EXTRAORDINARY PHENOMENA INVESTIGATIONS COUNCIL

# Jim Marrs

# UFOs Over Washington DC

1  
00:01:01,330 --> 00:00:03,290  
you're listening to IRA the inception

2  
00:01:05,810 --> 00:01:03,680  
extraordinary phenomena investigations

3  
00:01:08,180 --> 00:01:05,820  
council presents epic voyages

4  
00:01:09,800 --> 00:01:08,190  
come join us as we enter and experience

5  
00:01:55,010 --> 00:01:09,810  
the great mysteries of the world with

6  
00:02:04,040 --> 00:02:00,450  
howdy welcome to epic voyagers I'm Jim

7  
00:02:09,210 --> 00:02:04,050  
Marrs your permanent floating temporary

8  
00:02:11,690 --> 00:02:09,220  
sometimes stand-in host but tonight boy

9  
00:02:14,520 --> 00:02:11,700  
we got a show for you

10  
00:02:17,370 --> 00:02:14,530  
we're gonna be talking about one of the

11  
00:02:19,920 --> 00:02:17,380  
most amazing UFO incidents in this

12  
00:02:23,460 --> 00:02:19,930  
nation's history unfortunately it

13  
00:02:25,199 --> 00:02:23,470

happened a long time ago I'm not gonna

14

00:02:27,470 --> 00:02:25,209

say what I was doing but I was only

15

00:02:31,020 --> 00:02:27,480

about nine years old at the time

16

00:02:34,110 --> 00:02:31,030

and I will be realized with you I did

17

00:02:36,090 --> 00:02:34,120

not take much notice at that time but

18

00:02:38,760 --> 00:02:36,100

today I think it is a very very

19

00:02:41,340 --> 00:02:38,770

important case but before we get into

20

00:02:45,390 --> 00:02:41,350

this which of course this case I'm

21

00:02:48,660 --> 00:02:45,400

talking about how the course is UFOs

22

00:02:52,050 --> 00:02:48,670

over Washington DC now it stands to

23

00:02:54,300 --> 00:02:52,060

reason if people from somewhere else are

24

00:02:57,330 --> 00:02:54,310

visiting the earth they would want to go

25

00:02:59,310 --> 00:02:57,340

to these centres of leadership so you

26  
00:03:00,810 --> 00:02:59,320  
know I've even had people ask me in

27  
00:03:04,759 --> 00:03:00,820  
recent years well you know why don't

28  
00:03:06,960 --> 00:03:04,769  
they go to Washington well they did and

29  
00:03:09,870 --> 00:03:06,970  
tonight we're gonna discuss what

30  
00:03:15,800 --> 00:03:09,880  
happened how and why and I'm gonna have

31  
00:03:21,990 --> 00:03:15,810  
some special guest on number one is a

32  
00:03:24,870 --> 00:03:22,000  
former intelligence officer who is now

33  
00:03:27,740 --> 00:03:24,880  
retired and he's going to tell us what

34  
00:03:32,910 --> 00:03:27,750  
he knows in his experience in the

35  
00:03:35,190 --> 00:03:32,920  
Washington area in 1952 and then next

36  
00:03:39,690 --> 00:03:35,200  
we're going to have one of epochs own

37  
00:03:43,020 --> 00:03:39,700  
officers who also was a witness at the

38  
00:03:45,390 --> 00:03:43,030

time so stay tuned this is going to be a

39

00:03:49,289 --> 00:03:45,400

good one but first let's go back and

40

00:03:54,780 --> 00:03:49,299

talk about the background of this story

41

00:03:57,960 --> 00:03:54,790

the reality of UFOs at least to the

42

00:04:00,660 --> 00:03:57,970

population of Washington DC became

43

00:04:05,430 --> 00:04:00,670

pretty undeniable on the evening of July

44

00:04:08,400 --> 00:04:05,440

the 19th 1952 when more than eight

45

00:04:11,010 --> 00:04:08,410

objects were tracked on radar at both

46

00:04:14,280 --> 00:04:11,020

Andrews Air Force Base and Washington

47

00:04:16,710 --> 00:04:14,290

National Airport they were cruising

48

00:04:19,740 --> 00:04:16,720

along at speeds of a hundred to 130

49

00:04:23,490 --> 00:04:19,750

miles an hour but would then accelerate

50

00:04:27,420 --> 00:04:23,500

to fantastically high speeds these

51  
00:04:30,180 --> 00:04:27,430  
objects were observed by experienced

52  
00:04:34,170 --> 00:04:30,190  
pilots air traffic controllers tracked

53  
00:04:37,710 --> 00:04:34,180  
by radar and seen by thousands of people

54  
00:04:40,770 --> 00:04:37,720  
for several hours and the thing to keep

55  
00:04:44,430 --> 00:04:40,780  
in mind is these objects whatever they

56  
00:04:47,610 --> 00:04:44,440  
were were well within Washington's most

57  
00:04:52,460 --> 00:04:47,620  
restricted airspace they passed over

58  
00:05:00,120 --> 00:04:55,050  
over the next several days they kept

59  
00:05:03,320 --> 00:05:00,130  
coming back and this of course was

60  
00:05:07,130 --> 00:05:03,330  
simply the latest in a whole spate of

61  
00:05:09,990 --> 00:05:07,140  
UFO sightings actually around the world

62  
00:05:14,900 --> 00:05:10,000  
of course as we all know that really got

63  
00:05:18,960 --> 00:05:14,910

kick-started in June of 1947

64  
00:05:22,020 --> 00:05:18,970  
when some UFOs were spotted over Mount

65  
00:05:24,810 --> 00:05:22,030  
Rainier but when the sightings over

66  
00:05:27,390 --> 00:05:24,820  
Washington first began the news media

67  
00:05:29,190 --> 00:05:27,400  
was right on topic news reporters and

68  
00:05:33,000 --> 00:05:29,200  
photographers pressed into the radar

69  
00:05:35,190 --> 00:05:33,010  
room at National Airport and we're

70  
00:05:38,700 --> 00:05:35,200  
watching these objects zooming all

71  
00:05:42,510 --> 00:05:38,710  
around however before too long the media

72  
00:05:45,600 --> 00:05:42,520  
was ordered out the explanation was that

73  
00:05:47,970 --> 00:05:45,610  
oh well they might learn classified

74  
00:05:50,250 --> 00:05:47,980  
radio frequencies and procedures that

75  
00:05:54,500 --> 00:05:50,260  
could be used that were being used to

76

00:05:58,560 --> 00:05:54,510

vector the fighters against the UFOs

77

00:06:00,240 --> 00:05:58,570

captain Everage a rupal t' who was

78

00:06:01,860 --> 00:06:00,250

involved in this and later would become

79

00:06:05,700 --> 00:06:01,870

the head of one of the first official

80

00:06:08,580 --> 00:06:05,710

UFO investigations project grudge said

81

00:06:11,430 --> 00:06:08,590

quote I knew this explanation was absurd

82

00:06:14,040 --> 00:06:11,440

because any ham radio operator worth its

83

00:06:18,660 --> 00:06:14,050

salt salt could build equipment and

84

00:06:20,460 --> 00:06:18,670

listen in on any intercept he later said

85

00:06:22,860 --> 00:06:20,470

that the real reason for dismissing the

86

00:06:26,130 --> 00:06:22,870

media was to prevent them from learning

87

00:06:30,720 --> 00:06:26,140

the reality of the UFOs should one be

88

00:06:32,940 --> 00:06:30,730

brought down f94 military jets were sent

89

00:06:34,920 --> 00:06:32,950

aloft to intercept these bogeys which

90

00:06:37,860 --> 00:06:34,930

were flying through this restricted

91

00:06:41,250 --> 00:06:37,870

airspace but every time the Jets would

92

00:06:44,580 --> 00:06:41,260

close in the UFOs would accelerate who

93

00:06:46,500 --> 00:06:44,590

be out of sight raid our positions were

94

00:06:48,540 --> 00:06:46,510

given but the ground observers couldn't

95

00:06:50,160 --> 00:06:48,550

seem to see anything it was all very

96

00:06:53,250 --> 00:06:50,170

frustrating

97

00:06:55,440 --> 00:06:53,260

the news media went wild headlines said

98

00:06:58,850 --> 00:06:55,450

fiery objects outrun jets over the

99

00:07:03,030 --> 00:06:58,860

Capitol investigation veiled in secrecy

100

00:07:05,430 --> 00:07:03,040

following vain chase and jets alerted

101  
00:07:09,270 --> 00:07:05,440  
for saucers interceptors chase lights

102  
00:07:12,750 --> 00:07:09,280  
into DC skies that was back when

103  
00:07:15,390 --> 00:07:12,760  
newspapers still had some control and

104  
00:07:19,470 --> 00:07:15,400  
were not under the total dominance of

105  
00:07:22,620 --> 00:07:19,480  
their corporate masters so the next day

106  
00:07:26,970 --> 00:07:22,630  
our after several days on July the 29th

107  
00:07:29,580 --> 00:07:26,980  
Major General John Samford called a news

108  
00:07:30,650 --> 00:07:29,590  
conference trying to respond to this

109  
00:07:34,500 --> 00:07:30,660  
hoorah

110  
00:07:35,910 --> 00:07:34,510  
it was the largest and longest press

111  
00:07:40,550 --> 00:07:35,920  
conference convened by the Air Force

112  
00:07:43,950 --> 00:07:40,560  
since World War two according to rupal

113  
00:07:45,650 --> 00:07:43,960

general Samford hedged on some questions

114

00:07:47,970 --> 00:07:45,660

simply because it didn't have an answer

115

00:07:50,300 --> 00:07:47,980

and he finally passed the buck to

116

00:07:53,550 --> 00:07:50,310

intelligence officer who speculated that

117

00:07:55,800 --> 00:07:53,560

all of the stuff over Washington was

118

00:07:59,310 --> 00:07:55,810

actually caused by temperature

119

00:08:01,980 --> 00:07:59,320

inversions now this is a phenomenon that

120

00:08:04,110 --> 00:08:01,990

creates pockets of warm air unable to

121

00:08:08,100 --> 00:08:04,120

rise due to similar temperature layers

122

00:08:10,710 --> 00:08:08,110

in the sky and temperature inversions

123

00:08:14,520 --> 00:08:10,720

that sometimes can reflect light and

124

00:08:16,890 --> 00:08:14,530

might even be picked up on radar so of

125

00:08:20,550 --> 00:08:16,900

course the news media duly reported that

126

00:08:26,790 --> 00:08:20,560

Air Force debunk saucers as just natural

127

00:08:29,550 --> 00:08:26,800

phenomenon however the civilian

128

00:08:32,390 --> 00:08:29,560

Aeronautics Authority and the CIA which

129

00:08:34,540 --> 00:08:32,400

is a forerunner of our current fed

130

00:08:43,730 --> 00:08:34,550

Aviation Administration the FAA

131

00:08:45,650 --> 00:08:43,740

conducted a study and they too concluded

132

00:08:48,230 --> 00:08:45,660

that temperature inversion had been

133

00:08:52,460 --> 00:08:48,240

indicated in almost every instance of

134

00:08:55,700 --> 00:08:52,470

the Washington sightings but this was of

135

00:09:00,380 --> 00:08:55,710

course warmly embraced by all the

136

00:09:03,050 --> 00:09:00,390

debunkers especially since so many of

137

00:09:05,660 --> 00:09:03,060

them had been spotted 50 targets alone

138

00:09:09,590 --> 00:09:05,670

were tracked on May the 23rd which even

139

00:09:12,950 --> 00:09:09,600

proceeded in July but however it has

140

00:09:20,390 --> 00:09:12,960

since been determined that during those

141

00:09:23,600 --> 00:09:20,400

nights in June July and August the radar

142

00:09:26,720 --> 00:09:23,610

images had only appeared on a few nights

143

00:09:30,080 --> 00:09:26,730

and that the temperature was not such as

144

00:09:33,620 --> 00:09:30,090

to create temperature inversions

145

00:09:36,050 --> 00:09:33,630

so eventually of course not made clear

146

00:09:42,310 --> 00:09:36,060

to the public the Washington National

147

00:09:49,940 --> 00:09:47,270

it's really amazing what has happened

148

00:09:56,840 --> 00:09:49,950

since then because of course we've had

149

00:10:00,230 --> 00:09:56,850

all of the policies changing for example

150

00:10:03,350 --> 00:10:00,240

this will blow you away this I think may

151  
00:10:11,420 --> 00:10:03,360  
be evidence of an actual shooting war

152  
00:10:16,880 --> 00:10:11,430  
between UFOs and the military 42 New

153  
00:10:21,230 --> 00:10:16,890  
York Times between 1951 1956 192

154  
00:10:26,180 --> 00:10:21,240  
aircraft either vanished or were crashed

155  
00:10:29,630 --> 00:10:26,190  
and destroyed in June in July 1952 the

156  
00:10:33,200 --> 00:10:29,640  
period we're talking about 94 fighter

157  
00:10:37,720 --> 00:10:33,210  
jets worldwide either disappeared or

158  
00:10:40,910 --> 00:10:37,730  
crashed and 51 men were confirmed killed

159  
00:10:44,600 --> 00:10:40,920  
now of course since they vanished and

160  
00:10:46,310 --> 00:10:44,610  
since they crashed then you can't always

161  
00:10:48,590 --> 00:10:46,320  
say they were shot down by you

162  
00:10:51,740 --> 00:10:48,600  
photos but what would provoke something

163  
00:10:54,950 --> 00:10:51,750

like that well the news meter reported

164

00:10:57,380 --> 00:10:54,960

in 1952 quote the airforce today

165

00:11:00,230 --> 00:10:57,390

revealed that jet pilots had been placed

166

00:11:02,900 --> 00:11:00,240

on 24-hour nationwide alert against

167

00:11:07,520 --> 00:11:02,910

flying saucers with orders to shoot them

168

00:11:08,180 --> 00:11:07,530

down if they refused to land by July the

169

00:11:11,000 --> 00:11:08,190

30th

170

00:11:12,950 --> 00:11:11,010

Major General Roger Ramey deputy chief

171

00:11:15,860 --> 00:11:12,960

of therefore staff of operations that

172

00:11:17,860 --> 00:11:15,870

name may sound familiar to you he was

173

00:11:20,180 --> 00:11:17,870

the one who met with reporters and

174

00:11:21,380 --> 00:11:20,190

Carswell Air Force Base in Fort Worth

175

00:11:24,380 --> 00:11:21,390

Texas

176

00:11:27,050 --> 00:11:24,390

a few days after whatever crashed in

177

00:11:29,450 --> 00:11:27,060

Roswell and tried to explain it away as

178

00:11:33,010 --> 00:11:29,460

a weather balloon even though he was

179

00:11:36,380 --> 00:11:33,020

holding a telegram in his hand that

180

00:11:41,860 --> 00:11:36,390

modern computer enhancement is shown to

181

00:11:45,530 --> 00:11:41,870

contain words like crash victims etc but

182

00:11:48,290 --> 00:11:45,540

he also at that time in 1952 tried to

183

00:11:50,470 --> 00:11:48,300

explain that yes he admitted that

184

00:11:54,350 --> 00:11:50,480

interceptor planes had been sent aloft

185

00:11:57,500 --> 00:11:54,360

several hundred times as the report

186

00:11:59,930 --> 00:11:57,510

result of reported sightings of UFOs but

187

00:12:03,410 --> 00:11:59,940

he stressed as this was just standard

188

00:12:06,500 --> 00:12:03,420

procedure and then of course between

189

00:12:10,430 --> 00:12:06,510

1951 and 1952 we had all these crashes

190

00:12:13,240 --> 00:12:10,440

and planes vanishing then of course the

191

00:12:17,030 --> 00:12:13,250

military apparently got cooler heads and

192

00:12:21,670 --> 00:12:17,040

said okay nevermind and they ordered doe

193

00:12:25,670 --> 00:12:21,680

not shoot them down the instructions

194

00:12:27,830 --> 00:12:25,680

became were changed and they became

195

00:12:29,270 --> 00:12:27,840

known as the communication instructions

196

00:12:34,370 --> 00:12:29,280

for reporting vital intelligence

197

00:12:38,720 --> 00:12:34,380

sightings or service and the orders

198

00:12:41,150 --> 00:12:38,730

directed pilots to report UFOs but keep

199

00:12:43,190 --> 00:12:41,160

the reports secret under penalties

200

00:12:49,880 --> 00:12:43,200

contained in the Communications Act of

201  
00:12:52,820 --> 00:12:49,890  
1934 and espionage laws so and before

202  
00:12:56,060 --> 00:12:52,830  
too long this censorship and secrecy

203  
00:12:58,990 --> 00:12:56,070  
extended well beyond the military you

204  
00:13:00,269 --> 00:12:59,000  
see prior to about this time about

205  
00:13:05,730 --> 00:13:00,279  
nineteen

206  
00:13:10,230 --> 00:13:05,740  
52 53 54 airline pilots were routinely

207  
00:13:12,269 --> 00:13:10,240  
reporting sightings of UFOs but the

208  
00:13:16,699 --> 00:13:12,279  
procedure at that time was for them to

209  
00:13:19,199 --> 00:13:16,709  
come back land and report to their

210  
00:13:22,769 --> 00:13:19,209  
prospective company's respective

211  
00:13:24,600 --> 00:13:22,779  
companies which of course really didn't

212  
00:13:27,569 --> 00:13:24,610  
have any means of doing much about it

213  
00:13:32,900 --> 00:13:27,579

but at least the reports were there for

214

00:13:36,420 --> 00:13:32,910

the public to see but on February 17

215

00:13:38,340 --> 00:13:36,430

1954 the air force officials met with

216

00:13:42,509 --> 00:13:38,350

representatives of the major airlines

217

00:13:44,549 --> 00:13:42,519

and at that time Scripps Howard new

218

00:13:48,449 --> 00:13:44,559

service was reporting that commercial

219

00:13:52,019 --> 00:13:48,459

pilots had been sighting between five

220

00:13:55,530 --> 00:13:52,029

and ten UFO sightings per night prior to

221

00:13:56,879 --> 00:13:55,540

this meeting and the Air Force said well

222

00:14:00,239 --> 00:13:56,889

they wanted to get the reports in the

223

00:14:04,019 --> 00:14:00,249

quickest way so that they they began to

224

00:14:06,470 --> 00:14:04,029

take the government military orders

225

00:14:10,860 --> 00:14:06,480

known as joint Army Navy Air Force

226

00:14:12,900 --> 00:14:10,870

publication 146 or janap and they

227

00:14:17,369 --> 00:14:12,910

applied the Gienapp rules then to the

228

00:14:20,369 --> 00:14:17,379

commercial airlines they commercial the

229

00:14:23,730 --> 00:14:20,379

commercial pilots now were not to report

230

00:14:26,280 --> 00:14:23,740

directly to their employers but instead

231

00:14:29,189 --> 00:14:26,290

to send reports to the military air

232

00:14:33,420 --> 00:14:29,199

transport service or Matt's intelligence

233

00:14:36,329 --> 00:14:33,430

in Washington or to the nearest Air

234

00:14:38,579 --> 00:14:36,339

Force Base and they were also asked not

235

00:14:41,999 --> 00:14:38,589

to discuss their sightings publicly or

236

00:14:47,280 --> 00:14:42,009

give them to the newspapers this

237

00:14:51,600 --> 00:14:47,290

prompted one pilot to say this Air Force

238

00:14:54,449 --> 00:14:51,610

policy in is a lesson in lying and Creed

239

00:14:57,660 --> 00:14:54,459

the big brother attitude carried to the

240

00:14:59,819 --> 00:14:57,670

ultimate extreme despite the fact that

241

00:15:02,449 --> 00:14:59,829

nearly 500 airline pilots signed a

242

00:15:06,329 --> 00:15:02,459

petition protesting the Gienapp policy

243

00:15:07,919 --> 00:15:06,339

it was still carried through someone

244

00:15:09,900 --> 00:15:07,929

with a great deal of power was

245

00:15:13,970 --> 00:15:09,910

determined to close off public

246

00:15:16,400 --> 00:15:13,980

discussions of UFOs so back

247

00:15:20,300 --> 00:15:16,410

Washington what really happened was it

248

00:15:23,600 --> 00:15:20,310

just temperature aversion well I'm

249

00:15:25,750 --> 00:15:23,610

hoping that we have Colonel Paul on the

250

00:15:28,550 --> 00:15:25,760

line Colonel Paul has asked that we not

251

00:15:29,540 --> 00:15:28,560

give out his last name because he still

252

00:15:32,720 --> 00:15:29,550

has concerns

253

00:15:35,450 --> 00:15:32,730

he worked intelligence for years and of

254

00:15:37,310 --> 00:15:35,460

course you'd learn very quickly you're

255

00:15:41,780 --> 00:15:37,320

not supposed to talk but at this point

256

00:15:43,340 --> 00:15:41,790

he's now 84 years old and has determined

257

00:15:46,040 --> 00:15:43,350

that he thinks the public has a right to

258

00:15:48,740 --> 00:15:46,050

know about UFOs and the existence of

259

00:15:51,740 --> 00:15:48,750

extraterrestrial life this is Jim Marrs

260

00:15:53,300 --> 00:15:51,750

talking to you colonel Paul and I've

261

00:15:57,260 --> 00:15:53,310

been asked we're not gonna mention your

262

00:16:03,430 --> 00:15:57,270

last name but can you briefly tell us

263

00:16:09,700 --> 00:16:03,440

your background in the US military I I

264

00:16:15,050 --> 00:16:09,710

was in military I was in intelligence in

265

00:16:16,940 --> 00:16:15,060

Washington as a civilian after I

266

00:16:23,930 --> 00:16:16,950

graduated from the University of

267

00:16:30,740 --> 00:16:23,940

Maryland and I was in for about nine

268

00:16:35,630 --> 00:16:30,750

years and then I went to another job in

269

00:16:43,970 --> 00:16:35,640

the same building that I was in then and

270

00:16:47,360 --> 00:16:43,980

was communications specialist I see and

271

00:16:50,030 --> 00:16:47,370

I understand that in July of 1952

272

00:16:52,180 --> 00:16:50,040

you were in Stover Springs Maryland is

273

00:16:54,800 --> 00:16:52,190

that correct that's correct

274

00:17:02,450 --> 00:16:54,810

well what happened to you in Silver

275

00:17:08,000 --> 00:17:02,460

Springs then Paul well out I noticed a 1

276

00:17:11,690 --> 00:17:08,010

outside of my residence and not my

277

00:17:15,820 --> 00:17:11,700

parents residence and noticed that there

278

00:17:20,120 --> 00:17:15,830

were 9 shining objects in a v-formation

279

00:17:24,590 --> 00:17:20,130

going due north over the middle of the

280

00:17:27,700 --> 00:17:24,600

DC area into Maryland and estimated that

281

00:17:31,670 --> 00:17:27,710

they were about twenty miles high

282

00:17:37,580 --> 00:17:31,680

that was higher than any airplane we had

283

00:17:40,880 --> 00:17:37,590

at that time mm-hmm they continued for

284

00:17:48,940 --> 00:17:40,890

about 15 minutes until they were out of

285

00:17:53,540 --> 00:17:48,950

sight and they disappeared as a point of

286

00:17:57,260 --> 00:17:53,550

one point of light of course that was at

287

00:18:03,799 --> 00:17:57,270

a very large distance did they had

288

00:18:08,540 --> 00:18:03,809

traveled to to to the point that I

289

00:18:10,850 --> 00:18:08,550

couldn't find him anymore did they did

290

00:18:13,520 --> 00:18:10,860

they stay in formation or did one or

291

00:18:16,400 --> 00:18:13,530

more they they stayed in formation

292

00:18:21,070 --> 00:18:16,410

except for there was a v-shaped

293

00:18:29,270 --> 00:18:21,080

formation pointing towards the north and

294

00:18:30,890 --> 00:18:29,280

they were and North had been right

295

00:18:33,530 --> 00:18:30,900

towards Washington right

296

00:18:36,020 --> 00:18:33,540

no towards the other way they had

297

00:18:38,120 --> 00:18:36,030

finished going over bogging they had

298

00:18:43,090 --> 00:18:38,130

been to Washington and then passing over

299

00:18:51,830 --> 00:18:43,100

your position okay that's right and then

300

00:19:00,310 --> 00:18:51,840

let's see then I noticed that they were

301  
00:19:06,020 --> 00:19:00,320  
under a tremendous a tremendous size

302  
00:19:11,530 --> 00:19:06,030  
invisible dish which was about a

303  
00:19:19,130 --> 00:19:11,540  
thousand feet in diameter the words and

304  
00:19:26,090 --> 00:19:19,140  
I have a sketch here that I'm looking at

305  
00:19:29,060 --> 00:19:26,100  
right now mm-hmm to you this disc did

306  
00:19:29,750 --> 00:19:29,070  
not appear to be a solid object no it

307  
00:19:34,130 --> 00:19:29,760  
did not

308  
00:19:36,770 --> 00:19:34,140  
you could see right through it but I

309  
00:19:39,000 --> 00:19:36,780  
think I figured that they they were

310  
00:19:43,470 --> 00:19:39,010  
protecting those though

311  
00:19:46,020 --> 00:19:43,480  
that one big disc was year belonged the

312  
00:19:47,100 --> 00:19:46,030  
other discs belong to it or they were

313  
00:19:50,670 --> 00:19:47,110

protecting it

314

00:19:53,310 --> 00:19:50,680

I don't suppose in 1952 that too many

315

00:19:56,540 --> 00:19:53,320

people were thinking in terms of energy

316

00:19:58,890 --> 00:19:56,550

force-field but would would that be a

317

00:20:01,800 --> 00:19:58,900

accurate description of what you think

318

00:20:07,440 --> 00:20:01,810

that might have been yes I've concluded

319

00:20:11,850 --> 00:20:07,450

the same same thing huh how long did

320

00:20:16,320 --> 00:20:11,860

these objects remain in sight for about

321

00:20:21,120 --> 00:20:16,330

10 minutes so they were moving

322

00:20:26,370 --> 00:20:21,130

relatively slowly that's right but at

323

00:20:33,110 --> 00:20:26,380

that you ever see at that height that is

324

00:20:35,820 --> 00:20:33,120

not real slow huh no nothing it was

325

00:20:38,400 --> 00:20:35,830

could you offer a nest could you offer

326

00:20:46,920 --> 00:20:38,410

an estimation and what speeds they were

327

00:20:50,520 --> 00:20:46,930

traveling well no I hadn't figured that

328

00:20:54,060 --> 00:20:50,530

out okay ten minutes they were over at

329

00:20:57,900 --> 00:20:54,070

least New York or New Jersey well that's

330

00:21:02,030 --> 00:20:57,910

really moving on did you at any time did

331

00:21:05,940 --> 00:21:02,040

you see any of our of jet interceptors

332

00:21:08,880 --> 00:21:05,950

have I seen a jet interception did you

333

00:21:15,840 --> 00:21:08,890

see at that time any of our interceptors

334

00:21:18,540 --> 00:21:15,850

I know not okay did you try to contact

335

00:21:22,790 --> 00:21:18,550

and tell anyone in authority about what

336

00:21:27,300 --> 00:21:22,800

you'd seen I called the Air Force in the

337

00:21:32,100 --> 00:21:27,310

Pentagon and they just scored your

338

00:21:36,660 --> 00:21:32,110

shoulders and laughed me off and didn't

339

00:21:38,880 --> 00:21:36,670

tell them my background or anything so

340

00:21:43,170 --> 00:21:38,890

they just thought you were just a

341

00:21:44,910 --> 00:21:43,180

civilian calling in mm-hmm and I guess

342

00:21:47,130 --> 00:21:44,920

they treated you like they did anyone

343

00:21:50,550 --> 00:21:47,140

else they just blew you off right got

344

00:21:51,360 --> 00:21:50,560

the thing same old same old same old

345

00:21:53,070 --> 00:21:51,370

same old

346

00:21:55,769 --> 00:21:53,080

well I understand there was some

347

00:21:57,749 --> 00:21:55,779

you talk to a news reporter on the by

348

00:22:08,690 --> 00:21:57,759

telephone and there may have been even

349

00:22:24,029 --> 00:22:18,989

probably a 19-6 5064 was that the other

350

00:22:25,739 --> 00:22:24,039

incident or sixty four or five yeah okay

351

00:22:30,359 --> 00:22:25,749

so you had another experience well let's

352

00:22:33,450 --> 00:22:30,369

move up then to 1964 which of course was

353

00:22:38,609 --> 00:22:33,460

the year that Lyndon Johnson was

354

00:22:41,389 --> 00:22:38,619

president and one that was the one that

355

00:22:45,389 --> 00:22:41,399

raised a lot of a lot of stink

356

00:22:54,330 --> 00:22:45,399

all right well tell us about that well

357

00:22:57,899 --> 00:22:54,340

we were I was in my office and at 4:20

358

00:23:06,599 --> 00:22:57,909

we have to close the windows and lock

359

00:23:11,669 --> 00:23:06,609

them for security and I was on the east

360

00:23:18,409 --> 00:23:11,679

side of the wing and of that building

361

00:23:25,310 --> 00:23:18,419

and I noticed about 12 to 15 objects

362

00:23:34,680 --> 00:23:29,249

direction and they were being pursued by

363

00:23:36,299 --> 00:23:34,690

two Jets so that's where the gender

364

00:23:42,269 --> 00:23:36,309

interceptors came in and was this

365

00:23:45,289 --> 00:23:42,279

sighting he had in 1964 right okay so

366

00:23:48,859 --> 00:23:45,299

what life so what happened when the Jets

367

00:23:57,389 --> 00:23:48,869

did they ever catch up with the objects

368

00:24:00,619 --> 00:23:57,399

well they did but after about after much

369

00:24:05,909 --> 00:24:00,629

huffing and puffing believe me and

370

00:24:07,070 --> 00:24:05,919

bellowing but you know was yet there's

371

00:24:11,840 --> 00:24:07,080

got all the

372

00:24:17,370 --> 00:24:11,850

all the [h\_\_h] open in this right in the

373

00:24:21,810 --> 00:24:17,380

fuel and it it just is a black streak

374

00:24:23,850 --> 00:24:21,820

you know those are all jets so they were

375

00:24:26,250 --> 00:24:23,860

they were pouring on the coal they were

376

00:24:28,530 --> 00:24:26,260

giving it everything they had everything

377

00:24:37,470 --> 00:24:28,540

they had and they finally caught up to

378

00:24:45,620 --> 00:24:37,480

them and what happened was astounding to

379

00:24:50,340 --> 00:24:45,630

me as soon as they reached a point where

380

00:24:52,820 --> 00:24:50,350

where the other the other people didn't

381

00:24:57,150 --> 00:24:52,830

want to be bothered with them any longer

382

00:24:59,430 --> 00:24:57,160

they took off any in the UFO yeah

383

00:25:07,130 --> 00:24:59,440

meaning meaning the people in the UFOs

384

00:25:09,990 --> 00:25:07,140

or whatever yeah the at that point

385

00:25:14,580 --> 00:25:10,000

somebody pushed the button and they went

386

00:25:19,490 --> 00:25:14,590

so fast it looked like the Jets had

387

00:25:26,750 --> 00:25:19,500

stopped at have you ever seen that no

388

00:25:29,940 --> 00:25:26,760

not a tear in midair that's at the speed

389

00:25:35,850 --> 00:25:29,950

this is what astounded be at a speed

390

00:25:38,790 --> 00:25:35,860

that was incomprehensible just about for

391

00:25:42,500 --> 00:25:38,800

me to be watching and then all of a

392

00:25:46,140 --> 00:25:42,510

sudden that stopped my goodness I

393

00:25:48,540 --> 00:25:46,150

couldn't believe it so they they took

394

00:25:50,130 --> 00:25:48,550

off at such a speed it made the jet

395

00:25:52,190 --> 00:25:50,140

fighters that were going full-bore

396

00:25:55,380 --> 00:25:52,200

looked like they were just sitting still

397

00:26:00,720 --> 00:25:55,390

that's right that was the impression I

398

00:26:04,260 --> 00:26:00,730

got in round two to my eye that's right

399

00:26:07,890 --> 00:26:04,270

and that's all I can report did you try

400

00:26:16,560 --> 00:26:07,900

to report that incident oh yes several

401  
00:26:19,369 --> 00:26:16,570  
times I went down I was in I was invited

402  
00:26:32,669 --> 00:26:30,060  
to the TV station and I got down I cut

403  
00:26:38,099 --> 00:26:32,679  
down they're not the same day but

404  
00:26:42,930 --> 00:26:38,109  
several days later and they absolutely

405  
00:26:48,299 --> 00:26:42,940  
did not want me to mention any other

406  
00:26:49,709 --> 00:26:48,309  
aircraft in the sky and their worship

407  
00:26:54,559 --> 00:26:49,719  
yeah they didn't want you to talk about

408  
00:27:01,889 --> 00:26:54,569  
the jet fighters right that's right

409  
00:27:03,169 --> 00:27:01,899  
they're stopping close to my eye that's

410  
00:27:08,249 --> 00:27:03,179  
exactly right

411  
00:27:11,669 --> 00:27:08,259  
Wow is this when you were talking to a

412  
00:27:15,659 --> 00:27:11,679  
news reporter and some times were called

413  
00:27:20,699 --> 00:27:15,669

up I had called up to the office they

414

00:27:25,709 --> 00:27:20,709

divided me down there and was created I

415

00:27:30,319 --> 00:27:25,719

don't know who was now but by a male and

416

00:27:38,669 --> 00:27:30,329

he informed me that I will only be

417

00:27:45,589 --> 00:27:38,679

invited to talk about about the UFOs if

418

00:27:50,579 --> 00:27:45,599

I did not mention anything about jets or

419

00:27:52,769 --> 00:27:50,589

u.s. airport air air Jets now this was

420

00:27:56,819 --> 00:27:52,779

coming from a media producer right not

421

00:28:00,779 --> 00:27:56,829

from the military no that was that was a

422

00:28:06,599 --> 00:28:00,789

meteor for the producer and I said are

423

00:28:09,930 --> 00:28:06,609

you sure and I said I'm going home if if

424

00:28:15,059 --> 00:28:09,940

you don't want me to tell what the whole

425

00:28:20,489 --> 00:28:15,069

story is and he called the other guy on

426

00:28:23,969 --> 00:28:20,499

the phone whoever it is he told me the

427

00:28:28,589 --> 00:28:23,979

other guy had did not speak to he did

428

00:28:33,249 --> 00:28:28,599

and he said he won't get in he doesn't

429

00:28:45,080 --> 00:28:37,549

so that I left I felt like I was had

430

00:28:50,090 --> 00:28:45,090

been put upon and asked was being asked

431

00:28:54,889 --> 00:28:50,100

to put the public on about the whole

432

00:28:58,039 --> 00:28:54,899

thing and I was ended well good for you

433

00:29:01,460 --> 00:28:58,049

we need more plain straight talking

434

00:29:03,830 --> 00:29:01,470

people like you well listen in both

435

00:29:06,049 --> 00:29:03,840

these instances and particularly the one

436

00:29:09,739 --> 00:29:06,059

in 1952 when you saw the formation

437

00:29:11,539 --> 00:29:09,749

coming out of the Washington DC area it

438

00:29:13,460 --> 00:29:11,549

was there any reason to offer you to

439

00:29:18,799 --> 00:29:13,470

even consider that this might be some

440

00:29:21,109 --> 00:29:18,809

kind of a natural weather phenomena well

441

00:29:27,799 --> 00:29:21,119

I had never seen anything like that and

442

00:29:33,729 --> 00:29:27,809

in my business I was studying those

443

00:29:44,419 --> 00:29:33,739

things all the time oh you were studying

444

00:29:48,349 --> 00:29:44,429

UFOs there were reports in and out you

445

00:29:51,769 --> 00:29:48,359

know what I mean in crime before they

446

00:29:58,789 --> 00:29:51,779

that's before they cleaned up everything

447

00:30:00,619 --> 00:29:58,799

so what did you have any orders from

448

00:30:07,220 --> 00:30:00,629

your superiors how to handle such

449

00:30:08,779 --> 00:30:07,230

reports I did not in fact he didn't even

450

00:30:15,680 --> 00:30:08,789

know anything about it

451

00:30:30,240 --> 00:30:23,010

my superior did I'm sure do nothing

452

00:30:33,600 --> 00:30:30,250

about UFOs at that time neither try hmm

453

00:30:35,670 --> 00:30:33,610

well in light of today and after your

454

00:30:37,770 --> 00:30:35,680

years of experience what are your

455

00:30:39,360 --> 00:30:37,780

thoughts today do you if you have any

456

00:30:44,430 --> 00:30:39,370

what is your idea what do you think

457

00:30:47,510 --> 00:30:44,440

these things work well I have since kind

458

00:30:51,600 --> 00:30:47,520

of the conclusion that they are

459

00:30:53,420 --> 00:30:51,610

extraterrestrial it there in our skies

460

00:30:57,420 --> 00:30:53,430

all the time

461

00:31:04,680 --> 00:30:57,430

at will they are not from one area

462

00:31:08,550 --> 00:31:04,690

they're from many areas and it appears

463

00:31:14,190 --> 00:31:08,560

as though they're or you know Eisenhower

464

00:31:19,790 --> 00:31:14,200

had two visits and flew out to make

465

00:31:25,550 --> 00:31:19,800

contact with it's on it's on record

466

00:31:36,570 --> 00:31:25,560

anybody can look it up and the first

467

00:31:43,170 --> 00:31:36,580

group that he met offers him a cure for

468

00:31:46,650 --> 00:31:43,180

all as I would say it a cure for

469

00:31:51,810 --> 00:31:46,660

diseases whoa

470

00:31:58,970 --> 00:31:51,820

and the second group not at the same

471

00:32:10,250 --> 00:32:05,240

offering him military benefits and and

472

00:32:13,770 --> 00:32:10,260

you know except these were the greys I

473

00:32:18,480 --> 00:32:13,780

never have found out really who the

474

00:32:20,640 --> 00:32:18,490

other group was now did you learn this

475

00:32:24,240 --> 00:32:20,650

through study or did you hear this from

476  
00:32:25,790 --> 00:32:24,250  
people within have I'll read books about

477  
00:32:30,440 --> 00:32:25,800  
it

478  
00:32:35,270 --> 00:32:30,450  
see but in 1952 you actually saw them

479  
00:32:37,280 --> 00:32:35,280  
with your own eyes yes okay and of

480  
00:32:39,320 --> 00:32:37,290  
course the official explanation at that

481  
00:32:41,470 --> 00:32:39,330  
time was that it was just temperature

482  
00:32:44,150 --> 00:32:41,480  
inversion different aversions of

483  
00:32:47,810 --> 00:32:44,160  
temperatures causing lights to reflect

484  
00:32:48,230 --> 00:32:47,820  
down that does not jibe with what you

485  
00:32:53,810 --> 00:32:48,240  
saw

486  
00:33:01,070 --> 00:32:53,820  
visit absolutely not I am blessed where

487  
00:33:05,890 --> 00:33:01,080  
I was blessed with 2010 vision and know

488  
00:33:08,870 --> 00:33:05,900

what I see exactly you know what you see

489

00:33:11,090 --> 00:33:08,880

all right Colonel Paul thank you so much

490

00:33:13,910 --> 00:33:11,100

for joining me tonight and thank you for

491

00:33:16,280 --> 00:33:13,920

sharing your story with our audience I'm

492

00:33:18,370 --> 00:33:16,290

sure they find that very very

493

00:33:20,960 --> 00:33:18,380

interesting and very very relieved

494

00:33:23,810 --> 00:33:20,970

revealing and of course it fits in

495

00:33:26,180 --> 00:33:23,820

perfectly with many other accounts from

496

00:33:28,720 --> 00:33:26,190

that period of time is there anything

497

00:33:35,560 --> 00:33:28,730

you'd like to add before we go to a

498

00:33:40,640 --> 00:33:35,570

break here I would like to see the US

499

00:33:45,670 --> 00:33:40,650

come clean and say hey we tried to

500

00:33:51,290 --> 00:33:45,680

handle this but there is no answer to it

501  
00:33:53,240 --> 00:33:51,300  
here's what it is right do you in your

502  
00:34:00,830 --> 00:33:53,250  
mind is there any reason to believe that

503  
00:34:10,399 --> 00:34:00,840  
these ETS are hostile I've never I've

504  
00:34:16,149 --> 00:34:10,409  
never had I have other I have other not

505  
00:34:19,130 --> 00:34:16,159  
contact but indications of non hostility

506  
00:34:22,100 --> 00:34:19,140  
v okay

507  
00:34:23,960 --> 00:34:22,110  
all right so in other words we just get

508  
00:34:26,899 --> 00:34:23,970  
a visit from the neighbors and our first

509  
00:34:28,820 --> 00:34:26,909  
response was to order military jets to

510  
00:34:31,820 --> 00:34:28,830  
shoot them down there they later

511  
00:34:33,649 --> 00:34:31,830  
rescinded that of course but I guess

512  
00:34:36,440 --> 00:34:33,659  
that kind of paints a picture of where

513  
00:34:38,540 --> 00:34:36,450

we are we're not very good not very good

514

00:34:43,430 --> 00:34:38,550

neighbors are we not very good

515

00:34:46,970 --> 00:34:43,440

no come clean start all over there we go

516

00:34:51,410 --> 00:34:46,980

I'm with you thank you Paul thank you

517

00:36:11,330 --> 00:34:51,420

thank him thank you very much okay that

518

00:36:14,750 --> 00:36:11,340

was an 8455 8455 8455 Irian swell flying

519

00:36:17,420 --> 00:36:14,760

to hawaii-- he said that to dish shape

520

00:36:20,660 --> 00:36:17,430

crafts flying at speeds estimated more

521

00:36:22,700 --> 00:36:20,670

than 1500 miles an hour which believing

522

00:36:26,180 --> 00:36:22,710

folks was impossible for jets of that

523

00:36:28,970 --> 00:36:26,190

era zoomed and circled his executive

524

00:36:33,080 --> 00:36:28,980

plane another plane carrying Admiral

525

00:36:35,360 --> 00:36:33,090

Arthur Redford upon landing Kimball

526

00:36:38,270 --> 00:36:35,370

radioed the Air Force with a report of

527

00:36:40,700 --> 00:36:38,280

what he had seen and sometime later he

528

00:36:43,010 --> 00:36:40,710

was outraged learned that not only at

529

00:36:46,100 --> 00:36:43,020

the Air Force apparently not seriously

530

00:36:50,120 --> 00:36:46,110

in this case but we're not even released

531

00:36:53,319 --> 00:36:50,130

to him what analysis they did prepare in

532

00:36:58,069 --> 00:36:53,329

this Secretary of the Navy

533

00:37:02,270 --> 00:36:58,079

and so he ordered the Navy to begin its

534

00:37:05,870 --> 00:37:02,280

own investigation and the part of that

535

00:37:11,480 --> 00:37:05,880

resulted in a very famous incident also

536

00:37:16,940 --> 00:37:11,490

in 1952 when a chief warrant officer

537

00:37:20,240 --> 00:37:16,950

named Delbert Newhouse was in Utah

538

00:37:23,390 --> 00:37:20,250

just north of Salt Lake City and they

539

00:37:26,180 --> 00:37:23,400

saw a group of 12 to 14 bright shiny

540

00:37:29,329 --> 00:37:26,190

objects maneuvering in formation at high

541

00:37:30,829 --> 00:37:29,339

speed and he being a navy photographer

542

00:37:34,220 --> 00:37:30,839

for 21 years

543

00:37:36,800 --> 00:37:34,230

Graham described his film camera a set

544

00:37:40,640 --> 00:37:36,810

the turret at the 3 inch telephoto lens

545

00:37:44,660 --> 00:37:40,650

and exposed about 40 feet of film before

546

00:37:46,910 --> 00:37:44,670

these objects flew out of sight this

547

00:37:48,819 --> 00:37:46,920

time the film went not to the Air Force

548

00:37:53,990 --> 00:37:48,829

but to the Navy and photo interpretation

549

00:37:56,660 --> 00:37:54,000

laboratory near Washington and they the

550

00:38:00,109 --> 00:37:56,670

analysts there quickly ruled out

551

00:38:03,470 --> 00:38:00,119

aircraft balloons birds and their final

552

00:38:07,790 --> 00:38:03,480

conclusion was unknown objects under

553

00:38:10,970 --> 00:38:07,800

intelligent control one of the best and

554

00:38:13,790 --> 00:38:10,980

most well-documented of the early UFO

555

00:38:17,059 --> 00:38:13,800

accounts well we're coming up to the

556

00:38:18,589 --> 00:38:17,069

midpoint here and I think it's about

557

00:38:22,520 --> 00:38:18,599

time that we take a break

558

00:38:25,880 --> 00:38:22,530

and we'll consider Paul's story and then

559

00:38:29,800 --> 00:38:25,890

coming back with any luck we're going to

560

00:38:34,099 --> 00:38:29,810

hear from another eyewitness of the 1952

561

00:38:37,599 --> 00:38:34,109

UFOs over Washington and I'm warning

562

00:38:40,250 --> 00:38:37,609

everyone we've got here in Texas some

563

00:38:43,220 --> 00:38:40,260

thunderstorm activity coming in with

564

00:38:47,089 --> 00:38:43,230

lightning and thunder and so if for some

565

00:38:49,490 --> 00:38:47,099

reason I'm gone away I have not been

566

00:38:51,620 --> 00:38:49,500

abducted problem probably I have

567

00:38:53,960 --> 00:38:51,630

probably been the victim of electrical

568

00:38:56,270 --> 00:38:53,970

outage due to thunderstorms but let's

569

00:38:57,349 --> 00:38:56,280

keep our fingers crossed and hopefully

570

00:39:01,520 --> 00:38:57,359

that's not going to happen

571

00:39:02,839 --> 00:39:01,530

and I want all of you to if you have

572

00:39:05,270 --> 00:39:02,849

people interested in UFOs

573

00:39:05,930 --> 00:39:05,280

why don't you here's an opportunity

574

00:39:09,020 --> 00:39:05,940

while

575

00:39:13,819 --> 00:39:09,030

we take a break to call them send an

576  
00:39:16,339 --> 00:39:13,829  
email Twitter I'm whatever and let them

577  
00:39:17,809 --> 00:39:16,349  
know that we've got some very

578  
00:39:19,970 --> 00:39:17,819  
outstanding material that we're

579  
00:39:24,550 --> 00:39:19,980  
presenting tonight on some of these

580  
00:39:29,630 --> 00:39:24,560  
early UFO incidents in US history and

581  
00:39:36,609 --> 00:39:29,640  
encourage them to come listen in so we

582  
00:39:43,599 --> 00:39:39,800  
hi everybody this is Bill and Nancy and

583  
00:39:48,050 --> 00:39:43,609

visit epic voyagers calm howdy

609  
00:41:20,650 --> 00:41:17,810  
here we are on epic voyages again epic

610  
00:41:23,590 --> 00:41:20,660  
voyagers were all voyagers in this epic

611  
00:41:25,300 --> 00:41:23,600  
adventure and for those of you who may

612  
00:41:27,820 --> 00:41:25,310  
not be that familiar with epic that

613  
00:41:31,060 --> 00:41:27,830

stands for the extraordinary phenomena

614

00:41:34,470 --> 00:41:31,070

investigations Council whoa I guess that

615

00:41:38,530 --> 00:41:34,480

makes us all council members now

616

00:41:42,370 --> 00:41:38,540

well last segment we talked with the 84

617

00:41:44,350 --> 00:41:42,380

year old intelligence analyst Paul and I

618

00:41:47,620 --> 00:41:44,360

apologize I think I started off calling

619

00:41:50,050 --> 00:41:47,630

you Colonel Paul and you'll find out why

620

00:41:54,220 --> 00:41:50,060

I'm not mixed up on this section because

621

00:41:59,470 --> 00:41:54,230

now we're gonna go to Vivian Walker who

622

00:42:03,190 --> 00:41:59,480

is a newly named State Director for epic

623

00:42:06,520 --> 00:42:03,200

for the state of Louisiana and a senior

624

00:42:08,640 --> 00:42:06,530

investigator and Vivian thank you so

625

00:42:13,780 --> 00:42:08,650

much for being with us tonight

626

00:42:16,390 --> 00:42:13,790

my pleasure I know you've had some

627

00:42:19,630 --> 00:42:16,400

experience in this field before because

628

00:42:22,510 --> 00:42:19,640

you previously worked for another UFO

629

00:42:26,170 --> 00:42:22,520

investigation unit organization crack

630

00:42:28,870 --> 00:42:26,180

yeah I was just a director to them okay

631

00:42:33,010 --> 00:42:28,880

so you're not just jumping into this as

632

00:42:38,080 --> 00:42:33,020

a as a babe in the woods as they say you

633

00:42:43,180 --> 00:42:38,090

know well obviously if you were a

634

00:42:45,490 --> 00:42:43,190

witness to the 1952 events over

635

00:42:49,090 --> 00:42:45,500

Washington DC let's just go all the way

636

00:42:49,480 --> 00:42:49,100

back to there and according to my notes

637

00:42:52,060 --> 00:42:49,490

here

638

00:42:54,270 --> 00:42:52,070

you were living on 63rd Avenue which is

639

00:42:58,630 --> 00:42:54,280

a street running north and south and

640

00:43:02,830 --> 00:42:58,640

chief early Maryland Cheverly Chevrolet

641

00:43:07,050 --> 00:43:02,840

as in Chevrolet severally yeah and that

642

00:43:09,609 --> 00:43:07,060

seven miles north east of DC right yeah

643

00:43:12,850 --> 00:43:09,619

okay well let's just start from there

644

00:43:16,090 --> 00:43:12,860

you're a young girl but you were not a

645

00:43:17,320 --> 00:43:16,100

babe in arms either you certainly knew

646

00:43:19,990 --> 00:43:17,330

what was going on in the environment

647

00:43:23,109 --> 00:43:20,000

around you so let's go to that evening

648

00:43:24,670 --> 00:43:23,119

on July the 26th and according to all

649

00:43:28,720 --> 00:43:24,680

the reports and you got it right you

650

00:43:30,790 --> 00:43:28,730

said you believed it was about six or

651  
00:43:34,090 --> 00:43:30,800  
seven o'clock and I think 6 p.m. is

652  
00:43:36,070 --> 00:43:34,100  
pretty much what they've nailed tell us

653  
00:43:39,250 --> 00:43:36,080  
I knew it was around that time only

654  
00:43:41,380 --> 00:43:39,260  
because I had to put it in into the same

655  
00:43:43,450 --> 00:43:41,390  
time frame was with when we went to bed

656  
00:43:46,150 --> 00:43:43,460  
and we were always sent to bed rather

657  
00:43:48,190 --> 00:43:46,160  
early because you know in the summer I

658  
00:43:50,500 --> 00:43:48,200  
remember looking out the window and the

659  
00:43:53,590 --> 00:43:50,510  
kids would be playing out we're already

660  
00:43:54,730 --> 00:43:53,600  
in our beds so I knew I want you know

661  
00:43:56,620 --> 00:43:54,740  
early in the evening

662  
00:44:00,040 --> 00:43:56,630  
yeah sounded like you had some strict

663  
00:44:01,540 --> 00:44:00,050

parents like I did yeah and and keep in

664

00:44:05,200 --> 00:44:01,550

mind folks at this time there really

665

00:44:06,880 --> 00:44:05,210

wasn't any television and so really we

666

00:44:13,420 --> 00:44:06,890

start getting sundown is about time to

667

00:44:18,430 --> 00:44:13,430

go to bed so you were ahead of us here

668

00:44:21,220 --> 00:44:18,440

in Texas yeah okay so it was a bad

669

00:44:22,330 --> 00:44:21,230

bedtime but you weren't bad were you no

670

00:44:24,580 --> 00:44:22,340

okay

671

00:44:27,060 --> 00:44:24,590

I wasn't even in my pajamas it was it

672

00:44:30,010 --> 00:44:27,070

was one of those rare times that we were

673

00:44:34,120 --> 00:44:30,020

allowed to be outside you know after

674

00:44:36,040 --> 00:44:34,130

dinner and normally right after dinner

675

00:44:38,109 --> 00:44:36,050

we would have taken a bath and then gone

676  
00:44:39,280 --> 00:44:38,119  
to bed shortly afterwards there

677  
00:44:40,630 --> 00:44:39,290  
endurance

678  
00:44:42,700 --> 00:44:40,640  
yeah that would have been during school

679  
00:44:48,040 --> 00:44:42,710  
days right this is the summer this was

680  
00:44:49,810 --> 00:44:48,050  
anytime anytime okay at that point at

681  
00:44:53,050 --> 00:44:49,820  
that point I was the oldest of five

682  
00:44:55,480 --> 00:44:53,060  
children my mother later had and my

683  
00:44:59,080 --> 00:44:55,490  
parents later had another one so I'm the

684  
00:45:00,580 --> 00:44:59,090  
oldest of six but you know when you've

685  
00:45:02,860 --> 00:45:00,590  
got five kids you want to get them to

686  
00:45:04,180 --> 00:45:02,870  
bed early so

687  
00:45:07,540 --> 00:45:04,190  
I think that was the thinking behind

688  
00:45:09,100 --> 00:45:07,550

that but I'm not real sure why we were

689

00:45:11,200 --> 00:45:09,110

allowed to stay up a little bit later

690

00:45:14,230 --> 00:45:11,210

you know and why we weren't already you

691

00:45:16,210 --> 00:45:14,240

know up in the bathtub but we were

692

00:45:18,730 --> 00:45:16,220

outside the entire neighborhood was out

693

00:45:21,130 --> 00:45:18,740

there and we were all looking down the

694

00:45:22,510 --> 00:45:21,140

street or up the street you know to me

695

00:45:24,010 --> 00:45:22,520

it seemed like it was down the street

696

00:45:27,460 --> 00:45:24,020

because there was a hill down at the end

697

00:45:28,960 --> 00:45:27,470

but we were you know the whole

698

00:45:31,420 --> 00:45:28,970

neighborhood was out looking at these

699

00:45:33,430 --> 00:45:31,430

these UFOs that were flying around up

700

00:45:37,930 --> 00:45:33,440

there and there were about seven of them

701  
00:45:40,120 --> 00:45:37,940  
and you know as near as I can recall I

702  
00:45:43,600 --> 00:45:40,130  
just remember seeing them kind of flying

703  
00:45:44,920 --> 00:45:43,610  
initially in a group and then there were

704  
00:45:48,160 --> 00:45:44,930  
two of them that kind of moved off a

705  
00:45:52,300 --> 00:45:48,170  
little bit and then back in again

706  
00:45:54,130 --> 00:45:52,310  
and it was just you know I didn't really

707  
00:45:57,400 --> 00:45:54,140  
fully comprehend why everybody was

708  
00:46:00,760 --> 00:45:57,410  
afraid and everybody was so concerned

709  
00:46:02,890 --> 00:46:00,770  
about it and then my father who was

710  
00:46:05,200 --> 00:46:02,900  
extremely concerned he went inside the

711  
00:46:07,690 --> 00:46:05,210  
house he had just made Lieutenant

712  
00:46:11,350 --> 00:46:07,700  
Colonel five days prior to the defense

713  
00:46:13,270 --> 00:46:11,360

event and he was stationed at Andrews

714

00:46:16,840 --> 00:46:13,280

Air Force Base and he was also working

715

00:46:19,570 --> 00:46:16,850

out of the Pentagon and he went in the

716

00:46:21,880 --> 00:46:19,580

house to call the Pentagon and when he

717

00:46:24,040 --> 00:46:21,890

came out he was just stone-faced I mean

718

00:46:27,460 --> 00:46:24,050

I can still see the look on his face and

719

00:46:29,650 --> 00:46:27,470

I remember thinking that it had to be

720

00:46:32,110 --> 00:46:29,660

top-secret because I knew he had you

721

00:46:33,940 --> 00:46:32,120

know top-secret security clearance and I

722

00:46:35,260 --> 00:46:33,950

just assumed it was something top-secret

723

00:46:40,300 --> 00:46:35,270

and that's why he wouldn't talk to

724

00:46:43,270 --> 00:46:40,310

anybody about it and so you know the

725

00:46:46,060 --> 00:46:43,280

event didn't last that long for me

726

00:46:48,550 --> 00:46:46,070

because we were eventually you know sent

727

00:46:51,280 --> 00:46:48,560

inside the house to take a bath and go

728

00:46:52,840 --> 00:46:51,290

to bed without that killer or the object

729

00:46:55,660 --> 00:46:52,850

still in the sky when you were sitting

730

00:46:56,890 --> 00:46:55,670

in the house or had they gone home as I

731

00:46:58,300 --> 00:46:56,900

recall everybody was still out there

732

00:47:02,440 --> 00:46:58,310

looking at him when I was not in the

733

00:47:04,630 --> 00:47:02,450

house and can you describe what you saw

734

00:47:07,090 --> 00:47:04,640

I mean did what was it I was so up they

735

00:47:08,230 --> 00:47:07,100

were silver discs they were silver discs

736

00:47:10,990 --> 00:47:08,240

and you could see the sunlight

737

00:47:15,220 --> 00:47:11,000

reflecting off of them solid objects

738

00:47:16,750 --> 00:47:15,230

yeah okay and they were coming I believe

739

00:47:19,210 --> 00:47:16,760

here in the note said they were come

740

00:47:22,060 --> 00:47:19,220

in a southwesterly direction so I

741

00:47:24,250 --> 00:47:22,070

probably like Paul before you

742

00:47:26,020 --> 00:47:24,260

they had already passed over Washington

743

00:47:31,600 --> 00:47:26,030

and we're heading away from Washington

744

00:47:33,220 --> 00:47:31,610

correct I'm not really sure I'm kind of

745

00:47:35,400 --> 00:47:33,230

you know after all these years I'm a

746

00:47:38,440 --> 00:47:35,410

little turned around on me

747

00:47:41,440 --> 00:47:38,450

that where your bursitis

748

00:47:45,700 --> 00:47:41,450

yeah you say sharply you said Chevrolet

749

00:47:47,290 --> 00:47:45,710

was north east of Washington and so in

750

00:47:49,330 --> 00:47:47,300

your notices they were they were flying

751  
00:47:51,220 --> 00:47:49,340  
south westerly which would have been

752  
00:47:54,010 --> 00:47:51,230  
away from Washington right

753  
00:47:55,590 --> 00:47:54,020  
okay probably maybe we'll give that a

754  
00:47:58,660 --> 00:47:55,600  
definite maybe

755  
00:48:03,150 --> 00:47:58,670  
hey a little water has gone under the

756  
00:48:06,370 --> 00:48:03,160  
bridge since 1952 hasn't it yeah okay

757  
00:48:08,560 --> 00:48:06,380  
well now so that actually was your

758  
00:48:10,450 --> 00:48:08,570  
experienced it was there ever any okay

759  
00:48:11,860 --> 00:48:10,460  
was there any in your thought then or

760  
00:48:16,960 --> 00:48:11,870  
now that maybe it was some sort of

761  
00:48:21,850 --> 00:48:16,970  
natural phenomena no and one of the

762  
00:48:24,880 --> 00:48:21,860  
things about oh somewhere between 15 and

763  
00:48:27,820 --> 00:48:24,890

20 years ago I was here visiting my dad

764

00:48:31,690 --> 00:48:27,830

and I was living in California at the

765

00:48:34,000 --> 00:48:31,700

time and we were sitting in his kitchen

766

00:48:36,580 --> 00:48:34,010

table and we were talking about UFOs and

767

00:48:38,770 --> 00:48:36,590

stuff and I said well well what was the

768

00:48:42,010 --> 00:48:38,780

whole deal when you went in and and call

769

00:48:44,230 --> 00:48:42,020

the Pentagon in 1952 when you know they

770

00:48:46,780 --> 00:48:44,240

were flying over and and he started

771

00:48:49,180 --> 00:48:46,790

laughing and he said the reason that he

772

00:48:51,880 --> 00:48:49,190

was so stone-faced when he came back out

773

00:48:53,650 --> 00:48:51,890

is because he was just livid because

774

00:48:55,120 --> 00:48:53,660

when you and I am called Pentagon they

775

00:48:57,100 --> 00:48:55,130

treated him like a nutjob

776

00:48:59,970 --> 00:48:57,110

now you have to keep in mind that my dad

777

00:49:04,030 --> 00:48:59,980

was an experienced world war two pilots

778

00:49:06,670 --> 00:49:04,040

he was also the first pilot to fly into

779

00:49:08,290 --> 00:49:06,680

Orly France after d-day he said

780

00:49:10,990 --> 00:49:08,300

generally and to meet with General de

781

00:49:16,240 --> 00:49:11,000

Gaulle and you know so he was no dummy

782

00:49:18,430 --> 00:49:16,250

when it came to aeronautics and so he

783

00:49:20,470 --> 00:49:18,440

was just he was so infuriated by the

784

00:49:21,730 --> 00:49:20,480

fact that they treated him like a nutjob

785

00:49:23,650 --> 00:49:21,740

that that's why he wouldn't talk to

786

00:49:26,620 --> 00:49:23,660

anybody about it it had nothing to do

787

00:49:28,300 --> 00:49:26,630

with anything being top-secret Wow that

788

00:49:30,070 --> 00:49:28,310

so in other words he got the same

789

00:49:32,410 --> 00:49:30,080

brush-off that earlier Paul

790

00:49:34,600 --> 00:49:32,420

said he did when as these its

791

00:49:36,700 --> 00:49:34,610

intelligence analyst he tried to tell me

792

00:49:39,280 --> 00:49:36,710

was going on and of course I do

793

00:49:42,190 --> 00:49:39,290

understand that at the time the

794

00:49:44,770 --> 00:49:42,200

switchboards the newspapers the police

795

00:49:46,720 --> 00:49:44,780

were just inundated with calls from

796

00:49:52,390 --> 00:49:46,730

people you know saying here's what I saw

797

00:49:54,430 --> 00:49:52,400

or what is right yeah I think you know

798

00:49:58,000 --> 00:49:54,440

back then a lot of people were really

799

00:50:01,270 --> 00:49:58,010

scared you know I think it was too soon

800

00:50:04,360 --> 00:50:01,280

after were of the world I think people

801  
00:50:06,100 --> 00:50:04,370  
thought we were being invaded and you

802  
00:50:09,310 --> 00:50:06,110  
know so that's understandable why at

803  
00:50:11,500 --> 00:50:09,320  
that time people we're that's for a good

804  
00:50:13,270 --> 00:50:11,510  
point Vivian because you know today war

805  
00:50:14,620 --> 00:50:13,280  
the Orson Welles War the world

806  
00:50:17,290 --> 00:50:14,630  
you know this sounds like ancient

807  
00:50:20,530 --> 00:50:17,300  
history but in 1950 that was less than

808  
00:50:23,350 --> 00:50:20,540  
15 years after that was like you know

809  
00:50:25,780 --> 00:50:23,360  
like somebody talked about 9/11 now you

810  
00:50:27,730 --> 00:50:25,790  
know it was still very fresh and a lot

811  
00:50:29,080 --> 00:50:27,740  
of people's minds well I mean you know

812  
00:50:30,820 --> 00:50:29,090  
there were a lot of people that caused

813  
00:50:32,800 --> 00:50:30,830

so much panic there were people that

814

00:50:35,260 --> 00:50:32,810

committed suicide even and there were

815

00:50:37,240 --> 00:50:35,270

people that you know took guns and stuff

816

00:50:39,310 --> 00:50:37,250

and went off into the hills to hide out

817

00:50:41,620 --> 00:50:39,320

and you know people thought it was real

818

00:50:44,320 --> 00:50:41,630

you know they thought all this was real

819

00:50:46,390 --> 00:50:44,330

and so you know it was and this was when

820

00:50:49,060 --> 00:50:46,400

in the late 40s when Orson Welles did

821

00:50:51,430 --> 00:50:49,070

that actually about nine children flirty

822

00:50:54,460 --> 00:50:51,440

30 I would think it was in the forties

823

00:50:57,070 --> 00:50:54,470

but still say that would have been like

824

00:50:59,470 --> 00:50:57,080

14 years thirteen fourteen years yep so

825

00:51:02,650 --> 00:50:59,480

people were still you know in that panic

826

00:51:04,240 --> 00:51:02,660

mode and you could see that just by

827

00:51:06,310 --> 00:51:04,250

looking at the people up and down my

828

00:51:08,770 --> 00:51:06,320

street you know if you look at that

829

00:51:10,420 --> 00:51:08,780

Street now I've gone to V Pike and

830

00:51:12,040 --> 00:51:10,430

looked at it and there's big trees on it

831

00:51:14,080 --> 00:51:12,050

and everybody's front yard well when we

832

00:51:15,340 --> 00:51:14,090

lived there there were no trees at all

833

00:51:18,160 --> 00:51:15,350

in anybody's yard

834

00:51:20,500 --> 00:51:18,170

there were woods behind us but we had a

835

00:51:23,980 --> 00:51:20,510

very clear view of what was going on

836

00:51:30,760 --> 00:51:23,990

right right well enough another thing I

837

00:51:32,980 --> 00:51:30,770

might add here is that 1952 was only

838

00:51:37,660 --> 00:51:32,990

seven years after World War two ended

839

00:51:42,010 --> 00:51:37,670

and the nation was still very much in a

840

00:51:43,780 --> 00:51:42,020

war security mainframe yeah oh yeah we

841

00:51:44,120 --> 00:51:43,790

used to have have drills where we'd have

842

00:51:46,640 --> 00:51:44,130

to

843

00:51:49,400 --> 00:51:46,650

you know get under the desk and you know

844

00:51:50,690 --> 00:51:49,410

they do they have the alarms go off and

845

00:51:52,970 --> 00:51:50,700

everybody in the school would have to

846

00:51:54,320 --> 00:51:52,980

get under the desk they were you know in

847

00:51:57,920 --> 00:51:54,330

case somebody was going to come bomb

848

00:52:00,860 --> 00:51:57,930

this and so we're still in that mindset

849

00:52:02,690 --> 00:52:00,870

we did that also in Texas and of course

850

00:52:06,710 --> 00:52:02,700

let me remind the little younger

851  
00:52:09,950 --> 00:52:06,720  
listeners this was right at right after

852  
00:52:12,050 --> 00:52:09,960  
that several years after Winston

853  
00:52:16,810 --> 00:52:12,060  
Churchill had declared an Iron Curtain

854  
00:52:20,210 --> 00:52:16,820  
in Europe and we were already being

855  
00:52:23,300 --> 00:52:20,220  
conditioned to be fearful of the Russian

856  
00:52:24,980 --> 00:52:23,310  
communists in World War 3 and of course

857  
00:52:26,840 --> 00:52:24,990  
the Cold War went on for a good number

858  
00:52:29,840 --> 00:52:26,850  
of years and this was the beginning of

859  
00:52:33,110 --> 00:52:29,850  
it but this was also the beginning of

860  
00:52:37,390 --> 00:52:33,120  
the McCarthy era you know paranoia runs

861  
00:52:40,750 --> 00:52:37,400  
deep and you have to put that into the

862  
00:52:43,640 --> 00:52:40,760  
context of what was gone at that time

863  
00:52:45,980 --> 00:52:43,650

since then Vivian I know you've studied

864

00:52:50,650 --> 00:52:45,990

the phenomena and you've gone out as an

865

00:52:53,870 --> 00:52:50,660

investigator for now - at least - UFO

866

00:52:57,230 --> 00:52:53,880

investigation organizations and I'm sure

867

00:52:59,150 --> 00:52:57,240

that you've seen the arguments that what

868

00:53:01,430 --> 00:52:59,160

everyone saw over Washington was

869

00:53:04,130 --> 00:53:01,440

actually just lights reflected off of

870

00:53:07,630 --> 00:53:04,140

temperature inversions just different

871

00:53:08,870 --> 00:53:07,640

levels that happens Thank You Lonnie

872

00:53:10,790 --> 00:53:08,880

yeah

873

00:53:15,370 --> 00:53:10,800

absolutely because you know I think it

874

00:53:21,280 --> 00:53:15,380

was only maybe as a year before that the

875

00:53:24,770 --> 00:53:21,290

Lubbock lights that took place in 1951

876

00:53:26,300 --> 00:53:24,780

about a year earlier I went out there to

877

00:53:29,570 --> 00:53:26,310

work on the newspaper at the Louisville

878

00:53:32,480 --> 00:53:29,580

Avalanche Journal back in the mid-60s

879

00:53:34,940 --> 00:53:32,490

and one of the old photographers there

880

00:53:38,810 --> 00:53:34,950

had been a photographer for the Lubbock

881

00:53:40,940 --> 00:53:38,820

newspaper in the early 1950s in fact had

882

00:53:43,550 --> 00:53:40,950

taken pictures of what became known as

883

00:53:46,520 --> 00:53:43,560

the Lubbock lights which was a series of

884

00:53:49,940 --> 00:53:46,530

glowing objects in a v-shaped formation

885

00:53:51,800 --> 00:53:49,950

that pass low slowly over the town of

886

00:53:54,950 --> 00:53:51,810

Lubbock Texas way out in West Texas and

887

00:53:56,680 --> 00:53:54,960

I remember asking em one time I said

888

00:53:58,690 --> 00:53:56,690

well you know the government

889

00:54:01,720 --> 00:53:58,700

you said it was just street lights

890

00:54:05,050 --> 00:54:01,730

shining off the underside of a flight of

891

00:54:07,990 --> 00:54:05,060

plumbers which is a kind of duck and he

892

00:54:11,920 --> 00:54:08,000

said yeah they said it was duck butts

893

00:54:14,170 --> 00:54:11,930

right he he never bought that and he

894

00:54:16,390 --> 00:54:14,180

actually saw him and took photographs of

895

00:54:19,359 --> 00:54:16,400

them so they've really just really

896

00:54:21,280 --> 00:54:19,369

handed us a bunch of dissembling

897

00:54:23,500 --> 00:54:21,290

disinformation over the years haven't

898

00:54:25,300 --> 00:54:23,510

they didn't they really have and it's

899

00:54:27,579 --> 00:54:25,310

it's really insulting to people's

900

00:54:29,260 --> 00:54:27,589

intelligence you know to for the

901  
00:54:32,050 --> 00:54:29,270  
government to come up with these

902  
00:54:34,210 --> 00:54:32,060  
ridiculous stories you know some of us

903  
00:54:36,220 --> 00:54:34,220  
have seen things that we know for a fact

904  
00:54:39,640 --> 00:54:36,230  
or real that we've seen up close and

905  
00:54:41,700 --> 00:54:39,650  
personal and for anybody to say that

906  
00:54:45,339 --> 00:54:41,710  
it's anything else is just ludicrous

907  
00:54:47,589 --> 00:54:45,349  
well they you know we have the documents

908  
00:54:48,940 --> 00:54:47,599  
now showing that starting back at the

909  
00:54:54,370 --> 00:54:48,950  
very time we're talking to about about

910  
00:54:57,300 --> 00:54:54,380  
nineteen fifty-one 52 53 that a policy

911  
00:55:01,780 --> 00:54:57,310  
was actually officially instigated of

912  
00:55:03,550 --> 00:55:01,790  
denial and ridicule they said you didn't

913  
00:55:04,960 --> 00:55:03,560

see anything if you keep insisting you

914

00:55:08,319 --> 00:55:04,970

did then you might need psychiatric

915

00:55:10,510 --> 00:55:08,329

treatment well you know that is that's

916

00:55:13,120 --> 00:55:10,520

just uncomfortable because not only as

917

00:55:15,839 --> 00:55:13,130

it's so contrary to the truth but

918

00:55:18,819 --> 00:55:15,849

wouldn't you agree that that's probably

919

00:55:20,740 --> 00:55:18,829

caused a lot of psychological damage to

920

00:55:24,670 --> 00:55:20,750

a lot of people and maybe even broken up

921

00:55:26,890 --> 00:55:24,680

families oh I agree I've talked to a

922

00:55:30,190 --> 00:55:26,900

number of people over the years that you

923

00:55:32,230 --> 00:55:30,200

know I've actually had that happen you

924

00:55:35,859 --> 00:55:32,240

know I of course can't say names but I

925

00:55:40,329 --> 00:55:35,869

do know of one person a couple of years

926

00:55:44,230 --> 00:55:40,339

ago that because of her involvement in

927

00:55:45,760 --> 00:55:44,240

this it caused a divorce and I've heard

928

00:55:47,620 --> 00:55:45,770

of other people over the years as well

929

00:55:50,319 --> 00:55:47,630

but it had the same kind of problem and

930

00:55:51,910 --> 00:55:50,329

I think it's really sad that our

931

00:55:54,940 --> 00:55:51,920

government doesn't come forward and say

932

00:55:56,500 --> 00:55:54,950

yeah this is a real thing and I realize

933

00:55:57,760 --> 00:55:56,510

the reason they don't do it is because

934

00:56:01,300 --> 00:55:57,770

they don't want to even if they have no

935

00:56:04,150 --> 00:56:01,310

control of do the airspace yeah that's

936

00:56:06,370 --> 00:56:04,160

that's very real problem because if

937

00:56:10,210 --> 00:56:06,380

you'll think about it

938

00:56:12,880 --> 00:56:10,220

the only real rationale for

939

00:56:16,359 --> 00:56:12,890

having a any kind of real structured

940

00:56:21,760 --> 00:56:16,369

government in the first place is one of

941

00:56:24,400 --> 00:56:21,770

the two obligations responsibilities

942

00:56:27,040 --> 00:56:24,410

given to government in our Constitution

943

00:56:29,380 --> 00:56:27,050

one of course is to coin regulate money

944

00:56:32,410 --> 00:56:29,390

in tariffs the other is to provide for

945

00:56:35,050 --> 00:56:32,420

the common defense okay the fifth to

946

00:56:36,760 --> 00:56:35,060

provide for defense well you can see

947

00:56:38,440 --> 00:56:36,770

that if they were forced to come out and

948

00:56:40,990 --> 00:56:38,450

say well there's things planned over our

949

00:56:43,720 --> 00:56:41,000

most restricted airspace and we're not

950

00:56:46,540 --> 00:56:43,730

even not only sure of who they are but

951  
00:56:48,220 --> 00:56:46,550  
we can't do anything about it then you

952  
00:56:53,010 --> 00:56:48,230  
know everyone would be saying well then

953  
00:56:55,690 --> 00:56:53,020  
why am i paying taxes right yeah really

954  
00:56:58,690 --> 00:56:55,700  
that's it well listen I understand that

955  
00:57:03,280 --> 00:56:58,700  
your dad who he finally did he retire as

956  
00:57:09,160 --> 00:57:03,290  
a full colonel yes he had another

957  
00:57:10,150 --> 00:57:09,170  
experience too when you my only son yes

958  
00:57:13,390 --> 00:57:10,160  
tell us about that

959  
00:57:15,640 --> 00:57:13,400  
that was in 1967 and he was flying a

960  
00:57:19,390 --> 00:57:15,650  
mission overlay overlay us for about

961  
00:57:24,160 --> 00:57:19,400  
25,000 feet and he was flying a c-130

962  
00:57:25,870 --> 00:57:24,170  
and they were flying parallel to the

963  
00:57:28,240 --> 00:57:25,880

equator and they go so many miles and

964

00:57:31,390 --> 00:57:28,250

then turn and stays parallel to the

965

00:57:32,829 --> 00:57:31,400

equator and fly back and he didn't go

966

00:57:34,599 --> 00:57:32,839

into detail about what the mission was

967

00:57:36,880 --> 00:57:34,609

just that they were going along and it

968

00:57:39,190 --> 00:57:36,890

was a perfectly clear day and all of a

969

00:57:41,740 --> 00:57:39,200

sudden this craft came from out of

970

00:57:44,770 --> 00:57:41,750

nowhere and and I had on collision

971

00:57:47,400 --> 00:57:44,780

course for this plane and at the last

972

00:57:49,930 --> 00:57:47,410

moment it went underneath his plane and

973

00:57:51,880 --> 00:57:49,940

for some reason I didn't think until

974

00:57:54,040 --> 00:57:51,890

after his death that I should have asked

975

00:57:57,579 --> 00:57:54,050

him if it caused any kind of turbulence

976

00:57:59,260 --> 00:57:57,589

or what but he said that it just you

977

00:58:04,990 --> 00:57:59,270

know to quote him he said it scared the

978

00:58:06,280 --> 00:58:05,000

hell out of him and did he ever give you

979

00:58:08,589 --> 00:58:06,290

a description

980

00:58:10,839 --> 00:58:08,599

he didn't you do better than that he did

981

00:58:13,089 --> 00:58:10,849

a drawing for me of the craft and he

982

00:58:15,579 --> 00:58:13,099

wrote down you know what had happened

983

00:58:19,210 --> 00:58:15,589

and what how he was flying and you know

984

00:58:21,670 --> 00:58:19,220

etc since we can't see the drawing can

985

00:58:24,190 --> 00:58:21,680

you describe it well it was shaped like

986

00:58:26,920 --> 00:58:24,200

like the hull of a boat and

987

00:58:31,349 --> 00:58:26,930

this craft had he saw no windows on it

988

00:58:33,400 --> 00:58:31,359

at all and there wasn't anything

989

00:58:40,150 --> 00:58:33,410

distinguishable about it other than it

990

00:58:45,220 --> 00:58:40,160

was silver and the interesting thing is

991

00:58:46,750 --> 00:58:45,230

that at some other point I had been

992

00:58:49,300 --> 00:58:46,760

researching some stuff on the internet

993

00:58:51,940 --> 00:58:49,310

this as years ago and I came across a

994

00:58:53,830 --> 00:58:51,950

craft that somebody had drawn and put on

995

00:58:57,940 --> 00:58:53,840

the internet that looked very much like

996

00:58:59,380 --> 00:58:57,950

the one that he had drawn for me and so

997

00:59:02,859 --> 00:58:59,390

I thought I don't know where that person

998

00:59:04,260 --> 00:59:02,869

got that drawing or anything I mean for

999

00:59:07,720 --> 00:59:04,270

all I know it could have been the

1000

00:59:09,580 --> 00:59:07,730

copilot that was with him because they

1001  
00:59:11,530 --> 00:59:09,590  
decided not to report it they had done

1002  
00:59:15,310 --> 00:59:11,540  
its kind of talk about it for a minute

1003  
00:59:18,070 --> 00:59:15,320  
and we regretted their motor sorry not

1004  
00:59:19,720 --> 00:59:18,080  
to report it because it would have gone

1005  
00:59:22,420 --> 00:59:19,730  
into their ears and affected their

1006  
00:59:24,730 --> 00:59:22,430  
ability to get promoted right and our

1007  
00:59:30,030 --> 00:59:24,740  
another possibility is it was just the

1008  
00:59:33,700 --> 00:59:30,040  
same modeled UFO right right somebody

1009  
00:59:37,690 --> 00:59:33,710  
similar object yeah I thought of that

1010  
00:59:39,790 --> 00:59:37,700  
too but he in fact he and I used to have

1011  
00:59:42,880 --> 00:59:39,800  
some quite quite a few discussions about

1012  
00:59:45,750 --> 00:59:42,890  
it because he was convinced that they

1013  
00:59:48,430 --> 00:59:45,760

came from other dimensions or through

1014

00:59:50,460 --> 00:59:48,440

dimensions because of the fact that this

1015

00:59:53,109 --> 00:59:50,470

thing literally came from out of nowhere

1016

00:59:55,540 --> 00:59:53,119

they didn't see it coming up well when

1017

00:59:57,040 --> 00:59:55,550

you said it went under their plane did

1018

00:59:59,770 --> 00:59:57,050

he give you any indication of whether

1019

01:00:02,740 --> 00:59:59,780

this was they were just following the

1020

01:00:06,579 --> 01:00:02,750

UFO was following a flight path or did

1021

01:00:08,740 --> 01:00:06,589

it change course no it changed course

1022

01:00:11,370 --> 01:00:08,750

and when underneath his plane to avoid

1023

01:00:14,250 --> 01:00:11,380

the collision well then that air okay

1024

01:00:17,079 --> 01:00:14,260

intelligent direction yes exactly

1025

01:00:18,820 --> 01:00:17,089

okay that's what it was because it was

1026

01:00:21,130 --> 01:00:18,830

coming in a head-on collision course

1027

01:00:24,190 --> 01:00:21,140

when it came from out of nowhere and and

1028

01:00:28,180 --> 01:00:24,200

then just drove under the plane at the

1029

01:00:30,310 --> 01:00:28,190

last moment what do you say when you ask

1030

01:00:33,490 --> 01:00:30,320

him if he'd been debriefed about what

1031

01:00:35,589 --> 01:00:33,500

happened when he got on the ground he

1032

01:00:37,150 --> 01:00:35,599

said he wasn't because they didn't

1033

01:00:38,500 --> 01:00:37,160

report it

1034

01:00:40,690 --> 01:00:38,510

they knew that they were recorded it

1035

01:00:43,349 --> 01:00:40,700

that they'd never get a rank again they

1036

01:00:45,490 --> 01:00:43,359

never get promoted again you know it was

1037

01:00:46,930 --> 01:00:45,500

you know they kind of talked about it

1038

01:00:48,400 --> 01:00:46,940

for a minute and they decided now they

1039

01:00:50,740 --> 01:00:48,410

weren't going to say a word because it

1040

01:00:54,880 --> 01:00:50,750

would have gone in the ER you know

1041

01:00:58,630 --> 01:00:54,890

Vivian that's still going on I know I

1042

01:01:01,480 --> 01:00:58,640

heard a story from some pilots and they

1043

01:01:04,569 --> 01:01:01,490

radioed the ATC the air traffic

1044

01:01:06,789 --> 01:01:04,579

controller and said you know I've got a

1045

01:01:09,430 --> 01:01:06,799

UFO over here on my right wing and it's

1046

01:01:11,680 --> 01:01:09,440

very huge and it's silver and it's it's

1047

01:01:15,670 --> 01:01:11,690

pacing us and the pilot was just all

1048

01:01:18,430 --> 01:01:15,680

excited and the ATC radio back and said

1049

01:01:23,650 --> 01:01:18,440

are you reporting a UFO and there's a

1050

01:01:27,630 --> 01:01:23,660

long silence and the pilot said no yeah

1051

01:01:30,400 --> 01:01:27,640

very calmly yeah they were gently

1052

01:01:33,099 --> 01:01:30,410

unfortunately and that's why that the

1053

01:01:35,710 --> 01:01:33,109

man in the street is still you know

1054

01:01:40,529 --> 01:01:35,720

being titillated on the one hand with

1055

01:01:44,200 --> 01:01:40,539

ETS and and spaceships and you know the

1056

01:01:46,269 --> 01:01:44,210

the USS Enterprise and everything else

1057

01:01:51,010 --> 01:01:46,279

on TV and yet when it comes to the news

1058

01:01:53,260 --> 01:01:51,020

it's like nothing there folks yes really

1059

01:01:55,450 --> 01:01:53,270

it's very frustrating you know and

1060

01:01:57,940 --> 01:01:55,460

especially when people get really good

1061

01:02:00,160 --> 01:01:57,950

photographs or video or anything they do

1062

01:02:03,609 --> 01:02:00,170

everything they can to discredit it and

1063

01:02:07,720 --> 01:02:03,619

it's just really unfortunate well the

1064

01:02:11,760 --> 01:02:07,730

only bright spot is that at least to me

1065

01:02:14,380 --> 01:02:11,770

this is changing I know when the

1066

01:02:16,299 --> 01:02:14,390

sightings over Stephenville occurred

1067

01:02:19,299 --> 01:02:16,309

here a couple years ago here in Texas

1068

01:02:20,980 --> 01:02:19,309

certainly the Texas media and I think to

1069

01:02:23,829 --> 01:02:20,990

a pretty good extent the national media

1070

01:02:26,200 --> 01:02:23,839

actually began reporting on that and a

1071

01:02:28,809 --> 01:02:26,210

fairly straightforward reportorial style

1072

01:02:31,120 --> 01:02:28,819

rather than just sneering and laughing

1073

01:02:33,450 --> 01:02:31,130

and say oh well look what the Hicks and

1074

01:02:36,130 --> 01:02:33,460

Texas are saying right you remember that

1075

01:02:38,349 --> 01:02:36,140

and you would you agree that the

1076

01:02:40,839 --> 01:02:38,359

attitude is changing I think it's

1077

01:02:43,870 --> 01:02:40,849

changed a little bit and I you know but

1078

01:02:46,660 --> 01:02:43,880

I've also seen in the last several years

1079

01:02:48,700 --> 01:02:46,670

- I've seen where you know something

1080

01:02:50,920 --> 01:02:48,710

will be reported and the local news

1081

01:02:53,020 --> 01:02:50,930

media as a reporting at those

1082

01:02:55,660 --> 01:02:53,030

snicker and they make jokes about it you

1083

01:02:57,370 --> 01:02:55,670

know they don't really treat it all that

1084

01:02:59,140 --> 01:02:57,380

seriously and I think that kind of

1085

01:03:01,630 --> 01:02:59,150

contributes to the overall problem

1086

01:03:02,140 --> 01:03:01,640

nobody wants to be humiliated or made a

1087

01:03:06,160 --> 01:03:02,150

fool of

1088

01:03:08,799 --> 01:03:06,170

and unfortunately that's what's been

1089

01:03:11,280 --> 01:03:08,809

going on for a long time well and that's

1090

01:03:13,750 --> 01:03:11,290

probably caused you problems in your

1091

01:03:16,000 --> 01:03:13,760

investigations because how many people

1092

01:03:18,339 --> 01:03:16,010

have said well I'll tell you what I saw

1093

01:03:20,200 --> 01:03:18,349

but don't use my name or they'll say no

1094

01:03:22,240 --> 01:03:20,210

I don't want to talk to you I wanted I

1095

01:03:23,740 --> 01:03:22,250

don't want to be laughed at or nobody

1096

01:03:26,109 --> 01:03:23,750

believed me I'm sure you've heard all of

1097

01:03:28,299 --> 01:03:26,119

that well not only as I heard all that

1098

01:03:31,180 --> 01:03:28,309

but I was there at one time myself I

1099

01:03:34,920 --> 01:03:31,190

wouldn't I mean if I even brought the

1100

01:03:39,670 --> 01:03:34,930

subject up I have people say to me well

1101  
01:03:41,650 --> 01:03:39,680  
what are you smoking I've also heard him

1102  
01:03:43,780 --> 01:03:41,660  
say whatever you're drinking I'll have

1103  
01:03:45,880 --> 01:03:43,790  
the same thing you know I mean I make

1104  
01:03:47,079 --> 01:03:45,890  
jokes out of it and so you you know you

1105  
01:03:50,470 --> 01:03:47,089  
get to where you don't want to talk

1106  
01:03:52,240 --> 01:03:50,480  
about it then that it was like that for

1107  
01:03:54,700 --> 01:03:52,250  
a lot of years for me and I wouldn't

1108  
01:03:57,460 --> 01:03:54,710  
talk about my own experiences I wouldn't

1109  
01:04:00,480 --> 01:03:57,470  
talk about any of it and you know I got

1110  
01:04:04,660 --> 01:04:00,490  
fabulous photographs I've taken and I

1111  
01:04:07,420 --> 01:04:04,670  
keep negatives I keep original disc you

1112  
01:04:09,490 --> 01:04:07,430  
know of certain ones because I don't

1113  
01:04:11,559 --> 01:04:09,500

want anybody ever saying I you know

1114

01:04:14,770 --> 01:04:11,569

played with something in Photoshop and

1115

01:04:16,720 --> 01:04:14,780

did this or did that so I think it's

1116

01:04:18,130 --> 01:04:16,730

really important for people to know that

1117

01:04:23,160 --> 01:04:18,140

if they do get something to keep

1118

01:04:26,460 --> 01:04:23,170

originals and to document everything

1119

01:04:29,799 --> 01:04:26,470

documenting is very important to

1120

01:04:32,890 --> 01:04:29,809

everyone listening let me write down

1121

01:04:35,530 --> 01:04:32,900

this number here's a call-in number I'm

1122

01:04:38,740 --> 01:04:35,540

sure that they're the the chat room is

1123

01:04:40,930 --> 01:04:38,750

just bursting with questions we've got

1124

01:04:42,160 --> 01:04:40,940

to have some technical difficulties here

1125

01:04:44,109 --> 01:04:42,170

I'm trying to get some of these

1126

01:04:47,829 --> 01:04:44,119

questions passed along but in the

1127

01:04:51,220 --> 01:04:47,839

meantime write down eight eight eight

1128

01:04:54,670 --> 01:04:51,230

nine one nine two three five five

1129

01:04:58,839 --> 01:04:54,680

there's a call-in number and they would

1130

01:05:01,510 --> 01:04:58,849

get you on we've got oh just less than

1131

01:05:04,640 --> 01:05:01,520

twenty minutes to go but especially with

1132

01:05:07,400 --> 01:05:04,650

Vivian Walker here and experienced UFO

1133

01:05:11,420 --> 01:05:07,410

investigator and now the state director

1134

01:05:13,789 --> 01:05:11,430

for epic and Louisiana and myself who's

1135

01:05:18,200 --> 01:05:13,799

been kicking around looking at UFOs

1136

01:05:21,289 --> 01:05:18,210

since that early fifties mid 50s and I

1137

01:05:23,990 --> 01:05:21,299

improve it because I I when I was about

1138

01:05:27,529 --> 01:05:24,000

14 years old I did a watercolor painting

1139

01:05:29,779 --> 01:05:27,539

of the UFO landing on a Texas Highway it

1140

01:05:32,349 --> 01:05:29,789

was based on newspaper accounts of an

1141

01:05:35,420 --> 01:05:32,359

incident they had out in Levelland Texas

1142

01:05:38,440 --> 01:05:35,430

way back 250 so I've been out of the

1143

01:05:42,470 --> 01:05:38,450

wild - so you've got two experienced

1144

01:05:43,940 --> 01:05:42,480

people here with UFOs and attendant

1145

01:05:47,420 --> 01:05:43,950

things so if you've got a question call

1146

01:05:50,539 --> 01:05:47,430

eight eight eight nine one nine two

1147

01:05:55,279 --> 01:05:50,549

three five five that's eight eight eight

1148

01:05:58,160 --> 01:05:55,289

nine one nine two three five five hope

1149

01:06:00,049 --> 01:05:58,170

to get some calls in meanwhile Vivian

1150

01:06:02,059 --> 01:06:00,059

tell me what if you got coming up if you

1151  
01:06:03,529 --> 01:06:02,069  
got any good cases that you're getting

1152  
01:06:05,660 --> 01:06:03,539  
ready to look into or are you just

1153  
01:06:07,809 --> 01:06:05,670  
waiting with your bags packed for

1154  
01:06:10,130 --> 01:06:07,819  
something actually I've been

1155  
01:06:12,440 --> 01:06:10,140  
investigating a case that is extremely

1156  
01:06:14,089 --> 01:06:12,450  
interesting it's probably the most

1157  
01:06:18,829 --> 01:06:14,099  
interesting one I've ever been

1158  
01:06:23,779 --> 01:06:18,839  
associated with and there the person

1159  
01:06:28,339 --> 01:06:23,789  
involved had filmed an entity sometime

1160  
01:06:30,170 --> 01:06:28,349  
back that was in her backyard and it was

1161  
01:06:35,630 --> 01:06:30,180  
also witnessed by her some of her

1162  
01:06:36,980 --> 01:06:35,640  
children and when she was she finally

1163  
01:06:38,569 --> 01:06:36,990

had the presence of mind to get the

1164

01:06:43,519 --> 01:06:38,579

camera and take a pitch you know take a

1165

01:06:48,650 --> 01:06:43,529

movie of it she had about 40 minutes at

1166

01:06:51,349 --> 01:06:48,660

elapsed and she filmed this entity and

1167

01:06:56,059 --> 01:06:51,359

it was it appeared to be injured and was

1168

01:06:57,500 --> 01:06:56,069

rolling around on the ground and the she

1169

01:06:59,809 --> 01:06:57,510

was talking to her girlfriend on the

1170

01:07:01,549 --> 01:06:59,819

phone while she was filming and you can

1171

01:07:03,680 --> 01:07:01,559

hear that she's really really afraid I

1172

01:07:07,250 --> 01:07:03,690

mean she thought this this creature was

1173

01:07:08,900 --> 01:07:07,260

a demon and she was so afraid and her

1174

01:07:10,370 --> 01:07:08,910

girlfriend came to pick her up and when

1175

01:07:12,799 --> 01:07:10,380

her girlfriend pulled up in the front

1176

01:07:16,700 --> 01:07:12,809

there was another entity around front

1177

01:07:18,109 --> 01:07:16,710

that was wearing a hooded cape and it

1178

01:07:21,019 --> 01:07:18,119

ran when

1179

01:07:23,509 --> 01:07:21,029

lights hit it so it's a really

1180

01:07:27,109 --> 01:07:23,519

compelling case and there's lots of

1181

01:07:29,569 --> 01:07:27,119

evidence and lots of witnesses and so

1182

01:07:32,299 --> 01:07:29,579

this is what I've been investigating Wow

1183

01:07:33,950 --> 01:07:32,309

sounds like you're really going have you

1184

01:07:35,660 --> 01:07:33,960

had a chance to look at the film

1185

01:07:38,870 --> 01:07:35,670

yourself oh yeah

1186

01:07:41,989 --> 01:07:38,880

and she has the original and what I have

1187

01:07:45,559 --> 01:07:41,999

is a copy and down excuse me my

1188

01:07:47,450 --> 01:07:45,569

allergies anyway time to don't worry

1189

01:07:51,710 --> 01:07:47,460

about it this is this is five time of

1190

01:07:53,809 --> 01:07:51,720

year yeah Carol and I losing my voice so

1191

01:07:57,799 --> 01:07:53,819

well before your voice goes quick tell

1192

01:08:00,170 --> 01:07:57,809

us what did you see what it look like um

1193

01:08:01,940 --> 01:08:00,180

well it was a it was a small creature

1194

01:08:05,839 --> 01:08:01,950

that they're about three and a half feet

1195

01:08:07,460 --> 01:08:05,849

tall and it was you can see in the film

1196

01:08:10,430 --> 01:08:07,470

where it was shooting something out of

1197

01:08:12,019 --> 01:08:10,440

his eyes you know right and she thought

1198

01:08:14,630 --> 01:08:12,029

that it was directed at her that's why

1199

01:08:16,370 --> 01:08:14,640

she was so afraid and she doesn't know

1200

01:08:18,740 --> 01:08:16,380

why it was injured she did have three

1201

01:08:21,680 --> 01:08:18,750

dogs and the dogs were on her back porch

1202

01:08:23,450 --> 01:08:21,690

and they just weren't moving but we

1203

01:08:27,649 --> 01:08:23,460

think that maybe the dogs have attacked

1204

01:08:30,379 --> 01:08:27,659

it and so soil samples were taken and I

1205

01:08:33,919 --> 01:08:30,389

won't mention by who more right who or

1206

01:08:35,890 --> 01:08:33,929

what have worked organization and the

1207

01:08:42,260 --> 01:08:35,900

soil samples seem to have disappeared

1208

01:08:44,030 --> 01:08:42,270

and or is a lot of confusion as to where

1209

01:08:46,220 --> 01:08:44,040

a lot of things went involving this case

1210

01:08:49,599 --> 01:08:46,230

and it took me quite some time to get

1211

01:08:53,539 --> 01:08:49,609

all the evidence together that was

1212

01:08:57,349 --> 01:08:53,549

gotten a number of years back excuse me

1213

01:08:59,180 --> 01:08:57,359

and the only thing we still don't have

1214

01:09:01,399 --> 01:08:59,190

are the soil samples which is really

1215

01:09:06,829 --> 01:09:01,409

ashamed because there was possible DNA

1216

01:09:08,149 --> 01:09:06,839

on it right baby analysts I can't tell

1217

01:09:10,700 --> 01:09:08,159

you how much I appreciate you being with

1218

01:09:15,709 --> 01:09:10,710

us tonight and let's give your voice a

1219

01:09:18,680 --> 01:09:15,719

rest here is there anything goes we've

1220

01:09:20,269 --> 01:09:18,690

got some callers on the line so unless

1221

01:09:25,160 --> 01:09:20,279

you have something else you need to add

1222

01:09:28,899 --> 01:09:25,170

anything else no I think that's probably

1223

01:09:31,990 --> 01:09:28,909

all for now well I thank you so much for

1224

01:09:35,780 --> 01:09:32,000

adding to our knowledge about the

1225

01:09:37,990 --> 01:09:35,790

19:52 flower over washington and join us

1226

01:09:41,930 --> 01:09:38,000

and that B&H the second of eye witnesses

1227

01:09:44,600 --> 01:09:41,940

that saw that and as we heard neither

1228

01:09:45,830 --> 01:09:44,610

one are buying into the story that it

1229

01:09:48,380 --> 01:09:45,840

was just some sort of natural

1230

01:09:52,460 --> 01:09:48,390

temperature inversions actually i do

1231

01:09:54,350 --> 01:09:52,470

when i add one more okay a friend of

1232

01:09:55,820 --> 01:09:54,360

mine and i won't say his name because i

1233

01:09:58,580 --> 01:09:55,830

don't know if he wants to be involved or

1234

01:10:01,640 --> 01:09:58,590

not he's a retired lieutenant colonel

1235

01:10:05,660 --> 01:10:01,650

and he was a pilot and he was a teenager

1236

01:10:09,920 --> 01:10:05,670

and living near the same area and saw

1237

01:10:13,130 --> 01:10:09,930

the UFOs as well in 1952 so that was

1238

01:10:15,140 --> 01:10:13,140

another pilot but he wasn't a pilot at

1239

01:10:17,810 --> 01:10:15,150

the time of course but right but he

1240

01:10:20,900 --> 01:10:17,820

knows what he saw - exactly

1241

01:10:23,750 --> 01:10:20,910

Vivian thank you so much for being with

1242

01:10:30,290 --> 01:10:23,760

us and good luck to you on your epic

1243

01:10:32,720 --> 01:10:30,300

voyage thank you alright we we have a

1244

01:10:36,620 --> 01:10:32,730

caller now from air code five five nine

1245

01:10:38,660 --> 01:10:36,630

is the caller on the line hello how are

1246

01:10:45,620 --> 01:10:38,670

you this evening this is Dottie can you

1247

01:10:48,350 --> 01:10:45,630

hey Donny I guess I'm just lovely my

1248

01:10:50,060 --> 01:10:48,360

head exciting the setting that I had

1249

01:10:52,220 --> 01:10:50,070

they were they were colored like they

1250

01:10:55,700 --> 01:10:52,230

were green colored life and I've been

1251

01:10:58,400 --> 01:10:55,710

stuck on this as to why summer life and

1252

01:11:02,750 --> 01:10:58,410

summer actual you know what appear to be

1253

01:11:04,460 --> 01:11:02,760

solid objects UFOs I'm wondering if your

1254

01:11:06,350 --> 01:11:04,470

your school of thought on this we all

1255

01:11:11,150 --> 01:11:06,360

have the capability of like being under

1256

01:11:13,100 --> 01:11:11,160

that light or other like UFOs and the

1257

01:11:15,620 --> 01:11:13,110

solid-looking anyway they just totally

1258

01:11:18,050 --> 01:11:15,630

different well that's a really good

1259

01:11:19,550 --> 01:11:18,060

question of course since the government

1260

01:11:24,080 --> 01:11:19,560

is still denying anything is really

1261

01:11:26,600 --> 01:11:24,090

going on and since we they it's like

1262

01:11:28,990 --> 01:11:26,610

Vivian just said when they have some

1263

01:11:32,810 --> 01:11:29,000

physical evidence it all too often

1264

01:11:34,520 --> 01:11:32,820

disappears or gets substituted so we've

1265

01:11:35,570 --> 01:11:34,530

got a real problem there but you've

1266

01:11:38,960 --> 01:11:35,580

asked a good question

1267

01:11:40,820 --> 01:11:38,970

and my particular view is is that I

1268

01:11:43,100 --> 01:11:40,830

think there's a series of things a

1269

01:11:45,410 --> 01:11:43,110

variety of things that cause this first

1270

01:11:47,810 --> 01:11:45,420

off I've seen some strange lights

1271

01:11:50,780 --> 01:11:47,820

moving in the night sky usually way high

1272

01:11:52,400 --> 01:11:50,790

up there that would you know my first

1273

01:11:54,800 --> 01:11:52,410

impression would be that I was seeing a

1274

01:11:57,560 --> 01:11:54,810

satellite go over except all of a sudden

1275

01:12:00,709 --> 01:11:57,570

little star it'll change course and I go

1276

01:12:03,200 --> 01:12:00,719

Antoinette that's not a satellite so and

1277

01:12:05,750 --> 01:12:03,210

then I think that we have a situation of

1278

01:12:07,610 --> 01:12:05,760

where like in the Phoenix lights where

1279

01:12:09,470 --> 01:12:07,620

you have an object and there was a solid

1280

01:12:11,750 --> 01:12:09,480

object in the air but it was dark and it

1281

01:12:14,000 --> 01:12:11,760

was dark and he got very bright lights

1282

01:12:15,560 --> 01:12:14,010

on the underside of it so even if it

1283

01:12:17,030 --> 01:12:15,570

comes right over the top of you

1284

01:12:20,180 --> 01:12:17,040

basically all you see are the lights

1285

01:12:23,209 --> 01:12:20,190

okay and then I think we also have the

1286

01:12:27,020 --> 01:12:23,219

possibility that it seems quite evident

1287

01:12:32,240 --> 01:12:27,030

to me that these a lot of these UFO oohs

1288

01:12:34,669 --> 01:12:32,250

are utilizing energy fields and

1289

01:12:40,250 --> 01:12:34,679

oftentimes these energy fields will give

1290

01:12:42,590 --> 01:12:40,260

off a light of various colors and I also

1291

01:12:44,720 --> 01:12:42,600

agree with those who say that I don't

1292

01:12:49,250 --> 01:12:44,730

think we're dealing with one brand of

1293

01:12:53,600 --> 01:12:49,260

UFO here or one particular species you

1294

01:12:55,880 --> 01:12:53,610

know back in the 40s and 50s the big

1295

01:12:58,700 --> 01:12:55,890

question was do they come from Mars or

1296

01:13:00,229 --> 01:12:58,710

do they come from Venus and then as we

1297

01:13:02,450 --> 01:13:00,239

got a little bit more knowledgeable and

1298

01:13:04,729 --> 01:13:02,460

sophisticated in the sixties and

1299

01:13:07,040 --> 01:13:04,739

seventies eighties the question well as

1300

01:13:09,709 --> 01:13:07,050

well did it come from Alpha Centauri or

1301

01:13:12,590 --> 01:13:09,719

do they come from Zeta reticular for and

1302

01:13:14,780 --> 01:13:12,600

now today we've more knowledgeable and

1303

01:13:16,520 --> 01:13:14,790

more sophisticated than we're asking do

1304

01:13:18,350 --> 01:13:16,530

they come from another dimension do they

1305

01:13:21,709 --> 01:13:18,360

come from another time and Donnie

1306

01:13:25,010 --> 01:13:21,719

frankly I think the answer is yes all of

1307

01:13:27,530 --> 01:13:25,020

the above well here's one this one

1308

01:13:30,320 --> 01:13:27,540

puzzles me too when we see the solid

1309

01:13:32,000 --> 01:13:30,330

object UFOs why do they have marker

1310

01:13:33,470 --> 01:13:32,010

lights on them like standard aircraft do

1311

01:13:35,240 --> 01:13:33,480

so people will talk about oh well I've

1312

01:13:37,010 --> 01:13:35,250

had a colored a red light on this end

1313

01:13:39,070 --> 01:13:37,020

and a white light over here and they

1314

01:13:41,570 --> 01:13:39,080

were flanking those remind me of

1315

01:13:42,919 --> 01:13:41,580

aircraft marker lights they don't want

1316

01:13:45,770 --> 01:13:42,929

to be hit so they got these lights on

1317

01:13:47,990 --> 01:13:45,780

them that are those why would an alien

1318

01:13:51,380 --> 01:13:48,000

technology spacecraft from another world

1319

01:13:54,650 --> 01:13:51,390

how beacon markers on it well maybe they

1320

01:13:56,120 --> 01:13:54,660

don't want to get here neither it seems

1321

01:13:58,760 --> 01:13:56,130

to me like they would want to play a low

1322

01:14:00,680 --> 01:13:58,770

yeah yeah right but Jim

1323

01:14:02,390 --> 01:14:00,690

yeah but when you know that when you

1324

01:14:03,770 --> 01:14:02,400

know there's all kinds of human craft

1325

01:14:06,410 --> 01:14:03,780

flying in the skies

1326

01:14:08,300 --> 01:14:06,420

you don't be up there flying dark you

1327

01:14:12,110 --> 01:14:08,310

level it somebody's liable to hit you

1328

01:14:15,020 --> 01:14:12,120

but now I'm being slightly facetious but

1329

01:14:17,020 --> 01:14:15,030

we don't know maybe that's maybe it's an

1330

01:14:21,050 --> 01:14:17,030

artifact of their propulsion system

1331

01:14:25,490 --> 01:14:21,060

maybe that's their identity markings I

1332

01:14:28,640 --> 01:14:25,500

mean we just don't know and frankly I'll

1333

01:14:31,100 --> 01:14:28,650

also say this I think that a fairly good

1334

01:14:34,970 --> 01:14:31,110

Lee number of especially in recent years

1335

01:14:37,729 --> 01:14:34,980

of UFO sightings may very well be secret

1336

01:14:42,410 --> 01:14:37,739

government test craft so you know they

1337

01:14:44,410 --> 01:14:42,420

make go ahead Mars are like like that I

1338

01:14:47,090 --> 01:14:44,420

automatically I turn away from

1339

01:14:49,160 --> 01:14:47,100

unidentified flying objects and man-made

1340

01:14:51,229 --> 01:14:49,170

flying objects kind of thing it's you

1341

01:14:53,090 --> 01:14:51,239

know because I can understand man

1342

01:14:54,550 --> 01:14:53,100

putting lights on them because maybe

1343

01:14:56,479 --> 01:14:54,560

they don't have the capability of

1344

01:14:57,650 --> 01:14:56,489

maneuvering quite as quick as some of

1345

01:14:59,270 --> 01:14:57,660

these things but you said you've seen

1346

01:15:00,830 --> 01:14:59,280

and other people have seen where you

1347

01:15:01,940 --> 01:15:00,840

think you're seeing a satellite often

1348

01:15:05,750 --> 01:15:01,950

that does it crazy in your neighbors

1349

01:15:07,250 --> 01:15:05,760

right right well I may be not capable of

1350

01:15:09,979 --> 01:15:07,260

doing such a maneuver such as an

1351

01:15:11,800 --> 01:15:09,989

earthbound ship man-made I just put

1352

01:15:15,200 --> 01:15:11,810

clearance like honor I'm not saying they

1353

01:15:17,780 --> 01:15:15,210

understand where my mind was right no

1354

01:15:20,390 --> 01:15:17,790

I'm seeing that and you know you know if

1355

01:15:23,120 --> 01:15:20,400

even if we do say let's say we built a

1356

01:15:25,130 --> 01:15:23,130

craft that is totally anti-gravity

1357

01:15:27,920 --> 01:15:25,140

propulsion you're still going to be

1358

01:15:31,400 --> 01:15:27,930

stuck with you know Air Force regulation

1359

01:15:32,750 --> 01:15:31,410

military regulations FAA regulations and

1360

01:15:34,820 --> 01:15:32,760

maybe if they're flying over an

1361

01:15:36,500 --> 01:15:34,830

inhabited area they have to put on some

1362

01:15:38,180 --> 01:15:36,510

sort of market lights I don't really

1363

01:15:40,370 --> 01:15:38,190

know but I I think you've got a good

1364

01:15:44,690 --> 01:15:40,380

question they're also saying my biggest

1365

01:15:47,590 --> 01:15:44,700

decoration for all we know you know been

1366

01:15:49,880 --> 01:15:47,600

on the ground fly to visit the earth

1367

01:15:51,650 --> 01:15:49,890

maybe they see it as a way of actually

1368

01:15:52,850 --> 01:15:51,660

trying to communicate with us oh that's

1369

01:15:57,680 --> 01:15:52,860

the way they do it so let's do it that

1370

01:15:59,660 --> 01:15:57,690

way yeah and maybe so maybe so and they

1371

01:16:01,220 --> 01:15:59,670

probably go nuts going over the Super

1372

01:16:02,870 --> 01:16:01,230

Bowl you know this is what are they

1373

01:16:05,900 --> 01:16:02,880

saying what are they saying I can't make

1374

01:16:08,090 --> 01:16:05,910

it out but they're sure signaling all

1375

01:16:12,140 --> 01:16:08,100

those lines you're signaling is Donnie

1376

01:16:14,630 --> 01:16:12,150

thank you for the call okay

1377

01:16:17,150 --> 01:16:14,640

I see we have a chase on hold always

1378

01:16:21,500 --> 01:16:17,160

glad talk to chase J see you there

1379

01:16:26,390 --> 01:16:21,510

I am how are you oh if I was any better

1380

01:16:29,360 --> 01:16:26,400

I'd just be delirious great show by the

1381

01:16:34,820 --> 01:16:29,370

way we just love you Jim it's like when

1382

01:16:38,810 --> 01:16:34,830

you go on all eras of gay dude well tell

1383

01:16:41,420 --> 01:16:38,820

you what I tried not to babble I may not

1384

01:16:42,980 --> 01:16:41,430

make it work too well all the time but I

1385

01:16:45,290 --> 01:16:42,990

think we did get some very good

1386

01:16:47,510 --> 01:16:45,300

information out tonight and I think it

1387

01:16:51,290 --> 01:16:47,520

was really extraordinary that we

1388

01:16:53,510 --> 01:16:51,300

actually had two living witnesses who

1389

01:16:56,270 --> 01:16:53,520

are actually there and saw the objects

1390

01:16:59,570 --> 01:16:56,280

that passed over Washington DC in 1952

1391

01:17:02,420 --> 01:16:59,580

and as the listeners heard neither one

1392

01:17:04,900 --> 01:17:02,430

of these eyewitnesses believes the

1393

01:17:08,590 --> 01:17:04,910

official story that it was probably

1394

01:17:10,970 --> 01:17:08,600

temperature inversions and of course I

1395

01:17:13,910 --> 01:17:10,980

scoffed at that the minute I heard it

1396

01:17:16,790 --> 01:17:13,920

because yes there are such a thing as

1397

01:17:19,670 --> 01:17:16,800

temperature versions and they can cause

1398

01:17:21,200 --> 01:17:19,680

reflections of lights up in the sky but

1399

01:17:23,360 --> 01:17:21,210

you're not going to see a move from one

1400

01:17:26,090 --> 01:17:23,370

horizon to the other you know they're

1401

01:17:29,690 --> 01:17:26,100

gonna be above the lights right exactly

1402

01:17:31,610 --> 01:17:29,700

exactly what are your thoughts there you

1403

01:17:33,920 --> 01:17:31,620

know the public is getting a little

1404

01:17:36,710 --> 01:17:33,930

smarter on how some of this works and

1405

01:17:38,240 --> 01:17:36,720

you know it's like when I was down

1406

01:17:41,000 --> 01:17:38,250

hunting the honey island swamp monster

1407

01:17:43,040 --> 01:17:41,010

and we presented them on the show and

1408

01:17:45,620 --> 01:17:43,050

you know somebody said oh well they're

1409

01:17:47,390 --> 01:17:45,630

probably seeing swamp gas you know and I

1410

01:17:51,350 --> 01:17:47,400

just laughed at the comment because it's

1411

01:17:54,830 --> 01:17:51,360

like these people have what their 3rd

1412

01:17:56,690 --> 01:17:54,840

4th 5th generation born raised lives

1413

01:18:00,290 --> 01:17:56,700

they make their living on that swamp I

1414

01:18:01,820 --> 01:18:00,300

bet they know that I think you're

1415

01:18:04,120 --> 01:18:01,830

absolutely right and we're about to run

1416

01:18:06,980 --> 01:18:04,130

out of time but mentioning swamp gas I

1417

01:18:08,870 --> 01:18:06,990

think this is swamp gas is what got

1418

01:18:12,860 --> 01:18:08,880

Gerald Ford made President of the United

1419

01:18:15,500 --> 01:18:12,870

States you ready for this hit it

1420

01:18:18,170 --> 01:18:15,510

way back there he is a representative

1421

01:18:20,840 --> 01:18:18,180

from Michigan they had a very

1422

01:18:24,040 --> 01:18:20,850

sensational UFO sighting up there around

1423

01:18:29,710 --> 01:18:24,050

a girls college as I recall

1424

01:18:33,370 --> 01:18:29,720

they sent their scientific people up

1425

01:18:36,550 --> 01:18:33,380

there and they held a press conference

1426

01:18:40,360 --> 01:18:36,560

they said we think it was swamp gas and

1427

01:18:42,670 --> 01:18:40,370

that so enraged the people the good

1428

01:18:44,080 --> 01:18:42,680

people in Michigan that they just

1429

01:18:46,240 --> 01:18:44,090

pressured Gerald Ford their

1430

01:18:48,760 --> 01:18:46,250

representative and he announced that he

1431

01:18:49,990 --> 01:18:48,770

was going to call form a committee in

1432

01:18:53,500 --> 01:18:50,000

Congress and they were going to

1433

01:18:56,140 --> 01:18:53,510

seriously investigate UFOs because you

1434

01:18:58,330 --> 01:18:56,150

know something's going on and and it

1435

01:19:03,220 --> 01:18:58,340

wasn't a swamp gas

1436

01:19:05,500 --> 01:19:03,230

even if J Allen Hynek said so so but

1437

01:19:08,650 --> 01:19:05,510

then somebody obviously got to him and

1438

01:19:11,860 --> 01:19:08,660

before that committee could be convened

1439

01:19:15,250 --> 01:19:11,870

he kind of dropped all of the calls for

1440

01:19:17,500 --> 01:19:15,260

a UFO committee and kind of went soft on

1441

01:19:19,840 --> 01:19:17,510

the whole issue and then of course when

1442

01:19:21,640 --> 01:19:19,850

Richard Nixon began to get into trouble

1443

01:19:23,380 --> 01:19:21,650

I'm sure they told him Jerry you know

1444

01:19:26,920 --> 01:19:23,390

hang in there we'll take care of you and

1445

01:19:29,860 --> 01:19:26,930

when Nixon got in trouble they appointed

1446

01:19:32,500 --> 01:19:29,870

he appointed Gerald Ford as as his vice

1447

01:19:34,930 --> 01:19:32,510

president after Spiro Agnew was run out

1448

01:19:37,000 --> 01:19:34,940

of office and of course then when Nixon

1449

01:19:39,040 --> 01:19:37,010

was run out of office Gerald Ford became

1450

01:19:40,930 --> 01:19:39,050

president of the United States maybe

1451

01:19:45,190 --> 01:19:40,940

that's what you can expect if you keep

1452

01:19:48,420 --> 01:19:45,200

quiet about UFOs in that interesting hey

1453

01:19:53,950 --> 01:19:48,430

hey Gideon's not on the phone oh I see

1454

01:19:55,510 --> 01:19:53,960

yes oh we've only got about two minutes

1455

01:19:58,570 --> 01:19:55,520

to go let's go oh

1456

01:20:00,970 --> 01:19:58,580

jumpin Jim hold on hold on tight okay

1457

01:20:03,550 --> 01:20:00,980

baby and when you were describing

1458

01:20:06,370 --> 01:20:03,560

looking up at the kid at the discs and

1459

01:20:08,290 --> 01:20:06,380

everything you remember how many there

1460

01:20:10,950 --> 01:20:08,300

were up there I think they were about

1461

01:20:17,110 --> 01:20:14,770

awesome seven and have you heard any

1462

01:20:19,540 --> 01:20:17,120

accounts from any other of the witnesses

1463

01:20:21,400 --> 01:20:19,550

maybe kids that you played with or you

1464

01:20:23,020 --> 01:20:21,410

know did you guys talk about it at all I

1465

01:20:25,600 --> 01:20:23,030

kind of know the answer already being a

1466

01:20:27,790 --> 01:20:25,610

military no nobody did because you know

1467

01:20:29,880 --> 01:20:27,800

and I didn't especially because I

1468

01:20:32,790 --> 01:20:29,890

thought it was top secret you know

1469

01:20:36,370 --> 01:20:32,800

because of the way my dad acted and then

1470

01:20:36,899 --> 01:20:36,380

the the people next door he was army and

1471

01:20:41,640 --> 01:20:36,909

he was a

1472

01:20:43,080 --> 01:20:41,650

best friends with his kids but none of

1473

01:20:45,090 --> 01:20:43,090

us ever talked about it because we just

1474

01:20:46,890 --> 01:20:45,100

assumed it was top secret I mean you

1475

01:20:49,260 --> 01:20:46,900

grew up in the military and you you're

1476

01:20:52,020 --> 01:20:49,270

taught you know you there's you just

1477

01:20:54,990 --> 01:20:52,030

don't talk about certain things and you

1478

01:20:57,810 --> 01:20:55,000

don't ask absolutely and it's something

1479

01:20:59,340 --> 01:20:57,820

that you're told all the time but if

1480

01:21:03,120 --> 01:20:59,350

there's a certain behavior no matter

1481

01:21:04,620 --> 01:21:03,130

what you see in this lifestyle you don't

1482

01:21:07,520 --> 01:21:04,630

even think about talking about it it's

1483

01:21:09,959 --> 01:21:07,530

just it's a way of life it's how you

1484

01:21:11,640 --> 01:21:09,969

play and understand that but when you

1485

01:21:14,220 --> 01:21:11,650

told your story earlier I was very

1486

01:21:16,919 --> 01:21:14,230

excited to hear about when you said you

1487

01:21:19,919 --> 01:21:16,929

looked up how many objects now is that

1488

01:21:23,160 --> 01:21:19,929

what was reported as well like it that

1489

01:21:25,770 --> 01:21:23,170

baby I don't know okay well hey let me

1490

01:21:29,669 --> 01:21:25,780

throw in here I think the answer that is

1491

01:21:32,399 --> 01:21:29,679

is that and this is explanatory some of

1492

01:21:34,680 --> 01:21:32,409

the counts I read I said nine objects

1493

01:21:36,629 --> 01:21:34,690

and others say eight but then if you

1494

01:21:40,110 --> 01:21:36,639

listen to Paul he said one of them

1495

01:21:44,970 --> 01:21:40,120

separated and then now we've got Vivian

1496

01:21:46,680 --> 01:21:44,980

who said there was about eight no yeah I

1497

01:21:48,629 --> 01:21:46,690

thought they were around seven you know

1498

01:21:50,879 --> 01:21:48,639

I mean I can't I can't be positive

1499

01:21:52,680 --> 01:21:50,889

because it was so long ago but in my

1500

01:21:55,470 --> 01:21:52,690

mind's eye and I think it was about

1501  
01:21:57,660 --> 01:21:55,480  
seven and I remember seeing two of them

1502  
01:22:01,500 --> 01:21:57,670  
kind of separating off from the cluster

1503  
01:22:03,360 --> 01:22:01,510  
is right one or more than the other what

1504  
01:22:05,760 --> 01:22:03,370  
I'm suggesting is is that there could

1505  
01:22:07,770 --> 01:22:05,770  
have been mine to begin with and then

1506  
01:22:09,990 --> 01:22:07,780  
two of them separated off and there were

1507  
01:22:12,120 --> 01:22:10,000  
seven and then maybe two more separated

1508  
01:22:15,240 --> 01:22:12,130  
off anyway they seem to be moving around

1509  
01:22:16,260 --> 01:22:15,250  
and changing in formation which I think

1510  
01:22:18,270 --> 01:22:16,270  
we're moving around

1511  
01:22:21,060 --> 01:22:18,280  
yeah this accounts for the discrepancy

1512  
01:22:23,790 --> 01:22:21,070  
in some of the witnesses on seven sums

1513  
01:22:25,860 --> 01:22:23,800

on eight sums all night I think it's

1514

01:22:28,830 --> 01:22:25,870

perfectly understandable well I think

1515

01:22:31,830 --> 01:22:28,840

we're out of time and so we're going to

1516

01:22:36,709 --> 01:22:31,840

have to call a an abrupt end to this

1517

01:22:40,290 --> 01:22:36,719

really fascinating epic Voyager

1518

01:22:43,560 --> 01:22:40,300

expedition and this is your permanent

1519

01:22:48,209 --> 01:22:43,570

floating part time sometimes occasional

1520

01:22:50,500 --> 01:22:48,219

fill-in host Jamar wishing everyone here

1521

01:22:52,839 --> 01:22:50,510

a really great evening

1522

01:22:54,790 --> 01:22:52,849

and uh better tomorrow and thank you for

1523

01:22:57,640 --> 01:22:54,800

tuning in and we'll be doing this again

1524

01:23:00,669 --> 01:22:57,650

real soon and Thank You Vivian Thank You

1525

01:23:02,950 --> 01:23:00,679

chase Thank You Donnie we had some other

1526

01:23:04,899 --> 01:23:02,960

callers on the line I'm I'm sorry

1527

01:23:17,720 --> 01:23:04,909

hang in there may we get to you next

1528

01:23:22,200 --> 01:23:19,770

thank you for being with us tonight

1529

01:23:23,669 --> 01:23:22,210

please join us again next Monday evening

1530

01:23:26,430 --> 01:23:23,679

for extraordinary phenomenon

1531

01:23:29,459 --> 01:23:26,440

investigations Council's epic voyages
