get down too soon of light radio

62  
00:03:56,319 --> 00:03:49,670  
business let me say a couple of stories

63  
00:04:01,740 --> 00:03:56,329

about my friend mr. nucleus ate some

64

00:04:06,129 --> 00:04:01,750

years ago in 1998 I was going to a

65

00:04:09,780 --> 00:04:06,139

spiritual gathering friend of mine by

66

00:04:14,710 --> 00:04:09,790

the name of Laura came up to me and

67

00:04:16,029 --> 00:04:14,720

asked me strangely aah and she's a funny

68

00:04:18,189 --> 00:04:16,039

girl and she was being funny that day

69

00:04:20,319 --> 00:04:18,199

but there was a note of seriousness in

70

00:04:21,969 --> 00:04:20,329

what she was asking me she asked me she

71

00:04:25,960 --> 00:04:21,979

says Keith do you want to meet an alien

72

00:04:29,980 --> 00:04:25,970

being and I said well sure she said well

73

00:04:34,870 --> 00:04:29,990

follow me so I did just that one sure

74

00:04:38,200 --> 00:04:34,880

what to expect exactly so I followed her

75

00:04:41,050 --> 00:04:38,210

and she brought me upon um it's a very

76

00:04:45,070 --> 00:04:41,060

short statue of a woman and when she

77

00:04:48,100 --> 00:04:45,080

said hi Keith nucleus ate the being that

78

00:04:52,000 --> 00:04:48,110

turned around began to speak to me was

79

00:04:55,659 --> 00:04:52,010

not that was not the woman excuse me on

80

00:04:59,020 --> 00:04:55,669

the voice the power the the boldness

81

00:05:00,909 --> 00:04:59,030

that came out of this little lady was

82

00:05:03,129 --> 00:05:00,919

truly very very powerful very very

83

00:05:05,230 --> 00:05:03,139

masculine and the first thing that

84

00:05:09,100 --> 00:05:05,240

nucleus said to me is what is it you

85

00:05:10,980 --> 00:05:09,110

want from me and I'm thinking myself huh

86

00:05:13,870 --> 00:05:10,990

that's a heck of a way to greet someone

87

00:05:16,480 --> 00:05:13,880

and he says I know what let me help you

88

00:05:21,850 --> 00:05:16,490

you want data and I thought that were to

89

00:05:24,010 --> 00:05:21,860

be a little alien shortly upon after

90

00:05:26,950 --> 00:05:24,020

that we became very very good friends

91

00:05:31,330 --> 00:05:26,960

and I began to spend time with nucleus

92

00:05:33,290 --> 00:05:31,340

eight in wrecks lots of strange

93

00:05:34,790 --> 00:05:33,300

phenomena at least from that point in my

94

00:05:39,409 --> 00:05:34,800

life the level of conscious awareness

95

00:05:43,460 --> 00:05:39,419

I've had then nucleus had the ability

96

00:05:47,890 --> 00:05:43,470

and Rex without you this while I'm lying

97

00:05:52,070 --> 00:05:47,900

down conscious that is grab my hand

98

00:05:54,740 --> 00:05:52,080

gently begin to tug on my arm and begin

99

00:05:57,409 --> 00:05:54,750

to pull me out of my body through his

100

00:06:02,210 --> 00:05:57,419

tug on my arm I had the opportunity to

101  
00:06:04,399 --> 00:06:02,220  
experience his spaceship my first

102  
00:06:06,830 --> 00:06:04,409  
thought when i entered the ship where

103  
00:06:08,510 --> 00:06:06,840  
all the chairs the chairs popped out of

104  
00:06:11,589 --> 00:06:08,520  
the wall when I was done with the

105  
00:06:14,839 --> 00:06:11,599  
thought the chairs went back on the wall

106  
00:06:17,390 --> 00:06:14,849  
so as time moves forward I've been begin

107  
00:06:19,820 --> 00:06:17,400  
to have the most far-out experiences

108  
00:06:22,399 --> 00:06:19,830  
with nucleus a we're going to talk about

109  
00:06:27,950 --> 00:06:22,409  
a lot of that as the show continues let

110  
00:06:30,080 --> 00:06:27,960  
me tell you about my guest today dr. Rex

111  
00:06:33,350 --> 00:06:30,090  
hair is a clinical retired psychologist

112  
00:06:35,240 --> 00:06:33,360

114

00:06:40,999 --> 00:06:38,279

mental disorders he has always believed

115

00:06:42,680 --> 00:06:41,009

in the existence of God seeks to do his

116

00:06:45,999 --> 00:06:42,690

will and attempts to live by the golden

117

00:06:48,709 --> 00:06:46,009

rule upon the urging of Alta Shaw

118

00:06:51,409 --> 00:06:48,719

Margaery the little lady I was telling

119

00:06:54,260 --> 00:06:51,419

you about Marjorie's guardian angel he

120

00:06:56,180 --> 00:06:54,270

kept daily notes for 15 years about

121

00:06:58,219 --> 00:06:56,190

their incredible experiences with

122

00:07:01,760 --> 00:06:58,229

interdimensional beings which are the

123

00:07:03,529 --> 00:07:01,770

basis for his books when others show

124

00:07:06,110 --> 00:07:03,539

interest he enjoys discussing the many

125

00:07:08,600 --> 00:07:06,120

spiritual adventures he and his

126  
00:07:11,809 --> 00:07:08,610  
interdimensional family experienced he

127  
00:07:14,570 --> 00:07:11,819  
lives in a house he built by hand with

128  
00:07:17,420 --> 00:07:14,580  
help from his earthly family and keeps

129  
00:07:20,920 --> 00:07:17,430  
his tractor in other tools in the barn

130  
00:07:24,050 --> 00:07:20,930  
he built with help from nucleus 8 a

131  
00:07:26,540 --> 00:07:24,060  
channeling extraterrestrial which are

132  
00:07:29,559 --> 00:07:26,550  
located on 12 acres of his beloved trees

133  
00:07:34,129 --> 00:07:29,569  
and pasture in rural North West

134  
00:07:37,670 --> 00:07:34,139  
Tennessee dr. Rex hair welcome to center

135  
00:07:39,769 --> 00:07:37,680  
of light radio thanks Keith good to be

136  
00:07:44,530 --> 00:07:39,779  
here can you hear me okay I hear you

137  
00:07:49,640 --> 00:07:44,540  
just fine sir good thanks for the intro

138  
00:07:51,170 --> 00:07:49,650

no thank you too so you have spoken to

139

00:07:54,999 --> 00:07:51,180

nucleus recently that is that correct

140

00:07:59,150 --> 00:07:55,009

well I didn't speak to him directly he

141

00:08:03,170 --> 00:07:59,160

contacted me on my Facebook huh and you

142

00:08:06,170 --> 00:08:03,180

were contacted at the same time but I

143

00:08:09,499 --> 00:08:06,180

was since I was in Fayetteville over

144

00:08:13,310 --> 00:08:09,509

last weekend at a conference of the

145

00:08:15,740 --> 00:08:13,320

ozark Research Institute which has been

146

00:08:18,939 --> 00:08:15,750

dealing with extraterrestrial contacts

147

00:08:21,490 --> 00:08:18,949

and healing and dousing and all sorts of

148

00:08:27,170 --> 00:08:21,500

what might be called paranormal

149

00:08:28,850 --> 00:08:27,180

phenomena for years and years they're

150

00:08:31,040 --> 00:08:28,860

famous for the healing work and of

151

00:08:34,730 --> 00:08:31,050

course a lot of the conference was was

152

00:08:37,430 --> 00:08:34,740

oriented in that direction but I was

153

00:08:42,620 --> 00:08:37,440

having a conversation with a woman there

154

00:08:46,280 --> 00:08:42,630

who was having a problem of with some of

155

00:08:49,370 --> 00:08:46,290

her clients who are being accosted at

156

00:08:52,130 --> 00:08:49,380

all during the night I some kind of

157

00:08:55,100 --> 00:08:52,140

strange being that seemed to be part

158

00:08:57,680 --> 00:08:55,110

human and part robotic it looked like a

159

00:09:00,320 --> 00:08:57,690

human but the the left side of its head

160

00:09:03,140 --> 00:09:00,330

had a metal plate where the skull should

161

00:09:07,040 --> 00:09:03,150

be which made me think of right away

162

00:09:11,060 --> 00:09:07,050

about a cyborg type being you know half

163

00:09:15,680 --> 00:09:11,070

half robot half human and because of her

164

00:09:18,590 --> 00:09:15,690

description it occurred to me that it

165

00:09:21,140 --> 00:09:18,600

indeed might be representative

166

00:09:24,620 --> 00:09:21,150

representing some of the dark forces

167

00:09:28,400 --> 00:09:24,630

that exist out there in other dimensions

168

00:09:31,010 --> 00:09:28,410

and in this one now this this woman's

169

00:09:32,750 --> 00:09:31,020

clients were being kept awake all night

170

00:09:34,640 --> 00:09:32,760

long by this being it would say these

171

00:09:37,910 --> 00:09:34,650

terrible things to them things that we

172

00:09:41,030 --> 00:09:37,920

would upset anyone and on top of that

173

00:09:45,710 --> 00:09:41,040

these people were empaths extremely

174

00:09:47,750 --> 00:09:45,720

sensitive to feelings imp as often feel

175

00:09:50,150 --> 00:09:47,760

everything that happens around them as

176  
00:09:52,760 --> 00:09:50,160  
an emotion and sometimes that goes to

177  
00:09:55,400 --> 00:09:52,770  
the extreme so this this these entities

178  
00:09:57,710 --> 00:09:55,410  
were attacking them emotionally and

179  
00:09:58,210 --> 00:09:57,720  
psychologically keeping them awake all

180  
00:10:00,010 --> 00:09:58,220  
night

181  
00:10:02,610 --> 00:10:00,020  
to the point they were becoming very

182  
00:10:06,610 --> 00:10:02,620  
depressed and even considering suicide

183  
00:10:08,710 --> 00:10:06,620  
once so the conversation I was having

184  
00:10:10,570 --> 00:10:08,720  
with this woman who was considered

185  
00:10:13,900 --> 00:10:10,580  
concerned because she did not know how

186  
00:10:15,910 --> 00:10:13,910  
to eliminate these entities she had much

187  
00:10:20,050 --> 00:10:15,920  
experience getting rid of negative

188  
00:10:24,430 --> 00:10:20,060

entities over many years but these were

189

00:10:29,010 --> 00:10:24,440

very resistant so since I thought these

190

00:10:35,280 --> 00:10:29,020

might be cyborgs type beings I asked her

191

00:10:41,320 --> 00:10:38,440

anyhow we knew that nucleus aide was

192

00:10:44,230 --> 00:10:41,330

listening to our conversation because he

193

00:10:52,540 --> 00:10:44,240

answered the question yes through her

194

00:10:54,880 --> 00:10:52,550

pendulum and I felt when nucleus got

195

00:10:57,610 --> 00:10:54,890

involved I felt his energy it was like

196

00:11:00,340 --> 00:10:57,620

you know my body was I had goosebumps

197

00:11:02,110 --> 00:11:00,350

and I could feel that spiritual thrill

198

00:11:04,390 --> 00:11:02,120

that runs up and down your spine when

199

00:11:07,780 --> 00:11:04,400

you encounter something out of the

200

00:11:10,450 --> 00:11:07,790

ordinary anyhow it was listening in on

201  
00:11:15,120 --> 00:11:10,460  
our conversation and by asking questions

202  
00:11:18,040 --> 00:11:15,130  
and so forth it appeared that indeed

203  
00:11:23,260 --> 00:11:18,050  
members of the conspiracy that had

204  
00:11:25,860 --> 00:11:23,270  
attempted to overthrow his society who

205  
00:11:29,740 --> 00:11:25,870  
were thought to all be contained and

206  
00:11:32,560 --> 00:11:29,750  
disposed of one way or another had

207  
00:11:36,010 --> 00:11:32,570  
actually succeeded in creating the

208  
00:11:42,130 --> 00:11:36,020  
cyborg type individuals because they had

209  
00:11:44,860 --> 00:11:42,140  
a system very similar to the 18 has the

210  
00:11:46,510 --> 00:11:44,870  
one that you were introduced to when you

211  
00:11:52,750 --> 00:11:46,520  
thought about a chair and suddenly one

212  
00:11:56,170 --> 00:11:52,760  
appeared if the system if the dark side

213  
00:11:58,420 --> 00:11:56,180

had a system like the Alliance system

214

00:12:02,680 --> 00:11:58,430

that it would be capable of creating

215

00:12:04,840 --> 00:12:02,690

these kind of cyborgs and every time I I

216

00:12:08,470 --> 00:12:04,850

suggested something along those lines

217

00:12:13,420 --> 00:12:08,480

the pendulum would go crazy saying yes

218

00:12:16,210 --> 00:12:13,430

so 8 this woman was also psychic and she

219

00:12:19,480 --> 00:12:16,220

was picking up on H energy and she

220

00:12:25,290 --> 00:12:19,490

envisioned him and she said he is really

221

00:12:28,300 --> 00:12:25,300

pissed now because I've seen that side

222

00:12:32,560 --> 00:12:28,310

the dark that he thought was totally

223

00:12:37,360 --> 00:12:32,570

contained has not been contained and it

224

00:12:40,769 --> 00:12:37,370

was attacking empaths on earth and the

225

00:12:46,170 --> 00:12:40,779

woman I was with through her pendulum

226

00:12:49,090 --> 00:12:46,180

learned that these cyborgs type entities

227

00:12:53,759 --> 00:12:49,100

intended to attack two-point-five

228

00:12:57,189 --> 00:12:53,769

percent of the human population on earth

229

00:13:00,699 --> 00:12:57,199

now it's estimated that we have about 7

230

00:13:04,990 --> 00:13:00,709

billion people on earth right now that

231

00:13:08,199 --> 00:13:05,000

means 175 million people we're going to

232

00:13:10,060 --> 00:13:08,209

be targeted and what better place if you

233

00:13:14,250 --> 00:13:10,070

want to create negative powerful

234

00:13:17,680 --> 00:13:14,260

negative emotions than to attack impasse

235

00:13:20,230 --> 00:13:17,690

it's also estimated that I did some

236

00:13:22,269 --> 00:13:20,240

research on this just recently that

237

00:13:27,160 --> 00:13:22,279

approximately two to four percent of the

238

00:13:30,189 --> 00:13:27,170

human population are empathes so if the

239

00:13:34,059 --> 00:13:30,199

dark was trying to counteract the

240

00:13:37,569 --> 00:13:34,069

positive effect that the center of light

241

00:13:39,960 --> 00:13:37,579

and and other agencies like you who are

242

00:13:42,389 --> 00:13:39,970

emphasizing the importance of

243

00:13:47,970 --> 00:13:42,399

concentrating on our spiritual light

244

00:13:50,519 --> 00:13:47,980

improving our spiritual practices

245

00:13:53,470 --> 00:13:50,529

increasing our frequency of vibration

246

00:13:56,670 --> 00:13:53,480

all as part of this ascension process

247

00:14:00,180 --> 00:13:56,680

that we hear so much about these days

248

00:14:04,120 --> 00:14:00,190

then if they could create a counter

249

00:14:07,059 --> 00:14:04,130

force equal to the positive force it

250

00:14:08,860 --> 00:14:07,069

would negate it and would definitely

251  
00:14:14,139 --> 00:14:08,870  
interfere with the soul ascension

252  
00:14:16,600 --> 00:14:14,149  
process the ceiling absolutely Rex if we

253  
00:14:18,790 --> 00:14:16,610  
could because on you and I have danced

254  
00:14:20,679 --> 00:14:18,800  
this dance many times being new to

255  
00:14:21,820 --> 00:14:20,689  
inception radio and being new to this

256  
00:14:24,370 --> 00:14:21,830  
listening audience

257  
00:14:27,040 --> 00:14:24,380  
let's back up a little bit and tell a

258  
00:14:30,190 --> 00:14:27,050  
little bit of the story of how nucleus

259  
00:14:33,010 --> 00:14:30,200  
arrived in your life what his role is

260  
00:14:35,140 --> 00:14:33,020  
and all that good stuff that people can

261  
00:14:36,910 --> 00:14:35,150  
understand that this is just not some

262  
00:14:38,680 --> 00:14:36,920  
far-out cookie story and this is

263  
00:14:41,850 --> 00:14:38,690

something that was really really close

264

00:14:44,650 --> 00:14:41,860

to home with you no pun intended

265

00:14:46,720 --> 00:14:44,660

literally in your house I mean would you

266

00:14:50,620 --> 00:14:46,730

tell how nucleus made his entrance into

267

00:14:56,350 --> 00:14:50,630

your life and what his role is as an

268

00:15:02,190 --> 00:14:56,360

alien-human hybrid okay my ex-wife

269

00:15:07,030 --> 00:15:02,200

Marjorie is an extremely gifted channel

270

00:15:09,760 --> 00:15:07,040

and she began to channel after I started

271

00:15:11,850 --> 00:15:09,770

helping her with drama that she had

272

00:15:15,970 --> 00:15:11,860

experienced from early childhood

273

00:15:17,710 --> 00:15:15,980

beginning at age four and she was one of

274

00:15:21,910 --> 00:15:17,720

the most traumatized people I have ever

275

00:15:24,010 --> 00:15:21,920

met because she did she had traumas all

276

00:15:26,550 --> 00:15:24,020

through her life physical psychological

277

00:15:29,860 --> 00:15:26,560

sexual you name it it happened to her

278

00:15:33,100 --> 00:15:29,870

including an ex-husband tried to choke

279

00:15:36,880 --> 00:15:33,110

her to death and burn down her house so

280

00:15:39,640 --> 00:15:36,890

she was a mess psychologically when we

281

00:15:41,530 --> 00:15:39,650

met and I began working with her through

282

00:15:45,400 --> 00:15:41,540

hypnotic regression to try and help her

283

00:15:48,760 --> 00:15:45,410

overcome these traumas and immediately I

284

00:15:53,350 --> 00:15:48,770

started receiving help from her guardian

285

00:15:56,860 --> 00:15:53,360

angel alta shah and it was off the shah

286

00:16:01,060 --> 00:15:56,870

who told nucleus 8 that he should

287

00:16:04,450 --> 00:16:01,070

contact me through my conversations with

288

00:16:08,290 --> 00:16:04,460

nucleus eight i discovered that Marjorie

289

00:16:11,650 --> 00:16:08,300

had been making regular journeys to his

290

00:16:16,320 --> 00:16:11,660

headquarters which exists in a dimension

291

00:16:19,270 --> 00:16:16,330

parallel to our own 37 light-years away

292

00:16:23,950 --> 00:16:19,280

turn left and you wind up in nucleus X

293

00:16:25,810 --> 00:16:23,960

dimension yep right up you have to go

294

00:16:29,740 --> 00:16:25,820

through a wormhole of course to get

295

00:16:31,780 --> 00:16:29,750

there but he can do it instantly he

296

00:16:34,290 --> 00:16:31,790

can't wrap his consciousness can be

297

00:16:36,750 --> 00:16:34,300

transferred to earth instant

298

00:16:40,560 --> 00:16:36,760

the back to the station estelí and back

299

00:16:43,170 --> 00:16:40,570

to earth instantly it takes less than a

300

00:16:45,270 --> 00:16:43,180

second for him to do that and so again

301  
00:16:48,360 --> 00:16:45,280  
for the listening audience listening on

302  
00:16:50,400 --> 00:16:48,370  
its this being has awareness and I don't

303  
00:16:52,500 --> 00:16:50,410  
know if it's graduated sense but six

304  
00:16:55,550 --> 00:16:52,510  
different dimensions simultaneously as I

305  
00:16:58,560 --> 00:16:55,560  
correct yes he monitors six dimensions

306  
00:17:02,160 --> 00:16:58,570  
simultaneously the reason he does that

307  
00:17:05,280 --> 00:17:02,170  
and was engineered from from birth to do

308  
00:17:08,220 --> 00:17:05,290  
that because genetic engineering is the

309  
00:17:13,440 --> 00:17:08,230  
strong forte of the Alliance to which he

310  
00:17:17,550 --> 00:17:13,450  
belongs he is the chief of security for

311  
00:17:19,700 --> 00:17:17,560  
the United Federation Alliance which

312  
00:17:23,160 --> 00:17:19,710  
consists of thousands of civilizations

313  
00:17:26,670 --> 00:17:23,170

and those civilizations are not confined

314

00:17:30,300 --> 00:17:26,680

to one single I mentioned when I say

315

00:17:32,580 --> 00:17:30,310

dimension we live in a 3d dimension

316

00:17:36,360 --> 00:17:32,590

basically or 40 dimension with you

317

00:17:37,920 --> 00:17:36,370

include time and everything that we can

318

00:17:40,530 --> 00:17:37,930

see through our telescopes and

319

00:17:42,990 --> 00:17:40,540

everything we can measure is in the same

320

00:17:44,610 --> 00:17:43,000

dimension with us Rex if you could on a

321

00:17:46,860 --> 00:17:44,620

mini interrupt you but it sounds like

322

00:17:49,170 --> 00:17:46,870

there's can you be a little more still

323

00:17:52,620 --> 00:17:49,180

if possible no somehow your mic is very

324

00:17:55,350 --> 00:17:52,630

very excitable if you can it'll help but

325

00:17:57,480 --> 00:17:55,360

he you said that he ok has awareness of

326

00:18:00,060 --> 00:17:57,490

six dimensions and would you continue

327

00:18:02,580 --> 00:18:00,070

from there please ok he is the chief of

328

00:18:04,200 --> 00:18:02,590

security so he has to keep track of the

329

00:18:09,150 --> 00:18:04,210

everything that's going on in the

330

00:18:12,030 --> 00:18:09,160

Alliance essentially and he has monitors

331

00:18:14,610 --> 00:18:12,040

in front of him like you know like the

332

00:18:18,210 --> 00:18:14,620

war room of the how the Defense

333

00:18:19,890 --> 00:18:18,220

Department or something and he receives

334

00:18:25,740 --> 00:18:19,900

all sorts of information on these

335

00:18:27,930 --> 00:18:25,750

various screens one day uh Aldous greens

336

00:18:32,300 --> 00:18:27,940

went blank except for a tiny message

337

00:18:35,280 --> 00:18:32,310

which said that he was to contact me

338

00:18:38,550 --> 00:18:35,290

this blew his mind because it was a

339

00:18:42,950 --> 00:18:38,560

total violation of his security and he

340

00:18:47,450 --> 00:18:45,420

then he told me all this in our first

341

00:18:52,639 --> 00:18:47,460

conversation essentially

342

00:18:55,789 --> 00:18:52,649

uh but I knew because Margie's guardian

343

00:18:59,330 --> 00:18:55,799

angel ultra Shah had already had told me

344

00:19:01,159 --> 00:18:59,340

that he was responsible for making the

345

00:19:05,539 --> 00:19:01,169

screens go blank and for making this

346

00:19:07,639 --> 00:19:05,549

message appear so nucleus was bound and

347

00:19:10,340 --> 00:19:07,649

determined to contact me I mean this was

348

00:19:12,289 --> 00:19:10,350

a momentous event and and he thought he

349

00:19:14,600 --> 00:19:12,299

might even lose his position because

350

00:19:17,659 --> 00:19:14,610

these things are not supposed to happen

351

00:19:21,500 --> 00:19:17,669

under his command everything's supposed

352

00:19:23,539 --> 00:19:21,510

to keep working all the time so the

353

00:19:27,830 --> 00:19:23,549

conversations with him revealed that

354

00:19:30,529 --> 00:19:27,840

Margie had been his star pupil since she

355

00:19:33,769 --> 00:19:30,539

was four years old she was making

356

00:19:35,740 --> 00:19:33,779

regular visits during her sleep to the

357

00:19:39,950 --> 00:19:35,750

station where he is headquartered and

358

00:19:43,039 --> 00:19:39,960

there she was exposed to love she was

359

00:19:47,560 --> 00:19:43,049

exposed to instruction she was exposed

360

00:19:50,060 --> 00:19:47,570

to other extraterrestrial beings and

361

00:19:51,889 --> 00:19:50,070

some one of the interesting things that

362

00:19:55,639 --> 00:19:51,899

would happen to her when she was very

363

00:19:56,960 --> 00:19:55,649

young was they had a game where there

364

00:19:59,870 --> 00:19:56,970  
might be seven or eight different

365

00:20:02,899 --> 00:19:59,880  
species of intelligent beings in the

366

00:20:05,740 --> 00:20:02,909  
room with her and they had these little

367

00:20:09,620 --> 00:20:05,750  
hat like things that they put on and

368

00:20:12,049 --> 00:20:09,630  
then they could experience that other

369

00:20:15,940 --> 00:20:12,059  
person's consciousness that they were

370

00:20:18,830 --> 00:20:15,950  
focused on as if Lee inside their bodies

371

00:20:21,560 --> 00:20:18,840  
so they felt everything that other

372

00:20:24,200 --> 00:20:21,570  
entity felt they knew every thought the

373

00:20:26,630 --> 00:20:24,210  
other entity had and they could

374

00:20:31,010 --> 00:20:26,640  
understand that it is he thoroughly you

375

00:20:34,130 --> 00:20:31,020  
know so this was empathy training which

376

00:20:36,740 --> 00:20:34,140

wouldn't prepare her one day for the

377

00:20:38,510 --> 00:20:36,750

time when she would be dealing with

378

00:20:41,360 --> 00:20:38,520

these than a conscious you know not a

379

00:20:45,830 --> 00:20:41,370

sleep state but a conscious aware every

380

00:20:48,139 --> 00:20:45,840

day state that's just an idea of the

381

00:20:50,360 --> 00:20:48,149

kind of technology they possess I know

382

00:20:54,320 --> 00:20:50,370

yeah another technology that they

383

00:20:57,320 --> 00:20:54,330

possess is that they they can remove a

384

00:21:01,100 --> 00:20:57,330

person's consciousness from his body or

385

00:21:03,200 --> 00:21:01,110

her body and send that consciousness to

386

00:21:05,600 --> 00:21:03,210

another location now we call that

387

00:21:10,070 --> 00:21:05,610

out-of-body travel ohayo secondary rex

388

00:21:14,960 --> 00:21:10,080

let me let me interrupt you here 1998 I

389

00:21:18,039 --> 00:21:14,970

meet you I meet Margie I meet nucleus 6

390

00:21:23,810 --> 00:21:18,049

months 8 months into our friendship

391

00:21:25,220 --> 00:21:23,820

nucleus calls me hi Keith um everybody

392

00:21:27,200 --> 00:21:25,230

in our group we had a group of about

393

00:21:29,539 --> 00:21:27,210

seven or eight people that would meet

394

00:21:33,440 --> 00:21:29,549

every other Sunday for meditation and

395

00:21:35,750 --> 00:21:33,450

whatever else in chat he calls me one

396

00:21:38,419 --> 00:21:35,760

day and says keith everybody in our

397

00:21:40,220 --> 00:21:38,429

group has an implant but you I make them

398

00:21:43,430 --> 00:21:40,230

myself they're smaller than your eye can

399

00:21:45,049 --> 00:21:43,440

see do you want do you want one I have

400

00:21:47,510 --> 00:21:45,059

one left and I said okay nucleus

401  
00:21:50,539 --> 00:21:47,520  
convince me convince me that I want it

402  
00:21:52,520 --> 00:21:50,549  
well okay Keith if you lost we can find

403  
00:21:54,350 --> 00:21:52,530  
you if you're in trouble we can help you

404  
00:21:56,510 --> 00:21:54,360  
and if you sick we can administer

405  
00:21:58,039 --> 00:21:56,520  
medicine through the implant and I said

406  
00:22:00,950 --> 00:21:58,049  
okay what are the drawbacks and you say

407  
00:22:02,900 --> 00:22:00,960  
well your life is no longer private that

408  
00:22:04,909 --> 00:22:02,910  
night after playing seven hours of music

409  
00:22:06,590 --> 00:22:04,919  
at a casino the last thing I want to do

410  
00:22:09,440 --> 00:22:06,600  
and again the last thing on my mind is

411  
00:22:11,419 --> 00:22:09,450  
dreaming much less of an alien being

412  
00:22:13,730 --> 00:22:11,429  
that I really still even after those

413  
00:22:16,250 --> 00:22:13,740

experiences wouldnt truly convict have

414

00:22:19,130 --> 00:22:16,260

conviction that this was just as solid

415

00:22:21,320 --> 00:22:19,140

as possible well eight o'clock in the

416

00:22:23,210 --> 00:22:21,330

morning I'm awakened in sleep state of

417

00:22:25,010 --> 00:22:23,220

conscious come to to consciousness and

418

00:22:27,650 --> 00:22:25,020

sleep state by an excruciating pain in

419

00:22:30,740 --> 00:22:27,660

my right kidney region by the equivalent

420

00:22:33,110 --> 00:22:30,750

of a 65 70 year old human woman but in

421

00:22:35,270 --> 00:22:33,120

alien terms however launched oh she

422

00:22:38,659 --> 00:22:35,280

could have been she could have been 2500

423

00:22:40,760 --> 00:22:38,669

years old or whatever her age was and I

424

00:22:44,530 --> 00:22:40,770

look over my read to my right kidney

425

00:22:48,560 --> 00:22:44,540

regional finest lady installing his

426

00:22:50,840 --> 00:22:48,570

implant and it was so painful I began to

427

00:22:52,520 --> 00:22:50,850

vomit and she picks me up and cares me

428

00:22:54,740 --> 00:22:52,530

to nucleus who was sitting on the

429

00:22:57,890 --> 00:22:54,750

equivalent of what I would call a lawn

430

00:23:00,710 --> 00:22:57,900

chair a pool furniture and again the

431

00:23:03,650 --> 00:23:00,720

pain was so intense i began to vomit all

432

00:23:05,690 --> 00:23:03,660

over his feet my phone in my literal

433

00:23:08,360 --> 00:23:05,700

bedroom rings and wakes me up out of

434

00:23:11,030 --> 00:23:08,370

this experience and its nucleus and he

435

00:23:13,640 --> 00:23:11,040

says hey Keith and he's got a grin on

436

00:23:14,840 --> 00:23:13,650

his face and he's laughing he said Keith

437

00:23:16,370 --> 00:23:14,850

I just said dude I just

438

00:23:18,380 --> 00:23:16,380

had a dream about you said no Kiki one

439

00:23:20,090 --> 00:23:18,390

dreaming I said man I'm telling you you

440

00:23:21,260 --> 00:23:20,100

were there he goes yeah was there he

441

00:23:23,660 --> 00:23:21,270

goes but you weren't dreaming and said

442

00:23:27,440 --> 00:23:23,670

how do you figure he says the vomit all

443

00:23:31,970 --> 00:23:27,450

over my feet says so now let's fast

444

00:23:34,580 --> 00:23:31,980

forward I've got 16 years into the

445

00:23:38,240 --> 00:23:34,590

future 15 into the future since I've had

446

00:23:41,300 --> 00:23:38,250

any connection whatsoever with nucleus 8

447

00:23:44,930 --> 00:23:41,310

which was Rex on another show you and I

448

00:23:47,510 --> 00:23:44,940

had an interview and after that

449

00:23:50,570 --> 00:23:47,520

interview I get a message after all

450

00:23:54,080 --> 00:23:50,580

these years on facebook and lo and

451  
00:23:55,760 --> 00:23:54,090  
behold its nucleus 8 how you doing Keith

452  
00:23:58,220 --> 00:23:55,770  
what's going on this thing back and

453  
00:24:00,560 --> 00:23:58,230  
forth back and forth back and forth and

454  
00:24:02,750 --> 00:24:00,570  
he says keith you've been calling to me

455  
00:24:04,610 --> 00:24:02,760  
very loudly and very often lately i can

456  
00:24:06,800 --> 00:24:04,620  
no longer ignore you of course i went

457  
00:24:09,050 --> 00:24:06,810  
doing this consciously and he goes I can

458  
00:24:11,060 --> 00:24:09,060  
no longer deny you and so I'm here he

459  
00:24:14,330 --> 00:24:11,070  
says how about a tweak of that implant

460  
00:24:17,180 --> 00:24:14,340  
said sure we chatted back and forth here

461  
00:24:18,800 --> 00:24:17,190  
and there uh he says and I one of my

462  
00:24:20,600 --> 00:24:18,810  
favorite things to do is as you were

463  
00:24:22,880 --> 00:24:20,610

describing his out-of-body travel soul

464

00:24:24,110 --> 00:24:22,890

travel and I said why don't you come

465

00:24:26,000 --> 00:24:24,120

pick me up one night and take me

466

00:24:28,340 --> 00:24:26,010

someplace really really special he goes

467

00:24:29,990 --> 00:24:28,350

keep them a really busy guy but I'll see

468

00:24:33,760 --> 00:24:30,000

if I can fit something to the schedule

469

00:24:36,740 --> 00:24:33,770

Ill knowing him I knew it that night

470

00:24:38,810 --> 00:24:36,750

five thirty in the morning I wake up to

471

00:24:41,480 --> 00:24:38,820

go use the restroom for my sleep no

472

00:24:44,270 --> 00:24:41,490

experience go back to bed come nine

473

00:24:46,880 --> 00:24:44,280

o'clock in the morning I I'm sitting up

474

00:24:50,060 --> 00:24:46,890

in bed coming back from his mothership

475

00:24:52,430 --> 00:24:50,070

planetary station from an experience of

476  
00:24:54,950 --> 00:24:52,440  
the implant being installed I'm aboard

477  
00:24:56,720 --> 00:24:54,960  
the craft I see all these children

478  
00:24:58,010 --> 00:24:56,730  
they're all types of children many

479  
00:25:01,790 --> 00:24:58,020  
different races there was even some

480  
00:25:04,490 --> 00:25:01,800  
elves there um one by the name of halo I

481  
00:25:07,730 --> 00:25:04,500  
remember distinctly but and I remember

482  
00:25:11,030 --> 00:25:07,740  
seeing nucleus um first time I really

483  
00:25:13,010 --> 00:25:11,040  
ever got to see the guy but I remember

484  
00:25:15,440 --> 00:25:13,020  
being escorted down this hallway and

485  
00:25:17,720 --> 00:25:15,450  
this lady it was sort of ushering me a

486  
00:25:19,430 --> 00:25:17,730  
different lady was ushering managed she

487  
00:25:22,070 --> 00:25:19,440  
was ushering down this hall she was

488  
00:25:24,110 --> 00:25:22,080

holding my left arm near my elbow and I

489

00:25:26,180 --> 00:25:24,120

feel this pressure so much so I'm like

490

00:25:27,950 --> 00:25:26,190

ah what are you doing and then I looked

491

00:25:28,940 --> 00:25:27,960

at it before she can answer said you're

492

00:25:33,649 --> 00:25:28,950

installing that implant

493

00:25:35,299 --> 00:25:33,659

yes yeah and so you know he popped in

494

00:25:37,789 --> 00:25:35,309

did his business with me and he seemed

495

00:25:40,669 --> 00:25:37,799

to pop out again so he's a very very

496

00:25:43,879 --> 00:25:40,679

busy guy securing things in this

497

00:25:46,820 --> 00:25:43,889

quadrant of our galaxy right Rex oh yes

498

00:25:51,320 --> 00:25:46,830

he's monitoring six dimensions and he

499

00:25:55,669 --> 00:25:51,330

has to maintain logistics and protection

500

00:25:59,810 --> 00:25:55,679

for anybody who requested so they keep

501  
00:26:02,090 --> 00:25:59,820  
him very busy uh he could you could you

502  
00:26:04,730 --> 00:26:02,100  
describe what what he looked like to you

503  
00:26:06,680 --> 00:26:04,740  
you said you saw I can't I can in fact

504  
00:26:08,870 --> 00:26:06,690  
when I first came aboard the craft

505  
00:26:10,340 --> 00:26:08,880  
there's a lot there's a lot to the

506  
00:26:12,440 --> 00:26:10,350  
experience but some others just

507  
00:26:14,690 --> 00:26:12,450  
irrelevant the first part of the

508  
00:26:18,680 --> 00:26:14,700  
experience that is relevant I remember

509  
00:26:20,720 --> 00:26:18,690  
walking into if a planetary station or

510  
00:26:22,430 --> 00:26:20,730  
mothership has a living room well I was

511  
00:26:25,610 --> 00:26:22,440  
sort of like in a living room kind of

512  
00:26:27,379 --> 00:26:25,620  
setting and all these little kids are

513  
00:26:29,360 --> 00:26:27,389

running up to me as you as you might see

514

00:26:31,730 --> 00:26:29,370

a missionary work uh and a third world

515

00:26:33,500 --> 00:26:31,740

country bouncing up and down running to

516

00:26:35,539 --> 00:26:33,510

you with all this kind of excitement and

517

00:26:38,810 --> 00:26:35,549

sort of pulling on you and they were

518

00:26:40,100 --> 00:26:38,820

doing just that and I'm familia I've

519

00:26:42,259 --> 00:26:40,110

been in this ship I've been in this

520

00:26:45,500 --> 00:26:42,269

mother station many times and did not

521

00:26:47,419 --> 00:26:45,510

realize that until I woke up the next

522

00:26:49,610 --> 00:26:47,429

morning I remember all the experiences I

523

00:26:52,009 --> 00:26:49,620

have with other beings I just didn't

524

00:26:53,810 --> 00:26:52,019

know it was that particular group

525

00:26:57,259 --> 00:26:53,820

nucleuses group that I've been doing

526

00:27:01,070 --> 00:26:57,269

this with all this time so I my wits

527

00:27:02,960 --> 00:27:01,080

come about me and I motion to have them

528

00:27:04,730 --> 00:27:02,970

raise your hand if I said can you please

529

00:27:07,399 --> 00:27:04,740

raise up your hand how many people have

530

00:27:09,350 --> 00:27:07,409

seen me on this ship before and all of

531

00:27:11,690 --> 00:27:09,360

them do except this group of about eight

532

00:27:14,509 --> 00:27:11,700

sitting in front in fact one little girl

533

00:27:19,549 --> 00:27:14,519

says we all here have seen you other

534

00:27:21,139 --> 00:27:19,559

than this group here um and then for

535

00:27:24,680 --> 00:27:21,149

some whatever reason I was laying on my

536

00:27:27,320 --> 00:27:24,690

black back on the floor and looking over

537

00:27:30,980 --> 00:27:27,330

me looking down on me was nucleus he was

538

00:27:34,730 --> 00:27:30,990

very slim he was very tall he was very

539

00:27:38,060 --> 00:27:34,740

white and I mean he was white yeah i

540

00:27:40,009 --> 00:27:38,070

want i'd say maybe sort of like milk

541

00:27:41,640 --> 00:27:40,019

that it was white it was so white i

542

00:27:45,390 --> 00:27:41,650

would say there was

543

00:27:48,740 --> 00:27:45,400

almost a glow almost a glow of course

544

00:27:51,410 --> 00:27:48,750

his black eyes they were not as big as

545

00:27:54,180 --> 00:27:51,420

most people describe the almond shape

546

00:27:56,850 --> 00:27:54,190

extraterrestrial eyes but indeed again i

547

00:27:59,130 --> 00:27:56,860

was looking from laying my back up

548

00:28:01,860 --> 00:27:59,140

towards him and he was just leaning over

549

00:28:05,090 --> 00:28:01,870

me making sure I got a good glimpse of

550

00:28:08,570 --> 00:28:05,100

him and of course beyond my own well

551  
00:28:11,040 --> 00:28:08,580  
conscious will my head was painting

552  
00:28:16,650 --> 00:28:11,050  
toward the left and I went to another

553  
00:28:20,580 --> 00:28:16,660  
experience entirely uh can you hear me

554  
00:28:24,090 --> 00:28:20,590  
yes again okay did you notice the color

555  
00:28:27,060 --> 00:28:24,100  
of his hair Rexville my recollection it

556  
00:28:29,790 --> 00:28:27,070  
was white that's right I just was

557  
00:28:34,710 --> 00:28:29,800  
checking to see if your description fit

558  
00:28:37,650 --> 00:28:34,720  
what I know to be and it does because he

559  
00:28:40,980 --> 00:28:37,660  
is extremely pale his hair is is

560  
00:28:43,290 --> 00:28:40,990  
extremely white he has black eyes but

561  
00:28:45,390 --> 00:28:43,300  
they're not any larger in his head than

562  
00:28:48,390 --> 00:28:45,400  
a human size would be because he is a

563  
00:28:51,060 --> 00:28:48,400

human hybrid as you said that's right

564

00:28:53,550 --> 00:28:51,070

and for the sake of your listening

565

00:28:56,460 --> 00:28:53,560

audience dukey's eight was actually born

566

00:29:00,930 --> 00:28:56,470

on earth over four thousand seven

567

00:29:03,750 --> 00:29:00,940

hundred years ago he lived in Egypt and

568

00:29:07,320 --> 00:29:03,760

visited the giza plateau where the great

569

00:29:11,910 --> 00:29:07,330

pyramids are situated when he was child

570

00:29:16,620 --> 00:29:11,920

they were under construction and his

571

00:29:19,740 --> 00:29:16,630

uncle finished raising him after his

572

00:29:22,380 --> 00:29:19,750

parents left this dimension to go to

573

00:29:25,140 --> 00:29:22,390

another dimension his mother was a

574

00:29:28,260 --> 00:29:25,150

member of the tall grey species who are

575

00:29:29,850 --> 00:29:28,270

about 6 feet 7 feet tall Rex Rex if you

576

00:29:37,640 --> 00:29:29,860

could just be aware of movement sir

577

00:29:42,530 --> 00:29:40,250

uh let's see I kind of lost my train at

578

00:29:45,470 --> 00:29:42,540

five you attracted about is he his uncle

579

00:29:49,340 --> 00:29:45,480

and his mother his parents left Earth

580

00:29:51,710 --> 00:29:49,350

when he was about 12 years old and the

581

00:29:56,080 --> 00:29:51,720

rest of his childhood on earth he spent

582

00:29:59,060 --> 00:29:56,090

with his uncle who was a consultant

583

00:30:01,400 --> 00:29:59,070

regarding the building of temples and

584

00:30:04,610 --> 00:30:01,410

pyramids and so on and so forth all over

585

00:30:08,810 --> 00:30:04,620

the Middle East so he had considerable

586

00:30:13,910 --> 00:30:08,820

travel when he was a young man before he

587

00:30:16,780 --> 00:30:13,920

went was transferred to an Academy which

588

00:30:20,960 --> 00:30:16,790

is in the dimension where he now lives

589

00:30:25,010 --> 00:30:20,970

and he spent 600 earth years in the

590

00:30:30,680 --> 00:30:25,020

Academy receiving his training it was

591

00:30:32,450 --> 00:30:30,690

extremely thorough but also was very

592

00:30:34,850 --> 00:30:32,460

traumatic and it was deliberately

593

00:30:38,330 --> 00:30:34,860

traumatic because what he did not know

594

00:30:41,330 --> 00:30:38,340

and apparently most of the people in the

595

00:30:44,480 --> 00:30:41,340

Alliance did not know that the man in

596

00:30:47,870 --> 00:30:44,490

charge of his his training was in

597

00:30:49,970 --> 00:30:47,880

cahoots with his mother who were part of

598

00:30:54,650 --> 00:30:49,980

this great conspiracy i mentioned before

599

00:30:58,010 --> 00:30:54,660

in secret and they trained him so he

600

00:31:01,070 --> 00:30:58,020

would be extremely isolated emotionally

601  
00:31:04,040 --> 00:31:01,080  
he would trust no one he would

602  
00:31:06,680 --> 00:31:04,050  
constantly be concerned with perfection

603  
00:31:08,780 --> 00:31:06,690  
and everything he did and be utterly I

604  
00:31:11,210 --> 00:31:08,790  
don't mean interrupt you but the nucleus

605  
00:31:15,110 --> 00:31:11,220  
eight I know in that description of him

606  
00:31:17,840 --> 00:31:15,120  
um he he was trained in perfection it's

607  
00:31:22,450 --> 00:31:17,850  
it's what he is all about that so

608  
00:31:24,320 --> 00:31:22,460  
targets him I you know just being in his

609  
00:31:27,740 --> 00:31:24,330  
inexperience with him the time that it

610  
00:31:32,570 --> 00:31:27,750  
was he was truly about order and

611  
00:31:34,370 --> 00:31:32,580  
perfection absolutely well he had that

612  
00:31:37,670 --> 00:31:34,380  
all of his life because his mother

613  
00:31:40,970 --> 00:31:37,680

trained him that way from birth as he

614

00:31:43,970 --> 00:31:40,980

put it to me one time the only contact I

615

00:31:48,470 --> 00:31:43,980

had with my mother was for instruction

616

00:31:50,540 --> 00:31:48,480

and uh he was always expected to be

617

00:31:52,280 --> 00:31:50,550

perfect in whatever he did

618

00:31:56,690 --> 00:31:52,290

before he went to the Academy the

619

00:32:00,290 --> 00:31:56,700

Academy just made it worse and when he

620

00:32:02,630 --> 00:32:00,300

met me shortly after our first

621

00:32:05,630 --> 00:32:02,640

conversation he was telling me there was

622

00:32:08,900 --> 00:32:05,640

something about him sim that was missing

623

00:32:12,080 --> 00:32:08,910

and I asked what it was and he said it

624

00:32:15,350 --> 00:32:12,090

was his childhood and now he's

625

00:32:17,240 --> 00:32:15,360

channeling through my ex-wife but as you

626

00:32:19,280 --> 00:32:17,250

said when he's channeling there's no

627

00:32:21,380 --> 00:32:19,290

mistaking you're talking to nuclear site

628

00:32:23,780 --> 00:32:21,390

you're not talking to my ex-wife yeah

629

00:32:27,500 --> 00:32:23,790

Rex Rex I will tell you this again a de

630

00:32:28,880 --> 00:32:27,510

ser do when Laura said gave you want to

631

00:32:30,170 --> 00:32:28,890

meet an alien I didn't know where the

632

00:32:32,140 --> 00:32:30,180

little green man was going to jump from

633

00:32:36,170 --> 00:32:32,150

behind the building and say nanu nanu

634

00:32:39,290 --> 00:32:36,180

whether I had no idea but when Marjorie

635

00:32:41,330 --> 00:32:39,300

turned around and I hear uh what do you

636

00:32:44,180 --> 00:32:41,340

want from me and I'm thinking to myself

637

00:32:46,010 --> 00:32:44,190

this is just not computing there is no

638

00:32:49,280 --> 00:32:46,020

way that someone that short of stature

639

00:32:51,560 --> 00:32:49,290

can even hear that kind of voice with

640

00:32:53,810 --> 00:32:51,570

that sort of impact that's just you know

641

00:32:55,760 --> 00:32:53,820

look I'll brag about myself I can see

642

00:32:58,040 --> 00:32:55,770

and I can see periphery and I can into

643

00:33:00,560 --> 00:32:58,050

it there was nothing being fabricated

644

00:33:03,410 --> 00:33:00,570

there in fact it hit me so hard because

645

00:33:06,020 --> 00:33:03,420

I wasn't expecting that it took me back

646

00:33:08,540 --> 00:33:06,030

you're right there's absolutely no

647

00:33:11,810 --> 00:33:08,550

mistaking that when he's pressing in

648

00:33:13,580 --> 00:33:11,820

that body that's for sure yeah and

649

00:33:15,710 --> 00:33:13,590

you're not the only one who's been taken

650

00:33:19,550 --> 00:33:15,720

aback I remember our mutual friend

651  
00:33:24,830 --> 00:33:19,560  
Isabel car I remember Isabel when she

652  
00:33:28,180 --> 00:33:24,840  
met him uh she said his energy was so

653  
00:33:31,460 --> 00:33:28,190  
strong I just got hot all over and

654  
00:33:35,180 --> 00:33:31,470  
simultaneously the ceiling fan began

655  
00:33:37,970 --> 00:33:35,190  
creaking and groaning as if it was about

656  
00:33:39,860 --> 00:33:37,980  
to to stop working when it had been

657  
00:33:43,070 --> 00:33:39,870  
working perfectly until he started

658  
00:33:45,530 --> 00:33:43,080  
channeling and she mentioned it he said

659  
00:33:47,510 --> 00:33:45,540  
sometimes I have to do adjust my energy

660  
00:33:50,210 --> 00:33:47,520  
so it's not too strong for the person

661  
00:33:54,110 --> 00:33:50,220  
I'm talking to and then the ceiling fan

662  
00:33:56,720 --> 00:33:54,120  
started acting okay again so he brought

663  
00:33:59,720 --> 00:33:56,730

energy with him that many many people

664

00:34:03,070 --> 00:33:59,730

have really felt you know and that

665

00:34:07,820 --> 00:34:03,080

Margie doesn't normally have

666

00:34:12,320 --> 00:34:07,830

so nucleus when he met me wanted to

667

00:34:14,659 --> 00:34:12,330

discover his childhood and I just seemed

668

00:34:17,450 --> 00:34:14,669

I had been elected to help him do this

669

00:34:19,849 --> 00:34:17,460

it was kind of like I had two patients

670

00:34:23,570 --> 00:34:19,859

now one was margin the other was nucleus

671

00:34:25,700 --> 00:34:23,580

8 and I didn't think of him as a patient

672

00:34:29,980 --> 00:34:25,710

I just thought him as a friend that I

673

00:34:33,470 --> 00:34:29,990

wanted to help and it took us quite

674

00:34:36,230 --> 00:34:33,480

several years before we fully dealt with

675

00:34:38,510 --> 00:34:36,240

all the trauma that he had gone through

676  
00:34:43,580 --> 00:34:38,520  
in his training and so on and so forth

677  
00:34:47,750 --> 00:34:43,590  
and he he shared that he had been told

678  
00:34:52,639 --> 00:34:47,760  
by extremely highly placed individuals

679  
00:34:56,089 --> 00:34:52,649  
in his society who sit at the throne of

680  
00:35:01,310 --> 00:34:56,099  
the Creator that he was to blend with

681  
00:35:03,320 --> 00:35:01,320  
humans this was his task uh and that was

682  
00:35:05,300 --> 00:35:03,330  
why he was channeling through Margie and

683  
00:35:07,130 --> 00:35:05,310  
that was why he was talking to me and

684  
00:35:09,320 --> 00:35:07,140  
that was why he was meeting other human

685  
00:35:13,520 --> 00:35:09,330  
friends like you and Isabel and Laura

686  
00:35:18,920 --> 00:35:13,530  
and a couple of women that he really

687  
00:35:20,780 --> 00:35:18,930  
became very attached to unfortunately

688  
00:35:23,320 --> 00:35:20,790

those those relationships didn't work

689

00:35:26,450 --> 00:35:23,330

out too well but when you consider that

690

00:35:28,790 --> 00:35:26,460

he's channeling through a female body

691

00:35:32,300 --> 00:35:28,800

and trying to establish a close

692

00:35:33,740 --> 00:35:32,310

relationship with the human female you

693

00:35:35,450 --> 00:35:33,750

know from the beginning of that I

694

00:35:40,070 --> 00:35:35,460

thought how the hell is this going to

695

00:35:42,890 --> 00:35:40,080

work rikes I'm let me ask you a question

696

00:35:44,410 --> 00:35:42,900

I got a pretty really good question came

697

00:35:47,480 --> 00:35:44,420

in from the chat room from Neutron

698

00:35:51,530 --> 00:35:47,490

question is did nucleus eight ever

699

00:35:54,710 --> 00:35:51,540

mention who his mother agree answer to

700

00:35:59,690 --> 00:35:54,720

physically and to who spiritually do you

701  
00:36:03,050 --> 00:35:59,700  
know anything about uh well his mother

702  
00:36:04,670 --> 00:36:03,060  
as I said was a tall grey and he was she

703  
00:36:08,329 --> 00:36:04,680  
was the leader of a bunt of this

704  
00:36:10,250 --> 00:36:08,339  
particular clan of entities correct she

705  
00:36:14,370 --> 00:36:10,260  
was like a subspecialty nurse not

706  
00:36:17,400 --> 00:36:14,380  
recharge I wouldn't connect her with a

707  
00:36:20,850 --> 00:36:17,410  
a particular kind of entity that she was

708  
00:36:24,360 --> 00:36:20,860  
in charge of she was very much involved

709  
00:36:26,580 --> 00:36:24,370  
in the conspiracy it turned out that the

710  
00:36:29,010 --> 00:36:26,590  
the person who really started the

711  
00:36:32,850 --> 00:36:29,020  
conspiracy to overthrow the Alliance's

712  
00:36:36,210 --> 00:36:32,860  
governing board was that was the former

713  
00:36:38,550 --> 00:36:36,220

chief of security the one who was chief

714

00:36:42,420 --> 00:36:38,560

of security before eight received the

715

00:36:44,060 --> 00:36:42,430

job and it was told to me that he passed

716

00:36:46,860 --> 00:36:44,070

away under rather mysterious

717

00:36:50,640 --> 00:36:46,870

circumstances no one really knew why he

718

00:36:54,390 --> 00:36:50,650

died or why he vanished when he did his

719

00:36:56,310 --> 00:36:54,400

mother and this other man were working

720

00:37:00,840 --> 00:36:56,320

together all along and the plan to

721

00:37:04,950 --> 00:37:00,850

overthrow the the alliance she was a

722

00:37:08,940 --> 00:37:04,960

rare rare rare exception to her species

723

00:37:12,690 --> 00:37:08,950

because the tall greys are known to be

724

00:37:15,120 --> 00:37:12,700

very benevolent very empathic very

725

00:37:20,040 --> 00:37:15,130

sensitive to the feelings of others very

726

00:37:22,770 --> 00:37:20,050

kind and loving and that's why she was

727

00:37:25,290 --> 00:37:22,780

not suspected for so many years because

728

00:37:30,900 --> 00:37:25,300

her species has all that has this

729

00:37:33,630 --> 00:37:30,910

reputation I don't uh and she was also

730

00:37:38,430 --> 00:37:33,640

definitely hiding you know she she was

731

00:37:41,550 --> 00:37:38,440

playing a role uh but as far as nuke was

732

00:37:44,220 --> 00:37:41,560

concerned his mother was biological

733

00:37:46,230 --> 00:37:44,230

mother only she was never a mother to

734

00:37:48,600 --> 00:37:46,240

him in the sense of loving him caring

735

00:37:50,400 --> 00:37:48,610

about him looking after his welfare so

736

00:37:53,370 --> 00:37:50,410

on and so forth he never had that

737

00:37:57,810 --> 00:37:53,380

experience was she capable of that

738

00:38:03,470 --> 00:37:57,820

meaning not because of her attitude but

739

00:38:06,690 --> 00:38:03,480

did do they have the ability to feel to

740

00:38:09,540 --> 00:38:06,700

feel the human feelings be even being a

741

00:38:12,030 --> 00:38:09,550

great or are they just intellectual

742

00:38:17,070 --> 00:38:12,040

beings that have the know-how of how to

743

00:38:19,710 --> 00:38:17,080

conduct their affairs no the graves as I

744

00:38:23,280 --> 00:38:19,720

said they are their reputation is to be

745

00:38:27,420 --> 00:38:23,290

extremely sensitive to feelings to be

746

00:38:30,510 --> 00:38:27,430

very loving to be very benevolent

747

00:38:34,049 --> 00:38:30,520

and they are often used as ambassadors

748

00:38:36,660 --> 00:38:34,059

when a new species is encountered that

749

00:38:39,450 --> 00:38:36,670

no one knows exactly how to relate to

750

00:38:41,609 --> 00:38:39,460

because they are so emphatic they can

751

00:38:46,049 --> 00:38:41,619

pick up on what that other entity is

752

00:38:50,400 --> 00:38:46,059

feeling and thinking better than a many

753

00:38:52,559 --> 00:38:50,410

other species can now the thing that

754

00:38:54,599 --> 00:38:52,569

eight once said about the greys mrs.

755

00:38:57,750 --> 00:38:54,609

said sometimes you can walk beside but

756

00:38:59,819 --> 00:38:57,760

you know you can just be walking beside

757

00:39:05,880 --> 00:38:59,829

them and you can just feel the empathy

758

00:39:08,730 --> 00:39:05,890

pouring from them well so the but she

759

00:39:11,460 --> 00:39:08,740

kind of like was sort of the sociopath

760

00:39:14,490 --> 00:39:11,470

of her species she had none of those

761

00:39:17,579 --> 00:39:14,500

traits the only trade she did have was

762

00:39:19,530 --> 00:39:17,589

intellect and a desire for power you

763

00:39:22,710 --> 00:39:19,540

know like a lot of the CEOs of

764

00:39:24,809 --> 00:39:22,720

giant corporations in this world you

765

00:39:28,290 --> 00:39:24,819

know they can play the role they can be

766

00:39:30,000 --> 00:39:28,300

charming they can be so you know have

767

00:39:32,010 --> 00:39:30,010

all the outward appearances they need

768

00:39:36,420 --> 00:39:32,020

but underneath yeah when they on the

769

00:39:40,079 --> 00:39:36,430

stage yeah right right let's go back for

770

00:39:41,789 --> 00:39:40,089

just a bit because you and I have we

771

00:39:44,760 --> 00:39:41,799

know this experience in his story so

772

00:39:46,710 --> 00:39:44,770

well it's like we want to keep moving

773

00:39:48,089 --> 00:39:46,720

far down the timeline but i do want to

774

00:39:49,920 --> 00:39:48,099

educate our listening audience for

775

00:39:51,510 --> 00:39:49,930

future interviews that you and I going

776

00:39:53,819 --> 00:39:51,520

to do by the way make sure you guys make

777

00:39:55,730 --> 00:39:53,829

contact with Rex he had Rex currently

778

00:39:59,160 --> 00:39:55,740

forum you have five installments of the

779

00:40:01,020 --> 00:39:59,170

book about nucleus aliens indeed Indians

780

00:40:03,599 --> 00:40:01,030

fairies and angels is that five

781

00:40:06,140 --> 00:40:03,609

installments is that correct five

782

00:40:09,780 --> 00:40:06,150

volumes to covering the 15 years of

783

00:40:12,180 --> 00:40:09,790

experiences not only with with him but

784

00:40:15,089 --> 00:40:12,190

with other channeled entities and the

785

00:40:18,270 --> 00:40:15,099

five biomes are all under the title on

786

00:40:23,599 --> 00:40:18,280

Amazon I'm sorry not on amazon but on

787

00:40:27,030 --> 00:40:23,609

free ebooks net pre hyphen ebooks net

788

00:40:29,460 --> 00:40:27,040

under the title fairies angels Indians

789

00:40:31,589 --> 00:40:29,470

and aliens and the interesting thing is

790

00:40:34,079 --> 00:40:31,599

is that they were all related they were

791

00:40:36,000 --> 00:40:34,089

all working together and so I was

792

00:40:39,059 --> 00:40:36,010

thinking just a little bit ago that

793

00:40:40,920 --> 00:40:39,069

somehow on some level and that you

794

00:40:43,380 --> 00:40:40,930

Marjorie and

795

00:40:45,120 --> 00:40:43,390

nucleus a had some sort of agreement

796

00:40:48,420 --> 00:40:45,130

would obviously couldn't transplant

797

00:40:50,970 --> 00:40:48,430

otherwise but maybe before coming on to

798

00:40:52,890 --> 00:40:50,980

the great stage of Earth that this was

799

00:40:55,410 --> 00:40:52,900

going to happen y'all pretty much needed

800

00:40:58,049 --> 00:40:55,420

each other for a well-rounded experience

801  
00:41:00,240 --> 00:40:58,059  
and a well-rounded healing to where the

802  
00:41:04,410 --> 00:41:00,250  
every thing about the experience could

803  
00:41:09,750 --> 00:41:04,420  
be of benefit when you were in your

804  
00:41:12,750 --> 00:41:09,760  
practice and Marjorie star one begin to

805  
00:41:13,829 --> 00:41:12,760  
visit you so you can counselor on some

806  
00:41:19,880 --> 00:41:13,839  
of the things that were taking place

807  
00:41:22,650 --> 00:41:19,890  
with her what was it like to put her

808  
00:41:24,780 --> 00:41:22,660  
into a space i would say put her but

809  
00:41:26,460 --> 00:41:24,790  
have her begin to speak to you and it's

810  
00:41:29,099 --> 00:41:26,470  
not her i mean i'm sure you mind went

811  
00:41:31,170 --> 00:41:29,109  
left your mind went right but didn't you

812  
00:41:33,299 --> 00:41:31,180  
tell me at one point you begin to call

813  
00:41:35,280 --> 00:41:33,309

in some of your colleagues and so you

814

00:41:37,020 --> 00:41:35,290

know it's been a long time since United

815

00:41:38,490 --> 00:41:37,030

this conversation wreck so calling some

816

00:41:40,980 --> 00:41:38,500

your colleague and say guys what do you

817

00:41:42,630 --> 00:41:40,990

make this and they said something to the

818

00:41:45,000 --> 00:41:42,640

idea you know Rex you and yelling with

819

00:41:48,210 --> 00:41:45,010

this one what was can you recall that

820

00:41:51,780 --> 00:41:48,220

for me please well Margie had been

821

00:41:55,260 --> 00:41:51,790

hospitalized with suicidal impulses but

822

00:41:57,170 --> 00:41:55,270

when she was hospitalized and this was

823

00:41:59,970 --> 00:41:57,180

not the first time it happened to her

824

00:42:03,049 --> 00:41:59,980

but they called me in because she was

825

00:42:05,849 --> 00:42:03,059

speaking in the voice of a child and

826  
00:42:08,339 --> 00:42:05,859  
they thought she was having some kind of

827  
00:42:10,770 --> 00:42:08,349  
psychotic episode or what we call a

828  
00:42:14,160 --> 00:42:10,780  
dissociative episode in which her

829  
00:42:16,710 --> 00:42:14,170  
consciousness has flipped and some you

830  
00:42:19,970 --> 00:42:16,720  
know she's doing something else entirely

831  
00:42:24,440 --> 00:42:19,980  
like a multiple personality disorder or

832  
00:42:28,440 --> 00:42:24,450  
regression to a childhood state of mind

833  
00:42:30,839 --> 00:42:28,450  
but when I talked to her I recognized

834  
00:42:34,020 --> 00:42:30,849  
right away that this was not multiple

835  
00:42:37,319 --> 00:42:34,030  
personality and it was not regression it

836  
00:42:40,440 --> 00:42:37,329  
was a definite entity speaking to me

837  
00:42:44,400 --> 00:42:40,450  
through her and that was my first

838  
00:42:47,640 --> 00:42:44,410

introduction to a fairy now the fairies

839

00:42:52,410 --> 00:42:47,650

name we learned later on was Brittany

840

00:42:54,430 --> 00:42:52,420

yeah and I had a meeting her when she

841

00:42:56,650 --> 00:42:54,440

she told us that she was a fair

842

00:42:59,829 --> 00:42:56,660

but we didn't know that until maybe a

843

00:43:02,620 --> 00:42:59,839

month or two after we had first made our

844

00:43:04,599 --> 00:43:02,630

acquaintance but all the entities that

845

00:43:07,750 --> 00:43:04,609

are mentioned in the book that I right

846

00:43:13,150 --> 00:43:07,760

about that which I've written many many

847

00:43:16,390 --> 00:43:13,160

of our hypnotic sessions all those who

848

00:43:19,599 --> 00:43:16,400

worked with me were benevolent they were

849

00:43:21,550 --> 00:43:19,609

kind they were loving they you know one

850

00:43:24,130 --> 00:43:21,560

thing I learned through my experiences

851  
00:43:26,950 --> 00:43:24,140  
with over 15 different entities that

852  
00:43:30,010 --> 00:43:26,960  
they would channel through Margie on a

853  
00:43:35,170 --> 00:43:30,020  
regular basis was that love is universal

854  
00:43:39,089 --> 00:43:35,180  
and every species understands what love

855  
00:43:42,609 --> 00:43:39,099  
is is capable of experiencing love and

856  
00:43:45,940 --> 00:43:42,619  
capable of expressing love except for

857  
00:43:50,950 --> 00:43:45,950  
those rare exceptions of those who who

858  
00:43:52,900 --> 00:43:50,960  
don't have that capacity you know there

859  
00:43:55,270 --> 00:43:52,910  
are some species who tend to be more

860  
00:43:59,230 --> 00:43:55,280  
warlike for example there are some

861  
00:44:02,170 --> 00:43:59,240  
species who tend to value conquest and

862  
00:44:06,040 --> 00:44:02,180  
who value being able to get something

863  
00:44:09,640 --> 00:44:06,050

for nothing but that's just their

864

00:44:13,589 --> 00:44:09,650

culture it's not it's not that they are

865

00:44:17,680 --> 00:44:13,599

individually like that with everyone

866

00:44:21,569 --> 00:44:17,690

particularly their own kind the thing

867

00:44:25,710 --> 00:44:21,579

about the Alliance is that it is

868

00:44:29,020 --> 00:44:25,720

entirely voluntary the Alliance never

869

00:44:34,300 --> 00:44:29,030

asks never tries to force anyone to join

870

00:44:36,670 --> 00:44:34,310

it and they have requested on more than

871

00:44:40,210 --> 00:44:36,680

one occasion of the Earth's major

872

00:44:43,450 --> 00:44:40,220

leaders do you want to join the alliance

873

00:44:45,099 --> 00:44:43,460

and every time they have asked this

874

00:44:48,250 --> 00:44:45,109

question and they've done it about three

875

00:44:51,359 --> 00:44:48,260

different times in the last 50 years the

876

00:44:54,910 --> 00:44:51,369

major leaders of this world have said no

877

00:44:58,079 --> 00:44:54,920

because in order to join you have to

878

00:45:03,880 --> 00:44:58,089

accept the principles of the Alliance

879

00:45:06,050 --> 00:45:03,890

yeah and those principles are you do not

880

00:45:09,230 --> 00:45:06,060

maintain weapons of mass destruction

881

00:45:13,000 --> 00:45:09,240

although you can have representatives in

882

00:45:15,410 --> 00:45:13,010

the armed forces of the Alliance

883

00:45:19,760 --> 00:45:15,420

everyone who is a member of the Alliance

884

00:45:22,640 --> 00:45:19,770

can send their recruits to be trained to

885

00:45:25,220 --> 00:45:22,650

become soldiers for the Alliance but

886

00:45:28,670 --> 00:45:25,230

their military unlike our own is

887

00:45:32,420 --> 00:45:28,680

entirely defensive they never attack

888

00:45:35,420 --> 00:45:32,430

unless it is in self-defense that's very

889

00:45:38,830 --> 00:45:35,430

very awesome to me me and I'm sure their

890

00:45:42,050 --> 00:45:38,840

arsenal that military might is just I

891

00:45:44,530 --> 00:45:42,060

having an amazing but I love the idea

892

00:45:47,900 --> 00:45:44,540

you know that they're totally on the

893

00:45:51,590 --> 00:45:47,910

defensive posture to where they

894

00:45:53,900 --> 00:45:51,600

literally have no choice but that that

895

00:46:00,170 --> 00:45:53,910

final step before there would be ever

896

00:46:03,410 --> 00:46:00,180

any engagement yes there their whole

897

00:46:08,000 --> 00:46:03,420

thing is the preservation of life and

898

00:46:10,550 --> 00:46:08,010

the creation of life and they are

899

00:46:12,980 --> 00:46:10,560

creators because they are masters of

900

00:46:15,290 --> 00:46:12,990

genetic manipulation you know humans are

901  
00:46:17,420 --> 00:46:15,300  
becoming creators too we have created

902  
00:46:22,100 --> 00:46:17,430  
several new species since we learned how

903  
00:46:24,830 --> 00:46:22,110  
to clone genetic material from one

904  
00:46:27,590 --> 00:46:24,840  
species to another a lot of the food we

905  
00:46:31,370 --> 00:46:27,600  
eat these days actually is is a totally

906  
00:46:33,740 --> 00:46:31,380  
new organism it's not the same let us

907  
00:46:39,280 --> 00:46:33,750  
that we use to eat is something

908  
00:46:42,170 --> 00:46:39,290  
different but these guys can can take

909  
00:46:44,090 --> 00:46:42,180  
genetic material from a variety of

910  
00:46:47,330 --> 00:46:44,100  
species to create an entirely new

911  
00:46:50,060 --> 00:46:47,340  
species and they do that on occasion

912  
00:46:53,900 --> 00:46:50,070  
because they have discovered a planet

913  
00:46:56,180 --> 00:46:53,910

for example that can't support life it

914

00:46:58,580 --> 00:46:56,190

is the right distance from its star or

915

00:47:03,970 --> 00:46:58,590

multiple stars whatever the case may be

916

00:47:06,620 --> 00:47:03,980

and if it's capable of supporting life

917

00:47:10,510 --> 00:47:06,630

frequently they will terraform that

918

00:47:13,580 --> 00:47:10,520

planet and create a living ecosystem

919

00:47:16,580 --> 00:47:13,590

that can spread throughout the entire

920

00:47:17,509 --> 00:47:16,590

planet once they started planted up like

921

00:47:20,779 --> 00:47:17,519

that

922

00:47:23,269 --> 00:47:20,789

they let it let evolution take its

923

00:47:26,109 --> 00:47:23,279

course they don't interfere unless it

924

00:47:28,579 --> 00:47:26,119

becomes absolutely necessary for

925

00:47:34,239 --> 00:47:28,589

protection of species or that sort of

926

00:47:37,429 --> 00:47:34,249

thing so they are in a sense like

927

00:47:41,239 --> 00:47:37,439

creator gods when you can take an entire

928

00:47:44,689 --> 00:47:41,249

planet and take it from nonliving mass

929

00:47:47,299 --> 00:47:44,699

and and make it into a wonderland of

930

00:47:51,769 --> 00:47:47,309

species I mean that's pretty close to

931

00:47:57,880 --> 00:47:51,779

the definition I would say Rex let's go

932

00:48:02,349 --> 00:47:57,890

back say 1999 I remember visiting you at

933

00:48:06,319 --> 00:48:02,359

your place Martin Tennessee myself Laura

934

00:48:09,349 --> 00:48:06,329

Marjorie it was Marjorie at the time not

935

00:48:11,120 --> 00:48:09,359

nucleus and windy my then-girlfriend aha

936

00:48:12,499 --> 00:48:11,130

we decide about eleven o'clock we're

937

00:48:15,529 --> 00:48:12,509

just going to take a little stroll down

938

00:48:17,719 --> 00:48:15,539

this dirt road so pasture on one side

939

00:48:20,839 --> 00:48:17,729

some woods ahead of us and we far enough

940

00:48:23,059 --> 00:48:20,849

away from where you live to where there

941

00:48:24,199 --> 00:48:23,069

was no light pollution and i'm not sure

942

00:48:25,489 --> 00:48:24,209

if there was a street like there but i

943

00:48:28,639 --> 00:48:25,499

knew we were quite a distance away

944

00:48:31,279 --> 00:48:28,649

there's no light pollution and as we're

945

00:48:36,889 --> 00:48:31,289

all just walking and talking now again

946

00:48:38,859 --> 00:48:36,899

it was modhri mid-sentence nucleus

947

00:48:42,019 --> 00:48:38,869

decides he's going to show up and pop in

948

00:48:44,539 --> 00:48:42,029

excuse me and out of nowhere he says hey

949

00:48:47,389 --> 00:48:44,549

Keith Wendy have you guys ever seen a

950

00:48:49,519 --> 00:48:47,399

fairy before man out of all the things

951  
00:48:52,149 --> 00:48:49,529  
that have happened to me being around

952  
00:48:55,759 --> 00:48:52,159  
nucleus I knew that something somehow

953  
00:48:57,199 --> 00:48:55,769  
different was going to transpire in my

954  
00:48:59,989 --> 00:48:57,209  
then girlfriend Wendy looks at me and

955  
00:49:01,999 --> 00:48:59,999  
whispers is this for real Keith I said I

956  
00:49:04,759 --> 00:49:02,009  
think we're about to see a fairy he says

957  
00:49:07,309 --> 00:49:04,769  
60 feet down on the road sitting on a

958  
00:49:11,120 --> 00:49:07,319  
plant leaf will will find my fairy

959  
00:49:12,409 --> 00:49:11,130  
friend by the name of / if Nia eleven

960  
00:49:15,919 --> 00:49:12,419  
o'clock at night we were walking down

961  
00:49:18,529 --> 00:49:15,929  
the road along the fence that divided

962  
00:49:19,819 --> 00:49:18,539  
the road from the cow pasture he pulls

963  
00:49:21,769 --> 00:49:19,829

up a plant leaf and I kid you not

964

00:49:22,909 --> 00:49:21,779

there's a globule of light to size of

965

00:49:24,709 --> 00:49:22,919

your thumb but the size of a marble

966

00:49:26,959 --> 00:49:24,719

sitting there just glowing like you

967

00:49:29,269 --> 00:49:26,969

might expect a conscious ball to do when

968

00:49:30,620 --> 00:49:29,279

it's communicating and he begins to have

969

00:49:33,019 --> 00:49:30,630

a dialogue

970

00:49:34,640 --> 00:49:33,029

with burov Nia um lasted about a minute

971

00:49:36,470 --> 00:49:34,650

or so and he says she wants us to follow

972

00:49:38,450 --> 00:49:36,480

her and I kid you not this ball of light

973

00:49:40,190 --> 00:49:38,460

got off of this plant Lee it begins to

974

00:49:42,920 --> 00:49:40,200

bounce down the road like you might say

975

00:49:45,799 --> 00:49:42,930

in a Disney movie and he said oh she's

976  
00:49:48,529 --> 00:49:45,809  
got to go in took off across the cow the

977  
00:49:53,079 --> 00:49:48,539  
cow field but i do remember another

978  
00:49:55,640 --> 00:49:53,089  
experience you myself Marie Laura

979  
00:49:58,160 --> 00:49:55,650  
Marjorie and a few others we were at a

980  
00:50:02,299 --> 00:49:58,170  
Chinese restaurant sitting at this big

981  
00:50:04,160 --> 00:50:02,309  
round table um and again Marjorie was

982  
00:50:07,460 --> 00:50:04,170  
present and all of a sudden nucleus pops

983  
00:50:11,599 --> 00:50:07,470  
in hello group I see this famous for

984  
00:50:12,980 --> 00:50:11,609  
doing and as I begin a dialogue with him

985  
00:50:15,499 --> 00:50:12,990  
you know hello nucleus good to see you

986  
00:50:18,529 --> 00:50:15,509  
what's been going on out of nowhere he

987  
00:50:20,210 --> 00:50:18,539  
says uh hey Keith remember I've been

988  
00:50:21,470 --> 00:50:20,220

telling you that I'm I can hook you up

989

00:50:24,200 --> 00:50:21,480

with an invisible friend you know

990

00:50:26,480 --> 00:50:24,210

someone to talk to you put some pretty

991

00:50:27,589 --> 00:50:26,490

cool ideas in your head and someone to

992

00:50:29,990 --> 00:50:27,599

play with you and watch over he said

993

00:50:32,569 --> 00:50:30,000

absolutely says push your chair back so

994

00:50:34,430 --> 00:50:32,579

I scoot my chair back he says keith push

995

00:50:38,440 --> 00:50:34,440

your chair back i'm about to sit someone

996

00:50:41,089 --> 00:50:38,450

in here lap and no sooner than i do

997

00:50:43,549 --> 00:50:41,099

someone begins to sit on me and i can

998

00:50:46,309 --> 00:50:43,559

feel the pressure in my ears begin to

999

00:50:48,650 --> 00:50:46,319

ring so much so the volume of it was

1000

00:50:50,390 --> 00:50:48,660

almost painful and of course Wendy's

1001  
00:50:52,400 --> 00:50:50,400  
hand goes up and said Oh nucleus can I

1002  
00:50:55,849 --> 00:50:52,410  
have a friend to he says pushy chair

1003  
00:50:57,109 --> 00:50:55,859  
back she pushes a chair back and she

1004  
00:50:59,420 --> 00:50:57,119  
turned her head and looked to me

1005  
00:51:02,480 --> 00:50:59,430  
Schimmel's broke her neck the look on

1006  
00:51:05,019 --> 00:51:02,490  
her face was just amazing that you know

1007  
00:51:07,579 --> 00:51:05,029  
I'm somewhat further along the path and

1008  
00:51:10,599 --> 00:51:07,589  
can somewhat be ready for such

1009  
00:51:14,809 --> 00:51:10,609  
experience to happen she had no idea

1010  
00:51:17,509 --> 00:51:14,819  
what was coming have you I've actually

1011  
00:51:21,950 --> 00:51:17,519  
had the experience Rex one day one that

1012  
00:51:25,519 --> 00:51:21,960  
was at your place to have peripheral a

1013  
00:51:29,950 --> 00:51:25,529

stood a very very short time all these

1014

00:51:33,710 --> 00:51:29,960

beings that you had the opportunity to

1015

00:51:37,130 --> 00:51:33,720

experience how often were the other

1016

00:51:38,960 --> 00:51:37,140

entities like Al tisha and / if me and

1017

00:51:42,510 --> 00:51:38,970

the other group and was it predominantly

1018

00:51:47,790 --> 00:51:44,930

no it wasn't especially in the beginning

1019

00:51:52,530 --> 00:51:47,800

in the beginning he might make an

1020

00:51:57,480 --> 00:51:52,540

appearance once or twice a week but as

1021

00:51:59,850 --> 00:51:57,490

time went by it became daily there were

1022

00:52:02,220 --> 00:51:59,860

various reasons for that but partly

1023

00:52:04,410 --> 00:52:02,230

because he just valued our company so

1024

00:52:06,090 --> 00:52:04,420

much it was such a break for him to be

1025

00:52:08,520 --> 00:52:06,100

away from the station and all the

1026

00:52:10,650 --> 00:52:08,530

demands of his work it was like a

1027

00:52:13,550 --> 00:52:10,660

vacation to come and visit earth and be

1028

00:52:15,930 --> 00:52:13,560

with us who had loved him and he

1029

00:52:18,120 --> 00:52:15,940

appreciated that greatly because he had

1030

00:52:21,480 --> 00:52:18,130

never had that before and you know I can

1031

00:52:23,700 --> 00:52:21,490

it confirm my time with him I could see

1032

00:52:27,210 --> 00:52:23,710

exactly that I can that's another

1033

00:52:29,430 --> 00:52:27,220

validating point for me because earlier

1034

00:52:33,180 --> 00:52:29,440

you were talking about his we talked

1035

00:52:35,910 --> 00:52:33,190

about his order his perfection uh-huh he

1036

00:52:37,950 --> 00:52:35,920

he he had a disposition and an eight

1037

00:52:40,380 --> 00:52:37,960

ability when I the order in the

1038

00:52:43,830 --> 00:52:40,390

perfection i saw him wasn't an obsessive

1039

00:52:46,470 --> 00:52:43,840

compulsion it was truly who he was there

1040

00:52:48,660 --> 00:52:46,480

was no tea on cross there was no I that

1041

00:52:50,460 --> 00:52:48,670

was not dotted you can bet on that hence

1042

00:52:52,050 --> 00:52:50,470

the reason he's number eight on the

1043

00:52:54,960 --> 00:52:52,060

board of twelve head of security in this

1044

00:52:57,150 --> 00:52:54,970

quadrant of our galaxy but I can see

1045

00:53:00,270 --> 00:52:57,160

that when he was here with us you

1046

00:53:02,730 --> 00:53:00,280

Marjorie that there was this big sigh of

1047

00:53:05,190 --> 00:53:02,740

relief from leaving the station and

1048

00:53:07,710 --> 00:53:05,200

having a small holiday or vacation but

1049

00:53:09,660 --> 00:53:07,720

also i could see within him than knowing

1050

00:53:11,430 --> 00:53:09,670

that this vacation was going to come to

1051  
00:53:13,950 --> 00:53:11,440  
an end and he would have to get back to

1052  
00:53:16,050 --> 00:53:13,960  
the grind i can actually see that and

1053  
00:53:18,360 --> 00:53:16,060  
that's another part of spending time

1054  
00:53:24,930 --> 00:53:18,370  
with him that validated me the truth and

1055  
00:53:27,480 --> 00:53:24,940  
the reality of nucleus a yeah he started

1056  
00:53:31,860 --> 00:53:27,490  
discovering his buried emotions after

1057  
00:53:34,950 --> 00:53:31,870  
being with us for a time and after the

1058  
00:53:37,680 --> 00:53:34,960  
he and i had actual sessions in which he

1059  
00:53:41,010 --> 00:53:37,690  
would enter a trance and revisit some of

1060  
00:53:43,050 --> 00:53:41,020  
his childhood experiences Wow and his

1061  
00:53:45,330 --> 00:53:43,060  
emotions were coming to the surface and

1062  
00:53:48,780 --> 00:53:45,340  
he was not prepared to deal with them at

1063  
00:53:51,600 --> 00:53:48,790

all they had been totally suppressed by

1064

00:53:53,670 --> 00:53:51,610

his training which by the way was not

1065

00:53:56,130 --> 00:53:53,680

typical his training was specially

1066

00:53:59,100 --> 00:53:56,140

designed to make him the way

1067

00:54:01,610 --> 00:53:59,110

he was which was not typical of the

1068

00:54:04,250 --> 00:54:01,620

training that other ETS were receiving

1069

00:54:11,520 --> 00:54:04,260

they wanted him to be like that

1070

00:54:14,160 --> 00:54:11,530

perfectionistic isolated and obedient so

1071

00:54:18,360 --> 00:54:14,170

that he could carry out a role that they

1072

00:54:22,470 --> 00:54:18,370

wanted him to play when the shi t hit

1073

00:54:26,180 --> 00:54:22,480

the fan and he would have done it if he

1074

00:54:29,160 --> 00:54:26,190

had not been awakened that's why the the

1075

00:54:31,200 --> 00:54:29,170

patrones as he called told him to blend

1076

00:54:33,120 --> 00:54:31,210

with humans they wanted him to get in

1077

00:54:35,630 --> 00:54:33,130

touch with his emotional side they won't

1078

00:54:38,280 --> 00:54:35,640

have to to learn about his human side

1079

00:54:43,470 --> 00:54:38,290

because they knew would be essential to

1080

00:54:45,560 --> 00:54:43,480

over to overcoming the conspiracy let me

1081

00:54:48,660 --> 00:54:45,570

ask you this Rex without violating

1082

00:54:51,840 --> 00:54:48,670

patient-doctor confidentiality because

1083

00:54:54,870 --> 00:54:51,850

he was well yeah half human half hybrid

1084

00:54:57,990 --> 00:54:54,880

when he began to delve into his emotions

1085

00:55:02,250 --> 00:54:58,000

when he would express himself through

1086

00:55:05,880 --> 00:55:02,260

Marjorie as you said he was not ready to

1087

00:55:11,910 --> 00:55:05,890

deal with such density emotionally was

1088

00:55:15,360 --> 00:55:11,920

there any signs of expression that was

1089

00:55:17,340 --> 00:55:15,370

just different not just the out crying

1090

00:55:19,590 --> 00:55:17,350

or the anger or whatever the emotion

1091

00:55:22,020 --> 00:55:19,600

maybe did something seemed different in

1092

00:55:24,000 --> 00:55:22,030

his emotional outbursts if there was any

1093

00:55:26,280 --> 00:55:24,010

at all that would set him apart from

1094

00:55:32,340 --> 00:55:26,290

someone else being human that might be

1095

00:55:35,250 --> 00:55:32,350

on your table only in the sense that

1096

00:55:39,140 --> 00:55:35,260

that because he has such tremendous

1097

00:55:42,000 --> 00:55:39,150

energy you know he has two brain stems

1098

00:55:47,040 --> 00:55:42,010

he is vibrating in a much higher rate

1099

00:55:49,380 --> 00:55:47,050

than humans vibrate at on earth when his

1100

00:55:51,030 --> 00:55:49,390

emotions were affecting him in his

1101  
00:55:56,130 --> 00:55:51,040  
dimension they could actually be

1102  
00:55:58,980 --> 00:55:56,140  
destructive if he got angry he would

1103  
00:56:04,200 --> 00:55:58,990  
things would start being destroyed

1104  
00:56:06,810 --> 00:56:04,210  
around him so that was different the

1105  
00:56:09,720 --> 00:56:06,820  
intensity the power of his emotions you

1106  
00:56:11,460 --> 00:56:09,730  
mean chedda katella up telekinetically

1107  
00:56:13,710 --> 00:56:11,470  
things would begin to happen or he would

1108  
00:56:16,920 --> 00:56:13,720  
just get angry and begin to break things

1109  
00:56:19,410 --> 00:56:16,930  
he would go to his quarters and he would

1110  
00:56:22,200 --> 00:56:19,420  
when he was enraged by what had been

1111  
00:56:27,180 --> 00:56:22,210  
done to him he would go to his quarters

1112  
00:56:30,990 --> 00:56:27,190  
and he would deliberately break things

1113  
00:56:32,970 --> 00:56:31,000

with his mind hmm kinda like we might go

1114

00:56:37,020 --> 00:56:32,980

and hit a punching bag he was just

1115

00:56:38,790 --> 00:56:37,030

destroying things and he didn't want

1116

00:56:41,910 --> 00:56:38,800

anyone to know that he had lost his

1117

00:56:44,160 --> 00:56:41,920

composure because God how can he be

1118

00:56:48,000 --> 00:56:44,170

chief of security procedures right

1119

00:56:50,099 --> 00:56:48,010

absolutely absolutely so he was trying

1120

00:56:53,160 --> 00:56:50,109

to hide all these emotions but he wasn't

1121

00:56:55,859 --> 00:56:53,170

being very successful with it and the

1122

00:56:58,290 --> 00:56:55,869

board finally told him to come to our

1123

00:57:00,150 --> 00:56:58,300

house and stick take a sabbatical we

1124

00:57:02,930 --> 00:57:00,160

don't want you coming back here until

1125

00:57:07,050 --> 00:57:02,940

your until you're stable again

1126

00:57:12,840 --> 00:57:07,060

fortunately at that time another fairy

1127

00:57:14,970 --> 00:57:12,850

who had emulated nuke loved new spin

1128

00:57:17,640 --> 00:57:14,980

there all the time he could spend at the

1129

00:57:21,930 --> 00:57:17,650

station this varies name was Adam by the

1130

00:57:25,020 --> 00:57:21,940

way I remember that Adam had been raised

1131

00:57:27,060 --> 00:57:25,030

by us essentially but he matured very

1132

00:57:30,060 --> 00:57:27,070

quickly and became what we would

1133

00:57:32,820 --> 00:57:30,070

consider and adults intellectually very

1134

00:57:35,700 --> 00:57:32,830

you know in a short period of time and

1135

00:57:37,620 --> 00:57:35,710

so he he loved nucleus eight and he

1136

00:57:39,240 --> 00:57:37,630

wanted to be like nucleus eight in fact

1137

00:57:42,450 --> 00:57:39,250

he told nucleus eight he would like to

1138

00:57:44,460 --> 00:57:42,460

have his job so Adam was prepared to

1139

00:57:48,859 --> 00:57:44,470

take over but eight also had another

1140

00:57:52,410 --> 00:57:48,869

second in command at that time who was

1141

00:57:55,140 --> 00:57:52,420

his trusted companion for many many

1142

00:57:57,570 --> 00:57:55,150

centuries so there was plenty of backup

1143

00:57:59,400 --> 00:57:57,580

when he was incapacitated and he came

1144

00:58:00,930 --> 00:57:59,410

and stayed with us in fact he said can

1145

00:58:06,000 --> 00:58:00,940

you would you mind if I spend a year

1146

00:58:09,390 --> 00:58:06,010

your house what was the name if he got

1147

00:58:10,470 --> 00:58:09,400

out of it what name you refer his backup

1148

00:58:13,020 --> 00:58:10,480

me a second to come in his

1149

00:58:19,460 --> 00:58:13,030

second-in-command that person's name was

1150

00:58:27,510 --> 00:58:24,030

so the lots and lots of things happened

1151  
00:58:30,530 --> 00:58:27,520  
over the years but for a while nucleus a

1152  
00:58:33,630 --> 00:58:30,540  
was our was our baby in a sense and we

1153  
00:58:35,250 --> 00:58:33,640  
hear he could regress the childhood and

1154  
00:58:37,320 --> 00:58:35,260  
he could experience all those emotions

1155  
00:58:42,150 --> 00:58:37,330  
that he was never allowed to experience

1156  
00:58:48,480 --> 00:58:42,160  
as a child and Margie's channeling him

1157  
00:58:52,530 --> 00:58:48,490  
almost continuously and he's he's crying

1158  
00:58:55,560 --> 00:58:52,540  
for days at a time practically and when

1159  
00:58:59,640 --> 00:58:55,570  
he finally got it out of his system he

1160  
00:59:04,109 --> 00:58:59,650  
said I've cried a thousand years worth

1161  
00:59:10,100 --> 00:59:04,119  
of tears so he was very human in that

1162  
00:59:12,690 --> 00:59:10,110  
sense and when he wasn't when he wasn't

1163  
00:59:15,660 --> 00:59:12,700

greatly saddened by the things that had

1164

00:59:18,020 --> 00:59:15,670

happened to him he then he would be very

1165

00:59:21,510 --> 00:59:18,030

angry about what had been done to him

1166

00:59:23,730 --> 00:59:21,520

and that's normal too but it that all

1167

00:59:27,030 --> 00:59:23,740

led to the discovery of the conspiracy

1168

00:59:30,390 --> 00:59:27,040

and so it was all part of a plan like

1169

00:59:33,630 --> 00:59:30,400

you said at the beginning you know my

1170

00:59:36,300 --> 00:59:33,640

background from childhood had been a

1171

00:59:38,670 --> 00:59:36,310

strong interest in the notion of

1172

00:59:41,400 --> 00:59:38,680

traveling to other planets meeting other

1173

00:59:45,690 --> 00:59:41,410

species I read a lot of science fiction

1174

00:59:47,790 --> 00:59:45,700

I was very interested in the reports we

1175

00:59:52,230 --> 00:59:47,800

were getting back in the 50s you know I

1176

00:59:54,120 --> 00:59:52,240

was about ten years old in 1951 and

1177

00:59:57,270 --> 00:59:54,130

through the early 50s there were several

1178

00:59:59,280 --> 00:59:57,280

people who were having contact

1179

01:00:01,740 --> 00:59:59,290

experiences and who were channeling

1180

01:00:04,609 --> 01:00:01,750

aliens and receiving all these messages

1181

01:00:08,220 --> 01:00:04,619

like people like George Adamski and

1182

01:00:11,849 --> 01:00:08,230

George Van Tassel and Eric lyst Potter

1183

01:00:14,780 --> 01:00:11,859

and Baird Wallace and Howard minger

1184

01:00:17,700 --> 01:00:14,790

Donald fry these people were in the news

1185

01:00:19,920 --> 01:00:17,710

and they had followings and they wrote

1186

01:00:24,420 --> 01:00:19,930

books and some of them are still

1187

01:00:28,380 --> 01:00:24,430

available today about their contacts

1188

01:00:31,410 --> 01:00:28,390

with ETS who were very benevolent and

1189

01:00:32,880 --> 01:00:31,420

who had all were saying the same things

1190

01:00:36,030 --> 01:00:32,890

to all these guys

1191

01:00:39,780 --> 01:00:36,040

the message was always the same it looks

1192

01:00:42,000 --> 01:00:39,790

like you wish came true exact in a big

1193

01:00:44,700 --> 01:00:42,010

way and I never expected that to happen

1194

01:00:49,050 --> 01:00:44,710

you know when when this first began i

1195

01:00:51,750 --> 01:00:49,060

was already 50 years old you know I'm 73

1196

01:00:54,210 --> 01:00:51,760

now and I was like 53 back back then

1197

01:00:57,210 --> 01:00:54,220

that's nothing compared to nucleuses age

1198

01:01:01,620 --> 01:00:57,220

you know back when I came to friend him

1199

01:01:05,760 --> 01:01:01,630

he was 4720 and that was 17 years ago so

1200

01:01:08,220 --> 01:01:05,770

I remember the story Rex and fill in the

1201  
01:01:10,680 --> 01:01:08,230  
gaps if you can that their technology is

1202  
01:01:13,530 --> 01:01:10,690  
such that provided you don't get

1203  
01:01:15,780 --> 01:01:13,540  
decapitated or blown apart if you die of

1204  
01:01:18,420 --> 01:01:15,790  
certain causes they can rejuvenate you

1205  
01:01:20,010 --> 01:01:18,430  
half of your life and then if you die

1206  
01:01:22,880 --> 01:01:20,020  
again they can rejuvenate you half of

1207  
01:01:25,530 --> 01:01:22,890  
that time in third time your biological

1208  
01:01:27,150 --> 01:01:25,540  
body is spent is that correct sir I

1209  
01:01:29,490 --> 01:01:27,160  
remember that right it's been so many

1210  
01:01:33,870 --> 01:01:29,500  
years well you don't have to die first

1211  
01:01:35,760 --> 01:01:33,880  
what they what they do is when you're

1212  
01:01:37,800 --> 01:01:35,770  
reaching a point in which your body is

1213  
01:01:40,080 --> 01:01:37,810

beginning to deteriorate from ultra age

1214

01:01:43,010 --> 01:01:40,090

then you'll be given that option do you

1215

01:01:45,990 --> 01:01:43,020

want to be rejuvenated and if you do

1216

01:01:48,300 --> 01:01:46,000

then like you say that can give you

1217

01:01:51,000 --> 01:01:48,310

about half of your normal life time back

1218

01:01:55,170 --> 01:01:51,010

to you so eight's normal life time is

1219

01:01:57,960 --> 01:01:55,180

around 8,000 years if you yours if he is

1220

01:02:01,080 --> 01:01:57,970

rejuvenated he could live to 12,000

1221

01:02:04,710 --> 01:02:01,090

years if he has rejuvenated then he

1222

01:02:07,710 --> 01:02:04,720

could live another six years so I mean

1223

01:02:09,870 --> 01:02:07,720

6,000 years so potentially he could live

1224

01:02:13,320 --> 01:02:09,880

about 20 thousand years that gives a

1225

01:02:17,040 --> 01:02:13,330

whole new definition to Methuselah yeah

1226

01:02:20,880 --> 01:02:17,050

in their definition and they're in their

1227

01:02:22,620 --> 01:02:20,890

dimension you know time is a very

1228

01:02:27,990 --> 01:02:22,630

different thing that it is a married man

1229

01:02:30,390 --> 01:02:28,000

shin so things are happening at a rate

1230

01:02:34,980 --> 01:02:30,400

six times faster in his dimension than

1231

01:02:43,480 --> 01:02:41,589

uh he would say coming to Earth I have

1232

01:02:47,230 --> 01:02:43,490

to really lower the frequency of my

1233

01:02:50,290 --> 01:02:47,240

vibrations and and it's like walking

1234

01:02:52,120 --> 01:02:50,300

through molasses yeah he wouldn't miss

1235

01:02:54,069 --> 01:02:52,130

it all together if he did me hey

1236

01:02:56,500 --> 01:02:54,079

probably I mean he probably obviously

1237

01:02:57,940 --> 01:02:56,510

couldn't mingle with our energies if you

1238

01:03:02,410 --> 01:02:57,950

didn't because of the density here I'm

1239

01:03:04,980 --> 01:03:02,420

sure well when he would channel through

1240

01:03:07,589 --> 01:03:04,990

Marjorie he did have to lower his

1241

01:03:09,970 --> 01:03:07,599

frequency of spiritual vibration

1242

01:03:12,579 --> 01:03:09,980

sometimes he would bring his body with

1243

01:03:14,650 --> 01:03:12,589

him but it would be invisible because it

1244

01:03:18,250 --> 01:03:14,660

is vibrating it such a higher frequency

1245

01:03:23,609 --> 01:03:18,260

he didn't do it very often because his

1246

01:03:26,530 --> 01:03:23,619

physical body is highly radioactive and

1247

01:03:28,300 --> 01:03:26,540

had a mountains though it would be

1248

01:03:31,000 --> 01:03:28,310

dangerous for him to spend much time

1249

01:03:34,750 --> 01:03:31,010

around a human being in his physical

1250

01:03:36,970 --> 01:03:34,760

form because of radiation poisoning and

1251  
01:03:40,210 --> 01:03:36,980  
this was deliberately done to him when

1252  
01:03:44,260 --> 01:03:40,220  
he was in the military academy it was

1253  
01:03:45,880 --> 01:03:44,270  
not a normal feature of his body and he

1254  
01:03:47,020 --> 01:03:45,890  
had never really thought about it but

1255  
01:03:49,930 --> 01:03:47,030  
the more I heard about this

1256  
01:03:52,150 --> 01:03:49,940  
radioactivity of his body I said well

1257  
01:03:56,800 --> 01:03:52,160  
how can the grace be around you if

1258  
01:03:59,140 --> 01:03:56,810  
you're so highly radioactive and it made

1259  
01:04:03,130 --> 01:03:59,150  
him start thinking about it greys are

1260  
01:04:06,040 --> 01:04:03,140  
more tolerant of his radioactivity than

1261  
01:04:08,140 --> 01:04:06,050  
humans but what had been done with him

1262  
01:04:11,020 --> 01:04:08,150  
at the academy to make him highly a

1263  
01:04:12,760 --> 01:04:11,030

radioactive which I think was done so

1264

01:04:16,089 --> 01:04:12,770

that he would have difficulty

1265

01:04:19,720 --> 01:04:16,099

interacting with human beings the

1266

01:04:21,790 --> 01:04:19,730

candidate they have priests presenting a

1267

01:04:23,770 --> 01:04:21,800

bit ability sometimes they could see

1268

01:04:26,349 --> 01:04:23,780

into the future and figure out what's

1269

01:04:31,180 --> 01:04:26,359

going to happen four thousand years from

1270

01:04:34,599 --> 01:04:31,190

now in right over so he they did not

1271

01:04:37,630 --> 01:04:34,609

want him to be able to mingle in his

1272

01:04:39,940 --> 01:04:37,640

physical form with humans because he

1273

01:04:44,680 --> 01:04:39,950

would be to radioactive for them to

1274

01:04:48,010 --> 01:04:44,690

tolerate it so they made it radioactive

1275

01:04:48,510 --> 01:04:48,020

by gradually introducing a greater and

1276

01:04:51,490 --> 01:04:48,520

greater

1277

01:04:55,900 --> 01:04:51,500

amounts of radioactive isotopes into his

1278

01:04:58,150 --> 01:04:55,910

body until his tolerance his personal

1279

01:05:01,839 --> 01:04:58,160

physical tolerance ready activity became

1280

01:05:05,200 --> 01:05:01,849

very high but it also helped to isolate

1281

01:05:11,200 --> 01:05:05,210

him you know which is the key thing they

1282

01:05:13,330 --> 01:05:11,210

wanted to keep him isolated but the

1283

01:05:15,160 --> 01:05:13,340

thing about Nick the assay was that he

1284

01:05:18,609 --> 01:05:15,170

took all aspects of his job extremely

1285

01:05:21,089 --> 01:05:18,619

serious and the part about protecting

1286

01:05:24,910 --> 01:05:21,099

protecting members of the Alliance

1287

01:05:27,250 --> 01:05:24,920

protecting his military force protecting

1288

01:05:32,050 --> 01:05:27,260

anybody who was being attacked by

1289

01:05:34,690 --> 01:05:32,060

someone outside the Alliance correct

1290

01:05:37,150 --> 01:05:34,700

we're we're coming up to the top of the

1291

01:05:39,790 --> 01:05:37,160

the end of the show here I would

1292

01:05:42,550 --> 01:05:39,800

absolutely love and invite you back for

1293

01:05:44,410 --> 01:05:42,560

a part two heroic nucleus hu I just

1294

01:05:47,109 --> 01:05:44,420

think that would be awesome we can take

1295

01:05:49,390 --> 01:05:47,119

up from where we left off is there a

1296

01:05:52,510 --> 01:05:49,400

final thought first I want to say thank

1297

01:05:55,720 --> 01:05:52,520

you for the center of light radios and

1298

01:05:58,000 --> 01:05:55,730

humane voyage joining me here it means a

1299

01:06:00,520 --> 01:05:58,010

lot to me I'm absolutely convinced in

1300

01:06:03,910 --> 01:06:00,530

the reality in my experience with

1301  
01:06:05,620 --> 01:06:03,920  
nucleus eight is there any final thought

1302  
01:06:08,940 --> 01:06:05,630  
you would like to leave our listening

1303  
01:06:12,640 --> 01:06:08,950  
audience with here I'd like to quote a

1304  
01:06:17,710 --> 01:06:12,650  
channeled message that was given to

1305  
01:06:20,770 --> 01:06:17,720  
Baird Wallace in 1972 by an entity named

1306  
01:06:24,880 --> 01:06:20,780  
Lou to LA to LA tu who is an

1307  
01:06:27,010 --> 01:06:24,890  
extraterrestrial he said but I wonder my

1308  
01:06:29,589 --> 01:06:27,020  
friends if you realize that each time

1309  
01:06:32,050 --> 01:06:29,599  
you fail to extend your love to protect

1310  
01:06:34,359 --> 01:06:32,060  
the kind thought to do a good deed I

1311  
01:06:36,579 --> 01:06:34,369  
wonder if you realize that you have let

1312  
01:06:39,310 --> 01:06:36,589  
an opportunity go by to serve your

1313  
01:06:41,380 --> 01:06:39,320

creator and your fellow man this is

1314

01:06:44,650 --> 01:06:41,390

really your purpose service to your

1315

01:06:46,960 --> 01:06:44,660

Creator and to your fellow man each time

1316

01:06:50,530 --> 01:06:46,970

that you let this opportunity go by is

1317

01:06:53,140 --> 01:06:50,540

just that much longer shall we say that

1318

01:06:55,900 --> 01:06:53,150

it takes you to grow and to realize

1319

01:06:58,980 --> 01:06:55,910

you're at oneness with your Creator and

1320

01:07:05,950 --> 01:07:01,450

leukocyte would endorse that one hundred

1321

01:07:07,989 --> 01:07:05,960

percent yes he would Rex again my
