

Exposing the Truth, One Secret at a Time

# NIGHTVISION

Host: René Barnett

# RADIO

# Don Ecker & Vicki Ecker

1  
00:00:10,100 --> 00:00:02,629  
you're locked into inception radio

2  
00:00:13,549 --> 00:00:10,110  
network superior Wisconsin your tune in

3  
00:00:17,540 --> 00:00:13,559  
tonight vision radio exposing the truth

4  
00:00:19,910 --> 00:00:17,550  
one secret at a time prepare yourself as

5  
00:00:22,570 --> 00:00:19,920  
we explore the shadow worlds of

6  
00:00:25,939 --> 00:00:22,580  
suppressed history secret knowledge

7  
00:00:48,260 --> 00:00:25,949  
forbidden religion and shine a light on

8  
00:00:48,270 --> 00:01:09,820  
what

9  
00:01:09,830 --> 00:01:15,690  
welcome to night vision radio

10  
00:01:22,060 --> 00:01:19,359  
happy new year everybody so glad you

11  
00:01:24,670 --> 00:01:22,070  
could join us tonight I hope everybody's

12  
00:01:27,460 --> 00:01:24,680  
not too hungover today from partying

13  
00:01:31,440 --> 00:01:27,470

last night for New Year's Eve I cannot

14

00:01:35,710 --> 00:01:31,450

believe that it's 2015 it just really

15

00:01:37,990 --> 00:01:35,720

blows my mind at 2014 I'm still getting

16

00:01:39,460 --> 00:01:38,000

used to writing that on why don't even

17

00:01:42,279 --> 00:01:39,470

write checks who writes checks anymore

18

00:01:45,310 --> 00:01:42,289

but on anything I'm really it's still

19

00:01:48,340 --> 00:01:45,320

trying to get used to 2014 I guess

20

00:01:49,899 --> 00:01:48,350

that's gone by the wayside now and we're

21

00:01:51,910 --> 00:01:49,909

in a brand new year I hear it's going to

22

00:01:54,340 --> 00:01:51,920

be a good one from all the predictors so

23

00:01:57,669 --> 00:01:54,350

I'm hoping that that's true for all of

24

00:02:00,070 --> 00:01:57,679

us anyhow tonight we've got a great show

25

00:02:03,190 --> 00:02:00,080

planned you know our last show that we

26  
00:02:05,350 --> 00:02:03,200  
were live because last last Thursday

27  
00:02:08,229 --> 00:02:05,360  
night was Christmas so we were not live

28  
00:02:10,809 --> 00:02:08,239  
but the previous Thursday night we had

29  
00:02:14,289 --> 00:02:10,819  
on dawn ecker former research director

30  
00:02:17,979 --> 00:02:14,299  
of UFO magazine host of UFOs tonight and

31  
00:02:21,640 --> 00:02:17,989  
Dark Matters radio on we talked about

32  
00:02:24,240 --> 00:02:21,650  
some of the historical UFO cases some of

33  
00:02:28,870 --> 00:02:24,250  
our experiences at UFO magazine and

34  
00:02:32,080 --> 00:02:28,880  
tonight I have don's better half the

35  
00:02:34,750 --> 00:02:32,090  
first lady of UFOs the founder or

36  
00:02:37,479 --> 00:02:34,760  
co-founder I should say of UFO magazine

37  
00:02:40,240 --> 00:02:37,489  
way back in nineteen eighty six ms

38  
00:02:42,160 --> 00:02:40,250

vickicooper occur Vicki thanks so much

39

00:02:44,680 --> 00:02:42,170

for joining us on your New Year's Day

40

00:02:47,890 --> 00:02:44,690

very much appreciate it and I wish

41

00:02:50,530 --> 00:02:47,900

everyone a very happy new year hopefully

42

00:02:52,330 --> 00:02:50,540

10x15 is going to be just a tad better

43

00:02:54,520 --> 00:02:52,340

if not a whole lot better for less Oh

44

00:02:56,979 --> 00:02:54,530

aye sir I sure hope so i'm getting a

45

00:03:02,410 --> 00:02:56,989

late start i just put my black-eyed peas

46

00:03:04,690 --> 00:03:02,420

on about an hour so ago so I got angry

47

00:03:08,680 --> 00:03:04,700

about that before midnight tonight so I

48

00:03:10,780 --> 00:03:08,690

can have good good luck in all 13 15 but

49

00:03:14,110 --> 00:03:10,790

I know dawn was telling me how you guys

50

00:03:18,099 --> 00:03:14,120

had a traditional Pennsylvania New Year

51  
00:03:22,300 --> 00:03:18,109  
meal and gross Park it was delicious oh

52  
00:03:24,340 --> 00:03:22,310  
yeah and so now i'm getting my ham and

53  
00:03:25,780 --> 00:03:24,350  
black-eyed peas thing together and going

54  
00:03:27,070 --> 00:03:25,790  
to make some cornbread and have a little

55  
00:03:29,200 --> 00:03:27,080  
bit before midnight tonight

56  
00:03:32,260 --> 00:03:29,210  
so you'll have to come by get some Vicky

57  
00:03:35,500 --> 00:03:32,270  
and you I will you've asked me to I plan

58  
00:03:37,960 --> 00:03:35,510  
on it oh absolutely now definitely let's

59  
00:03:42,280 --> 00:03:37,970  
let's just start at the beginning here a

60  
00:03:45,100 --> 00:03:42,290  
little bit you uh were a journalism

61  
00:03:47,470 --> 00:03:45,110  
graduate of UCLA is that road own not

62  
00:03:50,380 --> 00:03:47,480  
UCLA is slightly more prestigious and

63  
00:03:51,970 --> 00:03:50,390

cal state unless i'll say i do believe

64

00:03:54,820 --> 00:03:51,980

at that time I don't know about

65

00:03:57,610 --> 00:03:54,830

journalism grant you know majors these

66

00:04:00,100 --> 00:03:57,620

days but we we've given the the absolute

67

00:04:03,280 --> 00:04:00,110

standards of journalism which I've tried

68

00:04:07,240 --> 00:04:03,290

to abide by in my career shortest nandi

69

00:04:09,190 --> 00:04:07,250

have been so that's always been what I

70

00:04:11,890 --> 00:04:09,200

really admired about you in what I

71

00:04:14,320 --> 00:04:11,900

admired about the magazine you know when

72

00:04:18,130 --> 00:04:14,330

I first picked it up it was you know

73

00:04:21,240 --> 00:04:18,140

what by anybody's standards a very smart

74

00:04:24,280 --> 00:04:21,250

read it was a very journalistic approach

75

00:04:27,190 --> 00:04:24,290

to what was considered a very very

76

00:04:30,460 --> 00:04:27,200

fringe subject and I really appreciated

77

00:04:32,620 --> 00:04:30,470

that because you it allowed you to or

78

00:04:34,120 --> 00:04:32,630

allowed the reader to sort of be able to

79

00:04:36,909 --> 00:04:34,130

depend on the information that they were

80

00:04:40,000 --> 00:04:36,919

getting and to make sure that they were

81

00:04:42,520 --> 00:04:40,010

getting a balanced view exactly and

82

00:04:44,620 --> 00:04:42,530

that's exactly how I was taught as a

83

00:04:48,040 --> 00:04:44,630

journalism major and tried to apply that

84

00:04:50,320 --> 00:04:48,050

to a field it really wasn't ready myself

85

00:04:52,210 --> 00:04:50,330

first and I still think it's not quite

86

00:04:54,670 --> 00:04:52,220

ready for that and nor are more

87

00:04:57,670 --> 00:04:54,680

journalists ready to confront what

88

00:05:01,090 --> 00:04:57,680

sherry and I sherry start my co-founder

89

00:05:04,420 --> 00:05:01,100

had to deal with in the earlier years it

90

00:05:06,340 --> 00:05:04,430

is a fringy subject probably always will

91

00:05:10,180 --> 00:05:06,350

be unless there is some kind of

92

00:05:13,469 --> 00:05:10,190

disclosure of what the government knows

93

00:05:17,080 --> 00:05:13,479

if not the entire information about UFOs

94

00:05:20,740 --> 00:05:17,090

and it's it was a challenge and it don

95

00:05:22,960 --> 00:05:20,750

my husband god bless and he has he has

96

00:05:25,500 --> 00:05:22,970

to keep reminding me that we did

97

00:05:30,850 --> 00:05:25,510

something that nobody else has ever done

98

00:05:34,930 --> 00:05:30,860

we actually published pretty much

99

00:05:37,330 --> 00:05:34,940

continually a legitimate UFO magazine

100

00:05:39,790 --> 00:05:37,340

which had never been done before now

101  
00:05:40,930 --> 00:05:39,800  
maybe it'll happen again but at this

102  
00:05:42,400 --> 00:05:40,940  
point

103  
00:05:44,530 --> 00:05:42,410  
it's hard to tell it doesn't look like

104  
00:05:48,160 --> 00:05:44,540  
the field has changed that much still a

105  
00:05:50,170 --> 00:05:48,170  
lot of crap and which is exactly what

106  
00:05:53,250 --> 00:05:50,180  
drove me out of it to tell you the truth

107  
00:05:57,610 --> 00:05:53,260  
it's just so filled with disinformation

108  
00:05:59,770 --> 00:05:57,620  
with pettiness with you know people

109  
00:06:02,830 --> 00:05:59,780  
getting diverted off the phenomenon and

110  
00:06:06,420 --> 00:06:02,840  
into little fights about you know

111  
00:06:08,890 --> 00:06:06,430  
tangential subjects it was frustrating

112  
00:06:12,310 --> 00:06:08,900  
it's too but you know don't you think

113  
00:06:15,850 --> 00:06:12,320

that's true of a lot of different groups

114

00:06:17,590 --> 00:06:15,860

yeah you're absolutely right it is it is

115

00:06:19,870 --> 00:06:17,600

in fact if I'd gotten into any other

116

00:06:21,820 --> 00:06:19,880

subject to try to cover as a journalist

117

00:06:24,370 --> 00:06:21,830

I probably would have run into the same

118

00:06:26,680 --> 00:06:24,380

kinds of elements it's just with UFO

119

00:06:29,890 --> 00:06:26,690

thing because there's no standards

120

00:06:31,960 --> 00:06:29,900

because there are no academic agreements

121

00:06:34,600 --> 00:06:31,970

shall we say or scientific agreements

122

00:06:38,940 --> 00:06:34,610

the fighting goes on forever and there's

123

00:06:41,800 --> 00:06:38,950

never any solid answer or any solid

124

00:06:43,600 --> 00:06:41,810

resource that you can depend on which is

125

00:06:46,300 --> 00:06:43,610

what we were trying to do is to just

126

00:06:48,460 --> 00:06:46,310

present what we knew and what the people

127

00:06:50,530 --> 00:06:48,470

that were the better researchers in the

128

00:06:54,250 --> 00:06:50,540

field had discovered and just presented

129

00:06:56,320 --> 00:06:54,260

in a very unemotional nonpartisan kind

130

00:06:58,180 --> 00:06:56,330

of way and that might have been the

131

00:07:01,360 --> 00:06:58,190

reason by the way since we didn't take

132

00:07:03,400 --> 00:07:01,370

an attitude that the magazine never had

133

00:07:06,070 --> 00:07:03,410

an opportunity to really get financially

134

00:07:08,800 --> 00:07:06,080

successful but that's but that's that's

135

00:07:10,540 --> 00:07:08,810

the way it was whatever you know I kind

136

00:07:13,570 --> 00:07:10,550

of a kind of hear what you're saying on

137

00:07:16,720 --> 00:07:13,580

that sometimes people want the shocking

138

00:07:19,240 --> 00:07:16,730

stuff they want to turn controversy they

139

00:07:21,340 --> 00:07:19,250

want you know that kind of a thing they

140

00:07:24,490 --> 00:07:21,350

were you know and i found that you don't

141

00:07:27,100 --> 00:07:24,500

like you like you're saying a lot of the

142

00:07:30,760 --> 00:07:27,110

researchers you know we're just average

143

00:07:33,190 --> 00:07:30,770

joe's like everybody else and they were

144

00:07:35,110 --> 00:07:33,200

you know finding stuff on their own and

145

00:07:38,560 --> 00:07:35,120

i would find a lot of times i don't know

146

00:07:41,530 --> 00:07:38,570

if you agree with this but when

147

00:07:44,260 --> 00:07:41,540

sometimes the first kernel of what they

148

00:07:46,510 --> 00:07:44,270

had or what they found was fairly pure

149

00:07:48,580 --> 00:07:46,520

but once they're started getting

150

00:07:51,100 --> 00:07:48,590

attention on it and people started sort

151  
00:07:53,770 --> 00:07:51,110  
of grabbing on to it it's like they

152  
00:07:54,760 --> 00:07:53,780  
wanted to keep it going so it was a lot

153  
00:07:59,860 --> 00:07:54,770  
of embellish

154  
00:08:02,499 --> 00:07:59,870  
a lot of misinformation you know just to

155  
00:08:05,649 --> 00:08:02,509  
keep the story going very human

156  
00:08:08,770 --> 00:08:05,659  
reactions you almost can't blame some of

157  
00:08:11,140 --> 00:08:08,780  
them many people if not most people are

158  
00:08:13,990 --> 00:08:11,150  
naive to begin with and they get into

159  
00:08:16,779 --> 00:08:14,000  
this subject with so fraught with with

160  
00:08:19,180 --> 00:08:16,789  
mystery and confusion they find

161  
00:08:21,279 --> 00:08:19,190  
something that is a kernel of truth it's

162  
00:08:24,339 --> 00:08:21,289  
natural and if I get attention for that

163  
00:08:26,589 --> 00:08:24,349

its natural totally natural for most of

164

00:08:29,290 --> 00:08:26,599

us to take it and run with it you know

165

00:08:31,420 --> 00:08:29,300

and so you know I can't fault people now

166

00:08:32,920 --> 00:08:31,430

that I look at it in hindsight hindsight

167

00:08:35,829 --> 00:08:32,930

being twenty-twenty vision of course

168

00:08:37,750 --> 00:08:35,839

certain time it was like sometimes I

169

00:08:40,060 --> 00:08:37,760

didn't know how to deal with a certain

170

00:08:43,659 --> 00:08:40,070

case or a certain person I was

171

00:08:46,389 --> 00:08:43,669

interviewing it was it was dawn did

172

00:08:49,300 --> 00:08:46,399

better with it he was able to he had

173

00:08:51,550 --> 00:08:49,310

more patience with some of these people

174

00:08:54,970 --> 00:08:51,560

that would go off on tangents that were

175

00:08:57,970 --> 00:08:54,980

in my view okay just totally my personal

176

00:09:00,550 --> 00:08:57,980

opinion weren't quite sane okay we're

177

00:09:02,860 --> 00:09:00,560

quite say well they weren't like there

178

00:09:05,019 --> 00:09:02,870

were one inch a lot of you know shy of a

179

00:09:07,630 --> 00:09:05,029

total combination plate as they say and

180

00:09:10,300 --> 00:09:07,640

I just had very little patience with

181

00:09:12,819 --> 00:09:10,310

that people like that would call in to

182

00:09:14,680 --> 00:09:12,829

the magazine and I would unfortunately

183

00:09:20,019 --> 00:09:14,690

have gone to pass it on to cuz you never

184

00:09:22,240 --> 00:09:20,029

know or me so are you all right course I

185

00:09:25,030 --> 00:09:22,250

by the way this girl here was my

186

00:09:27,370 --> 00:09:25,040

managing editor and at and like my

187

00:09:29,440 --> 00:09:27,380

husband Don was one of the people that

188

00:09:32,710 --> 00:09:29,450

kept me going when I was way beyond

189

00:09:34,569 --> 00:09:32,720

being able to go on by the stuff thank

190

00:09:38,880 --> 00:09:34,579

you for that by the way everything used

191

00:09:43,480 --> 00:09:38,890

to to mail out each and every magazine

192

00:09:46,240 --> 00:09:43,490

yeah and you really know what you're

193

00:09:48,910 --> 00:09:46,250

living without full of magazines and

194

00:09:53,199 --> 00:09:48,920

envelopes and mailing labels and oh my

195

00:09:55,540 --> 00:09:53,209

god it was insane it is right hand I'd

196

00:09:57,190 --> 00:09:55,550

have them off myself to the UPS and

197

00:10:01,960 --> 00:09:57,200

that's why I still don't have two floppy

198

00:10:04,540 --> 00:10:01,970

upper arms I would pick up those boxes

199

00:10:06,420 --> 00:10:04,550

I'd have them and I was so proud of

200

00:10:10,170 --> 00:10:06,430

being able to do that

201  
00:10:12,510 --> 00:10:10,180  
on middle here now but thank God you

202  
00:10:14,280 --> 00:10:12,520  
finally did hire a fulfillment house and

203  
00:10:16,920 --> 00:10:14,290  
we didn't have to get oh yeah we did

204  
00:10:18,960 --> 00:10:16,930  
share I help with that too you know see

205  
00:10:21,060 --> 00:10:18,970  
carriage it sure did a lot of things

206  
00:10:23,070 --> 00:10:21,070  
that really kept the thing going on the

207  
00:10:26,660 --> 00:10:23,080  
earlier years and then we had we

208  
00:10:28,800 --> 00:10:26,670  
gravitated into associations with other

209  
00:10:32,460 --> 00:10:28,810  
people shall we say I guess they are

210  
00:10:34,949 --> 00:10:32,470  
people actually which took us in in into

211  
00:10:36,930 --> 00:10:34,959  
some other mystery films beside the UFO

212  
00:10:40,260 --> 00:10:36,940  
thing but it all went where it went

213  
00:10:42,480 --> 00:10:40,270

according to what life it could have and

214

00:10:45,360 --> 00:10:42,490

I look back on it knowing that it was

215

00:10:47,340 --> 00:10:45,370

something that sustained a lot of people

216

00:10:49,320 --> 00:10:47,350

who are interested in the subject and to

217

00:10:54,090 --> 00:10:49,330

me that was that's really what I wanted

218

00:10:56,639 --> 00:10:54,100

to do oh absolutely well I I miss

219

00:10:59,090 --> 00:10:56,649

working on it it was a lot of fun and I

220

00:11:02,160 --> 00:10:59,100

can remember a lot of deadlines

221

00:11:03,930 --> 00:11:02,170

deadlines filthy you know writing stuff

222

00:11:06,780 --> 00:11:03,940

at midnight or editing something at

223

00:11:11,870 --> 00:11:06,790

midnight but it was fun it was really

224

00:11:15,449 --> 00:11:11,880

good now did you have a favorite time

225

00:11:18,360 --> 00:11:15,459

was their favorite era of the magazine

226

00:11:20,190 --> 00:11:18,370

and if you did what was going on during

227

00:11:22,110 --> 00:11:20,200

that time in the food you're going to

228

00:11:23,970 --> 00:11:22,120

find this very interesting Renee it's an

229

00:11:26,519 --> 00:11:23,980

interesting question says what you're

230

00:11:31,230 --> 00:11:26,529

asking me about is when the idea first

231

00:11:33,750 --> 00:11:31,240

came to me and the state of mind I was

232

00:11:36,540 --> 00:11:33,760

in when I first went to sherry and

233

00:11:40,110 --> 00:11:36,550

presented the idea to her and that was

234

00:11:41,940 --> 00:11:40,120

subsequent to what I call kind of a

235

00:11:45,810 --> 00:11:41,950

transformative experience that I had

236

00:11:50,790 --> 00:11:45,820

after an accident in which I had a great

237

00:11:52,680 --> 00:11:50,800

deal of a spiritual uplift and at the

238

00:11:55,260 --> 00:11:52,690

same time and this I could never figure

239

00:11:58,199 --> 00:11:55,270

it out I still haven't quite figured it

240

00:12:00,390 --> 00:11:58,209

out I felt what i thought was some kind

241

00:12:03,240 --> 00:12:00,400

of connection to extraterrestrial

242

00:12:05,430 --> 00:12:03,250

intelligence now I'm not want to talk

243

00:12:07,199 --> 00:12:05,440

like one of those people that is a

244

00:12:09,810 --> 00:12:07,209

Chandler or anything like that it wasn't

245

00:12:13,730 --> 00:12:09,820

like that it was just like a rapport

246

00:12:17,040 --> 00:12:13,740

with the idea of living systems or

247

00:12:19,980 --> 00:12:17,050

organisms outside of planet Earth and

248

00:12:23,150 --> 00:12:19,990

like let's face it

249

00:12:26,160 --> 00:12:23,160

it's a given okay this universe again

250

00:12:29,310 --> 00:12:26,170

given you know and but for some you know

251  
00:12:31,829 --> 00:12:29,320  
it's never been a subject that people

252  
00:12:33,780 --> 00:12:31,839  
openly accept and just realizes an

253  
00:12:37,530 --> 00:12:33,790  
inevitability for whatever reasons but I

254  
00:12:40,230 --> 00:12:37,540  
did and I at that time wanted to take my

255  
00:12:42,030 --> 00:12:40,240  
skills as an editor and writer and apply

256  
00:12:45,269 --> 00:12:42,040  
them to something that was it inspired

257  
00:12:47,579 --> 00:12:45,279  
me and that to me when the birth of the

258  
00:12:50,070 --> 00:12:47,589  
magazine first happened was the most

259  
00:12:53,519 --> 00:12:50,080  
exciting time sherry and I were in

260  
00:12:55,110 --> 00:12:53,529  
rapport about so many things and we

261  
00:12:57,840 --> 00:12:55,120  
really thought what was interesting is

262  
00:13:01,920 --> 00:12:57,850  
we saw the subject from a vantage point

263  
00:13:06,630 --> 00:13:01,930

of upliftment for mankind okay an

264

00:13:08,280 --> 00:13:06,640

optimistic of lifting futuristic happy

265

00:13:12,240 --> 00:13:08,290

kind I don't want to say happy but but

266

00:13:15,600 --> 00:13:12,250

this positive kind of subject then we

267

00:13:19,170 --> 00:13:15,610

discovered the UFO field which even a

268

00:13:24,510 --> 00:13:19,180

nut okay so there was a conflict in me

269

00:13:26,910 --> 00:13:24,520

between my desire to open up the public

270

00:13:29,610 --> 00:13:26,920

the earthly public to this wonderful

271

00:13:32,699 --> 00:13:29,620

idea that there our intelligence is

272

00:13:34,590 --> 00:13:32,709

outside of our planet that was in

273

00:13:36,900 --> 00:13:34,600

conflict with the actual people who are

274

00:13:38,720 --> 00:13:36,910

doing the research and doing their

275

00:13:41,460 --> 00:13:38,730

little things and being in their little

276

00:13:44,930 --> 00:13:41,470

mud holes of fighting stuff it just

277

00:13:48,060 --> 00:13:44,940

didn't it didn't didn't mix really but

278

00:13:50,639 --> 00:13:48,070

we kept going and kept trying to mix it

279

00:13:53,579 --> 00:13:50,649

but the whole spiritual part the part of

280

00:13:56,460 --> 00:13:53,589

it made me feel uplifted and positive

281

00:13:58,560 --> 00:13:56,470

about the idea that we have other beings

282

00:14:01,019 --> 00:13:58,570

we can know about that kind of went away

283

00:14:03,360 --> 00:14:01,029

as I kept trying to cover the field so

284

00:14:06,900 --> 00:14:03,370

you see there was a better words it

285

00:14:08,910 --> 00:14:06,910

started high and it dipped a little then

286

00:14:10,680 --> 00:14:08,920

it got a little higher when it looked

287

00:14:13,079 --> 00:14:10,690

like the business is going well and and

288

00:14:15,090 --> 00:14:13,089

there were more positive elements in the

289

00:14:19,530 --> 00:14:15,100

field and then it went down and get for

290

00:14:21,569 --> 00:14:19,540

me it's like mom and dirty yeah galaxy

291

00:14:25,380 --> 00:14:21,579

down and dirty something I don't handle

292

00:14:27,060 --> 00:14:25,390

her so all god I'm telling you again I

293

00:14:30,630 --> 00:14:27,070

have to say it was it from people like

294

00:14:33,280 --> 00:14:30,640

you and for Dawn I just I I might have

295

00:14:35,650 --> 00:14:33,290

been able to go on longer maybe if I had

296

00:14:39,009 --> 00:14:35,660

a little bit more camara t in my soul

297

00:14:44,310 --> 00:14:39,019

what's interesting is or at least it

298

00:14:47,889 --> 00:14:44,320

seems to me and is that your original

299

00:14:50,710 --> 00:14:47,899

sort of raised on debt or your original

300

00:14:53,980 --> 00:14:50,720

idea for wow you wanted to cover the

301  
00:14:59,350 --> 00:14:53,990  
subject matter in a positive way it

302  
00:15:02,680 --> 00:14:59,360  
seems like now would be more of a time

303  
00:15:05,139 --> 00:15:02,690  
for that kind of coverage so really i

304  
00:15:08,230 --> 00:15:05,149  
think so i think people are more into

305  
00:15:09,759 --> 00:15:08,240  
those ideas in handling like just

306  
00:15:11,769 --> 00:15:09,769  
looking you know what the chatroom

307  
00:15:13,590 --> 00:15:11,779  
people we're talking about UFOs in

308  
00:15:18,249 --> 00:15:13,600  
christ consciousness and spirituality

309  
00:15:21,389 --> 00:15:18,259  
yes i think so i think that people have

310  
00:15:24,699 --> 00:15:21,399  
gotten more into that type of thinking I

311  
00:15:28,420 --> 00:15:24,709  
you know could be completely wrong but I

312  
00:15:30,340 --> 00:15:28,430  
think a lot of people have sort of i

313  
00:15:33,370 --> 00:15:30,350

mean i was listening to something on NPR

314

00:15:35,559 --> 00:15:33,380

today or maybe yesterday about religion

315

00:15:38,550 --> 00:15:35,569

and how people have sort of gotten more

316

00:15:42,550 --> 00:15:38,560

away from the sort of organized religion

317

00:15:43,930 --> 00:15:42,560

saying and more into spirituality they

318

00:15:46,829 --> 00:15:43,940

can they don't consider themselves

319

00:15:49,809 --> 00:15:46,839

religious but they consider them spare

320

00:15:52,449 --> 00:15:49,819

themselves spiritual when when firing

321

00:15:55,600 --> 00:15:52,459

are valid in my mind is far more talent

322

00:15:58,930 --> 00:15:55,610

in terms of connecting industry to and i

323

00:16:01,930 --> 00:15:58,940

also i think that opens people up to be

324

00:16:05,170 --> 00:16:01,940

able to without those dogmas and laws

325

00:16:06,850 --> 00:16:05,180

and rules then release your petitions if

326

00:16:10,290 --> 00:16:06,860

you ask me there's a lot of superstition

327

00:16:13,720 --> 00:16:10,300

and religion yeah absolutely so what

328

00:16:16,210 --> 00:16:13,730

what you know what without that i think

329

00:16:19,240 --> 00:16:16,220

people are able to sort of entertain

330

00:16:21,340 --> 00:16:19,250

bigger and better things maybe you know

331

00:16:24,040 --> 00:16:21,350

like that that was the phenomenon oh

332

00:16:26,259 --> 00:16:24,050

yeah when you have a whole there is an

333

00:16:28,840 --> 00:16:26,269

old whole institution though it's not

334

00:16:32,829 --> 00:16:28,850

accredited or even considered you know

335

00:16:34,900 --> 00:16:32,839

legitimate per se of people following

336

00:16:37,480 --> 00:16:34,910

the subject is it sometimes it's just

337

00:16:39,819 --> 00:16:37,490

difficult to bring in the spiritual

338

00:16:44,079 --> 00:16:39,829

aspect of it and also cover the field

339

00:16:46,269 --> 00:16:44,089

you know yeah but still it's it's we're

340

00:16:46,930 --> 00:16:46,279

all progressing everything is

341

00:16:50,980 --> 00:16:46,940

progressing

342

00:16:54,100 --> 00:16:50,990

viewpoint on how we can bridge these

343

00:16:58,330 --> 00:16:54,110

things will inevitably come to some kind

344

00:17:00,940 --> 00:16:58,340

of fruition and degrade maybe so from

345

00:17:02,740 --> 00:17:00,950

the chat room bill says does Vicki think

346

00:17:04,990 --> 00:17:02,750

that Hollywood with all these negative

347

00:17:09,670 --> 00:17:05,000

alien movies is helping prevent

348

00:17:13,860 --> 00:17:09,680

disclosure by using fear well hey fair

349

00:17:15,910 --> 00:17:13,870

really self what can I say okay maybe

350

00:17:19,480 --> 00:17:15,920

unintentionally I think that you know

351

00:17:22,660 --> 00:17:19,490

cuz I mean honestly I I of course I

352

00:17:24,699 --> 00:17:22,670

don't move in those kind of of

353

00:17:26,350 --> 00:17:24,709

stratosphere you know among the

354

00:17:28,300 --> 00:17:26,360

Hollywood elite but I do work in

355

00:17:30,280 --> 00:17:28,310

Hollywood and I have that you know

356

00:17:32,680 --> 00:17:30,290

worked you know in television for a long

357

00:17:37,330 --> 00:17:32,690

time and then you know worked in movies

358

00:17:40,180 --> 00:17:37,340

a little bit I don't and also worked at

359

00:17:43,720 --> 00:17:40,190

the magazine for four years so I never

360

00:17:47,410 --> 00:17:43,730

felt any pressure from any government

361

00:17:49,630 --> 00:17:47,420

body or any to you know move information

362

00:17:51,370 --> 00:17:49,640

one way or the other and i know and i

363

00:17:53,560 --> 00:17:51,380

know people accuse our magazine event

364

00:17:56,170 --> 00:17:53,570

but it never really happened on the

365

00:17:58,120 --> 00:17:56,180

conscious level i can tell you that then

366

00:18:00,610 --> 00:17:58,130

again the UFO phenomenon i think is

367

00:18:03,700 --> 00:18:00,620

pretty much there is a psychological

368

00:18:06,640 --> 00:18:03,710

warfare element in there or manipulation

369

00:18:10,030 --> 00:18:06,650

if not warfare maybe war first a little

370

00:18:14,740 --> 00:18:10,040

too extreme and i felt a little of that

371

00:18:16,830 --> 00:18:14,750

in my years with the magazine but it is

372

00:18:20,680 --> 00:18:16,840

so ephemeral there's no way to really

373

00:18:23,950 --> 00:18:20,690

prove anything you know it's like it was

374

00:18:27,790 --> 00:18:23,960

a feeling or an intuition and might have

375

00:18:29,920 --> 00:18:27,800

been part of why I backed off yeah it

376

00:18:34,960 --> 00:18:29,930

seems like there was a time you know

377

00:18:37,930 --> 00:18:34,970

back in a mid 80s i believe it was 1986

378

00:18:41,550 --> 00:18:37,940

when i first saw you in las vegas at

379

00:18:45,300 --> 00:18:41,560

that new fon conference and i remember

380

00:18:48,310 --> 00:18:45,310

there was a lot going on a lot there was

381

00:18:51,300 --> 00:18:48,320

people were up in arms you know at that

382

00:18:54,280 --> 00:18:51,310

conference there was all kinds of of

383

00:18:57,400 --> 00:18:54,290

controversy there was a talk of you know

384

00:18:59,690 --> 00:18:57,410

disinformation there was the you know

385

00:19:02,750 --> 00:18:59,700

the benefits case and

386

00:19:05,659 --> 00:19:02,760

right other cases in i believe it was

387

00:19:10,340 --> 00:19:05,669

Bill Moore that was on stage who

388

00:19:15,799 --> 00:19:10,350

admittedly participated in dis informing

389

00:19:18,169 --> 00:19:15,809

Paul bennewitz if not others and into

390

00:19:20,149 --> 00:19:18,179

helping him believe I guess that he was

391

00:19:22,549 --> 00:19:20,159

having some experiences that maybe he

392

00:19:24,580 --> 00:19:22,559

wasn't manager I remember him calling it

393

00:19:27,560 --> 00:19:24,590

getting into the center of the Beehive

394

00:19:32,919 --> 00:19:27,570

which what what he meant by that as a

395

00:19:35,930 --> 00:19:32,929

researcher and quasi spy he was able to

396

00:19:38,750 --> 00:19:35,940

infiltrate up to a point some of the

397

00:19:42,200 --> 00:19:38,760

government mix ups and disinformation

398

00:19:46,120 --> 00:19:42,210

that was being plowed into the field and

399

00:19:49,990 --> 00:19:46,130

which eventually nearly destroyed

400

00:19:54,470 --> 00:19:50,000

bennewitz and I guess fed into his

401  
00:19:57,019 --> 00:19:54,480  
psychological breakdown and to know I

402  
00:19:59,990 --> 00:19:57,029  
remember being there to know that that

403  
00:20:03,680 --> 00:20:00,000  
man that was quote-unquote a fairly

404  
00:20:07,899 --> 00:20:03,690  
respected researcher Bill Moore at the

405  
00:20:11,029 --> 00:20:07,909  
time had participated in operations uh

406  
00:20:13,389 --> 00:20:11,039  
toward and against bennewitz in order to

407  
00:20:17,629 --> 00:20:13,399  
get to the center of the Beehive totally

408  
00:20:21,289 --> 00:20:17,639  
freaked me out totally devastated me I

409  
00:20:26,389 --> 00:20:21,299  
was appalled I want that I know I saw

410  
00:20:29,600 --> 00:20:26,399  
her first this is the first time I ever

411  
00:20:32,389 --> 00:20:29,610  
I ever saw you and I remember Bill Moore

412  
00:20:36,019 --> 00:20:32,399  
was on stage and I heard someone yell

413  
00:20:38,480 --> 00:20:36,029

out what about the Constitution and I

414

00:20:40,039 --> 00:20:38,490

said who's that and they said oh that's

415

00:20:41,659 --> 00:20:40,049

vickicooper she's the editor of

416

00:20:46,039 --> 00:20:41,669

beautiful magazine and I was going on oh

417

00:20:48,889 --> 00:20:46,049

wow and it was very heated in that room

418

00:20:50,750 --> 00:20:48,899

I remember but um the Paul bennewitz

419

00:20:52,490 --> 00:20:50,760

case can you talk just a little bit

420

00:20:54,200 --> 00:20:52,500

about what that is for those who might

421

00:20:56,330 --> 00:20:54,210

not be familiar with it that would be

422

00:20:59,779 --> 00:20:56,340

listening well I from what i remember

423

00:21:02,350 --> 00:20:59,789

and please forgive me my memories not up

424

00:21:06,409 --> 00:21:02,360

to par as it was when I would say 20

425

00:21:09,980 --> 00:21:06,419

bennewitz was a scientist who basically

426

00:21:13,520 --> 00:21:09,990

had had worked on some covert projects

427

00:21:19,310 --> 00:21:13,530

visa vie I the air

428

00:21:23,500 --> 00:21:19,320

force and covert projects and had what

429

00:21:30,020 --> 00:21:23,510

was allegedly his own research into a

430

00:21:34,520 --> 00:21:30,030

alien alien UFO event and Bill Moore and

431

00:21:36,710 --> 00:21:34,530

others uh basically felt that he was

432

00:21:39,230 --> 00:21:36,720

compromising national security at some

433

00:21:40,760 --> 00:21:39,240

point okay from what I gather now now if

434

00:21:42,680 --> 00:21:40,770

you had dawn here instead of me I'm

435

00:21:46,280 --> 00:21:42,690

certain he's have all the details but to

436

00:21:47,510 --> 00:21:46,290

make a long story short when the AF OSI

437

00:21:50,660 --> 00:21:47,520

the Air Force Office of Special

438

00:21:52,460 --> 00:21:50,670

Investigations decided he was

439

00:21:55,550 --> 00:21:52,470

compromising national security they

440

00:21:59,440 --> 00:21:55,560

decided to go after him and to dissuade

441

00:22:03,890 --> 00:21:59,450

him from telling stories about some

442

00:22:06,590 --> 00:22:03,900

humans humans being attacked and eaten

443

00:22:08,720 --> 00:22:06,600

by aliens which I think was part of when

444

00:22:11,330 --> 00:22:08,730

his mental breakdown might have happened

445

00:22:15,310 --> 00:22:11,340

whatever went on and whatever he was

446

00:22:19,910 --> 00:22:15,320

doing to make the long story short more

447

00:22:23,660 --> 00:22:19,920

hooked up with the AFO SI and proceeded

448

00:22:26,120 --> 00:22:23,670

to do projects operations on this man

449

00:22:28,550 --> 00:22:26,130

now was he a private citizen at that

450

00:22:32,240 --> 00:22:28,560

time more I believe he was I believe you

451

00:22:34,280 --> 00:22:32,250

I think he was if I had a you know my

452

00:22:37,820 --> 00:22:34,290

research notes which I don't I think he

453

00:22:42,670 --> 00:22:37,830

was a contract employee and I don't know

454

00:22:46,910 --> 00:22:42,680

exactly what his mission was with his

455

00:22:48,560 --> 00:22:46,920

operations as a contract employee were

456

00:22:52,730 --> 00:22:48,570

at the time but they were for high-tech

457

00:22:54,950 --> 00:22:52,740

and for covert operations and for rd and

458

00:23:00,020 --> 00:22:54,960

just the fact that he was dealing in

459

00:23:02,540 --> 00:23:00,030

those levels made him dicey as somebody

460

00:23:06,620 --> 00:23:02,550

who would be talking too much to to to

461

00:23:09,350 --> 00:23:06,630

the wrong people and bottom line he was

462

00:23:15,800 --> 00:23:09,360

considered somebody in the UFO field who

463

00:23:17,980 --> 00:23:15,810

was intentionally targeted by operatives

464

00:23:22,330 --> 00:23:17,990

of the Air Force Office of Special

465

00:23:25,550 --> 00:23:22,340

Investigation and ultimately was driven

466

00:23:27,440 --> 00:23:25,560

cycle a bit or saying because of it and

467

00:23:30,169 --> 00:23:27,450

this of course was an

468

00:23:33,110 --> 00:23:30,179

rage once bill maher came out and said

469

00:23:35,690 --> 00:23:33,120

he was a part of it the UFO community is

470

00:23:38,649 --> 00:23:35,700

insular and small as it was was pretty

471

00:23:41,210 --> 00:23:38,659

upset to know that he was dealing with

472

00:23:46,570 --> 00:23:41,220

who many people considered at the time

473

00:23:49,430 --> 00:23:46,580

the enemy because the enemy was the

474

00:23:52,190 --> 00:23:49,440

various intelligence agencies were who

475

00:23:53,750 --> 00:23:52,200

were attempting to keep a lid on the

476

00:23:56,480 --> 00:23:53,760

phenomenon the fact that the phenomenon

477

00:23:59,720 --> 00:23:56,490

is real not necessarily that the

478

00:24:01,610 --> 00:23:59,730

phenomenon was alien or et but that it

479

00:24:03,860 --> 00:24:01,620

was real that people were seeing things

480

00:24:09,289 --> 00:24:03,870

and their denial particularly around the

481

00:24:12,440 --> 00:24:09,299

CIA and those those agencies was simply

482

00:24:15,529 --> 00:24:12,450

a deflation for everybody to get them

483

00:24:17,590 --> 00:24:15,539

off to get them to feel safer with with

484

00:24:21,049 --> 00:24:17,600

the security of their operations and

485

00:24:23,750 --> 00:24:21,059

yeah that's another thing I started out

486

00:24:26,919 --> 00:24:23,760

thinking these UFOs many of them are

487

00:24:28,970 --> 00:24:26,929

most of amour ET or from alien

488

00:24:32,060 --> 00:24:28,980

intelligences or other dimensional

489

00:24:34,129 --> 00:24:32,070

intelligences whereas as time went on it

490

00:24:37,730 --> 00:24:34,139

was easy to discover that much of the

491

00:24:40,009 --> 00:24:37,740

stuff was infiltrated by Air Force CIA

492

00:24:43,539 --> 00:24:40,019

intelligence agency operations that had

493

00:24:46,279 --> 00:24:43,549

to do with research and development and

494

00:24:48,500 --> 00:24:46,289

you know that you know things like I

495

00:24:52,480 --> 00:24:48,510

think you were speaking earlier Renee of

496

00:24:55,430 --> 00:24:52,490

teleportation Gordon Cooper having oh

497

00:24:57,289 --> 00:24:55,440

yeah Ali not Gordon Cooper I remember

498

00:25:00,019 --> 00:24:57,299

you interviewed him for the magazine

499

00:25:04,730 --> 00:25:00,029

right this way yeah this was like

500

00:25:06,740 --> 00:25:04,740

probably early 90s right it was a short

501  
00:25:10,399 --> 00:25:06,750  
time before he passed away yeah few

502  
00:25:14,509 --> 00:25:10,409  
years I guess mm-hmm and he touched that

503  
00:25:18,680 --> 00:25:14,519  
time did claim to have what he was open

504  
00:25:21,549 --> 00:25:18,690  
about having a medic or accepting the

505  
00:25:24,590 --> 00:25:21,559  
reality of UFOs and having seen some

506  
00:25:27,200 --> 00:25:24,600  
certain individual experiences that he

507  
00:25:29,990 --> 00:25:27,210  
had along with some other pros in the

508  
00:25:32,149 --> 00:25:30,000  
Aeronautics field but he also talked

509  
00:25:35,419 --> 00:25:32,159  
about teleportation these things if they

510  
00:25:37,850 --> 00:25:35,429  
were going on and they had to do rd

511  
00:25:40,649 --> 00:25:37,860  
naturally there would be things that the

512  
00:25:44,849 --> 00:25:40,659  
average citizen would see in the sky and

513  
00:25:47,849 --> 00:25:44,859

know how to interpret and that it all

514

00:25:49,680 --> 00:25:47,859

gets into this big my ass and that's

515

00:25:53,519 --> 00:25:49,690

where it started to get very difficult

516

00:25:56,430 --> 00:25:53,529

to color the fields yeah so absolutely

517

00:25:57,869 --> 00:25:56,440

yeah it really was now in Paul bennewitz

518

00:26:03,359 --> 00:25:57,879

and we're going to have to take break in

519

00:26:06,359 --> 00:26:03,369

just a moment but Paul bennewitz was fed

520

00:26:08,129 --> 00:26:06,369

information is that right but I remember

521

00:26:12,239 --> 00:26:08,139

there was a story about him seeing

522

00:26:14,310 --> 00:26:12,249

beings coming through the wall yes yes I

523

00:26:16,019 --> 00:26:14,320

remember that too that kind of talk

524

00:26:18,419 --> 00:26:16,029

coming from somebody who's supposed to

525

00:26:20,460 --> 00:26:18,429

be a legitimate you know head on

526  
00:26:24,119 --> 00:26:20,470  
straight kind of scientists that the

527  
00:26:26,310 --> 00:26:24,129  
dealing with a large governmental agency

528  
00:26:28,440 --> 00:26:26,320  
this is just did not please the air

529  
00:26:31,919 --> 00:26:28,450  
force fed that sugar cake they didn't

530  
00:26:35,430 --> 00:26:31,929  
like it at all but they're more

531  
00:26:36,810 --> 00:26:35,440  
exploited that problem by making friends

532  
00:26:39,029 --> 00:26:36,820  
with who he thought were the right

533  
00:26:41,639 --> 00:26:39,039  
people and then he ended up being

534  
00:26:43,619 --> 00:26:41,649  
involved was the controversy that of

535  
00:26:45,869 --> 00:26:43,629  
what it ended up happening to Paul you

536  
00:26:47,609 --> 00:26:45,879  
know and it was Amos these are the kinds

537  
00:26:49,440 --> 00:26:47,619  
of things that happened so much in the

538  
00:26:51,690 --> 00:26:49,450

UFO field that really took everybody's

539

00:26:54,330 --> 00:26:51,700

eye off the ball the ball being the

540

00:26:57,029 --> 00:26:54,340

phenomenon what is it where does it come

541

00:26:59,820 --> 00:26:57,039

from how can we break it down so that we

542

00:27:05,519 --> 00:26:59,830

look at it as as you know smart human

543

00:27:07,710 --> 00:27:05,529

beings and this is too bad but it is bad

544

00:27:13,200 --> 00:27:07,720

guess what it is it was what it was it

545

00:27:16,289 --> 00:27:13,210

will be will be you can take that to the

546

00:27:18,719 --> 00:27:16,299

bank in yep yep yep we're going to take

547

00:27:21,839 --> 00:27:18,729

a break right now and when we come back

548

00:27:24,659 --> 00:27:21,849

we're going to be talking about UFO

549

00:27:31,360 --> 00:27:24,669

magazine UFO cases the Philadelphia

550

00:27:36,040 --> 00:27:33,910

are you a fan of inception radio network

551  
00:27:38,440 --> 00:27:36,050  
do you reckon it's the best alternative

552  
00:27:40,660 --> 00:27:38,450  
talk radio station on the planet well if

553  
00:27:43,660 --> 00:27:40,670  
you do head to facebook.com forward

554  
00:27:46,210 --> 00:27:43,670  
slash inception radio network like the

555  
00:27:58,430 --> 00:27:46,220  
page tell your friends spread the word

556  
00:28:03,539 --> 00:28:01,619  
hello inception radio network would you

557  
00:28:05,879 --> 00:28:03,549  
like the favorite show to play it again

558  
00:28:08,190 --> 00:28:05,889  
live on air well now the choice is in

559  
00:28:10,200 --> 00:28:08,200  
your hand with I rn's live request

560  
00:28:13,169 --> 00:28:10,210  
portal an easy way to request your

561  
00:28:14,909 --> 00:28:13,179  
favorite show with a simple click irons

562  
00:28:17,700 --> 00:28:14,919  
live request portal now gives you

563  
00:28:20,159 --> 00:28:17,710

exclusive access to all the shows how

564

00:28:22,799 --> 00:28:20,169

easy is it simply type a show name or a

565

00:28:25,499 --> 00:28:22,809

guest name click request even write a

566

00:28:28,169 --> 00:28:25,509

dedication message that's it try it now

567

00:28:30,599 --> 00:28:28,179

simply visit inception radio network com

568

00:28:33,089 --> 00:28:30,609

click on the live requests tab under the

569

00:28:37,780 --> 00:28:33,099

show menu now playing your favorite show

570

00:28:42,110 --> 00:28:40,070

don't have a computer who's your

571

00:28:43,760 --> 00:28:42,120

internet connection down don't worry use

572

00:28:47,060 --> 00:28:43,770

your trusty cellphone or landline and

573

00:28:48,920 --> 00:28:47,070

call in to our listen line at 40 128 367

574

00:28:51,710 --> 00:28:48,930

00 to listen to the inception radio

575

00:28:56,240 --> 00:28:51,720

network 24-7 again that Colin number is

576  
00:29:01,190 --> 00:28:56,250  
401 to a 360 700 for the inception radio

577  
00:29:05,160 --> 00:29:03,180  
you didn't forget what's coming up

578  
00:29:07,260 --> 00:29:05,170  
tonight did you hi inception radio

579  
00:29:08,790 --> 00:29:07,270  
network listeners this is Amanda never

580  
00:29:10,380 --> 00:29:08,800  
miss that interview you were looking

581  
00:29:13,740 --> 00:29:10,390  
forward to or the show on your favorite

582  
00:29:16,410 --> 00:29:13,750  
topic follow irn on twitter i underscore

583  
00:29:18,570 --> 00:29:16,420  
our underscore n and get reminders about

584  
00:29:20,160 --> 00:29:18,580  
the evenings live shows as well as fun

585  
00:29:23,040 --> 00:29:20,170  
and important updates throughout the

586  
00:29:28,410 --> 00:29:23,050  
week that's i underscore our underscore

587  
00:29:30,180 --> 00:29:28,420  
n and never miss a great show again are

588  
00:29:33,060 --> 00:29:30,190

you looking for a cure for boredom never

589

00:29:35,280 --> 00:29:33,070

worry I rn's new interactive website

590

00:29:37,010 --> 00:29:35,290

introduces a number of ways to pass time

591

00:29:39,810 --> 00:29:37,020

while you listen to your favorite show

592

00:29:42,780 --> 00:29:39,820

choose anything from the IR n chat

593

00:29:45,060 --> 00:29:42,790

lounge the game lounge video lounge or

594

00:29:47,100 --> 00:29:45,070

the mood lounge these fun exciting

595

00:29:49,350 --> 00:29:47,110

features let you chat in real time with

596

00:29:52,140 --> 00:29:49,360

fellow listeners view live shy watches

597

00:29:53,970 --> 00:29:52,150

play daily posted online games or pick a

598

00:29:56,940 --> 00:29:53,980

show based on topic the choices are

599

00:30:01,950 --> 00:29:56,950

endless use your time wisely keeping it

600

00:30:04,530 --> 00:30:01,960

all on IRS hey IRA listeners make sure

601  
00:30:06,780 --> 00:30:04,540  
you tune in to night vision radio with

602  
00:30:08,670 --> 00:30:06,790  
Renee Barnett Renee will be exposing the

603  
00:30:11,280 --> 00:30:08,680  
truth one secret at a time when

604  
00:30:13,980 --> 00:30:11,290  
Thursdays every Thursday 1030 p.m.

605  
00:30:21,440 --> 00:30:13,990  
eastern 730 p.m. pacific their right ear

606  
00:30:27,330 --> 00:30:25,049  
welcome back everybody you are here on

607  
00:30:29,760 --> 00:30:27,340  
nitrogen radio i am your host Renee

608  
00:30:32,790 --> 00:30:29,770  
Barnett and we're talking with

609  
00:30:36,780 --> 00:30:32,800  
vickicooper ecker co-founder and editor

610  
00:30:40,169 --> 00:30:36,790  
in chief for over 20 years of UFO

611  
00:30:42,810 --> 00:30:40,179  
magazine they want an only journalistic

612  
00:30:45,990 --> 00:30:42,820  
approach to the fridge subject of UFOs

613  
00:30:51,540 --> 00:30:46,000

gee that sounds fun presses doesn't it

614

00:30:52,860 --> 00:30:51,550

see me today oh yeah it was me yeah

615

00:30:54,540 --> 00:30:52,870

somebody we were just talking about Paul

616

00:30:57,240 --> 00:30:54,550

bennewitz I see people are talking about

617

00:30:59,460 --> 00:30:57,250

it in the chat room and neutron says

618

00:31:04,460 --> 00:30:59,470

that bennewitz his life was ruined by

619

00:31:07,799 --> 00:31:04,470

dou T Oh Bob doozy yeah the u.s.

620

00:31:10,980 --> 00:31:07,809

misinformation officer or for the

621

00:31:13,620 --> 00:31:10,990

military or what was it yeah that's that

622

00:31:16,380 --> 00:31:13,630

believe that is who bill more of a pep

623

00:31:18,960 --> 00:31:16,390

with wasn't in time together Dodi wasn't

624

00:31:20,580 --> 00:31:18,970

he pretty high-ranking oh yeah I don't

625

00:31:23,100 --> 00:31:20,590

remember what his rank was but he was

626

00:31:24,630 --> 00:31:23,110

definitely in there and doing some

627

00:31:27,390 --> 00:31:24,640

important work or what they thought was

628

00:31:29,160 --> 00:31:27,400

important work at the pond and but but

629

00:31:32,450 --> 00:31:29,170

he was a very controversial figure in

630

00:31:35,250 --> 00:31:32,460

the field there were these people

631

00:31:37,470 --> 00:31:35,260

Stubblebine was one of them Dodie's and

632

00:31:39,450 --> 00:31:37,480

I there's a few others whose name I

633

00:31:42,419 --> 00:31:39,460

can't recall that actually did have

634

00:31:45,660 --> 00:31:42,429

their feet in both the intelligence

635

00:31:49,310 --> 00:31:45,670

community and UFOs there was such a

636

00:31:52,290 --> 00:31:49,320

crossover it is one of the areas that

637

00:31:55,680 --> 00:31:52,300

kept things on edge all the time with

638

00:31:59,010 --> 00:31:55,690

people in the field and Billy Doty was I

639

00:32:01,549 --> 00:31:59,020

remember one who was basically despised

640

00:32:08,010 --> 00:32:01,559

by most of the researchers in the field

641

00:32:11,720 --> 00:32:08,020

because of being a nosy intrusive

642

00:32:14,130 --> 00:32:11,730

disinformation agent and one that was

643

00:32:17,760 --> 00:32:14,140

you know backed up by the Air Force to

644

00:32:19,590 --> 00:32:17,770

begin with so well you know we were

645

00:32:22,710 --> 00:32:19,600

talking earlier about about Paul

646

00:32:26,130 --> 00:32:22,720

bennewitz in and how I remembered one of

647

00:32:28,500 --> 00:32:26,140

the stories was you know that he claimed

648

00:32:31,950 --> 00:32:28,510

that he was seeing aliens you know

649

00:32:36,920 --> 00:32:31,960

coming in through the walls alien beings

650

00:32:39,750 --> 00:32:36,930

and was the was the idea that he was

651  
00:32:42,570 --> 00:32:39,760  
possibly really having some kind of

652  
00:32:45,030 --> 00:32:42,580  
experience or was it that he was having

653  
00:32:46,860 --> 00:32:45,040  
a mental breakdown at that time well

654  
00:32:48,720 --> 00:32:46,870  
that's that's hard to say I believe

655  
00:32:51,000 --> 00:32:48,730  
before he was considered someone that

656  
00:32:53,640 --> 00:32:51,010  
was like having a mental breakdown he

657  
00:32:55,740 --> 00:32:53,650  
was having these experiences and though

658  
00:32:59,100 --> 00:32:55,750  
I never heard it being said outright

659  
00:33:01,980 --> 00:32:59,110  
it's possible he was a victim of

660  
00:33:06,270 --> 00:33:01,990  
psychological operations whether they

661  
00:33:08,520 --> 00:33:06,280  
could mimic something like aliens coming

662  
00:33:11,460 --> 00:33:08,530  
through the wall that I really don't

663  
00:33:14,940 --> 00:33:11,470

know probably nobody in the civilian

664

00:33:16,980 --> 00:33:14,950

community knows but he he basically was

665

00:33:19,470 --> 00:33:16,990

somebody that there was seeing stuff

666

00:33:24,300 --> 00:33:19,480

that the Air Force didn't want him to

667

00:33:27,720 --> 00:33:24,310

broadcast and it the who knows the fact

668

00:33:30,030 --> 00:33:27,730

of the matter is if there are et aliens

669

00:33:32,450 --> 00:33:30,040

that have interface and aren't

670

00:33:37,280 --> 00:33:32,460

interfacing with our planet they have

671

00:33:43,530 --> 00:33:37,290

capabilities such as trend teleportation

672

00:33:47,420 --> 00:33:43,540

disappearing in in treason into people's

673

00:33:50,070 --> 00:33:47,430

minds and brains for their own uses and

674

00:33:52,980 --> 00:33:50,080

certainly one of the things that Don and

675

00:33:56,160 --> 00:33:52,990

I and you to remember are the many many

676  
00:33:58,380 --> 00:33:56,170  
instances of people who have had direct

677  
00:34:02,850 --> 00:33:58,390  
experience with either alien abduction

678  
00:34:05,190 --> 00:34:02,860  
or memories of light coming through

679  
00:34:07,500 --> 00:34:05,200  
their windows that sort of thing there

680  
00:34:10,710 --> 00:34:07,510  
is a phenomenon out there and whether it

681  
00:34:13,140 --> 00:34:10,720  
crosses over into paranormal you know

682  
00:34:15,750 --> 00:34:13,150  
spook things from other dimensions or

683  
00:34:18,180 --> 00:34:15,760  
whether it's actual you know three

684  
00:34:21,990 --> 00:34:18,190  
dimensional beings coming from another

685  
00:34:24,810 --> 00:34:22,000  
planet it all is outside of our spectrum

686  
00:34:27,660 --> 00:34:24,820  
of consciousness and it deals with our

687  
00:34:30,090 --> 00:34:27,670  
consciousness and I think that largely

688  
00:34:33,840 --> 00:34:30,100

the psychological part of it is is

689

00:34:35,730 --> 00:34:33,850

probably instead of what Bill Moore was

690

00:34:37,920 --> 00:34:35,740

going for is the center of the Beehive I

691

00:34:42,930 --> 00:34:37,930

do believe it's a manipulative say in

692

00:34:45,270 --> 00:34:42,940

fact if anybody wants to read whom I

693

00:34:49,770 --> 00:34:45,280

think is the most

694

00:34:52,800 --> 00:34:49,780

sharp author and the most willingly open

695

00:34:55,770 --> 00:34:52,810

to the possibilities out there and also

696

00:34:58,560 --> 00:34:55,780

the most articulate read jacques of la

697

00:35:02,250 --> 00:34:58,570

John Malay with that without question to

698

00:35:07,200 --> 00:35:02,260

me has penetrated the phenomenon in a

699

00:35:08,820 --> 00:35:07,210

way that most NATO what is it a hammer

700

00:35:11,600 --> 00:35:08,830

and nails researchers have not been able

701  
00:35:14,550 --> 00:35:11,610  
to do he need does look at the

702  
00:35:17,730 --> 00:35:14,560  
manipulative psychological part of it is

703  
00:35:21,570 --> 00:35:17,740  
a big part of it and I you know to this

704  
00:35:24,510 --> 00:35:21,580  
day as much as my interest in UFOs was

705  
00:35:26,040 --> 00:35:24,520  
long lasting I still have a part of me

706  
00:35:28,200 --> 00:35:26,050  
that doesn't want to go too deeply into

707  
00:35:32,670 --> 00:35:28,210  
looking at it because I realize it does

708  
00:35:34,260 --> 00:35:32,680  
affect the mind and it fix people some

709  
00:35:36,150 --> 00:35:34,270  
people have stronger mind for the Harris

710  
00:35:38,940 --> 00:35:36,160  
mom I don't think mine is that that

711  
00:35:42,230 --> 00:35:38,950  
strong and was was certainly bolstered

712  
00:35:45,390 --> 00:35:42,240  
by Don and you and others who came to me

713  
00:35:48,090 --> 00:35:45,400

over the course of the years it's just

714

00:35:54,450 --> 00:35:48,100

it's just one of those fields that has

715

00:35:56,430 --> 00:35:54,460

no hard-and-fast resources it has no

716

00:35:59,970 --> 00:35:56,440

they can't really get to the bottom of

717

00:36:02,130 --> 00:35:59,980

it exactly it's like it's botanist or

718

00:36:04,440 --> 00:36:02,140

you pick up a thread and you think

719

00:36:07,500 --> 00:36:04,450

you're getting somewhere and then it

720

00:36:10,170 --> 00:36:07,510

ended up to spray tan or or yeah all

721

00:36:12,750 --> 00:36:10,180

right and another section actually that

722

00:36:15,180 --> 00:36:12,760

that's that's exactly what happens and

723

00:36:17,400 --> 00:36:15,190

so for a journalist for somebody who

724

00:36:21,290 --> 00:36:17,410

really wants facts who really wants to

725

00:36:24,330 --> 00:36:21,300

present non you know objective facts it

726

00:36:25,770 --> 00:36:24,340

couldn't be a worse kind of subject to

727

00:36:28,170 --> 00:36:25,780

try to deal with it you know it's just

728

00:36:30,000 --> 00:36:28,180

because it real facts are not there

729

00:36:32,030 --> 00:36:30,010

other than this other the next quote

730

00:36:35,520 --> 00:36:32,040

unquote fact that people have

731

00:36:39,300 --> 00:36:35,530

experiences that are out of the realm of

732

00:36:44,130 --> 00:36:39,310

the norm and they swear they're real to

733

00:36:46,710 --> 00:36:44,140

them and they are suppressed by powers

734

00:36:49,050 --> 00:36:46,720

that be and when they are not suppress

735

00:36:51,360 --> 00:36:49,060

the powers that be will go in there and

736

00:36:53,520 --> 00:36:51,370

screw it up so that nobody can get a

737

00:36:57,030 --> 00:36:53,530

straight line of information and and

738

00:36:59,010 --> 00:36:57,040

that that bottom line is why I just had

739

00:37:02,570 --> 00:36:59,020

said threw my hands up he said

740

00:37:05,070 --> 00:37:02,580

I'm gone okay that's it no more nomas

741

00:37:08,430 --> 00:37:05,080

yeah you mentioned you mentioned Jacques

742

00:37:10,440 --> 00:37:08,440

palayan and just earlier in a little

743

00:37:13,590 --> 00:37:10,450

while ago before the break someone had

744

00:37:18,270 --> 00:37:13,600

brought up i believe it was Neutron

745

00:37:20,670 --> 00:37:18,280

asking whether or not the magazine had

746

00:37:23,610 --> 00:37:20,680

ever done anything on the work of

747

00:37:26,670 --> 00:37:23,620

Barbara Barr cilic and karla turner and

748

00:37:30,150 --> 00:37:26,680

on my death yeah I absolutely remember

749

00:37:33,630 --> 00:37:30,160

remember that and then he just mentioned

750

00:37:35,520 --> 00:37:33,640

that that Barbara Barr cilic worked he

751  
00:37:38,040 --> 00:37:35,530  
says seven years was Jacques valet which

752  
00:37:41,730 --> 00:37:38,050  
I did I didn't recall that I didn't know

753  
00:37:46,590 --> 00:37:41,740  
that either huh but now i remember the

754  
00:37:50,610 --> 00:37:46,600  
karla turner stuff very well barbara

755  
00:37:54,810 --> 00:37:50,620  
bars like a little less so did you cover

756  
00:37:58,500 --> 00:37:54,820  
that call it wrote a book yes I don't

757  
00:38:01,130 --> 00:37:58,510  
remember the actual information but but

758  
00:38:04,260 --> 00:38:01,140  
I do remember is quite controversial and

759  
00:38:07,610 --> 00:38:04,270  
she wrote an articles now see here's the

760  
00:38:11,280 --> 00:38:07,620  
deal that article somewhere in my garage

761  
00:38:13,650 --> 00:38:11,290  
among the many many magazines that are

762  
00:38:16,200 --> 00:38:13,660  
in my garage yeah at this point I have

763  
00:38:18,210 --> 00:38:16,210

no recollection of exactly what her

764

00:38:20,850 --> 00:38:18,220

experience was I do know it was

765

00:38:24,960 --> 00:38:20,860

considered kinky but then so are a lot

766

00:38:27,690 --> 00:38:24,970

of the abduction and or contact

767

00:38:29,910 --> 00:38:27,700

experiences arrived you know people you

768

00:38:33,060 --> 00:38:29,920

this is this is a disturbing thing this

769

00:38:36,750 --> 00:38:33,070

is the troubling part of it she probably

770

00:38:39,420 --> 00:38:36,760

had a real and possibly very terrifying

771

00:38:41,490 --> 00:38:39,430

experience I had now I'm interested in

772

00:38:44,190 --> 00:38:41,500

going back into the into my garage and

773

00:38:46,650 --> 00:38:44,200

see if I can find yeah absolutely for it

774

00:38:48,570 --> 00:38:46,660

she also wrote a book anyway and it

775

00:38:51,030 --> 00:38:48,580

wasn't long after that she passed away

776

00:38:54,050 --> 00:38:51,040

Ryan I know I remember she had cancer

777

00:38:58,830 --> 00:38:54,060

but there was all you know a lot of

778

00:39:00,600 --> 00:38:58,840

conspiratorial talk about in my lab

779

00:39:01,980 --> 00:39:00,610

maybe she was one of the first that

780

00:39:06,450 --> 00:39:01,990

didn't want you know what my labs all

781

00:39:07,530 --> 00:39:06,460

right yeah ill Carolee yeah military go

782

00:39:10,170 --> 00:39:07,540

ahead and explain that though to

783

00:39:12,960 --> 00:39:10,180

listeners to hell basically what it is

784

00:39:16,109 --> 00:39:12,970

is from what my

785

00:39:20,490 --> 00:39:16,119

will is really being difficult turning

786

00:39:27,290 --> 00:39:20,500

up here military operations that were

787

00:39:30,990 --> 00:39:27,300

actually a hoaxed abductions hoaxed

788

00:39:34,589 --> 00:39:31,000

contact events okay and they were

789

00:39:38,670 --> 00:39:34,599

experiments that were being done on the

790

00:39:42,150 --> 00:39:38,680

covert by our military for the sake of

791

00:39:45,240 --> 00:39:42,160

simply trying to get more information

792

00:39:48,390 --> 00:39:45,250

about what was going on in the field and

793

00:39:50,970 --> 00:39:48,400

with the people in the field and several

794

00:39:52,770 --> 00:39:50,980

people researchers in the field became

795

00:39:54,839 --> 00:39:52,780

experts in doing my lab coverage which

796

00:39:56,339 --> 00:39:54,849

we had in the magazine also I can't

797

00:40:00,300 --> 00:39:56,349

remember exact names at this point

798

00:40:04,440 --> 00:40:00,310

though and basically they the military

799

00:40:08,370 --> 00:40:04,450

has infiltrated the subject and has he

800

00:40:12,330 --> 00:40:08,380

has exploited the subjects in order to

801  
00:40:15,210 --> 00:40:12,340  
keep their security where they feel it

802  
00:40:17,400 --> 00:40:15,220  
should be it's a huge bureaucracy and it

803  
00:40:19,349 --> 00:40:17,410  
all comes down to people who have not

804  
00:40:22,560 --> 00:40:19,359  
had experiences whether in the military

805  
00:40:25,470 --> 00:40:22,570  
or not dealing with people they think

806  
00:40:27,480 --> 00:40:25,480  
are just a little off okay or crazy and

807  
00:40:30,540 --> 00:40:27,490  
making sure that whatever comes out of

808  
00:40:35,130 --> 00:40:30,550  
that those people the the experiences

809  
00:40:36,870 --> 00:40:35,140  
doesn't disrupt the boundaries of our D

810  
00:40:38,880 --> 00:40:36,880  
or whatever else they're trying to keep

811  
00:40:41,700 --> 00:40:38,890  
secrets for all we know and if you were

812  
00:40:43,770 --> 00:40:41,710  
to go back into the history of UFOs the

813  
00:40:45,660 --> 00:40:43,780

phenomenon is real has been real for a

814

00:40:50,900 --> 00:40:45,670

long time has been suppressed for a long

815

00:40:55,589 --> 00:40:50,910

time Ross well at all okay and has been

816

00:40:58,140 --> 00:40:55,599

solid poisoned intoxicated with so much

817

00:41:01,290 --> 00:40:58,150

disinformation that nobody who is an

818

00:41:03,089 --> 00:41:01,300

average citizen with an average mind can

819

00:41:05,430 --> 00:41:03,099

make their minds up of whether they want

820

00:41:09,109 --> 00:41:05,440

to know any more about it or not are

821

00:41:13,530 --> 00:41:09,119

either filled with fear or distrust or

822

00:41:16,380 --> 00:41:13,540

just plain a dismissive these people are

823

00:41:18,750 --> 00:41:16,390

[h\_\_h] nuts excuse my language okay you

824

00:41:22,530 --> 00:41:18,760

know but that I'm telling you and what

825

00:41:25,440 --> 00:41:22,540

is it that the researcher up in Canada

826

00:41:26,640 --> 00:41:25,450

Stanton Friedman calls the laughter

827

00:41:32,280 --> 00:41:26,650

curtain

828

00:41:34,140 --> 00:41:32,290

sturdy as ever you know and it's a shame

829

00:41:36,240 --> 00:41:34,150

it's it's it's a definite shame because

830

00:41:38,340 --> 00:41:36,250

I think if science is really to try to

831

00:41:39,870 --> 00:41:38,350

get into it in a way that could be

832

00:41:42,180 --> 00:41:39,880

shared with the rest of the American

833

00:41:44,580 --> 00:41:42,190

people if not the world we'd have we

834

00:41:48,180 --> 00:41:44,590

would be able to move this planet into a

835

00:41:51,510 --> 00:41:48,190

new phase but it happened you know and

836

00:41:53,580 --> 00:41:51,520

in I think that discouragement is also

837

00:41:57,390 --> 00:41:53,590

part of why never could really stick

838

00:41:59,970 --> 00:41:57,400

with subject so yeah I will be

839

00:42:03,330 --> 00:41:59,980

depressive or anything no no no no it's

840

00:42:04,530 --> 00:42:03,340

interesting but I yeah I you know I'm

841

00:42:07,170 --> 00:42:04,540

glad somebody brought up karla turner

842

00:42:10,710 --> 00:42:07,180

because i hadn't thought of her in quite

843

00:42:12,600 --> 00:42:10,720

some time and I do remember that I

844

00:42:15,360 --> 00:42:12,610

remember dawn worked on that story I

845

00:42:17,670 --> 00:42:15,370

believe did he know yeah he might have

846

00:42:20,790 --> 00:42:17,680

said I think he's covered that on the

847

00:42:22,950 --> 00:42:20,800

magazine i'm pretty sure her yeah he'll

848

00:42:25,230 --> 00:42:22,960

really really yeah he would do that he

849

00:42:27,050 --> 00:42:25,240

did coverage of her experience and then

850

00:42:31,470 --> 00:42:27,060

at one point she wrote an article now

851  
00:42:34,190 --> 00:42:31,480  
now speaking of you know we did have a

852  
00:42:36,930 --> 00:42:34,200  
lot of people that you know came our way

853  
00:42:38,520 --> 00:42:36,940  
during that time and you even more so

854  
00:42:44,910 --> 00:42:38,530  
because you were there a lot longer of

855  
00:42:51,030 --> 00:42:44,920  
course but what worthy what is the the

856  
00:42:53,250 --> 00:42:51,040  
most i guess credible case that you that

857  
00:42:57,890 --> 00:42:53,260  
comes to mind for you when you think in

858  
00:43:03,380 --> 00:42:57,900  
terms of alien abduction or experience

859  
00:43:06,330 --> 00:43:03,390  
that's a tough one uh alien abduction or

860  
00:43:07,620 --> 00:43:06,340  
I don't know I remember Don told you

861  
00:43:14,190 --> 00:43:07,630  
about what's going on with a Rendell

862  
00:43:16,440 --> 00:43:14,200  
sensing well I know that he we did talk

863  
00:43:20,990 --> 00:43:16,450

briefly when Don was on a couple weeks

864

00:43:25,790 --> 00:43:21,000

ago about Larry Warren and right uh and

865

00:43:30,720 --> 00:43:25,800

him being you know sort of slandered by

866

00:43:34,110 --> 00:43:30,730

by Colonel halt halt yeah and yeah and

867

00:43:37,170 --> 00:43:34,120

so yeah we did know about that now

868

00:43:39,240 --> 00:43:37,180

what's what can you add to that cuz we

869

00:43:41,009 --> 00:43:39,250

didn't get into a lot of it well

870

00:43:45,049 --> 00:43:41,019

basically it

871

00:43:49,529 --> 00:43:45,059

again it's an example of how in this

872

00:43:53,719 --> 00:43:49,539

field of as it were people get their

873

00:43:58,679 --> 00:43:53,729

eyes taken off the ball by little

874

00:44:02,669 --> 00:43:58,689

conflicts controversies slight ethical

875

00:44:07,709 --> 00:44:02,679

violations that sort of thing halt has

876

00:44:10,529 --> 00:44:07,719

accused Larry of drug-taking and some of

877

00:44:12,779 --> 00:44:10,539

the tapes that but Hopkins did of his

878

00:44:15,389 --> 00:44:12,789

regression of the rendlesham Rendlesham

879

00:44:19,799 --> 00:44:15,399

forest was isn't written and there was a

880

00:44:22,169 --> 00:44:19,809

a bit UFO event which was seen by

881

00:44:26,159 --> 00:44:22,179

several people Larry Warren being one of

882

00:44:28,620 --> 00:44:26,169

the people it was most vocal about what

883

00:44:32,219 --> 00:44:28,630

it was it was it was an American air

884

00:44:38,130 --> 00:44:32,229

base at the time yes and nuclear workers

885

00:44:40,469 --> 00:44:38,140

yeah nuclear weaponry was there and so

886

00:44:43,349 --> 00:44:40,479

there was a bunch of Americans there and

887

00:44:49,169 --> 00:44:43,359

you know one night in December they had

888

00:44:54,509 --> 00:44:49,179

a series of evenings of experiences and

889

00:44:56,309 --> 00:44:54,519

I guess you know that is probably some

890

00:44:59,339 --> 00:44:56,319

of the best evidence because there were

891

00:45:01,469 --> 00:44:59,349

so many military personnel yeah some of

892

00:45:05,039 --> 00:45:01,479

them haven't been named but there were

893

00:45:07,079 --> 00:45:05,049

military personnel Larry warned i'm not

894

00:45:10,739 --> 00:45:07,089

sure exactly what his role was there at

895

00:45:13,919 --> 00:45:10,749

the time but he spilled the beans on

896

00:45:16,499 --> 00:45:13,929

something that was considered very sub

897

00:45:19,739 --> 00:45:16,509

rosa at least according to the military

898

00:45:22,919 --> 00:45:19,749

probably both of americans and the

899

00:45:24,629 --> 00:45:22,929

british and for that he got himself in a

900

00:45:28,829 --> 00:45:24,639

little bit of trouble it looked like

901  
00:45:32,519 --> 00:45:28,839  
Colonel halt because he expressed calls

902  
00:45:34,919 --> 00:45:32,529  
presence being there his halsa career in

903  
00:45:38,159 --> 00:45:34,929  
the Air Force was was the Royal Air

904  
00:45:41,339 --> 00:45:38,169  
Force was threatened and so he took that

905  
00:45:44,519 --> 00:45:41,349  
he you know came back at Larry worn by

906  
00:45:46,469 --> 00:45:44,529  
accusing of being a drug taker and so

907  
00:45:49,409 --> 00:45:46,479  
now there's this little sympathy a

908  
00:45:51,809 --> 00:45:49,419  
teapot and the actual what has happened

909  
00:45:54,720 --> 00:45:51,819  
were diverted away from the fact that

910  
00:45:57,630 --> 00:45:54,730  
there was some kind of UFO oriented

911  
00:46:02,550 --> 00:45:57,640  
experience on a nuclear-armed airbase

912  
00:46:04,920 --> 00:46:02,560  
okay new a little squabble between Larry

913  
00:46:07,099 --> 00:46:04,930

and this colonel and these are the kinds

914

00:46:10,260 --> 00:46:07,109

of things that really really are

915

00:46:11,820 --> 00:46:10,270

fabulous for the people that want to

916

00:46:15,090 --> 00:46:11,830

keep the laughter curtain and the

917

00:46:17,240 --> 00:46:15,100

misinformation of top of the phenomenon

918

00:46:19,920 --> 00:46:17,250

because it takes people for tension away

919

00:46:22,620 --> 00:46:19,930

from the phenomenon and puts it on

920

00:46:24,750 --> 00:46:22,630

personal squabbles or whatever okay and

921

00:46:27,060 --> 00:46:24,760

it's that that to me is where the big

922

00:46:30,510 --> 00:46:27,070

failing of the field is a field keep it

923

00:46:32,460 --> 00:46:30,520

on the ball and and don't let these

924

00:46:35,070 --> 00:46:32,470

petty things get in the way that we

925

00:46:37,170 --> 00:46:35,080

won't get a little farther when I say we

926

00:46:39,150 --> 00:46:37,180

it's the generic week because I'm not

927

00:46:41,420 --> 00:46:39,160

part of this anymore but there are still

928

00:46:44,910 --> 00:46:41,430

good researchers out there and

929

00:46:47,640 --> 00:46:44,920

Rendlesham is maybe one case that has

930

00:46:50,609 --> 00:46:47,650

some really good backing there was other

931

00:46:52,830 --> 00:46:50,619

ones that seemed good at first like I

932

00:46:55,320 --> 00:46:52,840

can't remember her name but there was

933

00:46:59,400 --> 00:46:55,330

one that bed Hopkins ended up being

934

00:47:02,370 --> 00:46:59,410

highly controversial oh Linda Cortina

935

00:47:05,490 --> 00:47:02,380

yes Linda Napolitano yeah thought of

936

00:47:07,920 --> 00:47:05,500

right right and all these things took

937

00:47:10,290 --> 00:47:07,930

everybody away from pulled everybody

938

00:47:11,970 --> 00:47:10,300

away if they allow themselves to be

939

00:47:14,490 --> 00:47:11,980

pulled away mainly because if you were

940

00:47:16,620 --> 00:47:14,500

to be pulled two of the ball beautiful

941

00:47:18,810 --> 00:47:16,630

phenomena yeah a lot of emptiness there

942

00:47:22,080 --> 00:47:18,820

that you had to dive through to find

943

00:47:24,330 --> 00:47:22,090

anything it so basically this was not a

944

00:47:27,510 --> 00:47:24,340

subject that was set up for a legitimate

945

00:47:29,760 --> 00:47:27,520

of journalistic approach and we gave it

946

00:47:32,370 --> 00:47:29,770

the good a good college try though and

947

00:47:34,050 --> 00:47:32,380

that's what we did you know and nobody

948

00:47:36,180 --> 00:47:34,060

ever did before his daughter will tell

949

00:47:39,090 --> 00:47:36,190

me all the time or will probably do it

950

00:47:42,810 --> 00:47:39,100

after but whatever yeah you know that

951  
00:47:45,120 --> 00:47:42,820  
that Linda Napolitano / you know cortile

952  
00:47:46,620 --> 00:47:45,130  
I think was revealed right right one of

953  
00:47:48,200 --> 00:47:46,630  
them was a real name and the other one

954  
00:47:50,820 --> 00:47:48,210  
was the name that was used in the book

955  
00:47:53,460 --> 00:47:50,830  
Paula Tana was her real name but I

956  
00:47:56,490 --> 00:47:53,470  
haven't no items and I remember that

957  
00:48:00,000 --> 00:47:56,500  
story because it was it happened in

958  
00:48:04,490 --> 00:48:00,010  
manhattan new york city and supposedly

959  
00:48:08,560 --> 00:48:04,500  
she was floated out of her apartment

960  
00:48:13,230 --> 00:48:08,570  
window and beam onto a ship

961  
00:48:16,060 --> 00:48:13,240  
and was seen supposedly by a UN official

962  
00:48:18,310 --> 00:48:16,070  
that all you remember you good memory

963  
00:48:22,030 --> 00:48:18,320

girls going down you know going down the

964

00:48:24,280 --> 00:48:22,040

road and I remember it was a big stir I

965

00:48:26,320 --> 00:48:24,290

remember there were like some pictures

966

00:48:29,140 --> 00:48:26,330

that were captured of her running down

967

00:48:31,900 --> 00:48:29,150

the beach being chased or something I

968

00:48:34,060 --> 00:48:31,910

don't remember but what did ever happen

969

00:48:36,610 --> 00:48:34,070

with that case you know I think it's

970

00:48:39,550 --> 00:48:36,620

vzyal and running away into the universe

971

00:48:41,530 --> 00:48:39,560

like there was eventually you know they

972

00:48:44,140 --> 00:48:41,540

because people will hop from one case to

973

00:48:46,960 --> 00:48:44,150

the other but Hopkins God rest his soul

974

00:48:49,630 --> 00:48:46,970

passed away I don't know I think it was

975

00:48:52,530 --> 00:48:49,640

the early two thousand I can't hear and

976  
00:48:57,280 --> 00:48:52,540  
he was considered a legitimate abduction

977  
00:49:00,670 --> 00:48:57,290  
regression researcher and yet his name

978  
00:49:03,910 --> 00:49:00,680  
was brought up with this Rendlesham

979  
00:49:06,310 --> 00:49:03,920  
thing all these little scandalous items

980  
00:49:08,560 --> 00:49:06,320  
get sewn onto certain cases so if there

981  
00:49:11,050 --> 00:49:08,570  
was one that was real and had some real

982  
00:49:13,960 --> 00:49:11,060  
validity that had a trajectory that

983  
00:49:16,330 --> 00:49:13,970  
could be followed something inevitably

984  
00:49:19,360 --> 00:49:16,340  
seems to come to these cases and mix

985  
00:49:23,680 --> 00:49:19,370  
them up and pollutes them to the point

986  
00:49:28,630 --> 00:49:23,690  
where even the most rigorous digging

987  
00:49:32,590 --> 00:49:28,640  
researcher gets thrown away into another

988  
00:49:37,270 --> 00:49:32,600

a whole other area and its really a pity

989

00:49:41,770 --> 00:49:37,280

it's only if you know if someday if

990

00:49:47,680 --> 00:49:41,780

something happens that CNN Fox News CBS

991

00:49:51,640 --> 00:49:47,690

NBC ABC at all are forced to look at it

992

00:49:54,400 --> 00:49:51,650

it you know objectively it's there we

993

00:49:55,870 --> 00:49:54,410

can't miss it then we may have some real

994

00:49:59,290 --> 00:49:55,880

progress but I don't see anything

995

00:50:02,260 --> 00:49:59,300

happening before them unless there's

996

00:50:06,930 --> 00:50:02,270

just some some dramatic change I mean

997

00:50:10,720 --> 00:50:06,940

the whole socio-economic system here I

998

00:50:14,020 --> 00:50:10,730

two cases you know a abduction or

999

00:50:16,810 --> 00:50:14,030

experience jump out at me when I think

1000

00:50:19,060 --> 00:50:16,820

of you know because of it you know I

1001  
00:50:20,650 --> 00:50:19,070  
spent a lot of time looking into that

1002  
00:50:21,550 --> 00:50:20,660  
subject you know I was one of the

1003  
00:50:23,890 --> 00:50:21,560  
founders of

1004  
00:50:25,990 --> 00:50:23,900  
ciro close encounter research

1005  
00:50:30,220 --> 00:50:26,000  
organization with Yvonne Smith many

1006  
00:50:32,980 --> 00:50:30,230  
years ago and that was our whole thing

1007  
00:50:34,660 --> 00:50:32,990  
was to look into that phenomenon and to

1008  
00:50:38,500 --> 00:50:34,670  
help people that were going through it

1009  
00:50:41,020 --> 00:50:38,510  
and I tell you you know there were

1010  
00:50:43,860 --> 00:50:41,030  
people that I could tell really believe

1011  
00:50:46,750 --> 00:50:43,870  
that they were having experiences some

1012  
00:50:48,850 --> 00:50:46,760  
seem that they were some seem that

1013  
00:50:52,920 --> 00:50:48,860

possibly they had some other things you

1014

00:50:56,380 --> 00:50:52,930

know psychologically may be going on but

1015

00:50:59,260 --> 00:50:56,390

but it was just really hard to sort of

1016

00:51:02,650 --> 00:50:59,270

get to the bottom of but in talking to

1017

00:51:06,870 --> 00:51:02,660

people throughout the years the two

1018

00:51:12,040 --> 00:51:06,880

cases that really jumped out at me were

1019

00:51:16,630 --> 00:51:12,050

Betty and Barney Hill yeah Brian and

1020

00:51:20,260 --> 00:51:16,640

Travis Walton and everyone yeah and I

1021

00:51:23,380 --> 00:51:20,270

remember you know I did get a chance to

1022

00:51:26,110 --> 00:51:23,390

get to know Betty a little bit and we

1023

00:51:31,060 --> 00:51:26,120

had some fantastic conversations I mean

1024

00:51:35,560 --> 00:51:31,070

she was such a sharp lady and she was

1025

00:51:38,830 --> 00:51:35,570

you know very outspoken in very salty i

1026

00:51:42,430 --> 00:51:38,840

really enjoyed our conversations and she

1027

00:51:45,970 --> 00:51:42,440

told me that she really believed that

1028

00:51:49,420 --> 00:51:45,980

Travis Waltons case was was was genuine

1029

00:51:53,050 --> 00:51:49,430

in you another one that I kind of got

1030

00:51:56,560 --> 00:51:53,060

into a little bit less but more recently

1031

00:52:00,040 --> 00:51:56,570

I've been looking at and it was the

1032

00:52:02,500 --> 00:52:00,050

Betty andreasson case right that was a

1033

00:52:04,930 --> 00:52:02,510

very very good we did cover stories on

1034

00:52:07,870 --> 00:52:04,940

both of those well I just had I had

1035

00:52:11,410 --> 00:52:07,880

Betty and and her husband Bob on the

1036

00:52:14,040 --> 00:52:11,420

show a few weeks ago oh really yeah

1037

00:52:17,080 --> 00:52:14,050

uh-huh they've got a new book that's out

1038

00:52:20,410 --> 00:52:17,090

that they have written on their

1039

00:52:23,860 --> 00:52:20,420

experiences and about their original

1040

00:52:25,240 --> 00:52:23,870

experience right yes an ongoing and I

1041

00:52:29,310 --> 00:52:25,250

thought they have a subsequent

1042

00:52:31,180 --> 00:52:29,320

subsequent experience yeah and in Bob

1043

00:52:33,460 --> 00:52:31,190

you know had his own separate

1044

00:52:35,230 --> 00:52:33,470

experiences and I think that's how they

1045

00:52:37,420 --> 00:52:35,240

ended up getting together

1046

00:52:40,090 --> 00:52:37,430

Bablu prices are fascinating thing about

1047

00:52:42,970 --> 00:52:40,100

the phenomenon per se as it were or

1048

00:52:46,740 --> 00:52:42,980

whatever it does seem to select certain

1049

00:52:49,930 --> 00:52:46,750

individuals that have continuing ongoing

1050

00:52:52,000 --> 00:52:49,940

experiences which could lead one to

1051

00:52:55,030 --> 00:52:52,010

think that perhaps there is a mental

1052

00:52:57,280 --> 00:52:55,040

state or a certain configuration of the

1053

00:53:00,120 --> 00:52:57,290

brain that lends itself to these

1054

00:53:02,470 --> 00:53:00,130

contacts whereas somebody else's

1055

00:53:04,900 --> 00:53:02,480

configuration of mental state doesn't

1056

00:53:08,800 --> 00:53:04,910

you know that's why the interplay

1057

00:53:13,780 --> 00:53:08,810

between what could be considered hammer

1058

00:53:15,790 --> 00:53:13,790

and nails reality and a non dimensional

1059

00:53:19,540 --> 00:53:15,800

a nun dimension other dimensional

1060

00:53:21,910 --> 00:53:19,550

reality intersect in a way that makes a

1061

00:53:25,480 --> 00:53:21,920

you know any kind of conclusions

1062

00:53:27,100 --> 00:53:25,490

virtually impossible and and and it

1063

00:53:29,560 --> 00:53:27,110

makes you wonder about the people that

1064

00:53:32,620 --> 00:53:29,570

have these experiences what is it about

1065

00:53:36,030 --> 00:53:32,630

their mental state that causes them to

1066

00:53:38,530 --> 00:53:36,040

almost be able to invite certain

1067

00:53:40,900 --> 00:53:38,540

experiences speaking of invitation

1068

00:53:44,470 --> 00:53:40,910

that's right well you know is it could

1069

00:53:48,760 --> 00:53:44,480

it be something a sort of in the same

1070

00:53:52,480 --> 00:53:48,770

vein as some people have prophetic

1071

00:53:55,599 --> 00:53:52,490

dreams some people have psychic

1072

00:53:58,480 --> 00:53:55,609

experiences I know you know my mom does

1073

00:54:01,480 --> 00:53:58,490

all the time you know surely oh yeah my

1074

00:54:04,870 --> 00:54:01,490

god she's always in it Oh for instance

1075

00:54:07,210 --> 00:54:04,880

you know what years ago you know when I

1076

00:54:09,940 --> 00:54:07,220

was a kid she would always know when

1077

00:54:13,120 --> 00:54:09,950

something was wrong like you know I was

1078

00:54:17,200 --> 00:54:13,130

out one day and I was with a boy I was

1079

00:54:21,060 --> 00:54:17,210

15 he was 16 and he let me drive his car

1080

00:54:24,970 --> 00:54:21,070

and I hit it I hit a man on a tractor

1081

00:54:27,370 --> 00:54:24,980

they're thawed he wasn't seriously hurt

1082

00:54:30,040 --> 00:54:27,380

he flew up the tractor and landed in the

1083

00:54:34,750 --> 00:54:30,050

in the pasture not on the highway which

1084

00:54:38,770 --> 00:54:34,760

was really good but anyhow but anyhow at

1085

00:54:41,770 --> 00:54:38,780

the moment that happened my sisters and

1086

00:54:43,870 --> 00:54:41,780

my parents were at home and my mom just

1087

00:54:46,390 --> 00:54:43,880

looked up and said you know she's been

1088

00:54:48,490 --> 00:54:46,400

an accident and then when I walked in

1089

00:54:48,890 --> 00:54:48,500

the door a little bit late I said I'm

1090

00:54:50,390 --> 00:54:48,900

sorry

1091

00:54:52,580 --> 00:54:50,400

I was in an accident everybody else oh

1092

00:54:54,620 --> 00:54:52,590

my god all these are but things like

1093

00:54:56,270 --> 00:54:54,630

that happened all the time so now what

1094

00:54:58,700 --> 00:54:56,280

you don't want to say as things happen

1095

00:55:01,520 --> 00:54:58,710

to you like that sometimes now don't say

1096

00:55:03,610 --> 00:55:01,530

Renee and that you have to wait for

1097

00:55:08,090 --> 00:55:03,620

another episode ladies and gentlemen

1098

00:55:09,560 --> 00:55:08,100

that's why I do remember that I used to

1099

00:55:12,320 --> 00:55:09,570

do you remember what I used to call

1100

00:55:15,170 --> 00:55:12,330

myself when you would lose something at

1101

00:55:17,660 --> 00:55:15,180

the office I remember what I had for

1102

00:55:21,650 --> 00:55:17,670

breakfast i'm okay i am your psychic

1103

00:55:24,230 --> 00:55:21,660

binder and i right i would always you

1104

00:55:26,660 --> 00:55:24,240

know you would miss play something and

1105

00:55:30,800 --> 00:55:26,670

for some reason i could always go right

1106

00:55:33,560 --> 00:55:30,810

to it right mr. psyching like i did I

1107

00:55:38,800 --> 00:55:33,570

remember that but I didn't exploit your

1108

00:55:45,830 --> 00:55:44,510

anyhow um let's see we've got about two

1109

00:55:47,420 --> 00:55:45,840

and a half minutes or so before the

1110

00:55:48,620 --> 00:55:47,430

break but let me see if I can get it a

1111

00:55:50,480 --> 00:55:48,630

quick question from the chapter

1112

00:55:54,860 --> 00:55:50,490

someone's wanting to know what you think

1113

00:55:56,750 --> 00:55:54,870

about uh and I'm sorry I don't remember

1114

00:55:58,970 --> 00:55:56,760

who asked the question now I don't want

1115

00:56:03,410 --> 00:55:58,980

to scroll back about what you thought

1116

00:56:06,190 --> 00:56:03,420

about the bob lazar story and what you

1117

00:56:11,180 --> 00:56:06,200

think about his return to the UFO

1118

00:56:13,850 --> 00:56:11,190

conference tables this uh this you know

1119

00:56:16,250 --> 00:56:13,860

he's backed is he back doing some talk

1120

00:56:19,280 --> 00:56:16,260

you know I had just heard that fairly

1121

00:56:20,750 --> 00:56:19,290

recently but I didn't you know I am I

1122

00:56:23,210 --> 00:56:20,760

think I read something about it on

1123

00:56:24,860 --> 00:56:23,220

online somewhere but i just passed over

1124

00:56:27,110 --> 00:56:24,870

it I thought that's interesting and

1125

00:56:32,600 --> 00:56:27,120

that's about as far as it went but his

1126  
00:56:36,050 --> 00:56:32,610  
experience visa V a real reporter really

1127  
00:56:37,300 --> 00:56:36,060  
added legs to what he was he claimed and

1128  
00:56:41,540 --> 00:56:37,310  
you're talking about Shorty's nap

1129  
00:56:45,520 --> 00:56:41,550  
exactly George now oh yes probably one

1130  
00:56:47,900 --> 00:56:45,530  
of the most brave of conventional

1131  
00:56:51,080 --> 00:56:47,910  
broadcasters although he's it's not just

1132  
00:56:53,540 --> 00:56:51,090  
conventionally is award-winning ever to

1133  
00:56:56,330 --> 00:56:53,550  
have taken on the ticket on the UFO

1134  
00:56:59,570 --> 00:56:56,340  
subject and through Lazar went quite a

1135  
00:57:02,420 --> 00:56:59,580  
distance with it and Lazar claims to

1136  
00:57:06,980 --> 00:57:02,430  
have seen this sports model UFO

1137  
00:57:12,500 --> 00:57:06,990  
in the hallowed halls of the secret area

1138  
00:57:15,710 --> 00:57:12,510

51 I like all other such stories since I

1139

00:57:19,190 --> 00:57:15,720

don't have the ability to read minds or

1140

00:57:22,549 --> 00:57:19,200

to really research far enough to know

1141

00:57:25,240 --> 00:57:22,559

took at face value and I really did

1142

00:57:27,920 --> 00:57:25,250

respect the fact that there was a

1143

00:57:30,770 --> 00:57:27,930

legitimate hard-nosed journalist that

1144

00:57:33,950 --> 00:57:30,780

was taking him seriously the fact that

1145

00:57:37,099 --> 00:57:33,960

he's back talking about his experience

1146

00:57:39,230 --> 00:57:37,109

man i think is great as long as he's not

1147

00:57:41,870 --> 00:57:39,240

compromising national security while

1148

00:57:43,880 --> 00:57:41,880

he's doing so and even if he is for

1149

00:57:47,870 --> 00:57:43,890

God's sake it's about time we had some

1150

00:57:50,180 --> 00:57:47,880

more people that really scientifically

1151  
00:57:53,540 --> 00:57:50,190  
understand some of the physics involved

1152  
00:57:55,790 --> 00:57:53,550  
with how these crafts could work you

1153  
00:57:58,730 --> 00:57:55,800  
know sharing their sharing their

1154  
00:58:00,589 --> 00:57:58,740  
information I can I would never try to

1155  
00:58:02,059 --> 00:58:00,599  
say that I believe him one hundred

1156  
00:58:04,819 --> 00:58:02,069  
percent because there's no way I could I

1157  
00:58:07,549 --> 00:58:04,829  
can't say that about anybody only my own

1158  
00:58:10,549 --> 00:58:07,559  
had the opportunity you know to talk

1159  
00:58:13,640 --> 00:58:10,559  
with him several times I don't know if

1160  
00:58:17,240 --> 00:58:13,650  
you knew this but for a time being my

1161  
00:58:21,740 --> 00:58:17,250  
little production company oxid his life

1162  
00:58:24,950 --> 00:58:21,750  
rights for oh yes uh huh and we got very

1163  
00:58:28,339 --> 00:58:24,960

very close to a television movie about

1164

00:58:30,200 --> 00:58:28,349

his story oh and great yeah that would

1165

00:58:32,539 --> 00:58:30,210

have been so so neat minute fell apart

1166

00:58:35,720 --> 00:58:32,549

but for political reasons not anything

1167

00:58:38,450 --> 00:58:35,730

to do with the government just the

1168

00:58:41,690 --> 00:58:38,460

machinations of the movie business but

1169

00:58:45,620 --> 00:58:41,700

anyhow yeah always ever understood how

1170

00:58:48,430 --> 00:58:45,630

you put up with that Renee oh but he

1171

00:58:51,650 --> 00:58:48,440

struck me is very credible we really did

1172

00:58:53,299 --> 00:58:51,660

anyway I often a lot yeah yeah talking

1173

00:58:55,910 --> 00:58:53,309

to him is that setting one on one for

1174

00:58:58,549 --> 00:58:55,920

this how George was able to be convinced

1175

00:59:00,950 --> 00:58:58,559

of his validity oh I'm sure it makes a

1176

00:59:02,630 --> 00:59:00,960

big difference it really does now we're

1177

00:59:03,890 --> 00:59:02,640

going to have to take another break can

1178

00:59:05,150 --> 00:59:03,900

you believe it we've already gone

1179

00:59:08,420 --> 00:59:05,160

another half hour

1180

00:59:11,059 --> 00:59:08,430

and I felt just one more to go so we

1181

00:59:14,120 --> 00:59:11,069

will be back shortly with vickicooper

1182

00:59:20,680 --> 00:59:14,130

ecker and more night vision radio we'll

1183

00:59:36,380 --> 00:59:24,339

you're listening to Ira the inception

1184

00:59:40,460 --> 00:59:38,630

don't have a computer is your internet

1185

00:59:42,259 --> 00:59:40,470

connection down don't worry use your

1186

00:59:45,890 --> 00:59:42,269

trusty cellphone or landline and Colin

1187

00:59:47,480 --> 00:59:45,900

to our listen line at 40 128 367 00 to

1188

00:59:51,440 --> 00:59:47,490

listen to the inception radio network

1189

00:59:54,769 --> 00:59:51,450

24-7 again that Colin number is 401 to a

1190

00:59:58,800 --> 00:59:54,779

360 700 for the inception radio network

1191

01:00:03,720 --> 01:00:01,890

you have a smartphone if so conception

1192

01:00:07,260 --> 01:00:03,730

radio network is the best out for you

1193

01:00:09,330 --> 01:00:07,270

available itunes android samsung and

1194

01:00:11,790 --> 01:00:09,340

most of our app stores just search

1195

01:00:13,740 --> 01:00:11,800

inception radio network with the

1196

01:00:16,230 --> 01:00:13,750

applicant is in line check out more

1197

01:00:18,300 --> 01:00:16,240

cards to recent amp are shown who are

1198

01:00:21,240 --> 01:00:18,310

videos see what shows are coming up

1199

01:00:23,940 --> 01:00:21,250

through the guests are via the chat room

1200

01:00:26,130 --> 01:00:23,950

send live questions to those guests you

1201

01:00:29,250 --> 01:00:26,140

know it makes sense check your app store

1202

01:00:34,410 --> 01:00:29,260

now inception radio network I'll see you

1203

01:00:37,140 --> 01:00:34,420

there looking for a cure for boredom

1204

01:00:39,120 --> 01:00:37,150

never worry I rn's interactive website

1205

01:00:40,430 --> 01:00:39,130

introduces a number of ways to pass time

1206

01:00:43,380 --> 01:00:40,440

while you listen to your favorite show

1207

01:00:45,750 --> 01:00:43,390

choose anything from the irn chat lounge

1208

01:00:48,300 --> 01:00:45,760

game lounge video lounge with a mood

1209

01:00:50,190 --> 01:00:48,310

lounge these fun exciting featured let

1210

01:00:53,040 --> 01:00:50,200

you chat in real time with fellow

1211

01:00:55,710 --> 01:00:53,050

listeners you live Sky watches play

1212

01:00:57,750 --> 01:00:55,720

daily posted online games or make a show

1213

01:01:00,570 --> 01:00:57,760

based on topic the choices are endless

1214

01:01:08,010 --> 01:01:00,580

so use your time wisely by keeping it

1215

01:01:10,770 --> 01:01:08,020

all on irn hi Bob tarmac for mj's

1216

01:01:13,140 --> 01:01:10,780

healthy Wacom are you two fighting as

1217

01:01:16,410 --> 01:01:13,150

nutrition meal replacements health

1218

01:01:19,710 --> 01:01:16,420

shakes keeping your body in good shape

1219

01:01:22,470 --> 01:01:19,720

your internal engine going yeah why do I

1220

01:01:25,080 --> 01:01:22,480

am a perfect place for you mj's healthy

1221

01:01:26,970 --> 01:01:25,090

Wacom they offer the best service and

1222

01:01:28,710 --> 01:01:26,980

products and they'll tell you anything

1223

01:01:31,440 --> 01:01:28,720

you need to know about any part they

1224

01:01:34,050 --> 01:01:31,450

have to offer I can all my vitamins meal

1225

01:01:38,520 --> 01:01:34,060

replacement shakes from mj's healthy

1226

01:01:41,190 --> 01:01:38,530

Wacom that spelled MJ s healthy Wacom

1227

01:01:50,990 --> 01:01:41,200

there's so much more the website go

1228

01:01:55,650 --> 01:01:53,580

hi inception radio network listeners

1229

01:01:57,660 --> 01:01:55,660

this is Amanda just a reminder that

1230

01:02:01,290 --> 01:01:57,670

inception radio network is on twitter

1231

01:02:03,570 --> 01:02:01,300

follow us at i underscore our underscore

1232

01:02:05,250 --> 01:02:03,580

and and keep up to date about who's on

1233

01:02:07,650 --> 01:02:05,260

tonight what interviews they'll be doing

1234

01:02:10,320 --> 01:02:07,660

whose guest spotting what topics will be

1235

01:02:11,970 --> 01:02:10,330

covering tweet us tweet about us retweet

1236

01:02:13,710 --> 01:02:11,980

topics to your friends and most

1237

01:02:16,380 --> 01:02:13,720

importantly never miss a great show

1238

01:02:21,780 --> 01:02:16,390

again that's i underscore our underscore

1239

01:02:23,730 --> 01:02:21,790

and are you a fan of inception radio

1240

01:02:25,620 --> 01:02:23,740

network do you reckon it's the best

1241

01:02:27,810 --> 01:02:25,630

alternative talk radio station on the

1242

01:02:30,480 --> 01:02:27,820

planet well if you do head to

1243

01:02:33,360 --> 01:02:30,490

facebook.com forward slash inception

1244

01:02:35,190 --> 01:02:33,370

radio network like your page tell your

1245

01:02:44,640 --> 01:02:35,200

friends spread the word and keep

1246

01:02:46,590 --> 01:02:44,650

listening to the best the low inception

1247

01:02:48,360 --> 01:02:46,600

radio network listeners would you like

1248

01:02:50,700 --> 01:02:48,370

your favorite show to be played live on

1249

01:02:54,000 --> 01:02:50,710

air well now the choice is in your hand

1250

01:02:56,070 --> 01:02:54,010

irn live requests portal an easy way to

1251

01:02:58,440 --> 01:02:56,080

request your favorite show with a simple

1252

01:03:00,510 --> 01:02:58,450

click I rn's live request portal now

1253

01:03:03,210 --> 01:03:00,520

gives you exclusive access to all the

1254

01:03:05,310 --> 01:03:03,220

shows how easy is it simply type a show

1255

01:03:07,650 --> 01:03:05,320

name or a guest name click request and

1256

01:03:10,109 --> 01:03:07,660

even write a dedication message

1257

01:03:12,150 --> 01:03:10,119

try it now simply visit inception radio

1258

01:03:14,700 --> 01:03:12,160

network com click on the live request

1259

01:03:22,400 --> 01:03:14,710

tab under the show menu playing your

1260

01:03:28,289 --> 01:03:25,589

hey I RN listeners make sure you tune in

1261

01:03:30,240 --> 01:03:28,299

to night vision radio with Renee Barnett

1262

01:03:32,849 --> 01:03:30,250

Renee will be exposing the truth one

1263

01:03:35,670 --> 01:03:32,859

secret at a time when Thursday's every

1264

01:03:44,039 --> 01:03:35,680

Thursday 1030pm Eastern sub 30 p.m.

1265

01:03:45,960 --> 01:03:44,049

pacific we're right here IRA welcome

1266

01:03:48,450 --> 01:03:45,970

back to night vision radio I'm your host

1267

01:03:50,880 --> 01:03:48,460

Renee Barnett we're talking with

1268

01:03:54,599 --> 01:03:50,890

vickicooper ecker she is the co-founder

1269

01:03:58,289 --> 01:03:54,609

and former editor-in-chief for more than

1270

01:04:01,859 --> 01:03:58,299

20 years of UFO magazine I consider her

1271

01:04:04,349 --> 01:04:01,869

the first lady of the UFO subject but

1272

01:04:08,190 --> 01:04:04,359

that I'm a little bit prejudiced but

1273

01:04:10,680 --> 01:04:08,200

that's okay no I you know looking back I

1274

01:04:13,319 --> 01:04:10,690

do remember and I know we're sort of

1275

01:04:15,140 --> 01:04:13,329

backtracking a little bit but when I was

1276

01:04:19,890 --> 01:04:15,150

working on the magazine with you I

1277

01:04:22,589 --> 01:04:19,900

remember you taught me the I guess it's

1278

01:04:27,269 --> 01:04:22,599

what is it the Credo of the journalists

1279

01:04:29,339 --> 01:04:27,279

credo something like that yeah disturbed

1280

01:04:32,279 --> 01:04:29,349

and disturb it's not very comfortable

1281

01:04:35,190 --> 01:04:32,289

self its turban disturbs comfortable yes

1282

01:04:36,960 --> 01:04:35,200

exactly because that's what facts do you

1283

01:04:39,420 --> 01:04:36,970

know when you get down to it straight

1284

01:04:41,220 --> 01:04:39,430

tracks are hard for most people to take

1285

01:04:43,410 --> 01:04:41,230

as they have a big bleep they have some

1286

01:04:45,120 --> 01:04:43,420

kind of belief system that makes them

1287

01:04:46,859 --> 01:04:45,130

feel comfortable in their day-to-day

1288

01:04:50,819 --> 01:04:46,869

life and you can't blame them everybody

1289

01:04:53,250 --> 01:04:50,829

has I have it I know for sure and to

1290

01:04:57,150 --> 01:04:53,260

have startling facts about something

1291

01:05:00,180 --> 01:04:57,160

that you cannot know whether is helpful

1292

01:05:02,730 --> 01:05:00,190

or harmful like UFOs and it certainly

1293

01:05:04,819 --> 01:05:02,740

has been shown over the past that

1294

01:05:08,339 --> 01:05:04,829

there's a harmful element to UFO

1295

01:05:12,390 --> 01:05:08,349

phenomenon it it makes people just want

1296

01:05:16,559 --> 01:05:12,400

to want to back off and but and it makes

1297

01:05:18,599 --> 01:05:16,569

even more so the reporter has to be

1298

01:05:20,819 --> 01:05:18,609

brave courageous to step out and make

1299

01:05:21,300 --> 01:05:20,829

those facts known and that think this is

1300

01:05:22,980 --> 01:05:21,310

one of the big

1301

01:05:26,070 --> 01:05:22,990

problems right now with our politics

1302

01:05:28,680 --> 01:05:26,080

nobody wants to face the facts basically

1303

01:05:31,260 --> 01:05:28,690

we want to remain complacent and we have

1304

01:05:34,400 --> 01:05:31,270

huge numbers of new people coming to

1305

01:05:37,140 --> 01:05:34,410

this country that also have a very

1306

01:05:38,640 --> 01:05:37,150

narrowcast about what they want in life

1307

01:05:41,610 --> 01:05:38,650

and what they want to know in life and

1308

01:05:44,970 --> 01:05:41,620

this does not help to me it's like

1309

01:05:48,090 --> 01:05:44,980

knowledge and knowing what's behind the

1310

01:05:50,010 --> 01:05:48,100

the facade that we see every day is far

1311

01:05:54,210 --> 01:05:50,020

more important than just being

1312

01:05:57,450 --> 01:05:54,220

comfortable that's not to say but I

1313

01:05:58,860 --> 01:05:57,460

don't aim for comfort every day that

1314

01:06:01,200 --> 01:05:58,870

anything else at this point in my life

1315

01:06:03,750 --> 01:06:01,210

okay you want to be standing like I'm

1316

01:06:07,020 --> 01:06:03,760

out there fighting for Shaq's every day

1317

01:06:09,540 --> 01:06:07,030

because I'm not okay yeah when I come

1318

01:06:13,290 --> 01:06:09,550

off sounding like I'm you know some

1319

01:06:17,430 --> 01:06:13,300

brave journalist or something I'm not

1320

01:06:19,320 --> 01:06:17,440

anymore so but you know we've been you

1321

01:06:23,850 --> 01:06:19,330

know talking about this subject I mean

1322

01:06:29,280 --> 01:06:23,860

we as a society for a lot of decades now

1323

01:06:33,120 --> 01:06:29,290

and it's you know if it's true which it

1324

01:06:36,150 --> 01:06:33,130

can't be not true because there's just

1325

01:06:40,680 --> 01:06:36,160

too many people too many witnesses too

1326

01:06:44,790 --> 01:06:40,690

much evidence and it's just logical why

1327

01:06:48,030 --> 01:06:44,800

would this little tiny planet which is a

1328

01:06:51,330 --> 01:06:48,040

in a fairly young you know solar system

1329

01:06:55,770 --> 01:06:51,340

a young planet be the only one in the

1330

01:06:59,340 --> 01:06:55,780

entire universe to have intelligent life

1331

01:07:01,920 --> 01:06:59,350

it just makes sense that's why I'm you

1332

01:07:05,490 --> 01:07:01,930

know and again that was another factor

1333

01:07:07,170 --> 01:07:05,500

big factor that lent me into going into

1334

01:07:10,440 --> 01:07:07,180

the field trying to do a magazine about

1335

01:07:12,930 --> 01:07:10,450

there's no possible way and anyone who

1336

01:07:16,290 --> 01:07:12,940

thinks that has tied themselves up into

1337

01:07:20,460 --> 01:07:16,300

need an egoic orientation that doesn't

1338

01:07:22,950 --> 01:07:20,470

the totally contradicts reality I mean

1339

01:07:25,740 --> 01:07:22,960

this I don't know if you remember when

1340

01:07:28,410 --> 01:07:25,750

the photos of the Hubble telescope came

1341

01:07:31,320 --> 01:07:28,420

out that showed those things that look

1342

01:07:34,980 --> 01:07:31,330

like stars which were actual galaxies do

1343

01:07:36,810 --> 01:07:34,990

yes I will go and look at those pictures

1344

01:07:39,480 --> 01:07:36,820

I just I'd call them up on my computer

1345

01:07:41,580 --> 01:07:39,490

just to look at them to keep my

1346

01:07:44,490 --> 01:07:41,590

perspective where I wanted it to be and

1347

01:07:46,650 --> 01:07:44,500

that to me is like how can anyone look

1348

01:07:48,240 --> 01:07:46,660

at that and hear what they are okay

1349

01:07:49,859 --> 01:07:48,250

we're hearing that these are the stars

1350

01:07:51,150 --> 01:07:49,869

that you're seeing like when you're

1351

01:07:54,090 --> 01:07:51,160

laying on the beach at night or in the

1352

01:07:57,450 --> 01:07:54,100

desert these are galaxies that this

1353

01:08:00,930 --> 01:07:57,460

incredible incredible camera has caught

1354

01:08:04,370 --> 01:08:00,940

for the benefit and the joy of mankind

1355

01:08:08,040 --> 01:08:04,380

and you tell me that were the only

1356

01:08:11,700 --> 01:08:08,050

organisms on the planet I mean insane in

1357

01:08:14,070 --> 01:08:11,710

the universe I'm sorry does not wash in

1358

01:08:17,300 --> 01:08:14,080

fact to tell you the truth bottom line

1359

01:08:20,249 --> 01:08:17,310

Renee I believe that there are

1360

01:08:22,349 --> 01:08:20,259

extraterrestrial or beings that are from

1361

01:08:24,690 --> 01:08:22,359

other places that are on this planet now

1362

01:08:27,570 --> 01:08:24,700

I have a feeling that they are in

1363

01:08:31,260 --> 01:08:27,580

government as they are in education that

1364

01:08:33,269 --> 01:08:31,270

they are in military and God knows for

1365

01:08:37,680 --> 01:08:33,279

sure probably the entertainment industry

1366

01:08:40,470 --> 01:08:37,690

okay and we just are not aware of it nor

1367

01:08:43,200 --> 01:08:40,480

are we necessarily have to be aware of

1368

01:08:47,220 --> 01:08:43,210

it at this time and it's not necessarily

1369

01:08:49,079 --> 01:08:47,230

easy for them to be here either and the

1370

01:08:51,030 --> 01:08:49,089

ones that are here are making a great

1371

01:08:52,890 --> 01:08:51,040

sacrifice i would think some of them

1372

01:08:55,530 --> 01:08:52,900

anyway then there could be other ones

1373

01:08:57,990 --> 01:08:55,540

that are here for nefarious purposes and

1374

01:09:00,180 --> 01:08:58,000

to me this would not be at all surprised

1375

01:09:03,690 --> 01:09:00,190

i wouldn't be surprised if some of us

1376

01:09:05,340 --> 01:09:03,700

have run across alien beings we call an

1377

01:09:07,320 --> 01:09:05,350

alien beans or ETS whatever you want to

1378

01:09:10,380 --> 01:09:07,330

call them at some time in our lives

1379

01:09:13,650 --> 01:09:10,390

without ever knowing and everybody was

1380

01:09:17,910 --> 01:09:13,660

it someone knows it yes somebody knows

1381

01:09:20,910 --> 01:09:17,920

what that sheesh man and who knows it no

1382

01:09:24,410 --> 01:09:20,920

no no I wish I did know who know that

1383

01:09:27,720 --> 01:09:24,420

the Illuminati the Bilderbergers or

1384

01:09:30,630 --> 01:09:27,730

horizon well certainly couldn't be Obama

1385

01:09:34,470 --> 01:09:30,640

and couldn't be out of them maybe Steven

1386

01:09:36,690 --> 01:09:34,480

Spielberg knows that maybe I don't know

1387

01:09:38,789 --> 01:09:36,700

it's you know it's all speculation to

1388

01:09:40,410 --> 01:09:38,799

most of us at this point but there's no

1389

01:09:42,720 --> 01:09:40,420

reason why we shouldn't be able to

1390

01:09:44,550 --> 01:09:42,730

freely explore it without the field

1391

01:09:47,400 --> 01:09:44,560

[h\_\_h] alright without the subject matter

1392

01:09:48,809 --> 01:09:47,410

being sullied by outside influences that

1393

01:09:51,030 --> 01:09:48,819

don't want people

1394

01:09:53,339 --> 01:09:51,040

no this oppression that keeps us from

1395

01:09:55,770 --> 01:09:53,349

knowing at least Clues having little

1396

01:09:57,180 --> 01:09:55,780

clues the crews are out there it's just

1397

01:09:59,669 --> 01:09:57,190

do you want to keep digging throw this

1398

01:10:02,339 --> 01:09:59,679

through the clues as they keep throwing

1399

01:10:03,839 --> 01:10:02,349

crap on top of it each one of them as

1400

01:10:06,209 --> 01:10:03,849

soon as you keep going one place you're

1401  
01:10:08,129 --> 01:10:06,219  
taken to another place your diverted to

1402  
01:10:10,709 --> 01:10:08,139  
another place there's a goose chase this

1403  
01:10:13,740 --> 01:10:10,719  
place in that direction that gets very

1404  
01:10:16,140 --> 01:10:13,750  
confusing and can like what happened to

1405  
01:10:18,510 --> 01:10:16,150  
bed let's throw you into a bad place

1406  
01:10:20,399 --> 01:10:18,520  
mentally and I just I knew that I

1407  
01:10:22,260 --> 01:10:20,409  
couldn't go there I didn't want to go

1408  
01:10:23,970 --> 01:10:22,270  
there I I don't have but I don't know

1409  
01:10:26,700 --> 01:10:23,980  
how much time I have left in this life

1410  
01:10:28,830 --> 01:10:26,710  
but for what I have left I want to be

1411  
01:10:31,200 --> 01:10:28,840  
happy and joyful and feel friendly

1412  
01:10:33,899 --> 01:10:31,210  
toward most beings as much as I can

1413  
01:10:35,760 --> 01:10:33,909

that's the way I want to live and that I

1414

01:10:42,510 --> 01:10:35,770

knew the UFO place is not the place to

1415

01:10:46,140 --> 01:10:42,520

stab that state of mind well yeah maybe

1416

01:10:49,790 --> 01:10:46,150

not then but maybe now how would you

1417

01:10:52,109 --> 01:10:49,800

think today that that would happen that

1418

01:10:55,350 --> 01:10:52,119

working in the UFO field would bring

1419

01:10:57,899 --> 01:10:55,360

about the kind of yes or are having a

1420

01:11:02,129 --> 01:10:57,909

sub sort of open disclosure that

1421

01:11:04,200 --> 01:11:02,139

everybody could handle well I mean you

1422

01:11:06,450 --> 01:11:04,210

know I you know I don't know I don't

1423

01:11:08,700 --> 01:11:06,460

know about that is closing but alright

1424

01:11:13,589 --> 01:11:08,710

you're like mmm it I think that people

1425

01:11:17,689 --> 01:11:13,599

are more open generally to the ideas you

1426

01:11:24,089 --> 01:11:20,520

extraterrestrials visitors from other

1427

01:11:26,819 --> 01:11:24,099

planets but you know there could also be

1428

01:11:28,859 --> 01:11:26,829

you know this interdimensional aspect

1429

01:11:31,790 --> 01:11:28,869

that you're talking about and you know

1430

01:11:36,120 --> 01:11:31,800

you tackled some of that some of those

1431

01:11:38,010 --> 01:11:36,130

more far out issues in things that you

1432

01:11:40,979 --> 01:11:38,020

did like your series with Terence

1433

01:11:45,300 --> 01:11:40,989

Mckenna that you did in the magazine

1434

01:11:47,819 --> 01:11:45,310

which was a very brave step because it

1435

01:11:51,990 --> 01:11:47,829

was really sort of outside the realm of

1436

01:11:55,910 --> 01:11:52,000

ufology as it was or as it existed at

1437

01:11:58,770 --> 01:11:55,920

the time and it was pretty heady stuff

1438

01:12:00,180 --> 01:11:58,780

petty stuff for those as a doc they

1439

01:12:01,410 --> 01:12:00,190

don't have the experience of

1440

01:12:05,040 --> 01:12:01,420

psychedelics okay

1441

01:12:08,160 --> 01:12:05,050

and that that of course is another area

1442

01:12:10,650 --> 01:12:08,170

fraught with controversy and dispersed

1443

01:12:12,840 --> 01:12:10,660

with a lot of misinformation but to tell

1444

01:12:15,780 --> 01:12:12,850

you the truth it's glad you brought it

1445

01:12:18,930 --> 01:12:15,790

up because that aspect of coverage that

1446

01:12:21,419 --> 01:12:18,940

I did I was I felt more comfortable with

1447

01:12:23,729 --> 01:12:21,429

that than anything else because the

1448

01:12:25,830 --> 01:12:23,739

things that Terence Mckenna so so

1449

01:12:29,130 --> 01:12:25,840

articulately described about his

1450

01:12:30,630 --> 01:12:29,140

philosophic experiences coordinator was

1451

01:12:34,110 --> 01:12:30,640

what I experienced when I took

1452

01:12:38,490 --> 01:12:34,120

psychedelics to such a degree that I can

1453

01:12:40,709 --> 01:12:38,500

see the connection between the part of

1454

01:12:44,070 --> 01:12:40,719

at least part of the UFO phenomenon was

1455

01:12:48,360 --> 01:12:44,080

with bidirectional substances that

1456

01:12:50,880 --> 01:12:48,370

could actually create visions of things

1457

01:12:53,700 --> 01:12:50,890

that other people can't see in other

1458

01:12:55,500 --> 01:12:53,710

words hallucinations and when you're in

1459

01:12:57,240 --> 01:12:55,510

that stasis so if you're just

1460

01:13:00,240 --> 01:12:57,250

hallucinating is it something that

1461

01:13:03,450 --> 01:13:00,250

you've manufactured in your mind or are

1462

01:13:06,959 --> 01:13:03,460

you is it really opening up is it really

1463

01:13:09,990 --> 01:13:06,969

expanding your minds to allow you to see

1464

01:13:12,840 --> 01:13:10,000

things that are there that you couldn't

1465

01:13:15,840 --> 01:13:12,850

see just under normal circumstances I

1466

01:13:17,520 --> 01:13:15,850

believe the latter because some of the

1467

01:13:20,510 --> 01:13:17,530

things that have been described by

1468

01:13:24,630 --> 01:13:20,520

different people taking similar

1469

01:13:27,510 --> 01:13:24,640

psychedelic substances have been the

1470

01:13:30,390 --> 01:13:27,520

same or similar to such an extent that

1471

01:13:33,360 --> 01:13:30,400

either our brains are connected to

1472

01:13:35,640 --> 01:13:33,370

something otherworldly that we are able

1473

01:13:37,919 --> 01:13:35,650

to see through the changes in chemistry

1474

01:13:41,340 --> 01:13:37,929

that happened with those drugs or

1475

01:13:44,970 --> 01:13:41,350

substances or we are but we are able to

1476

01:13:48,150 --> 01:13:44,980

each create from those substances the

1477

01:13:51,209 --> 01:13:48,160

ability to go out into another dimension

1478

01:13:55,080 --> 01:13:51,219

and see what's out there I believe I

1479

01:13:57,360 --> 01:13:55,090

believe that it is a valid absolutely a

1480

01:13:59,580 --> 01:13:57,370

valid area of experimentation that

1481

01:14:02,880 --> 01:13:59,590

should be allowed to take place but

1482

01:14:07,169 --> 01:14:02,890

again you have the overshadowing powers

1483

01:14:08,850 --> 01:14:07,179

that be that do not want they really I

1484

01:14:12,090 --> 01:14:08,860

believe there's a negative element in on

1485

01:14:15,360 --> 01:14:12,100

this planet that does not want us to be

1486

01:14:18,300 --> 01:14:15,370

completely free beings in other words to

1487

01:14:20,640 --> 01:14:18,310

free and open access to what our minds

1488

01:14:23,000 --> 01:14:20,650

are capable of and psychedelics are a

1489

01:14:26,940 --> 01:14:23,010

door now they may not be the best door i

1490

01:14:28,830 --> 01:14:26,950

would say probably lack of any drug or

1491

01:14:32,190 --> 01:14:28,840

mind-altering substance but going

1492

01:14:35,730 --> 01:14:32,200

through practice spiritual practices is

1493

01:14:37,980 --> 01:14:35,740

meditation yes meditation spiritual

1494

01:14:40,230 --> 01:14:37,990

exercises a concentration on what your

1495

01:14:43,140 --> 01:14:40,240

vision of God is that sort of thing but

1496

01:14:47,820 --> 01:14:43,150

it's another Avenue and for me when I

1497

01:14:50,610 --> 01:14:47,830

took LSD at age 18 and 19 it opened me

1498

01:14:52,770 --> 01:14:50,620

up to something that I had never thought

1499

01:14:55,140 --> 01:14:52,780

I would ever ever have any kind of

1500

01:14:59,250 --> 01:14:55,150

interest or attraction to and that is

1501

01:15:02,490 --> 01:14:59,260

other dimensions the the connection of

1502

01:15:05,400 --> 01:15:02,500

every single element and animal in the

1503

01:15:07,980 --> 01:15:05,410

universe okay the connection we are so

1504

01:15:11,160 --> 01:15:07,990

connected and yet we feel so separate

1505

01:15:13,530 --> 01:15:11,170

what's wrong with experimenting under

1506

01:15:15,630 --> 01:15:13,540

you know limited circumstances with a

1507

01:15:18,780 --> 01:15:15,640

substance that can help us reach those

1508

01:15:21,720 --> 01:15:18,790

parts of our nature it has to be within

1509

01:15:23,610 --> 01:15:21,730

limits of course it has to be because

1510

01:15:26,310 --> 01:15:23,620

it's dangerous at the same time it's

1511

01:15:28,920 --> 01:15:26,320

like the sword you know which can can

1512

01:15:32,340 --> 01:15:28,930

cut away the crap or it can kill you you

1513

01:15:34,410 --> 01:15:32,350

know it's it's a double-edged sword but

1514

01:15:37,170 --> 01:15:34,420

but but our country at least at this

1515

01:15:40,170 --> 01:15:37,180

point in time the powers that be don't

1516

01:15:43,920 --> 01:15:40,180

want it to go too far at all because

1517

01:15:46,770 --> 01:15:43,930

after all it's true our generation was

1518

01:15:48,720 --> 01:15:46,780

openly able to have it and it destroyed

1519

01:15:50,790 --> 01:15:48,730

some lives people that weren't able to

1520

01:15:53,460 --> 01:15:50,800

see the limits of what they couldn't

1521

01:15:54,960 --> 01:15:53,470

should do with those substances well I

1522

01:15:58,470 --> 01:15:54,970

think yeah I think that you have to be

1523

01:16:00,750 --> 01:15:58,480

really careful with which substances

1524

01:16:03,890 --> 01:16:00,760

like that because i think you know if

1525

01:16:06,390 --> 01:16:03,900

you are not in a strong place right

1526

01:16:08,190 --> 01:16:06,400

mentally I think it could like just

1527

01:16:10,250 --> 01:16:08,200

drive you right over the edge and I

1528

01:16:13,170 --> 01:16:10,260

think it has done that to hurt people

1529

01:16:14,960 --> 01:16:13,180

totally and there's clinical boundaries

1530

01:16:17,610 --> 01:16:14,970

that would have to be set oh absolutely

1531

01:16:20,070 --> 01:16:17,620

grin and on some people should never

1532

01:16:21,660 --> 01:16:20,080

ever have anything like that ever that's

1533

01:16:24,000 --> 01:16:21,670

right some people have more shouldn't

1534

01:16:26,460 --> 01:16:24,010

and others people whose minds maybe up

1535

01:16:27,840 --> 01:16:26,470

to a point and knowing those limits how

1536

01:16:29,220 --> 01:16:27,850

do you discover on these things there is

1537

01:16:31,380 --> 01:16:29,230

really interesting

1538

01:16:33,570 --> 01:16:31,390

sort of like the UFO phenomenon and that

1539

01:16:35,460 --> 01:16:33,580

they're very much similar it's like how

1540

01:16:38,520 --> 01:16:35,470

far can you go with it well I found my

1541

01:16:41,100 --> 01:16:38,530

limit and I'm sure that people that take

1542

01:16:43,500 --> 01:16:41,110

drugs some of them they find their limit

1543

01:16:45,810 --> 01:16:43,510

and they know when to stop you know it's

1544

01:16:47,280 --> 01:16:45,820

all has to do with your inner nature and

1545

01:16:49,170 --> 01:16:47,290

what you're capable of holding at least

1546

01:16:51,300 --> 01:16:49,180

that's my opinion no I'm pretty

1547

01:16:54,030 --> 01:16:51,310

opinionated by the way people I do know

1548

01:16:58,140 --> 01:16:54,040

that you know back in those days too

1549

01:17:00,060 --> 01:16:58,150

there was a lot of uses by you know

1550

01:17:06,630 --> 01:17:00,070

members of the mental health community

1551

01:17:08,750 --> 01:17:06,640

oh yeah yeah LSD for you know certain

1552

01:17:11,880 --> 01:17:08,760

treatment of people i knew a

1553

01:17:14,370 --> 01:17:11,890

psychiatrist who used LSD with her

1554

01:17:19,950 --> 01:17:14,380

patients and she you know thought it was

1555

01:17:22,350 --> 01:17:19,960

a wonderful tool you know and i guess in

1556

01:17:25,860 --> 01:17:22,360

those circumstances it probably was okay

1557

01:17:28,470 --> 01:17:25,870

because she was a medical doing doses

1558

01:17:30,260 --> 01:17:28,480

dosages what the person the sentence

1559

01:17:34,130 --> 01:17:30,270

setting remember when Tim Larry and

1560

01:17:37,530 --> 01:17:34,140

Richard Alpert who became Baba Ram Dass

1561

01:17:39,720 --> 01:17:37,540

season so many psychedelics do have a

1562

01:17:42,800 --> 01:17:39,730

spiritual overtone to they they

1563

01:17:47,670 --> 01:17:42,810

basically came out with the areas where

1564

01:17:49,410 --> 01:17:47,680

you know you can find opening opening

1565

01:17:51,690 --> 01:17:49,420

you open yourself and there's other

1566

01:17:55,320 --> 01:17:51,700

places where you could also closed

1567

01:17:57,000 --> 01:17:55,330

yourself off and only a psychological

1568

01:18:03,090 --> 01:17:57,010

professional to know what you know how

1569

01:18:04,860 --> 01:18:03,100

much and when to to present it they

1570

01:18:08,340 --> 01:18:04,870

could take and find new places inside

1571

01:18:11,729 --> 01:18:08,350

themselves you know yeah I kind of liken

1572

01:18:14,910 --> 01:18:11,739

it a bit to some of the native american

1573

01:18:19,910 --> 01:18:14,920

vision questing yeah it is again where

1574

01:18:22,140 --> 01:18:19,920

with like peyote natural substances and

1575

01:18:25,620 --> 01:18:22,150

which is considered a religious

1576

01:18:27,960 --> 01:18:25,630

sacrament to certain Native Americans

1577

01:18:30,570 --> 01:18:27,970

yeah and I believe that they're allowed

1578

01:18:32,910 --> 01:18:30,580

to imbibe in it because it's part of

1579

01:18:36,810 --> 01:18:32,920

their religion but you know it's still

1580

01:18:39,950 --> 01:18:36,820

dacey and I guess the FDA and the drug

1581

01:18:43,050 --> 01:18:39,960

drug enforcement agency you have to

1582

01:18:46,860 --> 01:18:43,060

weigh each case as it comes along

1583

01:18:48,420 --> 01:18:46,870

you know and you know some people can

1584

01:18:49,920 --> 01:18:48,430

handle this appearance McKenna was

1585

01:18:52,170 --> 01:18:49,930

fascinating and the reason I was

1586

01:18:55,500 --> 01:18:52,180

fascinated with him and besides the fact

1587

01:18:58,380 --> 01:18:55,510

that he had these very fascinating

1588

01:19:00,990 --> 01:18:58,390

descriptions of entities and UFOs that

1589

01:19:04,400 --> 01:19:01,000

he would see while taking silicide was

1590

01:19:08,970 --> 01:19:04,410

the fact that he could take such large

1591

01:19:12,750 --> 01:19:08,980

doses can go so far into it and come out

1592

01:19:16,350 --> 01:19:12,760

of it and be utterly right on top of

1593

01:19:19,950 --> 01:19:16,360

things and articulate in in describing

1594

01:19:22,680 --> 01:19:19,960

the power behind these these natural

1595

01:19:25,380 --> 01:19:22,690

psychedelics and I just he was when he

1596

01:19:27,540 --> 01:19:25,390

was a wreck on tour Irish of course he

1597

01:19:34,140 --> 01:19:27,550

could really tell a story and he really

1598

01:19:36,270 --> 01:19:34,150

knew how to weave a story into a kind of

1599

01:19:38,700 --> 01:19:36,280

grandiose picture that you could put in

1600

01:19:43,160 --> 01:19:38,710

your mind and I think that's what makes

1601

01:19:46,950 --> 01:19:43,170

him such a wonderful shall we say

1602

01:19:49,620 --> 01:19:46,960

advocate i'm sure i could not like you

1603

01:19:51,390 --> 01:19:49,630

do did it was that a two-part series

1604

01:19:53,490 --> 01:19:51,400

that you did in the magazine it seems to

1605

01:19:56,550 --> 01:19:53,500

me like it was two issues back-to-back

1606

01:19:58,440 --> 01:19:56,560

is that oh yeah it was i believe it was

1607

01:20:00,270 --> 01:19:58,450

only the first one was the one that I

1608

01:20:02,760 --> 01:20:00,280

had was actually the cover story and

1609

01:20:04,590 --> 01:20:02,770

then you know that was so exciting to me

1610

01:20:07,350 --> 01:20:04,600

when I did it believe it or not the only

1611

01:20:10,020 --> 01:20:07,360

book I ever wrote I have I called it a

1612

01:20:12,510 --> 01:20:10,030

book at do you remember that at all true

1613

01:20:15,480 --> 01:20:12,520

UFO it was a combination of the

1614

01:20:20,360 --> 01:20:15,490

interviews I did with Terence plus some

1615

01:20:24,270 --> 01:20:20,370

of my own head spinning thoughts on

1616

01:20:27,960 --> 01:20:24,280

psychedelics and UFOs and I found a copy

1617

01:20:29,460 --> 01:20:27,970

of it did it's just a share it must have

1618

01:20:31,980 --> 01:20:29,470

been when sherry was doing most of the

1619

01:20:35,790 --> 01:20:31,990

via typesetting and everything when I

1620

01:20:37,860 --> 01:20:35,800

when I wrote it she set up the pages for

1621

01:20:39,870 --> 01:20:37,870

me so I have it in on pages it's not

1622

01:20:42,060 --> 01:20:39,880

really a book and I'd put it between

1623

01:20:44,670 --> 01:20:42,070

covers and I may have sold a couple good

1624

01:20:46,380 --> 01:20:44,680

copy oh my gosh anybody's ever

1625

01:20:49,710 --> 01:20:46,390

interested in that I don't know if they

1626

01:20:51,750 --> 01:20:49,720

would be but alright i'll give it to you

1627

01:20:54,300 --> 01:20:51,760

i've got i've got two copies here i'll

1628

01:20:56,550 --> 01:20:54,310

never fantastic another book at it's

1629

01:20:59,450 --> 01:20:56,560

just a small thing it's just like some

1630

01:21:02,820 --> 01:20:59,460

more s a typewriting I did combined with

1631

01:21:05,190 --> 01:21:02,830

interview of with parents but I'm going

1632

01:21:09,090 --> 01:21:05,200

through UFO because he he did this great

1633

01:21:11,730 --> 01:21:09,100

book called true hallucinations and but

1634

01:21:14,810 --> 01:21:11,740

and that's exactly what I see UFOs is

1635

01:21:17,850 --> 01:21:14,820

being it's it's true but it has a

1636

01:21:20,340 --> 01:21:17,860

salutatory aspect it's a real phenomenon

1637

01:21:24,810 --> 01:21:20,350

but at the same time as it comes across

1638

01:21:28,290 --> 01:21:24,820

unreal and not solid and ephemeral and

1639

01:21:30,350 --> 01:21:28,300

it does trim you know and so there's so

1640

01:21:34,920 --> 01:21:30,360

there's a different cross over there

1641

01:21:36,780 --> 01:21:34,930

yeah yeah now we're down to gosh it

1642

01:21:39,090 --> 01:21:36,790

looks like about seven and a half

1643

01:21:42,330 --> 01:21:39,100

minutes or maybe six and a half minutes

1644

01:21:45,630 --> 01:21:42,340

to go and maybe some of the other things

1645

01:21:51,360 --> 01:21:45,640

that you tackled in the magazine like

1646

01:21:54,480 --> 01:21:51,370

the the ending of the well the so-called

1647

01:21:56,550 --> 01:21:54,490

ending of the military's remote viewing

1648

01:22:00,810 --> 01:21:56,560

program oh yeah I was thinking about

1649

01:22:02,940 --> 01:22:00,820

that operation Stargate you were you

1650

01:22:05,880 --> 01:22:02,950

were you talk to Lynn McGonagle quite a

1651

01:22:08,130 --> 01:22:05,890

bit remember Lynn Buchanan yeah you can

1652

01:22:11,070 --> 01:22:08,140

and I'm sorry that's right I did talk

1653

01:22:14,070 --> 01:22:11,080

with Joel McMonagle Donald all right but

1654

01:22:16,800 --> 01:22:14,080

I not bear it not as much but I did

1655

01:22:19,050 --> 01:22:16,810

become friends with limbu cannon but I

1656

01:22:21,140 --> 01:22:19,060

remember you know at the time I didn't

1657

01:22:24,210 --> 01:22:21,150

know anything about that subject at all

1658

01:22:26,820 --> 01:22:24,220

estimating subject boy alrighty into

1659

01:22:28,500 --> 01:22:26,830

this yeah you'll get into me it's like I

1660

01:22:30,120 --> 01:22:28,510

don't know how we can bumble around so

1661

01:22:33,060 --> 01:22:30,130

much with our military when they're

1662

01:22:36,990 --> 01:22:33,070

these capabilities seem to be you know

1663

01:22:39,510 --> 01:22:37,000

very usable and you in Donn and I had

1664

01:22:40,770 --> 01:22:39,520

dinner one night was Ingo Swann who

1665

01:22:43,860 --> 01:22:40,780

actually was the founder of the

1666

01:22:47,820 --> 01:22:43,870

protocols oh yeah yeah what a

1667

01:22:51,300 --> 01:22:47,830

fascinating guy and you want to read a

1668

01:22:54,930 --> 01:22:51,310

provocative book about possible UFO ET

1669

01:22:58,740 --> 01:22:54,940

intelligence or for him probable if not

1670

01:23:01,800 --> 01:22:58,750

actual penetration and hopefully that's

1671

01:23:04,710 --> 01:23:01,810

a book by ingo swann that you can find

1672

01:23:06,960 --> 01:23:04,720

maybe old copies on amazon or something

1673

01:23:09,310 --> 01:23:06,970

i don't know but that is another he's

1674

01:23:11,650 --> 01:23:09,320

another one you're asking about certain

1675

01:23:14,530 --> 01:23:11,660

cases of researchers angle I have

1676

01:23:16,900 --> 01:23:14,540

tremendous respect for I actually he's

1677

01:23:18,640 --> 01:23:16,910

not with us anymore I think he's passed

1678

01:23:22,660 --> 01:23:18,650

away a couple how did he pass away also

1679

01:23:25,090 --> 01:23:22,670

oh my yes yes this is what happens when

1680

01:23:28,570 --> 01:23:25,100

you get to a certain age I'm in a young

1681

01:23:30,910 --> 01:23:28,580

man listen it's just life but no matter

1682

01:23:32,890 --> 01:23:30,920

how much it happens or how little it

1683

01:23:34,390 --> 01:23:32,900

just doesn't feel right that's why I'm

1684

01:23:36,730 --> 01:23:34,400

very sure that there's something beyond

1685

01:23:43,770 --> 01:23:36,740

this life yeah it looks like he passed

1686

01:23:53,230 --> 01:23:48,400

actually first 2015 that's why I got to

1687

01:23:57,730 --> 01:23:53,240

actually he died 31 January 2013 so

1688

01:24:03,340 --> 01:23:57,740

Justin are two years ago yeah huh yeah a

1689

01:24:05,380 --> 01:24:03,350

very interesting guy he did develop or

1690

01:24:07,780 --> 01:24:05,390

at least helped her was part of

1691

01:24:12,400 --> 01:24:07,790

developing those protocols that the

1692

01:24:14,260 --> 01:24:12,410

remote viewers used Wow and he was also

1693

01:24:16,480 --> 01:24:14,270

he also wrote an interesting book on

1694

01:24:18,790 --> 01:24:16,490

Marian apparitions I don't know if you

1695

01:24:21,490 --> 01:24:18,800

are did he I don't know about that you

1696

01:24:23,790 --> 01:24:21,500

know we actually had him on strange

1697

01:24:26,590 --> 01:24:23,800

universe when I was working on that show

1698

01:24:29,290 --> 01:24:26,600

talking about worldwide Marian

1699

01:24:30,880 --> 01:24:29,300

apparitions that would have been

1700

01:24:31,990 --> 01:24:30,890

interesting method that didn't know he

1701

01:24:34,360 --> 01:24:32,000

was involved with that particular

1702

01:24:37,480 --> 01:24:34,370

subject I was kind of surprised you know

1703

01:24:38,920 --> 01:24:37,490

about that but him his area you know

1704

01:24:44,530 --> 01:24:38,930

remote viewing is just another example

1705

01:24:47,590 --> 01:24:44,540

of where charlatans stepped in like um

1706

01:24:50,890 --> 01:24:47,600

yes you know who I'm talking about that

1707

01:24:54,160 --> 01:24:50,900

I don't you're probably talking about ed

1708

01:24:56,970 --> 01:24:54,170

dames ed dames thank you very much you

1709

01:24:59,290 --> 01:24:56,980

know here was a guy that made these

1710

01:25:01,090 --> 01:24:59,300

outrageous predictions as he said were

1711

01:25:03,730 --> 01:25:01,100

based on his remote viewing and others

1712

01:25:07,000 --> 01:25:03,740

remote viewing which made the whole area

1713

01:25:10,450 --> 01:25:07,010

again sound like just crock-pot stuff

1714

01:25:13,270 --> 01:25:10,460

you know and so that what does that do

1715

01:25:16,150 --> 01:25:13,280

that throws a monkey wrench into the

1716

01:25:19,540 --> 01:25:16,160

real research in in normal people's just

1717

01:25:22,660 --> 01:25:19,550

average visitors that looking into the

1718

01:25:23,130 --> 01:25:22,670

subject you know it's too bad but if I'm

1719

01:25:28,620 --> 01:25:23,140

not miss

1720

01:25:32,580 --> 01:25:28,630

taken it for the military ed dames was

1721

01:25:35,310 --> 01:25:32,590

never a viewer he was a monitor I

1722

01:25:38,010 --> 01:25:35,320

believe oh that isn't that what came out

1723

01:25:40,260 --> 01:25:38,020

later I believe so yeah I think you're

1724

01:25:43,440 --> 01:25:40,270

right now I should be I could be made oh

1725

01:25:45,030 --> 01:25:43,450

I'm almost absolutely sure that he was

1726  
01:25:47,570 --> 01:25:45,040  
not a remote viewer for the government

1727  
01:25:53,510 --> 01:25:47,580  
but he worked in the remote viewing a

1728  
01:25:57,120 --> 01:25:53,520  
project but as as a monitor you know

1729  
01:25:59,370 --> 01:25:57,130  
making sure adults room price process

1730  
01:26:02,280 --> 01:25:59,380  
yeah I don't know if it was it was it in

1731  
01:26:05,250 --> 01:26:02,290  
a professional capacity was like yeah he

1732  
01:26:08,400 --> 01:26:05,260  
was young with the military and he was

1733  
01:26:10,650 --> 01:26:08,410  
like skip out water remember Frederick

1734  
01:26:12,600 --> 01:26:10,660  
skip out water right I do remember that

1735  
01:26:14,970 --> 01:26:12,610  
fact didn't skip come out with one of

1736  
01:26:19,410 --> 01:26:14,980  
the more interesting legitimate books

1737  
01:26:21,600 --> 01:26:19,420  
about it you know he probably did he you

1738  
01:26:25,170 --> 01:26:21,610

know continued working in the private

1739

01:26:27,810 --> 01:26:25,180

sector on remote viewing at the monroe

1740

01:26:29,430 --> 01:26:27,820

institute in it oh that's right right

1741

01:26:32,610 --> 01:26:29,440

far as I know he's still there in a

1742

01:26:35,460 --> 01:26:32,620

course Joel mcmonagle who was said to

1743

01:26:39,260 --> 01:26:35,470

have been the best remote viewer that

1744

01:26:45,120 --> 01:26:39,270

the military had during those years

1745

01:26:47,730 --> 01:26:45,130

married nancy monroe who was the either

1746

01:26:51,180 --> 01:26:47,740

the i think he was she was like the

1747

01:26:56,370 --> 01:26:51,190

adopted daughter of Robert Monroe and I

1748

01:26:58,800 --> 01:26:56,380

molesta que tienen so in in so Joe and

1749

01:27:01,290 --> 01:26:58,810

Nancy lived nearby the Institute and

1750

01:27:03,690 --> 01:27:01,300

then continued to work there and in fact

1751

01:27:07,050 --> 01:27:03,700

I think that's where Joe was actually

1752

01:27:10,860 --> 01:27:07,060

working when he wrote came out with his

1753

01:27:12,810 --> 01:27:10,870

book mind Trek right right they were

1754

01:27:14,790 --> 01:27:12,820

doing I didn't read that book and I

1755

01:27:16,860 --> 01:27:14,800

don't know if we ever got it but I find

1756

01:27:19,590 --> 01:27:16,870

that that whole field was very much like

1757

01:27:22,050 --> 01:27:19,600

there was a trend of interested in the

1758

01:27:23,340 --> 01:27:22,060

UFO field do you remember that when this

1759

01:27:25,380 --> 01:27:23,350

happened it was like everybody was

1760

01:27:27,720 --> 01:27:25,390

talking about remote viewing and it was

1761

01:27:29,940 --> 01:27:27,730

like all of a sudden it was out out into

1762

01:27:33,630 --> 01:27:29,950

the public of this top secret way of

1763

01:27:36,960 --> 01:27:33,640

spying remote viewing spine oh goodness

1764

01:27:40,170 --> 01:27:36,970

guess what Vicki oh no we are

1765

01:27:42,470 --> 01:27:40,180

laughing I'm I'm just so ready for

1766

01:27:46,530 --> 01:27:42,480

another two hours I mean I really am

1767

01:27:49,890 --> 01:27:46,540

hahaha she tried staying up past your

1768

01:27:52,890 --> 01:27:49,900

bedtime yes I am patient no not quiet

1769

01:27:54,810 --> 01:27:52,900

it's about an hour from now so don't

1770

01:27:56,220 --> 01:27:54,820

make that don't let yes I don't want you

1771

01:27:58,920 --> 01:27:56,230

to fix it we have another hour to go

1772

01:28:01,260 --> 01:27:58,930

don't know don't ok it's just been a lot

1773

01:28:03,300 --> 01:28:01,270

of fun Renee I really enjoyed this I

1774

01:28:05,850 --> 01:28:03,310

want to thank you thanks so much and

1775

01:28:07,940 --> 01:28:05,860

thank Don again for joining us for the

1776

01:28:11,160 --> 01:28:07,950

last live edition of night vision radio
