be experiencing some connectivity

89

00:04:46,010 --> 00:04:43,680

problems wherever he is but if he is

90

00:04:48,409 --> 00:04:46,020

a great deal and some very fascinating

102  
00:05:18,360 --> 00:05:15,340  
books as well including the latest book

103  
00:05:21,990 --> 00:05:18,370  
our occulted history which we will be

104  
00:05:24,020 --> 00:05:22,000  
discussing with him as well as the

105  
00:05:27,390 --> 00:05:24,030  
terror conspiracy the trillion-dollar

106  
00:05:30,870 --> 00:05:27,400  
conspiracy above top secret the rise of

107  
00:05:34,890 --> 00:05:30,880  
the fourth reich size spies ruled by

108  
00:05:37,920 --> 00:05:34,900  
secrecy crossfire which was the

109  
00:05:41,940 --> 00:05:37,930  
principal principal work that was used

110  
00:05:45,480 --> 00:05:41,950  
by oliver stone for the movie JFK

111  
00:05:50,070 --> 00:05:45,490  
alien agenda and let's see what else we

112  
00:05:54,210 --> 00:05:50,080  
got here The Sisterhood of the Rose and

113  
00:05:56,820 --> 00:05:54,220

those books are they are on Jim Marrs

114

00:05:59,159 --> 00:05:56,830

calm and of course I'm sure you can find

115

00:06:01,740 --> 00:05:59,169

them at any good bookstore as well and

116

00:06:03,090 --> 00:06:01,750

including amazon.com and there are

117

00:06:06,090 --> 00:06:03,100

several other things that you can access

118

00:06:08,280 --> 00:06:06,100

on Jim Marrs calm as well and of course

119

00:06:10,020 --> 00:06:08,290

Jim has been around for a long time

120

00:06:11,940 --> 00:06:10,030

and I've been waiting a long time to

121

00:06:14,100 --> 00:06:11,950

have him on my show and I'm really happy

122

00:06:16,050 --> 00:06:14,110

to have him here hopefully as I said

123

00:06:18,960 --> 00:06:16,060

Peter will be able to join us during the

124

00:06:21,630 --> 00:06:18,970

course of the show and we'll we'll have

125

00:06:25,860 --> 00:06:21,640

the full lineup for you but as of right

126

00:06:29,250 --> 00:06:25,870

now we're not showing him available so

127

00:06:31,380 --> 00:06:29,260

sorry about that but let's get on with

128

00:06:33,270 --> 00:06:31,390

the show with Jim Morris thanks Jim for

129

00:06:33,930 --> 00:06:33,280

coming to the show today I'm so happy to

130

00:06:36,120 --> 00:06:33,940

have you

131

00:06:39,030 --> 00:06:36,130

hey Ted it's my pleasure and it

132

00:06:41,909 --> 00:06:39,040

certainly seems like deja vu yeah it

133

00:06:44,280 --> 00:06:41,919

does doesn't it yeah the last time you

134

00:06:46,080 --> 00:06:44,290

had Peter on and then I was trying to

135

00:06:48,060 --> 00:06:46,090

connect and there was something

136

00:06:50,130 --> 00:06:48,070

something that I think a storm had

137

00:06:53,070 --> 00:06:50,140

knocked out my phones or something and

138

00:06:56,040 --> 00:06:53,080

and we were just unable to connect it

139

00:06:57,930 --> 00:06:56,050

was quite frustrating it was indeed it

140

00:07:01,140 --> 00:06:57,940

was indeed but I'm really happy to have

141

00:07:05,520 --> 00:07:01,150

you here today and I think what we'll do

142

00:07:07,710 --> 00:07:05,530

Jim you know if Peter is able to join us

143

00:07:09,719 --> 00:07:07,720

he will of course and then we'll go down

144

00:07:10,719 --> 00:07:09,729

that road whenever it comes but as of

145

00:07:12,779 --> 00:07:10,729

right now

146

00:07:15,159 --> 00:07:12,789

concentrate on your work which is a

147

00:07:19,209 --> 00:07:15,169

tremendous amount of material in any

148

00:07:22,350 --> 00:07:19,219

case to keep us busy for the next two

149

00:07:25,119 --> 00:07:22,360

hours with no problem at all so let's

150

00:07:28,869 --> 00:07:25,129

let's just do a little overview here Jim

151  
00:07:30,700 --> 00:07:28,879  
I know that most of the people who are

152  
00:07:32,649 --> 00:07:30,710  
listening to this show are going to be

153  
00:07:34,299 --> 00:07:32,659  
very familiar with you and the material

154  
00:07:36,249 --> 00:07:34,309  
that you have brought forward and your

155  
00:07:40,839 --> 00:07:36,259  
books and the many appearances you've

156  
00:07:42,279 --> 00:07:40,849  
done on radio over the years so I don't

157  
00:07:44,799 --> 00:07:42,289  
think we need any kind of like

158  
00:07:46,629 --> 00:07:44,809  
introduction from you I mean as far as

159  
00:07:48,760 --> 00:07:46,639  
like where you come from and how you've

160  
00:07:56,279 --> 00:07:48,770  
come to be where you are now

161  
00:08:01,540 --> 00:07:56,289  
but I would I would ask you if you had a

162  
00:08:04,659 --> 00:08:01,550  
looks like Peter is here so so we will

163  
00:08:07,269 --> 00:08:04,669

be able to be bringing him in so I was

164

00:08:08,889 --> 00:08:07,279

going to ask you Jim when you did your

165

00:08:10,480 --> 00:08:08,899

last book which was of course our

166

00:08:12,790 --> 00:08:10,490

occulted history which was a really good

167

00:08:19,360 --> 00:08:12,800

book by the way and I did really enjoy

168

00:08:22,959 --> 00:08:19,370

reading that did you did you come across

169

00:08:26,369 --> 00:08:22,969

any material like during the course of

170

00:08:30,339 --> 00:08:26,379

your research that indicated that

171

00:08:37,480 --> 00:08:30,349

governments around the world had any

172

00:08:39,759 --> 00:08:37,490

interest in religions per se like from

173

00:08:43,240 --> 00:08:39,769

an intelligence agency point of view and

174

00:08:47,199 --> 00:08:43,250

the reason I ask this is because one of

175

00:08:50,829 --> 00:08:47,209

the things that I noticed when I think

176

00:08:55,780 --> 00:08:50,839

it was I was talking to Ken Thomas one

177

00:08:59,740 --> 00:08:55,790

day and he told me a story about he told

178

00:09:02,620 --> 00:08:59,750

me a story about how when they found the

179

00:09:05,860 --> 00:09:02,630

Dead Sea Scrolls one of them actually

180

00:09:08,350 --> 00:09:05,870

made its way it was maybe it was a Nick

181

00:09:10,269 --> 00:09:08,360

Redfern might have been him instead or

182

00:09:13,860 --> 00:09:10,279

maybe both of them had the story but

183

00:09:16,329 --> 00:09:13,870

that somehow one of the Dead Sea Scrolls

184

00:09:21,009 --> 00:09:16,339

actually ended up in the hands of a CIA

185

00:09:24,939 --> 00:09:21,019

agent over in the Middle East and it

186

00:09:27,429 --> 00:09:24,949

started to make me think that perhaps

187

00:09:31,449 --> 00:09:27,439

intelligence agencies might have some

188

00:09:33,549 --> 00:09:31,459

interest in religious origins if for no

189

00:09:35,379 --> 00:09:33,559

other purpose then for the purpose of

190

00:09:37,119 --> 00:09:35,389

propaganda and I wondered if you had

191

00:09:41,639 --> 00:09:37,129

ever come across anything like that in

192

00:09:46,749 --> 00:09:41,649

your in in your research oh absolutely

193

00:09:49,029 --> 00:09:46,759

in fact what I was somewhat surprised

194

00:09:54,359 --> 00:09:49,039

not entirely but similar surprise was

195

00:09:58,359 --> 00:09:54,369

that religion combined with finances

196

00:10:01,659 --> 00:09:58,369

appears to be the two oldest most

197

00:10:09,159 --> 00:10:01,669

surefire control mechanisms to control

198

00:10:12,489 --> 00:10:09,169

the human race early on we have legends

199

00:10:14,769 --> 00:10:12,499

and oral histories from virtually every

200

00:10:17,709 --> 00:10:14,779

primitive culture around the world and

201  
00:10:20,589 --> 00:10:17,719  
I'm talking Africa Australia Europe

202  
00:10:25,149 --> 00:10:20,599  
China and they all tell us the same

203  
00:10:28,659 --> 00:10:25,159  
basic story that gods from the sky came

204  
00:10:30,489 --> 00:10:28,669  
down and visited them with craft and

205  
00:10:33,579 --> 00:10:30,499  
that some of these gods were able to

206  
00:10:36,339 --> 00:10:33,589  
destroy whole cities with just a single

207  
00:10:37,960 --> 00:10:36,349  
weapon and obviously they're talking

208  
00:10:40,869 --> 00:10:37,970  
about something that's real and

209  
00:10:43,509 --> 00:10:40,879  
something that involved technology that

210  
00:10:45,629 --> 00:10:43,519  
was at least comparable if not more

211  
00:10:49,839 --> 00:10:45,639  
advanced than our own today

212  
00:10:52,749 --> 00:10:49,849  
and of course needless to say a

213  
00:10:56,859 --> 00:10:52,759

primitive person people say living in a

214

00:10:59,889 --> 00:10:56,869

Stone Age civilization would be could

215

00:11:01,619 --> 00:10:59,899

obviously be easily led to believe that

216

00:11:04,479 --> 00:11:01,629

these were gods

217

00:11:06,819 --> 00:11:04,489

for example and but some of that is a

218

00:11:09,339 --> 00:11:06,829

recent phenomenon for example some of

219

00:11:11,789 --> 00:11:09,349

the oldest writings on the planet are

220

00:11:15,669 --> 00:11:11,799

the tablets that left us by the

221

00:11:19,210 --> 00:11:15,679

Sumerians who occupied the area between

222

00:11:23,889 --> 00:11:19,220

the Tigris and Euphrates rivers over in

223

00:11:26,049 --> 00:11:23,899

what is now Iraq and unlike unlike the

224

00:11:28,209 --> 00:11:26,059

Egyptians and the Romans which we know a

225

00:11:30,639 --> 00:11:28,219

lot about and we study in school we

226

00:11:33,429 --> 00:11:30,649

actually can know more about these

227

00:11:35,229 --> 00:11:33,439

Sumerians because the Egyptians and the

228

00:11:36,580 --> 00:11:35,239

Romans they were everything down on

229

00:11:38,890 --> 00:11:36,590

paper and tap

230

00:11:41,140 --> 00:11:38,900

and it got lost and destroyed and

231

00:11:44,500 --> 00:11:41,150

deteriorated and burned up in wars and

232

00:11:47,460 --> 00:11:44,510

everything else the Sumerians used a

233

00:11:50,110 --> 00:11:47,470

stylus to write down their cuneiform on

234

00:11:53,230 --> 00:11:50,120

clay tablets and then they baked them

235

00:11:55,150 --> 00:11:53,240

turning them to stone and there's about

236

00:11:56,740 --> 00:11:55,160

a half a million these tablets still in

237

00:11:58,990 --> 00:11:56,750

existence but they're scattered in

238

00:12:00,850 --> 00:11:59,000

museums and basements of museums all

239

00:12:02,860 --> 00:12:00,860

around the world and what's really

240

00:12:04,930 --> 00:12:02,870

fascinating isn't really about 20% of

241

00:12:07,540 --> 00:12:04,940

them have been translated and they only

242

00:12:11,200 --> 00:12:07,550

began to be translated in the early to

243

00:12:13,600 --> 00:12:11,210

mid 1800s well back then when they read

244

00:12:15,790 --> 00:12:13,610

their accounts of people flying through

245

00:12:18,880 --> 00:12:15,800

the air people destroying cities with a

246

00:12:21,760 --> 00:12:18,890

single blast with weapons they could be

247

00:12:25,240 --> 00:12:21,770

you know could destroy a whole whole

248

00:12:30,460 --> 00:12:25,250

city and plus they began to read about

249

00:12:32,290 --> 00:12:30,470

how they could change one species kind

250

00:12:34,150 --> 00:12:32,300

of into another through breeding

251  
00:12:37,960 --> 00:12:34,160  
programs everything they they had no

252  
00:12:42,280 --> 00:12:37,970  
concept of spaceflight or of cloning or

253  
00:12:45,670 --> 00:12:42,290  
of DNA or of genetic manipulation and as

254  
00:12:47,560 --> 00:12:45,680  
a result you actually can read a lot of

255  
00:12:49,690 --> 00:12:47,570  
material that can be found in these

256  
00:12:53,380 --> 00:12:49,700  
Sumerian tablets in the Encyclopedia

257  
00:12:56,280 --> 00:12:53,390  
Britannica ok but you can't look under

258  
00:12:59,560 --> 00:12:56,290  
history you have to look under Sumerian

259  
00:13:02,550 --> 00:12:59,570  
mythology because back in the 1800s when

260  
00:13:06,610 --> 00:13:02,560  
they begin to interpret and translate

261  
00:13:09,040 --> 00:13:06,620  
these tablets it was so far outside of

262  
00:13:10,480 --> 00:13:09,050  
their scientific knowledge at that time

263  
00:13:12,100 --> 00:13:10,490

they just said well this is just a

264

00:13:15,610 --> 00:13:12,110

mythology and they're just making up

265

00:13:17,470 --> 00:13:15,620

this stuff you know their gods well but

266

00:13:20,260 --> 00:13:17,480

the problem is now there's a growing

267

00:13:23,640 --> 00:13:20,270

number of scholars who in the wake of

268

00:13:28,300 --> 00:13:23,650

the moon landing and in-vitro

269

00:13:31,120 --> 00:13:28,310

fertilization and gene genetic

270

00:13:32,980 --> 00:13:31,130

manipulation cloning that we now

271

00:13:34,449 --> 00:13:32,990

understand more of what they were

272

00:13:37,150 --> 00:13:34,459

actually talking about and they now

273

00:13:39,310 --> 00:13:37,160

begin to see that perhaps these people

274

00:13:42,040 --> 00:13:39,320

were not just making up their gods

275

00:13:45,400 --> 00:13:42,050

perhaps they were telling us events and

276

00:13:47,800 --> 00:13:45,410

things that they knew to be true and

277

00:13:49,420 --> 00:13:47,810

this is a growing phenomenon but of

278

00:13:50,319 --> 00:13:49,430

course conventional science which

279

00:13:52,239 --> 00:13:50,329

doesn't want to

280

00:13:56,280 --> 00:13:52,249

move one inch off of what they feel like

281

00:14:00,999 --> 00:13:56,290

is you know their gospel they still are

282

00:14:03,369 --> 00:14:01,009

refusing to look at all of this and and

283

00:14:05,829 --> 00:14:03,379

yet it makes for a coherent story and it

284

00:14:09,609 --> 00:14:05,839

makes everything fit for example in the

285

00:14:12,280 --> 00:14:09,619

tablets they tell that they they explain

286

00:14:15,160 --> 00:14:12,290

exactly how they produced a hybrid

287

00:14:17,679 --> 00:14:15,170

between the human race in a race it not

288

00:14:22,359 --> 00:14:17,689

particularly ours they said they took

289

00:14:26,369 --> 00:14:22,369

the egg of a they earth primitive female

290

00:14:31,299 --> 00:14:26,379

and they inseminate it with the sperm of

291

00:14:33,400 --> 00:14:31,309

a visitor male the Anunnaki as they

292

00:14:35,289 --> 00:14:33,410

called him the Anunnaki simply means

293

00:14:37,869 --> 00:14:35,299

those who came down from the heavens and

294

00:14:39,910 --> 00:14:37,879

landed on the earth and then they took

295

00:14:43,299 --> 00:14:39,920

the fertilized egg and put it in the

296

00:14:45,549 --> 00:14:43,309

womb of a they Anunnaki female who

297

00:14:47,679 --> 00:14:45,559

carried it to term and then it was

298

00:14:51,039 --> 00:14:47,689

delivered through cesarean section and

299

00:14:54,369 --> 00:14:51,049

it produced a living hybrid that they

300

00:14:59,229 --> 00:14:54,379

call the Adama or the Adam Adam in that

301

00:15:01,329 --> 00:14:59,239

interesting the first hybrid and they

302

00:15:04,869 --> 00:15:01,339

and of course today we can do the same

303

00:15:06,879 --> 00:15:04,879

thing but in 1800s Early 1900 when they

304

00:15:08,619 --> 00:15:06,889

were translating they say they didn't

305

00:15:12,119 --> 00:15:08,629

understand and you know what in the

306

00:15:15,159 --> 00:15:12,129

world they were talking about and so

307

00:15:16,840 --> 00:15:15,169

actually and so this explains a lot for

308

00:15:18,519 --> 00:15:16,850

example you know all through my lifetime

309

00:15:21,569 --> 00:15:18,529

the scientists have been searching for

310

00:15:24,999 --> 00:15:21,579

the missing link that link between

311

00:15:27,759 --> 00:15:25,009

primitive man Neanderthal and modern man

312

00:15:29,199 --> 00:15:27,769

cro-magnon well I submit they're not

313

00:15:31,900 --> 00:15:29,209

ever going to find it because there is

314

00:15:34,629 --> 00:15:31,910

none they simply took the Neanderthal

315

00:15:37,299 --> 00:15:34,639

and Neanderthal and they tweaked his DNA

316

00:15:39,970 --> 00:15:37,309

and they produced the cro-magnon of the

317

00:15:42,009 --> 00:15:39,980

modern man and this is important to

318

00:15:43,929 --> 00:15:42,019

understand this because I've already had

319

00:15:48,669 --> 00:15:43,939

people saying you know are you claiming

320

00:15:52,749 --> 00:15:48,679

that the aliens created this well no not

321

00:15:55,840 --> 00:15:52,759

exactly in fact all they did was improve

322

00:15:58,989 --> 00:15:55,850

the breed okay just like we do with

323

00:16:02,079 --> 00:15:58,999

cattle and sheep and horses and dogs and

324

00:16:03,880 --> 00:16:02,089

cats you know and they simply improve

325

00:16:05,710 --> 00:16:03,890

the breed in fact

326

00:16:09,250 --> 00:16:05,720

ted is really fascinating that the

327

00:16:11,860 --> 00:16:09,260

ancient sumerians and the according to

328

00:16:13,240 --> 00:16:11,870

their tablets this examine aki these

329

00:16:15,880 --> 00:16:13,250

people who were visiting here from

330

00:16:18,460 --> 00:16:15,890

somewhere else had the same ethical

331

00:16:20,350 --> 00:16:18,470

arguments that we have today in that

332

00:16:22,180 --> 00:16:20,360

they were claiming now wait a minute

333

00:16:24,280 --> 00:16:22,190

when it was proposed by their science

334

00:16:26,290 --> 00:16:24,290

officer that they tweaked the

335

00:16:28,180 --> 00:16:26,300

Neanderthals and create a worker race

336

00:16:30,790 --> 00:16:28,190

they said well it's not up to us to

337

00:16:33,370 --> 00:16:30,800

create people you know or living things

338

00:16:35,560 --> 00:16:33,380

and that's only the provision of God

339

00:16:37,329 --> 00:16:35,570

which is really really interesting

340

00:16:40,269 --> 00:16:37,339

because that means that even these

341

00:16:43,480 --> 00:16:40,279

visitors did not consider themselves god

342

00:16:45,910 --> 00:16:43,490

they knew there was a universal creative

343

00:16:48,639 --> 00:16:45,920

power of God if you will that they too

344

00:16:50,139 --> 00:16:48,649

were aware of and they argued the same

345

00:16:54,220 --> 00:16:50,149

arguments that we hear today about

346

00:16:56,139 --> 00:16:54,230

cloning and genetic manipulation but

347

00:16:58,509 --> 00:16:56,149

their science officers simply argued

348

00:17:00,639 --> 00:16:58,519

that that well we're not creating

349

00:17:02,769 --> 00:17:00,649

anything we're just improving the breed

350

00:17:05,140 --> 00:17:02,779

and that's all in the world apparently

351

00:17:07,419 --> 00:17:05,150

that happened but of course it was good

352

00:17:11,140 --> 00:17:07,429

for us because that was the genesis of

353

00:17:18,069 --> 00:17:11,150

the modern human race didn't did the did

354

00:17:21,090 --> 00:17:18,079

the Anunnaki have Monsanto Jim yeah well

355

00:17:25,449 --> 00:17:21,100

they certainly knew the secrets in fact

356

00:17:28,570 --> 00:17:25,459

according to the ancient texts they are

357

00:17:32,260 --> 00:17:28,580

the ones who brought farming and a lots

358

00:17:35,950 --> 00:17:32,270

of the plants and that we now use as

359

00:17:39,460 --> 00:17:35,960

consumable food they brought it to the

360

00:17:40,840 --> 00:17:39,470

earth and or at least designed some

361

00:17:43,110 --> 00:17:40,850

things while they're here since they

362

00:17:46,360 --> 00:17:43,120

obviously had a knowledge of

363

00:17:48,130 --> 00:17:46,370

manipulation of the genetic material and

364

00:17:50,890 --> 00:17:48,140

again that can actually kind of be

365

00:17:53,500 --> 00:17:50,900

substantiated because the Sumerian

366

00:17:55,810 --> 00:17:53,510

tablets carry an identical story of the

367

00:17:58,450 --> 00:17:55,820

Great Flood just like the one that's

368

00:18:01,750 --> 00:17:58,460

reported in the Old Testament in fact

369

00:18:04,930 --> 00:18:01,760

the details are so similar and run so

370

00:18:07,180 --> 00:18:04,940

parallel that most authorities are

371

00:18:09,820 --> 00:18:07,190

willing to accept that the biblical

372

00:18:13,840 --> 00:18:09,830

story of Noah and the flood was simply a

373

00:18:16,570 --> 00:18:13,850

later recounting of the earlier accounts

374

00:18:17,590 --> 00:18:16,580

of the Sumerians and in fact there's

375

00:18:21,909 --> 00:18:17,600

only really two

376

00:18:23,529 --> 00:18:21,919

main differences in the accounts even

377

00:18:26,529 --> 00:18:23,539

though the Cimmerian account goes back

378

00:18:30,190 --> 00:18:26,539

several thousand years before the Bible

379

00:18:33,549 --> 00:18:30,200

was ever put down on paper the two main

380

00:18:36,010 --> 00:18:33,559

differences being that the Bible of

381

00:18:37,930 --> 00:18:36,020

course the person who was contacted by

382

00:18:41,070 --> 00:18:37,940

his God and told to build an ark and

383

00:18:45,220 --> 00:18:41,080

rescued everybody was named Noah in the

384

00:18:47,200 --> 00:18:45,230

Sumerian his name was a piston but what

385

00:18:53,860 --> 00:18:47,210

a weird name and hard to pronounce so I

386

00:18:58,149 --> 00:18:53,870

can see where Noah was a lot of no

387

00:19:00,340 --> 00:18:58,159

anyway yeah we call it a view but the

388

00:19:03,549 --> 00:19:00,350

second difference is really intriguing

389

00:19:06,190 --> 00:19:03,559

because as a youngster in Sunday school

390

00:19:08,500 --> 00:19:06,200

I had a little problem with the story of

391

00:19:10,180 --> 00:19:08,510

Noah's Ark because I'm thinking now wait

392

00:19:12,460 --> 00:19:10,190

a minute you trying to tell me that the

393

00:19:14,049 --> 00:19:12,470

Lions and the Tigers are there on this

394

00:19:16,419 --> 00:19:14,059

little boat and they're bedding down

395

00:19:19,330 --> 00:19:16,429

with the gazelles and the Zebras they're

396

00:19:20,529 --> 00:19:19,340

there their lunch wait a minute you know

397

00:19:24,850 --> 00:19:20,539

how does that work

398

00:19:28,480 --> 00:19:24,860

and according to the Sumerian tablets of

399

00:19:30,700 --> 00:19:28,490

no piston or that biblical Noah was not

400

00:19:34,149 --> 00:19:30,710

told to take two of every living thing

401  
00:19:38,350 --> 00:19:34,159  
plant an animal but to take the seed of

402  
00:19:43,510 --> 00:19:38,360  
every living thing which now if you

403  
00:19:45,399 --> 00:19:43,520  
consider that he took DNA samples little

404  
00:19:48,940 --> 00:19:45,409  
tissue and a little petri dish or a

405  
00:19:51,130 --> 00:19:48,950  
little vial or a little jar now instead

406  
00:19:53,710 --> 00:19:51,140  
of a boatload of animals which doesn't

407  
00:19:56,830 --> 00:19:53,720  
make much sense you've got a boat with a

408  
00:19:59,200 --> 00:19:56,840  
closet that has DNA samples in it

409  
00:20:01,990 --> 00:19:59,210  
which can then be used to reconstitute

410  
00:20:06,100 --> 00:20:02,000  
the plants and the animals once the

411  
00:20:09,370 --> 00:20:06,110  
waters recede in both stories the ark

412  
00:20:12,720 --> 00:20:09,380  
landed on Mount area which is a mountain

413  
00:20:17,260 --> 00:20:12,730

in southern Turkey just north of

414

00:20:19,960 --> 00:20:17,270

Mesopotamia and according to the

415

00:20:23,860 --> 00:20:19,970

Sumerian accounts when they came out of

416

00:20:26,020 --> 00:20:23,870

the ark the Anunnaki came down where

417

00:20:28,600 --> 00:20:26,030

they had been in orbit riding out the

418

00:20:30,780 --> 00:20:28,610

great upheaval of the flood and the

419

00:20:34,740 --> 00:20:30,790

earthquakes that took place

420

00:20:37,320 --> 00:20:34,750

and that they again help them

421

00:20:40,530 --> 00:20:37,330

reconstitute the plant life and

422

00:20:42,690 --> 00:20:40,540

therefore the farming began again and

423

00:20:46,040 --> 00:20:42,700

there are some evidence to support all

424

00:20:49,050 --> 00:20:46,050

this because the scientists tell us that

425

00:20:51,990 --> 00:20:49,060

farming did not begin in the river

426

00:20:53,910 --> 00:20:52,000

valleys and the coastal plains where

427

00:20:55,770 --> 00:20:53,920

you'd think it would with good fertile

428

00:20:58,950 --> 00:20:55,780

soil and then move upwards into the

429

00:21:01,290 --> 00:20:58,960

higher altitudes but instead began in

430

00:21:04,440 --> 00:21:01,300

the higher altitudes of the Caucasus

431

00:21:06,960 --> 00:21:04,450

mountain region or where Mount area is

432

00:21:09,480 --> 00:21:06,970

located and then move downward to the

433

00:21:11,400 --> 00:21:09,490

more fertile ground so this tends to

434

00:21:13,740 --> 00:21:11,410

support their story that the Anunnaki

435

00:21:16,260 --> 00:21:13,750

came and that's and that the ark came to

436

00:21:18,000 --> 00:21:16,270

rest on a high mountain top and that

437

00:21:21,450 --> 00:21:18,010

they then spread from the mountain tops

438

00:21:25,380 --> 00:21:21,460

down into the lower elevations it's

439

00:21:27,180 --> 00:21:25,390

quite fascinating well Peter Peter has

440

00:21:30,660 --> 00:21:27,190

actually joined us here so let's bring

441

00:21:35,520 --> 00:21:30,670

him into the discussion Jim so Peter II

442

00:21:36,900 --> 00:21:35,530

there that's great wonderful I'm glad to

443

00:21:38,550 --> 00:21:36,910

have both of you on the show together

444

00:21:40,620 --> 00:21:38,560

it's it's going to be a fascinating

445

00:21:42,840 --> 00:21:40,630

discussion now we had just been

446

00:21:45,060 --> 00:21:42,850

discussing with Jim about his latest

447

00:21:47,370 --> 00:21:45,070

book our halted his tree where we're

448

00:21:50,880 --> 00:21:47,380

talking about origins of humanity and

449

00:21:52,740 --> 00:21:50,890

this sort of thing and I I know that you

450

00:21:56,520 --> 00:21:52,750

have come across a lot of this material

451  
00:21:58,730 --> 00:21:56,530  
in the course of your travels Peter did

452  
00:22:02,310 --> 00:21:58,740  
do you want to jump in and add any

453  
00:22:04,920 --> 00:22:02,320  
anything to what Jim has already talked

454  
00:22:06,300 --> 00:22:04,930  
about well I thought I had just logged

455  
00:22:20,880 --> 00:22:06,310  
into the Christian Broadcasting Network

456  
00:22:25,680 --> 00:22:20,890  
for a minute I think Jim's pretty much

457  
00:22:28,710 --> 00:22:25,690  
said at all so if I can jump in here I

458  
00:22:31,500 --> 00:22:28,720  
got to make a caveat here okay but in my

459  
00:22:33,930 --> 00:22:31,510  
new book is our occulted history and

460  
00:22:36,330 --> 00:22:33,940  
what I need to explain is my use of the

461  
00:22:38,130 --> 00:22:36,340  
word Colton and I'm sure Peter

462  
00:22:41,190 --> 00:22:38,140  
understands this but maybe some of your

463  
00:22:44,030 --> 00:22:41,200

listeners might not you're not gonna

464

00:22:46,670 --> 00:22:44,040

read anything about devil worship or

465

00:22:48,650 --> 00:22:46,680

zombies or witches because or anything

466

00:22:51,440 --> 00:22:48,660

that we normally think of is the occult

467

00:22:54,590 --> 00:22:51,450

I use the term in the astronomical sense

468

00:22:57,710 --> 00:22:54,600

in that when the moon eclipses the Sun

469

00:23:01,280 --> 00:22:57,720

that's called an occultation because the

470

00:23:04,150 --> 00:23:01,290

moon masks or hides the Sun so in this

471

00:23:08,090 --> 00:23:04,160

in this sense occulted simply means our

472

00:23:10,610 --> 00:23:08,100

hidden history in its history that and I

473

00:23:13,160 --> 00:23:10,620

say hidden because it's not just lost

474

00:23:16,400 --> 00:23:13,170

it's not just hidden that we don't know

475

00:23:19,910 --> 00:23:16,410

about it is hidden that certain forces

476

00:23:23,390 --> 00:23:19,920

and certain organizations have been

477

00:23:27,200 --> 00:23:23,400

quite active in trying to prevent the

478

00:23:29,000 --> 00:23:27,210

human crowd from learning about Peter

479

00:23:31,280 --> 00:23:29,010

I'm sure is very familiar with a lot of

480

00:23:34,130 --> 00:23:31,290

this in fact I still refer to his

481

00:23:37,610 --> 00:23:34,140

trilogy a book called sinister forces

482

00:23:40,880 --> 00:23:37,620

he's he was right into it thank you very

483

00:23:44,210 --> 00:23:40,890

much Jim yeah sure and I do agree that

484

00:23:46,040 --> 00:23:44,220

the history has been occulted we're not

485

00:23:48,230 --> 00:23:46,050

exactly sure all the time by whom or

486

00:23:50,720 --> 00:23:48,240

what the agenda is but the occultation

487

00:23:52,880 --> 00:23:50,730

certainly has taken place and you know

488

00:23:57,020 --> 00:23:52,890

we're trying to uncover some of that you

489

00:23:58,520 --> 00:23:57,030

know gradually as we go on it's a it's

490

00:24:00,350 --> 00:23:58,530

like a treasure hunt I mean trying to

491

00:24:02,060 --> 00:24:00,360

figure out what the real history you

492

00:24:04,550 --> 00:24:02,070

know was I mean trying to find out what

493

00:24:06,830 --> 00:24:04,560

our origins are you know we have to

494

00:24:07,940 --> 00:24:06,840

really start you know start afresh start

495

00:24:09,950 --> 00:24:07,950

anew and this is something I've been

496

00:24:11,570 --> 00:24:09,960

writing about something Jim's and

497

00:24:13,310 --> 00:24:11,580

writing about the decades you know the

498

00:24:15,590 --> 00:24:13,320

idea that the history were taught in

499

00:24:18,050 --> 00:24:15,600

school is not history it's just a

500

00:24:20,440 --> 00:24:18,060

narrative it's just a story

501  
00:24:22,760 --> 00:24:20,450  
that people come up with that you know

502  
00:24:24,860 --> 00:24:22,770  
handily tries to address some of the

503  
00:24:26,800 --> 00:24:24,870  
main issues and makes us all sleep

504  
00:24:29,660 --> 00:24:26,810  
better at night but it's not necessarily

505  
00:24:31,190 --> 00:24:29,670  
what really went on it's not really the

506  
00:24:34,190 --> 00:24:31,200  
story of what actually has happened

507  
00:24:36,830 --> 00:24:34,200  
what's taken place over the last held

508  
00:24:38,420 --> 00:24:36,840  
not just over the last 50 60 70 years or

509  
00:24:40,550 --> 00:24:38,430  
over the last you know cinamon thousand

510  
00:24:42,830 --> 00:24:40,560  
years I mean we we really don't know who

511  
00:24:45,590 --> 00:24:42,840  
we are we don't know what our origins

512  
00:24:46,940 --> 00:24:45,600  
are we don't know where we've come so

513  
00:24:49,220 --> 00:24:46,950

how do we know where we're going and

514

00:24:50,300 --> 00:24:49,230

this is probably what Jim's been writing

515

00:24:54,320 --> 00:24:50,310

about I know it's what I've been writing

516

00:24:55,970 --> 00:24:54,330

about - well you guys both of you are

517

00:24:58,340 --> 00:24:55,980

you know well-known and respected

518

00:25:01,279 --> 00:24:58,350

authors and both of you

519

00:25:04,700 --> 00:25:01,289

of material that overlaps each other you

520

00:25:07,940 --> 00:25:04,710

know Jim is written about the

521

00:25:09,529 --> 00:25:07,950

continuation of the Nazis after World

522

00:25:14,240 --> 00:25:09,539

War two and that's a big part of your

523

00:25:16,520 --> 00:25:14,250

research as well Peter and how some of

524

00:25:18,020 --> 00:25:16,530

these people escaped justice and you

525

00:25:20,240 --> 00:25:18,030

know how some of them were brought over

526  
00:25:23,270 --> 00:25:20,250  
here during Operation Paperclip and and

527  
00:25:26,600 --> 00:25:23,280  
I know from listening to Jim and reading

528  
00:25:29,570 --> 00:25:26,610  
his books that were pretty much I think

529  
00:25:31,100 --> 00:25:29,580  
we all three of us and and perhaps I

530  
00:25:34,250 --> 00:25:31,110  
could even speak for the majority of the

531  
00:25:36,799 --> 00:25:34,260  
people who are listening that that we

532  
00:25:40,549 --> 00:25:36,809  
could all agree that we're living in a

533  
00:25:44,720 --> 00:25:40,559  
so-called country right now which is is

534  
00:25:49,460 --> 00:25:44,730  
really a continuation of some kind of a

535  
00:25:53,270 --> 00:25:49,470  
Nazi Enclave or the Fourth Reich as Jim

536  
00:25:56,080 --> 00:25:53,280  
is coded and we're seeing it manifests

537  
00:25:58,640 --> 00:25:56,090  
itself more and more as time goes by

538  
00:26:00,289 --> 00:25:58,650

with the crackdown from the police state

539

00:26:01,970 --> 00:26:00,299

and all this other kind of stuff so the

540

00:26:03,200 --> 00:26:01,980

point I was trying to make in addition

541

00:26:06,380 --> 00:26:03,210

to what you guys were talking about was

542

00:26:10,360 --> 00:26:06,390

that history is deliberately hidden from

543

00:26:14,480 --> 00:26:10,370

us and deliberately misrepresented and

544

00:26:16,880 --> 00:26:14,490

occulted so that we can't see what's

545

00:26:19,490 --> 00:26:16,890

coming so that we can't look in the past

546

00:26:20,810 --> 00:26:19,500

and say hey this thing happened then and

547

00:26:22,399 --> 00:26:20,820

it looks like the same kind of

548

00:26:24,590 --> 00:26:22,409

conditions are happening now to bring

549

00:26:26,600 --> 00:26:24,600

about the same thing before so I think

550

00:26:28,279 --> 00:26:26,610

they constantly rewrite this stuff

551  
00:26:29,690 --> 00:26:28,289  
trying to hide the things they don't

552  
00:26:32,149 --> 00:26:29,700  
want people to know about or downplay

553  
00:26:35,210 --> 00:26:32,159  
them would you would you all agree with

554  
00:26:37,549 --> 00:26:35,220  
that well I saw a quote from Winston

555  
00:26:38,899 --> 00:26:37,559  
Churchill recently that really kind of

556  
00:26:39,799 --> 00:26:38,909  
grabbed me and I think it pretty well

557  
00:26:42,470 --> 00:26:39,809  
says at all

558  
00:26:48,169 --> 00:26:42,480  
if this is a legitimate quote and I

559  
00:26:50,690 --> 00:26:48,179  
think it was he he supposedly said I am

560  
00:26:53,029 --> 00:26:50,700  
gonna look good in the history books and

561  
00:26:56,630 --> 00:26:53,039  
he says I know that because I will write

562  
00:27:00,740 --> 00:26:56,640  
them and that pretty well sums it up

563  
00:27:03,350 --> 00:27:00,750

because as as the old axiom says the

564

00:27:06,260 --> 00:27:03,360

victors write history and that's very

565

00:27:09,560 --> 00:27:06,270

true so that's why our history gets so

566

00:27:12,080 --> 00:27:09,570

skewed because you never really hear the

567

00:27:16,090 --> 00:27:12,090

other side you only hear the side of the

568

00:27:21,890 --> 00:27:16,100

Victor's that's right there was a

569

00:27:25,190 --> 00:27:21,900

Christian mission about to 300 ad who

570

00:27:27,680 --> 00:27:25,200

wrote this great line he said that not

571

00:27:30,680 --> 00:27:27,690

all true things are to be told and to

572

00:27:32,570 --> 00:27:30,690

foment and that was in the context of

573

00:27:34,159 --> 00:27:32,580

religion and in the context of what the

574

00:27:36,409 --> 00:27:34,169

truth might or might not have been about

575

00:27:38,750 --> 00:27:36,419

the life of Jesus and what happens to

576

00:27:40,940 --> 00:27:38,760

Jesus etc and here's a here's a Catholic

577

00:27:42,620 --> 00:27:40,950

bishop at the time saying we can't tell

578

00:27:44,690 --> 00:27:42,630

everybody everything we can't tell the

579

00:27:46,279 --> 00:27:44,700

true stuffs people because you know

580

00:27:48,580 --> 00:27:46,289

either they're not ready for it or

581

00:27:51,139 --> 00:27:48,590

they're just children they don't possess

582

00:27:52,880 --> 00:27:51,149

indeed necessary background or context

583

00:27:54,049 --> 00:27:52,890

or whatever phony reasons they come up

584

00:27:56,120 --> 00:27:54,059

with but there's always a

585

00:27:57,830 --> 00:27:56,130

rationalization they're not telling us

586

00:28:00,639 --> 00:27:57,840

what's going on I find that a little

587

00:28:02,810 --> 00:28:00,649

irritating that were being

588

00:28:04,130 --> 00:28:02,820

classification process of documents that

589

00:28:05,990 --> 00:28:04,140

we've all come up against you know

590

00:28:09,019 --> 00:28:06,000

they're still documents classified for

591

00:28:12,380 --> 00:28:09,029

World War one I mean come on exactly

592

00:28:14,480 --> 00:28:12,390

yeah I feel frustrated too because in

593

00:28:16,549 --> 00:28:14,490

the New Testament on more than one

594

00:28:19,250 --> 00:28:16,559

occasion you find Jesus telling his

595

00:28:21,529 --> 00:28:19,260

disciples well are they asked him they

596

00:28:24,200 --> 00:28:21,539

said why is it that you just tell these

597

00:28:26,720 --> 00:28:24,210

parables these little stories to do the

598

00:28:29,090 --> 00:28:26,730

crowds you know and he explained he said

599

00:28:30,980 --> 00:28:29,100

well that's because as far as the crowd

600

00:28:33,110 --> 00:28:30,990

goes that's just about something all

601  
00:28:35,090 --> 00:28:33,120  
some of those people can understand so I

602  
00:28:37,820 --> 00:28:35,100  
try to make my points in these little

603  
00:28:40,639 --> 00:28:37,830  
parables he says but to you my faithful

604  
00:28:43,220 --> 00:28:40,649  
followers I will tell you know the real

605  
00:28:54,320 --> 00:28:43,230  
truth well wait a minute I don't read

606  
00:28:56,060 --> 00:28:54,330  
read and reread a New Testament right so

607  
00:28:59,269 --> 00:28:56,070  
right we've come across them and now

608  
00:29:01,430 --> 00:28:59,279  
Hammadi gigs come across them at Qumran

609  
00:29:02,299 --> 00:29:01,440  
we've come across some of the truths you

610  
00:29:05,419 --> 00:29:02,309  
know but they're not they're not

611  
00:29:07,340 --> 00:29:05,429  
accepted they're still classified well

612  
00:29:09,830 --> 00:29:07,350  
and and some of that I some of the

613  
00:29:11,330 --> 00:29:09,840

parables are do have truthful points but

614

00:29:13,039 --> 00:29:11,340

the problem is it's not the whole truth

615

00:29:19,279 --> 00:29:13,049

it's not everything yeah I don't know

616

00:29:21,649 --> 00:29:19,289

every day yes I absolutely agree I think

617

00:29:24,129 --> 00:29:21,659

we do deserve to have a bit of truth I

618

00:29:26,440 --> 00:29:24,139

believe

619

00:29:27,909 --> 00:29:26,450

you know when I look into the past and I

620

00:29:30,220 --> 00:29:27,919

think both you guys may agree with me

621

00:29:32,680 --> 00:29:30,230

here when you look when you look back

622

00:29:34,840 --> 00:29:32,690

into the past and you realize that like

623

00:29:37,930 --> 00:29:34,850

like take ancient Egypt for instance

624

00:29:40,359 --> 00:29:37,940

okay there's still you know a great deal

625

00:29:43,029 --> 00:29:40,369

of debate about the pyramids and the

626  
00:29:46,060 --> 00:29:43,039  
massive megalithic structures that the

627  
00:29:48,729 --> 00:29:46,070  
Egyptians put together and you know even

628  
00:29:50,830 --> 00:29:48,739  
you know proposing some very you Trey

629  
00:29:52,539 --> 00:29:50,840  
ideas about it you know like sonic

630  
00:29:55,989 --> 00:29:52,549  
levitation and and things of this nature

631  
00:29:57,609 --> 00:29:55,999  
and you know I'm in no position to say

632  
00:29:59,799 --> 00:29:57,619  
one way or the other what is true and

633  
00:30:02,080 --> 00:29:59,809  
what is not but I think when I look back

634  
00:30:04,239 --> 00:30:02,090  
in time to like the Egyptian time

635  
00:30:06,729 --> 00:30:04,249  
and I think it probably translates to

636  
00:30:09,279 --> 00:30:06,739  
everywhere else and that is that the the

637  
00:30:10,899 --> 00:30:09,289  
people who had the knowledge to do the

638  
00:30:12,700 --> 00:30:10,909

things that they did to build these

639

00:30:16,379 --> 00:30:12,710

megalithic structures and things of this

640

00:30:20,820 --> 00:30:16,389

nature was a very select group of people

641

00:30:24,369 --> 00:30:20,830

perhaps the the priesthood of particular

642

00:30:25,989 --> 00:30:24,379

religion in ancient Egypt or you know a

643

00:30:28,779 --> 00:30:25,999

secret Brotherhood or what-have-you and

644

00:30:31,029 --> 00:30:28,789

it kind of seems to me that it comes

645

00:30:32,680 --> 00:30:31,039

down through time that when you have

646

00:30:34,419 --> 00:30:32,690

these religious organizations when you

647

00:30:38,200 --> 00:30:34,429

have these Brotherhood's if you will

648

00:30:43,180 --> 00:30:38,210

that really have the knowledge that is

649

00:30:45,580 --> 00:30:43,190

necessary to to bring into to bring

650

00:30:47,979 --> 00:30:45,590

forth knowledge and to build and to do

651

00:30:51,310 --> 00:30:47,989

all of these great things that it's kept

652

00:30:53,710 --> 00:30:51,320

secret on purpose so that the common

653

00:30:55,749 --> 00:30:53,720

rabble can never have access to it and

654

00:30:57,269 --> 00:30:55,759

there's always going to be a need for

655

00:30:59,169 --> 00:30:57,279

that priesthood or that class of people

656

00:31:00,460 --> 00:30:59,179

because they're the only ones that have

657

00:31:03,489 --> 00:31:00,470

the knowledge and this was the very

658

00:31:04,919 --> 00:31:03,499

beginning of the initiatic system that

659

00:31:07,299 --> 00:31:04,929

we have within Brotherhood's like

660

00:31:09,580 --> 00:31:07,309

Freemasonry and things like that

661

00:31:13,899 --> 00:31:09,590

would either you care to comment on that

662

00:31:17,139 --> 00:31:13,909

well knowledge is power and ever has the

663

00:31:19,419 --> 00:31:17,149

knowledge has the power and and and

664

00:31:22,810 --> 00:31:19,429

they're usually loath to give up that

665

00:31:26,019 --> 00:31:22,820

power in fact that's the whole thing I

666

00:31:28,180 --> 00:31:26,029

constantly try to help people in the

667

00:31:30,519 --> 00:31:28,190

remind people that I don't care how

668

00:31:32,529 --> 00:31:30,529

brilliant you are I don't care how much

669

00:31:33,340 --> 00:31:32,539

you what good grades you got in school I

670

00:31:36,159 --> 00:31:33,350

don't care

671

00:31:36,830 --> 00:31:36,169

smart you are if you are operating from

672

00:31:43,100 --> 00:31:36,840

in

673

00:31:46,159 --> 00:31:43,110

never be able to make a a good decision

674

00:31:48,860 --> 00:31:46,169

on anything all right Peter yeah that's

675

00:31:50,600 --> 00:31:48,870

absolutely true you know if you're

676

00:31:53,779 --> 00:31:50,610

studying just the books that are

677

00:31:56,510 --> 00:31:53,789

approved in the curriculum just the

678

00:31:58,039 --> 00:31:56,520

stuff that's proved by whatever name

679

00:32:00,560 --> 00:31:58,049

stream academia you're working with then

680

00:32:02,930 --> 00:32:00,570

you are hamstrung by not having access

681

00:32:04,700 --> 00:32:02,940

not having total access to all the the

682

00:32:08,510 --> 00:32:04,710

possible interpretations or all the

683

00:32:11,149 --> 00:32:08,520

possible data you're you're off limits I

684

00:32:15,110 --> 00:32:11,159

mean you're working in the dark

685

00:32:16,789 --> 00:32:15,120

Kyle Sagan talked about you know what

686

00:32:18,230 --> 00:32:16,799

lighting a candle in the dark and I

687

00:32:20,750 --> 00:32:18,240

always thought about all Sagan that he

688

00:32:23,210 --> 00:32:20,760

was whistling in the dark because of his

689

00:32:24,769 --> 00:32:23,220

attitude was but whatever we say is true

690

00:32:27,260 --> 00:32:24,779

must be the truth whatever you guys say

691

00:32:31,010 --> 00:32:27,270

can't be you know science has created

692

00:32:32,240 --> 00:32:31,020

its own kind of priesthood as both of

693

00:32:36,350 --> 00:32:32,250

you been talking about a kind of

694

00:32:38,539 --> 00:32:36,360

priesthood of knowledge and it's it is

695

00:32:40,970 --> 00:32:38,549

off-limits to to the rest of us it's not

696

00:32:42,980 --> 00:32:40,980

just because it's couched in in language

697

00:32:46,060 --> 00:32:42,990

of mathematics or something else there's

698

00:32:48,529 --> 00:32:46,070

data that's missing there's actual

699

00:32:50,720 --> 00:32:48,539

experimentation records that have gone

700

00:32:52,310 --> 00:32:50,730

missing there are things that we can't

701  
00:32:54,350 --> 00:32:52,320  
know we just don't have the access that

702  
00:32:56,120 --> 00:32:54,360  
we're supposed to have and that means

703  
00:32:58,760 --> 00:32:56,130  
that we're operating in the world of

704  
00:33:00,830 --> 00:32:58,770  
unreality because we think we know what

705  
00:33:02,750 --> 00:33:00,840  
happened we think we know what the

706  
00:33:04,789 --> 00:33:02,760  
scientific reasons are for things we

707  
00:33:06,680 --> 00:33:04,799  
think we understand all this but we

708  
00:33:08,659 --> 00:33:06,690  
really don't we don't understand our own

709  
00:33:11,210 --> 00:33:08,669  
history you know every time they

710  
00:33:13,370 --> 00:33:11,220  
Declassified other document I have to go

711  
00:33:15,310 --> 00:33:13,380  
back and rewrite history I have to go

712  
00:33:17,930 --> 00:33:15,320  
back and relearn what I thought I knew

713  
00:33:20,870 --> 00:33:17,940

every time a new document hits or every

714

00:33:22,370 --> 00:33:20,880

time there's a Snowden you know or a

715

00:33:24,049 --> 00:33:22,380

Bradley Manning out there every time

716

00:33:25,909 --> 00:33:24,059

there's more stuff that comes to light

717

00:33:28,730 --> 00:33:25,919

you have to stop and say late at night

718

00:33:30,830 --> 00:33:28,740

okay this was the truth and now I

719

00:33:31,700 --> 00:33:30,840

realize it's not what does that mean for

720

00:33:34,340 --> 00:33:31,710

everything else what are the

721

00:33:36,710 --> 00:33:34,350

implications for this knowledge you know

722

00:33:38,419 --> 00:33:36,720

so we always feel thought we knew what

723

00:33:40,460 --> 00:33:38,429

happened in World War two we grew up

724

00:33:41,840 --> 00:33:40,470

with those stories our parents told us

725

00:33:43,519 --> 00:33:41,850

what happened to the world war two we

726

00:33:45,320 --> 00:33:43,529

saw all those black-and-white movies on

727

00:33:46,789 --> 00:33:45,330

television you know and we saw the

728

00:33:49,130 --> 00:33:46,799

newsreels that were put out by the

729

00:33:50,330 --> 00:33:49,140

victors by the people who won that

730

00:33:52,760 --> 00:33:50,340

conflict so we thought

731

00:33:54,230 --> 00:33:52,770

you know and in the case of world war ii

732

00:33:57,320 --> 00:33:54,240

which is written but i've written about

733

00:33:59,390 --> 00:33:57,330

it we know but that story is not refused

734

00:34:02,210 --> 00:33:59,400

and if we don't even know what happened

735

00:34:03,710 --> 00:34:02,220

in the last 50 60 years you know how

736

00:34:05,180 --> 00:34:03,720

could we know anything else how could we

737

00:34:08,359 --> 00:34:05,190

be assured that we're operating in the

738

00:34:09,530 --> 00:34:08,369

creative world what's the real world you

739

00:34:12,079 --> 00:34:09,540

know what really happened

740

00:34:13,399 --> 00:34:12,089

so we don't know whether it's science

741

00:34:15,619 --> 00:34:13,409

whether it's history whether it's

742

00:34:18,109 --> 00:34:15,629

religion we simply don't know we don't

743

00:34:21,290 --> 00:34:18,119

know not allowed to have access right a

744

00:34:25,040 --> 00:34:21,300

good example of that is Don Johanson who

745

00:34:28,250 --> 00:34:25,050

the discoverer of Lucy some of the

746

00:34:32,000 --> 00:34:28,260

oldest hominid ik bones that were found

747

00:34:33,889 --> 00:34:32,010

there in Africa I understand that he was

748

00:34:39,220 --> 00:34:33,899

kind of constrained you know he could

749

00:34:43,909 --> 00:34:39,230

not go past 1.5 million years you know

750

00:34:46,250 --> 00:34:43,919

Wow well you just go back you forgot man

751  
00:34:49,460 --> 00:34:46,260  
well that's the same thing with the

752  
00:34:50,990 --> 00:34:49,470  
theories of who came first to to the

753  
00:34:53,180 --> 00:34:51,000  
American continent the South American

754  
00:34:55,250 --> 00:34:53,190  
continent you know I mean there are

755  
00:34:57,380 --> 00:34:55,260  
people who know that the continents were

756  
00:34:59,630 --> 00:34:57,390  
inhabited much earlier than in the

757  
00:35:02,740 --> 00:34:59,640  
textbooks tell us we keep coming across

758  
00:35:04,609 --> 00:35:02,750  
more evidence you know more Jeolla or

759  
00:35:06,950 --> 00:35:04,619  
archaeological evidence so there were

760  
00:35:08,450 --> 00:35:06,960  
people living on the continent long

761  
00:35:11,120 --> 00:35:08,460  
before we thought they were the whole

762  
00:35:12,800 --> 00:35:11,130  
idea of the crossing across the Bering

763  
00:35:15,829 --> 00:35:12,810

Straits the land bridge and everything

764

00:35:17,780 --> 00:35:15,839

else is an exploded theory but we're

765

00:35:18,770 --> 00:35:17,790

still being taught that it's you know

766

00:35:20,599 --> 00:35:18,780

people are still being taught that

767

00:35:22,450 --> 00:35:20,609

that's the safe explanation as to what

768

00:35:26,660 --> 00:35:22,460

happened that's the one that you know

769

00:35:28,070 --> 00:35:26,670

it's the nursery rhyme so think it was

770

00:35:29,660 --> 00:35:28,080

all bits on we're all comfortable with

771

00:35:32,000 --> 00:35:29,670

that and it's not what happened

772

00:35:33,890 --> 00:35:32,010

you know there's Owen grain didn't

773

00:35:36,500 --> 00:35:33,900

students get it most everybody not just

774

00:35:38,630 --> 00:35:36,510

accepted as fact and yet they are

775

00:35:40,520 --> 00:35:38,640

finding out that during the glacial

776

00:35:42,290 --> 00:35:40,530

periods you know all that area would

777

00:35:43,730 --> 00:35:42,300

have been under tons of ice she couldn't

778

00:35:45,680 --> 00:35:43,740

across it there would have been no land

779

00:35:47,960 --> 00:35:45,690

bridge once there's archaeological

780

00:35:50,120 --> 00:35:47,970

evidence there was traffic from North

781

00:35:51,770 --> 00:35:50,130

Africa and Europe you know it's North

782

00:35:54,470 --> 00:35:51,780

and South America long black or just

783

00:35:56,780 --> 00:35:54,480

pull you know other you know they did

784

00:35:59,420 --> 00:35:56,790

the the people coming in across from

785

00:36:00,530 --> 00:35:59,430

Siberia yesterday there's we know

786

00:36:01,970 --> 00:36:00,540

there's evidence but since the

787

00:36:04,290 --> 00:36:01,980

understood since it's the theory

788

00:36:06,900 --> 00:36:04,300

the evidence is rejected and

789

00:36:09,750 --> 00:36:06,910

that's part of the problem right exactly

790

00:36:12,030 --> 00:36:09,760

and you know I covered this in my in my

791

00:36:14,970 --> 00:36:12,040

book IRA cultures history the story that

792

00:36:18,300 --> 00:36:14,980

was well reported at the time in the

793

00:36:22,920 --> 00:36:18,310

newspapers about the discovery of

794

00:36:27,750 --> 00:36:22,930

Egyptian artifacts excuse me and the

795

00:36:29,550 --> 00:36:27,760

Grand Canyon and that was in a 1909

796

00:36:32,280 --> 00:36:29,560

paper and they even quote from a

797

00:36:36,330 --> 00:36:32,290

official of the smithsonian institution

798

00:36:38,010 --> 00:36:36,340

which was dr. jordan i believe and they

799

00:36:40,290 --> 00:36:38,020

said they were finding all this stuff

800

00:36:42,570 --> 00:36:40,300

and that they had cranes and they were

801  
00:36:45,240 --> 00:36:42,580  
lowering these things out of the grand

802  
00:36:47,310 --> 00:36:45,250  
canyon and yet even today the

803  
00:36:52,080 --> 00:36:47,320  
smithsonian says oh no no nothing like

804  
00:36:54,090 --> 00:36:52,090  
that ever happened excuse me i said no

805  
00:36:57,180 --> 00:36:54,100  
nothing like that you know that's just

806  
00:36:58,710 --> 00:36:57,190  
not right and yet today if you go and

807  
00:37:01,350 --> 00:36:58,720  
check the north side of the canyon you

808  
00:37:04,020 --> 00:37:01,360  
found rock formations with names like

809  
00:37:06,360 --> 00:37:04,030  
the tower of set the tower of law the

810  
00:37:09,060 --> 00:37:06,370  
horace temple the acerous Temple Mount

811  
00:37:11,880 --> 00:37:09,070  
Isis temple so wait a minute and then I

812  
00:37:14,250 --> 00:37:11,890  
talked to some people who said they were

813  
00:37:16,530 --> 00:37:14,260

backpacking in the north end of the

814

00:37:19,290 --> 00:37:16,540

Grand Canyon and found concrete

815

00:37:22,560 --> 00:37:19,300

platforms which they speculated reused

816

00:37:24,600 --> 00:37:22,570

to mount that suiting for the list and

817

00:37:26,550 --> 00:37:24,610

bring these things out so what happens

818

00:37:28,230 --> 00:37:26,560

all this stuff and of course that you

819

00:37:30,210 --> 00:37:28,240

could say you could explain that away as

820

00:37:32,400 --> 00:37:30,220

one anomaly but what you can't explain

821

00:37:34,830 --> 00:37:32,410

away are the numerous newspaper

822

00:37:37,140 --> 00:37:34,840

clippings as I have in ourselves they go

823

00:37:39,210 --> 00:37:37,150

back into the 1800s and some right on up

824

00:37:43,020 --> 00:37:39,220

till the day where they have found the

825

00:37:45,840 --> 00:37:43,030

bones of giant humanoids okay I mean

826

00:37:49,230 --> 00:37:45,850

less a giant I mean like 15 feet tall

827

00:37:52,470 --> 00:37:49,240

huge skeletons and these things get

828

00:37:54,510 --> 00:37:52,480

taken away real quick hidden away the

829

00:37:56,700 --> 00:37:54,520

Smithsonian Institution being one of the

830

00:37:58,830 --> 00:37:56,710

main culprits and everybody knows that's

831

00:38:01,230 --> 00:37:58,840

a great scientific establishment but

832

00:38:03,450 --> 00:38:01,240

what most people don't realize is that

833

00:38:07,020 --> 00:38:03,460

it is an agency of the United States

834

00:38:09,540 --> 00:38:07,030

government so we have a corollary here

835

00:38:12,270 --> 00:38:09,550

to area 51 which according to a lot of

836

00:38:15,240 --> 00:38:12,280

rumors and stories and whistleblowers is

837

00:38:16,920 --> 00:38:15,250

where they have housed UFOs and possible

838

00:38:18,070 --> 00:38:16,930

aliens and of course we don't know that

839

00:38:20,440 --> 00:38:18,080

because you can't get

840

00:38:23,050 --> 00:38:20,450

there same thing here we have all these

841

00:38:24,070 --> 00:38:23,060

so-called anomalies that they found all

842

00:38:28,090 --> 00:38:24,080

around the world

843

00:38:31,570 --> 00:38:28,100

elongated skulls giant humans certain

844

00:38:34,330 --> 00:38:31,580

archaeological artifacts and yet all

845

00:38:36,970 --> 00:38:34,340

that seems to disappear he goes away and

846

00:38:38,350 --> 00:38:36,980

then we're told it doesn't exist you

847

00:38:40,840 --> 00:38:38,360

know how are we ever supposed to

848

00:38:45,420 --> 00:38:40,850

progress as a race when we had no idea

849

00:38:48,280 --> 00:38:45,430

of what where we came from well exactly

850

00:38:51,160 --> 00:38:48,290

not only how do we progress but how do

851

00:38:53,230 --> 00:38:51,170

we know who we are you know this is

852

00:38:55,420 --> 00:38:53,240

vital for us to know as human beings we

853

00:38:57,130 --> 00:38:55,430

need to know right who we are really

854

00:38:58,600 --> 00:38:57,140

where we came from what the truth is

855

00:39:02,050 --> 00:38:58,610

about these things why should we live

856

00:39:05,020 --> 00:39:02,060

and die in the dark you know who's this

857

00:39:07,300 --> 00:39:05,030

benefiting you know who's getting was

858

00:39:10,300 --> 00:39:07,310

getting off on us on not allowing us to

859

00:39:12,640 --> 00:39:10,310

know these things I mean what harm would

860

00:39:15,760 --> 00:39:12,650

it possibly do for us to start learning

861

00:39:17,770 --> 00:39:15,770

about our origins and end the real

862

00:39:20,020 --> 00:39:17,780

history of the last few hundred or a few

863

00:39:21,850 --> 00:39:20,030

thousand years away with whose - going

864

00:39:23,410 --> 00:39:21,860

to harm at this point why our document

865

00:39:25,210 --> 00:39:23,420

still classified since World War one I

866

00:39:26,920 --> 00:39:25,220

mean you know it's all part of the same

867

00:39:29,050 --> 00:39:26,930

story it's all part of a deliberate

868

00:39:31,150 --> 00:39:29,060

attempt to withhold information from the

869

00:39:35,190 --> 00:39:31,160

rest of us and I would like to know why

870

00:39:41,050 --> 00:39:37,570

one thing you can be sure of is that

871

00:39:42,930 --> 00:39:41,060

somebody's benefiting somewhere because

872

00:39:47,260 --> 00:39:42,940

if there's technology or whatever that

873

00:39:49,720 --> 00:39:47,270

is excuse me a remnant of past

874

00:39:52,930 --> 00:39:49,730

civilizations that people have knowledge

875

00:39:57,190 --> 00:39:52,940

of and that we have no knowledge of as

876

00:40:00,580 --> 00:39:57,200

just your regular average citizen and

877

00:40:02,050 --> 00:40:00,590

whatever country you're in obviously you

878

00:40:04,720 --> 00:40:02,060

know there's a lot of material that is

879

00:40:07,360 --> 00:40:04,730

kept hidden I know for a fact that both

880

00:40:11,140 --> 00:40:07,370

of you guys are very very knowledgeable

881

00:40:13,720 --> 00:40:11,150

of and have spoken of in the past about

882

00:40:16,900 --> 00:40:13,730

the the secret space program that may be

883

00:40:19,540 --> 00:40:16,910

going on with the United States and in

884

00:40:23,740 --> 00:40:19,550

probably other countries as well not to

885

00:40:26,470 --> 00:40:23,750

mention what might be left over from you

886

00:40:29,380 --> 00:40:26,480

know the Nazis after World War two which

887

00:40:31,780 --> 00:40:29,390

which I know Joseph Farrow and others

888

00:40:32,320 --> 00:40:31,790

have commented that maybe we're dealing

889

00:40:34,510 --> 00:40:32,330

with

890

00:40:36,640 --> 00:40:34,520

you know a third force that's active in

891

00:40:38,680 --> 00:40:36,650

the world that may be actually engaged

892

00:40:41,830 --> 00:40:38,690

in these type of activities as well and

893

00:40:44,560 --> 00:40:41,840

this is all going on you know day to day

894

00:40:46,990 --> 00:40:44,570

week to week month to month right around

895

00:40:48,970 --> 00:40:47,000

us all the time and we have no we have

896

00:40:50,890 --> 00:40:48,980

no knowledge of exactly what's going on

897

00:40:52,860 --> 00:40:50,900

and people making decisions on our

898

00:40:58,240 --> 00:40:52,870

behalf and things of this nature

899

00:41:03,370 --> 00:40:58,250

that well well that's you know that's

900

00:41:06,220 --> 00:41:03,380

the that's the party line if if the

901  
00:41:09,790 --> 00:41:06,230  
people in charge are simply fools or

902  
00:41:11,860 --> 00:41:09,800  
just greedy and incompetent or whatever

903  
00:41:14,290 --> 00:41:11,870  
you know you'd think that occasionally

904  
00:41:15,190 --> 00:41:14,300  
they make a mistake in our favor but it

905  
00:41:17,620 --> 00:41:15,200  
never happens

906  
00:41:19,780 --> 00:41:17,630  
no which leads me to believe that

907  
00:41:21,610 --> 00:41:19,790  
actually when when they're supposed to

908  
00:41:23,320 --> 00:41:21,620  
be representing us they're actually

909  
00:41:25,630 --> 00:41:23,330  
representing you know rich and powerful

910  
00:41:28,140 --> 00:41:25,640  
people and and of course if we get

911  
00:41:31,510 --> 00:41:28,150  
anything it's the crumbs off the table

912  
00:41:35,170 --> 00:41:31,520  
much like the serfs or slaves in ancient

913  
00:41:37,090 --> 00:41:35,180

times would sit at the feet of the the

914

00:41:39,460 --> 00:41:37,100

table of the Lord and hope to get

915

00:41:41,860 --> 00:41:39,470

whatever you know was not slopped up by

916

00:41:43,600 --> 00:41:41,870

everybody's greedy gorging of whatever

917

00:41:46,330 --> 00:41:43,610

it is it was put out for them on the

918

00:41:50,140 --> 00:41:46,340

table and that's pretty much how we live

919

00:41:56,800 --> 00:41:50,150

today and the sad reality is that

920

00:41:59,920 --> 00:41:56,810

there's not that much of a an interest

921

00:42:02,920 --> 00:41:59,930

in on the part of people in my opinion

922

00:42:05,170 --> 00:42:02,930

to kind of like force the hand of of

923

00:42:07,750 --> 00:42:05,180

these agencies to release this

924

00:42:09,820 --> 00:42:07,760

information now we do get a lot of this

925

00:42:11,410 --> 00:42:09,830

from alternative media but really the

926  
00:42:14,440 --> 00:42:11,420  
vast majority of people in this country

927  
00:42:15,820 --> 00:42:14,450  
in this country in particular are you

928  
00:42:17,950 --> 00:42:15,830  
know if you brought up some of the

929  
00:42:19,720 --> 00:42:17,960  
topics that we talked about like on this

930  
00:42:23,050 --> 00:42:19,730  
show they wouldn't even know what you

931  
00:42:26,290 --> 00:42:23,060  
were talking about you know exactly yeah

932  
00:42:28,030 --> 00:42:26,300  
well now let me ask Peter I'm sure

933  
00:42:30,910 --> 00:42:28,040  
you're well aware that our friends

934  
00:42:33,160 --> 00:42:30,920  
Richard Dolan and and Joseph Ferrell

935  
00:42:36,850 --> 00:42:33,170  
that Tim mentioned they they have spoken

936  
00:42:38,520 --> 00:42:36,860  
about a third force and secret force in

937  
00:42:41,950 --> 00:42:38,530  
the world that they called a breakaway

938  
00:42:44,140 --> 00:42:41,960

civilization that started perhaps with

939

00:42:45,760 --> 00:42:44,150

the Nazis and their advanced technology

940

00:42:46,210 --> 00:42:45,770

and then was passed along to certain

941

00:42:49,839 --> 00:42:46,220

secret

942

00:42:52,109 --> 00:42:49,849

groups and I know I'm after study I

943

00:42:54,700 --> 00:42:52,119

became further convinced that the

944

00:42:57,640 --> 00:42:54,710

original moon program or space program

945

00:42:59,050 --> 00:42:57,650

was actually a three tiered program we

946

00:43:01,210 --> 00:42:59,060

had the Russians that were building

947

00:43:03,550 --> 00:43:01,220

heavy lift rockets and then we had the

948

00:43:05,710 --> 00:43:03,560

Americans that were building smaller

949

00:43:09,370 --> 00:43:05,720

rockets but that had very sophisticated

950

00:43:11,650 --> 00:43:09,380

guidance and control systems and I think

951  
00:43:14,470 --> 00:43:11,660  
that the two were put together combined

952  
00:43:16,750 --> 00:43:14,480  
into a very effective space force that

953  
00:43:20,740 --> 00:43:16,760  
we don't know about and has not been

954  
00:43:22,540 --> 00:43:20,750  
revealed to us as yet but what do you

955  
00:43:24,880 --> 00:43:22,550  
think about this idea of a breakaway

956  
00:43:29,440 --> 00:43:24,890  
civilization operating within the

957  
00:43:32,430 --> 00:43:29,450  
confines of our reality well I mean I I

958  
00:43:34,750 --> 00:43:32,440  
don't have a problem with that because I

959  
00:43:38,430 --> 00:43:34,760  
suggested at a conference a couple of

960  
00:43:41,170 --> 00:43:38,440  
years back on breakaway civilizations I

961  
00:43:44,200 --> 00:43:41,180  
my reaction was well why why wouldn't

962  
00:43:47,560 --> 00:43:44,210  
there be I mean if you know if there is

963  
00:43:49,120 --> 00:43:47,570

a possibility for four people who have

964

00:43:50,980 --> 00:43:49,130

this knowledge that we're talking about

965

00:43:52,690 --> 00:43:50,990

the access to this knowledge if there's

966

00:43:55,440 --> 00:43:52,700

a possibility for them to utilize it for

967

00:43:59,500 --> 00:43:55,450

their own benefit in some way to create

968

00:44:00,849 --> 00:43:59,510

technology for them to find a way to for

969

00:44:02,710 --> 00:44:00,859

instance get off the planet when the

970

00:44:04,660 --> 00:44:02,720

going got tough why wouldn't they do

971

00:44:07,150 --> 00:44:04,670

that why wouldn't people who had that

972

00:44:09,250 --> 00:44:07,160

power and ability develop a breakaway

973

00:44:12,370 --> 00:44:09,260

civilization it makes it perfect sense

974

00:44:15,070 --> 00:44:12,380

to me people especially of our

975

00:44:17,200 --> 00:44:15,080

generation and and before who grew up

976

00:44:18,370 --> 00:44:17,210

with the horrors of World War two you

977

00:44:20,620 --> 00:44:18,380

know who saw well it was what people

978

00:44:22,960 --> 00:44:20,630

were capable of realized that the Nazis

979

00:44:25,060 --> 00:44:22,970

were on the route to atomic weapons has

980

00:44:27,339 --> 00:44:25,070

where the Japanese the rumors are as

981

00:44:29,740 --> 00:44:27,349

well as ourselves and all the rest of it

982

00:44:31,030 --> 00:44:29,750

I mean the Cold War everybody extremely

983

00:44:33,310 --> 00:44:31,040

nervous the whole planet can be

984

00:44:34,990 --> 00:44:33,320

destroyed in an instant I mean I was one

985

00:44:37,690 --> 00:44:35,000

of those kids who had to sit you know in

986

00:44:39,430 --> 00:44:37,700

a school room with my hand over my neck

987

00:44:44,500 --> 00:44:39,440

and my head between my knees good thing

988

00:44:48,520 --> 00:44:44,510

my ass goodbye write a newspaper over

989

00:44:49,960 --> 00:44:48,530

there to catch the fallout yeah I mean

990

00:44:53,770 --> 00:44:49,970

we had to go through that so anybody

991

00:44:56,500 --> 00:44:53,780

with that you know understands the the

992

00:44:58,329 --> 00:44:56,510

the attractiveness of something like a

993

00:45:00,130 --> 00:44:58,339

breakaway civilization we have that

994

00:45:03,670 --> 00:45:00,140

technology of course we did

995

00:45:05,740 --> 00:45:03,680

of course well is there any evidence

996

00:45:07,870 --> 00:45:05,750

that there's a small clique of people

997

00:45:10,840 --> 00:45:07,880

who are trying to run the planet and I

998

00:45:13,330 --> 00:45:10,850

submit yes there is I cite my book on

999

00:45:14,770 --> 00:45:13,340

our culture history from a 2011 study by

1000

00:45:18,480 --> 00:45:14,780

the Swiss Federal Institute of

1001  
00:45:20,950 --> 00:45:18,490  
Technology and they studied 43,000

1002  
00:45:24,040 --> 00:45:20,960  
multinational corporations and they

1003  
00:45:26,590 --> 00:45:24,050  
found that those 43,000 multinational

1004  
00:45:29,410 --> 00:45:26,600  
corporations were being controlled by

1005  
00:45:31,300 --> 00:45:29,420  
only a little more than 1,000 companies

1006  
00:45:33,760 --> 00:45:31,310  
with interlocking ownerships and these

1007  
00:45:38,740 --> 00:45:33,770  
1,000 companies were then in turn

1008  
00:45:40,780 --> 00:45:38,750  
controlled by 147 firms mostly and then

1009  
00:45:43,950 --> 00:45:40,790  
these were controlled by about 20

1010  
00:45:47,620 --> 00:45:43,960  
different banks all with interlocking

1011  
00:45:50,140 --> 00:45:47,630  
and directorship and that these 20

1012  
00:45:54,450 --> 00:45:50,150  
banks control more than 60 percent of

1013  
00:45:58,270 --> 00:45:54,460

all the global revenues now that is an

1014

00:46:01,390 --> 00:45:58,280

incredible concentration of financial

1015

00:46:03,670 --> 00:46:01,400

power and of course how do they do this

1016

00:46:06,360 --> 00:46:03,680

well they operate through very

1017

00:46:09,100 --> 00:46:06,370

little-known things such as the exchange

1018

00:46:11,080 --> 00:46:09,110

Stabilization Fund a little office

1019

00:46:15,730 --> 00:46:11,090

within the Treasury Department that was

1020

00:46:19,950 --> 00:46:15,740

set up in 1934 and has been involved in

1021

00:46:22,720 --> 00:46:19,960

CI drug trafficking iran-contra and even

1022

00:46:25,540 --> 00:46:22,730

charged with involvement in the Kennedy

1023

00:46:27,580 --> 00:46:25,550

assassination they control the Federal

1024

00:46:29,080 --> 00:46:27,590

Reserve Bank of New York which in turn

1025

00:46:31,390 --> 00:46:29,090

controls the whole Federal Reserve

1026

00:46:33,880 --> 00:46:31,400

System they handle the CIA's black

1027

00:46:36,250 --> 00:46:33,890

budget which is considerable and they

1028

00:46:38,410 --> 00:46:36,260

were the architect of the International

1029

00:46:41,320 --> 00:46:38,420

Monetary Fund World Bank which are big

1030

00:46:43,030 --> 00:46:41,330

you know control mechanisms today I mean

1031

00:46:47,170 --> 00:46:43,040

you have another NT known as the

1032

00:46:50,230 --> 00:46:47,180

Financial Stability Board which we were

1033

00:46:53,590 --> 00:46:50,240

signed on to in 2006 by President Obama

1034

00:46:55,600 --> 00:46:53,600

at the g20 conference and this is

1035

00:46:58,270 --> 00:46:55,610

composed of the central bankers from the

1036

00:47:02,340 --> 00:46:58,280

g20 nations the very same people that

1037

00:47:06,400 --> 00:47:02,350

control all of these 40000 43,000

1038

00:47:08,130 --> 00:47:06,410

international corporations and it was

1039

00:47:10,750 --> 00:47:08,140

formerly the Financial Stability

1040

00:47:12,160 --> 00:47:10,760

Committee of the old Bank for

1041

00:47:13,510 --> 00:47:12,170

International Settlements

1042

00:47:17,350 --> 00:47:13,520

does that sound familiar

1043

00:47:21,040 --> 00:47:17,360

Peter yes sir miss Betty bank you know

1044

00:47:24,490 --> 00:47:21,050

yep yep so that's very tight control and

1045

00:47:27,250 --> 00:47:24,500

and it's the financial control today

1046

00:47:30,310 --> 00:47:27,260

more so than the religion of the past

1047

00:47:32,980 --> 00:47:30,320

entries but yet the two are intertwined

1048

00:47:35,470 --> 00:47:32,990

in fact if you think about it Jesus the

1049

00:47:37,480 --> 00:47:35,480

Prince of Peace when was the only time

1050

00:47:39,190 --> 00:47:37,490

he really got violent he got violent and

1051  
00:47:41,140 --> 00:47:39,200  
with the money changers and wherever

1052  
00:47:44,590 --> 00:47:41,150  
they at the bank no they were in the

1053  
00:47:46,900 --> 00:47:44,600  
temple and so money and religion have

1054  
00:47:49,510 --> 00:47:46,910  
been the two primary control mechanisms

1055  
00:47:53,860 --> 00:47:49,520  
that had been using human populations

1056  
00:47:56,950 --> 00:47:53,870  
since time immemorial that is so true

1057  
00:48:02,530 --> 00:47:56,960  
that is so true

1058  
00:48:07,300 --> 00:48:02,540  
so Peter now let me throw a little bit

1059  
00:48:08,650 --> 00:48:07,310  
to you since your latest book of course

1060  
00:48:10,570 --> 00:48:08,660  
is the Dark Lord

1061  
00:48:12,760 --> 00:48:10,580  
HP Lovecraft Kenneth grant and the

1062  
00:48:14,470 --> 00:48:12,770  
Typhon Ian tradition and magic which we

1063  
00:48:17,350 --> 00:48:14,480

talked a little bit about the last time

1064

00:48:19,300 --> 00:48:17,360

you were on since I have gotten the book

1065

00:48:23,290 --> 00:48:19,310

in the meantime because it wasn't out

1066

00:48:26,110 --> 00:48:23,300

yet last time you were on this actually

1067

00:48:27,700 --> 00:48:26,120

this book actually like touches on a lot

1068

00:48:31,680 --> 00:48:27,710

of the things that we've just been

1069

00:48:35,620 --> 00:48:31,690

talking about like you know a cult

1070

00:48:40,510 --> 00:48:35,630

history to a certain extent also the

1071

00:48:43,200 --> 00:48:40,520

idea of things going on behind the

1072

00:48:47,950 --> 00:48:43,210

scenes and you've commented in the past

1073

00:48:51,010 --> 00:48:47,960

that in your view the United States as

1074

00:48:53,380 --> 00:48:51,020

kind of like a haunted nation

1075

00:48:57,400 --> 00:48:53,390

that you said were haunted and we're

1076

00:48:59,410 --> 00:48:57,410

haunted not only by that past that has

1077

00:49:02,440 --> 00:48:59,420

been destroyed

1078

00:49:04,410 --> 00:49:02,450

you know in such an egregious manner you

1079

00:49:07,000 --> 00:49:04,420

know through the genocide of the native

1080

00:49:08,530 --> 00:49:07,010

peoples here and through the destruction

1081

00:49:10,720 --> 00:49:08,540

of their culture and history and all

1082

00:49:13,270 --> 00:49:10,730

that sort of thing but also through the

1083

00:49:18,850 --> 00:49:13,280

very nefarious actions of our government

1084

00:49:20,550 --> 00:49:18,860

and the cover-ups and the the crimes

1085

00:49:25,570 --> 00:49:20,560

that have been committed over the years

1086

00:49:27,460 --> 00:49:25,580

to put us in that position and I guess

1087

00:49:31,690 --> 00:49:27,470

I'll put it to you Peter and

1088

00:49:33,970 --> 00:49:31,700

Jim you can chime in if you want to when

1089

00:49:38,050 --> 00:49:33,980

we look at the situation that we have

1090

00:49:39,849 --> 00:49:38,060

today and we actually take into account

1091

00:49:41,500 --> 00:49:39,859

some of the things that we've been

1092

00:49:44,310 --> 00:49:41,510

talking about here how we've been under

1093

00:49:48,520 --> 00:49:44,320

various different control systems and

1094

00:49:51,010 --> 00:49:48,530

how we've been managed and manipulated

1095

00:49:52,690 --> 00:49:51,020

much like sheep and I hate to use a term

1096

00:49:58,680 --> 00:49:52,700

you know because it's kind of cliched

1097

00:50:01,599 --> 00:49:58,690

but the we're like sheep being

1098

00:50:03,310 --> 00:50:01,609

Michelle's you know don't go over that

1099

00:50:04,990 --> 00:50:03,320

way because you know there's wolves over

1100

00:50:08,230 --> 00:50:05,000

there don't don't go down into that

1101  
00:50:09,580 --> 00:50:08,240  
Valley there because that's that's not a

1102  
00:50:11,859 --> 00:50:09,590  
good place for you to be you need to

1103  
00:50:14,230 --> 00:50:11,869  
stay right here in this safe little pen

1104  
00:50:16,930 --> 00:50:14,240  
and and just go about your business

1105  
00:50:18,160 --> 00:50:16,940  
munching your grass and you know we'll

1106  
00:50:21,040 --> 00:50:18,170  
we'll take care of you make sure

1107  
00:50:23,400 --> 00:50:21,050  
everything's all right but there seems

1108  
00:50:27,190 --> 00:50:23,410  
to be a lot of motion around the world

1109  
00:50:28,930 --> 00:50:27,200  
outside of the United States at least in

1110  
00:50:31,720 --> 00:50:28,940  
other countries where some people are

1111  
00:50:33,670 --> 00:50:31,730  
starting to put up some resistance to

1112  
00:50:37,660 --> 00:50:33,680  
this sort of top-down management and

1113  
00:50:40,599 --> 00:50:37,670

forced management that's coming from the

1114

00:50:46,570 --> 00:50:40,609

elites and the people in charge so what

1115

00:50:50,680 --> 00:50:46,580

I'd like to ask is it do you see this as

1116

00:50:52,690 --> 00:50:50,690

a trend that may continue in a positive

1117

00:50:54,760 --> 00:50:52,700

vein that we may actually get to a point

1118

00:50:57,640 --> 00:50:54,770

where you know the masses of the people

1119

00:50:59,020 --> 00:50:57,650

will actually start demanding truth and

1120

00:51:02,829 --> 00:50:59,030

justice and all the things that we've

1121

00:51:04,630 --> 00:51:02,839

been denied well you know what I see

1122

00:51:05,920 --> 00:51:04,640

just from observing what's been

1123

00:51:09,790 --> 00:51:05,930

happening in the world the last few

1124

00:51:12,730 --> 00:51:09,800

years the reason why I don't have a lot

1125

00:51:16,180 --> 00:51:12,740

of hope for our people is the fact that

1126  
00:51:18,040 --> 00:51:16,190  
we are had would become so traumatized

1127  
00:51:20,859 --> 00:51:18,050  
by the events in the last 10 15 years

1128  
00:51:24,430 --> 00:51:20,869  
that especially on the economic side but

1129  
00:51:26,680 --> 00:51:24,440  
throw in the the media terrorism and the

1130  
00:51:28,329 --> 00:51:26,690  
possibility of there may be another big

1131  
00:51:30,099 --> 00:51:28,339  
terrorist strike on the way and all that

1132  
00:51:33,910 --> 00:51:30,109  
sort of thing where we're basically

1133  
00:51:37,329 --> 00:51:33,920  
being growl beaten to death by all the

1134  
00:51:38,770 --> 00:51:37,339  
bad news we're refining people in their

1135  
00:51:40,599 --> 00:51:38,780  
sixties and seventies having lost their

1136  
00:51:40,990 --> 00:51:40,609  
pensions overnight we find people losing

1137  
00:51:44,680 --> 00:51:41,000  
their

1138  
00:51:47,170 --> 00:51:44,690

constantly so we are being distracted by

1139

00:51:49,060 --> 00:51:47,180

our own financial difficulties our

1140

00:51:51,580 --> 00:51:49,070

economic difficulties to the extent that

1141

00:51:54,160 --> 00:51:51,590

we're refusing to look at what's really

1142

00:51:56,770 --> 00:51:54,170

going on because the people that are all

1143

00:51:58,390 --> 00:51:56,780

around us or I had immediate concerns or

1144

00:52:00,340 --> 00:51:58,400

their survival concerns and that's how

1145

00:52:02,200 --> 00:52:00,350

you manipulate that's how you manage a

1146

00:52:05,620 --> 00:52:02,210

large population you threaten them with

1147

00:52:07,660 --> 00:52:05,630

a lack of survival we saw that happening

1148

00:52:11,200 --> 00:52:07,670

in the 1920s the 1930s in Europe I mean

1149

00:52:13,390 --> 00:52:11,210

to make a lot of an obvious point so you

1150

00:52:14,650 --> 00:52:13,400

you have this idea that there's so much

1151

00:52:17,320 --> 00:52:14,660

going on in the world of it's so

1152

00:52:18,880 --> 00:52:17,330

negative in the other countries that

1153

00:52:21,190 --> 00:52:18,890

we're talking about in North Africa the

1154

00:52:22,720 --> 00:52:21,200

Middle East and parts of Asia where

1155

00:52:25,390 --> 00:52:22,730

there's been tremendous resistance

1156

00:52:27,520 --> 00:52:25,400

towards the powers that be we're being

1157

00:52:29,110 --> 00:52:27,530

taught to look at these people people

1158

00:52:30,370 --> 00:52:29,120

who are not in the United States people

1159

00:52:32,590 --> 00:52:30,380

who are in other countries as being

1160

00:52:34,510 --> 00:52:32,600

somehow less than we are and therefore

1161

00:52:35,890 --> 00:52:34,520

that's why they're doing all of this you

1162

00:52:37,630 --> 00:52:35,900

know they're not the saint they're

1163

00:52:37,960 --> 00:52:37,640

living in cultures that are quote

1164

00:52:40,450 --> 00:52:37,970

unquote

1165

00:52:41,650 --> 00:52:40,460

third-world and therefore you know look

1166

00:52:43,060 --> 00:52:41,660

at those poor people they're the ones

1167

00:52:44,740 --> 00:52:43,070

suffering so no matter what they say

1168

00:52:46,630 --> 00:52:44,750

we're not going to pay attention to

1169

00:52:47,710 --> 00:52:46,640

because it's just them screaming and

1170

00:52:49,120 --> 00:52:47,720

yelling and they don't know really

1171

00:52:51,780 --> 00:52:49,130

what's going on we're here in the United

1172

00:52:54,160 --> 00:52:51,790

States we we have a different situation

1173

00:52:56,500 --> 00:52:54,170

we have a government of care support us

1174

00:53:03,040 --> 00:52:56,510

you know I had a hard time saying that

1175

00:53:04,990 --> 00:53:03,050

with a straight face we the government

1176

00:53:06,760 --> 00:53:05,000

is saying trust us and we'll take care

1177

00:53:08,500 --> 00:53:06,770

of everything yes it looks pretty bleak

1178

00:53:10,390 --> 00:53:08,510

right now yes the banks holding the

1179

00:53:12,970 --> 00:53:10,400

money yes there's two to three trillion

1180

00:53:14,890 --> 00:53:12,980

dollars in cash sitting in the back

1181

00:53:16,930 --> 00:53:14,900

corporations won't use and so they're

1182

00:53:19,000 --> 00:53:16,940

ready which is why ever in the messed up

1183

00:53:20,860 --> 00:53:19,010

where yes all of that is true but we

1184

00:53:22,990 --> 00:53:20,870

have the solutions problems you know

1185

00:53:25,450 --> 00:53:23,000

those people in Greece those people in

1186

00:53:26,290 --> 00:53:25,460

in North Africa those people in Egypt

1187

00:53:29,020 --> 00:53:26,300

they'd you know

1188

00:53:30,160 --> 00:53:29,030

okay they're you know what's going on

1189

00:53:33,310 --> 00:53:30,170

over there is what happens in those

1190

00:53:35,380 --> 00:53:33,320

countries now so trust us to keep you to

1191

00:53:37,360 --> 00:53:35,390

keep us you know safe so there's no you

1192

00:53:39,310 --> 00:53:37,370

know Tigris where there's no Cairo

1193

00:53:40,840 --> 00:53:39,320

happening at the United States this is

1194

00:53:43,360 --> 00:53:40,850

what's going on we've created this

1195

00:53:45,340 --> 00:53:43,370

dichotomy this false dichotomy got those

1196

00:53:46,720 --> 00:53:45,350

people rioting in the Middle East

1197

00:53:49,060 --> 00:53:46,730

those people rioting in North Africa

1198

00:53:50,980 --> 00:53:49,070

those people going not to take that you

1199

00:53:52,270 --> 00:53:50,990

know strew for so long they don't even

1200

00:53:54,370 --> 00:53:52,280

know who's throwing them at this point

1201  
00:53:54,760 --> 00:53:54,380  
right they put the Muslim Brotherhood in

1202  
00:53:56,200 --> 00:53:54,770  
need

1203  
00:53:57,700 --> 00:53:56,210  
you know they're still getting screwed

1204  
00:53:58,330 --> 00:53:57,710  
so they don't really know who's doing

1205  
00:53:59,260 --> 00:53:58,340  
this drawing

1206  
00:54:00,310 --> 00:53:59,270  
they just know they're getting screwed

1207  
00:54:02,920 --> 00:54:00,320  
that's why they're there they're

1208  
00:54:05,230 --> 00:54:02,930  
screaming that's right here here in the

1209  
00:54:07,060 --> 00:54:05,240  
US you know we're not this is just this

1210  
00:54:10,630 --> 00:54:07,070  
was you know inevitable this was an

1211  
00:54:12,520 --> 00:54:10,640  
economic situation readjustment we think

1212  
00:54:16,120 --> 00:54:12,530  
we're not you know actually the

1213  
00:54:18,790 --> 00:54:16,130

methodology was voiced several years ago

1214

00:54:21,010 --> 00:54:18,800

at listen to this quote why of course

1215

00:54:22,990 --> 00:54:21,020

the people don't want war that's

1216

00:54:24,940 --> 00:54:23,000

understood but after all it's the

1217

00:54:26,830 --> 00:54:24,950

leaders of the country who determined

1218

00:54:29,890 --> 00:54:26,840

the policy and it's always a simple

1219

00:54:31,780 --> 00:54:29,900

matter to drag the people alone voice or

1220

00:54:33,340 --> 00:54:31,790

no voice the people can always be

1221

00:54:35,740 --> 00:54:33,350

brought to the bidding of the leaders

1222

00:54:37,210 --> 00:54:35,750

it's easy all you have to do is tell

1223

00:54:39,670 --> 00:54:37,220

them they're being attacked and

1224

00:54:42,310 --> 00:54:39,680

denounced the pacifist for lack of

1225

00:54:42,970 --> 00:54:42,320

patriotism and exposing the country to

1226  
00:54:45,340 --> 00:54:42,980  
danger

1227  
00:54:48,100 --> 00:54:45,350  
I guess who said that Herman Goering

1228  
00:54:51,070 --> 00:54:48,110  
it's a Nuremberg trials the Nazi

1229  
00:54:52,960 --> 00:54:51,080  
Luftwaffe chief so they understood it

1230  
00:54:55,660 --> 00:54:52,970  
completely and in the new Fourth Reich

1231  
00:54:57,670 --> 00:54:55,670  
they understand it too this is why in

1232  
00:54:59,350 --> 00:54:57,680  
World War two President Roosevelt says

1233  
00:55:01,360 --> 00:54:59,360  
the only thing we have to fear is fear

1234  
00:55:04,300 --> 00:55:01,370  
itself let's roll up our sleeves let's

1235  
00:55:07,030 --> 00:55:04,310  
get to work and today it's be fearful if

1236  
00:55:09,040 --> 00:55:07,040  
an terrorist terrorist alert binds you

1237  
00:55:10,870 --> 00:55:09,050  
know watch out be whatever the

1238  
00:55:12,790 --> 00:55:10,880

terrorists oh my god can they keep

1239

00:55:15,130 --> 00:55:12,800

everybody fearful off-balance so they

1240

00:55:16,630 --> 00:55:15,140

can maintain total control and so we

1241

00:55:19,210 --> 00:55:16,640

can't say anything when they start

1242

00:55:21,700 --> 00:55:19,220

spying on us in our bedrooms spying on

1243

00:55:24,250 --> 00:55:21,710

us at our workplace and making us and

1244

00:55:26,800 --> 00:55:24,260

grope our genitals in the airports it's

1245

00:55:29,800 --> 00:55:26,810

it's incredible and we just put up with

1246

00:55:34,300 --> 00:55:29,810

it well I got another quotation from you

1247

00:55:38,890 --> 00:55:34,310

if you have a moment yes miss loquacious

1248

00:55:40,810 --> 00:55:38,900

one of my favorites that the list of the

1249

00:55:43,150 --> 00:55:40,820

primitive simplicity of their minds they

1250

00:55:45,340 --> 00:55:43,160

more readily fall victims to the big

1251

00:55:47,230 --> 00:55:45,350

live in a small life since they

1252

00:55:49,090 --> 00:55:47,240

themselves often tell small lives and

1253

00:55:51,550 --> 00:55:49,100

little matters but would be ashamed to

1254

00:55:52,720 --> 00:55:51,560

resort to large-scale falsehoods it

1255

00:55:55,390 --> 00:55:52,730

would never submit into their heads to

1256

00:55:57,010 --> 00:55:55,400

fabricate colossal untruths and they

1257

00:55:59,020 --> 00:55:57,020

would not believe that others could have

1258

00:56:02,350 --> 00:55:59,030

the impudence to distort the truth so

1259

00:56:04,660 --> 00:56:02,360

infamously the grossly imputed lie

1260

00:56:06,970 --> 00:56:04,670

always leaves traces behind it even

1261

00:56:08,500 --> 00:56:06,980

after has been nailed down a fact which

1262

00:56:10,360 --> 00:56:08,510

is known to all expert

1263

00:56:13,050 --> 00:56:10,370

buyers in this world and to all who

1264

00:56:16,270 --> 00:56:13,060

conspire together in the art of lying

1265

00:56:18,370 --> 00:56:16,280

and that's from mine cops that was

1266

00:56:20,340 --> 00:56:18,380

Hitler describing how the big live was

1267

00:56:23,290 --> 00:56:20,350

always more believable than a small lie

1268

00:56:25,840 --> 00:56:23,300

and the OSS report on Hitler says the

1269

00:56:27,280 --> 00:56:25,850

same thing his primary rules never allow

1270

00:56:30,010 --> 00:56:27,290

the poet to cool off

1271

00:56:31,900 --> 00:56:30,020

never admit a fault or wrong never

1272

00:56:34,480 --> 00:56:31,910

concede there may be some good in your

1273

00:56:36,880 --> 00:56:34,490

enemy never leave room for alternatives

1274

00:56:38,710 --> 00:56:36,890

never accept blame concentrate on one

1275

00:56:40,750 --> 00:56:38,720

enemy at a time and blame him for

1276  
00:56:42,220 --> 00:56:40,760  
everything that goes wrong people will

1277  
00:56:44,260 --> 00:56:42,230  
believe a big lie sooner than a little

1278  
00:56:45,940 --> 00:56:44,270  
one and if you repeat it frequently

1279  
00:56:48,190 --> 00:56:45,950  
enough people will sooner or later

1280  
00:56:53,530 --> 00:56:48,200  
believe it that was the Old West a

1281  
00:56:57,490 --> 00:56:53,540  
psychological report on Hitler and it

1282  
00:56:59,230 --> 00:56:57,500  
certainly does hey guys we need to take

1283  
00:57:00,880 --> 00:56:59,240

1284  
00:57:02,650 --> 00:57:00,890

1322

00:59:17,140 --> 00:59:13,790

esteemed Jim Marrs

1323

00:59:21,130 --> 00:59:17,150

and the equally esteemed Peter La Venta

1324

00:59:24,970 --> 00:59:21,140

both historians scholars and authors who

1325

00:59:28,150 --> 00:59:24,980

have brought us a wealth of material on

1326

00:59:30,280 --> 00:59:28,160

a vast array of subjects I did not give

1327

00:59:32,980 --> 00:59:30,290

Peter a proper introduction since he

1328

00:59:35,640 --> 00:59:32,990

joined the show a little bit late but if

1329

00:59:38,830 --> 00:59:35,650

you simply go over to Peter Levin does

1330

00:59:40,960 --> 00:59:38,840

Amazon page you can see his books there

1331

00:59:42,910 --> 00:59:40,970

1332

00:59:45,190 --> 00:59:42,920

very quickly the latest book is the Dark

with the occult the angel and sorcerer

1339

01:00:01,870 --> 01:00:00,080

the remarkable story of the occult

1340

01:00:05,530 --> 01:00:01,880

origins of Mormonism and the rise of

1341

01:00:07,320 --> 01:00:05,540

triple threat the sinister forces

1343

01:00:13,780 --> 01:00:11,330

trilogy which is one of the best series

1344

01:00:17,460 --> 01:00:13,790

of books written as far as I'm concerned

1345

01:00:20,650 --> 01:00:17,470

it's a absolute must-have for everybody

1346

01:00:22,300 --> 01:00:20,660

for who is looking into a cult in hidden

1347

01:00:24,490 --> 01:00:22,310

history and that sort of thing in in

1348

01:00:27,670 --> 01:00:24,500

America in particular American history

1349

01:00:29,980 --> 01:00:27,680

and the Mao of business gorilla trade

1357  
01:00:59,560 --> 01:00:49,220  
techniques for the new China and let's

1358  
01:01:01,960 --> 01:00:59,570

1359  
01:01:04,630 --> 01:01:01,970

01:01:17,410 --> 01:01:14,090

occulted history do the global elite

1365

01:01:19,990 --> 01:01:17,420

conceal ancient aliens the terror

1366

01:01:23,080 --> 01:01:20,000

conspiracy and the terror conspiracy

1367

01:01:26,380 --> 01:01:23,090

revisited the trillion-dollar conspiracy

1368

01:01:30,790 --> 01:01:26,390

above top secret the rise of the fourth

1369

01:01:33,490 --> 01:01:30,800

reich the sighs spies the true story of

1370

01:01:36,750 --> 01:01:33,500

america's psychic spy program ruled by

1371

01:01:39,700 --> 01:01:36,760

secret excuse me ruled by secrecy

1372

01:01:42,300 --> 01:01:39,710

crossfire the book that was the basis

1373

01:01:48,130 --> 01:01:42,310

for the main basis for the movie JFK

1374

01:01:51,760 --> 01:01:48,140

alien agenda and The Sisterhood of the

1375

01:01:56,050 --> 01:01:51,770

rose did I forget anything by you Jim I

1376

01:01:58,140 --> 01:01:56,060

think that pretty well caught it while

1377

01:02:03,070 --> 01:01:58,150

we're here with Peter I would like to

1378

01:02:05,620 --> 01:02:03,080

ask Peter if if he is familiar with a

1379

01:02:07,720 --> 01:02:05,630

book that's out now and called about

1380

01:02:11,470 --> 01:02:07,730

Hitler and his possible escape to South

1381

01:02:13,960 --> 01:02:11,480

America called Great Wolf are you

1382

01:02:16,450 --> 01:02:13,970

familiar with that one Peter I sure AM

1383

01:02:18,490 --> 01:02:16,460

great well I was just wondering you know

1384

01:02:22,150 --> 01:02:18,500

according to this I'm fairly impressed

1385

01:02:25,359 --> 01:02:22,160

with the two authors Simon Dunstan and

1386

01:02:27,400 --> 01:02:25,369

Gerrard Williams both of them seem to

1387

01:02:29,620 --> 01:02:27,410

have very credentials for very solid

1388

01:02:33,160 --> 01:02:29,630

credentials and according to them they

1389

01:02:35,349 --> 01:02:33,170

three wells nail it down it that Hitler

1390

01:02:37,750 --> 01:02:35,359

escaped the war went to you know by by

1391

01:02:40,450 --> 01:02:37,760

ship by submarine and finally ended up

1392

01:02:44,470 --> 01:02:40,460

in San Carlos de Bariloche

1393

01:02:46,960 --> 01:02:44,480

on the border of Argentina and Chile and

1394

01:02:48,670 --> 01:02:46,970

I was just wondering what were your

1395

01:02:50,790 --> 01:02:48,680

thoughts on this do you concur with this

1396

01:02:54,520 --> 01:02:50,800

do you think they're off base or what

1397

01:02:55,210 --> 01:02:54,530

well I have a competing book Jim so I

1398

01:03:00,370 --> 01:02:55,220

don't want to

1399

01:03:02,740 --> 01:03:00,380

with them too much I have a book out

1400

01:03:04,750 --> 01:03:02,750

called ratline in which I also explode

1401

01:03:08,530 --> 01:03:04,760

the myth that Hitler committed suicide

1402

01:03:09,880 --> 01:03:08,540

at the bunker on April 30th 45 I mean I

1403

01:03:12,430 --> 01:03:09,890

this is an example but we've been

1404

01:03:15,130 --> 01:03:12,440

talking about we just accepted you know

1405

01:03:16,960 --> 01:03:15,140

because our leaders told us that Hitler

1406

01:03:18,940 --> 01:03:16,970

committed suicide on that day that you

1407

01:03:21,069 --> 01:03:18,950

know end of story

1408

01:03:23,470 --> 01:03:21,079

but when you look at it with any degree

1409

01:03:24,790 --> 01:03:23,480

of skepticism we're just looking at just

1410

01:03:26,620 --> 01:03:24,800

look for the evidence you'll find there

1411

01:03:28,990 --> 01:03:26,630

is betting there's absolutely no

1412

01:03:31,480 --> 01:03:29,000

forensic evidence that Hitler died in

1413

01:03:32,170 --> 01:03:31,490

Germany after the war is nothing the

1414

01:03:36,280 --> 01:03:32,180

Russians

1415

01:03:39,430 --> 01:03:36,290

claimed they had Hitler's foes we all

1416

01:03:42,339 --> 01:03:39,440

know a proof that it wasn't they they

1417

01:03:44,500 --> 01:03:42,349

buried and Hitler's and Ava's body dug

1418

01:03:46,390 --> 01:03:44,510

it up five or six times in East Germany

1419

01:03:49,210 --> 01:03:46,400

before they finally buried what was

1420

01:03:50,650 --> 01:03:49,220

supposed to be his body in Magdeburg and

1421

01:03:55,089 --> 01:03:50,660

what was then his Germany and then

1422

01:03:57,450 --> 01:03:55,099

dubbed after 1970 and burned it with no

1423

01:04:00,339 --> 01:03:57,460

explanation you know all kinds of

1424

01:04:03,460 --> 01:04:00,349

happened around Hitler and suppose it's

1425

01:04:06,220 --> 01:04:03,470

suicide Hugh trevor-roper the guy who

1426

01:04:08,559 --> 01:04:06,230

gave us a story historian who sold us

1427

01:04:11,920 --> 01:04:08,569

the story so because he was ordered to

1428

01:04:13,540 --> 01:04:11,930

do so by mi6 all right they said we need

1429

01:04:15,430 --> 01:04:13,550

a story because Stalin keeps dreaming

1430

01:04:17,380 --> 01:04:15,440

that we have Hitler hidden somewhere so

1431

01:04:19,720 --> 01:04:17,390

you had three months go running around

1432

01:04:21,910 --> 01:04:19,730

you don't speak German you don't have

1433

01:04:23,349 --> 01:04:21,920

access to anything or anybody but we

1434

01:04:25,480 --> 01:04:23,359

need you to prove that Hitler committed

1435

01:04:28,839 --> 01:04:25,490

suicide so he went and talked to a bunch

1436

01:04:35,200 --> 01:04:28,849

of Nazis and what possible reason would

1437

01:04:49,480 --> 01:04:35,210

they have to lie about it to protect

1438

01:04:51,069 --> 01:04:49,490

their beloved fuel and trevor-roper took

1439

01:04:53,290 --> 01:04:51,079

all of it at face value and said yeah I

1440

01:04:55,569 --> 01:04:53,300

guess he committed suicide he bit into a

1441

01:04:57,339 --> 01:04:55,579

cyanide capsule and blew himself away

1442

01:04:59,230 --> 01:04:57,349

and shot himself in the head at the same

1443

01:05:02,950 --> 01:04:59,240

time and by the way he had Parkinson's

1444

01:05:04,420 --> 01:05:02,960

so he had a tremor it's you know amazing

1445

01:05:07,150 --> 01:05:04,430

he could have aimed the gun anywhere

1446

01:05:08,620 --> 01:05:07,160

except that his head and all of the

1447

01:05:11,230 --> 01:05:08,630

stuff the whole thing was about

1448

01:05:14,200 --> 01:05:11,240

so when i smite learned that when i saw

1449

01:05:16,480 --> 01:05:14,210

that i said well you know if we can't

1450

01:05:18,550 --> 01:05:16,490

believe that then what can't we believe

1451

01:05:20,200 --> 01:05:18,560

I mean what is the truth you know what

1452

01:05:22,780 --> 01:05:20,210

would really did take place at this

1453

01:05:26,170 --> 01:05:22,790

major cornerstone of 20th century

1454

01:05:27,160 --> 01:05:26,180

history Hitler's 1945 suicide in Berlin

1455

01:05:28,870 --> 01:05:27,170

was Maeda

1456

01:05:32,200 --> 01:05:28,880

was part of a British intelligence

1457

01:05:34,000 --> 01:05:32,210

operation called Operation nursery by

1458

01:05:36,100 --> 01:05:34,010

the way because for all children right

1459

01:05:38,260 --> 01:05:36,110

so they can cope with this story this is

1460

01:05:40,240 --> 01:05:38,270

the fairy tale they give it to us we

1461

01:05:42,970 --> 01:05:40,250

believe it except that not everybody

1462

01:05:44,770 --> 01:05:42,980

believed it I didn't believe it jailer

1463

01:05:46,510 --> 01:05:44,780

Hoover didn't believe it he'd maintained

1464

01:05:48,760 --> 01:05:46,520

the file on Hitler well into the 1960s

1465

01:05:51,220 --> 01:05:48,770

CIA maintains file I mean they were

1466

01:05:53,830 --> 01:05:51,230

keeping record of Hitler's ID mostly in

1467

01:05:55,420 --> 01:05:53,840

South America so I don't think the guys

1468

01:05:57,610 --> 01:05:55,430

are totally off-base I think there's a

1469

01:05:59,320 --> 01:05:57,620

lot of evidence obviously that I believe

1470

01:06:01,690 --> 01:05:59,330

at this point but there's good evidence

1471

01:06:03,640 --> 01:06:01,700

he did not commit suicide he survived

1472

01:06:06,340 --> 01:06:03,650

the war then he and Ava Braun both

1473

01:06:12,460 --> 01:06:06,350

survived the war yeah we have to

1474

01:06:14,230 --> 01:06:12,470

remember that nobody do exist right so

1475

01:06:16,090 --> 01:06:14,240

if you got an old guy and his young

1476

01:06:17,530 --> 01:06:16,100

blonde there you know maybe the old guy

1477

01:06:19,060 --> 01:06:17,540

has shape up his mustache and he has a

1478

01:06:21,160 --> 01:06:19,070

blanket over his shoulders he's in a

1479

01:06:23,260 --> 01:06:21,170

wheelchair being pushed by this blonde

1480

01:06:31,930 --> 01:06:23,270

nurse no one's gonna think this is Adolf

1481

01:06:34,440 --> 01:06:31,940

Hitler right let me tell you a very

1482

01:06:36,040 --> 01:06:34,450

interesting story here this led to your

1483

01:06:38,890 --> 01:06:36,050

district

1484

01:06:41,590 --> 01:06:38,900

my literary agent in New York it was

1485

01:06:44,920 --> 01:06:41,600

very good friends with Paul Manning who

1486

01:06:48,190 --> 01:06:44,930

was a reporter for The New York Times

1487

01:06:50,350 --> 01:06:48,200

he's dead now but he wrote a really good

1488

01:06:52,990 --> 01:06:50,360

book which I know Peters familiar with

1489

01:06:55,450 --> 01:06:53,000

called Martin Bormann Nazi in exile and

1490

01:06:57,400 --> 01:06:55,460

he detailed the business dealings the

1491

01:06:59,620 --> 01:06:57,410

banking dealings and the fact that

1492

01:07:02,080 --> 01:06:59,630

Borman escaped went to South America

1493

01:07:07,150 --> 01:07:02,090

that seems to be almost beyond question

1494

01:07:12,040 --> 01:07:07,160

despite the belated skeleton that they

1495

01:07:15,820 --> 01:07:12,050

claimed they found in Germany but he

1496

01:07:17,560 --> 01:07:15,830

actually according to my agent as we

1497

01:07:19,570 --> 01:07:17,570

talk with Paul Manning he said Manning

1498

01:07:22,130 --> 01:07:19,580

actually at one point and I think this

1499

01:07:25,849 --> 01:07:22,140

was probably in the maybe the

1500

01:07:28,819 --> 01:07:25,859

early 70s or late 60s was actually

1501

01:07:31,839 --> 01:07:28,829

invited and went to Argentina to have a

1502

01:07:34,400 --> 01:07:31,849

sit-down meeting with Martin Bormann

1503

01:07:38,049 --> 01:07:34,410

because apparently Borman was actually

1504

01:07:41,029 --> 01:07:38,059

kind of proud of the international Nazi

1505

01:07:42,920 --> 01:07:41,039

organization that he had put together at

1506

01:07:44,329 --> 01:07:42,930

the end of World War two and that was

1507

01:07:46,309 --> 01:07:44,339

still functioning and it's probably

1508

01:07:49,370 --> 01:07:46,319

still functioning to a certain extent

1509

01:07:52,009 --> 01:07:49,380

today but when he got to South America

1510

01:07:54,529 --> 01:07:52,019

Manning said he was not able to have

1511

01:07:56,809 --> 01:07:54,539

this meeting because Heinrich Mueller

1512

01:07:59,769 --> 01:07:56,819

who had been head of the Nazi Gestapo

1513

01:08:02,269 --> 01:07:59,779

and was in charge of security down there

1514

01:08:04,490 --> 01:08:02,279

Scott's the idea and said no you're not

1515

01:08:06,859 --> 01:08:04,500

going to do that but according to my

1516

01:08:09,049 --> 01:08:06,869

agent Paul Manning told him that

1517

01:08:13,779 --> 01:08:09,059

although he did not get to meet Martin

1518

01:08:17,059 --> 01:08:13,789

Bormann he did meet Eva Braun in

1519

01:08:19,010 --> 01:08:17,069

Argentina and either the late sixties

1520

01:08:20,599 --> 01:08:19,020

early seventies well if Ava was there

1521

01:08:23,479 --> 01:08:20,609

then there's every reason to believe

1522

01:08:25,999 --> 01:08:23,489

that Hitler may have been there too well

1523

01:08:27,860 --> 01:08:26,009

there had a deserve ID and she was very

1524

01:08:29,749 --> 01:08:27,870

much part of the sonoran suicide

1525

01:08:32,959 --> 01:08:29,759

scenario right they were sitting side by

1526

01:08:34,789 --> 01:08:32,969

side on the couch the famous couch in

1527

01:08:37,189 --> 01:08:34,799

the bunker according to the so-called

1528

01:08:38,870 --> 01:08:37,199

eyewitnesses so if she survived we know

1529

01:08:40,870 --> 01:08:38,880

the other types of odds I mean it just

1530

01:08:43,760 --> 01:08:40,880

you know there's no doubt absolutely

1531

01:08:46,459 --> 01:08:43,770

well you talk about the eyewitnesses if

1532

01:08:48,019 --> 01:08:46,469

you look real closely apparently and

1533

01:08:50,840 --> 01:08:48,029

correct me if I'm wrong about this but I

1534

01:08:52,459 --> 01:08:50,850

think he told everybody basically or

1535

01:08:55,809 --> 01:08:52,469

everybody kinder said he was going to

1536

01:08:58,039 --> 01:08:55,819

commit suicide and then he tells Borman

1537

01:09:00,769 --> 01:08:58,049

when you hear a shot or when it's all

1538

01:09:02,899 --> 01:09:00,779

over wait 15 minutes before you come in

1539

01:09:06,189 --> 01:09:02,909

whatever that would be about right and

1540

01:09:09,289 --> 01:09:06,199

then so then they hear a shot and then

1541

01:09:11,959 --> 01:09:09,299

they wait - 15 minutes Borman goes in by

1542

01:09:14,899 --> 01:09:11,969

himself he comes back out and says okay

1543

01:09:18,590 --> 01:09:14,909

if you're is dead and so is Ava and so

1544

01:09:20,090 --> 01:09:18,600

then he gets the chauffeur and some of

1545

01:09:22,340 --> 01:09:20,100

these other Nazis they were in there to

1546

01:09:23,809 --> 01:09:22,350

come in and get the bodies but according

1547

01:09:26,329 --> 01:09:23,819

them and they went in there and the body

1548

01:09:28,939 --> 01:09:26,339

has has been as a blanket thrown over

1549

01:09:30,649 --> 01:09:28,949

their rug so they all pick up the body

1550

01:09:32,870 --> 01:09:30,659

and they haul it up into the courtyard

1551

01:09:35,539 --> 01:09:32,880

there where they put them set the bodies

1552

01:09:38,930 --> 01:09:35,549

on fire but in other words if it's

1553

01:09:41,569 --> 01:09:38,940

the true account then even the Nazis who

1554

01:09:43,819 --> 01:09:41,579

handle the body did not really ever see

1555

01:09:46,129 --> 01:09:43,829

for certain that that was Hitler Naver

1556

01:09:48,799 --> 01:09:46,139

they just carry two bodies up there

1557

01:09:52,390 --> 01:09:48,809

that's exactly right you know and I go

1558

01:09:54,379 --> 01:09:52,400

one further than the story in gray wolf

1559

01:09:57,979 --> 01:09:54,389

just for the point of view of

1560

01:10:02,870 --> 01:09:57,989

practicality we know in July 44 there

1561

01:10:05,419 --> 01:10:02,880

was a faint again he didn't trust his

1562

01:10:07,160 --> 01:10:05,429

own generals right he couldn't trust

1563

01:10:08,899 --> 01:10:07,170

where Hitler was trying to cut a side

1564

01:10:10,850 --> 01:10:08,909

deal Goering was trying to cut a side

1565

01:10:14,030 --> 01:10:10,860

deal Goering was making himself to do

1566

01:10:15,080 --> 01:10:14,040

with you you know by Fiat basically he

1567

01:10:17,990 --> 01:10:15,090

couldn't trust anybody

1568

01:10:20,990 --> 01:10:18,000

and by the point of my own book Brad

1569

01:10:22,879 --> 01:10:21,000

line was why would he have gone where

1570

01:10:24,319 --> 01:10:22,889

all the other Nazis went all the people

1571

01:10:27,260 --> 01:10:24,329

that he couldn't trust why would he

1572

01:10:30,290 --> 01:10:27,270

exposed himself to the perfidy for the

1573

01:10:32,740 --> 01:10:30,300

betrayal the treachery of the people

1574

01:10:35,839 --> 01:10:32,750

that had proven to him but they were not

1575

01:10:37,580 --> 01:10:35,849

trustworthy in my book the reason I

1576  
01:10:40,220 --> 01:10:37,590  
started writing about this was because I

1577  
01:10:42,589 --> 01:10:40,230  
had heard a rumor that Hitler had

1578  
01:10:45,859 --> 01:10:42,599  
actually made it as far as Asia in his

1579  
01:10:48,049 --> 01:10:45,869  
escape attempt I found this I found some

1580  
01:10:49,939 --> 01:10:48,059  
evidence some hard documented evidence

1581  
01:10:51,530 --> 01:10:49,949  
that the American forces were looking

1582  
01:10:54,169 --> 01:10:51,540  
for him in Japan after they had gone

1583  
01:10:55,549 --> 01:10:54,179  
into Japan they were they had a

1584  
01:10:58,250 --> 01:10:55,559  
detachment of guys to go looking for

1585  
01:10:59,990 --> 01:10:58,260  
Hitler in Japan they didn't find him but

1586  
01:11:01,760 --> 01:11:00,000  
there was a German community in Japan

1587  
01:11:03,859 --> 01:11:01,770  
that would have welcomed him and kept

1588  
01:11:07,189 --> 01:11:03,869

him safe and then I did more research

1589

01:11:10,459 --> 01:11:07,199

and came up with this idea based upon

1590

01:11:11,810 --> 01:11:10,469

local knowledge in Indonesia everybody

1591

01:11:13,459 --> 01:11:11,820

seemed to believe that Hitler had made a

1592

01:11:15,080 --> 01:11:13,469

path forward to an island in the

1593

01:11:17,600 --> 01:11:15,090

Indonesian archipelago has sounds

1594

01:11:18,890 --> 01:11:17,610

far-fetched it sounds totally bizarre

1595

01:11:20,810 --> 01:11:18,900

and totally beyond the realm of

1596

01:11:28,220 --> 01:11:20,820

possibility which is why I kind of liked

1597

01:11:30,350 --> 01:11:28,230

it and you know I've been to the country

1598

01:11:32,450 --> 01:11:30,360

I've been to the grave site where he

1599

01:11:34,160 --> 01:11:32,460

supposedly is buried and there are so

1600

01:11:36,169 --> 01:11:34,170

many anomalies there there is so much

1601

01:11:39,439 --> 01:11:36,179

mystery surrounding this man who died in

1602

01:11:42,410 --> 01:11:39,449

1970 just before the Russians dug up the

1603

01:11:45,530 --> 01:11:42,420

body in Magdeburg East Germany really

1604

01:11:49,160 --> 01:11:45,540

only we do despair we have an old German

1605

01:11:51,500 --> 01:11:49,170

or actually an old Austria who dies yeah

1606

01:11:53,959 --> 01:11:51,510

this country in Indonesia is buried

1607

01:11:56,060 --> 01:11:53,969

there with the tombstone that does not

1608

01:11:59,930 --> 01:11:56,070

have the date of death or the date of

1609

01:12:03,860 --> 01:11:59,940

birth on it because that mr. Park

1610

01:12:05,570 --> 01:12:03,870

nice sure AM yeah okay so here's this

1611

01:12:08,060 --> 01:12:05,580

this story running parallel to

1612

01:12:10,310 --> 01:12:08,070

everything else you know and I'm you

1613

01:12:11,600 --> 01:12:10,320

know it makes x1 he would have gone to a

1614

01:12:13,160 --> 01:12:11,610

country like that because he would have

1615

01:12:16,310 --> 01:12:13,170

brought someplace where words nobody

1616

01:12:18,169 --> 01:12:16,320

need to turn him in someplace for even

1617

01:12:20,390 --> 01:12:18,179

the Israeli commandos would get at him

1618

01:12:23,270 --> 01:12:20,400

in a Muslim country that was well

1619

01:12:24,760 --> 01:12:23,280

protected where any foreigner who showed

1620

01:12:26,720 --> 01:12:24,770

up on the island would be immediately

1621

01:12:28,340 --> 01:12:26,730

recognizable as a foreigner I somebody

1622

01:12:31,580 --> 01:12:28,350

should be there I mean it made a lot of

1623

01:12:34,640 --> 01:12:31,590

sense to me so I I did read gray wolf

1624

01:12:37,550 --> 01:12:34,650

and I understand all these reasons

1625

01:12:40,220 --> 01:12:37,560

because of a gate from why they felt it

1626

01:12:41,630 --> 01:12:40,230  
was Argentine very low let's say

1627

01:12:43,370 --> 01:12:41,640  
certainly makes a lot of sense I've been

1628

01:12:44,840 --> 01:12:43,380  
to that area also of course I was down

1629

01:12:47,840 --> 01:12:44,850  
into the chilly Argentine region

1630

01:12:50,479 --> 01:12:47,850  
researching unholy alliance so if it's a

1631

01:12:53,060 --> 01:12:50,489  
huge not to stay underground in that

1632

01:12:55,130 --> 01:12:53,070  
part of the world that's there for good

1633

01:12:57,470 --> 01:12:55,140  
8090 years or more since long before the

1634

01:12:59,479 --> 01:12:57,480  
war but there was a Nazi underground in

1635

01:13:02,870 --> 01:12:59,489  
Indonesia as well since before the war

1636

01:13:05,030 --> 01:13:02,880  
since the 1920s that people generally

1637

01:13:06,680 --> 01:13:05,040  
not aware of and u-boat traffic that

1638

01:13:08,390 --> 01:13:06,690

went there that's a well documented new

1639

01:13:11,600 --> 01:13:08,400

boat traffic between Europe and and

1640

01:13:13,790 --> 01:13:11,610

Indonesia as well plus the whole idea of

1641

01:13:15,560 --> 01:13:13,800

the gold was another whole story was the

1642

01:13:18,260 --> 01:13:15,570

black eagle trust of the Black Eagle

1643

01:13:20,479 --> 01:13:18,270

Gold that wound up in Southeast Asia -

1644

01:13:22,580 --> 01:13:20,489

so speaking of hidden mysteries there's

1645

01:13:24,950 --> 01:13:22,590

just a lot of gold that's been buried

1646

01:13:26,870 --> 01:13:24,960

after World War two which have ever hit

1647

01:13:28,910 --> 01:13:26,880

the market with the price of gold

1648

01:13:34,700 --> 01:13:28,920

flapping like a stone that's another

1649

01:13:37,130 --> 01:13:34,710

topic so I'm really glad to have both

1650

01:13:39,260 --> 01:13:37,140

you on here to pick your brains it seems

1651  
01:13:41,500 --> 01:13:39,270  
like so many things lead back to world

1652  
01:13:45,169 --> 01:13:41,510  
war 2 especially things that are very

1653  
01:13:46,340 --> 01:13:45,179  
much integral parts of our society and

1654  
01:13:49,490 --> 01:13:46,350  
things that we're actually dealing with

1655  
01:13:51,530 --> 01:13:49,500  
society-wide financially you know all

1656  
01:13:53,360 --> 01:13:51,540  
these all these sorts of things lead

1657  
01:13:55,280 --> 01:13:53,370  
back to world war ii now you have two

1658  
01:13:57,439 --> 01:13:55,290  
things that that I'd like to throw out

1659  
01:13:58,790 --> 01:13:57,449  
to you first and I'd like both of you to

1660  
01:14:01,250 --> 01:13:58,800  
comment on this because you're both

1661  
01:14:03,020 --> 01:14:01,260  
you've both done research on the Nazis

1662  
01:14:04,940 --> 01:14:03,030  
on World War two and this sort of

1663  
01:14:08,930 --> 01:14:04,950

but I don't think I've ever asked either

1664

01:14:11,900 --> 01:14:08,940

view about Rudolf Hess and there's a lot

1665

01:14:15,770 --> 01:14:11,910

of there have been several books written

1666

01:14:19,610 --> 01:14:15,780

about him and you know exactly what it

1667

01:14:21,530 --> 01:14:19,620

was he was doing and you know alleging

1668

01:14:23,810 --> 01:14:21,540

that the Rudolf Hess that was kept in

1669

01:14:26,030 --> 01:14:23,820

Spandau prison was not the real Rudolf

1670

01:14:27,530 --> 01:14:26,040

Hess and then of course if he wasn't

1671

01:14:30,140 --> 01:14:27,540

then you know that brings up a whole

1672

01:14:32,120 --> 01:14:30,150

nother you know set of questions like

1673

01:14:34,180 --> 01:14:32,130

where the hell is the real Rudolf Hess

1674

01:14:38,510 --> 01:14:34,190

for one thing and what happened to him

1675

01:14:41,240 --> 01:14:38,520

so first I'll ask you Jim first and then

1676

01:14:44,240 --> 01:14:41,250

Peter if you would jump in if you have

1677

01:14:46,700 --> 01:14:44,250

any idea about this whole Rudolf Hess

1678

01:14:49,460 --> 01:14:46,710

business and why it was so important to

1679

01:14:53,060 --> 01:14:49,470

keep him in a prison by himself that was

1680

01:14:56,960 --> 01:14:53,070

overseen by all four of the Allied major

1681

01:15:00,070 --> 01:14:56,970

powers you know that America the UK

1682

01:15:04,130 --> 01:15:00,080

France and the Soviet Union all had

1683

01:15:06,410 --> 01:15:04,140

joint custodial responsibilities was

1684

01:15:09,140 --> 01:15:06,420

Spandau prison and he was kept in

1685

01:15:11,480 --> 01:15:09,150

isolation until he died supposedly

1686

01:15:14,300 --> 01:15:11,490

killing himself if I believe correctly

1687

01:15:18,560 --> 01:15:14,310

he hung himself after waiting you know

1688

01:15:21,200 --> 01:15:18,570

decades to do so so Jim if you have

1689

01:15:23,570 --> 01:15:21,210

something you'd like to add about rudolf

1690

01:15:25,700 --> 01:15:23,580

hess I'd love to know because that's

1691

01:15:26,930 --> 01:15:25,710

just one of those enigmas of history

1692

01:15:30,080 --> 01:15:26,940

especially from World War two that

1693

01:15:31,520 --> 01:15:30,090

really really just sticks in my craw for

1694

01:15:34,790 --> 01:15:31,530

some reason I can't really figure out

1695

01:15:36,470 --> 01:15:34,800

the deal with Rudolf Hess okay well my

1696

01:15:38,540 --> 01:15:36,480

take on it is simply there's first

1697

01:15:41,000 --> 01:15:38,550

there's some intriguing evidence that

1698

01:15:43,100 --> 01:15:41,010

suggests that the man who died and and

1699

01:15:44,930 --> 01:15:43,110

spend out was not even the real Rudolf

1700

01:15:48,290 --> 01:15:44,940

Hess and that may be the reason they had

1701

01:15:51,500 --> 01:15:48,300

to murder him because it seems like that

1702

01:15:54,710 --> 01:15:51,510

there was a worldwide effort to free

1703

01:15:56,510 --> 01:15:54,720

Rudolf Hess I think or was long over and

1704

01:15:58,790 --> 01:15:56,520

most people said this ridiculous keep

1705

01:16:00,320 --> 01:15:58,800

this old man there and and you know and

1706

01:16:02,180 --> 01:16:00,330

so there was a movement that was gaining

1707

01:16:03,380 --> 01:16:02,190

strength you ought to go ahead and

1708

01:16:05,600 --> 01:16:03,390

release him oh of course if they were

1709

01:16:07,250 --> 01:16:05,610

released him then he's available to the

1710

01:16:09,770 --> 01:16:07,260

public could start talking and no

1711

01:16:11,930 --> 01:16:09,780

telling what he might say but whether or

1712

01:16:13,880 --> 01:16:11,940

not he was the real one or not not I do

1713

01:16:16,250 --> 01:16:13,890

find it hard to believe that someone

1714

01:16:19,550 --> 01:16:16,260

would volunteer to spend

1715

01:16:23,900 --> 01:16:19,560

their life in isolation in the prison

1716

01:16:26,660 --> 01:16:23,910

good - to substitute for a war criminal

1717

01:16:30,290 --> 01:16:26,670

but back to the original story I think

1718

01:16:32,900 --> 01:16:30,300

that this was a legitimate effort to

1719

01:16:34,730 --> 01:16:32,910

combine Britain and Germany in the war

1720

01:16:37,550 --> 01:16:34,740

against communism which was something

1721

01:16:39,020 --> 01:16:37,560

Hitler wrote about in man coffin and all

1722

01:16:41,030 --> 01:16:39,030

the way through that's why I allowed the

1723

01:16:43,760 --> 01:16:41,040

British army to escape at Dunkirk and

1724

01:16:47,240 --> 01:16:43,770

that's why he never did until late in

1725

01:16:49,850 --> 01:16:47,250

the war when he started ordering carpet

1726

01:16:51,800 --> 01:16:49,860

bombing of England he really thought

1727

01:16:52,220 --> 01:16:51,810

that he could bring England in as an

1728

01:16:55,100 --> 01:16:52,230

ally

1729

01:16:58,370 --> 01:16:55,110

and of course he did not recognize the

1730

01:17:01,400 --> 01:16:58,380

tenacity of Winston Churchill and the

1731

01:17:04,310 --> 01:17:01,410

fact that the ruling elite that

1732

01:17:07,760 --> 01:17:04,320

Churchill represented had turned against

1733

01:17:09,620 --> 01:17:07,770

him because early on they had not only

1734

01:17:12,020 --> 01:17:09,630

supported Hitler they had actually

1735

01:17:15,820 --> 01:17:12,030

helped create Hitler with loans from the

1736

01:17:18,200 --> 01:17:15,830

Bank of England and from loans from

1737

01:17:22,430 --> 01:17:18,210

British companies and American companies

1738

01:17:24,460 --> 01:17:22,440

AT&T IBM Ford Motor Company stand at all

1739

01:17:27,080 --> 01:17:24,470

plus of course the big German

1740

01:17:29,390 --> 01:17:27,090

corporations and I thought he had I

1741

01:17:31,520 --> 01:17:29,400

think he believed that he had kind of a

1742

01:17:33,470 --> 01:17:31,530

green light to go ahead with his plans

1743

01:17:35,330 --> 01:17:33,480

for expansion and and didn't realize

1744

01:17:38,240 --> 01:17:35,340

until too late that they'd turned

1745

01:17:42,620 --> 01:17:38,250

against him and as a result the flight

1746

01:17:44,900 --> 01:17:42,630

of Hess was I think a condoned operation

1747

01:17:47,450 --> 01:17:44,910

really measures from it actually built

1748

01:17:49,880 --> 01:17:47,460

the Messerschmitt 110 especially for

1749

01:17:51,650 --> 01:17:49,890

Hess they gave him training of how to

1750

01:17:53,870 --> 01:17:51,660

fly the thing and the whole idea was he

1751

01:17:56,510 --> 01:17:53,880

was to fly to England and land at the

1752

01:17:58,460 --> 01:17:56,520

home of a British aristocrat one of the

1753

01:18:00,620 --> 01:17:58,470

members of the royal family and they

1754

01:18:04,700 --> 01:18:00,630

were going to reach an agreement as to a

1755

01:18:06,890 --> 01:18:04,710

end of the war a ceasefire and then they

1756

01:18:09,260 --> 01:18:06,900

would conclude a peace agreement between

1757

01:18:11,990 --> 01:18:09,270

Germany and Britain and then they could

1758

01:18:14,050 --> 01:18:12,000

both turn to face Russia which Hitler

1759

01:18:17,570 --> 01:18:14,060

always said was going to be the prime

1760

01:18:21,020 --> 01:18:17,580

enemy but the thing the thing just it

1761

01:18:24,710 --> 01:18:21,030

just got botched he even though he'd

1762

01:18:27,680 --> 01:18:24,720

been trained on this Emme 110 he kind of

1763

01:18:30,189 --> 01:18:27,690

lost his way and then he couldn't find

1764

01:18:32,350 --> 01:18:30,199

the house of the aristocrat

1765

01:18:34,930 --> 01:18:32,360

and then he ran out of gas and he was

1766

01:18:37,989 --> 01:18:34,940

forced to parachute out and he broke his

1767

01:18:40,089 --> 01:18:37,999

ankle when he came down and a British

1768

01:18:41,979 --> 01:18:40,099

farmer with a pitchfork went up and

1769

01:18:42,729 --> 01:18:41,989

captured him and turned him over to the

1770

01:18:44,949 --> 01:18:42,739

Home Guard

1771

01:18:47,469 --> 01:18:44,959

well now that what was going to be a big

1772

01:18:50,229 --> 01:18:47,479

secret operation was now blown wide open

1773

01:18:52,419 --> 01:18:50,239

and everyone had to disavow him

1774

01:18:55,560 --> 01:18:52,429

Churchill of course said you know we've

1775

01:18:57,819 --> 01:18:55,570

caught this guy he's just nuts and then

1776

01:19:01,239 --> 01:18:57,829

because the aristocrats didn't want

1777

01:19:03,459 --> 01:19:01,249

their complicity known and then Hitler

1778

01:19:05,799 --> 01:19:03,469

of course he had to disavow it say well

1779

01:19:07,660 --> 01:19:05,809

he just went nuts and that's why I just

1780

01:19:11,649 --> 01:19:07,670

seems to be an oddity of history but

1781

01:19:15,040 --> 01:19:11,659

it's actually not it was a a plot to

1782

01:19:17,140 --> 01:19:15,050

bring in England in on the war along

1783

01:19:20,560 --> 01:19:17,150

with Germany and by the way a few years

1784

01:19:22,779 --> 01:19:20,570

ago it surfaced that it was in the

1785

01:19:26,259 --> 01:19:22,789

mainstream there's that there was a note

1786

01:19:28,390 --> 01:19:26,269

from the Queen Mother at that time who

1787

01:19:32,199 --> 01:19:28,400

said essentially that she was okay with

1788

01:19:34,750 --> 01:19:32,209

a Nazi occupation of England if they

1789

01:19:36,489 --> 01:19:34,760

would guarantee that the monarchy stayed

1790

01:19:38,109 --> 01:19:36,499

intact and of course you have to know

1791

01:19:40,299 --> 01:19:38,119

your history and realize that the

1792

01:19:42,669 --> 01:19:40,309

Windsors who were the mountain diamonds

1793

01:19:44,529 --> 01:19:42,679

who were before that the baton berg's

1794

01:19:46,930 --> 01:19:44,539

and that they're all of German descent

1795

01:19:51,189 --> 01:19:46,940

so they were all cousins anyway right

1796

01:19:53,049 --> 01:19:51,199

Peter wasn't that nice of them to to say

1797

01:19:55,060 --> 01:19:53,059

that that they were perfectly fine with

1798

01:19:58,239 --> 01:19:55,070

that Nazi takeover as long as they could

1799

01:20:11,229 --> 01:19:58,249

keep a stay in power and then really was

1800

01:20:12,459 --> 01:20:11,239

really keen of them to do though and

1801  
01:20:14,649 --> 01:20:12,469  
what does that tell you about the fact

1802  
01:20:16,089 --> 01:20:14,659  
that they're all you know they

1803  
01:20:17,709 --> 01:20:16,099  
interbreed in turn and they're

1804  
01:20:20,500 --> 01:20:17,719  
intermarry and they're all of the same

1805  
01:20:22,089 --> 01:20:20,510  
bloodlines anyway well there you go I

1806  
01:20:23,830 --> 01:20:22,099  
mean one thing just to add to what you

1807  
01:20:27,040 --> 01:20:23,840  
were saying is just go back over the

1808  
01:20:29,560 --> 01:20:27,050  
Nuremberg trial where it has you know is

1809  
01:20:32,350 --> 01:20:29,570  
on trial and he wants to make a final

1810  
01:20:34,029 --> 01:20:32,360  
statement which everybody was allowed to

1811  
01:20:35,319 --> 01:20:34,039  
do everybody was allowed to make their

1812  
01:20:38,199 --> 01:20:35,329  
statement at the very end

1813  
01:20:41,830 --> 01:20:38,209

yes starts talking about who wants to

1814

01:20:43,870 --> 01:20:41,840

reveal what really was going on and then

1815

01:20:45,729 --> 01:20:43,880

they they interrupt him they

1816

01:20:47,560 --> 01:20:45,739

tell him to sit down and they closed it

1817

01:20:50,590 --> 01:20:47,570

they don't allow him to keep talking I

1818

01:20:53,200 --> 01:20:50,600

mean he starts to talk there's maybe a

1819

01:20:54,729 --> 01:20:53,210

paragraph when he starts to get wound up

1820

01:20:56,470 --> 01:20:54,739

and starts to say look I tell you what

1821

01:20:59,169 --> 01:20:56,480

really was going on here since the

1822

01:21:01,870 --> 01:20:59,179

beginning and they immediately closed

1823

01:21:03,310 --> 01:21:01,880

him down he's not allowed to say what he

1824

01:21:05,950 --> 01:21:03,320

wants to say and I'm reading this thing

1825

01:21:07,240 --> 01:21:05,960

and I'm saying why did you stop him you

1826

01:21:09,189 --> 01:21:07,250

know here he was going to tell you

1827

01:21:11,530 --> 01:21:09,199

something pops perhaps of vital

1828

01:21:13,990 --> 01:21:11,540

importance at least for posterity

1829

01:21:15,610 --> 01:21:14,000

and you shut him up don't allow him to

1830

01:21:17,080 --> 01:21:15,620

speak but you go look at the final

1831

01:21:20,110 --> 01:21:17,090

speeches and everybody else they go on

1832

01:21:22,120 --> 01:21:20,120

for pages of self-justification you know

1833

01:21:23,830 --> 01:21:22,130

and then here's test starting it and

1834

01:21:26,080 --> 01:21:23,840

they don't let them talk here's the one

1835

01:21:28,540 --> 01:21:26,090

guy that we need to know what happened

1836

01:21:30,520 --> 01:21:28,550

you know because of the swipe because of

1837

01:21:33,129 --> 01:21:30,530

all of this and we're not allowed to

1838

01:21:35,890 --> 01:21:33,139

know we are not allowed to hear it it

1839

01:21:39,149 --> 01:21:35,900

reminds me Jim if you remember back at

1840

01:21:42,490 --> 01:21:39,159

the during the Warren Commission when

1841

01:21:43,990 --> 01:21:42,500

Bruce Payne was starting to talk right

1842

01:21:46,660 --> 01:21:44,000

they're interviewing who's paying the

1843

01:21:49,300 --> 01:21:46,670

famous Rouge paint who had Oswald and

1844

01:21:51,669 --> 01:21:49,310

marina Oswald in her home she's starting

1845

01:21:53,560 --> 01:21:51,679

to talk Allen Dulles is part of the

1846

01:21:55,930 --> 01:21:53,570

group that's listening to her as she

1847

01:21:58,390 --> 01:21:55,940

starts to talk about her involvement

1848

01:22:00,129 --> 01:21:58,400

with Oswald and a trip that she was

1849

01:22:00,640 --> 01:22:00,139

planning to make the Philadelphia that

1850

01:22:03,610 --> 01:22:00,650

year

1851  
01:22:06,580 --> 01:22:03,620  
well this cuts and starts changing the

1852  
01:22:09,700 --> 01:22:06,590  
subject and that always that always

1853  
01:22:10,990 --> 01:22:09,710  
intrigued me until I still eyes that you

1854  
01:22:13,090 --> 01:22:11,000  
know what Dulles was doing he did not

1855  
01:22:15,550 --> 01:22:13,100  
want Ruth Paine to talk about meeting

1856  
01:22:18,550 --> 01:22:15,560  
Arthur Young her father-in-law in

1857  
01:22:21,160 --> 01:22:18,560  
Philadelphia because Arthur Young's wife

1858  
01:22:23,709 --> 01:22:21,170  
was the close friend of Mary Bancroft

1859  
01:22:25,000 --> 01:22:23,719  
who was his mistress and that would have

1860  
01:22:28,750 --> 01:22:25,010  
opened up a whole can of worms in the

1861  
01:22:31,149 --> 01:22:28,760  
first place but it exactly Arthur Young

1862  
01:22:33,340 --> 01:22:31,159  
you know the connection back to Oswald

1863  
01:22:35,020 --> 01:22:33,350

with Arthur Young and a whole host of

1864

01:22:37,240 --> 01:22:35,030

other ideas that are right about it and

1865

01:22:40,180 --> 01:22:37,250

sinister forces principle I mean it

1866

01:22:42,820 --> 01:22:40,190

would have been huge so he cuts her off

1867

01:22:44,919 --> 01:22:42,830

just like they cut off that you know so

1868

01:22:47,200 --> 01:22:44,929

even you're in a public forum and you're

1869

01:22:53,350 --> 01:22:47,210

giving testimony you're not allowed to

1870

01:22:55,510 --> 01:22:53,360

give well when you're in control of the

1871

01:22:57,760 --> 01:22:55,520

investigation you turn it the way you

1872

01:23:01,090 --> 01:22:57,770

want to turn into another classic

1873

01:23:03,250 --> 01:23:01,100

was the railroad dispatcher Lee Bowers

1874

01:23:05,890 --> 01:23:03,260

who was in the tower behind the grassy

1875

01:23:08,440 --> 01:23:05,900

knoll and when in his testimony the

1876

01:23:10,660 --> 01:23:08,450

Warren Commission he said he saw two men

1877

01:23:12,460 --> 01:23:10,670

back behind that fence at the time of

1878

01:23:14,620 --> 01:23:12,470

the assassination and he says and

1879

01:23:16,150 --> 01:23:14,630

something caught my eye and I'm not

1880

01:23:17,710 --> 01:23:16,160

really you know he starts to try to

1881

01:23:19,570 --> 01:23:17,720

describe what it was and immediately

1882

01:23:21,160 --> 01:23:19,580

they interject and say well was there a

1883

01:23:23,230 --> 01:23:21,170

lot of policemen coming back in there

1884

01:23:24,970 --> 01:23:23,240

and they just totally distract him you

1885

01:23:27,160 --> 01:23:24,980

know and then but when he was finally

1886

01:23:29,020 --> 01:23:27,170

interviewed a couple of years later and

1887

01:23:31,210 --> 01:23:29,030

they said well what was they caught your

1888

01:23:33,820 --> 01:23:31,220

eye he said well a splash or a puff of

1889

01:23:35,860 --> 01:23:33,830

smoke very very solid evidence that

1890

01:23:39,340 --> 01:23:35,870

there was a shot from the grassy no

1891

01:23:41,440 --> 01:23:39,350

right exactly so even though we have the

1892

01:23:44,200 --> 01:23:41,450

so called government agencies doing the

1893

01:23:45,880 --> 01:23:44,210

investigation in a public way or printed

1894

01:23:49,420 --> 01:23:45,890

anyway in a public way or whoever it is

1895

01:23:50,950 --> 01:23:49,430

we can't even trust that you know no so

1896

01:23:59,770 --> 01:23:50,960

where do we start

1897

01:24:02,110 --> 01:23:59,780

search the internet okay because the

1898

01:24:04,480 --> 01:24:02,120

upside of the Internet is that anybody

1899

01:24:07,540 --> 01:24:04,490

and everybody has access to the Internet

1900

01:24:12,190 --> 01:24:07,550

but now of course the downside is that

1901

01:24:15,190 --> 01:24:12,200

everybody and anybody has access we all

1902

01:24:18,940 --> 01:24:15,200

know that right so unfortunately the the

1903

01:24:21,970 --> 01:24:18,950

Internet is fantastic for having a wide

1904

01:24:25,150 --> 01:24:21,980

breadth of information but you have to

1905

01:24:28,260 --> 01:24:25,160

have some discernment and unfortunately

1906

01:24:32,350 --> 01:24:28,270

I don't see much of that around today

1907

01:24:36,010 --> 01:24:32,360

you know with you there yeah it's sad I

1908

01:24:37,660 --> 01:24:36,020

guess bro an agreement that things are

1909

01:24:39,430 --> 01:24:37,670

not things have not reached a point

1910

01:24:41,440 --> 01:24:39,440

where people are really starting to be

1911

01:24:45,070 --> 01:24:41,450

so concerned that they're gonna actually

1912

01:24:48,940 --> 01:24:45,080

going to you know do something you know

1913

01:24:51,040 --> 01:24:48,950

whether it be you know public activism

1914

01:24:53,080 --> 01:24:51,050

or or anything to really try to force

1915

01:24:56,740 --> 01:24:53,090

the handover the powers that be on a

1916

01:24:58,270 --> 01:24:56,750

very wide scale at this point you know

1917

01:24:59,890 --> 01:24:58,280

as you said earlier Peter we've been

1918

01:25:02,770 --> 01:24:59,900

conditioned to believe that people in

1919

01:25:06,220 --> 01:25:02,780

other countries are somehow you know not

1920

01:25:07,700 --> 01:25:06,230

they're not quite right because you know

1921

01:25:09,830 --> 01:25:07,710

they're not American they don't have

1922

01:25:12,229 --> 01:25:09,840

that American spirits you know we've all

1923

01:25:14,360 --> 01:25:12,239

had we've all been beat into our head so

1924

01:25:15,920 --> 01:25:14,370

many times that the idea of American

1925

01:25:17,900 --> 01:25:15,930

exceptionalism that anybody doing

1926

01:25:20,390 --> 01:25:17,910

anything around the world other than in

1927

01:25:21,620 --> 01:25:20,400

America doesn't really matter you know

1928

01:25:23,180 --> 01:25:21,630

so a lot of people can walk down the

1929

01:25:24,709 --> 01:25:23,190

street and think that you know what's

1930

01:25:27,979 --> 01:25:24,719

going on in Egypt with people being

1931

01:25:30,490 --> 01:25:27,989

killed there and the conflict going on

1932

01:25:33,470 --> 01:25:30,500

between the Muslim Brotherhood and the

1933

01:25:35,510 --> 01:25:33,480

the military there really doesn't impact

1934

01:25:37,729 --> 01:25:35,520

anybody but of course it does because

1935

01:25:38,959 --> 01:25:37,739

everything that's going on everywhere is

1936

01:25:41,030 --> 01:25:38,969

interconnected with everything that's

1937

01:25:43,700 --> 01:25:41,040

happening everywhere else what's going

1938

01:25:46,160 --> 01:25:43,710

on here in America is you know

1939

01:25:48,770 --> 01:25:46,170

intricately entwined with what's going

1940

01:25:50,360 --> 01:25:48,780

on in Egypt what's going on in Syria

1941

01:25:53,000 --> 01:25:50,370

what's going on in other countries in

1942

01:25:54,740 --> 01:25:53,010

the Middle East and in in Asia and in

1943

01:25:56,930 --> 01:25:54,750

Russia you know with Snowden and all

1944

01:25:58,850 --> 01:25:56,940

this other stuff that's going on it's

1945

01:26:01,580 --> 01:25:58,860

all intricately connected and I think

1946

01:26:02,930 --> 01:26:01,590

that everybody needs to you know come to

1947

01:26:04,490 --> 01:26:02,940

an understanding about that but of

1948

01:26:06,890 --> 01:26:04,500

course that's not going to happen

1949

01:26:08,840 --> 01:26:06,900

anytime soon because we don't have a

1950

01:26:11,360 --> 01:26:08,850

media anymore we don't have anybody that

1951

01:26:13,400 --> 01:26:11,370

actually speaks for us in though in the

1952

01:26:14,780 --> 01:26:13,410

in the mainstream you know anybody

1953

01:26:17,000 --> 01:26:14,790

that's looking out for us we don't have

1954

01:26:18,290 --> 01:26:17,010

anybody that's really trying to get to

1955

01:26:20,990 --> 01:26:18,300

the bottom of things except for

1956

01:26:23,840 --> 01:26:21,000

researchers like yourselves and and

1957

01:26:25,670 --> 01:26:23,850

radio shows like this where we can have

1958

01:26:29,229 --> 01:26:25,680

alternative voices on they try to put

1959

01:26:32,030 --> 01:26:29,239

these pieces together and I think it's

1960

01:26:34,010 --> 01:26:32,040

you know that that goes back to what you

1961

01:26:35,270 --> 01:26:34,020

said Jim that you know we do have access

1962

01:26:37,070 --> 01:26:35,280

to the Internet

1963

01:26:38,840 --> 01:26:37,080

and unfortunately that is also our

1964

01:26:41,630 --> 01:26:38,850

downfall as well because as much as you

1965

01:26:43,340 --> 01:26:41,640

may be able to find good information to

1966

01:26:47,510 --> 01:26:43,350

support research that you're trying to

1967

01:26:49,610 --> 01:26:47,520

do you also find a giant heap of crap as

1968

01:26:51,260 --> 01:26:49,620

well which you have to sift through

1969

01:26:53,810 --> 01:26:51,270

before you're able to make a

1970

01:26:58,790 --> 01:26:53,820

determination as to what's fact and

1971

01:27:01,070 --> 01:26:58,800

what's fiction unfortunately and so just

1972

01:27:03,320 --> 01:27:01,080

to round out this whole discussion you

1973

01:27:07,790 --> 01:27:03,330

know going back to the Nazis in World

1974

01:27:11,360 --> 01:27:07,800

War two there's also this notion that

1975

01:27:14,240 --> 01:27:11,370

after the war was over and I'd like both

1976

01:27:19,340 --> 01:27:14,250

of you to comment on this as well after

1977

01:27:21,590 --> 01:27:19,350

the war was over that the the Nazis sort

1978

01:27:24,260 --> 01:27:21,600

of disbanded themselves and sort

1979

01:27:25,940 --> 01:27:24,270

of when some of them went to South

1980

01:27:28,250 --> 01:27:25,950

America some of them went to other place

1981

01:27:31,510 --> 01:27:28,260

perhaps you know if you've you have

1982

01:27:35,540 --> 01:27:31,520

noted Peter Hitler himself getting out

1983

01:27:37,460 --> 01:27:35,550

possibly ending up in Southeast Asia you

1984

01:27:41,450 --> 01:27:37,470

know with some stopovers along the way

1985

01:27:44,210 --> 01:27:41,460

as well that this was all orchestrated

1986

01:27:46,940 --> 01:27:44,220

that what we had after World War Two was

1987

01:27:51,100 --> 01:27:46,950

orchestrated so that the Nazis could

1988

01:27:56,300 --> 01:27:51,110

infiltrate both the both the Westing and

1989

01:28:00,380 --> 01:27:56,310

by way of Russia in particular and of

1990

01:28:03,920 --> 01:28:00,390

course we had the the formation of the

1991

01:28:08,870 --> 01:28:03,930

CIA which basically incorporated the the

1992

01:28:10,970 --> 01:28:08,880

entire Nazi Eastern European spy force

1993

01:28:15,080 --> 01:28:10,980

into it and basically became an

1994

01:28:19,490 --> 01:28:15,090

extension of Nazi secret intelligence

1995

01:28:23,510 --> 01:28:19,500

agencies from the war and what I wanted

1996

01:28:27,080 --> 01:28:23,520

to put to you was this notion that there

1997

01:28:30,050 --> 01:28:27,090

was a planned collapse of Germany and

1998

01:28:32,300 --> 01:28:30,060

that after the war was over certain

1999

01:28:35,120 --> 01:28:32,310

members of the scientific establishment

2000

01:28:36,560 --> 01:28:35,130

certain members of certain important

2001

01:28:39,560 --> 01:28:36,570

members of the party and things of this

2002

01:28:41,240 --> 01:28:39,570

nature were piecemealed to both sides so

2003

01:28:44,150 --> 01:28:41,250

that they could perpetrate the myth of

2004

01:28:47,300 --> 01:28:44,160

the Cold War so that then they could you

2005

01:28:49,040 --> 01:28:47,310

know have this arms race and have all of

2006

01:28:52,070 --> 01:28:49,050

this secrecy because we have this

2007

01:28:54,440 --> 01:28:52,080

terrible this terrible looming threat of

2008

01:28:56,710 --> 01:28:54,450

communist takeover in this country and

2009

01:28:59,990 --> 01:28:56,720

of course the same kind of you know

2010

01:29:02,650 --> 01:29:00,000

propaganda only in Reverse in Russia of

2011

01:29:06,110 --> 01:29:02,660

course and in that this was designed

2012

01:29:08,000 --> 01:29:06,120

essentially to provide a cover for a

2013

01:29:11,810 --> 01:29:08,010

continuation of the sort of thing that

2014

01:29:15,140 --> 01:29:11,820

was going on in in in Germany under the

2015

01:29:18,500 --> 01:29:15,150

Nazis perhaps in another area perhaps

2016

01:29:21,050 --> 01:29:18,510

within the auspices of these two you

2017

01:29:24,170 --> 01:29:21,060

know Cold War superpowers and I just

2018

01:29:25,970 --> 01:29:24,180

wanted to get get your take on that

2019

01:29:29,060 --> 01:29:25,980

particular aspect of it if you agree

2020

01:29:31,770 --> 01:29:29,070

with me as to as to that point or if you

2021

01:29:34,080 --> 01:29:31,780

have something you want to add or

2022

01:29:38,300 --> 01:29:34,090

or if you disagree please feel free to

2023

01:29:41,490 --> 01:29:38,310

stay so how about you Peter first well

2024

01:29:49,320 --> 01:29:41,500

it was a rather long statement a planet

2025

01:29:51,990 --> 01:29:49,330

part that Peter and that is that when

2026

01:29:54,300 --> 01:29:52,000

they saw the end was coming the that the

2027

01:29:56,670 --> 01:29:54,310

Nazis actually like orchestrated their

2028

01:29:58,770 --> 01:29:56,680

collapse and they and they said well why

2029

01:30:01,020 --> 01:29:58,780

don't we send some to some to Russia

2030

01:30:02,880 --> 01:30:01,030

some to the to the to the West because

2031

01:30:05,490 --> 01:30:02,890

we see that they're starting to already

2032

01:30:07,170 --> 01:30:05,500

have some you know tension between the

2033

01:30:09,780 --> 01:30:07,180

two of them that maybe we may be able to

2034

01:30:11,040 --> 01:30:09,790

use them well yeah I believe that they

2035

01:30:12,510 --> 01:30:11,050

were that cynical I don't think there's

2036

01:30:14,670 --> 01:30:12,520

any doubt about that whether they

2037

01:30:15,990 --> 01:30:14,680

whether they actually initiated the

2038

01:30:18,240 --> 01:30:16,000

collapse themselves or they just saw the

2039

01:30:21,090 --> 01:30:18,250

collapse coming sort of immaterial but

2040

01:30:22,710 --> 01:30:21,100

the the actual end result was you had

2041

01:30:24,150 --> 01:30:22,720

Nazis working on both sides of that

2042

01:30:25,740 --> 01:30:24,160

conflict and they stayed in

2043

01:30:27,810 --> 01:30:25,750

communication with each other some

2044

01:30:29,580 --> 01:30:27,820

people don't realize was that the the

2045

01:30:31,590 --> 01:30:29,590

Russian scientists for instance let's

2046

01:30:33,300 --> 01:30:31,600

talk about paperclip as an example the

2047

01:30:35,880 --> 01:30:33,310

paperclip scientists in the United

2048

01:30:38,400 --> 01:30:35,890

States were actually in communication

2049

01:30:46,050 --> 01:30:38,410

with the the Nazi scientists the

2050

01:30:48,270 --> 01:30:46,060

Russians captured with the paperclip

2051

01:30:50,430 --> 01:30:48,280

scientists were they were located in

2052

01:30:52,620 --> 01:30:50,440

Texas and in places around the world

2053

01:30:54,360 --> 01:30:52,630

around the country rather these guys

2054

01:30:55,740 --> 01:30:54,370

were not under any kind of nebula theory

2055

01:30:57,450 --> 01:30:55,750

they were allowed to leave their

2056

01:31:02,160 --> 01:30:57,460

military bases they were allowed to go

2057

01:31:04,530 --> 01:31:02,170

into town back they were in constant

2058

01:31:07,380 --> 01:31:04,540

contact with their brothers on the other

2059

01:31:11,550 --> 01:31:07,390

side of the pen so there was an

2060

01:31:13,800 --> 01:31:11,560

underground that was throughout the

2061

01:31:15,750 --> 01:31:13,810

nineteen forties fifties sixties you had

2062

01:31:19,710 --> 01:31:15,760

the mountains as you mentioned the Kalin

2063

01:31:22,230 --> 01:31:19,720

organization which was basically CIA

2064

01:31:25,230 --> 01:31:22,240

they were these guys are not working for

2065

01:31:26,790 --> 01:31:25,240

us they were working for themselves you

2066

01:31:28,590 --> 01:31:26,800

know they were incontinent with the with

2067

01:31:30,630 --> 01:31:28,600

the with the spies the Russians captured

2068

01:31:31,950 --> 01:31:30,640

we're trying to use against us they were

2069

01:31:33,750 --> 01:31:31,960

in contact with each other they were

2070

01:31:37,350 --> 01:31:33,760

cooperating with each other since the

2071

01:31:39,120 --> 01:31:37,360

very beginning there was no defeat as

2072

01:31:41,100 --> 01:31:39,130

far as they were concerned there their

2073

01:31:43,620 --> 01:31:41,110

ideology was not defeated they may have

2074

01:31:45,430 --> 01:31:43,630

been defeated in war but they just

2075

01:31:47,860 --> 01:31:45,440

shifted the conflict to other areas

2076

01:31:49,300 --> 01:31:47,870

South America they shifted it to the

2077

01:31:52,720 --> 01:31:49,310

Middle East they were still fighting the

2078

01:31:55,900 --> 01:31:52,730

same enemies with the collusion by the

2079

01:31:58,270 --> 01:31:55,910

way since Jim talked about corporations

2080

01:32:00,460 --> 01:31:58,280

of religion with the collusion of the

2081

01:32:03,250 --> 01:32:00,470

Vatican of the Catholic Church then a

2082

01:32:05,200 --> 01:32:03,260

throne of support wholeheartedly behind

2083

01:32:05,740 --> 01:32:05,210

rescuing as many of these guys as

2084

01:32:07,630 --> 01:32:05,750

possible

2085

01:32:10,150 --> 01:32:07,640

because they were anti-communist

2086

01:32:12,730 --> 01:32:10,160

fighters and plus they had access to

2087

01:32:14,080 --> 01:32:12,740

huge amounts of treasure a lot of both

2088

01:32:16,270 --> 01:32:14,090

which helped to pay their way and make

2089

01:32:20,680 --> 01:32:16,280

it make the betrayal all the more sweet

2090

01:32:23,080 --> 01:32:20,690

so what happened was we in the United

2091

01:32:26,440 --> 01:32:23,090

States we we signed a pact with the

2092

01:32:29,440 --> 01:32:26,450

devil after World War two we bartered

2093

01:32:31,390 --> 01:32:29,450

our soul to these guys we brought over

2094

01:32:34,030 --> 01:32:31,400

sciences that should have been executed

2095

01:32:36,310 --> 01:32:34,040

at Nuremberg we we've worthless spies

2096

01:32:37,630 --> 01:32:36,320

that should have been executed never we

2097

01:32:39,280 --> 01:32:37,640

worked with all these people because we

2098

01:32:41,050 --> 01:32:39,290

were quote-unquote afraid of the Soviet

2099

01:32:43,300 --> 01:32:41,060

Union and the Soviet Union was doing the

2100

01:32:46,840 --> 01:32:43,310

same thing you know so both sides were

2101  
01:32:49,630 --> 01:32:46,850  
just as equally heinous in cooperating

2102  
01:32:52,660 --> 01:32:49,640  
with these butchers with these fanatical

2103  
01:32:54,640 --> 01:32:52,670  
butchers as we were were both equally at

2104  
01:32:55,090 --> 01:32:54,650  
fault for them we were general operating

2105  
01:32:57,130 --> 01:32:55,100  
in it

2106  
01:32:59,440 --> 01:32:57,140  
look South America the whole political

2107  
01:33:01,600 --> 01:32:59,450  
situation in South America post war was

2108  
01:33:03,910 --> 01:33:01,610  
a reflection of the fact that we brought

2109  
01:33:06,970 --> 01:33:03,920  
all those Nazis over into the continent

2110  
01:33:09,280 --> 01:33:06,980  
supporting the local dictatorships with

2111  
01:33:12,070 --> 01:33:09,290  
money and with ideology and we did the

2112  
01:33:14,170 --> 01:33:12,080  
same thing in the Middle East so many SS

2113  
01:33:19,210 --> 01:33:14,180

officers brought into Egypt with by

2114

01:33:20,590 --> 01:33:19,220

Allen Dulles by the way here's the guy

2115

01:33:22,990 --> 01:33:20,600

that you know knew where all the bodies

2116

01:33:24,850 --> 01:33:23,000

were buried literally and he's helping

2117

01:33:27,850 --> 01:33:24,860

these people people who should have been

2118

01:33:30,310 --> 01:33:27,860

in prison at least he put the buck it

2119

01:33:32,260 --> 01:33:30,320

agent were they were then spying on

2120

01:33:35,170 --> 01:33:32,270

Israel I mean the whole thing was just a

2121

01:33:40,390 --> 01:33:35,180

mess and absolutely anyway that's my

2122

01:33:42,160 --> 01:33:40,400

take how about you Jim well a couple of

2123

01:33:44,050 --> 01:33:42,170

things first off a he's absolutely right

2124

01:33:48,400 --> 01:33:44,060

and you have to understand what Nazi

2125

01:33:52,390 --> 01:33:48,410

means anyway Nazi is an acronym for the

2126  
01:33:55,360 --> 01:33:52,400  
German for National Socialism they they

2127  
01:33:58,330 --> 01:33:55,370  
go socialism of the Z so it's Nationals

2128  
01:33:59,220 --> 01:33:58,340  
and socialism and that's in azi it's an

2129  
01:34:02,260 --> 01:33:59,230  
acronym

2130  
01:34:04,150 --> 01:34:02,270  
inventions National Socialism you have

2131  
01:34:08,140 --> 01:34:04,160  
to understand that because the same

2132  
01:34:11,980 --> 01:34:08,150  
financial capitalist of the West that

2133  
01:34:14,710 --> 01:34:11,990  
funded Hitler also had funded the

2134  
01:34:20,710 --> 01:34:14,720  
Communists and created communism in

2135  
01:34:23,350 --> 01:34:20,720  
Russia okay and then in August of 1944

2136  
01:34:25,990 --> 01:34:23,360  
after they had turned against Hitler and

2137  
01:34:27,970 --> 01:34:26,000  
the d-day landings were successful and

2138  
01:34:30,940 --> 01:34:27,980

the Allies had broken out at saint-lo

2139

01:34:32,290 --> 01:34:30,950

France and so the everyone knew that it

2140

01:34:34,120 --> 01:34:32,300

was now they weren't going to be able to

2141

01:34:35,920 --> 01:34:34,130

push the Allies back into the English

2142

01:34:38,110 --> 01:34:35,930

Channel that it was just a matter of

2143

01:34:40,720 --> 01:34:38,120

time before he's all over with and in

2144

01:34:42,460 --> 01:34:40,730

August of 44 Martin Bormann who would by

2145

01:34:44,590 --> 01:34:42,470

the end was chief of staff of Hitler and

2146

01:34:46,390 --> 01:34:44,600

was in pretty much in total control of

2147

01:34:49,810 --> 01:34:46,400

what was going on

2148

01:34:53,110 --> 01:34:49,820

met with Herman Schmidt's head of the IG

2149

01:34:55,630 --> 01:34:53,120

Farben combine and dr. Herman Josef ABS

2150

01:34:58,600 --> 01:34:55,640

who was the head of the German central

2151  
01:35:01,240 --> 01:34:58,610  
bank and they initiated auction armored

2152  
01:35:04,210 --> 01:35:01,250  
fruit or Operation Eagle flight which

2153  
01:35:07,110 --> 01:35:04,220  
was to get all of the capital out of

2154  
01:35:10,600 --> 01:35:07,120  
Nazi Germany and they worked with their

2155  
01:35:13,000 --> 01:35:10,610  
funders and in England America one of

2156  
01:35:17,020 --> 01:35:13,010  
which for example was John J McCloy a

2157  
01:35:20,200 --> 01:35:17,030  
New York banker who during the 30s set

2158  
01:35:23,170 --> 01:35:20,210  
in Hitler's box at the 1936 Olympics in

2159  
01:35:26,800 --> 01:35:23,180  
his head and CEO of Citi National Bank

2160  
01:35:30,400 --> 01:35:26,810  
which is now Citicorp had made loans and

2161  
01:35:32,080 --> 01:35:30,410  
advanced money to Nazi Germany and then

2162  
01:35:35,950 --> 01:35:32,090  
at the end of the war he becomes a High

2163  
01:35:39,070 --> 01:35:35,960

Commissioner of Germany and allowed all

2164

01:35:41,440 --> 01:35:39,080

these unrepentant Nazis to leave many on

2165

01:35:44,260 --> 01:35:41,450

Vatican passports and when they got to

2166

01:35:47,230 --> 01:35:44,270

the United States his protege Allen

2167

01:35:50,050 --> 01:35:47,240

Dulles who Peters mentioned had become

2168

01:35:52,150 --> 01:35:50,060

head of the CIA and whitewashed their

2169

01:35:54,580 --> 01:35:52,160

backgrounds and bringing them in well

2170

01:35:56,740 --> 01:35:54,590

now why would they do this all right I

2171

01:36:01,500 --> 01:35:56,750

submit to you it's because they swapped

2172

01:36:05,650 --> 01:36:01,510

us their nuclear technology for immunity

2173

01:36:08,500 --> 01:36:05,660

on may the 14th 1945 just a few days

2174

01:36:11,710 --> 01:36:08,510

after the war it ended of the the German

2175

01:36:13,570 --> 01:36:11,720

u-boat 234 had gone through several

2176

01:36:17,230 --> 01:36:13,580

hazard

2177

01:36:18,820 --> 01:36:17,240

allied positions with no no interference

2178

01:36:21,840 --> 01:36:18,830

and then finally surfaced and

2179

01:36:26,230 --> 01:36:21,850

surrendered to the USS Sutton on may the

2180

01:36:30,550 --> 01:36:26,240

14th 1945 they transferred from this

2181

01:36:33,340 --> 01:36:30,560

submarine to disassembled Messerschmitt

2182

01:36:36,460 --> 01:36:33,350

262 jet fighters the first jet fighters

2183

01:36:39,400 --> 01:36:36,470

of the world ten goal-line cylinders of

2184

01:36:42,010 --> 01:36:39,410

the uranium approximately 560 kilograms

2185

01:36:44,410 --> 01:36:42,020

of enriched uranium they try to argue

2186

01:36:46,570 --> 01:36:44,420

and say well it wasn't rich it was just

2187

01:36:49,000 --> 01:36:46,580

plain old uranium but then why would you

2188

01:36:52,840 --> 01:36:49,010

need a goal-line cylinder and most

2189

01:36:55,750 --> 01:36:52,850

importantly dr. Hanks lichte who had a

2190

01:36:57,940 --> 01:36:55,760

developed some infrared proximity fuses

2191

01:37:01,300 --> 01:36:57,950

which was the very thing we were needing

2192

01:37:04,180 --> 01:37:01,310

to set off an atomic bomb ours were not

2193

01:37:06,420 --> 01:37:04,190

fast enough our fuses in fact in early

2194

01:37:09,730 --> 01:37:06,430

1945 President Roosevelt had been

2195

01:37:12,010 --> 01:37:09,740

informed that the centrifuge method we

2196

01:37:15,210 --> 01:37:12,020

were using to enrich uranium was a slow

2197

01:37:18,430 --> 01:37:15,220

process and they did not have enough

2198

01:37:20,830 --> 01:37:18,440

weapons-grade uranium except for one

2199

01:37:23,680 --> 01:37:20,840

atomic bomb and of course they had to

2200

01:37:27,490 --> 01:37:23,690

test it so this fall of a timeline on

2201

01:37:30,280 --> 01:37:27,500

may the 14th 45 the u2 34 is taken into

2202

01:37:33,130 --> 01:37:30,290

captivity and they get 560 kilograms of

2203

01:37:35,830 --> 01:37:33,140

uranium plus doctors collectors infrared

2204

01:37:38,110 --> 01:37:35,840

fuses a couple of days later they set

2205

01:37:40,180 --> 01:37:38,120

off the first atomic bomb test at I

2206

01:37:42,700 --> 01:37:40,190

don't know go down to Mexico and that

2207

01:37:45,520 --> 01:37:42,710

very day once they know hey it works

2208

01:37:48,220 --> 01:37:45,530

then the USS Indianapolis departs that

2209

01:37:51,010 --> 01:37:48,230

very day from San Francisco 14 ioan

2210

01:37:53,710 --> 01:37:51,020

don't you live at 26 it arrives at

2211

01:37:56,860 --> 01:37:53,720

Tinian and of course we know there that

2212

01:38:00,190 --> 01:37:56,870

they assembled the first atomic bomb and

2213

01:38:02,650 --> 01:38:00,200

on August 6 just a few days later the

2214

01:38:04,510 --> 01:38:02,660

Enola Gay dropped the first atomic bomb

2215

01:38:06,790 --> 01:38:04,520

on Hiroshima and about a week later on

2216

01:38:09,850 --> 01:38:06,800

Nagasaki where did they get the uranium

2217

01:38:12,280 --> 01:38:09,860

for those two uranium bombs and I submit

2218

01:38:14,830 --> 01:38:12,290

to you from Nazi Germany they swapped us

2219

01:38:16,780 --> 01:38:14,840

their nuclear technology for immunity

2220

01:38:18,730 --> 01:38:16,790

and why didn't the Nazis use it

2221

01:38:21,580 --> 01:38:18,740

themselves well the answer actually is

2222

01:38:24,450 --> 01:38:21,590

kind of simple it's they did have the

2223

01:38:26,350 --> 01:38:24,460

atomic bomb in fact I have a copy of the

2224

01:38:29,890 --> 01:38:26,360

Luftwaffe

2225

01:38:33,459 --> 01:38:29,900

in 1942 of the atomic blast radius on

2226

01:38:35,560 --> 01:38:33,469

the island of Manhattan okay but the

2227

01:38:37,959 --> 01:38:35,570

problem was they didn't have a reliable

2228

01:38:40,300 --> 01:38:37,969

delivery system they were working on

2229

01:38:42,399 --> 01:38:40,310

three stage rocket at the 8:10 that they

2230

01:38:44,560 --> 01:38:42,409

had dubbed the New York rocket but it

2231

01:38:47,229 --> 01:38:44,570

really wasn't quite finished and they

2232

01:38:49,600 --> 01:38:47,239

didn't have a reliable guidance system

2233

01:38:51,490 --> 01:38:49,610

for it the v1 v2 x' that they dropped

2234

01:38:53,200 --> 01:38:51,500

over london believe it or not their

2235

01:38:55,660 --> 01:38:53,210

guidance system was they loaded it with

2236

01:38:56,950 --> 01:38:55,670

just enough fuel that they calculated it

2237

01:38:58,540 --> 01:38:56,960

would take them over london and then it

2238

01:39:01,540 --> 01:38:58,550

ran out of fuel and dropped like a bomb

2239

01:39:05,620 --> 01:39:01,550

that was their guidance system okay they

2240

01:39:07,840 --> 01:39:05,630

did have some six engine bombers that

2241

01:39:10,689 --> 01:39:07,850

they developed and and at a base in

2242

01:39:12,370 --> 01:39:10,699

Norway which they held on to to the very

2243

01:39:15,430 --> 01:39:12,380

last minute although there was no

2244

01:39:18,430 --> 01:39:15,440

strategic you know necessity for that

2245

01:39:20,470 --> 01:39:18,440

and but they hadn't finished that they

2246

01:39:22,240 --> 01:39:20,480

hadn't finished the base and the crews

2247

01:39:24,910 --> 01:39:22,250

there were saying that they were there

2248

01:39:26,859 --> 01:39:24,920

in preparation for a New York mission so

2249

01:39:28,930 --> 01:39:26,869

apparently the Nazis had the bomb they

2250

01:39:30,250 --> 01:39:28,940

wanted they'd seriously considered

2251

01:39:32,800 --> 01:39:30,260

dropping it but they didn't have a

2252

01:39:36,850 --> 01:39:32,810

reliable delivery system and besides

2253

01:39:39,760 --> 01:39:36,860

that but by the mid spring by late April

2254

01:39:41,109 --> 01:39:39,770

or so 1945 is obvious war was over and

2255

01:39:43,180 --> 01:39:41,119

the Russians are pouring in from these

2256

01:39:45,459 --> 01:39:43,190

and Allies pouring in from the West and

2257

01:39:47,379 --> 01:39:45,469

I think that they knew that if they had

2258

01:39:50,169 --> 01:39:47,389

dropped an atom bomb on Paris or New

2259

01:39:52,419 --> 01:39:50,179

York or London that the Allies would

2260

01:39:53,500 --> 01:39:52,429

have left no stone unturned in Germany

2261

01:39:55,780 --> 01:39:53,510

they would have just turned the whole

2262

01:39:57,729 --> 01:39:55,790

place into a wasteland and they nobody

2263

01:40:01,629 --> 01:39:57,739

wanted that they wanted to continue

2264

01:40:05,379 --> 01:40:01,639

Germany as a viable member of the world

2265

01:40:11,439 --> 01:40:05,389

economy so they swapped us their nuclear

2266

01:40:14,109 --> 01:40:11,449

technology and for community so before

2267

01:40:16,479 --> 01:40:14,119

we end the show I wanted to give each of

2268

01:40:19,330 --> 01:40:16,489

you an opportunity to tell everybody

2269

01:40:21,189 --> 01:40:19,340

who's listening what kind of projects

2270

01:40:23,560 --> 01:40:21,199

that you're working on right now and

2271

01:40:24,939 --> 01:40:23,570

what we can expect out of you out of the

2272

01:40:29,770 --> 01:40:24,949

future

2273

01:40:33,600 --> 01:40:29,780

Jim if you'd like to go first well I am

2274

01:40:37,300 --> 01:40:33,610

waiting here with bated breath for the

2275

01:40:39,550 --> 01:40:37,310

issuance of my new updated and expanded

2276

01:40:40,160 --> 01:40:39,560

version of crossfire and the plot that

2277

01:40:41,840 --> 01:40:40,170

killed Kennedy

2278

01:40:44,240 --> 01:40:41,850

which of course was my book on the

2279

01:40:46,250 --> 01:40:44,250

community assassination it's due out in

2280

01:40:49,430 --> 01:40:46,260

about another month or so it will be out

2281

01:40:51,860 --> 01:40:49,440

before the 50th anniversary on November

2282

01:40:55,250 --> 01:40:51,870

the 22nd probably late September

2283

01:40:56,900 --> 01:40:55,260

hopefully early October and I think it's

2284

01:40:58,250 --> 01:40:56,910

you're going to find everything you need

2285

01:41:01,550 --> 01:40:58,260

to know about the Kennedy assassination

2286

01:41:05,240 --> 01:41:01,560

in that book and the bottom line is is

2287

01:41:07,850 --> 01:41:05,250

that the Kennedy assassinations appears

2288

01:41:09,800 --> 01:41:07,860

so controversial okay it's not really

2289

01:41:13,310 --> 01:41:09,810

but it appears so because of the wide

2290

01:41:15,860 --> 01:41:13,320

gulf between government pronouncements

2291

01:41:17,810 --> 01:41:15,870

and most of which are unsubstantiated or

2292

01:41:21,680 --> 01:41:17,820

even contradicted by their own

2293

01:41:24,140 --> 01:41:21,690

investigation and the people who have

2294

01:41:28,040 --> 01:41:24,150

actually studied the case unfortunately

2295

01:41:31,070 --> 01:41:28,050

in the words of John J McCloy again who

2296

01:41:33,050 --> 01:41:31,080

goes from being a supporter of Hitler to

2297

01:41:35,390 --> 01:41:33,060

the High Commissioner of Germany after

2298

01:41:36,950 --> 01:41:35,400

the war to becoming a member of the

2299

01:41:39,560 --> 01:41:36,960

Warren Commission one of its most

2300

01:41:41,930 --> 01:41:39,570

influential members and during the

2301

01:41:44,689 --> 01:41:41,940

Warren Commission investigation he was

2302

01:41:46,189 --> 01:41:44,699

quoted as saying it was a paramount

2303

01:41:49,189 --> 01:41:46,199

importance to show the world that

2304

01:41:51,950 --> 01:41:49,199

America is not a Banana Republic where a

2305

01:41:55,790 --> 01:41:51,960

government can be changed by conspiracy

2306

01:41:58,430 --> 01:41:55,800

well sorry John we are a Banana Republic

2307

01:42:01,090 --> 01:41:58,440

and you can see the evidence in my new

2308

01:42:05,209 --> 01:42:01,100

book crossfire the plot to kill Kennedy

2309

01:42:07,490 --> 01:42:05,219

we really are Banana Republic it's it's

2310

01:42:10,840 --> 01:42:07,500

a sad reality but we've become that

2311

01:42:15,400 --> 01:42:10,850

which we used to you know use the term

2312

01:42:18,260 --> 01:42:15,410

you know deplorable for certain small

2313

01:42:22,610 --> 01:42:18,270

countries in South and Central America

2314

01:42:24,830 --> 01:42:22,620

most usually were given that epithet of

2315

01:42:29,660 --> 01:42:24,840

being a Banana Republic because they

2316

01:42:31,880 --> 01:42:29,670

grew bananas you know we're a banana

2317

01:42:34,220 --> 01:42:31,890

republic now we really are where we're

2318

01:42:35,570 --> 01:42:34,230

probably one of the biggest banana

2319

01:42:38,330 --> 01:42:35,580

republics in the world right now

2320

01:42:40,430 --> 01:42:38,340

unfortunately which is sad to say but

2321

01:42:44,209 --> 01:42:40,440

there you have it

2322

01:42:45,950 --> 01:42:44,219

Peter what about you well damn I was

2323

01:42:53,439 --> 01:42:45,960

right the same thing that Jim is talking

2324

01:43:02,839 --> 01:42:56,959

well here it's all there there's still

2325

01:43:03,949 --> 01:43:02,849

plenty of details to write about well

2326

01:43:06,049 --> 01:43:03,959

maybe maybe not

2327

01:43:08,120 --> 01:43:06,059

maybe I wasn't joking yeah I am actually

2328

01:43:11,149 --> 01:43:08,130

working on something else right now

2329

01:43:13,189 --> 01:43:11,159

right the middle of it the book ratline

2330

01:43:15,020 --> 01:43:13,199

which talks about the escape routes into

2331

01:43:17,270 --> 01:43:15,030

Southeast Asia for the very first time

2332

01:43:19,129 --> 01:43:17,280

mentioning you know the Nazi presidents

2333

01:43:21,589 --> 01:43:19,139

in Southeast Asia before during and

2334

01:43:25,339 --> 01:43:21,599

after the war I came into contact with a

2335

01:43:29,390 --> 01:43:25,349

lot more information specifically

2336

01:43:32,600 --> 01:43:29,400

relating to Tibet and the involvement of

2337

01:43:34,909 --> 01:43:32,610

Nazis into that both pre post and post

2338

01:43:37,879 --> 01:43:34,919

war there's a whole story there that has

2339

01:43:40,959 --> 01:43:37,889

yet to be told so I'm working fully on

2340

01:43:44,479 --> 01:43:40,969

that subject as well as the location of

2341

01:43:46,040 --> 01:43:44,489

Nazi gold after the war where that wound

2342

01:43:48,020 --> 01:43:46,050

up and I've come into contact with a lot

2343

01:43:51,219 --> 01:43:48,030

of information concerning that as well

2344

01:43:53,569 --> 01:43:51,229

so I've been scouring Southeast Asia

2345

01:43:55,879 --> 01:43:53,579

talking to people make doing interviews

2346

01:43:57,409 --> 01:43:55,889

and coming up with some yeah I think

2347

01:44:00,199 --> 01:43:57,419

pretty interesting information as to

2348

01:44:02,299 --> 01:44:00,209

what was going on with all of that you

2349

01:44:04,040 --> 01:44:02,309

know people have written about gold the

2350

01:44:06,319 --> 01:44:04,050

Japanese of course very cold all over

2351

01:44:07,850 --> 01:44:06,329

Southeast Asia well we don't really

2352

01:44:10,250 --> 01:44:07,860

realize that some of the gold that was

2353

01:44:12,229 --> 01:44:10,260

being buried was for Germany shift on

2354

01:44:15,949 --> 01:44:12,239

u-boats to get them out of the way of

2355

01:44:17,569 --> 01:44:15,959

the Allies to find a safe place to bury

2356

01:44:20,179 --> 01:44:17,579

some of it went to South America as we

2357

01:44:22,250 --> 01:44:20,189

know so much of Africa and a lot of a

2358

01:44:23,929 --> 01:44:22,260

lot more of it went to Southeast Asia so

2359

01:44:25,929 --> 01:44:23,939

I've been on the trail of that as well

2360

01:44:30,649 --> 01:44:25,939

so I came into contact with the

2361

01:44:33,140 --> 01:44:30,659

documents concerning mr. Pope Jim Martin

2362

01:44:35,629 --> 01:44:33,150

mentioned his name a lot the documents

2363

01:44:38,000 --> 01:44:35,639

the papers that he owned that were in

2364

01:44:41,540 --> 01:44:38,010

his possession at the time he died which

2365

01:44:42,979 --> 01:44:41,550

opens a window onto people more deeply

2366

01:44:44,959 --> 01:44:42,989

into it not the objects around it in

2367

01:44:47,239 --> 01:44:44,969

Asia so it's an interesting stuff and

2368

01:44:49,850 --> 01:44:47,249

I'm hoping to put that together probably

2369

01:44:51,500 --> 01:44:49,860

come out in the spring okay

2370

01:44:54,259 --> 01:44:51,510

that's how I'll look forward to that

2371

01:44:56,689 --> 01:44:54,269

yeah both both of those sound really

2372

01:45:00,770 --> 01:44:56,699

great of course I know I'm familiar with

2373

01:45:03,109 --> 01:45:00,780

crossfire and Jim I have I have many of

2374

01:45:05,320 --> 01:45:03,119

your books here I have many of Peters

2375

01:45:08,980 --> 01:45:05,330

books as well you're both your

2376

01:45:10,990 --> 01:45:08,990

the tutu of my very favorite authors and

2377

01:45:14,650 --> 01:45:11,000

it's been a real treat to have both of

2378

01:45:16,450 --> 01:45:14,660

you here on the show today together I'm

2379

01:45:18,970 --> 01:45:16,460

glad we could make it happen this time

2380

01:45:20,860 --> 01:45:18,980

since we had a little little technical

2381

01:45:23,620 --> 01:45:20,870

difficulties last time we tried to do

2382

01:45:25,180 --> 01:45:23,630

this before I do finish the show and we

2383

01:45:30,400 --> 01:45:25,190

have our final comments here I just

2384

01:45:35,220 --> 01:45:30,410

wanted to say that one of our one of the

2385

01:45:39,400 --> 01:45:35,230

hosts of another program on on irn here

2386

01:45:42,700 --> 01:45:39,410

just energy radio with Rita Lewis she

2387

01:45:48,300 --> 01:45:42,710

lost her husband recently and I wanted

2388

01:45:52,630 --> 01:45:48,310

to just say a note of support to her and

2389

01:45:54,340 --> 01:45:52,640

hopefully she's doing good and and being

2390

01:45:56,380 --> 01:45:54,350

able to cope with that loss it's a

2391

01:45:59,140 --> 01:45:56,390

terrible tragedy and I'm very sorry to

2392

01:46:01,300 --> 01:45:59,150

hear that and I just wanted to send out

2393

01:46:04,420 --> 01:46:01,310

my good wishes to her and to her family

2394

01:46:07,810 --> 01:46:04,430

in that as well and of course after my

2395

01:46:10,060 --> 01:46:07,820

show this evening you can stay tuned for

2396

01:46:12,730 --> 01:46:10,070

Heidi Hollis and the Outlander which

2397

01:46:16,420 --> 01:46:12,740

will be at 9 p.m. after the show is over

2398

01:46:20,260 --> 01:46:16,430

and for anyone who's interested you can

2399

01:46:24,400 --> 01:46:20,270

catch me on future theatre with Bill and

2400

01:46:26,800 --> 01:46:24,410

Nancy Burns on Saturday from 6 to 8 p.m.

2401  
01:46:29,470 --> 01:46:26,810  
Eastern Time on future theatre right

2402  
01:46:31,510 --> 01:46:29,480  
here on inception radio so those are

2403  
01:46:33,400 --> 01:46:31,520  
those are things are coming up for me

2404  
01:46:40,960 --> 01:46:33,410  
and a little bit of well wishes for Rita

2405  
01:46:44,950 --> 01:46:40,970  
Louise as well and also just to just to

2406  
01:46:49,140 --> 01:46:44,960  
round this out I would like to give each

2407  
01:46:52,030 --> 01:46:49,150  
of you an opportunity to chime in with

2408  
01:46:55,210 --> 01:46:52,040  
something that that you think would be a

2409  
01:46:57,070 --> 01:46:55,220  
good message to leave with people at the

2410  
01:46:59,650 --> 01:46:57,080  
end of the show today because obviously

2411  
01:47:03,940 --> 01:46:59,660  
we talk about some rather dark things

2412  
01:47:06,460 --> 01:47:03,950  
and some you know hidden history and

2413  
01:47:08,650 --> 01:47:06,470

nefarious actions that have been going

2414

01:47:10,180 --> 01:47:08,660

on throughout history you know Jim when

2415

01:47:12,970 --> 01:47:10,190

we started the show you were talking

2416

01:47:15,610 --> 01:47:12,980

about how in the Sumerian tablets we had

2417

01:47:17,770 --> 01:47:15,620

this genetic engineering having in the

2418

01:47:19,090 --> 01:47:17,780

ancient past which may have resulted in

2419

01:47:23,500 --> 01:47:19,100

the formation of modern human

2420

01:47:26,470 --> 01:47:23,510

or at least at a part in it and then we

2421

01:47:29,020 --> 01:47:26,480

moved forward in time through World War

2422

01:47:32,760 --> 01:47:29,030

two and the legacy thereof and of course

2423

01:47:37,030 --> 01:47:32,770

a lot of this is very dark and it's very

2424

01:47:40,270 --> 01:47:37,040

potentially frightening and and what I

2425

01:47:44,860 --> 01:47:40,280

don't like to leave people with a sense

2426

01:47:47,500 --> 01:47:44,870

of hopelessness and in the idea that

2427

01:47:49,960 --> 01:47:47,510

we're powerless in the face of some of

2428

01:47:51,850 --> 01:47:49,970

this that's what's coming down the road

2429

01:47:54,310 --> 01:47:51,860

for us so I usually like to give

2430

01:47:56,200 --> 01:47:54,320

everybody an opportunity to to leave us

2431

01:47:59,590 --> 01:47:56,210

with you know something that's the

2432

01:48:01,240 --> 01:47:59,600

positive spin on where your research is

2433

01:48:03,310 --> 01:48:01,250

taking us and what you think could be a

2434

01:48:07,930 --> 01:48:03,320

positive move that people can make for

2435

01:48:09,220 --> 01:48:07,940

the future to come start with a year

2436

01:48:12,610 --> 01:48:09,230

yeah good Jim

2437

01:48:15,610 --> 01:48:12,620

okay yeah no I totally agree with you

2438

01:48:18,190 --> 01:48:15,620

Ted and I'd like to make some positive

2439

01:48:20,260 --> 01:48:18,200

stuff I'll try to make it brief the good

2440

01:48:22,630 --> 01:48:20,270

news is is that there's more of us

2441

01:48:25,120 --> 01:48:22,640

namely good thoughtful concerned

2442

01:48:28,180 --> 01:48:25,130

considerate people then there are of

2443

01:48:31,000 --> 01:48:28,190

them these people who would be tyrants

2444

01:48:32,830 --> 01:48:31,010

and controllers okay so all we got to do

2445

01:48:36,700 --> 01:48:32,840

is get our act together

2446

01:48:39,190 --> 01:48:36,710

I was quoting Einstein he says stupidity

2447

01:48:41,260 --> 01:48:39,200

is repeating the same experiment over

2448

01:48:44,770 --> 01:48:41,270

and over again and expecting a different

2449

01:48:47,500 --> 01:48:44,780

result all right and what I'm saying

2450

01:48:50,380 --> 01:48:47,510

here is is that supposedly we still have

2451

01:48:53,890 --> 01:48:50,390

a vote although we need to see that the

2452

01:48:55,810 --> 01:48:53,900

computer voting goes by the wayside we

2453

01:48:58,990 --> 01:48:55,820

need to return the paper ballots that

2454

01:49:02,290 --> 01:48:59,000

can be counted and recounted and we need

2455

01:49:04,660 --> 01:49:02,300

to vote out everybody that's in office I

2456

01:49:06,490 --> 01:49:04,670

can't believe it almost everyone I

2457

01:49:09,430 --> 01:49:06,500

talked to regardless of their position

2458

01:49:11,500 --> 01:49:09,440

or politics says we're kind of in a mess

2459

01:49:13,390 --> 01:49:11,510

you know how did we get in this mess and

2460

01:49:16,450 --> 01:49:13,400

yet when it's voting time they go down

2461

01:49:19,870 --> 01:49:16,460

they vote the same jerks in the office

2462

01:49:21,580 --> 01:49:19,880

okay come on folks vote them all out and

2463

01:49:23,950 --> 01:49:21,590

start all over again yeah you're gonna

2464

01:49:27,250 --> 01:49:23,960

get some pills but then you watch them

2465

01:49:29,140 --> 01:49:27,260

and the ones who perform for the public

2466

01:49:29,740 --> 01:49:29,150

good you vote them back in and the ones

2467

01:49:31,930 --> 01:49:29,750

who don't

2468

01:49:32,740 --> 01:49:31,940

and who curry favor with the special

2469

01:49:35,080 --> 01:49:32,750

interest and

2470

01:49:36,610 --> 01:49:35,090

operations you vote them out and you

2471

01:49:39,280 --> 01:49:36,620

know what that's not a radical idea

2472

01:49:40,900 --> 01:49:39,290

that's the way it's supposed to work so

2473

01:49:44,200 --> 01:49:40,910

let's make it work like it was supposed

2474

01:50:03,460 --> 01:49:44,210

to you excellent thank you Jim how about

2475

01:50:06,280 --> 01:50:03,470

you Peter yeah we do have access to

2476

01:50:08,050 --> 01:50:06,290

communication systems now every person

2477

01:50:16,630 --> 01:50:08,060

on the planet basically talked to every

2478

01:50:18,460 --> 01:50:16,640

other person sure you know we have to be

2479

01:50:20,590 --> 01:50:18,470

a bit more careful about how we conduct

2480

01:50:23,500 --> 01:50:20,600

ourselves online I think just as an

2481

01:50:26,020 --> 01:50:23,510

aside I think that we did far too much

2482

01:50:28,090 --> 01:50:26,030

information to really on the Internet

2483

01:50:29,440 --> 01:50:28,100

but who knows maybe it doesn't matter it

2484

01:50:30,900 --> 01:50:29,450

may be Big Brother has all the

2485

01:50:33,550 --> 01:50:30,910

information they need anyway

2486

01:50:35,050 --> 01:50:33,560

the idea of going back to paper not just

2487

01:50:40,300 --> 01:50:35,060

for ballots but for lots of things is

2488

01:50:42,220 --> 01:50:40,310

very attractive to me for a while just

2489

01:50:44,140 --> 01:50:42,230

try to see the world the way our

2490

01:50:47,110 --> 01:50:44,150

ancestors used to with their own eyes

2491

01:50:49,300 --> 01:50:47,120

you know and experience directly and yet

2492

01:50:52,390 --> 01:50:49,310

you know voting is still you know

2493

01:50:54,190 --> 01:50:52,400

powerful in our country at any rate we

2494

01:50:56,920 --> 01:50:54,200

can still use it to cause some changes

2495

01:51:00,480 --> 01:50:56,930

to to occur but at the same time you

2496

01:51:02,770 --> 01:51:00,490

know walk softly and carry a big stick

2497

01:51:07,120 --> 01:51:02,780

vote all you want to but at the same

2498

01:51:08,770 --> 01:51:07,130

time keep your eyes and ears open you

2499

01:51:10,090 --> 01:51:08,780

know find out what's really going on do

2500

01:51:12,130 --> 01:51:10,100

the best that you can you're gonna make

2501  
01:51:14,020 --> 01:51:12,140  
mistakes but you know the history we

2502  
01:51:16,840 --> 01:51:14,030  
have is already a mistake so you're not

2503  
01:51:18,400 --> 01:51:16,850  
going to go too far wrong so keep your

2504  
01:51:20,770 --> 01:51:18,410  
eyes and ears open keep reading keep

2505  
01:51:21,760 --> 01:51:20,780  
understanding keep making that it's your

2506  
01:51:24,370 --> 01:51:21,770  
it's your life

2507  
01:51:25,750 --> 01:51:24,380  
it's your opportunity to change it and

2508  
01:51:29,200 --> 01:51:25,760  
to release it to believe what's really

2509  
01:51:34,360 --> 01:51:29,210  
going on keep your powder dry there you

2510  
01:51:36,280 --> 01:51:34,370

2511
