

# PANG Radio

Mike Lucas & Ken Storch

---

# Nancy Talbot 2.0

1  
00:00:04,070 --> 00:00:02,240  
hi everybody I'm bill burns yeah nancy

2  
00:00:06,559 --> 00:00:04,080  
burns hear a word from future theater

3  
00:00:12,160 --> 00:00:06,569  
and you know we like to listen to mmm

4  
00:00:15,200 --> 00:00:12,170  
radio on sunday nights at 9pm 9pm what

5  
00:00:18,080 --> 00:00:15,210  
o.o the best network on the whole entire

6  
00:00:20,660 --> 00:00:18,090  
internet inception radio network you're

7  
00:01:07,210 --> 00:00:20,670  
locked into inception radio network

8  
00:01:18,060 --> 00:01:11,020  
now get ready to have your radio go

9  
00:01:23,919 --> 00:01:20,740  
welcome to paying radio tonight is

10  
00:01:26,440 --> 00:01:23,929  
December 7 2014 a sunday night of course

11  
00:01:28,779 --> 00:01:26,450  
welcome to paying radio I'm here with my

12  
00:01:30,929 --> 00:01:28,789  
co-host mr. Ken Storch we are happy to

13  
00:01:34,510 --> 00:01:30,939

be back after a two-week hiatus oh

14

00:01:37,120 --> 00:01:34,520  
absolutely oh yeah oh yeah you know ken

15

00:01:38,859 --> 00:01:37,130  
got to travel little and I got to do we

16

00:01:41,469 --> 00:01:38,869  
all got to do the holidays thanksgiving

17

00:01:43,749 --> 00:01:41,479  
i hope everyone had some good turkey and

18

00:01:45,910 --> 00:01:43,759  
can we are not turkey people i made the

19

00:01:48,849 --> 00:01:45,920  
best ham with a whiskey glaze on it so

20

00:01:51,490 --> 00:01:48,859  
it was really good hey I'm you know what

21

00:01:55,089 --> 00:01:51,500  
there's very few things that I will not

22

00:01:56,350 --> 00:01:55,099  
eat and I'm omnivorous I'll need

23

00:02:00,309 --> 00:01:56,360  
anything and that sounds absolutely

24

00:02:03,130 --> 00:02:00,319  
delicious okay if you ever had a turkey

25

00:02:05,649 --> 00:02:03,140  
fried in peanut oil I have that is that

26  
00:02:06,969 --> 00:02:05,659  
is another good way to yeah I turned I

27  
00:02:09,369 --> 00:02:06,979  
like that you know it's not traditional

28  
00:02:11,550 --> 00:02:09,379  
in the sense that you know mom used to

29  
00:02:15,670 --> 00:02:11,560  
do but I'll tell you what it's not bad

30  
00:02:17,589 --> 00:02:15,680  
no it is not yeah we had a toda actually

31  
00:02:18,970 --> 00:02:17,599  
had a note at a barbecue in the summer

32  
00:02:20,949 --> 00:02:18,980  
one time at a friend's house but they

33  
00:02:23,140 --> 00:02:20,959  
pull up their little VAT poured in the

34  
00:02:24,640 --> 00:02:23,150  
peanut oil and that it was a lot better

35  
00:02:26,050 --> 00:02:24,650  
than I think thought it would be I would

36  
00:02:30,879 --> 00:02:26,060  
rather eat it that way and put in the

37  
00:02:33,250 --> 00:02:30,889  
oven yeah um you know I've had kahlua

38  
00:02:36,309 --> 00:02:33,260

turkey too and I'll tell you what that's

39

00:02:39,069 --> 00:02:36,319

that's a Hawaiian recipe it's not bad

40

00:02:41,650 --> 00:02:39,079

it's pretty damn good can you got it any

41

00:02:45,400 --> 00:02:41,660

shoutouts for anybody I do I would just

42

00:02:49,030 --> 00:02:45,410

one shout out to chance and Mindy and

43

00:02:51,159 --> 00:02:49,040

Larry and George and Doug and I think

44

00:02:53,349 --> 00:02:51,169

Marilyn and dicker listening and I think

45

00:02:55,839 --> 00:02:53,359

one is listening to I want to say hi and

46

00:02:58,000 --> 00:02:55,849

to some of the people up there in

47

00:02:59,500 --> 00:02:58,010

upstate New York there you go perfect

48

00:03:01,509 --> 00:02:59,510

i'd like to say it hello all our

49

00:03:03,009 --> 00:03:01,519

listeners all over the world la

50

00:03:05,349 --> 00:03:03,019

supporting paying radio and the

51  
00:03:07,539 --> 00:03:05,359  
inception radio network we definitely

52  
00:03:09,400 --> 00:03:07,549  
appreciate you all listening if it

53  
00:03:12,159 --> 00:03:09,410  
wasn't for you this network would not be

54  
00:03:15,849 --> 00:03:12,169  
here and we try to bring you the latest

55  
00:03:17,409 --> 00:03:15,859  
and latest news on guess or even crop

56  
00:03:20,259 --> 00:03:17,419  
circles Nancy's been researching for

57  
00:03:21,729 --> 00:03:20,269  
over 25 years so tonight tonight when we

58  
00:03:22,720 --> 00:03:21,739  
bring her on in about five minutes we're

59  
00:03:25,780 --> 00:03:22,730  
going to be covering the the

60  
00:03:28,600 --> 00:03:25,790  
metaphysical side of crop circles UFOs

61  
00:03:29,740 --> 00:03:28,610  
balls of light and even a Dutch man that

62  
00:03:31,300 --> 00:03:29,750  
can predict where they're going to next

63  
00:03:34,530 --> 00:03:31,310

one's going to be so that's

64

00:03:37,270 --> 00:03:34,540

I have some good questions for that I

65

00:03:40,300 --> 00:03:37,280

know I've got a lot of questions from

66

00:03:42,699 --> 00:03:40,310

the last show okay but it's absolutely

67

00:03:44,949 --> 00:03:42,709

you know what it's a fascinating subject

68

00:03:47,589 --> 00:03:44,959

I don't have an explanation for it so

69

00:03:49,780 --> 00:03:47,599

I'm I'm open to Nancy's interpretation

70

00:03:51,640 --> 00:03:49,790

of the evidence right right in the last

71

00:03:53,770 --> 00:03:51,650

actually excuse me two weeks ago she

72

00:03:55,630 --> 00:03:53,780

went over a lot of the scientific

73

00:03:59,170 --> 00:03:55,640

evidence you know the soil the the

74

00:04:01,839 --> 00:03:59,180

formation of you know the Formica and

75

00:04:03,309 --> 00:04:01,849

ball and beads and then the nodes are

76

00:04:05,800 --> 00:04:03,319

you know exploding I mean there's a lot

77

00:04:07,390 --> 00:04:05,810

of scientific evidence there but it be

78

00:04:10,330 --> 00:04:07,400

it's going to be really neat tonight to

79

00:04:12,630 --> 00:04:10,340

listen to the the metaphysical side and

80

00:04:15,340 --> 00:04:12,640

why that why the hell they're showing up

81

00:04:18,219 --> 00:04:15,350

yeah I would there's got to be a motive

82

00:04:19,930 --> 00:04:18,229

right oh yeah definitely and I see chats

83

00:04:22,060 --> 00:04:19,940

pretty slow tonight sunday night uh

84

00:04:23,770 --> 00:04:22,070

who's playing football tonight I wanted

85

00:04:27,690 --> 00:04:23,780

Tirzah cookie they're Patriots and the

86

00:04:31,360 --> 00:04:27,700

San Diego charge I i I'd rather be here

87

00:04:33,219 --> 00:04:31,370

and it will be a good game good game I

88

00:04:34,600 --> 00:04:33,229

usually after the after the show can i

89

00:04:37,390 --> 00:04:34,610

usually go turn it on if it's a close

90

00:04:39,010 --> 00:04:37,400

game alternate wash yeah you know I have

91

00:04:42,340 --> 00:04:39,020

to be honest with you I can't take a

92

00:04:45,420 --> 00:04:42,350

whole day of football right I there may

93

00:04:48,340 --> 00:04:45,430

be one or two games that I like to catch

94

00:04:50,170 --> 00:04:48,350

but I don't watch the entire game no no

95

00:04:52,360 --> 00:04:50,180

I have yet to see an entire bronco game

96

00:04:54,159 --> 00:04:52,370

and that's the truth i watch and i'm a

97

00:04:55,930 --> 00:04:54,169

bronco fan but i'll watch a whole packer

98

00:04:57,580 --> 00:04:55,940

game but if there's a secondary game on

99

00:04:59,950 --> 00:04:57,590

like today i was watching the vikings

100

00:05:01,480 --> 00:04:59,960

and spurts in the lions game and don't

101  
00:05:02,890 --> 00:05:01,490  
really i mean i'll have it on in the

102  
00:05:03,940 --> 00:05:02,900  
hall says I'm doing something I'll hear

103  
00:05:05,950 --> 00:05:03,950  
in the background

104  
00:05:08,050 --> 00:05:05,960  
now I can't sit well it's hard to me he

105  
00:05:09,670 --> 00:05:08,060  
said watch another team unless I really

106  
00:05:12,490 --> 00:05:09,680  
want them to lose in the pack it's to

107  
00:05:15,880 --> 00:05:12,500  
the packs advantage hey I understand

108  
00:05:18,850 --> 00:05:15,890  
that they restrict drones within three

109  
00:05:22,060 --> 00:05:18,860  
miles of any national football league

110  
00:05:26,770 --> 00:05:22,070  
stadium levels in play is that is that

111  
00:05:29,710 --> 00:05:26,780  
correct wow really yeah yeah you know

112  
00:05:32,380 --> 00:05:29,720  
very interesting yeah and I was just

113  
00:05:36,850 --> 00:05:32,390

reading an article about you know MJ

114

00:05:39,250 --> 00:05:36,860

about drones and artificial intelligence

115

00:05:41,530 --> 00:05:39,260

computers and you know I have said this

116

00:05:43,090 --> 00:05:41,540

for years that's like peanut butter and

117

00:05:47,010 --> 00:05:43,100

jelly pizza and beer there you go

118

00:05:49,570 --> 00:05:47,020

together mm-hmm in this case too well I

119

00:05:51,940 --> 00:05:49,580

think that's a very dangerous road to go

120

00:05:54,420 --> 00:05:51,950

down is turning over drone that's going

121

00:05:58,860 --> 00:05:54,430

to be controlled by its own brain

122

00:06:02,770 --> 00:05:58,870

supposedly you know yeah program with a

123

00:06:05,770 --> 00:06:02,780

kill switch built-in okay what could

124

00:06:07,330 --> 00:06:05,780

possibly go wrong with this idea yeah

125

00:06:09,250 --> 00:06:07,340

yeah that's just like the Terminator

126

00:06:10,960 --> 00:06:09,260

happening all over i mean it's it's like

127

00:06:13,180 --> 00:06:10,970

some of these movies are predicting some

128

00:06:16,540 --> 00:06:13,190

of our future here well i think you know

129

00:06:18,310 --> 00:06:16,550

i carry i've got several acres that i

130

00:06:20,680 --> 00:06:18,320

have here northeast oklahoma i live in

131

00:06:23,230 --> 00:06:20,690

real quiet part of it and i you know i

132

00:06:25,960 --> 00:06:23,240

started carrying a rifle with me on the

133

00:06:28,320 --> 00:06:25,970

four wheeler for the strict purpose of

134

00:06:34,630 --> 00:06:28,330

shooting a drone if it's on my property

135

00:06:36,370 --> 00:06:34,640

hmm ah cool hey dirt feet what is it

136

00:06:38,320 --> 00:06:36,380

Deerfield Colorado I think the mayor

137

00:06:39,760 --> 00:06:38,330

they pass an ordinance that they're

138

00:06:41,680 --> 00:06:39,770

gonna have a drone season if they see

139

00:06:45,190 --> 00:06:41,690

him in there they can shoot them that is

140

00:06:47,380 --> 00:06:45,200

awesome hey to you but if you're gonna

141

00:06:49,180 --> 00:06:47,390

fly them they become legitimate target

142

00:06:50,740 --> 00:06:49,190

right right i mean yet that that that

143

00:06:52,870 --> 00:06:50,750

that is correct i mean if it's on your

144

00:06:54,490 --> 00:06:52,880

own property i mean you know the if it's

145

00:06:55,960 --> 00:06:54,500

if it's a danger do you shoot it all the

146

00:06:58,000 --> 00:06:55,970

sky well that a you know what there's

147

00:07:00,850 --> 00:06:58,010

the key phrase right there MJ that you

148

00:07:02,680 --> 00:07:00,860

know it hey if it's capable of flying

149

00:07:04,510 --> 00:07:02,690

it's capable of being a weapon we've

150

00:07:06,190 --> 00:07:04,520

already proved that held the president

151

00:07:09,070 --> 00:07:06,200

nited states is killing people left and

152

00:07:11,320 --> 00:07:09,080

right with drones hmm the right right

153

00:07:13,780 --> 00:07:11,330

you know so why couldn't you have a

154

00:07:17,450 --> 00:07:13,790

smaller version of a you know predator

155

00:07:19,670 --> 00:07:17,460

type drone armed with a 22 rounds

156

00:07:21,140 --> 00:07:19,680

or you know some kind of shotgun round

157

00:07:23,689 --> 00:07:21,150

or something like that it could become

158

00:07:25,700 --> 00:07:23,699

they could become a very lethal weapon

159

00:07:27,129 --> 00:07:25,710

you gotta think too i mean you shoot

160

00:07:29,749 --> 00:07:27,139

wanted them down you you're getting

161

00:07:32,480 --> 00:07:29,759

possible government hardware to stop

162

00:07:35,689 --> 00:07:32,490

secret stuff i mean that's that's going

163

00:07:38,059 --> 00:07:35,699

to have some alphabet agencies at your

164

00:07:40,610 --> 00:07:38,069

house a pretty quick yeah that would

165

00:07:42,620 --> 00:07:40,620

have to private to do some singing and

166

00:07:44,839 --> 00:07:42,630

dancing around that one I'm sure oh yeah

167

00:07:46,520 --> 00:07:44,849

they probably be there well and hate and

168

00:07:48,680 --> 00:07:46,530

I'm one of those that think that you

169

00:07:52,939 --> 00:07:48,690

know I'm here we know that government

170

00:07:55,189 --> 00:07:52,949

agencies use them okay they're there the

171

00:07:57,860 --> 00:07:55,199

military is really into drones and the

172

00:08:01,850 --> 00:07:57,870

private sector is becoming I mean they

173

00:08:04,430 --> 00:08:01,860

offer some really advantages oh yeah you

174

00:08:06,589 --> 00:08:04,440

know airborne I in the sky yeah yeah

175

00:08:07,999 --> 00:08:06,599

we're being watched that's just what I

176

00:08:09,499 --> 00:08:08,009

tell people at the end of the show keep

177

00:08:12,589 --> 00:08:09,509

an eye to the sky because there's a lot

178

00:08:14,600 --> 00:08:12,599

going on not just flying saucers and et

179

00:08:16,640 --> 00:08:14,610

there's a whole lot more going on in the

180

00:08:18,350 --> 00:08:16,650

sky people should be looking upwards and

181

00:08:19,969 --> 00:08:18,360

not down at the ground so much there's a

182

00:08:23,210 --> 00:08:19,979

lot of eyes looking back at us that we

183

00:08:25,399 --> 00:08:23,220

don't know of yeah absolutely well let's

184

00:08:26,930 --> 00:08:25,409

bring it away yeah let's bring in Nancy

185

00:08:30,560 --> 00:08:26,940

here let's call her and bring her in

186

00:08:33,079 --> 00:08:30,570

live here we go skype has been updated

187

00:08:35,350 --> 00:08:33,089

tonight folks so uh I've got it under

188

00:08:40,159 --> 00:08:35,360

control but it looks a lot different

189

00:08:43,010 --> 00:08:40,169

it's not too hard to manage yeah that's

190

00:08:44,690 --> 00:08:43,020

what a pilot says yeah we're calling

191

00:08:47,300 --> 00:08:44,700

Nancy but I don't hear a ring tone so

192

00:08:50,870 --> 00:08:47,310

this could be hopefully this isn't a

193

00:08:53,900 --> 00:08:50,880

skype issue hello good evening Nancy

194

00:08:56,540 --> 00:08:53,910

welcome to paying radio again hello and

195

00:08:58,310 --> 00:08:56,550

how are you guys tonight we are doing

196

00:09:02,389 --> 00:08:58,320

excellent how are you over on the east

197

00:09:05,360 --> 00:09:02,399

coast there plow fine no snow not too

198

00:09:06,769 --> 00:09:05,370

cold you know life's good well we'll

199

00:09:09,759 --> 00:09:06,779

wait a couple of days we'll change that

200

00:09:14,480 --> 00:09:12,170

tonight we're going to talk about Robert

201  
00:09:17,720 --> 00:09:14,490  
right yeah let's let's get into it right

202  
00:09:20,660 --> 00:09:17,730  
now let's let's do it all right well

203  
00:09:24,110 --> 00:09:20,670  
I've got a program organized here that I

204  
00:09:26,960 --> 00:09:24,120  
think for help the first thing you need

205  
00:09:32,750 --> 00:09:26,970  
to do is go to the blg website DLC

206  
00:09:36,040 --> 00:09:32,760  
research com okay we're they get there

207  
00:09:40,069 --> 00:09:36,050  
on the left hand side there's a menu and

208  
00:09:44,990 --> 00:09:40,079  
you want to click on van den Broeck case

209  
00:09:50,629 --> 00:09:45,000  
it's the fifth or sixth thing down 7th

210  
00:09:53,930 --> 00:09:50,639  
actually got him okay what we've got

211  
00:09:55,970 --> 00:09:53,940  
here is a basic introduction of I've

212  
00:09:58,480 --> 00:09:55,980  
known him been working with this case

213  
00:10:01,340 --> 00:09:58,490

it's without question the most

214

00:10:03,259 --> 00:10:01,350

interesting thing that's going on in the

215

00:10:06,410 --> 00:10:03,269

crop circle world and has been for some

216

00:10:08,269 --> 00:10:06,420

time oh this is the only guy in the

217

00:10:10,579 --> 00:10:08,279

world who can who knows when they're

218

00:10:12,710 --> 00:10:10,589

coming but I've got an introduction

219

00:10:15,500 --> 00:10:12,720

there which describes some of my early

220

00:10:17,810 --> 00:10:15,510

experiences there's a video with his

221

00:10:20,180 --> 00:10:17,820

sisters and parents talking about some

222

00:10:21,889 --> 00:10:20,190

of what they've seen if you scroll down

223

00:10:24,310 --> 00:10:21,899

you'll see some of the photographs of

224

00:10:26,660 --> 00:10:24,320

crop circles you know behind his house

225

00:10:29,780 --> 00:10:26,670

some of the sampling that we've done

226

00:10:31,699 --> 00:10:29,790

graph showing the kind of results but I

227

00:10:35,780 --> 00:10:31,709

want you to keep scrolling all the way

228

00:10:39,590 --> 00:10:35,790

down until you see a video the one love

229

00:10:43,880 --> 00:10:39,600

video mms nice it on a step of a guitar

230

00:10:47,509 --> 00:10:43,890

mm-hmm and beneath that are all of these

231

00:10:50,150 --> 00:10:47,519

individual reports that describe of the

232

00:10:53,389 --> 00:10:50,160

huge variety of events that go on around

233

00:10:55,759 --> 00:10:53,399

him including the discovery of crop

234

00:10:57,920 --> 00:10:55,769

circles etc many other things and I

235

00:11:00,889 --> 00:10:57,930

wanted to start it's the first thing

236

00:11:03,230 --> 00:11:00,899

that the thing that got me involved and

237

00:11:05,090 --> 00:11:03,240

if you scroll down through those reports

238

00:11:09,129 --> 00:11:05,100

you're going to keep going down and down

239

00:11:12,930 --> 00:11:09,139

and down to the picture of his face

240

00:11:18,170 --> 00:11:12,940

October 2006

241

00:11:26,160 --> 00:11:23,820

god it's got it yep okay the very first

242

00:11:30,030 --> 00:11:26,170

part here describes this business of me

243

00:11:33,150 --> 00:11:30,040

first getting involved oh I heard about

244

00:11:35,250 --> 00:11:33,160

him in 1996 one of our field workers and

245

00:11:38,460 --> 00:11:35,260

the Netherlands had called me to tell me

246

00:11:42,390 --> 00:11:38,470

that he had just heard about this young

247

00:11:45,480 --> 00:11:42,400

kid Robert was 15 or 16 at the time who

248

00:11:48,000 --> 00:11:45,490

had never heard of crop circles but he

249

00:11:52,350 --> 00:11:48,010

had been out on his bike going along the

250

00:11:55,680 --> 00:11:52,360

dikes one afternoon and had actually

251

00:12:00,000 --> 00:11:55,690

witnessed light balls forming a crop

252

00:12:01,320 --> 00:12:00,010

circle and I was told this and I you

253

00:12:03,390 --> 00:12:01,330

know being very interested in the

254

00:12:06,240 --> 00:12:03,400

science at that point I didn't really

255

00:12:09,480 --> 00:12:06,250

take it too seriously I kind of filed in

256

00:12:11,910 --> 00:12:09,490

the back you know but then in 1997 I got

257

00:12:15,030 --> 00:12:11,920

another call from the same field worker

258

00:12:18,030 --> 00:12:15,040

saying that this time a huge glowing

259

00:12:21,510 --> 00:12:18,040

ball of light had approached this kids

260

00:12:23,820 --> 00:12:21,520

there's a small balcony off the back of

261

00:12:27,600 --> 00:12:23,830

the house where he lives and it's off of

262

00:12:30,180 --> 00:12:27,610

his bedroom now this house backs up to a

263

00:12:33,270 --> 00:12:30,190

farm field it's a very rural area of

264

00:12:35,940 --> 00:12:33,280

southern Holland and it's mostly farming

265

00:12:41,190 --> 00:12:35,950

this is a tiny little village with a

266

00:12:44,040 --> 00:12:41,200

small development along a long field you

267

00:12:45,840 --> 00:12:44,050

know a farm field there and Robert and

268

00:12:48,150 --> 00:12:45,850

his younger sister Madeleine had been

269

00:12:50,940 --> 00:12:48,160

apparently in his bedroom listening to

270

00:12:53,720 --> 00:12:50,950

music and this huge ball of light had

271

00:12:57,390 --> 00:12:53,730

suddenly appeared immediately outside

272

00:13:00,660 --> 00:12:57,400

these Florida ceiling glass doors that

273

00:13:03,840 --> 00:13:00,670

looked out from his bedroom onto this

274

00:13:06,930 --> 00:13:03,850

tiny little balcony and beyond that was

275

00:13:09,240 --> 00:13:06,940

the farm field they had been frightened

276

00:13:11,970 --> 00:13:09,250

by this ball of light and went running

277

00:13:14,250 --> 00:13:11,980

downstairs to get their parents and when

278

00:13:17,130 --> 00:13:14,260

they came back up the ball of light was

279

00:13:20,310 --> 00:13:17,140

gone but there were burn marks on the

280

00:13:22,560 --> 00:13:20,320

eaves overhanging that balcony there

281

00:13:25,530 --> 00:13:22,570

were burn marks on the outsides of the

282

00:13:26,790 --> 00:13:25,540

doors and there was a pile of white

283

00:13:28,320 --> 00:13:26,800

powder

284

00:13:30,990 --> 00:13:28,330

and the first picture you see there

285

00:13:33,600 --> 00:13:31,000

underneath Roberts is a picture of this

286

00:13:37,380 --> 00:13:33,610

white powder on the floor of that

287

00:13:41,310 --> 00:13:37,390

balcony now Roberts parents are

288

00:13:43,980 --> 00:13:41,320

middle-class father was a banker in fact

289

00:13:45,949 --> 00:13:43,990

uh managed one of the willow banks one

290

00:13:49,829 --> 00:13:45,959

of this is the major bank of Holland

291

00:13:53,280 --> 00:13:49,839

obviously people not inclined in a

292

00:13:56,269 --> 00:13:53,290

mystical direction very pragmatic I

293

00:13:59,639 --> 00:13:56,279

would say and the father the banker

294

00:14:01,920 --> 00:13:59,649

wanted to find out if that white powder

295

00:14:04,350 --> 00:14:01,930

could be analyzed and that's why the

296

00:14:05,730 --> 00:14:04,360

field worker was calling me because we

297

00:14:08,280 --> 00:14:05,740

have all of these scientists you know

298

00:14:11,699 --> 00:14:08,290

who consult with the blt research work

299

00:14:13,470 --> 00:14:11,709

and so I said yes of course we could do

300

00:14:16,470 --> 00:14:13,480

it but they'd have to get me a sample

301  
00:14:18,990 --> 00:14:16,480  
and the details of the event and they

302  
00:14:20,610 --> 00:14:19,000  
did and sent it off and we did do an

303  
00:14:23,340 --> 00:14:20,620  
analysis and if you scroll down a little

304  
00:14:27,720 --> 00:14:23,350  
bit farther you're going to see infrared

305  
00:14:32,300 --> 00:14:27,730  
spectroscopy graphs which indicated that

306  
00:14:36,120 --> 00:14:32,310  
this material was magnesium carbonate

307  
00:14:40,680 --> 00:14:36,130  
now let's go back to the main menu again

308  
00:14:45,780 --> 00:14:40,690  
go back to Robert's page and scroll down

309  
00:14:48,630 --> 00:14:45,790  
again to these reports because this time

310  
00:14:51,540 --> 00:14:48,640  
we're going to go to the report listed

311  
00:14:56,840 --> 00:14:51,550  
as a picture of white powder in a crop

312  
00:15:00,510 --> 00:14:56,850  
circle and the date on that is July 2010

313  
00:15:04,350 --> 00:15:00,520

ok is 99.9 he sent ninety-nine percent

314

00:15:08,550 --> 00:15:04,360

pure hydro magnesite mmm got it got that

315

00:15:10,650 --> 00:15:08,560

ok open that up now this white powder

316

00:15:13,290 --> 00:15:10,660

has occurred many times in a number of

317

00:15:15,840 --> 00:15:13,300

crop circles and I just wanted to show

318

00:15:19,170 --> 00:15:15,850

you how thoroughly this particular

319

00:15:22,560 --> 00:15:19,180

incident was analyzed if you scroll down

320

00:15:24,660 --> 00:15:22,570

past the pictures of the light balls and

321

00:15:26,970 --> 00:15:24,670

all the other stuff you're going to get

322

00:15:28,980 --> 00:15:26,980

down to see a picture of a man holding a

323

00:15:32,130 --> 00:15:28,990

newspaper in which is a sample of the

324

00:15:34,079 --> 00:15:32,140

white powder we knew that magnesium

325

00:15:36,660 --> 00:15:34,089

carbonate doesn't burn and this is a

326

00:15:38,880 --> 00:15:36,670

dutch guy who had collected some of and

327

00:15:40,510 --> 00:15:38,890

he was trying to burn it but it didn't

328

00:15:42,550 --> 00:15:40,520

burn as we had said

329

00:15:45,460 --> 00:15:42,560

if you scroll down farther you're going

330

00:15:49,350 --> 00:15:45,470

to see something says frontier analysis

331

00:15:52,840 --> 00:15:49,360

limited this is Phyllis Budinger is a

332

00:15:56,140 --> 00:15:52,850

laboratory in Ohio and she was the first

333

00:15:58,510 --> 00:15:56,150

person that we sent the material to to

334

00:16:01,210 --> 00:15:58,520

get an analysis and if you scroll down

335

00:16:04,180 --> 00:16:01,220

to where it says results you will see

336

00:16:07,620 --> 00:16:04,190

infrared analysis and then the spectrum

337

00:16:11,110 --> 00:16:07,630

again showing you to dis white powder is

338

00:16:14,440 --> 00:16:11,120

magnesium carbonate to perfect match for

339

00:16:18,340 --> 00:16:14,450

it but we wanted to know more magnesium

340

00:16:19,780 --> 00:16:18,350

carbonate is not unusual it's not

341

00:16:23,530 --> 00:16:19,790

something you would find is lying around

342

00:16:25,180 --> 00:16:23,540

anywhere and magnesium oxide is what you

343

00:16:27,760 --> 00:16:25,190

would expect to see in a flair for

344

00:16:30,940 --> 00:16:27,770

instance but this was not magnesium

345

00:16:33,420 --> 00:16:30,950

oxide magnesium carbonate so we then

346

00:16:38,200 --> 00:16:33,430

asked for something called an isotopic

347

00:16:40,930 --> 00:16:38,210

analysis icp-ms and what we were looking

348

00:16:43,630 --> 00:16:40,940

there is to see exactly how much

349

00:16:46,870 --> 00:16:43,640

magnesium was in the sample and what

350

00:16:49,600 --> 00:16:46,880

else was in it we also did something

351

00:16:54,880 --> 00:16:49,610

called a semi quantitative analysis

352

00:16:57,220 --> 00:16:54,890

showing us in a more detailed degree the

353

00:16:59,650 --> 00:16:57,230

amount of magnesium myanna calcium and

354

00:17:02,800 --> 00:16:59,660

whatever else may have been in the other

355

00:17:04,300 --> 00:17:02,810

elements in this stuff and then finally

356

00:17:08,079 --> 00:17:04,310

if you go down a little bit farther

357

00:17:11,350 --> 00:17:08,089

you're going to see under the addendum

358

00:17:16,360 --> 00:17:11,360

this is beneath a picture again of the

359

00:17:19,960 --> 00:17:16,370

white powder in the grass we actually

360

00:17:22,750 --> 00:17:19,970

got a guy at the USGS a doctor everal

361

00:17:25,960 --> 00:17:22,760

who works with us now the geologist done

362

00:17:28,960 --> 00:17:25,970

a mineralogist and I asked him if he

363

00:17:31,450 --> 00:17:28,970

could do x-ray diffraction and I knew

364

00:17:33,910 --> 00:17:31,460

the results from all of these tests

365

00:17:36,550 --> 00:17:33,920

would give us a lot more information and

366

00:17:39,250 --> 00:17:36,560

it turned out that what in fact this

367

00:17:41,170 --> 00:17:39,260

material was and all of the other

368

00:17:44,260 --> 00:17:41,180

samples it turns out because we

369

00:17:46,750 --> 00:17:44,270

resubmitted them also for additional

370

00:17:50,100 --> 00:17:46,760

testing turned out to be this

371

00:17:52,380 --> 00:17:50,110

ninety-nine point nine nine percent pure

372

00:17:55,100 --> 00:17:52,390

magnesium car

373

00:17:59,850 --> 00:17:55,110

need or hydro magnesite as it's called

374

00:18:03,270 --> 00:17:59,860

now the purity level of this is what is

375

00:18:05,850 --> 00:18:03,280

so utterly bizarre none of these

376

00:18:09,270 --> 00:18:05,860

scientists could offer any idea as to

377

00:18:11,610 --> 00:18:09,280

how a material of this purity level this

378

00:18:15,120 --> 00:18:11,620

is laboratory grade hydro magnesite

379

00:18:18,540 --> 00:18:15,130

could possibly have appeared on this

380

00:18:20,580 --> 00:18:18,550

balcony in southern Holland in

381

00:18:23,760 --> 00:18:20,590

conjunction with the appearance of the

382

00:18:27,630 --> 00:18:23,770

light ball okay now we go back to

383

00:18:29,370 --> 00:18:27,640

robert's main page again and we're going

384

00:18:33,150 --> 00:18:29,380

to talk about an even more extraordinary

385

00:18:35,370 --> 00:18:33,160

incident again of this white powder this

386

00:18:37,770 --> 00:18:35,380

much more recent you're going to see a

387

00:18:41,940 --> 00:18:37,780

picture of a butterfly it's actually a

388

00:18:47,120 --> 00:18:41,950

moth sitting on a table covered in the

389

00:18:52,080 --> 00:18:47,130

white powder November 2013 yep got it

390

00:18:55,290 --> 00:18:52,090

okay now this is about as bizarre as it

391

00:18:58,620 --> 00:18:55,300

gets it may take a second open as a PDF

392

00:19:01,460 --> 00:18:58,630

file but this is one of the incidents of

393

00:19:05,270 --> 00:19:01,470

the same white powder it turns out

394

00:19:08,190 --> 00:19:05,280

appearing inside Roberts home one night

395

00:19:10,560 --> 00:19:08,200

he had been up as he always does he's a

396

00:19:13,560 --> 00:19:10,570

night person and is usually up all night

397

00:19:16,740 --> 00:19:13,570

long and he'd been downstairs as is his

398

00:19:18,870 --> 00:19:16,750

habit but hadn't felt any particular

399

00:19:21,810 --> 00:19:18,880

energy which he normally does if

400

00:19:23,550 --> 00:19:21,820

something's going on and I guess he went

401  
00:19:26,070 --> 00:19:23,560  
up to bed five six o'clock in the

402  
00:19:28,530 --> 00:19:26,080  
morning and i was around five o'clock

403  
00:19:32,430 --> 00:19:28,540  
because an hour later his elder sister

404  
00:19:34,170 --> 00:19:32,440  
saskia arose and went through the living

405  
00:19:38,160 --> 00:19:34,180  
room to go to the kitchen unit to fix

406  
00:19:44,150 --> 00:19:38,170  
some coffee and found this huge Atlas

407  
00:19:48,840 --> 00:19:44,160  
moth lying on the table and this is in

408  
00:19:51,870 --> 00:19:48,850  
January i'm almost sure yeah it's

409  
00:19:53,580 --> 00:19:51,880  
january 11th in 2010 this is in the

410  
00:19:56,040 --> 00:19:53,590  
middle of winter the white powder

411  
00:19:57,720 --> 00:19:56,050  
scattered all over the place she didn't

412  
00:19:59,610 --> 00:19:57,730  
touch it but her parents when they got

413  
00:20:02,280 --> 00:19:59,620

up you know nobody touched it all it

414

00:20:05,640 --> 00:20:02,290

took photographs etc and then called me

415

00:20:07,700 --> 00:20:05,650

to tell me about it the house that

416

00:20:12,480 --> 00:20:07,710

mrs. Roberts parents home at this time

417

00:20:15,750 --> 00:20:12,490

is built like a like Fort Knox it's it

418

00:20:18,330 --> 00:20:15,760

is locked within an inch of its life at

419

00:20:21,240 --> 00:20:18,340

night the windows and the downstairs do

420

00:20:22,800 --> 00:20:21,250

not open they're all sealed the front

421

00:20:25,620 --> 00:20:22,810

door is locked with three or four locks

422

00:20:27,420 --> 00:20:25,630

everything's locked and there's no way

423

00:20:29,040 --> 00:20:27,430

that anybody could get in there without

424

00:20:31,620 --> 00:20:29,050

the parents knowing because their

425

00:20:36,300 --> 00:20:31,630

bedrooms on the first floor very near

426

00:20:40,590 --> 00:20:36,310

the front door and yet here is this loss

427

00:20:43,320 --> 00:20:40,600

which turns out to be from Indonesia it

428

00:20:45,240 --> 00:20:43,330

does not live in holland ever and it

429

00:20:47,190 --> 00:20:45,250

definitely doesn't live in holland in

430

00:20:49,800 --> 00:20:47,200

the middle in freezing cold weather you

431

00:20:52,590 --> 00:20:49,810

know right and here here it is perfectly

432

00:20:55,190 --> 00:20:52,600

intact it's dead but perfectly intact

433

00:20:57,720 --> 00:20:55,200

and again covered with the white powder

434

00:20:59,310 --> 00:20:57,730

now if you scroll down a little bit and

435

00:21:01,650 --> 00:20:59,320

start looking for pictures you're going

436

00:21:05,400 --> 00:21:01,660

to see that on this table there's a

437

00:21:07,110 --> 00:21:05,410

ceramic vase with some plastic going on

438

00:21:10,650 --> 00:21:07,120

there not plastic they were there cloth

439

00:21:13,500 --> 00:21:10,660

stake flowers you know pink roses hmm

440

00:21:15,780 --> 00:21:13,510

and it was then noticed that these pink

441

00:21:19,290 --> 00:21:15,790

roses and if you keep scrolling down

442

00:21:23,850 --> 00:21:19,300

you'll see close-ups were burned all

443

00:21:25,740 --> 00:21:23,860

around the edges of the petals got that

444

00:21:32,040 --> 00:21:25,750

picture the one that shows the close-up

445

00:21:35,130 --> 00:21:32,050

yep now again magnesium carbonate one of

446

00:21:38,580 --> 00:21:35,140

the purposes that it's used for we as

447

00:21:41,850 --> 00:21:38,590

humans use it for is as a fire retardant

448

00:21:44,550 --> 00:21:41,860

it's often found in fire extinguishers

449

00:21:47,670 --> 00:21:44,560

and I've wondered for a long time

450

00:21:50,910 --> 00:21:47,680

whether its presence in the crop circles

451  
00:21:53,970 --> 00:21:50,920  
and given the burning on the outside of

452  
00:21:58,710 --> 00:21:53,980  
Roberts of balcony on that first

453  
00:22:02,340 --> 00:21:58,720  
incident was it present in order to stop

454  
00:22:04,590 --> 00:22:02,350  
any real fire from starting now if you

455  
00:22:06,240 --> 00:22:04,600  
keep scrolling down you're going to the

456  
00:22:10,530 --> 00:22:06,250  
next picture is going to show you these

457  
00:22:13,050 --> 00:22:10,540  
burn marks that were found on the frame

458  
00:22:16,130 --> 00:22:13,060  
of one of the windows that is directly

459  
00:22:19,170 --> 00:22:16,140  
behind where this table was sitting and

460  
00:22:22,140 --> 00:22:19,180  
apparently the burn marks were caused

461  
00:22:26,460 --> 00:22:22,150  
at the same time that the moth appear

462  
00:22:29,040 --> 00:22:26,470  
and the white powder we also found white

463  
00:22:34,020 --> 00:22:29,050

powder on the floor directly underneath

464

00:22:35,790 --> 00:22:34,030

those burn marks on the frame and the

465

00:22:38,790 --> 00:22:35,800

next picture down shows you the white

466

00:22:43,320 --> 00:22:38,800

powder really just all over one of those

467

00:22:45,750 --> 00:22:43,330

roses I see them now beneath that we

468

00:22:48,000 --> 00:22:45,760

have all of the analysis again the

469

00:22:51,330 --> 00:22:48,010

infrared spectra which again show us

470

00:22:54,120 --> 00:22:51,340

that is the magnesium you know carbonate

471

00:22:56,250 --> 00:22:54,130

the x-ray diffraction work etc and we

472

00:22:58,760 --> 00:22:56,260

were sure again that this was this

473

00:23:03,360 --> 00:22:58,770

ninety-nine point nine nine percent pure

474

00:23:05,160 --> 00:23:03,370

hydro magnesite well it was quite

475

00:23:08,400 --> 00:23:05,170

exciting because nothing like this had

476  
00:23:11,340 --> 00:23:08,410  
happened before and Robert has a friend

477  
00:23:13,380 --> 00:23:11,350  
in Holland who now is the guy who does

478  
00:23:16,560 --> 00:23:13,390  
takes all the photographs of the crop

479  
00:23:19,590 --> 00:23:16,570  
circles and he called this guy whose

480  
00:23:21,810 --> 00:23:19,600  
name is Roy and why came over to see

481  
00:23:23,340 --> 00:23:21,820  
this also the family doesn't touch

482  
00:23:26,820 --> 00:23:23,350  
anything until it's all very well

483  
00:23:28,920 --> 00:23:26,830  
documented and was Roy was terribly

484  
00:23:31,890 --> 00:23:28,930  
excited he was really thrilled about the

485  
00:23:35,850 --> 00:23:31,900  
whole thing and while he was there with

486  
00:23:39,150 --> 00:23:35,860  
Robert photographing all of this he went

487  
00:23:40,890 --> 00:23:39,160  
out to his car to get another camera

488  
00:23:43,260 --> 00:23:40,900

because he wanted to get really close up

489

00:23:47,250 --> 00:23:43,270

shots and Robert was standing in the

490

00:23:49,110 --> 00:23:47,260

doorway of the house it's only the roads

491

00:23:52,350 --> 00:23:49,120

and are very close to the front doors

492

00:23:54,780 --> 00:23:52,360

there the car was parked maybe maybe max

493

00:23:57,150 --> 00:23:54,790

on eight feet away in front of the front

494

00:24:00,090 --> 00:23:57,160

door so Robert standing in the front

495

00:24:02,490 --> 00:24:00,100

door Roy is going out through the ice

496

00:24:06,360 --> 00:24:02,500

and snow to his car to get a better

497

00:24:08,040 --> 00:24:06,370

camera and yet is he Roy has his eyes

498

00:24:09,120 --> 00:24:08,050

down because it was ice all over the

499

00:24:11,820 --> 00:24:09,130

place and you didn't want to kill

500

00:24:15,090 --> 00:24:11,830

himself so he didn't see what Robert

501  
00:24:18,900 --> 00:24:15,100  
then saw suddenly a flash of light a

502  
00:24:22,950 --> 00:24:18,910  
ball of light came from pipe down low in

503  
00:24:25,830 --> 00:24:22,960  
front of the boys car and van hit the

504  
00:24:31,200 --> 00:24:25,840  
windshield which Robert saw and yelled

505  
00:24:32,640 --> 00:24:31,210  
to alert boy to Roy then gets out back

506  
00:24:35,580 --> 00:24:32,650  
see where he's been

507  
00:24:38,280 --> 00:24:35,590  
around for his camera goes to the front

508  
00:24:41,130 --> 00:24:38,290  
of the car and found what you see in

509  
00:24:45,510 --> 00:24:41,140  
that next picture this time it's a

510  
00:24:48,300 --> 00:24:45,520  
tailed j butterfly sitting on the

511  
00:24:51,930 --> 00:24:48,310  
windshield of his car apparently

512  
00:24:54,780 --> 00:24:51,940  
deposited by this ball of light now a

513  
00:24:59,180 --> 00:24:54,790

little bit of research let us know that

514

00:25:03,030 --> 00:24:59,190

this tale J is also indigenous only to

515

00:25:06,510 --> 00:25:03,040

Southeast Asia it does not live in

516

00:25:09,030 --> 00:25:06,520

holland ever and it definitely again

517

00:25:10,950 --> 00:25:09,040

does not live in holland in the middle

518

00:25:13,830 --> 00:25:10,960

of winter in freezing weather it

519

00:25:15,840 --> 00:25:13,840

couldn't it couldn't survive so we then

520

00:25:18,270 --> 00:25:15,850

have a couple pictures of the tail j up

521

00:25:21,660 --> 00:25:18,280

close now there's something kind of

522

00:25:25,110 --> 00:25:21,670

curious about these two insects from

523

00:25:27,660 --> 00:25:25,120

Southeast Asia first of all Roy had

524

00:25:31,170 --> 00:25:27,670

fairly recently come back from a trip

525

00:25:34,110 --> 00:25:31,180

and he was interested in butterflies had

526

00:25:38,520 --> 00:25:34,120

been all his life and while he was in

527

00:25:41,370 --> 00:25:38,530

Asia in Jakarta I think he happened to

528

00:25:43,700 --> 00:25:41,380

take a photograph no no actually this

529

00:25:46,350 --> 00:25:43,710

was in Australia what he taken this of

530

00:25:51,120 --> 00:25:46,360

exactly one of these butterflies is

531

00:25:54,030 --> 00:25:51,130

tailed J and then the very next spring

532

00:25:56,120 --> 00:25:54,040

remember this is January of 2010 that

533

00:25:58,860 --> 00:25:56,130

all this stuff is going on in Holland

534

00:26:02,940 --> 00:25:58,870

but the following year for the very

535

00:26:05,940 --> 00:26:02,950

first time in Southeast Asia we had

536

00:26:09,330 --> 00:26:05,950

reports of crop circles appearing in the

537

00:26:12,360 --> 00:26:09,340

exact areas where these insects normally

538

00:26:14,820 --> 00:26:12,370

live and I have pictures they're showing

539

00:26:19,020 --> 00:26:14,830

you the first one which was in Jakarta

540

00:26:21,570 --> 00:26:19,030

on the island of Java in rice and then

541

00:26:26,100 --> 00:26:21,580

there's another crop circle a second one

542

00:26:29,880 --> 00:26:26,110

was discovered on January 25th 2011 also

543

00:26:32,160 --> 00:26:29,890

on Java and also in rice in that second

544

00:26:34,890 --> 00:26:32,170

picture you can see the races at

545

00:26:36,690 --> 00:26:34,900

different stages of maturity the dark

546

00:26:39,360 --> 00:26:36,700

one in the center is ready for harvest

547

00:26:42,540 --> 00:26:39,370

the rice on either side has been more

548

00:26:44,370 --> 00:26:42,550

freshly planted but what was curious to

549

00:26:45,720 --> 00:26:44,380

me and what I've wondered I there's no

550

00:26:48,810 --> 00:26:45,730

proof of this but it

551  
00:26:51,300 --> 00:26:48,820  
a very curious coincidence that these

552  
00:26:53,940 --> 00:26:51,310  
two insects appear where they cannot

553  
00:26:56,390 --> 00:26:53,950  
they literally just simply cannot be

554  
00:26:58,830 --> 00:26:56,400  
flying through the air in Holland and

555  
00:27:01,830 --> 00:26:58,840  
particularly inside Roberts house and

556  
00:27:04,140 --> 00:27:01,840  
yet the following year almost exactly a

557  
00:27:07,350 --> 00:27:04,150  
year later here come these two crop

558  
00:27:09,990 --> 00:27:07,360  
circles in Indonesia right in the area

559  
00:27:13,590 --> 00:27:10,000  
where these oh you know where these

560  
00:27:17,910 --> 00:27:13,600  
insects are likely to be found where

561  
00:27:21,630 --> 00:27:17,920  
they're indigenous so this does uh does

562  
00:27:23,670 --> 00:27:21,640  
this happen has this anything else tied

563  
00:27:26,730 --> 00:27:23,680

him into any other crop circles like any

564

00:27:28,530 --> 00:27:26,740

other type of animal or insect to

565

00:27:32,330 --> 00:27:28,540

anything Alaskan if I wanted to go to

566

00:27:35,460 --> 00:27:32,340

neck you are just asking good questions

567

00:27:39,900 --> 00:27:35,470

all right go back to Robert's page and

568

00:27:42,330 --> 00:27:39,910

to that list of reports what we're going

569

00:27:43,740 --> 00:27:42,340

to do for and talk about to crop circles

570

00:27:47,880 --> 00:27:43,750

there are tons of them but i'm going to

571

00:27:49,710 --> 00:27:47,890

pick to that robert he knows whenever a

572

00:27:52,620 --> 00:27:49,720

crop circle is getting ready to happen

573

00:27:55,890 --> 00:27:52,630

in southern holland anywhere in his area

574

00:27:57,540 --> 00:27:55,900

he always knows before it comes and i'm

575

00:27:59,550 --> 00:27:57,550

going to look at a couple of those in a

576

00:28:01,140 --> 00:27:59,560

minute because he can see what they're

577

00:28:02,760 --> 00:28:01,150

going to be he knows where they're going

578

00:28:06,120 --> 00:28:02,770

to be any often knows in what kind of

579

00:28:08,130 --> 00:28:06,130

crop but these are two American cases

580

00:28:10,350 --> 00:28:08,140

that I thought people would find

581

00:28:13,890 --> 00:28:10,360

interesting you'll see a picture of a

582

00:28:18,690 --> 00:28:13,900

boy with a board in a field of grass in

583

00:28:22,650 --> 00:28:18,700

June 2011 mm-hmm Robert sees paper boy

584

00:28:27,090 --> 00:28:22,660

making us crop circle if you open that

585

00:28:29,730 --> 00:28:27,100

up that's this little story I was Robert

586

00:28:33,630 --> 00:28:29,740

and I are in touch all the time on skype

587

00:28:36,600 --> 00:28:33,640

but on this particular afternoon I got a

588

00:28:39,510 --> 00:28:36,610

notice from the website there's a

589

00:28:42,210 --> 00:28:39,520

contact form there for people to report

590

00:28:44,610 --> 00:28:42,220

a crop circle to me you know and a

591

00:28:47,370 --> 00:28:44,620

reporter in this little teeny town in

592

00:28:49,980 --> 00:28:47,380

hardy Virginia which I don't exactly

593

00:28:52,380 --> 00:28:49,990

know exactly where that is but I how

594

00:28:55,590 --> 00:28:52,390

this guy had emailed me that a crop

595

00:28:58,030 --> 00:28:55,600

circle had appeared in hardy Virginia he

596

00:29:00,790 --> 00:28:58,040

sent me a couple of pictures of it

597

00:29:03,760 --> 00:29:00,800

and asked me if I could tell him whether

598

00:29:05,620 --> 00:29:03,770

it was me and made or not I keep telling

599

00:29:07,840 --> 00:29:05,630

people you know I can't tell by looking

600

00:29:11,560 --> 00:29:07,850

we have to actually do the science to

601  
00:29:15,010 --> 00:29:11,570  
know for sure but before I got back to

602  
00:29:18,520 --> 00:29:15,020  
him just for the heck of it I sent one

603  
00:29:20,710 --> 00:29:18,530  
of the pictures to Robert because a lot

604  
00:29:23,230 --> 00:29:20,720  
of the circles in Holland in the early

605  
00:29:26,230 --> 00:29:23,240  
part of the year occur in grass mm-hmm

606  
00:29:28,900 --> 00:29:26,240  
and he'd never seen one in grass in any

607  
00:29:31,510 --> 00:29:28,910  
other country and I wasn't thinking it

608  
00:29:34,270 --> 00:29:31,520  
didn't even occur to me to ask him about

609  
00:29:35,800 --> 00:29:34,280  
whether this was real I was ascending it

610  
00:29:39,220 --> 00:29:35,810  
to him because I thought he'd like to

611  
00:29:41,920 --> 00:29:39,230  
see a circle in another country in grass

612  
00:29:45,370 --> 00:29:41,930  
you know right so he gets the picture

613  
00:29:47,620 --> 00:29:45,380

and I guess I turned the computer off

614

00:29:52,000 --> 00:29:47,630

and the phone rang two seconds later and

615

00:29:56,860 --> 00:29:52,010

it was Robert and he said watch out that

616

00:29:59,740 --> 00:29:56,870

one is man-made and I said oh any

617

00:30:03,550 --> 00:29:59,750

immediately then tells me yep it's a

618

00:30:06,700 --> 00:30:03,560

young boy with brown hair it's in the

619

00:30:10,810 --> 00:30:06,710

back of his neck he men in a ponytail he

620

00:30:13,930 --> 00:30:10,820

usually wears a black cap he delivers

621

00:30:17,620 --> 00:30:13,940

the papers in this area and his name is

622

00:30:20,200 --> 00:30:17,630

Mike not thought that was pretty you

623

00:30:23,860 --> 00:30:20,210

know pretty precise information so I

624

00:30:26,590 --> 00:30:23,870

wrote it all down and then got called

625

00:30:30,640 --> 00:30:26,600

the man who had submitted the original

626

00:30:33,040 --> 00:30:30,650

photo to me to ask him and when I got

627

00:30:36,610 --> 00:30:33,050

him on the phone I said by any chance is

628

00:30:38,710 --> 00:30:36,620

there a young boy with brown hair in a

629

00:30:41,620 --> 00:30:38,720

ponytail in the back of his neck usually

630

00:30:45,030 --> 00:30:41,630

wears a black cap he delivers the papers

631

00:30:48,460 --> 00:30:45,040

in your area and his name is mike is

632

00:30:51,880 --> 00:30:48,470

there such a person and the guy nearly

633

00:30:53,539 --> 00:30:51,890

fell off the chair he said how did you

634

00:30:55,549 --> 00:30:53,549

know that

635

00:30:59,239 --> 00:30:55,559

and I said well if I told you you'll

636

00:31:02,149 --> 00:30:59,249

never believe me rude but in fact it was

637

00:31:05,299 --> 00:31:02,159

me Robert knows it takes one look at a

638

00:31:08,090 --> 00:31:05,309

circle if you pay attention and he knows

639

00:31:09,979 --> 00:31:08,100

and this was one of the American cases

640

00:31:12,200 --> 00:31:09,989

now I want to go to one that's more

641

00:31:14,899 --> 00:31:12,210

interesting also in America and much

642

00:31:17,749 --> 00:31:14,909

more recent there was a big to-do about

643

00:31:21,470 --> 00:31:17,759

this but all they had to do was ask

644

00:31:24,710 --> 00:31:21,480

Robert scroll up again among all of the

645

00:31:28,099 --> 00:31:24,720

reports to the photograph of the crop

646

00:31:35,509 --> 00:31:28,109

circle in glr California this is

647

00:31:40,009 --> 00:31:35,519

December 2013 got it okay again this was

648

00:31:43,009 --> 00:31:40,019

reported to me by a not television of a

649

00:31:45,259 --> 00:31:43,019

newspaper reporter before any of this

650

00:31:47,840 --> 00:31:45,269

without or it wasn't out and around then

651  
00:31:49,999 --> 00:31:47,850  
it had just been discovered and this guy

652  
00:31:52,639 --> 00:31:50,009  
does the exactly the same thing the

653  
00:31:55,999 --> 00:31:52,649  
first one did he sends me one photograph

654  
00:31:57,619 --> 00:31:56,009  
of the circle and expects me to tell him

655  
00:32:01,129 --> 00:31:57,629  
on the phone just by looking at it

656  
00:32:03,289 --> 00:32:01,139  
whether it's real or not and I again

657  
00:32:06,139 --> 00:32:03,299  
explained tried very hard to get across

658  
00:32:08,330 --> 00:32:06,149  
to him that no you can't tell by looking

659  
00:32:10,580 --> 00:32:08,340  
the people that make these things can

660  
00:32:13,849 --> 00:32:10,590  
make very fancy things we have to do the

661  
00:32:15,259 --> 00:32:13,859  
actual work but I he wasn't as all these

662  
00:32:16,519 --> 00:32:15,269  
most of these reporters they're not

663  
00:32:20,450 --> 00:32:16,529

interested you know they don't want to

664

00:32:22,009 --> 00:32:20,460

hear the details but at any rate I told

665

00:32:24,470 --> 00:32:22,019

him I would see if i could get field

666

00:32:26,889 --> 00:32:24,480

workers out there to get it sampled you

667

00:32:30,859 --> 00:32:26,899

know and see what we could find out and

668

00:32:32,989 --> 00:32:30,869

again this one and I don't think I was

669

00:32:35,509 --> 00:32:32,999

I'm not remembering on for sure whether

670

00:32:38,389 --> 00:32:35,519

I might have asked Robert this time but

671

00:32:41,060 --> 00:32:38,399

I sent Robert the photograph and he was

672

00:32:44,139 --> 00:32:41,070

on skype when I sent it so he and I were

673

00:32:48,289 --> 00:32:44,149

talking and he looks at it and says

674

00:32:51,289 --> 00:32:48,299

absolutely immediately but it's man-made

675

00:32:53,479 --> 00:32:51,299

I thought it was too just from looking

676

00:32:57,560 --> 00:32:53,489

at it but I don't trust what I think

677

00:33:00,080 --> 00:32:57,570

when I look at him so I say okay what

678

00:33:03,619 --> 00:33:00,090

else can you tell me now remember that

679

00:33:06,230 --> 00:33:03,629

Robert is Dutch he can speak English

680

00:33:06,950 --> 00:33:06,240

some English as English is pretty good

681

00:33:10,100 --> 00:33:06,960

now actually

682

00:33:12,799 --> 00:33:10,110

but he doesn't read or write it and he

683

00:33:14,539 --> 00:33:12,809

has no idea where California he has no

684

00:33:17,269 --> 00:33:14,549

idea where anything in the state says he

685

00:33:18,710 --> 00:33:17,279

doesn't travel at all and doesn't have a

686

00:33:21,470 --> 00:33:18,720

clue he probably didn't even know

687

00:33:24,049 --> 00:33:21,480

California was on the west coast but he

688

00:33:27,049 --> 00:33:24,059

immediately starts giving me details and

689

00:33:29,799 --> 00:33:27,059

the very first thing he said to me was

690

00:33:32,690 --> 00:33:29,809

and remember he doesn't write in English

691

00:33:35,690 --> 00:33:32,700

rossetti's custom land work he spells it

692

00:33:38,750 --> 00:33:35,700

out for me on skype and he spells it

693

00:33:42,370 --> 00:33:38,760

perfectly except he left out the

694

00:33:45,529 --> 00:33:42,380

apostrophe after the I Crosetti

695

00:33:47,930 --> 00:33:45,539

apostrophe s he left the hofstra be out

696

00:33:50,240 --> 00:33:47,940

he just says process cassetti's custom

697

00:33:52,460 --> 00:33:50,250

land work and I'm thinking what the hell

698

00:33:55,370 --> 00:33:52,470

is customary more you know what it is

699

00:33:57,710 --> 00:33:55,380

but then he keeps on going he says

700

00:33:59,779 --> 00:33:57,720

people in California they know who made

701  
00:34:02,990 --> 00:33:59,789  
this circle and they have a strong

702  
00:34:06,169 --> 00:34:03,000  
connection to this Crosetti custom land

703  
00:34:09,680 --> 00:34:06,179  
workplace and then he says I see a

704  
00:34:11,990 --> 00:34:09,690  
tractor driver and he's he's not making

705  
00:34:15,020 --> 00:34:12,000  
the circle he's working in a field

706  
00:34:19,399 --> 00:34:15,030  
across the street and he's there on

707  
00:34:22,040 --> 00:34:19,409  
Saturday now the the reporter who had

708  
00:34:24,849 --> 00:34:22,050  
called me I was calling me on a Monday

709  
00:34:28,250 --> 00:34:24,859  
and told me it had been made on Monday

710  
00:34:31,399 --> 00:34:28,260  
Robert says no it was made on Saturday

711  
00:34:34,490 --> 00:34:31,409  
and he sees this guy sitting on a on a

712  
00:34:39,589 --> 00:34:34,500  
tractor working in a field nearby who

713  
00:34:41,270 --> 00:34:39,599

sees the people who are making it even

714

00:34:43,369 --> 00:34:41,280

was very clear that this guy on the

715

00:34:46,460 --> 00:34:43,379

tractor had nothing to do with making it

716

00:34:48,560 --> 00:34:46,470

he was simply an observer so the first

717

00:34:51,260 --> 00:34:48,570

thing I did while I was still on skype

718

00:34:54,440 --> 00:34:51,270

with him I googled Chris Eddie's custom

719

00:34:55,899 --> 00:34:54,450

land work plus California to see if I

720

00:34:58,220 --> 00:34:55,909

could you know if there was such a place

721

00:35:01,880 --> 00:34:58,230

and if you scroll down you're going to

722

00:35:06,320 --> 00:35:01,890

see the map and sure enough there is a

723

00:35:09,380 --> 00:35:06,330

Crosetti custom land work operation only

724

00:35:10,570 --> 00:35:09,390

20 miles south of where the circle had

725

00:35:12,850 --> 00:35:10,580

been found

726

00:35:14,920 --> 00:35:12,860

it's not like I'm getting surprised when

727

00:35:17,260 --> 00:35:14,930

Robert does this anymore but I was a

728

00:35:20,830 --> 00:35:17,270

little surprised here because he had the

729

00:35:23,080 --> 00:35:20,840

name you know so correctly so I told him

730

00:35:24,910 --> 00:35:23,090

right then that gee whiz there really is

731

00:35:27,430 --> 00:35:24,920

a Crusaders custom land work and I've

732

00:35:29,530 --> 00:35:27,440

got the map here so then he went on a

733

00:35:32,050 --> 00:35:29,540

little bit more about this guy on the

734

00:35:35,170 --> 00:35:32,060

tractor and said that he was I think he

735

00:35:40,060 --> 00:35:35,180

told me that he was not he was a Mexican

736

00:35:42,670 --> 00:35:40,070

or an immigrant of some kind and gave me

737

00:35:45,540 --> 00:35:42,680

a number of details then about the

738

00:35:48,430 --> 00:35:45,550

people who actually made the circle now

739

00:35:50,950 --> 00:35:48,440

I've got a picture in there the tractor

740

00:35:53,260 --> 00:35:50,960

because what I did was I got a telephone

741

00:35:56,050 --> 00:35:53,270

number for cassetti's custom land work

742

00:35:58,120 --> 00:35:56,060

and I called them and I got a woman

743

00:36:01,330 --> 00:35:58,130

named Gloria who's one of the owners

744

00:36:04,210 --> 00:36:01,340

apparently and she confirmed that yes

745

00:36:07,330 --> 00:36:04,220

they had a man working on one of their

746

00:36:09,610 --> 00:36:07,340

tractors in a field right across the

747

00:36:12,510 --> 00:36:09,620

road from where that crop circle was

748

00:36:18,100 --> 00:36:12,520

being made and yes he was there on

749

00:36:20,770 --> 00:36:18,110

Saturday not monday so I was kind of

750

00:36:22,810 --> 00:36:20,780

amazed with all that my computer I had

751  
00:36:25,780 --> 00:36:22,820  
an old computer then it died right after

752  
00:36:27,640 --> 00:36:25,790  
all of this and so I wasn't kept

753  
00:36:30,490 --> 00:36:27,650  
informed about some of the stuff that

754  
00:36:32,920 --> 00:36:30,500  
was going on on the internet about the

755  
00:36:34,630 --> 00:36:32,930  
you know about this circle there are a

756  
00:36:37,360 --> 00:36:34,640  
lot of people debating whether it was

757  
00:36:39,130 --> 00:36:37,370  
real or not nobody takes samples they

758  
00:36:42,580 --> 00:36:39,140  
just like to look at him and make up

759  
00:36:44,980 --> 00:36:42,590  
their minds but you know after talking

760  
00:36:46,510 --> 00:36:44,990  
to Gloria I already knew that this this

761  
00:36:48,970 --> 00:36:46,520  
tractor driver was there and so I

762  
00:36:51,460 --> 00:36:48,980  
figured they'd Roberts description of

763  
00:36:52,900 --> 00:36:51,470

the people who made the circle if you

764

00:36:54,640 --> 00:36:52,910

scroll down a little bit farther you'll

765

00:36:58,600 --> 00:36:54,650

see a couple pictures of the circle

766

00:37:03,640 --> 00:36:58,610

close up and then below that you're

767

00:37:05,350 --> 00:37:03,650

going to see it's on a page accountant

768

00:37:07,930 --> 00:37:05,360

know what the hell paint it is but it's

769

00:37:10,300 --> 00:37:07,940

a drawing I because Roberts description

770

00:37:12,610 --> 00:37:10,310

in dutchess sometimes I don't always

771

00:37:15,940 --> 00:37:12,620

understand it I asked him to make a

772

00:37:19,210 --> 00:37:15,950

drawing of this guy that he saw actually

773

00:37:21,950 --> 00:37:19,220

making the crop circle and I put in all

774

00:37:25,359 --> 00:37:21,960

the details that he got

775

00:37:29,589 --> 00:37:25,369

oh he said this guy had a very wide

776

00:37:33,050 --> 00:37:29,599

unusually wide mouth bushy sideburns

777

00:37:34,790 --> 00:37:33,060

that were kind of like men used to wear

778

00:37:37,609 --> 00:37:34,800

at the turn of the century you know

779

00:37:41,000 --> 00:37:37,619

these mutton-chop kind of things oh yeah

780

00:37:45,380 --> 00:37:41,010

he was wearing dark glasses and he had a

781

00:37:48,920 --> 00:37:45,390

cap with some red in it and then he told

782

00:37:51,589 --> 00:37:48,930

me that there was somebody else who was

783

00:37:54,079 --> 00:37:51,599

broad-shouldered and not too tall and

784

00:37:57,109 --> 00:37:54,089

this guy was very pleased with himself

785

00:37:59,780 --> 00:37:57,119

but he was in the summer years of his

786

00:38:01,730 --> 00:37:59,790

life and then he said there are other

787

00:38:03,290 --> 00:38:01,740

people there working with this guy and

788

00:38:06,440 --> 00:38:03,300

who were from the general area who are

789

00:38:08,630 --> 00:38:06,450

local this other guy was not and he

790

00:38:11,329 --> 00:38:08,640

describes some of the clothes that they

791

00:38:13,970 --> 00:38:11,339

were wearing but I was unable to find

792

00:38:16,490 --> 00:38:13,980

anybody who would tell me we there were

793

00:38:18,349 --> 00:38:16,500

people who saw the guys in the field

794

00:38:22,940 --> 00:38:18,359

making it but I was unable to find

795

00:38:25,700 --> 00:38:22,950

anybody who merm for me this description

796

00:38:27,800 --> 00:38:25,710

the Robert gave me of the main guy and

797

00:38:29,570 --> 00:38:27,810

you know responsible for all this the

798

00:38:33,230 --> 00:38:29,580

guy who was so pleased with himself and

799

00:38:35,930 --> 00:38:33,240

the people that were seen him so I don't

800

00:38:38,150 --> 00:38:35,940

know for a fact that the description is

801  
00:38:41,630 --> 00:38:38,160  
accurate but if i had to put money on it

802  
00:38:44,420 --> 00:38:41,640  
i would bet you absolutely that it was

803  
00:38:47,060 --> 00:38:44,430  
Robert had also told me that the circle

804  
00:38:51,200 --> 00:38:47,070  
was made for a practical reason and that

805  
00:38:55,460 --> 00:38:51,210  
a Rob or Robbie and also a guy named

806  
00:39:02,450 --> 00:38:55,470  
John were involved and kept seeing the

807  
00:39:04,339 --> 00:39:02,460  
words cannot say CA n n OT SI y and it

808  
00:39:08,000 --> 00:39:04,349  
turned out when i got a computer working

809  
00:39:10,160 --> 00:39:08,010  
again that there was a video that these

810  
00:39:13,940 --> 00:39:10,170  
people who had made this had put up on

811  
00:39:16,250 --> 00:39:13,950  
the internet a very spooky video and it

812  
00:39:17,839 --> 00:39:16,260  
looks fake as hell to me but these guys

813  
00:39:19,640 --> 00:39:17,849

are driving along the road you know and

814

00:39:21,410 --> 00:39:19,650

they see lights and movement in the

815

00:39:23,810 --> 00:39:21,420

field and they stopped the car and they

816

00:39:26,720 --> 00:39:23,820

get out and it goes through this whole

817

00:39:28,520 --> 00:39:26,730

elaborate thing but to set up for you

818

00:39:31,220 --> 00:39:28,530

know people trying to get people to

819

00:39:33,829 --> 00:39:31,230

believe something spooky created this

820

00:39:35,330 --> 00:39:33,839

crop circle and it also turns out that

821

00:39:38,210 --> 00:39:35,340

there was a Rob and there

822

00:39:40,370 --> 00:39:38,220

was a John involved although i don't

823

00:39:44,360 --> 00:39:40,380

know personally you know what they look

824

00:39:47,390 --> 00:39:44,370

like now in the video the words cannot

825

00:39:52,250 --> 00:39:47,400

say appear over and over in fact i think

826

00:39:54,110 --> 00:39:52,260

it was in the title of the video so you

827

00:39:56,930 --> 00:39:54,120

know there you have a couple of examples

828

00:39:58,910 --> 00:39:56,940

of him not even knowing you know where

829

00:40:01,700 --> 00:39:58,920

this is he'd literally dozen over

830

00:40:04,510 --> 00:40:01,710

California is he looks at one picture

831

00:40:09,410 --> 00:40:04,520

and this is the amount of detail that

832

00:40:14,210 --> 00:40:09,420

yeah hey Nancy I got a question for you

833

00:40:16,790 --> 00:40:14,220

is is his abilities strictly restricted

834

00:40:18,500 --> 00:40:16,800

to crop circles in the formula oh we

835

00:40:20,180 --> 00:40:18,510

really we're going to get there we're in

836

00:40:22,070 --> 00:40:20,190

one thing okay okay because I've been

837

00:40:24,200 --> 00:40:22,080

taking notes and I'm and you know that's

838

00:40:27,830 --> 00:40:24,210

this interests showing you some of the

839

00:40:29,660 --> 00:40:27,840

crop circle stuff first because and I

840

00:40:31,940 --> 00:40:29,670

mean that's crazy enough but when we

841

00:40:35,570 --> 00:40:31,950

start to get you getting into some of

842

00:40:37,670 --> 00:40:35,580

the other stuff it's so much farther out

843

00:40:42,040 --> 00:40:37,680

what I'm trying to do is to establish a

844

00:40:44,240 --> 00:40:42,050

little bit that people can relate to and

845

00:40:46,910 --> 00:40:44,250

realize i mean if robert can do this

846

00:40:48,440 --> 00:40:46,920

from across the ocean accurately which

847

00:40:51,650 --> 00:40:48,450

he does all the time these are just a

848

00:40:54,050 --> 00:40:51,660

couple of examples of it maybe they can

849

00:40:56,690 --> 00:40:54,060

begin to understand or accept that I'm

850

00:41:01,820 --> 00:40:56,700

telling the truth about some of this

851

00:41:03,710 --> 00:41:01,830

other much wilder stuff now I thought

852

00:41:08,590 --> 00:41:03,720

the next thing we should go to that

853

00:41:12,260 --> 00:41:08,600

makes logical sense might be the recent

854

00:41:16,040 --> 00:41:12,270

Robert have seen many many crop circles

855

00:41:18,620 --> 00:41:16,050

form himself there have only now been

856

00:41:22,340 --> 00:41:18,630

one to two thousand five of us five

857

00:41:25,640 --> 00:41:22,350

different occasions on which he had an

858

00:41:27,860 --> 00:41:25,650

eyewitness somebody else with him the

859

00:41:30,650 --> 00:41:27,870

first one is me and if you scroll all

860

00:41:34,400 --> 00:41:30,660

the way down to the very bottom of these

861

00:41:38,450 --> 00:41:34,410

reports on his page it says august two

862

00:41:41,720 --> 00:41:38,460

thousand and one the netherlands this is

863

00:41:44,540 --> 00:41:41,730

the description that i did of the one

864

00:41:46,160 --> 00:41:44,550

the first one that I saw happen while I

865

00:41:48,950 --> 00:41:46,170

was with Robert

866

00:41:51,110 --> 00:41:48,960

and unsolved mysteries did a thing on it

867

00:41:53,360 --> 00:41:51,120

and as a video there they did a very

868

00:41:56,780 --> 00:41:53,370

good job actually of recreating what

869

00:41:58,400 --> 00:41:56,790

actually happened and the pictures here

870

00:42:00,740 --> 00:41:58,410

not good because I didn't know how to

871

00:42:03,050 --> 00:42:00,750

make them good back then but the basic

872

00:42:06,440 --> 00:42:03,060

story was that I had arrived as I

873

00:42:09,230 --> 00:42:06,450

usually did in July or August sometimes

874

00:42:10,670 --> 00:42:09,240

and I always stayed in Roberts room that

875

00:42:13,670 --> 00:42:10,680

which is the nice one at the back of the

876

00:42:15,950 --> 00:42:13,680

house and so the balcony and the field

877

00:42:18,350 --> 00:42:15,960

is right there I mean if you open those

878

00:42:20,180 --> 00:42:18,360

floors ceiling glass doors which I

879

00:42:21,830 --> 00:42:20,190

always did because as hot as the Dickens

880

00:42:24,200 --> 00:42:21,840

and they don't have air conditioning and

881

00:42:28,160 --> 00:42:24,210

they don't use air conditioning like we

882

00:42:30,020 --> 00:42:28,170

do mm-hmm so I always have them open and

883

00:42:31,910 --> 00:42:30,030

I can look right out and see the field

884

00:42:34,250 --> 00:42:31,920

the very first thing i do when i arrived

885

00:42:37,100 --> 00:42:34,260

in holland every summer is go to that

886

00:42:39,650 --> 00:42:37,110

balcony and take pictures of that field

887

00:42:42,350 --> 00:42:39,660

so i can document what it looks like

888

00:42:44,390 --> 00:42:42,360

when i arrived because i know darn well

889

00:42:47,260 --> 00:42:44,400

it's probably not going to look like

890

00:42:49,670 --> 00:42:47,270

that if i'm there for two or three weeks

891

00:42:51,980 --> 00:42:49,680

so that's what i did in this case i took

892

00:42:54,020 --> 00:42:51,990

a picture of the field there's nothing

893

00:42:56,720 --> 00:42:54,030

there but the crop which happens to be

894

00:42:58,690 --> 00:42:56,730

string beans in this particular year

895

00:43:01,250 --> 00:42:58,700

this is back in two thousand and one

896

00:43:04,280 --> 00:43:01,260

then i scroll down you'll see the back

897

00:43:06,890 --> 00:43:04,290

of the house and that room at the top

898

00:43:08,960 --> 00:43:06,900

with the the balcony around it that's

899

00:43:11,690 --> 00:43:08,970

Roberts bedroom where I stay when I'm

900

00:43:14,120 --> 00:43:11,700

there and you can see it looks right

901  
00:43:16,850 --> 00:43:14,130  
smack out and towards the back where

902  
00:43:18,770 --> 00:43:16,860  
that field is hmm now what's important

903  
00:43:21,380 --> 00:43:18,780  
there in that picture is the note is the

904  
00:43:23,390 --> 00:43:21,390  
bedroom itself which the great big tall

905  
00:43:25,250 --> 00:43:23,400  
windows and floor-to-ceiling glass doors

906  
00:43:27,260 --> 00:43:25,260  
which were open on the night this

907  
00:43:29,450 --> 00:43:27,270  
happened and then notice in the lower

908  
00:43:32,240 --> 00:43:29,460  
left there's another room lit up that's

909  
00:43:33,740 --> 00:43:32,250  
the kitchen mm-hmm that's important that

910  
00:43:36,680 --> 00:43:33,750  
both of those rooms look out towards

911  
00:43:40,090 --> 00:43:36,690  
field Robert and I had been lugging

912  
00:43:42,560 --> 00:43:40,100  
around electro magnet on others and geo

913  
00:43:45,430 --> 00:43:42,570

magnetometers that year I was working on

914

00:43:48,650 --> 00:43:45,440

a project for dr. William roll the

915

00:43:51,410 --> 00:43:48,660

parapsychologist and he had wanted me to

916

00:43:54,130 --> 00:43:51,420

document electromagnetic and/or

917

00:43:57,579 --> 00:43:54,140

geomagnetic variations

918

00:44:00,130 --> 00:43:57,589

in the soils where all the crop circles

919

00:44:03,309 --> 00:44:00,140

that year were in Holland to see if we

920

00:44:05,470 --> 00:44:03,319

could find any aberration you see and i

921

00:44:08,440 --> 00:44:05,480

had spent a couple of very hot weeks

922

00:44:09,819 --> 00:44:08,450

lugging this stuff all over the place to

923

00:44:12,700 --> 00:44:09,829

every one of the circles that had

924

00:44:14,559 --> 00:44:12,710

happened taking detailed grid

925

00:44:17,019 --> 00:44:14,569

measurements where you walk you know

926  
00:44:18,910 --> 00:44:17,029  
about 3-4 feet you take a measurement

927  
00:44:21,430 --> 00:44:18,920  
another three or four feet another three

928  
00:44:24,069 --> 00:44:21,440  
or four feet and you crisscross the

929  
00:44:26,650 --> 00:44:24,079  
entire you know like a tic tac toe thing

930  
00:44:29,740 --> 00:44:26,660  
the entire formation and you have to get

931  
00:44:32,349 --> 00:44:29,750  
readings every yard or so to see if

932  
00:44:35,620 --> 00:44:32,359  
there's any variation and if any anomaly

933  
00:44:37,960 --> 00:44:35,630  
at all and there had been none I spent

934  
00:44:40,269 --> 00:44:37,970  
three weeks actually doing that and I

935  
00:44:42,880 --> 00:44:40,279  
was really disgusted there's a lot of

936  
00:44:44,829 --> 00:44:42,890  
work it was hot to listen to the rest of

937  
00:44:47,620 --> 00:44:44,839  
this interview please go to inception

938  
00:44:49,599 --> 00:44:47,630

radio network calm and register for the

939

00:44:51,700 --> 00:44:49,609

insider's club what is the insider's

940

00:44:54,279 --> 00:44:51,710

club the insider's club is our premium

941

00:44:57,009 --> 00:44:54,289

content what you've just listened to now

942

00:44:59,859 --> 00:44:57,019

what you just listen to is a preview of

943

00:45:02,380 --> 00:44:59,869

that premium content the insider's club

944

00:45:05,380 --> 00:45:02,390

is how we pay the bills that's how you

945

00:45:08,559 --> 00:45:05,390

support higher and you joined forces

946

00:45:10,960 --> 00:45:08,569

with irn to get the truth out there now

947

00:45:12,970 --> 00:45:10,970

a lot of our content is free i mean most

948

00:45:17,019 --> 00:45:12,980

of our content industry all of our lives

949

00:45:19,210 --> 00:45:17,029

shows are free if you go to our archives

950

00:45:21,700 --> 00:45:19,220

the vast majority of our archives are

951  
00:45:25,240 --> 00:45:21,710  
for free but to pay the bills to help

952  
00:45:28,900 --> 00:45:25,250  
make sure this network stays alive stays

953  
00:45:31,240 --> 00:45:28,910  
viable we offer those who really love

954  
00:45:34,990 --> 00:45:31,250  
our radio station or network and our

955  
00:45:38,319 --> 00:45:35,000  
shows an ability to support our network

956  
00:45:40,930 --> 00:45:38,329  
and become a part of Eire n actually

957  
00:45:42,430 --> 00:45:40,940  
joined forces and helping us get the

958  
00:45:45,279 --> 00:45:42,440  
truth out there now how do you do this

959  
00:45:48,640 --> 00:45:45,289  
again you go to inception radio network

960  
00:45:50,769 --> 00:45:48,650  
com and you subscribe for the insider's

961  
00:45:53,529 --> 00:45:50,779  
club and you would you'll have access to

962  
00:45:55,539 --> 00:45:53,539  
all of our archives including this show

963  
00:45:57,069 --> 00:45:55,549

the rest of the show a faster way of

964

00:45:59,529 --> 00:45:57,079

getting there go to the description

965

00:46:01,960 --> 00:45:59,539

below this video and click on the link

966

00:46:04,630 --> 00:46:01,970

and like I said you'll be joining forces

967

00:46:06,279 --> 00:46:04,640

with in you'll have availability of all

968

00:46:16,949 --> 00:46:06,289

of our content and we

969

00:46:22,809 --> 00:46:20,349

hello everyone Laurieann Fenton here

970

00:46:25,900 --> 00:46:22,819

hosted the California MUFON radio show

971

00:46:29,169 --> 00:46:25,910

asking if you'd like special access to

972

00:46:32,499 --> 00:46:29,179

exclusive and amazing information about

973

00:46:35,769 --> 00:46:32,509

UFOs the paranormal and all things

974

00:46:39,370 --> 00:46:35,779

unexplained if you're nodding yes then

975

00:46:41,169 --> 00:46:39,380

join I rn's insider club as an insider

976

00:46:44,169 --> 00:46:41,179

club member you'll get an all-access

977

00:46:46,569 --> 00:46:44,179

pass to premier inception radio network

978

00:46:49,089 --> 00:46:46,579

content for only four dollars and

979

00:46:52,959 --> 00:46:49,099

ninety-nine cents a month this includes

980

00:46:56,620 --> 00:46:52,969

live UFO and paranormal conferences live

981

00:46:59,229 --> 00:46:56,630

streaming UFO sky watches exclusive irr

982

00:47:03,039 --> 00:46:59,239

radio and TV productions and of course

983

00:47:05,319 --> 00:47:03,049

paying radio with MJ and Ken Storch so

984

00:47:08,439 --> 00:47:05,329

don't wait any longer visit inception

985

00:47:11,589 --> 00:47:08,449

radio network com and click on member

986

00:47:17,049 --> 00:47:11,599

login to join I rn's insider club and

987

00:47:18,969 --> 00:47:17,059

get your VIP access today to listen to

988

00:47:21,819 --> 00:47:18,979

the rest of this interview please go to

989

00:47:23,739 --> 00:47:21,829

inception radio network com and register

990

00:47:25,899 --> 00:47:23,749

for the insider's club what is the

991

00:47:27,519 --> 00:47:25,909

insider's club the insider's club is our

992

00:47:30,069 --> 00:47:27,529

premium content what you've just

993

00:47:33,999 --> 00:47:30,079

listened to now what you just listen to

994

00:47:35,919 --> 00:47:34,009

is a preview of that premium content the

995

00:47:39,039 --> 00:47:35,929

insider's club is how we pay the bills

996

00:47:42,159 --> 00:47:39,049

that's how you support ire and you

997

00:47:44,559 --> 00:47:42,169

joined forces with irn to get the truth

998

00:47:46,479 --> 00:47:44,569

out there now a lot of our content is

999

00:47:50,739 --> 00:47:46,489

free i mean most of our content industry

1000

00:47:52,870 --> 00:47:50,749

all of our lives shows are free if you

1001  
00:47:55,479 --> 00:47:52,880  
go to our archives the vast majority of

1002  
00:47:58,390 --> 00:47:55,489  
our archives are for free but to pay the

1003  
00:48:02,380 --> 00:47:58,400  
bills to help make sure this network

1004  
00:48:04,809 --> 00:48:02,390  
stays alive stays viable we offer those

1005  
00:48:07,620 --> 00:48:04,819  
who really love our radio station or

1006  
00:48:11,109 --> 00:48:07,630  
network and our shows an ability to

1007  
00:48:11,900 --> 00:48:11,119  
support our network and become a part of

1008  
00:48:14,930 --> 00:48:11,910  
iron

1009  
00:48:16,640 --> 00:48:14,940  
and actually joined forces and helping

1010  
00:48:18,470 --> 00:48:16,650  
us get the truth out there now how do

1011  
00:48:22,490 --> 00:48:18,480  
you do this again you go to inception

1012  
00:48:24,559 --> 00:48:22,500  
radio network com and you subscribe for

1013  
00:48:26,990 --> 00:48:24,569

the insider's club and you will you'll

1014

00:48:29,150 --> 00:48:27,000

have access to all of our archives

1015

00:48:31,309 --> 00:48:29,160

including this show the rest of the show

1016

00:48:33,529 --> 00:48:31,319

a faster way of getting there go to the

1017

00:48:35,900 --> 00:48:33,539

description below this video and click

1018

00:48:37,970 --> 00:48:35,910

on the link and like I said you'll be

1019

00:48:40,339 --> 00:48:37,980

joining forces with irn you'll have

1020

00:48:43,370 --> 00:48:40,349

availability of all of our content and

1021

00:48:54,950 --> 00:48:43,380

we really appreciate your support thank

1022

00:48:57,380 --> 00:48:54,960

you hello everyone Lori and Fenton here

1023

00:49:00,740 --> 00:48:57,390

hosted the California MUFON radio show

1024

00:49:03,770 --> 00:49:00,750

asking if you'd like special access to

1025

00:49:07,039 --> 00:49:03,780

exclusive and amazing information about

1026

00:49:10,339 --> 00:49:07,049

UFOs the paranormal and all things

00:49:59,960 --> 00:49:57,329

calm and register for the insider's club

1044

00:50:02,089 --> 00:49:59,970

what is the insider's club the insider's

1045

00:50:04,099 --> 00:50:02,099

club is our premium contact what you've

1046

00:50:06,860 --> 00:50:04,109

just listened to now what you just

1047

00:50:09,410 --> 00:50:06,870

listen to is a preview of that

1048

00:50:11,570 --> 00:50:09,420

premium content the insider's club is

1049

00:50:14,870 --> 00:50:11,580

how we pay the bills that's how you

1050

00:50:18,170 --> 00:50:14,880

support ire and you joined forces with

1051  
00:50:20,330 --> 00:50:18,180  
irn to get the truth out there now a lot

1052  
00:50:22,130 --> 00:50:20,340  
of our content is free i mean most of

1053  
00:50:26,210 --> 00:50:22,140  
our content is free all of our lives

1054  
00:50:28,400 --> 00:50:26,220  
shows are free if you go to our archives

1055  
00:50:30,860 --> 00:50:28,410  
the vast majority of our archives are

1056  
00:50:34,430 --> 00:50:30,870  
for free but to pay the bills to help

1057  
00:50:38,060 --> 00:50:34,440  
make sure this network stays alive stays

1058  
00:50:40,430 --> 00:50:38,070  
viable we offer those who really love

1059  
00:50:44,180 --> 00:50:40,440  
our radio station or network and our

1060  
00:50:47,510 --> 00:50:44,190  
shows an ability to support our network

1061  
00:50:50,120 --> 00:50:47,520  
and become a part of Eire n actually

1062  
00:50:51,620 --> 00:50:50,130  
joined forces and helping us get the

1063  
00:50:54,470 --> 00:50:51,630

truth out there now how do you do this

1064

00:50:57,830 --> 00:50:54,480

again you go to inception radio network

1065

00:51:00,080 --> 00:50:57,840

com and you subscribe for the insider's

1066

00:51:02,720 --> 00:51:00,090

club and you will you'll have access to

1067

00:51:04,700 --> 00:51:02,730

all of our archives including this show

1068

00:51:06,260 --> 00:51:04,710

the rest of the show a faster way of

1069

00:51:08,720 --> 00:51:06,270

getting there go to the description

1070

00:51:11,150 --> 00:51:08,730

below this video and click on the link

1071

00:51:13,820 --> 00:51:11,160

and like I said you'll be joining forces

1072

00:51:16,730 --> 00:51:13,830

with irn you'll have availability of all

1073

00:51:27,590 --> 00:51:16,740

of our content and we really appreciate

1074

00:51:30,170 --> 00:51:27,600

your support thank you hello everyone

1075

00:51:33,080 --> 00:51:30,180

Lori and fenton here hosted the

1076  
00:51:35,570 --> 00:51:33,090  
California MUFON radio show asking if

1077  
00:51:39,680 --> 00:51:35,580  
you'd like special access to exclusive

1078  
00:51:42,980 --> 00:51:39,690  
and amazing information about UFOs the

1079  
00:51:46,010 --> 00:51:42,990  
paranormal and all things unexplained if

1080  
00:51:49,340 --> 00:51:46,020  
you're nodding yes then join I rn's

1081  
00:51:51,800 --> 00:51:49,350  
insider club as an insider club member

1082  
00:51:54,680 --> 00:51:51,810  
you'll get an all-access pass to premier

1083  
00:51:56,840 --> 00:51:54,690  
inception radio network content for only

1084  
00:52:00,140 --> 00:51:56,850  
four dollars and ninety-nine cents a

1085  
00:52:02,630 --> 00:52:00,150  
month this includes live UFO and

1086  
00:52:04,650 --> 00:52:02,640  
paranormal conferences live streaming

1087  
00:52:07,470 --> 00:52:04,660  
UFO sky watches

1088  
00:52:10,890 --> 00:52:07,480

exclusive irn radio and TV productions

1089

00:52:13,079 --> 00:52:10,900

and of course paying radio with MJ and

1090

00:52:16,140 --> 00:52:13,089

Ken Storch so don't wait any longer
