FORD

The John Ford Progress Report

inceptionradionetwork.com

1
00:00:14,280 --> 00:00:03,290
you're listening to Ira the inception

2
00:00:46,600 --> 00:00:16,810
welcome to this inception radio special

3
00:00:49,750 --> 00:00:46,610
event free John Ford hi everybody this

4
00:00:52,840 --> 00:00:49,760
is MJ AKA mike lucas i'm here to talk to

5
00:00:55,960 --> 00:00:52,850
you about John Ford as many of you know

6
00:00:58,150 --> 00:00:55,970
John Ford in 1996 was the lead

7
00:01:01,000 --> 00:00:58,160
investigator of the Long Island UFO

8
00:01:02,319 --> 00:01:01,010
network he was arrested without a proper

9
00:01:04,929 --> 00:01:02,329
search warrant and been incarcerated

10
00:01:08,140 --> 00:01:04,939
ever since in a psychiatric ward up in

11
00:01:10,899 --> 00:01:08,150
New York I was able to talk to John for

12
00:01:12,490 --> 00:01:10,909
15 to 20 minutes and hear his side of

13
00:01:15,219 --> 00:01:12,500

the story and ask him some interview

14

00:01:17,649 --> 00:01:15,229

questions this was made possible by

15

00:01:20,530 --> 00:01:17,659

Marilyn and dick Carlson of the Oklahoma

16

00:01:23,740 --> 00:01:20,540

UFO and paranormal team and of course I

17

00:01:25,480 --> 00:01:23,750

thank my co-host ken storage following

18

00:01:29,320 --> 00:01:25,490

the interview we will have bonus

19

00:01:31,270 --> 00:01:29,330

coverage of MJ myself and Ken Storch is

20

00:01:33,880 --> 00:01:31,280

interview with Peter moon diving deeper

21

00:01:35,649 --> 00:01:33,890

into the John Ford case so sit back

22

00:01:39,030 --> 00:01:35,659

everybody put your seat belts on and

23

00:01:41,890 --> 00:01:39,040

let's free John Ford John what went down

24

00:01:44,590 --> 00:01:41,900

back here what's the cause of all this

25

00:01:46,770 --> 00:01:44,600

why are you in the why you in the ward

26

00:01:59,679 --> 00:01:46,780

there you want to tell everybody

27

00:02:02,440 --> 00:01:59,689

well my charges and my attorney for one

28

00:02:06,880 --> 00:02:02,450

of a better excuse the glee sent me up

29

00:02:09,639 --> 00:02:06,890

to have me examined for a year at mid

30

00:02:15,880 --> 00:02:09,649

hudson and when I came back down they

31

00:02:17,199 --> 00:02:15,890

said I was not compos mentis and they

32

00:02:18,380 --> 00:02:17,209

said I was suffering from a mental

33

00:02:27,230 --> 00:02:18,390

illness

34

00:02:29,720 --> 00:02:27,240

and when we went next to court the DA's

35

00:02:37,010 --> 00:02:29,730

office offered as a plea bargain deplete

36

00:02:42,140 --> 00:02:37,020

our plea to mentally incompetent not

37

00:02:44,870 --> 00:02:42,150

guilty and my attorneys had taken it's

38

00:02:46,130 --> 00:02:44,880

the best deal you're going to get he

39

00:02:49,460 --> 00:02:46,140

said these people don't want to

40

00:02:56,300 --> 00:02:49,470

compromise with you yeah I said okay I

41

00:02:57,920 --> 00:02:56,310

said I'll do it and I took the plea but

42

00:03:00,590 --> 00:02:57,930

underneath the surface there was also

43

00:03:02,570 --> 00:03:00,600

the possibility that if I had gone to

44

00:03:06,380 --> 00:03:02,580

trial I could have been convicted and

45

00:03:15,500 --> 00:03:06,390

would have been subjected to the loss of

46

00:03:18,110 --> 00:03:15,510

my pension for the disability provisions

47

00:03:23,150 --> 00:03:18,120

from Social Security and my workman's

48

00:03:26,990 --> 00:03:23,160

comp settlement so we did this in order

49

00:03:29,270 --> 00:03:27,000

to protect my benefits okay okay now

50

00:03:32,170 --> 00:03:29,280

John you're the founding you're the

51
00:03:37,130 --> 00:03:32,180
founder of the Long Island you will fall

52
00:03:39,229 --> 00:03:37,140
not rope go Father okay the other one

53
00:03:42,410 --> 00:03:39,239
was Richard stealth who's no longer with

54
00:03:45,770 --> 00:03:42,420
us okay he dropped out because of

55
00:03:48,979 --> 00:03:45,780
personal reasons and the two of us found

56
00:03:51,830 --> 00:03:48,989
the organization and had some difficulty

57
00:03:55,009 --> 00:03:51,840
in the beginning but it just took off

58
00:03:58,910 --> 00:03:55,019
like wildfire and we started receiving

59
00:04:02,509 --> 00:03:58,920
reports and investigating and it's all

60
00:04:04,729 --> 00:04:02,519
had to stop raining okay okay so what

61
00:04:06,470 --> 00:04:04,739
what led up to all this happening what

62
00:04:13,610 --> 00:04:06,480
type of evidence did you guys come

63
00:04:16,069 --> 00:04:13,620

across that led up to all this Preston

64

00:04:18,440 --> 00:04:16,079

Nichols approached me first enables of

65

00:04:20,690 --> 00:04:18,450

the motto of project who's a science

66

00:04:22,909 --> 00:04:20,700

advisor to our organization and he

67

00:04:25,550 --> 00:04:22,919

approached me with information that they

68

00:04:27,220 --> 00:04:25,560

had been a crash outside of overhead of

69

00:04:36,900 --> 00:04:27,230

the UFO

70

00:04:39,670 --> 00:04:36,910

and that this was the basis for the 1995

71

00:04:41,440 --> 00:04:39,680

East End farce far is that almost

72

00:04:48,270 --> 00:04:41,450

destroyed the town of westhampton beach

73

00:04:51,210 --> 00:04:48,280

and we did the cursory investigation and

74

00:04:54,430 --> 00:04:51,220

we didn't get any definite information

75

00:04:55,870 --> 00:04:54,440

but we kept in the back of our head said

76
00:05:02,380 --> 00:04:55,880
that it was something may have happened

77
00:05:05,350 --> 00:05:02,390
there now we speed up now about seven

78
00:05:07,150 --> 00:05:05,360
eight months later when i met mr. joseph

79
00:05:13,510 --> 00:05:07,160
matthew Charlie my co-defendant on the

80
00:05:15,580 --> 00:05:13,520
case and he came to me said he wanted to

81
00:05:17,590 --> 00:05:15,590
get involved and I wanted to join the

82
00:05:22,630 --> 00:05:17,600
organization so I took his membership

83
00:05:29,110 --> 00:05:22,640
and he kept coming over hanging out at

84
00:05:33,520 --> 00:05:29,120
my house trying to get involved in the

85
00:05:36,430 --> 00:05:33,530
organization and one day he bawled my

86
00:05:39,790 --> 00:05:36,440
pickup truck said he needed to transport

87
00:05:45,190 --> 00:05:39,800
his girlfriends but personal property

88
00:05:47,220 --> 00:05:45,200

from from her family's house up to his

89

00:05:53,310 --> 00:05:47,230

uncle's house in port jefferson station

90

00:05:57,570 --> 00:05:53,320

to secure it so I let him have the truck

91

00:06:01,270 --> 00:05:57,580

netting head of a several days and

92

00:06:03,880 --> 00:06:01,280

behold the night that we were supposed

93

00:06:08,770 --> 00:06:03,890

to go meet with a witness eyewitness to

94

00:06:11,890 --> 00:06:08,780

the South Main Haven Park crash mr.

95

00:06:17,160 --> 00:06:11,900

Medich Ellie was forced off the road by

96

00:06:19,720 --> 00:06:17,170

a car before the grilling men in it and

97

00:06:23,640 --> 00:06:19,730

he was severely beaten about the face

98

00:06:26,950 --> 00:06:23,650

about the body and left of a warning us

99

00:06:31,510 --> 00:06:26,960

stay out of our business it's no

100

00:06:33,730 --> 00:06:31,520

business of yours hmm so there he came

101

00:06:36,550 --> 00:06:33,740

to me the next day and he told me about

102

00:06:38,860 --> 00:06:36,560

it then he told any fine himself has

103

00:06:41,800 --> 00:06:38,870

been an Israeli intelligence agent

104

00:06:49,030 --> 00:06:41,810

who had been sent directly from Tel Aviv

105

00:06:51,090 --> 00:06:49,040

to protect me and my organization and to

106

00:06:54,520 --> 00:06:51,100

also bring us into an international

107

00:06:56,700 --> 00:06:54,530

coalition of UFO researchers and

108

00:06:58,990 --> 00:06:56,710

organizations and intelligence agencies

109

00:07:02,610 --> 00:06:59,000

devoted to the overturn of the US

110

00:07:09,850 --> 00:07:02,620

government's UFO cover he told me in

111

00:07:14,710 --> 00:07:09,860

1989 Israel had shot down hope the Negev

112

00:07:17,110 --> 00:07:14,720

desert a UFO and they captured it in its

113

00:07:18,940 --> 00:07:17,120

crew and when the alert the United

114

00:07:21,940 --> 00:07:18,950

States answer information about the

115

00:07:24,060 --> 00:07:21,950

alien presence on our planet they were

116

00:07:27,130 --> 00:07:24,070

turned down and given the cold shoulder

117

00:07:30,040 --> 00:07:27,140

so is we then decided to form a

118

00:07:36,220 --> 00:07:30,050

coalition of Nations to oppose the come

119

00:07:38,560 --> 00:07:36,230

up and to expose it so I agreed to join

120

00:07:40,780 --> 00:07:38,570

it by the next graph he told me that

121

00:07:44,440 --> 00:07:40,790

they had been contracts taken out

122

00:07:48,120 --> 00:07:44,450

against me by politicians on Long Island

123

00:07:51,580 --> 00:07:48,130

to keep me from revealing the cause of

124

00:07:53,890 --> 00:07:51,590

the forests and forest fires because

125

00:07:58,540 --> 00:07:53,900

they attended they had set the forest

126
00:08:00,190 --> 00:07:58,550
fires in populated areas now they were

127
00:08:03,910 --> 00:08:00,200
supposed to know her not supposed to do

128
00:08:10,630 --> 00:08:03,920
that the anklet has a space ship went

129
00:08:15,070 --> 00:08:10,640
down outside of riverhead in wildlife

130
00:08:21,370 --> 00:08:15,080
preserve and it was in a populated area

131
00:08:24,820 --> 00:08:21,380
and they supposedly said far as far as

132
00:08:28,210 --> 00:08:24,830
there that would conceal the recovery

133
00:08:30,940 --> 00:08:28,220
operation but the John Powell Republican

134
00:08:33,250 --> 00:08:30,950
Party Chairman full for Suffolk County

135
00:08:36,610 --> 00:08:33,260
got involved and ordered the forest

136
00:08:40,810 --> 00:08:36,620
fires set further east in populated

137
00:08:42,700 --> 00:08:40,820
areas near the Pine Barrens these are

138
00:08:46,840 --> 00:08:42,710

Forest Preserve on Long Island full

139

00:08:48,730 --> 00:08:46,850

undeveloped property and in an effort to

140

00:08:52,030 --> 00:08:48,740

destroy the Pine Barrens and make them

141

00:08:52,630 --> 00:08:52,040

available for subsequent sale and

142

00:08:57,580 --> 00:08:52,640

develop

143

00:09:00,420 --> 00:08:57,590

and they were afraid I was going to

144

00:09:03,640 --> 00:09:00,430

expose us so they were taken out

145

00:09:06,910 --> 00:09:03,650

contracts to have me killed okay and he

146

00:09:11,170 --> 00:09:06,920

told me that he was a protective force

147

00:09:15,180 --> 00:09:11,180

of some 25 Israeli agents to protect me

148

00:09:19,870 --> 00:09:15,190

and make certain that no harm came to me

149

00:09:22,810 --> 00:09:19,880

hmm interesting now now were you given

150

00:09:25,990 --> 00:09:22,820

any evidence on this crash or our

151
00:09:31,350 --> 00:09:26,000
pictures or any physical evidence we had

152
00:09:34,150 --> 00:09:31,360
not begun investigating it because of

153
00:09:37,570 --> 00:09:34,160
the death threats and the assassination

154
00:09:41,050 --> 00:09:37,580
attempts mr. Kelly told me not to go out

155
00:09:43,090 --> 00:09:41,060
there I'd be looking for trouble he said

156
00:09:47,860 --> 00:09:43,100
that's the first place to look for you

157
00:09:52,930 --> 00:09:47,870
so I we didn't organize a search but we

158
00:09:57,400 --> 00:09:52,940
did learn from Dottie and Gary trick you

159
00:10:00,480 --> 00:09:57,410
roof on members that the hypnotherapist

160
00:10:06,700 --> 00:10:00,490
was we employ to do regression on

161
00:10:09,670 --> 00:10:06,710
abductees that they're their

162
00:10:12,840 --> 00:10:09,680
receptionist and had to contact with a

163
00:10:15,700 --> 00:10:12,850

gentleman by his name of Steve marinara

164

00:10:18,790 --> 00:10:15,710

who lives outside of riverhead the

165

00:10:24,640 --> 00:10:18,800

gentleman sells used cars and he had

166

00:10:30,700 --> 00:10:24,650

sold the receptionist of you guys used

167

00:10:35,190 --> 00:10:30,710

the Camille and she got a story for him

168

00:10:38,500 --> 00:10:35,200

that he had seen UFO crash discovered it

169

00:10:40,720 --> 00:10:38,510

reported it to the FBI and there was

170

00:10:45,390 --> 00:10:40,730

subsequently debriefed and interrogated

171

00:10:49,480 --> 00:10:45,400

by the FBI and intimidated in silence so

172

00:10:52,900 --> 00:10:49,490

we did manage to contact mr. now now and

173

00:10:57,250 --> 00:10:52,910

he did deny the story but everything

174

00:11:02,980 --> 00:10:57,260

else about his story fen in the price so

175

00:11:06,310 --> 00:11:02,990

obviously he was lying okay no no what

176
00:11:07,780 --> 00:11:06,320
led up to your arrest and of course we

177
00:11:09,370 --> 00:11:07,790
y'all know that the emmaus there was no

178
00:11:13,690 --> 00:11:09,380
proper search warrant for your arrest

179
00:11:16,780 --> 00:11:13,700
and all that stuff search one was

180
00:11:20,800 --> 00:11:16,790
defective ok I had the wrong date on it

181
00:11:22,480 --> 00:11:20,810
and the police collected it when they

182
00:11:25,120 --> 00:11:22,490
went to file the search one with the

183
00:11:26,770 --> 00:11:25,130
court papers the only copy that had the

184
00:11:30,250 --> 00:11:26,780
correct date on it was the one that was

185
00:11:33,670 --> 00:11:30,260
filed with the court so we try to get

186
00:11:36,340 --> 00:11:33,680
the search woman removed but we failed

187
00:11:41,590 --> 00:11:36,350
in our efforts and something after we

188
00:11:46,360 --> 00:11:41,600

would have to leave to the Appellate

189

00:11:52,110 --> 00:11:46,370

Division of the court to roll on and

190

00:11:56,080 --> 00:11:52,120

exclude so the night that I was arrested

191

00:11:59,680 --> 00:11:56,090

we were there myself mr. Kevin cooks a

192

00:12:02,740 --> 00:11:59,690

fan of Joel miss Mattie Kelly and myself

193

00:12:06,400 --> 00:12:02,750

at my home we were waiting for Preston

194

00:12:08,470 --> 00:12:06,410

it was to show up to recalibrate and set

195

00:12:11,680 --> 00:12:08,480

batch of new guided campus I had brought

196

00:12:16,870 --> 00:12:11,690

for the organization and which had to be

197

00:12:19,540 --> 00:12:16,880

recalibrated and I had a piece of radium

198

00:12:23,080 --> 00:12:19,550

that I got from a friend of mine that

199

00:12:27,970 --> 00:12:23,090

was low yield radium uranium clock

200

00:12:30,940 --> 00:12:27,980

that's used for testing purposes and we

201
00:12:35,340 --> 00:12:30,950
were joking about it talking about the

202
00:12:38,770 --> 00:12:35,350
politicians joking about the using it to

203
00:12:42,250 --> 00:12:38,780
eliminate the politicians get rid of

204
00:12:44,650 --> 00:12:42,260
them and their fascination parts when we

205
00:12:47,080 --> 00:12:44,660
went outside to my picker truck to

206
00:12:51,070 --> 00:12:47,090
retrieve it that's when the police

207
00:12:52,330 --> 00:12:51,080
showed up and forth and arrested US now

208
00:12:54,970 --> 00:12:52,340
mr. Cootes turned out to be a

209
00:12:57,490 --> 00:12:54,980
confidential informant he was wearing a

210
00:13:00,510 --> 00:12:57,500
wire and he didn't take down our

211
00:13:06,520 --> 00:13:00,520
statements on tape and was subsequently

212
00:13:11,380 --> 00:13:06,530
rebroadcast bites Polica circuits to the

213
00:13:14,930 --> 00:13:11,390

DA's office in hauppauge long now and he

214

00:13:21,690 --> 00:13:14,940

took it down on tape and

215

00:13:24,240 --> 00:13:21,700

and send it up to be cautious hmm so so

216

00:13:30,290 --> 00:13:24,250

what were you accused of what was the

217

00:13:38,370 --> 00:13:35,910

a few other lesser charges and the tape

218

00:13:41,970 --> 00:13:38,380

recording was a principal means of

219

00:13:44,579 --> 00:13:41,980

evidence then they used it in the grand

220

00:13:46,350 --> 00:13:44,589

jury to get an indictment than the years

221

00:13:51,120 --> 00:13:46,360

of struggling who were going to use it

222

00:13:59,150 --> 00:13:51,130

at trial and the version that they

223

00:14:02,760 --> 00:13:59,160

submitted to the court was horrible it

224

00:14:05,699 --> 00:14:02,770

became statements in it that I know I

225

00:14:07,710 --> 00:14:05,709

didn't make and statements and as a

226

00:14:10,050 --> 00:14:07,720

Charlie made and I knew he said he never

227

00:14:14,850 --> 00:14:10,060

made and it was something wrong with the

228

00:14:23,790 --> 00:14:14,860

recording so about five years ago one of

229

00:14:30,590 --> 00:14:23,800

my people mr. Joseph mr. Joe Joseph

230

00:14:40,740 --> 00:14:32,550

buoyed by the Defense Intelligence

231

00:14:44,639 --> 00:14:40,750

Agency as a systems analyst he that

232

00:14:50,240 --> 00:14:44,649

night of the arrest he was tape

233

00:14:54,660 --> 00:14:50,250

recording the tether transmissions from

234

00:14:58,199 --> 00:14:54,670

the police in front of my house and he

235

00:15:02,550 --> 00:14:58,209

took out the recording of whether a list

236

00:15:04,680 --> 00:15:02,560

of the statements that we made now he

237

00:15:07,199 --> 00:15:04,690

didn't thorough analysis that gentleman

238

00:15:08,760 --> 00:15:07,209

does this type of work for the job they

239

00:15:11,670 --> 00:15:08,770

did a thorough analysis of the tape

240

00:15:14,670 --> 00:15:11,680

recording that they played for the grand

241

00:15:18,460 --> 00:15:14,680

jury and he

242

00:15:23,249 --> 00:15:18,470

version of the recording was 53 minutes

243

00:15:28,990 --> 00:15:23,259

long recording that that they played and

244

00:15:32,530 --> 00:15:29,000

the grand jury was 23 minutes long okay

245

00:15:36,430 --> 00:15:32,540

obviously there was some tampering with

246

00:15:38,259 --> 00:15:36,440

the evidence big time and he can he's

247

00:15:43,629 --> 00:15:38,269

going to prove him only once we get into

248

00:15:47,499 --> 00:15:43,639

court now have you been in contact with

249

00:15:50,439 --> 00:15:47,509

method Shelley then at all yes i have

250

00:15:52,509 --> 00:15:50,449

i've been in touch with mms Joe he hit

251

00:15:57,370 --> 00:15:52,519

five and a half years he took a plea

252

00:16:02,170 --> 00:15:57,380

bargain and he got out and he said he

253

00:16:06,879 --> 00:16:02,180

retired from Mossad he's living in a

254

00:16:09,430 --> 00:16:06,889

Long Island now and he and I have

255

00:16:12,730 --> 00:16:09,440

communicated he's willing to come and

256

00:16:14,530 --> 00:16:12,740

testify at my court proceedings and he

257

00:16:17,379 --> 00:16:14,540

says I'm going to bring evidence that

258

00:16:19,809 --> 00:16:17,389

will blow the case wide open very cool

259

00:16:24,340 --> 00:16:19,819

very cool no no when is this when is

260

00:16:26,860 --> 00:16:24,350

this court case scheduled well it isn't

261

00:16:28,809 --> 00:16:26,870

a criminal trial sir this is an

262

00:16:31,389 --> 00:16:28,819

administrative trial don't need

263

00:16:33,429 --> 00:16:31,399

fundamental health law I'm challenging

264

00:16:36,490 --> 00:16:33,439

and retention order every two years we

265

00:16:38,679 --> 00:16:36,500

come up for review and you're given a

266

00:16:45,490 --> 00:16:38,689

chance to present to your side of the

267

00:16:50,069 --> 00:16:45,500

story and the retention order goes in

268

00:16:58,170 --> 00:16:50,079

effect for two years now we are going to

269

00:17:01,870 --> 00:16:58,180

file a writ of habeas corpus to bring

270

00:17:04,240 --> 00:17:01,880

the case in the court and we're going to

271

00:17:06,270 --> 00:17:04,250

put in them as the new evidence go on

272

00:17:11,890 --> 00:17:06,280

and mandating the writ of habeas corpus

273

00:17:16,110 --> 00:17:11,900

mr. zapatos tape analysis so we're going

274

00:17:19,149 --> 00:17:16,120

to find this and fight and fight until

275

00:17:22,210 --> 00:17:19,159

vindicated okay I know you're getting

276

00:17:23,770 --> 00:17:22,220

short on time so so John what happens

277

00:17:27,610 --> 00:17:23,780

when you're released what what after

278

00:17:31,810 --> 00:17:27,620

what after the the place once you leave

279

00:17:35,830 --> 00:17:31,820

well if I'm lucky and I challenged the

280

00:17:37,900 --> 00:17:35,840

retention water and yet the two options

281

00:17:40,570 --> 00:17:37,910

one I get transferred to a civil

282

00:17:43,630 --> 00:17:40,580

hospital for five to five to seven years

283

00:17:46,090 --> 00:17:43,640

further treatment or I can be

284

00:17:48,280 --> 00:17:46,100

transferred back to the street since

285

00:17:53,100 --> 00:17:48,290

it's our allegation I do not have a

286

00:17:55,900 --> 00:17:53,110

mental illness and those are the two

287

00:17:58,120 --> 00:17:55,910

possibilities now if I go to a civil

288

00:18:01,450 --> 00:17:58,130

hospital I will still keep on

289

00:18:03,460 --> 00:18:01,460

challenging the case in court and if I

290

00:18:06,240 --> 00:18:03,470

do get a good lucky and I'm sent it back

291

00:18:09,040 --> 00:18:06,250

out on the street I'm going to sue

292

00:18:11,260 --> 00:18:09,050

Suffolk County Police of the county da's

293

00:18:13,960 --> 00:18:11,270

office and the office of mental health

294

00:18:16,600 --> 00:18:13,970

in New York State okay are you going to

295

00:18:18,850 --> 00:18:16,610

continue with investigating any cases in

296

00:18:21,100 --> 00:18:18,860

the area and with you okay yes we are

297

00:18:24,130 --> 00:18:21,110

very cool this was done deliberately

298

00:18:26,710 --> 00:18:24,140

destroyed MUFON and destroy all

299

00:18:28,390 --> 00:18:26,720

organizations they may have succeeded in

300

00:18:31,510 --> 00:18:28,400

printing us from holding means these

301
00:18:33,040 --> 00:18:31,520
past 18 years but they haven't destroyed

302
00:18:35,620 --> 00:18:33,050
it I've been in touch with a number of

303
00:18:39,010 --> 00:18:35,630
our members I've been in touch with a

304
00:18:40,900 --> 00:18:39,020
number of our investigators and they're

305
00:18:44,590 --> 00:18:40,910
just waiting for me to come out and

306
00:18:48,480 --> 00:18:44,600
they're going to pick up and investigate

307
00:18:50,590 --> 00:18:48,490
and we put to the public on our findings

308
00:18:52,419 --> 00:18:50,600
thanks for listening planet Earth and

309
00:18:57,100 --> 00:18:52,429
enjoy the upcoming interview with Peter

310
00:18:58,690 --> 00:18:57,110
moon no eater we'll just get into John

311
00:19:01,330 --> 00:18:58,700
Ford Allah will kind of start there um

312
00:19:02,770 --> 00:19:01,340
no how did you start talking to John for

313
00:19:07,870 --> 00:19:02,780

when did you start dealing with John

314

00:19:11,140 --> 00:19:07,880

Ford in his situation all right I was

315

00:19:13,270 --> 00:19:11,150

called to a meeting at the home of

316

00:19:17,799 --> 00:19:13,280

Preston Nichols who lived in East Islip

317

00:19:27,549 --> 00:19:17,809

New York and Long Island and I think

318

00:19:30,810 --> 00:19:27,559

we're talking 1997 mm-hmm and the & John

319

00:19:34,930 --> 00:19:30,820

Ford was there it was the first time I

320

00:19:37,090 --> 00:19:34,940

actually met John and of course I knew

321

00:19:39,940 --> 00:19:37,100

who he was very well because Preston

322

00:19:43,210 --> 00:19:39,950

Nichols was the scientific advisor

323

00:19:45,460 --> 00:19:43,220

for the Long Island UFO network in which

324

00:19:49,620 --> 00:19:45,470

John Ford was the president of and had

325

00:19:57,789 --> 00:19:54,600

organization for investigating UFOs

326

00:20:02,259 --> 00:19:57,799

sightings and perhaps more importantly

327

00:20:05,200 --> 00:20:02,269

UFO crashes of which there were three

328

00:20:08,379 --> 00:20:05,210

major ones in history that John has

329

00:20:12,159 --> 00:20:08,389

dealt with now which would be just to

330

00:20:15,399 --> 00:20:12,169

name the center moriches UFO crash the

331

00:20:19,029 --> 00:20:15,409

South Haven Park UFO crash and then the

332

00:20:22,690 --> 00:20:19,039

one that started the pine barren fires

333

00:20:31,509 --> 00:20:22,700

in or was associated with the pine

334

00:20:37,330 --> 00:20:31,519

barren fires in nineteen specimen 95 I

335

00:20:44,080 --> 00:20:37,340

think the pine barren Myers i-95 oh yes

336

00:20:47,950 --> 00:20:44,090

so now I was meeting John because he

337

00:20:52,149 --> 00:20:47,960

wanted to do a book and because I'm a

338

00:20:55,419 --> 00:20:52,159

book publisher it was a natural fit for

339

00:20:58,029 --> 00:20:55,429

Preston to suggest me so I met with John

340

00:20:59,980 --> 00:20:58,039

in Preston's living room and we talked

341

00:21:02,169 --> 00:20:59,990

about this and was a congenial

342

00:21:06,039 --> 00:21:02,179

conversation and of course John knew who

343

00:21:07,090 --> 00:21:06,049

I was he'd heard plenty about me because

344

00:21:09,009 --> 00:21:07,100

I'd written the Montauk Project

345

00:21:10,779 --> 00:21:09,019

experiments in time with Preston Nichols

346

00:21:14,680 --> 00:21:10,789

and some other books as well with

347

00:21:16,600 --> 00:21:14,690

president so including one book on UFOs

348

00:21:19,060 --> 00:21:16,610

encounter in the Pleiades and inside

349

00:21:22,299 --> 00:21:19,070

look at UFOs which is Preston Nichols

350

00:21:24,669 --> 00:21:22,309

story of his involvement with UFOs so

351

00:21:27,149 --> 00:21:24,679

Preston precedence relationship with

352

00:21:32,740 --> 00:21:27,159

John Doe was as a scientist which he is

353

00:21:34,269 --> 00:21:32,750

so of the conversation well we talked

354

00:21:37,899 --> 00:21:34,279

about maybe we'll do something we'll

355

00:21:41,169 --> 00:21:37,909

talk about it etc etc but i received a

356

00:21:43,389 --> 00:21:41,179

phone call very soon thereafter from

357

00:21:45,779 --> 00:21:43,399

preston nickel saying you don't have to

358

00:21:49,500 --> 00:21:45,789

worry about doing a John Ford book

359

00:21:52,419 --> 00:21:49,510

because he's just been arrested and

360

00:21:57,279 --> 00:21:52,429

taken away and

361

00:22:01,840 --> 00:21:57,289

this began my not only well this began

362

00:22:06,060 --> 00:22:01,850

my professional association with John

363

00:22:08,739 --> 00:22:06,070

Ford because I began to investigate and

364

00:22:10,269 --> 00:22:08,749

chronicle the case in my newsletter the

365

00:22:14,499 --> 00:22:10,279

montauk pulse which is a quarterly

366

00:22:17,499 --> 00:22:14,509

newsletter that I have done since 1993

367

00:22:19,749 --> 00:22:17,509

which was to cover the events and

368

00:22:21,369 --> 00:22:19,759

circumstances of the montauk project

369

00:22:23,799 --> 00:22:21,379

investigation and all of the surrounding

370

00:22:26,799 --> 00:22:23,809

circumstances which include John Ford

371

00:22:31,330 --> 00:22:26,809

hey Peter and I find the John Ford

372

00:22:33,700 --> 00:22:31,340

fascinating but what was he arrested for

373

00:22:37,330 --> 00:22:33,710

what were the specific charges do you

374

00:22:42,580 --> 00:22:37,340

know well he specifically and this was

375

00:22:44,560 --> 00:22:42,590

put in the paper conspiring to kill and

376

00:22:45,519 --> 00:22:44,570

i'm not using the legal charger i'm

377

00:22:47,769 --> 00:22:45,529

going to say but this is what the

378

00:22:52,119 --> 00:22:47,779

newspaper said he was he was charged

379

00:22:55,389 --> 00:22:52,129

with conspiring to murder the suffolk

380

00:22:56,799 --> 00:22:55,399

county executive john powell in other

381

00:22:59,200 --> 00:22:56,809

words the suffolk county executive is

382

00:23:02,889 --> 00:22:59,210

the in charge of the politics of the

383

00:23:06,249 --> 00:23:02,899

county he's an elected official and john

384

00:23:07,960 --> 00:23:06,259

powell who was big in the republican and

385

00:23:09,730 --> 00:23:07,970

conservative parties of Suffolk County

386

00:23:14,649 --> 00:23:09,740

in New York which is the easternmost

387

00:23:17,560 --> 00:23:14,659

County in on Long Island so he was

388

00:23:19,480 --> 00:23:17,570

conspiring to put radium in John 4 and

389

00:23:22,869 --> 00:23:19,490

John Powell's toothpaste in order to

390

00:23:26,590 --> 00:23:22,879

kill him and this was this was basically

391

00:23:30,129 --> 00:23:26,600

what he was was that what was all the

392

00:23:35,889 --> 00:23:30,139

fuss was about what was the motive then

393

00:23:38,049 --> 00:23:35,899

that that John Ford allegedly was going

394

00:23:41,320 --> 00:23:38,059

to me what was motivating John Ford why

395

00:23:44,169 --> 00:23:41,330

did he have a will to commit murder

396

00:23:47,850 --> 00:23:44,179

against john paul well there was no will

397

00:23:51,369 --> 00:23:47,860

to commit murder on John Ford's part and

398

00:23:54,220 --> 00:23:51,379

the whole set of circumstances which is

399

00:23:58,570 --> 00:23:54,230

you can people listening can read about

400

00:24:02,850 --> 00:23:58,580

in detail on the John Ford he wrote in

401
00:24:13,389 --> 00:24:10,749
document an 80-page doc 80 page plus

402
00:24:21,909 --> 00:24:13,399
document on the circumstances that led

403
00:24:24,220 --> 00:24:21,919
him to I'm just having an interference

404
00:24:26,350 --> 00:24:24,230
here just a second yeah they're just

405
00:24:27,909 --> 00:24:26,360
having a problem it did no it's okay

406
00:24:33,369 --> 00:24:27,919
it's an environmental situation it's

407
00:24:35,859 --> 00:24:33,379
okay now um I was saying is there's an

408
00:24:38,259 --> 00:24:35,869
80 plus page document on my website

409
00:24:40,149 --> 00:24:38,269
digital montauk calm or the John Ford

410
00:24:42,549 --> 00:24:40,159
initiative Rick Smith's website which

411
00:24:46,299 --> 00:24:42,559
you can read all the details of how this

412
00:24:50,200 --> 00:24:46,309
went down people should do that but yeah

413
00:24:53,169 --> 00:24:50,210

so so basically they were he was John

414

00:24:55,690 --> 00:24:53,179

Ford was set up and what had happened is

415

00:24:58,989 --> 00:24:55,700

he was working with a man named Joseph

416

00:25:03,970 --> 00:24:58,999

Meza chelly and Joseph Meza celli has a

417

00:25:07,509 --> 00:25:03,980

very scurrilous history and past he's

418

00:25:11,830 --> 00:25:07,519

done time in jail including over this

419

00:25:14,799 --> 00:25:11,840

incident because he was representing

420

00:25:18,159 --> 00:25:14,809

himself as a secret agent of the Mossad

421

00:25:21,879 --> 00:25:18,169

and he had certain information which

422

00:25:26,619 --> 00:25:21,889

convinced John Ford that he was indeed

423

00:25:29,560 --> 00:25:26,629

an agent an intelligence agent & John

424

00:25:31,539 --> 00:25:29,570

Ford worked in intelligence in an

425

00:25:34,899 --> 00:25:31,549

intelligence capacity at st. John's

426

00:25:37,299 --> 00:25:34,909

University when he was a student there

427

00:25:42,249 --> 00:25:37,309

and should be stated that John Ford was

428

00:25:48,489 --> 00:25:42,259

a retired court officer from Suffolk

429

00:25:51,310 --> 00:25:48,499

County and he went to school at st.

430

00:25:56,499 --> 00:25:51,320

John's which is in unkind weems on Long

431

00:25:58,470 --> 00:25:56,509

Island and he had involvement and he

432

00:26:01,989 --> 00:25:58,480

writes about it in the fort mountain

433

00:26:03,789 --> 00:26:01,999

people are who are critical of John

434

00:26:06,820 --> 00:26:03,799

portable sale he can't be a secret agent

435

00:26:09,549 --> 00:26:06,830

and they really the psychiatrist didn't

436

00:26:12,249 --> 00:26:09,559

believe it that it evaluated him I don't

437

00:26:14,499 --> 00:26:12,259

think the prosecutor certainly they

438

00:26:17,619 --> 00:26:14,509

accused him of being nut because he's

439

00:26:20,109 --> 00:26:17,629

claiming to heaven CIA connection and

440

00:26:22,960 --> 00:26:20,119

there was a station officer and Staten

441

00:26:25,810 --> 00:26:22,970

Island who worked with John for who

442

00:26:28,299 --> 00:26:25,820

would not back him up and the only thing

443

00:26:31,450 --> 00:26:28,309

I can say is that I have a personal

444

00:26:35,230 --> 00:26:31,460

friend who is an attorney at law and

445

00:26:38,230 --> 00:26:35,240

Long Island here and he is a graduate of

446

00:26:41,529 --> 00:26:38,240

st. John's and he told me when he was on

447

00:26:42,759 --> 00:26:41,539

the campus going to school the CIA not

448

00:26:44,619 --> 00:26:42,769

only tried to recruit him and they're

449

00:26:46,480 --> 00:26:44,629

trying to recruit all sorts of people at

450

00:26:52,480 --> 00:26:46,490

the st. John's campus which is a

451
00:26:55,899 --> 00:26:52,490
Catholic University and so John Ford's

452
00:26:58,859 --> 00:26:55,909
statement about having involvement as he

453
00:27:00,940 --> 00:26:58,869
was a patriot trying to play

454
00:27:03,159 --> 00:27:00,950
counterintelligence against the Russians

455
00:27:04,960 --> 00:27:03,169
but this is one of the the way

456
00:27:07,029 --> 00:27:04,970
intelligence agencies will snag you

457
00:27:10,899 --> 00:27:07,039
they'll get you as an asset he was an

458
00:27:13,509 --> 00:27:10,909
asset he was not a player deeply

459
00:27:16,240 --> 00:27:13,519
involved in the machination zuv the

460
00:27:17,799 --> 00:27:16,250
bureaucracy of the CIA and what they'll

461
00:27:19,859 --> 00:27:17,809
do is they'll gain you take you as an

462
00:27:22,060 --> 00:27:19,869
asset convince you to do something for

463
00:27:23,590 --> 00:27:22,070

patriotism or whatever motive other

464

00:27:26,649 --> 00:27:23,600

motive you might have it may not be

465

00:27:28,930 --> 00:27:26,659

patriotism it could be greed or some

466

00:27:31,960 --> 00:27:28,940

some other thing but John was very

467

00:27:35,430 --> 00:27:31,970

patriotic and basically they set it up

468

00:27:37,570 --> 00:27:35,440

so he could be completely disowned and

469

00:27:40,149 --> 00:27:37,580

sitting there with his thumb up his rear

470

00:27:44,440 --> 00:27:40,159

end and made to look foolish if he ever

471

00:27:46,119 --> 00:27:44,450

claimed so the station officer which I

472

00:27:49,119 --> 00:27:46,129

believe he names by name in that report

473

00:27:51,430 --> 00:27:49,129

i don't remember his name on staten

474

00:27:53,889 --> 00:27:51,440

island did not back him up which is not

475

00:27:56,049 --> 00:27:53,899

the first time the CIA has never backed

476

00:27:58,690 --> 00:27:56,059

anybody up but these are some of the

477

00:28:00,669 --> 00:27:58,700

circumstances of which john so the

478

00:28:03,310 --> 00:28:00,679

motive the moat to get back to your

479

00:28:05,670 --> 00:28:03,320

question which was the motive was that

480

00:28:09,450 --> 00:28:05,680

joseph massey jelly

481

00:28:11,310 --> 00:28:09,460

was playing all sorts of games he is

482

00:28:14,880 --> 00:28:11,320

playing games on John he was playing

483

00:28:17,670 --> 00:28:14,890

games on different levels and he was

484

00:28:20,430 --> 00:28:17,680

trying to convince John to just say make

485

00:28:23,580 --> 00:28:20,440

a joke we're going to make a joke just

486

00:28:25,200 --> 00:28:23,590

say it and I like they were being

487

00:28:27,390 --> 00:28:25,210

monitored or something and they work

488

00:28:30,210 --> 00:28:27,400

with was met NASA chili wearing a wire

489

00:28:31,950 --> 00:28:30,220

it sounds like he was working for some

490

00:28:36,060 --> 00:28:31,960

kind of law enforcement agency and they

491

00:28:40,770 --> 00:28:36,070

were setting John oh ok suffolk county

492

00:28:48,380 --> 00:28:40,780

police now i did this wire that this

493

00:28:51,480 --> 00:28:48,390

wire was used to UM get him arrested

494

00:28:54,210 --> 00:28:51,490

basically but the whole wire has not

495

00:28:58,560 --> 00:28:54,220

been played in fact there's a man named

496

00:29:00,540 --> 00:28:58,570

Joseph soporto who was a very much he

497

00:29:04,130 --> 00:29:00,550

did a good interview is well on the

498

00:29:06,330 --> 00:29:04,140

subject he has the hole recordings

499

00:29:09,060 --> 00:29:06,340

because he was recording them I think

500

00:29:10,710 --> 00:29:09,070

independently on his own radio because

501
00:29:12,990 --> 00:29:10,720
he worked at pro game in labs and he is

502
00:29:16,080 --> 00:29:13,000
a bit like Preston Nichols when it comes

503
00:29:18,720 --> 00:29:16,090
to strange technology but he has

504
00:29:20,810 --> 00:29:18,730
recorded the entire court case is that

505
00:29:23,790 --> 00:29:20,820
what you're saying no recorded that the

506
00:29:26,910 --> 00:29:23,800
the wire transmissions the radio

507
00:29:30,510 --> 00:29:26,920
transmissions oh my gosh so hey the

508
00:29:34,050 --> 00:29:30,520
police oh and he had a wad that's

509
00:29:36,540 --> 00:29:34,060
incredible yes and this this is part of

510
00:29:40,050 --> 00:29:36,550
what John would like to bring into court

511
00:29:42,890 --> 00:29:40,060
yeah I think I wouldn't to whom n if

512
00:29:45,090 --> 00:29:42,900
there was some other I mean additional

513
00:29:47,730 --> 00:29:45,100

information concerning that it came from

514

00:29:49,890 --> 00:29:47,740

a different source hey I and Peter just

515

00:29:53,910 --> 00:29:49,900

what little I know okay we had Marilyn

516

00:29:56,310 --> 00:29:53,920

Carlson cuz she got involved in the and

517

00:29:58,500 --> 00:29:56,320

talked to him for several sessions she

518

00:30:00,180 --> 00:29:58,510

supplied him with a phone card as a

519

00:30:04,020 --> 00:30:00,190

matter of fact so she could talk to him

520

00:30:08,250 --> 00:30:04,030

and from what little I know I think it

521

00:30:10,440 --> 00:30:08,260

was entrapment and okay I think I think

522

00:30:12,990 --> 00:30:10,450

he got railroaded I mean that too I mean

523

00:30:16,280 --> 00:30:13,000

least he was to say the least he was he

524

00:30:19,320 --> 00:30:16,290

was railroaded but the tragedy of this

525

00:30:23,010 --> 00:30:19,330

had he uh

526

00:30:24,510 --> 00:30:23,020

taken a plea had he been found guilty of

527

00:30:27,660 --> 00:30:24,520

whatever they would have found him

528

00:30:31,710 --> 00:30:27,670

guilty of he'd be out by now he's still

529

00:30:34,470 --> 00:30:31,720

incarcerated in the mid huzaiifa

530

00:30:36,330 --> 00:30:34,480

psychiatric clinic for 16 years or

531

00:30:38,190 --> 00:30:36,340

something didn't it yeah yeah yeah

532

00:30:40,650 --> 00:30:38,200

that's incredible and and I don't know

533

00:30:43,440 --> 00:30:40,660

if you know this or not but the Marilyn

534

00:30:46,770 --> 00:30:43,450

was a found out that the judge just

535

00:30:49,680 --> 00:30:46,780

recently ruled that leaving in flying

536

00:30:51,720 --> 00:30:49,690

saucers is not a grounds for you know

537

00:30:54,780 --> 00:30:51,730

incarceration into a mental health

538

00:30:57,870 --> 00:30:54,790

facility and that's a damn good thing

539

00:31:01,110 --> 00:30:57,880

because I'd be I'd be hanging out well

540

00:31:03,990 --> 00:31:01,120

the judge said that that was a comment

541

00:31:06,030 --> 00:31:04,000

in my opinion which made the judge made

542

00:31:10,020 --> 00:31:06,040

him look non prejudice on the subject

543

00:31:16,460 --> 00:31:10,030

but the point in fact he ruled with the

544

00:31:19,620 --> 00:31:16,470

UH with the staff of the mid-hudson

545

00:31:21,990 --> 00:31:19,630

Psychiatric Institute that basically

546

00:31:24,300 --> 00:31:22,000

said that he wasn't suitable for release

547

00:31:25,920 --> 00:31:24,310

and this is the problem he in other

548

00:31:27,660 --> 00:31:25,930

words he wasn't going to go out on a

549

00:31:30,930 --> 00:31:27,670

limb and say John Ford is not a danger

550

00:31:34,170 --> 00:31:30,940

now there's a lot of political pressure

551

00:31:36,000 --> 00:31:34,180

involved in this situation now sounds

552

00:31:38,730 --> 00:31:36,010

like it's important to understand that

553

00:31:41,600 --> 00:31:38,740

the mid-hudson psychiatric clinic was

554

00:31:43,170 --> 00:31:41,610

formerly known as the mid-hudson center

555

00:31:47,550 --> 00:31:43,180

psychiatric clinic for the criminally

556

00:31:50,520 --> 00:31:47,560

insane now this is dangerous violent

557

00:31:52,980 --> 00:31:50,530

criminals ax murderer type people and oh

558

00:31:56,790 --> 00:31:52,990

yeah Ted Bundy is your roommate John was

559

00:31:58,650 --> 00:31:56,800

put in this facility is a very very

560

00:32:00,900 --> 00:31:58,660

dangerous person he has no history of

561

00:32:03,570 --> 00:32:00,910

being dangerous he does have a history

562

00:32:05,780 --> 00:32:03,580

of being litigious because he was a

563

00:32:08,940 --> 00:32:05,790

court officer he would sue people

564

00:32:13,370 --> 00:32:08,950

including one man named Bill Mel who was

565

00:32:17,070 --> 00:32:13,380

a a rival investigator who had some

566

00:32:20,280 --> 00:32:17,080

ethical problems and John ran him out of

567

00:32:23,570 --> 00:32:20,290

the state he moved to Florida where his

568

00:32:26,760 --> 00:32:23,580

his asset his home could not be

569

00:32:29,430 --> 00:32:26,770

garnished or taken away and he he he

570

00:32:31,500 --> 00:32:29,440

spent close to fifty thousand dollars of

571

00:32:32,620 --> 00:32:31,510

his own money on that case so jon was

572

00:32:36,040 --> 00:32:32,630

litigious

573

00:32:39,010 --> 00:32:36,050

he knew how to use the court system but

574

00:32:40,570 --> 00:32:39,020

he would excuse me at the time of his

575

00:32:42,490 --> 00:32:40,580

arrest was he currently involved

576

00:32:48,670 --> 00:32:42,500

investigating the one of the crash

577

00:32:52,770 --> 00:32:48,680

saucers yes yes what Abby oh yeah and

578

00:32:58,810 --> 00:32:52,780

that's covered in the report this is the

579

00:33:05,710 --> 00:32:58,820

pine barren fine Sharon Myers that quite

580

00:33:07,660 --> 00:33:05,720

possibly according to what what I don't

581

00:33:09,430 --> 00:33:07,670

remember that this is just strictly John

582

00:33:11,170 --> 00:33:09,440

or if it comes from Preston to I don't

583

00:33:14,740 --> 00:33:11,180

want to misquote anybody but basically

584

00:33:18,400 --> 00:33:14,750

the theory is is that the south haven rd

585

00:33:20,530 --> 00:33:18,410

the crash knots not even parked the one

586

00:33:24,790 --> 00:33:20,540

in the Pine Barrens which is out in

587

00:33:28,630 --> 00:33:24,800

rocky point there was a crash it started

588

00:33:32,140 --> 00:33:28,640

a fire people fire people were called

589

00:33:34,990 --> 00:33:32,150

there and then the big accusation was

590

00:33:37,540 --> 00:33:35,000

that politicians had other fight had

591

00:33:39,580 --> 00:33:37,550

other fire started and create Lee

592

00:33:42,610 --> 00:33:39,590

created this as an opportunity to create

593

00:33:45,640 --> 00:33:42,620

fires in the Pine Barrens so that they

594

00:33:47,200 --> 00:33:45,650

could take the Pine Barrens would be

595

00:33:48,670 --> 00:33:47,210

gone and then they could capitalize and

596

00:33:51,790 --> 00:33:48,680

use this for real estate development

597

00:33:55,950 --> 00:33:51,800

right this is an accusation that was

598

00:34:00,250 --> 00:33:55,960

being done so Suffolk County politics I

599

00:34:03,580 --> 00:34:00,260

are pretty crooked now is as this story

600

00:34:05,830 --> 00:34:03,590

as I continued to cover this story and

601
00:34:10,060 --> 00:34:05,840
become very much involved in it i was

602
00:34:14,080 --> 00:34:10,070
visiting john in the suffolk county jail

603
00:34:16,389 --> 00:34:14,090
which is not a i mean you got it I never

604
00:34:19,540 --> 00:34:16,399
visited anybody in jail except one time

605
00:34:22,149 --> 00:34:19,550
in a in a minimum-security installation

606
00:34:25,389 --> 00:34:22,159
well this was just I worked in i worked

607
00:34:27,879 --> 00:34:25,399
in one for ten months Jeff signal it's

608
00:34:32,950 --> 00:34:27,889
not pleasant to sit there oh it's nice n

609
00:34:38,860 --> 00:34:32,960
go to you know for R&R yes yes so anyway

610
00:34:43,000 --> 00:34:38,870
um John what what has this case happened

611
00:34:45,020 --> 00:34:43,010
over the years John Powell that one who

612
00:34:52,419 --> 00:34:45,030
was the alleged victim

613
00:34:56,540 --> 00:34:52,429

was found guilty and serve jail time for

614

00:34:59,470 --> 00:34:56,550

accepting illegal bribes for allowing

615

00:35:04,540 --> 00:34:59,480

dumping at the Brookhaven town dump and

616

00:35:07,570 --> 00:35:04,550

also for running an illegal Chop Shop

617

00:35:10,430 --> 00:35:07,580

this is john powell dead also rompe el

618

00:35:16,090 --> 00:35:10,440

former suffolk county executive who's

619

00:35:20,050 --> 00:35:16,100

now dead and district attorney who was

620

00:35:23,510 --> 00:35:20,060

John Powell's right arm in this case

621

00:35:27,800 --> 00:35:23,520

James Anderson who is now dead too so

622

00:35:30,410 --> 00:35:27,810

with these two major agreements being

623

00:35:32,570 --> 00:35:30,420

dead why is this case so important to

624

00:35:40,850 --> 00:35:32,580

Suffolk County who puts political

625

00:35:44,660 --> 00:35:40,860

pressure on the the court and to not

626

00:35:47,810 --> 00:35:44,670

allow John to be free now this case

627

00:35:52,990 --> 00:35:47,820

because it made the newspapers it made

628

00:35:54,770 --> 00:35:53,000

the local news in New York City it

629

00:35:58,670 --> 00:35:54,780

attracted the attention of the

630

00:36:01,550 --> 00:35:58,680

Washington Post and they set up a

631

00:36:03,770 --> 00:36:01,560

reporter here to see what hell is going

632

00:36:05,630 --> 00:36:03,780

on well this is the craziest story in

633

00:36:09,320 --> 00:36:05,640

the world and then the reporter who was

634

00:36:11,810 --> 00:36:09,330

a young reporter gets up here and I was

635

00:36:13,610 --> 00:36:11,820

probably the first person he spoke to

636

00:36:19,130 --> 00:36:13,620

and he came over to my house and

637

00:36:21,170 --> 00:36:19,140

interviewed me and I let him he and he

638

00:36:23,690 --> 00:36:21,180

was so surprised to hear all these wild

639

00:36:26,570 --> 00:36:23,700

and crazy things about Long Island not

640

00:36:28,250 --> 00:36:26,580

only the montauk project but flight 800

641

00:36:31,340 --> 00:36:28,260

and all the conspiracy behind the

642

00:36:34,130 --> 00:36:31,350

shooting down of flight 800 which was

643

00:36:36,590 --> 00:36:34,140

ruled a crash and that was a whole

644

00:36:38,780 --> 00:36:36,600

scandal and there was another round and

645

00:36:42,500 --> 00:36:38,790

for do you think that's tied in with

646

00:36:45,980 --> 00:36:42,510

what John Ford was involved in as before

647

00:36:49,910 --> 00:36:45,990

is that crashed Nash not the hundred not

648

00:36:53,780 --> 00:36:49,920

flight 800 okay but hey there was

649

00:36:56,720 --> 00:36:53,790

another reporter on Long Island he was

650

00:36:58,430 --> 00:36:56,730

the only reporter to to do anything with

651
00:37:00,349 --> 00:36:58,440
this in a sincere

652
00:37:02,510 --> 00:37:00,359
journalistic way and that's Jerry samee

653
00:37:07,040 --> 00:37:02,520
see and Jerry samee she had worked for

654
00:37:08,839 --> 00:37:07,050
the East End paper dance papers and did

655
00:37:13,040 --> 00:37:08,849
serious investigations although that

656
00:37:15,980 --> 00:37:13,050
paper is a it does pseudo stories all

657
00:37:19,960 --> 00:37:15,990
the time funny stories by the proprietor

658
00:37:22,880 --> 00:37:19,970
and or the former proprietor Dan and

659
00:37:24,829 --> 00:37:22,890
anyway but Jerry worked for that paper

660
00:37:28,190 --> 00:37:24,839
and did serious investigation on flight

661
00:37:31,270 --> 00:37:28,200
800 and on the John Ford case and he did

662
00:37:39,130 --> 00:37:31,280
a lot of serious investigations so and

663
00:37:48,859 --> 00:37:46,579

illogical hey hey Pete if he he do do we

664

00:37:52,579 --> 00:37:48,869

know who supplied John Ford with the

665

00:37:59,809 --> 00:37:52,589

radium he didn't have it himself you

666

00:38:03,890 --> 00:37:59,819

know I believe the radium was very it

667

00:38:06,950 --> 00:38:03,900

was low grade it was used for calculate

668

00:38:09,680 --> 00:38:06,960

for calibrating geiger counters it was

669

00:38:14,839 --> 00:38:09,690

very low grade I forget who supplied him

670

00:38:17,839 --> 00:38:14,849

I want to say that it was this I think

671

00:38:19,069 --> 00:38:17,849

at the I can't really say who did it i'm

672

00:38:21,980 --> 00:38:19,079

not going to go out on a limb and say

673

00:38:24,650 --> 00:38:21,990

who supplied it but he he did get some

674

00:38:27,230 --> 00:38:24,660

right but it was very low low it was not

675

00:38:29,300 --> 00:38:27,240

gonna and besides it was not gonna kill

676

00:38:32,540 --> 00:38:29,310

this person because it would take such a

677

00:38:34,280 --> 00:38:32,550

long exposure you don't sneak it in and

678

00:38:36,410 --> 00:38:34,290

do it in the toothpaste and do it i'm

679

00:38:39,410 --> 00:38:36,420

gonna say that sounds like labor

680

00:38:41,089 --> 00:38:39,420

intensive to me who's in low gray I mean

681

00:38:43,309 --> 00:38:41,099

trying to put that into a toothpaste I

682

00:38:45,200 --> 00:38:43,319

don't know man it just doesn't get into

683

00:38:47,300 --> 00:38:45,210

the crust factory but you'd be poisoning

684

00:38:49,010 --> 00:38:47,310

everybody else right we have on guest

685

00:38:51,470 --> 00:38:49,020

Peter moon and we're talking about the

686

00:38:54,230 --> 00:38:51,480

John Ford case we're gonna throw it the

687

00:38:56,180 --> 00:38:54,240

ken Ken had a question for Peter yeah I

688

00:38:59,569 --> 00:38:56,190

mean man we had a fascinating discussion

689

00:39:03,650 --> 00:38:59,579

about and so it you know one or we want

690

00:39:07,490 --> 00:39:03,660

our listeners to hear this I asked Peter

691

00:39:09,640 --> 00:39:07,500

if if John had because he didn't go to

692

00:39:12,270 --> 00:39:09,650

trial I mean there were some extenuating

693

00:39:14,220 --> 00:39:12,280

circumstances had it gone to trial

694

00:39:17,220 --> 00:39:14,230

would have been brought out especially

695

00:39:20,040 --> 00:39:17,230

this this recording that was also

696

00:39:23,280 --> 00:39:20,050

recorded by a second party unspin owns

697

00:39:26,640 --> 00:39:23,290

to the police department and he didn't

698

00:39:29,130 --> 00:39:26,650

go to trial he took a plea bargain and

699

00:39:31,080 --> 00:39:29,140

Peter why don't you elaborate because

700

00:39:33,450 --> 00:39:31,090

that's what I asked him on the break is

701
00:39:37,800 --> 00:39:33,460
you know did he did he cop a plea and it

702
00:39:39,690 --> 00:39:37,810
was a plea to mental health right that's

703
00:39:41,580 --> 00:39:39,700
there's a precursor to that in the

704
00:39:46,380 --> 00:39:41,590
search warrant they had when they raided

705
00:39:48,900 --> 00:39:46,390
his place was the date was after the

706
00:39:51,660 --> 00:39:48,910
date was after the actual arrest had

707
00:39:55,500 --> 00:39:51,670
taken place all right so they had the

708
00:39:57,540 --> 00:39:55,510
search warrant was was either incorrect

709
00:39:59,430 --> 00:39:57,550
well it was incorrect it wasn't there

710
00:40:00,930 --> 00:39:59,440
for it was an illegal search yeah I was

711
00:40:04,740 --> 00:40:00,940
invalidated they put the wrong date on

712
00:40:07,950 --> 00:40:04,750
it and then they left a sorcerer mine

713
00:40:11,610 --> 00:40:07,960

they said it was a mistake however why

714

00:40:17,160 --> 00:40:11,620

would they be so imprecisely I noticed

715

00:40:20,190 --> 00:40:17,170

so in any case um what what actually

716

00:40:22,980 --> 00:40:20,200

happened was he was locked up without

717

00:40:24,930 --> 00:40:22,990

any genuine legal justification he

718

00:40:26,670 --> 00:40:24,940

wasn't arid interrogated by a

719

00:40:29,730 --> 00:40:26,680

psychiatrist from the DA's office

720

00:40:32,880 --> 00:40:29,740

without his own attorney present this is

721

00:40:36,390 --> 00:40:32,890

illegal and this psychiatrist by the way

722

00:40:39,540 --> 00:40:36,400

deemed him to be sane after over a year

723

00:40:41,880 --> 00:40:39,550

in jail his resistance were down to his

724

00:40:44,400 --> 00:40:41,890

his own attorneys please which was John

725

00:40:47,820 --> 00:40:44,410

Ross to have him except the mentally

726

00:40:50,880 --> 00:40:47,830

incompetent plea now John Ross ends up

727

00:40:52,650 --> 00:40:50,890

working for the highway department

728

00:40:54,120 --> 00:40:52,660

become commissioner the highway

729

00:40:57,990 --> 00:40:54,130

department which was all with John

730

00:41:02,310 --> 00:40:58,000

Powell was involved in so like after

731

00:41:05,190 --> 00:41:02,320

talk really really bad in as far as

732

00:41:08,070 --> 00:41:05,200

having integrity uh this just sounds

733

00:41:11,460 --> 00:41:08,080

like Jimmy Hoffa stuff exactly this

734

00:41:13,110 --> 00:41:11,470

Tamara dinner uh he said that the

735

00:41:14,640 --> 00:41:13,120

attorney said would preserve his social

736

00:41:18,780 --> 00:41:14,650

security benefits and would avoid a

737

00:41:22,080 --> 00:41:18,790

trial now John who has been drugged in

738

00:41:24,610 --> 00:41:22,090

the meantime becomes more dough so he

739

00:41:26,170 --> 00:41:24,620

goes along with his attorney and

740

00:41:27,520 --> 00:41:26,180

as I stated to you on the break although

741

00:41:29,440 --> 00:41:27,530

it completely violates one's

742

00:41:31,120 --> 00:41:29,450

constitutional rights New York State has

743

00:41:33,040 --> 00:41:31,130

a statute that allows prisoners to be

744

00:41:35,500 --> 00:41:33,050

administered drugs to ensure tranquility

745

00:41:38,020 --> 00:41:35,510

damn and that's sorry I've been evicted

746

00:41:42,310 --> 00:41:38,030

and he has not demonstrated any violent

747

00:41:44,050 --> 00:41:42,320

behavior so then after accepting this

748

00:41:45,940 --> 00:41:44,060

plea while under the influence of drugs

749

00:41:48,700 --> 00:41:45,950

coercion false imprisonment and

750

00:41:50,260 --> 00:41:48,710

malicious malicious prosecution he was

751
00:41:52,330 --> 00:41:50,270
sent to the mid-hudson forensic Center

752
00:41:57,190 --> 00:41:52,340
for the criminally insane where he has

753
00:42:03,880 --> 00:41:57,200
remained to this very day which is 2015

754
00:42:05,560 --> 00:42:03,890
April that's now Peter how often I mean

755
00:42:08,680 --> 00:42:05,570
I had actually a chance to talk with

756
00:42:12,460 --> 00:42:08,690
John myself for about 20 minutes I mean

757
00:42:14,260 --> 00:42:12,470
he sounds very competent I mean he did

758
00:42:16,450 --> 00:42:14,270
explain a lot of what was but said

759
00:42:18,040 --> 00:42:16,460
tonight on the air how often do you talk

760
00:42:21,040 --> 00:42:18,050
to him or in touch with him actually

761
00:42:25,150 --> 00:42:21,050
he's called me he calls me usually every

762
00:42:26,800 --> 00:42:25,160
Sunday as long as i'm home i take i'm

763
00:42:31,360 --> 00:42:26,810

able to take the call and talk to him we

764

00:42:33,780 --> 00:42:31,370

had a shark talk today and his current

765

00:42:37,600 --> 00:42:33,790

Attorney see no we go back into that

766

00:42:40,600 --> 00:42:37,610

attorney got him locked away so what

767

00:42:43,840 --> 00:42:40,610

happened was between all this stuff with

768

00:42:47,740 --> 00:42:43,850

the Washington Post and in all of this

769

00:42:52,690 --> 00:42:47,750

and then eventually John Powell goes to

770

00:42:56,080 --> 00:42:52,700

jail uh that A&E channel thought wow

771

00:42:59,680 --> 00:42:56,090

what a hot story John by the way is got

772

00:43:00,910 --> 00:42:59,690

some documentary producer who wants to

773

00:43:03,010 --> 00:43:00,920

meet John and wants to do with

774

00:43:04,900 --> 00:43:03,020

documentary on the case and I don't know

775

00:43:08,260 --> 00:43:04,910

if this will happen he's going to talk

776

00:43:11,830 --> 00:43:08,270

to john about it probably this week but

777

00:43:14,560 --> 00:43:11,840

they the ante channel so wow this is

778

00:43:19,300 --> 00:43:14,570

going to make a great documentary so

779

00:43:24,100 --> 00:43:19,310

they hired an attorney whose specialty

780

00:43:28,840 --> 00:43:24,110

is mental health cases and they hired

781

00:43:31,300 --> 00:43:28,850

her to go to work on this case and all

782

00:43:34,000 --> 00:43:31,310

of a sudden he dropped it like a hot

783

00:43:37,760 --> 00:43:34,010

potato potato because this case is very

784

00:43:39,410 --> 00:43:37,770

sensitive that to certain people and

785

00:43:42,800 --> 00:43:39,420

it's we find it a little outrageous

786

00:43:45,320 --> 00:43:42,810

because the case should be dead it was

787

00:43:46,730 --> 00:43:45,330

Powell and catterson wear the red ones

788

00:43:49,460 --> 00:43:46,740

that ran Suffolk County and we're

789

00:43:51,320 --> 00:43:49,470

pushing the police hey Peter is there

790

00:43:55,760 --> 00:43:51,330

any occasion than any of the Alpha bit

791

00:43:59,510 --> 00:43:55,770

boys from the feds are involved actually

792

00:44:03,220 --> 00:43:59,520

there's an indication that the well it's

793

00:44:08,090 --> 00:44:03,230

not just an indication it's true the FBI

794

00:44:10,190 --> 00:44:08,100

was uh when they found out about this

795

00:44:12,890 --> 00:44:10,200

case and from my understanding it was

796

00:44:15,170 --> 00:44:12,900

through a one of Preston Nichols

797

00:44:17,090 --> 00:44:15,180

liaisons who I know and met with

798

00:44:19,370 --> 00:44:17,100

personally and who encouraged me to

799

00:44:23,360 --> 00:44:19,380

write about this we called him the

800

00:44:29,300 --> 00:44:23,370

colonel heat services nuclear reactors

801
00:44:32,180 --> 00:44:29,310
and he has a position in the government

802
00:44:37,730 --> 00:44:32,190
/ he worked in special ops anyway this

803
00:44:40,490 --> 00:44:37,740
guy said he said that well you know he

804
00:44:43,550 --> 00:44:40,500
got the FBI on to the case and the FBI

805
00:44:45,560 --> 00:44:43,560
well but actually in a good way the FBI

806
00:44:48,140 --> 00:44:45,570
went and talked to John Powell because

807
00:44:51,230 --> 00:44:48,150
this was a human rights violation now

808
00:44:53,780 --> 00:44:51,240
for all of the nefarious things that the

809
00:44:56,600 --> 00:44:53,790
government can be associated with there

810
00:44:58,180 --> 00:44:56,610
is a core of people in the United States

811
00:44:59,900 --> 00:44:58,190
government who believe in the actual

812
00:45:02,420 --> 00:44:59,910
principles of the United States

813
00:45:05,990 --> 00:45:02,430

government and these include certain

814

00:45:07,640 --> 00:45:06,000

people in the CIA and FBI you mean they

815

00:45:10,030 --> 00:45:07,650

believe in the Constitution and the Bill

816

00:45:13,190 --> 00:45:10,040

of Rights there are some people that do

817

00:45:15,560 --> 00:45:13,200

and well and we know they get I thought

818

00:45:17,090 --> 00:45:15,570

I was the only one well this is yeah I

819

00:45:20,330 --> 00:45:17,100

know that's the apparent see it's like

820

00:45:25,040 --> 00:45:20,340

you can kiss them goodbye however these

821

00:45:27,550 --> 00:45:25,050

two agents went and talked to John pal

822

00:45:33,500 --> 00:45:27,560

because this was an unreasonable

823

00:45:36,830 --> 00:45:33,510

situation and he was so I mean he was so

824

00:45:42,470 --> 00:45:36,840

damned arrogant and so pompous with

825

00:45:44,030 --> 00:45:42,480

these guys and so rude that they said

826

00:45:46,640 --> 00:45:44,040

we're going to get this guy and that's

827

00:45:48,680 --> 00:45:46,650

how he ended up getting caught as were

828

00:45:51,710 --> 00:45:48,690

the ChopShop operation because the FBI

829

00:45:58,010 --> 00:45:51,720

stuck him because he was an outrage

830

00:45:59,630 --> 00:45:58,020

just bombastic full and uh you know and

831

00:46:02,930 --> 00:45:59,640

you know he thought he was more powerful

832

00:46:06,650 --> 00:46:02,940

than the FBI or that his connections in

833

00:46:09,290 --> 00:46:06,660

the government were more powerful zico

834

00:46:11,839 --> 00:46:09,300

from the FBI yes and so that this tells

835

00:46:15,710 --> 00:46:11,849

you we're not dealing with the FBI

836

00:46:22,690 --> 00:46:15,720

proper here or even the CIA proper the

837

00:46:25,849 --> 00:46:22,700

average CIA person is a beer crap uh and

838

00:46:28,940 --> 00:46:25,859

so so you're dealing with there's

839

00:46:33,230 --> 00:46:28,950

there's a book called the secret team by

840

00:46:36,170 --> 00:46:33,240

a Fletcher Prouty the guy who Donald

841

00:46:39,020 --> 00:46:36,180

Sutherland plays in the movie JFK uh

842

00:46:41,180 --> 00:46:39,030

Fletcher Prouty talks all about how the

843

00:46:44,089 --> 00:46:41,190

secret team that actually runs the

844

00:46:49,010 --> 00:46:44,099

government but this is a secret secret

845

00:46:51,890 --> 00:46:49,020

team and so this is what we're dealing

846

00:46:55,660 --> 00:46:51,900

with here so anyway Andrea Rizzoli was

847

00:46:58,640 --> 00:46:55,670

the attorney that any channel hired and

848

00:47:01,430 --> 00:46:58,650

she they as they say and he dropped it

849

00:47:06,530 --> 00:47:01,440

like a hot potato so John began to pay

850

00:47:08,540 --> 00:47:06,540

her a reduced rate out of his a salary

851
00:47:10,820 --> 00:47:08,550
that he gets our pension that he gets as

852
00:47:12,859 --> 00:47:10,830
a retired court officer they've

853
00:47:15,710 --> 00:47:12,869
confiscated his Social Security to pay

854
00:47:19,130 --> 00:47:15,720
for his incarceration but he still gets

855
00:47:21,940 --> 00:47:19,140
his pension which is not a hatch and he

856
00:47:26,329 --> 00:47:21,950
has been able to pay her a modest sum

857
00:47:29,150 --> 00:47:26,339
however she stayed on the case and she

858
00:47:32,750 --> 00:47:29,160
screwed up the case so bad on many

859
00:47:36,260 --> 00:47:32,760
different levels and the way she screwed

860
00:47:39,079 --> 00:47:36,270
up the case first was by when so let me

861
00:47:42,589 --> 00:47:39,089
explain when he he doesn't go to an

862
00:47:44,960 --> 00:47:42,599
ordinary trial he goes to a trial with a

863
00:47:51,440 --> 00:47:44,970

judge that's ruling on mental health

864

00:47:54,380 --> 00:47:51,450

capacity but it is a judge and the also

865

00:47:56,660 --> 00:47:54,390

the Institute mid-hudson will do a

866

00:47:59,510 --> 00:47:56,670

review every two years to determine

867

00:48:02,420 --> 00:47:59,520

whether he should remain in there or be

868

00:48:05,589 --> 00:48:02,430

released to be released at all of them

869

00:48:08,839 --> 00:48:05,599

being released to a less

870

00:48:11,180 --> 00:48:08,849

less harsh environment where like maybe

871

00:48:14,479 --> 00:48:11,190

a halfway house or so well yes yes

872

00:48:19,130 --> 00:48:14,489

exactly but every time they rule they

873

00:48:21,819 --> 00:48:19,140

rule to keep him in there as if he's

874

00:48:23,630 --> 00:48:21,829

dangerous and that the local

875

00:48:25,519 --> 00:48:23,640

psychologists there are the ones that

876

00:48:28,400 --> 00:48:25,529

are hired they never give him good

877

00:48:30,469 --> 00:48:28,410

reports and their suspect into and of

878

00:48:33,229 --> 00:48:30,479

themselves like they're on the takers I

879

00:48:35,059 --> 00:48:33,239

think so in any case and John doesn't

880

00:48:36,019 --> 00:48:35,069

have rights because he's not considered

881

00:48:39,229 --> 00:48:36,029

competent so he doesn't have the

882

00:48:41,269 --> 00:48:39,239

ordinary rice that a ordinary citizen

883

00:48:44,089 --> 00:48:41,279

would even at ordinary criminal would

884

00:48:47,019 --> 00:48:44,099

have more rights a convicted criminal

885

00:48:50,089 --> 00:48:47,029

would have more rights than John Ford so

886

00:48:53,870 --> 00:48:50,099

this is an unfortunate situation so what

887

00:48:55,789 --> 00:48:53,880

would happen is she there would be a

888

00:49:01,180 --> 00:48:55,799

review and they would give him thumbs

889

00:49:04,309 --> 00:49:01,190

down so she hired a psychiatrist to

890

00:49:06,499 --> 00:49:04,319

evaluate him and that the psychiatrist

891

00:49:10,039 --> 00:49:06,509

evaluates him and finds that you know

892

00:49:12,229 --> 00:49:10,049

he's fine and John's paying considerable

893

00:49:15,170 --> 00:49:12,239

amount of money for this yeah how they

894

00:49:17,569 --> 00:49:15,180

does it take this [h__h] psychiatrist

895

00:49:22,969 --> 00:49:17,579

to write up the report it takes him nine

896

00:49:25,339 --> 00:49:22,979

months why not report oh jeez and this

897

00:49:26,930 --> 00:49:25,349

is unconscionable if you're a

898

00:49:30,019 --> 00:49:26,940

psychiatrist you should have some

899

00:49:33,109 --> 00:49:30,029

compassion for another person's psyche

900

00:49:34,900 --> 00:49:33,119

and you know is it how many cases was he

901
00:49:38,150 --> 00:49:34,910
working on that were so time-sensitive

902
00:49:42,370 --> 00:49:38,160
probably not at all and he was being

903
00:49:46,430 --> 00:49:42,380
paid to do this it's time Andrea Rizzoli

904
00:49:49,339 --> 00:49:46,440
she didn't she was naive to some extent

905
00:49:51,799 --> 00:49:49,349
here but she allowed us to continue it

906
00:49:54,949 --> 00:49:51,809
has was her I would have said it's

907
00:49:57,650 --> 00:49:54,959
critical that you get this report done

908
00:49:59,509 --> 00:49:57,660
within 30 days how long does it take to

909
00:50:01,219 --> 00:49:59,519
write a report how about getting a

910
00:50:05,269 --> 00:50:01,229
second opinion have another psychiatrist

911
00:50:06,949 --> 00:50:05,279
have an opinion ok this was the second

912
00:50:10,189 --> 00:50:06,959
opinion which was favorable to him in

913
00:50:12,620 --> 00:50:10,199

the meantime this takes so damn long and

914

00:50:13,880 --> 00:50:12,630

then the court dates are set up well

915

00:50:16,039 --> 00:50:13,890

you're going to have to wait and then

916

00:50:17,809 --> 00:50:16,049

the Suffolk County who is the Abbess

917

00:50:20,630 --> 00:50:17,819

right here it is always going to bat

918

00:50:22,130 --> 00:50:20,640

against him in the court so no and you

919

00:50:24,829 --> 00:50:22,140

see because you can like adjourn the

920

00:50:27,709 --> 00:50:24,839

dates and you can do this so all of a

921

00:50:31,339 --> 00:50:27,719

sudden two years expires so they meet

922

00:50:33,919 --> 00:50:31,349

and they say well you are not competent

923

00:50:36,169 --> 00:50:33,929

you have to stay here and the whole

924

00:50:38,419 --> 00:50:36,179

process starts over again hey did they

925

00:50:43,339 --> 00:50:38,429

keep John under medication this whole

926
00:50:46,370 --> 00:50:43,349
time also yes oh great God to pull

927
00:50:48,739 --> 00:50:46,380
easily through your cycle ring you know

928
00:50:50,630 --> 00:50:48,749
and it's like it and then they I think

929
00:50:52,069 --> 00:50:50,640
we finally had a trial the one you

930
00:50:55,489 --> 00:50:52,079
mentioned earlier where they said what

931
00:50:57,589 --> 00:50:55,499
doesn't where he lost he lost and that

932
00:50:59,479 --> 00:50:57,599
he was appealing it but in the time it

933
00:51:01,519 --> 00:50:59,489
appeals that the two-year thing goes by

934
00:51:03,829 --> 00:51:01,529
and the whole process starts over it's

935
00:51:07,009 --> 00:51:03,839
all a bunch of bureaucratic red tape now

936
00:51:10,640 --> 00:51:07,019
the last time he was up which was I

937
00:51:12,140 --> 00:51:10,650
think in February or january i'm not

938
00:51:13,699 --> 00:51:12,150

sure when it was but the most recent

939

00:51:17,359 --> 00:51:13,709

case which caused him to fire

940

00:51:23,839 --> 00:51:17,369

andreazzoli was that she was supposed to

941

00:51:28,309 --> 00:51:23,849

answer al a court summons or legal paper

942

00:51:31,910 --> 00:51:28,319

and she was supposed to deliver it uh by

943

00:51:34,039 --> 00:51:31,920

legal service and she claimed that her

944

00:51:36,859 --> 00:51:34,049

fax machine broke down so she never got

945

00:51:39,589 --> 00:51:36,869

it so she never got the noticing the

946

00:51:42,380 --> 00:51:39,599

course which was sent by fax but she had

947

00:51:44,479 --> 00:51:42,390

to respond to it in a chic she sent a

948

00:51:47,779 --> 00:51:44,489

fax in but she wasn't supposed to

949

00:51:51,859 --> 00:51:47,789

respond by fax she was supposed to send

950

00:51:54,549 --> 00:51:51,869

it in by legal service somehow of legal

951

00:51:58,579 --> 00:51:54,559

service I don't remember if it was by

952

00:52:01,339 --> 00:51:58,589

mail or whatever but she did not do what

953

00:52:04,519 --> 00:52:01,349

the court stipulated she do which she

954

00:52:07,009 --> 00:52:04,529

any attorney knows that so she blamed it

955

00:52:10,669 --> 00:52:07,019

on her fax machine and that was the last

956

00:52:12,679 --> 00:52:10,679

straw for her with John for her so she's

957

00:52:15,079 --> 00:52:12,689

no longer on the case so he's got a new

958

00:52:17,809 --> 00:52:15,089

guy who is convinced that he can get

959

00:52:23,089 --> 00:52:17,819

John for it out who's also expert in

960

00:52:25,370 --> 00:52:23,099

mental health law and he is not allowed

961

00:52:27,789 --> 00:52:25,380

to visit John because they even though

962

00:52:29,180 --> 00:52:27,799

he's the attorney of record the

963

00:52:31,730 --> 00:52:29,190

Institute

964

00:52:33,319 --> 00:52:31,740

acknowledge him and won't let him in so

965

00:52:35,329 --> 00:52:33,329

this has been very frustrating for John

966

00:52:37,550 --> 00:52:35,339

he can't even see his own new attorney

967

00:52:41,809 --> 00:52:37,560

and the only thing i will say in defense

968

00:52:44,750 --> 00:52:41,819

of Andy Rizzoli is that assuming that

969

00:52:46,460 --> 00:52:44,760

she was not working for them and I don't

970

00:52:48,710 --> 00:52:46,470

know that she was she was weighing over

971

00:52:52,940 --> 00:52:48,720

her head with the type of stuff that was

972

00:52:55,490 --> 00:52:52,950

going on here yeah Peter let me ask you

973

00:52:57,349 --> 00:52:55,500

something Missouri any indication at

974

00:52:58,849 --> 00:52:57,359

John Ford had found evidence of a

975

00:53:03,010 --> 00:52:58,859

crashed saucer at the time of these

976
00:53:10,490 --> 00:53:03,020
fires when this all started to unravel

977
00:53:15,319 --> 00:53:10,500
well he had a video of the southaven

978
00:53:19,550 --> 00:53:15,329
Park crash and was hard to say what that

979
00:53:24,290 --> 00:53:19,560
was I saw the video but it was certainly

980
00:53:27,800 --> 00:53:24,300
a fire that looked like it had you know

981
00:53:30,230 --> 00:53:27,810
when you seeing a video like aluminum

982
00:53:34,550 --> 00:53:30,240
but I was in aluminum but it looked like

983
00:53:40,579 --> 00:53:34,560
you know some of that funny material but

984
00:53:44,480 --> 00:53:40,589
in any case John was yet he had his own

985
00:53:45,740 --> 00:53:44,490
UFO FILES now he was also investigating

986
00:53:49,040 --> 00:53:45,750
the crash that occurred out of Rocky

987
00:53:52,760 --> 00:53:49,050
Point and he had discussed in the

988
00:53:55,400 --> 00:53:52,770

document he had met some people who were

989

00:53:57,680 --> 00:53:55,410

involved with that and that whole began

990

00:54:02,329 --> 00:53:57,690

a whole series of strange incidents with

991

00:54:04,280 --> 00:54:02,339

those people um they were they were

992

00:54:06,440 --> 00:54:04,290

hypnotists they were they had a

993

00:54:08,210 --> 00:54:06,450

hypnotist class or something I it's not

994

00:54:11,030 --> 00:54:08,220

fresh in my mind but you can read it

995

00:54:14,059 --> 00:54:11,040

there but he had a whole the Long Island

996

00:54:15,770 --> 00:54:14,069

UFO network-- he had in his house but

997

00:54:17,599 --> 00:54:15,780

this was the property of the Long Island

998

00:54:19,730 --> 00:54:17,609

UFO network and they came in and took

999

00:54:24,050 --> 00:54:19,740

all that data yeah that's where I was

1000

00:54:29,750 --> 00:54:24,060

golden with my is that his records were

1001

00:54:33,349 --> 00:54:29,760

seized and where are they now where are

1002

00:54:38,420 --> 00:54:33,359

they well suffolk county or whoever took

1003

00:54:41,630 --> 00:54:38,430

them took them come has claims that they

1004

00:54:44,779 --> 00:54:41,640

don't have them or that they're lost so

1005

00:54:46,730 --> 00:54:44,789

incredible is this is a whole love they

1006

00:54:49,430 --> 00:54:46,740

had no search warrant to take these

1007

00:54:53,690 --> 00:54:49,440

things yeah well is a law shows like

1008

00:54:57,410 --> 00:54:53,700

this is a lawsuit i don't i mean it's

1009

00:54:58,819 --> 00:54:57,420

its lawsuit bait I don't know because it

1010

00:55:01,759 --> 00:54:58,829

doesn't have to be there's also a man

1011

00:55:05,779 --> 00:55:01,769

named Tony West who was one of John

1012

00:55:07,549 --> 00:55:05,789

Ford's friends and participants in the

1013

00:55:09,380 --> 00:55:07,559

Long Island UFO now would think it would

1014

00:55:11,210 --> 00:55:09,390

be a chain of custody of the if the

1015

00:55:12,769 --> 00:55:11,220

authorities came in and execute even

1016

00:55:15,349 --> 00:55:12,779

though the warrant was illegal and it

1017

00:55:18,710 --> 00:55:15,359

sounds like it anytime you put any kind

1018

00:55:21,950 --> 00:55:18,720

of written and executed hundreds of

1019

00:55:23,690 --> 00:55:21,960

search and arrest warrants and I don't

1020

00:55:25,460 --> 00:55:23,700

know how it is in New York but it can't

1021

00:55:27,039 --> 00:55:25,470

be all that different in Colorado and

1022

00:55:29,240 --> 00:55:27,049

that is you have to be very very

1023

00:55:32,089 --> 00:55:29,250

specific who it is you're looking for

1024

00:55:34,400 --> 00:55:32,099

what it is you're looking for and why do

1025

00:55:36,319 --> 00:55:34,410

you think that it is in the space and

1026

00:55:38,599 --> 00:55:36,329

that person has it what are your reason

1027

00:55:40,309 --> 00:55:38,609

is your probable cause that's a good

1028

00:55:42,259 --> 00:55:40,319

question like what does the search

1029

00:55:44,930 --> 00:55:42,269

warrant have yeah that's what I'm saying

1030

00:55:47,870 --> 00:55:44,940

that all should be a matter of public

1031

00:55:50,180 --> 00:55:47,880

record because he was arrested and you

1032

00:55:53,599 --> 00:55:50,190

should be able to find out what was on

1033

00:55:56,839 --> 00:55:53,609

to grab his UFO files and this is where

1034

00:55:58,970 --> 00:55:56,849

I'm going with you know I I preached it

1035

00:56:01,880 --> 00:55:58,980

the people voice asked me Peter what's

1036

00:56:03,140 --> 00:56:01,890

the big deal about the Constitution and

1037

00:56:04,579 --> 00:56:03,150

the Bill of Rights concerning flying

1038

00:56:06,740 --> 00:56:04,589

saucers and there is a direct

1039

00:56:09,170 --> 00:56:06,750

correlation okay and that is that they

1040

00:56:11,150 --> 00:56:09,180

came into his house and took stuff that

1041

00:56:13,490 --> 00:56:11,160

had no bearing whatsoever on his case

1042

00:56:16,359 --> 00:56:13,500

other than the fact that it was you know

1043

00:56:19,880 --> 00:56:16,369

flying saucer investigations or UFOs

1044

00:56:22,759 --> 00:56:19,890

they took that and that's I fail to see

1045

00:56:24,079 --> 00:56:22,769

how that would be other other than the

1046

00:56:25,400 --> 00:56:24,089

fact that they want to demonstrate that

1047

00:56:27,470 --> 00:56:25,410

he was incompetent because he believed

1048

00:56:29,960 --> 00:56:27,480

in flying saucers well it's a very good

1049

00:56:34,700 --> 00:56:29,970

question and it would be it would be

1050

00:56:36,349 --> 00:56:34,710

good to uh to get a a copy of that

1051
00:56:39,289 --> 00:56:36,359
search warrant and I'll try to remember

1052
00:56:41,029 --> 00:56:39,299
to ask him now I I have I run across

1053
00:56:47,749 --> 00:56:41,039
some names here because I have one of

1054
00:56:51,710 --> 00:56:47,759
the articles I wrote here and um this is

1055
00:56:55,430 --> 00:56:51,720
October of 1995 John received a call

1056
00:56:57,829 --> 00:56:55,440
from Gary and Dorothy tripped TR itt of

1057
00:56:59,750 --> 00:56:57,839
ronkonkoma members of loof on long

1058
00:57:01,720 --> 00:56:59,760
island UFO network and these are the

1059
00:57:04,460 --> 00:57:01,730
professional hypnotherapist who told

1060
00:57:07,339 --> 00:57:04,470
they told John about their receptionist

1061
00:57:08,809 --> 00:57:07,349
a woman named patty McDonald who had a

1062
00:57:11,000 --> 00:57:08,819
friend patty McDonald was the

1063
00:57:14,359 --> 00:57:11,010

receptionist for the hypnotherapists the

1064

00:57:17,120 --> 00:57:14,369

tricks so patty McDonald according to

1065

00:57:19,250 --> 00:57:17,130

this has a friend claiming there was a

1066

00:57:21,530 --> 00:57:19,260

UFO crash that was responsible for the

1067

00:57:23,990 --> 00:57:21,540

unprecedented fires in the Long Island

1068

00:57:26,839 --> 00:57:24,000

pine barrens that made national news in

1069

00:57:31,069 --> 00:57:26,849

95 penny found out about this after

1070

00:57:33,770 --> 00:57:31,079

totaling her car in a crash when she was

1071

00:57:35,750 --> 00:57:33,780

rear-ended by a delivery truck and a

1072

00:57:40,910 --> 00:57:35,760

nearby car was a man named Stephen

1073

00:57:42,980 --> 00:57:40,920

Ferrer fr Farrar ferr ER a used car

1074

00:57:45,770 --> 00:57:42,990

dealer who got out to help patty and

1075

00:57:49,430 --> 00:57:45,780

ended up giving her his card if she

1076

00:57:53,089 --> 00:57:49,440

should desire a new car patty later

1077

00:57:55,700 --> 00:57:53,099

visited Farrar with her boyfriend and a

1078

00:57:57,470 --> 00:57:55,710

long discussion ensued about how Farrar

1079

00:57:59,660 --> 00:57:57,480

was dirt biking in the woods near

1080

00:58:01,670 --> 00:57:59,670

Suffolk Community College outside

1081

00:58:04,339 --> 00:58:01,680

riverhead and heard something crash in

1082

00:58:06,650 --> 00:58:04,349

the woods investigating this is the used

1083

00:58:08,780 --> 00:58:06,660

car salesman he wrote his dirt bike and

1084

00:58:10,490 --> 00:58:08,790

soon saw a large circular shaped object

1085

00:58:13,270 --> 00:58:10,500

about the size of a house and packed it

1086

00:58:15,829 --> 00:58:13,280

into the ground here's your UFO huh

1087

00:58:18,140 --> 00:58:15,839

lastic flying saucer appearance at

1088

00:58:20,720 --> 00:58:18,150

radiated tremendous heat and small fires

1089

00:58:22,760 --> 00:58:20,730

were breaking out nearby he immediately

1090

00:58:25,730 --> 00:58:22,770

notified his brother-in-law who happens

1091

00:58:30,829 --> 00:58:25,740

to be an FBI agent here's your alphabet

1092

00:58:35,230 --> 00:58:30,839

soup coming in the the FBI agent thing i

1093

00:58:37,880 --> 00:58:35,240

hate calls FBI headquarters in hauppauge

1094

00:58:39,349 --> 00:58:37,890

which is by the way where my friend

1095

00:58:41,300 --> 00:58:39,359

david anderson used to have his time

1096

00:58:44,109 --> 00:58:41,310

travel research center and he also used

1097

00:58:47,990 --> 00:58:44,119

to work out of the FBI office in syosset

1098

00:58:50,990 --> 00:58:48,000

anyway that's an aside anyway the FBI

1099

00:58:54,349 --> 00:58:51,000

headquarters in hauppauge who directed

1100

00:58:58,839 --> 00:58:54,359

who were they were directed to the crash

1101

00:59:01,550 --> 00:58:58,849

site and when the FBI agents got their

1102

00:59:04,370 --> 00:59:01,560

military helicopters were already on the

1103

00:59:08,690 --> 00:59:04,380

scene now these people were subsequently

1104

00:59:11,780 --> 00:59:08,700

debriefed by the FBI the tris

1105

00:59:14,150 --> 00:59:11,790

covertly arranged for John Ford to run

1106

00:59:16,130 --> 00:59:14,160

into Patti McDonald this is the

1107

00:59:18,560 --> 00:59:16,140

receptionist these the oh well it's John

1108

00:59:22,130 --> 00:59:18,570

you can run in to this receptionist of

1109

00:59:24,200 --> 00:59:22,140

ours and he clandestinely tape-recorded

1110

00:59:26,690 --> 00:59:24,210

her account of the events here's another

1111

00:59:30,020 --> 00:59:26,700

tape recording now this is legal in New

1112

00:59:33,980 --> 00:59:30,030

York State by the way to to record

1113

00:59:36,170 --> 00:59:33,990

somebody in some states it's not patty

1114

00:59:37,579 --> 00:59:36,180

then suffered a series of suspicious car

1115

00:59:40,880 --> 00:59:37,589

accidents and then disappeared

1116

00:59:42,230 --> 00:59:40,890

permanently Ferrara would later deny the

1117

00:59:45,079 --> 00:59:42,240

entire incident but would acknowledge

1118

00:59:48,410 --> 00:59:45,089

having a brother in law in the FBI after

1119

00:59:50,990 --> 00:59:48,420

this John Ford and several of his

1120

00:59:52,700 --> 00:59:51,000

colleagues at the Long Island UFO

1121

00:59:55,640 --> 00:59:52,710

network began to suffer suspicious

1122

00:59:58,190 --> 00:59:55,650

break-ins karma ships bishops and

1123

01:00:00,650 --> 00:59:58,200

surveillance we this is coupled with

1124

01:00:03,200 --> 01:00:00,660

suspicious deaths of you in UFO

1125

01:00:06,040 --> 01:00:03,210

investigators I don't know who I'm

1126

01:00:10,160 --> 01:00:06,050

referring to in that article but uh

1127

01:00:12,609 --> 01:00:10,170

after all of this I John's fate becomes

1128

01:00:15,920 --> 01:00:12,619

sealed when Joseph miss Meza chelly

1129

01:00:20,630 --> 01:00:15,930

appears on the scene he has didn't ask

1130

01:00:23,150 --> 01:00:20,640

you a question of what does John Ford

1131

01:00:25,819 --> 01:00:23,160

know Peter master Shelley prior to this

1132

01:00:27,620 --> 01:00:25,829

joseph matthew john joseph i'm sorry

1133

01:00:29,450 --> 01:00:27,630

yeah joseph message Ellis Johnson I

1134

01:00:32,599 --> 01:00:29,460

don't think so who introduced him to

1135

01:00:34,339 --> 01:00:32,609

them then well no let's let's let's let

1136

01:00:36,349 --> 01:00:34,349

me read here and see because I'm reading

1137

01:00:39,410 --> 01:00:36,359

out of my newsletter which is exert okay

1138

01:00:41,390 --> 01:00:39,420

okay yeah this is excerpted from the

1139

01:00:43,460 --> 01:00:41,400

document that's on the website and by

1140

01:00:46,730 --> 01:00:43,470

the way if you go to digital Montcalm

1141

01:00:48,890 --> 01:00:46,740

you'll see John Ford UFO case on on the

1142

01:00:52,819 --> 01:00:48,900

bar and you can just go in there and

1143

01:00:53,839 --> 01:00:52,829

download about five PDF files which you

1144

01:00:56,960 --> 01:00:53,849

can read the whole thing in his

1145

01:00:58,579 --> 01:00:56,970

handwriting now anyway ms beza chili is

1146

01:01:00,770 --> 01:00:58,589

a mechanic with a criminal record who is

1147

01:01:04,280 --> 01:01:00,780

also registered with the Suffolk County

1148

01:01:06,140 --> 01:01:04,290

DA as a paid police informant he brags

1149

01:01:07,970 --> 01:01:06,150

of his family's mob connections and

1150

01:01:11,270 --> 01:01:07,980

claims he is a lieutenant colonel in the

1151

01:01:15,140 --> 01:01:11,280

Mossad mazza celli claims he wants to

1152

01:01:18,620 --> 01:01:15,150

join Long Island UFO network so but he

1153

01:01:21,589 --> 01:01:18,630

ends up befriended Ford and draining him

1154

01:01:22,640 --> 01:01:21,599

financially by asking for money but

1155

01:01:25,220 --> 01:01:22,650

promising

1156

01:01:27,440 --> 01:01:25,230

John financial support from the Mossad

1157

01:01:29,150 --> 01:01:27,450

who want who he says want to blow the

1158

01:01:31,100 --> 01:01:29,160

cover off the government suppression of

1159

01:01:32,660 --> 01:01:31,110

UFO disclosure so he's scheming them the

1160

01:01:35,300 --> 01:01:32,670

Mossad are good guys they want to blow

1161

01:01:36,830 --> 01:01:35,310

the cover so I we don't even know that

1162

01:01:40,400 --> 01:01:36,840

the Messiah has anything to do with this

1163

01:01:42,200 --> 01:01:40,410

as mad as a jelly is demonstrably able

1164

01:01:43,520 --> 01:01:42,210

to orchestrate the manipulation of an

1165

01:01:45,890 --> 01:01:43,530

extensive amount of people with

1166

01:01:47,480 --> 01:01:45,900

government connections he convinces for

1167

01:01:49,700 --> 01:01:47,490

that he is legitimate should be listened

1168

01:01:52,040 --> 01:01:49,710

to so this is a lot of instances where

1169

01:01:55,610 --> 01:01:52,050

he sort of proves himself if he did he

1170

01:01:58,070 --> 01:01:55,620

did he join MUFON loof on this is not

1171

01:02:00,920 --> 01:01:58,080

coupon yeah i got you Lou fun did it did

1172

01:02:03,140 --> 01:02:00,930

he join it apparently so yeah Wow ok

1173

01:02:07,520 --> 01:02:03,150

meza shelly is the first one to tell

1174

01:02:09,530 --> 01:02:07,530

Ford got the initial buyers from the

1175

01:02:11,390 --> 01:02:09,540

crashed UFO were deliberately ordered by

1176

01:02:16,340 --> 01:02:11,400

the feds to prevent disclosure of the

1177

01:02:19,720 --> 01:02:16,350

UFO so he mazza chili is feeding him

1178

01:02:22,580 --> 01:02:19,730

this information that maybe this was a

1179

01:02:24,560 --> 01:02:22,590

the fires were were to prevent

1180

01:02:27,050 --> 01:02:24,570

disclosure of UFOs later that would be

1181

01:02:30,230 --> 01:02:27,060

coming this idea that politicians were

1182

01:02:32,150 --> 01:02:30,240

doing it including John Powell who were

1183

01:02:34,490 --> 01:02:32,160

taking to take advantage of it by

1184

01:02:37,300 --> 01:02:34,500

setting more fires south of sunrise

1185

01:02:40,190 --> 01:02:37,310

highway to capitalize on the real estate

1186

01:02:42,140 --> 01:02:40,200

was there and there were indeed fires

1187

01:02:44,960 --> 01:02:42,150

that were shut over there by that right

1188

01:02:47,210 --> 01:02:44,970

oh it was on national TV I was but I

1189

01:02:49,040 --> 01:02:47,220

spent at the memorial service for

1190

01:02:51,950 --> 01:02:49,050

Marjorie Cameron the wife of Jack

1191

01:02:55,190 --> 01:02:51,960

Parsons in California and I'm waiting

1192

01:02:57,800 --> 01:02:55,200

for I'm flying home from Anaheim and I

1193

01:03:00,320 --> 01:02:57,810

say oh my god these fires on Long Island

1194

01:03:02,510 --> 01:03:00,330

what the hell is this I might be delayed

1195

01:03:04,460 --> 01:03:02,520

I kind of remember that on national news

1196

01:03:06,710 --> 01:03:04,470

that I'm saying a guy and I didn't

1197

01:03:10,100 --> 01:03:06,720

realize it was tied to John board and

1198

01:03:12,110 --> 01:03:10,110

all of this stuff I was uh I was gonna

1199

01:03:14,270 --> 01:03:12,120

have my hands full when I got home yeah

1200

01:03:16,760 --> 01:03:14,280

well I you know what there's there's

1201

01:03:18,710 --> 01:03:16,770

your link I mean this crashed saucer

1202

01:03:20,180 --> 01:03:18,720

whatever it was it started these fires

1203

01:03:24,350 --> 01:03:20,190

and then you have these other fires

1204

01:03:27,430 --> 01:03:24,360

being set and I can see that Paul would

1205

01:03:30,560 --> 01:03:27,440

think that Ford was investigating them

1206

01:03:31,790 --> 01:03:30,570

or you know real estate scam or whatever

1207

01:03:33,950 --> 01:03:31,800

the hell it was that they were doing

1208

01:03:34,690 --> 01:03:33,960

indeed I just want to make a comment on

1209

01:03:36,670 --> 01:03:34,700

Marjorie can

1210

01:03:38,109 --> 01:03:36,680

and she was the wife of Judah wit the

1211

01:03:39,910 --> 01:03:38,119

widow of Jack Parsons and she was

1212

01:03:42,490 --> 01:03:39,920

involved in the Babylon working with I

1213

01:03:44,260 --> 01:03:42,500

ron hubbard and Jack Parsons and she the

1214

01:03:46,270 --> 01:03:44,270

reason only reason I was able to see her

1215

01:03:47,950 --> 01:03:46,280

when I eventually met her was because I

1216

01:03:52,030 --> 01:03:47,960

thought there might be something to her

1217

01:03:54,970 --> 01:03:52,040

statement that uh the magical activity

1218

01:03:56,470 --> 01:03:54,980

they were engaged upon in 1946 might

1219

01:04:00,520 --> 01:03:56,480

have had something to do with the UFO

1220

01:04:02,380 --> 01:04:00,530

phenomena of 1947 and she appreciated

1221

01:04:04,900 --> 01:04:02,390

that I said that and here i am at her

1222

01:04:07,480 --> 01:04:04,910

memorial service and here we have the

1223

01:04:09,849 --> 01:04:07,490

UFO theme entering and there again

1224

01:04:12,730 --> 01:04:09,859

that's just a side comment you know

1225

01:04:16,450 --> 01:04:12,740

that's fascinating though it is uh now

1226

01:04:18,670 --> 01:04:16,460

anyway so after several weeks before

1227

01:04:20,530 --> 01:04:18,680

Meza Chile reveals his alleged Mossad

1228

01:04:22,630 --> 01:04:20,540

connections and promises forward money

1229

01:04:27,520 --> 01:04:22,640

John receives a phone call from a

1230

01:04:32,020 --> 01:04:27,530

Manhattan attorney representing Arthur

1231

01:04:34,720 --> 01:04:32,030

Warren Klein now i'm not sure who Arthur

1232

01:04:35,770 --> 01:04:34,730

Warren Klein is I might think he might

1233

01:04:37,900 --> 01:04:35,780

that might have been the name he gave

1234

01:04:39,910 --> 01:04:37,910

himself he wants to speak to John

1235

01:04:43,180 --> 01:04:39,920

regarding a UFO related incident with

1236

01:04:45,460 --> 01:04:43,190

his granddaughter Ford is picked up in a

1237

01:04:47,710 --> 01:04:45,470

limo that he cannot see out of and has

1238

01:04:52,150 --> 01:04:47,720

taken to a mansion that is supposedly in

1239

01:04:55,870 --> 01:04:52,160

South Hampton there he meets with an

1240

01:05:00,160 --> 01:04:55,880

attorney named John Gallagher Arthur

1241

01:05:02,050 --> 01:05:00,170

Klein and his son Robert Klein climbin

1242

01:05:04,270 --> 01:05:02,060

shows photos of his granddaughter who he

1243

01:05:06,309 --> 01:05:04,280

said was abducted and examined by aliens

1244

01:05:08,800 --> 01:05:06,319

with all her body hair being shaven

1245

01:05:11,470 --> 01:05:08,810

these are photographs there are six

1246

01:05:13,300 --> 01:05:11,480

circular welts around her navel John

1247

01:05:14,950 --> 01:05:13,310

suggested she should be examined by a

1248

01:05:16,660 --> 01:05:14,960

doctor and Klein said this could be

1249

01:05:19,150 --> 01:05:16,670

arranged but he wanted John to be the

1250

01:05:22,059 --> 01:05:19,160

exclusive investigator now this is

1251

01:05:25,089 --> 01:05:22,069

actual people Manhattan type people

1252

01:05:27,579 --> 01:05:25,099

Southampton type people and they're

1253

01:05:30,910 --> 01:05:27,589

saying we've got a real abductee case

1254

01:05:32,740 --> 01:05:30,920

here and we want you to be the lead

1255

01:05:35,650 --> 01:05:32,750

investigator it says if they're baiting

1256

01:05:38,859 --> 01:05:35,660

him and they want you as the exclusive

1257

01:05:41,170 --> 01:05:38,869

investigator they then offer a generous

1258

01:05:43,240 --> 01:05:41,180

donation in the form of a certified

1259

01:05:45,309 --> 01:05:43,250

check made out to Long Island UFO

1260

01:05:48,130 --> 01:05:45,319

network for ten million dollars well

1261

01:05:54,220 --> 01:05:48,140

hello wow this is John's testa

1262

01:05:57,070 --> 01:05:54,230

moni John politely turns it down now he

1263

01:05:59,590 --> 01:05:57,080

turns it down because John Ford it's a

1264

01:06:01,660 --> 01:05:59,600

very ethical person and he doesn't know

1265

01:06:03,400 --> 01:06:01,670

what strings are attached he receives a

1266

01:06:05,980 --> 01:06:03,410

business card from John gal or from

1267

01:06:08,860 --> 01:06:05,990

Gallagher John Gallagher who later

1268

01:06:11,500 --> 01:06:08,870

phones and wants him to reconsider but

1269

01:06:13,330 --> 01:06:11,510

the executive committee includes Tony

1270

01:06:16,240 --> 01:06:13,340

West they don't trust any of this John

1271

01:06:28,210 --> 01:06:16,250

can't just act on his own so they don't

1272

01:06:31,060 --> 01:06:28,220

trust this so um then okay that's sort

1273

01:06:36,820 --> 01:06:31,070

of the overview of that the rest of my

1274

01:06:39,220 --> 01:06:36,830

article goes into more editorializing so

1275

01:06:42,660 --> 01:06:39,230

I mean I you know I'm taking notes here

1276

01:06:44,980 --> 01:06:42,670

and so John was actively involved in too

1277

01:06:46,470 --> 01:06:44,990

apparently you have old investigations

1278

01:06:49,030 --> 01:06:46,480

at the time that he was incarcerated

1279

01:06:50,920 --> 01:06:49,040

well he was involved in the center

1280

01:06:53,680 --> 01:06:50,930

moriches crash to South even Park crash

1281

01:06:55,510 --> 01:06:53,690

and and this one there's three there

1282

01:06:58,360 --> 01:06:55,520

that are that are there were hot

1283

01:07:00,730 --> 01:06:58,370

incidents on Long Island none of which I

1284

01:07:02,470 --> 01:07:00,740

ever got particularly involved in

1285

01:07:04,260 --> 01:07:02,480

Preston Nichols would get involved in I

1286

01:07:06,640 --> 01:07:04,270

had my hands full doing what I was doing

1287

01:07:08,320 --> 01:07:06,650

that's uh this was sort of a side

1288

01:07:11,530 --> 01:07:08,330

interest to me I am NOT a UFO

1289

01:07:14,710 --> 01:07:11,540

investigator but it goes hand in hand

1290

01:07:16,900 --> 01:07:14,720

with sometimes up it's a similarly

1291

01:07:20,230 --> 01:07:16,910

related endeavor oh yeah most definitely

1292

01:07:21,790 --> 01:07:20,240

well it this is a fascinating case and I

1293

01:07:26,290 --> 01:07:21,800

don't think the final chapter has been

1294

01:07:28,570 --> 01:07:26,300

written yet okay I mean I would love to

1295

01:07:32,340 --> 01:07:28,580

know and see what was up on that search

1296

01:07:35,590 --> 01:07:32,350

when work that way that would be telling

1297

01:07:37,270 --> 01:07:35,600

it's a good point and I but there's so

1298

01:07:41,650 --> 01:07:37,280

many irregularities with this case and

1299

01:07:47,980 --> 01:07:41,660

what we have here is if John Ford were

1300

01:07:50,920 --> 01:07:47,990

to be released ah and he still has to

1301

01:07:55,450 --> 01:07:50,930

face trial the charges that give against

1302

01:07:58,120 --> 01:07:55,460

him have not been dropped so I don't

1303

01:08:00,640 --> 01:07:58,130

know like they a certain I think if they

1304

01:08:01,809 --> 01:08:00,650

deem him capable of returning and they

1305

01:08:03,849 --> 01:08:01,819

allow him to come back

1306

01:08:05,410 --> 01:08:03,859

society that they can't that would be

1307

01:08:08,140 --> 01:08:05,420

like double jeopardy because he took

1308

01:08:11,160 --> 01:08:08,150

that no no no no it's not double

1309

01:08:13,449 --> 01:08:11,170

jeopardy this is a mental health issue

1310

01:08:15,789 --> 01:08:13,459

this yeah but that's what they that's

1311

01:08:18,519 --> 01:08:15,799

what they held him on for 16 years he

1312

01:08:21,430 --> 01:08:18,529

took that plea Peter and when he tooked

1313

01:08:23,769 --> 01:08:21,440

at least plea guilty he plead mental and

1314

01:08:27,160 --> 01:08:23,779

competence right right he did not plead

1315

01:08:28,870 --> 01:08:27,170

guilty by reason of insanity he he plead

1316

01:08:32,919 --> 01:08:28,880

that he's not competent to stand trial

1317

01:08:34,780 --> 01:08:32,929

oh I should just not absolve him of

1318

01:08:36,339 --> 01:08:34,790

guilt and he's been very specific about

1319

01:08:38,319 --> 01:08:36,349

this to me oh yeah I see what you're

1320

01:08:44,470 --> 01:08:38,329

saying yeah it shouldn't become

1321

01:08:46,569 --> 01:08:44,480

competent not even any reasonable judge

1322

01:08:49,660 --> 01:08:46,579

would say well you've suffered enough

1323

01:08:52,899 --> 01:08:49,670

you did this okay good time served in

1324

01:08:54,910 --> 01:08:52,909

the nuthouse is is a health think that

1325

01:08:57,519 --> 01:08:54,920

would be enough I don't think they could

1326

01:08:59,499 --> 01:08:57,529

convict him I don't think they could

1327

01:09:02,319 --> 01:08:59,509

convict him but nevertheless this is an

1328

01:09:04,870 --> 01:09:02,329

issue that hangs nevertheless so what

1329

01:09:08,349 --> 01:09:04,880

you have here this all becomes about

1330

01:09:11,399 --> 01:09:08,359

political will it's all about this is

1331

01:09:15,249 --> 01:09:11,409

about politics and it's about will and

1332

01:09:17,890 --> 01:09:15,259

the will of the politicians and the will

1333

01:09:20,620 --> 01:09:17,900

of the courts and it it not only

1334

01:09:23,470 --> 01:09:20,630

requires the will of an attorney but an

1335

01:09:28,499 --> 01:09:23,480

attorney who is not only clever enough

1336

01:09:31,829 --> 01:09:28,509

but diligent and industrious enough to

1337

01:09:34,749 --> 01:09:31,839

overcome the obstacles an attorney a

1338

01:09:38,439 --> 01:09:34,759

good attorney who knows how to do things

1339

01:09:41,200 --> 01:09:38,449

in this case a superior attorney is

1340

01:09:45,640 --> 01:09:41,210

going to have challenges because of what

1341

01:09:49,419 --> 01:09:45,650

he's up against Peter the Beast Peter

1342

01:09:52,899 --> 01:09:49,429

this is MJ John Ford seems like a man

1343

01:09:56,740 --> 01:09:52,909

alone in the situation ill has he talked

1344

01:09:59,410 --> 01:09:56,750

about his family being involved well yes

1345

01:10:02,500 --> 01:09:59,420

his brother and sister have not been

1346

01:10:08,229 --> 01:10:02,510

supportive because they don't they don't

1347

01:10:10,899 --> 01:10:08,239

understand his is UFO passion and their

1348

01:10:14,200 --> 01:10:10,909

they've not been adequately supportive

1349

01:10:15,030 --> 01:10:14,210

or supportive in a sympathy co sort of

1350

01:10:18,030 --> 01:10:15,040

way with

1351

01:10:23,910 --> 01:10:18,040

them so I know that if he was released

1352

01:10:25,740 --> 01:10:23,920

he would be released and he would stay

1353

01:10:28,380 --> 01:10:25,750

with his sister initially in which case

1354

01:10:32,100 --> 01:10:28,390

he'd be in westbury which is right where

1355

01:10:36,510 --> 01:10:32,110

I am and if he did get released I would

1356

01:10:39,600 --> 01:10:36,520

be obligated to uh to meet with him

1357

01:10:42,390 --> 01:10:39,610

routinely help him get it back on his

1358

01:10:45,120 --> 01:10:42,400

feet and to and to actually take up

1359

01:10:47,550 --> 01:10:45,130

where he left off if I was living so so

1360

01:10:50,580 --> 01:10:47,560

close to him so he's he's not been

1361

01:10:52,980 --> 01:10:50,590

adequately supported as maybe a fan of

1362

01:10:57,360 --> 01:10:52,990

his would hope by his family although

1363

01:10:58,890 --> 01:10:57,370

they certainly would take him in if you

1364

01:11:00,330 --> 01:10:58,900

know if he gets released temporarily

1365

01:11:01,890 --> 01:11:00,340

before he could get a place of his own

1366

01:11:06,030 --> 01:11:01,900

because he does have a pension he's not

1367

01:11:09,750 --> 01:11:06,040

he's not in did you hmm that's

1368

01:11:11,490 --> 01:11:09,760

interesting now Peter um what do you

1369

01:11:13,950 --> 01:11:11,500

what do you think so he do think he will

1370

01:11:15,660 --> 01:11:13,960

investigate go right back jump right

1371

01:11:20,160 --> 01:11:15,670

back into when he gets out with the with

1372

01:11:21,960 --> 01:11:20,170

a Long Island UFO network well if yes I

1373

01:11:24,500 --> 01:11:21,970

think he would be very interested

1374

01:11:27,900 --> 01:11:24,510

however it might be politically

1375

01:11:30,450 --> 01:11:27,910

strategic for him to say he won't and I

1376

01:11:33,390 --> 01:11:30,460

think there have been implications or

1377

01:11:35,460 --> 01:11:33,400

offers or alleged offers that say if he

1378

01:11:37,770 --> 01:11:35,470

disc and you know they don't want him to

1379

01:11:42,380 --> 01:11:37,780

do this anymore but the bottom line is

1380

01:11:45,990 --> 01:11:42,390

here if he can prove false arrests and

1381

01:11:48,600 --> 01:11:46,000

malicious prosecution yeah sure uh this

1382

01:11:51,390 --> 01:11:48,610

is you know he could bankrupt Suffolk

1383

01:11:54,300 --> 01:11:51,400

County I'd like to know where his files

1384

01:11:56,040 --> 01:11:54,310

went and what about that long island UFO

1385

01:12:00,180 --> 01:11:56,050

network has in their own separate case

1386

01:12:04,410 --> 01:12:00,190

right absolutely cuz that was close

1387

01:12:06,150 --> 01:12:04,420

those files were jointly own right well

1388

01:12:08,370 --> 01:12:06,160

it was the one island UFO network it was

1389

01:12:10,050 --> 01:12:08,380

yeah saying that they won't do they

1390

01:12:12,090 --> 01:12:10,060

belong they had a dog in the fight

1391

01:12:14,430 --> 01:12:12,100

definitely so where are those files and

1392

01:12:17,370 --> 01:12:14,440

the information that on the cases that

1393

01:12:20,580 --> 01:12:17,380

he was working on yes and the problem is

1394

01:12:23,160 --> 01:12:20,590

here is it's it's about political will

1395

01:12:24,870 --> 01:12:23,170

and about money and if you had you know

1396

01:12:27,750 --> 01:12:24,880

a billion dollars you could you can

1397

01:12:28,530 --> 01:12:27,760

fight this case and eventually get

1398

01:12:32,160 --> 01:12:28,540

somewhere with

1399

01:12:36,000 --> 01:12:32,170

maybe but the court the courts are not

1400

01:12:38,160 --> 01:12:36,010

set up to administer perfect justice and

1401

01:12:40,950 --> 01:12:38,170

sometimes the imperfect justice is

1402

01:12:42,840 --> 01:12:40,960

pretty outrageous well I in this case it

1403

01:12:45,410 --> 01:12:42,850

sounds like it was more manipulative

1404

01:12:49,620 --> 01:12:45,420

than injustice it was being manipulated

1405

01:12:51,810 --> 01:12:49,630

I can't imagine a defense attorney

1406

01:12:53,430 --> 01:12:51,820

looking at the warrant and realizing

1407

01:12:55,020 --> 01:12:53,440

that they had the wrong date on it that

1408

01:12:58,140 --> 01:12:55,030

invalidates you put the wrong address

1409

01:12:59,820 --> 01:12:58,150

that invalidates the ward I mean like I

1410

01:13:02,040 --> 01:12:59,830

said I've done enough foam if they're

1411

01:13:03,840 --> 01:13:02,050

not let her perfect the judge and da

1412

01:13:06,300 --> 01:13:03,850

won't go along with it that sounds on

1413

01:13:08,820 --> 01:13:06,310

this case they just went ahead and

1414

01:13:11,850 --> 01:13:08,830

executed the warrant and deal with the

1415

01:13:15,480 --> 01:13:11,860

details later well that's yeah exactly

1416

01:13:17,250 --> 01:13:15,490

and and then apparently allegedly the

1417

01:13:18,960 --> 01:13:17,260

attorney did query the data and they

1418

01:13:21,600 --> 01:13:18,970

said well it was a mistake and so that

1419

01:13:25,400 --> 01:13:21,610

the court oh yeah snake all right only

1420

01:13:28,560 --> 01:13:25,410

cow man I don't I just don't think I

1421

01:13:31,920 --> 01:13:28,570

think that John was browbeaten drugged

1422

01:13:34,560 --> 01:13:31,930

an Intimidator who accepted plea sure I

1423

01:13:36,660 --> 01:13:34,570

can see that absolutely you know and

1424

01:13:39,030 --> 01:13:36,670

once again there's your Bill of Rights

1425

01:13:41,280 --> 01:13:39,040

directly you know against unreasonable

1426

01:13:43,860 --> 01:13:41,290

search and seizure the Fourth Amendment

1427

01:13:46,770 --> 01:13:43,870

and it sounds to me like they just kind

1428

01:13:50,010 --> 01:13:46,780

of walked all over that one on John yeah

1429

01:13:53,750 --> 01:13:50,020

what I'm fascinated with here is what is

1430

01:13:56,600 --> 01:13:53,760

the big deal there are so many UFO cases

1431

01:14:01,140 --> 01:13:56,610

there are so many UFO cases out there

1432

01:14:05,660 --> 01:14:01,150

with varying degrees of evidence we've

1433

01:14:09,090 --> 01:14:05,670

heard everything what was this case so

1434

01:14:10,710 --> 01:14:09,100

such a big deal to these people I think

1435

01:14:12,540 --> 01:14:10,720

that's a legitimate question and I

1436

01:14:15,240 --> 01:14:12,550

certainly don't have an answer to it the

1437

01:14:19,860 --> 01:14:15,250

only thing that I can think of is either

1438

01:14:21,540 --> 01:14:19,870

John was and I'm just theorizing based

1439

01:14:24,450 --> 01:14:21,550

upon what I know on what you've told us

1440

01:14:27,330 --> 01:14:24,460

here tonight but it he may have stumbled

1441

01:14:29,220 --> 01:14:27,340

across something or they may have

1442

01:14:31,800 --> 01:14:29,230

thought that he stumbled across

1443

01:14:34,440 --> 01:14:31,810

something and therefore he became a

1444

01:14:37,800 --> 01:14:34,450

threat especially when he started tying

1445

01:14:39,930 --> 01:14:37,810

the fires to this John Powell I mean you

1446

01:14:42,090 --> 01:14:39,940

got national you got national attention

1447

01:14:43,950 --> 01:14:42,100

on those fires

1448

01:14:45,780 --> 01:14:43,960

and next thing you know they can't have

1449

01:14:47,160 --> 01:14:45,790

John Ford saying well we got a fire over

1450

01:14:49,110 --> 01:14:47,170

here and it was caused by a flying

1451

01:14:52,470 --> 01:14:49,120

saucer you got the two linked together

1452

01:14:55,230 --> 01:14:52,480

now you've got I mean you've got feel

1453

01:14:59,970 --> 01:14:55,240

yeah except for this the government can

1454

01:15:01,740 --> 01:14:59,980

cover up TWA and you oh yeah yeah yeah I

1455

01:15:04,920 --> 01:15:01,750

think'll never questioned they do cover

1456

01:15:07,410 --> 01:15:04,930

mana and cover up JFK and that's exactly

1457

01:15:10,020 --> 01:15:07,420

my point I think where they may have

1458

01:15:12,120 --> 01:15:10,030

thought that he had a key piece of

1459

01:15:13,470 --> 01:15:12,130

information he may or may not have he

1460

01:15:16,590 --> 01:15:13,480

may have had it don't even know that he

1461

01:15:18,930 --> 01:15:16,600

had it but but the point is is that they

1462

01:15:23,400 --> 01:15:18,940

saw him as a threat well the thing about

1463

01:15:28,130 --> 01:15:23,410

Shana is he is he is um he knows the

1464

01:15:30,630 --> 01:15:28,140

legal system and he is diligent about

1465

01:15:33,390 --> 01:15:30,640

using the legal system and he's very

1466

01:15:36,480 --> 01:15:33,400

impassioned about what he does he's a

1467

01:15:40,560 --> 01:15:36,490

meticulous investigator and he also is

1468

01:15:43,680 --> 01:15:40,570

as a history of being politically active

1469

01:15:45,090 --> 01:15:43,690

in the conservative party of Suffolk

1470

01:15:47,910 --> 01:15:45,100

County his mom used to be the head of

1471

01:15:50,960 --> 01:15:47,920

the sip of Suffolk County a conservative

1472

01:15:53,340 --> 01:15:50,970

party so he does have a history in

1473

01:15:55,590 --> 01:15:53,350

understanding politics and imagination

1474

01:15:58,950 --> 01:15:55,600

of politics so this makes him a player

1475

01:16:01,500 --> 01:15:58,960

on a stage which he would have certainly

1476

01:16:04,140 --> 01:16:01,510

at that time been recognized for by his

1477

01:16:08,000 --> 01:16:04,150

rivals right still goes on to this day

1478

01:16:12,330 --> 01:16:08,010

because they they don't want him out

1479

01:16:16,260 --> 01:16:12,340

they don't want his story told yeah it's

1480

01:16:19,850 --> 01:16:16,270

it's uh that's a salad situation yeah I

1481

01:16:22,350 --> 01:16:19,860

man I just fascinated with hated it

1482

01:16:25,020 --> 01:16:22,360

everything from him I'd like to know

1483

01:16:28,530 --> 01:16:25,030

more about this masa celli though he's

1484

01:16:29,970 --> 01:16:28,540

he gets introduced at the optimum time

1485

01:16:32,040 --> 01:16:29,980

when John's in the middle of this

1486

01:16:34,980 --> 01:16:32,050

investigation he gets introduced to Long

1487

01:16:37,470 --> 01:16:34,990

Island UFO and I wanna be French John

1488

01:16:41,610 --> 01:16:37,480

I'm Maura message Ellie read read the

1489

01:16:45,300 --> 01:16:41,620

that the report on the website yeah I'm

1490

01:16:48,930 --> 01:16:45,310

going to and also get in touch with Gary

1491

01:16:51,450 --> 01:16:48,940

Sinise e CI mis I you can find him on

1492

01:16:55,230 --> 01:16:51,460

facebook he's a reporter right he's a

1493

01:17:00,480 --> 01:16:55,240

reporter yeah he lives on a rocky

1494

01:17:05,010 --> 01:17:00,490

and you could even interview him he kept

1495

01:17:07,140 --> 01:17:05,020

a much bigger brain file on mass jelly

1496

01:17:09,690 --> 01:17:07,150

than I did he's done his own writings on

1497

01:17:11,970 --> 01:17:09,700

this as well yeah I'd like to know more

1498

01:17:14,820 --> 01:17:11,980

about this message he'll play he's he's

1499

01:17:19,920 --> 01:17:14,830

the hinge pin and getting Ford entangled

1500

01:17:21,810 --> 01:17:19,930

with the search warrant fee and put he's

1501

01:17:24,660 --> 01:17:21,820

the one that I mean he's the one that

1502

01:17:26,820 --> 01:17:24,670

sets the ball and rolling and John John

1503

01:17:29,220 --> 01:17:26,830

magic shelly is still involved in

1504

01:17:31,950 --> 01:17:29,230

talking to John Ford and on this case

1505

01:17:33,930 --> 01:17:31,960

and you know he wants to testify on

1506

01:17:37,560 --> 01:17:33,940

John's how do you think he'd come on the

1507

01:17:40,800 --> 01:17:37,570

radio well that that I don't know he

1508

01:17:46,430 --> 01:17:40,810

might ought to talk to him an absolutely

1509

01:17:49,470 --> 01:17:46,440

but I he's not a I wouldn't want him

1510

01:17:51,980 --> 01:17:49,480

testifying in this case personally

1511

01:17:55,290 --> 01:17:51,990

because he's already shown himself to be

1512

01:17:57,780 --> 01:17:55,300

he's got a criminal record he has no

1513

01:17:59,070 --> 01:17:57,790

even before this year that doesn't make

1514

01:18:02,520 --> 01:17:59,080

him all bad it just makes him

1515

01:18:05,580 --> 01:18:02,530

interesting question ok spoken from a

1516

01:18:09,630 --> 01:18:05,590

cosmic to be okay he was bad I said it

1517

01:18:12,150 --> 01:18:09,640

makes him a questionable well it depends

1518

01:18:14,550 --> 01:18:12,160

what is what is I mean hey some of the

1519

01:18:17,070 --> 01:18:14,560

most truthful people that I've met in

1520

01:18:18,630 --> 01:18:17,080

law enforcement were criminals okay they

1521

01:18:20,850 --> 01:18:18,640

were very upfront and honest they would

1522

01:18:24,090 --> 01:18:20,860

tell you directly if you asked him in

1523

01:18:26,340 --> 01:18:24,100

some cases there Eagle the problem with

1524

01:18:30,270 --> 01:18:26,350

him according to what I've been told is

1525

01:18:32,100 --> 01:18:30,280

that he received a big payout no I

1526

01:18:35,400 --> 01:18:32,110

wouldn't out the hell he took a jail

1527

01:18:39,150 --> 01:18:35,410

term in exchange for money so he could

1528

01:18:41,130 --> 01:18:39,160

be taking another payout to go highly

1529

01:18:43,080 --> 01:18:41,140

more about his police informant with the

1530

01:18:45,270 --> 01:18:43,090

Suffolk County Police Department because

1531

01:18:47,040 --> 01:18:45,280

yeah I don't doubt that at all Peter I

1532

01:18:50,040 --> 01:18:47,050

could see money coming in there and and

1533

01:18:52,680 --> 01:18:50,050

persuading persuadable some character

1534

01:18:56,820 --> 01:18:52,690

and I think he has the business in this

1535

01:19:00,840 --> 01:18:56,830

case uh you know he's not he's not

1536

01:19:03,360 --> 01:19:00,850

needed for this case and this case when

1537

01:19:05,790 --> 01:19:03,370

it gets tried in the mental health court

1538

01:19:08,900 --> 01:19:05,800

if that's the correct name for it it has

1539

01:19:13,980 --> 01:19:08,910

a jury of six people it's not a 12

1540

01:19:15,510 --> 01:19:13,990

manjeri it's a six-person jury and but

1541

01:19:19,320 --> 01:19:15,520

it hasn't even got to the jurors to

1542

01:19:22,200 --> 01:19:19,330

decide yeah that's yes that's the case

1543

01:19:24,810 --> 01:19:22,210

he wants yeah he's got to get that in in

1544

01:19:28,400 --> 01:19:24,820

front of the jury that's for sure yes

1545

01:19:31,170 --> 01:19:28,410

and so I think that the two-year

1546

01:19:35,880 --> 01:19:31,180

recycling of his status was about a year

1547

01:19:38,400 --> 01:19:35,890

ago so he's got by the time he gets his

1548

01:19:40,260 --> 01:19:38,410

attorney gets rolled up and you know

1549

01:19:42,540 --> 01:19:40,270

gets on the rolls and is allowed to

1550

01:19:44,250 --> 01:19:42,550

visit him then they'll know I don't

1551

01:19:45,930 --> 01:19:44,260

understand that how can the hell can

1552

01:19:52,890 --> 01:19:45,940

they keep him from visiting his attorney

1553

01:19:55,110 --> 01:19:52,900

how does that work red tape pink okay he

1554

01:19:57,380 --> 01:19:55,120

I'm an attorney has a right to interview

1555

01:19:59,820 --> 01:19:57,390

his client or her client whatever and

1556

01:20:02,820 --> 01:19:59,830

yes but they have to let you in the door

1557

01:20:04,860 --> 01:20:02,830

and they yellin oh absolutely yeah I

1558

01:20:07,560 --> 01:20:04,870

know what you're saying I'm keen your

1559

01:20:10,740 --> 01:20:07,570

food that's a that just blows me away

1560

01:20:12,480 --> 01:20:10,750

and once again okay there comes into the

1561

01:20:14,700 --> 01:20:12,490

Bill of Rights you're entitled to have

1562

01:20:16,470 --> 01:20:14,710

counsel you're entitled let me explain

1563

01:20:18,900 --> 01:20:16,480

something to you if you were to walk

1564

01:20:22,470 --> 01:20:18,910

into that mid-hudson forensic Institute

1565

01:20:24,120 --> 01:20:22,480

by yourself and you walk in there and

1566

01:20:26,340 --> 01:20:24,130

you say I want to talk about this at

1567

01:20:28,470 --> 01:20:26,350

this youth you and probably I've never

1568

01:20:31,410 --> 01:20:28,480

been there but you would probably feel

1569

01:20:33,720 --> 01:20:31,420

the mental atmosphere that place and

1570

01:20:35,130 --> 01:20:33,730

you'd probably feel so weird you know

1571

01:20:38,010 --> 01:20:35,140

like who are you talking to you know

1572

01:20:40,320 --> 01:20:38,020

using space in there is probably so

1573

01:20:42,300 --> 01:20:40,330

weird in itself it's like you're walking

1574

01:20:44,190 --> 01:20:42,310

into another dimension and then you're

1575

01:20:47,430 --> 01:20:44,200

going to go and talk and you're going to

1576

01:20:49,530 --> 01:20:47,440

talk to somebody at a front desk who

1577

01:20:52,380 --> 01:20:49,540

points you to somebody at another desk

1578

01:20:55,760 --> 01:20:52,390

and it's kind of like what's up and it's

1579

01:20:59,730 --> 01:20:55,770

it's you know you're talking to

1580

01:21:02,400 --> 01:20:59,740

bureaucracy yeah it's like a news the

1581

01:21:05,360 --> 01:21:02,410

person you strangle around the throat

1582

01:21:09,090 --> 01:21:05,370

there's nobody to strangle so to speak

1583

01:21:10,500 --> 01:21:09,100

you know I say it's this and what's this

1584

01:21:14,580 --> 01:21:10,510

well you've got to do this you've got to

1585

01:21:18,330 --> 01:21:14,590

do this in yeah I'm sure that there is a

1586

01:21:22,320 --> 01:21:18,340

legal formula where one could snap the

1587

01:21:24,330 --> 01:21:22,330

whip on this but uh that

1588

01:21:28,530 --> 01:21:24,340

you know as they say when the attorney

1589

01:21:30,120 --> 01:21:28,540

can't even see the client this is a

1590

01:21:32,580 --> 01:21:30,130

problem he's an attorney so you know he

1591

01:21:34,320 --> 01:21:32,590

knows just like you've been a policeman

1592

01:21:38,760 --> 01:21:34,330

you know the rules he knows the rules

1593

01:21:43,710 --> 01:21:38,770

yeah the rules aren't smiling on him now

1594

01:21:48,210 --> 01:21:43,720

I I liked it like i said this massive

1595

01:21:50,070 --> 01:21:48,220

chili that started the whole involvement

1596

01:21:51,960 --> 01:21:50,080

with the authorities and he came in at

1597

01:21:54,570 --> 01:21:51,970

the at the right time it sounds to me

1598

01:21:56,970 --> 01:21:54,580

like that that's being manipulative he's

1599

01:21:58,800 --> 01:21:56,980

a plant I mean that's that's all the

1600

01:22:01,260 --> 01:21:58,810

alarm bells going off on me as saying

1601
01:22:03,030 --> 01:22:01,270
that this guy shows up and the friends

1602
01:22:05,490 --> 01:22:03,040
John for the next thing you know John

1603
01:22:08,490 --> 01:22:05,500
Ford is trying to poke radium into

1604
01:22:12,240 --> 01:22:08,500
toothpaste to poison jennandpaul okay

1605
01:22:14,400 --> 01:22:12,250
and you know from from what you've said

1606
01:22:16,560 --> 01:22:14,410
it for what Marilyn told us last time is

1607
01:22:17,880 --> 01:22:16,570
that this message Shelly he's the one

1608
01:22:19,950 --> 01:22:17,890
that was wearing the wire and he's the

1609
01:22:22,110 --> 01:22:19,960
one that engaged John Ford in the

1610
01:22:23,850 --> 01:22:22,120
conversation and that should also be

1611
01:22:26,880 --> 01:22:23,860
part of public record that whole

1612
01:22:28,710 --> 01:22:26,890
transcript that thing should be all part

1613
01:22:31,970 --> 01:22:28,720

of a freedom of information act foia

1614

01:22:34,620 --> 01:22:31,980

listen and the case on this is pretty

1615

01:22:38,460 --> 01:22:34,630

open and shut anybody who has a

1616

01:22:40,320 --> 01:22:38,470

reasonable attitude the problem is to

1617

01:22:44,850 --> 01:22:40,330

say this is all about political well

1618

01:22:48,300 --> 01:22:44,860

yeah right oh no political will and into

1619

01:22:50,250 --> 01:22:48,310

some extent money but it's so when

1620

01:22:52,410 --> 01:22:50,260

there's no political will and we live in

1621

01:22:55,230 --> 01:22:52,420

an environment right now where political

1622

01:22:57,120 --> 01:22:55,240

will doesn't I mean will like you take

1623

01:22:59,910 --> 01:22:57,130

the hell if I didn't know any better I'd

1624

01:23:02,910 --> 01:22:59,920

say Hillary Clinton was behind it the

1625

01:23:04,890 --> 01:23:02,920

Occupy Wall Street issue yeah I'm going

1626

01:23:08,820 --> 01:23:04,900

to help anything because you see it's

1627

01:23:10,140 --> 01:23:08,830

all we don't have political protests

1628

01:23:11,970 --> 01:23:10,150

like we used to have the march on

1629

01:23:14,030 --> 01:23:11,980

washington in the days of martin luther

1630

01:23:18,420 --> 01:23:14,040

king and all this sort of thing

1631

01:23:22,050 --> 01:23:18,430

political protest isn't the vehicle it

1632

01:23:24,920 --> 01:23:22,060

was in the 60s it just doesn't the

1633

01:23:28,500 --> 01:23:24,930

government has responded to it it

1634

01:23:30,720 --> 01:23:28,510

controls it better it's it's much more

1635

01:23:32,520 --> 01:23:30,730

sophisticated and refined than it was in

1636

01:23:34,590 --> 01:23:32,530

the 60s the government itself and that

1637

01:23:35,729 --> 01:23:34,600

includes the secret government so it's

1638

01:23:38,939 --> 01:23:35,739

not

1639

01:23:41,549 --> 01:23:38,949

well we still have freedom of speech and

1640

01:23:43,379 --> 01:23:41,559

we have the right to assemble and I

1641

01:23:47,939 --> 01:23:43,389

agree with you that the you know the

1642

01:23:52,310 --> 01:23:47,949

government certainly has I I like I

1643

01:23:55,739 --> 01:23:52,320

think it directs political unrest better

1644

01:23:57,750 --> 01:23:55,749

then it did back in the day baby in the

1645

01:23:59,580 --> 01:23:57,760

government learned a lot during the 60s

1646

01:24:02,160 --> 01:23:59,590

and 70s he had the Vietnam he had civil

1647

01:24:03,720 --> 01:24:02,170

rights going on and a lot of open

1648

01:24:06,419 --> 01:24:03,730

protests of the government really got

1649

01:24:11,509 --> 01:24:06,429

adapted being able to deflect and

1650

01:24:13,649 --> 01:24:11,519

manipulate those those political

1651
01:24:17,430 --> 01:24:13,659
emotions if you will that you know

1652
01:24:19,560 --> 01:24:17,440
occurs among the population and but the

1653
01:24:21,270 --> 01:24:19,570
one thing and once again we're back to

1654
01:24:23,609 --> 01:24:21,280
what you know is freedom of speech and

1655
01:24:24,479 --> 01:24:23,619
the right to ask questions and we still

1656
01:24:27,089 --> 01:24:24,489
have the right to hold government

1657
01:24:29,370 --> 01:24:27,099
accountable whether it's the federal

1658
01:24:31,109 --> 01:24:29,380
government of Suffolk County and I tell

1659
01:24:34,560 --> 01:24:31,119
you what Peter based upon what I've

1660
01:24:36,629 --> 01:24:34,570
learned so far from you and Marilyn John

1661
01:24:38,549 --> 01:24:36,639
got whether he's crazy or not doesn't

1662
01:24:41,580 --> 01:24:38,559
make any difference he still got rave

1663
01:24:43,890 --> 01:24:41,590

railroaded okay I mean he could be crazy

1664

01:24:45,540 --> 01:24:43,900

as a loon or you know off his rocker for

1665

01:24:47,370 --> 01:24:45,550

all I know I'm not a psychiatrist but

1666

01:24:51,600 --> 01:24:47,380

the fact of the matter is based upon

1667

01:24:54,899 --> 01:24:51,610

what you know is being painted here the

1668

01:24:56,700 --> 01:24:54,909

guy they had him already convicted tried

1669

01:25:00,299 --> 01:24:56,710

and signed sealed and delivered when

1670

01:25:03,870 --> 01:25:00,309

when they executed that warrant no it's

1671

01:25:06,419 --> 01:25:03,880

definitely a an injustice yeah oh yes

1672

01:25:08,310 --> 01:25:06,429

exactly what it is it's an injustice if

1673

01:25:11,069 --> 01:25:08,320

that's the way it went down that's a

1674

01:25:13,200 --> 01:25:11,079

bunch of BS and and we have to we have

1675

01:25:15,660 --> 01:25:13,210

to know it has to do with timing there

1676

01:25:17,970 --> 01:25:15,670

was that that famous case of hurricane

1677

01:25:20,160 --> 01:25:17,980

Rubin hurricane Carter that Bob Dylan

1678

01:25:24,060 --> 01:25:20,170

wrote a song about oh yeah right you'll

1679

01:25:27,060 --> 01:25:24,070

be and that took such a long time to

1680

01:25:31,529 --> 01:25:27,070

resolve itself which its hurricane

1681

01:25:35,339 --> 01:25:31,539

Carter was innocent the boxer and and so

1682

01:25:37,770 --> 01:25:35,349

this is the this is the problem is that

1683

01:25:40,500 --> 01:25:37,780

things happen in their own time this

1684

01:25:44,879 --> 01:25:40,510

made case and we've never gotten justice

1685

01:25:46,890 --> 01:25:44,889

over the JFK assassination so these

1686

01:25:48,900 --> 01:25:46,900

things don't miss but they do stick in

1687

01:25:51,690 --> 01:25:48,910

time even though we didn't get

1688

01:25:55,500 --> 01:25:51,700

justice on it you still have people are

1689

01:25:59,370 --> 01:25:55,510

talking out about it still hoping to

1690

01:26:03,480 --> 01:25:59,380

Bible day I live I'd like to know who

1691

01:26:06,810 --> 01:26:03,490

turned Massa celli on with it to John

1692

01:26:08,610 --> 01:26:06,820

Ford from the suffolk county agency how

1693

01:26:10,860 --> 01:26:08,620

did they get ahold of him to get in and

1694

01:26:13,590 --> 01:26:10,870

involve himself because yeah you know I

1695

01:26:15,930 --> 01:26:13,600

work with a number well I worked with it

1696

01:26:18,210 --> 01:26:15,940

I worked undercover for five years of

1697

01:26:19,560 --> 01:26:18,220

vice and narcotics I had a number there

1698

01:26:22,320 --> 01:26:19,570

were two types of people that work for

1699

01:26:24,690 --> 01:26:22,330

us there was informants that had a beef

1700

01:26:26,010 --> 01:26:24,700

okay that we had what we called a hammer

1701

01:26:27,990 --> 01:26:26,020

over him they we had him on another

1702

01:26:30,150 --> 01:26:28,000

charge and they wanted to help us so

1703

01:26:33,390 --> 01:26:30,160

they became an informant and then you

1704

01:26:36,210 --> 01:26:33,400

had operatives which we would hire okay

1705

01:26:38,940 --> 01:26:36,220

and they would go out and enter and

1706

01:26:40,710 --> 01:26:38,950

introduce one of us they would make

1707

01:26:42,750 --> 01:26:40,720

befriend an organization and then

1708

01:26:45,150 --> 01:26:42,760

introduce one of us after they got in

1709

01:26:46,650 --> 01:26:45,160

and then we would they would bow out and

1710

01:26:48,120 --> 01:26:46,660

we would take over but they were that

1711

01:26:50,130 --> 01:26:48,130

one that opened the door and got us

1712

01:26:51,630 --> 01:26:50,140

intro'd into an organization if we were

1713

01:26:54,980 --> 01:26:51,640

going to infiltrate it and that's what

1714

01:26:57,960 --> 01:26:54,990

it sounds to me what Massa Chelly is

1715

01:27:00,540 --> 01:26:57,970

okay is that he was an operative and

1716

01:27:03,120 --> 01:27:00,550

they turned him on the John Ford and he

1717

01:27:05,130 --> 01:27:03,130

infiltrated basically Long Island you if

1718

01:27:06,870 --> 01:27:05,140

I'd love to talk to this guy I think he

1719

01:27:09,780 --> 01:27:06,880

is very easy it would have been very

1720

01:27:11,970 --> 01:27:09,790

easy for who who was who was engineering

1721

01:27:15,660 --> 01:27:11,980

it because Cheryl Hassan UFO network was

1722

01:27:18,150 --> 01:27:15,670

a public all right public thing so right

1723

01:27:20,820 --> 01:27:18,160

he could just show up right directed

1724

01:27:22,500 --> 01:27:20,830

there okay okay okay Peter we are

1725

01:27:24,860 --> 01:27:22,510

running out of time can you let our

1726

01:27:29,400 --> 01:27:24,870

listeners know about your website again

1727

01:27:32,820 --> 01:27:29,410

sure a digital montauk calm and I have a

1728

01:27:35,460 --> 01:27:32,830

website with my books and I'm just going

1729

01:27:38,250 --> 01:27:35,470

to mention that's that's sky books USA

1730

01:27:40,440 --> 01:27:38,260

com the book music of time which is

1731

01:27:42,900 --> 01:27:40,450

about Preston Nichols adventures in the

1732

01:27:45,710 --> 01:27:42,910

music industry also cover the John Ford

1733

01:27:48,240 --> 01:27:45,720

case the music of time that book up

1734

01:27:49,920 --> 01:27:48,250

because he got it's told in his

1735

01:27:52,050 --> 01:27:49,930

vernacular about his adventures in the

1736

01:27:54,240 --> 01:27:52,060

John Ford case very cool thanks for

1737

01:27:55,740 --> 01:27:54,250

coming on in we ant thanks you too much

1738

01:27:57,570 --> 01:27:55,750

yeah you're welcome oh nice to be with
