

EPIC VOYAGES RADIO

EXTRAORDINARY PHENOMENA INVESTIGATIONS COUNCIL

Jim Marrs 3.0

1
00:00:29,269 --> 00:00:03,750
you're listening to irn the inception

2
00:00:29,279 --> 00:00:56,830
to come of age

3
00:01:09,030 --> 00:01:05,350
me

4
00:01:10,149 --> 00:01:09,040
investigations council presents epic

5
00:01:11,750 --> 00:01:10,159
voyages

6
00:01:13,590 --> 00:01:11,760
come join us as we hit her and

7
00:01:14,149 --> 00:01:13,600
experience the great mysteries of the

8
00:01:39,109 --> 00:01:14,159
world

9
00:01:39,119 --> 00:02:08,229
of it's

10
00:02:12,869 --> 00:02:10,550
hello and welcome to epic voyages radio

11
00:02:13,510 --> 00:02:12,879
i'm dr rita louise your host for this

12
00:02:15,510 --> 00:02:13,520
week

13
00:02:16,949 --> 00:02:15,520

and today we have a very special

14

00:02:19,190 --> 00:02:16,959

presentation we're going to be talking

15

00:02:22,470 --> 00:02:19,200

to jim mars about his new book

16

00:02:24,150 --> 00:02:22,480

our culted history but before we bring

17

00:02:26,070 --> 00:02:24,160

jim on i just want to

18

00:02:27,670 --> 00:02:26,080

say hi to everyone here on the inception

19

00:02:28,710 --> 00:02:27,680

radio network and remind you that you

20

00:02:31,350 --> 00:02:28,720

can listen to my show

21

00:02:31,990 --> 00:02:31,360

just energy radio every thursday evening

22

00:02:35,990 --> 00:02:32,000

from

23

00:02:38,470 --> 00:02:36,000

8 to 10 p.m eastern standard time

24

00:02:39,030 --> 00:02:38,480

and um they didn't send me any messages

25

00:02:42,229 --> 00:02:39,040

for ken

26

00:02:43,750 --> 00:02:42,239

and so i'm just going to go ahead

27

00:02:45,750 --> 00:02:43,760

and introduce jim and get them on

28

00:02:47,990 --> 00:02:45,760

because i have a million questions

29

00:02:50,710 --> 00:02:48,000

so best-selling author and legendary

30

00:02:52,949 --> 00:02:50,720

conspiracy researcher jim mars

31

00:02:55,509 --> 00:02:52,959

has investigated the recent financial

32

00:02:56,550 --> 00:02:55,519

crisis the jfk assassination and the

33

00:02:59,670 --> 00:02:56,560

national

34

00:03:02,470 --> 00:02:59,680

socialist takeover of america now

35

00:03:04,070 --> 00:03:02,480

takes on the biggest subject the history

36

00:03:06,149 --> 00:03:04,080

of mankind

37

00:03:08,149 --> 00:03:06,159

offering mind-blowing information that

38

00:03:10,309 --> 00:03:08,159

will radically alter the way we think

39

00:03:12,869 --> 00:03:10,319

about the world and our place in it

40

00:03:13,509 --> 00:03:12,879

mars goes beyond the revelations of his

41

00:03:16,229 --> 00:03:13,519

classic

42

00:03:17,229 --> 00:03:16,239

alien agenda interweaving science and

43

00:03:20,309 --> 00:03:17,239

authentic

44

00:03:21,910 --> 00:03:20,319

archaeological i like how it's

45

00:03:24,789 --> 00:03:21,920

hyphenated archaeo

46

00:03:26,630 --> 00:03:24,799

dash logical find with provocative

47

00:03:27,750 --> 00:03:26,640

speculation to show how human

48

00:03:30,309 --> 00:03:27,760

civilization

49

00:03:32,710 --> 00:03:30,319

may have originated with non-humans who

50

00:03:36,070 --> 00:03:32,720

visited earth eons go

51

00:03:40,149 --> 00:03:36,080

and may still be here today

52

00:03:43,509 --> 00:03:40,159

so from www.jimmars.com

53

00:03:45,509 --> 00:03:43,519

jim mars hey jim how are you hey doc

54

00:03:48,470 --> 00:03:45,519

it's great to be with you

55

00:03:50,470 --> 00:03:48,480

it is so good to be with you too i'm so

56

00:03:52,390 --> 00:03:50,480

happy you finally got your book done

57

00:03:53,910 --> 00:03:52,400

every time i emailed you about coming on

58

00:03:57,350 --> 00:03:53,920

my show you were like

59

00:03:58,630 --> 00:03:57,360

busy writing busy writing

60

00:04:00,229 --> 00:03:58,640

well when you have a chance to go

61

00:04:01,750 --> 00:04:00,239

through this one you're going to realize

62

00:04:05,589 --> 00:04:01,760

that it took a

63

00:04:08,070 --> 00:04:05,599

ton of research oh i have no doubt

64

00:04:08,869 --> 00:04:08,080

um but today we're going to be talking

65

00:04:11,750 --> 00:04:08,879

about your book

66

00:04:12,149 --> 00:04:11,760

our cult history and i have to tell you

67

00:04:13,990 --> 00:04:12,159

when

68

00:04:15,509 --> 00:04:14,000

ken approached me with doing this

69

00:04:16,870 --> 00:04:15,519

interview i thought we were going to be

70

00:04:21,509 --> 00:04:16,880

talking about like

71

00:04:23,670 --> 00:04:21,519

psychic phenomena and ghosts and

72

00:04:25,590 --> 00:04:23,680

yeah let me let me get some stuff yeah

73

00:04:28,310 --> 00:04:25,600

let me get something straight real quick

74

00:04:29,430 --> 00:04:28,320

uh in in my new book our cultured

75

00:04:31,350 --> 00:04:29,440

history you're not going to read

76
00:04:32,469 --> 00:04:31,360
anything about what we normally think of

77
00:04:35,430 --> 00:04:32,479
as the occult

78
00:04:37,430 --> 00:04:35,440
there's no devil worship no witches no

79
00:04:40,870 --> 00:04:37,440
vampires or zombies

80
00:04:43,990 --> 00:04:40,880
okay i use it in the

81
00:04:44,950 --> 00:04:44,000
astronomical sense in that like when the

82
00:04:47,990 --> 00:04:44,960
moon

83
00:04:51,110 --> 00:04:48,000
uh eclipses the sun that's called an

84
00:04:52,150 --> 00:04:51,120
occultation it occults the sun which

85
00:04:56,150 --> 00:04:52,160
simply means

86
00:04:58,469 --> 00:04:56,160
it hides or blocks or masks the sun

87
00:04:59,189 --> 00:04:58,479
so this is when you see our occulted

88
00:05:05,270 --> 00:04:59,199

history

89

00:05:07,430 --> 00:05:05,280

that has been kept from us and hidden

90

00:05:09,510 --> 00:05:07,440

away

91

00:05:10,469 --> 00:05:09,520

but i was really excited but this is a

92

00:05:13,990 --> 00:05:10,479

good topic too

93

00:05:17,430 --> 00:05:14,000

so you know i'm kind of like going man

94

00:05:20,550 --> 00:05:17,440

all right we'll go with this um

95

00:05:23,110 --> 00:05:20,560

but it involves all that too uh

96

00:05:24,710 --> 00:05:23,120

ufos psychic ability it's all part of

97

00:05:27,029 --> 00:05:24,720

the same energetic

98

00:05:28,790 --> 00:05:27,039

universe that we all live in and when i

99

00:05:30,230 --> 00:05:28,800

say all i'm not just talking about us

100

00:05:33,590 --> 00:05:30,240

humans

101
00:05:35,270 --> 00:05:33,600
as i'm sure you're well aware i am

102
00:05:37,590 --> 00:05:35,280
but you know what i find interesting

103
00:05:40,950 --> 00:05:37,600
when we look at artifacts from deep

104
00:05:44,310 --> 00:05:40,960
antiquity it seems as if there are a lot

105
00:05:45,830 --> 00:05:44,320
of anomalies that that we've that we

106
00:05:47,590 --> 00:05:45,840
have found that we're still

107
00:05:49,510 --> 00:05:47,600
finding what do you think of these

108
00:05:55,670 --> 00:05:49,520
anomalies

109
00:06:01,749 --> 00:05:55,680
that's a scientific term for what the

110
00:06:08,070 --> 00:06:05,189
what's this you know it doesn't fit

111
00:06:08,469 --> 00:06:08,080
okay so they said well we found only a

112
00:06:11,749 --> 00:06:08,479
few

113
00:06:13,029 --> 00:06:11,759

anomalies uh okay well that sounds great

114

00:06:15,830 --> 00:06:13,039

but uh

115

00:06:18,469 --> 00:06:15,840

it's uh kind of like looking for uh it's

116

00:06:20,710 --> 00:06:18,479

like saying that all crows are black

117

00:06:22,790 --> 00:06:20,720

but all you gotta do is find one white

118

00:06:25,029 --> 00:06:22,800

crow and you can't say that anymore

119

00:06:25,830 --> 00:06:25,039

so one anomaly can change the whole

120

00:06:28,870 --> 00:06:25,840

thing

121

00:06:30,390 --> 00:06:28,880

and yes there's anomalies all over the

122

00:06:33,670 --> 00:06:30,400

world

123

00:06:35,110 --> 00:06:33,680

that point to whole different views and

124

00:06:38,309 --> 00:06:35,120

interpretations

125

00:06:41,670 --> 00:06:38,319

of our past and our history and

126

00:06:44,710 --> 00:06:41,680

this of course addresses the major

127

00:06:45,749 --> 00:06:44,720

questions of today who are we where do

128

00:06:48,790 --> 00:06:45,759

we come from

129

00:06:50,790 --> 00:06:48,800

what are we here for where are we going

130

00:06:51,830 --> 00:06:50,800

and unfortunately because of the

131

00:06:54,950 --> 00:06:51,840

electronic

132

00:06:56,950 --> 00:06:54,960

matrix that is woven about us by

133

00:06:59,830 --> 00:06:56,960

television radio

134

00:07:00,390 --> 00:06:59,840

and they'll add computers most people

135

00:07:02,070 --> 00:07:00,400

just

136

00:07:04,950 --> 00:07:02,080

don't have the time or the energy or the

137

00:07:08,150 --> 00:07:04,960

inclination to ask those questions

138

00:07:08,950 --> 00:07:08,160

but i do and i've tried to answer them

139

00:07:12,309 --> 00:07:08,960

in my book

140

00:07:14,309 --> 00:07:12,319

or occulted history if you had to

141

00:07:17,189 --> 00:07:14,319

pick some of these anomalies i like that

142

00:07:18,390 --> 00:07:17,199

word sorry uh some of these strange

143

00:07:21,270 --> 00:07:18,400

artifacts

144

00:07:22,790 --> 00:07:21,280

that have been found which ones are your

145

00:07:26,469 --> 00:07:22,800

favorites which ones seem

146

00:07:28,469 --> 00:07:26,479

the most bizarre or out of place to you

147

00:07:30,550 --> 00:07:28,479

well i i it's kind of hard to say

148

00:07:32,550 --> 00:07:30,560

because there's so many but

149

00:07:34,070 --> 00:07:32,560

the crystal skulls have always

150

00:07:35,670 --> 00:07:34,080

fascinated me

151
00:07:37,270 --> 00:07:35,680
and the human skulls that have been

152
00:07:38,309 --> 00:07:37,280
found all around the world some with

153
00:07:40,390 --> 00:07:38,319
horns

154
00:07:42,790 --> 00:07:40,400
and some very huge and some with

155
00:07:44,790 --> 00:07:42,800
elongated heads

156
00:07:46,469 --> 00:07:44,800
but i'll tell you one that i thought was

157
00:07:49,110 --> 00:07:46,479
quite interesting and i was well aware

158
00:07:52,390 --> 00:07:49,120
of it but i didn't know of this latest

159
00:07:56,309 --> 00:07:52,400
uh activity which is these uh

160
00:07:57,749 --> 00:07:56,319
small gold uh ornaments i guess you

161
00:08:00,469 --> 00:07:57,759
could call them

162
00:08:02,550 --> 00:08:00,479
that were found down in colombia and

163
00:08:05,670 --> 00:08:02,560

have been dated back

164

00:08:07,589 --> 00:08:05,680

almost 2 000 years and uh they look

165

00:08:09,430 --> 00:08:07,599

nothing less than like a little jet

166

00:08:12,469 --> 00:08:09,440

plane they uh

167

00:08:15,430 --> 00:08:12,479

they're have delta type wings and tail

168

00:08:16,869 --> 00:08:15,440

and tail fins and even a place for a

169

00:08:18,230 --> 00:08:16,879

cockpit for you know

170

00:08:20,710 --> 00:08:18,240

but they're real small they're little

171

00:08:21,189 --> 00:08:20,720

bitty gold uh things and so of course

172

00:08:23,670 --> 00:08:21,199

the

173

00:08:25,749 --> 00:08:23,680

conventional scientists have told us

174

00:08:28,869 --> 00:08:25,759

well those were just ornamental and

175

00:08:31,189 --> 00:08:28,879

they represent in insects probably

176

00:08:32,949 --> 00:08:31,199

bees although i've never seen a bee with

177

00:08:35,990 --> 00:08:32,959

a triangular shaped

178

00:08:39,430 --> 00:08:36,000

uh wing or a tail

179

00:08:41,350 --> 00:08:39,440

but in 1996 some german researchers

180

00:08:42,709 --> 00:08:41,360

took one of these little things and they

181

00:08:45,030 --> 00:08:42,719

extrapolated it up

182

00:08:45,990 --> 00:08:45,040

use the same measurements and built a

183

00:08:49,350 --> 00:08:46,000

model

184

00:08:50,550 --> 00:08:49,360

and guess what it flew efficiently and

185

00:08:53,269 --> 00:08:50,560

perfectly

186

00:08:54,230 --> 00:08:53,279

so i think 2000 years ago somebody was

187

00:08:58,230 --> 00:08:54,240

modeling

188

00:08:59,990 --> 00:08:58,240

these uh little gold uh objects

189

00:09:01,590 --> 00:09:00,000

probably based on something that they

190

00:09:04,310 --> 00:09:01,600

saw flying in the air

191

00:09:05,030 --> 00:09:04,320

but but who was flying in the air here

192

00:09:08,389 --> 00:09:05,040

on the earth

193

00:09:10,790 --> 00:09:08,399

two thousand years ago that's uh this is

194

00:09:11,670 --> 00:09:10,800

uh it's a pretty good anomaly right

195

00:09:15,990 --> 00:09:11,680

there

196

00:09:18,389 --> 00:09:16,000

stick in my mind

197

00:09:19,670 --> 00:09:18,399

uh for example they they found a

198

00:09:23,190 --> 00:09:19,680

prehistoric

199

00:09:24,230 --> 00:09:23,200

ox skull one time that had a bullet hole

200

00:09:27,430 --> 00:09:24,240

in it

201
00:09:29,590 --> 00:09:27,440
whoops i mean they showed it to various

202
00:09:32,790 --> 00:09:29,600
forensic experts who were

203
00:09:36,310 --> 00:09:32,800
accustomed seeing bullet holes and uh

204
00:09:37,990 --> 00:09:36,320
bone tissue or bone and uh

205
00:09:40,470 --> 00:09:38,000
they said yeah it's a bullet hole you

206
00:09:43,110 --> 00:09:40,480
know and then we have an axe

207
00:09:44,949 --> 00:09:43,120
and it's very clearly a crude but

208
00:09:48,310 --> 00:09:44,959
primitive axe but nevertheless

209
00:09:49,269 --> 00:09:48,320
an axe and was found embedded inside a

210
00:09:52,550 --> 00:09:49,279
rock

211
00:09:55,190 --> 00:09:52,560
that was uh carbon dated back to almost

212
00:09:57,829 --> 00:09:55,200
a million years

213
00:10:00,070 --> 00:09:57,839

they found it just i don't know the list

214

00:10:03,110 --> 00:10:00,080

goes on and on and on

215

00:10:06,069 --> 00:10:03,120

but it clearly shows that the nice

216

00:10:07,110 --> 00:10:06,079

clean evolutionary history that we've

217

00:10:09,430 --> 00:10:07,120

been taught

218

00:10:11,430 --> 00:10:09,440

is simply not true there's something

219

00:10:13,829 --> 00:10:11,440

else going on

220

00:10:16,310 --> 00:10:13,839

so how far back do you think these

221

00:10:18,310 --> 00:10:16,320

people go

222

00:10:20,470 --> 00:10:18,320

well they have found uh they found a

223

00:10:23,430 --> 00:10:20,480

place in texas for example

224

00:10:24,310 --> 00:10:23,440

that uh i believe dated back to 20 000

225

00:10:28,389 --> 00:10:24,320

years

226

00:10:30,710 --> 00:10:28,399

see let's put it in this perspective

227

00:10:32,150 --> 00:10:30,720

uh when i was younger they they usually

228

00:10:34,470 --> 00:10:32,160

taught us that the egyptian

229

00:10:35,670 --> 00:10:34,480

civilization was the world's first great

230

00:10:37,910 --> 00:10:35,680

civilization

231

00:10:39,030 --> 00:10:37,920

and that only goes back about 5 000

232

00:10:41,670 --> 00:10:39,040

years

233

00:10:43,750 --> 00:10:41,680

um and then we find out that well wait a

234

00:10:46,790 --> 00:10:43,760

minute there was the sumerian

235

00:10:48,630 --> 00:10:46,800

civilization that predated egypt by

236

00:10:49,190 --> 00:10:48,640

several thousand years so now we're back

237

00:10:52,790 --> 00:10:49,200

to seven

238

00:10:55,030 --> 00:10:52,800

eight thousand years ago and uh

239

00:10:57,430 --> 00:10:55,040

that was probably about the time that

240

00:11:00,630 --> 00:10:57,440

the epic of gilgamesh was written

241

00:11:03,110 --> 00:11:00,640

which was a one of the world's first

242

00:11:04,150 --> 00:11:03,120

uh stories first novels i guess you

243

00:11:07,350 --> 00:11:04,160

could call it

244

00:11:09,750 --> 00:11:07,360

about the the sumerian god king

245

00:11:11,269 --> 00:11:09,760

gilgamesh and i say god king because he

246

00:11:13,829 --> 00:11:11,279

claimed to be the

247

00:11:16,150 --> 00:11:13,839

offspring of a human mother and a

248

00:11:19,269 --> 00:11:16,160

non-human father

249

00:11:21,190 --> 00:11:19,279

and in this story he and his non-human

250

00:11:25,269 --> 00:11:21,200

companion incado

251
00:11:27,110 --> 00:11:25,279
they go looking for uh the gods

252
00:11:31,190 --> 00:11:27,120
uh because they want the secret of

253
00:11:34,230 --> 00:11:31,200
immortality how to live a lot longer

254
00:11:34,870 --> 00:11:34,240
and so this this goes back a long long

255
00:11:38,069 --> 00:11:34,880
way

256
00:11:39,110 --> 00:11:38,079
and yet that's only seven eight thousand

257
00:11:41,110 --> 00:11:39,120
years ago

258
00:11:43,190 --> 00:11:41,120
and that's about the earliest record we

259
00:11:45,750 --> 00:11:43,200
have and yet

260
00:11:46,389 --> 00:11:45,760
geologists tell us and i can verify this

261
00:11:49,030 --> 00:11:46,399
because

262
00:11:50,790 --> 00:11:49,040
i was in egypt a few years ago saw this

263
00:11:53,509 --> 00:11:50,800

for myself

264

00:11:54,790 --> 00:11:53,519

around the sphinx and even some on the

265

00:11:57,990 --> 00:11:54,800

great pyramid

266

00:11:58,949 --> 00:11:58,000

is very clear evidence of vertical water

267

00:12:00,629 --> 00:11:58,959

erosion

268

00:12:02,790 --> 00:12:00,639

so in other words those two structures

269

00:12:06,230 --> 00:12:02,800

set out under heavy rain

270

00:12:08,389 --> 00:12:06,240

for many years okay and yet the same

271

00:12:11,110 --> 00:12:08,399

geologists will tell you

272

00:12:12,389 --> 00:12:11,120

that there has not been any significant

273

00:12:15,590 --> 00:12:12,399

rainfall

274

00:12:18,790 --> 00:12:15,600

on the giza plateau for more than 10

275

00:12:20,949 --> 00:12:18,800

000 years so that means the the great

276

00:12:23,590 --> 00:12:20,959

pyramid the sphinx at least

277

00:12:25,910 --> 00:12:23,600

were built more than 10 000 years ago

278

00:12:29,030 --> 00:12:25,920

well that predates the egyptians

279

00:12:30,629 --> 00:12:29,040

that even predates the sumerians so who

280

00:12:33,350 --> 00:12:30,639

built those

281

00:12:35,190 --> 00:12:33,360

and that's my questions and that's why i

282

00:12:38,550 --> 00:12:35,200

began to probe into our

283

00:12:41,750 --> 00:12:38,560

occultive history

284

00:12:44,150 --> 00:12:41,760

yeah actually i had um

285

00:12:45,910 --> 00:12:44,160

robert shock on the show and we had this

286

00:12:47,269 --> 00:12:45,920

whole conversation about the weathering

287

00:12:49,670 --> 00:12:47,279

on the sphinx

288

00:12:52,069 --> 00:12:49,680

and and the thought occurred to me you

289

00:12:55,430 --> 00:12:52,079

know because i i think sometimes

290

00:12:57,509 --> 00:12:55,440

that why would a group build a structure

291

00:12:59,430 --> 00:12:57,519

that was below surface level that was

292

00:13:02,069 --> 00:12:59,440

going to get filled up with sand every

293

00:13:04,470 --> 00:13:02,079

time the wind blew

294

00:13:05,509 --> 00:13:04,480

right you'd think they'd at least put a

295

00:13:08,550 --> 00:13:05,519

door on it

296

00:13:10,389 --> 00:13:08,560

uh but you know but the scholars there's

297

00:13:11,910 --> 00:13:10,399

really smart people

298

00:13:13,990 --> 00:13:11,920

don't like you know they don't like

299

00:13:16,310 --> 00:13:14,000

think with common sense sometimes

300

00:13:18,150 --> 00:13:16,320

no they don't and sometimes they think

301
00:13:19,910 --> 00:13:18,160
with an agenda

302
00:13:21,430 --> 00:13:19,920
and there's a reason for this and i

303
00:13:24,470 --> 00:13:21,440
actually covered this

304
00:13:27,670 --> 00:13:24,480
in my book our cultured history how

305
00:13:29,350 --> 00:13:27,680
and who they that science and

306
00:13:32,550 --> 00:13:29,360
conventional wisdom

307
00:13:33,350 --> 00:13:32,560
has blocked any investigation into all

308
00:13:35,030 --> 00:13:33,360
of this

309
00:13:36,310 --> 00:13:35,040
well we're going to get into that we're

310
00:13:37,110 --> 00:13:36,320
going to get into that we're kind of

311
00:13:40,150 --> 00:13:37,120
warming up

312
00:13:43,110 --> 00:13:40,160
the audience right right and

313
00:13:45,030 --> 00:13:43,120

uh yeah and i was also amazed when i

314

00:13:47,350 --> 00:13:45,040

visited in the great pyramid

315

00:13:48,310 --> 00:13:47,360

uh all over egypt when you go to the

316

00:13:51,350 --> 00:13:48,320

ancient

317

00:13:53,990 --> 00:13:51,360

egyptian places the temples and the

318

00:13:56,389 --> 00:13:54,000

tombs and valley of the kings every

319

00:13:58,870 --> 00:13:56,399

square inch is filled with hieroglyphics

320

00:14:00,230 --> 00:13:58,880

because the egyptians like the romans

321

00:14:02,150 --> 00:14:00,240

like the nazis

322

00:14:03,910 --> 00:14:02,160

they wrote everything down they kept

323

00:14:05,670 --> 00:14:03,920

pretty good record on everything going

324

00:14:07,829 --> 00:14:05,680

on

325

00:14:09,910 --> 00:14:07,839

and yet you get to the great pyramid and

326

00:14:12,949 --> 00:14:09,920

there's nothing in there

327

00:14:14,790 --> 00:14:12,959

it was not a tune okay

328

00:14:16,470 --> 00:14:14,800

it was something else and i tend to

329

00:14:19,829 --> 00:14:16,480

believe the

330

00:14:24,550 --> 00:14:19,839

british scientist uh who

331

00:14:28,069 --> 00:14:24,560

said it was probably a energy generator

332

00:14:30,870 --> 00:14:28,079

and yeah yeah christopher dunn

333

00:14:33,350 --> 00:14:30,880

and that leads to the idea that if that

334

00:14:36,710 --> 00:14:33,360

was a generator and maybe a

335

00:14:39,430 --> 00:14:36,720

uh energy boosting point

336

00:14:41,030 --> 00:14:39,440

and transmitter where did they transmit

337

00:14:44,150 --> 00:14:41,040

it and i submit that

338

00:14:46,389 --> 00:14:44,160

it was transmitted to other pyramidal

339

00:14:47,670 --> 00:14:46,399

transmitters all around the world

340

00:14:49,590 --> 00:14:47,680

because they have found

341

00:14:51,829 --> 00:14:49,600

pyramids and we know that the pyramids

342

00:14:54,150 --> 00:14:51,839

in central south america

343

00:14:55,189 --> 00:14:54,160

north america in the mississippi river

344

00:14:57,350 --> 00:14:55,199

valley

345

00:14:58,230 --> 00:14:57,360

ancient indian mounds in the shapes of

346

00:15:00,949 --> 00:14:58,240

pyramids

347

00:15:02,069 --> 00:15:00,959

there is a giant pyramid reported over

348

00:15:06,310 --> 00:15:02,079

in eastern europe

349

00:15:09,030 --> 00:15:06,320

in bosnia there are pyramids in china

350

00:15:09,590 --> 00:15:09,040

and they have found pyramids under the

351
00:15:12,949 --> 00:15:09,600
ocean

352
00:15:16,150 --> 00:15:12,959
off okinawa and other places

353
00:15:19,670 --> 00:15:16,160
and i i believe that that goes back to

354
00:15:22,550 --> 00:15:19,680
a previously unknown civilization that

355
00:15:25,110 --> 00:15:22,560
was pretty highly technological

356
00:15:26,150 --> 00:15:25,120
that we only know about just through

357
00:15:29,269 --> 00:15:26,160
vague

358
00:15:30,310 --> 00:15:29,279
legends and myths such as the story of

359
00:15:33,269 --> 00:15:30,320
atlantis

360
00:15:35,030 --> 00:15:33,279
or moo and i think and of course

361
00:15:37,749 --> 00:15:35,040
everybody argues about well where was

362
00:15:39,110 --> 00:15:37,759
atlantis and one school of thought is it

363
00:15:41,030 --> 00:15:39,120

was in the middle a big island the

364

00:15:43,829 --> 00:15:41,040

middle of the atlantic another says no

365

00:15:46,710 --> 00:15:43,839

it was uh antarctica before the pole

366

00:15:49,189 --> 00:15:46,720

shifted and antarctica went under ice

367

00:15:49,990 --> 00:15:49,199

and now another theory is it was in the

368

00:15:52,949 --> 00:15:50,000

south

369

00:15:54,949 --> 00:15:52,959

china sea another one says no it was the

370

00:15:57,590 --> 00:15:54,959

island of santorini it was

371

00:15:59,829 --> 00:15:57,600

you know and another and so another the

372

00:16:02,870 --> 00:15:59,839

theory is it was in the mediterranean

373

00:16:05,749 --> 00:16:02,880

and uh dr louise i think

374

00:16:08,150 --> 00:16:05,759

they were all correct they're all right

375

00:16:10,230 --> 00:16:08,160

this is just another example of the old

376

00:16:11,990 --> 00:16:10,240

story of the blind men and the elephant

377

00:16:13,829 --> 00:16:12,000

they've all got a piece of it but they

378

00:16:15,269 --> 00:16:13,839

haven't quite put it all together

379

00:16:18,550 --> 00:16:15,279

to see the big picture in the big

380

00:16:20,949 --> 00:16:18,560

picture is there was a worldwide highly

381

00:16:23,990 --> 00:16:20,959

technological civilization

382

00:16:27,350 --> 00:16:24,000

long before i recorded history

383

00:16:29,269 --> 00:16:27,360

okay so what happened to it okay but i

384

00:16:30,150 --> 00:16:29,279

have one more question before we go

385

00:16:33,350 --> 00:16:30,160

there

386

00:16:34,629 --> 00:16:33,360

one more question because i was watching

387

00:16:39,430 --> 00:16:34,639

your presentation

388

00:16:42,710 --> 00:16:39,440

um that when you're at epic voyages

389

00:16:45,829 --> 00:16:42,720

voyagers and you talked about um

390

00:16:47,430 --> 00:16:45,839

how the moon and mars and particularly

391

00:16:48,790 --> 00:16:47,440

the moon and i wrote the name now and

392

00:16:52,230 --> 00:16:48,800

then i lost the paper

393

00:16:56,949 --> 00:16:52,240

the moon of jupiter might be hollow

394

00:17:03,110 --> 00:17:00,550

well for one thing let's take our own

395

00:17:07,990 --> 00:17:05,429

when the uh one of the apollo missions

396

00:17:12,069 --> 00:17:08,000

dropped their lunar lander back onto the

397

00:17:15,350 --> 00:17:12,079

uh moon surface uh seismic equipment

398

00:17:16,549 --> 00:17:15,360

picked up vibrations and and nasa

399

00:17:19,110 --> 00:17:16,559

officials

400

00:17:19,669 --> 00:17:19,120

uh told the news media that the moon

401
00:17:23,429 --> 00:17:19,679
rang

402
00:17:26,789 --> 00:17:23,439
like a bell for hours maybe up to six

403
00:17:28,390 --> 00:17:26,799
eight hours now that indicates it's

404
00:17:31,430 --> 00:17:28,400
hollow

405
00:17:34,549 --> 00:17:31,440
and we do know for sure that uh the

406
00:17:35,830 --> 00:17:34,559
more dense material is on the outside of

407
00:17:38,150 --> 00:17:35,840
the moon

408
00:17:40,549 --> 00:17:38,160
uh and yet why don't we know more about

409
00:17:42,630 --> 00:17:40,559
this well because carl sagan

410
00:17:44,070 --> 00:17:42,640
who early in his career along with some

411
00:17:46,390 --> 00:17:44,080
russian scientists

412
00:17:47,430 --> 00:17:46,400
were claiming that perhaps the moon of

413
00:17:50,950 --> 00:17:47,440

mars

414

00:17:54,710 --> 00:17:50,960

uh phobos was actually a

415

00:17:57,990 --> 00:17:54,720

hollow object but as he pointed out

416

00:18:01,029 --> 00:17:58,000

a hollow object cannot be a natural

417

00:18:03,590 --> 00:18:01,039

object and since uh you know

418

00:18:04,950 --> 00:18:03,600

we're nobody wants to admit that we may

419

00:18:07,669 --> 00:18:04,960

not be alone

420

00:18:08,789 --> 00:18:07,679

in the cosmos at least no one in

421

00:18:11,909 --> 00:18:08,799

authority

422

00:18:13,350 --> 00:18:11,919

then we just won't talk about that well

423

00:18:16,789 --> 00:18:13,360

you know what was interesting

424

00:18:18,789 --> 00:18:16,799

i watched that part especially the

425

00:18:20,390 --> 00:18:18,799

the moon around jupiter all right hang

426

00:18:23,669 --> 00:18:20,400

on

427

00:18:25,430 --> 00:18:23,679

yeah and it had that big seam you know

428

00:18:27,510 --> 00:18:25,440

where it looked like they took you know

429

00:18:28,390 --> 00:18:27,520

two halves of a ball and just stuck it

430

00:18:31,430 --> 00:18:28,400

together

431

00:18:33,430 --> 00:18:31,440

really crappy yeah yeah it looks like a

432

00:18:35,110 --> 00:18:33,440

walnut or something you know but

433

00:18:37,510 --> 00:18:35,120

i think you know what it reminds me of

434

00:18:39,590 --> 00:18:37,520

is when i see the close-up pictures

435

00:18:41,590 --> 00:18:39,600

and what people what we're talking about

436

00:18:44,549 --> 00:18:41,600

here is the moon of jupiter

437

00:18:46,470 --> 00:18:44,559

and it's got a like a mountain range

438

00:18:48,150 --> 00:18:46,480

which we've all seen a mountain range

439

00:18:50,710 --> 00:18:48,160

but i bet you've never seen one that

440

00:18:53,190 --> 00:18:50,720

goes strictly around the equator of a

441

00:18:54,150 --> 00:18:53,200

of a heavenly body and it just goes

442

00:18:56,710 --> 00:18:54,160

right around

443

00:18:57,590 --> 00:18:56,720

this entire moon and it reminds me

444

00:19:01,669 --> 00:18:57,600

nothing

445

00:19:04,870 --> 00:19:01,679

less than the wall on king kong island

446

00:19:05,909 --> 00:19:04,880

you know it's like this big structure

447

00:19:07,669 --> 00:19:05,919

there

448

00:19:08,950 --> 00:19:07,679

and it's hard to imagine that something

449

00:19:12,870 --> 00:19:08,960

like that just occurs

450

00:19:15,909 --> 00:19:12,880

naturally in fact we get right to it

451
00:19:16,870 --> 00:19:15,919
uh isaac asimov the famous scientist and

452
00:19:20,230 --> 00:19:16,880
writer

453
00:19:22,070 --> 00:19:20,240
uh talking about our own moon

454
00:19:23,350 --> 00:19:22,080
said well you know it shouldn't be where

455
00:19:30,710 --> 00:19:23,360
it is

456
00:19:33,750 --> 00:19:30,720
uh circular logic going on which is

457
00:19:35,669 --> 00:19:33,760
uh how did the moon get there well

458
00:19:37,350 --> 00:19:35,679
we i was taught early on that the moon

459
00:19:40,070 --> 00:19:37,360
had broken away from the earth

460
00:19:41,510 --> 00:19:40,080
but this was before we went there after

461
00:19:42,310 --> 00:19:41,520
we went to the moon we found out the

462
00:19:45,029 --> 00:19:42,320
composition

463
00:19:46,549 --> 00:19:45,039

of moon rocks was different than that of

464

00:19:48,310 --> 00:19:46,559

earth rock so now we know

465

00:19:49,830 --> 00:19:48,320

it didn't break away from the earth it

466

00:19:51,669 --> 00:19:49,840

came from somewhere else

467

00:19:53,909 --> 00:19:51,679

so picture of the earth hanging in space

468

00:19:55,669 --> 00:19:53,919

here comes the moon flying by

469

00:19:57,190 --> 00:19:55,679

gets caught in the gravitational field

470

00:19:59,350 --> 00:19:57,200

of the earth

471

00:20:01,029 --> 00:19:59,360

and gets pulled back okay and it goes

472

00:20:02,230 --> 00:20:01,039

past the earth again gets caught in the

473

00:20:04,549 --> 00:20:02,240

gravitational field

474

00:20:05,990 --> 00:20:04,559

it's pulled back again and this goes on

475

00:20:09,430 --> 00:20:06,000

for a million years or however

476

00:20:12,870 --> 00:20:09,440

long and as a result you should have

477

00:20:15,350 --> 00:20:12,880

an elliptical orbit around the earth

478

00:20:17,110 --> 00:20:15,360

probably wobbly okay especially since we

479

00:20:19,990 --> 00:20:17,120

know the center of gravity

480

00:20:20,390 --> 00:20:20,000

of the moon is like two miles from its

481

00:20:23,590 --> 00:20:20,400

uh

482

00:20:26,390 --> 00:20:23,600

absolute center well if you take a ball

483

00:20:27,990 --> 00:20:26,400

and the center the ball is off center

484

00:20:28,710 --> 00:20:28,000

and you try to roll it on the floor it's

485

00:20:30,310 --> 00:20:28,720

not going to roll

486

00:20:32,390 --> 00:20:30,320

straight line it's going to wobble all

487

00:20:32,830 --> 00:20:32,400

over the place so the moon should be in

488

00:20:35,990 --> 00:20:32,840

the

489

00:20:40,390 --> 00:20:36,000

elliptical wobbly orbit but

490

00:20:43,750 --> 00:20:40,400

no it's in a near perfect circular orbit

491

00:20:46,070 --> 00:20:43,760

right around the equator of the earth

492

00:20:47,750 --> 00:20:46,080

with only a slight perturbation that it

493

00:20:49,909 --> 00:20:47,760

just happens to match

494

00:20:50,789 --> 00:20:49,919

the same perturbation in the earth's

495

00:20:52,870 --> 00:20:50,799

orbit

496

00:20:54,230 --> 00:20:52,880

and it's stationary one side's always

497

00:20:57,270 --> 00:20:54,240

facing the earth

498

00:20:58,230 --> 00:20:57,280

and it's just the proper distance from

499

00:21:01,590 --> 00:20:58,240

the earth

500

00:21:04,710 --> 00:21:01,600

so that when there is a an eclipse

501
00:21:06,950 --> 00:21:04,720
with the sun it perfectly covers just

502
00:21:10,310 --> 00:21:06,960
the corona of the sun

503
00:21:12,549 --> 00:21:10,320
uh how's it possible well it's not

504
00:21:13,909 --> 00:21:12,559
but our in our circular logic though we

505
00:21:17,190 --> 00:21:13,919
say well

506
00:21:18,310 --> 00:21:17,200
um we know we did the only way that

507
00:21:20,630 --> 00:21:18,320
could happen

508
00:21:21,669 --> 00:21:20,640
is for some intelligence to have parked

509
00:21:23,750 --> 00:21:21,679
it there

510
00:21:24,789 --> 00:21:23,760
but we know that the moon's been there

511
00:21:28,149 --> 00:21:24,799
as far back as

512
00:21:30,310 --> 00:21:28,159
human history uh records ago so and we

513
00:21:31,830 --> 00:21:30,320

know so we know we didn't do it

514

00:21:33,909 --> 00:21:31,840

and of course we all know there's no

515

00:21:38,149 --> 00:21:33,919

such thing as aliens

516

00:21:39,990 --> 00:21:38,159

so again we just won't talk about this

517

00:21:42,390 --> 00:21:40,000

see if it was my kids asking i would

518

00:21:45,990 --> 00:21:42,400

just say god made it that way

519

00:21:48,230 --> 00:21:46,000

yeah exactly but but what was

520

00:21:49,909 --> 00:21:48,240

interesting to me when i saw that image

521

00:21:51,110 --> 00:21:49,919

with the scene and you talking about

522

00:21:52,950 --> 00:21:51,120

that whole thing

523

00:21:54,230 --> 00:21:52,960

one of the things that they talk about

524

00:21:57,350 --> 00:21:54,240

in mythology is

525

00:22:01,110 --> 00:21:57,360

about this group of progenitor gods

526

00:22:05,110 --> 00:22:01,120

that that arrive in the cosmic egg

527

00:22:08,390 --> 00:22:05,120

and i'm like hmm sounds kind of

528

00:22:09,990 --> 00:22:08,400

cosmic egg like you know because i was

529

00:22:11,590 --> 00:22:10,000

showing that picture to my husband he

530

00:22:13,110 --> 00:22:11,600

was like yeah yeah yeah i go yeah but

531

00:22:14,870 --> 00:22:13,120

think cosmic egg

532

00:22:16,149 --> 00:22:14,880

and you can see this little light bulb

533

00:22:19,510 --> 00:22:16,159

go oh

534

00:22:21,110 --> 00:22:19,520

so yes and and in fact just think about

535

00:22:24,470 --> 00:22:21,120

it if we wanted to build a

536

00:22:26,789 --> 00:22:24,480

giant craft to carry a lot of people

537

00:22:29,110 --> 00:22:26,799

uh through space just think how much

538

00:22:32,149 --> 00:22:29,120

time and effort would it would take

539

00:22:35,909 --> 00:22:32,159

to manufacture and fabricate some

540

00:22:37,190 --> 00:22:35,919

gigantic edifice artifact out in space

541

00:22:41,350 --> 00:22:37,200

somewhere

542

00:22:44,549 --> 00:22:41,360

when you could take a an asteroid

543

00:22:47,990 --> 00:22:44,559

and uh using drilling equipment

544

00:22:51,430 --> 00:22:48,000

explosives maybe or better yet

545

00:22:54,789 --> 00:22:51,440

melting you know laser type

546

00:22:58,070 --> 00:22:54,799

equipment and you hollow it out and

547

00:23:00,310 --> 00:22:58,080

you've got a ready-made uh

548

00:23:02,070 --> 00:23:00,320

superstructure you got a ready-made

549

00:23:03,190 --> 00:23:02,080

conveyance all you got to do is get it

550

00:23:05,029 --> 00:23:03,200

propelled

551
00:23:06,470 --> 00:23:05,039
some way and just send it on its way

552
00:23:07,350 --> 00:23:06,480
make sure you got plenty of air and

553
00:23:09,190 --> 00:23:07,360
water and

554
00:23:10,630 --> 00:23:09,200
everything inside and you can transport

555
00:23:13,750 --> 00:23:10,640
people all around the

556
00:23:14,070 --> 00:23:13,760
universe in fact what is known a fact is

557
00:23:16,710 --> 00:23:14,080
that

558
00:23:17,750 --> 00:23:16,720
on one side of the moon there's a bulge

559
00:23:20,630 --> 00:23:17,760
and there's just

560
00:23:21,510 --> 00:23:20,640
heavier materials there on this one side

561
00:23:23,990 --> 00:23:21,520
of the moon

562
00:23:25,350 --> 00:23:24,000
and and i always think of it is the bugs

563
00:23:27,270 --> 00:23:25,360

on the windshield

564

00:23:29,270 --> 00:23:27,280

he says this thing travels through space

565

00:23:33,029 --> 00:23:29,280

it's picking up debris and

566

00:23:35,669 --> 00:23:33,039

dust and all kinds of stuff right

567

00:23:36,149 --> 00:23:35,679

that accounts for the bulge on the moon

568

00:23:38,630 --> 00:23:36,159

well

569

00:23:41,350 --> 00:23:38,640

but it's so big that there could be

570

00:23:43,350 --> 00:23:41,360

hydroponic gardens and some kind of

571

00:23:45,669 --> 00:23:43,360

artificial sunlight or

572

00:23:47,430 --> 00:23:45,679

whatever they need i mean if it's if

573

00:23:49,029 --> 00:23:47,440

it's as big as a moon

574

00:23:50,549 --> 00:23:49,039

it's not like you're trying to stick

575

00:23:53,029 --> 00:23:50,559

your apartment in there

576
00:23:53,669 --> 00:23:53,039
i mean there's a lot of room that's

577
00:23:57,269 --> 00:23:53,679
right

578
00:23:59,909 --> 00:23:57,279
like a little inner earth

579
00:24:01,590 --> 00:23:59,919
type thing and what's interesting is is

580
00:24:04,070 --> 00:24:01,600
that one time i had the occasion to have

581
00:24:07,190 --> 00:24:04,080
a conversation with dr edgar mitchell

582
00:24:09,350 --> 00:24:07,200
the sixth astronaut to walk on the moon

583
00:24:10,390 --> 00:24:09,360
and i just asked him i said uh dr

584
00:24:12,149 --> 00:24:10,400
mitchell uh

585
00:24:13,430 --> 00:24:12,159
what do you think about the i did the

586
00:24:15,190 --> 00:24:13,440
moon's hollow

587
00:24:16,950 --> 00:24:15,200
and he kind of laughed he said no no the

588
00:24:18,710 --> 00:24:16,960

moon's not hollow

589

00:24:20,549 --> 00:24:18,720

and then he went on though to say that

590

00:24:22,230 --> 00:24:20,559

well however we do

591

00:24:24,390 --> 00:24:22,240

he he mentioned same thing i mentioned

592

00:24:25,350 --> 00:24:24,400

which is the more dense materials on the

593

00:24:27,190 --> 00:24:25,360

outside

594

00:24:29,430 --> 00:24:27,200

and he says we we do believe that

595

00:24:31,990 --> 00:24:29,440

perhaps there are giant caverns

596

00:24:34,149 --> 00:24:32,000

within the moon and of course i'm here's

597

00:24:35,430 --> 00:24:34,159

a great hero of space i didn't want to

598

00:24:38,390 --> 00:24:35,440

get in his face but

599

00:24:39,990 --> 00:24:38,400

i'm thinking hey you know giant caverns

600

00:24:41,830 --> 00:24:40,000

in the moon holla moon what's the

601
00:24:46,390 --> 00:24:41,840
difference

602
00:24:47,830 --> 00:24:46,400
got a lot of empty space in there

603
00:24:49,750 --> 00:24:47,840
all right so i'm going to kind of switch

604
00:24:50,630 --> 00:24:49,760
gears and get to the good stuff or to me

605
00:24:53,669 --> 00:24:50,640
the good stuff

606
00:24:56,149 --> 00:24:53,679
so i'm going to make this statement i

607
00:24:58,230 --> 00:24:56,159
will concede for myself and my listeners

608
00:25:01,350 --> 00:24:58,240
to the fact that ets were here

609
00:25:03,269 --> 00:25:01,360
on earth in our past so the question

610
00:25:04,470 --> 00:25:03,279
i'm going to ask and where i want to

611
00:25:09,510 --> 00:25:04,480
move forward from

612
00:25:13,909 --> 00:25:11,269
well you know what that's a good

613
00:25:15,510 --> 00:25:13,919

question i think i can answer that

614

00:25:17,590 --> 00:25:15,520

because if we assume

615

00:25:18,630 --> 00:25:17,600

that these ancient stories from all over

616

00:25:22,070 --> 00:25:18,640

the world

617

00:25:24,630 --> 00:25:22,080

the aborigines in uh australia

618

00:25:26,390 --> 00:25:24,640

gogong tribe in africa the ancient

619

00:25:30,149 --> 00:25:26,400

chinese levels and

620

00:25:33,269 --> 00:25:30,159

legends the uh vedas from uh

621

00:25:36,630 --> 00:25:33,279

india uh all over the world

622

00:25:38,630 --> 00:25:36,640

uh is the same story uh the mayans

623

00:25:40,070 --> 00:25:38,640

aztecs they all said the gods came from

624

00:25:41,830 --> 00:25:40,080

the sky

625

00:25:43,190 --> 00:25:41,840

and taught himself so let's assume just

626

00:25:44,950 --> 00:25:43,200

for the sake of argument

627

00:25:47,110 --> 00:25:44,960

that they were telling us the truth is

628

00:25:48,590 --> 00:25:47,120

they knew it and there were these

629

00:25:50,950 --> 00:25:48,600

ancient astronauts these

630

00:25:54,470 --> 00:25:50,960

extraterrestrials on the earth

631

00:25:56,070 --> 00:25:54,480

way back uh before our recorded history

632

00:25:58,070 --> 00:25:56,080

but certainly before western

633

00:26:01,830 --> 00:25:58,080

civilization finally

634

00:26:02,710 --> 00:26:01,840

evolved along okay so the question is as

635

00:26:04,950 --> 00:26:02,720

you said

636

00:26:05,909 --> 00:26:04,960

are they still here or did they all

637

00:26:08,390 --> 00:26:05,919

leave

638

00:26:10,310 --> 00:26:08,400

okay how do we answer you look at

639

00:26:14,070 --> 00:26:10,320

history the history that we do

640

00:26:16,390 --> 00:26:14,080

know okay if as we are taught

641

00:26:18,230 --> 00:26:16,400

human history has simply been one slow

642

00:26:20,870 --> 00:26:18,240

evolutionary climb

643

00:26:22,470 --> 00:26:20,880

from cave dwellers to hunter-gatherers

644

00:26:25,990 --> 00:26:22,480

to

645

00:26:27,350 --> 00:26:26,000

cities city-states nations empires

646

00:26:29,430 --> 00:26:27,360

then there should be nothing on the

647

00:26:32,870 --> 00:26:29,440

record except just that

648

00:26:35,430 --> 00:26:32,880

slow movement upward of civilization

649

00:26:37,269 --> 00:26:35,440

but it's not really what we find if you

650

00:26:39,510 --> 00:26:37,279

look at history closely

651
00:26:41,990 --> 00:26:39,520
you can go back to the bible hear about

652
00:26:44,870 --> 00:26:42,000
ezekiel talking about the fiery wheel

653
00:26:45,430 --> 00:26:44,880
that flies through the sky lands picks

654
00:26:47,909 --> 00:26:45,440
him up

655
00:26:48,710 --> 00:26:47,919
takes him to a city in the mountains

656
00:26:51,430 --> 00:26:48,720
okay

657
00:26:52,710 --> 00:26:51,440
uh he you can take the sumerian accounts

658
00:26:54,549 --> 00:26:52,720
of the anunnaki

659
00:26:56,390 --> 00:26:54,559
who arrived from a world they called

660
00:26:58,390 --> 00:26:56,400
nibiru

661
00:26:59,909 --> 00:26:58,400
you know came through the great bracelet

662
00:27:03,430 --> 00:26:59,919
of the asteroid belt

663
00:27:05,830 --> 00:27:03,440

landed in the persian gulf you can take

664

00:27:06,630 --> 00:27:05,840

you know all of these stories and you

665

00:27:09,269 --> 00:27:06,640

can then

666

00:27:11,029 --> 00:27:09,279

bring it right on up to the flying uh

667

00:27:13,190 --> 00:27:11,039

boats of the egyptians the flying

668

00:27:16,310 --> 00:27:13,200

dragons of the chinese the

669

00:27:18,630 --> 00:27:16,320

the the bayamas of the vedas

670

00:27:21,110 --> 00:27:18,640

that were fly through the air and loose

671

00:27:23,669 --> 00:27:21,120

weapons it could destroy a whole city

672

00:27:25,590 --> 00:27:23,679

in one mighty blast and then that brings

673

00:27:26,950 --> 00:27:25,600

up sodom and gomorrah which apparently

674

00:27:28,710 --> 00:27:26,960

were destroyed by

675

00:27:30,549 --> 00:27:28,720

something that certainly resembles an

676
00:27:32,230 --> 00:27:30,559
atomic bomb

677
00:27:34,310 --> 00:27:32,240
and then you come on up through the

678
00:27:36,549 --> 00:27:34,320
flying shields of the romans

679
00:27:38,149 --> 00:27:36,559
and then you get on up into the the

680
00:27:41,830 --> 00:27:38,159
great airship mystery

681
00:27:43,750 --> 00:27:41,840
of the 1896 1897 which was years before

682
00:27:45,990 --> 00:27:43,760
the wright brothers ever flew

683
00:27:48,389 --> 00:27:46,000
there was nothing man-made in the air

684
00:27:49,990 --> 00:27:48,399
then you come on up to the ufo phenomena

685
00:27:52,789 --> 00:27:50,000
which is still with us

686
00:27:53,990 --> 00:27:52,799
uh you got cattle mutilations uh you've

687
00:27:57,110 --> 00:27:54,000
got the abduction

688
00:27:58,870 --> 00:27:57,120

issue uh you've got the crop circles

689

00:28:03,909 --> 00:27:58,880

oh wait a minute did that answer your

690

00:28:08,230 --> 00:28:06,870

well yeah i i i mean i think so but i

691

00:28:10,630 --> 00:28:08,240

just want to see what you had

692

00:28:12,310 --> 00:28:10,640

what you thought about it okay now you

693

00:28:14,149 --> 00:28:12,320

know the question becomes well then if

694

00:28:16,549 --> 00:28:14,159

there's some of them still here where

695

00:28:19,269 --> 00:28:16,559

are they and what are they up to

696

00:28:21,269 --> 00:28:19,279

well that was my next question so well

697

00:28:22,710 --> 00:28:21,279

this is what i've done in my new book

698

00:28:26,789 --> 00:28:22,720

our culture and history

699

00:28:27,750 --> 00:28:26,799

i have tied that subject of ancient

700

00:28:29,269 --> 00:28:27,760

astronauts

701

00:28:31,350 --> 00:28:29,279

which is seem to be growing in

702

00:28:34,070 --> 00:28:31,360

popularity as more and more people

703

00:28:34,789 --> 00:28:34,080

become not only aware of this issue but

704

00:28:36,789 --> 00:28:34,799

of the

705

00:28:37,830 --> 00:28:36,799

factual matters the artifacts the

706

00:28:40,870 --> 00:28:37,840

anomalies

707

00:28:43,830 --> 00:28:40,880

shall we say that support that

708

00:28:45,669 --> 00:28:43,840

and i have tied it with another issue

709

00:28:46,710 --> 00:28:45,679

which a lot of people are well aware of

710

00:28:50,070 --> 00:28:46,720

and are very interested

711

00:28:53,590 --> 00:28:50,080

in which is the new world order

712

00:28:56,389 --> 00:28:53,600

or the illuminati or the one percent as

713

00:28:58,549 --> 00:28:56,399

the occupy movement people say

714

00:28:59,750 --> 00:28:58,559

in other words a small handful of

715

00:29:03,110 --> 00:28:59,760

individuals

716

00:29:06,549 --> 00:29:03,120

who are beyond wealthy

717

00:29:10,470 --> 00:29:06,559

and powerful and who are obviously

718

00:29:13,830 --> 00:29:10,480

trying to gain control economically

719

00:29:17,350 --> 00:29:13,840

politically and socially uh over

720

00:29:20,470 --> 00:29:19,830

there was a little video thing that

721

00:29:22,630 --> 00:29:20,480

showed

722

00:29:24,950 --> 00:29:22,640

like wealth distribution and like what

723

00:29:27,269 --> 00:29:24,960

people think the wealth distribution is

724

00:29:27,909 --> 00:29:27,279

and what the ideal wealth distribution

725

00:29:29,909 --> 00:29:27,919

was

726

00:29:31,750 --> 00:29:29,919

and then the reality of the wealth

727

00:29:33,990 --> 00:29:31,760

distribution and i don't remember

728

00:29:35,909 --> 00:29:34,000

exactly what it it said but it was it

729

00:29:38,549 --> 00:29:35,919

was something to the effect of

730

00:29:40,470 --> 00:29:38,559

that one percent that you know those

731

00:29:43,669 --> 00:29:40,480

those three people

732

00:29:44,549 --> 00:29:43,679

control like 90 of the money on the

733

00:29:48,070 --> 00:29:44,559

planet

734

00:29:50,389 --> 00:29:48,080

and it was just overwhelming um

735

00:29:52,149 --> 00:29:50,399

because when i looked on the chart we

736

00:29:53,990 --> 00:29:52,159

kind of didn't even have a little bar on

737

00:29:55,990 --> 00:29:54,000

the bar graph anymore

738

00:29:58,470 --> 00:29:56,000

we're barely there well this was all

739

00:30:02,230 --> 00:29:58,480

confirmed by the way and i cover this

740

00:30:04,230 --> 00:30:02,240

in my book our cultured history in 2011

741

00:30:05,830 --> 00:30:04,240

there was a study by the swiss federal

742

00:30:09,110 --> 00:30:05,840

institute of technology

743

00:30:11,909 --> 00:30:09,120

and they made a study of 43 000

744

00:30:14,310 --> 00:30:11,919

multinational corporations and found

745

00:30:18,149 --> 00:30:14,320

that they were all controlled by

746

00:30:19,990 --> 00:30:18,159

a mere 1 318 companies that with

747

00:30:21,269 --> 00:30:20,000

interlocking ownership and these

748

00:30:24,470 --> 00:30:21,279

companies in turn

749

00:30:28,230 --> 00:30:24,480

were controlled by only 147

750

00:30:30,870 --> 00:30:28,240

firms with interlocking uh con ownership

751

00:30:32,789 --> 00:30:30,880

and directorates which in turn were

752

00:30:36,549 --> 00:30:32,799

pretty much under control of about

753

00:30:40,389 --> 00:30:36,559

20 institutions most of them banks

754

00:30:43,510 --> 00:30:40,399

and that this pyramidal

755

00:30:46,789 --> 00:30:43,520

shape of power controlled more than

756

00:30:49,269 --> 00:30:46,799

60 percent of global revenues

757

00:30:51,190 --> 00:30:49,279

they've just about got the whole world

758

00:30:52,950 --> 00:30:51,200

and what's really amazing is is they

759

00:30:55,990 --> 00:30:52,960

pointed out in this study

760

00:30:59,430 --> 00:30:56,000

that they did not analyze

761

00:31:02,070 --> 00:30:59,440

family social or business relationships

762

00:31:04,950 --> 00:31:02,080

of the owners and stockholders

763

00:31:05,669 --> 00:31:04,960

and what i'm talking about here is that

764

00:31:09,909 --> 00:31:05,679

if uh

765

00:31:12,070 --> 00:31:09,919

let's say i own uh five percent

766

00:31:13,990 --> 00:31:12,080

of a corporation well most people say

767

00:31:14,630 --> 00:31:14,000

well you got to have 51 percent

768

00:31:17,029 --> 00:31:14,640

ownership

769

00:31:18,149 --> 00:31:17,039

you can't control it but wait a minute

770

00:31:20,789 --> 00:31:18,159

what if i own

771

00:31:21,509 --> 00:31:20,799

five percent of this corporation and my

772

00:31:23,990 --> 00:31:21,519

wife

773

00:31:24,950 --> 00:31:24,000

owns another five percent so

774

00:31:27,669 --> 00:31:24,960

collectively

775

00:31:28,630 --> 00:31:27,679

we own ten percent and no other

776
00:31:32,310 --> 00:31:28,640
stockholder

777
00:31:35,590 --> 00:31:32,320
owns more than six percent we

778
00:31:37,669 --> 00:31:35,600
control the corporation and that's how

779
00:31:40,710 --> 00:31:37,679
you this small group of people

780
00:31:43,590 --> 00:31:40,720
can control everything plus they control

781
00:31:43,990 --> 00:31:43,600
through economic entities that no one

782
00:31:47,269 --> 00:31:44,000
has

783
00:31:48,710 --> 00:31:47,279
even really ever heard of for example

784
00:31:51,909 --> 00:31:48,720
i'll bet you've never heard of the

785
00:31:55,590 --> 00:31:51,919
exchange stabilization fund

786
00:31:59,190 --> 00:31:55,600
this was created during the depression

787
00:32:00,070 --> 00:31:59,200
and it is a offshoot of the treasury

788
00:32:03,430 --> 00:32:00,080

department

789

00:32:06,470 --> 00:32:03,440

but it is not subject to any u.s laws

790

00:32:11,190 --> 00:32:06,480

or to the u.s constitution and

791

00:32:14,870 --> 00:32:13,190

all kinds of things between the banks

792

00:32:17,350 --> 00:32:14,880

major banks of the world

793

00:32:18,870 --> 00:32:17,360

they also control the federal this this

794

00:32:21,190 --> 00:32:18,880

esf

795

00:32:22,870 --> 00:32:21,200

controls the federal reserve bank of new

796

00:32:24,389 --> 00:32:22,880

york which if you know anything about

797

00:32:27,430 --> 00:32:24,399

the federal reserve system

798

00:32:29,669 --> 00:32:27,440

pretty well dominates and sets the pace

799

00:32:31,350 --> 00:32:29,679

for the entire federal reserve system

800

00:32:32,389 --> 00:32:31,360

they've also handled all the

801
00:32:35,990 --> 00:32:32,399
government's black

802
00:32:38,070 --> 00:32:36,000
budgets such as the cia the nsa the

803
00:32:39,590 --> 00:32:38,080
money the huge millions and trillions

804
00:32:40,870 --> 00:32:39,600
that they want off the books

805
00:32:43,350 --> 00:32:40,880
is handled through the exchange

806
00:32:45,269 --> 00:32:43,360
stabilization fund they also were the

807
00:32:48,470 --> 00:32:45,279
creators of the international

808
00:32:51,509 --> 00:32:48,480
monetary fund in the world bank those

809
00:32:52,230 --> 00:32:51,519
incredible outfits that we hear so much

810
00:32:54,070 --> 00:32:52,240
about

811
00:32:56,870 --> 00:32:54,080
and in fact there are those who have

812
00:32:58,950 --> 00:32:56,880
claimed that the esf has been directly

813
00:32:59,909 --> 00:32:58,960

involved in virtually every major u.s

814

00:33:03,029 --> 00:32:59,919

scandal

815

00:33:05,430 --> 00:33:03,039

since its creation in 1934 to include

816

00:33:06,149 --> 00:33:05,440

cia drug trafficking the iran contra

817

00:33:09,190 --> 00:33:06,159

scandal

818

00:33:12,149 --> 00:33:09,200

and even the jfk assassination

819

00:33:13,669 --> 00:33:12,159

another such entity is the financial

820

00:33:15,750 --> 00:33:13,679

stability board

821

00:33:17,350 --> 00:33:15,760

this was something that was signed up to

822

00:33:20,950 --> 00:33:17,360

by president obama

823

00:33:23,029 --> 00:33:20,960

in 2006 uh at the g20

824

00:33:25,909 --> 00:33:23,039

meeting with the g20 that's simply the

825

00:33:28,470 --> 00:33:25,919

20 biggest industrial nations

826

00:33:29,110 --> 00:33:28,480

and the g20 is when all of their central

827

00:33:32,149 --> 00:33:29,120

bankers

828

00:33:32,950 --> 00:33:32,159

get together all right and they at that

829

00:33:35,590 --> 00:33:32,960

time

830

00:33:37,269 --> 00:33:35,600

they took a component of the old bank

831

00:33:39,750 --> 00:33:37,279

for international settlements

832

00:33:41,110 --> 00:33:39,760

which if you've read my book the rise of

833

00:33:44,549 --> 00:33:41,120

the fourth reich

834

00:33:45,029 --> 00:33:44,559

was a nazi dominated bank and created

835

00:33:47,830 --> 00:33:45,039

before

836

00:33:49,269 --> 00:33:47,840

world war ii to keep the money safe for

837

00:33:53,509 --> 00:33:49,279

the big boys

838

00:33:56,470 --> 00:33:53,519

and they had the financial stability

839

00:33:58,950 --> 00:33:56,480

forum and then in 2006 they changed the

840

00:34:01,830 --> 00:33:58,960

name to the financial stability

841

00:34:02,470 --> 00:34:01,840

board and obama signed the united states

842

00:34:05,669 --> 00:34:02,480

up

843

00:34:07,350 --> 00:34:05,679

and uh the whole idea was to standardize

844

00:34:10,550 --> 00:34:07,360

economic policies

845

00:34:12,629 --> 00:34:10,560

among these g20 nations and so now

846

00:34:14,069 --> 00:34:12,639

the federal the financial stability

847

00:34:16,629 --> 00:34:14,079

board of which no one has

848

00:34:18,950 --> 00:34:16,639

probably ever even heard of it dictates

849

00:34:20,230 --> 00:34:18,960

economic policy to our federal reserve

850

00:34:22,710 --> 00:34:20,240

system which is our

851
00:34:24,629 --> 00:34:22,720
central bank the secretary of treasury

852
00:34:27,270 --> 00:34:24,639
and other policy groups

853
00:34:28,230 --> 00:34:27,280
so in other words our entire economy now

854
00:34:30,149 --> 00:34:28,240
thanks to

855
00:34:32,710 --> 00:34:30,159
the financial stability board is under

856
00:34:35,190 --> 00:34:32,720
the control of this nazi bank

857
00:34:35,990 --> 00:34:35,200
which is controlled by the international

858
00:34:39,190 --> 00:34:36,000
bankers

859
00:34:41,109 --> 00:34:39,200
so the occupy movement pretty well had

860
00:34:43,990 --> 00:34:41,119
figured out what was really going on

861
00:34:44,710 --> 00:34:44,000
it's exactly what you were talking about

862
00:34:47,349 --> 00:34:44,720
they control

863
00:34:48,629 --> 00:34:47,359

everything but just a small sliver of

864

00:34:51,669 --> 00:34:48,639

the world's economy

865

00:34:53,030 --> 00:34:51,679

and who are they this is what we need to

866

00:34:55,270 --> 00:34:53,040

start working on

867

00:34:56,629 --> 00:34:55,280

well i want to know when did all of this

868

00:34:57,589 --> 00:34:56,639

start i mean most of the stuff you're

869

00:35:01,270 --> 00:34:57,599

talking about

870

00:35:05,030 --> 00:35:01,280

is you know from the last century but if

871

00:35:06,790 --> 00:35:05,040

the et's have been here this whole time

872

00:35:08,470 --> 00:35:06,800

you know were they trying to exert

873

00:35:12,630 --> 00:35:08,480

control over the planet

874

00:35:16,150 --> 00:35:12,640

before oh yes let me ask you this

875

00:35:18,150 --> 00:35:16,160

uh jesus the prince of peace

876

00:35:20,230 --> 00:35:18,160

what was the one group that he actually

877

00:35:23,030 --> 00:35:20,240

got violent with

878

00:35:24,069 --> 00:35:23,040

the money changers and where were they

879

00:35:27,270 --> 00:35:24,079

were they in a bank

880

00:35:30,230 --> 00:35:27,280

no they were in the temple okay so

881

00:35:31,750 --> 00:35:30,240

yes there's some folks that have been

882

00:35:34,630 --> 00:35:31,760

trying to gain control

883

00:35:37,030 --> 00:35:34,640

over the whole human race and have been

884

00:35:41,750 --> 00:35:37,040

as far back as recorded history

885

00:35:45,030 --> 00:35:41,760

and they have been using uh two primary

886

00:35:47,430 --> 00:35:45,040

methods of control the earliest one

887

00:35:49,349 --> 00:35:47,440

uh and one that is still pretty powerful

888

00:35:53,109 --> 00:35:49,359

but his is waning in

889

00:35:53,750 --> 00:35:53,119

in strength is uh religion uh i am your

890

00:35:56,550 --> 00:35:53,760

god

891

00:35:59,270 --> 00:35:56,560

do what i tell you okay now think about

892

00:36:00,950 --> 00:35:59,280

it if you went back in a time machine

893

00:36:03,030 --> 00:36:00,960

fairly recently maybe just a hundred

894

00:36:07,030 --> 00:36:03,040

years ago okay say uh

895

00:36:07,829 --> 00:36:07,040

1912 okay and you had a handheld color

896

00:36:10,150 --> 00:36:07,839

tv

897

00:36:11,750 --> 00:36:10,160

set which we have you go down a radio

898

00:36:13,349 --> 00:36:11,760

shack buy one

899

00:36:15,670 --> 00:36:13,359

and you showed that somebody and it was

900

00:36:17,190 --> 00:36:15,680

working they're gonna think you know

901
00:36:18,390 --> 00:36:17,200
magic

902
00:36:20,950 --> 00:36:18,400
and they're gonna or they're gonna think

903
00:36:22,390 --> 00:36:20,960
you gotta you know you got technology

904
00:36:23,750 --> 00:36:22,400
they never heard of so

905
00:36:26,310 --> 00:36:23,760
and you tell them you're from god

906
00:36:29,190 --> 00:36:26,320
they're liable to believe you

907
00:36:30,310 --> 00:36:29,200
okay so we started off religion okay

908
00:36:31,829 --> 00:36:30,320
we're your gods

909
00:36:33,750 --> 00:36:31,839
but then they didn't really want to mess

910
00:36:36,950 --> 00:36:33,760
with the dirty old primitive humans

911
00:36:38,069 --> 00:36:36,960
so they created priesthood uh there's

912
00:36:39,990 --> 00:36:38,079
always someone who

913
00:36:41,750 --> 00:36:40,000

comes along and says well i represent

914

00:36:43,750 --> 00:36:41,760

god and he tells me

915

00:36:45,270 --> 00:36:43,760

to tell you here's how you do things

916

00:36:48,390 --> 00:36:45,280

here's how you live

917

00:36:51,750 --> 00:36:48,400

and by the way give me your tithe uh

918

00:36:56,069 --> 00:36:51,760

okay well going back to about the

919

00:36:57,910 --> 00:36:56,079

and that held up for for centuries

920

00:36:59,910 --> 00:36:57,920

and during the middle ages it was the

921

00:37:01,750 --> 00:36:59,920

roman church that ruled everything they

922

00:37:02,550 --> 00:37:01,760

loaned money to the royal families of

923

00:37:04,470 --> 00:37:02,560

europa

924

00:37:05,829 --> 00:37:04,480

and they controlled the even the

925

00:37:08,230 --> 00:37:05,839

peasant's life

926
00:37:10,310 --> 00:37:08,240
through the priesthood but then with the

927
00:37:11,510 --> 00:37:10,320
age of enlightenment and the advent of

928
00:37:14,550 --> 00:37:11,520
the

929
00:37:15,349 --> 00:37:14,560
printing press more and more people got

930
00:37:16,790 --> 00:37:15,359
to reading

931
00:37:19,589 --> 00:37:16,800
and they realized that everything the

932
00:37:22,150 --> 00:37:19,599
church said wasn't exactly true

933
00:37:23,829 --> 00:37:22,160
and so religion started to wane so they

934
00:37:27,430 --> 00:37:23,839
came up with their next

935
00:37:30,390 --> 00:37:27,440
method of control which is economics

936
00:37:31,430 --> 00:37:30,400
money it's the old golden rule whoever

937
00:37:33,910 --> 00:37:31,440
has the gold

938
00:37:34,950 --> 00:37:33,920

makes the rules and that's where we are

939

00:37:37,990 --> 00:37:34,960

today largely

940

00:37:39,670 --> 00:37:38,000

the world today is largely run well

941

00:37:42,310 --> 00:37:39,680

but you can see actually it's run by

942

00:37:44,710 --> 00:37:42,320

both in in the western enlightened

943

00:37:45,670 --> 00:37:44,720

so-called enlightened countries uh we're

944

00:37:48,630 --> 00:37:45,680

dominated

945

00:37:50,310 --> 00:37:48,640

by the people who control the economy uh

946

00:37:54,310 --> 00:37:50,320

that boom bust you know

947

00:37:57,430 --> 00:37:54,320

jobs no jobs um and you're you're stuck

948

00:37:59,430 --> 00:37:57,440

uh because it's a debt economy in other

949

00:38:02,630 --> 00:37:59,440

words if this was just a

950

00:38:05,109 --> 00:38:02,640

a barter system uh you know

951
00:38:06,870 --> 00:38:05,119
if you wanted me to write something for

952
00:38:07,829 --> 00:38:06,880
you i'd say well what can you do for me

953
00:38:09,510 --> 00:38:07,839
and you'd say well

954
00:38:11,670 --> 00:38:09,520
how about if i get you as a guest on

955
00:38:13,670 --> 00:38:11,680
that program and you can publicize your

956
00:38:15,510 --> 00:38:13,680
books and i go okay boy that'd be great

957
00:38:17,190 --> 00:38:15,520
say so you were press release written

958
00:38:18,069 --> 00:38:17,200
okay i'll write it for you and you put

959
00:38:20,069 --> 00:38:18,079
it on there

960
00:38:21,829 --> 00:38:20,079
they're they're both of us are happy

961
00:38:23,990 --> 00:38:21,839
both of us got what we wanted

962
00:38:25,829 --> 00:38:24,000
and no one else has anything to say

963
00:38:27,510 --> 00:38:25,839

about it but that's not where we're in

964

00:38:29,990 --> 00:38:27,520

we're in a debt economy

965

00:38:31,589 --> 00:38:30,000

with this paper that we pass around that

966

00:38:34,310 --> 00:38:31,599

we have to pay interest on

967

00:38:36,310 --> 00:38:34,320

even though it's not backed by anything

968

00:38:39,109 --> 00:38:36,320

it's a real ponzi scheme it's

969

00:38:39,430 --> 00:38:39,119

it's it's a swindle and yet nobody can

970

00:38:41,910 --> 00:38:39,440

quite

971

00:38:44,630 --> 00:38:41,920

see it because we were brought up this

972

00:38:45,990 --> 00:38:44,640

way it's been that way all along

973

00:38:47,910 --> 00:38:46,000

and by the way i'll take that

974

00:38:51,109 --> 00:38:47,920

opportunity to mention i hope

975

00:38:54,150 --> 00:38:51,119

people now understand why slavery

976
00:38:56,310 --> 00:38:54,160
lasted so long okay it wasn't that

977
00:38:57,910 --> 00:38:56,320
people sat down and consciously thought

978
00:39:00,550 --> 00:38:57,920
well i'm just going to keep these people

979
00:39:03,990 --> 00:39:00,560
down i'm just going to keep these slaves

980
00:39:06,310 --> 00:39:04,000
but i'm going to be mean they just

981
00:39:07,589 --> 00:39:06,320
didn't think about it because that was

982
00:39:09,910 --> 00:39:07,599
the status quo

983
00:39:11,510 --> 00:39:09,920
that was the way things work that was

984
00:39:13,190 --> 00:39:11,520
the way it worked when they were born

985
00:39:14,870 --> 00:39:13,200
and when they were kids and teenagers

986
00:39:16,790 --> 00:39:14,880
and growing up and that's why it was

987
00:39:19,910 --> 00:39:16,800
always going to be as far as they knew

988
00:39:23,190 --> 00:39:19,920

and we're in the same situation

989

00:39:25,270 --> 00:39:23,200

with debt slavery most of people

990

00:39:27,910 --> 00:39:25,280

listening to my voice

991

00:39:29,430 --> 00:39:27,920

you're just happy in this economic times

992

00:39:31,829 --> 00:39:29,440

to have a job

993

00:39:33,510 --> 00:39:31,839

and so even though you may hate your job

994

00:39:34,069 --> 00:39:33,520

and maybe you'd like to do something

995

00:39:36,230 --> 00:39:34,079

else

996

00:39:37,109 --> 00:39:36,240

but you're not free you can't just pack

997

00:39:38,950 --> 00:39:37,119

up move

998

00:39:41,270 --> 00:39:38,960

go somewhere else do something else

999

00:39:45,190 --> 00:39:41,280

because you got bills coming in

1000

00:39:48,230 --> 00:39:45,200

every month it's got to be met so you're

1001
00:39:49,990 --> 00:39:48,240
what do they call a wage slave so well

1002
00:39:50,790 --> 00:39:50,000
it just seems like that whole thing is

1003
00:39:53,270 --> 00:39:50,800
getting worse

1004
00:39:54,470 --> 00:39:53,280
where people it used to be you work

1005
00:39:56,950 --> 00:39:54,480
eight hours a day

1006
00:39:59,270 --> 00:39:56,960
five days a week and i talk to more and

1007
00:40:01,750 --> 00:39:59,280
more people that are working 10 12

1008
00:40:02,630 --> 00:40:01,760
14 hours a day for the same amount of

1009
00:40:06,309 --> 00:40:02,640
money

1010
00:40:06,950 --> 00:40:06,319
exactly and and think about the people

1011
00:40:09,190 --> 00:40:06,960
now

1012
00:40:10,069 --> 00:40:09,200
who used to be working a 40-hour week

1013
00:40:12,150 --> 00:40:10,079

and making a certain

1014

00:40:13,589 --> 00:40:12,160

paycheck and now they're being cut back

1015

00:40:16,630 --> 00:40:13,599

to 30 hours

1016

00:40:18,790 --> 00:40:16,640

thanks to obamacare okay because under

1017

00:40:21,510 --> 00:40:18,800

obamacare if you're an employer

1018

00:40:23,510 --> 00:40:21,520

and you have people working under 40

1019

00:40:26,790 --> 00:40:23,520

hours a week then you don't have to

1020

00:40:28,230 --> 00:40:26,800

to pay into their health insurance well

1021

00:40:29,430 --> 00:40:28,240

i think we're going to see more and more

1022

00:40:31,030 --> 00:40:29,440

of that coming up you're going to see

1023

00:40:33,030 --> 00:40:31,040

more and more people out at work and you

1024

00:40:36,069 --> 00:40:33,040

see businesses closing down

1025

00:40:39,190 --> 00:40:36,079

i i know i know a woman who is working

1026
00:40:40,390 --> 00:40:39,200
three jobs and still can't quite meet

1027
00:40:43,190 --> 00:40:40,400
her bills

1028
00:40:44,230 --> 00:40:43,200
that that's that's that's just that's

1029
00:40:45,910 --> 00:40:44,240
not right

1030
00:40:47,750 --> 00:40:45,920
yeah i i don't really get the whole

1031
00:40:49,270 --> 00:40:47,760
point of obamacare i think that

1032
00:40:51,670 --> 00:40:49,280
there are going to be more and more

1033
00:40:53,589 --> 00:40:51,680
companies that are going to do that

1034
00:40:55,750 --> 00:40:53,599
part-time bring in two people for

1035
00:40:58,150 --> 00:40:55,760
you know 20 hours a week and then you

1036
00:41:00,150 --> 00:40:58,160
end up with no benefits at all

1037
00:41:01,270 --> 00:41:00,160
and if you're only working part-time

1038
00:41:03,990 --> 00:41:01,280

they probably will pay you

1039

00:41:04,950 --> 00:41:04,000

half of the rate that they would pay

1040

00:41:06,710 --> 00:41:04,960

somebody

1041

00:41:08,710 --> 00:41:06,720

if they were working full-time you know

1042

00:41:10,470 --> 00:41:08,720

like hourly rate because well you're

1043

00:41:11,030 --> 00:41:10,480

only a part-time person we don't need to

1044

00:41:13,510 --> 00:41:11,040

pay you

1045

00:41:14,870 --> 00:41:13,520

you know forty thousand dollars a year

1046

00:41:17,190 --> 00:41:14,880

what you know

1047

00:41:18,710 --> 00:41:17,200

divided by twenty you know what i mean i

1048

00:41:20,950 --> 00:41:18,720

know exactly what you mean because i've

1049

00:41:24,150 --> 00:41:20,960

been doing that for for a long time

1050

00:41:26,710 --> 00:41:24,160

and many years i mostly uh

1051
00:41:27,190 --> 00:41:26,720
stood to my journalism and writing now

1052
00:41:29,990 --> 00:41:27,200
but

1053
00:41:32,390 --> 00:41:30,000
for a long time i was also doing

1054
00:41:35,510 --> 00:41:32,400
advertising and public relations work

1055
00:41:38,630 --> 00:41:35,520
and i found that i could make more money

1056
00:41:40,550 --> 00:41:38,640
by being a consultant than i could uh

1057
00:41:42,230 --> 00:41:40,560
being a salaried employee

1058
00:41:44,069 --> 00:41:42,240
and the reason is when you're a salary

1059
00:41:45,910 --> 00:41:44,079
employee you're expected to be a certain

1060
00:41:49,109 --> 00:41:45,920
place certain times stay there

1061
00:41:52,150 --> 00:41:49,119
certain hours and plus you have to

1062
00:41:54,230 --> 00:41:52,160
pay for your own transportation and food

1063
00:41:55,750 --> 00:41:54,240

and everything else and then plus

1064

00:41:58,150 --> 00:41:55,760

they don't want to pay you know you have

1065

00:42:00,710 --> 00:41:58,160

to they you want hospitalization and

1066

00:42:01,589 --> 00:42:00,720

retirement and all this stuff so i would

1067

00:42:04,230 --> 00:42:01,599

get business

1068

00:42:05,349 --> 00:42:04,240

as a freelance consultant by saying look

1069

00:42:08,550 --> 00:42:05,359

i'm just a consultant

1070

00:42:10,230 --> 00:42:08,560

i come in work on a per job basis um but

1071

00:42:13,270 --> 00:42:10,240

i'm gonna charge you my

1072

00:42:15,270 --> 00:42:13,280

traveling expenses and uh but you don't

1073

00:42:16,550 --> 00:42:15,280

have to pay for my hospitalization you

1074

00:42:19,109 --> 00:42:16,560

have to pay for

1075

00:42:20,550 --> 00:42:19,119

uh you know retirement or anything else

1076

00:42:22,630 --> 00:42:20,560

so they came out actually

1077

00:42:23,670 --> 00:42:22,640

saving money so that's how i got a lot

1078

00:42:26,390 --> 00:42:23,680

of business

1079

00:42:27,430 --> 00:42:26,400

cool well i want to kind of change

1080

00:42:29,349 --> 00:42:27,440

direction but

1081

00:42:30,710 --> 00:42:29,359

we need to go to break i mean we're

1082

00:42:32,790 --> 00:42:30,720

supposed to go to break in two minutes

1083

00:42:36,309 --> 00:42:32,800

but if we could maybe go to break

1084

00:42:38,390 --> 00:42:36,319

now that would be a good thing

1085

00:42:39,670 --> 00:42:38,400

but see i never hear the music so we're

1086

00:42:40,870 --> 00:42:39,680

going to break now

1087

00:42:42,870 --> 00:42:40,880

and when we come back we're going to

1088

00:42:44,790 --> 00:42:42,880

continue this fascinating conversation

1089

00:42:46,790 --> 00:42:44,800

with jim mars

1090

00:42:48,870 --> 00:42:46,800

and talk more about his book our

1091

00:42:49,990 --> 00:42:48,880

occulted history so we'll be back with

1092

00:42:57,030 --> 00:42:50,000

epic voyages

1093

00:43:17,829 --> 00:43:00,710

you're listening to in the inception

1094

00:43:21,030 --> 00:43:19,589

epic is extraordinary phenomenon

1095

00:43:23,190 --> 00:43:21,040

investigations counseling

1096

00:43:24,230 --> 00:43:23,200

the forum for scholars experts and those

1097

00:43:25,910 --> 00:43:24,240

fascinated by

1098

00:43:28,069 --> 00:43:25,920

and involved in the study of ancient

1099

00:43:31,349 --> 00:43:28,079

civilizations conspiracies

1100

00:43:31,910 --> 00:43:31,359

cryptozoology ets and ufos fringe

1101

00:43:33,349 --> 00:43:31,920

science

1102

00:43:35,109 --> 00:43:33,359

the paranormal and all manner of

1103

00:43:36,710 --> 00:43:35,119

extraordinary phenomena

1104

00:43:38,309 --> 00:43:36,720

please join epic as we examine the

1105

00:43:41,190 --> 00:43:38,319

mysteries of the world and beyond

1106

00:43:42,630 --> 00:43:41,200

on epicvoyagers.com and for updates on

1107

00:43:43,829 --> 00:43:42,640

the upcoming interactive video

1108

00:43:45,349 --> 00:43:43,839

presentations

1109

00:43:47,510 --> 00:43:45,359

the latest news and discussion on the

1110

00:43:48,950 --> 00:43:47,520

epping forum as well as research

1111

00:43:51,430 --> 00:43:48,960

investigations and membership

1112

00:43:53,030 --> 00:43:51,440

opportunities epic voyages program

1113

00:43:53,750 --> 00:43:53,040

schedule is on the inception radio

1114

00:44:02,550 --> 00:43:53,760

network

1115

00:44:05,750 --> 00:44:03,750

you didn't forget what's coming up

1116

00:44:07,589 --> 00:44:05,760

tonight did you hi inception radio

1117

00:44:09,030 --> 00:44:07,599

network listeners this is amanda

1118

00:44:10,630 --> 00:44:09,040

never miss that interview you were

1119

00:44:11,589 --> 00:44:10,640

looking forward to or the show on your

1120

00:44:14,710 --> 00:44:11,599

favorite topic

1121

00:44:17,109 --> 00:44:14,720

follow irn on twitter i underscore

1122

00:44:19,190 --> 00:44:17,119

our underscore n and get reminders about

1123

00:44:20,230 --> 00:44:19,200

the evening's live shows as well as fun

1124

00:44:22,790 --> 00:44:20,240

and important updates

1125

00:44:24,230 --> 00:44:22,800

throughout the week that's i underscore

1126

00:44:27,910 --> 00:44:24,240

our underscore n

1127

00:44:32,150 --> 00:44:30,309

are you a fan of inception radio network

1128

00:44:34,230 --> 00:44:32,160

do you reckon it's the best alternative

1129

00:44:36,790 --> 00:44:34,240

talk radio station on the planet

1130

00:44:37,670 --> 00:44:36,800

well if you do head to facebook.com

1131

00:44:39,750 --> 00:44:37,680

forward slash

1132

00:44:40,790 --> 00:44:39,760

inception radio network and like the

1133

00:44:42,710 --> 00:44:40,800

page

1134

00:44:47,750 --> 00:44:42,720

tell your friends spread the word and

1135

00:44:51,190 --> 00:44:50,309

hello inception radio network listeners

1136

00:44:53,349 --> 00:44:51,200

this is amanda

1137

00:44:55,109 --> 00:44:53,359

remember you can take your inception

1138

00:44:56,790 --> 00:44:55,119

radio shows on the go

1139

00:44:58,790 --> 00:44:56,800

just download the inception radio

1140

00:45:01,910 --> 00:44:58,800

network app for your iphone

1141

00:45:04,390 --> 00:45:01,920

ipad or android smartphones and access

1142

00:45:05,109 --> 00:45:04,400

live shows past shows guest lineups and

1143

00:45:07,030 --> 00:45:05,119

much more

1144

00:45:08,870 --> 00:45:07,040

just visit the itunes store or the

1145

00:45:09,349 --> 00:45:08,880

google play marketplace and download it

1146

00:45:17,589 --> 00:45:09,359

today

1147

00:45:23,190 --> 00:45:20,950

hi bob tarmac for mj's healthyweight.com

1148

00:45:24,150 --> 00:45:23,200

are you into vitamins nutrition meal

1149

00:45:27,430 --> 00:45:24,160

replacements

1150

00:45:30,390 --> 00:45:27,440

health shakes uh keeping your body in

1151
00:45:33,390 --> 00:45:30,400
good shape your internal engine going

1152
00:45:34,790 --> 00:45:33,400
boy do i have a perfect place for you

1153
00:45:37,270 --> 00:45:34,800
mj'shealthyway.com

1154
00:45:37,990 --> 00:45:37,280
they offer the best service and products

1155
00:45:39,510 --> 00:45:38,000
and they'll tell you

1156
00:45:41,109 --> 00:45:39,520
anything you need to know about any

1157
00:45:43,430 --> 00:45:41,119
product they have to offer

1158
00:45:44,230 --> 00:45:43,440
i get all my vitamins meal replacements

1159
00:45:46,230 --> 00:45:44,240
shakes

1160
00:45:48,910 --> 00:45:46,240
from mj's healthyweight.com that's

1161
00:45:51,349 --> 00:45:48,920
spelled mjs

1162
00:45:52,230 --> 00:45:51,359
healthywhey.com there's so much more at

1163
00:46:03,190 --> 00:45:52,240

the website

1164

00:46:06,230 --> 00:46:05,430

don't have a computer is your internet

1165

00:46:08,230 --> 00:46:06,240

connection down

1166

00:46:09,829 --> 00:46:08,240

don't worry use your trusty landline or

1167

00:46:14,069 --> 00:46:09,839

cell phone and dial or call and listen

1168

00:46:14,950 --> 00:46:14,079

lines at 832-280-0830 or seven eight six

1169

00:46:16,390 --> 00:46:14,960

eight three seven

1170

00:46:18,150 --> 00:46:16,400

two two six two to listen to the

1171

00:46:20,390 --> 00:46:18,160

inception radio network twenty four

1172

00:46:21,190 --> 00:46:20,400

seven again those numbers are eight

1173

00:46:23,430 --> 00:46:21,200

three two

1174

00:46:24,390 --> 00:46:23,440

two eight zero zero eight three zero or

1175

00:46:26,630 --> 00:46:24,400

seven eight six

1176

00:46:27,990 --> 00:46:26,640

eight three seven two two six two for

1177

00:46:31,990 --> 00:46:28,000

the inception radio network

1178

00:46:36,230 --> 00:46:34,069

hello i'm pat usford inviting you to

1179

00:46:37,910 --> 00:46:36,240

tune into epic voyages every monday

1180

00:46:40,950 --> 00:46:37,920

evening at 8pm central

1181

00:46:42,069 --> 00:46:40,960

9pm eastern right here on inception

1182

00:46:44,150 --> 00:46:42,079

radio network

1183

00:46:45,190 --> 00:46:44,160

to find out more about epic and how you

1184

00:46:50,950 --> 00:46:45,200

can become a member

1185

00:46:55,109 --> 00:46:53,109

hello and welcome back to epic voyages

1186

00:46:56,870 --> 00:46:55,119

we're here talking to jim mars live on

1187

00:46:59,030 --> 00:46:56,880

the inception radio network and i just

1188

00:47:00,950 --> 00:46:59,040

want to remind you that epic voyagers

1189

00:47:02,230 --> 00:47:00,960

has a youtube channel where you can get

1190

00:47:05,589 --> 00:47:02,240

presentations

1191

00:47:08,069 --> 00:47:05,599

um of jim there's a presentation of me

1192

00:47:09,190 --> 00:47:08,079

dr rita there and some of the other

1193

00:47:11,270 --> 00:47:09,200

guests that they've had

1194

00:47:12,790 --> 00:47:11,280

at epic voyages here in dallas and

1195

00:47:13,589 --> 00:47:12,800

actually i'll make a quick announcement

1196

00:47:15,030 --> 00:47:13,599

next month

1197

00:47:16,950 --> 00:47:15,040

they're having a good friend of mine

1198

00:47:18,710 --> 00:47:16,960

dennis balthazar going to be speaking to

1199

00:47:21,750 --> 00:47:18,720

the group so if you're in the dallas

1200

00:47:25,270 --> 00:47:21,760

area check out the epic voyagers webpage

1201
00:47:28,790 --> 00:47:25,280
which is i think epic epicvoyagers.com

1202
00:47:30,950 --> 00:47:28,800
yay okay jim so here is the question

1203
00:47:32,630 --> 00:47:30,960
that i want to ask you because you

1204
00:47:34,309 --> 00:47:32,640
didn't talk about it in the little

1205
00:47:35,829 --> 00:47:34,319
presentation

1206
00:47:38,470 --> 00:47:35,839
but i'm hoping you talk about it in the

1207
00:47:41,829 --> 00:47:38,480
book so one of the things that

1208
00:47:43,349 --> 00:47:41,839
i have heard rumors of is that you know

1209
00:47:45,030 --> 00:47:43,359
we're talking about this group of

1210
00:47:47,270 --> 00:47:45,040
extraterrestrials that are controlling

1211
00:47:49,670 --> 00:47:47,280
the earth

1212
00:47:51,630 --> 00:47:49,680
but usually you hear when they talk

1213
00:47:53,349 --> 00:47:51,640

about that they don't just say

1214

00:47:55,349 --> 00:47:53,359
extraterrestrials they get into this

1215

00:47:57,510 --> 00:47:55,359
whole like reptilian thing

1216

00:47:58,549 --> 00:47:57,520
so what have you found is it the

1217

00:48:01,829 --> 00:47:58,559
reptilians or

1218

00:48:04,549 --> 00:48:01,839
some half man half reptile

1219

00:48:06,870 --> 00:48:04,559
fishy looking scaly people that are

1220

00:48:08,870 --> 00:48:06,880
trying to rule the earth

1221

00:48:10,309 --> 00:48:08,880
well that's a good question and frankly

1222

00:48:12,309 --> 00:48:10,319
i'll be honest with you i mean i can't

1223

00:48:14,549 --> 00:48:12,319
give you a definitive answer because

1224

00:48:16,230 --> 00:48:14,559
i'm not sure anybody knows i think that

1225

00:48:18,150 --> 00:48:16,240
may even be one of the reasons why the

1226
00:48:18,950 --> 00:48:18,160
whole topic of extraterrestrials and

1227
00:48:21,670 --> 00:48:18,960
aliens

1228
00:48:22,390 --> 00:48:21,680
is relegated off to entertainment movies

1229
00:48:24,950 --> 00:48:22,400
tv

1230
00:48:26,950 --> 00:48:24,960
science fiction and they will not deal

1231
00:48:30,069 --> 00:48:26,960
on it on a

1232
00:48:32,150 --> 00:48:30,079
geopolitical reality basis

1233
00:48:33,270 --> 00:48:32,160
and that's because even the et's

1234
00:48:35,430 --> 00:48:33,280
themselves

1235
00:48:36,470 --> 00:48:35,440
may not be certain of who's who and

1236
00:48:39,510 --> 00:48:36,480
what's what

1237
00:48:40,710 --> 00:48:39,520
because apparently they have the

1238
00:48:44,069 --> 00:48:40,720

technology

1239

00:48:46,470 --> 00:48:44,079

to mask themselves okay and to maybe

1240

00:48:49,670 --> 00:48:46,480

look like other things

1241

00:48:53,349 --> 00:48:49,680

to appear uh for example

1242

00:48:54,630 --> 00:48:53,359

uh in their craft ufos uh

1243

00:48:56,390 --> 00:48:54,640

all around the world you go all the way

1244

00:48:56,630 --> 00:48:56,400

back and some of them see them seem to

1245

00:49:03,910 --> 00:48:56,640

be

1246

00:49:06,150 --> 00:49:03,920

different and uh

1247

00:49:08,390 --> 00:49:06,160

of course going back to the 50s we had

1248

00:49:09,270 --> 00:49:08,400

flying saucers these little round things

1249

00:49:12,390 --> 00:49:09,280

this is

1250

00:49:13,510 --> 00:49:12,400

little uh saucer shaped things and now

1251
00:49:16,390 --> 00:49:13,520
today

1252
00:49:18,309 --> 00:49:16,400
we have the triangular shaped craft and

1253
00:49:19,349 --> 00:49:18,319
it could be that they are masking

1254
00:49:21,750 --> 00:49:19,359
themselves

1255
00:49:22,470 --> 00:49:21,760
as something vaguely familiar because

1256
00:49:26,150 --> 00:49:22,480
now

1257
00:49:29,670 --> 00:49:26,160
our own air force is flying triangular

1258
00:49:30,470 --> 00:49:29,680
winged aircraft and so they have always

1259
00:49:32,950 --> 00:49:30,480
uh

1260
00:49:33,910 --> 00:49:32,960
shielded themselves and and or put forth

1261
00:49:35,910 --> 00:49:33,920
an image

1262
00:49:38,549 --> 00:49:35,920
that was something that was would not

1263
00:49:40,470 --> 00:49:38,559

have totally disturbed the people

1264

00:49:41,670 --> 00:49:40,480

of the time it was something that they

1265

00:49:43,829 --> 00:49:41,680

could understand

1266

00:49:45,270 --> 00:49:43,839

um i i give you a little story that

1267

00:49:47,510 --> 00:49:45,280

maybe illustrates uh

1268

00:49:48,630 --> 00:49:47,520

what i'm talking about when i was

1269

00:49:51,349 --> 00:49:48,640

researching the

1270

00:49:53,030 --> 00:49:51,359

aurora spaceship crash here in texas i

1271

00:49:55,109 --> 00:49:53,040

was going back through the microfilm of

1272

00:49:58,829 --> 00:49:55,119

the old dallas fort worth newspapers

1273

00:50:03,109 --> 00:49:58,839

and i found this great story about from

1274

00:50:03,430 --> 00:50:03,119

1897 of a railroad track inspector who

1275

00:50:06,630 --> 00:50:03,440

was

1276

00:50:08,390 --> 00:50:06,640

inspecting track north of fort worth

1277

00:50:10,150 --> 00:50:08,400

and it got to be kind of late evening he

1278

00:50:11,270 --> 00:50:10,160

said he better turn back and head back

1279

00:50:13,109 --> 00:50:11,280

for town

1280

00:50:15,270 --> 00:50:13,119

but he noticed a big bright light up

1281

00:50:17,349 --> 00:50:15,280

ahead so he went to investigate and he

1282

00:50:19,670 --> 00:50:17,359

found a cigar-shaped object

1283

00:50:20,630 --> 00:50:19,680

sitting on the tracks and he said there

1284

00:50:22,150 --> 00:50:20,640

was

1285

00:50:23,829 --> 00:50:22,160

a group of people around there dressed

1286

00:50:26,069 --> 00:50:23,839

in blue uniforms

1287

00:50:29,190 --> 00:50:26,079

and he did may in the news story in his

1288

00:50:31,510 --> 00:50:29,200

account he never made any particular

1289

00:50:33,270 --> 00:50:31,520

comment as to what they look like you

1290

00:50:35,190 --> 00:50:33,280

know so apparently they looked

1291

00:50:38,150 --> 00:50:35,200

reasonably human to him

1292

00:50:39,270 --> 00:50:38,160

and uh he said their commander came and

1293

00:50:42,069 --> 00:50:39,280

talked with him

1294

00:50:43,670 --> 00:50:42,079

and told him not to say anything about

1295

00:50:44,230 --> 00:50:43,680

seeing them because they were on a

1296

00:50:47,430 --> 00:50:44,240

secret

1297

00:50:50,150 --> 00:50:47,440

mission to bomb havana

1298

00:50:53,510 --> 00:50:50,160

well to me this is really interesting

1299

00:50:56,390 --> 00:50:53,520

because this was in the spring of 1897

1300

00:50:57,750 --> 00:50:56,400

and the spanish-american war which

1301

00:51:00,710 --> 00:50:57,760

resulted in of course

1302

00:51:02,390 --> 00:51:00,720

teddy roosevelt's charming san juan hill

1303

00:51:04,710 --> 00:51:02,400

and cuba

1304

00:51:07,109 --> 00:51:04,720

and because the battleship maine blew up

1305

00:51:09,190 --> 00:51:07,119

in havana harbor we went to war and were

1306

00:51:12,069 --> 00:51:09,200

fighting in cuba

1307

00:51:13,910 --> 00:51:12,079

that didn't happen for another year so

1308

00:51:17,670 --> 00:51:13,920

in other words apparently they've got

1309

00:51:21,190 --> 00:51:17,680

time travel capability and

1310

00:51:23,430 --> 00:51:21,200

they can make themselves appear so that

1311

00:51:25,349 --> 00:51:23,440

nobody knows exactly uh who they are and

1312

00:51:26,549 --> 00:51:25,359

that may be part of the reason for the

1313

00:51:28,790 --> 00:51:26,559

secrecy

1314

00:51:30,549 --> 00:51:28,800

because two things uh even some of the

1315

00:51:32,950 --> 00:51:30,559

e.t races may not be able to

1316

00:51:35,589 --> 00:51:32,960

differentiate between

1317

00:51:36,390 --> 00:51:35,599

another race or the humans or whoever

1318

00:51:39,750 --> 00:51:36,400

else

1319

00:51:42,309 --> 00:51:39,760

and two if it ever got known accepted

1320

00:51:43,430 --> 00:51:42,319

that we've got aliens among us who look

1321

00:51:46,470 --> 00:51:43,440

like us

1322

00:51:49,589 --> 00:51:46,480

uh can you imagine the hysteria

1323

00:51:50,870 --> 00:51:49,599

that would make that would make mccarthy

1324

00:51:53,030 --> 00:51:50,880

witch hunt area

1325

00:51:54,710 --> 00:51:53,040

era you know just look like a sunny

1326
00:51:57,430 --> 00:51:54,720
school picnic

1327
00:51:58,790 --> 00:51:57,440
but i think you said a very operative

1328
00:52:02,470 --> 00:51:58,800
word you said

1329
00:52:05,349 --> 00:52:02,480
races right ray

1330
00:52:06,309 --> 00:52:05,359
so do you think there are multiple races

1331
00:52:09,030 --> 00:52:06,319
that are coming here

1332
00:52:10,470 --> 00:52:09,040
and and bugging us and and actually i'm

1333
00:52:12,069 --> 00:52:10,480
going to make this a two-parter

1334
00:52:13,910 --> 00:52:12,079
and do you think they're all fighting

1335
00:52:14,870 --> 00:52:13,920
for control or do you think there's some

1336
00:52:16,829 --> 00:52:14,880
group that has

1337
00:52:18,790 --> 00:52:16,839
control and then there are these other

1338
00:52:21,829 --> 00:52:18,800

guys um

1339

00:52:23,829 --> 00:52:21,839

i think there are races uh the the

1340

00:52:24,470 --> 00:52:23,839

number varies on whoever you want to

1341

00:52:27,990 --> 00:52:24,480

talk to

1342

00:52:29,349 --> 00:52:28,000

some say it's as low as maybe eight or

1343

00:52:32,549 --> 00:52:29,359

ten some say as high as

1344

00:52:35,990 --> 00:52:32,559

50 or 80. uh you know

1345

00:52:39,829 --> 00:52:36,000

and i think that there is a uh

1346

00:52:42,069 --> 00:52:39,839

a subrosa conflict going on over who has

1347

00:52:44,390 --> 00:52:42,079

jurisdiction here some of these folks

1348

00:52:47,270 --> 00:52:44,400

for example the annunaki that the

1349

00:52:49,589 --> 00:52:47,280

sumerians write about who came here and

1350

00:52:52,950 --> 00:52:49,599

according to these ancient tablets

1351

00:52:56,309 --> 00:52:52,960

uh um altered our dna

1352

00:52:58,150 --> 00:52:56,319

and created modern man

1353

00:53:00,150 --> 00:52:58,160

that's just why they've not been able to

1354

00:53:01,910 --> 00:53:00,160

find the missing link because we went

1355

00:53:04,950 --> 00:53:01,920

right from neanderthal

1356

00:53:11,109 --> 00:53:04,960

to modern man

1357

00:53:17,990 --> 00:53:14,549

you have to wonder you know what

1358

00:53:19,910 --> 00:53:18,000

what the what they're really up to and

1359

00:53:21,270 --> 00:53:19,920

why they're doing all this and i think

1360

00:53:22,950 --> 00:53:21,280

that they're even are

1361

00:53:24,790 --> 00:53:22,960

not fighting physically but i think

1362

00:53:26,710 --> 00:53:24,800

there's conflict

1363

00:53:28,390 --> 00:53:26,720

uh the people who were here first said

1364

00:53:31,190 --> 00:53:28,400

well we were here first

1365

00:53:33,190 --> 00:53:31,200

and we help we help create these modern

1366

00:53:36,230 --> 00:53:33,200

humans and so we have a

1367

00:53:38,950 --> 00:53:36,240

propriety proprietorship on it

1368

00:53:41,190 --> 00:53:38,960

uh and then others may have arrived and

1369

00:53:42,950 --> 00:53:41,200

said well yeah but we want here too

1370

00:53:44,790 --> 00:53:42,960

and plus there may have been even

1371

00:53:46,950 --> 00:53:44,800

multiple races

1372

00:53:48,069 --> 00:53:46,960

uh interacting with the earth even way

1373

00:53:51,349 --> 00:53:48,079

back

1374

00:53:53,910 --> 00:53:51,359

hundreds of thousands of years ago but i

1375

00:53:57,750 --> 00:53:53,920

think the one common denominator

1376

00:54:00,870 --> 00:53:57,760

is what they describe in the star trek

1377

00:54:01,910 --> 00:54:00,880

series as the prime directive now

1378

00:54:04,950 --> 00:54:01,920

whether this is an

1379

00:54:05,589 --> 00:54:04,960

absolute law with enforcement powers i'm

1380

00:54:08,309 --> 00:54:05,599

not

1381

00:54:09,190 --> 00:54:08,319

clear on i would tend to think it's more

1382

00:54:11,589 --> 00:54:09,200

like just an

1383

00:54:13,750 --> 00:54:11,599

understood an understanding among the

1384

00:54:16,870 --> 00:54:13,760

intelligent advanced races

1385

00:54:20,549 --> 00:54:16,880

of the universe which is that it is not

1386

00:54:23,109 --> 00:54:20,559

proper to overtly

1387

00:54:24,549 --> 00:54:23,119

interfere with the natural evolution of

1388

00:54:26,790 --> 00:54:24,559

a species

1389

00:54:28,470 --> 00:54:26,800

so i think that they're constrained to

1390

00:54:29,670 --> 00:54:28,480

try to either help us or hurt us

1391

00:54:32,069 --> 00:54:29,680

whatever their

1392

00:54:33,109 --> 00:54:32,079

agenda may be but they have to do it

1393

00:54:35,990 --> 00:54:33,119

covertly

1394

00:54:36,390 --> 00:54:36,000

they have to do it secretly and this is

1395

00:54:38,069 --> 00:54:36,400

why

1396

00:54:39,670 --> 00:54:38,079

there seems to be things going on that

1397

00:54:41,430 --> 00:54:39,680

we don't quite understand

1398

00:54:42,950 --> 00:54:41,440

because we don't understand the true

1399

00:54:46,230 --> 00:54:42,960

motives and the true

1400

00:54:48,789 --> 00:54:46,240

uh agendas behind some of this activity

1401
00:54:49,670 --> 00:54:48,799
earlier you were talking about religion

1402
00:54:51,750 --> 00:54:49,680
and

1403
00:54:52,710 --> 00:54:51,760
the priesthood controlling every

1404
00:54:55,109 --> 00:54:52,720
everything

1405
00:54:57,510 --> 00:54:55,119
but i've also heard stories that control

1406
00:54:59,510 --> 00:54:57,520
the planet was based on bloodlines

1407
00:55:01,990 --> 00:54:59,520
and if you think of like the line of

1408
00:55:06,710 --> 00:55:02,000
royalty or the line of

1409
00:55:08,549 --> 00:55:06,720
you know the priesthood in general um

1410
00:55:09,750 --> 00:55:08,559
do you think that do you think that you

1411
00:55:12,309 --> 00:55:09,760
know control

1412
00:55:14,390 --> 00:55:12,319
was based on that same kind of thing

1413
00:55:15,270 --> 00:55:14,400

bloodlines in the past and do you still

1414

00:55:16,950 --> 00:55:15,280

think that

1415

00:55:18,549 --> 00:55:16,960

there is still a connection with the

1416

00:55:21,510 --> 00:55:18,559

world leaders today

1417

00:55:23,270 --> 00:55:21,520

uh based on bloodline you know what

1418

00:55:26,309 --> 00:55:23,280

makes me think of though is like

1419

00:55:28,549 --> 00:55:26,319

you know in egypt the pharaoh you know

1420

00:55:30,470 --> 00:55:28,559

the king would marry his sister

1421

00:55:37,670 --> 00:55:30,480

or there was there was always this

1422

00:55:41,829 --> 00:55:40,309

okay because and i detail this my book

1423

00:55:45,109 --> 00:55:41,839

our cultured history

1424

00:55:48,549 --> 00:55:45,119

uh they have found that uh if uh

1425

00:55:51,910 --> 00:55:48,559

say the pharaoh uh had a chromosome of x

1426

00:55:55,510 --> 00:55:51,920

y and he married uh uh

1427

00:55:58,630 --> 00:55:55,520

a wife and now you got uh

1428

00:56:01,190 --> 00:55:58,640

xx and yy and then uh

1429

00:56:02,470 --> 00:56:01,200

you know you go on from there but if he

1430

00:56:05,270 --> 00:56:02,480

then uh

1431

00:56:05,990 --> 00:56:05,280

marries if the next pharaoh marries his

1432

00:56:08,069 --> 00:56:06,000

sister

1433

00:56:10,549 --> 00:56:08,079

you're gonna come out with another xx

1434

00:56:11,829 --> 00:56:10,559

chromosome and you have duplicated the

1435

00:56:13,589 --> 00:56:11,839

original pharaoh

1436

00:56:15,190 --> 00:56:13,599

and that's how you keep the bloodline

1437

00:56:18,390 --> 00:56:15,200

pure

1438

00:56:19,829 --> 00:56:18,400

and yes you're right uh now we're not

1439

00:56:20,870 --> 00:56:19,839

talking about me because i don't care

1440

00:56:23,270 --> 00:56:20,880

about your bloodline

1441

00:56:24,069 --> 00:56:23,280

i don't care who your daddy was okay i

1442

00:56:26,230 --> 00:56:24,079

just want to know

1443

00:56:27,430 --> 00:56:26,240

you're a good person and you trustworthy

1444

00:56:28,870 --> 00:56:27,440

and you know

1445

00:56:31,670 --> 00:56:28,880

if you are then i want you to be my

1446

00:56:34,549 --> 00:56:31,680

friend but

1447

00:56:35,430 --> 00:56:34,559

as you mentioned the pharaohs the

1448

00:56:37,829 --> 00:56:35,440

caesars

1449

00:56:38,950 --> 00:56:37,839

the royalty of europe even the nazis

1450

00:56:41,750 --> 00:56:38,960

they're all

1451
00:56:42,309 --> 00:56:41,760
concerned with the bloodline and in fact

1452
00:56:45,750 --> 00:56:42,319
of the

1453
00:56:48,230 --> 00:56:45,760
42 presidents up to bill clinton 33

1454
00:56:50,230 --> 00:56:48,240
were related to only two people alfred

1455
00:56:53,270 --> 00:56:50,240
the great king of england and sherman

1456
00:56:57,349 --> 00:56:53,280
king of france and so on it goes

1457
00:57:00,470 --> 00:56:57,359
now i knew in 2000

1458
00:57:02,870 --> 00:57:00,480
the george w bush was going to become

1459
00:57:04,390 --> 00:57:02,880
president how'd i know that well because

1460
00:57:07,109 --> 00:57:04,400
in the mainstream media

1461
00:57:08,230 --> 00:57:07,119
there was a story from burke's peerage a

1462
00:57:11,270 --> 00:57:08,240
very prestigious

1463
00:57:12,710 --> 00:57:11,280

genealogical publication in england that

1464

00:57:15,190 --> 00:57:12,720

predicted george w

1465

00:57:16,870 --> 00:57:15,200

bush would gain the presidency over al

1466

00:57:19,990 --> 00:57:16,880

gore because

1467

00:57:22,630 --> 00:57:20,000

although both bush and gore

1468

00:57:25,109 --> 00:57:22,640

were blood relatives to the windsors the

1469

00:57:28,789 --> 00:57:25,119

ruling family of england

1470

00:57:31,990 --> 00:57:28,799

the bushes were more closely related

1471

00:57:32,789 --> 00:57:32,000

in royal genes and chromosomes and they

1472

00:57:35,829 --> 00:57:32,799

said

1473

00:57:36,789 --> 00:57:35,839

so he would get it and sure enough uh as

1474

00:57:39,270 --> 00:57:36,799

we now know

1475

00:57:41,190 --> 00:57:39,280

gore actually won the election but the

1476

00:57:42,789 --> 00:57:41,200

county in florida was stopped

1477

00:57:44,230 --> 00:57:42,799

and the supreme court handed the

1478

00:57:47,430 --> 00:57:44,240

presidency to

1479

00:57:48,789 --> 00:57:47,440

george w bush now i'm sure a lot of

1480

00:57:50,870 --> 00:57:48,799

people may be thinking well

1481

00:57:53,190 --> 00:57:50,880

my goodness at least we broke that chain

1482

00:57:53,990 --> 00:57:53,200

because now we've got barack hussein

1483

00:57:55,910 --> 00:57:54,000

obama

1484

00:57:57,510 --> 00:57:55,920

and he certainly can't be of that

1485

00:58:00,470 --> 00:57:57,520

bloodline but oops

1486

00:58:01,030 --> 00:58:00,480

ah contraire according to dick cheney's

1487

00:58:03,910 --> 00:58:01,040

wife

1488

00:58:05,430 --> 00:58:03,920

lynn she was researching for a book on

1489

00:58:07,510 --> 00:58:05,440

their family history

1490

00:58:08,470 --> 00:58:07,520

and she finds out that barack hussein

1491

00:58:10,630 --> 00:58:08,480

obama

1492

00:58:11,510 --> 00:58:10,640

is an eighth cousin to former vice

1493

00:58:14,630 --> 00:58:11,520

president

1494

00:58:16,950 --> 00:58:14,640

dick cheney and because obama is a

1495

00:58:17,829 --> 00:58:16,960

descendant of maureen duvall a french

1496

00:58:19,589 --> 00:58:17,839

huguenot

1497

00:58:21,510 --> 00:58:19,599

whose son married the granddaughter of a

1498

00:58:21,990 --> 00:58:21,520

richard cheney who had arrived in

1499

00:58:25,109 --> 00:58:22,000

maryland

1500

00:58:25,510 --> 00:58:25,119

in the late 1650s from england okay now

1501

00:58:27,750 --> 00:58:25,520

i've

1502

00:58:29,589 --> 00:58:27,760

heard the argument i understand this

1503

00:58:31,430 --> 00:58:29,599

that you know if you go far enough back

1504

00:58:34,870 --> 00:58:31,440

you could say well we're all related

1505

00:58:37,270 --> 00:58:34,880

i'm a relation to you dr tina because

1506

00:58:39,670 --> 00:58:37,280

we're all related to adam but if you go

1507

00:58:40,549 --> 00:58:39,680

far enough back but this is in the 1650s

1508

00:58:42,789 --> 00:58:40,559

this is only

1509

00:58:44,549 --> 00:58:42,799

uh you know uh two three hundred years

1510

00:58:47,910 --> 00:58:44,559

ago and one of the odds

1511

00:58:51,589 --> 00:58:47,920

that those people all seem to end up as

1512

00:58:53,589 --> 00:58:51,599

the national leaders all right 33 out of

1513

00:58:55,030 --> 00:58:53,599

the last 42 presidents

1514

00:58:56,789 --> 00:58:55,040

and if you don't think that's strange

1515

00:58:58,710 --> 00:58:56,799

enough then grab this according to the

1516

00:59:01,990 --> 00:58:58,720

chicago sometimes

1517

00:59:04,549 --> 00:59:02,000

a study they did that obama and cheney

1518

00:59:05,589 --> 00:59:04,559

or both blood relations to the bush

1519

00:59:08,789 --> 00:59:05,599

family

1520

00:59:11,589 --> 00:59:08,799

uh and they are linked through

1521

00:59:13,510 --> 00:59:11,599

a 17th century massachusetts couple

1522

00:59:16,710 --> 00:59:13,520

sarah hinckley

1523

00:59:19,990 --> 00:59:16,720

samuel hinckley and hinckley is a

1524

00:59:23,430 --> 00:59:20,000

relative of john warnock hinckley

1525

00:59:24,230 --> 00:59:23,440

senior one of george herbert walker

1526
00:59:27,750 --> 00:59:24,240
bush's

1527
00:59:29,109 --> 00:59:27,760
oil friends whose son john warnock

1528
00:59:31,829 --> 00:59:29,119
hinckley jr

1529
00:59:33,030 --> 00:59:31,839
was the man who shot president reagan in

1530
00:59:34,630 --> 00:59:33,040
1981.

1531
00:59:36,549 --> 00:59:34,640
now where do you think the odds of that

1532
00:59:39,670 --> 00:59:36,559
are

1533
00:59:40,789 --> 00:59:39,680
like a million to one maybe probably

1534
00:59:43,510 --> 00:59:40,799
more

1535
00:59:44,230 --> 00:59:43,520
so yes it's all in the bloodline but let

1536
00:59:47,030 --> 00:59:44,240
me ask you

1537
00:59:47,829 --> 00:59:47,040
i mean i could see where like the bushes

1538
00:59:50,710 --> 00:59:47,839

or whatever

1539

00:59:51,829 --> 00:59:50,720

would be connected to like the british

1540

00:59:53,750 --> 00:59:51,839

bloodline

1541

00:59:55,829 --> 00:59:53,760

but does this also bring in you know

1542

00:59:57,829 --> 00:59:55,839

like the nazis and

1543

01:00:00,390 --> 00:59:57,839

you know some of these other groups that

1544

01:00:01,109 --> 01:00:00,400

we often hear and kind of you know the

1545

01:00:03,270 --> 01:00:01,119

russian

1546

01:00:05,870 --> 01:00:03,280

leadership i mean do they all kind of

1547

01:00:09,910 --> 01:00:05,880

fall into this same

1548

01:00:13,349 --> 01:00:09,920

hodgepodge of intermarrying families

1549

01:00:15,589 --> 01:00:13,359

oh yeah because like the windsors

1550

01:00:17,589 --> 01:00:15,599

that's not their real name windsor was

1551

01:00:20,470 --> 01:00:17,599

the name of a castle they had

1552

01:00:21,109 --> 01:00:20,480

and their real name was uh well it used

1553

01:00:23,510 --> 01:00:21,119

to be

1554

01:00:24,950 --> 01:00:23,520

mount button uh and that was changed

1555

01:00:27,589 --> 01:00:24,960

during world war one

1556

01:00:28,549 --> 01:00:27,599

to from bottenburg because they were

1557

01:00:31,109 --> 01:00:28,559

germans

1558

01:00:32,150 --> 01:00:31,119

okay they all came from germany uh king

1559

01:00:33,589 --> 01:00:32,160

george

1560

01:00:35,510 --> 01:00:33,599

you might remember you know couldn't

1561

01:00:38,069 --> 01:00:35,520

even speak english uh

1562

01:00:40,069 --> 01:00:38,079

so uh then you go back to germany and

1563

01:00:42,470 --> 01:00:40,079

you track it on back and you find that

1564

01:00:43,190 --> 01:00:42,480

it's all connected and then you go back

1565

01:00:46,470 --> 01:00:43,200

all the way

1566

01:00:47,910 --> 01:00:46,480

into the uh roman times

1567

01:00:49,829 --> 01:00:47,920

and you find that they were all

1568

01:00:53,030 --> 01:00:49,839

connected with uh

1569

01:00:56,150 --> 01:00:53,040

the ancient legends and stuff uh

1570

01:00:58,789 --> 01:00:56,160

the famous general roman general sula

1571

01:01:01,910 --> 01:00:58,799

founded a college in rome dedicated to

1572

01:01:05,109 --> 01:01:01,920

the egyptian goddess eyed isis

1573

01:01:08,309 --> 01:01:05,119

and then julius caesar famous

1574

01:01:11,349 --> 01:01:08,319

roman leader claimed that he was

1575

01:01:14,230 --> 01:01:11,359

a descendant of the god prince aeneas

1576

01:01:16,069 --> 01:01:14,240

the father of romulus and remus who was

1577

01:01:19,190 --> 01:01:16,079

said to have been a hybrid

1578

01:01:21,589 --> 01:01:19,200

between a human and the goddess venus

1579

01:01:22,470 --> 01:01:21,599

known to the known as hathar to the

1580

01:01:25,910 --> 01:01:22,480

egyptians

1581

01:01:28,390 --> 01:01:25,920

and azeroth to the sumerians

1582

01:01:30,870 --> 01:01:28,400

and so we see this connection that goes

1583

01:01:33,990 --> 01:01:30,880

back through the romans and the greeks

1584

01:01:35,750 --> 01:01:34,000

back to the sumerian deities and

1585

01:01:37,910 --> 01:01:35,760

and who were they well the sumerians

1586

01:01:39,510 --> 01:01:37,920

wrote it all down on their clay tablets

1587

01:01:41,510 --> 01:01:39,520

bake them turn them to stone

1588

01:01:43,910 --> 01:01:41,520

and they still exist and when they're

1589

01:01:46,150 --> 01:01:43,920

translated we find out that

1590

01:01:48,069 --> 01:01:46,160

they are the descendants of the anunnaki

1591

01:01:51,270 --> 01:01:48,079

who came from space and landed on the

1592

01:01:54,950 --> 01:01:53,910

that just to me is is just kind of

1593

01:01:58,069 --> 01:01:54,960

mind-blowing

1594

01:02:00,549 --> 01:01:58,079

i guess the part that just okay there

1595

01:02:03,589 --> 01:02:00,559

are the connections that are going on

1596

01:02:05,510 --> 01:02:03,599

but how do they transmit

1597

01:02:08,789 --> 01:02:05,520

the secret knowledge like in the

1598

01:02:11,029 --> 01:02:08,799

priesthood or in these secret societies

1599

01:02:12,950 --> 01:02:11,039

you know of the days of old you know you

1600

01:02:15,670 --> 01:02:12,960

had to be initiated and then you had to

1601
01:02:18,150 --> 01:02:15,680
become like an apprentice of

1602
01:02:18,950 --> 01:02:18,160
that organization and then eventually

1603
01:02:22,150 --> 01:02:18,960
you could become

1604
01:02:24,549 --> 01:02:22,160
part of that today it doesn't seem like

1605
01:02:27,270 --> 01:02:24,559
we have that same kind of connection or

1606
01:02:30,309 --> 01:02:27,280
that same requirement to

1607
01:02:32,549 --> 01:02:30,319
go through initiation so

1608
01:02:34,470 --> 01:02:32,559
how does that secret knowledge or

1609
01:02:35,270 --> 01:02:34,480
whatever move forward how do they

1610
01:02:38,630 --> 01:02:35,280
connect

1611
01:02:42,630 --> 01:02:38,640
all right how do the et's

1612
01:02:45,349 --> 01:02:42,640
control through them to exert their

1613
01:02:46,390 --> 01:02:45,359

agenda on us okay that's a better

1614

01:02:48,150 --> 01:02:46,400

question

1615

01:02:50,630 --> 01:02:48,160

well your operative word there was

1616

01:02:53,829 --> 01:02:50,640

control do they control

1617

01:02:55,270 --> 01:02:53,839

uh since uh we assume that they were

1618

01:02:55,829 --> 01:02:55,280

telling us the truth and there were

1619

01:03:00,069 --> 01:02:55,839

these

1620

01:03:01,990 --> 01:03:00,079

in the distant past and that

1621

01:03:04,710 --> 01:03:02,000

we can trace them right on up to the

1622

01:03:06,950 --> 01:03:04,720

bloodlines until today

1623

01:03:09,510 --> 01:03:06,960

uh and there's obviously this group of

1624

01:03:11,750 --> 01:03:09,520

people trying to control the world today

1625

01:03:13,190 --> 01:03:11,760

that leads in my mind to three

1626
01:03:16,390 --> 01:03:13,200
possibilities

1627
01:03:19,109 --> 01:03:16,400
one they uh these uh

1628
01:03:20,630 --> 01:03:19,119
the illuminati the one percent the new

1629
01:03:23,829 --> 01:03:20,640
world order people

1630
01:03:27,029 --> 01:03:23,839
they are uh trying to contact

1631
01:03:31,190 --> 01:03:27,039
these ancient creator gods okay

1632
01:03:33,829 --> 01:03:31,200
or two uh they are in contact with them

1633
01:03:35,430 --> 01:03:33,839
and are being controlled or maybe just

1634
01:03:38,549 --> 01:03:35,440
advised

1635
01:03:41,829 --> 01:03:38,559
by by them or three they

1636
01:03:44,870 --> 01:03:41,839
are them and if

1637
01:03:47,510 --> 01:03:44,880
you clarify that last statement yeah

1638
01:03:49,589 --> 01:03:47,520

they are the they are the annunaki for

1639

01:03:52,870 --> 01:03:49,599

one thing and when i was in egypt uh

1640

01:03:54,069 --> 01:03:52,880

i remember going to um i think it was

1641

01:03:57,270 --> 01:03:54,079

cities temple

1642

01:03:58,950 --> 01:03:57,280

and they had a huge wall that were

1643

01:04:01,750 --> 01:03:58,960

listing all of the

1644

01:04:02,870 --> 01:04:01,760

kingships going all the way back even

1645

01:04:04,789 --> 01:04:02,880

beyond

1646

01:04:07,270 --> 01:04:04,799

uh ancient egypt and it went back for

1647

01:04:09,510 --> 01:04:07,280

like 43 000 years or more

1648

01:04:10,470 --> 01:04:09,520

and some of these kings that they were

1649

01:04:13,589 --> 01:04:10,480

recording

1650

01:04:16,230 --> 01:04:13,599

ruled for ten thousand twenty thousand

1651
01:04:18,230 --> 01:04:16,240
years and then of course we know from

1652
01:04:19,990 --> 01:04:18,240
the bible that methuselah lived eight

1653
01:04:21,589 --> 01:04:20,000
hundred nine hundred years

1654
01:04:23,589 --> 01:04:21,599
and that uh some of these people were

1655
01:04:26,150 --> 01:04:23,599
living a thousand years

1656
01:04:27,750 --> 01:04:26,160
now that seems pretty impossible and

1657
01:04:30,150 --> 01:04:27,760
far-fetched to us

1658
01:04:31,990 --> 01:04:30,160
but then we saw that this this age

1659
01:04:34,630 --> 01:04:32,000
continued to drop

1660
01:04:35,270 --> 01:04:34,640
uh whether through design or because of

1661
01:04:37,430 --> 01:04:35,280
the

1662
01:04:38,950 --> 01:04:37,440
maybe a thicker atmosphere and different

1663
01:04:40,950 --> 01:04:38,960

conditions on the earth well

1664

01:04:43,029 --> 01:04:40,960

they were eating white bread eating

1665

01:04:44,950 --> 01:04:43,039

white bread i figured that out they've

1666

01:04:47,430 --> 01:04:44,960

been eating white bread

1667

01:04:49,190 --> 01:04:47,440

it very well could be but it the age

1668

01:04:50,950 --> 01:04:49,200

continued to drop until it

1669

01:04:52,710 --> 01:04:50,960

got really low during the middle ages

1670

01:04:54,789 --> 01:04:52,720

when there wasn't any nutrition and

1671

01:04:55,829 --> 01:04:54,799

got down to you know what 34 or

1672

01:04:58,390 --> 01:04:55,839

something was all day

1673

01:04:59,430 --> 01:04:58,400

that's all they ate was white bread i

1674

01:05:01,510 --> 01:04:59,440

think i went to some

1675

01:05:02,870 --> 01:05:01,520

gym that's right they should have grown

1676

01:05:05,190 --> 01:05:02,880

some wheat bread

1677

01:05:07,190 --> 01:05:05,200

so but today now because of modern

1678

01:05:08,230 --> 01:05:07,200

technology medicine better diet now

1679

01:05:11,750 --> 01:05:08,240

we're back up to

1680

01:05:14,950 --> 01:05:11,760

you know 70 80 years old or more uh

1681

01:05:15,670 --> 01:05:14,960

so um how would they control people

1682

01:05:18,150 --> 01:05:15,680

today

1683

01:05:18,710 --> 01:05:18,160

let's take somebody like bill gates okay

1684

01:05:22,309 --> 01:05:18,720

who

1685

01:05:24,549 --> 01:05:22,319

this computer nerd

1686

01:05:25,349 --> 01:05:24,559

who had a great idea for an operating

1687

01:05:27,829 --> 01:05:25,359

system

1688

01:05:28,549 --> 01:05:27,839

and uh became pretty much cornered the

1689

01:05:30,069 --> 01:05:28,559

market

1690

01:05:32,069 --> 01:05:30,079

on computers and became one of the

1691

01:05:34,789 --> 01:05:32,079

richest men in the whole world

1692

01:05:35,349 --> 01:05:34,799

okay now how would you get him to come

1693

01:05:39,029 --> 01:05:35,359

in

1694

01:05:41,589 --> 01:05:39,039

to your little ancient alien group

1695

01:05:42,549 --> 01:05:41,599

and cooperate with what you're trying to

1696

01:05:44,950 --> 01:05:42,559

do and he

1697

01:05:46,630 --> 01:05:44,960

is cooperating because if you think

1698

01:05:48,309 --> 01:05:46,640

about it he's all over the place

1699

01:05:50,789 --> 01:05:48,319

telling everybody they need to get their

1700

01:05:52,870 --> 01:05:50,799

vaccinations in their inoculations

1701
01:05:53,829 --> 01:05:52,880
you know for the good of the world okay

1702
01:05:56,630 --> 01:05:53,839
what he doesn't tell you

1703
01:05:58,230 --> 01:05:56,640
is is that because their agenda is

1704
01:06:00,150 --> 01:05:58,240
population reduction

1705
01:06:02,230 --> 01:06:00,160
and if you take some of the additives

1706
01:06:03,270 --> 01:06:02,240
and the squalene and the stuff they're

1707
01:06:05,829 --> 01:06:03,280
putting in the

1708
01:06:07,270 --> 01:06:05,839
uh vaccinations that your immunization

1709
01:06:08,710 --> 01:06:07,280
system is going to break down

1710
01:06:10,710 --> 01:06:08,720
quicker you're probably going to die

1711
01:06:12,789 --> 01:06:10,720
earlier so you know we don't

1712
01:06:14,390 --> 01:06:12,799
quite know that but if that's the case

1713
01:06:15,430 --> 01:06:14,400

how would they get him to go along with

1714

01:06:17,510 --> 01:06:15,440

something like that

1715

01:06:19,029 --> 01:06:17,520

he's got all the money in the world well

1716

01:06:21,430 --> 01:06:19,039

what if they told him look

1717

01:06:23,109 --> 01:06:21,440

number one this is necessary because if

1718

01:06:24,630 --> 01:06:23,119

we don't cut the population

1719

01:06:26,390 --> 01:06:24,640

uh you know we're going to overburden

1720

01:06:27,670 --> 01:06:26,400

the world and the world will come to an

1721

01:06:28,309 --> 01:06:27,680

end and you don't want that on your

1722

01:06:31,990 --> 01:06:28,319

conscience

1723

01:06:35,109 --> 01:06:32,000

and number two if you'll help us we will

1724

01:06:37,910 --> 01:06:35,119

give you use of our technology and you

1725

01:06:38,309 --> 01:06:37,920

can go illness free for the rest of your

1726

01:06:40,069 --> 01:06:38,319

life

1727

01:06:42,470 --> 01:06:40,079

and probably live to be a couple of

1728

01:06:44,390 --> 01:06:42,480

hundred years old if you want to

1729

01:06:45,990 --> 01:06:44,400

and he might say well yeah but and

1730

01:06:48,069 --> 01:06:46,000

people gonna notice

1731

01:06:50,710 --> 01:06:48,079

no because once you get to the level of

1732

01:06:52,710 --> 01:06:50,720

the bushes and the gates and the people

1733

01:06:54,069 --> 01:06:52,720

they don't they don't live the same type

1734

01:06:56,390 --> 01:06:54,079

life that we do

1735

01:06:57,829 --> 01:06:56,400

i recall uh when george herbert walker

1736

01:07:00,950 --> 01:06:57,839

bush was president

1737

01:07:02,069 --> 01:07:00,960

they took him to a supermarket for a

1738

01:07:06,870 --> 01:07:02,079

photo op

1739

01:07:08,950 --> 01:07:06,880

and when the checker was running the

1740

01:07:11,029 --> 01:07:08,960

produce and the products across the

1741

01:07:13,589 --> 01:07:11,039

scanner and it was going deep

1742

01:07:14,710 --> 01:07:13,599

deep deep you know and he said what's

1743

01:07:16,230 --> 01:07:14,720

that noise

1744

01:07:18,390 --> 01:07:16,240

he didn't understand it because he had

1745

01:07:19,910 --> 01:07:18,400

never had to go shop in a grocery store

1746

01:07:21,750 --> 01:07:19,920

he always had somebody come and serve

1747

01:07:23,910 --> 01:07:21,760

him dinner and

1748

01:07:24,870 --> 01:07:23,920

that same deal they just don't live the

1749

01:07:26,630 --> 01:07:24,880

same life

1750

01:07:29,190 --> 01:07:26,640

and so they have their own private

1751

01:07:31,190 --> 01:07:29,200

doctors and so it's very easy

1752

01:07:32,630 --> 01:07:31,200

especially if they have this masking

1753

01:07:34,230 --> 01:07:32,640

technology

1754

01:07:36,150 --> 01:07:34,240

and plus they have control over the

1755

01:07:38,150 --> 01:07:36,160

government we know the government has a

1756

01:07:39,990 --> 01:07:38,160

federal witness protection program

1757

01:07:41,990 --> 01:07:40,000

where they can just give you a whole new

1758

01:07:45,270 --> 01:07:42,000

identity and all you'd have to do

1759

01:07:45,829 --> 01:07:45,280

to disappear uh dr louise is head off to

1760

01:07:47,510 --> 01:07:45,839

the

1761

01:07:48,950 --> 01:07:47,520

northwest or somewhere where you don't

1762

01:07:51,510 --> 01:07:48,960

normally hang out

1763

01:07:52,470 --> 01:07:51,520

uh maybe put on some glasses and dye

1764

01:07:54,069 --> 01:07:52,480

your hair

1765

01:07:55,589 --> 01:07:54,079

and then you've got a whole new identity

1766

01:07:56,630 --> 01:07:55,599

given to you by the federal government

1767

01:07:59,829 --> 01:07:56,640

which is not a

1768

01:08:00,870 --> 01:07:59,839

fake identity you you've got a driver's

1769

01:08:03,109 --> 01:08:00,880

license and a

1770

01:08:03,910 --> 01:08:03,119

social security card and and all of this

1771

01:08:05,990 --> 01:08:03,920

stuff and

1772

01:08:07,750 --> 01:08:06,000

a computer background and it's all

1773

01:08:09,029 --> 01:08:07,760

legitimate because they've given it

1774

01:08:12,549 --> 01:08:09,039

their

1775

01:08:15,510 --> 01:08:12,559

seal of approval and uh you just so

1776

01:08:17,349 --> 01:08:15,520

you know it gets to be you get to be

1777

01:08:18,870 --> 01:08:17,359

almost 100 years old you simply

1778

01:08:21,110 --> 01:08:18,880

announced to the world that

1779

01:08:23,030 --> 01:08:21,120

you died and then you just keep going

1780

01:08:25,189 --> 01:08:23,040

under another identity

1781

01:08:27,269 --> 01:08:25,199

now that sounds far-fetched but you know

1782

01:08:31,030 --> 01:08:27,279

it but the technology's all there

1783

01:08:33,189 --> 01:08:31,040

there's no reason why that can't happen

1784

01:08:35,030 --> 01:08:33,199

but it seems like it's it's happening

1785

01:08:37,269 --> 01:08:35,040

but what do you think about the idea of

1786

01:08:39,990 --> 01:08:37,279

them taking the population down to

1787

01:08:40,390 --> 01:08:40,000

500 000 people i mean that just seems

1788

01:08:43,669 --> 01:08:40,400

like

1789

01:08:44,390 --> 01:08:43,679

not enough people well as long as as

1790

01:08:46,630 --> 01:08:44,400

long as i'm

1791

01:08:50,390 --> 01:08:46,640

included in that that might be a great

1792

01:08:54,390 --> 01:08:52,709

the problem is i can't guarantee that

1793

01:08:56,390 --> 01:08:54,400

i'm going to be part of it so

1794

01:08:57,590 --> 01:08:56,400

uh if i'm not then i don't want any part

1795

01:08:59,510 --> 01:08:57,600

of that plan

1796

01:09:00,870 --> 01:08:59,520

uh besides that this whole thing about

1797

01:09:04,070 --> 01:09:00,880

overpopulation

1798

01:09:05,910 --> 01:09:04,080

uh is blown out of proportion anyway

1799

01:09:07,829 --> 01:09:05,920

uh people who live in the cities you

1800

01:09:09,269 --> 01:09:07,839

know every day there's this elbow to

1801

01:09:11,430 --> 01:09:09,279

elbow with somebody

1802

01:09:13,590 --> 01:09:11,440

and all night there's noises and sirens

1803

01:09:16,149 --> 01:09:13,600

and people walking up downstairs and

1804

01:09:17,910 --> 01:09:16,159

you know it's like whoa surely we could

1805

01:09:19,349 --> 01:09:17,920

do without some of these people

1806

01:09:21,110 --> 01:09:19,359

especially if they have to drive on the

1807

01:09:23,269 --> 01:09:21,120

freeways but

1808

01:09:25,829 --> 01:09:23,279

if you go out and travel around the

1809

01:09:28,309 --> 01:09:25,839

country just go drive through west texas

1810

01:09:29,590 --> 01:09:28,319

holy cow you drive all day long and

1811

01:09:34,070 --> 01:09:29,600

hardly see anybody

1812

01:09:36,630 --> 01:09:34,080

you know uh in fact here are the facts

1813

01:09:38,470 --> 01:09:36,640

in hong kong today which is jammed up in

1814

01:09:42,390 --> 01:09:38,480

those high-rises

1815

01:09:45,590 --> 01:09:42,400

there over in asia the average

1816

01:09:48,229 --> 01:09:45,600

living space is 1700 square feet

1817

01:09:50,229 --> 01:09:48,239

hey a 1700 square foot apartment that's

1818

01:09:51,510 --> 01:09:50,239

not a bad apartment that's a pretty good

1819

01:09:54,470 --> 01:09:51,520

sized apartment

1820

01:09:55,590 --> 01:09:54,480

and so based on 1700 square feet of

1821

01:09:57,590 --> 01:09:55,600

living space

1822

01:09:59,830 --> 01:09:57,600

uh everybody the whole population in the

1823

01:10:02,790 --> 01:09:59,840

world 6.5 billion

1824

01:10:04,709 --> 01:10:02,800

could live comfortably enough in the

1825

01:10:07,030 --> 01:10:04,719

state of texas

1826

01:10:08,470 --> 01:10:07,040

with nobody else anywhere in the world

1827

01:10:10,310 --> 01:10:08,480

of course now i don't want that

1828

01:10:11,590 --> 01:10:10,320

please don't come to texas we got enough

1829

01:10:13,669 --> 01:10:11,600

people here now

1830

01:10:15,510 --> 01:10:13,679

yeah but what about all the parking lots

1831

01:10:16,870 --> 01:10:15,520

but we have to like well that's because

1832

01:10:17,830 --> 01:10:16,880

yeah that's because everybody wants

1833

01:10:20,229 --> 01:10:17,840

their car

1834

01:10:22,229 --> 01:10:20,239

what if you didn't need a car what if

1835

01:10:24,070 --> 01:10:22,239

you could get on a public bicycle that's

1836

01:10:25,510 --> 01:10:24,080

just lying around anywhere you just walk

1837

01:10:26,790 --> 01:10:25,520

out the door and go find one lean up

1838

01:10:29,590 --> 01:10:26,800

against the post somewhere

1839

01:10:31,430 --> 01:10:29,600

and you paddle it down to the uh to the

1840

01:10:34,070 --> 01:10:31,440

high-speed rail system

1841

01:10:36,149 --> 01:10:34,080

and which will carry you to the uh

1842

01:10:38,149 --> 01:10:36,159

commercial district or the entertainment

1843

01:10:40,149 --> 01:10:38,159

district or whatever you wander around

1844

01:10:41,990 --> 01:10:40,159

go to the restaurants of your choice

1845

01:10:43,990 --> 01:10:42,000

go to the stores that you want to go be

1846

01:10:46,070 --> 01:10:44,000

like a huge big shopping mall

1847

01:10:47,830 --> 01:10:46,080

and then you ride the rails back out to

1848

01:10:49,110 --> 01:10:47,840

the suburbs you get on your bicycle you

1849

01:10:51,350 --> 01:10:49,120

go to your house

1850

01:10:53,590 --> 01:10:51,360

the air is clean there's no pollution it

1851
01:10:56,149 --> 01:10:53,600
could happen we have the technology

1852
01:10:57,270 --> 01:10:56,159
it's just that that might interfere with

1853
01:11:00,709 --> 01:10:57,280
these folks

1854
01:11:01,990 --> 01:11:00,719
monopolies where they get their money

1855
01:11:03,669 --> 01:11:02,000
and hence their power

1856
01:11:05,350 --> 01:11:03,679
it just makes me laugh you know during

1857
01:11:07,830 --> 01:11:05,360
the break we were talking about

1858
01:11:09,750 --> 01:11:07,840
summers in texas and i'm thinking okay

1859
01:11:11,669 --> 01:11:09,760
jim i want to see you get on the bike in

1860
01:11:14,630 --> 01:11:11,679
the middle of august and just pedal on

1861
01:11:16,229 --> 01:11:14,640
down to the train station

1862
01:11:18,550 --> 01:11:16,239
well yeah but let me tell you something

1863
01:11:21,590 --> 01:11:18,560

there's a uh there's a place here

1864

01:11:24,390 --> 01:11:21,600

uh and between dallas and fort worth

1865

01:11:25,750 --> 01:11:24,400

um i can't tell you the name of it right

1866

01:11:29,189 --> 01:11:25,760

now got a block

1867

01:11:32,550 --> 01:11:29,199

but uh it's like a huge hotel

1868

01:11:36,790 --> 01:11:32,560

conference center mall and it's all

1869

01:11:38,070 --> 01:11:36,800

under a giant dome and uh

1870

01:11:39,830 --> 01:11:38,080

during the break joe was talking about

1871

01:11:41,910 --> 01:11:39,840

going to san antonio and i in san

1872

01:11:44,470 --> 01:11:41,920

antonio they have a river walk

1873

01:11:45,510 --> 01:11:44,480

which is along the river there uh it's

1874

01:11:47,669 --> 01:11:45,520

just beautiful

1875

01:11:49,430 --> 01:11:47,679

you know well they've got a river walk

1876

01:11:50,950 --> 01:11:49,440

uh at this place

1877

01:11:53,669 --> 01:11:50,960

and it's under a big dome and it's

1878

01:11:55,990 --> 01:11:53,679

air-conditioned so it could all work

1879

01:11:57,110 --> 01:11:56,000

we have the technology we have the

1880

01:11:59,510 --> 01:11:57,120

technology that

1881

01:12:01,590 --> 01:11:59,520

in fact here's the biggest conspiracy

1882

01:12:04,149 --> 01:12:01,600

going on today

1883

01:12:05,750 --> 01:12:04,159

we have the technology off the shelf

1884

01:12:07,669 --> 01:12:05,760

ready to go

1885

01:12:10,070 --> 01:12:07,679

that could turn this whole world into a

1886

01:12:11,750 --> 01:12:10,080

paradise there's no reason that we

1887

01:12:13,189 --> 01:12:11,760

shouldn't be able to provide every

1888

01:12:16,709 --> 01:12:13,199

single human being

1889

01:12:20,630 --> 01:12:16,719

on this planet with decent housing

1890

01:12:24,229 --> 01:12:20,640

and food clothing and and basic medical

1891

01:12:25,270 --> 01:12:24,239

care okay and but yet as we're talking

1892

01:12:27,110 --> 01:12:25,280

right now

1893

01:12:29,270 --> 01:12:27,120

we know in the back of our mind we try

1894

01:12:31,669 --> 01:12:29,280

to shut this out but we know

1895

01:12:32,550 --> 01:12:31,679

there are literally millions of kids

1896

01:12:34,830 --> 01:12:32,560

children

1897

01:12:36,390 --> 01:12:34,840

starving to death around the world right

1898

01:12:39,430 --> 01:12:36,400

now

1899

01:12:40,950 --> 01:12:39,440

either but

1900

01:12:42,470 --> 01:12:40,960

why is it that way well it's that way

1901

01:12:43,110 --> 01:12:42,480

because i guarantee you somewhere

1902

01:12:45,910 --> 01:12:43,120

somebody

1903

01:12:47,910 --> 01:12:45,920

wants it that way if nobody wanted it

1904

01:12:49,990 --> 01:12:47,920

that way it wouldn't be that way

1905

01:12:53,430 --> 01:12:50,000

so we are being kept down we've been

1906

01:12:55,990 --> 01:12:53,440

kept down as a slave race

1907

01:12:57,430 --> 01:12:56,000

and it used to be with the literal

1908

01:12:59,750 --> 01:12:57,440

chains and whips

1909

01:13:00,630 --> 01:12:59,760

but now they've gotten smarter today

1910

01:13:04,310 --> 01:13:00,640

it's with

1911

01:13:05,030 --> 01:13:04,320

economics and religion but the part i

1912

01:13:07,510 --> 01:13:05,040

don't get

1913

01:13:10,950 --> 01:13:07,520

is you know you hear the talk about the

1914

01:13:13,030 --> 01:13:10,960

gmos and the chemtrails and vaccines

1915

01:13:14,550 --> 01:13:13,040

i mean if you're one of the one percent

1916

01:13:17,750 --> 01:13:14,560

okay you don't have to

1917

01:13:19,189 --> 01:13:17,760

do the vaccine then you probably for a

1918

01:13:21,990 --> 01:13:19,199

certain amount of time

1919

01:13:24,149 --> 01:13:22,000

can get around the gmos but i think my

1920

01:13:25,430 --> 01:13:24,159

feeling is is that the gmos are gonna

1921

01:13:28,870 --> 01:13:25,440

become

1922

01:13:31,110 --> 01:13:28,880

just part of our food and we're gonna

1923

01:13:32,229 --> 01:13:31,120

we're gonna screw ourselves over but the

1924

01:13:34,470 --> 01:13:32,239

chemtrails

1925

01:13:35,990 --> 01:13:34,480

it's like okay you know don't you have

1926

01:13:37,510 --> 01:13:36,000

to breathe the same air

1927

01:13:39,750 --> 01:13:37,520

or are you just like running around like

1928

01:13:40,310 --> 01:13:39,760

michael jackson with the gas mask on all

1929

01:13:42,470 --> 01:13:40,320

the time

1930

01:13:44,229 --> 01:13:42,480

i i don't understand why they're doing

1931

01:13:45,910 --> 01:13:44,239

some of the things they're doing

1932

01:13:47,830 --> 01:13:45,920

well what they're doing with the

1933

01:13:49,110 --> 01:13:47,840

chemtrails and the vaccinations and the

1934

01:13:51,830 --> 01:13:49,120

pollution and the

1935

01:13:53,669 --> 01:13:51,840

gm0s and the bad food and water and the

1936

01:13:56,630 --> 01:13:53,679

fluoride in the water and

1937

01:13:58,390 --> 01:13:56,640

everything else is is that they are uh

1938

01:14:01,189 --> 01:13:58,400

basically killing us but

1939

01:14:02,950 --> 01:14:01,199

not in an overt way uh if people were

1940

01:14:04,149 --> 01:14:02,960

just dropping like flies there'd be a

1941

01:14:06,870 --> 01:14:04,159

huge outcry

1942

01:14:08,550 --> 01:14:06,880

and there'd be a huge rebellion but as

1943

01:14:10,870 --> 01:14:08,560

long as everybody's fat and sassy and

1944

01:14:12,310 --> 01:14:10,880

they got their beer and they got this tv

1945

01:14:14,070 --> 01:14:12,320

and they got their nascar and their

1946

01:14:16,790 --> 01:14:14,080

football games and you know

1947

01:14:18,470 --> 01:14:16,800

bridge and whatever and they can keep

1948

01:14:21,510 --> 01:14:18,480

themselves occupied on

1949

01:14:22,070 --> 01:14:21,520

on the social networks and they got food

1950

01:14:24,070 --> 01:14:22,080

to eat

1951

01:14:25,510 --> 01:14:24,080

then they're just going to grow obese

1952

01:14:27,910 --> 01:14:25,520

and they're going to breathe

1953

01:14:29,110 --> 01:14:27,920

the chemtrail air and then they're just

1954

01:14:30,870 --> 01:14:29,120

going to die of cancer

1955

01:14:32,550 --> 01:14:30,880

or something a lot sooner than they

1956

01:14:34,709 --> 01:14:32,560

would have naturally

1957

01:14:35,669 --> 01:14:34,719

okay so it's a way of killing off the

1958

01:14:39,110 --> 01:14:35,679

population

1959

01:14:41,510 --> 01:14:39,120

they're doing to them

1960

01:14:43,990 --> 01:14:41,520

now it's a very good question as to well

1961

01:14:45,590 --> 01:14:44,000

aren't they impacted with this too

1962

01:14:47,350 --> 01:14:45,600

right they bring the claim there don't

1963

01:14:50,790 --> 01:14:47,360

they eat the same food

1964

01:14:51,830 --> 01:14:50,800

okay number one maybe not maybe they got

1965

01:14:54,550 --> 01:14:51,840

ways around it

1966

01:14:57,189 --> 01:14:54,560

but even if they don't i would submit

1967

01:14:59,110 --> 01:14:57,199

they have the technology to overcome it

1968

01:15:01,430 --> 01:14:59,120

i don't know how familiar you are with

1969

01:15:04,470 --> 01:15:01,440

the work of royal raymond rife

1970

01:15:07,750 --> 01:15:04,480

but you know there is the rife equipment

1971

01:15:10,070 --> 01:15:07,760

that can uh overcome diseases

1972

01:15:11,189 --> 01:15:10,080

and overcome certain conditions and it

1973

01:15:13,669 --> 01:15:11,199

may be that

1974

01:15:14,870 --> 01:15:13,679

since the chemtrails are made up mostly

1975

01:15:18,870 --> 01:15:14,880

of heavy metals

1976

01:15:22,070 --> 01:15:18,880

that certain therapies like chelation

1977

01:15:24,790 --> 01:15:22,080

and or the rife type equipment

1978

01:15:26,229 --> 01:15:24,800

can counterbalance that and again if you

1979

01:15:27,990 --> 01:15:26,239

play ball with them

1980

01:15:30,709 --> 01:15:28,000

then they'll give you access to their

1981

01:15:32,229 --> 01:15:30,719

technology and you can live a long happy

1982

01:15:33,990 --> 01:15:32,239

prosperous life

1983

01:15:36,070 --> 01:15:34,000

well i'm just trying to think you know

1984

01:15:38,149 --> 01:15:36,080

in the back of my mind i'm going okay so

1985

01:15:39,910 --> 01:15:38,159

can you think of any like important

1986

01:15:41,750 --> 01:15:39,920

people that are living long lives

1987

01:15:43,830 --> 01:15:41,760

i mean you know ones that don't have

1988

01:15:45,510 --> 01:15:43,840

mysterious car accidents or

1989

01:15:48,149 --> 01:15:45,520

commit suicide with three bullets in the

1990

01:15:51,350 --> 01:15:48,159

back of their head and and those kind of

1991

01:15:54,630 --> 01:15:51,360

uh but harry kissinger how old is he

1992

01:15:55,910 --> 01:15:54,640

didn't he 90 something i don't know

1993

01:16:00,390 --> 01:15:55,920

you know i have the first question i

1994

01:16:06,149 --> 01:16:03,750

oh boy is he still attends those uh

1995

01:16:08,229 --> 01:16:06,159

bilderberg meetings well that's true and

1996

01:16:11,350 --> 01:16:08,239

queen elizabeth i mean she's still

1997

01:16:15,830 --> 01:16:11,360

kicking right and

1998

01:16:17,830 --> 01:16:15,840

uh who was the basketball star

1999

01:16:20,229 --> 01:16:17,840

that at one point they announced had

2000

01:16:22,870 --> 01:16:20,239

aids they

2001

01:16:24,870 --> 01:16:22,880

johnson yeah magic johnson and i'm

2002

01:16:27,030 --> 01:16:24,880

thinking oh poor guy he ain't gonna last

2003

01:16:31,910 --> 01:16:27,040

long but hey he's still going

2004

01:16:35,590 --> 01:16:33,510

well it'll be interesting to see how

2005

01:16:40,630 --> 01:16:35,600

this all plays out i mean if we're

2006

01:16:43,669 --> 01:16:40,640

all still alive yeah if we can survive

2007

01:16:47,110 --> 01:16:43,679

well that you know this the good

2008

01:16:49,750 --> 01:16:47,120

the good side the good news is that

2009

01:16:50,310 --> 01:16:49,760

uh there's more of us than there are

2010

01:16:52,550 --> 01:16:50,320

them

2011

01:16:54,310 --> 01:16:52,560

and we're getting smarter all the time

2012

01:16:54,630 --> 01:16:54,320

and there's more and more people waking

2013

01:16:58,189 --> 01:16:54,640

up

2014

01:17:02,550 --> 01:16:58,199

and refusing to go along with the uh

2015

01:17:04,149 --> 01:17:02,560

totalitarian orwellian uh society that

2016

01:17:05,669 --> 01:17:04,159

they're trying to create so that they

2017

01:17:08,950 --> 01:17:05,679

can keep control

2018

01:17:11,590 --> 01:17:08,960

over every single individual um

2019

01:17:13,189 --> 01:17:11,600

i see encouraging things all the time

2020

01:17:14,470 --> 01:17:13,199

but we just got to get more and more

2021

01:17:16,870 --> 01:17:14,480

people waked up

2022

01:17:18,149 --> 01:17:16,880

and they've got to understand what's

2023

01:17:21,910 --> 01:17:18,159

going on

2024

01:17:24,229 --> 01:17:21,920

the oldest tactic in the world is divide

2025

01:17:26,870 --> 01:17:24,239

and conquer and this is what we see

2026

01:17:28,950 --> 01:17:26,880

happening in america right now today

2027

01:17:31,030 --> 01:17:28,960

uh at the time of world war ii when we

2028

01:17:32,709 --> 01:17:31,040

truly had foreign enemies

2029

01:17:34,709 --> 01:17:32,719

that really wanted to destroy the

2030

01:17:35,270 --> 01:17:34,719

country we had the german nazis and we

2031

01:17:38,470 --> 01:17:35,280

had the

2032

01:17:40,470 --> 01:17:38,480

japanese and militarists

2033

01:17:42,390 --> 01:17:40,480

who and they really they were all ready

2034

01:17:43,430 --> 01:17:42,400

to invade they were ready to conquer

2035

01:17:45,350 --> 01:17:43,440

america

2036

01:17:47,030 --> 01:17:45,360

and so did we run around like chickens

2037

01:17:49,510 --> 01:17:47,040

with their heads cut off and screaming

2038

01:17:50,550 --> 01:17:49,520

oh terror is no terrorist oh no i'm so

2039

01:17:53,189 --> 01:17:50,560

afraid

2040

01:17:55,830 --> 01:17:53,199

no uh the president roosevelt comes on

2041

01:17:57,990 --> 01:17:55,840

the national radio the media and says

2042

01:17:59,350 --> 01:17:58,000

the only thing that we have to fear is

2043

01:18:01,430 --> 01:17:59,360

fear itself

2044

01:18:03,590 --> 01:18:01,440

you know let's roll up her sleeve let's

2045

01:18:06,229 --> 01:18:03,600

get things done take care of business

2046

01:18:07,110 --> 01:18:06,239

and we did and then we just set back on

2047

01:18:09,910 --> 01:18:07,120

our haunches

2048

01:18:11,669 --> 01:18:09,920

and let the nazis take over okay because

2049

01:18:12,870 --> 01:18:11,679

we beat the germans but we didn't beat

2050

01:18:15,669 --> 01:18:12,880

the nazis

2051

01:18:16,070 --> 01:18:15,679

and they were under the control of these

2052

01:18:18,790 --> 01:18:16,080

uh

2053

01:18:20,310 --> 01:18:18,800

same banking elites that had created

2054

01:18:23,189 --> 01:18:20,320

communism in russia

2055

01:18:24,149 --> 01:18:23,199

then created national socialism in

2056

01:18:26,709 --> 01:18:24,159

germany

2057

01:18:27,430 --> 01:18:26,719

and were bent on trying to control the

2058

01:18:29,430 --> 01:18:27,440

world

2059

01:18:31,590 --> 01:18:29,440

uh the reason they hadn't had that much

2060

01:18:31,910 --> 01:18:31,600

success up until about the time of world

2061

01:18:34,709 --> 01:18:31,920

war

2062

01:18:35,910 --> 01:18:34,719

ii was simply because the technology

2063

01:18:38,310 --> 01:18:35,920

wasn't there

2064

01:18:39,830 --> 01:18:38,320

but today it is now they got drones

2065

01:18:42,390 --> 01:18:39,840

they've got little

2066

01:18:44,149 --> 01:18:42,400

little little drones the size and look

2067

01:18:45,990 --> 01:18:44,159

of a mosquito that are actually little

2068

01:18:48,390 --> 01:18:46,000

robots you could go around spying

2069

01:18:49,990 --> 01:18:48,400

and send things back we got cameras all

2070

01:18:51,030 --> 01:18:50,000

over the place you can't do anything

2071

01:18:53,910 --> 01:18:51,040

without

2072

01:18:54,790 --> 01:18:53,920

giving some kind of id you know it makes

2073

01:18:57,270 --> 01:18:54,800

the old

2074

01:18:59,510 --> 01:18:57,280

nazi thing about show me your papers

2075

01:19:01,590 --> 01:18:59,520

pretty obsolete because now you just

2076

01:19:03,110 --> 01:19:01,600

walk in a place you got electronic

2077

01:19:05,990 --> 01:19:03,120

readers that can read the

2078

01:19:07,510 --> 01:19:06,000

um credit cards in your wallet or purse

2079

01:19:08,709 --> 01:19:07,520

okay they know who you are and where you

2080

01:19:10,070 --> 01:19:08,719

are and what you're doing and of course

2081

01:19:11,270 --> 01:19:10,080

we're helping them along because every

2082

01:19:13,590 --> 01:19:11,280

time we go somewhere and

2083

01:19:14,310 --> 01:19:13,600

we'll buy a pack of cigarettes we swipe

2084

01:19:15,830 --> 01:19:14,320

a card

2085

01:19:17,350 --> 01:19:15,840

and they know right where you are how

2086

01:19:19,590 --> 01:19:17,360

much money you got in the bank

2087

01:19:20,470 --> 01:19:19,600

and what you buying and where you bought

2088

01:19:23,510 --> 01:19:20,480

it yeah

2089

01:19:25,510 --> 01:19:23,520

so and then we posted on facebook but

2090

01:19:28,630 --> 01:19:25,520

then we posted on facebook

2091

01:19:29,270 --> 01:19:28,640

yeah yeah yeah i'm wondering i wonder if

2092

01:19:30,709 --> 01:19:29,280

anybody has

2093

01:19:32,390 --> 01:19:30,719

ever got a letter from the national

2094

01:19:34,310 --> 01:19:32,400

security agency saying

2095

01:19:36,149 --> 01:19:34,320

thank you for your facebook page you

2096

01:19:37,030 --> 01:19:36,159

saved us you know a hundred thousand

2097

01:19:39,910 --> 01:19:37,040

dollars in

2098

01:19:41,590 --> 01:19:39,920

snooping uh cost you know to find out

2099

01:19:43,830 --> 01:19:41,600

about you

2100

01:19:45,350 --> 01:19:43,840

i don't get it one of the things that i

2101

01:19:48,630 --> 01:19:45,360

i feel

2102

01:19:51,590 --> 01:19:48,640

is that the agenda whatever that

2103

01:19:52,070 --> 01:19:51,600

is is just speeding up and the strong

2104

01:19:55,110 --> 01:19:52,080

hand

2105

01:19:56,149 --> 01:19:55,120

of control is coming down on us harder

2106

01:19:58,149 --> 01:19:56,159

it seems like

2107

01:19:59,590 --> 01:19:58,159

every week you hear them passing some

2108

01:20:03,430 --> 01:19:59,600

other law or

2109

01:20:04,790 --> 01:20:03,440

you know gun control or some this or

2110

01:20:06,550 --> 01:20:04,800

that

2111

01:20:08,950 --> 01:20:06,560

what do you think is going on why do you

2112

01:20:11,350 --> 01:20:08,960

think the the timeline

2113

01:20:13,270 --> 01:20:11,360

that's the only word i can think of is

2114

01:20:15,430 --> 01:20:13,280

really accelerated

2115

01:20:17,510 --> 01:20:15,440

well because i think that they're on

2116

01:20:20,709 --> 01:20:17,520

some kind of deadline

2117

01:20:22,870 --> 01:20:20,719

i think something is coming up uh here's

2118

01:20:25,270 --> 01:20:22,880

here's one possibility i'm not saying

2119

01:20:27,270 --> 01:20:25,280

this is the case because i don't know

2120

01:20:30,470 --> 01:20:27,280

but let's assume there was a worldwide

2121

01:20:33,830 --> 01:20:30,480

civilization thousands of years ago

2122

01:20:36,149 --> 01:20:33,840

and it fell into conflict and

2123

01:20:37,350 --> 01:20:36,159

let's say there was a war or rebellion a

2124

01:20:40,790 --> 01:20:37,360

war and maybe

2125

01:20:44,149 --> 01:20:40,800

which either uh prompted or accompanied

2126
01:20:46,550 --> 01:20:44,159
uh some geophysical uh catastrophes uh

2127
01:20:48,629 --> 01:20:46,560
you know earthquakes and volcanoes

2128
01:20:51,669 --> 01:20:48,639
eruptions all kinds of things

2129
01:20:55,430 --> 01:20:51,679
and that uh part of those people had

2130
01:20:58,310 --> 01:20:55,440
the uh ability to leave the planet

2131
01:21:00,550 --> 01:20:58,320
and they said uh we're leaving so they

2132
01:21:02,390 --> 01:21:00,560
so the bulk of them left but they left

2133
01:21:04,229 --> 01:21:02,400
behind some of the troublemakers the

2134
01:21:05,990 --> 01:21:04,239
people who were trying to

2135
01:21:07,270 --> 01:21:06,000
despoil the planet people who were

2136
01:21:09,990 --> 01:21:07,280
trying to uh

2137
01:21:11,189 --> 01:21:10,000
dominate the human race and they left it

2138
01:21:13,510 --> 01:21:11,199

in their hands

2139

01:21:15,270 --> 01:21:13,520

and now they are they're like uh

2140

01:21:16,070 --> 01:21:15,280

charlene heston on the planet of the

2141

01:21:18,229 --> 01:21:16,080

apes

2142

01:21:19,830 --> 01:21:18,239

uh they're they know they're they're

2143

01:21:20,390 --> 01:21:19,840

somewhat from somewhere else and they

2144

01:21:22,870 --> 01:21:20,400

know

2145

01:21:24,070 --> 01:21:22,880

that there's better technology but they

2146

01:21:26,870 --> 01:21:24,080

don't have it

2147

01:21:27,669 --> 01:21:26,880

okay if you and i went back in the time

2148

01:21:31,350 --> 01:21:27,679

machine

2149

01:21:34,550 --> 01:21:31,360

to oh let's just say 1860

2150

01:21:35,590 --> 01:21:34,560

okay we know about automobiles we know

2151

01:21:38,709 --> 01:21:35,600

how they work

2152

01:21:41,030 --> 01:21:38,719

but could we build automobile no

2153

01:21:42,070 --> 01:21:41,040

we couldn't even build a spark plug the

2154

01:21:44,229 --> 01:21:42,080

infrastructure

2155

01:21:46,390 --> 01:21:44,239

for creating that technology was not

2156

01:21:49,510 --> 01:21:46,400

there and it hasn't been

2157

01:21:51,189 --> 01:21:49,520

in our recorded history so it's just now

2158

01:21:53,669 --> 01:21:51,199

that these folks are getting

2159

01:21:54,310 --> 01:21:53,679

uh and using and piggybacking our

2160

01:21:57,030 --> 01:21:54,320

knowledge

2161

01:21:58,390 --> 01:21:57,040

and our advancement in technology to get

2162

01:22:01,189 --> 01:21:58,400

to the point to where

2163

01:22:02,390 --> 01:22:01,199

they can finally get to the control that

2164

01:22:05,750 --> 01:22:02,400

they've been seeking

2165

01:22:07,830 --> 01:22:05,760

all along so uh so but something's

2166

01:22:10,070 --> 01:22:07,840

going on there's a deadline something's

2167

01:22:13,270 --> 01:22:10,080

coming up and it may be

2168

01:22:14,790 --> 01:22:13,280

that uh nibiru is coming back it may be

2169

01:22:15,830 --> 01:22:14,800

that they know there's going to be some

2170

01:22:17,750 --> 01:22:15,840

kind of a

2171

01:22:19,350 --> 01:22:17,760

universal event that's going to cause

2172

01:22:22,830 --> 01:22:19,360

problems that could be

2173

01:22:23,990 --> 01:22:22,840

it could be that the the rest of the

2174

01:22:27,030 --> 01:22:24,000

et's

2175

01:22:29,189 --> 01:22:27,040

have sent cops back to restore order

2176
01:22:31,189 --> 01:22:29,199
and they know they better get under this

2177
01:22:32,629 --> 01:22:31,199
planted under good control if they want

2178
01:22:36,470 --> 01:22:32,639
to maintain their

2179
01:22:39,510 --> 01:22:36,480
their power and control over us

2180
01:22:40,470 --> 01:22:39,520
and so they are now pushing as hard as

2181
01:22:43,189 --> 01:22:40,480
they can

2182
01:22:44,870 --> 01:22:43,199
uh to get control over the individuals

2183
01:22:45,590 --> 01:22:44,880
and the biggest stumbling block that

2184
01:22:48,550 --> 01:22:45,600
they have

2185
01:22:50,550 --> 01:22:48,560
because most nations of the world are

2186
01:22:52,550 --> 01:22:50,560
under pretty good control especially the

2187
01:22:54,390 --> 01:22:52,560
third world nations there and they're

2188
01:22:57,750 --> 01:22:54,400

all under an ant hill

2189

01:22:59,430 --> 01:22:57,760

uh tyrannical society uh run by a king

2190

01:23:02,870 --> 01:22:59,440

or a warlord or a

2191

01:23:03,750 --> 01:23:02,880

family you know but the biggest problem

2192

01:23:06,870 --> 01:23:03,760

they have

2193

01:23:10,629 --> 01:23:06,880

is the united states because we have

2194

01:23:14,149 --> 01:23:10,639

a tradition of individual freedom and

2195

01:23:15,430 --> 01:23:14,159

we have the legal basis the constitution

2196

01:23:18,830 --> 01:23:15,440

the bill of rights

2197

01:23:21,270 --> 01:23:18,840

for that individual freedom and we have

2198

01:23:21,830 --> 01:23:21,280

guns so they're having a real problem

2199

01:23:24,229 --> 01:23:21,840

with us

2200

01:23:24,870 --> 01:23:24,239

but they've done a pretty good job over

2201

01:23:27,990 --> 01:23:24,880

the past

2202

01:23:30,310 --> 01:23:28,000

40 50 years of dumbing us down

2203

01:23:31,750 --> 01:23:30,320

through a dumbed-down education system

2204

01:23:33,270 --> 01:23:31,760

drugging us out

2205

01:23:35,189 --> 01:23:33,280

and if you think we have any kind of

2206

01:23:38,390 --> 01:23:35,199

problem with illegal drugs it's

2207

01:23:40,149 --> 01:23:38,400

nothing compared to the legal drugs i've

2208

01:23:42,629 --> 01:23:40,159

seen statistics

2209

01:23:44,229 --> 01:23:42,639

as statistics show that probably more

2210

01:23:46,550 --> 01:23:44,239

than 50 percent of people in this

2211

01:23:48,950 --> 01:23:46,560

country are on some kind of drug

2212

01:23:50,790 --> 01:23:48,960

all right now some of that's necessary

2213

01:23:52,550 --> 01:23:50,800

some of it's just to feel good some of

2214

01:23:56,470 --> 01:23:52,560

us just to get through the day

2215

01:23:57,750 --> 01:23:56,480

but uh it all affects how we think and

2216

01:24:00,790 --> 01:23:57,760

how we act and

2217

01:24:01,990 --> 01:24:00,800

how we react and uh so they're working

2218

01:24:06,149 --> 01:24:02,000

hard to bring us under

2219

01:24:08,470 --> 01:24:06,159

control and uh we better start waking up

2220

01:24:10,629 --> 01:24:08,480

well you know you mentioned all these

2221

01:24:11,590 --> 01:24:10,639

people under drugs but if you talk to

2222

01:24:14,390 --> 01:24:11,600

some people

2223

01:24:16,550 --> 01:24:14,400

you know people take the drugs they

2224

01:24:18,870 --> 01:24:16,560

urinate or whatever that goes through

2225

01:24:19,990 --> 01:24:18,880

water treatment plants but the drugs

2226

01:24:22,229 --> 01:24:20,000

aren't filtered out

2227

01:24:24,310 --> 01:24:22,239

necessarily and so we might be getting

2228

01:24:27,270 --> 01:24:24,320

secondhand drugs

2229

01:24:28,629 --> 01:24:27,280

how fun is that that's true that's very

2230

01:24:30,950 --> 01:24:28,639

um

2231

01:24:32,149 --> 01:24:30,960

so with all the information that is

2232

01:24:34,310 --> 01:24:32,159

coming out

2233

01:24:35,910 --> 01:24:34,320

you know and where but where it's mostly

2234

01:24:36,550 --> 01:24:35,920

coming out is through people like

2235

01:24:38,470 --> 01:24:36,560

yourself

2236

01:24:40,550 --> 01:24:38,480

on the internet you know on shows like

2237

01:24:44,390 --> 01:24:40,560

mine people writing books

2238

01:24:47,910 --> 01:24:44,400

why don't we hear about any of this

2239

01:24:49,270 --> 01:24:47,920

on the news well because it has now

2240

01:24:51,669 --> 01:24:49,280

devolved down to about

2241

01:24:52,870 --> 01:24:51,679

five corporations multinational

2242

01:24:55,590 --> 01:24:52,880

corporations

2243

01:24:56,790 --> 01:24:55,600

that control everything we see in here

2244

01:25:00,629 --> 01:24:56,800

they control radio

2245

01:25:01,510 --> 01:25:00,639

tv satellite cable magazines newspapers

2246

01:25:04,870 --> 01:25:01,520

billboards

2247

01:25:07,510 --> 01:25:04,880

films you know cable

2248

01:25:09,110 --> 01:25:07,520

you name it all in the control of just a

2249

01:25:11,590 --> 01:25:09,120

handful of corporations

2250

01:25:12,950 --> 01:25:11,600

with interlocking directorship so again

2251

01:25:14,950 --> 01:25:12,960

we're right back to

2252

01:25:16,790 --> 01:25:14,960

the very same people that control the

2253

01:25:19,990 --> 01:25:16,800

economy of the world control the

2254

01:25:21,510 --> 01:25:20,000

mass media and this is by the way dr

2255

01:25:24,790 --> 01:25:21,520

louisiana this is why

2256

01:25:28,070 --> 01:25:24,800

that we rarely today hear

2257

01:25:29,830 --> 01:25:28,080

any politician refer to the republic

2258

01:25:31,189 --> 01:25:29,840

because we're not a republican anymore

2259

01:25:33,189 --> 01:25:31,199

we're the empire

2260

01:25:35,189 --> 01:25:33,199

and all they can talk about is democracy

2261

01:25:36,790 --> 01:25:35,199

democracy got to bring democracy got to

2262

01:25:39,189 --> 01:25:36,800

defend democracy

2263

01:25:40,149 --> 01:25:39,199

what is democracy it's ruled by the

2264

01:25:43,510 --> 01:25:40,159

majority

2265

01:25:45,110 --> 01:25:43,520

okay the classic example of uh of uh

2266

01:25:47,910 --> 01:25:45,120

democracy in action

2267

01:25:49,750 --> 01:25:47,920

is a lynch mob we don't want that that's

2268

01:25:51,750 --> 01:25:49,760

not what we're given anyway we were

2269

01:25:53,270 --> 01:25:51,760

given a democratic republic

2270

01:25:55,430 --> 01:25:53,280

and what's the difference well in a

2271

01:25:56,870 --> 01:25:55,440

democratic republic you have to give the

2272

01:25:59,669 --> 01:25:56,880

accused

2273

01:26:01,030 --> 01:25:59,679

a fair trial you have to let him face

2274

01:26:04,709 --> 01:26:01,040

his accusers

2275

01:26:06,950 --> 01:26:04,719

you have to let him bring evidence

2276

01:26:08,229 --> 01:26:06,960

in his defense he has the right to legal

2277

01:26:09,910 --> 01:26:08,239

representation

2278

01:26:11,350 --> 01:26:09,920

and he gets all of these checks and

2279

01:26:13,510 --> 01:26:11,360

balances and then

2280

01:26:15,990 --> 01:26:13,520

if he's found guilty maybe even gets an

2281

01:26:17,910 --> 01:26:16,000

appeal then you can lynch him

2282

01:26:19,430 --> 01:26:17,920

that's the difference but no see today

2283

01:26:21,990 --> 01:26:19,440

it's democracy democracy

2284

01:26:23,030 --> 01:26:22,000

because these people these folks this

2285

01:26:25,590 --> 01:26:23,040

one percent

2286

01:26:27,590 --> 01:26:25,600

these new world order people control the

2287

01:26:29,030 --> 01:26:27,600

mass media and therefore they control

2288

01:26:33,910 --> 01:26:29,040

the masses

2289

01:26:36,870 --> 01:26:33,920

yeah i mean i do some thinking but wait

2290

01:26:37,750 --> 01:26:36,880

we have fema camps so it's you know all

2291

01:26:41,110 --> 01:26:37,760

goes away

2292

01:26:44,550 --> 01:26:41,120

just instantaneously no trial

2293

01:26:47,750 --> 01:26:44,560

no accusations you just disappear

2294

01:26:49,510 --> 01:26:47,760

oh it's it's worse than that uh this is

2295

01:26:51,590 --> 01:26:49,520

going to sound like some kind of

2296

01:26:53,669 --> 01:26:51,600

rant but it's absolutely true every

2297

01:26:54,790 --> 01:26:53,679

tuesday president obama gets to look

2298

01:26:57,030 --> 01:26:54,800

down his list of

2299

01:26:58,470 --> 01:26:57,040

american citizens that he wants to

2300

01:27:00,390 --> 01:26:58,480

assassinate

2301
01:27:02,310 --> 01:27:00,400
and decide which one of them he wants

2302
01:27:04,310 --> 01:27:02,320
out of the way and he

2303
01:27:06,709 --> 01:27:04,320
clicks on the intercom and they send a

2304
01:27:08,149 --> 01:27:06,719
drone over and they blow somebody up

2305
01:27:10,709 --> 01:27:08,159
and don't think that can't happen

2306
01:27:12,070 --> 01:27:10,719
because it's already happened

2307
01:27:14,229 --> 01:27:12,080
all right well i don't want him to not

2308
01:27:17,430 --> 01:27:14,239
like me but jim our time is

2309
01:27:19,510 --> 01:27:17,440
up and i i know we have more to talk

2310
01:27:21,110 --> 01:27:19,520
about but we need to wrap for today

2311
01:27:22,629 --> 01:27:21,120
so i just want to thank you for coming

2312
01:27:24,950 --> 01:27:22,639
on and sharing your wisdom

2313
01:27:26,950 --> 01:27:24,960

and oh if people want to get your book

2314

01:27:28,629 --> 01:27:26,960

where where is the best place to go and

2315

01:27:30,070 --> 01:27:28,639

do you have signed copies and all that

2316

01:27:32,390 --> 01:27:30,080

juicy stuff

2317

01:27:35,070 --> 01:27:32,400

uh you can go and get my book our cult

2318

01:27:38,709 --> 01:27:35,080

of history at my website oddly enough

2319

01:27:42,149 --> 01:27:38,719

jimmares.com that's j-i-m-m-a-r-r-s

2320

01:27:46,870 --> 01:27:42,159

dot-com or at any bookstore or of course

2321

01:27:48,470 --> 01:27:46,880

amazon so yeah it's all out there

2322

01:27:50,709 --> 01:27:48,480

okay so if they buy them from your

2323

01:27:55,590 --> 01:27:50,719

website do they come signed

2324

01:27:58,950 --> 01:27:55,600

um no not necessarily

2325

01:28:01,189 --> 01:27:58,960

but uh but uh i'm uh you know i

2326

01:28:03,350 --> 01:28:01,199

i made a presentation there to epic

2327

01:28:05,910 --> 01:28:03,360

voyagers here not long back so

2328

01:28:07,030 --> 01:28:05,920

uh maybe you could sign up with uh epic

2329

01:28:09,350 --> 01:28:07,040

voyagers and

2330

01:28:11,110 --> 01:28:09,360

and uh maybe catch me at one of the

2331

01:28:11,910 --> 01:28:11,120

meetings i'd be happy to sign something

2332

01:28:13,430 --> 01:28:11,920

for you yeah

2333

01:28:15,669 --> 01:28:13,440

let's just have they'll just have to get

2334

01:28:18,870 --> 01:28:15,679

you up close and personal

2335

01:28:20,870 --> 01:28:18,880

okay and he has videos

2336

01:28:23,270 --> 01:28:20,880

so ken just sent me a message he has

2337

01:28:26,950 --> 01:28:23,280

video so is that from granberry or

2338

01:28:28,470 --> 01:28:26,960

from epic voyages ken yeah i think so

2339

01:28:30,229 --> 01:28:28,480

yeah that's right in fact you know i

2340

01:28:31,990 --> 01:28:30,239

looked on the webpage to see if there

2341

01:28:32,870 --> 01:28:32,000

was some place it could be ordered but i

2342

01:28:34,629 --> 01:28:32,880

didn't see it

2343

01:28:35,910 --> 01:28:34,639

so i guess if you would like to get here

2344

01:28:38,390 --> 01:28:35,920

i'll say it this way

2345

01:28:40,470 --> 01:28:38,400

if you'd like to get a copy of the video

2346

01:28:44,070 --> 01:28:40,480

of jim mars doing the presentation

2347

01:28:46,390 --> 01:28:44,080

at epic voyages contact epic voyages and

2348

01:28:47,990 --> 01:28:46,400

they can send it to you um i don't have

2349

01:28:49,430 --> 01:28:48,000

pricing information but i'm sure they'd

2350

01:28:51,510 --> 01:28:49,440

be more than happy

2351
01:28:52,790 --> 01:28:51,520
to let you know and it was a very good

2352
01:28:55,189 --> 01:28:52,800
presentation i'm sure

2353
01:28:56,950 --> 01:28:55,199
everyone will like it that or the book

2354
01:28:59,110 --> 01:28:56,960
or get both

2355
01:29:00,950 --> 01:28:59,120
there you go see i'd want to get the

2356
01:29:03,270 --> 01:29:00,960
book so i got a reference source and

2357
01:29:07,270 --> 01:29:03,280
could go back to it all the time

2358
01:29:09,830 --> 01:29:07,280
right uh the web epic voyagers

2359
01:29:11,750 --> 01:29:09,840
just type in epic in any search engine

2360
01:29:12,550 --> 01:29:11,760
and you can find it and yes they will

2361
01:29:16,070 --> 01:29:12,560
have

2362
01:29:18,870 --> 01:29:16,080
copies of my talk all right

2363
01:29:19,590 --> 01:29:18,880

thanks jim for coming on thank you dr

2364

01:29:22,709 --> 01:29:19,600

louise

2365

01:29:23,669 --> 01:29:22,719

we'll talk to you later okay great thank

2366

01:29:27,510 --> 01:29:23,679

you

2367

01:29:29,510 --> 01:29:27,520

19th

2368

01:29:31,910 --> 01:29:29,520

in grapevine texas we'll have dennis

2369

01:29:36,149 --> 01:29:31,920

balthizer speaking at the epic voyages

2370

01:29:39,590 --> 01:29:36,159

uh lecture series

2371

01:29:42,950 --> 01:29:39,600

check out epic voyagers on youtube.com

2372

01:29:47,189 --> 01:29:42,960

and next week we have kevin cook uh

2373

01:29:50,390 --> 01:29:47,199

co-hosting or hosting epic voyages radio

2374

01:30:00,870 --> 01:29:50,400

so until next time i'm dr rita louise

2375

01:30:04,550 --> 01:30:02,550

thank you for being with us tonight

2376

01:30:06,070 --> 01:30:04,560

please join us again next monday evening

2377

01:30:09,270 --> 01:30:06,080

for extraordinary phenomena

2378

01:30:18,830 --> 01:30:09,280

investigations councils epic voyages
