

EPIC VOYAGES RADIO

EXTRAORDINARY PHENOMENA INVESTIGATIONS COUNCIL

Rob and Trish Macgregor 2.0

1
00:00:14,310 --> 00:00:03,260
you're listening to IRA the inception

2
00:00:14,320 --> 00:00:23,530
[Music]

3
00:00:30,100 --> 00:00:24,730
[Applause]

4
00:01:06,469 --> 00:00:41,440
[Music]

5
00:01:10,890 --> 00:01:08,670
the extraordinary phenomenon

6
00:01:11,789 --> 00:01:10,900
investigations council presents epic

7
00:01:14,310 --> 00:01:11,799
voyages

8
00:01:16,350 --> 00:01:14,320
come join us as we hitler and experience

9
00:01:25,370 --> 00:01:16,360
the great mysteries of the world with

10
00:02:06,350 --> 00:01:34,100
[Music]

11
00:02:12,330 --> 00:02:09,359
welcome everybody to epic voyages radio

12
00:02:15,000 --> 00:02:12,340
here on inception radio network we have

13
00:02:17,250 --> 00:02:15,010

a terrific pair with us tonight my

14

00:02:18,620 --> 00:02:17,260

guests are Robin Trish McGregor they

15

00:02:22,140 --> 00:02:18,630

were with me a couple of months ago

16

00:02:23,430 --> 00:02:22,150

talking about synchronicity and we just

17

00:02:25,530 --> 00:02:23,440

didn't have enough time to talk about

18

00:02:26,760 --> 00:02:25,540

this second book and I wanted to so

19

00:02:28,740 --> 00:02:26,770

that's what we're gonna do tonight we're

20

00:02:29,520 --> 00:02:28,750

going to be talking about aliens in the

21

00:02:32,370 --> 00:02:29,530

backyard

22

00:02:34,380 --> 00:02:32,380

and it's a very auspicious time to be

23

00:02:37,800 --> 00:02:34,390

talking about aliens and UFOs and

24

00:02:40,080 --> 00:02:37,810

abductions - let me get a few little

25

00:02:44,220 --> 00:02:40,090

bits of information out there for you as

26

00:02:47,070 --> 00:02:44,230

resources first of all our shows are

27

00:02:49,590 --> 00:02:47,080

always archived on inception radio

28

00:02:52,680 --> 00:02:49,600

network we also archive them on our

29

00:02:54,960 --> 00:02:52,690

YouTube channel for epic voyagers our

30

00:02:57,809 --> 00:02:54,970

shows are also rebroadcast on Friday

31

00:03:01,380 --> 00:02:57,819

nights every week on dark matter radio

32

00:03:04,110 --> 00:03:01,390

network and they are rebroadcast at 8

33

00:03:07,800 --> 00:03:04,120

p.m. Eastern 5 p.m. Pacific

34

00:03:10,319 --> 00:03:07,810

they're at Dark Matter we have a website

35

00:03:12,630 --> 00:03:10,329

that finally we are working on in

36

00:03:16,170 --> 00:03:12,640

renovating it epic voyageurs dot-com

37

00:03:19,680 --> 00:03:16,180

we're adding a blog hoping to have some

38

00:03:24,289 --> 00:03:19,690

of our epic team members to write

39

00:03:28,620 --> 00:03:24,299

articles and points of view for that and

40

00:03:30,630 --> 00:03:28,630

we also have facebook we have Instagram

41

00:03:32,550 --> 00:03:30,640

and Twitter we have links to those on

42

00:03:38,640 --> 00:03:32,560

our home page they're at the website

43

00:03:40,740 --> 00:03:38,650

epic voyageurs dot-com and let's see be

44

00:03:42,720 --> 00:03:40,750

sure if you want to ask questions in

45

00:03:45,660 --> 00:03:42,730

this first hour and of course during the

46

00:03:47,970 --> 00:03:45,670

second hour you could go to the chat

47

00:03:50,460 --> 00:03:47,980

room and inception radio network and

48

00:03:53,130 --> 00:03:50,470

type them right into the chat room also

49

00:03:56,220 --> 00:03:53,140

I'm going to be putting up some images

50

00:04:00,120 --> 00:03:56,230

and links to websites for the MacGregors

51
00:04:01,860 --> 00:04:00,130
there if you want those and then one

52
00:04:04,470 --> 00:04:01,870
quick special announcement and we're

53
00:04:07,229 --> 00:04:04,480
going to get underway here I wanted to

54
00:04:10,620 --> 00:04:07,239
tell everyone that our epic voyagers

55
00:04:12,990 --> 00:04:10,630
founder and president Ken cherry has a

56
00:04:13,710 --> 00:04:13,000
brand new book that's available at our

57
00:04:15,930 --> 00:04:13,720
website

58
00:04:17,759 --> 00:04:15,940
epic voyagers calm

59
00:04:20,160 --> 00:04:17,769
and these are going to be autographed

60
00:04:22,470 --> 00:04:20,170
copies and the cost includes everything

61
00:04:26,130 --> 00:04:22,480
tax shipping and handling and the

62
00:04:29,880 --> 00:04:26,140
autograph mark Slade investigates the

63
00:04:33,420 --> 00:04:29,890

Stephenville UFO this book is based on

64

00:04:37,650 --> 00:04:33,430

Ken's firsthand experiences during the

65

00:04:40,650 --> 00:04:37,660

famous January 2008 UFO sightings in

66

00:04:43,880 --> 00:04:40,660

Stephenville and Central Texas and all

67

00:04:45,990 --> 00:04:43,890

the subsequent events that followed that

68

00:04:48,510 --> 00:04:46,000

including the multiple sightings that

69

00:04:50,940 --> 00:04:48,520

continued on throughout the entire year

70

00:04:53,910 --> 00:04:50,950

of 2008 the research they did the

71

00:04:56,700 --> 00:04:53,920

investigations everything Ken's going to

72

00:04:58,710 --> 00:04:56,710

be here with me to interview in about

73

00:05:00,840 --> 00:04:58,720

two weeks to talk about his book and

74

00:05:03,000 --> 00:05:00,850

that time in his life and the

75

00:05:06,540 --> 00:05:03,010

experiences so be sure that you mark

76

00:05:08,040 --> 00:05:06,550

your calendars and don't forget to come

77

00:05:09,650 --> 00:05:08,050

back and listen to that interview it's

78

00:05:12,960 --> 00:05:09,660

going to be pretty interesting

79

00:05:15,510 --> 00:05:12,970

so with that remember that we're talking

80

00:05:18,390 --> 00:05:15,520

about aliens in the backyard tonight the

81

00:05:21,630 --> 00:05:18,400

book written by Robin Trish McGregor I'm

82

00:05:24,660 --> 00:05:21,640

sure you already know who Robin Trish

83

00:05:27,480 --> 00:05:24,670

are they are prolific authors with a

84

00:05:30,180 --> 00:05:27,490

recent focus on synchronicity alien

85

00:05:32,720 --> 00:05:30,190

abductions contacts from the other side

86

00:05:36,210 --> 00:05:32,730

and maybe other dimensions and this book

87

00:05:39,090 --> 00:05:36,220

kind of focuses on alien abductions and

88

00:05:42,360 --> 00:05:39,100

the experiences of first hand abductees

89

00:05:44,430 --> 00:05:42,370

it's pretty interesting I know you can

90

00:05:46,409 --> 00:05:44,440

get the book from amazon.com and now

91

00:05:52,650 --> 00:05:46,419

they also have links at their website

92

00:05:58,740 --> 00:05:52,660

which is synchro secrets calm sy in CHR

93

00:06:00,900 --> 00:05:58,750

o se CR ETS calm and I want to make sure

94

00:06:04,500 --> 00:06:00,910

that you know that their blog will be

95

00:06:06,390 --> 00:06:04,510

talking tonight at one point about

96

00:06:10,050 --> 00:06:06,400

planetary empaths

97

00:06:13,860 --> 00:06:10,060

which I find very interesting these are

98

00:06:17,550 --> 00:06:13,870

people who have physical symptoms of all

99

00:06:20,430 --> 00:06:17,560

kinds when some terrible disaster is

100

00:06:24,240 --> 00:06:20,440

either about to happen to the planet or

101
00:06:28,740 --> 00:06:24,250
is happening they include things like

102
00:06:29,590 --> 00:06:28,750
the 9/11 plane crashes the earthquake

103
00:06:34,390 --> 00:06:29,600
that happened in

104
00:06:37,570 --> 00:06:34,400
pan the tsunami over in Indonesia all

105
00:06:38,470 --> 00:06:37,580
kinds of things and that's part of their

106
00:06:41,590 --> 00:06:38,480
book that we're going to talk about

107
00:06:45,460 --> 00:06:41,600
tonight but they have stories that are

108
00:06:47,680 --> 00:06:45,470
in their blog from these people these

109
00:06:49,810 --> 00:06:47,690
empaths who have these experiences and

110
00:06:53,850 --> 00:06:49,820
it's just a fascinating read

111
00:06:57,040 --> 00:06:53,860
it's the link for that is blog dot

112
00:07:00,430 --> 00:06:57,050
synchro secrets calm I'm going to put

113
00:07:02,290 --> 00:07:00,440

those up in the chatroom so everybody

114

00:07:04,300 --> 00:07:02,300

can just link directly to them and I'll

115

00:07:07,960 --> 00:07:04,310

give those out again a couple of times

116

00:07:10,450 --> 00:07:07,970

tonight again real quickly let me just

117

00:07:12,340 --> 00:07:10,460

tell you some of the things that Oh

118

00:07:13,810 --> 00:07:12,350

Robyn Trish I don't know when you find

119

00:07:16,600 --> 00:07:13,820

time to do anything at all with the

120

00:07:21,060 --> 00:07:16,610

number of books that you've written Rob

121

00:07:24,490 --> 00:07:21,070

himself is the author of 19 knots 14

122

00:07:28,510 --> 00:07:24,500

nonfiction books and he's also teamed up

123

00:07:33,280 --> 00:07:28,520

with George Lucas and Peter Benchley to

124

00:07:35,200 --> 00:07:33,290

work on movies and TV series he also

125

00:07:37,780 --> 00:07:35,210

writes both adult and young adult

126
00:07:40,660 --> 00:07:37,790
mysteries adventures science fiction and

127
00:07:44,200 --> 00:07:40,670
fantasy and that includes his original

128
00:07:46,090 --> 00:07:44,210
Indiana Jones novels Trish is the author

129
00:07:48,280 --> 00:07:46,100
of 35 novels

130
00:07:51,640 --> 00:07:48,290
mystery suspense thrillers science

131
00:07:55,090 --> 00:07:51,650
fiction they both have won the coveted

132
00:07:58,930 --> 00:07:55,100
Edgar Allen Poe award for mystery

133
00:08:00,730 --> 00:07:58,940
writing no small no small accolade for

134
00:08:03,390 --> 00:08:00,740
that and together they've written

135
00:08:07,920 --> 00:08:03,400
several self-help books on dreams

136
00:08:11,800 --> 00:08:07,930
synchronicity yoga psychic development

137
00:08:14,880 --> 00:08:11,810
astrology the turo dreams and dream

138
00:08:17,740 --> 00:08:14,890

interpretation aliens and abductions and

139

00:08:19,300 --> 00:08:17,750

the Bermuda Triangle so tonight we're

140

00:08:22,810 --> 00:08:19,310

going to be talking about alien

141

00:08:26,860 --> 00:08:22,820

experiences and abductions and with that

142

00:08:28,540 --> 00:08:26,870

I want to introduce Rob and Trish how

143

00:08:31,600 --> 00:08:28,550

are you guys doing down in Florida

144

00:08:39,159 --> 00:08:31,610

we're doing good very good wonderful hot

145

00:08:41,589 --> 00:08:39,169

hot and sticky I bet your book was so

146

00:08:43,330 --> 00:08:41,599

interesting you seems like you focused

147

00:08:47,680 --> 00:08:43,340

you mentioned more than five

148

00:08:50,740 --> 00:08:47,690

people but you really focused on a man

149

00:08:52,840 --> 00:08:50,750

and his wife leading just a normal life

150

00:08:55,000 --> 00:08:52,850

and then suddenly they had this

151
00:08:59,080 --> 00:08:55,010
abduction experience and it took them

152
00:09:01,210 --> 00:08:59,090
months and maybe even years to come to

153
00:09:03,010 --> 00:09:01,220
grips with it and accept it and decide

154
00:09:05,740 --> 00:09:03,020
where they are going to put it in their

155
00:09:06,820 --> 00:09:05,750
their personal history as they look back

156
00:09:09,730 --> 00:09:06,830
over their lives

157
00:09:12,670 --> 00:09:09,740
you had one woman who was in a car with

158
00:09:16,570 --> 00:09:12,680
her son that had an experience while

159
00:09:19,690 --> 00:09:16,580
they were driving and then you had two

160
00:09:22,390 --> 00:09:19,700
more women but then as I said your book

161
00:09:25,060 --> 00:09:22,400
had focused on a lot of other anecdotal

162
00:09:26,530 --> 00:09:25,070
I guess comments from your empaths I

163
00:09:28,990 --> 00:09:26,540

mean not the impasse blog but your

164

00:09:34,780 --> 00:09:29,000

syncro Secrets blog is that right right

165

00:09:37,990 --> 00:09:34,790

okay well I want to give listeners a

166

00:09:40,960 --> 00:09:38,000

couple of stunning statistics I had not

167

00:09:43,690 --> 00:09:40,970

seen these research and marketing

168

00:09:49,030 --> 00:09:43,700

research polls that you mention in your

169

00:09:51,970 --> 00:09:49,040

book in 2003 there was a Roper poll

170

00:09:56,850 --> 00:09:51,980

Roper as a marketing research group they

171

00:10:00,160 --> 00:09:56,860

found out that more than 33 million

172

00:10:04,600 --> 00:10:00,170

Americans claim to be abductees

173

00:10:06,550 --> 00:10:04,610

themselves and in 2012 National

174

00:10:09,790 --> 00:10:06,560

Geographic commissioned a nationwide

175

00:10:12,370 --> 00:10:09,800

survey through Kelton research they

176

00:10:16,600 --> 00:10:12,380

actually questioned a little over 1,100

177

00:10:18,750 --> 00:10:16,610

Americans over the age of 18 and what

178

00:10:22,360 --> 00:10:18,760

they found I think is pretty remarkable

179

00:10:23,940 --> 00:10:22,370

over a third of them 36 percent believe

180

00:10:27,880 --> 00:10:23,950

that UFOs exist

181

00:10:29,980 --> 00:10:27,890

four out of five of them think that the

182

00:10:35,590 --> 00:10:29,990

US government is hiding information

183

00:10:37,360 --> 00:10:35,600

about UFOs and ETS 77% that's almost

184

00:10:40,390 --> 00:10:37,370

four out of five believe that there are

185

00:10:43,360 --> 00:10:40,400

signs here that ETS have visited the

186

00:10:46,260 --> 00:10:43,370

planet one in ten think that they

187

00:10:49,120 --> 00:10:46,270

personally witnessed a UFO event and

188

00:10:51,670 --> 00:10:49,130

over half of them about 55 percent

189

00:10:54,960 --> 00:10:51,680

believe that men and black are

190

00:10:56,720 --> 00:10:54,970

threatening people and witnesses and

191

00:11:01,269 --> 00:10:56,730

clamping down on

192

00:11:04,310 --> 00:11:01,279

attempt to disclose the truth then again

193

00:11:07,370 --> 00:11:04,320

MSNBC had a poll it's less scientific

194

00:11:09,769 --> 00:11:07,380

and it's a smaller poll but in 2007 they

195

00:11:13,129 --> 00:11:09,779

found that 63% answering their poll

196

00:11:15,829 --> 00:11:13,139

believed that UFO sightings are actually

197

00:11:17,240 --> 00:11:15,839

visits from et that's those are some

198

00:11:19,810 --> 00:11:17,250

pretty amazing numbers and I'm a

199

00:11:22,310 --> 00:11:19,820

statistician so I understand that

200

00:11:24,949 --> 00:11:22,320

estimates are as good as the work that

201
00:11:27,920 --> 00:11:24,959
went into setting up the design but what

202
00:11:30,500 --> 00:11:27,930
do these data say to you - about about

203
00:11:33,650 --> 00:11:30,510
the topic of your book well I think one

204
00:11:35,629 --> 00:11:33,660
thing it says is that it it's it's a lot

205
00:11:38,389 --> 00:11:35,639
more common than we think

206
00:11:40,819 --> 00:11:38,399
mhm you know and and even though a lot

207
00:11:42,769 --> 00:11:40,829
of abductees are afraid to come forward

208
00:11:45,410 --> 00:11:42,779
they're afraid they'll lose their jobs

209
00:11:47,210 --> 00:11:45,420
or maybe their spouse or partner doesn't

210
00:11:49,519 --> 00:11:47,220
know they've been abducted you know

211
00:11:53,350 --> 00:11:49,529
they're afraid of ridicule so there's

212
00:11:55,970 --> 00:11:53,360
also growing conflict in concept in

213
00:11:58,100 --> 00:11:55,980

consensus reality about these matters

214

00:12:00,980 --> 00:11:58,110

and government academia in the

215

00:12:02,840 --> 00:12:00,990

mainstream media their approach to UFO

216

00:12:06,350 --> 00:12:02,850

and alien encounters is to treat them

217

00:12:08,509 --> 00:12:06,360

either humorously or dismissively but

218

00:12:12,769 --> 00:12:08,519

there's there's something going on for

219

00:12:15,079 --> 00:12:12,779

example when President Obama and is

220

00:12:18,350 --> 00:12:15,089

either at near the end of his first term

221

00:12:21,500 --> 00:12:18,360

or early in the second term opened an

222

00:12:25,160 --> 00:12:21,510

executive website to anybody who could

223

00:12:28,189 --> 00:12:25,170

ask questions and they were bombarded by

224

00:12:31,180 --> 00:12:28,199

a UFO related question so much that they

225

00:12:33,949 --> 00:12:31,190

had to move them to a separate website

226

00:12:36,410 --> 00:12:33,959

and you know then they just gave like

227

00:12:39,410 --> 00:12:36,420

one general answer for all of them but

228

00:12:42,230 --> 00:12:39,420

it was just fascinating that it was like

229

00:12:46,040 --> 00:12:42,240

over 60% of where questions were about

230

00:12:47,569 --> 00:12:46,050

UFOs wow that I got tickled as you were

231

00:12:50,780 --> 00:12:47,579

saying that because I'm thinking of the

232

00:12:53,210 --> 00:12:50,790

the automated voice when you dial some

233

00:12:55,220 --> 00:12:53,220

number and it says for English press one

234

00:12:59,030 --> 00:12:55,230

only this time it was safe for UFO

235

00:13:03,139 --> 00:12:59,040

reports or questions press five that's

236

00:13:06,790 --> 00:13:03,149

amazing you know I've been doing a lot

237

00:13:10,400 --> 00:13:06,800

of reading like lately about some of the

238

00:13:14,260 --> 00:13:10,410

claims about suppression of information

239

00:13:17,510 --> 00:13:14,270

and you're exactly right traditional

240

00:13:20,570 --> 00:13:17,520

scientists for the most part try to make

241

00:13:23,210 --> 00:13:20,580

fun of people or they just dismiss them

242

00:13:27,470 --> 00:13:23,220

out of hand and won't even discuss it I

243

00:13:29,090 --> 00:13:27,480

remember reading about a study where a

244

00:13:30,800 --> 00:13:29,100

woman I think you mention it in your

245

00:13:34,330 --> 00:13:30,810

book I've got it in my notes here

246

00:13:37,670 --> 00:13:34,340

a woman did such a terrible research

247

00:13:40,400 --> 00:13:37,680

study and she was at Harvard who she's

248

00:13:42,770 --> 00:13:40,410

cryptic yeah something about that that

249

00:13:46,630 --> 00:13:42,780

was it that what a put-down and she her

250

00:13:51,050 --> 00:13:46,640

research was terrible idly remember this

251

00:13:54,080 --> 00:13:51,060

she was it was when John Mac was still

252

00:13:56,300 --> 00:13:54,090

alive and he was either he had just

253

00:13:59,950 --> 00:13:56,310

written his book or you know was doing

254

00:14:02,600 --> 00:13:59,960

his research on a lien on abductees and

255

00:14:04,310 --> 00:14:02,610

apparently this woman was also at

256

00:14:06,980 --> 00:14:04,320

Harvard and she was skeptical and

257

00:14:11,120 --> 00:14:06,990

thought he was basically foolish big

258

00:14:15,530 --> 00:14:11,130

mistake and so she wrote it was either a

259

00:14:18,670 --> 00:14:15,540

paper or book it was a book and her

260

00:14:23,030 --> 00:14:18,680

research was just shiny and it was wrong

261

00:14:24,410 --> 00:14:23,040

you know and Mac he is he I guess his

262

00:14:26,420 --> 00:14:24,420

reaction to this whole thing was like

263

00:14:29,810 --> 00:14:26,430

huh

264

00:14:33,440 --> 00:14:29,820

you know he people I mean here he was he

265

00:14:36,470 --> 00:14:33,450

was practically persecuted by Harvard

266

00:14:38,780 --> 00:14:36,480

for even looking into this stuff they

267

00:14:42,920 --> 00:14:38,790

threatened pretty much threatened to to

268

00:14:46,490 --> 00:14:42,930

end his tenure and I guess he you know

269

00:14:49,490 --> 00:14:46,500

he fought back and he want he got well

270

00:14:50,810 --> 00:14:49,500

he knew his reason well then go ahead

271

00:14:54,790 --> 00:14:50,820

Rob go ahead

272

00:14:57,850 --> 00:14:54,800

well she she began with the premise that

273

00:15:00,110 --> 00:14:57,860

well what she was doing was interviewing

274

00:15:02,210 --> 00:15:00,120

interviewing people who had alien

275

00:15:03,830 --> 00:15:02,220

abduction experiences but in her book

276

00:15:06,710 --> 00:15:03,840

she says right off the bat she's

277

00:15:08,920 --> 00:15:06,720

starting with the premise that there

278

00:15:11,510 --> 00:15:08,930

none of these people really had

279

00:15:14,900 --> 00:15:11,520

abduction experiences because there are

280

00:15:17,540 --> 00:15:14,910

no aliens there are no UFOs here all

281

00:15:19,040 --> 00:15:17,550

right thing is a UFO so that's obviously

282

00:15:19,940 --> 00:15:19,050

not what's going on here let's talk

283

00:15:22,420 --> 00:15:19,950

about something else

284

00:15:26,320 --> 00:15:22,430

therefore you depressed and deluded

285

00:15:28,720 --> 00:15:26,330

oh yeah I remember Stan busted you know

286

00:15:30,280 --> 00:15:28,730

that's right and Stan Friedman came out

287

00:15:32,740 --> 00:15:30,290

you had a comment I think in the book

288

00:15:35,019 --> 00:15:32,750

where he pointed out he was horrified

289

00:15:37,120 --> 00:15:35,029

that someone at Harvard didn't take a

290

00:15:39,400 --> 00:15:37,130

look at it before it went to publication

291

00:15:42,519 --> 00:15:39,410

because it's just embarrassing I mean

292

00:15:44,920 --> 00:15:42,529

research is not defined by starting out

293

00:15:46,540 --> 00:15:44,930

with a prejudice or a bias and then

294

00:15:48,400 --> 00:15:46,550

writing to make sure everybody

295

00:15:52,690 --> 00:15:48,410

understands that you were correct I mean

296

00:15:55,060 --> 00:15:52,700

that's just not research well that that

297

00:15:57,550 --> 00:15:55,070

was at well in addition to those kinds

298

00:16:01,060 --> 00:15:57,560

of treatments they do they tend to blame

299

00:16:06,030 --> 00:16:01,070

people for having hypnotic implanted

300

00:16:08,170 --> 00:16:06,040

suggestions or memories or it was a

301
00:16:10,540 --> 00:16:08,180
memory of something that happened to

302
00:16:12,850 --> 00:16:10,550
them as a child and they're they're

303
00:16:15,910 --> 00:16:12,860
choosing to remember it as aliens

304
00:16:17,710 --> 00:16:15,920
because the truth is too horrifying to

305
00:16:21,519 --> 00:16:17,720
them I don't being abducted by an alien

306
00:16:23,590 --> 00:16:21,529
sounds pretty horrifying to me well I

307
00:16:27,010 --> 00:16:23,600
mean the point is they always start from

308
00:16:29,380 --> 00:16:27,020
the place of you're lying or you're

309
00:16:31,390 --> 00:16:29,390
deluded mm-hmm you know there's nothing

310
00:16:33,190 --> 00:16:31,400
about well let's look into this and

311
00:16:35,940 --> 00:16:33,200
that's what Mac did it was different

312
00:16:41,410 --> 00:16:35,950
mm-hmm you know he actually started

313
00:16:43,600 --> 00:16:41,420

regressing I don't remember that I saw

314

00:16:47,710 --> 00:16:43,610

it in your book but you too might have a

315

00:16:50,760 --> 00:16:47,720

kind of a ballpark figure for this do

316

00:16:53,980 --> 00:16:50,770

you have any idea how many actual

317

00:16:56,380 --> 00:16:53,990

abductees have been questioned or

318

00:16:59,470 --> 00:16:56,390

interviewed by legitimate researchers by

319

00:17:01,630 --> 00:16:59,480

this point no idea at all there are a

320

00:17:03,940 --> 00:17:01,640

lot of different groups like there's a

321

00:17:06,400 --> 00:17:03,950

group called experiencers who look at

322

00:17:08,500 --> 00:17:06,410

these experiences as the glass is

323

00:17:10,449 --> 00:17:08,510

half-full you know like it was really

324

00:17:14,110 --> 00:17:10,459

really positive it changed everything

325

00:17:15,400 --> 00:17:14,120

and they do their own interviews but you

326

00:17:17,199 --> 00:17:15,410

know there's a lot of different

327

00:17:19,750 --> 00:17:17,209

organizations that do this but I would

328

00:17:23,140 --> 00:17:19,760

say I think we can accurately say that

329

00:17:26,040 --> 00:17:23,150

it's a tiny tiny minority have been

330

00:17:29,200 --> 00:17:26,050

interviewed and have or have had

331

00:17:31,510 --> 00:17:29,210

hypnotic regressions most people who

332

00:17:33,190 --> 00:17:31,520

have these experiences don't want to

333

00:17:35,320 --> 00:17:33,200

publicize them they don't want to be

334

00:17:39,580 --> 00:17:35,330

ridiculed and that's

335

00:17:43,029 --> 00:17:39,590

what the the the case of the couple that

336

00:17:47,139 --> 00:17:43,039

you mentioned and that wrote about that

337

00:17:48,880 --> 00:17:47,149

that was the man's point of view he

338

00:17:52,000 --> 00:17:48,890

didn't have anyone to talk to but he he

339

00:17:54,700 --> 00:17:52,010

was having he had this experience and it

340

00:17:57,370 --> 00:17:54,710

was he just had a personal crisis

341

00:18:02,620 --> 00:17:57,380

basically a breakdown that he went

342

00:18:04,060 --> 00:18:02,630

through and his wife just said she she

343

00:18:06,310 --> 00:18:04,070

had a whole different perspective she

344

00:18:08,110 --> 00:18:06,320

said we experienced something that most

345

00:18:13,139 --> 00:18:08,120

people will never experience we should

346

00:18:16,180 --> 00:18:13,149

just accept that as something that is

347

00:18:17,710 --> 00:18:16,190

wonderful almost that happened to us and

348

00:18:19,810 --> 00:18:17,720

just let it go

349

00:18:21,610 --> 00:18:19,820

but he couldn't let it go because his

350

00:18:24,759 --> 00:18:21,620

whole world had changed he didn't

351

00:18:28,570 --> 00:18:24,769

believe in UFOs he thought that was

352

00:18:31,750 --> 00:18:28,580

something that from Hollywood and that

353

00:18:34,870 --> 00:18:31,760

if he's a Canadian from near the

354

00:18:38,080 --> 00:18:34,880

Montreal in the Montreal area and he

355

00:18:41,379 --> 00:18:38,090

felt that if there was such thing as

356

00:18:43,919 --> 00:18:41,389

aliens and UFOs that the US military

357

00:18:48,789 --> 00:18:43,929

would have told us about it long ago and

358

00:18:51,970 --> 00:18:48,799

which is kind of naive point of view

359

00:18:53,560 --> 00:18:51,980

yeah no kidding but because he works in

360

00:18:54,970 --> 00:18:53,570

a you know he's afraid of losing his

361

00:18:57,970 --> 00:18:54,980

jobs which is why we had to use a

362

00:18:59,620 --> 00:18:57,980

pseudonym for him but with a Connie

363

00:19:01,899 --> 00:18:59,630

cannon the woman who was abducted with

364

00:19:03,940 --> 00:19:01,909

her son she's at an age where she said

365

00:19:07,090 --> 00:19:03,950

she just doesn't care who knows you know

366

00:19:10,180 --> 00:19:07,100

so she let us use her complete name her

367

00:19:12,310 --> 00:19:10,190

history and everything she said much

368

00:19:14,350 --> 00:19:12,320

about her son's reaction at this point

369

00:19:16,149 --> 00:19:14,360

as he gets older with that experience

370

00:19:20,139 --> 00:19:16,159

because he was awake sitting there with

371

00:19:23,980 --> 00:19:20,149

it he yeah I mean he still has

372

00:19:26,590 --> 00:19:23,990

experiences she sent us photos of UFOs

373

00:19:28,810 --> 00:19:26,600

that he's taken one of them we had sent

374

00:19:31,210 --> 00:19:28,820

to Whitley Strieber and as a result we

375

00:19:33,549 --> 00:19:31,220

all went on to his radio show to talk

376

00:19:36,250 --> 00:19:33,559

about this particular photo but yeah yes

377

00:19:39,940 --> 00:19:36,260

he still has experiences and how old is

378

00:19:42,129 --> 00:19:39,950

he now he's in his 30s oh my goodness

379

00:19:46,240 --> 00:19:42,139

Wow yeah I mean they're experienced

380

00:19:49,330 --> 00:19:46,250

happened in 1981 mm-hmm quite a while

381

00:19:50,860 --> 00:19:49,340

back and they it was go ahead I was

382

00:19:52,810 --> 00:19:50,870

on an Air Force Base or something like

383

00:19:55,180 --> 00:19:52,820

that yeah well they were moving from

384

00:19:58,570 --> 00:19:55,190

southern Georgia to st. Augustine and

385

00:20:00,370 --> 00:19:58,580

she and her youngest son were in a car

386

00:20:03,130 --> 00:20:00,380

behind the husband and the other two

387

00:20:05,380 --> 00:20:03,140

sons who were in the moving man and they

388

00:20:10,360 --> 00:20:05,390

were driving i-75 and it was night

389

00:20:11,920 --> 00:20:10,370

now I 75 at night is dark and it's it's

390

00:20:15,130 --> 00:20:11,930

a little unnerving especially if you're

391

00:20:18,180 --> 00:20:15,140

you know a mother with with a kid but

392

00:20:21,430 --> 00:20:18,190

suddenly she found that they weren't on

393

00:20:23,140 --> 00:20:21,440

i-75 anymore and she couldn't figure out

394

00:20:29,580 --> 00:20:23,150

what had happened because she hadn't

395

00:20:32,440 --> 00:20:29,590

taken an exit and then all of a sudden

396

00:20:35,680 --> 00:20:32,450

they find themselves on an Air Force

397

00:20:37,270 --> 00:20:35,690

Base and she and her son are on the

398

00:20:41,200 --> 00:20:37,280

ground kneeling in front of these

399

00:20:43,840 --> 00:20:41,210

militia guys with assault rifles she who

400

00:20:46,870 --> 00:20:43,850

also had ETS with them great Oh

401
00:20:51,850 --> 00:20:46,880
oh my god her head you've got choppers

402
00:20:52,870 --> 00:20:51,860
did her were like and a ship and they

403
00:20:56,710 --> 00:20:52,880
were being threatened

404
00:20:59,380 --> 00:20:56,720
and one of the military guy said if you

405
00:21:04,470 --> 00:20:59,390
ever and then she didn't know what else

406
00:21:10,210 --> 00:21:08,290
seems like it's pretty hard for a woman

407
00:21:14,080 --> 00:21:10,220
with her little boy driving down a road

408
00:21:16,180 --> 00:21:14,090
to get on to a military installation and

409
00:21:19,600 --> 00:21:16,190
get to that point without somebody

410
00:21:23,860 --> 00:21:19,610
helping him get there exactly and when

411
00:21:26,050 --> 00:21:23,870
they when they left they didn't know how

412
00:21:29,400 --> 00:21:26,060
to get off the base and they they

413
00:21:31,330 --> 00:21:29,410

stopped at what Connie described as a

414

00:21:33,370 --> 00:21:31,340

convenience store a convenience store

415

00:21:35,940 --> 00:21:33,380

but military bases don't have

416

00:21:39,100 --> 00:21:35,950

convenience stores so there's some

417

00:21:41,530 --> 00:21:39,110

questions about what she was actually

418

00:21:43,630 --> 00:21:41,540

experiencing they have commissaries but

419

00:21:46,210 --> 00:21:43,640

not convenience stores but she was told

420

00:21:49,840 --> 00:21:46,220

that well the the only way to get off

421

00:21:53,050 --> 00:21:49,850

the base is the same way you came on and

422

00:21:55,210 --> 00:21:53,060

she said she had no idea how she she got

423

00:21:58,360 --> 00:21:55,220

on the base but eventually she was able

424

00:22:00,490 --> 00:21:58,370

to get back on to the to the interstate

425

00:22:03,240 --> 00:22:00,500

but it's a it's a fascinating story

426

00:22:06,990 --> 00:22:03,250

because there's just

427

00:22:10,460 --> 00:22:07,000

so many different levels to it of what

428

00:22:14,310 --> 00:22:10,470

was going on and her she ended up

429

00:22:17,460 --> 00:22:14,320

arriving at the house about more than

430

00:22:20,070 --> 00:22:17,470

two hours I was five or six hours that

431

00:22:22,710 --> 00:22:20,080

was yeah long after she is supposed to

432

00:22:24,360 --> 00:22:22,720

be and her husband and the other two two

433

00:22:26,130 --> 00:22:24,370

boys had just gone on ahead because this

434

00:22:27,300 --> 00:22:26,140

was it in the days before cellphones I

435

00:22:29,580 --> 00:22:27,310

didn't they thought maybe they'd stop

436

00:22:31,080 --> 00:22:29,590

for a bite to eat or something and they

437

00:22:34,440 --> 00:22:31,090

must have been absolutely going crazy

438

00:22:36,090 --> 00:22:34,450

were there two hours yeah well that

439

00:22:37,740 --> 00:22:36,100

would be the first interstate highway

440

00:22:40,290 --> 00:22:37,750

that I know of that runs right through a

441

00:22:42,660 --> 00:22:40,300

military installation I'll tell you well

442

00:22:47,010 --> 00:22:42,670

actually it was the installation was

443

00:22:51,120 --> 00:22:47,020

Warner Robins and it's about 12 12 to 15

444

00:22:54,930 --> 00:22:51,130

miles off i-75 yeah so that makes it

445

00:22:56,930 --> 00:22:54,940

even harder yeah well and this is not

446

00:23:02,190 --> 00:22:56,940

just stuff that's been happening since

447

00:23:06,780 --> 00:23:02,200

1947 there's there's a lot of documents

448

00:23:11,030 --> 00:23:06,790

books ancient texts paintings all kinds

449

00:23:13,140 --> 00:23:11,040

of things that show that some kind of

450

00:23:16,740 --> 00:23:13,150

sightings of what could only be called

451
00:23:18,840 --> 00:23:16,750
UFOs have been happening for hundreds if

452
00:23:21,620 --> 00:23:18,850
not thousands of years right well that's

453
00:23:24,420 --> 00:23:21,630
what ancient aliens is about the TV show

454
00:23:26,640 --> 00:23:24,430
basically right and and there's the

455
00:23:29,060 --> 00:23:26,650
pictures of the Vimanas that are in some

456
00:23:31,950 --> 00:23:29,070
of the ancient hindu paintings and

457
00:23:33,960 --> 00:23:31,960
things from the Middle Ages and that's

458
00:23:38,400 --> 00:23:33,970
not even counting the writing it's just

459
00:23:40,530 --> 00:23:38,410
the visual arts but you bring up a point

460
00:23:42,390 --> 00:23:40,540
in the book were you saying well why are

461
00:23:44,340 --> 00:23:42,400
they here are they here to help us are

462
00:23:45,960 --> 00:23:44,350
they just observing and collecting data

463
00:23:50,070 --> 00:23:45,970

and they're just gonna watch but they're

464

00:23:52,040 --> 00:23:50,080

gonna be the separate observers or are

465

00:23:54,990 --> 00:23:52,050

they here to take advantage or at worst

466

00:23:56,910 --> 00:23:55,000

setup the end of our species yeah

467

00:23:58,950 --> 00:23:56,920

there's really not a firm answer to that

468

00:24:00,720 --> 00:23:58,960

is there no you get a million different

469

00:24:02,100 --> 00:24:00,730

answers I mean there's some people who

470

00:24:04,350 --> 00:24:02,110

believe that they're here to help us

471

00:24:07,080 --> 00:24:04,360

evolve there's some people who believe

472

00:24:10,140 --> 00:24:07,090

that they're evil and then there's other

473

00:24:14,280 --> 00:24:10,150

people who believe that you know it's an

474

00:24:15,600 --> 00:24:14,290

expedition and probably the answer is

475

00:24:18,030 --> 00:24:15,610

all of the above

476

00:24:20,730 --> 00:24:18,040

yeah it could be because I mean if the

477

00:24:22,590 --> 00:24:20,740

different species are coming from

478

00:24:26,760 --> 00:24:22,600

different cultures and planets with

479

00:24:29,250 --> 00:24:26,770

different plans in mind it could be some

480

00:24:33,120 --> 00:24:29,260

of all that what could also be different

481

00:24:36,090 --> 00:24:33,130

dimensions mm hmm hmm so I you know I

482

00:24:38,280 --> 00:24:36,100

don't think anybody really knows but

483

00:24:41,340 --> 00:24:38,290

there's one theory that there is like a

484

00:24:43,350 --> 00:24:41,350

cosmic war going on between some of

485

00:24:49,850 --> 00:24:43,360

these groups that are aligned with each

486

00:24:53,640 --> 00:24:49,860

other and that planet Earth is in is

487

00:24:56,460 --> 00:24:53,650

part part of the part of it but we don't

488

00:24:59,100 --> 00:24:56,470

know exactly you know what what's going

489

00:25:02,070 --> 00:24:59,110

on there's it's a it's like a war at a

490

00:25:04,530 --> 00:25:02,080

higher level of consciousness than we're

491

00:25:07,830 --> 00:25:04,540

aware of where there's probably not

492

00:25:10,830 --> 00:25:07,840

weapons like we have with guns and

493

00:25:15,480 --> 00:25:10,840

bullets and bombs but different a

494

00:25:17,310 --> 00:25:15,490

different sort of war altogether and you

495

00:25:19,920 --> 00:25:17,320

know some people some of these abductees

496

00:25:21,420 --> 00:25:19,930

who have had sperm and ovum taken from

497

00:25:24,360 --> 00:25:21,430

them believe that there's an actual

498

00:25:26,820 --> 00:25:24,370

breeding program mm-hmm so you know

499

00:25:29,490 --> 00:25:26,830

that's another whole facet to this thing

500

00:25:32,160 --> 00:25:29,500

yeah I've read a couple of different

501
00:25:35,250 --> 00:25:32,170
writers opinions that maybe some of

502
00:25:37,080 --> 00:25:35,260
these civilizations just can't read

503
00:25:39,210 --> 00:25:37,090
themselves successfully anymore and

504
00:25:42,090 --> 00:25:39,220
they're dying out so they're trying to

505
00:25:45,800 --> 00:25:42,100
kick start their own civilizations again

506
00:25:49,140 --> 00:25:45,810
by borrowing DNA I can understand that

507
00:25:50,610 --> 00:25:49,150
well some women who've experienced this

508
00:25:51,960 --> 00:25:50,620
we write about this one woman in the

509
00:25:56,310 --> 00:25:51,970
book Diane fine

510
00:25:58,140 --> 00:25:56,320
yeah after her experience a few maybe

511
00:25:59,700 --> 00:25:58,150
five or six years later she had an other

512
00:26:04,110 --> 00:25:59,710
experience where she found herself on a

513
00:26:07,370 --> 00:26:04,120

craft and they showed her a child a real

514

00:26:10,140 --> 00:26:07,380

sickly infant and this also happened to

515

00:26:11,670 --> 00:26:10,150

Connie you know whether it was actually

516

00:26:15,240 --> 00:26:11,680

shown this is your baby

517

00:26:17,220 --> 00:26:15,250

yeah with with Diane no it's really

518

00:26:19,200 --> 00:26:17,230

interesting when she was in high school

519

00:26:22,320 --> 00:26:19,210

she was diagnosed with cystic ovary

520

00:26:24,210 --> 00:26:22,330

disease mm-hmm and was told she would

521

00:26:25,890 --> 00:26:24,220

never be able to have kids she'd had

522

00:26:27,480 --> 00:26:25,900

three surgeries by the time she was in

523

00:26:29,820 --> 00:26:27,490

our late teens

524

00:26:33,299 --> 00:26:29,830

and yet while living in a college town

525

00:26:35,250 --> 00:26:33,309

upstate New York she began to manifest

526
00:26:38,490 --> 00:26:35,260
symptoms of a pregnancy so she went to

527
00:26:41,880 --> 00:26:38,500
her family doctor and he said you're

528
00:26:43,320 --> 00:26:41,890
pregnant and she was shocked and so is

529
00:26:46,169 --> 00:26:43,330
the doctor because it wasn't supposed to

530
00:26:48,029 --> 00:26:46,179
happen and in those days there was

531
00:26:49,470 --> 00:26:48,039
nothing in upstate New York to handle

532
00:26:52,169 --> 00:26:49,480
what the doctor considered was a

533
00:26:57,360 --> 00:26:52,179
high-risk pregnancy so he sent her to a

534
00:26:59,460 --> 00:26:57,370
clinic in Burlington Vermont so she and

535
00:27:01,769 --> 00:26:59,470
her it's like three hour trip from where

536
00:27:07,019 --> 00:27:01,779
she's at a car so she and two roommates

537
00:27:09,510 --> 00:27:07,029
left one morning and I guess this gets

538
00:27:13,529 --> 00:27:09,520

strange as they went through the town of

539

00:27:15,269 --> 00:27:13,539

Denham aura a really thick fog right

540

00:27:18,000 --> 00:27:15,279

after they went through Denham a really

541

00:27:19,470 --> 00:27:18,010

thick fog moved in and they could she

542

00:27:21,149 --> 00:27:19,480

couldn't meet the driver couldn't see so

543

00:27:23,370 --> 00:27:21,159

they suggested well let's pull off the

544

00:27:27,149 --> 00:27:23,380

road wait till the fog passes so they

545

00:27:29,430 --> 00:27:27,159

found this driveway pulled up to a barn

546

00:27:31,799 --> 00:27:29,440

that had been converted into what looked

547

00:27:35,250 --> 00:27:31,809

like you know like a soda fountain or an

548

00:27:37,769 --> 00:27:35,260

old restaurant and they were waiting on

549

00:27:43,200 --> 00:27:37,779

by what she described as an elderly

550

00:27:46,710 --> 00:27:43,210

couple small short and they ordered soda

551
00:27:49,019 --> 00:27:46,720
pop and Diane said after that first sip

552
00:27:51,029 --> 00:27:49,029
of that drink that was the last thing

553
00:27:54,630 --> 00:27:51,039
she remembered until she and her

554
00:27:58,769 --> 00:27:54,640
roommates were at the ferry dock ready

555
00:28:01,139 --> 00:27:58,779
to cross Lake Champlain Wow the drink

556
00:28:03,000 --> 00:28:01,149
was something very sweet and nothing

557
00:28:05,880 --> 00:28:03,010
like they had ever tasted before and

558
00:28:07,919 --> 00:28:05,890
then they just didn't have any memory of

559
00:28:10,740 --> 00:28:07,929
what happened after that just it was

560
00:28:12,240 --> 00:28:10,750
also late afternoon and they they had

561
00:28:13,950 --> 00:28:12,250
left early morning by the time they

562
00:28:15,210 --> 00:28:13,960
reached the ferry station it was late

563
00:28:17,250 --> 00:28:15,220

afternoon so obviously there was some

564

00:28:20,909 --> 00:28:17,260

missing time here so then she gets to

565

00:28:23,130 --> 00:28:20,919

the clinic and she's examined and the

566

00:28:24,720 --> 00:28:23,140

nurse calls in somebody else and they

567

00:28:27,899 --> 00:28:24,730

confer for a few minutes and then they

568

00:28:30,029 --> 00:28:27,909

tell him you're not pregnant and yet

569

00:28:31,470 --> 00:28:30,039

they had the urine test the blood tests

570

00:28:35,070 --> 00:28:31,480

everything that said she had them

571

00:28:36,720 --> 00:28:35,080

pregnant and that's it what it was

572

00:28:38,430 --> 00:28:36,730

wasn't until a few years later that she

573

00:28:40,110 --> 00:28:38,440

started reading about abductions and

574

00:28:40,790 --> 00:28:40,120

missing pregnancies and she figured out

575

00:28:42,980 --> 00:28:40,800

what

576

00:28:44,330 --> 00:28:42,990

happen to her but she was so upset by

577

00:28:46,100 --> 00:28:44,340

the time she left there they had to give

578

00:28:48,520 --> 00:28:46,110

her a valium because she knew something

579

00:28:51,620 --> 00:28:48,530

had happened she just didn't know what

580

00:28:54,770 --> 00:28:51,630

then the kicker to it is as they were

581

00:28:57,800 --> 00:28:54,780

coming back the same way driving back

582

00:29:00,230 --> 00:28:57,810

after they got off the ferry coming

583

00:29:03,080 --> 00:29:00,240

towards Dannemora they found that that

584

00:29:04,910 --> 00:29:03,090

roadway where they had gone and they

585

00:29:06,170 --> 00:29:04,920

drove in there and there was no

586

00:29:09,920 --> 00:29:06,180

restaurant there no barn

587

00:29:14,030 --> 00:29:09,930

no nothing oh my goodness sounds a

588

00:29:16,820 --> 00:29:14,040

little bit like screen what am i one of

589

00:29:20,300 --> 00:29:16,830

my favorite movies the one that happens

590

00:29:22,880 --> 00:29:20,310

in Scotland we're at Brigadoon where

591

00:29:24,410 --> 00:29:22,890

there's a there's a terrible fog and the

592

00:29:26,150 --> 00:29:24,420

town only appears once every hundred

593

00:29:29,030 --> 00:29:26,160

years all right

594

00:29:34,040 --> 00:29:29,040

yeah only this is this is scary that's

595

00:29:35,600 --> 00:29:34,050

kind of a charming movie but we've got a

596

00:29:37,940 --> 00:29:35,610

question let me remind everybody that

597

00:29:40,400 --> 00:29:37,950

we're listening to Rob and Trish

598

00:29:41,930 --> 00:29:40,410

MacGregor talked about their book aliens

599

00:29:44,210 --> 00:29:41,940

in the backyard and I've posted the

600

00:29:46,640 --> 00:29:44,220

image there of the book cover in the

601
00:29:49,400 --> 00:29:46,650
chat room a couple of times and if you

602
00:29:51,620 --> 00:29:49,410
go to Inception Radio Network calm and

603
00:29:54,220 --> 00:29:51,630
go to chatroom you can jump in there and

604
00:29:56,930 --> 00:29:54,230
send me questions like Carol just did

605
00:29:59,270 --> 00:29:56,940
one for Robin Trish and I think this is

606
00:30:01,610 --> 00:29:59,280
a pretty interesting question if you

607
00:30:05,270 --> 00:30:01,620
were invited to go offworld by aliens

608
00:30:09,380 --> 00:30:05,280
both of you what would you do you mean

609
00:30:10,940 --> 00:30:09,390
what would we say tell me what you would

610
00:30:13,190 --> 00:30:10,950
say might be different from what you

611
00:30:15,320 --> 00:30:13,200
could do I probably run home screaming

612
00:30:17,720 --> 00:30:15,330
huh well I wouldn't want to go without

613
00:30:20,200 --> 00:30:17,730

my dog no me either the interesting

614

00:30:23,180 --> 00:30:20,210

thing is that doesn't seem to happen

615

00:30:25,940 --> 00:30:23,190

what happens is that you are just taken

616

00:30:29,030 --> 00:30:25,950

I mean I can't think of any examples

617

00:30:31,700 --> 00:30:29,040

where somebody was just approached and

618

00:30:34,210 --> 00:30:31,710

said would you like to go on this ship

619

00:30:38,090 --> 00:30:34,220

now and take a cruise to another planet

620

00:30:42,130 --> 00:30:38,100

I've never heard that but if these

621

00:30:44,390 --> 00:30:42,140

things have happened but it's all under

622

00:30:51,080 --> 00:30:44,400

lessons your wealth against your will

623

00:30:55,039 --> 00:30:51,090

and less than comfortable scenarios yeah

624

00:30:58,189 --> 00:30:55,049

I think the smiling fella

625

00:31:01,159 --> 00:30:58,199

in close encounters who willingly just

626
00:31:03,439 --> 00:31:01,169
was skipping gaily onto the mothership

627
00:31:05,539 --> 00:31:03,449
with with all the other astronauts the

628
00:31:08,930 --> 00:31:05,549
only time I've seen someone look like

629
00:31:11,269 --> 00:31:08,940
they were really willing to go right and

630
00:31:14,439 --> 00:31:11,279
they don't that movie - with the all the

631
00:31:15,739 --> 00:31:14,449
old folks from the old boku-kun right oh

632
00:31:20,569 --> 00:31:15,749
yeah

633
00:31:22,389 --> 00:31:20,579
reminding me of Soylent Green and we're

634
00:31:25,549 --> 00:31:22,399
not going to go there yeah all right

635
00:31:28,579 --> 00:31:25,559
well let's let's go back to the very

636
00:31:29,589 --> 00:31:28,589
beginning and I know two stories in your

637
00:31:33,049 --> 00:31:29,599
book that I thought were really

638
00:31:35,149 --> 00:31:33,059

interesting some my question is how did

639

00:31:37,009 --> 00:31:35,159

you get involved in this particular line

640

00:31:39,139 --> 00:31:37,019

of inquiry and when did you start and

641

00:31:41,119 --> 00:31:39,149

I'm going to ask you if you would to

642

00:31:42,409 --> 00:31:41,129

talk about your Ouija board story

643

00:31:50,239 --> 00:31:42,419

because I thought it was really

644

00:31:54,819 --> 00:31:50,249

interesting our admission well first of

645

00:31:59,719 --> 00:31:54,829

all we we've both been fascinated by

646

00:32:02,930 --> 00:31:59,729

UFOs since childhood and we both had

647

00:32:05,409 --> 00:32:02,940

some experiences when we were young one

648

00:32:07,729 --> 00:32:05,419

or two experiences I clearly remember

649

00:32:10,069 --> 00:32:07,739

being eight or nine years old and

650

00:32:14,180 --> 00:32:10,079

standing out in the dark on the

651
00:32:16,969 --> 00:32:14,190
intersection near where I lived and it's

652
00:32:19,879 --> 00:32:16,979
something that I would never do I was I

653
00:32:23,539 --> 00:32:19,889
was young and my mother would always you

654
00:32:27,409 --> 00:32:23,549
know by sundown or so we would unless I

655
00:32:30,769 --> 00:32:27,419
was with some parents were outside with

656
00:32:33,399 --> 00:32:30,779
other kids I wouldn't be out there by my

657
00:32:35,779 --> 00:32:33,409
I was out there by my myself and

658
00:32:39,469 --> 00:32:35,789
standing in the intersection looking up

659
00:32:42,829 --> 00:32:39,479
and seeing these lights I still could

660
00:32:46,539 --> 00:32:42,839
still can picture these lights green red

661
00:32:50,930 --> 00:32:46,549
blue and they're moving in circles and

662
00:32:55,129 --> 00:32:50,940
making strange movements through the sky

663
00:32:56,899 --> 00:32:55,139

and I'm just standing there and then I

664

00:33:00,559 --> 00:32:56,909

go in and my mother

665

00:33:03,559 --> 00:33:00,569

strangely says we wanted we just decided

666

00:33:05,239 --> 00:33:03,569

we would let you stand out the stand out

667

00:33:07,430 --> 00:33:05,249

there and see how long you would be out

668

00:33:08,670 --> 00:33:07,440

by yourself tonight which was unusual

669

00:33:10,890 --> 00:33:08,680

for the

670

00:33:13,380 --> 00:33:10,900

her to say something like that and that

671

00:33:17,070 --> 00:33:13,390

then the next day my father told the

672

00:33:19,770 --> 00:33:17,080

story of what I saw and my father the

673

00:33:21,630 --> 00:33:19,780

next day told me that he had heard on

674

00:33:24,330 --> 00:33:21,640

the radio that other people had reported

675

00:33:27,720 --> 00:33:24,340

seeing these same lights in the sky so

676

00:33:29,640 --> 00:33:27,730

that was my first experience that was is

677

00:33:32,220 --> 00:33:29,650

very clear and you had something in

678

00:33:35,430 --> 00:33:32,230

college no I had something I went to I

679

00:33:38,340 --> 00:33:35,440

was born and raised overseas and by the

680

00:33:40,380 --> 00:33:38,350

time I would finish ninth grade there

681

00:33:41,580 --> 00:33:40,390

were no other schools to go to so I got

682

00:33:44,010 --> 00:33:41,590

shipped off to a boarding school

683

00:33:45,900 --> 00:33:44,020

assjuice 'its and one night after lights

684

00:33:48,540 --> 00:33:45,910

out we're in this other girl's room

685

00:33:50,910 --> 00:33:48,550

there were seven or eight of us and you

686

00:33:55,230 --> 00:33:50,920

know talking and doing whatever girls

687

00:33:58,440 --> 00:33:55,240

that age to being bad and through the

688

00:34:01,440 --> 00:33:58,450

window I saw what I knew was a UFO I

689

00:34:04,080 --> 00:34:01,450

mean first it was stationary then it

690

00:34:05,430 --> 00:34:04,090

kind of meandered back and forth and

691

00:34:07,680 --> 00:34:05,440

then I called the other girl's attention

692

00:34:09,389 --> 00:34:07,690

to it and we must have watched this

693

00:34:11,850 --> 00:34:09,399

thing for I don't know five or ten

694

00:34:15,860 --> 00:34:11,860

minutes and then it shot off like it's a

695

00:34:18,870 --> 00:34:15,870

speed of light I thought wow does UFO

696

00:34:21,270 --> 00:34:18,880

yeah so we've had some experiences since

697

00:34:24,810 --> 00:34:21,280

no sightings but the the Ouija board

698

00:34:27,919 --> 00:34:24,820

story that was something very near the

699

00:34:32,310 --> 00:34:27,929

time where we met shortly after we met

700

00:34:36,600 --> 00:34:32,320

in the early nineteen eighties 1981 and

701

00:34:38,430 --> 00:34:36,610

I had I just said to Trish why don't we

702

00:34:41,100 --> 00:34:38,440

get a Ouija board and see what happens

703

00:34:45,870 --> 00:34:41,110

so we went out to a hobby type store

704

00:34:48,000 --> 00:34:45,880

found one bought it and so I started

705

00:34:50,370 --> 00:34:48,010

messing around with that first it was

706

00:34:55,710 --> 00:34:50,380

very slow moving and then suddenly it

707

00:34:57,870 --> 00:34:55,720

seemed to pick up and started spelling

708

00:35:03,900 --> 00:34:57,880

words making sense making sense and

709

00:35:07,290 --> 00:35:03,910

answering questions and and what we were

710

00:35:10,590 --> 00:35:07,300

told is that the we were in

711

00:35:13,620 --> 00:35:10,600

communication with somebody on a craft

712

00:35:16,020 --> 00:35:13,630

so we asked for proof yeah so yeah I was

713

00:35:21,829 --> 00:35:16,030

working as a newspaper reporter and and

714

00:35:26,270 --> 00:35:21,839

I know from my just from my reading that

715

00:35:29,060 --> 00:35:26,280

Ouija boards are you may get some

716

00:35:30,859 --> 00:35:29,070

interesting information but they're

717

00:35:40,960 --> 00:35:30,869

they're not very trustworthy as far as

718

00:35:45,500 --> 00:35:40,970

factual information and so very gracious

719

00:35:47,570 --> 00:35:45,510

so we asked for proof and we were told

720

00:35:49,820 --> 00:35:47,580

well first the lights went off yeah

721

00:35:54,500 --> 00:35:49,830

lights blinked on and off several times

722

00:35:58,150 --> 00:35:54,510

oh okay yeah that was strange and then

723

00:36:03,560 --> 00:35:58,160

we were told to go to the airport and

724

00:36:06,770 --> 00:36:03,570

and and watch the sky so we were at

725

00:36:08,390 --> 00:36:06,780

Trish's apartment in she lived in Fort

726

00:36:11,390 --> 00:36:08,400

Lauderdale I lived in Hollywood Florida

727

00:36:15,349 --> 00:36:11,400

about ten miles away and so he went to

728

00:36:17,120 --> 00:36:15,359

the air the Fort Lauderdale Airport

729

00:36:19,250 --> 00:36:17,130

which at that time was pretty small you

730

00:36:20,990 --> 00:36:19,260

could drive up to the fence and just

731

00:36:23,990 --> 00:36:21,000

park on the outside of the fence and sit

732

00:36:26,420 --> 00:36:24,000

back and watch the airplanes taking off

733

00:36:28,609 --> 00:36:26,430

and landing and so this was about one

734

00:36:30,650 --> 00:36:28,619

o'clock the airport was pretty quiet one

735

00:36:33,050 --> 00:36:30,660

o'clock in the morning and we were out

736

00:36:36,230 --> 00:36:33,060

there for about an hour so just watching

737

00:36:40,930 --> 00:36:36,240

the sky and you know nothing happened I

738

00:36:46,760 --> 00:36:40,940

thought that that figures so you know we

739

00:36:51,109 --> 00:36:46,770

we we headed home and I had to be up

740

00:36:53,180 --> 00:36:51,119

early in the morning to to the to be to

741

00:36:56,630 --> 00:36:53,190

work at the newspaper and as soon as I

742

00:37:00,200 --> 00:36:56,640

got there I got assigned to go to a

743

00:37:04,070 --> 00:37:00,210

school board meeting and I had to sit

744

00:37:07,460 --> 00:37:04,080

through a school board meeting and and I

745

00:37:09,530 --> 00:37:07,470

had to call in a story about 10:30 for

746

00:37:12,349 --> 00:37:09,540

the first deadline and then I had to

747

00:37:14,480 --> 00:37:12,359

rush back and expand the story for the

748

00:37:16,940 --> 00:37:14,490

second deadline so I was in the office

749

00:37:20,720 --> 00:37:16,950

typing away typing away in there and

750

00:37:23,240 --> 00:37:20,730

there was another reporter in the in the

751
00:37:25,280 --> 00:37:23,250
next at the next desk and she was typing

752
00:37:27,320 --> 00:37:25,290
away typing away and we both finished

753
00:37:30,109 --> 00:37:27,330
our stories about the same time and I

754
00:37:33,530 --> 00:37:30,119
turned to her and I asked what were you

755
00:37:35,030 --> 00:37:33,540
writing about she said a UFO was sighted

756
00:37:37,640 --> 00:37:35,040
last night by

757
00:37:39,770 --> 00:37:37,650
the COTS over Perry Airport I said Perry

758
00:37:43,160 --> 00:37:39,780
Airport that's that's in Hollywood

759
00:37:46,310 --> 00:37:43,170
you're where I live the wrong Airport is

760
00:37:48,620 --> 00:37:46,320
fun we went to port but you know those

761
00:37:51,200 --> 00:37:48,630
the the police said I'd seen it was

762
00:37:53,720 --> 00:37:51,210
hovering over Perry or Airport so that

763
00:37:56,870 --> 00:37:53,730

night we got together again let's go to

764

00:37:59,750 --> 00:37:56,880

Perry Airport we went there drove up

765

00:38:02,510 --> 00:37:59,760

there completely dark there a very small

766

00:38:04,420 --> 00:38:02,520

airport private Airport and again we

767

00:38:08,210 --> 00:38:04,430

spent about an hour there staring up

768

00:38:12,500 --> 00:38:08,220

nothing again so then we're we're in

769

00:38:17,270 --> 00:38:12,510

separate cars and we're heading out and

770

00:38:18,860 --> 00:38:17,280

we get down to a red light and I play

771

00:38:23,210 --> 00:38:18,870

around with the radio and suddenly I

772

00:38:28,120 --> 00:38:23,220

start getting something unusual like an

773

00:38:31,580 --> 00:38:28,130

old drama like from the 1940s before

774

00:38:36,200 --> 00:38:31,590

before television and some late night

775

00:38:39,560 --> 00:38:36,210

drama that I had and I listened to it

776

00:38:42,050 --> 00:38:39,570

and amazingly one of the characters is

777

00:38:42,290 --> 00:38:42,060

an alien and I couldn't believe it you

778

00:38:46,100 --> 00:38:42,300

know

779

00:38:47,690 --> 00:38:46,110

after two nights of this and Michoud on

780

00:38:50,050 --> 00:38:47,700

sleep and then I'm listening to this

781

00:38:53,450 --> 00:38:50,060

radio drama of an alien talking to me

782

00:38:56,900 --> 00:38:53,460

that's amazing and if you'd only gone to

783

00:38:57,920 --> 00:38:56,910

the other Airport instead yeah that's

784

00:39:04,520 --> 00:38:57,930

amazing

785

00:39:06,670 --> 00:39:04,530

write about in your book has I'm going

786

00:39:09,170 --> 00:39:06,680

to say that this has an overlap with

787

00:39:11,030 --> 00:39:09,180

sightings of ghost ships and things like

788

00:39:12,890 --> 00:39:11,040

that and a lot of this book also

789

00:39:13,790 --> 00:39:12,900

overlaps with the other book we talked

790

00:39:16,730 --> 00:39:13,800

about a couple of months ago

791

00:39:18,350 --> 00:39:16,740

synchronicity both of them are excellent

792

00:39:20,630 --> 00:39:18,360

books and you've got a couple of more

793

00:39:23,750 --> 00:39:20,640

out since then that relate to the same

794

00:39:26,240 --> 00:39:23,760

topic so everybody highly recommended go

795

00:39:30,650 --> 00:39:26,250

to amazon.com and you have it's on

796

00:39:32,900 --> 00:39:30,660

Kindle too right right yes okay so but

797

00:39:34,850 --> 00:39:32,910

you I was fascinated one of the very

798

00:39:38,180 --> 00:39:34,860

first things in this book that you talk

799

00:39:41,050 --> 00:39:38,190

about is a trip you took all the way to

800

00:39:43,760 --> 00:39:41,060

I believe the south tip of South America

801
00:39:46,010 --> 00:39:43,770
and you heard that there was a ghost

802
00:39:48,690 --> 00:39:46,020
ship down there and you actually sort of

803
00:39:50,849 --> 00:39:48,700
went looking for it it was our honeymoon

804
00:39:54,180 --> 00:39:50,859
huh not everybody does that for their

805
00:39:56,460 --> 00:39:54,190
honey well this Chilean airline had

806
00:39:59,220 --> 00:39:56,470
really inexpensive tickets and you got

807
00:40:03,089 --> 00:39:59,230
to stop an Ecuador and in Chile so we

808
00:40:04,770 --> 00:40:03,099
flew to Chile first and on the plane I

809
00:40:06,839 --> 00:40:04,780
had sat we were sitting next to a

810
00:40:08,910 --> 00:40:06,849
Chilean woman and I asked her I said

811
00:40:11,220 --> 00:40:08,920
well where could we go in Chile that

812
00:40:13,170 --> 00:40:11,230
were there's myth and superstition you

813
00:40:17,849 --> 00:40:13,180

know and weird stuff she says hahaha

814

00:40:18,720 --> 00:40:17,859

legends she goes uh Hollywood she never

815

00:40:20,670 --> 00:40:18,730

heard of this place

816

00:40:22,020 --> 00:40:20,680

no it's a little island away Oh cute

817

00:40:23,700 --> 00:40:22,030

away that's right Hollywood you wish

818

00:40:25,410 --> 00:40:23,710

this ship yeah yeah and then she told me

819

00:40:27,480 --> 00:40:25,420

about the ghost ship to college and how

820

00:40:29,130 --> 00:40:27,490

people in Chile way believe in mermaids

821

00:40:34,730 --> 00:40:29,140

I mean so I said that's where we're

822

00:40:38,760 --> 00:40:34,740

going Wow we ended up yeah and the

823

00:40:44,420 --> 00:40:38,770

situation how we look at it with the

824

00:40:48,210 --> 00:40:44,430

carlucci is that well tell me what the

825

00:40:52,200 --> 00:40:48,220

ecology is is a ghost ship that several

826

00:40:54,630 --> 00:40:52,210

times a year appears in this one port on

827

00:40:57,630 --> 00:40:54,640

the island it's not really a port it's

828

00:41:00,450 --> 00:40:57,640

just a shallow that's a shower size

829

00:41:03,780 --> 00:41:00,460

could not could not enter right did that

830

00:41:06,180 --> 00:41:03,790

ship ever really exist no there's no

831

00:41:10,730 --> 00:41:06,190

record of it okay okay so it's those

832

00:41:14,490 --> 00:41:10,740

ship of a ghost ship right okay in fact

833

00:41:19,410 --> 00:41:14,500

the word call each a comes from a Native

834

00:41:23,490 --> 00:41:19,420

American language called it's hard to

835

00:41:28,859 --> 00:41:23,500

pronounce ma PUD ung you nmap food and

836

00:41:32,400 --> 00:41:28,869

gun and it's it's a combination of two

837

00:41:36,440 --> 00:41:32,410

words from the language Carlton

838

00:41:39,990 --> 00:41:36,450

which is C Aleu TN which means transfer

839

00:41:44,480 --> 00:41:40,000

transform or change States and che CH e

840

00:41:51,300 --> 00:41:44,490

means people so it's like transformation

841

00:41:53,460 --> 00:41:51,310

transforming States and the so it's it

842

00:41:55,440 --> 00:41:53,470

goes far beyond just sightings of this

843

00:41:57,480 --> 00:41:55,450

ghost ship there are actually abductions

844

00:41:59,280 --> 00:41:57,490

and that's what it was we found

845

00:42:02,010 --> 00:41:59,290

fascinating the

846

00:42:06,120 --> 00:42:02,020

the similar similarities to alien

847

00:42:09,270 --> 00:42:06,130

abductions and we found they also have

848

00:42:11,580 --> 00:42:09,280

their own men in black yeah so oh yeah I

849

00:42:15,810 --> 00:42:11,590

remember that now right godless

850

00:42:20,400 --> 00:42:15,820

negotiate they come ashore and there's

851
00:42:23,130 --> 00:42:20,410
one story of a man who disappeared for

852
00:42:25,500 --> 00:42:23,140
fifty years and was found by his brother

853
00:42:27,990 --> 00:42:25,510
sitting in their abandoned childhood

854
00:42:29,640 --> 00:42:28,000
home wearing the same clothes he had

855
00:42:32,100 --> 00:42:29,650
been wearing when he disappeared and

856
00:42:34,830 --> 00:42:32,110
when they asked him where he'd been he

857
00:42:37,350 --> 00:42:34,840
said on a boat and not to ask him any

858
00:42:40,680 --> 00:42:37,360
more questions oh my goodness and

859
00:42:44,100 --> 00:42:40,690
there's another man named Juan Antonio

860
00:42:47,640 --> 00:42:44,110
Fernandez who was 16 when he left home

861
00:42:49,200 --> 00:42:47,650
at dawn one day to go fishing anyone and

862
00:42:52,380 --> 00:42:49,210
he said he was abducted by the crew of

863
00:42:54,630 --> 00:42:52,390

the kala you see he recalled that he was

864

00:42:56,250 --> 00:42:54,640

missing for two days they recalled that

865

00:42:58,560 --> 00:42:56,260

what happened is when he arrived at a

866

00:43:00,360 --> 00:42:58,570

small hill that overlooked the beach he

867

00:43:03,180 --> 00:43:00,370

heard a strange humming noise like

868

00:43:04,980 --> 00:43:03,190

motors and then when he was found by his

869

00:43:07,680 --> 00:43:04,990

family two days later just wandering

870

00:43:11,190 --> 00:43:07,690

aimlessly around he had this terrible

871

00:43:16,110 --> 00:43:11,200

scar on his chest shaped like a gigantic

872

00:43:19,710 --> 00:43:16,120

hand with long narrow fingers and these

873

00:43:20,780 --> 00:43:19,720

stories we learned were from a book by a

874

00:43:25,350 --> 00:43:20,790

Chilean author

875

00:43:26,610 --> 00:43:25,360

Antonio tabbies and but we also asked

876

00:43:29,370 --> 00:43:26,620

people who live there we found this

877

00:43:33,030 --> 00:43:29,380

fisherman who was on the beach and

878

00:43:36,090 --> 00:43:33,040

started asking him questions and you

879

00:43:37,830 --> 00:43:36,100

know he he was kind of he was kind of

880

00:43:40,560 --> 00:43:37,840

funny in the way that he here he was a

881

00:43:42,240 --> 00:43:40,570

fisherman who said that the legend for

882

00:43:44,730 --> 00:43:42,250

instance about the mermaids was that if

883

00:43:47,070 --> 00:43:44,740

the fish were running the mermaid would

884

00:43:48,810 --> 00:43:47,080

be facing Shores so the fisherman would

885

00:43:50,580 --> 00:43:48,820

know it and if the fish weren't running

886

00:43:52,590 --> 00:43:50,590

she'd be facing the ocean and they would

887

00:43:54,570 --> 00:43:52,600

know not to go out and then he sort of

888

00:43:57,420 --> 00:43:54,580

laughed he goes but that's that's a

889

00:43:59,460 --> 00:43:57,430

legend my grandfather told me yeah and

890

00:44:02,850 --> 00:43:59,470

yet you walk into restaurants and you

891

00:44:05,790 --> 00:44:02,860

see you know ashtrays that shaped like

892

00:44:07,890 --> 00:44:05,800

mermaids you see little icons of ghost

893

00:44:11,700 --> 00:44:07,900

ships you know so I mean it's it's

894

00:44:12,810 --> 00:44:11,710

definitely part of the urban lore but go

895

00:44:14,880 --> 00:44:12,820

ahead Rob yeah it's

896

00:44:17,070 --> 00:44:14,890

something unique there in centuries

897

00:44:20,400 --> 00:44:17,080

pastors and mythical creatures such as

898

00:44:22,470 --> 00:44:20,410

fairies and the Djinn in Arab lands that

899

00:44:26,880 --> 00:44:22,480

were said to abduct people so it's not

900

00:44:30,060 --> 00:44:26,890

the manat the only case of that that

901
00:44:33,890 --> 00:44:30,070
happening but I'll look at it as like a

902
00:44:37,560 --> 00:44:33,900
screen memory that's been implanted that

903
00:44:41,600 --> 00:44:37,570
they could the people of this island

904
00:44:44,640 --> 00:44:41,610
could accept the sense of a ghost ship

905
00:44:48,000 --> 00:44:44,650
but not these not aliens and a goat in a

906
00:44:50,070 --> 00:44:48,010
UFO right there are several hundred

907
00:44:54,120 --> 00:44:50,080
years ago they could accept the idea of

908
00:44:57,390 --> 00:44:54,130
a fairy right yeah yeah yeah an alien

909
00:44:59,640 --> 00:44:57,400
would be the inconceivable but it's

910
00:45:02,910 --> 00:44:59,650
interesting to think that maybe those

911
00:45:05,520 --> 00:45:02,920
stories that are so similar we are

912
00:45:07,980 --> 00:45:05,530
relating to the same perpetrators it's

913
00:45:10,200 --> 00:45:07,990

just that they've been given different

914

00:45:12,000 --> 00:45:10,210

labels and that was almost my very next

915

00:45:15,030 --> 00:45:12,010

question is can you explain what's green

916

00:45:18,240 --> 00:45:15,040

memories are yeah the interesting thing

917

00:45:23,030 --> 00:45:18,250

about screen memories is the question

918

00:45:25,770 --> 00:45:23,040

does the human mind create these the

919

00:45:29,430 --> 00:45:25,780

changed memories for example instead of

920

00:45:35,430 --> 00:45:29,440

seeing small grey creatures seeing owls

921

00:45:39,300 --> 00:45:35,440

or or deer or are they something that

922

00:45:41,340 --> 00:45:39,310

the aliens themselves have some effect

923

00:45:44,130 --> 00:45:41,350

over on our minds because they do seem

924

00:45:45,810 --> 00:45:44,140

to have a connection with human

925

00:45:51,060 --> 00:45:45,820

consciousness with human consciousness I

926

00:45:53,840 --> 00:45:51,070

think that's a key part they are able to

927

00:45:57,620 --> 00:45:53,850

communicate telepathically with us and

928

00:45:59,820 --> 00:45:57,630

it seems that they could even possibly

929

00:46:01,440 --> 00:45:59,830

stimulate synchronicities because

930

00:46:04,200 --> 00:46:01,450

there's a lot of synchronicities that

931

00:46:09,180 --> 00:46:04,210

are related to UFO experiences that take

932

00:46:11,580 --> 00:46:09,190

place during and afterwards and there's

933

00:46:16,350 --> 00:46:11,590

one particular experience I'm thinking

934

00:46:20,040 --> 00:46:16,360

about the story by that Deborah fine

935

00:46:23,850 --> 00:46:20,050

told us when that she had she's been an

936

00:46:26,550 --> 00:46:23,860

abductee for said okay yeah since

937

00:46:28,350 --> 00:46:26,560

childhood and such as many experiences

938

00:46:33,080 --> 00:46:28,360

of them came after she went to a rock

939

00:46:38,730 --> 00:46:33,090

concert and what happened is that

940

00:46:42,120 --> 00:46:38,740

afterwards they're coming home and she

941

00:46:46,800 --> 00:46:42,130

was abducted and she ended up in in a

942

00:46:48,390 --> 00:46:46,810

ship and surrounded by these Grey's

943

00:46:51,630 --> 00:46:48,400

there were actually three of them but

944

00:46:54,510 --> 00:46:51,640

one of them was not a great instead it

945

00:46:58,140 --> 00:46:54,520

was the lead singer from the band that

946

00:47:01,260 --> 00:46:58,150

she had just seen and she points to him

947

00:47:04,260 --> 00:47:01,270

is suddenly very angry and says what is

948

00:47:06,870 --> 00:47:04,270

he doing here and when they realized

949

00:47:10,500 --> 00:47:06,880

that she was upset the image just

950

00:47:13,770 --> 00:47:10,510

shifted from the the band leader back

951
00:47:18,900 --> 00:47:13,780
into an to agree and they said we

952
00:47:22,380 --> 00:47:18,910
thought you liked him the other story

953
00:47:24,360 --> 00:47:22,390
that I found really interesting in your

954
00:47:28,140 --> 00:47:24,370
book and it was I think the other woman

955
00:47:31,140 --> 00:47:28,150
I'm not sure but Carol and I want to say

956
00:47:32,670 --> 00:47:31,150
she was there with her son on a ship and

957
00:47:34,530 --> 00:47:32,680
they were running around trying to get

958
00:47:36,150 --> 00:47:34,540
out of there and the aliens were trying

959
00:47:39,060 --> 00:47:36,160
to catch them but they were too slow and

960
00:47:41,850 --> 00:47:39,070
she wound up in like a command center

961
00:47:44,310 --> 00:47:41,860
and lo and behold sitting strapped and

962
00:47:46,590 --> 00:47:44,320
like the commander's chair is some Air

963
00:47:49,620 --> 00:47:46,600

Force guy that she actually knew in real

964

00:47:52,650 --> 00:47:49,630

life and he said don't worry as long as

965

00:47:55,380 --> 00:47:52,660

I'm here nothing will happen to you yeah

966

00:47:57,240 --> 00:47:55,390

honey and after the whole thing was over

967

00:48:00,180 --> 00:47:57,250

and they were back you know in their

968

00:48:01,950 --> 00:48:00,190

real life whatever I don't remember if

969

00:48:04,200 --> 00:48:01,960

she got ahold of him or they ran into

970

00:48:05,940 --> 00:48:04,210

each other and he had the same memory

971

00:48:08,250 --> 00:48:05,950

that she had of being on that ship and

972

00:48:10,170 --> 00:48:08,260

seeing her yeah that's true I don't

973

00:48:12,690 --> 00:48:10,180

think they ever actually met I think

974

00:48:14,880 --> 00:48:12,700

this was through email or through a VAR

975

00:48:18,090 --> 00:48:14,890

calling something Erik I mean that was

976

00:48:21,330 --> 00:48:18,100

absolutely remarkable honey he has

977

00:48:24,330 --> 00:48:21,340

pretty good recall of all these

978

00:48:27,360 --> 00:48:24,340

experiences of hers but even she isn't

979

00:48:30,840 --> 00:48:27,370

sure what's what's real and what was

980

00:48:35,340 --> 00:48:30,850

scream mm-hmm well there seems to be so

981

00:48:39,690 --> 00:48:35,350

much similarity and commonality with

982

00:48:40,440 --> 00:48:39,700

saying seeing owls or just the face of

983

00:48:42,410 --> 00:48:40,450

the greys

984

00:48:44,430 --> 00:48:42,420

I mean that's become a trademark

985

00:48:47,690 --> 00:48:44,440

anything that even kind of looks like

986

00:48:51,030 --> 00:48:47,700

that you automatically think Oh et alien

987

00:48:52,950 --> 00:48:51,040

that would almost sort of suggest to me

988

00:48:55,800 --> 00:48:52,960

that it is being planted because it's so

989

00:48:57,720 --> 00:48:55,810

standardized well I think you know

990

00:49:00,990 --> 00:48:57,730

Whitley Strieber really popularized that

991

00:49:02,579 --> 00:49:01,000

image in 1987 with his book communion

992

00:49:05,220 --> 00:49:02,589

because that that's what was on the

993

00:49:07,640 --> 00:49:05,230

cover and ever since then I mean that

994

00:49:10,530 --> 00:49:07,650

that's the standard grayface but there

995

00:49:13,530 --> 00:49:10,540

are a number of people we've talked to

996

00:49:16,020 --> 00:49:13,540

who have as soon as they saw that book

997

00:49:19,319 --> 00:49:16,030

they recognized that face and they were

998

00:49:20,760 --> 00:49:19,329

startled to see it on the cover of a

999

00:49:23,400 --> 00:49:20,770

book and I think Connie was one of them

1000

00:49:25,530 --> 00:49:23,410

she could never read that book she she

1001
00:49:28,170 --> 00:49:25,540
bought it started and just had to close

1002
00:49:31,530 --> 00:49:28,180
it because it was you know it's it's an

1003
00:49:35,300 --> 00:49:31,540
upset her so much just the memories

1004
00:49:37,770 --> 00:49:35,310
coming back of her own experiences so

1005
00:49:41,880 --> 00:49:37,780
obviously a lot of people have very

1006
00:49:45,660 --> 00:49:41,890
negative reactions to these experiences

1007
00:49:48,569 --> 00:49:45,670
would you say that's pretty common for

1008
00:49:51,390 --> 00:49:48,579
people who have done its who've been

1009
00:49:53,250 --> 00:49:51,400
abducted by greys yes I don't think I've

1010
00:49:56,160 --> 00:49:53,260
ever heard of anybody being abducted by

1011
00:50:03,000 --> 00:49:56,170
anything but a great can you yeah I'm

1012
00:50:07,260 --> 00:50:03,010
not sure possibly by the lizard oh the

1013
00:50:09,960 --> 00:50:07,270

reptilian reptilian yeah but yeah most

1014

00:50:11,579 --> 00:50:09,970

of them have that type of reaction but

1015

00:50:13,980 --> 00:50:11,589

then there are these people who call

1016

00:50:16,470 --> 00:50:13,990

themselves the experienced experiencers

1017

00:50:21,200 --> 00:50:16,480

who have a different point of view that

1018

00:50:25,200 --> 00:50:21,210

they see it as a positive experience and

1019

00:50:27,240 --> 00:50:25,210

they actually look forward to to these

1020

00:50:29,670 --> 00:50:27,250

experiences even though they're very

1021

00:50:33,290 --> 00:50:29,680

traumatic and we know one woman in

1022

00:50:37,260 --> 00:50:33,300

Sarasota Florida who has repeated

1023

00:50:40,890 --> 00:50:37,270

experiences with interdimensional beings

1024

00:50:47,910 --> 00:50:40,900

and we've written some about her and our

1025

00:50:51,150 --> 00:50:47,920

last book and she she finds the

1026

00:50:52,870 --> 00:50:51,160

experience is startling but she is so

1027

00:50:55,059 --> 00:50:52,880

used to it because they've had

1028

00:51:00,700 --> 00:50:55,069

going on I think for 19 or 20 years now

1029

00:51:03,430 --> 00:51:00,710

and that she accepts it and is actually

1030

00:51:05,349 --> 00:51:03,440

sets aside time each day to work with

1031

00:51:08,200 --> 00:51:05,359

the energies as she calls it oh wow

1032

00:51:10,269 --> 00:51:08,210

that's very trusting well also she's a

1033

00:51:12,670 --> 00:51:10,279

retired veterinarian and she puts it

1034

00:51:16,599 --> 00:51:12,680

who's better equipped to study on other

1035

00:51:17,950 --> 00:51:16,609

species than a vet I wouldn't have

1036

00:51:20,319 --> 00:51:17,960

thought about that but you're right that

1037

00:51:23,200 --> 00:51:20,329

does kind of make sense

1038

00:51:25,839 --> 00:51:23,210

well people also have dreams about UFOs

1039

00:51:28,569 --> 00:51:25,849

and they they'll have the same dreams

1040

00:51:30,670 --> 00:51:28,579

and I don't know if this is always

1041

00:51:32,259 --> 00:51:30,680

necessarily people who know each other

1042

00:51:35,049 --> 00:51:32,269

and they're gonna see each other over

1043

00:51:38,920 --> 00:51:35,059

coffee or whatever but what how would

1044

00:51:41,620 --> 00:51:38,930

you explain say three people who have

1045

00:51:44,680 --> 00:51:41,630

almost the exact same details of a dream

1046

00:51:48,730 --> 00:51:44,690

on the same evening about involving a

1047

00:51:50,799 --> 00:51:48,740

UFO or et and then they get together and

1048

00:51:52,660 --> 00:51:50,809

bring it up and the other to say oh I

1049

00:51:55,029 --> 00:51:52,670

had that same dream last night how do

1050

00:51:59,230 --> 00:51:55,039

you explain that maybe they were all on

1051
00:52:03,640 --> 00:51:59,240
a ship yeah it are one of the most

1052
00:52:06,880 --> 00:52:03,650
common explanation for dreams is that

1053
00:52:12,309 --> 00:52:06,890
we're regurgitating the day's events or

1054
00:52:15,039 --> 00:52:12,319
recent events in our lives and if if

1055
00:52:17,170 --> 00:52:15,049
these people all had been in an

1056
00:52:19,569 --> 00:52:17,180
abduction experience that would that

1057
00:52:21,809 --> 00:52:19,579
would make sense or it could be

1058
00:52:24,249 --> 00:52:21,819
something precognitive as well a

1059
00:52:28,779 --> 00:52:24,259
premonition of something that was coming

1060
00:52:31,029 --> 00:52:28,789
to to them also you know young in 1953

1061
00:52:35,680 --> 00:52:31,039
Carl Jung wrote a book about what he

1062
00:52:37,559 --> 00:52:35,690
called flying saucers and he saw dreams

1063
00:52:40,749 --> 00:52:37,569

for instance in sightings of

1064

00:52:44,499 --> 00:52:40,759

quote-unquote flying saucers as symbolic

1065

00:52:46,690 --> 00:52:44,509

of man's need for wholeness especially

1066

00:52:51,970 --> 00:52:46,700

the circular ones you know and you can

1067

00:52:54,220 --> 00:52:51,980

also interpret dreams of UFOs as puns

1068

00:52:56,710 --> 00:52:54,230

is there something hovering over your

1069

00:53:00,370 --> 00:52:56,720

life that's making you feel alienated or

1070

00:53:03,249 --> 00:53:00,380

what that's an interesting take I did

1071

00:53:06,210 --> 00:53:03,259

before say that again just so everybody

1072

00:53:08,760 --> 00:53:06,220

hears that is there something hovering

1073

00:53:12,060 --> 00:53:08,770

over your life making you feel alienated

1074

00:53:15,900 --> 00:53:12,070

or what feels what feels alien to you in

1075

00:53:19,800 --> 00:53:15,910

your life so that that's looking at it

1076
00:53:23,060 --> 00:53:19,810
as a pun and a psychological experience

1077
00:53:25,440 --> 00:53:23,070
wow that's a really interesting way to

1078
00:53:27,240 --> 00:53:25,450
notice answer why three people would

1079
00:53:30,090 --> 00:53:27,250
have that same dream on the same night

1080
00:53:31,830 --> 00:53:30,100
yeah that's pretty odd I mean it I could

1081
00:53:34,680 --> 00:53:31,840
see if the three people happen to be out

1082
00:53:36,990 --> 00:53:34,690
together and they went home and they had

1083
00:53:38,580 --> 00:53:37,000
the dream then probably it was it was

1084
00:53:41,760 --> 00:53:38,590
lost time and they were just remembering

1085
00:53:44,760 --> 00:53:41,770
it but strange

1086
00:53:46,740 --> 00:53:44,770
why do you think's UFO sightings right

1087
00:53:49,890 --> 00:53:46,750
now seem to be proliferating you have an

1088
00:53:54,660 --> 00:53:49,900

opinion about that because we live in

1089

00:53:57,390 --> 00:53:54,670

tumultuous times yeah I mean why would

1090

00:53:59,940 --> 00:53:57,400

they be trying to be seen or are we just

1091

00:54:02,430 --> 00:53:59,950

looking harder for them or Hawaii is it

1092

00:54:04,560 --> 00:54:02,440

it really does seem like every day

1093

00:54:07,110 --> 00:54:04,570

you're hearing about someone reporting

1094

00:54:08,790 --> 00:54:07,120

seeing something well especially now in

1095

00:54:11,240 --> 00:54:08,800

these days with when everybody's got an

1096

00:54:13,740 --> 00:54:11,250

iPhone and camera you know right a phone

1097

00:54:16,470 --> 00:54:13,750

and also with the Internet information

1098

00:54:19,070 --> 00:54:16,480

just travels much more quickly and it

1099

00:54:22,790 --> 00:54:19,080

could be that you know we're coming to

1100

00:54:26,040 --> 00:54:22,800

paradigm shift a paradigm shift or as

1101

00:54:28,560 --> 00:54:26,050

religious people put it an end times

1102

00:54:31,350 --> 00:54:28,570

which is not necessarily what I would

1103

00:54:36,390 --> 00:54:31,360

consider to mean to be the end of the

1104

00:54:40,110 --> 00:54:36,400

world so to speak but as a shift of just

1105

00:54:43,350 --> 00:54:40,120

of our reality and and one of one aspect

1106

00:54:48,030 --> 00:54:43,360

of that shift definitely would be a

1107

00:54:50,760 --> 00:54:48,040

recognition of the existence of beings

1108

00:54:52,740 --> 00:54:50,770

from elsewhere among us it would

1109

00:54:54,450 --> 00:54:52,750

definitely cause this shift in our

1110

00:54:56,700 --> 00:54:54,460

consciousness that's exactly where we're

1111

00:54:59,610 --> 00:54:56,710

going after the break and also talking

1112

00:55:02,040 --> 00:54:59,620

about the the guy in your book Bruce

1113

00:55:05,730 --> 00:55:02,050

Vernon and the story about the Bermuda

1114

00:55:07,740 --> 00:55:05,740

Triangle but we want to talk

1115

00:55:10,110 --> 00:55:07,750

specifically about these predictions

1116

00:55:13,950 --> 00:55:10,120

from the Hopi and the Lakota Sioux and

1117

00:55:15,960 --> 00:55:13,960

the Maya and the Aztecs and get into

1118

00:55:17,580 --> 00:55:15,970

planetary impasse which i think is just

1119

00:55:21,780 --> 00:55:17,590

so fascinating

1120

00:55:25,350 --> 00:55:21,790

so I think we're getting close to taking

1121

00:55:28,530 --> 00:55:25,360

a break I'll wait until Joe our producer

1122

00:55:32,430 --> 00:55:28,540

accused me on that just give us a little

1123

00:55:35,190 --> 00:55:32,440

preview of introduce who Bruce Vernon is

1124

00:55:37,530 --> 00:55:35,200

and from what I gather from reading your

1125

00:55:39,960 --> 00:55:37,540

book he may be the only pilot ever to

1126
00:55:43,500 --> 00:55:39,970
have survived actually traveling through

1127
00:55:50,090 --> 00:55:43,510
the Bermuda Triangle in an electronic

1128
00:55:53,400 --> 00:55:50,100
fog do you think that he is I think that

1129
00:55:56,640 --> 00:55:53,410
maybe other people have had similar

1130
00:55:59,190 --> 00:55:56,650
experiences but I'm not sure that any of

1131
00:56:02,700 --> 00:55:59,200
them are around anymore Charles

1132
00:56:06,650 --> 00:56:02,710
Lindbergh had experiences one experience

1133
00:56:11,490 --> 00:56:06,660
on a flight that he didn't write about

1134
00:56:13,620 --> 00:56:11,500
until well he wrote he wrote about in

1135
00:56:15,750 --> 00:56:13,630
his biography autobiography but it

1136
00:56:17,970 --> 00:56:15,760
wasn't published until after he was gone

1137
00:56:21,480 --> 00:56:17,980
he didn't want to admit that he could

1138
00:56:26,160 --> 00:56:21,490

become so lost in a fog that he would be

1139

00:56:28,980 --> 00:56:26,170

totally off track by such a great degree

1140

00:56:32,070 --> 00:56:28,990

and that this fog would just cling to

1141

00:56:35,220 --> 00:56:32,080

his seemingly cling to his plane for

1142

00:56:39,480 --> 00:56:35,230

hours I think he was flying from Cuba to

1143

00:56:43,110 --> 00:56:39,490

st. Louis and he writes about that that

1144

00:56:45,810 --> 00:56:43,120

story in his autobiography well I know

1145

00:56:48,690 --> 00:56:45,820

being in clouds in a fog in a plane

1146

00:56:50,340 --> 00:56:48,700

would be horribly disorienting

1147

00:56:53,520 --> 00:56:50,350

especially if you didn't have the kind

1148

00:56:55,860 --> 00:56:53,530

of equipment that would help you at

1149

00:56:59,100 --> 00:56:55,870

least understand what your orientation

1150

00:57:02,790 --> 00:56:59,110

was in the air but the way you described

1151
00:57:04,710 --> 00:57:02,800
the situation that Bruce was in and he

1152
00:57:08,550 --> 00:57:04,720
had passengers in the plane with him

1153
00:57:13,440 --> 00:57:08,560
right right yes and it seemed to be this

1154
00:57:15,690 --> 00:57:13,450
fog was an enormous fog that went on and

1155
00:57:19,470 --> 00:57:15,700
on and on but when they checked the

1156
00:57:21,390 --> 00:57:19,480
radar it was it was clear I mean and

1157
00:57:28,980 --> 00:57:21,400
when they were able to get in contact

1158
00:57:30,609 --> 00:57:28,990
with the Miami Tower there was no the

1159
00:57:33,480 --> 00:57:30,619
the tower said

1160
00:57:38,380 --> 00:57:33,490
it was clear weather that there was no

1161
00:57:43,599 --> 00:57:38,390
massive fog in fact we had a remote

1162
00:57:45,759 --> 00:57:43,609
viewer view Bruce in that flight as one

1163
00:57:49,059 --> 00:57:45,769

of his targets so we had about that

1164

00:57:51,130 --> 00:57:49,069

after Wow yeah I don't I don't remember

1165

00:57:54,549 --> 00:57:51,140

reading that no no that's not in this

1166

00:57:56,109 --> 00:57:54,559

book it's um yeah definitely that's

1167

00:57:57,880 --> 00:57:56,119

where we're gonna start is with Bruce

1168

00:58:00,519 --> 00:57:57,890

and the fog because I think I remember

1169

00:58:03,130 --> 00:58:00,529

it was like a wall of fog that he he

1170

00:58:05,109 --> 00:58:03,140

described so what we're doing is we're

1171

00:58:06,789 --> 00:58:05,119

listening to Rob and Trish MacGregor

1172

00:58:09,370 --> 00:58:06,799

talked about their book aliens in the

1173

00:58:12,339 --> 00:58:09,380

backyard and this is epic voyages radio

1174

00:58:14,559 --> 00:58:12,349

on inception radio network and we are

1175

00:58:16,029 --> 00:58:14,569

going to take a really short break just

1176
00:58:18,789 --> 00:58:16,039
a couple of minutes and come right back

1177
00:58:21,009 --> 00:58:18,799
and pick it up talking about going

1178
00:58:23,170 --> 00:58:21,019
through the electronic fog in the

1179
00:58:27,339 --> 00:58:23,180
Bermuda Triangle and then we're going to

1180
00:58:29,079 --> 00:58:27,349
talk about planetary empaths and I think

1181
00:58:30,970 --> 00:58:29,089
this is something that a lot of people a

1182
00:58:33,980 --> 00:58:30,980
lot of listeners haven't heard about yet

1183
00:58:48,499 --> 00:58:33,990
so don't go away stay with us

1184
00:59:02,990 --> 00:58:52,499
you're listening to IRA the inception

1185
00:59:08,550 --> 00:59:05,790
hello inception radio network listeners

1186
00:59:10,680 --> 00:59:08,560
this is Amanda remember you can take

1187
00:59:12,540 --> 00:59:10,690
your inception radio shows on the go

1188
00:59:15,359 --> 00:59:12,550

just download the inception Radio

1189

00:59:17,970 --> 00:59:15,369

Network app for your iPhone iPad or

1190

00:59:20,490 --> 00:59:17,980

Android smartphones and access live

1191

00:59:22,680 --> 00:59:20,500

shows past shows guest lineups and much

1192

00:59:24,750 --> 00:59:22,690

more just visit the iTunes Store or the

1193

00:59:25,230 --> 00:59:24,760

Google Play marketplace and download it

1194

00:59:32,099 --> 00:59:25,240

today

1195

00:59:33,900 --> 00:59:32,109

for free don't have a computer use your

1196

00:59:35,400 --> 00:59:33,910

internet connection down don't worry

1197

00:59:37,140 --> 00:59:35,410

use your trusty cell phone or landline

1198

00:59:39,329 --> 00:59:37,150

and call into our listen line at four oh

1199

00:59:40,920 --> 00:59:39,339

one two eight three six seven zero zero

1200

00:59:43,680 --> 00:59:40,930

two listen to the inception radio

1201
00:59:47,490 --> 00:59:43,690
network 24/7 again that caller number is

1202
00:59:53,280 --> 00:59:47,500
401 two A three six seven zero zero four

1203
00:59:56,140 --> 00:59:55,270
you didn't forget what's coming up

1204
00:59:58,030 --> 00:59:56,150
tonight did you

1205
01:00:00,370 --> 00:59:58,040
hi inception Radio Network listeners

1206
01:00:01,839 --> 01:00:00,380
this is Amanda never miss that interview

1207
01:00:04,300 --> 01:00:01,849
you were looking forward to or the show

1208
01:00:07,210 --> 01:00:04,310
on your favorite topic follow irn on

1209
01:00:09,190 --> 01:00:07,220
twitter i underscore our underscore n

1210
01:00:11,230 --> 01:00:09,200
and get reminders about the evenings

1211
01:00:12,640 --> 01:00:11,240
live shows as well as fun and important

1212
01:00:15,730 --> 01:00:12,650
updates throughout the week

1213
01:00:21,849 --> 01:00:15,740

that's I underscore R underscore N and

1214

01:00:24,339 --> 01:00:21,859

never miss a great show again hi can you

1215

01:00:26,620 --> 01:00:24,349

hear my voice imagine how many other

1216

01:00:28,089 --> 01:00:26,630

people can hear it too if you have

1217

01:00:30,790 --> 01:00:28,099

advertising needs then look no further

1218

01:00:32,800 --> 01:00:30,800

the inception radio network currently

1219

01:00:35,620 --> 01:00:32,810

has openings for on-air advertisements

1220

01:00:37,410 --> 01:00:35,630

and radio show sponsorships giving any

1221

01:00:39,460 --> 01:00:37,420

thought to your target demographic

1222

01:00:42,339 --> 01:00:39,470

inception has you covered there -

1223

01:00:44,410 --> 01:00:42,349

advertising on a network gives you

1224

01:00:46,540 --> 01:00:44,420

multiple opportunities to advertise on a

1225

01:00:49,000 --> 01:00:46,550

wide variety of radio show broadcasts

1226

01:00:52,030 --> 01:00:49,010

and we have one to fit every advertising

1227

01:00:53,740 --> 01:00:52,040

need you know in recent years internet

1228

01:00:56,320 --> 01:00:53,750

radio has exhibited a phenomenal

1229

01:00:58,900 --> 01:00:56,330

listener growth and Arbitron Edison

1230

01:01:01,359 --> 01:00:58,910

survey shows that online radio boosts at

1231

01:01:04,420 --> 01:01:01,369

least 33 million unique visitors each

1232

01:01:06,910 --> 01:01:04,430

week and 54 million each month and that

1233

01:01:08,530 --> 01:01:06,920

number amazingly continues to grow and

1234

01:01:11,230 --> 01:01:08,540

these listeners are a part of many

1235

01:01:13,480 --> 01:01:11,240

businesses core demographics and surveys

1236

01:01:15,490 --> 01:01:13,490

have shown that internet radio listeners

1237

01:01:17,020 --> 01:01:15,500

are far more likely than regular radio

1238

01:01:19,150 --> 01:01:17,030

listeners to spend money on a whole

1239

01:01:21,609 --> 01:01:19,160

range of activities you know Internet

1240

01:01:23,650 --> 01:01:21,619

listeners folks they dine out eat fast

1241

01:01:25,839 --> 01:01:23,660

food and they grab a cup of coffee and

1242

01:01:28,300 --> 01:01:25,849

here's the interesting one they buy

1243

01:01:30,030 --> 01:01:28,310

items online at a much higher rate than

1244

01:01:32,800 --> 01:01:30,040

all other market segments combined

1245

01:01:35,170 --> 01:01:32,810

internet radio also enables businesses

1246

01:01:37,930 --> 01:01:35,180

to connect with consumers during work

1247

01:01:40,750 --> 01:01:37,940

hours where increasingly more lifestyle

1248

01:01:43,030 --> 01:01:40,760

decisions are being made advertise with

1249

01:01:45,160 --> 01:01:43,040

the best the inception radio network

1250

01:01:47,020 --> 01:01:45,170

offers competitive advertising rates to

1251

01:01:51,339 --> 01:01:47,030

fit just about anyone's advertising

1252

01:01:54,370 --> 01:01:51,349

budget stop by today at WWN ception

1253

01:01:56,819 --> 01:01:54,380

Radio Network comm or call us toll free

1254

01:02:01,739 --> 01:01:56,829

at one triple eight nine

1255

01:02:06,839 --> 01:02:01,749

9 2 3 5 5 get the word out get results

1256

01:02:09,120 --> 01:02:06,849

with the inception radio network looking

1257

01:02:10,949 --> 01:02:09,130

for a cure for boredom never worry I our

1258

01:02:12,719 --> 01:02:10,959

ends interactive website introduces a

1259

01:02:13,949 --> 01:02:12,729

number of ways to pass time while you

1260

01:02:16,650 --> 01:02:13,959

listen to your favorite show

1261

01:02:18,930 --> 01:02:16,660

choose anything from the irn chat lounge

1262

01:02:21,509 --> 01:02:18,940

game lounge video lounge or the moon

1263

01:02:23,400 --> 01:02:21,519

lounge these fun exciting features let

1264

01:02:26,249 --> 01:02:23,410

you chat in real time with fellow

1265

01:02:28,920 --> 01:02:26,259

listeners you live sky watch this play

1266

01:02:30,959 --> 01:02:28,930

daily posted online news or pick a show

1267

01:02:33,779 --> 01:02:30,969

based on topic the choices are endless

1268

01:02:36,539 --> 01:02:33,789

so use your time wisely but keeping it

1269

01:02:39,599 --> 01:02:36,549

all on irn uh d this Joe Mars I'm

1270

01:02:43,680 --> 01:02:39,609

inviting you to tune in to epic voyages

1271

01:02:46,319 --> 01:02:43,690

8:00 p.m. central 9 p.m. Eastern Monday

1272

01:02:49,170 --> 01:02:46,329

nights right here on inception radio

1273

01:02:51,059 --> 01:02:49,180

network to find out more about epic and

1274

01:02:54,029 --> 01:02:51,069

how you can become a member

1275

01:03:01,019 --> 01:02:54,039

visit epic voyagers dot-com

1276

01:03:03,569 --> 01:03:01,029

that's epi c vo y AG e AR s dot-com

1277

01:03:05,819 --> 01:03:03,579

welcome back everybody out there to epic

1278

01:03:09,150 --> 01:03:05,829

voyages radio here on inception radio

1279

01:03:10,920 --> 01:03:09,160

network I want to give out the dial-in

1280

01:03:15,239 --> 01:03:10,930

number for those of you that would like

1281

01:03:17,789 --> 01:03:15,249

to call in and ask a question of Rob and

1282

01:03:21,059 --> 01:03:17,799

Trish MacGregor personally that number

1283

01:03:24,089 --> 01:03:21,069

is eight eight eight nine one nine two

1284

01:03:26,039 --> 01:03:24,099

three five five and as always you can go

1285

01:03:28,469 --> 01:03:26,049

to our chat room online at inception

1286

01:03:32,029 --> 01:03:28,479

radio network and type your questions in

1287

01:03:35,039 --> 01:03:32,039

the chat room or you can go to Skype

1288

01:03:38,489 --> 01:03:35,049

inception radio network no spaces and

1289

01:03:41,400 --> 01:03:38,499

type in a question there we're talking

1290

01:03:43,469 --> 01:03:41,410

about Rob and Trish's book aliens in the

1291

01:03:46,589 --> 01:03:43,479

backyard and I'm putting some resources

1292

01:03:48,839 --> 01:03:46,599

up in the chat room and inception radio

1293

01:03:51,660 --> 01:03:48,849

network to make it easy for you to find

1294

01:03:53,489 --> 01:03:51,670

some of their material of course you can

1295

01:03:57,449 --> 01:03:53,499

get their book and all their books

1296

01:04:00,449 --> 01:03:57,459

through amazon.com you can also go oops

1297

01:04:04,529 --> 01:04:00,459

I did a misspelling you can go to their

1298

01:04:06,839 --> 01:04:04,539

website synchro secrets.com and when I

1299

01:04:10,730 --> 01:04:06,849

stop talking I'll type that out Thank

1300

01:04:18,410 --> 01:04:10,740

You Carol Carol cleaned up my typing

1301

01:04:21,530 --> 01:04:18,420

gross secrets.com sy NC HR o SEC are ETS

1302

01:04:23,090 --> 01:04:21,540

comm synchro secrets and I want to take

1303

01:04:25,370 --> 01:04:23,100

a minute before we go back to the

1304

01:04:28,730 --> 01:04:25,380

electronic fog and the Bermuda Triangle

1305

01:04:31,550 --> 01:04:28,740

and Bruce Vernon and mentioned that they

1306

01:04:35,510 --> 01:04:31,560

have moved their blog that includes all

1307

01:04:37,970 --> 01:04:35,520

of these stories about the the dreams

1308

01:04:39,800 --> 01:04:37,980

the events the occurrences of planetary

1309

01:04:42,470 --> 01:04:39,810

empaths which we're going to get into

1310

01:04:49,190 --> 01:04:42,480

here in just a few minutes that is at

1311

01:04:52,220 --> 01:04:49,200

blog dot synchro secrets calm so I'll

1312

01:04:55,609 --> 01:04:52,230

put that that link up here from the

1313

01:04:58,520 --> 01:04:55,619

other page and feel free to go to if

1314

01:05:01,490 --> 01:04:58,530

when you go to that website that I just

1315

01:05:04,370 --> 01:05:01,500

gave you one of the links at the bottom

1316

01:05:05,359 --> 01:05:04,380

of their navigation bar is planetary

1317

01:05:08,630 --> 01:05:05,369

impasse

1318

01:05:10,940 --> 01:05:08,640

go to that link and that is the blog so

1319

01:05:13,190 --> 01:05:10,950

I think you'll be very impressed with it

1320

01:05:16,700 --> 01:05:13,200

as I think you would be with this book

1321

01:05:19,970 --> 01:05:16,710

if you would check it out Trish you want

1322

01:05:22,460 --> 01:05:19,980

to say anything else about the blog just

1323

01:05:24,890 --> 01:05:22,470

that it's a blog synchro secrets calm

1324

01:05:27,170 --> 01:05:24,900

and it's actually the planetary empath

1325

01:05:30,500 --> 01:05:27,180

thing is in the masthead and it's the

1326

01:05:31,609 --> 01:05:30,510

last entry in the blue masthead there's

1327

01:05:34,130 --> 01:05:31,619

a very column

1328

01:05:39,830 --> 01:05:34,140

yeah right yeah and it's fascinating

1329

01:05:42,020 --> 01:05:39,840

stuff so okay Robin Trish let's go back

1330

01:05:43,849 --> 01:05:42,030

to Bruce Vernon who we left in the

1331

01:05:47,840 --> 01:05:43,859

electronic fog in the Bermuda Triangle

1332

01:05:50,210 --> 01:05:47,850

in an airplane he actually if I remember

1333

01:05:53,349 --> 01:05:50,220

the way you described it in your book he

1334

01:05:57,770 --> 01:05:53,359

he's describing seeing like two walls of

1335

01:06:00,310 --> 01:05:57,780

like walls that made out of clouds or

1336

01:06:04,400 --> 01:06:00,320

fog or something is that right yeah well

1337

01:06:07,970 --> 01:06:04,410

this was 1970 when Bruce is 23 years old

1338

01:06:10,220 --> 01:06:07,980

he and his father were hoping to develop

1339

01:06:14,390 --> 01:06:10,230

a resort on Andros Island in the Bahamas

1340

01:06:16,910 --> 01:06:14,400

and they had taken flights between West

1341

01:06:19,040 --> 01:06:16,920

Palm and Andros a number of times and

1342

01:06:20,270 --> 01:06:19,050

they they had they knew this route very

1343

01:06:22,400 --> 01:06:20,280

well

1344

01:06:28,640 --> 01:06:22,410

and so in this particular day they were

1345

01:06:33,200 --> 01:06:28,650

leaving Andros Island and they were just

1346

01:06:35,420 --> 01:06:33,210

a couple miles offshore I should pause

1347

01:06:37,970 --> 01:06:35,430

here and mention just on a side Andros

1348

01:06:40,270 --> 01:06:37,980

Island is the home of a secret Navy base

1349

01:06:44,120 --> 01:06:40,280

that sometimes called the underwater

1350

01:06:48,500 --> 01:06:44,130

area 51 just we can go back to that but

1351

01:06:50,890 --> 01:06:48,510

so anyhow he was he was with his father

1352

01:06:54,680 --> 01:06:50,900

and a business partner and they were

1353

01:06:57,830 --> 01:06:54,690

leaving Andros couple miles offshore he

1354

01:07:02,180 --> 01:06:57,840

sees a strange lenticular cloud with a

1355

01:07:04,720 --> 01:07:02,190

lenticular cloud is a kind of a UFO

1356

01:07:08,630 --> 01:07:04,730

shaped cloud it was about a mile across

1357

01:07:11,420 --> 01:07:08,640

and but lenticular clouds are usually

1358

01:07:17,120 --> 01:07:11,430

over mountain tops like 10,000 feet or

1359

01:07:23,180 --> 01:07:17,130

higher and this was just about a mile it

1360

01:07:28,400 --> 01:07:23,190

was it was maybe a thousand a thousand

1361

01:07:31,700 --> 01:07:28,410

feet up and so he decided to go around

1362

01:07:36,740 --> 01:07:31,710

that he maneuvered around it and

1363

01:07:41,090 --> 01:07:36,750

continued on and he looks back and sees

1364

01:07:43,220 --> 01:07:41,100

that this cloud is expanding it's it's

1365

01:07:47,540 --> 01:07:43,230

growing arms that are coming out on

1366

01:07:51,170 --> 01:07:47,550

either side of the plane but why why

1367

01:07:54,770 --> 01:07:51,180

depart you know miles apart and as he's

1368

01:07:59,560 --> 01:07:54,780

moving along the these arms are

1369

01:08:02,750 --> 01:07:59,570

expanding and moving moving with him and

1370

01:08:05,750 --> 01:08:02,760

then he sees another similar cloud out

1371

01:08:08,600 --> 01:08:05,760

in front of him and this cloud starts

1372

01:08:11,990 --> 01:08:08,610

shooting out arms as well and before he

1373

01:08:16,490 --> 01:08:12,000

knows that he's inside like a doughnut

1374

01:08:19,809 --> 01:08:16,500

of this huge cloud it was I think he

1375

01:08:23,660 --> 01:08:19,819

thought it was about 15 miles across the

1376

01:08:26,809 --> 01:08:23,670

the opening and he decided to try to go

1377

01:08:31,070 --> 01:08:26,819

up over it he went up to over 10,000

1378

01:08:32,669 --> 01:08:31,080

feet and there was no way it seemed to

1379

01:08:37,019 --> 01:08:32,679

continue up

1380

01:08:40,799 --> 01:08:37,029

might go 60,000 feet so he went down all

1381

01:08:43,679 --> 01:08:40,809

the way down to just above the surface

1382

01:08:46,739 --> 01:08:43,689

a couple hundred he was just a couple

1383

01:08:48,479 --> 01:08:46,749

hundred feet over the surface and it

1384

01:08:51,689 --> 01:08:48,489

seemed to be growing right out of the

1385

01:08:53,370 --> 01:08:51,699

ocean so he went back up and there

1386

01:08:56,359 --> 01:08:53,380

certainly to get nervous now wondering

1387

01:08:58,919 --> 01:08:56,369

how to get out of this and they spot an

1388

01:09:03,839 --> 01:08:58,929

opening where two of the arms are coming

1389

01:09:06,479 --> 01:09:03,849

together and closing it's like an anvil

1390

01:09:09,059 --> 01:09:06,489

the top of an anvil coming together and

1391

01:09:11,519 --> 01:09:09,069

the bottom part is closing and there's

1392

01:09:13,769 --> 01:09:11,529

like a tunnel so they decided to go they

1393

01:09:17,160 --> 01:09:13,779

could see blue sky and so they decided

1394

01:09:20,069 --> 01:09:17,170

to go for that tunnel they head for for

1395

01:09:22,319 --> 01:09:20,079

it and get inside it and it's continuing

1396

01:09:25,069 --> 01:09:22,329

to close and once they're inside it the

1397

01:09:30,509 --> 01:09:25,079

clouds are rotating counterclockwise

1398

01:09:34,679 --> 01:09:30,519

inside this tunnel and as they get into

1399

01:09:35,699 --> 01:09:34,689

it suddenly they they have a sensation

1400

01:09:38,160 --> 01:09:35,709

of being weightless

1401

01:09:41,640 --> 01:09:38,170

Bruce described it as if we didn't have

1402

01:09:43,799 --> 01:09:41,650

seatbelts on we've been floating up near

1403

01:09:47,249 --> 01:09:43,809

the roof of the plane and this lasted

1404

01:09:49,709 --> 01:09:47,259

for maybe 10-15 seconds as they went

1405

01:09:52,859 --> 01:09:49,719

through this tunnel and by this time

1406

01:09:56,100 --> 01:09:52,869

there was none of the electronics in the

1407

01:10:00,000 --> 01:09:56,110

plane were working keep in mind Bruce's

1408

01:10:02,399 --> 01:10:00,010

father was also a pilot right and the

1409

01:10:07,350 --> 01:10:02,409

this was a new plane they had the latest

1410

01:10:09,540 --> 01:10:07,360

technology and they had like three

1411

01:10:12,000 --> 01:10:09,550

compasses and none of them were working

1412

01:10:15,899 --> 01:10:12,010

there's just spinning in circles and

1413

01:10:17,910 --> 01:10:15,909

they make it through but the tunnel and

1414

01:10:20,279 --> 01:10:17,920

at the end of it the the clouds were

1415

01:10:21,810 --> 01:10:20,289

just on the tips of the tips of the

1416

01:10:23,790 --> 01:10:21,820

wings as they come through but when they

1417

01:10:29,069 --> 01:10:23,800

get out on the outside there's no blue

1418

01:10:34,259 --> 01:10:29,079

sky it's just like a soup and this is

1419

01:10:38,129 --> 01:10:34,269

when they are flying and the fog is just

1420

01:10:41,729 --> 01:10:38,139

continuing to be everywhere right along

1421

01:10:43,299 --> 01:10:41,739

with them as they're flying and finally

1422

01:10:45,310 --> 01:10:43,309

they're able to contact

1423

01:10:47,890 --> 01:10:45,320

the radio started work and they're able

1424

01:10:54,220 --> 01:10:47,900

to contact the Miami Tower and they told

1425

01:10:57,390 --> 01:10:54,230

that we must be near Bimini now and the

1426

01:11:02,129 --> 01:10:57,400

tower said there's no planes out there

1427

01:11:04,240 --> 01:11:02,139

at all and so his father got very upset

1428

01:11:08,770 --> 01:11:04,250

what do you mean there's no planes out

1429

01:11:13,060 --> 01:11:08,780

here and then there's radio silence for

1430

01:11:14,430 --> 01:11:13,070

a while and then the tower came back on

1431

01:11:18,299 --> 01:11:14,440

it said wait a minute there's a plane

1432

01:11:21,310 --> 01:11:18,309

coming over Miami Beach right now and

1433

01:11:23,529 --> 01:11:21,320

Bruce thought no this is impossible we

1434

01:11:26,290 --> 01:11:23,539

couldn't be this far

1435

01:11:28,540 --> 01:11:26,300

that would be like teleporting a hundred

1436

01:11:30,339 --> 01:11:28,550

miles instantly but that's what happened

1437

01:11:36,339 --> 01:11:30,349

I mean there is suddenly they look down

1438

01:11:38,529 --> 01:11:36,349

and the clouds this massive fog vanishes

1439

01:11:41,470 --> 01:11:38,539

and they look back and there's no sign

1440

01:11:45,029 --> 01:11:41,480

of it and they're over Miami Beach and

1441

01:11:47,500 --> 01:11:45,039

Holle so it's very startling experience

1442

01:11:49,600 --> 01:11:47,510

for him and it's a fine the rest of

1443

01:11:51,580 --> 01:11:49,610

Bruce's life actually he thinks he still

1444

01:11:53,919 --> 01:11:51,590

thinks about it every day and he taught

1445

01:11:57,330 --> 01:11:53,929

everybody he mates he tells him his

1446

01:12:02,189 --> 01:11:57,340

story and it's

1447

01:12:06,700 --> 01:12:02,199

but he went for years without wanting to

1448

01:12:08,080 --> 01:12:06,710

have anything to do with UFOs as part of

1449

01:12:11,740 --> 01:12:08,090

the story because he didn't want to be

1450

01:12:15,310 --> 01:12:11,750

ridiculed and considered a nutcase so he

1451

01:12:20,069 --> 01:12:15,320

liked to talk about electronic fog as

1452

01:12:25,240 --> 01:12:20,079

something coming out of the earth and

1453

01:12:30,120 --> 01:12:25,250

and what he felt happened is that this

1454

01:12:33,010 --> 01:12:30,130

fog surrounded the plane and actually

1455

01:12:35,529 --> 01:12:33,020

moved along with the plane in other

1456

01:12:37,810 --> 01:12:35,539

words glommed onto it right in other

1457

01:12:41,950 --> 01:12:37,820

words that fog was maybe only a quarter

1458

01:12:44,680 --> 01:12:41,960

mile across around the plane so that's

1459

01:12:49,089 --> 01:12:44,690

why the radar showed that there was no

1460

01:12:51,990 --> 01:12:49,099

massive cloud cloud cover at all but he

1461

01:12:54,700 --> 01:12:52,000

but they experienced cloud this fog

1462

01:12:56,050 --> 01:12:54,710

constantly and one of the things that

1463

01:12:58,150 --> 01:12:56,060

made him

1464

01:13:00,970 --> 01:12:58,160

come to believe that this was the case

1465

01:13:02,500 --> 01:13:00,980

was there is continually a hole straight

1466

01:13:04,720 --> 01:13:02,510

above he could look through the

1467

01:13:07,600 --> 01:13:04,730

windshield and look up into blue sky and

1468

01:13:10,450 --> 01:13:07,610

he could also look down and see the sea

1469

01:13:13,900 --> 01:13:10,460

the ocean and that that opening that

1470

01:13:17,260 --> 01:13:13,910

hole continued along right along with

1471

01:13:19,800 --> 01:13:17,270

them all the time and so that's how he

1472

01:13:23,470 --> 01:13:19,810

came up with a concept of electronic fog

1473

01:13:28,230 --> 01:13:23,480

but now in the last few years he's come

1474

01:13:33,550 --> 01:13:28,240

to accept the idea that that initial

1475

01:13:36,670 --> 01:13:33,560

lenticular cloud may have been hiding a

1476

01:13:40,000 --> 01:13:36,680

UFO a craft that may have come through

1477

01:13:42,640 --> 01:13:40,010

an interdimensional portal that might be

1478

01:13:47,200 --> 01:13:42,650

out there and what is considered the

1479

01:13:50,350 --> 01:13:47,210

Bermuda Triangle so when we asked Joe

1480

01:13:52,600 --> 01:13:50,360

mcmoneagle wife who often acts as his

1481

01:13:54,550 --> 01:13:52,610

monitor he was in the remote the

1482

01:13:58,480 --> 01:13:54,560

government's remote viewing program

1483

01:14:03,220 --> 01:13:58,490

Stargate for years and so we asked Nancy

1484

01:14:05,740 --> 01:14:03,230

if she would do a target based on

1485

01:14:07,390 --> 01:14:05,750

Bruce's flight and normally what she

1486

01:14:11,940 --> 01:14:07,400

does the only thing that's in the

1487

01:14:14,650 --> 01:14:11,950

envelope is longitudinal attitude Oh or

1488

01:14:17,890 --> 01:14:14,660

sometimes a few words I think in this

1489

01:14:20,290 --> 01:14:17,900

case she put Bruce Kernan's flight but

1490

01:14:22,360 --> 01:14:20,300

Joe never looks at the envelope it's in

1491

01:14:25,720 --> 01:14:22,370

front of him he touches it doesn't open

1492

01:14:29,620 --> 01:14:25,730

it and what joe said about this was he

1493

01:14:34,150 --> 01:14:29,630

was abducted oh my goodness yeah I mean

1494

01:14:38,490 --> 01:14:34,160

it was well he he actually did a couple

1495

01:14:41,740 --> 01:14:38,500

different targets and because here's a

1496

01:14:45,970 --> 01:14:41,750

kicker to the story is that one month

1497

01:14:48,730 --> 01:14:45,980

after Bruce's experience he went out

1498

01:14:51,340 --> 01:14:48,740

from Miami Beach with his girlfriend at

1499

01:14:55,150 --> 01:14:51,350

the time she had never been in an

1500

01:14:57,730 --> 01:14:55,160

airplane at night and so he took her

1501
01:14:58,780 --> 01:14:57,740
over Miami Beach and then went out over

1502
01:15:01,360 --> 01:14:58,790
the ocean

1503
01:15:04,600 --> 01:15:01,370
and to see the stars and they were

1504
01:15:07,210 --> 01:15:04,610
flying out and he was coming very close

1505
01:15:09,920 --> 01:15:07,220
to the same area where he had had this

1506
01:15:14,120 --> 01:15:09,930
experience when he sees this or

1507
01:15:16,040 --> 01:15:14,130
light in the distance and he points it

1508
01:15:19,070 --> 01:15:16,050
out and they watch it it's getting

1509
01:15:21,650 --> 01:15:19,080
larger and larger and coming closer and

1510
01:15:24,770 --> 01:15:21,660
closer until it's moving very rapidly

1511
01:15:26,570 --> 01:15:24,780
and he can see it as a metallic craft

1512
01:15:30,650 --> 01:15:26,580
with a bubble on top it's coming right

1513
01:15:34,340 --> 01:15:30,660

at them he tries to maneuver to escape

1514

01:15:39,050 --> 01:15:34,350

from it and suddenly it's gone it just

1515

01:15:41,780 --> 01:15:39,060

vanishes as its as it's about to hit a

1516

01:15:45,590 --> 01:15:41,790

vase about to hit the plane and so that

1517

01:15:50,180 --> 01:15:45,600

was one of the targets I gave to Joe and

1518

01:15:52,010 --> 01:15:50,190

what that's the one he described he said

1519

01:15:58,120 --> 01:15:52,020

they were abducted he said the whole

1520

01:16:00,860 --> 01:15:58,130

plane was abducted and that's why and

1521

01:16:04,400 --> 01:16:00,870

and that's one of the reasons that Bruce

1522

01:16:06,200 --> 01:16:04,410

has never wanted to talk about this as

1523

01:16:08,990 --> 01:16:06,210

an abduction experience or as a UFO

1524

01:16:10,670 --> 01:16:09,000

experience right I mean there we are

1525

01:16:12,230 --> 01:16:10,680

back to the beginning of the show when

1526

01:16:14,300 --> 01:16:12,240

we were talking about people just don't

1527

01:16:16,190 --> 01:16:14,310

want to talk about it because they they

1528

01:16:19,010 --> 01:16:16,200

know what they're in for if they say

1529

01:16:26,800 --> 01:16:19,020

those words was that your kitty cat I

1530

01:16:29,960 --> 01:16:26,810

heard the back so hungry very insistent

1531

01:16:31,670 --> 01:16:29,970

do I remember that robbed that you told

1532

01:16:33,380 --> 01:16:31,680

me that Bruce was thinking of coming out

1533

01:16:34,130 --> 01:16:33,390

with a book about this or am I making

1534

01:16:38,900 --> 01:16:34,140

that up

1535

01:16:41,900 --> 01:16:38,910

no I co-authored it with Bruce called

1536

01:16:43,370 --> 01:16:41,910

the fog after all of this you've been

1537

01:16:44,900 --> 01:16:43,380

saying about how he doesn't want to talk

1538

01:16:47,300 --> 01:16:44,910

about it I thought I must have just

1539

01:16:48,770 --> 01:16:47,310

misunderstood them because if he doesn't

1540

01:16:50,660 --> 01:16:48,780

want to talk about it he would never put

1541

01:16:54,500 --> 01:16:50,670

it in a book but he didn't want to talk

1542

01:16:57,470 --> 01:16:54,510

about the UFO part yeah I did manage to

1543

01:16:59,990 --> 01:16:57,480

get one chapter on the UFO question into

1544

01:17:03,580 --> 01:17:00,000

the book but he was very very hesitant

1545

01:17:07,370 --> 01:17:03,590

to to talk about another interesting

1546

01:17:10,450 --> 01:17:07,380

point about Bruce's story is that when

1547

01:17:12,740 --> 01:17:10,460

this experience happened to him

1548

01:17:15,380 --> 01:17:12,750

he had never heard of the Bermuda

1549

01:17:18,660 --> 01:17:15,390

Triangle and Charles Berlitz book

1550

01:17:21,660 --> 01:17:18,670

wouldn't be published for several years

1551

01:17:24,770 --> 01:17:21,670

then in 1974 he saw a news program that

1552

01:17:26,810 --> 01:17:24,780

featured dr. Manson Valentine who is

1553

01:17:29,100 --> 01:17:26,820

leading a group of researchers

1554

01:17:32,540 --> 01:17:29,110

investigating the Bermuda Triangle that

1555

01:17:35,220 --> 01:17:32,550

was the first he had heard about it and

1556

01:17:37,979 --> 01:17:35,230

Valentine was the director of the Miami

1557

01:17:40,380 --> 01:17:37,989

Museum of Science and had really an

1558

01:17:44,160 --> 01:17:40,390

astonishing academic credentials three

1559

01:17:47,070 --> 01:17:44,170

PhDs from Yale in zoology paleontology

1560

01:17:50,760 --> 01:17:47,080

and geology but in spite of this

1561

01:17:53,100 --> 01:17:50,770

academic his academic achievements he

1562

01:17:55,620 --> 01:17:53,110

liked to pursue this interest that

1563

01:17:57,120 --> 01:17:55,630

strayed far from mainstream sciences

1564

01:18:01,250 --> 01:17:57,130

interests like the Bermuda Triangle

1565

01:18:05,209 --> 01:18:01,260

Atlantis and UFOs in in fact valantine

1566

01:18:07,470 --> 01:18:05,219

research would play a large role in

1567

01:18:10,020 --> 01:18:07,480

Charles Berlitz his bestseller the

1568

01:18:13,490 --> 01:18:10,030

Bermuda Triangle and and the sequel as

1569

01:18:16,320 --> 01:18:13,500

well so after watching that program

1570

01:18:19,740 --> 01:18:16,330

Bruce Gernon called the museum and left

1571

01:18:21,060 --> 01:18:19,750

a message for Valentin who contacted him

1572

01:18:24,810 --> 01:18:21,070

a week later and they arranged for a

1573

01:18:30,660 --> 01:18:24,820

meeting and they met at Valentines house

1574

01:18:32,850 --> 01:18:30,670

in downtown Miami and Valentin was

1575

01:18:35,160 --> 01:18:32,860

really fascinated by grens recollection

1576

01:18:38,669 --> 01:18:35,170

of that of that flight from Andros

1577

01:18:41,700 --> 01:18:38,679

Island and after he'd heard the entire

1578

01:18:44,520 --> 01:18:41,710

story Valentin turned to his wife Anna

1579

01:18:46,470 --> 01:18:44,530

and said this is amazing he is the only

1580

01:18:48,479 --> 01:18:46,480

pilot to ever have flown through the

1581

01:18:50,880 --> 01:18:48,489

heart of the storm from birth through

1582

01:18:54,120 --> 01:18:50,890

his maturity and to exit through the

1583

01:18:56,490 --> 01:18:54,130

vortex and survive wow that's something

1584

01:18:59,160 --> 01:18:56,500

I mean if you're gonna go through

1585

01:19:00,930 --> 01:18:59,170

something unusual you don't want to do

1586

01:19:02,610 --> 01:19:00,940

it up in the air in an airplane over no

1587

01:19:05,250 --> 01:19:02,620

show that's for sure

1588

01:19:08,010 --> 01:19:05,260

that's just really terrifying Bruce

1589

01:19:09,810 --> 01:19:08,020

always remembers that Valentin told him

1590

01:19:11,970 --> 01:19:09,820

that he held the key to the mystery of

1591

01:19:14,370 --> 01:19:11,980

the Bermuda Triangle yeah well that's

1592

01:19:16,530 --> 01:19:14,380

kind of a scary thought too especially

1593

01:19:20,240 --> 01:19:16,540

considering he may have been abducted a

1594

01:19:22,830 --> 01:19:20,250

couple of times yeah what price the key

1595

01:19:25,770 --> 01:19:22,840

well we're gonna we're gonna shift gears

1596

01:19:27,720 --> 01:19:25,780

just a little bit I'm gonna remind

1597

01:19:29,490 --> 01:19:27,730

everybody we're listening to Rob and

1598

01:19:31,740 --> 01:19:29,500

Trish McGregor talking about their book

1599

01:19:32,490 --> 01:19:31,750

aliens in the back yard which has an

1600

01:19:35,580 --> 01:19:32,500

awful lot

1601

01:19:39,060 --> 01:19:35,590

more in it than just aliens and UFOs I

1602

01:19:40,710 --> 01:19:39,070

might add and the telephone number if

1603

01:19:42,330 --> 01:19:40,720

you'd like to dial in and talk to them

1604

01:19:45,240 --> 01:19:42,340

and ask them a question directly is

1605

01:19:48,150 --> 01:19:45,250

eight eight eight nine one nine two

1606

01:19:51,720 --> 01:19:48,160

three five five or go to Inception Radio

1607

01:19:54,750 --> 01:19:51,730

Network online and come to our chat room

1608

01:19:57,480 --> 01:19:54,760

and type your question right there in

1609

01:20:00,060 --> 01:19:57,490

the chat room so where we're going next

1610

01:20:02,520 --> 01:20:00,070

this was a this was totally new

1611

01:20:04,770 --> 01:20:02,530

information to me about planetary

1612

01:20:07,800 --> 01:20:04,780

impasse and I'm going to try to

1613

01:20:09,830 --> 01:20:07,810

introduce it very briefly by pointing

1614

01:20:13,430 --> 01:20:09,840

out that these ancient indigenous

1615

01:20:17,370 --> 01:20:13,440

cultures like the Hopi the Lakota Sioux

1616

01:20:19,800 --> 01:20:17,380

the Maya the Aztecs and that's that's

1617

01:20:21,240 --> 01:20:19,810

just a few that that I remember that you

1618

01:20:23,430 --> 01:20:21,250

mentioned in the book but I know that

1619

01:20:26,870 --> 01:20:23,440

there's dozens maybe hundreds of more

1620

01:20:30,720 --> 01:20:26,880

cultures that have these predictions of

1621

01:20:33,120 --> 01:20:30,730

Earth shakings which is supposed to be

1622

01:20:36,090 --> 01:20:33,130

the end of one age or world and the

1623

01:20:40,170 --> 01:20:36,100

beginning of the next one the hopi call

1624

01:20:42,360 --> 01:20:40,180

it the day of purification I've got a

1625

01:20:45,540 --> 01:20:42,370

quote here when the earth rocks to and

1626

01:20:50,570 --> 01:20:45,550

fro white men battle people in other

1627

01:20:54,540 --> 01:20:50,580

lands many columns of smoke and fire and

1628

01:20:58,260 --> 01:20:54,550

the Sioux mentioned that each of the

1629

01:21:02,430 --> 01:20:58,270

four ages of rock fire bow and pipe were

1630

01:21:05,010 --> 01:21:02,440

brought to an end when men became humans

1631

01:21:10,710 --> 01:21:05,020

became too hard it which means infected

1632

01:21:14,160 --> 01:21:10,720

with evil of course some of the original

1633

01:21:18,260 --> 01:21:14,170

gods for these cultures like piranha

1634

01:21:21,150 --> 01:21:18,270

for the Hopi Kukulcan for the the Maya

1635

01:21:24,600 --> 01:21:21,160

Quetzalcoatl for the Aztecs are

1636

01:21:26,790 --> 01:21:24,610

described as light-skinned they're

1637

01:21:30,210 --> 01:21:26,800

bearded they have light-colored eyes

1638

01:21:31,830 --> 01:21:30,220

blue blue-green eyes gray eyes sound

1639

01:21:34,740 --> 01:21:31,840

very Nordic don't sound like the greys

1640

01:21:36,960 --> 01:21:34,750

or the reptilians some of them have

1641

01:21:41,540 --> 01:21:36,970

stories with them having come from the

1642

01:21:44,729 --> 01:21:41,550

stars like Sirius or the Pleiades

1643

01:21:48,600 --> 01:21:44,739

different places so

1644

01:21:52,319 --> 01:21:48,610

tell us what a planetary empath is and

1645

01:21:55,140 --> 01:21:52,329

why would this be another thing that

1646

01:21:58,649 --> 01:21:55,150

seems to be proliferating right now okay

1647

01:21:59,779 --> 01:21:58,659

I think it was Diane fine who actually

1648

01:22:02,910 --> 01:21:59,789

first brought this to our attention

1649

01:22:06,120 --> 01:22:02,920

during one of her abductions

1650

01:22:08,790 --> 01:22:06,130

she said the the basically the

1651
01:22:12,299 --> 01:22:08,800
windshield the window of the spaceship

1652
01:22:17,299 --> 01:22:12,309
or the craft she was on turned into kind

1653
01:22:20,580 --> 01:22:17,309
of like a movie of planetary disruptions

1654
01:22:21,959 --> 01:22:20,590
pollution earthquakes volcanic eruptions

1655
01:22:25,020 --> 01:22:21,969
you know everything that every natural

1656
01:22:26,759 --> 01:22:25,030
disaster that could happen and as these

1657
01:22:29,759 --> 01:22:26,769
this movie was playing across the

1658
01:22:32,100 --> 01:22:29,769
windows of the craft the gray or whoever

1659
01:22:35,459 --> 01:22:32,110
it was who was with her said this is as

1660
01:22:42,540 --> 01:22:35,469
a result of what humanity does to the

1661
01:22:44,640 --> 01:22:42,550
planet so in in the early 90s she began

1662
01:22:46,529 --> 01:22:44,650
noticing that she had these weird

1663
01:22:49,140 --> 01:22:46,539

symptoms like she would get kind of

1664

01:22:52,319 --> 01:22:49,150

weepy and sad for no reason she'd

1665

01:22:54,120 --> 01:22:52,329

experienced for at vertigo she might

1666

01:22:57,029 --> 01:22:54,130

have a terrible ringing in her ear

1667

01:23:01,830 --> 01:22:57,039

then she started associating these

1668

01:23:04,109 --> 01:23:01,840

symptoms with events natural disasters

1669

01:23:06,359 --> 01:23:04,119

that would happen several days or

1670

01:23:09,689 --> 01:23:06,369

several weeks after she'd had the

1671

01:23:12,689 --> 01:23:09,699

symptoms and over the years she began

1672

01:23:16,259 --> 01:23:12,699

piecing things together so that here's

1673

01:23:20,459 --> 01:23:16,269

here's the one for March 11th 2011 in

1674

01:23:22,680 --> 01:23:20,469

2:46 p.m. Tokyo time a 9.0 earthquake

1675

01:23:25,649 --> 01:23:22,690

shook northern Japan for two minutes and

1676

01:23:27,959 --> 01:23:25,659

shifted the planet on its axis by about

1677

01:23:30,359 --> 01:23:27,969

nine inches it was followed by a tsunami

1678

01:23:32,609 --> 01:23:30,369

with 30-foot waves that swept away

1679

01:23:34,830 --> 01:23:32,619

entire villages tens of thousands of

1680

01:23:37,739 --> 01:23:34,840

people were killed and also crippled the

1681

01:23:43,919 --> 01:23:37,749

Fukushima nuclear plant okay so this was

1682

01:23:46,040 --> 01:23:43,929

like a triple thing about maybe five or

1683

01:23:50,040 --> 01:23:46,050

six days before this happened

1684

01:23:51,930 --> 01:23:50,050

maybe a week Dyanne began to have really

1685

01:23:53,160 --> 01:23:51,940

severe physical symptoms and she knew

1686

01:23:55,379 --> 01:23:53,170

they were related to an upcoming

1687

01:23:56,990 --> 01:23:55,389

disaster she just wasn't sure what kind

1688

01:23:59,300 --> 01:23:57,000

of disaster was

1689

01:24:01,280 --> 01:23:59,310

her ears rang constantly she suffered

1690

01:24:03,110 --> 01:24:01,290

from extreme vertigo excruciating

1691

01:24:06,080 --> 01:24:03,120

migraine and she couldn't sleep couldn't

1692

01:24:09,140 --> 01:24:06,090

function and ended up in the ER several

1693

01:24:11,540 --> 01:24:09,150

times and a really profound sadness left

1694

01:24:14,840 --> 01:24:11,550

her virtually paralyzed okay around the

1695

01:24:16,940 --> 01:24:14,850

same time Connie the other abductee who

1696

01:24:18,560 --> 01:24:16,950

was abducted with her son was in a

1697

01:24:20,420 --> 01:24:18,570

grocery store one afternoon when she

1698

01:24:22,700 --> 01:24:20,430

suddenly felt the ground shift violently

1699

01:24:24,890 --> 01:24:22,710

beneath her and grabbed onto a shelf to

1700

01:24:26,540 --> 01:24:24,900

keep her balance her head pounded her

1701

01:24:28,430 --> 01:24:26,550

vision blurred she was gripped with

1702

01:24:30,710 --> 01:24:28,440

nausea she barely made it out of the

1703

01:24:32,240 --> 01:24:30,720

store to her car her husband and the

1704

01:24:35,630 --> 01:24:32,250

people around her didn't experience

1705

01:24:37,460 --> 01:24:35,640

anything at all four days before the

1706

01:24:40,520 --> 01:24:37,470

triple disasters in Japan

1707

01:24:42,110 --> 01:24:40,530

Diane emailed us about her symptoms she

1708

01:24:44,270 --> 01:24:42,120

said she had severe it was getting worse

1709

01:24:46,040 --> 01:24:44,280

she had severe bringing left ear which

1710

01:24:49,370 --> 01:24:46,050

for her was always a precursor to a

1711

01:24:51,800 --> 01:24:49,380

quake or a volcanic eruption then the

1712

01:24:54,440 --> 01:24:51,810

other symptoms first started to surface

1713

01:24:59,120 --> 01:24:54,450

the extreme vertigo nausea crippling

1714

01:25:01,340 --> 01:24:59,130

fatigue and she does although I was born

1715

01:25:02,690 --> 01:25:01,350

intuitive and empathic nothing prepared

1716

01:25:04,760 --> 01:25:02,700

me for how those qualities would

1717

01:25:08,390 --> 01:25:04,770

progress through life so by the time

1718

01:25:10,220 --> 01:25:08,400

that's Fukushima thing in the quake can

1719

01:25:12,050 --> 01:25:10,230

tie the world around she had a pretty

1720

01:25:15,050 --> 01:25:12,060

good idea that whatever was coming was

1721

01:25:16,640 --> 01:25:15,060

going to be absolutely huge so that's

1722

01:25:19,390 --> 01:25:16,650

you know some of the other symptoms

1723

01:25:25,030 --> 01:25:19,400

people experience are pretty awful

1724

01:25:30,970 --> 01:25:25,040

bleeding from your ears breathlessness

1725

01:25:36,260 --> 01:25:33,680

that the trick with with the people who

1726

01:25:38,720 --> 01:25:36,270

who experiences stuff is is telling

1727

01:25:41,090 --> 01:25:38,730

being able to discern what what kind of

1728

01:25:43,040 --> 01:25:41,100

disaster it is like like I said Diane

1729

01:25:44,360 --> 01:25:43,050

now knows that with one particular

1730

01:25:46,700 --> 01:25:44,370

symptom it means there's gonna be a

1731

01:25:48,740 --> 01:25:46,710

volcanic eruption for Connie when it's

1732

01:25:52,540 --> 01:25:48,750

gonna be a volcanic eruption she gets

1733

01:25:56,570 --> 01:25:52,550

flushed and her blood pressure goes up

1734

01:25:59,300 --> 01:25:56,580

but it's a frustrating ability to have

1735

01:26:01,610 --> 01:25:59,310

because you can't prevent anything and

1736

01:26:03,830 --> 01:26:01,620

because you don't know precisely where

1737

01:26:05,919 --> 01:26:03,840

it's gonna happen so it's not like you

1738

01:26:08,169 --> 01:26:05,929

can warn anybody

1739

01:26:10,240 --> 01:26:08,179

and for them to have had enough

1740

01:26:14,470 --> 01:26:10,250

experience that they're developing their

1741

01:26:16,720 --> 01:26:14,480

own map of what means what that means

1742

01:26:19,899 --> 01:26:16,730

they have it a lot and that's that to me

1743

01:26:23,729 --> 01:26:19,909

that's very terrifying - well I mean

1744

01:26:26,830 --> 01:26:23,739

basically it's it's really disrupted

1745

01:26:28,720 --> 01:26:26,840

Diane's life I mean especially now you

1746

01:26:33,760 --> 01:26:28,730

know it seems like there's a natural

1747

01:26:36,910 --> 01:26:33,770

disaster every other week Wow

1748

01:26:40,060 --> 01:26:36,920

I have experienced at times not

1749

01:26:43,209 --> 01:26:40,070

frequently but that feeling of just that

1750

01:26:45,669 --> 01:26:43,219

grief is the only word I can think of

1751

01:26:48,430 --> 01:26:45,679

that that really kind of fits it and it

1752

01:26:52,810 --> 01:26:48,440

just comes out of nowhere for no reason

1753

01:26:55,479 --> 01:26:52,820

and it's it's just it stops me in my

1754

01:26:58,180 --> 01:26:55,489

tracks and it lasts for a while and then

1755

01:27:01,899 --> 01:26:58,190

it's just gone so and that really

1756

01:27:05,500 --> 01:27:01,909

disturbs me for them to have that and

1757

01:27:08,500 --> 01:27:05,510

worse physical symptoms going on is just

1758

01:27:11,439 --> 01:27:08,510

very disturbing to me I mean when when

1759

01:27:13,660 --> 01:27:11,449

Diane had the bleeding from her ears she

1760

01:27:15,100 --> 01:27:13,670

immediately went to ER they ran all

1761

01:27:17,080 --> 01:27:15,110

kinds of tests on her and I said well

1762

01:27:18,280 --> 01:27:17,090

you don't have a brain tumor you know

1763

01:27:20,740 --> 01:27:18,290

and she said well what's the bleeding

1764

01:27:22,270 --> 01:27:20,750

from they said we don't know now how

1765

01:27:24,310 --> 01:27:22,280

frustrating is that you had this this

1766

01:27:26,709 --> 01:27:24,320

terrible thing happening and nobody

1767

01:27:29,380 --> 01:27:26,719

knows what causes it right what's the

1768

01:27:30,939 --> 01:27:29,390

physical trigger well Rob and Trish are

1769

01:27:32,950 --> 01:27:30,949

going to take that quick break right now

1770

01:27:35,560 --> 01:27:32,960

just a minute or two minutes and we'll

1771

01:27:37,390 --> 01:27:35,570

be right back after the break folks get

1772

01:27:40,240 --> 01:27:37,400

your questions down on paper if you want

1773

01:27:42,370 --> 01:27:40,250

to ask them because now's the time we'll

1774

01:27:48,010 --> 01:27:42,380

be right back with epic voyages radio

1775

01:28:10,830 --> 01:28:06,830

[Music]

1776

01:28:20,320 --> 01:28:10,840

you're listening to IRA the inception

1777

01:28:24,800 --> 01:28:22,460

do you have a smartphone

1778

01:28:26,600 --> 01:28:24,810

if so reception radio network is the

1779

01:28:29,840 --> 01:28:26,610

best out for you available

1780

01:28:32,240 --> 01:28:29,850

I choose Android Samsung and most of the

1781

01:28:34,910 --> 01:28:32,250

rap stores just search inception radio

1782

01:28:37,040 --> 01:28:34,920

network with the app you can listen live

1783

01:28:39,560 --> 01:28:37,050

check out my cast of recent and par

1784

01:28:41,750 --> 01:28:39,570

shows and view our videos see what shows

1785

01:28:44,510 --> 01:28:41,760

are coming up and who the guests are and

1786

01:28:47,030 --> 01:28:44,520

via the chat room send live questions to

1787

01:28:48,590 --> 01:28:47,040

those guests you know it makes sense and

1788

01:28:55,360 --> 01:28:48,600

check your apps door now

1789

01:28:57,200 --> 01:28:55,990

[Music]

1790

01:29:01,459 --> 01:28:57,210

[Applause]

1791

01:29:04,080 --> 01:29:01,469

[Music]

1792

01:29:06,090 --> 01:29:04,090

hello inception radio network

1793

01:29:07,530 --> 01:29:06,100

would you like your favorite show to be

1794

01:29:09,510 --> 01:29:07,540

play it again live on air

1795

01:29:12,270 --> 01:29:09,520

well now the choice is in your hands

1796

01:29:14,340 --> 01:29:12,280

with ir ends live request portal an easy

1797

01:29:17,310 --> 01:29:14,350

way to request your favorite show with a

1798

01:29:19,530 --> 01:29:17,320

simple click irons live request portal

1799

01:29:22,410 --> 01:29:19,540

now gives you exclusive access to all

1800

01:29:24,840 --> 01:29:22,420

the shows how easy is it simply type a

1801
01:29:27,360 --> 01:29:24,850
show name or a guest name click request

1802
01:29:28,830 --> 01:29:27,370
even write a dedication message and

1803
01:29:30,630 --> 01:29:28,840
that's it try it now

1804
01:29:33,060 --> 01:29:30,640
simply visit inception Radio Network

1805
01:29:35,640 --> 01:29:33,070
comm click on the live requests tab

1806
01:29:37,710 --> 01:29:35,650
under the show menu now playing your

1807
01:29:40,890 --> 01:29:37,720
favorite show is just a mouse click away

1808
01:29:43,540 --> 01:29:40,900
[Music]

1809
01:29:44,919 --> 01:29:43,550
don't have a computer is your internet

1810
01:29:46,510 --> 01:29:44,929
connection down don't worry

1811
01:29:49,120 --> 01:29:46,520
use your trusty cell phone or landline

1812
01:29:52,060 --> 01:29:49,130
and call into our listen line at 401 to

1813
01:29:53,410 --> 01:29:52,070

a3 6700 to listen to the inception radio

1814

01:29:56,970 --> 01:29:53,420

network 24/7

1815

01:29:59,890 --> 01:29:56,980

again that Colin number is 401 to a3

1816

01:30:03,690 --> 01:29:59,900

6700 for the inception radio network I

1817

01:30:08,130 --> 01:30:06,420

are you a fan of Inception Radio Network

1818

01:30:10,950 --> 01:30:08,140

do you reckon it's the best alternative

1819

01:30:13,140 --> 01:30:10,960

talk radio station on the planet well if

1820

01:30:15,360 --> 01:30:13,150

you do head to facebook-dot-com

1821

01:30:18,510 --> 01:30:15,370

forward-slash Conception Radio Network

1822

01:30:22,610 --> 01:30:18,520

light page tell your friends spread the

1823

01:30:29,790 --> 01:30:26,070

buddy this John Mars I'm inviting you to

1824

01:30:33,510 --> 01:30:29,800

tune in to epic voyages 8 p.m. Central

1825

01:30:36,630 --> 01:30:33,520

9 p.m. Eastern Monday nights right here

1826

01:30:39,180 --> 01:30:36,640

on inception radio network to find out

1827

01:30:39,660 --> 01:30:39,190

more about epic and how you can become a

1828

01:30:44,610 --> 01:30:39,670

member

1829

01:30:51,890 --> 01:30:44,620

visit epic voyagers dot-com that's epi c

1830

01:30:52,870 --> 01:30:52,190

you

1831

01:31:00,620 --> 01:30:52,880

[Applause]

1832

01:32:06,770 --> 01:32:00,230

you

1833

01:32:09,500 --> 01:32:06,780

to our show epic voyages radio this is

1834

01:32:11,810 --> 01:32:09,510

the last half-hour tonight and we're

1835

01:32:14,600 --> 01:32:11,820

talking with Rob and Trish McGregor

1836

01:32:17,240 --> 01:32:14,610

about their book aliens in the backyard

1837

01:32:18,890 --> 01:32:17,250

and we've been talking about abductions

1838

01:32:21,890 --> 01:32:18,900

but now we're getting ready to talk

1839

01:32:24,250 --> 01:32:21,900

about planetary empaths and we're gonna

1840

01:32:27,170 --> 01:32:24,260

go back for just a second and talk about

1841

01:32:29,180 --> 01:32:27,180

some things about the Hopi prophecies I

1842

01:32:31,700 --> 01:32:29,190

want to remind you if you want to call

1843

01:32:33,500 --> 01:32:31,710

in and ask your own question the dial-in

1844

01:32:36,620 --> 01:32:33,510

number here is eight eight eight nine

1845

01:32:38,420 --> 01:32:36,630

one nine two three five five but you've

1846

01:32:41,660 --> 01:32:38,430

only got about twenty five minutes to do

1847

01:32:44,390 --> 01:32:41,670

it also you can go to Inception Radio

1848

01:32:48,320 --> 01:32:44,400

Network and go to the chat room and type

1849

01:32:50,480 --> 01:32:48,330

your question in there so going back

1850

01:32:53,900 --> 01:32:50,490

backing up just a little bit to the to

1851

01:32:56,540 --> 01:32:53,910

the Hopi culture prophecy rock I

1852

01:32:59,120 --> 01:32:56,550

remember reading in your book that it's

1853

01:33:02,840 --> 01:32:59,130

actually documented carved on that rock

1854

01:33:04,300 --> 01:33:02,850

on the Hopi land about three world

1855

01:33:06,830 --> 01:33:04,310

shakings

1856

01:33:09,080 --> 01:33:06,840

Robin Trish can you tell us a little bit

1857

01:33:09,920 --> 01:33:09,090

more about that story and and what that

1858

01:33:13,010 --> 01:33:09,930

represents

1859

01:33:15,380 --> 01:33:13,020

right well the two shakings are

1860

01:33:17,960 --> 01:33:15,390

considered to be world war one world war

1861

01:33:24,890 --> 01:33:17,970

two and the third shaking is something

1862

01:33:26,660 --> 01:33:24,900

that is yet to come and so we had spent

1863

01:33:30,200 --> 01:33:26,670

some time on the Hopi reservation we'd

1864

01:33:33,770 --> 01:33:30,210

taken three trips out there and part of

1865

01:33:35,120 --> 01:33:33,780

it was for research for novels that was

1866

01:33:39,590 --> 01:33:35,130

writing the first one was called

1867

01:33:43,250 --> 01:33:39,600

prophecy rock and there was the same

1868

01:33:46,970 --> 01:33:43,260

character is will answer is through the

1869

01:33:50,030 --> 01:33:46,980

four novels of prophecy Rock Hawkmoon

1870

01:33:52,310 --> 01:33:50,040

double heart and time catcher and it's a

1871

01:33:57,170 --> 01:33:52,320

it's really about the story of PHA Hana

1872

01:34:00,920 --> 01:33:57,180

and so if you're interested in the the

1873

01:34:03,380 --> 01:34:00,930

hope is and these prophecies and you'd

1874

01:34:07,400 --> 01:34:03,390

like to have a little different spin on

1875

01:34:09,380 --> 01:34:07,410

it with with with a fiction series of

1876

01:34:11,390 --> 01:34:09,390

fiction novels mysteries and the first

1877

01:34:13,430 --> 01:34:11,400

one prophecy Iraq actually won the Edgar

1878

01:34:17,570 --> 01:34:13,440

Edgar Allan Poe award for

1879

01:34:19,640 --> 01:34:17,580

writing and the links are at the top of

1880

01:34:22,160 --> 01:34:19,650

that page I mentioned before I just put

1881

01:34:25,820 --> 01:34:22,170

it in the chat room again the blog dot

1882

01:34:27,470 --> 01:34:25,830

synchro secrets com the links are there

1883

01:34:29,420 --> 01:34:27,480

for those books I'm definitely going to

1884

01:34:32,150 --> 01:34:29,430

check that out because I've been really

1885

01:34:35,030 --> 01:34:32,160

interested in Native Americans

1886

01:34:37,459 --> 01:34:35,040

especially mysteries or history I've

1887

01:34:39,200 --> 01:34:37,469

read all kinds of books in the last 15

1888

01:34:42,140 --> 01:34:39,210

years or so since I came up here to New

1889

01:34:43,550 --> 01:34:42,150

York and I love that genre I love it and

1890

01:34:48,229 --> 01:34:43,560

I'm so glad you brought that up because

1891

01:34:51,470 --> 01:34:48,239

I'm gonna check those out tomorrow so we

1892

01:34:54,740 --> 01:34:51,480

were talking about the planetary impasse

1893

01:34:57,010 --> 01:34:54,750

and I'm gonna remind everybody that if

1894

01:35:01,270 --> 01:34:57,020

they go to that same website blog

1895

01:35:04,310 --> 01:35:01,280

synchro secrets calm there is a link to

1896

01:35:06,500 --> 01:35:04,320

planetary impasse there at the top of

1897

01:35:11,450 --> 01:35:06,510

the webpage and that is where you

1898

01:35:13,250 --> 01:35:11,460

actually have the running record of some

1899

01:35:14,810 --> 01:35:13,260

of these comments from people that we've

1900

01:35:17,110 --> 01:35:14,820

been talking about the last hour and a

1901

01:35:21,979 --> 01:35:19,729

reindeer woman you bring up reindeer

1902

01:35:24,110 --> 01:35:21,989

woman in your book I and I had never

1903

01:35:26,959 --> 01:35:24,120

heard of reindeer woman to fly neither

1904

01:35:31,040 --> 01:35:26,969

until this deborah fine wrote me and

1905

01:35:32,540 --> 01:35:31,050

said that after the indonesia quake she

1906

01:35:34,459 --> 01:35:32,550

had a dream that she was facing a

1907

01:35:37,280 --> 01:35:34,469

goddess who was half human and half

1908

01:35:38,840 --> 01:35:37,290

reindeer and she was a mixture of skin

1909

01:35:40,820 --> 01:35:38,850

fur and hair and had these enormous

1910

01:35:43,070 --> 01:35:40,830

antlers and she was really powerful and

1911

01:35:45,590 --> 01:35:43,080

she was flame Diane's body around like a

1912

01:35:47,209 --> 01:35:45,600

lasso holding her by the hair and then

1913

01:35:49,070 --> 01:35:47,219

when the creatures shifted the orbit of

1914

01:35:51,380 --> 01:35:49,080

Diane's body slightly she suddenly knew

1915

01:35:53,209 --> 01:35:51,390

the creature was reindeer one okay at

1916

01:35:55,459 --> 01:35:53,219

the time she had no idea who reindeer

1917

01:35:57,920 --> 01:35:55,469

woman was either I mean as far as she

1918

01:36:00,380 --> 01:35:57,930

knew there was no archetype archetypal

1919

01:36:02,689 --> 01:36:00,390

image of a reindeer woman but she did

1920

01:36:05,120 --> 01:36:02,699

correlate her body in the dream with the

1921

01:36:08,750 --> 01:36:05,130

earth and because she has this whole

1922

01:36:11,630 --> 01:36:08,760

complicated mess of autoimmune diseases

1923

01:36:15,770 --> 01:36:11,640

that she believes are directly linked to

1924

01:36:18,979 --> 01:36:15,780

her abductions and to humanity's damage

1925

01:36:20,959 --> 01:36:18,989

to the environment so in she believes

1926

01:36:22,729 --> 01:36:20,969

that in the dream her body was the earth

1927

01:36:25,250 --> 01:36:22,739

but still she was confused about who

1928

01:36:27,169 --> 01:36:25,260

this powerful goddess was okay skip

1929

01:36:31,240 --> 01:36:27,179

ahead February 24 22

1930

01:36:34,250 --> 01:36:31,250

and Diana and her husband are in this

1931

01:36:37,669 --> 01:36:34,260

thrift store and she sees this tattered

1932

01:36:40,160 --> 01:36:37,679

novel on a shelf and the cover featured

1933

01:36:42,680 --> 01:36:40,170

a featured a sketch of a rock with the

1934

01:36:44,840 --> 01:36:42,690

pictograph of a woman that had antlers

1935

01:36:46,100 --> 01:36:44,850

she couldn't recall a title but she

1936

01:36:48,110 --> 01:36:46,110

handed the book to her husband and said

1937

01:36:50,450 --> 01:36:48,120

the last time I saw reindeer woman the

1938

01:36:52,130 --> 01:36:50,460

Earth's axis shifted and her husband

1939

01:36:53,390 --> 01:36:52,140

whose literature for all these years

1940

01:36:55,790 --> 01:36:53,400

knew which she was referring to the

1941

01:36:57,260 --> 01:36:55,800

semantic quake and asked her if she

1942

01:36:58,669 --> 01:36:57,270

wanted the book and she said she didn't

1943

01:37:02,959 --> 01:36:58,679

feel well the store was really crowded

1944

01:37:08,479 --> 01:37:02,969

she needed to leave three days later the

1945

01:37:10,640 --> 01:37:08,489

Chilean earthquake 8.8 occurred and once

1946

01:37:13,899 --> 01:37:10,650

again now she knows that when she has

1947

01:37:16,149 --> 01:37:13,909

the rain reindeer woman dream it means

1948

01:37:19,729 --> 01:37:16,159

there's going to be some horrendous

1949

01:37:20,390 --> 01:37:19,739

natural disaster and the Chilean

1950

01:37:24,560 --> 01:37:20,400

earthquake

1951

01:37:26,959 --> 01:37:24,570

according to NASA actually moved the

1952

01:37:29,270 --> 01:37:26,969

Earth's axis by about 8 centimeters and

1953

01:37:34,399 --> 01:37:29,280

shortened the day by 1.26

1954

01:37:36,229 --> 01:37:34,409

microseconds I don't remember what the

1955

01:37:38,840 --> 01:37:36,239

exact numbers are but about a year ago I

1956

01:37:41,780 --> 01:37:38,850

was looking at some material talking

1957

01:37:45,560 --> 01:37:41,790

about how the axis of the earth and

1958

01:37:48,169 --> 01:37:45,570

TrueNorth have been moving yeah for in

1959

01:37:50,780 --> 01:37:48,179

rutter earthquakes like that only

1960

01:37:54,950 --> 01:37:50,790

contribute considerably to that movement

1961

01:37:57,320 --> 01:37:54,960

right we got a really good question here

1962

01:37:59,870 --> 01:37:57,330

from the chat room can you say a little

1963

01:38:05,360 --> 01:37:59,880

bit more about the legend of the blue

1964

01:38:09,500 --> 01:38:05,370

star from the Hopi culture yeah that is

1965

01:38:14,479 --> 01:38:09,510

something that's in part of my novels

1966

01:38:20,350 --> 01:38:14,489

the Blue Star Kachina is an actual

1967

01:38:24,140 --> 01:38:20,360

Kachina that has never been seen before

1968

01:38:28,970 --> 01:38:24,150

but supposedly in the legend is that

1969

01:38:34,100 --> 01:38:28,980

when this blue star appears in the sky

1970

01:38:38,060 --> 01:38:34,110

this is the time of the great shaking

1971

01:38:40,080 --> 01:38:38,070

and the end of the 4th world the

1972

01:38:42,150 --> 01:38:40,090

beginning of the fifth world

1973

01:38:49,340 --> 01:38:42,160

and that's when the Blue Star Kachina

1974

01:38:53,280 --> 01:38:49,350

will dance in the plaza and supposedly

1975

01:38:59,100 --> 01:38:53,290

or speculatively the Blue Star is a

1976

01:39:03,300 --> 01:38:59,110

craft Oh spacecraft yes oh wow I had not

1977

01:39:07,050 --> 01:39:03,310

heard that before either is it is it

1978

01:39:09,570 --> 01:39:07,060

somehow connected to the star Sirius you

1979

01:39:14,820 --> 01:39:09,580

know I think it is I think I remember

1980

01:39:17,550 --> 01:39:14,830

reading that okay so your first book is

1981

01:39:19,890 --> 01:39:17,560

prophecy Rock now you talk about the

1982

01:39:22,440 --> 01:39:19,900

blue star and all all for the books or

1983

01:39:25,500 --> 01:39:22,450

do you focus on on it more and one than

1984

01:39:29,850 --> 01:39:25,510

another it's in it's in the first one

1985

01:39:31,530 --> 01:39:29,860

and also the fourth one okay okay and I

1986

01:39:34,140 --> 01:39:31,540

think it's very interesting that the

1987

01:39:35,940 --> 01:39:34,150

name of one of your books is double

1988

01:39:39,600 --> 01:39:35,950

heart since we were talking about the

1989

01:39:42,000 --> 01:39:39,610

the statement that and that was from the

1990

01:39:45,360 --> 01:39:42,010

Lakota Sioux that the reason that the

1991

01:39:47,640 --> 01:39:45,370

each of those ages ended is when men

1992

01:39:51,500 --> 01:39:47,650

became two-hearted which means infected

1993

01:39:55,260 --> 01:39:51,510

with evil so hmm and that's the theme in

1994

01:39:57,180 --> 01:39:55,270

in double heart right well that's very

1995

01:39:59,250 --> 01:39:57,190

interesting that the Blue Star is

1996

01:40:02,850 --> 01:39:59,260

dancing in the plaza and it's it's

1997

01:40:05,370 --> 01:40:02,860

related to a ship oh my we're in for

1998

01:40:08,640 --> 01:40:05,380

some interesting times we're in the

1999

01:40:11,730 --> 01:40:08,650

middle of them that's true

2000

01:40:15,390 --> 01:40:11,740

you mentioned the Pauli effect related

2001
01:40:20,640 --> 01:40:15,400
to Wolfgang Pauli can you explain what

2002
01:40:24,900 --> 01:40:20,650
that is and yeah Pauli was a quantum

2003
01:40:27,570 --> 01:40:24,910
physicist scientist and anytime he

2004
01:40:30,150 --> 01:40:27,580
walked into a laboratory the equipment

2005
01:40:32,190 --> 01:40:30,160
broke down now here he is surrounded by

2006
01:40:33,600 --> 01:40:32,200
other scientists who see this happen

2007
01:40:38,640 --> 01:40:33,610
often enough so they started referring

2008
01:40:40,650 --> 01:40:38,650
to it as the Pauli effect and it was I

2009
01:40:44,220 --> 01:40:40,660
mean basically it's a telekinetic

2010
01:40:47,040 --> 01:40:44,230
ability he had and it apparently

2011
01:40:49,830 --> 01:40:47,050
happened enough so that people used to

2012
01:40:52,190 --> 01:40:49,840
joke about it in fact at one lab he

2013
01:40:54,570 --> 01:40:52,200

wasn't even allowed to come in

2014

01:40:55,860 --> 01:40:54,580

because of they were afraid that once he

2015

01:40:58,830 --> 01:40:55,870

entered the room everything would break

2016

01:41:01,020 --> 01:40:58,840

down that's amazing yeah it is I mean

2017

01:41:03,030 --> 01:41:01,030

when you think about it that's a

2018

01:41:07,710 --> 01:41:03,040

terrible handicap to have if you're if

2019

01:41:12,690 --> 01:41:07,720

you work in a lab yeah and what's

2020

01:41:16,740 --> 01:41:12,700

interesting is in 2012 we were asked to

2021

01:41:18,540 --> 01:41:16,750

be on William Shatner's what was a weird

2022

01:41:21,060 --> 01:41:18,550

or what I think it was show is called

2023

01:41:24,480 --> 01:41:21,070

and what they do with that weirder watch

2024

01:41:26,130 --> 01:41:24,490

shows they film each segment separately

2025

01:41:33,090 --> 01:41:26,140

so you don't really know what the full

2026

01:41:37,290 --> 01:41:33,100

story is and we flew to Toronto I should

2027

01:41:40,860 --> 01:41:37,300

backtrack first Paulie spent most of his

2028

01:41:45,110 --> 01:41:40,870

life puzzling over the numbers 137 which

2029

01:41:48,180 --> 01:41:45,120

is considered to be the DNA of light and

2030

01:41:52,710 --> 01:41:48,190

he he just he never could find the right

2031

01:41:54,120 --> 01:41:52,720

answer and at the age of 58 when he had

2032

01:41:56,910 --> 01:41:54,130

to go to the hospital for some routine

2033

01:42:01,410 --> 01:41:56,920

surgery and he saw that he was gonna be

2034

01:42:03,630 --> 01:42:01,420

in room 137 he told his friends I won't

2035

01:42:07,620 --> 01:42:03,640

be leaving the hospital and it was true

2036

01:42:09,390 --> 01:42:07,630

he died Wow so when we got to Toronto we

2037

01:42:11,880 --> 01:42:09,400

were supposed to talk about the Pauli

2038

01:42:13,550 --> 01:42:11,890

effect and we didn't know that this that

2039

01:42:17,460 --> 01:42:13,560

the way they were structuring the show

2040

01:42:20,310 --> 01:42:17,470

was that they were using that maybe the

2041

01:42:23,040 --> 01:42:20,320

Pauli effect had some facet of mind

2042

01:42:24,810 --> 01:42:23,050

control to it because this had to do

2043

01:42:27,630 --> 01:42:24,820

with a woman who was having these

2044

01:42:29,160 --> 01:42:27,640

strange experiences and so one of their

2045

01:42:31,230 --> 01:42:29,170

theories was maybe somebody's trying to

2046

01:42:34,070 --> 01:42:31,240

control her mind so we come in to

2047

01:42:37,110 --> 01:42:34,080

Toronto the first thing we see is this

2048

01:42:39,720 --> 01:42:37,120

the limo we were in stops and stop like

2049

01:42:43,530 --> 01:42:39,730

I look out the window and they're on a

2050

01:42:45,270 --> 01:42:43,540

storefront is that number 137 yeah I

2051

01:42:47,490 --> 01:42:45,280

thought it was very large yeah it was

2052

01:42:51,180 --> 01:42:47,500

huge we were stuck in a traffic jam and

2053

01:42:53,220 --> 01:42:51,190

just right next to this huge 137 and it

2054

01:42:56,580 --> 01:42:53,230

appeared two or three times during our

2055

01:42:58,140 --> 01:42:56,590

repeatedly yes and it was you know we

2056

01:43:01,470 --> 01:42:58,150

were there to talk about Paulie and that

2057

01:43:03,180 --> 01:43:01,480

was his death number you know so that

2058

01:43:04,100 --> 01:43:03,190

that was one synchronously associated

2059

01:43:06,890 --> 01:43:04,110

with that that was just

2060

01:43:10,640 --> 01:43:06,900

very strange I mean and we've had a

2061

01:43:12,260 --> 01:43:10,650

number of other anyway that this number

2062

01:43:14,510 --> 01:43:12,270

followed us throughout the two days and

2063

01:43:16,010 --> 01:43:14,520

in Toronto it was just incredibly

2064

01:43:19,570 --> 01:43:16,020

strange Wow

2065

01:43:23,450 --> 01:43:19,580

that was my other cat knocking down

2066

01:43:24,859 --> 01:43:23,460

catnip mine just left the window and I'm

2067

01:43:26,540 --> 01:43:24,869

hoping he doesn't come jump on the

2068

01:43:32,750 --> 01:43:26,550

keyboard cuz he'll probably disconnect

2069

01:43:34,669 --> 01:43:32,760

me going back to - UFO sightings and

2070

01:43:37,459 --> 01:43:34,679

relating them to other kinds of

2071

01:43:39,560 --> 01:43:37,469

phenomena you do mention in towards the

2072

01:43:43,490 --> 01:43:39,570

end of the book that there's several

2073

01:43:46,520 --> 01:43:43,500

different theories or hypotheses to

2074

01:43:49,459 --> 01:43:46,530

account well not to account for them to

2075

01:43:51,830 --> 01:43:49,469

explain them not necessarily explain

2076

01:43:54,530 --> 01:43:51,840

them away but to sort of try and explain

2077

01:43:56,689 --> 01:43:54,540

how they work and some of these actually

2078

01:43:58,970 --> 01:43:56,699

overlap with other paranormal things

2079

01:44:01,100 --> 01:43:58,980

like like ghosts and afterlife and

2080

01:44:03,379 --> 01:44:01,110

things like that and I just wanted to

2081

01:44:06,530 --> 01:44:03,389

take a few minutes we've got about Oh a

2082

01:44:09,260 --> 01:44:06,540

little bit of 10 or 12 minutes left now

2083

01:44:11,450 --> 01:44:09,270

in the show and I just wanted to take a

2084

01:44:14,300 --> 01:44:11,460

little bit of time and talk about each

2085

01:44:18,129 --> 01:44:14,310

one of these and get your opinion about

2086

01:44:20,930 --> 01:44:18,139

how you feel the two of you how these

2087

01:44:23,180 --> 01:44:20,940

relate to what you've been all the

2088

01:44:25,370 --> 01:44:23,190

things you know about UFO sightings in

2089

01:44:29,140 --> 01:44:25,380

the abductees and the first one is

2090

01:44:32,229 --> 01:44:29,150

visitors from our own future time travel

2091

01:44:36,439 --> 01:44:32,239

that's an interesting theory and it's

2092

01:44:39,550 --> 01:44:36,449

it's it's a possibility that that we're

2093

01:44:44,030 --> 01:44:39,560

being visited by ourselves in the future

2094

01:44:48,770 --> 01:44:44,040

one of the things that the greys have

2095

01:44:52,669 --> 01:44:48,780

said to people telepathically is that

2096

01:44:58,609 --> 01:44:52,679

they have a right to do what they're

2097

01:45:03,640 --> 01:44:58,619

doing taking them and that could be one

2098

01:45:07,129 --> 01:45:03,650

explanation but this would be a future

2099

01:45:11,180 --> 01:45:07,139

that would be very far in the future I

2100

01:45:14,359 --> 01:45:11,190

would hope that if if we end up evolving

2101
01:45:16,399 --> 01:45:14,369
into these little gray beings I mean

2102
01:45:21,949 --> 01:45:16,409
that seems like the devil

2103
01:45:24,469 --> 01:45:21,959
- beans also could be like robots yeah

2104
01:45:28,609 --> 01:45:24,479
you know by bio robots mm-hmm

2105
01:45:30,409 --> 01:45:28,619
a place for the awareness to reside that

2106
01:45:33,169 --> 01:45:30,419
merely need to yeah that's a thought

2107
01:45:35,770 --> 01:45:33,179
uh-huh not a very attractive choice but

2108
01:45:39,169 --> 01:45:35,780
no and because they don't seem to have

2109
01:45:40,729 --> 01:45:39,179
emotions mm-hmm you know the way at

2110
01:45:44,540 --> 01:45:40,739
least from what people have described to

2111
01:45:48,560 --> 01:45:44,550
us well what you were just describing

2112
01:45:50,449 --> 01:45:48,570
about traveling through time is related

2113
01:45:54,169 --> 01:45:50,459

to I guess I could put these two points

2114

01:45:56,689 --> 01:45:54,179

together and multiverses or multiple

2115

01:46:02,060 --> 01:45:56,699

dimensions and parallel or alternate

2116

01:46:03,469 --> 01:46:02,070

universes and realities well I mean it

2117

01:46:06,489 --> 01:46:03,479

doesn't kind of hold on with string

2118

01:46:09,739 --> 01:46:06,499

theory well that was another one

2119

01:46:11,899 --> 01:46:09,749

together you know the the multi the

2120

01:46:14,569 --> 01:46:11,909

multiverse that for every every choice

2121

01:46:19,089 --> 01:46:14,579

you make the choice you didn't make is a

2122

01:46:24,500 --> 01:46:21,890

then they the last one is the afterlife

2123

01:46:27,439 --> 01:46:24,510

maybe and plus I've heard people say

2124

01:46:29,270 --> 01:46:27,449

well that's ghosts are really not ghosts

2125

01:46:31,909 --> 01:46:29,280

they're coming from another dimension or

2126

01:46:34,520 --> 01:46:31,919

another reality so what do you think

2127

01:46:40,549 --> 01:46:34,530

about the afterlife is an explanation

2128

01:46:43,040 --> 01:46:40,559

well they could there's been experiences

2129

01:46:46,879 --> 01:46:43,050

that people have had where they've been

2130

01:46:51,250 --> 01:46:46,889

in abducted in contact with alien beings

2131

01:46:55,819 --> 01:46:51,260

and they've also seen deceased relatives

2132

01:46:58,419 --> 01:46:55,829

with them and so the question is is this

2133

01:47:04,100 --> 01:46:58,429

something is this a screen memory that

2134

01:47:07,640 --> 01:47:04,110

the that the the beings have put there

2135

01:47:09,439 --> 01:47:07,650

or are they in that same realm as the

2136

01:47:12,259 --> 01:47:09,449

dead maybe they don't see the dead as

2137

01:47:15,049 --> 01:47:12,269

the dead Whitley Strieber thinks that's

2138

01:47:19,549 --> 01:47:15,059

the case that there is a definite

2139

01:47:22,759 --> 01:47:19,559

connection with the dead and and these

2140

01:47:23,570 --> 01:47:22,769

beings and that they they move through

2141

01:47:27,690 --> 01:47:23,580

that real

2142

01:47:28,770 --> 01:47:27,700

very interesting a couple of questions

2143

01:47:31,590 --> 01:47:28,780

from the chat room

2144

01:47:33,840 --> 01:47:31,600

what will the fourth world bring I kept

2145

01:47:36,090 --> 01:47:33,850

thinking in terms of the Hopi

2146

01:47:42,960 --> 01:47:36,100

nomenclature what will that fourth world

2147

01:47:45,000 --> 01:47:42,970

bring hmm that's uh that's a good

2148

01:47:54,450 --> 01:47:45,010

question that's a good question

2149

01:47:59,160 --> 01:47:54,460

prom we could be living years there's an

2150

01:48:03,420 --> 01:47:59,170

analogy here some years ago a writer and

2151

01:48:05,880 --> 01:48:03,430

a researcher Helen Wambach did a session

2152

01:48:08,610 --> 01:48:05,890

in Europe with a number of different

2153

01:48:11,430 --> 01:48:08,620

groups of people and she progressed them

2154

01:48:14,520 --> 01:48:11,440

into the future and they saw three

2155

01:48:19,470 --> 01:48:14,530

different scenarios one in which people

2156

01:48:22,950 --> 01:48:19,480

lived in space on you know planets

2157

01:48:25,680 --> 01:48:22,960

another where people lived in domes

2158

01:48:30,450 --> 01:48:25,690

because the environment was so toxic and

2159

01:48:33,170 --> 01:48:30,460

then there was a third one that was like

2160

01:48:36,420 --> 01:48:33,180

they lived in caverns or something and

2161

01:48:41,850 --> 01:48:36,430

so I don't know the fort I mean every

2162

01:48:43,770 --> 01:48:41,860

culture has its what's coming I remember

2163

01:48:48,150 --> 01:48:43,780

what Trish's talking about one of those

2164

01:48:51,630 --> 01:48:48,160

was very technically advanced that's why

2165

01:48:57,080 --> 01:48:51,640

I was but another was very psychically

2166

01:49:00,360 --> 01:48:57,090

advanced where people had superior

2167

01:49:05,480 --> 01:49:00,370

intuitive abilities and that they were

2168

01:49:09,750 --> 01:49:05,490

very commonplace for precognition

2169

01:49:16,680 --> 01:49:09,760

telepathy all the different aspects of

2170

01:49:21,590 --> 01:49:16,690

of psychic abilities were more more more

2171

01:49:24,930 --> 01:49:21,600

developed that's that's been such a

2172

01:49:28,070 --> 01:49:24,940

dilemma that's been going on since

2173

01:49:30,570 --> 01:49:28,080

probably the beginning of our species is

2174

01:49:34,200 --> 01:49:30,580

I've always thought of it as you've got

2175

01:49:37,110 --> 01:49:34,210

two horses leading you know harness

2176
01:49:39,480 --> 01:49:37,120
together and one is the logic and rash

2177
01:49:42,150 --> 01:49:39,490
and the other one right is compassion

2178
01:49:44,340 --> 01:49:42,160
and intuition and you've got to let the

2179
01:49:48,510 --> 01:49:44,350
two of them pull equally together are

2180
01:49:51,960 --> 01:49:48,520
you you're gonna ruin yourself that you

2181
01:49:54,330 --> 01:49:51,970
can't go anywhere it'll be a debacle and

2182
01:49:56,400 --> 01:49:54,340
yet that's something even today that's

2183
01:50:00,030 --> 01:49:56,410
something I think many people struggle

2184
01:50:03,120 --> 01:50:00,040
with every day yeah I mean if we can't

2185
01:50:05,210 --> 01:50:03,130
live in a holistic sense you know with

2186
01:50:09,180 --> 01:50:05,220
left and right brain working together

2187
01:50:10,920 --> 01:50:09,190
then we probably are screwed yeah and

2188
01:50:12,660 --> 01:50:10,930

that kind of explains what's going on

2189

01:50:16,110 --> 01:50:12,670

around us right yeah I think it does

2190

01:50:17,760 --> 01:50:16,120

yeah here's another interesting question

2191

01:50:20,850 --> 01:50:17,770

from the chat room and I've never heard

2192

01:50:22,500 --> 01:50:20,860

this particular hypothesis before this

2193

01:50:25,290 --> 01:50:22,510

is gonna this is very interesting

2194

01:50:28,470 --> 01:50:25,300

could one of the reasons that these ETS

2195

01:50:31,350 --> 01:50:28,480

take people from the planet is to

2196

01:50:36,840 --> 01:50:31,360

develop antibodies for themselves to be

2197

01:50:38,490 --> 01:50:36,850

able to survive here wow that's that's

2198

01:50:41,580 --> 01:50:38,500

certainly possible

2199

01:50:44,460 --> 01:50:41,590

that's uh that's the possibility is that

2200

01:50:49,380 --> 01:50:44,470

before no I I haven't either but you

2201
01:50:53,780 --> 01:50:49,390
have to wonder how they can exist in our

2202
01:50:56,730 --> 01:50:53,790
atmosphere when they're from someplace

2203
01:51:00,000 --> 01:50:56,740
totally different if they if that's the

2204
01:51:03,210 --> 01:51:00,010
case and one of the theories is the

2205
01:51:07,410 --> 01:51:03,220
greys are actually wearing skins and

2206
01:51:09,510 --> 01:51:07,420
these these black large black eyes are

2207
01:51:12,840 --> 01:51:09,520
not their actual eyes but there are a

2208
01:51:16,080 --> 01:51:12,850
protective lens that are over their eyes

2209
01:51:18,290 --> 01:51:16,090
and so they might actually look like

2210
01:51:21,240 --> 01:51:18,300
something else underneath these

2211
01:51:23,370 --> 01:51:21,250
protective skins they're wearing that

2212
01:51:25,350 --> 01:51:23,380
makes sense I mean that that makes a lot

2213
01:51:27,330 --> 01:51:25,360

more sense than well that's just my

2214

01:51:29,760 --> 01:51:27,340

opinion but I was going to say it makes

2215

01:51:31,080 --> 01:51:29,770

more sense in alien autopsies in finding

2216

01:51:34,520 --> 01:51:31,090

out they've got green blood and that's

2217

01:51:36,870 --> 01:51:34,530

definitely at least to me it does so

2218

01:51:38,370 --> 01:51:36,880

what I don't know though is really what

2219

01:51:40,110 --> 01:51:38,380

all does the government know do they

2220

01:51:42,500 --> 01:51:40,120

just have bits and pieces and they try

2221

01:51:46,440 --> 01:51:42,510

and fit all these old pieces together

2222

01:51:48,240 --> 01:51:46,450

it's it's curious now now have the two

2223

01:51:50,700 --> 01:51:48,250

of you or either one of you separately

2224

01:51:53,280 --> 01:51:50,710

have not written a book about that yet

2225

01:51:57,060 --> 01:51:53,290

if you haven't I heartily suggest that

2226

01:51:58,770 --> 01:51:57,070

you consider that well after aliens in

2227

01:52:02,220 --> 01:51:58,780

the backyard came out and we went on

2228

01:52:03,810 --> 01:52:02,230

coast-to-coast no I know it was it was

2229

01:52:06,150 --> 01:52:03,820

when we first started publishing the

2230

01:52:09,260 --> 01:52:06,160

Charles Fontaine series was is a nine

2231

01:52:12,600 --> 01:52:09,270

part series about his abduction and

2232

01:52:14,940 --> 01:52:12,610

encounter we started getting hits from

2233

01:52:17,220 --> 01:52:14,950

every acronym government agency

2234

01:52:19,800 --> 01:52:17,230

including the canadian royal mounted

2235

01:52:23,280 --> 01:52:19,810

police who stayed on the blog for like

2236

01:52:26,130 --> 01:52:23,290

eight hours he had to be assigned it

2237

01:52:28,380 --> 01:52:26,140

wasn't just like a secretary messing

2238

01:52:31,350 --> 01:52:28,390

around on the internet browsing this was

2239

01:52:33,930 --> 01:52:31,360

somebody who was assigned to look at

2240

01:52:37,080 --> 01:52:33,940

this case that we had described in

2241

01:52:40,530 --> 01:52:37,090

detail about the couple in quebec who

2242

01:52:42,030 --> 01:52:40,540

had this experience in their backyard I

2243

01:52:43,410 --> 01:52:42,040

mean we had Homeland Security the FBI

2244

01:52:47,610 --> 01:52:43,420

the CIA

2245

01:52:51,240 --> 01:52:47,620

I guess government agencies have to show

2246

01:52:55,560 --> 01:52:51,250

who they are in terms of urals so that's

2247

01:52:57,720 --> 01:52:55,570

how we knew that is a an interesting

2248

01:53:01,670 --> 01:52:57,730

thing it seems like if you come up with

2249

01:53:04,380 --> 01:53:01,680

anything related to out of the ordinary

2250

01:53:07,530 --> 01:53:04,390

paranormal extraordinary kinds of

2251
01:53:09,870 --> 01:53:07,540
phenomena people are watching you I know

2252
01:53:14,550 --> 01:53:09,880
someone who said that he's been followed

2253
01:53:16,920 --> 01:53:14,560
you know by a car and I wouldn't so far

2254
01:53:18,570 --> 01:53:16,930
he hasn't been threatened but it's

2255
01:53:20,820 --> 01:53:18,580
there's definitely a feeling the

2256
01:53:22,410 --> 01:53:20,830
person's gonna stay on his back bumper

2257
01:53:27,320 --> 01:53:22,420
and follow him around and that's just

2258
01:53:30,030 --> 01:53:27,330
creepy that's on ya that's on ya we had

2259
01:53:33,630 --> 01:53:30,040
experience about three years ago where

2260
01:53:36,020 --> 01:53:33,640
we had three of our computers were just

2261
01:53:40,830 --> 01:53:36,030
totally destroyed we were under attack

2262
01:53:42,810 --> 01:53:40,840
our blog was taken over and if this

2263
01:53:46,670 --> 01:53:42,820

person went on who took over the blog

2264

01:53:49,650 --> 01:53:46,680
and wrote an apology to himself

2265

01:53:50,130 --> 01:53:49,660
supposedly from me and it was just

2266

01:53:51,899 --> 01:53:50,140
terrible

2267

01:53:54,600 --> 01:53:51,909
I mean yes

2268

01:53:56,250 --> 01:53:54,610
it cost us thousands of dollars yeah it

2269

01:53:58,439 --> 01:53:56,260
is an invasion it's like being raped

2270

01:54:02,640 --> 01:53:58,449
we're seeing that your book and that

2271

01:54:05,459 --> 01:54:02,650
that's just really ridiculous and inside

2272

01:54:09,479 --> 01:54:05,469
of our computers and they even went to

2273

01:54:12,600 --> 01:54:09,489
the you know the old Windows computer

2274

01:54:15,870 --> 01:54:12,610
the the initial word that you have to

2275

01:54:18,089 --> 01:54:15,880
put in the key word I can't think what

2276

01:54:20,129 --> 01:54:18,099

it was called to turn on the computer he

2277

01:54:24,270 --> 01:54:20,139

changed that so I couldn't even turn on

2278

01:54:26,609 --> 01:54:24,280

the computer oh nice and what are you

2279

01:54:28,620 --> 01:54:26,619

saying he was physically geographically

2280

01:54:30,689 --> 01:54:28,630

where you were II did this long distance

2281

01:54:34,620 --> 01:54:30,699

so we knew who he was he was a computer

2282

01:54:36,509 --> 01:54:34,630

guy he was a hacker and he was a member

2283

01:54:39,330 --> 01:54:36,519

of a skeptic society and he got ticked

2284

01:54:43,709 --> 01:54:39,340

off about the stuff we were writing

2285

01:54:45,540 --> 01:54:43,719

about Wow Wow so be forewarned if you're

2286

01:54:46,949 --> 01:54:45,550

gonna be on the bleeding edge on the

2287

01:54:51,000 --> 01:54:46,959

cutting edge it's the bleeding edge

2288

01:54:52,859 --> 01:54:51,010

right yeah yeah well Robin Trish were

2289

01:54:55,199 --> 01:54:52,869

just about out of time

2290

01:54:57,629 --> 01:54:55,209

I'm gonna make some announcements again

2291

01:55:00,629 --> 01:54:57,639

to to talk about the book that we've got

2292

01:55:02,489 --> 01:55:00,639

coming out but I'd like to know are you

2293

01:55:05,219 --> 01:55:02,499

working on a book right now either one

2294

01:55:07,169 --> 01:55:05,229

of you yeah I am I'm working on a I've

2295

01:55:09,239 --> 01:55:07,179

got a astrology book coming out in

2296

01:55:17,549 --> 01:55:09,249

September called unlocking the secrets

2297

01:55:19,439 --> 01:55:17,559

to Scorpio why did you pick that for the

2298

01:55:21,120 --> 01:55:19,449

topic well that was what the publisher

2299

01:55:22,890 --> 01:55:21,130

picked and the guy who owns the company

2300

01:55:25,259 --> 01:55:22,900

is a Scorpio so I guess he wanted to

2301
01:55:28,350 --> 01:55:25,269
know every and he's married to a Scorpio

2302
01:55:30,659 --> 01:55:28,360
and has two Scorpio children oh wow

2303
01:55:34,799 --> 01:55:30,669
that's that's an interesting house hole

2304
01:55:36,629 --> 01:55:34,809
I'm RPO and I can tell you stories so

2305
01:55:39,060 --> 01:55:36,639
that's I'll be looking for that book

2306
01:55:42,439 --> 01:55:39,070
definitely be looking for that book and

2307
01:55:49,679 --> 01:55:42,449
I'm working on a novel right now that

2308
01:55:52,259 --> 01:55:49,689
involves multiple dimensions the our

2309
01:55:53,380 --> 01:55:52,269
normal everyday world and a dream world

2310
01:55:58,480 --> 01:55:53,390
and all

2311
01:56:00,940 --> 01:55:58,490
two and two merged together now Dominion

2312
01:56:04,420 --> 01:56:00,950
say a little bit more about that say

2313
01:56:07,480 --> 01:56:04,430

that again with other words it's

2314

01:56:11,200 --> 01:56:07,490

difficult to describe because what's

2315

01:56:14,640 --> 01:56:11,210

happening in this it relates to a

2316

01:56:19,590 --> 01:56:14,650

phenomenon called Tulpas tapas are

2317

01:56:24,750 --> 01:56:19,600

creatures that supposedly have been

2318

01:56:29,530 --> 01:56:24,760

created through deep meditation by

2319

01:56:32,020 --> 01:56:29,540

meditating monks in Tibet and there was

2320

01:56:35,530 --> 01:56:32,030

a book written in the 1930s about a

2321

01:56:40,000 --> 01:56:35,540

researcher and Explorer who who stayed

2322

01:56:43,870 --> 01:56:40,010

who got into Lhasa and stayed in a

2323

01:56:48,180 --> 01:56:43,880

monastery and was actually trained and

2324

01:56:51,010 --> 01:56:48,190

was able to create a tool herself and

2325

01:56:53,650 --> 01:56:51,020

what happened is that is they had to

2326

01:56:58,120 --> 01:56:53,660

find a way to destroy this tool because

2327

01:57:01,240 --> 01:56:58,130

it became independent and was out of

2328

01:57:04,210 --> 01:57:01,250

control and so I took that that was the

2329

01:57:07,930 --> 01:57:04,220

Nugget of the idea that I had that these

2330

01:57:10,240 --> 01:57:07,940

tool paws basically were banished into

2331

01:57:13,300 --> 01:57:10,250

this dream world but they were they

2332

01:57:15,790 --> 01:57:13,310

learned to reproduce themselves in the

2333

01:57:20,080 --> 01:57:15,800

same way that the monks had produced

2334

01:57:24,220 --> 01:57:20,090

them and then there the concept is that

2335

01:57:27,880 --> 01:57:24,230

they want to take over the dream world

2336

01:57:30,370 --> 01:57:27,890

and as they do this there

2337

01:57:33,460 --> 01:57:30,380

what they're doing is trying to create

2338

01:57:35,860 --> 01:57:33,470

the the dream world becomes the real

2339

01:57:38,770 --> 01:57:35,870

world so I have two characters that are

2340

01:57:41,760 --> 01:57:38,780

in our everyday world and two characters

2341

01:57:47,580 --> 01:57:41,770

that are in the dream world and the two

2342

01:57:54,630 --> 01:57:47,590

eventually emerge and the tool pisar are

2343

01:57:59,380 --> 01:57:54,640

taking over and are the and the whole

2344

01:58:01,960 --> 01:57:59,390

idea is that they have to somehow take

2345

01:58:05,170 --> 01:58:01,970

the world back from the tool puss Wow

2346

01:58:08,140 --> 01:58:05,180

Wow okay so that's two books it just

2347

01:58:10,760 --> 01:58:08,150

went to the top of my list that I've met

2348

01:58:14,360 --> 01:58:10,770

thank you so much for your time tonight

2349

01:58:16,790 --> 01:58:14,370

and you I can't tell you how fascinating

2350

01:58:20,020 --> 01:58:16,800

it is talking to the two of you and I'm

2351

01:58:23,290 --> 01:58:20,030

sure I'm sure we're gonna do it again

2352

01:58:26,000 --> 01:58:23,300

let me remind everybody real quickly

2353

01:58:27,950 --> 01:58:26,010

let's see Carol Carl is going to be

2354

01:58:30,500 --> 01:58:27,960

talking with Linda Godfrey next week

2355

01:58:31,850 --> 01:58:30,510

about the beast of Bray Road and the

2356

01:58:33,860 --> 01:58:31,860

week after that I'm going to be

2357

01:58:36,620 --> 01:58:33,870

interviewing Ken cherry about his new

2358

01:58:40,220 --> 01:58:36,630

book about the Stephenville UFO so

2359

01:58:42,590 --> 01:58:40,230

please come back and join us make a date

2360

01:58:45,170 --> 01:58:42,600

for yourself Monday nights at 9:00 p.m.

2361

01:58:47,840 --> 01:58:45,180

Eastern time here at inception radio

2362

01:58:52,790 --> 01:58:47,850

network for the epic voyages radio show

2363

01:58:54,790 --> 01:58:52,800

and thanks to Joe our producer who works

2364

01:59:00,219 --> 01:58:54,800

very hard keeping me on track and

2365

01:59:04,669 --> 01:59:02,239

thank you for being with us tonight

2366

01:59:06,140 --> 01:59:04,679

please join us again next Monday evening

2367

01:59:08,899 --> 01:59:06,150

for extraordinary phenomenon

2368

01:59:11,959 --> 01:59:08,909

investigations Council's epic voyages
