is montrouge a little and we we will be

98

00:05:27,400 --> 00:05:24,370

discussing energy and synchronicity

99

00:05:30,700 --> 00:05:27,410

madra says energy is in everything

100

00:05:33,040 --> 00:05:30,710

everything is energy energy is a tool

101

00:05:35,350 --> 00:05:33,050

and resource to navigate on

102

00:05:37,270 --> 00:05:35,360

this physical journey the more you

103

00:05:39,369 --> 00:05:37,280

understand about energy the more you

104

00:05:43,869 --> 00:05:39,379

understand the bigger picture and plan

105

00:05:45,399 --> 00:05:43,879

there are no coincidences or accidents

106

00:05:48,600 --> 00:05:45,409

in fact if you look at the word

107

00:05:52,180 --> 00:05:48,610

coincidence it's to eat events

108

00:05:54,399 --> 00:05:52,190

coinciding co-incidence everything is

109

00:05:56,939 --> 00:05:54,409

synchronistic the universe conspires to

110

00:06:01,119 --> 00:05:56,949

facilitate for us through synchronicity

111

00:06:03,339 --> 00:06:01,129

synchronicity is our life on purpose not

112

00:06:05,379 --> 00:06:03,349

like that our lives are sculptured

113

00:06:08,020 --> 00:06:05,389

energetically through synchronicity

114

00:06:09,719 --> 00:06:08,030

afternoon uh well I'll want to get right

170

00:08:31,240 --> 00:08:28,640

away into the topic I make contact with

171

00:08:33,250 --> 00:08:31,250

you last week I wanted a session with

172

00:08:34,570 --> 00:08:33,260

you I want to support you and your

173

00:08:39,940 --> 00:08:34,580

beautiful work which I know you were

174

00:08:41,380 --> 00:08:39,950

always about little did I realize when i

175

00:08:44,680 --> 00:08:41,390

sat in the captain's chair in your

176

00:08:46,810 --> 00:08:44,690

office and you begin to do what you do

177

00:08:50,590 --> 00:08:46,820

so powerfully capitalize the word

178

00:08:54,100 --> 00:08:50,600

powerfully ! bold print underlined three

179

00:08:56,470 --> 00:08:54,110

times when i sat in that chair and you

180

00:09:00,970 --> 00:08:56,480

stated the intention um so what I'm

181

00:09:03,160 --> 00:09:00,980

looking for the the invocation listening

182

00:09:05,890 --> 00:09:03,170

to you listening to the place where you

183

00:09:08,500 --> 00:09:05,900

come from inside as you are saying this

184

00:09:11,140 --> 00:09:08,510

intention this invocation I didn't hear

185

00:09:13,660 --> 00:09:11,150

you're just saying words I felt your

186

00:09:17,130 --> 00:09:13,670

authenticity your groundedness and not

187

00:09:20,260 --> 00:09:17,140

only did that move me as you begin to

188

00:09:23,440 --> 00:09:20,270

use this sound healing therapy on me and

189

00:09:26,800 --> 00:09:23,450

doing what you do as I when I was in

190

00:09:28,210 --> 00:09:26,810

India in 2000's see satya sai baba was

191

00:09:31,390 --> 00:09:28,220

there for two weeks and i went to this

192

00:09:33,040 --> 00:09:31,400

particular temple where it believe me it

193

00:09:36,040 --> 00:09:33,050

is the holiest of holy things on this

194

00:09:37,900 --> 00:09:36,050

planet and because my vibration wasn't

195

00:09:40,660 --> 00:09:37,910

as as high as it could be i could not

196

00:09:42,370 --> 00:09:40,670

really see the pictures that dawn the

197

00:09:44,530 --> 00:09:42,380

walls I really couldn't seem to our

198

00:09:47,590 --> 00:09:44,540

gotten to the space but once things

199

00:09:50,350 --> 00:09:47,600

started to happen and 35,000 people go

200

00:09:53,140 --> 00:09:50,360

into a chant my physical body began to

201
00:09:56,290 --> 00:09:53,150
melt and there was nothing left but my

202
00:09:59,050 --> 00:09:56,300
essence 20 bringing this up when I sat

203
00:10:00,020 --> 00:09:59,060
in your chair and you begin to do this

204
00:10:01,670 --> 00:10:00,030
whatever it is

205
00:10:05,180 --> 00:10:01,680
you would do it to me sound healing and

206
00:10:10,220 --> 00:10:05,190
just your intentions I felt the same

207
00:10:13,250 --> 00:10:10,230
experience I was split in half my

208
00:10:15,910 --> 00:10:13,260
essence my core was exposed as you begin

209
00:10:18,110 --> 00:10:15,920
to not only move away some of the

210
00:10:23,350 --> 00:10:18,120
energies that were no longer serving me

211
00:10:25,550 --> 00:10:23,360
but also polish refine wax and make new

212
00:10:27,920 --> 00:10:25,560
some things but mandra in that

213
00:10:30,380 --> 00:10:27,930

experience I begin to have a connection

214

00:10:34,850 --> 00:10:30,390

with the divine through many facets of

215

00:10:37,700 --> 00:10:34,860

many many masters what was this like for

216

00:10:41,900 --> 00:10:37,710

you when this was experience was being

217

00:10:44,180 --> 00:10:41,910

had that you were performing on me it's

218

00:10:46,820 --> 00:10:44,190

always a very powerful experience for me

219

00:10:48,560 --> 00:10:46,830

I get I just completely surrender and

220

00:10:50,420 --> 00:10:48,570

get out of the way when I go into my

221

00:10:52,340 --> 00:10:50,430

work I've learned that that's just

222

00:10:54,680 --> 00:10:52,350

because i am so sensitive and such a

223

00:10:56,980 --> 00:10:54,690

strong empathic that is the only way

224

00:10:59,780 --> 00:10:56,990

that i can do the work and so I

225

00:11:02,540 --> 00:10:59,790

literally just surrender to the energies

226

00:11:04,580 --> 00:11:02,550

as a clear and perfect channel for love

227

00:11:06,500 --> 00:11:04,590

like truth to come through so it's

228

00:11:09,830 --> 00:11:06,510

always very powerful for me it's very

229

00:11:12,290 --> 00:11:09,840

humbling because I'm seeing everything

230

00:11:14,750 --> 00:11:12,300

that's taking place I'm feeling it but

231

00:11:17,120 --> 00:11:14,760

I'm absolutely seeing it as well and I

232

00:11:19,640 --> 00:11:17,130

see exactly what is facilitated for the

233

00:11:21,890 --> 00:11:19,650

person who is receiving at that time and

234

00:11:24,140 --> 00:11:21,900

you can't give without receiving so I

235

00:11:26,780 --> 00:11:24,150

always receive as well but it's always

236

00:11:29,510 --> 00:11:26,790

such a beautiful humbling experience to

237

00:11:32,750 --> 00:11:29,520

be a facilitator for that and be a part

238

00:11:35,660 --> 00:11:32,760

of that experience for that person who's

239

00:11:40,880 --> 00:11:35,670

ready to move into a higher different

240

00:11:43,790 --> 00:11:40,890

aspect of themselves when this when the

241

00:11:46,130 --> 00:11:43,800

session was happening I was having

242

00:11:48,380 --> 00:11:46,140

experiences with masters I was having

243

00:11:51,380 --> 00:11:48,390

experience was divine light there was a

244

00:11:53,660 --> 00:11:51,390

goddess if you will stand before me in

245

00:11:55,550 --> 00:11:53,670

this emerald green dress and you know

246

00:11:58,550 --> 00:11:55,560

people may say well Keith how do you

247

00:12:00,890 --> 00:11:58,560

know that what trust me when this

248

00:12:03,200 --> 00:12:00,900

happens you know it there is no guessing

249

00:12:05,690 --> 00:12:03,210

about it but all these things that were

250

00:12:07,820 --> 00:12:05,700

happening to me I was waiting for coming

251

00:12:10,190 --> 00:12:07,830

out of the experience and as you said

252

00:12:12,290 --> 00:12:10,200

you cannot give without being receiver

253

00:12:14,590 --> 00:12:12,300

yourself you literally

254

00:12:17,720 --> 00:12:14,600

dated without me saying anything to you

255

00:12:19,460 --> 00:12:17,730

everything that was transpiring even the

256

00:12:23,930 --> 00:12:19,470

goddess that stood before me on I think

257

00:12:25,310 --> 00:12:23,940

you named as solera yes yes yes and

258

00:12:28,220 --> 00:12:25,320

that's you know that's part of the

259

00:12:30,320 --> 00:12:28,230

experience as well when I facilitate for

260

00:12:33,710 --> 00:12:30,330

others in that manner that's the reason

261

00:12:36,500 --> 00:12:33,720

you are so excited enthusiastic and you

262

00:12:38,690 --> 00:12:36,510

wanted to share with me and in as I told

263

00:12:40,070 --> 00:12:38,700

you it's best if you just let me open up

264

00:12:41,750 --> 00:12:40,080

and share with you what I saw because

265

00:12:44,240 --> 00:12:41,760

then it becomes validation for you

266

00:12:46,430 --> 00:12:44,250

because I absolutely need no validation

267

00:12:48,710 --> 00:12:46,440

it's not about me it's about the person

268

00:12:50,180 --> 00:12:48,720

that's receiving so to be able to share

269

00:12:51,710 --> 00:12:50,190

with you what I experienced you know

270

00:12:53,660 --> 00:12:51,720

what they would they said to me the

271

00:12:56,570 --> 00:12:53,670

messages that I got the visions that I

272

00:12:58,850 --> 00:12:56,580

got what I experienced on in a sensory

273

00:13:00,470 --> 00:12:58,860

level this validates you and your

274

00:13:02,240 --> 00:13:00,480

experience would you receive the

275

00:13:04,130 --> 00:13:02,250

messages coming in the activation see

276

00:13:06,680 --> 00:13:04,140

attunements all of that that's received

277

00:13:08,210 --> 00:13:06,690

during the session so it's it's awesome

278

00:13:09,590 --> 00:13:08,220

but yeah so when I share that with

279

00:13:11,600 --> 00:13:09,600

someone and then they come back and they

280

00:13:12,830 --> 00:13:11,610

say well that's exactly what I saw you

281

00:13:15,230 --> 00:13:12,840

know it may be just a little bit

282

00:13:16,850 --> 00:13:15,240

different but most of the time ninety

283

00:13:20,710 --> 00:13:16,860

nine ninety five to ninety nine percent

284

00:13:23,180 --> 00:13:20,720

of the time it it coincides very closely

285

00:13:25,160 --> 00:13:23,190

it was amazing for me sitting in that

286

00:13:27,440 --> 00:13:25,170

chair it would be the equivalent if you

287

00:13:29,030 --> 00:13:27,450

used to riding in a plane and then you

288

00:13:31,070 --> 00:13:29,040

get the opportunity to sit in a space

289

00:13:35,810 --> 00:13:31,080

shuttle with all that horsepower under

290

00:13:38,780 --> 00:13:35,820

you but uh and believe me listening on

291

00:13:40,760 --> 00:13:38,790

its when you walk into modrus healing

292

00:13:42,680 --> 00:13:40,770

facility there's every type of stone

293

00:13:44,900 --> 00:13:42,690

every type of gym they're all under your

294

00:13:46,940 --> 00:13:44,910

chair they're all over the building when

295

00:13:48,950 --> 00:13:46,950

you walk in this place you you literally

296

00:13:51,980 --> 00:13:48,960

have no choice in the matter but to

297

00:13:55,610 --> 00:13:51,990

vibrate to higher energies when I was in

298

00:13:58,910 --> 00:13:55,620

this experience like you um validating

299

00:14:00,710 --> 00:13:58,920

what I was receiving I was receiving the

300

00:14:02,270 --> 00:14:00,720

message that I imparted to listening on

301
00:14:04,460 --> 00:14:02,280
it's at the top of the show when I was

302
00:14:07,340 --> 00:14:04,470
going in to my schpeel um you know the

303
00:14:10,490 --> 00:14:07,350
opening of the show that these masters

304
00:14:13,360 --> 00:14:10,500
are now allowing was they have always in

305
00:14:17,660 --> 00:14:13,370
my life but at least at this point of my

306
00:14:20,480 --> 00:14:17,670
radio host journey they are really going

307
00:14:23,150 --> 00:14:20,490
to start pushing um

308
00:14:25,430 --> 00:14:23,160
this kind of high-level vibrational

309
00:14:27,530 --> 00:14:25,440
energy through the center of light radio

310
00:14:31,340 --> 00:14:27,540
and you did receive that information as

311
00:14:32,630 --> 00:14:31,350
well yes I did absolutely i did and you

312
00:14:35,180 --> 00:14:32,640
know i'm bringing this up not as a

313
00:14:37,579 --> 00:14:35,190

braggy a four key but the idea and for

314

00:14:39,440 --> 00:14:37,589

the reasoning that center of light radio

315

00:14:41,300 --> 00:14:39,450

if you think about everything that is in

316

00:14:43,190 --> 00:14:41,310

the connotation center of light that's

317

00:14:44,920 --> 00:14:43,200

exactly what my intention has been for

318

00:14:47,930 --> 00:14:44,930

many many years as a spiritual teacher

319

00:14:51,110 --> 00:14:47,940

was to create that kind of super highway

320

00:14:53,050 --> 00:14:51,120

for the upliftment of humanity and so i

321

00:14:55,460 --> 00:14:53,060

want to say thank you very much for

322

00:14:58,670 --> 00:14:55,470

allowing me to come to your beautiful

323

00:15:00,670 --> 00:14:58,680

facility and doing what you do so well

324

00:15:02,810 --> 00:15:00,680

that you did on me I'm truly grateful

325

00:15:04,550 --> 00:15:02,820

I'm grateful to be a part of the

326

00:15:06,620 --> 00:15:04,560

experience as well Keith I'm honored

327

00:15:09,620 --> 00:15:06,630

that that you chose again it's all

328

00:15:11,150 --> 00:15:09,630

synchronicity that you connected with me

329

00:15:13,490 --> 00:15:11,160

when you did wanting to set up a session

330

00:15:15,230 --> 00:15:13,500

and I knew the moment did you connected

331

00:15:19,220 --> 00:15:15,240

with me as I do with a lot of people i

332

00:15:22,519 --> 00:15:19,230

knew that there was something that was

333

00:15:26,290 --> 00:15:22,529

coming up the pipes for you giving you

334

00:15:29,240 --> 00:15:26,300

let's say a new part of your mission

335

00:15:31,220 --> 00:15:29,250

that would be for coming and you are

336

00:15:36,470 --> 00:15:31,230

already moving into it so this was just

337

00:15:38,120 --> 00:15:36,480

the the closing touches on that but i

338

00:15:42,560 --> 00:15:38,130

might have to go sit back in your chair

339

00:15:45,319 --> 00:15:42,570

just for the sheer enjoy and you know in

340

00:15:48,740 --> 00:15:45,329

closing the story about my experience

341

00:15:51,199 --> 00:15:48,750

with you last Tuesday was I told you

342

00:15:53,060 --> 00:15:51,209

that I kept receiving over and over and

343

00:15:55,400 --> 00:15:53,070

over towards the end of this experience

344

00:15:57,980 --> 00:15:55,410

the Lazarus effect the Lazarus effect

345

00:15:59,449 --> 00:15:57,990

the Lazarus effect as soon as I walk out

346

00:16:01,579 --> 00:15:59,459

of your office i get my phone they check

347

00:16:05,000 --> 00:16:01,589

messages i check facebook and someone

348

00:16:06,980 --> 00:16:05,010

invites me to join the group the sons of

349

00:16:08,930 --> 00:16:06,990

Lazarus so i thought it was a nice piece

350

00:16:12,440 --> 00:16:08,940

of synchronicity there which brings us

351
00:16:14,990 --> 00:16:12,450
to our show today about synchronicity I

352
00:16:17,090 --> 00:16:15,000
love the subject tell me tell the

353
00:16:18,949 --> 00:16:17,100
listening audience what synchronicity is

354
00:16:21,610 --> 00:16:18,959
for you and how it works in your life

355
00:16:24,680 --> 00:16:21,620
and the magic behind the whole idea I

356
00:16:27,110 --> 00:16:24,690
have learned that synchronicity is that

357
00:16:29,420 --> 00:16:27,120
your life on purpose as I say and I've

358
00:16:31,580 --> 00:16:29,430
come to realize that we set that in

359
00:16:33,710 --> 00:16:31,590
motion with our intentions

360
00:16:36,500 --> 00:16:33,720
as we move forward in our lives i

361
00:16:40,190 --> 00:16:36,510
remember back and i'm going to say them

362
00:16:43,100 --> 00:16:40,200
and the early 2000s just before things

363
00:16:45,440 --> 00:16:43,110

began popping for me that setting things

364

00:16:48,200 --> 00:16:45,450

into motion of what i would like to be

365

00:16:50,480 --> 00:16:48,210

doing at that time and not really

366

00:16:53,660 --> 00:16:50,490

thinking in that moment that it's even

367

00:16:54,830 --> 00:16:53,670

possible you know in a heart level you

368

00:16:57,740 --> 00:16:54,840

think well that would be really awesome

369

00:16:59,810 --> 00:16:57,750

but you really can't see exactly how it

370

00:17:03,350 --> 00:16:59,820

might happen but in that moment the

371

00:17:05,690 --> 00:17:03,360

universe grabs that intention because it

372

00:17:07,340 --> 00:17:05,700

is part of your life purpose and all of

373

00:17:10,220 --> 00:17:07,350

a sudden you have reached that place

374

00:17:11,540 --> 00:17:10,230

where you're ready to step into that you

375

00:17:13,280 --> 00:17:11,550

don't always know exactly what it's

376

00:17:15,560 --> 00:17:13,290

always going to entail and if you did

377

00:17:17,120 --> 00:17:15,570

you might not step into it so

378

00:17:19,250 --> 00:17:17,130

wholeheartedly in the beginning right

379

00:17:22,250 --> 00:17:19,260

but you know I've you know what I've

380

00:17:23,960 --> 00:17:22,260

experienced in the last 15 years thanks

381

00:17:27,140 --> 00:17:23,970

to synchronicity I look back and it goes

382

00:17:29,930 --> 00:17:27,150

way beyond 15 years but I look back over

383

00:17:32,210 --> 00:17:29,940

the whole the whole of my life and I see

384

00:17:35,210 --> 00:17:32,220

how synchronicity has played a part in

385

00:17:37,520 --> 00:17:35,220

my intention my connection with my faith

386

00:17:40,220 --> 00:17:37,530

my guidance my you know the source

387

00:17:42,380 --> 00:17:40,230

energy my heart and soul and how it's

388

00:17:45,020 --> 00:17:42,390

come to fruition and where it is right

389

00:17:47,750 --> 00:17:45,030

now and the understanding now like I've

390

00:17:49,670 --> 00:17:47,760

never understood it before of the energy

391

00:17:51,680 --> 00:17:49,680

and how everything is energy and energy

392

00:17:55,180 --> 00:17:51,690

being a tool and a resource for us and

393

00:17:59,300 --> 00:17:55,190

how we utilize that energy to create and

394

00:18:02,060 --> 00:17:59,310

synchronicity uses our thoughts our

395

00:18:04,520 --> 00:18:02,070

words and our actions to create you know

396

00:18:05,750 --> 00:18:04,530

the universe through synchronicity uses

397

00:18:08,600 --> 00:18:05,760

our words our thoughts and our actions

398

00:18:10,400 --> 00:18:08,610

to create for us that which is on

399

00:18:13,250 --> 00:18:10,410

purpose for us in our life and on our

400

00:18:14,630 --> 00:18:13,260

journey so you know I learned years ago

401
00:18:16,340 --> 00:18:14,640
when somebody said you know there are no

402
00:18:18,080 --> 00:18:16,350
coincidence there are no accidents I

403
00:18:20,510 --> 00:18:18,090
thought hmm I'm going to have to think

404
00:18:22,250 --> 00:18:20,520
about that for a little bit but as I

405
00:18:24,920 --> 00:18:22,260
have progressed in my own evolutionary

406
00:18:27,050 --> 00:18:24,930
process I absolutely see that everything

407
00:18:29,360 --> 00:18:27,060
is on purpose you know everything serves

408
00:18:31,070 --> 00:18:29,370
a purpose everything serves whether it's

409
00:18:33,890 --> 00:18:31,080
for me or for someone else in that

410
00:18:35,330 --> 00:18:33,900
moment you know I may not realize the

411
00:18:37,820 --> 00:18:35,340
purpose of it in that moment I may be

412
00:18:39,440 --> 00:18:37,830
facilitating for someone else but it is

413
00:18:41,720 --> 00:18:39,450

there is a there's purpose for

414

00:18:43,310 --> 00:18:41,730

everything and just because we can't see

415

00:18:44,510 --> 00:18:43,320

it doesn't mean it doesn't exist just

416

00:18:45,139 --> 00:18:44,520

like gravity just because you don't

417

00:18:46,339 --> 00:18:45,149

understand

418

00:18:47,539 --> 00:18:46,349

doesn't mean that you're not going to

419

00:18:52,999 --> 00:18:47,549

hit the ground if you jump off of a

420

00:18:55,669 --> 00:18:53,009

building Yeah right perfect story years

421

00:18:57,440 --> 00:18:55,679

years ago I had a small meditation group

422

00:18:58,639 --> 00:18:57,450

in my house and some friends come over

423

00:19:01,219 --> 00:18:58,649

and we're waiting on other friends and

424

00:19:03,409 --> 00:19:01,229

until then I was just using some tarot

425

00:19:04,430 --> 00:19:03,419

cards thrown some things around and I

426

00:19:07,070 --> 00:19:04,440

looked at a friend of mine by the name

427

00:19:08,989 --> 00:19:07,080

of Kenya said Kenya I was actually given

428

00:19:10,310 --> 00:19:08,999

a group reading I said Kenny your spirit

429

00:19:11,839 --> 00:19:10,320

guides are laughing at you he said why

430

00:19:13,489 --> 00:19:11,849

is that is it because they're about to

431

00:19:15,889 --> 00:19:13,499

do something in your life in very near

432

00:19:17,839 --> 00:19:15,899

future and that you will not literally

433

00:19:19,759 --> 00:19:17,849

be able to contain yourself he said well

434

00:19:21,769 --> 00:19:19,769

tell him to bring it on I said well okay

435

00:19:24,499 --> 00:19:21,779

I guess it's on its way well friend of

436

00:19:26,389 --> 00:19:24,509

mine shows up and she decides to walk in

437

00:19:27,440 --> 00:19:26,399

and we sit down and she's what are you

438

00:19:29,599 --> 00:19:27,450

talking about we're talking about

439

00:19:33,079 --> 00:19:29,609

synchronicity and that was the subject

440

00:19:35,209 --> 00:19:33,089

at the time and innate they asked well

441

00:19:38,329 --> 00:19:35,219

how does synchronously actually work I

442

00:19:40,609 --> 00:19:38,339

said well I said if you imagine i'm

443

00:19:42,919 --> 00:19:40,619

watching a particular program or you and

444

00:19:44,570 --> 00:19:42,929

i have a dialogue and i'm watching a

445

00:19:46,609 --> 00:19:44,580

particular program and you and i begin

446

00:19:48,560 --> 00:19:46,619

to talk about Cyclops for whatever

447

00:19:49,700 --> 00:19:48,570

reason I used award Cyclops and so you

448

00:19:51,589 --> 00:19:49,710

know that's kind of funny i'm actually

449

00:19:55,459 --> 00:19:51,599

watching a show right now bites on clots

450

00:19:57,499 --> 00:19:55,469

and then if Kerry Wood call for some

451
00:19:59,749 --> 00:19:57,509
reason Cyclops comes into the

452
00:20:02,839 --> 00:19:59,759
conversation so that it's not a very

453
00:20:05,570 --> 00:20:02,849
very common subject that's talked about

454
00:20:07,849 --> 00:20:05,580
yet in the three minutes this comes to

455
00:20:09,889 --> 00:20:07,859
the fore so this would be somewhat of a

456
00:20:12,680 --> 00:20:09,899
synchronicity and then Kari proceeded to

457
00:20:14,269 --> 00:20:12,690
say what did you just say and I said we

458
00:20:16,700 --> 00:20:14,279
were talking about Cyclops and she takes

459
00:20:19,459 --> 00:20:16,710
off a baseball cap and she has a hat pin

460
00:20:21,709 --> 00:20:19,469
with the word with an image of a cyclops

461
00:20:24,229 --> 00:20:21,719
on it and of course my friend Kenya was

462
00:20:25,549 --> 00:20:24,239
so elated and so moved by it he got off

463
00:20:27,769 --> 00:20:25,559

the floor and Lily could not contain

464

00:20:31,389 --> 00:20:27,779

himself so my point is the whole

465

00:20:34,989 --> 00:20:31,399

experience was birthed happened and

466

00:20:38,419 --> 00:20:34,999

completed itself in a matter of moments

467

00:20:40,279 --> 00:20:38,429

so from from if I may read from the

468

00:20:42,259 --> 00:20:40,289

Divine Principle I asked God or spirit

469

00:20:43,969 --> 00:20:42,269

Higher Self know so where does

470

00:20:46,549 --> 00:20:43,979

synchronicity come from how does it

471

00:20:48,079 --> 00:20:46,559

manifest in what does it mean and in my

472

00:20:50,169 --> 00:20:48,089

experience with the divine as I'm

473

00:20:52,879 --> 00:20:50,179

writing the Divine Principle it says

474

00:20:54,889 --> 00:20:52,889

suku new city is born out of my essence

475

00:20:56,509 --> 00:20:54,899

in the causal realm from there it swirls

476
00:20:57,820 --> 00:20:56,519
through the mind and into your feelings

477
00:20:59,830 --> 00:20:57,830
aligning events

478
00:21:02,440 --> 00:20:59,840
round you on the earth plane but

479
00:21:04,120 --> 00:21:02,450
coincidences have no significance other

480
00:21:07,299 --> 00:21:04,130
than to get your attention through

481
00:21:13,750 --> 00:21:07,309
higher means so that you can grasp the

482
00:21:15,460 --> 00:21:13,760
very alignment that you are in yes so

483
00:21:18,340 --> 00:21:15,470
like dr. Markway says it's not always

484
00:21:21,100 --> 00:21:18,350
about the magic of what you're receiving

485
00:21:24,130 --> 00:21:21,110
it's the fact that you are able to grasp

486
00:21:25,960 --> 00:21:24,140
that you are in an ax in alignment would

487
00:21:28,389 --> 00:21:25,970
you agree with that love absolutely

488
00:21:30,850 --> 00:21:28,399

absolutely it's those little those

489

00:21:37,690 --> 00:21:30,860

little sign post along the way that say

490

00:21:40,090 --> 00:21:37,700

you're on that yellow brick road I wish

491

00:21:42,669 --> 00:21:40,100

they would happen a little more what I

492

00:21:44,440 --> 00:21:42,679

am you know that we say to we get caught

493

00:21:46,570 --> 00:21:44,450

up in our life and everything it's

494

00:21:48,399 --> 00:21:46,580

happening instantaneously all the time

495

00:21:50,649 --> 00:21:48,409

you know it is one of those things that

496

00:21:54,610 --> 00:21:50,659

is the magic of life that is the magic

497

00:21:57,039 --> 00:21:54,620

of our journey the more we are focused

498

00:21:59,019 --> 00:21:57,049

on that and not saying that we're lost

499

00:22:01,299 --> 00:21:59,029

in that focus but the more we're paying

500

00:22:03,490 --> 00:22:01,309

attention the more we see I mean it's

501
00:22:05,200 --> 00:22:03,500
like everywhere you look I experience

502
00:22:07,389 --> 00:22:05,210
that every day now and it's just it is

503
00:22:09,669 --> 00:22:07,399
it it's like magic to me I love it and

504
00:22:11,080 --> 00:22:09,679
I'm so grateful for it on a daily basis

505
00:22:13,480 --> 00:22:11,090
and I tell people this is what you look

506
00:22:15,909 --> 00:22:13,490
for you know the universe is always

507
00:22:17,710 --> 00:22:15,919
giving you confirmation and validation

508
00:22:19,029 --> 00:22:17,720
and sighs letting you know you're on

509
00:22:21,100 --> 00:22:19,039
that you know this is what you were

510
00:22:22,629 --> 00:22:21,110
asking for you're on the right path this

511
00:22:25,060 --> 00:22:22,639
is going to this is going to take you

512
00:22:27,340 --> 00:22:25,070
further in that direction that you were

513
00:22:29,289 --> 00:22:27,350

seeking at that time so the more we're

514

00:22:31,149 --> 00:22:29,299

paying attention you know the more we're

515

00:22:33,759 --> 00:22:31,159

focused on that vision and moving

516

00:22:37,180 --> 00:22:33,769

forward as opposed to being distracted

517

00:22:39,820 --> 00:22:37,190

or caught up in drama or other people's

518

00:22:41,889 --> 00:22:39,830

drama or the just the drama of the

519

00:22:43,899 --> 00:22:41,899

collective at the present time you know

520

00:22:45,639 --> 00:22:43,909

the more the less were caught up in that

521

00:22:48,009 --> 00:22:45,649

the more we're going to see that the

522

00:22:49,810 --> 00:22:48,019

those synchronistic signpost all

523

00:22:52,539 --> 00:22:49,820

throughout our life I you know I'm

524

00:22:55,210 --> 00:22:52,549

constantly amazed by in my own journey

525

00:22:56,919 --> 00:22:55,220

but also in those that I provide

526

00:22:58,149 --> 00:22:56,929

services for how they'll come to me and

527

00:22:59,889 --> 00:22:58,159

say you know you told me about this

528

00:23:01,299 --> 00:22:59,899

business and the moment I walked out of

529

00:23:03,159 --> 00:23:01,309

here just like you were saying the

530

00:23:04,690 --> 00:23:03,169

moment I walked out of here I hear this

531

00:23:06,159 --> 00:23:04,700

on the radio or I saw this or this

532

00:23:08,889 --> 00:23:06,169

person came to me and said this and it's

533

00:23:11,000 --> 00:23:08,899

like absolutely you know you can't make

534

00:23:14,120 --> 00:23:11,010

this stuff up just all it is

535

00:23:16,130 --> 00:23:14,130

pay attention yeah yeah you know yeah

536

00:23:18,080 --> 00:23:16,140

absolutely and again you you brought up

537

00:23:20,540 --> 00:23:18,090

the same example I gave earlier about

538

00:23:23,090 --> 00:23:20,550

when I walked out of your office I kept

539

00:23:24,980 --> 00:23:23,100

hearing the Lazarus effect Lazarus

540

00:23:26,870 --> 00:23:24,990

effect and I show a look on my facebook

541

00:23:28,910 --> 00:23:26,880

and there's someone inviting me to join

542

00:23:30,560 --> 00:23:28,920

a group called the sons of Lazarus now

543

00:23:32,540 --> 00:23:30,570

most people will say okay Keith well

544

00:23:34,310 --> 00:23:32,550

let's just call that quote let's use the

545

00:23:35,990 --> 00:23:34,320

old paradigm coincidence it's likely

546

00:23:38,120 --> 00:23:36,000

something like that would show up

547

00:23:40,820 --> 00:23:38,130

because you're into so many spiritual

548

00:23:42,740 --> 00:23:40,830

things the odds uh that's something like

549

00:23:46,130 --> 00:23:42,750

that would show was pretty good so let's

550

00:23:48,140 --> 00:23:46,140

no no no no no that is what exactly what

551
00:23:50,990 --> 00:23:48,150
we're talking about that is the

552
00:23:52,160 --> 00:23:51,000
synchronicity those kinds of sight like

553
00:23:54,290 --> 00:23:52,170
you said there are no accidents

554
00:23:56,900 --> 00:23:54,300
everything is energy everything is

555
00:23:59,390 --> 00:23:56,910
responding to your tapestry what you

556
00:24:01,730 --> 00:23:59,400
move the tapestry is responding so those

557
00:24:03,230 --> 00:24:01,740
little things in my life in your life

558
00:24:06,680 --> 00:24:03,240
listening on its whoever you may be

559
00:24:08,990 --> 00:24:06,690
those little connecting dots kinds of

560
00:24:11,090 --> 00:24:09,000
experiences when you pay attention to

561
00:24:12,530 --> 00:24:11,100
those then the synchronicity in the

562
00:24:14,570 --> 00:24:12,540
events that began to happen in your life

563
00:24:17,600 --> 00:24:14,580

become bigger grander faster more

564

00:24:19,160 --> 00:24:17,610

awesome yes absolutely and one of my

565

00:24:21,620 --> 00:24:19,170

teachers once told me you know when we

566

00:24:24,110 --> 00:24:21,630

asked for something from guidance from

567

00:24:25,970 --> 00:24:24,120

the universe and then it shows up and

568

00:24:28,760 --> 00:24:25,980

then we go oh my gosh I don't believe

569

00:24:30,260 --> 00:24:28,770

this we slept slept them in the face you

570

00:24:32,630 --> 00:24:30,270

know we've closed the book in their face

571

00:24:34,790 --> 00:24:32,640

so so you know she you know one of her

572

00:24:36,830 --> 00:24:34,800

her big messages was when something

573

00:24:38,510 --> 00:24:36,840

shows up it doesn't matter in that

574

00:24:40,520 --> 00:24:38,520

moment if you think wow this is too good

575

00:24:44,840 --> 00:24:40,530

to believe just keep your mouth shut and

576
00:24:48,860 --> 00:24:44,850
say thank you yeah what what can it hurt

577
00:24:51,500 --> 00:24:48,870
I'm only I can do right only it can only

578
00:24:54,200 --> 00:24:51,510
help so let's say someone comes across

579
00:24:56,270 --> 00:24:54,210
this radio show in the near future and

580
00:24:58,370 --> 00:24:56,280
they say okay I understand the idea

581
00:25:01,880 --> 00:24:58,380
things that I might in my pass have

582
00:25:04,220 --> 00:25:01,890
called sink ah coincidences or I get the

583
00:25:07,370 --> 00:25:04,230
idea that they may mean something how

584
00:25:10,160 --> 00:25:07,380
can one begin to accelerate implement

585
00:25:13,760 --> 00:25:10,170
certain ideas certain practices in their

586
00:25:17,180 --> 00:25:13,770
life other than I guess is the tool just

587
00:25:20,000 --> 00:25:17,190
becoming aware what else to the formula

588
00:25:22,880 --> 00:25:20,010

they can add to bring about their vision

589

00:25:24,300 --> 00:25:22,890

their ability to cite such coincidence

590

00:25:28,350 --> 00:25:24,310

or to make them happen how

591

00:25:30,240 --> 00:25:28,360

ever yes the one of the main tools is

592

00:25:32,310 --> 00:25:30,250

becoming aware being mindful paying

593

00:25:34,710 --> 00:25:32,320

attention you know when somebody asks

594

00:25:37,740 --> 00:25:34,720

for a sign and then they're not paying

595

00:25:40,890 --> 00:25:37,750

attention and I tell people a lot of

596

00:25:43,080 --> 00:25:40,900

times you can even give the universe the

597

00:25:45,780 --> 00:25:43,090

sign that you want to receive every time

598

00:25:47,220 --> 00:25:45,790

you ask to see a sign and they love it

599

00:25:48,690 --> 00:25:47,230

because they don't have to go through

600

00:25:50,760 --> 00:25:48,700

this long list of throwing out these

601
00:25:52,800 --> 00:25:50,770
signs and hearing you go I asked for

602
00:25:54,960 --> 00:25:52,810
sign but but I never received it you

603
00:25:56,580 --> 00:25:54,970
know so I know what my sign is and it

604
00:25:58,470 --> 00:25:56,590
doesn't matter where I am or what I'm

605
00:26:01,440 --> 00:25:58,480
doing when I asked for a sign from the

606
00:26:03,630 --> 00:26:01,450
divine I have that sign that shows up I

607
00:26:05,790 --> 00:26:03,640
don't care where I am and it is just a

608
00:26:08,640 --> 00:26:05,800
universe's way of saying we heard you we

609
00:26:11,280 --> 00:26:08,650
got your back and it always instills a

610
00:26:13,410 --> 00:26:11,290
sense of peace and calm for me so it is

611
00:26:16,560 --> 00:26:13,420
about making that connection being aware

612
00:26:18,300 --> 00:26:16,570
being mindful expressing gratitude for

613
00:26:20,730 --> 00:26:18,310

all that's coming through in guiding you

614

00:26:22,740 --> 00:26:20,740

because you know when we ask for changes

615

00:26:24,240 --> 00:26:22,750

in our lives when we're ready to move

616

00:26:26,490 --> 00:26:24,250

forward in a different light or in a

617

00:26:28,050 --> 00:26:26,500

different path or purpose or in a

618

00:26:30,420 --> 00:26:28,060

different part of our journey you know

619

00:26:32,730 --> 00:26:30,430

the universe begins in that moment when

620

00:26:35,910 --> 00:26:32,740

we express that intention and that

621

00:26:37,830 --> 00:26:35,920

desire it begins constructing that

622

00:26:40,440 --> 00:26:37,840

orchestrating net for us so it is a

623

00:26:42,690 --> 00:26:40,450

matter of being mindful and attentive to

624

00:26:45,390 --> 00:26:42,700

what's showing up on your path you know

625

00:26:46,650 --> 00:26:45,400

after you express that intention you

626
00:26:48,390 --> 00:26:46,660
know I'll tell people you know when they

627
00:26:52,080 --> 00:26:48,400
say well this you know certain things

628
00:26:53,460 --> 00:26:52,090
happened about a year ago and these are

629
00:26:56,010 --> 00:26:53,470
the things that came into play for me

630
00:26:58,920 --> 00:26:56,020
and I was like what what where were you

631
00:27:00,780 --> 00:26:58,930
in that moment you know that you express

632
00:27:02,550 --> 00:27:00,790
that you want to change that you know

633
00:27:04,680 --> 00:27:02,560
what kind of change did you express when

634
00:27:06,870 --> 00:27:04,690
you when you think back on it if you can

635
00:27:08,580 --> 00:27:06,880
think back that far some of us can some

636
00:27:11,910 --> 00:27:08,590
of us can't it depends on if we slept

637
00:27:14,430 --> 00:27:11,920
last night but but if you think back on

638
00:27:16,770 --> 00:27:14,440

it you can see how you set things into

639

00:27:18,990 --> 00:27:16,780

motion just with your intentions your

640

00:27:21,450 --> 00:27:19,000

desires your prayers you know what have

641

00:27:23,010 --> 00:27:21,460

you in that moment and how things begin

642

00:27:25,320 --> 00:27:23,020

to change for yourself and then you can

643

00:27:27,420 --> 00:27:25,330

see how the universe conspire to

644

00:27:29,400 --> 00:27:27,430

synchronistic alee set it up for you

645

00:27:30,600 --> 00:27:29,410

okay if you're paying attention and if

646

00:27:32,880 --> 00:27:30,610

you're not you might take a little bit

647

00:27:34,710 --> 00:27:32,890

of a detour you chances are you'll find

648

00:27:36,600 --> 00:27:34,720

your way back but it's going to be a

649

00:27:37,789 --> 00:27:36,610

little bit longer of a journey but it's

650

00:27:42,950 --> 00:27:37,799

always

651
00:27:44,960 --> 00:27:42,960
is just you know the biggest tool is

652
00:27:47,090 --> 00:27:44,970
about being mindful and attentive being

653
00:27:51,889 --> 00:27:47,100
aware always you know aware is

654
00:27:54,440 --> 00:27:51,899
connection and protection so one part of

655
00:27:56,299 --> 00:27:54,450
that formula would be being open to

656
00:27:59,779 --> 00:27:56,309
seeing you know seeing is not only

657
00:28:01,759 --> 00:27:59,789
confined to the eye sees a way of taking

658
00:28:04,369 --> 00:28:01,769
in information so one part of that would

659
00:28:06,859 --> 00:28:04,379
be being aware of practicing awareness

660
00:28:08,090 --> 00:28:06,869
practicing awareness expansion but I

661
00:28:10,460 --> 00:28:08,100
think something else that you had

662
00:28:12,379 --> 00:28:10,470
mentioned that actually helps push it

663
00:28:13,820 --> 00:28:12,389

along faster further better whatever

664

00:28:16,909 --> 00:28:13,830

words you a person would choose to use

665

00:28:18,200 --> 00:28:16,919

would be gratitude by taking on the idea

666

00:28:19,399 --> 00:28:18,210

what could that possibly be what they

667

00:28:22,639 --> 00:28:19,409

were talking about well yes well then

668

00:28:25,909 --> 00:28:22,649

thank you that that thank you helps to

669

00:28:27,529 --> 00:28:25,919

push that Colonel long so it kind of

670

00:28:30,259 --> 00:28:27,539

would open up more of your peripheral

671

00:28:32,629 --> 00:28:30,269

awareness senses because as you are

672

00:28:34,999 --> 00:28:32,639

grateful you are again stating an

673

00:28:37,399 --> 00:28:35,009

intention which will call back to you

674

00:28:39,979 --> 00:28:37,409

another reason and another reason and

675

00:28:42,700 --> 00:28:39,989

another reason to be grateful in so

676
00:28:46,279 --> 00:28:42,710
doing it your awareness begins to expand

677
00:28:50,320 --> 00:28:46,289
absolutely yes absolutely hmm that was

678
00:28:56,419 --> 00:28:50,330
very nicely I i understood that module

679
00:28:58,399 --> 00:28:56,429
but we are at the bottom of the hour

680
00:29:01,039 --> 00:28:58,409
gosh time does fly when you're having

681
00:29:02,899 --> 00:29:01,049
fun would you give out your contact

682
00:29:04,879 --> 00:29:02,909
information module how the listening on

683
00:29:09,229 --> 00:29:04,889
its can find you and more about your

684
00:29:13,909 --> 00:29:09,239
powerful work okay my website is cranial

685
00:29:20,599 --> 00:29:13,919
visions calm my email address is mother

686
00:29:22,039 --> 00:29:20,609
wind 14 @ gmail.com yeah listen audience

687
00:29:24,139 --> 00:29:22,049
if you happen to be in the Memphis area

688
00:29:27,200 --> 00:29:24,149

make sure you consider a visit to our

689

00:29:29,599 --> 00:29:27,210

office and if not she does do long

690

00:29:31,220 --> 00:29:29,609

distance um session so make sure you

691

00:29:33,499 --> 00:29:31,230

check that out man I'm again I'm going

692

00:29:35,450 --> 00:29:33,509

back to the Divine Principle not not as

693

00:29:37,789 --> 00:29:35,460

a shameless plug but just a fact into

694

00:29:39,470 --> 00:29:37,799

some very powerful information in this

695

00:29:41,899 --> 00:29:39,480

particular work it took eight years of

696

00:29:44,629 --> 00:29:41,909

my life those eight years of my life

697

00:29:47,570 --> 00:29:44,639

were pretty much in unbroken meditation

698

00:29:51,610 --> 00:29:47,580

as much as possible but this particular

699

00:29:53,200 --> 00:29:51,620

police says as you continue to awaken

700

00:29:56,020 --> 00:29:53,210

everything will come into clearer

701

00:29:57,730 --> 00:29:56,030

clearer view the pace of change were

702

00:30:01,930 --> 00:29:57,740

quicken for you and synchronized

703

00:30:04,330 --> 00:30:01,940

phenomena will occur more frequently the

704

00:30:07,090 --> 00:30:04,340

more you can successfully navigate using

705

00:30:09,640 --> 00:30:07,100

the compass of synchronicity the more

706

00:30:13,450 --> 00:30:09,650

effective you will be as the captain of

707

00:30:16,180 --> 00:30:13,460

your own master ship then nothing will

708

00:30:19,060 --> 00:30:16,190

slip by you unmonitored and the wake of

709

00:30:23,260 --> 00:30:19,070

your past will be replaced with your own

710

00:30:25,720 --> 00:30:23,270

will power this is how you will evolve

711

00:30:29,890 --> 00:30:25,730

my point of reading that particular

712

00:30:31,720 --> 00:30:29,900

passage is we are waking up as a world

713

00:30:33,880 --> 00:30:31,730

the world is waking up now if you're

714

00:30:36,520 --> 00:30:33,890

looking at the world and you see Isis

715

00:30:39,310 --> 00:30:36,530

and you see terrorism yeah it's great to

716

00:30:41,830 --> 00:30:39,320

recognize those movements of energy in

717

00:30:44,680 --> 00:30:41,840

your life or in the global life I get it

718

00:30:47,620 --> 00:30:44,690

but when this becomes your post and this

719

00:30:49,090 --> 00:30:47,630

becomes your news feed on Fox News or

720

00:30:50,530 --> 00:30:49,100

whatever it is that you're taking and

721

00:30:52,360 --> 00:30:50,540

stuff because as you're taking this

722

00:30:56,260 --> 00:30:52,370

stuff you do have an output you

723

00:30:58,480 --> 00:30:56,270

vibrating my point is we are waking up

724

00:31:01,090 --> 00:30:58,490

as a planet we are and the fact that we

725

00:31:03,700 --> 00:31:01,100

are doing that as we're doing that we

726

00:31:06,430 --> 00:31:03,710

are all taking on more attributes of the

727

00:31:08,830 --> 00:31:06,440

divine the divine is the Creator so we

728

00:31:12,100 --> 00:31:08,840

taking on creative attributes and as we

729

00:31:14,440 --> 00:31:12,110

begin to do this the process of creation

730

00:31:16,690 --> 00:31:14,450

through us begins to happen at an

731

00:31:21,160 --> 00:31:16,700

accelerated rate would you agree with

732

00:31:22,540 --> 00:31:21,170

that absolutely absolutely it aware

733

00:31:25,090 --> 00:31:22,550

pneus is the raising of the

734

00:31:27,930 --> 00:31:25,100

consciousness as well and and for you

735

00:31:31,270 --> 00:31:27,940

know I myself again I emphasize that I

736

00:31:33,910 --> 00:31:31,280

was it was brought to my awareness back

737

00:31:36,880 --> 00:31:33,920

when my life began to change back in the

738

00:31:38,560 --> 00:31:36,890

early 2000s how empathic I was and

739

00:31:42,070 --> 00:31:38,570

although I always knew I was sensitive i

740

00:31:44,260 --> 00:31:42,080

had no idea to what level until they my

741

00:31:46,299 --> 00:31:44,270

god it specifically showed me and what

742

00:31:48,910 --> 00:31:46,309

they showed me is that and one of the

743

00:31:50,140 --> 00:31:48,920

messages that my daughter when she was

744

00:31:52,299 --> 00:31:50,150

growing up one of the things that she

745

00:31:54,970 --> 00:31:52,309

said to me that that went right into my

746

00:31:57,160 --> 00:31:54,980

heart is at one point in life and we

747

00:31:59,620 --> 00:31:57,170

were discussing drama and some things

748

00:32:01,060 --> 00:31:59,630

going on she said to me well mom the

749

00:32:03,250 --> 00:32:01,070

great thing about you is that you don't

750

00:32:05,400 --> 00:32:03,260

allow things to consume you and I

751
00:32:09,340 --> 00:32:05,410
thought wow I think that's a compliment

752
00:32:12,910 --> 00:32:09,350
and so as I move forward in my life I

753
00:32:15,250 --> 00:32:12,920
thought that is a huge skill and ability

754
00:32:17,380 --> 00:32:15,260
because so many people do get consumed

755
00:32:19,990 --> 00:32:17,390
by what's going on around them and

756
00:32:21,820 --> 00:32:20,000
what's going on on the world in the in

757
00:32:24,040 --> 00:32:21,830
the world and around them and coming

758
00:32:26,410 --> 00:32:24,050
across the airwaves and what my god has

759
00:32:29,400 --> 00:32:26,420
taught me is that something I can't

760
00:32:32,080 --> 00:32:29,410
focus on you know when it's one thing to

761
00:32:34,150 --> 00:32:32,090
know about something you know say the

762
00:32:36,430 --> 00:32:34,160
floods in Texas and all what's going on

763
00:32:40,630 --> 00:32:36,440

but to focus on that you're just giving

764

00:32:42,040 --> 00:32:40,640

energy to the chaos and the catastrophic

765

00:32:44,950 --> 00:32:42,050

destruction that's taking place right

766

00:32:48,010 --> 00:32:44,960

now as opposed to holding it in a higher

767

00:32:50,440 --> 00:32:48,020

vibration focusing on it through love

768

00:32:53,650 --> 00:32:50,450

and light and in raising the vibration

769

00:32:55,720 --> 00:32:53,660

and having compassion for everybody

770

00:32:58,950 --> 00:32:55,730

including the planet including the earth

771

00:33:02,020 --> 00:32:58,960

energies that are involved this is a

772

00:33:05,560 --> 00:33:02,030

transitional phase for not just us but

773

00:33:08,440 --> 00:33:05,570

the earth as well so being aware of it

774

00:33:11,230 --> 00:33:08,450

is different than being consumed by it

775

00:33:13,360 --> 00:33:11,240

and not focusing on it every single

776

00:33:15,190 --> 00:33:13,370

minute of the day because again we know

777

00:33:18,190 --> 00:33:15,200

that which we focus our if you're going

778

00:33:20,670 --> 00:33:18,200

to focus on it focus on healing you know

779

00:33:23,200 --> 00:33:20,680

focus on the positive energies you know

780

00:33:26,020 --> 00:33:23,210

projecting positive energies to that

781

00:33:28,300 --> 00:33:26,030

situation focus on peace being instilled

782

00:33:30,610 --> 00:33:28,310

within each person involved in comfort

783

00:33:32,470 --> 00:33:30,620

and surrounding them with love and light

784

00:33:33,820 --> 00:33:32,480

and you know some people may say well

785

00:33:35,920 --> 00:33:33,830

you know that's all fine and dandy but

786

00:33:39,160 --> 00:33:35,930

you know all that that's that you know

787

00:33:41,080 --> 00:33:39,170

spiritual stuff and focusing like that

788

00:33:43,990 --> 00:33:41,090

that's really not taking any action it

789

00:33:46,120 --> 00:33:44,000

absolutely is it's holding it in a

790

00:33:48,010 --> 00:33:46,130

higher vibration it's holding it in

791

00:33:50,290 --> 00:33:48,020

compassion as opposed to holding in a

792

00:33:53,080 --> 00:33:50,300

judgment and labeling it oh this is the

793

00:33:56,800 --> 00:33:53,090

wrath of God you know no it's not it's

794

00:33:58,900 --> 00:33:56,810

the earth going through changes hmm yeah

795

00:34:01,750 --> 00:33:58,910

I agree because if we focus on this is

796

00:34:03,940 --> 00:34:01,760

wrath or this particular tears group is

797

00:34:07,090 --> 00:34:03,950

bad well actually maybe there's a way

798

00:34:09,280 --> 00:34:07,100

that we can use that to expand which is

799

00:34:11,950 --> 00:34:09,290

thank you for the lesson and shown me

800

00:34:14,680 --> 00:34:11,960

absolute contrast which I truly want no

801
00:34:18,040 --> 00:34:14,690
part of rysiss is showing me what it is

802
00:34:18,850 --> 00:34:18,050
I really do want you know and we're

803
00:34:21,640 --> 00:34:18,860
talking about sync

804
00:34:23,950 --> 00:34:21,650
Missa tee and right now you get it I get

805
00:34:25,780 --> 00:34:23,960
synchronistic views and glimpses and

806
00:34:28,240 --> 00:34:25,790
John Doe and Jane Doe we all get these

807
00:34:31,720 --> 00:34:28,250
glimpses I'm really really excited when

808
00:34:33,310 --> 00:34:31,730
we as groups get that synchronous yeah

809
00:34:36,100 --> 00:34:33,320
I've seen it happen a few times in my

810
00:34:38,320 --> 00:34:36,110
life when a group of us would just all

811
00:34:41,500 --> 00:34:38,330
look at each other but we as a

812
00:34:44,830 --> 00:34:41,510
collective when we reach that level to

813
00:34:47,650 --> 00:34:44,840

where masses of people see the same

814

00:34:49,450 --> 00:34:47,660

experience as a synchronistic alignment

815

00:34:52,540 --> 00:34:49,460

I think we're going to shift leaps and

816

00:34:57,460 --> 00:34:52,550

bounds in a matter of moments absolutely

817

00:35:02,500 --> 00:34:57,470

I agree with you there I do yeah so

818

00:35:05,110 --> 00:35:02,510

madra let's talk a little bit about your

819

00:35:08,170 --> 00:35:05,120

work with crystal skulls I'm really

820

00:35:11,260 --> 00:35:08,180

fascinated with this and um I when I

821

00:35:14,590 --> 00:35:11,270

walked into your office you had like a

822

00:35:17,380 --> 00:35:14,600

whole family these things and by the way

823

00:35:20,470 --> 00:35:17,390

I am enjoying deleuze which happens to

824

00:35:22,870 --> 00:35:20,480

mean being of light the presence in our

825

00:35:24,580 --> 00:35:22,880

home I really real of it enlighten my

826

00:35:26,740 --> 00:35:24,590

listening audience how this plays a

827

00:35:29,530 --> 00:35:26,750

major role in your life and the magic it

828

00:35:31,780 --> 00:35:29,540

has brought because the crystal skulls

829

00:35:33,580 --> 00:35:31,790

this and this is what they have

830

00:35:36,250 --> 00:35:33,590

expressed to me in my working with them

831

00:35:38,200 --> 00:35:36,260

and my guidance as well they are about

832

00:35:39,960 --> 00:35:38,210

consciousness awareness and

833

00:35:42,220 --> 00:35:39,970

communication and this is what they

834

00:35:44,200 --> 00:35:42,230

imparted on me in the very beginning so

835

00:35:45,580 --> 00:35:44,210

when somebody comes to me and goes you

836

00:35:47,020 --> 00:35:45,590

know so what is it about these crystal

837

00:35:49,690 --> 00:35:47,030

skulls you know they're about

838

00:35:52,330 --> 00:35:49,700

consciousness they came they surfaced at

839

00:35:55,090 --> 00:35:52,340

a time when we were moving into that

840

00:35:57,460 --> 00:35:55,100

higher consciousness when the vibration

841

00:35:59,980 --> 00:35:57,470

had shifted on the planet enough that it

842

00:36:01,180 --> 00:35:59,990

was time for everybody to really move

843

00:36:05,160 --> 00:36:01,190

into that awareness and consciousness

844

00:36:06,760 --> 00:36:05,170

and in doing so they also represent

845

00:36:09,550 --> 00:36:06,770

communicating through the higher

846

00:36:12,630 --> 00:36:09,560

language or the heart language and so

847

00:36:15,010 --> 00:36:12,640

they're all about communication and

848

00:36:16,870 --> 00:36:15,020

consciousness and in looking at a

849

00:36:19,120 --> 00:36:16,880

crystal skull you know this is what we

850

00:36:21,190 --> 00:36:19,130

associate with wisdom it is you know the

851

00:36:23,290 --> 00:36:21,200

head or the is carved in the shape of

852

00:36:25,570 --> 00:36:23,300

the human head most of them are and so

853

00:36:27,760 --> 00:36:25,580

this is where we associate wisdom

854

00:36:31,480 --> 00:36:27,770

because of our brain being in our skull

855

00:36:32,560 --> 00:36:31,490

so but they also are said to house the

856

00:36:34,360 --> 00:36:32,570

soul

857

00:36:36,400 --> 00:36:34,370

and when you look into the eyes of a

858

00:36:38,380 --> 00:36:36,410

crystal skull it reflects back to you

859

00:36:40,090 --> 00:36:38,390

your own soul and for that reason some

860

00:36:42,460 --> 00:36:40,100

people are very uncomfortable looking

861

00:36:46,030 --> 00:36:42,470

into the eyes of a crystal skull because

862

00:36:49,150 --> 00:36:46,040

they're here to help us to let go to

863

00:36:52,830 --> 00:36:49,160

transmute to transcend our fears or

864

00:36:55,720 --> 00:36:52,840

phobias anything that is holding us back

865

00:36:58,360 --> 00:36:55,730

any old energies in that manner even

866

00:37:00,670 --> 00:36:58,370

that's been projected down onto us and

867

00:37:04,180 --> 00:37:00,680

even for the planet so they're not just

868

00:37:05,710 --> 00:37:04,190

here to help us as humanity is life on

869

00:37:07,330 --> 00:37:05,720

the planet they're here to assist the

870

00:37:09,280 --> 00:37:07,340

planet as well being of crystals

871

00:37:12,640 --> 00:37:09,290

crystals come from the planet you know

872

00:37:14,830 --> 00:37:12,650

they are they are alive and so they

873

00:37:17,980 --> 00:37:14,840

carry that live energy even once they're

874

00:37:19,720 --> 00:37:17,990

carved into a crystal skull so they

875

00:37:21,310 --> 00:37:19,730

represent that consciousness that we're

876

00:37:23,110 --> 00:37:21,320

moving into and in working with the

877

00:37:24,820 --> 00:37:23,120

crystal skull I tell people you know

878

00:37:29,260 --> 00:37:24,830

once you're ready to work with the

879

00:37:31,240 --> 00:37:29,270

crystal skull you have expressed your

880

00:37:33,400 --> 00:37:31,250

desire to the universe that you're ready

881

00:37:35,350 --> 00:37:33,410

to take on that transformation that it's

882

00:37:37,090 --> 00:37:35,360

offering you and you know I've

883

00:37:39,070 --> 00:37:37,100

experienced what I've experienced in my

884

00:37:40,960 --> 00:37:39,080

own life there is not another tool out

885

00:37:42,310 --> 00:37:40,970

there that will facilitate that

886

00:37:48,580 --> 00:37:42,320

transformation for you when you're

887

00:37:50,320 --> 00:37:48,590

really ready to embrace it or John Doe

888

00:37:51,880 --> 00:37:50,330

wants to buy a crystal skull me nice

889

00:37:54,340 --> 00:37:51,890

there's a metaphysical shop right down

890

00:37:58,960 --> 00:37:54,350

the street five minutes away can you

891

00:38:01,210 --> 00:37:58,970

just go buy one and have it work he

892

00:38:03,250 --> 00:38:01,220

absolutely can he absolutely can because

893

00:38:06,910 --> 00:38:03,260

what he does once he once he buys that

894

00:38:08,140 --> 00:38:06,920

skull we're always guided to that which

895

00:38:10,240 --> 00:38:08,150

we're supposed to be working with

896

00:38:13,210 --> 00:38:10,250

whether it's a scholar crystal or some

897

00:38:15,550 --> 00:38:13,220

other tool absolutely so you're guided

898

00:38:16,810 --> 00:38:15,560

to when you express that desire there

899

00:38:19,630 --> 00:38:16,820

again that's part of that synchronicity

900

00:38:20,860 --> 00:38:19,640

the universe guides you to that what

901
00:38:22,780 --> 00:38:20,870
you're supposed to be working with you

902
00:38:24,550 --> 00:38:22,790
may not know anything about the skulls

903
00:38:26,170 --> 00:38:24,560
you may not know anything about the

904
00:38:27,730 --> 00:38:26,180
crystal itself but once you start

905
00:38:29,740 --> 00:38:27,740
working with it it's going to teach you

906
00:38:32,560 --> 00:38:29,750
all about it and it is just that desire

907
00:38:34,990 --> 00:38:32,570
once you purchase that skull you know

908
00:38:37,060 --> 00:38:35,000
and making that setting that intention

909
00:38:38,500 --> 00:38:37,070
that I will find the perfect skull for

910
00:38:41,380 --> 00:38:38,510
me or I will find the perfect tool for

911
00:38:43,270 --> 00:38:41,390
me to be led to that skull to work with

912
00:38:44,190 --> 00:38:43,280
then that skull is going to help you to

913
00:38:45,870 --> 00:38:44,200

learn not

914

00:38:47,940 --> 00:38:45,880

only about yourself but about the skull

915

00:38:49,319 --> 00:38:47,950

about the the stone that it's carved out

916

00:38:51,510 --> 00:38:49,329

of about the properties because you're

917

00:38:53,370 --> 00:38:51,520

going to be inclined to do your own

918

00:38:55,530 --> 00:38:53,380

research on it you know if it's if it's

919

00:38:57,359 --> 00:38:55,540

finding someone who knows about crystals

920

00:38:58,589 --> 00:38:57,369

if it's finding you know once you got

921

00:39:00,480 --> 00:38:58,599

once you know what kind of crystal it is

922

00:39:02,190 --> 00:39:00,490

you could Google the properties and what

923

00:39:04,770 --> 00:39:02,200

you're going to find a synchronistic Lee

924

00:39:07,260 --> 00:39:04,780

it's exactly the cell you need to be

925

00:39:08,520 --> 00:39:07,270

working with you know so then you're

926

00:39:11,420 --> 00:39:08,530

going to program it you're going to

927

00:39:14,069 --> 00:39:11,430

you're going to program it to be your I

928

00:39:15,750 --> 00:39:14,079

use this term lightly and they they know

929

00:39:17,250 --> 00:39:15,760

that I have a sense of humor and this is

930

00:39:20,760 --> 00:39:17,260

a humor i have but that's going to be

931

00:39:23,130 --> 00:39:20,770

your pet rock and and it's going to give

932

00:39:25,410 --> 00:39:23,140

you a name to work with you know all you

933

00:39:27,150 --> 00:39:25,420

have to do is ask it and so and then it

934

00:39:29,040 --> 00:39:27,160

begins to work with you and giving you

935

00:39:32,310 --> 00:39:29,050

got it this is a focal tool now it's

936

00:39:36,750 --> 00:39:32,320

become a focal tool for us as physical

937

00:39:39,109 --> 00:39:36,760

beings to hold in our hand and see the

938

00:39:41,970 --> 00:39:39,119

magic of guidance unfolding in our life

939

00:39:44,700 --> 00:39:41,980

something that we can tangibly touch and

940

00:39:46,349 --> 00:39:44,710

connect with so back to synchronicity

941

00:39:48,329 --> 00:39:46,359

john diligent and just get off the sofa

942

00:39:50,460 --> 00:39:48,339

and a whim to go to metaphysical shop

943

00:39:52,319 --> 00:39:50,470

just to browse around he was likely

944

00:39:54,859 --> 00:39:52,329

prompted as to why he walks out of the

945

00:39:57,960 --> 00:39:54,869

store with that skull in his hand right

946

00:40:01,440 --> 00:39:57,970

so that's your life on purpose okay so

947

00:40:03,210 --> 00:40:01,450

John Doe buys this crystal skull now you

948

00:40:04,950 --> 00:40:03,220

mention these skulls alive which I agree

949

00:40:07,290 --> 00:40:04,960

with you know you think about the skull

950

00:40:08,760 --> 00:40:07,300

your voice in your head does not sound

951
00:40:10,109 --> 00:40:08,770
like your voice when you play your voice

952
00:40:12,089 --> 00:40:10,119
back and listen it sounds totally

953
00:40:14,220 --> 00:40:12,099
different so there is an amplifier there

954
00:40:16,770 --> 00:40:14,230
that being said in these skulls are

955
00:40:21,870 --> 00:40:16,780
alive would you say from your experience

956
00:40:25,050 --> 00:40:21,880
or the skull or the energies embodied in

957
00:40:27,240 --> 00:40:25,060
the skulls or are they responding from

958
00:40:29,790 --> 00:40:27,250
some other locale now that being said I

959
00:40:33,240 --> 00:40:29,800
know that I'm embodied in this body but

960
00:40:36,059 --> 00:40:33,250
who I really am is not in this body I'm

961
00:40:37,970 --> 00:40:36,069
channeling what we know as Keith through

962
00:40:41,220 --> 00:40:37,980
this vehicle this body but my point is

963
00:40:43,079 --> 00:40:41,230

are they incarnated in these skulls are

964

00:40:44,579 --> 00:40:43,089

the skulls or door weights where they

965

00:40:47,400 --> 00:40:44,589

can chat through from whatever dimension

966

00:40:50,520 --> 00:40:47,410

that such energies at embody crystal

967

00:40:53,339 --> 00:40:50,530

skulls do I've been shown by my guidance

968

00:40:55,410 --> 00:40:53,349

where when the master carver begins to

969

00:40:57,240 --> 00:40:55,420

carve the stone the stone itself tells

970

00:40:58,050 --> 00:40:57,250

him I'm to be carved in the shape of a

971

00:41:00,120 --> 00:40:58,060

crystal skull

972

00:41:04,140 --> 00:41:00,130

and as he begins carving it it begins

973

00:41:06,720 --> 00:41:04,150

taking on the energy of the being that

974

00:41:08,310 --> 00:41:06,730

it will become and it also begins in

975

00:41:09,810 --> 00:41:08,320

that moment making its way to the

976

00:41:12,420 --> 00:41:09,820

guardian or the person that will be

977

00:41:15,960 --> 00:41:12,430

working with it so what I've been shown

978

00:41:17,970 --> 00:41:15,970

is that they are they have that essence

979

00:41:20,190 --> 00:41:17,980

themselves that come in as they're being

980

00:41:23,030 --> 00:41:20,200

carved this is by choice so they're

981

00:41:27,540 --> 00:41:23,040

being incarnated as they're being carved

982

00:41:29,580 --> 00:41:27,550

and then they do serve as portals in

983

00:41:33,030 --> 00:41:29,590

connecting to other dimensions as well

984

00:41:36,390 --> 00:41:33,040

so you know they they they open up so

985

00:41:38,340 --> 00:41:36,400

much for us in so many ways and then by

986

00:41:41,220 --> 00:41:38,350

giving us something physical to connect

987

00:41:44,550 --> 00:41:41,230

with on the planet as you hold one in

988

00:41:49,200 --> 00:41:44,560

your hand it's amazing to connect in

989

00:41:51,150 --> 00:41:49,210

with it at a vibrational level from the

990

00:41:54,210 --> 00:41:51,160

chat room profanity ask the question

991

00:41:57,000 --> 00:41:54,220

would that programming be conscious on

992

00:42:02,940 --> 00:41:57,010

the user's part or subconscious by the

993

00:42:06,300 --> 00:42:02,950

inner self both yeah yeah both

994

00:42:07,950 --> 00:42:06,310

absolutely because mine you know I like

995

00:42:09,990 --> 00:42:07,960

you said I have a collection of them

996

00:42:13,590 --> 00:42:10,000

they are my Oracle all of them and they

997

00:42:14,700 --> 00:42:13,600

I have the reason I had someone say to

998

00:42:16,290 --> 00:42:14,710

me at one point well if they're so

999

00:42:18,860 --> 00:42:16,300

powerful how come you have so many of

1000

00:42:21,570 --> 00:42:18,870

them and I said because each one of them

1001
00:42:23,310 --> 00:42:21,580
most of them were given to me but each

1002
00:42:25,380 --> 00:42:23,320
one of them being of different stones

1003
00:42:26,910 --> 00:42:25,390
and different style carvings each one of

1004
00:42:29,450 --> 00:42:26,920
them came to me at a time on my journey

1005
00:42:32,550 --> 00:42:29,460
when that was exactly what I needed

1006
00:42:34,560 --> 00:42:32,560
synchronistic Lee as I looked up the

1007
00:42:36,570 --> 00:42:34,570
properties of the stone the message that

1008
00:42:38,970 --> 00:42:36,580
it gave me the name that it gave me was

1009
00:42:42,170 --> 00:42:38,980
all very synchronicity synchronistic

1010
00:42:44,580 --> 00:42:42,180
about where I was on my journey where I

1011
00:42:46,890 --> 00:42:44,590
intended you to go on my journey you

1012
00:42:48,840 --> 00:42:46,900
know what my intentions were and so it

1013
00:42:50,760 --> 00:42:48,850

was it and they serve the same purpose

1014

00:42:52,680 --> 00:42:50,770

for others so each one of them

1015

00:42:55,620 --> 00:42:52,690

represents a certain part of my journey

1016

00:42:58,200 --> 00:42:55,630

in the last 15 years specifically that

1017

00:43:00,150 --> 00:42:58,210

they came into my life from guidance

1018

00:43:01,860 --> 00:43:00,160

saying okay we're here we got you back

1019

00:43:04,740 --> 00:43:01,870

you know where the cavalry we're here

1020

00:43:07,050 --> 00:43:04,750

for you now so and believe me you know

1021

00:43:08,760 --> 00:43:07,060

back before two thousand if you had told

1022

00:43:10,380 --> 00:43:08,770

me that I would be working with crystal

1023

00:43:11,320 --> 00:43:10,390

skulls and even some of the other things

1024

00:43:12,700 --> 00:43:11,330

that I'm working

1025

00:43:14,350 --> 00:43:12,710

in my life at this time I would have

1026

00:43:15,640 --> 00:43:14,360

just looked at Jen laughed and said I

1027

00:43:18,010 --> 00:43:15,650

really don't know who you're talking

1028

00:43:20,050 --> 00:43:18,020

about but I don't think it's me you know

1029

00:43:21,880 --> 00:43:20,060

but the way it's all unfolded with the

1030

00:43:24,370 --> 00:43:21,890

crystal skulls having come into my life

1031

00:43:26,650 --> 00:43:24,380

the way they did when I already had

1032

00:43:28,680 --> 00:43:26,660

learned and studied over the course of

1033

00:43:31,960 --> 00:43:28,690

my lifetime since I was in my teens

1034

00:43:35,380 --> 00:43:31,970

literally studied healing and hypnosis

1035

00:43:39,430 --> 00:43:35,390

and reading cards and reading energy and

1036

00:43:42,430 --> 00:43:39,440

working with feeling all of this came

1037

00:43:44,860 --> 00:43:42,440

into play when the crystal skulls came

1038

00:43:47,140 --> 00:43:44,870

in every bit of it came in through the

1039

00:43:49,990 --> 00:43:47,150

crystal skulls for me and at the time I

1040

00:43:51,430 --> 00:43:50,000

had no idea how I would possibly make it

1041

00:43:53,260 --> 00:43:51,440

work out that way you know it's one of

1042

00:43:56,530 --> 00:43:53,270

those things you aspire to do and it

1043

00:43:58,750 --> 00:43:56,540

sounds magical and all but in the moment

1044

00:44:00,340 --> 00:43:58,760

I thought well but really it's kind of

1045

00:44:02,620 --> 00:44:00,350

just a dream because I really don't see

1046

00:44:04,750 --> 00:44:02,630

how I would possibly make all of that

1047

00:44:06,730 --> 00:44:04,760

come into play for me and then the

1048

00:44:09,940 --> 00:44:06,740

crystal skulls came in and it absolutely

1049

00:44:13,630 --> 00:44:09,950

all absolutely unfolded and so what I've

1050

00:44:16,060 --> 00:44:13,640

learned through them for me is that the

1051

00:44:18,340 --> 00:44:16,070

universe used something that really

1052

00:44:21,430 --> 00:44:18,350

pushed me out of my comfort zone to

1053

00:44:23,320 --> 00:44:21,440

bring me into myself and so now when the

1054

00:44:25,330 --> 00:44:23,330

universe says to me mantra you will do

1055

00:44:32,560 --> 00:44:25,340

this I'm like all right number one make

1056

00:44:34,840 --> 00:44:32,570

it happen module we're about a quarter

1057

00:44:36,910 --> 00:44:34,850

to the hour I did want to bring up at

1058

00:44:39,490 --> 00:44:36,920

this point if we could talk a little bit

1059

00:44:41,140 --> 00:44:39,500

about this experience that you and I got

1060

00:44:43,570 --> 00:44:41,150

going to have in the very near future

1061

00:44:46,660 --> 00:44:43,580

with Swansea for those who are not

1062

00:44:52,660 --> 00:44:46,670

familiar with who Swansea viswa yogi is

1063

00:44:55,420 --> 00:44:52,670

this is a self-realized god man if you

1064

00:44:58,180 --> 00:44:55,430

can imagine masculine and feminine

1065

00:45:02,470 --> 00:44:58,190

aspect of the universe gave birth to a

1066

00:45:05,680 --> 00:45:02,480

son literally this man would be the

1067

00:45:07,420 --> 00:45:05,690

personification of these energies I had

1068

00:45:09,490 --> 00:45:07,430

the blessed opportunity to interview him

1069

00:45:12,310 --> 00:45:09,500

last year I had the blessed opportunity

1070

00:45:14,050 --> 00:45:12,320

to sit in front of him and tell me about

1071

00:45:17,050 --> 00:45:14,060

my past lives and tell me about my

1072

00:45:18,580 --> 00:45:17,060

future life and of course I used past

1073

00:45:20,230 --> 00:45:18,590

and future lives in quotes and I'll take

1074

00:45:22,240 --> 00:45:20,240

it literally I understand them the

1075

00:45:23,540 --> 00:45:22,250

jargon is but we have to use words to

1076

00:45:25,490 --> 00:45:23,550

describe right

1077

00:45:29,860 --> 00:45:25,500

madra and I have the opportunity in a

1078

00:45:32,300 --> 00:45:29,870

very near future to go visit swansea and

1079

00:45:35,720 --> 00:45:32,310

the experience that you're going to have

1080

00:45:39,020 --> 00:45:35,730

happen for you madra is going to be just

1081

00:45:42,230 --> 00:45:39,030

an amazing synchronicity reflection of

1082

00:45:44,420 --> 00:45:42,240

yourself it's going to be as probably a

1083

00:45:46,100 --> 00:45:44,430

thousand times more amplified then

1084

00:45:49,280 --> 00:45:46,110

gazing in the eyes of your most powerful

1085

00:45:51,410 --> 00:45:49,290

crystal skull that you have so I'm

1086

00:45:54,200 --> 00:45:51,420

really really looking forward to that

1087

00:45:57,320 --> 00:45:54,210

experience with you I'm excited as well

1088

00:45:58,970 --> 00:45:57,330

I am excited in since our session the

1089

00:46:00,260 --> 00:45:58,980

other day and that information come

1090

00:46:02,570 --> 00:46:00,270

through because again that's not

1091

00:46:05,390 --> 00:46:02,580

something that I actually focused on

1092

00:46:08,300 --> 00:46:05,400

except that each and every day I focus

1093

00:46:12,170 --> 00:46:08,310

on being better at it what I'm doing in

1094

00:46:13,790 --> 00:46:12,180

in the aspect of helping others you know

1095

00:46:15,290 --> 00:46:13,800

being that clear and perfect channel

1096

00:46:17,420 --> 00:46:15,300

each and every day that I get out of the

1097

00:46:20,900 --> 00:46:17,430

way that ego gets out of the way that I

1098

00:46:22,580 --> 00:46:20,910

can do the work of the Christ

1099

00:46:24,740 --> 00:46:22,590

consciousness you know that I can

1100

00:46:26,510 --> 00:46:24,750

fulfill that because I know without a

1101

00:46:30,830 --> 00:46:26,520

doubt that that's why I'm here at this

1102

00:46:32,510 --> 00:46:30,840

time and so when you offered me that

1103

00:46:34,430 --> 00:46:32,520

opportunity and that information came

1104

00:46:36,740 --> 00:46:34,440

through at the time I I thought oh wow

1105

00:46:38,960 --> 00:46:36,750

okay this is what I've been feeling and

1106

00:46:42,320 --> 00:46:38,970

I did because there was and you know you

1107

00:46:44,180 --> 00:46:42,330

always know well for me I know when when

1108

00:46:45,680 --> 00:46:44,190

that's my god it's his way of going are

1109

00:46:47,840 --> 00:46:45,690

you paying attention here you know

1110

00:46:49,250 --> 00:46:47,850

because I felt that emotion come in with

1111

00:46:51,410 --> 00:46:49,260

it and it was like you know how it takes

1112

00:46:53,330 --> 00:46:51,420

your breath away for just a moment and I

1113

00:46:55,370 --> 00:46:53,340

thought oh this is what they've been

1114

00:46:57,650 --> 00:46:55,380

talking about okay they've been

1115

00:47:05,050 --> 00:46:57,660

preparing me for this almost for the

1116

00:47:07,940 --> 00:47:05,060

last year yes and when I interviewed I

1117

00:47:09,800 --> 00:47:07,950

likely suspect that swamp she's going to

1118

00:47:11,120 --> 00:47:09,810

join us here on center of light radio

1119

00:47:13,790 --> 00:47:11,130

and I'm going to be able to interview

1120

00:47:16,550 --> 00:47:13,800

him and as I mentioned before that

1121

00:47:18,620 --> 00:47:16,560

seeing is not really confined to your

1122

00:47:21,020 --> 00:47:18,630

eyes in fact it's you can see with your

1123

00:47:23,090 --> 00:47:21,030

ears if you if you understand the the

1124

00:47:25,160 --> 00:47:23,100

idea that I'm making here the parallel

1125

00:47:27,740 --> 00:47:25,170

it's about taking in information and if

1126
00:47:29,780 --> 00:47:27,750
not if but when i do get swansea on this

1127
00:47:31,730 --> 00:47:29,790
radio show keep in mind again this is a

1128
00:47:33,650 --> 00:47:31,740
God realized man this is a man who in

1129
00:47:35,420 --> 00:47:33,660
this moment if you desire to tune in to

1130
00:47:37,070 --> 00:47:35,430
Keith Wayne Chinn his radio show from

1131
00:47:38,420 --> 00:47:37,080
where he is on the planet he would know

1132
00:47:40,430 --> 00:47:38,430
exactly what we talked about it can be

1133
00:47:43,970 --> 00:47:40,440
cited back to you this is truly no joke

1134
00:47:46,430 --> 00:47:43,980
point being is that I'm going to put in

1135
00:47:49,280 --> 00:47:46,440
a request to have him interviewed here

1136
00:47:52,160 --> 00:47:49,290
in center of light he talks very very

1137
00:47:54,080 --> 00:47:52,170
Hindi but when this interview does

1138
00:47:55,970 --> 00:47:54,090

transpire make sure you bring your heart

1139

00:47:59,360 --> 00:47:55,980

space because it's definitely going to

1140

00:48:01,400 --> 00:47:59,370

take that not only your ears to

1141

00:48:03,350 --> 00:48:01,410

understand the full message so I'm

1142

00:48:05,540 --> 00:48:03,360

looking forward to having Swansea this

1143

00:48:07,100 --> 00:48:05,550

way yogi here on center of light I do

1144

00:48:12,110 --> 00:48:07,110

believe he's going to be coming here

1145

00:48:13,960 --> 00:48:12,120

like the second or third week of august

1146

00:48:17,690 --> 00:48:13,970

and i will keep the listening audience

1147

00:48:19,550 --> 00:48:17,700

posted on the potential of that module

1148

00:48:22,820 --> 00:48:19,560

we got about 10 minutes is there any

1149

00:48:24,530 --> 00:48:22,830

particular topic that you feel called to

1150

00:48:27,890 --> 00:48:24,540

share what i listening audience at this

1151

00:48:29,810 --> 00:48:27,900

time um you know one of the things that

1152

00:48:31,820 --> 00:48:29,820

i teach one of the things that I preach

1153

00:48:33,650 --> 00:48:31,830

I guess is one of what one of the

1154

00:48:36,200 --> 00:48:33,660

Masters came to me and said and I think

1155

00:48:39,160 --> 00:48:36,210

it's always worth sharing in the very

1156

00:48:41,960 --> 00:48:39,170

beginning the master didja wall call

1157

00:48:44,210 --> 00:48:41,970

came to me in a vision and he said to me

1158

00:48:46,460 --> 00:48:44,220

discipline is everything and he was in

1159

00:48:48,080 --> 00:48:46,470

my face for like 24 hours with that

1160

00:48:49,810 --> 00:48:48,090

message discipline is everything and I

1161

00:48:53,570 --> 00:48:49,820

was like okay I got it already you know

1162

00:48:55,700 --> 00:48:53,580

and at the time I had no idea because

1163

00:48:58,940 --> 00:48:55,710

I'm hearing discipline is everything but

1164

00:49:00,680 --> 00:48:58,950

we're thinking I'm thinking along the

1165

00:49:03,560 --> 00:49:00,690

line of the physical and you know how we

1166

00:49:05,570 --> 00:49:03,570

apply life and you know over eating or

1167

00:49:07,790 --> 00:49:05,580

drinking or whatever you know how you

1168

00:49:10,850 --> 00:49:07,800

apply it in that manner and as I have

1169

00:49:13,220 --> 00:49:10,860

moved into you know these times that I'm

1170

00:49:15,560 --> 00:49:13,230

in now and my work continues to evolve

1171

00:49:19,130 --> 00:49:15,570

and my own consciousness continues to

1172

00:49:21,470 --> 00:49:19,140

evolve I'm so getting that part of

1173

00:49:23,170 --> 00:49:21,480

discipline is everything with your

1174

00:49:24,860 --> 00:49:23,180

thought with your words you know

1175

00:49:27,050 --> 00:49:24,870

understanding the vibration in the

1176

00:49:30,050 --> 00:49:27,060

consciousness and and how people you

1177

00:49:33,860 --> 00:49:30,060

know when people come to me for healing

1178

00:49:35,870 --> 00:49:33,870

services of any kind and after just

1179

00:49:39,650 --> 00:49:35,880

talking with them on an energetic level

1180

00:49:42,050 --> 00:49:39,660

I can tell where they're not using that

1181

00:49:43,610 --> 00:49:42,060

discipline so to speak and how you know

1182

00:49:46,520 --> 00:49:43,620

they're giving away their power and too

1183

00:49:48,710 --> 00:49:46,530

often we do this and so that that

1184

00:49:50,690 --> 00:49:48,720

discipline that is everything has to do

1185

00:49:53,780 --> 00:49:50,700

with our energy

1186

00:49:56,270 --> 00:49:53,790

our consciousness of how we expend that

1187

00:49:58,400 --> 00:49:56,280

energy where we put that energy what

1188

00:50:00,200 --> 00:49:58,410

energy we allow into our own energetic

1189

00:50:03,290 --> 00:50:00,210

field what energy we allow ourselves to

1190

00:50:05,870 --> 00:50:03,300

be caught up in our drawn into or you

1191

00:50:09,290 --> 00:50:05,880

know so and then also understanding that

1192

00:50:12,290 --> 00:50:09,300

once we get into that place you don't

1193

00:50:13,849 --> 00:50:12,300

again you don't absolutely have to let

1194

00:50:15,829 --> 00:50:13,859

yourself be consumed by it the

1195

00:50:18,710 --> 00:50:15,839

discipline part says I'm going to

1196

00:50:21,620 --> 00:50:18,720

observe before I sit here and pass

1197

00:50:24,770 --> 00:50:21,630

judgment and label and and go into that

1198

00:50:28,240 --> 00:50:24,780

mindset so the discipline part of it

1199

00:50:30,770 --> 00:50:28,250

really and it's also attached to the

1200

00:50:33,170 --> 00:50:30,780

honoring and nurturing your own spirit

1201

00:50:34,970 --> 00:50:33,180

and soul that discipline to do that you

1202

00:50:36,890 --> 00:50:34,980

know when when people are ready to wake

1203

00:50:39,770 --> 00:50:36,900

up when they're ready to move into that

1204

00:50:42,800 --> 00:50:39,780

consciousness and that awareness you

1205

00:50:45,109 --> 00:50:42,810

have to be disciplined and dedicated and

1206

00:50:46,790 --> 00:50:45,119

committed to your own process because if

1207

00:50:48,980 --> 00:50:46,800

you're not no one's going to do it for

1208

00:50:51,170 --> 00:50:48,990

you is there a particular discipline

1209

00:50:53,660 --> 00:50:51,180

that you would would suggest meditation

1210

00:50:56,839 --> 00:50:53,670

obviously of course but there's some

1211

00:50:59,740 --> 00:50:56,849

people who want what you're saying they

1212

00:51:04,160 --> 00:50:59,750

want to expand they want to wake up and

1213

00:51:05,839 --> 00:51:04,170

they don't have access to say for

1214

00:51:08,000 --> 00:51:05,849

example the outlets that you and I have

1215

00:51:09,910 --> 00:51:08,010

or that but just so happen come across

1216

00:51:14,230 --> 00:51:09,920

this radio show what do you suggest as

1217

00:51:16,670 --> 00:51:14,240

disciplines one of the simple things

1218

00:51:18,980 --> 00:51:16,680

meditation always is one of those first

1219

00:51:20,690 --> 00:51:18,990

and foremost prayer is an excellent way

1220

00:51:22,430 --> 00:51:20,700

of discipline because you're you're

1221

00:51:24,500 --> 00:51:22,440

you're allowing yourself you don't have

1222

00:51:27,740 --> 00:51:24,510

to but allowing yourself anytime you can

1223

00:51:30,470 --> 00:51:27,750

get somewhere be still be quiet be in

1224

00:51:32,930 --> 00:51:30,480

the moment be in the now you know being

1225

00:51:36,020 --> 00:51:32,940

in nature is one of the easiest fastest

1226

00:51:38,720 --> 00:51:36,030

ways to raise your vibration to be

1227

00:51:40,579 --> 00:51:38,730

disciplined enough to be in that moment

1228

00:51:42,680 --> 00:51:40,589

of where you are and experiencing those

1229

00:51:45,319 --> 00:51:42,690

energies in that vibration so being in

1230

00:51:47,359 --> 00:51:45,329

nature is always an absolute wonderful

1231

00:51:50,240 --> 00:51:47,369

way of being disciplined enough to

1232

00:51:53,870 --> 00:51:50,250

connect in other than prayer and

1233

00:51:57,140 --> 00:51:53,880

meditation if you have access to CDs you

1234

00:51:59,690 --> 00:51:57,150

know or the internet and YouTube there's

1235

00:52:02,059 --> 00:51:59,700

a lot of different types of meditations

1236

00:52:04,300 --> 00:52:02,069

out there that will help you to get into

1237

00:52:07,150 --> 00:52:04,310

that still quiet place I know for myself

1238

00:52:09,430 --> 00:52:07,160

of 20 25 years ago all of a sudden I was

1239

00:52:11,740 --> 00:52:09,440

in this place that I realized I had to

1240

00:52:13,930 --> 00:52:11,750

get out of my head in order to move

1241

00:52:16,930 --> 00:52:13,940

forward on my own spiritual journey and

1242

00:52:20,770 --> 00:52:16,940

so I began listening to CDs one in

1243

00:52:22,270 --> 00:52:20,780

particular that had subliminal messages

1244

00:52:24,790 --> 00:52:22,280

in it but it had all of the nature

1245

00:52:26,980 --> 00:52:24,800

sounds and the tones and and it also had

1246

00:52:29,440 --> 00:52:26,990

the brainwave links in it and the first

1247

00:52:31,150 --> 00:52:29,450

time I ever listen to that CD it was

1248

00:52:34,480 --> 00:52:31,160

like a high that I have never

1249

00:52:37,630 --> 00:52:34,490

experienced because it absolutely shut

1250

00:52:40,180 --> 00:52:37,640

my brain down it absolutely quieted all

1251
00:52:42,280 --> 00:52:40,190
of the mind chatter and so I was able to

1252
00:52:46,450 --> 00:52:42,290
be in a completely different world

1253
00:52:49,390 --> 00:52:46,460
literally so I began listening to that

1254
00:52:52,090 --> 00:52:49,400
CD two and three times a day for up to

1255
00:52:55,030 --> 00:52:52,100
five years at least till I got to a

1256
00:52:57,130 --> 00:52:55,040
place where I could sit down now and

1257
00:52:59,530 --> 00:52:57,140
just completely you know shut it down

1258
00:53:01,900 --> 00:52:59,540
and go into that place that's you know

1259
00:53:03,040 --> 00:53:01,910
that's what I desire to do most people

1260
00:53:05,590 --> 00:53:03,050
can't get out of their heads or

1261
00:53:08,200 --> 00:53:05,600
condition to be in our heads so we can't

1262
00:53:10,090 --> 00:53:08,210
really rise above that it is it is

1263
00:53:12,220 --> 00:53:10,100

something that you have to work at and

1264

00:53:14,680 --> 00:53:12,230

you have to train yourself and whatever

1265

00:53:17,500 --> 00:53:14,690

manner of doing you know utilizing

1266

00:53:21,370 --> 00:53:17,510

prayer beads as a focus tool you know is

1267

00:53:23,470 --> 00:53:21,380

is will help you to balance the right

1268

00:53:25,240 --> 00:53:23,480

and left brain and also help you to be

1269

00:53:27,340 --> 00:53:25,250

in that place of discipline in the

1270

00:53:31,320 --> 00:53:27,350

moment so you know those are simple

1271

00:53:34,330 --> 00:53:31,330

little exercises that you can do but

1272

00:53:36,190 --> 00:53:34,340

when again when you when you really have

1273

00:53:39,520 --> 00:53:36,200

that desire you're going to be guided to

1274

00:53:42,190 --> 00:53:39,530

the perfect place thing experienced

1275

00:53:44,470 --> 00:53:42,200

person you know to assist you in that

1276
00:53:47,470 --> 00:53:44,480
moment so when the desire is great

1277
00:53:50,260 --> 00:53:47,480
enough the universe again absolutely

1278
00:53:52,630 --> 00:53:50,270
conspires to make it happen as with John

1279
00:53:54,940 --> 00:53:52,640
Doe happened to go to the metaphysical

1280
00:53:57,400 --> 00:53:54,950
story ends up going on with a skull so

1281
00:53:59,050 --> 00:53:57,410
it's really you know I always support

1282
00:54:01,810 --> 00:53:59,060
the idea of meditation first and

1283
00:54:04,090 --> 00:54:01,820
foremost it is it is it is imperative so

1284
00:54:05,650 --> 00:54:04,100
as prayer because you know to have full

1285
00:54:06,700 --> 00:54:05,660
communication you need both side you

1286
00:54:09,640 --> 00:54:06,710
need to talk and you need to listen

1287
00:54:11,560 --> 00:54:09,650
right but it's really god Bless You Tube

1288
00:54:13,510 --> 00:54:11,570

because it's really all intention some

1289

00:54:15,910 --> 00:54:13,520

people may find the particular

1290

00:54:17,680 --> 00:54:15,920

meditation like you had and do it two

1291

00:54:19,570 --> 00:54:17,690

three times a day you're stating in

1292

00:54:21,520 --> 00:54:19,580

tension you're opening yourself up daily

1293

00:54:23,290 --> 00:54:21,530

some people may read the Course in

1294

00:54:27,510 --> 00:54:23,300

Miracles book every morning so it's

1295

00:54:31,210 --> 00:54:27,520

really these are all somewhat excuses to

1296

00:54:33,460 --> 00:54:31,220

tap into to go into the self so I its

1297

00:54:35,020 --> 00:54:33,470

people how do you formally meditate well

1298

00:54:40,960 --> 00:54:35,030

until you become a Buddhist monk it's

1299

00:54:42,670 --> 00:54:40,970

there really is no form right so mantra

1300

00:54:44,860 --> 00:54:42,680

I really appreciate your presence here

1301

00:54:46,150 --> 00:54:44,870

instead of light we have a little little

1302

00:54:53,410 --> 00:54:46,160

more time would you leave us with the

1303

00:54:55,900 --> 00:54:53,420

final high vibrational thought one of

1304

00:54:57,490 --> 00:54:55,910

the messages that's come through the the

1305

00:54:59,530 --> 00:54:57,500

last weekend's meditations that was

1306

00:55:00,850 --> 00:54:59,540

extremely powerful and I've heard this

1307

00:55:03,190 --> 00:55:00,860

before but this is something that

1308

00:55:06,460 --> 00:55:03,200

they're really coming in with now is to

1309

00:55:08,920 --> 00:55:06,470

remember that by each one of us stepping

1310

00:55:11,440 --> 00:55:08,930

up into the responsibility of our own

1311

00:55:13,510 --> 00:55:11,450

choices in our own journey raising our

1312

00:55:16,290 --> 00:55:13,520

vibration raising our own consciousness

1313

00:55:19,650 --> 00:55:16,300

we are doing so for hundreds of

1314

00:55:21,670 --> 00:55:19,660

thousands of others at the same time

1315

00:55:24,310 --> 00:55:21,680

would you give up your contact

1316

00:55:28,150 --> 00:55:24,320

information once more please it's

1317

00:55:34,560 --> 00:55:28,160

cranial visions calm with an email

1318

00:55:38,350 --> 00:55:36,970

module a little thank you for being a

1319

00:55:40,390 --> 00:55:38,360

powerful presence here in center of

1320

00:55:41,530 --> 00:55:40,400

light radio thank you so much for having

1321

00:55:43,900 --> 00:55:41,540

me Keith it's been an awesome

1322

00:55:46,300 --> 00:55:43,910

opportunity and blessing as I always say

1323

00:55:48,250 --> 00:55:46,310

to my guess who if I bite you on the

1324

00:55:50,770 --> 00:55:48,260

first time that door does swing open

1325

00:55:52,840 --> 00:55:50,780

Jehu the second time you can bet I look

1326
00:55:56,070 --> 00:55:52,850
forward to it thank you love everyone

1327
00:56:00,310 --> 00:55:56,080
modric a little here in center of light

1328
00:56:02,320 --> 00:56:00,320
radio wow what a powerful show powerful

1329
00:56:03,790 --> 00:56:02,330
powerful she'll love everything she

1330
00:56:06,340 --> 00:56:03,800
stands for I and I'm telling you what

1331
00:56:08,620 --> 00:56:06,350
she did to me last week was truly truly

1332
00:56:10,090 --> 00:56:08,630
a blessing bestowed upon me I'm going to

1333
00:56:12,280 --> 00:56:10,100
leave you in a little more from the

1334
00:56:14,020 --> 00:56:12,290
Divine Principle about synchronicity

1335
00:56:16,570 --> 00:56:14,030
it's very very good subject very

1336
00:56:18,730 --> 00:56:16,580
important subject being in meditation

1337
00:56:20,290 --> 00:56:18,740
with spirit I received many of you can

1338
00:56:23,080 --> 00:56:20,300

already feel the changes that are going

1339

00:56:25,480 --> 00:56:23,090

on within yourselves but you must look

1340

00:56:28,450 --> 00:56:25,490

for the synchronicity outside because

1341

00:56:31,140 --> 00:56:28,460

your progress progress can best be gauge

1342

00:56:34,980 --> 00:56:31,150

by viewing what is going on around

1343

00:56:37,260 --> 00:56:34,990

you conscious practitioners spend at

1344

00:56:39,330 --> 00:56:37,270

least a little time each day reflecting

1345

00:56:42,450 --> 00:56:39,340

on their lives day by day day by day

1346

00:56:45,120 --> 00:56:42,460

week by week month by month year by mere

1347

00:56:47,610 --> 00:56:45,130

year this lets them see patterns and

1348

00:56:50,550 --> 00:56:47,620

gives them accurate clues as to why they

1349

00:56:54,090 --> 00:56:50,560

are where they are their self reflection

1350

00:56:56,880 --> 00:56:54,100

is the springboard that lets them make

1351
00:56:59,160 --> 00:56:56,890
the best choice at any God given moment

1352
00:57:01,140 --> 00:56:59,170
and since they are always looking to

1353
00:57:03,180 --> 00:57:01,150
find a better way to flow with the

1354
00:57:05,130 --> 00:57:03,190
universal current they take full

1355
00:57:07,950 --> 00:57:05,140
advantage of the coincidences that

1356
00:57:11,550 --> 00:57:07,960
happen in their lives this synchronicity

1357
00:57:15,540 --> 00:57:11,560
and use them to decode signals from the

1358
00:57:18,900 --> 00:57:15,550
higher self as a result their quality of

1359
00:57:21,330 --> 00:57:18,910
life is enhanced by aligning themselves

1360
00:57:23,640 --> 00:57:21,340
with universes forces spiritual

1361
00:57:25,710 --> 00:57:23,650
practitioners are able to tap into them

1362
00:57:29,010 --> 00:57:25,720
for the betterment of themselves and the

1363
00:57:31,560 --> 00:57:29,020

rest of mankind the road their road to

1364

00:57:33,570 --> 00:57:31,570

God is dramatically shortened to only a

1365

00:57:35,940 --> 00:57:33,580

few lies because they have chosen to

1366

00:57:39,510 --> 00:57:35,950

learn while they live life and not

1367

00:57:44,640 --> 00:57:39,520

relying solely on the life overview you

1368

00:57:46,800 --> 00:57:44,650

all come to expect when you die everyone

1369

00:57:50,070 --> 00:57:46,810

1381

00:58:21,960 --> 00:58:19,120

and take those breaths those in 10 full

1382

00:58:23,150 --> 00:58:21,970

breath to bring about the magic the

1383

00:58:25,880 --> 00:58:23,160

power

1384

00:58:34,010 --> 00:58:25,890

00:58:35,390 --> 00:58:34,020

in the way after just a little bit of

1386

00:58:37,940 --> 00:58:35,400

breathing you're going to tap into the

1387

00:58:40,280 --> 00:58:37,950

part of yourself that is real part of

1388

00:58:43,100 --> 00:58:40,290

you that is authentic it lies just in

1389

00:58:46,220 --> 00:58:43,110

wait behind that which you know as your
