

Exposing the Truth, One Secret at a Time

NIGHTVISION

Host: René Barnett

RADIO

Gloria Amendola 3.0

1
00:00:09,160 --> 00:00:02,419
you're locked into inception radio

2
00:00:16,359 --> 00:00:12,789
your tool in tonight vision radio

3
00:00:19,159 --> 00:00:16,369
exposing the truth one secret at a time

4
00:00:21,620 --> 00:00:19,169
prepare yourself as we explore the

5
00:00:24,830 --> 00:00:21,630
shadow worlds of suppressed history

6
00:00:27,859 --> 00:00:24,840
secret knowledge and forbidden religion

7
00:00:48,920 --> 00:00:27,869
and shine a light on the conspiracies to

8
00:00:48,930 --> 00:00:57,970
for nothing

9
00:00:57,980 --> 00:01:10,550
No

10
00:01:10,560 --> 00:01:17,320
welcome to night vision radio

11
00:01:22,550 --> 00:01:20,330
hey everybody who are you having a week

12
00:01:25,580 --> 00:01:22,560
like I'm having I'm telling I'm hearing

13
00:01:26,990 --> 00:01:25,590

it from all my friends and family but I

14

00:01:30,800 --> 00:01:27,000

it's been one thing after another

15

00:01:32,480 --> 00:01:30,810

including trying to start this show just

16

00:01:35,510 --> 00:01:32,490

as we were getting ready to start my

17

00:01:37,310 --> 00:01:35,520

computer froze and I was on it just fine

18

00:01:39,230 --> 00:01:37,320

i was chatting in the live chat room

19

00:01:44,000 --> 00:01:39,240

right here at inception radio network

20

00:01:45,740 --> 00:01:44,010

com and suddenly when we started tried

21

00:01:48,200 --> 00:01:45,750

to start the show my computer completely

22

00:01:50,420 --> 00:01:48,210

froze up it was ridiculous and I went

23

00:01:53,540 --> 00:01:50,430

into panic mode but finally got it back

24

00:01:56,390 --> 00:01:53,550

going again but that's just what that's

25

00:02:00,080 --> 00:01:56,400

just the latest on top of car travel

26

00:02:03,170 --> 00:02:00,090

troubles all kinds of crazy financial

27

00:02:06,950 --> 00:02:03,180

things popping up unexpectedly it's been

28

00:02:08,990 --> 00:02:06,960

a wild wild week and it just finally hit

29

00:02:11,540 --> 00:02:09,000

me that you know maybe all this

30

00:02:14,180 --> 00:02:11,550

craziness that's going on in the heavens

31

00:02:16,880 --> 00:02:14,190

has to do with some of this stuff that's

32

00:02:19,130 --> 00:02:16,890

going on in my life in your life and

33

00:02:22,340 --> 00:02:19,140

what seems like everybody's life right

34

00:02:24,650 --> 00:02:22,350

at the moment so I gave my guess to call

35

00:02:27,470 --> 00:02:24,660

and said you know why do you know about

36

00:02:30,440 --> 00:02:27,480

this and believe me she has a lot to say

37

00:02:33,050 --> 00:02:30,450

my guest tonight is our returning friend

38

00:02:36,259 --> 00:02:33,060

Gloria Amendola she's an author and

39

00:02:40,430 --> 00:02:36,269

she's an intuitive and she is all over

40

00:02:43,310 --> 00:02:40,440

this solar stuff boy I tell you that the

41

00:02:45,920 --> 00:02:43,320

solar flares and the total eclipse that

42

00:02:48,080 --> 00:02:45,930

we're expecting tomorrow not only are we

43

00:02:51,020 --> 00:02:48,090

going to have a total eclipse of the Sun

44

00:02:54,680 --> 00:02:51,030

we have a super moon and it's the vernal

45

00:02:56,900 --> 00:02:54,690

equinox so it's all crazy Gloria thank

46

00:03:00,800 --> 00:02:56,910

you so much for agreeing to come and

47

00:03:03,740 --> 00:03:00,810

help straighten all this out for us no

48

00:03:05,150 --> 00:03:03,750

problem Renee happy to be here whoo I

49

00:03:08,420 --> 00:03:05,160

tell you I notice you've been posting

50

00:03:11,509 --> 00:03:08,430

some things on Facebook already and the

51
00:03:14,150 --> 00:03:11,519
the graphs and things that you were sort

52
00:03:15,380 --> 00:03:14,160
of keeping track of what's going on so I

53
00:03:16,820 --> 00:03:15,390
don't know if you just want to dive

54
00:03:21,710 --> 00:03:16,830
right in or if you want to talk about

55
00:03:24,860 --> 00:03:21,720
the the the solar eclipse first in how

56
00:03:27,259 --> 00:03:24,870
that ties into all this wildness is

57
00:03:28,080 --> 00:03:27,269
going on actually I'd like to just up a

58
00:03:31,589 --> 00:03:28,090
few days that

59
00:03:33,570 --> 00:03:31,599
I can so for the solar eclipse like will

60
00:03:35,610 --> 00:03:33,580
end with that but one of the biggest

61
00:03:38,190 --> 00:03:35,620
things that happen this week and we've

62
00:03:40,020 --> 00:03:38,200
been feeling it probably almost for a

63
00:03:43,619 --> 00:03:40,030

couple of weeks because the planets are

64

00:03:47,160 --> 00:03:43,629

so big but we experienced on Monday

65

00:03:50,670 --> 00:03:47,170

Tuesday in that timeframe we experienced

66

00:03:54,839 --> 00:03:50,680

the last of seven Uranus square Pluto's

67

00:03:57,900 --> 00:03:54,849

and that is such an intense alignment we

68

00:04:00,690 --> 00:03:57,910

usually see earth changes as a result of

69

00:04:05,309 --> 00:04:00,700

that or before it like the lead-up and

70

00:04:09,539 --> 00:04:05,319

it's so deep about about transformation

71

00:04:12,210 --> 00:04:09,549

upheaval and change and since 2012 we've

72

00:04:15,119 --> 00:04:12,220

had seven of them and we just completed

73

00:04:17,460 --> 00:04:15,129

the seventh one which is really good

74

00:04:22,170 --> 00:04:17,470

because maybe we'll catch a break but it

75

00:04:25,020 --> 00:04:22,180

really is all about pushing change right

76

00:04:29,490 --> 00:04:25,030

in our face and upheaval and chaos and

77

00:04:32,840 --> 00:04:29,500

whatever it takes for us to see our

78

00:04:35,700 --> 00:04:32,850

shadow and see what the heck we're doing

79

00:04:37,950 --> 00:04:35,710

you know it's interesting that you say

80

00:04:40,529 --> 00:04:37,960

that word shadow because I've been

81

00:04:42,300 --> 00:04:40,539

that's been popping up it came up in

82

00:04:45,390 --> 00:04:42,310

last week's show when we were talking

83

00:04:48,600 --> 00:04:45,400

about energies at certain places there

84

00:04:51,810 --> 00:04:48,610

seems to be a mirror effect or a dual

85

00:04:54,540 --> 00:04:51,820

effect a dark and a light a shadow and a

86

00:04:57,839 --> 00:04:54,550

light effect and they it seems to always

87

00:05:00,900 --> 00:04:57,849

be present so while we're having all

88

00:05:05,460 --> 00:05:00,910

these crazy things going on it's not all

89

00:05:08,100 --> 00:05:05,470

bad news is it no no it's not all bad

90

00:05:10,770 --> 00:05:08,110

it's just there's just so much confusion

91

00:05:12,300 --> 00:05:10,780

because there's so much conflict and

92

00:05:14,460 --> 00:05:12,310

it's interesting you talked about the

93

00:05:16,860 --> 00:05:14,470

duality you and I have talked so much

94

00:05:19,890 --> 00:05:16,870

about the gnostics you know in our in

95

00:05:22,409 --> 00:05:19,900

our deep search of the Cathars and

96

00:05:24,379 --> 00:05:22,419

France and the Holy Grail mysteries and

97

00:05:27,060 --> 00:05:24,389

so on and so forth we've talked about

98

00:05:29,730 --> 00:05:27,070

Gnosticism in duality and all that sort

99

00:05:32,550 --> 00:05:29,740

of thing and as I was trying to figure

100

00:05:35,490 --> 00:05:32,560

out today is this really the dawning of

101

00:05:40,140 --> 00:05:35,500

the Age of Aquarius is Pisces really

102

00:05:40,980 --> 00:05:40,150

ending ironically I found that in one of

103

00:05:43,590 --> 00:05:40,990

the one of the

104

00:05:47,130 --> 00:05:43,600

negative aspects of the Piscean age the

105

00:05:51,660 --> 00:05:47,140

last you know 2,000 years or so was

106

00:05:53,970 --> 00:05:51,670

about the deep duality of Pisces and how

107

00:05:56,910 --> 00:05:53,980

we're still experiencing that as we're

108

00:05:59,430 --> 00:05:56,920

transitioning in the ages and that's why

109

00:06:01,320 --> 00:05:59,440

there are so many wonderful and amazing

110

00:06:04,970 --> 00:06:01,330

things going on but at the same time

111

00:06:11,010 --> 00:06:04,980

there's so many horrible things going on

112

00:06:14,130 --> 00:06:11,020

absolutely absolutely so the so building

113

00:06:17,430 --> 00:06:14,140

up to this point this has all been

114

00:06:18,780 --> 00:06:17,440

building you know what is it that you

115

00:06:21,960 --> 00:06:18,790

know I tell you what I've been feeling

116

00:06:24,690 --> 00:06:21,970

you know I've been feeling like a high

117

00:06:26,880 --> 00:06:24,700

concentration of energy you know almost

118

00:06:28,650 --> 00:06:26,890

to the point of not almost to the point

119

00:06:32,940 --> 00:06:28,660

of but to the point of being actually

120

00:06:35,640 --> 00:06:32,950

uncomfortable you know just a and as as

121

00:06:38,400 --> 00:06:35,650

my own personal energy is kind of revved

122

00:06:43,020 --> 00:06:38,410

up then all these things have started to

123

00:06:45,410 --> 00:06:43,030

happen you know I just today another

124

00:06:47,910 --> 00:06:45,420

thing happened besides the computer I

125

00:06:49,830 --> 00:06:47,920

went in in my kitchen sink is now

126
00:06:51,930 --> 00:06:49,840
plugged up so now I'm going to have to

127
00:06:54,110 --> 00:06:51,940
deal with that just got my car out of

128
00:06:57,390 --> 00:06:54,120
the shop yesterday it quit unexpectedly

129
00:07:00,180 --> 00:06:57,400
far away from home on a day that was

130
00:07:02,310 --> 00:07:00,190
almost a hundred degrees out here and I

131
00:07:05,430 --> 00:07:02,320
was I had to be stranded out in the

132
00:07:07,410 --> 00:07:05,440
middle of nowhere for hours you know

133
00:07:09,990 --> 00:07:07,420
just things like that all day long and I

134
00:07:12,210 --> 00:07:10,000
keep hearing the same thing from people

135
00:07:15,660 --> 00:07:12,220
around the world you know on my facebook

136
00:07:17,550 --> 00:07:15,670
page and other friends talking about why

137
00:07:19,910 --> 00:07:17,560
are things messing up like they are it

138
00:07:23,040 --> 00:07:19,920

reminds me a bit of mercury retrograde

139

00:07:25,530 --> 00:07:23,050

you know what I know until communication

140

00:07:28,140 --> 00:07:25,540

the retrograde had happened the end of

141

00:07:31,230 --> 00:07:28,150

January you know went into february it's

142

00:07:33,990 --> 00:07:31,240

like it's really never ended and I think

143

00:07:37,320 --> 00:07:34,000

it's because urine square pluto was

144

00:07:40,410 --> 00:07:37,330

coming in so quickly on the tails of it

145

00:07:43,080 --> 00:07:40,420

and it magnified everything and in kind

146

00:07:46,170 --> 00:07:43,090

of the experience that I've been hearing

147

00:07:48,180 --> 00:07:46,180

from some people including myself it's

148

00:07:50,020 --> 00:07:48,190

almost like you're stepping into there's

149

00:07:53,350 --> 00:07:50,030

so much energy that

150

00:07:57,640 --> 00:07:53,360

stepping into this sense that like your

151
00:07:59,830 --> 00:07:57,650
worst fears are manifesting right before

152
00:08:02,110 --> 00:07:59,840
your very eyes like a friend of mine was

153
00:08:03,670 --> 00:08:02,120
always always had this deep fear Jay

154
00:08:05,920 --> 00:08:03,680
she's got a place in New York City and

155
00:08:08,260 --> 00:08:05,930
honored drive from Connecticut into New

156
00:08:10,060 --> 00:08:08,270
York City her biggest fear was that her

157
00:08:11,440 --> 00:08:10,070
she was going to break down her car was

158
00:08:13,990 --> 00:08:11,450
going to break down in the middle of

159
00:08:15,430 --> 00:08:14,000
god-knows-where in the city and she was

160
00:08:17,680 --> 00:08:15,440
going to be stranded and she was going

161
00:08:19,810 --> 00:08:17,690
to be in serious trouble and lo and

162
00:08:23,710 --> 00:08:19,820
behold it happened to her like two days

163
00:08:26,440 --> 00:08:23,720

ago and it luckily you know the good

164

00:08:28,870 --> 00:08:26,450

part of it was was that I think her her

165

00:08:31,510 --> 00:08:28,880

survival instincts just kicked in and

166

00:08:33,580 --> 00:08:31,520

everything worked out just fine but it's

167

00:08:35,560 --> 00:08:33,590

like art it's almost like these energies

168

00:08:38,200 --> 00:08:35,570

are mirroring it's like a super computer

169

00:08:40,150 --> 00:08:38,210

reading our thoughts and like okay

170

00:08:43,900 --> 00:08:40,160

what's your biggest fear a nightmare

171

00:08:45,160 --> 00:08:43,910

okay here it is right in your face I'm

172

00:08:47,590 --> 00:08:45,170

telling you you don't believe that's

173

00:08:48,790 --> 00:08:47,600

true because it is funny because with

174

00:08:51,420 --> 00:08:48,800

all the other stuff that had already

175

00:08:54,190 --> 00:08:51,430

been happening earlier in the week I

176
00:08:55,750 --> 00:08:54,200
remember consciously thinking you know I

177
00:08:57,100 --> 00:08:55,760
mean it was it was an unconscious

178
00:09:01,120 --> 00:08:57,110
thought that came into my consciousness

179
00:09:03,220 --> 00:09:01,130
and I remember thinking oh gosh what if

180
00:09:05,590 --> 00:09:03,230
something went wrong with my car in the

181
00:09:08,890 --> 00:09:05,600
middle midst of all this when I really

182
00:09:10,300 --> 00:09:08,900
need it and i need to you know be able

183
00:09:13,090 --> 00:09:10,310
to take care of these other things that

184
00:09:15,130 --> 00:09:13,100
are flying around and I'll be darned if

185
00:09:17,820 --> 00:09:15,140
that very thing didn't happen that

186
00:09:19,780 --> 00:09:17,830
wasn't anything like super super serious

187
00:09:21,850 --> 00:09:19,790
but it could have been a lot worse

188
00:09:24,280 --> 00:09:21,860

especially if I didn't have a really

189

00:09:26,200 --> 00:09:24,290

good friend and family member that's a

190

00:09:28,360 --> 00:09:26,210

mechanic it could have been a heck of a

191

00:09:30,310 --> 00:09:28,370

lot worse but it was just the idea that

192

00:09:32,890 --> 00:09:30,320

I did actually have that thought before

193

00:09:34,990 --> 00:09:32,900

it happened now did I have a premonition

194

00:09:38,650 --> 00:09:35,000

or did I make it happen that's the

195

00:09:41,200 --> 00:09:38,660

question well you know I don't know but

196

00:09:43,900 --> 00:09:41,210

somebody in in my preparation for the

197

00:09:45,880 --> 00:09:43,910

show and my my deep curiosity out of

198

00:09:48,490 --> 00:09:45,890

what I've been experiencing as well and

199

00:09:50,140 --> 00:09:48,500

people that I've been talking to and I

200

00:09:51,970 --> 00:09:50,150

mean I had three groups this week three

201
00:09:54,550 --> 00:09:51,980
Magdalene circles and there were all

202
00:09:56,350 --> 00:09:54,560
kinds of experiences going on with

203
00:09:58,390 --> 00:09:56,360
people so I really you know been

204
00:09:59,730 --> 00:09:58,400
searching for okay what is really going

205
00:10:01,440 --> 00:09:59,740
on someone

206
00:10:03,120 --> 00:10:01,450
had sent me some information today

207
00:10:06,030 --> 00:10:03,130
talking about all this solar activity

208
00:10:07,620 --> 00:10:06,040
and and I haven't fact checked this

209
00:10:09,900 --> 00:10:07,630
scientifically but they were claiming

210
00:10:13,950 --> 00:10:09,910
that the Earth's magnetic field was

211
00:10:16,590 --> 00:10:13,960
extremely low and I remember watching a

212
00:10:19,410 --> 00:10:16,600
gregg Braden presentation a few years

213
00:10:22,050 --> 00:10:19,420

ago and I remember him if I have it

214

00:10:24,270 --> 00:10:22,060

correctly in my brain him saying that

215

00:10:27,150 --> 00:10:24,280

when the Earth's magnetic field got

216

00:10:29,250 --> 00:10:27,160

really low we were going to manifest our

217

00:10:32,190 --> 00:10:29,260

thoughts fairly instantly because there

218

00:10:35,250 --> 00:10:32,200

was no resistance or lag time if you

219

00:10:37,470 --> 00:10:35,260

will and today I was thinking about that

220

00:10:39,570 --> 00:10:37,480

because funny you should talk about the

221

00:10:41,460 --> 00:10:39,580

clock out of your car because a few

222

00:10:44,250 --> 00:10:41,470

weeks ago when we were still on the tail

223

00:10:47,160 --> 00:10:44,260

end of some very extreme winter weather

224

00:10:50,310 --> 00:10:47,170

here I have an older car and it runs

225

00:10:53,370 --> 00:10:50,320

really well but I was really in my mind

226

00:10:55,980 --> 00:10:53,380

I was really worried that something was

227

00:10:59,130 --> 00:10:55,990

going to happen while I was driving a

228

00:11:01,530 --> 00:10:59,140

fair distance because it's an older car

229

00:11:03,930 --> 00:11:01,540

and it was like it was just so cold and

230

00:11:06,900 --> 00:11:03,940

lo and behold I got off the highway and

231

00:11:08,880 --> 00:11:06,910

a belt snapped just as I was exiting the

232

00:11:12,300 --> 00:11:08,890

highway and my car went into lockdown

233

00:11:15,000 --> 00:11:12,310

mode and it was really a miracle I got

234

00:11:17,100 --> 00:11:15,010

to my to a parking lot and somebody help

235

00:11:19,380 --> 00:11:17,110

me and the car got fixed it wasn't

236

00:11:22,230 --> 00:11:19,390

anything major but it was like my worst

237

00:11:24,720 --> 00:11:22,240

fear like happening right in front of my

238

00:11:27,540 --> 00:11:24,730

eyes and again thankfully as for you and

239

00:11:30,270 --> 00:11:27,550

my friend at least we're realizing some

240

00:11:32,700 --> 00:11:30,280

positive outcomes but it's just really

241

00:11:35,010 --> 00:11:32,710

strange going it wasn't believe me I

242

00:11:37,740 --> 00:11:35,020

thought about that when when my car

243

00:11:39,180 --> 00:11:37,750

broke down I thought about your car just

244

00:11:42,090 --> 00:11:39,190

having done the same thing I thought

245

00:11:43,980 --> 00:11:42,100

that's odd because we do generally our

246

00:11:46,680 --> 00:11:43,990

cars are generally in good working order

247

00:11:49,440 --> 00:11:46,690

but it was just funny that they're

248

00:11:54,660 --> 00:11:49,450

together they broke down at the same

249

00:11:58,860 --> 00:11:54,670

time but how does this if if any way or

250

00:12:03,030 --> 00:11:58,870

if you know how does this a total solar

251
00:12:06,000 --> 00:12:03,040
eclipse number one how does what kind of

252
00:12:09,080 --> 00:12:06,010
effect is that having or will have have

253
00:12:12,150 --> 00:12:09,090
at its at its peak and how does that

254
00:12:13,350 --> 00:12:12,160
sort of dovetail with the super moon and

255
00:12:15,750 --> 00:12:13,360
the equinoxes

256
00:12:18,810 --> 00:12:15,760
do all those things sort of figure in

257
00:12:20,460 --> 00:12:18,820
together to cause certain type of effect

258
00:12:22,740 --> 00:12:20,470
or is it just that all they just so

259
00:12:25,199 --> 00:12:22,750
happen to be on the same day but does

260
00:12:29,970 --> 00:12:25,209
the convergence of those three things

261
00:12:31,920 --> 00:12:29,980
have any meeting well I think it does is

262
00:12:34,470 --> 00:12:31,930
the first part of your question about

263
00:12:38,220 --> 00:12:34,480

solar eclipses you know some people

264

00:12:42,840 --> 00:12:38,230

believe that you know eclipses they turn

265

00:12:44,790 --> 00:12:42,850

things up they create evil and chaos not

266

00:12:47,100 --> 00:12:44,800

as big as the urine a square pluto I

267

00:12:51,210 --> 00:12:47,110

mean that's the kind of stuff we saw in

268

00:12:53,160 --> 00:12:51,220

the 60s and actually the the seven waves

269

00:12:56,490 --> 00:12:53,170

of it we've had from twenty twelve to

270

00:12:59,699 --> 00:12:56,500

twenty fifteen or more intense than the

271

00:13:01,410 --> 00:12:59,709

60s and if you look around you can see a

272

00:13:05,430 --> 00:13:01,420

lot of things happening in our world

273

00:13:07,980 --> 00:13:05,440

that reflect that you know the the the

274

00:13:10,319 --> 00:13:07,990

issues with racism in America that

275

00:13:12,090 --> 00:13:10,329

seemed to be you know coming to the

276

00:13:14,579 --> 00:13:12,100

forefront different things that were

277

00:13:17,220 --> 00:13:14,589

happening in the 60s that are coming

278

00:13:20,340 --> 00:13:17,230

back around to be really you know that

279

00:13:23,400 --> 00:13:20,350

that deep root cut out of society the

280

00:13:27,509 --> 00:13:23,410

idea of hatred and racism just as one

281

00:13:31,470 --> 00:13:27,519

example on solar eclipses they offer an

282

00:13:34,860 --> 00:13:31,480

opportunity to redefine our concepts of

283

00:13:38,100 --> 00:13:34,870

who we think we are and the roles we

284

00:13:40,410 --> 00:13:38,110

play in the world solar eclipses lunar

285

00:13:42,389 --> 00:13:40,420

eclipses are more emotional but solar

286

00:13:47,310 --> 00:13:42,399

eclipses you know it's more that

287

00:13:49,880 --> 00:13:47,320

masculine kind of logos effect and it's

288

00:13:52,880 --> 00:13:49,890

really about us trying to figure out

289

00:13:55,620 --> 00:13:52,890

what we're doing in the world you know

290

00:13:59,220 --> 00:13:55,630

what do we what are we doing every day

291

00:14:01,850 --> 00:13:59,230

with our lives that's an aspect of them

292

00:14:04,829 --> 00:14:01,860

and it gives us a chance to kind of

293

00:14:07,350 --> 00:14:04,839

correct make a course correction if you

294

00:14:10,860 --> 00:14:07,360

will the idea that there's a convergence

295

00:14:13,170 --> 00:14:10,870

of events to me is no accident because I

296

00:14:15,780 --> 00:14:13,180

see things is highly orchestrated by the

297

00:14:18,120 --> 00:14:15,790

heavens when it comes to these

298

00:14:20,340 --> 00:14:18,130

alignments because I always believe that

299

00:14:22,290 --> 00:14:20,350

the heavens are you know as above so

300

00:14:25,670 --> 00:14:22,300

below the hermetic principle that

301
00:14:29,300 --> 00:14:25,680
they're reflecting to us the change that

302
00:14:30,829 --> 00:14:29,310
we need to see at this time and let me

303
00:14:33,590 --> 00:14:30,839
know let me just put like a real world

304
00:14:35,950 --> 00:14:33,600
spin on that to make it even clearer be

305
00:14:39,710 --> 00:14:35,960
I was relaxing a little bit before

306
00:14:42,079 --> 00:14:39,720
before us doing this interview and I was

307
00:14:45,590 --> 00:14:42,089
watching Morgan Spurlock on CNN he had a

308
00:14:47,810 --> 00:14:45,600
ranger show he was up within some one of

309
00:14:50,840 --> 00:14:47,820
the park system the national parks in

310
00:14:53,930 --> 00:14:50,850
America up in Alaska and it was amazing

311
00:14:55,940 --> 00:14:53,940
as he as he morphed through his week

312
00:14:58,639 --> 00:14:55,950
there and the different experiences he

313
00:15:02,990 --> 00:14:58,649

had in the terrain how much of this

314

00:15:07,220 --> 00:15:03,000

experience was related to climate change

315

00:15:09,769 --> 00:15:07,230

and how that was affecting even their

316

00:15:12,320 --> 00:15:09,779

moving across the terrain because

317

00:15:16,579 --> 00:15:12,330

everything was melting and everything

318

00:15:18,710 --> 00:15:16,589

was softening and it was almost shocking

319

00:15:20,300 --> 00:15:18,720

because it really couldn't be denied

320

00:15:21,710 --> 00:15:20,310

because when you looked at the terrain

321

00:15:25,280 --> 00:15:21,720

and the things that were happening in

322

00:15:28,160 --> 00:15:25,290

the pictures it's like oh my god you

323

00:15:32,480 --> 00:15:28,170

know so in it so i used climate change

324

00:15:35,420 --> 00:15:32,490

as an issue because if we warm up too

325

00:15:37,130 --> 00:15:35,430

much we're in deep trouble and all the

326

00:15:40,550 --> 00:15:37,140

science is saying we're getting there

327

00:15:42,800 --> 00:15:40,560

but we're not paying attention enough to

328

00:15:45,140 --> 00:15:42,810

reverse it at this point you know what i

329

00:15:47,329 --> 00:15:45,150

mean so it's like the heavens are really

330

00:15:49,610 --> 00:15:47,339

turning things up and saying can you

331

00:15:52,130 --> 00:15:49,620

people do something there on earth get

332

00:15:54,350 --> 00:15:52,140

your act together make the change you

333

00:15:56,840 --> 00:15:54,360

need to make or we're gonna we're going

334

00:15:59,960 --> 00:15:56,850

to see that it's made for you that's how

335

00:16:03,440 --> 00:15:59,970

I interpret it mmm you know the

336

00:16:06,040 --> 00:16:03,450

interesting thing to me about this all

337

00:16:08,630 --> 00:16:06,050

sort of dis convergence on the on the

338

00:16:14,240 --> 00:16:08,640

equinoxes I mean the equinox by its very

339

00:16:17,860 --> 00:16:14,250

definition is the time one day and night

340

00:16:21,860 --> 00:16:17,870

are exactly the same it they're equal

341

00:16:24,319 --> 00:16:21,870

you know that the night I am is as long

342

00:16:28,130 --> 00:16:24,329

as the day and vice versa so there you

343

00:16:31,790 --> 00:16:28,140

have that perfect mirror again the dark

344

00:16:35,210 --> 00:16:31,800

and the light the shadow a delight and

345

00:16:36,740 --> 00:16:35,220

the bright I mean it just it didn't

346

00:16:39,319 --> 00:16:36,750

didn't really hit me like that until

347

00:16:41,720 --> 00:16:39,329

today when I just looked up

348

00:16:43,999 --> 00:16:41,730

a simple explanation for the vernal

349

00:16:46,850 --> 00:16:44,009

equinox and you know just boil down to

350

00:16:51,280 --> 00:16:46,860

its most simplistic explanation is that

351

00:16:54,019 --> 00:16:51,290

it's it's the equal of day and night and

352

00:16:57,079 --> 00:16:54,029

I thought that's really interesting and

353

00:17:02,559 --> 00:16:57,089

it seems to me like that would be almost

354

00:17:06,409 --> 00:17:02,569

the perfect energy for creativity is

355

00:17:09,679 --> 00:17:06,419

that it does that make more yeah i know

356

00:17:12,559 --> 00:17:09,689

i think that i think that's true i l

357

00:17:15,230 --> 00:17:12,569

agree with that and I think that in this

358

00:17:17,840 --> 00:17:15,240

instance with a super moon with a new

359

00:17:20,179 --> 00:17:17,850

moon with a total solar eclipse with a

360

00:17:23,059 --> 00:17:20,189

Uranus square pluto and with a bunch of

361

00:17:25,129 --> 00:17:23,069

sun activity you know solar flares so

362

00:17:28,580 --> 00:17:25,139

you know three or four times already l

363

00:17:31,370 --> 00:17:28,590

think March eleventh March st. Patrick's

364

00:17:34,909 --> 00:17:31,380

Day March seventeenth I think I think

365

00:17:39,350 --> 00:17:34,919

even the 18th a lot of action and strong

366

00:17:43,730 --> 00:17:39,360

big action it's just it's like this

367

00:17:46,879 --> 00:17:43,740

perfect of alchemy almost of of these

368

00:17:50,060 --> 00:17:46,889

dark and light forces and to me when

369

00:17:52,970 --> 00:17:50,070

that all gets really blended up that is

370

00:17:55,580 --> 00:17:52,980

super creation but it's like creation

371

00:17:57,950 --> 00:17:55,590

from source it's like creation from the

372

00:18:01,399 --> 00:17:57,960

cosmos at this point I mean it doesn't

373

00:18:05,990 --> 00:18:01,409

get any bigger than that wow that's

374

00:18:08,090 --> 00:18:06,000

that's true it on a huge scale it's sort

375

00:18:11,299 --> 00:18:08,100

of but on a you know sort of a micro

376

00:18:15,409 --> 00:18:11,309

scale I guess we work as our own little

377

00:18:18,710 --> 00:18:15,419

universe and a you know we mimic it like

378

00:18:21,139 --> 00:18:18,720

you said as above so below so if the

379

00:18:24,169 --> 00:18:21,149

universe is at its most creative then

380

00:18:27,529 --> 00:18:24,179

certainly we must be as well or we have

381

00:18:29,740 --> 00:18:27,539

that opportunity to take that that's a

382

00:18:32,750 --> 00:18:29,750

great point a ballet that's high dollar

383

00:18:35,120 --> 00:18:32,760

yeah Carol in the chat room said balance

384

00:18:36,980 --> 00:18:35,130

and she's exactly right it is the

385

00:18:41,029 --> 00:18:36,990

balance and I mean what more perfect

386

00:18:43,340 --> 00:18:41,039

time it would seem well you know that's

387

00:18:47,210 --> 00:18:43,350

a great point and I really like that but

388

00:18:52,240 --> 00:18:47,220

here's here's the here's the here's the

389

00:18:54,880 --> 00:18:52,250

rub it is call for balance

390

00:18:57,370 --> 00:18:54,890

and certainly in the Magdalene trilogy

391

00:18:59,740 --> 00:18:57,380

and on the channel material and other

392

00:19:02,740 --> 00:18:59,750

material that's out there too we need

393

00:19:05,770 --> 00:19:02,750

the balance but we are so out of balance

394

00:19:08,200 --> 00:19:05,780

that in order to get in balance it

395

00:19:09,970 --> 00:19:08,210

almost has to be extreme at this point

396

00:19:13,420 --> 00:19:09,980

you know what I mean like yeah the

397

00:19:16,810 --> 00:19:13,430

universal forces maybe more in balance

398

00:19:20,110 --> 00:19:16,820

and working that cosmic alchemy but we

399

00:19:21,670 --> 00:19:20,120

as a people as in general not everyone

400

00:19:24,460 --> 00:19:21,680

and you know there's plenty of people

401
00:19:28,230 --> 00:19:24,470
who are doing ok but a lot of people are

402
00:19:30,460 --> 00:19:28,240
so out of balance right now is so out of

403
00:19:33,820 --> 00:19:30,470
connection with the earth forces in the

404
00:19:36,160 --> 00:19:33,830
moon and the Sun and in the huge inter

405
00:19:38,830 --> 00:19:36,170
connection with the human being with

406
00:19:40,930 --> 00:19:38,840
people that they're so imbalanced that

407
00:19:43,360 --> 00:19:40,940
in order to find balance when you're so

408
00:19:45,610 --> 00:19:43,370
imbalanced you have to have an extreme

409
00:19:50,110 --> 00:19:45,620
correction in the other way to balance

410
00:19:54,370 --> 00:19:50,120
it out hmm and that to me is some of the

411
00:19:58,330 --> 00:19:54,380
destruction we're seeing yeah and a lot

412
00:20:02,170 --> 00:19:58,340
of it yeah which I guess failed to

413
00:20:06,310 --> 00:20:02,180

happen in some ways I guess I guess what

414

00:20:10,240 --> 00:20:06,320

have to type it down yeah hmm and you

415

00:20:12,490 --> 00:20:10,250

know I've been reading a bunch of

416

00:20:15,040 --> 00:20:12,500

material I mean all over the place like

417

00:20:17,430 --> 00:20:15,050

another thing you asked about on you

418

00:20:19,990 --> 00:20:17,440

know in the convergence of tomorrow's

419

00:20:22,150 --> 00:20:20,000

total solar eclipse you know then the

420

00:20:24,730 --> 00:20:22,160

vernal equinox all the solar activity

421

00:20:26,560 --> 00:20:24,740

the super moon the moon you know

422

00:20:30,700 --> 00:20:26,570

appearing at least very close to the

423

00:20:32,920 --> 00:20:30,710

earth at that time on I a lot of people

424

00:20:35,980 --> 00:20:32,930

are saying I don't know if it's true it

425

00:20:38,110 --> 00:20:35,990

seems almost impossible to really know

426

00:20:41,200 --> 00:20:38,120

for sure but a lot of people think that

427

00:20:43,900 --> 00:20:41,210

the Piscean age is actually ending

428

00:20:48,820 --> 00:20:43,910

finally and that the Aquarian age is

429

00:20:51,820 --> 00:20:48,830

taking hold more and that in itself is a

430

00:20:54,370 --> 00:20:51,830

struggle of the new and the old right at

431

00:20:55,930 --> 00:20:54,380

the same time and it seems like a whole

432

00:20:57,760 --> 00:20:55,940

world is full of that like while

433

00:21:02,230 --> 00:20:57,770

somebody comes up with this incredibly

434

00:21:04,750 --> 00:21:02,240

progressive interesting technology idea

435

00:21:07,510 --> 00:21:04,760

fix it solution we

436

00:21:10,240 --> 00:21:07,520

still have people holding on to you know

437

00:21:13,000 --> 00:21:10,250

the same old thing fossil fuels and uh

438

00:21:15,520 --> 00:21:13,010

you know pollution and the whole thing

439

00:21:17,830 --> 00:21:15,530

that's driving climate change and GMOs

440

00:21:21,160 --> 00:21:17,840

and all this crazy stuff and it's like

441

00:21:23,290 --> 00:21:21,170

really we're still we're still locked in

442

00:21:26,590 --> 00:21:23,300

this battle you know what I mean it's it

443

00:21:32,680 --> 00:21:26,600

to me it seems so outdated and yet it's

444

00:21:40,270 --> 00:21:32,690

still so alive and well hmm yeah it sure

445

00:21:41,740 --> 00:21:40,280

is I wonder how individually do we you

446

00:21:43,570 --> 00:21:41,750

said you know a lot of people are out of

447

00:21:45,250 --> 00:21:43,580

balance feeling out of balance you know

448

00:21:48,910 --> 00:21:45,260

I certainly can't say that I'm always

449

00:21:50,740 --> 00:21:48,920

feeling totally balanced as I was

450

00:21:52,540 --> 00:21:50,750

talking about earlier the last couple

451
00:21:56,500 --> 00:21:52,550
days the you know energy has just been

452
00:21:58,480 --> 00:21:56,510
like zinging its it you know in it but

453
00:22:00,970 --> 00:21:58,490
it wasn't comfortable it was too much

454
00:22:03,040 --> 00:22:00,980
and too high so I had to kind of like

455
00:22:04,930 --> 00:22:03,050
bring our self down as much as I can but

456
00:22:08,920 --> 00:22:04,940
you know what do you have to say to

457
00:22:11,200 --> 00:22:08,930
people about sort of harnessing those

458
00:22:16,540 --> 00:22:11,210
energies using those energies but not

459
00:22:18,550 --> 00:22:16,550
being overcome by them well I always

460
00:22:21,400 --> 00:22:18,560
tell people and I always try to do this

461
00:22:23,920 --> 00:22:21,410
myself when especially feeling

462
00:22:26,410 --> 00:22:23,930
overwhelmed in these energies one of the

463
00:22:29,260 --> 00:22:26,420

easiest things we could do it's free it

464

00:22:31,780 --> 00:22:29,270

doesn't cost any money is literally just

465

00:22:33,970 --> 00:22:31,790

take a walk you know just take a walk

466

00:22:36,580 --> 00:22:33,980

around the block just take a walk in a

467

00:22:38,920 --> 00:22:36,590

in a local park if you're in a warmer

468

00:22:41,050 --> 00:22:38,930

climate like you are Rene or or others

469

00:22:42,790 --> 00:22:41,060

you know kick your shoes off and

470

00:22:46,660 --> 00:22:42,800

literally just put your feet on the

471

00:22:48,820 --> 00:22:46,670

ground and plug in anything anything as

472

00:22:50,470 --> 00:22:48,830

simple as that you know go go down by

473

00:22:53,530 --> 00:22:50,480

the beach and put your feet in the water

474

00:22:56,250 --> 00:22:53,540

you just simple little things connecting

475

00:22:59,020 --> 00:22:56,260

to nature that actually has a great

476
00:23:00,880 --> 00:22:59,030
physiological effect on balancing people

477
00:23:03,580 --> 00:23:00,890
out I mean I've talked about earthing

478
00:23:05,950 --> 00:23:03,590
before and it's getting getting more and

479
00:23:08,590 --> 00:23:05,960
more recognition there's more there's 15

480
00:23:11,110 --> 00:23:08,600
years of peer-reviewed studies that show

481
00:23:13,960 --> 00:23:11,120
when we plug into the earth we tend to

482
00:23:17,270 --> 00:23:13,970
balance out because we're so removed

483
00:23:20,750 --> 00:23:17,280
from the elements that are so important

484
00:23:22,850 --> 00:23:20,760
I to us we've just lost we're so we're

485
00:23:25,820 --> 00:23:22,860
so deep in artificial intelligence now

486
00:23:28,550 --> 00:23:25,830
and technology that we forget to go

487
00:23:30,980 --> 00:23:28,560
outside and walk and breathe fresh air

488
00:23:35,330 --> 00:23:30,990

and you know put our feet in the dirt or

489

00:23:39,530 --> 00:23:35,340

in there in the water and it also has to

490

00:23:42,350 --> 00:23:39,540

do with with the light also I mean they

491

00:23:45,850 --> 00:23:42,360

say that you know going out in the

492

00:23:49,700 --> 00:23:45,860

sunlight especially early day sunlight

493

00:23:53,350 --> 00:23:49,710

for even 10 minutes a day helps

494

00:23:58,370 --> 00:23:53,360

everything from depression to jet lag to

495

00:24:00,980 --> 00:23:58,380

hangovers so it seems to me like it's a

496

00:24:06,070 --> 00:24:00,990

combination of these things as you said

497

00:24:09,410 --> 00:24:06,080

the earth energy the Sun and even water

498

00:24:11,540 --> 00:24:09,420

yeah it was I mean you know we could all

499

00:24:14,210 --> 00:24:11,550

item in the way what's finding out about

500

00:24:16,040 --> 00:24:14,220

vitamin D and all the sanity know which

501
00:24:17,810 --> 00:24:16,050
comes from the Sun and and all the

502
00:24:19,640 --> 00:24:17,820
things that it can do to help regulate

503
00:24:22,220 --> 00:24:19,650
the body systems I mean it's

504
00:24:24,110 --> 00:24:22,230
unbelievable and it's again this is this

505
00:24:26,180 --> 00:24:24,120
is free you could just go out especially

506
00:24:28,160 --> 00:24:26,190
where you live because you see the Sun a

507
00:24:30,800 --> 00:24:28,170
lot more than I do at least at this time

508
00:24:33,410 --> 00:24:30,810
of year you know you can really connect

509
00:24:35,600 --> 00:24:33,420
to that sunlight in that vitamin D I

510
00:24:38,060 --> 00:24:35,610
mean those are really simple basic

511
00:24:40,610 --> 00:24:38,070
things that don't cost anything that

512
00:24:44,860 --> 00:24:40,620
everybody can basically do and and that

513
00:24:47,870 --> 00:24:44,870

really will help immensely absolutely

514

00:24:51,020 --> 00:24:47,880

you know it's time that we take a quick

515

00:24:53,120 --> 00:24:51,030

break so we're going to do that just a

516

00:24:56,510 --> 00:24:53,130

few minutes and I have a couple words

517

00:24:59,390 --> 00:24:56,520

from the station then would be back with

518

00:25:02,360 --> 00:24:59,400

Gloria with more talk about the Sun

519

00:25:05,300 --> 00:25:02,370

about the equinox about the super moon

520

00:25:15,340 --> 00:25:05,310

and about the mystery we'll be right

521

00:25:15,350 --> 00:25:33,749

it

522

00:25:39,580 --> 00:25:37,149

hello everyone Laurieann fenton here

523

00:25:42,700 --> 00:25:39,590

hosted the California MUFON radio show

524

00:25:45,970 --> 00:25:42,710

asking if you'd like special access to

525

00:25:49,299 --> 00:25:45,980

exclusive and amazing information about

526

00:25:52,539 --> 00:25:49,309

UFOs the paranormal and all things

527

00:25:56,169 --> 00:25:52,549

unexplained if you're nodding yes then

528

00:25:57,970 --> 00:25:56,179

join our ends insider club as an insider

529

00:26:00,940 --> 00:25:57,980

club member you'll get an all-access

530

00:26:03,340 --> 00:26:00,950

pass to premier inception radio network

531

00:26:05,889 --> 00:26:03,350

content for only four dollars and

532

00:26:09,729 --> 00:26:05,899

ninety-nine cents a month this includes

533

00:26:13,060 --> 00:26:09,739

live UFO and paranormal conferences live

534

00:26:15,759 --> 00:26:13,070

streaming UFO sky watches exclusive I

535

00:26:18,700 --> 00:26:15,769

are in radio and TV productions and of

536

00:26:21,430 --> 00:26:18,710

course paying radio with MJ and Ken

537

00:26:24,340 --> 00:26:21,440

Storch so don't wait any longer visit

538

00:26:27,700 --> 00:26:24,350

inception radio network calm and click

539

00:26:32,349 --> 00:26:27,710

on member login to join I rn's insider

540

00:26:34,810 --> 00:26:32,359

club and get your VIP access today are

541

00:26:36,399 --> 00:26:34,820

you a fan of inception radio network do

542

00:26:38,799 --> 00:26:36,409

you reckon it's the best alternative

543

00:26:41,019 --> 00:26:38,809

talk radio station on the planet well if

544

00:26:44,019 --> 00:26:41,029

you do head to facebook.com forward

545

00:26:46,570 --> 00:26:44,029

slash inception radio network like the

546

00:26:50,570 --> 00:26:46,580

page tell your friends spread the word

547

00:26:55,710 --> 00:26:54,180

you are smart fun if so inception radio

548

00:26:59,249 --> 00:26:55,720

network is the best app for you

549

00:27:01,320 --> 00:26:59,259

available on itunes android samsung and

550

00:27:04,080 --> 00:27:01,330

most other app stores just search

551
00:27:06,269 --> 00:27:04,090
inception radio network with the app you

552
00:27:09,299 --> 00:27:06,279
can listen live check out podcast of

553
00:27:10,919 --> 00:27:09,309
recent empire showed you our videos see

554
00:27:13,769 --> 00:27:10,929
what shows are coming up through the

555
00:27:15,960 --> 00:27:13,779
guests are and via the chat room send

556
00:27:17,789 --> 00:27:15,970
live questions to those guests do you

557
00:27:21,239 --> 00:27:17,799
know it makes sense and check your app

558
00:27:28,019 --> 00:27:21,249
store now inception radio network sees

559
00:27:30,509 --> 00:27:28,029
it hey I RN listeners make sure you tune

560
00:27:32,580 --> 00:27:30,519
in to night vision radio with Renee

561
00:27:34,979 --> 00:27:32,590
Barnett Renee will be exposing the truth

562
00:27:38,369 --> 00:27:34,989
one secret at a time when Thursdays

563
00:27:42,869 --> 00:27:38,379

every Thursday 1030pm eastern 730 p.m.

564

00:27:45,479 --> 00:27:42,879

pacific we're right here IRA you're

565

00:28:24,570 --> 00:27:45,489

locked into inception radio network

566

00:28:29,740 --> 00:28:27,310

hey listeners thanks for hanging in

567

00:28:31,480 --> 00:28:29,750

there if you're just joining us you're

568

00:28:34,810 --> 00:28:31,490

listening to night vision radio on your

569

00:28:36,940 --> 00:28:34,820

host Renee Barnett I guess tonight is a

570

00:28:40,060 --> 00:28:36,950

good friend return guest for night

571

00:28:42,370 --> 00:28:40,070

vision radio Gloria Amendola she's an

572

00:28:45,100 --> 00:28:42,380

author and an intuitive we've been

573

00:28:46,270 --> 00:28:45,110

talking about all these crazy celestial

574

00:28:48,670 --> 00:28:46,280

changes that were going through

575

00:28:51,070 --> 00:28:48,680

including the total eclipse of the Sun

576

00:28:54,820 --> 00:28:51,080

tomorrow the super moon tomorrow and the

577

00:28:56,590 --> 00:28:54,830

vernal equinox tomorrow but I I wanted

578

00:29:00,550 --> 00:28:56,600

to before getting further into the show

579

00:29:02,590 --> 00:29:00,560

I did want to to mark and take notice

580

00:29:06,550 --> 00:29:02,600

that I did get some information

581

00:29:09,550 --> 00:29:06,560

yesterday a sad announcement that a long

582

00:29:13,090 --> 00:29:09,560

time UFO researcher and a really really

583

00:29:17,380 --> 00:29:13,100

nice man Ron garner passed away a couple

584

00:29:20,020 --> 00:29:17,390

days ago he was just a great guy and he

585

00:29:21,750 --> 00:29:20,030

had he had put his heart and soul and

586

00:29:24,610 --> 00:29:21,760

every dollar he could scrape together

587

00:29:27,670 --> 00:29:24,620

into his research he truly believed in

588

00:29:29,890 --> 00:29:27,680

it I can't say that I always agreed that

589

00:29:32,320 --> 00:29:29,900

he and I always agreed on everything but

590

00:29:35,080 --> 00:29:32,330

I tell you one thing I can't agree on is

591

00:29:38,080 --> 00:29:35,090

that he was a very very dedicated person

592

00:29:39,640 --> 00:29:38,090

always kind you could always count on

593

00:29:43,000 --> 00:29:39,650

him it with you know he's going to be

594

00:29:45,220 --> 00:29:43,010

missed so our condolences go out to ron

595

00:29:47,800 --> 00:29:45,230

garner and his family and his many many

596

00:29:50,830 --> 00:29:47,810

many friends and colleagues in ufology

597

00:29:53,320 --> 00:29:50,840

so he's going to be missed we're losing

598

00:29:55,750 --> 00:29:53,330

a lot of people goodness gracious but

599

00:29:57,910 --> 00:29:55,760

anyhow also I wanted to mention before

600

00:30:01,120 --> 00:29:57,920

we get to further too much further into

601
00:30:04,300 --> 00:30:01,130
the conversation that have a look at

602
00:30:09,790 --> 00:30:04,310
Gloria's website Gloria Amendola calm

603
00:30:12,700 --> 00:30:09,800
that's Gloria AME and do la calm and you

604
00:30:16,330 --> 00:30:12,710
will see their glorious books she's

605
00:30:18,700 --> 00:30:16,340
written a series of novels that are you

606
00:30:22,540 --> 00:30:18,710
know based on real history based on her

607
00:30:24,550 --> 00:30:22,550
real life and then she's also written a

608
00:30:28,240 --> 00:30:24,560
series of books which are channeled

609
00:30:29,710 --> 00:30:28,250
works where she primarily is channeling

610
00:30:32,860 --> 00:30:29,720
the voice well she is channeling the

611
00:30:35,680 --> 00:30:32,870
voice of Mary Magdalene and many people

612
00:30:37,600 --> 00:30:35,690
have found those very very

613
00:30:39,700 --> 00:30:37,610

interesting and not only interesting but

614

00:30:45,279 --> 00:30:39,710

very very helpful and very informative

615

00:30:47,740 --> 00:30:45,289

so Gloria I guess they can get your all

616

00:30:50,259 --> 00:30:47,750

so you could go to grape distractions

617

00:30:52,659 --> 00:30:50,269

calm which is glorious publisher our

618

00:30:54,549 --> 00:30:52,669

good friends Brian and Laura canard run

619

00:30:56,889 --> 00:30:54,559

that outfit and they're really really

620

00:30:58,629 --> 00:30:56,899

good people so you can go to Brian site

621

00:31:00,700 --> 00:30:58,639

go to Gloria side or I guess you can

622

00:31:05,320 --> 00:31:00,710

probably order through amazon.com is

623

00:31:08,740 --> 00:31:05,330

that right Gloria yeah okay so you could

624

00:31:11,200 --> 00:31:08,750

just google earn your finger anyhow and

625

00:31:14,019 --> 00:31:11,210

I would recommend those books really

626

00:31:16,090 --> 00:31:14,029

really interesting stuff especially the

627

00:31:18,159 --> 00:31:16,100

fictional books if you're interested in

628

00:31:20,680 --> 00:31:18,169

the rental Chateau mystery particularly

629

00:31:24,659 --> 00:31:20,690

and then of course there are many many

630

00:31:27,700 --> 00:31:24,669

people currently and for the last

631

00:31:29,320 --> 00:31:27,710

several years that are really really

632

00:31:32,680 --> 00:31:29,330

starting to turn around and pay

633

00:31:36,100 --> 00:31:32,690

attention to what Mary Magdalene had to

634

00:31:38,919 --> 00:31:36,110

say and what her part was all those

635

00:31:42,669 --> 00:31:38,929

years ago she was kind of not given her

636

00:31:45,639 --> 00:31:42,679

her due until now so she's really coming

637

00:31:47,649 --> 00:31:45,649

into her own as we all do I hope but any

638

00:31:50,289 --> 00:31:47,659

out back to the subject at hand and back

639

00:31:52,450 --> 00:31:50,299

to my gas gloria Amendola we were

640

00:31:55,509 --> 00:31:52,460

talking about you know during these

641

00:31:59,379 --> 00:31:55,519

crazy times how one thing you can do to

642

00:32:02,110 --> 00:31:59,389

kind of help ride this thing out and to

643

00:32:05,019 --> 00:32:02,120

help sort of work out how to best

644

00:32:08,499 --> 00:32:05,029

utilize these energies is to just simply

645

00:32:10,299 --> 00:32:08,509

go outside and as Gloria always says you

646

00:32:12,519 --> 00:32:10,309

know get your shoes off if you can if

647

00:32:14,580 --> 00:32:12,529

it's not too cold get your bare feet on

648

00:32:19,840 --> 00:32:14,590

the ground even lie on the ground

649

00:32:22,060 --> 00:32:19,850

connect with the earth and also if you

650

00:32:24,460 --> 00:32:22,070

have a water source water is wonderful

651
00:32:26,769 --> 00:32:24,470
and then we also talked about light and

652
00:32:29,169 --> 00:32:26,779
how light is good for you i mean

653
00:32:32,139 --> 00:32:29,179
scientifically we just know that vitamin

654
00:32:34,269 --> 00:32:32,149
d is really good for you it cures a lot

655
00:32:38,789 --> 00:32:34,279
of things that alien including hangovers

656
00:32:41,289 --> 00:32:38,799
jet lag and even helps depression so

657
00:32:44,619 --> 00:32:41,299
there's a lot about light as well right

658
00:32:46,930 --> 00:32:44,629
Gloria yeah and you know it's

659
00:32:48,490 --> 00:32:46,940
interesting that you bring that up Rene

660
00:32:51,040 --> 00:32:48,500
because in the in the

661
00:32:54,940 --> 00:32:51,050
looks at Everton in the two novels their

662
00:32:59,650 --> 00:32:54,950
modern-day Grail quests with the tower

663
00:33:02,350 --> 00:32:59,660

being the major archetypal symbol if you

664

00:33:06,040 --> 00:33:02,360

will but in the second novel it's called

665

00:33:10,240 --> 00:33:06,050

the tower and the land awakening to the

666

00:33:12,670 --> 00:33:10,250

light and the light I talked about in

667

00:33:17,590 --> 00:33:12,680

and I try to bring forth in that novel

668

00:33:20,140 --> 00:33:17,600

is about this really unusual light that

669

00:33:23,680 --> 00:33:20,150

I perceive when I'm in France and

670

00:33:26,620 --> 00:33:23,690

especially in the languid doc and super

671

00:33:28,900 --> 00:33:26,630

especially in the Renly Chateau area

672

00:33:32,530 --> 00:33:28,910

when the chateau in the been a let LED

673

00:33:35,560 --> 00:33:32,540

ban you know that whole general area the

674

00:33:38,680 --> 00:33:35,570

light it's a it's it's a most incredible

675

00:33:42,790 --> 00:33:38,690

light and I want to segue that into the

676

00:33:45,760 --> 00:33:42,800

third volume of Mary Magdalene

677

00:33:49,240 --> 00:33:45,770

revelations from a first century avatar

678

00:33:51,130 --> 00:33:49,250

I asked for a passage for the show

679

00:33:54,240 --> 00:33:51,140

tonight and it's amazing how it all

680

00:33:56,320 --> 00:33:54,250

connects so I in this one and I I

681

00:33:58,870 --> 00:33:56,330

apologize for not getting you a copy

682

00:34:01,090 --> 00:33:58,880

Renee every time i went it was ready to

683

00:34:03,550 --> 00:34:01,100

go to the post office to send you a copy

684

00:34:05,410 --> 00:34:03,560

we'd have a major snowstorm and i just

685

00:34:07,360 --> 00:34:05,420

gave up to be honest and i have to get

686

00:34:09,280 --> 00:34:07,370

it out to you but it was that's how

687

00:34:13,330 --> 00:34:09,290

clear the air weather's been so there's

688

00:34:15,780 --> 00:34:13,340

a there's a chapter in here where

689

00:34:20,770 --> 00:34:15,790

Magdalene is revealing herself through

690

00:34:24,760 --> 00:34:20,780

the hologram as she was healing people

691

00:34:27,610 --> 00:34:24,770

and them in the river in rem levin and i

692

00:34:29,980 --> 00:34:27,620

was at dr currents garden right we just

693

00:34:31,510 --> 00:34:29,990

write down from Miss on Christina so

694

00:34:33,970 --> 00:34:31,520

there's this one part where Magdalene

695

00:34:38,020 --> 00:34:33,980

comes back in after I see her by the

696

00:34:41,409 --> 00:34:38,030

river and I described this and a bay

697

00:34:46,270 --> 00:34:41,419

Henry boo day comes in and he talks

698

00:34:48,909 --> 00:34:46,280

about her persona on he says Mary was

699

00:34:52,060 --> 00:34:48,919

seen by the river and was regarded as a

700

00:34:54,520 --> 00:34:52,070

holy woman Mary stood in the shadows in

701
00:34:57,280 --> 00:34:54,530
just uh many stood in the shadows and

702
00:34:59,890 --> 00:34:57,290
just listen to her it was her voice that

703
00:35:02,070 --> 00:34:59,900
made her most powerful she was able to

704
00:35:04,980 --> 00:35:02,080
call down the light

705
00:35:08,430 --> 00:35:04,990
from the stars and bring that light into

706
00:35:11,310 --> 00:35:08,440
the body of her congregation that was

707
00:35:15,090 --> 00:35:11,320
communion and the real baptism of spirit

708
00:35:18,930 --> 00:35:15,100
that was her fire and that was a bee boo

709
00:35:21,900 --> 00:35:18,940
day coming through me by the river and

710
00:35:23,640 --> 00:35:21,910
Renly been last September talking about

711
00:35:26,730 --> 00:35:23,650
Magdalene and this whole thing about the

712
00:35:30,240 --> 00:35:26,740
light so then Mary Magdalene speaks up

713
00:35:33,270 --> 00:35:30,250

and says I come to you as your sister in

714

00:35:36,810 --> 00:35:33,280

spirit I come to you so you remember the

715

00:35:39,870 --> 00:35:36,820

abilities you once had within you I come

716

00:35:43,290 --> 00:35:39,880

to tell you that they will now be reborn

717

00:35:45,930 --> 00:35:43,300

in you again I am excited you have

718

00:35:49,500 --> 00:35:45,940

returned to this land know that I will

719

00:35:52,530 --> 00:35:49,510

provide more soon enough and one more

720

00:35:55,940 --> 00:35:52,540

thing I wish to say there is a grand

721

00:36:00,450 --> 00:35:55,950

influx of light to come upon your planet

722

00:36:06,600 --> 00:36:00,460

this event will help many more hear the

723

00:36:09,420 --> 00:36:06,610

call hmm the reason I bring that up is

724

00:36:12,450 --> 00:36:09,430

because it were talking about light but

725

00:36:15,720 --> 00:36:12,460

that passage was picked before we even

726

00:36:17,430 --> 00:36:15,730

started the show to me that just you

727

00:36:20,190 --> 00:36:17,440

know that that synchronicity always I

728

00:36:22,890 --> 00:36:20,200

just love it it always blows my mind the

729

00:36:25,230 --> 00:36:22,900

idea of the light in the Rhenish a total

730

00:36:27,660 --> 00:36:25,240

mystery and then what's in the land

731

00:36:29,850 --> 00:36:27,670

there and her talking about i had

732

00:36:33,390 --> 00:36:29,860

forgotten she says there's a grand

733

00:36:35,400 --> 00:36:33,400

influx of light to come and i and i

734

00:36:37,260 --> 00:36:35,410

believe that is right now what we're

735

00:36:40,050 --> 00:36:37,270

experiencing with all the solar activity

736

00:36:42,330 --> 00:36:40,060

and this convergence of events

737

00:36:45,180 --> 00:36:42,340

especially this week i believe this is

738

00:36:48,630 --> 00:36:45,190

the light that she's talking about that

739

00:36:50,550 --> 00:36:48,640

when were through with being exposed to

740

00:36:53,430 --> 00:36:50,560

all these different codes of the Sun

741

00:36:56,580 --> 00:36:53,440

that the ancients believed it put forth

742

00:37:00,420 --> 00:36:56,590

that many more will hear the call

743

00:37:03,420 --> 00:37:00,430

because we must and I think it's really

744

00:37:05,940 --> 00:37:03,430

what we're going through to wake up to

745

00:37:07,440 --> 00:37:05,950

our potential she's saying you know that

746

00:37:09,060 --> 00:37:07,450

you're going to remember the gifts

747

00:37:12,960 --> 00:37:09,070

within you and I think we're going

748

00:37:15,730 --> 00:37:12,970

through that process right now and the

749

00:37:19,060 --> 00:37:15,740

light this influx of late is helping us

750

00:37:22,150 --> 00:37:19,070

member you know and according to how far

751

00:37:24,250 --> 00:37:22,160

out of balance we are it will be either

752

00:37:26,410 --> 00:37:24,260

a smaller remembering at this point for

753

00:37:28,300 --> 00:37:26,420

people are a much bigger one depending

754

00:37:30,490 --> 00:37:28,310

on where they're at and again people

755

00:37:34,180 --> 00:37:30,500

don't even have to agree with this but

756

00:37:36,609 --> 00:37:34,190

if you choose to it's like it's knocking

757

00:37:40,060 --> 00:37:36,619

us around and saying hey wake up people

758

00:37:42,040 --> 00:37:40,070

you're just so much more powerful and in

759

00:37:43,870 --> 00:37:42,050

science is even showing us the light

760

00:37:45,910 --> 00:37:43,880

within and within us the light in

761

00:37:49,120 --> 00:37:45,920

ourselves the light within the human

762

00:37:53,380 --> 00:37:49,130

body and here we are so it's just crazy

763

00:37:57,340 --> 00:37:53,390

how it all connects well it really is

764

00:38:00,400 --> 00:37:57,350

now if I could just take a little a

765

00:38:03,850 --> 00:38:00,410

little bit of a non sequitur here the

766

00:38:07,390 --> 00:38:03,860

chat rooms pretty lively tonight and der

767

00:38:10,660 --> 00:38:07,400

hüfte is asking well the question was

768

00:38:13,660 --> 00:38:10,670

can you ask about wildlife powers in

769

00:38:17,320 --> 00:38:13,670

which species you Gloria ascribed

770

00:38:19,180 --> 00:38:17,330

certain virtues to and I said what do

771

00:38:20,920 --> 00:38:19,190

you mean like certain animals and he

772

00:38:23,260 --> 00:38:20,930

said y el Al's gear and I said how

773

00:38:29,590 --> 00:38:23,270

wolves foxes that said all right he said

774

00:38:31,690 --> 00:38:29,600

yes is a are you yeah I know I you know

775

00:38:33,790 --> 00:38:31,700

what I thought of immediately when he

776

00:38:36,370 --> 00:38:33,800

asked that question of course is that

777

00:38:39,970 --> 00:38:36,380

night that you and I were going up the

778

00:38:43,390 --> 00:38:39,980

hill to Renly chateau it was late at

779

00:38:47,410 --> 00:38:43,400

night and we saw the two little foxes

780

00:38:50,710 --> 00:38:47,420

and it just seemed very very strange

781

00:38:53,830 --> 00:38:50,720

which he'd never seen it before or since

782

00:38:56,590 --> 00:38:53,840

of course I sort of connected it to the

783

00:39:01,870 --> 00:38:56,600

legendary s clermont de Foix who was

784

00:39:03,790 --> 00:39:01,880

also known as the Fox of flaw and but I

785

00:39:06,099 --> 00:39:03,800

don't know I certainly know there are a

786

00:39:08,859 --> 00:39:06,109

lot of meanings behind foxes and wolves

787

00:39:11,770 --> 00:39:08,869

it's certainly in Native American legend

788

00:39:15,880 --> 00:39:11,780

and lore and beliefs what do you say

789

00:39:19,150 --> 00:39:15,890

about that well about that particular

790

00:39:20,740 --> 00:39:19,160

incident rename that specific one when

791

00:39:23,230 --> 00:39:20,750

you and I were going up the hill to rend

792

00:39:25,000 --> 00:39:23,240

the Chateau at night I have been up and

793

00:39:28,010 --> 00:39:25,010

down that hill I can't even count how

794

00:39:32,030 --> 00:39:28,020

many times day night I mean I

795

00:39:34,820 --> 00:39:32,040

never ever seen foxes and there were two

796

00:39:36,770 --> 00:39:34,830

of them and I thought I read because I

797

00:39:41,360 --> 00:39:36,780

remember we were like oh my god we know

798

00:39:44,300 --> 00:39:41,370

that means something i thought i read in

799

00:39:48,430 --> 00:39:44,310

Margaret star birds book that it was a

800

00:39:53,300 --> 00:39:48,440

symbol it was a mere of Indian symbol oh

801
00:39:56,150 --> 00:39:53,310
really yeah because I I thought you know

802
00:39:57,470 --> 00:39:56,160
that is just too specific there they

803
00:39:58,850 --> 00:39:57,480
were the two of them it was like

804
00:40:00,800 --> 00:39:58,860
mirroring we're talking about this

805
00:40:02,900 --> 00:40:00,810
mirroring it was mirroring the two of us

806
00:40:05,360 --> 00:40:02,910
and you know some of what we were

807
00:40:07,790 --> 00:40:05,370
dealing with up there and and the dark

808
00:40:09,800 --> 00:40:07,800
and light forces and you know I don't

809
00:40:13,010 --> 00:40:09,810
want to go into the details and it was

810
00:40:17,990 --> 00:40:13,020
almost like our little symbol of this

811
00:40:21,050 --> 00:40:18,000
like bloodline energy that was just

812
00:40:24,740 --> 00:40:21,060
peeking its head out at us and saying

813
00:40:27,110 --> 00:40:24,750

we're here and were your guardians and

814

00:40:28,610 --> 00:40:27,120

and that's kind of how I felt and I

815

00:40:30,560 --> 00:40:28,620

thought that's what Margaret said but I

816

00:40:33,080 --> 00:40:30,570

i apologize i just don't have that book

817

00:40:35,300 --> 00:40:33,090

in front of me on you know that was very

818

00:40:38,740 --> 00:40:35,310

specific to ren and the whole bloodline

819

00:40:41,780 --> 00:40:38,750

mystery to me that particular incident

820

00:40:43,520 --> 00:40:41,790

yeah i i'm not sure i answered the

821

00:40:44,960 --> 00:40:43,530

question in the chat room itself but I

822

00:40:47,120 --> 00:40:44,970

didn't really understand what the

823

00:40:50,300 --> 00:40:47,130

question was well I think it was you

824

00:40:53,750 --> 00:40:50,310

know how certain qualities you know

825

00:40:58,010 --> 00:40:53,760

spiritual qualities and others are sort

826

00:41:01,250 --> 00:40:58,020

of linked with certain animals and oh

827

00:41:05,360 --> 00:41:01,260

yeah I mean for me today I got up early

828

00:41:07,040 --> 00:41:05,370

and I have a tree off you know offside

829

00:41:09,590 --> 00:41:07,050

by dec a young tree but a tree

830

00:41:11,960 --> 00:41:09,600

nonetheless and of course it's bear

831

00:41:14,780 --> 00:41:11,970

because we haven't yet bloomed in in

832

00:41:17,000 --> 00:41:14,790

spring and all of a sudden I could hear

833

00:41:19,760 --> 00:41:17,010

the Ravens they have just a certain

834

00:41:21,700 --> 00:41:19,770

sound and I look and I kind of open the

835

00:41:24,770 --> 00:41:21,710

door and I looked out and three of them

836

00:41:28,070 --> 00:41:24,780

came into the just parked themselves in

837

00:41:32,150 --> 00:41:28,080

the tree and to me the Ravens are very

838

00:41:34,670 --> 00:41:32,160

emul t level you know add their energy

839

00:41:37,070 --> 00:41:34,680

is you know they're keepers of Secrets

840

00:41:39,620 --> 00:41:37,080

they could be omens of something duh

841

00:41:41,270 --> 00:41:39,630

dying they you know to me they all

842

00:41:43,430 --> 00:41:41,280

to connect to the Magdalen I've seen

843

00:41:45,230 --> 00:41:43,440

them in Spain connected to Mary

844

00:41:48,080 --> 00:41:45,240

Magdalene in churches believe it or not

845

00:41:50,920 --> 00:41:48,090

so yeah absolutely that was that was my

846

00:41:53,900 --> 00:41:50,930

one for today that makes sense because

847

00:41:59,000 --> 00:41:53,910

we've also seen her associated with the

848

00:42:03,710 --> 00:41:59,010

black madonna you know and which to me

849

00:42:06,140 --> 00:42:03,720

has sort of an indication of you know

850

00:42:09,860 --> 00:42:06,150

not necessarily a darker skin although

851

00:42:13,070 --> 00:42:09,870

that could be also but as you know

852

00:42:14,840 --> 00:42:13,080

something that's hidden and in the

853

00:42:17,420 --> 00:42:14,850

darkness and something hidden and of

854

00:42:21,860 --> 00:42:17,430

course you know she was for so many many

855

00:42:24,640 --> 00:42:21,870

centuries I I agree with that and I also

856

00:42:28,030 --> 00:42:24,650

think there's a part of that that's very

857

00:42:31,190 --> 00:42:28,040

Isis or very much the mother goddess

858

00:42:33,760 --> 00:42:31,200

that is deep into the fertility of the

859

00:42:37,910 --> 00:42:33,770

soil of the earth that deep rich dark

860

00:42:41,240 --> 00:42:37,920

soil that creates you know that from

861

00:42:43,760 --> 00:42:41,250

which creation comes that that womb that

862

00:42:46,190 --> 00:42:43,770

soil that Earth Mother that black

863

00:42:49,970 --> 00:42:46,200

madonna very very connected to the earth

864

00:42:52,640 --> 00:42:49,980

energies as well and interestingly the

865

00:42:58,820 --> 00:42:52,650

Templars were using that at times to

866

00:43:02,840 --> 00:42:58,830

mark those energies yeah well well

867

00:43:06,140 --> 00:43:02,850

that's a it's an interesting you know

868

00:43:08,900 --> 00:43:06,150

tie in that they brought in the animals

869

00:43:11,990 --> 00:43:08,910

into the picture because it seems to be

870

00:43:14,990 --> 00:43:12,000

like we're all sort of like turning back

871

00:43:18,290 --> 00:43:15,000

to things that you know have been here

872

00:43:20,390 --> 00:43:18,300

all along you know basically for those

873

00:43:22,880 --> 00:43:20,400

who have eyes to see you know let them

874

00:43:24,560 --> 00:43:22,890

let them see and these are things that

875

00:43:27,500 --> 00:43:24,570

have been around all the time but we're

876

00:43:29,270 --> 00:43:27,510

now seeing them in you know signs and

877

00:43:31,550 --> 00:43:29,280

symbols and things it seems like we're

878

00:43:33,950 --> 00:43:31,560

all thinking a little bit more than we

879

00:43:36,320 --> 00:43:33,960

used to we're all becoming a little bit

880

00:43:39,500 --> 00:43:36,330

more aware I hope that's true because I

881

00:43:43,850 --> 00:43:39,510

would say you know certainly as a

882

00:43:46,070 --> 00:43:43,860

species we certainly evolved very very

883

00:43:48,560 --> 00:43:46,080

quickly when it comes to intellectually

884

00:43:51,110 --> 00:43:48,570

scientifically and all that hopefully

885

00:43:54,370 --> 00:43:51,120

we're doing the same thing in a sort of

886

00:43:58,880 --> 00:43:56,630

yeah well you know interestingly

887

00:44:00,589 --> 00:43:58,890

somebody sent me a really good article

888

00:44:02,569 --> 00:44:00,599

i'll give a shout out to my friend kelly

889

00:44:05,750 --> 00:44:02,579

was listening to the show from matza

890

00:44:07,760 --> 00:44:05,760

salem massachusetts she sent me this

891

00:44:09,980 --> 00:44:07,770

article by barbara here and cloud Bauer

892

00:44:12,470 --> 00:44:09,990

Hank loud you know has a very

893

00:44:14,870 --> 00:44:12,480

interesting take on astrology and she's

894

00:44:16,250 --> 00:44:14,880

talking about all the yearning square

895

00:44:19,640 --> 00:44:16,260

Pluto's now that we've gone through

896

00:44:22,670 --> 00:44:19,650

seven and she said in the sixth square

897

00:44:25,760 --> 00:44:22,680

the sixth year in a square pluto she

898

00:44:29,630 --> 00:44:25,770

says we are becoming conscious of the

899

00:44:32,900 --> 00:44:29,640

unconscious as erupting dark forces such

900

00:44:34,940 --> 00:44:32,910

as Isis got more power mostly because of

901
00:44:38,180 --> 00:44:34,950
Grievous errors of the arrogant game

902
00:44:40,849 --> 00:44:38,190
masters many people could see they've

903
00:44:43,730 --> 00:44:40,859
been manipulated into false divisions

904
00:44:45,109 --> 00:44:43,740
and it goes on and on and on so the

905
00:44:47,450 --> 00:44:45,119
point was or you were talking about

906
00:44:50,510 --> 00:44:47,460
people becoming more aware so we are we

907
00:44:52,760 --> 00:44:50,520
we've become more conscious of the

908
00:44:54,500 --> 00:44:52,770
unconsciousness that we've had like

909
00:44:57,849 --> 00:44:54,510
we're looking back at things down saying

910
00:45:00,140 --> 00:44:57,859
oh my god how could we have done that

911
00:45:03,050 --> 00:45:00,150
you know how could we have just poured

912
00:45:05,420 --> 00:45:03,060
Emma khals into the water or into the

913
00:45:07,309 --> 00:45:05,430

into the rivers you know just simple

914

00:45:09,740 --> 00:45:07,319

things that we didn't even question 30

915

00:45:12,559 --> 00:45:09,750

years ago we're like oh my god how could

916

00:45:15,260 --> 00:45:12,569

we do that how stupid yeah absolutely

917

00:45:16,790 --> 00:45:15,270

we're becoming more conscious and also

918

00:45:19,280 --> 00:45:16,800

some of the violence that we've

919

00:45:22,309 --> 00:45:19,290

perpetrated on each other over time and

920

00:45:26,329 --> 00:45:22,319

I mean it's still going on but there was

921

00:45:28,460 --> 00:45:26,339

a time when it seemed acceptable almost

922

00:45:30,800 --> 00:45:28,470

you know it was just that's the way it

923

00:45:35,359 --> 00:45:30,810

was you know back in you know in

924

00:45:37,730 --> 00:45:35,369

medieval times and in the Inquisition

925

00:45:39,710 --> 00:45:37,740

and and and all that going on that's

926

00:45:41,510 --> 00:45:39,720

just you know that was you know they

927

00:45:44,599 --> 00:45:41,520

were fighting for God fighting for the

928

00:45:46,760 --> 00:45:44,609

Lord and mow em all down and we look at

929

00:45:48,710 --> 00:45:46,770

that now and we say oh my gosh you know

930

00:45:51,470 --> 00:45:48,720

the Catholic Church you know probably

931

00:45:53,990 --> 00:45:51,480

wishes they could just bury that and and

932

00:45:56,809 --> 00:45:54,000

forget about that but it really really

933

00:45:59,240 --> 00:45:56,819

happened and of course now we know that

934

00:46:00,829 --> 00:45:59,250

we that's not of course the kind of

935

00:46:04,730 --> 00:46:00,839

image that the Catholic Church wants to

936

00:46:06,960 --> 00:46:04,740

have today you know but why was it okay

937

00:46:09,120 --> 00:46:06,970

then you know and then of course we

938

00:46:12,060 --> 00:46:09,130

see you know other sort of crazy

939

00:46:14,910 --> 00:46:12,070

religious elements going wild around the

940

00:46:18,390 --> 00:46:14,920

world and you know I'm not picking out

941

00:46:23,640 --> 00:46:18,400

any particular one we all know what's

942

00:46:26,870 --> 00:46:23,650

going on but it's like gosh how can we

943

00:46:29,070 --> 00:46:26,880

be so barbaric toward each other still

944

00:46:31,920 --> 00:46:29,080

you know when at least you know we

945

00:46:35,700 --> 00:46:31,930

shouldn't be maybe back then I know any

946

00:46:38,580 --> 00:46:35,710

better you know yeah i know we've become

947

00:46:40,080 --> 00:46:38,590

conscious of the unconscious and yet you

948

00:46:42,450 --> 00:46:40,090

know because we have the kind of

949

00:46:45,590 --> 00:46:42,460

technology that we have we can still see

950

00:46:48,300 --> 00:46:45,600

the craziness going on around the world

951
00:46:50,580 --> 00:46:48,310
you know it with different elements and

952
00:46:52,350 --> 00:46:50,590
so forth it's interesting how she's able

953
00:46:55,800 --> 00:46:52,360
to nail all that and all these different

954
00:46:57,660 --> 00:46:55,810
uranus square movements just over the

955
00:47:00,630 --> 00:46:57,670
last three years but yeah you're right

956
00:47:02,520 --> 00:47:00,640
go back and time to that you know to the

957
00:47:06,600 --> 00:47:02,530
catholic church into the Inquisition and

958
00:47:08,310 --> 00:47:06,610
things we that that happened and how you

959
00:47:10,110 --> 00:47:08,320
know people do want to forget about them

960
00:47:12,570 --> 00:47:10,120
and yet when we see Isis doing what

961
00:47:14,790 --> 00:47:12,580
they're doing and it's televised on TV

962
00:47:17,370 --> 00:47:14,800
and we think it's so horrible if we look

963
00:47:19,950 --> 00:47:17,380

back in our history we can say well it

964

00:47:23,460 --> 00:47:19,960

was done and far worse during the

965

00:47:27,810 --> 00:47:23,470

Inquisition oh I know it is the real

966

00:47:31,200 --> 00:47:27,820

strange thing it's it's really crazy to

967

00:47:33,840 --> 00:47:31,210

think about you know I remember you know

968

00:47:37,740 --> 00:47:33,850

certain towns and in in France out I

969

00:47:40,260 --> 00:47:37,750

think it was bezy a where they just went

970

00:47:42,330 --> 00:47:40,270

in a mode everyone down you know because

971

00:47:45,210 --> 00:47:42,340

they get everyone they didn't know who

972

00:47:46,830 --> 00:47:45,220

was with the church or against the

973

00:47:49,920 --> 00:47:46,840

church so they just mowed them all down

974

00:47:52,680 --> 00:47:49,930

and the Pope said kill them all God will

975

00:47:54,480 --> 00:47:52,690

know his own I mean just mad that's

976
00:47:59,610 --> 00:47:54,490
right and they did it on Mary Magdalene

977
00:48:01,560 --> 00:47:59,620
feast day two is that right yes they did

978
00:48:03,840 --> 00:48:01,570
they went after him on Mary Magdalene

979
00:48:07,980 --> 00:48:03,850
feast day trying to send a little

980
00:48:10,590 --> 00:48:07,990
message there yeah yeah very subliminal

981
00:48:13,260 --> 00:48:10,600
very very subliminal stuff and you know

982
00:48:15,960 --> 00:48:13,270
and not that I want to bring up the

983
00:48:18,330 --> 00:48:15,970
negative but I have to it's in the news

984
00:48:18,640 --> 00:48:18,340
and I and it just happened today was

985
00:48:20,830 --> 00:48:18,650
just

986
00:48:22,840 --> 00:48:20,840
courted today and it's something a

987
00:48:25,390 --> 00:48:22,850
little more contemporary of how we're

988
00:48:27,880 --> 00:48:25,400

seeing me unconscious you know in this

989

00:48:29,470 --> 00:48:27,890

urinary urine a square pluto these kinds

990

00:48:32,230 --> 00:48:29,480

of things that were being exposed in the

991

00:48:34,000 --> 00:48:32,240

60s we had a huge movement of civil

992

00:48:37,030 --> 00:48:34,010

rights in this country and we had

993

00:48:39,310 --> 00:48:37,040

horrible things still going on of people

994

00:48:42,600 --> 00:48:39,320

treating people of color you know

995

00:48:45,250 --> 00:48:42,610

african-americans poorly very poorly

996

00:48:47,470 --> 00:48:45,260

especially in the south and Mississippi

997

00:48:49,360 --> 00:48:47,480

was a hotbed of that well if you sever

998

00:48:52,660 --> 00:48:49,370

news tonight and I just happen to catch

999

00:48:57,280 --> 00:48:52,670

a glimpse of it they found this African

1000

00:48:59,680 --> 00:48:57,290

American man hung from a tree I think by

1001
00:49:02,020 --> 00:48:59,690
bedsheets and while it's too soon to

1002
00:49:04,750 --> 00:49:02,030
know if it was a suicide if it was a

1003
00:49:08,140 --> 00:49:04,760
hate crime you know the proper Berman

1004
00:49:11,070 --> 00:49:08,150
agencies are investigating it but just

1005
00:49:14,620 --> 00:49:11,080
when it was reported out by the news

1006
00:49:16,180 --> 00:49:14,630
anchor that they found a black man and

1007
00:49:20,320 --> 00:49:16,190
it was literally coached that way a

1008
00:49:24,220 --> 00:49:20,330
black man hanging from a tree I had such

1009
00:49:31,690 --> 00:49:24,230
a shiver go down me and I thought am I

1010
00:49:34,450 --> 00:49:31,700
in 2015 or am I in 1964 oh my god and I

1011
00:49:37,720 --> 00:49:34,460
you know I really did a double take and

1012
00:49:41,020 --> 00:49:37,730
it's in Mississippi and it in here in

1013
00:49:43,060 --> 00:49:41,030

the now and it will be reported more and

1014

00:49:45,220 --> 00:49:43,070

they will you know I believe it will be

1015

00:49:47,590 --> 00:49:45,230

investigated properly and they will they

1016

00:49:50,470 --> 00:49:47,600

will get down to finding the truth in

1017

00:49:52,270 --> 00:49:50,480

that and I just thought wow here we go

1018

00:49:55,180 --> 00:49:52,280

again with this year in a square pluto

1019

00:49:59,140 --> 00:49:55,190

and we're becoming so conscious that

1020

00:50:02,680 --> 00:49:59,150

even one act of that alone is enough to

1021

00:50:05,830 --> 00:50:02,690

make many millions of people shudder so

1022

00:50:07,810 --> 00:50:05,840

we have made progress thank god but

1023

00:50:09,880 --> 00:50:07,820

we're still see how these uranus square

1024

00:50:12,580 --> 00:50:09,890

Pluto's come around and they're still

1025

00:50:17,890 --> 00:50:12,590

forcing us to look in the mirror at who

1026

00:50:20,470 --> 00:50:17,900

we are mmm yeah yeah it's it's

1027

00:50:22,720 --> 00:50:20,480

astounding I just looked on cnn.com and

1028

00:50:24,880 --> 00:50:22,730

I saw what you were talking about it

1029

00:50:28,750 --> 00:50:24,890

looks like the FBI is investigating that

1030

00:50:31,060 --> 00:50:28,760

it as well should it's really crazy you

1031

00:50:32,789 --> 00:50:31,070

know on the heels of the you know

1032

00:50:37,269 --> 00:50:32,799

Oklahoma

1033

00:50:41,170 --> 00:50:37,279

what was it Sigma Alpha Epsilon a video

1034

00:50:43,870 --> 00:50:41,180

I know I and then even finding later

1035

00:50:46,480 --> 00:50:43,880

that you see the you know how smother

1036

00:50:49,569 --> 00:50:46,490

the you know white hair grandmotherly

1037

00:50:51,490 --> 00:50:49,579

lady sitting there singing along with

1038

00:50:54,849 --> 00:50:51,500

them and singing the n-word you think oh

1039

00:50:57,700 --> 00:50:54,859

my lord what in the world is going on

1040

00:51:01,359 --> 00:50:57,710

here and I tell you you know Oklahoma is

1041

00:51:03,009 --> 00:51:01,369

my native state and I know there was a

1042

00:51:05,259 --> 00:51:03,019

lot of people in an uproar about it

1043

00:51:08,829 --> 00:51:05,269

because there were probably a lot of

1044

00:51:12,309 --> 00:51:08,839

innocent fraternity members that did not

1045

00:51:13,900 --> 00:51:12,319

participate in that but you know their

1046

00:51:17,500 --> 00:51:13,910

house got closed down but I was quite

1047

00:51:19,900 --> 00:51:17,510

proud of AB David Boren the president of

1048

00:51:23,920 --> 00:51:19,910

Oklahoma University he's a former

1049

00:51:25,569 --> 00:51:23,930

governor of Oklahoma and I was very very

1050

00:51:28,089 --> 00:51:25,579

pleased that he came out and acted

1051

00:51:30,579 --> 00:51:28,099

swiftly and said you know we're not

1052

00:51:32,289 --> 00:51:30,589

going back there we're not going to do

1053

00:51:37,420 --> 00:51:32,299

this you know this is not what we're

1054

00:51:41,319 --> 00:51:37,430

about and it was appalling and then to

1055

00:51:42,549 --> 00:51:41,329

have what you just revealed to find out

1056

00:51:46,029 --> 00:51:42,559

you know because of course they were

1057

00:51:48,910 --> 00:51:46,039

singing the song that said you can hang

1058

00:51:51,339 --> 00:51:48,920

them from a tree but they'll never sign

1059

00:51:54,759 --> 00:51:51,349

with me meaning they'll never join SAE

1060

00:51:57,549 --> 00:51:54,769

and now we have someone who's been hung

1061

00:52:03,999 --> 00:51:57,559

from a tree now I would have a very very

1062

00:52:07,089 --> 00:52:04,009

difficult time being convinced that a

1063

00:52:11,799 --> 00:52:07,099

black American man would hang himself

1064

00:52:15,009 --> 00:52:11,809

from a tree by doing biko deviations of

1065

00:52:18,190 --> 00:52:15,019

that in the black community you know oh

1066

00:52:19,809 --> 00:52:18,200

I don't I don't believe it well that's

1067

00:52:22,630 --> 00:52:19,819

really terrible i don't mean to get off

1068

00:52:25,720 --> 00:52:22,640

on you know on a tangent about that but

1069

00:52:28,509 --> 00:52:25,730

it is you know very significant and a

1070

00:52:30,630 --> 00:52:28,519

very revelatory about you know where

1071

00:52:33,279 --> 00:52:30,640

some people's heads are at right now

1072

00:52:35,380 --> 00:52:33,289

terrible well and also too I think for

1073

00:52:38,589 --> 00:52:35,390

people listening to the show it's a very

1074

00:52:41,109 --> 00:52:38,599

good example of the confusion out there

1075

00:52:42,700 --> 00:52:41,119

and yet what did you say you were very

1076

00:52:45,099 --> 00:52:42,710

proud of

1077

00:52:47,380 --> 00:52:45,109

president of the University in Oklahoma

1078

00:52:50,050 --> 00:52:47,390

who said hey we're not going back to

1079

00:52:53,230 --> 00:52:50,060

that that's not an incident we want to

1080

00:52:57,130 --> 00:52:53,240

repeat so even though these these these

1081

00:52:58,960 --> 00:52:57,140

deep-rooted shoots are popping up

1082

00:53:01,890 --> 00:52:58,970

they're not pervasive but they are

1083

00:53:04,000 --> 00:53:01,900

shoots popping up it seems like

1084

00:53:06,940 --> 00:53:04,010

everyone's everything I read about the

1085

00:53:10,450 --> 00:53:06,950

shifting of the ages that that piscean

1086

00:53:12,430 --> 00:53:10,460

duality that has been raging because it

1087

00:53:15,040 --> 00:53:12,440

will always rage at the end of the age

1088

00:53:18,040 --> 00:53:15,050

and we are at the end of the age I'm

1089

00:53:20,829 --> 00:53:18,050

convinced of that that it's not that

1090

00:53:24,099 --> 00:53:20,839

it's wiped out yet if you will but

1091

00:53:26,890 --> 00:53:24,109

enough people know that it's wrong and

1092

00:53:29,940 --> 00:53:26,900

enough people are speaking out and we

1093

00:53:33,280 --> 00:53:29,950

have the technology to broadcast that

1094

00:53:36,460 --> 00:53:33,290

you know to millions of people so while

1095

00:53:38,589 --> 00:53:36,470

the event itself it brings up very

1096

00:53:40,930 --> 00:53:38,599

difficult feelings because this is what

1097

00:53:44,200 --> 00:53:40,940

people are feeling at least there are

1098

00:53:46,450 --> 00:53:44,210

enough people who do know what the right

1099

00:53:49,150 --> 00:53:46,460

thing is going forward and that's the

1100

00:53:52,329 --> 00:53:49,160

age of aquarius stepping in and saying

1101
00:53:54,160 --> 00:53:52,339
oh no we're not going back there we are

1102
00:53:57,910 --> 00:53:54,170
moving forward and we are moving to

1103
00:53:59,920 --> 00:53:57,920
equality so you know maybe as difficult

1104
00:54:02,920 --> 00:53:59,930
as an example it might be to listen to

1105
00:54:05,230 --> 00:54:02,930
it's a good one and they're not a good

1106
00:54:08,109 --> 00:54:05,240
one but it's a constructive one in that

1107
00:54:11,079 --> 00:54:08,119
we can see the confusion that people

1108
00:54:14,079 --> 00:54:11,089
have when they see this stuff but yet to

1109
00:54:17,290 --> 00:54:14,089
know that enough people are stepping up

1110
00:54:19,599 --> 00:54:17,300
and saying that's not right we know it's

1111
00:54:24,599 --> 00:54:19,609
not right it's not it were too conscious

1112
00:54:28,780 --> 00:54:24,609
now to turn back boy I sure hope so

1113
00:54:31,390 --> 00:54:28,790

because that is very bad and it was

1114

00:54:34,660 --> 00:54:31,400

embarrassing for me as a native Oklahoma

1115

00:54:38,349 --> 00:54:34,670

but you know I'm sure it's not just in

1116

00:54:40,390 --> 00:54:38,359

Oklahoma and you're right it could just

1117

00:54:45,040 --> 00:54:40,400

be a little a little thing popping up

1118

00:54:46,839 --> 00:54:45,050

here and there but it sure is strange

1119

00:54:50,020 --> 00:54:46,849

that that happened and then now we have

1120

00:54:52,660 --> 00:54:50,030

this this terrible crime we'll see what

1121

00:54:55,870 --> 00:54:52,670

we'll see what the investigation turns

1122

00:54:56,570 --> 00:54:55,880

up in that well you know I've been I've

1123

00:54:59,600 --> 00:54:56,580

been thinking

1124

00:55:01,760 --> 00:54:59,610

about who is really you know placing

1125

00:55:03,500 --> 00:55:01,770

these yes I know these events are

1126
00:55:07,400 --> 00:55:03,510
happening but who are these people

1127
00:55:09,230 --> 00:55:07,410
behind them it's almost like it's almost

1128
00:55:12,500 --> 00:55:09,240
in God forbid somebody lost their life

1129
00:55:15,650 --> 00:55:12,510
and that in itself is is terrible but

1130
00:55:20,840 --> 00:55:15,660
it's almost like you know is that these

1131
00:55:26,450 --> 00:55:20,850
events are being staged by people for

1132
00:55:32,270 --> 00:55:26,460
like maximum effect to really get to

1133
00:55:33,950 --> 00:55:32,280
people's core fears if you will and and

1134
00:55:36,170 --> 00:55:33,960
so that tells me some of the people that

1135
00:55:39,230 --> 00:55:36,180
are probably going after staging these

1136
00:55:41,330 --> 00:55:39,240
events not that they're not real but I'm

1137
00:55:43,790 --> 00:55:41,340
just saying really going for this

1138
00:55:45,650 --> 00:55:43,800

maximum theatrical effect if you will

1139

00:55:50,450 --> 00:55:45,660

it's almost like they're really trying

1140

00:55:53,180 --> 00:55:50,460

to play at people's fears their deepest

1141

00:55:56,780 --> 00:55:53,190

fears and and I think who are these

1142

00:55:59,750 --> 00:55:56,790

people that that this is their modus

1143

00:56:03,170 --> 00:55:59,760

operandi like like I guess that's where

1144

00:56:05,690 --> 00:56:03,180

they're coming from right I do I you

1145

00:56:09,080 --> 00:56:05,700

know there's plenty of us who know it's

1146

00:56:12,080 --> 00:56:09,090

just it's just totally wrong well let's

1147

00:56:14,510 --> 00:56:12,090

let's sure hope so we are going to have

1148

00:56:16,220 --> 00:56:14,520

to take another quick break and we'll be

1149

00:56:45,890 --> 00:56:16,230

back in just a couple of minutes with

1150

00:56:51,720 --> 00:56:49,290

hello everyone Lori and Fenton here

1151
00:56:55,050 --> 00:56:51,730
hosted the California MUFON radio show

1152
00:56:58,110 --> 00:56:55,060
asking if you'd like special access to

1153
00:57:01,380 --> 00:56:58,120
exclusive and amazing information about

1154
00:57:04,710 --> 00:57:01,390
UFOs the paranormal and all things

1155
00:57:08,310 --> 00:57:04,720
unexplained if you're nodding yes then

1156
00:57:10,110 --> 00:57:08,320
join I rn's insider club as an insider

1157
00:57:13,080 --> 00:57:10,120
club member you'll get an all-access

1158
00:57:15,510 --> 00:57:13,090
pass to premier inception radio network

1159
00:57:18,030 --> 00:57:15,520
content for only four dollars and

1160
00:57:21,900 --> 00:57:18,040
ninety-nine cents a month this includes

1161
00:57:25,200 --> 00:57:21,910
live UFO and paranormal conferences live

1162
00:57:27,900 --> 00:57:25,210
streaming UFO sky watches exclusive I

1163
00:57:30,840 --> 00:57:27,910

are in radio and TV productions and of

1164

00:57:33,600 --> 00:57:30,850

course paying radio with MJ and Ken

1165

00:57:36,480 --> 00:57:33,610

starch so don't wait any longer visit

1166

00:57:39,840 --> 00:57:36,490

inception radio network calm and click

1167

00:57:44,520 --> 00:57:39,850

on member login to join our ends insider

1168

00:57:47,010 --> 00:57:44,530

club and get your VIP access today are

1169

00:57:48,600 --> 00:57:47,020

you a final inception radio network do

1170

00:57:50,970 --> 00:57:48,610

you reckon it's the best alternative

1171

00:57:53,190 --> 00:57:50,980

talk radio station on the planet well if

1172

00:57:56,190 --> 00:57:53,200

you do head to facebook.com forward

1173

00:57:58,740 --> 00:57:56,200

slash inception radio network like the

1174

00:58:02,690 --> 00:57:58,750

page tell your friends spread the word

1175

00:58:07,830 --> 00:58:06,300

you are smart fun if so conception radio

1176

00:58:11,370 --> 00:58:07,840

network is the best app for you

1177

00:58:13,440 --> 00:58:11,380

available on itunes android samsung and

1178

00:58:15,900 --> 00:58:13,450

most of their app stores just search

1179

00:58:18,150 --> 00:58:15,910

inception radio network with the

1180

00:58:20,790 --> 00:58:18,160

applicants in life check out podcast

1181

00:58:23,040 --> 00:58:20,800

recent and past showed you our videos

1182

00:58:25,890 --> 00:58:23,050

see what shows are coming up through the

1183

00:58:28,320 --> 00:58:25,900

guests are and via the chat room send

1184

00:58:30,240 --> 00:58:28,330

live questions to those guests you know

1185

00:58:33,360 --> 00:58:30,250

it makes sense and check your App Store

1186

00:58:40,140 --> 00:58:33,370

now inception radio network I'll seize

1187

00:58:42,630 --> 00:58:40,150

it hey IRA listeners make sure you tune

1188

00:58:44,700 --> 00:58:42,640

in to night vision radio with Renee

1189

00:58:47,670 --> 00:58:44,710

Barnett Renee will be exposing the truth

1190

00:58:51,000 --> 00:58:47,680

one secret at a time when Thursday every

1191

00:58:55,620 --> 00:58:51,010

Thursday 1030pm eastern 730 p.m. pacific

1192

00:58:58,470 --> 00:58:55,630

we're right here IRA you're locked into

1193

00:59:26,940 --> 00:58:58,480

inception radio network superior

1194

00:59:26,950 --> 00:59:41,300

good

1195

00:59:46,860 --> 00:59:44,250

you are listening tonight vision radio

1196

00:59:49,770 --> 00:59:46,870

I'm your host Renee Barnett my guest

1197

00:59:52,380 --> 00:59:49,780

tonight my good friend author and

1198

00:59:55,250 --> 00:59:52,390

intuitive Gloria Amendola we're talking

1199

00:59:59,190 --> 00:59:55,260

about all the craziness in the skies the

1200

01:00:02,880 --> 00:59:59,200

super moon the solar eclipse the equinox

1201

01:00:05,700 --> 01:00:02,890

we're getting into all that I want to

1202

01:00:09,870 --> 01:00:05,710

remind everyone that you can check

1203

01:00:14,130 --> 01:00:09,880

Gloria out at her website ww-why

1204

01:00:17,250 --> 01:00:14,140

Amendola com you can also get her books

1205

01:00:19,290 --> 01:00:17,260

on her website or on grave distractions

1206

01:00:22,410 --> 01:00:19,300

website grave distractions calm

1207

01:00:24,510 --> 01:00:22,420

publishing company or just go through

1208

01:00:26,970 --> 01:00:24,520

Amazon you can get them anyway I think

1209

01:00:28,740 --> 01:00:26,980

it's probably better for Gloria if you

1210

01:00:32,640 --> 01:00:28,750

order them directly from her is that

1211

01:00:35,250 --> 01:00:32,650

right or from am i right or wrong oh yes

1212

01:00:37,680 --> 01:00:35,260

if they learn from grave distractions

1213

01:00:40,320 --> 01:00:37,690

it's better for it's better for us if

1214

01:00:42,870 --> 01:00:40,330

you go to end just ordering them amazon

1215

01:00:44,100 --> 01:00:42,880

so that'd be cool if you want to get

1216

01:00:45,750 --> 01:00:44,110

some of those books just ordered

1217

01:00:47,490 --> 01:00:45,760

directly from the publisher they're

1218

01:00:49,470 --> 01:00:47,500

really great they're they're on top of

1219

01:00:51,810 --> 01:00:49,480

it and they'll get your books right out

1220

01:00:55,230 --> 01:00:51,820

to you also their ebooks of course that

1221

01:00:57,180 --> 01:00:55,240

you can avail yourselves of now Gloria I

1222

01:00:59,670 --> 01:00:57,190

know I want to get into some some good

1223

01:01:01,530 --> 01:00:59,680

stuff and if there's any if there are

1224

01:01:02,880 --> 01:01:01,540

any Rennie's out there listening you'll

1225

01:01:05,550 --> 01:01:02,890

want to listen up because we're going to

1226

01:01:07,140 --> 01:01:05,560

talk a little bit about all these things

1227

01:01:09,750 --> 01:01:07,150

that are going on and how they're

1228

01:01:12,240 --> 01:01:09,760

affecting that region of southwest

1229

01:01:15,900 --> 01:01:12,250

France and that very very special place

1230

01:01:17,970 --> 01:01:15,910

run with chateau but first I want to get

1231

01:01:20,430 --> 01:01:17,980

in a couple of questions if you don't

1232

01:01:22,680 --> 01:01:20,440

mind from the chat room that are just

1233

01:01:27,000 --> 01:01:22,690

burning in my little chat roommates

1234

01:01:29,580 --> 01:01:27,010

minds here neutron says Renee if it fits

1235

01:01:31,710 --> 01:01:29,590

please ask Gloria if she ever uses side

1236

01:01:34,800 --> 01:01:31,720

aerial and I will apologize if I'm

1237

01:01:40,500 --> 01:01:34,810

pronouncing that wrong astrology cycles

1238

01:01:44,100 --> 01:01:40,510

and charts um I don't because I'm not

1239

01:01:45,789 --> 01:01:44,110

that good at the astrology but I do the

1240

01:01:49,239 --> 01:01:45,799

sadiri assistan

1241

01:01:52,239 --> 01:01:49,249

i think is defined on the signs are

1242

01:01:55,269 --> 01:01:52,249

based on the six stars but i do consult

1243

01:01:57,819 --> 01:01:55,279

a website and i have four years that

1244

01:02:00,609 --> 01:01:57,829

does work with that form of astrology

1245

01:02:01,839 --> 01:02:00,619

and i'll give you all the website so you

1246

01:02:04,150 --> 01:02:01,849

can check it out it's a little

1247

01:02:07,239 --> 01:02:04,160

sophisticated at times but the material

1248

01:02:11,620 --> 01:02:07,249

is really just world-class so his name

1249

01:02:20,140 --> 01:02:11,630

is Nick Anthony firenza fio re nza and

1250

01:02:23,589 --> 01:02:20,150

his website is wwm that's lun AR PLA and

1251

01:02:26,140 --> 01:02:23,599

any art com he's got some great

1252

01:02:29,140 --> 01:02:26,150

information and he does use the sadiri

1253

01:02:34,029 --> 01:02:29,150

electrology to sew around a long time I

1254

01:02:36,339 --> 01:02:34,039

I suggest checking them out hmm alright

1255

01:02:39,099 --> 01:02:36,349

well that's that's good info uh anther

1256

01:02:42,160 --> 01:02:39,109

huff in the chat room says Renee how

1257

01:02:44,189 --> 01:02:42,170

does she feel meaning you Gloria about

1258

01:02:47,559 --> 01:02:44,199

the concept of the collective the

1259

01:02:50,319 --> 01:02:47,569

concept that after the December 2012

1260

01:02:54,910 --> 01:02:50,329

event the subconscious rolled to a

1261

01:02:56,650 --> 01:02:54,920

collective energy hmm well I totally get

1262

01:02:59,439 --> 01:02:56,660

that that's a great question and I'll

1263

01:03:02,019 --> 01:02:59,449

give a real a real time example of how

1264

01:03:04,029 --> 01:03:02,029

that's been personally affecting me and

1265

01:03:05,829 --> 01:03:04,039

I found out last night someone else when

1266

01:03:08,679 --> 01:03:05,839

I Magdalene circles in the hartford area

1267

01:03:10,359 --> 01:03:08,689

in connecticut over the last few weeks

1268

01:03:12,249 --> 01:03:10,369

it meaning the collective consciousness

1269

01:03:16,150 --> 01:03:12,259

that's that's what he's talking about

1270

01:03:17,799 --> 01:03:16,160

like like our individual consciousness

1271

01:03:20,709 --> 01:03:17,809

if you will kind of breaking down and

1272

01:03:24,699 --> 01:03:20,719

melding more with the corrective with

1273

01:03:27,160 --> 01:03:24,709

everyone I about two weeks ago this was

1274

01:03:29,289 --> 01:03:27,170

happening to me at a furious pace and I

1275

01:03:32,229 --> 01:03:29,299

was going out of my mind I'd be sitting

1276

01:03:35,410 --> 01:03:32,239

in my living room and I'd be perfectly

1277

01:03:37,390 --> 01:03:35,420

fine at least I thought and I would just

1278

01:03:40,359 --> 01:03:37,400

be sitting there kind of whatever

1279

01:03:42,849 --> 01:03:40,369

whether i was watching TV or just being

1280

01:03:45,459 --> 01:03:42,859

quiet or listening to music i would be

1281

01:03:49,479 --> 01:03:45,469

fine and then all of a sudden i would

1282

01:03:51,069 --> 01:03:49,489

feel like a wave of terror like this

1283

01:03:53,919 --> 01:03:51,079

this feeling of you know when you feel

1284

01:03:56,919 --> 01:03:53,929

power inside you feel powerless whatever

1285

01:03:58,880 --> 01:03:56,929

wherever it is it's like like a wave and

1286

01:04:00,620 --> 01:03:58,890

it's coming to my shore and it's like

1287

01:04:03,289 --> 01:04:00,630

getting close to me and all of a sudden

1288

01:04:05,990 --> 01:04:03,299

I'm steeped in this feeling I can't even

1289

01:04:08,930 --> 01:04:06,000

fight it of terror and I don't even know

1290

01:04:10,640 --> 01:04:08,940

why and by the time I figure out what

1291

01:04:14,059 --> 01:04:10,650

the heck's even going on it's already

1292

01:04:16,940 --> 01:04:14,069

moved on I'm like what the heck was what

1293

01:04:19,400 --> 01:04:16,950

and then maybe like a half hour later

1294

01:04:23,059 --> 01:04:19,410

you know I just shook it shook it off

1295

01:04:25,519 --> 01:04:23,069

and then feeling of anxiety same kind of

1296

01:04:27,529 --> 01:04:25,529

thing I see the wave calm in all of a

1297

01:04:30,019 --> 01:04:27,539

sudden from being peaceful in my house

1298

01:04:32,480 --> 01:04:30,029

or driving down the road in my car I'm

1299

01:04:36,019 --> 01:04:32,490

feeling like this massive wave of

1300

01:04:38,720 --> 01:04:36,029

anxiety and I'm thinking this is crazy

1301

01:04:42,380 --> 01:04:38,730

and then before I could really even

1302

01:04:46,690 --> 01:04:42,390

fully wrap myself around it it's gone

1303

01:04:50,000 --> 01:04:46,700

and I came to the conclusion that I was

1304

01:04:53,480 --> 01:04:50,010

experiencing levels of fear and panic

1305

01:04:55,700 --> 01:04:53,490

and and that's in the corruptive and and

1306

01:04:57,890 --> 01:04:55,710

and it was just like moving through me

1307

01:05:00,769 --> 01:04:57,900

kind of like a like I said like a wave

1308

01:05:03,130 --> 01:05:00,779

it was just a strangest thing and I

1309

01:05:06,380 --> 01:05:03,140

don't think I've ever felt that before

1310

01:05:08,809 --> 01:05:06,390

so clearly so you felt like it wasn't

1311

01:05:12,980 --> 01:05:08,819

necessarily your own fear but you were

1312

01:05:15,769 --> 01:05:12,990

tapping in to ya something the

1313

01:05:17,240 --> 01:05:15,779

collective that's it yeah yeah because I

1314

01:05:19,789 --> 01:05:17,250

can usually tell when it's in my own

1315

01:05:21,380 --> 01:05:19,799

fear you know I'm usually tabbed in

1316

01:05:23,480 --> 01:05:21,390

enough to know when something's

1317

01:05:25,819 --> 01:05:23,490

bothering me not always but most of the

1318

01:05:29,690 --> 01:05:25,829

time and and if I'm having a bad dream

1319

01:05:31,339 --> 01:05:29,700

or a remembrance of something you know

1320

01:05:32,930 --> 01:05:31,349

I've done a lot of that work so I'm not

1321

01:05:35,660 --> 01:05:32,940

saying it doesn't happen but this was

1322

01:05:38,210 --> 01:05:35,670

clearly like not connected to anything

1323

01:05:39,920 --> 01:05:38,220

it was just like rolling on through and

1324

01:05:43,999 --> 01:05:39,930

it just kind of rolled right through me

1325

01:05:45,829 --> 01:05:44,009

and I I was very unsettling at first and

1326

01:05:47,990 --> 01:05:45,839

then I kind of finally said oh my god

1327

01:05:50,930 --> 01:05:48,000

it's the collective and I'm really

1328

01:05:54,019 --> 01:05:50,940

feeling all that big vibe that's out

1329

01:05:56,359 --> 01:05:54,029

there with people well I'm kind of crazy

1330

01:06:02,720 --> 01:05:56,369

it reminds me a little bit of you know

1331

01:06:05,749 --> 01:06:02,730

of being empathic you know and and being

1332

01:06:08,599 --> 01:06:05,759

able to feel others and what what's out

1333

01:06:11,599 --> 01:06:08,609

there I remember I used to not be able

1334

01:06:12,560 --> 01:06:11,609

to ever go to a funeral I mean even if I

1335

01:06:15,650 --> 01:06:12,570

was just there

1336

01:06:18,020 --> 01:06:15,660

to sort of be supportive to someone else

1337

01:06:20,930 --> 01:06:18,030

even if I didn't know the person who had

1338

01:06:23,930 --> 01:06:20,940

passed away because the moment I would

1339

01:06:27,650 --> 01:06:23,940

step into the room I would automatically

1340

01:06:29,870 --> 01:06:27,660

feel all the emotions from everyone so

1341

01:06:32,660 --> 01:06:29,880

it wasn't just one person's emotions it

1342

01:06:35,360 --> 01:06:32,670

was everyone's and it would just be

1343

01:06:36,950 --> 01:06:35,370

overwhelming and till I figure it out

1344

01:06:39,260 --> 01:06:36,960

because I was just a kid when this

1345

01:06:42,590 --> 01:06:39,270

started happening and I finally figured

1346

01:06:45,230 --> 01:06:42,600

out what I was doing I was tapping into

1347

01:06:48,680 --> 01:06:45,240

everyone else's emotions and I was able

1348

01:06:51,350 --> 01:06:48,690

to kind of learn how to recognize that

1349

01:06:53,240 --> 01:06:51,360

and control it so that I could actually

1350

01:06:54,950 --> 01:06:53,250

be there and maybe be of some help to

1351

01:06:57,980 --> 01:06:54,960

someone else instead of going into

1352

01:07:00,950 --> 01:06:57,990

hysterics myself and having people think

1353

01:07:04,040 --> 01:07:00,960

I was crazy but it's a little bit like

1354

01:07:05,720 --> 01:07:04,050

that isn't it it's like it absolutely is

1355

01:07:09,560 --> 01:07:05,730

and I mean thank God you found the

1356

01:07:11,300 --> 01:07:09,570

filters and and me too you know doing

1357

01:07:12,920 --> 01:07:11,310

intuitive work like you've got to find

1358

01:07:15,770 --> 01:07:12,930

the filters because you've got to be

1359

01:07:19,460 --> 01:07:15,780

able to you know shut it down you've got

1360

01:07:21,950 --> 01:07:19,470

to be able to function and so it's a

1361

01:07:24,020 --> 01:07:21,960

crucial tool and some people can and and

1362

01:07:26,990 --> 01:07:24,030

their empathy literally can drive them

1363

01:07:29,150 --> 01:07:27,000

crazy so I found that so because I have

1364

01:07:32,390 --> 01:07:29,160

those filters pretty strongly in place

1365

01:07:36,350 --> 01:07:32,400

for myself for obvious reasons I was

1366

01:07:38,990 --> 01:07:36,360

absolutely shocked that those waves of

1367

01:07:41,270 --> 01:07:39,000

those kinds of feelings kids came you

1368

01:07:42,770 --> 01:07:41,280

know floating through my living room you

1369

01:07:45,260 --> 01:07:42,780

know floating through my cars I'm

1370

01:07:48,320 --> 01:07:45,270

driving down the road and I knew that it

1371

01:07:51,430 --> 01:07:48,330

was so big in the collective that it

1372

01:07:53,780 --> 01:07:51,440

just broke down the barriers of my

1373

01:07:55,520 --> 01:07:53,790

protection that I have in place to

1374

01:07:57,440 --> 01:07:55,530

function in the world you know when you

1375

01:07:59,240 --> 01:07:57,450

when you are sensitive and to pick all

1376

01:08:02,090 --> 01:07:59,250

that up and be they know that you're

1377

01:08:04,910 --> 01:08:02,100

picking it up so I knew it was really

1378

01:08:06,970 --> 01:08:04,920

big out there in the world and I just

1379

01:08:10,100 --> 01:08:06,980

had to kind of go into a place of

1380

01:08:14,300 --> 01:08:10,110

acceptance that I needed to experience

1381

01:08:16,520 --> 01:08:14,310

that in understand you know the the the

1382

01:08:18,800 --> 01:08:16,530

similar overriding feelings that a lot

1383

01:08:21,110 --> 01:08:18,810

of people were feeling and luckily as

1384

01:08:22,849 --> 01:08:21,120

soon as they came in they left so I was

1385

01:08:25,180 --> 01:08:22,859

relieved by that it wasn't like anything

1386

01:08:27,849 --> 01:08:25,190

stayed with me just like growin

1387

01:08:30,160 --> 01:08:27,859

through on so that was a great question

1388

01:08:32,769 --> 01:08:30,170

and I think a lot of people are feeling

1389

01:08:35,229 --> 01:08:32,779

that now but if they're not aware of it

1390

01:08:39,430 --> 01:08:35,239

could you imagine how unsettling that is

1391

01:08:42,430 --> 01:08:39,440

for people yeah absolutely absolutely

1392

01:08:44,559 --> 01:08:42,440

now you know you work with people you

1393

01:08:48,880 --> 01:08:44,569

know on a one-on-one basis as a

1394

01:08:52,599 --> 01:08:48,890

counselor and intuitive and you do that

1395

01:08:56,410 --> 01:08:52,609

in person you do it on the phone so you

1396

01:08:59,559 --> 01:08:56,420

must have been able to develop some kind

1397

01:09:02,680 --> 01:08:59,569

of way to effectively help people

1398

01:09:05,019 --> 01:09:02,690

without taking on whatever issue it is

1399

01:09:09,070 --> 01:09:05,029

that they've brought to your doorstep I

1400

01:09:10,479 --> 01:09:09,080

would imagine you have to because if you

1401

01:09:13,349 --> 01:09:10,489

don't you really can't do the work

1402

01:09:17,439 --> 01:09:13,359

without getting sick by the way in case

1403

01:09:19,809 --> 01:09:17,449

someone listening would like to book an

1404

01:09:26,019 --> 01:09:19,819

appointment with you how do they do that

1405

01:09:27,789 --> 01:09:26,029

I know how they can use I didn't tell

1406

01:09:30,670 --> 01:09:27,799

you I can go to my website there's an

1407

01:09:32,170 --> 01:09:30,680

email there or they can reach out to me

1408

01:09:35,200 --> 01:09:32,180

on facebook and send me a private

1409

01:09:37,570 --> 01:09:35,210

message is there like a me a lot of lift

1410

01:09:40,030 --> 01:09:37,580

up for a lot of people now I'll tell you

1411

01:09:42,490 --> 01:09:40,040

because as much as your person in the

1412

01:09:44,559 --> 01:09:42,500

chat room is realizing we're feeling the

1413

01:09:46,180 --> 01:09:44,569

collective what I'm also ceiling is

1414

01:09:48,910 --> 01:09:46,190

seeing with people is that the barriers

1415

01:09:51,030 --> 01:09:48,920

with linear time are also kind of

1416

01:09:54,130 --> 01:09:51,040

collapsing with the magnetic field

1417

01:09:56,229 --> 01:09:54,140

reducing and so those clear boundaries

1418

01:09:59,140 --> 01:09:56,239

of what we thought was past present and

1419

01:10:02,890 --> 01:09:59,150

future is kind of all the quantum one

1420

01:10:04,390 --> 01:10:02,900

and it's got people off center or you

1421

01:10:06,490 --> 01:10:04,400

know they know they've got to work with

1422

01:10:09,880 --> 01:10:06,500

it so a lot of that stuff is coming up

1423

01:10:13,000 --> 01:10:09,890

for people and very interesting stuff

1424

01:10:15,220 --> 01:10:13,010

going on yeah yeah I want to give you

1425

01:10:17,050 --> 01:10:15,230

one more question if you don't mind from

1426

01:10:18,880 --> 01:10:17,060

the chat room I'm not all right into the

1427

01:10:21,330 --> 01:10:18,890

RLC material because then we'll be down

1428

01:10:25,360 --> 01:10:21,340

to about the final 15 minutes but

1429

01:10:28,240 --> 01:10:25,370

they're half ways he or she I don't even

1430

01:10:29,890 --> 01:10:28,250

know I feel like I know this person and

1431

01:10:33,330 --> 01:10:29,900

I just realized I don't know if they're

1432

01:10:37,590 --> 01:10:33,340

male or female I think male I'm guessing

1433

01:10:38,980 --> 01:10:37,600

says what does Gloria feel that the

1434

01:10:40,540 --> 01:10:38,990

pineal

1435

01:10:43,530 --> 01:10:40,550

and how did you how do you feel the

1436

01:10:49,270 --> 01:10:43,540

pineal gland factors into our

1437

01:10:51,880 --> 01:10:49,280

experiences well that is on that is

1438

01:10:55,360 --> 01:10:51,890

another great question and also is very

1439

01:10:58,870 --> 01:10:55,370

timely there's two ways I'd like to

1440

01:11:02,050 --> 01:10:58,880

answer that one we know from ancient

1441

01:11:04,540 --> 01:11:02,060

Egypt and the Eye of Horus right the all

1442

01:11:06,580 --> 01:11:04,550

you know that I that that was always

1443

01:11:08,890 --> 01:11:06,590

basically connected to the pineal gland

1444

01:11:10,330 --> 01:11:08,900

and the pineal gland pineal gland

1445

01:11:12,070 --> 01:11:10,340

whatever you want to call it and even

1446

01:11:14,470 --> 01:11:12,080

some of the papal symbols with the

1447

01:11:18,550 --> 01:11:14,480

pinecone we know that's all about that

1448

01:11:22,080 --> 01:11:18,560

pitting or gland which is really its own

1449

01:11:25,810 --> 01:11:22,090

organ it's a gland in the body and it's

1450

01:11:28,570 --> 01:11:25,820

it's very receptive to do certain kinds

1451

01:11:31,150 --> 01:11:28,580

of light and it's also it can give us

1452

01:11:34,270 --> 01:11:31,160

tremendous ranges of perception so for

1453

01:11:37,540 --> 01:11:34,280

me I function with my pineal gland and

1454

01:11:42,340 --> 01:11:37,550

I'm very in tune with that light and

1455

01:11:45,760 --> 01:11:42,350

with that that flowering of the pineal

1456

01:11:47,650 --> 01:11:45,770

gland what is so interesting and is this

1457

01:11:49,960 --> 01:11:47,660

is kind of this duality thing we've been

1458

01:11:52,420 --> 01:11:49,970

talking about all night Pisces Aquarius

1459

01:11:56,230 --> 01:11:52,430

all the alignments is that all this

1460

01:11:58,300 --> 01:11:56,240

fluoride in our water especially in

1461

01:12:00,730 --> 01:11:58,310

America because I think we're drinking

1462

01:12:03,300 --> 01:12:00,740

more fluoridated water in America than

1463

01:12:08,190 --> 01:12:03,310

the rest of the world and they know

1464

01:12:13,000 --> 01:12:08,200

science now for sure that the fluoride

1465

01:12:14,530 --> 01:12:13,010

calcifies the pineal gland so you know

1466

01:12:16,510 --> 01:12:14,540

there's a lot of people who but you know

1467

01:12:18,940 --> 01:12:16,520

who are into conspiracy theories and you

1468

01:12:22,270 --> 01:12:18,950

know whatever and they believe that

1469

01:12:26,970 --> 01:12:22,280

that's being done to us intentionally to

1470

01:12:29,890 --> 01:12:26,980

dumb us down on especially at this time

1471

01:12:32,710 --> 01:12:29,900

we're all these evolutionary changes are

1472

01:12:35,200 --> 01:12:32,720

coming in and so people are people's

1473

01:12:37,360 --> 01:12:35,210

pineal glands are heavily calcified and

1474

01:12:40,230 --> 01:12:37,370

damaged by the fluoride I mean they even

1475

01:12:42,850 --> 01:12:40,240

found when our soldiers got into the

1476

01:12:46,390 --> 01:12:42,860

concentration camps in world war two

1477

01:12:48,570 --> 01:12:46,400

they found tremendous uh supplies of

1478

01:12:50,530 --> 01:12:48,580

sodium fluoride by the drinking water

1479

01:12:52,960 --> 01:12:50,540

because

1480

01:12:56,380 --> 01:12:52,970

his cronies were fluoridating the water

1481

01:12:59,530 --> 01:12:56,390

to subdue the people to to dumb them

1482

01:13:01,270 --> 01:12:59,540

down to make them docile and not you

1483

01:13:02,950 --> 01:13:01,280

know resist their authority and so on

1484

01:13:04,960 --> 01:13:02,960

and so forth and we know all those

1485

01:13:07,570 --> 01:13:04,970

German scientists came over to America

1486

01:13:09,610 --> 01:13:07,580

post-world war two right and we learn

1487

01:13:12,040 --> 01:13:09,620

things from them well anyway it's just

1488

01:13:14,710 --> 01:13:12,050

kind of weird and and so that's the

1489

01:13:16,630 --> 01:13:14,720

thing we need to be aware of is to stay

1490

01:13:19,450 --> 01:13:16,640

away from the fluoride with our pineal

1491

01:13:23,500 --> 01:13:19,460

gland because our pineal glands really

1492

01:13:28,060 --> 01:13:23,510

are magic for us and we all have them

1493

01:13:31,510 --> 01:13:28,070

and when activated they give us a much

1494

01:13:33,250 --> 01:13:31,520

richer experience in life you know I

1495

01:13:35,770 --> 01:13:33,260

think that's part of the Jesus teachings

1496

01:13:37,450 --> 01:13:35,780

to be honest with you oh yeah I think

1497

01:13:41,800 --> 01:13:37,460

there's some big secrets about that I

1498

01:13:44,140 --> 01:13:41,810

mean they have a giant replica of what

1499

01:13:47,170 --> 01:13:44,150

looks like a pineal gland at the Vatican

1500

01:13:50,920 --> 01:13:47,180

you know in a statue so you know I think

1501
01:13:53,470 --> 01:13:50,930
yeah big information about that that you

1502
01:13:57,370 --> 01:13:53,480
know we haven't been completely privy to

1503
01:14:00,130 --> 01:13:57,380
just yet but we were talking about you

1504
01:14:02,440 --> 01:14:00,140
know this you know light and and and

1505
01:14:07,350 --> 01:14:02,450
everything that's going on these current

1506
01:14:09,910 --> 01:14:07,360
events the super moon this solar eclipse

1507
01:14:13,360 --> 01:14:09,920
you mentioned on the break to me off the

1508
01:14:15,580 --> 01:14:13,370
air that it was having some real impact

1509
01:14:18,390 --> 01:14:15,590
on places like rennes-le-chateau which

1510
01:14:21,400 --> 01:14:18,400
as we know is a very special place

1511
01:14:23,980 --> 01:14:21,410
largely because of the landscape because

1512
01:14:26,290 --> 01:14:23,990
of the telluric currents there and other

1513
01:14:30,220 --> 01:14:26,300

properties that it has so what did you

1514

01:14:34,150 --> 01:14:30,230

mean by that well I've been thinking

1515

01:14:37,660 --> 01:14:34,160

about the landscape temple that our

1516

01:14:40,390 --> 01:14:37,670

beloved Henry Lincoln has you know given

1517

01:14:42,340 --> 01:14:40,400

us this whole idea and all these

1518

01:14:44,140 --> 01:14:42,350

wonderful measurements and so for those

1519

01:14:45,910 --> 01:14:44,150

of us that really resonate with their

1520

01:14:49,090 --> 01:14:45,920

landscape temple in the realm of Chateau

1521

01:14:51,220 --> 01:14:49,100

area it's such a place in in other

1522

01:14:53,800 --> 01:14:51,230

sacred sites too but for me because I

1523

01:14:56,740 --> 01:14:53,810

just so connect with that area and the

1524

01:15:00,770 --> 01:14:56,750

light that's there it's so rich in

1525

01:15:05,390 --> 01:15:00,780

fertile and and powerful already and

1526

01:15:07,939 --> 01:15:05,400

so when these alignments come in in and

1527

01:15:10,970 --> 01:15:07,949

and move about a landscape that is

1528

01:15:14,600 --> 01:15:10,980

already surrounded by certain geometries

1529

01:15:19,879 --> 01:15:14,610

and and formations which are a pulsating

1530

01:15:22,220 --> 01:15:19,889

harmony and you know very sophisticated

1531

01:15:23,930 --> 01:15:22,230

codes of light if you will that's this

1532

01:15:26,569 --> 01:15:23,940

way I'll put it that really interact

1533

01:15:30,080 --> 01:15:26,579

with the human body I would just love to

1534

01:15:32,419 --> 01:15:30,090

be there right now receiving this kind

1535

01:15:35,060 --> 01:15:32,429

of energy like an imagined being in the

1536

01:15:37,129 --> 01:15:35,070

river and Renly been or even sitting by

1537

01:15:40,129 --> 01:15:37,139

the tour Magdala you know up and Renly

1538

01:15:41,569 --> 01:15:40,139

chateau and literally just you know feet

1539

01:15:43,640 --> 01:15:41,579

on the ground you're sitting on the

1540

01:15:45,109 --> 01:15:43,650

bench up there you know bare feet on the

1541

01:15:48,799 --> 01:15:45,119

ground plugged in and you're just

1542

01:15:53,270 --> 01:15:48,809

receiving this incredible cosmic energy

1543

01:15:56,270 --> 01:15:53,280

in a place that's already so connected

1544

01:15:59,330 --> 01:15:56,280

to the earth in the sky you know I mean

1545

01:16:02,569 --> 01:15:59,340

there is so little separation there that

1546

01:16:05,890 --> 01:16:02,579

it would just be quite the experience to

1547

01:16:08,870 --> 01:16:05,900

be there it would be like receiving

1548

01:16:12,859 --> 01:16:08,880

assure you both of lightning I would

1549

01:16:14,450 --> 01:16:12,869

think wow you know that would be a place

1550

01:16:17,270 --> 01:16:14,460

to be I know you won't see the total

1551
01:16:20,419 --> 01:16:17,280
eclipse from there there's only a couple

1552
01:16:23,720 --> 01:16:20,429
places that are populated that people

1553
01:16:28,279 --> 01:16:23,730
can actually get to and a couple of

1554
01:16:31,010 --> 01:16:28,289
islands in Northern Europe and I I heard

1555
01:16:35,569 --> 01:16:31,020
today a guy on NPR who had actually

1556
01:16:39,439 --> 01:16:35,579
flown there for that very event he said

1557
01:16:42,350 --> 01:16:39,449
about 8,000 people had shown up to to

1558
01:16:46,310 --> 01:16:42,360
the island where he was to have a look

1559
01:16:49,819 --> 01:16:46,320
at the total eclipse tonight and you

1560
01:16:54,549 --> 01:16:49,829
know other than that now I did hear that

1561
01:16:59,330 --> 01:16:54,559
also that tonight I think it's at 430am

1562
01:17:02,479 --> 01:16:59,340
eastern time people can begin to watch

1563
01:17:05,870 --> 01:17:02,489

the Eclipse and view the total eclipse

1564

01:17:09,529 --> 01:17:05,880

online you know from where it will be

1565

01:17:12,470 --> 01:17:09,539

visible now that'll be I guess one

1566

01:17:13,850 --> 01:17:12,480

thirty in the morning pacific time where

1567

01:17:17,090 --> 01:17:13,860

I'm located

1568

01:17:19,609 --> 01:17:17,100

I'll probably be asleep and I'm hoping

1569

01:17:23,660 --> 01:17:19,619

that I can just click on it tomorrow

1570

01:17:27,050 --> 01:17:23,670

when I get up and experience it in you

1571

01:17:28,430 --> 01:17:27,060

know belatedly but it should be

1572

01:17:30,950 --> 01:17:28,440

interesting to watch and that's how you

1573

01:17:33,790 --> 01:17:30,960

can see it if you're not where you can

1574

01:17:37,760 --> 01:17:33,800

see it you can tune in on that would be

1575

01:17:43,280 --> 01:17:37,770

130 a.m. pacific time for 30 a.m.

1576

01:17:45,140 --> 01:17:43,290

eastern time so goodness boy the chat

1577

01:17:49,070 --> 01:17:45,150

room is just going and going but i want

1578

01:17:50,750 --> 01:17:49,080

to carry on with this RLC conversation

1579

01:17:52,399 --> 01:17:50,760

if we'd okay i was going to save you

1580

01:17:56,840 --> 01:17:52,409

want to take questions I'll take them

1581

01:17:58,700 --> 01:17:56,850

yeah well I want to kind of go out now

1582

01:18:01,129 --> 01:17:58,710

my goodness what what is going on here

1583

01:18:07,520 --> 01:18:01,139

that they're talking about all kinds of

1584

01:18:10,280 --> 01:18:07,530

things uh the earth changes let's say

1585

01:18:12,320 --> 01:18:10,290

sorry i'm just gonna going to keep going

1586

01:18:16,250 --> 01:18:12,330

because i'd have to scroll back I'm

1587

01:18:18,020 --> 01:18:16,260

sorry guys I if you if you've sent me a

1588

01:18:20,870 --> 01:18:18,030

question in the chat room if you

1589

01:18:24,350 --> 01:18:20,880

wouldn't mind copy it and paste it into

1590

01:18:27,290 --> 01:18:24,360

the window again for me and if when you

1591

01:18:29,330 --> 01:18:27,300

do oppose a question if you could do it

1592

01:18:30,649 --> 01:18:29,340

in all caps I can see it easily and pick

1593

01:18:33,280 --> 01:18:30,659

it out of the crowd which post you guys

1594

01:18:36,550 --> 01:18:33,290

do that anyway so you know the drill

1595

01:18:40,189 --> 01:18:36,560

anyhow but back in rimless chateau so

1596

01:18:42,830 --> 01:18:40,199

what do you expect that our dear friends

1597

01:18:45,770 --> 01:18:42,840

who are fortunate enough to be there

1598

01:18:48,649 --> 01:18:45,780

tonight and tomorrow what do you expect

1599

01:18:53,990 --> 01:18:48,659

that they're going to be experiencing

1600

01:18:55,459 --> 01:18:54,000

there uh and what you know what what

1601
01:18:57,919 --> 01:18:55,469
would you do if you were there what

1602
01:19:00,020 --> 01:18:57,929
would you be doing hey well if i was

1603
01:19:01,430 --> 01:19:00,030
there you know i I don't I don't know

1604
01:19:02,959 --> 01:19:01,440
what some of the people expect there

1605
01:19:05,030 --> 01:19:02,969
because they live there every day so

1606
01:19:07,160 --> 01:19:05,040
they kind of you know they kind of get

1607
01:19:08,930 --> 01:19:07,170
used to the energy there but if i were

1608
01:19:11,689 --> 01:19:08,940
there if their first of all it was warm

1609
01:19:15,620 --> 01:19:11,699
enough my feet would be in the water in

1610
01:19:19,129 --> 01:19:15,630
the river in relevant that's where I'd

1611
01:19:21,020 --> 01:19:19,139
um I'd be connecting to the light coming

1612
01:19:23,419 --> 01:19:21,030
in I'd be connected to the water i

1613
01:19:25,129 --> 01:19:23,429

believe the water is actually you know

1614

01:19:26,420 --> 01:19:25,139

filled with the light I think it's

1615

01:19:29,060 --> 01:19:26,430

filled with warmest

1616

01:19:31,760 --> 01:19:29,070

think it's you know pure magic and

1617

01:19:34,670 --> 01:19:31,770

that's where I'd be if it wasn't warm

1618

01:19:37,940 --> 01:19:34,680

enough to do that I would probably be up

1619

01:19:40,460 --> 01:19:37,950

at rennes-le-château sitting on the

1620

01:19:44,060 --> 01:19:40,470

bench by the tour Magdala has kind of

1621

01:19:47,240 --> 01:19:44,070

taken it all in looking at me now Alan

1622

01:19:49,670 --> 01:19:47,250

I'm yeah looking out over the valley and

1623

01:19:52,580 --> 01:19:49,680

just you know because you know Henry is

1624

01:19:55,010 --> 01:19:52,590

so clear about the tour Magdala being

1625

01:19:57,530 --> 01:19:55,020

placed it really stretched to the end of

1626

01:19:59,990 --> 01:19:57,540

that line that goes all the way through

1627

01:20:02,390 --> 01:20:00,000

to arc and then to the cave just beyond

1628

01:20:04,910 --> 01:20:02,400

the grotto just beyond Ark I would want

1629

01:20:07,580 --> 01:20:04,920

to be in a landscape right near a

1630

01:20:09,860 --> 01:20:07,590

landscape point that I knew was

1631

01:20:11,360 --> 01:20:09,870

incredibly potent I might be an S Peraza

1632

01:20:13,820 --> 01:20:11,370

at the center of the six pointed star

1633

01:20:16,430 --> 01:20:13,830

that's another another place but I would

1634

01:20:18,890 --> 01:20:16,440

find some place in the landscape that's

1635

01:20:20,510 --> 01:20:18,900

incredibly potent you know love peak the

1636

01:20:22,370 --> 01:20:20,520

center of the five pointed star and

1637

01:20:25,220 --> 01:20:22,380

that's where I'd plant myself and I

1638

01:20:27,830 --> 01:20:25,230

would just do a quiet meditation or just

1639

01:20:31,190 --> 01:20:27,840

relax just enjoy the beauty and just

1640

01:20:33,050 --> 01:20:31,200

take it all in yeah yeah and you're

1641

01:20:36,140 --> 01:20:33,060

right i think it does make a difference

1642

01:20:39,310 --> 01:20:36,150

if you are there all the time I think

1643

01:20:42,770 --> 01:20:39,320

you do sort of conform to that energy

1644

01:20:44,630 --> 01:20:42,780

you know and then but when you get away

1645

01:20:47,600 --> 01:20:44,640

from it and then come back i think it's

1646

01:20:50,320 --> 01:20:47,610

it's all the more powerful so it's kind

1647

01:20:53,330 --> 01:20:50,330

of nice to go away and come back again

1648

01:20:54,830 --> 01:20:53,340

it is it is i mean i don't know what

1649

01:20:58,520 --> 01:20:54,840

it's like living there twenty-four/seven

1650

01:21:02,560 --> 01:20:58,530

but I know when I go it's my mom my

1651
01:21:05,270 --> 01:21:02,570
body's just so happy to be there oh wow

1652
01:21:06,980 --> 01:21:05,280
I've got one last question for you we're

1653
01:21:10,460 --> 01:21:06,990
down to the final five minutes and it's

1654
01:21:12,710 --> 01:21:10,470
a doozy for a doozy oh and I made a

1655
01:21:17,030 --> 01:21:12,720
brine because it it's a doozy and it's

1656
01:21:20,330 --> 01:21:17,040
from someone who's so cruzi would like

1657
01:21:27,200 --> 01:21:20,340
to know what is Gloria's all-time best

1658
01:21:30,380 --> 01:21:27,210
experience and I can't quite read the

1659
01:21:32,420 --> 01:21:30,390
and what is her dream Oh what is your

1660
01:21:35,090 --> 01:21:32,430
best experience that you've had so far

1661
01:21:40,060 --> 01:21:35,100
and what is the experience that you

1662
01:21:43,810 --> 01:21:40,070
dream of having just in general

1663
01:21:46,000 --> 01:21:43,820

yeah I think probably I mean the way I'm

1664

01:21:47,890 --> 01:21:46,010

interpreting it I could be wrong but I

1665

01:21:51,069 --> 01:21:47,900

would think you know a spiritual

1666

01:21:53,800 --> 01:21:51,079

experience or a paranormal or psychic

1667

01:22:00,879 --> 01:21:53,810

experience or somehow a profound

1668

01:22:02,439 --> 01:22:00,889

experience okay all right hmm well you

1669

01:22:06,270 --> 01:22:02,449

know seriously there have been so many

1670

01:22:08,740 --> 01:22:06,280

on this journey to sing back quickly to

1671

01:22:12,100 --> 01:22:08,750

what might have been the most amazing

1672

01:22:14,530 --> 01:22:12,110

one is kind of it's kind of hard to pick

1673

01:22:20,290 --> 01:22:14,540

up really quickly but I will tell you

1674

01:22:23,109 --> 01:22:20,300

that when I was in France last September

1675

01:22:25,390 --> 01:22:23,119

and I had done enough past life work

1676

01:22:27,689 --> 01:22:25,400

where I wasn't really sad to be in a

1677

01:22:30,250 --> 01:22:27,699

certain location and have a memory or

1678

01:22:32,140 --> 01:22:30,260

you know just had to deal with some of

1679

01:22:37,859 --> 01:22:32,150

that when I was pretty clear on a

1680

01:22:41,979 --> 01:22:37,869

personal level I remember being at the

1681

01:22:44,200 --> 01:22:41,989

dr kelan's garden in Renly been and I

1682

01:22:46,120 --> 01:22:44,210

remember just sitting by the river not

1683

01:22:49,060 --> 01:22:46,130

knowing I was going to start channeling

1684

01:22:50,620 --> 01:22:49,070

and what's in the book but really it was

1685

01:22:52,990 --> 01:22:50,630

just such a gorgeous day I was just

1686

01:22:56,800 --> 01:22:53,000

sitting there trying to get just trying

1687

01:22:58,839 --> 01:22:56,810

to to to absorb the Sun and feel the

1688

01:23:03,520 --> 01:22:58,849

peace and listen to the water I was just

1689

01:23:09,939 --> 01:23:03,530

really happy to be there and it was that

1690

01:23:12,520 --> 01:23:09,949

moment where is the light came in in a

1691

01:23:16,950 --> 01:23:12,530

way that I've never been able to

1692

01:23:20,890 --> 01:23:16,960

perceive before and I knew I had broken

1693

01:23:24,310 --> 01:23:20,900

broken into I knew I had pushed through

1694

01:23:27,540 --> 01:23:24,320

I knew I had I don't know what the right

1695

01:23:31,089 --> 01:23:27,550

words are but I was experiencing

1696

01:23:32,919 --> 01:23:31,099

multi-dimensional reality at its best in

1697

01:23:36,520 --> 01:23:32,929

one of my favorite places in the world

1698

01:23:39,220 --> 01:23:36,530

and when the hologram opened from that

1699

01:23:41,050 --> 01:23:39,230

light and I could see Mary Magdalene

1700

01:23:43,680 --> 01:23:41,060

doing her healing work by the river

1701

01:23:48,100 --> 01:23:43,690

there it was just one of those moments

1702

01:23:50,890 --> 01:23:48,110

that I'll never forget there's been so

1703

01:23:53,250 --> 01:23:50,900

many but you know doing the great work

1704

01:23:56,790 --> 01:23:53,260

doing the alchemical work

1705

01:23:59,880 --> 01:23:56,800

is a tough slog for a lot of years but

1706

01:24:03,380 --> 01:23:59,890

that was kind of like the payoff finally

1707

01:24:07,230 --> 01:24:03,390

after so many years of of you know

1708

01:24:09,480 --> 01:24:07,240

clearing the stuff inside the old

1709

01:24:11,340 --> 01:24:09,490

believes the old memories blah blah blah

1710

01:24:13,590 --> 01:24:11,350

blah blah all that stuff that we have to

1711

01:24:16,800 --> 01:24:13,600

go through and I think for me that was

1712

01:24:19,380 --> 01:24:16,810

just like just the pinnacle of oh my god

1713

01:24:21,810 --> 01:24:19,390

this is the fruit of your labor in this

1714

01:24:24,240 --> 01:24:21,820

moment is being able to perceive all

1715

01:24:28,170 --> 01:24:24,250

this and then still just be sitting on

1716

01:24:31,530 --> 01:24:28,180

the park bench being peaceful enjoying

1717

01:24:34,020 --> 01:24:31,540

the day you know it was just I felt

1718

01:24:35,910 --> 01:24:34,030

right now that does sound like a great

1719

01:24:38,760 --> 01:24:35,920

moment and then in the last minute a

1720

01:24:47,880 --> 01:24:38,770

half is there something you're trying to

1721

01:24:50,690 --> 01:24:47,890

achieve some particular experience well

1722

01:24:54,210 --> 01:24:50,700

what I would like to really be able to

1723

01:24:56,310 --> 01:24:54,220

do on a physical level is I would like

1724

01:25:00,480 --> 01:24:56,320

to be able to take some of the healing

1725

01:25:03,120 --> 01:25:00,490

dreams where I see people healing me and

1726

01:25:05,850 --> 01:25:03,130

others in dreams physically like Jesus

1727

01:25:08,400 --> 01:25:05,860

did like others did I would like to be

1728

01:25:09,900 --> 01:25:08,410

part of a not just me but a large group

1729

01:25:12,150 --> 01:25:09,910

of people who all of a sudden could

1730

01:25:14,790 --> 01:25:12,160

figure that out and and start helping

1731

01:25:18,420 --> 01:25:14,800

people just start alleviating the

1732

01:25:21,270 --> 01:25:18,430

suffering in the world mmm physical

1733

01:25:23,220 --> 01:25:21,280

emotional mental suffering just really

1734

01:25:25,500 --> 01:25:23,230

being able to just wave your hand and

1735

01:25:29,790 --> 01:25:25,510

heal people so that they can live a good

1736

01:25:35,270 --> 01:25:29,800

life Oh that'd be wonderful that would

1737

01:25:37,860 --> 01:25:35,280

be wonderful shades of of John of God

1738

01:25:41,730 --> 01:25:37,870

yeah I mean it's what we're all supposed

1739

01:25:45,030 --> 01:25:41,740

to be capable of all of us well you know

1740

01:25:48,780 --> 01:25:45,040

maybe one day well we are evolving you

1741

01:25:51,060 --> 01:25:48,790

know we we do have we are evolving our

1742

01:25:54,690 --> 01:25:51,070

abilities and evolving everything else

1743

01:25:57,060 --> 01:25:54,700

now Gloria we are down to like the final

1744

01:25:59,580 --> 01:25:57,070

ten seconds of the show so I want to

1745

01:26:02,730 --> 01:25:59,590

thank you for agree to come on and help

1746

01:26:05,130 --> 01:26:02,740

us out with this information about all

1747

01:26:06,160 --> 01:26:05,140

this craziness that's going on with the

1748

01:26:08,439 --> 01:26:06,170

Sun and the moon

1749

01:26:09,490 --> 01:26:08,449

which is also another mirror because the

1750

01:26:11,200 --> 01:26:09,500

you know the Sun and the moon the

1751

01:26:14,050 --> 01:26:11,210

masculine and the feminine and we've got

1752

01:26:16,570 --> 01:26:14,060

these aspects coming together all on one

1753

01:26:18,850 --> 01:26:16,580

day which is the equinox which is just

1754

01:26:21,310 --> 01:26:18,860

crazy so thanks for helping us out with

1755

01:26:23,800 --> 01:26:21,320

all that and I hope take care of my

1756

01:26:26,590 --> 01:26:23,810

pleasure was great to be on Renee well

1757

01:26:29,709 --> 01:26:26,600

thank you so much and thanks to our

1758

01:26:31,570 --> 01:26:29,719

wonderful producer MJ we love you thanks

1759

01:26:34,450 --> 01:26:31,580

so much for being there with us every

1760

01:26:36,939 --> 01:26:34,460

single week and thank you most of all to

1761

01:26:40,870 --> 01:26:36,949

my chat roomies who keep me in line

1762

01:26:43,930 --> 01:26:40,880

during the show and entertain me with

1763

01:26:47,350 --> 01:26:43,940

their questions and very intelligent
