

Center of Light

HOST
KEITA ANTHONY BLANCHARD

Radio

Hillary Raimo

1
00:00:49,240 --> 00:00:03,290
you're listening to Ira the inception

2
00:00:49,250 --> 00:01:04,369
Cesar

3
00:01:10,890 --> 00:01:08,070
see inside see the light

4
00:01:13,530 --> 00:01:10,900
welcome to centre of light radio with

5
00:01:16,080 --> 00:01:13,540
spiritual teacher intuitive musician

6
00:01:18,300 --> 00:01:16,090
composer and best-selling author of the

7
00:01:21,020 --> 00:01:18,310
Divine Principle anchoring heaven on

8
00:01:23,640 --> 00:01:21,030
earth your host Keith Anthony Blanchard

9
00:01:27,990 --> 00:01:23,650
welcome to center of light radio center

10
00:01:31,620 --> 00:01:28,000
of divine unfoldment and reinforcements

11
00:01:35,430 --> 00:01:31,630
strapped in all ye spiritual astral

12
00:01:37,580 --> 00:01:35,440
knots as we launch for inner space

13
00:01:39,720 --> 00:01:37,590

welcome to the show on this fine

14

00:01:42,420 --> 00:01:39,730

Memorial Day at least here in Memphis

15

00:01:44,520 --> 00:01:42,430

Tennessee great weather glad you arrived

16

00:01:46,890 --> 00:01:44,530

i'm glad i arrived have some barbecue

17

00:01:48,480 --> 00:01:46,900

today life feels good make sure you

18

00:01:50,370 --> 00:01:48,490

visit the center of light radio website

19

00:01:52,859 --> 00:01:50,380

and you can do that by going to center

20

00:01:56,340 --> 00:01:52,869

of light radio.com there you will find

21

00:01:58,350 --> 00:01:56,350

the archives of my awesome past guests

22

00:02:00,120 --> 00:01:58,360

and past shows and you can also find the

23

00:02:02,850 --> 00:02:00,130

archives if you go to youtube and look

24

00:02:04,230 --> 00:02:02,860

up center of light radio just do a

25

00:02:06,600 --> 00:02:04,240

search in that little window and it

26
00:02:09,510 --> 00:02:06,610
should come up just nicely make sure you

27
00:02:11,910 --> 00:02:09,520
go to instead of light radio com there

28
00:02:15,120 --> 00:02:11,920
you will find links to all my books all

29
00:02:17,040 --> 00:02:15,130
of my projects my movie my latest book

30
00:02:19,380 --> 00:02:17,050
release for the love of God a spiritual

31
00:02:22,110 --> 00:02:19,390
journey about my trip to India to spend

32
00:02:23,820 --> 00:02:22,120
time with a divine holy man an avatar

33
00:02:26,340 --> 00:02:23,830
that came to me in a dream and invited

34
00:02:28,280 --> 00:02:26,350
me to India two weeks later I get a

35
00:02:31,410 --> 00:02:28,290
phone call from a person had never met

36
00:02:33,120 --> 00:02:31,420
just so happens word got to her turns

37
00:02:35,970 --> 00:02:33,130
out she was a flight attendant and gave

38
00:02:38,280 --> 00:02:35,980

me a companion pass first class round

39

00:02:39,570 --> 00:02:38,290

trip ticket to India I logged my entire

40

00:02:41,759 --> 00:02:39,580

experience while I was there on the

41

00:02:43,920 --> 00:02:41,769

ashram check out the book for the love

42

00:02:46,710 --> 00:02:43,930

of God a spiritual journey also you will

43

00:02:48,060 --> 00:02:46,720

find links there to my movie I'll do

44

00:02:50,190 --> 00:02:48,070

what you love a path to passionate

45

00:02:53,460 --> 00:02:50,200

living it's a documentary about my life

46

00:02:55,680 --> 00:02:53,470

as a musician as an author but really

47

00:02:58,080 --> 00:02:55,690

the movie is about you I'm just the guy

48

00:03:00,479 --> 00:02:58,090

next door I'm just like you in any way

49

00:03:02,250 --> 00:03:00,489

shape form or fashion I'm a very

50

00:03:05,039 --> 00:03:02,260

approachable guy in the movie comes off

51
00:03:06,539 --> 00:03:05,049
as such giving you the tools that you

52
00:03:08,810 --> 00:03:06,549
need so that you can move about the

53
00:03:11,460 --> 00:03:08,820
world it becomes successful whatever

54
00:03:14,009 --> 00:03:11,470
that means to you whatever that word

55
00:03:15,600 --> 00:03:14,019
success means to you and finally if you

56
00:03:17,850 --> 00:03:15,610
go to key thing Anthony Blanchard calm

57
00:03:19,680 --> 00:03:17,860
you will learn of my do what you love

58
00:03:21,420 --> 00:03:19,690
forever course as well as make sure you

59
00:03:21,690 --> 00:03:21,430
check out the free anchoring heaven on

60
00:03:24,479 --> 00:03:21,700
earth

61
00:03:26,729 --> 00:03:24,489
audio meditation it will help you to

62
00:03:30,900 --> 00:03:26,739
fall into that space to create that

63
00:03:32,880 --> 00:03:30,910

space to be in that silent powerful

64

00:03:34,860 --> 00:03:32,890

space where you can launch all your

65

00:03:37,380 --> 00:03:34,870

creations with least effort I mean where

66

00:03:38,550 --> 00:03:37,390

I have a job I mean I understand the

67

00:03:40,290 --> 00:03:38,560

practical way going out there and

68

00:03:42,180 --> 00:03:40,300

earning a living but when you can find

69

00:03:44,850 --> 00:03:42,190

that place inside of yourself that is

70

00:03:47,250 --> 00:03:44,860

connected to all of creation manifesting

71

00:03:49,320 --> 00:03:47,260

your life becomes very very simple it's

72

00:03:53,820 --> 00:03:49,330

more of an intention or an active will

73

00:03:55,530 --> 00:03:53,830

if you will all right let me give a

74

00:03:57,660 --> 00:03:55,540

couple of more announcements here to

75

00:03:59,520 --> 00:03:57,670

call it to the show excuse me to call on

76

00:04:01,740 --> 00:03:59,530

a show live you want to ask a question

77

00:04:05,940 --> 00:04:01,750

of myself or my awesome guest miss

78

00:04:10,740 --> 00:04:05,950

Hilary Remo today a powerhouse she may

79

00:04:15,390 --> 00:04:10,750

Terry make sure u del 8 8 8 9 19 2 3 5 5

80

00:04:18,090 --> 00:04:15,400

triple 8 9 19 2355 remember if you are

81

00:04:20,310 --> 00:04:18,100

not at home by your computer and you

82

00:04:22,080 --> 00:04:20,320

want to hear your favorite chill you can

83

00:04:24,990 --> 00:04:22,090

go to the App Store on your phone and

84

00:04:28,230 --> 00:04:25,000

download the inception radio network app

85

00:04:30,420 --> 00:04:28,240

for free everything is right there at

86

00:04:33,629 --> 00:04:30,430

your fingertips chatroom listen live

87

00:04:36,210 --> 00:04:33,639

link news podcasts much more always

88

00:04:37,469 --> 00:04:36,220

remember there are many ways to connect

89

00:04:41,550 --> 00:04:37,479

to the center of light radio and

90

00:04:43,710 --> 00:04:41,560

inception radio network now it's time to

91

00:04:49,080 --> 00:04:43,720

get down to sooner of light radio

92

00:04:51,330 --> 00:04:49,090

business you have to forgive me

93

00:04:54,120 --> 00:04:51,340

listening onyx I live right next to a

94

00:04:57,350 --> 00:04:54,130

train station and a few years that I've

95

00:04:59,909 --> 00:04:57,360

lived here i'd never heard such activity

96

00:05:01,260 --> 00:04:59,919

in any one moment but they are

97

00:05:03,510 --> 00:05:01,270

definitely kicking in the back so

98

00:05:04,560 --> 00:05:03,520

they're going to be chugging off here in

99

00:05:07,409 --> 00:05:04,570

a minute let me tell you about my

100

00:05:10,640 --> 00:05:07,419

awesome guest today miss Hilary raymo

101
00:05:14,640 --> 00:05:10,650
today we will be discussing love breath

102
00:05:17,730 --> 00:05:14,650
for Earth a living experiential

103
00:05:20,219 --> 00:05:17,740
hypothesis what happens when you gather

104
00:05:22,980 --> 00:05:20,229
people around the globe and invoke their

105
00:05:25,170 --> 00:05:22,990
most loving memories Hilary raymo

106
00:05:28,020 --> 00:05:25,180
founder of love breath for Earth global

107
00:05:29,659 --> 00:05:28,030
meditations joins me on the air to

108
00:05:33,870 --> 00:05:29,669
discuss her year-long experiential

109
00:05:34,820 --> 00:05:33,880
hypothesis here the story began what

110
00:05:36,560 --> 00:05:34,830
love breath

111
00:05:39,140 --> 00:05:36,570
for Earth is stirring in hearts around

112
00:05:41,000 --> 00:05:39,150
the globe a movement of higher

113
00:05:43,250 --> 00:05:41,010

consciousness is rippling across the

114

00:05:47,230 --> 00:05:43,260

globe reclaiming humanity's relationship

115

00:05:50,840 --> 00:05:47,240

with nature and asking all to blue

116

00:05:54,230 --> 00:05:50,850

hilary founder of love breath for earth

117

00:05:56,480 --> 00:05:54,240

is a well-known psychic medium maybe i

118

00:05:59,330 --> 00:05:56,490

can get a reading well-known psychic

119

00:06:02,960 --> 00:05:59,340

medium ordained not nondenominational

120

00:06:07,040 --> 00:06:02,970

minister master Reiki healer a shamanic

121

00:06:10,250 --> 00:06:07,050

practitioner and earth oracle Hilary

122

00:06:12,050 --> 00:06:10,260

isn't Hilary is an expert on

123

00:06:14,510 --> 00:06:12,060

multi-dimensional healing she

124

00:06:16,700 --> 00:06:14,520

specializes in communicating about how

125

00:06:19,550 --> 00:06:16,710

the mind body healing process freeze

126
00:06:22,670 --> 00:06:19,560
consciousness on a personal to global

127
00:06:25,580 --> 00:06:22,680
level in order to help enable body

128
00:06:27,950 --> 00:06:25,590
energy and collective consciousness to

129
00:06:29,960 --> 00:06:27,960
transcend time and space her

130
00:06:32,060 --> 00:06:29,970
international client based consulting

131
00:06:34,430 --> 00:06:32,070
ranges from high-level corporate complex

132
00:06:37,160 --> 00:06:34,440
executives to filmmakers best-selling

133
00:06:40,430 --> 00:06:37,170
authors celebrities and thousands of

134
00:06:44,180 --> 00:06:40,440
world citizens welcome to the center of

135
00:06:45,860 --> 00:06:44,190
light radio Hillary ramoth hi Keith

136
00:06:47,330 --> 00:06:45,870
thanks so much for having me that's

137
00:06:49,340 --> 00:06:47,340
really a pleasure to be here it's great

138
00:06:51,230 --> 00:06:49,350

to be on the air with you again it is

139

00:06:53,930 --> 00:06:51,240

always a joy to speak with you and I

140

00:06:55,640 --> 00:06:53,940

called you powerhouse on purpose well

141

00:07:00,650 --> 00:06:55,650

the term I was going to use a little

142

00:07:04,190 --> 00:07:00,660

earlier today was firecracker free

143

00:07:05,800 --> 00:07:04,200

weekend Yeah right Memorial Day weekend

144

00:07:08,590 --> 00:07:05,810

than you here and you the Firecracker

145

00:07:11,180 --> 00:07:08,600

hahahaha tell me about this awesome

146

00:07:13,670 --> 00:07:11,190

program this all about thing that you

147

00:07:16,480 --> 00:07:13,680

doing today yeah it's been quite an

148

00:07:20,090 --> 00:07:16,490

adventure love breathe for Earth is

149

00:07:24,350 --> 00:07:20,100

really quite an adventure that landed in

150

00:07:26,990 --> 00:07:24,360

my lap last year when my sister I ended

151
00:07:28,520 --> 00:07:27,000
up finding this beautiful message

152
00:07:30,230 --> 00:07:28,530
written in the sand dunes we had

153
00:07:32,900 --> 00:07:30,240
reconciled and kind of come back

154
00:07:35,450 --> 00:07:32,910
together had a reunion of sorts and we

155
00:07:37,040 --> 00:07:35,460
had taken a trip down to Cape Cod to

156
00:07:39,920 --> 00:07:37,050
spend some time with a friend of ours

157
00:07:42,140 --> 00:07:39,930
and we ended up meditating on a beach

158
00:07:44,540 --> 00:07:42,150
together under the stars and we had a

159
00:07:45,620 --> 00:07:44,550
really quite profound experience her and

160
00:07:48,200 --> 00:07:45,630
I

161
00:07:50,960 --> 00:07:48,210
and we set about kind of going to

162
00:07:53,300 --> 00:07:50,970
different points around the cape that

163
00:07:56,030 --> 00:07:53,310

you know seem to hold very special

164

00:07:59,030 --> 00:07:56,040

energy and we practice meditating

165

00:08:01,160 --> 00:07:59,040

together and being blood sisters I found

166

00:08:03,380 --> 00:08:01,170

that there was an extraordinary thing

167

00:08:04,790 --> 00:08:03,390

happening between the two of us as we

168

00:08:07,730 --> 00:08:04,800

would sit down and meditate together

169

00:08:09,650 --> 00:08:07,740

that are both of our experiences our

170

00:08:12,770 --> 00:08:09,660

senses the things that we were tuning

171

00:08:15,470 --> 00:08:12,780

into were enhanced quite powerfully and

172

00:08:16,850 --> 00:08:15,480

it became kind of this adventure we were

173

00:08:18,380 --> 00:08:16,860

kind of going around doing this

174

00:08:21,110 --> 00:08:18,390

meditating on the beach during the day

175

00:08:23,060 --> 00:08:21,120

during the evening under the stars we

176
00:08:25,100 --> 00:08:23,070
had a really profound time and we were

177
00:08:27,260 --> 00:08:25,110
both giving each other feedback of sorts

178
00:08:30,170 --> 00:08:27,270
and it was really interesting when one

179
00:08:32,089 --> 00:08:30,180
time we finished one of our meditations

180
00:08:34,460 --> 00:08:32,099
on the beach and we walked over the sand

181
00:08:36,380 --> 00:08:34,470
dune that we had come from back to our

182
00:08:38,690 --> 00:08:36,390
car and someone had written the two

183
00:08:41,839 --> 00:08:38,700
words into the sand the first word was

184
00:08:43,580 --> 00:08:41,849
love the second word was breathe so I

185
00:08:45,230 --> 00:08:43,590
took a picture of these two words that I

186
00:08:47,150 --> 00:08:45,240
said you know this is really great we

187
00:08:50,390 --> 00:08:47,160
were like given a message on top of this

188
00:08:52,400 --> 00:08:50,400

mound you know after we did all this

189

00:08:56,120 --> 00:08:52,410

beautiful blessed meditation work

190

00:08:59,540 --> 00:08:56,130

together and so we had this idea to come

191

00:09:02,780 --> 00:08:59,550

up with a global meditation and we would

192

00:09:05,410 --> 00:09:02,790

ask people to show up to love meaning

193

00:09:08,660 --> 00:09:05,420

they invoke their most treasured

194

00:09:11,000 --> 00:09:08,670

memories of love efforts he loved keith

195

00:09:13,580 --> 00:09:11,010

is different for everybody we all have a

196

00:09:16,910 --> 00:09:13,590

different kind of perspective or concept

197

00:09:18,830 --> 00:09:16,920

of what love is so what we did was we

198

00:09:21,470 --> 00:09:18,840

decided to ask each person who

199

00:09:23,780 --> 00:09:21,480

participated to just whatever it means

200

00:09:26,390 --> 00:09:23,790

to you whatever memories you have in

201
00:09:29,120 --> 00:09:26,400
your body that you know invoke a feeling

202
00:09:31,730 --> 00:09:29,130
of love inside of you whether it be for

203
00:09:33,980 --> 00:09:31,740
a partner or a child or a pet whatever

204
00:09:36,800 --> 00:09:33,990
it is some special experience we all

205
00:09:39,380 --> 00:09:36,810
have something inside of us that has

206
00:09:41,990 --> 00:09:39,390
given us a flicker of what that emotion

207
00:09:44,930 --> 00:09:42,000
feels like so love breathe for earth

208
00:09:47,990 --> 00:09:44,940
offers each person a chance to sit down

209
00:09:49,790 --> 00:09:48,000
consciously wherever they are whether

210
00:09:51,910 --> 00:09:49,800
they're outside in nature or they're in

211
00:09:54,290 --> 00:09:51,920
their office cubicle or you know

212
00:09:56,360 --> 00:09:54,300
wherever they are they can do it they

213
00:09:59,090 --> 00:09:56,370

just have to sit there and invoke those

214

00:09:59,360 --> 00:09:59,100

feelings what it does is it starts off

215

00:10:13,490 --> 00:09:59,370

in

216

00:10:16,450 --> 00:10:13,500

of PTSD works the traumatic memories and

217

00:10:19,760 --> 00:10:16,460

experiences that we hold inside of our

218

00:10:23,150 --> 00:10:19,770

physical mental etheric being our entire

219

00:10:25,610 --> 00:10:23,160

energetic body invoke these feelings of

220

00:10:27,500 --> 00:10:25,620

anxiety and stuff that people would go

221

00:10:29,000 --> 00:10:27,510

through for PTSD well we thought well

222

00:10:31,730 --> 00:10:29,010

what if we did the opposite what if we

223

00:10:34,160 --> 00:10:31,740

invoked these loving beautiful memories

224

00:10:36,890 --> 00:10:34,170

that we haven't we just practice feeling

225

00:10:38,810 --> 00:10:36,900

them long enough over and over in our

226

00:10:41,269 --> 00:10:38,820

own special way however we wish to

227

00:10:43,790 --> 00:10:41,279

express that and we give the body a

228

00:10:47,240 --> 00:10:43,800

chance to really let that chemical

229

00:10:49,760 --> 00:10:47,250

infusion set in and if we practice that

230

00:10:52,190 --> 00:10:49,770

feeling long enough we begin to kind of

231

00:10:55,370 --> 00:10:52,200

breathe in and breathe out the sacred

232

00:10:58,070 --> 00:10:55,380

breath of life and we actually exhale

233

00:11:00,650 --> 00:10:58,080

this really pure form of i call it

234

00:11:04,160 --> 00:11:00,660

blessed kind of carbon dioxide out into

235

00:11:07,400 --> 00:11:04,170

our environment that works with the

236

00:11:09,230 --> 00:11:07,410

plans and the plans i said i always tell

237

00:11:11,090 --> 00:11:09,240

people if you can go outside and work

238

00:11:14,930 --> 00:11:11,100

with the natural environment do this at

239

00:11:17,660 --> 00:11:14,940

least try it do it if you can but again

240

00:11:20,150 --> 00:11:17,670

it works anywhere you are so basically

241

00:11:21,769 --> 00:11:20,160

you have this this really neat fun

242

00:11:23,900 --> 00:11:21,779

meditation that you can do there's no

243

00:11:26,210 --> 00:11:23,910

protocol you don't have to spend years

244

00:11:28,490 --> 00:11:26,220

and years studying with a guru or some

245

00:11:30,590 --> 00:11:28,500

you know spiritual teacher doing all of

246

00:11:32,930 --> 00:11:30,600

these different add up type things you

247

00:11:35,240 --> 00:11:32,940

can literally just sit quietly calm your

248

00:11:37,670 --> 00:11:35,250

mind and focus your mind and energy and

249

00:11:39,500 --> 00:11:37,680

attention on feeling these memories of

250

00:11:42,199 --> 00:11:39,510

love you or your body begins to

251
00:11:44,090 --> 00:11:42,209
chemically change you emanate that out

252
00:11:46,040 --> 00:11:44,100
into your physical environment and what

253
00:11:48,140 --> 00:11:46,050
it does is it actually changes the

254
00:11:50,660 --> 00:11:48,150
relationship we start to feel chemically

255
00:11:53,810 --> 00:11:50,670
even in the atmosphere with the plants

256
00:11:55,810 --> 00:11:53,820
around us this has been pretty much

257
00:11:57,890 --> 00:11:55,820
proven over the course of time

258
00:11:59,600 --> 00:11:57,900
scientifically where the lot of studies

259
00:12:02,240 --> 00:11:59,610
have been done that human emotion

260
00:12:04,310 --> 00:12:02,250
interaction thought energy that type of

261
00:12:08,270 --> 00:12:04,320
stuff can actually stimulate or inhibit

262
00:12:09,980 --> 00:12:08,280
growth within plans and so we thought

263
00:12:12,560 --> 00:12:09,990

well what if we offered this beautiful

264

00:12:12,980 --> 00:12:12,570

blessed sacred breath of life if after

265

00:12:17,590 --> 00:12:12,990

we

266

00:12:20,420 --> 00:12:17,600

long period of time you wanted and

267

00:12:23,510 --> 00:12:20,430

exhale this beautiful offering out into

268

00:12:25,970 --> 00:12:23,520

the world around us as a giveaway as a

269

00:12:29,329 --> 00:12:25,980

sing to the natural world around you i

270

00:12:33,079 --> 00:12:29,339

feel you i'm part of you i'm happy to be

271

00:12:35,900 --> 00:12:33,089

here i love being here i feel good and

272

00:12:38,570 --> 00:12:35,910

that chemical stimulus goes out and the

273

00:12:40,370 --> 00:12:38,580

plants actually react to that so then

274

00:12:43,630 --> 00:12:40,380

what we have at that point is an

275

00:12:48,560 --> 00:12:43,640

interesting phenomena we begin to a stab

276

00:12:50,930 --> 00:12:48,570

to establish a recognition a conscious

277

00:12:53,030 --> 00:12:50,940

type recognition of this interaction

278

00:12:56,269 --> 00:12:53,040

between us and the natural world around

279

00:12:58,250 --> 00:12:56,279

you you may notice some kind of

280

00:12:59,660 --> 00:12:58,260

interaction coming from animals that are

281

00:13:01,880 --> 00:12:59,670

in the room with you if you have a pet

282

00:13:04,310 --> 00:13:01,890

even your partner's if you're meditating

283

00:13:06,260 --> 00:13:04,320

with your partner or other people you'll

284

00:13:09,199 --> 00:13:06,270

start to feel kind of like a tangible

285

00:13:11,120 --> 00:13:09,209

interaction almost quantum athira cailli

286

00:13:14,329 --> 00:13:11,130

it's it's really fascinating so what we

287

00:13:17,329 --> 00:13:14,339

did was we reached out to his holiness

288

00:13:19,699 --> 00:13:17,339

the dalai lama's office and we asked for

289

00:13:22,490 --> 00:13:19,709

his blessing for our first event which

290

00:13:25,100 --> 00:13:22,500

was last year on me 18th and we got a

291

00:13:26,810 --> 00:13:25,110

response from the office and they agreed

292

00:13:29,600 --> 00:13:26,820

that he would bless our first event

293

00:13:32,720 --> 00:13:29,610

because we were doing these in the name

294

00:13:35,150 --> 00:13:32,730

of earth so we spend time traveling

295

00:13:36,710 --> 00:13:35,160

around to different places through the

296

00:13:40,970 --> 00:13:36,720

course of the year holding them at

297

00:13:42,970 --> 00:13:40,980

different times gathering people i arted

298

00:13:45,319 --> 00:13:42,980

you know some facebook events around

299

00:13:47,569 --> 00:13:45,329

people were responding on there and no

300

00:13:49,370 --> 00:13:47,579

matter where anybody tune in from i

301
00:13:52,040 --> 00:13:49,380
would mark their location if they shared

302
00:13:55,130 --> 00:13:52,050
it with me on a global map and what I

303
00:13:57,889 --> 00:13:55,140
started to do was paint these individual

304
00:14:00,769 --> 00:13:57,899
grids that went out on these very

305
00:14:03,199 --> 00:14:00,779
specific dates throughout the year to

306
00:14:05,240 --> 00:14:03,209
see what that looked like so I began to

307
00:14:08,600 --> 00:14:05,250
put them on these large canvases I do

308
00:14:10,730 --> 00:14:08,610
large wall painting canvases and it was

309
00:14:13,190 --> 00:14:10,740
a really fascinating personal journey

310
00:14:16,540 --> 00:14:13,200
for me to be able to start to get into

311
00:14:19,120 --> 00:14:16,550
it that way it was my way of creatively

312
00:14:20,600 --> 00:14:19,130
expressing the energy that I was feeling

313
00:14:22,880 --> 00:14:20,610

participating in these global

314

00:14:24,800 --> 00:14:22,890

meditations and people started to write

315

00:14:26,419 --> 00:14:24,810

in with their stories or send pictures

316

00:14:29,069 --> 00:14:26,429

and it was a really

317

00:14:32,009 --> 00:14:29,079

phenomenal type feeling to sit here and

318

00:14:33,569 --> 00:14:32,019

watch the ripple effect of all of this

319

00:14:35,999 --> 00:14:33,579

beauty that we were all together

320

00:14:39,030 --> 00:14:36,009

generating in the world and we've done

321

00:14:41,579 --> 00:14:39,040

10 as of our first anniversary on May a

322

00:14:43,710 --> 00:14:41,589

team that we just passed so now we're

323

00:14:45,389 --> 00:14:43,720

moving into the 11th global gathering

324

00:14:50,400 --> 00:14:45,399

and we're planning something really

325

00:14:53,220 --> 00:14:50,410

exciting for that awesome I I love the

326

00:14:55,350 --> 00:14:53,230

idea how when we put ourselves in a

327

00:14:58,049 --> 00:14:55,360

position of real power absolute power

328

00:15:00,569 --> 00:14:58,059

that space of love coming calling up all

329

00:15:02,910 --> 00:15:00,579

those memories of love loving experience

330

00:15:05,069 --> 00:15:02,920

in your life you're truly sitting to see

331

00:15:06,780 --> 00:15:05,079

the power Abraham Hicks says that when

332

00:15:08,579 --> 00:15:06,790

you are trying to call that what you

333

00:15:10,879 --> 00:15:08,589

want to you when you're trying to create

334

00:15:12,900 --> 00:15:10,889

something bring it about in your life

335

00:15:15,590 --> 00:15:12,910

whenever you find yourself going

336

00:15:17,759 --> 00:15:15,600

throughout your day if you find yourself

337

00:15:20,489 --> 00:15:17,769

deviating from you feel good space

338

00:15:22,710 --> 00:15:20,499

because in such a place you you really

339

00:15:24,539 --> 00:15:22,720

don't have any power what you do is you

340

00:15:26,100 --> 00:15:24,549

pull out a picture of someone you really

341

00:15:28,019 --> 00:15:26,110

love you listen to a song that really

342

00:15:31,650 --> 00:15:28,029

moves you inside so you place yourself

343

00:15:34,470 --> 00:15:31,660

in the power position of love as your

344

00:15:37,169 --> 00:15:34,480

force and therefore i love it and you

345

00:15:39,660 --> 00:15:37,179

spread around the globe the healing that

346

00:15:41,220 --> 00:15:39,670

we need when and i said this last week

347

00:15:43,109 --> 00:15:41,230

when guests come on the show in the

348

00:15:46,350 --> 00:15:43,119

center of light radio and they use the

349

00:15:47,910 --> 00:15:46,360

word love and they talk about the

350

00:15:50,669 --> 00:15:47,920

position of love i want to ask you

351

00:15:51,989 --> 00:15:50,679

Hillary what is love for you for our

352

00:15:54,359 --> 00:15:51,999

listening honest because we have a lot

353

00:15:57,119 --> 00:15:54,369

of new people coming to the center of

354

00:16:00,600 --> 00:15:57,129

light radio who are quote newbies on the

355

00:16:02,400 --> 00:16:00,610

path hungry they are but still and we

356

00:16:04,470 --> 00:16:02,410

all have an idea like you said our own

357

00:16:07,169 --> 00:16:04,480

perceptions our own interpretations of

358

00:16:10,590 --> 00:16:07,179

what love is but you being someone who

359

00:16:13,889 --> 00:16:10,600

walks the talk and has had tons of

360

00:16:16,949 --> 00:16:13,899

experiences from all the things that you

361

00:16:20,100 --> 00:16:16,959

were playing with so to speak what is

362

00:16:21,960 --> 00:16:20,110

love to you well you know in the terms

363

00:16:23,780 --> 00:16:21,970

of love breathe for Earth as I was

364

00:16:26,819 --> 00:16:23,790

talking about a little bit earlier is

365

00:16:29,519 --> 00:16:26,829

really personal to each person so you

366

00:16:32,189 --> 00:16:29,529

know my personal memories of love the

367

00:16:35,249 --> 00:16:32,199

things that I have experienced in my own

368

00:16:39,199 --> 00:16:35,259

personal life those moments with my

369

00:16:41,809 --> 00:16:39,209

partner's people i have loved my family

370

00:16:45,619 --> 00:16:41,819

you know spiritual experiences whatever

371

00:16:48,439 --> 00:16:45,629

it is that has caused an eruption of

372

00:16:51,439 --> 00:16:48,449

that emotion within me I have stored

373

00:16:53,239 --> 00:16:51,449

well in my memory system and so when I

374

00:16:55,669 --> 00:16:53,249

personally go into a love breathe for

375

00:16:57,590 --> 00:16:55,679

Earth meditation I spend time sitting

376

00:16:59,179 --> 00:16:57,600

there for a few moments reflecting on

377

00:17:02,960 --> 00:16:59,189

those moments reliving those moments

378

00:17:06,889 --> 00:17:02,970

thinking about those moments uh you know

379

00:17:09,079 --> 00:17:06,899

and and I do it until a smile forms on

380

00:17:12,799 --> 00:17:09,089

my face and that warm fuzzy feeling

381

00:17:15,169 --> 00:17:12,809

comes over me and I go into a meditative

382

00:17:18,889 --> 00:17:15,179

state and I let my body guide me through

383

00:17:21,019 --> 00:17:18,899

that so for me it really is about what

384

00:17:22,909 --> 00:17:21,029

we've set up as kind of the construct

385

00:17:24,409 --> 00:17:22,919

for love breathe for Earth is their art

386

00:17:26,210 --> 00:17:24,419

there's no protocol but you know you

387

00:17:28,100 --> 00:17:26,220

just have to kind of dig within yourself

388

00:17:30,350 --> 00:17:28,110

to really find those memories of love

389

00:17:32,210 --> 00:17:30,360

that you had and if you know some people

390

00:17:34,460 --> 00:17:32,220

come from very traumatic backgrounds or

391

00:17:36,019 --> 00:17:34,470

have had but really you know difficult

392

00:17:38,690 --> 00:17:36,029

challenging things to go through in

393

00:17:41,570 --> 00:17:38,700

their life and you can always go beyond

394

00:17:44,419 --> 00:17:41,580

that even further back to a time when

395

00:17:47,570 --> 00:17:44,429

you you know didn't have any of that

396

00:17:49,100 --> 00:17:47,580

pain yet and if that you have to go all

397

00:17:51,049 --> 00:17:49,110

the way back to the time that your child

398

00:17:54,019 --> 00:17:51,059

or an infant or toddler or something

399

00:17:56,600 --> 00:17:54,029

there's always a moment before something

400

00:17:59,389 --> 00:17:56,610

has happened to you that you can anchor

401
00:18:03,169 --> 00:17:59,399
into so I always tell people when they

402
00:18:05,960 --> 00:18:03,179
ask me that question is to try to think

403
00:18:07,460 --> 00:18:05,970
and spend some time musing on that and

404
00:18:10,430 --> 00:18:07,470
you'd be surprised some people it's

405
00:18:11,840 --> 00:18:10,440
really easy for them to do you know they

406
00:18:13,610 --> 00:18:11,850
know exactly what they love in their

407
00:18:16,010 --> 00:18:13,620
life they know what they treasure they

408
00:18:17,570 --> 00:18:16,020
know what brings them into that state of

409
00:18:19,460 --> 00:18:17,580
bliss and other people have a more

410
00:18:21,649 --> 00:18:19,470
difficult time bringing that to the

411
00:18:23,870 --> 00:18:21,659
forefront because of life experience or

412
00:18:26,169 --> 00:18:23,880
whatever they've been through and you

413
00:18:28,399 --> 00:18:26,179

know no matter what it's okay my

414

00:18:30,049 --> 00:18:28,409

experience of love me is going to be

415

00:18:33,500 --> 00:18:30,059

totally different perhaps than your

416

00:18:34,970 --> 00:18:33,510

experience of love and yet if I tell you

417

00:18:38,450 --> 00:18:34,980

well yeah Keith you got to do it my way

418

00:18:40,399 --> 00:18:38,460

as to me it's a very arrogant way of

419

00:18:41,830 --> 00:18:40,409

teaching because if you have to do it my

420

00:18:45,320 --> 00:18:41,840

way then you're not doing it your way

421

00:18:47,750 --> 00:18:45,330

your body needs you to stimulate the

422

00:18:49,760 --> 00:18:47,760

chemistry in your own system so those

423

00:18:52,730 --> 00:18:49,770

memories have to be embedded into the

424

00:18:55,310 --> 00:18:52,740

biology that you hold that is you

425

00:18:57,350 --> 00:18:55,320

eeek we always talk about this we are all

426
00:18:59,299 --> 00:18:57,360
one kind of movement going through the

427
00:19:02,120 --> 00:18:59,309
New Age industry and mind you it is a

428
00:19:07,120 --> 00:19:02,130
billion-dollar industry but when you

429
00:19:11,240 --> 00:19:07,130
forget that we each have a unique

430
00:19:13,960 --> 00:19:11,250
individual complex geometrical type

431
00:19:17,570 --> 00:19:13,970
frequency that we emanate based on our

432
00:19:21,140 --> 00:19:17,580
individual bodies our minds our emotions

433
00:19:22,669 --> 00:19:21,150
all the things that make us who we are I

434
00:19:25,910 --> 00:19:22,679
always have found it fascinating that

435
00:19:27,620 --> 00:19:25,920
human beings are basically like but yet

436
00:19:29,900 --> 00:19:27,630
why do we always manifest is completely

437
00:19:32,169 --> 00:19:29,910
different unless we're biological twins

438
00:19:36,049 --> 00:19:32,179

or we have some kind of biological

439

00:19:40,600 --> 00:19:36,059

counterpart like that if we were so men

440

00:19:43,040 --> 00:19:40,610

to become one big solid moving entity of

441

00:19:45,080 --> 00:19:43,050

consciousness then we would not have

442

00:19:47,210 --> 00:19:45,090

been given our unique individual

443

00:19:49,940 --> 00:19:47,220

blueprints which we all fulfill in our

444

00:19:53,960 --> 00:19:49,950

own way so we each bring a unique

445

00:19:55,700 --> 00:19:53,970

vibration to the harmonic scale of this

446

00:19:58,870 --> 00:19:55,710

world called you know higher

447

00:20:01,760 --> 00:19:58,880

consciousness and the better we are at

448

00:20:04,160 --> 00:20:01,770

fine-tuning that individual frequency

449

00:20:08,030 --> 00:20:04,170

within ourselves then the more effective

450

00:20:11,060 --> 00:20:08,040

we are in drawing that to you know that

451

00:20:12,770 --> 00:20:11,070

piece to us or that feeling of whatever

452

00:20:14,030 --> 00:20:12,780

it is we're looking for because what I'm

453

00:20:15,760 --> 00:20:14,040

looking for is not going to be what

454

00:20:18,140 --> 00:20:15,770

you're looking for vice versa

455

00:20:20,690 --> 00:20:18,150

necessarily we all have these individual

456

00:20:23,450 --> 00:20:20,700

fates and destinies and we're all on a

457

00:20:25,220 --> 00:20:23,460

path of our own but yet every now and

458

00:20:27,620 --> 00:20:25,230

then we share it together with people or

459

00:20:29,150 --> 00:20:27,630

we come across people that we spend some

460

00:20:31,100 --> 00:20:29,160

time here and then we move on to

461

00:20:34,460 --> 00:20:31,110

something else there is always a reason

462

00:20:37,040 --> 00:20:34,470

why we never stay put in one situation

463

00:20:40,520 --> 00:20:37,050

for too long we always have to change it

464

00:20:42,350 --> 00:20:40,530

either dynamically or literally you know

465

00:20:44,720 --> 00:20:42,360

there's always some kind of element that

466

00:20:46,820 --> 00:20:44,730

we need to have filtering through our

467

00:20:48,950 --> 00:20:46,830

experiences and that's what ultimate

468

00:20:52,280 --> 00:20:48,960

leads ultimately leads to the

469

00:20:55,220 --> 00:20:52,290

transformation process yeah and we do

470

00:20:57,350 --> 00:20:55,230

have individual wants individual pass

471

00:21:00,380 --> 00:20:57,360

but there is a collective path and I

472

00:21:02,390 --> 00:21:00,390

think we all quote want the same path

473

00:21:06,109 --> 00:21:02,400

collectively where everyone can have

474

00:21:08,359 --> 00:21:06,119

what they want and to be left alone

475

00:21:11,059 --> 00:21:08,369

be happy to be blissful but yet we all

476

00:21:13,549 --> 00:21:11,069

share and support each other and our own

477

00:21:15,139 --> 00:21:13,559

individual personal experience and I

478

00:21:17,179 --> 00:21:15,149

think that's the prophecy of heaven on

479

00:21:18,739 --> 00:21:17,189

earth is that you know you get to do

480

00:21:21,079 --> 00:21:18,749

what you want with who you want forever

481

00:21:23,739 --> 00:21:21,089

how long and nobody ever has anything to

482

00:21:25,519 --> 00:21:23,749

say to you about it I recently did some

483

00:21:27,949 --> 00:21:25,529

counseling work with a friend of mine

484

00:21:30,829 --> 00:21:27,959

and was sharing with her the power of

485

00:21:32,089 --> 00:21:30,839

creating an altar in your home and she

486

00:21:34,009 --> 00:21:32,099

said well what should I put on their

487

00:21:36,499 --> 00:21:34,019

pictures of Jesus pictures of the Dalai

488

00:21:39,319 --> 00:21:36,509

Lama so do you feel powerful looking at

489

00:21:40,609 --> 00:21:39,329

these particular pictures of deities she

490

00:21:42,709 --> 00:21:40,619

said what you have for the most part I

491

00:21:44,779 --> 00:21:42,719

said well for the most part find those

492

00:21:47,089 --> 00:21:44,789

things that make you powerful pictures

493

00:21:48,379 --> 00:21:47,099

of your children so forth a gift that

494

00:21:50,029 --> 00:21:48,389

someone gave you that was so

495

00:21:53,419 --> 00:21:50,039

heartwarming it made you cry and

496

00:21:56,569 --> 00:21:53,429

therefore and the like and I said these

497

00:21:59,299 --> 00:21:56,579

or your your power tools I mean when you

498

00:22:01,099 --> 00:21:59,309

see this on your altar all these things

499

00:22:04,159 --> 00:22:01,109

are being taken in you actually get to

500

00:22:06,739 --> 00:22:04,169

experience all those different facets of

501
00:22:11,479 --> 00:22:06,749
love that you have had in your life at

502
00:22:13,729 --> 00:22:11,489
one time or another so I really can see

503
00:22:16,219 --> 00:22:13,739
the power and the effectiveness in love

504
00:22:19,069 --> 00:22:16,229
breath for Earth um you you said you had

505
00:22:20,779 --> 00:22:19,079
10 of these gatherings so far yes yeah

506
00:22:23,869 --> 00:22:20,789
we just sell it we just celebrated our

507
00:22:26,749 --> 00:22:23,879
tenth gathering on me up mei 18 we just

508
00:22:29,509 --> 00:22:26,759
passed our first birthday how was it how

509
00:22:31,459 --> 00:22:29,519
was the tournelle well we had a lot of

510
00:22:33,649 --> 00:22:31,469
people join in from different places

511
00:22:36,049 --> 00:22:33,659
they wrote in we have some people who

512
00:22:38,059 --> 00:22:36,059
have done every single one we have

513
00:22:40,189 --> 00:22:38,069

others who've come and gone who've you

514

00:22:42,019 --> 00:22:40,199

know done one or two or you know however

515

00:22:45,229 --> 00:22:42,029

many whatever many there they're called

516

00:22:47,209 --> 00:22:45,239

to the ones that have joined us since

517

00:22:48,679 --> 00:22:47,219

the beginning you know are in various

518

00:22:51,229 --> 00:22:48,689

places around the world we had somebody

519

00:22:54,109 --> 00:22:51,239

in you know the UK we had somebody in

520

00:22:55,909 --> 00:22:54,119

Iceland we had somebody wait and whether

521

00:22:58,099 --> 00:22:55,919

it's one person two people 10 people

522

00:23:00,229 --> 00:22:58,109

hundred people we don't we don't

523

00:23:02,059 --> 00:23:00,239

differentiate between the size of the

524

00:23:04,489 --> 00:23:02,069

group getting together we just were

525

00:23:07,489 --> 00:23:04,499

quite the location because we feel that

526
00:23:11,329 --> 00:23:07,499
the minute one person makes the intent

527
00:23:13,369 --> 00:23:11,339
to join in together and that's exactly

528
00:23:16,219 --> 00:23:13,379
where you just you know mentioned how

529
00:23:18,589 --> 00:23:16,229
the collective path happens when we all

530
00:23:19,940 --> 00:23:18,599
intentionally gather and we do it on a

531
00:23:22,970 --> 00:23:19,950
particular day

532
00:23:24,620 --> 00:23:22,980
and we always do 1pm all time zones so

533
00:23:28,310 --> 00:23:24,630
there's a ripple effect that goes around

534
00:23:31,129 --> 00:23:28,320
the planet because we feel that there is

535
00:23:33,200 --> 00:23:31,139
something to gathering and doing it

536
00:23:35,750 --> 00:23:33,210
together and then there is something to

537
00:23:39,649 --> 00:23:35,760
doing it every day on your own in your

538
00:23:42,620 --> 00:23:39,659

own way love breathe for Earth really

539

00:23:46,430 --> 00:23:42,630

has the the intention of teaching people

540

00:23:48,620 --> 00:23:46,440

how to communicate and practice the

541

00:23:51,230 --> 00:23:48,630

reciprocal relationship with the natural

542

00:23:53,210 --> 00:23:51,240

world and the reason one of the one of

543

00:23:55,100 --> 00:23:53,220

the reasons that this started was not

544

00:23:58,399 --> 00:23:55,110

just the trip that my sister and I had

545

00:24:00,740 --> 00:23:58,409

taken in the words that we had seen that

546

00:24:03,740 --> 00:24:00,750

previous fall I had studied the voynich

547

00:24:05,539 --> 00:24:03,750

manuscript at Yale University and I had

548

00:24:07,789 --> 00:24:05,549

gotten special permission to go in and

549

00:24:10,730 --> 00:24:07,799

sit down with the manuscript and study

550

00:24:12,350 --> 00:24:10,740

it and I had a fascination for this

551
00:24:14,149 --> 00:24:12,360
manuscript and for people who are not

552
00:24:17,419 --> 00:24:14,159
familiar with what the voynich

553
00:24:20,149 --> 00:24:17,429
manuscript is it is a book that was

554
00:24:22,159 --> 00:24:20,159
found in a castle in France and it was

555
00:24:24,710 --> 00:24:22,169
gone into the hands of a rare book

556
00:24:27,320 --> 00:24:24,720
dealer made its way to London and then

557
00:24:29,509 --> 00:24:27,330
it kind of did the circuit through some

558
00:24:32,000 --> 00:24:29,519
really interesting people had their

559
00:24:34,519 --> 00:24:32,010
hands on this book it is written in a

560
00:24:36,860 --> 00:24:34,529
language that is not decipherable as of

561
00:24:39,500 --> 00:24:36,870
today they have had many many people

562
00:24:41,600 --> 00:24:39,510
look at it many language experts they'd

563
00:24:43,250 --> 00:24:41,610

have decided you know they have

564

00:24:45,440 --> 00:24:43,260

confirmed that it is an actual language

565

00:24:48,440 --> 00:24:45,450

they just can't decipher it so they say

566

00:24:51,080 --> 00:24:48,450

but it's a book on medicinal plants

567

00:24:53,389 --> 00:24:51,090

power plants it's a book on plants and

568

00:24:55,639 --> 00:24:53,399

it shows their individual

569

00:24:58,759 --> 00:24:55,649

characteristics in fine detail it talks

570

00:25:01,210 --> 00:24:58,769

about recipes how to mix them it's an

571

00:25:03,889 --> 00:25:01,220

outcome you know it's an alchemical type

572

00:25:05,629 --> 00:25:03,899

magic book they have star charts and

573

00:25:08,180 --> 00:25:05,639

they're all kinds of really different

574

00:25:10,850 --> 00:25:08,190

interesting things they show people

575

00:25:13,370 --> 00:25:10,860

doing ceremony around the wheel

576

00:25:16,370 --> 00:25:13,380

different it looks like it appears to to

577

00:25:20,690 --> 00:25:16,380

say different times it almost has what

578

00:25:22,789 --> 00:25:20,700

could be microscopic plant sections of

579

00:25:25,940 --> 00:25:22,799

the plan to really show the inner

580

00:25:27,889 --> 00:25:25,950

workings of the plan and one of the one

581

00:25:29,450 --> 00:25:27,899

of the plans that they have been able to

582

00:25:32,149 --> 00:25:29,460

identify because they've only been able

583

00:25:33,779 --> 00:25:32,159

to identify handful is the cannabis

584

00:25:37,109 --> 00:25:33,789

plant so when I found

585

00:25:40,609 --> 00:25:37,119

the kanima I didn't find it in there but

586

00:25:42,840 --> 00:25:40,619

when I saw it um I found that really

587

00:25:46,349 --> 00:25:42,850

fascinating so that's really what

588

00:25:49,080 --> 00:25:46,359

sparked my journey into you know

589

00:25:51,419 --> 00:25:49,090

bringing this forward so I was working

590

00:25:54,299 --> 00:25:51,429

with a collective in California we had

591

00:25:56,099 --> 00:25:54,309

set up a room where they would apply

592

00:25:58,049 --> 00:25:56,109

some of the techniques that you know I

593

00:26:00,389 --> 00:25:58,059

was kind of decoding out of this

594

00:26:01,859 --> 00:26:00,399

manuscript and they applied it to the

595

00:26:04,109 --> 00:26:01,869

cannabis plant so they had a grow room

596

00:26:05,310 --> 00:26:04,119

being you know kind of like a control

597

00:26:07,349 --> 00:26:05,320

room where they didn't do anything

598

00:26:09,690 --> 00:26:07,359

different and you know they just kind of

599

00:26:12,210 --> 00:26:09,700

grew the cannabis plant the way they

600

00:26:14,399 --> 00:26:12,220

would normally grow it and then we had a

601
00:26:18,080 --> 00:26:14,409
second room where we had plants in there

602
00:26:21,839 --> 00:26:18,090
and we were applying techniques that

603
00:26:23,700 --> 00:26:21,849
absolutely it proved i mean the room

604
00:26:26,279 --> 00:26:23,710
growth difference the yield was the

605
00:26:27,989 --> 00:26:26,289
yield difference was amazing it looked

606
00:26:29,430 --> 00:26:27,999
like a jungle in that room and the other

607
00:26:31,379 --> 00:26:29,440
room just looked like a typical grow

608
00:26:33,599 --> 00:26:31,389
room where the plants get to be so high

609
00:26:37,560 --> 00:26:33,609
and that's it so what we discovered was

610
00:26:40,710 --> 00:26:37,570
there was this tremendous interaction

611
00:26:42,180 --> 00:26:40,720
between the human body and the cannabis

612
00:26:44,639 --> 00:26:42,190
plant and this is what the voynich

613
00:26:46,739 --> 00:26:44,649

manuscript was describing I was writing

614

00:26:48,690 --> 00:26:46,749

a book on this and I was going to come

615

00:26:49,919 --> 00:26:48,700

out excuse me Hillary scared you said

616

00:26:51,930 --> 00:26:49,929

this is what the manuscript was

617

00:26:54,029 --> 00:26:51,940

describing did you were you able to

618

00:26:57,029 --> 00:26:54,039

decipher at least that much of it or

619

00:27:00,379 --> 00:26:57,039

this will all pictorial and my own

620

00:27:03,450 --> 00:27:00,389

intuitive translation actually I just

621

00:27:05,969 --> 00:27:03,460

told in the book it's not a just it's

622

00:27:08,999 --> 00:27:05,979

not a translated book I've written a

623

00:27:12,989 --> 00:27:09,009

couple articles on some of the things

624

00:27:14,549 --> 00:27:12,999

that I have you know intuitively felt as

625

00:27:16,619 --> 00:27:14,559

I was going through the manuscript as a

626

00:27:18,060 --> 00:27:16,629

clairvoyant as a psychic I work in the

627

00:27:20,549 --> 00:27:18,070

world and that's what I do with who I am

628

00:27:23,580 --> 00:27:20,559

so when I when I touch things or I get

629

00:27:25,739 --> 00:27:23,590

into things different concepts I can

630

00:27:27,930 --> 00:27:25,749

intuitively travel through it and you

631

00:27:29,879 --> 00:27:27,940

know pretty easy so if something catches

632

00:27:32,729 --> 00:27:29,889

my attention i'm able to dig and dig and

633

00:27:33,919 --> 00:27:32,739

dig and I I kind of you know get a

634

00:27:36,200 --> 00:27:33,929

little obsessed

635

00:27:37,970 --> 00:27:36,210

yeah but this was really fascinating to

636

00:27:41,359 --> 00:27:37,980

me and when we and when I took some of

637

00:27:44,440 --> 00:27:41,369

the intuitive impressions that I was

638

00:27:46,909 --> 00:27:44,450

getting from the book itself and

639

00:27:49,749 --> 00:27:46,919

intuitively applied them to this

640

00:27:52,009 --> 00:27:49,759

cannabis experiment it was really

641

00:27:54,320 --> 00:27:52,019

fascinating to me and I'm like how can I

642

00:27:56,299 --> 00:27:54,330

publish this well how can I say you know

643

00:28:01,070 --> 00:27:56,309

what's happening here I when I went to

644

00:28:03,139 --> 00:28:01,080

egypt in june for another our second

645

00:28:05,330 --> 00:28:03,149

love breathe for Earth meditation I did

646

00:28:07,700 --> 00:28:05,340

from Cairo I got on a plane and flew to

647

00:28:10,220 --> 00:28:07,710

Cairo and did it from inside the King's

648

00:28:13,460 --> 00:28:10,230

Chamber I had two people show up menna

649

00:28:15,859 --> 00:28:13,470

how the quantum researcher John Riley

650

00:28:19,039 --> 00:28:15,869

showed up along with one of his lovely

651
00:28:20,600 --> 00:28:19,049
beautiful people who had come on to one

652
00:28:23,509 --> 00:28:20,610
of his tours that he just been on this

653
00:28:25,330 --> 00:28:23,519
woman Barbara sweet sweet woman and we

654
00:28:28,940 --> 00:28:25,340
had this really phenomenal experience

655
00:28:30,139 --> 00:28:28,950
inside of the Great Pyramid when we did

656
00:28:33,279 --> 00:28:30,149
our second love breathe for Earth

657
00:28:36,830 --> 00:28:33,289
meditation and I had had a meeting with

658
00:28:38,810 --> 00:28:36,840
somebody who was a cannabis grower in

659
00:28:41,779 --> 00:28:38,820
four different countries there and we

660
00:28:43,609 --> 00:28:41,789
got into a conversation about what I had

661
00:28:46,060 --> 00:28:43,619
been working on with the voynich

662
00:28:48,739 --> 00:28:46,070
manuscript and he was so fascinated by

663
00:28:51,129 --> 00:28:48,749

what I was telling him that he actually

664

00:28:55,999 --> 00:28:51,139

started to apply some of the techniques

665

00:28:59,299 --> 00:28:56,009

and had taught some of his growers how

666

00:29:02,149 --> 00:28:59,309

to do what I was doing and the feedback

667

00:29:04,100 --> 00:29:02,159

has been phenomenal so I'm trying to

668

00:29:06,590 --> 00:29:04,110

figure out a way that I can come out and

669

00:29:07,940 --> 00:29:06,600

really do this and I think I think the

670

00:29:10,159 --> 00:29:07,950

best thing for me to do with this

671

00:29:11,690 --> 00:29:10,169

information is just to kind of teach it

672

00:29:13,519 --> 00:29:11,700

you know one-on-one and talk to people

673

00:29:15,200 --> 00:29:13,529

who actually grow and kind of do it that

674

00:29:17,359 --> 00:29:15,210

way instead of do a book and put it all

675

00:29:20,720 --> 00:29:17,369

out there for everybody because once you

676
00:29:24,739 --> 00:29:20,730
start to activate the entire plant of

677
00:29:27,109 --> 00:29:24,749
cannabis you begin to create a kind of

678
00:29:30,769 --> 00:29:27,119
evolved consciousness within the plant

679
00:29:32,629 --> 00:29:30,779
and as you work with it as a medicine

680
00:29:35,509 --> 00:29:32,639
plant because that's really what it is

681
00:29:38,060 --> 00:29:35,519
it's not really a social type of you

682
00:29:40,129 --> 00:29:38,070
know we have this dirty shame type thing

683
00:29:41,930 --> 00:29:40,139
in this country which we have yes and

684
00:29:44,749 --> 00:29:41,940
you know everybody's going through this

685
00:29:46,770 --> 00:29:44,759
world uprising because some states are

686
00:29:48,300 --> 00:29:46,780
making it legal and everybody

687
00:29:51,030 --> 00:29:48,310
wants to figure out how to put the reins

688
00:29:53,520 --> 00:29:51,040

on it to really control it so that they

689

00:29:56,460 --> 00:29:53,530

can make taxes off it but also so that

690

00:29:59,190 --> 00:29:56,470

they can control the the level of

691

00:30:01,470 --> 00:29:59,200

consciousness that the plant can open

692

00:30:04,350 --> 00:30:01,480

because once you unleash the power of

693

00:30:06,420 --> 00:30:04,360

the cannabis plant you are talking about

694

00:30:10,320 --> 00:30:06,430

unleashing the potential of the human

695

00:30:12,540 --> 00:30:10,330

conscious mind and once you do that and

696

00:30:14,280 --> 00:30:12,550

you actually have people who know what

697

00:30:17,160 --> 00:30:14,290

they're doing with that plant as a

698

00:30:18,870 --> 00:30:17,170

medicine plan not just a hey you got a

699

00:30:21,030 --> 00:30:18,880

forty-dollar dimebag kind of thing it's

700

00:30:23,910 --> 00:30:21,040

like it you changed people's

701

00:30:26,220 --> 00:30:23,920

relationship with how they use it and if

702

00:30:28,380 --> 00:30:26,230

you apply these techniques in your

703

00:30:30,570 --> 00:30:28,390

meditative practices with the plan and

704

00:30:34,320 --> 00:30:30,580

you go into that so you actually have

705

00:30:38,550 --> 00:30:34,330

you have an opportunity to awaken

706

00:30:40,950 --> 00:30:38,560

different aspects of the human potential

707

00:30:42,180 --> 00:30:40,960

and so I really think what's happening

708

00:30:43,950 --> 00:30:42,190

is the government's trying to kind of

709

00:30:46,620 --> 00:30:43,960

figure out a way to keep the lid on that

710

00:30:48,360 --> 00:30:46,630

but yet make all the tax money they need

711

00:30:50,280 --> 00:30:48,370

because once it's going to become like

712

00:30:51,630 --> 00:30:50,290

alcohol I mean in probably in my

713

00:30:54,630 --> 00:30:51,640

children's generation we're going to

714

00:30:56,610 --> 00:30:54,640

have some kind of massive opening and

715

00:30:58,680 --> 00:30:56,620

it'll be just like you have can get

716

00:31:00,480 --> 00:30:58,690

alcohol now I mean if you remember when

717

00:31:02,790 --> 00:31:00,490

alcohol was illegal it was just crazy

718

00:31:06,360 --> 00:31:02,800

thing you can go to jail for Huddle's

719

00:31:08,340 --> 00:31:06,370

and you know too many people stand too

720

00:31:11,160 --> 00:31:08,350

many big wig stand to lose too much

721

00:31:12,870 --> 00:31:11,170

before they would ever allow that egg to

722

00:31:14,730 --> 00:31:12,880

be cracked open and freely float about

723

00:31:16,260 --> 00:31:14,740

Hillary we are at the bottom of the AMA

724

00:31:18,570 --> 00:31:16,270

would you give out your contact

725

00:31:20,700 --> 00:31:18,580

information to listening audience sure I

726

00:31:23,040 --> 00:31:20,710

do phone sessions for people who are

727

00:31:25,200 --> 00:31:23,050

interested in having reading with me you

728

00:31:31,470 --> 00:31:25,210

can reach me on my website Hillary remo

729

00:31:33,210 --> 00:31:31,480

calm H illaa ry Rai mo calm you can

730

00:31:35,820 --> 00:31:33,220

contact me through my website that's the

731

00:31:38,370 --> 00:31:35,830

best place to reach me is has this

732

00:31:40,500 --> 00:31:38,380

manuscript been guesstimated of the date

733

00:31:43,050 --> 00:31:40,510

has it been carbon-dated is there any

734

00:31:46,560 --> 00:31:43,060

speculation who brought this thing um

735

00:31:47,880 --> 00:31:46,570

here there's a lot of speculation a lot

736

00:31:51,000 --> 00:31:47,890

of people have done a lot of really good

737

00:31:53,310 --> 00:31:51,010

work on trying to speculate that you can

738

00:31:55,440 --> 00:31:53,320

google voyage manuscript and you can

739

00:32:00,610 --> 00:31:55,450

find all kinds of stuff josh build up

740

00:32:02,799 --> 00:32:00,620

please sure via why and i CH Voynich

741

00:32:06,640 --> 00:32:02,809

voice at it's named after the man who

742

00:32:09,010 --> 00:32:06,650

found it in France they it's gone

743

00:32:11,470 --> 00:32:09,020

through a series of testing they have

744

00:32:14,530 --> 00:32:11,480

pretty much determined that this book

745

00:32:17,530 --> 00:32:14,540

itself comes from medieval 14 15th

746

00:32:20,230 --> 00:32:17,540

century however having looked at the

747

00:32:22,630 --> 00:32:20,240

book myself and and and personally you

748

00:32:25,690 --> 00:32:22,640

know touched it with my hand it does it

749

00:32:28,720 --> 00:32:25,700

does feel has a feeling of being like a

750

00:32:31,210 --> 00:32:28,730

copy of a book or somebody was taught

751

00:32:33,310 --> 00:32:31,220

this information and kind of wrote it

752

00:32:37,810 --> 00:32:33,320

out in like a journal so it's got some

753

00:32:40,240 --> 00:32:37,820

very primitive type sketching on there

754

00:32:42,070 --> 00:32:40,250

it's got some interesting really really

755

00:32:44,590 --> 00:32:42,080

interesting sketching in some of the

756

00:32:47,980 --> 00:32:44,600

plant descriptions has some side notes

757

00:32:50,500 --> 00:32:47,990

it also shows women in some kind of

758

00:32:54,040 --> 00:32:50,510

green liquid and I really believe that's

759

00:32:56,560 --> 00:32:54,050

a kind of a cannabis anointing oil that

760

00:32:58,360 --> 00:32:56,570

day were able to kind of pull out of

761

00:33:00,490 --> 00:32:58,370

some of the fines or maybe even some

762

00:33:02,020 --> 00:33:00,500

other kind of anointing oil because

763

00:33:04,090 --> 00:33:02,030

they're all bathing in it and they seem

764

00:33:06,940 --> 00:33:04,100

to be kind of you know moving through

765

00:33:08,650 --> 00:33:06,950

look like either arteries or stems or

766

00:33:11,020 --> 00:33:08,660

some kind of wormhole tunnels it's

767

00:33:14,560 --> 00:33:11,030

pretty fascinating does does the writing

768

00:33:17,530 --> 00:33:14,570

look a script like or is it more glyph

769

00:33:20,260 --> 00:33:17,540

like it definitely looks more script

770

00:33:24,820 --> 00:33:20,270

like so this is definitely a product of

771

00:33:27,940 --> 00:33:24,830

Earth from your impressions yeah i mean

772

00:33:30,700 --> 00:33:27,950

i don't i have questioned that because

773

00:33:33,490 --> 00:33:30,710

when i've seen the writing you know we

774

00:33:36,700 --> 00:33:33,500

how do we really know what kind of

775

00:33:38,620 --> 00:33:36,710

script comes from another planet if we

776

00:33:41,230 --> 00:33:38,630

went to another planet i mean we would

777

00:33:43,240 --> 00:33:41,240

draw and cursive and print and you know

778

00:33:45,790 --> 00:33:43,250

we have all kinds of different languages

779

00:33:48,070 --> 00:33:45,800

on our planet so if we were to go on to

780

00:33:50,260 --> 00:33:48,080

another planet i mean which language

781

00:33:53,500 --> 00:33:50,270

would we teach them we would have many

782

00:33:55,419 --> 00:33:53,510

to choose from so i always say if you're

783

00:33:57,730 --> 00:33:55,429

going to kind of think about other

784

00:34:00,340 --> 00:33:57,740

worlds other planets other life forms

785

00:34:02,350 --> 00:34:00,350

then it's best to say well we have this

786

00:34:04,360 --> 00:34:02,360

here so you know the fact that it could

787

00:34:07,360 --> 00:34:04,370

be somewhere else is a big big

788

00:34:09,849 --> 00:34:07,370

possibility especially if the human you

789

00:34:11,409 --> 00:34:09,859

know genome is not just a loan on planet

790

00:34:13,629 --> 00:34:11,419

earth it's floated out there are some

791

00:34:14,470 --> 00:34:13,639

place else of course it's it's going to

792

00:34:18,340 --> 00:34:14,480

show up

793

00:34:21,909 --> 00:34:18,350

but I have had the feeling on some level

794

00:34:24,700 --> 00:34:21,919

that the knowledge the knowledge of the

795

00:34:26,260 --> 00:34:24,710

plan medicine you know it's almost like

796

00:34:27,669 --> 00:34:26,270

it could be kind of a collection of

797

00:34:30,010 --> 00:34:27,679

different plans from different worlds

798

00:34:37,629 --> 00:34:30,020

it's really it's really got a beautiful

799

00:34:39,490 --> 00:34:37,639

star feeling in that sense hmm I am

800

00:34:43,419 --> 00:34:39,500

interesting such things in this book

801
00:34:46,450 --> 00:34:43,429
only is about the medicine of plant

802
00:34:48,940 --> 00:34:46,460
correct who's right I mean there's

803
00:34:51,310 --> 00:34:48,950
there's a plant section in the book but

804
00:34:54,280 --> 00:34:51,320
then it goes into some ceremonial you

805
00:34:56,830 --> 00:34:54,290
have people you know in circles and you

806
00:34:59,109 --> 00:34:56,840
have different star glyphs and stuff

807
00:35:00,490 --> 00:34:59,119
like that happening so really I mean

808
00:35:04,720 --> 00:35:00,500
there's there's a bunch of different

809
00:35:06,670 --> 00:35:04,730
sections in there tell me about this

810
00:35:10,230 --> 00:35:06,680
journey you're about to make towards

811
00:35:13,000 --> 00:35:10,240
France tell me what you're doing there I

812
00:35:17,859 --> 00:35:13,010
leave a week from today I'll be honest I

813
00:35:21,370 --> 00:35:17,869

can i go i strap my mic sorry add the

814

00:35:24,040 --> 00:35:21,380

sound guys gonna be mad at me um I'm in

815

00:35:26,500 --> 00:35:24,050

kind of a makeshift setup thing it's a

816

00:35:30,490 --> 00:35:26,510

holiday weekend here so I'm kind of

817

00:35:32,830 --> 00:35:30,500

doing the best I can anyway I'm sorry

818

00:35:34,990 --> 00:35:32,840

what was your question Keith what's

819

00:35:36,359 --> 00:35:35,000

gonna happen with you in your trip to

820

00:35:40,390 --> 00:35:36,369

France what are you doing there Oh

821

00:35:43,840 --> 00:35:40,400

France yeah um well France came up for

822

00:35:46,930 --> 00:35:43,850

me over the winter solstice last year

823

00:35:49,330 --> 00:35:46,940

and a friend of mine who's a brilliantly

824

00:35:52,810 --> 00:35:49,340

gifted artist her name is Stacy Lafleur

825

00:35:55,180 --> 00:35:52,820

and she she says well you know I'm going

826
00:35:56,859 --> 00:35:55,190
on this artist residency and do you want

827
00:36:00,070 --> 00:35:56,869
to come with me and I said well let me

828
00:36:02,530 --> 00:36:00,080
apply and see if I get in and so I did I

829
00:36:04,180 --> 00:36:02,540
applied and I told the woman who was in

830
00:36:06,490 --> 00:36:04,190
charge of you know accepting these

831
00:36:09,130 --> 00:36:06,500
applications I told her the story of

832
00:36:12,010 --> 00:36:09,140
love breathe for Earth and how we had

833
00:36:13,330 --> 00:36:12,020
done these and I had painted this series

834
00:36:15,720 --> 00:36:13,340
that went along with these global

835
00:36:18,970 --> 00:36:15,730
meditations and each place that we went

836
00:36:20,950 --> 00:36:18,980
had some significance in a story to it

837
00:36:23,710 --> 00:36:20,960
and so we were kind of weaving the

838
00:36:26,290 --> 00:36:23,720

healing of generational healing into the

839

00:36:28,319 --> 00:36:26,300

story we were doing all of this and I

840

00:36:32,979 --> 00:36:28,329

wanted to bring

841

00:36:34,569 --> 00:36:32,989

the concept to this area two friends

842

00:36:35,739 --> 00:36:34,579

I've never been in to stay like I've

843

00:36:37,120 --> 00:36:35,749

been I've flown through it but I've

844

00:36:40,420 --> 00:36:37,130

never actually been to France this was

845

00:36:42,640 --> 00:36:40,430

my first time and she loved the story so

846

00:36:44,710 --> 00:36:42,650

much that she you know she looked at my

847

00:36:47,769 --> 00:36:44,720

work and she agreed to have you know she

848

00:36:49,690 --> 00:36:47,779

accepted my application and so it was my

849

00:36:52,329 --> 00:36:49,700

first artist residency and I said well

850

00:36:54,309 --> 00:36:52,339

I'm going to do this magdalen series and

851
00:36:55,960 --> 00:36:54,319
I'm going to paint the Magdalene portals

852
00:36:58,930 --> 00:36:55,970
and so I was working on kind of getting

853
00:37:01,239 --> 00:36:58,940
into that zone and something just wasn't

854
00:37:03,970 --> 00:37:01,249
quite clicking and then I had this

855
00:37:05,890 --> 00:37:03,980
wonderful conversation with her and she

856
00:37:08,650 --> 00:37:05,900
says well you know you know where you're

857
00:37:11,339 --> 00:37:08,660
staying where we are is really the black

858
00:37:14,739 --> 00:37:11,349
madonna it's the black virgin and she

859
00:37:16,569 --> 00:37:14,749
was really rampant here and Magdalene

860
00:37:19,029 --> 00:37:16,579
was more south but some people believe

861
00:37:21,460 --> 00:37:19,039
the Magdalene was actually depicted as

862
00:37:23,650 --> 00:37:21,470
the black madonna as her story evolved

863
00:37:25,359 --> 00:37:23,660

so there's some some schools of thought

864

00:37:27,339 --> 00:37:25,369

that say the black madonna the black

865

00:37:30,069 --> 00:37:27,349

version and Magdalene were the same

866

00:37:32,829 --> 00:37:30,079

person that it was a story that evolved

867

00:37:35,259 --> 00:37:32,839

and some people don't agree with that so

868

00:37:37,690 --> 00:37:35,269

I'm interested to see the sights for

869

00:37:41,410 --> 00:37:37,700

myself because I've never experienced

870

00:37:43,299 --> 00:37:41,420

them before and to feel bad and then to

871

00:37:46,390 --> 00:37:43,309

do a love breathe for Earth meditation

872

00:37:48,489 --> 00:37:46,400

from France and have you know us

873

00:37:50,319 --> 00:37:48,499

anchored there and some in the black

874

00:37:52,900 --> 00:37:50,329

madonna sites and see what see what

875

00:37:55,210 --> 00:37:52,910

shows up in the world so we also track

876

00:37:57,670 --> 00:37:55,220

after we have our meditations we track

877

00:37:59,739 --> 00:37:57,680

some of the current headlines we watch

878

00:38:02,589 --> 00:37:59,749

the weather patterns we see what kind of

879

00:38:04,089 --> 00:38:02,599

shifts might take place and and its

880

00:38:07,410 --> 00:38:04,099

really interesting so we've spent the

881

00:38:10,809 --> 00:38:07,420

last year doing a living experiential

882

00:38:12,759 --> 00:38:10,819

hypothesis to my work my previous work

883

00:38:14,979 --> 00:38:12,769

with the voynich manuscript I said well

884

00:38:17,410 --> 00:38:14,989

what happens if i take some of the

885

00:38:20,049 --> 00:38:17,420

concepts that i've discovered with the

886

00:38:21,789 --> 00:38:20,059

cannabis plant and i apply them on a big

887

00:38:23,349 --> 00:38:21,799

scale and people go out and start

888

00:38:24,670 --> 00:38:23,359

working with the woods or they start

889

00:38:26,859 --> 00:38:24,680

working with the flowers in their

890

00:38:30,549 --> 00:38:26,869

backyard or they start working with all

891

00:38:32,529 --> 00:38:30,559

plans you know and what's happened is we

892

00:38:34,870 --> 00:38:32,539

have had a lot of feedback from people

893

00:38:36,849 --> 00:38:34,880

you know sharing all kinds of really

894

00:38:38,920 --> 00:38:36,859

beautiful stories and you can go to love

895

00:38:40,600 --> 00:38:38,930

breathe for Earth on Facebook and join

896

00:38:41,890 --> 00:38:40,610

our community and

897

00:38:43,990 --> 00:38:41,900

share your stories and your pictures we

898

00:38:46,060 --> 00:38:44,000

have kids doing it so it's really

899

00:38:48,940 --> 00:38:46,070

exciting so we have I have this France

900

00:38:51,520 --> 00:38:48,950

this moment in time coming up where I'm

901
00:38:54,940 --> 00:38:51,530
going to immerse myself into those

902
00:38:56,790 --> 00:38:54,950
energies and see where it takes us after

903
00:38:59,020 --> 00:38:56,800
we did last year after we did Cairo

904
00:39:01,060 --> 00:38:59,030
there were people anchored all over the

905
00:39:03,340 --> 00:39:01,070
world and i was in cairo we went to

906
00:39:07,780 --> 00:39:03,350
Louisiana in August to work with the

907
00:39:10,540 --> 00:39:07,790
swamps ma home yeah whoa the swamps hold

908
00:39:13,030 --> 00:39:10,550
the largest funghi and it been the

909
00:39:15,490 --> 00:39:13,040
funding in the swamps is considered the

910
00:39:17,980 --> 00:39:15,500
internet you know information highway of

911
00:39:20,020 --> 00:39:17,990
the plant system so when you go into the

912
00:39:22,210 --> 00:39:20,030
swamp fun G is actually what's been

913
00:39:24,790 --> 00:39:22,220

discovered to be in the ground can you

914

00:39:28,600 --> 00:39:24,800

up that help plants communicate with one

915

00:39:31,510 --> 00:39:28,610

another it's it's a it's a gateway type

916

00:39:34,090 --> 00:39:31,520

plant that really helps to get the point

917

00:39:35,580 --> 00:39:34,100

across to share that and to do that so

918

00:39:39,640 --> 00:39:35,590

we went into the heart of Louisiana

919

00:39:41,350 --> 00:39:39,650

swamps my sister and our friend our dear

920

00:39:44,580 --> 00:39:41,360

friend Stacie and we went into the

921

00:39:47,950 --> 00:39:44,590

swamps and did this amazing meditation

922

00:39:50,440 --> 00:39:47,960

and then we move forward into october

923

00:39:53,440 --> 00:39:50,450

and october we went and did it at the

924

00:39:56,860 --> 00:39:53,450

911 memorial and we had one of our

925

00:39:59,320 --> 00:39:56,870

largest gatherings to date and i had

926

00:40:02,170 --> 00:39:59,330

stayed in the Nikola Tesla's room and

927

00:40:03,910 --> 00:40:02,180

started two canvases in his room whoa I

928

00:40:06,000 --> 00:40:03,920

heard to going to the meditation the

929

00:40:10,900 --> 00:40:06,010

following day and we took a water sample

930

00:40:13,180 --> 00:40:10,910

to the 911 memorial that we held and

931

00:40:15,670 --> 00:40:13,190

prayed with as we all connected around

932

00:40:18,550 --> 00:40:15,680

the world and we sent that off to dr.

933

00:40:20,320 --> 00:40:18,560

masaru emoto slab ritory xin japan to

934

00:40:23,560 --> 00:40:20,330

have the water crystalline molecule

935

00:40:25,930 --> 00:40:23,570

photographed did you get any feedback

936

00:40:28,480 --> 00:40:25,940

yet any results oh yeah it's been it was

937

00:40:30,880 --> 00:40:28,490

published we published the image last

938

00:40:34,330 --> 00:40:30,890

fall city people can you know go to my

939

00:40:37,000 --> 00:40:34,340

facebook and find it or ether force calm

940

00:40:38,950 --> 00:40:37,010

has published an article about it so we

941

00:40:41,950 --> 00:40:38,960

had this beautiful water molecule

942

00:40:45,670 --> 00:40:41,960

crystalline structure photographed after

943

00:40:48,040 --> 00:40:45,680

the 911 memorial meditation and you know

944

00:40:50,710 --> 00:40:48,050

we moved forward into the year we did

945

00:40:53,860 --> 00:40:50,720

another one and then we went to Sandy

946

00:40:54,200 --> 00:40:53,870

Hook we went to Newtown and got another

947

00:40:56,060 --> 00:40:54,210

water

948

00:40:57,410 --> 00:40:56,070

simple so and and that wasn't a love Bri

949

00:40:59,780 --> 00:40:57,420

the earth meditation when we went to

950

00:41:03,410 --> 00:40:59,790

Sandy Hook it was more of a personal

951
00:41:05,210 --> 00:41:03,420
decision for me to face and this is

952
00:41:06,950 --> 00:41:05,220
probably a whole nother a segment we

953
00:41:08,270 --> 00:41:06,960
could talk about I'm kind of rushing

954
00:41:11,300 --> 00:41:08,280
through at casino we're kind of limited

955
00:41:13,430 --> 00:41:11,310
for time but the Sandy Hook water there

956
00:41:15,050 --> 00:41:13,440
was a creek that ran through the woods

957
00:41:17,329 --> 00:41:15,060
that was very close to the Sandy Hook

958
00:41:20,420 --> 00:41:17,339
elementary school if some of you

959
00:41:22,400 --> 00:41:20,430
remember back in 2012 we had you know

960
00:41:25,250 --> 00:41:22,410
this awful tragedy happened where these

961
00:41:27,530 --> 00:41:25,260
20 kids were you know killed in a school

962
00:41:29,300 --> 00:41:27,540
shooting Adam Lanza was supposedly the

963
00:41:30,880 --> 00:41:29,310

one who did it and it made news

964

00:41:35,450 --> 00:41:30,890

headlines all the way around the world

965

00:41:38,930 --> 00:41:35,460

well I had this thought and my thought

966

00:41:40,970 --> 00:41:38,940

was well what if we took we did the 911

967

00:41:45,710 --> 00:41:40,980

memorial and that was basically a

968

00:41:48,410 --> 00:41:45,720

current event headline type event that

969

00:41:50,720 --> 00:41:48,420

has affected people one way or another

970

00:41:54,140 --> 00:41:50,730

because we are all we all know what it

971

00:41:56,660 --> 00:41:54,150

is and so my my thought process my

972

00:41:58,730 --> 00:41:56,670

experiment process with that was what

973

00:42:01,940 --> 00:41:58,740

does that look like when we have an

974

00:42:04,579 --> 00:42:01,950

event that people tune into on a

975

00:42:06,950 --> 00:42:04,589

conscious level somehow emotionally or

976
00:42:09,070 --> 00:42:06,960
mentally what does that look like in the

977
00:42:11,990 --> 00:42:09,080
crystalline structure of the water and

978
00:42:13,910 --> 00:42:12,000
is there is there a theme you know if we

979
00:42:16,250 --> 00:42:13,920
have something like Sandy Hook happen

980
00:42:19,250 --> 00:42:16,260
and people continuously tune in

981
00:42:21,079 --> 00:42:19,260
energetically how does that how does

982
00:42:22,849 --> 00:42:21,089
that affect the land how does that

983
00:42:25,520 --> 00:42:22,859
affect the water how does that affect

984
00:42:27,859 --> 00:42:25,530
the area so based on dr. masaru emoto

985
00:42:30,829 --> 00:42:27,869
work and for anybody who's not familiar

986
00:42:32,450 --> 00:42:30,839
with him he has now passed away Dottie

987
00:42:34,070 --> 00:42:32,460
we were one of the last experiments in

988
00:42:37,190 --> 00:42:34,080

the fall that his laboratories did

989

00:42:39,950 --> 00:42:37,200

before he died and his son has taken

990

00:42:42,890 --> 00:42:39,960

over his work now and continues it but

991

00:42:44,780 --> 00:42:42,900

hidden messages in water is one of my

992

00:42:47,180 --> 00:42:44,790

personal favorite books that he's

993

00:42:50,030 --> 00:42:47,190

written so I highly suggest you can

994

00:42:52,970 --> 00:42:50,040

start there and his work is based on you

995

00:42:55,310 --> 00:42:52,980

know analyzing the water molecule

996

00:42:57,829 --> 00:42:55,320

structure of water that runs through

997

00:43:01,820 --> 00:42:57,839

like very polluted cities versus

998

00:43:03,920 --> 00:43:01,830

pristine Springs and so I you know I

999

00:43:05,329 --> 00:43:03,930

can't get into all of it for him but I

1000

00:43:07,300 --> 00:43:05,339

highly recommend anybody is interested

1001
00:43:10,000 --> 00:43:07,310
to go and online and do their own

1002
00:43:12,100 --> 00:43:10,010
search well worth your time so I wanted

1003
00:43:14,470 --> 00:43:12,110
to look at these current events that you

1004
00:43:16,570 --> 00:43:14,480
know get stuck in people's minds or you

1005
00:43:18,070 --> 00:43:16,580
know kind of revit through from

1006
00:43:19,660 --> 00:43:18,080
generation to generation because we

1007
00:43:21,670 --> 00:43:19,670
talked about it with our children we

1008
00:43:23,260 --> 00:43:21,680
talked about it with our friends it's

1009
00:43:25,540 --> 00:43:23,270
something that might come up oh isn't

1010
00:43:26,890 --> 00:43:25,550
that a horrible thing what happens right

1011
00:43:29,170 --> 00:43:26,900
then and there when you have that

1012
00:43:30,970 --> 00:43:29,180
thought I believe that we are so

1013
00:43:33,940 --> 00:43:30,980

connected that the minute we put any

1014

00:43:36,790 --> 00:43:33,950

energy or thought into anything it's

1015

00:43:39,790 --> 00:43:36,800

felt some place it shows up somewhere

1016

00:43:42,460 --> 00:43:39,800

and so I wanted to see what the Sandy

1017

00:43:46,150 --> 00:43:42,470

Hook water looked like without any

1018

00:43:48,280 --> 00:43:46,160

meditation without any prayer work done

1019

00:43:49,810 --> 00:43:48,290

on it so it was collected and sent off

1020

00:43:51,460 --> 00:43:49,820

to Japan and we're going to take a look

1021

00:43:53,440 --> 00:43:51,470

at the reports on its way back to me now

1022

00:43:56,380 --> 00:43:53,450

we're going to see what that crystalline

1023

00:44:00,100 --> 00:43:56,390

structure is it pristine has the land

1024

00:44:02,710 --> 00:44:00,110

healed has humankind's prina have our

1025

00:44:05,020 --> 00:44:02,720

prayers that we send and the prayer work

1026
00:44:06,790 --> 00:44:05,030
that we do and we when we have something

1027
00:44:09,220 --> 00:44:06,800
like this tragically happened in our

1028
00:44:10,570 --> 00:44:09,230
main street immediate we all it goes

1029
00:44:14,410 --> 00:44:10,580
around the world and ripple effects

1030
00:44:15,850 --> 00:44:14,420
everywhere or does it need a prayer work

1031
00:44:18,250 --> 00:44:15,860
do we need to have a love breather

1032
00:44:19,870 --> 00:44:18,260
meditation and take the water and you

1033
00:44:22,110 --> 00:44:19,880
know pray over it and then pour it back

1034
00:44:25,360 --> 00:44:22,120
into it and symbolically and

1035
00:44:27,430 --> 00:44:25,370
scientifically you know it's kind of

1036
00:44:29,770 --> 00:44:27,440
where those two worlds collide because

1037
00:44:32,470 --> 00:44:29,780
we have proof through dr. Moss really

1038
00:44:35,200 --> 00:44:32,480

Moto's work that our intention in our

1039

00:44:37,240 --> 00:44:35,210

consciousness for sure affects the

1040

00:44:39,820 --> 00:44:37,250

crystalline structure of water so it

1041

00:44:42,640 --> 00:44:39,830

also would then therefore show us that

1042

00:44:45,460 --> 00:44:42,650

our thoughts and our emotions that we

1043

00:44:48,280 --> 00:44:45,470

feel on a regular day-to-day basis

1044

00:44:50,920 --> 00:44:48,290

affect the water in our body so what is

1045

00:44:52,660 --> 00:44:50,930

your water crystalline structure look

1046

00:44:55,300 --> 00:44:52,670

like inside of you how does your

1047

00:44:56,560 --> 00:44:55,310

emotions and your thoughts change the

1048

00:44:59,380 --> 00:44:56,570

crystalline structure of the water

1049

00:45:01,270 --> 00:44:59,390

molecule in you so this is kind of my

1050

00:45:02,890 --> 00:45:01,280

own thing that moves I've been moving

1051
00:45:04,330 --> 00:45:02,900
into this too so we're excited we're

1052
00:45:06,280 --> 00:45:04,340
waiting for that to come back to so

1053
00:45:09,100 --> 00:45:06,290
that's in the works now you hadn't

1054
00:45:12,430 --> 00:45:09,110
mentioned just a brief ago about being

1055
00:45:14,620 --> 00:45:12,440
in south Louisiana and how all of the

1056
00:45:16,720 --> 00:45:14,630
plant life they all the fungi and all

1057
00:45:19,600 --> 00:45:16,730
the cypress trees and all the swamp they

1058
00:45:20,920 --> 00:45:19,610
got they end in south Louisiana and the

1059
00:45:22,809 --> 00:45:20,930
salt water areas they

1060
00:45:27,970 --> 00:45:22,819
have what's called float all and what

1061
00:45:32,380 --> 00:45:27,980
float I is is basically an island of mud

1062
00:45:34,569 --> 00:45:32,390
and grass it's not so solid it does have

1063
00:45:35,980 --> 00:45:34,579

some sinking factor to it but when you

1064

00:45:39,099 --> 00:45:35,990

go out to the swamp you have all the

1065

00:45:42,520 --> 00:45:39,109

cypress trees either way when I used to

1066

00:45:44,829 --> 00:45:42,530

go fishing with my father out into south

1067

00:45:46,630 --> 00:45:44,839

Louisiana everything is so

1068

00:45:49,720 --> 00:45:46,640

interconnected like you said it's like

1069

00:45:52,540 --> 00:45:49,730

at the internet you can literally feel

1070

00:45:54,819 --> 00:45:52,550

the collective consciousness of every

1071

00:45:59,079 --> 00:45:54,829

creature that is stirring about there I

1072

00:46:01,780 --> 00:45:59,089

mean it is completely not in the form of

1073

00:46:05,380 --> 00:46:01,790

an idea or in metaphysical text that you

1074

00:46:08,020 --> 00:46:05,390

read it is alive it is truly truly alive

1075

00:46:10,930 --> 00:46:08,030

and everything response to everything

1076

00:46:13,089 --> 00:46:10,940

it's such an amazing thing to see also a

1077

00:46:15,220 --> 00:46:13,099

brief ago you were talking about the

1078

00:46:19,839 --> 00:46:15,230

black madonna did you mean that as far

1079

00:46:23,319 --> 00:46:19,849

as race skin tone well she's depicted as

1080

00:46:26,200 --> 00:46:23,329

a black woman I mean so did they intend

1081

00:46:29,140 --> 00:46:26,210

for her to be an African African Queen I

1082

00:46:30,760 --> 00:46:29,150

mean that's like to find out I mean it

1083

00:46:33,099 --> 00:46:30,770

that's a great question but she

1084

00:46:35,109 --> 00:46:33,109

definitely wasn't white well it's just

1085

00:46:38,620 --> 00:46:35,119

like if you google black madonna on the

1086

00:46:40,270 --> 00:46:38,630

computer you will see all of the icons

1087

00:46:43,120 --> 00:46:40,280

and things that you know have been built

1088

00:46:44,230 --> 00:46:43,130

in her honor she's a black woman you

1089

00:46:46,030 --> 00:46:44,240

know and now does that mean she's

1090

00:46:48,039 --> 00:46:46,040

African is it the shadow aspect of

1091

00:46:49,539 --> 00:46:48,049

Magdalene is that the shadow aspect of

1092

00:46:52,180 --> 00:46:49,549

the Virgin Mary who knows maybe it's

1093

00:46:54,370 --> 00:46:52,190

both maybe it's symbolic of something

1094

00:46:56,980 --> 00:46:54,380

else we haven't quite figured out yet I

1095

00:47:00,339 --> 00:46:56,990

don't know but I I just watched this

1096

00:47:02,650 --> 00:47:00,349

really interesting documentary the other

1097

00:47:05,289 --> 00:47:02,660

day and it was about the Grim Sleeper

1098

00:47:07,630 --> 00:47:05,299

who was this gentleman who was this lyst

1099

00:47:10,180 --> 00:47:07,640

serial killer in Los Angeles back in the

1100

00:47:13,000 --> 00:47:10,190

80s and he was killing hundreds of black

1101
00:47:15,280 --> 00:47:13,010
women the most of them were prostitutes

1102
00:47:16,780 --> 00:47:15,290
and you know drug addicts and things of

1103
00:47:20,170 --> 00:47:16,790
that sort so it never really made

1104
00:47:22,569 --> 00:47:20,180
mainstream media it didn't get a lot of

1105
00:47:25,450 --> 00:47:22,579
attention it was this heartbreaking

1106
00:47:27,880 --> 00:47:25,460
gut-wrenching type story but it was so

1107
00:47:29,589 --> 00:47:27,890
real and so powerful these two British

1108
00:47:31,900 --> 00:47:29,599
filmmakers came over and did a

1109
00:47:33,010 --> 00:47:31,910
documentary on it and interviewed the

1110
00:47:34,750 --> 00:47:33,020
people on the streets the homeless

1111
00:47:36,430 --> 00:47:34,760
people getting all the

1112
00:47:38,200 --> 00:47:36,440
effectives and the police were actually

1113
00:47:41,650 --> 00:47:38,210

happy that this guy was killing these

1114

00:47:44,380 --> 00:47:41,660

women because they felt that he was

1115

00:47:47,140 --> 00:47:44,390

doing them a favor and saving them you

1116

00:47:49,540 --> 00:47:47,150

know their job and and it was really sad

1117

00:47:51,610 --> 00:47:49,550

it was really sad and you see the race

1118

00:47:53,800 --> 00:47:51,620

thing breaking out and the in the United

1119

00:47:55,570 --> 00:47:53,810

States today and how we're kind of at

1120

00:47:57,760 --> 00:47:55,580

least that's what it seems right you

1121

00:48:00,190 --> 00:47:57,770

have this police brutality and all these

1122

00:48:02,050 --> 00:48:00,200

ridiculous situations that should not be

1123

00:48:04,840 --> 00:48:02,060

happening they just should not be

1124

00:48:06,760 --> 00:48:04,850

happening and yet they are and I've

1125

00:48:09,420 --> 00:48:06,770

often wondered what happened what would

1126

00:48:12,310 --> 00:48:09,430

happen if we empowered the

1127

00:48:15,010 --> 00:48:12,320

african-american race and we put them up

1128

00:48:16,870 --> 00:48:15,020

into a place of amine true empowerment

1129

00:48:18,520 --> 00:48:16,880

I'm not talking about a pat on the back

1130

00:48:20,500 --> 00:48:18,530

or you know we'll give you a scholarship

1131

00:48:23,290 --> 00:48:20,510

because you're already here I was

1132

00:48:26,080 --> 00:48:23,300

talking about remembering that their

1133

00:48:28,270 --> 00:48:26,090

their African American roots could

1134

00:48:31,000 --> 00:48:28,280

possibly have built the pyramids they

1135

00:48:33,940 --> 00:48:31,010

could possibly have you know they have

1136

00:48:36,880 --> 00:48:33,950

nubian queens and Nubian Kings in

1137

00:48:39,490 --> 00:48:36,890

southern Africa that you know really we

1138

00:48:41,800 --> 00:48:39,500

don't hear about we don't know a lot

1139

00:48:45,040 --> 00:48:41,810

about so was the Black Madonna part of

1140

00:48:47,020 --> 00:48:45,050

that that she rise up from that I'm

1141

00:48:50,320 --> 00:48:47,030

really curious to see what that energy

1142

00:48:53,440 --> 00:48:50,330

feels like because it today in modern

1143

00:48:57,010 --> 00:48:53,450

times we are lacking something vital and

1144

00:49:00,010 --> 00:48:57,020

they have a quality within them with as

1145

00:49:02,140 --> 00:49:00,020

a race that I believe is going to be key

1146

00:49:03,940 --> 00:49:02,150

to the sustainability of humanity yes

1147

00:49:05,860 --> 00:49:03,950

they definitely have a piece of the

1148

00:49:09,280 --> 00:49:05,870

puzzle that the collective does need

1149

00:49:12,250 --> 00:49:09,290

when I was a young boy mm let's say

1150

00:49:14,500 --> 00:49:12,260

doesn't matter the age I had an

1151
00:49:18,630 --> 00:49:14,510
experience I was told being raised

1152
00:49:20,890 --> 00:49:18,640
catholic i was told as a young boy that

1153
00:49:23,950 --> 00:49:20,900
these three about the three people who

1154
00:49:26,020 --> 00:49:23,960
saw the Virgin Mary and and Fatima and

1155
00:49:27,970 --> 00:49:26,030
so with this knowledge my life

1156
00:49:29,860 --> 00:49:27,980
progresses and then someone in south

1157
00:49:32,380 --> 00:49:29,870
Louisiana when I lived there was having

1158
00:49:33,850 --> 00:49:32,390
visions of the Virgin Mary she came to

1159
00:49:35,980 --> 00:49:33,860
him while he was taking pictures of his

1160
00:49:37,900 --> 00:49:35,990
house so he can get it appraised to sell

1161
00:49:40,480 --> 00:49:37,910
it and he was prompted to look up and

1162
00:49:42,220 --> 00:49:40,490
she came out of the sky down towards him

1163
00:49:43,900 --> 00:49:42,230

he she said to him with every picture

1164

00:49:46,810 --> 00:49:43,910

you take i will get clear and you can

1165

00:49:48,380 --> 00:49:46,820

see her descending and trust me and she

1166

00:49:50,690 --> 00:49:48,390

was definitely a white woman

1167

00:49:52,759 --> 00:49:50,700

but my point of all this I got to

1168

00:49:56,539 --> 00:49:52,769

experience him having a vision of her on

1169

00:49:59,120 --> 00:49:56,549

Good Friday now keep in mind you know

1170

00:50:01,519 --> 00:49:59,130

Mary of any sort she is an avatar by

1171

00:50:04,039 --> 00:50:01,529

nature first so she definitely has the

1172

00:50:06,200 --> 00:50:04,049

power in the will and the ability to

1173

00:50:07,519 --> 00:50:06,210

transform herself to whatever culture

1174

00:50:10,700 --> 00:50:07,529

that would make the greatest impact

1175

00:50:12,259 --> 00:50:10,710

that's for sure and since she going to

1176

00:50:15,349 --> 00:50:12,269

France and maybe you're already aware of

1177

00:50:19,910 --> 00:50:15,359

her have you ever heard of Madonna or

1178

00:50:22,220 --> 00:50:19,920

aflam I've heard of it but I haven't

1179

00:50:25,490 --> 00:50:22,230

studied it so you'd have to enlighten me

1180

00:50:30,019 --> 00:50:25,500

she is supposedly Frances version of

1181

00:50:32,150 --> 00:50:30,029

Madonna the Madonna or type so she's not

1182

00:50:34,519 --> 00:50:32,160

the Black Madonna because that's pretty

1183

00:50:37,609 --> 00:50:34,529

much you know that's the direction I

1184

00:50:39,980 --> 00:50:37,619

guess so tell me about her well uh just

1185

00:50:42,829 --> 00:50:39,990

just the idea that in the pictures I've

1186

00:50:45,769 --> 00:50:42,839

seen of her a she she has a darker tone

1187

00:50:49,039 --> 00:50:45,779

but it's not truly that I would regard

1188

00:50:50,269 --> 00:50:49,049

as black skin tone says I just thought I

1189

00:50:51,559 --> 00:50:50,279

was thought it would give you a heads up

1190

00:50:53,180 --> 00:50:51,569

while you're there maybe you can poke

1191

00:50:54,499 --> 00:50:53,190

around and find out some information and

1192

00:51:00,380 --> 00:50:54,509

come back and do a second show and

1193

00:51:03,319 --> 00:51:00,390

enlighten everyone hillier we have about

1194

00:51:04,579 --> 00:51:03,329

nine minutes I'm Sarah final thought you

1195

00:51:07,249 --> 00:51:04,589

would like to leave sooner of light

1196

00:51:10,099 --> 00:51:07,259

radio listening audience is there a

1197

00:51:12,109 --> 00:51:10,109

final thought well you know my mime

1198

00:51:15,470 --> 00:51:12,119

using has also been I've been very

1199

00:51:17,240 --> 00:51:15,480

focused on CERN and I don't know yes

1200

00:51:19,039 --> 00:51:17,250

I've been seeing you talk about yeah

1201

00:51:20,990 --> 00:51:19,049

I've been very focused on Stern and CERN

1202

00:51:24,019 --> 00:51:21,000

is going to be firing up they've done a

1203

00:51:26,839 --> 00:51:24,029

couple test runs over the last few days

1204

00:51:29,269 --> 00:51:26,849

and we've seen a lot of really big

1205

00:51:33,380 --> 00:51:29,279

weather stuff happen and I'm starting to

1206

00:51:36,319 --> 00:51:33,390

get a little concerned that these kind

1207

00:51:38,390 --> 00:51:36,329

of places because CERN for those of you

1208

00:51:41,749 --> 00:51:38,400

who don't know what CERN is CERN is a

1209

00:51:44,329 --> 00:51:41,759

particle smasher it's a physics type

1210

00:51:45,829 --> 00:51:44,339

thing you just you just Google CER n and

1211

00:51:48,019 --> 00:51:45,839

you can find everything you need to know

1212

00:51:49,759 --> 00:51:48,029

on it but it's not the only one in the

1213

00:51:52,039 --> 00:51:49,769

world they have one in Romania they have

1214

00:51:53,990 --> 00:51:52,049

China's now trying to build the largest

1215

00:51:57,289 --> 00:51:54,000

one of course you know outdo everybody

1216

00:51:59,150 --> 00:51:57,299

and it gets to a point where you have to

1217

00:51:59,930 --> 00:51:59,160

ask yourself what are these really four

1218

00:52:01,640 --> 00:51:59,940

yr

1219

00:52:04,940 --> 00:52:01,650

why do we have so many United States

1220

00:52:06,440 --> 00:52:04,950

became a member state for CERN for a

1221

00:52:09,080 --> 00:52:06,450

long time they've been an observer

1222

00:52:11,390 --> 00:52:09,090

status they within the last couple weeks

1223

00:52:13,460 --> 00:52:11,400

they've just signed so his turkey they

1224

00:52:15,500 --> 00:52:13,470

both become member states for CERN in

1225

00:52:17,270 --> 00:52:15,510

Switzerland since I'm going to be so

1226

00:52:20,060 --> 00:52:17,280

close i'll be in France when they

1227

00:52:23,450 --> 00:52:20,070

actually fire up their experiments full

1228

00:52:25,520 --> 00:52:23,460

power for the first time since they have

1229

00:52:27,800 --> 00:52:25,530

taken a break in the last two years and

1230

00:52:30,410 --> 00:52:27,810

they've also powered up so now that

1231

00:52:34,010 --> 00:52:30,420

they're doing it at a much higher level

1232

00:52:36,020 --> 00:52:34,020

of power I mean they have openly gone on

1233

00:52:38,270 --> 00:52:36,030

record to say that they're looking to

1234

00:52:40,730 --> 00:52:38,280

open other dimensions that they're

1235

00:52:43,490 --> 00:52:40,740

trying to find the existence of parallel

1236

00:52:45,050 --> 00:52:43,500

universes and other dimensions but but

1237

00:52:48,530 --> 00:52:45,060

would I don't think they're really ready

1238

00:52:51,740 --> 00:52:48,540

for is the impact that that kind of

1239

00:52:54,950 --> 00:52:51,750

power up is going to have on the planet

1240

00:52:58,250 --> 00:52:54,960

when they fired up but the practice runs

1241

00:53:00,620 --> 00:52:58,260

we saw the Nepal earthquake happen and

1242

00:53:03,140 --> 00:53:00,630

then the Nepal earthquake happened again

1243

00:53:06,440 --> 00:53:03,150

and then we had the entire west coast of

1244

00:53:08,900 --> 00:53:06,450

the United States we had we saw an

1245

00:53:11,750 --> 00:53:08,910

earthquake activity increase all the way

1246

00:53:14,860 --> 00:53:11,760

from up in Canada down through like the

1247

00:53:17,540 --> 00:53:14,870

Baja so we had some really interesting

1248

00:53:19,760 --> 00:53:17,550

statistics pop up and you know I track

1249

00:53:21,320 --> 00:53:19,770

that I have people who I know people who

1250

00:53:23,690 --> 00:53:21,330

track that as well so we all kind of

1251

00:53:26,390 --> 00:53:23,700

converge together and compare notes and

1252

00:53:27,530 --> 00:53:26,400

you know it which is really important so

1253

00:53:29,510 --> 00:53:27,540

if you're one of those people out there

1254

00:53:31,130 --> 00:53:29,520

and you like you have a hobby of doing

1255

00:53:33,860 --> 00:53:31,140

that find someone else who does too and

1256

00:53:36,200 --> 00:53:33,870

start comparing notes because what's

1257

00:53:38,690 --> 00:53:36,210

happening right now the planet has a

1258

00:53:40,340 --> 00:53:38,700

reset button she knows she she's going

1259

00:53:42,620 --> 00:53:40,350

to take care of herself no matter what

1260

00:53:44,450 --> 00:53:42,630

happens and when it goes on totally

1261

00:53:46,970 --> 00:53:44,460

agreed so my thought my thought for

1262

00:53:49,300 --> 00:53:46,980

closing really keith is that you know we

1263

00:53:51,410 --> 00:53:49,310

just we need we have a real

1264

00:53:55,220 --> 00:53:51,420

responsibility to be accountable right

1265

00:53:58,220 --> 00:53:55,230

now and we have to really change the

1266

00:54:00,530 --> 00:53:58,230

direction of our you know proceeding

1267

00:54:02,630 --> 00:54:00,540

with the way we have culture set up now

1268

00:54:05,330 --> 00:54:02,640

we're kind of like running out of time

1269

00:54:08,660 --> 00:54:05,340

in some sense but without going into the

1270

00:54:10,670 --> 00:54:08,670

doom and gloom of that we just have to

1271

00:54:12,800 --> 00:54:10,680

start enjoying life more we have to

1272

00:54:13,609 --> 00:54:12,810

start being happier people more healthy

1273

00:54:18,380 --> 00:54:13,619

more

1274

00:54:20,239 --> 00:54:18,390

accountable and you know the minute we

1275

00:54:22,940 --> 00:54:20,249

start to heal those things between us

1276

00:54:24,859 --> 00:54:22,950

that make so much conflict and divide is

1277

00:54:26,930 --> 00:54:24,869

the minute we're going to start saving

1278

00:54:28,309 --> 00:54:26,940

this planet you know so that we can be a

1279

00:54:29,720 --> 00:54:28,319

part of it because otherwise we're not

1280

00:54:32,299 --> 00:54:29,730

going to be a part of it anymore she's

1281

00:54:34,880 --> 00:54:32,309

going to shake us off you know right now

1282

00:54:36,799 --> 00:54:34,890

would be a great time to implement love

1283

00:54:39,319 --> 00:54:36,809

breath for Earth considering the

1284

00:54:42,410 --> 00:54:39,329

possibility of what people are thinking

1285

00:54:43,940 --> 00:54:42,420

could be happening to California in the

1286

00:54:46,549 --> 00:54:43,950

west coast at this point they're saying

1287

00:54:51,400 --> 00:54:46,559

the planetary alignments with their

1288

00:54:54,890 --> 00:54:51,410

massive tug is in quote a perfect place

1289

00:54:57,920 --> 00:54:54,900

for some of these faults to begin to

1290

00:55:02,299 --> 00:54:57,930

give and soul of breath earth would be a

1291

00:55:06,170 --> 00:55:02,309

great way to ensure that we become stay

1292

00:55:08,809 --> 00:55:06,180

stable as a nation in a geographical way

1293

00:55:11,210 --> 00:55:08,819

that's for sure yeah and that's the

1294

00:55:13,279 --> 00:55:11,220

that's the vision is it you know I if

1295

00:55:16,519 --> 00:55:13,289

everybody did this you know and practice

1296

00:55:18,470 --> 00:55:16,529

this and worked with the the plant and

1297

00:55:21,079 --> 00:55:18,480

and they could see the work that we've

1298

00:55:23,390 --> 00:55:21,089

done over the last year and and some of

1299

00:55:24,950 --> 00:55:23,400

the observations that we've made with

1300

00:55:27,039 --> 00:55:24,960

the natural world and especially I mean

1301

00:55:29,059 --> 00:55:27,049

the cannabis plant was like the the

1302

00:55:32,420 --> 00:55:29,069

foundation of that the work that we were

1303

00:55:34,160 --> 00:55:32,430

doing with that and I just really

1304

00:55:36,499 --> 00:55:34,170

believe that the chemicals the plants

1305

00:55:38,180 --> 00:55:36,509

then give off a be a chain reaction and

1306

00:55:40,190 --> 00:55:38,190

we would start to see something happen

1307

00:55:43,249 --> 00:55:40,200

but you know that happening might be a

1308

00:55:45,890 --> 00:55:43,259

rebalance because we might be signaling

1309

00:55:47,420 --> 00:55:45,900

to the natural world that we need to

1310

00:55:49,279 --> 00:55:47,430

rebalance and she's going to rebalance

1311

00:55:51,289 --> 00:55:49,289

whether we like it or not whether we're

1312

00:55:53,150 --> 00:55:51,299

doing it or not I mean should that's

1313

00:55:55,099 --> 00:55:53,160

what she does that's her specialty she

1314

00:55:58,370 --> 00:55:55,109

has had millions and billions of years

1315

00:56:01,130 --> 00:55:58,380

of practicing evolution and so her

1316

00:56:03,979 --> 00:56:01,140

system is a full proof one way or the

1317

00:56:06,769 --> 00:56:03,989

other life continues and we are also

1318

00:56:09,410 --> 00:56:06,779

bigger part of a bigger cycle that's not

1319

00:56:11,329 --> 00:56:09,420

just planetary we're bigger we're part

1320

00:56:13,579 --> 00:56:11,339

of a galaxy we're part of a sudden

1321

00:56:15,470 --> 00:56:13,589

system we're part of a our spot in the

1322

00:56:18,829 --> 00:56:15,480

universe and so when we start to think

1323

00:56:21,529 --> 00:56:18,839

in a cosmic perspective versus you know

1324

00:56:23,120 --> 00:56:21,539

a self-centered perspective or just

1325

00:56:26,120 --> 00:56:23,130

thinking about me and this other person

1326

00:56:26,810 --> 00:56:26,130

or me and you and mean the five of us we

1327

00:56:28,790 --> 00:56:26,820

really need to

1328

00:56:31,280 --> 00:56:28,800

start expanding our awareness into

1329

00:56:34,040 --> 00:56:31,290

seeing what are the odds that we have

1330

00:56:36,230 --> 00:56:34,050

all incarnated on this planet right now

1331

00:56:40,010 --> 00:56:36,240

at this time I mean when you think of

1332

00:56:42,080 --> 00:56:40,020

the vast scale of really what life is

1333

00:56:44,000 --> 00:56:42,090

what are the odds that you and I are

1334

00:56:46,310 --> 00:56:44,010

here that you and your sound guy are

1335

00:56:48,560 --> 00:56:46,320

here that you know you me and the whole

1336

00:56:50,720 --> 00:56:48,570

everybody listening I mean God I mean

1337

00:56:53,000 --> 00:56:50,730

that's pretty special to me why would I

1338

00:56:54,200 --> 00:56:53,010

want to annihilate you or hurt you or

1339

00:56:56,560 --> 00:56:54,210

you know and why would you want to do

1340

00:56:58,970 --> 00:56:56,570

that to me we got to get over our stuff

1341

00:57:00,680 --> 00:56:58,980

you know yeah this other question will

1342

00:57:02,630 --> 00:57:00,690

become why are we here I mean not

1343

00:57:04,430 --> 00:57:02,640

because we're bored I mean there's a

1344

00:57:06,200 --> 00:57:04,440

calling there's a prompting inside of

1345

00:57:08,570 --> 00:57:06,210

myself inside of you inside of the

1346

00:57:10,250 --> 00:57:08,580

production team inside of all those why

1347

00:57:12,320 --> 00:57:10,260

you know why are we moving down this

1348

00:57:15,050 --> 00:57:12,330

path why are we not only moving down the

1349

00:57:17,840 --> 00:57:15,060

path why are we passionately sincerely

1350

00:57:20,440 --> 00:57:17,850

moving down this path and it's like I

1351
00:57:22,670 --> 00:57:20,450
cannot rest until I complete my mission

1352
00:57:24,020 --> 00:57:22,680
whatever that mission may be whatever

1353
00:57:27,140 --> 00:57:24,030
time you decide you're going to check

1354
00:57:30,440 --> 00:57:27,150
out on the planet it's like you have you

1355
00:57:32,270 --> 00:57:30,450
cannot deflect from the direction of the

1356
00:57:33,950 --> 00:57:32,280
work you're doing would you agree with

1357
00:57:36,680 --> 00:57:33,960
that yes I would agree with that and I

1358
00:57:39,400 --> 00:57:36,690
would also say to that that you know be

1359
00:57:42,470 --> 00:57:39,410
we're in this form for a finite amount

1360
00:57:45,950 --> 00:57:42,480
of time so we're not in this form

1361
00:57:48,470 --> 00:57:45,960
eternally but we're in this form now so

1362
00:57:51,440 --> 00:57:48,480
we need to stop the message that our

1363
00:57:53,570 --> 00:57:51,450

body doesn't matter which is rampant in

1364

00:57:55,280 --> 00:57:53,580

the New Age industry that our body

1365

00:57:57,710 --> 00:57:55,290

doesn't matter that we are spirit and

1366

00:57:59,930 --> 00:57:57,720

the body does the body does matter the

1367

00:58:02,660 --> 00:57:59,940

form we are in does matter the chemistry

1368

00:58:05,120 --> 00:58:02,670

we produce inside of us does matter we

1369

00:58:07,790 --> 00:58:05,130

are actually living human kind of

1370

00:58:10,220 --> 00:58:07,800

antennas to give the frequency and

1371

00:58:11,900 --> 00:58:10,230

vibration we're born to love we're not

1372

00:58:14,180 --> 00:58:11,910

born to hate and want to kill each other

1373

00:58:16,670 --> 00:58:14,190

we're conditioned to do that we have a

1374

00:58:19,670 --> 00:58:16,680

society that conditions us to cause

1375

00:58:21,530 --> 00:58:19,680

suffering and have suffering but when

1376

00:58:23,720 --> 00:58:21,540

we're born you will see any child who

1377

00:58:25,970 --> 00:58:23,730

hasn't hit that pain moment yet and

1378

00:58:28,580 --> 00:58:25,980

their hearts are open they're trusting

1379

00:58:30,650 --> 00:58:28,590

their imagination is free they don't see

1380

00:58:32,660 --> 00:58:30,660

strangers as dangerous they see them as

1381

00:58:35,690 --> 00:58:32,670

an adventurer let me get to know you and

1382

00:58:38,510 --> 00:58:35,700

we've we have become masters at shutting

1383

00:58:41,000 --> 00:58:38,520

that down so that we can compete and

1384

00:58:43,880 --> 00:58:41,010

compare and consumer

1385

00:58:45,950 --> 00:58:43,890

that way right separate judge miss Lee

1386

00:58:47,330 --> 00:58:45,960

one of the greatest spiritual teachers

1387

00:58:50,150 --> 00:58:47,340

that I've been following for years says

1388

00:58:52,850 --> 00:58:50,160

that you must not take your human birth

1389

00:58:57,650 --> 00:58:52,860

for granted for it is through human

1390

00:58:59,620 --> 00:58:57,660

birth that God can only be realized but

1391

00:59:03,080 --> 00:58:59,630

every other being in the universe

1392

00:59:07,160 --> 00:59:03,090

aspires to human hood that's pretty

1393

00:59:10,250 --> 00:59:07,170

profound it tells you the value your the

1394

00:59:12,620 --> 00:59:10,260

worth of your life what you are here to

1395

00:59:14,780 --> 00:59:12,630

do what you can do while you are here

1396

00:59:17,870 --> 00:59:14,790

and you can't fail there's no way to

1397

00:59:20,180 --> 00:59:17,880

fail the universe God the fact that you

1398

00:59:23,920 --> 00:59:20,190

here there was never an intention and

1399

00:59:26,980 --> 00:59:23,930

planted impregnated in you for failure I

1400

00:59:31,340 --> 00:59:26,990

head through intention will desire

1401
00:59:34,040 --> 00:59:31,350
action and there's so much energy light

1402
00:59:36,020 --> 00:59:34,050
encrypting in simple expressions you

1403
00:59:38,510 --> 00:59:36,030
know love breath for Earth it's such a

1404
00:59:40,220 --> 00:59:38,520
powerful idea and I really applaud you

1405
00:59:41,480 --> 00:59:40,230
and your work Hillary thank you I

1406
00:59:45,770 --> 00:59:41,490
appreciate that and I appreciate

1407
00:59:48,380 --> 00:59:45,780
everybody who has given it a try and has

1408
00:59:52,100 --> 00:59:48,390
found something pleasurable and loving

1409
00:59:54,050 --> 00:59:52,110
in it and every person that benefits in

1410
00:59:56,630 --> 00:59:54,060
their relationship with nature is a

1411
00:59:59,900 --> 00:59:56,640
success story for us it's like we really

1412
01:00:03,350 --> 00:59:59,910
want people to see that creating sacred

1413
01:00:05,120 --> 01:00:03,360

space for yourself and your environment

1414

01:00:08,090 --> 01:00:05,130

is a worthy venture and it's something

1415

01:00:10,340 --> 01:00:08,100

that you know we we intuitively already

1416

01:00:13,010 --> 01:00:10,350

have instilled within us so the love

1417

01:00:16,430 --> 01:00:13,020

breath for Earth is is a as an example

1418

01:00:19,160 --> 01:00:16,440

of that and we've created a container

1419

01:00:21,290 --> 01:00:19,170

for it so that it can be you know can

1420

01:00:23,390 --> 01:00:21,300

have a container to hold that space in

1421

01:00:25,460 --> 01:00:23,400

but it's really up to each individual

1422

01:00:27,410 --> 01:00:25,470

person to choose to focus on their

1423

01:00:29,180 --> 01:00:27,420

loving memories versus their painful

1424

01:00:31,730 --> 01:00:29,190

memories and once that happens and

1425

01:00:33,500 --> 01:00:31,740

reaches the critical tipping point then

1426

01:00:36,200 --> 01:00:33,510

we will have a shift in consciousness on

1427

01:00:38,090 --> 01:00:36,210

a collective scale Hillary give out your

1428

01:00:41,750 --> 01:00:38,100

contact information once more please

1429

01:00:46,100 --> 01:00:41,760

Hillary ramo calm i also have a blog

1430

01:00:48,500 --> 01:00:46,110

called the yen factor why I n factor I

1431

01:00:50,840 --> 01:00:48,510

do it into the intuitive matrix with

1432

01:00:52,550 --> 01:00:50,850

Betsy peerless you can google all of

1433

01:00:54,440 --> 01:00:52,560

that's all on my website too so that's

1434

01:00:56,150 --> 01:00:54,450

the best way to get ahold of me

1435

01:00:57,589 --> 01:00:56,160

Hilary thank you for joining me on

1436

01:01:00,349 --> 01:00:57,599

center of the light radio that door

1437

01:01:03,200 --> 01:01:00,359

swings open to you anytime come back and

1438

01:01:04,849 --> 01:01:03,210

tell me about I will head friends I

1439

01:01:06,740 --> 01:01:04,859

would love to share the story of the

1440

01:01:08,420 --> 01:01:06,750

Sandy Hook water crystal with you Keith

1441

01:01:10,579 --> 01:01:08,430

that we can talk about that on the air

1442

01:01:13,520 --> 01:01:10,589

and I have lots of stories from France

1443

01:01:15,170 --> 01:01:13,530

so let's do it have a safe journey in

1444

01:01:17,000 --> 01:01:15,180

taking a lot so you can come back and

1445

01:01:20,390 --> 01:01:17,010

enlighten us all thank you so much take

1446

01:01:23,180 --> 01:01:20,400

care everyone oh wow what a powerful

1447

01:01:26,329 --> 01:01:23,190

surely she is a powerhouse she makes my

1448

01:01:29,349 --> 01:01:26,339

job as a radio show host very easy I

1449

01:01:32,210 --> 01:01:29,359

really often when I interview her I

1450

01:01:34,490 --> 01:01:32,220

don't have any questions to ask because

1451

01:01:37,310 --> 01:01:34,500

every time I go to ask a question she's

1452

01:01:39,440 --> 01:01:37,320

already focusing out the answer so my

1453

01:01:41,359 --> 01:01:39,450

silence on the right hand or show is

1454

01:01:43,430 --> 01:01:41,369

just amazing so it gives me the

1455

01:01:45,770 --> 01:01:43,440

opportunity just to sit back like

1456

01:01:47,510 --> 01:01:45,780

everyone else and just absorb and take

1457

01:01:49,579 --> 01:01:47,520

it all in like a sponge Chief Anthony

1458

01:01:51,560 --> 01:01:49,589

Blanchard here your host of center of

1459

01:01:54,680 --> 01:01:51,570

light radio go to [sin of light radio.com](http://sinoflightradio.com)

1460

01:01:57,109 --> 01:01:54,690

for all things heath anthony blanchard

1461

01:02:00,620 --> 01:01:57,119

archives but you can also go to youtube

1462

01:02:04,010 --> 01:02:00,630

and look up center of light radio to get

1463

01:02:05,900 --> 01:02:04,020

archives of the audio bites but also

1464

01:02:09,290 --> 01:02:05,910

there's some video motion also a

1465

01:02:10,910 --> 01:02:09,300

inception radio has the archives of sort

1466

01:02:12,890 --> 01:02:10,920

of light radio there and youtube as well

1467

01:02:16,160 --> 01:02:12,900

go to inception radio for all your

1468

01:02:17,900 --> 01:02:16,170

enlightening needs what a fantastic show

1469

01:02:21,109 --> 01:02:17,910

my guest next week is going to be Laura

1470

01:02:22,730 --> 01:02:21,119

Watson and she is amazing absolutely

1471

01:02:24,290 --> 01:02:22,740

amazing the guests that will be coming

1472

01:02:26,450 --> 01:02:24,300

in the show I promise you it is my

1473

01:02:28,579 --> 01:02:26,460

promise to you they will always have

1474

01:02:30,530 --> 01:02:28,589

something magical and powerful for you

1475

01:02:33,109 --> 01:02:30,540

we're gonna be talking about angel she

1476

01:02:35,990 --> 01:02:33,119

does angel readings in the air she does

1477

01:02:39,319 --> 01:02:36,000

everything angels and much much more

1478

01:02:41,569 --> 01:02:39,329

it's gonna be an amazing show always

1479

01:02:43,670 --> 01:02:41,579

remember when you go to bed at night you

1480

01:02:46,520 --> 01:02:43,680

laying there doing nothing might as well

1481

01:02:48,829 --> 01:02:46,530

do something and nothing together take

1482

01:02:51,170 --> 01:02:48,839

those breaths those magical and tenfold

1483

01:02:53,910 --> 01:02:51,180

breaths

1484

01:02:57,000 --> 01:02:53,920

let's connect that to all that is good

1485

01:02:59,730 --> 01:02:57,010

to connect to your perfect being sell

1486

01:03:01,890 --> 01:02:59,740

your authentic self breathe in remember

1487

01:03:05,670 --> 01:03:01,900

as you take that breath who you really

1488

01:03:07,920 --> 01:03:05,680

are lies just behind the breath do
