**Art Webb
Marik Schwartz**

Truth Funders Radio

HOSTS: Art Webb & Mark Schwartz

1
00:00:15,640 --> 00:00:02,180
you're locked into inception radio

2
00:00:19,010 --> 00:00:15,650
network superior Wisconsin this is

3
00:00:21,710 --> 00:00:19,020
funders radio on the inception radio

4
00:00:23,480 --> 00:00:21,720
network a weekly audio Safari that

5
00:00:25,490 --> 00:00:23,490
features the newest and paranormal

6
00:00:28,130 --> 00:00:25,500
discoveries while highlighting the

7
00:00:31,370 --> 00:00:28,140
latest and not to be missed truth funder

8
00:00:33,620 --> 00:00:31,380
com projects for truth seekers and true

9
00:00:42,229 --> 00:00:33,630
believers this week's truth butters

10
00:00:44,959 --> 00:00:42,239
starts now greetings Bonjour hola

11
00:00:47,270 --> 00:00:44,969
welcome and hello this is the truth

12
00:00:50,360 --> 00:00:47,280
butters live radio show on the inception

13
00:00:52,639 --> 00:00:50,370

radio network my name is art web i am

14

00:00:54,110 --> 00:00:52,649

your host for this weekly look at truth

15

00:00:57,010 --> 00:00:54,120

finders calm and everything that is

16

00:00:59,689 --> 00:00:57,020

paranormal metaphysical universal and

17

00:01:03,229 --> 00:00:59,699

essentially good it is about the light

18

00:01:06,440 --> 00:01:03,239

here on this particular radio program as

19

00:01:08,539 --> 00:01:06,450

always I'm joined by the CEO and founder

20

00:01:11,719 --> 00:01:08,549

of the truth funders calm his name is

21

00:01:15,050 --> 00:01:11,729

mark schwartz and mark a very sober

22

00:01:18,160 --> 00:01:15,060

hello to you on this wednesday yes yes

23

00:01:22,219 --> 00:01:18,170

and a not so sober a hello to you

24

00:01:23,870 --> 00:01:22,229

apparently yeah so I was not here last

25

00:01:25,520 --> 00:01:23,880

week for those of you that typically

26

00:01:27,380 --> 00:01:25,530

tune in to the show this is your first

27

00:01:29,480 --> 00:01:27,390

time tuning in then all systems are go

28

00:01:32,410 --> 00:01:29,490

there's no real hiccups or issues for

29

00:01:35,450 --> 00:01:32,420

you but if you last week you tuned in or

30

00:01:38,740 --> 00:01:35,460

you have to catch the show I was not on

31

00:01:41,719 --> 00:01:38,750

because I was out going through some

32

00:01:44,149 --> 00:01:41,729

painfully excruciating Dental Surgery at

33

00:01:47,090 --> 00:01:44,159

that particular like time on that day so

34

00:01:49,190 --> 00:01:47,100

you so join oh sure and I was I was

35

00:01:52,389 --> 00:01:49,200

dealing with root canals and wisdom

36

00:01:57,020 --> 00:01:52,399

teeth and all sorts of silly nonsense

37

00:02:01,520 --> 00:01:57,030

I'm a big candy holic I love gummy bears

38

00:02:04,010 --> 00:02:01,530

I destroy bags of gummy bears tell

39
00:02:05,690 --> 00:02:04,020
everybody what happens he when you told

40
00:02:07,969 --> 00:02:05,700
me will you call me last week and he

41
00:02:11,660 --> 00:02:07,979
said I can't I can't do the show tonight

42
00:02:13,809 --> 00:02:11,670
I broke my tooth I was like oh man did

43
00:02:15,699 --> 00:02:13,819
art did he fall did he like break is

44
00:02:17,559 --> 00:02:15,709
how did he get punched in the face in a

45
00:02:19,869 --> 00:02:17,569
bar fight like what what exactly

46
00:02:23,020 --> 00:02:19,879
happened yeah let's bar fight that's

47
00:02:24,940 --> 00:02:23,030
what it was no but really have it what

48
00:02:27,520 --> 00:02:24,950
really happened I will never eat

49
00:02:32,140 --> 00:02:27,530
skittles again I swear to you I you know

50
00:02:34,539 --> 00:02:32,150
ultimately this was like a a long uh you

51
00:02:36,190 --> 00:02:34,549
know a long journey I'm sure of terrible

52
00:02:38,770 --> 00:02:36,200
things that I was putting in my mouth to

53
00:02:42,459 --> 00:02:38,780
ultimately straw that broke the camel's

54
00:02:44,379 --> 00:02:42,469
back was the skittle but um you know I

55
00:02:46,030 --> 00:02:44,389
had not been to a dentist maybe eight

56
00:02:47,860 --> 00:02:46,040
months I actually had been to a dentist

57
00:02:51,039 --> 00:02:47,870
well I mean it was certainly less than a

58
00:02:52,539 --> 00:02:51,049
year and apparently uh in between my

59
00:02:56,099 --> 00:02:52,549
last dental visit where everything was

60
00:02:59,860 --> 00:02:56,109
cool and now I had come down with a

61
00:03:01,270 --> 00:02:59,870
cavity that was going to it was beyond

62
00:03:04,119 --> 00:03:01,280
the point of a cavity it was a root

63
00:03:06,580 --> 00:03:04,129

canal dad let's be real was it was it

64

00:03:08,409 --> 00:03:06,590

one cavity or was it several cavities

65

00:03:11,110 --> 00:03:08,419

that's well there don't know that they

66

00:03:12,879 --> 00:03:11,120

were going up being too was see the

67

00:03:15,550 --> 00:03:12,889

thing was it would ended up being two

68

00:03:17,349 --> 00:03:15,560

cavities that ended up needing two root

69

00:03:19,869 --> 00:03:17,359

canals I going for the second one

70

00:03:21,460 --> 00:03:19,879

tomorrow I actually get finished and to

71

00:03:25,149 --> 00:03:21,470

fit for the crown all that but I had

72

00:03:27,449 --> 00:03:25,159

four [h__h] lease on it horley I'm so

73

00:03:29,830 --> 00:03:27,459

high on dope right now I had four

74

00:03:32,140 --> 00:03:29,840

horizontally impacted wisdom teeth

75

00:03:34,569 --> 00:03:32,150

ijjima each of my all for my wisdom

76

00:03:36,699 --> 00:03:34,579

teeth had not been taken out and they

77

00:03:38,800 --> 00:03:36,709

were coming in and they were growing in

78

00:03:42,249 --> 00:03:38,810

sideways is such an alarming rate they

79

00:03:45,159 --> 00:03:42,259

were making the backs of my my back

80

00:03:48,189 --> 00:03:45,169

teeth dude you're a mutant yes literally

81

00:03:50,020 --> 00:03:48,199

a mutant you're like a new species so

82

00:03:51,580 --> 00:03:50,030

because these chief were going in and

83

00:03:54,219 --> 00:03:51,590

they were making my back teeth week

84

00:03:56,439 --> 00:03:54,229

everything was just it was a compounded

85

00:03:58,929 --> 00:03:56,449

situation that may be for did you buy

86

00:04:00,219 --> 00:03:58,939

him to the riddle I bet I but look you

87

00:04:02,860 --> 00:04:00,229

something I've been to the skittle I

88

00:04:05,229 --> 00:04:02,870

broke off an entire like more than

89

00:04:07,149 --> 00:04:05,239

three-quarters chunk of my tooth and I

90

00:04:08,679 --> 00:04:07,159

didn't even feel it like I felt that

91

00:04:11,229 --> 00:04:08,689

there was a big hole there with my

92

00:04:14,589 --> 00:04:11,239

tongue of course he didn't really get

93

00:04:17,439 --> 00:04:14,599

into it with you mutant mu wisdom right

94

00:04:20,529 --> 00:04:17,449

so either way like I've gone through the

95

00:04:23,080 --> 00:04:20,539

last seven six days of some pretty

96

00:04:25,510 --> 00:04:23,090

gnarly dental surgery is expensive I'm

97

00:04:27,670 --> 00:04:25,520

on painkillers I'm hopped up on dope and

98

00:04:30,550 --> 00:04:27,680

I'm gonna be doing this show in such a

99

00:04:33,159 --> 00:04:30,560

an experimentally you know sort of

100

00:04:34,779 --> 00:04:33,169

presentational way that everyone that's

101
00:04:36,580 --> 00:04:34,789
enjoying it i will get a one-time

102
00:04:38,310 --> 00:04:36,590
experience of this and then hopefully by

103
00:04:41,560 --> 00:04:38,320
next week I'll be back to my normal

104
00:04:43,689 --> 00:04:41,570
totally razor-sharp with itself and you

105
00:04:45,400 --> 00:04:43,699
can hopefully catch me up on last week

106
00:04:48,010 --> 00:04:45,410
since I was I didn't even I didn't heard

107
00:04:50,170 --> 00:04:48,020
last week's show let alone being odd man

108
00:04:52,659 --> 00:04:50,180
you should've in your vicodin induced

109
00:04:54,939 --> 00:04:52,669
aged you should have been plugged in and

110
00:04:56,980 --> 00:04:54,949
listening to last week's show last

111
00:04:59,140 --> 00:04:56,990
week's show was really I mean it was

112
00:05:00,460 --> 00:04:59,150
really great it's always anyone weren't

113
00:05:02,170 --> 00:05:00,470

there I want to give up the phone number

114

00:05:03,909 --> 00:05:02,180

you see I'm this is there's gonna be a

115

00:05:06,010 --> 00:05:03,919

lot of interrupting and things like this

116

00:05:07,540 --> 00:05:06,020

because I'm I'm just this is what my

117

00:05:09,159 --> 00:05:07,550

state of being and you know how that

118

00:05:10,659 --> 00:05:09,169

goes i'm gonna try and let mark do a

119

00:05:13,120 --> 00:05:10,669

little bit more than speaking when I

120

00:05:14,290 --> 00:05:13,130

don't need to be for this show but I

121

00:05:19,749 --> 00:05:14,300

want to go out the phone number which is

122

00:05:21,640 --> 00:05:19,759

88 89 19 to 35 5 8 8 8 9 192 355 to call

123

00:05:23,800 --> 00:05:21,650

truth mothers radio here on the

124

00:05:25,360 --> 00:05:23,810

inception radio networking but by the

125

00:05:27,820 --> 00:05:25,370

way before we get into what happened

126
00:05:29,350 --> 00:05:27,830
last week I do want to tease our guests

127
00:05:32,529 --> 00:05:29,360
that will be on the show coming up in

128
00:05:34,149 --> 00:05:32,539
about 10-15 minutes here Eli and we can

129
00:05:36,010 --> 00:05:34,159
talk a little bit about his true

130
00:05:37,839 --> 00:05:36,020
thunders project in a bit but yet we

131
00:05:39,939 --> 00:05:37,849
have a brand new show for you we got a

132
00:05:41,439 --> 00:05:39,949
brand new guest and lots of truth funder

133
00:05:43,540 --> 00:05:41,449
stuff coming your way but now you can

134
00:05:45,700 --> 00:05:43,550
please take it away mark was one of

135
00:05:49,210 --> 00:05:45,710
those absolutely so so if anyone's

136
00:05:50,920 --> 00:05:49,220
joining us for the first time yeah art

137
00:05:53,080 --> 00:05:50,930
art is like a troop of fresh

138
00:05:55,770 --> 00:05:53,090

professional and I was a little freaked

139

00:05:58,060 --> 00:05:55,780

out last week doing the show without him

140

00:06:01,060 --> 00:05:58,070

especially because we had some amazing

141

00:06:03,550 --> 00:06:01,070

we had a killer talent we had Nancy and

142

00:06:05,050 --> 00:06:03,560

bill burns going down to one week I bail

143

00:06:07,270 --> 00:06:05,060

on you you get some I mean you get

144

00:06:10,270 --> 00:06:07,280

another one of those like big guest

145

00:06:12,969 --> 00:06:10,280

landings yeah we had we had Jesse Marcel

146

00:06:15,339 --> 00:06:12,979

he would he appeared and the whole time

147

00:06:16,839 --> 00:06:15,349

I was like where is art where's art I

148

00:06:19,839 --> 00:06:16,849

mean I newsworthy were we were all

149

00:06:22,899 --> 00:06:19,849

sending you healing praying fun vibes

150

00:06:25,149 --> 00:06:22,909

like get better I appreciate I did I did

151
00:06:26,920 --> 00:06:25,159
feel those come through at one point I

152
00:06:29,260 --> 00:06:26,930
got a little kick of just like giddy

153
00:06:32,529 --> 00:06:29,270
laughter I didn't think it was like it

154
00:06:33,909 --> 00:06:32,539
was I think wow I think that maybe I'm

155
00:06:35,469 --> 00:06:33,919
still feeling a little bit of those good

156
00:06:38,800 --> 00:06:35,479
vibes that you sent me from last week

157
00:06:41,290 --> 00:06:38,810
right now I could just be the drugs it's

158
00:06:42,670 --> 00:06:41,300
probably the drugs we surprised

159
00:06:44,980 --> 00:06:42,680
it's just a heightened sense of

160
00:06:47,140 --> 00:06:44,990
awareness because of the drugs oh man

161
00:06:49,439 --> 00:06:47,150
this is this is definitely going to be

162
00:06:52,629 --> 00:06:49,449
an interesting show I can already tell

163
00:06:55,300 --> 00:06:52,639

so so it's great though because you're

164

00:06:58,390 --> 00:06:55,310

you know you came through this this week

165

00:07:00,640 --> 00:06:58,400

and it could have easily we could have

166

00:07:02,710 --> 00:07:00,650

easily done the show not easily have

167

00:07:05,260 --> 00:07:02,720

done the show without you again and I

168

00:07:08,350 --> 00:07:05,270

would have done it but but we missed you

169

00:07:10,600 --> 00:07:08,360

last week I catch to go through i was

170

00:07:12,730 --> 00:07:10,610

telling Nancy I was telling bill I said

171

00:07:14,260 --> 00:07:12,740

oh you guys I wish art was here because

172

00:07:16,059 --> 00:07:14,270

we were having this fantastic

173

00:07:18,490 --> 00:07:16,069

conversation about the future of

174

00:07:20,860 --> 00:07:18,500

internet radio and why they're so

175

00:07:22,629 --> 00:07:20,870

amazing is because they've they've been

176

00:07:25,119 --> 00:07:22,639

there almost since the sort of the

177

00:07:27,189 --> 00:07:25,129

conception since when it was just in

178

00:07:29,260 --> 00:07:27,199

podcast for him and then it went to live

179

00:07:31,209 --> 00:07:29,270

radio and now you have it on networks

180

00:07:33,490 --> 00:07:31,219

and they've sort of seen all the

181

00:07:35,320 --> 00:07:33,500

different tiers that paranormal radio

182

00:07:37,959 --> 00:07:35,330

online radio has gone through over the

183

00:07:39,999 --> 00:07:37,969

past you know a few years in and it was

184

00:07:43,119 --> 00:07:40,009

incredible and they have so much to say

185

00:07:45,610 --> 00:07:43,129

and I just I kept talking in fact I was

186

00:07:48,640 --> 00:07:45,620

talking so much to them art you're great

187

00:07:50,320 --> 00:07:48,650

you cut me off you cut our guests off

188

00:07:53,019 --> 00:07:50,330

you're like we have to go to break we

189

00:07:54,999 --> 00:07:53,029

got to do this we have to try to steer a

190

00:07:58,629 --> 00:07:55,009

tight ship around her when I'm right I

191

00:08:00,610 --> 00:07:58,639

believe our cloud I was just talking

192

00:08:02,800 --> 00:08:00,620

like it was a regular conversation and

193

00:08:05,950 --> 00:08:02,810

before I knew it we were off air and I

194

00:08:08,080 --> 00:08:05,960

was just uh just talking so if you hear

195

00:08:10,300 --> 00:08:08,090

last week's episode when you go back I

196

00:08:14,110 --> 00:08:10,310

think Nancy says something and then it's

197

00:08:15,600 --> 00:08:14,120

just like boom to thunderous radio I put

198

00:08:17,860 --> 00:08:15,610

up talking to her for another two hours

199

00:08:19,330 --> 00:08:17,870

just great you got did you guys just

200

00:08:20,769 --> 00:08:19,340

keep going even though you didn't even

201
00:08:22,209 --> 00:08:20,779
though the show is over because you have

202
00:08:25,089 --> 00:08:22,219
a tendency to do that something yeah

203
00:08:27,999 --> 00:08:25,099
yeah pretty much MJ MJ let us know he's

204
00:08:30,219 --> 00:08:28,009
he stopped us but he said he tends to

205
00:08:32,469 --> 00:08:30,229
stay on top of it you guys were in good

206
00:08:35,019 --> 00:08:32,479
hands I don't know if NJ was necessarily

207
00:08:36,880 --> 00:08:35,029
in good hands with you guys were yeah so

208
00:08:39,370 --> 00:08:36,890
I mean it was really it was a different

209
00:08:41,560 --> 00:08:39,380
different show it was a lot of fun and I

210
00:08:43,899 --> 00:08:41,570
recommend people if he did miss last

211
00:08:46,120 --> 00:08:43,909
week's show it was a bummer that art

212
00:08:49,060 --> 00:08:46,130
wasn't in it but there was really just

213
00:08:51,310 --> 00:08:49,070

incredible stuff to be said by Nancy and

214

00:08:52,870 --> 00:08:51,320

Bill and just hitting on topics I think

215

00:08:54,910 --> 00:08:52,880

a lot of people that listen to the show

216

00:08:57,759 --> 00:08:54,920

and a lot of our listeners I mean

217

00:09:00,460 --> 00:08:57,769

that are part of this paranormal radio

218

00:09:03,460 --> 00:09:00,470

online revolution it's it's happening

219

00:09:06,280 --> 00:09:03,470

and and we're just you know we're a part

220

00:09:08,259 --> 00:09:06,290

of it some people have shows some people

221

00:09:10,420 --> 00:09:08,269

are just like it's they listen to it

222

00:09:12,720 --> 00:09:10,430

instead of watching TV and that's what's

223

00:09:16,660 --> 00:09:12,730

really exciting about our guest tonight

224

00:09:20,650 --> 00:09:16,670

so Eli Donnelly's coming on and he has a

225

00:09:22,900 --> 00:09:20,660

a show as well it's a paranormal radio

226

00:09:24,430 --> 00:09:22,910

show and he has all sorts of great

227

00:09:26,620 --> 00:09:24,440

subjects which we're going to talk about

228

00:09:28,689 --> 00:09:26,630

when he comes on but he actually is

229

00:09:30,639 --> 00:09:28,699

creating a project on truth funders and

230

00:09:34,030 --> 00:09:30,649

the reason why he's creating a project

231

00:09:36,129 --> 00:09:34,040

here is I'll let him explain but more or

232

00:09:37,960 --> 00:09:36,139

less it's to get better equipment is to

233

00:09:40,150 --> 00:09:37,970

have better sound it's to reach more

234

00:09:42,759 --> 00:09:40,160

people so we're really excited to sort

235

00:09:44,680 --> 00:09:42,769

of be a part of that and and be helping

236

00:09:47,620 --> 00:09:44,690

people and shoving people out into the

237

00:09:50,230 --> 00:09:47,630

world and doing what we can and making

238

00:09:53,980 --> 00:09:50,240

friends along the way and in all this so

239

00:09:56,019 --> 00:09:53,990

it's um yeah you know it's just really

240

00:09:59,050 --> 00:09:56,029

great and I also wanted to thank we got

241

00:10:00,880 --> 00:09:59,060

so many emails lat from last week's show

242

00:10:03,490 --> 00:10:00,890

I was gonna say did you did you hear any

243

00:10:05,910 --> 00:10:03,500

correspondence back file already follow

244

00:10:09,009 --> 00:10:05,920

up in terms of response from last week's

245

00:10:10,720 --> 00:10:09,019

extravaganza yeah yeah but we sure did

246

00:10:13,300 --> 00:10:10,730

you know every week we get we get stuff

247

00:10:15,189 --> 00:10:13,310

last week I think people really

248

00:10:17,019 --> 00:10:15,199

responded to the conversation

249

00:10:18,970 --> 00:10:17,029

specifically because if you're listening

250

00:10:21,220 --> 00:10:18,980

to this and you are part of that

251
00:10:22,540 --> 00:10:21,230
revolution you have a voice and you want

252
00:10:26,380 --> 00:10:22,550
to say something and you want to talk

253
00:10:27,759 --> 00:10:26,390
about it we didn't take calls last week

254
00:10:29,829 --> 00:10:27,769
because we were so immersed in the

255
00:10:31,210 --> 00:10:29,839
conversation so I want to make sure that

256
00:10:33,220 --> 00:10:31,220
we take calls this week you know if

257
00:10:36,970 --> 00:10:33,230
people want to call in and say anything

258
00:10:40,509 --> 00:10:36,980
so 8 8 8 9 192 355 is the telephone

259
00:10:43,420 --> 00:10:40,519
number speaking of which 8 8 9 192 355

260
00:10:46,269 --> 00:10:43,430
to call him yes mark and myself here on

261
00:10:48,579 --> 00:10:46,279
truth thunders radio and uh did you guys

262
00:10:49,809 --> 00:10:48,589
get to a ella I'll let you get back to

263
00:10:53,650 --> 00:10:49,819

the email sucker but I don't know if you

264

00:10:56,500 --> 00:10:53,660

got to a remote viewing sketch or not

265

00:10:58,449 --> 00:10:56,510

sketch but um it clip last week did you

266

00:11:00,819 --> 00:10:58,459

find something to promote me man I'm so

267

00:11:03,100 --> 00:11:00,829

out of it wow you are totally out of it

268

00:11:06,340 --> 00:11:03,110

but it's great it makes for a crash and

269

00:11:07,990 --> 00:11:06,350

burn session of a radio experience yeah

270

00:11:08,249 --> 00:11:08,000

that means we're just gonna crash and

271

00:11:10,949 --> 00:11:08,259

burn

272

00:11:17,280 --> 00:11:10,959

it ain't like should I be on the air 88

273

00:11:19,049 --> 00:11:17,290

89 190 so um so yeah so we didn't do one

274

00:11:20,759 --> 00:11:19,059

but we are going to do it this week I

275

00:11:23,669 --> 00:11:20,769

think I'm gonna we're going to do it

276

00:11:26,249 --> 00:11:23,679

once we bring eli on and we will do this

277

00:11:28,829 --> 00:11:26,259

experiment with him on the air but when

278

00:11:31,259 --> 00:11:28,839

we do finally get to the experiment and

279

00:11:33,479 --> 00:11:31,269

I try to get people you know I send out

280

00:11:36,989 --> 00:11:33,489

what I'm holding and everyone out there

281

00:11:39,809 --> 00:11:36,999

remote views it thinks about it I want

282

00:11:41,519 --> 00:11:39,819

you guys to go to Facebook and go to to

283

00:11:43,259 --> 00:11:41,529

thunders on facebook even if you don't

284

00:11:44,939 --> 00:11:43,269

have a facebook you can still go there

285

00:11:46,499 --> 00:11:44,949

and take a look at the page if you don't

286

00:11:49,409 --> 00:11:46,509

have an account you can go right over

287

00:11:52,650 --> 00:11:49,419

there and and there's a special section

288

00:11:54,689 --> 00:11:52,660

for today's remote viewing contest so if

289

00:11:57,090 --> 00:11:54,699

you know what we're remote viewing

290

00:12:00,150 --> 00:11:57,100

during the show you can go ahead and

291

00:12:02,460 --> 00:12:00,160

write what you think it is we are remote

292

00:12:04,979 --> 00:12:02,470

viewing out and what you see and if you

293

00:12:07,109 --> 00:12:04,989

do get it right we will we will reveal

294

00:12:09,809 --> 00:12:07,119

the answer on facebook after the show

295

00:12:12,269 --> 00:12:09,819

and if you happen to get right if you

296

00:12:15,210 --> 00:12:12,279

type in the correct answer during the

297

00:12:17,039 --> 00:12:15,220

show before we reveal the real answer we

298

00:12:20,489 --> 00:12:17,049

will be sending you a true squanders

299

00:12:22,319 --> 00:12:20,499

t-shirt and also be getting you on the

300

00:12:24,419 --> 00:12:22,329

show because obviously you have some

301
00:12:26,879 --> 00:12:24,429
incredible remote viewing powers which

302
00:12:28,379 --> 00:12:26,889
is incredible hey you know one thing I

303
00:12:30,349 --> 00:12:28,389
want to bring up that I've been meaning

304
00:12:32,369 --> 00:12:30,359
to bring up on the show here that is

305
00:12:34,139 --> 00:12:32,379
something that's a big part of my life

306
00:12:36,929 --> 00:12:34,149
it's a big part of my wife's life I mean

307
00:12:38,699 --> 00:12:36,939
this has been a big part my wife mine in

308
00:12:40,710 --> 00:12:38,709
her life for years now yours too I'm

309
00:12:41,999 --> 00:12:40,720
sure I'm sure soon as I mentioned this

310
00:12:43,559 --> 00:12:42,009
to you you're gonna go oh yeah that's

311
00:12:47,340 --> 00:12:43,569
something I deal with on a daily basis

312
00:12:48,720 --> 00:12:47,350
as well I want to get to a temperature I

313
00:12:51,960 --> 00:12:48,730

want to take the temperature on the

314

00:12:53,669 --> 00:12:51,970

audience and see how much this sort of

315

00:12:55,409 --> 00:12:53,679

thing is popping up in their lives on a

316

00:12:57,059 --> 00:12:55,419

regular basis as well and that is the

317

00:12:58,379 --> 00:12:57,069

concept of angel numbers are you

318

00:13:00,840 --> 00:12:58,389

familiar with the concept of angel

319

00:13:02,639 --> 00:13:00,850

numbers mark no no what is that ok so

320

00:13:06,899 --> 00:13:02,649

angel numbers are when you see patterns

321

00:13:10,649 --> 00:13:06,909

in numbers on a consistent basis so

322

00:13:13,439 --> 00:13:10,659

you'll see either a repeating pattern in

323

00:13:14,789 --> 00:13:13,449

terms of like maybe 12 12 12 12 you'll

324

00:13:17,759 --> 00:13:14,799

see that everywhere you look at the

325

00:13:20,849 --> 00:13:17,769

clock it's 12 12 you'll look at you know

326

00:13:22,290 --> 00:13:20,859

the of the price on the grocery bill

327

00:13:25,020 --> 00:13:22,300

it's 12 12 you just

328

00:13:27,420 --> 00:13:25,030

and it's just one specific reoccurring

329

00:13:28,860 --> 00:13:27,430

pattern it could be sequential as well

330

00:13:30,660 --> 00:13:28,870

it could be you just see numbers that

331

00:13:32,820 --> 00:13:30,670

line up in terms of four five six seven

332

00:13:37,440 --> 00:13:32,830

eight nine you know your gas was forty

333

00:13:38,970 --> 00:13:37,450

five dollars and sixty seven cents you

334

00:13:41,160 --> 00:13:38,980

know it whatever like you just see

335

00:13:42,840 --> 00:13:41,170

numbers and patterns continuously lining

336

00:13:44,820 --> 00:13:42,850

up there everywhere you look usually 11

337

00:13:47,820 --> 00:13:44,830

11 is what it starts with with people

338

00:13:49,740 --> 00:13:47,830

and then it will tend to evolve and

339

00:13:51,450 --> 00:13:49,750

transform as time goes on is you're more

340

00:13:54,270 --> 00:13:51,460

open to the concept of the angel numbers

341

00:13:56,010 --> 00:13:54,280

and basically the essential gist of it

342

00:13:59,700 --> 00:13:56,020

is it's it's the way the universe speaks

343

00:14:01,770 --> 00:13:59,710

to you and you being open to that type

344

00:14:03,270 --> 00:14:01,780

of back-and-forth conversation with the

345

00:14:05,040 --> 00:14:03,280

universe I've been dealing with like

346

00:14:09,000 --> 00:14:05,050

angel numbers and seeing them going back

347

00:14:10,410 --> 00:14:09,010

as far as 2012 right before the december

348

00:14:12,720 --> 00:14:10,420

twenty first date maybe that summers

349

00:14:14,040 --> 00:14:12,730

when it started for me with like 11 11 s

350

00:14:15,750 --> 00:14:14,050

and then sequential patterns out to move

351

00:14:17,700 --> 00:14:15,760

'don't i just see my birthday everywhere

352

00:14:19,230 --> 00:14:17,710

just my birthday is made 26 everywhere I

353

00:14:22,200 --> 00:14:19,240

look the numbers five to six pop up

354

00:14:24,030 --> 00:14:22,210

almost to like it being a scary amount

355

00:14:25,980 --> 00:14:24,040

it's dude do you deal with anything like

356

00:14:27,960 --> 00:14:25,990

that do you see numbers in that sort of

357

00:14:29,640 --> 00:14:27,970

way just in your everyday life yeah I

358

00:14:31,650 --> 00:14:29,650

mean I think everybody sees that it's

359

00:14:33,750 --> 00:14:31,660

the pattern some people call it a

360

00:14:36,030 --> 00:14:33,760

pattern some people just call it

361

00:14:39,870 --> 00:14:36,040

coincidence synchronicity is another

362

00:14:41,460 --> 00:14:39,880

term for it absolutely uh if there's any

363

00:14:43,590 --> 00:14:41,470

number you know I haven't had numbers

364

00:14:46,800 --> 00:14:43,600

really affect me like that in a long

365

00:14:49,110 --> 00:14:46,810

time at some point I remember there what

366

00:14:50,970 --> 00:14:49,120

you know everybody has that like a 1 111

367

00:14:53,400 --> 00:14:50,980

or whatever it might well I love it see

368

00:14:55,410 --> 00:14:53,410

1111 is like what the wouldn't you first

369

00:14:58,440 --> 00:14:55,420

start to seeing the 11 11 that means

370

00:15:00,990 --> 00:14:58,450

that is you're like does universe saying

371

00:15:03,300 --> 00:15:01,000

hey look you're open to this 11 if you

372

00:15:05,850 --> 00:15:03,310

look up the the significance of 1111

373

00:15:08,610 --> 00:15:05,860

that will be typically like the the

374

00:15:10,440 --> 00:15:08,620

first step in to having more awareness

375

00:15:12,630 --> 00:15:10,450

of what's going on around you with that

376

00:15:14,640 --> 00:15:12,640

type of synchronicity that's that's the

377

00:15:16,230 --> 00:15:14,650

way I understand anyway I do want to see

378

00:15:18,210 --> 00:15:16,240

if anyone else out there is dealing with

379

00:15:19,950 --> 00:15:18,220

with this in a regular basis and what

380

00:15:23,630 --> 00:15:19,960

their interpretations of it are so

381

00:15:27,000 --> 00:15:23,640

please call the show 8 8 8 8 18 rather

382

00:15:30,260 --> 00:15:27,010

I'm so what is it rare anyway totally

383

00:15:32,640 --> 00:15:30,270

vicodin doubt my brother I am it's okay

384

00:15:35,740 --> 00:15:32,650

I'm gonna go on this whole like Angel

385

00:15:40,500 --> 00:15:35,750

numbers vicodin I don't you like oh yeah

386

00:15:47,380 --> 00:15:45,310

55 maybe 88 89 193 5 5 I would love to

387

00:15:49,210 --> 00:15:47,390

take some calls on that and I do find it

388

00:15:51,400 --> 00:15:49,220

interesting that you don't see more of

389

00:15:53,860 --> 00:15:51,410

that I guess I really want to see jewel

390

00:15:56,080 --> 00:15:53,870

I just had this visual art that you're

391

00:15:59,020 --> 00:15:56,090

actually getting a root canal done right

392

00:16:01,210 --> 00:15:59,030

now and that is that they have nitrous

393

00:16:03,700 --> 00:16:01,220

that on you and you're just having the

394

00:16:05,770 --> 00:16:03,710

fun i wish i wish your boss got

395

00:16:07,750 --> 00:16:05,780

headphones completely trapped in is in

396

00:16:12,910 --> 00:16:07,760

there muting the drill is as you're

397

00:16:14,980 --> 00:16:12,920

speaking hey so so yeah well you know

398

00:16:17,110 --> 00:16:14,990

without further ado I think we should go

399

00:16:18,610 --> 00:16:17,120

ahead and yeah Eli's been waiting

400

00:16:21,370 --> 00:16:18,620

waiting long enough so I want to give a

401

00:16:22,720 --> 00:16:21,380

little introduction to Eli um we could

402

00:16:24,460 --> 00:16:22,730

ask him about angel numbers two and

403

00:16:29,680 --> 00:16:24,470

whether or not he is high on vicodin as

404

00:16:32,260 --> 00:16:29,690

well we we could um we will talk to him

405

00:16:34,870 --> 00:16:32,270

about all these wonderful things um and

406

00:16:36,340 --> 00:16:34,880

and really quick before we do that one

407

00:16:38,890 --> 00:16:36,350

last thing I want to do is give a shout

408

00:16:40,710 --> 00:16:38,900

out to everybody who sent in emails this

409

00:16:45,550 --> 00:16:40,720

week so I'm going through this list

410

00:16:49,810 --> 00:16:45,560

Thank You Erica yes we will totally do

411

00:16:51,280 --> 00:16:49,820

that at some point Jonathan you rock

412

00:16:53,890 --> 00:16:51,290

thank you for supporting us and

413

00:16:57,280 --> 00:16:53,900

listening to us from day one Patrick we

414

00:17:00,579 --> 00:16:57,290

totally appreciate it you know feel free

415

00:17:04,480 --> 00:17:00,589

to call in and and let us know what you

416

00:17:07,870 --> 00:17:04,490

love about things all the time um who

417

00:17:09,640 --> 00:17:07,880

else have we got here we got Paul Paul

418

00:17:12,600 --> 00:17:09,650

thank you very much he was calling all

419

00:17:16,660 --> 00:17:12,610

the way from Sydney and then there was

420

00:17:18,100 --> 00:17:16,670

Georgia so um thank you guys so much I

421

00:17:20,770 --> 00:17:18,110

we really appreciate all the feedback

422

00:17:24,120 --> 00:17:20,780

that you have to give us I know this is

423

00:17:26,650 --> 00:17:24,130

a totally crazy loopy show today and

424

00:17:29,170 --> 00:17:26,660

it's going to get crazier and loop here

425

00:17:32,200 --> 00:17:29,180

as we bring eli on so Eli donnelly I'd

426

00:17:34,510 --> 00:17:32,210

like to introduce him to the show you

427

00:17:41,850 --> 00:17:34,520

lie are you there hey how are you guys

428

00:17:44,530 --> 00:17:41,860

doing doing good arc are you there I

429

00:17:46,960 --> 00:17:44,540

think we might have lost art I think no

430

00:17:49,660 --> 00:17:46,970

I'm here sorry sorry I'm here oh my gosh

431

00:17:51,850 --> 00:17:49,670

this is this is too funny show

432

00:17:55,570 --> 00:17:51,860

I've been a part of any like what do you

433

00:17:58,660 --> 00:17:55,580

feel about angel numbers like I can only

434

00:18:00,820 --> 00:17:58,670

say that I've only seen a couple article

435

00:18:03,070 --> 00:18:00,830

headlines but I never really read into

436

00:18:04,390 --> 00:18:03,080

the articles that much so I couldn't

437

00:18:09,970 --> 00:18:04,400

help you out I couldn't help you out

438

00:18:11,830 --> 00:18:09,980

that much what so evil I you know for

439

00:18:14,980 --> 00:18:11,840

everybody for everybody listening right

440

00:18:19,000 --> 00:18:14,990

now thank you thank you for being a part

441

00:18:21,430 --> 00:18:19,010

of this very kooky edition of truth

442

00:18:23,440 --> 00:18:21,440

funders radio we've had some very very

443

00:18:26,530 --> 00:18:23,450

serious conversations in the past and

444

00:18:30,040 --> 00:18:26,540

and today is sort of more of a laid-back

445

00:18:33,160 --> 00:18:30,050

episode i guess but what's really

446

00:18:35,410 --> 00:18:33,170

exciting is is your project and what

447

00:18:39,370 --> 00:18:35,420

you're doing um you you reach out to us

448

00:18:40,930 --> 00:18:39,380

a couple weeks ago with and with with an

449

00:18:44,170 --> 00:18:40,940

idea for a project you have been working

450

00:18:46,000 --> 00:18:44,180

on a podcast and i'm just curious sort

451

00:18:48,190 --> 00:18:46,010

of a what was your process or how did

452

00:18:49,930 --> 00:18:48,200

you hear true funders and and what was

453

00:18:54,400 --> 00:18:49,940

your process of reaching out to us and

454

00:18:57,370 --> 00:18:54,410

and what are you working on well um i

455

00:19:00,310 --> 00:18:57,380

first heard about you guys on another

456

00:19:03,100 --> 00:19:00,320

radio show and i know it by fade to

457

00:19:05,320 --> 00:19:03,110

black and when i first heard about the

458

00:19:07,870 --> 00:19:05,330

website i went ahead and checked it out

459

00:19:10,420 --> 00:19:07,880

i don't know if i should say this but i

460

00:19:13,630 --> 00:19:10,430

checked it out at work immediately you

461

00:19:14,860 --> 00:19:13,640

can get me say that it's okay come on do

462

00:19:16,900 --> 00:19:14,870

this is like this is a show about

463

00:19:20,110 --> 00:19:16,910

conspiracy and paranormal this should be

464

00:19:22,810 --> 00:19:20,120

the first thing I think art is eating

465

00:19:24,010 --> 00:19:22,820

skittles right now I'm putting no I got

466

00:19:25,870 --> 00:19:24,020

you guys actually want to know what I'm

467

00:19:27,460 --> 00:19:25,880

literally lidocaine my mouth right now

468

00:19:29,050 --> 00:19:27,470

because I'm in pain from the opening and

469

00:19:31,030 --> 00:19:29,060

closing speaking so I'm dumbing I'm

470

00:19:33,010 --> 00:19:31,040

putting I got a q-tip and I'm numbing it

471

00:19:37,480 --> 00:19:33,020

with sits like super intense like him I

472

00:19:39,040 --> 00:19:37,490

can say it sounds very painful so it's

473

00:19:44,140 --> 00:19:39,050

not as painful as this radio show tell

474

00:19:46,420 --> 00:19:44,150

you that much this is fun but I first

475

00:19:48,700 --> 00:19:46,430

heard about you guys on that radio show

476

00:19:50,860 --> 00:19:48,710

so I checked it out and when I first

477

00:19:53,200 --> 00:19:50,870

came to the website I immediately

478

00:19:54,910 --> 00:19:53,210

thought to myself that this was

479

00:19:59,800 --> 00:19:54,920

something that I need to be involved in

480

00:20:02,710 --> 00:19:59,810

and for my podcast I spent a lot of time

481

00:20:03,400 --> 00:20:02,720

a lot of hours listening to other

482

00:20:05,320 --> 00:20:03,410

various

483

00:20:09,880 --> 00:20:05,330

podcast you know whether it be about

484

00:20:11,920 --> 00:20:09,890

paranormal or alternative history and I

485

00:20:14,860 --> 00:20:11,930

also listened to a lot of YouTube videos

486

00:20:16,930 --> 00:20:14,870

I started feeling like that I had a

487

00:20:19,660 --> 00:20:16,940

voice as well to share about these

488

00:20:23,380 --> 00:20:19,670

subjects and so I wanted to create a

489

00:20:26,680 --> 00:20:23,390

podcast that didn't have the same

490

00:20:29,860 --> 00:20:26,690

mainstream views I felt that a lot of

491

00:20:32,740 --> 00:20:29,870

these other videos or podcasts had and

492

00:20:35,140 --> 00:20:32,750

so I wanted to kind of take a little bit

493

00:20:37,240 --> 00:20:35,150

of a non mainstream view when it came to

494

00:20:39,340 --> 00:20:37,250

these same stream what subject okay so

495

00:20:41,830 --> 00:20:39,350

that's an interesting thing to say what

496

00:20:43,840 --> 00:20:41,840

three subject or what no you know what

497

00:20:45,250 --> 00:20:43,850

not even three what two subjects are you

498

00:20:46,540 --> 00:20:45,260

most passionate about that you didn't

499

00:20:50,680 --> 00:20:46,550

have mainstream you saw that you wanted

500

00:20:53,320 --> 00:20:50,690

to bring your particular vision to the

501
00:20:56,620 --> 00:20:53,330
masses on because I'm curious yeah one

502
00:20:59,830 --> 00:20:56,630
of the main subjects that I really i

503
00:21:03,250 --> 00:20:59,840
would like to say I research and watch a

504
00:21:06,070 --> 00:21:03,260
lot of videos on is about ancient

505
00:21:09,760 --> 00:21:06,080
history and a lot of that comes from

506
00:21:11,440 --> 00:21:09,770
like the pre-flood era you think that

507
00:21:13,810 --> 00:21:11,450
that we've been the civilization many

508
00:21:15,550 --> 00:21:13,820
times over and we've gotten to certain

509
00:21:17,980 --> 00:21:15,560
points in technology and then been

510
00:21:20,520 --> 00:21:17,990
decimated back down to big stone age and

511
00:21:22,930 --> 00:21:20,530
rebuilt and back a lot of that type of

512
00:21:24,490 --> 00:21:22,940
history with history isn't is telling us

513
00:21:26,890 --> 00:21:24,500

now is not what actually happened at all

514

00:21:29,200 --> 00:21:26,900

yeah that's exactly how I feel about it

515

00:21:31,540 --> 00:21:29,210

you know just for an example I feel that

516

00:21:34,510 --> 00:21:31,550

when we get to them like the megalithic

517

00:21:37,860 --> 00:21:34,520

structures of our past people want to

518

00:21:41,260 --> 00:21:37,870

immediately throw in alien technology

519

00:21:43,930 --> 00:21:41,270

whereas that that might be the case I'm

520

00:21:46,150 --> 00:21:43,940

open-minded enough to think that sure

521

00:21:48,130 --> 00:21:46,160

there could be an alien race out there

522

00:21:50,890 --> 00:21:48,140

that helped build megalithic structures

523

00:21:54,700 --> 00:21:50,900

or it could be something like the

524

00:21:57,460 --> 00:21:54,710

Nephilim that were giants and if they

525

00:21:59,650 --> 00:21:57,470

were 35 to 150 feet tall it would

526

00:22:01,480 --> 00:21:59,660

explain their reasoning on having such

527

00:22:04,450 --> 00:22:01,490

giant structures and being able to

528

00:22:07,270 --> 00:22:04,460

create those structures and and weren't

529

00:22:09,010 --> 00:22:07,280

you sort of I guess form your opinions

530

00:22:13,770 --> 00:22:09,020

or or who are your biggest influences

531

00:22:16,910 --> 00:22:13,780

when it comes to to your ear theories

532

00:22:18,380 --> 00:22:16,920

one of my biggest influences right

533

00:22:21,380 --> 00:22:18,390

now that I've actually kind of been

534

00:22:25,130 --> 00:22:21,390

following closely is some a guy but in

535

00:22:29,510 --> 00:22:25,140

the name of Trey Smith and he puts a lot

536

00:22:33,830 --> 00:22:29,520

of hours into making his videos and one

537

00:22:36,350 --> 00:22:33,840

of the most recent videos was a video

538

00:22:38,600 --> 00:22:36,360

about Noah's Flood and he also has

539

00:22:41,570 --> 00:22:38,610

another video that talks about the

540

00:22:43,010 --> 00:22:41,580

Nephilim and then do you explain the

541

00:22:45,080 --> 00:22:43,020

Nephilim a little bit more because I'm

542

00:22:47,390 --> 00:22:45,090

unfamiliar with the concept of the

543

00:22:49,970 --> 00:22:47,400

Nephilim these are their Giants yeah

544

00:22:52,550 --> 00:22:49,980

essentially what we call the Nephilim it

545

00:22:55,550 --> 00:22:52,560

started off as the fallen angels that

546

00:22:59,020 --> 00:22:55,560

were cast out of heaven and when they

547

00:23:02,630 --> 00:22:59,030

fell out of heaven they found that the

548

00:23:05,810 --> 00:23:02,640

essentially the human wet race the women

549

00:23:07,760 --> 00:23:05,820

they took kindly to and they wanted to

550

00:23:10,040 --> 00:23:07,770

mate with them and when they made it

551
00:23:12,320 --> 00:23:10,050
with them they created this offspring of

552
00:23:21,250 --> 00:23:12,330
what we would consider Giants or the

553
00:23:23,870 --> 00:23:21,260
Nephilim good one oh yeah so um no

554
00:23:28,130 --> 00:23:23,880
that's that's interesting and I think a

555
00:23:30,980 --> 00:23:28,140
lot of people a lot of people view view

556
00:23:34,460 --> 00:23:30,990
have have particular views that are

557
00:23:36,440 --> 00:23:34,470
similar to that with you know you you

558
00:23:38,270 --> 00:23:36,450
talk a little bit about sort of

559
00:23:40,430 --> 00:23:38,280
mainstream when you talk about

560
00:23:43,120 --> 00:23:40,440
mainstream do you mean different

561
00:23:46,640 --> 00:23:43,130
different parent like mainstream

562
00:23:50,870 --> 00:23:46,650
paranormal views or mainstream sort of

563
00:23:52,460 --> 00:23:50,880

main science mainstream views the type

564

00:23:55,070 --> 00:23:52,470

that I'm the type of mainstream that I'm

565

00:23:58,160 --> 00:23:55,080

talking about is mainstream science they

566

00:24:01,430 --> 00:23:58,170

want you to believe that the last type

567

00:24:04,850 --> 00:24:01,440

of thing that I researched was the em

568

00:24:07,880 --> 00:24:04,860

how they built the pyramids and you know

569

00:24:11,450 --> 00:24:07,890

there were some scientists that had

570

00:24:14,840 --> 00:24:11,460

hypothesized that when they were taking

571

00:24:16,520 --> 00:24:14,850

these giant heavy stones and taking them

572

00:24:19,070 --> 00:24:16,530

across the desert that what they did

573

00:24:22,760 --> 00:24:19,080

were they would first place the stones

574

00:24:25,370 --> 00:24:22,770

on two wooden logs and then they would

575

00:24:27,740 --> 00:24:25,380

wet the sand down and because they wet

576

00:24:30,350 --> 00:24:27,750

the sand down it had a sort of

577

00:24:32,300 --> 00:24:30,360

displacement and they were able to roll

578

00:24:35,360 --> 00:24:32,310

the stones across the logs across the

579

00:24:37,610 --> 00:24:35,370

sand and those are the type of examples

580

00:24:39,650 --> 00:24:37,620

that I kind of want to shy away from

581

00:24:42,650 --> 00:24:39,660

because in my heart I don't believe that

582

00:24:45,440 --> 00:24:42,660

and I really want to take more of a

583

00:24:48,140 --> 00:24:45,450

paranormal or alternative method

584

00:24:50,420 --> 00:24:48,150

alternative history to how just for an

585

00:24:52,400 --> 00:24:50,430

example the pyramids were built so it's

586

00:24:57,320 --> 00:24:52,410

just it's really interesting because um

587

00:24:59,420 --> 00:24:57,330

I think you know it's it's I have that

588

00:25:02,210 --> 00:24:59,430

same feeling I think a lot of us do and

589

00:25:03,850 --> 00:25:02,220

it's why we do paranormal radio it's why

590

00:25:06,950 --> 00:25:03,860

we're so interested in the paranormal

591

00:25:09,500 --> 00:25:06,960

the sum of the the theories of

592

00:25:13,790 --> 00:25:09,510

mainstream science just don't seem to

593

00:25:15,770 --> 00:25:13,800

fill all the you know all the spaces and

594

00:25:21,230 --> 00:25:15,780

all the voids that that we're looking

595

00:25:22,790 --> 00:25:21,240

for um most of them really it's true I

596

00:25:25,700 --> 00:25:22,800

mean there's a lot of stuff that makes a

597

00:25:27,440 --> 00:25:25,710

lot of sense and science makes a lot of

598

00:25:29,750 --> 00:25:27,450

sense i'm really into the science of

599

00:25:31,400 --> 00:25:29,760

things because my dad is a scientist so

600

00:25:33,230 --> 00:25:31,410

I've always looked for the scientific

601
00:25:34,730 --> 00:25:33,240
explanation when it comes to ghosts when

602
00:25:37,370 --> 00:25:34,740
it comes to aliens when it comes to our

603
00:25:39,080 --> 00:25:37,380
prehistory but there are just some

604
00:25:43,070 --> 00:25:39,090
things that are I think we naturally

605
00:25:45,320 --> 00:25:43,080
kind of drift and think about it in a

606
00:25:47,690 --> 00:25:45,330
paranormal perspective now in your truth

607
00:25:50,390 --> 00:25:47,700
funders project you're trying to raise

608
00:25:54,290 --> 00:25:50,400
money to get better better equipment for

609
00:25:55,820 --> 00:25:54,300
your podcast and in one of the things in

610
00:25:57,550 --> 00:25:55,830
one of your statements and people can go

611
00:26:01,070 --> 00:25:57,560
ahead and read your story if they go to

612
00:26:03,580 --> 00:26:01,080
WWF lenders calm and it on the front

613
00:26:08,990 --> 00:26:03,590

page if you scroll down you'll see

614

00:26:11,060 --> 00:26:09,000

you'll see the truth sorry my computer

615

00:26:13,910 --> 00:26:11,070

is crashing in front of me you'll see

616

00:26:16,310 --> 00:26:13,920

the you'll see your project if you just

617

00:26:17,630 --> 00:26:16,320

scroll down to the truth squad and if

618

00:26:20,450 --> 00:26:17,640

you click on it you'll be able to read

619

00:26:24,080 --> 00:26:20,460

all of eli story now Eli you said in

620

00:26:27,230 --> 00:26:24,090

your story that your dad kind of helped

621

00:26:29,300 --> 00:26:27,240

you help bring these ideas out of you he

622

00:26:32,630 --> 00:26:29,310

said to continue to question the world

623

00:26:35,000 --> 00:26:32,640

and so do you think it was his influence

624

00:26:37,070 --> 00:26:35,010

that that got you to start thinking like

625

00:26:39,470 --> 00:26:37,080

this I'm really curious to see you know

626

00:26:40,820 --> 00:26:39,480

how most people start to fall in line

627

00:26:42,500 --> 00:26:40,830

with the paranormal if it's an

628

00:26:44,600 --> 00:26:42,510

experience that actually happened to

629

00:26:47,000 --> 00:26:44,610

them or if it's something that

630

00:26:48,799 --> 00:26:47,010

they learned growing up or if you know

631

00:26:51,799 --> 00:26:48,809

they learned from they learn the science

632

00:26:53,930 --> 00:26:51,809

version and then somehow they just said

633

00:26:56,480 --> 00:26:53,940

this isn't working for me and they they

634

00:26:59,900 --> 00:26:56,490

moved on to the paranormal so what is it

635

00:27:02,440 --> 00:26:59,910

that sort of got you really involved and

636

00:27:04,880 --> 00:27:02,450

what is your dad's influence in that

637

00:27:07,820 --> 00:27:04,890

well the first thing that I would like

638

00:27:11,060 --> 00:27:07,830

to say is that I think that my dad is an

639

00:27:13,520 --> 00:27:11,070

amazing man and one thing that I most

640

00:27:15,770 --> 00:27:13,530

admired about my dad is the fact that he

641

00:27:20,000 --> 00:27:15,780

had such an open mind about the things

642

00:27:22,460 --> 00:27:20,010

around us and because my mom was a

643

00:27:26,120 --> 00:27:22,470

preacher and she we used to call her

644

00:27:30,080 --> 00:27:26,130

basically the right hand of God he was

645

00:27:34,669 --> 00:27:30,090

very he believes in God in you know

646

00:27:36,560 --> 00:27:34,679

everything along those lines but when it

647

00:27:40,909 --> 00:27:36,570

came to other things such as alien

648

00:27:44,150 --> 00:27:40,919

alternative history Bigfoot I mean his

649

00:27:46,490 --> 00:27:44,160

his idea behind it was why not why do

650

00:27:49,130 --> 00:27:46,500

you think that we know everything there

651
00:27:50,630 --> 00:27:49,140
is to know about this earth why not open

652
00:27:51,980 --> 00:27:50,640
ourselves up to the possibilities

653
00:27:54,289 --> 00:27:51,990
because if we don't have open ourselves

654
00:27:56,030 --> 00:27:54,299
up to the possibilities then we're just

655
00:27:57,470 --> 00:27:56,040
going to be stuck in this notion that we

656
00:27:59,659 --> 00:27:57,480
have everything figured out and we're

657
00:28:03,230 --> 00:27:59,669
going to miss those strange and

658
00:28:05,270 --> 00:28:03,240
unbelievable or you know you could even

659
00:28:06,650 --> 00:28:05,280
call it paranormal you know we're going

660
00:28:09,830 --> 00:28:06,660
to miss out on all that stuff because

661
00:28:12,590 --> 00:28:09,840
we're just so arrogant in our ways that

662
00:28:15,230 --> 00:28:12,600
we miss out on the truly fascinating

663
00:28:16,760 --> 00:28:15,240

stuff I want to take a pause right there

664

00:28:18,770 --> 00:28:16,770

and say that we need to take a quick

665

00:28:20,780 --> 00:28:18,780

break you're listening to truth funders

666

00:28:28,310 --> 00:28:20,790

radio here on the inception radio

667

00:28:31,400 --> 00:28:28,320

network in 88 89 oh shoot Mark Wilson so

668

00:28:36,289 --> 00:28:31,410

art I almost said I open in his pain

669

00:28:40,400 --> 00:28:36,299

killer induce a day 88 89 19 to 35 5 88

670

00:28:42,440 --> 00:28:40,410

89 19 to 35 5 we will get through this

671

00:28:44,480 --> 00:28:42,450

together is it will just all sing

672

00:28:46,100 --> 00:28:44,490

Kumbaya around the fire day of the show

673

00:28:47,690 --> 00:28:46,110

it's gonna be great my name is art web

674

00:28:50,320 --> 00:28:47,700

you're listening to mark schwartz and

675

00:28:53,240 --> 00:28:50,330

myself along Eli we will talk more about

676

00:28:54,830 --> 00:28:53,250

Giants and his podcast and all sorts of

677

00:28:57,020 --> 00:28:54,840

fun stuff when we get back here on truth

678

00:28:58,230 --> 00:28:57,030

funders radio live on the inception or

679

00:29:01,200 --> 00:28:58,240

radio network

680

00:29:04,770 --> 00:29:01,210

truce ponders radio on the inception

681

00:29:06,810 --> 00:29:04,780

radio network are you a fan of inception

682

00:29:08,790 --> 00:29:06,820

radio network do you reckon it's the

683

00:29:11,130 --> 00:29:08,800

best alternative talk radio station on

684

00:29:13,770 --> 00:29:11,140

the planet well if you do head to

685

00:29:16,680 --> 00:29:13,780

facebook.com forward slash conception

686

00:29:18,510 --> 00:29:16,690

radio network like the page tell your

687

00:29:24,570 --> 00:29:18,520

friends spread the word and keep

688

00:29:27,180 --> 00:29:24,580

listening to the best hello everyone

689

00:29:30,210 --> 00:29:27,190

Lori and fenton here hosted the

690

00:29:32,580 --> 00:29:30,220

California MUFON radio show asking if

691

00:29:36,660 --> 00:29:32,590

you'd like special access to exclusive

692

00:29:40,080 --> 00:29:36,670

and amazing information about UFOs the

693

00:29:43,020 --> 00:29:40,090

paranormal and all things unexplained if

694

00:29:46,350 --> 00:29:43,030

you're nodding yes then join our ends

695

00:29:48,810 --> 00:29:46,360

insider club as an insider club member

696

00:29:51,690 --> 00:29:48,820

you'll get an all-access pass to premier

697

00:29:53,850 --> 00:29:51,700

inception radio network content for only

698

00:29:57,120 --> 00:29:53,860

four dollars and ninety-nine cents a

699

00:29:59,640 --> 00:29:57,130

month this includes live UFO and

700

00:30:03,270 --> 00:29:59,650

paranormal conferences live streaming

701
00:30:06,210 --> 00:30:03,280
UFO sky watches exclusive I are in radio

702
00:30:09,419 --> 00:30:06,220
and TV productions and of course paying

703
00:30:11,850 --> 00:30:09,429
radio with MJ and Ken Storch so don't

704
00:30:14,910 --> 00:30:11,860
wait any longer visit inception radio

705
00:30:18,630 --> 00:30:14,920
network calm and click on member login

706
00:30:24,330 --> 00:30:18,640
to join I rn's insider club and get your

707
00:30:26,520 --> 00:30:24,340
VIP access today don't have a computer

708
00:30:28,260 --> 00:30:26,530
is your internet connection down don't

709
00:30:29,760 --> 00:30:28,270
worry use your trusty cellphone or

710
00:30:33,210 --> 00:30:29,770
landline and call in to our listen line

711
00:30:35,940 --> 00:30:33,220
at 40 128 367 00 to listen to the

712
00:30:40,590 --> 00:30:35,950
inception radio network 24-7 again that

713
00:30:46,279 --> 00:30:40,600

Colin number is 40 1 2 a 3 6 700 for the

714

00:30:51,869 --> 00:30:49,079

hello inception radio network listeners

715

00:30:53,699 --> 00:30:51,879

this is Amanda remember you can take

716

00:30:55,829 --> 00:30:53,709

your inception radio shows on the go

717

00:30:58,680 --> 00:30:55,839

just download the inception radio

718

00:31:01,259 --> 00:30:58,690

network app for your iPhone iPad or

719

00:31:03,779 --> 00:31:01,269

Android smartphones and access live

720

00:31:06,299 --> 00:31:03,789

shows past shows guest lineups and much

721

00:31:08,069 --> 00:31:06,309

more just visit the itunes store or the

722

00:31:13,529 --> 00:31:08,079

google play marketplace and download it

723

00:31:15,599 --> 00:31:13,539

today for free you didn't forget what's

724

00:31:17,339 --> 00:31:15,609

coming up tonight did you hi inception

725

00:31:19,169 --> 00:31:17,349

radio network listeners this is Amanda

726

00:31:20,699 --> 00:31:19,179

never miss that interview you were

727

00:31:23,519 --> 00:31:20,709

looking forward to or the show on your

728

00:31:26,579 --> 00:31:23,529

favorite topic follow irn on twitter i

729

00:31:28,379 --> 00:31:26,589

underscore our underscore n I get

730

00:31:30,119 --> 00:31:28,389

reminders about the evenings live shows

731

00:31:32,579 --> 00:31:30,129

as well as fun and important updates

732

00:31:35,190 --> 00:31:32,589

throughout the week that's i underscore

733

00:31:43,260 --> 00:31:35,200

our underscore n and never miss a great

734

00:31:51,690 --> 00:31:49,650

Oh Iran listeners this is MJ saying

735

00:31:54,530 --> 00:31:51,700

hello and sharing an awesome secret I

736

00:31:57,390 --> 00:31:54,540

discovered it's called dream lodge calm

737

00:31:59,760 --> 00:31:57,400

fresh raw organic ingredients are used

738

00:32:01,980 --> 00:31:59,770

to create all their products they are

739

00:32:04,710 --> 00:32:01,990

made in very small batches to ensure

740

00:32:07,710 --> 00:32:04,720

quality and freshness and made in the

741

00:32:09,350 --> 00:32:07,720

USA each product is created with care

742

00:32:11,880 --> 00:32:09,360

and with the finest organic ingredients

743

00:32:14,700 --> 00:32:11,890

there are no preservatives dyes or

744

00:32:19,950 --> 00:32:14,710

chemicals in any product stop by dream

745

00:32:28,389 --> 00:32:19,960

lodge and relax that's dream and you a

746

00:32:35,029 --> 00:32:31,399

you're locked into inception radio

747

00:32:49,700 --> 00:32:35,039

network superior Wisconsin truth funders

748

00:32:51,289 --> 00:32:49,710

radio on the inception radio network are

749

00:32:53,899 --> 00:32:51,299

you listening to choose hunger's radio

750

00:32:56,659 --> 00:32:53,909

live such a gradient network my name is

751
00:32:58,849 --> 00:32:56,669
our web i'm here with mark schwartz i am

752
00:33:01,249 --> 00:32:58,859
high on painkillers after a week's worth

753
00:33:04,190 --> 00:33:01,259
of dental surgeries and the show is

754
00:33:07,190 --> 00:33:04,200
completely gone off the rails so mark

755
00:33:09,560 --> 00:33:07,200
loves what I was what happens next in

756
00:33:11,509 --> 00:33:09,570
this train wreck of an episode this is

757
00:33:13,519 --> 00:33:11,519
what's so awesome though okay so Eli

758
00:33:15,799 --> 00:33:13,529
thank you so much for bearing with us in

759
00:33:18,589 --> 00:33:15,809
this particular for this particular

760
00:33:21,049 --> 00:33:18,599
episode so should your smile or work

761
00:33:25,999 --> 00:33:21,059
this is what's so amazing though about

762
00:33:28,070 --> 00:33:26,009
live radio the fact that you know part

763
00:33:30,349 --> 00:33:28,080

of the fun of listening to live radio is

764

00:33:32,570 --> 00:33:30,359

that if there is a train wreck if things

765

00:33:35,269 --> 00:33:32,580

are going off the hinges and it's like

766

00:33:37,669 --> 00:33:35,279

oh my gosh it's going why it's going

767

00:33:39,440 --> 00:33:37,679

that way what's going to happen I mean

768

00:33:41,719 --> 00:33:39,450

you never know what's going to happen

769

00:33:43,909 --> 00:33:41,729

and that's why sometimes you listen to a

770

00:33:46,190 --> 00:33:43,919

podcast and it's totally polished when

771

00:33:48,499 --> 00:33:46,200

you're listening to live radio anything

772

00:33:51,169 --> 00:33:48,509

can happen and that's why it's so

773

00:33:53,989 --> 00:33:51,179

exciting and and you know I knew I knew

774

00:33:56,119 --> 00:33:53,999

that art when I talked to arc earlier

775

00:33:59,299 --> 00:33:56,129

today he was just coming out of dental

776

00:34:01,879 --> 00:33:59,309

surgery and I knew that maybe I maybe I

777

00:34:04,249 --> 00:34:01,889

should do the hosting myself again but

778

00:34:08,720 --> 00:34:04,259

I'm like no no no we need art we need

779

00:34:11,569 --> 00:34:08,730

art and I'm so clearly and so Eli we

780

00:34:13,760 --> 00:34:11,579

apologize to you if we're not as serious

781

00:34:17,299 --> 00:34:13,770

tonight as we are in every single other

782

00:34:18,950 --> 00:34:17,309

episode but we appreciate you for being

783

00:34:20,960 --> 00:34:18,960

here and appreciate you for bearing with

784

00:34:22,430 --> 00:34:20,970

us I do want to talk about Giants warn

785

00:34:23,990 --> 00:34:22,440

stuff like that because I am interested

786

00:34:28,549 --> 00:34:24,000

in that and I would i do want to know

787

00:34:31,520 --> 00:34:28,559

more about what happened with all that

788

00:34:32,990 --> 00:34:31,530

as well yeah so so in your research eli

789

00:34:34,700 --> 00:34:33,000

like what what are some of the things

790

00:34:36,769 --> 00:34:34,710

that you've come across that are just

791

00:34:38,869 --> 00:34:36,779

just fascinating what your favorite

792

00:34:41,060 --> 00:34:38,879

thing i know you you touch on hollow

793

00:34:42,560 --> 00:34:41,070

earth theory and i love

794

00:34:44,120 --> 00:34:42,570

our theory just I would love to talk

795

00:34:47,660 --> 00:34:44,130

about that I that's something I'm a big

796

00:34:49,460 --> 00:34:47,670

fan of I could tell you guys first off I

797

00:34:51,770 --> 00:34:49,470

just want to let you know that for me

798

00:34:53,300 --> 00:34:51,780

this is awesome and I love the fact that

799

00:34:55,370 --> 00:34:53,310

this radio show can be a little

800

00:34:58,580 --> 00:34:55,380

laid-back why we while we talk about

801
00:35:01,520 --> 00:34:58,590
these subjects so for me this this is

802
00:35:04,760 --> 00:35:01,530
I'm just having a ball good glad you

803
00:35:10,670 --> 00:35:04,770
having a good time cuz I sure AM oh I

804
00:35:15,650 --> 00:35:10,680
like that towel on South Park ya know

805
00:35:16,880 --> 00:35:15,660
this is amazing for me um but mark what

806
00:35:20,120 --> 00:35:16,890
was your question again I'm Hollow Earth

807
00:35:22,160 --> 00:35:20,130
look Oliver yes correct oh my god well

808
00:35:25,250 --> 00:35:22,170
people are gonna go back to the show and

809
00:35:27,860 --> 00:35:25,260
say oh this is the this was that crazy

810
00:35:29,150 --> 00:35:27,870
show that they did so so people are

811
00:35:30,470 --> 00:35:29,160
going to go back to the archives are

812
00:35:31,940 --> 00:35:30,480
going to be listening the show they're

813
00:35:33,620 --> 00:35:31,950

going to be laughing along there's

814

00:35:35,810 --> 00:35:33,630

probably some people out there that are

815

00:35:38,600 --> 00:35:35,820

with pointed the show and say this is

816

00:35:41,300 --> 00:35:38,610

why I never listened to truth funders

817

00:35:44,330 --> 00:35:41,310

because they're not serious all of the

818

00:35:46,940 --> 00:35:44,340

time when a couple more mobs that's good

819

00:35:48,770 --> 00:35:46,950

but but but I think the majority people

820

00:35:51,290 --> 00:35:48,780

out there are looking to be entertained

821

00:35:53,150 --> 00:35:51,300

and have a good time and we are we are

822

00:35:55,070 --> 00:35:53,160

serious you know eighty-five percent of

823

00:35:58,550 --> 00:35:55,080

the time but you know what at the same

824

00:36:01,550 --> 00:35:58,560

time we are we are fun we care about the

825

00:36:03,860 --> 00:36:01,560

paranormal we're nerds we're cool we're

826

00:36:06,650 --> 00:36:03,870

cool nerds there is a distinction and it

827

00:36:08,990 --> 00:36:06,660

is good stuff but I'm cool nerd ever

828

00:36:11,240 --> 00:36:09,000

said that they're cool nerd okay then

829

00:36:13,100 --> 00:36:11,250

that makes me types look I sleep spell

830

00:36:15,380 --> 00:36:13,110

yeah it's great let's just talk about

831

00:36:17,240 --> 00:36:15,390

hard work because seriously I love the

832

00:36:19,010 --> 00:36:17,250

concept of all earth and for those that

833

00:36:20,450 --> 00:36:19,020

are unfamiliar Eli with the with the

834

00:36:23,900 --> 00:36:20,460

notion of hollow earth can you give a

835

00:36:25,520 --> 00:36:23,910

brief up just you know which one oh one

836

00:36:28,550 --> 00:36:25,530

type of hollow earth for dummies

837

00:36:31,580 --> 00:36:28,560

synopsis of what the eid is all about

838

00:36:34,490 --> 00:36:31,590

sure well basically Hollow Earth in a

839

00:36:37,130 --> 00:36:34,500

nutshell is the theory that there is

840

00:36:39,980 --> 00:36:37,140

another earth inside of our earth and

841

00:36:44,660 --> 00:36:39,990

it's equipped with its own sun its own

842

00:36:46,970 --> 00:36:44,670

vegetation its own life and I recently

843

00:36:49,310 --> 00:36:46,980

did a podcast about the Hollow Earth and

844

00:36:51,410 --> 00:36:49,320

kind of my feelings about it and I

845

00:36:53,210 --> 00:36:51,420

actually start off reading a story

846

00:36:53,400 --> 00:36:53,220

regarding the Hollow Earth and its kind

847

00:36:55,890 --> 00:36:53,410

of

848

00:36:58,530 --> 00:36:55,900

witness account story and it was

849

00:36:59,490 --> 00:36:58,540

somebody that flew through it it was one

850

00:37:01,620 --> 00:36:59,500

of the people that flew through it

851

00:37:04,170 --> 00:37:01,630

supposedly back in the end forties or

852

00:37:07,230 --> 00:37:04,180

whatever it was well what had happened

853

00:37:11,880 --> 00:37:07,240

was that there was a kid and his father

854

00:37:14,040 --> 00:37:11,890

who were sailing across the sea and they

855

00:37:16,500 --> 00:37:14,050

had said that when they were sailing

856

00:37:19,250 --> 00:37:16,510

they noticed that the Sun was

857

00:37:23,280 --> 00:37:19,260

essentially staying in its place and

858

00:37:25,620 --> 00:37:23,290

then they had actually I guess sailed

859

00:37:29,160 --> 00:37:25,630

into the Hollow Earth and they had met

860

00:37:31,500 --> 00:37:29,170

up with these other people and these

861

00:37:34,590 --> 00:37:31,510

other people essentially asked you know

862

00:37:36,390 --> 00:37:34,600

do you want to go with us and the Sun

863

00:37:39,420 --> 00:37:36,400

looked to his father the father said hey

864

00:37:40,980 --> 00:37:39,430

I mean he essentially said either way I

865

00:37:43,140 --> 00:37:40,990

feel like we're dead anyway so we might

866

00:37:44,940 --> 00:37:43,150

as well just go with them so for the

867

00:37:46,170 --> 00:37:44,950

next couple of years they actually

868

00:37:47,280 --> 00:37:46,180

sailed with these people through the

869

00:37:51,630 --> 00:37:47,290

Hollow Earth and they give their

870

00:37:53,130 --> 00:37:51,640

accounts of what they saw and and what

871

00:37:56,670 --> 00:37:53,140

had happened was that when they were

872

00:38:00,030 --> 00:37:56,680

trying to go out of the Hollow Earth the

873

00:38:02,250 --> 00:38:00,040

father ends up dying and there they end

874

00:38:05,700 --> 00:38:02,260

up being shipwrecked and their son the

875

00:38:07,320 --> 00:38:05,710

son he actually gets rescued by a boat

876

00:38:09,030 --> 00:38:07,330

that was sailing across and I can't

877

00:38:11,400 --> 00:38:09,040

remember if he was on an iceberg or

878

00:38:15,300 --> 00:38:11,410

wreckage or something like that but he

879

00:38:17,670 --> 00:38:15,310

gets up gets rescued and he tries to

880

00:38:19,800 --> 00:38:17,680

tell the captain of the ship what he had

881

00:38:21,870 --> 00:38:19,810

just witnessed him and his father and

882

00:38:24,600 --> 00:38:21,880

the captain of the ship basically says

883

00:38:28,830 --> 00:38:24,610

that he's crazy puts him in shackles and

884

00:38:31,710 --> 00:38:28,840

they take him they hold him in shackles

885

00:38:34,820 --> 00:38:31,720

until they hit land and then this person

886

00:38:37,650 --> 00:38:34,830

ends up going to the United States where

887

00:38:40,790 --> 00:38:37,660

he ends up dying and the most

888

00:38:43,320 --> 00:38:40,800

interesting thing about this story is

889

00:38:45,930 --> 00:38:43,330

whether you believe in Hollow Earth or

890

00:38:48,600 --> 00:38:45,940

not what I found interesting about it

891

00:38:51,420 --> 00:38:48,610

was that he actually didn't write the

892

00:38:53,550 --> 00:38:51,430

story he actually told another person

893

00:38:56,010 --> 00:38:53,560

who was an author the story and that

894

00:38:57,450 --> 00:38:56,020

person wrote the story and it was on his

895

00:39:01,100 --> 00:38:57,460

deathbed kind of like a deathbed

896

00:39:04,110 --> 00:39:01,110

confession and what I said in my podcast

897

00:39:06,660 --> 00:39:04,120

what I found interesting about it was

898

00:39:07,620 --> 00:39:06,670

the whole deathbed confession aspect and

899

00:39:10,440 --> 00:39:07,630

how they actually

900

00:39:13,620 --> 00:39:10,450

use the deathbed confession in court

901
00:39:15,900 --> 00:39:13,630
sometimes as an actual testimony and

902
00:39:18,420 --> 00:39:15,910
they're thinking behind the deathbed

903
00:39:20,460 --> 00:39:18,430
confession is what would the person

904
00:39:22,440 --> 00:39:20,470
who's dying have to gain from a

905
00:39:25,200 --> 00:39:22,450
confession when they're getting ready to

906
00:39:28,470 --> 00:39:25,210
pass away so they actually hold some

907
00:39:31,290 --> 00:39:28,480
water truth for the deathbed confession

908
00:39:33,030 --> 00:39:31,300
and you know I actually found that

909
00:39:36,240 --> 00:39:33,040
pretty interesting when the story was

910
00:39:38,490 --> 00:39:36,250
written that is it was here what are

911
00:39:40,770 --> 00:39:38,500
your final takes on that I mean do you

912
00:39:43,110 --> 00:39:40,780
in your heart of hearts do you believe

913
00:39:46,890 --> 00:39:43,120

in that there is hollow earth or do you

914

00:39:50,280 --> 00:39:46,900

think it's just sort of a fun fun fairy

915

00:39:53,460 --> 00:39:50,290

tale so to speak well I can tell you

916

00:39:56,580 --> 00:39:53,470

this I'm one of those type of people

917

00:39:58,800 --> 00:39:56,590

that search the internet all the time

918

00:40:00,600 --> 00:39:58,810

and I search you know stories are

919

00:40:02,220 --> 00:40:00,610

written on the Internet videos that were

920

00:40:04,350 --> 00:40:02,230

put on YouTube and then i have to

921

00:40:07,140 --> 00:40:04,360

discern what's true and what's fake and

922

00:40:09,630 --> 00:40:07,150

in my heart of hearts I don't believe

923

00:40:12,660 --> 00:40:09,640

that there is an opening at the North or

924

00:40:14,880 --> 00:40:12,670

the South Pole however I do honestly

925

00:40:16,590 --> 00:40:14,890

believe that there is a hollow earth

926
00:40:19,860 --> 00:40:16,600
that we don't know about and the reason

927
00:40:23,040 --> 00:40:19,870
why I believe this is because there was

928
00:40:25,140 --> 00:40:23,050
a story that had come out and I wish I

929
00:40:28,470 --> 00:40:25,150
could give you guys the website I was a

930
00:40:30,570 --> 00:40:28,480
little ill prepared on that but I

931
00:40:34,170 --> 00:40:30,580
believe that it came out on yahoo news

932
00:40:36,060 --> 00:40:34,180
and the story essentially said how there

933
00:40:39,720 --> 00:40:36,070
was a cave that was discovered and

934
00:40:41,820 --> 00:40:39,730
inside the cave actually revealed that

935
00:40:43,920 --> 00:40:41,830
there was a whole nother ecosystem

936
00:40:49,710 --> 00:40:43,930
inside of this cave and it was equipped

937
00:40:51,690 --> 00:40:49,720
with vegetation trees water life you

938
00:40:53,880 --> 00:40:51,700

know their it basically had everything

939

00:40:56,610 --> 00:40:53,890

it needed to sustain life and when I

940

00:40:58,590 --> 00:40:56,620

hear things about that I have no doubt

941

00:41:00,780 --> 00:40:58,600

in my mind that there is a whole nother

942

00:41:03,270 --> 00:41:00,790

world believe beneath the surface that

943

00:41:04,830 --> 00:41:03,280

we have no idea about I don't believe

944

00:41:06,840 --> 00:41:04,840

that it's at the North or South Pole but

945

00:41:08,760 --> 00:41:06,850

I do believe it could be other entrances

946

00:41:12,420 --> 00:41:08,770

who do you think could populate this

947

00:41:14,670 --> 00:41:12,430

interior world because I you know I kind

948

00:41:17,190 --> 00:41:14,680

of them with you I don't necessarily

949

00:41:19,500 --> 00:41:17,200

believe that there is a giant hole at

950

00:41:21,000 --> 00:41:19,510

the top or bottom of the planet but

951
00:41:21,660 --> 00:41:21,010
there could be certainly something going

952
00:41:23,819 --> 00:41:21,670
on deep

953
00:41:26,430 --> 00:41:23,829
inside the planet Hitler was a big

954
00:41:28,260 --> 00:41:26,440
believer in hollower however 30 as well

955
00:41:29,789 --> 00:41:28,270
do you think it's populated by humans or

956
00:41:33,000 --> 00:41:29,799
do you think it's populated by other

957
00:41:35,010 --> 00:41:33,010
wildlife perhaps things like you know

958
00:41:38,460 --> 00:41:35,020
what we perceive a sasquatch and stuff

959
00:41:41,609 --> 00:41:38,470
like that or demons or you know get you

960
00:41:45,870 --> 00:41:41,619
know evil deities down there I think

961
00:41:47,430 --> 00:41:45,880
that it's certainly most I I honestly

962
00:41:50,760 --> 00:41:47,440
believe that the Hollow Earth could be

963
00:41:53,760 --> 00:41:50,770

populated by humans because when we look

964

00:41:55,140 --> 00:41:53,770

at such things as to their giant Apes

965

00:41:58,680 --> 00:41:55,150

that's where the dryads could have one

966

00:42:00,690 --> 00:41:58,690

too um I / me personally I don't believe

967

00:42:03,780 --> 00:42:00,700

that there's Giants down there I think

968

00:42:07,020 --> 00:42:03,790

that we are past the point of so-called

969

00:42:10,319 --> 00:42:07,030

Giants I believe that it's populated by

970

00:42:11,880 --> 00:42:10,329

another sect of human beings and the

971

00:42:14,579 --> 00:42:11,890

reason why i believe this is because

972

00:42:15,870 --> 00:42:14,589

when we talk about underground cities we

973

00:42:18,120 --> 00:42:15,880

know now that there are ancient

974

00:42:21,089 --> 00:42:18,130

underground cities that haven't been

975

00:42:23,280 --> 00:42:21,099

discovered until recently and they had

976
00:42:24,990 --> 00:42:23,290
their own community down there and for

977
00:42:26,339 --> 00:42:25,000
whatever reason they've now disappeared

978
00:42:28,589 --> 00:42:26,349
and i think that that's possible for

979
00:42:30,480 --> 00:42:28,599
right look it like the Bosnian pyramids

980
00:42:33,809 --> 00:42:30,490
to I mean those are just a recent

981
00:42:37,440 --> 00:42:33,819
discovery as well and I'm still those

982
00:42:40,010 --> 00:42:37,450
aren't even that's a whole I I have to

983
00:42:43,140 --> 00:42:40,020
and I have to throw this in here I I

984
00:42:47,250 --> 00:42:43,150
don't believe that there's anything in

985
00:42:50,270 --> 00:42:47,260
the center but that doesn't mean that I

986
00:42:54,930 --> 00:42:50,280
don't love to talk about it and I don't

987
00:42:59,250 --> 00:42:54,940
I'm not not open to hearing people think

988
00:43:01,319 --> 00:42:59,260

or talk about it in my mind yes there is

989

00:43:04,319 --> 00:43:01,329

definitely you know a place for

990

00:43:07,020 --> 00:43:04,329

extraterrestrials and their stuff way

991

00:43:10,109 --> 00:43:07,030

beyond us and they're stuffed deep in

992

00:43:13,319 --> 00:43:10,119

the bottom of the oceans and but but I

993

00:43:16,140 --> 00:43:13,329

and I'm open to hearing about it but I

994

00:43:18,059 --> 00:43:16,150

guess maybe it's because maybe it's

995

00:43:21,599 --> 00:43:18,069

because my dad's a geologist or maybe

996

00:43:24,140 --> 00:43:21,609

it's I don't know I can't it's a very

997

00:43:27,299 --> 00:43:24,150

very difficult for me to believe that

998

00:43:29,940 --> 00:43:27,309

now there could be crevices in the earth

999

00:43:32,069 --> 00:43:29,950

where certain particular animals exist

1000

00:43:34,890 --> 00:43:32,079

in climb around and I'm just saying this

1001
00:43:35,340 --> 00:43:34,900
I'm not clowning on anybody that that

1002
00:43:37,500 --> 00:43:35,350
believe

1003
00:43:39,720 --> 00:43:37,510
because I think it's really important

1004
00:43:41,940 --> 00:43:39,730
that if you do believe it or if you are

1005
00:43:45,300 --> 00:43:41,950
doing research and you think that it's

1006
00:43:46,770 --> 00:43:45,310
there I think support to express that

1007
00:43:48,870 --> 00:43:46,780
idea and I think it's important to talk

1008
00:43:51,630 --> 00:43:48,880
to people about it because you know I

1009
00:43:53,190 --> 00:43:51,640
could be totally [h__\h] wrong trust me

1010
00:43:56,610 --> 00:43:53,200
barking is not the only one who doesn't

1011
00:43:59,160 --> 00:43:56,620
believe that there's a lot of right well

1012
00:44:00,990 --> 00:43:59,170
I do find it really interesting and and

1013
00:44:03,180 --> 00:44:01,000

you know I had this thought while you

1014

00:44:06,240 --> 00:44:03,190

guys were talking about it are you said

1015

00:44:08,040 --> 00:44:06,250

he do Giants exist under there my my

1016

00:44:09,960 --> 00:44:08,050

immediate thought and and this is

1017

00:44:13,020 --> 00:44:09,970

probably just as crazy as anything else

1018

00:44:15,180 --> 00:44:13,030

is that Giants could not live if there

1019

00:44:17,970 --> 00:44:15,190

was a hollow earth could not live in

1020

00:44:19,620 --> 00:44:17,980

there it would be small short things

1021

00:44:22,200 --> 00:44:19,630

that live in there because there's not

1022

00:44:25,020 --> 00:44:22,210

enough Sun or whatever I think just like

1023

00:44:27,390 --> 00:44:25,030

a plant like a tree you have enough room

1024

00:44:29,580 --> 00:44:27,400

to grow your roots will grow and spread

1025

00:44:32,370 --> 00:44:29,590

you have enough hair to grow you'll get

1026

00:44:34,950 --> 00:44:32,380

taller and taller Giants I do believe

1027

00:44:37,140 --> 00:44:34,960

they existed I do believe they were on

1028

00:44:38,940 --> 00:44:37,150

this planet for many many years I mean

1029

00:44:42,000 --> 00:44:38,950

it was in newspapers up until the early

1030

00:44:44,160 --> 00:44:42,010

1900s people talked about them and and

1031

00:44:47,040 --> 00:44:44,170

their bones exist and you know the

1032

00:44:48,090 --> 00:44:47,050

Smithsonian had them and hid them and

1033

00:44:50,190 --> 00:44:48,100

all that I find all that stuff

1034

00:44:52,650 --> 00:44:50,200

completely interesting but I think it

1035

00:44:55,470 --> 00:44:52,660

has to do with like space and ratio I

1036

00:44:58,110 --> 00:44:55,480

think that you know we trees grow bigger

1037

00:45:00,840 --> 00:44:58,120

because their roots have enough enough

1038

00:45:02,640 --> 00:45:00,850

places to grow and they can grow tall

1039

00:45:05,280 --> 00:45:02,650

because of air and photosynthesis and

1040

00:45:08,310 --> 00:45:05,290

sun and humans are sort of like that too

1041

00:45:10,650 --> 00:45:08,320

we can grow and get bigger depending on

1042

00:45:13,440 --> 00:45:10,660

the space some of us can get big and fat

1043

00:45:15,600 --> 00:45:13,450

while we sit at home and play uh you

1044

00:45:18,030 --> 00:45:15,610

know in our room and just stay in one

1045

00:45:20,460 --> 00:45:18,040

spot some of us are out have dental

1046

00:45:22,740 --> 00:45:20,470

don't take drugs and move from there but

1047

00:45:25,080 --> 00:45:22,750

I wouldn't have Eli respond to that Eli

1048

00:45:27,720 --> 00:45:25,090

with how do you respond to what March or

1049

00:45:29,340 --> 00:45:27,730

so back well here's here's here's what I

1050

00:45:31,080 --> 00:45:29,350

can bring to the table and Mark I want

1051

00:45:33,390 --> 00:45:31,090

you to ponder on this a little bit sure

1052

00:45:35,970 --> 00:45:33,400

it has been recent that we have now

1053

00:45:38,670 --> 00:45:35,980

discovered that at the deepest darkest

1054

00:45:40,530 --> 00:45:38,680

depths of the sea we have now discovered

1055

00:45:42,870 --> 00:45:40,540

that there's a whole new ecology that

1056

00:45:45,030 --> 00:45:42,880

lives down there we now know that there

1057

00:45:48,150 --> 00:45:45,040

are fish there are vegetation that's

1058

00:45:52,470 --> 00:45:48,160

able to actually live and thrive with

1059

00:45:54,720 --> 00:45:52,480

out sunlight and so it also to me brings

1060

00:45:57,420 --> 00:45:54,730

true that when we're talking about cave

1061

00:45:59,779 --> 00:45:57,430

systems about the cave that I was

1062

00:46:01,920 --> 00:45:59,789

mentioning this cave actually wasn't as

1063

00:46:04,079 --> 00:46:01,930

enclosed as you would think it to be

1064

00:46:06,599 --> 00:46:04,089

there was a little sect of the cave that

1065

00:46:10,620 --> 00:46:06,609

was enclosed but it actually opened up

1066

00:46:13,829 --> 00:46:10,630

into almost enough room to where you

1067

00:46:15,480 --> 00:46:13,839

know the the top of it was cloudy like

1068

00:46:19,170 --> 00:46:15,490

it had its own atmosphere and that

1069

00:46:22,380 --> 00:46:19,180

brings me to one last point what is that

1070

00:46:24,690 --> 00:46:22,390

when you know will take you know like

1071

00:46:27,029 --> 00:46:24,700

geologists or scientists when they

1072

00:46:29,099 --> 00:46:27,039

search for new things what they compare

1073

00:46:32,309 --> 00:46:29,109

it to is what we already know about life

1074

00:46:34,289 --> 00:46:32,319

and how life is sustainable but I also

1075

00:46:37,200 --> 00:46:34,299

think that that's one of the faults we

1076

00:46:41,309 --> 00:46:37,210

have is that we think that life has to

1077

00:46:43,170 --> 00:46:41,319

exist under our conditions but if you

1078

00:46:46,980 --> 00:46:43,180

take that to a whole new level when we

1079

00:46:48,750 --> 00:46:46,990

talk about space exploration well why do

1080

00:46:50,760 --> 00:46:48,760

they have to exist under our condition

1081

00:46:53,849 --> 00:46:50,770

and to me I think that we miss a lot of

1082

00:46:55,620 --> 00:46:53,859

things when we compare it to our

1083

00:46:57,510 --> 00:46:55,630

conditions and that might not

1084

00:47:00,480 --> 00:46:57,520

necessarily always behave I definitely

1085

00:47:02,789 --> 00:47:00,490

agree with you on on that point you know

1086

00:47:04,470 --> 00:47:02,799

and that's why that's why even though in

1087

00:47:09,120 --> 00:47:04,480

my heart of hearts I feel that there is

1088

00:47:11,519 --> 00:47:09,130

not you know some hollow earth um at the

1089

00:47:13,740 --> 00:47:11,529

same time I'm still totally intrigued

1090

00:47:18,210 --> 00:47:13,750

and still totally open to listen to it

1091

00:47:21,240 --> 00:47:18,220

because I couldn't agree more we it's

1092

00:47:23,940 --> 00:47:21,250

like we see it taste it smell it and and

1093

00:47:25,349 --> 00:47:23,950

so that's our senses are there and

1094

00:47:27,299 --> 00:47:25,359

that's what we take in and that's what

1095

00:47:29,640 --> 00:47:27,309

it has to be but then there's things

1096

00:47:34,799 --> 00:47:29,650

that we don't know and and I mean I

1097

00:47:37,079 --> 00:47:34,809

guess in some ways we we have to take

1098

00:47:38,819 --> 00:47:37,089

into affect what we do know but then

1099

00:47:40,410 --> 00:47:38,829

there's so much more that we don't and

1100

00:47:42,569 --> 00:47:40,420

that's that's why I'm just so in love

1101
00:47:45,980 --> 00:47:42,579
with the paranormal right it's because

1102
00:47:48,480 --> 00:47:45,990
it's almost like anything is possible

1103
00:47:50,490 --> 00:47:48,490
and I find it I find it really

1104
00:47:53,640 --> 00:47:50,500
intriguing now something a question I

1105
00:47:56,640 --> 00:47:53,650
have for you is in you know in what you

1106
00:47:59,099 --> 00:47:56,650
know of hollow earth is it are there

1107
00:48:01,410 --> 00:47:59,109
different places or different locations

1108
00:48:05,450 --> 00:48:01,420
around the world

1109
00:48:08,789 --> 00:48:05,460
that have like holes or areas that are

1110
00:48:10,530 --> 00:48:08,799
that someone could actually transport

1111
00:48:12,120 --> 00:48:10,540
themselves and get into or is it

1112
00:48:15,270 --> 00:48:12,130
something that's just completely sealed

1113
00:48:20,760 --> 00:48:15,280

off or are their entrances and exits to

1114

00:48:24,539 --> 00:48:20,770

this place I don't believe that the most

1115

00:48:26,579 --> 00:48:24,549

mainstream examples of the entrances are

1116

00:48:29,220 --> 00:48:26,589

at the North and South Poles as we would

1117

00:48:31,109 --> 00:48:29,230

believe there's even been videos of

1118

00:48:34,589 --> 00:48:31,119

people that have flown across the North

1119

00:48:36,150 --> 00:48:34,599

Pole to the to the point where this is

1120

00:48:38,760 --> 00:48:36,160

where the entrance should be and there's

1121

00:48:40,349 --> 00:48:38,770

nothing there and is impossible you know

1122

00:48:41,730 --> 00:48:40,359

you nobody that I just got to interrupt

1123

00:48:43,470 --> 00:48:41,740

you for a second and kind of reminds me

1124

00:48:45,900 --> 00:48:43,480

of Mel's hole I don't know if you

1125

00:48:48,900 --> 00:48:45,910

remember that old art bell show where he

1126

00:48:51,809 --> 00:48:48,910

had Mel on I don't know if you listen to

1127

00:48:54,390 --> 00:48:51,819

him back in the day but yeah I there was

1128

00:48:56,190 --> 00:48:54,400

Mel's hole and it was this guy and I

1129

00:48:57,900 --> 00:48:56,200

don't know if they proved it to be a

1130

00:49:00,240 --> 00:48:57,910

fraud or if they proved it to be true

1131

00:49:02,970 --> 00:49:00,250

but I knew that you could like look at

1132

00:49:04,559 --> 00:49:02,980

it via google maps and be able to see it

1133

00:49:07,500 --> 00:49:04,569

there was all sorts of cool things like

1134

00:49:10,109 --> 00:49:07,510

that that he had this great story that

1135

00:49:13,650 --> 00:49:10,119

you could it never never reached the

1136

00:49:15,539 --> 00:49:13,660

bottom like no matter how many ropes he

1137

00:49:19,140 --> 00:49:15,549

tied together I believe that we should

1138

00:49:20,940 --> 00:49:19,150

prove to be fake actually the mills he

1139

00:49:23,460 --> 00:49:20,950

I'd I'm pretty I'm pretty sure that was

1140

00:49:25,890 --> 00:49:23,470

proven to be a godless it was

1141

00:49:27,990 --> 00:49:25,900

entertaining I was Tsubaki what I want

1142

00:49:30,809 --> 00:49:28,000

to ask you about Eli is is the concept

1143

00:49:33,180 --> 00:49:30,819

of Antarctica and your thoughts on that

1144

00:49:34,770 --> 00:49:33,190

because there's a lot of things shaking

1145

00:49:37,260 --> 00:49:34,780

down in Antarctica right now and a lot

1146

00:49:39,180 --> 00:49:37,270

of because of the global climate change

1147

00:49:40,589 --> 00:49:39,190

and things warming up in certain parts

1148

00:49:44,010 --> 00:49:40,599

of the world and cooling down and mostly

1149

00:49:45,569 --> 00:49:44,020

others there's a lot of history to be

1150

00:49:48,059 --> 00:49:45,579

learned from Antarctica but i think is

1151

00:49:49,799 --> 00:49:48,069

just now we're just tapping the service

1152

00:49:53,450 --> 00:49:49,809

on are you familiar with or do you have

1153

00:49:59,430 --> 00:49:53,460

any thoughts on that concept as a whole

1154

00:50:02,640 --> 00:49:59,440

well without trying to get to let's say

1155

00:50:04,859 --> 00:50:02,650

political i believe that you know we are

1156

00:50:08,400 --> 00:50:04,869

in climate change but i also believe

1157

00:50:12,470 --> 00:50:08,410

that as with normal seasons you know the

1158

00:50:15,540 --> 00:50:12,480

ice expands and melts just as it should

1159

00:50:17,940 --> 00:50:15,550

you know there are I have seen some

1160

00:50:20,490 --> 00:50:17,950

images and I can't even vet them to see

1161

00:50:22,590 --> 00:50:20,500

if they're true about some UFO crash

1162

00:50:24,960 --> 00:50:22,600

sites that you can see from google earth

1163

00:50:29,250 --> 00:50:24,970

and i don't know if you guys have seen

1164

00:50:31,890 --> 00:50:29,260

those are familiar with those of us it

1165

00:50:34,200 --> 00:50:31,900

kind of makes me go back to the feeling

1166

00:50:36,120 --> 00:50:34,210

of how can we sit here and think that we

1167

00:50:38,100 --> 00:50:36,130

have everything figured out and if we

1168

00:50:40,470 --> 00:50:38,110

can't look at those images with an open

1169

00:50:42,780 --> 00:50:40,480

mind then I think we're honestly doing

1170

00:50:44,250 --> 00:50:42,790

ourselves a disservice and that's good

1171

00:50:46,650 --> 00:50:44,260

that's kind of where I bring my show

1172

00:50:47,850 --> 00:50:46,660

into you know yeah this person is coming

1173

00:50:49,440 --> 00:50:47,860

on the air with a different point of

1174

00:50:51,690 --> 00:50:49,450

view but why can't we take that point of

1175

00:50:54,630 --> 00:50:51,700

view and dissect it and figure out

1176

00:50:56,490 --> 00:50:54,640

what's going on here well I and I think

1177

00:50:59,160 --> 00:50:56,500

that's part and in bringing this all

1178

00:51:00,870 --> 00:50:59,170

back to one of my favorite topics that's

1179

00:51:04,680 --> 00:51:00,880

part of the revolution of what's

1180

00:51:07,500 --> 00:51:04,690

happening now with online radio and what

1181

00:51:09,630 --> 00:51:07,510

the fact that that now we have you know

1182

00:51:11,940 --> 00:51:09,640

where all the dj's were destroyed in the

1183

00:51:14,220 --> 00:51:11,950

real terrestrial world and not you know

1184

00:51:15,780 --> 00:51:14,230

nothing good exists on terrestrial radio

1185

00:51:18,420 --> 00:51:15,790

except for a few shows here and there

1186

00:51:21,030 --> 00:51:18,430

you know the real the real incredible

1187

00:51:25,770 --> 00:51:21,040

stuff the mind-blowing stuff is

1188

00:51:28,620 --> 00:51:25,780

happening online and there are more and

1189

00:51:31,110 --> 00:51:28,630

more people starting in creating shows

1190

00:51:34,710 --> 00:51:31,120

you know there's us there's there's you

1191

00:51:36,750 --> 00:51:34,720

you have your podcast but it's so

1192

00:51:39,810 --> 00:51:36,760

phenomenal now that there is just a

1193

00:51:44,610 --> 00:51:39,820

landscape growing people that have great

1194

00:51:46,770 --> 00:51:44,620

ideas and great you know they're able to

1195

00:51:49,860 --> 00:51:46,780

share them with the world and with your

1196

00:51:52,440 --> 00:51:49,870

with your podcast what do you think

1197

00:51:54,420 --> 00:51:52,450

makes it differently so you're you know

1198

00:51:56,310 --> 00:51:54,430

you can't you're you're working with us

1199

00:51:58,440 --> 00:51:56,320

with truth phones right now your project

1200

00:52:01,410 --> 00:51:58,450

just went up today and I urge everybody

1201
00:52:04,650 --> 00:52:01,420
out there to go to ww truth funders calm

1202
00:52:07,620 --> 00:52:04,660
click on eli's honest project the truth

1203
00:52:09,900 --> 00:52:07,630
squad podcast you know and and if you go

1204
00:52:12,660 --> 00:52:09,910
there you'll see at the very top there's

1205
00:52:14,790 --> 00:52:12,670
a video that video is his show and he's

1206
00:52:17,910 --> 00:52:14,800
actually talking about Hollow Earth

1207
00:52:20,040 --> 00:52:17,920
theory I believe in that episode and you

1208
00:52:22,380 --> 00:52:20,050
can go ahead and click on to that after

1209
00:52:24,090 --> 00:52:22,390
truth funders of course and after the

1210
00:52:25,950 --> 00:52:24,100
next show on inception radio which is

1211
00:52:27,810 --> 00:52:25,960
California move on radio f

1212
00:52:30,089 --> 00:52:27,820
you listen to those two shows go and

1213
00:52:32,190 --> 00:52:30,099

click on go to chew thunders calm click

1214

00:52:35,040 --> 00:52:32,200

on the truth squad podcast and listen to

1215

00:52:38,640 --> 00:52:35,050

elide show because he has a lot of great

1216

00:52:41,520 --> 00:52:38,650

ideas and he you know he really wants to

1217

00:52:45,390 --> 00:52:41,530

get them out there and it has a lot of

1218

00:52:48,270 --> 00:52:45,400

really cool things to explore and so to

1219

00:52:50,820 --> 00:52:48,280

help sort of create this paranormal

1220

00:52:53,150 --> 00:52:50,830

revolution you can donate to his project

1221

00:52:55,230 --> 00:52:53,160

and he's he's doing all sorts of things

1222

00:52:57,630 --> 00:52:55,240

and giving all sorts of wonderful

1223

00:53:00,329 --> 00:52:57,640

rewards if you if you help to donate and

1224

00:53:02,190 --> 00:53:00,339

he's not asking for a lot what Allah is

1225

00:53:03,810 --> 00:53:02,200

asking for is it's around nine hundred

1226

00:53:05,910 --> 00:53:03,820

dollars and that's to get better

1227

00:53:08,460 --> 00:53:05,920

equipment so that if you like his show

1228

00:53:10,650 --> 00:53:08,470

you can hear it better it comes in

1229

00:53:15,060 --> 00:53:10,660

crisper you're having a better sound

1230

00:53:17,310 --> 00:53:15,070

quality and you can really interact and

1231

00:53:19,920 --> 00:53:17,320

listen to it more and and we want to do

1232

00:53:21,750 --> 00:53:19,930

that a true funders we totally totally

1233

00:53:24,570 --> 00:53:21,760

help that and we want to support that

1234

00:53:27,030 --> 00:53:24,580

we're not trying to fight with other

1235

00:53:29,910 --> 00:53:27,040

people and their podcasts and their

1236

00:53:32,670 --> 00:53:29,920

shows or be bigger and better and better

1237

00:53:34,849 --> 00:53:32,680

our whole goal here is really the way no

1238

00:53:37,770 --> 00:53:34,859

we're not petty how about I realize that

1239

00:53:39,650 --> 00:53:37,780

you know we're not i mean do you see

1240

00:53:42,510 --> 00:53:39,660

some of these other more even more

1241

00:53:45,270 --> 00:53:42,520

nationally widely known shows that fight

1242

00:53:48,000 --> 00:53:45,280

and go toe-to-toe with the bickering and

1243

00:53:49,530 --> 00:53:48,010

the personally like attitudes we're not

1244

00:53:51,540 --> 00:53:49,540

gonna do that here we're not gonna get

1245

00:53:54,420 --> 00:53:51,550

caught up [h__h] like that and you know it

1246

00:53:58,320 --> 00:53:54,430

brings me it's like this when i was

1247

00:54:00,300 --> 00:53:58,330

living in in hollywood I was um like I

1248

00:54:02,490 --> 00:54:00,310

had a bunch of friends and it was like

1249

00:54:04,710 --> 00:54:02,500

these friends were really cool and nice

1250

00:54:06,930 --> 00:54:04,720

and I was having a good time and I wound

1251
00:54:09,720 --> 00:54:06,940
up getting a job the job was being

1252
00:54:12,030 --> 00:54:09,730
cameraman for MTV for one of the reality

1253
00:54:14,849 --> 00:54:12,040
shows now it wasn't like something that

1254
00:54:16,980 --> 00:54:14,859
I just loved doing but it was my first

1255
00:54:19,680 --> 00:54:16,990
real job in the entertainment industry

1256
00:54:22,200 --> 00:54:19,690
and worked really hard and I went to

1257
00:54:24,690 --> 00:54:22,210
college and I had been were you know

1258
00:54:26,970 --> 00:54:24,700
waiting tables and doing stuff and just

1259
00:54:29,550 --> 00:54:26,980
working so hard to get an opportunity I

1260
00:54:31,740 --> 00:54:29,560
finally got this opportunity and the

1261
00:54:33,780 --> 00:54:31,750
friends that I had their suddenly turned

1262
00:54:36,420 --> 00:54:33,790
their back and they said you know screw

1263
00:54:38,880 --> 00:54:36,430

the screw you Volvo oh you're going to

1264

00:54:41,819 --> 00:54:38,890

work in reality world that's not art

1265

00:54:43,710 --> 00:54:41,829

and it was this big like uh you know and

1266

00:54:46,019 --> 00:54:43,720

what it was and being able to look back

1267

00:54:48,480 --> 00:54:46,029

at it it was a little bit of jealousy it

1268

00:54:51,630 --> 00:54:48,490

was a little bit of anger that they want

1269

00:54:54,240 --> 00:54:51,640

getting a particular job or whatever and

1270

00:54:56,640 --> 00:54:54,250

and it really hurt I remember just being

1271

00:54:59,400 --> 00:54:56,650

super hurt by that being like what the

1272

00:55:01,319 --> 00:54:59,410

heck can't you just be happy what

1273

00:55:03,450 --> 00:55:01,329

happened was I wound up meeting a bunch

1274

00:55:05,789 --> 00:55:03,460

of other friends that were really just

1275

00:55:07,859 --> 00:55:05,799

fantastic people and they were involved

1276

00:55:10,049 --> 00:55:07,869

in all sorts of stuff and they were

1277

00:55:11,940 --> 00:55:10,059

happy for me that I was working and

1278

00:55:14,730 --> 00:55:11,950

getting this job and I was happy for

1279

00:55:17,130 --> 00:55:14,740

them for working and doing their camera

1280

00:55:19,470 --> 00:55:17,140

gig in other places and what we did was

1281

00:55:21,870 --> 00:55:19,480

we helped each other and this group of

1282

00:55:24,539 --> 00:55:21,880

like 10 of us became a group of 20 of us

1283

00:55:26,370 --> 00:55:24,549

that constantly helped each other and if

1284

00:55:28,500 --> 00:55:26,380

someone got a job somewhere they would

1285

00:55:30,299 --> 00:55:28,510

recommend someone you know one of us and

1286

00:55:33,359 --> 00:55:30,309

we like help each other and get our legs

1287

00:55:35,519 --> 00:55:33,369

up and and it worked and we all became

1288

00:55:37,650 --> 00:55:35,529

like successful in a really good group

1289

00:55:39,720 --> 00:55:37,660

of friends and that's what I hope for

1290

00:55:41,579 --> 00:55:39,730

and what I want with truth funders and

1291

00:55:43,470 --> 00:55:41,589

with a lot of the podcasts that are

1292

00:55:45,480 --> 00:55:43,480

coming out and with a lot of the radio

1293

00:55:47,579 --> 00:55:45,490

state like shows that are out there I I

1294

00:55:49,319 --> 00:55:47,589

want it to be this wonderful working

1295

00:55:51,779 --> 00:55:49,329

environment where we're all helping each

1296

00:55:54,839 --> 00:55:51,789

other because we do have a same goal in

1297

00:55:58,380 --> 00:55:54,849

mind and that goal is to open minds like

1298

00:56:00,630 --> 00:55:58,390

weather like Eli you you really are into

1299

00:56:03,809 --> 00:56:00,640

to Hollow Earth and I think it's really

1300

00:56:05,819 --> 00:56:03,819

cool I don't necessarily agree but I

1301
00:56:07,740 --> 00:56:05,829
love the fact that you're doing it and

1302
00:56:09,660 --> 00:56:07,750
that you're talking about it and there's

1303
00:56:11,609 --> 00:56:09,670
people out there that believe it and

1304
00:56:13,170 --> 00:56:11,619
that you know are open or have never

1305
00:56:15,240 --> 00:56:13,180
heard before and you're opening their

1306
00:56:18,359 --> 00:56:15,250
minds and if we can all help each other

1307
00:56:20,970 --> 00:56:18,369
you know on that step and and and with

1308
00:56:22,559 --> 00:56:20,980
that progression and to spread these

1309
00:56:25,559 --> 00:56:22,569
ideas and maybe they're not the same

1310
00:56:28,499 --> 00:56:25,569
ideas but they're there are these mind

1311
00:56:30,599 --> 00:56:28,509
opening ideas then we can we can do so

1312
00:56:32,700 --> 00:56:30,609
much together as a community instead of

1313
00:56:35,279 --> 00:56:32,710

bickering like some of the some of the

1314

00:56:37,980 --> 00:56:35,289

bigger shows too and some of the you

1315

00:56:39,900 --> 00:56:37,990

know like oh he said this and she said

1316

00:56:42,420 --> 00:56:39,910

that and I'm gonna do this and that I

1317

00:56:45,420 --> 00:56:42,430

mean that that's all it takes her show

1318

00:56:47,640 --> 00:56:45,430

I'm gonna do this with the it's such a

1319

00:56:48,839 --> 00:56:47,650

nonsense really is like at the end of

1320

00:56:50,039 --> 00:56:48,849

the day that's not what it should be

1321

00:56:52,049 --> 00:56:50,049

about and that's not what we're about

1322

00:56:53,280 --> 00:56:52,059

here on truth punters and we do

1323

00:56:55,710 --> 00:56:53,290

encourage you to go check out

1324

00:56:58,680 --> 00:56:55,720

Eli's project again it's a truth funders

1325

00:57:00,000 --> 00:56:58,690

calm that's a truth funders calm you can

1326

00:57:02,520 --> 00:57:00,010

click on the project read all about

1327

00:57:05,040 --> 00:57:02,530

Eli's podcast watch the little video he

1328

00:57:06,510 --> 00:57:05,050

talks about how earth and support I mean

1329

00:57:09,210 --> 00:57:06,520

nine hundred bucks is not a whole lot to

1330

00:57:10,710 --> 00:57:09,220

ask when you have everybody pitching in

1331

00:57:13,590 --> 00:57:10,720

five ten bucks that's a pretty

1332

00:57:14,970 --> 00:57:13,600

obtainable goal you are listening to

1333

00:57:16,920 --> 00:57:14,980

truth thunders radio here on the

1334

00:57:18,480 --> 00:57:16,930

inception radio network my name is art

1335

00:57:20,940 --> 00:57:18,490

web i'm joined by mark schwartz as

1336

00:57:22,830 --> 00:57:20,950

always we need to take a quick break

1337

00:57:25,020 --> 00:57:22,840

here at the top of the hour we will come

1338

00:57:28,850 --> 00:57:25,030

back and have about 30 more minutes of

1339

00:57:31,950 --> 00:57:28,860

engaging compelling just stimulating

1340

00:57:36,420 --> 00:57:31,960

paranormal talk radio for you 88 89 19

1341

00:57:39,360 --> 00:57:36,430

to 35 5 is the telephone number 8 9 19 2

1342

00:57:41,700 --> 00:57:39,370

3 5 5 call us talk to us yeah please

1343

00:57:43,830 --> 00:57:41,710

call in talk to Eli or tell us your

1344

00:57:46,230 --> 00:57:43,840

thoughts about what you feel about your

1345

00:57:48,420 --> 00:57:46,240

love to talk online radio that and the

1346

00:57:51,210 --> 00:57:48,430

hollow hollow earth theory with anybody

1347

00:57:53,040 --> 00:57:51,220

willing to chatting with us and the

1348

00:57:55,080 --> 00:57:53,050

interactive community is not just about

1349

00:57:56,850 --> 00:57:55,090

these shows in these podcasts it is

1350

00:57:58,560 --> 00:57:56,860

about you the listener as well because

1351
00:58:01,020 --> 00:57:58,570
without a listener we have no audience

1352
00:58:04,140 --> 00:58:01,030
and we might as well just be you know

1353
00:58:05,940 --> 00:58:04,150
talking to the mirror so 8 8 9 19 2 3 5

1354
00:58:07,710 --> 00:58:05,950
5 you're listening to choose funders

1355
00:58:09,750 --> 00:58:07,720
radio live here on inception radio

1356
00:58:13,050 --> 00:58:09,760
network we will be right back right

1357
00:58:16,560 --> 00:58:13,060
after this funders radio on the

1358
00:58:18,960 --> 00:58:16,570
inception radio network are you a fan of

1359
00:58:20,640 --> 00:58:18,970
inception radio network do you reckon

1360
00:58:22,800 --> 00:58:20,650
it's the best alternative talk radio

1361
00:58:25,160 --> 00:58:22,810
station on the planet well if you do

1362
00:58:28,039 --> 00:58:25,170
head to facebook.com forward slash

1363
00:58:30,559 --> 00:58:28,049

inception radio network like

1364

00:58:36,499 --> 00:58:30,569

tell your friends spread the word and

1365

00:58:39,529 --> 00:58:36,509

keep listening to the best hello

1366

00:58:42,439 --> 00:58:39,539

everyone Lori and Fenton here hosted the

1367

00:58:44,929 --> 00:58:42,449

California MUFON radio show asking if

1368

00:58:49,039 --> 00:58:44,939

you'd like special access to exclusive

1369

00:58:52,729 --> 00:58:49,049

and amazing information about UFOs the

1370

00:58:55,370 --> 00:58:52,739

paranormal and all things unexplained if

1371

00:58:58,699 --> 00:58:55,380

you're nodding yes then join I rn's

1372

00:59:01,160 --> 00:58:58,709

insider glove as an insider club member

1373

00:59:04,039 --> 00:59:01,170

you'll get an all-access pass to premier

1374

00:59:06,199 --> 00:59:04,049

inception radio network content for only

1375

00:59:09,499 --> 00:59:06,209

four dollars and ninety-nine cents a

1376

00:59:11,989 --> 00:59:09,509

month this includes live UFO and

1377

00:59:15,829 --> 00:59:11,999

paranormal conferences live streaming

1378

00:59:18,559 --> 00:59:15,839

UFO sky watches exclusive irn radio and

1379

00:59:21,799 --> 00:59:18,569

TV productions and of course paying

1380

00:59:24,199 --> 00:59:21,809

radio with MJ and Ken Storch so don't

1381

00:59:28,039 --> 00:59:24,209

wait any longer visit inception radio

1382

00:59:31,009 --> 00:59:28,049

network com and click on member login to

1383

00:59:35,579 --> 00:59:31,019

join our ends insider club and get your

1384

00:59:39,660 --> 00:59:37,859

don't have a computer is your internet

1385

00:59:41,489 --> 00:59:39,670

connection down don't worry use your

1386

00:59:45,120 --> 00:59:41,499

trusty cellphone or landline and call in

1387

00:59:46,709 --> 00:59:45,130

to our listen line at 40 128 367 00 to

1388

00:59:50,640 --> 00:59:46,719

listen to the inception radio network

1389

00:59:53,969 --> 00:59:50,650

24-7 again that Colin number is 40 1 2 a

1390

01:00:00,930 --> 00:59:53,979

3 6 700 for the inception radio network

1391

01:00:03,690 --> 01:00:00,940

I am MJ hello inception radio network

1392

01:00:05,700 --> 01:00:03,700

listeners this is Amanda remember you

1393

01:00:08,160 --> 01:00:05,710

can take your inception radio shows on

1394

01:00:11,009 --> 01:00:08,170

the go just download the inception radio

1395

01:00:13,589 --> 01:00:11,019

network app for your iPhone iPad or

1396

01:00:16,109 --> 01:00:13,599

Android smartphones and access live

1397

01:00:18,630 --> 01:00:16,119

shows past shows guest lineups and much

1398

01:00:20,400 --> 01:00:18,640

more just visit the itunes store or the

1399

01:00:24,309 --> 01:00:20,410

google play marketplace and download it

1400

01:00:28,280 --> 01:00:26,299

you didn't forget what's coming up

1401
01:00:30,380 --> 01:00:28,290
tonight did you hi inception radio

1402
01:00:31,910 --> 01:00:30,390
network listeners this is Amanda never

1403
01:00:33,500 --> 01:00:31,920
miss that interview you were looking

1404
01:00:36,859 --> 01:00:33,510
forward to or the show on your favorite

1405
01:00:39,470 --> 01:00:36,869
topic follow irn on twitter i underscore

1406
01:00:41,390 --> 01:00:39,480
our underscore end and get reminders

1407
01:00:43,280 --> 01:00:41,400
about the evenings live shows as well as

1408
01:00:46,160 --> 01:00:43,290
fun and important updates throughout the

1409
01:00:59,069 --> 01:00:46,170
week that's i underscore our underscore

1410
01:01:04,210 --> 01:01:02,499
yrn listeners this is MJ saying hello

1411
01:01:07,049 --> 01:01:04,220
and sharing an awesome secret I

1412
01:01:09,880 --> 01:01:07,059
discovered it's called dream Raj calm

1413
01:01:12,279 --> 01:01:09,890

fresh raw organic ingredients are used

1414

01:01:14,469 --> 01:01:12,289

to create all their products they are

1415

01:01:17,200 --> 01:01:14,479

made in very small batches to ensure

1416

01:01:20,229 --> 01:01:17,210

quality and freshness and made in the

1417

01:01:21,870 --> 01:01:20,239

USA each product is created with care

1418

01:01:24,400 --> 01:01:21,880

and with the finest organic ingredients

1419

01:01:27,219 --> 01:01:24,410

there are no preservatives dyes or

1420

01:01:33,029 --> 01:01:27,229

chemicals in any product stop by dream

1421

01:01:41,260 --> 01:01:33,039

lodge and laughs that's dream nua GE

1422

01:01:47,590 --> 01:01:44,020

you're locked into inception radio

1423

01:02:04,840 --> 01:01:47,600

network superior Wisconsin truth funders

1424

01:02:06,040 --> 01:02:04,850

radio on the inception radio network all

1425

01:02:08,560 --> 01:02:06,050

right you're listening to the truth

1426

01:02:11,740 --> 01:02:08,570

planners radio art is having a bit of a

1427

01:02:14,320 --> 01:02:11,750

tooth attack it's making him cough

1428

01:02:16,480 --> 01:02:14,330

somehow I don't know how but he is so

1429

01:02:18,910 --> 01:02:16,490

welcome back to truth wonders radio we

1430

01:02:21,640 --> 01:02:18,920

are here with Eli and his project on

1431

01:02:24,280 --> 01:02:21,650

truth funders which is the truth squad

1432

01:02:26,110 --> 01:02:24,290

an incredible new podcast it's out it's

1433

01:02:27,730 --> 01:02:26,120

actually he's had several episodes you

1434

01:02:29,560 --> 01:02:27,740

can go and listen to it you know

1435

01:02:32,980 --> 01:02:29,570

something that's really cool about Eli's

1436

01:02:36,940 --> 01:02:32,990

project in his podcast is he released

1437

01:02:38,440 --> 01:02:36,950

sit on podbean which is you know one of

1438

01:02:42,760 --> 01:02:38,450

the places that you can release podcast

1439

01:02:44,830 --> 01:02:42,770

and it is one of the featured if he it's

1440

01:02:47,140 --> 01:02:44,840

one of the future podcasts on on podbean

1441

01:02:50,980 --> 01:02:47,150

if not the number one featured podcasts

1442

01:02:53,740 --> 01:02:50,990

and that correct you know one thing that

1443

01:02:56,650 --> 01:02:53,750

uh I would like to say is that when I

1444

01:02:58,120 --> 01:02:56,660

first made this podcast it was only took

1445

01:03:01,810 --> 01:02:58,130

a couple of months and I was a featured

1446

01:03:04,480 --> 01:03:01,820

podcast on their website and it would

1447

01:03:05,920 --> 01:03:04,490

actually got side of the week so that

1448

01:03:08,110 --> 01:03:05,930

actually made me feel pretty good

1449

01:03:12,810 --> 01:03:08,120

because I knew that I was coming in a

1450

01:03:15,790 --> 01:03:12,820

right direction with my podcast and and

1451

01:03:18,340 --> 01:03:15,800

so your listenership has sort of

1452

01:03:20,350 --> 01:03:18,350

exploded have you had people written to

1453

01:03:21,940 --> 01:03:20,360

you have you received any emails from

1454

01:03:24,760 --> 01:03:21,950

people saying what they like or what

1455

01:03:27,370 --> 01:03:24,770

they don't like right now on the podcast

1456

01:03:31,780 --> 01:03:27,380

I'm a little lackluster on the emails

1457

01:03:34,060 --> 01:03:31,790

and to me that's okay because the very

1458

01:03:36,250 --> 01:03:34,070

first episode that I released I think I

1459

01:03:39,880 --> 01:03:36,260

almost had a hundred plays that night

1460

01:03:42,010 --> 01:03:39,890

and to me it's important that people are

1461

01:03:44,860 --> 01:03:42,020

at least listening and I would like to

1462

01:03:46,720 --> 01:03:44,870

have a lot more interaction with my

1463

01:03:49,330 --> 01:03:46,730

listeners because I want to build a

1464

01:03:51,730 --> 01:03:49,340

community on the type of audience that

1465

01:03:54,840 --> 01:03:51,740

is looking for the truth and alternative

1466

01:03:57,210 --> 01:03:54,850

truth and not what we've been fed by the

1467

01:04:02,820 --> 01:03:57,220

you should go on truth finders radio man

1468

01:04:05,340 --> 01:04:02,830

that sounds like a great idea so at

1469

01:04:07,680 --> 01:04:05,350

speaking of community I know that there

1470

01:04:09,270 --> 01:04:07,690

we were looking at the numbers there's

1471

01:04:11,970 --> 01:04:09,280

thousands of people listening right now

1472

01:04:13,830 --> 01:04:11,980

we would love to have just one person

1473

01:04:18,800 --> 01:04:13,840

one of you guys go ahead and give us a

1474

01:04:26,670 --> 01:04:18,810

call the telephone number here is 88 89

1475

01:04:28,500 --> 01:04:26,680

1923 55 that's 8 8 8 9 192 355 we would

1476

01:04:32,280 --> 01:04:28,510

love to hear you know your thoughts

1477

01:04:33,990 --> 01:04:32,290

about paranormal radio about what's

1478

01:04:37,320 --> 01:04:34,000

happening in the world and sort of the

1479

01:04:39,150 --> 01:04:37,330

future of paranormal radio and do you

1480

01:04:40,980 --> 01:04:39,160

like what you hear do you like what you

1481

01:04:43,890 --> 01:04:40,990

hear on truth funders do you like the

1482

01:04:46,920 --> 01:04:43,900

way we talk here and and are sort of put

1483

01:04:48,870 --> 01:04:46,930

it out there and do you have questions

1484

01:04:50,790 --> 01:04:48,880

for Eli do you have questions for him

1485

01:04:54,030 --> 01:04:50,800

about all of Earth you have questions

1486

01:04:57,540 --> 01:04:54,040

out his podcast and how he came up with

1487

01:04:59,580 --> 01:04:57,550

the idea for the podcast or questions

1488

01:05:01,770 --> 01:04:59,590

about his campaign we would love to hear

1489

01:05:04,740 --> 01:05:01,780

from you because it's so exciting be

1490

01:05:06,960 --> 01:05:04,750

here right now I can say that I'm doing

1491

01:05:09,600 --> 01:05:06,970

as well as i'm booked through May with

1492

01:05:11,970 --> 01:05:09,610

guests so you can expect a lot more to

1493

01:05:13,770 --> 01:05:11,980

come out of the truth squad but another

1494

01:05:16,080 --> 01:05:13,780

thing that I want others to realize is

1495

01:05:18,720 --> 01:05:16,090

that this has kind of been a slow moving

1496

01:05:20,790 --> 01:05:18,730

ball for me and the way that I can

1497

01:05:24,210 --> 01:05:20,800

picture it is if I'm trying to push a

1498

01:05:26,700 --> 01:05:24,220

car uphill and it's taken a lot of

1499

01:05:29,300 --> 01:05:26,710

motivation to finally get it to the

1500

01:05:31,860 --> 01:05:29,310

point where it's it's moving with a

1501

01:05:33,270 --> 01:05:31,870

little less force than what I'm putting

1502

01:05:34,950 --> 01:05:33,280

in that's kind of how I feel right now

1503

01:05:37,080 --> 01:05:34,960

I'm finally to the point where things

1504

01:05:38,790 --> 01:05:37,090

are moving along and what I'm really

1505

01:05:42,300 --> 01:05:38,800

yearning for is to get a lot more

1506

01:05:44,160 --> 01:05:42,310

quality out of my podcast and what I

1507

01:05:46,380 --> 01:05:44,170

think you guys can expect from me in the

1508

01:05:49,410 --> 01:05:46,390

future is if I can upgrade my equipment

1509

01:05:50,730 --> 01:05:49,420

and if you donate to my podcast that you

1510

01:05:53,250 --> 01:05:50,740

can ensure that you're donating for

1511

01:05:55,410 --> 01:05:53,260

quality and that in turn is ultimately

1512

01:05:57,570 --> 01:05:55,420

benefiting you guys it's not benefiting

1513

01:06:00,060 --> 01:05:57,580

me because the money that I receive is

1514

01:06:03,720 --> 01:06:00,070

going back into this podcast a hundred

1515

01:06:06,810 --> 01:06:03,730

percent and and you know you really hit

1516

01:06:11,370 --> 01:06:06,820

the head right there I think there is a

1517

01:06:14,760 --> 01:06:11,380

a state of mind in a session or a

1518

01:06:17,130 --> 01:06:14,770

mystery work well ANCA oh oh they're

1519

01:06:18,660 --> 01:06:17,140

making money all these people make tons

1520

01:06:22,080 --> 01:06:18,670

of money they're out to make a quick

1521

01:06:25,320 --> 01:06:22,090

buck for example I you know there was a

1522

01:06:27,900 --> 01:06:25,330

there was a post started in Bell gab

1523

01:06:29,940 --> 01:06:27,910

regarding truth funders and it was

1524

01:06:32,640 --> 01:06:29,950

really cool I mean that's an honor to be

1525

01:06:34,380 --> 01:06:32,650

for someone whether it's a good thing or

1526

01:06:37,890 --> 01:06:34,390

a bad thing Ted to someone to bring you

1527

01:06:40,520 --> 01:06:37,900

up in and bail gab one of the the

1528

01:06:44,730 --> 01:06:40,530

coolest forums that you know I grew up

1529

01:06:46,320 --> 01:06:44,740

looking and watching as did I still read

1530

01:06:48,750 --> 01:06:46,330

by the way and there's no such thing as

1531

01:06:50,280 --> 01:06:48,760

bad press marks right there's a little

1532

01:06:51,840 --> 01:06:50,290

bit of an honor to be even if we're

1533

01:06:55,050 --> 01:06:51,850

being hosed by like it's still pretty

1534

01:06:56,610 --> 01:06:55,060

cool yes sure but I mean I didn't feel

1535

01:06:58,170 --> 01:06:56,620

that it was being hosed I think that I

1536

01:07:00,330 --> 01:06:58,180

think people have questions and they

1537

01:07:03,030 --> 01:07:00,340

want to know and and its rightful I

1538

01:07:05,010 --> 01:07:03,040

think you know a lot of people say you

1539

01:07:07,890 --> 01:07:05,020

know oh well they're just trying to make

1540

01:07:11,310 --> 01:07:07,900

a quick buck um there's no such thing as

1541

01:07:12,870 --> 01:07:11,320

a quick buck it not in this not in this

1542

01:07:14,910 --> 01:07:12,880

state is that I understand knowing is a

1543

01:07:18,110 --> 01:07:14,920

quick penny I mean we're not making any

1544

01:07:20,910 --> 01:07:18,120

money there's no money no money it's

1545

01:07:23,460 --> 01:07:20,920

literally all passions it is it is

1546

01:07:25,020 --> 01:07:23,470

passion but but that being said if it

1547

01:07:26,730 --> 01:07:25,030

was possible to make money and some

1548

01:07:28,830 --> 01:07:26,740

people do make money like okay take

1549

01:07:31,290 --> 01:07:28,840

George Noory right he's out there he's

1550

01:07:33,090 --> 01:07:31,300

on coast coast he's makes a lot of money

1551

01:07:35,670 --> 01:07:33,100

for Norman in the harry potter

1552

01:07:39,570 --> 01:07:35,680

university exactly he who shall not be

1553

01:07:41,820 --> 01:07:39,580

named right um but but he is making

1554

01:07:45,210 --> 01:07:41,830

money and he's doing but he's doing his

1555

01:07:47,910 --> 01:07:45,220

thing um there there are ways to make

1556

01:07:50,730 --> 01:07:47,920

money there's a guy who's doing making a

1557

01:07:52,410 --> 01:07:50,740

lot of apps like a you know ghost ghost

1558

01:07:55,440 --> 01:07:52,420

hunting apps and he's trying to do it as

1559

01:07:58,130 --> 01:07:55,450

best as he can and you know the thing is

1560

01:08:01,230 --> 01:07:58,140

this he puts in hours upon hours

1561

01:08:04,080 --> 01:08:01,240

building this stuff like we we put in

1562

01:08:07,020 --> 01:08:04,090

hours doing the show doing the research

1563

01:08:09,390 --> 01:08:07,030

for the show we put in hours building

1564

01:08:11,610 --> 01:08:09,400

the platform I mean to think about it to

1565

01:08:13,920 --> 01:08:11,620

create a platform where people can

1566

01:08:16,829 --> 01:08:13,930

create projects and put them up there

1567

01:08:18,690 --> 01:08:16,839

and we help to market them we work

1568

01:08:20,640 --> 01:08:18,700

directly with the people we built their

1569

01:08:22,499 --> 01:08:20,650

site we put it out it's

1570

01:08:24,870 --> 01:08:22,509

like we just drop it on Facebook and say

1571

01:08:26,519 --> 01:08:24,880

that's it no we yeah it sounds like

1572

01:08:28,050 --> 01:08:26,529

eliezer professional do you think Eli's

1573

01:08:29,640 --> 01:08:28,060

gonna go start working with people who

1574

01:08:31,979 --> 01:08:29,650

are not professionals you don't take

1575

01:08:34,740 --> 01:08:31,989

Eli's word for it right Eli professional

1576

01:08:38,130 --> 01:08:34,750

absolutely not i don't i don't work with

1577

01:08:40,380 --> 01:08:38,140

amateurs only professionals yeah that's

1578

01:08:43,289 --> 01:08:40,390

the truth funders way right there but

1579

01:08:46,709 --> 01:08:43,299

but the thing is it's like you know this

1580

01:08:48,660 --> 01:08:46,719

is our we love this stuff we should we

1581

01:08:51,240 --> 01:08:48,670

should be able to make money in the

1582

01:08:52,860 --> 01:08:51,250

field that you love and if we love the

1583

01:08:56,669 --> 01:08:52,870

paranormal and we're working really hard

1584

01:08:59,039 --> 01:08:56,679

at it it's it's you know if you wind up

1585

01:09:01,380 --> 01:08:59,049

making money that's fantastic because

1586

01:09:02,970 --> 01:09:01,390

you're able to like survive doing

1587

01:09:05,280 --> 01:09:02,980

something that you love and trying to

1588

01:09:09,120 --> 01:09:05,290

make a positive influence and create

1589

01:09:12,240 --> 01:09:09,130

change will that happen maybe maybe not

1590

01:09:13,709 --> 01:09:12,250

but you keep doing it and you keep doing

1591

01:09:16,140 --> 01:09:13,719

it because you're passionate about it

1592

01:09:18,809 --> 01:09:16,150

one way or another so I don't look down

1593

01:09:21,059 --> 01:09:18,819

on people who who make money doing what

1594

01:09:24,030 --> 01:09:21,069

what they're doing I think I think

1595

01:09:26,550 --> 01:09:24,040

that's okay and also asking for money in

1596

01:09:29,220 --> 01:09:26,560

order to make it better you know last

1597

01:09:33,269 --> 01:09:29,230

last week we had Nancy and bill burns on

1598

01:09:36,059 --> 01:09:33,279

they have done hours they had 250 like

1599

01:09:38,579 --> 01:09:36,069

episodes that they've done and and they

1600

01:09:40,019 --> 01:09:38,589

they put them out there for free and

1601

01:09:41,579 --> 01:09:40,029

it's great that they put them out there

1602

01:09:43,380 --> 01:09:41,589

for free i mean i think there's

1603

01:09:45,749 --> 01:09:43,390

different radio models that you can do

1604

01:09:46,950 --> 01:09:45,759

right but they have a past catalog i'm

1605

01:09:48,990 --> 01:09:46,960

sure a lot of people would like to

1606

01:09:50,849 --> 01:09:49,000

listen in their past catalog and that

1607

01:09:53,099 --> 01:09:50,859

past catalog that's worth something

1608

01:09:54,810 --> 01:09:53,109

because that's their time that's their

1609

01:09:56,520 --> 01:09:54,820

product that's their content that they

1610

01:09:59,399 --> 01:09:56,530

put out there and there's nothing wrong

1611

01:10:00,689 --> 01:09:59,409

with with saying hey you guys we work

1612

01:10:03,930 --> 01:10:00,699

really hard at this would you mind

1613

01:10:06,720 --> 01:10:03,940

donating to it or would do you feel okay

1614

01:10:08,520 --> 01:10:06,730

you know subscribing to it there's

1615

01:10:10,290 --> 01:10:08,530

nothing wrong with that and and I'm a

1616

01:10:12,000 --> 01:10:10,300

firm believer of that I do think there's

1617

01:10:14,669 --> 01:10:12,010

people in the paranormal world that will

1618

01:10:16,770 --> 01:10:14,679

no matter what say oh no you can't make

1619

01:10:19,410 --> 01:10:16,780

any money because if you do that means

1620

01:10:22,140 --> 01:10:19,420

that you're a fake or your your false

1621

01:10:24,870 --> 01:10:22,150

and and I don't know I'm not of that

1622

01:10:27,120 --> 01:10:24,880

mindset that you have to starve in order

1623

01:10:31,200 --> 01:10:27,130

to do something that's like incredible

1624

01:10:33,090 --> 01:10:31,210

for mankind no no more driving something

1625

01:10:34,629 --> 01:10:33,100

trouble for me I kind but I'm sorry

1626

01:10:35,889 --> 01:10:34,639

didn't catch you off

1627

01:10:37,569 --> 01:10:35,899

I've actually didn't mean to interrupt

1628

01:10:39,399 --> 01:10:37,579

you but I think you hit on something

1629

01:10:42,549 --> 01:10:39,409

that's really important in my mind and

1630

01:10:45,250 --> 01:10:42,559

that's the fact that when someone like

1631

01:10:46,989 --> 01:10:45,260

me that is doing these podcasts I I'm

1632

01:10:49,209 --> 01:10:46,999

actually if you want to think of it from

1633

01:10:52,179 --> 01:10:49,219

a business model I'm weigh in the red

1634

01:10:55,270 --> 01:10:52,189

and I'm talking about service hosting

1635

01:10:56,649 --> 01:10:55,280

I'm talking about our spent and I would

1636

01:10:58,779 --> 01:10:56,659

just like everyone to keep in mind that

1637

01:11:00,219 --> 01:10:58,789

this isn't the only thing that I do you

1638

01:11:02,889 --> 01:11:00,229

know I have a full-time job and when I

1639

01:11:05,350 --> 01:11:02,899

come home my hours spent at home are

1640

01:11:08,319 --> 01:11:05,360

going on for the next guest and I think

1641

01:11:11,290 --> 01:11:08,329

that truth funders honestly is a way for

1642

01:11:13,870 --> 01:11:11,300

the paranormal community to shine and to

1643

01:11:15,339 --> 01:11:13,880

say that if you like a project that's

1644

01:11:17,709 --> 01:11:15,349

going on and it doesn't even have to be

1645

01:11:19,750 --> 01:11:17,719

my project if you like another project

1646

01:11:21,310 --> 01:11:19,760

that's going on there I would rather you

1647

01:11:25,209 --> 01:11:21,320

donate to a project that you truly

1648

01:11:27,669 --> 01:11:25,219

believe in then to donate to my project

1649

01:11:29,319 --> 01:11:27,679

and that you don't truly believe in and

1650

01:11:31,540 --> 01:11:29,329

that you're only more worried about the

1651

01:11:34,270 --> 01:11:31,550

rewards from the project I think this is

1652

01:11:36,609 --> 01:11:34,280

of I think this is a way to show the

1653

01:11:38,139 --> 01:11:36,619

paranormal community that when we

1654

01:11:39,459 --> 01:11:38,149

believe in something we're going to help

1655

01:11:43,060 --> 01:11:39,469

make it rise and we're going to help

1656

01:11:44,379 --> 01:11:43,070

make it a something that's awesome for

1657

01:11:46,350 --> 01:11:44,389

the whole community and I think that

1658

01:11:49,080 --> 01:11:46,360

this is where truth funders is very very

1659

01:11:52,179 --> 01:11:49,090

important and awesome for the community

1660

01:11:54,580 --> 01:11:52,189

and that's so kind of you to say and and

1661

01:11:57,100 --> 01:11:54,590

I feel I mean that's why it was created

1662

01:11:59,259 --> 01:11:57,110

Eli and in that and you get it and

1663

01:12:00,549 --> 01:11:59,269

that's what it's an opportunity for

1664

01:12:02,919 --> 01:12:00,559

people to put their money where their

1665

01:12:05,020 --> 01:12:02,929

mouth is and to give some credibility

1666

01:12:06,669 --> 01:12:05,030

back to the paranormal community because

1667

01:12:08,889 --> 01:12:06,679

let's face it i mean we're gonna be

1668

01:12:10,659 --> 01:12:08,899

completely honest about this and look at

1669

01:12:12,729 --> 01:12:10,669

it from an objective point of view the

1670

01:12:15,370 --> 01:12:12,739

paranormal community is taken a beating

1671

01:12:17,379 --> 01:12:15,380

over the last 40 years for being just a

1672

01:12:19,810 --> 01:12:17,389

bunch of fruits nuts and flakes you know

1673

01:12:22,120 --> 01:12:19,820

a bunch of lunatics with tin foil hats

1674

01:12:24,759 --> 01:12:22,130

on their heads and this gives us a

1675

01:12:26,290 --> 01:12:24,769

chance to really come together and like

1676

01:12:28,929 --> 01:12:26,300

I said put our money where our mouth is

1677

01:12:30,339 --> 01:12:28,939

in and grow the community and spread

1678

01:12:32,350 --> 01:12:30,349

awareness and turn it back into

1679

01:12:35,529 --> 01:12:32,360

something that the general public sees

1680

01:12:37,089 --> 01:12:35,539

as force to be reckoned with something

1681

01:12:39,549 --> 01:12:37,099

that's actually worth listening to and

1682

01:12:42,310 --> 01:12:39,559

paying attention to and it's all about

1683

01:12:44,709 --> 01:12:42,320

feeding into itself and helping grow and

1684

01:12:46,840 --> 01:12:44,719

you know water will seek its own level

1685

01:12:49,480 --> 01:12:46,850

essentially

1686

01:12:53,110 --> 01:12:49,490

and and I want to also shout out that

1687

01:12:56,980 --> 01:12:53,120

you just received a ten dollar donation

1688

01:13:00,610 --> 01:12:56,990

MJ just donated to to your podcast as

1689

01:13:02,440 --> 01:13:00,620

well so your goal your project just went

1690

01:13:05,170 --> 01:13:02,450

up today maybe I think it went up two

1691

01:13:07,540 --> 01:13:05,180

hours ago and you just got an awesome

1692

01:13:09,610 --> 01:13:07,550

ten dollar donation from MJ you really

1693

01:13:11,470 --> 01:13:09,620

are there really is I want to take a

1694

01:13:13,630 --> 01:13:11,480

moment just like this point out how I

1695

01:13:17,500 --> 01:13:13,640

mj's the man because he is consistently

1696

01:13:19,060 --> 01:13:17,510

uh being the first to get involved with

1697

01:13:20,890 --> 01:13:19,070

a lot of these projects as we bring

1698

01:13:23,170 --> 01:13:20,900

guests on the air and talk about their

1699

01:13:25,500 --> 01:13:23,180

projects he leads the way he is he is a

1700

01:13:28,180 --> 01:13:25,510

beacon of light he is like Paul Revere

1701

01:13:30,670 --> 01:13:28,190

riding through town screaming out the

1702

01:13:33,310 --> 01:13:30,680

Redcoats are coming you know being that

1703

01:13:35,260 --> 01:13:33,320

being that first person to jump and I

1704

01:13:37,120 --> 01:13:35,270

really appreciate and Jay and everything

1705

01:13:40,690 --> 01:13:37,130

he does i just want to say that you know

1706

01:13:42,520 --> 01:13:40,700

i just want to say from the bottom of my

1707

01:13:44,470 --> 01:13:42,530

heart that I mean that does mean a lot

1708

01:13:46,420 --> 01:13:44,480

to me in any donations that I receive

1709

01:13:47,740 --> 01:13:46,430

without sounding like a commercial for

1710

01:13:50,620 --> 01:13:47,750

you guys because I know that this isn't

1711

01:13:52,510 --> 01:13:50,630

what it's I want this to be about I

1712

01:13:55,470 --> 01:13:52,520

truly appreciate it and I really want

1713

01:13:57,790 --> 01:13:55,480

you guys to know that if there were more

1714

01:13:59,770 --> 01:13:57,800

that I could give you guys for your

1715

01:14:02,410 --> 01:13:59,780

donations believe me wholeheartedly I

1716

01:14:04,510 --> 01:14:02,420

would give you guys you know even more

1717

01:14:06,940 --> 01:14:04,520

than what i can but what I'm working

1718

01:14:08,230 --> 01:14:06,950

with here is the best that I got and I

1719

01:14:11,380 --> 01:14:08,240

want you to know that every dollar that

1720

01:14:14,560 --> 01:14:11,390

is spent on the true squad podcasts it

1721

01:14:16,840 --> 01:14:14,570

true really truly will go to good use i

1722

01:14:19,390 --> 01:14:16,850

can promise you that and ultimately what

1723

01:14:21,790 --> 01:14:19,400

you are going to be able to offer is a

1724

01:14:24,790 --> 01:14:21,800

better sounding show that hopefully will

1725

01:14:26,740 --> 01:14:24,800

result in a more widened of variety of

1726

01:14:28,480 --> 01:14:26,750

audience and which will result in more

1727

01:14:30,430 --> 01:14:28,490

money being put into the show and then

1728

01:14:32,110 --> 01:14:30,440

you know it's it's it's the growth in

1729

01:14:33,940 --> 01:14:32,120

the land the maturation of your show

1730

01:14:35,710 --> 01:14:33,950

that i think is the investment of the

1731

01:14:37,690 --> 01:14:35,720

dollar being spent and that's one that

1732

01:14:39,460 --> 01:14:37,700

what will you at what you will have to

1733

01:14:41,710 --> 01:14:39,470

give to the islands that's absolutely

1734

01:14:45,160 --> 01:14:41,720

true i mean i can tell you an example i

1735

01:14:46,990 --> 01:14:45,170

tried to listen to a radio show earlier

1736

01:14:49,990 --> 01:14:47,000

today while i was at work was it was an

1737

01:14:53,770 --> 01:14:50,000

old truth photo show i wish i could say

1738

01:14:55,090 --> 01:14:53,780

that it was but it was not and i can

1739

01:14:57,730 --> 01:14:55,100

tell you that the quality of the show

1740

01:15:00,010 --> 01:14:57,740

was so poor that i actually had to turn

1741

01:15:07,030 --> 01:15:00,020

it off even though the subject was good

1742

01:15:09,580 --> 01:15:07,040

sure was oh I promise you Elijah I I but

1743

01:15:12,520 --> 01:15:09,590

this is what what I just wanted to say

1744

01:15:14,680 --> 01:15:12,530

is that the quality of my show is very

1745

01:15:16,150 --> 01:15:14,690

important to me and you know right now

1746

01:15:18,820 --> 01:15:16,160

the equipment that I'm working with I

1747

01:15:20,860 --> 01:15:18,830

pick up in like a three-mile radius it

1748

01:15:22,690 --> 01:15:20,870

feels like with my microphone and I just

1749

01:15:24,640 --> 01:15:22,700

you know it's just important that I

1750

01:15:26,500 --> 01:15:24,650

bring quality because my name is

1751

01:15:28,630 --> 01:15:26,510

attached to this and it's something that

1752

01:15:31,750 --> 01:15:28,640

I put a lot of pride and effort into and

1753

01:15:33,370 --> 01:15:31,760

I I just want you guys to really know

1754

01:15:35,710 --> 01:15:33,380

that I truly care about what I'm doing

1755

01:15:39,760 --> 01:15:35,720

and you just got another ten dollar

1756

01:15:42,010 --> 01:15:39,770

donation from from me I have a throw one

1757

01:15:44,200 --> 01:15:42,020

in there too if MJ was doing it I'm

1758

01:15:46,180 --> 01:15:44,210

doing it I put my money where my mouth I

1759

01:15:49,030 --> 01:15:46,190

were sober enough to trust myself with

1760

01:15:50,800 --> 01:15:49,040

operating accreditor i would put ten

1761

01:15:53,320 --> 01:15:50,810

dollars in but let's be honest here i'm

1762

01:15:54,970 --> 01:15:53,330

so hopped up on vicodin that we can't do

1763

01:15:56,860 --> 01:15:54,980

it mark really of about ten minutes left

1764

01:15:59,590 --> 01:15:56,870

in this show which is crazy to me oh

1765

01:16:01,240 --> 01:15:59,600

okay well then we got Jesus viewing

1766

01:16:04,030 --> 01:16:01,250

stuff yeah I think we should we should

1767

01:16:05,890 --> 01:16:04,040

thank you I and we should let him go on

1768

01:16:07,540 --> 01:16:05,900

his merry way and we should wrap up the

1769

01:16:10,330 --> 01:16:07,550

show if that's ok if you realize that

1770

01:16:12,460 --> 01:16:10,340

sounds great hey so I i want to thank

1771

01:16:15,520 --> 01:16:12,470

you so much eat you know em for

1772

01:16:17,530 --> 01:16:15,530

everybody listening eli has has a really

1773

01:16:19,450 --> 01:16:17,540

really interesting take in a really

1774

01:16:21,130 --> 01:16:19,460

really interesting I've got very easy to

1775

01:16:23,560 --> 01:16:21,140

listen to voice as well you lie which

1776

01:16:25,870 --> 01:16:23,570

definitely helps in your long-term

1777

01:16:28,480 --> 01:16:25,880

prospects for beer oh thank you for

1778

01:16:30,340 --> 01:16:28,490

being a radio host um you know I may not

1779

01:16:32,140 --> 01:16:30,350

sound like it I mean I act like it but

1780

01:16:34,630 --> 01:16:32,150

I've got 10 years of experience in

1781

01:16:36,250 --> 01:16:34,640

national talk radio and podcasting I've

1782

01:16:38,670 --> 01:16:36,260

actually like help create some of the

1783

01:16:41,110 --> 01:16:38,680

biggest podcasts out there literally and

1784

01:16:43,180 --> 01:16:41,120

you you haven't easy to listen to voice

1785

01:16:46,120 --> 01:16:43,190

in your articulate and I see you going a

1786

01:16:48,970 --> 01:16:46,130

long way thank you are you're all yeah

1787

01:16:52,030 --> 01:16:48,980

so so thank you so much everybody if you

1788

01:16:54,460 --> 01:16:52,040

want to help out with the truth squad

1789

01:16:56,830 --> 01:16:54,470

podcast or if you just want to listen to

1790

01:16:58,510 --> 01:16:56,840

the truth spot Truth Squad podcast and

1791

01:17:00,640 --> 01:16:58,520

find out what you know it's about

1792

01:17:04,420 --> 01:17:00,650

there's a full episode up on truth

1793

01:17:07,480 --> 01:17:04,430

lenders com so go to ww funders com

1794

01:17:09,760 --> 01:17:07,490

scroll down and you will see the truth a

1795

01:17:11,620 --> 01:17:09,770

squad podcast go ahead and click that

1796

01:17:13,660 --> 01:17:11,630

you can see the different levels of

1797

01:17:16,060 --> 01:17:13,670

donations you can be immortal

1798

01:17:19,300 --> 01:17:16,070

sized you will be a friend of their of

1799

01:17:21,820 --> 01:17:19,310

the podcast forever if you donate and

1800

01:17:24,280 --> 01:17:21,830

it's it's not a lot it really isn't and

1801

01:17:27,370 --> 01:17:24,290

it's helping to create more in spread

1802

01:17:28,990 --> 01:17:27,380

consciousness the way we like to do here

1803

01:17:30,669 --> 01:17:29,000

at ruth funders so go ahead and click

1804

01:17:33,370 --> 01:17:30,679

that and you can also press play and

1805

01:17:36,160 --> 01:17:33,380

listen to a full-length episode of The

1806

01:17:39,070 --> 01:17:36,170

Truth Squad podcast directly on truth

1807

01:17:42,209 --> 01:17:39,080

funders com I'm Bobo that truth in our

1808

01:17:44,500 --> 01:17:42,219

name were were two separate entities

1809

01:17:47,709 --> 01:17:44,510

we're just all trying to find the

1810

01:17:50,770 --> 01:17:47,719

[h__\h] truth though the [h__\h] truth

1811

01:17:52,570 --> 01:17:50,780

you heard it alright thank you so much

1812

01:17:55,030 --> 01:17:52,580

for joining us Eli and Mark you wanted

1813

01:17:58,120 --> 01:17:55,040

to get to um a couple things here I know

1814

01:18:00,250 --> 01:17:58,130

before we wrapped up absolutely um so

1815

01:18:02,140 --> 01:18:00,260

thank you Eli have a great night I don't

1816

01:18:04,450 --> 01:18:02,150

know you lie did you leave are you there

1817

01:18:06,850 --> 01:18:04,460

no I'm here I just want to say thank you

1818

01:18:08,680 --> 01:18:06,860

guys I hate the opportunities in honor I

1819

01:18:10,240 --> 01:18:08,690

appreciate it I'll check in with us

1820

01:18:11,770 --> 01:18:10,250

we'll check in with you down the line

1821

01:18:13,540 --> 01:18:11,780

and maybe we could even be on the two

1822

01:18:16,060 --> 01:18:13,550

squad show at some point we do need I

1823

01:18:18,100 --> 01:18:16,070

would mark yeah I would love to have you

1824

01:18:20,919 --> 01:18:18,110

guys on without a doubt so just let me

1825

01:18:22,479 --> 01:18:20,929

know and again sometime through cuz i

1826

01:18:25,689 --> 01:18:22,489

know you're booked through May yes

1827

01:18:28,240 --> 01:18:25,699

absolutely anytime you guys want cool

1828

01:18:30,430 --> 01:18:28,250

thank you bag of Skittles for art to eat

1829

01:18:33,729 --> 01:18:30,440

while we do it won't you sit on it and

1830

01:18:35,860 --> 01:18:33,739

rotate mark schwartz subject thank you

1831

01:18:38,979 --> 01:18:35,870

guys take care thanks Eli take care

1832

01:18:41,020 --> 01:18:38,989

everybody that's Eli from The Truth

1833

01:18:44,020 --> 01:18:41,030

Squad podcast go ahead check out his

1834

01:18:48,310 --> 01:18:44,030

stuff it's it's awesome so now don't

1835

01:18:50,560 --> 01:18:48,320

throw drum roll please but up okay

1836

01:18:54,430 --> 01:18:50,570

Ramona you in time I need everybody to

1837

01:18:58,090 --> 01:18:54,440

focus coming in deep from van der it's a

1838

01:18:59,560 --> 01:18:58,100

ver then it's not this time I should do

1839

01:19:00,760 --> 01:18:59,570

that I should double it up sometime

1840

01:19:03,010 --> 01:19:00,770

though so people think it's something

1841

01:19:05,380 --> 01:19:03,020

different but I want everybody to focus

1842

01:19:06,850 --> 01:19:05,390

in as much as you can I don't know if

1843

01:19:11,140 --> 01:19:06,860

you guys are gonna get this but I'm your

1844

01:19:13,180 --> 01:19:11,150

stripes out app stick I am I am I aren't

1845

01:19:15,520 --> 01:19:13,190

you can't guess me well I guess you can

1846

01:19:18,340 --> 01:19:15,530

guess but I'm not gonna tell you um so

1847

01:19:20,020 --> 01:19:18,350

so here's how the game is played we want

1848

01:19:21,550 --> 01:19:20,030

to find some real remote viewers out

1849

01:19:24,130 --> 01:19:21,560

there and if you look if you are

1850

01:19:27,220 --> 01:19:24,140

listening to the show right now you can

1851

01:19:27,550 --> 01:19:27,230

go to the Facebook page the truth owners

1852

01:19:29,320 --> 01:19:27,560

face

1853

01:19:31,180 --> 01:19:29,330

book page and you could type in there's

1854

01:19:33,370 --> 01:19:31,190

a special spot for you to the remote

1855

01:19:35,260 --> 01:19:33,380

viewing section you could type in what

1856

01:19:37,480 --> 01:19:35,270

it is I'm remote viewing so we're going

1857

01:19:38,950 --> 01:19:37,490

to take 10 seconds here I'm not going to

1858

01:19:40,300 --> 01:19:38,960

tell you if I'm holding it i'm not going

1859

01:19:42,370 --> 01:19:40,310

to tell you if it's part of the room i'm

1860

01:19:45,730 --> 01:19:42,380

not going to say what it is but i will

1861

01:19:48,550 --> 01:19:45,740

describe this i am sitting in my office

1862

01:19:50,530 --> 01:19:48,560

right now the Sun is almost set in

1863

01:19:52,150 --> 01:19:50,540

Northern California the trees are

1864

01:19:54,220 --> 01:19:52,160

getting a little bit darker and the

1865

01:19:56,920 --> 01:19:54,230

sun's just coming through barely it's

1866

01:20:00,370 --> 01:19:56,930

about to go away in my freaking nerd

1867

01:20:02,170 --> 01:20:00,380

layer where my I am a CEO hard to

1868

01:20:03,790 --> 01:20:02,180

believe I am a business and I run

1869

01:20:06,130 --> 01:20:03,800

meetings but for right now I'm

1870

01:20:08,110 --> 01:20:06,140

surrounded by my vinyl old vinyl record

1871

01:20:10,750 --> 01:20:08,120

player I'm looking at my weird Tron

1872

01:20:13,690 --> 01:20:10,760

action figures and my Nintendo Power

1873

01:20:15,460 --> 01:20:13,700

glove there's my skateboard yes I'm 35

1874

01:20:18,430 --> 01:20:15,470

and I still skateboard all the time and

1875

01:20:20,470 --> 01:20:18,440

I'm surrounded by all this stuff but

1876

01:20:23,320 --> 01:20:20,480

there's something that I'm looking at

1877

01:20:25,630 --> 01:20:23,330

and I'm focusing extremely hard at it

1878

01:20:29,590 --> 01:20:25,640

and I'm looking at and we're going to

1879

01:20:31,420 --> 01:20:29,600

take 10 seconds and okay jiri and I'm

1880

01:20:33,550 --> 01:20:31,430

like oh I'm gonna show off all the

1881

01:20:36,400 --> 01:20:33,560

lights too okay I'm gonna say three

1882

01:20:39,280 --> 01:20:36,410

things you can you can write on facebook

1883

01:20:41,170 --> 01:20:39,290

wall look what colors you think it is

1884

01:20:43,000 --> 01:20:41,180

that's one thing I just know it's

1885

01:20:46,000 --> 01:20:43,010

swirling around her and then what you

1886

01:20:48,580 --> 01:20:46,010

think it is so I'm gonna focus I'm gonna

1887

01:20:50,350 --> 01:20:48,590

shut up and I'm gonna let this too I'm

1888

01:20:53,200 --> 01:20:50,360

gonna get into my Zen stay here and you

1889

01:20:55,450 --> 01:20:53,210

said 10 seconds upset the clock okay

1890

01:20:56,980 --> 01:20:55,460

yeah you can you can write it in the

1891

01:21:00,790 --> 01:20:56,990

chat room with your in the chat room we

1892

01:21:02,380 --> 01:21:00,800

will check that too okay 10 and go dead

1893

01:21:06,420 --> 01:21:02,390

space's never occurred on air but this

1894

01:21:15,540 --> 01:21:06,430

is important resetting 10 seconds go

1895

01:21:21,790 --> 01:21:19,480

all right we got it I hope you guys got

1896

01:21:23,650 --> 01:21:21,800

it that was like six seconds for the

1897

01:21:25,330 --> 01:21:23,660

record but it's like dead air it's just

1898

01:21:26,680 --> 01:21:25,340

like freezing okay okay you know dead

1899

01:21:28,930 --> 01:21:26,690

air i think is the most interesting

1900

01:21:30,490 --> 01:21:28,940

thing to if you come across dead air on

1901

01:21:32,080 --> 01:21:30,500

any radio station you stop immediately

1902

01:21:33,280 --> 01:21:32,090

because you want to know what happened

1903

01:21:34,810 --> 01:21:33,290

what's going on and when they're gonna

1904

01:21:36,220 --> 01:21:34,820

come back I think dead air is actually

1905

01:21:38,080 --> 01:21:36,230

one of the most fascinating things to

1906

01:21:40,540 --> 01:21:38,090

listen to on the radio but that's just

1907

01:21:44,620 --> 01:21:40,550

my opinion and I'm doped out of my mind

1908

01:21:46,360 --> 01:21:44,630

I've I could you know take a spin take

1909

01:21:48,940 --> 01:21:46,370

your flare no I think we should title

1910

01:21:51,850 --> 01:21:48,950

the show like the font the truth funders

1911

01:21:53,620 --> 01:21:51,860

fun train wreck show um but it was

1912

01:21:55,900 --> 01:21:53,630

actually it got really good Eli was a

1913

01:21:57,820 --> 01:21:55,910

fantastic ass and I really loved Eli I

1914

01:21:59,950 --> 01:21:57,830

would be happy to have you lie on again

1915

01:22:02,080 --> 01:21:59,960

I that eli has a fantastic podcast

1916

01:22:03,610 --> 01:22:02,090

admittedly i've never heard any of the

1917

01:22:06,220 --> 01:22:03,620

episodes of eli show but that doesn't

1918

01:22:08,350 --> 01:22:06,230

mean i'm not going to in my blitzed out

1919

01:22:09,640 --> 01:22:08,360

state hang up with you after we're done

1920

01:22:12,430 --> 01:22:09,650

with this show and go check out some

1921

01:22:13,750 --> 01:22:12,440

trip squad because he'd really had some

1922

01:22:16,090 --> 01:22:13,760

good things to say and I meant what I

1923

01:22:18,520 --> 01:22:16,100

said I he was an easy voice to listen to

1924

01:22:20,110 --> 01:22:18,530

and you better watch out art if you eat

1925

01:22:22,540 --> 01:22:20,120

any more skittles and break any more

1926

01:22:27,310 --> 01:22:22,550

teeth I might have to do I come back and

1927

01:22:31,450 --> 01:22:27,320

replace you for good well you know

1928

01:22:33,280 --> 01:22:31,460

that's the thing is you can't and I

1929

01:22:34,930 --> 01:22:33,290

don't replace he dude that's I'm yeah

1930

01:22:37,590 --> 01:22:34,940

that's right i'll take you i'll take you

1931

01:22:39,850 --> 01:22:37,600

on drugs over not being here every day I

1932

01:22:43,330 --> 01:22:39,860

really am bummed out I missed out on

1933

01:22:44,830 --> 01:22:43,340

last week's show and I'm a little more

1934

01:22:46,720 --> 01:22:44,840

bummed out that nobody wanted to call

1935

01:22:48,220 --> 01:22:46,730

and talk to me in my deranged State but

1936

01:22:50,500 --> 01:22:48,230

that's okay because that means they like

1937

01:22:53,170 --> 01:22:50,510

me better when I'm not deranged and come

1938

01:22:55,960 --> 01:22:53,180

hell or high water next week come on

1939

01:22:58,000 --> 01:22:55,970

Carol Carol I know you wanna call in

1940

01:22:59,650 --> 01:22:58,010

Carroll at least at least Bureau one

1941

01:23:02,860 --> 01:22:59,660

call for the night I know you're out

1942

01:23:05,590 --> 01:23:02,870

there just give us a she's on next she's

1943

01:23:07,660 --> 01:23:05,600

definitely listening well well I think

1944

01:23:11,470 --> 01:23:07,670

yeah I think she's she's getting on soon

1945

01:23:13,690 --> 01:23:11,480

so Carol give us a call 88 89 1923 I

1946

01:23:15,880 --> 01:23:13,700

just need a female's perspective for a

1947

01:23:17,590 --> 01:23:15,890

second just for like one minute before

1948

01:23:22,540 --> 01:23:17,600

show ends we want the female's

1949

01:23:26,590 --> 01:23:22,550

perspective on on on anything on this

1950

01:23:28,180 --> 01:23:26,600

show on you know what you think that we

1951

01:23:30,310 --> 01:23:28,190

were just remote viewing anything

1952

01:23:36,310 --> 01:23:30,320

come on Carol come on I know you're out

1953

01:23:38,200 --> 01:23:36,320

there any who may be just enough I bet

1954

01:23:39,850 --> 01:23:38,210

the people on bail gap are gonna really

1955

01:23:41,350 --> 01:23:39,860

have it quite a bit to say by the way

1956

01:23:43,090 --> 01:23:41,360

that was pretty cool to be mentioned on

1957

01:23:45,610 --> 01:23:43,100

bail gap and I guess we should at least

1958

01:23:47,590 --> 01:23:45,620

you know in the very last two minutes

1959

01:23:49,240 --> 01:23:47,600

here the show mention that our bail is

1960

01:23:52,240 --> 01:23:49,250

coming back officially which is pretty

1961

01:23:55,540 --> 01:23:52,250

cool who knows how long he'll be around

1962

01:23:57,130 --> 01:23:55,550

with this version of the show because we

1963

01:23:58,870 --> 01:23:57,140

can only speak by a statistical

1964

01:24:00,970 --> 01:23:58,880

experience and that shows that he

1965

01:24:02,680 --> 01:24:00,980

doesn't stick around yeah but you know

1966

01:24:06,040 --> 01:24:02,690

what it's it's really cool and I think

1967

01:24:08,320 --> 01:24:06,050

that maybe next week we can do about we

1968

01:24:10,660 --> 01:24:08,330

can do this is we can talk about the

1969

01:24:11,860 --> 01:24:10,670

different radio like paranormal radio

1970

01:24:13,630 --> 01:24:11,870

models like there's because there's a

1971

01:24:16,270 --> 01:24:13,640

lot of ways to really make money and

1972

01:24:20,620 --> 01:24:16,280

make your radio show succeed out there

1973

01:24:22,810 --> 01:24:20,630

uh-huh and and and I think that um you

1974

01:24:25,780 --> 01:24:22,820

know art went to XM I don't know if he

1975

01:24:27,459 --> 01:24:25,790

did if he did all the the best research

1976

01:24:29,500 --> 01:24:27,469

before he went there but there's like

1977

01:24:31,660 --> 01:24:29,510

such really cool things and he could own

1978

01:24:33,760 --> 01:24:31,670

his own property doing his own show and

1979

01:24:35,470 --> 01:24:33,770

like it'd be really great to talk about

1980

01:24:37,570 --> 01:24:35,480

some of that stuff it's right look if

1981

01:24:41,050 --> 01:24:37,580

anything I'm looking forward to hearing

1982

01:24:42,790 --> 01:24:41,060

mr. bells voice I can't wait yes desert

1983

01:24:45,220 --> 01:24:42,800

night or whatever whatever the hell he's

1984

01:24:47,020 --> 01:24:45,230

calling the show but yeah I'll always

1985

01:24:49,810 --> 01:24:47,030

sign up to take a ride with our friend

1986

01:24:51,850 --> 01:24:49,820

and it was it was cool although my way

1987

01:24:53,920 --> 01:24:51,860

we are down to the last 60 seconds to

1988

01:24:56,260 --> 01:24:53,930

the show Carol Carol I think Carol's on

1989

01:24:59,560 --> 01:24:56,270

here Oh Carol there the code you make it

1990

01:25:04,209 --> 01:24:59,570

cuz you got less than a minute cuz I

1991

01:25:06,610 --> 01:25:04,219

rails oh hello Carol will you say hello

1992

01:25:10,090 --> 01:25:06,620

and goodbye for us from to funders hello

1993

01:25:12,340 --> 01:25:10,100

and goodbye I say hello I don't know why

1994

01:25:15,459 --> 01:25:12,350

you say goodbye I say hello or something

1995

01:25:17,229 --> 01:25:15,469

oh I know that bad yeah you right oh I

1996

01:25:18,970 --> 01:25:17,239

should have been a quiz I could have

1997

01:25:22,959 --> 01:25:18,980

sang the jeopardy or something you know

1998

01:25:26,979 --> 01:25:22,969

baby okay get one over me next time

1999

01:25:29,740 --> 01:25:26,989

doesn't it really you guys rock and yes

2000

01:25:31,689 --> 01:25:29,750

listen you rush and you were rocking the

2001

01:25:34,360 --> 01:25:31,699

loaded airwaves and it was really kind

2002

01:25:38,410 --> 01:25:34,370

of monumental and classic look at that

2003

01:25:40,959 --> 01:25:38,420

monumentally classic just like the not

2004

01:25:41,470 --> 01:25:40,969

rush get money man say you have ten

2005

01:25:43,810 --> 01:25:41,480

seconds

2006

01:25:45,460 --> 01:25:43,820

left are all care they're all right

2007

01:25:48,270 --> 01:25:45,470

there we go what is the name of the man

2008

01:25:53,410 --> 01:25:48,280

who carved the figures on Mount Rushmore

2009

01:25:55,810 --> 01:25:53,420

it was in gene MJ I signed truth phones

2010

01:25:57,550 --> 01:25:55,820

radio off now because it's time to do

2011

01:25:59,440 --> 01:25:57,560

that for mark Schwartz I'm art web truth

2012

01:26:01,060 --> 01:25:59,450

fighters radio take it away MJ will talk

2013

01:26:03,670 --> 01:26:01,070

to you next week I'll be Carol Patrick

2014

01:26:06,490 --> 01:26:03,680

people in chat rooms inception truth
