:23:22,330 --> 00:23:18,860

but just naturally just naturally just

465

00:23:24,700 --> 00:23:22,340

naturally brilliant gosh it's hard to

466

00:23:28,210 --> 00:23:24,710

describe isn't it because it is quite

467

00:23:30,050 --> 00:23:28,220

rare people like that are quite rare but

468

00:23:33,470 --> 00:23:30,060

they just they just completely

469

00:23:36,170 --> 00:23:33,480

hold onto tension mainly because they

470

00:23:37,790 --> 00:23:36,180

know so much about you and this is

471

00:23:39,950 --> 00:23:37,800

really weather so brilliant because they

472

00:23:42,590 --> 00:23:39,960

can dig underneath the surface and tell

473

00:23:45,200 --> 00:23:42,600

you things about yourself and talk to

474

00:23:48,050 --> 00:23:45,210

you on that level that draws the best of

475

00:23:51,560 --> 00:23:48,060

you out it's a wonderful quality and a

476

00:23:57,110 --> 00:23:51,570

very difficult one to keep keep doing

477

00:23:59,330 --> 00:23:57,120

with nothing no obviously you did take

478

00:24:02,330 --> 00:23:59,340

some positive things and there were some

479

00:24:03,620 --> 00:24:02,340

positive experiences and it was it

480

00:24:07,490 --> 00:24:03,630

seemed like a tremendous learning

481

00:24:10,610 --> 00:24:07,500

experience but what happened in the end

482

00:24:18,860 --> 00:24:10,620

why did you leave did I think you left

483

00:24:20,540 --> 00:24:18,870

in 1977 advisor of of people going into

484

00:24:23,380 --> 00:24:20,550

these groups if they feel like it

485

00:24:26,930 --> 00:24:23,390

because what it does it allows one to

486

00:24:29,320 --> 00:24:26,940

express and experience a whole series of

487

00:24:32,300 --> 00:24:29,330

different emotion for different

488

00:24:34,040 --> 00:24:32,310

different activities one would never

489

00:24:37,220 --> 00:24:34,050

experience something normal conditions

490

00:24:39,470 --> 00:24:37,230

it pushes on to the very limit really

491

00:24:43,250 --> 00:24:39,480

much like people go to war to find out

492

00:24:45,110 --> 00:24:43,260

who they are you know I think spiritual

493

00:24:47,060 --> 00:24:45,120

people you know turn to these small

494

00:24:52,390 --> 00:24:47,070

groups in order to find out who they are

495

00:24:55,360 --> 00:24:52,400

and yes it was a rich experience but

496

00:24:59,800 --> 00:24:55,370

would you do it again

497

00:25:02,060 --> 00:24:59,810

see if you could go back in time I I

498

00:25:05,270 --> 00:25:02,070

can't see a situation where I would ever

499

00:25:08,270 --> 00:25:05,280

need to do it again no no no but I mean

500

00:25:11,330 --> 00:25:08,280

if you could live your life over again

501  
00:25:13,250 --> 00:25:11,340  
do you feel that largely it was a

502  
00:25:16,850 --> 00:25:13,260  
positive experience and that you learned

503  
00:25:21,620 --> 00:25:16,860  
a lot I mean I heard you say I think on

504  
00:25:25,130 --> 00:25:21,630  
another broadcast at struggling it can

505  
00:25:28,520 --> 00:25:25,140  
be good that we need to struggle to

506  
00:25:31,220 --> 00:25:28,530  
realize the joy and that a lot of times

507  
00:25:34,280 --> 00:25:31,230  
when we suffer pain we realize later

508  
00:25:37,250 --> 00:25:34,290  
that we've received sort of gifts from

509  
00:25:38,660 --> 00:25:37,260  
that I know you know for instance you

510  
00:25:41,530 --> 00:25:38,670  
know I lost my daughter

511  
00:25:44,000 --> 00:25:41,540  
ten years ago and it's the most horrible

512  
00:25:48,050 --> 00:25:44,010  
painful experience

513  
00:25:52,370 --> 00:25:48,060

I can imagine one could have but I do

514

00:25:54,650 --> 00:25:52,380

realize over time that I have been given

515

00:25:57,500 --> 00:25:54,660

gifts I believe that I'm actually a

516

00:26:00,680 --> 00:25:57,510

better person from having suffered that

517

00:26:04,070 --> 00:26:00,690

pain I'm a much more empathetic person

518

00:26:06,140 --> 00:26:04,080

I'm a much more understanding person I

519

00:26:08,000 --> 00:26:06,150

sort of look at people now and you know

520

00:26:11,690 --> 00:26:08,010

maybe someone's not acting in a way that

521

00:26:13,490 --> 00:26:11,700

I appreciate and I say to myself well I

522

00:26:14,960 --> 00:26:13,500

don't know what's going on in their life

523

00:26:17,030 --> 00:26:14,970

you know they I don't know what

524

00:26:20,170 --> 00:26:17,040

struggles that they're going on

525

00:26:23,720 --> 00:26:20,180

that they have going on internally so

526

00:26:26,930 --> 00:26:23,730

certainly a bad experience can be a

527

00:26:29,090 --> 00:26:26,940

learning experience nonetheless but do

528

00:26:33,320 --> 00:26:29,100

you see it in those terms or do you see

529

00:26:35,030 --> 00:26:33,330

it as largely positive it would be

530

00:26:36,980 --> 00:26:35,040

sleepless Nick I think for me to say

531

00:26:39,890 --> 00:26:36,990

that it was largely positive a larger

532

00:26:42,260 --> 00:26:39,900

negative it was it was a bit of

533

00:26:44,510 --> 00:26:42,270

everything but the main thing was it it

534

00:26:46,730 --> 00:26:44,520

took everything to an extreme I mean

535

00:26:51,320 --> 00:26:46,740

there was a situation for instance when

536

00:26:53,480 --> 00:26:51,330

we were in innings ago and there was a

537

00:26:56,480 --> 00:26:53,490

hurricane coming towards us and we were

538

00:26:57,980 --> 00:26:56,490

living on the seashore and we were

539

00:27:00,530 --> 00:26:57,990

warned to leave and everything and we

540

00:27:02,690 --> 00:27:00,540

said no we we be sharing the space by

541

00:27:06,890 --> 00:27:02,700

our guides and we were going to stay and

542

00:27:11,390 --> 00:27:06,900

so we did it and do know that the

543

00:27:14,480 --> 00:27:11,400

hurricane came and we did our circle and

544

00:27:19,400 --> 00:27:14,490

we talked to our our guides and we also

545

00:27:21,490 --> 00:27:19,410

hearken to to business and it I would

546

00:27:23,180 --> 00:27:21,500

say this fast but it didn't completely

547

00:27:26,480 --> 00:27:23,190

bus away

548

00:27:28,760 --> 00:27:26,490

you're still here yeah yeah

549

00:27:30,920 --> 00:27:28,770

they said fascinating you can now see

550

00:27:32,660 --> 00:27:30,930

that you brought up one of the next on

551

00:27:34,520 --> 00:27:32,670

Google things you can see coming

552

00:27:36,800 --> 00:27:34,530

straight for and though you could jump

553

00:27:38,780 --> 00:27:36,810

in into it right love those it just

554

00:27:41,450 --> 00:27:38,790

turns off and goes down the coast and

555

00:27:43,370 --> 00:27:41,460

blows away Santa Cruz you know and I

556

00:27:46,880 --> 00:27:43,380

think he killed I was almost 300 people

557

00:27:50,060 --> 00:27:46,890

down there in situations like that are

558

00:27:53,540 --> 00:27:50,070

really facing it's interesting facing

559

00:27:55,180 --> 00:27:53,550

death the way and and coming through and

560

00:27:57,370 --> 00:27:55,190

coming up the other side of this and

561

00:28:00,460 --> 00:27:57,380

realizing okay you know

562

00:28:04,539 --> 00:28:00,470

I saw how I reacted in that and I know a

563

00:28:07,180 --> 00:28:04,549

lot about about the the impulse towards

564

00:28:10,440 --> 00:28:07,190

death for instance and which I didn't

565

00:28:13,180 --> 00:28:10,450

know I had but I came out so the

566

00:28:17,250 --> 00:28:13,190

situations like that were tremendously

567

00:28:20,919 --> 00:28:17,260

insightful that's the point I'm making

568

00:28:24,640 --> 00:28:20,929

great well you know I know that during

569

00:28:27,270 --> 00:28:24,650

your stay with the organization or

570

00:28:31,299 --> 00:28:27,280

during your time with the organization

571

00:28:33,610 --> 00:28:31,309

you had a near-death experience and I

572

00:28:36,669 --> 00:28:33,620

would really love it if you would get

573

00:28:39,549 --> 00:28:36,679

into that during the second half hour

574

00:28:41,740 --> 00:28:39,559

we're gonna take a break here in just a

575

00:28:45,610 --> 00:28:41,750

few seconds and would love to hear about

576

00:28:47,350 --> 00:28:45,620

that and your subsequent research into

577

00:28:50,799 --> 00:28:47,360

near-death experiences and it's into the

578

00:28:53,830 --> 00:28:50,809

afterlife you are listening to night

579

00:28:56,880 --> 00:28:53,840

vision radio my guest is Timothy Wylie

580

00:29:00,610 --> 00:28:56,890

he's a musician artist and author and

581

00:29:20,620 --> 00:29:00,620

we're talking about cults NDEs and

582

00:29:27,289 --> 00:29:24,560

hello everyone Lorien Fenton here hosted

583

00:29:29,779 --> 00:29:27,299

the California MUFON radio show asking

584

00:29:32,390 --> 00:29:29,789

if you'd like special access to

585

00:29:36,080 --> 00:29:32,400

exclusive and amazing information about

586

00:29:39,440 --> 00:29:36,090

UFOs the paranormal and all things

587

00:29:43,039 --> 00:29:39,450

unexplained if you're nodding yes then

588

00:29:44,840 --> 00:29:43,049

join our ends insider Club as an insider

589

00:29:47,810 --> 00:29:44,850

club member you'll get an all-access

590

00:29:52,190 --> 00:29:47,820

pass to premiere inception radio network

591

00:29:55,010 --> 00:29:52,200

content for only \$4.99 a month this

592

00:29:57,980 --> 00:29:55,020

includes live UFO and paranormal

593

00:30:01,159 --> 00:29:57,990

conferences live streaming UFO sky

594

00:30:04,220 --> 00:30:01,169

watches exclusive irn radio and TV

595

00:30:07,340 --> 00:30:04,230

productions and of course paying radio

596

00:30:07,820 --> 00:30:07,350

with MJ and Ken Storch so don't wait any

597

00:30:10,610 --> 00:30:07,830

longer

598

00:30:13,700 --> 00:30:10,620

visit inception radio network comm and

599

00:30:16,399 --> 00:30:13,710

click on the member login to join our

600

00:30:20,330 --> 00:30:16,409

ends insider Club and get your VIP

601  
00:30:22,370 --> 00:30:20,340  
access today are you a fan of inception

602  
00:30:24,380 --> 00:30:22,380  
radio network do you reckon it's the

603  
00:30:26,830 --> 00:30:24,390  
best alternative talk radio station on

604  
00:30:29,360 --> 00:30:26,840  
the planet well if you do head to

605  
00:30:32,240 --> 00:30:29,370  
facebook-dot-com forward-slash inception

606  
00:30:34,070 --> 00:30:32,250  
radio network like the page tell your

607  
00:30:37,230 --> 00:30:34,080  
friends spread the word and keep

608  
00:30:42,130 --> 00:30:39,880  
do you have a smartphone if so

609  
00:30:43,480 --> 00:30:42,140  
conception radio network is the best app

610  
00:30:46,720 --> 00:30:43,490  
for you available

611  
00:30:49,120 --> 00:30:46,730  
I choose Android Samsung and most of the

612  
00:30:51,820 --> 00:30:49,130  
rap storms just search inception radio

613  
00:30:53,950 --> 00:30:51,830

network with the applicants in life

614

00:30:56,680 --> 00:30:53,960

check out all cast of recent and past

615

00:30:59,590 --> 00:30:56,690

shows view our videos see what shows are

616

00:31:01,539 --> 00:30:59,600

coming up who the guests are via the

617

00:31:03,760 --> 00:31:01,549

chat room send live questions to those

618

00:31:06,610 --> 00:31:03,770

guests you know it makes sense

619

00:31:13,299 --> 00:31:06,620

check your App Store now inception radio

620

00:31:15,730 --> 00:31:13,309

network and I'll see you there hey IRA

621

00:31:18,250 --> 00:31:15,740

listeners make sure you tune in to night

622

00:31:20,470 --> 00:31:18,260

vision radio with Renee Barnett her name

623

00:31:22,870 --> 00:31:20,480

will be exposing the truth one secret at

624

00:31:25,750 --> 00:31:22,880

a time when Thursdays every thursday

625

00:31:26,680 --> 00:31:25,760

10:30 p.m. Eastern 7:30 p.m. Pacific

626  
00:31:31,930 --> 00:31:26,690  
we're right here

627  
00:32:12,020 --> 00:31:31,940  
IRA you're locked into Inception Radio

628  
00:32:17,040 --> 00:32:14,040  
thanks for joining us on night vision

629  
00:32:20,460 --> 00:32:17,050  
radio if you're just tuning in my guest

630  
00:32:23,340 --> 00:32:20,470  
tonight is author Timothy Willie Wiley

631  
00:32:25,500 --> 00:32:23,350  
sorry I am your your host Renee Barnett

632  
00:32:29,040 --> 00:32:25,510  
we've been talking about

633  
00:32:31,530 --> 00:32:29,050  
Timothy's book love sex fear death the

634  
00:32:34,530 --> 00:32:31,540  
inside story of the processed Church of

635  
00:32:38,490 --> 00:32:34,540  
the final judgment detailing his 15

636  
00:32:42,840 --> 00:32:38,500  
years with the organization and I know

637  
00:32:45,000 --> 00:32:42,850  
Timothy while you were there you had a

638  
00:32:48,690 --> 00:32:45,010

near-death experience you actually died

639

00:32:51,300 --> 00:32:48,700

I did and can you tell us a little bit

640

00:32:52,140 --> 00:32:51,310

about that experience and in what that

641

00:32:56,550 --> 00:32:52,150

was like

642

00:32:59,220 --> 00:32:56,560

well yes I mean I had this in 1973 and

643

00:33:00,900 --> 00:32:59,230

this was I think two years for the first

644

00:33:03,780 --> 00:33:00,910

book came out about near-death

645

00:33:06,360 --> 00:33:03,790

experiences so I had no idea what it was

646

00:33:06,750 --> 00:33:06,370

it was it well let me try and describe

647

00:33:13,140 --> 00:33:06,760

it

648

00:33:15,450 --> 00:33:13,150

myself suggest I was in charge of an

649

00:33:19,560 --> 00:33:15,460

organization basically that had to make

650

00:33:21,600 --> 00:33:19,570

enormous amounts of money and it was an

651  
00:33:23,910 --> 00:33:21,610  
incredible struggle to keep up on that I

652  
00:33:27,630 --> 00:33:23,920  
had been assisting wrong about two hours

653  
00:33:30,300 --> 00:33:27,640  
sleep for thirteen thousand two or three

654  
00:33:34,230 --> 00:33:30,310  
years by that time and my lungs had

655  
00:33:37,590 --> 00:33:34,240  
given out I fainted in my office and I

656  
00:33:40,440 --> 00:33:37,600  
kind of dragged myself back to my house

657  
00:33:42,990 --> 00:33:40,450  
and I drew a bus because I'm the kind of

658  
00:33:45,510 --> 00:33:43,000  
water person and when I was reading band

659  
00:33:48,900 --> 00:33:45,520  
I generally draw a person and hesitate

660  
00:33:51,600 --> 00:33:48,910  
so anyway got in the bath and within

661  
00:33:53,970 --> 00:33:51,610  
about seaweed about two minutes or so I

662  
00:33:56,010 --> 00:33:53,980  
just laid there with my eyes closed next

663  
00:34:00,300 --> 00:33:56,020

thing I knew I was I think I stood up

664

00:34:04,020 --> 00:34:00,310

out of my body and I could see down I

665

00:34:06,810 --> 00:34:04,030

could see the earthly things earlier

666

00:34:09,540 --> 00:34:06,820

from dark underneath me and and I still

667

00:34:13,230 --> 00:34:09,550

find about 500 feet in the air and and

668

00:34:15,540 --> 00:34:13,240

this monorail car consuming up to Bali

669

00:34:18,149 --> 00:34:15,550

and next thing I knew I was inside the

670

00:34:21,090 --> 00:34:18,159

monorail car and about eight or ten of

671

00:34:23,460 --> 00:34:21,100

us in order of condoms a black man

672

00:34:26,550 --> 00:34:23,470

obviously playing the trumpet

673

00:34:28,980 --> 00:34:26,560

and new in there's no - we've all we

674

00:34:30,360 --> 00:34:28,990

were all dying this was he this is a

675

00:34:35,010 --> 00:34:30,370

real group who were dying at the same

676

00:34:38,210 --> 00:34:35,020

time kind of always funny I was feeling

677

00:34:42,530 --> 00:34:38,220

anyway within a couple of moments and

678

00:34:44,880 --> 00:34:42,540

one end of the monologue car sort of

679

00:34:46,380 --> 00:34:44,890

they came to choose to the same thing

680

00:34:49,500 --> 00:34:46,390

like I could just see sort of a figure

681

00:34:50,940 --> 00:34:49,510

of light at that end and I thought my

682

00:34:54,690 --> 00:34:50,950

mind I said yes you're right

683

00:34:57,450 --> 00:34:54,700

the boy said you are dying but we want

684

00:35:00,600 --> 00:34:57,460

you to know that you completed what you

685

00:35:02,940 --> 00:35:00,610

came to do and you can continue what you

686

00:35:05,550 --> 00:35:02,950

want or you could return to your life

687

00:35:08,010 --> 00:35:05,560

and it was told to me members know that

688

00:35:10,650 --> 00:35:08,020

you'll do this rapid it wasn't you

689

00:35:15,870 --> 00:35:10,660

should do this or you should do that it

690

00:35:17,730 --> 00:35:15,880

was just you want anyway I thought about

691

00:35:19,140 --> 00:35:17,740

it a couple of moments and I realized

692

00:35:20,820 --> 00:35:19,150

this is so wonderful

693

00:35:22,740 --> 00:35:20,830

notice I went on it was just going to

694

00:35:25,050 --> 00:35:22,750

tell I'm getting more wonderful if I

695

00:35:28,650 --> 00:35:25,060

came back I just didn't know him

696

00:35:32,540 --> 00:35:28,660

so some kind of curious me that maybe I

697

00:35:34,710 --> 00:35:32,550

said okay I'll go back and the monocot

698

00:35:36,750 --> 00:35:34,720

dissolved and the next thing I told this

699

00:35:40,530 --> 00:35:36,760

just thanked about Bank about Bank of

700

00:35:42,450 --> 00:35:40,540

Angels they were playing music and music

701

00:35:46,230 --> 00:35:42,460

is just absolutely beautiful

702

00:35:51,060 --> 00:35:46,240

I heard or I saw that you described it

703

00:35:56,190 --> 00:35:51,070

as boogying angels I looked after they

704

00:36:00,000 --> 00:35:56,200

were bullying yes it was a painter

705

00:36:02,850 --> 00:36:00,010

icicle that is working in the 19th

706

00:36:04,770 --> 00:36:02,860

century and got that for Bank of Angels

707

00:36:09,600 --> 00:36:04,780

pretty much right anyway next thing I

708

00:36:11,970 --> 00:36:09,610

knew I was I was standing over you know

709

00:36:13,320 --> 00:36:11,980

was playing and there were mountains in

710

00:36:15,840 --> 00:36:13,330

the distance and in the middle of the

711

00:36:17,940 --> 00:36:15,850

plane there was this console thing that

712

00:36:19,860 --> 00:36:17,950

look survives it's all moving but he was

713

00:36:22,290 --> 00:36:19,870

definitely a building and I became aware

714

00:36:24,030 --> 00:36:22,300

of two figures I decided me I couldn't

715

00:36:26,310 --> 00:36:24,040

see them the big time he was light I

716

00:36:28,440 --> 00:36:26,320

could see my the corner of my eye I was

717

00:36:31,800 --> 00:36:28,450

drawn across that plane into the

718

00:36:34,350 --> 00:36:31,810

building I was put onto a sort of a l've

719

00:36:35,820 --> 00:36:34,360

almost like an operating table I they

720

00:36:36,430 --> 00:36:35,830

there for a few moments and there were

721

00:36:39,190 --> 00:36:36,440

little

722

00:36:42,490 --> 00:36:39,200

guys from skittering all around me and

723

00:36:44,980 --> 00:36:42,500

then I could feel sort of that machine

724

00:36:48,069 --> 00:36:44,990

so came up over me and then female

725

00:36:50,829 --> 00:36:48,079

health female came up behind me voice in

726

00:36:54,309 --> 00:36:50,839

my mind said this is gonna really hurt

727

00:36:57,099 --> 00:36:54,319

with only gonna last a very short time

728

00:36:59,559 --> 00:36:57,109

and losing team down into my tummy it

729

00:37:03,099 --> 00:36:59,569

went into my a really hurts but it was

730

00:37:06,460 --> 00:37:03,109

only for a short time thank God anyway

731

00:37:08,740 --> 00:37:06,470

shut up I was taken out then it was

732

00:37:11,079 --> 00:37:08,750

chasing to a place that I was told I

733

00:37:13,630 --> 00:37:11,089

would never remember and I haven't

734

00:37:16,270 --> 00:37:13,640

remembered except will never admit read

735

00:37:18,490 --> 00:37:16,280

another person's book who said he has a

736

00:37:21,099 --> 00:37:18,500

somewhat similar experience and he was

737

00:37:23,890 --> 00:37:21,109

taken to heaven and yes that that's what

738

00:37:28,420 --> 00:37:23,900

that's what it was I was shown heaven it

739

00:37:30,190 --> 00:37:28,430

was now I I read it it was you know just

740

00:37:32,589 --> 00:37:30,200

a local telling anyway and then I

741

00:37:35,200 --> 00:37:32,599

thought he slept back into my body choo

742

00:37:37,990 --> 00:37:35,210

choo choo choo choo about 20 minutes all

743

00:37:41,260 --> 00:37:38,000

the bath was lukewarm aside been out for

744

00:37:42,040 --> 00:37:41,270

about 15 or 20 minutes and I thought out

745

00:37:44,319 --> 00:37:42,050

of my bath

746

00:37:46,150 --> 00:37:44,329

I was healed I was absolutely healthy

747

00:37:47,950 --> 00:37:46,160

and there was a different man has

748

00:37:50,859 --> 00:37:47,960

changed man yeah

749

00:37:52,870 --> 00:37:50,869

now you do hear that people with

750

00:37:55,240 --> 00:37:52,880

near-death experiences have done some

751

00:37:58,630 --> 00:37:55,250

research into that myself and worked

752

00:38:01,270 --> 00:37:58,640

with the ions organization the

753

00:38:06,730 --> 00:38:01,280

Association for near-death experiencers

754

00:38:09,849 --> 00:38:06,740

and you hear that story a lot most

755

00:38:11,319 --> 00:38:09,859

people and I also read your article on

756

00:38:13,270 --> 00:38:11,329

your website that you wrote about

757

00:38:16,270 --> 00:38:13,280

near-death experiences where you talked

758

00:38:18,910 --> 00:38:16,280

about people's experiences are sort of

759

00:38:21,839 --> 00:38:18,920

tailor-made for them if there are some

760

00:38:26,609 --> 00:38:21,849

common elements that most people do have

761

00:38:29,589 --> 00:38:26,619

but people's experience they seem to be

762

00:38:33,270 --> 00:38:29,599

B according to their own sort of belief

763

00:38:35,950 --> 00:38:33,280

system or according to need yes yes I

764

00:38:38,579 --> 00:38:35,960

think exactly that according to need I

765

00:38:41,819 --> 00:38:38,589

think the the revelation is how

766

00:38:45,430 --> 00:38:41,829

individualized it all is what because I

767

00:38:48,579 --> 00:38:45,440

think almost everybody who comes back

768

00:38:50,410 --> 00:38:48,589

and it's told to come back or get the

769

00:38:54,640 --> 00:38:50,420

feeling they have to come back

770

00:38:57,579 --> 00:38:54,650

but it's one of the strange things is

771

00:38:59,620 --> 00:38:57,589

that it seems that everybody does have a

772

00:39:01,960 --> 00:38:59,630

particular function everybody has

773

00:39:04,089 --> 00:39:01,970

something that they need to express and

774

00:39:06,130 --> 00:39:04,099

needly to do it was the course of their

775

00:39:08,319 --> 00:39:06,140

lives I mean when I was told I had

776

00:39:10,030 --> 00:39:08,329

completely what I came to do the

777

00:39:12,490 --> 00:39:10,040

implication was that there was something

778

00:39:14,770 --> 00:39:12,500

to do and I think that that's what we

779

00:39:16,420 --> 00:39:14,780

all struggle with you know especially in

780

00:39:19,450 --> 00:39:16,430

the age that we're living in you know

781

00:39:21,370 --> 00:39:19,460

which is so much realistic you know in

782

00:39:24,220 --> 00:39:21,380

particular here necessarily you know

783

00:39:31,780 --> 00:39:24,230

just to get a job if you make a lot of

784

00:39:33,579 --> 00:39:31,790

money that's right now you know and if

785

00:39:35,970 --> 00:39:33,589

you're talking about you know people's

786

00:39:39,220 --> 00:39:35,980

experiences being according to need

787

00:39:42,039 --> 00:39:39,230

occasionally we do hear about someone

788

00:39:44,440 --> 00:39:42,049

having a hellish experience you said you

789

00:39:46,589 --> 00:39:44,450

know you went to heaven but we do hear

790

00:39:50,890 --> 00:39:46,599

about these hellish horrifying

791

00:39:56,589 --> 00:39:50,900

experiences what what do you have to say

792

00:40:00,039 --> 00:39:56,599

about those the ones that I've studied

793

00:40:02,140 --> 00:40:00,049

are almost in terribly transitional in

794

00:40:04,270 --> 00:40:02,150

other words people go through hell and

795

00:40:06,099 --> 00:40:04,280

then they come out the other side it's

796

00:40:10,030 --> 00:40:06,109

not like that saying of Nietzsche if you

797

00:40:11,260 --> 00:40:10,040

find yourself in hell keep going yes and

798

00:40:15,940 --> 00:40:11,270

they kind of break through to the other

799

00:40:19,299 --> 00:40:15,950

side I've come across a few that do that

800

00:40:22,510 --> 00:40:19,309

but of course yeah I mean there are

801  
00:40:25,089 --> 00:40:22,520  
heaven in hell realms people who

802  
00:40:28,420 --> 00:40:25,099  
misbehave badly on this you know here

803  
00:40:30,549 --> 00:40:28,430  
have such a great time on the next the

804  
00:40:32,670 --> 00:40:30,559  
next plane you know I mean it's all

805  
00:40:35,950 --> 00:40:32,680  
about learning and if people don't

806  
00:40:40,559 --> 00:40:35,960  
realize that we have to treat people the

807  
00:40:44,980 --> 00:40:43,420  
position with it are trees just did a

808  
00:40:46,930 --> 00:40:44,990  
way that they have treated people badly

809  
00:40:49,270 --> 00:40:46,940  
is you know what I mean it's all about

810  
00:40:51,670 --> 00:40:49,280  
learning it's not about you know go to

811  
00:40:56,289 --> 00:40:51,680  
hell for eternity it's not to unity it's

812  
00:40:58,390 --> 00:40:56,299  
about learning yes well you do here most

813  
00:41:00,720 --> 00:40:58,400

people that I have heard that have had

814

00:41:03,819 --> 00:41:00,730

these negative experiences they were

815

00:41:04,090 --> 00:41:03,829

life-changing and they they came back

816

00:41:07,840 --> 00:41:04,100

and

817

00:41:09,490 --> 00:41:07,850

made some some amazing adjustments in

818

00:41:11,410 --> 00:41:09,500

their lives in the way that they lived

819

00:41:14,530 --> 00:41:11,420

and in in as you said the way they

820

00:41:18,910 --> 00:41:14,540

treated others is the main thing so I

821

00:41:21,250 --> 00:41:18,920

guess in some ways that according to you

822

00:41:24,100 --> 00:41:21,260

that's what they needed to get the

823

00:41:25,690 --> 00:41:24,110

message that was their message and that

824

00:41:28,540 --> 00:41:25,700

was the way they were able to receive it

825

00:41:30,280 --> 00:41:28,550

possibly oh yes absolutely true I mean

826

00:41:34,120 --> 00:41:30,290

um I think you made the point earlier

827

00:41:37,750 --> 00:41:34,130

about and you know you're very sad

828

00:41:40,300 --> 00:41:37,760

situation as losing your child and how

829

00:41:42,160 --> 00:41:40,310

you know after a while you know so much

830

00:41:44,020 --> 00:41:42,170

came out of that you know so much

831

00:41:46,720 --> 00:41:44,030

information so much strengths and so

832

00:41:50,320 --> 00:41:46,730

much Nunez came out as that and I think

833

00:41:52,300 --> 00:41:50,330

this is true for all of us you know we

834

00:41:54,070 --> 00:41:52,310

come up and say these were totally

835

00:41:56,200 --> 00:41:54,080

egotistical we think it's all about us

836

00:41:58,450 --> 00:41:56,210

you know and gradually we have to move

837

00:42:01,510 --> 00:41:58,460

out of that frame you know until we see

838

00:42:03,940 --> 00:42:01,520

the real world those insistence and you

839

00:42:06,210 --> 00:42:03,950

know we like to treat it the way we

840

00:42:10,660 --> 00:42:06,220

treat other people thank you very much

841

00:42:13,510 --> 00:42:10,670

you know it is quite a Harshman in some

842

00:42:16,150 --> 00:42:13,520

cases but of course we're eternal beings

843

00:42:16,680 --> 00:42:16,160

it isn't just as one lifetime and that's

844

00:42:26,890 --> 00:42:16,690

it

845

00:42:30,490 --> 00:42:26,900

trail do you mind if I throw you a

846

00:42:32,920 --> 00:42:30,500

question from the chat room cruzi has

847

00:42:34,090 --> 00:42:32,930

asked when you had your near-death

848

00:42:36,430 --> 00:42:34,100

experience

849

00:42:39,730 --> 00:42:36,440

did you see spirits and if so were the

850

00:42:42,430 --> 00:42:39,740

spirits in human form or animal mystical

851  
00:42:44,410 --> 00:42:42,440  
creatures besides the angels that you

852  
00:42:50,500 --> 00:42:44,420  
saw were you in touch with any other

853  
00:42:53,320 --> 00:42:50,510  
beings yes I did know the people you saw

854  
00:42:55,980 --> 00:42:53,330  
the people on the monorail of course yes

855  
00:42:58,900 --> 00:42:55,990  
yes but they were not I mean they were

856  
00:43:00,460 --> 00:42:58,910  
my best understanding of that is they

857  
00:43:02,710 --> 00:43:00,470  
were like me they were dying at the same

858  
00:43:05,680 --> 00:43:02,720  
time and they were going to continue on

859  
00:43:08,110 --> 00:43:05,690  
I think that voice had told me I wasn't

860  
00:43:10,270 --> 00:43:08,120  
you know I come to do what I done I've

861  
00:43:12,070 --> 00:43:10,280  
done what I came to do was addressed to

862  
00:43:16,690 --> 00:43:12,080  
me I don't think it was addressed to the

863  
00:43:18,630 --> 00:43:16,700

other people in the in the car and no I

864

00:43:21,329 --> 00:43:18,640

didn't see any

865

00:43:29,820 --> 00:43:21,339

but he denied kind of who were healing

866

00:43:31,980 --> 00:43:29,830

me - yes might be kind of little greys

867

00:43:34,560 --> 00:43:31,990

you know that's immediately what I

868

00:43:39,120 --> 00:43:34,570

thought of when you were describing that

869

00:43:42,390 --> 00:43:39,130

experience that you were taken into this

870

00:43:43,680 --> 00:43:42,400

building and you experienced a healing

871

00:43:46,260 --> 00:43:43,690

and there were all these little beings

872

00:43:48,500 --> 00:43:46,270

scurrying around you working on you

873

00:43:52,200 --> 00:43:48,510

that's when you had the really painful

874

00:43:55,589 --> 00:43:52,210

albeit brief experience and immediately

875

00:43:59,280 --> 00:43:55,599

I thought of the countless accounts of

876

00:44:01,680 --> 00:43:59,290

people who have claimed to have et

877

00:44:03,810 --> 00:44:01,690

experiences in being you know in a

878

00:44:06,690 --> 00:44:03,820

surgical situation with these little

879

00:44:09,570 --> 00:44:06,700

guys around I immediately thought of the

880

00:44:12,870 --> 00:44:09,580

Grays how do you perceive that or

881

00:44:17,790 --> 00:44:12,880

explain that if you do it's a very

882

00:44:20,040 --> 00:44:17,800

strange concatenation of these two these

883

00:44:21,720 --> 00:44:20,050

two constrains you know the angelic on

884

00:44:24,300 --> 00:44:21,730

the one hand and the extra pressure on

885

00:44:26,970 --> 00:44:24,310

the other and I think it's because we

886

00:44:30,240 --> 00:44:26,980

really don't understand the nature of

887

00:44:31,770 --> 00:44:30,250

the giant of dimensions you know the

888

00:44:34,440 --> 00:44:31,780

physics is kind of struggling with the

889

00:44:35,849 --> 00:44:34,450

ideas I mentioned but you know unions

890

00:44:37,620 --> 00:44:35,859

and string theory and things like that

891

00:44:41,220 --> 00:44:37,630

with the nations are tiny and they're

892

00:44:43,770 --> 00:44:41,230

not really very relevant but actually if

893

00:44:46,440 --> 00:44:43,780

I'm visualizes things more sort of like

894

00:44:48,599 --> 00:44:46,450

an onion you know with the dimensions

895

00:44:51,570 --> 00:44:48,609

getting finer and finer as you go

896

00:44:53,880 --> 00:44:51,580

afterwards I think they're the dye

897

00:44:57,390 --> 00:44:53,890

nation next to ours if you like which is

898

00:44:59,490 --> 00:44:57,400

inhabited you know by by another small

899

00:45:04,140 --> 00:44:59,500

angelic group for Midway Midway

900

00:45:06,540 --> 00:45:04,150

creatures or jinn and extraterrestrials

901  
00:45:08,609 --> 00:45:06,550  
have to come into that frame into that

902  
00:45:10,770 --> 00:45:08,619  
phase in order to appear in the third

903  
00:45:12,000 --> 00:45:10,780  
dimension let's call that the fourth

904  
00:45:15,120 --> 00:45:12,010  
database and they have to go through

905  
00:45:17,490 --> 00:45:15,130  
that and I think what the experience I

906  
00:45:20,430 --> 00:45:17,500  
had was within the fourth fourth I

907  
00:45:22,829 --> 00:45:20,440  
mentioned where there were angels and

908  
00:45:27,720 --> 00:45:22,839  
the extraterrestrials I think that's

909  
00:45:30,260 --> 00:45:27,730  
probably watch what happens and are you

910  
00:45:31,609 --> 00:45:30,270  
aware of an extraterrestrial presence

911  
00:45:36,650 --> 00:45:31,619  
here

912  
00:45:39,769 --> 00:45:36,660  
oh yeah yes yes you have that

913  
00:45:42,039 --> 00:45:39,779

experiences I understand with

914

00:45:46,190 --> 00:45:42,049

visitations is that correct

915

00:45:48,170 --> 00:45:46,200

yeah yes i-i've had one or two um yes

916

00:45:50,749 --> 00:45:48,180

I mean we are part of a cosmic family

917

00:45:52,579 --> 00:45:50,759

you know whether we know it or not but

918

00:45:54,469 --> 00:45:52,589

because this plan has been isolated for

919

00:45:56,150 --> 00:45:54,479

such a long time forty two hundred

920

00:45:59,809 --> 00:45:56,160

thousand years you know we've another

921

00:46:02,120 --> 00:45:59,819

officer sort of thing galactic tracks

922

00:46:05,089 --> 00:46:02,130

you know although we have we haven't

923

00:46:07,789 --> 00:46:05,099

even visited over the over the millennia

924

00:46:10,130 --> 00:46:07,799

but over the last 150 years or so yeah

925

00:46:11,989 --> 00:46:10,140

the other things and things of really

926  
00:46:13,999 --> 00:46:11,999  
hotting up and i think we're going to be

927  
00:46:16,190 --> 00:46:14,009  
partly we join the Galactic community

928  
00:46:20,239 --> 00:46:16,200  
put it like that and we say within

929  
00:46:21,499 --> 00:46:20,249  
within our lifetime certainly any you

930  
00:46:24,859 --> 00:46:21,509  
see that as a positive

931  
00:46:26,870 --> 00:46:24,869  
oh yes they wants to okay absolutely I

932  
00:46:28,940 --> 00:46:26,880  
mean it's a heritage usage we were never

933  
00:46:31,729 --> 00:46:28,950  
meant to be isolated I really would like

934  
00:46:34,009 --> 00:46:31,739  
a child who was locked in a small room

935  
00:46:36,529 --> 00:46:34,019  
you know and then expected to come to

936  
00:46:38,539 --> 00:46:36,539  
take care of itself I mean on a normal

937  
00:46:40,849 --> 00:46:38,549  
planners extraterrestrials come and go

938  
00:46:42,890 --> 00:46:40,859

you know everybody knows about angels

939

00:46:44,479 --> 00:46:42,900

people you know working legs items and

940

00:46:46,609 --> 00:46:44,489

everything but we're in this strange

941

00:46:46,940 --> 00:46:46,619

position of being isolated along with

942

00:46:49,700 --> 00:46:46,950

him

943

00:46:51,739 --> 00:46:49,710

another says this explainers but that's

944

00:46:53,599 --> 00:46:51,749

neither here nor there right now well

945

00:46:55,219 --> 00:46:53,609

isolated and we've had to make way for

946

00:46:58,249 --> 00:46:55,229

ourselves we have to discover how to

947

00:47:01,969 --> 00:46:58,259

live for ourselves and we've emerged she

948

00:47:03,890 --> 00:47:01,979

was very strong rather rebellious so

949

00:47:10,190 --> 00:47:03,900

very much it not that the rest of me yet

950

00:47:14,630 --> 00:47:10,200

mystery is well for me and what do you

951  
00:47:22,069 --> 00:47:14,640  
see happening once this sort of reunion

952  
00:47:26,269 --> 00:47:22,079  
takes place I didn't like to speculate

953  
00:47:28,729 --> 00:47:26,279  
too much on that and because I know

954  
00:47:30,319 --> 00:47:28,739  
whatever I speculate God's gonna come up

955  
00:47:35,390 --> 00:47:30,329  
with something like a box for you know a

956  
00:47:37,309 --> 00:47:35,400  
lot a lot there's no part in it and what

957  
00:47:40,069 --> 00:47:37,319  
I'd love to see is I'd love to see as

958  
00:47:42,049 --> 00:47:40,079  
you know rejoining the galactic

959  
00:47:45,070 --> 00:47:42,059  
community you know being part of a much

960  
00:47:47,520 --> 00:47:45,080  
larger frame and being able to know

961  
00:47:51,310 --> 00:47:47,530  
go to universities on other planets

962  
00:47:54,040 --> 00:47:51,320  
indict other people here and that's what

963  
00:47:57,850 --> 00:47:54,050

I'd like to see what do you think we are

964

00:48:00,190 --> 00:47:57,860

isolated and have been isolated we were

965

00:48:02,080 --> 00:48:00,200

isolated because the angels who take

966

00:48:06,550 --> 00:48:02,090

care of this little segment of the

967

00:48:09,750 --> 00:48:06,560

universe got stropky and basically

968

00:48:13,500 --> 00:48:09,760

rebelled against the the overall

969

00:48:17,650 --> 00:48:13,510

administration as well and angelic

970

00:48:22,240 --> 00:48:17,660

trains and as a consequence this system

971

00:48:25,120 --> 00:48:22,250

of planets was isolated and the 37

972

00:48:28,030 --> 00:48:25,130

planets who identified with an event and

973

00:48:33,030 --> 00:48:28,040

were you know we're getting given

974

00:48:37,090 --> 00:48:33,040

particular treatment and we probably the

975

00:48:38,830 --> 00:48:37,100

most I mean statistical because as

976

00:48:40,060 --> 00:48:38,840

University three of the such as heaven

977

00:48:42,730 --> 00:48:40,070

planets which are even more difficult

978

00:48:44,920 --> 00:48:42,740

than ours but were certain this

979

00:48:48,340 --> 00:48:44,930

challenging to it that way less

980

00:48:51,940 --> 00:48:48,350

challenging of talents and is that

981

00:48:54,160 --> 00:48:51,950

because we haven't yet evolved enough I

982

00:48:57,160 --> 00:48:54,170

mean I know in comparison to other

983

00:49:01,960 --> 00:48:57,170

planets other galaxies we are a very

984

00:49:05,950 --> 00:49:01,970

very young planet in a young galaxy yes

985

00:49:12,310 --> 00:49:05,960

yes I mean yes we are we are young and

986

00:49:13,470 --> 00:49:12,320

yeah I mean I would say most an Android

987

00:49:15,370 --> 00:49:13,480

sort of that there are not

988

00:49:17,200 --> 00:49:15,380

extraterrestrials who are excessively

989

00:49:20,170 --> 00:49:17,210

interested in this gender right now I

990

00:49:22,660 --> 00:49:20,180

mean I have reported in a world of round

991

00:49:25,930 --> 00:49:22,670

roots and just different sources you

992

00:49:28,030 --> 00:49:25,940

know this is the place to be this is

993

00:49:30,910 --> 00:49:28,040

really big evidence do you have any

994

00:49:35,530 --> 00:49:30,920

insights into whether or not we were a

995

00:49:39,400 --> 00:49:35,540

race that was created or intervened with

996

00:49:47,830 --> 00:49:39,410

by extraterrestrials in the in the

997

00:49:49,390 --> 00:49:47,840

saturation under to us know we know we

998

00:49:53,170 --> 00:49:49,400

weren't certainly weren't created we've

999

00:49:55,390 --> 00:49:53,180

been very heavily influenced which is

1000

00:49:56,830 --> 00:49:55,400

which is different of course because you

1001  
00:49:58,960 --> 00:49:56,840  
know we still have the basic thing

1002  
00:50:04,319 --> 00:49:58,970  
inside us in the world

1003  
00:50:10,599 --> 00:50:07,089  
whatever overlays are placed on that

1004  
00:50:12,339 --> 00:50:10,609  
there's no getting away from it but yeah

1005  
00:50:14,079 --> 00:50:12,349  
it's been a long hard trip and I think

1006  
00:50:17,710 --> 00:50:14,089  
we're just coming out of the out of the

1007  
00:50:19,839 --> 00:50:17,720  
fog and it's difficult because as we

1008  
00:50:22,960 --> 00:50:19,849  
coming you know as it was coming into

1009  
00:50:24,730 --> 00:50:22,970  
this new frame all the old stuff was

1010  
00:50:26,620 --> 00:50:24,740  
being piling up and hasn't been dealt

1011  
00:50:29,109 --> 00:50:26,630  
with for the last 200,000 years

1012  
00:50:31,120 --> 00:50:29,119  
it's coming out there in all these sort

1013  
00:50:34,050 --> 00:50:31,130

of corruption rings finding like boils

1014

00:50:38,079 --> 00:50:34,060

on the body you know it's it's a

1015

00:50:40,599 --> 00:50:38,089

extruding Council see the world mind if

1016

00:50:44,440 --> 00:50:40,609

you like which is why we're seeing all

1017

00:50:47,170 --> 00:50:44,450

these apparent up cents but they're no

1018

00:50:51,640 --> 00:50:47,180

cheating problems more than aging the

1019

00:50:53,710 --> 00:50:51,650

worst is over another question from the

1020

00:50:57,370 --> 00:50:53,720

chat room cruzi again while Cruz is on a

1021

00:50:59,579 --> 00:50:57,380

roll tonight what type of system do you

1022

00:51:03,220 --> 00:50:59,589

think the Angels are run by ie

1023

00:51:09,670 --> 00:51:03,230

government communism utopian or like a

1024

00:51:12,309 --> 00:51:09,680

tier like system angels are created for

1025

00:51:15,130 --> 00:51:12,319

their specific jobs they don't have the

1026  
00:51:16,720 --> 00:51:15,140  
same level of choices that we do they're

1027  
00:51:19,089 --> 00:51:16,730  
very good at what they do but they're

1028  
00:51:21,730 --> 00:51:19,099  
not off because do things that are not

1029  
00:51:23,260 --> 00:51:21,740  
meant to be doing which is probably why

1030  
00:51:27,220 --> 00:51:23,270  
they went into the rebellion in the

1031  
00:51:31,030 --> 00:51:27,230  
first place so I didn't think we could

1032  
00:51:36,940 --> 00:51:31,040  
really classify it as any of what we

1033  
00:51:38,770 --> 00:51:36,950  
know as sort of social systems I think

1034  
00:51:43,390 --> 00:51:38,780  
it's more along the lines but everybody

1035  
00:51:46,390 --> 00:51:43,400  
does what they do best and everything

1036  
00:51:48,460 --> 00:51:46,400  
fits in I mean I can kind of visualize

1037  
00:51:50,200 --> 00:51:48,470  
that because I know from my days in the

1038  
00:51:53,470 --> 00:51:50,210

process even though there were maybe 30

1039

00:51:55,990 --> 00:51:53,480

or 40 of us in certain periods we were

1040

00:51:58,420 --> 00:51:56,000

all doing what we would what we love to

1041

00:52:03,339 --> 00:51:58,430

do and what we did this and then it

1042

00:52:05,770 --> 00:52:03,349

produces a sort of harmony that allows

1043

00:52:10,150 --> 00:52:05,780

everything to happen in a very easygoing

1044

00:52:12,140 --> 00:52:10,160

very humorous of a loving way I think

1045

00:52:13,850 --> 00:52:12,150

that's where we're aiming for

1046

00:52:15,620 --> 00:52:13,860

I think everybody knows that in that

1047

00:52:18,530 --> 00:52:15,630

house and this is the way we treat our

1048

00:52:22,550 --> 00:52:18,540

children thank you yes

1049

00:52:26,350 --> 00:52:22,560

should should do I heard you on another

1050

00:52:30,440 --> 00:52:26,360

broadcast the host had asked you about

1051

00:52:32,510 --> 00:52:30,450

the idea of calling on our angels for

1052

00:52:34,340 --> 00:52:32,520

help and you said oh I don't think

1053

00:52:41,930 --> 00:52:34,350

that's a very good idea could you

1054

00:52:45,050 --> 00:52:41,940

explain that yes you know you are sir

1055

00:52:48,650 --> 00:52:45,060

and deep questions I have to take a

1056

00:52:51,410 --> 00:52:48,660

moment to think about them yes this is a

1057

00:52:53,930 --> 00:52:51,420

complex thing you see angels aren't yet

1058

00:52:56,510 --> 00:52:53,940

to make our lives easy they're here to

1059

00:52:59,720 --> 00:52:56,520

help us come to terms with what we need

1060

00:53:03,470 --> 00:52:59,730

to look at what we need to understand in

1061

00:53:05,360 --> 00:53:03,480

order to learn and so enter of will win

1062

00:53:07,550 --> 00:53:05,370

quite often guide us into situations

1063

00:53:10,910 --> 00:53:07,560

which we might not choose consciously

1064

00:53:12,380 --> 00:53:10,920

because they are uncomfortable but we

1065

00:53:14,680 --> 00:53:12,390

learn from them and that's what the

1066

00:53:18,350 --> 00:53:14,690

Angels are interested in in just

1067

00:53:21,560 --> 00:53:18,360

introducing situations in our lives in

1068

00:53:25,010 --> 00:53:21,570

which we can grow and learn and and

1069

00:53:29,080 --> 00:53:25,020

develop in spirit for some kind of good

1070

00:53:32,180 --> 00:53:29,090

at people now I have heard people

1071

00:53:35,210 --> 00:53:32,190

reliable people that I know who've had

1072

00:53:37,220 --> 00:53:35,220

an angel experience and it seems that

1073

00:53:41,810 --> 00:53:37,230

although they weren't really calling out

1074

00:53:46,970 --> 00:53:41,820

for an angel that an angel did appear at

1075

00:53:51,040 --> 00:53:46,980

a time of great emotional grief or upset

1076

00:53:54,860 --> 00:53:51,050

and they came as a very comforting

1077

00:53:57,470 --> 00:53:54,870

experience to the person that was

1078

00:53:59,120 --> 00:53:57,480

suffering so they weren't actually you

1079

00:54:02,300 --> 00:53:59,130

know trying to direct the angel but the

1080

00:54:04,310 --> 00:54:02,310

angel did appear have you heard of those

1081

00:54:08,510 --> 00:54:04,320

kind of experiences or had that kind of

1082

00:54:11,770 --> 00:54:08,520

experience oh yes yes of course I mean I

1083

00:54:14,840 --> 00:54:11,780

think you I mean it's hard to really

1084

00:54:16,220 --> 00:54:14,850

explain how much we're loved you know

1085

00:54:18,650 --> 00:54:16,230

because we didn't really love ourselves

1086

00:54:23,480 --> 00:54:18,660

very much so it's hard to really imagine

1087

00:54:25,290 --> 00:54:23,490

how much an angel loves us and yes of

1088

00:54:27,330 --> 00:54:25,300

course they're concerned

1089

00:54:28,440 --> 00:54:27,340

you know when we are under terrible

1090

00:54:33,750 --> 00:54:28,450

situations

1091

00:54:36,780 --> 00:54:33,760

I remember the extraordinary I was on

1092

00:54:39,720 --> 00:54:36,790

the track I was chat show at down south

1093

00:54:43,520 --> 00:54:39,730

long time and a phone call came in from

1094

00:54:47,210 --> 00:54:43,530

a guy elderly guy who was tugboat

1095

00:54:51,030 --> 00:54:47,220

commander and he told the story about

1096

00:54:53,490 --> 00:54:51,040

dragging a young reporter well think it

1097

00:54:55,560 --> 00:54:53,500

was something to do with oil but it was

1098

00:54:57,180 --> 00:54:55,570

a floating platform and he was dragging

1099

00:55:00,690 --> 00:54:57,190

it and there was a storm and there's

1100

00:55:03,120 --> 00:55:00,700

about 25 people in the 13th platform so

1101  
00:55:06,000 --> 00:55:03,130  
strong got so bad that he had to cut the

1102  
00:55:08,990 --> 00:55:06,010  
line otherwise a floating platform would

1103  
00:55:14,190 --> 00:55:09,000  
have pulled his little boat down with it

1104  
00:55:16,620 --> 00:55:14,200  
but the audio was still working and he

1105  
00:55:17,520 --> 00:55:16,630  
said he was in tears when he told me

1106  
00:55:21,060 --> 00:55:17,530  
this on the phone

1107  
00:55:23,460 --> 00:55:21,070  
right oh you know on a radio when he

1108  
00:55:25,290 --> 00:55:23,470  
said first practice hear them screaming

1109  
00:55:30,000 --> 00:55:25,300  
and then the screaming stopped and there

1110  
00:55:34,110 --> 00:55:30,010  
was no an old track starting look like

1111  
00:55:36,150 --> 00:55:34,120  
oh my god my god and people think

1112  
00:55:38,940 --> 00:55:36,160  
they're angel the angels are all around

1113  
00:55:41,910 --> 00:55:38,950

us how the angel all around us news

1114

00:55:44,730 --> 00:55:41,920

crying I mean this was a hard guy you

1115

00:55:47,910 --> 00:55:44,740

know and he being totally changed and

1116

00:55:49,470 --> 00:55:47,920

riveted by the story that happened to

1117

00:55:53,010 --> 00:55:49,480

Mars I mean I'm showing this plane that

1118

00:55:56,790 --> 00:55:53,020

went down I'm sure at some point this

1119

00:56:01,470 --> 00:55:56,800

last microseconds angels were there with

1120

00:56:04,170 --> 00:56:01,480

four people in that plane even if they

1121

00:56:05,850 --> 00:56:04,180

were still in their bodies I mean it's

1122

00:56:09,660 --> 00:56:05,860

quite good evidence that people leave

1123

00:56:12,000 --> 00:56:09,670

their bodies well before a plane hits

1124

00:56:14,990 --> 00:56:12,010

the ground under those situations yes

1125

00:56:18,540 --> 00:56:15,000

for the scream nation of them

1126  
00:56:20,400 --> 00:56:18,550  
yes let's hope let's hope I remember a

1127  
00:56:23,970 --> 00:56:20,410  
story that was in the news here in the

1128  
00:56:25,950 --> 00:56:23,980  
United States several years ago it was

1129  
00:56:29,310 --> 00:56:25,960  
here in California in Northern

1130  
00:56:33,450 --> 00:56:29,320  
California I believe where a couple of

1131  
00:56:37,499 --> 00:56:33,460  
people burst into a school it was a

1132  
00:56:40,109 --> 00:56:37,509  
preschool or very very young children

1133  
00:56:43,769 --> 00:56:40,119  
and they ended up setting off a bomb

1134  
00:56:47,129 --> 00:56:43,779  
inside and there was a tremendous fire

1135  
00:56:49,399 --> 00:56:47,139  
and somehow the only people that ended

1136  
00:56:52,709 --> 00:56:49,409  
up killed were the people that actually

1137  
00:56:55,979 --> 00:56:52,719  
perpetrated the crime but the children

1138  
00:56:59,219 --> 00:56:55,989

all reported that the room was

1139

00:57:01,049 --> 00:56:59,229

surrounded by angels and they knew that

1140

00:57:05,459 --> 00:57:01,059

they were going to be all right

1141

00:57:07,709 --> 00:57:05,469

and it was pretty amazing you know it's

1142

00:57:11,370 --> 00:57:07,719

out of the mouths of babes you know how

1143

00:57:15,449 --> 00:57:11,380

would they have that even context to to

1144

00:57:18,870 --> 00:57:15,459

report so just another just another one

1145

00:57:23,849 --> 00:57:18,880

of those experiences that people have

1146

00:57:25,079 --> 00:57:23,859

had now are there I'm never going to

1147

00:57:27,449 --> 00:57:25,089

take a break in just about another

1148

00:57:30,179 --> 00:57:27,459

minute and a half but are there the

1149

00:57:32,189 --> 00:57:30,189

different levels of angels I mean we

1150

00:57:35,039 --> 00:57:32,199

hear about the Archangels so that

1151  
00:57:38,279 --> 00:57:35,049  
everyone's familiar with and then you're

1152  
00:57:41,249 --> 00:57:38,289  
talking about angels that have a job to

1153  
00:57:43,620 --> 00:57:41,259  
do are there different levels

1154  
00:57:47,789 --> 00:57:43,630  
yes you up there are many many different

1155  
00:57:50,370 --> 00:57:47,799  
types of angels in terms of the angels

1156  
00:57:54,239 --> 00:57:50,380  
of the future you know who kind of very

1157  
00:57:59,189 --> 00:57:54,249  
gently guide you know guide the human

1158  
00:58:03,829 --> 00:57:59,199  
population into their next step yeah and

1159  
00:58:06,239 --> 00:58:03,839  
everybody has guardian angels of course

1160  
00:58:09,149 --> 00:58:06,249  
so there's probably more angels on this

1161  
00:58:10,969 --> 00:58:09,159  
time there are people all right well we

1162  
00:58:14,249 --> 00:58:10,979  
will talk a little bit more about that

1163  
00:58:15,989 --> 00:58:14,259

when we get back I'd love to speak a

1164

00:58:19,049 --> 00:58:15,999

little bit about guardian angels and

1165

00:58:22,589 --> 00:58:19,059

then definitely getting to your book

1166

00:58:25,409 --> 00:58:22,599

series on rebel angels and what exactly

1167

00:58:27,899 --> 00:58:25,419

that means so we are going to take a

1168

00:58:30,989 --> 00:58:27,909

quick break and we'll be back in just a

1169

00:58:58,049 --> 00:58:30,999

couple minutes with author Timothy Wiley

1170

00:59:04,720 --> 00:59:02,020

hello everyone Lorien Fenton here hosted

1171

00:59:07,240 --> 00:59:04,730

the California MUFON radio show asking

1172

00:59:09,819 --> 00:59:07,250

if you'd like special access to

1173

00:59:13,540 --> 00:59:09,829

exclusive and amazing information about

1174

00:59:16,900 --> 00:59:13,550

UFOs the paranormal and all things

1175

00:59:20,500 --> 00:59:16,910

unexplained if you're nodding yes then

1176

00:59:22,270 --> 00:59:20,510

join our ends insider Club as an insider

1177

00:59:25,270 --> 00:59:22,280

club member you'll get an all-access

1178

00:59:29,650 --> 00:59:25,280

pass to premiere inception radio network

1179

00:59:32,470 --> 00:59:29,660

content for only \$4.99 a month this

1180

00:59:35,410 --> 00:59:32,480

includes live UFO and paranormal

1181

00:59:38,589 --> 00:59:35,420

conferences live streaming UFO sky

1182

00:59:41,680 --> 00:59:38,599

watches exclusive irn radio and TV

1183

00:59:44,799 --> 00:59:41,690

productions and of course paying radio

1184

00:59:45,250 --> 00:59:44,809

with MJ and Ken Storch so don't wait any

1185

00:59:48,040 --> 00:59:45,260

longer

1186

00:59:51,490 --> 00:59:48,050

visit inception radio network comm and

1187

00:59:54,609 --> 00:59:51,500

click on member login to join our ends

1188

00:59:58,210 --> 00:59:54,619

insider Club and get your VIP access

1189

01:00:00,190 --> 00:59:58,220

today are you a fan of Inception Radio

1190

01:00:02,079 --> 01:00:00,200

Network do you reckon it's the best

1191

01:00:04,380 --> 01:00:02,089

alternative talk radio station on the

1192

01:00:05,910 --> 01:00:04,390

planet well if you do head to

1193

01:00:08,670 --> 01:00:05,920

facebook-dot-com forward-slash

1194

01:00:11,380 --> 01:00:08,680

conception radio network like the page

1195

01:00:14,799 --> 01:00:11,390

tell your friends spread the word and

1196

01:00:19,489 --> 01:00:17,450

do you have a smartphone if so

1197

01:00:21,049 --> 01:00:19,499

conception radio network has the best

1198

01:00:24,229 --> 01:00:21,059

app for you available

1199

01:00:26,359 --> 01:00:24,239

I choose Android Samsung and most of

1200

01:00:28,849 --> 01:00:26,369

their app stores to search inception

1201  
01:00:29,390 --> 01:00:28,859  
radio network with the applicant listen

1202  
01:00:31,489 --> 01:00:29,400  
life

1203  
01:00:34,039 --> 01:00:31,499  
check out podcast of recent amp our

1204  
01:00:36,289 --> 01:00:34,049  
shows and view our videos see what shows

1205  
01:00:38,839 --> 01:00:36,299  
are coming up and who the guests are and

1206  
01:00:41,029 --> 01:00:38,849  
via the chat room descend live questions

1207  
01:00:42,739 --> 01:00:41,039  
to those guests you know it makes sense

1208  
01:00:50,779 --> 01:00:42,749  
and check your app store now

1209  
01:00:53,210 --> 01:00:50,789  
inception radio network sees it hey IRA

1210  
01:00:55,549 --> 01:00:53,220  
listeners make sure you tune in to night

1211  
01:00:57,259 --> 01:00:55,559  
vision radio with Renee Barnett where

1212  
01:00:59,870 --> 01:00:57,269  
name will be exposing the truth one

1213  
01:01:02,719 --> 01:00:59,880

secret at a time when Thursday's every

1214

01:01:07,219 --> 01:01:02,729

thursday 10:30 p.m. Eastern sub-30 p.m.

1215

01:01:09,799 --> 01:01:07,229

Pacific where right here IRL you're

1216

01:01:52,250 --> 01:01:09,809

locked into Inception Radio Network

1217

01:01:56,400 --> 01:01:54,570

and we're back you're listening the

1218

01:01:58,290 --> 01:01:56,410

night vision radio I'm your host Renee

1219

01:02:01,710 --> 01:01:58,300

Barnett we're talking with author

1220

01:02:04,920 --> 01:02:01,720

Timothy Wylie we've been talking about

1221

01:02:05,880 --> 01:02:04,930

his experiences with angels during the

1222

01:02:08,250 --> 01:02:05,890

last half hour

1223

01:02:12,060 --> 01:02:08,260

also his NDE experience which also

1224

01:02:16,230 --> 01:02:12,070

encompasses the angels subject just a

1225

01:02:18,810 --> 01:02:16,240

few more questions well actually I'd

1226

01:02:21,510 --> 01:02:18,820

like to get into your idea about rebel

1227

01:02:24,240 --> 01:02:21,520

angels I know you've written a whole

1228

01:02:27,090 --> 01:02:24,250

series of books on that can you explain

1229

01:02:31,170 --> 01:02:27,100

to us what is a rebel angel is that the

1230

01:02:36,150 --> 01:02:31,180

same thing as a fallen angel yeah yeah

1231

01:02:38,160 --> 01:02:36,160

pretty much yeah I mean the the

1232

01:02:39,780 --> 01:02:38,170

disagreement the angelic rebellion if

1233

01:02:44,400 --> 01:02:39,790

you like that I talked about earlier

1234

01:02:47,550 --> 01:02:44,410

that happened you know as I said two

1235

01:02:51,030 --> 01:02:47,560

hundred three thousand years ago told a

1236

01:02:54,330 --> 01:02:51,040

lot of angels along with it and these

1237

01:02:58,560 --> 01:02:54,340

became you know known and has the rebel

1238

01:03:00,300 --> 01:02:58,570

angels now what has happened to the

1239

01:03:03,210 --> 01:03:00,310

rebel angels of course is another matter

1240

01:03:05,850 --> 01:03:03,220

entirely and that's what the books I am

1241

01:03:07,880 --> 01:03:05,860

writing together with a revelation or

1242

01:03:10,980 --> 01:03:07,890

discounted Webber angel what I mean

1243

01:03:16,260 --> 01:03:10,990

basically and kind of working with

1244

01:03:17,810 --> 01:03:16,270

robots 15 or 20 years now and over the

1245

01:03:20,340 --> 01:03:17,820

last four or five years have been

1246

01:03:22,530 --> 01:03:20,350

producing these collaborative books and

1247

01:03:23,940 --> 01:03:22,540

she's basically telling her story she

1248

01:03:26,220 --> 01:03:23,950

came to this planet thousand million

1249

01:03:29,730 --> 01:03:26,230

years ago with one of the first of the

1250

01:03:34,140 --> 01:03:29,740

interventions and so she has been able

1251  
01:03:37,890 --> 01:03:34,150  
to see into the whole the whole spectrum

1252  
01:03:40,860 --> 01:03:37,900  
of of a sort of you know fall from grace

1253  
01:03:43,650 --> 01:03:40,870  
that you like because the repair when

1254  
01:03:46,200 --> 01:03:43,660  
the rebellion hit most of the angels who

1255  
01:03:48,860 --> 01:03:46,210  
took care of this planet actually sided

1256  
01:03:51,420 --> 01:03:48,870  
with the rebels so you know we've been

1257  
01:03:55,200 --> 01:03:51,430  
you know one of the really our title

1258  
01:04:00,289 --> 01:03:55,210  
rebellious planners and what was the

1259  
01:04:04,799 --> 01:04:00,299  
rebellion about it was about

1260  
01:04:07,709 --> 01:04:04,809  
responsibility and freedom of choice the

1261  
01:04:11,999 --> 01:04:07,719  
radial universe is organized in istria

1262  
01:04:14,670 --> 01:04:12,009  
bridges and when you get to them this

1263  
01:04:16,950 --> 01:04:14,680

level if you like where we're just kind

1264

01:04:22,349 --> 01:04:16,960

of emerging from icons animal in our

1265

01:04:24,180 --> 01:04:22,359

heritage the angels who are who take

1266

01:04:26,759 --> 01:04:24,190

care of us have to be pretty broad

1267

01:04:29,549 --> 01:04:26,769

minded have to be pretty easygoing in a

1268

01:04:31,739 --> 01:04:29,559

way that interest angels aren't and I

1269

01:04:32,489 --> 01:04:31,749

think probably you know they time for

1270

01:04:35,489 --> 01:04:32,499

anything else

1271

01:04:37,769 --> 01:04:35,499

you know we should do not better if we

1272

01:04:39,719 --> 01:04:37,779

were on our own you know we don't need a

1273

01:04:41,400 --> 01:04:39,729

centralized command anymore you know

1274

01:04:44,339 --> 01:04:41,410

what down here these guys don't know

1275

01:04:49,499 --> 01:04:44,349

what we have to go through that kind of

1276

01:04:51,749 --> 01:04:49,509

thing so it was about was it a rebellion

1277

01:04:56,789 --> 01:04:51,759

against the system with a rebellion

1278

01:05:01,380 --> 01:04:56,799

against God you know what are we to

1279

01:05:03,900 --> 01:05:01,390

think about these rebel angels well if

1280

01:05:07,819 --> 01:05:03,910

it's yeah what we just expansion it's a

1281

01:05:10,499 --> 01:05:07,829

contact thing I mean just to give away

1282

01:05:13,229 --> 01:05:10,509

give away the basic secrets as the books

1283

01:05:15,239 --> 01:05:13,239

that I'm writing is it what is happening

1284

01:05:17,940 --> 01:05:15,249

to the rebel angels is attained being

1285

01:05:21,959 --> 01:05:17,950

given the opportunity of incarnating as

1286

01:05:26,539 --> 01:05:21,969

human beings and living out a life on

1287

01:05:29,640 --> 01:05:26,549

the planet such as this died under the

1288

01:05:31,829 --> 01:05:29,650

auspices of the decisions they made sin

1289

01:05:33,380 --> 01:05:31,839

on their so they're given to be they're

1290

01:05:37,079 --> 01:05:33,390

being given the challenge that you like

1291

01:05:39,329 --> 01:05:37,089

to redeem themselves and also in

1292

01:05:45,200 --> 01:05:39,339

redeeming themselves they're able to

1293

01:05:48,509 --> 01:05:45,210

influence you know the planets growth in

1294

01:05:51,029 --> 01:05:48,519

virtual understanding you know but it's

1295

01:05:54,660 --> 01:05:51,039

a long it's a long such I'm sorry

1296

01:05:57,599 --> 01:05:54,670

take control of my captain's now I hear

1297

01:06:00,420 --> 01:05:57,609

him every now and then I know I know

1298

01:06:03,089 --> 01:06:00,430

it's just a kitten and he just likes to

1299

01:06:03,779 --> 01:06:03,099

destroy everything we love her we love

1300

01:06:07,559 --> 01:06:03,789

our animals

1301

01:06:11,670 --> 01:06:07,569

oh we do my god wasn't so much in there

1302

01:06:13,200 --> 01:06:11,680

yeah so it's my understanding that the

1303

01:06:15,600 --> 01:06:13,210

rebel angels aren't and

1304

01:06:19,380 --> 01:06:15,610

manikin our incarnation as human beings

1305

01:06:21,960 --> 01:06:19,390

it's I think I had one angel saying that

1306

01:06:24,870 --> 01:06:21,970

squeezing a angel into a human being is

1307

01:06:28,140 --> 01:06:24,880

like squeezing a rainbow into a

1308

01:06:30,660 --> 01:06:28,150

coca-cola bottle it takes a lot of

1309

01:06:34,200 --> 01:06:30,670

incarnations in order to sort of get get

1310

01:06:37,320 --> 01:06:34,210

being so kind of ready to you know to

1311

01:06:40,470 --> 01:06:37,330

take on a human incarnation because it's

1312

01:06:44,880 --> 01:06:40,480

it's not easy down here on easier

1313

01:06:51,750 --> 01:06:44,890

especially for an angel and when these

1314

01:06:53,880 --> 01:06:51,760

angels incarnate are they aware no no no

1315

01:06:57,060 --> 01:06:53,890

because part of the bargain is you live

1316

01:06:59,280 --> 01:06:57,070

your life is v all right that's what you

1317

01:07:01,920 --> 01:06:59,290

have to do but we're getting to a stage

1318

01:07:04,230 --> 01:07:01,930

now where it actually is more important

1319

01:07:05,850 --> 01:07:04,240

than they that they wake up to who they

1320

01:07:09,360 --> 01:07:05,860

are because they can be much much more

1321

01:07:12,390 --> 01:07:09,370

value and the lessons I'm getting some

1322

01:07:15,060 --> 01:07:12,400

people are sharing me is that by knowing

1323

01:07:17,600 --> 01:07:15,070

who they are they come to peace inside

1324

01:07:21,180 --> 01:07:17,610

themselves with this sort of pressure

1325

01:07:24,270 --> 01:07:21,190

but there's a lot of them you know well

1326

01:07:26,010 --> 01:07:24,280

in fueling effect feeling that they hear

1327

01:07:28,580 --> 01:07:26,020

the coffee did something terribly wrong

1328

01:07:32,880 --> 01:07:28,590

or terribly bad or something like that I

1329

01:07:35,310 --> 01:07:32,890

mean that's what got me going you know

1330

01:07:39,480 --> 01:07:35,320

when I started realizing you know how

1331

01:07:41,700 --> 01:07:39,490

deeply flawed I was I was what got me

1332

01:07:43,320 --> 01:07:41,710

sort of interested and I think that's

1333

01:07:45,210 --> 01:07:43,330

probably what propels a lot of people

1334

01:07:49,890 --> 01:07:45,220

into trying to understand who they are

1335

01:07:51,660 --> 01:07:49,900

why not here so it's quite possible that

1336

01:07:56,370 --> 01:07:51,670

someone listening to this show right now

1337

01:07:57,990 --> 01:07:56,380

is an angel and doesn't know it yes I

1338

01:08:01,560 --> 01:07:58,000

would imagine there were quite a number

1339

01:08:05,580 --> 01:08:01,570

of them because this sort of program and

1340

01:08:08,730 --> 01:08:05,590

this sort of realm of interest you know

1341

01:08:11,280 --> 01:08:08,740

and draws a lot of them in because of

1342

01:08:13,980 --> 01:08:11,290

course you know that they had sort of

1343

01:08:17,220 --> 01:08:13,990

very very you know ancient sort of

1344

01:08:21,780 --> 01:08:17,230

memories of the spiritual life in a way

1345

01:08:26,010 --> 01:08:21,790

that most people don't have and if

1346

01:08:27,590 --> 01:08:26,020

someone is it's having trouble sort of

1347

01:08:30,470 --> 01:08:27,600

being human

1348

01:08:33,070 --> 01:08:30,480

and has an idea that there might be

1349

01:08:37,280 --> 01:08:33,080

something more to it or more to them

1350

01:08:40,700 --> 01:08:37,290

what what would one look for in order to

1351  
01:08:46,670 --> 01:08:40,710  
come to terms with finding out that you

1352  
01:08:48,500 --> 01:08:46,680  
are a being an angelic being there seem

1353  
01:08:52,640 --> 01:08:48,510  
to be a certain number of common

1354  
01:08:55,670 --> 01:08:52,650  
denominators one is it the gender had

1355  
01:08:56,990 --> 01:08:55,680  
very difficult childhoods in other words

1356  
01:08:59,360 --> 01:08:57,000  
they have to meet with lots of

1357  
01:09:01,580 --> 01:08:59,370  
challenges very young and one of the

1358  
01:09:04,460 --> 01:09:01,590  
reasons for this is to strengthen the

1359  
01:09:06,920 --> 01:09:04,470  
emotional body because angels have

1360  
01:09:09,050 --> 01:09:06,930  
rather weak emotional bodies because

1361  
01:09:12,290 --> 01:09:09,060  
they didn't need the strong emotional

1362  
01:09:15,560 --> 01:09:12,300  
bodies because they don't have many

1363  
01:09:17,570 --> 01:09:15,570

choices to face we face choices every

1364

01:09:21,320 --> 01:09:17,580

second of the day we need a strong

1365

01:09:24,910 --> 01:09:21,330

emotional bodies so generally speaking

1366

01:09:27,530 --> 01:09:24,920

rather difficult childhoods they feel

1367

01:09:29,330 --> 01:09:27,540

there's a difference from their friends

1368

01:09:32,420 --> 01:09:29,340

they generally not understood by their

1369

01:09:36,650 --> 01:09:32,430

parents also Nevers and sisters don't

1370

01:09:41,420 --> 01:09:36,660

understand them sometimes they they may

1371

01:09:44,360 --> 01:09:41,430

have an autistic aspect to them they're

1372

01:09:51,560 --> 01:09:44,370

generally they are just you know into

1373

01:09:56,500 --> 01:09:51,570

the arts did you say artistic or

1374

01:10:01,070 --> 01:09:56,510

autistic some have an autistic perspect

1375

01:10:05,510 --> 01:10:01,080

and then I also said that the doors of

1376

01:10:06,440 --> 01:10:05,520

the Arts Oh interesting so both yes yes

1377

01:10:14,570 --> 01:10:06,450

yes

1378

01:10:19,310 --> 01:10:14,580

they have this autistic aspect because

1379

01:10:21,410 --> 01:10:19,320

they're not entirely human and a lot of

1380

01:10:24,200 --> 01:10:21,420

times when you hear about autism or

1381

01:10:29,750 --> 01:10:24,210

aspects of it's like Asperger's syndrome

1382

01:10:33,040 --> 01:10:29,760

it is sort of the human feelings and the

1383

01:10:37,910 --> 01:10:33,050

human emotions that are not quite what

1384

01:10:40,700 --> 01:10:37,920

we would term normal yes yes exactly as

1385

01:10:42,890 --> 01:10:40,710

you as purchase things you know you can

1386

01:10:45,380 --> 01:10:42,900

the incredible brilliance of certain

1387

01:10:48,770 --> 01:10:45,390

things yes that was a long way but yes I

1388

01:10:51,110 --> 01:10:48,780

mean I mean from my own personal thing I

1389

01:10:54,709 --> 01:10:51,120

know for instance that she took me at

1390

01:10:55,970 --> 01:10:54,719

least three to five hundred lifetimes to

1391

01:10:58,280 --> 01:10:55,980

get here

1392

01:11:00,620 --> 01:10:58,290

and these aren't just lifetimes on this

1393

01:11:03,410 --> 01:11:00,630

planet lifetimes on on a series of other

1394

01:11:05,690 --> 01:11:03,420

planets as well so this was the

1395

01:11:08,540 --> 01:11:05,700

conditioning process necessary to be

1396

01:11:10,550 --> 01:11:08,550

able to live in this under these

1397

01:11:11,959 --> 01:11:10,560

conditions because usually what goes

1398

01:11:15,800 --> 01:11:11,969

with the three diverse choice and what

1399

01:11:24,050 --> 01:11:15,810

goes with the emotional strength is any

1400

01:11:26,479 --> 01:11:24,060

credibly strong emotional unless massive

1401

01:11:28,970 --> 01:11:26,489

you like you know the astral for

1402

01:11:32,600 --> 01:11:28,980

instance here is really really a fob you

1403

01:11:35,030 --> 01:11:32,610

place because there's so much after all

1404

01:11:37,850 --> 01:11:35,040

four forms are so many emotionally

1405

01:11:39,530 --> 01:11:37,860

powerful forms extraterrestrial find it

1406

01:11:41,570 --> 01:11:39,540

very hard to be done yeah I mean the

1407

01:11:44,570 --> 01:11:41,580

first one I became when I know that just

1408

01:11:47,420 --> 01:11:44,580

after the war could only be here for ten

1409

01:11:51,440 --> 01:11:47,430

minutes they lasted ten minutes before

1410

01:11:53,479 --> 01:11:51,450

he can listen and you know so we say

1411

01:11:54,729 --> 01:11:53,489

well why didn't they land on the white

1412

01:11:58,520 --> 01:11:54,739

house below on what they did actually

1413

01:12:02,330 --> 01:11:58,530

but it's because it's pretty generally

1414

01:12:06,680 --> 01:12:02,340

comfortable I hope you don't mind a

1415

01:12:11,120 --> 01:12:06,690

rather direct question are you a rebel

1416

01:12:18,110 --> 01:12:11,130

angel is a direct question isn't it yes

1417

01:12:20,090 --> 01:12:18,120

I am I knew it and how did you come to

1418

01:12:23,930 --> 01:12:20,100

terms with that how did how was that

1419

01:12:30,350 --> 01:12:23,940

reveal to you it's been a long process

1420

01:12:33,080 --> 01:12:30,360

so was it like a slow realization well

1421

01:12:35,840 --> 01:12:33,090

it started as I said it started back

1422

01:12:37,720 --> 01:12:35,850

when I was in my twenties with really

1423

01:12:41,209 --> 01:12:37,730

kind of trying to come to terms with

1424

01:12:43,940 --> 01:12:41,219

because in those days LSD was legalized

1425

01:12:46,610 --> 01:12:43,950

and a lot of us you know who are

1426

01:12:51,110 --> 01:12:46,620

interested investigating ourselves you

1427

01:12:52,850 --> 01:12:51,120

know you use diversity and I think the

1428

01:12:54,530 --> 01:12:52,860

first four or five trips I took were

1429

01:12:57,410 --> 01:12:54,540

absolutely hellish it

1430

01:12:59,690 --> 01:12:57,420

terrible sentence my girlfriend was next

1431

01:13:02,900 --> 01:12:59,700

to me having the time of my life so I

1432

01:13:05,930 --> 01:13:02,910

know what's going on you know why would

1433

01:13:09,020 --> 01:13:05,940

I have these trifles portraits and for

1434

01:13:10,880 --> 01:13:09,030

that that's what got me interest is and

1435

01:13:14,510 --> 01:13:10,890

then I started realizing how damaged

1436

01:13:16,670 --> 01:13:14,520

I've been in the war and you know then

1437

01:13:20,060 --> 01:13:16,680

why should I why did I choose to go into

1438

01:13:21,470 --> 01:13:20,070

a war you know and once you stop asking

1439

01:13:24,200 --> 01:13:21,480

these questions you get deeper and

1440

01:13:26,720 --> 01:13:24,210

deeper deeper and you start realizing

1441

01:13:29,360 --> 01:13:26,730

and then I think I was in my forties

1442

01:13:32,480 --> 01:13:29,370

when I started getting an understanding

1443

01:13:34,880 --> 01:13:32,490

of the angelic rebellion and then

1444

01:13:37,010 --> 01:13:34,890

everything started sitting together and

1445

01:13:40,100 --> 01:13:37,020

this particular rebel angel will I call

1446

01:13:41,360 --> 01:13:40,110

Georgia who's been working with me I she

1447

01:13:45,020 --> 01:13:41,370

tells me now for three or four

1448

01:13:48,350 --> 01:13:45,030

incarnations and she was the angel who

1449

01:13:50,120 --> 01:13:48,360

actually held me when I was under the

1450

01:13:53,000 --> 01:13:50,130

bombs and the war I would leave my body

1451

01:13:54,320 --> 01:13:53,010

and she would take care of me I didn't I

1452

01:13:56,660 --> 01:13:54,330

didn't know anything about this on so

1453

01:13:58,970 --> 01:13:56,670

many years later but that was my first

1454

01:14:03,080 --> 01:13:58,980

kind of introduction to angels if you

1455

01:14:06,740 --> 01:14:03,090

like now this this woman Georgia who you

1456

01:14:11,330 --> 01:14:06,750

say is an angel a rebel angel

1457

01:14:13,310 --> 01:14:11,340

she's an incarnated person no no she's

1458

01:14:18,380 --> 01:14:13,320

looks at this guy she doesn't have a

1459

01:14:20,570 --> 01:14:18,390

physical body you don't see her but you

1460

01:14:23,210 --> 01:14:20,580

are able to communicate well that's her

1461

01:14:26,210 --> 01:14:23,220

yes she comes I feel a standing behind

1462

01:14:30,110 --> 01:14:26,220

me you know sometimes she has a hands on

1463

01:14:31,880 --> 01:14:30,120

my shoulders and and you know she

1464

01:14:33,470 --> 01:14:31,890

basically Genuity comes up with the

1465

01:14:35,990 --> 01:14:33,480

concept you know should come up with a

1466

01:14:39,820 --> 01:14:36,000

statement or so come up with a sentence

1467

01:14:42,620 --> 01:14:39,830

or you know what discuss it a little bit

1468

01:14:45,260 --> 01:14:42,630

and then she says actually uses my hands

1469

01:14:46,700 --> 01:14:45,270

to write I mean I'm not a medium per se

1470

01:14:49,520 --> 01:14:46,710

it's more of a discussion it's like

1471

01:14:51,770 --> 01:14:49,530

having a friend but he's taking about I

1472

01:14:53,390 --> 01:14:51,780

was taking I think 15 years to get to a

1473

01:14:55,430 --> 01:14:53,400

point where we can trust each other

1474

01:14:58,940 --> 01:14:55,440

enough because it's awful to begin with

1475

01:15:02,960 --> 01:14:58,950

and that's why it's getting crazy so you

1476

01:15:06,110 --> 01:15:02,970

don't you don't really call your work

1477

01:15:07,520 --> 01:15:06,120

with her a channeled material because

1478

01:15:08,120 --> 01:15:07,530

you feel you're just communicating with

1479

01:15:10,580 --> 01:15:08,130

someone

1480

01:15:12,500 --> 01:15:10,590

yeah it's more collaboration it's more

1481

01:15:16,630 --> 01:15:12,510

yeah it's like celebrating with somebody

1482

01:15:18,890 --> 01:15:16,640

I see that's really interesting and

1483

01:15:21,380 --> 01:15:18,900

before we get too much further because

1484

01:15:24,050 --> 01:15:21,390

we've only got about 15 minutes left in

1485

01:15:27,170 --> 01:15:24,060

the show I want to let everyone know how

1486

01:15:29,810 --> 01:15:27,180

to get your books for one thing you can

1487

01:15:35,050 --> 01:15:29,820

go to Timothy's website that's Timothy

1488

01:15:36,260 --> 01:15:35,060

Wiley and that spelled w-why ll ie

1489

01:15:39,020 --> 01:15:36,270

dot-com

1490

01:15:42,890 --> 01:15:39,030

Timothy Wiley calm you can also find

1491

01:15:44,420 --> 01:15:42,900

them on amazon.com I've seen when I was

1492

01:15:47,290 --> 01:15:44,430

looking through the materials today I

1493

01:15:50,120 --> 01:15:47,300

saw that they're widely distributed so

1494

01:15:53,120 --> 01:15:50,130

but do have a look at Timothy's website

1495

01:15:55,730 --> 01:15:53,130

because I would urge you to take a look

1496

01:15:58,940 --> 01:15:55,740

at his artwork it's absolutely amazing

1497

01:16:00,260 --> 01:15:58,950

and gorgeous so I would definitely

1498

01:16:02,540 --> 01:16:00,270

recommend you have a look at that

1499

01:16:05,600 --> 01:16:02,550

there's some great articles there as

1500

01:16:08,780 --> 01:16:05,610

well I read something really interesting

1501  
01:16:12,170 --> 01:16:08,790  
today on and E's that you wrote Timothy

1502  
01:16:16,460 --> 01:16:12,180  
and I really appreciate that that was

1503  
01:16:19,180 --> 01:16:16,470  
very very well well done now Lorraine in

1504  
01:16:22,700 --> 01:16:19,190  
the chatroom is asking is there Arthur

1505  
01:16:27,460 --> 01:16:22,710  
circumstances in which your angel cannot

1506  
01:16:39,530 --> 01:16:31,550  
angels can to turn away from moments of

1507  
01:16:41,900 --> 01:16:39,540  
intimacy but no I do think I mean put it

1508  
01:16:44,780 --> 01:16:41,910  
this way angels are with us all the time

1509  
01:16:48,650 --> 01:16:44,790  
right we kind of chef we share our

1510  
01:16:52,820 --> 01:16:48,660  
angels and when we need them they're

1511  
01:16:57,560 --> 01:16:52,830  
there for that way so you know we make

1512  
01:16:59,720 --> 01:16:57,570  
our choices we make our decisions we

1513  
01:17:02,150 --> 01:16:59,730

just we have made them because they tell

1514

01:17:04,760 --> 01:17:02,160

us to make them you know we make them

1515

01:17:06,110 --> 01:17:04,770

because they shoot us and then we have

1516

01:17:08,330 --> 01:17:06,120

to take the consequence and so yeah

1517

01:17:12,590 --> 01:17:08,340

there was a you know all the time

1518

01:17:14,330 --> 01:17:12,600

basically now you say you know there we

1519

01:17:18,530 --> 01:17:14,340

sort of share them but they're there

1520

01:17:20,810 --> 01:17:18,540

when we need them so in other words if

1521

01:17:21,830 --> 01:17:20,820

they're off doing something else helping

1522

01:17:26,540 --> 01:17:21,840

someone else or

1523

01:17:28,580 --> 01:17:26,550

and someone else's area they still know

1524

01:17:31,430 --> 01:17:28,590

when we need them they still know when

1525

01:17:36,400 --> 01:17:31,440

when it's time for them to step up and

1526

01:17:38,690 --> 01:17:36,410

and show up oh yes yes no I think

1527

01:17:42,550 --> 01:17:38,700

according to Georgia they live in a kind

1528

01:17:45,950 --> 01:17:42,560

of different time timeframe than we do

1529

01:17:49,580 --> 01:17:45,960

and I mean I can give you an example for

1530

01:17:51,160 --> 01:17:49,590

instance when I was 17 I my first car

1531

01:17:53,210 --> 01:17:51,170

was just over one of those little

1532

01:17:55,910 --> 01:17:53,220

personal dishes where the French cars

1533

01:17:58,570 --> 01:17:55,920

and I was driving with my girlfriend out

1534

01:18:01,570 --> 01:17:58,580

in the country coming down the hill and

1535

01:18:03,710 --> 01:18:01,580

another car observed in front of me

1536

01:18:06,500 --> 01:18:03,720

taking from the right-hand side to the

1537

01:18:09,170 --> 01:18:06,510

bottom of the hill and I had to swerve

1538

01:18:11,630 --> 01:18:09,180

to avoid running searching to the person

1539

01:18:15,050 --> 01:18:11,640

killing the person and our car went over

1540

01:18:19,370 --> 01:18:15,060

and over and over and smashed smashed

1541

01:18:22,010 --> 01:18:19,380

down like a pancake and Jenny and I was

1542

01:18:23,450 --> 01:18:22,020

throwing out now anyone who knows it

1543

01:18:27,580 --> 01:18:23,460

they're sure though those are the

1544

01:18:33,950 --> 01:18:31,430

somehow somehow like the operation I was

1545

01:18:38,680 --> 01:18:33,960

thrown out in different directions you

1546

01:18:44,200 --> 01:18:38,690

know I I came to know wheels was opened

1547

01:18:48,380 --> 01:18:44,210

and I had no I didn't know it could be

1548

01:18:51,560 --> 01:18:48,390

that guy no idea until I was in my

1549

01:18:54,110 --> 01:18:51,570

forties or sisters and I found out that

1550

01:18:57,470 --> 01:18:54,120

I was actually pulled out by a couple of

1551

01:19:00,490 --> 01:18:57,480

all welcome Midway creatures the group

1552

01:19:04,790 --> 01:19:00,500

of angels would have midway between the

1553

01:19:07,270 --> 01:19:04,800

in a guardian angel level and our level

1554

01:19:09,140 --> 01:19:07,280

and they can interact with us they can

1555

01:19:11,120 --> 01:19:09,150

get into our ranch

1556

01:19:12,920 --> 01:19:11,130

angel basically conquered into our

1557

01:19:15,800 --> 01:19:12,930

reality they can get to into our

1558

01:19:19,130 --> 01:19:15,810

imaginations but they can't get into 3d

1559

01:19:20,960 --> 01:19:19,140

reality these big rigs just can't get

1560

01:19:25,370 --> 01:19:20,970

into the 3d reality and they were the

1561

01:19:26,210 --> 01:19:25,380

ones who pulled me out so yeah now

1562

01:19:30,400 --> 01:19:26,220

innocent

1563

01:19:32,960 --> 01:19:30,410

angelic hierarchy the angels are above

1564

01:19:35,569 --> 01:19:32,970

above humans right a level above human

1565

01:19:39,220 --> 01:19:35,579

not to use a Marshall Applewhite term

1566

01:19:43,669 --> 01:19:39,230

but the angels are a level above human

1567

01:19:44,540 --> 01:19:43,679

or I I avoid the idea were they just

1568

01:19:49,669 --> 01:19:44,550

different

1569

01:19:51,379 --> 01:19:49,679

better way of seeing it in fact you know

1570

01:19:54,260 --> 01:19:51,389

we had something the angels don't have

1571

01:19:57,260 --> 01:19:54,270

the angels aren't indwelt by the God we

1572

01:19:58,669 --> 01:19:57,270

are mortals aren't well but a god that's

1573

01:20:00,950 --> 01:19:58,679

why the angel said of us

1574

01:20:03,319 --> 01:20:00,960

they said us because were to drop out

1575

01:20:06,410 --> 01:20:03,329

the gods but they said they will serve

1576

01:20:08,780 --> 01:20:06,420

they will not so we're very special I

1577

01:20:11,390 --> 01:20:08,790

mean no we have a terrible low opinion

1578

01:20:13,520 --> 01:20:11,400

of myself but we know when we get out

1579

01:20:15,250 --> 01:20:13,530

there when we get out of our bodies we

1580

01:20:17,780 --> 01:20:15,260

find them with very highly regarded

1581

01:20:21,669 --> 01:20:17,790

because we've been able to survive in

1582

01:20:27,729 --> 01:20:21,679

this incredible situation you know

1583

01:20:31,189 --> 01:20:27,739

that's amazing you know beans people are

1584

01:20:35,089 --> 01:20:31,199

beings on other planets do they have the

1585

01:20:38,689 --> 01:20:35,099

same types of interactions with angelic

1586

01:20:41,479 --> 01:20:38,699

creatures yes extraterrestrials have

1587

01:20:42,950 --> 01:20:41,489

angels - yes absolutely I mean

1588

01:20:45,140 --> 01:20:42,960

definitely looking at it is to realize

1589

01:20:49,040 --> 01:20:45,150

that the universe is kind of divided

1590

01:20:51,530 --> 01:20:49,050

into two enormous sort of terms of

1591

01:20:54,919 --> 01:20:51,540

reference your like mercy outside world

1592

01:20:58,100 --> 01:20:54,929

the external walls you know of the

1593

01:21:00,530 --> 01:20:58,110

extraterrestrials we can touch and feel

1594

01:21:03,560 --> 01:21:00,540

and smell and there is the inner world

1595

01:21:06,290 --> 01:21:03,570

or the angels now the universe is

1596

01:21:09,649 --> 01:21:06,300

organized from the inner world right

1597

01:21:12,080 --> 01:21:09,659

and facilitated by the constant world by

1598

01:21:14,319 --> 01:21:12,090

the denizens of the outer world so where

1599

01:21:16,819 --> 01:21:14,329

if you like the hands of the angels

1600

01:21:26,030 --> 01:21:16,829

those are the organizing principles

1601  
01:21:28,100 --> 01:21:26,040  
behind the universe and Lorraine asks

1602  
01:21:34,069 --> 01:21:28,110  
another question from the chat room and

1603  
01:21:35,479 --> 01:21:34,079  
she said if if angels let's see what was

1604  
01:21:36,589 --> 01:21:35,489  
the question here I got a scroll but

1605  
01:21:40,399 --> 01:21:36,599  
sorry about that

1606  
01:21:43,280 --> 01:21:40,409  
if angels can be reborn as a human can a

1607  
01:21:45,290 --> 01:21:43,290  
demon be reborn as human we haven't

1608  
01:21:48,810 --> 01:21:45,300  
gotten into demons at all are there such

1609  
01:21:51,870 --> 01:21:48,820  
things as demons no

1610  
01:21:56,419 --> 01:21:51,880  
Kingman's there are settings of source

1611  
01:22:02,370 --> 01:21:56,429  
forms right and sort phones can manifest

1612  
01:22:05,399 --> 01:22:02,380  
as as demonic aspect but this is I think

1613  
01:22:10,500 --> 01:22:05,409

as demons per se that's all forms are

1614

01:22:13,439 --> 01:22:10,510

very easy to to get rid of if one you

1615

01:22:14,520 --> 01:22:13,449

know loves them from heart one sends a

1616

01:22:16,530 --> 01:22:14,530

beam from the heart

1617

01:22:18,990 --> 01:22:16,540

once and dissipates a forceful very

1618

01:22:22,850 --> 01:22:19,000

easily so that other such things with

1619

01:22:25,760 --> 01:22:22,860

demons and then give instant incarnate

1620

01:22:29,760 --> 01:22:25,770

less human demon nothing like that

1621

01:22:35,370 --> 01:22:32,180

now I you know we've talked about your

1622

01:22:37,770 --> 01:22:35,380

series on rebel angels that you've

1623

01:22:39,450 --> 01:22:37,780

written now what is it can you tell us a

1624

01:22:43,800 --> 01:22:39,460

little bit about your very latest book

1625

01:22:46,020 --> 01:22:43,810

and sort of what's what that's about and

1626

01:22:50,790 --> 01:22:46,030

then we'd like to know what it is that

1627

01:22:52,979 --> 01:22:50,800

you're up to next well and you're doing

1628

01:22:56,520 --> 01:22:52,989

I got two streams that looks out at the

1629

01:22:59,160 --> 01:22:56,530

moment the rebel angel books and the

1630

01:23:03,060 --> 01:22:59,170

latest one came out about two months ago

1631

01:23:05,939 --> 01:23:03,070

as for rebel angels in exile and then

1632

01:23:08,479 --> 01:23:05,949

the book that is in that series is

1633

01:23:12,300 --> 01:23:08,489

claimed to be coming out next year is

1634

01:23:13,229 --> 01:23:12,310

called also called wisdom of the watcher

1635

01:23:16,080 --> 01:23:13,239

innocence right

1636

01:23:18,240 --> 01:23:16,090

mm another one coming out after that and

1637

01:23:19,950 --> 01:23:18,250

so I've written eight of them I don't

1638

01:23:22,229 --> 01:23:19,960

know it's a top surface is really going

1639

01:23:23,729 --> 01:23:22,239

to be patient and generous enough to do

1640

01:23:26,310 --> 01:23:23,739

the whole eight but we'll see

1641

01:23:27,899 --> 01:23:26,320

it's commissioned tonight so far and

1642

01:23:30,660 --> 01:23:27,909

then the other stream is the healings

1643

01:23:33,600 --> 01:23:30,670

proposition which is the book that came

1644

01:23:38,700 --> 01:23:33,610

to me as a piece of automatic writing in

1645

01:23:40,109 --> 01:23:38,710

the late 70s and I decided that it was

1646

01:23:43,470 --> 01:23:40,119

such an interesting story that I was

1647

01:23:46,020 --> 01:23:43,480

illustrated and which I've done and it's

1648

01:23:47,129 --> 01:23:46,030

taken me six years a 30-year book oh

1649

01:23:49,200 --> 01:23:47,139

it's beautiful

1650

01:23:53,339 --> 01:23:49,210

now there's there's pictures of that

1651  
01:23:55,020 --> 01:23:53,349  
book on your website and I was looking

1652  
01:23:57,629 --> 01:23:55,030  
at looking at that it looks like a

1653  
01:24:00,060 --> 01:23:57,639  
beautiful piece it's sort of like

1654  
01:24:02,459 --> 01:24:00,070  
something you know you'd want to have in

1655  
01:24:05,820 --> 01:24:02,469  
your collection I hope so

1656  
01:24:07,350 --> 01:24:05,830  
I mean it was a labor of love I mean I

1657  
01:24:10,770 --> 01:24:07,360  
did it because they just absolutely love

1658  
01:24:14,010 --> 01:24:10,780  
love doing it and you know it's a it's a

1659  
01:24:17,700 --> 01:24:14,020  
it's a fable it's a cosmic stable that

1660  
01:24:19,590 --> 01:24:17,710  
you likes about you know another look at

1661  
01:24:24,060 --> 01:24:19,600  
the creation is you know through just

1662  
01:24:27,120 --> 01:24:24,070  
viewpoint interesting decent works yeah

1663  
01:24:31,950 --> 01:24:27,130

it's it's beautiful just beautiful on

1664

01:24:36,000 --> 01:24:31,960

you is your artwork for sale III I

1665

01:24:38,700 --> 01:24:36,010

cannot - I worked out when I was young

1666

01:24:41,790 --> 01:24:38,710

that if I wanted to be a musician I

1667

01:24:43,560 --> 01:24:41,800

doesn't not be I want to get paid for it

1668

01:24:45,810 --> 01:24:43,570

and I have the same sense about my

1669

01:24:48,209 --> 01:24:45,820

artwork I consider myself basically a

1670

01:24:50,580 --> 01:24:48,219

visual artist you know who just happens

1671

01:24:52,770 --> 01:24:50,590

and so all this stuff because I got

1672

01:24:55,140 --> 01:24:52,780

interested in non-human intelligences

1673

01:24:57,240 --> 01:24:55,150

you know in dolphin intelligence and

1674

01:25:00,540 --> 01:24:57,250

extraterrestrial intelligence but I'm

1675

01:25:02,100 --> 01:25:00,550

basically a visual artist signed up to

1676

01:25:05,520 --> 01:25:02,110

do you know I

1677

01:25:07,709 --> 01:25:05,530

we didn't even have time you know to get

1678

01:25:10,050 --> 01:25:07,719

into your studies of dolphin

1679

01:25:12,800 --> 01:25:10,060

intelligence but it was interesting

1680

01:25:15,870 --> 01:25:12,810

today I just happened to run across

1681

01:25:18,240 --> 01:25:15,880

something on someone else's Facebook

1682

01:25:21,750 --> 01:25:18,250

page I don't even remember whose page it

1683

01:25:24,689 --> 01:25:21,760

was but they had a picture of a human

1684

01:25:27,450 --> 01:25:24,699

brain next to a dolphin's brain and the

1685

01:25:31,410 --> 01:25:27,460

Dolphins brain was like twice as big at

1686

01:25:33,229 --> 01:25:31,420

least as the human brain then I thought

1687

01:25:35,700 --> 01:25:33,239

that was quite interesting

1688

01:25:38,370 --> 01:25:35,710

well they've managed to exist you know

1689

01:25:41,100 --> 01:25:38,380

for 35 million years and they haven't

1690

01:25:43,110 --> 01:25:41,110

destroyed themselves and they're highly

1691

01:25:44,670 --> 01:25:43,120

intelligent but you know they place

1692

01:25:47,430 --> 01:25:44,680

their intelligence much more in the

1693

01:25:51,090 --> 01:25:47,440

heart of the body realms they're much

1694

01:25:53,370 --> 01:25:51,100

more facile in that area because waters

1695

01:25:55,770 --> 01:25:53,380

you know water is a great medium for

1696

01:25:58,680 --> 01:25:55,780

leading the body and it's Gianluigi

1697

01:26:02,540 --> 01:25:58,690

Scarlets so they're much more active in

1698

01:26:06,150 --> 01:26:02,550

the heart of the body realms hmm

1699

01:26:10,620 --> 01:26:06,160

interesting and in were able to spend

1700

01:26:12,450 --> 01:26:10,630

time with the dolphins yes I I was lucky

1701

01:26:14,970 --> 01:26:12,460

because now it's much more difficult to

1702

01:26:16,170 --> 01:26:14,980

do it but I just I just went down to

1703

01:26:19,230 --> 01:26:16,180

Florida and I

1704

01:26:21,750 --> 01:26:19,240

I can't got inducted into into a pod

1705

01:26:24,270 --> 01:26:21,760

we were not entertained and friends and

1706

01:26:26,550 --> 01:26:24,280

it just passed over them and you know

1707

01:26:28,680 --> 01:26:26,560

they put a whole series of tests it was

1708

01:26:30,510 --> 01:26:28,690

such a fascination because I had a

1709

01:26:33,060 --> 01:26:30,520

series of questions I wanted to ask them

1710

01:26:35,520 --> 01:26:33,070

that I had held in my mind and they had

1711

01:26:38,490 --> 01:26:35,530

answered all of those questions you know

1712

01:26:41,850 --> 01:26:38,500

over a period of about 12 days including

1713

01:26:44,670 --> 01:26:41,860

a question as to you know what how do

1714

01:26:49,040 --> 01:26:44,680

you relate to extraterrestrials and our

1715

01:26:51,450 --> 01:26:49,050

last last night there there was a

1716

01:26:54,900 --> 01:26:51,460

magnificent display of extraterrestrial

1717

01:26:55,890 --> 01:26:54,910

crafts out over the bay and then we got

1718

01:26:57,960 --> 01:26:55,900

back in New York another

1719

01:26:59,700 --> 01:26:57,970

extraterrestrial craft and then a

1720

01:27:02,580 --> 01:26:59,710

contact with a little extraterrestrial

1721

01:27:04,380 --> 01:27:02,590

so you know it was the Dollfuss really

1722

01:27:06,180 --> 01:27:04,390

got me into it because I realized off

1723

01:27:11,130 --> 01:27:06,190

it's really are intelligent they ring

1724

01:27:13,920 --> 01:27:11,140

Wow and so it's except that we don't our

1725

01:27:15,980 --> 01:27:13,930

intelligence is matched with as we can't

1726

01:27:18,500 --> 01:27:15,990

perceive their intelligence in a sense

1727

01:27:22,230 --> 01:27:18,510

is it a different type of intelligence

1728

01:27:23,040 --> 01:27:22,240

intelligence yeah yeah yeah exactly and

1729

01:27:24,930 --> 01:27:23,050

it's gonna be the same with

1730

01:27:30,390 --> 01:27:24,940

extraterrestrials you know some types of

1731

01:27:33,110 --> 01:27:30,400

the distance oh well I can't wait to see

1732

01:27:36,210 --> 01:27:33,120

what you come up with next because

1733

01:27:38,310 --> 01:27:36,220

you've been a very prolific writer and

1734

01:27:42,840 --> 01:27:38,320

written some really interesting

1735

01:27:44,520 --> 01:27:42,850

materials and also varied material which

1736

01:27:48,900 --> 01:27:44,530

is really really interesting you've had

1737

01:27:50,970 --> 01:27:48,910

a an amazing life so far and I can't see

1738

01:27:53,580 --> 01:27:50,980

why it wouldn't continue on to be just

1739

01:27:55,950 --> 01:27:53,590

as amazing so we'll look to see what

1740

01:27:58,980 --> 01:27:55,960

what you come up with in the future and

1741

01:28:00,420 --> 01:27:58,990

I want to thank you so much for coming

1742

01:28:03,570 --> 01:28:00,430

on with us tonight and I want to thank

1743

01:28:05,700 --> 01:28:03,580

Patricia Baker our mutual friend for

1744

01:28:10,800 --> 01:28:05,710

connecting us because it has been

1745

01:28:13,200 --> 01:28:10,810

absolutely fascinating and it's a very

1746

01:28:15,540 --> 01:28:13,210

kind thank you so much yes and very good

1747

01:28:17,760 --> 01:28:15,550

questions and I really appreciate it you

1748

01:28:20,730 --> 01:28:17,770

know what I'm talking intelligently

1749

01:28:23,550 --> 01:28:20,740

about these matters oh well thank you so

1750

01:28:26,610 --> 01:28:23,560

much thank you so much I just try to

1751

01:28:28,560 --> 01:28:26,620

come from the standpoint of a you know

1752

01:28:31,830 --> 01:28:28,570

if the average listener and what they

1753

01:28:34,860 --> 01:28:31,840

I'd like to know about what their next

1754

01:28:37,200 --> 01:28:34,870

possible question might be so alright I

1755

01:28:39,090 --> 01:28:37,210

guess the music's rolling Timothy thank

1756

01:28:41,820 --> 01:28:39,100

you again so much for being on with this

1757

01:28:44,100 --> 01:28:41,830

Timothy Wylie don't forget to go Tim the

1758

01:28:46,140 --> 01:28:44,110

wily calm check out the artwork and
