

Exposing the Truth, One Secret at a Time

NIGHTVISION

Host: René Barnett

RADIO

Michael Tellingner

1
00:00:08,890 --> 00:00:02,629
you're locked into inception radio

2
00:00:16,120 --> 00:00:12,520
your tune in tonight vision radio

3
00:00:18,890 --> 00:00:16,130
exposing the truth one secret at a time

4
00:00:22,310 --> 00:00:18,900
prepare yourself as we explore the

5
00:00:25,730 --> 00:00:22,320
shadow world's suppressed history secret

6
00:00:28,189 --> 00:00:25,740
knowledge forbidden religion and shine a

7
00:00:45,530 --> 00:00:28,199
light on the conspiracies to keep it all

8
00:00:45,540 --> 00:00:48,680
you know

9
00:00:48,690 --> 00:01:10,430
what

10
00:01:18,320 --> 00:01:16,040
welcome to night vision radio hey

11
00:01:20,720 --> 00:01:18,330
everybody thanks so much for joining us

12
00:01:22,610 --> 00:01:20,730
glad you could be here tonight I'm glad

13
00:01:25,550 --> 00:01:22,620

to be here too i've sort of been a

14

00:01:27,740 --> 00:01:25,560

victim of that flu bug this week it's

15

00:01:29,570 --> 00:01:27,750

gone all through my house and I was the

16

00:01:31,490 --> 00:01:29,580

last person to get it i thought i was

17

00:01:33,710 --> 00:01:31,500

going to miss it but i didn't so i'm

18

00:01:36,530 --> 00:01:33,720

glad that i have the guests that i've

19

00:01:38,840 --> 00:01:36,540

chosen on for tonight because he's so

20

00:01:40,640 --> 00:01:38,850

brilliant and so entertaining that he's

21

00:01:42,530 --> 00:01:40,650

just going to make my job easy i could

22

00:01:46,010 --> 00:01:42,540

just lie right down here and just let

23

00:01:49,310 --> 00:01:46,020

him take it away pretty much but i want

24

00:01:51,560 --> 00:01:49,320

to introduce him now he is an author

25

00:01:54,560 --> 00:01:51,570

he's an explorer he sort of a real-life

26

00:01:58,070 --> 00:01:54,570

indiana jones for that matter and he's

27

00:02:00,860 --> 00:01:58,080

also was a presidential candidate for

28

00:02:03,980 --> 00:02:00,870

South Africa my guest tonight is michael

29

00:02:06,710 --> 00:02:03,990

telling Michael hi how you doin a nice

30

00:02:08,510 --> 00:02:06,720

to hear your voice again yeah same at

31

00:02:10,790 --> 00:02:08,520

same here it's always great to speak

32

00:02:12,530 --> 00:02:10,800

with you especially when I can rope you

33

00:02:15,050 --> 00:02:12,540

into getting up early in the morning I

34

00:02:17,330 --> 00:02:15,060

know it's 530am there in South Africa

35

00:02:19,880 --> 00:02:17,340

and I really appreciate you doing that

36

00:02:22,430 --> 00:02:19,890

for us because this is a great way to

37

00:02:24,979 --> 00:02:22,440

share some of the great information

38

00:02:26,930 --> 00:02:24,989

about not only what you're doing in

39

00:02:29,930 --> 00:02:26,940

terms of your discoveries and

40

00:02:32,240 --> 00:02:29,940

explorations but also about this

41

00:02:34,670 --> 00:02:32,250

movement that you're heavily involved in

42

00:02:38,720 --> 00:02:34,680

the abundant so we want to get into all

43

00:02:40,250 --> 00:02:38,730

that this evening you know I guess we

44

00:02:42,710 --> 00:02:40,260

could just start wherever you'd like to

45

00:02:47,810 --> 00:02:42,720

go first of all you want to talk about

46

00:02:50,449 --> 00:02:47,820

that that candidacy first well what's

47

00:02:51,979 --> 00:02:50,459

that all about the the candidacy is

48

00:02:53,990 --> 00:02:51,989

obviously connected to the Ubuntu

49

00:02:55,640 --> 00:02:54,000

movement some of your listeners will be

50

00:02:58,400 --> 00:02:55,650

aware of this and they wouldn't a

51
00:03:00,050 --> 00:02:58,410
movement to it was then turned it so

52
00:03:01,880 --> 00:03:00,060
really the full name is there bunch of

53
00:03:04,370 --> 00:03:01,890
liberation movement it's a movement of

54
00:03:05,900 --> 00:03:04,380
higher consciousness and exposing truth

55
00:03:08,420 --> 00:03:05,910
and knowledge and information the way

56
00:03:10,220 --> 00:03:08,430
that you do too many of the people that

57
00:03:12,920 --> 00:03:10,230
are still asleep but uh but know that

58
00:03:15,290 --> 00:03:12,930
something is wrong and once people get a

59
00:03:17,300 --> 00:03:15,300
hold of the truth then they can't let go

60
00:03:19,880 --> 00:03:17,310
of it and you know how it is it becomes

61
00:03:22,670 --> 00:03:19,890
like something it just grabs ahold of

62
00:03:23,910 --> 00:03:22,680
you and resonates with you within you so

63
00:03:26,820 --> 00:03:23,920

the abundant move

64

00:03:31,229 --> 00:03:26,830

and became a political party in south

65

00:03:35,220 --> 00:03:31,239

africa in around 2010 and between 2010

66

00:03:37,080 --> 00:03:35,230

2012 really for the simple reason that

67

00:03:39,360 --> 00:03:37,090

some of the statements we are making us

68

00:03:41,600 --> 00:03:39,370

a radical that it could be seen as

69

00:03:45,330 --> 00:03:41,610

undermining the economy of the country

70

00:03:47,610 --> 00:03:45,340

by the draconian authorities or it could

71

00:03:50,220 --> 00:03:47,620

be seen as treason or we could be we

72

00:03:52,710 --> 00:03:50,230

could be called like you know but

73

00:03:55,500 --> 00:03:52,720

possibly labeled as a quasi terrorist

74

00:03:58,309 --> 00:03:55,510

organization or some some nonsense that

75

00:04:00,180 --> 00:03:58,319

they'd normally like to slander

76

00:04:01,770 --> 00:04:00,190

individuals with that are trying to

77

00:04:06,000 --> 00:04:01,780

share information and knowledge and

78

00:04:07,559 --> 00:04:06,010

promote true and real freedom so it

79

00:04:09,390 --> 00:04:07,569

became a political movement because

80

00:04:10,740 --> 00:04:09,400

under on a political platform we can

81

00:04:12,509 --> 00:04:10,750

pretty much say what we want because

82

00:04:15,059 --> 00:04:12,519

that is our promise to the people and

83

00:04:16,530 --> 00:04:15,069

our manifesto you know if if we decide

84

00:04:18,300 --> 00:04:16,540

that we believe all women should wear

85

00:04:20,879 --> 00:04:18,310

green dresses on Mondays and have

86

00:04:22,440 --> 00:04:20,889

pigtails in their hair we can say that

87

00:04:25,710 --> 00:04:22,450

as a political party as crazy as that

88

00:04:27,780 --> 00:04:25,720

may sound and i guess some political

89

00:04:32,670 --> 00:04:27,790

parties do stupid things like that right

90

00:04:36,719 --> 00:04:32,680

yeah yes i think that's an

91

00:04:38,880 --> 00:04:36,729

understatement yeah but but so the the

92

00:04:41,250 --> 00:04:38,890

South African elections happen every

93

00:04:46,680 --> 00:04:41,260

five years and they just happen to have

94

00:04:48,450 --> 00:04:46,690

fallen on the 7th of May 2014 and it was

95

00:04:50,400 --> 00:04:48,460

really at that stage that the Ubuntu

96

00:04:54,570 --> 00:04:50,410

party that participated in the South

97

00:04:57,060 --> 00:04:54,580

African elections so by some weird

98

00:04:59,310 --> 00:04:57,070

twisted fate I ended up running for

99

00:05:03,390 --> 00:04:59,320

president which is strange funny but

100

00:05:06,750 --> 00:05:03,400

it's true and so you know obviously we

101
00:05:08,969 --> 00:05:06,760
didn't get into Parliament we we did

102
00:05:11,159 --> 00:05:08,979
expect I must admit to get at least one

103
00:05:12,690 --> 00:05:11,169
seat in parliament because we had we

104
00:05:15,029 --> 00:05:12,700
developed a huge following of about a

105
00:05:17,340 --> 00:05:15,039
million people based on the emails and

106
00:05:20,629 --> 00:05:17,350
SMS is that we received through our

107
00:05:23,700 --> 00:05:20,639
media campaign but obviously we all know

108
00:05:25,529 --> 00:05:23,710
well your listeners will know that those

109
00:05:28,500 --> 00:05:25,539
that are awake that the elections are

110
00:05:30,810 --> 00:05:28,510
completely rigged and crooked and that

111
00:05:32,640 --> 00:05:30,820
was our major discovery we realized how

112
00:05:34,720 --> 00:05:32,650
completely rigged and crooked the

113
00:05:37,700 --> 00:05:34,730

elections really are

114

00:05:40,880 --> 00:05:37,710

you know didn't didn't you get a

115

00:05:44,270 --> 00:05:40,890

position in our table into Mumma got a

116

00:05:47,210 --> 00:05:44,280

position on the ballot in England wasn't

117

00:05:50,660 --> 00:05:47,220

it yes well that's the latest the

118

00:05:53,000 --> 00:05:50,670

breaking parties yes the winter party UK

119

00:05:55,130 --> 00:05:53,010

is now registered as a political party

120

00:05:58,640 --> 00:05:55,140

in the United Kingdom and will be

121

00:06:01,760 --> 00:05:58,650

participating in the UK elections guess

122

00:06:04,070 --> 00:06:01,770

what date it is the 7th of May the same

123

00:06:07,490 --> 00:06:04,080

as South African elections seventh of

124

00:06:10,790 --> 00:06:07,500

may 2015 are the UK elections and that

125

00:06:13,220 --> 00:06:10,800

is a huge huge global happening because

126

00:06:15,350 --> 00:06:13,230

as far as I know and you know you can

127

00:06:19,850 --> 00:06:15,360

correct me if I'm wrong this is the

128

00:06:21,290 --> 00:06:19,860

first time and that a party that started

129

00:06:24,500 --> 00:06:21,300

as a liberation movement of higher

130

00:06:26,600 --> 00:06:24,510

consciousness and enlightenment if you

131

00:06:29,540 --> 00:06:26,610

want to call it that has become a

132

00:06:32,510 --> 00:06:29,550

political party and is now participated

133

00:06:35,180 --> 00:06:32,520

in an election in one country and the

134

00:06:37,340 --> 00:06:35,190

following year is participating in an

135

00:06:40,910 --> 00:06:37,350

election in another country with exactly

136

00:06:42,260 --> 00:06:40,920

the same manifesto the same philosophy

137

00:06:46,010 --> 00:06:42,270

and principles of higher consciousness

138

00:06:48,140 --> 00:06:46,020

of unity and creating abundance through

139

00:06:53,450 --> 00:06:48,150

cooperation rather than competition and

140

00:06:55,670 --> 00:06:53,460

and step-by-step the manifesto of the UK

141

00:06:59,330 --> 00:06:55,680

party is the same as we had in South

142

00:07:02,180 --> 00:06:59,340

Africa so this is a historic moment for

143

00:07:03,680 --> 00:07:02,190

for our planet and the seat of

144

00:07:05,300 --> 00:07:03,690

consciousness is really starting to

145

00:07:11,120 --> 00:07:05,310

spread around the world and the USA will

146

00:07:15,350 --> 00:07:11,130

be next in 2016 Wow now you know last

147

00:07:17,510 --> 00:07:15,360

week on the show we had on author Gloria

148

00:07:20,650 --> 00:07:17,520

Amendola who's also a good friend of

149

00:07:24,560 --> 00:07:20,660

mine and we were talking about sort of

150

00:07:28,040 --> 00:07:24,570

the way the you know the banking system

151

00:07:30,650 --> 00:07:28,050

and the economic system has come to this

152

00:07:34,190 --> 00:07:30,660

crisis point in that we know so many

153

00:07:37,100 --> 00:07:34,200

people who you know have always managed

154

00:07:40,550 --> 00:07:37,110

to do quite well and who are now you

155

00:07:42,920 --> 00:07:40,560

know losing their homes having to file

156

00:07:46,040 --> 00:07:42,930

for unemployment if if they're eligible

157

00:07:47,780 --> 00:07:46,050

and in all coming all kinds of problems

158

00:07:50,180 --> 00:07:47,790

economically just getting on

159

00:07:53,120 --> 00:07:50,190

feet just you know there and the people

160

00:07:55,280 --> 00:07:53,130

that are working are working but there

161

00:07:57,620 --> 00:07:55,290

were there making much less than they

162

00:08:01,340 --> 00:07:57,630

made before it just seems our system is

163

00:08:03,050 --> 00:08:01,350

so corrupt and I was telling her you

164

00:08:06,320 --> 00:08:03,060

know and in the listeners last week you

165

00:08:10,900 --> 00:08:06,330

know this reminds me of michael

166

00:08:13,250 --> 00:08:10,910

telling idea of contribution ism and

167

00:08:15,500 --> 00:08:13,260

that we were going to get into that some

168

00:08:18,440 --> 00:08:15,510

tonight now I know that will sound

169

00:08:20,660 --> 00:08:18,450

really radical to some people and

170

00:08:23,450 --> 00:08:20,670

they'll say oh it's you know communist

171

00:08:26,270 --> 00:08:23,460

it's this it's that but could you

172

00:08:28,460 --> 00:08:26,280

explain this idea because that's sort of

173

00:08:31,340 --> 00:08:28,470

at the heart of the bunch of movement

174

00:08:34,580 --> 00:08:31,350

isn't it oh absolutely it's at the heart

175

00:08:38,020 --> 00:08:34,590

of any conscious living breathing human

176

00:08:40,310 --> 00:08:38,030

being once they start to uncover the

177

00:08:42,500 --> 00:08:40,320

atrocities and the criminal activities

178

00:08:45,170 --> 00:08:42,510

of the global banking families and the

179

00:08:46,490 --> 00:08:45,180

banking cabal and in here for that for

180

00:08:48,740 --> 00:08:46,500

your listeners that are still not aware

181

00:08:50,540 --> 00:08:48,750

of this just really just go do some

182

00:08:53,030 --> 00:08:50,550

research or read my book Ubuntu

183

00:08:55,700 --> 00:08:53,040

contribution ISM a blueprint for human

184

00:08:57,740 --> 00:08:55,710

prosperity you can get it on Amazon or

185

00:08:59,210 --> 00:08:57,750

download the e-book from our website but

186

00:09:01,360 --> 00:08:59,220

because it's it's really really

187

00:09:03,800 --> 00:09:01,370

important that you inform yourself about

188

00:09:06,920 --> 00:09:03,810

the origins of money and the history of

189

00:09:09,200 --> 00:09:06,930

money how it has come to be what it is

190

00:09:11,810 --> 00:09:09,210

today and who controls it because it's

191

00:09:13,700 --> 00:09:11,820

only when people understand the supply

192

00:09:15,620 --> 00:09:13,710

of money in the world who's behind it

193

00:09:18,230 --> 00:09:15,630

how it works that you realize the

194

00:09:20,690 --> 00:09:18,240

absolute criminal activity that's taking

195

00:09:23,240 --> 00:09:20,700

place and and that's really what it is

196

00:09:25,550 --> 00:09:23,250

the global financial system is the

197

00:09:27,890 --> 00:09:25,560

largest organized crime syndicate in the

198

00:09:29,600 --> 00:09:27,900

world today the only reason they not

199

00:09:31,400 --> 00:09:29,610

behind bars is because they're the guys

200

00:09:32,870 --> 00:09:31,410

that control the government's who

201
00:09:34,880 --> 00:09:32,880
control the legal system and the

202
00:09:37,370 --> 00:09:34,890
judiciary that right the law rights the

203
00:09:41,570 --> 00:09:37,380
laws for the respective countries that

204
00:09:44,030 --> 00:09:41,580
keep these criminals in in control and

205
00:09:47,750 --> 00:09:44,040
that's really as simple as it is so

206
00:09:49,670 --> 00:09:47,760
until people understand the origins of

207
00:09:51,350 --> 00:09:49,680
money and how it's controlled they will

208
00:09:53,360 --> 00:09:51,360
never be able to figure out why the

209
00:09:56,120 --> 00:09:53,370
world is so screwed up and so messed up

210
00:09:58,280 --> 00:09:56,130
and why things just don't work out so in

211
00:10:01,250 --> 00:09:58,290
that same breath the Ubuntu movement

212
00:10:04,340 --> 00:10:01,260
really reminds people that we don't need

213
00:10:06,170 --> 00:10:04,350

money we need people money does nothing

214

00:10:07,670 --> 00:10:06,180

people do everything people plant the

215

00:10:10,060 --> 00:10:07,680

seeds grow the food developed a

216

00:10:12,110 --> 00:10:10,070

technology and the and solve the

217

00:10:14,120 --> 00:10:12,120

mathematical and scientific equations

218

00:10:16,900 --> 00:10:14,130

people are capable of infinite love and

219

00:10:19,490 --> 00:10:16,910

create beautiful music and info and and

220

00:10:21,710 --> 00:10:19,500

brehtaking works of art money does

221

00:10:25,610 --> 00:10:21,720

nothing it's just a tool of enslavement

222

00:10:29,600 --> 00:10:25,620

that has slowly been woven into our into

223

00:10:31,640 --> 00:10:29,610

our psyche and our world that so much so

224

00:10:33,710 --> 00:10:31,650

that we believe that money has been part

225

00:10:38,270 --> 00:10:33,720

of our you know human evolution forever

226

00:10:40,460 --> 00:10:38,280

and that is not true so yes so what we

227

00:10:42,320 --> 00:10:40,470

do is we inform and educate people first

228

00:10:44,570 --> 00:10:42,330

and then explain to them that the only

229

00:10:46,550 --> 00:10:44,580

way to relieve ourselves from this

230

00:10:49,220 --> 00:10:46,560

global economic crisis as you say

231

00:10:51,110 --> 00:10:49,230

everyone is affected by it now even

232

00:10:55,280 --> 00:10:51,120

people that were previously doing really

233

00:10:57,910 --> 00:10:55,290

well economically yeah and and and

234

00:11:00,230 --> 00:10:57,920

remind people that the only way we can

235

00:11:02,780 --> 00:11:00,240

free ourselves from the slavery is to

236

00:11:05,120 --> 00:11:02,790

stop using the tools of enslavement to

237

00:11:07,520 --> 00:11:05,130

stop using the money that is forced on

238

00:11:09,230 --> 00:11:07,530

our throats by the private global banks

239

00:11:10,970 --> 00:11:09,240

which includes the Federal Reserve the

240

00:11:12,770 --> 00:11:10,980

United States the south african reserve

241

00:11:16,250 --> 00:11:12,780

bank the bank of england and so it goes

242

00:11:18,260 --> 00:11:16,260

every country is a private has a private

243

00:11:21,110 --> 00:11:18,270

corporation that's controlled by a small

244

00:11:23,810 --> 00:11:21,120

number of individuals from City of

245

00:11:25,760 --> 00:11:23,820

London and Basel Switzerland that

246

00:11:27,890 --> 00:11:25,770

control all these central banks that are

247

00:11:29,900 --> 00:11:27,900

private companies and this is why we

248

00:11:31,790 --> 00:11:29,910

have interest while we have taxes while

249

00:11:33,980 --> 00:11:31,800

we have levies and fees attached to

250

00:11:36,380 --> 00:11:33,990

everything because if we had a people's

251
00:11:38,390 --> 00:11:36,390
bank that issues money for the people by

252
00:11:40,370 --> 00:11:38,400
the people tax-free and interest free

253
00:11:42,470 --> 00:11:40,380
there will be no interest there will be

254
00:11:45,080 --> 00:11:42,480
no inflation there'll be no taxes no

255
00:11:48,110 --> 00:11:45,090
levees no fees because we the people be

256
00:11:51,170 --> 00:11:48,120
issuing our own money and it in essence

257
00:11:54,230 --> 00:11:51,180
that's what happened to JFK when issued

258
00:11:55,580 --> 00:11:54,240
in 1963 the United States notes and

259
00:11:57,560 --> 00:11:55,590
prevented the Federal Reserve from

260
00:11:59,480 --> 00:11:57,570
printing the Federal Reserve notes you

261
00:12:04,100 --> 00:11:59,490
know six months later he was taken out

262
00:12:05,840 --> 00:12:04,110
Wow yeah exactly sir hmm and very soon

263
00:12:07,700 --> 00:12:05,850

the Fed started printing the United

264

00:12:10,880 --> 00:12:07,710

States money again so this is all in my

265

00:12:12,980 --> 00:12:10,890

book as well just to again this is to

266

00:12:14,670 --> 00:12:12,990

too many people this is horrific and

267

00:12:16,170 --> 00:12:14,680

shocking information but in

268

00:12:20,639 --> 00:12:16,180

once they get over the shock and horror

269

00:12:24,600 --> 00:12:20,649

of it the solutions become very obvious

270

00:12:26,670 --> 00:12:24,610

get rid of the money and so the whole of

271

00:12:29,010 --> 00:12:26,680

boontem movement philosophy is just

272

00:12:34,680 --> 00:12:29,020

making people taking people through the

273

00:12:37,350 --> 00:12:34,690

step-by-step a deep detox program from

274

00:12:40,230 --> 00:12:37,360

the money system really and make you

275

00:12:43,430 --> 00:12:40,240

realize how do we go from living in a

276

00:12:48,090 --> 00:12:43,440

capitalist money-driven holding

277

00:12:50,310 --> 00:12:48,100

consumeristic society where where you

278

00:12:52,680 --> 00:12:50,320

know everything gets discarded within

279

00:12:56,400 --> 00:12:52,690

minutes or days or hours or years within

280

00:12:59,220 --> 00:12:56,410

user using it and moving into a society

281

00:13:01,199 --> 00:12:59,230

where we do not compete for being top of

282

00:13:03,900 --> 00:13:01,209

the pile but we rather cooperate for the

283

00:13:06,870 --> 00:13:03,910

greatest good of everyone in our

284

00:13:10,530 --> 00:13:06,880

respective communities or or countries

285

00:13:13,139 --> 00:13:10,540

or states or wherever you are so it's

286

00:13:15,300 --> 00:13:13,149

not communism it is not socialism it's

287

00:13:17,579 --> 00:13:15,310

not fascism it's not anything that we've

288

00:13:20,130 --> 00:13:17,589

ever had because all these other systems

289

00:13:23,430 --> 00:13:20,140

were always connected to money so

290

00:13:25,680 --> 00:13:23,440

contribution ism is a system that allows

291

00:13:27,420 --> 00:13:25,690

people the freedom to figure out how

292

00:13:30,329 --> 00:13:27,430

we're going to free ourselves from the

293

00:13:32,340 --> 00:13:30,339

enslavement of money and it becomes a

294

00:13:35,190 --> 00:13:32,350

beautiful journey of discovery because

295

00:13:37,230 --> 00:13:35,200

as you start as you allow yourself once

296

00:13:38,820 --> 00:13:37,240

you get through the fear of not having

297

00:13:40,800 --> 00:13:38,830

money because many people go into that

298

00:13:42,090 --> 00:13:40,810

field oh my god what are we gonna do we

299

00:13:43,860 --> 00:13:42,100

don't have money how are we gonna buy

300

00:13:46,530 --> 00:13:43,870

stuff you know and how are we gonna

301
00:13:49,650 --> 00:13:46,540
survive you know well learn how to grow

302
00:13:52,440 --> 00:13:49,660
food learn how to do things learn true

303
00:13:54,210 --> 00:13:52,450
skills for life instead of getting a

304
00:13:57,030 --> 00:13:54,220
certificate with which you go and find a

305
00:14:00,210 --> 00:13:57,040
job which just propagates the whole

306
00:14:02,280 --> 00:14:00,220
money enslavement system once people

307
00:14:04,560 --> 00:14:02,290
start realizing at the entire education

308
00:14:06,269 --> 00:14:04,570
system is deeply and utterly connected

309
00:14:08,490 --> 00:14:06,279
and manipulated by these people that

310
00:14:11,610 --> 00:14:08,500
control the money supply that's another

311
00:14:13,290 --> 00:14:11,620
deepening realization of how desperately

312
00:14:18,240 --> 00:14:13,300
it is that we need to free ourselves

313
00:14:19,860 --> 00:14:18,250

from her from this money trap um yes I

314

00:14:21,840 --> 00:14:19,870

know I went on a bit of a rant and rave

315

00:14:23,400 --> 00:14:21,850

there but again you know you ask a

316

00:14:25,079 --> 00:14:23,410

simple question but the answer is not

317

00:14:27,269 --> 00:14:25,089

always that that's simple because you

318

00:14:28,350 --> 00:14:27,279

got to connect a lot of dots especially

319

00:14:30,750 --> 00:14:28,360

for people that are new

320

00:14:33,210 --> 00:14:30,760

this information yeah and yeah me too

321

00:14:35,900 --> 00:14:33,220

this idea and and the information about

322

00:14:37,680 --> 00:14:35,910

what's going on and has been going on

323

00:14:41,850 --> 00:14:37,690

you know I've been doing a lot of

324

00:14:44,490 --> 00:14:41,860

research lately into the group that's

325

00:14:47,340 --> 00:14:44,500

known as anonymous I don't know if

326

00:14:49,740 --> 00:14:47,350

you're familiar with them but this I

327

00:14:53,970 --> 00:14:49,750

have two anonymous mosques sitting right

328

00:14:55,860 --> 00:14:53,980

behind me oh my gosh from from when we

329

00:14:59,880 --> 00:14:55,870

were doing our march against the banks

330

00:15:02,220 --> 00:14:59,890

in johannesburg in june 2013 and and

331

00:15:03,720 --> 00:15:02,230

some of the people arrived there at you

332

00:15:05,670 --> 00:15:03,730

know at the march against the banks of

333

00:15:07,079 --> 00:15:05,680

the major intersection in sandton one of

334

00:15:10,680 --> 00:15:07,089

the busiest like beverly hills of

335

00:15:13,769 --> 00:15:10,690

Johannesburg and they wore these masks

336

00:15:15,329 --> 00:15:13,779

and somehow went when they left I picked

337

00:15:16,590 --> 00:15:15,339

up to these mosques and I brought them

338

00:15:19,019 --> 00:15:16,600

home with me so they sitting right

339

00:15:22,380 --> 00:15:19,029

behind me oh that is so wild you know

340

00:15:25,800 --> 00:15:22,390

because I as I was doing the research

341

00:15:27,449 --> 00:15:25,810

into the group you know when I first

342

00:15:31,590 --> 00:15:27,459

heard of the group I thought old they

343

00:15:33,449 --> 00:15:31,600

sounds scary they look scary you know

344

00:15:36,110 --> 00:15:33,459

i'm not sure what they're up to and at

345

00:15:39,689 --> 00:15:36,120

first i think they started out just

346

00:15:44,269 --> 00:15:39,699

absolutely uh hacking into video games

347

00:15:47,370 --> 00:15:44,279

and you know just playing and having fun

348

00:15:51,960 --> 00:15:47,380

you know and probably annoying people

349

00:15:54,600 --> 00:15:51,970

but then later on it turned into

350

00:15:56,970 --> 00:15:54,610

something else it turned into more of a

351

00:16:00,780 --> 00:15:56,980

you know a human rights movement it

352

00:16:05,280 --> 00:16:00,790

seemed like and some of their ideas or

353

00:16:07,980 --> 00:16:05,290

ideals to me sound very much like the

354

00:16:09,780 --> 00:16:07,990

abundant and I guess what you're saying

355

00:16:14,509 --> 00:16:09,790

is maybe there's that's not too far from

356

00:16:23,490 --> 00:16:18,120

use that cover when you were doing doing

357

00:16:25,710 --> 00:16:23,500

your protests yeah and you know I it's

358

00:16:27,329 --> 00:16:25,720

off it's difficult to to really get to

359

00:16:31,130 --> 00:16:27,339

the bottom of the anonymous movement

360

00:16:36,090 --> 00:16:31,140

because they're a leaderless faceless

361

00:16:38,370 --> 00:16:36,100

bodyless the entity so but I must admit

362

00:16:40,740 --> 00:16:38,380

that and in principle I support much of

363

00:16:41,879 --> 00:16:40,750

what what they stand for and the message

364

00:16:44,429 --> 00:16:41,889

I send out

365

00:16:47,400 --> 00:16:44,439

and quite frankly we will also totally

366

00:16:49,439 --> 00:16:47,410

support if they had a way of of hacking

367

00:16:52,979 --> 00:16:49,449

into the global bank stirs head office

368

00:16:54,900 --> 00:16:52,989

and and and and and cracking their

369

00:16:57,629 --> 00:16:54,910

system so they could stop abusing and

370

00:17:00,599 --> 00:16:57,639

enslaving the people because that's one

371

00:17:02,879 --> 00:17:00,609

way of stopping the bankses you know if

372

00:17:05,129 --> 00:17:02,889

the entire global banking system had to

373

00:17:08,610 --> 00:17:05,139

collapse overnight what are we going to

374

00:17:12,299 --> 00:17:08,620

do and that's one of the probabilities

375

00:17:13,889 --> 00:17:12,309

that I actually posed in my book on a

376

00:17:15,389 --> 00:17:13,899

bunch of contribution ISM what are we

377

00:17:17,309 --> 00:17:15,399

going to do if the bank suddenly closed

378

00:17:19,379 --> 00:17:17,319

down off the entire global banking

379

00:17:21,840 --> 00:17:19,389

system crashed because of a solar flare

380

00:17:25,370 --> 00:17:21,850

or some other electromagnetic pulse that

381

00:17:29,490 --> 00:17:25,380

just disturbs the entire you know

382

00:17:31,590 --> 00:17:29,500

banking computer system you know you'll

383

00:17:33,720 --> 00:17:31,600

go to the ATM and no money will come out

384

00:17:37,379 --> 00:17:33,730

oh and what are people going to do next

385

00:17:39,629 --> 00:17:37,389

you know so that he'll be utter chaos so

386

00:17:41,850 --> 00:17:39,639

what we doing with the Ubuntu movement

387

00:17:45,750 --> 00:17:41,860

is also preparing people for a possible

388

00:17:47,700 --> 00:17:45,760

scenario of if the money runs out of the

389

00:17:51,360 --> 00:17:47,710

older blood banks shut down or the

390

00:17:53,310 --> 00:17:51,370

pogrom gets disturbed so there can be no

391

00:17:55,560 --> 00:17:53,320

banking now because there's no

392

00:17:58,139 --> 00:17:55,570

electricity like the United States has

393

00:18:02,310 --> 00:17:58,149

experienced on several occasions before

394

00:18:05,850 --> 00:18:02,320

of own large areas and other parts of

395

00:18:08,519 --> 00:18:05,860

the world too so we preparing the people

396

00:18:09,870 --> 00:18:08,529

to start figuring out that you know what

397

00:18:12,060 --> 00:18:09,880

you can survive without the money

398

00:18:14,279 --> 00:18:12,070

actually a lot better than with the

399

00:18:16,139 --> 00:18:14,289

money once people start working together

400

00:18:17,909 --> 00:18:16,149

and this is really what we what we

401
00:18:20,460 --> 00:18:17,919
promote and what I'll be promoting for

402
00:18:22,799 --> 00:18:20,470
the last 10 years is that competition is

403
00:18:24,330 --> 00:18:22,809
not good competition is something that

404
00:18:26,820 --> 00:18:24,340
we've been shoved down our throats since

405
00:18:28,710 --> 00:18:26,830
we very young and you know if you work

406
00:18:30,960 --> 00:18:28,720
very hard you can get to the top and you

407
00:18:33,060 --> 00:18:30,970
can be you know you can be the boss or

408
00:18:34,529 --> 00:18:33,070
you can own a large company and all

409
00:18:36,899 --> 00:18:34,539
these kind of things that are directly

410
00:18:38,970 --> 00:18:36,909
connected to capitalism and and the the

411
00:18:41,430 --> 00:18:38,980
pyramidal hierarchical structure that

412
00:18:44,850 --> 00:18:41,440
benefits a few at the expense of the

413
00:18:46,560 --> 00:18:44,860

rest of humanity so the entire bunt to

414

00:18:48,330 --> 00:18:46,570

philosophy and contribution ISM

415

00:18:49,950 --> 00:18:48,340

philosophy first of all it's based on

416

00:18:52,500 --> 00:18:49,960

the word of boon to is an ancient

417

00:18:55,440 --> 00:18:52,510

African expression that pretty much

418

00:18:57,299 --> 00:18:55,450

means unity within community where

419

00:18:59,669 --> 00:18:57,309

everybody benefits from everybody else's

420

00:19:01,830 --> 00:18:59,679

contributions today to their community

421

00:19:04,379 --> 00:19:01,840

and so in a nutshell that's what it is

422

00:19:06,779 --> 00:19:04,389

contribution ISM is just the modern word

423

00:19:08,820 --> 00:19:06,789

or the modern expression for the word of

424

00:19:11,490 --> 00:19:08,830

bun too because we can't expect people

425

00:19:13,769 --> 00:19:11,500

to go back you know 300 years or 500

426

00:19:16,259 --> 00:19:13,779

years to live in the tribal communities

427

00:19:18,330 --> 00:19:16,269

and yet we live in tribal eyes

428

00:19:21,659 --> 00:19:18,340

communities within our villages within

429

00:19:24,450 --> 00:19:21,669

our our suburbs in the giant cities and

430

00:19:26,610 --> 00:19:24,460

so forth and we could very quickly turn

431

00:19:28,500 --> 00:19:26,620

our communities into communities of

432

00:19:30,419 --> 00:19:28,510

abundance by cooperating working

433

00:19:33,090 --> 00:19:30,429

together for the greatest benefit of all

434

00:19:35,039 --> 00:19:33,100

the people in our community instead of

435

00:19:37,580 --> 00:19:35,049

having one guy owning everything and

436

00:19:43,379 --> 00:19:37,590

everyone else working as their slaves

437

00:19:46,049 --> 00:19:43,389

and it's it becomes very beautiful Renee

438

00:19:48,419 --> 00:19:46,059

when you start seeing the the abundance

439

00:19:50,940 --> 00:19:48,429

that comes out of cooperation as opposed

440

00:19:52,879 --> 00:19:50,950

to competition and I'm sure if you're if

441

00:19:55,830 --> 00:19:52,889

you listeners let their minds run wild

442

00:19:57,600 --> 00:19:55,840

as a simple example on the treatment for

443

00:19:59,909 --> 00:19:57,610

disease let's let's look at that for

444

00:20:02,039 --> 00:19:59,919

example you know why have they not found

445

00:20:05,009 --> 00:20:02,049

a cure for cancer well the answer is

446

00:20:07,470 --> 00:20:05,019

they have found a cure for cancer many

447

00:20:09,000 --> 00:20:07,480

many times over and over again but

448

00:20:10,830 --> 00:20:09,010

unfortunately that cure for cancer

449

00:20:13,710 --> 00:20:10,840

because of competition and the

450

00:20:17,879 --> 00:20:13,720

capitalistic corporate structure of our

451
00:20:20,820 --> 00:20:17,889
society those those cures are hidden and

452
00:20:23,940 --> 00:20:20,830
and removed from from other people by

453
00:20:26,700 --> 00:20:23,950
the giant drug cartels so they can

454
00:20:30,750 --> 00:20:26,710
continue making trillions of dollars out

455
00:20:34,440 --> 00:20:30,760
of disease and people remaining sick the

456
00:20:36,659 --> 00:20:34,450
same goes for free energy why is it that

457
00:20:39,419 --> 00:20:36,669
we still have to pay for electricity or

458
00:20:42,389 --> 00:20:39,429
drive cars that use petroleum instead of

459
00:20:44,310 --> 00:20:42,399
water or air or some other device well

460
00:20:46,049 --> 00:20:44,320
the answer is that once again that's

461
00:20:48,090 --> 00:20:46,059
controlled by the petroleum companies

462
00:20:51,899 --> 00:20:48,100
and the electric giants that keep us

463
00:20:54,539 --> 00:20:51,909

enslaved through their control all those

464

00:20:57,740 --> 00:20:54,549

technologies have been discovered but

465

00:21:01,259 --> 00:20:57,750

because of the the capitalistic model

466

00:21:04,490 --> 00:21:01,269

that that science and technology will

467

00:21:07,360 --> 00:21:04,500

not reach the masses until something

468

00:21:12,440 --> 00:21:07,370

drastic happens

469

00:21:18,950 --> 00:21:12,450

do you doesn't the the word Ubuntu also

470

00:21:22,940 --> 00:21:18,960

sort of refer to human kindness and

471

00:21:24,830 --> 00:21:22,950

humanity and and so I guess that's you

472

00:21:27,260 --> 00:21:24,840

know that would come with a system like

473

00:21:29,080 --> 00:21:27,270

that it is a system of kindness in a

474

00:21:31,790 --> 00:21:29,090

system of looking out for each other

475

00:21:33,740 --> 00:21:31,800

which of course is not what we have here

476

00:21:35,330 --> 00:21:33,750

and we've all been taught sort of you

477

00:21:37,460 --> 00:21:35,340

know especially here in the United

478

00:21:39,890 --> 00:21:37,470

States and probably other places you

479

00:21:42,080 --> 00:21:39,900

know you pull yourself up by your own

480

00:21:44,930 --> 00:21:42,090

bootstraps and you make it on your own

481

00:21:46,910 --> 00:21:44,940

you know that's supposed to be laudable

482

00:21:49,700 --> 00:21:46,920

that is you know you're to be

483

00:21:52,570 --> 00:21:49,710

congratulated on that but yeah that's

484

00:21:55,370 --> 00:21:52,580

just sort of our programming isn't it

485

00:21:58,700 --> 00:21:55,380

yeah that's exactly that is doing

486

00:22:00,500 --> 00:21:58,710

admirable and in some ways it is if

487

00:22:02,000 --> 00:22:00,510

someone works hard I can understand that

488

00:22:04,730 --> 00:22:02,010

but what are you working for you're

489

00:22:07,850 --> 00:22:04,740

working for you to make your own life

490

00:22:10,940 --> 00:22:07,860

better well that's nice but what about

491

00:22:13,100 --> 00:22:10,950

you know your fellow man absolutely

492

00:22:14,660 --> 00:22:13,110

that's that's exactly what the winter

493

00:22:17,810 --> 00:22:14,670

contributions in philosophy and the

494

00:22:21,250 --> 00:22:17,820

window party promotes is is the

495

00:22:23,570 --> 00:22:21,260

antithesis of the current capitalistic

496

00:22:26,960 --> 00:22:23,580

individualistic structure where people

497

00:22:29,000 --> 00:22:26,970

live in apartments separated from each

498

00:22:32,419 --> 00:22:29,010

other but we live in communities and

499

00:22:34,340 --> 00:22:32,429

societies and you know / fences in fear

500

00:22:36,410 --> 00:22:34,350

of each other we don't know what our

501
00:22:37,970 --> 00:22:36,420
neighbor does or we don't even know the

502
00:22:40,070 --> 00:22:37,980
names of our neighbors we don't know who

503
00:22:42,350 --> 00:22:40,080
they are where they come from what they

504
00:22:44,570 --> 00:22:42,360
do we know nothing where we completely

505
00:22:47,000 --> 00:22:44,580
isolated in our little in our little

506
00:22:49,010 --> 00:22:47,010
hovels in our boxes and we wake up in

507
00:22:53,210 --> 00:22:49,020
the morning and we go off like ants to

508
00:22:56,090 --> 00:22:53,220
some office somewhere we do some measly

509
00:22:57,890 --> 00:22:56,100
job for a few pennies every month just

510
00:23:01,040 --> 00:22:57,900
to pay for bread and milk and buttoned

511
00:23:04,190 --> 00:23:01,050
and electricity and and petrol for

512
00:23:06,680 --> 00:23:04,200
transport and and and when you spend all

513
00:23:08,360 --> 00:23:06,690

the money and the month has come to an

514

00:23:10,490 --> 00:23:08,370

end and you have to start the the grind

515

00:23:15,320 --> 00:23:10,500

all over again I mean that's not life

516

00:23:16,910 --> 00:23:15,330

that is pure slavery so this is exactly

517

00:23:18,710 --> 00:23:16,920

what they're going to malignant and and

518

00:23:20,630 --> 00:23:18,720

the philosophy of contribution ISM is

519

00:23:22,880 --> 00:23:20,640

trying to make people realize and

520

00:23:25,970 --> 00:23:22,890

wake up that we are completely enslaved

521

00:23:29,120 --> 00:23:25,980

and only we can make a change that's

522

00:23:31,190 --> 00:23:29,130

right i mean we're we're huge we have a

523

00:23:33,380 --> 00:23:31,200

lot of power we just don't we don't

524

00:23:36,410 --> 00:23:33,390

realize that i think because we think of

525

00:23:39,560 --> 00:23:36,420

ourselves as individuals always yeah and

526

00:23:41,890 --> 00:23:39,570

and this is the unity within community

527

00:23:46,070 --> 00:23:41,900

like you said the word ubuntu really

528

00:23:48,350 --> 00:23:46,080

says that it says that the people in the

529

00:23:50,150 --> 00:23:48,360

community work together for the greatest

530

00:23:53,060 --> 00:23:50,160

benefit of everybody in the community

531

00:23:55,430 --> 00:23:53,070

and you're not you're not worried about

532

00:23:57,470 --> 00:23:55,440

are you going to have food at the end of

533

00:23:59,840 --> 00:23:57,480

the day at the end of the week everybody

534

00:24:02,420 --> 00:23:59,850

has food and everybody has everything

535

00:24:04,910 --> 00:24:02,430

they need not just a little bit of it

536

00:24:06,920 --> 00:24:04,920

but in abundance so much of it that you

537

00:24:10,190 --> 00:24:06,930

don't even you know it's not even a

538

00:24:11,780 --> 00:24:10,200

consideration the the best kind of food

539

00:24:14,150 --> 00:24:11,790

the best technology the best

540

00:24:15,920 --> 00:24:14,160

entertainment the best arts and culture

541

00:24:18,980 --> 00:24:15,930

the best sporting facilities the best of

542

00:24:22,640 --> 00:24:18,990

everything you can imagine comes out of

543

00:24:26,360 --> 00:24:22,650

getting rid of money and working as a

544

00:24:28,970 --> 00:24:26,370

united community where people can

545

00:24:30,890 --> 00:24:28,980

operate to find the best solutions the

546

00:24:33,350 --> 00:24:30,900

best results for the whole community and

547

00:24:36,740 --> 00:24:33,360

not the best results for one individual

548

00:24:40,010 --> 00:24:36,750

at the expense of all the others that's

549

00:24:43,930 --> 00:24:40,020

it you know you know it sounds wonderful

550

00:24:47,180 --> 00:24:43,940

but putting it into a fact you know is

551
00:24:49,940 --> 00:24:47,190
seems sounds very very difficult it

552
00:24:55,160 --> 00:24:49,950
almost does seem like there would have

553
00:24:57,950 --> 00:24:55,170
to be some sort of crash yeah the I

554
00:25:02,150 --> 00:24:57,960
can't see a smooth transition for some

555
00:25:03,710 --> 00:25:02,160
reason well remember that the and then I

556
00:25:05,570 --> 00:25:03,720
agree with you and and the reason i

557
00:25:07,250 --> 00:25:05,580
agree with you immediately is because we

558
00:25:09,770 --> 00:25:07,260
are doing exactly that in our little

559
00:25:12,740 --> 00:25:09,780
town we are walking the talk and

560
00:25:14,660 --> 00:25:12,750
converting or truant or attempting to

561
00:25:17,000 --> 00:25:14,670
transform our little town of about five

562
00:25:20,210 --> 00:25:17,010
thousand people into a bun to

563
00:25:23,060 --> 00:25:20,220

contribution ism community it is not

564

00:25:27,080 --> 00:25:23,070

easy it's a really really tough job it's

565

00:25:32,120 --> 00:25:27,090

a tough task and every morning I wake up

566

00:25:34,190 --> 00:25:32,130

and I'll face these challenges and we're

567

00:25:37,460 --> 00:25:34,200

you really pushed right to the edge

568

00:25:42,230 --> 00:25:37,470

every day it has become a very stressful

569

00:25:46,610 --> 00:25:42,240

and a very difficult thing to do however

570

00:25:48,260 --> 00:25:46,620

I'm really surprised at and it's

571

00:25:51,140 --> 00:25:48,270

difficult for the reason that we are

572

00:25:52,880 --> 00:25:51,150

restricted by money okay not I need to

573

00:25:54,350 --> 00:25:52,890

really qualify this right up front it's

574

00:25:56,090 --> 00:25:54,360

not difficult because of the

575

00:25:58,130 --> 00:25:56,100

unwillingness of the people it's

576

00:26:00,130 --> 00:25:58,140

difficult because we are restricted by

577

00:26:03,290 --> 00:26:00,140

money and the entire economic system

578

00:26:07,190 --> 00:26:03,300

into which we've been completely sucked

579

00:26:09,530 --> 00:26:07,200

into the what surprises me is the

580

00:26:13,820 --> 00:26:09,540

willingness and the understanding of the

581

00:26:16,370 --> 00:26:13,830

people to participate in this transition

582

00:26:19,640 --> 00:26:16,380

that's completely taken me by surprise

583

00:26:21,140 --> 00:26:19,650

and especially here in South Africa in

584

00:26:23,230 --> 00:26:21,150

our little town where we have probably

585

00:26:25,280 --> 00:26:23,240

seventy to eighty percent unemployment

586

00:26:27,340 --> 00:26:25,290

you know you have people that have

587

00:26:30,580 --> 00:26:27,350

nothing people that have very little

588

00:26:35,750 --> 00:26:30,590

people that are illiterate people that

589

00:26:37,940 --> 00:26:35,760

that just have no idea of how to get on

590

00:26:40,480 --> 00:26:37,950

with life and yet these people and

591

00:26:45,850 --> 00:26:40,490

especially the young kids they the young

592

00:26:49,010 --> 00:26:45,860

people from 15 16 17 18 19 20 years old

593

00:26:52,130 --> 00:26:49,020

that are the real supporters of this a

594

00:26:53,720 --> 00:26:52,140

bun to movement and the transition to a

595

00:26:55,850 --> 00:26:53,730

world without money where we work

596

00:26:57,680 --> 00:26:55,860

together and start to create communities

597

00:27:01,660 --> 00:26:57,690

of abundance through our our

598

00:27:04,730 --> 00:27:01,670

collaborative cooperative efforts and

599

00:27:06,980 --> 00:27:04,740

this blows me away you know I didn't

600

00:27:08,810 --> 00:27:06,990

expect the youth the especially the

601
00:27:10,730 --> 00:27:08,820
black youth in South Africa in the

602
00:27:15,890 --> 00:27:10,740
townships with such high levels of

603
00:27:18,560 --> 00:27:15,900
unemployment to be so completely open to

604
00:27:21,290 --> 00:27:18,570
this and not only open attracted to it

605
00:27:24,590 --> 00:27:21,300
wherever I go it's the youth that

606
00:27:27,440 --> 00:27:24,600
responds more eagerly than any other

607
00:27:30,320 --> 00:27:27,450
sector of society I was just recently

608
00:27:32,000 --> 00:27:30,330
last weekend how I was invited to

609
00:27:35,330 --> 00:27:32,010
Johannesburg and this is happening more

610
00:27:37,100 --> 00:27:35,340
and more now we have tribal chiefs in

611
00:27:38,600 --> 00:27:37,110
South Africa we have these chiefdoms on

612
00:27:40,940 --> 00:27:38,610
these tribal lands and I believe that

613
00:27:43,520 --> 00:27:40,950

around 200 of these tribal lands with

614

00:27:45,020 --> 00:27:43,530

chiefs and Kings that actually run and

615

00:27:47,420 --> 00:27:45,030

control those lands

616

00:27:48,710 --> 00:27:47,430

a large amount of land in South Africa

617

00:27:51,200 --> 00:27:48,720

there is controlled by these tribal

618

00:27:53,420 --> 00:27:51,210

chiefs and kings and more and more of

619

00:27:54,890 --> 00:27:53,430

these Chiefs are hearing about what what

620

00:27:58,310 --> 00:27:54,900

our philosophy of a boon to and

621

00:28:00,740 --> 00:27:58,320

contribution ism is and I'm beings being

622

00:28:02,480 --> 00:28:00,750

invited in increasing numbers to come

623

00:28:05,480 --> 00:28:02,490

and talk and present these this

624

00:28:07,940 --> 00:28:05,490

philosophy to these Chiefs last weekend

625

00:28:10,400 --> 00:28:07,950

I was at one such place south of

626

00:28:13,040 --> 00:28:10,410

Johannesburg about a half an hour drive

627

00:28:15,950 --> 00:28:13,050

south of Johannesburg which is one area

628

00:28:17,750 --> 00:28:15,960

it's known as porky and it's it's an

629

00:28:20,980 --> 00:28:17,760

area known for being one of the poorest

630

00:28:23,960 --> 00:28:20,990

areas and there is a chief there who's

631

00:28:25,910 --> 00:28:23,970

who's just you know he when he speaks

632

00:28:29,090 --> 00:28:25,920

it's like I'm listening to myself speak

633

00:28:30,770 --> 00:28:29,100

it was incredible where he was

634

00:28:33,830 --> 00:28:30,780

addressing the people out in the middle

635

00:28:35,330 --> 00:28:33,840

of the field and the Blazing Sun the

636

00:28:37,820 --> 00:28:35,340

hope from the early in the morning until

637

00:28:40,450 --> 00:28:37,830

you know in the afternoon talking about

638

00:28:43,400 --> 00:28:40,460

how he is going to distribute the land

639

00:28:44,900 --> 00:28:43,410

free to the people and invite people

640

00:28:46,730 --> 00:28:44,910

from all over the country who want to

641

00:28:48,440 --> 00:28:46,740

live and he's chiefdom on this land to

642

00:28:50,180 --> 00:28:48,450

come and take a piece of land and come

643

00:28:51,440 --> 00:28:50,190

and live there but now they've got a

644

00:28:53,690 --> 00:28:51,450

problem how these people going to

645

00:28:56,390 --> 00:28:53,700

survive so they invited me to come and

646

00:28:59,000 --> 00:28:56,400

share the philosophy of this modern

647

00:29:01,190 --> 00:28:59,010

version of ubuntu called contribution

648

00:29:05,630 --> 00:29:01,200

ism how that will benefit the people and

649

00:29:07,490 --> 00:29:05,640

and they just love the message what we

650

00:29:09,800 --> 00:29:07,500

can do in essence with these tribal

651
00:29:12,380 --> 00:29:09,810
lands because these chiefs have final

652
00:29:14,660 --> 00:29:12,390
control and say over their land they can

653
00:29:18,140 --> 00:29:14,670
decide if they do not want to use that

654
00:29:20,540 --> 00:29:18,150
the electricity provider that is used by

655
00:29:22,370 --> 00:29:20,550
the rest of the country they can decide

656
00:29:25,010 --> 00:29:22,380
that they want to create and generate

657
00:29:26,840 --> 00:29:25,020
their own electricity supply which as

658
00:29:29,060 --> 00:29:26,850
you know in in other parts of the

659
00:29:32,030 --> 00:29:29,070
country as in the USA will be a problem

660
00:29:35,900 --> 00:29:32,040
but on tribal lands like in America and

661
00:29:38,570 --> 00:29:35,910
Canada you have the native Canadians and

662
00:29:42,260 --> 00:29:38,580
Native American people have have control

663
00:29:44,120 --> 00:29:42,270

over their own land Sir Michael I hate

664

00:29:45,470 --> 00:29:44,130

them I hate to jump in but we're gonna

665

00:29:46,940 --> 00:29:45,480

have to go to break and we'll be right

666

00:29:48,710 --> 00:29:46,950

back in just a few moments you're

667

00:29:54,790 --> 00:29:48,720

listening to night vision radio my guest

668

00:30:08,700 --> 00:29:58,790

you're listening to Ira the inception

669

00:30:13,500 --> 00:30:11,370

are you a fan of inception radio network

670

00:30:15,899 --> 00:30:13,510

do you reckon it's the best alternative

671

00:30:18,120 --> 00:30:15,909

talk radio station on the planet well if

672

00:30:21,120 --> 00:30:18,130

you do head to facebook.com forward

673

00:30:23,669 --> 00:30:21,130

slash inception radio network like the

674

00:30:36,029 --> 00:30:23,679

page tell your friends spread the word

675

00:30:41,009 --> 00:30:39,090

hello inception radio network would you

676

00:30:43,320 --> 00:30:41,019

like the favorite show to play it again

677

00:30:45,629 --> 00:30:43,330

live on air well now the choice is in

678

00:30:47,669 --> 00:30:45,639

your hands with I rn's live request

679

00:30:50,639 --> 00:30:47,679

portal an easy way to request your

680

00:30:52,379 --> 00:30:50,649

favorite show with a simple click I rn's

681

00:30:55,169 --> 00:30:52,389

live request portal now gives you

682

00:30:57,599 --> 00:30:55,179

exclusive access to all the shows how

683

00:31:00,269 --> 00:30:57,609

easy is it simply type a show name or a

684

00:31:02,849 --> 00:31:00,279

guest name click request even write a

685

00:31:05,039 --> 00:31:02,859

dedication message and that's it try it

686

00:31:07,950 --> 00:31:05,049

now simply visit inception radio network

687

00:31:10,379 --> 00:31:07,960

com click on the live requests tab under

688

00:31:15,240 --> 00:31:10,389

the show menu now playing your favorite

689

00:31:19,720 --> 00:31:17,710

don't have a computer is your internet

690

00:31:21,520 --> 00:31:19,730

connection down don't worry use your

691

00:31:25,149 --> 00:31:21,530

trusty cellphone or landline and call in

692

00:31:26,740 --> 00:31:25,159

to our listen line at 40 128 367 00 to

693

00:31:30,669 --> 00:31:26,750

listen to the inception radio network

694

00:31:33,700 --> 00:31:30,679

24-7 again that caller number is 401 to

695

00:31:38,630 --> 00:31:33,710

a 360 700 for the inception radio

696

00:31:42,630 --> 00:31:40,649

you didn't forget what's coming up

697

00:31:44,700 --> 00:31:42,640

tonight did you hi inception radio

698

00:31:46,230 --> 00:31:44,710

network listeners this is Amanda never

699

00:31:47,850 --> 00:31:46,240

miss that interview you were looking

700

00:31:51,210 --> 00:31:47,860

forward to or the show on your favorite

701
00:31:53,909 --> 00:31:51,220
topic follow irn on twitter i underscore

702
00:31:56,009 --> 00:31:53,919
our underscore n i get reminders about

703
00:31:57,480 --> 00:31:56,019
the evenings live shows as well as fun

704
00:32:00,509 --> 00:31:57,490
and important updates throughout the

705
00:32:05,880 --> 00:32:00,519
week that's i underscore our underscore

706
00:32:07,649 --> 00:32:05,890
n and never miss a great show again are

707
00:32:10,500 --> 00:32:07,659
you looking for a cure for boredom never

708
00:32:12,750 --> 00:32:10,510
worry i RN new interactive website

709
00:32:14,480 --> 00:32:12,760
introduces a number of ways to pass time

710
00:32:17,519 --> 00:32:14,490
while you listen to your favorite show

711
00:32:20,519 --> 00:32:17,529
choose anything from the irn chat lounge

712
00:32:23,250 --> 00:32:20,529
the game lounge video lounge with a mood

713
00:32:24,779 --> 00:32:23,260

lounge these fun exciting features let

714

00:32:27,269 --> 00:32:24,789

you chat in real time with fellow

715

00:32:29,909 --> 00:32:27,279

listeners view live spy watches play

716

00:32:31,470 --> 00:32:29,919

daily posted online games or pick a show

717

00:32:34,799 --> 00:32:31,480

based on topic the choices are endless

718

00:32:39,870 --> 00:32:34,809

use your time wisely keeping it all on

719

00:32:42,389 --> 00:32:39,880

IRA hey IRA listeners make sure you tune

720

00:32:44,430 --> 00:32:42,399

in to night vision radio with Renee

721

00:32:46,860 --> 00:32:44,440

Barnett Renee will be exposing the truth

722

00:32:49,919 --> 00:32:46,870

one secret at a time when Thursdays

723

00:32:59,750 --> 00:32:49,929

every Thursday 1030 p.m. eastern sub 30

724

00:32:59,760 --> 00:33:06,419

Simmons

725

00:33:11,110 --> 00:33:08,560

welcome back you're listening to night

726
00:33:13,630 --> 00:33:11,120
vision radio I'm your host Renee Barnett

727
00:33:17,320 --> 00:33:13,640
and my guest tonight is michael

728
00:33:20,410 --> 00:33:17,330
telling author explorer presidential

729
00:33:22,660 --> 00:33:20,420
candidate of South Africa Michael now we

730
00:33:25,540 --> 00:33:22,670
were talking about the Ubuntu movement

731
00:33:30,549 --> 00:33:25,550
and basically the sort of contribution

732
00:33:33,370 --> 00:33:30,559
ISM system that it promotes and that it

733
00:33:37,020 --> 00:33:33,380
stands for and you were talking about

734
00:33:40,840 --> 00:33:37,030
your small town there in South Africa of

735
00:33:45,100 --> 00:33:40,850
5,000 people where that system is being

736
00:33:46,570 --> 00:33:45,110
implemented it you know it seems you

737
00:33:50,169 --> 00:33:46,580
know night and I mentioned it seems like

738
00:33:52,419 --> 00:33:50,179

really difficult and as you said it is

739

00:33:56,590 --> 00:33:52,429

to implement a system like this without

740

00:34:00,850 --> 00:33:56,600

some sort of a big event some sort of a

741

00:34:04,210 --> 00:34:00,860

crash or something like that so how

742

00:34:05,950 --> 00:34:04,220

would how does that go into play I mean

743

00:34:08,639 --> 00:34:05,960

hey if you wanted to start it in your

744

00:34:11,320 --> 00:34:08,649

own community I mean how would you do it

745

00:34:12,970 --> 00:34:11,330

well Renee thanks for bringing that up

746

00:34:15,639 --> 00:34:12,980

it's really important for people to

747

00:34:16,960 --> 00:34:15,649

start visualizing this and then because

748

00:34:18,550 --> 00:34:16,970

once you visualize it then you're

749

00:34:21,129 --> 00:34:18,560

actually putting it into practice right

750

00:34:23,320 --> 00:34:21,139

you know we manifest our reality sir

751

00:34:26,740 --> 00:34:23,330

well we can't see it we can't do it so

752

00:34:29,409 --> 00:34:26,750

yeah exactly yes I remember that what

753

00:34:34,409 --> 00:34:29,419

what the objective is is to start people

754

00:34:37,750 --> 00:34:34,419

working together for the whole community

755

00:34:40,119 --> 00:34:37,760

now that might be confusing for some so

756

00:34:43,149 --> 00:34:40,129

the way that we've structured this is to

757

00:34:45,520 --> 00:34:43,159

create a number of community projects

758

00:34:48,430 --> 00:34:45,530

from recycling the rubbish dump to a

759

00:34:50,710 --> 00:34:48,440

bakery to a dairy with cheese buttermilk

760

00:34:53,139 --> 00:34:50,720

to a Wood factory a metal factory of

761

00:34:55,000 --> 00:34:53,149

fish farm I'm just mentioning the things

762

00:34:56,590 --> 00:34:55,010

that we've got here to fixing the sports

763

00:34:58,720 --> 00:34:56,600

fields the soccer field the rugby field

764

00:35:01,320 --> 00:34:58,730

the cricket fields the netball

765

00:35:04,120 --> 00:35:01,330

basketball fields tennis courts etc

766

00:35:06,400 --> 00:35:04,130

upgrading those creating making sure we

767

00:35:07,690 --> 00:35:06,410

go to regular games for the kids because

768

00:35:08,830 --> 00:35:07,700

at the moment they can't use those

769

00:35:12,070 --> 00:35:08,840

quotes in the fields because they

770

00:35:14,320 --> 00:35:12,080

completely destroyed so to create a town

771

00:35:16,610 --> 00:35:14,330

hall and a community center where we can

772

00:35:20,000 --> 00:35:16,620

show movies and documentaries and

773

00:35:22,910 --> 00:35:20,010

have have regular talent shows and

774

00:35:24,980 --> 00:35:22,920

performances by local artists and you

775

00:35:28,100 --> 00:35:24,990

know have sewing classes and pottery and

776

00:35:29,900 --> 00:35:28,110

etc so there are as many community

777

00:35:32,810 --> 00:35:29,910

projects as there are people with

778

00:35:34,910 --> 00:35:32,820

different talents and skills so each one

779

00:35:38,900 --> 00:35:34,920

of those can become a community project

780

00:35:41,090 --> 00:35:38,910

that then gets or is participated in by

781

00:35:42,920 --> 00:35:41,100

the people so let me give you a simple

782

00:35:46,640 --> 00:35:42,930

example imagine you have a town of a

783

00:35:48,710 --> 00:35:46,650

thousand people what we suggesting to

784

00:35:51,140 --> 00:35:48,720

start off with your first of all you

785

00:35:52,640 --> 00:35:51,150

can't go from zero to hero in one step

786

00:35:57,140 --> 00:35:52,650

we're not going to go from a

787

00:36:01,010 --> 00:35:57,150

capitalistic driven divided society into

788

00:36:02,810 --> 00:36:01,020

a harmonious contribution ISM community

789

00:36:05,240 --> 00:36:02,820

where everybody lives without money and

790

00:36:07,340 --> 00:36:05,250

has abundance beyond they belief but I'm

791

00:36:08,690 --> 00:36:07,350

going to show you how we transition from

792

00:36:10,910 --> 00:36:08,700

the one to the other so it's going to

793

00:36:12,380 --> 00:36:10,920

take several steps to get there but that

794

00:36:14,390 --> 00:36:12,390

doesn't mean it has to take a long time

795

00:36:16,910 --> 00:36:14,400

it just means we have to start walking

796

00:36:19,670 --> 00:36:16,920

those steps and be brave enough to know

797

00:36:20,660 --> 00:36:19,680

we're doing the right thing we know that

798

00:36:22,550 --> 00:36:20,670

what we've been doing for the last

799

00:36:25,220 --> 00:36:22,560

thousand six thousand years has not

800

00:36:29,750 --> 00:36:25,230

worked so whatever else we do is already

801
00:36:31,790 --> 00:36:29,760
better than what we've got sir so and

802
00:36:34,490 --> 00:36:31,800
what we doing we initiated all these

803
00:36:36,740 --> 00:36:34,500
community projects we've got inr town

804
00:36:39,890 --> 00:36:36,750
we've got about 24 community projects on

805
00:36:42,260 --> 00:36:39,900
the list we also do anything like

806
00:36:44,450 --> 00:36:42,270
signing a petition to make sure that the

807
00:36:46,970 --> 00:36:44,460
municipality can't override the

808
00:36:50,960 --> 00:36:46,980
community and in some of our activities

809
00:36:54,500 --> 00:36:50,970
or intended activities and that's going

810
00:36:56,720 --> 00:36:54,510
really well but imagine if if your

811
00:36:58,670 --> 00:36:56,730
community of a thousand people what we

812
00:37:01,130 --> 00:36:58,680
want people to do is to just contribute

813
00:37:03,230 --> 00:37:01,140

three hours a week to each one of these

814

00:37:07,760 --> 00:37:03,240

community projects three hours a week

815

00:37:09,800 --> 00:37:07,770

now that's 3,000 hours a week of people

816

00:37:12,560 --> 00:37:09,810

doing something for the community not

817

00:37:15,650 --> 00:37:12,570

for themselves for the community that's

818

00:37:17,930 --> 00:37:15,660

a lot of time that means you need a lot

819

00:37:20,990 --> 00:37:17,940

of community projects just to fit that

820

00:37:24,200 --> 00:37:21,000

the people the time of the people into

821

00:37:26,210 --> 00:37:24,210

into doing summer so now you can imagine

822

00:37:28,010 --> 00:37:26,220

once people start doing that they can

823

00:37:29,250 --> 00:37:28,020

still have a job so you you're not

824

00:37:31,620 --> 00:37:29,260

crashing the end

825

00:37:33,690 --> 00:37:31,630

the current system you still allow the

826

00:37:35,310 --> 00:37:33,700

people to carry on and earning money and

827

00:37:36,840 --> 00:37:35,320

pay their taxes and do the horrible

828

00:37:39,660 --> 00:37:36,850

stuff that they have to do the drudgery

829

00:37:43,290 --> 00:37:39,670

while they building the utopian

830

00:37:46,650 --> 00:37:43,300

community which they want to live in in

831

00:37:48,600 --> 00:37:46,660

the near future and as you start working

832

00:37:50,640 --> 00:37:48,610

three hours a week and these community

833

00:37:52,800 --> 00:37:50,650

projects you suddenly start to create

834

00:37:55,350 --> 00:37:52,810

because you're doing it collectively

835

00:37:57,330 --> 00:37:55,360

together you start to create an

836

00:38:00,840 --> 00:37:57,340

abundance of bread and milk and cheese

837

00:38:04,620 --> 00:38:00,850

and butter and everything else arts

838

00:38:06,840 --> 00:38:04,630

culture and so forth and the philosophy

839

00:38:08,880 --> 00:38:06,850

of contribution ISM is not to build a

840

00:38:10,530 --> 00:38:08,890

self-sustained community okay this is

841

00:38:11,850 --> 00:38:10,540

what I need to say right up front to

842

00:38:14,010 --> 00:38:11,860

people that might have the wrong idea

843

00:38:16,290 --> 00:38:14,020

we're not creating self-sustained

844

00:38:18,420 --> 00:38:16,300

communities Christophsis take

845

00:38:20,940 --> 00:38:18,430

communities do not work it's just a

846

00:38:24,240 --> 00:38:20,950

bigger version of me me me you know now

847

00:38:26,700 --> 00:38:24,250

it's just us us us a self-sustaining

848

00:38:28,590 --> 00:38:26,710

community we're okay jack and we don't

849

00:38:30,810 --> 00:38:28,600

care about our neighbors our neighboring

850

00:38:32,790 --> 00:38:30,820

towns and communities as long as we you

851
00:38:35,270 --> 00:38:32,800
know we're okay in our little town well

852
00:38:37,590 --> 00:38:35,280
that's not going to wash for very long

853
00:38:39,270 --> 00:38:37,600
until your neighbors start coming over

854
00:38:42,440 --> 00:38:39,280
your walls to take from me what you've

855
00:38:45,590 --> 00:38:42,450
got and what they don't have so the

856
00:38:48,030 --> 00:38:45,600
contribution of philosophy is that you

857
00:38:50,400 --> 00:38:48,040
whatever we do and all the community

858
00:38:52,560 --> 00:38:50,410
projects we create three times as much

859
00:38:54,810 --> 00:38:52,570
as what we need our selves in our own

860
00:38:57,360 --> 00:38:54,820
community so there's already a little

861
00:39:00,150 --> 00:38:57,370
bit of science behind it or planning

862
00:39:01,920 --> 00:39:00,160
that needs to go into it so that you

863
00:39:05,040 --> 00:39:01,930

start creating three times as much maize

864

00:39:07,530 --> 00:39:05,050

and potatoes and and whatever else you

865

00:39:10,410 --> 00:39:07,540

doing so that after you've consumed one

866

00:39:12,540 --> 00:39:10,420

third of what you need for your own

867

00:39:14,040 --> 00:39:12,550

community and remember that that

868

00:39:16,950 --> 00:39:14,050

one-third that you're creating for your

869

00:39:20,010 --> 00:39:16,960

community will be probably not free to

870

00:39:21,690 --> 00:39:20,020

start off with but very very cheap for

871

00:39:23,850 --> 00:39:21,700

the people that are participating in

872

00:39:28,110 --> 00:39:23,860

these community projects so they benefit

873

00:39:30,600 --> 00:39:28,120

a the first beneficiaries from the

874

00:39:32,880 --> 00:39:30,610

community projects will I get it pretty

875

00:39:35,100 --> 00:39:32,890

much virtually for free the rest of your

876

00:39:36,780 --> 00:39:35,110

own community gets it for a fraction of

877

00:39:40,230 --> 00:39:36,790

the cost that would normally cost and

878

00:39:42,330 --> 00:39:40,240

you're the the other two-thirds get

879

00:39:44,480 --> 00:39:42,340

exported and made available to

880

00:39:47,910 --> 00:39:44,490

your surrounding towns and communities

881

00:39:49,830 --> 00:39:47,920

so the moment you've done that you've

882

00:39:52,680 --> 00:39:49,840

pretty much collapsed the capitalistic

883

00:39:54,030 --> 00:39:52,690

model of all your surrounding towns and

884

00:39:56,370 --> 00:39:54,040

communities because all your neighbors

885

00:39:58,140 --> 00:39:56,380

will be coming to your town to buy the

886

00:40:00,980 --> 00:39:58,150

milk and bread and whatever else you

887

00:40:03,840 --> 00:40:00,990

doing or you'll be providing it to them

888

00:40:07,710 --> 00:40:03,850

you know what whatever platform whether

889

00:40:08,940 --> 00:40:07,720

it's a market farmers market or whatever

890

00:40:09,870 --> 00:40:08,950

whichever way you're going to make it

891

00:40:12,300 --> 00:40:09,880

available to your neighboring

892

00:40:13,980 --> 00:40:12,310

communities at a fraction of the cost

893

00:40:17,130 --> 00:40:13,990

that they can buy it in the supermarkets

894

00:40:19,080 --> 00:40:17,140

in their own towns so very quickly the

895

00:40:22,350 --> 00:40:19,090

people of the neighboring your neighbors

896

00:40:23,970 --> 00:40:22,360

will be saying hold on we need to do

897

00:40:26,760 --> 00:40:23,980

what our neighbors are doing over there

898

00:40:29,850 --> 00:40:26,770

and and they're very quickly they'll be

899

00:40:31,620 --> 00:40:29,860

following your lead so this is what I've

900

00:40:35,460 --> 00:40:31,630

been trying to explain to people for a

901
00:40:38,160 --> 00:40:35,470
long time now is that doesn't matter how

902
00:40:40,830 --> 00:40:38,170
small the community is as long as we

903
00:40:43,260 --> 00:40:40,840
create one town or one small village or

904
00:40:45,630 --> 00:40:43,270
community that can that can implement

905
00:40:50,340 --> 00:40:45,640
these philosophies and that can actually

906
00:40:52,590 --> 00:40:50,350
survive and are not are not forced to go

907
00:40:54,330 --> 00:40:52,600
back through you know the government

908
00:40:56,880 --> 00:40:54,340
sending the army in or something like

909
00:41:00,390 --> 00:40:56,890
that which is always a distinct

910
00:41:03,120 --> 00:41:00,400
possibility in the current system as we

911
00:41:04,590 --> 00:41:03,130
all know if if one little town can

912
00:41:07,460 --> 00:41:04,600
survive and doing this and do

913
00:41:09,150 --> 00:41:07,470

successfully and export this this

914

00:41:11,250 --> 00:41:09,160

abundance to their neighboring

915

00:41:13,800 --> 00:41:11,260

communities you've created the first

916

00:41:16,950 --> 00:41:13,810

domino effect and then it becomes

917

00:41:19,800 --> 00:41:16,960

unstoppable and this is why I claim that

918

00:41:22,800 --> 00:41:19,810

contribution ism and this unity within

919

00:41:25,280 --> 00:41:22,810

community and creates abundance beyond

920

00:41:30,690 --> 00:41:25,290

our wireless belief and it devours

921

00:41:35,540 --> 00:41:30,700

capitalism wherever it may be now I hear

922

00:41:37,950 --> 00:41:35,550

you talking about you know goods and in

923

00:41:40,560 --> 00:41:37,960

commodities things that people need food

924

00:41:44,130 --> 00:41:40,570

that sort of thing growing food how

925

00:41:48,829 --> 00:41:44,140

would a bun to be applied to the world

926
00:41:51,229 --> 00:41:48,839
of medicine well again

927
00:41:54,469 --> 00:41:51,239
you have a lot of people that work in

928
00:41:58,489 --> 00:41:54,479
the health services and healing industry

929
00:42:01,700 --> 00:41:58,499
and and and and and so forth that would

930
00:42:04,219 --> 00:42:01,710
be naturally drawn to your community and

931
00:42:06,109 --> 00:42:04,229
want to come into your into your

932
00:42:09,920 --> 00:42:06,119
community to work in the hospital or the

933
00:42:12,499 --> 00:42:09,930
clinic to apply their knowledge of

934
00:42:16,099 --> 00:42:12,509
alternative healing and so forth but

935
00:42:18,140 --> 00:42:16,109
again it all depends on your community

936
00:42:21,259 --> 00:42:18,150
and and the state of mind or the people

937
00:42:23,180 --> 00:42:21,269
in that community and so forth in our

938
00:42:24,890 --> 00:42:23,190

town for example we have a hospital up

939

00:42:26,839 --> 00:42:24,900

the mountain it's it's it's it's a

940

00:42:29,089 --> 00:42:26,849

hospital one of the most beautiful views

941

00:42:31,940 --> 00:42:29,099

in the world but unfortunately it's

942

00:42:33,920 --> 00:42:31,950

completely to fund you know you wait for

943

00:42:36,829 --> 00:42:33,930

three hours just get get a few stitches

944

00:42:38,539 --> 00:42:36,839

or to even get looked at and and there's

945

00:42:42,469 --> 00:42:38,549

nobody there it's just a lack of

946

00:42:44,059 --> 00:42:42,479

integrity a lack of of service of the

947

00:42:48,499 --> 00:42:44,069

people that are working there who have

948

00:42:50,630 --> 00:42:48,509

become government you know servants and

949

00:42:53,900 --> 00:42:50,640

that just don't give a damn about the

950

00:42:57,019 --> 00:42:53,910

people in their community so that the

951
00:43:01,069 --> 00:42:57,029
idea would be to bring volunteer doctors

952
00:43:04,400 --> 00:43:01,079
from around the world to our hospital

953
00:43:07,009 --> 00:43:04,410
and start to initiate new way of

954
00:43:10,999 --> 00:43:07,019
thinking and a new and new way of

955
00:43:15,170 --> 00:43:11,009
behaving by our own doctors and with

956
00:43:18,079 --> 00:43:15,180
them bring new modalities of healing and

957
00:43:20,329 --> 00:43:18,089
so forth and slowly but surely Allah

958
00:43:22,759 --> 00:43:20,339
show us a very quickly turning our

959
00:43:25,370 --> 00:43:22,769
little Hospital into a true place of

960
00:43:28,339 --> 00:43:25,380
healing where people are really looked

961
00:43:30,589 --> 00:43:28,349
after and healed very quickly and that

962
00:43:34,670 --> 00:43:30,599
that just permeates into the rest of

963
00:43:37,069 --> 00:43:34,680

your community and how this would affect

964

00:43:38,959 --> 00:43:37,079

how this would play itself out in other

965

00:43:41,989 --> 00:43:38,969

countries and other parts of the world I

966

00:43:45,519 --> 00:43:41,999

don't know but but this is why it's

967

00:43:49,880 --> 00:43:45,529

important to understand how these

968

00:43:53,359 --> 00:43:49,890

communities and and under control or the

969

00:43:56,870 --> 00:43:53,369

the leadership and of these urban two

970

00:43:59,479 --> 00:43:56,880

communities is taken care of it it works

971

00:44:02,550 --> 00:43:59,489

completely differently from the current

972

00:44:04,560 --> 00:44:02,560

top down instructional

973

00:44:06,480 --> 00:44:04,570

you'll do as we say from the government

974

00:44:09,390 --> 00:44:06,490

and young municipality and the local

975

00:44:10,950 --> 00:44:09,400

council down to the people those that

976
00:44:13,890 --> 00:44:10,960
have imposed themselves as the slave

977
00:44:16,890 --> 00:44:13,900
masters of the people and this is why I

978
00:44:18,870 --> 00:44:16,900
bother they want to message the people

979
00:44:20,430 --> 00:44:18,880
as just to remind them first of all is

980
00:44:22,590 --> 00:44:20,440
that the government has been appointed

981
00:44:24,780 --> 00:44:22,600
as the servant of the people the people

982
00:44:26,430 --> 00:44:24,790
in the minister local municipality are

983
00:44:28,170 --> 00:44:26,440
the servants of the people so keep

984
00:44:30,210 --> 00:44:28,180
reminding yourself and everyone in your

985
00:44:32,310 --> 00:44:30,220
community that we appointed them as our

986
00:44:34,230 --> 00:44:32,320
servants if they're not serving us then

987
00:44:36,810 --> 00:44:34,240
something is wrong and we need we need

988
00:44:38,610 --> 00:44:36,820

to remove them or a blessing with with

989

00:44:41,420 --> 00:44:38,620

people that really serve the community

990

00:44:44,400 --> 00:44:41,430

and what's best for the community so i

991

00:44:48,270 --> 00:44:44,410

just read some i'm sorry i don't

992

00:44:52,350 --> 00:44:48,280

remember who do a tribute to but i did

993

00:44:54,540 --> 00:44:52,360

read where someone said people should

994

00:44:56,880 --> 00:44:54,550

never be afraid of the government of

995

00:44:59,940 --> 00:44:56,890

their government their government should

996

00:45:02,160 --> 00:44:59,950

always be afraid of the people yeah you

997

00:45:03,870 --> 00:45:02,170

know the people should be the one that

998

00:45:06,510 --> 00:45:03,880

are in charge and we somehow got it

999

00:45:09,270 --> 00:45:06,520

switched around in this whole idea that

1000

00:45:13,560 --> 00:45:09,280

you're talking about I can see how it

1001
00:45:16,350 --> 00:45:13,570
would really take a shift in the way

1002
00:45:18,210 --> 00:45:16,360
that people think and I while I do see

1003
00:45:20,400 --> 00:45:18,220
that happening and I think you're

1004
00:45:21,720 --> 00:45:20,410
absolutely right about the young people

1005
00:45:25,590 --> 00:45:21,730
I've got a couple of them here in my

1006
00:45:29,130 --> 00:45:25,600
house and they already look at things

1007
00:45:31,980 --> 00:45:29,140
differently then than we did and more

1008
00:45:34,170 --> 00:45:31,990
than we were taught to think I guess but

1009
00:45:35,610 --> 00:45:34,180
it seems like this shift because I mean

1010
00:45:37,740 --> 00:45:35,620
here we you know especially here in the

1011
00:45:39,570 --> 00:45:37,750
United States you know people go to

1012
00:45:43,950 --> 00:45:39,580
school for eight years to become a

1013
00:45:45,750 --> 00:45:43,960

medical doctor and you know so that you

1014

00:45:48,120 --> 00:45:45,760

know hopefully because they want to help

1015

00:45:52,890 --> 00:45:48,130

people but also because it's one of the

1016

00:45:55,380 --> 00:45:52,900

highest paid jobs in our country so it

1017

00:45:58,260 --> 00:45:55,390

would take that shift and why am I

1018

00:46:00,390 --> 00:45:58,270

really involved in medicine am I

1019

00:46:02,610 --> 00:46:00,400

involved in medicine because it makes a

1020

00:46:06,000 --> 00:46:02,620

lot of money or am I involved in

1021

00:46:08,570 --> 00:46:06,010

medicine because I have the ability to

1022

00:46:13,770 --> 00:46:08,580

help people and that's what I want to do

1023

00:46:15,490 --> 00:46:13,780

so what would it be I mean I guess it's

1024

00:46:17,620 --> 00:46:15,500

just an extra night

1025

00:46:22,060 --> 00:46:17,630

all of the same competition and

1026

00:46:25,420 --> 00:46:22,070

competition as well is it because it's

1027

00:46:28,030 --> 00:46:25,430

like you know well I want to be able to

1028

00:46:32,020 --> 00:46:28,040

work hard and buy a bigger house a

1029

00:46:34,690 --> 00:46:32,030

better house a nicer car hey you know is

1030

00:46:36,270 --> 00:46:34,700

is that going to go by the wayside does

1031

00:46:39,940 --> 00:46:36,280

that have to go by the wayside because

1032

00:46:41,890 --> 00:46:39,950

we need to change our thinking well it

1033

00:46:43,870 --> 00:46:41,900

automatically go by the wayside ians I

1034

00:46:46,000 --> 00:46:43,880

only think about what you just said in

1035

00:46:49,180 --> 00:46:46,010

fact that what you just mentioned there

1036

00:46:51,210 --> 00:46:49,190

Oh as one of the 13 frequent most

1037

00:46:54,010 --> 00:46:51,220

frequently asked questions in the

1038

00:46:55,960 --> 00:46:54,020

contribution is in philosophy it's great

1039

00:46:57,370 --> 00:46:55,970

and you can sort of see because I've

1040

00:47:00,730 --> 00:46:57,380

been doing this for so long now I've

1041

00:47:02,380 --> 00:47:00,740

heard I've had probably you know more

1042

00:47:04,660 --> 00:47:02,390

than a hundred thousand questions thrown

1043

00:47:06,550 --> 00:47:04,670

at me over the last ten years but people

1044

00:47:10,180 --> 00:47:06,560

a different level of consciousness and

1045

00:47:12,790 --> 00:47:10,190

and and fear and so forth so I've

1046

00:47:15,100 --> 00:47:12,800

structured all these where I call the 13

1047

00:47:16,960 --> 00:47:15,110

most frequently asked questions and and

1048

00:47:19,060 --> 00:47:16,970

one of them is exactly that well if

1049

00:47:22,150 --> 00:47:19,070

everything is free you know on 20

1050

00:47:24,250 --> 00:47:22,160

mansions and 50 Ferraris yeah and and

1051
00:47:26,140 --> 00:47:24,260
that's just such a nonsensical statement

1052
00:47:27,640 --> 00:47:26,150
to make and you can see it just comes

1053
00:47:30,700 --> 00:47:27,650
from a position of absolute ignorance

1054
00:47:33,040 --> 00:47:30,710
and and fear of your own future remember

1055
00:47:35,290 --> 00:47:33,050
all these things like big houses and

1056
00:47:38,380 --> 00:47:35,300
cars are just status symbols that are

1057
00:47:40,060 --> 00:47:38,390
connected to value value in sums of

1058
00:47:42,790 --> 00:47:40,070
money you know the bigger the house the

1059
00:47:44,590 --> 00:47:42,800
more expensive it is the more valuable

1060
00:47:47,530 --> 00:47:44,600
your call the more expensive it is and

1061
00:47:49,180 --> 00:47:47,540
and it's like your security blanket you

1062
00:47:51,670 --> 00:47:49,190
can always sell your house and sell your

1063
00:47:53,530 --> 00:47:51,680

car and make some money to survive on

1064

00:47:55,750 --> 00:47:53,540

well when that money is gone how you

1065

00:48:01,210 --> 00:47:55,760

gonna survive then so those are just

1066

00:48:02,950 --> 00:48:01,220

transient capitalistic empty promises

1067

00:48:06,370 --> 00:48:02,960

that will actually get you nowhere and

1068

00:48:10,300 --> 00:48:06,380

in a and so that the question is you

1069

00:48:13,690 --> 00:48:10,310

know if everything is for free I want 20

1070

00:48:15,460 --> 00:48:13,700

houses and and and 50 Ferraris and the

1071

00:48:18,280 --> 00:48:15,470

answer is well you're not going to want

1072

00:48:20,230 --> 00:48:18,290

it in a society that is that works in

1073

00:48:21,520 --> 00:48:20,240

cooperation and not competition because

1074

00:48:23,680 --> 00:48:21,530

you're not competing against anyone

1075

00:48:26,140 --> 00:48:23,690

first of all you could ask yourself in a

1076
00:48:27,849 --> 00:48:26,150
world without money where our scientists

1077
00:48:30,089 --> 00:48:27,859
have been set free

1078
00:48:32,799 --> 00:48:30,099
develop all the most advanced technology

1079
00:48:36,130 --> 00:48:32,809
will we still be driving the same cars

1080
00:48:41,440 --> 00:48:36,140
we drive today and the answer to that is

1081
00:48:43,150 --> 00:48:41,450
no we learnt so so that that then that

1082
00:48:45,190 --> 00:48:43,160
extends a question little further so

1083
00:48:47,499 --> 00:48:45,200
we'll Ferrari still be as valuable or

1084
00:48:50,289 --> 00:48:47,509
sought after as they are today and the

1085
00:48:52,479 --> 00:48:50,299
answer is no it'll probably be some sort

1086
00:48:55,930 --> 00:48:52,489
of an interest group that will be

1087
00:48:58,299 --> 00:48:55,940
building kit cars and Ferraris will be

1088
00:49:00,759 --> 00:48:58,309

part of that and you can become part of

1089

00:49:04,120 --> 00:49:00,769

that because that group that builds

1090

00:49:08,769 --> 00:49:04,130

Ferraris and drives them around as a as

1091

00:49:11,229 --> 00:49:08,779

a curiosity you know today's gone by the

1092

00:49:14,140 --> 00:49:11,239

way we look at steam locomotives today

1093

00:49:16,960 --> 00:49:14,150

in some way because in a world without

1094

00:49:19,930 --> 00:49:16,970

money where the scientists are let loose

1095

00:49:21,670 --> 00:49:19,940

and free to develop the highest level of

1096

00:49:25,960 --> 00:49:21,680

technology we're not going to drive

1097

00:49:28,109 --> 00:49:25,970

combustion engine cars with steam train

1098

00:49:31,059 --> 00:49:28,119

technology under the hood all right

1099

00:49:33,130 --> 00:49:31,069

that's right and and we're going to

1100

00:49:36,099 --> 00:49:33,140

drive completely different get around

1101

00:49:37,589 --> 00:49:36,109

and a transport is going to be

1102

00:49:41,140 --> 00:49:37,599

completely different to what it is today

1103

00:49:44,489 --> 00:49:41,150

so the moment you remove money from the

1104

00:49:48,609 --> 00:49:44,499

system everything changes and I mean

1105

00:49:50,559 --> 00:49:48,619

everything the way we live the way we

1106

00:49:53,079 --> 00:49:50,569

think about our houses the way we

1107

00:49:56,979 --> 00:49:53,089

commute and and transport the way we

1108

00:49:59,999 --> 00:49:56,989

communicate the way we find our life

1109

00:50:04,690 --> 00:50:00,009

partners the way we educate our children

1110

00:50:07,450 --> 00:50:04,700

everything changes now what what would

1111

00:50:11,680 --> 00:50:07,460

happen is it accounted for you know if

1112

00:50:14,079 --> 00:50:11,690

you cannot contribute or will not

1113

00:50:17,200 --> 00:50:14,089

contribute let's say for instance the

1114

00:50:20,470 --> 00:50:17,210

elderly you know obviously they're not

1115

00:50:26,680 --> 00:50:20,480

going to go out and and build a car or a

1116

00:50:30,190 --> 00:50:26,690

you know farm corn or wheat will they be

1117

00:50:33,120 --> 00:50:30,200

taken care of well of course remember

1118

00:50:35,739 --> 00:50:33,130

and again for people that are you know

1119

00:50:36,970 --> 00:50:35,749

think that there are no answers to some

1120

00:50:38,950 --> 00:50:36,980

of these questions most of these

1121

00:50:40,779 --> 00:50:38,960

questions are well answered in my book I

1122

00:50:43,180 --> 00:50:40,789

cover a lot of these questions that you

1123

00:50:46,569 --> 00:50:43,190

posing in fact almost in the same

1124

00:50:48,999 --> 00:50:46,579

sequence and and it's just so simple

1125

00:50:51,099 --> 00:50:49,009

once you start once you realize that a

1126
00:50:54,069 --> 00:50:51,109
world without money does not create

1127
00:50:56,019 --> 00:50:54,079
scarcity it creates abundance okay money

1128
00:50:58,180 --> 00:50:56,029
creates scarcity because money creates

1129
00:51:02,380 --> 00:50:58,190
the control so in a world without money

1130
00:51:03,489 --> 00:51:02,390
there's abundance of everything anything

1131
00:51:07,620 --> 00:51:03,499
and everything that you can possibly

1132
00:51:11,380 --> 00:51:07,630
imagine so there's never a sense of a

1133
00:51:13,749 --> 00:51:11,390
desperation or anxiety or worry that

1134
00:51:15,069 --> 00:51:13,759
you're not going to have this or that at

1135
00:51:17,410 --> 00:51:15,079
the end of the week or the month that

1136
00:51:20,109 --> 00:51:17,420
you always know that all of that stuff

1137
00:51:23,440 --> 00:51:20,119
is taken care of and provided and and

1138
00:51:25,210 --> 00:51:23,450

especially the care of the children and

1139

00:51:28,630 --> 00:51:25,220

the care of the agent and the care of

1140

00:51:30,460 --> 00:51:28,640

the sick and and etc because the best

1141

00:51:34,299 --> 00:51:30,470

science and the best technology and the

1142

00:51:36,819 --> 00:51:34,309

best healing modalities are implemented

1143

00:51:40,089 --> 00:51:36,829

in the taking care of the people in your

1144

00:51:42,160 --> 00:51:40,099

community and no one has to work like a

1145

00:51:43,960 --> 00:51:42,170

slave to achieve this is because

1146

00:51:46,660 --> 00:51:43,970

everyone is just doing a little bit

1147

00:51:48,940 --> 00:51:46,670

because in today's world everyone is

1148

00:51:50,680 --> 00:51:48,950

running around like a slave looking

1149

00:51:52,960 --> 00:51:50,690

after themselves just to earn enough

1150

00:51:54,700 --> 00:51:52,970

money to survive to pay for all these

1151

00:51:59,109 --> 00:51:54,710

things that are you know being priced

1152

00:52:02,170 --> 00:51:59,119

out of out of there any sort of sense of

1153

00:52:04,210 --> 00:52:02,180

Reason ability that you can hardly

1154

00:52:06,700 --> 00:52:04,220

survive today when you remove that

1155

00:52:09,400 --> 00:52:06,710

hurdle in that obstacle to survival and

1156

00:52:11,680 --> 00:52:09,410

you create this abundance by cooperating

1157

00:52:15,910 --> 00:52:11,690

and working together that that the

1158

00:52:18,999 --> 00:52:15,920

result is abundance you you can imagine

1159

00:52:21,099 --> 00:52:19,009

the elderly people in today's world are

1160

00:52:23,579 --> 00:52:21,109

basically once you reach a certain age

1161

00:52:26,109 --> 00:52:23,589

you no longer any good to a corporation

1162

00:52:28,390 --> 00:52:26,119

which includes your country you just

1163

00:52:31,299 --> 00:52:28,400

discard it you tossed aside like a you

1164

00:52:33,249 --> 00:52:31,309

know like a used rag well that's never

1165

00:52:35,410 --> 00:52:33,259

going to happen in a contribution as

1166

00:52:36,999 --> 00:52:35,420

through a moneyless society elderly

1167

00:52:38,589 --> 00:52:37,009

people become the assets of the

1168

00:52:40,599 --> 00:52:38,599

community because they the wisdom

1169

00:52:43,329 --> 00:52:40,609

keepers they're the ones were the most

1170

00:52:45,459 --> 00:52:43,339

experienced collectively that passed

1171

00:52:47,920 --> 00:52:45,469

down that experience and transfer their

1172

00:52:50,229 --> 00:52:47,930

skills to the younger generation and

1173

00:52:52,210 --> 00:52:50,239

those that want to learn those skills

1174

00:52:55,450 --> 00:52:52,220

for life from the elderly

1175

00:52:58,630 --> 00:52:55,460

so the elderly people will certainly not

1176

00:53:00,099 --> 00:52:58,640

do any manual a hard labor because

1177

00:53:04,540 --> 00:53:00,109

that's actually not even going to be

1178

00:53:06,250 --> 00:53:04,550

done by anyone in the community because

1179

00:53:08,500 --> 00:53:06,260

the technology will probably be no

1180

00:53:11,890 --> 00:53:08,510

preclude I so prevent us from doing that

1181

00:53:15,700 --> 00:53:11,900

but the elderly will do all kinds of

1182

00:53:17,800 --> 00:53:15,710

things from from taking care of the arts

1183

00:53:21,490 --> 00:53:17,810

and culture and the entertainment and

1184

00:53:24,339 --> 00:53:21,500

and special hobbies and and arts and

1185

00:53:28,320 --> 00:53:24,349

crafts and and transferring of skills

1186

00:53:32,560 --> 00:53:28,330

and coordinating and advising and and

1187

00:53:34,780 --> 00:53:32,570

and so forth so everyone has skills you

1188

00:53:37,109 --> 00:53:34,790

know you use you you said something that

1189

00:53:39,550 --> 00:53:37,119

that I should have responded to

1190

00:53:42,280 --> 00:53:39,560

immediately you said some people just

1191

00:53:43,780 --> 00:53:42,290

have have no you know well contribute I

1192

00:53:45,970 --> 00:53:43,790

won't want to contribute anything that

1193

00:53:48,940 --> 00:53:45,980

and again when you start thinking about

1194

00:53:51,970 --> 00:53:48,950

it that is not true everyone has some

1195

00:53:54,900 --> 00:53:51,980

sort of skill everyone has some sort of

1196

00:53:57,390 --> 00:53:54,910

passion that they fashioned about and

1197

00:54:00,430 --> 00:53:57,400

unfortunately in a capitalistic system

1198

00:54:02,410 --> 00:54:00,440

the talents that we are born with like

1199

00:54:04,089 --> 00:54:02,420

the Bible says you know people that use

1200

00:54:08,680 --> 00:54:04,099

their talents get a lot further than

1201
00:54:10,870 --> 00:54:08,690
those who don't and and if you don't use

1202
00:54:12,430 --> 00:54:10,880
your talents you lose them right so yeah

1203
00:54:14,920 --> 00:54:12,440
this is what happens in a capitalistic

1204
00:54:16,870 --> 00:54:14,930
society we don't use up the talents that

1205
00:54:18,130 --> 00:54:16,880
we are born with because we are told

1206
00:54:20,050 --> 00:54:18,140
that that's no good you how are you

1207
00:54:22,570 --> 00:54:20,060
going to survive doing that you know and

1208
00:54:24,370 --> 00:54:22,580
you better go and you know get an

1209
00:54:27,130 --> 00:54:24,380
education so you can get a job and

1210
00:54:30,010 --> 00:54:27,140
that's as you said earlier this is

1211
00:54:33,640 --> 00:54:30,020
what's propagated the education system

1212
00:54:35,620 --> 00:54:33,650
is just a system that creates a future

1213
00:54:37,240 --> 00:54:35,630

labor force for the corporations that

1214

00:54:42,040 --> 00:54:37,250

keep us in slave for the rest of our

1215

00:54:44,410 --> 00:54:42,050

lives well it's it's a lot to think

1216

00:54:48,450 --> 00:54:44,420

about it really is and when you think

1217

00:54:51,400 --> 00:54:48,460

about the ramifications in and in

1218

00:54:54,550 --> 00:54:51,410

turning that ship around you know it

1219

00:54:56,520 --> 00:54:54,560

can't be done instantly but it's it's

1220

00:54:59,290 --> 00:54:56,530

interesting now has there been any talk

1221

00:55:04,720 --> 00:54:59,300

it just popped into my mind a minute ago

1222

00:55:06,070 --> 00:55:04,730

of creating communities that are based

1223

00:55:09,660 --> 00:55:06,080

on the Ubuntu

1224

00:55:12,400 --> 00:55:09,670

fee yeah you know in the USA we have a

1225

00:55:14,200 --> 00:55:12,410

very large number of members and

1226

00:55:16,510 --> 00:55:14,210

followers of the Boonta movement the

1227

00:55:19,810 --> 00:55:16,520

abundant movement is growing rapidly in

1228

00:55:21,550 --> 00:55:19,820

the USA the Ubuntu party is I'm not

1229

00:55:25,870 --> 00:55:21,560

chips I've already started registering

1230

00:55:28,990 --> 00:55:25,880

it or not as a political party and so

1231

00:55:31,780 --> 00:55:29,000

they are going to co-ordinators and

1232

00:55:33,460 --> 00:55:31,790

representatives that are already very

1233

00:55:37,090 --> 00:55:33,470

active in the USA sharing this

1234

00:55:40,120 --> 00:55:37,100

philosophy and every day it grows by a

1235

00:55:43,060 --> 00:55:40,130

large number of people now you know you

1236

00:55:44,890 --> 00:55:43,070

said as we talking about it it could

1237

00:55:46,840 --> 00:55:44,900

sound overwhelming and live this is a

1238

00:55:49,570 --> 00:55:46,850

bridge too far for some people but again

1239

00:55:52,660 --> 00:55:49,580

don't think that just because it sounds

1240

00:55:54,700 --> 00:55:52,670

difficult and and sounds like a complete

1241

00:55:56,980 --> 00:55:54,710

paradigm shift that it's going to take a

1242

00:55:59,140 --> 00:55:56,990

long time this is a revolution of

1243

00:56:01,200 --> 00:55:59,150

consciousness this is what it is and as

1244

00:56:03,340 --> 00:56:01,210

we know in all of human history

1245

00:56:05,950 --> 00:56:03,350

revolutions happen in the blink of an

1246

00:56:07,840 --> 00:56:05,960

eye it's just all about the critical

1247

00:56:09,850 --> 00:56:07,850

mass the critical mass of people that

1248

00:56:12,490 --> 00:56:09,860

start to think about this start to

1249

00:56:14,980 --> 00:56:12,500

process this and start to imagine it in

1250

00:56:17,170 --> 00:56:14,990

action the moment we had a critical mass

1251
00:56:18,940 --> 00:56:17,180
of people once you have about five

1252
00:56:20,770 --> 00:56:18,950
percent of the United States people

1253
00:56:23,680 --> 00:56:20,780
thinking about it you probably would

1254
00:56:25,810 --> 00:56:23,690
have reached a critical mass so that's

1255
00:56:28,240 --> 00:56:25,820
what the job of the alternative media

1256
00:56:31,180 --> 00:56:28,250
and the independent media really is to

1257
00:56:33,670 --> 00:56:31,190
get this information out there and and

1258
00:56:35,620 --> 00:56:33,680
it's not my knowledge it's not my system

1259
00:56:38,700 --> 00:56:35,630
it's just it's this is what seems to be

1260
00:56:41,920 --> 00:56:38,710
the universal system because it's it

1261
00:56:44,140 --> 00:56:41,930
it's a self-correcting system it always

1262
00:56:46,210 --> 00:56:44,150
corrects itself for the best outcome for

1263
00:56:50,430 --> 00:56:46,220

the community what's best for the

1264

00:56:55,090 --> 00:56:50,440

community and are often regret and

1265

00:56:57,850 --> 00:56:55,100

related or compare it to your body think

1266

00:57:01,150 --> 00:56:57,860

about it our bodies are a combination of

1267

00:57:04,060 --> 00:57:01,160

trillions of cells different cells that

1268

00:57:06,040 --> 00:57:04,070

do different things now those cells in

1269

00:57:08,740 --> 00:57:06,050

your body don't compete against each

1270

00:57:10,900 --> 00:57:08,750

other you know you're this the cells in

1271

00:57:14,890 --> 00:57:10,910

your I don't compete to the cells in

1272

00:57:17,110 --> 00:57:14,900

your skin for for supremacy or to be

1273

00:57:18,350 --> 00:57:17,120

higher on the hierarchical level they

1274

00:57:21,110 --> 00:57:18,360

all work together

1275

00:57:23,570 --> 00:57:21,120

unity they work together for the

1276
00:57:25,910 --> 00:57:23,580
greatest benefit of the whole body and

1277
00:57:28,280 --> 00:57:25,920
that's really what this contribution is

1278
00:57:30,640 --> 00:57:28,290
system is all about different people

1279
00:57:33,680 --> 00:57:30,650
with different skills and abilities or

1280
00:57:35,570 --> 00:57:33,690
adding and contributing equally and are

1281
00:57:37,160 --> 00:57:35,580
respected equally for the for the

1282
00:57:41,300 --> 00:57:37,170
individual contributions to the

1283
00:57:44,180 --> 00:57:41,310
community and collectively it creates

1284
00:57:46,430 --> 00:57:44,190
this beautiful harmonious community the

1285
00:57:49,370 --> 00:57:46,440
body of the community that is healthy

1286
00:57:52,070 --> 00:57:49,380
and this that that is full of abundance

1287
00:57:53,630 --> 00:57:52,080
so the your liver doesn't fight with

1288
00:57:55,310 --> 00:57:53,640

your heart your heart doesn't try and

1289

00:57:57,470 --> 00:57:55,320

compete with your stomach they all work

1290

00:58:00,230 --> 00:57:57,480

together for the benefit of the whole

1291

00:58:01,850 --> 00:58:00,240

body and so that's that's how we should

1292

00:58:05,180 --> 00:58:01,860

start seeing our communities in our

1293

00:58:07,100 --> 00:58:05,190

respective roles and and and they are

1294

00:58:09,050 --> 00:58:07,110

roles in the communities what it is that

1295

00:58:10,970 --> 00:58:09,060

we do for our community it's not a

1296

00:58:13,730 --> 00:58:10,980

one-to-one exchange it's a one-to-many

1297

00:58:17,660 --> 00:58:13,740

exchange it what I do I do for the

1298

00:58:20,450 --> 00:58:17,670

benefit of everyone in my community well

1299

00:58:22,630 --> 00:58:20,460

that sounds so wonderful you know I'm

1300

00:58:25,220 --> 00:58:22,640

going to be watching this closely and

1301
00:58:28,040 --> 00:58:25,230
you know I'm gonna have to take a quick

1302
00:58:30,220 --> 00:58:28,050
break Michael again and when we come

1303
00:58:32,630 --> 00:58:30,230
back I'm going to be in big big trouble

1304
00:58:33,770 --> 00:58:32,640
unless I talk with you I'm going to be

1305
00:58:36,860 --> 00:58:33,780
in trouble with my listeners and

1306
00:58:39,350 --> 00:58:36,870
especially my chat room mates here if I

1307
00:58:42,110 --> 00:58:39,360
don't ask you about your discoveries and

1308
00:58:45,500 --> 00:58:42,120
talk a little bit about our history as

1309
00:58:49,400 --> 00:58:45,510
human beings as they relate to your

1310
00:58:53,220 --> 00:58:49,410
discoveries so we'll be right back stay

1311
00:59:07,099 --> 00:58:56,700
you're listening to Ira the inception

1312
00:59:11,000 --> 00:59:08,480
Oh

1313
00:59:12,800 --> 00:59:11,010

don't have a computer is your internet

1314

00:59:14,630 --> 00:59:12,810

connection down don't worry use your

1315

00:59:18,230 --> 00:59:14,640

trusty cellphone or landline and call in

1316

00:59:19,850 --> 00:59:18,240

to our listen line at 40 1283 6700 to

1317

00:59:23,810 --> 00:59:19,860

listen to the inception radio network

1318

00:59:27,109 --> 00:59:23,820

24-7 again that Colin number is 40 1 2 a

1319

00:59:31,170 --> 00:59:27,119

3 6 700 for the inception radio network

1320

00:59:36,089 --> 00:59:34,109

you have a smartphone if so inception

1321

00:59:39,599 --> 00:59:36,099

radio network is the best app for you

1322

00:59:41,700 --> 00:59:39,609

available itunes android samsung and

1323

00:59:44,160 --> 00:59:41,710

most of the rap storms just search

1324

00:59:46,079 --> 00:59:44,170

inception radio network with the

1325

00:59:48,630 --> 00:59:46,089

applicant listen live check out more

1326
00:59:50,670 --> 00:59:48,640
cast of recent and past showed you our

1327
00:59:53,339 --> 00:59:50,680
videos see what shows are coming up

1328
00:59:55,620 --> 00:59:53,349
through the guests are and via the chat

1329
00:59:58,140 --> 00:59:55,630
room send live questions to those guests

1330
01:00:01,559 --> 00:59:58,150
you know it makes sense check your App

1331
01:00:06,780 --> 01:00:01,569
Store now inception radio network see

1332
01:00:09,510 --> 01:00:06,790
you there looking for a cure for boredom

1333
01:00:11,490 --> 01:00:09,520
never worry I rn's interactive website

1334
01:00:12,839 --> 01:00:11,500
introduces a number of ways to pass time

1335
01:00:15,750 --> 01:00:12,849
while you listen to your favorite show

1336
01:00:18,089 --> 01:00:15,760
choose anything from the irn chat lounge

1337
01:00:20,670 --> 01:00:18,099
game lounge video lounge with a mood

1338
01:00:22,559 --> 01:00:20,680

lounge he's fine exciting featured let

1339

01:00:25,410 --> 01:00:22,569

you chat in real-time with fellow

1340

01:00:28,079 --> 01:00:25,420

listeners you live sky watches play

1341

01:00:30,120 --> 01:00:28,089

daily posted online games or make a show

1342

01:00:32,940 --> 01:00:30,130

based on topic the choices are endless

1343

01:00:37,870 --> 01:00:32,950

so use your time wisely by keeping it

1344

01:00:44,270 --> 01:00:41,300

hi Bob tarmac for mj's healthy way Tom

1345

01:00:47,750 --> 01:00:44,280

are you two fighting as nutrition meal

1346

01:00:50,030 --> 01:00:47,760

replacements health shakes keeping your

1347

01:00:53,030 --> 01:00:50,040

body in good shape your internal engine

1348

01:00:56,210 --> 01:00:53,040

going yeah why do I have a perfect place

1349

01:00:58,160 --> 01:00:56,220

for you MJ's healthy wacom they offer

1350

01:00:59,840 --> 01:00:58,170

the best service and products and

1351

01:01:01,940 --> 01:00:59,850

they'll tell you anything you need to

1352

01:01:04,460 --> 01:01:01,950

know about any part they have to offer I

1353

01:01:07,280 --> 01:01:04,470

get all my vitamins meal replacement

1354

01:01:11,960 --> 01:01:07,290

shakes from MJ's healthy wacom that

1355

01:01:13,940 --> 01:01:11,970

spelled MJ s healthy wacom there's so

1356

01:01:25,160 --> 01:01:13,950

much more the website go check it out

1357

01:01:27,350 --> 01:01:25,170

MJ's healthy Wacom hi inception radio

1358

01:01:29,270 --> 01:01:27,360

network listeners this is Amanda just a

1359

01:01:32,690 --> 01:01:29,280

reminder that inception radio network is

1360

01:01:35,150 --> 01:01:32,700

on twitter follow us at i underscore our

1361

01:01:37,340 --> 01:01:35,160

underscore and and keep up to date about

1362

01:01:39,380 --> 01:01:37,350

who's on tonight what interviews they'll

1363

01:01:41,600 --> 01:01:39,390

be doing whose guest spotting what

1364

01:01:43,790 --> 01:01:41,610

topics will be covering tweet us tweet

1365

01:01:45,770 --> 01:01:43,800

about us retweet topics to your friends

1366

01:01:47,930 --> 01:01:45,780

and most importantly never miss a great

1367

01:01:52,010 --> 01:01:47,940

show again that's i underscore our

1368

01:01:56,750 --> 01:01:54,620

are you a fan of inception radio network

1369

01:01:59,120 --> 01:01:56,760

do you reckon it's the best alternative

1370

01:02:01,340 --> 01:01:59,130

talk radio station on the planet well if

1371

01:02:04,340 --> 01:02:01,350

you do head to facebook.com forward

1372

01:02:06,890 --> 01:02:04,350

slash inception radio network like the

1373

01:02:16,370 --> 01:02:06,900

page tell your friends spread the word

1374

01:02:18,500 --> 01:02:16,380

and keep this into the best hello

1375

01:02:20,270 --> 01:02:18,510

inception radio network listeners would

1376

01:02:22,700 --> 01:02:20,280

you like your favorite show to be played

1377

01:02:25,760 --> 01:02:22,710

live on air well now the choice is in

1378

01:02:27,590 --> 01:02:25,770

your hands in live requests portal an

1379

01:02:30,320 --> 01:02:27,600

easy way to request your favorite show

1380

01:02:32,480 --> 01:02:30,330

with a simple click I rn's live request

1381

01:02:35,270 --> 01:02:32,490

portal now gives you exclusive access to

1382

01:02:36,920 --> 01:02:35,280

all the shows how easy is it simply type

1383

01:02:38,420 --> 01:02:36,930

of show name or a guest name click

1384

01:02:41,390 --> 01:02:38,430

request and even write a dedication

1385

01:02:43,610 --> 01:02:41,400

message that's it try it now simply

1386

01:02:45,560 --> 01:02:43,620

visit inception radio network com click

1387

01:02:48,020 --> 01:02:45,570

on the live request tab under the show

1388

01:02:54,770 --> 01:02:48,030

menu playing your favorite show is just

1389

01:03:00,660 --> 01:02:57,960

hey IRA listeners make sure you tune in

1390

01:03:02,610 --> 01:03:00,670

to night vision radio with Renee Barnett

1391

01:03:05,220 --> 01:03:02,620

Renee will be exposing the truth one

1392

01:03:08,040 --> 01:03:05,230

secret at a time when Thursday's every

1393

01:03:11,630 --> 01:03:08,050

Thursday 1030pm Eastern sub 30 p.m.

1394

01:03:14,370 --> 01:03:11,640

pacific where right ear tirerack.com

1395

01:03:16,650 --> 01:03:14,380

click on the live request tab under the

1396

01:03:25,290 --> 01:03:16,660

show menu playing your favorite show is

1397

01:03:27,570 --> 01:03:25,300

just a mouse click away hey IRA

1398

01:03:30,030 --> 01:03:27,580

listeners make sure you tune in to night

1399

01:03:32,280 --> 01:03:30,040

vision radio with Renee Barnett Renee

1400

01:03:34,680 --> 01:03:32,290

will be exposing the truth one secret at

1401

01:03:37,770 --> 01:03:34,690

a time when Thursday every Thursday

1402

01:03:43,950 --> 01:03:37,780

1030pm eastern 730 p.m. pacific air

1403

01:03:46,650 --> 01:03:43,960

right here IRA welcome back to night

1404

01:03:48,990 --> 01:03:46,660

vision radio I'm your host Renee Barnett

1405

01:03:52,490 --> 01:03:49,000

we're talking tonight with michael

1406

01:03:55,380 --> 01:03:52,500

telling he's an author explorer and

1407

01:03:57,300 --> 01:03:55,390

south african presidential candidate

1408

01:04:01,920 --> 01:03:57,310

we've been talking about the Ubuntu

1409

01:04:06,840 --> 01:04:01,930

movement and in the idea and the ideal

1410

01:04:08,790 --> 01:04:06,850

of contribution ism but Michael I just

1411

01:04:11,520 --> 01:04:08,800

want to ask you one more question you

1412

01:04:15,710 --> 01:04:11,530

mentioned that in the United States

1413

01:04:18,900 --> 01:04:15,720

there there is some working going on in

1414

01:04:21,620 --> 01:04:18,910

for the abundance of movement how do we

1415

01:04:23,430 --> 01:04:21,630

find out who's doing that and or

1416

01:04:25,890 --> 01:04:23,440

anywhere in the world for that matter

1417

01:04:28,770 --> 01:04:25,900

how do you find out how to connect with

1418

01:04:30,750 --> 01:04:28,780

people the easiest is to go into

1419

01:04:33,240 --> 01:04:30,760

facebook and just put in a bun too and

1420

01:04:36,270 --> 01:04:33,250

you'll see a lot of a bun to facebook

1421

01:04:38,550 --> 01:04:36,280

pages come up all over the world ubuntu

1422

01:04:42,540 --> 01:04:38,560

party USA is probably the most active

1423

01:04:48,660 --> 01:04:42,550

Ubuntu page in the USA and that one is

1424

01:04:52,290 --> 01:04:48,670

run by a chap called david bryson or

1425

01:04:54,390 --> 01:04:52,300

Dave Bryson who's become a real promoter

1426

01:04:57,210 --> 01:04:54,400

of the Boonta philosophy in the USA and

1427

01:04:59,370 --> 01:04:57,220

is doing a fantastic job and it's just

1428

01:05:01,980 --> 01:04:59,380

growing exponentially so I suggest

1429

01:05:04,260 --> 01:05:01,990

people going to a Bunco party us a

1430

01:05:06,890 --> 01:05:04,270

Facebook page and join and start growing

1431

01:05:09,630 --> 01:05:06,900

that movement but on the Ubuntu

1432

01:05:13,140 --> 01:05:09,640

planet website our newly long-awaited

1433

01:05:17,339 --> 01:05:13,150

Ubuntu planet website we will be hosting

1434

01:05:19,319 --> 01:05:17,349

or posting all the links of the Ubuntu

1435

01:05:23,160 --> 01:05:19,329

parties around the world and the

1436

01:05:25,230 --> 01:05:23,170

affiliated approved websites and

1437

01:05:26,880 --> 01:05:25,240

Facebook pages because we already are

1438

01:05:28,769 --> 01:05:26,890

her you can imagine we already have a

1439

01:05:30,990 --> 01:05:28,779

lot of detractors and troublemakers that

1440

01:05:33,809 --> 01:05:31,000

are trying to distort and dilute our

1441

01:05:35,519 --> 01:05:33,819

message so that's how we're going to

1442

01:05:38,940 --> 01:05:35,529

keep it neat and tidy under one umbrella

1443

01:05:41,009 --> 01:05:38,950

called ubuntu planet org it's not quite

1444

01:05:44,039 --> 01:05:41,019

active yet but should be in the next few

1445

01:05:46,019 --> 01:05:44,049

weeks and that's what we'll also start

1446

01:05:47,700 --> 01:05:46,029

connecting people with each other in

1447

01:05:49,829 --> 01:05:47,710

their countries and they towns and

1448

01:05:51,059 --> 01:05:49,839

cities so they can start connecting and

1449

01:05:52,710 --> 01:05:51,069

communicating with each other and

1450

01:05:55,410 --> 01:05:52,720

growing this philosophy a lot stronger

1451

01:05:58,109 --> 01:05:55,420

oh that's great well when that goes live

1452

01:06:00,539 --> 01:05:58,119

I'd love it if you'd let me know and

1453

01:06:05,970 --> 01:06:00,549

I'll let everyone know let our listeners

1454

01:06:07,799 --> 01:06:05,980

know and i'll post it as well now i'm

1455

01:06:10,710 --> 01:06:07,809

going to switch gears just a little bit

1456

01:06:14,970 --> 01:06:10,720

and talk about some of your discoveries

1457

01:06:17,370 --> 01:06:14,980

and what's going on in that realm at the

1458

01:06:20,849 --> 01:06:17,380

moment with you now you've discovered

1459

01:06:24,180 --> 01:06:20,859

these you know hundreds of thousands of

1460

01:06:27,900 --> 01:06:24,190

structures in Africa these stone round

1461

01:06:31,410 --> 01:06:27,910

structures now I know that they they

1462

01:06:36,390 --> 01:06:31,420

have some sort of properties that have

1463

01:06:39,749 --> 01:06:36,400

to do with sound and vibration and have

1464

01:06:42,059 --> 01:06:39,759

you done any more research on these have

1465

01:06:47,279 --> 01:06:42,069

you do you have any more ideas about

1466

01:06:49,829 --> 01:06:47,289

what exactly these structures were yeah

1467

01:06:52,349 --> 01:06:49,839

Rene thanks for bringing that up and it

1468

01:06:53,940 --> 01:06:52,359

is critical to to the work with ubuntu

1469

01:06:56,039 --> 01:06:53,950

and contribution ISM because ultimately

1470

01:06:58,620 --> 01:06:56,049

it is it was my research into the

1471

01:07:01,440 --> 01:06:58,630

ancient civilizations in south africa

1472

01:07:03,470 --> 01:07:01,450

and the world that led me to the

1473

01:07:06,630 --> 01:07:03,480

philosophy of contribution ism and

1474

01:07:08,460 --> 01:07:06,640

ubuntu when i realized that there was a

1475

01:07:10,620 --> 01:07:08,470

time in human history when money did not

1476

01:07:14,130 --> 01:07:10,630

exist and then suddenly money made its

1477

01:07:16,049 --> 01:07:14,140

appearance as and very immediately it

1478

01:07:19,079 --> 01:07:16,059

became a tool of enslavement of the

1479

01:07:19,370 --> 01:07:19,089

human race so it's directly connected so

1480

01:07:22,220 --> 01:07:19,380

they

1481

01:07:25,700 --> 01:07:22,230

if people are confused by this the one

1482

01:07:27,640 --> 01:07:25,710

leads into the other and so this is

1483

01:07:30,890 --> 01:07:27,650

really important to connect those dots

1484

01:07:33,440 --> 01:07:30,900

so what are discovered here in South

1485

01:07:36,920 --> 01:07:33,450

Africa and southern Africa South Africa

1486

01:07:40,009 --> 01:07:36,930

Botswana Zimbabwe Mozambique very

1487

01:07:43,490 --> 01:07:40,019

beautiful part of the world and you know

1488

01:07:47,990 --> 01:07:43,500

diverse in its countryside and and

1489

01:07:51,019 --> 01:07:48,000

landscapes what what I've discovered is

1490

01:07:55,789 --> 01:07:51,029

was a mystery that's more than 500 years

1491

01:07:58,640 --> 01:07:55,799

old since the European explorers started

1492

01:08:00,980 --> 01:07:58,650

arriving here in southern Africa and the

1493

01:08:04,690 --> 01:08:00,990

first written records of these ancient

1494

01:08:07,670 --> 01:08:04,700

structures we find in a Portuguese

1495

01:08:10,609 --> 01:08:07,680

explorers as they came around the Cape

1496

01:08:15,499 --> 01:08:10,619

of Good Hope towards from from Portugal

1497

01:08:17,149 --> 01:08:15,509

and and Europe towards India and they

1498

01:08:20,660 --> 01:08:17,159

talk about these ancient stone

1499

01:08:22,629 --> 01:08:20,670

structures and so forth and since those

1500

01:08:25,519 --> 01:08:22,639

days they have automatically been

1501

01:08:27,800 --> 01:08:25,529

referred to as either human dwellings or

1502

01:08:31,999 --> 01:08:27,810

cattle kraal which means cattle

1503

01:08:34,519 --> 01:08:32,009

enclosures and and yet that's not what

1504

01:08:36,860 --> 01:08:34,529

they are so it's a mystery that's lasted

1505

01:08:39,379 --> 01:08:36,870

five hundred years until I came along

1506

01:08:42,950 --> 01:08:39,389

and really decoded it if you can use

1507

01:08:44,570 --> 01:08:42,960

that word and even our current

1508

01:08:46,729 --> 01:08:44,580

historians and archaeologists that our

1509

01:08:50,919 --> 01:08:46,739

university still refer to them you know

1510

01:08:55,519 --> 01:08:50,929

in those ignorant terms the the great

1511

01:08:58,700 --> 01:08:55,529

shock comes when I realized that that

1512

01:09:00,169 --> 01:08:58,710

these stone structures are not just we

1513

01:09:01,340 --> 01:09:00,179

don't not just dealing with a few

1514

01:09:02,809 --> 01:09:01,350

thousand of them or a few hundred

1515

01:09:05,510 --> 01:09:02,819

thousand we're dealing with several

1516

01:09:08,410 --> 01:09:05,520

million of these stone structures

1517

01:09:10,220 --> 01:09:08,420

they've collectively become known as

1518

01:09:13,189 --> 01:09:10,230

affectionately known as the stone

1519

01:09:15,280 --> 01:09:13,199

circles because they all circular and

1520

01:09:18,079 --> 01:09:15,290

yet each one is completely unique and

1521

01:09:20,599 --> 01:09:18,089

and when I started researching them and

1522

01:09:23,539 --> 01:09:20,609

looking at the aerial photographs that I

1523

01:09:27,349 --> 01:09:23,549

was shown by Johann hina in 2007 for the

1524

01:09:29,510 --> 01:09:27,359

first time I started to recognize some

1525

01:09:32,510 --> 01:09:29,520

interesting patterns and those patterns

1526

01:09:33,350 --> 01:09:32,520

were connected to cymatics or the study

1527

01:09:36,500 --> 01:09:33,360

of

1528

01:09:38,240 --> 01:09:36,510

found manifesting in physical form and I

1529

01:09:39,740 --> 01:09:38,250

realized that these stone circles and

1530

01:09:41,860 --> 01:09:39,750

obviously this was a long journey of

1531

01:09:44,660 --> 01:09:41,870

discovery this didn't happen overnight I

1532

01:09:47,360 --> 01:09:44,670

realized that these stone circles had

1533

01:09:50,890 --> 01:09:47,370

some very interesting properties the

1534

01:09:53,390 --> 01:09:50,900

most important one who was a recurring

1535

01:09:56,930 --> 01:09:53,400

property that was recorded in several

1536

01:09:59,620 --> 01:09:56,940

archaeological explorations and

1537

01:10:02,030 --> 01:09:59,630

archaeological papers written by by

1538

01:10:04,400 --> 01:10:02,040

south african universities and other

1539

01:10:06,440 --> 01:10:04,410

researchers and that is that these stone

1540

01:10:08,210 --> 01:10:06,450

circles don't have any doors and

1541

01:10:09,680 --> 01:10:08,220

entrances the original forms the

1542

01:10:14,110 --> 01:10:09,690

original structures do not have any

1543

01:10:20,270 --> 01:10:17,300

modified and change structures that were

1544

01:10:22,550 --> 01:10:20,280

modified by later arrivals and and

1545

01:10:25,130 --> 01:10:22,560

people that found them and then adapted

1546

01:10:27,020 --> 01:10:25,140

them for their own needs and those needs

1547

01:10:29,000 --> 01:10:27,030

would have been dwellings or something

1548

01:10:31,370 --> 01:10:29,010

else and also cattle enclosures yes of

1549

01:10:33,590 --> 01:10:31,380

course and that's where I historians

1550

01:10:35,600 --> 01:10:33,600

commonly make the mistake but the

1551

01:10:37,790 --> 01:10:35,610

original structures have no doors and

1552

01:10:40,580 --> 01:10:37,800

entrances and that is a critical piece

1553

01:10:42,080 --> 01:10:40,590

of information because if it has not

1554

01:10:45,110 --> 01:10:42,090

doors and entrances we have to

1555

01:10:47,000 --> 01:10:45,120

immediately eliminate the fact that

1556

01:10:49,880 --> 01:10:47,010

these were any kind of dwelling whether

1557

01:10:51,970 --> 01:10:49,890

it was for humans or animals now if it

1558

01:10:54,800 --> 01:10:51,980

wasn't a dwelling what the hell is it

1559

01:10:56,480 --> 01:10:54,810

and that's when the electronic

1560

01:10:58,940 --> 01:10:56,490

measurements suddenly became very

1561

01:11:02,960 --> 01:10:58,950

important and valuable where we started

1562

01:11:05,030 --> 01:11:02,970

measuring very high sound frequencies

1563

01:11:07,070 --> 01:11:05,040

coming out of the walls and on talking

1564

01:11:09,620 --> 01:11:07,080

in the gigahertz up to beyond 30

1565

01:11:12,080 --> 01:11:09,630

gigahertz and specifically at Adams

1566

01:11:14,690 --> 01:11:12,090

calendar which is the sort of flagship

1567

01:11:16,670 --> 01:11:14,700

among these and these ancient ruins we

1568

01:11:19,520 --> 01:11:16,680

measured sound frequencies coming out of

1569

01:11:22,360 --> 01:11:19,530

atoms calendar the circular structure on

1570

01:11:25,600 --> 01:11:22,370

the inside of Katims calendar more than

1571

01:11:28,520 --> 01:11:25,610

375 gigahertz of Sadhna this is

1572

01:11:32,150 --> 01:11:28,530

unimaginable in nature or in natural

1573

01:11:34,870 --> 01:11:32,160

formations so clearly we have we have

1574

01:11:37,520 --> 01:11:34,880

intelligent design that's going on here

1575

01:11:40,010 --> 01:11:37,530

accompanied with these very high and

1576

01:11:42,500 --> 01:11:40,020

powerful sad frequencies we have very

1577

01:11:45,080 --> 01:11:42,510

powerful electromagnetic fields that run

1578

01:11:46,649 --> 01:11:45,090

only on the inside of these stone

1579

01:11:49,020 --> 01:11:46,659

circles

1580

01:11:50,459 --> 01:11:49,030

then the mystery is then I found that

1581

01:11:53,219 --> 01:11:50,469

they're more than 10 million of these

1582

01:11:57,569 --> 01:11:53,229

done circles covering large parts of

1583

01:12:01,649 --> 01:11:57,579

southern Africa and and and not only are

1584

01:12:03,870 --> 01:12:01,659

they are they so many of them are they

1585

01:12:06,330 --> 01:12:03,880

so many of them but but they seem to be

1586

01:12:09,689 --> 01:12:06,340

in these large clusters and connected by

1587

01:12:12,509 --> 01:12:09,699

these web channels as stones stone

1588

01:12:14,879 --> 01:12:12,519

channels that that also have this energy

1589

01:12:18,600 --> 01:12:14,889

that flows between these stone circles

1590

01:12:22,649 --> 01:12:18,610

now a site by channels like tunnels or

1591

01:12:25,140 --> 01:12:22,659

no no it's like it's like seeing two

1592

01:12:27,810 --> 01:12:25,150

tubes two lines of stone like a stone

1593

01:12:29,640 --> 01:12:27,820

wall okay right due to stone walls that

1594

01:12:32,609 --> 01:12:29,650

basically run from one stone circle to

1595

01:12:34,500 --> 01:12:32,619

another but these stones structures are

1596

01:12:36,330 --> 01:12:34,510

not high these walls are not high the

1597

01:12:39,330 --> 01:12:36,340

average height is about waist height

1598

01:12:41,819 --> 01:12:39,340

some of them are higher you know about

1599

01:12:43,500 --> 01:12:41,829

probably eight feet tall in some of the

1600

01:12:45,750 --> 01:12:43,510

stone circles that have been converted

1601
01:12:48,179 --> 01:12:45,760
into dwellings and so forth but the

1602
01:12:50,850 --> 01:12:48,189
original structures are only about a

1603
01:12:52,409 --> 01:12:50,860
weight waist height with no doors and

1604
01:12:54,600 --> 01:12:52,419
entrances with these channels that can

1605
01:12:56,520 --> 01:12:54,610
let collect connect them together so we

1606
01:12:58,890 --> 01:12:56,530
you end up with these large clusters of

1607
01:13:01,469 --> 01:12:58,900
these stone circles that are scattered

1608
01:13:03,209 --> 01:13:01,479
around southern Africa and some of these

1609
01:13:07,259 --> 01:13:03,219
clusters are large like you know a

1610
01:13:09,689 --> 01:13:07,269
hundred mile diameter of some of these

1611
01:13:12,839 --> 01:13:09,699
these clusters hundred miles in diameter

1612
01:13:15,029 --> 01:13:12,849
of millions of these stone structures

1613
01:13:17,189 --> 01:13:15,039

much of it has been destroyed by

1614

01:13:19,319 --> 01:13:17,199

forestry and farming and and town

1615

01:13:22,370 --> 01:13:19,329

development and roads and so forth but

1616

01:13:24,689 --> 01:13:22,380

you can still see where some of the

1617

01:13:27,719 --> 01:13:24,699

clusters within the original cost to

1618

01:13:29,850 --> 01:13:27,729

remain and you get a very good idea of

1619

01:13:32,549 --> 01:13:29,860

what what this place must have looked

1620

01:13:35,339 --> 01:13:32,559

like and in my book temples of the

1621

01:13:37,140 --> 01:13:35,349

African gods or the new United States

1622

01:13:39,120 --> 01:13:37,150

version of it which is the African

1623

01:13:41,790 --> 01:13:39,130

temples of the Anunnaki their

1624

01:13:44,310 --> 01:13:41,800

spectacular photographs of Aldous many

1625

01:13:46,529 --> 01:13:44,320

of which were taken by Johan Heiner over

1626

01:13:48,330 --> 01:13:46,539

a 15-year long period when he first

1627

01:13:52,290 --> 01:13:48,340

started exploring these stone circles

1628

01:13:54,299 --> 01:13:52,300

himself in the 80s and so we realize

1629

01:13:57,509 --> 01:13:54,309

that these stone circles actually energy

1630

01:13:59,820 --> 01:13:57,519

generating devices and and that changes

1631

01:14:02,430 --> 01:13:59,830

everything and their energy generating

1632

01:14:05,910 --> 01:14:02,440

devices because the stones are first of

1633

01:14:08,430 --> 01:14:05,920

all a quartzite base so crystalline

1634

01:14:10,950 --> 01:14:08,440

based structures metamorphosize

1635

01:14:12,930 --> 01:14:10,960

quartzite the stones generally have a

1636

01:14:15,810 --> 01:14:12,940

property that ring like bells so we're

1637

01:14:18,090 --> 01:14:15,820

dealing with acoustic property and that

1638

01:14:20,010 --> 01:14:18,100

starts to explain why the sound

1639

01:14:23,220 --> 01:14:20,020

frequencies and then when you when I

1640

01:14:25,980 --> 01:14:23,230

realized that these stone circles

1641

01:14:27,720 --> 01:14:25,990

actually resemble cymatic patterns it

1642

01:14:31,380 --> 01:14:27,730

became very obvious to me that we're

1643

01:14:34,590 --> 01:14:31,390

dealing with the manifestation of these

1644

01:14:36,810 --> 01:14:34,600

stone circles according to the cymatic

1645

01:14:38,640 --> 01:14:36,820

patterns created from sound frequencies

1646

01:14:42,150 --> 01:14:38,650

coming from the surface of planet Earth

1647

01:14:43,770 --> 01:14:42,160

so you know many of your listeners will

1648

01:14:45,630 --> 01:14:43,780

be familiar when you take sand you put

1649

01:14:48,210 --> 01:14:45,640

it on a metal plate and you put sod

1650

01:14:50,940 --> 01:14:48,220

frequency through the the metal plate

1651
01:14:53,760 --> 01:14:50,950
the sand create these beautiful patterns

1652
01:14:56,340 --> 01:14:53,770
and each side frequency has a very

1653
01:14:57,870 --> 01:14:56,350
specific pattern connected to it and a

1654
01:15:00,090 --> 01:14:57,880
shape and that's exactly what we're

1655
01:15:03,150 --> 01:15:00,100
dealing with here except the the grains

1656
01:15:06,270 --> 01:15:03,160
of sand and now have now become boulders

1657
01:15:10,050 --> 01:15:06,280
and giant and stones that lie on the

1658
01:15:11,910 --> 01:15:10,060
surface of the earth and them and it

1659
01:15:14,880 --> 01:15:11,920
gets a lot freakier than that you know

1660
01:15:17,460 --> 01:15:14,890
we have stone tools that have shown

1661
01:15:20,340 --> 01:15:17,470
incredible incredibly powerful energy

1662
01:15:22,980 --> 01:15:20,350
coming out of them that are known as the

1663
01:15:26,460 --> 01:15:22,990

donut shaped stones or the sacred stones

1664

01:15:28,590 --> 01:15:26,470

and these are generally being called

1665

01:15:32,400 --> 01:15:28,600

historically as weights for digging

1666

01:15:35,190 --> 01:15:32,410

sticks by our ignorant historians bless

1667

01:15:38,120 --> 01:15:35,200

them for for the ignorance and they

1668

01:15:44,280 --> 01:15:38,130

still hold on to that ignorant theory

1669

01:15:46,890 --> 01:15:44,290

and these are very high highly developed

1670

01:15:50,910 --> 01:15:46,900

energy generating devices they basically

1671

01:15:52,890 --> 01:15:50,920

toroid vortex field generators and just

1672

01:15:54,690 --> 01:15:52,900

like you find you know the donut shape

1673

01:15:59,610 --> 01:15:54,700

of our galaxy of our Milky Way of

1674

01:16:02,790 --> 01:15:59,620

everything in our living universe seems

1675

01:16:07,200 --> 01:16:02,800

to take on these toroid feels the

1676

01:16:10,950 --> 01:16:07,210

storage shapes and and one of these

1677

01:16:12,810 --> 01:16:10,960

donut shaped stones many people would

1678

01:16:13,000 --> 01:16:12,820

have seen our presentations online would

1679

01:16:14,680 --> 01:16:13,010

be

1680

01:16:17,140 --> 01:16:14,690

aware of this but one of these donut

1681

01:16:19,240 --> 01:16:17,150

shaped stones that my partner Louise and

1682

01:16:25,899 --> 01:16:19,250

I were taking to nassim haramain in

1683

01:16:29,410 --> 01:16:25,909

Hawaii in 2013 crashed the TSA security

1684

01:16:32,770 --> 01:16:29,420

system at the doha international airport

1685

01:16:35,950 --> 01:16:32,780

oh my god and I brought the giant jumbo

1686

01:16:39,160 --> 01:16:35,960

to a standstill on the runway because

1687

01:16:41,529 --> 01:16:39,170

they wanted to they wanted me to come

1688

01:16:44,140 --> 01:16:41,539

outside and open my bag and go through

1689

01:16:46,509 --> 01:16:44,150

my bag because according to the captain

1690

01:16:48,700 --> 01:16:46,519

when he came out of the cockpit and it's

1691

01:16:50,979 --> 01:16:48,710

the captain's words that said whatever

1692

01:16:54,609 --> 01:16:50,989

is in that bag crashed the TSA security

1693

01:16:57,339 --> 01:16:54,619

system so we're dealing with very

1694

01:16:59,649 --> 01:16:57,349

powerful energy generating devices and

1695

01:17:02,259 --> 01:16:59,659

we're dealing with a ancient vanished

1696

01:17:05,319 --> 01:17:02,269

civilization that had an advanced

1697

01:17:07,270 --> 01:17:05,329

knowledge of the laws of nature and that

1698

01:17:10,660 --> 01:17:07,280

we're only starting to discover the

1699

01:17:13,709 --> 01:17:10,670

really leading edge of science today so

1700

01:17:16,629 --> 01:17:13,719

it's this really that you know made me

1701

01:17:18,879 --> 01:17:16,639

made me realize it which we dealing with

1702

01:17:21,100 --> 01:17:18,889

the vanished civilization we know

1703

01:17:23,770 --> 01:17:21,110

nothing about here at the southern tip

1704

01:17:27,250 --> 01:17:23,780

of Africa that were using sound and

1705

01:17:30,040 --> 01:17:27,260

resonance as a source of energy they

1706

01:17:32,169 --> 01:17:30,050

were involved in a lot of gold mining

1707

01:17:34,439 --> 01:17:32,179

because of the vast number of ancient

1708

01:17:37,000 --> 01:17:34,449

gold mines that are being found here and

1709

01:17:39,029 --> 01:17:37,010

and the plot just thickens and then they

1710

01:17:41,859 --> 01:17:39,039

obviously are many interesting

1711

01:17:47,229 --> 01:17:41,869

connections and links to what is written

1712

01:17:50,290 --> 01:17:47,239

in the Sumerian texts about the the ABS

1713

01:17:54,089 --> 01:17:50,300

ooh and I nanaki that we find in the

1714

01:17:57,220 --> 01:17:54,099

Sumerian texts that I have started

1715

01:17:59,740 --> 01:17:57,230

relating to the L of the Elohim in the

1716

01:18:01,359 --> 01:17:59,750

Bible that the Elohim in the Bible which

1717

01:18:05,770 --> 01:18:01,369

is a plural for some of your listeners

1718

01:18:07,600 --> 01:18:05,780

we're still not aware of that and Elohim

1719

01:18:09,939 --> 01:18:07,610

and the Annunaki are the same group of

1720

01:18:12,700 --> 01:18:09,949

beings and have got nothing to do with

1721

01:18:14,529 --> 01:18:12,710

the divine creator of all but just the

1722

01:18:17,109 --> 01:18:14,539

malicious but bunch of gangsters that

1723

01:18:22,120 --> 01:18:17,119

took up a planet prisoner and enslaved

1724

01:18:24,189 --> 01:18:22,130

humanity oh my gosh could could I throw

1725

01:18:26,240 --> 01:18:24,199

in a quick question from our chat room

1726

01:18:29,390 --> 01:18:26,250

for you Michael

1727

01:18:31,850 --> 01:18:29,400

we have Neutron who's one of our one of

1728

01:18:34,850 --> 01:18:31,860

my regular chat roommates here and he

1729

01:18:37,820 --> 01:18:34,860

said apparently he saw you last year in

1730

01:18:40,550 --> 01:18:37,830

Ottawa Canada and he said Michael told

1731

01:18:42,320 --> 01:18:40,560

me last summer on his lecture tour they

1732

01:18:45,050 --> 01:18:42,330

were waiting for test results from

1733

01:18:48,620 --> 01:18:45,060

energies found in so-called walking

1734

01:18:53,870 --> 01:18:48,630

sticks stones any test results yet he

1735

01:18:57,980 --> 01:18:53,880

wants to know um well hey from her with

1736

01:19:00,800 --> 01:18:57,990

the walking stick stones hmm walking

1737

01:19:02,030 --> 01:19:00,810

stick digging sticks stones that's

1738

01:19:03,740 --> 01:19:02,040

probably what he's what he's referring

1739

01:19:06,020 --> 01:19:03,750

to that that's the stone i was referring

1740

01:19:08,870 --> 01:19:06,030

to that's all i got was a digging stick

1741

01:19:11,690 --> 01:19:08,880

but you're talking about the uh yes

1742

01:19:14,840 --> 01:19:11,700

Adama donut shaped stone yet so the

1743

01:19:16,820 --> 01:19:14,850

energies yes yes we have first of all

1744

01:19:18,830 --> 01:19:16,830

when you put these these stones into a

1745

01:19:21,650 --> 01:19:18,840

bucket of water what what happened by

1746

01:19:23,450 --> 01:19:21,660

accident once and I haven't been able to

1747

01:19:24,830 --> 01:19:23,460

replicate it but that doesn't mean

1748

01:19:28,430 --> 01:19:24,840

anything it just means I'm doing it

1749

01:19:30,680 --> 01:19:28,440

wrong of one of the friends of mine that

1750

01:19:32,450 --> 01:19:30,690

was helping us with IT put one of these

1751

01:19:34,730 --> 01:19:32,460

stones in a bucket of water one night

1752

01:19:36,310 --> 01:19:34,740

for some obscure reason and where you

1753

01:19:39,050 --> 01:19:36,320

woke up the next morning he found

1754

01:19:42,080 --> 01:19:39,060

thousands of tiny little bubbles that

1755

01:19:43,670 --> 01:19:42,090

were swirling around and going into the

1756

01:19:47,750 --> 01:19:43,680

center of the stone where the hole is

1757

01:19:49,940 --> 01:19:47,760

like like you see stars and planets move

1758

01:19:52,160 --> 01:19:49,950

in the toroid shapes that are the shapes

1759

01:19:54,740 --> 01:19:52,170

of our solar systems and galaxies the

1760

01:19:57,380 --> 01:19:54,750

same thing happens there you know and

1761

01:19:59,240 --> 01:19:57,390

and it was just incredible I have one

1762

01:20:01,490 --> 01:19:59,250

photograph of that that is completely

1763

01:20:02,840 --> 01:20:01,500

mind-blowing that shows you the

1764

01:20:06,260 --> 01:20:02,850

energetic fields that it actually

1765

01:20:08,480 --> 01:20:06,270

creates even in water but what I have

1766

01:20:10,580 --> 01:20:08,490

been given is some mind-blowing

1767

01:20:12,650 --> 01:20:10,590

information from a German scientist and

1768

01:20:14,600 --> 01:20:12,660

I'm sorry buddy's name just escapes me

1769

01:20:18,130 --> 01:20:14,610

because I haven't looked at these papers

1770

01:20:20,440 --> 01:20:18,140

for a while now but he's a real

1771

01:20:23,150 --> 01:20:20,450

incredible guy that's been working with

1772

01:20:26,420 --> 01:20:23,160

an aspect of sound which is a hyper

1773

01:20:29,150 --> 01:20:26,430

sound and that is really very little

1774

01:20:31,700 --> 01:20:29,160

known area of science and discovery hi

1775

01:20:33,260 --> 01:20:31,710

pasand is when Sun becomes so energized

1776

01:20:36,590 --> 01:20:33,270

that it actually moves beyond the speed

1777

01:20:38,270 --> 01:20:36,600

of light and and many people don't even

1778

01:20:39,120 --> 01:20:38,280

know that sound travels beyond the speed

1779

01:20:40,290 --> 01:20:39,130

of light Eunice

1780

01:20:41,879 --> 01:20:40,300

and most people will tell you that

1781

01:20:45,390 --> 01:20:41,889

that's absolute nonsense well they'll be

1782

01:20:47,820 --> 01:20:45,400

very very wrong sound is a primordial

1783

01:20:49,500 --> 01:20:47,830

source of everything sound and resonance

1784

01:20:52,260 --> 01:20:49,510

primordial source of everything

1785

01:20:56,390 --> 01:20:52,270

including light and and this is an

1786

01:20:58,740 --> 01:20:56,400

important thing to first to start

1787

01:21:01,350 --> 01:20:58,750

understanding these ancient

1788

01:21:03,120 --> 01:21:01,360

civilizations were way way way ahead of

1789

01:21:04,830 --> 01:21:03,130

where we are today in their

1790

01:21:07,350 --> 01:21:04,840

understanding of the laws of nature how

1791

01:21:10,740 --> 01:21:07,360

to use sound and resonance as this

1792

01:21:13,110 --> 01:21:10,750

primordial source of energy now so what

1793

01:21:17,220 --> 01:21:13,120

I've been told by this German scientist

1794

01:21:20,700 --> 01:21:17,230

is that the donut shaped stones create

1795

01:21:23,070 --> 01:21:20,710

incredible amounts of hyper sound and

1796

01:21:26,010 --> 01:21:23,080

he's measured the decibels the loudness

1797

01:21:28,790 --> 01:21:26,020

of the sound frequencies that it creates

1798

01:21:34,709 --> 01:21:28,800

the end the sound energy that it creates

1799

01:21:37,680 --> 01:21:34,719

over 3400 decibels of sound coming out

1800

01:21:40,229 --> 01:21:37,690

of the donut shaped stone the the one

1801
01:21:44,820 --> 01:21:40,239
specific stone that I sent him images of

1802
01:21:47,850 --> 01:21:44,830
and secondly he also detected that the

1803
01:21:51,030 --> 01:21:47,860
stone circles some of the stone circles

1804
01:21:54,479 --> 01:21:51,040
that he looked at and analyzed told me

1805
01:21:58,680 --> 01:21:54,489
that create they create over 35,000

1806
01:22:02,070 --> 01:21:58,690
decibels of sound energy now this is

1807
01:22:04,290 --> 01:22:02,080
insane so we dealing with energy

1808
01:22:06,540 --> 01:22:04,300
generating devices millions of them the

1809
01:22:09,390 --> 01:22:06,550
lying scattered throughout the fields in

1810
01:22:11,490 --> 01:22:09,400
southern Africa and they could be a

1811
01:22:13,620 --> 01:22:11,500
source of free energy to us we just need

1812
01:22:17,820 --> 01:22:13,630
to know how to convert that into usable

1813
01:22:21,030 --> 01:22:17,830

form of energy Wow in comparison like

1814

01:22:22,830 --> 01:22:21,040

how many decibels is a jet engine

1815

01:22:28,520 --> 01:22:22,840

supposed to be I mean that sounds like

1816

01:22:31,080 --> 01:22:28,530

it's yeah my kind of fetch a jet engine

1817

01:22:35,189 --> 01:22:31,090

will vary depends on how close you are

1818

01:22:38,820 --> 01:22:35,199

to it all vary from you know between 90

1819

01:22:43,080 --> 01:22:38,830

decibels to 120 decibels you know but at

1820

01:22:46,050 --> 01:22:43,090

a hundred and at around 110 decibels you

1821

01:22:47,700 --> 01:22:46,060

you start getting ear damage from 110

1822

01:22:49,100 --> 01:22:47,710

decibels and so for you you start

1823

01:22:51,859 --> 01:22:49,110

getting serious

1824

01:22:54,379 --> 01:22:51,869

and anything higher than that you it'll

1825

01:22:57,290 --> 01:22:54,389

make you go deaf so when you start

1826

01:23:00,200 --> 01:22:57,300

getting decibels you know 3,000 plus

1827

01:23:01,879 --> 01:23:00,210

decibels we're talking insane amount of

1828

01:23:05,479 --> 01:23:01,889

energy because it's exponential you know

1829

01:23:07,609 --> 01:23:05,489

it's not linear it's like it's like the

1830

01:23:09,200 --> 01:23:07,619

rishta scale that measures earthquakes

1831

01:23:14,090 --> 01:23:09,210

it's not a linear scale it's an

1832

01:23:16,459 --> 01:23:14,100

exponential scale oh so it's crazy that

1833

01:23:19,160 --> 01:23:16,469

what we sitting here is such advanced

1834

01:23:22,430 --> 01:23:19,170

technology and knowledge in the stone

1835

01:23:24,530 --> 01:23:22,440

ruins sitting around us and no one is

1836

01:23:26,479 --> 01:23:24,540

doing anything about it yeah I've been a

1837

01:23:30,680 --> 01:23:26,489

lone voice talking about it for the last

1838

01:23:33,410 --> 01:23:30,690

eight years now and and very little

1839

01:23:38,990 --> 01:23:33,420

research other than mine has been done

1840

01:23:40,879 --> 01:23:39,000

on this what kind of researcher I would

1841

01:23:44,300 --> 01:23:40,889

imagine you'd need some scientists to

1842

01:23:48,410 --> 01:23:44,310

come in and do some scientific research

1843

01:23:50,899 --> 01:23:48,420

with with technology and in special

1844

01:23:53,419 --> 01:23:50,909

equipment like what's the kind of people

1845

01:23:56,479 --> 01:23:53,429

that you need to look into that's really

1846

01:23:58,970 --> 01:23:56,489

it would be people that understand sound

1847

01:24:01,280 --> 01:23:58,980

resonance electronics electricity

1848

01:24:03,109 --> 01:24:01,290

electrical engineers with open minds

1849

01:24:06,260 --> 01:24:03,119

that understand that what we are taught

1850

01:24:10,129 --> 01:24:06,270

at University is is not necessarily the

1851

01:24:12,169 --> 01:24:10,139

truth and and that they are

1852

01:24:13,879 --> 01:24:12,179

multi-dimensional physics that are

1853

01:24:16,459 --> 01:24:13,889

really at play here that we need to

1854

01:24:18,970 --> 01:24:16,469

start exploring and understanding so

1855

01:24:20,990 --> 01:24:18,980

being able to measure a lot of these

1856

01:24:24,590 --> 01:24:21,000

energies coming out of these stone

1857

01:24:27,950 --> 01:24:24,600

circles and identify them and be able to

1858

01:24:29,870 --> 01:24:27,960

do something with them have you found it

1859

01:24:33,290 --> 01:24:29,880

all that they've had any effect if you

1860

01:24:37,850 --> 01:24:33,300

you know stand in the middle how very

1861

01:24:39,229 --> 01:24:37,860

much very much one of the first first

1862

01:24:41,300 --> 01:24:39,239

ways that we discovered that there was

1863

01:24:43,669 --> 01:24:41,310

some sort of energetic distortion inside

1864

01:24:46,040 --> 01:24:43,679

these atoms calendar at first in the

1865

01:24:48,140 --> 01:24:46,050

stone circles as we find that your GPS

1866

01:24:49,669 --> 01:24:48,150

stops to work or it gets scrambled and

1867

01:24:52,129 --> 01:24:49,679

starts to show you nonsensical

1868

01:24:54,140 --> 01:24:52,139

information when you walk with your GPS

1869

01:24:55,850 --> 01:24:54,150

into Adams calendar the same happens in

1870

01:24:58,040 --> 01:24:55,860

the stone circles to a lesser degree

1871

01:25:02,270 --> 01:24:58,050

it's not that obvious but it still

1872

01:25:03,770 --> 01:25:02,280

scrambles your signal completely but so

1873

01:25:05,750 --> 01:25:03,780

that's what give it give us an indicator

1874

01:25:08,120 --> 01:25:05,760

and then we also started seeing when i

1875

01:25:09,890 --> 01:25:08,130

first started taking people on tours to

1876

01:25:11,720 --> 01:25:09,900

adams calendar in the stone circles that

1877

01:25:14,090 --> 01:25:11,730

different people have different physical

1878

01:25:16,640 --> 01:25:14,100

reaction to it some people you know want

1879

01:25:18,830 --> 01:25:16,650

to sleep and feel calm and other people

1880

01:25:22,310 --> 01:25:18,840

can't stand it they freak out they will

1881

01:25:24,770 --> 01:25:22,320

just want to get out and others want to

1882

01:25:27,020 --> 01:25:24,780

be physically ill one of vomit and and

1883

01:25:29,210 --> 01:25:27,030

you know others feel pregnant and others

1884

01:25:31,520 --> 01:25:29,220

feel connected to the stars and people

1885

01:25:35,030 --> 01:25:31,530

come up with the weirdest things when

1886

01:25:38,290 --> 01:25:35,040

they go into into these places now have

1887

01:25:41,030 --> 01:25:38,300

you yourself had any kind of physical

1888

01:25:46,640 --> 01:25:41,040

effect or feeling when you go inside the

1889

01:25:49,520 --> 01:25:46,650

circles uh no I haven't and and this is

1890

01:25:54,710 --> 01:25:49,530

possibly why I have I'm doing this work

1891

01:25:57,020 --> 01:25:54,720

because it I yeah I seem to remain

1892

01:26:00,140 --> 01:25:57,030

unaffected other than it could be

1893

01:26:02,930 --> 01:26:00,150

subconscious what what is probably

1894

01:26:05,240 --> 01:26:02,940

happening is that somehow my DNA is

1895

01:26:07,760 --> 01:26:05,250

being activated which has allowed me to

1896

01:26:10,520 --> 01:26:07,770

formulate some of these thoughts which I

1897

01:26:12,170 --> 01:26:10,530

wasn't able to formulate before so that

1898

01:26:14,240 --> 01:26:12,180

that's quite possible there's obviously

1899

01:26:15,680 --> 01:26:14,250

something going on but I'm not feeling

1900

01:26:19,280 --> 01:26:15,690

it consciously it's happening on a

1901

01:26:24,260 --> 01:26:19,290

subconscious level I wonder if you know

1902

01:26:25,790 --> 01:26:24,270

the energy is healing or destructive or

1903

01:26:28,460 --> 01:26:25,800

I guess it could be both I guess

1904

01:26:31,070 --> 01:26:28,470

depending on that yeah the strength is

1905

01:26:32,360 --> 01:26:31,080

it but yeah Adam skylanders is the

1906

01:26:36,050 --> 01:26:32,370

really interesting one because there you

1907

01:26:38,030 --> 01:26:36,060

got to enter into tangled and energy

1908

01:26:41,050 --> 01:26:38,040

fields one is a horizontal field and one

1909

01:26:43,280 --> 01:26:41,060

is a vertical field so you really have

1910

01:26:45,440 --> 01:26:43,290

we're sitting there with it with a

1911

01:26:47,270 --> 01:26:45,450

portal an energetic portal that many

1912

01:26:50,180 --> 01:26:47,280

people talk about and there's scientific

1913

01:26:52,790 --> 01:26:50,190

physical proof we have we have found a

1914

01:26:54,950 --> 01:26:52,800

living ancient portal an ancient device

1915

01:26:57,680 --> 01:26:54,960

it could be a teleportation device like

1916

01:27:00,050 --> 01:26:57,690

you know in Star Trek beam me up Scotty

1917

01:27:02,300 --> 01:27:00,060

it could be the transmutation device it

1918

01:27:04,670 --> 01:27:02,310

could be one of many things but it

1919

01:27:08,660 --> 01:27:04,680

creates so much energy it boggles the

1920

01:27:12,560 --> 01:27:08,670

mind could be a time travel device that

1921

01:27:14,540 --> 01:27:12,570

to absolute it is you know it's an open

1922

01:27:15,620 --> 01:27:14,550

book on that front is just all I can

1923

01:27:17,180 --> 01:27:15,630

tell you is that it great

1924

01:27:21,320 --> 01:27:17,190

more energy than what we could measure

1925

01:27:26,169 --> 01:27:21,330

and that week stop measuring at 375

1926

01:27:29,660 --> 01:27:26,179

gigahertz of sound and it's just insane

1927

01:27:34,010 --> 01:27:29,670

Wow gosh well we're coming to the end of

1928

01:27:36,620 --> 01:27:34,020

our time it has gone by so quickly I

1929

01:27:39,500 --> 01:27:36,630

sure appreciate you being here

1930

01:27:41,570 --> 01:27:39,510

appreciate you getting up early because

1931

01:27:43,550 --> 01:27:41,580

I don't think this is early for you I

1932

01:27:46,520 --> 01:27:43,560

think you're up around this time anyway

1933

01:27:49,040 --> 01:27:46,530

aren't you hi i'm normally up by five

1934

01:27:50,750 --> 01:27:49,050

o'clock so this is this is ok but it's

1935

01:27:52,939 --> 01:27:50,760

when I do these interviews in the United

1936

01:27:57,169 --> 01:27:52,949

States they're like 2am that that's when

1937

01:27:59,510 --> 01:27:57,179

it gets you unit yeah absolutely well

1938

01:28:03,200 --> 01:27:59,520

are you going to be coming to the states

1939

01:28:05,090 --> 01:28:03,210

or doing any tours you determine yeah

1940

01:28:07,760 --> 01:28:05,100

I'll be albeit contact in the desert

1941

01:28:09,649 --> 01:28:07,770

again in May but prior to that we have

1942

01:28:11,390 --> 01:28:09,659

got we got the British elections on the

1943

01:28:13,760 --> 01:28:11,400

7th of may so I just want to tell people

1944

01:28:16,280 --> 01:28:13,770

in the USA that are British citizens or

1945

01:28:18,439 --> 01:28:16,290

have friends or family in the UK tell

1946

01:28:21,229 --> 01:28:18,449

everybody go on to the Ubuntu party

1947

01:28:24,950 --> 01:28:21,239

website the South African website is a

1948

01:28:30,200 --> 01:28:24,960

boon to party dot org dot za and Ubuntu

1949

01:28:33,560 --> 01:28:30,210

party dot Ubuntu party UK No Oh Bunter

1950

01:28:37,040 --> 01:28:33,570

party co uk is the british ubuntu party

1951

01:28:39,050 --> 01:28:37,050

website of winter party dot co uk get

1952

01:28:40,939 --> 01:28:39,060

all the information and and tell

1953

01:28:44,439 --> 01:28:40,949

everyone to vote the winter party in the

1954

01:28:46,669 --> 01:28:44,449

UK and the seventh of may 2015 alright

1955

01:28:50,000 --> 01:28:46,679

well guys I think that's all we have

1956

01:28:51,500 --> 01:28:50,010

time for again thank you so much I hope

1957

01:28:53,209 --> 01:28:51,510

everybody will join us again next week

1958

01:28:57,290 --> 01:28:53,219

for another edition of night vision and

1959

01:29:00,530 --> 01:28:57,300

Michael give Louise our love and take

1960

01:29:03,439 --> 01:29:00,540

care let us thank you informed Thank You

1961

01:29:20,520 --> 01:29:03,449

Renee let's luck to you and I like thank
