27

00:02:11,290 --> 00:02:09,020

within our scope here at night vision

32

00:02:22,840 --> 00:02:20,900

great and I'd really appreciate it if

33

00:02:25,870 --> 00:02:22,850

you would go to the night vision radio

34

facebook page and click on like that

35

00:02:30,940 --> 00:02:28,340

would be very very helpful and we'd

36

00:02:32,979 --> 00:02:30,950

appreciate it and we post a little

37

00:02:36,400 --> 00:02:32,989

articles there and also of course

38

00:02:39,190 --> 00:02:36,410

information on upcoming shows on night

39

00:02:44,140 --> 00:02:39,200

vision in right here at inception radio

40

00:02:47,199 --> 00:02:44,150

network com so without further ado when

41

00:02:50,560 --> 00:02:47,209

I talk about the show tonight you know I

42

00:02:52,630 --> 00:02:50,570

don't know if you were listening last

43

00:02:55,540 --> 00:02:52,640

week but if you were we had the good

44

00:02:59,410 --> 00:02:55,550

Reverend Michael Carter on and he was

45

00:03:03,130 --> 00:02:59,420

talking about his et experiences which

46

00:03:06,880 --> 00:03:03,140

he viewed in its very favorable and very

47

00:03:10,860 --> 00:03:06,890

positive and I guess he would have what

48

00:03:14,860 --> 00:03:10,870

us in the sort of UFO milieu term a

49

00:03:19,840 --> 00:03:14,870

contactee experience as opposed to the

50

00:03:22,180 --> 00:03:19,850

traditional alien abduction story now so

51  
00:03:26,559 --> 00:03:22,190  
last week we heard about the positive

52  
00:03:28,480 --> 00:03:26,569  
aspects of his experiences and his

53  
00:03:30,220 --> 00:03:28,490  
personal story but

54  
00:03:32,980 --> 00:03:30,230  
tonight we're going to flip the script

55  
00:03:36,420 --> 00:03:32,990  
just a bit because I did hear from

56  
00:03:39,340 --> 00:03:36,430  
people that say you know I've had my 80

57  
00:03:40,960 --> 00:03:39,350  
experiences and they weren't at all I

58  
00:03:43,600 --> 00:03:40,970  
didn't feel like they were positive at

59  
00:03:45,970 --> 00:03:43,610  
all they were scary sometimes they were

60  
00:03:48,970 --> 00:03:45,980  
painful sometimes they were you know

61  
00:03:51,070 --> 00:03:48,980  
psychologically disturbing and so I

62  
00:03:52,930 --> 00:03:51,080  
thought you know for those people out

63  
00:03:55,720 --> 00:03:52,940

there that are having those types of

64

00:03:58,750 --> 00:03:55,730

experiences we ought to explore that

65

00:04:03,550 --> 00:03:58,760

side of things too and so I was looking

66

00:04:06,160 --> 00:04:03,560

for a person who had had a lot of those

67

00:04:08,800 --> 00:04:06,170

types of alien abduction experiences and

68

00:04:12,070 --> 00:04:08,810

I called up my good friend Yvonne Smith

69

00:04:14,370 --> 00:04:12,080

who is the director of sero close

70

00:04:17,170 --> 00:04:14,380

encounter research organization and

71

00:04:21,340 --> 00:04:17,180

asked her if she could recommend someone

72

00:04:24,490 --> 00:04:21,350

and she said by all means and she

73

00:04:26,500 --> 00:04:24,500

recommended my guest tonight and I want

74

00:04:30,100 --> 00:04:26,510

to tell you a little bit about my guest

75

00:04:31,450 --> 00:04:30,110

she's a forensic counselor she's really

76

00:04:33,250 --> 00:04:31,460

a renaissance woman that's what I would

77

00:04:37,750 --> 00:04:33,260

call her because she's a forensic

78

00:04:40,450 --> 00:04:37,760

counselor she is a substantive used

79

00:04:43,270 --> 00:04:40,460

counselor she's an artist she's a writer

80

00:04:45,940 --> 00:04:43,280

and she's a psychic and of course I

81

00:04:49,560 --> 00:04:45,950

can't leave out a lifelong alien

82

00:04:52,450 --> 00:04:49,570

abductee so tonight I'd like to welcome

83

00:04:53,560 --> 00:04:52,460

Charlie mcclain to McCain to the show

84

00:04:55,720 --> 00:04:53,570

excuse me I don't want to mispronounce

85

00:04:57,990 --> 00:04:55,730

your name I already almost mispronounced

86

00:05:01,390 --> 00:04:58,000

your first name earlier today huh no

87

00:05:05,170 --> 00:05:01,400

Charlie McKay high today oh I left out

88

00:05:07,810 --> 00:05:05,180

one thing radio host radio host that was

89

00:05:10,390 --> 00:05:07,820

another perhaps that you wear and you

90

00:05:11,950 --> 00:05:10,400

host a radio show on this same sort of

91

00:05:16,000 --> 00:05:11,960

general subject matter called the

92

00:05:18,580 --> 00:05:16,010

paranormal and sacred and anyway

93

00:05:20,410 --> 00:05:18,590

Charlene gosh you've got so much and I

94

00:05:23,710 --> 00:05:20,420

really appreciate you sending me your

95

00:05:26,230 --> 00:05:23,720

story because there's so much there that

96

00:05:30,190 --> 00:05:26,240

I kind of like to just dive right in if

97

00:05:33,070 --> 00:05:30,200

you don't mind you you said that you

98

00:05:35,410 --> 00:05:33,080

your experiences as far as you can

99

00:05:37,150 --> 00:05:35,420

recall or remember begin when you were

100

00:05:39,940 --> 00:05:37,160

four years old right out here in

101  
00:05:42,010 --> 00:05:39,950  
Southern California that's right in the

102  
00:05:46,350 --> 00:05:42,020  
valley oh

103  
00:05:49,980 --> 00:05:46,360  
the oldest of five sisters actually and

104  
00:05:53,740 --> 00:05:49,990  
that's when he began was about four and

105  
00:05:55,839 --> 00:05:53,750  
high i already had like night terrors

106  
00:05:57,460 --> 00:05:55,849  
and things like that I was kind of a

107  
00:05:59,290 --> 00:05:57,470  
worried little kid and had a lot of

108  
00:06:02,050 --> 00:05:59,300  
responsibility exit care of the whole

109  
00:06:04,689 --> 00:06:02,060  
family including my sister that I was

110  
00:06:07,749 --> 00:06:04,699  
the oldest and I take my job pretty

111  
00:06:09,969 --> 00:06:07,759  
seriously but i also like have fun so I

112  
00:06:13,620 --> 00:06:09,979  
was all over the place in I was a little

113  
00:06:16,719 --> 00:06:13,630

of investigator and I also did a lot of

114

00:06:19,809 --> 00:06:16,729

running through i lived in Pacoima

115

00:06:21,070 --> 00:06:19,819

Pierce projects and I guess it's

116

00:06:24,010 --> 00:06:21,080

probably the worst part of the valley

117

00:06:25,839 --> 00:06:24,020

hick I don't know if anybody knows where

118

00:06:28,629 --> 00:06:25,849

that is but you know I know we're

119

00:06:31,990 --> 00:06:28,639

climbing sandals off it's actually not

120

00:06:36,520 --> 00:06:32,000

that terribly far from me but you know

121

00:06:39,189 --> 00:06:36,530

pacoima I think maybe you know least 20

122

00:06:41,830 --> 00:06:39,199

years ago was probably a lot rougher

123

00:06:45,580 --> 00:06:41,840

than it is right now I think book women

124

00:06:49,300 --> 00:06:45,590

has actually come a little bit up in the

125

00:06:52,620 --> 00:06:49,310

world and and it's not nearly as scary

126  
00:06:56,020 --> 00:06:52,630  
of places it used to be but I remember a

127  
00:06:59,050 --> 00:06:56,030  
time when it was there was a lot a lot

128  
00:07:01,540 --> 00:06:59,060  
of gang activity going on over there in

129  
00:07:04,480 --> 00:07:01,550  
a lot of violence domestic violence and

130  
00:07:06,640 --> 00:07:04,490  
and things like that which I know that

131  
00:07:09,670 --> 00:07:06,650  
you know you witnessed a lot of that

132  
00:07:14,980 --> 00:07:09,680  
just looking out the window of the house

133  
00:07:17,260 --> 00:07:14,990  
there and they do have issues with with

134  
00:07:19,749 --> 00:07:17,270  
those kinds of domestic violence and

135  
00:07:23,019 --> 00:07:19,759  
some alcohol abuse in your home which

136  
00:07:25,240 --> 00:07:23,029  
here it's the reason why you sort of

137  
00:07:29,379 --> 00:07:25,250  
ended up having to take responsibility

138  
00:07:32,350 --> 00:07:29,389

for your younger siblings that's it

139

00:07:35,290 --> 00:07:32,360

that's true yeah I did and uh I love

140

00:07:37,269 --> 00:07:35,300

their I remember loving them so much I

141

00:07:40,870 --> 00:07:37,279

remember when my first sister was born

142

00:07:43,510 --> 00:07:40,880

and at that time she's only a year and a

143

00:07:46,390 --> 00:07:43,520

couple months younger than me I do

144

00:07:47,950 --> 00:07:46,400

remember when she was born in how much I

145

00:07:49,930 --> 00:07:47,960

loved her so I actually took them all

146

00:07:51,790 --> 00:07:49,940

under my wing immediately you know

147

00:07:55,180 --> 00:07:51,800

though I was you know we're only a year

148

00:07:55,810 --> 00:07:55,190

apart basically yeah but um my mother

149

00:08:00,280 --> 00:07:55,820

and

150

00:08:01,900 --> 00:08:00,290

really loved them so much so I was

151  
00:08:04,150 --> 00:08:01,910  
always on the lookout there was only so

152  
00:08:07,540 --> 00:08:04,160  
much danger especially in the projects

153  
00:08:09,490 --> 00:08:07,550  
there was a lot of things going on and

154  
00:08:11,890 --> 00:08:09,500  
every kind of thing you can imagine it

155  
00:08:14,530 --> 00:08:11,900  
felt like a little tiny world there and

156  
00:08:17,440 --> 00:08:14,540  
it would I say this way for a kid like

157  
00:08:19,480 --> 00:08:17,450  
me but they just have to learn how to

158  
00:08:21,070 --> 00:08:19,490  
stare the way and you never walk

159  
00:08:22,420 --> 00:08:21,080  
straight across anywhere he always kind

160  
00:08:25,270 --> 00:08:22,430  
of walk around the building to look

161  
00:08:27,700 --> 00:08:25,280  
first before you know well yeah you had

162  
00:08:31,210 --> 00:08:27,710  
all this stuff going on just in your

163  
00:08:33,580 --> 00:08:31,220

everyday life a lot of responsibility

164

00:08:35,320 --> 00:08:33,590

and I would imagine some trauma if there

165

00:08:39,850 --> 00:08:35,330

was some violence going on around you

166

00:08:42,600 --> 00:08:39,860

and then on top of this you started

167

00:08:48,100 --> 00:08:42,610

being aware of having these experiences

168

00:08:52,210 --> 00:08:48,110

which i think you said began as you

169

00:08:56,110 --> 00:08:52,220

would be levitated and taken up a tunnel

170

00:08:59,260 --> 00:08:56,120

a metal tunnel into around hedonism that

171

00:09:02,110 --> 00:08:59,270

yes I proceeded as a metal tunnel and I

172

00:09:04,660 --> 00:09:02,120

would be sucked straight up off my bed

173

00:09:06,670 --> 00:09:04,670

so straight up this middle tunnel I

174

00:09:09,520 --> 00:09:06,680

thought it was a great tunnel I never

175

00:09:11,650 --> 00:09:09,530

hit the sides or anything but to me it

176  
00:09:15,790 --> 00:09:11,660  
looked metal and then into round middle

177  
00:09:18,430 --> 00:09:15,800  
room it had no furniture except for some

178  
00:09:21,430 --> 00:09:18,440  
kind of console in the middle of it but

179  
00:09:24,970 --> 00:09:21,440  
then there was around the circular and

180  
00:09:28,270 --> 00:09:24,980  
around the whole room was like a ledge

181  
00:09:31,000 --> 00:09:28,280  
where you can sit was just like an

182  
00:09:33,700 --> 00:09:31,010  
alleged was enough furniture anything

183  
00:09:35,070 --> 00:09:33,710  
like a plant like a man like a bench

184  
00:09:37,950 --> 00:09:35,080  
that when we're going to like a [h\_\_h]

185  
00:09:42,910 --> 00:09:37,960  
but it came right out of the wall and

186  
00:09:46,020 --> 00:09:42,920  
maybe like molded right yeah and that's

187  
00:09:50,640 --> 00:09:46,030  
where it was and they look to me like

188  
00:09:54,400 --> 00:09:50,650

you know dome-shaped trash cans yes it

189

00:09:57,190 --> 00:09:54,410

fit silver with big black eyes and just

190

00:10:00,460 --> 00:09:57,200

a little tiny foot for a mouth on there

191

00:10:04,120 --> 00:10:00,470

about my height but i found an extremely

192

00:10:06,910 --> 00:10:04,130

horrifying yeah you're sounded that that

193

00:10:09,580 --> 00:10:06,920

the beings themselves seem to be made of

194

00:10:11,680 --> 00:10:09,590

metal died five

195

00:10:13,720 --> 00:10:11,690

made a metal I thought everything was

196

00:10:18,340 --> 00:10:13,730

made out of the same thing but they look

197

00:10:20,680 --> 00:10:18,350

like grey steel metal to me but that's

198

00:10:22,750 --> 00:10:20,690

as a child that's what I thought do you

199

00:10:24,370 --> 00:10:22,760

think that that was them or do you think

200

00:10:28,870 --> 00:10:24,380

that they were wearing some sort of

201  
00:10:32,430 --> 00:10:28,880  
protective gear you know I don't know I

202  
00:10:35,230 --> 00:10:32,440  
knew that they were the same sizes I

203  
00:10:38,860 --> 00:10:35,240  
same height but they were around kind of

204  
00:10:41,230 --> 00:10:38,870  
barely figured you know I can't remember

205  
00:10:44,230 --> 00:10:41,240  
arms and legs and legs arms are soaked

206  
00:10:47,080 --> 00:10:44,240  
in but it kind of looked like a bullet

207  
00:10:49,720 --> 00:10:47,090  
to me no they were shaped like that but

208  
00:10:55,450 --> 00:10:49,730  
then i go to mediately crazy and terror

209  
00:10:56,890 --> 00:10:55,460  
and you know so after that they would

210  
00:10:59,200 --> 00:10:56,900  
try to hold me down so I have a like a

211  
00:11:00,880 --> 00:10:59,210  
lot of weird phobias claustrophobia I

212  
00:11:04,060 --> 00:11:00,890  
can't stand to be held down you know

213  
00:11:09,820 --> 00:11:04,070

stuff like that today I have a thing

214

00:11:13,120 --> 00:11:09,830

called Sam hmm now when you were

215

00:11:15,940 --> 00:11:13,130

levitated into this room and I know you

216

00:11:17,440 --> 00:11:15,950

know it was terrifying because you know

217

00:11:19,600 --> 00:11:17,450

obviously you're probably trying to

218

00:11:22,690 --> 00:11:19,610

figure out what the heck's going on and

219

00:11:26,020 --> 00:11:22,700

what are these creatures or that you

220

00:11:30,130 --> 00:11:26,030

know this seems to be beings and but

221

00:11:31,960 --> 00:11:30,140

what did they do then I know there was a

222

00:11:33,550 --> 00:11:31,970

point where you would just pass out but

223

00:11:37,570 --> 00:11:33,560

what would be like what what you could

224

00:11:39,670 --> 00:11:37,580

remember before passing out yeah i was

225

00:11:42,310 --> 00:11:39,680

thinking about that as our thinking

226

00:11:45,700 --> 00:11:42,320

about the show and I remember something

227

00:11:50,200 --> 00:11:45,710

that's so desperate I remember laying

228

00:11:54,190 --> 00:11:50,210

there and thinking this is so painful

229

00:11:55,870 --> 00:11:54,200

that I think you know what I want to

230

00:11:58,240 --> 00:11:55,880

leave my body I remember thinking that

231

00:12:00,520 --> 00:11:58,250

and it was really disturbing to remember

232

00:12:02,950 --> 00:12:00,530

this that whatever was happening was

233

00:12:05,800 --> 00:12:02,960

extremely painful to me plus I couldn't

234

00:12:09,040 --> 00:12:05,810

stand them and plus it was against my

235

00:12:12,400 --> 00:12:09,050

will I was struggling all the time you

236

00:12:15,010 --> 00:12:12,410

know I and still you know you know for

237

00:12:16,720 --> 00:12:15,020

my whole life just fighting just I feel

238

00:12:19,390 --> 00:12:16,730

like they're kidnappers they come

239

00:12:20,710 --> 00:12:19,400

tonight or sometimes in the day and they

240

00:12:23,080 --> 00:12:20,720

just take you and they do what you want

241

00:12:23,420 --> 00:12:23,090

on you know how to tell over them and I

242

00:12:28,660 --> 00:12:23,430

don't

243

00:12:33,710 --> 00:12:28,670

like a peace love feeling about them I

244

00:12:36,200 --> 00:12:33,720

feel like they they are taking all to

245

00:12:38,030 --> 00:12:36,210

what you feel what you think you know

246

00:12:39,110 --> 00:12:38,040

that you may think you're looking at for

247

00:12:41,180 --> 00:12:39,120

one thing that you're actually looking

248

00:12:44,060 --> 00:12:41,190

at something else and they you know I've

249

00:12:46,040 --> 00:12:44,070

had many abductions with other people

250

00:12:49,010 --> 00:12:46,050

you know if I'm not the only one and

251

00:12:51,650 --> 00:12:49,020

we're seeing the same thing yeah that's

252

00:12:55,610 --> 00:12:51,660

what's really interesting is you know

253

00:12:58,310 --> 00:12:55,620

because you know you could say oh it was

254

00:13:03,110 --> 00:12:58,320

a loose nation it was a dream it was

255

00:13:05,769 --> 00:13:03,120

this it was that but if someone else is

256

00:13:08,980 --> 00:13:05,779

able to corroborate things independently

257

00:13:13,519 --> 00:13:08,990

then obviously it was a real experience

258

00:13:15,500 --> 00:13:13,529

and I know you had some experiences I

259

00:13:19,730 --> 00:13:15,510

know there was an experience where you

260

00:13:22,670 --> 00:13:19,740

saw your father on the craft and there

261

00:13:26,000 --> 00:13:22,680

yeah that hurt because look at this is

262

00:13:27,890 --> 00:13:26,010

what effort it's because you know I was

263

00:13:29,960 --> 00:13:27,900

there and I was being abducted and bad

264

00:13:32,570 --> 00:13:29,970

things were happening to me I don't

265

00:13:34,699 --> 00:13:32,580

remember things happening to my sisters

266

00:13:37,400 --> 00:13:34,709

and they've never talked to me about

267

00:13:39,500 --> 00:13:37,410

that we have had problems with our

268

00:13:41,300 --> 00:13:39,510

clothes being inside out and coming back

269

00:13:43,699 --> 00:13:41,310

with no clothes and stuff like that we

270

00:13:46,760 --> 00:13:43,709

do know that so we thought we are being

271

00:13:48,710 --> 00:13:46,770

molested for all the time and we would

272

00:13:50,780 --> 00:13:48,720

talk about it think what happened up you

273

00:13:52,970 --> 00:13:50,790

know what I we come back to building

274

00:13:55,579 --> 00:13:52,980

opposite direction that we were in

275

00:13:58,280 --> 00:13:55,589

clothes inside out you know we had

276

00:14:01,160 --> 00:13:58,290

problems so we thought we were being

277

00:14:04,220 --> 00:14:01,170

abducted in other words you know so

278

00:14:06,860 --> 00:14:04,230

we're confused but one time I was there

279

00:14:08,360 --> 00:14:06,870

and I turn around because you know have

280

00:14:10,670 --> 00:14:08,370

an immediate fighter flight when they

281

00:14:13,130 --> 00:14:10,680

took me up there it's his round ship

282

00:14:15,680 --> 00:14:13,140

immediately I run around so I noticed

283

00:14:17,269 --> 00:14:15,690

quite an irrational most of time but I

284

00:14:19,579 --> 00:14:17,279

look turn around and it was my dad

285

00:14:22,730 --> 00:14:19,589

sitting on the ledge Mike remember what

286

00:14:27,900 --> 00:14:22,740

he's wearing and he had had a sit-down

287

00:14:30,610 --> 00:14:27,910

handers oh you know like a look of

288

00:14:32,590 --> 00:14:30,620

being extremely upset and not wanting to

289

00:14:35,380 --> 00:14:32,600

look around and I looked at him and I

290

00:14:37,450 --> 00:14:35,390

thought oh my god dad my father what

291

00:14:40,750 --> 00:14:37,460

else do I have the theme i had was the

292

00:14:42,490 --> 00:14:40,760

lion you know he was everything and the

293

00:14:44,350 --> 00:14:42,500

king and then looking at sitting there

294

00:14:46,600 --> 00:14:44,360

he looked very frightened I couldn't see

295

00:14:48,820 --> 00:14:46,610

his face but wait is holding his

296

00:14:52,300 --> 00:14:48,830

covering his face and the other hand in

297

00:14:54,400 --> 00:14:52,310

this air he was scared I know I think we

298

00:14:57,010 --> 00:14:54,410

know when we're children a lot of times

299

00:14:59,290 --> 00:14:57,020

you know her dad seems larger than life

300

00:15:02,560 --> 00:14:59,300

and like he could do anything and take

301

00:15:05,890 --> 00:15:02,570

care of any situation and protect us in

302

00:15:10,330 --> 00:15:05,900

any way and then when you see a your dad

303

00:15:12,490 --> 00:15:10,340

in a really vulnerable yeah stance it's

304

00:15:15,760 --> 00:15:12,500

like that is scary because you're

305

00:15:19,630 --> 00:15:15,770

thinking oh my god if he's scared you

306

00:15:23,470 --> 00:15:19,640

know then I should be terrified yes

307

00:15:26,680 --> 00:15:23,480

that's exactly what oh yeah now when you

308

00:15:29,560 --> 00:15:26,690

said that you know you would become so

309

00:15:31,990 --> 00:15:29,570

frightened that you would either pass

310

00:15:34,270 --> 00:15:32,000

out or maybe sort of almost dissociate

311

00:15:36,730 --> 00:15:34,280

because you said you want to just get

312

00:15:39,550 --> 00:15:36,740

out of there but and you said that you

313

00:15:42,580 --> 00:15:39,560

would remember that you started to feel

314

00:15:46,180 --> 00:15:42,590

some pain do you remember where that

315

00:15:49,470 --> 00:15:46,190

painting on your body was and in what

316

00:15:55,000 --> 00:15:49,480

you think it might have been coming from

317

00:15:59,050 --> 00:15:55,010

well it was a long lines of I have a

318

00:16:01,780 --> 00:15:59,060

very hard time with it so I don't have I

319

00:16:04,840 --> 00:16:01,790

can't tell you what objects they had or

320

00:16:08,100 --> 00:16:04,850

what they were doing but they were doing

321

00:16:11,410 --> 00:16:08,110

things to me biologically and physically

322

00:16:14,800 --> 00:16:11,420

and they had we had done that too and

323

00:16:17,920 --> 00:16:14,810

but I don't see I've only seen an

324

00:16:23,050 --> 00:16:17,930

instrument of an adult when I thought I

325

00:16:25,750 --> 00:16:23,060

saw along like a pointer with a black

326

00:16:27,880 --> 00:16:25,760

pointer but it was where was in the

327

00:16:30,960 --> 00:16:27,890

zapper like it could zap you with a

328

00:16:33,700 --> 00:16:30,970

point of this thing it was really sharp

329

00:16:39,720 --> 00:16:33,710

but that's as an adult as a kid I

330

00:16:43,150 --> 00:16:39,730

couldn't stand looking at it hmm yeah

331

00:16:45,700 --> 00:16:43,160

now you know I've got people in a chat

332

00:16:49,390 --> 00:16:45,710

room you know asking questions this one

333

00:16:53,440 --> 00:16:49,400

I got a couple but I just got one from

334

00:16:56,410 --> 00:16:53,450

neutron in the chat room and he says do

335

00:17:00,130 --> 00:16:56,420

you ever remember seeing your body from

336

00:17:02,940 --> 00:17:00,140

above during the abduction experience

337

00:17:08,020 --> 00:17:02,950

like you know an out-of-body experience

338

00:17:11,740 --> 00:17:08,030

well that's a good question um no but I

339

00:17:13,720 --> 00:17:11,750

know people that have but i have had now

340

00:17:15,880 --> 00:17:13,730

in the mystical side of faith I've had

341

00:17:20,640 --> 00:17:15,890

many religious experience since I was a

342

00:17:23,140 --> 00:17:20,650

kid too so I would have even as as

343

00:17:27,010 --> 00:17:23,150

recent as a month ago at a body

344

00:17:28,900 --> 00:17:27,020

experience we're more like i neva had

345

00:17:32,650 --> 00:17:28,910

life after death experience will stretch

346

00:17:35,620 --> 00:17:32,660

out west so i have done that but that

347

00:17:38,860 --> 00:17:35,630

was more religious experiences or birth

348

00:17:41,370 --> 00:17:38,870

certif adidas panic many times do you

349

00:17:44,530 --> 00:17:41,380

think there could have been a connection

350

00:17:49,510 --> 00:17:44,540

with all these ideas and i know i don't

351

00:17:51,660 --> 00:17:49,520

put her I know I don't I Renee I really

352

00:17:54,250 --> 00:17:51,670

do understand that part of it because I

353

00:17:58,210 --> 00:17:54,260

don't put them together I put them like

354

00:18:00,880 --> 00:17:58,220

in spite of knowing me in spite of what

355

00:18:02,500 --> 00:18:00,890

kinda bad things that happening now I

356

00:18:04,870 --> 00:18:02,510

don't think they can't be separatist

357

00:18:07,420 --> 00:18:04,880

it's because they're after different

358

00:18:09,520 --> 00:18:07,430

people for a reason and I think some

359

00:18:13,600 --> 00:18:09,530

people have psychic i have like a

360

00:18:17,050 --> 00:18:13,610

natural psychic gifts and part of it is

361

00:18:19,720 --> 00:18:17,060

like remote viewing and I actually can

362

00:18:21,690 --> 00:18:19,730

go places where people need me I can go

363

00:18:24,670 --> 00:18:21,700

and be there people have seen you there

364

00:18:28,060 --> 00:18:24,680

um you know I just there doesn't matter

365

00:18:31,330 --> 00:18:28,070

how far they're away they are I can

366

00:18:34,360 --> 00:18:31,340

still help you know a sister some very

367

00:18:36,220 --> 00:18:34,370

strange things that happen now you know

368

00:18:38,020 --> 00:18:36,230

I was thinking about that earlier today

369

00:18:41,560 --> 00:18:38,030

too because I know you do have that

370

00:18:43,660 --> 00:18:41,570

background in those abilities and I was

371

00:18:48,460 --> 00:18:43,670

also wondering if that has something to

372

00:18:52,330 --> 00:18:48,470

do with your connection to the ETS okay

373

00:18:52,989 --> 00:18:52,340

we know what I think that um this is

374

00:18:55,269 --> 00:18:52,999

what I think

375

00:18:59,079 --> 00:18:55,279

they want and they had my mother saw

376

00:19:01,569 --> 00:18:59,089

some UFOs flying in formation she was in

377

00:19:05,259 --> 00:19:01,579

upstate New York and park so she'd be

378

00:19:13,029 --> 00:19:05,269

into kid seat in a park and she saw she

379

00:19:15,129 --> 00:19:13,039

said oh between 1015 maybe white uh jet

380

00:19:17,949 --> 00:19:15,139

like but their UFO shows she found

381

00:19:19,959 --> 00:19:17,959

flying in formation and of course I was

382

00:19:22,389 --> 00:19:19,969

born you know when they were going oh I

383

00:19:24,309 --> 00:19:22,399

was born in July 1352 when they were

384

00:19:27,279 --> 00:19:24,319

actually flying over the White House by

385

00:19:30,969 --> 00:19:27,289

men and so it's kind of strange that

386

00:19:33,039 --> 00:19:30,979

I've always been aware of this stuff

387

00:19:36,339 --> 00:19:33,049

around you know so but there's a lot of

388

00:19:38,379 --> 00:19:36,349

coincidences you know that are even

389

00:19:41,559 --> 00:19:38,389

cropping up to this day about the full

390

00:19:45,939 --> 00:19:41,569

thing but I think for me I think they

391

00:19:49,809 --> 00:19:45,949

are taking DNA I'd be pregnant others

392

00:19:52,269 --> 00:19:49,819

will I feel okay so I I I know I've been

393

00:19:55,169 --> 00:19:52,279

pregnant many times and then the

394

00:20:00,219 --> 00:19:55,179

pregnancy disappears and stuff like that

395

00:20:03,039 --> 00:20:00,229

then that happened and me and another

396

00:20:05,199 --> 00:20:03,049

man Jesse long we've discussed it that

397

00:20:08,259 --> 00:20:05,209

we have many babies I call it babies in

398

00:20:11,979 --> 00:20:08,269

space so because if I goodbye I know

399

00:20:14,079 --> 00:20:11,989

Jesse long yeah just long so oh my gosh

400

00:20:17,409 --> 00:20:14,089

meaning that we have discussed it

401  
00:20:19,569 --> 00:20:17,419  
because we for many many many years I'm

402  
00:20:22,389 --> 00:20:19,579  
telling you me until recently Iowa's

403  
00:20:25,839 --> 00:20:22,399  
morning my baby has whatever children

404  
00:20:27,459 --> 00:20:25,849  
they took or age they cook they showed

405  
00:20:30,699 --> 00:20:27,469  
me the kids once a while if I know I

406  
00:20:35,259 --> 00:20:30,709  
have many of the many Jesse says I think

407  
00:20:38,709 --> 00:20:35,269  
35 he has 35 I have probably 250 that's

408  
00:20:41,739 --> 00:20:38,719  
how council outlandish I know everybody

409  
00:20:44,469 --> 00:20:41,749  
lavish yourself but that's what my

410  
00:20:47,199 --> 00:20:44,479  
calculation is and me and somebody else

411  
00:20:50,259 --> 00:20:47,209  
figured out like if a woman isn't in her

412  
00:20:53,219 --> 00:20:50,269  
birthing stage I could easily be

413  
00:20:56,559 --> 00:20:53,229

pregnant so many times in my lifetime

414

00:21:02,309 --> 00:20:56,569

right or are you really pregnant Ordaz

415

00:21:04,980 --> 00:21:02,319

they just take the egg a pregnant hmm

416

00:21:08,520 --> 00:21:04,990

interesting interesting

417

00:21:12,120 --> 00:21:08,530

out there was something i don't want to

418

00:21:15,510 --> 00:21:12,130

miss this question Oh bill in New York

419

00:21:20,100 --> 00:21:15,520

says you know have you ever had hypnotic

420

00:21:23,280 --> 00:21:20,110

regression therapy if you did you see

421

00:21:25,919 --> 00:21:23,290

tried but I'm i just used it for a

422

00:21:28,650 --> 00:21:25,929

relaxation because i appear not to be

423

00:21:32,280 --> 00:21:28,660

suggestible i don't know what that means

424

00:21:37,080 --> 00:21:32,290

but i don't i don't go under so oh i

425

00:21:39,150 --> 00:21:37,090

wanted i want to i show up but i've done

426

00:21:41,760 --> 00:21:39,160

it and yes I don't do it I'm not gonna

427

00:21:45,330 --> 00:21:41,770

pretend something is not you know I've

428

00:21:48,510 --> 00:21:45,340

said a because there's many great great

429

00:21:51,390 --> 00:21:48,520

people out there and I think that it

430

00:21:54,390 --> 00:21:51,400

really really works you know for me I

431

00:21:57,750 --> 00:21:54,400

don't do it doesn't do anything and I'm

432

00:22:00,810 --> 00:21:57,760

not blocking I feel very comfortable you

433

00:22:04,560 --> 00:22:00,820

know I'm just not being I'm not regress

434

00:22:09,840 --> 00:22:04,570

anywhere so here I'm going to try again

435

00:22:11,640 --> 00:22:09,850

I think I really think people should i

436

00:22:13,830 --> 00:22:11,650

think really people should to do

437

00:22:18,450 --> 00:22:13,840

initially go to compare apini regression

438

00:22:20,310 --> 00:22:18,460

the what I did was a this is how i met

439

00:22:24,480 --> 00:22:20,320

you launch the SS cyril through

440

00:22:28,620 --> 00:22:24,490

international is that I me and my best

441

00:22:31,620 --> 00:22:28,630

friend who now there's a she work for

442

00:22:33,210 --> 00:22:31,630

satellite was to history by NASA on how

443

00:22:37,320 --> 00:22:33,220

we ended up the only me and believed in

444

00:22:39,180 --> 00:22:37,330

France for 40 years off but we were

445

00:22:40,980 --> 00:22:39,190

actually going down the freeway at four

446

00:22:45,540 --> 00:22:40,990

or five towards long beach and I know if

447

00:22:49,560 --> 00:22:45,550

you know that area and we saw UFO easter

448

00:22:52,230 --> 00:22:49,570

also UFO and then after that we saw it

449

00:22:54,090 --> 00:22:52,240

we realized we've been having abductions

450

00:22:56,190 --> 00:22:54,100

the whole time because we would we

451  
00:22:59,490 --> 00:22:56,200  
blamed it on tequila we did because we

452  
00:23:01,200 --> 00:22:59,500  
were out partying in the 80s or 70 and

453  
00:23:02,910 --> 00:23:01,210  
80 and you have platform shoes and be

454  
00:23:05,340 --> 00:23:02,920  
here we go out fine but there always

455  
00:23:07,950 --> 00:23:05,350  
something odd what happened to us you

456  
00:23:11,490 --> 00:23:07,960  
know either psychic phenomena hi how

457  
00:23:13,049 --> 00:23:11,500  
strange odd things here I mean we

458  
00:23:15,390 --> 00:23:13,059  
wrapping all times but we always said

459  
00:23:18,000 --> 00:23:15,400  
well you know we talked about it but

460  
00:23:18,659 --> 00:23:18,010  
after we saw the UFO we realized that we

461  
00:23:20,430 --> 00:23:18,669  
had

462  
00:23:24,960 --> 00:23:20,440  
been abducted together the whole time

463  
00:23:30,930 --> 00:23:24,970

and that was the strange of thing that

464

00:23:33,049 --> 00:23:30,940

was happening yeah yeah now when you

465

00:23:36,629 --> 00:23:33,059

know we've got a lot of interest from

466

00:23:40,039 --> 00:23:36,639

the chat room and listeners about these

467

00:23:44,669 --> 00:23:40,049

babies here great about the babies and

468

00:23:48,960 --> 00:23:44,679

and they were wondering whether or not

469

00:23:51,269 --> 00:23:48,970

you've ever been shown these these

470

00:23:56,849 --> 00:23:51,279

babies or had any interaction with the

471

00:23:59,759 --> 00:23:56,859

babies yes um yes i have another shown

472

00:24:02,669 --> 00:23:59,769

many of them but some stick out in my

473

00:24:06,479 --> 00:24:02,679

mind that you know you know together

474

00:24:10,169 --> 00:24:06,489

realizes um these beings or whatever

475

00:24:12,299 --> 00:24:10,179

they are are pretty phenomenal at doing

476

00:24:14,580 --> 00:24:12,309

you know getting you to do what they

477

00:24:17,460 --> 00:24:14,590

want to do and stuff like that meaning

478

00:24:19,560 --> 00:24:17,470

people will say I saw a gray or I saw

479

00:24:21,149 --> 00:24:19,570

Nordic or I saw you know and I don't

480

00:24:23,430 --> 00:24:21,159

kind of agree with it because to me I

481

00:24:25,919 --> 00:24:23,440

saw debut blond hair and blue eyes it

482

00:24:28,680 --> 00:24:25,929

was my baby you know I didn't look odd

483

00:24:30,659 --> 00:24:28,690

to me look like a little boy so but they

484

00:24:34,470 --> 00:24:30,669

would bring me to the little boy or vice

485

00:24:36,599 --> 00:24:34,480

versa and I can remember one time he had

486

00:24:39,200 --> 00:24:36,609

his books with them and they said he was

487

00:24:42,060 --> 00:24:39,210

having a hard time adjusting to them and

488

00:24:44,930 --> 00:24:42,070

so I went to I was with him and I was

489

00:24:49,739 --> 00:24:44,940

sitting with him and we were talking and

490

00:24:51,509 --> 00:24:49,749

he was a very good person and I could

491

00:24:53,940 --> 00:24:51,519

tell he was really intelligent and he

492

00:24:56,789 --> 00:24:53,950

really wanted to do his best efforts for

493

00:24:58,289 --> 00:24:56,799

them for you know they were raising them

494

00:24:59,489 --> 00:24:58,299

and he wanted to do the best he could

495

00:25:02,159 --> 00:24:59,499

it's not like you wanted to come back

496

00:25:04,619 --> 00:25:02,169

with me you know he just wanted to be a

497

00:25:06,239 --> 00:25:04,629

better whoever he was and he was going

498

00:25:09,570 --> 00:25:06,249

to do that but he was at a hard time

499

00:25:12,269 --> 00:25:09,580

relating to them so they now have very

500

00:25:15,299 --> 00:25:12,279

many emotions of heat sucks that's it

501  
00:25:20,789 --> 00:25:15,309  
because they're very intellectual and

502  
00:25:23,549 --> 00:25:20,799  
also to let telepathic now you you said

503  
00:25:25,320 --> 00:25:23,559  
you know when you saw one of the one of

504  
00:25:29,369 --> 00:25:25,330  
these children that has been that had

505  
00:25:30,839 --> 00:25:29,379  
been presented to you as yours did you

506  
00:25:32,700 --> 00:25:30,849  
say that it looked just like a little

507  
00:25:35,909 --> 00:25:32,710  
boy look a little

508  
00:25:39,750 --> 00:25:35,919  
onto his boy very good looking very

509  
00:25:43,560 --> 00:25:39,760  
handsome that I saw one like I seen a

510  
00:25:46,649 --> 00:25:43,570  
lot of babies and one time though it was

511  
00:25:49,409 --> 00:25:46,659  
a baby it looked like a almost like a

512  
00:25:52,260 --> 00:25:49,419  
rubber dolly you know the other one of

513  
00:25:55,409 --> 00:25:52,270

the rubber dollies are the rubbery ones

514

00:25:58,700 --> 00:25:55,419

yeah I didn't I was kind of worried and

515

00:26:00,930 --> 00:25:58,710

I for a little bit big but not like a

516

00:26:03,990 --> 00:26:00,940

portrayed there was a little bit bigger

517

00:26:07,350 --> 00:26:04,000

eyes but I went up for they handed them

518

00:26:11,669 --> 00:26:07,360

out to me and I put my hands on this

519

00:26:14,490 --> 00:26:11,679

baby and this baby was afraid of me and

520

00:26:16,950 --> 00:26:14,500

it twisted awake a mint a little insert

521

00:26:20,010 --> 00:26:16,960

with muscles and strong into a

522

00:26:22,220 --> 00:26:20,020

stimulation it freaked me out I mean

523

00:26:25,260 --> 00:26:22,230

that still gives me the willies Tuesday

524

00:26:27,779 --> 00:26:25,270

so you know I had a horrible four or

525

00:26:29,669 --> 00:26:27,789

five reaction but you know then

526

00:26:32,130 --> 00:26:29,679

something happened recently they show me

527

00:26:35,549 --> 00:26:32,140

they kicked me to this house so but so

528

00:26:38,070 --> 00:26:35,559

odd is that I have a house that I live

529

00:26:40,769 --> 00:26:38,080

in another house okay in my best friend

530

00:26:43,200 --> 00:26:40,779

just started discussing there when we

531

00:26:45,360 --> 00:26:43,210

cut they come to see me when my best

532

00:26:48,570 --> 00:26:45,370

friend come to see me I'm at a different

533

00:26:49,919 --> 00:26:48,580

house you know so I think that we're

534

00:26:51,779 --> 00:26:49,929

being brought to another house and I

535

00:26:53,970 --> 00:26:51,789

recognize it as my house and sort of G

536

00:26:56,070 --> 00:26:53,980

so it's weird but they had mode of my

537

00:27:00,149 --> 00:26:56,080

son's there and he was tall thin with

538

00:27:01,769 --> 00:27:00,159

dark hair and I looked at him and I just

539

00:27:05,460 --> 00:27:01,779

reject and I'm i said what does he need

540

00:27:07,380 --> 00:27:05,470

me for and i forgot i thought they were

541

00:27:10,080 --> 00:27:07,390

done with me because he's I'm older now

542

00:27:11,940 --> 00:27:10,090

anything right I don't have to use any

543

00:27:14,340 --> 00:27:11,950

more I thought they were done with me so

544

00:27:16,440 --> 00:27:14,350

I kind of I'm having his experiences

545

00:27:18,840 --> 00:27:16,450

like i compartmentalize it you know i

546

00:27:21,090 --> 00:27:18,850

mean yeah i don't think you like what

547

00:27:24,450 --> 00:27:21,100

didn't you need for I feel so bad when I

548

00:27:26,340 --> 00:27:24,460

woke up for the look on his face mm I

549

00:27:29,430 --> 00:27:26,350

need a kid with mine you know he's

550

00:27:30,840 --> 00:27:29,440

really tall dark to care I knew he was

551  
00:27:33,299 --> 00:27:30,850  
mine but I thought what do you need me

552  
00:27:35,850 --> 00:27:33,309  
for you already grown up in about 24 I

553  
00:27:38,760 --> 00:27:35,860  
didn't think I shall regret when I woke

554  
00:27:40,230 --> 00:27:38,770  
up son does not do that anymore no no

555  
00:27:42,529 --> 00:27:40,240  
because this is like living two

556  
00:27:45,450 --> 00:27:42,539  
different lives it's very odd to me that

557  
00:27:46,080 --> 00:27:45,460  
is that that's really really strange

558  
00:27:49,769 --> 00:27:46,090  
we're

559  
00:27:53,279 --> 00:27:49,779  
have to go to break in just a quick

560  
00:27:57,930 --> 00:27:53,289  
minute here and when we come back I'd

561  
00:28:01,799 --> 00:27:57,940  
like to find out if you know how this

562  
00:28:03,510 --> 00:28:01,809  
impregnation process went and you know

563  
00:28:06,799 --> 00:28:03,520

it seems like there you said you had a

564

00:28:10,260 --> 00:28:06,809

little towhead boy and then you have a

565

00:28:13,549 --> 00:28:10,270

dark-haired son so it sounds to me like

566

00:28:16,620 --> 00:28:13,559

you know they may be were from different

567

00:28:18,510 --> 00:28:16,630

alien fathers if that's the case but

568

00:28:21,750 --> 00:28:18,520

we'll we'll talk about that when I'm

569

00:28:23,370 --> 00:28:21,760

baby mama yeah you're the baby mama so

570

00:28:26,100 --> 00:28:23,380

we're going to talk about the debate

571

00:28:27,990 --> 00:28:26,110

amanha when we get back from this breaks

632  
00:32:37,640 --> 00:32:34,410  
portion of the show we're talking with

633  
00:32:40,010 --> 00:32:37,650  
Charlene McCain about her alien

634  
00:32:44,710 --> 00:32:40,020  
abduction experiences which she has been

635  
00:32:47,540 --> 00:32:44,720  
having throughout her life about

636  
00:32:51,080 --> 00:32:47,550  
reproducing alien babies or I guess they

637  
00:32:54,320 --> 00:32:51,090  
would be hybrid children she says many

638  
00:32:56,990 --> 00:32:54,330

many and she suspects up to even 250

639

00:33:00,980 --> 00:32:57,000

that she might have out there in outer

640

00:33:02,510 --> 00:33:00,990

space and sure I was asking you before

641

00:33:04,120 --> 00:33:02,520

the breaker I brought up before the

642

00:33:06,530 --> 00:33:04,130

break you know that these children

643

00:33:08,420 --> 00:33:06,540

didn't all seem to look exactly alike

644

00:33:13,310 --> 00:33:08,430

you know a lot of times when you see

645

00:33:14,870 --> 00:33:13,320

pictures of ETS or even ET babies it

646

00:33:17,080 --> 00:33:14,880

seems like they're all sort of cookie

647

00:33:21,140 --> 00:33:17,090

cutter like they all look exactly alike

648

00:33:22,850 --> 00:33:21,150

but you know clearly you clearly had you

649

00:33:25,340 --> 00:33:22,860

know some different looking children

650

00:33:29,690 --> 00:33:25,350

which makes me think maybe there was

651  
00:33:32,960 --> 00:33:29,700  
different dads now did you and and we

652  
00:33:35,570 --> 00:33:32,970  
were also talking about you know the

653  
00:33:38,120 --> 00:33:35,580  
pregnancies and were you really pregnant

654  
00:33:40,820 --> 00:33:38,130  
or were they just harvesting eggs from

655  
00:33:42,950 --> 00:33:40,830  
you and you said no I was pregnant so do

656  
00:33:45,140 --> 00:33:42,960  
you remember anything about the process

657  
00:33:50,210 --> 00:33:45,150  
and did it happen in a natural way or

658  
00:33:54,320 --> 00:33:50,220  
was it like an artificial insemination I

659  
00:33:57,440 --> 00:33:54,330  
think uh yeah t three ways far away and

660  
00:34:03,310 --> 00:33:57,450  
they probably did harvest eggs and

661  
00:34:07,190 --> 00:34:03,320  
sometimes there were sex involved and I

662  
00:34:09,350 --> 00:34:07,200  
really don't like the awareness now that

663  
00:34:15,470 --> 00:34:09,360

i have a non baby mama I just really

664

00:34:17,210 --> 00:34:15,480

have said anything it's just it's a

665

00:34:22,310 --> 00:34:17,220

shock me but it's true they take people

666

00:34:25,550 --> 00:34:22,320

for a certain reason and sometimes they

667

00:34:28,250 --> 00:34:25,560

have like a high just don't want my

668

00:34:31,430 --> 00:34:28,260

children I have grown children and also

669

00:34:34,909 --> 00:34:31,440

almost grown grandchildren but you know

670

00:34:35,690 --> 00:34:34,919

there is a sexual component sometimes we

671

00:34:39,470 --> 00:34:35,700

all

672

00:34:40,940 --> 00:34:39,480

pollito you in put it I was in say it

673

00:34:43,399 --> 00:34:40,950

was interesting that you should say that

674

00:34:45,319 --> 00:34:43,409

because uh also in the chat room I

675

00:34:47,470 --> 00:34:45,329

didn't even read the question before I

676  
00:34:50,780 --> 00:34:47,480  
just asked you what I just asked you but

677  
00:34:53,270 --> 00:34:50,790  
analog in the in the chat room was also

678  
00:34:55,579 --> 00:34:53,280  
asking that question about the process

679  
00:34:57,680 --> 00:34:55,589  
and said you know feel pardon the

680  
00:35:04,780 --> 00:34:57,690  
question do you ever remember anything

681  
00:35:06,829 --> 00:35:04,790  
pleasurable about it yes well you know

682  
00:35:08,960 --> 00:35:06,839  
since they're doing in many different

683  
00:35:11,359 --> 00:35:08,970  
ways and what's a while I guess they

684  
00:35:14,839 --> 00:35:11,369  
want to do it naturally but it would be

685  
00:35:17,180 --> 00:35:14,849  
what I would proceed a human you know

686  
00:35:19,579 --> 00:35:17,190  
and that's what the dream I would be in

687  
00:35:24,650 --> 00:35:19,589  
a dream and I would proceed in a human

688  
00:35:27,859 --> 00:35:24,660

but something happened with me and a

689

00:35:32,349 --> 00:35:27,869

couple members of zero that we start

690

00:35:35,000 --> 00:35:32,359

having very intense erotic dreams and I

691

00:35:37,160 --> 00:35:35,010

finally got so fed up with this whole

692

00:35:40,069 --> 00:35:37,170

for their kids at throwing different

693

00:35:41,900 --> 00:35:40,079

scenarios at me and us doesn't like

694

00:35:45,530 --> 00:35:41,910

those three of the seven st. odds were

695

00:35:47,839 --> 00:35:45,540

talking about it and so was it wasn't my

696

00:35:49,309 --> 00:35:47,849

cup of tea i would say that i would say

697

00:35:52,130 --> 00:35:49,319

that even during the dream i think you

698

00:35:54,589 --> 00:35:52,140

know this isn't my preference so I'm

699

00:35:56,569 --> 00:35:54,599

saying to you now know and then they

700

00:35:59,569 --> 00:35:56,579

would kind of go into shock and stop

701  
00:36:01,910 --> 00:35:59,579  
whatever they're doing and then it would

702  
00:36:04,970 --> 00:36:01,920  
be very like erotic and stuff like that

703  
00:36:07,790 --> 00:36:04,980  
I actually had to ask God to intervene

704  
00:36:09,920 --> 00:36:07,800  
and that's what I did I started saying

705  
00:36:11,770 --> 00:36:09,930  
my prayers and after the Blessed Mother

706  
00:36:14,750 --> 00:36:11,780  
to health and stop it and it did stop

707  
00:36:16,130 --> 00:36:14,760  
because I felt like I was being dragged

708  
00:36:18,319 --> 00:36:16,140  
somewhere I didn't want to go because

709  
00:36:23,180 --> 00:36:18,329  
the scenarios were not work right there

710  
00:36:26,450 --> 00:36:23,190  
weren't nice I like it yeah you said

711  
00:36:29,089 --> 00:36:26,460  
they look like men you know like human

712  
00:36:32,569 --> 00:36:29,099  
men to you do you feel like that was

713  
00:36:34,309 --> 00:36:32,579

sort of like just a screen maybe I knew

714

00:36:37,160 --> 00:36:34,319

it was a screening at the time because

715

00:36:42,020 --> 00:36:37,170

they would smell funny mmm it would like

716

00:36:43,910 --> 00:36:42,030

like at times like how to describe you

717

00:36:45,349 --> 00:36:43,920

really been a bus station a lot of buses

718

00:36:48,770 --> 00:36:45,359

are taken off and I have all that

719

00:36:49,880 --> 00:36:48,780

exhaust smell mm-hmm that wet cardboard

720

00:36:52,520 --> 00:36:49,890

and

721

00:36:54,110 --> 00:36:52,530

you know that's what kind of cute me to

722

00:36:57,050 --> 00:36:54,120

this isn't it what's really what I

723

00:37:00,320 --> 00:36:57,060

really think it is no no it's like

724

00:37:03,020 --> 00:37:00,330

you're always in a state of this real or

725

00:37:05,650 --> 00:37:03,030

memorex you know if I have you know

726

00:37:09,170 --> 00:37:05,660

treat disorders insulted because of us

727

00:37:11,060 --> 00:37:09,180

you know I I am like diligent and I

728

00:37:13,700 --> 00:37:11,070

don't like it because I never sleep more

729

00:37:15,650 --> 00:37:13,710

than two hours in a row you know and

730

00:37:18,830 --> 00:37:15,660

it's that's really hard on me today

731

00:37:22,000 --> 00:37:18,840

because there's still stuff going on but

732

00:37:28,550 --> 00:37:22,010

for different reasons I guess yeah yeah

733

00:37:32,120 --> 00:37:28,560

now so in do you did you ever see what

734

00:37:34,280 --> 00:37:32,130

these guys actually look like that you

735

00:37:37,310 --> 00:37:34,290

know ultimately became the fathers of

736

00:37:39,620 --> 00:37:37,320

your children it for this this I cannot

737

00:37:43,610 --> 00:37:39,630

say that I've seen what they look like

738

00:37:48,050 --> 00:37:43,620

but I've seen many different beings at

739

00:37:54,050 --> 00:37:48,060

one time I've thought I was looking at a

740

00:37:55,610 --> 00:37:54,060

Gandhi one time so they all Gandhi was

741

00:37:58,220 --> 00:37:55,620

like a skinny little guy right in a

742

00:37:59,690 --> 00:37:58,230

little brown guy yeah like you made out

743

00:38:02,660 --> 00:37:59,700

of leather and I was remember i'm

744

00:38:04,460 --> 00:38:02,670

staring at him and he's coming towards

745

00:38:07,010 --> 00:38:04,470

me so that's when I panic because they

746

00:38:09,140 --> 00:38:07,020

walk funny there's something about their

747

00:38:11,360 --> 00:38:09,150

mannerisms that are so odd to me to it

748

00:38:13,940 --> 00:38:11,370

it crawls and like the back of your mind

749

00:38:15,260 --> 00:38:13,950

almost like watching a spider you know

750

00:38:16,700 --> 00:38:15,270

the other thing you look at something

751

00:38:19,250 --> 00:38:16,710

all the friend you kind of slipped and

752

00:38:23,240 --> 00:38:19,260

that I do a lot of panicking because

753

00:38:25,010 --> 00:38:23,250

what I'm seeing but I have that psychic

754

00:38:26,480 --> 00:38:25,020

sense where I know what I'm looking at

755

00:38:28,370 --> 00:38:26,490

if not what I'm words really there

756

00:38:31,040 --> 00:38:28,380

there's something else is [h\_\_h]

757

00:38:33,200 --> 00:38:31,050

towards me and I earn my instincts know

758

00:38:35,780 --> 00:38:33,210

that so I've seen if something looks

759

00:38:38,360 --> 00:38:35,790

like Gandhi I've seen something that

760

00:38:40,550 --> 00:38:38,370

looks like ants but they're only three

761

00:38:42,290 --> 00:38:40,560

or four feet tall and I've seen

762

00:38:48,200 --> 00:38:42,300

something look like a plane aunt and a

763

00:38:49,790 --> 00:38:48,210

soldier ant very orange tall soldier

764

00:38:51,680 --> 00:38:49,800

looking at you don't have the big heads

765

00:38:53,150 --> 00:38:51,690

and the you know how they I don't know

766

00:38:57,350 --> 00:38:53,160

if people are gonna be sold your hands

767

00:38:59,120 --> 00:38:57,360

but or red shiny ceramic looking and I

768

00:39:01,850 --> 00:38:59,130

do know they're there they don't really

769

00:39:03,650 --> 00:39:01,860

look like that and I've season looking

770

00:39:06,710 --> 00:39:03,660

at like hummingbirds

771

00:39:09,230 --> 00:39:06,720

you know I've seen for four or five four

772

00:39:11,270 --> 00:39:09,240

two hummingbirds like with green

773

00:39:13,420 --> 00:39:11,280

feathers and big dark eyes but they look

774

00:39:15,799 --> 00:39:13,430

like how many words but they have arms

775

00:39:17,809 --> 00:39:15,809

you know it's like her everything looks

776

00:39:21,230 --> 00:39:17,819

like coke because i don't find i guess i

777

00:39:23,750 --> 00:39:21,240

can't there there there in it now i

778

00:39:27,289 --> 00:39:23,760

can't stand them now do you think

779

00:39:30,170 --> 00:39:27,299

there's any possibility that the babies

780

00:39:33,200 --> 00:39:30,180

are your children are young adults which

781

00:39:36,260 --> 00:39:33,210

you perceive to be your child that you

782

00:39:40,819 --> 00:39:36,270

were seeing do you think that you were

783

00:39:44,779 --> 00:39:40,829

seeing the way they really looked that's

784

00:39:46,940 --> 00:39:44,789

her or were they presenting my year and

785

00:39:49,849 --> 00:39:46,950

will hear in my brain i'm trying to

786

00:39:53,029 --> 00:39:49,859

think of it like I think they look

787

00:39:54,529 --> 00:39:53,039

pretty normal to me you know but i don't

788

00:39:58,250 --> 00:39:54,539

think i could tolerate anything else

789

00:40:00,289 --> 00:39:58,260

really yeah i mean i'm wondering if they

790

00:40:07,460 --> 00:40:00,299

you know presented them to you in a way

791

00:40:10,099 --> 00:40:07,470

that you could handle uh yeah like i

792

00:40:12,950 --> 00:40:10,109

guess it's easier to handle a four-foot

793

00:40:15,559 --> 00:40:12,960

act even though you know like that one

794

00:40:18,069 --> 00:40:15,569

commercial for whatever the insect spray

795

00:40:20,150 --> 00:40:18,079

is and have an aunt my aunt door oh

796

00:40:23,690 --> 00:40:20,160

they're not to me they knocked at my

797

00:40:25,609 --> 00:40:23,700

door she ants are knocked at my door and

798

00:40:27,380 --> 00:40:25,619

i opened the door they were standing

799

00:40:30,049 --> 00:40:27,390

there they're so obviously in a costume

800

00:40:34,150 --> 00:40:30,059

i let him in but then i saw something

801  
00:40:36,559 --> 00:40:34,160  
else out of the corner of my eye and I

802  
00:40:38,000 --> 00:40:36,569  
got freaked out because there was

803  
00:40:40,220 --> 00:40:38,010  
something else going on in the room so

804  
00:40:44,660 --> 00:40:40,230  
you know saying and then it's like so

805  
00:40:48,440 --> 00:40:44,670  
under it's just so odd that the teen

806  
00:40:50,269 --> 00:40:48,450  
hardships express that that's why this

807  
00:40:52,400 --> 00:40:50,279  
whole thing is a I have to

808  
00:40:55,010 --> 00:40:52,410  
compartmentalize it i don't like live

809  
00:40:56,210 --> 00:40:55,020  
this whole story i said to say okay this

810  
00:40:57,920 --> 00:40:56,220  
happens over here and then i have a

811  
00:41:00,740 --> 00:40:57,930  
regular life because how could you go on

812  
00:41:02,660 --> 00:41:00,750  
with your life really if I happen today

813  
00:41:05,000 --> 00:41:02,670

you know I being abducted all the time I

814

00:41:07,460 --> 00:41:05,010

have all these children of space and how

815

00:41:10,609 --> 00:41:07,470

do you live with it you know so you

816

00:41:13,549 --> 00:41:10,619

can't really I don't somehow I've been

817

00:41:16,950 --> 00:41:13,559

able to save myself and my spirituality

818

00:41:18,630 --> 00:41:16,960

has saved me too yeah I

819

00:41:21,530 --> 00:41:18,640

would imagine you know it would be tough

820

00:41:24,900 --> 00:41:21,540

to sort of reconcile in your brain and

821

00:41:27,390 --> 00:41:24,910

emotionally if you had all this stuff

822

00:41:29,220 --> 00:41:27,400

going on and then you're expected to you

823

00:41:31,770 --> 00:41:29,230

know get up in the morning and go to

824

00:41:36,210 --> 00:41:31,780

work and and do your job and and all

825

00:41:39,440 --> 00:41:36,220

that bill is asking the chat room if

826

00:41:43,680 --> 00:41:39,450

you're if the children if you know

827

00:41:48,750 --> 00:41:43,690

haddem had a more rapid development or

828

00:41:50,339 --> 00:41:48,760

like am I going to be and I can't tell

829

00:41:53,520 --> 00:41:50,349

you because I'm not you know standing

830

00:41:56,070 --> 00:41:53,530

watching it but it seems that they do

831

00:41:59,400 --> 00:41:56,080

develop from embryo to baby pretty fast

832

00:42:01,859 --> 00:41:59,410

but then I've had had to so many years

833

00:42:04,880 --> 00:42:01,869

and the kids are growing up you know

834

00:42:08,640 --> 00:42:04,890

I've seen at various ages you know right

835

00:42:14,640 --> 00:42:08,650

so they're developing but I can't say if

836

00:42:17,160 --> 00:42:14,650

they're developing more quickly aight no

837

00:42:19,410 --> 00:42:17,170

I can't because but I have a sense that

838

00:42:23,250 --> 00:42:19,420

when when there was a lot of babies at

839

00:42:25,349 --> 00:42:23,260

one time then they were developing a

840

00:42:28,530 --> 00:42:25,359

different time this feels like I've seen

841

00:42:31,859 --> 00:42:28,540

a bunch of babies at once hmm I seem to

842

00:42:34,520 --> 00:42:31,869

think they're in tanks or something so I

843

00:42:39,839 --> 00:42:34,530

can't be sure that one Oh interesting

844

00:42:46,440 --> 00:42:39,849

yeah sky asks has a couple questions

845

00:42:50,910 --> 00:42:46,450

actually uh number one what is your

846

00:42:52,770 --> 00:42:50,920

blood type you know find that out there

847

00:42:54,570 --> 00:42:52,780

I don't know and I'm getting an awful

848

00:42:58,530 --> 00:42:54,580

lot of blood work for my house one of my

849

00:43:01,170 --> 00:42:58,540

doctors that yeah i don't know that i

850

00:43:03,420 --> 00:43:01,180

have a very glad i was going to say i

851  
00:43:05,040 --> 00:43:03,430  
don't know if that's because you know

852  
00:43:08,250 --> 00:43:05,050  
because i really don't know about this

853  
00:43:09,870 --> 00:43:08,260  
weather it seems like people with a

854  
00:43:14,099 --> 00:43:09,880  
certain blood type have more of these

855  
00:43:17,339 --> 00:43:14,109  
types experiences I don't hate though ok

856  
00:43:21,120 --> 00:43:17,349  
so in a room of lipstick very nice go to

857  
00:43:23,070 --> 00:43:21,130  
zero and I've been trying that group

858  
00:43:25,890 --> 00:43:23,080  
since it began and that's the close

859  
00:43:30,630 --> 00:43:25,900  
encounter research organization yes yep

860  
00:43:33,839 --> 00:43:30,640  
and and I we asked and you said

861  
00:43:35,579 --> 00:43:33,849  
artists in this room how many people are

862  
00:43:37,500 --> 00:43:35,589  
0 negative or whatever the rare blood

863  
00:43:40,410 --> 00:43:37,510

type is and three-fourths of the people

864

00:43:42,900 --> 00:43:40,420

I don't worry to have oh well i don't

865

00:43:45,259 --> 00:43:42,910

know then I found out guess what so is

866

00:43:49,890 --> 00:43:45,269

my best friend she never told me that

867

00:43:52,109 --> 00:43:49,900

huh I just found this out last year and

868

00:43:55,289 --> 00:43:52,119

she has a rare blood type the whole time

869

00:43:58,880 --> 00:43:55,299

and I don't know what mine is I shot it

870

00:44:03,420 --> 00:43:58,890

I just got diagnosed with a very odd a

871

00:44:06,299 --> 00:44:03,430

condition of fibroid condition and next

872

00:44:11,069 --> 00:44:06,309

friday i'm going to the independent but

873

00:44:15,750 --> 00:44:11,079

it's a rare condition that it's it's

874

00:44:17,759 --> 00:44:15,760

called a primary hyper sarah

875

00:44:20,099 --> 00:44:17,769

hyperthyroidism some like that but what

876

00:44:22,529 --> 00:44:20,109

it is you know it's a very painful

877

00:44:24,509 --> 00:44:22,539

disorder to take calcium any blood and

878

00:44:27,089 --> 00:44:24,519

out of your bones and puts in your blood

879

00:44:29,250 --> 00:44:27,099

so it's a very excruciating seeing I've

880

00:44:31,319 --> 00:44:29,260

had a very long time but I thought I had

881

00:44:34,410 --> 00:44:31,329

arthritis is on those this condition but

882

00:44:37,620 --> 00:44:34,420

then I was looking it up and people that

883

00:44:40,440 --> 00:44:37,630

exposed to radiation and Chernobyl had

884

00:44:42,720 --> 00:44:40,450

this disease I thought I was thinking

885

00:44:44,749 --> 00:44:42,730

how on I did relate that back to being

886

00:44:50,269 --> 00:44:44,759

exposed to these beans and lifelong

887

00:44:55,470 --> 00:44:50,279

mm-hmm I can't tell my doctor that well

888

00:44:58,319 --> 00:44:55,480

that's really wild now when you were in

889

00:45:02,099 --> 00:44:58,329

the presence of these beings whether

890

00:45:04,890 --> 00:45:02,109

it's your children are you know the

891

00:45:07,109 --> 00:45:04,900

others that were around sky was

892

00:45:09,599 --> 00:45:07,119

wondering whether they communicate with

893

00:45:12,539 --> 00:45:09,609

you telepathically how did they

894

00:45:14,309 --> 00:45:12,549

communicate with you or did they oh yeah

895

00:45:21,029 --> 00:45:14,319

all of them do communicate

896

00:45:25,920 --> 00:45:21,039

telepathically so then and um yeah it

897

00:45:29,849 --> 00:45:25,930

would be just so natural and a immediate

898

00:45:34,049 --> 00:45:29,859

that it's it's like I guess that is

899

00:45:37,259 --> 00:45:34,059

telepathy you know that I've never heard

900

00:45:38,730 --> 00:45:37,269

their voices are heard them talking you

901  
00:45:40,410 --> 00:45:38,740  
know I just know what they want and what

902  
00:45:42,960 --> 00:45:40,420  
they're doing is sort of talking to you

903  
00:45:44,010 --> 00:45:42,970  
but not with I don't remember a boy so

904  
00:45:51,690 --> 00:45:44,020  
it's really

905  
00:45:54,780 --> 00:45:51,700  
that comes into your head it's not Leia

906  
00:45:56,730 --> 00:45:54,790  
you hear a voice in your head no I fight

907  
00:45:59,160 --> 00:45:56,740  
the picture but I never really thought

908  
00:46:01,160 --> 00:45:59,170  
about that but no I haven't heard any

909  
00:46:04,800 --> 00:46:01,170  
kind of voice I'll polish freak me out

910  
00:46:08,100 --> 00:46:04,810  
hmm yeah I you know I would wonder what

911  
00:46:11,910 --> 00:46:08,110  
it would sound like it you know I had

912  
00:46:15,120 --> 00:46:11,920  
bringing my dog my mind I had a dog

913  
00:46:16,830 --> 00:46:15,130

named Bella she passed away after 19

914

00:46:19,590 --> 00:46:16,840

years but I had a dog at a dream about

915

00:46:22,980 --> 00:46:19,600

her that she ran up to me when I came

916

00:46:26,000 --> 00:46:22,990

home one time and she said hi char she

917

00:46:32,070 --> 00:46:26,010

sounds just like Minnie Mouse oh my god

918

00:46:34,710 --> 00:46:32,080

that would be so I don't want them

919

00:46:37,710 --> 00:46:34,720

talking to me so my dog sounds like

920

00:46:39,630 --> 00:46:37,720

Minnie now so I don't know to say about

921

00:46:43,800 --> 00:46:39,640

that I guess you can only take a look

922

00:46:45,510 --> 00:46:43,810

super stand yeah you know I know that

923

00:46:50,550 --> 00:46:45,520

you've you know you've had these

924

00:46:52,410 --> 00:46:50,560

experiences and in a lot of times it

925

00:46:55,440 --> 00:46:52,420

seems like with you and with other

926

00:47:00,450 --> 00:46:55,450

people these come during the night time

927

00:47:03,180 --> 00:47:00,460

when you're you know asleep a you know

928

00:47:06,470 --> 00:47:03,190

that it do you feel like and this was a

929

00:47:10,410 --> 00:47:06,480

question from the chat room as well that

930

00:47:13,350 --> 00:47:10,420

they do that because you're sort of more

931

00:47:16,920 --> 00:47:13,360

open at that time or you're easier to

932

00:47:20,100 --> 00:47:16,930

control or rather than coming hey do it

933

00:47:21,810 --> 00:47:20,110

because they're sneaking around you know

934

00:47:23,610 --> 00:47:21,820

that you know that's why I don't

935

00:47:26,660 --> 00:47:23,620

appreciate what they're doing devillier

936

00:47:29,520 --> 00:47:26,670

do it under dark and you know it's uh

937

00:47:32,040 --> 00:47:29,530

you know it's like being molested ornate

938

00:47:33,900 --> 00:47:32,050

out of your house or kidnapped or you

939

00:47:35,460 --> 00:47:33,910

know it's a lot of cloaking I don't

940

00:47:37,680 --> 00:47:35,470

remember signing up for this I know

941

00:47:41,100 --> 00:47:37,690

people say they signed on I don't feel

942

00:47:44,310 --> 00:47:41,110

like I did fine on and I've also seen

943

00:47:46,850 --> 00:47:44,320

humans I've seen military I've been

944

00:47:50,400 --> 00:47:46,860

taking to underground military

945

00:47:54,990 --> 00:47:50,410

installations and one time I was in a

946

00:47:56,760 --> 00:47:55,000

hostile underground one time and I saw

947

00:47:57,809 --> 00:47:56,770

dr. there and he was looking right at me

948

00:47:59,400 --> 00:47:57,819

and I know he was

949

00:48:01,229 --> 00:47:59,410

talking to aliens and people behind me I

950

00:48:04,199 --> 00:48:01,239

was in hospital then I was trying to see

951  
00:48:08,099 --> 00:48:04,209  
his badge and he saw me looking his bag

952  
00:48:11,069 --> 00:48:08,109  
he said she's consuming and I was madder

953  
00:48:13,469 --> 00:48:11,079  
than hell at that traitor that flesh

954  
00:48:16,170 --> 00:48:13,479  
felt was this guy to military but their

955  
00:48:19,739 --> 00:48:16,180  
trade her to treat you know their fellow

956  
00:48:22,559 --> 00:48:19,749  
humans this way and because of what you

957  
00:48:24,989 --> 00:48:22,569  
know I just just resented it he can he I

958  
00:48:27,689 --> 00:48:24,999  
was angry with them he sure she can't

959  
00:48:30,299 --> 00:48:27,699  
move you know I could hear them talk to

960  
00:48:34,349 --> 00:48:30,309  
you about me over me but I will get him

961  
00:48:38,339 --> 00:48:34,359  
I was enraged when the sky oh gosh

962  
00:48:41,689 --> 00:48:38,349  
that's yeah I can imagine you know I had

963  
00:48:45,689 --> 00:48:41,699

never thought about that aspect because

964

00:48:47,759 --> 00:48:45,699

there was you know a lot of people do

965

00:48:49,920 --> 00:48:47,769

report that they there's some sort of

966

00:48:52,529 --> 00:48:49,930

military connection and they remember

967

00:48:56,099 --> 00:48:52,539

being in a military setting around

968

00:49:00,209 --> 00:48:56,109

military people in uniform and that sort

969

00:49:01,650 --> 00:49:00,219

of thing and I've heard people say that

970

00:49:05,150 --> 00:49:01,660

that you know was kind of it was

971

00:49:08,849 --> 00:49:05,160

confusing and you know disturbing but I

972

00:49:11,219 --> 00:49:08,859

didn't think of that angle on it but it

973

00:49:14,579 --> 00:49:11,229

would be it's like hey you're supposed

974

00:49:17,880 --> 00:49:14,589

to be helping me you know you and I are

975

00:49:20,219 --> 00:49:17,890

in the same team or we should be but you

976  
00:49:23,219 --> 00:49:20,229  
know there was not only things going on

977  
00:49:24,779 --> 00:49:23,229  
in your abduction experiences like you

978  
00:49:28,140 --> 00:49:24,789  
know some sort of military involvement

979  
00:49:30,749 --> 00:49:28,150  
in going into a craft and all that but

980  
00:49:34,410 --> 00:49:30,759  
you had things happening in your daily

981  
00:49:36,150 --> 00:49:34,420  
life like a lot of military characters

982  
00:49:40,309 --> 00:49:36,160  
buzzing your house and things like that

983  
00:49:44,640 --> 00:49:40,319  
but the thing that sounded really weird

984  
00:49:49,469 --> 00:49:44,650  
to me was I know you said that you had

985  
00:49:52,529 --> 00:49:49,479  
some woman dressed in black that came to

986  
00:49:56,849 --> 00:49:52,539  
your door and that was a total waking

987  
00:49:59,039 --> 00:49:56,859  
experience right yes I remember me and

988  
00:50:00,809 --> 00:49:59,049

my son at home and there's a knock at

989

00:50:04,849 --> 00:50:00,819

the door I opened the door and there's

990

00:50:08,309 --> 00:50:04,859

this woman in black he had a black

991

00:50:11,490 --> 00:50:08,319

outfit on like velvet and Hershey's were

992

00:50:13,440 --> 00:50:11,500

velvet and

993

00:50:15,930 --> 00:50:13,450

she was perfect and she had her hair

994

00:50:19,230 --> 00:50:15,940

parted down the middle a long long red

995

00:50:21,630 --> 00:50:19,240

hair and I remember looking at she's so

996

00:50:23,310 --> 00:50:21,640

perfect I just was looking at her and I

997

00:50:25,710 --> 00:50:23,320

noticed like one hair without a place

998

00:50:28,680 --> 00:50:25,720

that was it and then I looked at her

999

00:50:31,620 --> 00:50:28,690

shoes and I lived and I could that back

1000

00:50:34,080 --> 00:50:31,630

gotta go upstairs and get a walk down a

1001

00:50:35,940 --> 00:50:34,090

little kind of us it was it's right down

1002

00:50:37,380 --> 00:50:35,950

its in hermosa beach right down near the

1003

00:50:40,320 --> 00:50:37,390

beach and you'll be here the ocean at

1004

00:50:42,360 --> 00:50:40,330

night so we're really close older and so

1005

00:50:44,760 --> 00:50:42,370

she had a walk back and you can't see my

1006

00:50:46,980 --> 00:50:44,770

place from the front you just can't see

1007

00:50:50,010 --> 00:50:46,990

it it's high and there's too many bushes

1008

00:50:53,220 --> 00:50:50,020

so I know she had one grain of fan no

1009

00:50:56,190 --> 00:50:53,230

spot of leaf nothing on her that's why I

1010

00:51:01,290 --> 00:50:56,200

notice immediately and then she asked me

1011

00:51:03,660 --> 00:51:01,300

uh what does she say she said um do you

1012

00:51:04,950 --> 00:51:03,670

know some folks he said some

1013

00:51:09,510 --> 00:51:04,960

off-the-wall name but I knew she was

1014

00:51:11,580 --> 00:51:09,520

lying and i said no i said how did you

1015

00:51:14,430 --> 00:51:11,590

see this house I don't know how did you

1016

00:51:16,020 --> 00:51:14,440

get here she said oh I was walking by

1017

00:51:18,150 --> 00:51:16,030

said yeah but you can't see it from the

1018

00:51:20,040 --> 00:51:18,160

street says well I kind of what the

1019

00:51:21,390 --> 00:51:20,050

steps and I said well what made you come

1020

00:51:26,040 --> 00:51:21,400

back here she says will look like a

1021

00:51:29,190 --> 00:51:26,050

friendly little house okay and then she

1022

00:51:32,310 --> 00:51:29,200

says I need to ride to Santa Monica will

1023

00:51:33,570 --> 00:51:32,320

you take me and I knew that she'd just

1024

00:51:35,400 --> 00:51:33,580

trying to take me away from my house

1025

00:51:38,610 --> 00:51:35,410

because a men in black woman a shelter

1026

00:51:42,240 --> 00:51:38,620

go to earth at home but I went outta

1027

00:51:47,670 --> 00:51:42,250

curiosity you are driving I actually

1028

00:51:50,010 --> 00:51:47,680

prefer my gosh I don't know it was his

1029

00:51:53,820 --> 00:51:50,020

memorizing and she looked like she

1030

00:51:56,420 --> 00:51:53,830

stepped out of the 60s or 70s really she

1031

00:51:59,190 --> 00:51:56,430

didn't look like using this time or era

1032

00:52:02,640 --> 00:51:59,200

yeah I mean she was really a human but

1033

00:52:05,100 --> 00:52:02,650

she looked just unusual why she stepped

1034

00:52:08,490 --> 00:52:05,110

out of somewhere else you know and the

1035

00:52:10,530 --> 00:52:08,500

shoes were those uh you know they have a

1036

00:52:12,090 --> 00:52:10,540

thick heel and rounded toes you're in

1037

00:52:14,670 --> 00:52:12,100

very windows or I know if hearing their

1038

00:52:17,010 --> 00:52:14,680

windows are in and they're velvet yeah

1039

00:52:19,970 --> 00:52:17,020

that's okay yes she's dressed in the

1040

00:52:24,360 --> 00:52:19,980

another long-sleeved kind of dress and

1041

00:52:24,900 --> 00:52:24,370

but she was all in black and I can't

1042

00:52:30,120 --> 00:52:24,910

remember

1043

00:52:32,160 --> 00:52:30,130

but she looked she doesn't normal I knew

1044

00:52:34,830 --> 00:52:32,170

it and she wanted me way from the house

1045

00:52:37,170 --> 00:52:34,840

I knew that but I've had added I guess

1046

00:52:39,870 --> 00:52:37,180

just really curiosity and I couldn't

1047

00:52:42,510 --> 00:52:39,880

stand I actually took her to Santa

1048

00:52:44,460 --> 00:52:42,520

Monica and then she was drive we were

1049

00:52:45,600 --> 00:52:44,470

driving along this wall and she said

1050

00:52:48,090 --> 00:52:45,610

just dropped me off here and there was

1051

00:52:50,430 --> 00:52:48,100

middle of nowhere I mean I really

1052

00:52:51,900 --> 00:52:50,440

shouldn't even have stopped because it

1053

00:52:54,030 --> 00:52:51,910

would be like take her and drop her off

1054

00:52:55,980 --> 00:52:54,040

on the freeway it was really odd corner

1055

00:52:58,380 --> 00:52:55,990

just like a walk from the rest of the

1056

00:53:02,160 --> 00:52:58,390

way I so all I could take you right to

1057

00:53:03,960 --> 00:53:02,170

the door you know and she said no she

1058

00:53:06,480 --> 00:53:03,970

said just dropped me off here and go

1059

00:53:10,470 --> 00:53:06,490

with it had to get out of there or crash

1060

00:53:12,810 --> 00:53:10,480

what did she talk about on the way how

1061

00:53:14,490 --> 00:53:12,820

long was the drive I don't remember it

1062

00:53:16,590 --> 00:53:14,500

was pretty from her most of the set

1063

00:53:19,350 --> 00:53:16,600

amount that's pretty quick 20 mil yahoo

1064

00:53:20,790 --> 00:53:19,360

five minutes that's pretty quick because

1065

00:53:26,040 --> 00:53:20,800

I you know I didn't take your free where

1066

00:53:31,620 --> 00:53:26,050

everything did you um feel like that you

1067

00:53:34,560 --> 00:53:31,630

were kind of like almost induced to go

1068

00:53:37,940 --> 00:53:34,570

or like they were kind of hypnotized or

1069

00:53:42,150 --> 00:53:37,950

maybe maybe cuz she put her suggestion

1070

00:53:44,790 --> 00:53:42,160

but he your knife what I am you know me

1071

00:53:46,860 --> 00:53:44,800

but there's some kind of a suggestion

1072

00:53:49,590 --> 00:53:46,870

but I went along with it because it was

1073

00:53:51,030 --> 00:53:49,600

too mesmerizing not to go I really

1074

00:53:53,310 --> 00:53:51,040

wanted to see what she was up to and

1075

00:53:56,880 --> 00:53:53,320

irony she was on to something she may

1076  
00:53:58,440 --> 00:53:56,890  
have known that I I knew but I wanted to

1077  
00:54:01,470 --> 00:53:58,450  
get more information out of her but she

1078  
00:54:03,000 --> 00:54:01,480  
avoided anything that gave it's like

1079  
00:54:06,020 --> 00:54:03,010  
having a conversation with someone who

1080  
00:54:09,180 --> 00:54:06,030  
never gives you one piece of information

1081  
00:54:11,070 --> 00:54:09,190  
hmm I can we never really hear anything

1082  
00:54:12,870 --> 00:54:11,080  
from go talk but you're never going to

1083  
00:54:14,280 --> 00:54:12,880  
understand you can understand what

1084  
00:54:16,860 --> 00:54:14,290  
they're saying but it doesn't mean

1085  
00:54:19,500 --> 00:54:16,870  
anything did you get the impression that

1086  
00:54:22,770 --> 00:54:19,510  
she was trying to elicit information

1087  
00:54:24,660 --> 00:54:22,780  
from you know they already knew I knew

1088  
00:54:26,520 --> 00:54:24,670

she had people at my house going through

1089

00:54:29,010 --> 00:54:26,530

everything all my books and my dates and

1090

00:54:30,660 --> 00:54:29,020

videos and looking at everything I need

1091

00:54:33,900 --> 00:54:30,670

I could seemed in my mind's eye with the

1092

00:54:35,700 --> 00:54:33,910

or not so the men in black were actually

1093

00:54:37,110 --> 00:54:35,710

at my house going through everything I

1094

00:54:38,700 --> 00:54:37,120

don't know what the purpose to that was

1095

00:54:42,839 --> 00:54:38,710

but

1096

00:54:46,470 --> 00:54:42,849

interesting when you got home did you

1097

00:54:49,079 --> 00:54:46,480

find anything out of place or ya know

1098

00:54:50,700 --> 00:54:49,089

you are no was like it was like weird

1099

00:54:52,109 --> 00:54:50,710

like the intercept some place he knew

1100

00:54:53,849 --> 00:54:52,119

people were just there and just gone

1101

00:54:56,280 --> 00:54:53,859

that's the way it felt when I was back

1102

00:55:00,060 --> 00:54:56,290

back but I knew that they were going to

1103

00:55:02,720 --> 00:55:00,070

do anything I don't know why but the

1104

00:55:05,339 --> 00:55:02,730

reason without is why I got ahold of

1105

00:55:06,930 --> 00:55:05,349

Yvonne I really thought I was going nuts

1106

00:55:09,450 --> 00:55:06,940

because of all these weird experiences

1107

00:55:11,700 --> 00:55:09,460

in your talking either on a von Smith

1108

00:55:15,050 --> 00:55:11,710

it's Sarah who's a hypnotherapist their

1109

00:55:18,660 --> 00:55:15,060

specialized good about alien abduction

1110

00:55:20,550 --> 00:55:18,670

experiences yeah yeah so this is what

1111

00:55:22,650 --> 00:55:20,560

happened as I actually thought I was

1112

00:55:25,200 --> 00:55:22,660

going nuts and I wanted help I wanted a

1113

00:55:28,650 --> 00:55:25,210

great help so I roll there to harbor and

1114

00:55:30,960 --> 00:55:28,660

I told them what I was doing but then we

1115

00:55:32,040 --> 00:55:30,970

were really afraid of the military you

1116

00:55:34,410 --> 00:55:32,050

know because me my best friend we're

1117

00:55:36,329 --> 00:55:34,420

talking about we were scared you know so

1118

00:55:38,339 --> 00:55:36,339

I'm letting the letter go into the

1119

00:55:40,530 --> 00:55:38,349

mailbox I'm thinking oh my god would

1120

00:55:43,890 --> 00:55:40,540

have I done I was scared but then I got

1121

00:55:46,620 --> 00:55:43,900

a letter from dr. Mac at Harbor John I

1122

00:55:51,180 --> 00:55:46,630

believe you yeah John Mack the rest is

1123

00:55:52,710 --> 00:55:51,190

so anyway so he wrote me back he turned

1124

00:55:56,070 --> 00:55:52,720

me on to Yvonne so that's why I've been

1125

00:55:59,160 --> 00:55:56,080

going in a sense and highly tell anybody

1126

00:56:01,230 --> 00:55:59,170

this pit helping go to a group wherever

1127

00:56:02,910 --> 00:56:01,240

you are in the world you know find your

1128

00:56:05,910 --> 00:56:02,920

life minded people because you know the

1129

00:56:07,740 --> 00:56:05,920

people that that are drawn to get like

1130

00:56:10,710 --> 00:56:07,750

we're all drawing together to each other

1131

00:56:12,420 --> 00:56:10,720

oh I'm habia more myself and I'd ever

1132

00:56:15,060 --> 00:56:12,430

have in my whole life I'm having a

1133

00:56:17,430 --> 00:56:15,070

really good time oh that's how I think

1134

00:56:21,120 --> 00:56:17,440

dick with all this but I'm having a very

1135

00:56:24,030 --> 00:56:21,130

joyful life yeah if anyone is going

1136

00:56:27,750 --> 00:56:24,040

through these types of experiences and

1137

00:56:30,000 --> 00:56:27,760

would like to have some support or just

1138

00:56:32,400 --> 00:56:30,010

camaraderie with other people going

1139

00:56:36,510 --> 00:56:32,410

through the same thing who understand

1140

00:56:38,940 --> 00:56:36,520

and maybe have managed to integrate it

1141

00:56:41,609 --> 00:56:38,950

more into their lives and deal with it a

1142

00:56:44,220 --> 00:56:41,619

little bit better I you know get a hold

1143

00:56:47,220 --> 00:56:44,230

of me or get a hold of char and we will

1144

00:56:49,650 --> 00:56:47,230

put you in touch with the sero group

1145

00:56:51,540 --> 00:56:49,660

here in Southern California and then

1146

00:56:52,590 --> 00:56:51,550

there are others around around the

1147

00:56:54,480 --> 00:56:52,600

country so

1148

00:56:56,610 --> 00:56:54,490

if you're feeling like you're having

1149

00:56:59,070 --> 00:56:56,620

these experiences you you don't have to

1150

00:57:02,790 --> 00:56:59,080

be alone in it you can reach out to

1151  
00:57:06,870 --> 00:57:02,800  
others and be happy to put you on track

1152  
00:57:10,770 --> 00:57:06,880  
to some of these groups and people if if

1153  
00:57:12,990 --> 00:57:10,780  
you send me your information or maybe

1154  
00:57:15,780 --> 00:57:13,000  
get hold of sharp you can see char on

1155  
00:57:18,090 --> 00:57:15,790  
facebook which you have a page for your

1156  
00:57:21,270 --> 00:57:18,100  
radio show which is called paranormal

1157  
00:57:26,580 --> 00:57:21,280  
and the sacred and parallel work record

1158  
00:57:28,740 --> 00:57:26,590  
yep and I think that you know you make

1159  
00:57:33,750 --> 00:57:28,750  
everybody feel on there check it out and

1160  
00:57:39,570 --> 00:57:33,760  
see what char was doing on her radio

1161  
00:57:42,570 --> 00:57:39,580  
show now oh my goodness where believe it

1162  
00:57:44,160 --> 00:57:42,580  
or not it's break time again and then

1163  
00:57:45,990 --> 00:57:44,170

we'd be down to the final half hour

1164

00:57:48,150 --> 00:57:46,000

we're going to try to get some more

1165

00:57:50,660 --> 00:57:48,160

questions in from the chat room I tell

1166

00:57:54,630 --> 00:57:50,670

you that I think this is the most active

1167

00:57:56,430 --> 00:57:54,640

with questions it has ever been so

1168

00:57:58,790 --> 00:57:56,440

people are really into the subject

1169

00:58:01,320 --> 00:57:58,800

matter and i hope i can scroll back and

1170

00:58:03,600 --> 00:58:01,330

grab some of these questions while we're

1171

00:58:06,330 --> 00:58:03,610

on the break and so we don't don't miss

1172

00:58:07,470 --> 00:58:06,340

miss them if we can help it and if we do

1173

00:58:09,360 --> 00:58:07,480

miss them and then we're just going to

1174

00:58:11,760 --> 00:58:09,370

have to have you back on another time so

1175

00:58:13,260 --> 00:58:11,770

that's right yes and all of them your

1176

00:58:16,740 --> 00:58:13,270

question is because it's helping me

1177

00:58:19,740 --> 00:58:16,750

process you know cuz i'm a learning

1178

00:58:21,690 --> 00:58:19,750

growing person you know and i really

1179

00:58:24,300 --> 00:58:21,700

want to be a skeeze question so i can

1180

00:58:26,520 --> 00:58:24,310

also process what's happening to me this

1181

00:58:28,520 --> 00:58:26,530

is fall current also for it to be help

1182

00:58:32,820 --> 00:58:28,530

so I appreciate your question okay okay

1183

00:58:34,440 --> 00:58:32,830

great well yeah it is helpful it's great

1184

00:58:36,990 --> 00:58:34,450

to know you know what people are

1185

00:58:39,480 --> 00:58:37,000

thinking out there because sometimes you

1186

00:58:41,580 --> 00:58:39,490

know you can get some answers from what

1187

00:58:43,170 --> 00:58:41,590

their questions are you know and you see

1188

00:58:45,150 --> 00:58:43,180

what their line of thinking is and it

1189

00:58:48,150 --> 00:58:45,160

takes you on a different track it might

1190

00:58:50,880 --> 00:58:48,160

give you some answers but I think it's

1191

00:58:52,280 --> 00:58:50,890

that time again and time to take a break

1192

00:58:54,470 --> 00:58:52,290

and

1193

00:58:57,860 --> 00:58:54,480

we're going to be back in just a few

1194

00:59:00,380 --> 00:58:57,870

1262

interest and you know like her page too

1263

01:03:06,590 --> 01:03:03,840

because that helps us all out any how

1264

01:03:09,530 --> 01:03:06,600

well did you want to hit on anything

1265

01:03:14,000 --> 01:03:09,540

during this last half hour shard that we

1266

01:03:16,370 --> 01:03:14,010

haven't gotten yeah I did see something

1267

01:03:18,740 --> 01:03:16,380

in cap somebody was you know getting on

1268

01:03:20,900 --> 01:03:18,750

a couple things that are really

1269

01:03:23,540 --> 01:03:20,910

interesting and talked about animals and

1270

01:03:26,090 --> 01:03:23,550

shapeshifters and stuff like that I saw

1271

01:03:27,800 --> 01:03:26,100

a bandage and I was thinking that too

1272

01:03:30,740 --> 01:03:27,810

because I was thinking about what you

1273

01:03:32,240 --> 01:03:30,750

were saying about the appearance you

1274

01:03:34,130 --> 01:03:32,250

knew they were looking different and it

1275

01:03:36,890 --> 01:03:34,140

reminded me of shapeshifters and it

1276

01:03:39,560 --> 01:03:36,900

reminded me of you know a lot of the

1277

01:03:42,830 --> 01:03:39,570

story I grew up in Oklahoma you know in

1278

01:03:45,320 --> 01:03:42,840

Native America and we had lots of

1279

01:03:50,290 --> 01:03:45,330

stories growing up about shapeshifters

1280

01:03:53,930 --> 01:03:50,300

and i was wondering too when i saw that

1281

01:03:56,780 --> 01:03:53,940

but what were your thoughts on that my

1282

01:03:57,339 --> 01:03:56,790

pop says I have a real cute ship with

1283

01:04:02,190 --> 01:03:57,349

four

1284

01:04:06,279 --> 01:04:02,200

animals and I've had some really a

1285

01:04:09,539 --> 01:04:06,289

spiritual experiences my animals lived

1286

01:04:12,309 --> 01:04:09,549

to be really old age my dog lived to be

1287

01:04:13,749 --> 01:04:12,319

19 but I think that she got into some

1288

01:04:15,749 --> 01:04:13,759

rat poison or something like that

1289

01:04:18,190 --> 01:04:15,759

because she really wasn't sick ever

1290

01:04:20,229 --> 01:04:18,200

until that last day of her life so I

1291

01:04:22,930 --> 01:04:20,239

think she actually got poison intent but

1292

01:04:25,029 --> 01:04:22,940

anyway I had a little Finch a zebra

1293

01:04:29,289 --> 01:04:25,039

finch tearful to live between six and

1294

01:04:31,719 --> 01:04:29,299

eight years in 316 and it took very odd

1295

01:04:33,660 --> 01:04:31,729

but i also have had birds come out of

1296

01:04:35,979 --> 01:04:33,670

the trees and land on my head and a

1297

01:04:38,680 --> 01:04:35,989

berth that have been in accidents that

1298

01:04:41,469 --> 01:04:38,690

come to me and so they can't don't have

1299

01:04:43,749 --> 01:04:41,479

to die alone you know just very odd like

1300

01:04:47,999 --> 01:04:43,759

i can understand the bird language but

1301

01:04:52,410 --> 01:04:48,009

uh there's also again these things

1302

01:04:58,200 --> 01:04:52,420

shapeshifters and I had a very odd

1303

01:05:01,959 --> 01:04:58,210

experience and one of my most current uh

1304

01:05:03,880 --> 01:05:01,969

alien was a experience but the one I

1305

01:05:06,120 --> 01:05:03,890

want to talk to you about is that I was

1306

01:05:09,249 --> 01:05:06,130

interviewing Linda glory now she's

1307

01:05:11,950 --> 01:05:09,259

really into pit physiology and she's

1308

01:05:15,549 --> 01:05:11,960

written many books 15 books she's

1309

01:05:18,160 --> 01:05:15,559

fabulous on anything monstrous you know

1310

01:05:20,349 --> 01:05:18,170

so it could be anything but there was

1311

01:05:22,719 --> 01:05:20,359

something odd that happened to me I woke

1312

01:05:25,209 --> 01:05:22,729

up one night and so since I have all

1313

01:05:27,940 --> 01:05:25,219

this UFO phase going psychics just going

1314

01:05:30,130 --> 01:05:27,950

that some and then sometimes people come

1315

01:05:31,930 --> 01:05:30,140

to me before they passed tell me they're

1316

01:05:34,209 --> 01:05:31,940

going to deaf and after they pass like a

1317

01:05:38,140 --> 01:05:34,219

lot of odd different things going on

1318

01:05:40,599 --> 01:05:38,150

this time I woke up and I was laying on

1319

01:05:42,670 --> 01:05:40,609

my side towards the hallway I have a

1320

01:05:44,950 --> 01:05:42,680

real small place my dog was sitting

1321

01:05:46,569 --> 01:05:44,960

upright very alert at the end of the

1322

01:05:48,279 --> 01:05:46,579

edge of the bed where my feet work I

1323

01:05:51,549 --> 01:05:48,289

looked at the hall and there was a huge

1324

01:05:56,349 --> 01:05:51,559

for black wolf standing up I mean he was

1325

01:05:59,229 --> 01:05:56,359

so big he took up the whole ha long fur

1326

01:06:02,769 --> 01:05:59,239

like a main but he was big black shaggy

1327

01:06:06,880 --> 01:06:02,779

wolf when I woke up that's because my

1328

01:06:11,290 --> 01:06:06,890

dog looked me up and I looked at him he

1329

01:06:13,300 --> 01:06:11,300

looked at her like you woke her up

1330

01:06:15,070 --> 01:06:13,310

and the only thing a good person is

1331

01:06:16,360 --> 01:06:15,080

needs to be a doctor can do is just grab

1332

01:06:19,150 --> 01:06:16,370

your dog and hide under the blanket

1333

01:06:22,150 --> 01:06:19,160

that's what I did I grabbed her I put

1334

01:06:23,860 --> 01:06:22,160

put the blankets over us and I just hid

1335

01:06:26,110 --> 01:06:23,870

there waiting for I'm going to die

1336

01:06:28,180 --> 01:06:26,120

because the wolf of my house and we were

1337

01:06:31,780 --> 01:06:28,190

out and she never moved it I never moved

1338

01:06:33,670 --> 01:06:31,790

for like three hours we're just out so

1339

01:06:37,240 --> 01:06:33,680

that happened a month ago a month before

1340

01:06:39,760 --> 01:06:37,250

I live interview Linda Godfrey and then

1341

01:06:41,650 --> 01:06:39,770

I which is talking about these wolves

1342

01:06:45,400 --> 01:06:41,660

and dog men of Michigan and stuff like

1343

01:06:47,790 --> 01:06:45,410

that I became aware i wait a minute I

1344

01:06:51,160 --> 01:06:47,800

said divis wolf seem to be very

1345

01:06:52,660 --> 01:06:51,170

intelligent and they're kind of like I'm

1346

01:06:55,420 --> 01:06:52,670

the king of the world I could do

1347

01:06:57,310 --> 01:06:55,430

whatever I want you know and they have

1348

01:06:59,800 --> 01:06:57,320

intelligence and she said well yes

1349

01:07:01,990 --> 01:06:59,810

people are saying that these aren't men

1350

01:07:04,180 --> 01:07:02,000

they're turning into wolves or actually

1351

01:07:07,570 --> 01:07:04,190

wolves expand upright like men and

1352

01:07:09,310 --> 01:07:07,580

they're very smart and I was going back

1353

01:07:12,400 --> 01:07:09,320

to the way that wolf was standing there

1354

01:07:13,900 --> 01:07:12,410

and I told her the story about the wool

1355

01:07:15,970 --> 01:07:13,910

so the first time I ever talked about

1356

01:07:18,520 --> 01:07:15,980

said there was a wolf in my house he was

1357

01:07:19,960 --> 01:07:18,530

she said she said I've heard this before

1358

01:07:22,870 --> 01:07:19,970

I went there's no way you would heard

1359

01:07:24,190 --> 01:07:22,880

this before she's yes they're showing up

1360

01:07:26,020 --> 01:07:24,200

in the middle of the afternoon in

1361

01:07:28,180 --> 01:07:26,030

people's houses like in the kitchen turn

1362

01:07:29,710 --> 01:07:28,190

right or wolf standing there she says

1363

01:07:33,250 --> 01:07:29,720

she doesn't know if this is an anomaly

1364

01:07:37,450 --> 01:07:33,260

of a time and space or whatever these

1365

01:07:41,410 --> 01:07:37,460

just visitors visiting hmm I don't you

1366

01:07:44,410 --> 01:07:41,420

think that's strange it is but it kind

1367

01:07:47,650 --> 01:07:44,420

of reminds me a bit of some of the

1368

01:07:50,410 --> 01:07:47,660

stories I heard coming out of when

1369

01:07:53,140 --> 01:07:50,420

what's commonly called a skinwalker

1370

01:07:56,170 --> 01:07:53,150

ranch out of Utah we used to call it

1371

01:07:59,440 --> 01:07:56,180

Sherman River fever Sherman ranch about

1372

01:08:01,920 --> 01:07:59,450

these sort of monster wolves these

1373

01:08:03,970 --> 01:08:01,930

gigantic wolves and they seem to be

1374

01:08:06,310 --> 01:08:03,980

possibly coming through an

1375

01:08:07,990 --> 01:08:06,320

interdimensional portal or something

1376

01:08:10,570 --> 01:08:08,000

like that and I have her guess we'll

1377

01:08:14,740 --> 01:08:10,580

stories and of course in Native American

1378

01:08:16,390 --> 01:08:14,750

culture there's a lot of wolf symbolism

1379

01:08:22,150 --> 01:08:16,400

and and wolf is kind of a you know

1380

01:08:25,060 --> 01:08:22,160

respected animal and you know a lot of

1381

01:08:28,200 --> 01:08:25,070

people identify you know with an animal

1382

01:08:30,970 --> 01:08:28,210

and a lot of times it'll be the wolf and

1383

01:08:35,080 --> 01:08:30,980

so there is something kind of special

1384

01:08:37,720 --> 01:08:35,090

about wolves it seems yeah there is and

1385

01:08:40,390 --> 01:08:37,730

I don't know what that meant but I also

1386

01:08:42,340 --> 01:08:40,400

know that he was just visiting I haven't

1387

01:08:45,480 --> 01:08:42,350

seen it again but it was weird that that

1388

01:08:48,220 --> 01:08:45,490

I would talk to somebody to actually

1389

01:08:50,530 --> 01:08:48,230

collaborate what I said I mean I can't

1390

01:08:53,230 --> 01:08:50,540

believe that she wouldn't just say

1391

01:08:56,050 --> 01:08:53,240

you're flat out nuts said no I've heard

1392

01:08:58,320 --> 01:08:56,060

the exact same story before she doesn't

1393

01:09:00,580 --> 01:08:58,330

but she said that it could be

1394

01:09:03,430 --> 01:09:00,590

interdimensional and I'm going to tell

1395

01:09:05,320 --> 01:09:03,440

you another thing i want to tell you I

1396

01:09:07,420 --> 01:09:05,330

had a very odd thing happened to me one

1397

01:09:09,220 --> 01:09:07,430

time because things that were only

1398

01:09:11,590 --> 01:09:09,230

happening at night are not happening

1399

01:09:13,360 --> 01:09:11,600

during the day and I have to be going up

1400

01:09:15,430 --> 01:09:13,370

to a place in North Hollywood and I

1401

01:09:17,890 --> 01:09:15,440

stopped in Starbucks and I wanted to go

1402

01:09:21,640 --> 01:09:17,900

to the restaurant so I went to this

1403

01:09:24,790 --> 01:09:21,650

bathroom and when I went in also was for

1404

01:09:27,490 --> 01:09:24,800

the sink and like a mirrored hall that

1405

01:09:29,110 --> 01:09:27,500

was it I went where the heck of the

1406

01:09:30,850 --> 01:09:29,120

bathroom I said we'll put like a disco

1407

01:09:34,750 --> 01:09:30,860

room in here you know I mean so I

1408

01:09:38,800 --> 01:09:34,760

started to walk out and I turn around I

1409

01:09:42,220 --> 01:09:38,810

looked at it again I went ok I know

1410

01:09:44,020 --> 01:09:42,230

there's a room here so I understand I

1411

01:09:47,260 --> 01:09:44,030

swear to you I was just talking to the

1412

01:09:49,870 --> 01:09:47,270

air I said I'm gonna stand here and wait

1413

01:09:52,570 --> 01:09:49,880

key turned back and I crossed my arms I

1414

01:09:54,010 --> 01:09:52,580

stood there and waited and little by

1415

01:09:56,560 --> 01:09:54,020

little like I was looking through a

1416

01:09:58,210 --> 01:09:56,570

two-way mirror the room appeared first

1417

01:10:00,250 --> 01:09:58,220

it was you know every Starbucks bathroom

1418

01:10:02,140 --> 01:10:00,260

looks the same you got a shelf on the

1419

01:10:03,900 --> 01:10:02,150

right the commodes on the left is

1420

01:10:06,100 --> 01:10:03,910

another little shelf there's a hand bar

1421

01:10:11,280 --> 01:10:06,110

although they came back little by little

1422

01:10:13,780 --> 01:10:11,290

I went thank you and I energy it's crazy

1423

01:10:15,640 --> 01:10:13,790

so I was thinking well maybe I walked

1424

01:10:17,320 --> 01:10:15,650

into a place that used to be something

1425

01:10:19,390 --> 01:10:17,330

notices something else is actually

1426

01:10:21,760 --> 01:10:19,400

showing or different like to mention or

1427

01:10:28,180 --> 01:10:21,770

something I don't understand what I just

1428

01:10:34,690 --> 01:10:28,190

told you to get her nap nod wow that is

1429

01:10:36,460 --> 01:10:34,700

really really strange now you seem to

1430

01:10:38,770 --> 01:10:36,470

you know you said that you have like

1431

01:10:40,990 --> 01:10:38,780

this affinity for animal

1432

01:10:43,419 --> 01:10:41,000

sir you know animals seem to be drawn to

1433

01:10:45,640 --> 01:10:43,429

you and that sort of thing and I know

1434

01:10:49,660 --> 01:10:45,650

that you're psychic have you ever done

1435

01:10:52,209 --> 01:10:49,670

any work in that area with people's pets

1436

01:10:59,020 --> 01:10:52,219

as a pet psychic or an animal

1437

01:11:01,330 --> 01:10:59,030

communicator well usually no I haven't

1438

01:11:04,870 --> 01:11:01,340

any fight that intentionally but animals

1439

01:11:08,290 --> 01:11:04,880

a little tell me stuff you know and it's

1440

01:11:10,810 --> 01:11:08,300

easily not good to like or whatever my

1441

01:11:12,819 --> 01:11:10,820

mother's house and as soon as I walked

1442

01:11:15,129 --> 01:11:12,829

in the birds chirp to me and I went oh

1443

01:11:17,229 --> 01:11:15,139

my god you're hungry what's wrong they

1444

01:11:19,149 --> 01:11:17,239

were starving and she had not fill up

1445

01:11:20,709 --> 01:11:19,159

the cups they were empty and she had a

1446

01:11:23,049 --> 01:11:20,719

whole can of birdseed sitting right next

1447

01:11:25,689 --> 01:11:23,059

door I thought it was like the saddest

1448

01:11:27,910 --> 01:11:25,699

thing ever thoughts of mom why don't you

1449

01:11:30,490 --> 01:11:27,920

why don't you feed them [h\_\_h] she's I

1450

01:11:32,830 --> 01:11:30,500

heard them to tell you these birds told

1451

01:11:35,770 --> 01:11:32,840

me if they were hungry it was almost

1452

01:11:39,279 --> 01:11:35,780

like a sad little little drill from a

1453

01:11:42,609 --> 01:11:39,289

little visible offensive and I told her

1454

01:11:44,200 --> 01:11:42,619

they told me and I had a convert that

1455

01:11:46,810 --> 01:11:44,210

would send me dreams when he wanted his

1456

01:11:48,669 --> 01:11:46,820

water change he would tell me you know

1457

01:11:51,160 --> 01:11:48,679

in a dream he send me like a cloudy

1458

01:11:53,260 --> 01:11:51,170

water dream I wake up store enough you

1459

01:11:58,359 --> 01:11:53,270

wanted his water Clarissa but you know

1460

01:12:00,339 --> 01:11:58,369

and I've had very strange thing like my

1461

01:12:02,350 --> 01:12:00,349

eye I didn't even know I was friends

1462

01:12:05,080 --> 01:12:02,360

with his dog until it came to me I was

1463

01:12:08,589 --> 01:12:05,090

like driving a prospect and I had an

1464

01:12:12,339 --> 01:12:08,599

image of my daughter's child in my mind

1465

01:12:14,979 --> 01:12:12,349

and it was it was in trouble and it's

1466

01:12:17,799 --> 01:12:14,989

actually needed water so I called my

1467

01:12:19,899 --> 01:12:17,809

daughter I said your child needs water

1468

01:12:21,669 --> 01:12:19,909

go bring wash it just dropped off water

1469

01:12:24,069 --> 01:12:21,679

mom they're okay so they're not okay I'm

1470

01:12:26,830 --> 01:12:24,079

telling I begged your please go check on

1471

01:12:28,990 --> 01:12:26,840

your animals when she did the poor dog

1472

01:12:31,089 --> 01:12:29,000

had called into the house and it was out

1473

01:12:33,729 --> 01:12:31,099

of water they had they had accidentally

1474

01:12:36,040 --> 01:12:33,739

was a very hot day of an eagle they've

1475

01:12:38,950 --> 01:12:36,050

accidentally knocked over the water bowl

1476

01:12:42,520 --> 01:12:38,960

and so one died of exhaustion in the

1477

01:12:44,350 --> 01:12:42,530

house so they'll tell me I know I don't

1478

01:12:47,319 --> 01:12:44,360

know if they reach out to just something

1479

01:12:49,810 --> 01:12:47,329

that's listening or what's what stuff

1480

01:12:52,660 --> 01:12:49,820

like that so I haven't like gone for any

1481

01:12:54,010 --> 01:12:52,670

like random reason they usually come

1482

01:12:59,590 --> 01:12:54,020

me for a different very different

1483

01:13:02,200 --> 01:12:59,600

purpose when you try to help well yeah

1484

01:13:04,390 --> 01:13:02,210

that's that's interesting now where do

1485

01:13:07,540 --> 01:13:04,400

you do you go from here I know you're

1486

01:13:10,120 --> 01:13:07,550

still attending you know getting

1487

01:13:14,140 --> 01:13:10,130

together with people at Cerro and

1488

01:13:17,140 --> 01:13:14,150

probably outside of zero that are having

1489

01:13:19,330 --> 01:13:17,150

these same kind of experiences but I

1490

01:13:21,280 --> 01:13:19,340

know that you you know you work you have

1491

01:13:26,590 --> 01:13:21,290

a job as a forensic counselor and you

1492

01:13:30,640 --> 01:13:26,600

work very interestingly with federal

1493

01:13:32,979 --> 01:13:30,650

prisoners who are still in custody but

1494

01:13:38,200 --> 01:13:32,989

transitioning back into the community

1495

01:13:40,390 --> 01:13:38,210

now right what do you do actually do and

1496

01:13:43,229 --> 01:13:40,400

do you feel like these kind of

1497

01:13:47,669 --> 01:13:43,239

experiences and your psychic abilities

1498

01:13:52,950 --> 01:13:47,679

come into play at all with your work

1499

01:13:55,180 --> 01:13:52,960

yeah not the you know cuz a lot of

1500

01:13:56,890 --> 01:13:55,190

people you think it would be far out

1501

01:13:59,709 --> 01:13:56,900

nursing but they're pretty well

1502

01:14:03,010 --> 01:13:59,719

established in the way they think a lot

1503

01:14:04,660 --> 01:14:03,020

of people aren't open minded you know I

1504

01:14:07,360 --> 01:14:04,670

mean they'll say you really believe in

1505

01:14:09,669 --> 01:14:07,370

UFO yeah right you know there's a very

1506

01:14:12,459 --> 01:14:09,679

scoff Famer and there every now and then

1507

01:14:14,380 --> 01:14:12,469

you get an enlightened soul that really

1508

01:14:16,840 --> 01:14:14,390

need to talk about some things and then

1509

01:14:20,830 --> 01:14:16,850

they'll still talk about it and there's

1510

01:14:22,959 --> 01:14:20,840

a lot of haunted prison prisons so

1511

01:14:26,169 --> 01:14:22,969

they'll tell me stories about things

1512

01:14:30,939 --> 01:14:26,179

that have gone out in prisons and it's

1513

01:14:34,090 --> 01:14:30,949

very strange but have you run into

1514

01:14:37,450 --> 01:14:34,100

anybody who's abducted out of prison by

1515

01:14:41,290 --> 01:14:37,460

aliens they might well they might

1516

01:14:45,400 --> 01:14:41,300

welcome that here yeah we're for people

1517

01:14:48,070 --> 01:14:45,410

yeah yeah some he was somebody you know

1518

01:14:50,020 --> 01:14:48,080

I can't say whatever but they were being

1519

01:14:53,080 --> 01:14:50,030

abducted out of the prison and then sent

1520

01:14:54,910 --> 01:14:53,090

back no you know it's something that you

1521

01:14:56,439 --> 01:14:54,920

would never think of unless you're on

1522

01:14:57,970 --> 01:14:56,449

this topic we're talking right now

1523

01:15:01,450 --> 01:14:57,980

because there's something I've never

1524

01:15:03,729 --> 01:15:01,460

thought of sure yes yes that I don't

1525

01:15:06,310 --> 01:15:03,739

mean necessarily the subject coming up

1526

01:15:08,439 --> 01:15:06,320

in your counseling sessions

1527

01:15:11,050 --> 01:15:08,449

what I was thinking is because of the

1528

01:15:14,140 --> 01:15:11,060

experiences that you've had the things

1529

01:15:17,439 --> 01:15:14,150

that you've gone through it has to have

1530

01:15:19,990 --> 01:15:17,449

changed who you are in in some way it

1531

01:15:23,500 --> 01:15:20,000

has to have added something you know to

1532

01:15:25,180 --> 01:15:23,510

your whole life experience and do you

1533

01:15:28,899 --> 01:15:25,190

feel that because of the things that

1534

01:15:31,600 --> 01:15:28,909

you've been through that it helps you in

1535

01:15:34,959 --> 01:15:31,610

your work either with counseling

1536

01:15:39,580 --> 01:15:34,969

prisoners or you know helping someone

1537

01:15:42,700 --> 01:15:39,590

who's having bad experiences you know I

1538

01:15:46,780 --> 01:15:42,710

got getting ready for my next life which

1539

01:15:50,020 --> 01:15:46,790

will be more the same but no my done is

1540

01:15:52,780 --> 01:15:50,030

a I kind of compartmentalize everything

1541

01:15:56,560 --> 01:15:52,790

and I've had the kids called me to have

1542

01:15:58,870 --> 01:15:56,570

a touch or a knowing or shine or you

1543

01:16:00,970 --> 01:15:58,880

know a lot of many many people have told

1544

01:16:05,140 --> 01:16:00,980

me that if I don't try to flip them with

1545

01:16:07,780 --> 01:16:05,150

what I know he's City que yo wat scare

1546

01:16:11,770 --> 01:16:07,790

people cuz people get scared well I know

1547

01:16:14,550 --> 01:16:11,780

because I know anything more yeah so you

1548

01:16:17,979 --> 01:16:14,560

have any way I had it the first one I

1549

01:16:19,510 --> 01:16:17,989

hadn't really brought up you know but i

1550

01:16:25,089 --> 01:16:19,520

am going to touch on the subject a

1551  
01:16:29,680 --> 01:16:25,099  
little bit i know that you were shown by

1552  
01:16:33,370 --> 01:16:29,690  
the ets some sort of end-of-the-world

1553  
01:16:36,640 --> 01:16:33,380  
scenarios yeah and it's really

1554  
01:16:38,700 --> 01:16:36,650  
interesting because I you know I don't

1555  
01:16:41,319 --> 01:16:38,710  
know if you knew this I mean I know that

1556  
01:16:42,729 --> 01:16:41,329  
we talked about it earlier today and we

1557  
01:16:45,330 --> 01:16:42,739  
were trying to figure out if we'd ever

1558  
01:16:49,450 --> 01:16:45,340  
met long ago because I was involved with

1559  
01:16:52,030 --> 01:16:49,460  
zero at its inception and I was one of

1560  
01:16:54,490 --> 01:16:52,040  
the founders with Yvonne Smith at the

1561  
01:16:56,649 --> 01:16:54,500  
time and Yvonne has stuck it out and

1562  
01:16:59,169 --> 01:16:56,659  
carried it through and she's still

1563  
01:17:03,910 --> 01:16:59,179

keeping it going and this was more years

1564

01:17:08,200 --> 01:17:03,920  
ago than I'd like to admit to but I

1565

01:17:12,040 --> 01:17:08,210  
remember at the time I had had this

1566

01:17:16,629 --> 01:17:12,050  
lifelong dream which I always called my

1567

01:17:20,140 --> 01:17:16,639  
end-of-the-world dream and in it I would

1568

01:17:22,479 --> 01:17:20,150  
be outdoors and I would look up

1569

01:17:26,290 --> 01:17:22,489  
and suddenly the sky would just be full

1570

01:17:28,959 --> 01:17:26,300  
of craft of UFOs like flying in

1571

01:17:33,310 --> 01:17:28,969  
formation and different groups like just

1572

01:17:36,280 --> 01:17:33,320  
armada of UFOs coming and coming and so

1573

01:17:39,700 --> 01:17:36,290  
just sort of as an experiment when

1574

01:17:42,760 --> 01:17:39,710  
anyone would show up at zero I would

1575

01:17:46,380 --> 01:17:42,770  
just ask them do you have an

1576

01:17:50,770 --> 01:17:46,390

end-of-the-world dream and it was

1577

01:17:54,700 --> 01:17:50,780

uncanny how many people almost every

1578

01:17:56,890 --> 01:17:54,710

person said yeah it's like UFOs coming

1579

01:17:59,290 --> 01:17:56,900

and coming and I couldn't figure out

1580

01:18:01,270 --> 01:17:59,300

okay is this the end of the world or is

1581

01:18:05,820 --> 01:18:01,280

this the end of the world and everything

1582

01:18:09,340 --> 01:18:05,830

that as we know it so can you tell me

1583

01:18:11,740 --> 01:18:09,350

what the scenario was or some of the

1584

01:18:15,760 --> 01:18:11,750

scenarios and you don't have to go into

1585

01:18:18,100 --> 01:18:15,770

huge detail you know whatever you're

1586

01:18:20,530 --> 01:18:18,110

comfortable with telling but did it have

1587

01:18:25,419 --> 01:18:20,540

anything to do with like tons and tons

1588

01:18:28,060 --> 01:18:25,429

of spaceships I have gym today in terms

1589

01:18:29,979 --> 01:18:28,070

of all of them coming through but kind

1590

01:18:32,979 --> 01:18:29,989

of men assisting from the clouds that

1591

01:18:35,470 --> 01:18:32,989

there'd be we will be watching you know

1592

01:18:36,970 --> 01:18:35,480

there's so there be first you don't seem

1593

01:18:39,939 --> 01:18:36,980

and then all the sudden there there and

1594

01:18:42,700 --> 01:18:39,949

there would be hundreds of the same time

1595

01:18:44,560 --> 01:18:42,710

but it's usually when a lot of people

1596

01:18:46,689 --> 01:18:44,570

are out on the lawn looking almost like

1597

01:18:49,060 --> 01:18:46,699

they're gathered for like a fourth of

1598

01:18:51,430 --> 01:18:49,070

July and I've had many many dreams of

1599

01:18:56,110 --> 01:18:51,440

them coming on the ocean or coming on

1600

01:18:58,630 --> 01:18:56,120

the shore and also that that connects

1601  
01:19:02,290 --> 01:18:58,640  
with the end-of-the-world scenario but

1602  
01:19:05,040 --> 01:19:02,300  
what my vision of it is say did you show

1603  
01:19:07,930 --> 01:19:05,050  
me everything going up some flames but

1604  
01:19:09,760 --> 01:19:07,940  
I've also been shown how we're supposed

1605  
01:19:12,729 --> 01:19:09,770  
to acts at the end of the world and

1606  
01:19:15,790 --> 01:19:12,739  
we're not supposed to you know act on

1607  
01:19:18,729 --> 01:19:15,800  
our own behalf of so to help others you

1608  
01:19:21,280 --> 01:19:18,739  
know the end of the world is not for us

1609  
01:19:23,590 --> 01:19:21,290  
personally and assert that way it's for

1610  
01:19:24,820 --> 01:19:23,600  
your neighbor so if they need help go

1611  
01:19:27,520 --> 01:19:24,830  
help them that's what's going to help

1612  
01:19:30,250 --> 01:19:27,530  
you not gathering more stuff not

1613  
01:19:32,919 --> 01:19:30,260

hoarding more stuff right what's going

1614

01:19:33,700 --> 01:19:32,929

to help you any yeah don't hoard because

1615

01:19:36,400 --> 01:19:33,710

with

1616

01:19:38,080 --> 01:19:36,410

guy save you the saving now that's going

1617

01:19:39,100 --> 01:19:38,090

to help you tear your fear is going to

1618

01:19:42,010 --> 01:19:39,110

be the worst thing that you have to

1619

01:19:45,430 --> 01:19:42,020

combat is the fear and horror you know

1620

01:19:47,110 --> 01:19:45,440

that a thing for over and I don't think

1621

01:19:49,390 --> 01:19:47,120

it's going to happen in our lifetime I

1622

01:19:51,160 --> 01:19:49,400

know people think it's any of the world

1623

01:19:53,620 --> 01:19:51,170

coming up but i don't think so i don't

1624

01:19:56,500 --> 01:19:53,630

get what I have dreamt it did happen in

1625

01:19:59,620 --> 01:19:56,510

my lifetime but I don't really think it

1626  
01:20:02,410 --> 01:19:59,630  
is going to happen that's just me you

1627  
01:20:05,440 --> 01:20:02,420  
know i think i think that like a couple

1628  
01:20:08,290 --> 01:20:05,450  
days ago i'm really upset about what's

1629  
01:20:10,390 --> 01:20:08,300  
going on in the Middle Eastern with that

1630  
01:20:12,760 --> 01:20:10,400  
burning of that man all that I went to

1631  
01:20:14,650 --> 01:20:12,770  
me I went that is that's the end of them

1632  
01:20:17,410 --> 01:20:14,660  
when they burnt that guy like that

1633  
01:20:18,760 --> 01:20:17,420  
because they're just trying to horrify

1634  
01:20:20,770 --> 01:20:18,770  
us more and more and they're just

1635  
01:20:22,240 --> 01:20:20,780  
thinking of ways of amusing themselves a

1636  
01:20:24,729 --> 01:20:22,250  
horrifying the world I thought that's

1637  
01:20:27,550 --> 01:20:24,739  
the end of them and i'm pretty sure it's

1638  
01:20:28,870 --> 01:20:27,560

going to be over soon and very soon you

1639

01:20:33,610 --> 01:20:28,880

know I've been thinking that for three

1640

01:20:36,060 --> 01:20:33,620

days so you know help them true it is

1641

01:20:39,340 --> 01:20:36,070

there going to be in the caps because

1642

01:20:44,110 --> 01:20:39,350

you can't tolerate this stuff for so

1643

01:20:47,140 --> 01:20:44,120

long ago take them all out it really you

1644

01:20:51,250 --> 01:20:47,150

know it boggles the imagination and

1645

01:20:53,650 --> 01:20:51,260

bottles the mind to wonder now you see a

1646

01:20:56,410 --> 01:20:53,660

lot of or you hear a lot of stories

1647

01:20:59,830 --> 01:20:56,420

about young people you know becoming

1648

01:21:02,830 --> 01:20:59,840

radicalized and heading you know for

1649

01:21:06,420 --> 01:21:02,840

Syria or heading somewhere to join up

1650

01:21:09,400 --> 01:21:06,430

with you know Isis the Islamic state and

1651  
01:21:12,370 --> 01:21:09,410  
you think you know why would that

1652  
01:21:15,120 --> 01:21:12,380  
possibly be attractive to anyone you

1653  
01:21:18,130 --> 01:21:15,130  
know making I'm not even going to

1654  
01:21:20,560 --> 01:21:18,140  
dignify what they do with repeating

1655  
01:21:22,900 --> 01:21:20,570  
exactly what they've done to people we

1656  
01:21:26,620 --> 01:21:22,910  
all know about it it's horrible and

1657  
01:21:28,810 --> 01:21:26,630  
horrifying and they do it in a such a

1658  
01:21:31,360 --> 01:21:28,820  
public way they videotape it and they

1659  
01:21:35,050 --> 01:21:31,370  
put it on the internet and you know some

1660  
01:21:37,750 --> 01:21:35,060  
news stations show it and it's like why

1661  
01:21:40,870 --> 01:21:37,760  
would that be attractive to young people

1662  
01:21:43,060 --> 01:21:40,880  
you know I just don't I don't know it

1663  
01:21:45,310 --> 01:21:43,070

would seem to me like off destructive

1664

01:21:47,680 --> 01:21:45,320

and but they're like a very bad

1665

01:21:50,140 --> 01:21:47,690

two-year-old happened

1666

01:21:52,709 --> 01:21:50,150

doing with guns I just want to take if

1667

01:21:56,439 --> 01:21:52,719

I'm visible you're all going invisible I

1668

01:22:01,180 --> 01:21:56,449

had very many odd experiences and one

1669

01:22:03,160 --> 01:22:01,190

time I unfortunately was hitchhiking so

1670

01:22:07,930 --> 01:22:03,170

you know this had to be the 70s outfit

1671

01:22:10,000 --> 01:22:07,940

shaking and I as soon as I put my hand

1672

01:22:12,729 --> 01:22:10,010

on the door his car I remember the white

1673

01:22:17,160 --> 01:22:12,739

keyboard I knew I was in trouble I don't

1674

01:22:19,990 --> 01:22:17,170

know why I just didn't run then but uh I

1675

01:22:22,540 --> 01:22:20,000

got in a car anyway even though I knew

1676

01:22:23,830 --> 01:22:22,550

it was bad but I over that's what I'm

1677

01:22:25,750 --> 01:22:23,840

telling people listen to your sixth

1678

01:22:28,479 --> 01:22:25,760

sense do not override it I don't

1679

01:22:29,890 --> 01:22:28,489

overwrite it anymore I used to override

1680

01:22:32,310 --> 01:22:29,900

it when I was you know because no no

1681

01:22:35,470 --> 01:22:32,320

people aren't like that oh yes they are

1682

01:22:38,080 --> 01:22:35,480

so these guys took me they're going to

1683

01:22:41,050 --> 01:22:38,090

they're going to possibly rape and kill

1684

01:22:43,180 --> 01:22:41,060

me know it guess I can try rate me but I

1685

01:22:45,250 --> 01:22:43,190

summer I started praying to God and I my

1686

01:22:48,970 --> 01:22:45,260

life flashed before my eyes now I was

1687

01:22:52,209 --> 01:22:48,980

praying that god help me God help me out

1688

01:22:54,610 --> 01:22:52,219

of this and thought get help me out of

1689

01:22:58,120 --> 01:22:54,620

it so some reason some magic started

1690

01:23:00,790 --> 01:22:58,130

happening and this one guard took pity

1691

01:23:03,910 --> 01:23:00,800

on me not both of them but the one had

1692

01:23:07,510 --> 01:23:03,920

seemed to have power or the other one so

1693

01:23:11,170 --> 01:23:07,520

they stop they were doing let me go but

1694

01:23:12,700 --> 01:23:11,180

I asked them why I was really scared but

1695

01:23:17,170 --> 01:23:12,710

look like they really working let me go

1696

01:23:19,630 --> 01:23:17,180

so they're driving me around and I asked

1697

01:23:22,450 --> 01:23:19,640

him why and they said because nobody

1698

01:23:28,720 --> 01:23:22,460

cares about us and we don't care about

1699

01:23:30,100 --> 01:23:28,730

you just that simple hmm so nobody cares

1700

01:23:32,110 --> 01:23:30,110

about those young men and they don't

1701

01:23:35,470 --> 01:23:32,120

care about anybody so you will feel my

1702

01:23:38,830 --> 01:23:35,480

pain yeah I'm saying so there is this

1703

01:23:41,350 --> 01:23:38,840

sick this they're sick at heart yeah

1704

01:23:43,390 --> 01:23:41,360

it's very sad very sad I don't know how

1705

01:23:48,790 --> 01:23:43,400

we got onto this from alien abduction

1706

01:23:51,610 --> 01:23:48,800

but now for win the world yeah when do

1707

01:23:53,770 --> 01:23:51,620

you uh you say you don't see this

1708

01:23:55,930 --> 01:23:53,780

happening in our lifetime I mean a lot

1709

01:23:59,590 --> 01:23:55,940

of people say that it will I mean of

1710

01:24:01,150 --> 01:23:59,600

course we had the you know the 2012

1711

01:24:01,540 --> 01:24:01,160

thing where everybody thought the world

1712

01:24:05,399 --> 01:24:01,550

was

1713

01:24:07,510 --> 01:24:05,409

and at the end of the Mayan calendar and

1714

01:24:09,959 --> 01:24:07,520

you know and we've had this happen

1715

01:24:13,209 --> 01:24:09,969

before in other even in other centuries

1716

01:24:16,180 --> 01:24:13,219

that you know there's always been sort

1717

01:24:19,030 --> 01:24:16,190

of doomsday cults and you know doomsday

1718

01:24:22,089 --> 01:24:19,040

prophets and everyone thinks it's going

1719

01:24:24,819 --> 01:24:22,099

to happen in their lifetime but you

1720

01:24:27,549 --> 01:24:24,829

don't see that as a psycho you know I

1721

01:24:29,709 --> 01:24:27,559

think our wolves going to end you know

1722

01:24:32,020 --> 01:24:29,719

one person except bring this up i

1723

01:24:33,609 --> 01:24:32,030

finally said old woman I said you're

1724

01:24:37,120 --> 01:24:33,619

gonna die that's the end of your world

1725

01:24:40,180 --> 01:24:37,130

we don't want to go with you we have to

1726

01:24:41,260 --> 01:24:40,190

all go the same time Jeremy so I don't

1727

01:24:43,020 --> 01:24:41,270

know why they want to die and take

1728

01:24:46,870 --> 01:24:43,030

everybody with though I'm not going to

1729

01:24:48,520 --> 01:24:46,880

so we all do have are in here you know

1730

01:24:52,720 --> 01:24:48,530

because we live out our span and then

1731

01:24:55,479 --> 01:24:52,730

we're going you know but you know in

1732

01:24:58,569 --> 01:24:55,489

this morning that that may be at the

1733

01:25:00,310 --> 01:24:58,579

heart of people feeling like the world's

1734

01:25:02,620 --> 01:25:00,320

going to end in my life lifetime is

1735

01:25:05,020 --> 01:25:02,630

because you know we are kind of

1736

01:25:06,819 --> 01:25:05,030

egotistical beings and we probably just

1737

01:25:10,120 --> 01:25:06,829

can't imagine the world going on without

1738

01:25:14,530 --> 01:25:10,130

us when we're gone the world you know I

1739

01:25:16,540 --> 01:25:14,540

don't know people they have you know

1740

01:25:17,890 --> 01:25:16,550

this whole little following and then

1741

01:25:19,680 --> 01:25:17,900

they're all going to go like lemmings

1742

01:25:22,810 --> 01:25:19,690

over there a thing together going to die

1743

01:25:25,240 --> 01:25:22,820

we always going to die you know I'm it's

1744

01:25:29,049 --> 01:25:25,250

a real our soul will live on you know

1745

01:25:30,580 --> 01:25:29,059

that too yeah you know I did have an

1746

01:25:32,500 --> 01:25:30,590

experience that it was the end of my

1747

01:25:34,990 --> 01:25:32,510

life I had the dream both of us but a

1748

01:25:36,819 --> 01:25:35,000

month ago and that's her and there was

1749

01:25:38,799 --> 01:25:36,829

at the end and then I was going down

1750

01:25:41,589 --> 01:25:38,809

this path and it was just like a plain

1751  
01:25:43,750 --> 01:25:41,599  
hallway and I was tired and there was a

1752  
01:25:45,370 --> 01:25:43,760  
guide there he was saying come on let's

1753  
01:25:47,379 --> 01:25:45,380  
go just a little further and I wouldn't

1754  
01:25:49,780 --> 01:25:47,389  
you know I'm really tired and I was in

1755  
01:25:52,330 --> 01:25:49,790  
pain everything it's the first time I

1756  
01:25:56,080 --> 01:25:52,340  
dream that I was really expressing the

1757  
01:25:58,899 --> 01:25:56,090  
pain that I felt and then he could just

1758  
01:26:00,640 --> 01:25:58,909  
a little further and I said okay so I

1759  
01:26:04,990 --> 01:26:00,650  
kept going if I went around this corner

1760  
01:26:06,399 --> 01:26:05,000  
and there was heaven so this guide he

1761  
01:26:08,740 --> 01:26:06,409  
looked like a tour guide he could have

1762  
01:26:10,750 --> 01:26:08,750  
been as you guys he look like he not

1763  
01:26:12,640 --> 01:26:10,760

look like a big angel that I was

1764

01:26:14,589 --> 01:26:12,650

expecting he actually looked like you

1765

01:26:15,490 --> 01:26:14,599

know I guy in khakis you told me which

1766

01:26:18,490 --> 01:26:15,500

way to go

1767

01:26:21,700 --> 01:26:18,500

and nature i looked at me he said soon

1768

01:26:23,470 --> 01:26:21,710

but not now so then I realized I asking

1769

01:26:25,780 --> 01:26:23,480

I'm sick yeah I went to the doc can find

1770

01:26:29,140 --> 01:26:25,790

1771

01:26:31,390 --> 01:26:29,150

how I found out did you know google

1772

01:26:33,220 --> 01:26:31,400

1773

01:26:36,490 --> 01:26:33,230

1774

1776

1777

01:26:49,540 --> 01:26:44,240
