

EPIC VOYAGES RADIO

EXTRAORDINARY PHENOMENA INVESTIGATIONS COUNCIL

Jim Marrs 1.0

1
00:00:04,390 --> 00:00:03,669
you're listening to irm the inception

2
00:00:37,750 --> 00:00:04,400
radio

3
00:00:37,760 --> 00:01:06,550
live within a question

4
00:01:10,230 --> 00:01:07,990
the extraordinary phenomenon

5
00:01:11,350 --> 00:01:10,240
investigations council presents epic

6
00:01:12,950 --> 00:01:11,360
voyages

7
00:01:14,789 --> 00:01:12,960
come join us as we hit her and

8
00:01:15,350 --> 00:01:14,799
experience the great mysteries of the

9
00:01:52,710 --> 00:01:15,360
world

10
00:02:14,030 --> 00:02:07,510
we

11
00:02:16,390 --> 00:02:14,040
voyages on onlineradio

12
00:02:19,510 --> 00:02:16,400
inceptionradionetwork.com tonight

13
00:02:22,470 --> 00:02:19,520

we are going to be answering a very very

14

00:02:25,350 --> 00:02:22,480

interesting question tonight and that is

15

00:02:27,030 --> 00:02:25,360

do you really know the true story about

16

00:02:30,710 --> 00:02:27,040

what happened to adolf hitler

17

00:02:32,949 --> 00:02:30,720

and ava braun at the end of world war ii

18

00:02:34,790 --> 00:02:32,959

you may think you know the answer but

19

00:02:36,949 --> 00:02:34,800

the more i've read about it in the last

20

00:02:37,350 --> 00:02:36,959

several weeks the more questions i've

21

00:02:40,949 --> 00:02:37,360

got

22

00:02:43,990 --> 00:02:40,959

tonight

23

00:02:46,630 --> 00:02:44,000

and the uh guys of jim mars

24

00:02:48,630 --> 00:02:46,640

they're perhaps not the guys uh fellow

25

00:02:51,589 --> 00:02:48,640

texans i'm real i'm real

26

00:02:53,110 --> 00:02:51,599

you're he's just barely swallowed part

27

00:02:54,710 --> 00:02:53,120

of a bison burger to get to the

28

00:02:56,630 --> 00:02:54,720

microphone here

29

00:02:58,390 --> 00:02:56,640

uh born in fort worth so this is going

30

00:02:59,670 --> 00:02:58,400

to be texas night

31

00:03:01,110 --> 00:02:59,680

jim we're going to kind of have our own

32

00:03:03,350 --> 00:03:01,120

little version of greater tuna here

33

00:03:06,550 --> 00:03:03,360

tonight

34

00:03:08,949 --> 00:03:06,560

sounds okay um

35

00:03:09,910 --> 00:03:08,959

jim as a if you haven't heard of jim

36

00:03:11,509 --> 00:03:09,920

then you've

37

00:03:14,229 --> 00:03:11,519

you really haven't been reading enough

38

00:03:16,070 --> 00:03:14,239

books uh he's a prolific author and

39

00:03:18,149 --> 00:03:16,080

speaker

40

00:03:19,830 --> 00:03:18,159

as i said born in fort worth began

41

00:03:21,270 --> 00:03:19,840

working as a journalist while still in

42

00:03:23,350 --> 00:03:21,280

junior high school

43

00:03:25,190 --> 00:03:23,360

and jim i know something about you that

44

00:03:26,470 --> 00:03:25,200

probably is not common knowledge i know

45

00:03:29,350 --> 00:03:26,480

that you made your tv

46

00:03:31,190 --> 00:03:29,360

debut on slam bang theater with icky

47

00:03:34,070 --> 00:03:31,200

twerp

48

00:03:35,030 --> 00:03:34,080

that's right that was that was monkeying

49

00:03:39,750 --> 00:03:35,040

around

50

00:03:42,390 --> 00:03:39,760

right right one of the original apes

51
00:03:44,309 --> 00:03:42,400
right and i think probably you're partly

52
00:03:46,550 --> 00:03:44,319
responsible for all of those bigfoot

53
00:03:48,149 --> 00:03:46,560
sightings in north texas then

54
00:03:49,830 --> 00:03:48,159
well you know it's interesting because i

55
00:03:52,149 --> 00:03:49,840
am the first reporter

56
00:03:53,429 --> 00:03:52,159
uh who wrote about the lake worth

57
00:03:56,550 --> 00:03:53,439
monster

58
00:03:58,550 --> 00:03:56,560
which was a uh quite a quite a hoorah

59
00:04:01,589 --> 00:03:58,560
that went on there for a little bit

60
00:04:03,670 --> 00:04:01,599
of the people because it started off

61
00:04:05,750 --> 00:04:03,680
i mean it would start off it's very real

62
00:04:07,670 --> 00:04:05,760
uh i was police reporter for the

63
00:04:09,509 --> 00:04:07,680

forward star telegram and i went in

64

00:04:11,750 --> 00:04:09,519

early one morning to the police station

65

00:04:13,350 --> 00:04:11,760

was going through the police reports

66

00:04:15,190 --> 00:04:13,360

from the night before and

67

00:04:16,710 --> 00:04:15,200

there was a report of people who had

68

00:04:19,749 --> 00:04:16,720

been parking out at

69

00:04:23,990 --> 00:04:19,759

lake worth near the wildlife

70

00:04:24,950 --> 00:04:24,000

center and they reported that some hairy

71

00:04:28,310 --> 00:04:24,960

creature

72

00:04:29,909 --> 00:04:28,320

you know threw a tire at him and

73

00:04:31,430 --> 00:04:29,919

scared him to death you know and i

74

00:04:33,270 --> 00:04:31,440

thought oh what's this somebody's

75

00:04:35,030 --> 00:04:33,280

pulling a prank you know so

76

00:04:36,469 --> 00:04:35,040

i went to one of the police captains and

77

00:04:37,830 --> 00:04:36,479

i said you know what you know about this

78

00:04:38,230 --> 00:04:37,840

and he said well i don't know anything

79

00:04:40,390 --> 00:04:38,240

said

80

00:04:41,990 --> 00:04:40,400

but those folks are still here and i

81

00:04:43,590 --> 00:04:42,000

went what so i went and found

82

00:04:45,350 --> 00:04:43,600

them and uh i want to tell you those

83

00:04:48,710 --> 00:04:45,360

folks were truly scared

84

00:04:49,749 --> 00:04:48,720

whatever it was they it wasn't a hoax on

85

00:04:51,909 --> 00:04:49,759

their part

86

00:04:52,950 --> 00:04:51,919

they they were really freaked out anyway

87

00:04:54,710 --> 00:04:52,960

that uh so i

88

00:04:57,430 --> 00:04:54,720

wrote a story on that and that started

89

00:05:00,390 --> 00:04:57,440

the great lake worth monster

90

00:05:02,070 --> 00:05:00,400

craze that went on for a while and there

91

00:05:04,070 --> 00:05:02,080

were people traveling out there car

92

00:05:06,310 --> 00:05:04,080

loads of people with guns they weren't

93

00:05:08,150 --> 00:05:06,320

out there looking for it you know and

94

00:05:09,110 --> 00:05:08,160

the local authorities got pretty upset

95

00:05:11,270 --> 00:05:09,120

they said man

96

00:05:13,029 --> 00:05:11,280

because half the people go out there and

97

00:05:13,909 --> 00:05:13,039

wander all around and a lot of them

98

00:05:17,670 --> 00:05:13,919

would stop and go

99

00:05:19,029 --> 00:05:17,680

oh you know and make some howl or

100

00:05:20,310 --> 00:05:19,039

something and then the other half are

101
00:05:22,710 --> 00:05:20,320
out there driving around with

102
00:05:24,870 --> 00:05:22,720
shotguns and rifles they were really

103
00:05:27,909 --> 00:05:24,880
afraid somebody's gonna get hurt

104
00:05:31,670 --> 00:05:27,919
and uh so but luckily it all kind of

105
00:05:33,590 --> 00:05:31,680
died away and uh it's pretty interesting

106
00:05:34,710 --> 00:05:33,600
as an interesting story it still comes

107
00:05:36,390 --> 00:05:34,720
up now and then

108
00:05:38,230 --> 00:05:36,400
it probably died down about the time

109
00:05:39,990 --> 00:05:38,240
that you sent that gorilla suit to the

110
00:05:43,350 --> 00:05:40,000
dry cleaners

111
00:05:46,710 --> 00:05:43,360
right right no this one wasn't me this

112
00:05:50,150 --> 00:05:46,720
wasn't me they i understand that uh

113
00:05:52,310 --> 00:05:50,160

some months later i finally was led to

114

00:05:53,590 --> 00:05:52,320

understand that it was some students

115

00:05:55,189 --> 00:05:53,600

from brewer high school

116

00:05:57,830 --> 00:05:55,199

that were playing a prank they had an

117

00:06:00,150 --> 00:05:57,840

ape suit but they left the ape mask off

118

00:06:02,150 --> 00:06:00,160

they just put a kind of a clear plastic

119

00:06:03,990 --> 00:06:02,160

mask on the guy that was wearing it and

120

00:06:04,790 --> 00:06:04,000

so it did look weird it looked hairy and

121

00:06:06,950 --> 00:06:04,800

big

122

00:06:09,110 --> 00:06:06,960

and had kind of this human face you know

123

00:06:11,029 --> 00:06:09,120

and so it was kind of scary and uh but

124

00:06:12,469 --> 00:06:11,039

then after all this stuff started

125

00:06:14,950 --> 00:06:12,479

of course needless to say they were

126

00:06:17,270 --> 00:06:14,960

afraid to come forward and fess up

127

00:06:18,710 --> 00:06:17,280

uh but i think the cops finally tracked

128

00:06:20,710 --> 00:06:18,720

it down and figured out

129

00:06:23,189 --> 00:06:20,720

what had happened who did it but number

130

00:06:25,029 --> 00:06:23,199

one since they were juveniles

131

00:06:26,230 --> 00:06:25,039

they couldn't be charged really with

132

00:06:27,590 --> 00:06:26,240

anything so

133

00:06:30,309 --> 00:06:27,600

and they couldn't use their we couldn't

134

00:06:32,390 --> 00:06:30,319

use their name in the paper or anything

135

00:06:34,309 --> 00:06:32,400

so nothing that was ever officially

136

00:06:37,189 --> 00:06:34,319

resolved about that which is

137

00:06:39,510 --> 00:06:37,199

kind of cool because that allows the

138

00:06:42,070 --> 00:06:39,520

lake worth monster to continue to

139

00:06:42,950 --> 00:06:42,080

amble through history kind of like the

140

00:06:44,950 --> 00:06:42,960

lady of the lake

141

00:06:47,350 --> 00:06:44,960

well if if the lake worth monster

142

00:06:49,830 --> 00:06:47,360

happens to be out there tonight

143

00:06:51,270 --> 00:06:49,840

in cyberville listening to us we want

144

00:06:53,909 --> 00:06:51,280

you to call in later

145

00:06:55,350 --> 00:06:53,919

after uh the first hour of the show and

146

00:06:57,990 --> 00:06:55,360

reveal yourself

147

00:06:59,749 --> 00:06:58,000

to jim mars who started your career off

148

00:07:00,469 --> 00:06:59,759

he tried to help you out but the police

149

00:07:03,270 --> 00:07:00,479

wouldn't help

150

00:07:04,870 --> 00:07:03,280

so please call um you mentioned that

151
00:07:05,670 --> 00:07:04,880
they didn't have a great sense of humor

152
00:07:07,749 --> 00:07:05,680
about it

153
00:07:09,990 --> 00:07:07,759
no i bet they didn't and that image you

154
00:07:10,469 --> 00:07:10,000
described is very creepy with the clear

155
00:07:13,510 --> 00:07:10,479
face

156
00:07:15,110 --> 00:07:13,520
mask yuck

157
00:07:16,950 --> 00:07:15,120
jim worked at the fort worth star

158
00:07:17,670 --> 00:07:16,960
telegram for a while and he was also in

159
00:07:19,189 --> 00:07:17,680
the army

160
00:07:21,670 --> 00:07:19,199
and wound up going back for a little

161
00:07:23,350 --> 00:07:21,680
while you were in an intelligence unit

162
00:07:25,350 --> 00:07:23,360
during the vietnam war

163
00:07:26,629 --> 00:07:25,360

and then you became military and

164

00:07:28,070 --> 00:07:26,639

aerospace writer

165

00:07:30,070 --> 00:07:28,080

and that's when you started your

166

00:07:32,309 --> 00:07:30,080

investigative reporting

167

00:07:34,390 --> 00:07:32,319

well i've been investigating reporting

168

00:07:34,629 --> 00:07:34,400

right all along but uh yeah that's when

169

00:07:47,430 --> 00:07:34,639

i

170

00:07:50,390 --> 00:07:47,440

wow

171

00:07:50,950 --> 00:07:50,400

one of the many books that jim has

172

00:07:52,710 --> 00:07:50,960

penned

173

00:07:55,270 --> 00:07:52,720

was crossfire the plot that killed

174

00:07:58,390 --> 00:07:55,280

kennedy which served as the basis for

175

00:08:00,230 --> 00:07:58,400

oliver stone's movie jfk and jim you

176

00:08:02,550 --> 00:08:00,240

were a chief consultant

177

00:08:04,550 --> 00:08:02,560

on the screenplay and the reproduction

178

00:08:07,670 --> 00:08:04,560

right yeah that's correct

179

00:08:09,830 --> 00:08:07,680

wow you if if you took the minute

180

00:08:12,469 --> 00:08:09,840

somebody in the chat room has popped up

181

00:08:15,589 --> 00:08:12,479

a picture of a bunch of your books

182

00:08:17,029 --> 00:08:15,599

uh in the chat room and it's the

183

00:08:18,710 --> 00:08:17,039

obviously there's so many of them that

184

00:08:20,390 --> 00:08:18,720

the print is tiny and you can't really

185

00:08:21,670 --> 00:08:20,400

make out what they are but you must go

186

00:08:24,550 --> 00:08:21,680

to amazon.com

187

00:08:26,629 --> 00:08:24,560

and check out jem's books and that's jim

188

00:08:29,749 --> 00:08:26,639

mars mars with two r's in it

189

00:08:30,309 --> 00:08:29,759

and let me give you his website it's jim

190

00:08:34,110 --> 00:08:30,319

mars

191

00:08:37,350 --> 00:08:34,120

with two m's and two r's no spaces.com

192

00:08:40,389 --> 00:08:37,360

jimmars.com so

193

00:08:43,589 --> 00:08:40,399

the topic at hand tonight jim

194

00:08:45,430 --> 00:08:43,599

is so interesting um

195

00:08:46,630 --> 00:08:45,440

the question is of course we've all been

196

00:08:49,350 --> 00:08:46,640

told

197

00:08:51,910 --> 00:08:49,360

ever since the mid to late 40s that

198

00:08:54,870 --> 00:08:51,920

hitler committed suicide in the bunker

199

00:08:55,590 --> 00:08:54,880

on april 30th right before the end of

200

00:08:58,630 --> 00:08:55,600

the war

201
00:09:00,470 --> 00:08:58,640
and um ava braun he and ava braun had

202
00:09:03,509 --> 00:09:00,480
been married very recently

203
00:09:06,470 --> 00:09:03,519
and she was killed he even had his

204
00:09:08,710 --> 00:09:06,480
german shepherd poisoned they shot two

205
00:09:11,110 --> 00:09:08,720
of her dogs in the head

206
00:09:13,670 --> 00:09:11,120
and martin borman and someone else was

207
00:09:15,590 --> 00:09:13,680
seen carrying the corpses out

208
00:09:16,790 --> 00:09:15,600
and they were supposedly burned and then

209
00:09:20,150 --> 00:09:16,800
there's this

210
00:09:21,990 --> 00:09:20,160
alleged skull that the soviets recovered

211
00:09:23,990 --> 00:09:22,000
which later through the years now turns

212
00:09:24,470 --> 00:09:24,000
out to be the skull of a 26 year old

213
00:09:26,470 --> 00:09:24,480

woman

214

00:09:28,470 --> 00:09:26,480

and not hitler's skull at all at least i

215

00:09:30,070 --> 00:09:28,480

hope he wasn't a 26 year old woman and

216

00:09:34,389 --> 00:09:30,080

we just didn't know about it

217

00:09:37,269 --> 00:09:34,399

there's another whole conspiracy oh yeah

218

00:09:39,190 --> 00:09:37,279

and in reading about this i have found

219

00:09:42,630 --> 00:09:39,200

at least six different books

220

00:09:44,630 --> 00:09:42,640

including yours that uh talk about some

221

00:09:45,750 --> 00:09:44,640

of these stories and it's fascinating so

222

00:09:50,230 --> 00:09:45,760

let's just

223

00:09:51,110 --> 00:09:50,240

doubles is that correct oh yeah

224

00:09:53,829 --> 00:09:51,120

absolutely

225

00:09:55,829 --> 00:09:53,839

yes but first let's start off with i

226

00:09:56,790 --> 00:09:55,839

want to paraphrase a quote from winston

227

00:10:00,470 --> 00:09:56,800

churchill

228

00:10:02,630 --> 00:10:00,480

okay uh who who once wrote he said i'm

229

00:10:04,230 --> 00:10:02,640

going to look good in the history books

230

00:10:05,750 --> 00:10:04,240

and he says i know that because i'm

231

00:10:08,470 --> 00:10:05,760

going to write them

232

00:10:10,230 --> 00:10:08,480

and that's true in fact churchill's

233

00:10:12,150 --> 00:10:10,240

history of world war ii is is still

234

00:10:16,150 --> 00:10:12,160

considered perhaps you know

235

00:10:19,030 --> 00:10:16,160

one of the epitomes of of the history

236

00:10:20,230 --> 00:10:19,040

of just prior to and during world war ii

237

00:10:22,630 --> 00:10:20,240

well but then again

238

00:10:24,150 --> 00:10:22,640

as we all have heard uh history is

239

00:10:26,150 --> 00:10:24,160

written by the victors

240

00:10:27,910 --> 00:10:26,160

right so whoever wins gets right to

241

00:10:29,030 --> 00:10:27,920

history and they make it sound any way

242

00:10:31,590 --> 00:10:29,040

they want to

243

00:10:32,389 --> 00:10:31,600

uh you know and so much of what we think

244

00:10:34,550 --> 00:10:32,399

we know

245

00:10:36,389 --> 00:10:34,560

we don't really know uh i've done a lot

246

00:10:36,949 --> 00:10:36,399

of extensive research and i have found

247

00:10:38,949 --> 00:10:36,959

out

248

00:10:40,550 --> 00:10:38,959

that you know we could have a program on

249

00:10:43,269 --> 00:10:40,560

each of these subjects but

250

00:10:44,870 --> 00:10:43,279

i found out that the the the fellow that

251

00:10:47,110 --> 00:10:44,880

was killed outside the

252

00:10:48,230 --> 00:10:47,120

biograph theater in chicago and they

253

00:10:50,230 --> 00:10:48,240

said they had killed

254

00:10:52,550 --> 00:10:50,240

public enemy number one john dillinger

255

00:10:57,030 --> 00:10:52,560

that was not really john dillinger

256

00:10:59,190 --> 00:10:57,040

we all saw the movie of of uh

257

00:11:00,710 --> 00:10:59,200

butch cassidy and the sun dance kid and

258

00:11:02,790 --> 00:11:00,720

of course at the end of it they get

259

00:11:05,190 --> 00:11:02,800

gunned down by the bolivian army

260

00:11:07,110 --> 00:11:05,200

well according to my research they paid

261

00:11:08,630 --> 00:11:07,120

the bolivian army to say they had killed

262

00:11:10,150 --> 00:11:08,640

them and they slipped back in the united

263

00:11:12,949 --> 00:11:10,160

states and went on to live

264

00:11:14,310 --> 00:11:12,959

long lives under other names jesse james

265

00:11:17,910 --> 00:11:14,320

did the same thing

266

00:11:18,470 --> 00:11:17,920

was not booth that was killed in the

267

00:11:21,590 --> 00:11:18,480

barn

268

00:11:23,269 --> 00:11:21,600

in virginia uh he came in fact lived in

269

00:11:25,910 --> 00:11:23,279

texas for a while and ended up

270

00:11:28,630 --> 00:11:25,920

committing suicide in enid oklahoma

271

00:11:30,310 --> 00:11:28,640

in 1909 and then the body was heavily

272

00:11:31,910 --> 00:11:30,320

embalmed

273

00:11:34,470 --> 00:11:31,920

carted around for a few years and in

274

00:11:37,269 --> 00:11:34,480

1931 i had the associated press

275

00:11:38,310 --> 00:11:37,279

clippings that showed that the body was

276

00:11:40,389 --> 00:11:38,320

autopsied

277

00:11:41,590 --> 00:11:40,399

by the cook county coroner's office in

278

00:11:44,150 --> 00:11:41,600

chicago

279

00:11:46,389 --> 00:11:44,160

and the doctor said well history will

280

00:11:47,990 --> 00:11:46,399

have to make up its own mind but

281

00:11:50,470 --> 00:11:48,000

based on eight known physical

282

00:11:51,750 --> 00:11:50,480

abnormalities we say this is the body of

283

00:11:54,710 --> 00:11:51,760

john wilkes booth

284

00:11:55,750 --> 00:11:54,720

so a lot of what we know we don't know

285

00:11:58,230 --> 00:11:55,760

and yes we all

286

00:11:59,110 --> 00:11:58,240

it's all just accepted history that

287

00:12:02,310 --> 00:11:59,120

hitler died

288

00:12:04,550 --> 00:12:02,320

in the bunker okay and yet uh

289

00:12:06,629 --> 00:12:04,560

there is too much information to suggest

290

00:12:09,190 --> 00:12:06,639

that that didn't happen

291

00:12:09,670 --> 00:12:09,200

um and it would have been a simple

292

00:12:13,110 --> 00:12:09,680

matter

293

00:12:14,629 --> 00:12:13,120

for him to simply say okay goodbye folks

294

00:12:17,910 --> 00:12:14,639

i'm going to commit suicide

295

00:12:19,750 --> 00:12:17,920

they'd slip in a a body double uh that

296

00:12:22,150 --> 00:12:19,760

shoots body double in the head

297

00:12:23,670 --> 00:12:22,160

in fact he said he gave orders when he

298

00:12:26,790 --> 00:12:23,680

went back to his private

299

00:12:29,190 --> 00:12:26,800

apartments for nobody to enter until

300

00:12:31,190 --> 00:12:29,200

after 15 minutes after they hear a shot

301
00:12:32,550 --> 00:12:31,200
well 15 minutes that's enough time to do

302
00:12:36,069 --> 00:12:32,560
all kinds of things

303
00:12:38,550 --> 00:12:36,079
so they hear a shot

304
00:12:40,310 --> 00:12:38,560
what a weird request don't come in until

305
00:12:41,190 --> 00:12:40,320
at least 15 minutes after you hear me

306
00:12:43,750 --> 00:12:41,200
kill myself

307
00:12:44,470 --> 00:12:43,760
i know i know only and it gets weirder

308
00:12:46,790 --> 00:12:44,480
because

309
00:12:47,990 --> 00:12:46,800
uh the one i like is ava brown's

310
00:12:51,590 --> 00:12:48,000
brother-in-law

311
00:12:54,949 --> 00:12:51,600
um spike line but

312
00:12:59,190 --> 00:12:54,959
fageline met with uh

313
00:13:02,150 --> 00:12:59,200

an actress friend of his there in berlin

314

00:13:03,829 --> 00:13:02,160

and told her that there was a body

315

00:13:05,430 --> 00:13:03,839

double of hitler

316

00:13:07,829 --> 00:13:05,440

and he said i'm not supposed to know

317

00:13:09,990 --> 00:13:07,839

that if if hitler finds out that i'm

318

00:13:11,110 --> 00:13:10,000

aware of this double he said my life

319

00:13:13,190 --> 00:13:11,120

will be forfeit

320

00:13:15,190 --> 00:13:13,200

and apparently that's why he was killed

321

00:13:18,150 --> 00:13:15,200

because he knew that there was a double

322

00:13:19,829 --> 00:13:18,160

in the bunker so anyway so he says yeah

323

00:13:21,190 --> 00:13:19,839

don't come in for 15 minutes and then

324

00:13:23,110 --> 00:13:21,200

after 15 minutes

325

00:13:25,350 --> 00:13:23,120

uh the first person to go in was martin

326

00:13:26,150 --> 00:13:25,360

borman who there is now abundant

327

00:13:28,710 --> 00:13:26,160

evidence

328

00:13:29,829 --> 00:13:28,720

to show that he actually escaped went to

329

00:13:32,949 --> 00:13:29,839

south america

330

00:13:36,069 --> 00:13:32,959

and ran the international nazi

331

00:13:37,190 --> 00:13:36,079

empire that continued in operation for

332

00:13:41,350 --> 00:13:37,200

years and years

333

00:13:43,590 --> 00:13:41,360

and in fact was kind of blended with

334

00:13:45,670 --> 00:13:43,600

the military-industrial complex of the

335

00:13:48,629 --> 00:13:45,680

united states

336

00:13:50,710 --> 00:13:48,639

and he was the first one to go in and

337

00:13:53,910 --> 00:13:50,720

then we have hitler's driver

338

00:13:54,790 --> 00:13:53,920

and and some other people who went in

339

00:13:58,150 --> 00:13:54,800

and by this time

340

00:14:01,910 --> 00:13:58,160

all they saw was a body wrapped in a

341

00:14:02,629 --> 00:14:01,920

blanket or a rug and of a man and a body

342

00:14:05,030 --> 00:14:02,639

of a woman

343

00:14:05,829 --> 00:14:05,040

also wrapped up and they carried them up

344

00:14:08,230 --> 00:14:05,839

and put them

345

00:14:09,509 --> 00:14:08,240

out in the garden and set them on fire

346

00:14:12,310 --> 00:14:09,519

and burned the bodies

347

00:14:13,430 --> 00:14:12,320

okay but see so the people who have been

348

00:14:15,430 --> 00:14:13,440

were in the bunker

349

00:14:17,350 --> 00:14:15,440

who see hitler they see him go into his

350

00:14:19,590 --> 00:14:17,360

apartment he says farewell

351
00:14:21,350 --> 00:14:19,600
they hear the shot they are called in to

352
00:14:22,710 --> 00:14:21,360
pick up the body of a man and woman

353
00:14:25,509 --> 00:14:22,720
carried out to the

354
00:14:26,150 --> 00:14:25,519
to the courtyard of the chancery there

355
00:14:29,269 --> 00:14:26,160
and

356
00:14:30,310 --> 00:14:29,279
help dispose of this body they probably

357
00:14:32,389 --> 00:14:30,320
in all honesty

358
00:14:34,069 --> 00:14:32,399
thought they were there and witnessed

359
00:14:35,670 --> 00:14:34,079
the death of adolf hitler

360
00:14:37,189 --> 00:14:35,680
but it would have been no problem

361
00:14:39,829 --> 00:14:37,199
whatsoever to simply

362
00:14:40,550 --> 00:14:39,839
kill the double leave and leave the body

363
00:14:43,590 --> 00:14:40,560

there

364

00:14:46,710 --> 00:14:43,600
of both the double and a double for

365

00:14:48,790 --> 00:14:46,720
for ava brown and then slip out

366

00:14:49,910 --> 00:14:48,800
there wasn't a back exit to his

367

00:14:51,750 --> 00:14:49,920
apartments

368

00:14:53,670 --> 00:14:51,760
which then could take them up and then

369

00:14:55,750 --> 00:14:53,680
there's some fairly detailed

370

00:14:56,870 --> 00:14:55,760
uh descriptions of how they could have

371

00:15:01,590 --> 00:14:56,880
made their way

372

00:15:04,310 --> 00:15:01,600
uh to the river where there was a a

373

00:15:05,430 --> 00:15:04,320
airplane with floats which had landed

374

00:15:07,829 --> 00:15:05,440
there the night before

375

00:15:08,870 --> 00:15:07,839
so it was entirely possible to land and

376

00:15:12,069 --> 00:15:08,880

take off

377

00:15:13,829 --> 00:15:12,079

and then this is where that was all

378

00:15:17,189 --> 00:15:13,839

covered in my book the

379

00:15:18,470 --> 00:15:17,199

rise of the force reich but another book

380

00:15:21,910 --> 00:15:18,480

that i'm particularly

381

00:15:23,910 --> 00:15:21,920

impressed with is one by the author

382

00:15:27,030 --> 00:15:23,920

simon dunstan and

383

00:15:29,910 --> 00:15:27,040

gerhard williams called gray wolf

384

00:15:30,710 --> 00:15:29,920

the escape of adolf hitler and it is a

385

00:15:34,910 --> 00:15:30,720

new book

386

00:15:38,150 --> 00:15:34,920

uh it was published in uh

387

00:15:41,590 --> 00:15:38,160

2011 and um

388

00:15:42,710 --> 00:15:41,600

dunstan is a author filmmaker and

389

00:15:44,949 --> 00:15:42,720

photographer

390

00:15:45,910 --> 00:15:44,959

and has written 50 books as well as

391

00:15:47,910 --> 00:15:45,920

written and directed

392

00:15:49,509 --> 00:15:47,920

documentaries for the history channel

393

00:15:52,629 --> 00:15:49,519

which is pretty conventional

394

00:15:53,269 --> 00:15:52,639

and pretty stayed and demands pretty

395

00:15:55,590 --> 00:15:53,279

high

396

00:15:56,550 --> 00:15:55,600

level of credibility and then garrard

397

00:15:59,110 --> 00:15:56,560

williams

398

00:16:01,189 --> 00:15:59,120

is a television journalist and for more

399

00:16:03,749 --> 00:16:01,199

than 30 years and he's worked for bbc

400

00:16:05,269 --> 00:16:03,759

sky news and reuters so to me these are

401

00:16:07,030 --> 00:16:05,279

pretty credible guys

402

00:16:08,870 --> 00:16:07,040

and they have interviewed people and

403

00:16:11,350 --> 00:16:08,880

they have tracked hitler's movements

404

00:16:12,470 --> 00:16:11,360

by airplane and then by submarine to

405

00:16:16,470 --> 00:16:12,480

argentina

406

00:16:19,829 --> 00:16:16,480

where uh millions of dollars worth of

407

00:16:22,710 --> 00:16:19,839

gold silver and currency were placed in

408

00:16:25,749 --> 00:16:22,720

the hands of juan peron

409

00:16:29,670 --> 00:16:25,759

and his wife evita

410

00:16:33,350 --> 00:16:29,680

so they sheltered hitler there

411

00:16:37,430 --> 00:16:33,360

and he ended up living out his days

412

00:16:37,749 --> 00:16:37,440

in uh on a small lake and a village

413

00:16:41,990 --> 00:16:37,759

there

414

00:16:45,189 --> 00:16:42,000

near the border of argentina and chile

415

00:16:47,350 --> 00:16:45,199

called said carlos de boellachi

416

00:16:48,230 --> 00:16:47,360

okay and they interviewed people who

417

00:16:50,949 --> 00:16:48,240

were there and who

418

00:16:53,110 --> 00:16:50,959

served served food and who served

419

00:16:55,509 --> 00:16:53,120

maintain the grounds and like that

420

00:16:56,550 --> 00:16:55,519

and apparently it was kind of an open

421

00:16:58,629 --> 00:16:56,560

secret

422

00:17:00,310 --> 00:16:58,639

you know that the people who were there

423

00:17:01,990 --> 00:17:00,320

because there had been such a heavy

424

00:17:04,870 --> 00:17:02,000

german presence

425

00:17:06,470 --> 00:17:04,880

in that part of argentina and including

426

00:17:10,390 --> 00:17:06,480

people with lots of money and

427

00:17:14,309 --> 00:17:10,400

and where with all and they were able to

428

00:17:16,069 --> 00:17:14,319

shield hitler but uh i will say this it

429

00:17:19,510 --> 00:17:16,079

doesn't sound like he

430

00:17:22,630 --> 00:17:19,520

had much of a life he uh he was

431

00:17:23,909 --> 00:17:22,640

ill and getting worse because of the the

432

00:17:25,750 --> 00:17:23,919

bad

433

00:17:27,189 --> 00:17:25,760

medicine that he'd been given by dr

434

00:17:30,710 --> 00:17:27,199

morale and

435

00:17:31,990 --> 00:17:30,720

uh his uh and because of the damage that

436

00:17:35,510 --> 00:17:32,000

he suffered in the bomb

437

00:17:38,150 --> 00:17:35,520

attack of july the 20th 1944

438

00:17:38,549 --> 00:17:38,160

and uh which was has now been shown at

439

00:17:46,789 --> 00:17:38,559

uh

440

00:17:48,310 --> 00:17:46,799

secluded he's cut off

441

00:17:50,470 --> 00:17:48,320

from the world he can't really do

442

00:17:52,310 --> 00:17:50,480

anything and so it's uh

443

00:17:54,230 --> 00:17:52,320

there towards the end his life was to

444

00:17:56,070 --> 00:17:54,240

sleep late get up

445

00:17:57,510 --> 00:17:56,080

eat a little meager breakfast take a

446

00:18:00,630 --> 00:17:57,520

walk sit around

447

00:18:02,630 --> 00:18:00,640

rant a little bit maybe and then

448

00:18:04,070 --> 00:18:02,640

eat again go to bed it does it doesn't

449

00:18:07,110 --> 00:18:04,080

sound like a very

450

00:18:09,590 --> 00:18:07,120

exciting existence in fact according to

451
00:18:11,029 --> 00:18:09,600
their work ava brown got fed up with the

452
00:18:14,390 --> 00:18:11,039
whole thing and finally like

453
00:18:16,630 --> 00:18:14,400
left him after uh delivering a baby girl

454
00:18:18,549 --> 00:18:16,640
oh so they had a child so they had a

455
00:18:21,350 --> 00:18:18,559
child apparently

456
00:18:22,870 --> 00:18:21,360
according to these guys uh-huh and it's

457
00:18:25,990 --> 00:18:22,880
just kind of funny because

458
00:18:29,909 --> 00:18:26,000
they claimed that she gave birth to a

459
00:18:30,789 --> 00:18:29,919
little girl and there are conspiracy

460
00:18:34,070 --> 00:18:30,799
theories

461
00:18:37,430 --> 00:18:34,080
that claim that uh that uh

462
00:18:40,070 --> 00:18:37,440
merkel of germany uh president merkel

463
00:18:40,870 --> 00:18:40,080

is actually the illegitimate daughter of

464

00:18:43,590 --> 00:18:40,880

hitler

465

00:18:45,270 --> 00:18:43,600

oh which i had heard a long time ago and

466

00:18:47,029 --> 00:18:45,280

just kind of laughed that one off

467

00:18:48,870 --> 00:18:47,039

but now i go well wait a minute if you

468

00:18:50,710 --> 00:18:48,880

had a little girl i don't know we'd have

469

00:18:52,070 --> 00:18:50,720

to go back and find out when merkel was

470

00:18:54,630 --> 00:18:52,080

born

471

00:18:56,630 --> 00:18:54,640

i may look on that right now yeah stay

472

00:18:58,150 --> 00:18:56,640

tuned folks uh jim might do a little

473

00:18:59,350 --> 00:18:58,160

online research while we're on here

474

00:19:02,950 --> 00:18:59,360

talking

475

00:19:05,510 --> 00:19:02,960

um the um soviets

476
00:19:07,750 --> 00:19:05,520
i i had done some reading about all of

477
00:19:08,070 --> 00:19:07,760
these discrepancies and their claims

478
00:19:20,230 --> 00:19:08,080
they

479
00:19:21,990 --> 00:19:20,240
earlier

480
00:19:23,510 --> 00:19:22,000
it turns out that the only skull that

481
00:19:25,830 --> 00:19:23,520
they produce that they said was supposed

482
00:19:26,630 --> 00:19:25,840
to be his is supposedly a 26 year old

483
00:19:28,470 --> 00:19:26,640
woman

484
00:19:31,029 --> 00:19:28,480
what's what's the deal with all of the

485
00:19:32,950 --> 00:19:31,039
discrepancies in the soviet account

486
00:19:34,710 --> 00:19:32,960
of of the remains of these two people

487
00:19:37,990 --> 00:19:34,720
that they claim to have found as they

488
00:19:39,750 --> 00:19:38,000

marched into the bunker well

489

00:19:41,590 --> 00:19:39,760

at the end of the war number one needs

490

00:19:42,630 --> 00:19:41,600

to say there was a tremendous amount of

491

00:19:46,470 --> 00:19:42,640

confusion

492

00:19:46,950 --> 00:19:46,480

uh there were dps nobody remembers dps

493

00:19:50,390 --> 00:19:46,960

that's

494

00:19:52,070 --> 00:19:50,400

displaced persons there's lots of dps

495

00:19:54,310 --> 00:19:52,080

wandering all over europe

496

00:19:55,909 --> 00:19:54,320

uh nazis were running for the rat lines

497

00:19:57,750 --> 00:19:55,919

they were trying to get out

498

00:19:59,909 --> 00:19:57,760

uh the germans were scrambling just

499

00:20:01,750 --> 00:19:59,919

trying to get a piece of bread

500

00:20:03,750 --> 00:20:01,760

the russians were piling in from the

501
00:20:05,830 --> 00:20:03,760
east and the allies the british and the

502
00:20:07,190 --> 00:20:05,840
french and the americans were piling in

503
00:20:09,590 --> 00:20:07,200
from the west

504
00:20:12,310 --> 00:20:09,600
it was total chaos and on top of all of

505
00:20:15,029 --> 00:20:12,320
that the russians had

506
00:20:15,750 --> 00:20:15,039
units of men's troops that were in there

507
00:20:18,789 --> 00:20:15,760
seriously

508
00:20:19,510 --> 00:20:18,799
and looking for rockets rocket

509
00:20:22,070 --> 00:20:19,520
scientists

510
00:20:23,190 --> 00:20:22,080
rocket technology uh mind control

511
00:20:27,909 --> 00:20:23,200
technology

512
00:20:30,149 --> 00:20:27,919
we did too we had

513
00:20:31,590 --> 00:20:30,159

we had units going in there specifically

514

00:20:34,630 --> 00:20:31,600

looking for this stuff

515

00:20:37,669 --> 00:20:34,640

and so it was it was quite chaotic

516

00:20:40,070 --> 00:20:37,679

and so um nobody wanted

517

00:20:41,590 --> 00:20:40,080

and everybody was war weary nobody

518

00:20:43,909 --> 00:20:41,600

wanted everybody was so

519

00:20:44,870 --> 00:20:43,919

happy that the war was over that was it

520

00:20:46,630 --> 00:20:44,880

i mean even

521

00:20:48,390 --> 00:20:46,640

even many of the germans even though

522

00:20:49,990 --> 00:20:48,400

they lost at least they were glad the

523

00:20:53,029 --> 00:20:50,000

shooting was over with

524

00:20:54,870 --> 00:20:53,039

and uh nobody wanted the thing to go on

525

00:20:56,630 --> 00:20:54,880

so every little rumor that hitler was

526

00:20:59,029 --> 00:20:56,640

dead was seized upon and

527

00:21:00,710 --> 00:20:59,039

as truth and presented and blown all

528

00:21:04,070 --> 00:21:00,720

over the place

529

00:21:05,510 --> 00:21:04,080

and so uh even after even into the 50s

530

00:21:08,149 --> 00:21:05,520

and 60s when

531

00:21:09,270 --> 00:21:08,159

some of these um bits of information

532

00:21:11,669 --> 00:21:09,280

were leaking out of

533

00:21:13,669 --> 00:21:11,679

argentina and perhaps other places

534

00:21:15,750 --> 00:21:13,679

saying hey we think hitler lived

535

00:21:17,350 --> 00:21:15,760

you know there was never anything

536

00:21:19,270 --> 00:21:17,360

hardcore you couldn't put your

537

00:21:20,630 --> 00:21:19,280

finger on it you couldn't there wasn't

538

00:21:22,310 --> 00:21:20,640

wasn't a picture of him

539

00:21:24,710 --> 00:21:22,320

and the one people because he was

540

00:21:27,190 --> 00:21:24,720

protected by pro nazis

541

00:21:27,750 --> 00:21:27,200

yeah so and so nobody there was nobody

542

00:21:29,830 --> 00:21:27,760

to say

543

00:21:30,789 --> 00:21:29,840

hey it's him there he is i got a picture

544

00:21:32,310 --> 00:21:30,799

of him you know

545

00:21:33,909 --> 00:21:32,320

and even though these reports were

546

00:21:37,350 --> 00:21:33,919

pouring into the fbi

547

00:21:37,909 --> 00:21:37,360

the cia uh nobody really wanted to deal

548

00:21:40,070 --> 00:21:37,919

with that

549

00:21:41,830 --> 00:21:40,080

so they just said well it's unconfirmed

550

00:21:44,710 --> 00:21:41,840

and they let it go and they let his

551
00:21:46,070 --> 00:21:44,720
hitler history just to go right on

552
00:21:47,590 --> 00:21:46,080
saying that he'd been killed in the

553
00:21:49,270 --> 00:21:47,600
bunker

554
00:21:51,430 --> 00:21:49,280
i wondered about this for years and

555
00:21:53,590 --> 00:21:51,440
years and years because i've had a uh

556
00:21:54,789 --> 00:21:53,600
a fascination and interest in the third

557
00:21:56,630 --> 00:21:54,799
reich

558
00:21:58,230 --> 00:21:56,640
well just for many many years and i've

559
00:21:59,190 --> 00:21:58,240
heard these stories and i've tried to

560
00:22:01,190 --> 00:21:59,200
track them and

561
00:22:03,110 --> 00:22:01,200
and sometimes your tracks back to the

562
00:22:04,070 --> 00:22:03,120
police gazette which was you know kind

563
00:22:05,990 --> 00:22:04,080

of a

564

00:22:07,830 --> 00:22:06,000

supermarket tabloid type and the

565

00:22:09,510 --> 00:22:07,840

tabloids have always had a heyday with

566

00:22:10,310 --> 00:22:09,520

that you know hitler's always seen

567

00:22:12,789 --> 00:22:10,320

somewhere

568

00:22:14,149 --> 00:22:12,799

you know he's not in argentina you know

569

00:22:16,070 --> 00:22:14,159

he's he's seen in

570

00:22:17,350 --> 00:22:16,080

arizona or if he's not there he's at

571

00:22:19,909 --> 00:22:17,360

woodstock you know

572

00:22:20,870 --> 00:22:19,919

so i mean he's always a hitler sighting

573

00:22:23,029 --> 00:22:20,880

somewhere

574

00:22:24,870 --> 00:22:23,039

and and of course what better way to

575

00:22:25,350 --> 00:22:24,880

obscure the truth than to just have a

576
00:22:28,310 --> 00:22:25,360
lot of

577
00:22:30,070 --> 00:22:28,320
flack out there you know to oh yeah

578
00:22:32,630 --> 00:22:30,080
catch people's attention

579
00:22:33,830 --> 00:22:32,640
so and that but as you pointed out they

580
00:22:36,070 --> 00:22:33,840
said well we've got his

581
00:22:37,590 --> 00:22:36,080
skeleton here and we've got a we've got

582
00:22:39,909 --> 00:22:37,600
a skull and we've got the

583
00:22:41,590 --> 00:22:39,919
teeth and we got all this and yet all of

584
00:22:42,789 --> 00:22:41,600
that can be called into question when

585
00:22:45,669 --> 00:22:42,799
you really begin to

586
00:22:46,950 --> 00:22:45,679
peel back the layers of propaganda and

587
00:22:49,990 --> 00:22:46,960
assumptions and

588
00:22:52,789 --> 00:22:50,000

and just flat sometimes lies

589

00:22:53,990 --> 00:22:52,799

um i want to ask you something jim

590

00:22:55,830 --> 00:22:54,000

somewhere i read

591

00:22:57,590 --> 00:22:55,840

i can't remember which one of the the

592

00:22:58,870 --> 00:22:57,600

pieces i read i did a lot of reading on

593

00:23:02,070 --> 00:22:58,880

the internet the last

594

00:23:02,870 --> 00:23:02,080

week or so martin borman uh someone's

595

00:23:06,310 --> 00:23:02,880

claiming that

596

00:23:09,590 --> 00:23:06,320

borman drugged the two of them

597

00:23:11,590 --> 00:23:09,600

and got them out uh and then there's

598

00:23:13,430 --> 00:23:11,600

accounts of them either going overland

599

00:23:16,549 --> 00:23:13,440

through the alps or as you said

600

00:23:19,029 --> 00:23:16,559

getting to uh is it the river hovel

601
00:23:21,029 --> 00:23:19,039
and flying to i guess spain where they

602
00:23:22,149 --> 00:23:21,039
got on a u-boat or something and made it

603
00:23:24,710 --> 00:23:22,159
over to argentina

604
00:23:27,830 --> 00:23:24,720
but do you think borman had a role did

605
00:23:30,630 --> 00:23:27,840
he drug them or was he just helping them

606
00:23:32,149 --> 00:23:30,640
well that's a good question uh for my

607
00:23:34,549 --> 00:23:32,159
money i think i think

608
00:23:36,549 --> 00:23:34,559
boarman was pretty much in charge he had

609
00:23:38,549 --> 00:23:36,559
managed to make himself chief of staff

610
00:23:39,830 --> 00:23:38,559
to hitler nobody saw hitler except they

611
00:23:42,950 --> 00:23:39,840
went through borman

612
00:23:45,510 --> 00:23:42,960
uh he began to uh uh to

613
00:23:46,549 --> 00:23:45,520

separate some of the other nazi leaders

614

00:23:49,430 --> 00:23:46,559

from hitler

615

00:23:50,070 --> 00:23:49,440

um and then and then like when herman

616

00:23:53,269 --> 00:23:50,080

goering

617

00:23:55,190 --> 00:23:53,279

tried to say well shall i uh uh you know

618

00:23:56,070 --> 00:23:55,200

try to conclude some sort of peace with

619

00:23:58,310 --> 00:23:56,080

the allies

620

00:23:59,350 --> 00:23:58,320

uh it was borman who convinced hitler

621

00:24:01,269 --> 00:23:59,360

that that uh

622

00:24:02,390 --> 00:24:01,279

guering had turned on him and become a

623

00:24:04,230 --> 00:24:02,400

traitor and they

624

00:24:05,909 --> 00:24:04,240

you know he ordered him to be put to

625

00:24:08,870 --> 00:24:05,919

death and of course he ended up

626
00:24:11,750 --> 00:24:08,880
committing suicide in allied hands but

627
00:24:13,510 --> 00:24:11,760
so and so borman was definitely the guy

628
00:24:16,070 --> 00:24:13,520
in charge in fact

629
00:24:17,990 --> 00:24:16,080
actually it's even broader than that in

630
00:24:21,190 --> 00:24:18,000
august of 1944

631
00:24:21,430 --> 00:24:21,200
after the allies had broken out uh from

632
00:24:24,470 --> 00:24:21,440
st

633
00:24:26,630 --> 00:24:24,480
lowe uh of the normandy beachhead

634
00:24:27,990 --> 00:24:26,640
uh it became quite obvious that the

635
00:24:30,149 --> 00:24:28,000
germans were not going to be able to

636
00:24:31,590 --> 00:24:30,159
push the allies back into the sea

637
00:24:34,070 --> 00:24:31,600
and that they were on the continent to

638
00:24:35,830 --> 00:24:34,080

stay so it was just a matter of time

639

00:24:38,710 --> 00:24:35,840

before they would be able to

640

00:24:39,190 --> 00:24:38,720

defeat germany so in august of 44 there

641

00:24:42,149 --> 00:24:39,200

was a

642

00:24:45,350 --> 00:24:42,159

big meeting between borman and the head

643

00:24:48,310 --> 00:24:45,360

of the german central bank

644

00:24:50,549 --> 00:24:48,320

and the head of the ig farbin chemical

645

00:24:52,230 --> 00:24:50,559

and pharmaceutical combat

646

00:24:53,909 --> 00:24:52,240

these were probably the three most

647

00:24:56,390 --> 00:24:53,919

powerful

648

00:24:58,830 --> 00:24:56,400

men in germany at that time and they

649

00:25:02,470 --> 00:24:58,840

activated

650

00:25:05,669 --> 00:25:02,480

uh action adler fluke

651
00:25:06,870 --> 00:25:05,679
which is operation eagle flight and it

652
00:25:10,549 --> 00:25:06,880
was the flight of

653
00:25:14,149 --> 00:25:10,559
capital scientists technicians licenses

654
00:25:14,710 --> 00:25:14,159
uh cut patents copyrights gold silver

655
00:25:17,029 --> 00:25:14,720
jewels

656
00:25:18,630 --> 00:25:17,039
anything worth anything they were taking

657
00:25:22,470 --> 00:25:18,640
it out of germany

658
00:25:24,470 --> 00:25:22,480
in fact they created 750 corporations

659
00:25:26,149 --> 00:25:24,480
all around the world usually headed by

660
00:25:28,470 --> 00:25:26,159
some foreign national

661
00:25:29,590 --> 00:25:28,480
for example you go to paraguay you set

662
00:25:32,470 --> 00:25:29,600
up a big corporation

663
00:25:33,830 --> 00:25:32,480

you put some uh fella from paraguay in

664

00:25:35,830 --> 00:25:33,840

as a figurehead

665

00:25:37,669 --> 00:25:35,840

uh of it so that on the paperwork it

666

00:25:39,909 --> 00:25:37,679

looks like a paradigm

667

00:25:41,269 --> 00:25:39,919

uh company but actually it's funded and

668

00:25:44,149 --> 00:25:41,279

run by the nazis

669

00:25:46,470 --> 00:25:44,159

750 of these corporations were created

670

00:25:48,549 --> 00:25:46,480

and that's in addition to the

671

00:25:50,710 --> 00:25:48,559

five or 600 corporations that were

672

00:25:52,390 --> 00:25:50,720

already nazi controlled

673

00:25:54,470 --> 00:25:52,400

not to mention the fact that a lot of

674

00:25:55,990 --> 00:25:54,480

the major uh british and american

675

00:25:59,990 --> 00:25:56,000

corporations such as

676

00:26:03,990 --> 00:26:00,000

ibm ford motor company

677

00:26:07,190 --> 00:26:04,000

the standard oil of new jersey itnt

678

00:26:09,269 --> 00:26:07,200

ibm they were had all done business and

679

00:26:12,390 --> 00:26:09,279

were interconnected with

680

00:26:14,789 --> 00:26:12,400

with nazi germany in fact ibm

681

00:26:16,710 --> 00:26:14,799

although they did close down their uh

682

00:26:17,909 --> 00:26:16,720

german their german operation they

683

00:26:21,750 --> 00:26:17,919

continued to

684

00:26:23,669 --> 00:26:21,760

to feed the third reich with

685

00:26:25,110 --> 00:26:23,679

computers and computer technology and

686

00:26:28,149 --> 00:26:25,120

punch cards through

687

00:26:29,830 --> 00:26:28,159

a subsidiary of theirs in poland which

688

00:26:32,870 --> 00:26:29,840

went straight to the nazis

689

00:26:34,710 --> 00:26:32,880

so even these major u.s and

690

00:26:36,630 --> 00:26:34,720

british corporations were still working

691

00:26:38,549 --> 00:26:36,640

with the nazis

692

00:26:41,350 --> 00:26:38,559

it's been well documented that as late

693

00:26:44,870 --> 00:26:41,360

as early 1945 with the war

694

00:26:47,590 --> 00:26:44,880

almost over uh standard oil uh

695

00:26:48,390 --> 00:26:47,600

tankers were still refueling german

696

00:26:50,870 --> 00:26:48,400

u-boats

697

00:26:52,870 --> 00:26:50,880

in the caribbean and of course these

698

00:26:54,870 --> 00:26:52,880

people are so big so powerful

699

00:26:56,470 --> 00:26:54,880

they're the wealthy elite and they never

700

00:26:59,029 --> 00:26:56,480

get prosecuted for

701
00:27:00,630 --> 00:26:59,039
trading with the enemy except there is

702
00:27:01,590 --> 00:27:00,640
an exception which is kind of

703
00:27:05,269 --> 00:27:01,600
interesting

704
00:27:08,549 --> 00:27:05,279
in the late fall of 1942

705
00:27:10,470 --> 00:27:08,559
a director of union banking corporation

706
00:27:11,750 --> 00:27:10,480
was prosecuted under the trading with

707
00:27:13,669 --> 00:27:11,760
the enemies act

708
00:27:15,590 --> 00:27:13,679
for being nothing but a financial front

709
00:27:18,870 --> 00:27:15,600
man for hitler and the nazis

710
00:27:21,909 --> 00:27:18,880
uh he was funneling loans and and

711
00:27:25,510 --> 00:27:21,919
and money uh to nazi germany

712
00:27:28,630 --> 00:27:25,520
and this was prescott bush

713
00:27:31,110 --> 00:27:28,640

the uh another texan no no no

714

00:27:32,549 --> 00:27:31,120

sorry no no no but he was he was the

715

00:27:34,630 --> 00:27:32,559

grandfather of george w

716

00:27:35,590 --> 00:27:34,640

bush and the father of george herbert

717

00:27:38,789 --> 00:27:35,600

walker bush

718

00:27:40,389 --> 00:27:38,799

and that and laura that's another thing

719

00:27:40,950 --> 00:27:40,399

that really hurts me is everybody thinks

720

00:27:44,630 --> 00:27:40,960

oh the

721

00:27:46,070 --> 00:27:44,640

people you know well yeah they

722

00:27:47,750 --> 00:27:46,080

they came down here and got in the oil

723

00:27:50,310 --> 00:27:47,760

business with their money but

724

00:27:51,590 --> 00:27:50,320

no they're yankee carpet baggers from

725

00:27:54,230 --> 00:27:51,600

connecticut

726

00:27:55,029 --> 00:27:54,240

all right in fact uh prescott bush was a

727

00:27:59,990 --> 00:27:55,039

senator

728

00:28:02,710 --> 00:28:00,000

create the central intelligence agency

729

00:28:04,149 --> 00:28:02,720

from connecticut but he finally lost his

730

00:28:05,830 --> 00:28:04,159

this office because

731

00:28:07,830 --> 00:28:05,840

people finally figured out that he was a

732

00:28:09,590 --> 00:28:07,840

nazi sympathizer

733

00:28:11,110 --> 00:28:09,600

but now what's really fascinating is

734

00:28:13,029 --> 00:28:11,120

when i found that out i thought

735

00:28:14,950 --> 00:28:13,039

gee i wonder how this is about the time

736

00:28:16,630 --> 00:28:14,960

when george herbert walker bush

737

00:28:18,549 --> 00:28:16,640

was president and i thought well how

738

00:28:21,510 --> 00:28:18,559

come people aren't aware

739

00:28:23,669 --> 00:28:21,520

of this nazi background you know and how

740

00:28:25,590 --> 00:28:23,679

come nothing more was done to prescott

741

00:28:26,710 --> 00:28:25,600

bush other than just stripping of his

742

00:28:30,630 --> 00:28:26,720

holdings

743

00:28:33,430 --> 00:28:30,640

in union banking corporation and the

744

00:28:35,430 --> 00:28:33,440

uh hamburg america steamship line which

745

00:28:36,950 --> 00:28:35,440

was has been well documented as being

746

00:28:40,149 --> 00:28:36,960

the chief conduit

747

00:28:42,950 --> 00:28:40,159

of saboteurs and nazi propaganda coming

748

00:28:47,430 --> 00:28:42,960

in from germany during the war

749

00:28:50,789 --> 00:28:47,440

and i found out thanks to a website

750

00:28:52,710 --> 00:28:50,799

that they were praised they had asked

751
00:28:54,149 --> 00:28:52,720
his son george herbert walker bush to

752
00:28:57,669 --> 00:28:54,159
come and officiate

753
00:29:00,870 --> 00:28:57,679
and make a talk on the anniversary of

754
00:29:03,430 --> 00:29:00,880
prescott bush's founding of the

755
00:29:05,510 --> 00:29:03,440
united service organization in the

756
00:29:07,830 --> 00:29:05,520
summer of 1942

757
00:29:09,909 --> 00:29:07,840
when i'm sure he must have been aware

758
00:29:10,710 --> 00:29:09,919
that they were investigating his nazi

759
00:29:13,669 --> 00:29:10,720
ties

760
00:29:16,070 --> 00:29:13,679
so he wasn't stupid he goes and helps

761
00:29:17,110 --> 00:29:16,080
create the united service organization

762
00:29:19,990 --> 00:29:17,120
well the uso

763
00:29:21,110 --> 00:29:20,000

of course was huge during world war ii

764

00:29:23,830 --> 00:29:21,120

right there's ufo

765

00:29:25,430 --> 00:29:23,840

uso canteens everywhere and i gotta

766

00:29:26,070 --> 00:29:25,440

admit they were still operating during

767

00:29:28,630 --> 00:29:26,080

vietnam

768

00:29:29,190 --> 00:29:28,640

which was my war and everybody in the

769

00:29:31,190 --> 00:29:29,200

military

770

00:29:32,870 --> 00:29:31,200

loved the uso that's where you go you

771

00:29:33,909 --> 00:29:32,880

get to meet girls you get to have free

772

00:29:36,149 --> 00:29:33,919

coffee and

773

00:29:37,510 --> 00:29:36,159

donuts and get a little taste of home

774

00:29:38,630 --> 00:29:37,520

and it's great it's a wonderful

775

00:29:42,310 --> 00:29:38,640

organization

776

00:29:44,149 --> 00:29:42,320

not to yeah bob hope and all the actors

777

00:29:46,710 --> 00:29:44,159

would go and present things there

778

00:29:48,549 --> 00:29:46,720

had the hollywood canteen you know with

779

00:29:51,510 --> 00:29:48,559

hollywood stars would come and rub

780

00:29:53,269 --> 00:29:51,520

elbows with the service people and it

781

00:29:54,149 --> 00:29:53,279

was great wonderful organization well it

782

00:29:56,310 --> 00:29:54,159

was

783

00:29:58,310 --> 00:29:56,320

they helped created by prescott bush

784

00:30:00,389 --> 00:29:58,320

this nazi sympathizer

785

00:30:03,190 --> 00:30:00,399

so you can imagine in the middle of

786

00:30:06,630 --> 00:30:03,200

world war ii they could not afford to

787

00:30:08,149 --> 00:30:06,640

let the public know plainly that the guy

788

00:30:10,710 --> 00:30:08,159

who founded the uso

789

00:30:12,789 --> 00:30:10,720

was a nazi supporter that would have

790

00:30:13,510 --> 00:30:12,799

been a propoganda disaster during the

791

00:30:15,669 --> 00:30:13,520

war so

792

00:30:17,590 --> 00:30:15,679

they just stripped him of his holdings

793

00:30:20,070 --> 00:30:17,600

and fined him a few million dollars

794

00:30:23,350 --> 00:30:20,080

which was probably pocket change to him

795

00:30:23,909 --> 00:30:23,360

and everybody just went on and uh his

796

00:30:27,510 --> 00:30:23,919

son

797

00:30:29,190 --> 00:30:27,520

uh george herbert walker bush um

798

00:30:31,190 --> 00:30:29,200

you know finally left connecticut they

799

00:30:32,230 --> 00:30:31,200

came down to texas bought into the oil

800

00:30:34,230 --> 00:30:32,240

industry and then

801
00:30:36,070 --> 00:30:34,240
hey i don't have to tell you the rest i

802
00:30:38,310 --> 00:30:36,080
became presidents of the united

803
00:30:39,669 --> 00:30:38,320
states right and they pushed their

804
00:30:42,389 --> 00:30:39,679
neocon

805
00:30:43,990 --> 00:30:42,399
agenda which stands for neo-conservative

806
00:30:47,430 --> 00:30:44,000
which was a prettied up

807
00:30:49,350 --> 00:30:47,440
term for national socialism yeah

808
00:30:51,269 --> 00:30:49,360
and isn't that an interesting little

809
00:30:53,990 --> 00:30:51,279
tidbit

810
00:30:56,710 --> 00:30:54,000
very interesting and of course the in

811
00:30:58,070 --> 00:30:56,720
the uh german language the acronym for

812
00:31:02,389 --> 00:30:58,080
national socialism is

813
00:31:05,110 --> 00:31:02,399

nazi nazi so they were a bunch of nazis

814

00:31:05,590 --> 00:31:05,120

and and and you're kind of bordering on

815

00:31:08,310 --> 00:31:05,600

uh the

816

00:31:09,110 --> 00:31:08,320

the topic of the illuminati here too oh

817

00:31:12,630 --> 00:31:09,120

yeah

818

00:31:15,029 --> 00:31:12,640

on and and i'm sure

819

00:31:16,549 --> 00:31:15,039

hitler was was being kept up with some

820

00:31:18,549 --> 00:31:16,559

of this but see he

821

00:31:20,630 --> 00:31:18,559

by the time the war was over he was not

822

00:31:23,350 --> 00:31:20,640

in charge it was martin borman

823

00:31:24,710 --> 00:31:23,360

and uh hendrick mueller who had headed

824

00:31:27,990 --> 00:31:24,720

the gestapo

825

00:31:28,870 --> 00:31:28,000

um it's interesting uh my literary agent

826
00:31:30,789 --> 00:31:28,880
in new york

827
00:31:31,990 --> 00:31:30,799
was very good friends with paul manning

828
00:31:34,950 --> 00:31:32,000
who was a

829
00:31:36,149 --> 00:31:34,960
a new york times reporter who wrote a

830
00:31:39,110 --> 00:31:36,159
incredible book

831
00:31:40,710 --> 00:31:39,120
called martin barman nazi in exile and

832
00:31:41,830 --> 00:31:40,720
he tracked borman all the way to

833
00:31:44,149 --> 00:31:41,840
argentina

834
00:31:44,870 --> 00:31:44,159
he tracked all these business deals that

835
00:31:48,630 --> 00:31:44,880
were

836
00:31:52,149 --> 00:31:48,640
up an

837
00:31:53,190 --> 00:31:52,159
interview with uh barman down in south

838
00:31:56,230 --> 00:31:53,200

america

839

00:31:59,669 --> 00:31:56,240

back i think in the

840

00:32:02,710 --> 00:31:59,679

early 70s and

841

00:32:04,950 --> 00:32:02,720

in fact he flew down there and was uh in

842

00:32:06,950 --> 00:32:04,960

argentina and was set to meet with

843

00:32:08,389 --> 00:32:06,960

borman because apparently barman was

844

00:32:10,950 --> 00:32:08,399

somewhat proud

845

00:32:11,909 --> 00:32:10,960

of this huge nazi organization that he

846

00:32:15,350 --> 00:32:11,919

created

847

00:32:18,389 --> 00:32:15,360

uh during and after the war to keep

848

00:32:18,789 --> 00:32:18,399

national socialism on a front burner and

849

00:32:21,430 --> 00:32:18,799

uh

850

00:32:23,669 --> 00:32:21,440

but at the last minute mueller who was

851
00:32:24,230 --> 00:32:23,679
had been head of the nazi gestapo and

852
00:32:26,549 --> 00:32:24,240
who

853
00:32:28,630 --> 00:32:26,559
apparently was in charge of security for

854
00:32:31,350 --> 00:32:28,640
this whole international nazi

855
00:32:33,029 --> 00:32:31,360
group uh put the kibosh on the meeting

856
00:32:34,070 --> 00:32:33,039
and said no we don't want this publicity

857
00:32:35,669 --> 00:32:34,080
this time and

858
00:32:37,190 --> 00:32:35,679
he stopped it but what's really

859
00:32:40,070 --> 00:32:37,200
fascinating is is that

860
00:32:41,350 --> 00:32:40,080
paul manning who is no longer with us uh

861
00:32:43,430 --> 00:32:41,360
told my agent

862
00:32:44,549 --> 00:32:43,440
that while he was there he never did get

863
00:32:48,549 --> 00:32:44,559

to meet hitler

864

00:32:52,070 --> 00:32:48,559

but he did get to meet ava brown oh

865

00:32:53,509 --> 00:32:52,080

in the early 70s interesting so there is

866

00:32:56,310 --> 00:32:53,519

just more and more

867

00:32:57,830 --> 00:32:56,320

evidence very highly suggested very

868

00:33:00,310 --> 00:32:57,840

compelling evidence

869

00:33:01,830 --> 00:33:00,320

that hitler did survive the war as did

870

00:33:03,509 --> 00:33:01,840

ava

871

00:33:05,110 --> 00:33:03,519

let me i want to ask you a question but

872

00:33:07,430 --> 00:33:05,120

before i do let me remind everybody

873

00:33:10,549 --> 00:33:07,440

you're listening to epic voyages radio

874

00:33:13,669 --> 00:33:10,559

on inceptionradionetwork.com and this is

875

00:33:15,830 --> 00:33:13,679

jim mars the indefatigable and he's

876

00:33:18,950 --> 00:33:15,840

talking to us tonight about

877

00:33:20,870 --> 00:33:18,960

uh where hitler and ava brown landed

878

00:33:22,710 --> 00:33:20,880

because they didn't end up in the bunker

879

00:33:26,549 --> 00:33:22,720

like everyone thinks

880

00:33:29,909 --> 00:33:26,559

here's my question uh jim um

881

00:33:33,110 --> 00:33:29,919

oh nuts i lost my place here

882

00:33:34,310 --> 00:33:33,120

uh oh someone in the chat room had asked

883

00:33:37,909 --> 00:33:34,320

a very good question

884

00:33:38,470 --> 00:33:37,919

um we were talking about hitler's poor

885

00:33:40,950 --> 00:33:38,480

health

886

00:33:42,470 --> 00:33:40,960

earlier uh and i i had read somewhere

887

00:33:44,310 --> 00:33:42,480

and i don't know if this is true that

888

00:33:46,230 --> 00:33:44,320

he had parkinson's i don't know if that

889

00:33:48,070 --> 00:33:46,240

was just the effect of the drugs that

890

00:33:51,509 --> 00:33:48,080

his doctor had been giving him

891

00:33:53,750 --> 00:33:51,519

but the the theory that he uh

892

00:33:55,669 --> 00:33:53,760

basically kind of walked i guess unless

893

00:33:59,350 --> 00:33:55,679

there was a motorcade that took him

894

00:34:00,789 --> 00:33:59,360

an ava from the bunker

895

00:34:03,830 --> 00:34:00,799

i don't know why i'm getting feedback

896

00:34:07,190 --> 00:34:03,840

here took them from the bunker

897

00:34:07,909 --> 00:34:07,200

across the center of berlin towards the

898

00:34:10,710 --> 00:34:07,919

zoo

899

00:34:12,710 --> 00:34:10,720

and then following the train lines over

900

00:34:14,869 --> 00:34:12,720

to where you said they got to the river

901
00:34:18,230 --> 00:34:14,879
and there was a pontoon boat

902
00:34:19,750 --> 00:34:18,240
if he was in bad shape at that point in

903
00:34:22,550 --> 00:34:19,760
time

904
00:34:24,389 --> 00:34:22,560
how did he was that a walk or were they

905
00:34:27,030 --> 00:34:24,399
carting him around in a car because that

906
00:34:28,790 --> 00:34:27,040
that's a long walk for a guy who might

907
00:34:30,069 --> 00:34:28,800
have parkinson's i know i've got a dad

908
00:34:33,109 --> 00:34:30,079
with parkinson's so

909
00:34:34,790 --> 00:34:33,119
right well number one i'm not i'm not

910
00:34:37,109 --> 00:34:34,800
certain it's been proven or

911
00:34:39,109 --> 00:34:37,119
substantiated it had parkinson's uh he

912
00:34:41,109 --> 00:34:39,119
did have a limp and he did have some

913
00:34:42,149 --> 00:34:41,119

i think neurological damage because of

914

00:34:44,230 --> 00:34:42,159

the bomb

915

00:34:45,990 --> 00:34:44,240

okay july 20th and then he had other

916

00:34:47,589 --> 00:34:46,000

other physical problems but i'm not sure

917

00:34:50,310 --> 00:34:47,599

that it was absolutely

918

00:34:51,190 --> 00:34:50,320

uh nailed down as being parkinson's and

919

00:34:52,629 --> 00:34:51,200

it i

920

00:34:54,790 --> 00:34:52,639

i don't really know but it's my

921

00:34:56,629 --> 00:34:54,800

understanding that yes they did walk a

922

00:34:58,630 --> 00:34:56,639

few blocks but it was only

923

00:35:00,470 --> 00:34:58,640

it wasn't a very it wasn't that long or

924

00:35:02,470 --> 00:35:00,480

prolonged a period of time

925

00:35:04,390 --> 00:35:02,480

uh and also he probably had some help

926

00:35:06,150 --> 00:35:04,400

you know i'm not sure if they would have

927

00:35:08,150 --> 00:35:06,160

carried him or just kind of supported

928

00:35:11,510 --> 00:35:08,160

him okay okay

929

00:35:12,470 --> 00:35:11,520

but i also found out that uh uh angela

930

00:35:17,910 --> 00:35:12,480

merkel

931

00:35:19,270 --> 00:35:17,920

um the chancellor of germany since 2005

932

00:35:21,670 --> 00:35:19,280

she's the leader of the christian

933

00:35:26,069 --> 00:35:21,680

democratic union

934

00:35:30,310 --> 00:35:26,079

she was born in reportedly in 1954

935

00:35:32,790 --> 00:35:30,320

and i'm checking here the book gray wolf

936

00:35:34,870 --> 00:35:32,800

and it says that ava's daughter by

937

00:35:38,710 --> 00:35:34,880

hitler was named ursula

938

00:35:41,829 --> 00:35:38,720

and she was actually born in 1938

939

00:35:47,190 --> 00:35:41,839

and they took her with them or they

940

00:35:51,270 --> 00:35:50,109

argentina argentina yeah in september

941

00:35:54,069 --> 00:35:51,280

1945

942

00:35:54,710 --> 00:35:54,079

so i guess that leaves out angela merkel

943

00:35:56,870 --> 00:35:54,720

as

944

00:35:58,550 --> 00:35:56,880

hitler's daughter well now one of one of

945

00:35:59,270 --> 00:35:58,560

these sources i was looking at in the

946

00:36:01,829 --> 00:35:59,280

last week

947

00:36:02,310 --> 00:36:01,839

said that they had two daughters yes so

948

00:36:04,790 --> 00:36:02,320

maybe

949

00:36:06,790 --> 00:36:04,800

it's possible that they had another one

950

00:36:08,630 --> 00:36:06,800

and that's not the one that you found in

951

00:36:11,670 --> 00:36:08,640

19 what did you say 38

952

00:36:15,190 --> 00:36:11,680

38 that's possible

953

00:36:18,870 --> 00:36:15,200

yeah um i also had had read that

954

00:36:20,950 --> 00:36:18,880

there was quite a few very famous nazis

955

00:36:22,390 --> 00:36:20,960

who landed in argentina and either

956

00:36:23,750 --> 00:36:22,400

stayed there went to bolivia or

957

00:36:27,190 --> 00:36:23,760

somewhere else

958

00:36:29,829 --> 00:36:27,200

uh including mengele eichmann

959

00:36:31,109 --> 00:36:29,839

oh yeah yeah uh draganovich who was

960

00:36:33,030 --> 00:36:31,119

someone i read about

961

00:36:36,230 --> 00:36:33,040

in a in another book that's just

962

00:36:39,430 --> 00:36:36,240

chilling talk talk to us about

963

00:36:39,990 --> 00:36:39,440

two things the rat lines and how the

964

00:36:43,270 --> 00:36:40,000

vatican

965

00:36:45,430 --> 00:36:43,280

played a role in this well the the rat

966

00:36:48,630 --> 00:36:45,440

lines are simply a term for the

967

00:36:49,030 --> 00:36:48,640

uh underground railroad so to speak that

968

00:36:59,190 --> 00:36:49,040

uh

969

00:37:00,630 --> 00:36:59,200

the vatican played a huge role in that

970

00:37:03,510 --> 00:37:00,640

because so many of them

971

00:37:05,109 --> 00:37:03,520

went out on vatican passports but then

972

00:37:06,550 --> 00:37:05,119

you have to understand that

973

00:37:08,550 --> 00:37:06,560

see there were all these secret

974

00:37:09,190 --> 00:37:08,560

agreements made before during and after

975

00:37:11,430 --> 00:37:09,200

world war

976

00:37:13,349 --> 00:37:11,440

ii uh and a lot of people of course you

977

00:37:15,750 --> 00:37:13,359

never get taught about this in school

978

00:37:16,950 --> 00:37:15,760

there were the transfer agreements that

979

00:37:19,589 --> 00:37:16,960

were signed in germany

980

00:37:21,430 --> 00:37:19,599

in the early 30s which was we need to

981

00:37:22,630 --> 00:37:21,440

get rid of the jews so we're just going

982

00:37:24,150 --> 00:37:22,640

to pack them off

983

00:37:25,829 --> 00:37:24,160

we're going to ship them to russia and

984

00:37:27,430 --> 00:37:25,839

once we conquer lands there we're going

985

00:37:29,030 --> 00:37:27,440

to send them to palestine

986

00:37:30,870 --> 00:37:29,040

we're going to get them out of germany

987

00:37:32,550 --> 00:37:30,880

but by the way before you get out you

988

00:37:34,710 --> 00:37:32,560

have to leave behind all your

989

00:37:36,230 --> 00:37:34,720

possessions and so we're going to you

990

00:37:37,349 --> 00:37:36,240

know not only we're gonna get rid of

991

00:37:39,030 --> 00:37:37,359

them but we're gonna

992

00:37:40,630 --> 00:37:39,040

make a lot of money in the process and

993

00:37:43,670 --> 00:37:40,640

these deals were cut with

994

00:37:45,349 --> 00:37:43,680

some of the zionist leaders okay so

995

00:37:46,790 --> 00:37:45,359

there were jews who turned into the

996

00:37:48,950 --> 00:37:46,800

other jews

997

00:37:49,990 --> 00:37:48,960

and in fact part of that was having to

998

00:37:52,069 --> 00:37:50,000

do with the

999

00:37:54,390 --> 00:37:52,079

zionist movement which is a political

1000

00:37:57,829 --> 00:37:54,400

movement

1001
00:37:58,790 --> 00:37:57,839
at that time pushing to create the state

1002
00:38:01,349 --> 00:37:58,800
of israel

1003
00:38:02,630 --> 00:38:01,359
and today the zionist movement is fully

1004
00:38:06,230 --> 00:38:02,640
in support of

1005
00:38:07,589 --> 00:38:06,240
the state of israel and uh that so in

1006
00:38:11,109 --> 00:38:07,599
order to try to

1007
00:38:13,190 --> 00:38:11,119
get israel created out of palestine

1008
00:38:14,630 --> 00:38:13,200
uh they worked to deal with the nazis

1009
00:38:17,270 --> 00:38:14,640
where they were going to

1010
00:38:17,829 --> 00:38:17,280
uh the jews give up their possessions in

1011
00:38:21,430 --> 00:38:17,839
not to

1012
00:38:23,109 --> 00:38:21,440
allow them to immigrate to palestine

1013
00:38:24,790 --> 00:38:23,119

that was the transfer agreements and it

1014

00:38:27,910 --> 00:38:24,800

was involving some of the

1015

00:38:29,349 --> 00:38:27,920

top zionists themselves and then and

1016

00:38:31,190 --> 00:38:29,359

then you had a concordant that was

1017

00:38:34,230 --> 00:38:31,200

reached with the vatican

1018

00:38:35,750 --> 00:38:34,240

with the catholic church and

1019

00:38:37,589 --> 00:38:35,760

which was kind of a we'll leave you

1020

00:38:40,230 --> 00:38:37,599

alone if you leave us alone

1021

00:38:40,870 --> 00:38:40,240

is kind of the way it worked out so many

1022

00:38:44,870 --> 00:38:40,880

of the

1023

00:38:46,230 --> 00:38:44,880

priests became nazis i gave the nazi

1024

00:38:49,109 --> 00:38:46,240

salute and preached

1025

00:38:50,310 --> 00:38:49,119

nazism from the pulpit because they they

1026

00:38:52,390 --> 00:38:50,320

somewhat believed in it

1027

00:38:54,310 --> 00:38:52,400

okay it's like hey we're gonna put on

1028

00:38:56,069 --> 00:38:54,320

uniforms we're gonna march alike we're

1029

00:38:57,829 --> 00:38:56,079

gonna everybody's gonna move in the

1030

00:39:00,150 --> 00:38:57,839

same direction this is national

1031

00:39:01,190 --> 00:39:00,160

socialism okay we're all gonna be good

1032

00:39:03,349 --> 00:39:01,200

socialists

1033

00:39:06,550 --> 00:39:03,359

and it's all for one one for all you

1034

00:39:08,550 --> 00:39:06,560

know and uh so they supported it

1035

00:39:10,470 --> 00:39:08,560

and uh then at the end of the war since

1036

00:39:11,910 --> 00:39:10,480

they had been nazis and since they had

1037

00:39:14,710 --> 00:39:11,920

supported the nazis

1038

00:39:16,390 --> 00:39:14,720

they were more or less constrained to

1039

00:39:20,470 --> 00:39:16,400

help the nazis escape

1040

00:39:24,150 --> 00:39:20,480

and they did using vatican passports and

1041

00:39:25,990 --> 00:39:24,160

vatican sources and like martin barman

1042

00:39:29,270 --> 00:39:26,000

reportedly hid out at a

1043

00:39:30,310 --> 00:39:29,280

catholic monastery for a while uh and so

1044

00:39:33,349 --> 00:39:30,320

that was the

1045

00:39:35,030 --> 00:39:33,359

the tie-in there and i don't know this

1046

00:39:37,030 --> 00:39:35,040

and i probably couldn't prove this but

1047

00:39:38,470 --> 00:39:37,040

what i suspect is is that although

1048

00:39:42,310 --> 00:39:38,480

hitler and the nazis

1049

00:39:44,310 --> 00:39:42,320

uh tried to preach a a humanistic

1050

00:39:45,990 --> 00:39:44,320

outlook they were kind of down on all

1051
00:39:48,069 --> 00:39:46,000
religion uh they

1052
00:39:51,030 --> 00:39:48,079
they tried to make hitler the god and

1053
00:39:54,550 --> 00:39:51,040
tried to make nazism the religion

1054
00:39:55,990 --> 00:39:54,560
but yet they knew that the huge swath of

1055
00:39:59,030 --> 00:39:56,000
the german people were

1056
00:39:59,990 --> 00:39:59,040
very uh religious in fact uh very uh

1057
00:40:01,829 --> 00:40:00,000
catholic

1058
00:40:03,430 --> 00:40:01,839
so they had to reach accommodations with

1059
00:40:05,990 --> 00:40:03,440
the catholic church

1060
00:40:07,190 --> 00:40:06,000
and i kind of suspect that the catholic

1061
00:40:09,510 --> 00:40:07,200
church decided

1062
00:40:11,030 --> 00:40:09,520
these nazis are well organized they know

1063
00:40:12,069 --> 00:40:11,040

what they're doing they've got a plan

1064

00:40:14,390 --> 00:40:12,079

for the future

1065

00:40:15,670 --> 00:40:14,400

they're going to conquer europe and

1066

00:40:18,309 --> 00:40:15,680

perhaps the world

1067

00:40:20,630 --> 00:40:18,319

and we better have a stake in this and

1068

00:40:23,270 --> 00:40:20,640

maybe we can become their official

1069

00:40:24,390 --> 00:40:23,280

state religion and there is some

1070

00:40:27,430 --> 00:40:24,400

evidence to

1071

00:40:29,910 --> 00:40:27,440

uh to back that up because uh although

1072

00:40:32,069 --> 00:40:29,920

hitler's regime was basically

1073

00:40:34,790 --> 00:40:32,079

anti-religious they nevertheless

1074

00:40:35,829 --> 00:40:34,800

had a pretty close working relationship

1075

00:40:39,190 --> 00:40:35,839

with the uh

1076
00:40:42,870 --> 00:40:39,200
with the vatican yeah it seems like they

1077
00:40:45,030 --> 00:40:42,880
they were very uh gleefully scratching

1078
00:40:45,910 --> 00:40:45,040
each other's backs there for quite some

1079
00:40:48,950 --> 00:40:45,920
time

1080
00:40:51,990 --> 00:40:48,960
um i i covered in the uh

1081
00:40:55,270 --> 00:40:52,000
files of fourth rank how that the uh

1082
00:40:57,670 --> 00:40:55,280
the pope uh in the 30s

1083
00:40:59,829 --> 00:40:57,680
i'm trying to think which one that was

1084
00:41:02,550 --> 00:40:59,839
uh i'd have to go look it up

1085
00:41:04,150 --> 00:41:02,560
but he uh he suddenly started making

1086
00:41:05,990 --> 00:41:04,160
well i think he began to realize what

1087
00:41:09,829 --> 00:41:06,000
the nazis were up to and he began

1088
00:41:12,069 --> 00:41:09,839

to make um anti-nazi speeches

1089

00:41:13,109 --> 00:41:12,079

but he only made a couple of those

1090

00:41:16,390 --> 00:41:13,119

before he

1091

00:41:18,630 --> 00:41:16,400

kind of died under strange circumstances

1092

00:41:20,069 --> 00:41:18,640

and uh it's interesting because his

1093

00:41:23,510 --> 00:41:20,079

personal physician

1094

00:41:23,990 --> 00:41:23,520

was a dr pitachi uh who just i'm sure by

1095

00:41:25,990 --> 00:41:24,000

some

1096

00:41:28,150 --> 00:41:26,000

strange coincidence happened to be the

1097

00:41:31,510 --> 00:41:28,160

father of clara pitachi

1098

00:41:33,510 --> 00:41:31,520

that was mussolini's mistress

1099

00:41:35,030 --> 00:41:33,520

so you see how they're all tied together

1100

00:41:37,270 --> 00:41:35,040

and once this pope died

1101
00:41:39,190 --> 00:41:37,280
then the new pope came in and he was

1102
00:41:41,190 --> 00:41:39,200
very pro-nazi

1103
00:41:43,030 --> 00:41:41,200
and he was the one that was uh still

1104
00:41:44,550 --> 00:41:43,040
serving at the at the end of wars and

1105
00:41:47,270 --> 00:41:44,560
was able to

1106
00:41:47,990 --> 00:41:47,280
along with a few of the ranking

1107
00:41:51,270 --> 00:41:48,000
cardinals to

1108
00:41:53,990 --> 00:41:51,280
get uh the nazis out of europe

1109
00:41:55,109 --> 00:41:54,000
wow and of course then and then the the

1110
00:41:58,390 --> 00:41:55,119
land the

1111
00:42:02,790 --> 00:41:58,400
previous pope uh of course had been a

1112
00:42:04,309 --> 00:42:02,800
nazi in his youth yes isn't it funny we

1113
00:42:06,069 --> 00:42:04,319

just keep coming back around to the

1114

00:42:08,870 --> 00:42:06,079

starting point on the circle

1115

00:42:10,230 --> 00:42:08,880

that's right that's right i'm gonna

1116

00:42:10,630 --> 00:42:10,240

we're gonna have to take a break in

1117

00:42:14,309 --> 00:42:10,640

about

1118

00:42:15,750 --> 00:42:14,319

a minute or two um i wanna i wanna ask

1119

00:42:15,990 --> 00:42:15,760

you something there's a couple of really

1120

00:42:17,990 --> 00:42:16,000

good

1121

00:42:19,510 --> 00:42:18,000

questions in the chat boom chat room but

1122

00:42:22,630 --> 00:42:19,520

somebody said that

1123

00:42:25,190 --> 00:42:22,640

there that the bushes own 98 000

1124

00:42:26,470 --> 00:42:25,200

acres in paraguay is that do you know

1125

00:42:28,069 --> 00:42:26,480

anything about that

1126

00:42:29,750 --> 00:42:28,079

i've heard different numbers i've heard

1127

00:42:31,829 --> 00:42:29,760

77 000 but

1128

00:42:32,950 --> 00:42:31,839

whatever it is it's yes it's true they

1129

00:42:36,069 --> 00:42:32,960

bought a huge

1130

00:42:37,910 --> 00:42:36,079

place down in paraguay and i i

1131

00:42:39,589 --> 00:42:37,920

i joked about that at the time that was

1132

00:42:41,030 --> 00:42:39,599

in the news briefly

1133

00:42:42,710 --> 00:42:41,040

and i said yeah maybe they're going to

1134

00:42:45,750 --> 00:42:42,720

open a subdivision they're going to call

1135

00:42:48,230 --> 00:42:45,760

it borman acres

1136

00:42:49,109 --> 00:42:48,240

or uh bournemouth or maybe it is that

1137

00:42:52,390 --> 00:42:49,119

they know well

1138

00:42:54,230 --> 00:42:52,400

you know that the fuhrer went down there

1139

00:42:55,990 --> 00:42:54,240

and hit out successfully maybe

1140

00:42:59,510 --> 00:42:56,000

we better have a place down there to go

1141

00:43:02,550 --> 00:42:59,520

hide out

1142

00:43:04,069 --> 00:43:02,560

because george herbert walker bush was

1143

00:43:06,790 --> 00:43:04,079

quoted

1144

00:43:08,710 --> 00:43:06,800

back in the early 90s as saying if the

1145

00:43:10,069 --> 00:43:08,720

american people ever find out what we've

1146

00:43:11,829 --> 00:43:10,079

done to them they're going to chase us

1147

00:43:14,870 --> 00:43:11,839

down the street and lynch

1148

00:43:17,589 --> 00:43:14,880

yeah it's if i was thinking uh

1149

00:43:19,109 --> 00:43:17,599

about an hour well not about 35 or 40

1150

00:43:19,990 --> 00:43:19,119

minutes ago when you were talking that

1151
00:43:22,630 --> 00:43:20,000
truth really

1152
00:43:24,230 --> 00:43:22,640
is stranger than fiction oh it is you

1153
00:43:25,829 --> 00:43:24,240
think you've heard it all and it's

1154
00:43:27,910 --> 00:43:25,839
making sense and then all of a sudden

1155
00:43:29,750 --> 00:43:27,920
you find out that it's not at all what's

1156
00:43:31,910 --> 00:43:29,760
been going on

1157
00:43:33,670 --> 00:43:31,920
everybody please stick with us here and

1158
00:43:35,109 --> 00:43:33,680
come back after the break we'll take

1159
00:43:37,069 --> 00:43:35,119
about four minutes

1160
00:43:38,470 --> 00:43:37,079
and you're listening to

1161
00:43:41,270 --> 00:43:38,480
inceptionradionetwork.com

1162
00:43:41,910 --> 00:43:41,280
this is epic voyages online radio show

1163
00:43:46,230 --> 00:43:41,920

with jim

1164

00:43:49,589 --> 00:43:46,240

mars tonight uh you can see his website

1165

00:43:52,069 --> 00:43:49,599

at jim mars j-i-m-m-a-r-r-s

1166

00:43:53,430 --> 00:43:52,079

dot com and i'm laurel tag and we'll be

1167

00:43:58,950 --> 00:43:53,440

back in just a couple of minutes stick

1168

00:44:12,710 --> 00:44:02,550

you're listening to in the inception

1169

00:44:17,430 --> 00:44:15,190

you have a smartphone if so inception

1170

00:44:20,550 --> 00:44:17,440

radio network is the best app for you

1171

00:44:22,790 --> 00:44:20,560

available on itunes android samsung

1172

00:44:24,710 --> 00:44:22,800

and most other app stores just search

1173

00:44:26,710 --> 00:44:24,720

inception radio network

1174

00:44:29,190 --> 00:44:26,720

with the app you can listen live check

1175

00:44:31,190 --> 00:44:29,200

out podcasts of recent and past shows

1176

00:44:33,109 --> 00:44:31,200

view our videos see what shows are

1177

00:44:35,430 --> 00:44:33,119

coming up who the guests are

1178

00:44:37,030 --> 00:44:35,440

and via the chat room send live

1179

00:44:38,950 --> 00:44:37,040

questions to those guests

1180

00:44:40,230 --> 00:44:38,960

do you know it makes sense check your

1181

00:44:42,550 --> 00:44:40,240

app store now

1182

00:44:46,230 --> 00:44:42,560

inception radio network i'll see you

1183

00:44:49,349 --> 00:44:47,430

you didn't forget what's coming up

1184

00:44:51,270 --> 00:44:49,359

tonight did you hi inception radio

1185

00:44:52,710 --> 00:44:51,280

network listeners this is amanda

1186

00:44:54,230 --> 00:44:52,720

never miss that interview you were

1187

00:44:55,270 --> 00:44:54,240

looking forward to or the show on your

1188

00:44:58,390 --> 00:44:55,280

favorite topic

1189

00:45:00,790 --> 00:44:58,400

follow irn on twitter i underscore

1190

00:45:02,790 --> 00:45:00,800

our underscore n and get reminders about

1191

00:45:04,390 --> 00:45:02,800

the evening's live shows as well as fun

1192

00:45:05,030 --> 00:45:04,400

and important updates throughout the

1193

00:45:08,069 --> 00:45:05,040

week

1194

00:45:12,870 --> 00:45:08,079

that's i underscore our underscore n and

1195

00:45:16,550 --> 00:45:15,109

don't have a computer is your internet

1196

00:45:18,390 --> 00:45:16,560

connection down don't worry

1197

00:45:30,829 --> 00:45:18,400

use your trusty landline or cell phone

1198

00:45:30,839 --> 00:45:46,550

832-280-0-830-786-837-2262

1199

00:45:52,150 --> 00:45:49,910

hi bob tarmac for mjshealthyway.com

1200

00:45:53,109 --> 00:45:52,160

are you into vitamins nutrition meal

1201
00:45:56,390 --> 00:45:53,119
replacements

1202
00:45:59,349 --> 00:45:56,400
health shakes uh keeping your body in

1203
00:46:02,349 --> 00:45:59,359
good shape your internal engine going

1204
00:46:03,670 --> 00:46:02,359
why do i have a perfect place for you

1205
00:46:06,150 --> 00:46:03,680
mj'shealthyway.com

1206
00:46:07,589 --> 00:46:06,160
they offer the best service and products

1207
00:46:09,270 --> 00:46:07,599
and they'll tell you anything you need

1208
00:46:10,069 --> 00:46:09,280
to know about any product they have to

1209
00:46:12,390 --> 00:46:10,079
offer

1210
00:46:13,109 --> 00:46:12,400
i get all my vitamins meal replacements

1211
00:46:15,630 --> 00:46:13,119
shakes

1212
00:46:17,790 --> 00:46:15,640
from mj'shealthyway.com that's spelled

1213
00:46:20,230 --> 00:46:17,800

mjs

1214

00:46:21,190 --> 00:46:20,240

healthywhey.com there's so much more at

1215

00:46:30,710 --> 00:46:21,200

the website

1216

00:46:34,950 --> 00:46:33,109

are you a fan of inception radio network

1217

00:46:36,950 --> 00:46:34,960

do you reckon it's the best alternative

1218

00:46:39,589 --> 00:46:36,960

talk radio station on the planet

1219

00:46:40,470 --> 00:46:39,599

well if you do head to facebook.com

1220

00:46:42,550 --> 00:46:40,480

forward slash

1221

00:46:43,589 --> 00:46:42,560

inception radio network and like the

1222

00:46:45,510 --> 00:46:43,599

page

1223

00:46:50,790 --> 00:46:45,520

tell your friends spread the word and

1224

00:46:54,630 --> 00:46:52,550

are you looking for a cure for boredom

1225

00:46:56,870 --> 00:46:54,640

never worry irn's new

1226
00:46:58,630 --> 00:46:56,880
interactive website introduces a number

1227
00:46:59,430 --> 00:46:58,640
of ways to pass time while you listen to

1228
00:47:02,470 --> 00:46:59,440
your favorite

1229
00:47:03,030 --> 00:47:02,480
show choose anything from the irn chat

1230
00:47:08,790 --> 00:47:03,040
lounge

1231
00:47:09,990 --> 00:47:08,800
these fun exciting features let you chat

1232
00:47:12,390 --> 00:47:10,000
in real time with fellow

1233
00:47:14,470 --> 00:47:12,400
listeners view live sky watches play

1234
00:47:16,470 --> 00:47:14,480
daily posted online games or

1235
00:47:19,030 --> 00:47:16,480
pick a show based on topic the choices

1236
00:47:22,230 --> 00:47:19,040
are endless use your time wisely

1237
00:47:22,950 --> 00:47:22,240
keeping it all on irn howdy this is joe

1238
00:47:25,510 --> 00:47:22,960

mars

1239

00:47:26,390 --> 00:47:25,520

i'm inviting you to tune in to epic

1240

00:47:29,670 --> 00:47:26,400

voyages

1241

00:47:32,390 --> 00:47:29,680

8 pm central 9 pm eastern

1242

00:47:33,750 --> 00:47:32,400

monday nights right here on inception

1243

00:47:36,309 --> 00:47:33,760

radio network

1244

00:47:37,670 --> 00:47:36,319

to find out more about epic and how you

1245

00:47:44,829 --> 00:47:37,680

can become a member

1246

00:47:49,910 --> 00:47:46,390

e-p-i-c-v-o-y-a-g-e-r-s

1247

00:47:52,750 --> 00:47:49,920

dot-com welcome back everybody to

1248

00:47:54,390 --> 00:47:52,760

epic voyages on

1249

00:47:55,109 --> 00:47:54,400

inceptionradionetwork.com tonight we're

1250

00:47:58,549 --> 00:47:55,119

talking with

1251

00:48:01,670 --> 00:47:58,559

jim mars the prolific author of some

1252

00:48:04,549 --> 00:48:01,680

really fascinating

1253

00:48:05,990 --> 00:48:04,559

research books i would call them on

1254

00:48:09,030 --> 00:48:06,000

various kinds of

1255

00:48:10,470 --> 00:48:09,040

uh happenings since i would say well if

1256

00:48:11,910 --> 00:48:10,480

we go back to hitler then i guess we're

1257

00:48:13,270 --> 00:48:11,920

going to have to go back to the 30s and

1258

00:48:17,270 --> 00:48:13,280

40s but

1259

00:48:19,589 --> 00:48:17,280

uh jfk um 911

1260

00:48:20,710 --> 00:48:19,599

all kinds of conspiracies that turn out

1261

00:48:24,549 --> 00:48:20,720

not to be

1262

00:48:26,710 --> 00:48:24,559

perhaps conspiracies um jim did you see

1263

00:48:28,870 --> 00:48:26,720

uh i forget where i saw it on the

1264

00:48:31,910 --> 00:48:28,880

internet this past week

1265

00:48:34,069 --> 00:48:31,920

someone had cited research that they've

1266

00:48:36,069 --> 00:48:34,079

they've actually looked at people who

1267

00:48:38,630 --> 00:48:36,079

believe in conspiracies and they are

1268

00:48:40,230 --> 00:48:38,640

more sane and normal than the people who

1269

00:48:42,790 --> 00:48:40,240

say that there are no such things as

1270

00:48:45,670 --> 00:48:42,800

these conspiracies did you see that

1271

00:48:48,230 --> 00:48:45,680

hey i saw that and i thought whoa tell

1272

00:48:50,870 --> 00:48:48,240

me something i don't know

1273

00:48:52,870 --> 00:48:50,880

i already know that the people i talk to

1274

00:48:53,910 --> 00:48:52,880

who talk seriously about conspiracy

1275

00:48:55,589 --> 00:48:53,920

they're people who've done their

1276

00:48:57,589 --> 00:48:55,599

homework and they know history

1277

00:48:59,430 --> 00:48:57,599

and they know some of the controversies

1278

00:49:01,030 --> 00:48:59,440

and i may not agree with them on every

1279

00:49:02,309 --> 00:49:01,040

little detail they probably don't agree

1280

00:49:03,990 --> 00:49:02,319

with me but at least

1281

00:49:06,309 --> 00:49:04,000

they have an understanding that most of

1282

00:49:08,870 --> 00:49:06,319

what we think we know is wrong

1283

00:49:10,950 --> 00:49:08,880

and so no that i saw that story and and

1284

00:49:13,270 --> 00:49:10,960

it didn't surprise me in the least

1285

00:49:14,950 --> 00:49:13,280

uh some of the i know people who are

1286

00:49:16,230 --> 00:49:14,960

college graduates some of them who have

1287

00:49:18,630 --> 00:49:16,240

advanced degrees

1288

00:49:20,710 --> 00:49:18,640

who are really really smart people and

1289

00:49:21,190 --> 00:49:20,720

they are doctors and they are lawyers

1290

00:49:28,150 --> 00:49:21,200

and

1291

00:49:30,630 --> 00:49:28,160

you know there's nothing dumb about them

1292

00:49:33,109 --> 00:49:30,640

and yet they are abysmally

1293

00:49:33,750 --> 00:49:33,119

ignorant oh yeah and when you say

1294

00:49:35,349 --> 00:49:33,760

ignorant that

1295

00:49:37,829 --> 00:49:35,359

i mean they're stupid that just means

1296

00:49:39,750 --> 00:49:37,839

they don't know things okay

1297

00:49:41,030 --> 00:49:39,760

and they're too lazy to dig into it and

1298

00:49:43,349 --> 00:49:41,040

find out exactly

1299

00:49:45,190 --> 00:49:43,359

and then so but and then worse than that

1300

00:49:47,910 --> 00:49:45,200

they have been so conditioned

1301
00:49:49,670 --> 00:49:47,920
to accept conventional wisdom you know

1302
00:49:52,470 --> 00:49:49,680
if it's on cnn

1303
00:49:53,510 --> 00:49:52,480
uh you know or npr then oh it's just got

1304
00:49:56,870 --> 00:49:53,520
to be true

1305
00:49:58,390 --> 00:49:56,880
but if jim marxism or dr laura system or

1306
00:49:59,750 --> 00:49:58,400
whatever well i'm probably just a

1307
00:50:02,549 --> 00:49:59,760
conspiracy theorist

1308
00:50:04,390 --> 00:50:02,559
uh because i didn't hear that on cnn and

1309
00:50:05,750 --> 00:50:04,400
yet you know you and i both know that

1310
00:50:08,069 --> 00:50:05,760
cnn has put out

1311
00:50:09,670 --> 00:50:08,079
absolute garbage absolute propaganda

1312
00:50:11,829 --> 00:50:09,680
this is why their listenership

1313
00:50:13,750 --> 00:50:11,839

just continues to drop because people

1314

00:50:15,750 --> 00:50:13,760

are beginning to rise up

1315

00:50:17,270 --> 00:50:15,760

same thing people go to wikipedia and

1316

00:50:18,230 --> 00:50:17,280

they don't realize that wikipedia has

1317

00:50:21,589 --> 00:50:18,240

been caught

1318

00:50:22,150 --> 00:50:21,599

time after time you know making factual

1319

00:50:24,829 --> 00:50:22,160

errors

1320

00:50:25,990 --> 00:50:24,839

and slanting things and skewing

1321

00:50:29,030 --> 00:50:26,000

information

1322

00:50:31,030 --> 00:50:29,040

coloring things it's it's amazing uh the

1323

00:50:32,790 --> 00:50:31,040

the things we don't get told about in

1324

00:50:33,430 --> 00:50:32,800

fact what you were bringing up here is

1325

00:50:35,270 --> 00:50:33,440

uh

1326

00:50:37,109 --> 00:50:35,280

the fact that there's no question that

1327

00:50:40,549 --> 00:50:37,119

hitler was put into power

1328

00:50:41,430 --> 00:50:40,559

uh by western banking interest okay they

1329

00:50:43,109 --> 00:50:41,440

funded him

1330

00:50:45,109 --> 00:50:43,119

they helped build up germany we made

1331

00:50:47,510 --> 00:50:45,119

loans the dolls loan

1332

00:50:49,510 --> 00:50:47,520

and others to to germany to help them

1333

00:50:51,990 --> 00:50:49,520

build up their military and that was all

1334

00:50:52,870 --> 00:50:52,000

as a reaction to the spread of russian

1335

00:50:55,670 --> 00:50:52,880

communism

1336

00:50:57,430 --> 00:50:55,680

which we also created woodrow wilson

1337

00:50:58,549 --> 00:50:57,440

wrote that during world war one in the

1338

00:51:00,150 --> 00:50:58,559

russian revolution

1339

00:51:02,150 --> 00:51:00,160

the bulk of the money that went from

1340

00:51:03,510 --> 00:51:02,160

america to russia did not go to the

1341

00:51:04,790 --> 00:51:03,520

korinsky government of the white

1342

00:51:07,349 --> 00:51:04,800

russians it went to the

1343

00:51:08,790 --> 00:51:07,359

bolsheviks went to the communist we

1344

00:51:10,069 --> 00:51:08,800

created the communists and then they

1345

00:51:12,390 --> 00:51:10,079

started getting out of hand they were

1346

00:51:13,670 --> 00:51:12,400

talking about workers of the world unite

1347

00:51:14,710 --> 00:51:13,680

you know and all of a sudden it looked

1348

00:51:16,390 --> 00:51:14,720

like they were going to push their

1349

00:51:18,549 --> 00:51:16,400

extreme form of socialism

1350

00:51:19,829 --> 00:51:18,559

worldwide well the bankers didn't want

1351

00:51:21,270 --> 00:51:19,839

that see because

1352

00:51:23,190 --> 00:51:21,280

even though they talk about the new

1353

00:51:24,790 --> 00:51:23,200

world order and today there's gonna be

1354

00:51:27,190 --> 00:51:24,800

one world government

1355

00:51:28,630 --> 00:51:27,200

they don't really want that if it's one

1356

00:51:30,230 --> 00:51:28,640

world government then they'd make a

1357

00:51:32,309 --> 00:51:30,240

decision that would stick

1358

00:51:34,069 --> 00:51:32,319

everybody has to do it no they don't

1359

00:51:35,750 --> 00:51:34,079

want that what they want is

1360

00:51:38,230 --> 00:51:35,760

in fact if you want to see what the game

1361

00:51:40,390 --> 00:51:38,240

plan is just go back and read the works

1362

00:51:42,390 --> 00:51:40,400

of eric arthur blair

1363

00:51:43,430 --> 00:51:42,400

eric arthur blair was a british

1364

00:51:45,990 --> 00:51:43,440

socialist

1365

00:51:47,270 --> 00:51:46,000

uh and well connected to the british

1366

00:51:51,670 --> 00:51:47,280

aristocracy

1367

00:51:56,069 --> 00:51:51,680

and in 1948 he wrote a book

1368

00:51:59,510 --> 00:51:56,079

with the numbers transposed called 1984

1369

00:52:02,390 --> 00:51:59,520

and he used the pen name george orwell

1370

00:52:02,710 --> 00:52:02,400

and he wrote what i feel like he knew to

1371

00:52:05,750 --> 00:52:02,720

be

1372

00:52:07,990 --> 00:52:05,760

the game plan of these uh global

1373

00:52:10,309 --> 00:52:08,000

socialists and if you'll go back and

1374

00:52:12,470 --> 00:52:10,319

read 1984 you find that they want to

1375

00:52:14,069 --> 00:52:12,480

divide the world into three major

1376

00:52:18,230 --> 00:52:14,079

economic blocks

1377

00:52:21,670 --> 00:52:18,240

in in the book in the novel it's oceana

1378

00:52:23,990 --> 00:52:21,680

asiana and east asiana in the world

1379

00:52:27,190 --> 00:52:24,000

today we have the european union

1380

00:52:30,950 --> 00:52:27,200

the soon-to-be north american union

1381

00:52:32,470 --> 00:52:30,960

and the future asian union

1382

00:52:34,549 --> 00:52:32,480

and then once they have these three

1383

00:52:36,150 --> 00:52:34,559

blocks they're all operating under a

1384

00:52:37,990 --> 00:52:36,160

central authority because you have to

1385

00:52:39,750 --> 00:52:38,000

have a central authority to administrate

1386

00:52:42,230 --> 00:52:39,760

a social program

1387

00:52:43,990 --> 00:52:42,240

then they play one block off against the

1388

00:52:46,790 --> 00:52:44,000

other continually

1389

00:52:48,150 --> 00:52:46,800

in a state of war near war to keep up

1390

00:52:51,670 --> 00:52:48,160

the tension

1391

00:52:55,510 --> 00:52:51,680

and conflict that promotes

1392

00:52:58,870 --> 00:52:55,520

their profits and their control

1393

00:53:00,710 --> 00:52:58,880

so we so these same people

1394

00:53:03,190 --> 00:53:00,720

created communism and started to get out

1395

00:53:06,230 --> 00:53:03,200

of control they then had to create

1396

00:53:08,790 --> 00:53:06,240

national socialism in germany to act as

1397

00:53:12,069 --> 00:53:08,800

a block to the spread of international

1398

00:53:14,790 --> 00:53:12,079

communism and

1399

00:53:16,630 --> 00:53:14,800

why and how did these businessmen

1400

00:53:18,069 --> 00:53:16,640

particularly with

1401

00:53:20,870 --> 00:53:18,079

all the financial links to the

1402

00:53:23,270 --> 00:53:20,880

rothschild banking dynasty

1403

00:53:24,790 --> 00:53:23,280

why did they support the overtly

1404

00:53:26,950 --> 00:53:24,800

anti-jewish hitler

1405

00:53:30,230 --> 00:53:26,960

well part of the answer i think lies in

1406

00:53:32,309 --> 00:53:30,240

a report by psychologists who produced

1407

00:53:33,910 --> 00:53:32,319

based on vienna police reports and

1408

00:53:36,790 --> 00:53:33,920

german police reports

1409

00:53:37,430 --> 00:53:36,800

during the war a report that went to the

1410

00:53:40,790 --> 00:53:37,440

old

1411

00:53:42,309 --> 00:53:40,800

uh office of strategic services oss

1412

00:53:44,549 --> 00:53:42,319

which was the forerunner

1413

00:53:45,510 --> 00:53:44,559

of the cia and and this never saw the

1414

00:53:48,870 --> 00:53:45,520

light of day

1415

00:53:53,309 --> 00:53:48,880

until he published a book um in

1416

00:53:55,270 --> 00:53:53,319

i think maybe the 1990s or maybe the

1417

00:53:58,790 --> 00:53:55,280

1980s perhaps

1418

00:54:01,910 --> 00:53:58,800

but it shows that hitler's

1419

00:54:09,670 --> 00:54:06,630

maria anna schickelgruber was working

1420

00:54:12,710 --> 00:54:09,680

as a housemaid in a servant

1421

00:54:15,510 --> 00:54:12,720

in the home of baron solomon rothschild

1422

00:54:19,030 --> 00:54:15,520

in vienna and upon learning of her

1423

00:54:21,270 --> 00:54:19,040

pregnancy in 1837 she left vienna

1424

00:54:22,950 --> 00:54:21,280

and gave birth to hitler's father of

1425

00:54:26,549 --> 00:54:22,960

record alloys

1426

00:54:28,470 --> 00:54:26,559

uh idler but when the name was put on a

1427

00:54:30,950 --> 00:54:28,480

birth certificate it got altered

1428

00:54:34,630 --> 00:54:30,960

somewhat from heidler to hitler

1429

00:54:38,630 --> 00:54:34,640

and so that was hitler's father and uh

1430

00:54:41,670 --> 00:54:38,640

he then married a a uh

1431

00:54:44,789 --> 00:54:41,680

another woman and uh they

1432

00:54:46,789 --> 00:54:44,799

uh i think that was the shickle gruber

1433

00:54:47,990 --> 00:54:46,799

and then they became the parents of

1434

00:54:50,710 --> 00:54:48,000

adolf hitler

1435

00:54:53,349 --> 00:54:50,720

so wait a minute it felt if all that's

1436

00:54:55,750 --> 00:54:53,359

true then hitler was a quarter jewish

1437

00:54:57,750 --> 00:54:55,760

and not only quarter-jewish but related

1438

00:54:59,349 --> 00:54:57,760

to the rothschilds and perhaps that's

1439

00:55:02,390 --> 00:54:59,359

why they supported him

1440

00:55:03,510 --> 00:55:02,400

early on because the rothschilds are are

1441

00:55:07,030 --> 00:55:03,520

not hebrews

1442

00:55:10,069 --> 00:55:07,040

they are ashkenazi jews are are also

1443

00:55:12,789 --> 00:55:10,079

known as kazarian jews they come from

1444

00:55:13,829 --> 00:55:12,799

uh the area of the caspian sea and the

1445

00:55:15,829 --> 00:55:13,839

black sea

1446

00:55:18,069 --> 00:55:15,839

uh the area which back in the 10th

1447

00:55:20,789 --> 00:55:18,079

century was the kazarian empire

1448

00:55:21,270 --> 00:55:20,799

and when it was broken up by the ruses

1449

00:55:24,309 --> 00:55:21,280

they

1450

00:55:26,950 --> 00:55:24,319

fled into europe and became the uh

1451
00:55:27,670 --> 00:55:26,960
ashkenazi jews of eastern europe and of

1452
00:55:30,069 --> 00:55:27,680
germany

1453
00:55:31,589 --> 00:55:30,079
and most of them were prosperous and and

1454
00:55:34,150 --> 00:55:31,599
pretty well versed in

1455
00:55:35,670 --> 00:55:34,160
in financial matters and that was the

1456
00:55:39,510 --> 00:55:35,680
progenitors of the

1457
00:55:40,069 --> 00:55:39,520
rothschild dynasty and so but but they

1458
00:55:42,789 --> 00:55:40,079
wanted

1459
00:55:45,190 --> 00:55:42,799
by the late 1800s they had figured out

1460
00:55:48,069 --> 00:55:45,200
that they needed to get a foothold in

1461
00:55:48,630 --> 00:55:48,079
oil rich middle east because petroleum

1462
00:55:52,069 --> 00:55:48,640
was

1463
00:55:54,549 --> 00:55:52,079

the thing you know in fact

1464

00:55:55,829 --> 00:55:54,559

it's really fascinating but john d

1465

00:55:59,109 --> 00:55:55,839

rockefeller

1466

00:56:01,109 --> 00:55:59,119

who of course by about 1898 had gained

1467

00:56:02,789 --> 00:56:01,119

almost total control over the world's

1468

00:56:05,270 --> 00:56:02,799

petroleum supply

1469

00:56:06,789 --> 00:56:05,280

in fact in 1909 they had the supreme

1470

00:56:10,150 --> 00:56:06,799

court broke it up

1471

00:56:11,030 --> 00:56:10,160

said it was a monopoly but in 1998 he

1472

00:56:13,030 --> 00:56:11,040

had sure as

1473

00:56:15,190 --> 00:56:13,040

almost single-handed control over the

1474

00:56:17,510 --> 00:56:15,200

petroleum industry of the world

1475

00:56:19,109 --> 00:56:17,520

and it was real enlightening to find out

1476

00:56:22,470 --> 00:56:19,119

that he got his start

1477

00:56:25,750 --> 00:56:22,480

with money that was loaned to him by the

1478

00:56:28,470 --> 00:56:25,760

bank of cleveland which was a registered

1479

00:56:29,510 --> 00:56:28,480

rothschild bank so in other words the

1480

00:56:31,190 --> 00:56:29,520

rothschild

1481

00:56:33,510 --> 00:56:31,200

instead of putting one of their own

1482

00:56:35,270 --> 00:56:33,520

people in power in america because they

1483

00:56:37,670 --> 00:56:35,280

were already catching flack

1484

00:56:39,349 --> 00:56:37,680

for running the economies and the

1485

00:56:41,990 --> 00:56:39,359

central banks of europe

1486

00:56:43,349 --> 00:56:42,000

they simply used the rockefeller family

1487

00:56:46,789 --> 00:56:43,359

as fronts

1488

00:56:49,430 --> 00:56:46,799

for their business and financial

1489

00:56:51,109 --> 00:56:49,440

business in the in the united states in

1490

00:56:54,069 --> 00:56:51,119

north america

1491

00:56:56,230 --> 00:56:54,079

uh if anybody out there in listening

1492

00:56:57,670 --> 00:56:56,240

land would like to talk to jim mars and

1493

00:57:00,630 --> 00:56:57,680

ask personal questions

1494

00:57:04,190 --> 00:57:00,640

he's got answers for everything please

1495

00:57:08,870 --> 00:57:06,549

888-919-2355 or get on the chat room and

1496

00:57:10,549 --> 00:57:08,880

send us a question

1497

00:57:12,150 --> 00:57:10,559

jim i've got a couple of questions here

1498

00:57:15,109 --> 00:57:12,160

for you in the chat room

1499

00:57:15,510 --> 00:57:15,119

i got a couple answers of course of

1500

00:57:18,470 --> 00:57:15,520

course

1501

00:57:20,470 --> 00:57:18,480

hey truthful answers cost five dollars

1502

00:57:22,390 --> 00:57:20,480

they're higher

1503

00:57:25,030 --> 00:57:22,400

someone says that they had heard that

1504

00:57:28,309 --> 00:57:25,040

hitler fathered one of goebbels children

1505

00:57:29,430 --> 00:57:28,319

do you know anything about that yes

1506

00:57:31,349 --> 00:57:29,440

that's been alleged

1507

00:57:32,630 --> 00:57:31,359

i've heard that and it's entirely

1508

00:57:36,549 --> 00:57:32,640

possible

1509

00:57:39,750 --> 00:57:36,559

uh magna gerbils uh his wife was just a

1510

00:57:42,309 --> 00:57:39,760

hitler fanatic you know a

1511

00:57:43,510 --> 00:57:42,319

hitler file and so i think it's entirely

1512

00:57:45,349 --> 00:57:43,520

possible that she might have given

1513

00:57:47,589 --> 00:57:45,359

herself to hitler at some point

1514

00:57:49,349 --> 00:57:47,599

uh but the thing is i'm not sure that

1515

00:57:50,950 --> 00:57:49,359

anybody knows that for certain and

1516

00:57:53,190 --> 00:57:50,960

at this like date it's probably going to

1517

00:57:54,549 --> 00:57:53,200

be now and impossible to prove anything

1518

00:57:57,270 --> 00:57:54,559

like that

1519

00:57:59,430 --> 00:57:57,280

odd uh here's another question the

1520

00:58:01,430 --> 00:57:59,440

mountain lake city that was created in

1521

00:58:04,150 --> 00:58:01,440

argentina or paraguay where

1522

00:58:06,309 --> 00:58:04,160

hitler supposedly lived with ava what do

1523

00:58:09,270 --> 00:58:06,319

you know about that

1524

00:58:10,390 --> 00:58:09,280

well that was that uh the one that you

1525

00:58:13,829 --> 00:58:10,400

yeah the one i just

1526

00:58:16,950 --> 00:58:13,839

named to you is uh again it's um

1527

00:58:20,390 --> 00:58:16,960

oops the uh san carlos

1528

00:58:23,349 --> 00:58:20,400

de parr las valencia

1529

00:58:24,549 --> 00:58:23,359

bear lucha anyway well all i can tell

1530

00:58:27,750 --> 00:58:24,559

you is

1531

00:58:29,750 --> 00:58:27,760

is that this is an area of argentina

1532

00:58:30,470 --> 00:58:29,760

that had been long settled by german

1533

00:58:32,230 --> 00:58:30,480

settlers

1534

00:58:33,829 --> 00:58:32,240

and in fact they had an outland

1535

00:58:34,789 --> 00:58:33,839

organization there that was very

1536

00:58:37,589 --> 00:58:34,799

pro-nazi

1537

00:58:38,950 --> 00:58:37,599

so i mean the the culture of that place

1538

00:58:41,270 --> 00:58:38,960

would have been perfect

1539

00:58:43,030 --> 00:58:41,280

for any nazis and particularly even

1540

00:58:45,750 --> 00:58:43,040

hitler to go and hide out

1541

00:58:46,789 --> 00:58:45,760

uh it was just a sleepy little place and

1542

00:58:50,630 --> 00:58:46,799

but it was uh

1543

00:58:52,309 --> 00:58:50,640

it was very isolated

1544

00:58:54,309 --> 00:58:52,319

i don't i'm not even sure for a long

1545

00:58:56,789 --> 00:58:54,319

time that you could reach it by car

1546

00:58:57,829 --> 00:58:56,799

uh you had to go by ox cart or horseback

1547

00:58:59,910 --> 00:58:57,839

or something like that

1548

00:59:01,270 --> 00:58:59,920

or you had to fly in you had to fly in

1549

00:59:04,470 --> 00:59:01,280

and land on the lake and

1550

00:59:06,470 --> 00:59:04,480

with a pontoon plane and so

1551

00:59:08,069 --> 00:59:06,480

it was uh really perfect and not only

1552

00:59:08,870 --> 00:59:08,079

that but here's what i found interesting

1553

00:59:13,430 --> 00:59:08,880

was

1554

00:59:15,510 --> 00:59:13,440

beautiful and green on this little

1555

00:59:17,270 --> 00:59:15,520

lake it was high it was mountainous and

1556

00:59:19,510 --> 00:59:17,280

there were huge mountains all around

1557

00:59:21,670 --> 00:59:19,520

and when i was reading the descript the

1558

00:59:24,069 --> 00:59:21,680

descriptions of this barolocy

1559

00:59:26,230 --> 00:59:24,079

uh and it suddenly was reminding me of

1560

00:59:28,309 --> 00:59:26,240

uh berkshire's garden

1561

00:59:29,750 --> 00:59:28,319

which i have visited and i've been to

1562

00:59:31,750 --> 00:59:29,760

the eagle's nest and

1563

00:59:32,789 --> 00:59:31,760

stood up there and you look out over

1564

00:59:35,349 --> 00:59:32,799

austria and

1565

00:59:37,589 --> 00:59:35,359

southern germany and uh you know it's

1566

00:59:39,430 --> 00:59:37,599

it's uh it's an amazing place and

1567

00:59:40,789 --> 00:59:39,440

and this place obviously looked like

1568

00:59:43,750 --> 00:59:40,799

some of the uh

1569

00:59:45,589 --> 00:59:43,760

countryside there in the alps uh in

1570

00:59:48,630 --> 00:59:45,599

south in bavaria

1571

00:59:49,270 --> 00:59:48,640

in the rolling in region yeah in the

1572

00:59:51,750 --> 00:59:49,280

tyrol

1573

00:59:52,870 --> 00:59:51,760

exactly and so that makes a lot of sense

1574

00:59:55,910 --> 00:59:52,880

i mean you know if you

1575

00:59:57,349 --> 00:59:55,920

if you say lived in uh old phoenix

1576

00:59:59,109 --> 00:59:57,359

all your life and you're gonna have to

1577

01:00:00,789 --> 00:59:59,119

go halfway around the world you're going

1578

01:00:02,390 --> 01:00:00,799

to want to go to a place that's hot and

1579

01:00:03,750 --> 01:00:02,400

kind of deserting it's going to remind

1580

01:00:06,710 --> 01:00:03,760

you of home right

1581

01:00:08,470 --> 01:00:06,720

yeah and it does it sounds a lot like

1582

01:00:11,030 --> 01:00:08,480

and the pictures that i did see

1583

01:00:13,270 --> 01:00:11,040

even the way that they built their um

1584

01:00:14,390 --> 01:00:13,280

their chalets in their homes it was very

1585

01:00:16,309 --> 01:00:14,400

terrorian

1586

01:00:17,589 --> 01:00:16,319

yeah it looks good it looks like the

1587

01:00:19,750 --> 01:00:17,599

sound of music

1588

01:00:21,190 --> 01:00:19,760

yeah exactly and so here you are in a

1589

01:00:23,190 --> 01:00:21,200

beautiful mountainous

1590

01:00:24,870 --> 01:00:23,200

place it kind of looks like the tyrol

1591

01:00:25,829 --> 01:00:24,880

and you've got a german-speaking

1592

01:00:27,910 --> 01:00:25,839

population

1593

01:00:29,430 --> 01:00:27,920

and you got pro-nazis i mean you know

1594

01:00:30,789 --> 01:00:29,440

what else do you want

1595

01:00:32,150 --> 01:00:30,799

and and you don't have anybody breathing

1596

01:00:33,990 --> 01:00:32,160

down your neck like you would over in

1597

01:00:36,870 --> 01:00:34,000

germany and austria at this point

1598

01:00:37,510 --> 01:00:36,880

that's right yeah um here's another

1599

01:00:41,109 --> 01:00:37,520

question

1600

01:00:41,829 --> 01:00:41,119

um can you and i understand according to

1601
01:00:44,710 --> 01:00:41,839
the uh

1602
01:00:45,589 --> 01:00:44,720
to the gray wolf boat that uh eichmann

1603
01:00:47,829 --> 01:00:45,599
adolf hikeman

1604
01:00:49,670 --> 01:00:47,839
actually was there for a while but he

1605
01:00:51,109 --> 01:00:49,680
apparently pined for the city life he

1606
01:00:53,430 --> 01:00:51,119
wanted a little more action

1607
01:00:55,349 --> 01:00:53,440
and so he moved to buenos aires and of

1608
01:00:59,589 --> 01:00:55,359
course he got caught by the

1609
01:01:02,150 --> 01:00:59,599
israelis oh that's right that's right

1610
01:01:04,549 --> 01:01:02,160
did did you ever say at what point uh

1611
01:01:06,069 --> 01:01:04,559
hitler supposedly died in argentina did

1612
01:01:06,309 --> 01:01:06,079
you say that earlier i don't think you

1613
01:01:07,990 --> 01:01:06,319

did

1614

01:01:09,349 --> 01:01:08,000

and i don't think we've said that uh

1615

01:01:12,630 --> 01:01:09,359

according to this book

1616

01:01:14,950 --> 01:01:12,640

he died in 1972.

1617

01:01:17,270 --> 01:01:14,960

like i said those last years from about

1618

01:01:18,309 --> 01:01:17,280

the last 10 years or so say from 62 to

1619

01:01:20,789 --> 01:01:18,319

72.

1620

01:01:21,510 --> 01:01:20,799

uh it wasn't much of a life yeah he was

1621

01:01:24,630 --> 01:01:21,520

just kind of

1622

01:01:26,069 --> 01:01:24,640

vegging out there yeah that's pretty i'm

1623

01:01:29,030 --> 01:01:26,079

not going to feel sorry

1624

01:01:29,430 --> 01:01:29,040

and no and mormon bowman was running the

1625

01:01:33,109 --> 01:01:29,440

show

1626

01:01:34,789 --> 01:01:33,119

along with uh uh mueller and then

1627

01:01:36,630 --> 01:01:34,799

and i'm sure there were younger people

1628

01:01:37,270 --> 01:01:36,640

coming along who were taking over some

1629

01:01:40,549 --> 01:01:37,280

of the

1630

01:01:41,589 --> 01:01:40,559

uh operational duties uh for the nazi

1631

01:01:43,670 --> 01:01:41,599

international

1632

01:01:45,589 --> 01:01:43,680

and they've probably totally taken over

1633

01:01:48,470 --> 01:01:45,599

now uh you know so

1634

01:01:49,750 --> 01:01:48,480

i'm pretty sure all the old original uh

1635

01:01:52,230 --> 01:01:49,760

hardcore nazis there

1636

01:01:52,950 --> 01:01:52,240

they're either out to pasture or dead by

1637

01:01:54,789 --> 01:01:52,960

now

1638

01:01:57,029 --> 01:01:54,799

yeah but i'm sure that their ideas are

1639

01:01:59,270 --> 01:01:57,039

still kicking still going

1640

01:02:00,549 --> 01:01:59,280

um well all you have to do is look and

1641

01:02:05,029 --> 01:02:00,559

read the uh

1642

01:02:07,190 --> 01:02:05,039

the the platform of the nazi 25

1643

01:02:08,710 --> 01:02:07,200

step plans and you find that they're

1644

01:02:12,390 --> 01:02:08,720

almost exact

1645

01:02:14,789 --> 01:02:12,400

uh duplicate of the illuminati 25 plank

1646

01:02:18,069 --> 01:02:14,799

platform and of the communist

1647

01:02:19,589 --> 01:02:18,079

uh it's uh

1648

01:02:20,870 --> 01:02:19,599

uh in fact i'll just look that up

1649

01:02:23,109 --> 01:02:20,880

because it's something we need to be

1650

01:02:26,069 --> 01:02:23,119

aware of because it's all happening

1651

01:02:27,510 --> 01:02:26,079

uh right here you i wanna i wanna call

1652

01:02:29,750 --> 01:02:27,520

to everybody's attention that you have

1653

01:02:33,430 --> 01:02:29,760

two other books besides this one the

1654

01:02:35,430 --> 01:02:33,440

uh the fourth reich uh you have one

1655

01:02:37,109 --> 01:02:35,440

called our occulted history which is

1656

01:02:40,390 --> 01:02:37,119

your newest your latest

1657

01:02:43,029 --> 01:02:40,400

book where you have a an amalgam of

1658

01:02:44,710 --> 01:02:43,039

all kinds of things uh some of it

1659

01:02:46,470 --> 01:02:44,720

relates to what we're talking about

1660

01:02:47,510 --> 01:02:46,480

tonight and the rothschilds and the

1661

01:02:49,670 --> 01:02:47,520

illuminati

1662

01:02:52,870 --> 01:02:49,680

and then you mention another one uh the

1663

01:02:55,430 --> 01:02:52,880

time i forget the title about secrecy

1664

01:02:58,150 --> 01:02:55,440

ruled by secrecy rule by secrecy right

1665

01:03:01,270 --> 01:02:58,160

that traces the secret societies

1666

01:03:03,069 --> 01:03:01,280

from antiquity all the way up till today

1667

01:03:04,309 --> 01:03:03,079

uh listeners ought to really check out

1668

01:03:07,829 --> 01:03:04,319

amazon.com

1669

01:03:09,029 --> 01:03:07,839

or or barnes noble or go to jim's own

1670

01:03:12,710 --> 01:03:09,039

website

1671

01:03:16,150 --> 01:03:12,720

at jim mars j-i-m-m-a-r-r-s

1672

01:03:19,510 --> 01:03:16,160

dot com where you can also get his books

1673

01:03:21,190 --> 01:03:19,520

uh it's it's a complete uh probably

1674

01:03:23,029 --> 01:03:21,200

at least through a master's level

1675

01:03:24,789 --> 01:03:23,039

graduate degree in history if you'll

1676

01:03:28,150 --> 01:03:24,799

read all of his books

1677

01:03:30,789 --> 01:03:28,160

here here are uh some of the 10 steps

1678

01:03:33,510 --> 01:03:30,799

to create an ideal state as offered by

1679

01:03:35,670 --> 01:03:33,520

karl marx and his communist manifesto

1680

01:03:37,190 --> 01:03:35,680

and it's gonna it sounds incredibly

1681

01:03:39,270 --> 01:03:37,200

similar to the agenda

1682

01:03:41,029 --> 01:03:39,280

of the bavarian illuminati and then

1683

01:03:43,029 --> 01:03:41,039

later the nazi party

1684

01:03:45,430 --> 01:03:43,039

uh and if you something think about it a

1685

01:03:47,829 --> 01:03:45,440

lot of it's happening to us right now

1686

01:03:49,750 --> 01:03:47,839

abolition the private property a

1687

01:03:52,470 --> 01:03:49,760

progressive or graduated income

1688

01:03:54,470 --> 01:03:52,480

tax abolition of all inheritance they're

1689

01:03:57,510 --> 01:03:54,480

trying to do away the inheritance

1690

01:03:59,109 --> 01:03:57,520

taxes okay confiscation of property of

1691

01:04:00,870 --> 01:03:59,119

dissidents and immigrants

1692

01:04:02,950 --> 01:04:00,880

okay this is already happening except

1693

01:04:03,349 --> 01:04:02,960

now it's not just distance immigrants

1694

01:04:05,270 --> 01:04:03,359

it's

1695

01:04:07,190 --> 01:04:05,280

if they catch you with a joint they take

1696

01:04:08,230 --> 01:04:07,200

your house and your boat and your cars

1697

01:04:10,870 --> 01:04:08,240

right

1698

01:04:13,029 --> 01:04:10,880

creation of a monopolistic central bank

1699

01:04:13,510 --> 01:04:13,039

well can you spell federal reserve

1700

01:04:16,230 --> 01:04:13,520

system

1701
01:04:17,430 --> 01:04:16,240
there it is centralize all communication

1702
01:04:19,750 --> 01:04:17,440
and transportation

1703
01:04:21,510 --> 01:04:19,760
and it's that's happening uh central

1704
01:04:22,309 --> 01:04:21,520
control over all the factories and farm

1705
01:04:24,870 --> 01:04:22,319
production

1706
01:04:26,230 --> 01:04:24,880
that's happening okay today if your kids

1707
01:04:28,870 --> 01:04:26,240
try to set up a

1708
01:04:31,990 --> 01:04:28,880
lemonade stand as city officials be all

1709
01:04:34,470 --> 01:04:32,000
over them demanding a license and

1710
01:04:36,789 --> 01:04:34,480
health study and everything else central

1711
01:04:37,589 --> 01:04:36,799
ownership of capital with a deployable

1712
01:04:39,670 --> 01:04:37,599
workforce

1713
01:04:41,349 --> 01:04:39,680

hey that sounds like us doesn't it few

1714

01:04:42,870 --> 01:04:41,359

corporations run everything in the

1715

01:04:45,670 --> 01:04:42,880

deployable workforce

1716

01:04:47,750 --> 01:04:45,680

is flipping burgers blur the distinction

1717

01:04:49,270 --> 01:04:47,760

blur the distinction between the rural

1718

01:04:51,270 --> 01:04:49,280

country and the cities

1719

01:04:53,190 --> 01:04:51,280

well it's not being blurred today it's

1720

01:04:55,829 --> 01:04:53,200

being eliminated you need a big

1721

01:04:57,670 --> 01:04:55,839

agriculture with huge corporate farms

1722

01:05:00,789 --> 01:04:57,680

are you moving back to the city

1723

01:05:02,470 --> 01:05:00,799

man the the little gentleman farmer is

1724

01:05:05,190 --> 01:05:02,480

just about being wiped out

1725

01:05:06,230 --> 01:05:05,200

and last but not least free public

1726

01:05:09,029 --> 01:05:06,240

education

1727

01:05:10,549 --> 01:05:09,039

for all children and there you go and

1728

01:05:11,750 --> 01:05:10,559

that's when you catch them at an early

1729

01:05:14,069 --> 01:05:11,760

age

1730

01:05:15,190 --> 01:05:14,079

and you condition them to be good little

1731

01:05:16,549 --> 01:05:15,200

socialists

1732

01:05:18,789 --> 01:05:16,559

yeah i think that's also called

1733

01:05:22,390 --> 01:05:18,799

programming exactly

1734

01:05:22,950 --> 01:05:22,400

yeah golly so see it's uh it's all

1735

01:05:25,029 --> 01:05:22,960

happening

1736

01:05:26,390 --> 01:05:25,039

and we're we're just we're the frog in

1737

01:05:27,910 --> 01:05:26,400

the pot and the pots

1738

01:05:30,150 --> 01:05:27,920

starting to boil and we're still just

1739

01:05:31,190 --> 01:05:30,160

sitting there yeah it's kind of hard to

1740

01:05:33,349 --> 01:05:31,200

tell whether you're

1741

01:05:34,950 --> 01:05:33,359

in the in the pot or the kettle at this

1742

01:05:35,990 --> 01:05:34,960

point but neither one of them are very

1743

01:05:38,230 --> 01:05:36,000

comfortable

1744

01:05:39,670 --> 01:05:38,240

nope um we've got someone in the chat

1745

01:05:42,470 --> 01:05:39,680

room who wants to know

1746

01:05:44,230 --> 01:05:42,480

if you have any idea where the daughters

1747

01:05:46,870 --> 01:05:44,240

of hitler might have wound up

1748

01:05:48,150 --> 01:05:46,880

we had talked earlier you said that ava

1749

01:05:50,230 --> 01:05:48,160

supposedly left him

1750

01:05:52,390 --> 01:05:50,240

and took at least one of them with her

1751

01:05:54,069 --> 01:05:52,400

do you know anything else that

1752

01:05:56,549 --> 01:05:54,079

other than the fact that we don't think

1753

01:05:58,549 --> 01:05:56,559

that any of them are angela merkel

1754

01:06:00,150 --> 01:05:58,559

at this point do you know where they

1755

01:06:00,710 --> 01:06:00,160

might have hopefully we put that one to

1756

01:06:03,510 --> 01:06:00,720

rest

1757

01:06:03,990 --> 01:06:03,520

no actually i really don't i'll admit

1758

01:06:05,750 --> 01:06:04,000

some of this

1759

01:06:07,270 --> 01:06:05,760

information about the two daughters is

1760

01:06:09,750 --> 01:06:07,280

fairly recent um

1761

01:06:10,390 --> 01:06:09,760

or at least to me it's kind of new to me

1762

01:06:11,990 --> 01:06:10,400

and

1763

01:06:14,069 --> 01:06:12,000

i have not had the opportunity to really

1764

01:06:15,430 --> 01:06:14,079

track all that down and in fact it i

1765

01:06:16,789 --> 01:06:15,440

would think it's going to be very

1766

01:06:19,349 --> 01:06:16,799

difficult

1767

01:06:21,750 --> 01:06:19,359

to do that i'm sure there's somebody

1768

01:06:23,270 --> 01:06:21,760

within the cia or the state department

1769

01:06:25,109 --> 01:06:23,280

it's got a little secret file hidden

1770

01:06:26,870 --> 01:06:25,119

away somewhere that might have some of

1771

01:06:29,670 --> 01:06:26,880

that knowledge but as far as

1772

01:06:30,870 --> 01:06:29,680

as knowledge in the public i would doubt

1773

01:06:33,270 --> 01:06:30,880

very seriously if that's

1774

01:06:34,630 --> 01:06:33,280

out there i also would suspect since

1775

01:06:38,150 --> 01:06:34,640

they both

1776

01:06:41,190 --> 01:06:38,160

were were either born or or initially

1777

01:06:42,390 --> 01:06:41,200

were in uh argentina or south america

1778

01:06:46,549 --> 01:06:42,400

somewhere that they might

1779

01:06:50,390 --> 01:06:46,559

have remained there ah

1780

01:06:53,349 --> 01:06:50,400

okay because you usually

1781

01:06:54,230 --> 01:06:53,359

stay where you were born and reared well

1782

01:06:55,829 --> 01:06:54,240

but

1783

01:06:57,589 --> 01:06:55,839

unless you're unless your parents are in

1784

01:06:58,309 --> 01:06:57,599

the military i mean you travel around a

1785

01:07:00,789 --> 01:06:58,319

lot

1786

01:07:02,470 --> 01:07:00,799

right right or or unless you were hoping

1787

01:07:03,349 --> 01:07:02,480

to become president of the united states

1788

01:07:06,309 --> 01:07:03,359

one day

1789

01:07:08,230 --> 01:07:06,319

yeah um you had said one of them was

1790

01:07:10,230 --> 01:07:08,240

born in 1938

1791

01:07:12,069 --> 01:07:10,240

and that would have put them probably

1792

01:07:13,510 --> 01:07:12,079

over in germany that one

1793

01:07:16,309 --> 01:07:13,520

that one daughter if that was an

1794

01:07:18,390 --> 01:07:16,319

accurate uh i mean you'd never know

1795

01:07:20,150 --> 01:07:18,400

right i would have apparently was born

1796

01:07:22,549 --> 01:07:20,160

in 1945

1797

01:07:24,470 --> 01:07:22,559

mid to late 45 which means she was

1798

01:07:28,069 --> 01:07:24,480

probably in transit

1799

01:07:31,750 --> 01:07:28,079

move moving from from

1800

01:07:33,750 --> 01:07:31,760

germany to argentina yeah because i

1801

01:07:34,549 --> 01:07:33,760

don't think they arrived in argentina

1802

01:07:37,510 --> 01:07:34,559

until

1803

01:07:38,710 --> 01:07:37,520

maybe even i need to go back check but

1804

01:07:40,470 --> 01:07:38,720

seems like there was

1805

01:07:43,029 --> 01:07:40,480

considerable months maybe even a few

1806

01:07:44,710 --> 01:07:43,039

years before they arrived in argentina

1807

01:07:46,950 --> 01:07:44,720

it didn't happen overnight

1808

01:07:47,750 --> 01:07:46,960

no and do do you think that they did go

1809

01:07:49,430 --> 01:07:47,760

by u-boat

1810

01:07:52,390 --> 01:07:49,440

i had seen that in a couple of different

1811

01:07:53,349 --> 01:07:52,400

places yes i think so it might explain

1812

01:07:57,349 --> 01:07:53,359

the three

1813

01:08:00,710 --> 01:07:57,359

giant u-boat that

1814

01:08:01,349 --> 01:08:00,720

turned themselves over the allies just a

1815

01:08:03,349 --> 01:08:01,359

few

1816

01:08:05,190 --> 01:08:03,359

weeks after the war ended in south

1817

01:08:06,950 --> 01:08:05,200

america and

1818

01:08:08,710 --> 01:08:06,960

they were in south america when the war

1819

01:08:12,150 --> 01:08:08,720

ended and they

1820

01:08:12,549 --> 01:08:12,160

had room for all kinds of uh passengers

1821

01:08:21,110 --> 01:08:12,559

and

1822

01:08:22,829 --> 01:08:21,120

didn't know or wouldn't talk about who

1823

01:08:26,390 --> 01:08:22,839

they had carried

1824

01:08:28,950 --> 01:08:26,400

interesting um we were talking

1825

01:08:31,990 --> 01:08:28,960

earlier a little bit about religion um

1826

01:08:35,269 --> 01:08:32,000

and the the catholics in the vatican

1827

01:08:37,990 --> 01:08:35,279

um hitler was really into the occult

1828

01:08:39,990 --> 01:08:38,000

and i know that there is uh i don't know

1829

01:08:43,030 --> 01:08:40,000

a whole lot about the vril and the

1830

01:08:46,229 --> 01:08:43,040

is it the thule the another shaft

1831

01:08:50,149 --> 01:08:46,239

yes very much the occult

1832

01:08:53,110 --> 01:08:50,159

right right um yeah in fact you know

1833

01:08:54,950 --> 01:08:53,120

according to his biographer john tolen

1834

01:08:57,510 --> 01:08:54,960

in his book adolf hitler

1835

01:09:00,309 --> 01:08:57,520

uh in a poem the hitler wrote during

1836

01:09:02,309 --> 01:09:00,319

world war one in 1915

1837

01:09:04,870 --> 01:09:02,319

here's what he wrote he says i often go

1838

01:09:06,149 --> 01:09:04,880

on bitter nights to wotons oak and the

1839

01:09:08,950 --> 01:09:06,159

quad clade

1840

01:09:10,950 --> 01:09:08,960

with dark powers to weave a union the

1841

01:09:13,030 --> 01:09:10,960

runic letter the moon makes with its

1842

01:09:14,550 --> 01:09:13,040

magic spell and all who are full of

1843

01:09:17,910 --> 01:09:14,560

infinities during the day

1844

01:09:20,789 --> 01:09:17,920

are made small by the magic formula

1845

01:09:22,070 --> 01:09:20,799

sounds pretty occult to me this sounds

1846

01:09:24,789 --> 01:09:22,080

kind of creepy

1847

01:09:26,950 --> 01:09:24,799

it kind of is in fact you know there's

1848

01:09:28,709 --> 01:09:26,960

it's uh there is a creepy aspect of the

1849

01:09:30,470 --> 01:09:28,719

whole thing over and above the fact that

1850

01:09:31,189 --> 01:09:30,480

so many people died and we had a world

1851

01:09:34,149 --> 01:09:31,199

war

1852

01:09:36,149 --> 01:09:34,159

and um there was one of and there's been

1853

01:09:38,630 --> 01:09:36,159

several people who say that

1854

01:09:40,950 --> 01:09:38,640

when hitler made a talk early on uh he

1855

01:09:42,229 --> 01:09:40,960

would show up usually late to build up

1856

01:09:44,390 --> 01:09:42,239

excitement and

1857

01:09:46,950 --> 01:09:44,400

tension and then he would come out he

1858

01:09:49,990 --> 01:09:46,960

was just a small demented little guy

1859

01:09:51,189 --> 01:09:50,000

and and kind of quiet he'd walk out and

1860

01:09:53,749 --> 01:09:51,199

they almost acted

1861

01:09:55,510 --> 01:09:53,759

if he was bashful and shy and then he

1862

01:09:57,510 --> 01:09:55,520

would start to speak in a

1863

01:09:59,510 --> 01:09:57,520

kind of a low tone and then it was

1864

01:10:03,350 --> 01:09:59,520

almost as though

1865

01:10:05,830 --> 01:10:03,360

just became a separate person

1866

01:10:06,390 --> 01:10:05,840

and he would then launch into it and he

1867

01:10:08,870 --> 01:10:06,400

would use

1868

01:10:11,270 --> 01:10:08,880

phrases and words and he would he would

1869

01:10:13,750 --> 01:10:11,280

begin to get louder louder and shout

1870

01:10:14,950 --> 01:10:13,760

and get real impassioned you know uh to

1871

01:10:16,550 --> 01:10:14,960

the point of where

1872

01:10:18,310 --> 01:10:16,560

he would take an audience that were kind

1873

01:10:20,630 --> 01:10:18,320

of so-so when he arrived

1874

01:10:22,390 --> 01:10:20,640

and by the time he was at the height of

1875

01:10:23,910 --> 01:10:22,400

his oratory that they're screaming

1876

01:10:24,709 --> 01:10:23,920

hollering jumping up and jumping up and

1877

01:10:26,950 --> 01:10:24,719

down

1878

01:10:27,830 --> 01:10:26,960

he there obviously was some some some

1879

01:10:29,590 --> 01:10:27,840

real power

1880

01:10:31,990 --> 01:10:29,600

there and i and i guess what i'm trying

1881

01:10:33,030 --> 01:10:32,000

to say is it it almost acts seems like

1882

01:10:37,270 --> 01:10:33,040

it that it was not

1883

01:10:38,470 --> 01:10:37,280

totally his yeah i i see your point and

1884

01:10:41,910 --> 01:10:38,480

yet on the other hand

1885

01:10:44,070 --> 01:10:41,920

um i i saw in a a

1886

01:10:45,669 --> 01:10:44,080

little blurb about you on wikipedia that

1887

01:10:46,790 --> 01:10:45,679

you were raised in a very strict

1888

01:10:50,390 --> 01:10:46,800

southern baptist

1889

01:10:52,390 --> 01:10:50,400

home as i was and uh we're both

1890

01:10:53,430 --> 01:10:52,400

recovering from that probably still

1891

01:10:56,310 --> 01:10:53,440

today right

1892

01:10:57,510 --> 01:10:56,320

uh you and i both know that uh the devil

1893

01:11:00,470 --> 01:10:57,520

made him do it

1894

01:11:01,669 --> 01:11:00,480

well you know that that that kind of

1895

01:11:05,910 --> 01:11:01,679

fervor

1896

01:11:06,790 --> 01:11:05,920

can be used as a almost a hypnotic

1897

01:11:09,669 --> 01:11:06,800

device

1898

01:11:11,750 --> 01:11:09,679

in oratory yeah and i i think that there

1899

01:11:14,470 --> 01:11:11,760

are a lot of evangelical

1900

01:11:15,189 --> 01:11:14,480

ministers that have developed that to an

1901

01:11:17,830 --> 01:11:15,199

art form

1902

01:11:19,350 --> 01:11:17,840

and i that when i see him speaking in

1903

01:11:22,470 --> 01:11:19,360

the old black and white

1904

01:11:25,270 --> 01:11:22,480

uh reels of film i'm looking at him and

1905

01:11:28,870 --> 01:11:25,280

thinking it's just like a tent revival

1906

01:11:30,790 --> 01:11:28,880

yeah exactly exactly and just like you

1907

01:11:31,750 --> 01:11:30,800

you know the the old-time evangelists

1908

01:11:33,430 --> 01:11:31,760

could get though

1909

01:11:36,070 --> 01:11:33,440

that whole tent full of people on their

1910

01:11:38,709 --> 01:11:36,080

feet stomping and shouting and you know

1911

01:11:39,990 --> 01:11:38,719

so did hitler yeah you've see you've

1912

01:11:44,149 --> 01:11:40,000

seen the news reels you know

1913

01:11:52,070 --> 01:11:47,669

see yeah i mean there they all

1914

01:11:55,350 --> 01:11:52,080

are and uh never underestimate the power

1915

01:11:56,070 --> 01:11:55,360

of uh the collective consciousness oh

1916

01:11:57,830 --> 01:11:56,080

yes

1917

01:11:59,990 --> 01:11:57,840

when you get a group of people together

1918

01:12:01,110 --> 01:12:00,000

you know unfortunately we are animals

1919

01:12:03,110 --> 01:12:01,120

and sometimes

1920

01:12:04,950 --> 01:12:03,120

we act just like panicked animals you

1921

01:12:06,950 --> 01:12:04,960

know if everybody's running for an exit

1922

01:12:09,590 --> 01:12:06,960

everybody will run for the exit

1923

01:12:10,950 --> 01:12:09,600

yeah well i mean with uh what we're just

1924

01:12:13,030 --> 01:12:10,960

starting to understand about

1925

01:12:14,950 --> 01:12:13,040

electromagnetic fields and if each one

1926

01:12:16,870 --> 01:12:14,960

of us has an electromagnetic field and

1927

01:12:18,630 --> 01:12:16,880

we're all in a big group of people and

1928

01:12:20,790 --> 01:12:18,640

our electromagnetic fields are getting

1929

01:12:23,270 --> 01:12:20,800

whipped up by something like that

1930

01:12:25,990 --> 01:12:23,280

who knows how much of that is is

1931

01:12:28,149 --> 01:12:26,000

completely electrical that's happening

1932

01:12:30,790 --> 01:12:28,159

well they can prove this scientifically

1933

01:12:32,950 --> 01:12:30,800

it's called brain wave entrainment

1934

01:12:34,630 --> 01:12:32,960

and uh what you do is you get a tuning

1935

01:12:37,750 --> 01:12:34,640

fork and then you get a

1936

01:12:40,390 --> 01:12:37,760

another tuning fork and you

1937

01:12:42,149 --> 01:12:40,400

you tap one and it starts vibrating at a

1938

01:12:45,270 --> 01:12:42,159

certain frequency you say

1939

01:12:49,430 --> 01:12:47,430

and then you simply hold the other one

1940

01:12:51,030 --> 01:12:49,440

up next to it

1941

01:12:52,709 --> 01:12:51,040

don't you don't hit it you don't tap it

1942

01:12:56,310 --> 01:12:52,719

you just hold it up next to it before

1943

01:12:59,590 --> 01:12:56,320

long it's vibrating it hey

1944

01:13:03,189 --> 01:12:59,600

so our electrical our uh

1945

01:13:05,350 --> 01:13:03,199

electro magnetic fields that surround

1946

01:13:05,590 --> 01:13:05,360

our body and activate us and probably

1947

01:13:08,950 --> 01:13:05,600

are

1948

01:13:11,830 --> 01:13:08,960

actually the real us i mean we're energy

1949

01:13:14,070 --> 01:13:11,840

beings inhabiting these meat sacks

1950

01:13:14,950 --> 01:13:14,080

okay and so this energy being is

1951

01:13:17,189 --> 01:13:14,960

vibrating

1952

01:13:19,110 --> 01:13:17,199

at a certain frequency and so when you

1953

01:13:21,990 --> 01:13:19,120

get up next to another

1954

01:13:24,149 --> 01:13:22,000

energy being it it by brainwave

1955

01:13:25,270 --> 01:13:24,159

entrainment it'll start vibrating at the

1956

01:13:27,590 --> 01:13:25,280

same frequency

1957

01:13:28,630 --> 01:13:27,600

that's why i'm sure everybody's had the

1958

01:13:30,630 --> 01:13:28,640

experience that

1959

01:13:32,470 --> 01:13:30,640

maybe say you're just kind of okay and

1960

01:13:34,390 --> 01:13:32,480

you go to a party and it's a real

1961

01:13:36,149 --> 01:13:34,400

frenetic party and everybody's

1962

01:13:37,669 --> 01:13:36,159

jumping and dancing and laughing and

1963

01:13:39,350 --> 01:13:37,679

screaming and hollering and going wild

1964

01:13:41,830 --> 01:13:39,360

and pretty soon you are too

1965

01:13:43,350 --> 01:13:41,840

or you go to one and it's real quiet and

1966

01:13:44,070 --> 01:13:43,360

dull and everybody's kind of sitting

1967

01:13:45,590 --> 01:13:44,080

around and

1968

01:13:47,270 --> 01:13:45,600

you're ready to party but it ain't

1969

01:13:47,990 --> 01:13:47,280

happening so pretty soon you're sitting

1970

01:13:49,590 --> 01:13:48,000

there

1971

01:13:52,149 --> 01:13:49,600

you know you're doing the same thing

1972

01:13:53,030 --> 01:13:52,159

because we we latch on to the other

1973

01:13:55,270 --> 01:13:53,040

frequencies

1974

01:13:57,830 --> 01:13:55,280

and we tend to vibrate and go along with

1975

01:14:01,510 --> 01:13:57,840

the frequencies that surround us

1976

01:14:05,430 --> 01:14:01,520

well you yourself have written about um

1977

01:14:07,510 --> 01:14:05,440

some of the uh pre-end of world war ii

1978

01:14:08,870 --> 01:14:07,520

technology that that the german they

1979

01:14:10,470 --> 01:14:08,880

were they were like

1980

01:14:11,990 --> 01:14:10,480

i'm not going to say addicted but they

1981

01:14:14,550 --> 01:14:12,000

were just seduced by

1982

01:14:16,550 --> 01:14:14,560

all of the occult information the

1983

01:14:17,430 --> 01:14:16,560

sumerian the babylonian the ancient

1984

01:14:19,430 --> 01:14:17,440

egyptian

1985

01:14:21,830 --> 01:14:19,440

and there's a lot of that that has to do

1986

01:14:24,310 --> 01:14:21,840

with sonic manipulation and energy

1987

01:14:25,270 --> 01:14:24,320

vibration yeah and i think in fact they

1988

01:14:27,990 --> 01:14:25,280

picked up

1989

01:14:29,350 --> 01:14:28,000

a lot of their uh their information

1990

01:14:32,229 --> 01:14:29,360

their technology

1991

01:14:33,110 --> 01:14:32,239

from non-human sources and uh but here's

1992

01:14:34,630 --> 01:14:33,120

what's interesting

1993

01:14:36,950 --> 01:14:34,640

you know for years i've heard stories

1994

01:14:38,870 --> 01:14:36,960

about well they captured a flying saucer

1995

01:14:40,070 --> 01:14:38,880

in north africa now they captured a

1996

01:14:41,990 --> 01:14:40,080

flying saucer in

1997

01:14:43,350 --> 01:14:42,000

poland and i kept trying to track these

1998

01:14:44,790 --> 01:14:43,360

stories and none of them ever really

1999

01:14:47,430 --> 01:14:44,800

seemed to pan out

2000

01:14:48,870 --> 01:14:47,440

and i am now the opinion that they begin

2001

01:14:52,070 --> 01:14:48,880

to make contact

2002

01:14:54,630 --> 01:14:52,080

with uh non-humans as far back as

2003

01:14:56,709 --> 01:14:54,640

about the time of world war one 1915

2004

01:14:59,030 --> 01:14:56,719

1918 somewhere in there

2005

01:15:00,149 --> 01:14:59,040

through the german metaphysical

2006

01:15:03,350 --> 01:15:00,159

societies

2007

01:15:06,790 --> 01:15:03,360

okay this the real society the

2008

01:15:08,950 --> 01:15:06,800

dual gazelle shock okay and

2009

01:15:11,110 --> 01:15:08,960

the way they did it was psychically it's

2010

01:15:12,950 --> 01:15:11,120

like we use remote viewing

2011

01:15:15,669 --> 01:15:12,960

well they were doing remote viewing and

2012

01:15:17,189 --> 01:15:15,679

they came into contact with non-human

2013

01:15:20,470 --> 01:15:17,199

intelligences

2014

01:15:20,950 --> 01:15:20,480

and uh by having what we would have

2015

01:15:24,390 --> 01:15:20,960

called

2016

01:15:25,030 --> 01:15:24,400

in seances and what's really fascinating

2017

01:15:30,149 --> 01:15:25,040

is

2018

01:15:32,149 --> 01:15:30,159

we went in and we grabbed all their

2019

01:15:34,470 --> 01:15:32,159

rocket scientists and we got all their

2020

01:15:35,990 --> 01:15:34,480

chemical warfare experts and mind

2021

01:15:39,030 --> 01:15:36,000

control experts

2022

01:15:40,950 --> 01:15:39,040

but when it came to psychic matters

2023

01:15:42,070 --> 01:15:40,960

none of our people believed that so we

2024

01:15:44,229 --> 01:15:42,080

kind of let it go

2025

01:15:45,910 --> 01:15:44,239

but the russians they went in and

2026

01:15:48,430 --> 01:15:45,920

grabbed their psychics

2027

01:15:49,990 --> 01:15:48,440

and uh that's what led to psychic

2028

01:15:51,990 --> 01:15:50,000

experimentation

2029

01:15:54,550 --> 01:15:52,000

behind the iron curtain which then in

2030

01:15:57,030 --> 01:15:54,560

turn when we found out about all this

2031

01:15:59,110 --> 01:15:57,040

we in turn had to start experimenting

2032

01:16:01,910 --> 01:15:59,120

and developing remote viewing

2033

01:16:03,110 --> 01:16:01,920

the psychic phenomena that our military

2034

01:16:06,550 --> 01:16:03,120

has used

2035

01:16:07,510 --> 01:16:06,560

uh and what i've now find out is that

2036

01:16:10,630 --> 01:16:07,520

the nazis

2037

01:16:11,910 --> 01:16:10,640

this was all under a a metaphysical

2038

01:16:15,590 --> 01:16:11,920

program called

2039

01:16:17,270 --> 01:16:15,600

magic m-a-j-i-k now this is really

2040

01:16:20,870 --> 01:16:17,280

fascinating to me because

2041

01:16:24,630 --> 01:16:20,880

if you know your ufo literature

2042

01:16:28,070 --> 01:16:24,640

and then you know that early on

2043

01:16:29,669 --> 01:16:28,080

the uh the group that was put in charge

2044

01:16:34,149 --> 01:16:29,679

of the ufo issue

2045

01:16:36,070 --> 01:16:34,159

was known as magic 12 in a gic and

2046

01:16:38,550 --> 01:16:36,080

later i think in an effort to confuse

2047

01:16:40,550 --> 01:16:38,560

the public they said no no it's majestic

2048

01:16:42,229 --> 01:16:40,560

12. they might have actually changed

2049

01:16:44,149 --> 01:16:42,239

their name just to try to

2050

01:16:46,149 --> 01:16:44,159

keep everything hidden but originally it

2051
01:16:47,350 --> 01:16:46,159
was magic and i think it may have been a

2052
01:16:50,550 --> 01:16:47,360
continuation

2053
01:16:53,189 --> 01:16:50,560
of the nazi magic metaphysical program

2054
01:16:55,510 --> 01:16:53,199
and you have um yeah it's interesting i

2055
01:16:57,430 --> 01:16:55,520
don't i guess you weren't listening to

2056
01:16:59,750 --> 01:16:57,440
jerry pippen that was on just before we

2057
01:17:02,390 --> 01:16:59,760
started but he they were actually

2058
01:17:03,830 --> 01:17:02,400
his guest was actually plugging the book

2059
01:17:07,270 --> 01:17:03,840
that you wrote

2060
01:17:09,350 --> 01:17:07,280
uh in the 90s and it you had it at the

2061
01:17:10,709 --> 01:17:09,360
publisher and they refused to publish it

2062
01:17:14,229 --> 01:17:10,719
at the last minute

2063
01:17:24,070 --> 01:17:14,239

uh about psychic about remote viewing

2064

01:17:28,550 --> 01:17:27,350

with the success of my jfk assassination

2065

01:17:30,630 --> 01:17:28,560

book crossfire

2066

01:17:32,070 --> 01:17:30,640

i as i travel around the country and ask

2067

01:17:33,030 --> 01:17:32,080

everybody what do you think is the next

2068

01:17:35,590 --> 01:17:33,040

big deep dark

2069

01:17:37,189 --> 01:17:35,600

secret government cover-up and almost

2070

01:17:39,510 --> 01:17:37,199

without exception

2071

01:17:42,070 --> 01:17:39,520

almost unanimously people said we want

2072

01:17:43,750 --> 01:17:42,080

to know what's the truth about ufos

2073

01:17:45,350 --> 01:17:43,760

so i said you know i've always been

2074

01:17:46,470 --> 01:17:45,360

interested in ufos i kind of want to

2075

01:17:50,229 --> 01:17:46,480

know that too

2076

01:17:53,189 --> 01:17:50,239

so i began to start heavily researching

2077

01:17:54,790 --> 01:17:53,199

ufos and i began to get back into the

2078

01:17:57,990 --> 01:17:54,800

ufo research community

2079

01:18:01,350 --> 01:17:58,000

and as a result i became aware of remote

2080

01:18:03,350 --> 01:18:01,360

viewing and i just went wow i said now

2081

01:18:04,310 --> 01:18:03,360

here's a real story i got sidetracked

2082

01:18:07,110 --> 01:18:04,320

because i said

2083

01:18:08,149 --> 01:18:07,120

i thought you know remote viewing this

2084

01:18:13,669 --> 01:18:08,159

psychic

2085

01:18:15,830 --> 01:18:13,679

on our enemies you know and see things

2086

01:18:17,750 --> 01:18:15,840

through time and space and i'm going

2087

01:18:19,669 --> 01:18:17,760

you know what a story this is i said

2088

01:18:20,550 --> 01:18:19,679

because look it's either true or it's

2089

01:18:23,830 --> 01:18:20,560

not true

2090

01:18:25,270 --> 01:18:23,840

of a story because look at this waste of

2091

01:18:27,669 --> 01:18:25,280

taxpayer money

2092

01:18:29,910 --> 01:18:27,679

and if it is true wow then this is a

2093

01:18:33,110 --> 01:18:29,920

giant leap for mankind you know

2094

01:18:34,950 --> 01:18:33,120

so i stopped and to dig into the uh

2095

01:18:36,310 --> 01:18:34,960

the psychic remote viewing of the

2096

01:18:38,709 --> 01:18:36,320

military uh

2097

01:18:40,310 --> 01:18:38,719

they got got three of these remote

2098

01:18:41,830 --> 01:18:40,320

viewers who are willing to put their

2099

01:18:43,590 --> 01:18:41,840

name on the line even though they had

2100

01:18:45,189 --> 01:18:43,600

all signed secrecy oath

2101

01:18:47,590 --> 01:18:45,199

even though this program was still a

2102

01:18:51,030 --> 01:18:47,600

very classified program at that time

2103

01:18:52,950 --> 01:18:51,040

this was in the early 90s and uh

2104

01:18:55,270 --> 01:18:52,960

and so i started researching and found

2105

01:18:58,390 --> 01:18:55,280

out all about their experimentation

2106

01:18:59,990 --> 01:18:58,400

uh at stanford research institute and at

2107

01:19:01,990 --> 01:19:00,000

the monroe institute and all the

2108

01:19:02,470 --> 01:19:02,000

scientific study that had gone into it

2109

01:19:06,149 --> 01:19:02,480

and

2110

01:19:07,430 --> 01:19:06,159

to interview some of the people involved

2111

01:19:08,310 --> 01:19:07,440

in the unit and some of them wouldn't

2112

01:19:10,310 --> 01:19:08,320

talk to me at all

2113

01:19:11,990 --> 01:19:10,320

some would only talk very hesitantly but

2114

01:19:13,910 --> 01:19:12,000

didn't want their names used

2115

01:19:15,590 --> 01:19:13,920

very few since it was a classified

2116

01:19:16,630 --> 01:19:15,600

program but most of them didn't want to

2117

01:19:19,430 --> 01:19:16,640

talk about it and

2118

01:19:21,110 --> 01:19:19,440

so i was so enthusiastic i said man look

2119

01:19:23,030 --> 01:19:21,120

we've got this great story in it

2120

01:19:24,630 --> 01:19:23,040

it's very real and it's all happening

2121

01:19:26,470 --> 01:19:24,640

and they're using taxpayer money and

2122

01:19:27,350 --> 01:19:26,480

they got this whole unit in the united

2123

01:19:30,229 --> 01:19:27,360

states

2124

01:19:31,270 --> 01:19:30,239

uh army's uh intelligence security

2125

01:19:32,790 --> 01:19:31,280

command

2126
01:19:34,790 --> 01:19:32,800
you know i said this is gonna be great

2127
01:19:35,750 --> 01:19:34,800
and it got to win it got to to the

2128
01:19:38,950 --> 01:19:35,760
publisher

2129
01:19:41,590 --> 01:19:38,960
they even had advanced orders and uh

2130
01:19:42,550 --> 01:19:41,600
all of a sudden they just said nope boom

2131
01:19:44,709 --> 01:19:42,560
slam

2132
01:19:46,310 --> 01:19:44,719
said not can't publish this and could

2133
01:19:47,590 --> 01:19:46,320
never give me any real reasonable

2134
01:19:49,750 --> 01:19:47,600
explanation

2135
01:19:51,350 --> 01:19:49,760
and to prove that it was nothing more

2136
01:19:53,830 --> 01:19:51,360
than just censorship

2137
01:19:54,709 --> 01:19:53,840
uh you know that if you try to publish a

2138
01:19:57,430 --> 01:19:54,719

book

2139

01:19:58,870 --> 01:19:57,440

and uh the publisher gives you uh

2140

01:20:01,590 --> 01:19:58,880

advanced payment

2141

01:20:02,790 --> 01:20:01,600

of some sort and then it turns out that

2142

01:20:04,470 --> 01:20:02,800

for whatever reason

2143

01:20:06,149 --> 01:20:04,480

you cannot publish that book either

2144

01:20:07,990 --> 01:20:06,159

because of a legal problem

2145

01:20:09,510 --> 01:20:08,000

or because something turns out to be not

2146

01:20:13,189 --> 01:20:09,520

true or whatever

2147

01:20:15,590 --> 01:20:13,199

you have to pay back the advance right

2148

01:20:16,229 --> 01:20:15,600

yeah well they paid me the rest of the

2149

01:20:17,590 --> 01:20:16,239

money he said

2150

01:20:19,270 --> 01:20:17,600

you know here's the money take it go

2151

01:20:21,270 --> 01:20:19,280

away you know

2152

01:20:22,790 --> 01:20:21,280

they kind of like hush money almost hush

2153

01:20:24,629 --> 01:20:22,800

money yeah you know

2154

01:20:26,390 --> 01:20:24,639

and then if you'll follow the the

2155

01:20:27,430 --> 01:20:26,400

chronology which i wasn't aware of at

2156

01:20:29,430 --> 01:20:27,440

the time

2157

01:20:31,189 --> 01:20:29,440

that this was about i was about to break

2158

01:20:32,229 --> 01:20:31,199

open this classified program it was

2159

01:20:35,270 --> 01:20:32,239

going to come out in the

2160

01:20:37,110 --> 01:20:35,280

summer of 1995 and it was still a

2161

01:20:38,550 --> 01:20:37,120

classified program nobody knew about it

2162

01:20:40,149 --> 01:20:38,560

that's why i was so excited this is

2163

01:20:42,950 --> 01:20:40,159

going to be a big scoop

2164

01:20:44,950 --> 01:20:42,960

and uh but then they canceled the book

2165

01:20:47,990 --> 01:20:44,960

and then within two weeks they had

2166

01:20:48,709 --> 01:20:48,000

the cia had ordered up a study of remote

2167

01:20:51,990 --> 01:20:48,719

viewing but

2168

01:20:53,030 --> 01:20:52,000

heavily loaded with a a skeptic and a

2169

01:20:55,270 --> 01:20:53,040

debunker who

2170

01:20:56,709 --> 01:20:55,280

needs us to say you know came out with a

2171

01:20:58,830 --> 01:20:56,719

report that says oh well

2172

01:21:00,709 --> 01:20:58,840

there's really nothing going on here

2173

01:21:02,229 --> 01:21:00,719

unsurprisingly and that went on for a

2174

01:21:03,510 --> 01:21:02,239

few months and then that's like two or

2175

01:21:04,390 --> 01:21:03,520

three months later they came out with

2176
01:21:06,550 --> 01:21:04,400
this report

2177
01:21:07,830 --> 01:21:06,560
and they actually issued a press release

2178
01:21:09,990 --> 01:21:07,840
the cia saying

2179
01:21:11,590 --> 01:21:10,000
okay here's what we've been doing uh

2180
01:21:12,550 --> 01:21:11,600
we've been doing this remote viewing and

2181
01:21:15,669 --> 01:21:12,560
studying it

2182
01:21:17,270 --> 01:21:15,679
and uh we we don't think it's all that

2183
01:21:17,590 --> 01:21:17,280
good and we don't think it's very real

2184
01:21:19,990 --> 01:21:17,600
and

2185
01:21:22,790 --> 01:21:20,000
we just thought we'd let you know uh

2186
01:21:25,110 --> 01:21:22,800
come on when's the cia ever voluntarily

2187
01:21:26,550 --> 01:21:25,120
uh broken open one of their classified

2188
01:21:28,790 --> 01:21:26,560

projects you know never

2189

01:21:30,629 --> 01:21:28,800

never so so they just i think they got

2190

01:21:31,669 --> 01:21:30,639

upset that i was gonna break the story

2191

01:21:34,709 --> 01:21:31,679

and make it seem too

2192

01:21:36,790 --> 01:21:34,719

real because what i did was uh

2193

01:21:38,709 --> 01:21:36,800

lay the groundwork and show the history

2194

01:21:39,910 --> 01:21:38,719

show the experimentation showed how they

2195

01:21:41,910 --> 01:21:39,920

formed the unit

2196

01:21:43,510 --> 01:21:41,920

uh you can still find all this my book

2197

01:21:46,149 --> 01:21:43,520

cite spies psi

2198

01:21:47,830 --> 01:21:46,159

spies uh the true story of america's

2199

01:21:50,390 --> 01:21:47,840

psychic warfare program

2200

01:21:51,590 --> 01:21:50,400

um because years later it was finally

2201

01:21:54,550 --> 01:21:51,600

published

2202

01:21:55,669 --> 01:21:54,560

but at this time they they didn't didn't

2203

01:21:56,790 --> 01:21:55,679

want it because

2204

01:21:58,950 --> 01:21:56,800

at the end of the book after

2205

01:22:00,149 --> 01:21:58,960

establishing the validity of the remote

2206

01:22:01,910 --> 01:22:00,159

viewing experience

2207

01:22:03,990 --> 01:22:01,920

i brought in the fact that they had all

2208

01:22:04,790 --> 01:22:04,000

seen ufos and that they're very real and

2209

01:22:07,189 --> 01:22:04,800

that they're not

2210

01:22:08,550 --> 01:22:07,199

us and they didn't want that out in a

2211

01:22:11,189 --> 01:22:08,560

credible manner

2212

01:22:12,550 --> 01:22:11,199

wow so many secrets i was gonna i'm glad

2213

01:22:14,950 --> 01:22:12,560

that you mentioned the title because i

2214

01:22:17,669 --> 01:22:14,960

had it pulled up here on amazon.com

2215

01:22:18,870 --> 01:22:17,679

you really need to go to amazon.com or

2216

01:22:24,790 --> 01:22:18,880

to jim mars's

2217

01:22:26,950 --> 01:22:24,800

um website jim mars j-i-m-m-a-r-r-s dot

2218

01:22:27,830 --> 01:22:26,960

and check out his titles look at the

2219

01:22:29,830 --> 01:22:27,840

book titles

2220

01:22:31,270 --> 01:22:29,840

uh they're available i think probably

2221

01:22:32,070 --> 01:22:31,280

every one of them is available as a

2222

01:22:33,750 --> 01:22:32,080

kindle

2223

01:22:35,990 --> 01:22:33,760

or an e-book and they're available in

2224

01:22:37,910 --> 01:22:36,000

hard copy i think so

2225

01:22:39,350 --> 01:22:37,920

except the thing that bothers me i think

2226

01:22:43,189 --> 01:22:39,360

they're all available as

2227

01:22:46,629 --> 01:22:43,199

as on a kindle electronic except

2228

01:22:49,910 --> 01:22:46,639

for alien agenda my book on ufos

2229

01:22:53,110 --> 01:22:49,920

which interestingly enough i'm told

2230

01:22:55,030 --> 01:22:53,120

is the top top-selling non-fiction book

2231

01:22:57,750 --> 01:22:55,040

on ufos in the world

2232

01:22:59,430 --> 01:22:57,760

yes i saw that translated into a dozen

2233

01:23:01,590 --> 01:22:59,440

languages and everything so it

2234

01:23:03,910 --> 01:23:01,600

kind of surprises me that the the one

2235

01:23:05,030 --> 01:23:03,920

that's a worldwide bestseller is the one

2236

01:23:07,510 --> 01:23:05,040

they don't have on

2237

01:23:09,590 --> 01:23:07,520

on electronics obviously it's just more

2238

01:23:11,910 --> 01:23:09,600

of the cover-up

2239

01:23:12,709 --> 01:23:11,920

who knows i'm not going to say that but

2240

01:23:15,590 --> 01:23:12,719

you said that

2241

01:23:17,270 --> 01:23:15,600

i mean but you you really do need to

2242

01:23:19,430 --> 01:23:17,280

check out these titles

2243

01:23:21,990 --> 01:23:19,440

we're getting close to running out of

2244

01:23:23,750 --> 01:23:22,000

time jim we've still got some time left

2245

01:23:25,510 --> 01:23:23,760

another question here in the chat room

2246

01:23:27,510 --> 01:23:25,520

what do you think about the bohemian

2247

01:23:29,110 --> 01:23:27,520

grove

2248

01:23:30,709 --> 01:23:29,120

oh well you know it depends on who you

2249

01:23:32,149 --> 01:23:30,719

want to listen to but isn't it

2250

01:23:33,910 --> 01:23:32,159

interesting that these

2251

01:23:36,390 --> 01:23:33,920

good old boys have to get together and

2252

01:23:38,390 --> 01:23:36,400

go out worship the owl and dance around

2253

01:23:39,990 --> 01:23:38,400

play like they're sacrificing a virgin

2254

01:23:41,350 --> 01:23:40,000

and they say oh well we're just playing

2255

01:23:43,430 --> 01:23:41,360

around you know

2256

01:23:44,950 --> 01:23:43,440

well i love to i like to go out and play

2257

01:23:46,790 --> 01:23:44,960

around too but i don't act like i'm

2258

01:23:48,629 --> 01:23:46,800

sacrificing a virgin

2259

01:23:51,030 --> 01:23:48,639

i think there's probably something there

2260

01:23:53,510 --> 01:23:51,040

that my friend alex jones as you know

2261

01:23:56,390 --> 01:23:53,520

infiltrated there one time and got some

2262

01:23:58,790 --> 01:23:56,400

pretty uh interesting stuff and again

2263

01:24:02,149 --> 01:23:58,800

it's the fact that it's always these

2264

01:24:03,750 --> 01:24:02,159

top guys okay uh top leadership people

2265

01:24:05,669 --> 01:24:03,760

they're very heavily involved with the

2266

01:24:07,189 --> 01:24:05,679

trilateral commission or the council on

2267

01:24:08,709 --> 01:24:07,199

foreign relations or the

2268

01:24:10,950 --> 01:24:08,719

you know the big banks the big

2269

01:24:12,550 --> 01:24:10,960

corporations you know if this this is

2270

01:24:23,430 --> 01:24:12,560

not just your local

2271

01:24:27,350 --> 01:24:26,070

oh yeah the the log international

2272

01:24:29,189 --> 01:24:27,360

society of log

2273

01:24:30,870 --> 01:24:29,199

something rather yeah the log or

2274

01:24:31,189 --> 01:24:30,880

something like that you know these these

2275

01:24:33,430 --> 01:24:31,199

uh

2276

01:24:34,790 --> 01:24:33,440

service organizations it's not that now

2277

01:24:39,030 --> 01:24:34,800

these guys are all

2278

01:24:40,470 --> 01:24:39,040

heavy into stuff and uh yeah yeah

2279

01:24:42,390 --> 01:24:40,480

they want and the thing is you just

2280

01:24:45,430 --> 01:24:42,400

can't go and find out you know

2281

01:24:48,709 --> 01:24:45,440

it seems like a very extremely

2282

01:24:51,189 --> 01:24:48,719

strange pastime very very odd

2283

01:24:52,629 --> 01:24:51,199

yeah you know they say well we're just

2284

01:24:53,350 --> 01:24:52,639

blowing off steam and kind of getting

2285

01:24:55,270 --> 01:24:53,360

together

2286

01:24:56,950 --> 01:24:55,280

but here's the thing hey pretty let's

2287

01:25:00,070 --> 01:24:56,960

put it let's uh

2288

01:25:03,350 --> 01:25:00,080

let's do it this way what if the owners

2289

01:25:06,470 --> 01:25:03,360

of all of the national football teams

2290

01:25:08,550 --> 01:25:06,480

uh met in a big old hotel uh

2291

01:25:09,669 --> 01:25:08,560

secluded way off somewhere with heavy

2292

01:25:12,070 --> 01:25:09,679

security

2293

01:25:13,669 --> 01:25:12,080

uh wouldn't let anybody in wouldn't tell

2294

01:25:14,390 --> 01:25:13,679

anybody exactly what it was they're

2295

01:25:17,350 --> 01:25:14,400

talking about

2296

01:25:18,629 --> 01:25:17,360

wouldn't the media go nuts and more

2297

01:25:20,790 --> 01:25:18,639

funny clothes and

2298

01:25:22,229 --> 01:25:20,800

yeah wouldn't they scream restraint of

2299

01:25:25,590 --> 01:25:22,239

trade collusion

2300

01:25:27,110 --> 01:25:25,600

you know yeah uh you know that's not

2301

01:25:28,229 --> 01:25:27,120

right you got to tell us what you're

2302

01:25:30,229 --> 01:25:28,239

talking about but

2303

01:25:32,550 --> 01:25:30,239

here's the captain of captains of

2304

01:25:34,229 --> 01:25:32,560

industry and nobody ever holds their

2305

01:25:37,110 --> 01:25:34,239

feet to the fire

2306

01:25:37,910 --> 01:25:37,120

yeah it's like they they they're kind of

2307

01:25:42,070 --> 01:25:37,920

above that

2308

01:25:43,830 --> 01:25:42,080

level of uh well a lot of them

2309

01:25:46,229 --> 01:25:43,840

yeah well that's true or they own the

2310

01:25:47,669 --> 01:25:46,239

media yeah and it's like the old land

2311

01:25:49,669 --> 01:25:47,679

that says freedom of the press

2312

01:25:51,430 --> 01:25:49,679

belongs to the guy that owns the press

2313

01:25:53,510 --> 01:25:51,440

yup like the

2314

01:25:54,950 --> 01:25:53,520

the the way that history turns out it

2315

01:25:56,310 --> 01:25:54,960

belongs to the guy who wrote the book

2316

01:25:59,110 --> 01:25:56,320

and had it published

2317

01:26:00,310 --> 01:25:59,120

that's right that's exactly right and

2318

01:26:03,110 --> 01:26:00,320

that's why

2319

01:26:03,590 --> 01:26:03,120

you know what what might be a fun thing

2320

01:26:05,590 --> 01:26:03,600

for

2321

01:26:06,870 --> 01:26:05,600

some of your listeners sometimes sitting

2322

01:26:07,350 --> 01:26:06,880

around if they're really interested in

2323

01:26:09,669 --> 01:26:07,360

this

2324

01:26:11,590 --> 01:26:09,679

hitler angle sit around and figure out

2325

01:26:13,189 --> 01:26:11,600

how what things what stories we'd be

2326
01:26:13,910 --> 01:26:13,199
seeing and what the history books would

2327
01:26:16,229 --> 01:26:13,920
look like

2328
01:26:17,110 --> 01:26:16,239
if the nazis had won you know it'd all

2329
01:26:19,910 --> 01:26:17,120
be turned around

2330
01:26:20,870 --> 01:26:19,920
it would be franklin roosevelt that evil

2331
01:26:24,709 --> 01:26:20,880
dictator

2332
01:26:27,030 --> 01:26:24,719
that that pro pro communist and

2333
01:26:28,709 --> 01:26:27,040
you know who was uh who was leading the

2334
01:26:31,189 --> 01:26:28,719
west to rack and ruin

2335
01:26:33,270 --> 01:26:31,199
you know i mean you just probably get

2336
01:26:36,390 --> 01:26:33,280
the same stuff but it would be reversed

2337
01:26:38,470 --> 01:26:36,400
because uh the the victors write

2338
01:26:41,270 --> 01:26:38,480

history i think that would be an

2339

01:26:44,470 --> 01:26:41,280

interesting screenplay jim

2340

01:26:48,310 --> 01:26:46,550

trying all right i'd love to but it was

2341

01:26:50,470 --> 01:26:48,320

you could never get it past the bean

2342

01:26:52,310 --> 01:26:50,480

counters in hollywood

2343

01:26:54,229 --> 01:26:52,320

if you can't show them by computer that

2344

01:26:55,270 --> 01:26:54,239

hey this is this will make at least as

2345

01:26:58,790 --> 01:26:55,280

much money

2346

01:27:01,110 --> 01:26:58,800

as the amityville horror 14

2347

01:27:03,510 --> 01:27:01,120

then they don't want to consider it they

2348

01:27:05,510 --> 01:27:03,520

just rarely ever go for anything that

2349

01:27:06,229 --> 01:27:05,520

really breaks the mold and gets out of

2350

01:27:09,990 --> 01:27:06,239

the

2351

01:27:12,310 --> 01:27:10,000

conventional rut yeah well before i

2352

01:27:14,390 --> 01:27:12,320

uh i run down the roster what's coming

2353

01:27:17,990 --> 01:27:14,400

up here on epic voyages radio

2354

01:27:19,910 --> 01:27:18,000

and the meeting coming up in september

2355

01:27:21,910 --> 01:27:19,920

what are you up to in the next three or

2356

01:27:25,510 --> 01:27:21,920

four months jim

2357

01:27:26,550 --> 01:27:25,520

well uh on august the 29th that's a

2358

01:27:29,910 --> 01:27:26,560

thursday night

2359

01:27:32,229 --> 01:27:29,920

uh i'm going to be presenting a program

2360

01:27:35,430 --> 01:27:32,239

along with michael tellinger

2361

01:27:37,110 --> 01:27:35,440

who i would hope that your audience had

2362

01:27:39,350 --> 01:27:37,120

become familiar with he's from a

2363

01:27:41,830 --> 01:27:39,360

researcher from south africa

2364

01:27:43,430 --> 01:27:41,840

and he is he and some of his scientists

2365

01:27:46,950 --> 01:27:43,440

friends have discovered

2366

01:27:49,189 --> 01:27:46,960

the stone circles uh representing

2367

01:27:50,070 --> 01:27:49,199

well there's millions of them over in

2368

01:27:52,950 --> 01:27:50,080

south africa

2369

01:27:53,830 --> 01:27:52,960

and they these date back over 200 000

2370

01:27:57,030 --> 01:27:53,840

years

2371

01:27:59,590 --> 01:27:57,040

and uh in fact he he believes he might

2372

01:28:02,629 --> 01:27:59,600

have located the african laboratory

2373

01:28:04,390 --> 01:28:02,639

of the anunnaki god hinky

2374

01:28:05,910 --> 01:28:04,400

that is mentioned in the samarian

2375

01:28:09,030 --> 01:28:05,920

tablets and who

2376

01:28:13,270 --> 01:28:09,040

by the accounts had a laboratory in

2377

01:28:14,390 --> 01:28:13,280

africa and he's found lots of amazing

2378

01:28:17,590 --> 01:28:14,400

stuff over there

2379

01:28:19,270 --> 01:28:17,600

so we're going to be presenting some

2380

01:28:22,070 --> 01:28:19,280

material on that

2381

01:28:22,629 --> 01:28:22,080

just that one night at the cathedral of

2382

01:28:24,870 --> 01:28:22,639

light

2383

01:28:26,070 --> 01:28:24,880

over in farmer's branch outside of

2384

01:28:29,270 --> 01:28:26,080

dallas

2385

01:28:30,149 --> 01:28:29,280

and that's about it until for me until

2386

01:28:32,070 --> 01:28:30,159

uh

2387

01:28:34,229 --> 01:28:32,080

end of november when i'll be in dallas

2388

01:28:35,430 --> 01:28:34,239

for the 50th anniversary of the kennedy

2389

01:28:37,350 --> 01:28:35,440

assassination

2390

01:28:39,110 --> 01:28:37,360

and of course the city is working hard

2391

01:28:41,189 --> 01:28:39,120

to keep anybody

2392

01:28:43,110 --> 01:28:41,199

who would say anything other than oswald

2393

01:28:45,350 --> 01:28:43,120

did it all by himself

2394

01:28:47,030 --> 01:28:45,360

out of davie plaza which is just really

2395

01:28:48,870 --> 01:28:47,040

irking me because

2396

01:28:50,390 --> 01:28:48,880

we've tried to get permits there for

2397

01:28:51,669 --> 01:28:50,400

years and they wouldn't they said no you

2398

01:28:52,470 --> 01:28:51,679

don't need a permit you can't get a

2399

01:28:53,910 --> 01:28:52,480

permit

2400

01:28:55,590 --> 01:28:53,920

and then this year on the 50th

2401

01:28:57,590 --> 01:28:55,600

anniversary when they know

2402

01:28:59,030 --> 01:28:57,600

full well that they'll be media from all

2403

01:29:00,550 --> 01:28:59,040

over the world they're in dallas

2404

01:29:02,550 --> 01:29:00,560

all of a sudden they've grabbed it and

2405

01:29:04,310 --> 01:29:02,560

said oh there's they've they've reserved

2406

01:29:05,350 --> 01:29:04,320

the dignity plaza for that whole week

2407

01:29:08,310 --> 01:29:05,360

and nobody can go

2408

01:29:10,950 --> 01:29:08,320

in you know come on hey i have a

2409

01:29:13,510 --> 01:29:10,960

solution i have a solution for you jim

2410

01:29:14,070 --> 01:29:13,520

dig out that uh gorilla suit that you

2411

01:29:18,149 --> 01:29:14,080

used

2412

01:29:20,870 --> 01:29:18,159

on slapping theater and and go incognito

2413

01:29:22,550 --> 01:29:20,880

there we go here we go know what i like

2414

01:29:23,350 --> 01:29:22,560

to see happen is supposedly they're

2415

01:29:25,830 --> 01:29:23,360

going to let

2416

01:29:27,669 --> 01:29:25,840

5 000 people in but only after each one

2417

01:29:29,030 --> 01:29:27,679

of them have been vetted by the dallas

2418

01:29:31,430 --> 01:29:29,040

police department

2419

01:29:33,430 --> 01:29:31,440

so in other words anybody who might have

2420

01:29:35,910 --> 01:29:33,440

written a book or made a talk or

2421

01:29:37,990 --> 01:29:35,920

has said anything that hence that

2422

01:29:40,950 --> 01:29:38,000

conspiracy in the kennedy assassination

2423

01:29:42,870 --> 01:29:40,960

and they probably won't be allowed okay

2424

01:29:45,510 --> 01:29:42,880

so they've got 5 000 people that they're

2425

01:29:46,709 --> 01:29:45,520

going to let in well i'd like to see 25

2426

01:29:48,790 --> 01:29:46,719

000 people

2427

01:29:49,910 --> 01:29:48,800

show up and surround the park and just

2428

01:29:52,950 --> 01:29:49,920

go hey

2429

01:29:54,629 --> 01:29:52,960

you know here's here's the truth yeah

2430

01:29:56,390 --> 01:29:54,639

i'm afraid they've probably already got

2431

01:29:57,590 --> 01:29:56,400

your picture on some leaflets that

2432

01:30:00,870 --> 01:29:57,600

they're passing out

2433

01:30:01,830 --> 01:30:00,880

oh yeah probably so yeah i i want to

2434

01:30:04,470 --> 01:30:01,840

tell everybody

2435

01:30:05,669 --> 01:30:04,480

uh in case you aren't aware of the epic

2436

01:30:09,110 --> 01:30:05,679

voyagers

2437

01:30:13,270 --> 01:30:09,120

dot website that is the website for

2438

01:30:15,910 --> 01:30:13,280

epic there is also a youtube

2439

01:30:17,590 --> 01:30:15,920

channel for epic voyagers and on that

2440

01:30:20,229 --> 01:30:17,600

youtube channel

2441

01:30:22,550 --> 01:30:20,239

you will find a treasure trove of all

2442

01:30:25,510 --> 01:30:22,560

kinds of video clips

2443

01:30:26,470 --> 01:30:25,520

many of them of the meetings the epic

2444

01:30:28,310 --> 01:30:26,480

meetings that happen

2445

01:30:29,830 --> 01:30:28,320

almost every month once a month in

2446

01:30:32,149 --> 01:30:29,840

grapevine texas

2447

01:30:33,110 --> 01:30:32,159

including at least two if not three of

2448

01:30:35,350 --> 01:30:33,120

jim himself

2449

01:30:37,430 --> 01:30:35,360

speaking one time on the occulted our

2450

01:30:39,189 --> 01:30:37,440

occult history right jim

2451

01:30:40,629 --> 01:30:39,199

that's correct do you remember what your

2452

01:30:41,990 --> 01:30:40,639

other topics were i think you're on

2453

01:30:44,149 --> 01:30:42,000

there three times

2454

01:30:45,910 --> 01:30:44,159

i think i made one on the rise of the

2455

01:30:47,510 --> 01:30:45,920

fourth right

2456

01:30:49,990 --> 01:30:47,520

which is along the lines of what we've

2457

01:30:53,590 --> 01:30:50,000

been talking about tonight and then

2458

01:30:55,910 --> 01:30:53,600

i i'm not sure yeah i either made it

2459

01:30:57,910 --> 01:30:55,920

want to say alien agenda wasn't that

2460

01:30:59,910 --> 01:30:57,920

yeah i think it was either alien agenda

2461

01:31:01,430 --> 01:30:59,920

or the kennedy assassination

2462

01:31:03,830 --> 01:31:01,440

i'm thinking it might have been alien

2463

01:31:06,070 --> 01:31:03,840

agenda i'm thinking you might be right

2464

01:31:07,030 --> 01:31:06,080

yeah but i know that ken cherry the

2465

01:31:10,149 --> 01:31:07,040

president of epic

2466

01:31:11,030 --> 01:31:10,159

is adding uh new videos there all the

2467

01:31:13,669 --> 01:31:11,040

time you'll find

2468

01:31:14,390 --> 01:31:13,679

jim you'll find nick redfean you'll

2469

01:31:16,950 --> 01:31:14,400

find dr

2470

01:31:18,790 --> 01:31:16,960

sam osmanagich who is the fellow who's

2471

01:31:21,189 --> 01:31:18,800

digging the bosnian pyramids

2472

01:31:21,910 --> 01:31:21,199

john capela lots of names that you'll

2473

01:31:24,870 --> 01:31:21,920

recognize

2474

01:31:27,510 --> 01:31:24,880

so check out the youtube channel and the

2475

01:31:30,470 --> 01:31:27,520

website for epic voyagers

2476

01:31:31,910 --> 01:31:30,480

and yeah if you can make the epic

2477

01:31:35,189 --> 01:31:31,920

borders meeting

2478

01:31:36,950 --> 01:31:35,199

uh there uh in texas uh uh

2479

01:31:38,790 --> 01:31:36,960

we've been we've had some really really

2480

01:31:41,750 --> 01:31:38,800

good get-togethers and it's a

2481

01:31:43,350 --> 01:31:41,760

pretty good enthusiastic bunch well here

2482

01:31:46,229 --> 01:31:43,360

here's a good deal for all of you

2483

01:31:48,629 --> 01:31:46,239

listeners out there

2484

01:31:51,110 --> 01:31:48,639

if jim and michael tellinger are going

2485

01:31:53,189 --> 01:31:51,120

to be presenting in farmer's branch

2486

01:31:54,629 --> 01:31:53,199

at the cathedral of light on august the

2487

01:31:59,110 --> 01:31:54,639

29th

2488

01:32:01,669 --> 01:31:59,120

on 9 i think it's 9-1

2489

01:32:03,830 --> 01:32:01,679

the epic voyagers meeting in grapevine

2490

01:32:06,629 --> 01:32:03,840

the monthly meeting will be

2491

01:32:08,229 --> 01:32:06,639

nick redfearn and his co-author dr

2492

01:32:10,390 --> 01:32:08,239

robert wood

2493

01:32:11,669 --> 01:32:10,400

talking about their new book alien

2494

01:32:13,910 --> 01:32:11,679

viruses

2495

01:32:15,750 --> 01:32:13,920

and then the very next night monday

2496

01:32:18,790 --> 01:32:15,760

night

2497

01:32:21,510 --> 01:32:18,800

nick will be online here on epic voyages

2498

01:32:23,270 --> 01:32:21,520

radio on inceptionradionetwork.com and

2499

01:32:24,950 --> 01:32:23,280

they'll be talking about their book that

2500

01:32:25,990 --> 01:32:24,960

night so that would be a jam-packed

2501

01:32:27,910 --> 01:32:26,000

weekend for anybody

2502

01:32:30,790 --> 01:32:27,920

if you were happening happen to be in

2503

01:32:33,270 --> 01:32:30,800

the north texas area

2504

01:32:35,270 --> 01:32:33,280

let me run down who's coming on radio

2505

01:32:35,910 --> 01:32:35,280

next week dr reed is going to be here

2506

01:32:39,270 --> 01:32:35,920

with you

2507

01:32:39,830 --> 01:32:39,280

talking to robert stephen thomas uh the

2508

01:32:42,390 --> 01:32:39,840

author of

2509

01:32:44,629 --> 01:32:42,400

intelligent intervention nick redfern of

2510

01:32:45,430 --> 01:32:44,639

course on the second as i just said dr

2511

01:32:48,629 --> 01:32:45,440

reed is back

2512

01:32:50,470 --> 01:32:48,639

on the ninth with bruce cunningham who

2513

01:32:52,310 --> 01:32:50,480

is the organizer for the ancient

2514

01:32:54,390 --> 01:32:52,320

mysteries conference

2515

01:32:57,669 --> 01:32:54,400

i'll be back again on the 16th talking

2516

01:33:01,030 --> 01:32:57,679

to dr sam ozmanage about his 2013

2517

01:33:02,950 --> 01:33:01,040

bosnian pyramid research season

2518

01:33:04,149 --> 01:33:02,960

and some of you may remember a couple of

2519

01:33:07,669 --> 01:33:04,159

weeks ago

2520

01:33:10,310 --> 01:33:07,679

i was interviewing uh dr aaron judkins

2521

01:33:11,750 --> 01:33:10,320

who was about to climb mount ararat on

2522

01:33:15,270 --> 01:33:11,760

an expedition to

2523

01:33:17,189 --> 01:33:15,280

look for the ark and he will be back

2524

01:33:18,550 --> 01:33:17,199

shortly probably within another week or

2525

01:33:21,669 --> 01:33:18,560

so and i'll be

2526

01:33:23,270 --> 01:33:21,679

interviewing him again to find out uh

2527

01:33:25,669 --> 01:33:23,280

all that he went through and what they

2528

01:33:27,830 --> 01:33:25,679

found and that'll be in early october

2529

01:33:28,950 --> 01:33:27,840

so we heard have you heard any further

2530

01:33:31,910 --> 01:33:28,960

on that

2531

01:33:33,750 --> 01:33:31,920

no he made it pretty clear to me that

2532

01:33:35,350 --> 01:33:33,760

they've been told not to say too much

2533

01:33:38,070 --> 01:33:35,360

he's got a couple of pictures on

2534

01:33:39,669 --> 01:33:38,080

facebook and on his website but they're

2535

01:33:42,390 --> 01:33:39,679

you know they're pictures of him on top

2536

01:33:44,550 --> 01:33:42,400

of mount ararat and sunrise uh

2537

01:33:46,790 --> 01:33:44,560

with the shadow of mount era right there

2538

01:33:48,470 --> 01:33:46,800

the discovery channels filming and i'm

2539

01:33:49,030 --> 01:33:48,480

pretty sure that they're trying to keep

2540

01:33:51,510 --> 01:33:49,040

it

2541

01:33:53,110 --> 01:33:51,520

out of the the limelight until they can

2542

01:33:56,149 --> 01:33:53,120

publish it themselves

2543

01:33:57,750 --> 01:33:56,159

right so well jim

2544

01:33:59,430 --> 01:33:57,760

that's going to be interesting though

2545

01:34:01,830 --> 01:33:59,440

it's going to be fascinating

2546

01:34:03,350 --> 01:34:01,840

um i'm looking forward to seeing you in

2547

01:34:05,270 --> 01:34:03,360

texas i'll be back down there

2548

01:34:07,030 --> 01:34:05,280

in another month myself and maybe we'll

2549

01:34:09,350 --> 01:34:07,040

get it together with ken and

2550

01:34:11,669 --> 01:34:09,360

and uh knock back a couple of dark beers

2551

01:34:15,270 --> 01:34:11,679

and eat some mexican food

2552

01:34:17,830 --> 01:34:15,280

sounds like a plan thank you so much

2553

01:34:19,590 --> 01:34:17,840

and thank you everybody for listening

2554

01:34:20,149 --> 01:34:19,600

and don't forget to check out jim's

2555

01:34:25,709 --> 01:34:20,159

website

2556

01:34:29,030 --> 01:34:27,590

inceptionradionetwork.com the only place

2557

01:34:40,470 --> 01:34:29,040

to listen to

2558

01:34:44,229 --> 01:34:42,229

thank you for being with us tonight

2559

01:34:45,669 --> 01:34:44,239

please join us again next monday evening

2560

01:34:47,350 --> 01:34:45,679

for extraordinary phenomena

2561

01:34:50,870 --> 01:34:47,360

investigations councils
