

PANG Radio

Mike Lucas & Ken Storch

Nancy Talbot 3.0

1
00:00:04,070 --> 00:00:02,240
hi everybody I'm bill burns yeah nancy

2
00:00:06,590 --> 00:00:04,080
burns here i work from future theatre

3
00:00:11,480 --> 00:00:06,600
and you know we like to listen to mmm

4
00:00:14,839 --> 00:00:11,490
radio on sunday nights at 9pm at 9pm

5
00:00:17,870 --> 00:00:14,849
what o.o the best network on the whole

6
00:00:20,090 --> 00:00:17,880
entire internet inception radio network

7
00:00:27,740 --> 00:00:20,100
you're locked into inception radio

8
00:01:18,280 --> 00:01:06,800
you

9
00:01:24,320 --> 00:01:22,160
welcome welcome everybody to 2015 and

10
00:01:26,780 --> 00:01:24,330
paying radio on the inception radio

11
00:01:29,030 --> 00:01:26,790
network welcome to the show tonight we

12
00:01:30,740 --> 00:01:29,040
have part three of our series with Nancy

13
00:01:33,620 --> 00:01:30,750

Talabot we're gonna be talking crop

14

00:01:35,719 --> 00:01:33,630

circles this is our Q&A session we've

15

00:01:37,609 --> 00:01:35,729

been waiting to get Nancy back on the

16

00:01:39,650 --> 00:01:37,619

show but Ken's pretty excited about this

17

00:01:41,420 --> 00:01:39,660

he's got a lot of questions for the

18

00:01:43,190 --> 00:01:41,430

listeners got questions I have a few

19

00:01:45,080 --> 00:01:43,200

myself but it's going to be an

20

00:01:48,440 --> 00:01:45,090

interesting show and i'd like to welcome

21

00:01:52,130 --> 00:01:48,450

my co-host mr. Ken Storch happy 2015 can

22

00:01:53,840 --> 00:01:52,140

a happy new year to you and all of our

23

00:01:55,999 --> 00:01:53,850

listeners and that goes for George and

24

00:01:58,730 --> 00:01:56,009

Patty and Doug you have to get down the

25

00:02:01,370 --> 00:01:58,740

Silver City a silver dollar city and

26

00:02:03,830 --> 00:02:01,380

Branson to watch the Christmas what a

27

00:02:06,590 --> 00:02:03,840

what a neat they put on a good show a

28

00:02:08,690 --> 00:02:06,600

good Christmas unless you're a humbug or

29

00:02:11,060 --> 00:02:08,700

something but man they did a in Branson

30

00:02:13,550 --> 00:02:11,070

Missouri Silver Dollar City really good

31

00:02:15,140 --> 00:02:13,560

show really good show I I hear that's a

32

00:02:17,030 --> 00:02:15,150

beautiful little town at some one place

33

00:02:20,090 --> 00:02:17,040

i do want to visit can yeah yeah you

34

00:02:21,560 --> 00:02:20,100

know I used to be a fishing guide down

35

00:02:24,140 --> 00:02:21,570

in table rock lake which is located

36

00:02:26,360 --> 00:02:24,150

course it was back in the 60s and so

37

00:02:28,370 --> 00:02:26,370

it's really you know commercialize now

38

00:02:30,440 --> 00:02:28,380

from what I remember but boy I tell you

39

00:02:33,289 --> 00:02:30,450

what we took in a couple of shows and

40

00:02:35,690 --> 00:02:33,299

they really did a good job yeah it was a

41

00:02:37,940 --> 00:02:35,700

lot of fun enjoyed it a lot I'd like to

42

00:02:39,830 --> 00:02:37,950

also do a shout-out to our fans on

43

00:02:41,870 --> 00:02:39,840

Facebook we cracked the two thousand

44

00:02:43,610 --> 00:02:41,880

barrier right around New Year's so 2,000

45

00:02:45,080 --> 00:02:43,620

likes on our Facebook page thank you for

46

00:02:47,390 --> 00:02:45,090

the support everybody spread the word

47

00:02:50,120 --> 00:02:47,400

share the page you can hear us on apps

48

00:02:53,030 --> 00:02:50,130

iPhones Androids I tell people that can

49

00:02:55,520 --> 00:02:53,040

that I I do a live show all over the

50

00:02:57,050 --> 00:02:55,530

world on this little app and people just

51
00:02:59,360 --> 00:02:57,060
can't fathom like you have a nap I'm

52
00:03:01,009 --> 00:02:59,370
like well yeah we have a nap and we have

53
00:03:02,390 --> 00:03:01,019
live paranormal shows on there just the

54
00:03:04,009 --> 00:03:02,400
greatest thing so I believe me I've

55
00:03:06,740 --> 00:03:04,019
downloaded that for quite a few people

56
00:03:09,140 --> 00:03:06,750
oh cool yeah that's really neat

57
00:03:11,569 --> 00:03:09,150
absolutely did you know and I'm really

58
00:03:13,360 --> 00:03:11,579
looking forward to tonight show like you

59
00:03:17,210 --> 00:03:13,370
said it should be should be interesting

60
00:03:19,509 --> 00:03:17,220
yeah yeah definitely damn and I go and

61
00:03:22,310 --> 00:03:19,519
our listeners make sure you get your

62
00:03:25,100 --> 00:03:22,320
questions either call them in or send

63
00:03:27,490 --> 00:03:25,110

them in the chat so that we can direct

64

00:03:30,380 --> 00:03:27,500

them towards Nancy and may hopefully

65

00:03:32,660 --> 00:03:30,390

expand our knowledge

66

00:03:35,449 --> 00:03:32,670

yes the crop circle phenomenon may we

67

00:03:36,920 --> 00:03:35,459

don't know what this is but we're sure

68

00:03:39,290 --> 00:03:36,930

learning we're learning about and that's

69

00:03:42,470 --> 00:03:39,300

why Nancy you know takes that scientific

70

00:03:43,910 --> 00:03:42,480

approach to looking to see what what is

71

00:03:45,410 --> 00:03:43,920

causing all these and we've had some

72

00:03:48,410 --> 00:03:45,420

good insight from Earth we've had some

73

00:03:50,600 --> 00:03:48,420

Sutton awesome scientific proof with the

74

00:03:52,730 --> 00:03:50,610

soil samples you know the sand samples

75

00:03:54,380 --> 00:03:52,740

the plant samples I mean this is

76

00:03:56,270 --> 00:03:54,390

definitely some type of high energy

77

00:03:59,150 --> 00:03:56,280

source causing these it's something that

78

00:04:01,670 --> 00:03:59,160

isn't man-made definitely yeah I mean

79

00:04:05,780 --> 00:04:01,680

from you know once again i've crammed

80

00:04:09,440 --> 00:04:05,790

you know three weeks uh that probably

81

00:04:11,810 --> 00:04:09,450

would take two years or so tell Dave

82

00:04:14,840 --> 00:04:11,820

have been I've been crammed and

83

00:04:18,289 --> 00:04:14,850

information and and you're right the the

84

00:04:21,830 --> 00:04:18,299

methodology that her her team have used

85

00:04:25,880 --> 00:04:21,840

and the and the way that she's gone

86

00:04:27,680 --> 00:04:25,890

about investigating this phenomenon i

87

00:04:30,170 --> 00:04:27,690

call it graffiti in the field is what

88

00:04:34,600 --> 00:04:30,180

i've nicknamed it graffiti in the field

89

00:04:38,390 --> 00:04:34,610

i like that yeah yeah you know and this

90

00:04:41,930 --> 00:04:38,400

there's something going on it i have a

91

00:04:45,010 --> 00:04:41,940

hard time believing that it's natural

92

00:04:49,490 --> 00:04:45,020

and i have a hard time believing that

93

00:04:53,330 --> 00:04:49,500

the really good ones are man-made mm-hmm

94

00:04:56,240 --> 00:04:53,340

okay I just you know knowing human

95

00:04:59,390 --> 00:04:56,250

nature the way I do I I just can't

96

00:05:02,090 --> 00:04:59,400

imagine that a group would keep quiet

97

00:05:08,870 --> 00:05:02,100

after several years of putting these

98

00:05:12,320 --> 00:05:08,880

elaborate formations I agree I it's it's

99

00:05:14,540 --> 00:05:12,330

just uh you know it's it's not anything

100

00:05:16,640 --> 00:05:14,550

from space shooting down you know throw

101
00:05:19,340 --> 00:05:16,650
and it's obvious that it's more than if

102
00:05:21,440 --> 00:05:19,350
it is a group of people it's more than

103
00:05:25,610 --> 00:05:21,450
one and and it would be really difficult

104
00:05:28,760 --> 00:05:25,620
for 4 5 6 15 20 people to keep a secret

105
00:05:30,590 --> 00:05:28,770
that long amongst themselves was about

106
00:05:32,090 --> 00:05:30,600
doing something you know graffiti in the

107
00:05:34,700 --> 00:05:32,100
field if you will they do with the

108
00:05:38,390 --> 00:05:34,710
attention that is being drawn to it

109
00:05:40,100 --> 00:05:38,400
there there would be leaks and I've got

110
00:05:43,559 --> 00:05:40,110
a I've got a rancher here that raises

111
00:05:45,480 --> 00:05:43,569
wheat in any any of the

112
00:05:48,389 --> 00:05:45,490
so called hoaxers that say well that

113
00:05:49,739 --> 00:05:48,399

that formation belongs to us hey they're

114

00:05:51,059 --> 00:05:49,749

more than welcome to come out here and

115

00:05:53,879 --> 00:05:51,069

demonstrate how they do it if they want

116

00:05:55,919 --> 00:05:53,889

to take the claim for it yeah you're

117

00:05:58,709 --> 00:05:55,929

you're absolutely correct another shadow

118

00:06:00,419 --> 00:05:58,719

can I check the app often we have a lot

119

00:06:04,549 --> 00:06:00,429

of listeners checking in on the streams

120

00:06:07,469 --> 00:06:04,559

from Spain a lot of friends in the UK

121

00:06:10,290 --> 00:06:07,479

Australia oh right out done under South

122

00:06:11,939 --> 00:06:10,300

America definitely a lot of listeners

123

00:06:14,040 --> 00:06:11,949

listening to the app I we appreciate the

124

00:06:16,379 --> 00:06:14,050

support fans and you know shower up with

125

00:06:17,609 --> 00:06:16,389

everybody say hey gotta download this on

126

00:06:20,219 --> 00:06:17,619

your phone this is some pretty neat

127

00:06:21,929 --> 00:06:20,229

stuff here paranormal yeah I think so oh

128

00:06:25,290 --> 00:06:21,939

yeah are you got you got to do is ask me

129

00:06:28,139 --> 00:06:25,300

yep I think it no Eagle problem here

130

00:06:30,929 --> 00:06:28,149

right right you haven't even more shout

131

00:06:33,809 --> 00:06:30,939

outs canada i do Mick and Mick dick and

132

00:06:35,489 --> 00:06:33,819

Marilyn are on their way in fact they

133

00:06:38,570 --> 00:06:35,499

should be on the east coast in Georgia

134

00:06:43,679 --> 00:06:38,580

they're gonna be picking up a elongated

135

00:06:45,839 --> 00:06:43,689

skull and I had such a chance I know we

136

00:06:48,749 --> 00:06:45,849

had chase on our show and really didn't

137

00:06:51,420 --> 00:06:48,759

get in too much but there's some

138

00:06:54,029 --> 00:06:51,430

interesting stuff about the Paracas

139

00:06:55,409 --> 00:06:54,039

skull and what's coming of it so that'll

140

00:06:57,839 --> 00:06:55,419

be interesting to see what they come up

141

00:07:00,569 --> 00:06:57,849

with well well heck we'll have them on

142

00:07:03,869 --> 00:07:00,579

and talk yeah absolutely i'm fascinated

143

00:07:05,819 --> 00:07:03,879

by it so that's that's what keeps us

144

00:07:08,459 --> 00:07:05,829

going ken is all this fashion that's a

145

00:07:11,399 --> 00:07:08,469

fascination fascination of the unknown

146

00:07:13,379 --> 00:07:11,409

and easy for you to say yeah yeah I'm

147

00:07:14,699 --> 00:07:13,389

tied Connor is kind of ruined for

148

00:07:16,290 --> 00:07:14,709

Detroit tonight so it's kind of yelling

149

00:07:19,049 --> 00:07:16,300

at the TV when Dallas all sudden took

150

00:07:20,309 --> 00:07:19,059

over the game and well you know that's

151
00:07:24,779 --> 00:07:20,319
the way it goes that's why you play the

152
00:07:28,019 --> 00:07:24,789
game I suppose but hey I minus 11 there

153
00:07:30,540 --> 00:07:28,029
and in Chicago huh yeah it is minus 11

154
00:07:32,730 --> 00:07:30,550
up here and wind chills probably got us

155
00:07:35,369 --> 00:07:32,740
at minus 25 I had to pick up the little

156
00:07:37,109 --> 00:07:35,379
dog today outside because uh she did her

157
00:07:39,359 --> 00:07:37,119
thing and then it was instantly like I

158
00:07:40,859 --> 00:07:39,369
can't stand on you know three pause so I

159
00:07:42,420 --> 00:07:40,869
had to carry her in while the other dot

160
00:07:44,759 --> 00:07:42,430
bigger dog is fine with the cold she's

161
00:07:47,879 --> 00:07:44,769
fluffy you know I've told people i've

162
00:07:50,850 --> 00:07:47,889
been i've been colorado many times it's

163
00:07:53,459 --> 00:07:50,860

19 below zero actual temperature not not

164

00:07:55,439 --> 00:07:53,469

wind chill and i said you spit and

165

00:07:56,640 --> 00:07:55,449

before it hits the ground its it hits

166

00:07:59,010 --> 00:07:56,650

his ice

167

00:08:01,499 --> 00:07:59,020

and that's one thing you can do up here

168

00:08:03,510 --> 00:08:01,509

too when it gets into the 20 30 40 below

169

00:08:05,580 --> 00:08:03,520

range you can take a bucket of water

170

00:08:08,580 --> 00:08:05,590

throw it in the air outside and it will

171

00:08:10,409 --> 00:08:08,590

just evaporate in midair to steam it's

172

00:08:12,810 --> 00:08:10,419

yeah it's a neat neat little thing to

173

00:08:15,480 --> 00:08:12,820

try yeah and don't put your tongue on

174

00:08:19,529 --> 00:08:15,490

the handrail oh yeah don't triple dog

175

00:08:21,270 --> 00:08:19,539

dare anybody Yeah right right for all

176

00:08:23,219 --> 00:08:21,280

you listeners on the stream if you guys

177

00:08:25,890 --> 00:08:23,229

are interested you can go to mirror our

178

00:08:28,439 --> 00:08:25,900

excuse me Nancy's website if you you

179

00:08:30,960 --> 00:08:28,449

want to take a look and wanna get any

180

00:08:33,029 --> 00:08:30,970

questions thrown at us on chat or uh you

181

00:08:35,579 --> 00:08:33,039

know via via skype or you can actually

182

00:08:37,170 --> 00:08:35,589

put them on twitter i mean there's many

183

00:08:39,659 --> 00:08:37,180

ways for i can check or email them to

184

00:08:44,430 --> 00:08:39,669

inception radio network at gmail com but

185

00:08:46,800 --> 00:08:44,440

her website is ww blt research com take

186

00:08:48,960 --> 00:08:46,810

a look if you have a question it's a

187

00:08:50,640 --> 00:08:48,970

good place to start because Nancy's

188

00:08:52,440 --> 00:08:50,650

gonna answer the questions and a little

189

00:08:54,210 --> 00:08:52,450

bit here the best she can and it's going

190

00:08:57,240 --> 00:08:54,220

to be a good show and I'm really

191

00:08:59,790 --> 00:08:57,250

interested to talk about her her friend

192

00:09:01,800 --> 00:08:59,800

to the von den broek Robert udah you

193

00:09:04,890 --> 00:09:01,810

know in Holland in Holland there how

194

00:09:06,180 --> 00:09:04,900

does he know I mean I mean how does he

195

00:09:08,760 --> 00:09:06,190

know these crop circles are going to

196

00:09:11,760 --> 00:09:08,770

show up I mean what what type of energy

197

00:09:13,590 --> 00:09:11,770

or what is what is accessing his mind I

198

00:09:16,199 --> 00:09:13,600

mean it I like I said I can't explain it

199

00:09:18,960 --> 00:09:16,209

i mean it's it's baffling to me well did

200

00:09:21,329 --> 00:09:18,970

you get the email about i think the

201
00:09:23,660 --> 00:09:21,339
government showing up at his house i did

202
00:09:26,519 --> 00:09:23,670
you not I don't think I got that one huh

203
00:09:28,380 --> 00:09:26,529
Ill don't know if he's coming on with

204
00:09:31,400 --> 00:09:28,390
Nancy tonight or not because apparently

205
00:09:34,710 --> 00:09:31,410
he had a real negative experience with

206
00:09:36,960 --> 00:09:34,720
officialdom oh wow I I don't think he is

207
00:09:39,030 --> 00:09:36,970
but we could definitely ask well and

208
00:09:41,040 --> 00:09:39,040
I've got that on in the margin of one of

209
00:09:43,079 --> 00:09:41,050
my questions is what you just brought up

210
00:09:46,310 --> 00:09:43,089
is does she have any inkling as to how

211
00:09:50,160 --> 00:09:46,320
he knows or what kind of you know

212
00:09:52,920 --> 00:09:50,170
communication that he's able to access

213
00:09:55,410 --> 00:09:52,930

in order to get that information that

214

00:09:58,470 --> 00:09:55,420

tells them when and where they're going

215

00:10:00,420 --> 00:09:58,480

to appear it seems like he's receiving

216

00:10:03,030 --> 00:10:00,430

some type of download from Sun you know

217

00:10:04,980 --> 00:10:03,040

somewhere else I mean I mean what else

218

00:10:07,290 --> 00:10:04,990

can you explain it

219

00:10:09,630 --> 00:10:07,300

well I am one of those people that

220

00:10:13,050 --> 00:10:09,640

believe that there are certain

221

00:10:17,400 --> 00:10:13,060

individuals in fact there every once

222

00:10:19,769 --> 00:10:17,410

awhile I have flashes of brilliance okay

223

00:10:24,750 --> 00:10:19,779

but I what I what I mean is is that i

224

00:10:27,240 --> 00:10:24,760

don't know if it's ESP or if it's uh you

225

00:10:28,860 --> 00:10:27,250

know some kind of tapping into some kind

226

00:10:31,800 --> 00:10:28,870

of energy field or whatever but every

227

00:10:33,360 --> 00:10:31,810

once in a while I know something like

228

00:10:35,040 --> 00:10:33,370

it's like you're sitting you go the

229

00:10:36,449 --> 00:10:35,050

phone rings and you know it's going to

230

00:10:38,490 --> 00:10:36,459

ring and before it rings you know it's

231

00:10:39,930 --> 00:10:38,500

going to be your sister or you know a

232

00:10:41,730 --> 00:10:39,940

friend that you haven't talked to in

233

00:10:43,699 --> 00:10:41,740

three months and it phone rings you go

234

00:10:45,720 --> 00:10:43,709

that's going to be bill or whatever so I

235

00:10:47,820 --> 00:10:45,730

mean that's pretty bizarre when that

236

00:10:49,199 --> 00:10:47,830

happens oh yeah or you think you talk

237

00:10:51,210 --> 00:10:49,209

about somebody and all of a sudden you

238

00:10:53,400 --> 00:10:51,220

run in tune like within the next day or

239

00:10:54,720 --> 00:10:53,410

two and you're like I was just thinking

240

00:10:56,519 --> 00:10:54,730

about you and you just kind of run into

241

00:10:58,530 --> 00:10:56,529

like holy cow that just kind of smacks

242

00:11:00,420 --> 00:10:58,540

you in the forehead like wow yeah I know

243

00:11:03,260 --> 00:11:00,430

the scientific community would say that

244

00:11:07,910 --> 00:11:03,270

this happens dancer you know the the

245

00:11:10,199 --> 00:11:07,920

what is it the law of probability or

246

00:11:12,360 --> 00:11:10,209

coincidence the law of coincidence but I

247

00:11:14,970 --> 00:11:12,370

don't buy that I think it's the thoughts

248

00:11:17,190 --> 00:11:14,980

become things myself yep yep I do too

249

00:11:19,769 --> 00:11:17,200

and a lot of respect oh yeah well I tell

250

00:11:21,630 --> 00:11:19,779

you what it's it's 810 this is the time

251
00:11:23,880 --> 00:11:21,640
we usually bring our guests in so let me

252
00:11:25,560 --> 00:11:23,890
add her to the call and she know she's

253
00:11:28,260 --> 00:11:25,570
going live so we may not have a panic

254
00:11:30,780 --> 00:11:28,270
here yeah right arm yeah let's see here

255
00:11:33,090 --> 00:11:30,790
let's get her in I like doing this live

256
00:11:34,829 --> 00:11:33,100
this makes it more exciting oh yeah you

257
00:11:39,030 --> 00:11:34,839
get all the foo bars in there too yeah

258
00:11:41,850 --> 00:11:39,040
yeah and here comes Nancy will hear a

259
00:11:43,410 --> 00:11:41,860
ringtone folks and hang in there some

260
00:11:47,100 --> 00:11:43,420
people don't like when I say folks but i

261
00:11:50,010 --> 00:11:47,110
think it's a it's a nice way to hello

262
00:11:52,889 --> 00:11:50,020
good evening Nancy happy new year from M

263
00:11:55,290 --> 00:11:52,899

Jane Ken how are you doing tonight I'm

264

00:11:57,510 --> 00:11:55,300

doing fun happy new year you guys too

265

00:12:01,170 --> 00:11:57,520

hey Nancy thanks for coming on looking

266

00:12:02,910 --> 00:12:01,180

forward to it appreciate it coo coo well

267

00:12:04,980 --> 00:12:02,920

Nancy tonight we're just gonna we're

268

00:12:07,829 --> 00:12:04,990

going to cover some questions we both

269

00:12:09,120 --> 00:12:07,839

had and the listeners arm you know like

270

00:12:11,130 --> 00:12:09,130

I said it's going to be just kind of a

271

00:12:12,360 --> 00:12:11,140

fun little form and we're gonna you know

272

00:12:14,250 --> 00:12:12,370

hit you with some questions where it's

273

00:12:17,670 --> 00:12:14,260

definitely no pressure we're all we're

274

00:12:18,660 --> 00:12:17,680

all fun here you know that oh I got a

275

00:12:20,550 --> 00:12:18,670

matter I mean

276

00:12:22,560 --> 00:12:20,560

the point is that where there are

277

00:12:25,200 --> 00:12:22,570

answers to the questions and there are

278

00:12:26,940 --> 00:12:25,210

answers to some of them I just hope I

279

00:12:29,520 --> 00:12:26,950

can remember all the details they had so

280

00:12:32,400 --> 00:12:29,530

that's this definitely okay a you know a

281

00:12:34,440 --> 00:12:32,410

part of the experience is just being

282

00:12:37,080 --> 00:12:34,450

able to ask the question and maybe there

283

00:12:39,150 --> 00:12:37,090

isn't an answer that is definitive but

284

00:12:41,460 --> 00:12:39,160

you're right there is an answer maybe we

285

00:12:44,160 --> 00:12:41,470

just don't have it yet but it I always

286

00:12:47,100 --> 00:12:44,170

thought I spagna we have answers to some

287

00:12:49,260 --> 00:12:47,110

of the questions and I'm just hoping

288

00:12:52,440 --> 00:12:49,270

that I remember all the technical

289

00:12:54,570 --> 00:12:52,450

details when it's something that's you

290

00:12:56,310 --> 00:12:54,580

know not my particular area of expertise

291

00:12:59,550 --> 00:12:56,320

course there are things we don't have

292

00:13:01,020 --> 00:12:59,560

the answers to at all mm-hmm Nancy I'm

293

00:13:02,670 --> 00:13:01,030

going to I'm going to start off easy do

294

00:13:04,530 --> 00:13:02,680

we have any any new crop circles have

295

00:13:06,210 --> 00:13:04,540

been reported like in the last month

296

00:13:08,160 --> 00:13:06,220

like during christmas or december

297

00:13:15,150 --> 00:13:08,170

january early january anything showing

298

00:13:17,430 --> 00:13:15,160

up there was one in Holland in oh and

299

00:13:20,220 --> 00:13:17,440

we'll have it in front of me but the

300

00:13:25,050 --> 00:13:20,230

most recent one was in Holland in

301

00:13:27,510 --> 00:13:25,060

December and I think marigolds okay

302

00:13:30,690 --> 00:13:27,520

which they grow in some of the areas

303

00:13:33,690 --> 00:13:30,700

there the farmers of there's something

304

00:13:35,130 --> 00:13:33,700

in marigold that's very nutrient you

305

00:13:38,370 --> 00:13:35,140

know for the next crop they're gonna

306

00:13:40,200 --> 00:13:38,380

plant and they their season awesome

307

00:13:42,810 --> 00:13:40,210

allows these plants they're very Hardy

308

00:13:45,600 --> 00:13:42,820

to grow late and so they grow them and

309

00:13:48,630 --> 00:13:45,610

then turn them over plow them back in to

310

00:13:50,880 --> 00:13:48,640

help the soil over the winter and the

311

00:13:54,900 --> 00:13:50,890

most recent one that I know of was there

312

00:13:58,070 --> 00:13:54,910

I think there were also in South America

313

00:14:02,040 --> 00:13:58,080

oh I remember just in December there was

314

00:14:04,740 --> 00:14:02,050

one of these randomly downed events this

315

00:14:08,070 --> 00:14:04,750

is where you got huge areas of a field

316

00:14:12,570 --> 00:14:08,080

usually knocked down in a non geometric

317

00:14:16,400 --> 00:14:12,580

way and because of the blt work where we

318

00:14:19,110 --> 00:14:16,410

tested a number of randomly downed areas

319

00:14:22,020 --> 00:14:19,120

usually in fields where there were

320

00:14:24,030 --> 00:14:22,030

geometric formations already but not

321

00:14:25,830 --> 00:14:24,040

always we went and tested a number of

322

00:14:29,490 --> 00:14:25,840

these randomly down things because what

323

00:14:32,269 --> 00:14:29,500

we found was that in some cases this

324

00:14:35,519 --> 00:14:32,279

randomly down stuff had the same

325

00:14:38,519 --> 00:14:35,529

physical changes in the plants that we

326

00:14:42,329 --> 00:14:38,529

find in the geometrically downed crop

327

00:14:44,970 --> 00:14:42,339

circles and there's a full report about

328

00:14:47,360 --> 00:14:44,980

all of this in the field report section

329

00:14:52,370 --> 00:14:47,370

because we did a fairly comprehensive

330

00:14:56,190 --> 00:14:52,380

testing of the UK circles in 2009

331

00:14:58,290 --> 00:14:56,200

including a fabulously pictorial design

332

00:15:01,470 --> 00:14:58,300

which you would immediately assume had

333

00:15:05,009 --> 00:15:01,480

to be fake which turned out probably not

334

00:15:07,829 --> 00:15:05,019

to be but around the head of this the

335

00:15:09,360 --> 00:15:07,839

Phoenix like design around the head of

336

00:15:12,810 --> 00:15:09,370

this thing there was a whole area of

337

00:15:15,600 --> 00:15:12,820

randomly down crop and it was tested

338

00:15:19,560 --> 00:15:15,610

also and showed exactly the same changes

339

00:15:21,210 --> 00:15:19,570

that we find in the geometric so this

340

00:15:24,690 --> 00:15:21,220

thing in Mexico attracts attention

341

00:15:26,910 --> 00:15:24,700

because although weather of course can

342

00:15:29,190 --> 00:15:26,920

be responsible in many cases or over

343

00:15:32,009 --> 00:15:29,200

fertilization of the plants which then

344

00:15:34,829 --> 00:15:32,019

makes the heads very heavy you know this

345

00:15:37,470 --> 00:15:34,839

sort of thing can cause lots of big

346

00:15:40,170 --> 00:15:37,480

areas of randomly down but sometimes it

347

00:15:42,660 --> 00:15:40,180

is not just weather sometimes it's the

348

00:15:45,660 --> 00:15:42,670

same thing whatever it is it's causing

349

00:15:47,940 --> 00:15:45,670

the crop circles hmmm can I think you

350

00:15:51,389 --> 00:15:47,950

have a question to you yeah well

351
00:15:54,440 --> 00:15:51,399
actually it comes in from JB also we're

352
00:15:57,269 --> 00:15:54,450
both thinking along the same lines and

353
00:15:59,400 --> 00:15:57,279
we're wondering Nancy do you have any

354
00:16:01,380 --> 00:15:59,410
thoughts on why there is so much

355
00:16:03,150 --> 00:16:01,390
activity in the UK now I know you

356
00:16:05,970 --> 00:16:03,160
mentioned something I had to do with the

357
00:16:09,210 --> 00:16:05,980
soil content that is located right in

358
00:16:13,319 --> 00:16:09,220
the in the dark aquifer chalk aquifer

359
00:16:16,439 --> 00:16:13,329
yeah and if you look in the on blt

360
00:16:20,060 --> 00:16:16,449
research com in the research links

361
00:16:23,819 --> 00:16:20,070
section also in the other facts section

362
00:16:28,530 --> 00:16:23,829
there is commentary about this you know

363
00:16:30,509 --> 00:16:28,540

in fact southern England fits on top of

364

00:16:34,230 --> 00:16:30,519

the underlayment there is chalk and

365

00:16:37,019 --> 00:16:34,240

chalk is the most porous of rock and

366

00:16:38,400 --> 00:16:37,029

water trickling through poor you know

367

00:16:42,210 --> 00:16:38,410

going down through the rock to the

368

00:16:44,280 --> 00:16:42,220

aquifer causes of charge separation in

369

00:16:46,020 --> 00:16:44,290

the water molecules which sets up a

370

00:16:49,020 --> 00:16:46,030

positive charge of

371

00:16:51,420 --> 00:16:49,030

very slight but increased over areas

372

00:16:53,460 --> 00:16:51,430

where there is no chalk there's this

373

00:16:57,590 --> 00:16:53,470

slightly increased positive charge

374

00:17:00,630 --> 00:16:57,600

ground electrical charge and the

375

00:17:02,790 --> 00:17:00,640

hypothesis there I mean we know that in

376

00:17:05,880 --> 00:17:02,800

fact the chalk aquifer was there we know

377

00:17:08,220 --> 00:17:05,890

if it in fact that the ground electrical

378

00:17:10,830 --> 00:17:08,230

charge does go up because John Burke and

379

00:17:13,800 --> 00:17:10,840

I spent several summers measuring that

380

00:17:16,050 --> 00:17:13,810

and in fact it does go up in southern

381

00:17:18,390 --> 00:17:16,060

England over the summer as the water has

382

00:17:20,220 --> 00:17:18,400

to percolate farther and farther the

383

00:17:22,800 --> 00:17:20,230

aquifer lowers you see over the summer

384

00:17:25,140 --> 00:17:22,810

and therefore the surface water has to

385

00:17:27,060 --> 00:17:25,150

percolate farther meaning there more

386

00:17:28,590 --> 00:17:27,070

electrons stripped off with needing meet

387

00:17:31,290 --> 00:17:28,600

you know the ground electrical charge

388

00:17:33,930 --> 00:17:31,300

goes up which we've measured and know is

389

00:17:36,150 --> 00:17:33,940

true in southern England and the theory

390

00:17:38,910 --> 00:17:36,160

was that this increased ground

391

00:17:41,880 --> 00:17:38,920

electrical charge was functioning as an

392

00:17:45,420 --> 00:17:41,890

attractor to this atmospheric plasma

393

00:17:48,570 --> 00:17:45,430

system drawing it down in areas where

394

00:17:51,350 --> 00:17:48,580

you had choc underlayment or the next

395

00:17:54,270 --> 00:17:51,360

most porous rock which is limestone and

396

00:17:55,620 --> 00:17:54,280

in fact many of the crop circles in

397

00:17:58,050 --> 00:17:55,630

other parts of the world and

398

00:18:02,370 --> 00:17:58,060

particularly here in the states do in

399

00:18:06,480 --> 00:18:02,380

fact occur over limestone Oh underneath

400

00:18:07,980 --> 00:18:06,490

the soil so that it's all its theoretic

401
00:18:09,540 --> 00:18:07,990
we don't know that we haven't been able

402
00:18:10,860 --> 00:18:09,550
to prove it we've only been able to

403
00:18:12,390 --> 00:18:10,870
prove we know the areas where their

404
00:18:14,640 --> 00:18:12,400
chalk and we know the area for their

405
00:18:16,590 --> 00:18:14,650
limestone and we have to have done

406
00:18:18,240 --> 00:18:16,600
enough measurements to know that the

407
00:18:21,180 --> 00:18:18,250
ground electrical charge does in fact

408
00:18:24,210 --> 00:18:21,190
increase ever so slightly over the

409
00:18:26,610 --> 00:18:24,220
summer peaking at the sort of in the

410
00:18:29,010 --> 00:18:26,620
late fall which is also when the

411
00:18:32,730 --> 00:18:29,020
greatest number of crop circles occur in

412
00:18:36,720 --> 00:18:32,740
southern England well that leads me to a

413
00:18:38,670 --> 00:18:36,730

second question do has any crop circles

414

00:18:41,520 --> 00:18:38,680

been registered where there hasn't been

415

00:18:48,570 --> 00:18:41,530

an aquifer with chalk or sandstone or

416

00:18:50,660 --> 00:18:48,580

limestone yep oh ok well complicated

417

00:18:56,490 --> 00:18:50,670

yeah she's at me ass I'll tell you that

418

00:18:59,460 --> 00:18:56,500

ok well alright yeah I have a another

419

00:19:01,110 --> 00:18:59,470

question here that's really

420

00:19:05,580 --> 00:19:01,120

it bugs the hell out of me Nancy and

421

00:19:09,899 --> 00:19:05,590

that is the insects in a field I grew up

422

00:19:12,240 --> 00:19:09,909

on a farm so I yeah so I I mean I I'm

423

00:19:14,070 --> 00:19:12,250

well familiar at least in in the wheat

424

00:19:15,720 --> 00:19:14,080

fields and cornfields of Missouri the

425

00:19:19,669 --> 00:19:15,730

types of insects and rodents that

426

00:19:22,049 --> 00:19:19,679

inhabit you know that ecosystem do you I

427

00:19:24,840 --> 00:19:22,059

was reading an article here about two

428

00:19:28,919 --> 00:19:24,850

days ago and they have found dead

429

00:19:30,870 --> 00:19:28,929

insects in rodents but there was no

430

00:19:33,090 --> 00:19:30,880

determination as to whether or not it

431

00:19:36,210 --> 00:19:33,100

was a result of being inside the crop

432

00:19:38,610 --> 00:19:36,220

circle or not very good question and

433

00:19:40,590 --> 00:19:38,620

it's really funny that you ask it I mean

434

00:19:42,990 --> 00:19:40,600

I'm working on a new report that's

435

00:19:46,890 --> 00:19:43,000

coming out in the next week or so that

436

00:19:51,149 --> 00:19:46,900

happens to include the discovery of two

437

00:19:56,100 --> 00:19:51,159

very dead very desiccated flat as named

438

00:19:59,100 --> 00:19:56,110

flounder porcupines found in the 90s in

439

00:20:01,649 --> 00:19:59,110

a Canadian crop circle and corn and I'm

440

00:20:03,450 --> 00:20:01,659

using some of the images in the we're

441

00:20:05,070 --> 00:20:03,460

discussing corn circles and some of the

442

00:20:07,049 --> 00:20:05,080

amazing things that go on in them and

443

00:20:09,570 --> 00:20:07,059

I'm using some of the pictures that were

444

00:20:12,740 --> 00:20:09,580

taken by the guy who found the two dead

445

00:20:15,060 --> 00:20:12,750

raccoons now there have also been

446

00:20:16,710 --> 00:20:15,070

reported and I've seen enough evidence

447

00:20:20,700 --> 00:20:16,720

to believe at least one of these cases

448

00:20:23,490 --> 00:20:20,710

is true desiccated birds bird carcasses

449

00:20:26,250 --> 00:20:23,500

in a couple circles those are in England

450

00:20:30,299 --> 00:20:26,260

and one time I remember hearing about a

451
00:20:33,390 --> 00:20:30,309
fox supposedly a fox carcass found in a

452
00:20:35,520 --> 00:20:33,400
crop circle I'll get the insects in a

453
00:20:38,070 --> 00:20:35,530
minute in the case of these of the

454
00:20:40,590 --> 00:20:38,080
animals the rodents in the bird or the

455
00:20:43,110 --> 00:20:40,600
birds it's not known whether those

456
00:20:46,049 --> 00:20:43,120
animals may have been dead and just

457
00:20:48,299 --> 00:20:46,059
happened to be in the spot where the

458
00:20:50,149 --> 00:20:48,309
circle formed right I mean they may have

459
00:20:52,560 --> 00:20:50,159
been dead they may have been there or

460
00:20:55,890 --> 00:20:52,570
they may have done in the wrong place at

461
00:20:58,950 --> 00:20:55,900
the wrong time which if these energies

462
00:21:01,710 --> 00:20:58,960
which we know were present in the x-ray

463
00:21:04,980 --> 00:21:01,720

diffraction study that edmonton in a

464

00:21:07,320 --> 00:21:04,990

canada crop circle the energies present

465

00:21:09,770 --> 00:21:07,330

there were strong enough to change the

466

00:21:12,060 --> 00:21:09,780

crystal any of those soil minerals that

467

00:21:13,350 --> 00:21:12,070

theoretically in fact a little bit more

468

00:21:15,060 --> 00:21:13,360

than theoretically would

469

00:21:18,270 --> 00:21:15,070

definitely been strong enough to kill an

470

00:21:20,700 --> 00:21:18,280

animal small animal so it's conceivable

471

00:21:22,950 --> 00:21:20,710

I mean when you think about raccoons if

472

00:21:24,780 --> 00:21:22,960

they're scared what do they do they roll

473

00:21:27,930 --> 00:21:24,790

out on ball which would be exactly the

474

00:21:30,090 --> 00:21:27,940

wrong thing to do if a plasma is going

475

00:21:33,060 --> 00:21:30,100

to discharge right on your head which

476

00:21:36,690 --> 00:21:33,070

you know conceivably is what caused them

477

00:21:40,560 --> 00:21:36,700

to die and the same thing would be true

478

00:21:42,299 --> 00:21:40,570

for the birds and or the fox but it's

479

00:21:43,980 --> 00:21:42,309

not known you know whether or not those

480

00:21:46,049 --> 00:21:43,990

animals were simply bad and their

481

00:21:49,200 --> 00:21:46,059

carcasses were there before the circles

482

00:21:52,110 --> 00:21:49,210

formed or whether it occurred later now

483

00:21:54,600 --> 00:21:52,120

as far as the insects go there are

484

00:21:56,760 --> 00:21:54,610

people and i also have seen this who

485

00:21:59,430 --> 00:21:56,770

have noticed began to notice that in

486

00:22:02,549 --> 00:21:59,440

some crop circles in england this was

487

00:22:08,030 --> 00:22:02,559

first noticed what looked like flies

488

00:22:11,400 --> 00:22:08,040

small flies were attached to some of the

489

00:22:12,690 --> 00:22:11,410

standing stocks inside crop circles you

490

00:22:14,340 --> 00:22:12,700

know there are lots of sections where

491

00:22:16,950 --> 00:22:14,350

they're standing sections that haven't

492

00:22:18,840 --> 00:22:16,960

been flattened and they found that these

493

00:22:21,330 --> 00:22:18,850

animals they were not only stuck to the

494

00:22:24,120 --> 00:22:21,340

stocks they were stuck with their probe

495

00:22:28,169 --> 00:22:24,130

their tongues like they were glued but

496

00:22:29,669 --> 00:22:28,179

Sylvia their tongues now immediately it

497

00:22:31,620 --> 00:22:29,679

was assumed that the energies involved

498

00:22:35,190 --> 00:22:31,630

in making crop circles had killed these

499

00:22:37,890 --> 00:22:35,200

bugs and stuck them to the plants which

500

00:22:40,590 --> 00:22:37,900

may be true but we had never we've never

501
00:22:42,630 --> 00:22:40,600
been able to find an entomologist which

502
00:22:44,850 --> 00:22:42,640
is what we would need to number one

503
00:22:47,010 --> 00:22:44,860
identify the insect so that we know what

504
00:22:49,320 --> 00:22:47,020
they are number to provide us with the

505
00:22:52,350 --> 00:22:49,330
information about their customs their

506
00:22:55,140 --> 00:22:52,360
habits it's entirely conceivable that

507
00:22:57,990 --> 00:22:55,150
there are creatures which stick their

508
00:23:00,360 --> 00:22:58,000
tongues out you know in wheat plants for

509
00:23:03,180 --> 00:23:00,370
some reason or other or die that way the

510
00:23:05,010 --> 00:23:03,190
we just didn't know about so there's

511
00:23:07,710 --> 00:23:05,020
there isn't any there's no science to

512
00:23:11,490 --> 00:23:07,720
tell us whether in the cases where we

513
00:23:14,549 --> 00:23:11,500

find insects apparently caught up in

514

00:23:16,530 --> 00:23:14,559

whatever the energy system was that and

515

00:23:19,409 --> 00:23:16,540

we don't know for certain that that is

516

00:23:21,780 --> 00:23:19,419

what happened it's what looks like did

517

00:23:24,419 --> 00:23:21,790

happen but one of the major problems

518

00:23:26,570 --> 00:23:24,429

with this kind of work is not having

519

00:23:29,180 --> 00:23:26,580

enough money

520

00:23:32,930 --> 00:23:29,190

if you know an entomologist to come in

521

00:23:35,360 --> 00:23:32,940

and give a professional opinion Nancy

522

00:23:37,070 --> 00:23:35,370

yeah I have a question too if we have

523

00:23:39,860 --> 00:23:37,080

you ever had anybody have physical

524

00:23:41,120 --> 00:23:39,870

effects like after a fresh crop circle

525

00:23:44,990 --> 00:23:41,130

walking into it has anybody had a

526

00:23:48,710 --> 00:23:45,000

physical effects humans yeah constantly

527

00:23:50,840 --> 00:23:48,720

it that's it's a very regular thing I'll

528

00:23:53,750 --> 00:23:50,850

start with myself because it's happened

529

00:23:57,009 --> 00:23:53,760

to me and so I can I can tell it

530

00:23:59,060 --> 00:23:57,019

firsthand a very common experience

531

00:24:01,549 --> 00:23:59,070

although it doesn't happen to everybody

532

00:24:04,519 --> 00:24:01,559

and it doesn't happen in every circle

533

00:24:07,340 --> 00:24:04,529

and in fact it can happen to some people

534

00:24:11,180 --> 00:24:07,350

in one circle and not to other people in

535

00:24:13,430 --> 00:24:11,190

the same circle at the same time oh so

536

00:24:16,909 --> 00:24:13,440

exactly why this is so I don't know but

537

00:24:19,279 --> 00:24:16,919

what happens is a tingling it so a

538

00:24:21,019 --> 00:24:19,289

prickly tingling a little bit like if

539

00:24:23,990 --> 00:24:21,029

you imagine sticking your finger into a

540

00:24:26,840 --> 00:24:24,000

wall socket obviously not quite that

541

00:24:29,659 --> 00:24:26,850

offense but it's that sort of a feeling

542

00:24:33,350 --> 00:24:29,669

and it's usually in the feet and the

543

00:24:35,600 --> 00:24:33,360

lower legs the calves and it can be

544

00:24:39,649 --> 00:24:35,610

anything from just a feeling of warmth

545

00:24:42,889 --> 00:24:39,659

to a real fairly strong tingling I have

546

00:24:46,220 --> 00:24:42,899

experienced a number of times and in one

547

00:24:48,529 --> 00:24:46,230

in Holland it was so extreme it was all

548

00:24:51,440 --> 00:24:48,539

the way up my right leg and my upper

549

00:24:53,629 --> 00:24:51,450

right thigh was burning to the point

550

00:24:56,680 --> 00:24:53,639

where I had to leave the circle this is

551
00:24:59,600 --> 00:24:56,690
a brand new formations that I was in and

552
00:25:01,759 --> 00:24:59,610
after I was out of the circle for 10

553
00:25:04,430 --> 00:25:01,769
minutes you know it went down and the

554
00:25:06,320 --> 00:25:04,440
next day or so when I went back if I was

555
00:25:08,090 --> 00:25:06,330
able to go in without that problem it's

556
00:25:11,269 --> 00:25:08,100
something that people noticed most

557
00:25:14,840 --> 00:25:11,279
frequently in brand new circles but not

558
00:25:17,509 --> 00:25:14,850
in all of them there are other effects I

559
00:25:19,700 --> 00:25:17,519
we have not done there's another sort of

560
00:25:22,279 --> 00:25:19,710
work that has been done by woman named

561
00:25:24,740 --> 00:25:22,289
Lucy Pringle in southern England and

562
00:25:27,019 --> 00:25:24,750
she's been real interested in the

563
00:25:30,620 --> 00:25:27,029

effects physical effects on people I

564

00:25:33,379 --> 00:25:30,630

don't know how scientific all of the

565

00:25:35,840 --> 00:25:33,389

stuff she's done has been but she seems

566

00:25:39,740 --> 00:25:35,850

to have documented at least in some

567

00:25:40,250 --> 00:25:39,750

cases that there are possible effects on

568

00:25:44,240 --> 00:25:40,260

heart

569

00:25:47,840 --> 00:25:44,250

on people having pacemakers hmm they're

570

00:25:51,350 --> 00:25:47,850

people reporting headaches migraines uh

571

00:25:53,360 --> 00:25:51,360

and or the opposite a beauty and joyous

572

00:25:56,330 --> 00:25:53,370

feeling for no particular reason and

573

00:25:58,730 --> 00:25:56,340

there's one very peculiar incidents that

574

00:26:01,460 --> 00:25:58,740

I know about that i think was reported

575

00:26:04,970 --> 00:26:01,470

in a couple of other circles back and i

576

00:26:08,090 --> 00:26:04,980

think 96 there was a spiral event near

577

00:26:11,450 --> 00:26:08,100

stonehenge i'm almost here the julia

578

00:26:13,850 --> 00:26:11,460

said i'm almost sure that was 96 and it

579

00:26:16,520 --> 00:26:13,860

was it was a big formation that occurred

580

00:26:19,630 --> 00:26:16,530

in the afternoon within about 20 to

581

00:26:22,640 --> 00:26:19,640

30-minute period which we know because

582

00:26:25,010 --> 00:26:22,650

the flights that take off from Thruxton

583

00:26:27,620 --> 00:26:25,020

airport to take tours out to see the

584

00:26:31,280 --> 00:26:27,630

crop circles they fly right over

585

00:26:34,160 --> 00:26:31,290

stonehenge as they take off to then take

586

00:26:38,210 --> 00:26:34,170

the tourists around to see the crop

587

00:26:41,060 --> 00:26:38,220

circles and the pilot had been returning

588

00:26:42,680 --> 00:26:41,070

from a trip flew right over Stonehenge

589

00:26:45,980 --> 00:26:42,690

and right over this particular field

590

00:26:47,630 --> 00:26:45,990

before he landed and then after just you

591

00:26:49,340 --> 00:26:47,640

know disembarking those passengers

592

00:26:52,070 --> 00:26:49,350

picked up another batch and went up so

593

00:26:54,440 --> 00:26:52,080

he was back up again in 20 to 30 minutes

594

00:26:57,560 --> 00:26:54,450

and took off again right over this field

595

00:27:00,110 --> 00:26:57,570

there had been no crop circle there when

596

00:27:03,860 --> 00:27:00,120

at they were landing and yet here was

597

00:27:06,380 --> 00:27:03,870

this huge was a 900 foot long multi fina

598

00:27:08,110 --> 00:27:06,390

circles I can't remember a hundred and

599

00:27:11,000 --> 00:27:08,120

fifty two hundred circles in this thing

600

00:27:13,010 --> 00:27:11,010

that it appeared in this field in full

601
00:27:16,100 --> 00:27:13,020
view of Stonehenge I might add and in

602
00:27:18,500 --> 00:27:16,110
daytime and Stonehenge was filled with

603
00:27:21,970 --> 00:27:18,510
tourists none of whom saw anything

604
00:27:25,610 --> 00:27:21,980
happened there's a major road between Oh

605
00:27:28,160 --> 00:27:25,620
amesbury I think and Marlborough that

606
00:27:30,260 --> 00:27:28,170
runs right smack am very close to

607
00:27:34,220 --> 00:27:30,270
Stonehenge II between Stonehenge in this

608
00:27:36,320 --> 00:27:34,230
field filled with traffic and I think it

609
00:27:39,440 --> 00:27:36,330
was Lucy actually who lives in in

610
00:27:42,710 --> 00:27:39,450
England who did eventually find a taxi

611
00:27:44,870 --> 00:27:42,720
driver and a customer who had been

612
00:27:46,670 --> 00:27:44,880
driving along that field and did see

613
00:27:48,950 --> 00:27:46,680

something that had to do with this

614

00:27:51,350 --> 00:27:48,960

circle forming but the point is is it

615

00:27:53,960 --> 00:27:51,360

formed in 20 or 30 minutes in the

616

00:27:56,930 --> 00:27:53,970

afternoon in full view of everybody and

617

00:28:01,070 --> 00:27:56,940

almost nobody saw much of anything but

618

00:28:03,050 --> 00:28:01,080

in that formation many women reported

619

00:28:07,540 --> 00:28:03,060

this is a little delicate I'll try to

620

00:28:12,440 --> 00:28:07,550

say it delicately had many women who

621

00:28:18,560 --> 00:28:12,450

were menopausal and at various states of

622

00:28:22,400 --> 00:28:18,570

that situation apparently started to

623

00:28:26,090 --> 00:28:22,410

have their periods again after being in

624

00:28:28,630 --> 00:28:26,100

the formation and many of them are then

625

00:28:31,910 --> 00:28:28,640

had their Menzies for quite a long time

626

00:28:34,100 --> 00:28:31,920

afterward which in a woman is really

627

00:28:38,060 --> 00:28:34,110

postmenopausal which many of these women

628

00:28:40,070 --> 00:28:38,070

were is absolutely abnormal and as far

629

00:28:42,710 --> 00:28:40,080

as I know nobody ever took it any

630

00:28:44,390 --> 00:28:42,720

farther than that I I don't know if all

631

00:28:46,580 --> 00:28:44,400

of the women who reported this or

632

00:28:50,090 --> 00:28:46,590

British or whether they were you know

633

00:28:51,650 --> 00:28:50,100

the women tourists who reported it oh I

634

00:28:53,480 --> 00:28:51,660

would think it would have to be followed

635

00:28:55,730 --> 00:28:53,490

up by your doctor's you know having

636

00:28:58,850 --> 00:28:55,740

medical exams whatever as far as I know

637

00:29:01,460 --> 00:28:58,860

that was never done but I did speak to

638

00:29:03,580 --> 00:29:01,470

at least two of the women who claimed

639

00:29:05,540 --> 00:29:03,590

that this had happened to them and

640

00:29:09,110 --> 00:29:05,550

believed that they were telling me the

641

00:29:11,930 --> 00:29:09,120

truth so it seems that there may be

642

00:29:15,350 --> 00:29:11,940

quite a wide range of physical responses

643

00:29:17,390 --> 00:29:15,360

that people could have particularly in

644

00:29:20,030 --> 00:29:17,400

new crop circles for things which have

645

00:29:24,950 --> 00:29:20,040

only been there very recently and they

646

00:29:31,100 --> 00:29:24,960

range from feelings of delight and just

647

00:29:33,530 --> 00:29:31,110

a billions to severe headaches and you

648

00:29:36,470 --> 00:29:33,540

know this tingling I've actually felt it

649

00:29:39,140 --> 00:29:36,480

all over my whole body can Robert if the

650

00:29:41,900 --> 00:29:39,150

guy in Holland feels it constantly at

651
00:29:44,420 --> 00:29:41,910
these circles I mean all around to the

652
00:29:46,250 --> 00:29:44,430
point where he's often almost going to

653
00:29:49,520 --> 00:29:46,260
lose consciousness or in fact has in a

654
00:29:51,650 --> 00:29:49,530
couple cases while interesting Nancy

655
00:29:53,480 --> 00:29:51,660
we're going to take our first break and

656
00:29:55,160 --> 00:29:53,490
we'll be right back with more questions

657
00:29:56,140 --> 00:29:55,170
for you hang in there everybody we're

658
00:29:58,570 --> 00:29:56,150
listing to

659
00:30:00,700 --> 00:29:58,580
nc talabot talk about crop circles it's

660
00:30:02,080 --> 00:30:00,710
a question and answer session here on

661
00:30:29,790 --> 00:30:02,090
the inception radio network we'll be

662
00:30:35,380 --> 00:30:32,590
hello inception radio network listeners

663
00:30:37,210 --> 00:30:35,390

this is Amanda remember you can take

664

00:30:39,340 --> 00:30:37,220

your inception radio shows on the go

665

00:30:42,190 --> 00:30:39,350

just download the inception radio

666

00:30:44,770 --> 00:30:42,200

network app for your iPhone iPad or

667

00:30:47,290 --> 00:30:44,780

Android smartphones and access live

668

00:30:49,810 --> 00:30:47,300

shows past shows guest lineups and much

669

00:30:51,580 --> 00:30:49,820

more just visit the itunes store or the

670

00:30:58,600 --> 00:30:51,590

google play marketplace and download it

671

00:31:01,090 --> 00:30:58,610

today for free hello everyone lorien

672

00:31:04,360 --> 00:31:01,100

fenton here hosted the California MUFON

673

00:31:06,790 --> 00:31:04,370

radio show asking if you'd like special

674

00:31:10,330 --> 00:31:06,800

access to exclusive and amazing

675

00:31:13,480 --> 00:31:10,340

information about UFOs the paranormal

676
00:31:16,600 --> 00:31:13,490
and all things unexplained if you're

677
00:31:19,450 --> 00:31:16,610
nodding yes then join I rn's insider

678
00:31:21,640 --> 00:31:19,460
club as an insider club member you'll

679
00:31:24,520 --> 00:31:21,650
get an all-access pass to premier

680
00:31:26,680 --> 00:31:24,530
inception radio network content for only

681
00:31:29,950 --> 00:31:26,690
four dollars and ninety-nine cents a

682
00:31:32,470 --> 00:31:29,960
month this includes live UFO and

683
00:31:36,310 --> 00:31:32,480
paranormal conferences live streaming

684
00:31:39,230 --> 00:31:36,320
UFO sky watches exclusive irn radio and

685
00:31:42,260 --> 00:31:39,240
TV productions and of course pay

686
00:31:44,690 --> 00:31:42,270
Radio with MJ and Ken starch so don't

687
00:31:48,500 --> 00:31:44,700
wait any longer visit inception radio

688
00:31:51,470 --> 00:31:48,510

network com and click on member login to

689

00:31:56,510 --> 00:31:51,480

join our ends insider club and get your

690

00:31:59,540 --> 00:31:56,520

VIP access today howdy this Joe Mars I'm

691

00:32:03,620 --> 00:31:59,550

inviting you to tune in to epic voyages

692

00:32:06,260 --> 00:32:03,630

8 p.m. central 9 p.m. eastern monday

693

00:32:09,110 --> 00:32:06,270

nights right here on inception radio

694

00:32:12,049 --> 00:32:09,120

network to find out more about epic and

695

00:32:19,540 --> 00:32:12,059

how you can become a member visit epic

696

00:32:26,740 --> 00:32:19,550

voyageurs com that's epi see voi a ger

697

00:32:30,910 --> 00:32:28,960

people the way things are going we need

698

00:32:33,430 --> 00:32:30,920

a simple efficient way to keep track of

699

00:32:36,040 --> 00:32:33,440

our personal income and expenses make

700

00:32:37,600 --> 00:32:36,050

the discovery my home accounting is your

701

00:32:40,870 --> 00:32:37,610

easy to use and learn bookkeeping

702

00:32:43,260 --> 00:32:40,880

program it works with windows XP windows

703

00:32:45,880 --> 00:32:43,270

7 or 8 on your desktop or laptop

704

00:32:50,950 --> 00:32:45,890

download your no risk trial copy today

705

00:32:53,140 --> 00:32:50,960

from our website at WWE compton CA and

706

00:32:55,630 --> 00:32:53,150

remember one hundred percent of all

707

00:32:57,580 --> 00:32:55,640

sales revenue goes to the canadian

708

00:33:00,720 --> 00:32:57,590

national institute for the blind a

709

00:33:18,959 --> 00:33:00,730

registered charity again our website is

710

00:33:24,549 --> 00:33:21,449

equity for module to the damage

711

00:33:35,289 --> 00:33:24,559

opportunities down any komatsu inception

712

00:33:38,139 --> 00:33:35,299

radio network you're locked into

713

00:33:40,869 --> 00:33:38,149

inception radio network superior

714

00:33:42,549 --> 00:33:40,879

Wisconsin welcome back to paying radio

715

00:33:44,019 --> 00:33:42,559

tonight we have on Nancy Talbot and

716

00:33:45,969 --> 00:33:44,029

we're doing a question and answer

717

00:33:48,430 --> 00:33:45,979

session on crop circles this is our

718

00:33:50,589 --> 00:33:48,440

third edition will say part 3 of crop

719

00:33:53,139 --> 00:33:50,599

circles with Nancy can't add a question

720

00:33:56,229 --> 00:33:53,149

to start off this second half of our

721

00:33:59,859 --> 00:33:56,239

show go ahead ken yeah Nancy I want to

722

00:34:02,949 --> 00:33:59,869

know what what do the farmers think that

723

00:34:06,219 --> 00:34:02,959

these occur a wide range of farmer

724

00:34:08,470 --> 00:34:06,229

responses depending on who you talk to

725

00:34:11,169 --> 00:34:08,480

and in the US whether it's north or

726

00:34:13,690 --> 00:34:11,179

south of the mason-dixon line hello the

727

00:34:17,409 --> 00:34:13,700

west coast or wherever and in Europe

728

00:34:20,259 --> 00:34:17,419

it's it's let me see okay start in

729

00:34:21,849 --> 00:34:20,269

England where the property laws are

730

00:34:25,559 --> 00:34:21,859

quite different from here in the states

731

00:34:28,809 --> 00:34:25,569

there are public pathways across

732

00:34:31,450 --> 00:34:28,819

everybody's land in in the farm lands in

733

00:34:33,819 --> 00:34:31,460

England these are his start pathways

734

00:34:36,690 --> 00:34:33,829

roaming byways and things that the

735

00:34:39,549 --> 00:34:36,700

English have maintained as public

736

00:34:42,549 --> 00:34:39,559

thoroughfares and people ride and walk

737

00:34:44,379 --> 00:34:42,559

across various people's farms and

738

00:34:47,470 --> 00:34:44,389

properties it's you know simply what

739

00:34:50,109 --> 00:34:47,480

everybody does and so when the circle

740

00:34:53,230 --> 00:34:50,119

started in this area of southern England

741

00:34:56,740 --> 00:34:53,240

where this is all true having visitors

742

00:34:59,349 --> 00:34:56,750

come and walk onto these farms and along

743

00:35:01,180 --> 00:34:59,359

these pathways what it was was not a big

744

00:35:04,569 --> 00:35:01,190

deal here in the station they shoot ship

745

00:35:07,720 --> 00:35:04,579

you walk on their farm but that was not

746

00:35:11,349 --> 00:35:07,730

the case there and so for many many

747

00:35:13,599 --> 00:35:11,359

years the farmers were what Yui here in

748

00:35:17,410 --> 00:35:13,609

the states would think of as incredibly

749

00:35:18,819 --> 00:35:17,420

tolerant of these increasing numbers to

750

00:35:21,339 --> 00:35:18,829

the point where it got to be hundreds

751
00:35:23,319 --> 00:35:21,349
and then thousands of people chomping

752
00:35:25,980 --> 00:35:23,329
across all these public pathways in on

753
00:35:31,780 --> 00:35:29,320
because nobody in England dealt with

754
00:35:34,300 --> 00:35:31,790
this problem when I first went over

755
00:35:36,700 --> 00:35:34,310
there in the early 90s it was my first

756
00:35:38,890 --> 00:35:36,710
thing I thought oh my god somebody's got

757
00:35:40,540 --> 00:35:38,900
to organize the farmers here get

758
00:35:41,830 --> 00:35:40,550
something worked out that meets

759
00:35:44,890 --> 00:35:41,840
everybody's you know I was thinking

760
00:35:46,930 --> 00:35:44,900
collecting funds and sharing sharing it

761
00:35:48,220 --> 00:35:46,940
or giving it to the farmers because I

762
00:35:51,250 --> 00:35:48,230
think it wouldn't be too long before

763
00:35:53,860 --> 00:35:51,260

they were going to deny access but

764

00:35:55,900 --> 00:35:53,870

nobody did that and for a long time the

765

00:36:00,100 --> 00:35:55,910

farmers most of them went along with it

766

00:36:03,100 --> 00:36:00,110

oh that is apparently now changing the

767

00:36:06,760 --> 00:36:03,110

generation of men who were running the

768

00:36:09,640 --> 00:36:06,770

farms 20 25 years ago changes their sons

769

00:36:12,250 --> 00:36:09,650

now and the Sun seemed to have

770

00:36:13,990 --> 00:36:12,260

considerably less tolerance for the

771

00:36:16,180 --> 00:36:14,000

disruption of their lives and their

772

00:36:18,820 --> 00:36:16,190

farms and are threatening now actually

773

00:36:21,130 --> 00:36:18,830

this coming year to cut out every single

774

00:36:22,720 --> 00:36:21,140

circle as soon as it appears some of

775

00:36:24,430 --> 00:36:22,730

them have already begun to do this

776

00:36:27,370 --> 00:36:24,440

cutting out circles as soon as they

777

00:36:29,590 --> 00:36:27,380

appear they're threatening now this

778

00:36:32,080 --> 00:36:29,600

Farmers Union down there in the southern

779

00:36:35,020 --> 00:36:32,090

part to do it with every circle whether

780

00:36:37,840 --> 00:36:35,030

they'll do it or not I don't know now in

781

00:36:39,640 --> 00:36:37,850

the mirrors that I work most in England

782

00:36:41,980 --> 00:36:39,650

was there myself doing a lot of the work

783

00:36:44,860 --> 00:36:41,990

I talked of course to all the farmers to

784

00:36:46,240 --> 00:36:44,870

get permission and asked many of them

785

00:36:49,300 --> 00:36:46,250

about their opinions you know what did

786

00:36:52,200 --> 00:36:49,310

they think was going on the majority of

787

00:36:55,330 --> 00:36:52,210

the people the farmers that I spoke with

788

00:36:57,790 --> 00:36:55,340

absolutely understood that this was not

789

00:37:01,150 --> 00:36:57,800

people with planks and boards they knew

790

00:37:03,490 --> 00:37:01,160

something else was going on Polly Carson

791

00:37:06,060 --> 00:37:03,500

whom I'm still in touch with was at that

792

00:37:11,920 --> 00:37:06,070

time married to I thing with Tim Carson

793

00:37:13,780 --> 00:37:11,930

who ran the big farm in all mines where

794

00:37:16,630 --> 00:37:13,790

all the great big early formations

795

00:37:20,500 --> 00:37:16,640

occurred and polly was right there and

796

00:37:24,550 --> 00:37:20,510

saw many things happen but most of these

797

00:37:25,840 --> 00:37:24,560

farmers knew that it wasn't people with

798

00:37:27,460 --> 00:37:25,850

planks and boards they didn't know what

799

00:37:30,850 --> 00:37:27,470

it was but they knew it was something

800

00:37:33,040 --> 00:37:30,860

anomalous some of the farmers have never

801
00:37:34,750 --> 00:37:33,050
thought that they've always thought you

802
00:37:36,850 --> 00:37:34,760
know the dougie day story was the

803
00:37:37,750 --> 00:37:36,860
explanation but I would say the majority

804
00:37:40,480 --> 00:37:37,760
of the

805
00:37:42,400 --> 00:37:40,490
British farmers impacted by this the

806
00:37:45,550 --> 00:37:42,410
ones who actually had them appear on

807
00:37:47,950 --> 00:37:45,560
their lands did not think that and many

808
00:37:50,250 --> 00:37:47,960
of them have witnessed some of the light

809
00:37:52,810 --> 00:37:50,260
phenomena and other stuff that goes on

810
00:37:55,810 --> 00:37:52,820
you know for themselves so they know

811
00:37:57,790 --> 00:37:55,820
people aren't lying about that in other

812
00:38:02,500 --> 00:37:57,800
parts of the world it really depends

813
00:38:05,160 --> 00:38:02,510

Holland is the next place is having the

814

00:38:08,890 --> 00:38:05,170

most circles now of any other place and

815

00:38:11,530 --> 00:38:08,900

thank God we had the we had this example

816

00:38:14,110 --> 00:38:11,540

of what had happened in hot in England

817

00:38:16,510 --> 00:38:14,120

you know nobody organized the farmers

818

00:38:18,670 --> 00:38:16,520

nobody even talked to them nobody tried

819

00:38:21,790 --> 00:38:18,680

to set up anything where they could

820

00:38:25,030 --> 00:38:21,800

benefit from all of the tourism but

821

00:38:27,310 --> 00:38:25,040

because of that example we knew that if

822

00:38:29,110 --> 00:38:27,320

in fact we talked to the farmers in

823

00:38:31,960 --> 00:38:29,120

Holland who are starting to have them

824

00:38:35,020 --> 00:38:31,970

happen all over the place there and if

825

00:38:38,470 --> 00:38:35,030

we explained about if you know a pathway

826

00:38:42,010 --> 00:38:38,480

in and you put tape around the pathway

827

00:38:44,110 --> 00:38:42,020

and around the formation the public then

828

00:38:45,670 --> 00:38:44,120

knows where to walk they won't walk

829

00:38:48,100 --> 00:38:45,680

across the rest of you because they're

830

00:38:51,840 --> 00:38:48,110

lazy they're going to go where it mode 3

831

00:38:55,330 --> 00:38:51,850

and that means you use much less crop

832

00:38:57,820 --> 00:38:55,340

furthermore if you put an honesty box in

833

00:39:00,850 --> 00:38:57,830

other words something really strong iron

834

00:39:03,250 --> 00:39:00,860

metal driven into the ground so the damn

835

00:39:04,870 --> 00:39:03,260

thieves can't steal you know you put

836

00:39:08,320 --> 00:39:04,880

tell me where people can put money right

837

00:39:11,140 --> 00:39:08,330

donation oh yeah this then gets it

838

00:39:13,690 --> 00:39:11,150

usually makes and for one of the farmers

839

00:39:15,610 --> 00:39:13,700

last year we're having stunning

840

00:39:18,340 --> 00:39:15,620

formations occur in Holland all the time

841

00:39:22,290 --> 00:39:18,350

now and last year there was a fabulous

842

00:39:24,550 --> 00:39:22,300

won a couple fabulous ones in maize and

843

00:39:27,970 --> 00:39:24,560

happened to be on a farmer who was

844

00:39:30,130 --> 00:39:27,980

opened all this and he just like the guy

845

00:39:32,560 --> 00:39:30,140

at Stonehenge when that Julius had

846

00:39:33,700 --> 00:39:32,570

occurred one where the plane went over

847

00:39:36,460 --> 00:39:33,710

and the wasn't there and then it was

848

00:39:39,040 --> 00:39:36,470

that guy made enough money that year to

849

00:39:41,890 --> 00:39:39,050

take his family to Switzerland or some

850

00:39:44,500 --> 00:39:41,900

place for a vacation and for him he's a

851

00:39:46,840 --> 00:39:44,510

guy in Holland last year also made

852

00:39:49,360 --> 00:39:46,850

because we've already started that in

853

00:39:51,640 --> 00:39:49,370

home we were saying constantly to the

854

00:39:53,680 --> 00:39:51,650

farmers as the circle start

855

00:39:56,740 --> 00:39:53,690

to appear on a number of different farms

856

00:39:58,450 --> 00:39:56,750

and learn more of the farmers not all of

857

00:40:00,370 --> 00:39:58,460

them there's always some that won't do

858

00:40:02,500 --> 00:40:00,380

it and we refuse of you know paying

859

00:40:04,930 --> 00:40:02,510

attention but they're quite a few in

860

00:40:08,110 --> 00:40:04,940

Holland who are allowing people on

861

00:40:11,290 --> 00:40:08,120

putting the honesty boxes up and getting

862

00:40:14,820 --> 00:40:11,300

enough money in these boxes to cover

863

00:40:18,310 --> 00:40:14,830

recover any losses so that's terrific

864

00:40:21,580 --> 00:40:18,320

however there are farmers that just not

865

00:40:24,460 --> 00:40:21,590

interested or or worse a lot of more

866

00:40:27,490 --> 00:40:24,470

scared here in the United States I've

867

00:40:30,330 --> 00:40:27,500

actually had the experience in the 2000s

868

00:40:34,210 --> 00:40:30,340

I mean the year the years 2000 of

869

00:40:35,740 --> 00:40:34,220

talking to a few farmers in the southern

870

00:40:38,980 --> 00:40:35,750

part of the United southeastern part of

871

00:40:42,040 --> 00:40:38,990

the United States who actually have

872

00:40:45,520 --> 00:40:42,050

perceived the formations as representing

873

00:40:48,940 --> 00:40:45,530

the devil and not only would not allow

874

00:40:51,940 --> 00:40:48,950

sampling or any people on wouldn't allow

875

00:40:53,820 --> 00:40:51,950

sampling or anything and only insisting

876
00:40:56,620 --> 00:40:53,830
they knew they cut them out immediately

877
00:41:00,070 --> 00:40:56,630
so you have that sort of an extreme

878
00:41:03,010 --> 00:41:00,080
response here in the states to farmers

879
00:41:04,810 --> 00:41:03,020
that are entirely are curious and

880
00:41:07,900 --> 00:41:04,820
interested you know in the whole thing

881
00:41:12,340 --> 00:41:07,910
wanting to know more it runs quite

882
00:41:15,520 --> 00:41:12,350
gannett and probably represents I think

883
00:41:17,490 --> 00:41:15,530
the religious affiliations that people

884
00:41:20,740 --> 00:41:17,500
have the amount of education they have

885
00:41:24,280 --> 00:41:20,750
you know and just plain basic curiosity

886
00:41:27,160 --> 00:41:24,290
I guess hey Nancy you know it leads me

887
00:41:29,920 --> 00:41:27,170
to another question and that is and I'm

888
00:41:31,630 --> 00:41:29,930

just throwing this out there from a law

889

00:41:36,510 --> 00:41:31,640

enforcement perspective that's my

890

00:41:40,690 --> 00:41:36,520

background but if if farmers were

891

00:41:42,490 --> 00:41:40,700

occurring or incurring crop destruction

892

00:41:44,440 --> 00:41:42,500

I mean that would I mean from

893

00:41:46,090 --> 00:41:44,450

trespassers that I'd where I'm going

894

00:41:49,110 --> 00:41:46,100

with this is that if it was Doug and

895

00:41:51,730 --> 00:41:49,120

Dave and in Steven Allen and Marianne

896

00:41:54,280 --> 00:41:51,740

Sylvia going out there with boards and a

897

00:41:56,980 --> 00:41:54,290

string not only are they trust passing

898

00:41:59,920 --> 00:41:56,990

but they are also costing these farmers

899

00:42:03,100 --> 00:41:59,930

money it in a destruction of crop so I

900

00:42:04,780 --> 00:42:03,110

you know if that were the case I'm

901
00:42:05,470 --> 00:42:04,790
surprised or haven't been a few of them

902
00:42:10,420 --> 00:42:05,480
put in the hand

903
00:42:12,310 --> 00:42:10,430
cuffs well in England where up until

904
00:42:15,070 --> 00:42:12,320
fairly recently you know that for the

905
00:42:16,510 --> 00:42:15,080
majority of them occurred I mean they do

906
00:42:19,210 --> 00:42:16,520
occur all over the world but the

907
00:42:21,460 --> 00:42:19,220
majority for years was in southern and

908
00:42:24,700 --> 00:42:21,470
the people there a little bit more laid

909
00:42:29,560 --> 00:42:24,710
back about some things and we are but

910
00:42:33,160 --> 00:42:29,570
there has been one guy the awful man an

911
00:42:36,010 --> 00:42:33,170
awful person who was arrested and had a

912
00:42:38,470 --> 00:42:36,020
Donna Lee went to jail had to pay a fine

913
00:42:41,609 --> 00:42:38,480

because he was convicted you know of

914

00:42:45,609 --> 00:42:41,619

just that of trespassing and then life

915

00:42:48,040 --> 00:42:45,619

which in fact it is when humans do it

916

00:42:49,750 --> 00:42:48,050

because the farmers making his living

917

00:42:52,420 --> 00:42:49,760

from that crop and if you destroy you

918

00:42:54,580 --> 00:42:52,430

make it um unable to make his living

919

00:42:57,310 --> 00:42:54,590

that's why the honesty boxes you see

920

00:43:01,060 --> 00:42:57,320

it's showing respect for the farmers

921

00:43:04,300 --> 00:43:01,070

lightning how he makes his living and if

922

00:43:08,080 --> 00:43:04,310

the visitors want to share in the thing

923

00:43:09,700 --> 00:43:08,090

then they owe the farmer something for

924

00:43:11,650 --> 00:43:09,710

the privilege of being able to do it and

925

00:43:13,930 --> 00:43:11,660

when you can set a system like that up

926
00:43:17,620 --> 00:43:13,940
in advance which is what we have been

927
00:43:19,330 --> 00:43:17,630
able to do so far in Holland then the

928
00:43:21,970 --> 00:43:19,340
word spreads you know the first farmer

929
00:43:24,280 --> 00:43:21,980
it makes 500 euros more than he would

930
00:43:26,620 --> 00:43:24,290
have if he sold the crop right you know

931
00:43:28,750 --> 00:43:26,630
he's telling his farmer friends right

932
00:43:30,460 --> 00:43:28,760
you know if you get a crop circle for

933
00:43:32,770 --> 00:43:30,470
god damn sake put up an honesty box

934
00:43:34,690 --> 00:43:32,780
right right yeah I would think that

935
00:43:37,359 --> 00:43:34,700
would be the way to go and I think that

936
00:43:39,220 --> 00:43:37,369
also builds rapport between the one

937
00:43:41,740 --> 00:43:39,230
other problem though as you mentioned

938
00:43:43,359 --> 00:43:41,750

from the law enforcement of point of

939

00:43:46,810 --> 00:43:43,369

view here again in the US because we're

940

00:43:49,420 --> 00:43:46,820

so leticia pneus I would think each

941

00:43:51,520 --> 00:43:49,430

farmer here would put up a post a sign

942

00:43:55,390 --> 00:43:51,530

making it absolutely clear that they

943

00:43:57,520 --> 00:43:55,400

take no responsibility for any injuries

944

00:44:00,880 --> 00:43:57,530

I used to run big outdoor festivals and

945

00:44:03,400 --> 00:44:00,890

we spent the last couple days before the

946

00:44:06,580 --> 00:44:03,410

shows would open you know filling in

947

00:44:08,500 --> 00:44:06,590

gopher holes for exactly this reason I

948

00:44:10,420 --> 00:44:08,510

rented huge fields and things and we'd

949

00:44:13,900 --> 00:44:10,430

have to fill in every single gopher hole

950

00:44:16,960 --> 00:44:13,910

because if one of your regular stepped

951
00:44:18,970 --> 00:44:16,970
in one breaks a leg and that's so I'm

952
00:44:21,310 --> 00:44:18,980
thinking here in the States anyhow

953
00:44:23,230 --> 00:44:21,320
posting a very clear posting that the

954
00:44:25,930 --> 00:44:23,240
farmer is allowing people if they wish

955
00:44:27,670 --> 00:44:25,940
to visit the crop circle that takes no

956
00:44:30,130 --> 00:44:27,680
responsibility whatsoever so his

957
00:44:32,500 --> 00:44:30,140
insurance rates or whatever it is you

958
00:44:34,090 --> 00:44:32,510
have to pay aren't affected by the

959
00:44:36,520 --> 00:44:34,100
appearance of the circle and people

960
00:44:39,250 --> 00:44:36,530
coming on the land that's good point mmm

961
00:44:42,280 --> 00:44:39,260
interesting yeah and if I were a farmer

962
00:44:44,290 --> 00:44:42,290
I would be thinking about how to listen

963
00:44:46,450 --> 00:44:44,300

to the rest of this interview please go

964

00:44:49,000 --> 00:44:46,460

to inception radio network com and

965

00:44:51,190 --> 00:44:49,010

register for the insider's club what is

966

00:44:52,930 --> 00:44:51,200

the insider's club the insider's club is

967

00:44:55,450 --> 00:44:52,940

our premium content what you've just

968

00:44:59,410 --> 00:44:55,460

listened to now what you just listen to

969

00:45:01,330 --> 00:44:59,420

is a preview of that premium content the

970

00:45:04,450 --> 00:45:01,340

insider's club is how we pay the bills

971

00:45:07,570 --> 00:45:04,460

that's how you support higher and you

972

00:45:09,970 --> 00:45:07,580

joined forces with irn to get the truth

973

00:45:11,890 --> 00:45:09,980

out there now a lot of our content is

974

00:45:16,150 --> 00:45:11,900

free i mean most of our content industry

975

00:45:18,280 --> 00:45:16,160

all of our lives shows are free if you

976

00:45:20,890 --> 00:45:18,290

go to our archives the vast majority of

977

00:45:23,800 --> 00:45:20,900

our archives are for free but to pay the

978

00:45:27,790 --> 00:45:23,810

bills to help make sure this network

979

00:45:30,220 --> 00:45:27,800

stays alive stays viable we offer those

980

00:45:33,000 --> 00:45:30,230

who really love our radio station or

981

00:45:36,520 --> 00:45:33,010

network and our shows an ability to

982

00:45:39,730 --> 00:45:36,530

support our network and become a part of

983

00:45:41,830 --> 00:45:39,740

Eire n actually joined forces and

984

00:45:43,330 --> 00:45:41,840

helping us get the truth out there now

985

00:45:46,810 --> 00:45:43,340

how do you do this again you go to

986

00:45:49,270 --> 00:45:46,820

inception radio network com and you

987

00:45:51,910 --> 00:45:49,280

subscribe for the insider's club and you

988

00:45:54,220 --> 00:45:51,920

would you'll have access to all of our

989

00:45:56,020 --> 00:45:54,230

archives including this show the rest of

990

00:45:58,150 --> 00:45:56,030

the show a faster way of getting there

991

00:46:00,640 --> 00:45:58,160

go to the description below this video

992

00:46:03,190 --> 00:46:00,650

and click on the link and like I said

993

00:46:05,530 --> 00:46:03,200

you'll be joining forces with irn you'll

994

00:46:07,840 --> 00:46:05,540

have availability of all of our content

995

00:46:16,960 --> 00:46:07,850

and we really appreciate your support

996

00:46:22,790 --> 00:46:20,360

hello everyone Laurieann fenton here

997

00:46:26,060 --> 00:46:22,800

hosted the California MUFON radio show

998

00:46:29,180 --> 00:46:26,070

asking if you'd like special access to

999

00:46:32,480 --> 00:46:29,190

exclusive and amazing information about

1000

00:46:35,750 --> 00:46:32,490

UFOs the paranormal and all things

1001
00:46:39,380 --> 00:46:35,760
unexplained if you're nodding yes then

1002
00:46:41,180 --> 00:46:39,390
join I rn's insider club as an insider

1003
00:46:44,150 --> 00:46:41,190
club member you'll get an all-access

00:47:11,570 --> 00:47:08,460
radio network com and click on member

1013
00:47:17,060 --> 00:47:11,580

login to join I rn's insider club and

1014

00:47:18,950 --> 00:47:17,070

get your VIP access today to listen to

1015

00:47:21,830 --> 00:47:18,960

the rest of this interview please go to

1016

00:47:23,750 --> 00:47:21,840

inception radio network com and register

1017

00:47:25,910 --> 00:47:23,760

for the insider's club what is the

1018

00:47:27,530 --> 00:47:25,920

insider's club the insider's club is our

1019

00:47:30,050 --> 00:47:27,540

premium content what you've just

1020

00:47:34,010 --> 00:47:30,060

listened to now what you just listen to

1021

00:47:35,900 --> 00:47:34,020

is a preview of that premium content the

1022

00:47:39,020 --> 00:47:35,910

insider's club is how we pay the bills

1023

00:47:42,170 --> 00:47:39,030

that's how you support ire and you

1024

00:47:44,570 --> 00:47:42,180

joined forces with irn to get the truth

1025

00:47:46,640 --> 00:47:44,580

out there now a lot of our content is

1026
00:47:50,750 --> 00:47:46,650
free i mean most of our content is free

1027
00:47:52,880 --> 00:47:50,760
all of our lives shows are free if you

1028
00:47:55,460 --> 00:47:52,890
go to our archives the vast majority of

1029
00:47:58,370 --> 00:47:55,470
our archives are for free but to pay the

1030
00:48:02,390 --> 00:47:58,380
bills to help make sure this network

1031
00:48:04,820 --> 00:48:02,400
stays alive stays viable we offer those

1032
00:48:07,730 --> 00:48:04,830
who really love our radio station or

1033
00:48:11,120 --> 00:48:07,740
network and our shows an ability to

1034
00:48:14,330 --> 00:48:11,130
support our network and become a part of

1035
00:48:16,430 --> 00:48:14,340
Eire n actually joined forces and

1036
00:48:17,930 --> 00:48:16,440
helping us get the truth out there now

1037
00:48:20,220 --> 00:48:17,940
how do you do this again you go to

1038
00:48:23,220 --> 00:48:20,230

inception radio network

1039

00:48:25,500 --> 00:48:23,230

calm and you subscribe for the insider's

1040

00:48:28,140 --> 00:48:25,510

club and you will you'll have access to

1041

00:48:30,120 --> 00:48:28,150

all of our archives including the show

1042

00:48:31,650 --> 00:48:30,130

the rest of the show a faster way of

1043

00:48:34,109 --> 00:48:31,660

getting there go to the description

1044

00:48:36,570 --> 00:48:34,119

below this video and click on the link

1045

00:48:39,240 --> 00:48:36,580

and like I said you'll be joining forces

1046

00:48:42,120 --> 00:48:39,250

with irn you'll have availability of all

1047

00:48:53,160 --> 00:48:42,130

of our content and we really appreciate

1048

00:48:55,590 --> 00:48:53,170

your support thank you hello everyone

1049

00:48:58,500 --> 00:48:55,600

Lori and Fenton here hosted the

1050

00:49:00,960 --> 00:48:58,510

California MUFON radio show asking if

1051
00:49:05,070 --> 00:49:00,970
you'd like special access to exclusive

1052
00:49:08,370 --> 00:49:05,080
and amazing information about UFOs the

1053
00:49:11,400 --> 00:49:08,380
paranormal and all things unexplained if

1054
00:49:14,730 --> 00:49:11,410
you're nodding yes then join I rn's

1055
00:49:17,220 --> 00:49:14,740
insider club as an insider club member

1056
00:49:20,099 --> 00:49:17,230
you'll get an all-access pass to premier

1057
00:49:22,260 --> 00:49:20,109
inception radio network content for only

1058
00:49:25,530 --> 00:49:22,270
four dollars and ninety-nine cents a

1059
00:49:28,050 --> 00:49:25,540
month this includes live UFO and

1060
00:49:31,890 --> 00:49:28,060
paranormal conferences live streaming

1061
00:49:34,590 --> 00:49:31,900
UFO sky watches exclusive irn radio and

1062
00:49:37,830 --> 00:49:34,600
TV productions and of course paying

1063
00:49:40,230 --> 00:49:37,840

radio with MJ and Ken Storch so don't

1064

00:49:43,290 --> 00:49:40,240

wait any longer visit inception radio

1065

00:49:47,040 --> 00:49:43,300

network calm and click on member login

1066

00:49:51,930 --> 00:49:47,050

to join I rn's insider club and get your

1067

00:49:54,000 --> 00:49:51,940

VIP access today to listen to the rest

1068

00:49:56,790 --> 00:49:54,010

of this interview please go to inception

1069

00:49:58,800 --> 00:49:56,800

radio network calm and register for the

1070

00:50:00,900 --> 00:49:58,810

insider's club what is the insider's

1071

00:50:03,450 --> 00:50:00,910

club the insider's club is our premium

1072

00:50:06,210 --> 00:50:03,460

content what you've just listened to now

1073

00:50:06,840 --> 00:50:06,220

what you just listen to is a preview of

1074

00:50:09,390 --> 00:50:06,850

that

1075

00:50:11,580 --> 00:50:09,400

premium content the insider's club is

1076

00:50:14,880 --> 00:50:11,590

how we pay the bills that's how you

1077

00:50:18,180 --> 00:50:14,890

support ire and you joined forces with

1078

00:50:20,340 --> 00:50:18,190

irn to get the truth out there now a lot

1079

00:50:22,140 --> 00:50:20,350

of our content is free i mean most of

1080

00:50:26,220 --> 00:50:22,150

our content is free all of our live

1081

00:50:28,410 --> 00:50:26,230

shows are free if you go to our archives

1082

00:50:30,870 --> 00:50:28,420

the vast majority of our archives are

1083

00:50:34,410 --> 00:50:30,880

for free but to pay the bills to help

1084

00:50:38,070 --> 00:50:34,420

make sure this network stays alive stays

1085

00:50:40,410 --> 00:50:38,080

viable we offer those who really love

1086

00:50:44,190 --> 00:50:40,420

our radio station or network and our

1087

00:50:47,490 --> 00:50:44,200

shows an ability to support our network

1088

00:50:50,130 --> 00:50:47,500

and become a part of Eire n actually

1089

00:50:51,660 --> 00:50:50,140

joined forces and helping us get the

1090

00:50:54,450 --> 00:50:51,670

truth out there now how do you do this

1091

00:50:57,840 --> 00:50:54,460

again you go to inception radio network

1092

00:50:59,940 --> 00:50:57,850

com and you subscribe for the insider's

1093

00:51:02,730 --> 00:50:59,950

club and you will you'll have access to

1094

00:51:04,710 --> 00:51:02,740

all of our archives including this show

1095

00:51:06,240 --> 00:51:04,720

the rest of the show a faster way of

1096

00:51:08,700 --> 00:51:06,250

getting there go to the description

1097

00:51:11,160 --> 00:51:08,710

below this video and click on the link

1098

00:51:13,800 --> 00:51:11,170

and like I said you'll be joining forces

1099

00:51:16,170 --> 00:51:13,810

with irn you'll have availability of all

1100

00:51:27,740 --> 00:51:16,180

of our content and we really appreciate

1101
00:51:30,870 --> 00:51:27,750
your support thank you hello everyone

1102
00:51:33,810 --> 00:51:30,880
lorien fenton here hosted the california

1103
00:51:36,960 --> 00:51:33,820
MUFON radio show asking if you'd like

1104
00:51:40,500 --> 00:51:36,970
special access to exclusive and amazing

1105
00:51:43,620 --> 00:51:40,510
information about UFOs the paranormal

1106
00:51:46,770 --> 00:51:43,630
and all things unexplained if you're

1107
00:51:49,620 --> 00:51:46,780
nodding yes then join our ends insider

1108
00:51:51,810 --> 00:51:49,630
club as an insider club member you'll

1109
00:51:54,690 --> 00:51:51,820
get an all-access pass to premier

1110
00:51:56,850 --> 00:51:54,700
inception radio network content for only

1111
00:52:00,120 --> 00:51:56,860
four dollars and ninety-nine cents a

1112
00:52:02,640 --> 00:52:00,130
month this includes live UFO and

1113
00:52:04,630 --> 00:52:02,650

paranormal conferences live streaming

1114

00:52:06,670 --> 00:52:04,640

UFO sky watches

1115

00:52:09,759 --> 00:52:06,680

exclusive I are in radio and TV

1116

00:52:12,880 --> 00:52:09,769

productions and of course paying radio

1117

00:52:15,279 --> 00:52:12,890

with MJ and Ken starch so don't wait any

1118

00:52:19,120 --> 00:52:15,289

longer visit inception radio network

1119

00:52:22,120 --> 00:52:19,130

calm and click on member login to join I
