

Exposing the Truth, One Secret at a Time

# NIGHTVISION

Host: René Barnett

## RADIO

Jeanne D'Août

1  
00:00:09,299 --> 00:00:02,570  
you're locked into inception radio

2  
00:00:16,530 --> 00:00:12,930  
your tool in tonight vision radio

3  
00:00:19,300 --> 00:00:16,540  
exposing the truth one secret at a time

4  
00:00:21,790 --> 00:00:19,310  
prepare yourself as we explore the

5  
00:00:25,420 --> 00:00:21,800  
shadow worlds of suppressed history

6  
00:00:27,819 --> 00:00:25,430  
secret knowledge forbidden religion and

7  
00:00:45,930 --> 00:00:27,829  
shine a light on the conspiracies to

8  
00:00:45,940 --> 00:01:10,640  
but you know

9  
00:01:10,650 --> 00:01:15,910  
welcome to night vision radio

10  
00:01:21,620 --> 00:01:18,500  
good evening everybody thanks so much

11  
00:01:23,240 --> 00:01:21,630  
for joining us this evening we got a lot

12  
00:01:24,670 --> 00:01:23,250  
of good information to cover tonight

13  
00:01:26,360 --> 00:01:24,680

want to make a couple little

14

00:01:27,860 --> 00:01:26,370

announcements well resident an

15

00:01:31,520 --> 00:01:27,870

announcement just want to kind of give a

16

00:01:33,770 --> 00:01:31,530

hello out to all my old friends and

17

00:01:36,620 --> 00:01:33,780

relatives in Oklahoma that went through

18

00:01:40,030 --> 00:01:36,630

some crazy weather yesterday they had

19

00:01:43,520 --> 00:01:40,040

several tornadoes in the Tulsa area and

20

00:01:46,550 --> 00:01:43,530

unbelievably another tornado hit Moore

21

00:01:48,440 --> 00:01:46,560

Oklahoma which as many of you know it's

22

00:01:50,510 --> 00:01:48,450

been the site of a you know the f5

23

00:01:52,400 --> 00:01:50,520

tornado several years ago and then a

24

00:01:55,790 --> 00:01:52,410

couple years ago we got hit again by a

25

00:01:59,719 --> 00:01:55,800

really strong tornado and it has become

26  
00:02:02,390 --> 00:01:59,729  
the news for sure tornado alley so our

27  
00:02:05,120 --> 00:02:02,400  
thoughts go out to all the people in

28  
00:02:07,730 --> 00:02:05,130  
Oklahoma particularly in more in tulsa

29  
00:02:10,370 --> 00:02:07,740  
and Sand Springs Oklahoma lost one

30  
00:02:14,000 --> 00:02:10,380  
gentleman and lots of people were

31  
00:02:16,160 --> 00:02:14,010  
injured but for the most part most

32  
00:02:18,590 --> 00:02:16,170  
everyone was fine and everyone took

33  
00:02:20,930 --> 00:02:18,600  
shelter the the sirens worked well so

34  
00:02:23,630 --> 00:02:20,940  
we're thankful for that including my mom

35  
00:02:25,880 --> 00:02:23,640  
she was in her closet she has a

36  
00:02:27,380 --> 00:02:25,890  
fortified little area there where she

37  
00:02:30,370 --> 00:02:27,390  
lives in her apartment so I was really

38  
00:02:33,920 --> 00:02:30,380

happy to hear that she had taken shelter

39

00:02:36,440 --> 00:02:33,930

and he also want to note the passing of

40

00:02:39,350 --> 00:02:36,450

someone it's some more sad news this

41

00:02:41,449 --> 00:02:39,360

week Helene Olson she's psychic medium

42

00:02:44,270 --> 00:02:41,459

and you might have also heard her on the

43

00:02:47,180 --> 00:02:44,280

radio program supernatural girls with

44

00:02:50,539 --> 00:02:47,190

Patricia Baker and Becky andreasen and

45

00:02:54,110 --> 00:02:50,549

Helene had pancreatic cancer and she

46

00:02:58,160 --> 00:02:54,120

passed i believe it was yesterday i

47

00:03:00,259 --> 00:02:58,170

could be wrong on that but i also wanted

48

00:03:03,410 --> 00:03:00,269

to note that i had received information

49

00:03:08,120 --> 00:03:03,420

that a memorial service for Helene will

50

00:03:11,539 --> 00:03:08,130

be held on sunday March 29th at 11am in

51  
00:03:14,660 --> 00:03:11,549  
Salem Massachusetts at these two Netsky

52  
00:03:18,199 --> 00:03:14,670  
hymens and memorial chapels at 10 been

53  
00:03:20,900 --> 00:03:18,209  
in street and is a jewish service so

54  
00:03:22,640 --> 00:03:20,910  
flowers are not permitted if you have

55  
00:03:28,230 --> 00:03:22,650  
any questions regarding cards or

56  
00:03:31,890 --> 00:03:28,240  
donations please contact nancy at

57  
00:03:36,170 --> 00:03:31,900  
court at Tanya Gabriel calm and I'm

58  
00:03:43,140 --> 00:03:36,180  
going to spell that support at TA and IA

59  
00:03:46,170 --> 00:03:43,150  
gabr lella calm so wishing the best for

60  
00:03:49,140 --> 00:03:46,180  
Helens family and friends and no she's

61  
00:03:50,880 --> 00:03:49,150  
in a much better place now I also wanted

62  
00:03:52,440 --> 00:03:50,890  
to chat a little bit now I think I'm

63  
00:03:54,620 --> 00:03:52,450

going to bring my guest in on this

64

00:03:57,900 --> 00:03:54,630

conversation since you know

65

00:04:01,080 --> 00:03:57,910

coincidentally she happens to be in

66

00:04:02,700 --> 00:04:01,090

France where the plane crash took place

67

00:04:05,370 --> 00:04:02,710

where not she wasn't where it took place

68

00:04:07,290 --> 00:04:05,380

but she's in France the country where

69

00:04:09,600 --> 00:04:07,300

the Germanwings plane crash took place

70

00:04:11,850 --> 00:04:09,610

so i'm going to introduce my guests now

71

00:04:15,240 --> 00:04:11,860

and we're going to get into some really

72

00:04:17,550 --> 00:04:15,250

amazing information about her research

73

00:04:20,490 --> 00:04:17,560

and her own personal adventures and life

74

00:04:22,980 --> 00:04:20,500

in her books but i thought i'd bring her

75

00:04:25,320 --> 00:04:22,990

into this conversation and see if

76  
00:04:28,380 --> 00:04:25,330  
there's a different take on the ground

77  
00:04:30,500 --> 00:04:28,390  
for what went on so i would like to

78  
00:04:34,890 --> 00:04:30,510  
introduce my gasps she's authored

79  
00:04:40,050 --> 00:04:34,900  
adventurer nom de plume of Jean doot and

80  
00:04:43,890 --> 00:04:40,060  
also known as Anika Carmen's and she's

81  
00:04:46,260 --> 00:04:43,900  
from southern France and she is a rental

82  
00:04:49,290 --> 00:04:46,270  
chateau researcher in also researcher

83  
00:04:53,250 --> 00:04:49,300  
all ancient mysteries so good evening or

84  
00:04:57,090 --> 00:04:53,260  
good morning to you Jean good morning

85  
00:05:00,390 --> 00:04:57,100  
how are you Ivan find them a little bit

86  
00:05:02,910 --> 00:05:00,400  
sleepy but I offer I have to apologize

87  
00:05:05,400 --> 00:05:02,920  
once again I'm always bothering someone

88  
00:05:08,190 --> 00:05:05,410

over there at its hour you know I've had

89

00:05:10,920 --> 00:05:08,200

on of course Henry Lincoln and Tim

90

00:05:13,170 --> 00:05:10,930

Wallace Murphy and oh my goodness

91

00:05:15,990 --> 00:05:13,180

Richard Stanley and scarlet and

92

00:05:19,110 --> 00:05:16,000

everybody you know and they all are so

93

00:05:21,450 --> 00:05:19,120

good to get up and actually spend some

94

00:05:23,370 --> 00:05:21,460

time with us here so we really we really

95

00:05:26,130 --> 00:05:23,380

appreciate that but you know talking

96

00:05:29,400 --> 00:05:26,140

about this Germanwings flight that went

97

00:05:32,010 --> 00:05:29,410

down yesterday in our day before and

98

00:05:33,720 --> 00:05:32,020

immediately or I guess it was yesterday

99

00:05:36,990 --> 00:05:33,730

and immediately you know we wake up to

100

00:05:40,260 --> 00:05:37,000

news that the Marseilles prosecutor has

101  
00:05:42,060 --> 00:05:40,270  
already attributed it to a deliberate

102  
00:05:44,610 --> 00:05:42,070  
action by the hope

103  
00:05:48,990 --> 00:05:44,620  
toilet yeah I mean that brings up all

104  
00:05:51,030 --> 00:05:49,000  
kinds of questions obviously and you

105  
00:05:54,870 --> 00:05:51,040  
know one of them is you know I guess

106  
00:05:57,120 --> 00:05:54,880  
questions about the procedures that may

107  
00:06:01,500 --> 00:05:57,130  
you know obviously may need to change as

108  
00:06:03,450 --> 00:06:01,510  
a result of this kind of issue but you

109  
00:06:07,620 --> 00:06:03,460  
know people are wondering you know was

110  
00:06:11,910 --> 00:06:07,630  
it an act of terrorism and I think my

111  
00:06:15,600 --> 00:06:11,920  
idea is that it it it was due to

112  
00:06:17,280 --> 00:06:15,610  
terrorism because whether or not we know

113  
00:06:20,690 --> 00:06:17,290

anything about the philosophies of

114

00:06:23,640 --> 00:06:20,700

andreas Lubitz who was the copilot who

115

00:06:26,580 --> 00:06:23,650

allegedly deliberately caused the

116

00:06:29,880 --> 00:06:26,590

crashing of the plane we don't know

117

00:06:33,930 --> 00:06:29,890

anything about him yet but regardless of

118

00:06:36,390 --> 00:06:33,940

what his thoughts are even if he it was

119

00:06:38,130 --> 00:06:36,400

just he was a heartbroken because of a

120

00:06:42,000 --> 00:06:38,140

love affair and decided to kill himself

121

00:06:43,470 --> 00:06:42,010

and he just you know was you know didn't

122

00:06:45,150 --> 00:06:43,480

care about other people's lives or he

123

00:06:48,000 --> 00:06:45,160

was just too overcome with his own

124

00:06:52,230 --> 00:06:48,010

emotions to do so regardless of that had

125

00:06:53,430 --> 00:06:52,240

it not been for the 911 incident hearing

126

00:06:55,890 --> 00:06:53,440

the United States and whether you

127

00:06:57,540 --> 00:06:55,900

believe that it was outside terrorists

128

00:06:59,880 --> 00:06:57,550

or whether you believed it was an inside

129

00:07:02,550 --> 00:06:59,890

job regardless of that that was an act

130

00:07:05,190 --> 00:07:02,560

of terrorism which did then result in

131

00:07:07,440 --> 00:07:05,200

the change in the security of these

132

00:07:11,340 --> 00:07:07,450

planes which allowed these cockpit doors

133

00:07:15,420 --> 00:07:11,350

to be bolted and shut their bulletproof

134

00:07:18,000 --> 00:07:15,430

they cannot be opened so you know what

135

00:07:20,250 --> 00:07:18,010

happened had it not been for terrorism

136

00:07:23,400 --> 00:07:20,260

would not have happened or exactly in

137

00:07:25,950 --> 00:07:23,410

the way that it did you know I totally

138

00:07:28,560 --> 00:07:25,960

agree there's never a plan B in such

139

00:07:30,840 --> 00:07:28,570

cases that's right and I mean all right

140

00:07:32,790 --> 00:07:30,850

you know I think as I was saying to you

141

00:07:37,170 --> 00:07:32,800

off the air you have been trying to

142

00:07:38,580 --> 00:07:37,180

monitor the the news in Europe as as the

143

00:07:40,470 --> 00:07:38,590

news in the United States about it as

144

00:07:42,480 --> 00:07:40,480

well because sometimes we get a little

145

00:07:44,970 --> 00:07:42,490

bit different stories sometimes it's not

146

00:07:46,890 --> 00:07:44,980

exactly the same news or we'll get more

147

00:07:48,840 --> 00:07:46,900

information if we shop around and and

148

00:07:51,750 --> 00:07:48,850

watch news in other countries as well

149

00:07:53,580 --> 00:07:51,760

but it looks like that on this

150

00:07:55,500 --> 00:07:53,590

particular case we are getting the

151

00:07:57,630 --> 00:07:55,510

latest information

152

00:08:01,550 --> 00:07:57,640

that they have in it was very surprising

153

00:08:05,490 --> 00:08:01,560

that we've gotten as much information as

154

00:08:07,050 --> 00:08:05,500

quickly as we did generally when these

155

00:08:10,260 --> 00:08:07,060

things happen you don't hear much about

156

00:08:12,480 --> 00:08:10,270

them until much much later in

157

00:08:15,210 --> 00:08:12,490

everybody's speculating and wondering

158

00:08:17,580 --> 00:08:15,220

but you know it did bring up something

159

00:08:19,470 --> 00:08:17,590

and I and I might be bringing up a sore

160

00:08:21,120 --> 00:08:19,480

subject for some people i don't know

161

00:08:24,240 --> 00:08:21,130

where it might be politically incorrect

162

00:08:26,790 --> 00:08:24,250

but you know i know the guy was most

163

00:08:31,350 --> 00:08:26,800

reports have said 28 one reports at 27

164

00:08:33,930 --> 00:08:31,360

years old and I'm wondering you know I

165

00:08:36,210 --> 00:08:33,940

mean I think I would like for my pilot

166

00:08:38,190 --> 00:08:36,220

to be a little bit older than that you

167

00:08:40,380 --> 00:08:38,200

know because i know i'm thinking of you

168

00:08:44,550 --> 00:08:40,390

know in terms of my own life and how

169

00:08:47,970 --> 00:08:44,560

much less emotional we get as we mature

170

00:08:50,070 --> 00:08:47,980

and how much more sensible and not only

171

00:08:52,680 --> 00:08:50,080

that but how much more empathetic for

172

00:08:55,410 --> 00:08:52,690

other people because generally if we've

173

00:08:57,510 --> 00:08:55,420

reached a particular age we've gone

174

00:08:59,340 --> 00:08:57,520

through some things in our lives we've

175

00:09:02,670 --> 00:08:59,350

lost a loved one we've gone through a

176

00:09:05,340 --> 00:09:02,680

bad relationship we've lost an important

177

00:09:09,180 --> 00:09:05,350

job we've had to face some kind of

178

00:09:11,780 --> 00:09:09,190

adversity which I think teaches us to be

179

00:09:14,760 --> 00:09:11,790

more open and empathetic to other people

180

00:09:18,270 --> 00:09:14,770

exactly and I'm just wondering now he

181

00:09:20,610 --> 00:09:18,280

was the copilot and not the pilot so

182

00:09:23,100 --> 00:09:20,620

perhaps he wouldn't have been in charge

183

00:09:28,080 --> 00:09:23,110

of the plane but it just was the

184

00:09:31,320 --> 00:09:28,090

unfortunate act of the pilot taking a

185

00:09:34,590 --> 00:09:31,330

break as I'm sure he's done a million

186

00:09:38,850 --> 00:09:34,600

times yeah I wonder if there is a person

187

00:09:42,600 --> 00:09:38,860

that monitors sorry his emotional state

188

00:09:44,580 --> 00:09:42,610

that if you know if somebody says oh my

189

00:09:47,070 --> 00:09:44,590

God he's you know very very unstable

190

00:09:49,350 --> 00:09:47,080

he's been unstable lately or he had he's

191

00:09:52,920 --> 00:09:49,360

having some problems maybe we shouldn't

192

00:09:54,810 --> 00:09:52,930

let him fly well I know that one thing

193

00:09:57,240 --> 00:09:54,820

Lufthansa said you know right off the

194

00:10:00,000 --> 00:09:57,250

but we've had no problem was this guy

195

00:10:02,400 --> 00:10:00,010

you know he seems fine you know of

196

00:10:04,670 --> 00:10:02,410

course you know it would behoove them to

197

00:10:07,680 --> 00:10:04,680

say that from the very beginning but

198

00:10:09,240 --> 00:10:07,690

also I know that they were saying that

199

00:10:12,810 --> 00:10:09,250

they had to have

200

00:10:16,590 --> 00:10:12,820

on through physical examinations I think

201  
00:10:20,400 --> 00:10:16,600  
annually under the age of 40 and twice

202  
00:10:23,520 --> 00:10:20,410  
annually after the age of 40 and but

203  
00:10:25,800 --> 00:10:23,530  
there was not such an examination on the

204  
00:10:28,230 --> 00:10:25,810  
psychological side yeah that's what I

205  
00:10:30,390 --> 00:10:28,240  
mean which perhaps I think that's

206  
00:10:33,840 --> 00:10:30,400  
something they'll probably be looking

207  
00:10:35,190 --> 00:10:33,850  
into as we go forward I would think

208  
00:10:37,320 --> 00:10:35,200  
they're I'm sure they're going to be

209  
00:10:40,230 --> 00:10:37,330  
examining all kinds of ways but right

210  
00:10:42,090 --> 00:10:40,240  
now they're just trying to kind of deal

211  
00:10:47,430 --> 00:10:42,100  
with what happened deal with the family

212  
00:10:49,230 --> 00:10:47,440  
and loved ones of the victims and just I

213  
00:10:51,570 --> 00:10:49,240

guess we just wait to have all the

214

00:10:53,010 --> 00:10:51,580

information but it very very sad thing

215

00:10:56,640 --> 00:10:53,020

and of course we send our condolences

216

00:11:00,570 --> 00:10:56,650

out to those families and friends who've

217

00:11:05,160 --> 00:11:00,580

lost loved ones in yet another air

218

00:11:07,530 --> 00:11:05,170

tragedy but let's get right into some of

219

00:11:12,000 --> 00:11:07,540

your material now before we even get

220

00:11:13,620 --> 00:11:12,010

started Oh someone actually in the chat

221

00:11:15,810 --> 00:11:13,630

room Dean said he suffered with

222

00:11:19,020 --> 00:11:15,820

depression the airline knew this it's in

223

00:11:21,480 --> 00:11:19,030

the paper in the UK today hmm well I do

224

00:11:24,720 --> 00:11:21,490

know that they said that he had been in

225

00:11:28,200 --> 00:11:24,730

training and they he had taken a leave

226

00:11:31,050 --> 00:11:28,210

from training and then gone back and

227

00:11:32,910 --> 00:11:31,060

they there was not an indication of what

228

00:11:33,900 --> 00:11:32,920

that was about but someone had indicated

229

00:11:35,490 --> 00:11:33,910

that there was something about

230

00:11:38,430 --> 00:11:35,500

depression so I guess we'll wait for

231

00:11:40,440 --> 00:11:38,440

that story to unfold but before we get

232

00:11:43,020 --> 00:11:40,450

into your material I want to give out

233

00:11:47,400 --> 00:11:43,030

your website so that people can sort of

234

00:11:53,900 --> 00:11:47,410

look look through it as we talk now it's

235

00:12:00,270 --> 00:11:53,910

Jean duty calm and that's j e a and n e

236

00:12:06,840 --> 00:12:00,280

AO UT calm and i'm going to put they you

237

00:12:09,720 --> 00:12:06,850

miss daddy oh I sure did JEA na dhia 0

238

00:12:11,579 --> 00:12:09,730

UT calm I'm so sorry I'm gonna put that

239

00:12:13,920 --> 00:12:11,589

correctly in the chat room so that

240

00:12:18,870 --> 00:12:13,930

people can see it and just click on it

241

00:12:20,940 --> 00:12:18,880

okay well thank you so much so now we

242

00:12:22,920 --> 00:12:20,950

know that you've written a couple of

243

00:12:26,310 --> 00:12:22,930

books about your various

244

00:12:28,829 --> 00:12:26,320

periences and your own research now I

245

00:12:32,430 --> 00:12:28,839

know that you live in southwest France

246

00:12:34,170 --> 00:12:32,440

and you grew up in the Netherlands so

247

00:12:36,690 --> 00:12:34,180

can you just first of all give us a

248

00:12:39,230 --> 00:12:36,700

little background on you and in what

249

00:12:42,600 --> 00:12:39,240

your specific connection is to that area

250

00:12:45,840 --> 00:12:42,610

well it all started when when I was very

251

00:12:49,380 --> 00:12:45,850

young I had an argument in the class

252

00:12:55,260 --> 00:12:49,390

with my teacher and this was this was a

253

00:12:57,210 --> 00:12:55,270

bible class and I heard somebody there

254

00:12:59,760 --> 00:12:57,220

was this conversation a week earlier and

255

00:13:01,949 --> 00:12:59,770

we were talking about something and then

256

00:13:04,320 --> 00:13:01,959

my teacher said something completely the

257

00:13:06,720 --> 00:13:04,330

opposite in the week after so I raised

258

00:13:08,910 --> 00:13:06,730

my finger and I said sir that's not what

259

00:13:12,269 --> 00:13:08,920

you said last week so I was sent out of

260

00:13:14,220 --> 00:13:12,279

cars it was a very tricky subject

261

00:13:17,160 --> 00:13:14,230

because he couldn't answer the question

262

00:13:19,019 --> 00:13:17,170

so the moment that I came home and my

263

00:13:21,510 --> 00:13:19,029

father found out that I had been sent

264

00:13:23,160 --> 00:13:21,520

out of class he said why have you been

265

00:13:24,990 --> 00:13:23,170

sent out of class what would a nurse

266

00:13:27,480 --> 00:13:25,000

have you done and I said well give me a

267

00:13:29,460 --> 00:13:27,490

Bible so I couldn't breathe very very

268

00:13:32,190 --> 00:13:29,470

well at that point in time I was still

269

00:13:34,820 --> 00:13:32,200

seven years old but together with my

270

00:13:37,380 --> 00:13:34,830

father we found the contradiction and

271

00:13:40,710 --> 00:13:37,390

from that moment onward he said never

272

00:13:42,510 --> 00:13:40,720

you know take anything for granted find

273

00:13:44,280 --> 00:13:42,520

out whether it's true or not so I did

274

00:13:48,390 --> 00:13:44,290

that with math and I do that with

275

00:13:51,090 --> 00:13:48,400

geography and so I've always be become

276

00:13:53,940 --> 00:13:51,100

the person who wanted to know whether it

277

00:13:55,230 --> 00:13:53,950

was true I what you get at school and

278

00:13:59,880 --> 00:13:55,240

what you get in the news and everything

279

00:14:01,980 --> 00:13:59,890

I became suspicious and when you become

280

00:14:05,510 --> 00:14:01,990

suspicious at such a young age it will

281

00:14:08,670 --> 00:14:05,520

take over your entire life you know and

282

00:14:10,680 --> 00:14:08,680

so the thing that I did it was research

283

00:14:13,850 --> 00:14:10,690

everything I researched history and I

284

00:14:18,240 --> 00:14:13,860

found out very very quickly that history

285

00:14:21,090 --> 00:14:18,250

the real true history is not in plain

286

00:14:23,250 --> 00:14:21,100

sight you know you get that in history

287

00:14:25,590 --> 00:14:23,260

books and you know that's only the

288

00:14:29,040 --> 00:14:25,600

surface and there is so much underneath

289

00:14:30,510 --> 00:14:29,050

the surface and usually the stuff that's

290

00:14:32,850 --> 00:14:30,520

underneath the surface is the most

291

00:14:36,030 --> 00:14:32,860

interesting because that will get you

292

00:14:36,840 --> 00:14:36,040

back to a much older civilization it'll

293

00:14:40,249 --> 00:14:36,850

get you back to

294

00:14:44,699 --> 00:14:40,259

ancient techniques ancient knowledge and

295

00:14:47,460 --> 00:14:44,709

it will make you understand life as it

296

00:14:49,499 --> 00:14:47,470

is at the moment and the civilization we

297

00:14:52,050 --> 00:14:49,509

are having at the moment and how you can

298

00:14:55,290 --> 00:14:52,060

change it and use the old techniques to

299

00:14:59,910 --> 00:14:55,300

change it and this is also how I found

300

00:15:04,620 --> 00:14:59,920

out about Gnosticism I didn't really

301

00:15:07,170 --> 00:15:04,630

like them the strong parts of

302

00:15:08,879 --> 00:15:07,180

Christianity in which you are you know

303

00:15:11,280 --> 00:15:08,889

you have to believe in the devil and

304

00:15:13,829 --> 00:15:11,290

inhale and in stuff like that and I was

305

00:15:17,040 --> 00:15:13,839

like I don't think that you know God

306

00:15:20,879 --> 00:15:17,050

would be so you know since parking evil

307

00:15:23,370 --> 00:15:20,889

you know did you make people to kill

308

00:15:27,480 --> 00:15:23,380

people in the desert and you know this

309

00:15:29,780 --> 00:15:27,490

might the enemy if I was I felt a little

310

00:15:33,809 --> 00:15:29,790

bit more lighter about the divinity of

311

00:15:36,360 --> 00:15:33,819

of God and I thought the earth that it's

312

00:15:39,350 --> 00:15:36,370

it's cool you know you live you

313

00:15:42,420 --> 00:15:39,360

experience and you die and you move on I

314

00:15:45,960 --> 00:15:42,430

believed in reincarnation from a very

315

00:15:50,910 --> 00:15:45,970

early age onward so that's what kept me

316

00:15:52,920 --> 00:15:50,920

into those tracks and you know when you

317

00:15:54,860 --> 00:15:52,930

were saying that about that you didn't

318

00:15:57,900 --> 00:15:54,870

like the hard parts that you know the

319

00:16:01,079 --> 00:15:57,910

they let's kill our enemies and all that

320

00:16:04,889 --> 00:16:01,089

I I immediately got a vivid image in my

321

00:16:08,069 --> 00:16:04,899

mind of the cathedral at albi oen you

322

00:16:10,860 --> 00:16:08,079

know that place i'm sure in albi France

323

00:16:14,340 --> 00:16:10,870

you know this is sort of the central

324

00:16:17,699 --> 00:16:14,350

location for the Albigensian Crusades or

325

00:16:21,660 --> 00:16:17,709

the Cathar Crusades as some know them by

326

00:16:26,879 --> 00:16:21,670

and when you go into that church it's a

327

00:16:29,100 --> 00:16:26,889

gorgeous blue decor but when you you do

328

00:16:32,900 --> 00:16:29,110

get a very heavy feeling there and that

329

00:16:36,900 --> 00:16:32,910

is where some of the Cathars were

330

00:16:40,470 --> 00:16:36,910

interviewed or tortured upstairs and

331

00:16:42,509 --> 00:16:40,480

then if you've noticed that mural at the

332

00:16:47,069 --> 00:16:42,519

altar of those people burning in hell

333

00:16:49,920 --> 00:16:47,079

yeah do you remember that joint it's one

334

00:16:50,670 --> 00:16:49,930

of those things that's also with the

335

00:16:54,750 --> 00:16:50,680

torture

336

00:16:59,250 --> 00:16:54,760

that it was divinely inspired to have to

337

00:17:02,490 --> 00:16:59,260

allow torture you know the Dominicans

338

00:17:05,280 --> 00:17:02,500

used torture and this is not just

339

00:17:07,380 --> 00:17:05,290

torture you know you were not really

340

00:17:10,530 --> 00:17:07,390

allowed to draw blood so they cooked

341

00:17:15,270 --> 00:17:10,540

your feet or they you know they burned

342

00:17:18,689 --> 00:17:15,280

parts of you or they they cracked you or

343

00:17:20,400 --> 00:17:18,699

they pulled you apart just because you

344

00:17:24,299 --> 00:17:20,410

know they stopped just before you were

345

00:17:26,460 --> 00:17:24,309

supposed to go and bleed and so they

346

00:17:29,160 --> 00:17:26,470

allowed all that pain they allowed all

347

00:17:32,400 --> 00:17:29,170

that torture in the name of God which

348

00:17:34,669 --> 00:17:32,410

really betrays that they are not working

349

00:17:38,580 --> 00:17:34,679

for the big fella you know they're not

350

00:17:40,740 --> 00:17:38,590

because it would be then the the whole

351

00:17:43,620 --> 00:17:40,750

situation would have been much more

352

00:17:45,570 --> 00:17:43,630

tender much more Essien much more cos

353

00:17:48,750 --> 00:17:45,580

are much more since Francis of Assisi

354

00:17:53,030 --> 00:17:48,760

and you know these are the people that

355

00:17:57,270 --> 00:17:53,040

know that it's service and humility and

356

00:18:02,040 --> 00:17:57,280

conduct and love that are the tools of

357

00:18:04,410 --> 00:18:02,050

the divinity and you know it's it's

358

00:18:08,310 --> 00:18:04,420

humanity playing around with feelings

359

00:18:12,380 --> 00:18:08,320

and thoughts and theories and then some

360

00:18:15,660 --> 00:18:12,390

some civilizations they have this choice

361

00:18:18,390 --> 00:18:15,670

of religion and sometimes the religion

362

00:18:21,660 --> 00:18:18,400

is harsh and sometimes the religion is

363

00:18:24,600 --> 00:18:21,670

less harsh but I don't think religion is

364

00:18:29,490 --> 00:18:24,610

ever the answer religion is another word

365

00:18:32,940 --> 00:18:29,500

for rule and I think we should think of

366

00:18:38,130 --> 00:18:32,950

spirituality as the real connection to

367

00:18:41,750 --> 00:18:38,140

God and spirituality immediately is a

368

00:18:44,400 --> 00:18:41,760

total image it doesn't exclude anybody

369

00:18:46,890 --> 00:18:44,410

you know when you're Christian right and

370

00:18:50,460 --> 00:18:46,900

you will exclude everything else you

371

00:18:52,290 --> 00:18:50,470

will not want to hear anything from the

372

00:18:53,940 --> 00:18:52,300

Islam you don't want to hear anything

373

00:18:57,870 --> 00:18:53,950

from Buddhism you don't want to hear

374

00:19:00,150 --> 00:18:57,880

anything from any other religion because

375

00:19:02,130 --> 00:19:00,160

you're Christian you know you exclude

376

00:19:04,649 --> 00:19:02,140

yourself from the rest of the world and

377

00:19:07,409 --> 00:19:04,659

there are rules to be picked

378

00:19:10,019 --> 00:19:07,419

you know all religions have their pearls

379

00:19:12,839 --> 00:19:10,029

and you would be left out of thoughts

380

00:19:14,339 --> 00:19:12,849

and I think spiritualism is a much

381

00:19:16,849 --> 00:19:14,349

better word like if you're a

382

00:19:20,180 --> 00:19:16,859

spiritualist you will pick from every

383

00:19:23,700 --> 00:19:20,190

religion the pearls that lift you up and

384

00:19:25,830 --> 00:19:23,710

make you a better person and the soul

385

00:19:28,409 --> 00:19:25,840

growth is about becoming a better person

386

00:19:32,700 --> 00:19:28,419

and this is also about accepting things

387

00:19:36,629 --> 00:19:32,710

and moving on and growing and also pre

388

00:19:39,450 --> 00:19:36,639

could become pure between the years yes

389

00:19:42,570 --> 00:19:39,460

yeah I mean I obviously we find a lot of

390

00:19:45,509 --> 00:19:42,580

wars in the name of religion and I think

391

00:19:47,519 --> 00:19:45,519

it was Dawkins that that said something

392

00:19:50,430 --> 00:19:47,529

about you know just imagine you know

393

00:19:56,450 --> 00:19:50,440

like if this world were completely wiped

394

00:19:59,070 --> 00:19:56,460

out and a new civilization develops and

395

00:20:01,799 --> 00:19:59,080

they develop their own religions and

396

00:20:03,839 --> 00:20:01,809

philosophies they'll be completely

397

00:20:06,839 --> 00:20:03,849

different than what we know now they

398

00:20:09,629 --> 00:20:06,849

would not come up with the same because

399

00:20:12,330 --> 00:20:09,639

they are human constructs I mean there

400

00:20:15,419 --> 00:20:12,340

are wonderful spiritual things and I'm

401  
00:20:17,669 --> 00:20:15,429  
not taking anything away from as you

402  
00:20:21,859 --> 00:20:17,679  
said people like the Essenes and the

403  
00:20:25,109 --> 00:20:21,869  
Cathars and others in Jesus and in

404  
00:20:28,830 --> 00:20:25,119  
people you know figures of great

405  
00:20:31,219 --> 00:20:28,840  
magnitude like that but they're not the

406  
00:20:35,789 --> 00:20:31,229  
ones that constructed the religious

407  
00:20:38,849 --> 00:20:35,799  
structures that was done after them by

408  
00:20:43,919 --> 00:20:38,859  
people who were making decisions for

409  
00:20:46,560 --> 00:20:43,929  
their own possible agendas you know so

410  
00:20:50,099 --> 00:20:46,570  
it wasn't Jesus that created

411  
00:20:53,609 --> 00:20:50,109  
Christianity no no it was the people

412  
00:20:57,749 --> 00:20:53,619  
that came after and basically they sort

413  
00:20:59,489 --> 00:20:57,759

of used Jesus I believe yeah for their

414

00:21:01,080 --> 00:20:59,499

own purposes you know and I know that's

415

00:21:03,109 --> 00:21:01,090

probably upsetting to a lot of people

416

00:21:07,310 --> 00:21:03,119

and I do apologize for that and I

417

00:21:10,649 --> 00:21:07,320

wouldn't want to criticize anyone's face

418

00:21:13,619 --> 00:21:10,659

but it's just I mean I think really the

419

00:21:17,340 --> 00:21:13,629

more history you know Jean the kind of

420

00:21:19,620 --> 00:21:17,350

more you really have to accept that

421

00:21:23,640 --> 00:21:19,630

it's not always a good thing that

422

00:21:27,390 --> 00:21:23,650

religion thing sure and the nice thing

423

00:21:29,250 --> 00:21:27,400

to do is when you have them there's

424

00:21:31,590 --> 00:21:29,260

always a group of people who want to

425

00:21:36,870 --> 00:21:31,600

know more you know people like me you

426  
00:21:40,020 --> 00:21:36,880  
have from early age onwards been a

427  
00:21:42,240 --> 00:21:40,030  
little bit doubtful and then you can go

428  
00:21:44,760 --> 00:21:42,250  
back to the source because we are living

429  
00:21:48,659 --> 00:21:44,770  
in this miraculous time that you go into

430  
00:21:50,610 --> 00:21:48,669  
a library and you read up on is Eric

431  
00:21:53,039 --> 00:21:50,620  
things you can read up on hermetic

432  
00:21:55,799 --> 00:21:53,049  
teachings you can read up on those ISM

433  
00:21:59,279 --> 00:21:55,809  
and you will not get burned for it yet

434  
00:22:03,960 --> 00:21:59,289  
oh you can still if you are interested

435  
00:22:07,049 --> 00:22:03,970  
if you're curious to the source of the

436  
00:22:09,120 --> 00:22:07,059  
first century teaching you know if you

437  
00:22:11,340 --> 00:22:09,130  
really want to know the pure source of

438  
00:22:14,490 --> 00:22:11,350

the first century teaching the teachings

439

00:22:16,799 --> 00:22:14,500

that Jesus was teaching then you have to

440

00:22:20,190 --> 00:22:16,809

go back to that first century you have

441

00:22:22,830 --> 00:22:20,200

to get rid of all the additions that

442

00:22:25,350 --> 00:22:22,840

were added to it in the centuries after

443

00:22:28,200 --> 00:22:25,360

especially after Constantine the Great

444

00:22:30,330 --> 00:22:28,210

in the fourth century who added so many

445

00:22:32,490 --> 00:22:30,340

dogmas and doctrines you know if you if

446

00:22:35,159 --> 00:22:32,500

you're really truly interested in what

447

00:22:37,140 --> 00:22:35,169

it all comes from and what the what

448

00:22:41,000 --> 00:22:37,150

Jesus was all about then you have to go

449

00:22:44,279 --> 00:22:41,010

to that first century and you get tired

450

00:22:46,799 --> 00:22:44,289

we have the Liberty the luck and the

451  
00:22:49,649 --> 00:22:46,809  
Liberty to go into a library and really

452  
00:22:52,590 --> 00:22:49,659  
in an investigation and learn and go

453  
00:22:54,810 --> 00:22:52,600  
back to that source that's right and I

454  
00:22:59,159 --> 00:22:54,820  
mean I think if you could get your hands

455  
00:23:01,950 --> 00:22:59,169  
on a Bible that was you know translated

456  
00:23:03,690 --> 00:23:01,960  
from the original Greek you get a much

457  
00:23:06,260 --> 00:23:03,700  
clearer picture even though it's still

458  
00:23:10,560 --> 00:23:06,270  
translated and it probably are some

459  
00:23:12,029 --> 00:23:10,570  
changes at least what what we're used to

460  
00:23:13,950 --> 00:23:12,039  
seeing the books that were used to

461  
00:23:15,930 --> 00:23:13,960  
seeing at least it would be a truer

462  
00:23:17,549 --> 00:23:15,940  
version of those particular books and

463  
00:23:20,210 --> 00:23:17,559

then of course as we know there are lots

464

00:23:24,360 --> 00:23:20,220

of other ones that have come to light

465

00:23:27,780 --> 00:23:24,370

some and just recent years not not too

466

00:23:30,600 --> 00:23:27,790

long ago that people you know 50 years

467

00:23:35,400 --> 00:23:30,610

ago didn't have the luxury of

468

00:23:38,130 --> 00:23:35,410

being able to peruse but i think that

469

00:23:41,460 --> 00:23:38,140

the closer as you said that we can get

470

00:23:44,990 --> 00:23:41,470

back to the original the clearer picture

471

00:23:48,299 --> 00:23:45,000

I mean it just makes sense doesn't it

472

00:23:50,880 --> 00:23:48,309

you first have to learn the politics in

473

00:23:52,710 --> 00:23:50,890

the first century what was going on what

474

00:23:54,810 --> 00:23:52,720

was the code people were writing in

475

00:23:57,210 --> 00:23:54,820

because they were also not writing the

476

00:24:00,180 --> 00:23:57,220

way we were we are writing they're not

477

00:24:03,630 --> 00:24:00,190

writing one hundred percent fractional

478

00:24:06,299 --> 00:24:03,640

history they were writing in codes so

479

00:24:08,640 --> 00:24:06,309

you have to get into the political

480

00:24:13,140 --> 00:24:08,650

structure and what was going on and the

481

00:24:15,450 --> 00:24:13,150

Roman rule that was in that area and if

482

00:24:18,810 --> 00:24:15,460

you would read for instance the Gospel

483

00:24:21,210 --> 00:24:18,820

of Thomas which is very very pure it

484

00:24:22,950 --> 00:24:21,220

doesn't have too many deeds in there it

485

00:24:26,760 --> 00:24:22,960

has a lot of words in there it's very

486

00:24:29,760 --> 00:24:26,770

pure oh yeah it's my very favorite my

487

00:24:34,980 --> 00:24:29,770

very very favorite there's it's it's so

488

00:24:40,710 --> 00:24:34,990

rich in information and I believe if i'm

489

00:24:44,280 --> 00:24:40,720

not mistaken most Bible scholars tend to

490

00:24:47,039 --> 00:24:44,290

agree that of all things written that

491

00:24:49,680 --> 00:24:47,049

the gospel of thomas is probably the

492

00:24:53,909 --> 00:24:49,690

closest to what Jesus actually said yes

493

00:24:57,180 --> 00:24:53,919

absolutely I believe that yep I am I

494

00:24:58,740 --> 00:24:57,190

read it for the first time when I was

495

00:25:02,130 --> 00:24:58,750

very young and I couldn't understand it

496

00:25:05,130 --> 00:25:02,140

very well and then when I joined the

497

00:25:07,169 --> 00:25:05,140

armed work Rose cushions and school of

498

00:25:09,210 --> 00:25:07,179

some epic teachings they teach you the

499

00:25:13,070 --> 00:25:09,220

hermetica how it works and the whole

500

00:25:16,799 --> 00:25:13,080

thing so and several years afterwards I

501  
00:25:18,840 --> 00:25:16,809  
read read the Gospel of Thomas and I

502  
00:25:21,960 --> 00:25:18,850  
suddenly understood everything so I know

503  
00:25:24,960 --> 00:25:21,970  
it's her medic teaching so I yelled

504  
00:25:27,510 --> 00:25:24,970  
Jesus was actually teaching people the

505  
00:25:31,740 --> 00:25:27,520  
hermetic teachings and for me that was

506  
00:25:34,950 --> 00:25:31,750  
such a proof of this and I already

507  
00:25:37,620 --> 00:25:34,960  
thought that but I had to experience it

508  
00:25:42,030 --> 00:25:37,630  
for myself to be able to understand it

509  
00:25:43,850 --> 00:25:42,040  
fully yeah absolutely I agree one

510  
00:25:47,040 --> 00:25:43,860  
hundred percent it's funny how

511  
00:25:52,200 --> 00:25:47,050  
you know you came to this information in

512  
00:25:54,210 --> 00:25:52,210  
one way and I I and I'm so many others

513  
00:25:57,210 --> 00:25:54,220

you know come to it through different

514

00:25:59,700 --> 00:25:57,220

ways and but it's kind of all leading in

515

00:26:01,800 --> 00:25:59,710

the same direction I know our good

516

00:26:04,770 --> 00:26:01,810

friend Henry Lincoln always says one

517

00:26:06,780 --> 00:26:04,780

door is all that's needed you know so

518

00:26:09,600 --> 00:26:06,790

you might go in a different door than I

519

00:26:12,660 --> 00:26:09,610

might choose but we're all it's there

520

00:26:15,210 --> 00:26:12,670

all the door in there all the door in so

521

00:26:18,030 --> 00:26:15,220

it's really really cool stuff we're

522

00:26:20,460 --> 00:26:18,040

going to take a break here for just a

523

00:26:22,950 --> 00:26:20,470

couple minutes and here's some words

524

00:26:26,490 --> 00:26:22,960

from the station and then we'll be back

525

00:26:30,780 --> 00:26:26,500

with my guest jean suit AKA Annika

526  
00:26:33,330 --> 00:26:30,790  
hormones and we shall delve into some

527  
00:26:36,420 --> 00:26:33,340  
really cool mysteries and some dark

528  
00:26:56,149 --> 00:26:36,430  
mysteries we talked about the Nazis can

529  
00:27:01,979 --> 00:26:59,549  
hello everyone Lori and Fenton here

530  
00:27:05,310 --> 00:27:01,989  
hosted the California MUFON radio show

531  
00:27:08,369 --> 00:27:05,320  
asking if you'd like special access to

532  
00:27:11,639 --> 00:27:08,379  
exclusive and amazing information about

533  
00:27:14,969 --> 00:27:11,649  
UFOs the paranormal and all things

534  
00:27:18,569 --> 00:27:14,979  
unexplained if you're nodding yes then

535  
00:27:20,369 --> 00:27:18,579  
join I rn's insider club as an insider

536  
00:27:23,369 --> 00:27:20,379  
club member you'll get an all-access

537  
00:27:25,769 --> 00:27:23,379  
pass to premier inception radio network

538  
00:27:28,289 --> 00:27:25,779

content for only four dollars and

539

00:27:32,159 --> 00:27:28,299

ninety-nine cents a month this includes

540

00:27:35,819 --> 00:27:32,169

live UFO and paranormal conferences live

541

00:27:38,430 --> 00:27:35,829

streaming UFO sky watches exclusive irr

542

00:27:42,239 --> 00:27:38,440

radio and TV productions and of course

543

00:27:44,519 --> 00:27:42,249

paying radio with MJ and Ken starch so

544

00:27:47,639 --> 00:27:44,529

don't wait any longer visit inception

545

00:27:50,940 --> 00:27:47,649

radio network calm and click on member

546

00:27:55,319 --> 00:27:50,950

login to join irons and cider club and

547

00:27:57,749 --> 00:27:55,329

get your VIP access today are you a fan

548

00:27:59,459 --> 00:27:57,759

of inception radio network do you reckon

549

00:28:01,619 --> 00:27:59,469

it's the best alternative talk radio

550

00:28:03,949 --> 00:28:01,629

station on the planet well if you do

551  
00:28:06,739 --> 00:28:03,959  
head to facebook.com forward slash

552  
00:28:09,389 --> 00:28:06,749  
conception radio network like the page

553  
00:28:12,910 --> 00:28:09,399  
tell your friends spread the word and

554  
00:28:18,050 --> 00:28:16,190  
you have a smartphone if so conception

555  
00:28:21,590 --> 00:28:18,060  
radio network is the best app for you

556  
00:28:23,660 --> 00:28:21,600  
available itunes android samsung and

557  
00:28:26,390 --> 00:28:23,670  
most of the rap storms just search

558  
00:28:29,060 --> 00:28:26,400  
inception radio network with the app you

559  
00:28:31,790 --> 00:28:29,070  
can listen live check out podcast recent

560  
00:28:33,740 --> 00:28:31,800  
amp are shown you our videos see what

561  
00:28:36,290 --> 00:28:33,750  
shows are coming up who the guests are

562  
00:28:38,690 --> 00:28:36,300  
and via the chat room send live

563  
00:28:40,670 --> 00:28:38,700

questions to those guests you know it

564

00:28:43,580 --> 00:28:40,680

makes sense check your app store now

565

00:28:50,120 --> 00:28:43,590

inception radio network I'll see you

566

00:28:52,790 --> 00:28:50,130

there hey I RN listeners make sure you

567

00:28:54,650 --> 00:28:52,800

tune in to night vision radio with Renee

568

00:28:56,570 --> 00:28:54,660

Barnett where name will be exposing the

569

00:28:59,630 --> 00:28:56,580

truth one secret at a time when

570

00:29:04,300 --> 00:28:59,640

Thursdays every Thursday 1030pm eastern

571

00:29:07,310 --> 00:29:04,310

sub 30 p.m. pacific we're right here IRA

572

00:29:26,920 --> 00:29:07,320

you're locked into inception radio

573

00:29:26,930 --> 00:29:47,799

now

574

00:29:51,290 --> 00:29:50,299

and we're back thanks so much for

575

00:29:53,510 --> 00:29:51,300

hanging in there with us you're

576

00:29:55,549 --> 00:29:53,520

listening to night vision radio I'm your

577

00:29:58,280 --> 00:29:55,559

host Renee Barnett I'm talking with

578

00:30:01,520 --> 00:29:58,290

author researcher and adventurer Jean

579

00:30:05,180 --> 00:30:01,530

boot and we are talking about her books

580

00:30:07,220 --> 00:30:05,190

and which are fictional are

581

00:30:10,220 --> 00:30:07,230

fictionalized I should say because they

582

00:30:14,810 --> 00:30:10,230

are very much rooted in her very real

583

00:30:19,310 --> 00:30:14,820

research in her life so you know i saw

584

00:30:22,580 --> 00:30:19,320

you on a documentary interviewed i think

585

00:30:24,650 --> 00:30:22,590

it was a about Himmler and the Ark of

586

00:30:28,160 --> 00:30:24,660

the Covenant and holy relics and how the

587

00:30:30,620 --> 00:30:28,170

Nazis were interested in those holy

588

00:30:32,690 --> 00:30:30,630

relics and I know that you have done

589

00:30:36,530 --> 00:30:32,700

some research into that and into the

590

00:30:38,210 --> 00:30:36,540

archaeologists called Otto Rahn yes that

591

00:30:40,930 --> 00:30:38,220

worked for him or I think he first

592

00:30:45,770 --> 00:30:40,940

worked for him unknowing lady didn't

593

00:30:47,750 --> 00:30:45,780

realize who he was being hired by but

594

00:30:51,230 --> 00:30:47,760

then why don't or was or am I wrong

595

00:30:54,950 --> 00:30:51,240

about that um well the first thing what

596

00:30:58,040 --> 00:30:54,960

he did was already in the late 1920s he

597

00:31:00,919 --> 00:30:58,050

had an interest of finding the Holy

598

00:31:04,130 --> 00:31:00,929

Grail and he had an idea he was inspired

599

00:31:07,910 --> 00:31:04,140

by Wolfram von Eschenbach spots evil and

600

00:31:10,100 --> 00:31:07,920

he was inspired to to talk to people

601  
00:31:12,200 --> 00:31:10,110  
about this because he thought maybe the

602  
00:31:14,900 --> 00:31:12,210  
location of that Grail castle actually

603  
00:31:18,260 --> 00:31:14,910  
exists he was looking behind the truth

604  
00:31:21,169 --> 00:31:18,270  
behind the myths and he met somebody in

605  
00:31:22,450 --> 00:31:21,179  
in Paris and in Paris states that you

606  
00:31:25,280 --> 00:31:22,460  
have to go to the languedoc-roussillon

607  
00:31:27,230 --> 00:31:25,290  
because that's where there is a castle

608  
00:31:32,180 --> 00:31:27,240  
called montségur and that might probably

609  
00:31:34,549 --> 00:31:32,190  
be the castle of the Grail so off he

610  
00:31:38,030 --> 00:31:34,559  
went you know on the shoestring very

611  
00:31:40,370 --> 00:31:38,040  
very little money and this was beast

612  
00:31:42,650 --> 00:31:40,380  
before him leur you know this was on his

613  
00:31:45,530 --> 00:31:42,660

own and the only thing is he was a

614

00:31:49,760 --> 00:31:45,540

member of the tula society and a doula

615

00:31:52,460 --> 00:31:49,770

society wanted the use of germany to

616

00:31:55,010 --> 00:31:52,470

explore and discover and he was like a

617

00:31:58,030 --> 00:31:55,020

journalist making notes he was a writer

618

00:32:01,730 --> 00:31:58,040

already and he loves making

619

00:32:03,919 --> 00:32:01,740

he wanted to make documentaries and so

620

00:32:06,500 --> 00:32:03,929

he also had a couple of friends in the

621

00:32:09,710 --> 00:32:06,510

in film business this law in the late

622

00:32:13,010 --> 00:32:09,720

1920s early nineteen thirty so it's a

623

00:32:16,370 --> 00:32:13,020

long long time ago I know he was in his

624

00:32:20,360 --> 00:32:16,380

20s at the time right yeah otto was born

625

00:32:24,290 --> 00:32:20,370

in 1904 so at that time he must have

626

00:32:27,440 --> 00:32:24,300

been 25 when he started on that so very

627

00:32:31,820 --> 00:32:27,450

young young fella and he was a very

628

00:32:35,270 --> 00:32:31,830

joyful person he loved laughs and he was

629

00:32:38,060 --> 00:32:35,280

under fed so he's right then and he was

630

00:32:42,169 --> 00:32:38,070

looking for adventure and he's like a an

631

00:32:44,540 --> 00:32:42,179

Indiana Jones tiny character and so he

632

00:32:46,910 --> 00:32:44,550

went off to the south and he found

633

00:32:48,620 --> 00:32:46,920

months ago and he befriended a couple of

634

00:32:50,660 --> 00:32:48,630

people here in the region and he made a

635

00:32:52,850 --> 00:32:50,670

lot of notes and he started writing a

636

00:32:56,540 --> 00:32:52,860

book called crusade against the Grail

637

00:32:59,840 --> 00:32:56,550

and this this book when he published

638

00:33:03,500 --> 00:32:59,850

that book in 1933 that was his ticket

639

00:33:05,900 --> 00:33:03,510

into him Lewis office so when Himmler

640

00:33:08,990 --> 00:33:05,910

first read the book Himmler thought he

641

00:33:12,140 --> 00:33:09,000

could use him as a relic hunter because

642

00:33:14,750 --> 00:33:12,150

they were after relics and so he

643

00:33:20,020 --> 00:33:14,760

persuaded auto and you know you can't

644

00:33:23,150 --> 00:33:20,030

say no to Himmler so and also became a

645

00:33:25,370 --> 00:33:23,160

part of the algemeiner SS which means

646

00:33:29,270 --> 00:33:25,380

that he was not a soldier he was a

647

00:33:32,030 --> 00:33:29,280

researcher and he was commissioned to

648

00:33:34,250 --> 00:33:32,040

find ancient relics but he was also

649

00:33:38,870 --> 00:33:34,260

commissioned to do research for the

650

00:33:42,830 --> 00:33:38,880

Annan alba which means ancestor the

651  
00:33:46,940 --> 00:33:42,840  
ancestor bloodlines of certain high nazi

652  
00:33:49,880 --> 00:33:46,950  
persons he had to go to certain cities

653  
00:33:53,660 --> 00:33:49,890  
and go into the files and find out all

654  
00:33:57,169 --> 00:33:53,670  
the bloodlines because when you are not

655  
00:34:02,720 --> 00:33:57,179  
a Jew you had to prove that by going

656  
00:34:06,020 --> 00:34:02,730  
back to the year 1750 and this is the

657  
00:34:09,379 --> 00:34:06,030  
paragraph also and in the law that they

658  
00:34:11,540 --> 00:34:09,389  
were making at that time so he has he

659  
00:34:13,540 --> 00:34:11,550  
was he was helping

660  
00:34:16,460 --> 00:34:13,550  
prove that you know people were of true

661  
00:34:20,990 --> 00:34:16,470  
Aryan blood yeah that was one of his

662  
00:34:25,250 --> 00:34:21,000  
tasks well and he was a you know we

663  
00:34:27,230 --> 00:34:25,260

still have a couple of things that it's

664

00:34:29,000 --> 00:34:27,240

very difficult to place all to Ron in a

665

00:34:32,060 --> 00:34:29,010

certain position because he did work

666

00:34:36,830 --> 00:34:32,070

with the the air and how do you call it

667

00:34:40,190 --> 00:34:36,840

the resistance and he had a couple of

668

00:34:43,970 --> 00:34:40,200

things a couple of friends inside that

669

00:34:46,610 --> 00:34:43,980

he he treated a little bit better the

670

00:34:49,700 --> 00:34:46,620

moment that he had his hands on it so at

671

00:34:52,160 --> 00:34:49,710

one particular moment in time you know

672

00:34:54,860 --> 00:34:52,170

da how is one of the concentration camps

673

00:34:57,380 --> 00:34:54,870

that he was in and he he went in there

674

00:34:59,060 --> 00:34:57,390

voluntarily because a friend of his was

675

00:35:02,450 --> 00:34:59,070

in there and he wanted to make sure he

676

00:35:04,940 --> 00:35:02,460

was all right so it takes a lot of

677

00:35:07,640 --> 00:35:04,950

courage to go into a concentration camp

678

00:35:10,960 --> 00:35:07,650

strip yourself of your ranks so you're

679

00:35:13,340 --> 00:35:10,970

the lowest in rank there and he was

680

00:35:16,700 --> 00:35:13,350

thrown into the kitchen as a kitchen

681

00:35:18,470 --> 00:35:16,710

help but at that moment he smiled

682

00:35:20,990 --> 00:35:18,480

because that's how we could make sure

683

00:35:24,890 --> 00:35:21,000

that his friend in the prison was

684

00:35:27,440 --> 00:35:24,900

treated well and well fed and then when

685

00:35:31,010 --> 00:35:27,450

he came out again he he started writing

686

00:35:35,420 --> 00:35:31,020

his second book Lucifer court Lucifer's

687

00:35:38,780 --> 00:35:35,430

court which is about how the world has

688

00:35:41,900 --> 00:35:38,790

changed Lucifer Sofia the mother goddess

689

00:35:45,170 --> 00:35:41,910

into the devil very interesting book oh

690

00:35:48,110 --> 00:35:45,180

now you know I know you mentioned his

691

00:35:50,180 --> 00:35:48,120

book crusade against the Grail which was

692

00:35:53,690 --> 00:35:50,190

translated in english just a few years

693

00:35:56,330 --> 00:35:53,700

ago yeah and so I have a copy of that

694

00:36:00,530 --> 00:35:56,340

book i am not familiar with Lucifer's

695

00:36:03,650 --> 00:36:00,540

court i wonder if that is an English

696

00:36:06,530 --> 00:36:03,660

would you know yes yesterday oh good i'm

697

00:36:08,540 --> 00:36:06,540

going to have to find that one now he

698

00:36:11,120 --> 00:36:08,550

was such an interesting interesting

699

00:36:12,880 --> 00:36:11,130

character and he died at such a very

700

00:36:17,120 --> 00:36:12,890

very young age and it's kind of

701  
00:36:20,990 --> 00:36:17,130  
mysterious circumstances but did you

702  
00:36:24,260 --> 00:36:21,000  
were you able to find out any more about

703  
00:36:25,309 --> 00:36:24,270  
his death I I think he was found dead in

704  
00:36:28,849 --> 00:36:25,319  
the snow

705  
00:36:31,789 --> 00:36:28,859  
yes yes there are a couple of theories

706  
00:36:36,680 --> 00:36:31,799  
going on I've because I wrote white

707  
00:36:40,160 --> 00:36:36,690  
light white lie is all about the first

708  
00:36:43,059 --> 00:36:40,170  
century secrets but also about Otto Rahn

709  
00:36:47,390 --> 00:36:43,069  
he's a very very important key figure in

710  
00:36:50,930 --> 00:36:47,400  
solving the Rhenish atoll enigma and so

711  
00:36:53,930 --> 00:36:50,940  
I had to dive into of around tragical

712  
00:36:56,630 --> 00:36:53,940  
life and I found out a couple of things

713  
00:36:59,660 --> 00:36:56,640

and sighs I've written it all down in

714

00:37:03,439 --> 00:36:59,670

white line so his entire story to the

715

00:37:07,400 --> 00:37:03,449

detail is in white light now I hurt you

716

00:37:12,049 --> 00:37:07,410

in that documentary say that otto rahn

717

00:37:15,170 --> 00:37:12,059

is the real Indiana Jones yeah yeah yeah

718

00:37:18,079 --> 00:37:15,180

yeah yeah I think he was he was one of

719

00:37:20,420 --> 00:37:18,089

the role models for stillbirths film but

720

00:37:28,969 --> 00:37:20,430

um and of course it had to be

721

00:37:31,640 --> 00:37:28,979

Americanized but Jim sure but um he he

722

00:37:33,859 --> 00:37:31,650

was such an interesting figure in like

723

00:37:36,109 --> 00:37:33,869

you said he was already looking into

724

00:37:38,779 --> 00:37:36,119

these mysteries before he was

725

00:37:40,489 --> 00:37:38,789

commissioned by Himmler he had already

726

00:37:45,199 --> 00:37:40,499

been to montségur if i'm not mistaken

727

00:37:47,599 --> 00:37:45,209

now didn't he feel that he was either a

728

00:37:50,599 --> 00:37:47,609

reincarnated Cathar or he was a

729

00:37:54,890 --> 00:37:50,609

descendant of the Cathars I think maybe

730

00:38:02,989 --> 00:37:54,900

both because his family he said was a

731

00:38:07,489 --> 00:38:02,999

heretic and that he felt that he was he

732

00:38:09,769 --> 00:38:07,499

was really a heretic he was not you know

733

00:38:12,009 --> 00:38:09,779

he didn't like Christianity as it was

734

00:38:14,779 --> 00:38:12,019

presented at that moment in time and

735

00:38:19,089 --> 00:38:14,789

although he was of Lutheran background

736

00:38:22,759 --> 00:38:19,099

and he was very very careful about

737

00:38:25,569 --> 00:38:22,769

pointing a finger but he did state his

738

00:38:28,789 --> 00:38:25,579

his mind you know and if you read loose

739

00:38:32,180 --> 00:38:28,799

know if you read the crusade against the

740

00:38:34,910 --> 00:38:32,190

Grail sorry then you will find out that

741

00:38:37,519 --> 00:38:34,920

he discovered the entire story of the

742

00:38:38,930 --> 00:38:37,529

Cathars and he was also the one who for

743

00:38:41,900 --> 00:38:38,940

the first time

744

00:38:43,819 --> 00:38:41,910

wrote it down in a book published it and

745

00:38:46,640 --> 00:38:43,829

brought the whole story of the Cathars

746

00:38:48,800 --> 00:38:46,650

outside of france if it hadn't been for

747

00:38:51,079 --> 00:38:48,810

all around it may have taken another

748

00:38:54,170 --> 00:38:51,089

couple of decades before that story

749

00:38:57,950 --> 00:38:54,180

would be told in the rest of the world

750

00:39:01,390 --> 00:38:57,960

oh that's so interesting I did not know

751

00:39:04,370 --> 00:39:01,400

that so he was the first one to sort of

752

00:39:06,230 --> 00:39:04,380

disseminate that information to the rest

753

00:39:08,660 --> 00:39:06,240

of the world that's really really

754

00:39:11,329 --> 00:39:08,670

important I didn't know that he had a

755

00:39:14,240 --> 00:39:11,339

very very big friend in Anthony Nadal

756

00:39:16,670 --> 00:39:14,250

Antonin kadhal was a very important

757

00:39:20,900 --> 00:39:16,680

person in living in auto lock in Osato

758

00:39:24,079 --> 00:39:20,910

or no luck and Antonia doll was also

759

00:39:29,780 --> 00:39:24,089

leading the Rosicrucians here in South

760

00:39:32,630 --> 00:39:29,790

of France and he had a library and he

761

00:39:36,470 --> 00:39:32,640

knew everything about the Cathars so

762

00:39:39,410 --> 00:39:36,480

also had heaven in his library he found

763

00:39:41,540 --> 00:39:39,420

heaven so he he was able to write his

764

00:39:46,309 --> 00:39:41,550

book based on all the historical

765

00:39:48,260 --> 00:39:46,319

accounts mmm-hmm you know it was

766

00:39:51,079 --> 00:39:48,270

interesting because you had mentioned

767

00:39:56,059 --> 00:39:51,089

earlier the the Essenes the Rosicrucians

768

00:39:59,359 --> 00:39:56,069

and the if there is a connection there

769

00:40:02,059 --> 00:39:59,369

isn't there between Rosicrucianism and

770

00:40:04,280 --> 00:40:02,069

the a scene that was just this afternoon

771

00:40:06,740 --> 00:40:04,290

speaking on the phone with with our

772

00:40:10,520 --> 00:40:06,750

friend Gloria a medulla and we were

773

00:40:13,160 --> 00:40:10,530

talking about that very thing and it

774

00:40:15,109 --> 00:40:13,170

seems to be it's it's really interesting

775

00:40:17,870 --> 00:40:15,119

how all this stuff was squirreling

776

00:40:20,480 --> 00:40:17,880

around that area all these things and

777

00:40:22,250 --> 00:40:20,490

there's there's connections to southwest

778

00:40:24,260 --> 00:40:22,260

France I think there's you know an

779

00:40:26,480 --> 00:40:24,270

Egyptian connection there's an SN

780

00:40:28,970 --> 00:40:26,490

connection a Rosicrucian connection and

781

00:40:31,400 --> 00:40:28,980

it's sort of like unraveling at all and

782

00:40:35,630 --> 00:40:31,410

you were talking about Otto Ron's

783

00:40:38,120 --> 00:40:35,640

material being essential to the solution

784

00:40:42,470 --> 00:40:38,130

of the regular Chateau enigma what did

785

00:40:46,550 --> 00:40:42,480

you mean by that ah well this is this is

786

00:40:48,770 --> 00:40:46,560

very very exciting because of course he

787

00:40:51,170 --> 00:40:48,780

had to produce a couple of things for

788

00:40:57,620 --> 00:40:53,930

chief you know you had to account for

789

00:41:00,319 --> 00:40:57,630

his stay and make sure that proof would

790

00:41:03,380 --> 00:41:00,329

be sent to Berlin that he was actually

791

00:41:05,450 --> 00:41:03,390

doing something there that was important

792

00:41:07,430 --> 00:41:05,460

otherwise you couldn't stay but he was a

793

00:41:11,630 --> 00:41:07,440

Francophile and the Germans couldn't

794

00:41:13,190 --> 00:41:11,640

understand how also loved France and so

795

00:41:15,799 --> 00:41:13,200

he was called back at a certain moment

796

00:41:18,079 --> 00:41:15,809

in time but autumn was doing anything

797

00:41:20,690 --> 00:41:18,089

you would do anything to stay in france

798

00:41:22,930 --> 00:41:20,700

and become french even if that would

799

00:41:26,030 --> 00:41:22,940

mean that they would you know stand

800

00:41:30,680 --> 00:41:26,040

opposite the Germans at some point in

801  
00:41:34,839 --> 00:41:30,690  
time and but Otto was researching the

802  
00:41:37,910 --> 00:41:34,849  
whole thousand region for possible

803  
00:41:41,089 --> 00:41:37,920  
interesting things like the minds and

804  
00:41:44,240 --> 00:41:41,099  
the radioactive stones that were here

805  
00:41:46,790 --> 00:41:44,250  
and this would get off of course a knee

806  
00:41:50,420 --> 00:41:46,800  
to come back for all those radioactive

807  
00:41:52,490 --> 00:41:50,430  
stones truckloads of stones they would

808  
00:41:57,950 --> 00:41:52,500  
want to bring to Germany because they

809  
00:42:03,289 --> 00:41:57,960  
were creating this massive weapon and of

810  
00:42:07,760 --> 00:42:03,299  
course these trucks were attacked in a

811  
00:42:10,099 --> 00:42:07,770  
village between the center of France and

812  
00:42:13,849 --> 00:42:10,109  
Germany and that the village would be

813  
00:42:16,970 --> 00:42:13,859

completely destroyed by the Germans as a

814

00:42:20,599 --> 00:42:16,980

revenge but that's another story but

815

00:42:24,250 --> 00:42:20,609

autorun he he really wanted to find the

816

00:42:27,980 --> 00:42:24,260

Grail he really wanted to find the true

817

00:42:29,930 --> 00:42:27,990

meaning behind everything he had gone

818

00:42:32,630 --> 00:42:29,940

through so much suffering in his life

819

00:42:34,970 --> 00:42:32,640

and he knew that there was a certain

820

00:42:36,710 --> 00:42:34,980

part of Christianity that was pure that

821

00:42:40,160 --> 00:42:36,720

was based on something completely

822

00:42:44,049 --> 00:42:40,170

different and that was the heart the

823

00:42:48,289 --> 00:42:44,059

conduct and the Holy Grail in his

824

00:42:51,349 --> 00:42:48,299

feelings it had something to do with the

825

00:42:53,059 --> 00:42:51,359

heart and the the Philosopher's Stone so

826

00:42:57,200 --> 00:42:53,069

he was also searching for a stone a

827

00:42:59,240 --> 00:42:57,210

particular stone and this also leads to

828

00:43:01,450 --> 00:42:59,250

another stone called the bloodstone

829

00:43:04,280 --> 00:43:01,460

which is something like a hematite and

830

00:43:05,109 --> 00:43:04,290

you put water on it and you damage it in

831

00:43:08,660 --> 00:43:05,119

please

832

00:43:11,509 --> 00:43:08,670

and they've called Bloodstones and they

833

00:43:16,640 --> 00:43:11,519

in the time of the Cathars they may have

834

00:43:20,299 --> 00:43:16,650

used a large boulder and shaped it as a

835

00:43:23,660 --> 00:43:20,309

bowl and then used it for the easter

836

00:43:26,329 --> 00:43:23,670

ritual so you would have water poured

837

00:43:29,599 --> 00:43:26,339

inside damaged it and then it would turn

838

00:43:33,589 --> 00:43:29,609

into blood no this is called the

839

00:43:36,699 --> 00:43:33,599

Pyrenean Grail and the search goes on

840

00:43:39,769 --> 00:43:36,709

there are so many little details that

841

00:43:41,900 --> 00:43:39,779

that are in occitania that makes

842

00:43:44,479 --> 00:43:41,910

occitania such an incredibly difficult

843

00:43:46,789 --> 00:43:44,489

place to understand because history here

844

00:43:49,579 --> 00:43:46,799

it's a melting pot but also many

845

00:43:53,269 --> 00:43:49,589

cultures have come through here so you

846

00:43:58,249 --> 00:43:53,279

have a mixture of all those religions

847

00:44:00,319 --> 00:43:58,259

ways of life cultures languages music

848

00:44:04,039 --> 00:44:00,329

everything has gone through here from

849

00:44:07,910 --> 00:44:04,049

pre stories present from the Visigoths

850

00:44:11,509 --> 00:44:07,920

to you yet the Druids are in yet enjoyed

851  
00:44:13,549 --> 00:44:11,519  
them maybe even older because I think a

852  
00:44:19,249 --> 00:44:13,559  
lot of the monuments here are older than

853  
00:44:22,400 --> 00:44:19,259  
the Celts yes so we have this rich area

854  
00:44:24,949 --> 00:44:22,410  
which I wanted to write about in a book

855  
00:44:26,779 --> 00:44:24,959  
but make it simpler and that's the

856  
00:44:29,269 --> 00:44:26,789  
reason why i wrote white light because

857  
00:44:32,719 --> 00:44:29,279  
when you're a tour guide here you do

858  
00:44:35,449 --> 00:44:32,729  
this in a week's time and you you cover

859  
00:44:37,339 --> 00:44:35,459  
one of the sites in the morning you

860  
00:44:40,459 --> 00:44:37,349  
cover another site in the afternoon and

861  
00:44:43,099 --> 00:44:40,469  
slowly and surely the coin will begin to

862  
00:44:46,099 --> 00:44:43,109  
fall and you will get the entire image

863  
00:44:49,509 --> 00:44:46,109

of this region and its secrets by the

864

00:44:51,769 --> 00:44:49,519

end week and it's like a realized

865

00:44:53,569 --> 00:44:51,779

PowerPoint presentation that I've got

866

00:44:58,630 --> 00:44:53,579

here which is very difficult to put into

867

00:45:01,599 --> 00:44:58,640

half an hour but what you've got here is

868

00:45:04,160 --> 00:45:01,609

the reason for my writing wide line

869

00:45:06,949 --> 00:45:04,170

because it was too much to put into

870

00:45:10,699 --> 00:45:06,959

guided tour and I wanted to share

871

00:45:12,949 --> 00:45:10,709

whatever I found with everybody you know

872

00:45:15,859 --> 00:45:12,959

even if you can't come here you can you

873

00:45:18,170 --> 00:45:15,869

can buy white lion and read up on all

874

00:45:18,500 --> 00:45:18,180

the stories and all the histories of the

875

00:45:22,520 --> 00:45:18,510

read

876

00:45:25,700 --> 00:45:22,530

and then coming back to Otto Rahn he is

877

00:45:27,710 --> 00:45:25,710

a very very important link to the to the

878

00:45:31,130 --> 00:45:27,720

entire region because he was the one

879

00:45:34,400 --> 00:45:31,140

that found the story of the Cathars he

880

00:45:39,530 --> 00:45:34,410

may links that other people may not have

881

00:45:43,100 --> 00:45:39,540

seen and so he's a very very important

882

00:45:45,500 --> 00:45:43,110

factor if you don't involve him in your

883

00:45:49,160 --> 00:45:45,510

rental research you're missing out on a

884

00:45:51,830 --> 00:45:49,170

very very important clue whoa indeed now

885

00:45:55,700 --> 00:45:51,840

you know okay you said I think when he

886

00:45:58,820 --> 00:45:55,710

was about 25 you knows when he was down

887

00:46:03,230 --> 00:45:58,830

there in doing his research and then he

888

00:46:05,750 --> 00:46:03,240

died 29 so he had precious little time

889

00:46:08,300 --> 00:46:05,760

you know but of course I'm sure he was

890

00:46:11,900 --> 00:46:08,310

researching it long before he ever

891

00:46:15,890 --> 00:46:11,910

arrived but do you think that there are

892

00:46:18,100 --> 00:46:15,900

things that he may have found and turned

893

00:46:24,290 --> 00:46:18,110

over to his benefactors that we don't

894

00:46:26,600 --> 00:46:24,300

know about yet um well I think well

895

00:46:31,280 --> 00:46:26,610

first of all he died in winning the one

896

00:46:33,880 --> 00:46:31,290

he was 35 oh I'm sorry um this is in

897

00:46:39,560 --> 00:46:33,890

them very young still gathering area

898

00:46:45,920 --> 00:46:39,570

absolutely and I think he has made some

899

00:46:49,150 --> 00:46:45,930

political enemies and I think that those

900

00:46:52,970 --> 00:46:49,160

political enemies wanted him out way and

901  
00:46:55,520 --> 00:46:52,980  
for a fact we know he was gay which is

902  
00:47:00,290 --> 00:46:55,530  
you know when you're in the SS it's not

903  
00:47:03,440 --> 00:47:00,300  
handy Himmler sort of protected him for

904  
00:47:06,230 --> 00:47:03,450  
a while because they were I think they

905  
00:47:09,290 --> 00:47:06,240  
were related you know twice or three

906  
00:47:12,860 --> 00:47:09,300  
times removed and so Himmler sort of

907  
00:47:15,320 --> 00:47:12,870  
felt like a protective uncle and so he

908  
00:47:16,910 --> 00:47:15,330  
tried to protect also and he said you

909  
00:47:19,220 --> 00:47:16,920  
know don't don't worry about the being

910  
00:47:22,040 --> 00:47:19,230  
gay you know it's an illness you can

911  
00:47:25,910 --> 00:47:22,050  
cure it and stuff like that officer yeah

912  
00:47:28,360 --> 00:47:25,920  
oh it's the Nazi period has been one of

913  
00:47:32,270 --> 00:47:28,370

the freaks periods of song humanities

914

00:47:35,480 --> 00:47:32,280

terrible but anyway so also was sad

915

00:47:37,820 --> 00:47:35,490

it was said to be punished for being gay

916

00:47:40,930 --> 00:47:37,830

as long as he wouldn't do it openly you

917

00:47:44,750 --> 00:47:40,940

know that was attract too much attention

918

00:47:48,320 --> 00:47:44,760

but on the other side he also was partly

919

00:47:52,640 --> 00:47:48,330

Jewish because his mother was Jewish so

920

00:47:55,060 --> 00:47:52,650

it it doesn't go back to 1750 for him it

921

00:47:59,240 --> 00:47:55,070

it went back to his mother already and

922

00:48:01,790 --> 00:47:59,250

his a grandfather from his mother side

923

00:48:04,220 --> 00:48:01,800

there were Jewish so he had a double

924

00:48:08,180 --> 00:48:04,230

problem and they found out it with the

925

00:48:11,810 --> 00:48:08,190

Gestapo they found out and his political

926

00:48:17,020 --> 00:48:11,820

enemies hired the Gestapo Jill hunt auto

927

00:48:20,690 --> 00:48:17,030

down and to force him into suicide but

928

00:48:22,790 --> 00:48:20,700

wasn't he working for them well there

929

00:48:24,410 --> 00:48:22,800

are two different parties when Himmler

930

00:48:26,920 --> 00:48:24,420

is not around he didn't have his

931

00:48:29,780 --> 00:48:26,930

protective uncle around him you know and

932

00:48:31,820 --> 00:48:29,790

exactly in the period before the war

933

00:48:37,790 --> 00:48:31,830

Himmler and Hitler were very very busy

934

00:48:41,800 --> 00:48:37,800

people so in 1939 when Otto went to

935

00:48:44,510 --> 00:48:41,810

Berlin to explain why he wanted to

936

00:48:46,460 --> 00:48:44,520

resign because he wanted to resign he

937

00:48:48,320 --> 00:48:46,470

didn't want to be part of the SS anymore

938

00:48:50,060 --> 00:48:48,330

he didn't like the way it was going he

939

00:48:53,180 --> 00:48:50,070

wanted permission to go and live in

940

00:48:55,190 --> 00:48:53,190

France and that was denied but it would

941

00:48:57,710 --> 00:48:55,200

have just gone into the Schwarzwald and

942

00:49:00,170 --> 00:48:57,720

disappear you know he he didn't want to

943

00:49:03,860 --> 00:49:00,180

be part of the war he he didn't approve

944

00:49:05,330 --> 00:49:03,870

up and he hated what was going on older

945

00:49:08,000 --> 00:49:05,340

all the things that were going on he

946

00:49:09,740 --> 00:49:08,010

hated it so much and he was actually

947

00:49:12,560 --> 00:49:09,750

very very depressed and and shocked

948

00:49:15,620 --> 00:49:12,570

souza it was a victim of the system as

949

00:49:19,040 --> 00:49:15,630

much as others and he was just trying to

950

00:49:21,830 --> 00:49:19,050

stay life and he wanted to escape he

951  
00:49:25,520 --> 00:49:21,840  
wanted to go away from Berlin as far

952  
00:49:27,590 --> 00:49:25,530  
away as possible and so he resigned from

953  
00:49:30,290 --> 00:49:27,600  
the SS which is very bold you don't

954  
00:49:33,620 --> 00:49:30,300  
really resign you know feet first but

955  
00:49:35,740 --> 00:49:33,630  
not me walking out you know right Hitler

956  
00:49:38,540 --> 00:49:35,750  
actually said yes he approved of the

957  
00:49:40,880 --> 00:49:38,550  
resignation and then he would come to

958  
00:49:44,720 --> 00:49:40,890  
Berlin to explain himself you know like

959  
00:49:45,970 --> 00:49:44,730  
why did I want to resign but it's very

960  
00:49:47,920 --> 00:49:45,980  
difficult when you're in

961  
00:49:52,780 --> 00:49:47,930  
Lynn and you want to talk to people like

962  
00:49:54,760 --> 00:49:52,790  
him ler in 1939 because 1939 was the

963  
00:49:59,380 --> 00:49:54,770

year in which Himmler and Hitler was

964

00:50:01,300 --> 00:49:59,390

very very busy so he was dealt with very

965

00:50:04,480 --> 00:50:01,310

very quickly by his political enemies

966

00:50:08,170 --> 00:50:04,490

and they hired the Gestapo to get rid of

967

00:50:12,070 --> 00:50:08,180

him hmm so he was trying to flee to

968

00:50:15,400 --> 00:50:12,080

Italy or he was probably on his way to

969

00:50:20,140 --> 00:50:15,410

to Austria or something very very far

970

00:50:22,720 --> 00:50:20,150

away from Berlin when he was pushed to

971

00:50:24,730 --> 00:50:22,730

into suicide because he was only 40

972

00:50:27,730 --> 00:50:24,740

kilometers from the bear hole where

973

00:50:29,800 --> 00:50:27,740

Hitler was and he would probably want to

974

00:50:33,160 --> 00:50:29,810

go there for Easter or something I'm

975

00:50:34,990 --> 00:50:33,170

just you know speculating mmm he was

976  
00:50:39,670 --> 00:50:35,000  
only 40 kilometers away from the bear

977  
00:50:43,540 --> 00:50:39,680  
cove when he was found dead so i have a

978  
00:50:47,260 --> 00:50:43,550  
feeling a gut feeling that he was he was

979  
00:50:50,410 --> 00:50:47,270  
pushed into suicide and i was there a

980  
00:50:53,710 --> 00:50:50,420  
cause of death was where a lot of see

981  
00:50:57,130 --> 00:50:53,720  
done at that time well in his buddy was

982  
00:51:00,099 --> 00:50:57,140  
already couple of months dead when they

983  
00:51:02,530 --> 00:51:00,109  
found him finally and they jump to

984  
00:51:04,810 --> 00:51:02,540  
conclusions when they found a couple of

985  
00:51:08,050 --> 00:51:04,820  
bottles of the sleeping pills and a

986  
00:51:11,380 --> 00:51:08,060  
bottle of some French cognac oh I see

987  
00:51:13,930 --> 00:51:11,390  
and then the night Frost would finish it

988  
00:51:17,130 --> 00:51:13,940

off so he would probably have been deep

989

00:51:23,220 --> 00:51:17,140

deep deep asleep and frozen to death

990

00:51:26,320 --> 00:51:23,230

right oh goodness that's very sad yeah

991

00:51:29,200 --> 00:51:26,330

yeah it's one of the things in history

992

00:51:31,480 --> 00:51:29,210

you know and that I think Otto Rahn was

993

00:51:35,590 --> 00:51:31,490

one of the Nazi victims rather than a

994

00:51:40,210 --> 00:51:35,600

Nazi and I've been trying to tell his

995

00:51:42,940 --> 00:51:40,220

story in a white lie oh I've always been

996

00:51:47,290 --> 00:51:42,950

very drawn to his story so that that is

997

00:51:52,720 --> 00:51:47,300

a very interesting one it what do you

998

00:51:56,980 --> 00:51:52,730

think the interest was for him allure

999

00:51:59,859 --> 00:51:56,990

and Hitler in these ancient objects they

1000

00:52:02,980 --> 00:51:59,869

were they sorry go ahead

1001

00:52:06,430 --> 00:52:02,990

they were in TV a cult you know the

1002

00:52:10,660 --> 00:52:06,440

black magic sure they were using black

1003

00:52:13,630 --> 00:52:10,670

magic Himmler had a personal advisor and

1004

00:52:16,599 --> 00:52:13,640

I think that's when it all went wrong

1005

00:52:20,170 --> 00:52:16,609

because to make a crazy person even more

1006

00:52:22,450 --> 00:52:20,180

crazy you know is to persuade the person

1007

00:52:26,380 --> 00:52:22,460

to go into black magic and use the Force

1008

00:52:28,210 --> 00:52:26,390

to be powerful and successful and to do

1009

00:52:31,509 --> 00:52:28,220

everything on a certain moment in time

1010

00:52:35,609 --> 00:52:31,519

and to make sure that it would go

1011

00:52:42,549 --> 00:52:35,619

successfully everything was planned to a

1012

00:52:45,099 --> 00:52:42,559

very very precise cosmic happening so

1013

00:52:49,170 --> 00:52:45,109

they were very very deep into the occult

1014

00:52:52,630 --> 00:52:49,180

and they were building this huge castle

1015

00:52:56,319 --> 00:52:52,640

this Grail castle called vigils book

1016

00:53:01,079 --> 00:52:56,329

Vettel's Berg year so it's a very scary

1017

00:53:04,450 --> 00:53:01,089

looking close guys it's a it's

1018

00:53:07,390 --> 00:53:04,460

Antichrist the dark templars you know

1019

00:53:09,489 --> 00:53:07,400

that's the the the they weren't exactly

1020

00:53:11,799 --> 00:53:09,499

the other way they went into the black

1021

00:53:13,989 --> 00:53:11,809

something you know not some but the

1022

00:53:17,140 --> 00:53:13,999

Black Sun everything was dark everything

1023

00:53:19,569 --> 00:53:17,150

was them you know the the SS uniforms

1024

00:53:24,039 --> 00:53:19,579

were black and everything was very very

1025

00:53:26,950 --> 00:53:24,049

dark and they were really dancing on on

1026  
00:53:29,739 --> 00:53:26,960  
the doorstep of the devil here they were

1027  
00:53:32,680 --> 00:53:29,749  
using those powers and they needed all

1028  
00:53:34,839 --> 00:53:32,690  
those relics of course when you believe

1029  
00:53:36,789 --> 00:53:34,849  
in the occult you believe in in in

1030  
00:53:38,829 --> 00:53:36,799  
material that is connected to the occult

1031  
00:53:42,489 --> 00:53:38,839  
so they wanted to spear of destiny so

1032  
00:53:45,700 --> 00:53:42,499  
they they that's why they had the young

1033  
00:53:48,009 --> 00:53:45,710  
truce with Austria to get to Vienna to

1034  
00:53:52,420 --> 00:53:48,019  
get the Spear of Destiny from the

1035  
00:53:53,920 --> 00:53:52,430  
Habsburgs and they got that one and then

1036  
00:53:55,329 --> 00:53:53,930  
they wanted the Holy Grail the Ark of

1037  
00:53:57,609 --> 00:53:55,339  
the Covenant the whole thing you know

1038  
00:54:00,099 --> 00:53:57,619

all those relics they wanted to have

1039

00:54:04,299 --> 00:54:00,109

them in wayvelsberg and then to use

1040

00:54:07,660 --> 00:54:04,309

their powers into world domination it

1041

00:54:10,450 --> 00:54:07,670

sounds mad if you sum it up but at that

1042

00:54:13,420 --> 00:54:10,460

time they believed in it you know yeah

1043

00:54:16,000 --> 00:54:13,430

absolutely there was a conducting

1044

00:54:21,460 --> 00:54:16,010

you know a lot of rituals there in the

1045

00:54:23,650 --> 00:54:21,470

castle yeah and now I know if I my

1046

00:54:25,839 --> 00:54:23,660

memory serves me correctly which it may

1047

00:54:29,650 --> 00:54:25,849

or may not it seems to me like there was

1048

00:54:34,210 --> 00:54:29,660

a big round room in the castle where

1049

00:54:37,089 --> 00:54:34,220

they would perform these certain rituals

1050

00:54:39,309 --> 00:54:37,099

and things are you aware of that yeah I

1051  
00:54:40,780 --> 00:54:39,319  
don't know the details of it but it had

1052  
00:54:44,589 --> 00:54:40,790  
something to do with a fire in the

1053  
00:54:49,780 --> 00:54:44,599  
center and to call up on spirits that's

1054  
00:54:51,609 --> 00:54:49,790  
right that's right very strange now you

1055  
00:54:55,540 --> 00:54:51,619  
know what is what were they trying to

1056  
00:54:59,650 --> 00:54:55,550  
achieve just getting more power yep to

1057  
00:55:05,859 --> 00:54:59,660  
be invincible and that sort of takes me

1058  
00:55:10,030 --> 00:55:05,869  
back to your idea or that you know many

1059  
00:55:12,370 --> 00:55:10,040  
many people made their way into the area

1060  
00:55:15,190 --> 00:55:12,380  
of you know southwest France the

1061  
00:55:18,640 --> 00:55:15,200  
Languedoc region all these different

1062  
00:55:23,349 --> 00:55:18,650  
philosophies and ancient peoples and you

1063  
00:55:26,500 --> 00:55:23,359

know different beliefs and and things do

1064

00:55:28,780 --> 00:55:26,510

you think why do you think that was do

1065

00:55:33,160 --> 00:55:28,790

you think that as some say that there is

1066

00:55:37,210 --> 00:55:33,170

some kind of extra power there tell your

1067

00:55:38,950 --> 00:55:37,220

recurrence ley lines is there something

1068

00:55:41,799 --> 00:55:38,960

that people feel that they're able to

1069

00:55:44,740 --> 00:55:41,809

harness well I think when you go back

1070

00:55:48,280 --> 00:55:44,750

into history and you will find that this

1071

00:55:51,010 --> 00:55:48,290

place was one of the elevated places dry

1072

00:55:53,079 --> 00:55:51,020

and people lived here from prehistoric

1073

00:55:56,020 --> 00:55:53,089

times homework because it was higher

1074

00:56:00,579 --> 00:55:56,030

than the waters most of France was on

1075

00:56:05,349 --> 00:56:00,589

the water right and so the the Pyrenees

1076  
00:56:07,839 --> 00:56:05,359  
the Monte noir the the volcanic region

1077  
00:56:11,770 --> 00:56:07,849  
in the center those higher regions they

1078  
00:56:15,970 --> 00:56:11,780  
have been lived on for you know ten

1079  
00:56:20,829 --> 00:56:15,980  
thousands of years the people who live

1080  
00:56:23,349 --> 00:56:20,839  
here go back to 450,000 years so it's a

1081  
00:56:26,200 --> 00:56:23,359  
long long time ago that done that we had

1082  
00:56:27,390 --> 00:56:26,210  
civilizations here and the earth is

1083  
00:56:31,030 --> 00:56:27,400  
quite fertile

1084  
00:56:33,790 --> 00:56:31,040  
lots of things are growing here and you

1085  
00:56:37,090 --> 00:56:33,800  
have a very very nice warm summer and

1086  
00:56:39,130 --> 00:56:37,100  
you have cold harsh winters when you go

1087  
00:56:43,210 --> 00:56:39,140  
a little bit more to the coast it'll

1088  
00:56:44,380 --> 00:56:43,220

become a little bit softer and of course

1089

00:56:46,930 --> 00:56:44,390

you're at the other end of the

1090

00:56:50,320 --> 00:56:46,940

Mediterranean the Mediterranean was a

1091

00:56:52,480 --> 00:56:50,330

trade route all those people like the

1092

00:56:55,840 --> 00:56:52,490

Phoenicians and the Greek in the Roman

1093

00:56:58,350 --> 00:56:55,850

they all came over the military nian and

1094

00:57:00,760 --> 00:56:58,360

they landed on these rich soil and

1095

00:57:06,000 --> 00:57:00,770

especially the Phoenicians who were

1096

00:57:11,320 --> 00:57:06,010

already dealing in iron they wanted to

1097

00:57:14,700 --> 00:57:11,330

discover the rich soil here in occitania

1098

00:57:17,920 --> 00:57:14,710

because there were a lot of iron mines

1099

00:57:20,650 --> 00:57:17,930

also gold mines and silver mines so that

1100

00:57:22,900 --> 00:57:20,660

was wearing so they they started those

1101

00:57:27,150 --> 00:57:22,910

trade routes already in the early here

1102

00:57:30,940 --> 00:57:27,160

in the seventh century before Christ so

1103

00:57:33,250 --> 00:57:30,950

and then you have the Roman occupation

1104

00:57:36,640 --> 00:57:33,260

and then of course you have all those

1105

00:57:39,460 --> 00:57:36,650

people fleeing to the languid or when

1106

00:57:42,550 --> 00:57:39,470

yet the other side of the Mediterranean

1107

00:57:45,070 --> 00:57:42,560

became a little bit too violent in the

1108

00:57:47,470 --> 00:57:45,080

first century for instance a lot of

1109

00:57:52,060 --> 00:57:47,480

violence in Israel and the other

1110

00:57:55,720 --> 00:57:52,070

surrounding areas would make people flee

1111

00:57:59,380 --> 00:57:55,730

when you know this is a country of

1112

00:58:03,540 --> 00:57:59,390

refuge and with the refugees is the

1113

00:58:06,610 --> 00:58:03,550

refugees them still my time here so and

1114

00:58:09,790 --> 00:58:06,620

I'm not really one hundred percent here

1115

00:58:11,680 --> 00:58:09,800

but you have refugees coming here and

1116

00:58:13,720 --> 00:58:11,690

they bring their culture and they bring

1117

00:58:17,470 --> 00:58:13,730

their stuff they bring everything that

1118

00:58:19,800 --> 00:58:17,480

is of value they bring that with them so

1119

00:58:24,060 --> 00:58:19,810

i think the languedoc-roussillon

1120

00:58:26,410 --> 00:58:24,070

especially that region the strip at the

1121

00:58:29,380 --> 00:58:26,420

mediterranean coast and a little bit

1122

00:58:33,250 --> 00:58:29,390

deeper into the intuitive attorneys you

1123

00:58:35,920 --> 00:58:33,260

have this this beautiful area where lots

1124

00:58:38,350 --> 00:58:35,930

of people live everybody accepts another

1125

00:58:40,570 --> 00:58:38,360

you know no matter what religion a rule

1126

00:58:42,190 --> 00:58:40,580

or skin color or whatever

1127

00:58:44,140 --> 00:58:42,200

that doesn't matter so you have this

1128

00:58:46,750 --> 00:58:44,150

melting pot of cultures living

1129

00:58:49,210 --> 00:58:46,760

peacefully together and then you

1130

00:58:52,450 --> 00:58:49,220

exchange information you exchange what

1131

00:58:55,480 --> 00:58:52,460

your beliefs are and you mix them all up

1132

00:58:58,210 --> 00:58:55,490

and also in the first century you have

1133

00:59:01,210 --> 00:58:58,220

Christianity in its purest form coming

1134

00:59:03,250 --> 00:59:01,220

over that's right I'm going to ask you

1135

00:59:04,840 --> 00:59:03,260

to hold on for just a moment Jean if you

1136

00:59:06,370 --> 00:59:04,850

would please will you have to take

1137

00:59:09,630 --> 00:59:06,380

another break but we'll be right back

1138

00:59:44,299 --> 00:59:09,640

with Jean Todt and more on the mysteries

1139

00:59:50,159 --> 00:59:47,729

hello everyone Laurieann fenton here

1140

00:59:53,489 --> 00:59:50,169

hosted the California MUFON radio show

1141

00:59:56,519 --> 00:59:53,499

asking if you'd like special access to

1142

00:59:59,849 --> 00:59:56,529

exclusive and amazing information about

1143

01:00:03,120 --> 00:59:59,859

UFOs the paranormal and all things

1144

01:00:06,749 --> 01:00:03,130

unexplained if you're nodding yes then

1145

01:00:08,519 --> 01:00:06,759

join I rn's insider club as an insider

1146

01:00:11,519 --> 01:00:08,529

club member you'll get an all-access

1147

01:00:13,919 --> 01:00:11,529

pass to premier inception radio network

1148

01:00:16,439 --> 01:00:13,929

content for only four dollars and

1149

01:00:20,309 --> 01:00:16,449

ninety-nine cents a month this includes

1150

01:00:23,969 --> 01:00:20,319

live UFO and paranormal conferences live

1151  
01:00:26,359 --> 01:00:23,979  
streaming UFO sky watches exclusive irr

1152  
01:00:30,390 --> 01:00:26,369  
radio and TV productions and of course

1153  
01:00:32,669 --> 01:00:30,400  
paying radio with MJ and Ken starch so

1154  
01:00:35,789 --> 01:00:32,679  
don't wait any longer visit inception

1155  
01:00:38,969 --> 01:00:35,799  
radio network calm and click on member

1156  
01:00:43,469 --> 01:00:38,979  
login to join I rn's insider club and

1157  
01:00:45,899 --> 01:00:43,479  
get your VIP access today are you a fan

1158  
01:00:47,579 --> 01:00:45,909  
of inception radio network do you reckon

1159  
01:00:49,739 --> 01:00:47,589  
it's the best alternative talk radio

1160  
01:00:52,099 --> 01:00:49,749  
station on the planet well if you do

1161  
01:00:54,859 --> 01:00:52,109  
head to facebook.com forward slash

1162  
01:00:57,509 --> 01:00:54,869  
inception radio network like your page

1163  
01:01:01,090 --> 01:00:57,519

tell your friends spread the word and

1164

01:01:06,320 --> 01:01:04,340

do you have a smartphone if so inception

1165

01:01:09,860 --> 01:01:06,330

radio network is the best app for you

1166

01:01:11,930 --> 01:01:09,870

available itunes android samsung and

1167

01:01:14,390 --> 01:01:11,940

most other app storms to search

1168

01:01:16,640 --> 01:01:14,400

inception radio network with the

1169

01:01:19,910 --> 01:01:16,650

applicants in life check out my past

1170

01:01:21,530 --> 01:01:19,920

recent and past show you our videos see

1171

01:01:24,350 --> 01:01:21,540

what shows are coming up through the

1172

01:01:26,810 --> 01:01:24,360

guests are and via the chat room send

1173

01:01:28,940 --> 01:01:26,820

live questions to those guests you know

1174

01:01:36,770 --> 01:01:28,950

it makes sense check your app store now

1175

01:01:39,140 --> 01:01:36,780

inception radio network of sees it hey i

1176

01:01:41,630 --> 01:01:39,150

RN listeners make sure you tune in to

1177

01:01:43,580 --> 01:01:41,640

night vision radio with Renee Barnett

1178

01:01:46,190 --> 01:01:43,590

Renee will be exposing the truth one

1179

01:01:49,010 --> 01:01:46,200

secret at a time when Thursday's every

1180

01:01:53,600 --> 01:01:49,020

Thursday 1030pm Eastern sub 30 p.m.

1181

01:01:56,180 --> 01:01:53,610

pacific we're right here on IRA you're

1182

01:02:35,870 --> 01:01:56,190

locked into inception radio network

1183

01:02:40,770 --> 01:02:38,760

welcome back to night vision radio thank

1184

01:02:44,099 --> 01:02:40,780

you for joining us and if you're just

1185

01:02:48,060 --> 01:02:44,109

joining us we are talking with author

1186

01:02:51,450 --> 01:02:48,070

Jean dote about her books want to give

1187

01:02:52,980 --> 01:02:51,460

out for website once again it's I'm

1188

01:02:58,530 --> 01:02:52,990

gonna let you give it this time in case

1189

01:03:07,370 --> 01:02:58,540

i misspell it again John okay it's j e a

1190

01:03:10,829 --> 01:03:07,380

and n ii d a 0 UT com jana dude calm

1191

01:03:13,620 --> 01:03:10,839

John Ahdoot oh I didn't know there was

1192

01:03:17,339 --> 01:03:13,630

an R in between this Jana is that's how

1193

01:03:19,380 --> 01:03:17,349

it's pronounced Jonah Jonah oh I feel

1194

01:03:22,800 --> 01:03:19,390

mispronouncing it all evening I'm sorry

1195

01:03:25,200 --> 01:03:22,810

how do we know Jean not a problem

1196

01:03:28,520 --> 01:03:25,210

because it it depends on the on the

1197

01:03:32,400 --> 01:03:28,530

dialect as well and here in the south

1198

01:03:36,660 --> 01:03:32,410

the month of August is not who but out

1199

01:03:40,140 --> 01:03:36,670

or would that's right though and engine

1200

01:03:42,690 --> 01:03:40,150

is you know you have the female and the

1201

01:03:44,760 --> 01:03:42,700

male version so yes I'm as a male

1202

01:03:47,220 --> 01:03:44,770

version as younger it's really

1203

01:03:49,560 --> 01:03:47,230

pronounced yamna when you're a female I

1204

01:03:53,970 --> 01:03:49,570

did not realize that so would it have

1205

01:03:56,940 --> 01:03:53,980

been to Jonah dark Jonna Jonna doc yeah

1206

01:03:59,849 --> 01:03:56,950

oh yeah you're talking about the patron

1207

01:04:03,540 --> 01:03:59,859

saint of France Joan of Arc that's right

1208

01:04:06,960 --> 01:04:03,550

that's Jana doc and it it's the female

1209

01:04:09,390 --> 01:04:06,970

version but in the North they do tend to

1210

01:04:12,660 --> 01:04:09,400

swallow half of the words when they

1211

01:04:15,690 --> 01:04:12,670

pronounce it so when I going to Paris my

1212

01:04:17,400 --> 01:04:15,700

French in in Paris's you know they can't

1213

01:04:21,390 --> 01:04:17,410

understand me and I you know I can't

1214

01:04:24,390 --> 01:04:21,400

understand them they know where you're

1215

01:04:25,859 --> 01:04:24,400

from when you go there a little bit you

1216

01:04:28,770 --> 01:04:25,869

know you pronounce almost the entire

1217

01:04:32,730 --> 01:04:28,780

ward here yeah you know we were talking

1218

01:04:36,660 --> 01:04:32,740

a lot in the previous hour about the

1219

01:04:39,120 --> 01:04:36,670

sort of Nazi connection to boot the

1220

01:04:43,710 --> 01:04:39,130

research in southern France and the

1221

01:04:47,660 --> 01:04:43,720

mysteries in that area and wasn't there

1222

01:04:49,890 --> 01:04:47,670

an Egyptian connection as well

1223

01:04:53,730 --> 01:04:49,900

obviously with the Nazis they were after

1224

01:04:56,640 --> 01:04:53,740

all kinds of ancient relics and things

1225

01:04:58,680 --> 01:04:56,650

but how does Egypt I into all this

1226

01:05:02,490 --> 01:04:58,690

because I know your last book the eye of

1227

01:05:04,589 --> 01:05:02,500

raw takes us to Egypt yes well you have

1228

01:05:07,170 --> 01:05:04,599

to go back to the source and if you

1229

01:05:10,859 --> 01:05:07,180

follow the snake and you know to the

1230

01:05:12,630 --> 01:05:10,869

source then it will get you to the to

1231

01:05:14,849 --> 01:05:12,640

the beginning of the hermetic teachings

1232

01:05:18,029 --> 01:05:14,859

where did the hermetic teachings begin

1233

01:05:20,849 --> 01:05:18,039

where did it start who started it and

1234

01:05:24,029 --> 01:05:20,859

then we go back to ancient Egypt because

1235

01:05:28,069 --> 01:05:24,039

in ancient Egypt you had the mysteries

1236

01:05:32,099 --> 01:05:28,079

of toast or two who d you have the

1237

01:05:34,740 --> 01:05:32,109

knowledge of the Emerald Tablet and the

1238

01:05:36,450 --> 01:05:34,750

hermetic Mystery School the Egyptian

1239

01:05:39,690 --> 01:05:36,460

mystery school that all the Greek

1240

01:05:42,390 --> 01:05:39,700

philosophers attended and they took that

1241

01:05:45,180 --> 01:05:42,400

back to Greece and then in Greece they

1242

01:05:47,430 --> 01:05:45,190

changed it to Hermes the knowledge of

1243

01:05:51,150 --> 01:05:47,440

Hermes and that's how you get the

1244

01:05:54,420 --> 01:05:51,160

hermetic teachings it's Egyptian mystery

1245

01:05:57,990 --> 01:05:54,430

school teaching and this is about nature

1246

01:06:01,049 --> 01:05:58,000

and understanding nature but both the

1247

01:06:03,210 --> 01:06:01,059

natural world the physical world as the

1248

01:06:06,450 --> 01:06:03,220

metaphysical world so you go into the

1249

01:06:08,690 --> 01:06:06,460

spiritual part and when you will all

1250

01:06:12,569 --> 01:06:08,700

probably remember Pythagoras and

1251

01:06:17,180 --> 01:06:12,579

Pythagoras and he is the one that

1252

01:06:21,660 --> 01:06:17,190

introduced the pentacle the pentacle as

1253

01:06:24,509 --> 01:06:21,670

the five-pointed star so he added to the

1254

01:06:28,559 --> 01:06:24,519

four elements water air earth and fire

1255

01:06:32,009 --> 01:06:28,569

he added spirit in the top so that was

1256

01:06:35,640 --> 01:06:32,019

the fifth element spirit and if you find

1257

01:06:40,950 --> 01:06:35,650

a pentacle in within a circle then it is

1258

01:06:43,380 --> 01:06:40,960

the pentacle of Pythagoras hmm and in

1259

01:06:46,559 --> 01:06:43,390

the first century along with the Essenes

1260

01:06:49,079 --> 01:06:46,569

and other Gnostics you have the school

1261

01:06:52,730 --> 01:06:49,089

of Pythagoras coming also to the

1262

01:06:56,759 --> 01:06:52,740

language of Russia on to some trance and

1263

01:07:00,290 --> 01:06:56,769

they would be teaching each other one on

1264

01:07:03,540 --> 01:07:00,300

one so you have one student one teacher

1265

01:07:06,210 --> 01:07:03,550

and that is that is amazing you know

1266

01:07:08,280 --> 01:07:06,220

because you have full attention the

1267

01:07:11,010 --> 01:07:08,290

teacher will be able to adapt to what

1268

01:07:13,050 --> 01:07:11,020

you can know so the whole thing about

1269

01:07:15,930 --> 01:07:13,060

you know the knowledge of the cars the

1270

01:07:18,750 --> 01:07:15,940

Essenes the teachings the hermetic

1271

01:07:22,020 --> 01:07:18,760

teachings it all has originated in Egypt

1272

01:07:27,930 --> 01:07:22,030

and it has originated in the courts of

1273

01:07:33,420 --> 01:07:27,940

the father of Akhenaten so you go back

1274

01:07:37,770 --> 01:07:33,430

to the 17th 18th century now the 14th

1275

01:07:40,490 --> 01:07:37,780

century BC to the 18th dynasty and I'm a

1276

01:07:44,760 --> 01:07:40,500

noted third was the one who started the

1277

01:07:48,330 --> 01:07:44,770

the Egyptian mystery school and arc not

1278

01:07:50,700 --> 01:07:48,340

and continued it and of course we know X

1279

01:07:53,340 --> 01:07:50,710

Norton as the Pharaoh who wanted to go

1280

01:07:57,540 --> 01:07:53,350

back to the you know art and art and rah

1281

01:08:01,340 --> 01:07:57,550

and you demolish all the other gods and

1282

01:08:05,190 --> 01:08:01,350

goddesses and idols and he was the first

1283

01:08:07,680 --> 01:08:05,200

monolithic Pharaoh and the only one

1284

01:08:12,540 --> 01:08:07,690

because after him they would get get

1285

01:08:14,300 --> 01:08:12,550

back to the multi deity worship so

1286

01:08:18,510 --> 01:08:14,310

Akhenaten is a very interesting person

1287

01:08:20,490 --> 01:08:18,520

because what was behind acknowledge what

1288

01:08:23,490 --> 01:08:20,500

made him think was it something that

1289

01:08:25,590 --> 01:08:23,500

happened in his family did he have a

1290

01:08:29,880 --> 01:08:25,600

relationship with with somebody who

1291

01:08:32,550 --> 01:08:29,890

would inspire him to actually change the

1292

01:08:34,500 --> 01:08:32,560

entire religious system that had been

1293

01:08:38,220 --> 01:08:34,510

flourishing there for thousands of years

1294

01:08:41,160 --> 01:08:38,230

before him it was a bold move and it was

1295

01:08:43,050 --> 01:08:41,170

a strong move but it was also violent

1296

01:08:45,480 --> 01:08:43,060

because you know nobody was allowed to

1297

01:08:49,079 --> 01:08:45,490

do anything else and he forced his

1298

01:08:53,039 --> 01:08:49,089

people to to worship only the art and

1299

01:08:55,200 --> 01:08:53,049

rawness of course reminders Moses you

1300

01:08:57,530 --> 01:08:55,210

know with the Ten Commandments and

1301

01:09:00,230 --> 01:08:57,540

there's the 10 commandments of of

1302

01:09:02,340 --> 01:09:00,240

Akhenaten you have the stelae of

1303

01:09:06,210 --> 01:09:02,350

Akhenaten who says that you cannot

1304

01:09:08,130 --> 01:09:06,220

worship anything else and artha and he

1305

01:09:10,260 --> 01:09:08,140

can only be shaped and you know in the

1306

01:09:14,070 --> 01:09:10,270

shape of the sunny has no image he has

1307

01:09:16,410 --> 01:09:14,080

no face he has no representing

1308

01:09:18,870 --> 01:09:16,420

presentation like they were used to

1309

01:09:22,700 --> 01:09:18,880

under God's oath for instance was the

1310

01:09:25,530 --> 01:09:22,710

ibis and Horace you know the Falcon in

1311

01:09:27,870 --> 01:09:25,540

art and Rob did not haha you know you

1312

01:09:30,930 --> 01:09:27,880

were not supposed to make any images of

1313

01:09:33,480 --> 01:09:30,940

it which of course we know from Moses's

1314

01:09:34,980 --> 01:09:33,490

Ten Commandments there are lots of of

1315

01:09:38,490 --> 01:09:34,990

those things in the ten commandments

1316

01:09:41,790 --> 01:09:38,500

that are on the stelae and I'm in Amarna

1317

01:09:45,690 --> 01:09:41,800

in ARCA taught and the old city the old

1318

01:09:47,490 --> 01:09:45,700

capital of Akhenaten so I know a lot of

1319

01:09:49,680 --> 01:09:47,500

people I mean there is that school of

1320

01:09:51,810 --> 01:09:49,690

thought that Akhenaten and Moses were

1321

01:09:54,240 --> 01:09:51,820

one in the same and I think that's what

1322

01:09:56,700 --> 01:09:54,250

you're alluding to there is that there

1323

01:10:02,580 --> 01:09:56,710

are a lot of correlations that could be

1324

01:10:05,730 --> 01:10:02,590

made yeah I am exploring this in letting

1325

01:10:09,660 --> 01:10:05,740

my characters find out whether that is

1326

01:10:11,730 --> 01:10:09,670

true or not and so they go off back in

1327

01:10:14,460 --> 01:10:11,740

time and they they're going to find out

1328

01:10:16,710 --> 01:10:14,470

more about Akhenaten than what was going

1329

01:10:19,860 --> 01:10:16,720

on in the courts and so I'm trying to

1330

01:10:24,420 --> 01:10:19,870

make that ancient city of archetype and

1331

01:10:28,380 --> 01:10:24,430

come back to life in the book oh very

1332

01:10:30,920 --> 01:10:28,390

nice very nice so we're going to give

1333

01:10:33,780 --> 01:10:30,930

out that website one more time before

1334

01:10:36,960 --> 01:10:33,790

the end of the show we've got about 15

1335

01:10:41,700 --> 01:10:36,970

more minutes or so left in the hour but

1336

01:10:48,890 --> 01:10:41,710

if you'd like to take a look at Jonah's

1337

01:10:53,160 --> 01:10:48,900

website then go to jaii a NN e d AO UT

1338

01:10:59,000 --> 01:10:53,170

calm and you can see her books white lie

1339

01:11:01,470 --> 01:10:59,010

and also the eye of raw right yeah and

1340

01:11:04,680 --> 01:11:01,480

have a look at those you can order them

1341

01:11:06,840 --> 01:11:04,690

there I think there are ways to order

1342

01:11:09,510 --> 01:11:06,850

from different locations that might be

1343

01:11:11,580 --> 01:11:09,520

better for you shipping wise so be sure

1344

01:11:15,570 --> 01:11:11,590

if you're in the United States to click

1345

01:11:17,460 --> 01:11:15,580

on that link and order from the one in

1346

01:11:19,440 --> 01:11:17,470

the united states that i think that's

1347

01:11:21,330 --> 01:11:19,450

going to be a lot better for everybody

1348

01:11:24,360 --> 01:11:21,340

concerned as far as shipping and goes i

1349

01:11:26,870 --> 01:11:24,370

would imagine that's the reason and so

1350

01:11:33,180 --> 01:11:26,880

now I

1351

01:11:35,640 --> 01:11:33,190

in you know and and I hate to I guess i

1352

01:11:38,959 --> 01:11:35,650

really don't hate to keep going back to

1353

01:11:42,439 --> 01:11:38,969

southern France or southwest France but

1354

01:11:48,569 --> 01:11:42,449

you know I've always heard stories that

1355

01:11:52,950 --> 01:11:48,579

there were possibly Isis temples in the

1356

01:11:55,229 --> 01:11:52,960

region I've even heard that the Church

1357

01:11:56,489 --> 01:11:55,239

of Mary Magdalene as it used to be

1358

01:12:02,069 --> 01:11:56,499

called I'm not sure they're still

1359

01:12:06,479 --> 01:12:02,079

calling at that in Rennes le Chateau was

1360

01:12:10,310 --> 01:12:06,489

built on a site of an Isis temple and I

1361

01:12:14,509 --> 01:12:10,320

do know that many churches were put on

1362

01:12:17,520 --> 01:12:14,519

locations that have been pagan sites and

1363

01:12:19,080 --> 01:12:17,530

there you know particular locations that

1364

01:12:21,839 --> 01:12:19,090

have to do with something about the

1365

01:12:26,279 --> 01:12:21,849

geometry of the area or the telluric

1366

01:12:30,600 --> 01:12:26,289

currents that we mentioned earlier are

1367

01:12:32,700 --> 01:12:30,610

you aware of that connection and well if

1368

01:12:35,879 --> 01:12:32,710

you go into history the historical

1369

01:12:38,759 --> 01:12:35,889

accounts and there's no mentioning of an

1370

01:12:42,799 --> 01:12:38,769

Isis temple but there is a mentioning of

1371

01:12:46,189 --> 01:12:42,809

a possible Diana temple Oh No the whole

1372

01:12:53,000 --> 01:12:46,199

hopefully the loader as you call it is

1373

01:12:57,060 --> 01:12:53,010

has been inhabited by the Romans and

1374

01:13:00,270 --> 01:12:57,070

they introduced the black Diana which is

1375

01:13:03,600 --> 01:13:00,280

very very interesting I've seen an image

1376

01:13:08,310 --> 01:13:03,610  
of statuette the statuette was a

1377

01:13:11,339 --> 01:13:08,320  
container for oil and it's beautiful it

1378

01:13:15,239 --> 01:13:11,349  
has it's completely black and her coat

1379

01:13:18,029 --> 01:13:15,249  
is white so it's very double and she's a

1380

01:13:20,549 --> 01:13:18,039  
black Diana she looks like a black

1381

01:13:23,759 --> 01:13:20,559  
madonna but it said Diana so it's a

1382

01:13:27,120 --> 01:13:23,769  
Roman goddess and Diana was very very

1383

01:13:31,319 --> 01:13:27,130  
popular here and you also had Artemis

1384

01:13:34,319 --> 01:13:31,329  
and Athena here in the various periods

1385

01:13:35,729 --> 01:13:34,329  
of the occupation like in the period

1386

01:13:38,939 --> 01:13:35,739  
that the Greeks were here they would

1387

01:13:40,080 --> 01:13:38,949  
probably have introduced Athena and but

1388

01:13:41,669 --> 01:13:40,090

it's still all the mother

1389

01:13:44,930 --> 01:13:41,679

goddess it's always the mother goddess

1390

01:13:48,689 --> 01:13:44,940

that has in some way been represented

1391

01:13:53,220 --> 01:13:48,699

with a statuette a name attached to it

1392

01:13:55,740 --> 01:13:53,230

depending on who was here and Isis of

1393

01:13:58,890 --> 01:13:55,750

course is the only Egyptian goddess that

1394

01:14:02,580 --> 01:13:58,900

Romans accepted and she was very popular

1395

01:14:06,209 --> 01:14:02,590

and especially in the later first

1396

01:14:09,149 --> 01:14:06,219

century Isis was a very popular Egyptian

1397

01:14:11,700 --> 01:14:09,159

goddess for the Romans so when the

1398

01:14:15,810 --> 01:14:11,710

Romans were here some of them may have

1399

01:14:19,770 --> 01:14:15,820

brought Isis along with them whether

1400

01:14:23,910 --> 01:14:19,780

there are Isis temples is not proven

1401

01:14:27,390 --> 01:14:23,920

because the whole history here is known

1402

01:14:30,870 --> 01:14:27,400

and there are temples and they're almost

1403

01:14:34,470 --> 01:14:30,880

all the churches and yes all those

1404

01:14:36,570 --> 01:14:34,480

places are based on a telluric line on

1405

01:14:41,640 --> 01:14:36,580

the ley line or a snake line as they

1406

01:14:44,879 --> 01:14:41,650

sometimes refer to them and but the name

1407

01:14:47,070 --> 01:14:44,889

Isis is not really known here it's diana

1408

01:14:50,910 --> 01:14:47,080

diana is very very popular here

1409

01:14:54,479 --> 01:14:50,920

especially the black version and what do

1410

01:14:57,780 --> 01:14:54,489

you think the symbolism behind the black

1411

01:15:02,100 --> 01:14:57,790

version I mean I I sort of you know in

1412

01:15:05,339 --> 01:15:02,110

terms of a Black Madonna I I took that

1413

01:15:07,979 --> 01:15:05,349

to mean not necessarily someone who was

1414

01:15:11,250 --> 01:15:07,989

dark and skin color but more of a hidden

1415

01:15:13,560 --> 01:15:11,260

mystery a hidden knowledge yeah is that

1416

01:15:16,919 --> 01:15:13,570

the same would you say the same in terms

1417

01:15:19,740 --> 01:15:16,929

of the black Diana yes absolutely you

1418

01:15:21,990 --> 01:15:19,750

have to whiten and the black goddess and

1419

01:15:24,390 --> 01:15:22,000

a black goddess is the goddess of the

1420

01:15:28,830 --> 01:15:24,400

earth that's why it's black fertile

1421

01:15:31,410 --> 01:15:28,840

earth black goddess is also the feminine

1422

01:15:33,629 --> 01:15:31,420

principle of gods so if you go to the

1423

01:15:36,209 --> 01:15:33,639

pillars of Solomon the temple of solomon

1424

01:15:39,540 --> 01:15:36,219

we have white and black boas and yo Keem

1425

01:15:42,450 --> 01:15:39,550

yes and then you have the black is the

1426

01:15:45,030 --> 01:15:42,460

feminine and the white is the masculine

1427

01:15:49,050 --> 01:15:45,040

and you have to see them as two

1428

01:15:51,209 --> 01:15:49,060

polarities within nature so you have the

1429

01:15:53,010 --> 01:15:51,219

vegetable world the world that you can

1430

01:15:53,890 --> 01:15:53,020

touch and feel and smell and everything

1431

01:15:56,560 --> 01:15:53,900

we

1432

01:15:59,050 --> 01:15:56,570

your five senses and that's the black

1433

01:16:01,330 --> 01:15:59,060

that's the feminine the touchable world

1434

01:16:03,850 --> 01:16:01,340

the Earth's a material world and then

1435

01:16:05,950 --> 01:16:03,860

the white part that's the pasta larity

1436

01:16:08,260 --> 01:16:05,960

that is the divinity that makes

1437

01:16:11,590 --> 01:16:08,270

everything come to life the white lady

1438

01:16:14,500 --> 01:16:11,600

and she's within everything that lives

1439

01:16:18,340 --> 01:16:14,510

she is the battery that is in everything

1440

01:16:21,580 --> 01:16:18,350

that is alive on this planet and it's

1441

01:16:26,760 --> 01:16:21,590

both parts of the mother goddess but

1442

01:16:31,390 --> 01:16:26,770

it's both also part of the masculine all

1443

01:16:35,860 --> 01:16:31,400

so that's how you get the Trinity you

1444

01:16:38,649 --> 01:16:35,870

see the all is the one with you know

1445

01:16:41,530 --> 01:16:38,659

that that has everything in it and then

1446

01:16:43,840 --> 01:16:41,540

within the all you find the material

1447

01:16:48,280 --> 01:16:43,850

world and within the material world you

1448

01:16:50,410 --> 01:16:48,290

find the all the prosperity the battery

1449

01:16:53,830 --> 01:16:50,420

that makes everything live so the women

1450

01:16:56,350 --> 01:16:53,840

without above below thing it's how many

1451

01:16:58,780 --> 01:16:56,360

teachings it's the basis of dodson this

1452

01:17:00,550 --> 01:16:58,790

is also what what has been thought by

1453

01:17:02,919 --> 01:17:00,560

the Egyptian mystery school and that's

1454

01:17:07,810 --> 01:17:02,929

why I've been writing about it and the I

1455

01:17:11,110 --> 01:17:07,820

of raw now why do you think you

1456

01:17:14,100 --> 01:17:11,120

mentioned earlier about Pythagoras at

1457

01:17:18,850 --> 01:17:14,110

about the 5-point star the pentacle and

1458

01:17:21,760 --> 01:17:18,860

and how it encompasses you know the

1459

01:17:24,180 --> 01:17:21,770

natural world and of course spirit was

1460

01:17:28,300 --> 01:17:24,190

the was the fifth point that was added

1461

01:17:34,270 --> 01:17:28,310

the added element but why do you think

1462

01:17:39,040 --> 01:17:34,280

it is that the natural world which we

1463

01:17:41,649 --> 01:17:39,050

see a lot in paganism in Wicca and other

1464

01:17:43,899 --> 01:17:41,659

and other pagan beliefs what do you

1465

01:17:48,010 --> 01:17:43,909

think that that has sort of been ignored

1466

01:17:50,350 --> 01:17:48,020

by the major world religions like

1467

01:17:55,450 --> 01:17:50,360

Christianity and I'm not as familiar

1468

01:17:59,229 --> 01:17:55,460

with Judaism or Islam but certainly

1469

01:18:02,260 --> 01:17:59,239

Christianity sort of ignores that

1470

01:18:05,010 --> 01:18:02,270

natural world you see it in Native

1471

01:18:08,430 --> 01:18:05,020

American beliefs a lot here in

1472

01:18:11,990 --> 01:18:08,440

America you know they very much are in

1473

01:18:14,490 --> 01:18:12,000

touch in touch with mother earth and and

1474

01:18:17,870 --> 01:18:14,500

everything on the earth or in the earth

1475

01:18:22,190 --> 01:18:17,880

so what do you think it was that

1476

01:18:25,950 --> 01:18:22,200

Christianity kind of opted out of that

1477

01:18:29,340 --> 01:18:25,960

it's the masculine you know um male

1478

01:18:31,980 --> 01:18:29,350

based society and the goddess was pushed

1479

01:18:34,950 --> 01:18:31,990

aside especially in Christianity and

1480

01:18:39,330 --> 01:18:34,960

Islam the goddess is pushed aside so the

1481

01:18:41,850 --> 01:18:39,340

whole and everything that humanity has

1482

01:18:43,470 --> 01:18:41,860

been growing up with like you have the

1483

01:18:47,610 --> 01:18:43,480

king and the Queen on the throne you

1484

01:18:50,610 --> 01:18:47,620

know and it's now only the king so this

1485

01:18:53,190 --> 01:18:50,620

is the wounded Fisher King story and in

1486

01:18:56,040 --> 01:18:53,200

search of the lost loved one this is the

1487

01:18:58,530 --> 01:18:56,050

fairy tale where the the feminine

1488

01:19:03,180 --> 01:18:58,540

principle is locked up in a tower this

1489

01:19:05,280 --> 01:19:03,190

is where Eve get the Apple that is you

1490

01:19:07,770 --> 01:19:05,290

know symbol symbolized by the Apple for

1491

01:19:10,860 --> 01:19:07,780

Snow White and the feminine principle

1492

01:19:13,590 --> 01:19:10,870

has been pushed away and this is just

1493

01:19:15,750 --> 01:19:13,600

because it's a male based society and

1494

01:19:17,580 --> 01:19:15,760

the moment that we are balancing again

1495

01:19:20,220 --> 01:19:17,590

and you can see that in the Western roll

1496

01:19:24,210 --> 01:19:20,230

a bit you know the women and men are

1497

01:19:27,450 --> 01:19:24,220

more balanced and then suddenly you get

1498

01:19:30,230 --> 01:19:27,460

the Mary Magdalene and the mother

1499

01:19:34,610 --> 01:19:30,240

goddess you know it's coming back again

1500

01:19:37,470 --> 01:19:34,620

it's healing I think it's a wonderful

1501

01:19:39,450 --> 01:19:37,480

way and of course there's a lot of

1502

01:19:41,280 --> 01:19:39,460

upheaval in the world but there's also a

1503

01:19:46,110 --> 01:19:41,290

lot of good things happening we were

1504

01:19:49,560 --> 01:19:46,120

growing yeah I think so we were talking

1505

01:19:52,470 --> 01:19:49,570

about that last week on this show about

1506

01:19:55,110 --> 01:19:52,480

how we certainly are evolving you know

1507

01:19:58,820 --> 01:19:55,120

we're evolving scientifically we would

1508

01:20:02,580 --> 01:19:58,830

have to be certainly hopefully evolving

1509

01:20:11,090 --> 01:20:02,590

spiritually as well I think my goodness

1510

01:20:14,790 --> 01:20:11,100

I hope so yes now going back to your

1511

01:20:18,450 --> 01:20:14,800

your journeys you're researching and in

1512

01:20:23,520 --> 01:20:20,910

you know I bet I know you've done a lot

1513

01:20:26,280 --> 01:20:23,530

of traveling and we're talking about

1514

01:20:29,450 --> 01:20:26,290

these areas that are charged with power

1515

01:20:32,300 --> 01:20:29,460

you know basically there's nothing

1516

01:20:34,200 --> 01:20:32,310

strange about it or mysterious

1517

01:20:38,250 --> 01:20:34,210

necessarily it's scientifically

1518

01:20:41,400 --> 01:20:38,260

quantifiable power electricity whatever

1519

01:20:44,250 --> 01:20:41,410

you want to call it now have you have

1520

01:20:49,200 --> 01:20:44,260

you had experiences personally in any of

1521

01:20:51,450 --> 01:20:49,210

these areas yes I must admit that there

1522

01:20:54,300 --> 01:20:51,460

are a couple of places where meditation

1523

01:20:56,340 --> 01:20:54,310

was a lot easier that if I would be

1524

01:20:58,500 --> 01:20:56,350

sitting there for 20 minutes that you

1525

01:21:01,350 --> 01:20:58,510

know I'd almost feel as if I would pop

1526

01:21:03,600 --> 01:21:01,360

out in another dimension some places are

1527

01:21:06,450 --> 01:21:03,610

really so strong that your

1528

01:21:09,300 --> 01:21:06,460

subconsciousness your it shuts down your

1529

01:21:11,760 --> 01:21:09,310

left brain activity or more or less you

1530

01:21:15,950 --> 01:21:11,770

know not not really but more or less so

1531

01:21:20,340 --> 01:21:15,960

you your your mind is freed of thoughts

1532

01:21:23,070 --> 01:21:20,350

which is very very nice especially I can

1533

01:21:25,800 --> 01:21:23,080

imagine that I'm the worst person for

1534

01:21:29,280 --> 01:21:25,810

meditating because I can't shut my brain

1535

01:21:32,340 --> 01:21:29,290

off but maybe I need to go to one of

1536

01:21:36,930 --> 01:21:32,350

these locations I no one I can put your

1537

01:21:39,330 --> 01:21:36,940

somewhere okay it's actually it's there

1538

01:21:42,120 --> 01:21:39,340

is also one in the knobs very very far

1539

01:21:44,610 --> 01:21:42,130

from Las Vegas which I really really

1540

01:21:46,590 --> 01:21:44,620

like so one of the yeah one of the

1541

01:21:50,670 --> 01:21:46,600

places in the Red Rock Canyon there's a

1542

01:21:53,760 --> 01:21:50,680

sacred sites with the hand painting on

1543

01:21:57,120 --> 01:21:53,770

the wall and those rocks there are very

1544

01:21:59,940 --> 01:21:57,130

very powerful if you touch them and take

1545

01:22:03,270 --> 01:21:59,950

about 20 minutes to really relax and

1546

01:22:05,190 --> 01:22:03,280

it's it's an amazing place and I think

1547

01:22:07,229 --> 01:22:05,200

they're all over the world all over the

1548

01:22:10,459 --> 01:22:07,239

world you've got those places yes i

1549

01:22:12,840 --> 01:22:10,469

agree i think so too i think you know

1550

01:22:16,760 --> 01:22:12,850

the area where you live in southwest

1551

01:22:19,830 --> 01:22:16,770

France of course is an amazing area and

1552

01:22:22,170 --> 01:22:19,840

some of these things converge there to

1553

01:22:27,209 --> 01:22:22,180

make it an extremely powerful place and

1554

01:22:29,430 --> 01:22:27,219

as we were talking about the opposites

1555

01:22:31,800 --> 01:22:29,440

the light and the dark it's all there

1556

01:22:32,250 --> 01:22:31,810

it's it you know you get you certainly

1557

01:22:36,470 --> 01:22:32,260

get

1558

01:22:40,710 --> 01:22:36,480

balance in the interplay between both

1559

01:22:43,680 --> 01:22:40,720

but there are places I think lots of

1560

01:22:48,510 --> 01:22:43,690

places around the world that have those

1561

01:22:50,610 --> 01:22:48,520

same or similar elements and you know

1562

01:22:53,490 --> 01:22:50,620

some of them you know maybe in your own

1563

01:22:55,350 --> 01:22:53,500

backyard listeners so you know we've

1564

01:22:58,220 --> 01:22:55,360

been discovering some here in the United

1565

01:23:01,650 --> 01:22:58,230

States where you know it's not so easy

1566

01:23:04,170 --> 01:23:01,660

here in the US to jump on a plane and

1567

01:23:06,090 --> 01:23:04,180

fly to Europe if you're already in

1568

01:23:08,790 --> 01:23:06,100

Europe it's kind of easy to get from

1569

01:23:12,600 --> 01:23:08,800

England to France or Germany to France

1570

01:23:15,840 --> 01:23:12,610

or you know and get around that area but

1571

01:23:18,390 --> 01:23:15,850

here we're sort of isolated and not a

1572

01:23:21,840 --> 01:23:18,400

lot of people have the advantage of

1573

01:23:25,080 --> 01:23:21,850

being world travelers yeah so there are

1574

01:23:28,650 --> 01:23:25,090

places that you can find that you could

1575

01:23:31,260 --> 01:23:28,660

drive to I'm sure and seek them out for

1576

01:23:34,560 --> 01:23:31,270

yourselves lots of good researchers are

1577

01:23:38,490 --> 01:23:34,570

working hard to locate these these

1578

01:23:41,310 --> 01:23:38,500

treasures in these these places and who

1579

01:23:44,730 --> 01:23:41,320

knows who you will meet there because

1580

01:23:48,780 --> 01:23:44,740

idols they are some sort of like places

1581

01:23:52,940 --> 01:23:48,790

that are made that way so that people of

1582

01:23:55,800 --> 01:23:52,950

the same spirit can meet that's right I

1583

01:23:58,020 --> 01:23:55,810

tell you you know it's true i mean you

1584

01:24:01,190 --> 01:23:58,030

know I've been to France many times I

1585

01:24:04,230 --> 01:24:01,200

had the you know the good fortune to be

1586

01:24:10,640 --> 01:24:04,240

you know doing work over there and so I

1587

01:24:14,460 --> 01:24:10,650

was able to go back a lot and if I never

1588

01:24:18,750 --> 01:24:14,470

ceased being amazed I'd who I would run

1589

01:24:20,700 --> 01:24:18,760

into when I get there and a lot of times

1590

01:24:23,400 --> 01:24:20,710

I've run into people that I knew you

1591

01:24:26,490 --> 01:24:23,410

know and it just not planned you know

1592

01:24:30,570 --> 01:24:26,500

just be up and run with chateaux you

1593

01:24:33,420 --> 01:24:30,580

know in the in the Jordan and oh my gosh

1594

01:24:36,150 --> 01:24:33,430

they're so and so from Detroit you know

1595

01:24:38,250 --> 01:24:36,160

it's sitting across from me it's really

1596

01:24:39,750 --> 01:24:38,260

crazy but I think that you're right i

1597

01:24:43,230 --> 01:24:39,760

think you know there are certain places

1598

01:24:44,970 --> 01:24:43,240

that sort of call to you yeah yeah

1599

01:24:48,150 --> 01:24:44,980

certainly

1600

01:24:52,880 --> 01:24:48,160

as I think it's the season yeah now I

1601  
01:24:55,680 --> 01:24:52,890  
know you know you're you know you're

1602  
01:24:58,590 --> 01:24:55,690  
done a nice book and the eye of raw you

1603  
01:25:00,540 --> 01:24:58,600  
did white line what are you is there

1604  
01:25:04,410 --> 01:25:00,550  
another book in the offing what are your

1605  
01:25:09,290 --> 01:25:04,420  
plans in the next couple of years I need

1606  
01:25:12,150 --> 01:25:09,300  
to you know put my roots in a little bit

1607  
01:25:14,490 --> 01:25:12,160  
I've just finished the eye of raw and

1608  
01:25:17,910 --> 01:25:14,500  
I've got a lot of catching up to do on

1609  
01:25:20,880 --> 01:25:17,920  
my normal chores and it is the third

1610  
01:25:23,670 --> 01:25:20,890  
book is in my head it's what I want but

1611  
01:25:26,390 --> 01:25:23,680  
I have to dive into that and I'm going

1612  
01:25:29,610 --> 01:25:26,400  
back into pre story deep deep deep oh

1613  
01:25:32,310 --> 01:25:29,620

I'm going to go back to the times of the

1614

01:25:35,640 --> 01:25:32,320

drums and the wall paintings and the

1615

01:25:38,640 --> 01:25:35,650

magic and and the mother goddess birth

1616

01:25:41,580 --> 01:25:38,650

of the mother goddess and um I need to

1617

01:25:43,080 --> 01:25:41,590

do more research to me you know I when I

1618

01:25:46,620 --> 01:25:43,090

write something down I want to be

1619

01:25:50,010 --> 01:25:46,630

certain of it and then I will wrap

1620

01:25:52,740 --> 01:25:50,020

around it the story the adventure story

1621

01:25:55,229 --> 01:25:52,750

line and that will usually come and the

1622

01:25:58,110 --> 01:25:55,239

eye of raw was birth very easy birth

1623

01:26:00,810 --> 01:25:58,120

because I had done the research very

1624

01:26:04,500 --> 01:26:00,820

very well already in my life because it

1625

01:26:07,440 --> 01:26:04,510

was one of my favorite topics so the

1626

01:26:11,160 --> 01:26:07,450

story wrote itself it was an easy birth

1627

01:26:12,630 --> 01:26:11,170

and eyes yeah the third book will be an

1628

01:26:15,120 --> 01:26:12,640

easy birth the moment that I've got all

1629

01:26:18,110 --> 01:26:15,130

my facts on paper then i can write the

1630

01:26:21,360 --> 01:26:18,120

story around it will come it'll come out

1631

01:26:23,430 --> 01:26:21,370

well it's been so great having you were

1632

01:26:26,540 --> 01:26:23,440

right down to the final minute of the

1633

01:26:30,330 --> 01:26:26,550

show and i just want to thank you again

1634

01:26:33,330 --> 01:26:30,340

jean adduct for joining us even at this

1635

01:26:35,810 --> 01:26:33,340

ungodly hour for you i think it's now

1636

01:26:38,400 --> 01:26:35,820

about what five o'clock in the morning

1637

01:26:39,930 --> 01:26:38,410

exactly but that's fine it was a

1638

01:26:42,180 --> 01:26:39,940

pleasure to be on the show thank you

1639

01:26:44,250 --> 01:26:42,190

well thank you so much and I want to

1640

01:26:46,250 --> 01:26:44,260

thank everybody who's listening and I

1641

01:26:50,020 --> 01:26:46,260

hope you'll join us again next week and

1642

01:26:52,720 --> 01:26:50,030

again our condolences go out to everyone

1643

01:26:56,170 --> 01:26:52,730

who had friends and loved ones on the
