

Exposing the Truth, One Secret at a Time

NIGHT VISION

Host: René Barnett

RADIO

Adam Gorightly

1
00:00:10,759 --> 00:00:02,480
you're locked into inception radio

2
00:00:14,209 --> 00:00:10,769
network superior Wisconsin your tool in

3
00:00:18,170 --> 00:00:14,219
tonight vision radio exposing the truth

4
00:00:20,570 --> 00:00:18,180
one secret at a time repair yourself as

5
00:00:23,230 --> 00:00:20,580
we explore the shadow worlds of

6
00:00:26,599 --> 00:00:23,240
suppressed history secret knowledge

7
00:00:48,970 --> 00:00:26,609
forbidden religion and shine a light on

8
00:00:48,980 --> 00:01:10,670
what up

9
00:01:10,680 --> 00:01:15,600
welcome to night vision radio

10
00:01:20,740 --> 00:01:18,460
hey everyone thanks so much for joining

11
00:01:25,210 --> 00:01:20,750
us again this week on night vision radio

12
00:01:28,090 --> 00:01:25,220
I've got a great show coming up and just

13
00:01:30,670 --> 00:01:28,100

do a few housekeeping items up front as

14

00:01:33,640 --> 00:01:30,680

we usually do hope that you'll come and

15

00:01:35,590 --> 00:01:33,650

visit me on facebook i post a you know

16

00:01:37,920 --> 00:01:35,600

information about upcoming gas in

17

00:01:40,210 --> 00:01:37,930

current guests and past guests on my

18

00:01:42,460 --> 00:01:40,220

facebook page and also on the night

19

00:01:44,170 --> 00:01:42,470

vision radio facebook page if you don't

20

00:01:47,280 --> 00:01:44,180

mind go over there and click like on

21

00:01:50,890 --> 00:01:47,290

that page that can help us out a lot and

22

00:01:54,070 --> 00:01:50,900

also any of you who are interested or

23

00:01:57,100 --> 00:01:54,080

may be interested in getting information

24

00:01:59,350 --> 00:01:57,110

about france about southwest France and

25

00:02:02,530 --> 00:01:59,360

heading over there with me to hang out

26
00:02:04,630 --> 00:02:02,540
with Henry Lincoln author or Holy Blood

27
00:02:07,500 --> 00:02:04,640
Holy Grail or co-author I should say and

28
00:02:10,240 --> 00:02:07,510
the holy place in p2 the sacred pattern

29
00:02:13,060 --> 00:02:10,250
and many others over there mr. Jim

30
00:02:16,930 --> 00:02:13,070
Wallis Murphy who's also a best-selling

31
00:02:19,030 --> 00:02:16,940
author in that genre of material so just

32
00:02:22,090 --> 00:02:19,040
let me know send me a Facebook message

33
00:02:23,590 --> 00:02:22,100
or friend me on Facebook and I'll be

34
00:02:25,660 --> 00:02:23,600
happy to talk with you about it we're

35
00:02:28,330 --> 00:02:25,670
trying to you know keep the number

36
00:02:30,490 --> 00:02:28,340
reasonable so that we can you know all

37
00:02:33,010 --> 00:02:30,500
have a good visit and be able to spend

38
00:02:35,260 --> 00:02:33,020

quality time with the speakers that are

39

00:02:38,320 --> 00:02:35,270

going to be joining us over there so let

40

00:02:40,930 --> 00:02:38,330

me know anyhow tonight boy we're going

41

00:02:42,310 --> 00:02:40,940

to go back in time we're going to go

42

00:02:44,259 --> 00:02:42,320

back to the summer of nineteen

43

00:02:46,780 --> 00:02:44,269

sixty-nine I know some of you probably

44

00:02:49,360 --> 00:02:46,790

weren't even around then well I was you

45

00:02:51,040 --> 00:02:49,370

know I guess I'm giving away my age

46

00:02:55,930 --> 00:02:51,050

again I seem to do that every single

47

00:02:57,970 --> 00:02:55,940

week but I was a teenager in 1969 I

48

00:03:00,670 --> 00:02:57,980

wasn't living in Los Angeles at that

49

00:03:03,490 --> 00:03:00,680

time I was still in my home state of

50

00:03:08,320 --> 00:03:03,500

Oklahoma living in tulsa and I remember

51
00:03:11,710 --> 00:03:08,330
hearing the news about this crazy murder

52
00:03:14,290 --> 00:03:11,720
that had taken place or crazy murders i

53
00:03:16,690 --> 00:03:14,300
should say i'm talking about what's you

54
00:03:19,390 --> 00:03:16,700
know commonly known now as the Manson

55
00:03:22,960 --> 00:03:19,400
murders and my guest tonight is a

56
00:03:27,309 --> 00:03:22,970
historian he's a great journalist and an

57
00:03:28,480 --> 00:03:27,319
author and he's done beaucoup research

58
00:03:31,420 --> 00:03:28,490
into

59
00:03:33,640 --> 00:03:31,430
Charles Manson and the Manson Family and

60
00:03:35,710 --> 00:03:33,650
he sort of come at it from a little bit

61
00:03:36,970 --> 00:03:35,720
of a different angle than some of the

62
00:03:40,050 --> 00:03:36,980
stuff you might have heard otherwise

63
00:03:43,030 --> 00:03:40,060

he's written a book about that he's also

64

00:03:45,460 --> 00:03:43,040

written about Manson's sort of occult

65

00:03:48,370 --> 00:03:45,470

and black magic connections which is

66

00:03:51,160 --> 00:03:48,380

going to take us right in to the next

67

00:03:53,320 --> 00:03:51,170

segment in the next half hour where

68

00:03:56,440 --> 00:03:53,330

we're going to be looking at Adams new

69

00:04:01,750 --> 00:03:56,450

research in its new book on dis corey

70

00:04:03,760 --> 00:04:01,760

anism and the historian discordia it's

71

00:04:05,230 --> 00:04:03,770

his its latest book and he's going to

72

00:04:06,850 --> 00:04:05,240

explain all about what that isn't how

73

00:04:10,060 --> 00:04:06,860

that actually kind of ties into the

74

00:04:12,640 --> 00:04:10,070

Manson thing so welcome Adam thanks so

75

00:04:14,860 --> 00:04:12,650

much for joining me I think surrounding

76

00:04:17,110 --> 00:04:14,870

me on her neck yeah I appreciate it and

77

00:04:21,280 --> 00:04:17,120

I want to thank towel for putting us

78

00:04:24,880 --> 00:04:21,290

together he's a good buddy and a great

79

00:04:28,180 --> 00:04:24,890

source always so thank you to all we

80

00:04:30,640 --> 00:04:28,190

appreciate it ennio somebody just put

81

00:04:33,430 --> 00:04:30,650

Renee is 29 on the on the chat room

82

00:04:35,740 --> 00:04:33,440

that's so kind I'll pay you later mark

83

00:04:41,050 --> 00:04:35,750

don't worry about it oh you big time

84

00:04:45,030 --> 00:04:41,060

anyhow Adam so how was it that you got

85

00:04:48,250 --> 00:04:45,040

lured into the the Manson Family story

86

00:04:51,250 --> 00:04:48,260

cuz you're you're were you even born at

87

00:04:56,020 --> 00:04:51,260

that time oh yeah yeah i was born in

88

00:04:58,810 --> 00:04:56,030

nineteen sixty oh why so what did you

89

00:05:01,300 --> 00:04:58,820

when you heard about it at the time you

90

00:05:03,040 --> 00:05:01,310

were obviously nine years old do you

91

00:05:06,700 --> 00:05:03,050

remember hearing about it and were you

92

00:05:09,490 --> 00:05:06,710

in California mmhmm yeah I live in

93

00:05:11,560 --> 00:05:09,500

central California yeah I remember her

94

00:05:16,000 --> 00:05:11,570

in a bit about it really came to my

95

00:05:18,760 --> 00:05:16,010

attention in around that was like 74 or

96

00:05:21,280 --> 00:05:18,770

75 there was a mini-series I don't know

97

00:05:24,370 --> 00:05:21,290

if you recall that called dr. skelter

98

00:05:26,770 --> 00:05:24,380

based on the Bugliosi book in a kind of

99

00:05:31,240 --> 00:05:26,780

blew my mind I was at that time I was

100

00:05:33,490 --> 00:05:31,250

kind of becoming interested in the 60s

101
00:05:35,740 --> 00:05:33,500
counterculture you know I was a little

102
00:05:38,340 --> 00:05:35,750
young for that but my brothers were of

103
00:05:40,140 --> 00:05:38,350
that age and I started reached

104
00:05:42,240 --> 00:05:40,150
discovering

105
00:05:44,130 --> 00:05:42,250
left a bunch and their albums when they

106
00:05:46,830 --> 00:05:44,140
moved you know the Beatles and doors and

107
00:05:50,940 --> 00:05:46,840
on and on so I was interested in that

108
00:05:53,040 --> 00:05:50,950
period and when I saw that miniseries on

109
00:05:57,810 --> 00:05:53,050
the Manson Family kind of blew my mind

110
00:05:59,340 --> 00:05:57,820
like wow that wasn't at the time that

111
00:06:03,720 --> 00:05:59,350
was a long time ago and it was before

112
00:06:06,300 --> 00:06:03,730
you know I later got into making films

113
00:06:09,360 --> 00:06:06,310

and television but I was just you know

114

00:06:12,720 --> 00:06:09,370

an observer back then in the early mid

115

00:06:15,540 --> 00:06:12,730

70s and I remember thinking it was a

116

00:06:20,100 --> 00:06:15,550

great miniseries so in the guy that

117

00:06:23,610 --> 00:06:20,110

played the part I'm not eat reels back

118

00:06:26,850 --> 00:06:23,620

there you go steve railsback did such an

119

00:06:28,470 --> 00:06:26,860

amazing job I mean he was Charlie Manson

120

00:06:31,970 --> 00:06:28,480

by the end of that thing he would

121

00:06:35,280 --> 00:06:31,980

totally and I remember the most a

122

00:06:37,680 --> 00:06:35,290

shocking moment or the scariest moment

123

00:06:41,810 --> 00:06:37,690

for me in the hole or the most dramatic

124

00:06:45,840 --> 00:06:41,820

moment in the whole mini series was when

125

00:06:49,470 --> 00:06:45,850

he was staring at Vincent Bugliosi and

126

00:06:51,150 --> 00:06:49,480

he stopped in stop this watch I'm how I

127

00:06:53,220 --> 00:06:51,160

don't remember exactly how this is worth

128

00:06:57,750 --> 00:06:53,230

wit yeah just like just like you're a

129

00:07:00,720 --> 00:06:57,760

killer yeah exactly and yes yeah that

130

00:07:03,990 --> 00:07:00,730

was Riccio yeah steve railsback knocked

131

00:07:06,570 --> 00:07:04,000

it out of the park I'm a Tory Manson was

132

00:07:10,770 --> 00:07:06,580

this little guy he's at five foot two

133

00:07:14,070 --> 00:07:10,780

and you think how could someone be so

134

00:07:16,860 --> 00:07:14,080

charismatic to you know bringing all

135

00:07:20,520 --> 00:07:16,870

these young people and of course I know

136

00:07:22,590 --> 00:07:20,530

sort of how cults work and you don't

137

00:07:24,720 --> 00:07:22,600

necessarily have to be a weak person to

138

00:07:26,850 --> 00:07:24,730

get drawn in you it just have yet to be

139

00:07:30,540 --> 00:07:26,860

caught at the right moment or the right

140

00:07:34,140 --> 00:07:30,550

time in your life but maybe he had a

141

00:07:36,330 --> 00:07:34,150

little something more going than what we

142

00:07:38,580 --> 00:07:36,340

realized and maybe that was sort of a

143

00:07:42,000 --> 00:07:38,590

clue to that when he stopped that watch

144

00:07:44,610 --> 00:07:42,010

is that possible if that really happened

145

00:07:47,430 --> 00:07:44,620

I mean there's so much mythology

146

00:07:50,250 --> 00:07:47,440

surrounding the Manson murders and

147

00:07:51,690 --> 00:07:50,260

Charles Manson himself sometimes it's

148

00:07:54,010 --> 00:07:51,700

difficult

149

00:07:57,790 --> 00:07:54,020

separating the other week from the chaff

150

00:08:01,510 --> 00:07:57,800

but you know you know as far as his

151

00:08:04,840 --> 00:08:01,520

control over his flock I think you know

152

00:08:07,510 --> 00:08:04,850

that can be attributed to you know he

153

00:08:11,290 --> 00:08:07,520

grew up in prison the most of his early

154

00:08:14,110 --> 00:08:11,300

years were in reformatories or prisons

155

00:08:16,450 --> 00:08:14,120

so it was kind of the school of hard

156

00:08:18,610 --> 00:08:16,460

knocks and that's you know that was his

157

00:08:22,180 --> 00:08:18,620

school that's where he learned to become

158

00:08:25,960 --> 00:08:22,190

a manipulator and such and was also he

159

00:08:29,110 --> 00:08:25,970

mentioned Scientology the early 60s he

160

00:08:31,810 --> 00:08:29,120

was exposed to Scientology when he was

161

00:08:34,750 --> 00:08:31,820

serving time at McNeil Island up in

162

00:08:38,500 --> 00:08:34,760

Washington State and according to the

163

00:08:41,409 --> 00:08:38,510

stories he was part of a oh there were

164

00:08:43,930 --> 00:08:41,419

several folks in a Cell that studied

165

00:08:47,460 --> 00:08:43,940

under a guy named linear rainier who was

166

00:08:50,230 --> 00:08:47,470

a Scientology auditor you could teach

167

00:08:54,490 --> 00:08:50,240

Scientology and so that's where Madison

168

00:08:57,820 --> 00:08:54,500

was first exposed to Scientology and you

169

00:09:01,570 --> 00:08:57,830

know different ways of quote-unquote

170

00:09:04,960 --> 00:09:01,580

mind control and you know what's become

171

00:09:07,630 --> 00:09:04,970

known as it NLP these days so he was

172

00:09:09,940 --> 00:09:07,640

exposed to that type of stuff pretty

173

00:09:12,850 --> 00:09:09,950

early and some of his mentors in jail

174

00:09:16,810 --> 00:09:12,860

were some heavy hitters like gap Alvin

175

00:09:19,270 --> 00:09:16,820

creepy Karpis who was oh yeah public

176

00:09:25,750 --> 00:09:19,280

enemy number one actually taught Manson

177

00:09:30,520 --> 00:09:25,760

to play guitar and such and mafiosos

178

00:09:32,590 --> 00:09:30,530

like Frankie carbo Manson got two new

179

00:09:35,650 --> 00:09:32,600

nose you know and learn from these guys

180

00:09:38,350 --> 00:09:35,660

and so by the time he got out last time

181

00:09:42,760 --> 00:09:38,360

you got out of prison you know before

182

00:09:46,540 --> 00:09:42,770

the murders was in 67 and he was in his

183

00:09:49,480 --> 00:09:46,550

early 30s at that point in landed Ino in

184

00:09:51,880 --> 00:09:49,490

the San Francisco in the haight ashbury

185

00:09:56,890 --> 00:09:51,890

and the young hippie kids and chicks

186

00:09:59,230 --> 00:09:56,900

were like prime for to be fleeced by him

187

00:10:01,980 --> 00:09:59,240

and he moved riding that scene grew his

188

00:10:05,410 --> 00:10:01,990

hair long was somewhat you know how fast

189

00:10:08,200 --> 00:10:05,420

musicians so he was able to

190

00:10:10,210 --> 00:10:08,210

you know it first tracked a couple of

191

00:10:13,270 --> 00:10:10,220

girls and then it kind of grew over a

192

00:10:20,440 --> 00:10:13,280

period of time as did his control over

193

00:10:21,730 --> 00:10:20,450

them well absolutely now so you think he

194

00:10:23,740 --> 00:10:21,740

might have been employing some of these

195

00:10:28,090 --> 00:10:23,750

methods that he learned from the

196

00:10:30,430 --> 00:10:28,100

Scientology auditors as well as from the

197

00:10:33,240 --> 00:10:30,440

criminals in the cons that he ran into

198

00:10:36,520 --> 00:10:33,250

there and so that so I think so I

199

00:10:40,450 --> 00:10:36,530

remember the conspiracy researcher and

200

00:10:44,440 --> 00:10:40,460

writer Jim Keith I absolutely do I I had

201
00:10:47,410 --> 00:10:44,450
a chance to speak with Jim a few times

202
00:10:50,980 --> 00:10:47,420
when I was working on a TV series called

203
00:10:54,490 --> 00:10:50,990
strange universe oh you know yeah yeah

204
00:10:59,740 --> 00:10:54,500
we talked with Jimmy it that was it too

205
00:11:01,770 --> 00:10:59,750
long before he died or mate yeah cuz

206
00:11:06,700 --> 00:11:01,780
didn't he die and about in the 90s

207
00:11:10,270 --> 00:11:06,710
around I was at that burning man he was

208
00:11:12,420 --> 00:11:10,280
at burning man who was around 99 you

209
00:11:14,680 --> 00:11:12,430
mentioned we were talking earlier

210
00:11:17,410 --> 00:11:14,690
getting off on a little bit of a tangent

211
00:11:20,310 --> 00:11:17,420
terabit will circle back to what we were

212
00:11:23,800 --> 00:11:20,320
talking about I have written an article

213
00:11:26,350 --> 00:11:23,810

was actually review of Jim Keith saucers

214

00:11:31,090 --> 00:11:26,360

of the Illuminati for UFO magazine back

215

00:11:32,260 --> 00:11:31,100

and since the late 90s when he died so

216

00:11:35,380 --> 00:11:32,270

there's a connection there but

217

00:11:39,190 --> 00:11:35,390

interestingly enough Jim Keith was a

218

00:11:42,040 --> 00:11:39,200

former high-level Scientologist a lot of

219

00:11:45,460 --> 00:11:42,050

people don't know that I did not know

220

00:11:48,220 --> 00:11:45,470

that and he shared with me a few things

221

00:11:51,310 --> 00:11:48,230

he saw different films and stuff of

222

00:11:53,980 --> 00:11:51,320

Manson and he said Manson was employing

223

00:11:58,270 --> 00:11:53,990

certain techniques that came from

224

00:12:00,370 --> 00:11:58,280

Scientology like doing mirroring

225

00:12:03,220 --> 00:12:00,380

techniques of people when you're talking

226

00:12:06,220 --> 00:12:03,230

to somebody if you start done mirroring

227

00:12:09,490 --> 00:12:06,230

their actions very subtly you can build

228

00:12:11,410 --> 00:12:09,500

a rapport with them that's y a method

229

00:12:15,370 --> 00:12:11,420

that's also in neuro linguistic

230

00:12:17,440 --> 00:12:15,380

programming so when I talked to Jim this

231

00:12:19,070 --> 00:12:17,450

was years ago he pointed out a few

232

00:12:22,100 --> 00:12:19,080

things

233

00:12:24,860 --> 00:12:22,110

and matched Matson speech and mannerism

234

00:12:31,400 --> 00:12:24,870

that told him that he was employing

235

00:12:36,140 --> 00:12:31,410

different Scientology techniques Wow now

236

00:12:39,650 --> 00:12:36,150

I don't remember exactly the mode of

237

00:12:41,420 --> 00:12:39,660

Jim's death and but I do know that there

238

00:12:45,920 --> 00:12:41,430

was something suspicious about it and

239

00:12:48,650 --> 00:12:45,930

then won it a few years later that his

240

00:12:54,230 --> 00:12:48,660

Co one of his co-authors or co-editors

241

00:12:57,050 --> 00:12:54,240

and died was that Jerry Smith or well we

242

00:12:59,930 --> 00:12:57,060

can go down that hat because it's tied

243

00:13:02,030 --> 00:12:59,940

into discordian is a model enough when

244

00:13:08,990 --> 00:13:02,040

we get back to Madison but you know some

245

00:13:12,410 --> 00:13:09,000

rot it up so Jim died thinking it was 98

246

00:13:15,800 --> 00:13:12,420

or 99 and he was at the Burning Man

247

00:13:17,930 --> 00:13:15,810

festival e not Danny without a desert

248

00:13:21,320 --> 00:13:17,940

that you but he knows about Bernie man

249

00:13:23,480 --> 00:13:21,330

up and to a couple over the years and so

250

00:13:26,210 --> 00:13:23,490

he was there and he was up on a stage

251
00:13:28,220 --> 00:13:26,220
doing some performance thing dancing

252
00:13:30,620 --> 00:13:28,230
whatever and he jumped off the stage you

253
00:13:32,450 --> 00:13:30,630
know it it was like he was a skidding

254
00:13:34,810 --> 00:13:32,460
off the stage it was like a three foot

255
00:13:39,230 --> 00:13:34,820
drop or whatever but he tweaked his knee

256
00:13:42,050 --> 00:13:39,240
and screwed it up and you know it's got

257
00:13:45,850 --> 00:13:42,060
bad enough next day he went in for

258
00:13:50,630 --> 00:13:45,860
medical attention to Washoe County

259
00:13:53,510 --> 00:13:50,640
Hospital there and they put him under

260
00:13:55,730 --> 00:13:53,520
her and he was really nervous about

261
00:13:58,460 --> 00:13:55,740
going under at an ascetic for this

262
00:14:02,240 --> 00:13:58,470
routine surgery during the course of

263
00:14:04,220 --> 00:14:02,250

surgery on his knee a blood clot was

264

00:14:07,730 --> 00:14:04,230

released what you know went to his lungs

265

00:14:10,640 --> 00:14:07,740

or wherever and killed him and he he had

266

00:14:13,060 --> 00:14:10,650

told somebody you know before he before

267

00:14:17,950 --> 00:14:13,070

the surgery started that he was

268

00:14:20,600 --> 00:14:17,960

reluctant to go under anesthesia because

269

00:14:23,270 --> 00:14:20,610

is what concern something like that

270

00:14:25,940 --> 00:14:23,280

might happen so you know so a lot of

271

00:14:27,590 --> 00:14:25,950

people well did he feel like somebody

272

00:14:28,820 --> 00:14:27,600

was out to get him or do you feel like

273

00:14:31,370 --> 00:14:28,830

he might have you know a lot of people

274

00:14:34,130 --> 00:14:31,380

do seem to kind of have a premonition

275

00:14:36,470 --> 00:14:34,140

sometimes about their own demise what I

276

00:14:38,530 --> 00:14:36,480

know about Jim he wasn't overly paranoid

277

00:14:41,180 --> 00:14:38,540

about that you know even being a

278

00:14:45,140 --> 00:14:41,190

conspiracy writer he was there was kind

279

00:14:46,880 --> 00:14:45,150

of that I the humorous Irishman side to

280

00:14:49,070 --> 00:14:46,890

him you know but he knew and he was

281

00:14:50,750 --> 00:14:49,080

getting into some heavy stuff but other

282

00:14:52,760 --> 00:14:50,760

people wrote about it at the time like

283

00:14:55,760 --> 00:14:52,770

ken thomas you know candy was a good

284

00:14:59,480 --> 00:14:55,770

friend yeah Ken's gonna be on next week

285

00:15:01,340 --> 00:14:59,490

oh right on yeah so you can ask him

286

00:15:03,530 --> 00:15:01,350

about this but they wrote the octopus

287

00:15:05,960 --> 00:15:03,540

together about do you know Danny

288

00:15:10,010 --> 00:15:05,970

casillero Danny casillero that that

289

00:15:12,470 --> 00:15:10,020

whole deal and at the time of you know

290

00:15:17,300 --> 00:15:12,480

right before Jim died he was looking

291

00:15:20,320 --> 00:15:17,310

into the death of Princess Diana and it

292

00:15:23,270 --> 00:15:20,330

uncovered some pretty you know

293

00:15:26,050 --> 00:15:23,280

controversial material suggesting that

294

00:15:29,090 --> 00:15:26,060

she was pregnant you know with Jody

295

00:15:34,310 --> 00:15:29,100

Fayed was at her boyfriend with Rhoda

296

00:15:36,080 --> 00:15:34,320

yeah oh yeah with his child and he had

297

00:15:38,540 --> 00:15:36,090

other material is he was getting ready

298

00:15:41,420 --> 00:15:38,550

to expose this so some people point to

299

00:15:46,030 --> 00:15:41,430

that you know who knows but so that was

300

00:15:49,850 --> 00:15:46,040

if I can get all the dates right here so

301

00:15:53,420 --> 00:15:49,860

a year or two later this all happened

302

00:15:55,700 --> 00:15:53,430

you know within a couple years Jim

303

00:15:58,850 --> 00:15:55,710

Keith's publisher was wrong bonds at

304

00:16:02,390 --> 00:15:58,860

illumina press I I knew him pretty good

305

00:16:07,400 --> 00:16:02,400

too lumen Empress was pretty much the

306

00:16:09,250 --> 00:16:07,410

foremost publisher of conspiracy books

307

00:16:12,680 --> 00:16:09,260

you know along with a couple other

308

00:16:15,710 --> 00:16:12,690

publishers like feral house yeah and

309

00:16:18,950 --> 00:16:15,720

another curious death that he died of

310

00:16:21,110 --> 00:16:18,960

food poisoning in a Mexican restaurant

311

00:16:24,380 --> 00:16:21,120

and you know a lot of people raise their

312

00:16:27,740 --> 00:16:24,390

eyebrows because keep Jim Keith and Ron

313

00:16:29,900 --> 00:16:27,750

bonds you know at you know right at the

314

00:16:35,030 --> 00:16:29,910

time of Jim's d

315

00:16:36,950 --> 00:16:35,040

were pretty working closely together Jim

316

00:16:40,310 --> 00:16:36,960

Keith had been become like you know a

317

00:16:41,750 --> 00:16:40,320

partner in aluminum press so over the

318

00:16:45,560 --> 00:16:41,760

course of the couple of years the main

319

00:16:49,700 --> 00:16:45,570

players there were gone and no longer

320

00:16:52,970 --> 00:16:49,710

publishing conspiracy buds now there was

321

00:16:54,890 --> 00:16:52,980

one other person involved with the

322

00:16:57,650 --> 00:16:54,900

illuminant press who died around the

323

00:17:01,060 --> 00:16:57,660

same period sky I've written quite a bit

324

00:17:04,880 --> 00:17:01,070

about by the name of Kerry Thornleigh

325

00:17:08,660 --> 00:17:04,890

who maybe we'll get well given he's

326

00:17:11,450 --> 00:17:08,670

involved in sporty anism Discordians him

327

00:17:14,380 --> 00:17:11,460

yeah but but he was just briefly his

328

00:17:17,180 --> 00:17:14,390

connection with aluminum press was

329

00:17:19,340 --> 00:17:17,190

illuminate press brought out a bunch of

330

00:17:21,620 --> 00:17:19,350

Kerry Thornleigh's books he hadn't

331

00:17:23,660 --> 00:17:21,630

really been books that hadn't been

332

00:17:26,810 --> 00:17:23,670

published before dealing with the

333

00:17:29,720 --> 00:17:26,820

Kennedy assassination Oswald this type

334

00:17:32,030 --> 00:17:29,730

of stuff and you know in fact the first

335

00:17:35,330 --> 00:17:32,040

book published by illuminate press was

336

00:17:38,510 --> 00:17:35,340

thornless book the idol warriors and he

337

00:17:40,940 --> 00:17:38,520

published a total of a three title so

338

00:17:45,200 --> 00:17:40,950

Carrie Thornleigh and Jim Keith were the

339

00:17:48,920 --> 00:17:45,210

most published authors at illuminant

340

00:17:54,560 --> 00:17:48,930

press and thorley Gaiden now 98 I think

341

00:17:57,680 --> 00:17:54,570

Keith died in 99 then pounds died in two

342

00:18:00,140 --> 00:17:57,690

thousand so I might not have the dates

343

00:18:02,240 --> 00:18:00,150

exactly right so in the course of three

344

00:18:05,260 --> 00:18:02,250

years you know them main three players

345

00:18:09,620 --> 00:18:05,270

at the limit at press were all gone and

346

00:18:11,960 --> 00:18:09,630

yeah I was I remember sometime later I

347

00:18:14,420 --> 00:18:11,970

started doing this show I've been doing

348

00:18:18,460 --> 00:18:14,430

it now for about seven or eight years I

349

00:18:23,480 --> 00:18:18,470

was at a different venue before but I

350

00:18:28,450 --> 00:18:23,490

was going to have a Jerry Smith come on

351

00:18:31,820 --> 00:18:28,460

and I contacted him but he was too ill

352

00:18:35,270 --> 00:18:31,830

and he eat so he never did make it on

353

00:18:38,480 --> 00:18:35,280

but uh you know I think he might have

354

00:18:40,730 --> 00:18:38,490

had some questions about his illness i

355

00:18:43,700 --> 00:18:40,740

don't know but there seemed to be a lot

356

00:18:46,750 --> 00:18:43,710

of people you know dying around

357

00:18:51,230 --> 00:18:46,760

around Jim Keith in that whole situation

358

00:18:53,360 --> 00:18:51,240

yeah as far as Jerry Smith he died more

359

00:18:56,600 --> 00:18:53,370

you guys sometime later yeah yeah like a

360

00:19:00,139 --> 00:18:56,610

couple years ago I was in that reason

361

00:19:09,669 --> 00:19:00,149

yeah the problem not more than I think

362

00:19:13,669 --> 00:19:09,679

maybe your absorb utt you know people do

363

00:19:16,250 --> 00:19:13,679

we all die we are yeah and we and we all

364

00:19:19,490 --> 00:19:16,260

look for conspiracies to her at least i

365

00:19:23,169 --> 00:19:19,500

do i guess but i always said if you look

366

00:19:28,190 --> 00:19:23,179

hard enough you will find a haha yeah

367

00:19:32,330 --> 00:19:28,200

but now but to the demand something did

368

00:19:36,080 --> 00:19:32,340

he did he what perform you talked about

369

00:19:38,240 --> 00:19:36,090

black magic was he actually performing

370

00:19:41,060 --> 00:19:38,250

black magic rituals and things like that

371

00:19:44,620 --> 00:19:41,070

that you were able to find out and was

372

00:19:48,680 --> 00:19:44,630

that how he sort of controlled people

373

00:19:52,070 --> 00:19:48,690

with magic or was it just simply through

374

00:19:54,620 --> 00:19:52,080

the con through the mind control well

375

00:19:58,430 --> 00:19:54,630

yeah and use an acid you know there was

376

00:20:01,399 --> 00:19:58,440

some amount of ritual going on

377

00:20:03,529 --> 00:20:01,409

especially with a lot of you know they'd

378

00:20:08,480 --> 00:20:03,539

have group orgies and that type of stuff

379

00:20:10,399 --> 00:20:08,490

which you know is basically sex magic

380

00:20:12,980 --> 00:20:10,409

who's trying to alter the consciousness

381

00:20:16,010 --> 00:20:12,990

of the group and make them into one

382

00:20:19,519 --> 00:20:16,020

being was kind of the trip in the latter

383

00:20:24,260 --> 00:20:19,529

days of the Manson Family so yeah it

384

00:20:29,090 --> 00:20:24,270

definitely relates to ritual magic sex

385

00:20:31,639 --> 00:20:29,100

magic so like I said there's a lot of

386

00:20:33,950 --> 00:20:31,649

Mythology about this stuff two tons of

387

00:20:37,159 --> 00:20:33,960

books and sorting through that sometimes

388

00:20:39,769 --> 00:20:37,169

it's hard to tell what has been made up

389

00:20:42,919 --> 00:20:39,779

and what is not but you look at the

390

00:20:46,190 --> 00:20:42,929

roots of the Manson Family it's pretty

391

00:20:52,730 --> 00:20:46,200

interesting even prior to matteson

392

00:20:56,330 --> 00:20:52,740

getting out of prison in 67 another guy

393

00:20:59,060 --> 00:20:56,340

you familiar with Bobby pozole sure yet

394

00:21:02,090 --> 00:20:59,070

he was so the first actual Madsen murder

395

00:21:05,930 --> 00:21:02,100

was committed by Bobby bosal a of Gary

396

00:21:09,590 --> 00:21:05,940

hinman that was like in August it wasn't

397

00:21:12,380 --> 00:21:09,600

Bobby buzz laying later murdered new now

398

00:21:16,700 --> 00:21:12,390

mr. Beausoleil still alive but really

399

00:21:19,280 --> 00:21:16,710

and he's in prison oh oh I see what kind

400

00:21:21,290 --> 00:21:19,290

of forgotten about him jerry ehman was

401
00:21:23,840 --> 00:21:21,300
the one that was murdered in the desert

402
00:21:26,180 --> 00:21:23,850
right or left out in the desert now he

403
00:21:29,600 --> 00:21:26,190
was Henman was murdered in Topanga

404
00:21:34,540 --> 00:21:29,610
Canyon at his home and what was his

405
00:21:37,820 --> 00:21:34,550
connection well he was a drug dealer

406
00:21:41,540 --> 00:21:37,830
bathtub chemist and it there you know he

407
00:21:44,630 --> 00:21:41,550
was making think it was a different

408
00:21:47,150 --> 00:21:44,640
drugs but mess going and so those olay

409
00:21:51,020 --> 00:21:47,160
was a middleman and there was a biker

410
00:21:53,930 --> 00:21:51,030
group that bozo lay sold some of him and

411
00:21:55,520 --> 00:21:53,940
stuff too and the biker group said they

412
00:21:58,820 --> 00:21:55,530
got sick and they wanted their money

413
00:22:01,430 --> 00:21:58,830

back so it kind of put Bobby bozo lay in

414

00:22:05,030 --> 00:22:01,440

the middle of hinman and this biker

415

00:22:08,030 --> 00:22:05,040

group and things eventually this kind of

416

00:22:09,799 --> 00:22:08,040

swirled out of control when because the

417

00:22:12,049 --> 00:22:09,809

bikers wanted their money back in hinman

418

00:22:15,890 --> 00:22:12,059

wouldn't come across with it so that led

419

00:22:18,500 --> 00:22:15,900

to the first murder but getting back to

420

00:22:22,240 --> 00:22:18,510

the cult stuff you know bosal a he was

421

00:22:26,750 --> 00:22:22,250

it it was and is a very talented

422

00:22:31,460 --> 00:22:26,760

musician he was in LA in the mid-60s

423

00:22:33,710 --> 00:22:31,470

actually played with a early version of

424

00:22:39,080 --> 00:22:33,720

Arthur Lee's love if you remember that

425

00:22:42,500 --> 00:22:39,090

group and I'm familiar got it great 60s

426

00:22:47,750 --> 00:22:42,510

group then he moved those Lee broke

427

00:22:51,650 --> 00:22:47,760

broke up with her left love Arthur Lee's

428

00:22:53,419 --> 00:22:51,660

love and moved to San Francisco are they

429

00:22:55,610 --> 00:22:53,429

kicked him out for the pan whatever the

430

00:22:57,979 --> 00:22:55,620

case may be but he ended up in San

431

00:23:03,450 --> 00:22:57,989

Francisco around

432

00:23:05,999 --> 00:23:03,460

1966 formed his own band and came to the

433

00:23:09,840 --> 00:23:06,009

attention of the experimental filmmaker

434

00:23:13,519 --> 00:23:09,850

Kenneth Anger we had a long history in

435

00:23:17,340 --> 00:23:13,529

the occult news prodigy a disciple of

436

00:23:21,690 --> 00:23:17,350

Aleister Crowley Andy he may be familiar

437

00:23:26,460 --> 00:23:21,700

with some of Anger's films they delve

438

00:23:29,970 --> 00:23:26,470

into a lot of these darker areas and so

439

00:23:32,180 --> 00:23:29,980

during this period anger or saw bosal a

440

00:23:34,379 --> 00:23:32,190

plane to the concert somewhere and

441

00:23:38,070 --> 00:23:34,389

approached him and asked if you wanted

442

00:23:40,139 --> 00:23:38,080

to be in a film he was trying to get

443

00:23:42,799 --> 00:23:40,149

going called Lucifer rising and he

444

00:23:47,450 --> 00:23:42,809

wanted bosal a to play the lead part of

445

00:23:51,269 --> 00:23:47,460

Lucifer and so yeah Bosley we can't

446

00:23:55,259 --> 00:23:51,279

started this relationship with Kenneth

447

00:23:58,849 --> 00:23:55,269

Anger and it's always Kenneth Anger into

448

00:24:01,769 --> 00:23:58,859

philosophy wise with the Lucifer rising

449

00:24:05,249 --> 00:24:01,779

well he was into crew lethal emic

450

00:24:08,909 --> 00:24:05,259

Magister you know that type of stuff is

451
00:24:11,729 --> 00:24:08,919
far ya know that's where he was coming

452
00:24:15,539 --> 00:24:11,739
from and you know they started filming

453
00:24:17,700 --> 00:24:15,549
this movie but they had a falling out of

454
00:24:21,889 --> 00:24:17,710
some stuff and you hear different sides

455
00:24:24,749 --> 00:24:21,899
of the story anger says that those olay

456
00:24:28,289 --> 00:24:24,759
ran off of some of the film footage and

457
00:24:31,289 --> 00:24:28,299
all this and according to legend anger

458
00:24:32,729 --> 00:24:31,299
placed a curse on bozo lane which who

459
00:24:40,049 --> 00:24:32,739
knows might have led to the Manson

460
00:24:42,509 --> 00:24:40,059
Family the sum of the film footage later

461
00:24:43,669 --> 00:24:42,519
came out in the film you can find it

462
00:24:46,919 --> 00:24:43,679
might even be on YouTube called

463
00:24:49,950 --> 00:24:46,929

invocation of my demon brother with

464

00:24:55,590 --> 00:24:49,960

Basel a in it as well as none other than

465

00:24:59,159 --> 00:24:55,600

Anton LaVey of the Ohio State and anger

466

00:25:02,310 --> 00:24:59,169

and well they had a long relationship to

467

00:25:04,769 --> 00:25:02,320

prior to church of satan they were Greek

468

00:25:09,019 --> 00:25:04,779

called the Magic Circle so you had that

469

00:25:16,950 --> 00:25:09,029

connection with the Bobby bosal a

470

00:25:19,889 --> 00:25:16,960

then ultimately anger or you know use

471

00:25:23,100 --> 00:25:19,899

the footage from the original Lucifer

472

00:25:25,769 --> 00:25:23,110

rising for this movie invocation for my

473

00:25:27,810 --> 00:25:25,779

demon brother but then later on anger

474

00:25:32,190 --> 00:25:27,820

did a new production of Lucifer rising

475

00:25:35,639 --> 00:25:32,200

that was different from Lena the bosal a

476

00:25:39,049 --> 00:25:35,649

footage and Lucifer rising film was

477

00:25:43,320 --> 00:25:39,059

being developed in the 70s and he got

478

00:25:47,190 --> 00:25:43,330

became anger became friends with jimmy

479

00:25:48,870 --> 00:25:47,200

page with Led Zeppelin mmm he was into

480

00:25:52,019 --> 00:25:48,880

Aleister Crowley of course yeah and

481

00:25:54,690 --> 00:25:52,029

after South I'm yeah page was living in

482

00:25:58,549 --> 00:25:54,700

Crowley's castle they called bull skin

483

00:26:01,019 --> 00:25:58,559

there awk Ness nagar went out there and

484

00:26:04,799 --> 00:26:01,029

was kind of working on his film there

485

00:26:07,620 --> 00:26:04,809

and having Jimmy Page do the soundtrack

486

00:26:11,370 --> 00:26:07,630

at that time anyway once again anger has

487

00:26:13,620 --> 00:26:11,380

not falling out with age and so they

488

00:26:15,750 --> 00:26:13,630

never use jimmy page's soundtrack that

489

00:26:19,110 --> 00:26:15,760

you're asking what beausoleil is doing

490

00:26:22,289 --> 00:26:19,120

in recent times anger approach bosal a

491

00:26:24,600 --> 00:26:22,299

this was in the 70s to produce the

492

00:26:26,940 --> 00:26:24,610

soundtrack for the new Lucifer rising

493

00:26:29,990 --> 00:26:26,950

film which puzzle a ended up producing

494

00:26:35,970 --> 00:26:30,000

in tracy prison in California and it's a

495

00:26:38,669 --> 00:26:35,980

pretty badass soundtrack really yeah so

496

00:26:41,430 --> 00:26:38,679

he's continued doing music over the

497

00:26:45,169 --> 00:26:41,440

years and was released several albums

498

00:26:47,970 --> 00:26:45,179

you can find online and does kind of

499

00:26:51,029 --> 00:26:47,980

rehabilitated his image he works with

500

00:26:53,340 --> 00:26:51,039

youth groups and you know and however

501
00:26:56,370 --> 00:26:53,350
that works when you're in prison and I

502
00:27:00,330 --> 00:26:56,380
think if any of the former Manson nights

503
00:27:02,310 --> 00:27:00,340
has a chance of getting out I was gonna

504
00:27:05,639 --> 00:27:02,320
say that because he did he had nothing

505
00:27:09,120 --> 00:27:05,649
to do with the tape LaBianca murders now

506
00:27:11,820 --> 00:27:09,130
he was he was uh forget he's either

507
00:27:14,580 --> 00:27:11,830
locked up or on the run at that time he

508
00:27:16,830 --> 00:27:14,590
might have some some knowledge of it but

509
00:27:20,220 --> 00:27:16,840
just you know just because he's been so

510
00:27:24,419 --> 00:27:20,230
active the last couple decades and

511
00:27:27,659 --> 00:27:24,429
doing work that positive working with

512
00:27:30,180 --> 00:27:27,669
youth thing maybe he has a chance but

513
00:27:34,350 --> 00:27:30,190

yeah so remember there was an old

514

00:27:37,110 --> 00:27:34,360

Richard Pryor comedy album and he

515

00:27:40,650 --> 00:27:37,120

somehow mentioned the Manson murders in

516

00:27:42,060 --> 00:27:40,660

it and he says yeah there they won't get

517

00:27:44,580 --> 00:27:42,070

out is that as long as they're making

518

00:27:46,409 --> 00:27:44,590

coffee they'll never get out because you

519

00:27:49,860 --> 00:27:46,419

know of course abigail folger was one of

520

00:27:51,030 --> 00:27:49,870

the one of the victims yeah have you

521

00:27:52,770 --> 00:27:51,040

never would that when the murder

522

00:27:56,039 --> 00:27:52,780

happened you know it was like a year

523

00:27:57,659 --> 00:27:56,049

after rosemary's baby came out so

524

00:27:59,700 --> 00:27:57,669

everybody caught a new who Roman

525

00:28:03,600 --> 00:27:59,710

Polanski was here in the United States

526

00:28:05,970 --> 00:28:03,610

at that time and you know the movie was

527

00:28:08,130 --> 00:28:05,980

so dark I remember thinking oh it has

528

00:28:10,950 --> 00:28:08,140

something to do with Rosemary's Baby or

529

00:28:13,080 --> 00:28:10,960

Roman Polanski r you know in the fact

530

00:28:16,049 --> 00:28:13,090

there was another guy there in the room

531

00:28:19,590 --> 00:28:16,059

with Cher and Jay Sebring who was her

532

00:28:22,289 --> 00:28:19,600

good friend I guess I thought oh it's

533

00:28:25,169 --> 00:28:22,299

he's you know he's angry because it's

534

00:28:28,250 --> 00:28:25,179

other guys there but then of course soon

535

00:28:31,470 --> 00:28:28,260

we found out that it was the Manson's

536

00:28:34,049 --> 00:28:31,480

but that Prince yeah that's another one

537

00:28:39,390 --> 00:28:34,059

of the legends that is not true

538

00:28:41,880 --> 00:28:39,400

regarding Rosemary's Baby that for years

539

00:28:44,039 --> 00:28:41,890

people have been floating this rumor I

540

00:28:46,560 --> 00:28:44,049

don't know how it got started but maybe

541

00:28:49,860 --> 00:28:46,570

Anton LaVey started in it himself but

542

00:28:54,000 --> 00:28:49,870

the story was that Anton LaVey had

543

00:28:56,310 --> 00:28:54,010

worked on Rosemary's Baby and actually

544

00:28:59,370 --> 00:28:56,320

played Satan in the movie had been a

545

00:29:04,230 --> 00:28:59,380

technical advisor and all this you know

546

00:29:07,340 --> 00:29:04,240

and that at some point during the movie

547

00:29:10,650 --> 00:29:07,350

him and Polanski had a falling out and

548

00:29:12,600 --> 00:29:10,660

afterwards well they put a curse on

549

00:29:16,140 --> 00:29:12,610

Polanski which led to the Manson Family

550

00:29:18,720 --> 00:29:16,150

murders but that story's not true if you

551

00:29:20,850 --> 00:29:18,730

look on the internet you'll see

552

00:29:24,090 --> 00:29:20,860

different iterations of the story that

553

00:29:28,200 --> 00:29:24,100

lavey was involved with the Rosemary's

554

00:29:31,049 --> 00:29:28,210

Baby where uh of course we know was

555

00:29:33,690 --> 00:29:31,059

filmed at the code of building were John

556

00:29:38,399 --> 00:29:33,700

Lennon was later shot that's right

557

00:29:44,600 --> 00:29:38,409

I got on the thing about some of the

558

00:29:51,539 --> 00:29:48,629

65 or 66 once again before Manson got

559

00:29:56,669 --> 00:29:51,549

out and the family got started future

560

00:29:59,789 --> 00:29:56,679

Manson Family murderous Susan Atkins was

561

00:30:04,529 --> 00:29:59,799

in San Francisco working as a topless

562

00:30:09,539 --> 00:30:04,539

dancer where she ended up working for

563

00:30:11,730 --> 00:30:09,549

none other than Anton LaVey oh wow lavey

564

00:30:16,100 --> 00:30:11,740

at that time had what was called the

565

00:30:21,419 --> 00:30:16,110

witches Sabbath it was like a topless

566

00:30:26,220 --> 00:30:21,429

which is you know review of topless

567

00:30:29,370 --> 00:30:26,230

dancers whatever in Susan Atkins for

568

00:30:33,600 --> 00:30:29,380

that topless revue played the part of

569

00:30:37,680 --> 00:30:33,610

the vampire where she would have blood

570

00:30:40,529 --> 00:30:37,690

dripping from teeth after every

571

00:30:43,350 --> 00:30:40,539

performance oh that's kind of ironic

572

00:30:44,909 --> 00:30:43,360

isn't it you know what else it's it's

573

00:30:46,799 --> 00:30:44,919

the top of the hour it's eight o'clock

574

00:30:48,659 --> 00:30:46,809

and we're going to take a quick wrecker

575

00:30:50,490 --> 00:30:48,669

it's actually eight o'clock pacific time

576

00:30:52,169 --> 00:30:50,500

i should say eleven o'clock eastern

577

00:30:55,169 --> 00:30:52,179

we're going to kick take a quick break

578

00:30:56,909 --> 00:30:55,179

and when we come back we're going to go

579

00:31:00,659 --> 00:30:56,919

a little bit further with adam go

580

00:31:03,539 --> 00:31:00,669

rightly and into his research with new

581

00:31:30,159 --> 00:31:03,549

book historia discordia hang in there

582

00:31:35,989 --> 00:31:33,560

hello everyone Laurieann fenton here

583

00:31:39,349 --> 00:31:35,999

hosted the California MUFON radio show

584

00:31:42,379 --> 00:31:39,359

asking if you'd like special access to

585

00:31:45,710 --> 00:31:42,389

exclusive and amazing information about

586

00:31:48,979 --> 00:31:45,720

UFOs the paranormal and all things

587

00:31:52,580 --> 00:31:48,989

unexplained if you're nodding yes then

588

00:31:54,379 --> 00:31:52,590

join I rn's insider club as an insider

589

00:31:57,349 --> 00:31:54,389

club member you'll get an all-access

590

00:31:59,749 --> 00:31:57,359

pass to premier inception radio network

591

00:32:02,299 --> 00:31:59,759

content for only four dollars and

592

00:32:06,169 --> 00:32:02,309

ninety-nine cents a month this includes

593

00:32:09,469 --> 00:32:06,179

live UFO and paranormal conferences live

594

00:32:12,169 --> 00:32:09,479

streaming UFO sky watches exclusive I

595

00:32:15,109 --> 00:32:12,179

are in radio and TV productions and of

596

00:32:17,869 --> 00:32:15,119

course paying radio with MJ and Ken

597

00:32:20,749 --> 00:32:17,879

Storch so don't wait any longer visit

598

00:32:24,109 --> 00:32:20,759

inception radio network calm and click

599

00:32:28,729 --> 00:32:24,119

on member login to join I rn's insider

600

00:32:31,219 --> 00:32:28,739

club and get your VIP access today are

601
00:32:32,810 --> 00:32:31,229
you a final inception radio network do

602
00:32:35,180 --> 00:32:32,820
you reckon it's the best alternative

603
00:32:37,399 --> 00:32:35,190
talk radio station on the planet well if

604
00:32:40,659 --> 00:32:37,409
you do head to facebook.com forward

605
00:32:43,339 --> 00:32:40,669
slash inception radio network like page

606
00:32:46,970 --> 00:32:43,349
tell your friends spread the word and

607
00:32:52,110 --> 00:32:50,250
you have a smartphone if so conception

608
00:32:55,650 --> 00:32:52,120
radio network is the best out for you

609
00:32:57,720 --> 00:32:55,660
available itunes android samsung and

610
00:33:00,180 --> 00:32:57,730
most other app stores just search

611
00:33:02,130 --> 00:33:00,190
inception radio network with the

612
00:33:04,650 --> 00:33:02,140
applicant listen live check out more

613
00:33:06,690 --> 00:33:04,660

cast of recent amp are shown who are

614

00:33:09,360 --> 00:33:06,700

videos see what shows are coming up

615

00:33:11,640 --> 00:33:09,370

through the guests are and via the chat

616

00:33:14,190 --> 00:33:11,650

room send live questions to those guests

617

00:33:17,610 --> 00:33:14,200

you know it makes sense check your App

618

00:33:24,510 --> 00:33:17,620

Store now inception radio network sees

619

00:33:26,970 --> 00:33:24,520

it hey IRA listeners make sure you tune

620

00:33:28,830 --> 00:33:26,980

in to night vision radio with Renee

621

00:33:30,750 --> 00:33:28,840

Barnett where name will be exposing the

622

00:33:33,810 --> 00:33:30,760

truth one secret at a time when

623

00:33:39,710 --> 00:33:33,820

Thursdays every Thursday 1030pm eastern

624

00:33:45,360 --> 00:33:42,900

the lower end listeners this is MJ

625

00:33:48,230 --> 00:33:45,370

saying hello and sharing us and secret i

626
00:33:51,060 --> 00:33:48,240
discovered it's called dream lodge calm

627
00:33:53,340 --> 00:33:51,070
fresh raw organic ingredients are used

628
00:33:55,650 --> 00:33:53,350
to create all their products they are

629
00:33:58,380 --> 00:33:55,660
made in very small batches to ensure

630
00:34:01,410 --> 00:33:58,390
quality and freshness and made in the

631
00:34:03,050 --> 00:34:01,420
USA each product is created with care

632
00:34:05,580 --> 00:34:03,060
and with the finest organic ingredients

633
00:34:06,990 --> 00:34:05,590
there are no preservatives dyes or

634
00:34:11,190 --> 00:34:07,000
chemicals in any product

635
00:34:23,270 --> 00:34:11,200
stop by dream lodge and laughs that's dr

636
00:34:33,720 --> 00:34:26,120
you're locked into inception radio

637
00:34:33,730 --> 00:35:05,840
so much

638
00:35:10,890 --> 00:35:08,340

hi thanks for hanging in there with us

639

00:35:12,450 --> 00:35:10,900

if you're just joining us I'm Renee

640

00:35:15,570 --> 00:35:12,460

Barnett your host it's his night vision

641

00:35:19,020 --> 00:35:15,580

radio and we are talking to author

642

00:35:21,960 --> 00:35:19,030

journalist and historian Adam go rightly

643

00:35:24,780 --> 00:35:21,970

and we've been talking about the Manson

644

00:35:28,680 --> 00:35:24,790

gang the Manson Family Charlie Manson

645

00:35:33,630 --> 00:35:28,690

and his occult connections and we're

646

00:35:36,750 --> 00:35:33,640

going to go right into Adams new book

647

00:35:38,640 --> 00:35:36,760

called historia discordia which is

648

00:35:42,650 --> 00:35:38,650

believe it or not there is a there is a

649

00:35:45,060 --> 00:35:42,660

relationship there but can you tell us a

650

00:35:49,260 --> 00:35:45,070

first of all because I wasn't familiar

651
00:35:51,750 --> 00:35:49,270
with this at all this idea of discordian

652
00:35:55,830 --> 00:35:51,760
ism what is it and where did it come

653
00:36:00,120 --> 00:35:55,840
from started in Southern California and

654
00:36:04,160 --> 00:36:00,130
whittier back in the late 50s paralia

655
00:36:08,910 --> 00:36:04,170
start holy value that's still there Wow

656
00:36:11,100 --> 00:36:08,920
yeah in fact I kind of quote-unquote

657
00:36:13,860 --> 00:36:11,110
rediscovered that bowling alley a few

658
00:36:16,230 --> 00:36:13,870
years ago and we did a kind of spoof

659
00:36:20,820 --> 00:36:16,240
ritual therefore discordian ISM button

660
00:36:23,270 --> 00:36:20,830
how it started these two kids Greg Hill

661
00:36:27,660 --> 00:36:23,280
and Carrie Thornleigh I grew up in

662
00:36:31,400 --> 00:36:27,670
whittier attended Cal hi there and used

663
00:36:35,490 --> 00:36:31,410

to spend a lot of time in bowling alleys

664

00:36:39,090 --> 00:36:35,500

in the Bible of discordian isn't

665

00:36:41,400 --> 00:36:39,100

principia discordia they say they spent

666

00:36:43,490 --> 00:36:41,410

time in bowling alleys sipping coffee

667

00:36:47,270 --> 00:36:43,500

and talking about philosophy and

668

00:36:50,210 --> 00:36:47,280

politics and these type of things but I

669

00:36:53,340 --> 00:36:50,220

think one of the main reasons they

670

00:36:57,240 --> 00:36:53,350

frequented bowling alleys because they

671

00:36:59,790 --> 00:36:57,250

can get beer there stay up to odd hours

672

00:37:02,910 --> 00:36:59,800

and just talking and riffing on

673

00:37:05,370 --> 00:37:02,920

different subjects and you know these

674

00:37:07,440 --> 00:37:05,380

guys are a couple of free thinkers for

675

00:37:10,530 --> 00:37:07,450

their for that age you know the

676
00:37:13,680 --> 00:37:10,540
Eisenhower 50s they were thrown all

677
00:37:15,690 --> 00:37:13,690
kinds of things around and at one point

678
00:37:21,089 --> 00:37:15,700
they started this

679
00:37:23,339 --> 00:37:21,099
Cashin questioning you know why was

680
00:37:25,980 --> 00:37:23,349
there so much chaos in the world you

681
00:37:28,680 --> 00:37:25,990
know and all these different religions

682
00:37:31,380 --> 00:37:28,690
have these different deities who were

683
00:37:33,890 --> 00:37:31,390
trying to impose order but it never

684
00:37:36,839 --> 00:37:33,900
seemed to work you know and jokingly

685
00:37:40,550 --> 00:37:36,849
carry Thornleigh said to grey kill what

686
00:37:45,270 --> 00:37:40,560
we need is our own religion dedicated to

687
00:37:46,940 --> 00:37:45,280
chaos our own deity in Craig Hill said

688
00:37:50,579 --> 00:37:46,950

well there already is one in Greek

689

00:37:53,940 --> 00:37:50,589

mythology thats at Aris the Greek

690

00:37:57,630 --> 00:37:53,950

goddess of chaos and discord so right

691

00:38:00,990 --> 00:37:57,640

then back there in 1958 they started

692

00:38:03,390 --> 00:38:01,000

what initially was a spoof religion

693

00:38:06,359 --> 00:38:03,400

called discordian ism and formed the

694

00:38:09,390 --> 00:38:06,369

Discordians society so that's where it

695

00:38:12,569 --> 00:38:09,400

started you know was just an in-joke at

696

00:38:17,790 --> 00:38:12,579

that time way back in the 1950s between

697

00:38:21,120 --> 00:38:17,800

these guys and so the next step in the

698

00:38:24,900 --> 00:38:21,130

story we leave discordian ism for a

699

00:38:27,900 --> 00:38:24,910

little bit Kerry Thornleigh uh he was a

700

00:38:30,839 --> 00:38:27,910

Marine Corps reservist in high school

701

00:38:33,420 --> 00:38:30,849

there and so to fulfill his active duty

702

00:38:36,720 --> 00:38:33,430

he enlisted in the Marines this was like

703

00:38:39,930 --> 00:38:36,730

in league 57 58 and I think he had a

704

00:38:41,400 --> 00:38:39,940

sense that the Vietnam War was on the

705

00:38:44,940 --> 00:38:41,410

horizon too so I wanted to get his

706

00:38:54,660 --> 00:38:44,950

military service out of the way so he

707

00:38:59,130 --> 00:38:54,670

was a station that this was in 59 no

708

00:39:02,730 --> 00:38:59,140

late 58 at El Toro Marine base near

709

00:39:06,329 --> 00:39:02,740

santa ana and it was there that he met

710

00:39:09,890 --> 00:39:06,339

none other than Lee Harvey Oswald that's

711

00:39:12,750 --> 00:39:09,900

crazy yeah well it gets much crazier

712

00:39:16,559 --> 00:39:12,760

oswal did previously been stationed at

713

00:39:19,410 --> 00:39:16,569

dot sugi airbase in japan and apparently

714

00:39:21,359 --> 00:39:19,420

you know the cover story at least was he

715

00:39:26,430 --> 00:39:21,369

got into a lot of trouble so he came

716

00:39:28,510 --> 00:39:26,440

back to the states with the rank of

717

00:39:32,920 --> 00:39:28,520

Corporal which was kind of odd

718

00:39:35,590 --> 00:39:32,930

you know because anybody then over had

719

00:39:37,660 --> 00:39:35,600

at least the excuse me came over still

720

00:39:39,970 --> 00:39:37,670

with the rank of pipe privately-owned

721

00:39:42,540 --> 00:39:39,980

which was odd because anybody came back

722

00:39:44,860 --> 00:39:42,550

usually was a corporal so he had this

723

00:39:48,640 --> 00:39:44,870

shroud hanging over him as like a

724

00:39:51,190 --> 00:39:48,650

screw-up and that's the period that he

725

00:39:54,730 --> 00:39:51,200

and Thornleigh met in over a you know a

726

00:39:56,740 --> 00:39:54,740

couple month period they became casual

727

00:39:59,980 --> 00:39:56,750

friends and poorly was a guy who liked

728

00:40:01,960 --> 00:39:59,990

to engage in conversations and so he

729

00:40:05,490 --> 00:40:01,970

engaged in many conversations with

730

00:40:08,740 --> 00:40:05,500

Oswald about politics and philosophy and

731

00:40:10,990 --> 00:40:08,750

religion and on and on and so they got

732

00:40:13,950 --> 00:40:11,000

to know each other briefly over that

733

00:40:16,900 --> 00:40:13,960

short period of a couple months then

734

00:40:19,060 --> 00:40:16,910

Thornleigh was shipped over to otsuki

735

00:40:21,910 --> 00:40:19,070

were Oswald had previously been

736

00:40:24,910 --> 00:40:21,920

stationed and on his trip over on the

737

00:40:27,970 --> 00:40:24,920

boat over to Otsuki he started working

738

00:40:31,570 --> 00:40:27,980

on a novel titled the idle lawyers about

739

00:40:34,810 --> 00:40:31,580

being a in the military during the Cold

740

00:40:37,300 --> 00:40:34,820

War period and the main character in the

741

00:40:39,820 --> 00:40:37,310

book was named Johnny Shelburne who was

742

00:40:42,340 --> 00:40:39,830

kind of a composite character based on

743

00:40:45,370 --> 00:40:42,350

Thornleigh himself two different Marines

744

00:40:47,800 --> 00:40:45,380

he had known including oswal so

745

00:40:51,460 --> 00:40:47,810

Thornleigh gets over to Otsuki and it

746

00:40:54,790 --> 00:40:51,470

was during that time frame that he heard

747

00:40:58,630 --> 00:40:54,800

that Oswald defected to Russia and he

748

00:41:00,970 --> 00:40:58,640

the holy crap that's still the story

749

00:41:05,230 --> 00:41:00,980

there and at that point he decided to

750

00:41:07,780 --> 00:41:05,240

base his book idle lawyers primarily now

751

00:41:10,180 --> 00:41:07,790

on Lee Harvey Oswald so that's kind of

752

00:41:13,390 --> 00:41:10,190

the first oddity in the story that

753

00:41:14,890 --> 00:41:13,400

thorley was writing a book about Oswald

754

00:41:18,250 --> 00:41:14,900

three years before the Kennedy

755

00:41:21,070 --> 00:41:18,260

assassination now when when he went to

756

00:41:25,110 --> 00:41:21,080

and defected to Russia he said

757

00:41:28,120 --> 00:41:25,120

Thornleigh was like holy cow well what

758

00:41:31,780 --> 00:41:28,130

had he revealed anything to Thornleigh

759

00:41:33,640 --> 00:41:31,790

prior to that that would let him know

760

00:41:35,650 --> 00:41:33,650

something about his politics that would

761

00:41:39,160 --> 00:41:35,660

make normally say oh my god she actually

762

00:41:41,060 --> 00:41:39,170

did it or well or was it was it just

763

00:41:49,040 --> 00:41:41,070

opposite of what he had said

764

00:41:52,750 --> 00:41:49,050

no um when Oswald got to el Toro you

765

00:41:57,710 --> 00:41:52,760

know or Thornleigh knew him he was

766

00:41:59,860 --> 00:41:57,720

learning to speak Russian so he'd lay

767

00:42:02,690 --> 00:41:59,870

some Russian on you know different

768

00:42:05,570 --> 00:42:02,700

conversations jokingly a lot of the time

769

00:42:12,770 --> 00:42:05,580

and he also subscribed openly to pravda

770

00:42:15,440 --> 00:42:12,780

and and so he was interested in Marxist

771

00:42:18,710 --> 00:42:15,450

ideology and so that's kind of the thing

772

00:42:21,680 --> 00:42:18,720

that he informally had conversations

773

00:42:25,240 --> 00:42:21,690

about you know politics and different

774

00:42:27,980 --> 00:42:25,250

political ideologies and whatnot but

775

00:42:30,220 --> 00:42:27,990

really looking deeply into this over the

776

00:42:33,100 --> 00:42:30,230

years and I've written a couple of books

777

00:42:36,320 --> 00:42:33,110

one was the prankster in the conspiracy

778

00:42:38,990 --> 00:42:36,330

bio of Kerry Thornleigh in 2003 then

779

00:42:41,590 --> 00:42:39,000

most recently a book that goes more into

780

00:42:44,420 --> 00:42:41,600

depth called caught in the crossfire

781

00:42:47,390 --> 00:42:44,430

Kerry Thornleigh Lee Oswald the garrison

782

00:42:52,760 --> 00:42:47,400

investigation what I think Oswald was up

783

00:42:55,250 --> 00:42:52,770

to was there's evidence that seems to

784

00:42:59,060 --> 00:42:55,260

suggest pretty clearly that he was

785

00:43:02,930 --> 00:42:59,070

recruited to be an intelligence asset a

786

00:43:07,960 --> 00:43:02,940

spy when he was over at in Otsuki Japan

787

00:43:17,350 --> 00:43:11,090

cover story that he was a screw-up and

788

00:43:19,820 --> 00:43:17,360

that he was you know was interested in

789

00:43:21,860 --> 00:43:19,830

Marxist ideology and all this was

790

00:43:25,750 --> 00:43:21,870

basically a cover i think his role there

791

00:43:28,490 --> 00:43:25,760

Datsyuk or at el toro where he met

792

00:43:31,160 --> 00:43:28,500

Thornleigh was basically to infiltrate

793

00:43:34,070 --> 00:43:31,170

the troops there and find out if anybody

794

00:43:36,140 --> 00:43:34,080

was a security risks and carry

795

00:43:38,300 --> 00:43:36,150

Thornleigh I'm sure he raised some flags

796

00:43:41,630 --> 00:43:38,310

this was not the wall the crazy

797

00:43:44,870 --> 00:43:41,640

character he would that once again this

798

00:43:46,820 --> 00:43:44,880

allowed to have discussions on all sort

799

00:43:49,180 --> 00:43:46,830

of different topics and was an avowed

800

00:43:51,680 --> 00:43:49,190

atheist and all of this so I think

801
00:43:54,560 --> 00:43:51,690
Oswald's rolled back then was probably

802
00:43:58,910 --> 00:43:54,570
just being a spy for the

803
00:44:01,790 --> 00:43:58,920
brass and then you know not long after

804
00:44:04,190 --> 00:44:01,800
he defected to Russia which a lot of

805
00:44:11,110 --> 00:44:04,200
people suspect he was on a spy mission

806
00:44:15,050 --> 00:44:11,120
when he was over there mmm now when you

807
00:44:18,410 --> 00:44:15,060
when you started looking into this this

808
00:44:22,100 --> 00:44:18,420
idea for your new book discordian ism

809
00:44:23,810 --> 00:44:22,110
how was it what brought you in what was

810
00:44:26,690 --> 00:44:23,820
the doorway that you went into that

811
00:44:29,720 --> 00:44:26,700
subject matter how did you get on into

812
00:44:31,820 --> 00:44:29,730
it we still haven't really discussed the

813
00:44:34,340 --> 00:44:31,830

score d anism indent it really so that's

814

00:44:37,190 --> 00:44:34,350

true too I did notice one thing and I

815

00:44:38,540 --> 00:44:37,200

was reading about it today and I noticed

816

00:44:41,510 --> 00:44:38,550

one thing that sounded really

817

00:44:44,260 --> 00:44:41,520

interesting and I totally agreed with it

818

00:44:49,730 --> 00:44:44,270

and it thought of it many times myself

819

00:44:53,360 --> 00:44:49,740

about how our reality is only our

820

00:44:56,300 --> 00:44:53,370

reality because that's what how we've

821

00:44:59,780 --> 00:44:56,310

been programmed we see reality as we've

822

00:45:01,940 --> 00:44:59,790

been taught as we've been programmed and

823

00:45:03,590 --> 00:45:01,950

if we were programmed in a different way

824

00:45:05,330 --> 00:45:03,600

if we even grew up in a different

825

00:45:07,940 --> 00:45:05,340

location or even in a different

826

00:45:09,980 --> 00:45:07,950

different ethnic group we would think

827

00:45:13,700 --> 00:45:09,990

differently our reality would be

828

00:45:17,020 --> 00:45:13,710

something different and to me that's

829

00:45:20,420 --> 00:45:17,030

been sort of at the heart of the

830

00:45:24,170 --> 00:45:20,430

problems in society is that we don't

831

00:45:26,660 --> 00:45:24,180

have the ability to see the other

832

00:45:29,240 --> 00:45:26,670

person's point of view we don't have the

833

00:45:32,990 --> 00:45:29,250

ability to step out of ourselves and put

834

00:45:36,800 --> 00:45:33,000

ourselves empathetically in their

835

00:45:39,830 --> 00:45:36,810

position and say that okay I understand

836

00:45:41,960 --> 00:45:39,840

why this is why he thinks this way and

837

00:45:45,200 --> 00:45:41,970

now I have to understand why I think the

838

00:45:47,600 --> 00:45:45,210

way that I do mm-hmm and to me that's

839

00:45:50,870 --> 00:45:47,610

that's very basic and that's a good

840

00:45:53,540 --> 00:45:50,880

thing now when I started reading further

841

00:45:55,700 --> 00:45:53,550

and people were assigning themselves

842

00:45:58,910 --> 00:45:55,710

these bizarre names and things like that

843

00:46:00,980 --> 00:45:58,920

I thought okay what's this all about and

844

00:46:03,680 --> 00:46:00,990

the more it started sounding like some

845

00:46:06,560 --> 00:46:03,690

kind of bizarre you know secret society

846

00:46:08,450 --> 00:46:06,570

thing so can you enlighten us a little

847

00:46:18,380 --> 00:46:08,460

bit more oh

848

00:46:20,240 --> 00:46:18,390

on the philosophy yeah um so I'll well

849

00:46:24,200 --> 00:46:20,250

how do I get started on this and I'll

850

00:46:26,210 --> 00:46:24,210

get into the philosophy was I that I was

851
00:46:27,500 --> 00:46:26,220
initially interested in cary Thornleigh

852
00:46:31,150 --> 00:46:27,510
because i had heard about him in the

853
00:46:35,270 --> 00:46:31,160
conspiracy world back in the day and

854
00:46:37,190 --> 00:46:35,280
it's kind of crazy character who was

855
00:46:41,300 --> 00:46:37,200
seem to be involved in all kinds of

856
00:46:43,940 --> 00:46:41,310
stuff not only knew Oswald was somehow

857
00:46:47,780 --> 00:46:43,950
connected the garrison investigation but

858
00:46:50,839 --> 00:46:47,790
he was also founded discordian ism this

859
00:46:53,240 --> 00:46:50,849
quote-unquote spoof religion and so that

860
00:46:56,240 --> 00:46:53,250
research led to the first book the

861
00:47:02,780 --> 00:46:56,250
prankster and the prankster and the

862
00:47:07,010 --> 00:47:02,790
conspiracy so you know thornley got out

863
00:47:09,260 --> 00:47:07,020

of the Marines in sixty or so and ended

864

00:47:13,640 --> 00:47:09,270

up on the french quarter of new orleans

865

00:47:15,230 --> 00:47:13,650

and that's where he got or that's where

866

00:47:17,359 --> 00:47:15,240

kind of some of the discordian

867

00:47:20,300 --> 00:47:17,369

activities ramped up his friend Greg

868

00:47:24,589 --> 00:47:20,310

Hill the guy co-founded scored lan ism

869

00:47:27,349 --> 00:47:24,599

with him moved with Thornleigh to New

870

00:47:30,920 --> 00:47:27,359

Orleans this is gnarly 61 and so they

871

00:47:33,980 --> 00:47:30,930

started working on this spoof philosophy

872

00:47:38,109 --> 00:47:33,990

or religion which basically is kind of

873

00:47:42,760 --> 00:47:38,119

just I mean it has a lot of different

874

00:47:46,640 --> 00:47:42,770

purposes you know one scene a way to

875

00:47:48,290 --> 00:47:46,650

poke fun at organized religion for sure

876

00:47:52,670 --> 00:47:48,300

that was one of the reasons they got

877

00:47:57,500 --> 00:47:52,680

into discordianism and also you know

878

00:48:00,380 --> 00:47:57,510

just to comment on the culture of the

879

00:48:03,410 --> 00:48:00,390

period and so they adopted their own

880

00:48:06,800 --> 00:48:03,420

discordian names such as Greg Hill the

881

00:48:09,109 --> 00:48:06,810

founder and the architect of the Bible

882

00:48:11,210 --> 00:48:09,119

of discordian principia discordia he was

883

00:48:14,210 --> 00:48:11,220

now the clips the younger and Carrie

884

00:48:16,520 --> 00:48:14,220

Thornleigh was born Omar Khayyam right

885

00:48:18,740 --> 00:48:16,530

Ravenhurst and they met other people in

886

00:48:21,020 --> 00:48:18,750

New Orleans during that period a guy

887

00:48:21,840 --> 00:48:21,030

named Roger Levin who adopted the name

888

00:48:25,080 --> 00:48:21,850

Fang the

889

00:48:28,200 --> 00:48:25,090

washed and sit so they started

890

00:48:34,050 --> 00:48:28,210

developing this quote-unquote spoof

891

00:48:37,050 --> 00:48:34,060

religion and published in around 65 the

892

00:48:39,510 --> 00:48:37,060

first edition of principia discordia or

893

00:48:42,420 --> 00:48:39,520

how the west was lost in this title and

894

00:48:45,510 --> 00:48:42,430

the legend was that there was only five

895

00:48:49,440 --> 00:48:45,520

copies published most of which were lost

896

00:48:54,390 --> 00:48:49,450

in the years to follow principia

897

00:48:58,080 --> 00:48:54,400

discordia changed and subsequent

898

00:49:02,370 --> 00:48:58,090

editions kind of morphed over time by so

899

00:49:04,500 --> 00:49:02,380

by 1969 it had become more of an art

900

00:49:07,440 --> 00:49:04,510

project shared between a bunch of people

901
00:49:09,780 --> 00:49:07,450
who correspond it in the mail and sent

902
00:49:12,360 --> 00:49:09,790
things back and forth so if you look at

903
00:49:14,370 --> 00:49:12,370
the first edition which is reproduced in

904
00:49:17,550 --> 00:49:14,380
my book a story the score that kind of

905
00:49:19,440 --> 00:49:17,560
ways out the structure of the religion

906
00:49:23,100 --> 00:49:19,450
and all this on and on all this

907
00:49:25,290 --> 00:49:23,110
technical stuff the later editions of

908
00:49:27,600 --> 00:49:25,300
principia discordia look more like a

909
00:49:30,960 --> 00:49:27,610
psychedelic collage with a bunch of

910
00:49:34,740 --> 00:49:30,970
aphorisms and psychedelic statements and

911
00:49:37,410 --> 00:49:34,750
so changed over a period of time and

912
00:49:39,750 --> 00:49:37,420
that's the addition most folks are

913
00:49:41,880 --> 00:49:39,760

familiar with these days is the fourth

914

00:49:43,980 --> 00:49:41,890

edition of the principia discordia and

915

00:49:46,260 --> 00:49:43,990

all the way different writers and

916

00:49:48,210 --> 00:49:46,270

artists got involved such as Robert

917

00:49:51,300 --> 00:49:48,220

Anton Wilson who you may be familiar

918

00:49:54,930 --> 00:49:51,310

with he was known as Mordecai the foul

919

00:49:57,360 --> 00:49:54,940

in the discordian society and so the

920

00:50:02,010 --> 00:49:57,370

principia discordia and Robert Anton

921

00:50:04,740 --> 00:50:02,020

Wilson relationship with like Kerry

922

00:50:09,480 --> 00:50:04,750

Thornleigh and Greg Hill influenced the

923

00:50:13,320 --> 00:50:09,490

illuminatus trilogy which you know as a

924

00:50:15,210 --> 00:50:13,330

became pretty huge in the counterculture

925

00:50:17,160 --> 00:50:15,220

in the late 70s and throughout the

926

00:50:20,010 --> 00:50:17,170

illuminatus trilogy which if you're not

927

00:50:24,090 --> 00:50:20,020

familiar with it it's this crazy sci fi

928

00:50:27,120 --> 00:50:24,100

conspiracy book that perceptions of

929

00:50:29,600 --> 00:50:27,130

reality is constantly shifting and point

930

00:50:33,150 --> 00:50:29,610

of view in the book and it talks about

931

00:50:35,010 --> 00:50:33,160

the grand conspiracy with the variant

932

00:50:39,060 --> 00:50:35,020

Illuminati on and on

933

00:50:40,860 --> 00:50:39,070

what a lot of this stuff came material

934

00:50:43,440 --> 00:50:40,870

for illuminatus came out of his

935

00:50:47,550 --> 00:50:43,450

interactions with grey killin Kerry

936

00:50:50,640 --> 00:50:47,560

Thornleigh in the late 60s and in fact

937

00:50:53,880 --> 00:50:50,650

the first book in the illuminatus

938

00:51:00,690 --> 00:50:53,890

trilogy is dedicated to carry Thornleigh

939

00:51:08,130 --> 00:51:00,700

Creek Hill entry you will you ask about

940

00:51:10,140 --> 00:51:08,140

the Illuminati yeah okay so in that get

941

00:51:12,150 --> 00:51:10,150

the white ties know wasn't it Robert

942

00:51:14,640 --> 00:51:12,160

Anton Wilson that declared himself the

943

00:51:17,670 --> 00:51:14,650

the head of the Illuminati or something

944

00:51:21,600 --> 00:51:17,680

like that no he declared himself the toe

945

00:51:23,790 --> 00:51:21,610

of the Illuminati oh that's a little

946

00:51:25,800 --> 00:51:23,800

joke there but that's when he shared

947

00:51:27,840 --> 00:51:25,810

with me because I asked him I ever

948

00:51:32,280 --> 00:51:27,850

viewed him for my book the prankster the

949

00:51:34,080 --> 00:51:32,290

conspiracy years ago and I asked Bob are

950

00:51:35,850 --> 00:51:34,090

you is it true that you're really the

951
00:51:39,420 --> 00:51:35,860
head of the Illuminati and he said

952
00:51:41,310 --> 00:51:39,430
knowing the toe was quite the answer I

953
00:51:43,620 --> 00:51:41,320
was looking for but I asked him well

954
00:51:45,750 --> 00:51:43,630
anyway since you're hooked up with the

955
00:51:49,020 --> 00:51:45,760
Illuminati can you point me a high

956
00:51:52,020 --> 00:51:49,030
priest in the Bavarian Illuminati and he

957
00:51:54,170 --> 00:51:52,030
did so so there you go i'm also with the

958
00:51:58,620 --> 00:51:54,180
Illuminati no there was there was

959
00:52:02,040 --> 00:51:58,630
because of illuminatus the trilogy gets

960
00:52:05,670 --> 00:52:02,050
pretty deep into the Bavarian Illuminati

961
00:52:07,890 --> 00:52:05,680
and Wilson and his co-author Robert che

962
00:52:10,130 --> 00:52:07,900
had a lot of knowledge about the

963
00:52:13,560 --> 00:52:10,140

Illuminati and so people began

964

00:52:17,150 --> 00:52:13,570

suspecting as xena people are ought to

965

00:52:19,680 --> 00:52:17,160

do in world of conspiracy theory that

966

00:52:23,700 --> 00:52:19,690

Wilson is a part of the Illuminati

967

00:52:26,340 --> 00:52:23,710

because Wilson had studied alternative

968

00:52:32,610 --> 00:52:26,350

religions and got involved in all kinds

969

00:52:35,790 --> 00:52:32,620

of esoteric sex and orders and just

970

00:52:38,310 --> 00:52:35,800

basically to research about all these

971

00:52:41,130 --> 00:52:38,320

different secret societies and such so

972

00:52:43,380 --> 00:52:41,140

the rumor started you know that he was

973

00:52:46,650 --> 00:52:43,390

perhaps the head of the Illuminati of

974

00:52:47,760 --> 00:52:46,660

course he'd never deny it well of course

975

00:52:50,430 --> 00:52:47,770

not

976

00:52:54,020 --> 00:52:50,440

but a lot of this interest in the

977

00:52:56,730 --> 00:52:54,030

Illuminati's goes back to the garrison

978

00:52:59,490 --> 00:52:56,740

investigation believe it or not which

979

00:53:03,120 --> 00:52:59,500

you know the Oliver Stone movie JFK was

980

00:53:06,090 --> 00:53:03,130

all about and so you know we talked a

981

00:53:11,370 --> 00:53:06,100

little about Kerry Thornleigh in Oswald

982

00:53:15,690 --> 00:53:11,380

and in 1967 you know garrison started

983

00:53:19,050 --> 00:53:15,700

his investigation and that during the

984

00:53:20,850 --> 00:53:19,060

course of that investigation he targeted

985

00:53:23,520 --> 00:53:20,860

different individuals and one of them

986

00:53:25,950 --> 00:53:23,530

was Kerry Thornleigh claiming that Kerry

987

00:53:29,610 --> 00:53:25,960

Thornleigh also the co-founder of

988

00:53:32,970 --> 00:53:29,620

discordian ISM was part of a the JFK

989

00:53:35,700 --> 00:53:32,980

assassination conspiracy that he was

990

00:53:39,600 --> 00:53:35,710

perhaps performed the role as one of the

991

00:53:44,070 --> 00:53:39,610

notorious Oswald doubles that he written

992

00:53:49,110 --> 00:53:44,080

his book Oswald that came out in 65 as a

993

00:53:51,590 --> 00:53:49,120

way to set up Oswald to portray him as

994

00:53:54,540 --> 00:53:51,600

you know alone that commie sympa

995

00:53:56,340 --> 00:53:54,550

Thornleigh had testified before the

996

00:53:59,280 --> 00:53:56,350

Warren Commission where he talked about

997

00:54:03,330 --> 00:53:59,290

his knowledge of Oswald and these type

998

00:54:05,730 --> 00:54:03,340

of things so Gareth garrison theorized

999

00:54:08,430 --> 00:54:05,740

that Thornleigh was in on the conspiracy

1000

00:54:10,380 --> 00:54:08,440

then that you know he lived in New

1001
00:54:13,530 --> 00:54:10,390
Orleans during that relevant period

1002
00:54:17,450 --> 00:54:13,540
where David Ferrie and guy banister and

1003
00:54:20,460 --> 00:54:17,460
all those guys were involved there so

1004
00:54:22,140 --> 00:54:20,470
that was kind of a historic keeps

1005
00:54:24,300 --> 00:54:22,150
getting more where to course Storm Lee

1006
00:54:27,120 --> 00:54:24,310
denied all of this I get more into all

1007
00:54:29,820 --> 00:54:27,130
this my latest one of my latest book

1008
00:54:31,410 --> 00:54:29,830
caught in the crossfire but in a way

1009
00:54:33,120 --> 00:54:31,420
during the course of all this you know

1010
00:54:36,180 --> 00:54:33,130
garrison have a lot of different

1011
00:54:38,280 --> 00:54:36,190
independent investigators showing up

1012
00:54:41,630 --> 00:54:38,290
their feet and different information one

1013
00:54:45,150 --> 00:54:41,640

of them was a guy named album Chapman

1014

00:54:47,340 --> 00:54:45,160

who part of his theory was that the

1015

00:54:50,010 --> 00:54:47,350

Bavarian Illuminati was somehow involved

1016

00:54:52,440 --> 00:54:50,020

in the JFK assassination this type of

1017

00:54:56,100 --> 00:54:52,450

thinking was kind of prevalent during

1018

00:55:00,460 --> 00:54:56,110

that period with john birch society that

1019

00:55:03,339 --> 00:55:00,470

somehow like Sirhan Sirhan for instance

1020

00:55:06,310 --> 00:55:03,349

corrupted by Madame Blavatsky and

1021

00:55:08,920 --> 00:55:06,320

theosophy and that trace back to be

1022

00:55:10,930 --> 00:55:08,930

Illuminati so these theories were

1023

00:55:13,920 --> 00:55:10,940

bouncing around and Carrie Thornleigh

1024

00:55:16,480 --> 00:55:13,930

heard this that the Bavarian Illuminati

1025

00:55:18,960 --> 00:55:16,490

this guy Ellen chattin about the

1026

00:55:22,599 --> 00:55:18,970

Bavarian Illuminati was in on JFK

1027

00:55:25,480 --> 00:55:22,609

assassination formerly thought was

1028

00:55:29,160 --> 00:55:25,490

hilarious so to kind of screw around

1029

00:55:32,349 --> 00:55:29,170

with garrison and his investigators

1030

00:55:34,780 --> 00:55:32,359

Thornleigh in cahoots with Robert Anton

1031

00:55:38,290 --> 00:55:34,790

Wilson a few others started they came up

1032

00:55:40,630 --> 00:55:38,300

with their kind of a phony stationery

1033

00:55:43,120 --> 00:55:40,640

for the Bavarian Illuminati informally

1034

00:55:46,750 --> 00:55:43,130

used his name of lamont i am leaving

1035

00:55:48,910 --> 00:55:46,760

host consent garrison letters and John

1036

00:55:51,310 --> 00:55:48,920

Birch Society letters and other people

1037

00:55:53,560 --> 00:55:51,320

letter saying yes we are with their and

1038

00:55:55,450 --> 00:55:53,570

Illuminati but we haven't we didn't come

1039

00:55:57,970 --> 00:55:55,460

here to we're not involved with the

1040

00:56:00,760 --> 00:55:57,980

assassinations come here to illuminate

1041

00:56:04,780 --> 00:56:00,770

you and start off something up these

1042

00:56:08,920 --> 00:56:04,790

fake letters you know and so that's kind

1043

00:56:11,349 --> 00:56:08,930

of how part of the mythos with the

1044

00:56:14,290 --> 00:56:11,359

Illuminati help spread during that

1045

00:56:16,240 --> 00:56:14,300

period at the same time Robert Anton

1046

00:56:20,530 --> 00:56:16,250

Wilson was working as an editor at

1047

00:56:24,760 --> 00:56:20,540

playboy for the Playboy forum both he

1048

00:56:28,560 --> 00:56:24,770

and Bob shade is co-writing illuminatus

1049

00:56:31,500 --> 00:56:28,570

trilogy we're working at the Playboy and

1050

00:56:35,230 --> 00:56:31,510

Wilson was editing the Playboy forum and

1051

00:56:36,940 --> 00:56:35,240

that was formed that dealt with civil

1052

00:56:40,420 --> 00:56:36,950

liberty issues and these type of things

1053

00:56:42,339 --> 00:56:40,430

and he was kind of a question-and-answer

1054

00:56:46,060 --> 00:56:42,349

format he'd answer different questions

1055

00:56:47,950 --> 00:56:46,070

and they he also got letters that didn't

1056

00:56:50,530 --> 00:56:47,960

make it into the plate we formed because

1057

00:56:52,839 --> 00:56:50,540

they were so far out about conspiracies

1058

00:56:54,460 --> 00:56:52,849

and these type of things he collected

1059

00:57:01,839 --> 00:56:54,470

these a lot of that material was used

1060

00:57:06,970 --> 00:57:01,849

for the illuminatus trilogy the in hmm

1061

00:57:08,110 --> 00:57:06,980

so in April 69 and the Playboy forum a

1062

00:57:11,320 --> 00:57:08,120

letter

1063

00:57:15,100 --> 00:57:11,330

was in there or a question somebody was

1064

00:57:16,980 --> 00:57:15,110

writing in asking if all the this person

1065

00:57:19,180 --> 00:57:16,990

writing the letter who was actually

1066

00:57:22,750 --> 00:57:19,190

Wilson pretending to be this person

1067

00:57:24,880 --> 00:57:22,760

writing the letter was asking about all

1068

00:57:28,810 --> 00:57:24,890

the political assassinations and that

1069

00:57:31,840 --> 00:57:28,820

some old strange man had told him that

1070

00:57:35,110 --> 00:57:31,850

the Illuminati were behind all the

1071

00:57:37,440 --> 00:57:35,120

political assassinations and Wilson

1072

00:57:40,840 --> 00:57:37,450

answered the letter that appeared in

1073

00:57:44,550 --> 00:57:40,850

Playboy at that time and it seemed to

1074

00:57:47,620 --> 00:57:44,560

help push forward this mythos of the

1075

00:57:50,080 --> 00:57:47,630

Bavarian Illuminati and Wilson later

1076

00:57:51,760 --> 00:57:50,090

wrote that he felt they kind of pushed a

1077

00:57:54,520 --> 00:57:51,770

magic button and all the sudden you

1078

00:57:56,620 --> 00:57:54,530

started hearing more stories about the

1079

00:57:59,350 --> 00:57:56,630

Illuminati from both sides of the

1080

00:58:04,150 --> 00:57:59,360

political spectrum from the religious

1081

00:58:08,620 --> 00:58:04,160

right to the liberal left all the sudden

1082

00:58:11,020 --> 00:58:08,630

seemed to enter the conversation of the

1083

00:58:14,470 --> 00:58:11,030

popular consciousness you know people

1084

00:58:16,750 --> 00:58:14,480

started bringing up the specter of the

1085

00:58:19,570 --> 00:58:16,760

Illuminati which they fleshed out even

1086

00:58:22,510 --> 00:58:19,580

more in the illuminatus trilogy of

1087

00:58:25,210 --> 00:58:22,520

course nowadays the Illuminati is

1088

00:58:28,270 --> 00:58:25,220

everywhere so in one way or another

1089

00:58:31,120 --> 00:58:28,280

Wilson and Shay had a big hand in

1090

00:58:33,430 --> 00:58:31,130

pushing forward this mythology about the

1091

00:58:37,420 --> 00:58:33,440

Illuminati Illuminati which is not to

1092

00:58:40,330 --> 00:58:37,430

say that they don't exist or having

1093

00:58:42,970 --> 00:58:40,340

exist or haven't done bad things whoever

1094

00:58:44,860 --> 00:58:42,980

they may be over the years so that's

1095

00:58:47,530 --> 00:58:44,870

kind of the background on how the

1096

00:58:51,280 --> 00:58:47,540

Discordians got involved with the

1097

00:58:53,200 --> 00:58:51,290

Bavarian Illuminati that's a wild that's

1098

00:58:56,290 --> 00:58:53,210

really wild I mean there's seems to be

1099

00:58:59,500 --> 00:58:56,300

such a trickster in prankster element to

1100

00:59:01,870 --> 00:58:59,510

the whole thing oh well part of it you

1101
00:59:03,850 --> 00:59:01,880
know the discordian philosophy was to

1102
00:59:07,870 --> 00:59:03,860
shake people out of their certain

1103
00:59:11,380 --> 00:59:07,880
paradigm mashina thinking and rigid with

1104
00:59:13,480 --> 00:59:11,390
rigid thinking you know and to kind of

1105
00:59:16,560 --> 00:59:13,490
blow those away and party a part of that

1106
00:59:19,780 --> 00:59:16,570
is adopting different these different

1107
00:59:22,330 --> 00:59:19,790
personalities and sending out these

1108
00:59:24,490 --> 00:59:22,340
wacky letters for instance to the John

1109
00:59:27,460 --> 00:59:24,500
Birch Society and folks of that nature

1110
00:59:34,450 --> 00:59:27,470
that one you know they were humorous

1111
00:59:37,480 --> 00:59:34,460
letters but also to perhaps change it

1112
00:59:40,660 --> 00:59:37,490
change people's views on these subjects

1113
00:59:43,750 --> 00:59:40,670

or you know maybe shake things up a bit

1114

00:59:45,550 --> 00:59:43,760

yeah yeah we're going to talk a little

1115

00:59:48,400 --> 00:59:45,560

bit more about it after this next break

1116

00:59:51,070 --> 00:59:48,410

hope you'll hang in there with us we're

1117

00:59:54,130 --> 00:59:51,080

talking to Adam go rightly we're talking

1118

00:59:55,870 --> 00:59:54,140

about discordian ISM and I'll cult in

1119

00:59:58,450 --> 00:59:55,880

the Illuminati and all that really

1120

01:00:26,600 --> 00:59:58,460

really good dark stuff so hang in there

1121

01:00:32,430 --> 01:00:30,000

hello everyone Laurieann Fenton here

1122

01:00:35,550 --> 01:00:32,440

hosted the California MUFON radio show

1123

01:00:38,790 --> 01:00:35,560

asking if you'd like special access to

1124

01:00:42,090 --> 01:00:38,800

exclusive and amazing information about

1125

01:00:45,390 --> 01:00:42,100

UFOs the paranormal and all things

1126
01:00:49,020 --> 01:00:45,400
unexplained if you're nodding yes then

1127
01:00:50,820 --> 01:00:49,030
join I rn's insider club as an insider

1128
01:00:53,790 --> 01:00:50,830
club member you'll get an all-access

1129
01:00:56,190 --> 01:00:53,800
pass to premier inception radio network

1130
01:00:58,740 --> 01:00:56,200
content for only four dollars and

1131
01:01:02,580 --> 01:00:58,750
ninety-nine cents a month this includes

1132
01:01:06,240 --> 01:01:02,590
live UFO and paranormal conferences live

1133
01:01:08,880 --> 01:01:06,250
streaming UFO sky watches exclusive irr

1134
01:01:12,660 --> 01:01:08,890
radio and TV productions and of course

1135
01:01:14,940 --> 01:01:12,670
paying radio with MJ and Ken Storch so

1136
01:01:18,090 --> 01:01:14,950
don't wait any longer visit inception

1137
01:01:21,210 --> 01:01:18,100
radio network calm and click on member

1138
01:01:25,830 --> 01:01:21,220

login to join I rn's and cider club and

1139

01:01:28,260 --> 01:01:25,840

get your VIP access today are you a fan

1140

01:01:29,940 --> 01:01:28,270

of inception radio network do you reckon

1141

01:01:32,100 --> 01:01:29,950

it's the best alternative talk radio

1142

01:01:34,460 --> 01:01:32,110

station on the planet well if you do

1143

01:01:37,220 --> 01:01:34,470

head to facebook.com forward slash

1144

01:01:39,900 --> 01:01:37,230

inception radio network like the page

1145

01:01:43,530 --> 01:01:39,910

tell your friends spread the word and

1146

01:01:48,700 --> 01:01:46,840

you have a smartphone if so conception

1147

01:01:52,240 --> 01:01:48,710

radio network is the best out for you

1148

01:01:54,310 --> 01:01:52,250

available itunes android samsung and

1149

01:01:57,040 --> 01:01:54,320

most of the rap storms just search

1150

01:01:59,680 --> 01:01:57,050

inception radio network with the app you

1151
01:02:02,440 --> 01:01:59,690
can listen live check out podcast recent

1152
01:02:04,390 --> 01:02:02,450
and past showed you our videos see what

1153
01:02:06,940 --> 01:02:04,400
shows are coming up who the guests are

1154
01:02:09,310 --> 01:02:06,950
and via the chat room send live

1155
01:02:11,320 --> 01:02:09,320
questions to those guests you know it

1156
01:02:19,600 --> 01:02:11,330
makes sense check your App Store now

1157
01:02:21,790 --> 01:02:19,610
inception radio network sees it hey I RN

1158
01:02:24,130 --> 01:02:21,800
listeners make sure you tune in to night

1159
01:02:25,840 --> 01:02:24,140
vision radio with Renee Barnett where

1160
01:02:28,450 --> 01:02:25,850
they will be exposing the truth one

1161
01:02:31,780 --> 01:02:28,460
secret at a time when Thursdays every

1162
01:02:37,660 --> 01:02:31,790
Thursday 1030pm eastern 730 p.m. pacific

1163
01:02:40,330 --> 01:02:37,670

where right ear I around hello Irene

1164

01:02:42,310 --> 01:02:40,340

listeners this is MJ say hello and

1165

01:02:45,940 --> 01:02:42,320

sharing boss and secret I discovered

1166

01:02:47,860 --> 01:02:45,950

it's called Green lodge calm fresh raw

1167

01:02:50,740 --> 01:02:47,870

organic ingredients are used to create

1168

01:02:52,750 --> 01:02:50,750

all their products they are made in very

1169

01:02:56,080 --> 01:02:52,760

small batches to ensure quality and

1170

01:02:57,680 --> 01:02:56,090

freshness and made in the USA each

1171

01:02:59,000 --> 01:02:57,690

product is created

1172

01:03:01,400 --> 01:02:59,010

here and with the finest organic

1173

01:03:04,490 --> 01:03:01,410

ingredients there are no preservatives

1174

01:03:08,860 --> 01:03:04,500

dies or chemicals in any product stop by

1175

01:03:19,670 --> 01:03:08,870

dream lodge and laughs that's d r ii am

1176

01:04:02,210 --> 01:03:22,520

you're locked into inception radio

1177

01:04:07,109 --> 01:04:04,620

you're listening to night vision radio

1178

01:04:09,299 --> 01:04:07,119

I'm your host Renee Barnett our guest

1179

01:04:11,430 --> 01:04:09,309

tonight is Adam go rightly he's a

1180

01:04:14,190 --> 01:04:11,440

historian and a journalist and an author

1181

01:04:18,559 --> 01:04:14,200

we've been talking about secret

1182

01:04:22,770 --> 01:04:18,569

societies and the occult his latest book

1183

01:04:26,400 --> 01:04:22,780

called historia discordia about

1184

01:04:29,339 --> 01:04:26,410

discordian ism a strange philosophy or

1185

01:04:31,500 --> 01:04:29,349

religion that sprang up in the 50s now

1186

01:04:34,380 --> 01:04:31,510

you talked about it being like a hoax or

1187

01:04:39,059 --> 01:04:34,390

fake religion was there a point where

1188

01:04:41,760 --> 01:04:39,069

they got serious about it well because

1189

01:04:44,089 --> 01:04:41,770

of all the craziness that entered Kerry

1190

01:04:47,010 --> 01:04:44,099

Thornleigh's life you know the garrison

1191

01:04:50,940 --> 01:04:47,020

investigation and what happened

1192

01:04:54,539 --> 01:04:50,950

afterwards he Thornleigh felt at least

1193

01:04:56,789 --> 01:04:54,549

that he had by you know starting this

1194

01:04:59,299 --> 01:04:56,799

what he thought was a spoof religion

1195

01:05:03,569 --> 01:04:59,309

dedicated to the goddess of confusion

1196

01:05:06,089 --> 01:05:03,579

eros that eventually you know all this

1197

01:05:09,480 --> 01:05:06,099

chaos and craziness that came into his

1198

01:05:13,049 --> 01:05:09,490

life he might have unwittingly opened

1199

01:05:16,620 --> 01:05:13,059

himself up to buy all of this worship of

1200

01:05:18,720 --> 01:05:16,630

Eros and there was another thing that

1201
01:05:21,059 --> 01:05:18,730
was interesting that it ended up being a

1202
01:05:23,279 --> 01:05:21,069
goddess based religion and philosophy

1203
01:05:26,430 --> 01:05:23,289
which seems like that always pops up

1204
01:05:28,890 --> 01:05:26,440
when you're talking about secret

1205
01:05:31,109 --> 01:05:28,900
societies in the Illuminati and in

1206
01:05:33,359 --> 01:05:31,119
groups like the Knights Templar and

1207
01:05:36,089 --> 01:05:33,369
others it seems like that that was sort

1208
01:05:39,620 --> 01:05:36,099
of the big secret and even with some of

1209
01:05:43,950 --> 01:05:39,630
the founding fathers of our country that

1210
01:05:47,029 --> 01:05:43,960
secretly there was some interest in the

1211
01:05:49,950 --> 01:05:47,039
feminine or the you know feminine God

1212
01:05:52,920 --> 01:05:49,960
hmm right but it sounds like they almost

1213
01:05:56,160 --> 01:05:52,930

got into the feminine idea as an

1214

01:05:58,109 --> 01:05:56,170

accident when you know you said they

1215

01:06:01,019 --> 01:05:58,119

just brought up the idea of oh let's

1216

01:06:04,559 --> 01:06:01,029

create a church based on chaos and you

1217

01:06:07,470 --> 01:06:04,569

know in and the one guy said well

1218

01:06:09,269 --> 01:06:07,480

there's already a deity mirrors the

1219

01:06:12,269 --> 01:06:09,279

goddess of chaos and so it seemed like

1220

01:06:13,240 --> 01:06:12,279

it was almost accidental but maybe some

1221

01:06:16,180 --> 01:06:13,250

things

1222

01:06:19,620 --> 01:06:16,190

seem accidental but you know that's just

1223

01:06:22,180 --> 01:06:19,630

part of the way things occur possibly

1224

01:06:28,270 --> 01:06:22,190

yeah that's the way this crazy universe

1225

01:06:31,150 --> 01:06:28,280

works sometimes it seems to but so they

1226

01:06:33,190 --> 01:06:31,160

got all involved you know or Thornleigh

1227

01:06:35,170 --> 01:06:33,200

got all involved in this Kennedy

1228

01:06:37,780 --> 01:06:35,180

assassination investigation with Jim

1229

01:06:40,930 --> 01:06:37,790

Garrison and all that so things kind of

1230

01:06:44,530 --> 01:06:40,940

did they kind of sit there for a while

1231

01:06:50,020 --> 01:06:44,540

did did the ideas grow did were people

1232

01:06:55,170 --> 01:06:50,030

joining in how was it happening and did

1233

01:06:57,730 --> 01:06:55,180

people know about this at the time um

1234

01:07:01,690 --> 01:06:57,740

let me give give you a little background

1235

01:07:03,940 --> 01:07:01,700

and one of your folks in chat asked

1236

01:07:05,770 --> 01:07:03,950

about MK ULTRA program that's right

1237

01:07:08,350 --> 01:07:05,780

wanted to know if you might have been

1238

01:07:10,960 --> 01:07:08,360

used by or involved somehow in MK MK

1239

01:07:15,250 --> 01:07:10,970

ULTRA I think I hope they're referring

1240

01:07:18,280 --> 01:07:15,260

to carry Thornleigh and well I think

1241

01:07:19,900 --> 01:07:18,290

they were referring to you but uh well

1242

01:07:21,700 --> 01:07:19,910

there is a there is an MK ULTRA

1243

01:07:25,200 --> 01:07:21,710

connection here right but it's not you

1244

01:07:28,750 --> 01:07:25,210

it's cari Thornleigh right right and so

1245

01:07:32,080 --> 01:07:28,760

we talked about he had moved to New

1246

01:07:36,430 --> 01:07:32,090

Orleans in the early 60s that's kind of

1247

01:07:38,740 --> 01:07:36,440

pivotal to the story because Thornleigh

1248

01:07:42,160 --> 01:07:38,750

had a you know he was a budding writer

1249

01:07:44,800 --> 01:07:42,170

so he had this interest in meeting the

1250

01:07:49,060 --> 01:07:44,810

colorful characters there in New Orleans

1251

01:07:51,220 --> 01:07:49,070

and developing material for books and so

1252

01:07:54,040 --> 01:07:51,230

yeah he had this you know there was a

1253

01:07:57,370 --> 01:07:54,050

bohemian element there but he also had

1254

01:07:59,830 --> 01:07:57,380

the underworld element and people that

1255

01:08:03,640 --> 01:07:59,840

work in intelligence agencies perhaps

1256

01:08:05,740 --> 01:08:03,650

and so he met a couple of curious

1257

01:08:08,800 --> 01:08:05,750

characters who went by the name of Gary

1258

01:08:11,860 --> 01:08:08,810

Kirsten and slim Brooks and he engaged

1259

01:08:13,630 --> 01:08:11,870

them in conversations much like he had

1260

01:08:16,590 --> 01:08:13,640

talked to house walled about all kinds

1261

01:08:20,559 --> 01:08:16,600

of things under the Sun and at one point

1262

01:08:22,570 --> 01:08:20,569

they had a theoretical discussion about

1263

01:08:25,900 --> 01:08:22,580

how to kill a president and in

1264

01:08:27,610 --> 01:08:25,910

particular oh my JFK

1265

01:08:34,260 --> 01:08:27,620

and Thornleigh at the time thought this

1266

01:08:37,930 --> 01:08:34,270

was just the basically you know a morbid

1267

01:08:41,560 --> 01:08:37,940

theoretical intellectual exercise but

1268

01:08:44,740 --> 01:08:41,570

later these words he these conversations

1269

01:08:47,350 --> 01:08:44,750

would come back to haunt him so we move

1270

01:08:53,560 --> 01:08:47,360

forward in time we're getting to the

1271

01:08:56,740 --> 01:08:53,570

MKULTRA stuff here thornley had served

1272

01:08:59,740 --> 01:08:56,750

with Oswald osugi airbase I talked about

1273

01:09:02,290 --> 01:08:59,750

that before and it was revealed like in

1274

01:09:06,270 --> 01:09:02,300

the mid 80s there was an exposé

1275

01:09:09,630 --> 01:09:06,280

enrollees stone that otsuki was the

1276

01:09:12,310 --> 01:09:09,640

really the main installation for the CIA

1277

01:09:14,740 --> 01:09:12,320

overseas one of the main critical

1278

01:09:18,010 --> 01:09:14,750

installations and during the MKULTRA

1279

01:09:21,310 --> 01:09:18,020

period that's where they stored all the

1280

01:09:25,000 --> 01:09:21,320

LSD and they were testing on the troops

1281

01:09:27,340 --> 01:09:25,010

you know there during that period the

1282

01:09:30,370 --> 01:09:27,350

other main storehouse for LSD was at

1283

01:09:33,460 --> 01:09:30,380

manila and the Philippines were the room

1284

01:09:35,890 --> 01:09:33,470

carry Thornleigh also served so keep

1285

01:09:38,620 --> 01:09:35,900

keep that off to the side here for a

1286

01:09:40,630 --> 01:09:38,630

minute so in the early 70s Thornleigh

1287

01:09:44,170 --> 01:09:40,640

was in New York with his buddy Greg Hill

1288

01:09:49,090 --> 01:09:44,180

once again where he came across he was

1289

01:09:53,200 --> 01:09:49,100

at a concert there and some park

1290

01:09:55,000 --> 01:09:53,210

somewhere and he came across a magazine

1291

01:09:58,120 --> 01:09:55,010

called the hipster times which the

1292

01:10:00,340 --> 01:09:58,130

hippies put out and in in this magazine

1293

01:10:02,140 --> 01:10:00,350

there was an article about the three

1294

01:10:05,280 --> 01:10:02,150

tramps you know that they picked up in

1295

01:10:08,950 --> 01:10:05,290

daley plaza sure heard about those guys

1296

01:10:12,550 --> 01:10:08,960

and the author of this article AJ Weber

1297

01:10:15,130 --> 01:10:12,560

Minh proposed the theory that one of

1298

01:10:19,120 --> 01:10:15,140

those tramps was a Howard hunt the

1299

01:10:21,730 --> 01:10:19,130

famous CIA agent a mini a connected to

1300

01:10:23,350 --> 01:10:21,740

the JFK assassination and whoever Minh

1301

01:10:25,960 --> 01:10:23,360

later came out with a book called coup

1302

01:10:28,690 --> 01:10:25,970

d'etat America which had these acetate

1303

01:10:31,210 --> 01:10:28,700

photo overlays she could take a V Howard

1304

01:10:34,300 --> 01:10:31,220

hunt put it over the old man and

1305

01:10:36,250 --> 01:10:34,310

Daley Plaza matched up exactly anyway

1306

01:10:38,570 --> 01:10:36,260

when Thornleigh saw this material he

1307

01:10:40,340 --> 01:10:38,580

went oh crap

1308

01:10:43,820 --> 01:10:40,350

that's the same guy had those

1309

01:10:47,900 --> 01:10:43,830

conversations with in New Orleans in the

1310

01:10:50,750 --> 01:10:47,910

early 60s about killing JFK he thought

1311

01:10:52,880 --> 01:10:50,760

and he began to suspect that he was

1312

01:10:55,070 --> 01:10:52,890

being set up at that time perhaps in the

1313

01:10:58,400 --> 01:10:55,080

same way that Oswald might have been set

1314

01:11:00,860 --> 01:10:58,410

up and after he was exposed to this

1315

01:11:03,290 --> 01:11:00,870

material like a floodgate of memories

1316

01:11:08,720 --> 01:11:03,300

started opening up to him and he had all

1317

01:11:12,100 --> 01:11:08,730

these memories of things he either had

1318

01:11:15,050 --> 01:11:12,110

amnesia or been my control or something

1319

01:11:17,410 --> 01:11:15,060

about his things that had gone in New

1320

01:11:20,540 --> 01:11:17,420

Orleans related to the JFK assassination

1321

01:11:22,160 --> 01:11:20,550

and he began to suspect during this

1322

01:11:25,760 --> 01:11:22,170

period that he'd been a victim of

1323

01:11:28,760 --> 01:11:25,770

MKULTRA mind control perhaps it had been

1324

01:11:31,130 --> 01:11:28,770

initiated when he was at su DIA others

1325

01:11:33,530 --> 01:11:31,140

have made the same claim for Oswald

1326

01:11:37,760 --> 01:11:33,540

there was some curious stuff stories

1327

01:11:40,400 --> 01:11:37,770

about Oswald related to MK ULTRA and LSD

1328

01:11:43,690 --> 01:11:40,410

and so he suspected that he and Oswald

1329

01:11:46,940 --> 01:11:43,700

might have been used as both as I

1330

01:11:49,610 --> 01:11:46,950

patsies Oswald was used as a patsy in

1331

01:11:53,390 --> 01:11:49,620

the JFK assassination presumably and

1332

01:11:55,580 --> 01:11:53,400

formally suspected he might have was

1333

01:11:58,850 --> 01:11:55,590

going to be used as a fallback patsy if

1334

01:12:02,240 --> 01:11:58,860

the Oswald said it hadn't gone the way

1335

01:12:06,590 --> 01:12:02,250

it did and made him what made him feel

1336

01:12:10,250 --> 01:12:06,600

that he had been used by MK ULTRA did he

1337

01:12:15,130 --> 01:12:10,260

feel like he'd been dosed with acid did

1338

01:12:17,750 --> 01:12:15,140

he what were the signs that he felt like

1339

01:12:20,240 --> 01:12:17,760

well was it just because the way things

1340

01:12:22,580 --> 01:12:20,250

were coming down he just suspected that

1341

01:12:24,800 --> 01:12:22,590

well all these coincidence started

1342

01:12:27,320 --> 01:12:24,810

coming up where he had these memories he

1343

01:12:30,050 --> 01:12:27,330

remembered the meeting Clay Shaw and gai

1344

01:12:33,230 --> 01:12:30,060

pan astir and all these guys and was

1345

01:12:35,810 --> 01:12:33,240

like and in the years to follow he

1346

01:12:39,380 --> 01:12:35,820

became really a paranoid schizophrenic

1347

01:12:41,930 --> 01:12:39,390

by the mid 70s and felt everybody was in

1348

01:12:44,750 --> 01:12:41,940

on the conspiracy including even he

1349

01:12:48,919 --> 01:12:44,760

suspected it one point Robert own Anton

1350

01:12:51,229 --> 01:12:48,929

Wilson was a CIA handler so what

1351

01:12:56,149 --> 01:12:51,239

cause this was he the actually the

1352

01:12:59,179 --> 01:12:56,159

victim of hmm MK ULTRA operations drove

1353

01:13:01,009 --> 01:12:59,189

him bonkers or you know what came first

1354

01:13:05,540 --> 01:13:01,019

the chicken or the egg that what is

1355

01:13:08,390 --> 01:13:05,550

right interesting is that he Howard hunt

1356

01:13:11,330 --> 01:13:08,400

once again turns out that he was

1357

01:13:16,270 --> 01:13:11,340

stationed in Otsuki during the same

1358

01:13:20,379 --> 01:13:16,280

period Oswald normally were there oh wow

1359

01:13:25,009 --> 01:13:20,389

that Thornleigh became your classic

1360

01:13:28,850 --> 01:13:25,019

clinical paranoid schizophrenic but he

1361

01:13:30,799 --> 01:13:28,860

also you know had all the different

1362

01:13:34,189 --> 01:13:30,809

elements when people are talking about

1363

01:13:36,199 --> 01:13:34,199

MKULTRA mind control victims normally

1364

01:13:39,709 --> 01:13:36,209

was experience all that same stuff

1365

01:13:41,359 --> 01:13:39,719

voices in his head he was convinced at

1366

01:13:45,410 --> 01:13:41,369

one time that there was some kind of

1367

01:13:49,790 --> 01:13:45,420

implant transmitter that had been

1368

01:13:53,120 --> 01:13:49,800

inserted in his certain into his brain

1369

01:13:56,419 --> 01:13:53,130

somehow or some so he all this stuff was

1370

01:13:59,569 --> 01:13:56,429

going on and everywhere he went you know

1371

01:14:03,229 --> 01:13:59,579

during a certain purity felt he was

1372

01:14:05,239 --> 01:14:03,239

being followed and all related to his

1373

01:14:07,759 --> 01:14:05,249

knowledge regarding the JFK

1374

01:14:11,449 --> 01:14:07,769

assassination but it's funny in later

1375

01:14:14,870 --> 01:14:11,459

years thornleigh got on medication kind

1376

01:14:17,479 --> 01:14:14,880

of pulled his life together so that you

1377

01:14:20,089 --> 01:14:17,489

know that at its worst you know there's

1378

01:14:23,029 --> 01:14:20,099

only a couple of years where he was

1379

01:14:25,399 --> 01:14:23,039

really deep into that funk of being a

1380

01:14:27,319 --> 01:14:25,409

paranoid schizophrenic came out of that

1381

01:14:30,560 --> 01:14:27,329

in later years we talked about he worked

1382

01:14:32,120 --> 01:14:30,570

with ron bond aluminum present his books

1383

01:14:34,489 --> 01:14:32,130

were published and i interviewed a lot

1384

01:14:36,520 --> 01:14:34,499

of people who knew Thornleigh's later

1385

01:14:40,129 --> 01:14:36,530

years he lived in Little Five Points

1386

01:14:43,160 --> 01:14:40,139

Atlantic kind of a bohemian hippie area

1387

01:14:45,679 --> 01:14:43,170

there mm-hmm and in durably a lot of

1388

01:14:47,750 --> 01:14:45,689

people shared the same stories

1389

01:14:51,709 --> 01:14:47,760

they'd be out say at a party at a

1390

01:14:53,479 --> 01:14:51,719

restaurant with Thornleigh and thorne

1391

01:14:55,699 --> 01:14:53,489

Kerry Thornleigh would leave after a

1392

01:14:58,219 --> 01:14:55,709

while and other people would show up

1393

01:14:59,919 --> 01:14:58,229

asking questions about Kerry Thornleigh

1394

01:15:03,400 --> 01:14:59,929

willing to buy people drinks and

1395

01:15:06,650 --> 01:15:03,410

inevitably the conversation

1396

01:15:09,920 --> 01:15:06,660

get into the JFK assassination this

1397

01:15:11,930 --> 01:15:09,930

happened or the let's do several people

1398

01:15:14,420 --> 01:15:11,940

I know so there's always that specter of

1399

01:15:16,040 --> 01:15:14,430

men and black kind of following Carey

1400

01:15:20,270 --> 01:15:16,050

Thornleigh around throughout his whole

1401

01:15:23,420 --> 01:15:20,280

life now Carrie Thornleigh is he's still

1402

01:15:26,350 --> 01:15:23,430

with us now he died he was one of the

1403

01:15:30,620 --> 01:15:26,360

big three that died in the late 90s

1404

01:15:33,830 --> 01:15:30,630

along with Jim Keith formerly was part

1405

01:15:39,740 --> 01:15:33,840

of that bunch at illuminate the press so

1406

01:15:43,040 --> 01:15:39,750

in a dress warmly died in 98 round on

1407

01:15:45,530 --> 01:15:43,050

Thanksgiving and he claimed it was a

1408

01:15:48,530 --> 01:15:45,540

rare kidney disease that he died of and

1409

01:15:51,560 --> 01:15:48,540

he suspected up until the end that it

1410

01:15:54,340 --> 01:15:51,570

was all related to the conspiracy that

1411

01:15:57,770 --> 01:15:54,350

he'd been somehow poisoned or something

1412

01:16:01,700 --> 01:15:57,780

well I mean normally people do not

1413

01:16:05,480 --> 01:16:01,710

recover from paranoid schizophrenia so

1414

01:16:07,760 --> 01:16:05,490

if he is genuinely schizophrenic on his

1415

01:16:11,080 --> 01:16:07,770

own then he wouldn't have gotten better

1416

01:16:13,910 --> 01:16:11,090

but if it was somehow induced then it's

1417

01:16:16,880 --> 01:16:13,920

you know it's more credible that he

1418

01:16:19,550 --> 01:16:16,890

would be able to somehow come out of it

1419

01:16:21,440 --> 01:16:19,560

at some later time so it sort of lends

1420

01:16:22,940 --> 01:16:21,450

itself to the fact that it there was

1421

01:16:25,310 --> 01:16:22,950

some sort of intervention or

1422

01:16:27,620 --> 01:16:25,320

interference there mmhmm yeah perhaps

1423

01:16:30,500 --> 01:16:27,630

one thing about thorn he was a real

1424

01:16:34,190 --> 01:16:30,510

unique in individual as you might have

1425

01:16:37,240 --> 01:16:34,200

gathered and one of his friends told me

1426

01:16:41,030 --> 01:16:37,250

that was the interesting thing about

1427

01:16:43,010 --> 01:16:41,040

Thornleigh he was the only paranoid that

1428

01:16:44,890 --> 01:16:43,020

she knew and this is my friend Lewis

1429

01:16:47,770 --> 01:16:44,900

Lacey told me he was friends with

1430

01:16:50,540 --> 01:16:47,780

Thornleigh she said he was the only

1431

01:16:53,060 --> 01:16:50,550

paranoid schizophrenic she ever knew

1432

01:16:56,570 --> 01:16:53,070

that was able to retain a sense of humor

1433

01:17:00,020 --> 01:16:56,580

even during that period where he went

1434

01:17:04,520 --> 01:17:00,030

into this deep schizophrenic fog and you

1435

01:17:08,180 --> 01:17:04,530

know medication can do can help do

1436

01:17:10,250 --> 01:17:08,190

wonders as well so well that's true too

1437

01:17:12,770 --> 01:17:10,260

if he got better because of medication

1438

01:17:15,439 --> 01:17:12,780

then that's one thing if he just you

1439

01:17:19,609 --> 01:17:15,449

know came out of it somehow that

1440

01:17:21,680 --> 01:17:19,619

something as far as far as I've got this

1441

01:17:25,729 --> 01:17:21,690

from different sources that yeah he was

1442

01:17:29,359 --> 01:17:25,739

on did get on medication at some point

1443

01:17:31,759 --> 01:17:29,369

and that help smooth over now you

1444

01:17:34,370 --> 01:17:31,769

mentioned Louise Lacey she was part of

1445

01:17:37,729 --> 01:17:34,380

this movement right yeah do you know

1446

01:17:40,640 --> 01:17:37,739

Lewis no I don't I just get was reading

1447

01:17:43,219 --> 01:17:40,650

about her eat that she was part of that

1448

01:17:46,189 --> 01:17:43,229

group and you say she's a friend of

1449

01:17:49,850 --> 01:17:46,199

yours mm-hmm yep well sure I gotta I

1450

01:17:53,750 --> 01:17:49,860

gotta ask are you a discordian yes I am

1451

01:17:56,540 --> 01:17:53,760

oh I had a funny feeling about that how

1452

01:17:58,699 --> 01:17:56,550

could how could I not be with having had

1453

01:18:01,580 --> 01:17:58,709

the discordian archives passed on to me

1454

01:18:03,680 --> 01:18:01,590

and my discordian name is the wrong

1455

01:18:08,870 --> 01:18:03,690

Reverend Houdini Kundalini of the Church

1456

01:18:12,410 --> 01:18:08,880

of unwavering indifference I like that

1457

01:18:16,790 --> 01:18:12,420

oh that's funny uh did you when did you

1458

01:18:19,160 --> 01:18:16,800

cross over uh was well you know what

1459

01:18:21,169 --> 01:18:19,170

I've first got into this stuff I was

1460

01:18:24,379 --> 01:18:21,179

interested in cary Thornleigh you know

1461

01:18:26,680 --> 01:18:24,389

not so much discordian ism right but

1462

01:18:29,270 --> 01:18:26,690

just Thornleigh's crazy life and that

1463

01:18:32,870 --> 01:18:29,280

led to the first book the prankster in

1464

01:18:35,390 --> 01:18:32,880

the conspiracy it was like 2003 and so i

1465

01:18:37,609 --> 01:18:35,400

got involved with you know interviewing

1466

01:18:40,850 --> 01:18:37,619

some of these old-school discordianism

1467

01:18:44,379 --> 01:18:40,860

and I just grew to appreciate over time

1468

01:18:47,330 --> 01:18:44,389

and eventually I made that bold leap and

1469

01:18:49,549 --> 01:18:47,340

it came up open the Discordians society

1470

01:18:51,859 --> 01:18:49,559

which anybody can be a hoe analed

1471

01:18:54,620 --> 01:18:51,869

sporting society all you have to do is

1472

01:18:58,699 --> 01:18:54,630

say that you are yeah they have female

1473

01:19:03,290 --> 01:18:58,709

popes well of course Louisa is a pope

1474

01:19:06,770 --> 01:19:03,300

and her discordian name is lady l f a b

1475

01:19:12,199 --> 01:19:06,780

and there's a interesting story behind

1476

01:19:14,359 --> 01:19:12,209

that name lewis worked the you know all

1477

01:19:17,899 --> 01:19:14,369

of the Discordians were writers and

1478

01:19:21,100 --> 01:19:17,909

artists and whatnot and she i read i

1479

01:19:23,510 --> 01:19:21,110

read the meaning of that name it was if

1480

01:19:26,000 --> 01:19:23,520

something that Eldridge Cleaver had said

1481

01:19:29,240 --> 01:19:26,010

it I guess they were friends yeah they

1482

01:19:33,620 --> 01:19:29,250

both work for ramparts magazine in fact

1483

01:19:35,560 --> 01:19:33,630

Louise was the research director for the

1484

01:19:39,020 --> 01:19:35,570

research on the Kennedy assassination

1485

01:19:42,439 --> 01:19:39,030

ramparts is one of the first magazines

1486

01:19:46,250 --> 01:19:42,449

to really tackle that subject you know

1487

01:19:50,180 --> 01:19:46,260

this was in the mid-60s before a lot of

1488

01:19:51,320 --> 01:19:50,190

the popular press even willing to

1489

01:19:53,629 --> 01:19:51,330

entertain theories there was a

1490

01:19:55,970 --> 01:19:53,639

conspiracy anyway she was working there

1491

01:19:58,100 --> 01:19:55,980

ramparts and she showed up one day in

1492

01:20:02,419 --> 01:19:58,110

Eldridge Cleaver who also worked at

1493

01:20:03,979 --> 01:20:02,429

grand parts during this period was there

1494

01:20:06,200 --> 01:20:03,989

in the office with some other guy and

1495

01:20:10,220 --> 01:20:06,210

the other guy said to cleaver hey here

1496

01:20:13,189 --> 01:20:10,230

comes that in Arcis and

1497

01:20:15,280 --> 01:20:13,199

cleaver said hey man she's my friend

1498

01:20:20,899 --> 01:20:15,290

she's a good lady she taught me how to

1499

01:20:26,570 --> 01:20:20,909

eat artichokes and so anyway that's how

1500

01:20:28,970 --> 01:20:26,580

the name came lady ill fa fa be I guess

1501
01:20:34,820 --> 01:20:28,980
we can bleep that out later oh I'm sorry

1502
01:20:36,560 --> 01:20:34,830
no it's okay I'm just joking annoyed

1503
01:20:39,939 --> 01:20:36,570
anyway I mean I'm the one that drew it

1504
01:20:46,899 --> 01:20:39,949
out of you so don't worry about it yes

1505
01:20:51,770 --> 01:20:46,909
but so now so if you are a I guess a

1506
01:20:56,209 --> 01:20:51,780
follower or a proponent of discordian

1507
01:20:59,000 --> 01:20:56,219
ism how does that apply in your everyday

1508
01:21:02,419 --> 01:20:59,010
life I mean are there certain principles

1509
01:21:06,280 --> 01:21:02,429
that are set out for people to live

1510
01:21:09,649 --> 01:21:06,290
across the room there's no rules at all

1511
01:21:14,359 --> 01:21:09,659
and I'm a famous discordian saying is we

1512
01:21:16,550 --> 01:21:14,369
discord ians must stick apart aha I was

1513
01:21:19,459 --> 01:21:16,560

going to say because in a way it seems

1514

01:21:23,629 --> 01:21:19,469

like if there is some sort of philosophy

1515

01:21:25,520 --> 01:21:23,639

and especially you know with the signing

1516

01:21:27,979 --> 01:21:25,530

of names and things like that maybe

1517

01:21:29,780 --> 01:21:27,989

there's no hierarchy but it seemed like

1518

01:21:32,419 --> 01:21:29,790

it was almost getting on the verge of

1519

01:21:34,040 --> 01:21:32,429

organizing and I was thinking yeah oh I

1520

01:21:36,140 --> 01:21:34,050

smell trouble it

1521

01:21:38,270 --> 01:21:36,150

you know when things start organizing

1522

01:21:41,060 --> 01:21:38,280

that's when the trouble begins well

1523

01:21:44,000 --> 01:21:41,070

especially if your organization or a

1524

01:21:47,510 --> 01:21:44,010

group based on chaos I would think an

1525

01:21:50,870 --> 01:21:47,520

organization would be sort of anti anti

1526

01:21:54,290 --> 01:21:50,880

anti yeah exactly well see that's what

1527

01:21:55,850 --> 01:21:54,300

in the early days great kill and carry

1528

01:21:57,950 --> 01:21:55,860

Thornleigh you know when they first

1529

01:22:02,270 --> 01:21:57,960

started it they were the only ones that

1530

01:22:05,000 --> 01:22:02,280

could actually what he call make people

1531

01:22:08,660 --> 01:22:05,010

Pope's in the Discordians society but

1532

01:22:11,209 --> 01:22:08,670

like in 69 or so Greg Hill had the

1533

01:22:14,270 --> 01:22:11,219

revelation that that's a bunch of BS you

1534

01:22:17,839 --> 01:22:14,280

know anybody should be able to declare

1535

01:22:19,879 --> 01:22:17,849

them selves Pope's any time they want to

1536

01:22:23,209 --> 01:22:19,889

and that's when the Discordians society

1537

01:22:25,040 --> 01:22:23,219

kind of changed its focus during that

1538

01:22:29,209 --> 01:22:25,050

period you note as far as an over

1539

01:22:31,069 --> 01:22:29,219

arching philosophy or doctrines or

1540

01:22:35,479 --> 01:22:31,079

whatever there really isn't any I mean

1541

01:22:38,419 --> 01:22:35,489

my take on it is yeah we do live in a

1542

01:22:41,000 --> 01:22:38,429

chaotic universe so why does that

1543

01:22:44,540 --> 01:22:41,010

necessarily have to be a bad thing you

1544

01:22:47,209 --> 01:22:44,550

know embrace the chaos kind of the go

1545

01:22:51,740 --> 01:22:47,219

with the flow and let it lead you were

1546

01:22:55,310 --> 01:22:51,750

at me is it all based on chaos or is it

1547

01:22:58,129 --> 01:22:55,320

sort of order and disorder I'm yeah it's

1548

01:23:00,350 --> 01:22:58,139

used it seems like sort of almost a you

1549

01:23:03,740 --> 01:23:00,360

know again sort of there's some Gnostic

1550

01:23:05,990 --> 01:23:03,750

sort of title underpinnings there with

1551

01:23:09,740 --> 01:23:06,000

the sort of the dark and the light and

1552

01:23:11,780 --> 01:23:09,750

the opposites and order and chaos and

1553

01:23:14,240 --> 01:23:11,790

you know yeah it's very observant other

1554

01:23:16,729 --> 01:23:14,250

people have pointed that out to me that

1555

01:23:19,280 --> 01:23:16,739

there's some similarities with

1556

01:23:21,799 --> 01:23:19,290

Gnosticism mm-hmm and I'm not that

1557

01:23:24,140 --> 01:23:21,809

familiar with the Gnosticism but the and

1558

01:23:27,080 --> 01:23:24,150

if you look at the symbol of discordian

1559

01:23:33,350 --> 01:23:27,090

ism it's called the sacred cow sacred

1560

01:23:37,939 --> 01:23:33,360

cow or you know spell chaos k ka I CH a

1561

01:23:41,080 --> 01:23:37,949

of the sacred cow sigma h KS and so

1562

01:23:43,580 --> 01:23:41,090

that's a symbol of discordian ism which

1563

01:23:46,649 --> 01:23:43,590

allegedly was revealed to Thornleigh in

1564

01:23:49,509 --> 01:23:46,659

him that bowling alley and

1565

01:23:51,520 --> 01:23:49,519

back back way back when when they had a

1566

01:23:54,160 --> 01:23:51,530

vision and all the bowlers and the

1567

01:23:56,500 --> 01:23:54,170

bowling alley frozen a chimpanzee

1568

01:23:58,870 --> 01:23:56,510

appeared to them holding the sacred cow

1569

01:24:00,850 --> 01:23:58,880

and if you look at that symbol noon find

1570

01:24:03,219 --> 01:24:00,860

it anywhere on the internet it's like

1571

01:24:05,589 --> 01:24:03,229

the yin and yang yeah I'm looking at it

1572

01:24:07,870 --> 01:24:05,599

yeah dude it's me but it's they call it

1573

01:24:12,819 --> 01:24:07,880

the Hajin podge on one side you have the

1574

01:24:18,250 --> 01:24:12,829

Pentagon yep which basically depicts

1575

01:24:20,700 --> 01:24:18,260

what they called an aristocrat on the

1576

01:24:27,040 --> 01:24:20,710

other side is the Golden Apple which

1577

01:24:29,770 --> 01:24:27,050

relates the story of Eros and you know

1578

01:24:32,319 --> 01:24:29,780

the let's call the story well there's a

1579

01:24:35,649 --> 01:24:32,329

whole story behind that but the Golden

1580

01:24:37,870 --> 01:24:35,659

Apple is another form of chaos so

1581

01:24:40,989 --> 01:24:37,880

there's the two conflicting forms of

1582

01:24:43,899 --> 01:24:40,999

chaos what is the more creative and the

1583

01:24:46,600 --> 01:24:43,909

other is the more controlling and so

1584

01:24:51,549 --> 01:24:46,610

that's kind of the hodge podge those two

1585

01:24:55,600 --> 01:24:51,559

forces counterbalancing each other mmm

1586

01:24:59,709 --> 01:24:55,610

interesting crazy but yeah there is

1587

01:25:02,319 --> 01:24:59,719

definitely some Gnostic elements in the

1588

01:25:08,140 --> 01:25:02,329

whole idea of the feminine to is sort of

1589

01:25:10,589 --> 01:25:08,150

a bit of a gnostic idea yeah that's

1590

01:25:13,359 --> 01:25:10,599

that's interesting you brought that up

1591

01:25:17,410 --> 01:25:13,369

occasionally we'll have guest guest post

1592

01:25:19,330 --> 01:25:17,420

at the website the story discordia which

1593

01:25:24,250 --> 01:25:19,340

deals with all these discordian archives

1594

01:25:28,600 --> 01:25:24,260

and the fellow by the name of shuksan

1595

01:25:30,899 --> 01:25:28,610

forgetting his name now robert is what

1596

01:25:35,109 --> 01:25:30,909

happens when you get older but anyway he

1597

01:25:37,450 --> 01:25:35,119

wrote a whole host devoted to the theme

1598

01:25:42,160 --> 01:25:37,460

of the similarities between the score d

1599

01:25:44,979 --> 01:25:42,170

anism and Gnosticism hmm yeah a few

1600

01:25:47,700 --> 01:25:44,989

weeks ago we had on Timothy Wiley

1601
01:25:51,959 --> 01:25:47,710
talking about the processed church and

1602
01:25:55,569 --> 01:25:51,969
there were some I noticed some the same

1603
01:25:58,660 --> 01:25:55,579
ideas you know the the opposites the

1604
01:25:59,260 --> 01:25:58,670
mirrors in the can't help you wonder if

1605
01:26:02,200 --> 01:25:59,270
you ever

1606
01:26:05,800 --> 01:26:02,210
darkness and the light right exactly so

1607
01:26:08,440 --> 01:26:05,810
I think there's truth now is there a

1608
01:26:13,090 --> 01:26:08,450
process church connection to discordian

1609
01:26:15,820 --> 01:26:13,100
ISM was there uh if you look deeply

1610
01:26:19,860 --> 01:26:15,830
enough everything's connected there's a

1611
01:26:26,680 --> 01:26:22,720
there's some very tenuous connections

1612
01:26:29,770 --> 01:26:26,690
that are so obscured to even go into it

1613
01:26:31,390 --> 01:26:29,780

here would be a five minutes story that

1614

01:26:33,550 --> 01:26:31,400

leave you scratching your head you know

1615

01:26:34,750 --> 01:26:33,560

but yeah since we only have four and a

1616

01:26:37,530 --> 01:26:34,760

half minute or three and a half minutes

1617

01:26:40,090 --> 01:26:37,540

left I guess we can't do that one yeah

1618

01:26:42,940 --> 01:26:40,100

they're yeah there are sooo Bay

1619

01:26:44,920 --> 01:26:42,950

connections an interesting one with

1620

01:26:48,700 --> 01:26:44,930

Charles Manson and Carrie Thornleigh of

1621

01:26:50,710 --> 01:26:48,710

all people Carrie Carrie Thornleigh you

1622

01:26:52,510 --> 01:26:50,720

know during later years correspondent

1623

01:26:57,430 --> 01:26:52,520

was pin pal with different people in

1624

01:27:00,520 --> 01:26:57,440

prison and he was corresponding with one

1625

01:27:02,560 --> 01:27:00,530

fellow who knew Charles Manson and so

1626

01:27:07,600 --> 01:27:02,570

son he'll carry Thornleigh got on

1627

01:27:09,550 --> 01:27:07,610

Charles Manson's radar and sent Carrie

1628

01:27:13,830 --> 01:27:09,560

Thornleigh a letter you know so they

1629

01:27:17,050 --> 01:27:13,840

correspond it a little bit and actually

1630

01:27:19,450 --> 01:27:17,060

Charles Manson sent Carrie Thornleigh a

1631

01:27:21,600 --> 01:27:19,460

Christmas card of all things on a

1632

01:27:24,670 --> 01:27:21,610

postcard it's reproduced in the book

1633

01:27:29,410 --> 01:27:24,680

historia discordian Thornleigh later

1634

01:27:33,280 --> 01:27:29,420

used this postcard as like a raffle to

1635

01:27:38,830 --> 01:27:33,290

raise money to help a young lady who was

1636

01:27:41,650 --> 01:27:38,840

raped and kidnapped taken to California

1637

01:27:44,410 --> 01:27:41,660

so he was trying to get her back in back

1638

01:27:47,140 --> 01:27:44,420

in Atlanta during this period I think

1639

01:27:50,470 --> 01:27:47,150

she was locked up in a psych ward some

1640

01:27:54,970 --> 01:27:50,480

more Carol California so anyway normally

1641

01:27:56,740 --> 01:27:54,980

was able to raffle off that Charles

1642

01:27:58,439 --> 01:27:56,750

Woodson postcard and get his friends

1643

01:28:02,800 --> 01:27:58,449

young lady out of

1644

01:28:05,589 --> 01:28:02,810

psychiatric facility California reunited

1645

01:28:09,129 --> 01:28:05,599

with her parents during atlanta oh my

1646

01:28:11,950 --> 01:28:09,139

god how much did he get for it i have no

1647

01:28:17,580 --> 01:28:11,960

idea i know that i know in a pretty

1648

01:28:20,229 --> 01:28:17,590

penny huh no it was just you know he

1649

01:28:22,300 --> 01:28:20,239

advertised it there and little five

1650

01:28:26,320 --> 01:28:22,310

points maybe for a couple weeks you know

1651
01:28:29,020 --> 01:28:26,330
and wow maybe you know a dollar a pop

1652
01:28:31,390 --> 01:28:29,030
and got a few hundred dollars and you

1653
01:28:35,890 --> 01:28:31,400
know enough money to get this friend

1654
01:28:38,140 --> 01:28:35,900
back to Atlanta yeah yeah I guess so is

1655
01:28:41,470 --> 01:28:38,150
the plane tickets probably weren't that

1656
01:28:44,050 --> 01:28:41,480
much than it either um you know before

1657
01:28:47,830 --> 01:28:44,060
we go which is going to be just any

1658
01:28:49,479 --> 01:28:47,840
second I wanted to let people know how

1659
01:28:53,550 --> 01:28:49,489
they can get your books you can go to

1660
01:28:57,939 --> 01:28:53,560
Adam go rightly dot-com or historia

1661
01:29:00,609 --> 01:28:57,949
discordia dot-com for his latest book

1662
01:29:03,490 --> 01:29:00,619
but you see all of his books on his

1663
01:29:05,140 --> 01:29:03,500

website and there's some really

1664

01:29:07,000 --> 01:29:05,150

interesting stuff there's so many things

1665

01:29:09,459 --> 01:29:07,010

I wanted to get into but we didn't have

1666

01:29:11,740 --> 01:29:09,469

time Catcher in the Rye to say the least

1667

01:29:14,950 --> 01:29:11,750

I got to talk to you about catcher in

1668

01:29:16,720 --> 01:29:14,960

the rye yeah definitely hey I'll

1669

01:29:20,680 --> 01:29:16,730

hopefully you'll come back on and

1670

01:29:21,879 --> 01:29:20,690

drinking this and we can talk about so

1671

01:29:24,280 --> 01:29:21,889

many other things that you've written

1672

01:29:26,580 --> 01:29:24,290

about it thank you so much Adam go

1673

01:29:29,370 --> 01:29:26,590

rightly for being our guest tonight and

1674

01:29:32,560 --> 01:29:29,380

hope talk to you again very very soon
