

Exposing the Truth, One Secret at a Time

NIGHTVISION

Host: René Barnett

RADIO

Tom Paladino

1
00:00:09,009 --> 00:00:02,360
you're locked into inception radio

2
00:00:16,210 --> 00:00:12,640
your tool in tonight vision radio

3
00:00:19,010 --> 00:00:16,220
exposing the truth one secret at a time

4
00:00:21,499 --> 00:00:19,020
prepare yourself as we explore the

5
00:00:25,220 --> 00:00:21,509
shadow world of suppressed history

6
00:00:27,530 --> 00:00:25,230
secret knowledge forbidden religion and

7
00:00:45,760 --> 00:00:27,540
shine a light on the conspiracies to

8
00:00:45,770 --> 00:01:01,560
you know

9
00:01:01,570 --> 00:01:10,540
you

10
00:01:10,550 --> 00:01:15,210
welcome to night vision radio

11
00:01:19,870 --> 00:01:18,220
well welcome welcome indeed thanks so

12
00:01:22,000 --> 00:01:19,880
much for joining us tonight we have a

13
00:01:24,700 --> 00:01:22,010

great show planned for you and we're

14

00:01:27,700 --> 00:01:24,710

going to get right into tonight's guest

15

00:01:29,830 --> 00:01:27,710

and tonight subject matter in just a

16

00:01:31,450 --> 00:01:29,840

moment I want to make a couple of

17

00:01:34,480 --> 00:01:31,460

announcements I hope your week has been

18

00:01:36,520 --> 00:01:34,490

going well as we sort of slide into the

19

00:01:39,220 --> 00:01:36,530

weekend here I've been having a great

20

00:01:42,250 --> 00:01:39,230

week my old best friend from back home

21

00:01:45,670 --> 00:01:42,260

back in Oklahoma is out visiting with me

22

00:01:47,740 --> 00:01:45,680

so it's been really really nice it's so

23

00:01:49,660 --> 00:01:47,750

nice to have friends that you've had

24

00:01:51,430 --> 00:01:49,670

over decades and I'm not going to say

25

00:01:52,870 --> 00:01:51,440

how many decades because that's going to

26

00:01:55,090 --> 00:01:52,880

be telling off on both of us and I don't

27

00:01:57,219 --> 00:01:55,100

think she'd appreciate it but it sure

28

00:01:59,830 --> 00:01:57,229

wonderful having my friend Myrna here

29

00:02:02,160 --> 00:01:59,840

visiting this week and I hope she can

30

00:02:04,840 --> 00:02:02,170

stay a long time and come back soon

31

00:02:10,570 --> 00:02:04,850

anyhow also I wanted to remind everyone

32

00:02:13,810 --> 00:02:10,580

that I am taking inquiries on the trip

33

00:02:14,949 --> 00:02:13,820

to france in may right now it looks like

34

00:02:19,180 --> 00:02:14,959

it's going to be around the second week

35

00:02:21,790 --> 00:02:19,190

i believe it's the tenth of May that it

36

00:02:24,820 --> 00:02:21,800

would be starting a one-week tour to

37

00:02:27,970 --> 00:02:24,830

southwest France to my favorite favorite

38

00:02:29,830 --> 00:02:27,980

area of the entire world and this trip

39

00:02:33,520 --> 00:02:29,840

will probably be a relatively small

40

00:02:36,310 --> 00:02:33,530

group and it really wasn't a planned

41

00:02:38,500 --> 00:02:36,320

tour this time necessarily although I'm

42

00:02:40,630 --> 00:02:38,510

always trying to get back over there but

43

00:02:43,630 --> 00:02:40,640

this was sort of sprung up organically

44

00:02:46,990 --> 00:02:43,640

with people asking me questions about

45

00:02:48,910 --> 00:02:47,000

how you know when I was going back if I

46

00:02:51,370 --> 00:02:48,920

was going back this spring and I'd

47

00:02:55,090 --> 00:02:51,380

certainly like to because I'd love to

48

00:02:57,370 --> 00:02:55,100

meet with our good friend mr. Henry

49

00:02:59,770 --> 00:02:57,380

Lincoln he'll be with us on the tour who

50

00:03:01,390 --> 00:02:59,780

as a lot of you listeners know

51
00:03:04,060 --> 00:03:01,400
especially the ones that know me very

52
00:03:07,420 --> 00:03:04,070
well he's sort of the Grand Master of

53
00:03:10,509 --> 00:03:07,430
the entire Da Vinci Code mystery with

54
00:03:15,100 --> 00:03:10,519
his BBC Chronicle documentaries from the

55
00:03:17,650 --> 00:03:15,110
late 60s and 70s to the publication of

56
00:03:20,890 --> 00:03:17,660
the highly controversial book Holy Blood

57
00:03:23,470 --> 00:03:20,900
Holy Grail in 1982 and his subsequent

58
00:03:26,949 --> 00:03:23,480
books about that very region called the

59
00:03:28,450 --> 00:03:26,959
holy place and key to the sacred pattern

60
00:03:30,850 --> 00:03:28,460
and others and

61
00:03:33,580 --> 00:03:30,860
work that's coming out shortly he'll be

62
00:03:35,410 --> 00:03:33,590
with us as well as a best-selling author

63
00:03:37,750 --> 00:03:35,420

Tim Wallace Murphy who's an expert on

64

00:03:39,730 --> 00:03:37,760

the Knights Templar and also around the

65

00:03:42,520 --> 00:03:39,740

mysteries surrounding that region of

66

00:03:44,950 --> 00:03:42,530

southwest France as well as in

67

00:03:46,630 --> 00:03:44,960

tentatively scheduled we have Gloria

68

00:03:48,040 --> 00:03:46,640

Amendola who most of you know if you

69

00:03:50,860 --> 00:03:48,050

listen to the shell very long because

70

00:03:54,190 --> 00:03:50,870

she's a recurring guest one of our very

71

00:03:57,490 --> 00:03:54,200

very dear friends an amazing speaker an

72

00:04:01,180 --> 00:03:57,500

amazing teacher and an author so we are

73

00:04:05,050 --> 00:04:01,190

going to have a wonderful wonderful time

74

00:04:06,940 --> 00:04:05,060

exploring those areas of the longwood

75

00:04:08,800 --> 00:04:06,950

doc of southwest France I mean it's just

76

00:04:11,800 --> 00:04:08,810

an amazing place if you want more

77

00:04:14,470 --> 00:04:11,810

information about it please just send me

78

00:04:17,110 --> 00:04:14,480

a message through inception or through

79

00:04:22,780 --> 00:04:17,120

my facebook page and be sure and friend

80

00:04:24,430 --> 00:04:22,790

me on face book ending me friendly

81

00:04:25,690 --> 00:04:24,440

pretty soon because I'm only thinking I

82

00:04:28,360 --> 00:04:25,700

think I only have a couple hundred more

83

00:04:30,100 --> 00:04:28,370

slots left before they start blocking me

84

00:04:32,710 --> 00:04:30,110

I think you have a five thousand friend

85

00:04:35,080 --> 00:04:32,720

limit or something like that so I'd love

86

00:04:36,820 --> 00:04:35,090

to hear from you about the show about

87

00:04:39,850 --> 00:04:36,830

any suggestions that you might have for

88

00:04:45,750 --> 00:04:39,860

guests and four subjects I always love

89

00:04:49,690 --> 00:04:45,760

to hear that and a lot of us tonight so

90

00:04:52,810 --> 00:04:49,700

please let me hear from you either about

91

00:04:55,000 --> 00:04:52,820

the show about anything you know that

92

00:04:57,820 --> 00:04:55,010

we're interested in in our subject area

93

00:05:00,790 --> 00:04:57,830

and about the trip to France so tonight

94

00:05:03,190 --> 00:05:00,800

I want to thank my friend Patricia Baker

95

00:05:07,330 --> 00:05:03,200

for recommending my guest tonight

96

00:05:09,280 --> 00:05:07,340

because I've been reading up on him and

97

00:05:12,010 --> 00:05:09,290

on his work and it's pretty interesting

98

00:05:15,220 --> 00:05:12,020

and it's pretty exciting exciting and a

99

00:05:18,360 --> 00:05:15,230

little bit scary because we're getting

100

00:05:21,900 --> 00:05:18,370

into the world of suppressed medicine

101
00:05:25,240 --> 00:05:21,910
suppressed healing suppressed cures of

102
00:05:28,300 --> 00:05:25,250
diseases and conditions and relief to

103
00:05:31,150 --> 00:05:28,310
people who are sick and suffering so

104
00:05:34,300 --> 00:05:31,160
tonight as my guest is Tom Palladino

105
00:05:38,010 --> 00:05:34,310
he's a researcher into this area and he

106
00:05:40,750 --> 00:05:38,020
has some technology which is doing quite

107
00:05:42,159 --> 00:05:40,760
some amazing things but he is no

108
00:05:44,760 --> 00:05:42,169
stranger to

109
00:05:48,249 --> 00:05:44,770
this idea of suppression of information

110
00:05:51,219 --> 00:05:48,259
tomm welcome to the show oh thank you

111
00:05:54,159 --> 00:05:51,229
it's great to be here thanks so much I'm

112
00:05:56,230 --> 00:05:54,169
so glad you're here and I'm sure you

113
00:05:59,080 --> 00:05:56,240

know exactly what I'm talking about I

114

00:06:00,760 --> 00:05:59,090

mean we've heard lots of times where you

115

00:06:03,489 --> 00:06:00,770

know we've heard there's a cure for

116

00:06:06,909 --> 00:06:03,499

cancer and then suddenly it's outlawed

117

00:06:10,269 --> 00:06:06,919

by the FDA or FDA or suppress somehow

118

00:06:11,439 --> 00:06:10,279

it's made it illegal and maybe some of

119

00:06:15,480 --> 00:06:11,449

those people end up going to another

120

00:06:21,489 --> 00:06:15,490

country and using their science or their

121

00:06:25,269 --> 00:06:21,499

technology and your technology has to do

122

00:06:27,640 --> 00:06:25,279

with scalar energy am I correct that's

123

00:06:30,159 --> 00:06:27,650

correct I work exclusively with scalar

124

00:06:32,260 --> 00:06:30,169

energy that's right now for those of us

125

00:06:33,969 --> 00:06:32,270

like people and for those of us who

126

00:06:36,309 --> 00:06:33,979

don't very know very much about that

127

00:06:38,260 --> 00:06:36,319

which I'm definitely including myself in

128

00:06:41,230 --> 00:06:38,270

there could you tell us a little bit

129

00:06:44,230 --> 00:06:41,240

about what scalar energy is what are

130

00:06:45,850 --> 00:06:44,240

scalar waves sure there are two energies

131

00:06:48,189 --> 00:06:45,860

in the universe everybody's familiar

132

00:06:51,490 --> 00:06:48,199

with electricity and magnetism that's

133

00:06:53,889 --> 00:06:51,500

the electromagnetic spectrum I work with

134

00:06:57,040 --> 00:06:53,899

another energy that is known as scalar

135

00:07:00,420 --> 00:06:57,050

energy everybody's familiar with it it's

136

00:07:03,249 --> 00:07:00,430

known as synonymous terms are cheap rana

137

00:07:06,339 --> 00:07:03,259

zero-point energy some people call it

138

00:07:09,059 --> 00:07:06,349

intuition some people term it as Christ

139

00:07:11,920 --> 00:07:09,069

consciousness or the life force energy

140

00:07:14,529 --> 00:07:11,930

well in a nutshell there's two energies

141

00:07:17,260 --> 00:07:14,539

in the universe and I choose to work and

142

00:07:19,179 --> 00:07:17,270

experiment with scalar energy on account

143

00:07:21,489 --> 00:07:19,189

of the fact that scale energy is much

144

00:07:27,929 --> 00:07:21,499

more versatile and offers much greater

145

00:07:31,719 --> 00:07:27,939

promise than that of electricity hmm now

146

00:07:34,059 --> 00:07:31,729

you know when people start getting into

147

00:07:35,999 --> 00:07:34,069

these well I don't guess it's new a new

148

00:07:39,570 --> 00:07:36,009

kind of energy it's just something that

149

00:07:42,579 --> 00:07:39,580

we've only been hearing about recently

150

00:07:44,950 --> 00:07:42,589

but when this new information starts

151

00:07:46,809 --> 00:07:44,960

getting out and this is going back in

152

00:07:50,559 --> 00:07:46,819

time and we're talking about it you know

153

00:07:53,829 --> 00:07:50,569

look at Nikola Tesla how much trouble he

154

00:07:55,659 --> 00:07:53,839

had getting his technology out didn't

155

00:07:58,639 --> 00:07:55,669

they burn his lab

156

00:08:02,629 --> 00:07:58,649

steal his files and in that sort of

157

00:08:05,649 --> 00:08:02,639

thing now in this area is there a

158

00:08:09,049 --> 00:08:05,659

suppression of this type of information

159

00:08:11,989 --> 00:08:09,059

absolutely absolutely it's it's very

160

00:08:14,749 --> 00:08:11,999

discreet yet it's been very effective as

161

00:08:18,109 --> 00:08:14,759

you mentioned Nikola Tesla the great

162

00:08:19,699 --> 00:08:18,119

inventor the great scientist Tesla the

163

00:08:21,829 --> 00:08:19,709

latter part of his work who was working

164

00:08:24,350 --> 00:08:21,839

with scalar energy and he was quite

165

00:08:26,600 --> 00:08:24,360

successful and frankly I believe he

166

00:08:29,959 --> 00:08:26,610

intimidated the powers that be at that

167

00:08:32,420 --> 00:08:29,969

time JP Morgan at one time had an

168

00:08:35,179 --> 00:08:32,430

interest in Tesla's work but when it

169

00:08:37,360 --> 00:08:35,189

came to JP Morgan's intention that Tessa

170

00:08:40,249 --> 00:08:37,370

was about to introduce this relatively

171

00:08:43,429 --> 00:08:40,259

inexpensive source of energy scalar

172

00:08:46,249 --> 00:08:43,439

energy JP Morgan pulled his funding I'm

173

00:08:49,280 --> 00:08:46,259

all support for for Tesla well

174

00:08:52,790 --> 00:08:49,290

subsequent to that didn't he say

175

00:08:55,850 --> 00:08:52,800

something famously like I can't put a

176

00:08:57,860 --> 00:08:55,860

meter on that yes yes yeah so in other

177

00:09:00,350 --> 00:08:57,870

words I can't make any money from it so

178

00:09:02,509 --> 00:09:00,360

I'm not going to report it exactly

179

00:09:05,509 --> 00:09:02,519

exactly Tesla was the humanitarian that

180

00:09:09,620 --> 00:09:05,519

the great soul that he he was a really

181

00:09:10,939 --> 00:09:09,630

fine gentleman and JP Morgan simply one

182

00:09:15,230 --> 00:09:10,949

of the puppets of the Roth's child

183

00:09:16,579 --> 00:09:15,240

family simply would not have that JP

184

00:09:19,460 --> 00:09:16,589

Morgan and the Rothschilds were

185

00:09:23,840 --> 00:09:19,470

threatened by Tessa and by his work with

186

00:09:26,389 --> 00:09:23,850

scalar energy so after it came to the

187

00:09:28,780 --> 00:09:26,399

attention of JP Morgan that Tesla was

188

00:09:32,210 --> 00:09:28,790

about to introduce to the world a

189

00:09:34,400 --> 00:09:32,220

improved way of powering the world power

190

00:09:38,499 --> 00:09:34,410

generation for the world that would

191

00:09:42,230 --> 00:09:38,509

essentially supplant kool & Electric

192

00:09:43,879 --> 00:09:42,240

electricity and oil well JP Morgan and

193

00:09:46,790 --> 00:09:43,889

the Rothschilds would have nothing to do

194

00:09:49,819 --> 00:09:46,800

with that so they parted their ways and

195

00:09:56,269 --> 00:09:49,829

from that point forward JP Morgan became

196

00:10:00,470 --> 00:09:56,279

a thorn in pesticide yeah absolutely so

197

00:10:04,129 --> 00:10:00,480

in is there you know then Tesla

198

00:10:07,309 --> 00:10:04,139

technology thats related to what you're

199

00:10:09,159 --> 00:10:07,319

doing and is there you know or some

200

00:10:12,529 --> 00:10:09,169

thats was suppressed at that

201
00:10:15,589 --> 00:10:12,539
well well let me see this and the

202
00:10:18,559 --> 00:10:15,599
evidence bears this out upon Nikola

203
00:10:21,499 --> 00:10:18,569
Tesla's death the US government seized

204
00:10:24,829 --> 00:10:21,509
all of his notes in his inventions in

205
00:10:28,189 --> 00:10:24,839
his New York City apartment and

206
00:10:32,119 --> 00:10:28,199
laboratory and by-laws all of those

207
00:10:34,369 --> 00:10:32,129
notes all of those inventions have never

208
00:10:37,609 --> 00:10:34,379
seen daylight well for what reason

209
00:10:40,729 --> 00:10:37,619
what's the point if Tessa had so much to

210
00:10:44,149 --> 00:10:40,739
offer mankind and if his inventions were

211
00:10:46,189 --> 00:10:44,159
just so awe-inspiring why haven't these

212
00:10:49,069 --> 00:10:46,199
notes why haven't these inventions been

213
00:10:52,789 --> 00:10:49,079

released well it's obvious that that the

214

00:10:55,519 --> 00:10:52,799

u.s. government has has not wanted to

215

00:10:59,149 --> 00:10:55,529

release this incredible if you will

216

00:11:02,629 --> 00:10:59,159

wealth of information and to this day we

217

00:11:05,329 --> 00:11:02,639

see suppression of technology that would

218

00:11:08,329 --> 00:11:05,339

advance mankind but the powers that be

219

00:11:11,059 --> 00:11:08,339

and some governments are part of the

220

00:11:14,649 --> 00:11:11,069

problem are not willing to step forward

221

00:11:17,569 --> 00:11:14,659

and two to announce this armed or if

222

00:11:20,869 --> 00:11:17,579

anything are serving to suppress this

223

00:11:23,719 --> 00:11:20,879

technology all to the detriment of the

224

00:11:26,269 --> 00:11:23,729

people this is meant to keep the power

225

00:11:29,539 --> 00:11:26,279

elite in control it's as simple as that

226

00:11:31,999 --> 00:11:29,549

and sadly them the power elite has their

227

00:11:34,699 --> 00:11:32,009

henchmen and sometimes the the henchmen

228

00:11:36,829 --> 00:11:34,709

are government officials who stand in

229

00:11:42,859 --> 00:11:36,839

the way of progress all of this is done

230

00:11:45,739 --> 00:11:42,869

for the selfish gain of the elite yeah

231

00:11:50,379 --> 00:11:45,749

absolutely i mean it's it's you know

232

00:11:53,119 --> 00:11:50,389

it's it's big big pharmaceuticals and

233

00:11:55,969 --> 00:11:53,129

it's you know the medical business i

234

00:11:59,119 --> 00:11:55,979

guess in general and is it insurance

235

00:12:03,039 --> 00:11:59,129

companies is it and how does the fda

236

00:12:06,079 --> 00:12:03,049

come in is it because of the lobbyists

237

00:12:09,499 --> 00:12:06,089

let's just say it we'd have to be very

238

00:12:11,719 --> 00:12:09,509

specific with each with each

239

00:12:15,349 --> 00:12:11,729

consideration so i won't make a blanket

240

00:12:17,989 --> 00:12:15,359

statement i will say that there are some

241

00:12:20,389 --> 00:12:17,999

people in in big business in government

242

00:12:22,759 --> 00:12:20,399

that are serving to suppress this

243

00:12:25,759 --> 00:12:22,769

technology that that's been proven

244

00:12:28,400 --> 00:12:25,769

route throughout the centuries for

245

00:12:30,949 --> 00:12:28,410

whatever reason ultimately it's a matter

246

00:12:34,669 --> 00:12:30,959

of money and power that that's the

247

00:12:37,069 --> 00:12:34,679

motivation here in in a nutshell the

248

00:12:40,069 --> 00:12:37,079

powers that be do not want to upset the

249

00:12:43,340 --> 00:12:40,079

apple cart there are monopolies frankly

250

00:12:46,629 --> 00:12:43,350

if Nikola Tesla's technology would have

251
00:12:49,999 --> 00:12:46,639
been embraced and utilized then this

252
00:12:53,090 --> 00:12:50,009
incredible man with his incredible

253
00:12:54,979 --> 00:12:53,100
technology in this the the prodigious

254
00:12:58,429 --> 00:12:54,989
work that Tessa achieved throughout his

255
00:13:00,889 --> 00:12:58,439
lifetime many of Tesla's inventions

256
00:13:03,049 --> 00:13:00,899
would have put an end to the monopolies

257
00:13:05,030 --> 00:13:03,059
in the world today and that frankly

258
00:13:08,749 --> 00:13:05,040
would have just upset the revenue stream

259
00:13:11,569 --> 00:13:08,759
of them our elite once again and again

260
00:13:13,400 --> 00:13:11,579
there has been suppression and in many

261
00:13:16,549 --> 00:13:13,410
cases there has been out in and out

262
00:13:20,119 --> 00:13:16,559
right down interference by this power

263
00:13:22,609 --> 00:13:20,129

elite and they're working mechanism it's

264

00:13:24,470 --> 00:13:22,619

a shame but and and you have to look at

265

00:13:26,869 --> 00:13:24,480

it into perspective it's the people who

266

00:13:30,650 --> 00:13:26,879

are suffering obviously the power elite

267

00:13:33,079 --> 00:13:30,660

is not suffering they are living a life

268

00:13:35,419 --> 00:13:33,089

of luxury whereas the people are the

269

00:13:38,989 --> 00:13:35,429

ones who suffer on account of the fact

270

00:13:41,600 --> 00:13:38,999

that what we we could have in many ways

271

00:13:43,970 --> 00:13:41,610

heaven on earth but that is being held

272

00:13:46,639 --> 00:13:43,980

back and it's being held back once again

273

00:13:50,419 --> 00:13:46,649

by this power elite they will not allow

274

00:13:52,910 --> 00:13:50,429

this technology to be released you know

275

00:13:54,829 --> 00:13:52,920

you hear also about this theory or this

276

00:13:57,470 --> 00:13:54,839

idea that you hear when you hear people

277

00:14:00,259 --> 00:13:57,480

talking about you know some of the

278

00:14:03,470 --> 00:14:00,269

conspiracy theories about the Illuminati

279

00:14:06,379 --> 00:14:03,480

and about secret societies and things

280

00:14:10,039 --> 00:14:06,389

like that speaking of a culling a

281

00:14:14,989 --> 00:14:10,049

calling of the population and is it

282

00:14:17,059 --> 00:14:14,999

possible that that could also be a part

283

00:14:20,929 --> 00:14:17,069

of it or do you feel like it's more just

284

00:14:22,909 --> 00:14:20,939

as simple as the bottom line well I

285

00:14:25,340 --> 00:14:22,919

think there's many motivating factors

286

00:14:28,249 --> 00:14:25,350

yes the bottom line is is one of the

287

00:14:30,079 --> 00:14:28,259

main motivating factors but I've heard

288

00:14:33,590 --> 00:14:30,089

that too and I believe there's a great

289

00:14:36,019 --> 00:14:33,600

deal of truth to that sadly the elite

290

00:14:36,650 --> 00:14:36,029

would like to do away with many people

291

00:14:41,569 --> 00:14:36,660

on the

292

00:14:44,509 --> 00:14:41,579

it's and it's been theorized that if the

293

00:14:47,689 --> 00:14:44,519

elite could eliminate people it would be

294

00:14:49,610 --> 00:14:47,699

easier to control the world the elite is

295

00:14:52,309 --> 00:14:49,620

obviously the Illuminati is not

296

00:14:54,139 --> 00:14:52,319

interested in in the common man d the

297

00:14:56,869 --> 00:14:54,149

Illuminati is interested in world

298

00:15:00,410 --> 00:14:56,879

domination and it's much more difficult

299

00:15:03,050 --> 00:15:00,420

to dominate a world with 7.2 billion

300

00:15:05,110 --> 00:15:03,060

people it's much easier to dominate a

301
00:15:08,800 --> 00:15:05,120
rope with only maybe a billion people

302
00:15:12,230 --> 00:15:08,810
well I've heard that there are plans to

303
00:15:14,210 --> 00:15:12,240
to create wars and insurrection there's

304
00:15:17,090 --> 00:15:14,220
there's obviously Wars and insurrections

305
00:15:18,730 --> 00:15:17,100
that are serving to destabilize the

306
00:15:21,590 --> 00:15:18,740
world and reduce the world population

307
00:15:23,470 --> 00:15:21,600
there are man-made viruses that are

308
00:15:26,090 --> 00:15:23,480
serving to reduce the world population

309
00:15:29,269 --> 00:15:26,100
well this has been called the culture of

310
00:15:31,730 --> 00:15:29,279
death and appropriately we see that

311
00:15:34,970 --> 00:15:31,740
culture of death being promulgated by

312
00:15:38,960 --> 00:15:34,980
the Illuminati yes there is an attempt

313
00:15:42,290 --> 00:15:38,970

to depopulate the world it's very subtle

314

00:15:45,499 --> 00:15:42,300

it takes many subtle forms but but this

315

00:15:47,179 --> 00:15:45,509

evil group of men discoball it is not

316

00:15:49,819 --> 00:15:47,189

working in our best anxious to the

317

00:15:52,790 --> 00:15:49,829

contrary I think many of them are quite

318

00:15:56,540 --> 00:15:52,800

evil I would go as far to say that some

319

00:15:59,059 --> 00:15:56,550

of them are outright Satanist so that

320

00:16:01,519 --> 00:15:59,069

that is my take on it I have a great

321

00:16:04,759 --> 00:16:01,529

deal of supporting evidence to to

322

00:16:07,189 --> 00:16:04,769

substantiate such a claim you know I

323

00:16:10,249 --> 00:16:07,199

mean we've heard those kinds of claims

324

00:16:12,379 --> 00:16:10,259

over the years and you know I can

325

00:16:14,870 --> 00:16:12,389

remember you know like when I first

326

00:16:19,519 --> 00:16:14,880

heard those ideas thinking oh that just

327

00:16:25,179 --> 00:16:19,529

sounds crazy but the more you know in

328

00:16:29,600 --> 00:16:25,189

the more you see in the more sort of I

329

00:16:32,809 --> 00:16:29,610

guess it was psychopathy it seems like

330

00:16:37,309 --> 00:16:32,819

that's involved or sociopath II that the

331

00:16:40,519 --> 00:16:37,319

complete uncaring and non empathy for

332

00:16:43,129 --> 00:16:40,529

other people you begin to think gosh

333

00:16:45,620 --> 00:16:43,139

maybe there is something like that it's

334

00:16:50,510 --> 00:16:45,630

just pure evil door tapping into maybe

335

00:16:52,940 --> 00:16:50,520

and it's it sounds very weird but you

336

00:16:55,850 --> 00:16:52,950

said you you've seen some evidence to

337

00:16:58,990 --> 00:16:55,860

that effect could you share any of that

338

00:17:05,260 --> 00:16:59,000

or give an idea of what you mean by that

339

00:17:08,420 --> 00:17:05,270

sure sure I in many ways my research has

340

00:17:11,449 --> 00:17:08,430

dubbed held from the research of dr.

341

00:17:13,490 --> 00:17:11,459

Gailen Hieronymous dr. Hieronymous was

342

00:17:16,220 --> 00:17:13,500

one of the prominent scalar energy

343

00:17:18,410 --> 00:17:16,230

researchers back in the 50s and 60s and

344

00:17:21,350 --> 00:17:18,420

he was approached by the US government

345

00:17:23,390 --> 00:17:21,360

actually the US government I'm conducted

346

00:17:25,579 --> 00:17:23,400

various experiments with dr. Hieronymous

347

00:17:29,120 --> 00:17:25,589

they were interested in scalar energy

348

00:17:31,280 --> 00:17:29,130

research back then well and I got this

349

00:17:34,160 --> 00:17:31,290

straight from dr. hi rhombuses wife

350

00:17:36,320 --> 00:17:34,170

Sarah high Lamas although the government

351

00:17:39,020 --> 00:17:36,330

had a keen interest in scalar energy

352

00:17:42,170 --> 00:17:39,030

they never they never advanced it with

353

00:17:44,300 --> 00:17:42,180

with galen Hieronymous in many ways they

354

00:17:46,640 --> 00:17:44,310

they simply took a look at his

355

00:17:50,270 --> 00:17:46,650

inventions they considered what he was

356

00:17:53,720 --> 00:17:50,280

saying but they never served to help

357

00:17:56,570 --> 00:17:53,730

advance it for the common people into

358

00:18:00,320 --> 00:17:56,580

the contrary all of this technology has

359

00:18:03,620 --> 00:18:00,330

been hidden from mankind it has been

360

00:18:08,650 --> 00:18:03,630

wrapped away if you will and and held it

361

00:18:11,780 --> 00:18:08,660

closely and in the environs of big

362

00:18:16,700 --> 00:18:11,790

business and government I have never

363

00:18:20,000 --> 00:18:16,710

never seen any government or any

364

00:18:22,220 --> 00:18:20,010

business or any university really step

365

00:18:24,500 --> 00:18:22,230

forward and say yes we're going to in

366

00:18:27,020 --> 00:18:24,510

earnest promote skill energy research

367

00:18:30,080 --> 00:18:27,030

we're going to look at this other energy

368

00:18:32,990 --> 00:18:30,090

that Nikola Tesla work with so fluently

369

00:18:36,830 --> 00:18:33,000

and we're going to and we're going to

370

00:18:39,740 --> 00:18:36,840

establish a a working platform now this

371

00:18:42,500 --> 00:18:39,750

is just incredible if Tesla was so

372

00:18:45,100 --> 00:18:42,510

successful with scalar energy and other

373

00:18:47,600 --> 00:18:45,110

researchers like Hieronymous and more a

374

00:18:50,450 --> 00:18:47,610

developed functioning scale energy

375

00:18:53,750 --> 00:18:50,460

instruments and I'll go on to further

376

00:18:58,730 --> 00:18:53,760

the argument Galen Hieronymous achieved

377

00:19:02,210 --> 00:18:58,740

a US patent in 1949 for a scalar energy

378

00:19:04,940 --> 00:19:02,220

instrument well it's in the Patent

379

00:19:08,030 --> 00:19:04,950

Office well what why hasn't this been

380

00:19:10,160 --> 00:19:08,040

promulgated why is this been suppressed

381

00:19:12,710 --> 00:19:10,170

why have these three men Tesla

382

00:19:14,810 --> 00:19:12,720

Hieronymous and mori why have their

383

00:19:17,630 --> 00:19:14,820

inventions they're functioning scalar

384

00:19:21,290 --> 00:19:17,640

energy instruments never seen the light

385

00:19:24,680 --> 00:19:21,300

of day well it's obvious it's being

386

00:19:27,530 --> 00:19:24,690

suppressed it's it's not being promoted

387

00:19:29,630 --> 00:19:27,540

as it should be to the contrary and

388

00:19:32,030 --> 00:19:29,640

there are powers that be that in a

389

00:19:37,990 --> 00:19:32,040

subtle fashion are presenting the

390

00:19:43,460 --> 00:19:38,000

dissemination of this information is

391

00:19:47,210 --> 00:19:43,470

scalar energy in any way related to the

392

00:19:49,520 --> 00:19:47,220

term directed energy when we're hearing

393

00:19:53,390 --> 00:19:49,530

a lot about free energy and directed

394

00:19:56,690 --> 00:19:53,400

energy I don't know how to define

395

00:19:58,640 --> 00:19:56,700

directed energy let me let's put it okay

396

00:20:00,500 --> 00:19:58,650

let's just put it this way we know that

397

00:20:04,160 --> 00:20:00,510

our government has directed energy

398

00:20:07,310 --> 00:20:04,170

weapons is the same is it the same

399

00:20:09,830 --> 00:20:07,320

science is it the same energy or is it

400

00:20:12,590 --> 00:20:09,840

in used in of obviously very different

401
00:20:15,860 --> 00:20:12,600
way than what you're doing but it's that

402
00:20:17,840 --> 00:20:15,870
the same thing let me say this it's

403
00:20:20,270 --> 00:20:17,850
believed that the US government and

404
00:20:22,610 --> 00:20:20,280
other governments have functioning

405
00:20:25,820 --> 00:20:22,620
scalar energy instruments what I doubt

406
00:20:27,770 --> 00:20:25,830
that no in no way would I doubt that why

407
00:20:30,410 --> 00:20:27,780
well these governments especially our

408
00:20:34,940 --> 00:20:30,420
government has had a head start again

409
00:20:37,130 --> 00:20:34,950
our US government has seized that the

410
00:20:39,590 --> 00:20:37,140
patents I should say not to patents but

411
00:20:41,930 --> 00:20:39,600
the paperwork the documents as well as

412
00:20:45,380 --> 00:20:41,940
the inventions of Nikola Tesla upon his

413
00:20:48,980 --> 00:20:45,390

death well that those inventions that

414

00:20:50,780 --> 00:20:48,990

Tesla had in his laboratory in New York

415

00:20:53,120 --> 00:20:50,790

City have never seen the light of day

416

00:20:56,420 --> 00:20:53,130

and I'm sure in many ways they've been

417

00:20:58,760 --> 00:20:56,430

either back engineered or at least the

418

00:21:01,310 --> 00:20:58,770

US government that sees those inventions

419

00:21:04,010 --> 00:21:01,320

has a working understanding of what

420

00:21:06,170 --> 00:21:04,020

Tesla was doing so to answer the

421

00:21:08,150 --> 00:21:06,180

question I believe there are scalar

422

00:21:11,270 --> 00:21:08,160

energy instruments in the world I don't

423

00:21:12,680 --> 00:21:11,280

know how adroitly the government is able

424

00:21:17,210 --> 00:21:12,690

to work with these scalar energy

425

00:21:20,600 --> 00:21:17,220

instruments but that is the again the

426
00:21:22,850 --> 00:21:20,610
unfair advantage that we're seeing it is

427
00:21:24,710 --> 00:21:22,860
the elite that is benefiting from this

428
00:21:29,180 --> 00:21:24,720
technology you're not going to hear

429
00:21:32,990 --> 00:21:29,190
about this on in a newspaper article the

430
00:21:37,789 --> 00:21:33,000
common man is is not being said this

431
00:21:40,610 --> 00:21:37,799
information it is indeed suppressed well

432
00:21:43,250 --> 00:21:40,620
I'm one of the reasons that I was asking

433
00:21:49,039 --> 00:21:43,260
about you know was it the same thing as

434
00:21:51,590 --> 00:21:49,049
I am you know in I also work in

435
00:21:54,950 --> 00:21:51,600
television and I worked on the last

436
00:22:00,140 --> 00:21:54,960
season of conspiracy theory with jesse

437
00:22:05,240 --> 00:22:00,150
ventura and in that series we did an

438
00:22:07,820 --> 00:22:05,250

episode on directed energy and when we

439

00:22:10,610 --> 00:22:07,830

were producing that and we were calling

440

00:22:12,020 --> 00:22:10,620

people to get information and to get

441

00:22:16,100 --> 00:22:12,030

interviews and that sort of thing

442

00:22:18,320 --> 00:22:16,110

researching the whole episode we got a

443

00:22:21,350 --> 00:22:18,330

late night call or the producer of that

444

00:22:25,700 --> 00:22:21,360

particular episode got a late night call

445

00:22:29,419 --> 00:22:25,710

from someone who an ex-military guy and

446

00:22:31,250 --> 00:22:29,429

I'm not going to name him but he it's

447

00:22:33,529 --> 00:22:31,260

actually in the piece if you want to

448

00:22:35,779 --> 00:22:33,539

look it up on youtube but I'm not going

449

00:22:39,529 --> 00:22:35,789

to name him but he called up and he

450

00:22:41,960 --> 00:22:39,539

warned her you know to stop doing this

451
00:22:47,419 --> 00:22:41,970
episode if you do this episode somebody

452
00:22:49,820 --> 00:22:47,429
will die and so the producer quit the

453
00:22:53,630 --> 00:22:49,830
next day so who did they give the

454
00:22:56,289 --> 00:22:53,640
episode to me thank you very much so I

455
00:23:00,470 --> 00:22:56,299
went ahead and I produced it and we I

456
00:23:04,730 --> 00:23:00,480
scheduled an interview with dr. Fred

457
00:23:07,220 --> 00:23:04,740
Bell with Jesse and so we flew dr. Bell

458
00:23:10,399 --> 00:23:07,230
up to Minneapolis and he did the

459
00:23:13,760 --> 00:23:10,409
interview with Jesse and the next day in

460
00:23:18,620 --> 00:23:13,770
his hotel room he died and it could have

461
00:23:23,270 --> 00:23:18,630
been absolute coincidence but I do know

462
00:23:26,630 --> 00:23:23,280
that in dr. Bell's book that I have here

463
00:23:28,700 --> 00:23:26,640

in my library he talks about scalar

464

00:23:30,109 --> 00:23:28,710

energy and how the government was

465

00:23:32,389 --> 00:23:30,119

working on that

466

00:23:33,979 --> 00:23:32,399

now I don't know if they're you know

467

00:23:36,229 --> 00:23:33,989

that's what i was saying i was wondering

468

00:23:37,819 --> 00:23:36,239

is directed energy scalar energy or

469

00:23:40,339 --> 00:23:37,829

maybe there are different forms of

470

00:23:43,899 --> 00:23:40,349

directed energy i don't know but that

471

00:23:47,509 --> 00:23:43,909

was just something really really weird

472

00:23:50,869 --> 00:23:47,519

that happened and of course I felt

473

00:23:53,659 --> 00:23:50,879

horrible about it because I was the

474

00:23:58,219 --> 00:23:53,669

producer I was the one who contacted dr.

475

00:24:01,819 --> 00:23:58,229

Bell and arranged all his interview in

476

00:24:04,119 --> 00:24:01,829

his flight and everything and the next

477

00:24:07,489 --> 00:24:04,129

day I got a call from a secretary a

478

00:24:10,309 --> 00:24:07,499

voicemail saying dr. Bell collapsed in

479

00:24:15,469 --> 00:24:10,319

Minneapolis and he has died and I was

480

00:24:18,649 --> 00:24:15,479

just absolutely flabbergasted but yeah I

481

00:24:21,019 --> 00:24:18,659

can't speak / say to that point but it's

482

00:24:23,179 --> 00:24:21,029

rather obvious let's look at the nature

483

00:24:25,879 --> 00:24:23,189

of skill energy scalar energy originates

484

00:24:28,309 --> 00:24:25,889

from our Sun the stars of the universe

485

00:24:32,179 --> 00:24:28,319

it is a fundamental force of nature

486

00:24:35,499 --> 00:24:32,189

actually all Energy starts initiates a

487

00:24:39,049 --> 00:24:35,509

scalar energy in the center of our stars

488

00:24:42,019 --> 00:24:39,059

skill energy will degrade will convert

489

00:24:44,149 --> 00:24:42,029

into electricity and magnetism so what

490

00:24:46,489 --> 00:24:44,159

is skill energy it really is the primary

491

00:24:49,009 --> 00:24:46,499

the initial energy of the universe as

492

00:24:50,929 --> 00:24:49,019

such it's the perfect energy of the

493

00:24:54,199 --> 00:24:50,939

universe whereas electricity and

494

00:24:56,209 --> 00:24:54,209

magnetism experience entropy some some

495

00:24:59,809 --> 00:24:56,219

type of resistance and that leads to

496

00:25:02,449 --> 00:24:59,819

decay to death once again to entropy so

497

00:25:05,509 --> 00:25:02,459

what is being suppressed it is the

498

00:25:08,599 --> 00:25:05,519

ultimate form of energy it is perpetual

499

00:25:11,269 --> 00:25:08,609

energy that is a standing scalar wave

500

00:25:13,669 --> 00:25:11,279

will not attenuate it will not weaken

501
00:25:17,179 --> 00:25:13,679
over time or distance it's the perfect

502
00:25:19,639 --> 00:25:17,189
form of energy and many scientists and

503
00:25:21,919 --> 00:25:19,649
many people understand that we we

504
00:25:26,029 --> 00:25:21,929
understand that there is another type of

505
00:25:28,039 --> 00:25:26,039
energy however once again it it is it is

506
00:25:29,809 --> 00:25:28,049
not being promulgated to the contrary

507
00:25:32,899 --> 00:25:29,819
it's being ignored and in some cases

508
00:25:36,409 --> 00:25:32,909
it's being actively suppress well I'm

509
00:25:39,349 --> 00:25:36,419
going to change that and I will on my

510
00:25:41,419 --> 00:25:39,359
terms and with God's help i'm going to

511
00:25:43,910 --> 00:25:41,429
introduce skill energy to the world it

512
00:25:47,690 --> 00:25:43,920
does exist it has great

513
00:25:50,480 --> 00:25:47,700

potential frankly skill energy has has

514

00:25:53,330 --> 00:25:50,490

so many applications thousands upon

515

00:25:56,360 --> 00:25:53,340

thousands of applications and it is much

516

00:25:58,880 --> 00:25:56,370

superior to that of electricity or other

517

00:26:01,520 --> 00:25:58,890

types of energy generation frankly

518

00:26:06,550 --> 00:26:01,530

skilled energy will set mankind free it

519

00:26:13,370 --> 00:26:10,550

well I can see how you know if we were

520

00:26:17,390 --> 00:26:13,380

allowed to use it for our applicant

521

00:26:18,830 --> 00:26:17,400

goodness or only Thomas for all the

522

00:26:21,140 --> 00:26:18,840

wonderful applications that could be

523

00:26:26,510 --> 00:26:21,150

used for it could certainly be a world

524

00:26:32,090 --> 00:26:26,520

changer and we're going to now have you

525

00:26:33,680 --> 00:26:32,100

run into personally any problems and

526

00:26:35,930 --> 00:26:33,690

then right after the break we're going

527

00:26:39,320 --> 00:26:35,940

to go to break in about four minutes or

528

00:26:41,530 --> 00:26:39,330

more like three and then we're going to

529

00:26:43,820 --> 00:26:41,540

hopefully get right into your technology

530

00:26:46,100 --> 00:26:43,830

what you're doing with it you know what

531

00:26:50,140 --> 00:26:46,110

it does and how people can avail

532

00:26:53,750 --> 00:26:50,150

themselves of it and learn more about it

533

00:26:56,930 --> 00:26:53,760

but before we go to the break have you

534

00:26:58,970 --> 00:26:56,940

had any incidences where you felt like

535

00:27:02,720 --> 00:26:58,980

oh I've got to keep this under wraps I

536

00:27:04,760 --> 00:27:02,730

mean it's kind of true seems like it's

537

00:27:08,180 --> 00:27:04,770

kind of risky coming on radio shows and

538

00:27:11,120 --> 00:27:08,190

talking about it no I I'm not afraid to

539

00:27:13,580 --> 00:27:11,130

do that I've got God on my side I know

540

00:27:16,460 --> 00:27:13,590

for a fact that that the Illuminati

541

00:27:20,090 --> 00:27:16,470

knows what I'm doing it's become rather

542

00:27:24,140 --> 00:27:20,100

apparent to them I don't hide this and I

543

00:27:26,810 --> 00:27:24,150

have had contact before in particular

544

00:27:28,820 --> 00:27:26,820

with an agent of the Illuminati who's

545

00:27:33,980 --> 00:27:28,830

made it very clear that the Illuminati

546

00:27:36,860 --> 00:27:33,990

is aware as to what I'm doing in no way

547

00:27:39,350 --> 00:27:36,870

does that dissuade me from continuing on

548

00:27:43,850 --> 00:27:39,360

as to my mission I'm going to introduce

549

00:27:46,640 --> 00:27:43,860

scalar energy to mankind I realized that

550

00:27:49,670 --> 00:27:46,650

there's a great deal of evil within this

551

00:27:52,160 --> 00:27:49,680

group of international bankers but in

552

00:27:54,290 --> 00:27:52,170

many ways god will triumph and we will

553

00:27:57,320 --> 00:27:54,300

see that skill energy will essentially

554

00:28:00,530 --> 00:27:57,330

once again liberate mankind

555

00:28:02,990 --> 00:28:00,540

scalar energy will do away with the

556

00:28:05,870 --> 00:28:03,000

cartel with the ax monopolies that the

557

00:28:09,320 --> 00:28:05,880

Illuminati has has created so ultimately

558

00:28:16,940 --> 00:28:09,330

scalar energy will serve to undo to

559

00:28:21,500 --> 00:28:16,950

defeat the Illuminati well I that would

560

00:28:23,060 --> 00:28:21,510

be wonderful but you know we talked

561

00:28:25,760 --> 00:28:23,070

about well I'm going to get into this

562

00:28:29,150 --> 00:28:25,770

after the break I think it's a good time

563

00:28:31,790 --> 00:28:29,160

to take a little break and we'll be back

564

00:28:34,310 --> 00:28:31,800

in just about oh I would say like three

565

00:28:36,830 --> 00:28:34,320

minutes or so with more with Tom

566

00:28:40,430 --> 00:28:36,840

Palladino with suppressed medicine and

567

00:29:09,140 --> 00:28:40,440

more on scalar energy stay tuned we'll

568

00:29:15,810 --> 00:29:13,080

hello everyone lorien fenton here hosted

569

00:29:18,300 --> 00:29:15,820

the California MUFON radio show asking

570

00:29:21,360 --> 00:29:18,310

if you'd like special access to

571

00:29:24,690 --> 00:29:21,370

exclusive and amazing information about

572

00:29:27,960 --> 00:29:24,700

UFOs the paranormal and all things

573

00:29:31,560 --> 00:29:27,970

unexplained if you're nodding yes then

574

00:29:33,360 --> 00:29:31,570

join I rn's insider club as an insider

575

00:29:36,330 --> 00:29:33,370

club member you'll get an all-access

576
00:29:38,760 --> 00:29:36,340
pass to premier inception radio network

577
00:29:41,280 --> 00:29:38,770
content for only four dollars and

578
00:29:45,150 --> 00:29:41,290
ninety-nine cents a month this includes

579
00:29:48,450 --> 00:29:45,160
live UFO and paranormal conferences live

580
00:29:51,150 --> 00:29:48,460
streaming UFO sky watches exclusive I

581
00:29:54,090 --> 00:29:51,160
are in radio and TV productions and of

582
00:29:56,820 --> 00:29:54,100
course paying radio with MJ and Ken

583
00:29:59,730 --> 00:29:56,830
Storch so don't wait any longer visit

584
00:30:03,090 --> 00:29:59,740
inception radio network calm and click

585
00:30:07,800 --> 00:30:03,100
on member login to join I rn's insider

586
00:30:10,380 --> 00:30:07,810
club and get your VIP access today you

587
00:30:11,940 --> 00:30:10,390
have a smartphone if so conception radio

588
00:30:15,379 --> 00:30:11,950

network is the best out for you

589

00:30:17,539 --> 00:30:15,389

available I juice android samsung

590

00:30:20,029 --> 00:30:17,549

and most of the rap stores just search

591

00:30:22,279 --> 00:30:20,039

inception radio network with the

592

00:30:25,549 --> 00:30:22,289

applicant listen live check out podcast

593

00:30:27,499 --> 00:30:25,559

recent amp our show you our videos see

594

00:30:30,199 --> 00:30:27,509

what shows are coming up who the guests

595

00:30:32,569 --> 00:30:30,209

are and via the chat room send live

596

00:30:34,579 --> 00:30:32,579

questions to those guests you know it

597

00:30:42,889 --> 00:30:34,589

makes sense check your app store now

598

00:30:45,049 --> 00:30:42,899

inception radio network sees it hey I RN

599

00:30:47,539 --> 00:30:45,059

listeners make sure you tune in to night

600

00:30:49,789 --> 00:30:47,549

vision radio with Renee Barnett Renee

601
00:30:52,190 --> 00:30:49,799
will be exposing the truth one secret at

602
00:30:55,279 --> 00:30:52,200
a time when Thursday's every Thursday

603
00:30:59,690 --> 00:30:55,289
1030pm Eastern sub 30 p.m. pacific we're

604
00:31:02,509 --> 00:30:59,700
right here IRA you're locked into

605
00:31:41,040 --> 00:31:02,519
inception radio network superior

606
00:31:46,090 --> 00:31:43,420
welcome back you're listening to night

607
00:31:49,330 --> 00:31:46,100
vision radio I'm your host Renee Barnett

608
00:31:52,870 --> 00:31:49,340
and my guest tonight is Tom Palladino

609
00:31:55,900 --> 00:31:52,880
he's talking about his research into new

610
00:31:58,450 --> 00:31:55,910
technologies regarding medicine and

611
00:32:00,910 --> 00:31:58,460
we've been talking about the suppression

612
00:32:04,500 --> 00:32:00,920
of those same types of technologies over

613
00:32:07,960 --> 00:32:04,510

the years technologies that could help

614

00:32:10,960 --> 00:32:07,970

the whole world all human beings with

615

00:32:14,140 --> 00:32:10,970

their sicknesses illnesses conditions

616

00:32:17,560 --> 00:32:14,150

and for some reason which I think it

617

00:32:19,600 --> 00:32:17,570

might be a big old dollar sign it's not

618

00:32:21,340 --> 00:32:19,610

getting out there to us but there are

619

00:32:23,890 --> 00:32:21,350

people like Tom that are working their

620

00:32:26,560 --> 00:32:23,900

darndest to get this information to us

621

00:32:30,280 --> 00:32:26,570

and also the technology to those that

622

00:32:32,050 --> 00:32:30,290

really need it so let's get into the

623

00:32:35,860 --> 00:32:32,060

upside of it a little bit we've talked

624

00:32:37,960 --> 00:32:35,870

about sort of the dark side of trying to

625

00:32:40,510 --> 00:32:37,970

do this technology but let's talk about

626

00:32:44,410 --> 00:32:40,520

what the technology is in what it really

627

00:32:48,670 --> 00:32:44,420

does now you're working with with some

628

00:32:52,030 --> 00:32:48,680

type of machine yes that's correct and

629

00:32:54,940 --> 00:32:52,040

is it something that you invented yes it

630

00:32:57,220 --> 00:32:54,950

is they all right so they're functioning

631

00:33:00,340 --> 00:32:57,230

scalar energy instruments I can easily

632

00:33:03,970 --> 00:33:00,350

control I can easily broadcast scalar

633

00:33:05,650 --> 00:33:03,980

energy it it is in it they are

634

00:33:08,560 --> 00:33:05,660

instruments i should say have more than

635

00:33:10,960 --> 00:33:08,570

one instruments that allow me to master

636

00:33:14,680 --> 00:33:10,970

this energy allow me to to not only

637

00:33:17,470 --> 00:33:14,690

create a standing wave but to control it

638

00:33:19,870 --> 00:33:17,480

and to broadcast it anywhere i want to

639

00:33:22,080 --> 00:33:19,880

pinpoint it anywhere in the world so

640

00:33:26,770 --> 00:33:22,090

that that is my accomplishment to date

641

00:33:28,900 --> 00:33:26,780

much of my work is it should be given

642

00:33:31,330 --> 00:33:28,910

tribute to Galen Hieronymous the

643

00:33:35,140 --> 00:33:31,340

American pioneer in scalar energy

644

00:33:37,900 --> 00:33:35,150

research I met the widow of Galen

645

00:33:40,060 --> 00:33:37,910

Hieronymous and in many ways Sarah

646

00:33:43,630 --> 00:33:40,070

Hieronymous took me under her wing and

647

00:33:46,840 --> 00:33:43,640

sire Hieronymous shared with me the the

648

00:33:48,790 --> 00:33:46,850

notes of her her husband I was able to

649

00:33:50,200 --> 00:33:48,800

to read the notes of Gill and

650

00:33:53,860 --> 00:33:50,210

Hieronymous

651
00:33:56,470 --> 00:33:53,870
and subsequently I was able to purchase

652
00:33:59,920 --> 00:33:56,480
some scalar energy instruments from the

653
00:34:02,080 --> 00:33:59,930
Hieronymous family all of that served as

654
00:34:04,660 --> 00:34:02,090
if you will a launching pad for my

655
00:34:06,580 --> 00:34:04,670
scalar energy research I didn't have to

656
00:34:09,610 --> 00:34:06,590
start at the basement floor so to speak

657
00:34:11,470 --> 00:34:09,620
but how did you start I mean what was it

658
00:34:13,770 --> 00:34:11,480
what was your trigger what was it

659
00:34:17,680 --> 00:34:13,780
something to do with your current work

660
00:34:20,170 --> 00:34:17,690
well as a youngster I studied Tesla and

661
00:34:23,350 --> 00:34:20,180
I knew that Tesla was a genius and he

662
00:34:26,580 --> 00:34:23,360
was he was able to to achieve feats that

663
00:34:29,500 --> 00:34:26,590

to this day that have not been able to

664

00:34:33,910 --> 00:34:29,510

nobody's been able to duplicate so Tessa

665

00:34:38,170 --> 00:34:33,920

was was the genius par excellence if you

666

00:34:40,810 --> 00:34:38,180

will with that I started to study scalar

667

00:34:42,490 --> 00:34:40,820

energy as a youngster although I didn't

668

00:34:44,500 --> 00:34:42,500

understand it I still was intrigued by

669

00:34:47,350 --> 00:34:44,510

it well lo and behold I was fortunate

670

00:34:51,490 --> 00:34:47,360

enough to meet the widow Sarah

671

00:34:53,950 --> 00:34:51,500

Hieronymous who survived her late great

672

00:34:56,560 --> 00:34:53,960

husband Galen Hieronymous who once again

673

00:35:00,280 --> 00:34:56,570

was an early pioneer and scalar energy

674

00:35:02,110 --> 00:35:00,290

research and and this man Galen

675

00:35:05,920 --> 00:35:02,120

Hieronymous has not been given his

676

00:35:09,850 --> 00:35:05,930

proper consideration by the general

677

00:35:12,100 --> 00:35:09,860

public wasn't indeed a genius in his own

678

00:35:14,230 --> 00:35:12,110

right and what he achieved with scalar

679

00:35:17,530 --> 00:35:14,240

energy to this day has only been

680

00:35:20,020 --> 00:35:17,540

glimpsed at he he had functioning scalar

681

00:35:22,510 --> 00:35:20,030

energy instruments and as such he

682

00:35:25,000 --> 00:35:22,520

developed this this control over skill

683

00:35:28,180 --> 00:35:25,010

energy that in many ways to serve to

684

00:35:30,310 --> 00:35:28,190

benefit my experimentation in my work I

685

00:35:33,160 --> 00:35:30,320

frankly would not be where I am today

686

00:35:35,140 --> 00:35:33,170

had it not been from the head start that

687

00:35:37,750 --> 00:35:35,150

I received from Sarah and Galen

688

00:35:41,980 --> 00:35:37,760

Hieronymous mmm yeah well that's

689

00:35:45,430 --> 00:35:41,990

fantastic thank goodness for them now so

690

00:35:48,640 --> 00:35:45,440

you bought some equipment and then did

691

00:35:51,040 --> 00:35:48,650

you alter that equipment or yes I

692

00:35:53,200 --> 00:35:51,050

perfected it over the years over over

693

00:35:55,830 --> 00:35:53,210

the past 25 years I've perfected this

694

00:35:58,320 --> 00:35:55,840

equipment and I developed an

695

00:36:02,290 --> 00:35:58,330

understanding of how scale energy works

696

00:36:04,100 --> 00:36:02,300

it's taken some time I've developed my

697

00:36:06,800 --> 00:36:04,110

expertise I've developed

698

00:36:09,560 --> 00:36:06,810

my technique if you will and to this

699

00:36:11,810 --> 00:36:09,570

point I I could say that I do have a

700

00:36:14,720 --> 00:36:11,820

firm understanding as to how skill

701
00:36:18,230 --> 00:36:14,730
energy works how it operates and my

702
00:36:22,490 --> 00:36:18,240
instruments then become if you will a

703
00:36:24,560 --> 00:36:22,500
very powerful a potent force if you will

704
00:36:26,690 --> 00:36:24,570
I have functioning scalar energy

705
00:36:28,040 --> 00:36:26,700
instruments and I know how to control

706
00:36:31,790 --> 00:36:28,050
the energy and I can do incredible

707
00:36:35,570 --> 00:36:31,800
things with skill energy today now I

708
00:36:37,610 --> 00:36:35,580
think I heard you say before that you

709
00:36:40,510 --> 00:36:37,620
can direct that energy and I guess that

710
00:36:47,060 --> 00:36:40,520
would be directed energy toward any

711
00:36:51,140 --> 00:36:47,070
point in the world entering how does

712
00:36:52,880 --> 00:36:51,150
that work when you're you know someone's

713
00:36:57,650 --> 00:36:52,890

approach you and says you know I have

714

00:37:00,500 --> 00:36:57,660

this condition you know how do you help

715

00:37:03,350 --> 00:37:00,510

them I always treat people remotely by

716

00:37:05,930 --> 00:37:03,360

way of their photograph a scalar energy

717

00:37:09,650 --> 00:37:05,940

instrument works upon the information

718

00:37:12,200 --> 00:37:09,660

that's attached to any photograph for

719

00:37:14,750 --> 00:37:12,210

instance i live in the united states i

720

00:37:16,880 --> 00:37:14,760

live in florida if i wanted to treat

721

00:37:19,490 --> 00:37:16,890

somebody with skilled energy in Europe

722

00:37:21,800 --> 00:37:19,500

all I would need would be a photograph

723

00:37:24,830 --> 00:37:21,810

of that person a scalar energy

724

00:37:26,990 --> 00:37:24,840

instrument will send a signal to Europe

725

00:37:29,570 --> 00:37:27,000

and all of this is done by this

726

00:37:32,270 --> 00:37:29,580

intelligence by this holographic

727

00:37:36,290 --> 00:37:32,280

universe that we live in so to give you

728

00:37:38,960 --> 00:37:36,300

an analogy if a satellite can send a

729

00:37:41,540 --> 00:37:38,970

signal from the United States to Europe

730

00:37:43,880 --> 00:37:41,550

I can do the same thing with my scalar

731

00:37:46,520 --> 00:37:43,890

energy instrument I can send a signal

732

00:37:48,710 --> 00:37:46,530

from the United States to Europe and all

733

00:37:50,810 --> 00:37:48,720

I need as a means of identification and

734

00:37:55,010 --> 00:37:50,820

as a means of recognition is a

735

00:37:57,020 --> 00:37:55,020

photograph I treat people remotely and I

736

00:38:00,350 --> 00:37:57,030

do so okay so you don't are you totally

737

00:38:04,430 --> 00:38:00,360

bro so so I wouldn't have to give you my

738

00:38:07,520 --> 00:38:04,440

coordinates that's correct so Rick but

739

00:38:09,860 --> 00:38:07,530

how does it find you how does he how

740

00:38:13,160 --> 00:38:09,870

does the inner it has it must have

741

00:38:15,950 --> 00:38:13,170

something to do with you know scalar

742

00:38:18,020 --> 00:38:15,960

energy is a matrix it's an intelligent

743

00:38:21,350 --> 00:38:18,030

system it is an

744

00:38:24,080 --> 00:38:21,360

system if you look at the scalar energy

745

00:38:27,350 --> 00:38:24,090

universe so to speak it's a hologram and

746

00:38:29,750 --> 00:38:27,360

everything is interconnected now if a

747

00:38:33,320 --> 00:38:29,760

satellite can find a cellphone tower or

748

00:38:36,440 --> 00:38:33,330

a car radio then a scalar energy

749

00:38:39,530 --> 00:38:36,450

instrument can find likewise an object

750

00:38:41,540 --> 00:38:39,540

or a person a photograph of a person

751

00:38:43,580 --> 00:38:41,550

serves as the identification for a

752

00:38:46,220 --> 00:38:43,590

scalar energy instrument to seek and

753

00:38:49,190 --> 00:38:46,230

find that person so any scalar energy

754

00:38:52,250 --> 00:38:49,200

instrument is not only a broadcast

755

00:38:54,440 --> 00:38:52,260

device but it's also an identifying a

756

00:38:57,050 --> 00:38:54,450

detection device you can actually

757

00:39:01,540 --> 00:38:57,060

pinpoint exactly where a person or an

758

00:39:05,570 --> 00:39:01,550

object is anywhere in the world yeah

759

00:39:10,190 --> 00:39:05,580

that's mind-blowing yes it is it really

760

00:39:12,470 --> 00:39:10,200

is so now now consider this if you have

761

00:39:15,170 --> 00:39:12,480

a cell phone in New York City and you

762

00:39:19,520 --> 00:39:15,180

call a friend in Los Angeles that cell

763

00:39:21,860 --> 00:39:19,530

phone signal will find that your friend

764

00:39:25,160 --> 00:39:21,870

in other words the cell phone signal

765

00:39:27,380 --> 00:39:25,170

will travel from New York City to LA

766

00:39:29,690 --> 00:39:27,390

obviously there's satellite transmission

767

00:39:32,540 --> 00:39:29,700

in between but nevertheless two cell

768

00:39:34,610 --> 00:39:32,550

phones can find one another well that's

769

00:39:37,550 --> 00:39:34,620

common that's we realize that that's

770

00:39:39,560 --> 00:39:37,560

that's an accepted scientific principle

771

00:39:42,020 --> 00:39:39,570

what we can do the same thing with

772

00:39:44,810 --> 00:39:42,030

scalar energy skill energy can find

773

00:39:50,990 --> 00:39:44,820

anybody in the universe frankly and all

774

00:39:54,260 --> 00:39:51,000

you need is a photograph Oh out so many

775

00:39:58,940 --> 00:39:54,270

that's chat rooms asking is it a digital

776

00:40:02,450 --> 00:39:58,950

signal it's no it's not a digital signal

777

00:40:04,970 --> 00:40:02,460

and the reason being scalar energy is

778

00:40:07,370 --> 00:40:04,980

not electricity it's not of the

779

00:40:09,200 --> 00:40:07,380

electromagnetic spectrum so we have our

780

00:40:11,000 --> 00:40:09,210

different vocabulary we have to have a

781

00:40:13,220 --> 00:40:11,010

different way of looking at energy a

782

00:40:16,010 --> 00:40:13,230

different way of looking at light in

783

00:40:18,040 --> 00:40:16,020

particular in a scalar energy

784

00:40:20,990 --> 00:40:18,050

environment everything is interconnected

785

00:40:23,420 --> 00:40:21,000

it's concatenated there is quantum

786

00:40:27,020 --> 00:40:23,430

entanglement with every particle with

787

00:40:29,360 --> 00:40:27,030

every object in the universe as such the

788

00:40:32,240 --> 00:40:29,370

entire universe if it's a hologram is

789

00:40:34,310 --> 00:40:32,250

really one point now what I have to

790

00:40:36,500 --> 00:40:34,320

covered with skill and transmission when

791

00:40:39,190 --> 00:40:36,510

I treat people it's an instantaneous

792

00:40:42,230 --> 00:40:39,200

velocity in other words I treat people

793

00:40:44,930 --> 00:40:42,240

instantaneously why because the

794

00:40:47,720 --> 00:40:44,940

connection or they exist there is no

795

00:40:51,200 --> 00:40:47,730

point 1 and point 2 there is no point A

796

00:40:53,810 --> 00:40:51,210

and point B there's only one point once

797

00:40:55,490 --> 00:40:53,820

you enter into this dimension everything

798

00:40:57,980 --> 00:40:55,500

is interconnected hence you have

799

00:41:03,920 --> 00:40:57,990

instantaneous communication anywhere in

800

00:41:06,890 --> 00:41:03,930

the universe hmm so if everything is

801
00:41:11,390 --> 00:41:06,900
connected how does it pinpoint the one

802
00:41:16,940 --> 00:41:11,400
spot like for instance if you're trying

803
00:41:18,590 --> 00:41:16,950
to work on someone who has HIV in their

804
00:41:21,850 --> 00:41:18,600
connected to everything else in the

805
00:41:24,980 --> 00:41:21,860
universe how does it track them down

806
00:41:27,410 --> 00:41:24,990
sure a photograph provides the

807
00:41:30,140 --> 00:41:27,420
intelligence provides the install or a

808
00:41:35,020 --> 00:41:30,150
scalar energy instrument to make a

809
00:41:37,130 --> 00:41:35,030
connection specific to that person so it

810
00:41:39,860 --> 00:41:37,140
consider this you could have a

811
00:41:42,680 --> 00:41:39,870
photograph of 10 people and if you

812
00:41:44,270 --> 00:41:42,690
submitted a photograph with 10 people my

813
00:41:46,580 --> 00:41:44,280

scalar energy instrument would

814

00:41:49,640 --> 00:41:46,590

instantaneously communicate with those

815

00:41:52,430 --> 00:41:49,650

10 people because they're their light

816

00:41:55,340 --> 00:41:52,440

code their signature is found on one

817

00:41:58,280 --> 00:41:55,350

photograph or if you just want to treat

818

00:42:00,020 --> 00:41:58,290

one person at a time a skill energy

819

00:42:02,060 --> 00:42:00,030

instrument will make a connection a

820

00:42:05,240 --> 00:42:02,070

one-on-one connection with just one

821

00:42:08,000 --> 00:42:05,250

person in a photograph now typically on

822

00:42:09,890 --> 00:42:08,010

any given day I can easily treat fifty

823

00:42:12,590 --> 00:42:09,900

or a hundred thousand people by way of

824

00:42:15,650 --> 00:42:12,600

skill or energy and my scalar energy

825

00:42:18,680 --> 00:42:15,660

instrument will find each person and

826

00:42:22,130 --> 00:42:18,690

treat each person no matter how many

827

00:42:25,810 --> 00:42:22,140

photographs I have of people a scalar

828

00:42:29,870 --> 00:42:25,820

energy instrument will easily routinely

829

00:42:34,480 --> 00:42:29,880

find each person and treat each person

830

00:42:38,060 --> 00:42:34,490

with scalar energy and since you're

831

00:42:42,740 --> 00:42:38,070

doing this remotely and using a

832

00:42:45,480 --> 00:42:42,750

photograph and not laying hands on a

833

00:42:48,050 --> 00:42:45,490

person is that the way

834

00:42:53,370 --> 00:42:48,060

that this technology will be saved

835

00:42:56,010 --> 00:42:53,380

because saved from suppression what why

836

00:42:57,900 --> 00:42:56,020

will this be be saved from suppression

837

00:43:00,150 --> 00:42:57,910

well first and foremost God is with me

838

00:43:02,280 --> 00:43:00,160

and God has protected me secondly I

839

00:43:04,560 --> 00:43:02,290

believe the people will see the merit of

840

00:43:07,770 --> 00:43:04,570

this this is the problem that Nikola

841

00:43:10,130 --> 00:43:07,780

Tesla faced not he didn't have any

842

00:43:12,840 --> 00:43:10,140

ground swell of support people did not

843

00:43:15,840 --> 00:43:12,850

understand what Tesla was doing he was

844

00:43:19,080 --> 00:43:15,850

obviously way ahead of his time and he

845

00:43:20,940 --> 00:43:19,090

never garnered the support of the people

846

00:43:22,680 --> 00:43:20,950

simply because he didn't have the

847

00:43:26,670 --> 00:43:22,690

internet he didn't have a radial

848

00:43:29,310 --> 00:43:26,680

platform ultimately the the Rothschilds

849

00:43:31,320 --> 00:43:29,320

and and their cabal simply suppressed

850

00:43:33,660 --> 00:43:31,330

his work so much that nobody would pay

851

00:43:36,630 --> 00:43:33,670

attention to Nikola Tesla obviously all

852

00:43:38,850 --> 00:43:36,640

all of the media outlets that were

853

00:43:42,330 --> 00:43:38,860

controlled by the Cabal at that time

854

00:43:45,420 --> 00:43:42,340

would not provide any press time any any

855

00:43:48,750 --> 00:43:45,430

type of coverage of Tesla so Tessa was

856

00:43:50,849 --> 00:43:48,760

if you will relegated to to the to the

857

00:43:54,090 --> 00:43:50,859

corner of the room and he was dismissed

858

00:43:57,390 --> 00:43:54,100

and that's why Tesla's work today is

859

00:43:59,910 --> 00:43:57,400

only coming to light because we have a

860

00:44:01,590 --> 00:43:59,920

free internet you're not going to get

861

00:44:04,530 --> 00:44:01,600

this from the new york times or any

862

00:44:05,700 --> 00:44:04,540

other establishment newspaper you're not

863

00:44:08,220 --> 00:44:05,710

going to get this from the major

864

00:44:15,510 --> 00:44:08,230

networks they are controlled by the

865

00:44:18,210 --> 00:44:15,520

Cabal well sure um but okay so how long

866

00:44:21,630 --> 00:44:18,220

have you been actually using this to

867

00:44:25,500 --> 00:44:21,640

help people I've been working with

868

00:44:28,530 --> 00:44:25,510

scalar energy instruments since 1993 so

869

00:44:31,650 --> 00:44:28,540

if it's going on approximately

870

00:44:33,990 --> 00:44:31,660

twenty-two twenty-three years well over

871

00:44:36,270 --> 00:44:34,000

there looking back over that course of

872

00:44:39,390 --> 00:44:36,280

time I've perfected the technique to the

873

00:44:41,370 --> 00:44:39,400

point now where I can easily with my

874

00:44:44,400 --> 00:44:41,380

skill energy instruments I can easily

875

00:44:47,550 --> 00:44:44,410

disassembled germs any any type of virus

876

00:44:49,470 --> 00:44:47,560

or bacterium unable to deconstruct or

877

00:44:55,770 --> 00:44:49,480

disassemble the molecular structure of

878

00:44:59,269 --> 00:44:55,780

any cottager and so yeah so you like

879

00:45:01,819 --> 00:44:59,279

pathogens in any virus or any bacteria

880

00:45:04,939 --> 00:45:01,829

and so that's why it would work on

881

00:45:07,459 --> 00:45:04,949

something like HIV exactly because

882

00:45:09,469 --> 00:45:07,469

that's all you say virus exactly I've

883

00:45:12,079 --> 00:45:09,479

had great success again with any type of

884

00:45:15,259 --> 00:45:12,089

pathogen including the HIV virus I've I

885

00:45:18,499 --> 00:45:15,269

have documentation that proves that many

886

00:45:20,299 --> 00:45:18,509

of the people that I've treated for HIV

887

00:45:23,029 --> 00:45:20,309

who are HIV positive have had

888

00:45:25,609 --> 00:45:23,039

subsequently DNA tests and those DNA

889

00:45:29,019 --> 00:45:25,619

tests have come back without any

890

00:45:32,359 --> 00:45:29,029

detectable viral load month after month

891

00:45:35,899 --> 00:45:32,369

these PCR tests these viral load tests

892

00:45:39,499 --> 00:45:35,909

show and complete absence of any genetic

893

00:45:42,019 --> 00:45:39,509

material of the HIV virus why well

894

00:45:44,479 --> 00:45:42,029

scalar energy is a unique energy that is

895

00:45:47,089 --> 00:45:44,489

capable of disassembling the molecular

896

00:45:49,849 --> 00:45:47,099

structure of germs including the HIV

897

00:45:52,189 --> 00:45:49,859

virus so what I'm noun Singh to the

898

00:45:55,939 --> 00:45:52,199

general public is that scalar energy can

899

00:46:01,419 --> 00:45:55,949

eradicate any virus including the HIV

900

00:46:03,499 --> 00:46:01,429

virus so and what if the person had

901
00:46:06,620 --> 00:46:03,509
something else like right now in Los

902
00:46:10,039 --> 00:46:06,630
Angeles I think there's been some recent

903
00:46:15,759 --> 00:46:10,049
deaths in a particular Hospital here

904
00:46:19,069 --> 00:46:15,769
where there's this do resistant

905
00:46:21,769 --> 00:46:19,079
antibiotic-resistant infection of

906
00:46:28,159 --> 00:46:21,779
bacteria yeah it's yes they're calling

907
00:46:30,829 --> 00:46:28,169
it to see our II right and and so would

908
00:46:33,259 --> 00:46:30,839
this be since it seems to be resisting

909
00:46:35,630 --> 00:46:33,269
medications would this be something that

910
00:46:39,429 --> 00:46:35,640
would work on that that's correct it

911
00:46:43,759 --> 00:46:39,439
will it will why well the CR II miss an

912
00:46:46,159 --> 00:46:43,769
antibiotic resistant the bacteria I'm

913
00:46:50,870 --> 00:46:46,169

able to treat that out and the reason I

914

00:46:54,079 --> 00:46:50,880

can I can do that this antero bacteria

915

00:46:57,249 --> 00:46:54,089

is able to be disassembled because I can

916

00:47:01,339 --> 00:46:57,259

broadcast the reverse phase angle of CRE

917

00:47:03,709 --> 00:47:01,349

this intero bacteria can be disassembled

918

00:47:07,279 --> 00:47:03,719

by way of this primal force in nature

919

00:47:09,729 --> 00:47:07,289

again scalar energy is a primal force

920

00:47:12,710 --> 00:47:09,739

it's a fundamental force in nature I

921

00:47:15,530 --> 00:47:12,720

control nature I control physical

922

00:47:19,820 --> 00:47:15,540

matter in specific I have mastery over

923

00:47:23,359 --> 00:47:19,830

germs including the CRA CRE resistant

924

00:47:27,800 --> 00:47:23,369

bacterium that has particularly plagued

925

00:47:30,230 --> 00:47:27,810

one Hospital in Los Angeles I am able to

926

00:47:33,050 --> 00:47:30,240

treat out disassemble the molecular

927

00:47:37,810 --> 00:47:33,060

structure of germs as such I have

928

00:47:42,349 --> 00:47:37,820

mastery over the pathogenic Kingdom Wow

929

00:47:44,930 --> 00:47:42,359

well that's a large section of illness

930

00:47:47,270 --> 00:47:44,940

and disease in the world isn't it it

931

00:47:51,890 --> 00:47:47,280

think I can talking about things like

932

00:47:55,940 --> 00:47:51,900

you know Ebola sure sure exactly exactly

933

00:48:00,440 --> 00:47:55,950

if I can disassemble bacteria viruses

934

00:48:02,960 --> 00:48:00,450

protozoa etc I essentially opening the

935

00:48:05,000 --> 00:48:02,970

door to to realize the cure or

936

00:48:12,620 --> 00:48:05,010

prevention of thousands of pathogenic

937

00:48:16,880 --> 00:48:12,630

diseases Wow now can you um share like

938

00:48:18,800 --> 00:48:16,890

some examples of some of the cases that

939

00:48:23,450 --> 00:48:18,810

you've worked on in some of the results

940

00:48:26,450 --> 00:48:23,460

that you've had sure sure in the past

941

00:48:29,990 --> 00:48:26,460

month I'm a very kind soul has provided

942

00:48:33,980 --> 00:48:30,000

me with diagnostic tests for the herpes

943

00:48:37,010 --> 00:48:33,990

simplex virus I'm an individual that had

944

00:48:40,579 --> 00:48:37,020

been suffering from herpes infection for

945

00:48:44,920 --> 00:48:40,589

at least 25 30 years had been diagnosed

946

00:48:47,750 --> 00:48:44,930

as caring the herpes simplex virus to

947

00:48:50,109 --> 00:48:47,760

genital herpes well after my skill

948

00:48:55,910 --> 00:48:50,119

energy treatments this individual

949

00:48:58,310 --> 00:48:55,920

submitted diagnostic test results a PCR

950

00:49:01,370 --> 00:48:58,320

test or a polymerase chain reaction test

951
00:49:04,370 --> 00:49:01,380
was conducted and the result was no

952
00:49:08,450 --> 00:49:04,380
detectable viral load for the first time

953
00:49:11,589 --> 00:49:08,460
in 25 30 years these DNA tests these

954
00:49:15,470 --> 00:49:11,599
polymerase chain reaction tests are

955
00:49:19,010 --> 00:49:15,480
rendering no detectable viral load

956
00:49:21,589 --> 00:49:19,020
whatsoever all leading me to the

957
00:49:24,170 --> 00:49:21,599
conclusion that yes the treatment that I

958
00:49:26,120 --> 00:49:24,180
have developed is successful that yes I

959
00:49:26,480 --> 00:49:26,130
am able to disassemble the herpes

960
00:49:29,660 --> 00:49:26,490
simplex

961
00:49:32,350 --> 00:49:29,670
likes virus to as well as other viruses

962
00:49:35,420 --> 00:49:32,360
as well as other bacteria and fungi

963
00:49:38,630 --> 00:49:35,430

scalar energy allows me to have control

964

00:49:48,140 --> 00:49:38,640

over pathogens over germs I now have

965

00:49:49,490 --> 00:49:48,150

mastery over pathogens and you know what

966

00:49:52,760 --> 00:49:49,500

about some of the people that you've

967

00:49:55,430 --> 00:49:52,770

worked on that have experienced the

968

00:49:58,670 --> 00:49:55,440

effects of the technology and have you

969

00:50:02,840 --> 00:49:58,680

know either reversed their damage or

970

00:50:06,380 --> 00:50:02,850

stop the virus or as you said tests show

971

00:50:09,890 --> 00:50:06,390

that there's no more evidence of the

972

00:50:12,890 --> 00:50:09,900

virus in their systems I mean they must

973

00:50:15,590 --> 00:50:12,900

be absolutely over the moon about this

974

00:50:17,390 --> 00:50:15,600

they're ecstatic they're ecstatic and

975

00:50:20,960 --> 00:50:17,400

many of them express their thanks and

976
00:50:23,930 --> 00:50:20,970
and they say to me that continue on with

977
00:50:26,270 --> 00:50:23,940
your research this is meaningful this is

978
00:50:28,790 --> 00:50:26,280
the only treatment modality that that

979
00:50:32,960 --> 00:50:28,800
has been able to eradicate these germs

980
00:50:35,210 --> 00:50:32,970
from my body I'll mention this three

981
00:50:37,880 --> 00:50:35,220
weeks ago I had a radio interview and a

982
00:50:40,940 --> 00:50:37,890
gentleman called up and he announced to

983
00:50:43,570 --> 00:50:40,950
me that he was free from HIV I had been

984
00:50:46,099 --> 00:50:43,580
treating him for a few months and

985
00:50:48,830 --> 00:50:46,109
unbeknownst to me he called up on a

986
00:50:50,930 --> 00:50:48,840
radio program and he told me that after

987
00:50:54,500 --> 00:50:50,940
years of being infected with the HIV

988
00:50:57,410 --> 00:50:54,510

virus and there is no detectable viral

989

00:50:59,750 --> 00:50:57,420

load anymore this gentleman likewise had

990

00:51:02,090 --> 00:50:59,760

polymerase chain reaction test a number

991

00:51:05,540 --> 00:51:02,100

of them conducted and there's no

992

00:51:09,050 --> 00:51:05,550

presence there is no detectable viral

993

00:51:12,200 --> 00:51:09,060

load anymore and he in his own words and

994

00:51:15,440 --> 00:51:12,210

I'll quote it's a miracle he believes

995

00:51:18,170 --> 00:51:15,450

he's been freed of this infection these

996

00:51:20,599 --> 00:51:18,180

these testimonials are not of my doing

997

00:51:23,180 --> 00:51:20,609

I'm not coercing people to say these

998

00:51:24,550 --> 00:51:23,190

things I'm not coaching people to say

999

00:51:28,430 --> 00:51:24,560

these things these are unilateral

1000

00:51:30,950 --> 00:51:28,440

expressions and indeed I agree this

1001
00:51:33,530 --> 00:51:30,960
gentleman who called up on this radio

1002
00:51:36,080 --> 00:51:33,540
show line I believe he no longer has the

1003
00:51:38,240 --> 00:51:36,090
HIV virus in his body I believe scalar

1004
00:51:41,020 --> 00:51:38,250
energy treatments have disassembled the

1005
00:51:50,290 --> 00:51:46,610
well now what about other types of

1006
00:51:54,230 --> 00:51:50,300
things you know like autoimmune diseases

1007
00:51:56,900 --> 00:51:54,240
or what if you're just you know there's

1008
00:52:00,140 --> 00:51:56,910
you don't really have a disease or a

1009
00:52:02,870 --> 00:52:00,150
chronic condition is there something

1010
00:52:06,560 --> 00:52:02,880
that scalar energy has a benefit for

1011
00:52:13,760 --> 00:52:06,570
everyone health-wise I would say so

1012
00:52:16,240 --> 00:52:13,770
again that lady g18 yes well here's a

1013
00:52:19,220 --> 00:52:16,250

particular interest to me good for you

1014

00:52:21,710 --> 00:52:19,230

this is my take on it if you if we live

1015

00:52:23,540 --> 00:52:21,720

in a perfect scalar energy force-field r

1016

00:52:26,240 --> 00:52:23,550

in which there was no electricity or

1017

00:52:29,540 --> 00:52:26,250

magnetism a perfect scalar energy

1018

00:52:32,540 --> 00:52:29,550

dimension is perpetual life it's a it is

1019

00:52:35,150 --> 00:52:32,550

immortality why scalar energy is

1020

00:52:37,490 --> 00:52:35,160

perpetual if you live within this

1021

00:52:40,880 --> 00:52:37,500

perpetual energy you cannot decay you

1022

00:52:43,600 --> 00:52:40,890

cannot age there is no death there is no

1023

00:52:46,690 --> 00:52:43,610

disease frankly I think that's that

1024

00:52:49,340 --> 00:52:46,700

defines heaven heaven is a place of

1025

00:52:51,950 --> 00:52:49,350

abundant light well what type of light

1026
00:52:54,650 --> 00:52:51,960
is in heaven it's scalar energy there's

1027
00:52:57,320 --> 00:52:54,660
no electricity in heaven you only find

1028
00:53:00,110 --> 00:52:57,330
scalar light scalar energy in heaven and

1029
00:53:02,930 --> 00:53:00,120
that's what makes this condition of

1030
00:53:05,690 --> 00:53:02,940
ultimate happiness in heaven it's a

1031
00:53:08,690 --> 00:53:05,700
scalar energy environment and people

1032
00:53:11,120 --> 00:53:08,700
cannot die people have immortality in

1033
00:53:14,030 --> 00:53:11,130
heaven why they live in the light of God

1034
00:53:18,590 --> 00:53:14,040
which is this divine light which is

1035
00:53:20,660 --> 00:53:18,600
scalar energy perpetual energy well

1036
00:53:25,220 --> 00:53:20,670
you've got people popping in the in the

1037
00:53:28,160 --> 00:53:25,230
chatroom someone's asking Carol is

1038
00:53:31,040 --> 00:53:28,170

asking about fiber my nose Lorraine is

1039

00:53:34,690 --> 00:53:31,050

asking about fibromyalgia and Cruz he's

1040

00:53:37,460 --> 00:53:34,700

asking about arthritis sure sure

1041

00:53:39,890 --> 00:53:37,470

presently I perfected my technique

1042

00:53:44,080 --> 00:53:39,900

whereby I can eliminate I can eradicate

1043

00:53:47,870 --> 00:53:44,090

over 60,000 potential species of germs

1044

00:53:50,750 --> 00:53:47,880

pathogens I call it a pathogenic lens by

1045

00:53:52,880 --> 00:53:50,760

way of scalar energy well one of the

1046

00:53:53,720 --> 00:53:52,890

pathogens that I can eradicate that I

1047

00:53:56,900 --> 00:53:53,730

can disassemble

1048

00:54:00,470 --> 00:53:56,910

the epstein-barr virus the epstein-barr

1049

00:54:03,530 --> 00:54:00,480

virus has been implicated as to be one

1050

00:54:08,530 --> 00:54:03,540

of the causes perhaps of chronic fatigue

1051
00:54:13,490 --> 00:54:08,540
syndrome or fibromyalgia now to this day

1052
00:54:15,440 --> 00:54:13,500
these terms define us and in many ways

1053
00:54:18,109 --> 00:54:15,450
we really haven't been able to find the

1054
00:54:20,090 --> 00:54:18,119
ultimate cause of fibromyalgia well I

1055
00:54:22,520 --> 00:54:20,100
can't say that that I understand it

1056
00:54:25,460 --> 00:54:22,530
either if that remains an open-ended

1057
00:54:28,670 --> 00:54:25,470
question nobody has answered that at

1058
00:54:31,550 --> 00:54:28,680
least not sufficiently fibromyalgia

1059
00:54:36,130 --> 00:54:31,560
might be caused by a pathogen and in so

1060
00:54:39,140 --> 00:54:36,140
doing well if I can treat out over

1061
00:54:43,940 --> 00:54:39,150
60,000 potential species of germs

1062
00:54:47,510 --> 00:54:43,950
viruses bacteria fungi in many ways I

1063
00:54:51,050 --> 00:54:47,520

can at least diminish mitigate palliate

1064

00:54:54,290 --> 00:54:51,060

the deleterious effects of fibromyalgia

1065

00:54:56,590 --> 00:54:54,300

mmm now some people who've been on my

1066

00:54:59,830 --> 00:54:56,600

program have told me that their

1067

00:55:03,380 --> 00:54:59,840

fibromyalgia that this pain this this

1068

00:55:07,450 --> 00:55:03,390

this painted within their muscles within

1069

00:55:10,510 --> 00:55:07,460

their very bone marrow if you will this

1070

00:55:14,210 --> 00:55:10,520

musculoskeletal pain is in many ways

1071

00:55:16,640 --> 00:55:14,220

diminished why and in part at least

1072

00:55:21,040 --> 00:55:16,650

because I can treat out because I can

1073

00:55:25,430 --> 00:55:21,050

disassemble so many opportunistic

1074

00:55:28,220 --> 00:55:25,440

pathogens that are responsible for for

1075

00:55:29,690 --> 00:55:28,230

chronic fatigue and fibromyalgia again

1076

00:55:32,480 --> 00:55:29,700

the epstein-barr virus has been

1077

00:55:35,890 --> 00:55:32,490

implicated so as the site of Megillah

1078

00:55:38,450 --> 00:55:35,900

virus it is hard to say definitively

1079

00:55:40,960 --> 00:55:38,460

which pathogen or which series of

1080

00:55:44,210 --> 00:55:40,970

pathogens produces this condition

1081

00:55:46,520 --> 00:55:44,220

suffice to say scalar energy was going

1082

00:55:50,000 --> 00:55:46,530

to prove to be our greatest ally because

1083

00:55:55,490 --> 00:55:50,010

we can easily transmute and eradicate

1084

00:55:58,460 --> 00:55:55,500

those germs well I want to remind people

1085

00:56:01,070 --> 00:55:58,470

that they can get information about your

1086

00:56:06,930 --> 00:56:01,080

technology about even booking an

1087

00:56:10,109 --> 00:56:06,940

appointment for scalar sessions with Tom

1088

00:56:13,020 --> 00:56:10,119

then your website is self he'll go com

1089

00:56:15,510 --> 00:56:13,030

is that right that's correct yeah great

1090

00:56:17,280 --> 00:56:15,520

I want to make sure that people have

1091

00:56:19,380 --> 00:56:17,290

that and I'm putting that into the chat

1092

00:56:21,660 --> 00:56:19,390

room right now so that people can go

1093

00:56:26,010 --> 00:56:21,670

there and look at it directly while

1094

00:56:27,329 --> 00:56:26,020

we're talking and it might give them

1095

00:56:32,970 --> 00:56:27,339

some more information or trigger some

1096

00:56:36,420 --> 00:56:32,980

more questions but so we'll talk about

1097

00:56:39,870 --> 00:56:36,430

in the last half hour of the show will

1098

00:56:43,349 --> 00:56:39,880

let's talk about how people can avail

1099

00:56:46,200 --> 00:56:43,359

themselves of your sessions and also any

1100

00:56:48,450 --> 00:56:46,210

other events that you might have coming

1101
00:56:50,370 --> 00:56:48,460
up where people can see you hear you

1102
00:56:55,740 --> 00:56:50,380
speak or or that sort of thing that

1103
00:56:58,680 --> 00:56:55,750
you'd like to tell us about and but

1104
00:57:03,150 --> 00:56:58,690
while we have just about three minutes

1105
00:57:05,609 --> 00:57:03,160
till the break now you're talking about

1106
00:57:08,280 --> 00:57:05,619
with things like fibromyalgia I think

1107
00:57:10,290 --> 00:57:08,290
those there are certain types of things

1108
00:57:12,599 --> 00:57:10,300
like that that we really haven't

1109
00:57:15,210 --> 00:57:12,609
identified exactly what the causes are

1110
00:57:18,780 --> 00:57:15,220
so there could be like sort of

1111
00:57:21,300 --> 00:57:18,790
collateral benefit from the scalar

1112
00:57:23,490 --> 00:57:21,310
website we don't know yet because we

1113
00:57:26,910 --> 00:57:23,500

don't know what it is that's making a

1114

00:57:28,800 --> 00:57:26,920

set right right so it and that that's an

1115

00:57:31,079 --> 00:57:28,810

astute observation at your point and

1116

00:57:33,990 --> 00:57:31,089

that's why I have this wholesale

1117

00:57:35,970 --> 00:57:34,000

approach if you will I have the ability

1118

00:57:40,380 --> 00:57:35,980

to treat out and I do so with each

1119

00:57:43,589 --> 00:57:40,390

session over 60,000 species of germs now

1120

00:57:46,079 --> 00:57:43,599

per se I don't diagnose Ill don't have

1121

00:57:49,530 --> 00:57:46,089

that ability right now to diagnose so I

1122

00:57:52,710 --> 00:57:49,540

I take a very convenient and if you will

1123

00:57:55,740 --> 00:57:52,720

a universal approach to wellness I treat

1124

00:57:58,319 --> 00:57:55,750

for all 60,000 plus pathogens and you

1125

00:58:01,400 --> 00:57:58,329

might only have 10 in your body but at

1126

00:58:05,190 --> 00:58:01,410

least I'll treat out those 10 out of the

1127

00:58:07,470 --> 00:58:05,200

60,000 within my reach that's the beauty

1128

00:58:09,780 --> 00:58:07,480

of scalar energy it again gives us

1129

00:58:14,370 --> 00:58:09,790

command it again gives us mastery over

1130

00:58:17,400 --> 00:58:14,380

the over the pathogenic kingdom so if I

1131

00:58:19,890 --> 00:58:17,410

had some kind of a bacterial infection

1132

00:58:20,549 --> 00:58:19,900

you know our staff infection something

1133

00:58:25,829 --> 00:58:20,559

like that

1134

00:58:30,390 --> 00:58:25,839

and someone else has a HIV or some sort

1135

00:58:32,549 --> 00:58:30,400

of hepatic virus you would treat me in

1136

00:58:34,589 --> 00:58:32,559

exactly the same way that you would

1137

00:58:37,199 --> 00:58:34,599

treat them precisely precisely

1138

00:58:39,660 --> 00:58:37,209

everybody's treated identically and that

1139

00:58:42,089 --> 00:58:39,670

way I am assured that no matter what

1140

00:58:44,599 --> 00:58:42,099

pathogen you're suffering from if it all

1141

00:58:47,309 --> 00:58:44,609

falls within under that umbrella of

1142

00:58:49,529 --> 00:58:47,319

60,000 species of germs that I can treat

1143

00:58:51,420 --> 00:58:49,539

out then indeed i'll be able to treat

1144

00:58:54,420 --> 00:58:51,430

out i'll be able to eradicate those

1145

00:58:57,870 --> 00:58:54,430

germs so it's really you know just

1146

00:58:59,519 --> 00:58:57,880

treating the whole person yes thank you

1147

00:59:01,949 --> 00:58:59,529

and you can do that with scalar energy

1148

00:59:04,170 --> 00:59:01,959

because it's friendly energy remember

1149

00:59:07,049 --> 00:59:04,180

scalar energy is sunlight it is

1150

00:59:08,670 --> 00:59:07,059

starlight it's not elect electrical in

1151

00:59:11,789 --> 00:59:08,680

nature there's two different energy

1152

00:59:13,890 --> 00:59:11,799

scalar energy is not electricity skilled

1153

00:59:18,779 --> 00:59:13,900

energy is really the life force of the

1154

00:59:23,269 --> 00:59:18,789

universe right and oh you know somebody

1155

00:59:27,029 --> 00:59:23,279

it has to question a moment ago about

1156

00:59:29,459 --> 00:59:27,039

about scalar energy and it reminded me

1157

00:59:32,189 --> 00:59:29,469

what you just said they said is this is

1158

00:59:35,249 --> 00:59:32,199

it the same energy that drives our mind

1159

00:59:37,589 --> 00:59:35,259

in our consciousness yes that's very

1160

00:59:39,120 --> 00:59:37,599

stupid congratulations wow that was

1161

00:59:41,339 --> 00:59:39,130

cruisy out of the chat room he was

1162

00:59:44,130 --> 00:59:41,349

asking that question beautiful beautiful

1163

00:59:46,259 --> 00:59:44,140

people are getting it thank you thinking

1164

00:59:48,660 --> 00:59:46,269

is only made possible by skill energy

1165

00:59:51,419 --> 00:59:48,670

you've heard the term enlightenment well

1166

00:59:53,339 --> 00:59:51,429

the pun is intended I guess because the

1167

00:59:56,189 --> 00:59:53,349

only way you can become enlightened is

1168

00:59:59,249 --> 00:59:56,199

with the light of skill energy scalar

1169

01:00:01,799 --> 00:59:59,259

energy is the is the fundament that

1170

01:00:04,079 --> 01:00:01,809

allows us to think without scalar energy

1171

01:00:06,749 --> 01:00:04,089

scalar light you cannot think you cannot

1172

01:00:09,209 --> 01:00:06,759

memorize you cannot calculate scalar

1173

01:00:13,739 --> 01:00:09,219

energy is the animating principle of all

1174

01:00:16,589 --> 01:00:13,749

cognitive processes oh I think I'm

1175

01:00:18,449 --> 01:00:16,599

beginning to get it or a little bit

1176

01:00:21,170 --> 01:00:18,459

closer to it anyway and thank you for

1177

01:00:22,819 --> 01:00:21,180

that we're going to take a quick break

1178

01:00:25,670 --> 01:00:22,829

hang in there with us we're talking to

1179

01:00:28,819 --> 01:00:25,680

Tom Palladino we're talking about scalar

1180

01:00:31,309 --> 01:00:28,829

energy and suppressed technologies and

1181

01:00:59,440 --> 01:00:31,319

cures so please hang in there and we'll

1182

01:01:06,109 --> 01:01:03,380

hello everyone lorien fenton here hosted

1183

01:01:08,599 --> 01:01:06,119

the California MUFON radio show asking

1184

01:01:11,660 --> 01:01:08,609

if you'd like special access to

1185

01:01:14,930 --> 01:01:11,670

exclusive and amazing information about

1186

01:01:18,259 --> 01:01:14,940

UFOs the paranormal and all things

1187

01:01:21,859 --> 01:01:18,269

unexplained if you're nodding yes then

1188

01:01:23,660 --> 01:01:21,869

join I rn's insider club as an insider

1189

01:01:26,630 --> 01:01:23,670

club member you'll get an all-access

1190

01:01:29,029 --> 01:01:26,640

pass to premier inception radio network

1191

01:01:31,579 --> 01:01:29,039

content for only four dollars and

1192

01:01:35,450 --> 01:01:31,589

ninety-nine cents a month this includes

1193

01:01:39,079 --> 01:01:35,460

live UFO and paranormal conferences live

1194

01:01:41,720 --> 01:01:39,089

streaming UFO sky watches exclusive irr

1195

01:01:45,500 --> 01:01:41,730

radio and TV productions and of course

1196

01:01:47,779 --> 01:01:45,510

paying radio with MJ and Ken starch so

1197

01:01:50,930 --> 01:01:47,789

don't wait any longer visit inception

1198

01:01:54,079 --> 01:01:50,940

radio network calm and click on member

1199

01:01:58,339 --> 01:01:54,089

login to join our ends insider club and

1200

01:02:01,190 --> 01:01:58,349

get your VIP access today you have a

1201
01:02:03,799 --> 01:02:01,200
smart fun if so conception radio network

1202
01:02:05,760 --> 01:02:03,809
is the best app for you available itunes

1203
01:02:07,950 --> 01:02:05,770
Android Sam

1204
01:02:10,380 --> 01:02:07,960
and most of the rap storms just search

1205
01:02:12,330 --> 01:02:10,390
inception radio network with the

1206
01:02:14,850 --> 01:02:12,340
applicant listen live check out what

1207
01:02:17,370 --> 01:02:14,860
cast recent and past showed you our

1208
01:02:19,830 --> 01:02:17,380
videos see what shows are coming up who

1209
01:02:22,560 --> 01:02:19,840
the guests are and via the chat room

1210
01:02:24,720 --> 01:02:22,570
send live questions to those guests you

1211
01:02:32,700 --> 01:02:24,730
know it makes sense check your app store

1212
01:02:34,950 --> 01:02:32,710
now inception radio network sees it hey

1213
01:02:37,590 --> 01:02:34,960

I RN listeners make sure you tune in to

1214

01:02:39,180 --> 01:02:37,600

night vision radio with Renee Barnett

1215

01:02:42,150 --> 01:02:39,190

where name will be exposing the truth

1216

01:02:44,970 --> 01:02:42,160

one secret at a time when Thursday every

1217

01:02:49,530 --> 01:02:44,980

Thursday 1030pm eastern sub 30 p.m.

1218

01:02:52,110 --> 01:02:49,540

pacific we're right here IRA you're

1219

01:02:59,120 --> 01:02:52,120

locked into inception radio network

1220

01:02:59,130 --> 01:03:39,570

too much

1221

01:03:45,190 --> 01:03:42,700

hey we're back again thanks for joining

1222

01:03:47,470 --> 01:03:45,200

us tonight we're down in the last half

1223

01:03:50,340 --> 01:03:47,480

hour of the show we're talking with Tom

1224

01:03:53,620 --> 01:03:50,350

Palladino in his scalar energy

1225

01:03:58,030 --> 01:03:53,630

treatments that he's providing were

1226
01:04:01,150 --> 01:03:58,040
using an invention of his own with the

1227
01:04:04,450 --> 01:04:01,160
help of the Hieronymous asst I don't

1228
01:04:06,150 --> 01:04:04,460
want to leave them out and some

1229
01:04:10,180 --> 01:04:06,160
equipment that he bought from them

1230
01:04:14,200 --> 01:04:10,190
altered it made it his own and he's

1231
01:04:16,359 --> 01:04:14,210
using it to help people with now we were

1232
01:04:21,160 --> 01:04:16,369
just before the break we had a really

1233
01:04:23,380 --> 01:04:21,170
cool question from cruisy in the chat

1234
01:04:25,060 --> 01:04:23,390
room about you know is scalar energy the

1235
01:04:28,060 --> 01:04:25,070
same energy that drives our mind and

1236
01:04:29,830 --> 01:04:28,070
consciousness and that sort of triggered

1237
01:04:31,599 --> 01:04:29,840
as i was telling you on the break my

1238
01:04:34,680 --> 01:04:31,609

memory about reading something on your

1239

01:04:39,000 --> 01:04:34,690

website about scalar energy being

1240

01:04:43,990 --> 01:04:39,010

otherwise known as as chi or prana and

1241

01:04:46,599 --> 01:04:44,000

and you said absolutely that's what it

1242

01:04:51,760 --> 01:04:46,609

is and that does make a lot of sense

1243

01:04:55,830 --> 01:04:51,770

that it is the very Chi the very energy

1244

01:05:01,080 --> 01:04:55,840

of life it's what drives everything and

1245

01:05:05,470 --> 01:05:01,090

it also you know I wanted to ask you is

1246

01:05:08,950 --> 01:05:05,480

you said we're scalar beings yeah and it

1247

01:05:12,520 --> 01:05:08,960

seems like would it be that if we use

1248

01:05:15,430 --> 01:05:12,530

scalar technology on ourselves what

1249

01:05:18,609 --> 01:05:15,440

we're really doing rather than altering

1250

01:05:21,460 --> 01:05:18,619

ourselves we're sort of returning to the

1251

01:05:25,450 --> 01:05:21,470

right natural state the right natural

1252

01:05:29,170 --> 01:05:25,460

Chi is that a possibility yes thank you

1253

01:05:32,109 --> 01:05:29,180

that's that's well put so it's just your

1254

01:05:34,570 --> 01:05:32,119

directive that basically exactly skill

1255

01:05:36,340 --> 01:05:34,580

energy is corrective God intended us

1256

01:05:39,070 --> 01:05:36,350

really to live in this perfect skill

1257

01:05:42,520 --> 01:05:39,080

energy paradigm once again I I believe

1258

01:05:45,040 --> 01:05:42,530

heaven is a place of perfected scalar

1259

01:05:48,280 --> 01:05:45,050

energy there is no electricity in heaven

1260

01:05:51,190 --> 01:05:48,290

so if you want to be perfect you live in

1261

01:05:52,940 --> 01:05:51,200

a scalar energy environment that is

1262

01:05:58,160 --> 01:05:52,950

unitive that is perfect

1263

01:06:01,099 --> 01:05:58,170

and now if we look at at at our mind the

1264

01:06:03,410 --> 01:06:01,109

human mind the brain is a scalar energy

1265

01:06:06,109 --> 01:06:03,420

generator every time we think we're

1266

01:06:08,839 --> 01:06:06,119

broadcasting scalar energy how does our

1267

01:06:12,079 --> 01:06:08,849

mind work how is it that we develop a

1268

01:06:16,670 --> 01:06:12,089

creative thought imagination how is it

1269

01:06:19,040 --> 01:06:16,680

that we can calculate how is it

1270

01:06:22,250 --> 01:06:19,050

deduction possible all of that is a

1271

01:06:25,220 --> 01:06:22,260

function of scale or energy the human

1272

01:06:29,150 --> 01:06:25,230

heart which in which we express love

1273

01:06:32,030 --> 01:06:29,160

emotion what is that emotion is a

1274

01:06:34,400 --> 01:06:32,040

broadcast of scalar energy all of this

1275

01:06:36,859 --> 01:06:34,410

is a form of intelligence when we think

1276

01:06:39,380 --> 01:06:36,869

obviously that's intelligence when we

1277

01:06:41,180 --> 01:06:39,390

feel that is also some type of

1278

01:06:43,460 --> 01:06:41,190

intelligence well what is that

1279

01:06:46,880 --> 01:06:43,470

intelligence it is scalar energy

1280

01:06:49,000 --> 01:06:46,890

intelligence so scalar energy this

1281

01:06:51,650 --> 01:06:49,010

intelligence of the universe is

1282

01:06:56,089 --> 01:06:51,660

responsible for all activity all

1283

01:07:00,250 --> 01:06:56,099

cognitive activity owes its existence to

1284

01:07:05,030 --> 01:07:00,260

scalar energy all emotional feelings all

1285

01:07:07,400 --> 01:07:05,040

emotional empathy compassion mercy all

1286

01:07:09,650 --> 01:07:07,410

of that is rooted in skill or energy

1287

01:07:15,380 --> 01:07:09,660

it's all intelligence scalar energy

1288

01:07:18,170 --> 01:07:15,390

intelligence you know Carol in the chat

1289

01:07:22,069 --> 01:07:18,180

room is asking if you feel there's a

1290

01:07:24,230 --> 01:07:22,079

connection between the scalar energy and

1291

01:07:26,150 --> 01:07:24,240

the the work being done at the CERN

1292

01:07:30,109 --> 01:07:26,160

laboratory is on the so-called god

1293

01:07:34,550 --> 01:07:30,119

particle is is there a relationship

1294

01:07:39,140 --> 01:07:34,560

there yes there is Tesla and considered

1295

01:07:45,940 --> 01:07:39,150

the following there's either is that

1296

01:07:49,579 --> 01:07:45,950

that perfect medium ether allows it

1297

01:07:51,680 --> 01:07:49,589

energy to propagate and either is is

1298

01:07:54,589 --> 01:07:51,690

crucial to our understanding of the

1299

01:07:58,520 --> 01:07:54,599

universe everything propagates through

1300

01:08:02,569 --> 01:07:58,530

ether and as such Easter is if you will

1301

01:08:05,510 --> 01:08:02,579

a tetrahedron it serves as the the

1302

01:08:06,380 --> 01:08:05,520

fundament is it serves as the smallest

1303

01:08:09,470 --> 01:08:06,390

particle

1304

01:08:12,440 --> 01:08:09,480

you will in the universe and then scalar

1305

01:08:16,099 --> 01:08:12,450

energy propagates through that medium

1306

01:08:19,129 --> 01:08:16,109

you need first and medium either for the

1307

01:08:21,590 --> 01:08:19,139

energy the skill energy to move through

1308

01:08:24,649 --> 01:08:21,600

to travel through well Tesla knew that

1309

01:08:28,419 --> 01:08:24,659

and I agree with him so what scientists

1310

01:08:34,399 --> 01:08:28,429

are looking for today is is that essence

1311

01:08:37,910 --> 01:08:34,409

ether is necessary either is the and

1312

01:08:40,490 --> 01:08:37,920

ether will allow us to to finally

1313

01:08:44,990 --> 01:08:40,500

understand that this medium this subtle

1314

01:08:47,479 --> 01:08:45,000

medium is is crucial to understanding

1315

01:08:49,729 --> 01:08:47,489

how all energy is generated and

1316

01:09:01,120 --> 01:08:49,739

propagated and moves throughout the

1317

01:09:06,439 --> 01:09:01,130

universe and how does that how does it

1318

01:09:11,090 --> 01:09:06,449

figure into the absolute technology that

1319

01:09:14,599 --> 01:09:11,100

you're using how does how do you well

1320

01:09:18,919 --> 01:09:14,609

I'm not sure how to how to actually

1321

01:09:21,079 --> 01:09:18,929

formulate my question but it seems like

1322

01:09:23,329 --> 01:09:21,089

you know it's the biggest subject and

1323

01:09:27,439 --> 01:09:23,339

then you're able to like bring it down

1324

01:09:30,919 --> 01:09:27,449

to a pinpoint yes you're right and

1325

01:09:35,539 --> 01:09:30,929

that's what we can bug on the other

1326

01:09:39,110 --> 01:09:35,549

energy can allow us to actually serve to

1327

01:09:42,620 --> 01:09:39,120

pinpoint any object in the universe it's

1328

01:09:45,289 --> 01:09:42,630

that specific so with scalar energy we

1329

01:09:48,110 --> 01:09:45,299

have to means working through the ether

1330

01:09:51,079 --> 01:09:48,120

to identify any object in the universe

1331

01:09:54,229 --> 01:09:51,089

deliver that energy to any object in the

1332

01:09:59,500 --> 01:09:54,239

universe and as such we we have again

1333

01:10:03,140 --> 01:09:59,510

mastery over the physical universe hmm

1334

01:10:06,160 --> 01:10:03,150

you know you reminded me of something I

1335

01:10:09,280 --> 01:10:06,170

was you were talking about heaven and

1336

01:10:13,370 --> 01:10:09,290

you believe that it's you know perfect

1337

01:10:16,689 --> 01:10:13,380

perfect scalar environment and you think

1338

01:10:20,350 --> 01:10:16,699

about things that you hear when people

1339

01:10:24,060 --> 01:10:20,360

have had near-death experiences

1340

01:10:29,160 --> 01:10:24,070

and they have had a glimpse of something

1341

01:10:32,770 --> 01:10:29,170

of heaven or they feel that they have

1342

01:10:35,430 --> 01:10:32,780

and I was talking with a friend today

1343

01:10:38,530 --> 01:10:35,440

and I was we were sharing she had

1344

01:10:40,270 --> 01:10:38,540

suffered a recent passing in her family

1345

01:10:42,970 --> 01:10:40,280

and she was going through some grief and

1346

01:10:44,740 --> 01:10:42,980

we were sharing stories and I was

1347

01:10:48,040 --> 01:10:44,750

talking about the time when I was

1348

01:10:52,149 --> 01:10:48,050

actually by the side of a friend when he

1349

01:10:56,740 --> 01:10:52,159

passed over and just before he did he

1350

01:11:00,790 --> 01:10:56,750

set up in bed he was very ill was

1351

01:11:02,770 --> 01:11:00,800

actually dying of AIDS and couldn't

1352

01:11:05,080 --> 01:11:02,780

really speak because he was just didn't

1353

01:11:08,979 --> 01:11:05,090

have enough breath to actually speak but

1354

01:11:10,990 --> 01:11:08,989

just before he passed he's set up and he

1355

01:11:12,970 --> 01:11:11,000

called his sister's name and his sister

1356

01:11:17,709 --> 01:11:12,980

happened to have passed away the year

1357

01:11:23,160 --> 01:11:17,719

before and he said Oh Brenda the flowers

1358

01:11:25,660 --> 01:11:23,170

are so beautiful and all I was here

1359

01:11:27,970 --> 01:11:25,670

talking about you know when they've had

1360

01:11:29,709 --> 01:11:27,980

a glimpse of heaven or they feel that

1361

01:11:33,399 --> 01:11:29,719

they have they talked about the

1362

01:11:35,290 --> 01:11:33,409

brilliant colors and the brilliance and

1363

01:11:37,270 --> 01:11:35,300

they say you know obviously flowers on

1364

01:11:39,370 --> 01:11:37,280

earth are absolutely gorgeous but they

1365

01:11:44,080 --> 01:11:39,380

say it's indescribable because of the

1366

01:11:47,070 --> 01:11:44,090

perfection that they say is that because

1367

01:11:49,899 --> 01:11:47,080

of the scalar environment or do you

1368

01:11:51,750 --> 01:11:49,909

exactly when we go to heaven you'll see

1369

01:11:55,000 --> 01:11:51,760

colors that you could never even imagine

1370

01:11:57,459 --> 01:11:55,010

yeah our world is muted in comparison to

1371

01:12:00,340 --> 01:11:57,469

what we'll what we will experience in

1372

01:12:03,669 --> 01:12:00,350

heaven everything is filled with scalar

1373

01:12:06,310 --> 01:12:03,679

energy it we are light beings in skill

1374

01:12:09,910 --> 01:12:06,320

in in heaven hence there's no shadow

1375

01:12:12,669 --> 01:12:09,920

there's no darkness it is pure truth it

1376

01:12:15,729 --> 01:12:12,679

is perfection it is once again that

1377

01:12:17,200 --> 01:12:15,739

immortal state many people have said

1378

01:12:20,320 --> 01:12:17,210

that when they have a near-death

1379

01:12:21,790 --> 01:12:20,330

experience they see a vortex if you will

1380

01:12:24,520 --> 01:12:21,800

they go through the tunnel and the

1381

01:12:28,359 --> 01:12:24,530

tunnel is white light well what is that

1382

01:12:31,479 --> 01:12:28,369

it's a scalar energy vortex scalar

1383

01:12:34,210 --> 01:12:31,489

energy moves like a double helix it is

1384

01:12:36,580 --> 01:12:34,220

but some people might call it a tornado

1385

01:12:38,110 --> 01:12:36,590

it is a vortex and when you're going

1386

01:12:39,870 --> 01:12:38,120

through that white light you're going

1387

01:12:42,610 --> 01:12:39,880

through the white light of the vortex

1388

01:12:46,570 --> 01:12:42,620

now this all starts to make sense and

1389

01:12:49,360 --> 01:12:46,580

hence you enter into eternity a scalar

1390

01:12:52,540 --> 01:12:49,370

energy dimension is a perfect dimension

1391

01:12:54,460 --> 01:12:52,550

you are immortal you cannot die if you

1392

01:13:03,580 --> 01:12:54,470

live in a perfect scalar energy

1393

01:13:07,260 --> 01:13:03,590

dimension so as it as a you said you

1394

01:13:11,260 --> 01:13:07,270

know you you have Christian beliefs as a

1395

01:13:13,720 --> 01:13:11,270

Christian who believes in heaven and you

1396

01:13:16,150 --> 01:13:13,730

know we know that when we when we die

1397

01:13:21,400 --> 01:13:16,160

you know our physical body dies and then

1398

01:13:23,770 --> 01:13:21,410

we go to heaven what is it of us it's a

1399

01:13:27,910 --> 01:13:23,780

living so we're not a living organism

1400

01:13:31,090 --> 01:13:27,920

anymore but where does a card of that

1401

01:13:33,580 --> 01:13:31,100

pure energy we have eternal life and if

1402

01:13:36,430 --> 01:13:33,590

you've considered in this vein the

1403

01:13:39,250 --> 01:13:36,440

Creator there is a God I believe the

1404

01:13:42,070 --> 01:13:39,260

Creator is above creation and the

1405

01:13:44,170 --> 01:13:42,080

Creator one of his attributes is scalar

1406

01:13:47,290 --> 01:13:44,180

energy and once you're within this

1407

01:13:49,810 --> 01:13:47,300

scalar energy dimension you are linked

1408

01:13:53,260 --> 01:13:49,820

you are united with could be God the

1409

01:13:55,390 --> 01:13:53,270

Creator hence you become immortal it's

1410

01:13:57,880 --> 01:13:55,400

the unifying principle that we all are

1411

01:14:01,630 --> 01:13:57,890

looking for scalar energy will serve to

1412

01:14:04,390 --> 01:14:01,640

unify the human race and we can frankly

1413

01:14:06,700 --> 01:14:04,400

have heaven on earth if we start working

1414

01:14:12,340 --> 01:14:06,710

with scalar energy in this world in a

1415

01:14:17,680 --> 01:14:12,350

century will be heaven on earth hmm and

1416

01:14:20,710 --> 01:14:17,690

so well and so what and I guess that

1417

01:14:22,120 --> 01:14:20,720

means that we would never die God cool

1418

01:14:25,030 --> 01:14:22,130

so that's why it would be heaven on

1419

01:14:27,550 --> 01:14:25,040

earth because it would be eternal yes it

1420

01:14:30,460 --> 01:14:27,560

would be perfect happiness we would have

1421

01:14:33,250 --> 01:14:30,470

incredible intelligence I've said this

1422

01:14:36,360 --> 01:14:33,260

before some people have incredible

1423

01:14:39,430 --> 01:14:36,370

memory in particular there are saw bonds

1424

01:14:41,680 --> 01:14:39,440

if you remember the movie Rain Man there

1425

01:14:44,890 --> 01:14:41,690

was actually an actual person Lawrence

1426

01:14:48,129 --> 01:14:44,900

Kemp eek this is named i actually have

1427

01:14:49,870 --> 01:14:48,139

met i actually met Kim peek I

1428

01:14:53,919 --> 01:14:49,880

I used to produce ripley's believe it or

1429

01:14:56,679 --> 01:14:53,929

not and we did a piece on him and he was

1430

01:15:02,040 --> 01:14:56,689

very sweet and as was his dad who was

1431

01:15:05,290 --> 01:15:02,050

his caretaker but yes he absolutely was

1432

01:15:08,500 --> 01:15:05,300

unbelievable yeah with his memory yes

1433

01:15:11,439 --> 01:15:08,510

Lawrence Kim peak was a gentleman who

1434

01:15:14,319 --> 01:15:11,449

lived in Utah the state of Utah I'm the

1435

01:15:16,479 --> 01:15:14,329

movie Rain Man is in many ways modeled

1436

01:15:19,029 --> 01:15:16,489

after his illustrious career as a

1437

01:15:21,639 --> 01:15:19,039

solvent is it said that Rain Man

1438

01:15:23,859 --> 01:15:21,649

Lawrence Kan peak during his lifetime

1439

01:15:26,830 --> 01:15:23,869

could memorize a book from cover to

1440

01:15:29,290 --> 01:15:26,840

cover and I've read before where he

1441

01:15:31,449 --> 01:15:29,300

probably memorized twelve thousand

1442

01:15:34,989 --> 01:15:31,459

volumes he memorized in his lifetime

1443

01:15:37,060 --> 01:15:34,999

twelve thousand books hmm and the way

1444

01:15:39,850 --> 01:15:37,070

you have that perfection is by way of

1445

01:15:44,229 --> 01:15:39,860

scalar energy it's a gift it's a gift

1446

01:15:47,109 --> 01:15:44,239

from God a scalar energy mind a scalar

1447

01:15:49,929 --> 01:15:47,119

energy brain so to speak cannot forget

1448

01:15:52,000 --> 01:15:49,939

you have perfect memory how can anybody

1449

01:15:55,899 --> 01:15:52,010

memorize a book let alone twelve

1450

01:15:58,239 --> 01:15:55,909

thousand books Lawrence Kim peak his

1451

01:16:01,359 --> 01:15:58,249

mind his brain could interface with the

1452

01:16:03,639 --> 01:16:01,369

scalar energy matrix if you will with

1453

01:16:05,770 --> 01:16:03,649

this holographic universe and one of the

1454

01:16:08,259 --> 01:16:05,780

gifts that Lawrence can take had by

1455

01:16:10,719 --> 01:16:08,269

virtue of scalar energy was that he

1456

01:16:13,540 --> 01:16:10,729

could memorize it with ease that's

1457

01:16:18,899 --> 01:16:13,550

that's how Laurence cantique memorized

1458

01:16:22,000 --> 01:16:18,909

twelve thousand books yeah I remember

1459

01:16:25,719 --> 01:16:22,010

one of the things that we did in in that

1460

01:16:31,330 --> 01:16:25,729

segment that we did on him was you could

1461

01:16:33,580 --> 01:16:31,340

give him an as if code to any town

1462

01:16:36,489 --> 01:16:33,590

anywhere and it could be the tiniest

1463

01:16:39,339 --> 01:16:36,499

down the world and he would tell you

1464

01:16:42,520 --> 01:16:39,349

what the location was he could give you

1465

01:16:45,279 --> 01:16:42,530

the population of that place he could

1466

01:16:48,909 --> 01:16:45,289

tell you anything about it it was just

1467

01:16:53,439 --> 01:16:48,919

quite amazing but yet okay I hear what

1468

01:16:56,350 --> 01:16:53,449

you're saying he had he was able to tap

1469

01:17:00,939 --> 01:16:56,360

into that scalar energy but yet you know

1470

01:17:01,959 --> 01:17:00,949

he he had a lot of a lot of problems you

1471

01:17:04,779 --> 01:17:01,969

know in do

1472

01:17:07,060 --> 01:17:04,789

dealing with just regular society and

1473

01:17:09,189 --> 01:17:07,070

taking care of himself and you know it

1474

01:17:11,830 --> 01:17:09,199

couldn't work and and things like that

1475

01:17:18,160 --> 01:17:11,840

and his dad was his caretaker until his

1476

01:17:20,709 --> 01:17:18,170

tell his dad's passing but so he was

1477

01:17:23,109 --> 01:17:20,719

able just with his mind then is what

1478

01:17:28,149 --> 01:17:23,119

you're saying to tap into the scalar but

1479

01:17:31,810 --> 01:17:28,159

he still had the condition of autism yes

1480

01:17:34,509 --> 01:17:31,820

you're absolutely right and I will

1481

01:17:39,520 --> 01:17:34,519

acknowledge that obviously I'm he'll act

1482

01:17:42,549 --> 01:17:39,530

out of see that gift of a normal perhaps

1483

01:17:46,080 --> 01:17:42,559

human discourse he was to some people

1484

01:17:48,580 --> 01:17:46,090

aloof some people would call it perhaps

1485

01:17:51,459 --> 01:17:48,590

Asperger's syndrome or perhaps he was

1486

01:17:55,419 --> 01:17:51,469

autistic that's a sliding rule

1487

01:17:58,660 --> 01:17:55,429

nevertheless he he was unique and and he

1488

01:18:03,430 --> 01:17:58,670

did have let's say I'm social

1489

01:18:06,939 --> 01:18:03,440

dysfunction yes yeah yeah yeah he was

1490

01:18:09,040 --> 01:18:06,949

very much very childlike yeah very

1491

01:18:11,919 --> 01:18:09,050

childlike when you meet him you know

1492

01:18:19,299 --> 01:18:11,929

just as sort of guileless and innocent

1493

01:18:23,649 --> 01:18:19,309

and as he could possibly be and but yet

1494

01:18:25,870 --> 01:18:23,659

he had this tremendous mind just like

1495

01:18:30,939 --> 01:18:25,880

nothing I've ever seen really we all

1496

01:18:33,069 --> 01:18:30,949

know and i would agree I apologize for

1497

01:18:35,229 --> 01:18:33,079

that phone sound I don't know if that's

1498

01:18:36,850 --> 01:18:35,239

on your end Tom or if that's something

1499

01:18:39,040 --> 01:18:36,860

else are we having some interference

1500

01:18:41,379 --> 01:18:39,050

from outside somewhere but we keep

1501

01:18:43,029 --> 01:18:41,389

hearing this I think we're having some

1502

01:18:45,219 --> 01:18:43,039

interference from the powers that be

1503

01:18:49,689 --> 01:18:45,229

because I I've never heard that sound

1504

01:18:51,700 --> 01:18:49,699

before but whoo we'll continue if i'm

1505

01:18:55,930 --> 01:18:51,710

not mistaken lawrence can peek also was

1506

01:18:57,729 --> 01:18:55,940

capable of calendar date recognition he

1507

01:19:00,489 --> 01:18:57,739

could actually pick out a day of the

1508

01:19:05,770 --> 01:19:00,499

week that a particular event took place

1509

01:19:07,899 --> 01:19:05,780

on yes Paul that I believe so that does

1510

01:19:10,299 --> 01:19:07,909

sound very familiar yeah i think in

1511

01:19:12,339 --> 01:19:10,309

other words if you ask them what day of

1512

01:19:14,890 --> 01:19:12,349

the week was a declaration of

1513

01:19:15,609 --> 01:19:14,900

independence sign he could tell you what

1514

01:19:17,859 --> 01:19:15,619

weather

1515

01:19:20,979 --> 01:19:17,869

Monday or Tuesday or Thursday he could

1516

01:19:25,389 --> 01:19:20,989

tell you the day of the week now all of

1517

01:19:27,909 --> 01:19:25,399

that speak traffickers Rain Man Lawrence

1518

01:19:30,520 --> 01:19:27,919

cantique could actually had actually a

1519

01:19:33,580 --> 01:19:30,530

calendar if you will download it in his

1520

01:19:37,469 --> 01:19:33,590

mind and he could actually pinpoint any

1521

01:19:40,689 --> 01:19:37,479

day of the week that a particular date

1522

01:19:43,779 --> 01:19:40,699

could be attributed to incredible

1523

01:19:46,689 --> 01:19:43,789

incredible all of this speaks to the

1524

01:19:52,959 --> 01:19:46,699

power of scalar energy as this infinite

1525

01:19:57,489 --> 01:19:52,969

intelligence mm-hmm yes it does it truly

1526

01:20:03,100 --> 01:19:57,499

truly does yeah can you give us any

1527

01:20:05,379 --> 01:20:03,110

other examples of how you know scalar

1528

01:20:08,889 --> 01:20:05,389

energy comes into play with with

1529

01:20:13,449 --> 01:20:08,899

different people you don't like Kim

1530

01:20:17,350 --> 01:20:13,459

Peaks he obviously is one example but is

1531

01:20:20,979 --> 01:20:17,360

there are there other ways that people

1532

01:20:23,290 --> 01:20:20,989

show that they're picking up on the

1533

01:20:27,060 --> 01:20:23,300

scalar energy or in tune with the scalar

1534

01:20:29,199 --> 01:20:27,070

energy I mean how could a person know is

1535

01:20:34,779 --> 01:20:29,209

there a way that we can direct ourselves

1536

01:20:38,739 --> 01:20:34,789

to it yes I i would say people do that

1537

01:20:42,189 --> 01:20:38,749

all day long anytime you pray that's a

1538

01:20:45,219 --> 01:20:42,199

broadcast of scalar energy any type of

1539

01:20:47,830 --> 01:20:45,229

prayer you're able to broadcast skill

1540

01:20:51,009 --> 01:20:47,840

energy and as such that up not only

1541

01:20:53,560 --> 01:20:51,019

helps you but that helps the world other

1542

01:20:57,609 --> 01:20:53,570

examples of scalar energy once again are

1543

01:21:00,609 --> 01:20:57,619

thinking or emotion so all of us have

1544

01:21:02,709 --> 01:21:00,619

this incredible ability to control skill

1545

01:21:06,759 --> 01:21:02,719

energy to broadcast skill energy

1546

01:21:08,889 --> 01:21:06,769

anywhere in the world our bodies every

1547

01:21:11,770 --> 01:21:08,899

cell is held together by way of

1548

01:21:14,889 --> 01:21:11,780

scalar energy well you take that into

1549

01:21:17,770 --> 01:21:14,899

consideration that just speaks to to the

1550

01:21:20,739 --> 01:21:17,780

to this virtue of scalar energy how

1551

01:21:22,719 --> 01:21:20,749

important scalar energy is and sadly we

1552

01:21:25,869 --> 01:21:22,729

just don't get it we don't realize that

1553

01:21:28,709 --> 01:21:25,879

it's all around us that skill energy is

1554

01:21:32,040 --> 01:21:28,719

being used every moment of our lives

1555

01:21:34,290 --> 01:21:32,050

this is the suppression it's right in

1556

01:21:36,419 --> 01:21:34,300

front of us we live in a sea of scalar

1557

01:21:38,609 --> 01:21:36,429

energy but if you listen to modern-day

1558

01:21:41,729 --> 01:21:38,619

science modern-day science does not

1559

01:21:44,479 --> 01:21:41,739

consider scalar energy it's it's not

1560

01:21:47,489 --> 01:21:44,489

even given a footnote of consideration

1561

01:21:49,529 --> 01:21:47,499

however all this the son of our solar

1562

01:21:52,080 --> 01:21:49,539

system the stars are constantly

1563

01:21:55,379 --> 01:21:52,090

producing scale energy it's the primary

1564

01:21:58,890 --> 01:21:55,389

energy that that drives the cosmos and

1565

01:22:01,680 --> 01:21:58,900

that is the suppression it's right in

1566

01:22:05,000 --> 01:22:01,690

front of us but but it's not being

1567

01:22:11,370 --> 01:22:05,010

acknowledged well let's change that

1568

01:22:16,200 --> 01:22:11,380

let's make it apparent yeah in you know

1569

01:22:21,450 --> 01:22:16,210

how can we do that we can do that but I

1570

01:22:24,299 --> 01:22:21,460

really serving two to give this energy

1571

01:22:27,930 --> 01:22:24,309

it's due do some research on scale

1572

01:22:30,509 --> 01:22:27,940

energy look into it support any group

1573

01:22:33,419 --> 01:22:30,519

that's trying to resurrect Nikola

1574

01:22:35,669 --> 01:22:33,429

Tesla's work if we were to follow in

1575

01:22:38,600 --> 01:22:35,679

Tesla's footsteps the world would change

1576

01:22:41,870 --> 01:22:38,610

in many ways Tesla had many inventions

1577

01:22:44,580 --> 01:22:41,880

that had we implemented those inventions

1578

01:22:46,709 --> 01:22:44,590

we would not have the energy crisis that

1579

01:22:49,469 --> 01:22:46,719

we have today well can you imagine a

1580

01:22:51,930 --> 01:22:49,479

world without an energy crisis it would

1581

01:22:54,479 --> 01:22:51,940

be it was frankly be paradise on earth

1582

01:22:57,120 --> 01:22:54,489

we would not have wars we would not have

1583

01:22:59,520 --> 01:22:57,130

insurrection we would not have to face

1584

01:23:02,100 --> 01:22:59,530

scarcity this is where we're going

1585

01:23:04,950 --> 01:23:02,110

scalar energy is superabundant it's an

1586

01:23:09,120 --> 01:23:04,960

infinite supply of energy well if we can

1587

01:23:11,700 --> 01:23:09,130

realize that then we can overcome which

1588

01:23:15,359 --> 01:23:11,710

is the first obstacle of any economic

1589

01:23:18,270 --> 01:23:15,369

model scarcity that's what skill ng will

1590

01:23:21,180 --> 01:23:18,280

do it will do an end to the monopolies

1591

01:23:24,029 --> 01:23:21,190

it will do it an end to any type of

1592

01:23:27,120 --> 01:23:24,039

shortage we won't have to worry about

1593

01:23:30,689 --> 01:23:27,130

supply scalar energy is again super

1594

01:23:33,930 --> 01:23:30,699

abundant so this is a new way of living

1595

01:23:35,580 --> 01:23:33,940

and that's what I'm looking at this is

1596

01:23:38,399 --> 01:23:35,590

what i really want to inculcate in

1597

01:23:41,580 --> 01:23:38,409

people I want them to address this and

1598

01:23:42,420 --> 01:23:41,590

ultimately embrace Gil energy it will

1599

01:23:44,280 --> 01:23:42,430

come down to

1600

01:23:46,800 --> 01:23:44,290

the people that people have to demand

1601
01:23:48,780 --> 01:23:46,810
skill energy and if they do that then

1602
01:23:51,390 --> 01:23:48,790
the world will change and we will have

1603
01:23:53,940 --> 01:23:51,400
this incredible energy at our beck and

1604
01:23:55,950 --> 01:23:53,950
call and skill mg will set us free

1605
01:23:59,130 --> 01:23:55,960
scalar energy will indeed liberate

1606
01:24:05,580 --> 01:23:59,140
mankind that is the day that I'm looking

1607
01:24:06,900 --> 01:24:05,590
for mmm and in and you think that we do

1608
01:24:09,600 --> 01:24:06,910
have this technology this technology

1609
01:24:13,410 --> 01:24:09,610
does exist and it probably is being used

1610
01:24:16,350 --> 01:24:13,420
in certain ways I remember I had a

1611
01:24:18,300 --> 01:24:16,360
conversation actually was during when I

1612
01:24:21,690 --> 01:24:18,310
was working on conspiracy theory was

1613
01:24:23,930 --> 01:24:21,700

talking with dr. Steven Greer and we

1614

01:24:26,340 --> 01:24:23,940

were talking about free energy and

1615

01:24:29,070 --> 01:24:26,350

directed energy that sort of thing and

1616

01:24:31,530 --> 01:24:29,080

he said you know do you really really

1617

01:24:35,700 --> 01:24:31,540

think that we don't have something

1618

01:24:39,060 --> 01:24:35,710

better than these clunky rocket you know

1619

01:24:42,240 --> 01:24:39,070

fueled engines to you know to carry our

1620

01:24:45,510 --> 01:24:42,250

spacecraft out and he said but just

1621

01:24:48,420 --> 01:24:45,520

think about it if people knew that we

1622

01:24:50,520 --> 01:24:48,430

had that sort of spacecraft then they

1623

01:24:54,030 --> 01:24:50,530

would also know that that very same

1624

01:24:57,110 --> 01:24:54,040

energy which should be available to

1625

01:25:01,200 --> 01:24:57,120

power our homes to power our cars to

1626
01:25:04,230 --> 01:25:01,210
power the trains to run the world and if

1627
01:25:07,110 --> 01:25:04,240
they allow that knowledge out that we

1628
01:25:10,260 --> 01:25:07,120
already have this for one application

1629
01:25:12,390 --> 01:25:10,270
then obviously people would be up in

1630
01:25:15,270 --> 01:25:12,400
arms if we didn't use it for everything

1631
01:25:18,000 --> 01:25:15,280
else and it may made a lot of sense when

1632
01:25:21,360 --> 01:25:18,010
he said that of course of course and

1633
01:25:24,000 --> 01:25:21,370
that's the suppression and for those of

1634
01:25:27,450 --> 01:25:24,010
you who are new to this just you know so

1635
01:25:31,610 --> 01:25:27,460
to speak connect the dots Nikola Tesla

1636
01:25:34,290 --> 01:25:31,620
had incredible inventions Nick

1637
01:25:36,540 --> 01:25:34,300
demonstrated that you could take scalar

1638
01:25:40,080 --> 01:25:36,550

energy and broadcast it around the world

1639

01:25:42,000 --> 01:25:40,090

Tessa in many ways perfected wireless

1640

01:25:44,640 --> 01:25:42,010

transmission of energy in other words

1641

01:25:46,920 --> 01:25:44,650

you don't need telephone lines you don't

1642

01:25:50,300 --> 01:25:46,930

need substations you don't need

1643

01:25:54,690 --> 01:25:50,310

satellites scalar energy can broadcast

1644

01:25:56,399 --> 01:25:54,700

skill energy anywhere in the robe and in

1645

01:25:58,830 --> 01:25:56,409

so doing there's no losses

1646

01:26:01,589 --> 01:25:58,840

no you have an infinite supply of energy

1647

01:26:03,870 --> 01:26:01,599

hence you you don't need a grid system

1648

01:26:06,000 --> 01:26:03,880

the grid system is obsolete you don't

1649

01:26:09,350 --> 01:26:06,010

need transformers you don't need cable

1650

01:26:11,669 --> 01:26:09,360

per se well what would that do to the

1651

01:26:14,729 --> 01:26:11,679

existing paradigm what would that do to

1652

01:26:18,060 --> 01:26:14,739

the economic model today that technology

1653

01:26:20,580 --> 01:26:18,070

would quickly replace make obsolete so

1654

01:26:25,799 --> 01:26:20,590

many technologies and that's that's

1655

01:26:28,679 --> 01:26:25,809

where the suppression comes in um well

1656

01:26:30,270 --> 01:26:28,689

we've got just a few minutes left so I

1657

01:26:33,500 --> 01:26:30,280

really would want to let people know how

1658

01:26:36,209 --> 01:26:33,510

they can reach you and maybe make a

1659

01:26:39,629 --> 01:26:36,219

point Minh twith you or find out more

1660

01:26:43,649 --> 01:26:39,639

about your technology sure my website is

1661

01:26:47,009 --> 01:26:43,659

self heal go com if you have any

1662

01:26:51,600 --> 01:26:47,019

questions simply write me a letter or

1663

01:26:54,179 --> 01:26:51,610

call in we have an 800 number the staff

1664

01:26:55,859 --> 01:26:54,189

will answer the your phone call again

1665

01:26:58,109 --> 01:26:55,869

the whole point is to get this

1666

01:26:59,759 --> 01:26:58,119

information out there I have hundreds of

1667

01:27:02,399 --> 01:26:59,769

articles that I've written about scale

1668

01:27:05,100 --> 01:27:02,409

energy and my discoveries on the website

1669

01:27:08,879 --> 01:27:05,110

first and foremost educator systems

1670

01:27:11,100 --> 01:27:08,889

yourself be comfortable you have to have

1671

01:27:13,770 --> 01:27:11,110

an understanding of footing as to what

1672

01:27:16,169 --> 01:27:13,780

skill mg is and if you feel comfortable

1673

01:27:18,870 --> 01:27:16,179

then i would say sign up for some

1674

01:27:22,399 --> 01:27:18,880

treatments I I will indeed serve to

1675

01:27:25,319 --> 01:27:22,409

improve your help in some measure oh

1676
01:27:28,560 --> 01:27:25,329
that's great and you can also go on the

1677
01:27:31,709 --> 01:27:28,570
website Oh feel calm and find out more

1678
01:27:35,520 --> 01:27:31,719
information about the scalar energy and

1679
01:27:38,879 --> 01:27:35,530
the treatments that that tom is doing

1680
01:27:41,790 --> 01:27:38,889
and also I believe there's a how to make

1681
01:27:46,799 --> 01:27:41,800
an appointment there's a pricing scale

1682
01:27:48,330 --> 01:27:46,809
there and all the information that that

1683
01:27:53,640 --> 01:27:48,340
you might need and if you have any more

1684
01:27:57,779 --> 01:27:53,650
you can always email Tom and ask right

1685
01:28:00,239 --> 01:27:57,789
thank you yes exactly we're oak we're

1686
01:28:02,580 --> 01:28:00,249
open to anybody suggestions I'm able to

1687
01:28:05,699 --> 01:28:02,590
treat people for 30 consecutive days

1688
01:28:07,919 --> 01:28:05,709

with scalar energy I can treat people as

1689

01:28:09,930 --> 01:28:07,929

an individual or people can sign up as a

1690

01:28:13,050 --> 01:28:09,940

family you're helpful

1691

01:28:15,090 --> 01:28:13,060

proof I'm able to again disassemble

1692

01:28:18,620 --> 01:28:15,100

germs I'm able to assemble nutrients in

1693

01:28:21,510 --> 01:28:18,630

the body this is universal health care

1694

01:28:23,400 --> 01:28:21,520

right it sounds great tom you know I'm

1695

01:28:25,770 --> 01:28:23,410

definitely going to look into work I

1696

01:28:28,470 --> 01:28:25,780

think that you know we owe it to

1697

01:28:30,660 --> 01:28:28,480

ourselves to look into all these new

1698

01:28:33,959 --> 01:28:30,670

things that we're hearing about that may

1699

01:28:36,000 --> 01:28:33,969

just help ourselves and if enough of us

1700

01:28:37,380 --> 01:28:36,010

get interested in it you know one of

1701

01:28:39,479 --> 01:28:37,390

these days these things will reach

1702

01:28:43,110 --> 01:28:39,489

critical mass and they'll just have to

1703

01:28:45,300 --> 01:28:43,120

let us have these things available to us

1704

01:28:47,370 --> 01:28:45,310

as they should be but i want to thank

1705

01:28:48,870 --> 01:28:47,380

you for coming on tonight it's been

1706

01:28:51,900 --> 01:28:48,880

great having you and i hope you'll agree

1707

01:28:54,330 --> 01:28:51,910

some time to come back i'd love it let

1708

01:28:56,820 --> 01:28:54,340

us know how your how your work is doing

1709

01:29:01,410 --> 01:28:56,830

and i'm definitely going to check it out

1710

01:29:03,720 --> 01:29:01,420

myself so let's let's hope that you do

1711

01:29:05,910 --> 01:29:03,730

come back sometime soon and thank you

1712

01:29:09,209 --> 01:29:05,920

everybody for listening everyone have a
