visit w WM a story systems com for

124

00:06:46,339 --> 00:06:44,069

further information mr. Stevens welcome

125

00:06:47,749 --> 00:06:46,349

to the center of light radio no thank

126

00:06:52,540 --> 00:06:47,759

you very much Ethan by the way thank you

127

00:06:57,920 --> 00:06:55,760

what about you you've done the work and

128

00:07:01,189 --> 00:06:57,930

you not only talk to talk no pun

129

00:07:03,499 --> 00:07:01,199

intended but pun intended you walk the

130

00:07:05,869 --> 00:07:03,509

walk in a very very big way and you

131

00:07:08,059 --> 00:07:05,879

playing in some fields that I'm moving

132

00:07:09,920 --> 00:07:08,069

towards myself so again welcome to the

133

00:07:12,350 --> 00:07:09,930

show and last time you and I had a

134

00:07:15,619 --> 00:07:12,360

conversation it was very powerful very

135

00:07:17,809 --> 00:07:15,629

enlightening and just awesome in every

136

00:07:20,899 --> 00:07:17,819

possible way so again welcome to the

137

00:07:23,860 --> 00:07:20,909

show let me ask you this what does that

138

00:07:26,180 --> 00:07:23,870

what does Robert Tennyson Stevens day

139

00:07:29,420 --> 00:07:26,190

look like when you start getting what do

140

00:07:31,159 --> 00:07:29,430

you do when you start your day I took I

141

00:07:34,159 --> 00:07:31,169

oh that's fascinating you would ask me

142

00:07:36,110 --> 00:07:34,169

that so I'm sitting really in a plus i

143

00:07:37,999 --> 00:07:36,120

scratch my throat which is where I make

144

00:07:39,740 --> 00:07:38,009

choice in communications up there's a

145

00:07:43,070 --> 00:07:39,750

little body language confirmation there

146

00:07:46,559 --> 00:07:43,080

so I am in the middle of designing and

147

00:07:49,379 --> 00:07:46,569

we do major micro conference calls and

148

00:07:50,579 --> 00:07:49,389

stuff like that and with let's just have

149

00:07:52,409 --> 00:07:50,589

been doing this a long time so there's a

150

00:07:56,189 --> 00:07:52,419

number of people in bulk and new folks

151  
00:07:59,040 --> 00:07:56,199  
coming on and the the very first thought

152  
00:08:01,709 --> 00:07:59,050  
I invite myself first obviously and then

153  
00:08:03,329 --> 00:08:01,719  
my world to go lets you know like they

154  
00:08:05,129 --> 00:08:03,339  
say we'll drink you know pure water

155  
00:08:08,309 --> 00:08:05,139  
first thing when you get up also have

156  
00:08:10,350 --> 00:08:08,319  
pure thought and then let's create our

157  
00:08:13,679 --> 00:08:10,360  
day so the first thing when I'm on when

158  
00:08:16,619 --> 00:08:13,689  
I'm doing my uh when I'm disciplined in

159  
00:08:20,939 --> 00:08:16,629  
my spiritual path I create my day which

160  
00:08:24,510 --> 00:08:20,949  
means usually get up sit up in a quiet

161  
00:08:27,359 --> 00:08:24,520  
my quiet room I live in a log home with

162  
00:08:29,459 --> 00:08:27,369  
myself you messed up and I and I will

163  
00:08:32,759 --> 00:08:29,469

start my day with decrease imagination

164

00:08:36,629 --> 00:08:32,769

and instead of what's the worst-case

165

00:08:39,839 --> 00:08:36,639

scenario i am now focused on what's the

166

00:08:42,089 --> 00:08:39,849

best-case scenario unless my what's my

167

00:08:44,009 --> 00:08:42,099

miracle scenario i mean literally this

168

00:08:46,079 --> 00:08:44,019

just went out in the brand new today

169

00:08:49,769 --> 00:08:46,089

just in fact about an hour ago i just

170

00:08:51,870 --> 00:08:49,779

sent out a brand new newsletter to about

171

00:08:53,939 --> 00:08:51,880

6,000 people and that's the month my

172

00:08:55,530 --> 00:08:53,949

conversation from the New Avengers movie

173

00:08:57,660 --> 00:08:55,540

you know in the beginning Tony Stark

174

00:08:59,460 --> 00:08:57,670

goes you know instead of the worst case

175

00:09:01,590 --> 00:08:59,470

scenario how about the best case

176

00:09:03,660 --> 00:09:01,600

scenario and I I literally went back

177

00:09:05,639 --> 00:09:03,670

just to catch that sound bite again and

178

00:09:08,910 --> 00:09:05,649

then left with us my second viewing was

179

00:09:10,679 --> 00:09:08,920

just the first whatever you know hour 45

180

00:09:13,650 --> 00:09:10,689

minutes because I chose to hear that

181

00:09:16,079 --> 00:09:13,660

again what's our best-case scenario

182

00:09:21,480 --> 00:09:16,089

that's really the shift of the ages

183

00:09:23,970 --> 00:09:21,490

right there it seems somewhat rhetorical

184

00:09:28,199 --> 00:09:23,980

right because you're not expecting an

185

00:09:30,090 --> 00:09:28,209

answer you just open to the best-case

186

00:09:32,280 --> 00:09:30,100

scenario or is there some imagery that

187

00:09:35,850 --> 00:09:32,290

you applied to that but i think what

188

00:09:37,650 --> 00:09:35,860

more image yeah well i'm jumping in what

189

00:09:40,019 --> 00:09:37,660

answer the question that's always that's

190

00:09:42,480 --> 00:09:40,029

the miracle ask yourself a question and

191

00:09:45,269 --> 00:09:42,490

answer for me that my magic comes when

192

00:09:47,189 --> 00:09:45,279

when i have discovered how to ask a

193

00:09:50,100 --> 00:09:47,199

question that elicits a healing response

194

00:09:53,730 --> 00:09:50,110

or the completely shifts where we are in

195

00:09:55,559 --> 00:09:53,740

consciousness so answering the question

196

00:09:59,160 --> 00:09:55,569

is the bottom line that's what makes

197

00:10:00,510 --> 00:09:59,170

success happen uh so and so I was assume

198

00:10:02,820 --> 00:10:00,520

that you speak this out

199

00:10:05,970 --> 00:10:02,830

because of the power of the add more on

200

00:10:07,650 --> 00:10:05,980

to the thoughts or what you trying to

201  
00:10:09,180 --> 00:10:07,660  
create for your day yes this is not

202  
00:10:11,520 --> 00:10:09,190  
something else thinking you like I

203  
00:10:14,670 --> 00:10:11,530  
wanted see but I don't speak it out loud

204  
00:10:16,260 --> 00:10:14,680  
in some of my decrees I do but normally

205  
00:10:17,880 --> 00:10:16,270  
I'm just contemplating you know the

206  
00:10:20,370 --> 00:10:17,890  
whole bottom for me you know this is my

207  
00:10:23,850 --> 00:10:20,380  
focus right the whole my whole bottom

208  
00:10:27,420 --> 00:10:23,860  
line is consciousness is senior to

209  
00:10:29,100 --> 00:10:27,430  
everything else so my old self

210  
00:10:31,590 --> 00:10:29,110  
scripturally not religion it talks about

211  
00:10:35,340 --> 00:10:31,600  
the old self has to die as the new self

212  
00:10:37,220 --> 00:10:35,350  
is born well our old reality believed in

213  
00:10:40,850 --> 00:10:37,230

the word believe means to be alive in

214

00:10:45,240 --> 00:10:40,860

must die so to speak or dissolve into

215

00:10:47,070 --> 00:10:45,250

our new reality so you know let's wake

216

00:10:48,620 --> 00:10:47,080

up to all now that we're thriving oh now

217

00:10:51,270 --> 00:10:48,630

that we're happy now that we're healed

218

00:10:52,950 --> 00:10:51,280

now that we're with our beloved now that

219

00:10:54,480 --> 00:10:52,960

we're abundantly supplied and then

220

00:10:57,480 --> 00:10:54,490

answer a question what are we doing not

221

00:10:59,610 --> 00:10:57,490

how did we get somewhere it's now that

222

00:11:01,470 --> 00:10:59,620

we have our miracle what's new and

223

00:11:05,570 --> 00:11:01,480

different and turn the lights on in the

224

00:11:11,040 --> 00:11:08,550

remember from our last conversation you

225

00:11:15,600 --> 00:11:11,050

had said something to the effect of when

226

00:11:17,040 --> 00:11:15,610

you said um love moved towards love you

227

00:11:21,300 --> 00:11:17,050

move towards consciousness we move away

228

00:11:23,910 --> 00:11:21,310

from it you become less conscious and

229

00:11:25,740 --> 00:11:23,920

some of those things that you share with

230

00:11:28,410 --> 00:11:25,750

me last time you not a conversation were

231

00:11:33,840 --> 00:11:28,420

they really stuck with me fear touched

232

00:11:36,690 --> 00:11:33,850

by love turns into faith yes these are

233

00:11:39,900 --> 00:11:36,700

very very for me very very simple

234

00:11:42,060 --> 00:11:39,910

powerful ideas that um you know last

235

00:11:46,170 --> 00:11:42,070

conversation you you've checked me

236

00:11:48,150 --> 00:11:46,180

called me out on a few things and my my

237

00:11:52,860 --> 00:11:48,160

talking to you certain things that I be

238

00:11:56,060 --> 00:11:52,870

was unaware of how i use my language and

239

00:12:04,230 --> 00:11:56,070

this is the feel that you are truly

240

00:12:05,580 --> 00:12:04,240

master in what is let's see let me get

241

00:12:08,600 --> 00:12:05,590

my notes here I want to ask you right

242

00:12:12,920 --> 00:12:08,610

off the bat what is

243

00:12:16,340 --> 00:12:12,930

um the heart based uh program that you

244

00:12:18,050 --> 00:12:16,350

were doing now what I have obviously and

245

00:12:19,940 --> 00:12:18,060

i haven't whole bunch of you knows i

246

00:12:21,500 --> 00:12:19,950

have an imagination activation i have

247

00:12:23,930 --> 00:12:21,510

sacred body language translate all of

248

00:12:26,509 --> 00:12:23,940

these fit together in ways for

249

00:12:29,990 --> 00:12:26,519

individuals to wake up their own self

250

00:12:31,069 --> 00:12:30,000

coaching someone i have about 7,000 I've

251

00:12:33,740 --> 00:12:31,079

worked at the route seven thousand

252

00:12:35,240 --> 00:12:33,750

chiropractors and and my standings story

253

00:12:36,970 --> 00:12:35,250

on those when a chiropractors walking

254

00:12:39,170 --> 00:12:36,980

down the street and they they kind of

255

00:12:41,480 --> 00:12:39,180

adjust their back and I hear the noise

256

00:12:44,300 --> 00:12:41,490

and I go well what do you charge for an

257

00:12:46,460 --> 00:12:44,310

adjustment that goes \$65 I say well take

258

00:12:47,630 --> 00:12:46,470

\$65 out of your left pocket and put in

259

00:12:50,150 --> 00:12:47,640

your right pocket because you just

260

00:12:53,240 --> 00:12:50,160

adjusted yourself well what i realize is

261

00:12:56,060 --> 00:12:53,250

every one of us is a master in training

262

00:12:58,490 --> 00:12:56,070

and we might as well gain the skills to

263

00:13:00,110 --> 00:12:58,500

be able to turn any limitation into what

264

00:13:01,610 --> 00:13:00,120

it's meant to be the scriptural again

265

00:13:03,110 --> 00:13:01,620

not religion i'm not talk about religion

266

00:13:06,199 --> 00:13:03,120

when I talk about this talk about laws

267

00:13:08,060 --> 00:13:06,209

and potential laws anyway and what that

268

00:13:10,579 --> 00:13:08,070

one of the Scriptures I love is your

269

00:13:14,030 --> 00:13:10,589

greatest weakness shall be your greatest

270

00:13:15,980 --> 00:13:14,040

strength so what I'm in the middle of

271

00:13:18,350 --> 00:13:15,990

now is bringing all these codes of

272

00:13:20,269 --> 00:13:18,360

consciousness that i've got i have 29

273

00:13:24,139 --> 00:13:20,279

provisional patents international

274

00:13:26,120 --> 00:13:24,149

patents pending right um that I somebody

275

00:13:28,759 --> 00:13:26,130

help me do way back then I realize oh

276

00:13:31,130 --> 00:13:28,769

they're nerds it's like software only if

277

00:13:36,139 --> 00:13:31,140

this is human where and so I am the

278

00:13:38,600 --> 00:13:36,149

middle of sharing a human upgrade or an

279

00:13:40,670 --> 00:13:38,610

upgrade to our human operating system i

280

00:13:44,090 --> 00:13:40,680

call it conscious human operating system

281

00:13:46,819 --> 00:13:44,100

so in that we have life upgrade coaching

282

00:13:49,370 --> 00:13:46,829

which I'm now we're training trainers

283

00:13:52,009 --> 00:13:49,380

and it's over done about 80 80 trainer

284

00:13:53,990 --> 00:13:52,019

so far they're out coaching and I just

285

00:13:56,060 --> 00:13:54,000

figured it out in about two seconds we

286

00:13:59,360 --> 00:13:56,070

can find some of these glitch or less

287

00:14:01,009 --> 00:13:59,370

even I mean really truly in nanoseconds

288

00:14:04,490 --> 00:14:01,019

the individual the glitch will be

289

00:14:06,199 --> 00:14:04,500

revealed in the code we can understand

290

00:14:08,870 --> 00:14:06,209

the code reflect that to the person and

291

00:14:11,030 --> 00:14:08,880

then help them shift their pattern into

292

00:14:13,490 --> 00:14:11,040

what's really asking for manifestation

293

00:14:16,069 --> 00:14:13,500

again like you know fear when it touches

294

00:14:17,960 --> 00:14:16,079

love turns into faith so if anybody's

295

00:14:21,170 --> 00:14:17,970

running around in the world simply put

296

00:14:22,400 --> 00:14:21,180

up there if they're battling lack they

297

00:14:24,949 --> 00:14:22,410

don't know their value

298

00:14:27,949 --> 00:14:24,959

and they're picking goals too small for

299

00:14:29,900 --> 00:14:27,959

their great so for their god self so I

300

00:14:31,910 --> 00:14:29,910

mean how cool is that to just you know

301  
00:14:34,040 --> 00:14:31,920  
some people can't afford it i'm stressed

302  
00:14:35,360 --> 00:14:34,050  
about money well then first of all

303  
00:14:37,519 --> 00:14:35,370  
number one it's never about money it's

304  
00:14:40,249 --> 00:14:37,529  
always about value and number two is

305  
00:14:42,710 --> 00:14:40,259  
you're picking goals to survive and get

306  
00:14:45,439 --> 00:14:42,720  
by and settle and make do pick bigger

307  
00:14:48,559 --> 00:14:45,449  
goals so you have to have a miracle some

308  
00:14:50,119 --> 00:14:48,569  
of your great self spun you go you know

309  
00:14:52,249 --> 00:14:50,129  
this is i have so much fun with this

310  
00:14:54,350 --> 00:14:52,259  
because i see everything is a movement

311  
00:14:56,629 --> 00:14:54,360  
of energy and you know if it's true that

312  
00:14:58,910 --> 00:14:56,639  
our greatest weakness shall be not kind

313  
00:15:03,319 --> 00:14:58,920

of not maybe not if not one shall be our

314

00:15:04,759 --> 00:15:03,329

greatest strength let's get to it so

315

00:15:07,009 --> 00:15:04,769

what is the process that one goes

316

00:15:10,429 --> 00:15:07,019

through that you would put someone

317

00:15:14,689 --> 00:15:10,439

through to help them find their absolute

318

00:15:17,449 --> 00:15:14,699

potential first thing I i love preparing

319

00:15:20,179 --> 00:15:17,459

the soil you know just a burner we are

320

00:15:22,579 --> 00:15:20,189

garden it's great but if we you know we

321

00:15:24,639 --> 00:15:22,589

I would away one time at a beautiful

322

00:15:28,550 --> 00:15:24,649

garden I went away three months on tour

323

00:15:30,259 --> 00:15:28,560

accident and I have roses and everything

324

00:15:32,720 --> 00:15:30,269

right it just me my wife had already

325

00:15:34,429 --> 00:15:32,730

passed and I came back and I didn't

326

00:15:36,079 --> 00:15:34,439

always guard me things were grown up

327

00:15:38,960 --> 00:15:36,089

weeds are growing up so big that could

328

00:15:40,819 --> 00:15:38,970

barely get in my house so it what i

329

00:15:43,040 --> 00:15:40,829

realize is preparing the garden is

330

00:15:45,679 --> 00:15:43,050

essential so not only pulling out the

331

00:15:48,199 --> 00:15:45,689

weeds planting what we choose that's

332

00:15:49,910 --> 00:15:48,209

going to be self-perpetuating so for me

333

00:15:51,769 --> 00:15:49,920

what i do is the widdle if we're gonna

334

00:15:54,079 --> 00:15:51,779

prepare the soil and get the nutrients

335

00:15:55,460 --> 00:15:54,089

right that ph right all all the

336

00:15:59,090 --> 00:15:55,470

wonderful things so to speak in the

337

00:16:02,749 --> 00:15:59,100

metaphor of our soil I train people I

338

00:16:04,730 --> 00:16:02,759

prepare them for moving up scale so when

339

00:16:06,499 --> 00:16:04,740

in my system I make sure that people

340

00:16:08,420 --> 00:16:06,509

understand this thing called conscious

341

00:16:10,639 --> 00:16:08,430

language not how to say it right

342

00:16:12,769 --> 00:16:10,649

that's just not going to work just when

343

00:16:15,170 --> 00:16:12,779

I really teach language I don't really

344

00:16:17,090 --> 00:16:15,180

teach conscious language what I really

345

00:16:20,569 --> 00:16:17,100

share with them is what conscious

346

00:16:23,299 --> 00:16:20,579

language isn't because language of our

347

00:16:25,970 --> 00:16:23,309

heart is already we're operating on it

348

00:16:27,710 --> 00:16:25,980

so if we will move out of our head so to

349

00:16:31,249 --> 00:16:27,720

speak and just speak from our heart

350

00:16:34,309 --> 00:16:31,259

without any edit whatsoever our heart

351

00:16:34,830 --> 00:16:34,319

will always speak purely so that when

352

00:16:36,690 --> 00:16:34,840

people be

353

00:16:39,300 --> 00:16:36,700

come aware that every word is a thing

354

00:16:40,890 --> 00:16:39,310

and you know that decree a thing and it

355

00:16:42,780 --> 00:16:40,900

shall be established unto you and by

356

00:16:44,850 --> 00:16:42,790

your words you shall be justified and by

357

00:16:46,680 --> 00:16:44,860

your word you shall be condemned and

358

00:16:49,290 --> 00:16:46,690

life and death is in the power of the

359

00:16:50,970 --> 00:16:49,300

tongue does all fact for me and so I

360

00:16:53,370 --> 00:16:50,980

start with conscious language and then I

361

00:16:57,270 --> 00:16:53,380

begin to wake people up to the shift of

362

00:16:59,460 --> 00:16:57,280

the old reality the limited cell genetic

363

00:17:04,050 --> 00:16:59,470

and experience or is going to come back

364

00:17:05,790 --> 00:17:04,060

for upgrades if we feel that some you

365

00:17:08,220 --> 00:17:05,800

know like if I make a mistake i have

366

00:17:10,890 --> 00:17:08,230

shame or blame or guilt or lacquer anger

367

00:17:13,980 --> 00:17:10,900

fear any of that stuff if I feel that

368

00:17:16,320 --> 00:17:13,990

those states my states are wrong and I

369

00:17:19,190 --> 00:17:16,330

try to do something that's more right I

370

00:17:22,050 --> 00:17:19,200

will stay in duality and fail because

371

00:17:24,060 --> 00:17:22,060

you know I'm being attempted to be more

372

00:17:28,380 --> 00:17:24,070

right while avoiding where I am wrong or

373

00:17:30,450 --> 00:17:28,390

bad or evil or whatever so I let my next

374

00:17:32,670 --> 00:17:30,460

step from language in conscious

375

00:17:34,950 --> 00:17:32,680

languages whatever comes up let it be

376

00:17:36,930 --> 00:17:34,960

okay and this is the all for you

377

00:17:38,580 --> 00:17:36,940

training and the name of our

378

00:17:40,500 --> 00:17:38,590

certification is all for you helping

379

00:17:43,890 --> 00:17:40,510

others life up great coaching

380

00:17:45,900 --> 00:17:43,900

certification because if I can feel fear

381

00:17:47,820 --> 00:17:45,910

and just let my fear be okay without any

382

00:17:51,450 --> 00:17:47,830

thought whatsoever of having to change

383

00:17:54,540 --> 00:17:51,460

my fear because it's wrong just love it

384

00:17:57,480 --> 00:17:54,550

my love will touch my fear and as you

385

00:18:00,120 --> 00:17:57,490

mentioned it literally by love by itself

386

00:18:02,430 --> 00:18:00,130

without any effort on my part love alone

387

00:18:05,090 --> 00:18:02,440

is our source code and when I touch

388

00:18:07,680 --> 00:18:05,100

let's say shame or blame or lack or a

389

00:18:10,440 --> 00:18:07,690

mistake if I can just say it's okay and

390

00:18:12,660 --> 00:18:10,450

I love my mistake and what I say is come

391

00:18:14,340 --> 00:18:12,670

and sit at my table of course my table

392

00:18:17,370 --> 00:18:14,350

is the size of the universe because I've

393

00:18:19,830 --> 00:18:17,380

made a lot of errors and I say I'm

394

00:18:21,420 --> 00:18:19,840

serious just come and sit at my table I

395

00:18:24,180 --> 00:18:21,430

love you just the way you are meaning

396

00:18:27,120 --> 00:18:24,190

i'm not trying to love you into the

397

00:18:30,750 --> 00:18:27,130

right way or right state and when I can

398

00:18:32,730 --> 00:18:30,760

just love for the sake of loving in

399

00:18:35,340 --> 00:18:32,740

again keep this is a big piece so I

400

00:18:37,470 --> 00:18:35,350

appreciate being on with you because I

401  
00:18:41,850 --> 00:18:37,480  
know you can a center of light radio

402  
00:18:44,160 --> 00:18:41,860  
hello so so I believe that in the

403  
00:18:46,060 --> 00:18:44,170  
metaphor not religion so please you know

404  
00:18:47,950 --> 00:18:46,070  
I use scripture and some people as

405  
00:18:49,900 --> 00:18:47,960  
no no that I don't do it that way and

406  
00:18:52,270 --> 00:18:49,910  
maybe all of us out upgrade and just

407  
00:18:54,730 --> 00:18:52,280  
find the truth and whatever so we

408  
00:18:57,820 --> 00:18:54,740  
supposedly in the metaphor ate from the

409  
00:19:00,820 --> 00:18:57,830  
fruit of the tree of the knowledge which

410  
00:19:02,860 --> 00:19:00,830  
means thinking of good and evil as

411  
00:19:05,500 --> 00:19:02,870  
eternal beings of lights that were all

412  
00:19:08,530 --> 00:19:05,510  
still eternal yet we entered the hollow

413  
00:19:10,900 --> 00:19:08,540

deck so to speak of thinking about good

414

00:19:14,080 --> 00:19:10,910

and evil instantly fell from Union which

415

00:19:17,290 --> 00:19:14,090

is Grace and became embarr asked

416

00:19:20,350 --> 00:19:17,300

interesting and have had to try to fake

417

00:19:23,320 --> 00:19:20,360

leave figure out what to do you cover

418

00:19:25,120 --> 00:19:23,330

ourselves but you know hiding our

419

00:19:28,210 --> 00:19:25,130

embarrassment and trying to get back to

420

00:19:31,110 --> 00:19:28,220

some outside union or God or approval

421

00:19:33,550 --> 00:19:31,120

and it doesn't work so only our love

422

00:19:36,640 --> 00:19:33,560

perfect love casteth out all fear I

423

00:19:38,590 --> 00:19:36,650

believe perfect love envelops everything

424

00:19:41,980 --> 00:19:38,600

and turns it into love because

425

00:19:45,310 --> 00:19:41,990

everything is built by light and even if

426

00:19:47,230 --> 00:19:45,320

it's a Gore your grief or disease or

427

00:19:50,110 --> 00:19:47,240

whatever it's still light shaped or

428

00:19:51,490 --> 00:19:50,120

qualified only love was going to restore

429

00:19:54,190 --> 00:19:51,500

it so for me the next step after

430

00:19:56,110 --> 00:19:54,200

languageing is whatever begins to come

431

00:19:57,820 --> 00:19:56,120

back love it let it and don't even try

432

00:20:00,940 --> 00:19:57,830

to fix it love it just the way it is

433

00:20:02,350 --> 00:20:00,950

that those two steps have you know I

434

00:20:05,950 --> 00:20:02,360

mean again I've been doing this for over

435

00:20:07,990 --> 00:20:05,960

four decades mmm it's a thousand times

436

00:20:09,910 --> 00:20:08,000

easier if I can put a number to it a

437

00:20:12,490 --> 00:20:09,920

thousand times easier to have somebody

438

00:20:14,740 --> 00:20:12,500

walk up scale now that I realize the

439

00:20:19,110 --> 00:20:14,750

right wrong piece was deeper what it was

440

00:20:22,140 --> 00:20:19,120

it was the structure of our illusion

441

00:20:26,470 --> 00:20:22,150

when you have conversation with someone

442

00:20:29,080 --> 00:20:26,480

about your system and they speak in to

443

00:20:33,400 --> 00:20:29,090

share what's going on with them and as

444

00:20:36,370 --> 00:20:33,410

you I gotta find the right word here as

445

00:20:38,680 --> 00:20:36,380

you listen that's a good safe word as

446

00:20:40,540 --> 00:20:38,690

you begin to listen do you find that

447

00:20:43,660 --> 00:20:40,550

there's a parallel or have you noticed

448

00:20:48,130 --> 00:20:43,670

which I'm sure you have between what

449

00:20:49,470 --> 00:20:48,140

they are speaking it diseases in the

450

00:20:52,380 --> 00:20:49,480

body

451  
00:20:55,430 --> 00:20:52,390  
one hundred percent or you are you

452  
00:20:57,450 --> 00:20:55,440  
official intercepts away actually

453  
00:20:59,810 --> 00:20:57,460  
basically they tell you their life story

454  
00:21:03,120 --> 00:20:59,820  
and what's going on you can possibly

455  
00:21:06,299 --> 00:21:03,130  
assume to use work properly or guess

456  
00:21:07,860 --> 00:21:06,309  
possibly guarantee not a percent you

457  
00:21:09,330 --> 00:21:07,870  
know the word becomes flesh let's just

458  
00:21:10,950 --> 00:21:09,340  
put it that way the word as I've got

459  
00:21:12,810 --> 00:21:10,960  
sicker body language translation I got a

460  
00:21:15,720 --> 00:21:12,820  
book have the sink all four forces of

461  
00:21:17,970 --> 00:21:15,730  
health but it's I mean literally if it's

462  
00:21:19,950 --> 00:21:17,980  
you know my job is to not agree with

463  
00:21:21,330 --> 00:21:19,960

that person saying that and then they're

464

00:21:22,620 --> 00:21:21,340

going to get this disease my job is to

465

00:21:24,750 --> 00:21:22,630

both victory and that's what I trained

466

00:21:28,370 --> 00:21:24,760

all my all my students he teaches is see

467

00:21:30,720 --> 00:21:28,380

perfection vote victory and I mean

468

00:21:32,909 --> 00:21:30,730

somebody said well I can I can I can

469

00:21:34,590 --> 00:21:32,919

never have lymphatic challenges I don't

470

00:21:36,120 --> 00:21:34,600

want to see that that's I stuff I hate

471

00:21:38,669 --> 00:21:36,130

your staff they're going to be ear stuff

472

00:21:41,789 --> 00:21:38,679

anger suppressed angers you know joint

473

00:21:44,610 --> 00:21:41,799

stop bone stuff done metabolism stuff

474

00:21:46,260 --> 00:21:44,620

but it goes you know I'm a I dude by the

475

00:21:47,880 --> 00:21:46,270

bio optic holography which you did a

476  
00:21:51,169 --> 00:21:47,890  
great job by the way and that word most

477  
00:21:54,060 --> 00:21:51,179  
people that bio optic thing anyway um

478  
00:21:57,810 --> 00:21:54,070  
you know it's basically iridology bought

479  
00:21:59,419 --> 00:21:57,820  
on a whole more cosmic level and the

480  
00:22:02,100 --> 00:21:59,429  
eyes change when we get the right

481  
00:22:05,460 --> 00:22:02,110  
reversal you know the word verse means

482  
00:22:07,200 --> 00:22:05,470  
you know speaking and when we reverse

483  
00:22:10,530 --> 00:22:07,210  
something that means weary say it when

484  
00:22:13,140 --> 00:22:10,540  
we revise it buys our vision weary see

485  
00:22:17,250 --> 00:22:13,150  
it when wear met when we renounce it

486  
00:22:18,720 --> 00:22:17,260  
we're renaming it so literally I believe

487  
00:22:20,690 --> 00:22:18,730  
you know it gets true their greatest

488  
00:22:24,750 --> 00:22:20,700

weakness shabbir greater strength then

489

00:22:26,730 --> 00:22:24,760

and if it's true that our word becomes

490

00:22:29,520 --> 00:22:26,740

flesh life and death is in the power of

491

00:22:31,289 --> 00:22:29,530

the tongue and so you know when I listen

492

00:22:34,260 --> 00:22:31,299

to people now that's why i prefer I'm

493

00:22:36,060 --> 00:22:34,270

very careful because um if I don't have

494

00:22:38,789 --> 00:22:36,070

permission to coach someone my job is to

495

00:22:40,650 --> 00:22:38,799

just be a committed listening for their

496

00:22:43,710 --> 00:22:40,660

victory there's a there's a word that I

497

00:22:45,299 --> 00:22:43,720

love which is the word secure instead of

498

00:22:47,010 --> 00:22:45,309

you know I'm safe would you rather be

499

00:22:48,840 --> 00:22:47,020

safe or secure and most everyone

500

00:22:53,190 --> 00:22:48,850

realizes when they're saved always saved

501  
00:22:55,200 --> 00:22:53,200  
from something for now yeah but yet

502  
00:22:57,120 --> 00:22:55,210  
secure include safe it's kinda like

503  
00:22:59,580 --> 00:22:57,130  
white delight includes all the colors

504  
00:23:03,080 --> 00:22:59,590  
but red doesn't include all the colors

505  
00:23:05,910 --> 00:23:03,090  
are white and so with the word secure

506  
00:23:08,280 --> 00:23:05,920  
includes it's a great I'm secure what

507  
00:23:11,490 --> 00:23:08,290  
what I found phonetically I mean I

508  
00:23:13,650 --> 00:23:11,500  
believe our cosmic consciousness it has

509  
00:23:17,070 --> 00:23:13,660  
is a humorist I mean that's others do it

510  
00:23:23,850 --> 00:23:17,080  
and I empower my world I bring to the

511  
00:23:27,240 --> 00:23:23,860  
point of I see cure everywhere I go and

512  
00:23:34,440 --> 00:23:27,250  
then till I see cure I am secure because

513  
00:23:37,070 --> 00:23:34,450

I'm broadcasting see cure ah yeah i mean

514

00:23:40,890 --> 00:23:37,080

its cosmic I mean for me personally

515

00:23:43,140 --> 00:23:40,900

cosmic so everyth everything is so

516

00:23:45,570 --> 00:23:43,150

interconnected there is no separation as

517

00:23:48,360 --> 00:23:45,580

above so below on every possible level

518

00:23:53,250 --> 00:23:48,370

as below so above one of the first books

519

00:23:56,419 --> 00:23:53,260

I read on my conscious path was Louise

520

00:23:58,950 --> 00:23:56,429

Hay oz book you can heal your life in

521

00:24:01,700 --> 00:23:58,960

details of how the different body

522

00:24:04,740 --> 00:24:01,710

conditions body diseases relate to

523

00:24:08,070 --> 00:24:04,750

mindset and all this stuff and it brings

524

00:24:11,490 --> 00:24:08,080

me to a movie I saw some years ago the

525

00:24:13,460 --> 00:24:11,500

movie was with Jamie Foxx the movie was

526

00:24:18,150 --> 00:24:13,470

raid the story of Ray Charles his life

527

00:24:19,350 --> 00:24:18,160

when Ray Charles was a young boy five

528

00:24:22,350 --> 00:24:19,360

years old I'm just picking a number

529

00:24:24,930 --> 00:24:22,360

somewhere around there he saw his

530

00:24:28,260 --> 00:24:24,940

brother fall into a ten-gallon would

531

00:24:30,450 --> 00:24:28,270

ever galvanized tub he was standing in

532

00:24:33,480 --> 00:24:30,460

the tub and his brother fell over and

533

00:24:37,220 --> 00:24:33,490

fell in the tub and drowned he saw this

534

00:24:40,110 --> 00:24:37,230

a year later he went blind yeah

535

00:24:43,440 --> 00:24:40,120

basically this world I don't want to see

536

00:24:46,049 --> 00:24:43,450

this is just too much for me to see yep

537

00:24:48,600 --> 00:24:46,059

he's it and you know if you could I mean

538

00:24:50,250 --> 00:24:48,610

I work literally literally tens and tens

539

00:24:53,700 --> 00:24:50,260

and tens of thousands of people so I

540

00:24:55,289 --> 00:24:53,710

mean it's so a fact now that you know

541

00:24:58,320 --> 00:24:55,299

let's be conscious with our words that

542

00:25:01,049 --> 00:24:58,330

speak my my rule of thumb is let's speak

543

00:25:03,240 --> 00:25:01,059

only what we choose to have come in a

544

00:25:05,340 --> 00:25:03,250

manifestation and I'm visual I'm a

545

00:25:07,169 --> 00:25:05,350

highly visual you know in the visual

546

00:25:09,630 --> 00:25:07,179

auditory kinesthetic i'm like almost all

547

00:25:11,640 --> 00:25:09,640

visual a little bit audit or a little

548

00:25:13,110 --> 00:25:11,650

bit of chemist attic and when somebody

549

00:25:16,880 --> 00:25:13,120

this is in the past i mean i've been

550

00:25:18,930 --> 00:25:16,890

proved tremendously hopefully I mean yes

551  
00:25:21,060 --> 00:25:18,940  
when somebody would talk to me I'd go

552  
00:25:22,770 --> 00:25:21,070  
into a trance and was just you know it's

553  
00:25:24,630 --> 00:25:22,780  
like it put me outside of my box well

554  
00:25:28,740 --> 00:25:24,640  
now I'm obviously better I mean I'm

555  
00:25:30,240 --> 00:25:28,750  
better at it I've firm and the it what

556  
00:25:31,740 --> 00:25:30,250  
for me I build a picture with every word

557  
00:25:33,870 --> 00:25:31,750  
that somebody saying to me or I'm saying

558  
00:25:37,140 --> 00:25:33,880  
so I see it in picture so somebody says

559  
00:25:39,090 --> 00:25:37,150  
it blew my mind when I'm going maybe not

560  
00:25:41,669 --> 00:25:39,100  
a good idea to blow your mind I don't

561  
00:25:46,760 --> 00:25:41,679  
think so or that just kills me or you

562  
00:25:53,700 --> 00:25:46,770  
know now these common phrases we use um

563  
00:25:56,610 --> 00:25:53,710

they may not be life-giving Robert when

564

00:26:00,330 --> 00:25:56,620

I I play music out all the time so I'm

565

00:26:03,810 --> 00:26:00,340

always networking meeting people I have

566

00:26:05,100 --> 00:26:03,820

no problem whatsoever if you digging the

567

00:26:07,080 --> 00:26:05,110

ban and I see that I have your attention

568

00:26:08,760 --> 00:26:07,090

I'll just pull up a chair and sit at

569

00:26:10,260 --> 00:26:08,770

your table and they got to your french

570

00:26:12,570 --> 00:26:10,270

fry basket I have no issue with that

571

00:26:15,150 --> 00:26:12,580

whatsoever and I get to meet some of the

572

00:26:17,340 --> 00:26:15,160

most amazing beautiful people from all

573

00:26:20,850 --> 00:26:17,350

walks of life I'm doing all kinds of

574

00:26:22,860 --> 00:26:20,860

wonderful things one thing that I do and

575

00:26:24,960 --> 00:26:22,870

you said something about going into a

576

00:26:27,600 --> 00:26:24,970

trance and it brought this up to to my

577

00:26:29,340 --> 00:26:27,610

attention to mention it to you is when I

578

00:26:31,710 --> 00:26:29,350

meet someone let's say I'm meet John Doe

579

00:26:34,950 --> 00:26:31,720

and John Doe has a really cool speaking

580

00:26:37,140 --> 00:26:34,960

voice I begin to admire it or I meet

581

00:26:39,750 --> 00:26:37,150

Jill dough and she's physically

582

00:26:42,720 --> 00:26:39,760

beautiful i began to admire it so I find

583

00:26:44,790 --> 00:26:42,730

a quality in a person that I am

584

00:26:46,740 --> 00:26:44,800

connecting with and I begin to massage

585

00:26:50,060 --> 00:26:46,750

it and I begin to salivate over and I

586

00:26:53,580 --> 00:26:50,070

really take it in with me to a place of

587

00:26:57,180 --> 00:26:53,590

God or highest conscious whatever we're

588

00:27:00,210 --> 00:26:57,190

person chooses to call it and I begin to

589

00:27:02,820 --> 00:27:00,220

appreciate that particular quality in

590

00:27:04,440 --> 00:27:02,830

that person and I guess in order for me

591

00:27:06,720 --> 00:27:04,450

to have the experience I would go into a

592

00:27:09,330 --> 00:27:06,730

trance of some sort of meditation or

593

00:27:12,600 --> 00:27:09,340

some sort of conscious shift because as

594

00:27:16,200 --> 00:27:12,610

I do this for a while with this person I

595

00:27:18,750 --> 00:27:16,210

literally see God in them step to the

596

00:27:21,630 --> 00:27:18,760

fore and I see changes happening

597

00:27:24,810 --> 00:27:21,640

immediately be it in their eyes be it in

598

00:27:28,370 --> 00:27:24,820

the smile on their face gets bigger just

599

00:27:31,940 --> 00:27:28,380

a touch oh look a gesture a word

600

00:27:34,400 --> 00:27:31,950

I really go into my heart space and I

601  
00:27:41,120 --> 00:27:34,410  
see some of the most profound effects

602  
00:27:50,210 --> 00:27:48,010  
I see cure mmm-hmm you know scripturally

603  
00:27:53,120 --> 00:27:50,220  
whatwhat scripturally says what you put

604  
00:27:55,760 --> 00:27:53,130  
your attention upon that ye become so

605  
00:27:58,190 --> 00:27:55,770  
you know for me I call that seeing

606  
00:28:00,770 --> 00:27:58,200  
perfection is one of the four fronts of

607  
00:28:02,440 --> 00:28:00,780  
the work that I'm involved is too I read

608  
00:28:04,400 --> 00:28:02,450  
eyes you know I'd do this thing of

609  
00:28:05,630 --> 00:28:04,410  
looking in eyes and I share especially

610  
00:28:08,000 --> 00:28:05,640  
with somebody's going to become a

611  
00:28:09,650 --> 00:28:08,010  
facilitator of it I say you know when

612  
00:28:11,060 --> 00:28:09,660  
you're looking when you when you you can

613  
00:28:13,400 --> 00:28:11,070

either look for something you can see

614

00:28:16,190 --> 00:28:13,410

something so when you're seeing

615

00:28:18,430 --> 00:28:16,200

perfection the I anyone's I will speak

616

00:28:21,410 --> 00:28:18,440

to us and the fibers and the color

617

00:28:23,720 --> 00:28:21,420

change the minute we ask questions to

618

00:28:25,190 --> 00:28:23,730

the person that you know wow you know

619

00:28:28,430 --> 00:28:25,200

their words not what's wrong with you

620

00:28:30,890 --> 00:28:28,440

but for me it's like that's a kidneys

621

00:28:33,140 --> 00:28:30,900

kidneys a partnership and forgiveness so

622

00:28:34,940 --> 00:28:33,150

I might say do you have any left i would

623

00:28:36,200 --> 00:28:34,950

be feminine side female figure doesn't

624

00:28:39,200 --> 00:28:36,210

have to be a woman but i would say

625

00:28:41,570 --> 00:28:39,210

something like you have an issue some

626  
00:28:43,610 --> 00:28:41,580  
challenge going on with the requirement

627  
00:28:45,500 --> 00:28:43,620  
to be forgiven by or to forgive a female

628  
00:28:47,090 --> 00:28:45,510  
figure or do you have something going on

629  
00:28:50,090 --> 00:28:47,100  
relative to partnership with a female

630  
00:28:52,910 --> 00:28:50,100  
and you know once they get it maybe they

631  
00:28:55,250 --> 00:28:52,920  
bring forgiveness into an old something

632  
00:28:58,610 --> 00:28:55,260  
about relationship and partnership that

633  
00:29:00,800 --> 00:28:58,620  
fiber that kidney will change and when i

634  
00:29:04,610 --> 00:29:00,810  
first saw the eyes change way back when

635  
00:29:07,310 --> 00:29:04,620  
i was 21 years old and I was told by all

636  
00:29:10,490 --> 00:29:07,320  
my teachers and iridology that the eyes

637  
00:29:13,400 --> 00:29:10,500  
don't change and I saw what's called a

638  
00:29:16,430 --> 00:29:13,410

solaris a radial spoke go from black

639

00:29:18,790 --> 00:29:16,440

which means genetic suppression of a

640

00:29:21,350 --> 00:29:18,800

particular pattern is spoke into

641

00:29:24,350 --> 00:29:21,360

completely the individual young man had

642

00:29:28,760 --> 00:29:24,360

blue eyes when to white blue fibers by a

643

00:29:30,590 --> 00:29:28,770

sea was dyslexic and I in the area the

644

00:29:33,020 --> 00:29:30,600

brain was right I left brain it was a

645

00:29:34,460 --> 00:29:33,030

acquired mental speech where a dyslexic

646

00:29:35,840 --> 00:29:34,470

pattern we show up and said do you ever

647

00:29:37,970 --> 00:29:35,850

have a difficult time putting your own

648

00:29:39,980 --> 00:29:37,980

thoughts into words verbally says yeah

649

00:29:42,290 --> 00:29:39,990

i'm dyslexic and at that point I was

650

00:29:45,770 --> 00:29:42,300

dyslexic and I asked being a dyslexic

651  
00:29:48,200 --> 00:29:45,780  
how to spell dyslexia to a dyslexic and

652  
00:29:49,940 --> 00:29:48,210  
we couldn't do it any got emotional and

653  
00:29:51,860 --> 00:29:49,950  
I hadn't feel the memory and he

654  
00:29:54,620 --> 00:29:51,870  
remembered when his dad was calling him

655  
00:29:54,920 --> 00:29:54,630  
stupid any windows memory and he forgave

656  
00:30:00,350 --> 00:29:54,930  
his

657  
00:30:02,390 --> 00:30:00,360  
radio spoke was now gone and pure blue

658  
00:30:04,970 --> 00:30:02,400  
fibers were there and I saw a miracle

659  
00:30:06,650 --> 00:30:04,980  
what I now realize even then I knew

660  
00:30:09,320 --> 00:30:06,660  
something cosmic just happened I

661  
00:30:13,340 --> 00:30:09,330  
realized that one hundred percent of all

662  
00:30:15,440 --> 00:30:13,350  
creation all creation are believed in

663  
00:30:18,590 --> 00:30:15,450

thought word emotional patterns and we

664

00:30:21,650 --> 00:30:18,600

can shift our belief or will we be alive

665

00:30:24,350 --> 00:30:21,660

in into something new and so for me my

666

00:30:26,120 --> 00:30:24,360

whole system is like you working with

667

00:30:29,630 --> 00:30:26,130

people and seeing them in a brand-new

668

00:30:31,460 --> 00:30:29,640

way I'm sharing systems that i have i

669

00:30:33,770 --> 00:30:31,470

call them codes of consciousness where

670

00:30:35,900 --> 00:30:33,780

an individual can help themselves and

671

00:30:37,550 --> 00:30:35,910

then find a way to help others because i

672

00:30:39,650 --> 00:30:37,560

believe that the mentoring and helping

673

00:30:42,290 --> 00:30:39,660

each other is the way we're going to

674

00:30:44,180 --> 00:30:42,300

wake up heaven on earth very very i mean

675

00:30:49,070 --> 00:30:44,190

in the twinkling of an eye like a thief

676

00:30:50,630 --> 00:30:49,080

705  
00:32:04,280 --> 00:31:59,850  
got a couple questions for you um what

706  
00:32:05,720 --> 00:32:04,290  
do doctors think about what you do what

707  
00:32:08,570 --> 00:32:05,730  
depends on the type of doctor I've

708  
00:32:10,100 --> 00:32:08,580  
trained again many many many Cairo

709  
00:32:13,370 --> 00:32:10,110  
actors they love what I'm talking about

710  
00:32:15,889 --> 00:32:13,380  
in fact one of our in the next decade

711  
00:32:18,529 --> 00:32:15,899  
I've been here a while and the next

712  
00:32:21,350 --> 00:32:18,539  
decade is going to be bringing my

713  
00:32:25,100 --> 00:32:21,360

particular systems redesign in package

714

00:32:27,139 --> 00:32:25,110

very specific into the i'm going to say

715

00:32:28,850 --> 00:32:27,149

full health care because a medical i've

716

00:32:31,279 --> 00:32:28,860

had a few medical people do it some

717

00:32:32,960 --> 00:32:31,289

psychiatrists a lot of psychologists a

718

00:32:35,539 --> 00:32:32,970

lot of body workers a lot of

719

00:32:37,759 --> 00:32:35,549

chiropractors some osteopath be involved

720

00:32:40,279 --> 00:32:37,769

and most people you know from just the

721

00:32:41,840 --> 00:32:40,289

languageing or even if they don't use the

722

00:32:43,639 --> 00:32:41,850

tool with their people just to be able

723

00:32:47,149 --> 00:32:43,649

to read what's going on through

724

00:32:49,399 --> 00:32:47,159

languageing symptom or what I call the

725

00:32:50,779 --> 00:32:49,409

sacred body language translation we can

726

00:32:52,639 --> 00:32:50,789

know in a heartbeat what's really up for

727

00:32:57,169 --> 00:32:52,649

somebody no matter what the modality so

728

00:32:59,360 --> 00:32:57,179

for me the dogma of where I have been in

729

00:33:01,159 --> 00:32:59,370

the past many years ago the dogma that I

730

00:33:03,019 --> 00:33:01,169

experienced was oh this is wrong and you

731

00:33:05,419 --> 00:33:03,029

have to do only this well now I'm

732

00:33:07,399 --> 00:33:05,429

realizing God works through everything

733

00:33:09,649 --> 00:33:07,409

you know light works for everything is

734

00:33:13,430 --> 00:33:09,659

it belief is the bottom line not the

735

00:33:14,690 --> 00:33:13,440

substance so the the let's say the

736

00:33:17,419 --> 00:33:14,700

health care professional and whatever

737

00:33:19,700 --> 00:33:17,429

they are doctor nurse educator whatever

738

00:33:22,149 --> 00:33:19,710

the word doctor means educator so what I

739

00:33:25,370 --> 00:33:22,159

bring to the table for those who are

740

00:33:27,320 --> 00:33:25,380

willing to explore is an upgrade to what

741

00:33:30,139 --> 00:33:27,330

they're already using it doesn't my

742

00:33:33,860 --> 00:33:30,149

system does not require people to change

743

00:33:37,759 --> 00:33:33,870

their modality it just advances it's

744

00:33:39,919 --> 00:33:37,769

like an app on our iPhone and it to

745

00:33:41,450 --> 00:33:39,929

expand what we're doing so that's my

746

00:33:43,970 --> 00:33:41,460

focus right now because you know we

747

00:33:46,899 --> 00:33:43,980

require our medical model we require our

748

00:33:50,060 --> 00:33:46,909

all the different ways they work and

749

00:33:53,509 --> 00:33:50,070

some are a little less effective than

750

00:33:55,279 --> 00:33:53,519

others mean there are many people being

751

00:33:59,060 --> 00:33:55,289

healed from all kinds of stuff using

752

00:34:01,580 --> 00:33:59,070

every possible approach and I believe

753

00:34:03,830 --> 00:34:01,590

bottom line is and I believe anybody

754

00:34:06,560 --> 00:34:03,840

even a medical model would say this the

755

00:34:07,789 --> 00:34:06,570

patient their consciousness is what

756

00:34:11,000 --> 00:34:07,799

makes all the difference in the world

757

00:34:12,919 --> 00:34:11,010

it's not the the drug therapy that's it

758

00:34:14,419 --> 00:34:12,929

of the cancer therapy or the surgery or

759

00:34:16,399 --> 00:34:14,429

anything else it's the consciousness the

760

00:34:19,070 --> 00:34:16,409

individual that's what I'm working with

761

00:34:20,659 --> 00:34:19,080

right now so you know so what a

762

00:34:22,099 --> 00:34:20,669

beautiful way for somebody who is

763

00:34:25,190 --> 00:34:22,109

willing to

764

00:34:27,950 --> 00:34:25,200

truly bless their patients and clients

765

00:34:32,089 --> 00:34:27,960

and their those that they're responsible

766

00:34:33,649 --> 00:34:32,099

and stewarding to help I mean for me and

767

00:34:36,319 --> 00:34:33,659

the I've where I've worked with another

768

00:34:38,599 --> 00:34:36,329

number of medical doctors who finally

769

00:34:40,329 --> 00:34:38,609

just went god I hate this because people

770

00:34:43,339 --> 00:34:40,339

come to me with all their problems and

771

00:34:45,079 --> 00:34:43,349

they don't really take responsibility

772

00:34:47,869 --> 00:34:45,089

and so I seemed like our unconscious

773

00:34:50,299 --> 00:34:47,879

agreement is I have to give them a drug

774

00:34:52,639 --> 00:34:50,309

or something and you know they're just

775

00:34:54,739 --> 00:34:52,649

not having fun I've literally no

776

00:34:56,899 --> 00:34:54,749

thousands of Prai refractors that have

777

00:34:59,509 --> 00:34:56,909

redesigned their world now to only work

778

00:35:01,729 --> 00:34:59,519

two and a half days a week because

779

00:35:05,059 --> 00:35:01,739

adjusting people without helping people

780

00:35:06,920 --> 00:35:05,069

get in touch with a cause and adjusting

781

00:35:08,599 --> 00:35:06,930

the cause by getting somebody help them

782

00:35:12,319 --> 00:35:08,609

with their symptom without adjusting the

783

00:35:14,269 --> 00:35:12,329

cause is karmically out of balance so so

784

00:35:16,489 --> 00:35:14,279

the individuals who are actually going

785

00:35:18,829 --> 00:35:16,499

hey you know your back as your support

786

00:35:20,569 --> 00:35:18,839

system and your shoulders are blessings

787

00:35:23,239 --> 00:35:20,579

and burdens in conflict with each other

788

00:35:26,479 --> 00:35:23,249

and your tailbone is the brother of your

789

00:35:29,630 --> 00:35:26,489

ship and you know that kind of stuff and

790

00:35:32,390 --> 00:35:29,640

so when people when no matter how even

791

00:35:34,370 --> 00:35:32,400

if they just great but also adjust them

792

00:35:36,279 --> 00:35:34,380

in consciousness so the individual

793

00:35:39,920 --> 00:35:36,289

doesn't come back three times a week for

794

00:35:41,900 --> 00:35:39,930

30 years because they didn't adjust the

795

00:35:46,789 --> 00:35:41,910

cause I mean if we just adjust the

796

00:35:49,940 --> 00:35:46,799

symptom we're missing the point here's a

797

00:35:53,900 --> 00:35:49,950

strange question uh you a fan of George

798

00:35:56,359 --> 00:35:53,910

Carlin yeah I don't know why you know

799

00:35:57,769 --> 00:35:56,369

why I'm asking you the question god no i

800

00:36:01,039 --> 00:35:57,779

don't but not yet anyway go ahead

801  
00:36:03,710 --> 00:36:01,049  
because he was a wordsmith I mean he did

802  
00:36:06,859 --> 00:36:03,720  
you learn Robert did you learn or is

803  
00:36:10,190 --> 00:36:06,869  
this did you invent for example with the

804  
00:36:14,390 --> 00:36:10,200  
word secure see cure is this something

805  
00:36:16,400 --> 00:36:14,400  
you put together it's brilliant yes I

806  
00:36:17,749 --> 00:36:16,410  
mean I believe I'm sponsored I mean I

807  
00:36:21,680 --> 00:36:17,759  
believe all of us have spiritual

808  
00:36:24,440 --> 00:36:21,690  
sponsorship so my little self and not so

809  
00:36:27,349 --> 00:36:24,450  
not so the way I see it is this to you

810  
00:36:29,450 --> 00:36:27,359  
if I screwed up that's my little self if

811  
00:36:32,749 --> 00:36:29,460  
I did a great job that's my god self and

812  
00:36:35,420 --> 00:36:32,759  
there's no in between so anything is

813  
00:36:35,720 --> 00:36:35,430

wonderful I believe my great god self

814

00:36:38,000 --> 00:36:35,730

gay

815

00:36:39,830 --> 00:36:38,010

to me so for me being visual when I

816

00:36:41,060 --> 00:36:39,840

would say the word secure I just got

817

00:36:43,370 --> 00:36:41,070

this one in the last year and a half

818

00:36:45,859 --> 00:36:43,380

well you know I'm I work a lot with a

819

00:36:49,790 --> 00:36:45,869

prosperity model etc etc and you know

820

00:36:52,040 --> 00:36:49,800

I'm I I choose to be safe again say from

821

00:36:54,260 --> 00:36:52,050

something I choose to be secure I am

822

00:36:57,680 --> 00:36:54,270

secure and then I saw the word see cure

823

00:36:59,210 --> 00:36:57,690

so others may have it I I didn't learn

824

00:37:01,160 --> 00:36:59,220

that from anyone but go ahead about

825

00:37:02,300 --> 00:37:01,170

George Carlin may we stop I used to have

826

00:37:03,740 --> 00:37:02,310

eight record stores and record

827

00:37:06,470 --> 00:37:03,750

distributorship with some friends back

828

00:37:09,230 --> 00:37:06,480

in the early 70s and we would put on

829

00:37:11,750 --> 00:37:09,240

shows of rock and roll groups and Carlin

830

00:37:15,440 --> 00:37:11,760

was one of our shows and I love that guy

831

00:37:18,140 --> 00:37:15,450

I mean he's just a brilliant soul he was

832

00:37:22,790 --> 00:37:18,150

real big on words and what they really

833

00:37:26,240 --> 00:37:22,800

mean in the power of them um looking at

834

00:37:30,410 --> 00:37:26,250

some of my notes I made last time I

835

00:37:33,920 --> 00:37:30,420

spoke with you one thing that resounded

836

00:37:36,440 --> 00:37:33,930

within me it still does is you said

837

00:37:40,240 --> 00:37:36,450

something to the effect of anything less

838

00:37:44,840 --> 00:37:40,250

than the highest choice contains

839

00:37:48,680 --> 00:37:44,850

self-sabotage that is so powerful and so

840

00:37:50,990 --> 00:37:48,690

to the point for me that when I catch

841

00:37:54,140 --> 00:37:51,000

myself doing those things or thinking

842

00:37:57,349 --> 00:37:54,150

such thoughts of that phrase pops in my

843

00:38:02,840 --> 00:37:57,359

mind immediately yeah well that's the

844

00:38:05,000 --> 00:38:02,850

big hit me to share my coaches you know

845

00:38:06,710 --> 00:38:05,010

I'm they learn a really profound system

846

00:38:08,720 --> 00:38:06,720

of coaching in a very short period of

847

00:38:10,580 --> 00:38:08,730

time meaning you know they're very

848

00:38:12,590 --> 00:38:10,590

dangerous to the illusion is what I say

849

00:38:14,330 --> 00:38:12,600

and I say here's the trick though you're

850

00:38:15,980 --> 00:38:14,340

really not coaching anyone else because

851

00:38:18,020 --> 00:38:15,990

there's only one of us here scripture

852

00:38:20,840 --> 00:38:18,030

again if you're not one you're not mine

853

00:38:22,520 --> 00:38:20,850

so if you know this is I believe our God

854

00:38:23,990 --> 00:38:22,530

self talking to all of us through

855

00:38:26,270 --> 00:38:24,000

whatever mechanism in the pit scripture

856

00:38:28,340 --> 00:38:26,280

scripture and so I share with people

857

00:38:30,470 --> 00:38:28,350

that it what you're doing when you're

858

00:38:32,870 --> 00:38:30,480

coaching someone is approaching yourself

859

00:38:36,140 --> 00:38:32,880

and your experience of that perception

860

00:38:37,880 --> 00:38:36,150

of that person so I'm you know when i'm

861

00:38:40,040 --> 00:38:37,890

teaching what I'm talking right now I'm

862

00:38:44,660 --> 00:38:40,050

giving it to myself I'm just you know

863

00:38:46,820 --> 00:38:44,670

not really talking to a separate self

864

00:38:48,790 --> 00:38:46,830

called you i'm speaking out loud in to

865

00:38:52,060 --> 00:38:48,800

myself until I get it

866

00:38:55,600 --> 00:38:52,070

and so I'm using all this stuff so you

867

00:38:59,260 --> 00:38:55,610

know if there's a you know why what in

868

00:39:03,040 --> 00:38:59,270

US would settle it's definitely not our

869

00:39:05,650 --> 00:39:03,050

glorious white fire being self it is

870

00:39:08,170 --> 00:39:05,660

that which has maybe through eons of

871

00:39:11,560 --> 00:39:08,180

time through however it all works it's

872

00:39:16,110 --> 00:39:11,570

that which has talked ourselves out of

873

00:39:18,490 --> 00:39:16,120

being already what we desire to be the

874

00:39:21,340 --> 00:39:18,500

illusion this is the way I say it is if

875

00:39:23,610 --> 00:39:21,350

we could all just imagine an illusion in

876

00:39:26,710 --> 00:39:23,620

the corner that we've been feeding an

877

00:39:30,520 --> 00:39:26,720

illusion has no life force of its own it

878

00:39:32,740 --> 00:39:30,530

needs somebody to feed it or believe in

879

00:39:34,810 --> 00:39:32,750

it which means be alive in it to keep it

880

00:39:36,990 --> 00:39:34,820

alive so if i have a limitation a lack

881

00:39:40,000 --> 00:39:37,000

of struggle of fear whatever it is and

882

00:39:42,130 --> 00:39:40,010

it's it's a repeating pattern those it's

883

00:39:44,080 --> 00:39:42,140

been losing their long time that's

884

00:39:47,050 --> 00:39:44,090

because I've been feeding it if I would

885

00:39:48,790 --> 00:39:47,060

simply take my attention off the problem

886

00:39:52,120 --> 00:39:48,800

so to speak and put my attention on the

887

00:39:55,060 --> 00:39:52,130

solution my problem would die from lack

888

00:39:56,680 --> 00:39:55,070

of attention you can water the weed or

889

00:40:03,190 --> 00:39:56,690

you can water the plant either way it'll

890

00:40:05,230 --> 00:40:03,200

grow one of the words that we use last

891

00:40:07,330 --> 00:40:05,240

time you know I spoke I was talking

892

00:40:09,520 --> 00:40:07,340

about how when you begin to live your

893

00:40:11,710 --> 00:40:09,530

passion that thing which brings you

894

00:40:13,300 --> 00:40:11,720

bliss and joy that you become a conduit

895

00:40:19,810 --> 00:40:13,310

and you immediately chimed in and said

896

00:40:21,070 --> 00:40:19,820

you can't do it and also uh the time you

897

00:40:22,920 --> 00:40:21,080

mentioned something about the tongue

898

00:40:26,590 --> 00:40:22,930

being developed out of the heart muscle

899

00:40:32,260 --> 00:40:26,600

yep and the power of the the parallel

900

00:40:34,180 --> 00:40:32,270

that is just just it was me well and you

901  
00:40:36,700 --> 00:40:34,190  
know I might share this stuff keep the

902  
00:40:40,510 --> 00:40:36,710  
hips still cosmic for me i mean hell I'm

903  
00:40:42,310 --> 00:40:40,520  
going and my daughter who my oldest

904  
00:40:44,680 --> 00:40:42,320  
daughter me know who does you know she's

905  
00:40:48,400 --> 00:40:44,690  
amazing are the she drew the universal

906  
00:40:50,620 --> 00:40:48,410  
man um and then she I had her create a

907  
00:40:53,800 --> 00:40:50,630  
version of it where there's a heart no

908  
00:40:55,090 --> 00:40:53,810  
true anatomically accurate heart and and

909  
00:40:56,890 --> 00:40:55,100  
we're in the tongue and she actually

910  
00:40:59,260 --> 00:40:56,900  
drew that it's on one of our logos that

911  
00:41:01,210 --> 00:40:59,270  
we have for our material universe a man

912  
00:41:02,530 --> 00:41:01,220  
and with you know the big beautiful

913  
00:41:05,110 --> 00:41:02,540

drawn in heart

914

00:41:06,520 --> 00:41:05,120

you know the expression from our heart

915

00:41:08,680 --> 00:41:06,530

somebody just sent me something about

916

00:41:10,780 --> 00:41:08,690

the you know there's different you know

917

00:41:11,680 --> 00:41:10,790

we can speak from our head and we can

918

00:41:15,970 --> 00:41:11,690

speak for my heart where there's a

919

00:41:17,980 --> 00:41:15,980

totally different nerve conduits one

920

00:41:21,310 --> 00:41:17,990

from our head and one from our heart so

921

00:41:23,190 --> 00:41:21,320

I mean how it's just amazing to me you

922

00:41:26,140 --> 00:41:23,200

know just eat from the fruit of the tree

923

00:41:29,070 --> 00:41:26,150

metaphor of the knowledge obviously that

924

00:41:31,840 --> 00:41:29,080

means the thinking of right and wrong

925

00:41:35,290 --> 00:41:31,850

equals we fall from grace which is union

926

00:41:38,590 --> 00:41:35,300

are already done and become embarrassed

927

00:41:41,350 --> 00:41:38,600

embarrassed if that word didn't exist in

928

00:41:43,150 --> 00:41:41,360

Union and have to fig leaf figure out

929

00:41:47,170 --> 00:41:43,160

fig leaf what to do to cover ourselves

930

00:41:51,430 --> 00:41:47,180

in our wrongness or our badness or our

931

00:41:53,410 --> 00:41:51,440

evilness and try to fig you're out being

932

00:41:56,070 --> 00:41:53,420

covered with what you know our separate

933

00:41:59,470 --> 00:41:56,080

towel how to get back to being good

934

00:42:02,980 --> 00:41:59,480

which is still duality too bad or wrong

935

00:42:07,120 --> 00:42:02,990

so when love only love is going to do

936

00:42:08,710 --> 00:42:07,130

this thing only I'll I'm not even say

937

00:42:10,150 --> 00:42:08,720

unconditional bail because it means

938

00:42:12,760 --> 00:42:10,160

without condition which is without which

939

00:42:14,380 --> 00:42:12,770

is babble it's going to take part of our

940

00:42:16,720 --> 00:42:14,390

logs going to take divine love is going

941

00:42:19,060 --> 00:42:16,730

to take a gappe it's going to take you

942

00:42:20,920 --> 00:42:19,070

know the love to accept something just

943

00:42:23,860 --> 00:42:20,930

the way it is without need to change it

944

00:42:27,760 --> 00:42:23,870

at all if if anyone has ever had someone

945

00:42:30,840 --> 00:42:27,770

in their life who love them for who they

946

00:42:33,910 --> 00:42:30,850

are without any like need to change them

947

00:42:35,800 --> 00:42:33,920

praise god I mean praise likely praise

948

00:42:38,170 --> 00:42:35,810

again I'm the same way whatever name

949

00:42:42,960 --> 00:42:38,180

people give that thing love is

950

00:42:48,910 --> 00:42:46,410

living where I live Memphis Tennessee

951  
00:42:52,990 --> 00:42:48,920  
the consciousness of the belief system

952  
00:42:57,130 --> 00:42:53,000  
that's here and people often talk about

953  
00:42:58,630 --> 00:42:57,140  
you know there's a war in heaven like

954  
00:43:00,940 --> 00:42:58,640  
these beings of light are having

955  
00:43:04,450 --> 00:43:00,950  
physical battle or some sort of battle

956  
00:43:05,740 --> 00:43:04,460  
and I I it's hard for me to grasp that

957  
00:43:07,420 --> 00:43:05,750  
now I don't buy into it whatsoever

958  
00:43:08,920 --> 00:43:07,430  
because if you take a nap in flash

959  
00:43:13,170 --> 00:43:08,930  
lighting you bring it into a dark room

960  
00:43:16,620 --> 00:43:13,180  
it just spells the darkness and again

961  
00:43:20,349 --> 00:43:16,630  
your words fear touched by love

962  
00:43:23,049 --> 00:43:20,359  
turns into faith it's the same idea it's

963  
00:43:28,509 --> 00:43:23,059

it's it's illuminating that which is

964

00:43:29,950 --> 00:43:28,519

just dark or ignorant well it's an

965

00:43:33,730 --> 00:43:29,960

interesting word ignorant is to ignore

966

00:43:35,739 --> 00:43:33,740

if that's okay I mean the only way I can

967

00:43:38,470 --> 00:43:35,749

see a shadow is to look away from the

968

00:43:39,819 --> 00:43:38,480

light if I see my own shadow obviously

969

00:43:42,069 --> 00:43:39,829

I'm looking completely away from the

970

00:43:44,499 --> 00:43:42,079

light if I see your shadow you know

971

00:43:48,239 --> 00:43:44,509

you've got an ego if I see that I'm not

972

00:43:52,390 --> 00:43:48,249

looking at light so if I see cuer not

973

00:43:56,680 --> 00:43:52,400

curing everywhere I go if I see cure

974

00:43:58,180 --> 00:43:56,690

everywhere I go man I mean just I have

975

00:44:00,730 --> 00:43:58,190

this thing where I invite people to vote

976  
00:44:01,839 --> 00:44:00,740  
victory in the words of something like I

977  
00:44:04,599 --> 00:44:01,849  
mean I haven't picked whatever their

978  
00:44:07,150 --> 00:44:04,609  
words are minor I am my permanent

979  
00:44:09,069 --> 00:44:07,160  
victory in the light and silently

980  
00:44:11,589 --> 00:44:09,079  
everywhere somebody goes everywhere i go

981  
00:44:14,739 --> 00:44:11,599  
i am your permanent victory in the light

982  
00:44:16,569 --> 00:44:14,749  
and i have done this myself and i invite

983  
00:44:18,249 --> 00:44:16,579  
people go sit on a street corner or find

984  
00:44:22,710 --> 00:44:18,259  
a you know somewhere where you can just

985  
00:44:25,420 --> 00:44:22,720  
sit and without anyone knowing it vote

986  
00:44:27,729 --> 00:44:25,430  
everyone's victory you see you but vote

987  
00:44:30,940 --> 00:44:27,739  
it not like i hope you wake up to your

988  
00:44:32,920 --> 00:44:30,950

victory no it's i am which means already

989

00:44:34,569 --> 00:44:32,930

done I am your permanent in the light

990

00:44:38,079 --> 00:44:34,579

that's not an invitation it's not a

991

00:44:39,849 --> 00:44:38,089

request it's a fact so if somebody will

992

00:44:42,269 --> 00:44:39,859

do that for an hour or a day depending

993

00:44:45,339 --> 00:44:42,279

on how happy they're willing to be

994

00:44:47,170 --> 00:44:45,349

literally every cell in our body it has

995

00:44:49,720 --> 00:44:47,180

been said I mean this is something I

996

00:44:51,609 --> 00:44:49,730

believe is true that we keep sixty

997

00:44:53,259 --> 00:44:51,619

percent of everything we send out in the

998

00:44:55,120 --> 00:44:53,269

appearance of radiating and out because

999

00:44:59,079 --> 00:44:55,130

it has to go through our body so if I'm

1000

00:45:01,120 --> 00:44:59,089

hating someone's hate I keep sixty

1001  
00:45:03,009 --> 00:45:01,130  
percent of that hate and if there is

1002  
00:45:05,769 --> 00:45:03,019  
this thing called the tide I'm not

1003  
00:45:07,479 --> 00:45:05,779  
talking about giving money at church I'm

1004  
00:45:11,829 --> 00:45:07,489  
talking about the way the universe works

1005  
00:45:13,749 --> 00:45:11,839  
if like if I Keith give a gift through

1006  
00:45:18,009 --> 00:45:13,759  
me for my Great God cell for universal

1007  
00:45:20,499 --> 00:45:18,019  
supply through you to your world to your

1008  
00:45:23,079 --> 00:45:20,509  
God that's called in Deuteronomy that's

1009  
00:45:25,299 --> 00:45:23,089  
called a tenfold return if I give

1010  
00:45:26,799 --> 00:45:25,309  
something not from me because I don't

1011  
00:45:29,690 --> 00:45:26,809  
have enough juice but if I gave it threw

1012  
00:45:31,340 --> 00:45:29,700  
me through you to help others in

1013  
00:45:33,710 --> 00:45:31,350

Deuteronomy says that's a hundred fold

1014

00:45:35,720 --> 00:45:33,720

return no yeah and then it goes up to a

1015

00:45:38,990 --> 00:45:35,730

thousand full return I believe that's

1016

00:45:41,870 --> 00:45:39,000

the problem because all of us if I bless

1017

00:45:44,630 --> 00:45:41,880

someone instantly the universe is always

1018

00:45:46,910 --> 00:45:44,640

instantaneous if I truly give love

1019

00:45:50,000 --> 00:45:46,920

through someone to their great glorious

1020

00:45:52,040 --> 00:45:50,010

self I will instantly not only keep

1021

00:45:55,070 --> 00:45:52,050

sixty percent of what I send sent out I

1022

00:45:57,650 --> 00:45:55,080

can do that pretty much but a 10 full

1023

00:46:00,440 --> 00:45:57,660

return is poured into my consciousness

1024

00:46:02,660 --> 00:46:00,450

and overflowing personnel and

1025

00:46:04,250 --> 00:46:02,670

overflowing and what that means is i

1026

00:46:05,810 --> 00:46:04,260

will have to give up everything that

1027

00:46:12,320 --> 00:46:05,820

I've known to receive that level of

1028

00:46:16,790 --> 00:46:12,330

blessing I can tell you herbs so but you

1029

00:46:19,400 --> 00:46:16,800

so love what you do I can it is a fact I

1030

00:46:22,970 --> 00:46:19,410

can hear it you lose it I mean I can

1031

00:46:27,080 --> 00:46:22,980

hear every word you fill with such

1032

00:46:33,220 --> 00:46:27,090

passion and such joy in it it comes

1033

00:46:36,020 --> 00:46:33,230

through through you um what I find a

1034

00:46:37,820 --> 00:46:36,030

phenomenal is that you said every

1035

00:46:40,940 --> 00:46:37,830

opportunity everything you were born

1036

00:46:42,800 --> 00:46:40,950

with all these quotes challenges or just

1037

00:46:48,490 --> 00:46:42,810

amazing opportunities to become your

1038

00:46:53,540 --> 00:46:50,960

wish somebody would totally I'm not even

1039

00:46:55,280 --> 00:46:53,550

sure that's true but I know that I was

1040

00:46:57,890 --> 00:46:55,290

literally born tongue-tied what did I

1041

00:47:00,380 --> 00:46:57,900

come here to do cut tongues free I was

1042

00:47:02,240 --> 00:47:00,390

folding to sit in public I mean I did

1043

00:47:03,590 --> 00:47:02,250

now that I see it but back demos you

1044

00:47:07,220 --> 00:47:03,600

know my parents are going we better lose

1045

00:47:10,280 --> 00:47:07,230

that hey how are either because you like

1046

00:47:13,010 --> 00:47:10,290

it and I don't because thank God my

1047

00:47:15,260 --> 00:47:13,020

tongue got cut free and if everybody can

1048

00:47:16,610 --> 00:47:15,270

own their weakness not run from it not

1049

00:47:18,350 --> 00:47:16,620

be embarrassed about it not try to

1050

00:47:20,990 --> 00:47:18,360

figure out how to hide it all in it and

1051  
00:47:23,930 --> 00:47:21,000  
find a strength in it man our whole

1052  
00:47:26,600 --> 00:47:23,940  
world is going to move from this fear of

1053  
00:47:28,940 --> 00:47:26,610  
being wrong and trying to be right into

1054  
00:47:31,550 --> 00:47:28,950  
love and then we're gonna you know like

1055  
00:47:33,590 --> 00:47:31,560  
the wealthy people of the world that the

1056  
00:47:35,840 --> 00:47:33,600  
primary individual somebody wrote a book

1057  
00:47:37,370 --> 00:47:35,850  
on this that's all I know the that was

1058  
00:47:39,080 --> 00:47:37,380  
some research all the wealthy wealthy

1059  
00:47:41,510 --> 00:47:39,090  
wealthy people in every single one of

1060  
00:47:43,069 --> 00:47:41,520  
them in he names all these people they

1061  
00:47:44,660 --> 00:47:43,079  
were born into abject

1062  
00:47:46,190 --> 00:47:44,670  
property their greatest weakness was

1063  
00:47:48,469 --> 00:47:46,200

their greatest ring they begin the

1064

00:47:50,930 --> 00:47:48,479

wealthiest so if everyone you know

1065

00:47:54,289 --> 00:47:50,940

somebody's let's say really got a lot of

1066

00:47:57,319 --> 00:47:54,299

codependent is going on in 55,000

1067

00:47:58,789 --> 00:47:57,329

relationships that person's here for co

1068

00:47:59,839 --> 00:47:58,799

empowered relationships you might as

1069

00:48:02,839 --> 00:47:59,849

well get to it if somebody's been

1070

00:48:05,479 --> 00:48:02,849

battling lack you're here first for much

1071

00:48:07,670 --> 00:48:05,489

bigger supply if somebody hasn't

1072

00:48:09,799 --> 00:48:07,680

received honor and respect you're here

1073

00:48:12,979 --> 00:48:09,809

to be honored and respected and most

1074

00:48:15,650 --> 00:48:12,989

likely to be radiantly honor honoring

1075

00:48:18,109 --> 00:48:15,660

and respecting of your world it's pretty

1076

00:48:21,380 --> 00:48:18,119

easy once we get it's like oh it's the

1077

00:48:26,299 --> 00:48:21,390

movement of energy if if fear fear is

1078

00:48:28,759 --> 00:48:26,309

faith inverted so only love will unfold

1079

00:48:30,819 --> 00:48:28,769

that faith in or that fear into faith

1080

00:48:35,599 --> 00:48:30,829

and courage and confidence and security

1081

00:48:37,699 --> 00:48:35,609

assuredness trust so if we can see that

1082

00:48:42,019 --> 00:48:37,709

every disease you know women out here in

1083

00:48:45,170 --> 00:48:42,029

the past treating symptoms and without

1084

00:48:48,410 --> 00:48:45,180

looking at what is that the inversion of

1085

00:48:51,049 --> 00:48:48,420

oh how do we touch this in such a way

1086

00:48:54,650 --> 00:48:51,059

that it blossoms instead of kill the

1087

00:48:57,439 --> 00:48:54,660

disease give a sucker well how about

1088

00:49:02,299 --> 00:48:57,449

let's love those tissues back into

1089

00:49:04,069 --> 00:49:02,309

exactly the opposite saw video on

1090

00:49:07,749 --> 00:49:04,079

youtube a while back I think was in

1091

00:49:12,219 --> 00:49:07,759

China these doctors were treating or

1092

00:49:14,930 --> 00:49:12,229

examining looking at secure seeing cure

1093

00:49:16,699 --> 00:49:14,940

this person with cancer bladder cancer I

1094

00:49:20,509 --> 00:49:16,709

believe it was and I had Brayden show

1095

00:49:22,719 --> 00:49:20,519

dad yes young yes it dissolved the tumor

1096

00:49:25,069 --> 00:49:22,729

just buy them holding the vision and

1097

00:49:26,749 --> 00:49:25,079

spoken everything something they were

1098

00:49:28,729 --> 00:49:26,759

saying something and they were doing

1099

00:49:31,099 --> 00:49:28,739

this chanting enhanced a conditioner has

1100

00:49:32,900 --> 00:49:31,109

begun it has begun it has well what I

1101

00:49:35,539 --> 00:49:32,910

heard direct said it was already done

1102

00:49:37,999 --> 00:49:35,549

it's already read already done nicely

1103

00:49:39,769 --> 00:49:38,009

translated and was it like a minute or

1104

00:49:42,319 --> 00:49:39,779

so many seconds or whatever that this

1105

00:49:46,400 --> 00:49:42,329

you know they had the original picture

1106

00:49:48,589 --> 00:49:46,410

of you know the the where the ultrasound

1107

00:49:50,359 --> 00:49:48,599

and then a live ultrasound and it just

1108

00:49:54,380 --> 00:49:50,369

shrink to nothing and they go celebrate

1109

00:49:56,059 --> 00:49:54,390

and who's next and you know all I mean

1110

00:49:56,870 --> 00:49:56,069

that's one of our key phrases already

1111

00:49:59,509 --> 00:49:56,880

dunno in fact

1112

00:50:02,089 --> 00:49:59,519

trained gregg Braden in his place in

1113

00:50:03,890 --> 00:50:02,099

questa I did some outcome facilitation

1114

00:50:05,359 --> 00:50:03,900

imagination activation and you know

1115

00:50:07,910 --> 00:50:05,369

that's where he started on a whole bunch

1116

00:50:09,349 --> 00:50:07,920

of this path and it was such a lightning

1117

00:50:10,700 --> 00:50:09,359

storm I mean this guy's got to be one of

1118

00:50:13,069 --> 00:50:10,710

the most cosmic people on the planet

1119

00:50:15,829 --> 00:50:13,079

because literally are all the hair

1120

00:50:17,809 --> 00:50:15,839

anybody around was a extracurricular

1121

00:50:19,609 --> 00:50:17,819

thing for solar heart drum below is

1122

00:50:21,440 --> 00:50:19,619

there a number of other folks but when

1123

00:50:23,539 --> 00:50:21,450

we always just do it as coaching with

1124

00:50:26,299 --> 00:50:23,549

him about relationship stuff there was

1125

00:50:28,970 --> 00:50:26,309

such an electrical storm that every hair

1126

00:50:29,960 --> 00:50:28,980

I mean oh I was not sure we're going to

1127

00:50:33,380 --> 00:50:29,970

make it out of it with all the

1128

00:50:34,670 --> 00:50:33,390

electricity going on I mean so you know

1129

00:50:36,829 --> 00:50:34,680

it was one of those the whole universe

1130

00:50:39,440 --> 00:50:36,839

was shifting as he was shifting so is

1131

00:50:42,499 --> 00:50:39,450

quite a quite a life stream when someone

1132

00:50:45,499 --> 00:50:42,509

uses your system or whatever system they

1133

00:50:48,380 --> 00:50:45,509

use to create a shift be it individually

1134

00:50:52,190 --> 00:50:48,390

or collectively and I am not implying

1135

00:50:56,089 --> 00:50:52,200

any form of separation here when they

1136

00:50:59,769 --> 00:50:56,099

make that ship when they change does the

1137

00:51:03,980 --> 00:50:59,779

reality for example if everyone here

1138

00:51:06,230 --> 00:51:03,990

will so have a focus about what it is

1139

00:51:11,990 --> 00:51:06,240

the positive change that we want to see

1140

00:51:15,529 --> 00:51:12,000

cure does the people actually change or

1141

00:51:18,999 --> 00:51:15,539

do we go to a level to where that

1142

00:51:23,990 --> 00:51:19,009

reality of those people have changed

1143

00:51:26,329 --> 00:51:24,000

exist I'm going to answer this a little

1144

00:51:28,490 --> 00:51:26,339

bit different way because I see things

1145

00:51:32,059 --> 00:51:28,500

differently I see that you know as we

1146

00:51:33,829 --> 00:51:32,069

think in our heart so are we so I can

1147

00:51:35,299 --> 00:51:33,839

just completely you know somebody

1148

00:51:36,589 --> 00:51:35,309

believes that big it's going to take

1149

00:51:38,569 --> 00:51:36,599

them a while then they have to go

1150

00:51:40,970 --> 00:51:38,579

through that there is the possibility

1151

00:51:43,910 --> 00:51:40,980

that the the ship that we desires

1152

00:51:46,970 --> 00:51:43,920

already happen right sit again the shift

1153

00:51:49,999 --> 00:51:46,980

that we desire is in other words if I'm

1154

00:51:53,720 --> 00:51:50,009

aware of a new desire that new desire

1155

00:51:56,660 --> 00:51:53,730

has already been delivered to me the

1156

00:52:00,109 --> 00:51:56,670

quick the quickness of me having it is

1157

00:52:03,319 --> 00:52:00,119

me surrendering my old reality and

1158

00:52:05,839 --> 00:52:03,329

waking up in my new reality as a fact of

1159

00:52:07,370 --> 00:52:05,849

my world and the writings of Neville is

1160

00:52:09,589 --> 00:52:07,380

a real name is neville goddard is

1161

00:52:10,340 --> 00:52:09,599

something that i encourage all my people

1162

00:52:12,110 --> 00:52:10,350

I work with

1163

00:52:13,790 --> 00:52:12,120

to read and you know there's a whole

1164

00:52:15,800 --> 00:52:13,800

bunch of Kendall books you can get on it

1165

00:52:17,630 --> 00:52:15,810

there's all kinds of stuff I definitely

1166

00:52:19,730 --> 00:52:17,640

recommend you get fully into his

1167

00:52:22,160 --> 00:52:19,740

material versus just some of the stuff

1168

00:52:24,950 --> 00:52:22,170

that sent out through email because it's

1169

00:52:29,300 --> 00:52:24,960

it's not enough information so you know

1170

00:52:30,650 --> 00:52:29,310

get Neville any VI el le and along the

1171

00:52:34,250 --> 00:52:30,660

promised seed time and harvest your

1172

00:52:35,660 --> 00:52:34,260

faith is your fortune there's a whole

1173

00:52:37,150 --> 00:52:35,670

bunch pretty much he says the same thing

1174

00:52:40,010 --> 00:52:37,160

in every book just a different way

1175

00:52:43,010 --> 00:52:40,020

usually a one paragraph is enough to

1176  
00:52:46,310 --> 00:52:43,020  
start imagination before sleep and the

1177  
00:52:48,200 --> 00:52:46,320  
for me it's you know which the shift is

1178  
00:52:51,950 --> 00:52:48,210  
consciousness it doesn't matter where it

1179  
00:52:57,890 --> 00:52:51,960  
is and if i believe that i am going to

1180  
00:53:01,610 --> 00:52:57,900  
be happy with someone I'm consenting to

1181  
00:53:05,090 --> 00:53:01,620  
not yet being happy and slowing down my

1182  
00:53:09,620 --> 00:53:05,100  
happiness if I can move and go I am

1183  
00:53:12,860 --> 00:53:09,630  
already gloriously happy in me sharing

1184  
00:53:16,340 --> 00:53:12,870  
and radiating my happiness with all in

1185  
00:53:19,070 --> 00:53:16,350  
my world and imagine from that new state

1186  
00:53:21,710 --> 00:53:19,080  
my new state versus toward it from it

1187  
00:53:23,810 --> 00:53:21,720  
never would say imagine from the wish

1188  
00:53:26,060 --> 00:53:23,820

fulfilled not of it toward it or about

1189

00:53:29,600 --> 00:53:26,070

it when i read that for the first time

1190

00:53:32,270 --> 00:53:29,610

in 87 it was the capstone to everything

1191

00:53:36,770 --> 00:53:32,280

I'd worked on so far in my life you

1192

00:53:38,780 --> 00:53:36,780

imagine from our dream fulfilled versus

1193

00:53:40,940 --> 00:53:38,790

of it ordered about it and I mean

1194

00:53:42,890 --> 00:53:40,950

literally as in at that point is when

1195

00:53:44,410 --> 00:53:42,900

miracle instantaneous miracles began to

1196

00:53:47,990 --> 00:53:44,420

happen for me because I would imagine

1197

00:53:51,080 --> 00:53:48,000

already having them and imagining from

1198

00:53:53,450 --> 00:53:51,090

already having am not imagining what

1199

00:53:56,000 --> 00:53:53,460

it's like once I figure out how it's

1200

00:53:57,620 --> 00:53:56,010

going to happen for me I would get in

1201  
00:54:01,670 --> 00:53:57,630  
the way of manifestation is still one of

1202  
00:54:03,680 --> 00:54:01,680  
my constant disciplines is why so

1203  
00:54:07,930 --> 00:54:03,690  
serious I can tell that you chose you

1204  
00:54:10,640 --> 00:54:07,940  
were carefully on us I saw it yeah

1205  
00:54:12,500 --> 00:54:10,650  
my little I let you know if somebody

1206  
00:54:14,420 --> 00:54:12,510  
said well then you really you really you

1207  
00:54:16,370 --> 00:54:14,430  
know well I'm gonna look if you can

1208  
00:54:19,520 --> 00:54:16,380  
still see me i'm working on major stuff

1209  
00:54:21,560 --> 00:54:19,530  
so you can you see me good then you go

1210  
00:54:22,910 --> 00:54:21,570  
like yourself up i'm like myself up

1211  
00:54:26,630 --> 00:54:22,920  
let's do this thing so any

1212  
00:54:28,490 --> 00:54:26,640  
way so for me the you know if we're

1213  
00:54:32,329 --> 00:54:28,500

gonna have a miracle it's much easier to

1214

00:54:34,190 --> 00:54:32,339

imagine from already having a miracle

1215

00:54:37,400 --> 00:54:34,200

this is like you know I go to prepare a

1216

00:54:38,809 --> 00:54:37,410

place for you and I could you know in my

1217

00:54:41,210 --> 00:54:38,819

father's house are many mansions I

1218

00:54:44,690 --> 00:54:41,220

believe this is all metaphysics period

1219

00:54:46,730 --> 00:54:44,700

yeah spiritual metaphysics and so in the

1220

00:54:49,130 --> 00:54:46,740

word Christ in nevels work means

1221

00:54:51,859 --> 00:54:49,140

imagination not Ill don't agree with

1222

00:54:55,099 --> 00:54:51,869

everything Nevel says but I believe that

1223

00:54:57,970 --> 00:54:55,109

the Christ consciousness is the power of

1224

00:55:00,890 --> 00:54:57,980

men of manifestation through imagination

1225

00:55:02,930 --> 00:55:00,900

and the you know the power to create

1226

00:55:04,640 --> 00:55:02,940

from this you know all things that are

1227

00:55:06,589 --> 00:55:04,650

manifest in the visible world are

1228

00:55:10,160 --> 00:55:06,599

manifest from that which is invisible

1229

00:55:14,240 --> 00:55:10,170

well that means inner visible so when we

1230

00:55:17,450 --> 00:55:14,250

see our goal you know if I see my goal I

1231

00:55:19,339 --> 00:55:17,460

might see myself not yet in my goal what

1232

00:55:21,440 --> 00:55:19,349

I'm all about the system i bring for

1233

00:55:23,839 --> 00:55:21,450

besides having language and imagine all

1234

00:55:26,780 --> 00:55:23,849

these other tools is to a if you see

1235

00:55:29,990 --> 00:55:26,790

your goal imagine from Thank You noble

1236

00:55:32,240 --> 00:55:30,000

already having and enjoying and thriving

1237

00:55:35,000 --> 00:55:32,250

in your goal and notice what is new and

1238

00:55:37,940 --> 00:55:35,010

different in other words the old cell if

1239

00:55:39,740 --> 00:55:37,950

I keep my old self alive my new self

1240

00:55:42,470 --> 00:55:39,750

doesn't have room it's the same size cup

1241

00:55:44,180 --> 00:55:42,480

you know nature abhors a vacuum and you

1242

00:55:46,400 --> 00:55:44,190

know it's like all right but if I can

1243

00:55:50,539 --> 00:55:46,410

surrender everything in mine own reality

1244

00:55:54,680 --> 00:55:50,549

like become present which means pre sent

1245

00:55:56,420 --> 00:55:54,690

interesting word present is priest and

1246

00:55:59,690 --> 00:55:56,430

the only thing if we can be pre sent is

1247

00:56:01,910 --> 00:55:59,700

our Creator which is us and so if i can

1248

00:56:04,099 --> 00:56:01,920

go i die i need a new car well if i can

1249

00:56:07,069 --> 00:56:04,109

imagine already having my new car and

1250

00:56:08,960 --> 00:56:07,079

actually imagine driving it uh having

1251

00:56:10,849 --> 00:56:08,970

insurance you know maybe going on a trip

1252

00:56:12,980 --> 00:56:10,859

whatever that's much easier than going

1253

00:56:15,770 --> 00:56:12,990

out looking for my new car i mean if

1254

00:56:19,010 --> 00:56:15,780

every one of us will go already have our

1255

00:56:22,010 --> 00:56:19,020

dream and imagine from it before we take

1256

00:56:26,299 --> 00:56:22,020

any quote unquote actions are great self

1257

00:56:28,190 --> 00:56:26,309

will have already a manifested our dream

1258

00:56:30,440 --> 00:56:28,200

and then it's much easier to come into

1259

00:56:32,500 --> 00:56:30,450

manifestation because we already have it

1260

00:56:35,740 --> 00:56:32,510

you know Robert I'm you

1261

00:56:37,990 --> 00:56:35,750

that exact analogy many many times if

1262

00:56:39,850 --> 00:56:38,000

you want a new car go drive the car at

1263

00:56:41,950 --> 00:56:39,860

the dealership if you want a Ferrari go

1264

00:56:43,930 --> 00:56:41,960

drive it feel the exhilaration you have

1265

00:56:45,940 --> 00:56:43,940

behind the wheel because the car is

1266

00:56:49,900 --> 00:56:45,950

really not what you want what you really

1267

00:56:52,120 --> 00:56:49,910

want is the feeling well so if you can

1268

00:56:54,100 --> 00:56:52,130

stay in the word want what you want is

1269

00:56:55,300 --> 00:56:54,110

where you desire without having so

1270

00:56:57,480 --> 00:56:55,310

that's one of the that's where

1271

00:57:00,220 --> 00:56:57,490

language can really play a major role

1272

00:57:02,350 --> 00:57:00,230

you know what you you know I want love

1273

00:57:05,610 --> 00:57:02,360

you know the Lord the law the i am that

1274

00:57:09,880 --> 00:57:05,620

i am is my shepherd I shall not want

1275

00:57:12,130 --> 00:57:09,890

want because what is not in other words

1276

00:57:19,900 --> 00:57:12,140

it's impossible for God to want anything

1277

00:57:22,510 --> 00:57:19,910

and God is in US wow wow I'm trying to

1278

00:57:24,070 --> 00:57:22,520

take it all and you know you mentioned

1279

00:57:26,080 --> 00:57:24,080

something earlier about getting out of

1280

00:57:28,720 --> 00:57:26,090

our own way when I got that when I had

1281

00:57:30,610 --> 00:57:28,730

the dream the holy man came to me in

1282

00:57:32,770 --> 00:57:30,620

this dream experience introduced the

1283

00:57:36,040 --> 00:57:32,780

idea to go to India to come to India and

1284

00:57:37,990 --> 00:57:36,050

see him and be with him you know iid the

1285

00:57:39,220 --> 00:57:38,000

idea was there and I released it you

1286

00:57:41,830 --> 00:57:39,230

know this is going to happen it's going

1287

00:57:44,320 --> 00:57:41,840

to happen and I got out of my way two

1288

00:57:48,010 --> 00:57:44,330

weeks later I got this phone call that

1289

00:57:50,500 --> 00:57:48,020

changed my life and literally that phone

1290

00:57:52,510 --> 00:57:50,510

call changed my life not only to be able

1291

00:57:54,520 --> 00:57:52,520

to go to India but what transpired

1292

00:57:57,070 --> 00:57:54,530

through my experience they are touching

1293

00:58:01,840 --> 00:57:57,080

parts of myself when I got to this

1294

00:58:04,120 --> 00:58:01,850

ashram Robert I'm looking at 35,000 plus

1295

00:58:06,400 --> 00:58:04,130

people there a day all there for the

1296

00:58:10,930 --> 00:58:06,410

purpose of unification in love and so

1297

00:58:13,210 --> 00:58:10,940

the humility I had was the door that

1298

00:58:17,680 --> 00:58:13,220

allowed me to touch my own divinity and

1299

00:58:19,810 --> 00:58:17,690

to bring that home with me it was such a

1300

00:58:23,320 --> 00:58:19,820

power and it's with me to this day and

1301

00:58:28,690 --> 00:58:23,330

it is why I do what I do Robert we are

1302

00:58:32,770 --> 00:58:28,700

approaching the the end of the show let

1303

00:58:36,400 --> 00:58:32,780

me ask you what is God to you if I may

1304

00:58:41,380 --> 00:58:36,410

ask you that question love cosmic laws

1305

00:58:43,780 --> 00:58:41,390

every form of love that love anal it's

1306

00:58:45,910 --> 00:58:43,790

just it's in of god is love goddess I

1307

00:58:46,390 --> 00:58:45,920

mean I love all the forms of it i get is

1308

00:58:48,789 --> 00:58:46,400

cause

1309

00:58:50,829 --> 00:58:48,799

makin as practical as anyone when I was

1310

00:58:53,500 --> 00:58:50,839

three years old real quickly Keith I

1311

00:58:55,480 --> 00:58:53,510

woke up as if I'm an adult right now and

1312

00:58:58,990 --> 00:58:55,490

i remembered we're gonna make it this

1313

00:59:00,460 --> 00:58:59,000

time I know love went from I believe in

1314

00:59:01,690 --> 00:59:00,470

I believe that I've been here before may

1315

00:59:03,430 --> 00:59:01,700

have too many memories they actually

1316

00:59:05,440 --> 00:59:03,440

think that I haven't and I know that

1317

00:59:07,359 --> 00:59:05,450

love allowed me to come into you know

1318

00:59:09,640 --> 00:59:07,369

three years old and remember we're going

1319

00:59:11,140 --> 00:59:09,650

to make it this time I know love is what

1320

00:59:13,390 --> 00:59:11,150

builds all this love and light of the

1321

00:59:16,420 --> 00:59:13,400

same thing so I believe God is love God

1322

00:59:22,289 --> 00:59:16,430

is light if you find a message for

1323

00:59:24,730 --> 00:59:22,299

listening audience god is love God and

1324

00:59:26,890 --> 00:59:24,740

you know I have ways you know none of

1325

00:59:29,349 --> 00:59:26,900

that's the one we're your miracle for

1326

00:59:31,390 --> 00:59:29,359

India you know you found you win over

1327

00:59:33,670 --> 00:59:31,400

first class in ways that your little

1328

00:59:35,740 --> 00:59:33,680

self didn't know so i recommend everyone

1329

00:59:37,779 --> 00:59:35,750

just say alright i have my miracle

1330

00:59:41,140 --> 00:59:37,789

least resistance we tend to we have

1353

01:00:46,150 --> 01:00:43,789

often got in their own way but now we're

1354

01:00:48,640 --> 01:00:46,160

going to move smoothly down the road

1355

01:00:51,250 --> 01:00:48,650

oh gosh what a fantastic show now i

1360

01:01:04,110 --> 01:01:02,020

think i'm gonna go have a good time

1361

01:01:08,730 --> 01:01:04,120

playing some live rock and roll in the

1362

01:01:10,950 --> 01:01:08,740

club in memphis tonight when you lay

1363

01:01:14,310 --> 01:01:10,960

down at night you take that breath or

1364

01:01:16,800 --> 01:01:14,320

mini breaths when you fall into that

1365

01:01:19,830 --> 01:01:16,810

self that part of you that lies just

1366

01:01:23,340 --> 01:01:19,840

behind the breath sometimes we overlook

1367

01:01:25,710 --> 01:01:23,350

it because it's so simple when you take

1368

01:01:31,380 --> 01:01:25,720

that breath and you touch that aspect of
