

Exposing the Truth, One Secret at a Time

NIGHTVISION

Host: René Barnett

RADIO

George Lugo

1
00:00:04,849 --> 00:00:03,050
they most likely be fine they will

2
00:00:09,110 --> 00:00:04,859
probably also know your whereabouts for

3
00:00:11,419 --> 00:00:09,120
the rest of your life the perimeter of

4
00:00:13,490 --> 00:00:11,429
the base is not fence but rather mark by

5
00:00:15,890 --> 00:00:13,500
posed for silver spheres and tops of the

6
00:00:18,980 --> 00:00:15,900
post which are used as a reference point

7
00:00:21,740 --> 00:00:18,990
by patrolling aircraft which consists of

8
00:00:24,170 --> 00:00:21,750
black unmarked helicopters and f-16s

9
00:00:27,170 --> 00:00:24,180
that can be very intimidating at low

10
00:00:29,419 --> 00:00:27,180
level they'll remotely operated

11
00:00:31,189 --> 00:00:29,429
solar-powered surveillance cameras just

12
00:00:34,069 --> 00:00:31,199
inside the boundary at strategic

13
00:00:36,620 --> 00:00:34,079

locations as well as motion sensors

14

00:00:39,740 --> 00:00:36,630

microphones and optical and vibration

15

00:00:41,360 --> 00:00:39,750

detectors ammonia detectors have also

16

00:00:44,090 --> 00:00:41,370

been mentioned which can sense the

17

00:00:45,619 --> 00:00:44,100

difference between humans and animals by

18

00:00:49,010 --> 00:00:45,629

the amount of ammonia in their

19

00:00:51,020 --> 00:00:49,020

preparation heat sensors are also used

20

00:00:55,729 --> 00:00:51,030

which can detect body heat at night and

21

00:00:57,740 --> 00:00:55,739

during the day in cool weather that's

22

00:01:01,760 --> 00:00:57,750

one of them posed with sphere on top for

23

00:01:05,450 --> 00:01:01,770

marking the boundary that's one of the

24

00:01:07,130 --> 00:01:05,460

cameras employees who work at the base

25

00:01:09,080 --> 00:01:07,140

sign an agreement to not discuss

26
00:01:11,690 --> 00:01:09,090
anything about the base and should they

27
00:01:15,620 --> 00:01:11,700
talk they give up their civil rights to

28
00:01:18,590 --> 00:01:15,630
a trial may be faced up to 10 years in

29
00:01:21,770 --> 00:01:18,600
prison and up to ten thousand dollars in

30
00:01:24,170 --> 00:01:21,780
fines security at the base is serious

31
00:01:25,940 --> 00:01:24,180
business for those who work there as

32
00:01:29,690 --> 00:01:25,950
well as those who attempt to violate

33
00:01:31,280 --> 00:01:29,700
that security now I got something to

34
00:01:36,649 --> 00:01:31,290
share with you that I just found out

35
00:01:41,240 --> 00:01:36,659
about last week I don't know how this

36
00:01:43,100 --> 00:01:41,250
happened having been there myself but in

37
00:01:46,969 --> 00:01:43,110
May of this year while trying to sneak

38
00:01:49,940 --> 00:01:46,979

into area 51 a 12-member British film

39

00:01:52,520 --> 00:01:49,950

crew was held by agents at gunpoint and

40

00:01:54,530 --> 00:01:52,530

forced to lie on the ground for three

41

00:01:58,219 --> 00:01:54,540

hours while the FBI checked their

42

00:02:01,249 --> 00:01:58,229

credentials Apache helicopters were

43

00:02:04,850 --> 00:02:01,259

called in in Washington phoned London

44

00:02:07,249 --> 00:02:04,860

after they were caught trespassing the

45

00:02:09,619 --> 00:02:07,259

local sheriff was called in and each

46

00:02:11,559 --> 00:02:09,629

person was questioned and given a fine

47

00:02:13,780 --> 00:02:11,569

of six hundred dollars

48

00:02:17,259 --> 00:02:13,790

in addition to being threatened at all

49

00:02:18,819 --> 00:02:17,269

would go to prison for six months one of

50

00:02:20,559 --> 00:02:18,829

the group talked to a guard and he was

51
00:02:25,569 --> 00:02:20,569
told how they could make you disappear

52
00:02:27,849 --> 00:02:25,579
and your body will never be found he was

53
00:02:30,699 --> 00:02:27,859
also told the Apache helicopter had been

54
00:02:32,800 --> 00:02:30,709
monitoring them from two miles away and

55
00:02:35,349 --> 00:02:32,810
over 20 guards had driven up from the

56
00:02:38,920 --> 00:02:35,359
base to deal with them most of them with

57
00:02:41,319 --> 00:02:38,930
guns the film equipment was taken and

58
00:02:43,000 --> 00:02:41,329
when they got back to Las Vegas they

59
00:02:45,690 --> 00:02:43,010
were followed everywhere they went that

60
00:02:49,420 --> 00:02:45,700
day by unmarked government vehicles

61
00:02:51,490 --> 00:02:49,430
that's my understanding of this that

62
00:02:54,399 --> 00:02:51,500
there was about 12 of them filming

63
00:02:58,059 --> 00:02:54,409

outside the gate but the guard shack is

64

00:02:59,709 --> 00:02:58,069

that you saw and they claim that they

65

00:03:04,059 --> 00:02:59,719

were there for about 30 minutes and

66

00:03:06,429 --> 00:03:04,069

didn't see any guards when I was out

67

00:03:09,720 --> 00:03:06,439

there and I'll talk about in a minute we

68

00:03:12,250 --> 00:03:09,730

just got there and the guards were there

69

00:03:13,990 --> 00:03:12,260

they think that the guards were sitting

70

00:03:17,619 --> 00:03:14,000

in the guard shack eating dinner and

71

00:03:19,179 --> 00:03:17,629

watching a basketball game on TV so

72

00:03:25,030 --> 00:03:19,189

anyway they were outside the gate for

73

00:03:28,420 --> 00:03:25,040

20-30 minutes making noise and then one

74

00:03:31,619 --> 00:03:28,430

of a group went through the gate and

75

00:03:33,729 --> 00:03:31,629

knocked on the door of the guard shack

76

00:03:35,770 --> 00:03:33,739

immediately they came out with guns

77

00:03:36,939 --> 00:03:35,780

thrown put him on the ground and kept

78

00:03:40,839 --> 00:03:36,949

them on the ground for three and a half

79

00:03:42,939 --> 00:03:40,849

hours what they normally do they don't

80

00:03:44,710 --> 00:03:42,949

the military or the government normally

81

00:03:47,439 --> 00:03:44,720

doesn't handle this they call the local

82

00:03:49,629 --> 00:03:47,449

sheriff sheriff comes out and he

83

00:03:51,849 --> 00:03:49,639

interrogated each one of them separately

84

00:03:54,369 --> 00:03:51,859

and then find them six hundred dollars

85

00:03:57,879 --> 00:03:54,379

and threatened them with six months in

86

00:04:01,569 --> 00:03:57,889

prison somebody in Washington called

87

00:04:05,409 --> 00:04:01,579

London England and told them that their

88

00:04:06,879 --> 00:04:05,419

people had trespassed at area 51 and out

89

00:04:09,569 --> 00:04:06,889

of the good nature of somebody in

90

00:04:14,679 --> 00:04:09,579

Washington the prison sentence was not

91

00:04:16,569 --> 00:04:14,689

enforced but I guarantee you the United

92

00:04:18,879 --> 00:04:16,579

States government will know where those

93

00:04:22,310 --> 00:04:18,889

12 people are for the rest of their

94

00:04:28,560 --> 00:04:26,550

that got my attention because of having

95

00:04:32,190 --> 00:04:28,570

been there and knowing what the security

96

00:04:35,880 --> 00:04:32,200

is but never having heard that it's

97

00:04:42,030 --> 00:04:35,890

possible that this could happen this was

98

00:04:44,730 --> 00:04:42,040

this was fact this happened nevada

99

00:04:46,590 --> 00:04:44,740

highway 375 was renamed the

100

00:04:48,510 --> 00:04:46,600

extra-terrestrial highway a few years

101
00:04:50,550 --> 00:04:48,520
ago by the governor of Nevada and

102
00:04:53,760 --> 00:04:50,560
there's a nineteen ninety eight mile

103
00:04:55,560 --> 00:04:53,770
stretch of highway and 30 miles north of

104
00:04:58,530 --> 00:04:55,570
the southern end is where the town of

105
00:05:00,540 --> 00:04:58,540
rachel is located one of the few side

106
00:05:02,610 --> 00:05:00,550
roads intersects the highway heading off

107
00:05:04,290 --> 00:05:02,620
to the south toward the distant

108
00:05:08,370 --> 00:05:04,300
mountains were one of the entrances of

109
00:05:12,390 --> 00:05:08,380
the base is located now when I was up

110
00:05:15,180 --> 00:05:12,400
there that's a 13 mile dirt road back to

111
00:05:18,990 --> 00:05:15,190
that mountain and the guard shack is

112
00:05:21,030 --> 00:05:19,000
packed behind that that Ridge about ten

113
00:05:23,760 --> 00:05:21,040

miles down that road I told my wife I

114

00:05:27,330 --> 00:05:23,770

said start watching for trucks or jeeps

115

00:05:29,700 --> 00:05:27,340

up on the sand dunes sure enough we came

116

00:05:32,880 --> 00:05:29,710

around the corner where the signs are

117

00:05:35,880 --> 00:05:32,890

and there was a chevy pickup sitting up

118

00:05:38,490 --> 00:05:35,890

on the sand dune two guys binoculars

119

00:05:40,620 --> 00:05:38,500

watching us by the time we got to that

120

00:05:42,240 --> 00:05:40,630

point they already had my license number

121

00:05:45,870 --> 00:05:42,250

and property knew where of us from who

122

00:05:47,160 --> 00:05:45,880

my mother was whatever so there's no way

123

00:05:49,710 --> 00:05:47,170

that you're going to get around to

124

00:05:51,540 --> 00:05:49,720

security up there a ranchers black

125

00:05:55,680 --> 00:05:51,550

mailbox was at the intersection until

126

00:05:58,950 --> 00:05:55,690

March 27th 1996 when it was replaced by

127

00:06:00,960 --> 00:05:58,960

a heavier duty white mailbox this may be

128

00:06:04,650 --> 00:06:00,970

the world's most photographed mailbox

129

00:06:06,900 --> 00:06:04,660

it's a highly reverent landmark too many

130

00:06:09,080 --> 00:06:06,910

UFO enthusiasts who have had sightings

131

00:06:13,260 --> 00:06:09,090

of unusual objects in the distant sky

132

00:06:15,870 --> 00:06:13,270

ballpark they're an ape until April 10th

133

00:06:18,060 --> 00:06:15,880

1995 there was a pair of hilltop view

134

00:06:19,890 --> 00:06:18,070

points in the jumbled Hills that

135

00:06:22,760 --> 00:06:19,900

overlooked the portion of the base known

136

00:06:25,440 --> 00:06:22,770

as white site mountain and freedom Ridge

137

00:06:28,770 --> 00:06:25,450

the air force went before Congress and

138

00:06:30,950 --> 00:06:28,780

received permission to annex some 5,000

139

00:06:34,170 --> 00:06:30,960

acres including those two viewpoints

140

00:06:34,980 --> 00:06:34,180

into the buffer zone of the base this

141

00:06:37,500 --> 00:06:34,990

means that they

142

00:06:39,450 --> 00:06:37,510

very incorporated into area 51 is now

143

00:06:42,120 --> 00:06:39,460

the size of the state of Connecticut and

144

00:06:44,610 --> 00:06:42,130

the restricted airspace above the base

145

00:06:47,490 --> 00:06:44,620

and closes almost a thousand square

146

00:06:49,890 --> 00:06:47,500

miles today the only remaining

147

00:06:52,380 --> 00:06:49,900

viewpoints to see parts of the base into

148

00:06:56,010 --> 00:06:52,390

the emigrant valley or a tikka boo peek

149

00:06:59,910 --> 00:06:56,020

in badger mountain some 25 27 mile miles

150

00:07:02,190 --> 00:06:59,920

from the base access is difficult in the

151
00:07:03,990 --> 00:07:02,200
winter and viewing the base from there

152
00:07:06,480 --> 00:07:04,000
in the summer of nearly feudal due to

153
00:07:09,780 --> 00:07:06,490
atmospheric distortion over that greater

154
00:07:11,970 --> 00:07:09,790
distance the town of Rachel is located

155
00:07:14,070 --> 00:07:11,980
in the sand spring valley some 27 miles

156
00:07:17,430 --> 00:07:14,080
from the top secret base control tower

157
00:07:20,490 --> 00:07:17,440
known as dreamland and it's the closest

158
00:07:22,770 --> 00:07:20,500
town to the base Rachel began as a

159
00:07:26,430 --> 00:07:22,780
mining town in the Union Carbide company

160
00:07:29,340 --> 00:07:26,440
reopened a tungsten mine 98 miles to the

161
00:07:31,650 --> 00:07:29,350
northeast peak population of Rachel

162
00:07:34,170 --> 00:07:31,660
during the mining days is about four to

163
00:07:36,950 --> 00:07:34,180

five hundred residents when the mines

164

00:07:39,780 --> 00:07:36,960

closed in 1988 the workers mood and

165

00:07:43,140 --> 00:07:39,790

today Rachel has a population of less

166

00:07:45,990 --> 00:07:43,150

than 100 some who are retired some who

167

00:07:49,110 --> 00:07:46,000

work on local farms and ranches as well

168

00:07:51,900 --> 00:07:49,120

as the for businesses in town a few in

169

00:07:54,930 --> 00:07:51,910

town work at area 51 and at the Air

170

00:07:57,990 --> 00:07:54,940

Force Tonopah test range but of course

171

00:08:00,090 --> 00:07:58,000

those that do cannot talk about it the

172

00:08:02,790 --> 00:08:00,100

businesses consists of a quick pic mini

173

00:08:05,370 --> 00:08:02,800

market a gas station small convenience

174

00:08:08,400 --> 00:08:05,380

store and Rachel's most famous landmark

175

00:08:10,980 --> 00:08:08,410

the little alien in patent Joe Travis

176
00:08:12,960 --> 00:08:10,990
bought the inn in 1988 the former name

177
00:08:15,330 --> 00:08:12,970
of the motel restaurant and bar was the

178
00:08:17,820 --> 00:08:15,340
Rachel bar and grill and prior to that

179
00:08:20,430 --> 00:08:17,830
was the watering hole and the little

180
00:08:22,580 --> 00:08:20,440
oasis there's a public phone outside the

181
00:08:26,880 --> 00:08:22,590
end but you need a credit card to use it

182
00:08:30,240 --> 00:08:26,890
Rachel Nevada is that a caesarian is in

183
00:08:32,790 --> 00:08:30,250
a remote part of the state every 51 to

184
00:08:35,370 --> 00:08:32,800
several runways one of which you're

185
00:08:41,600 --> 00:08:35,380
locked into inception radio network

186
00:08:48,800 --> 00:08:45,230
your tool in tonight vision radio

187
00:08:51,600 --> 00:08:48,810
exposing the truth one secret at a time

188
00:08:54,060 --> 00:08:51,610

prepare yourself as we explore the

189

00:08:57,269 --> 00:08:54,070

shadow world of suppressed history

190

00:09:00,120 --> 00:08:57,279

secret knowledge and forbidden religion

191

00:09:21,360 --> 00:09:00,130

and shine a light on the conspiracies to

192

00:09:21,370 --> 00:09:24,650

what

193

00:09:43,190 --> 00:09:27,090

this

194

00:09:43,200 --> 00:09:50,760

welcome to night vision radio

195

00:09:55,720 --> 00:09:53,860

hey everybody so glad you could be here

196

00:09:58,750 --> 00:09:55,730

with us tonight there's a great show

197

00:10:00,160 --> 00:09:58,760

planned got a fantastic guest our guest

198

00:10:03,460 --> 00:10:00,170

tonight knows a little bit of something

199

00:10:05,800 --> 00:10:03,470

about the other side we have master

200

00:10:07,780 --> 00:10:05,810

psychic medium george lugo with us

201
00:10:11,410 --> 00:10:07,790
tonight thanks so much for joining us

202
00:10:14,500 --> 00:10:11,420
George you bet hey here oh I'm so

203
00:10:16,930 --> 00:10:14,510
excited to have you on I heard so much

204
00:10:18,550 --> 00:10:16,940
about your work and of course heard a

205
00:10:20,950 --> 00:10:18,560
lot about you from our good buddy but

206
00:10:22,900 --> 00:10:20,960
Patricia Baker of supernatural girls and

207
00:10:25,090 --> 00:10:22,910
she's going to be on this station very

208
00:10:29,170 --> 00:10:25,100
very soon but i want to thank her for

209
00:10:32,290 --> 00:10:29,180
introducing us so we owe her one for

210
00:10:33,760 --> 00:10:32,300
that but i love her she's gonna like she

211
00:10:36,220 --> 00:10:33,770
has enough energy to light up a small

212
00:10:38,500 --> 00:10:36,230
city she sure does she's got the wild

213
00:10:42,250 --> 00:10:38,510

stuff going up on up there in the castle

214

00:10:44,860 --> 00:10:42,260

to castle in the woods that's right

215

00:10:47,290 --> 00:10:44,870

anyhow George let's get right into you

216

00:10:50,650 --> 00:10:47,300

and your background is a psychic medium

217

00:10:52,570 --> 00:10:50,660

now this is something that I understand

218

00:10:55,810 --> 00:10:52,580

that you've been aware of since you were

219

00:10:58,900 --> 00:10:55,820

you were very young yeah just born with

220

00:11:00,580 --> 00:10:58,910

it you know and not always a welcome

221

00:11:02,950 --> 00:11:00,590

thing you know it's kind of a

222

00:11:05,440 --> 00:11:02,960

double-edged sword but yes I I was born

223

00:11:07,930 --> 00:11:05,450

with it and my first recollection is

224

00:11:09,790 --> 00:11:07,940

before I was actually born sahnaya

225

00:11:12,490 --> 00:11:09,800

sounds kind of way out there but that's

226

00:11:14,950 --> 00:11:12,500

what happened oh wow in like growing up

227

00:11:17,140 --> 00:11:14,960

did you like try to kind of hide it from

228

00:11:19,480 --> 00:11:17,150

people sometimes cuz you felt like you

229

00:11:21,040 --> 00:11:19,490

know why am i different yeah you know I

230

00:11:23,080 --> 00:11:21,050

didn't understand it you know I didn't

231

00:11:25,630 --> 00:11:23,090

have a vocabulary for it I grew up in a

232

00:11:27,010 --> 00:11:25,640

small town and we ought p all these

233

00:11:28,990 --> 00:11:27,020

things were like popping out of the

234

00:11:30,520 --> 00:11:29,000

woodwork and I just didn't I didn't know

235

00:11:32,530 --> 00:11:30,530

what they were i mean i felt like i was

236

00:11:35,140 --> 00:11:32,540

extremely haunted you know i mean it

237

00:11:36,610 --> 00:11:35,150

just nobody else saw these things or

238

00:11:39,040 --> 00:11:36,620

would talk about it so i thought it was

239

00:11:42,850 --> 00:11:39,050

like bad words or something so as a very

240

00:11:45,490 --> 00:11:42,860

young child I just kind of ran from it

241

00:11:48,490 --> 00:11:45,500

all the time you know it did in did the

242

00:11:53,490 --> 00:11:48,500

fact that you were male also sort of

243

00:11:55,420 --> 00:11:53,500

come into play there uh because you know

244

00:11:57,850 --> 00:11:55,430

intuition and all that you always hear

245

00:12:00,760 --> 00:11:57,860

feminine intuition female intuition and

246

00:12:01,210 --> 00:12:00,770

it does seem like a lot of psychic

247

00:12:03,699 --> 00:12:01,220

source

248

00:12:05,530 --> 00:12:03,709

mediums are women although I know a lot

249

00:12:08,949 --> 00:12:05,540

of great male psychics and we don't have

250

00:12:12,670 --> 00:12:08,959

to name them all off but I growing up as

251

00:12:14,769 --> 00:12:12,680

a kid was that also kind of into play

252

00:12:18,009 --> 00:12:14,779

it's like the other guys are going to

253

00:12:21,369 --> 00:12:18,019

think I'm crazy or something like that

254

00:12:23,769 --> 00:12:21,379

well you know what I mean I grew up in

255

00:12:25,389 --> 00:12:23,779

his family with mostly women and I

256

00:12:28,420 --> 00:12:25,399

didn't have a I had a brother but he

257

00:12:32,110 --> 00:12:28,430

passed away mom but outside of that it

258

00:12:35,650 --> 00:12:32,120

was just sisters aunts grandmothers I

259

00:12:37,869 --> 00:12:35,660

get a no males in Ellen it was armed I

260

00:12:41,379 --> 00:12:37,879

seem to be the only one in that family

261

00:12:43,480 --> 00:12:41,389

on my mother's side that had it and I

262

00:12:45,850 --> 00:12:43,490

didn't meet my father's side until I was

263

00:12:50,220 --> 00:12:45,860

after 18 and they had a bunch of it

264

00:12:52,569 --> 00:12:50,230

hello so and they were really happy to

265

00:12:54,550 --> 00:12:52,579

find out they helped me a lot they kind

266

00:12:57,069 --> 00:12:54,560

of gave me a vocabulary for it kind of

267

00:12:59,829 --> 00:12:57,079

showed me what was going on uh they all

268

00:13:02,110 --> 00:12:59,839

had slightly different angles of it but

269

00:13:04,660 --> 00:13:02,120

boy was it strong there you know and it

270

00:13:06,280 --> 00:13:04,670

really helped me a lot to understand you

271

00:13:09,939 --> 00:13:06,290

know what happened going through now I

272

00:13:13,360 --> 00:13:09,949

know you you do amazing work in you know

273

00:13:16,329 --> 00:13:13,370

contacting loved ones or spirits people

274

00:13:19,569 --> 00:13:16,339

on the other side and I'm wondering a

275

00:13:20,710 --> 00:13:19,579

said you lost your brother how old were

276

00:13:23,650 --> 00:13:20,720

you when that happened if you don't mind

277

00:13:27,189 --> 00:13:23,660

me asking well I was done I was the UM

278

00:13:29,889 --> 00:13:27,199

the firstborn and then he was stillborn

279

00:13:32,769 --> 00:13:29,899

out for that and so there was like a

280

00:13:35,439 --> 00:13:32,779

five year period before my mother was

281

00:13:38,350 --> 00:13:35,449

pregnant again and had my first answer

282

00:13:41,350 --> 00:13:38,360

me sisters I see did you ever have any

283

00:13:44,199 --> 00:13:41,360

psychic connection with the brother you

284

00:13:46,569 --> 00:13:44,209

know I thought I felt him a few times

285

00:13:48,189 --> 00:13:46,579

that I wasn't really sure I kind of feel

286

00:13:50,740 --> 00:13:48,199

like he's always been watching over me

287

00:13:53,379 --> 00:13:50,750

yeah but but I'm not I could never

288

00:13:55,210 --> 00:13:53,389

really put my finger on it exactly

289

00:13:58,090 --> 00:13:55,220

little things would happen that made me

290

00:14:00,879 --> 00:13:58,100

feel that somebody extremely close to me

291

00:14:03,699 --> 00:14:00,889

was there but I never met him you know I

292

00:14:07,679 --> 00:14:03,709

didn't and I didn't see him either so I

293

00:14:11,290 --> 00:14:07,689

don't know it's kind of unusual in now

294

00:14:12,900 --> 00:14:11,300

did you start out I mean or have you

295

00:14:14,710 --> 00:14:12,910

always been a psychic medium

296

00:14:16,269 --> 00:14:14,720

professionally or

297

00:14:18,249 --> 00:14:16,279

there a time when you were like pursuing

298

00:14:21,249 --> 00:14:18,259

other things and you're trying to sort

299

00:14:23,050 --> 00:14:21,259

of push this to the side and then you or

300

00:14:24,879 --> 00:14:23,060

was it always something that was just so

301
00:14:28,660 --> 00:14:24,889
much in the forefront that you always

302
00:14:30,579 --> 00:14:28,670
kind of knew well from birth up into a

303
00:14:32,259 --> 00:14:30,589
senior in high school it was something

304
00:14:34,689 --> 00:14:32,269
that was chasing me down all the time

305
00:14:36,369 --> 00:14:34,699
hmm and I didn't have a vocabulary for

306
00:14:42,280 --> 00:14:36,379
it and I met my relatives on my dad's

307
00:14:43,869 --> 00:14:42,290
side um when I was 18 but to get I was

308
00:14:45,879 --> 00:14:43,879
trying to get rid of it all the time so

309
00:14:48,879 --> 00:14:45,889
I ended up becoming a drum redder at

310
00:14:50,949 --> 00:14:48,889
around 13 so you know all that noise

311
00:14:52,809 --> 00:14:50,959
kind of just block it out I thought I

312
00:14:55,660 --> 00:14:52,819
could do it with that you know and it

313
00:14:58,329 --> 00:14:55,670

didn't work but I lived in Los Angeles

314

00:15:00,759 --> 00:14:58,339

for quite a while toward the world about

315

00:15:03,460 --> 00:15:00,769

six times and I played with all kinds of

316

00:15:06,910 --> 00:15:03,470

different you know major acts and things

317

00:15:09,460 --> 00:15:06,920

like that and it was wonderful but in my

318

00:15:11,439 --> 00:15:09,470

travels it's very interesting these

319

00:15:14,590 --> 00:15:11,449

different people different mediums or

320

00:15:17,679 --> 00:15:14,600

psychics like Hindus and and Buddhist

321

00:15:19,869 --> 00:15:17,689

monks of Aborigine you know that sex

322

00:15:21,730 --> 00:15:19,879

they would all come up to me like they

323

00:15:23,199 --> 00:15:21,740

could recognize it me without saying a

324

00:15:25,389 --> 00:15:23,209

word and because I didn't know how to

325

00:15:28,119 --> 00:15:25,399

look for it so they would invite me into

326

00:15:29,799 --> 00:15:28,129

their circles to just kind of hang out

327

00:15:32,139 --> 00:15:29,809

with him and I've learned things from

328

00:15:34,329 --> 00:15:32,149

them you know and David I would help

329

00:15:36,519 --> 00:15:34,339

them too so I don't know it's been a

330

00:15:38,379 --> 00:15:36,529

learning experience the whole thing now

331

00:15:40,299 --> 00:15:38,389

let me ask you this after having that

332

00:15:41,980 --> 00:15:40,309

experience of having like you said they

333

00:15:44,559 --> 00:15:41,990

kind of knew their own you know they

334

00:15:47,110 --> 00:15:44,569

kind of recognized you have you

335

00:15:49,509 --> 00:15:47,120

developed that in yourself where yeah

336

00:15:52,720 --> 00:15:49,519

absolutely now when you meet someone do

337

00:15:54,490 --> 00:15:52,730

you know yes I do wait tell I can tell

338

00:15:56,559 --> 00:15:54,500

if they're will want to be or they're

339

00:15:58,480 --> 00:15:56,569

really got it there's a certain feel to

340

00:16:00,400 --> 00:15:58,490

them yes that you just pick up

341

00:16:02,470 --> 00:16:00,410

immediately that you just know they're

342

00:16:04,030 --> 00:16:02,480

the real deal you know you may not know

343

00:16:06,639 --> 00:16:04,040

exactly what it is until you talk to

344

00:16:09,759 --> 00:16:06,649

them and sometimes you know people that

345

00:16:11,530 --> 00:16:09,769

really do this for them for real lots of

346

00:16:12,970 --> 00:16:11,540

them are kind of quiet and you don't say

347

00:16:16,119 --> 00:16:12,980

too much they're sort of quiet about it

348

00:16:18,309 --> 00:16:16,129

yeah so just in a conversation that will

349

00:16:21,639 --> 00:16:18,319

usually surface and then you then you're

350

00:16:24,040 --> 00:16:21,649

into it mmm you know so yes impractical

351
00:16:27,189 --> 00:16:24,050
people have you ever identified anyone

352
00:16:28,400 --> 00:16:27,199
like that and when they said to you oh

353
00:16:30,319 --> 00:16:28,410
no i don't

354
00:16:32,990 --> 00:16:30,329
have you ever identified it for someone

355
00:16:36,829 --> 00:16:33,000
who wasn't aware of their ability yes

356
00:16:39,160 --> 00:16:36,839
yes I find that people that in general I

357
00:16:41,540 --> 00:16:39,170
find that people that think all this is

358
00:16:43,309 --> 00:16:41,550
smoke and mirrors or you know just your

359
00:16:46,009 --> 00:16:43,319
imagination and all that or some of this

360
00:16:48,319 --> 00:16:46,019
site are some of the strongest psychics

361
00:16:50,829 --> 00:16:48,329
or strongest mediums just because they

362
00:16:54,110 --> 00:16:50,839
just don't know they kind of live in it

363
00:16:56,840 --> 00:16:54,120

really yeah they live in it so they

364

00:16:58,550 --> 00:16:56,850

don't see it it's not real obvious to

365

00:17:00,559 --> 00:16:58,560

them but they're actually helping people

366

00:17:02,210 --> 00:17:00,569

they don't know they are under you know

367

00:17:05,029 --> 00:17:02,220

having these visions and you just think

368

00:17:06,919 --> 00:17:05,039

is their intellect so you know it's like

369

00:17:09,319 --> 00:17:06,929

that that's really interesting I mean

370

00:17:13,370 --> 00:17:09,329

that's sort of how my mother has always

371

00:17:16,069 --> 00:17:13,380

been we didn't ever call her a psychic

372

00:17:17,960 --> 00:17:16,079

or anything but she always knew stuff

373

00:17:20,899 --> 00:17:17,970

and she always had these prophetic

374

00:17:23,360 --> 00:17:20,909

dreams and you know not just about us

375

00:17:26,260 --> 00:17:23,370

but about all different people in town

376

00:17:29,029 --> 00:17:26,270

and you know I could never do anything

377

00:17:30,799 --> 00:17:29,039

and get by with it she'd always know by

378

00:17:33,110 --> 00:17:30,809

the time I got home where I've been and

379

00:17:35,029 --> 00:17:33,120

what I had done but we didn't say and

380

00:17:39,140 --> 00:17:35,039

still don't say she's psychic and

381

00:17:41,840 --> 00:17:39,150

actually you know I think I mentioned

382

00:17:45,820 --> 00:17:41,850

you that I had lost my daughter several

383

00:17:49,789 --> 00:17:45,830

years back yeah and when she passed

384

00:17:51,230 --> 00:17:49,799

before my mother even knew that my

385

00:17:55,490 --> 00:17:51,240

daughter had passed my daughter came to

386

00:17:57,470 --> 00:17:55,500

visit her woke her up you know that

387

00:17:59,480 --> 00:17:57,480

night in and we figured out later that

388

00:18:02,539 --> 00:17:59,490

it was just about the exact time that my

389

00:18:06,620 --> 00:18:02,549

daughter actually passed but one since

390

00:18:08,500 --> 00:18:06,630

it was just sort of a part of life you

391

00:18:11,990 --> 00:18:08,510

know we didn't label it as anything

392

00:18:13,460 --> 00:18:12,000

exactly yeah right exactly and so you

393

00:18:16,909 --> 00:18:13,470

must have probably had it very strong

394

00:18:19,250 --> 00:18:16,919

and just lived in it you know exactly

395

00:18:21,320 --> 00:18:19,260

yeah very natural thing in fact it's

396

00:18:24,230 --> 00:18:21,330

kind of unusual you know in our country

397

00:18:26,899 --> 00:18:24,240

in the US we've sort of like processed

398

00:18:28,370 --> 00:18:26,909

all that kind of stuff out of our lives

399

00:18:30,440 --> 00:18:28,380

you know because of religion and all

400

00:18:33,200 --> 00:18:30,450

that sort of stuff but you go to a third

401
00:18:35,690 --> 00:18:33,210
world country when someone's having an

402
00:18:37,850 --> 00:18:35,700
issue they'll say gay go see you know

403
00:18:39,980 --> 00:18:37,860
Uncle Paco because you know taking this

404
00:18:41,690 --> 00:18:39,990
wine or this tequila and go spend the

405
00:18:43,820 --> 00:18:41,700
night with him he'll tell you what you

406
00:18:46,580 --> 00:18:43,830
to know yeah that no big deal there you

407
00:18:49,879 --> 00:18:46,590
know they get it so here people are kind

408
00:18:52,100 --> 00:18:49,889
of afraid of it um but you know more now

409
00:18:54,320 --> 00:18:52,110
than ever since we have all these

410
00:18:57,680 --> 00:18:54,330
different TV shows showing it and most

411
00:18:59,990 --> 00:18:57,690
of its Hollywood I mean but the real

412
00:19:02,659 --> 00:19:00,000
stuff every once in a while you get to

413
00:19:06,470 --> 00:19:02,669

meet someone who really can do it so

414

00:19:08,720 --> 00:19:06,480

yeah now what your mother bobby was a

415

00:19:11,299 --> 00:19:08,730

very sensitive person you know yeah um

416

00:19:13,850 --> 00:19:11,309

would you sort of like up and down you

417

00:19:15,860 --> 00:19:13,860

know did she like kind of manic

418

00:19:17,690 --> 00:19:15,870

sometimes or depressed sometimes or cuz

419

00:19:21,830 --> 00:19:17,700

i run the whole gamut yeah that's

420

00:19:23,600 --> 00:19:21,840

usually more to clinical depression i

421

00:19:26,000 --> 00:19:23,610

mean not really bad but you know what i

422

00:19:27,500 --> 00:19:26,010

mean like i only depressed but she's

423

00:19:30,409 --> 00:19:27,510

still around you know and she's still

424

00:19:32,930 --> 00:19:30,419

psychic and and uh yes probably it

425

00:19:35,269 --> 00:19:32,940

probably just you know she had no way no

426

00:19:39,980 --> 00:19:35,279

outlet no one to talk to about it and it

427

00:19:42,049 --> 00:19:39,990

can make it kind of crazy yeah yo she's

428

00:19:45,560 --> 00:19:42,059

kind of a loner you know my mom was yes

429

00:19:48,139 --> 00:19:45,570

exactly smart but a loner and then of

430

00:19:51,049 --> 00:19:48,149

course you know we were in the the bible

431

00:19:53,060 --> 00:19:51,059

belt in the south you know so but what

432

00:19:54,620 --> 00:19:53,070

you were talking about about the

433

00:19:57,289 --> 00:19:54,630

indigenous peoples you know the same

434

00:20:00,200 --> 00:19:57,299

thing I grew up in Oklahoma and you know

435

00:20:02,570 --> 00:20:00,210

you go to the medicine man right uh you

436

00:20:04,669 --> 00:20:02,580

know it's like they'll you know you take

437

00:20:06,529 --> 00:20:04,679

my pack of cigarettes and say fix these

438

00:20:07,730 --> 00:20:06,539

for me and they do something to them and

439

00:20:09,649 --> 00:20:07,740

then you go and smoke those cigarettes

440

00:20:11,810 --> 00:20:09,659

and that's right takes care of the

441

00:20:15,320 --> 00:20:11,820

problem yeah when I was in the third

442

00:20:16,700 --> 00:20:15,330

grade arm well in kindergarten I would

443

00:20:19,310 --> 00:20:16,710

draw all these pictures of things that I

444

00:20:21,110 --> 00:20:19,320

was seeing am I my kindergarten teacher

445

00:20:23,269 --> 00:20:21,120

would hang on to them can go what is

446

00:20:25,700 --> 00:20:23,279

this no so the time I got to the third

447

00:20:27,590 --> 00:20:25,710

grade I had this great teacher she was a

448

00:20:31,730 --> 00:20:27,600

real scientist in all this and I love

449

00:20:33,529 --> 00:20:31,740

science she said every monday we have to

450

00:20:35,389 --> 00:20:33,539

write a paragraph about what we did this

451
00:20:37,700 --> 00:20:35,399
past weekend so kids would write you

452
00:20:39,560 --> 00:20:37,710
know with swimming play with my brother

453
00:20:41,060 --> 00:20:39,570
that kind of stuff and i'm writing that

454
00:20:43,700 --> 00:20:41,070
we're going to be looking at televisions

455
00:20:45,350 --> 00:20:43,710
that are going to have on typewriters in

456
00:20:49,190 --> 00:20:45,360
front of them so i was describing

457
00:20:51,950 --> 00:20:49,200
computer just like back in 1962 and I

458
00:20:55,460 --> 00:20:51,960
also told him that I would draw pictures

459
00:20:57,680 --> 00:20:55,470
and write out I also said that

460
00:21:00,409 --> 00:20:57,690
there was going to be a fake gas crunch

461
00:21:02,450 --> 00:21:00,419
in the middle of the 70s and that we and

462
00:21:04,940 --> 00:21:02,460
that gas would go skyrocket high and

463
00:21:07,700 --> 00:21:04,950

then that we would be buying cars

464

00:21:11,149 --> 00:21:07,710

smaller cars instead of Cadillacs from

465

00:21:15,470 --> 00:21:11,159

people that had very slanted eyes so and

466

00:21:17,840 --> 00:21:15,480

then i also i drew out to tall towers

467

00:21:20,870 --> 00:21:17,850

with two planes crashing in each playing

468

00:21:23,870 --> 00:21:20,880

crashing in each one that was 911 well

469

00:21:26,539 --> 00:21:23,880

when was that 162 and that was my

470

00:21:29,149 --> 00:21:26,549

goodness so my teacher would look at

471

00:21:31,039 --> 00:21:29,159

these pages every Monday should go to me

472

00:21:33,289 --> 00:21:31,049

first and look at it and she says all

473

00:21:36,049 --> 00:21:33,299

right go to the office and take this

474

00:21:38,960 --> 00:21:36,059

with you so I would go to the office and

475

00:21:41,480 --> 00:21:38,970

that particularly eater yep that one

476

00:21:44,659 --> 00:21:41,490

year we had an Indian chief who was

477

00:21:46,640 --> 00:21:44,669

principal and so he would call me in his

478

00:21:48,470 --> 00:21:46,650

office and he'd say where are you

479

00:21:51,080 --> 00:21:48,480

getting this from and I said I don't

480

00:21:53,810 --> 00:21:51,090

know I just draw it out and ride it out

481

00:21:56,090 --> 00:21:53,820

he says if you were in my tribe you'd be

482

00:21:58,399 --> 00:21:56,100

a road man and I have no idea what that

483

00:21:59,899 --> 00:21:58,409

was I didn't ask and i only found that

484

00:22:02,779 --> 00:21:59,909

about that it may be like five six years

485

00:22:05,600 --> 00:22:02,789

ago uh a navajo person that I know up in

486

00:22:07,940 --> 00:22:05,610

northern Arizona told me a road man is

487

00:22:10,580 --> 00:22:07,950

basically a medicine man who stays on

488

00:22:13,820 --> 00:22:10,590

the road and travels to all the

489

00:22:17,390 --> 00:22:13,830

different tribes and only speaks to the

490

00:22:20,360 --> 00:22:17,400

elders and the medicine man let me try

491

00:22:23,870 --> 00:22:20,370

and so he stays on the move constantly

492

00:22:27,049 --> 00:22:23,880

so they're called road men well instead

493

00:22:31,250 --> 00:22:27,059

of thing yeah yeah and you thought he

494

00:22:32,960 --> 00:22:31,260

was Navajo know well my principal wasn't

495

00:22:36,080 --> 00:22:32,970

he was like a Plains Indian and I'm not

496

00:22:39,020 --> 00:22:36,090

sure which tribe but his family would

497

00:22:41,630 --> 00:22:39,030

come and do a big show out on the

498

00:22:43,490 --> 00:22:41,640

blacktop you know where the basketball

499

00:22:45,710 --> 00:22:43,500

court was and all the kids would come

500

00:22:48,799 --> 00:22:45,720

out and said on the blacktop and when it

501
00:22:50,630 --> 00:22:48,809
came to doing the Eagle dance he would

502
00:22:52,880 --> 00:22:50,640
pull me out of the audience and had me

503
00:22:54,320 --> 00:22:52,890
sit there and then have his relative

504
00:22:56,270 --> 00:22:54,330
dance around me with these eagle

505
00:22:59,450 --> 00:22:56,280
feathers and stuff so it's like they

506
00:23:03,950 --> 00:22:59,460
knew you know and so it was just very

507
00:23:05,330 --> 00:23:03,960
interesting growing up you know so all

508
00:23:08,580 --> 00:23:05,340
these different things that come to me

509
00:23:10,680 --> 00:23:08,590
is just pretty neat well that's that

510
00:23:12,690 --> 00:23:10,690
it's really interesting now have you

511
00:23:15,060 --> 00:23:12,700
spent a lot of time with different

512
00:23:16,590 --> 00:23:15,070
groups you know like it seems like you

513
00:23:19,409 --> 00:23:16,600

have spent some time around some

514

00:23:22,529 --> 00:23:19,419

indigenous peoples and studied sort of

515

00:23:25,169 --> 00:23:22,539

different philosophies and things like

516

00:23:27,090 --> 00:23:25,179

that helped kind of been kind of not you

517

00:23:29,070 --> 00:23:27,100

just we just kind of hang out together

518

00:23:30,960 --> 00:23:29,080

it's almost like a telepathy thing or

519

00:23:33,510 --> 00:23:30,970

something we can like when I was in

520

00:23:37,350 --> 00:23:33,520

Japan this monk came out of nowhere and

521

00:23:40,440 --> 00:23:37,360

it was at this it was up a rock garden

522

00:23:42,210 --> 00:23:40,450

and so I I was there visiting and he was

523

00:23:44,100 --> 00:23:42,220

on the other side of the rock garden he

524

00:23:46,860 --> 00:23:44,110

walked around and he asked if I wanted

525

00:23:49,380 --> 00:23:46,870

to go with him up to the monastery that

526

00:23:52,440 --> 00:23:49,390

I'd be the first guy gene the first 400

527

00:23:54,060 --> 00:23:52,450

500 years to be up there and so I asked

528

00:23:56,279 --> 00:23:54,070

the person that I was with I said you

529

00:23:59,279 --> 00:23:56,289

know I can i can buy maybe five days or

530

00:24:02,190 --> 00:23:59,289

five weeks five months but 500 years and

531

00:24:04,080 --> 00:24:02,200

she said georgia son i speak really good

532

00:24:06,210 --> 00:24:04,090

english i write it even better so she

533

00:24:08,880 --> 00:24:06,220

wrote it all out and she says this is a

534

00:24:14,090 --> 00:24:08,890

great honor you should go with him so

535

00:24:16,980 --> 00:24:14,100

that was my first um day off of 14 days

536

00:24:19,740 --> 00:24:16,990

because I was on tour and so I said up

537

00:24:23,269 --> 00:24:19,750

well I'm gonna go so i went i spent 14

538

00:24:26,700 --> 00:24:23,279

days of this guy up there in this um

539

00:24:31,260 --> 00:24:26,710

monastery really high above kyoto japan

540

00:24:32,820 --> 00:24:31,270

and when we were halfway there we went

541

00:24:34,980 --> 00:24:32,830

through some kind of a cave or something

542

00:24:36,750 --> 00:24:34,990

a tunnel I can feel that it was done he

543

00:24:38,519 --> 00:24:36,760

blindfolded me and we walk through this

544

00:24:40,560 --> 00:24:38,529

tunnel and pop out on the other side

545

00:24:43,080 --> 00:24:40,570

somewhere and I could feel the Sun to

546

00:24:44,700 --> 00:24:43,090

heat the light and so he took my mask

547

00:24:47,399 --> 00:24:44,710

off and turned around I couldn't even

548

00:24:48,720 --> 00:24:47,409

tell her we had been so we kept walking

549

00:24:51,299 --> 00:24:48,730

and I kept thinking gotta hope this is

550

00:24:55,049 --> 00:24:51,309

not some kind of ritual killing or

551
00:24:56,760 --> 00:24:55,059
something so we keep walking and I see

552
00:24:59,269 --> 00:24:56,770
these monks running down these

553
00:25:02,070 --> 00:24:59,279
switchbacks way out in the distance and

554
00:25:03,570 --> 00:25:02,080
they finally caught up with us and they

555
00:25:06,090 --> 00:25:03,580
pulled him aside and said what are you

556
00:25:07,950 --> 00:25:06,100
doing you know and so he explained it in

557
00:25:10,440 --> 00:25:07,960
whatever he explained to them and then

558
00:25:13,350 --> 00:25:10,450
so they took off ahead of them go back

559
00:25:15,029 --> 00:25:13,360
up the switchbacks and I just he told me

560
00:25:17,549 --> 00:25:15,039
to come with him so I just followed them

561
00:25:21,270 --> 00:25:17,559
we eventually got to the top and it was

562
00:25:22,780 --> 00:25:21,280
almost sunset you know standing on this

563
00:25:26,110 --> 00:25:22,790

cliff

564

00:25:29,200 --> 00:25:26,120

and they had all these bowls are like

565

00:25:30,430 --> 00:25:29,210

little tubs of water and losses and it

566

00:25:32,590 --> 00:25:30,440

took all my clothes off I mean

567

00:25:36,340 --> 00:25:32,600

everything standing but naked on this

568

00:25:38,470 --> 00:25:36,350

clip and they're scrubbing the first and

569

00:25:40,960 --> 00:25:38,480

second layer of my skin off oh why do

570

00:25:44,560 --> 00:25:40,970

you were a piling it up on my shoulders

571

00:25:47,200 --> 00:25:44,570

literally taking my skin off and they

572

00:25:49,990 --> 00:25:47,210

were scrubbing my hair and that they

573

00:25:53,020 --> 00:25:50,000

picked mighty to clean my ears they did

574

00:25:54,910 --> 00:25:53,030

all this stuff and they ran off with my

575

00:25:57,910 --> 00:25:54,920

clothes nothing I'm great now I'm just

576

00:26:00,970 --> 00:25:57,920

naked so they brought these robes and

577

00:26:03,010 --> 00:26:00,980

they put these robes on me and then took

578

00:26:05,530 --> 00:26:03,020

me into the monastery nobody could speak

579

00:26:07,570 --> 00:26:05,540

English whatsoever and I knew basic

580

00:26:10,360 --> 00:26:07,580

Japanese like you know where's the

581

00:26:12,820 --> 00:26:10,370

restroom that kind of stuff so i went in

582

00:26:15,070 --> 00:26:12,830

and i stayed 14 days there and i did not

583

00:26:17,850 --> 00:26:15,080

hang out with any of the young month

584

00:26:21,100 --> 00:26:17,860

monks it was all the elders are very old

585

00:26:23,560 --> 00:26:21,110

80's 90's you know those guys and I

586

00:26:26,590 --> 00:26:23,570

would join in with all of their prayers

587

00:26:28,090 --> 00:26:26,600

their meditations their rituals and it

588

00:26:29,620 --> 00:26:28,100

was like kind of in the beginning it was

589

00:26:31,660 --> 00:26:29,630

kind of like monkey see monkey do

590

00:26:34,240 --> 00:26:31,670

because I didn't speak the language but

591

00:26:37,270 --> 00:26:34,250

this month that i was with we just had

592

00:26:39,070 --> 00:26:37,280

this direct sort of like contact with

593

00:26:41,200 --> 00:26:39,080

each other and I and I knew what he was

594

00:26:44,770 --> 00:26:41,210

gonna do next and I I don't know I felt

595

00:26:46,450 --> 00:26:44,780

like I was home sort of speak so I got

596

00:26:49,390 --> 00:26:46,460

to do that I saw some amazing things

597

00:26:52,420 --> 00:26:49,400

during those 14 days and you know I was

598

00:26:54,820 --> 00:26:52,430

the only foreigner there um well now how

599

00:26:58,480 --> 00:26:54,830

did that happen to how did you happen to

600

00:27:00,370 --> 00:26:58,490

be able to do that oh I was just um it

601
00:27:03,730 --> 00:27:00,380
was the first day of 14 days I had a

602
00:27:05,320 --> 00:27:03,740
break for 14 days well I'm gonna look

603
00:27:08,170 --> 00:27:05,330
around that was from your tour right

604
00:27:10,510 --> 00:27:08,180
yeah while I was on tour yeah there's 14

605
00:27:13,750 --> 00:27:10,520
days off and I said okay well I'm gonna

606
00:27:15,940 --> 00:27:13,760
go look around so that's what I did you

607
00:27:18,970 --> 00:27:15,950
mean so it really wasn't a planned thing

608
00:27:21,100 --> 00:27:18,980
you just go don't know then do this yeah

609
00:27:24,280 --> 00:27:21,110
it's never planned when this happens to

610
00:27:26,020 --> 00:27:24,290
me is never planned that amazing same

611
00:27:27,700 --> 00:27:26,030
thing I was know before you start

612
00:27:30,670 --> 00:27:27,710
another story we're gonna take a quick

613
00:27:32,620 --> 00:27:30,680

break to usher and we'll be right back

614

00:27:34,000 --> 00:27:32,630

now we gotta

615

00:27:35,890 --> 00:27:34,010

monensin were going to be back with

616

00:27:37,720 --> 00:27:35,900

george lugo psychic medium he's going to

617

00:28:10,019 --> 00:27:37,730

regale us at four of his fascinating

618

00:28:10,029 --> 00:28:13,060

No

619

00:28:13,070 --> 00:28:18,810

why nothing

620

00:28:24,640 --> 00:28:22,210

hello everyone Laurieann fenton here

621

00:28:27,970 --> 00:28:24,650

hosted the California MUFON radio show

622

00:28:31,030 --> 00:28:27,980

asking if you'd like special access to

623

00:28:34,360 --> 00:28:31,040

exclusive and amazing information about

624

00:28:37,600 --> 00:28:34,370

UFOs the paranormal and all things

625

00:28:41,230 --> 00:28:37,610

unexplained if you're nodding yes then

626

00:28:43,030 --> 00:28:41,240

join our ends insider club as an insider

627

00:28:46,000 --> 00:28:43,040

club member you'll get an all-access

628

00:28:48,400 --> 00:28:46,010

pass to premier inception radio network

629

00:28:50,950 --> 00:28:48,410

content for only four dollars and

630

00:28:54,790 --> 00:28:50,960

ninety-nine cents a month this includes

631

00:28:58,450 --> 00:28:54,800

live UFO and paranormal conferences live

632

00:29:01,090 --> 00:28:58,460

streaming UFO sky watches exclusive irr

633

00:29:04,870 --> 00:29:01,100

radio and TV productions and of course

634

00:29:07,150 --> 00:29:04,880

paying radio with MJ and Ken Storch so

635

00:29:10,300 --> 00:29:07,160

don't wait any longer visit inception

636

00:29:13,450 --> 00:29:10,310

radio network com and click on member

637

00:29:17,950 --> 00:29:13,460

login to join I rn's insider club and

638

00:29:20,380 --> 00:29:17,960

get your VIP access today are you a fan

639

00:29:22,060 --> 00:29:20,390

of inception radio network do you reckon

640

00:29:24,220 --> 00:29:22,070

it's the best alternative talk radio

641

00:29:26,580 --> 00:29:24,230

station on the planet well if you do

642

00:29:29,340 --> 00:29:26,590

head to facebook.com forward slash

643

00:29:32,020 --> 00:29:29,350

inception radio network like the page

644

00:29:35,510 --> 00:29:32,030

tell your friends spread the word and

645

00:29:40,680 --> 00:29:38,700

you have a smartphone if so inception

646

00:29:44,190 --> 00:29:40,690

radio network is the best out for you

647

00:29:46,290 --> 00:29:44,200

available I choose android samsung and

648

00:29:48,750 --> 00:29:46,300

most of the rap storms just search

649

00:29:51,000 --> 00:29:48,760

inception radio network with the

650

00:29:53,610 --> 00:29:51,010

applicant listen live check out podcast

651
00:29:55,860 --> 00:29:53,620
recent and past showed you our videos

652
00:29:58,710 --> 00:29:55,870
see what shows are coming up who the

653
00:30:01,140 --> 00:29:58,720
guests are and via the chat room send

654
00:30:03,300 --> 00:30:01,150
live questions to those guests you know

655
00:30:10,070 --> 00:30:03,310
it makes sense check your App Store now

656
00:30:15,960 --> 00:30:13,260
hey I RN listeners make sure you tune in

657
00:30:17,550 --> 00:30:15,970
to night vision radio with Renee Barnett

658
00:30:20,520 --> 00:30:17,560
where they will be exposing the truth

659
00:30:23,340 --> 00:30:20,530
one secret at a time when Thursday every

660
00:30:29,700 --> 00:30:23,350
Thursday 1030 p.m. eastern sub 30 p.m.

661
00:30:32,160 --> 00:30:29,710
pacific where right ear IRA hello Irene

662
00:30:34,350 --> 00:30:32,170
listeners this is MJ saying hello and

663
00:30:37,980 --> 00:30:34,360

sharing boss and secret I discovered

664

00:30:39,900 --> 00:30:37,990

it's called dream lodge calm fresh raw

665

00:30:42,780 --> 00:30:39,910

organic ingredients are used to create

666

00:30:44,790 --> 00:30:42,790

all their products they are made in very

667

00:30:48,120 --> 00:30:44,800

small batches to ensure quality and

668

00:30:49,860 --> 00:30:48,130

freshness and made in the USA each

669

00:30:51,530 --> 00:30:49,870

product is created with key

670

00:30:54,030 --> 00:30:51,540

and with the finest organic ingredients

671

00:30:56,880 --> 00:30:54,040

there are no preservatives dyes or

672

00:31:02,690 --> 00:30:56,890

chemicals in any product stop by dream

673

00:31:11,690 --> 00:31:02,700

lodge and laughs that's dream nu a GE

674

00:32:01,160 --> 00:31:14,629

you're locked into inception radio

675

00:32:01,170 --> 00:32:18,710

nothing

676
00:32:18,720 --> 00:32:30,220
and

677
00:32:34,970 --> 00:32:33,020
hey we're back with george lugo psychic

678
00:32:37,160 --> 00:32:34,980
medium and i think george you were

679
00:32:39,140 --> 00:32:37,170
getting ready to tell us a story and

680
00:32:43,520 --> 00:32:39,150
then I have like a million questions for

681
00:32:46,430 --> 00:32:43,530
you did you want to carry on us oh ok

682
00:32:48,950 --> 00:32:46,440
well one of the things I wanted to ask

683
00:32:52,340 --> 00:32:48,960
you about was because I wasn't really

684
00:32:55,660 --> 00:32:52,350
familiar with the fact that you uh you

685
00:32:59,270 --> 00:32:55,670
know we're able to make predictions and

686
00:33:01,130 --> 00:32:59,280
was really aware of your work with the

687
00:33:02,900 --> 00:33:01,140
other side in connecting people with

688
00:33:06,520 --> 00:33:02,910

their loved ones and that sort of thing

689

00:33:10,640 --> 00:33:06,530

so it's really interesting i'm wondering

690

00:33:13,070 --> 00:33:10,650

you had those now how did you receive

691

00:33:15,260 --> 00:33:13,080

those messages like for instance with

692

00:33:17,000 --> 00:33:15,270

the World Trade Center and in those

693

00:33:20,270 --> 00:33:17,010

other things the computer that you

694

00:33:23,180 --> 00:33:20,280

foresaw was that people from the other

695

00:33:25,190 --> 00:33:23,190

side telling you these things or did you

696

00:33:29,570 --> 00:33:25,200

just sort of know them through some sort

697

00:33:33,140 --> 00:33:29,580

of gnosis well with osmosis yeah when I

698

00:33:35,000 --> 00:33:33,150

when I put pencil to paper I just

699

00:33:37,040 --> 00:33:35,010

started seeing images I don't know who

700

00:33:38,630 --> 00:33:37,050

it came from or where it came from I

701
00:33:41,870 --> 00:33:38,640
just saw these images and I could feel

702
00:33:43,820 --> 00:33:41,880
them you know the these things that I

703
00:33:46,220 --> 00:33:43,830
was drawing and I just stopped guided to

704
00:33:49,400 --> 00:33:46,230
do it I didn't see any particular person

705
00:33:51,440 --> 00:33:49,410
or you know anything like that it just

706
00:33:52,940 --> 00:33:51,450
hearted coming out and I'm kind of just

707
00:33:54,560 --> 00:33:52,950
watching myself I mean I'm actually

708
00:33:57,500 --> 00:33:54,570
spelling the words out and drawing the

709
00:33:59,000 --> 00:33:57,510
pictures and doing all of this but it's

710
00:34:01,610 --> 00:33:59,010
like everything else kind of disappears

711
00:34:04,220 --> 00:34:01,620
in the room for a moment and this

712
00:34:06,620 --> 00:34:04,230
information comes out like real fast it

713
00:34:09,410 --> 00:34:06,630

just lays out real quick and then it's

714

00:34:12,850 --> 00:34:09,420

over and and I just don't know where it

715

00:34:19,730 --> 00:34:12,860

comes from it just happens exactly so

716

00:34:21,920 --> 00:34:19,740

Wow now so you got you sort of got that

717

00:34:24,230 --> 00:34:21,930

you know information in that way and

718

00:34:25,870 --> 00:34:24,240

then when people when you started

719

00:34:30,280 --> 00:34:25,880

connecting with people on the other side

720

00:34:32,030 --> 00:34:30,290

how did that happen did you just sort of

721

00:34:34,820 --> 00:34:32,040

realize that there were always people

722

00:34:38,090 --> 00:34:34,830

around you that I didn't seem to be able

723

00:34:40,520 --> 00:34:38,100

to see right exactly you know it's like

724

00:34:41,899 --> 00:34:40,530

these days in my life

725

00:34:46,280 --> 00:34:41,909

was been like this for a long time but

726

00:34:47,750 --> 00:34:46,290

people I'll be asleep and I'll just wake

727

00:34:50,330 --> 00:34:47,760

up and there's somebody standing next to

728

00:34:54,020 --> 00:34:50,340

the bed but I'm so used to right now

729

00:34:55,760 --> 00:34:54,030

that I'll see them and they just like

730

00:34:57,020 --> 00:34:55,770

give you a knowing it's like they don't

731

00:34:59,330 --> 00:34:57,030

say anything just kind of give you a

732

00:35:01,130 --> 00:34:59,340

million sex like a split second and you

733

00:35:03,440 --> 00:35:01,140

know everything about them but I usually

734

00:35:07,130 --> 00:35:03,450

go not now I'm trying to sleep and I'll

735

00:35:08,840 --> 00:35:07,140

just roll over and sometimes if somebody

736

00:35:10,580 --> 00:35:08,850

who's been in a car accident or somebody

737

00:35:12,830 --> 00:35:10,590

who's been burned up in a fire it looks

738

00:35:14,510 --> 00:35:12,840

kind of you know scary but I know what

739

00:35:16,700 --> 00:35:14,520

they are so they're they're not there to

740

00:35:19,030 --> 00:35:16,710

harm me or not there to scare me but

741

00:35:21,980 --> 00:35:19,040

they're there to let me know that

742

00:35:24,110 --> 00:35:21,990

somebody is coming that's a relative of

743

00:35:26,150 --> 00:35:24,120

theirs that I haven't met yet that's

744

00:35:29,480 --> 00:35:26,160

going to get a hold of me and I will

745

00:35:31,640 --> 00:35:29,490

make the connection and so I do you what

746

00:35:34,700 --> 00:35:31,650

do you see them in there you know sort

747

00:35:37,130 --> 00:35:34,710

of worse state like how they died is

748

00:35:38,990 --> 00:35:37,140

that because something can identify them

749

00:35:41,240 --> 00:35:39,000

yeah sometimes it's like unfinished

750

00:35:43,580 --> 00:35:41,250

business you know say if they were

751

00:35:45,830 --> 00:35:43,590

murdered or something like that those

752

00:35:47,840 --> 00:35:45,840

show me how they looked when they died

753

00:35:50,180 --> 00:35:47,850

or sometimes will show me how they look

754

00:35:53,360 --> 00:35:50,190

now but they give me all this

755

00:35:56,450 --> 00:35:53,370

information through visuals and feeling

756

00:35:57,950 --> 00:35:56,460

and sometimes they kind of get into me a

757

00:36:00,950 --> 00:35:57,960

little bit they make me feel what they

758

00:36:02,210 --> 00:36:00,960

died of I mean it goes on and on and on

759

00:36:03,860 --> 00:36:02,220

that's why it's kind of a double-edged

760

00:36:06,470 --> 00:36:03,870

sword I'm helping people but it kind of

761

00:36:08,300 --> 00:36:06,480

takes a lot out of me you know so I

762

00:36:10,520 --> 00:36:08,310

gotta protect myself and just telling me

763

00:36:12,020 --> 00:36:10,530

you can't get in my body all you can do

764

00:36:14,690 --> 00:36:12,030

is deliver your message and I'll pass it

765

00:36:17,060 --> 00:36:14,700

on and so they show me these things I'm

766

00:36:20,030 --> 00:36:17,070

just like a pipe and things flow through

767

00:36:21,590 --> 00:36:20,040

me and but lots of times people will

768

00:36:24,110 --> 00:36:21,600

call me and those make an appointment

769

00:36:26,060 --> 00:36:24,120

they'll come and see me and in the

770

00:36:27,770 --> 00:36:26,070

reading that person will come back and I

771

00:36:30,140 --> 00:36:27,780

go oh you know what this person's been

772

00:36:31,820 --> 00:36:30,150

here before before I met you so

773

00:36:34,850 --> 00:36:31,830

sometimes I get things in advance like

774

00:36:38,900 --> 00:36:34,860

that mm-hmm so it just comes all

775

00:36:40,940 --> 00:36:38,910

different ways and also well no nothing

776

00:36:42,710 --> 00:36:40,950

nothing harmful though I never get

777

00:36:44,660 --> 00:36:42,720

anything that's I feel like I'm protect

778

00:36:47,270 --> 00:36:44,670

it all the time you know and I'm going

779

00:36:50,080 --> 00:36:47,280

grateful for that and I try to be trying

780

00:36:53,000 --> 00:36:50,090

to live in integrity and be extremely

781

00:36:54,109 --> 00:36:53,010

honest and to the point about all this

782

00:36:56,329 --> 00:36:54,119

stuff because

783

00:36:59,299 --> 00:36:56,339

I just feel if you're not they can take

784

00:37:01,579 --> 00:36:59,309

it away from you so I'll shut you down

785

00:37:04,849 --> 00:37:01,589

close that door you know you know I've

786

00:37:08,930 --> 00:37:04,859

had experiences sometimes with people

787

00:37:11,480 --> 00:37:08,940

who I get people had some real abilities

788

00:37:14,720 --> 00:37:11,490

right but it would seem like at some

789

00:37:17,690 --> 00:37:14,730

point you know maybe they got a little

790

00:37:20,630 --> 00:37:17,700

bit in their ego and I'm sure you must

791

00:37:23,420 --> 00:37:20,640

have the experience of people wanting to

792

00:37:26,509 --> 00:37:23,430

know you and wanting to be around you

793

00:37:28,970 --> 00:37:26,519

because of what you do in what you're

794

00:37:30,349 --> 00:37:28,980

always asking me can you teach me can

795

00:37:32,180 --> 00:37:30,359

you teach me this can you teach me this

796

00:37:35,269 --> 00:37:32,190

that's it no you're just born with it

797

00:37:38,620 --> 00:37:35,279

you know mediums are Gorn that made you

798

00:37:41,029 --> 00:37:38,630

know so that's a the only the only

799

00:37:43,430 --> 00:37:41,039

exception is sometimes people have

800

00:37:46,549 --> 00:37:43,440

near-death experiences ok and this

801
00:37:48,829 --> 00:37:46,559
themselves on the operating table you

802
00:37:50,120 --> 00:37:48,839
know from up above or in a car wreck and

803
00:37:53,960 --> 00:37:50,130
you see themselves but they've been

804
00:37:56,720 --> 00:37:53,970
revived sometimes they have a stronger

805
00:37:58,729 --> 00:37:56,730
connection now with the other side and

806
00:38:01,339 --> 00:37:58,739
that'll help them but that's pretty much

807
00:38:04,789 --> 00:38:01,349
the exception you know that's how

808
00:38:06,200 --> 00:38:04,799
they'll be seen it but people always you

809
00:38:08,779 --> 00:38:06,210
know they always ask me please teach me

810
00:38:14,089 --> 00:38:08,789
how to do this yeah so there's no hope

811
00:38:18,190 --> 00:38:14,099
than for me giorno unnecessarily the way

812
00:38:22,039 --> 00:38:18,200
I see it is psychics perceive and

813
00:38:23,690 --> 00:38:22,049

mediums received so that's the

814

00:38:26,630 --> 00:38:23,700

difference psychics are extremely

815

00:38:28,249 --> 00:38:26,640

different from mediums you can't be a

816

00:38:30,799 --> 00:38:28,259

medium without being a psychic first

817

00:38:33,079 --> 00:38:30,809

right psychics usually use their tools

818

00:38:35,150 --> 00:38:33,089

or a tarot cards you know pendulums

819

00:38:39,079 --> 00:38:35,160

whatever they use and then they use

820

00:38:41,210 --> 00:38:39,089

their arm intuition on top of that and

821

00:38:44,690 --> 00:38:41,220

sometimes they're able to skirt the edge

822

00:38:46,940 --> 00:38:44,700

of mediumship and get up maybe a hit

823

00:38:48,470 --> 00:38:46,950

here and there you know I need so and

824

00:38:51,190 --> 00:38:48,480

the more you do it the better you get at

825

00:38:53,960 --> 00:38:51,200

it you know you do that but a real solid

826

00:38:56,329 --> 00:38:53,970

person who talks to the dead is really

827

00:38:58,910 --> 00:38:56,339

not in the they're just different from

828

00:39:02,539 --> 00:38:58,920

psychics seconds use tools mediums don't

829

00:39:04,460 --> 00:39:02,549

now if like I've never used a tool my

830

00:39:06,019 --> 00:39:04,470

whole life I've never had to use tarot

831

00:39:07,610 --> 00:39:06,029

cards are beautiful and I think they're

832

00:39:10,370 --> 00:39:07,620

great and all the other will

833

00:39:14,930 --> 00:39:10,380

but I just don't have to use them never

834

00:39:16,490 --> 00:39:14,940

had to um that's good now have you you

835

00:39:20,720 --> 00:39:16,500

know you talked to a lot of people on

836

00:39:23,390 --> 00:39:20,730

the other side and uh I would imagine

837

00:39:27,440 --> 00:39:23,400

you've learned a bit about the other

838

00:39:31,690 --> 00:39:27,450

side yes from them and have you ever

839

00:39:34,430 --> 00:39:31,700

used that to help somebody crossover

840

00:39:37,010 --> 00:39:34,440

absolutely and absolutely can get

841

00:39:39,920 --> 00:39:37,020

jealous about that yeah there was this

842

00:39:42,110 --> 00:39:39,930

team of paranormal investigators and

843

00:39:45,260 --> 00:39:42,120

invited me along I never met them before

844

00:39:46,970 --> 00:39:45,270

and they we went to this house that they

845

00:39:50,590 --> 00:39:46,980

had been there dad been there before so

846

00:39:52,940 --> 00:39:50,600

they took me and they had a thing called

847

00:39:56,360 --> 00:39:52,950

it's like a little ghost box it's a

848

00:39:58,880 --> 00:39:56,370

little too called Ovilus they had a

849

00:40:02,420 --> 00:39:58,890

novelist and it's got like it's a it's a

850

00:40:04,670 --> 00:40:02,430

word it's a phonetic word generator so

851

00:40:06,170 --> 00:40:04,680

souls can use it so I saw it and I was

852

00:40:07,910 --> 00:40:06,180

kind of suspicious of it I thought what

853

00:40:09,680 --> 00:40:07,920

is this you know recordings inside or

854

00:40:13,010 --> 00:40:09,690

something so you know I checked it out

855

00:40:17,330 --> 00:40:13,020

they turned it on and this guy comes

856

00:40:19,310 --> 00:40:17,340

across as Howard yeah um and they said

857

00:40:21,740 --> 00:40:19,320

oh hi Howard how you doing because they

858

00:40:23,240 --> 00:40:21,750

were used to him and but they didn't

859

00:40:26,330 --> 00:40:23,250

know anything about him you just the

860

00:40:29,210 --> 00:40:26,340

only said Howard so this time he says

861

00:40:31,760 --> 00:40:29,220

hat and I was wearing a hat that day I

862

00:40:34,550 --> 00:40:31,770

was the only one wearing a half and it

863

00:40:36,020 --> 00:40:34,560

was at night and all the powers off on

864

00:40:40,460 --> 00:40:36,030

the place you know you have to do it

865

00:40:42,740 --> 00:40:40,470

that way so he says Howard and he says

866

00:40:45,890 --> 00:40:42,750

hat and they said you're talking to you

867

00:40:50,720 --> 00:40:45,900

George and I said oh hi Howard and he

868

00:40:53,030 --> 00:40:50,730

says affirmative I said okay so then he

869

00:40:55,850 --> 00:40:53,040

basically he was a soldier that was in

870

00:40:57,740 --> 00:40:55,860

Vietnam and he was flying he would fly

871

00:40:59,660 --> 00:40:57,750

in and drop the napalm and all that to

872

00:41:02,750 --> 00:40:59,670

get our guys out of there you know and

873

00:41:05,300 --> 00:41:02,760

blow everything up what he died on that

874

00:41:07,850 --> 00:41:05,310

so he gave me his full name and he gave

875

00:41:09,110 --> 00:41:07,860

me his rank and they went and looked and

876

00:41:11,390 --> 00:41:09,120

look on a computer some place on a

877

00:41:13,010 --> 00:41:11,400

laptop sure enough man there he was

878

00:41:15,500 --> 00:41:13,020

there was this picture there is this who

879

00:41:18,860 --> 00:41:15,510

he was the whole nine yards but he was

880

00:41:21,430 --> 00:41:18,870

stuck his son died in that house of food

881

00:41:22,480 --> 00:41:21,440

poisoning and then he ended up dying

882

00:41:24,520 --> 00:41:22,490

in the house because he was like

883

00:41:28,930 --> 00:41:24,530

brokenhearted he kind of just all apart

884

00:41:31,240 --> 00:41:28,940

and drank himself to death and so he was

885

00:41:33,370 --> 00:41:31,250

stuck in that house and I said I want

886

00:41:35,950 --> 00:41:33,380

you to go to the light now I've got like

887

00:41:39,280 --> 00:41:35,960

13 people in this room watching this and

888

00:41:42,460 --> 00:41:39,290

listening to this I said go to the light

889

00:41:45,730 --> 00:41:42,470

and he says hard as a try he goes hard

890

00:41:47,890 --> 00:41:45,740

that's it ok let's look for it so I'm

891

00:41:51,010 --> 00:41:47,900

concentrating and then I hear a dog

892

00:41:53,829 --> 00:41:51,020

barking and I said this is your dog

893

00:41:56,829 --> 00:41:53,839

barking head towards the sound he says

894

00:41:58,839 --> 00:41:56,839

hard I said try so we kept way back and

895

00:42:01,599 --> 00:41:58,849

forth like that and this is hard to move

896

00:42:03,339 --> 00:42:01,609

so then he's heard I heard the dog

897

00:42:05,559 --> 00:42:03,349

getting louder and I can see in my

898

00:42:07,630 --> 00:42:05,569

mind's eye this guy trying to get

899

00:42:10,630 --> 00:42:07,640

through this darkness to find this dog

900

00:42:13,059 --> 00:42:10,640

and then I said go to the light and he

901
00:42:15,069 --> 00:42:13,069
couldn't find it kept saying hard I said

902
00:42:17,950 --> 00:42:15,079
keep trying then all of a sudden he said

903
00:42:21,490 --> 00:42:17,960
glow I said that's it head for the glow

904
00:42:23,770 --> 00:42:21,500
and so in my mind's eye I was trying to

905
00:42:25,900 --> 00:42:23,780
get way ahead of the column towards the

906
00:42:28,930 --> 00:42:25,910
glow bright when I saw these people

907
00:42:31,569 --> 00:42:28,940
standing there I saw this dog um like

908
00:42:33,880 --> 00:42:31,579
two sisters a mom and a dad and they

909
00:42:35,170 --> 00:42:33,890
were standing there um and you wouldn't

910
00:42:37,120 --> 00:42:35,180
come into the dark they stealing the

911
00:42:40,089 --> 00:42:37,130
light but it looked like a sunrise and

912
00:42:43,839 --> 00:42:40,099
so he saw it and I kept saying keep

913
00:42:45,670 --> 00:42:43,849

trying and he goes uh affirmative and so

914

00:42:48,700 --> 00:42:45,680

he kept trying to go kept trying to go

915

00:42:49,960 --> 00:42:48,710

and I said I you there yet I said go to

916

00:42:54,630 --> 00:42:49,970

them and I could hear the dog barking

917

00:42:59,950 --> 00:42:54,640

louder and louder and so he keeps going

918

00:43:02,349 --> 00:42:59,960

finally he says mother and I just sit

919

00:43:04,450 --> 00:43:02,359

him fit for your mom go to your mom go

920

00:43:07,420 --> 00:43:04,460

to your dog and your family keep going

921

00:43:11,319 --> 00:43:07,430

and he says better he kept saying bitter

922

00:43:16,000 --> 00:43:11,329

bitter and I said just go there and they

923

00:43:18,940 --> 00:43:16,010

says home he says I am home and I said

924

00:43:21,930 --> 00:43:18,950

great I said good and everybody in that

925

00:43:24,130 --> 00:43:21,940

room was crying they're all crying and

926

00:43:27,569 --> 00:43:24,140

because this guy had been suffering for

927

00:43:30,359 --> 00:43:27,579

a long time he died in 67 s when he died

928

00:43:32,770 --> 00:43:30,369

1957 so he made it into the light

929

00:43:34,810 --> 00:43:32,780

everybody in that room opened before he

930

00:43:38,260 --> 00:43:34,820

went he says

931

00:43:41,830 --> 00:43:38,270

George we called my main oh my gosh and

932

00:43:44,560 --> 00:43:41,840

he says Stan so I stood up and he's and

933

00:43:47,020 --> 00:43:44,570

I said up uh hey listen you can't get in

934

00:43:48,790 --> 00:43:47,030

me but you can talk to me okay you can't

935

00:43:51,760 --> 00:43:48,800

be inside of me because I kept feeling

936

00:43:53,680 --> 00:43:51,770

this cool cool swirl in my chest and

937

00:43:55,690 --> 00:43:53,690

that's how they do it sometimes mmm and

938

00:43:57,880 --> 00:43:55,700

you know how you drop a little drop of

939

00:44:00,100 --> 00:43:57,890

like food coloring and water and it kind

940

00:44:01,780 --> 00:44:00,110

of swirls yeah that's kind of what it

941

00:44:05,020 --> 00:44:01,790

feels like inside your body and it's

942

00:44:07,960 --> 00:44:05,030

very very cold and so one of the

943

00:44:10,360 --> 00:44:07,970

researchers in the group they had all

944

00:44:12,960 --> 00:44:10,370

these devices all over the place one of

945

00:44:15,730 --> 00:44:12,970

them Chuck bought my chest with a

946

00:44:17,530 --> 00:44:15,740

temperature gun and it was at 32 because

947

00:44:21,070 --> 00:44:17,540

we could see my breath and it's like

948

00:44:23,740 --> 00:44:21,080

boiling hot in this place and I said

949

00:44:25,990 --> 00:44:23,750

well it can't be 32 I'd be frozen it's

950

00:44:28,960 --> 00:44:26,000

the atmosphere in front of me someplace

951
00:44:34,270 --> 00:44:28,970
and that's that temperature mm-hmm and

952
00:44:38,610 --> 00:44:34,280
uh this guy Howard he says George he

953
00:44:41,980 --> 00:44:38,620
goes friend and he goes up thank you and

954
00:44:44,800 --> 00:44:41,990
so on and then one of these k2 meters

955
00:44:47,500 --> 00:44:44,810
slid across the table right up to my

956
00:44:49,540 --> 00:44:47,510
crotch basically and it lit up just

957
00:44:53,140 --> 00:44:49,550
fanned all the way at brightest could be

958
00:44:54,520 --> 00:44:53,150
and my right arm my sleeve started going

959
00:44:57,760 --> 00:44:54,530
up my arm and there was a guy sitting

960
00:45:00,730 --> 00:44:57,770
next to me he saw that he got up and he

961
00:45:02,710 --> 00:45:00,740
walked around inside of the table and I

962
00:45:06,250 --> 00:45:02,720
said it's just it's just him he's just

963
00:45:10,060 --> 00:45:06,260

you know and so after that was over I

964

00:45:12,820 --> 00:45:10,070

said are you still there and nothing I

965

00:45:14,650 --> 00:45:12,830

said are you still there Howard nothing

966

00:45:18,490 --> 00:45:14,660

so he made it he made it into the light

967

00:45:21,310 --> 00:45:18,500

family so that's amazing yeah so these

968

00:45:24,820 --> 00:45:21,320

people all witnessed is and it was very

969

00:45:26,500 --> 00:45:24,830

emotional and very up sensitive but you

970

00:45:28,330 --> 00:45:26,510

know I mean I was like falling apart I

971

00:45:31,720 --> 00:45:28,340

really fell apart after that felt good

972

00:45:34,750 --> 00:45:31,730

for him you know yeah absolutely but you

973

00:45:37,270 --> 00:45:34,760

can help souls cross over when they're

974

00:45:40,390 --> 00:45:37,280

stuck you just you know yet to get the

975

00:45:43,930 --> 00:45:40,400

try and and and they'll do it a little

976

00:45:47,620 --> 00:45:43,940

effort they'll do it that is that is

977

00:45:48,819 --> 00:45:47,630

wild now before we get too much further

978

00:45:50,410 --> 00:45:48,829

along I did

979

00:45:53,769 --> 00:45:50,420

want to tell people how to get hold of

980

00:45:56,049 --> 00:45:53,779

you George because you do readings in

981

00:45:59,079 --> 00:45:56,059

person and you also do them over the

982

00:46:02,529 --> 00:45:59,089

phone or skype right over the phone

983

00:46:07,420 --> 00:46:02,539

robot line well refine and your website

984

00:46:08,920 --> 00:46:07,430

is crystal gate readings calm and you

985

00:46:11,890 --> 00:46:08,930

can go there and you can see a little

986

00:46:14,109 --> 00:46:11,900

bit about George on there and you can

987

00:46:17,009 --> 00:46:14,119

see about making an appointment and all

988

00:46:22,029 --> 00:46:17,019

that good stuff is there a long wait to

989

00:46:24,069 --> 00:46:22,039

to get about three years out what yeah I

990

00:46:25,959 --> 00:46:24,079

got about three years three years they

991

00:46:27,789 --> 00:46:25,969

had any people waiting but there's holes

992

00:46:29,859 --> 00:46:27,799

all over the place or try I mean you

993

00:46:32,049 --> 00:46:29,869

want to see or talk to him on the phone

994

00:46:34,269 --> 00:46:32,059

just give me a call I'll make it work

995

00:46:37,180 --> 00:46:34,279

somehow yeah oh my goodness gracious

996

00:46:40,769 --> 00:46:37,190

that's crazy you know I guess if it's

997

00:46:43,329 --> 00:46:40,779

meant to be it'll happen huh yeah

998

00:46:46,690 --> 00:46:43,339

Mother's Day just passed mother's day I

999

00:46:50,709 --> 00:46:46,700

started the day before I think it was at

1000

00:46:54,849 --> 00:46:50,719

7am and I went till 7am Mother's Day

1001

00:46:56,650 --> 00:46:54,859

morning it was it was a long haul yet oh

1002

00:46:59,140 --> 00:46:56,660

my gosh they musta carried you out on a

1003

00:47:02,019 --> 00:46:59,150

stretcher after that yeah once I'm in

1004

00:47:04,209 --> 00:47:02,029

the flow I'm good and I'll just take one

1005

00:47:05,680 --> 00:47:04,219

phone call I talk I talk to this one guy

1006

00:47:07,900 --> 00:47:05,690

who was on an oil rig in the Black Sea

1007

00:47:11,229 --> 00:47:07,910

who was missing his mother a whole bunch

1008

00:47:13,150 --> 00:47:11,239

and I talked to him and people in Guam a

1009

00:47:16,809 --> 00:47:13,160

lot of people from Dubai call me and

1010

00:47:20,140 --> 00:47:16,819

they used translators I mean so I will

1011

00:47:22,660 --> 00:47:20,150

talk to them and Guam you know I talked

1012

00:47:24,599 --> 00:47:22,670

to CEOs I talked to three kings already

1013

00:47:27,969 --> 00:47:24,609

and I talk to you for bishops from the

1014

00:47:30,459 --> 00:47:27,979

Vatican I also which is really in like

1015

00:47:31,809 --> 00:47:30,469

really unusual but I also go under

1016

00:47:33,729 --> 00:47:31,819

bridges and talk to people that are

1017

00:47:37,449 --> 00:47:33,739

homeless you know it doesn't matter to

1018

00:47:39,910 --> 00:47:37,459

me so I wasn't how to do what I can do

1019

00:47:44,229 --> 00:47:39,920

yeah absolutely well that's that's

1020

00:47:46,089 --> 00:47:44,239

amazing stuff I tell you now if I could

1021

00:47:49,150 --> 00:47:46,099

just throw a quick question to your

1022

00:47:51,759 --> 00:47:49,160

pivot a chat room there wants to know if

1023

00:47:56,109 --> 00:47:51,769

you have a spirit guide sounds like you

1024

00:47:58,930 --> 00:47:56,119

have a lot of them yeah you know that's

1025

00:48:02,680 --> 00:47:58,940

a great question and lots of times the

1026

00:48:05,950 --> 00:48:02,690

way I see it i know i do but i don't see

1027

00:48:08,079 --> 00:48:05,960

myself I don't see I feel them around me

1028

00:48:12,550 --> 00:48:08,089

if you know what I did was like seeing

1029

00:48:14,680 --> 00:48:12,560

your feelings um but I do know this when

1030

00:48:16,450 --> 00:48:14,690

other people come to me and they go evil

1031

00:48:18,609 --> 00:48:16,460

who's my spirit guide and who's this and

1032

00:48:20,410 --> 00:48:18,619

with my angel and all this stuff you

1033

00:48:23,500 --> 00:48:20,420

know I look into it and have noticed

1034

00:48:25,300 --> 00:48:23,510

that Souls everyone has Souls around

1035

00:48:27,339 --> 00:48:25,310

them and they're usually family members

1036

00:48:29,170 --> 00:48:27,349

and sometimes they give you what you can

1037

00:48:32,559 --> 00:48:29,180

handle or they'll give it to you in a

1038

00:48:36,220 --> 00:48:32,569

way that uh you'll listen to them so

1039

00:48:38,859 --> 00:48:36,230

they might come as a monk guide or an

1040

00:48:40,809 --> 00:48:38,869

Indian standing on a rock who is a guide

1041

00:48:43,690 --> 00:48:40,819

but it's actually your Uncle Frank and

1042

00:48:46,870 --> 00:48:43,700

your grandmother you know because that

1043

00:48:49,059 --> 00:48:46,880

way also stars sometimes will imagine

1044

00:48:52,450 --> 00:48:49,069

like Brad Pitt or someone like that and

1045

00:48:55,480 --> 00:48:52,460

and they can understand why he came to

1046

00:49:00,220 --> 00:48:55,490

them you know and so they're delivering

1047

00:49:02,890 --> 00:49:00,230

messages to these people who don't

1048

00:49:04,630 --> 00:49:02,900

listen to you know I mean so you if it's

1049

00:49:06,250 --> 00:49:04,640

like an Indian chief or leg Glenn wow

1050

00:49:08,680 --> 00:49:06,260

that's going to be duty but it's

1051

00:49:11,470 --> 00:49:08,690

actually a grandfather posing as an

1052

00:49:13,510 --> 00:49:11,480

Indian chief and they give them all this

1053

00:49:15,430 --> 00:49:13,520

information the only reason why no this

1054

00:49:19,180 --> 00:49:15,440

is because sometimes they'll come in

1055

00:49:20,670 --> 00:49:19,190

that way and and I'll just ask in my

1056

00:49:24,250 --> 00:49:20,680

mind you know who are you really

1057

00:49:27,190 --> 00:49:24,260

Kendall's a grandfather and so okay so

1058

00:49:28,990 --> 00:49:27,200

and they'll give me like usually people

1059

00:49:31,839 --> 00:49:29,000

that were in the service I started

1060

00:49:34,740 --> 00:49:31,849

seeing flags flying and when I see that

1061

00:49:37,089 --> 00:49:34,750

I know that there's service military um

1062

00:49:38,410 --> 00:49:37,099

all kinds of different signs and symbols

1063

00:49:41,770 --> 00:49:38,420

I've been doing it so long that there's

1064

00:49:43,690 --> 00:49:41,780

like these they kind of give me the the

1065

00:49:47,829 --> 00:49:43,700

signs occasionally that I can know right

1066

00:49:49,210 --> 00:49:47,839

away where it's going AC in my mind went

1067

00:49:51,730 --> 00:49:49,220

out with someone sitting in front of me

1068

00:49:53,829 --> 00:49:51,740

I fire off all these questions in my

1069

00:49:56,890 --> 00:49:53,839

head I don't tell the client this but

1070

00:49:59,200 --> 00:49:56,900

I'll say you know i'll ask give me a

1071

00:50:01,960 --> 00:49:59,210

phone number give me an address give me

1072

00:50:03,910 --> 00:50:01,970

something that will validate who you are

1073

00:50:06,910 --> 00:50:03,920

that this person will know who you are

1074

00:50:08,349 --> 00:50:06,920

so that's how i do it and then

1075

00:50:09,790 --> 00:50:08,359

eventually they start coming in with

1076
00:50:11,680 --> 00:50:09,800
pictures they only give you what you can

1077
00:50:14,829 --> 00:50:11,690
handle so they give you pictures of

1078
00:50:16,280 --> 00:50:14,839
events things that are very abstract

1079
00:50:18,680 --> 00:50:16,290
sometimes and so I

1080
00:50:21,230 --> 00:50:18,690
try to like deliver the mail not read it

1081
00:50:23,360 --> 00:50:21,240
so I'll give it to him straight and

1082
00:50:25,160 --> 00:50:23,370
they'll go I know exactly what that is

1083
00:50:27,920 --> 00:50:25,170
I'll get okay well this is what they're

1084
00:50:33,130 --> 00:50:27,930
saying and so that's how my messages

1085
00:50:36,050 --> 00:50:33,140
come across like that um and so do you

1086
00:50:38,600 --> 00:50:36,060
is it going on all the time I mean like

1087
00:50:40,550 --> 00:50:38,610
right now is something going on in our

1088
00:50:44,600 --> 00:50:40,560

people is there any you know anything

1089

00:50:47,990 --> 00:50:44,610

that's you know someone's wanting to say

1090

00:50:51,230 --> 00:50:48,000

or do you are you able to just focus on

1091

00:50:53,930 --> 00:50:51,240

what you're doing and only get those

1092

00:50:55,460 --> 00:50:53,940

when you invite that in yeah if you're

1093

00:50:57,050 --> 00:50:55,470

asking me can i turn it off yeah I can

1094

00:51:00,680 --> 00:50:57,060

turn it off yeah and just have a regular

1095

00:51:02,960 --> 00:51:00,690

conversation with people um sometimes

1096

00:51:05,060 --> 00:51:02,970

depending on how tired I am you know if

1097

00:51:07,120 --> 00:51:05,070

I if I go into public like a grocery

1098

00:51:09,560 --> 00:51:07,130

store or something I start picking up

1099

00:51:11,420 --> 00:51:09,570

things right away so I try to like to

1100

00:51:14,150 --> 00:51:11,430

turn that off and have it a regular life

1101
00:51:16,640 --> 00:51:14,160
you know it's kind of hard sometimes now

1102
00:51:19,880 --> 00:51:16,650
when you say it depends on how tired you

1103
00:51:22,460 --> 00:51:19,890
are the more tired you are the more

1104
00:51:24,500 --> 00:51:22,470
they're able to get in or well no I get

1105
00:51:28,790 --> 00:51:24,510
lazy about protecting myself from it or

1106
00:51:30,800 --> 00:51:28,800
tripping wrong I mean and so if i'm

1107
00:51:32,930 --> 00:51:30,810
tired and i sit down like on a park

1108
00:51:34,250 --> 00:51:32,940
bench to somebody walks by you know I

1109
00:51:36,440 --> 00:51:34,260
might have my eyes closed for a moment

1110
00:51:39,500 --> 00:51:36,450
and I just see who's walking next to

1111
00:51:41,210 --> 00:51:39,510
them and then see I don't people that

1112
00:51:42,770 --> 00:51:41,220
walk up to you to say hey listen I see

1113
00:51:44,960 --> 00:51:42,780

your you know blah blah blah I think

1114

00:51:46,370 --> 00:51:44,970

that I call that attack readings I think

1115

00:51:48,890 --> 00:51:46,380

that that's really not a good thing to

1116

00:51:52,490 --> 00:51:48,900

do it's kind of disrespectful to that

1117

00:51:54,410 --> 00:51:52,500

person unless they really want to get

1118

00:51:56,210 --> 00:51:54,420

ahold of that person and don't let you

1119

00:51:58,310 --> 00:51:56,220

know if they really want to get a hold

1120

00:52:01,550 --> 00:51:58,320

that person walking by don't tell you

1121

00:52:04,520 --> 00:52:01,560

say this or do that and you'll get their

1122

00:52:07,490 --> 00:52:04,530

attention and uh and then you can start

1123

00:52:10,940 --> 00:52:07,500

from there and kind of break it in for

1124

00:52:12,650 --> 00:52:10,950

instance I was at a video store and I

1125

00:52:14,120 --> 00:52:12,660

was in the aisle looking now standing up

1126

00:52:16,460 --> 00:52:14,130

looking for videos and there was

1127

00:52:18,890 --> 00:52:16,470

somebody crouched down halfway down the

1128

00:52:20,240 --> 00:52:18,900

aisle looking for videos and I didn't

1129

00:52:22,280 --> 00:52:20,250

know if there were a man or a woman dad

1130

00:52:27,860 --> 00:52:22,290

they're all in black and they were like

1131

00:52:29,690 --> 00:52:27,870

rifling through the dvds and I saw this

1132

00:52:31,490 --> 00:52:29,700

man standing behind

1133

00:52:34,460 --> 00:52:31,500

this person that was crouched down and

1134

00:52:37,430 --> 00:52:34,470

this guy had a really pronounced round

1135

00:52:39,560 --> 00:52:37,440

belly and he had jeans on and like boots

1136

00:52:42,680 --> 00:52:39,570

and he had this black t-shirt on with a

1137

00:52:44,120 --> 00:52:42,690

partially I'll showed a tattoo kind of

1138

00:52:46,760 --> 00:52:44,130

sticking out of his arm and he had like

1139

00:52:49,160 --> 00:52:46,770

Elvis hair you know greased back pulled

1140

00:52:51,800 --> 00:52:49,170

out in the front and he had his hand

1141

00:52:54,530 --> 00:52:51,810

over this person's head and he was like

1142

00:52:57,800 --> 00:52:54,540

stroking her hair but I could see light

1143

00:53:00,320 --> 00:52:57,810

between her his hand I'm in his hand and

1144

00:53:02,360 --> 00:53:00,330

her hair his forehead I can see this

1145

00:53:05,270 --> 00:53:02,370

light coming out of his hand and he was

1146

00:53:06,860 --> 00:53:05,280

stroking her hair and so it was like a

1147

00:53:09,800 --> 00:53:06,870

split second but it happens really fast

1148

00:53:11,420 --> 00:53:09,810

but you'd get it all very quickly uh so

1149

00:53:13,310 --> 00:53:11,430

then I just kind of walked over i said

1150

00:53:15,170 --> 00:53:13,320

hey there was a guy standing behind you

1151
00:53:16,790 --> 00:53:15,180
and she stood up and she was like you

1152
00:53:18,980 --> 00:53:16,800
know three inches taller than I was and

1153
00:53:21,500 --> 00:53:18,990
twice my weight I'm gonna go in oh my

1154
00:53:22,790 --> 00:53:21,510
god don't hurt me yeah and so I just

1155
00:53:26,360 --> 00:53:22,800
said there's a there's a guy standing

1156
00:53:29,420 --> 00:53:26,370
behind you and she looked around where I

1157
00:53:31,550 --> 00:53:29,430
said well he look like this and so I

1158
00:53:35,240 --> 00:53:31,560
told her what I had seen he started

1159
00:53:38,780 --> 00:53:35,250
crying she was that was her dad and he

1160
00:53:41,540 --> 00:53:38,790
had died two years ago the the two that

1161
00:53:44,120 --> 00:53:41,550
he had come over to her apartment and he

1162
00:53:46,220 --> 00:53:44,130
was really angry with her um and they

1163
00:53:49,400 --> 00:53:46,230

got into this big big fight and he left

1164

00:53:51,290 --> 00:53:49,410

and he died two hours later Oh of a

1165

00:53:55,070 --> 00:53:51,300

heart attack so she held all this guilt

1166

00:53:56,900 --> 00:53:55,080

so she said What did he say I said he

1167

00:54:00,020 --> 00:53:56,910

said to take the foil off the windows

1168

00:54:02,750 --> 00:54:00,030

get your computer fixed I said is this

1169

00:54:04,670 --> 00:54:02,760

true and she says absolutely and I said

1170

00:54:07,280 --> 00:54:04,680

aces clean up your clean up your

1171

00:54:11,740 --> 00:54:07,290

apartment wash your dishes fix yourself

1172

00:54:15,380 --> 00:54:11,750

up you know get back to work and only

1173

00:54:18,200 --> 00:54:15,390

said that was not your fault I'm sorry

1174

00:54:22,610 --> 00:54:18,210

we had that fight and I'm sorry that I

1175

00:54:26,720 --> 00:54:22,620

left you vulnerable and but it's not

1176

00:54:29,270 --> 00:54:26,730

your fault all is forgiven so wow you

1177

00:54:31,610 --> 00:54:29,280

know that was his message to her and so

1178

00:54:33,500 --> 00:54:31,620

she's crying in the aisle and the

1179

00:54:37,220 --> 00:54:33,510

manager comes over and says is this man

1180

00:54:40,070 --> 00:54:37,230

bothering you and and she gave me a hug

1181

00:54:43,230 --> 00:54:40,080

no no it's okay it's okay you know so

1182

00:54:44,520 --> 00:54:43,240

but anyway yes that's the only time I

1183

00:54:49,550 --> 00:54:44,530

do something like that if it was that

1184

00:54:54,030 --> 00:54:49,560

obvious you know now what about any time

1185

00:54:59,280 --> 00:54:54,040

has it happened where someone knew that

1186

00:55:02,790 --> 00:54:59,290

they were going to die eminently and ask

1187

00:55:06,060 --> 00:55:02,800

you to connect with them with someone

1188

00:55:08,180 --> 00:55:06,070

that might be waiting for them or you

1189

00:55:11,420 --> 00:55:08,190

know yet you to describe what they were

1190

00:55:13,950 --> 00:55:11,430

going to be experiencing yeah absolutely

1191

00:55:15,540 --> 00:55:13,960

tiny about this musician Reiner in

1192

00:55:18,720 --> 00:55:15,550

Tucson he came to me with that whole

1193

00:55:21,450 --> 00:55:18,730

thing um so I told him you know what I

1194

00:55:23,310 --> 00:55:21,460

saw and the guy gave me a hug and a kiss

1195

00:55:27,120 --> 00:55:23,320

and he says thank you so much he died

1196

00:55:29,670 --> 00:55:27,130

the next day would it please Talan I

1197

00:55:31,350 --> 00:55:29,680

just said listen you know it's gonna be

1198

00:55:33,240 --> 00:55:31,360

alright yeah so you're gonna close your

1199

00:55:35,580 --> 00:55:33,250

eyes I told him who was waiting for him

1200

00:55:37,530 --> 00:55:35,590

and there was some relatives it is I

1201
00:55:39,150 --> 00:55:37,540
never met the guy and he was from my

1202
00:55:42,600 --> 00:55:39,160
Czechoslovakia or somewhere like that

1203
00:55:45,270 --> 00:55:42,610
and when I told him the names and I just

1204
00:55:47,190 --> 00:55:45,280
said they're waiting for you and don't

1205
00:55:50,790 --> 00:55:47,200
worry it's gonna be okay you know you're

1206
00:55:53,099 --> 00:55:50,800
not gonna suffer and and he gave me a

1207
00:55:55,650 --> 00:55:53,109
kiss insist thank you so much and and I

1208
00:55:57,030 --> 00:55:55,660
left that was it you know I thought he

1209
00:55:58,710 --> 00:55:57,040
was going to ask me to record with him

1210
00:56:01,410 --> 00:55:58,720
because he was like a big shot recording

1211
00:56:02,670 --> 00:56:01,420
artist but totally quiet here in the

1212
00:56:04,560 --> 00:56:02,680
States because this is where he was

1213
00:56:07,349 --> 00:56:04,570

taking kind of like refuge and wanted to

1214

00:56:09,810 --> 00:56:07,359

be normal you know but he would sell out

1215

00:56:13,650 --> 00:56:09,820

soccer stadiums in Europe you know he

1216

00:56:16,230 --> 00:56:13,660

was a big shot there musician um a blues

1217

00:56:18,660 --> 00:56:16,240

player he played a dobro and he played

1218

00:56:23,250 --> 00:56:18,670

the blues and anyway I was a really

1219

00:56:24,810 --> 00:56:23,260

interesting guy Wow yeah and so they had

1220

00:56:26,820 --> 00:56:24,820

all kinds of memorials but for him

1221

00:56:29,099 --> 00:56:26,830

around town and there's this big big

1222

00:56:30,510 --> 00:56:29,109

nightclub where they did this big thing

1223

00:56:33,030 --> 00:56:30,520

his band was up there they're called

1224

00:56:35,160 --> 00:56:33,040

giant sand and they were up on stage and

1225

00:56:37,410 --> 00:56:35,170

they were rocking the place and you know

1226
00:56:41,310 --> 00:56:37,420
they had they had his guitar on them on

1227
00:56:44,400 --> 00:56:41,320
a on a chair full of flowers around it

1228
00:56:46,500 --> 00:56:44,410
and I was getting ready to leave just

1229
00:56:48,630 --> 00:56:46,510
lying down the block you know to get in

1230
00:56:50,640 --> 00:56:48,640
to do this thing so I was getting ready

1231
00:56:52,590 --> 00:56:50,650
to walk out the door and then I heard my

1232
00:56:55,290 --> 00:56:52,600
name being called from the PA so I went

1233
00:56:56,300 --> 00:56:55,300
back in and one of the musicians had

1234
00:56:58,550 --> 00:56:56,310
pulled up

1235
00:57:00,740 --> 00:56:58,560
paper audit is sharp mrs. Rheiner one me

1236
00:57:02,660 --> 00:57:00,750
to sit in with them and play a couple of

1237
00:57:05,840 --> 00:57:02,670
numbers so i did so i got up there and

1238
00:57:09,740 --> 00:57:05,850

played with all of them wow man that was

1239

00:57:12,530 --> 00:57:09,750

very sweet um but yeah it's just I don't

1240

00:57:14,540 --> 00:57:12,540

know that's why I was just how it is

1241

00:57:16,520 --> 00:57:14,550

that's really why we're going to be back

1242

00:57:20,090 --> 00:57:16,530

in just another couple minutes with some

1243

00:57:22,460 --> 00:57:20,100

more of George Lugo's life and we're

1244

00:57:24,830 --> 00:57:22,470

going to talk about those predictions

1245

00:57:27,770 --> 00:57:24,840

that he made it as a kid and see if he's

1246

00:58:01,960 --> 00:57:27,780

got any more for us for the future hang

1247

00:58:01,970 --> 00:58:16,330

nothing

1248

00:58:22,190 --> 00:58:19,760

hello everyone Laurieann Fenton here

1249

00:58:25,520 --> 00:58:22,200

hosted the California MUFON radio show

1250

00:58:28,550 --> 00:58:25,530

asking if you'd like special access to

1251
00:58:31,820 --> 00:58:28,560
exclusive and amazing information about

1252
00:58:35,150 --> 00:58:31,830
UFOs the paranormal and all things

1253
00:58:38,780 --> 00:58:35,160
unexplained if you're nodding yes then

1254
00:58:40,550 --> 00:58:38,790
join I rn's insider club as an insider

1255
00:58:43,550 --> 00:58:40,560
club member you'll get an all-access

1256
00:58:45,950 --> 00:58:43,560
pass to premier inception radio network

1257
00:58:48,500 --> 00:58:45,960
content for only four dollars and

1258
00:58:52,340 --> 00:58:48,510
ninety-nine cents a month this includes

1259
00:58:56,000 --> 00:58:52,350
live UFO and paranormal conferences live

1260
00:58:58,610 --> 00:58:56,010
streaming UFO sky watches exclusive irr

1261
00:59:02,420 --> 00:58:58,620
radio and TV productions and of course

1262
00:59:04,700 --> 00:59:02,430
paying radio with MJ and Ken starch so

1263
00:59:07,820 --> 00:59:04,710

don't wait any longer visit inception

1264

00:59:11,030 --> 00:59:07,830

radio network calm and click on member

1265

00:59:15,470 --> 00:59:11,040

login to join I rn's insider club and

1266

00:59:17,900 --> 00:59:15,480

get your VIP access today are you a fan

1267

00:59:19,580 --> 00:59:17,910

of inception radio network do you reckon

1268

00:59:21,740 --> 00:59:19,590

it's the best alternative talk radio

1269

00:59:24,100 --> 00:59:21,750

station on the planet well if you do

1270

00:59:26,860 --> 00:59:24,110

head to facebook.com forward slash

1271

00:59:29,540 --> 00:59:26,870

inception radio network like the page

1272

00:59:33,109 --> 00:59:29,550

tell your friends spread the word and

1273

00:59:38,280 --> 00:59:36,300

you have a smartphone if so inception

1274

00:59:41,760 --> 00:59:38,290

radio network is the best app for you

1275

00:59:43,859 --> 00:59:41,770

available itunes and drawing samsung and

1276

00:59:46,620 --> 00:59:43,869

most of their app stores just search

1277

00:59:48,810 --> 00:59:46,630

inception radio network with the app you

1278

00:59:51,210 --> 00:59:48,820

can listen live check out podcast of

1279

00:59:53,460 --> 00:59:51,220

recent and past showed you our videos

1280

00:59:56,310 --> 00:59:53,470

see what shows are coming up through the

1281

00:59:58,740 --> 00:59:56,320

guests are and via the chat room send

1282

01:00:00,870 --> 00:59:58,750

live questions to those guests you know

1283

01:00:09,270 --> 01:00:00,880

it makes sense check your App Store now

1284

01:00:11,460 --> 01:00:09,280

inception radio network sees it hey I RN

1285

01:00:13,920 --> 01:00:11,470

listeners make sure you tune in to night

1286

01:00:16,170 --> 01:00:13,930

vision radio with Renee Barnett Renee

1287

01:00:18,570 --> 01:00:16,180

will be exposing the truth one secret at

1288

01:00:21,660 --> 01:00:18,580

a time when Thursday every Thursday

1289

01:00:27,900 --> 01:00:21,670

1030pm eastern 730 p.m. pacific we're

1290

01:00:30,450 --> 01:00:27,910

right here IRA hello Irene listeners

1291

01:00:32,670 --> 01:00:30,460

this is MJ saying hello and sharing

1292

01:00:35,940 --> 01:00:32,680

awesome secret i discovered it's called

1293

01:00:38,160 --> 01:00:35,950

Green lodge calm fresh raw organic

1294

01:00:40,589 --> 01:00:38,170

ingredients are used to create all their

1295

01:00:42,599 --> 01:00:40,599

products they are made in very small

1296

01:00:46,440 --> 01:00:42,609

batches to ensure quality and freshness

1297

01:00:48,510 --> 01:00:46,450

and made in the USA each product is

1298

01:00:50,430 --> 01:00:48,520

created with care and with the finest

1299

01:00:52,530 --> 01:00:50,440

organic ingredients there are no

1300

01:00:53,140 --> 01:00:52,540

preservatives dyes or chemicals in any

1301

01:00:56,789 --> 01:00:53,150

product

1302

01:01:02,920 --> 01:00:56,799

stop by dream lodge and laughs that's

1303

01:01:09,319 --> 01:01:02,930

d.a.r.e am n you a GE com simple raw

1304

01:01:22,590 --> 01:01:12,229

you're locked into inception radio

1305

01:01:22,600 --> 01:01:58,740

this

1306

01:01:58,750 --> 01:02:25,790

what

1307

01:02:30,930 --> 01:02:29,070

and you are back with us where you're

1308

01:02:33,210 --> 01:02:30,940

listening to night vision radio I'm your

1309

01:02:36,620 --> 01:02:33,220

host Renee Barnett our very special

1310

01:02:40,800 --> 01:02:36,630

guest tonight is medium george lugo

1311

01:02:43,740 --> 01:02:40,810

George you know during the break you

1312

01:02:46,260 --> 01:02:43,750

were doing a little bit of spontaneous

1313

01:02:50,450 --> 01:02:46,270

reading for our wonderful producer MJ

1314

01:02:53,820 --> 01:02:50,460

and we also were you also brought up

1315

01:02:55,740 --> 01:02:53,830

animals and dogs and I noticed that the

1316

01:02:58,740 --> 01:02:55,750

chat room had been buzzing for quite a

1317

01:03:02,310 --> 01:02:58,750

while about dogs after you told us the

1318

01:03:04,260 --> 01:03:02,320

Howard story and they were speculating

1319

01:03:06,360 --> 01:03:04,270

on doggy heaven and the set and the

1320

01:03:08,550 --> 01:03:06,370

other and I'm thinking well if he was

1321

01:03:11,790 --> 01:03:08,560

following the dog then that must mean

1322

01:03:14,430 --> 01:03:11,800

dogs are going to be in the afterlife I

1323

01:03:17,820 --> 01:03:14,440

mean I have some beloved pets on the

1324

01:03:21,570 --> 01:03:17,830

other side and I'd love to see them all

1325

01:03:23,850 --> 01:03:21,580

again is that possible absolutely I was

1326

01:03:26,730 --> 01:03:23,860

doing a reading for about 80 people and

1327

01:03:28,860 --> 01:03:26,740

this one venue and there was a guy

1328

01:03:31,950 --> 01:03:28,870

sitting in the far corner the very

1329

01:03:34,230 --> 01:03:31,960

furthest corner of the room and I was up

1330

01:03:35,970 --> 01:03:34,240

in the front because I you know I don't

1331

01:03:38,100 --> 01:03:35,980

say is there somebody with a pickup over

1332

01:03:41,850 --> 01:03:38,110

here I go right to you and I tell you

1333

01:03:44,640 --> 01:03:41,860

what I see so this guy I kept getting

1334

01:03:47,820 --> 01:03:44,650

pulled to him and when I looked over

1335

01:03:49,890 --> 01:03:47,830

there I saw seven horses standing around

1336

01:03:52,230 --> 01:03:49,900

him with big chest and they were really

1337

01:03:54,060 --> 01:03:52,240

fancy horses like they were they were

1338

01:03:55,350 --> 01:03:54,070

totally didn't have any bridles on her

1339

01:03:58,080 --> 01:03:55,360

saddles or anything but they were just

1340

01:04:00,180 --> 01:03:58,090

muscular and perfect and there was seven

1341

01:04:02,220 --> 01:04:00,190

of them and this guy look like a total

1342

01:04:04,440 --> 01:04:02,230

office nerdy at a pocket protector the

1343

01:04:06,900 --> 01:04:04,450

black friend glasses the pastel yellow

1344

01:04:08,880 --> 01:04:06,910

short-sleeved shirt and kind of greasy

1345

01:04:12,150 --> 01:04:08,890

parted here and he's just sitting there

1346

01:04:14,240 --> 01:04:12,160

and I said sir I see seven horses around

1347

01:04:17,610 --> 01:04:14,250

you and the guy just are almost like

1348

01:04:20,070 --> 01:04:17,620

uncontrollably crying just just out of

1349

01:04:21,600 --> 01:04:20,080

his mind you couldn't talk so I walked

1350

01:04:22,830 --> 01:04:21,610

off with you and I said there's a seven

1351

01:04:25,290 --> 01:04:22,840

horses around you and they're very

1352

01:04:26,760 --> 01:04:25,300

strong and they're your pets and they're

1353

01:04:28,620 --> 01:04:26,770

just letting you know that they're

1354

01:04:32,630 --> 01:04:28,630

perfect next and after still with you

1355

01:04:35,730 --> 01:04:32,640

and the story was his brother was a um

1356

01:04:37,980 --> 01:04:35,740

he would breed horses and and you bring

1357

01:04:38,620 --> 01:04:37,990

racehorses and they would go at the

1358

01:04:40,150 --> 01:04:38,630

Kentucky tour

1359

01:04:42,249 --> 01:04:40,160

and they would win all these things and

1360

01:04:44,559 --> 01:04:42,259

then he had to retire them so every time

1361

01:04:47,410 --> 01:04:44,569

he retired one he would send them out to

1362

01:04:49,359 --> 01:04:47,420

Arizona to this to his brother who had a

1363

01:04:51,849 --> 01:04:49,369

lot of property so he ended up with

1364

01:04:53,140 --> 01:04:51,859

seven horses eventually and he didn't

1365

01:04:56,069 --> 01:04:53,150

know what to do with them so he has made

1366

01:04:58,599 --> 01:04:56,079

him his pets so there was a tree line

1367

01:05:01,299 --> 01:04:58,609

way at the back of this property that

1368

01:05:03,309 --> 01:05:01,309

said it like a like a line going across

1369

01:05:04,779 --> 01:05:03,319

the property the horses would hang out

1370

01:05:07,930 --> 01:05:04,789

there during the day because it was so

1371

01:05:10,839 --> 01:05:07,940

hot well in the morning he would get up

1372

01:05:13,029 --> 01:05:10,849

on his get on his a porch and he would

1373

01:05:14,980 --> 01:05:13,039

whistle or column or hawk the trucks

1374

01:05:17,499 --> 01:05:14,990

horn and it all come running out of the

1375

01:05:19,630 --> 01:05:17,509

trees up to his deck and he'd feed them

1376

01:05:21,759 --> 01:05:19,640

in all this well one morning he went out

1377

01:05:23,859 --> 01:05:21,769

there and he didn't answer any thought

1378

01:05:25,630 --> 01:05:23,869

maybe they got out or somehow so he got

1379

01:05:28,089 --> 01:05:25,640

his pickup and he drove down there and

1380

01:05:30,700 --> 01:05:28,099

all seven of his horses were dead oh my

1381

01:05:33,819 --> 01:05:30,710

god poison somebody poisoned them all oh

1382

01:05:36,730 --> 01:05:33,829

and so he was just like super distraught

1383

01:05:39,190 --> 01:05:36,740

about it so anyway they came to him that

1384

01:05:42,700 --> 01:05:39,200

night and but what I can tell of your

1385

01:05:44,230 --> 01:05:42,710

listeners is that sometimes it can be

1386

01:05:46,960 --> 01:05:44,240

either pets or people that have crossed

1387

01:05:49,569 --> 01:05:46,970

over and anyone who's the left any of

1388

01:05:51,999 --> 01:05:49,579

your dogs or cats you know watch them

1389

01:05:53,230 --> 01:05:52,009

because they're very attached those

1390

01:05:55,089 --> 01:05:53,240

people and they can kind of see things

1391

01:05:56,890 --> 01:05:55,099

better than we can mmm so if you ever

1392

01:05:58,930 --> 01:05:56,900

see your dog like pick up your pick up

1393

01:06:00,249 --> 01:05:58,940

their head or your cat and they're

1394

01:06:02,589 --> 01:06:00,259

looking at something like tracking

1395

01:06:04,960 --> 01:06:02,599

something going across the room that's

1396

01:06:08,440 --> 01:06:04,970

usually a soul that's probably attached

1397

01:06:12,249 --> 01:06:08,450

to you and so or sometimes your dog will

1398

01:06:14,170 --> 01:06:12,259

just you know sit there looking in the

1399

01:06:16,390 --> 01:06:14,180

corner because soul sometimes go into

1400

01:06:17,650 --> 01:06:16,400

corners that way the night interfering

1401

01:06:22,059 --> 01:06:17,660

with your life and so he was kind of

1402

01:06:23,650 --> 01:06:22,069

watching me watch TV oh and so you know

1403

01:06:26,499 --> 01:06:23,660

that's a really strange that you would

1404

01:06:28,680 --> 01:06:26,509

say that you know not to bring my

1405

01:06:33,460 --> 01:06:28,690

personal stories into it too much but I

1406

01:06:37,359 --> 01:06:33,470

remember after my daughter passed for

1407

01:06:41,499 --> 01:06:37,369

the longest time I felt like she was up

1408

01:06:44,349 --> 01:06:41,509

in the corner in my bedroom and I would

1409

01:06:47,859 --> 01:06:44,359

always be drawn to that corner right up

1410

01:06:52,030 --> 01:06:47,869

by the ceiling and I would kind of talk

1411

01:06:54,820 --> 01:06:52,040

to her talk to that spot in it I don't

1412

01:06:56,590 --> 01:06:54,830

no why I felt that but i but I did it's

1413

01:06:58,360 --> 01:06:56,600

the first time I've heard anyone say

1414

01:07:00,310 --> 01:06:58,370

that they do try to kind of stay out of

1415

01:07:01,690 --> 01:07:00,320

the way yeah they kind of stay out of

1416

01:07:04,030 --> 01:07:01,700

the way a little bit because you'll feel

1417

01:07:06,400 --> 01:07:04,040

their energy and you'll know who it is

1418

01:07:08,740 --> 01:07:06,410

that's another thing when you guys start

1419

01:07:11,440 --> 01:07:08,750

sensing things out there don't use your

1420

01:07:15,610 --> 01:07:11,450

mind so much use your heart more feel

1421

01:07:16,870 --> 01:07:15,620

what you think Arsene feel it and that

1422

01:07:18,550 --> 01:07:16,880

way they can communicate with you a

1423

01:07:21,040 --> 01:07:18,560

little bit easier or they'll let you

1424

01:07:22,930 --> 01:07:21,050

know that it's them um there's all kinds

1425

01:07:25,000 --> 01:07:22,940

of things like that that we can do um

1426

01:07:27,160 --> 01:07:25,010

you know that feeling you get when

1427

01:07:28,900 --> 01:07:27,170

you're in a room and you're by yourself

1428

01:07:30,910 --> 01:07:28,910

and you get this feeling like someone's

1429

01:07:33,340 --> 01:07:30,920

in there with you yeah but there's

1430

01:07:35,620 --> 01:07:33,350

nobody there that's usually a soul

1431

01:07:37,540 --> 01:07:35,630

listening to your thoughts so let's say

1432

01:07:39,550 --> 01:07:37,550

you're washing the dishes and you think

1433

01:07:41,470 --> 01:07:39,560

you're gonna you want to buy a new car

1434

01:07:43,120 --> 01:07:41,480

and then you begin to talk yourself out

1435

01:07:45,130 --> 01:07:43,130

of it because the finances or whatever

1436

01:07:47,440 --> 01:07:45,140

and then you get that sensation like

1437

01:07:49,810 --> 01:07:47,450

someone's in the room well we usually go

1438

01:07:51,670 --> 01:07:49,820

to our logical mind and we think wow did

1439

01:07:53,320 --> 01:07:51,680

somebody just pull in the driveway or is

1440

01:07:55,630 --> 01:07:53,330

somebody in my backyard and then we

1441

01:07:57,640 --> 01:07:55,640

forget about the car all together always

1442

01:07:59,080 --> 01:07:57,650

try to remember what it was you were

1443

01:08:01,690 --> 01:07:59,090

thinking about when you get that

1444

01:08:04,480 --> 01:08:01,700

sensation because that's a soul telling

1445

01:08:07,180 --> 01:08:04,490

you go get the car start looking for

1446

01:08:09,880 --> 01:08:07,190

that car since we're on the physical

1447

01:08:12,370 --> 01:08:09,890

side we have to you know get on the

1448

01:08:14,440 --> 01:08:12,380

internet go look talk to people to find

1449

01:08:17,110 --> 01:08:14,450

the car do you want what they do have

1450

01:08:19,990 --> 01:08:17,120

souls is they jump ahead of you and the

1451

01:08:22,390 --> 01:08:20,000

open that door of opportunity and they

1452

01:08:24,820 --> 01:08:22,400

do it with they do it with you know also

1453

01:08:26,380 --> 01:08:24,830

like goals you have this long-range goal

1454

01:08:28,329 --> 01:08:26,390

in the thinking man I'm never going to

1455

01:08:30,820 --> 01:08:28,339

be able to obtain that I don't have the

1456

01:08:32,920 --> 01:08:30,830

skills or the knowledge or the materials

1457

01:08:35,590 --> 01:08:32,930

to do it and then somebody comes out of

1458

01:08:37,450 --> 01:08:35,600

nowhere and let's say hey Renee I don't

1459

01:08:39,220 --> 01:08:37,460

need this anymore here you take it and

1460

01:08:42,370 --> 01:08:39,230

it's the perfect thing to get you to

1461

01:08:44,620 --> 01:08:42,380

that goal and so and I call those people

1462

01:08:47,670 --> 01:08:44,630

heaven sent because they're real people

1463

01:08:51,329 --> 01:08:47,680

but sometimes if some relative of yours

1464

01:08:53,770 --> 01:08:51,339

will put that person in your path and

1465

01:08:57,280 --> 01:08:53,780

and you just take it and say thank you

1466

01:09:00,160 --> 01:08:57,290

you know and so that's another way that

1467

01:09:02,050 --> 01:09:00,170

Souls reaches they also look I think

1468

01:09:04,360 --> 01:09:02,060

we've all had that had that sort of

1469

01:09:05,530 --> 01:09:04,370

happened and then we probably just say

1470

01:09:07,210 --> 01:09:05,540

oh wow what a

1471

01:09:09,789 --> 01:09:07,220

great coincidence I just needed that

1472

01:09:12,220 --> 01:09:09,799

that's exactly what I needed you know

1473

01:09:14,410 --> 01:09:12,230

but but you're right it's so

1474

01:09:16,690 --> 01:09:14,420

synchronistic that you really can't you

1475

01:09:18,070 --> 01:09:16,700

know country usually nor it okay here's

1476

01:09:20,380 --> 01:09:18,080

the other thing to look out for when

1477

01:09:22,210 --> 01:09:20,390

that does happen to you when that

1478

01:09:24,460 --> 01:09:22,220

message comes to you or whatever that is

1479

01:09:26,530 --> 01:09:24,470

and you think it's your dad or is your

1480

01:09:29,140 --> 01:09:26,540

mom or somebody like that they usually

1481

01:09:30,880 --> 01:09:29,150

will sign off on it immediately like you

1482

01:09:32,440 --> 01:09:30,890

might hear their name called in public

1483

01:09:34,690 --> 01:09:32,450

you might see their name on a billboard

1484

01:09:38,289 --> 01:09:34,700

or a street sign you might turn on your

1485

01:09:40,809 --> 01:09:38,299

radio and it's a song day loved so they

1486

01:09:43,720 --> 01:09:40,819

usually will acknowledge that it was

1487

01:09:45,520 --> 01:09:43,730

them on some level and and that way and

1488

01:09:47,650 --> 01:09:45,530

you just say thank you I you know and

1489

01:09:49,570 --> 01:09:47,660

they're always trying to help us I mean

1490

01:09:52,059 --> 01:09:49,580

they cannot change our life path but

1491

01:09:53,950 --> 01:09:52,069

they're allowed to nudge and so they

1492

01:09:55,960 --> 01:09:53,960

live in our intuition to they you know

1493

01:09:58,060 --> 01:09:55,970

ask them and you don't have to do

1494

01:09:59,590 --> 01:09:58,070

anything you know you don't have to hire

1495

01:10:01,240 --> 01:09:59,600

a bunch of Indians to jump around your

1496

01:10:03,640 --> 01:10:01,250

living room to try to bring them in you

1497

01:10:05,590 --> 01:10:03,650

don't have to do anything like that you

1498

01:10:08,110 --> 01:10:05,600

just sit down and talk to them like

1499

01:10:10,540 --> 01:10:08,120

during the room with you all you have to

1500

01:10:13,090 --> 01:10:10,550

do is work with love just work with love

1501
01:10:15,850 --> 01:10:13,100
just just think of them in a very loving

1502
01:10:17,950 --> 01:10:15,860
way it's a little memory through you

1503
01:10:19,990 --> 01:10:17,960
know they're just a thought away so just

1504
01:10:22,390 --> 01:10:20,000
think of them that way and then

1505
01:10:24,940 --> 01:10:22,400
sometimes they'll bring a smell to you

1506
01:10:27,340 --> 01:10:24,950
you might smell their perfume or their

1507
01:10:29,800 --> 01:10:27,350
cologne or if they work with cars you

1508
01:10:31,540 --> 01:10:29,810
might smell oil you know in your living

1509
01:10:34,270 --> 01:10:31,550
room but where there's nothing there

1510
01:10:36,310 --> 01:10:34,280
like that you know they'll give you

1511
01:10:38,200 --> 01:10:36,320
signs will let you know sometimes the

1512
01:10:40,390 --> 01:10:38,210
airport things and they're just playing

1513
01:10:42,460 --> 01:10:40,400

with you like you put your car keys down

1514

01:10:43,960 --> 01:10:42,470

turn around and to get something else

1515

01:10:45,820 --> 01:10:43,970

and turn around their car keys are gone

1516

01:10:47,350 --> 01:10:45,830

they're across the room now you know

1517

01:10:49,540 --> 01:10:47,360

they do real things like that to let you

1518

01:10:52,210 --> 01:10:49,550

know they're there or they'll do

1519

01:10:55,540 --> 01:10:52,220

something that you're familiar with with

1520

01:10:58,060 --> 01:10:55,550

them and I'll you know do something

1521

01:11:00,100 --> 01:10:58,070

that's kind of funny that you'll catch

1522

01:11:03,250 --> 01:11:00,110

it and go play my mom used to do that

1523

01:11:04,870 --> 01:11:03,260

all the time yeah and so that sort of

1524

01:11:07,180 --> 01:11:04,880

stuff yeah they're around us all the

1525

01:11:10,270 --> 01:11:07,190

time you know it's not a it isn't really

1526

01:11:12,970 --> 01:11:10,280

that big of a deal and also uh I'll be

1527

01:11:16,120 --> 01:11:12,980

got to do it's not even having to

1528

01:11:19,060 --> 01:11:16,130

believe is it is just a fact you know

1529

01:11:21,040 --> 01:11:19,070

that that they're around us um

1530

01:11:23,410 --> 01:11:21,050

adult kinds of things I could tell you

1531

01:11:25,780 --> 01:11:23,420

about them but yeah I come to us in our

1532

01:11:27,250 --> 01:11:25,790

dreams you know occasionally they're

1533

01:11:29,500 --> 01:11:27,260

actually more awake when you're asleep

1534

01:11:31,540 --> 01:11:29,510

because that's where all your messages

1535

01:11:33,069 --> 01:11:31,550

are that's where all your events are

1536

01:11:37,209 --> 01:11:33,079

going to happen as where everything is

1537

01:11:39,879 --> 01:11:37,219

so in were awake that dream stage kind

1538

01:11:42,700 --> 01:11:39,889

of percolates up into our awake stage

1539

01:11:44,589 --> 01:11:42,710

and in not knowing all the time

1540

01:11:47,939 --> 01:11:44,599

sometimes we use some of that stuff to

1541

01:11:52,030 --> 01:11:47,949

get us through another day you know so

1542

01:11:54,790 --> 01:11:52,040

yeah it just goes on and on and on early

1543

01:11:56,260 --> 01:11:54,800

early in the show you talked about he

1544

01:11:58,810 --> 01:11:56,270

told us about when you were a kid and

1545

01:12:02,260 --> 01:11:58,820

you would have these ideas or these

1546

01:12:04,780 --> 01:12:02,270

thoughts or predictions I guess that

1547

01:12:06,640 --> 01:12:04,790

would come into your mind and you would

1548

01:12:09,939 --> 01:12:06,650

write them down or you would draw them

1549

01:12:11,919 --> 01:12:09,949

and your teacher was collecting them do

1550

01:12:13,950 --> 01:12:11,929

you still get those do you still is

1551

01:12:17,910 --> 01:12:13,960

there anything you could tell us about

1552

01:12:21,189 --> 01:12:17,920

something that we might relate to today

1553

01:12:23,680 --> 01:12:21,199

atmosphere I just feel the atmosphere

1554

01:12:27,640 --> 01:12:23,690

the whole world's atmosphere has been

1555

01:12:30,339 --> 01:12:27,650

changed by us you know and and it's

1556

01:12:32,140 --> 01:12:30,349

going to be a lot of I just kind of is

1557

01:12:33,280 --> 01:12:32,150

you know I want to be doom and gloom but

1558

01:12:36,850 --> 01:12:33,290

I do feel like there's going to be like

1559

01:12:39,669 --> 01:12:36,860

a lot of people passing away now and in

1560

01:12:41,140 --> 01:12:39,679

the near future lots and lots of people

1561

01:12:42,760 --> 01:12:41,150

but I mean worldwide it's not going to

1562

01:12:44,290 --> 01:12:42,770

be just the stage it's going to be

1563

01:12:46,780 --> 01:12:44,300

Europe's going to be South America

1564

01:12:49,810 --> 01:12:46,790

Africa all of it I just feel that

1565

01:12:52,750 --> 01:12:49,820

there's a lot of you know that kind of

1566

01:12:54,280 --> 01:12:52,760

thing looming and it's man-made and I

1567

01:12:58,330 --> 01:12:54,290

feel you I feel that it's in the

1568

01:13:00,069 --> 01:12:58,340

atmosphere it's been changed and so you

1569

01:13:01,660 --> 01:13:00,079

can expect some interesting things to

1570

01:13:04,569 --> 01:13:01,670

happen I feel people are getting kind of

1571

01:13:06,490 --> 01:13:04,579

fearful um I also see the very good

1572

01:13:08,439 --> 01:13:06,500

stuff too there's a lot of really

1573

01:13:10,240 --> 01:13:08,449

wonderful things you know it's easy to

1574

01:13:13,569 --> 01:13:10,250

talk about bad stuff it's a lot harder

1575

01:13:16,600 --> 01:13:13,579

to talk about good stuff so really it's

1576

01:13:18,040 --> 01:13:16,610

our attitudes need to be adjusted a

1577

01:13:21,300 --> 01:13:18,050

little bit and we need to love each

1578

01:13:24,399 --> 01:13:21,310

other a lot more you know it's just um

1579

01:13:27,790 --> 01:13:24,409

that's in the game this atmosphere thing

1580

01:13:29,709 --> 01:13:27,800

is there something that could be done to

1581

01:13:32,049 --> 01:13:29,719

change it or have we already passed the

1582

01:13:32,950 --> 01:13:32,059

point of no return on that I feel like

1583

01:13:35,680 --> 01:13:32,960

we've passed

1584

01:13:38,770 --> 01:13:35,690

point you know and I feel like they're

1585

01:13:43,330 --> 01:13:38,780

still working on it and figuring out

1586

01:13:46,570 --> 01:13:43,340

other ways to sort of mitigate the

1587

01:13:48,910 --> 01:13:46,580

damages yeah to just like stay in the

1588

01:13:51,070 --> 01:13:48,920

atman it just feels atmospheric to me

1589

01:13:53,770 --> 01:13:51,080

and that people are breathing all the

1590

01:13:55,810 --> 01:13:53,780

stuff in and it's just not good for us

1591

01:13:58,300 --> 01:13:55,820

and you're just gonna see a lot of

1592

01:14:00,070 --> 01:13:58,310

different changes in our children that's

1593

01:14:02,610 --> 01:14:00,080

another thing the positive thing is a

1594

01:14:06,459 --> 01:14:02,620

lot of children are being born with

1595

01:14:09,520 --> 01:14:06,469

amazing abilities absolutely you know

1596

01:14:12,729 --> 01:14:09,530

just how in the world can they know that

1597

01:14:14,979 --> 01:14:12,739

you don't mean and it's not just a child

1598

01:14:17,200 --> 01:14:14,989

i'm talking like as soon as I can talk

1599

01:14:20,440 --> 01:14:17,210

you know they can save things that are

1600

01:14:23,320 --> 01:14:20,450

so adult or so knowledgeable and even

1601
01:14:25,720 --> 01:14:23,330
use a vocabulary that you might not even

1602
01:14:28,420 --> 01:14:25,730
know yet i mean i can tell you something

1603
01:14:32,260 --> 01:14:28,430
now about somebody that came to me

1604
01:14:35,440 --> 01:14:32,270
Ashley well this person came to me right

1605
01:14:39,160 --> 01:14:35,450
and he's got all these phd's in a box

1606
01:14:41,470 --> 01:14:39,170
full of master's degrees and he really a

1607
01:14:43,450 --> 01:14:41,480
happy guy big eyes he's real happy to

1608
01:14:47,410 --> 01:14:43,460
sit down so I'm reading for him and I

1609
01:14:50,740 --> 01:14:47,420
said I get this really weird sensation

1610
01:14:52,900 --> 01:14:50,750
from you and I'm seeing away I think

1611
01:14:54,430 --> 01:14:52,910
it's a language to almost like chicken

1612
01:14:56,200 --> 01:14:54,440
scratch and kind of weird geometric

1613
01:14:58,120 --> 01:14:56,210

shapes and all this stuff and he kept

1614

01:15:01,450 --> 01:14:58,130

smiling bigger and bigger and I just

1615

01:15:03,910 --> 01:15:01,460

said okay know what is this I side to me

1616

01:15:08,560 --> 01:15:03,920

it feels alien Isis that's exactly right

1617

01:15:11,500 --> 01:15:08,570

he says he was born and he never had

1618

01:15:13,930 --> 01:15:11,510

like a normal dream pattern he would

1619

01:15:16,090 --> 01:15:13,940

always dream of these symbols and all

1620

01:15:18,490 --> 01:15:16,100

this stuff so he said he became really

1621

01:15:20,500 --> 01:15:18,500

aware of it when he was at the beach and

1622

01:15:22,390 --> 01:15:20,510

he was I fell asleep on the this kind of

1623

01:15:25,120 --> 01:15:22,400

deserted part of the beach and when he

1624

01:15:27,400 --> 01:15:25,130

woke up there was all these symbols

1625

01:15:31,240 --> 01:15:27,410

around him in a circle that went out all

1626

01:15:35,020 --> 01:15:31,250

like 20 feet so he took pictures of it

1627

01:15:38,110 --> 01:15:35,030

with this cell phone and it's alien um

1628

01:15:43,510 --> 01:15:38,120

it's of alien origin and it's a language

1629

01:15:45,610 --> 01:15:43,520

and to take it even further NASA is

1630

01:15:46,490 --> 01:15:45,620

teaching all the astronauts this

1631

01:15:54,080 --> 01:15:46,500

language

1632

01:15:57,260 --> 01:15:54,090

so NASA sent him to me to see what I

1633

01:16:02,120 --> 01:15:57,270

could get out of this for him so he's

1634

01:16:03,920 --> 01:16:02,130

training he's only 26 and he's training

1635

01:16:06,950 --> 01:16:03,930

all these astronauts these other

1636

01:16:09,920 --> 01:16:06,960

languages so get ready for that that's

1637

01:16:12,020 --> 01:16:09,930

coming too and what about so about a

1638

01:16:14,660 --> 01:16:12,030

about two months later I get into the

1639

01:16:18,560 --> 01:16:14,670

phone call and as this japanese girl was

1640

01:16:20,300 --> 01:16:18,570

calling me from australia exactly the

1641

01:16:22,850 --> 01:16:20,310

same thing and I just kind of put

1642

01:16:25,160 --> 01:16:22,860

together i just said object do you work

1643

01:16:27,020 --> 01:16:25,170

is like on this team that's like helping

1644

01:16:29,270 --> 01:16:27,030

the astronauts hey shona laughing she

1645

01:16:32,750 --> 01:16:29,280

goes yes I am they told me to call you I

1646

01:16:34,460 --> 01:16:32,760

said wow that's amazing she goes yeah

1647

01:16:36,710 --> 01:16:34,470

it's about seven language that our

1648

01:16:38,090 --> 01:16:36,720

astronauts are learning dad they're

1649

01:16:40,640 --> 01:16:38,100

gonna need it when they go up and all

1650

01:16:44,570 --> 01:16:40,650

that kind of stuff so did them tell you

1651

01:16:46,070 --> 01:16:44,580

you know it's all classified or yeah I

1652

01:16:50,570 --> 01:16:46,080

pretty much is I'm just kind of blew it

1653

01:16:52,280 --> 01:16:50,580

yeah I hope I'm here tomorrow so if you

1654

01:16:56,560 --> 01:16:52,290

disappear will look for you on another

1655

01:16:58,850 --> 01:16:56,570

planet but now this atmospheric

1656

01:17:01,910 --> 01:16:58,860

situation do you feel like that's tight

1657

01:17:05,510 --> 01:17:01,920

in there with maybe colonization of

1658

01:17:08,180 --> 01:17:05,520

other planets or that sort of thing I

1659

01:17:09,860 --> 01:17:08,190

think they're trying to lower the

1660

01:17:11,630 --> 01:17:09,870

numbers on the planets what I am wholly

1661

01:17:12,740 --> 01:17:11,640

you think of trying to do is they be a

1662

01:17:14,810 --> 01:17:12,750

lot of different illness there's not a

1663

01:17:16,910 --> 01:17:14,820

virus there's a lot of you know things

1664

01:17:18,970 --> 01:17:16,920

of that nature that are going to be kind

1665

01:17:22,130 --> 01:17:18,980

of plaguing all over the place and just

1666

01:17:23,570 --> 01:17:22,140

you'll see it'll take about I say

1667

01:17:25,430 --> 01:17:23,580

another eight years from now things are

1668

01:17:28,400 --> 01:17:25,440

going to be really different seven to

1669

01:17:30,040 --> 01:17:28,410

eight years the way we live here you

1670

01:17:32,570 --> 01:17:30,050

know unless it unless they can somehow

1671

01:17:34,760 --> 01:17:32,580

change all this but I don't see any

1672

01:17:38,780 --> 01:17:34,770

addadd changes i see is going to get

1673

01:17:41,600 --> 01:17:38,790

stronger and little meaner and so just

1674

01:17:44,060 --> 01:17:41,610

we gotta hang in there you know you hear

1675

01:17:45,980 --> 01:17:44,070

you know about secret societies somebody

1676

01:17:49,520 --> 01:17:45,990

in the chat room earlier mentioned the

1677

01:17:54,020 --> 01:17:49,530

Prairie of Zion and I know I've done

1678

01:17:55,730 --> 01:17:54,030

some research into those areas and met

1679

01:17:58,040 --> 01:17:55,740

people who you know purported to be

1680

01:17:59,910 --> 01:17:58,050

members of these secret societies and it

1681

01:18:05,350 --> 01:17:59,920

seemed like they all talked about

1682

01:18:09,460 --> 01:18:05,360

some calming event and they refer to

1683

01:18:11,890 --> 01:18:09,470

something called the calling and you

1684

01:18:13,630 --> 01:18:11,900

know it was it very much sounds like

1685

01:18:17,550 --> 01:18:13,640

what you just said about they're trying

1686

01:18:20,040 --> 01:18:17,560

to lower the numbers on the planet I

1687

01:18:24,100 --> 01:18:20,050

wonder if there's a tie in with that

1688

01:18:26,740 --> 01:18:24,110

could be you know um it very well could

1689

01:18:28,120 --> 01:18:26,750

be it just said well you know I don't

1690

01:18:30,820 --> 01:18:28,130

know anything about this ion thing but

1691

01:18:32,890 --> 01:18:30,830

that's you know what I'm getting what

1692

01:18:36,370 --> 01:18:32,900

I'm seeing and what I know is happening

1693

01:18:38,410 --> 01:18:36,380

I feel like you know they're kind of

1694

01:18:40,570 --> 01:18:38,420

dumbing everybody down tell them don't

1695

01:18:42,880 --> 01:18:40,580

worry about it's okay you're not really

1696

01:18:45,610 --> 01:18:42,890

seeing this and you know and it's

1697

01:18:49,600 --> 01:18:45,620

happening it's subtle but it's going to

1698

01:18:52,390 --> 01:18:49,610

snowball yeah and so I'm just in this as

1699

01:18:56,890 --> 01:18:52,400

this is related to the sort of climate

1700

01:18:59,050 --> 01:18:56,900

change deniers oh yeah yeah yeah it's

1701

01:19:01,030 --> 01:18:59,060

everything but I think it's more of an

1702

01:19:04,330 --> 01:19:01,040

atmospheric thing where affects our

1703

01:19:07,870 --> 01:19:04,340

bodies it makes us sick and all of that

1704

01:19:10,120 --> 01:19:07,880

I know that in in Arizona there's a

1705

01:19:11,980 --> 01:19:10,130

place I used to go to now it's off

1706

01:19:14,320 --> 01:19:11,990

limits and it's also guarded by the

1707

01:19:16,780 --> 01:19:14,330

government but all the plants that there

1708

01:19:19,480 --> 01:19:16,790

are turning purple everything's turning

1709

01:19:22,300 --> 01:19:19,490

purple up there and they won't let you

1710

01:19:25,240 --> 01:19:22,310

up there so it's um what was that some

1711

01:19:27,700 --> 01:19:25,250

kind of a test site or something I don't

1712

01:19:31,420 --> 01:19:27,710

know i don't think so but i could be

1713

01:19:34,090 --> 01:19:31,430

wrong you know I just don't on where is

1714

01:19:37,930 --> 01:19:34,100

it in Arizona canyons on Mount Lemmon is

1715

01:19:39,880 --> 01:19:37,940

Mount Lemmon in Tucson and the plants

1716

01:19:42,520 --> 01:19:39,890

are all changing everything is changing

1717

01:19:44,380 --> 01:19:42,530

up there and they don't let anybody up

1718

01:19:47,080 --> 01:19:44,390

there anymore and it's kind of like a

1719

01:19:50,650 --> 01:19:47,090

spider webby looking substance to it

1720

01:19:53,200 --> 01:19:50,660

don't know whatever this is I don't know

1721

01:19:55,090 --> 01:19:53,210

if is you know an a hole in the ozone

1722

01:19:57,550 --> 01:19:55,100

that happened to zero in on that area

1723

01:19:58,990 --> 01:19:57,560

and kind of turn everything purple but

1724

01:20:02,440 --> 01:19:59,000

there's something definitely going on

1725

01:20:04,180 --> 01:20:02,450

with our planet in our atmosphere the

1726

01:20:06,010 --> 01:20:04,190

world is actually a pretty small place

1727

01:20:08,890 --> 01:20:06,020

if you've done any traveling around the

1728

01:20:12,520 --> 01:20:08,900

world it really is a small place it's

1729

01:20:13,480 --> 01:20:12,530

not that large um ya know we need to

1730

01:20:15,460 --> 01:20:13,490

take care of it

1731

01:20:17,560 --> 01:20:15,470

I don't know if it's to the point of no

1732

01:20:19,660 --> 01:20:17,570

return but it's pretty dang close it's

1733

01:20:21,700 --> 01:20:19,670

in that direction there are a lot of

1734

01:20:24,190 --> 01:20:21,710

things that are being done obvious that

1735

01:20:25,960 --> 01:20:24,200

are really obvious that everybody is

1736

01:20:28,780 --> 01:20:25,970

saying I don't see it it's not happening

1737

01:20:32,530 --> 01:20:28,790

you know so anyway that's a whole

1738

01:20:34,840 --> 01:20:32,540

different thing but I hopefully i'll get

1739

01:20:37,870 --> 01:20:34,850

some sort of like vision of a more

1740

01:20:40,510 --> 01:20:37,880

positive thing but I think it's going to

1741

01:20:43,360 --> 01:20:40,520

be within our children are all these for

1742

01:20:46,960 --> 01:20:43,370

the last probably I would say I always

1743

01:20:49,000 --> 01:20:46,970

hit the last probably 15 years there's a

1744

01:20:50,940 --> 01:20:49,010

whole new breed of children that are

1745

01:20:54,310 --> 01:20:50,950

being more that are just absolutely

1746

01:20:58,240 --> 01:20:54,320

insightful and just have information

1747

01:21:00,340 --> 01:20:58,250

there's just a mind-blowing um and

1748

01:21:01,690 --> 01:21:00,350

you'll you'll you'll see it it's coming

1749

01:21:03,760 --> 01:21:01,700

out more and more all the time but

1750

01:21:05,290 --> 01:21:03,770

you'll see it you'll have experiences

1751

01:21:07,450 --> 01:21:05,300

with it I'm sure some of your listeners

1752

01:21:09,940 --> 01:21:07,460

have children that are that way you know

1753

01:21:15,700 --> 01:21:09,950

that are just brilliant yeah I have one

1754

01:21:20,680 --> 01:21:15,710

like that that at least it's almost 12

1755

01:21:25,180 --> 01:21:20,690

now but he from the time he was like 45

1756

01:21:27,700 --> 01:21:25,190

years old he goes out to NASA JPL the

1757

01:21:29,890 --> 01:21:27,710

Jet Propulsion lab here oh wow in

1758

01:21:31,900 --> 01:21:29,900

Southern California and sits and chats

1759

01:21:35,260 --> 01:21:31,910

with the scientists and they all just

1760

01:21:37,420 --> 01:21:35,270

sit around and ask him questions because

1761

01:21:41,140 --> 01:21:37,430

he knows everything there is to know

1762

01:21:44,650 --> 01:21:41,150

about the planets about he can tell you

1763

01:21:47,650 --> 01:21:44,660

anything you know the tilt of the axis

1764

01:21:50,320 --> 01:21:47,660

of Uranus or you know what the

1765

01:21:53,320 --> 01:21:50,330

atmosphere is there all kinds of stuff

1766

01:21:55,870 --> 01:21:53,330

and it's it's just amazing and I know

1767

01:21:58,510 --> 01:21:55,880

he's not the only one I absolutely not

1768

01:21:59,890 --> 01:21:58,520

there's a lot of them and it so you know

1769

01:22:01,510 --> 01:21:59,900

I mean and those are the ones that are

1770

01:22:05,650 --> 01:22:01,520

gonna pull us through all of this you

1771

01:22:09,400 --> 01:22:05,660

know yeah he told me in the world give

1772

01:22:11,170 --> 01:22:09,410

me 10 something about um toddlers if

1773

01:22:13,270 --> 01:22:11,180

your listeners out there do you have a

1774

01:22:15,600 --> 01:22:13,280

toddler listen to him because if they're

1775

01:22:18,430 --> 01:22:15,610

like playing with an imaginary friend

1776

01:22:21,550 --> 01:22:18,440

sometimes it could be a past you know a

1777

01:22:25,030 --> 01:22:21,560

relative who has passed because when

1778

01:22:26,890 --> 01:22:25,040

we're born into this world we kind of

1779

01:22:28,419 --> 01:22:26,900

remember the other side

1780

01:22:30,580 --> 01:22:28,429

and so we're acclimating to this

1781

01:22:32,979 --> 01:22:30,590

environment and our parents and there's

1782

01:22:34,930 --> 01:22:32,989

all this stuff so parents out there if

1783

01:22:37,419 --> 01:22:34,940

your kids are doing this sometimes they

1784

01:22:39,160 --> 01:22:37,429

may blurt out a name that you know they

1785

01:22:41,290 --> 01:22:39,170

don't know they never met that person

1786

01:22:43,180 --> 01:22:41,300

and they're part of the family that's

1787

01:22:45,100 --> 01:22:43,190

crossed over and sometimes they'll give

1788

01:22:49,149 --> 01:22:45,110

a piece of information like their name

1789

01:22:50,709 --> 01:22:49,159

or what a habit they did or things of

1790

01:22:52,720 --> 01:22:50,719

that nature and I would just say tell

1791

01:22:54,700 --> 01:22:52,730

them you know tell the parents to just

1792

01:22:56,680 --> 01:22:54,710

go with it you know and then what did he

1793

01:22:58,450 --> 01:22:56,690

say and then what it then would happen

1794

01:23:01,330 --> 01:22:58,460

and then you know and that little child

1795

01:23:02,649 --> 01:23:01,340

will tell you a lot of things because

1796

01:23:06,070 --> 01:23:02,659

they're still connected to the other

1797

01:23:08,770 --> 01:23:06,080

side as are coming into this world and

1798

01:23:10,450 --> 01:23:08,780

then eventually around five to seven

1799

01:23:12,580 --> 01:23:10,460

they start kind of like just completely

1800

01:23:15,070 --> 01:23:12,590

coming on this side yeah and they may

1801
01:23:17,110 --> 01:23:15,080
have some ability maybe not same thing

1802
01:23:19,060 --> 01:23:17,120
happens on the other end when you got

1803
01:23:21,580 --> 01:23:19,070
like aunt Bertha who's hallucinating we

1804
01:23:23,229 --> 01:23:21,590
call a dementia and she's saying hey my

1805
01:23:25,689 --> 01:23:23,239
sister was sitting on my bed last night

1806
01:23:27,910 --> 01:23:25,699
eating ice cream you can believe it just

1807
01:23:29,770 --> 01:23:27,920
go with it I always tell people go with

1808
01:23:32,260 --> 01:23:29,780
it don't say like you know she's nuts or

1809
01:23:34,780 --> 01:23:32,270
she's crazy go with it because they're

1810
01:23:36,100 --> 01:23:34,790
usually that's happening so souls will

1811
01:23:38,290 --> 01:23:36,110
start to come around somebody who's

1812
01:23:40,990 --> 01:23:38,300
getting ready to cross over and they

1813
01:23:42,580 --> 01:23:41,000

start seeing them and the best thing to

1814

01:23:44,860 --> 01:23:42,590

do with that situation is the same thing

1815

01:23:47,229 --> 01:23:44,870

well then would happen well what did

1816

01:23:48,970 --> 01:23:47,239

they say and sometimes it's just

1817

01:23:50,680 --> 01:23:48,980

stranger souls that are just passing

1818

01:23:52,720 --> 01:23:50,690

through and they just know that they're

1819

01:23:54,939 --> 01:23:52,730

getting ready to cross over and they'll

1820

01:23:56,860 --> 01:23:54,949

visit with them nobody can take your

1821

01:23:58,479 --> 01:23:56,870

life no soul can take your life and had

1822

01:24:00,399 --> 01:23:58,489

you know you debt happens on your own

1823

01:24:03,250 --> 01:24:00,409

but they're all people will be checking

1824

01:24:04,959 --> 01:24:03,260

in on you loved ones and they're usually

1825

01:24:07,060 --> 01:24:04,969

waiting there for you when you cross

1826

01:24:09,820 --> 01:24:07,070

over I get calls all the time for Mike

1827

01:24:11,830 --> 01:24:09,830

hospice from people that are like very

1828

01:24:13,360 --> 01:24:11,840

religious and now they're on their

1829

01:24:16,899 --> 01:24:13,370

deathbed that whole thing went out the

1830

01:24:18,490 --> 01:24:16,909

window yeah what's that soft yeah all

1831

01:24:20,280 --> 01:24:18,500

bets are off man what's worthy going to

1832

01:24:22,270 --> 01:24:20,290

happen and the best of my knowledge

1833

01:24:25,240 --> 01:24:22,280

enough and what I've always seen all my

1834

01:24:27,880 --> 01:24:25,250

life I just kind of describe it and get

1835

01:24:29,830 --> 01:24:27,890

ready for this and for that and they can

1836

01:24:32,800 --> 01:24:29,840

relate to it you know what what do they

1837

01:24:36,010 --> 01:24:32,810

expect what what can we expect what we

1838

01:24:37,600 --> 01:24:36,020

see and feel and smell and touch well

1839

01:24:39,860 --> 01:24:37,610

here's my take on it and this is what

1840

01:24:41,960 --> 01:24:39,870

I've always seen this there's

1841

01:24:44,210 --> 01:24:41,970

everybody goes into a life review when

1842

01:24:45,860 --> 01:24:44,220

you cross over but using the very

1843

01:24:48,680 --> 01:24:45,870

beginning right before you cross over

1844

01:24:50,630 --> 01:24:48,690

you have souls that come around usually

1845

01:24:54,710 --> 01:24:50,640

family members and they take away your

1846

01:24:57,650 --> 01:24:54,720

fear of passing and so it's just

1847

01:24:59,990 --> 01:24:57,660

transition that's all it is so the only

1848

01:25:01,190 --> 01:25:00,000

thing I think people fear is how they're

1849

01:25:03,500 --> 01:25:01,200

going to transition you know are they

1850

01:25:05,090 --> 01:25:03,510

going to die in a car crash or get

1851
01:25:06,770 --> 01:25:05,100
stabbed to death down some alley or

1852
01:25:10,460 --> 01:25:06,780
something that's what people are really

1853
01:25:12,500 --> 01:25:10,470
afraid of but the actual passing when

1854
01:25:14,720 --> 01:25:12,510
you're past that point it doesn't really

1855
01:25:17,120 --> 01:25:14,730
matter but what I've always seen is that

1856
01:25:19,640 --> 01:25:17,130
souls will come around you and you'll

1857
01:25:23,330 --> 01:25:19,650
notice them things will happen sometimes

1858
01:25:25,790 --> 01:25:23,340
well you can see them and then when you

1859
01:25:27,650 --> 01:25:25,800
do cross-over you go into a life review

1860
01:25:30,440 --> 01:25:27,660
so everything that you've ever done in

1861
01:25:32,060 --> 01:25:30,450
this life here is repeated really quick

1862
01:25:33,620 --> 01:25:32,070
and the way I've always seen it it looks

1863
01:25:35,690 --> 01:25:33,630

like an embryonic sac I know it sounds

1864

01:25:38,060 --> 01:25:35,700

kind of strange but like a paper bag or

1865

01:25:39,860 --> 01:25:38,070

embryonic sac and as soul is in there

1866

01:25:42,050 --> 01:25:39,870

that just crossed over and they're

1867

01:25:43,850 --> 01:25:42,060

seeing everything they've ever done but

1868

01:25:45,560 --> 01:25:43,860

it looks like several strobe lights are

1869

01:25:48,590 --> 01:25:45,570

going off in it at the same time each

1870

01:25:51,770 --> 01:25:48,600

little flash is a part of your life that

1871

01:25:54,290 --> 01:25:51,780

you live when you were here so you get

1872

01:25:56,420 --> 01:25:54,300

to feel all the love you put on someone

1873

01:25:58,100 --> 01:25:56,430

and you get to feel their personality

1874

01:26:00,500 --> 01:25:58,110

and you kind of get the feel you kind of

1875

01:26:02,750 --> 01:26:00,510

get to be them for a moment and you feel

1876

01:26:05,600 --> 01:26:02,760

how you open their lives and you just

1877

01:26:07,880 --> 01:26:05,610

expanded them and they just felt true

1878

01:26:10,970 --> 01:26:07,890

love with you and this kind of thing so

1879

01:26:13,640 --> 01:26:10,980

that's great and so then you go to the

1880

01:26:16,850 --> 01:26:13,650

other end of the spectrum is where all

1881

01:26:19,100 --> 01:26:16,860

the bad things you did and intentionally

1882

01:26:20,920 --> 01:26:19,110

and sometimes not intentionally but you

1883

01:26:23,270 --> 01:26:20,930

get to be the person you did it to and

1884

01:26:24,920 --> 01:26:23,280

go through what they went through and

1885

01:26:26,810 --> 01:26:24,930

how you change their life or kind of

1886

01:26:30,050 --> 01:26:26,820

tweak their hit a little bit because it

1887

01:26:32,990 --> 01:26:30,060

was very a very bad thing so you gotta

1888

01:26:34,700 --> 01:26:33,000

live through that again and but it

1889

01:26:37,190 --> 01:26:34,710

happens like how we are right now in

1890

01:26:40,550 --> 01:26:37,200

real time but there's like a split

1891

01:26:42,380 --> 01:26:40,560

second your whole life the way I've seen

1892

01:26:44,840 --> 01:26:42,390

it lasts about an hour hour and a half

1893

01:26:46,460 --> 01:26:44,850

and then it's hard to kind of describe

1894

01:26:50,210 --> 01:26:46,470

his there is no time there but anyway

1895

01:26:52,010 --> 01:26:50,220

when that's over I see them come out of

1896

01:26:53,359 --> 01:26:52,020

this bad or the sack thing and there's

1897

01:26:56,270 --> 01:26:53,369

usually two or three

1898

01:26:57,919 --> 01:26:56,280

tall purple beans and I do like angels

1899

01:27:01,219 --> 01:26:57,929

to me or something but they're all kind

1900

01:27:03,500 --> 01:27:01,229

of like the all they look compressed and

1901
01:27:06,109 --> 01:27:03,510
then when that person comes out to kind

1902
01:27:08,689 --> 01:27:06,119
of fan out a little bit and then right

1903
01:27:10,969 --> 01:27:08,699
behind these beans is the whole garden

1904
01:27:12,859 --> 01:27:10,979
of sold all your relatives your friends

1905
01:27:15,080 --> 01:27:12,869
your dogs or cat you know all those

1906
01:27:17,869 --> 01:27:15,090
people and animals are there and then

1907
01:27:19,899 --> 01:27:17,879
you go right into that realm of souls or

1908
01:27:23,689 --> 01:27:19,909
garden and sold and then you're in and

1909
01:27:26,239 --> 01:27:23,699
so I feel that the real hell we go

1910
01:27:28,669 --> 01:27:26,249
through is in that process of life

1911
01:27:30,830 --> 01:27:28,679
review because you get to be the person

1912
01:27:32,839 --> 01:27:30,840
you did bad things to and you get to be

1913
01:27:34,790 --> 01:27:32,849

the person that you did loving things to

1914

01:27:37,369 --> 01:27:34,800

you get to feel their personality so

1915

01:27:39,469 --> 01:27:37,379

it's a very unusual kind of feeling but

1916

01:27:41,449 --> 01:27:39,479

that's how I've always seen it and so

1917

01:27:43,189 --> 01:27:41,459

when I sound crazy but and then also

1918

01:27:45,529 --> 01:27:43,199

reincarnation here's what i've seen

1919

01:27:48,350 --> 01:27:45,539

about that you don't have to reincarnate

1920

01:27:50,629 --> 01:27:48,360

you can stay there for eternity if you

1921

01:27:53,330 --> 01:27:50,639

want but have noticed that people

1922

01:27:55,399 --> 01:27:53,340

usually don't think about really think

1923

01:27:57,949 --> 01:27:55,409

about reincarnation until everyone

1924

01:28:01,549 --> 01:27:57,959

they've ever loved and have been close

1925

01:28:05,239 --> 01:28:01,559

to has crossed over so yeah while

1926

01:28:07,279 --> 01:28:05,249

they're trying to help you George I hate

1927

01:28:09,139 --> 01:28:07,289

to break in that was a beautiful picture

1928

01:28:11,509 --> 01:28:09,149

that you painted of heaven for us or the

1929

01:28:14,449 --> 01:28:11,519

other side musics rolling and we've run

1930

01:28:16,250 --> 01:28:14,459

out of time oh thank you I thank you so

1931

01:28:19,279 --> 01:28:16,260

much for joining us next week we got
