

Exposing the Truth, One Secret at a Time

NIGHTVISION

Host: René Barnett

RADIO

Tim Wallace-Murphy

1
00:00:10,850 --> 00:00:02,480
you're locked into Inception Radio

2
00:00:14,180 --> 00:00:10,860
Network superior Wisconsin your tool in

3
00:00:18,260 --> 00:00:14,190
tonight vision radio exposing the truth

4
00:00:20,359 --> 00:00:18,270
one secret at a time prepare yourself as

5
00:00:23,320 --> 00:00:20,369
we explore the shadow worlds of

6
00:00:26,689 --> 00:00:23,330
suppressed history secret knowledge

7
00:01:10,580 --> 00:00:26,699
forbidden religion and shine a light on

8
00:01:16,669 --> 00:01:15,499
welcome to night vision radio good

9
00:01:18,679 --> 00:01:16,679
evening everybody

10
00:01:20,149 --> 00:01:18,689
I'm Renee Barnett your host thank you so

11
00:01:21,980 --> 00:01:20,159
much for joining us tonight we have a

12
00:01:23,870 --> 00:01:21,990
wonderful show planned I want to get

13
00:01:26,330 --> 00:01:23,880

right into it

14

00:01:28,490 --> 00:01:26,340

we have best-selling author Tim Wallace

15

00:01:31,279 --> 00:01:28,500

Murphy my goodness he's a prolific

16

00:01:34,550 --> 00:01:31,289

author he's written lots of books hidden

17

00:01:37,639 --> 00:01:34,560

wisdom wrecks dais Tim helped me out

18

00:01:39,529 --> 00:01:37,649

here I think I have a list but I dropped

19

00:01:42,380 --> 00:01:39,539

it on the floor right next to me oh

20

00:01:45,289 --> 00:01:42,390

there's not me about 14 of them I hope

21

00:01:48,050 --> 00:01:45,299

that's right yes absolutely

22

00:01:50,300 --> 00:01:48,060

anyway Tim it's so wonderful to be

23

00:01:53,449 --> 00:01:50,310

talking to you again even though it is

24

00:01:56,359 --> 00:01:53,459

only by a Skype hoping to see you in

25

00:01:59,059 --> 00:01:56,369

September when I'm back in France as as

26
00:02:01,520 --> 00:01:59,069
you are and I want to thank you so much

27
00:02:04,669 --> 00:02:01,530
for getting up at this hour it's 4:30

28
00:02:09,589 --> 00:02:04,679
a.m. on Friday I know for you and i

29
00:02:13,160 --> 00:02:09,599
truly appreciate it and I apologize for

30
00:02:16,129 --> 00:02:13,170
the for the ungodly hour but any out Tim

31
00:02:17,750 --> 00:02:16,139
I was thinking about tonight's show and

32
00:02:19,280 --> 00:02:17,760
of course you know I want you to talk

33
00:02:22,099 --> 00:02:19,290
about whatever you want to talk about

34
00:02:24,050 --> 00:02:22,109
but I just started thinking where am I

35
00:02:26,440 --> 00:02:24,060
going to begin with this nice third

36
00:02:28,550 --> 00:02:26,450
thing and well maybe at the beginning

37
00:02:30,199 --> 00:02:28,560
you know not everyone is as

38
00:02:32,180 --> 00:02:30,209

knowledgeable about the Knights Templar

39

00:02:35,690 --> 00:02:32,190

as you are it's certainly not very many

40

00:02:38,750 --> 00:02:35,700

people I'm certainly not and I know a

41

00:02:42,259 --> 00:02:38,760

lot of people are just now getting sort

42

00:02:44,390 --> 00:02:42,269

of in tune with that history and I was

43

00:02:49,069 --> 00:02:44,400

wondering you know when we talk about

44

00:02:51,440 --> 00:02:49,079

the origins of the Knights Templar we we

45

00:02:54,319 --> 00:02:51,450

think of the idea that they were set up

46

00:02:57,890 --> 00:02:54,329

to protect pilgrims on the route to

47

00:03:00,740 --> 00:02:57,900

Jerusalem but it seems like there might

48

00:03:02,870 --> 00:03:00,750

be some discrepancy about you know maybe

49

00:03:05,599 --> 00:03:02,880

they were at least loosely organized

50

00:03:08,479 --> 00:03:05,609

before that and do you believe that that

51
00:03:10,220 --> 00:03:08,489
was the real reason or can you kind of

52
00:03:14,390 --> 00:03:10,230
give us a little information about how

53
00:03:16,490 --> 00:03:14,400
they got started yeah well I will do

54
00:03:20,480 --> 00:03:16,500
insofar as it's known

55
00:03:22,040 --> 00:03:20,490
first of all the normal date that's

56
00:03:26,810 --> 00:03:22,050
given for the start of the Knights

57
00:03:29,540 --> 00:03:26,820
Templar is 1118 or 1119 but in actual

58
00:03:34,820 --> 00:03:29,550
fact there are documentary references to

59
00:03:38,030 --> 00:03:34,830
them dating back as early as 1095 there

60
00:03:40,640 --> 00:03:38,040
was a family conspiracy going on this

61
00:03:44,090 --> 00:03:40,650
didn't arise on the spur of the moment

62
00:03:46,490 --> 00:03:44,100
it had been long planned and there were

63
00:03:48,440 --> 00:03:46,500

a group of families in power in Europe

64

00:03:51,530 --> 00:03:48,450

called Rix days

65

00:03:53,650 --> 00:03:51,540

now they claimed descent from the high

66

00:03:57,320 --> 00:03:53,660

priesthood of the Temple of Jerusalem

67

00:04:00,560 --> 00:03:57,330

and because of their marriage patents

68

00:04:04,220 --> 00:04:00,570

only married marrying within a very

69

00:04:07,370 --> 00:04:04,230

small restricted group they're actually

70

00:04:09,890 --> 00:04:07,380

traceable in the archives of Europe and

71

00:04:13,280 --> 00:04:09,900

they were appointed to positions of

72

00:04:15,650 --> 00:04:13,290

power insofar as we can establish very

73

00:04:18,380 --> 00:04:15,660

early arm by the first Holy Roman

74

00:04:21,380 --> 00:04:18,390

Emperor a man called Charlemagne it was

75

00:04:23,150 --> 00:04:21,390

the first leading person in Europe who

76
00:04:26,480 --> 00:04:23,160
claimed descent from the house of David

77
00:04:32,710 --> 00:04:26,490
the same sort of lineage claimed by

78
00:04:35,810 --> 00:04:32,720
Jesus I bear in mind that when he was

79
00:04:38,510 --> 00:04:35,820
ruling his fast and rather unwieldy

80
00:04:40,820 --> 00:04:38,520
Empire that there was no personal

81
00:04:43,100 --> 00:04:40,830
service there was no telephone service

82
00:04:46,159 --> 00:04:43,110
there was no internet so he needed

83
00:04:48,469 --> 00:04:46,169
people he could trust so he appointed

84
00:04:50,780 --> 00:04:48,479
members of this family group to

85
00:04:54,200 --> 00:04:50,790
positions of power particularly in

86
00:04:57,550 --> 00:04:54,210
regions that were vulnerable as well as

87
00:05:02,240 --> 00:04:57,560
the longer go cry live in South West and

88
00:05:05,240 --> 00:05:02,250

he used these people and a large Jewish

89

00:05:09,909 --> 00:05:05,250

community down here as a sort of buffer

90

00:05:15,310 --> 00:05:09,919

state to stop the infiltration of

91

00:05:20,840 --> 00:05:18,710

other members of the families were in

92

00:05:23,330 --> 00:05:20,850

positions of power in an area called

93

00:05:25,990 --> 00:05:23,340

champagne which is much further north

94

00:05:29,150 --> 00:05:26,000

it's up near Paris to the east of Paris

95

00:05:29,600 --> 00:05:29,160

and it was from that region the founding

96

00:05:34,429 --> 00:05:29,610

member

97

00:05:37,879 --> 00:05:34,439

the Knights Templar arose now the

98

00:05:41,839 --> 00:05:37,889

original eight or nine founding members

99

00:05:44,779 --> 00:05:41,849

were all related they all came from the

100

00:05:47,320 --> 00:05:44,789

country of champagne and they all had

101
00:05:50,350 --> 00:05:47,330
allegiance to count you of champagne

102
00:05:55,969 --> 00:05:50,360
unless it became a member of the Order

103
00:06:01,149 --> 00:05:55,979
and yes they fought for the Christian

104
00:06:03,800 --> 00:06:01,159
state in the Holy Land but there are

105
00:06:06,140 --> 00:06:03,810
objective was some somewhat different

106
00:06:10,040 --> 00:06:06,150
they honestly believed that they were

107
00:06:13,100 --> 00:06:10,050
fighting to regain their old holdings in

108
00:06:19,360 --> 00:06:13,110
the Holy Land and they were an

109
00:06:23,330 --> 00:06:19,370
incredibly brave and courageous order

110
00:06:26,540 --> 00:06:23,340
but their real claim to fame comes not

111
00:06:30,980 --> 00:06:26,550
from their fighting abilities but from

112
00:06:33,589 --> 00:06:30,990
their well europe-wide organization they

113
00:06:37,640 --> 00:06:33,599

own lands and properties from as far

114

00:06:41,059 --> 00:06:37,650

north as Poland down to the islands of

115

00:06:43,670 --> 00:06:41,069

Majorca in the south from Portugal in

116

00:06:47,149 --> 00:06:43,680

the West right across Europe to the Holy

117

00:06:50,629 --> 00:06:47,159

Land in the east and all the profit that

118

00:06:53,570 --> 00:06:50,639

was made from these properties was used

119

00:06:55,519 --> 00:06:53,580

to maintain the Templar Army in the Holy

120

00:06:57,379 --> 00:06:55,529

Land it was the first standing army in

121

00:07:01,749 --> 00:06:57,389

Europe since the fall of the Roman

122

00:07:05,089 --> 00:07:01,759

Empire and to maintain it they created a

123

00:07:09,230 --> 00:07:05,099

commercial network which was a precursor

124

00:07:12,079 --> 00:07:09,240

to multinational conglomerates today

125

00:07:18,920 --> 00:07:12,089

they were a truly remarkable group of

126
00:07:23,269 --> 00:07:18,930
people you know when we talk about the

127
00:07:26,110 --> 00:07:23,279
Knights Templar how do they relate you

128
00:07:28,909 --> 00:07:26,120
know to the to the Crusades and then

129
00:07:32,240 --> 00:07:28,919
subsequently the Inquisition had there

130
00:07:34,700 --> 00:07:32,250
already been a split by that time by the

131
00:07:38,209 --> 00:07:34,710
time of the Inquisition between the

132
00:07:41,379 --> 00:07:38,219
Templars and the church or don't think

133
00:07:44,050 --> 00:07:41,389
in terms of split it's

134
00:07:48,399 --> 00:07:44,060
please looked as though they were

135
00:07:51,429 --> 00:07:48,409
operating within the church and for the

136
00:07:54,070 --> 00:07:51,439
vast majority of its members that would

137
00:07:56,320 --> 00:07:54,080
have been true but the inner rooming

138
00:07:58,779 --> 00:07:56,330

core which were always drawn from the

139

00:08:02,070 --> 00:07:58,789

same families had their own agenda and

140

00:08:05,320 --> 00:08:02,080

had a totally different belief system

141

00:08:07,899 --> 00:08:05,330

they did not believe that Jesus came to

142

00:08:11,920 --> 00:08:07,909

redeem us from sin as some sort of

143

00:08:13,839 --> 00:08:11,930

Icarus human sacrifice at Golgotha they

144

00:08:17,709 --> 00:08:13,849

believed that he came to reveal a

145

00:08:19,869 --> 00:08:17,719

pathway of spirituality a pathway of

146

00:08:23,860 --> 00:08:19,879

spirituality which ultimately would

147

00:08:28,089 --> 00:08:23,870

unite everybody on the planet with one

148

00:08:31,719 --> 00:08:28,099

belief system a system of universal

149

00:08:34,930 --> 00:08:31,729

brotherhood founded on the principles of

150

00:08:37,500 --> 00:08:34,940

truth and justice so in that sense they

151

00:08:40,300 --> 00:08:37,510

were indeed heretical they did not

152

00:08:46,300 --> 00:08:40,310

subscribe to the mainstream Christian

153

00:08:49,560 --> 00:08:46,310

believes that's that same term you know

154

00:08:52,990 --> 00:08:49,570

this uniting the world uniting mankind

155

00:08:56,740 --> 00:08:53,000

through spirituality under the same

156

00:08:59,019 --> 00:08:56,750

belief you hear that today when we we

157

00:09:03,850 --> 00:08:59,029

hear about secret societies and their

158

00:09:07,420 --> 00:09:03,860

possible raise on debt and it seems like

159

00:09:09,759 --> 00:09:07,430

it's this part of what we hear called

160

00:09:12,189 --> 00:09:09,769

the underground stream of knowledge

161

00:09:13,689 --> 00:09:12,199

that's being passed down by these

162

00:09:16,060 --> 00:09:13,699

families that you were talking about

163

00:09:19,540 --> 00:09:16,070

this close circle of people who

164

00:09:23,829 --> 00:09:19,550

intermarried and then you know started

165

00:09:27,400 --> 00:09:23,839

multiplying from there is that part of

166

00:09:30,280 --> 00:09:27,410

what the Templars were about oh yes very

167

00:09:32,759 --> 00:09:30,290

much so they had to do it in secret

168

00:09:35,889 --> 00:09:32,769

because if the church authorities

169

00:09:36,819 --> 00:09:35,899

discovered it they would have been

170

00:09:39,040 --> 00:09:36,829

repressed

171

00:09:41,590 --> 00:09:39,050

brutally which of course ultimately is

172

00:09:44,170 --> 00:09:41,600

what happened don't forget the

173

00:09:46,389 --> 00:09:44,180

Inquisition did not exist at the time

174

00:09:49,050 --> 00:09:46,399

the Templars were founded the

175

00:09:53,240 --> 00:09:49,060

Inquisition came about 150 years later

176

00:09:57,080 --> 00:09:53,250

and it was founded to suppress

177

00:09:59,960 --> 00:09:57,090

Cathars in the southwest of France and

178

00:10:03,200 --> 00:09:59,970

after the Cathar crusade the Inquisition

179

00:10:06,710 --> 00:10:03,210

grew in strength and power and was in

180

00:10:09,970 --> 00:10:06,720

fact used to torture the Templars for

181

00:10:13,400 --> 00:10:09,980

nearly seven years after the arrests on

182

00:10:17,480 --> 00:10:13,410

the thirty Friday the 13th of October

183

00:10:19,760 --> 00:10:17,490

thirteen hundred and seven but the

184

00:10:23,030 --> 00:10:19,770

Templars as an order were never actually

185

00:10:26,000 --> 00:10:23,040

convicted of any crime individual

186

00:10:29,360 --> 00:10:26,010

members were tortured to death the Grand

187

00:10:33,830 --> 00:10:29,370

Master and his second-in-command Jafar

188

00:10:37,880 --> 00:10:33,840

Ducharme were burnt alive for renouncing

189

00:10:41,270 --> 00:10:37,890

their confessions but the order was

190

00:10:43,730 --> 00:10:41,280

never actually convicted and it was

191

00:10:47,950 --> 00:10:43,740

disbanded by the Pope on the grounds

192

00:10:51,710 --> 00:10:47,960

that it had fallen into disrepute now

193

00:10:53,840 --> 00:10:51,720

the link between the belief system of

194

00:10:55,490 --> 00:10:53,850

the Knights Templar uncertain other

195

00:11:00,590 --> 00:10:55,500

members of the hidden streams and

196

00:11:03,380 --> 00:11:00,600

spirituality unlace of Freemasonry is an

197

00:11:07,340 --> 00:11:03,390

indirect link the Templars were

198

00:11:10,400 --> 00:11:07,350

suppressed in 1314 Freemasonry didn't

199

00:11:13,970 --> 00:11:10,410

appear until the siege the late fifteen

200

00:11:16,850 --> 00:11:13,980

hundreds early sixteen hundreds and the

201
00:11:19,160 --> 00:11:16,860
linkage was between the founding

202
00:11:22,510 --> 00:11:19,170
families the same group of families who

203
00:11:26,329 --> 00:11:22,520
founded the Templars later founded

204
00:11:31,010 --> 00:11:26,339
Freemasonry so this is where the linkage

205
00:11:34,630 --> 00:11:31,020
comes and the linkage is very very

206
00:11:37,220 --> 00:11:34,640
strong there is a very very easily

207
00:11:39,650 --> 00:11:37,230
discernible Knights Templar tradition

208
00:11:45,170 --> 00:11:39,660
within Freemasonry particularly in the

209
00:11:47,960 --> 00:11:45,180
United States so these families that

210
00:11:50,210 --> 00:11:47,970
that set up these two linked up

211
00:11:54,740 --> 00:11:50,220
organizations that you know at different

212
00:11:57,020 --> 00:11:54,750
stages of time is there something

213
00:11:59,810 --> 00:11:57,030

particular I know you've done a lot of

214

00:12:03,470 --> 00:11:59,820

work in research and writing about these

215

00:12:07,160 --> 00:12:03,480

families is there something that you

216

00:12:10,100 --> 00:12:07,170

find particularly on you

217

00:12:11,920 --> 00:12:10,110

usual or unique about these families

218

00:12:15,079 --> 00:12:11,930

other than the fact that they're just

219

00:12:17,030 --> 00:12:15,089

keeping close keeping everything kind of

220

00:12:18,920 --> 00:12:17,040

close to the family close to the chest

221

00:12:21,319 --> 00:12:18,930

and that's why they intermarry is there

222

00:12:23,660 --> 00:12:21,329

any other reason is there something

223

00:12:26,900 --> 00:12:23,670

special about these people I know that

224

00:12:31,250 --> 00:12:26,910

you've spent time a lot of time with

225

00:12:34,220 --> 00:12:31,260

with Prince Michael of Albany and you

226

00:12:37,189 --> 00:12:34,230

know it's is there something that is

227

00:12:40,160 --> 00:12:37,199

unusual about these people do they have

228

00:12:43,879 --> 00:12:40,170

some sort of special qualities yes there

229

00:12:48,139 --> 00:12:43,889

is forget for the moment individuals

230

00:12:49,910 --> 00:12:48,149

like Michael the families believe that

231

00:12:56,000 --> 00:12:49,920

they were handing down the true

232

00:12:59,480 --> 00:12:56,010

teachings of Jesus and well ours would

233

00:13:02,360 --> 00:12:59,490

lead they would appear to be practicing

234

00:13:04,819 --> 00:13:02,370

the prevailing religion of the time and

235

00:13:07,250 --> 00:13:04,829

place they lived in for example in

236

00:13:09,170 --> 00:13:07,260

Europe they were outwardly practiced

237

00:13:10,759 --> 00:13:09,180

Christianity if they were in the Middle

238

00:13:13,689 --> 00:13:10,769

East there's a good chance they'd be

239

00:13:17,509 --> 00:13:13,699

practicing Islam and some of them were

240

00:13:20,870 --> 00:13:17,519

at home they would pass on the secret

241

00:13:23,660 --> 00:13:20,880

teachings from father to child and down

242

00:13:28,220 --> 00:13:23,670

through the ages and it's this process

243

00:13:30,259 --> 00:13:28,230

of teaching that becomes the the link if

244

00:13:33,470 --> 00:13:30,269

you look at the Knights Templar and you

245

00:13:36,439 --> 00:13:33,480

look at modern-day Freemasonry you will

246

00:13:40,100 --> 00:13:36,449

find that the name Jesus is very rarely

247

00:13:42,380 --> 00:13:40,110

mentioned the - thanks John are the

248

00:13:44,660 --> 00:13:42,390

people who get the venerations and John

249

00:13:48,319 --> 00:13:44,670

the Baptist of course they believe was

250

00:13:50,990 --> 00:13:48,329

the teacher of Jesus and Jesus is star

251

00:13:54,650 --> 00:13:51,000

pupils and John the Divine it's the

252

00:13:59,449 --> 00:13:54,660

process of transmission of the teaching

253

00:14:01,790 --> 00:13:59,459

that is being celebrated here now when I

254

00:14:04,550 --> 00:14:01,800

wrote Rex tears which was published back

255

00:14:08,809 --> 00:14:04,560

in 2000 seems an awfully long time ago

256

00:14:11,420 --> 00:14:08,819

now oh my gosh sure a few weeks

257

00:14:13,370 --> 00:14:11,430

afterwards I got a letter on very

258

00:14:15,949 --> 00:14:13,380

impressive headed note paper over the

259

00:14:18,139 --> 00:14:15,959

coat of arms on the top and the less it

260

00:14:20,450 --> 00:14:18,149

was very brief and it worried me

261

00:14:23,329 --> 00:14:20,460

it's an Adele author he was

262

00:14:26,600 --> 00:14:23,339

have consulted me before you rushed so

263

00:14:29,120 --> 00:14:26,610

precipitously into print we must talk

264

00:14:33,320 --> 00:14:29,130

better yet mate sorry I ran this

265

00:14:35,210 --> 00:14:33,330

gentleman ah explained who I was and

266

00:14:38,720 --> 00:14:35,220

explained that we'd been given an

267

00:14:40,730 --> 00:14:38,730

incomplete story and we tried to fill in

268

00:14:44,769 --> 00:14:40,740

the gaps as we'd mentioned in the book

269

00:14:47,480 --> 00:14:44,779

from our knowledge of medieval history

270

00:14:50,900 --> 00:14:47,490

and then I post the question I said

271

00:14:53,960 --> 00:14:50,910

where did we get it wrong oh my god a

272

00:14:55,430 --> 00:14:53,970

very surprising answer he said oh you

273

00:14:58,639 --> 00:14:55,440

didn't dear boy

274

00:15:01,910 --> 00:14:58,649

it's just incomplete do you want the

275

00:15:07,400 --> 00:15:01,920

rest well you bet your ass I wanted the

276

00:15:10,190 --> 00:15:07,410

rest so we arranged Mead and he invited

277

00:15:12,380 --> 00:15:10,200

myself am I then collaboration Marilyn

278

00:15:16,540 --> 00:15:12,390

Hopkins to his home for a weekend and

279

00:15:19,579 --> 00:15:16,550

said please arrive on Friday before dusk

280

00:15:21,860 --> 00:15:19,589

now that at that point the warning bells

281

00:15:26,090 --> 00:15:21,870

in my head started to get up and go off

282

00:15:28,160 --> 00:15:26,100

because my mother was Jewish and dusk on

283

00:15:33,320 --> 00:15:28,170

a Friday is the beginning of Shabbat

284

00:15:37,130 --> 00:15:33,330

sure so we duly arrived at the appointed

285

00:15:39,440 --> 00:15:37,140

time and as we were walking through the

286

00:15:42,769 --> 00:15:39,450

dining room to take our bags up to the

287

00:15:45,890 --> 00:15:42,779

bedrooms and we noticed the table was

288

00:15:48,320 --> 00:15:45,900

laid for dinner and on the mantelshelf

289

00:15:51,140 --> 00:15:48,330

there was a menorah

290

00:15:54,800 --> 00:15:51,150

there was show bread ready at the table

291

00:15:57,730 --> 00:15:54,810

and there was a yarmulke by each of the

292

00:16:01,850 --> 00:15:57,740

gentleman's plates it was a seder dinner

293

00:16:05,180 --> 00:16:01,860

yeah and the prayers were said in Hebrew

294

00:16:08,810 --> 00:16:05,190

and an Aramaic they were practicing the

295

00:16:12,290 --> 00:16:08,820

same tradition and they had been taught

296

00:16:14,660 --> 00:16:12,300

for over 2,000 years and that's what

297

00:16:19,130 --> 00:16:14,670

it's all about is passing down spiritual

298

00:16:22,639 --> 00:16:19,140

teaching it was not about earthly power

299

00:16:27,710 --> 00:16:22,649

and prestige it was about teaching the

300

00:16:29,569 --> 00:16:27,720

principles of brotherhood and unity well

301

00:16:31,610 --> 00:16:29,579

you know I recall you saying a few

302

00:16:33,980 --> 00:16:31,620

moments ago that you know some of the

303

00:16:38,060 --> 00:16:33,990

Templars were practicing Chris

304

00:16:41,990 --> 00:16:38,070

and some were practicing Muslims and but

305

00:16:44,120 --> 00:16:42,000

yet they also believed practicing

306

00:16:46,040 --> 00:16:44,130

Muslims in the templars there were

307

00:16:47,900 --> 00:16:46,050

practicing Muslims amongst the REC

308

00:16:50,389 --> 00:16:47,910

stairs families who lived in the Middle

309

00:16:54,380 --> 00:16:50,399

East oh thank you for that correction I

310

00:16:56,210 --> 00:16:54,390

see and but yet the the belief system

311

00:16:59,180 --> 00:16:56,220

that was being handed down that they

312

00:17:02,269 --> 00:16:59,190

were all practicing sort of transcended

313

00:17:04,910 --> 00:17:02,279

those those belief systems is that right

314

00:17:09,439 --> 00:17:04,920

oh yes very much so that that was the

315

00:17:13,669 --> 00:17:09,449

scent of the central core and it is as

316

00:17:17,510 --> 00:17:13,679

most of what we know about the Knights

317

00:17:19,910 --> 00:17:17,520

Templar I at least sort of commensurate

318

00:17:22,449 --> 00:17:19,920

with the times we'll is that from

319

00:17:24,650 --> 00:17:22,459

William of Tyre and then later from

320

00:17:26,390 --> 00:17:24,660

Inquisition records which of course can

321

00:17:28,510 --> 00:17:26,400

be sort of read backwards to try to

322

00:17:31,880 --> 00:17:28,520

figure out what they really said I guess

323

00:17:35,330 --> 00:17:31,890

well I personally do not put much stress

324

00:17:37,910 --> 00:17:35,340

on William of Tyre as whether he was he

325

00:17:40,790 --> 00:17:37,920

was writing some 70 years after the

326

00:17:43,790 --> 00:17:40,800

events he purports to describe and he

327

00:17:45,350 --> 00:17:43,800

was no great fan of the templates there

328

00:17:48,860 --> 00:17:45,360

are much earlier and much better

329

00:17:53,090 --> 00:17:48,870

references in the records I thought of

330

00:17:54,740 --> 00:17:53,100

shark amongst others and they they are

331

00:17:58,010 --> 00:17:54,750

much more important than they usually

332

00:18:02,049 --> 00:17:58,020

ignored by modern historians for some

333

00:18:05,780 --> 00:18:02,059

peculiar reason there's an unfortunate

334

00:18:09,620 --> 00:18:05,790

trend amongst historians of the medieval

335

00:18:11,930 --> 00:18:09,630

era that they tend to copy the errors

336

00:18:14,810 --> 00:18:11,940

that their predecessors have written

337

00:18:17,390 --> 00:18:14,820

into the record or they focus on the

338

00:18:20,090 --> 00:18:17,400

wrong aspects and things you'll have to

339

00:18:25,280 --> 00:18:20,100

look at the full picture and going back

340

00:18:27,970 --> 00:18:25,290

to original documentary records as far

341

00:18:33,320 --> 00:18:27,980

as possible not the work of your own

342

00:18:37,310 --> 00:18:33,330

predecessors yes well I guess so I guess

343

00:18:40,130 --> 00:18:37,320

one would really need to go back to you

344

00:18:42,320 --> 00:18:40,140

know at least in a translation you know

345

00:18:46,250 --> 00:18:42,330

one hand down everything's been

346

00:18:47,850 --> 00:18:46,260

translated down and diluted so much that

347

00:18:49,680 --> 00:18:47,860

we don't really know

348

00:18:52,530 --> 00:18:49,690

we're getting especially those of us who

349

00:18:55,530 --> 00:18:52,540

just read and speak English well let's

350

00:18:56,730 --> 00:18:55,540

let's give a little bit of guidance here

351

00:18:59,789 --> 00:18:56,740

to anybody who's doing their own

352

00:19:02,190 --> 00:18:59,799

research which I hope people are we

353

00:19:05,100 --> 00:19:02,200

first of all there is no such thing as

354

00:19:08,010 --> 00:19:05,110

an unbiased document anywhere in the

355

00:19:10,440 --> 00:19:08,020

world everything that is written down

356

00:19:13,080 --> 00:19:10,450

particularly in the medieval times and

357

00:19:15,150 --> 00:19:13,090

earlier was written down for a purpose

358

00:19:18,299 --> 00:19:15,160

and that purpose was to give somebody an

359

00:19:21,210 --> 00:19:18,309

advantage to give them an age so there's

360

00:19:24,270 --> 00:19:21,220

always bias that you've got to allow for

361

00:19:26,780 --> 00:19:24,280

and secondly if you want to get to grips

362

00:19:29,669 --> 00:19:26,790

with these things you don't rely on

363

00:19:33,500 --> 00:19:29,679

translations you have to learn the

364

00:19:38,039 --> 00:19:33,510

language concern which is usually Latin

365

00:19:41,580 --> 00:19:38,049

if you're relying on translation there

366

00:19:44,190 --> 00:19:41,590

is a bigger margin for error so one has

367

00:19:46,970 --> 00:19:44,200

to learn the languages of of the time

368

00:19:50,039 --> 00:19:46,980

and most of church records and most

369

00:19:54,060 --> 00:19:50,049

official records up to about the 13th or

370

00:19:56,280 --> 00:19:54,070

14th century are Latin summer in Norman

371

00:20:00,060 --> 00:19:56,290

French and early French and you have to

372

00:20:01,680 --> 00:20:00,070

learn those as well you know there's a

373

00:20:03,900 --> 00:20:01,690

lot more to this if you're just relying

374

00:20:05,850 --> 00:20:03,910

on translation you're relying on second

375

00:20:09,630 --> 00:20:05,860

third or fourth hand information it's

376

00:20:12,360 --> 00:20:09,640

not good enough gosh I can't imagine

377

00:20:14,700 --> 00:20:12,370

myself at my age sitting down to learn

378

00:20:17,549 --> 00:20:14,710

Latin at this stage of the game but I

379

00:20:21,750 --> 00:20:17,559

might I might rely on more scholarly

380

00:20:28,880 --> 00:20:21,760

people like yourself I'm not a scholar

381

00:20:35,000 --> 00:20:28,890

I'm just an elderly pilgrim love yes

382

00:20:39,570 --> 00:20:35,010

well now you've moved yourself from the

383

00:20:41,490 --> 00:20:39,580

east coast of France or the eastern part

384

00:20:42,720 --> 00:20:41,500

of France over to the southwestern side

385

00:20:45,270 --> 00:20:42,730

in the longer dock

386

00:20:47,850 --> 00:20:45,280

and I see on your Facebook page it says

387

00:20:51,690 --> 00:20:47,860

s Peraza yeah that's it

388

00:20:54,000 --> 00:20:51,700

yeah and so now now you've been there

389

00:20:55,440 --> 00:20:54,010

what about a year of course let me I

390

00:20:57,000 --> 00:20:55,450

know you've gone there many many times

391

00:20:59,430 --> 00:20:57,010

because I've been there I've been

392

00:21:01,110 --> 00:20:59,440

working time here on and off something

393

00:21:03,950 --> 00:21:01,120

like 35 years

394

00:21:07,280 --> 00:21:03,960

yes but they were intermittent visits

395

00:21:11,580 --> 00:21:07,290

I've been living down here now for about

396

00:21:15,060 --> 00:21:11,590

1516 months my wife and I said my wife

397

00:21:16,560 --> 00:21:15,070

Cindy and myself came down here within a

398

00:21:19,650 --> 00:21:16,570

couple of weeks of getting married well

399

00:21:22,890 --> 00:21:19,660

a few days of getting married and we've

400

00:21:27,270 --> 00:21:22,900

been here ever since and it's it's a

401
00:21:30,299 --> 00:21:27,280
wonderful place why did you why did you

402
00:21:32,880 --> 00:21:30,309
move there was a lot there's been a

403
00:21:35,700 --> 00:21:32,890
cultural crossroads since the beginning

404
00:21:37,950 --> 00:21:35,710
of time we've had them all through here

405
00:21:42,360 --> 00:21:37,960
the Phoenicians the Greeks the Romans

406
00:21:44,850 --> 00:21:42,370
the Muslims are the Visigoths the

407
00:21:46,650 --> 00:21:44,860
Cathars the night this was the epicenter

408
00:21:47,810 --> 00:21:46,660
of the Knights Templar and the Knights

409
00:21:51,210 --> 00:21:47,820
Hospitaller

410
00:21:54,750 --> 00:21:51,220
and it's still a cultural crossroads and

411
00:21:57,810 --> 00:21:54,760
it was the border between Christian

412
00:22:00,090 --> 00:21:57,820
Europe and Muslim Spain and Spain is

413
00:22:02,400 --> 00:22:00,100

where it all happened that's where the

414

00:22:05,970 --> 00:22:02,410

foundations of European culture were

415

00:22:09,000 --> 00:22:05,980

laid not true Christian scholarship but

416

00:22:10,890 --> 00:22:09,010

through Muslim scholarship at a time

417

00:22:13,680 --> 00:22:10,900

when Charlemagne couldn't sign his name

418

00:22:16,560 --> 00:22:13,690

there was a university in Cordoba which

419

00:22:20,450 --> 00:22:16,570

drew its intake from Christian Muslim

420

00:22:24,390 --> 00:22:20,460

and Jewish schools throughout Spain

421

00:22:27,210 --> 00:22:24,400

Islam was the most tolerant regime far

422

00:22:30,240 --> 00:22:27,220

more so than Christianity and that's

423

00:22:33,419 --> 00:22:30,250

where the scholarship was in Cordoba

424

00:22:37,950 --> 00:22:33,429

they published 20 odd thousand books

425

00:22:40,500 --> 00:22:37,960

each year they had the biggest second

426

00:22:44,370 --> 00:22:40,510

biggest library in the world and it was

427

00:22:48,090 --> 00:22:44,380

the cultural hub of the western part of

428

00:22:51,060 --> 00:22:48,100

the Empire of Islam and nothing was

429

00:22:52,740 --> 00:22:51,070

happening in Europe Christianity was

430

00:22:57,680 --> 00:22:52,750

based on the assumption that everybody

431

00:23:02,970 --> 00:23:00,570

whereas in Islam they didn't waste time

432

00:23:06,210 --> 00:23:02,980

on theology they said the study of God

433

00:23:10,200 --> 00:23:06,220

is a waste of time it's insanity

434

00:23:12,720 --> 00:23:10,210

XANA if you wanted to know about God you

435

00:23:14,570 --> 00:23:12,730

had to study his works in nature so they

436

00:23:17,960 --> 00:23:14,580

studied science they studied as

437

00:23:20,180 --> 00:23:17,970

normally they studied medicine Europe's

438

00:23:22,220 --> 00:23:20,190

first medical school which was founded

439

00:23:25,220 --> 00:23:22,230

not very far from here in Montpellier

440

00:23:27,529 --> 00:23:25,230

was founded in the 13th century by

441

00:23:30,860 --> 00:23:27,539

Jewish doctors who trained in Muslim

442

00:23:33,169 --> 00:23:30,870

Spain and North Africa all our science

443

00:23:36,860 --> 00:23:33,179

modern science is based on Muslim

444

00:23:39,460 --> 00:23:36,870

scholarship and yet we treat these

445

00:23:42,830 --> 00:23:39,470

people so appalling they badly

446

00:23:45,620 --> 00:23:42,840

well yes everybody paints everyone with

447

00:23:49,129 --> 00:23:45,630

the same brush unfortunately in that

448

00:23:50,840 --> 00:23:49,139

again it's a matter of ignorance and I

449

00:23:54,590 --> 00:23:50,850

know that you've done much work in this

450

00:23:57,500 --> 00:23:54,600

area much research into Islam and into

451

00:24:01,190 --> 00:23:57,510

that whole culture and in fact have

452

00:24:02,990 --> 00:24:01,200

written a book called what is what Islam

453

00:24:05,750 --> 00:24:03,000

has done for us is that correct that's

454

00:24:08,000 --> 00:24:05,760

correct yeah yeah and I know that you

455

00:24:11,320 --> 00:24:08,010

know probably people are wondering what

456

00:24:15,230 --> 00:24:11,330

the heck are you writing a book about

457

00:24:19,070 --> 00:24:15,240

Islam for at a time when everyone's so

458

00:24:25,700 --> 00:24:19,080

up in arms about everything well I had

459

00:24:29,180 --> 00:24:25,710

to write it straight I agree and I think

460

00:24:31,399 --> 00:24:29,190

it it's a great book and everybody be on

461

00:24:34,250 --> 00:24:31,409

a ought to take a look and educate

462

00:24:38,149 --> 00:24:34,260

yourselves and and then you know form

463

00:24:40,840 --> 00:24:38,159

your opinions based on education my

464

00:24:43,460 --> 00:24:40,850

mother's back people were Jewish yes

465

00:24:45,560 --> 00:24:43,470

technically I'm a Jew that's right

466

00:24:49,009 --> 00:24:45,570

because your mind quite unquiet progress

467

00:24:51,350 --> 00:24:49,019

that and rightly so but the Jewish

468

00:24:54,200 --> 00:24:51,360

people would not have survived if it was

469

00:24:56,810 --> 00:24:54,210

not for the tolerance of Islam from the

470

00:25:04,129 --> 00:24:56,820

time of the Prophet Muhammad until the

471

00:25:06,320 --> 00:25:04,139

early 1900s 85% of the Jewish people in

472

00:25:08,450 --> 00:25:06,330

the world lived under the tolerant rule

473

00:25:10,580 --> 00:25:08,460

of Islam and they did so through choice

474

00:25:13,210 --> 00:25:10,590

because there were far better treated

475

00:25:17,149 --> 00:25:13,220

there than they were in Christian Europe

476

00:25:19,460 --> 00:25:17,159

people forget this and the obscenity of

477

00:25:22,600 --> 00:25:19,470

what's happening in Israel at the moment

478

00:25:25,490 --> 00:25:22,610

makes me feel sick

479

00:25:27,210 --> 00:25:25,500

but that's a personal view and that's

480

00:25:32,490 --> 00:25:27,220

political but it's it's

481

00:25:34,799 --> 00:25:32,500

that's true I can't stand racism no

482

00:25:37,529 --> 00:25:34,809

pres like it either whether it's based

483

00:25:40,260 --> 00:25:37,539

on color creed or anything else we're

484

00:25:43,169 --> 00:25:40,270

all children of the same Gardens to

485

00:25:45,390 --> 00:25:43,179

quote Martin Luther King we have learnt

486

00:25:46,770 --> 00:25:45,400

to fly in the air like birds we have yet

487

00:25:51,620 --> 00:25:46,780

to learn to walk on the earth like

488

00:25:56,789 --> 00:25:51,630

brothers it's about time we bloody did

489

00:25:59,760 --> 00:25:56,799

well then I agree with that 100% but so

490

00:26:04,610 --> 00:25:59,770

you now you find yourself in the longbow

491

00:26:07,080 --> 00:26:04,620

duck and you know there's a lot of

492

00:26:09,419 --> 00:26:07,090

people you know you said it's it's a

493

00:26:11,159 --> 00:26:09,429

crossroads it's a pathway you know for

494

00:26:12,630 --> 00:26:11,169

all these different groups all these

495

00:26:15,680 --> 00:26:12,640

different philosophies all this

496

00:26:20,549 --> 00:26:15,690

different these different thoughts and

497

00:26:21,480 --> 00:26:20,559

why is that why that area it's

498

00:26:25,710 --> 00:26:21,490

absolutely true

499

00:26:28,919 --> 00:26:25,720

well why I'm for simple geographical

500

00:26:31,140 --> 00:26:28,929

reasons it was because of the

501
00:26:33,390 --> 00:26:31,150
mountainous barriers between France and

502
00:26:40,490 --> 00:26:33,400
Spain it was easier to travel along the

503
00:26:45,330 --> 00:26:40,500
coastal roads because of a game

504
00:26:48,419 --> 00:26:45,340
brigandage and robber barons along the

505
00:26:53,149 --> 00:26:48,429
route on man it was easier to travel by

506
00:26:56,220 --> 00:26:53,159
sea so everything happened along here

507
00:26:59,549 --> 00:26:56,230
the Phoenicians who really thought found

508
00:27:01,919 --> 00:26:59,559
in European trade as we begin to know it

509
00:27:04,200 --> 00:27:01,929
and the ancient Egyptians the Romans

510
00:27:06,779 --> 00:27:04,210
they all use the sea as a means of

511
00:27:10,169 --> 00:27:06,789
transport it was easier than traveling

512
00:27:15,360 --> 00:27:10,179
over em so the coastal areas become

513
00:27:18,870 --> 00:27:15,370

important and the area here first of all

514

00:27:21,390 --> 00:27:18,880

it's stunningly beautiful it's a series

515

00:27:23,549 --> 00:27:21,400

of mountains and hills each valley is

516

00:27:26,460 --> 00:27:23,559

different each town and village has its

517

00:27:28,590 --> 00:27:26,470

own traditions and the people have

518

00:27:31,440 --> 00:27:28,600

developed a culture here which is very

519

00:27:33,930 --> 00:27:31,450

warm and very welcoming and I love the

520

00:27:37,409 --> 00:27:33,940

place I'm I would not willingly live

521

00:27:40,080 --> 00:27:37,419

anywhere else I love it too I mean I I

522

00:27:40,590 --> 00:27:40,090

keep going back again and again and

523

00:27:45,780 --> 00:27:40,600

again

524

00:27:49,190 --> 00:27:45,790

really excited to get back it just it's

525

00:27:51,720 --> 00:27:49,200

a draw it it calls me back every time

526

00:27:53,610 --> 00:27:51,730

well the wonderful thing the wonderful

527

00:27:56,730 --> 00:27:53,620

thing is here it doesn't matter why

528

00:27:59,160 --> 00:27:56,740

people stopped coming they get hooked

529

00:28:02,130 --> 00:27:59,170

yeah I don't know whether it's just the

530

00:28:05,940 --> 00:28:02,140

earth energy whether it's the culture

531

00:28:08,820 --> 00:28:05,950

whether it's spirituality or a mixture

532

00:28:11,250 --> 00:28:08,830

of all of them but people tend to stay

533

00:28:13,680 --> 00:28:11,260

if they've been here at all for very

534

00:28:15,480 --> 00:28:13,690

long I call it the glue pop I say if you

535

00:28:18,960 --> 00:28:15,490

stay more than a fortnight you're going

536

00:28:22,650 --> 00:28:18,970

to end up living here yeah well you know

537

00:28:25,890 --> 00:28:22,660

we had you know people that have come on

538

00:28:28,500 --> 00:28:25,900

our tours and stayed you know or come

539

00:28:30,990 --> 00:28:28,510

back moved there it's it's it's amazing

540

00:28:35,670 --> 00:28:31,000

and I probably I want everyone before

541

00:28:38,190 --> 00:28:35,680

they come that if you you know if you go

542

00:28:40,440 --> 00:28:38,200

I'm warning you you will return you will

543

00:28:42,030 --> 00:28:40,450

go back and with that it's time for us

544

00:28:44,250 --> 00:28:42,040

to take a break Tim we're talking with

545

00:28:46,290 --> 00:28:44,260

Tim Wallace Murphy about the Knights

546

00:28:48,720 --> 00:28:46,300

Templar about the longer dock remiz

547

00:29:02,730 --> 00:28:48,730

Chateau mystery and the Holy Grail so

548

00:29:09,400 --> 00:29:06,669

hello everyone Lorien Fenton here hosted

549

00:29:11,890 --> 00:29:09,410

the California MUFON radio show asking

550

00:29:14,500 --> 00:29:11,900

if you'd like special access to

551
00:29:18,210 --> 00:29:14,510
exclusive and amazing information about

552
00:29:21,520 --> 00:29:18,220
UFOs the paranormal and all things

553
00:29:25,150 --> 00:29:21,530
unexplained if you're nodding yes then

554
00:29:26,950 --> 00:29:25,160
join our ends insider Club as an insider

555
00:29:29,919 --> 00:29:26,960
club member you'll get an all-access

556
00:29:34,330 --> 00:29:29,929
pass to premiere inception radio network

557
00:29:37,120 --> 00:29:34,340
content for only \$4.99 a month this

558
00:29:40,090 --> 00:29:37,130
includes live UFO and paranormal

559
00:29:43,240 --> 00:29:40,100
conferences live streaming UFO sky

560
00:29:46,330 --> 00:29:43,250
watches exclusive irn radio and TV

561
00:29:49,450 --> 00:29:46,340
productions and of course paying radio

562
00:29:49,930 --> 00:29:49,460
with MJ and Ken Storch so don't wait any

563
00:29:52,690 --> 00:29:49,940

longer

564

00:29:56,169 --> 00:29:52,700

visit inception radio network comm and

565

00:29:59,260 --> 00:29:56,179

click on member login to join our ends

566

00:30:02,770 --> 00:29:59,270

insider club and get your VIP access

567

00:30:04,720 --> 00:30:02,780

today are you a fan of inception radio

568

00:30:06,580 --> 00:30:04,730

network do you reckon it's the best

569

00:30:08,940 --> 00:30:06,590

alternative talk radio station on the

570

00:30:11,470 --> 00:30:08,950

planet well if you do head to

571

00:30:14,350 --> 00:30:11,480

facebook-dot-com forward-slash inception

572

00:30:16,180 --> 00:30:14,360

radio network like the page tell your

573

00:30:19,310 --> 00:30:16,190

friends spread the word and keep

574

00:30:23,790 --> 00:30:21,450

do you have a smartphone

575

00:30:25,560 --> 00:30:23,800

if so inception radio network is the

576

00:30:28,740 --> 00:30:25,570

best app for you available

577

00:30:30,870 --> 00:30:28,750

I choose Android Samsung and most of

578

00:30:33,600 --> 00:30:30,880

their app stores just search inception

579

00:30:36,030 --> 00:30:33,610

radio network with the applicants entire

580

00:30:38,550 --> 00:30:36,040

check out podcast of recent and past

581

00:30:41,010 --> 00:30:38,560

shows a few our videos see what shows

582

00:30:43,500 --> 00:30:41,020

are coming up who the guests are Adam

583

00:30:46,050 --> 00:30:43,510

via the chat room send live questions to

584

00:30:48,690 --> 00:30:46,060

those guests you know it makes sense and

585

00:30:53,960 --> 00:30:48,700

check your App Store now inception radio

586

00:30:59,880 --> 00:30:57,180

hey irn listeners make sure you tune in

587

00:31:01,800 --> 00:30:59,890

to night vision radio with Renee Barnett

588

00:31:04,410 --> 00:31:01,810

Renee will be exposing the truth one

589

00:31:07,140 --> 00:31:04,420

secret at a time when Thursday's every

590

00:31:08,700 --> 00:31:07,150

thursday 10:30 p.m. Eastern 7:30 p.m.

591

00:31:15,270 --> 00:31:08,710

Pacific we're right here

592

00:31:17,670 --> 00:31:15,280

IRA hello Irene listeners this is MJ

593

00:31:19,710 --> 00:31:17,680

saying hello and sharing boss and secret

594

00:31:20,899 --> 00:31:19,720

I discovered it's called dream Lodge

595

00:31:23,239 --> 00:31:20,909

calm

596

00:31:25,849 --> 00:31:23,249

fresh raw organic ingredients are used

597

00:31:28,039 --> 00:31:25,859

to create all their products they are

598

00:31:30,710 --> 00:31:28,049

made in very small batches to ensure

599

00:31:33,769 --> 00:31:30,720

quality and freshness handmade in the

600

00:31:35,440 --> 00:31:33,779

USA each product is created with care

601
00:31:37,969 --> 00:31:35,450
and with the finest organic ingredients

602
00:31:40,789 --> 00:31:37,979
there are no preservatives dyes or

603
00:31:46,599 --> 00:31:40,799
chemicals in any product stop by dream

604
00:31:55,640 --> 00:31:46,609
Lodge and laughs that's d-r-e am nu AG e

605
00:32:39,480 --> 00:31:58,549
you're locked into Inception Radio

606
00:32:44,830 --> 00:32:42,520
there we go we are back with night

607
00:32:47,200 --> 00:32:44,840
vision radio I'm your host Renee Barnett

608
00:32:48,910 --> 00:32:47,210
we're talking with author Tim Willis

609
00:32:51,490 --> 00:32:48,920
Murphy we've been talking about the

610
00:32:53,230 --> 00:32:51,500
Knights Templar got into a little bit

611
00:32:55,480 --> 00:32:53,240
about the Longwood up region which

612
00:32:58,660 --> 00:32:55,490
featured so prominently with the

613
00:33:01,660 --> 00:32:58,670

Templars and I know we're going to be

614

00:33:05,140 --> 00:33:01,670

sliding right on into the Holy Grail but

615

00:33:08,710 --> 00:33:05,150

before we go there Tim I wanted to ask

616

00:33:11,799 --> 00:33:08,720

you something about the the armed Iran

617

00:33:15,040 --> 00:33:11,809

of rennes-le-chateau there were I

618

00:33:19,030 --> 00:33:15,050

believe there were was it five Templar

619

00:33:22,540 --> 00:33:19,040

preceptories on the hilltops surrounding

620

00:33:24,940 --> 00:33:22,550

that area and if I'm correct about that

621

00:33:27,160 --> 00:33:24,950

why would there have been such a huge

622

00:33:31,330 --> 00:33:27,170

presence do you feel that they were

623

00:33:33,940 --> 00:33:31,340

guarding something yes they were but not

624

00:33:36,360 --> 00:33:33,950

not in the sense that most people assume

625

00:33:40,510 --> 00:33:36,370

which is the sense of buried treasure

626

00:33:42,790 --> 00:33:40,520

people always think about loot no they

627

00:33:45,940 --> 00:33:42,800

were guarding the border was with Muslim

628

00:33:47,740 --> 00:33:45,950

Spain and it's not just the Knights

629

00:33:49,210 --> 00:33:47,750

Templar that were around here the

630

00:33:55,930 --> 00:33:49,220

Knights Pospisil that we're here to

631

00:33:59,500 --> 00:33:55,940

another warrior order and so were the

632

00:34:02,169 --> 00:33:59,510

Cistercians the apostles of the frontier

633

00:34:05,320 --> 00:34:02,179

you will always find where you'll find

634

00:34:07,780 --> 00:34:05,330

Knights Templar and establishments

635

00:34:09,550 --> 00:34:07,790

within two or three hours ride there

636

00:34:12,190 --> 00:34:09,560

would be a suspension one as well

637

00:34:15,010 --> 00:34:12,200

because in the early days the two orders

638

00:34:16,869 --> 00:34:15,020

were almost indistinguishable one was

639

00:34:19,659 --> 00:34:16,879

the order of Prayer and the other was a

640

00:34:25,510 --> 00:34:19,669

warrior order and they were regarded as

641

00:34:29,290 --> 00:34:25,520

two arms of the same body but the

642

00:34:31,300 --> 00:34:29,300

regular chateaux thing that's one of the

643

00:34:34,330 --> 00:34:31,310

reasons a lot of people come here in the

644

00:34:36,399 --> 00:34:34,340

first place and I can still remember the

645

00:34:40,119 --> 00:34:36,409

excitement I felt when I watch the

646

00:34:43,810 --> 00:34:40,129

television back in 1971 and I saw this

647

00:34:45,810 --> 00:34:43,820

wonderful man tiny little diminutive

648

00:34:48,669 --> 00:34:45,820

bearded figure called Henry Lincoln

649

00:34:52,419 --> 00:34:48,679

tells the story of

650

00:34:55,059 --> 00:34:52,429

this priest bérenger saunière who came

651
00:34:57,190 --> 00:34:55,069
out of poverty in a tiny little hilltop

652
00:35:00,940 --> 00:34:57,200
village and suddenly started spending

653
00:35:02,950 --> 00:35:00,950
millions and he was fascinating and we

654
00:35:05,770 --> 00:35:02,960
had to wait five years for another

655
00:35:07,599 --> 00:35:05,780
program and then there was an e more

656
00:35:10,930 --> 00:35:07,609
interesting one and then three years

657
00:35:13,809 --> 00:35:10,940
later a third and then of course came

658
00:35:16,569 --> 00:35:13,819
the explosive book it was a best-seller

659
00:35:20,740 --> 00:35:16,579
at the time it still is called the Holy

660
00:35:23,770 --> 00:35:20,750
Blood and the Holy Grail and was written

661
00:35:26,309 --> 00:35:23,780
by Henry Lincoln Michael Baigent I must

662
00:35:29,380 --> 00:35:26,319
rather strange man called Richard Lee

663
00:35:32,319 --> 00:35:29,390

but the story it told was fascinating

664

00:35:36,640 --> 00:35:32,329

most of it was hokum as we later found

665

00:35:40,059 --> 00:35:36,650

out but not all and the two things it

666

00:35:43,000 --> 00:35:40,069

did fall for me anyway and for other for

667

00:35:46,299 --> 00:35:43,010

a lot of other people was makers all

668

00:35:47,950 --> 00:35:46,309

realized that it was far off in history

669

00:35:50,200 --> 00:35:47,960

and we had been meant to believe in

670

00:35:53,069 --> 00:35:50,210

school there were under currents and

671

00:35:57,549 --> 00:35:53,079

stories that were fascinating and

672

00:36:00,640 --> 00:35:57,559

secondly that the book is probably its

673

00:36:02,079 --> 00:36:00,650

most important that this was to

674

00:36:04,809 --> 00:36:02,089

introduce their idea to the

675

00:36:08,170 --> 00:36:04,819

english-speaking world that Jesus had

676
00:36:11,140 --> 00:36:08,180
been married and had children now there

677
00:36:13,750 --> 00:36:11,150
was a lady theologian in America who is

678
00:36:15,520 --> 00:36:13,760
now a very good friend of mine who read

679
00:36:18,460 --> 00:36:15,530
this and she was horrified

680
00:36:21,990 --> 00:36:18,470
and she thought it was blasphemous so

681
00:36:25,450 --> 00:36:22,000
she prayed over it and she received

682
00:36:28,900 --> 00:36:25,460
instruction to do the research and write

683
00:36:31,930 --> 00:36:28,910
up what she found a name is Margaret

684
00:36:35,620 --> 00:36:31,940
starboard yeah yeah so Herman takes

685
00:36:36,819 --> 00:36:35,630
credit the integrity of that woman

686
00:36:39,220 --> 00:36:36,829
shines through

687
00:36:41,170 --> 00:36:39,230
she wrote what she discovered and she

688
00:36:43,750 --> 00:36:41,180

wrote a wonderful book called the lady

689

00:36:46,120 --> 00:36:43,760

with the alabaster jar which confirmed

690

00:36:50,140 --> 00:36:46,130

the fact that Jesus was married Mary

691

00:36:52,809 --> 00:36:50,150

Magdalene and they had descendants if

692

00:36:55,750 --> 00:36:52,819

that was the only result that came out

693

00:36:58,809 --> 00:36:55,760

of Henry's book it would be worth it but

694

00:37:00,910 --> 00:36:58,819

Henry's book and his television work has

695

00:37:02,770 --> 00:37:00,920

traded people coming

696

00:37:05,080 --> 00:37:02,780

here literally in their tens of

697

00:37:09,250 --> 00:37:05,090

thousands every year and many of them

698

00:37:11,800 --> 00:37:09,260

come for the wrong reasons perhaps just

699

00:37:15,280 --> 00:37:11,810

out of curiosity or out treasure-seeking

700

00:37:19,290 --> 00:37:15,290

but they stay and they come back time

701
00:37:22,080 --> 00:37:19,300
and time again for spiritual reasons and

702
00:37:27,100 --> 00:37:22,090
spirituality transforms people's lives

703
00:37:29,320 --> 00:37:27,110
it's totally different from religion in

704
00:37:31,990 --> 00:37:29,330
religion you're accepting a body of

705
00:37:35,140 --> 00:37:32,000
belief and a load of hokum that somebody

706
00:37:38,290 --> 00:37:35,150
else's foisted on you and spirituality

707
00:37:40,750 --> 00:37:38,300
you experience your own transformation

708
00:37:42,580 --> 00:37:40,760
and start to get in contact with the

709
00:37:48,790 --> 00:37:42,590
divine in a way that it's almost

710
00:37:53,470 --> 00:37:48,800
indescribable and that's the reality of

711
00:37:57,160 --> 00:37:53,480
the Holy Grail well you know you know

712
00:38:01,450 --> 00:37:57,170
that a big fan of and a great friend of

713
00:38:04,030 --> 00:38:01,460

Henry Lincoln and um I was one of those

714

00:38:06,250 --> 00:38:04,040

people that read that book back in 1982

715

00:38:07,840 --> 00:38:06,260

Holy Blood Holy Grail as we called it

716

00:38:11,050 --> 00:38:07,850

here in America

717

00:38:12,880 --> 00:38:11,060

when it when it was published here and I

718

00:38:16,600 --> 00:38:12,890

was one of those people that was kind of

719

00:38:18,610 --> 00:38:16,610

freaked out by it but I was intrigued

720

00:38:20,490 --> 00:38:18,620

and I was excited by it but I was

721

00:38:22,210 --> 00:38:20,500

thinking you know I mean I was raised in

722

00:38:24,760 --> 00:38:22,220

southeastern Oklahoma

723

00:38:27,100 --> 00:38:24,770

you know this as a Southern Baptist and

724

00:38:29,560 --> 00:38:27,110

I'm thinking oh my god I'm going

725

00:38:33,730 --> 00:38:29,570

straight to hell if I'm thinking about

726

00:38:35,920 --> 00:38:33,740

this and it was hilarious but I read it

727

00:38:37,830 --> 00:38:35,930

I struggle through it it's a hard read

728

00:38:41,920 --> 00:38:37,840

you got to admit the book is a

729

00:38:44,620 --> 00:38:41,930

penitential read but it is full of great

730

00:38:46,960 --> 00:38:44,630

stuff and you're right Henry is the

731

00:38:50,230 --> 00:38:46,970

first one to say now oh it's baloney

732

00:38:54,670 --> 00:38:50,240

but there is some really choice stuff I

733

00:38:56,920 --> 00:38:54,680

use it still for for reference but also

734

00:39:01,890 --> 00:38:56,930

you know I think you're right it did

735

00:39:04,630 --> 00:39:01,900

sort of start a big big conversation and

736

00:39:08,800 --> 00:39:04,640

let's face it the amount of people who

737

00:39:11,560 --> 00:39:08,810

are involved in spirituality today who

738

00:39:14,000 --> 00:39:11,570

owe their introduction to it to Henry

739

00:39:16,010 --> 00:39:14,010

Lincoln it's almost beyond count

740

00:39:18,410 --> 00:39:16,020

oh my gosh can you imagine over the

741

00:39:20,570 --> 00:39:18,420

years how that yes this is a fact

742

00:39:23,450 --> 00:39:20,580

there's nobody writing in this area

743

00:39:25,520 --> 00:39:23,460

including myself who is not traveling on

744

00:39:27,740 --> 00:39:25,530

the coattails of Henry Lincoln he's a

745

00:39:32,410 --> 00:39:27,750

lovable over while he's younger than me

746

00:39:37,790 --> 00:39:32,420

actually by a few months not very much

747

00:39:40,880 --> 00:39:37,800

but he has accomplished a hell of a lot

748

00:39:43,070 --> 00:39:40,890

and his totally modest about it and if

749

00:39:45,740 --> 00:39:43,080

you attack him about the inaccuracies of

750

00:39:49,070 --> 00:39:45,750

the book he will say with charming

751
00:39:51,890 --> 00:39:49,080
honesty we flirted a few hypotheses and

752
00:39:55,940 --> 00:39:51,900
some of them what didn't work out which

753
00:39:57,800 --> 00:39:55,950
is honest and that's part of the charm

754
00:40:00,080 --> 00:39:57,810
of the men yeah

755
00:40:03,710 --> 00:40:00,090
Henry's nothing if not honest yeah

756
00:40:06,680 --> 00:40:03,720
sometimes painfully so well you've got

757
00:40:08,780 --> 00:40:06,690
to be because so many people when it

758
00:40:10,400 --> 00:40:08,790
comes to spiritual and religious themes

759
00:40:13,760 --> 00:40:10,410
so many people have been peddling

760
00:40:16,700 --> 00:40:13,770
[h__h] for 2,000 years that somebody's

761
00:40:19,430 --> 00:40:16,710
got to stand up and try and reach for

762
00:40:23,060 --> 00:40:19,440
truth and that's what most of us are

763
00:40:25,310 --> 00:40:23,070

trying to do and there's a big

764

00:40:27,950 --> 00:40:25,320

difference between spirituality and

765

00:40:30,080 --> 00:40:27,960

religion and you mentioned being

766

00:40:33,020 --> 00:40:30,090

Southern Baptists there was a friend of

767

00:40:35,570 --> 00:40:33,030

mine there wasn't access to I had a

768

00:40:38,630 --> 00:40:35,580

problem with that and he went to his

769

00:40:40,790 --> 00:40:38,640

teacher and he said I don't want to be

770

00:40:43,430 --> 00:40:40,800

one of these religious freaks and takes

771

00:40:45,380 --> 00:40:43,440

the Bible down on Sunday and screws

772

00:40:47,810 --> 00:40:45,390

everybody over from Monday to Saturday

773

00:40:50,960 --> 00:40:47,820

and then you tell me I've got to follow

774

00:40:52,099 --> 00:40:50,970

a spiritual path let's teach us that

775

00:40:55,670 --> 00:40:52,109

well there's a difference between

776

00:40:57,440 --> 00:40:55,680

spirituality and religion and a man

777

00:41:00,920 --> 00:40:57,450

understandably said will tell me what it

778

00:41:03,020 --> 00:41:00,930

is on the teacher very wisely said no

779

00:41:06,530 --> 00:41:03,030

you need to consult somebody outside the

780

00:41:09,410 --> 00:41:06,540

order somebody is totally independent do

781

00:41:12,470 --> 00:41:09,420

you know somebody I the teacher said yes

782

00:41:14,480 --> 00:41:12,480

his name's father and darling sounds

783

00:41:17,630 --> 00:41:14,490

like some goddamn Catholic yeah well he

784

00:41:19,849 --> 00:41:17,640

is he's you can't you want me to talk to

785

00:41:23,300 --> 00:41:19,859

a Jesuit no that you want your question

786

00:41:25,609 --> 00:41:23,310

on sand he's the man so Chuck to his

787

00:41:28,130 --> 00:41:25,619

intense surprise find himself in front

788

00:41:29,930 --> 00:41:28,140

of this hulking great Irish

789

00:41:33,230 --> 00:41:29,940

father what's the difference between

790

00:41:37,040 --> 00:41:33,240

spirituality and religion now this is

791

00:41:38,660 --> 00:41:37,050

the on see he got well some to explain

792

00:41:42,350 --> 00:41:38,670

that now I've got to tell you a little

793

00:41:45,230 --> 00:41:42,360

story spirituality is symbolized by the

794

00:41:47,270 --> 00:41:45,240

fresh spring water of a spring which

795

00:41:50,300 --> 00:41:47,280

arises naturally at the top of the

796

00:41:53,270 --> 00:41:50,310

mountain it represents God's love for

797

00:41:55,160 --> 00:41:53,280

all of creation and under the wonderful

798

00:41:57,500 --> 00:41:55,170

invention of gravity it trickles down

799

00:41:59,720 --> 00:41:57,510

the mountainside and sustains and

800

00:42:02,180 --> 00:41:59,730

strengthens and refreshes everything

801
00:42:04,400 --> 00:42:02,190
that touches now religion there's

802
00:42:06,920 --> 00:42:04,410
something else again that's the one

803
00:42:08,840 --> 00:42:06,930
intention man-made plumbing which will

804
00:42:11,030 --> 00:42:08,850
usually make the water go uphill where

805
00:42:12,980 --> 00:42:11,040
it shouldn't go and well as often is not

806
00:42:15,980 --> 00:42:12,990
Whistler pasture ours without the

807
00:42:18,320 --> 00:42:15,990
benefit of attempt we've made it always

808
00:42:21,500 --> 00:42:18,330
pollutes the water so if you have any

809
00:42:23,120 --> 00:42:21,510
doubts go back to the spring and of

810
00:42:25,820 --> 00:42:23,130
course this is what people are doing

811
00:42:28,160 --> 00:42:25,830
that more and more we've been

812
00:42:30,920 --> 00:42:28,170
disillusioned with the consumer society

813
00:42:34,630 --> 00:42:30,930

that realized how empty and how cruel it

814

00:42:36,740 --> 00:42:34,640

is they're alienated from mainstream

815

00:42:39,130 --> 00:42:36,750

religion because that team should be

816

00:42:42,320 --> 00:42:39,140

preaching hatred wrong with them mud and

817

00:42:45,320 --> 00:42:42,330

they're flocking to one form or another

818

00:42:47,540 --> 00:42:45,330

of spiritual path and it doesn't matter

819

00:42:50,510 --> 00:42:47,550

which one because they're all basically

820

00:42:53,660 --> 00:42:50,520

the same they vary a little in the

821

00:42:56,030 --> 00:42:53,670

phraseology depending on the culture but

822

00:43:00,550 --> 00:42:56,040

they all try and encourage you to be a

823

00:43:04,130 --> 00:43:00,560

little bit about humility to develop the

824

00:43:07,060 --> 00:43:04,140

capacity for love and compassion and

825

00:43:11,270 --> 00:43:07,070

then above all service to other people

826

00:43:13,570 --> 00:43:11,280

so does it matter if it's the Cabana of

827

00:43:17,300 --> 00:43:13,580

the Sufi tradition a 12-step recovery

828

00:43:20,170 --> 00:43:17,310

program the Eightfold Path of buddhism

829

00:43:25,250 --> 00:43:20,180

them what matters is that you follow it

830

00:43:27,440 --> 00:43:25,260

that you become a pilgrim and there was

831

00:43:31,700 --> 00:43:27,450

wonderful professor in America called

832

00:43:35,350 --> 00:43:31,710

joseph campbell who sadly no and he did

833

00:43:37,700 --> 00:43:35,360

a television program the very perceptive

834

00:43:39,180 --> 00:43:37,710

journalist is still around thank god

835

00:43:44,010 --> 00:43:39,190

Bill Moyers

836

00:43:47,580 --> 00:43:44,020

and was posed the question to cowboy say

837

00:43:50,640 --> 00:43:47,590

well what's the Holy Grail and Campbell

838

00:43:52,680 --> 00:43:50,650

responded with another question they

839

00:43:55,830 --> 00:43:52,690

said well why should any medieval knight

840

00:43:59,220 --> 00:43:55,840

set out for a search for a relic however

841

00:44:01,800 --> 00:43:59,230

Holy when according to the belief system

842

00:44:04,140 --> 00:44:01,810

at the time if he wanted the miracle all

843

00:44:06,150 --> 00:44:04,150

he had to do was go to communion and he

844

00:44:09,290 --> 00:44:06,160

will partake directly of the body and

845

00:44:12,690 --> 00:44:09,300

blood of Jesus he said no he said the

846

00:44:16,830 --> 00:44:12,700

search for the Grail is not as such for

847

00:44:19,950 --> 00:44:16,840

a relic it's a coded guide to a search

848

00:44:22,170 --> 00:44:19,960

for enlightenment and then he quoted a

849

00:44:25,770 --> 00:44:22,180

passage from the Gospel of Thomas where

850

00:44:28,350 --> 00:44:25,780

Jesus is reported to have said he who

851
00:44:31,350 --> 00:44:28,360
drinks from my mouth I shall become he

852
00:44:33,690 --> 00:44:31,360
and he shall become me and that

853
00:44:38,250 --> 00:44:33,700
according to Campbell is the whole point

854
00:44:40,230 --> 00:44:38,260
of the Grail and the Gospel of Thomas

855
00:44:43,080 --> 00:44:40,240
you know which of course is part of the

856
00:44:47,190 --> 00:44:43,090
so-called Gnostic Opperl Gospels or the

857
00:44:49,800 --> 00:44:47,200
NAG Hammadi library I understand that

858
00:44:53,450 --> 00:44:49,810
according to biblical scholars I don't

859
00:44:57,090 --> 00:44:53,460
know if but it was a big group of

860
00:44:59,970 --> 00:44:57,100
biblical scholars decided you know what

861
00:45:02,250 --> 00:44:59,980
of all the texts including all the

862
00:45:07,140 --> 00:45:02,260
Gospels the canonical Gospels all the

863
00:45:10,620 --> 00:45:07,150

Gospels is most likely what Jesus said

864

00:45:14,220 --> 00:45:10,630

or would have said or really said and

865

00:45:16,050 --> 00:45:14,230

they were unanimously agreed that it was

866

00:45:19,860 --> 00:45:16,060

the Gospel of Thomas was the most

867

00:45:22,260 --> 00:45:19,870

authentic record of what they felt Jesus

868

00:45:26,340 --> 00:45:22,270

really said well that's not surprising

869

00:45:30,210 --> 00:45:26,350

because Thomas was Jesus's twin didymus

870

00:45:33,090 --> 00:45:30,220

Thomas yes Thomas yeah that's what

871

00:45:35,670 --> 00:45:33,100

determines means and the church tried to

872

00:45:39,480 --> 00:45:35,680

devalue him by calling him doubting

873

00:45:43,260 --> 00:45:39,490

Thomas sometimes when I hear the term

874

00:45:45,530 --> 00:45:43,270

gospel truth I want to bomb it because

875

00:45:48,690 --> 00:45:45,540

it's the biggest set of distortions

876

00:45:51,990 --> 00:45:48,700

everFi stood on now the miracle is that

877

00:45:55,010 --> 00:45:52,000

if you read it the Gospels carefully

878

00:45:57,870 --> 00:45:55,020

you start to discern the loving

879

00:46:00,540 --> 00:45:57,880

brotherly message that Jesus preached

880

00:46:03,330 --> 00:46:00,550

and it's all about love it's all about

881

00:46:08,460 --> 00:46:03,340

compassion and it's all about service to

882

00:46:11,160 --> 00:46:08,470

others when I read the thoughts of

883

00:46:13,920 --> 00:46:11,170

so-called fundamentalist Christians in

884

00:46:17,730 --> 00:46:13,930

your country who are preaching hatred of

885

00:46:20,370 --> 00:46:17,740

gays or hatred of other religions I

886

00:46:22,050 --> 00:46:20,380

think Jesus Christ they've got the wrong

887

00:46:25,980 --> 00:46:22,060

end of a bloody state they're in the

888

00:46:29,180 --> 00:46:25,990

wrong forest Jesus is all about serving

889

00:46:32,430 --> 00:46:29,190

the poor looking after the sick

890

00:46:35,400 --> 00:46:32,440

go therefore to a place that has been

891

00:46:37,920 --> 00:46:35,410

reserved for you before old time for you

892

00:46:40,800 --> 00:46:37,930

fed me when I was hungry you visited me

893

00:46:42,450 --> 00:46:40,810

when I was in prison and when do we do

894

00:46:44,430 --> 00:46:42,460

this for you my lord

895

00:46:46,860 --> 00:46:44,440

whenever you did this for the least of

896

00:46:50,670 --> 00:46:46,870

my people you did it for me they do

897

00:46:57,840 --> 00:46:50,680

they've lost it and it said incredibly

898

00:47:03,180 --> 00:46:57,850

saying if we're not here to love one

899

00:47:07,050 --> 00:47:03,190

another what are we here for to

900

00:47:10,260 --> 00:47:07,060

accumulate goods to say I've got more

901
00:47:12,710 --> 00:47:10,270
money than you have well my car is

902
00:47:15,510 --> 00:47:12,720
bigger than yours

903
00:47:20,250 --> 00:47:15,520
will fit in the same size gray when it's

904
00:47:23,460 --> 00:47:20,260
finished you know try losing someone you

905
00:47:27,300 --> 00:47:23,470
love and you find out what's really

906
00:47:30,540 --> 00:47:27,310
important in life thanks that's it you

907
00:47:32,600 --> 00:47:30,550
snap to it immediately you know what I

908
00:47:35,130 --> 00:47:32,610
thought back over my life which has been

909
00:47:38,340 --> 00:47:35,140
very privileged one with it

910
00:47:42,210 --> 00:47:38,350
I mean I'm 85 years of age I don't

911
00:47:44,250 --> 00:47:42,220
remember the successes either when I was

912
00:47:48,090 --> 00:47:44,260
a political animal or when I was

913
00:47:52,800 --> 00:47:48,100

starting as a writer I don't remember

914

00:47:54,840 --> 00:47:52,810

the failures I remember people other

915

00:47:57,780 --> 00:47:54,850

people and what it's all about

916

00:48:02,100 --> 00:47:57,790

I remember the the friendships the

917

00:48:05,050 --> 00:48:02,110

laughter the kindness that I've been

918

00:48:09,070 --> 00:48:05,060

shown and the good the essential

919

00:48:11,890 --> 00:48:09,080

goodness of most people and this is what

920

00:48:13,690 --> 00:48:11,900

we should be focusing on the fact that

921

00:48:15,310 --> 00:48:13,700

somebody is a different color or a

922

00:48:17,140 --> 00:48:15,320

different religion or a different

923

00:48:19,870 --> 00:48:17,150

sexuality doesn't matter

924

00:48:28,450 --> 00:48:19,880

chutney gap we're all children of the

925

00:48:31,030 --> 00:48:28,460

one God well said well I'm wondering I'm

926
00:48:32,710 --> 00:48:31,040
getting a lot of questions from our

927
00:48:34,600 --> 00:48:32,720
listeners in the chatroom but I think

928
00:48:36,640 --> 00:48:34,610
I'm going to hold those till the last

929
00:48:38,320 --> 00:48:36,650
half-hour if that's okay and then don't

930
00:48:41,380 --> 00:48:38,330
if you don't mind we'll spend some time

931
00:48:43,510 --> 00:48:41,390
then you could just feel some questions

932
00:48:45,820 --> 00:48:43,520
and they're kind of all over the board

933
00:48:47,890 --> 00:48:45,830
so we'll just we'll just go with those

934
00:48:49,660 --> 00:48:47,900
during the last half hour I just want to

935
00:48:52,240 --> 00:48:49,670
let everyone know I'm not ignoring you

936
00:48:54,970 --> 00:48:52,250
I'm seeing your questions and when I

937
00:48:57,180 --> 00:48:54,980
start to post questions or pose

938
00:49:01,420 --> 00:48:57,190

questions to Tim if you don't mind

939

00:49:03,580 --> 00:49:01,430

repost your questions at that time just

940

00:49:07,840 --> 00:49:03,590

so that I don't miss them if I'm not

941

00:49:10,690 --> 00:49:07,850

asking your question repost it anyhow no

942

00:49:13,390 --> 00:49:10,700

questions is more important than

943

00:49:15,340 --> 00:49:13,400

anything else that's right now the the

944

00:49:17,290 --> 00:49:15,350

you know I was gonna ask you that

945

00:49:19,620 --> 00:49:17,300

question what is the Holy Grail and I

946

00:49:22,360 --> 00:49:19,630

had a sense that you were going to say

947

00:49:26,800 --> 00:49:22,370

what the other what Joseph Campbell's

948

00:49:29,110 --> 00:49:26,810

answer was and it's true I believe that

949

00:49:31,840 --> 00:49:29,120

now although you know I had so many

950

00:49:34,900 --> 00:49:31,850

questions for so many years was that a

951
00:49:37,510 --> 00:49:34,910
cup that held the blood of Jesus was it

952
00:49:40,450 --> 00:49:37,520
Mary Magdalene the wound that held the

953
00:49:42,850 --> 00:49:40,460
child of Jesus you know was it all these

954
00:49:46,780 --> 00:49:42,860
things and or could it be all these

955
00:49:49,300 --> 00:49:46,790
things and more well it's rather like

956
00:49:51,220 --> 00:49:49,310
the old Latin tank Tommen is caught

957
00:49:54,880 --> 00:49:51,230
sentence here there are as many opinions

958
00:49:58,510 --> 00:49:54,890
as there are people and in the initial

959
00:50:01,210 --> 00:49:58,520
instance it doesn't matter because once

960
00:50:03,910 --> 00:50:01,220
you start searching for it even if your

961
00:50:08,080 --> 00:50:03,920
perceptions are off beam you will be

962
00:50:11,350 --> 00:50:08,090
drawn into the right way and you say

963
00:50:13,930 --> 00:50:11,360

these ideas and ideals and these

964

00:50:17,770 --> 00:50:13,940

philosophies the beliefs are passed down

965

00:50:18,700 --> 00:50:17,780

among these special families now are

966

00:50:20,950 --> 00:50:18,710

they all

967

00:50:24,220 --> 00:50:20,960

to see these or are they like every

968

00:50:27,070 --> 00:50:24,230

other family and some people just sort

969

00:50:29,200 --> 00:50:27,080

out there's the humans there right

970

00:50:31,500 --> 00:50:29,210

mixtures some some people have lost

971

00:50:37,720 --> 00:50:31,510

touch with their family traditions

972

00:50:39,970 --> 00:50:37,730

others they're very real and you know I

973

00:50:41,670 --> 00:50:39,980

don't know about anybody else but there

974

00:50:44,320 --> 00:50:41,680

are some days I followed the path

975

00:50:51,310 --> 00:50:44,330

rigorously and there are others I forget

976

00:50:52,690 --> 00:50:51,320

it and is are these families are they

977

00:50:55,990 --> 00:50:52,700

the bloodline of Jesus and Mary

978

00:51:00,190 --> 00:50:56,000

Magdalene amongst them there are people

979

00:51:02,410 --> 00:51:00,200

of that particular group that suit quote

980

00:51:04,300 --> 00:51:02,420

one of them at a conference I organized

981

00:51:06,370 --> 00:51:04,310

some years ago they said what's it like

982

00:51:09,820 --> 00:51:06,380

to be a descendant to know you're in

983

00:51:11,859 --> 00:51:09,830

descendants of Jesus when a man looked

984

00:51:14,740 --> 00:51:11,869

at the assembled audience and said after

985

00:51:17,050 --> 00:51:14,750

this amount of time 85% of you could

986

00:51:19,770 --> 00:51:17,060

probably say you have some of his blood

987

00:51:25,810 --> 00:51:19,780

running in your beds that does it answer

988

00:51:27,520 --> 00:51:25,820

what matters is how do you behave yes I

989

00:51:30,250 --> 00:51:27,530

ain't on all these people running around

990

00:51:33,280 --> 00:51:30,260

taking these DNA tests to prove that

991

00:51:36,400 --> 00:51:33,290

they're related to this line or that

992

00:51:40,060 --> 00:51:36,410

line and I wondered you know does it

993

00:51:42,250 --> 00:51:40,070

really matter and like you say so I feel

994

00:51:45,400 --> 00:51:42,260

rather sorry for people who spend an

995

00:51:47,170 --> 00:51:45,410

awful time and sometimes money proving

996

00:51:48,339 --> 00:51:47,180

their descent from this line or the

997

00:51:50,380 --> 00:51:48,349

other because there's always some

998

00:51:53,620 --> 00:51:50,390

falster who's prepared to give you

999

00:51:56,490 --> 00:51:53,630

so-called proof for a fee and it

1000

00:51:59,589 --> 00:51:56,500

ultimately doesn't matter bloody damned

1001
00:52:02,380 --> 00:51:59,599
it really doesn't I can trace my

1002
00:52:05,050 --> 00:52:02,390
father's family back for 800 years so

1003
00:52:07,270 --> 00:52:05,060
what I can trace my mother's family back

1004
00:52:09,970 --> 00:52:07,280
for a thousand odd years or a couple of

1005
00:52:12,339 --> 00:52:09,980
thousand years so what it's how do I

1006
00:52:15,490 --> 00:52:12,349
behave to the people I deal with that's

1007
00:52:18,570 --> 00:52:15,500
what becomes a my kind to the people I

1008
00:52:22,480 --> 00:52:18,580
meet on the street do I keep my word

1009
00:52:25,210 --> 00:52:22,490
that's what comes not fuck-buddy

1010
00:52:30,490 --> 00:52:25,220
ancestors that had some of those what

1011
00:52:32,410 --> 00:52:30,500
does yeah it wasn't that sort of you

1012
00:52:35,769 --> 00:52:32,420
know the idea

1013
00:52:39,880 --> 00:52:35,779

the Templars you know to give aid and

1014

00:52:42,430 --> 00:52:39,890

comfort to others it was wherever you

1015

00:52:45,730 --> 00:52:42,440

find a valid spiritual path being

1016

00:52:48,910 --> 00:52:45,740

practice you will always find primarily

1017

00:52:50,559 --> 00:52:48,920

the principle of service now where the

1018

00:52:53,890 --> 00:52:50,569

Templars were established throughout

1019

00:52:59,589 --> 00:52:53,900

Europe the local communities rose in

1020

00:53:01,990 --> 00:52:59,599

prosperity they rose in privilege and as

1021

00:53:04,690 --> 00:53:02,000

a result for example of guarding the

1022

00:53:07,000 --> 00:53:04,700

pilgrimage routes Overland trade became

1023

00:53:10,620 --> 00:53:07,010

feasible without robber barons without

1024

00:53:15,910 --> 00:53:10,630

tolls and so the accumulation of capital

1025

00:53:18,759 --> 00:53:15,920

started the balance of power started to

1026

00:53:21,220 --> 00:53:18,769

shift from the hereditary nobility to

1027

00:53:24,910 --> 00:53:21,230

the newly emerging merchant classes

1028

00:53:28,089 --> 00:53:24,920

everything started to change and it's

1029

00:53:32,099 --> 00:53:28,099

about action it's not about what you

1030

00:53:37,870 --> 00:53:36,490

don't tell me show me you know I mean

1031

00:53:42,359 --> 00:53:37,880

that's the only thing that really makes

1032

00:53:45,640 --> 00:53:42,369

sense you know it boils down very simply

1033

00:53:50,799 --> 00:53:45,650

and I don't take a look around the world

1034

00:53:55,470 --> 00:53:50,809

today and have a look at it as it really

1035

00:53:59,099 --> 00:53:55,480

is and the district you live in not just

1036

00:54:03,309 --> 00:53:59,109

the wider picture when you tell me

1037

00:54:05,559 --> 00:54:03,319

whether we need Brotherhood based on

1038

00:54:07,720 --> 00:54:05,569

truth and justice whether we need

1039

00:54:10,329 --> 00:54:07,730

respect for the environment and for the

1040

00:54:12,940 --> 00:54:10,339

other inhabitants of this course we

1041

00:54:15,660 --> 00:54:12,950

bloody well do because mankind is

1042

00:54:18,309 --> 00:54:15,670

becoming an endangered species the

1043

00:54:20,710 --> 00:54:18,319

greenhouse effect is not a theory to be

1044

00:54:26,799 --> 00:54:20,720

argued a partial refuted by southern

1045

00:54:29,410 --> 00:54:26,809

politicians it's a fate you know if we

1046

00:54:30,400 --> 00:54:29,420

don't change our ways we ain't gonna be

1047

00:54:34,870 --> 00:54:30,410

here much longer

1048

00:54:37,240 --> 00:54:34,880

I mean anyone that's living in the south

1049

00:54:40,359 --> 00:54:37,250

I don't see how they can deny what's

1050

00:54:42,609 --> 00:54:40,369

going on around them with all these you

1051
00:54:45,950 --> 00:54:42,619
know climate changes weather changes

1052
00:54:48,829 --> 00:54:45,960
severe weather conditions

1053
00:54:52,040 --> 00:54:48,839
you know it's it's changed so much over

1054
00:54:54,650 --> 00:54:52,050
the way I regret to say that the

1055
00:54:57,650 --> 00:54:54,660
worldwide situation it's not just the

1056
00:55:00,109 --> 00:54:57,660
deep south of America people face far

1057
00:55:03,320 --> 00:55:00,119
too much reliance on politicians and

1058
00:55:05,720 --> 00:55:03,330
priests I remember there was a wonderful

1059
00:55:07,940 --> 00:55:05,730
author in England called Quentin Crisp

1060
00:55:11,900 --> 00:55:07,950
and he was asked at a public show one

1061
00:55:14,359 --> 00:55:11,910
day how to make the world better and he

1062
00:55:16,670 --> 00:55:14,369
looked with a look of pity at the

1063
00:55:19,430 --> 00:55:16,680

audience and he said oh so you want the

1064

00:55:21,440 --> 00:55:19,440

world to be better do you dear boy well

1065

00:55:23,300 --> 00:55:21,450

it's no use waiting for the priests and

1066

00:55:26,000 --> 00:55:23,310

the politicians to make it better for

1067

00:55:28,640 --> 00:55:26,010

you they've been around for thousands of

1068

00:55:30,320 --> 00:55:28,650

years and look at the mess we're in you

1069

00:55:33,820 --> 00:55:30,330

want the world to be better you have to

1070

00:55:35,839 --> 00:55:33,830

go out there and learn how to be better

1071

00:55:41,780 --> 00:55:35,849

hmm that's the whole point of

1072

00:55:44,800 --> 00:55:41,790

spirituality pretty good point and we're

1073

00:55:48,170 --> 00:55:44,810

just about at time to take another break

1074

00:55:50,480 --> 00:55:48,180

so we will be back in the next half hour

1075

00:55:53,089 --> 00:55:50,490

we are gonna be taking questions from

1076

00:55:55,339 --> 00:55:53,099

our listeners if you're listening and

1077

00:55:57,950 --> 00:55:55,349

you're not in the chatroom join us at

1078

00:56:00,410 --> 00:55:57,960

inception radio network calm and closed

1079

00:56:02,599 --> 00:56:00,420

your questions or comments to Tim

1080

00:56:37,630 --> 00:56:02,609

Wallace burping and we will be right

1081

00:56:44,300 --> 00:56:41,570

hello everyone Lorien Fenton here hosted

1082

00:56:46,580 --> 00:56:44,310

the California MUFON radio show asking

1083

00:56:49,400 --> 00:56:46,590

if you'd like special access to

1084

00:56:53,120 --> 00:56:49,410

exclusive and amazing information about

1085

00:56:56,480 --> 00:56:53,130

UFOs the paranormal and all things

1086

00:57:00,080 --> 00:56:56,490

unexplained if you're nodding yes then

1087

00:57:01,850 --> 00:57:00,090

join our ends insider Club as an insider

1088

00:57:04,850 --> 00:57:01,860

club member you'll get an all-access

1089

00:57:09,230 --> 00:57:04,860

pass to premiere inception radio network

1090

00:57:12,050 --> 00:57:09,240

content for only \$4.99 a month this

1091

00:57:14,990 --> 00:57:12,060

includes live UFO and paranormal

1092

00:57:18,170 --> 00:57:15,000

conferences live streaming UFO sky

1093

00:57:21,260 --> 00:57:18,180

watches exclusive irn radio and TV

1094

00:57:24,350 --> 00:57:21,270

productions and of course paying radio

1095

00:57:24,830 --> 00:57:24,360

with MJ and Ken Storch so don't wait any

1096

00:57:27,920 --> 00:57:24,840

longer

1097

00:57:31,070 --> 00:57:27,930

visit inception radio network calm and

1098

00:57:34,160 --> 00:57:31,080

click on member login to join our ends

1099

00:57:37,850 --> 00:57:34,170

insider Club and get your VIP access

1100

00:57:39,980 --> 00:57:37,860

today are you a fan of inception radio

1101
00:57:41,660 --> 00:57:39,990
network do you reckon it's the best or

1102
00:57:42,080 --> 00:57:41,670
tentative talk radio station on the

1103
00:57:45,020 --> 00:57:42,090
planet

1104
00:57:47,240 --> 00:57:45,030
well if you do head to facebook-dot-com

1105
00:57:50,210 --> 00:57:47,250
forward-slash inception radio network

1106
00:57:54,370 --> 00:57:50,220
like the page tell your friends spread

1107
00:57:59,300 --> 00:57:57,020
if you have a smartphone if so

1108
00:58:03,070 --> 00:57:59,310
conception radio network is the best app

1109
00:58:05,260 --> 00:58:03,080
for you available iTunes Android Sam

1110
00:58:07,720 --> 00:58:05,270
and most of the rap storms just search

1111
00:58:09,670 --> 00:58:07,730
inception radio network with the

1112
00:58:12,160 --> 00:58:09,680
applicants and live to check out more

1113
00:58:14,440 --> 00:58:12,170

cast of recent and par showed view our

1114

00:58:17,140 --> 00:58:14,450

videos see what shows are coming up and

1115

00:58:19,180 --> 00:58:17,150

who the guests are and via the chat room

1116

00:58:21,010 --> 00:58:19,190

to send live questions to those guests

1117

00:58:23,770 --> 00:58:21,020

you know it makes sense

1118

00:58:31,420 --> 00:58:23,780

check your App Store now Inception Radio

1119

00:58:33,670 --> 00:58:31,430

Network sees it hey IRA listeners make

1120

00:58:35,620 --> 00:58:33,680

sure you tune in to night vision radio

1121

00:58:37,840 --> 00:58:35,630

with Renee Barnett where name will be

1122

00:58:40,240 --> 00:58:37,850

exposing the truth one secret at a time

1123

00:58:43,030 --> 00:58:40,250

when Thursday's every thursday 10:30

1124

00:58:43,990 --> 00:58:43,040

p.m. Eastern sub-30 p.m. Pacific we're

1125

00:58:50,380 --> 00:58:44,000

right here

1126

00:58:52,780 --> 00:58:50,390

IRA hello Irene listeners this is MJ

1127

00:58:54,820 --> 00:58:52,790

saying hello and sharing boss and secret

1128

00:58:58,300 --> 00:58:54,830

I discovered it's called dream lodge

1129

00:59:00,730 --> 00:58:58,310

comm fresh raw organic ingredients are

1130

00:59:03,130 --> 00:59:00,740

used to create all their products they

1131

00:59:05,800 --> 00:59:03,140

are made in very small batches to ensure

1132

00:59:08,860 --> 00:59:05,810

quality and freshness and made in the

1133

00:59:10,900 --> 00:59:08,870

USA each product is created with care

1134

00:59:13,060 --> 00:59:10,910

and with the finest organic ingredients

1135

00:59:14,510 --> 00:59:13,070

there are no preservatives dyes or

1136

00:59:18,020 --> 00:59:14,520

chemicals in any product

1137

00:59:24,630 --> 00:59:18,030

stop by dream Lodge and laughs that's

1138

00:59:30,630 --> 00:59:24,640

deep are ll am nu AGV calm simple

1139

01:00:14,990 --> 00:59:33,640

you're locked into Inception Radio

1140

01:00:18,990 --> 01:00:16,890

we're back we're listening to

1141

01:00:21,960 --> 01:00:19,000

night-vision radio on Renee Barnett

1142

01:00:24,180 --> 01:00:21,970

you're close we are talking tonight with

1143

01:00:26,460 --> 01:00:24,190

author Tim Wallace Murphy we've been

1144

01:00:28,950 --> 01:00:26,470

getting into the Knights Templar into

1145

01:00:32,370 --> 01:00:28,960

the language of region of Southwest

1146

01:00:34,410 --> 01:00:32,380

France and into the Holy Grail a bit and

1147

01:00:36,540 --> 01:00:34,420

now we're gonna address some questions

1148

01:00:39,270 --> 01:00:36,550

from our listeners that are coming

1149

01:00:42,450 --> 01:00:39,280

across through the chatroom first one is

1150

01:00:44,310 --> 01:00:42,460

from Neutron he says we're the families

1151

01:00:51,750 --> 01:00:44,320

involved in the Templars and then the

1152

01:00:56,280 --> 01:00:51,760

Freemasons kabbalists it depends on your

1153

01:01:01,050 --> 01:00:56,290

definition of Kabbalah the Kabbalah or

1154

01:01:03,410 --> 01:01:01,060

tradition is based on oral traditions

1155

01:01:07,500 --> 01:01:03,420

that go back to the time of the exodus

1156

01:01:08,610 --> 01:01:07,510

they took written form in this part of

1157

01:01:11,970 --> 01:01:08,620

the world oddly enough

1158

01:01:14,120 --> 01:01:11,980

here in Spain and in northern Italy

1159

01:01:19,230 --> 01:01:14,130

during the 12th the 11th and 12th

1160

01:01:24,120 --> 01:01:19,240

century and them may well be an overlap

1161

01:01:28,860 --> 01:01:24,130

here between the formal Kabbalah as it

1162

01:01:31,200 --> 01:01:28,870

took form in the Safari sohe and in the

1163

01:01:34,530 --> 01:01:31,210

family traditions because the families

1164

01:01:37,290 --> 01:01:34,540

were descended from the 24 mama dot the

1165

01:01:40,230 --> 01:01:37,300

hereditary high priesthood so there will

1166

01:01:43,980 --> 01:01:40,240

inevitably be a degree of overlap but to

1167

01:01:48,570 --> 01:01:43,990

what degree that is I'll be blunt I

1168

01:01:51,990 --> 01:01:48,580

don't know but it's certainly the you're

1169

01:01:55,250 --> 01:01:52,000

looking at shared Hebraic spirituality

1170

01:02:02,400 --> 01:01:55,260

but there were several spiritual

1171

01:02:06,570 --> 01:02:02,410

pathways at the time prior to the fall

1172

01:02:08,460 --> 01:02:06,580

of Jerusalem so we're guesswork guessing

1173

01:02:11,070 --> 01:02:08,470

and fumbling our way get to a certain

1174

01:02:17,940 --> 01:02:11,080

extent but there will be a lot of common

1175

01:02:20,610 --> 01:02:17,950

threads there thank you in court asks do

1176

01:02:22,530 --> 01:02:20,620

does Tim see any really relationships

1177

01:02:25,170 --> 01:02:22,540

between the different mysteries of

1178

01:02:28,680 --> 01:02:25,180

rennes-le-chateau and San Diago de

1179

01:02:32,359 --> 01:02:28,690

santiago de compostela in his Rozlyn

1180

01:02:36,240 --> 01:02:32,369

also involved with the same philosophy

1181

01:02:40,910 --> 01:02:36,250

uh-huh hmm have you got a week and I'll

1182

01:02:44,670 --> 01:02:40,920

tell you mm-hmm the mr. Roemer chateau

1183

01:02:47,370 --> 01:02:44,680

frankly most of it is hokum the only

1184

01:02:50,280 --> 01:02:47,380

mystery is where did Sonia get his money

1185

01:02:54,480 --> 01:02:50,290

from and the answer to that is nobody

1186

01:02:56,250 --> 01:02:54,490

bloody nose I spend speculation and it

1187

01:02:58,290 --> 01:02:56,260

will continue and I hope that that

1188

01:03:00,349 --> 01:02:58,300

mystery is never actually solved because

1189

01:03:03,150 --> 01:03:00,359

I want people to keep coming down here

1190

01:03:08,390 --> 01:03:03,160

it's got absolutely nothing whatsoever

1191

01:03:15,930 --> 01:03:08,400

to do with Santiago of Compostela

1192

01:03:18,660 --> 01:03:15,940

Santiago de Compostela has a dual

1193

01:03:21,150 --> 01:03:18,670

purpose first of all it's one of the

1194

01:03:24,270 --> 01:03:21,160

oldest Christian pilgrimage sites in

1195

01:03:26,099 --> 01:03:24,280

Europe and secondly it ties into the

1196

01:03:29,670 --> 01:03:26,109

Knights Templar and free Masonic

1197

01:03:32,970 --> 01:03:29,680

tradition because after the suppression

1198

01:03:36,870 --> 01:03:32,980

of the Knights Templar in 1314 and prior

1199

01:03:39,359 --> 01:03:36,880

to the rise of Freemasonry it was one of

1200

01:03:41,789 --> 01:03:39,369

the staging posts on what was known as

1201

01:03:44,760 --> 01:03:41,799

the alchemists pilgrimage or the

1202

01:03:47,640 --> 01:03:44,770

pilgrimage of initiation and people

1203

01:03:50,609 --> 01:03:47,650

started off by preparing and a town

1204

01:03:53,130 --> 01:03:50,619

called sintra in portable and they would

1205

01:03:56,730 --> 01:03:53,140

be initiated into the first degree of

1206

01:04:00,450 --> 01:03:56,740

initiation in the crypt of Santiago de

1207

01:04:02,940 --> 01:04:00,460

Compostela at a later stage they would

1208

01:04:05,039 --> 01:04:02,950

be at the second degree and a church

1209

01:04:08,220 --> 01:04:05,049

called not redundant model barred in

1210

01:04:10,890 --> 01:04:08,230

Toulouse and later on the 3rd degree of

1211

01:04:14,220 --> 01:04:10,900

awliya the fourth inch at the fifth

1212

01:04:16,799 --> 01:04:14,230

month of Dom de Partie the sixth or

1213

01:04:20,370 --> 01:04:16,809

Danya and ultimately the seventh degree

1214

01:04:22,740 --> 01:04:20,380

the king of the Grail at Rosslyn but

1215

01:04:25,260 --> 01:04:22,750

that pilgrimage only lasted for about

1216

01:04:27,770 --> 01:04:25,270

two hundred years and it was done very

1217

01:04:30,299 --> 01:04:27,780

quietly and it was done in reverse order

1218

01:04:34,380 --> 01:04:30,309

from the normal pilgrimage to Santiago

1219

01:04:35,220 --> 01:04:34,390

de Compostela I wrote a book about that

1220

01:04:37,650 --> 01:04:35,230

called

1221

01:04:38,360 --> 01:04:37,660

Rosslyn guardian of the secrets of the

1222

01:04:40,670 --> 01:04:38,370

Holy Grail

1223

01:04:43,580 --> 01:04:40,680

which I'm told is still well worth

1224

01:04:47,680 --> 01:04:43,590

reading I'm sure it is

1225

01:04:50,630 --> 01:04:47,690

now someone is that has a question and

1226

01:04:52,670 --> 01:04:50,640

it was it was a while back so forgive me

1227

01:04:54,950 --> 01:04:52,680

for not giving your name I don't

1228

01:04:58,850 --> 01:04:54,960

remember who posed the question but they

1229

01:05:02,660 --> 01:04:58,860

asked if there could possibly be an

1230

01:05:05,210 --> 01:05:02,670

extraterrestrial connection to all these

1231

01:05:08,870 --> 01:05:05,220

things for instance Jesus ascending into

1232

01:05:12,200 --> 01:05:08,880

heaven Mohammed you know flying from

1233

01:05:15,100 --> 01:05:12,210

Medina to Mecca or vice-versa whichever

1234

01:05:18,350 --> 01:05:15,110

when it was I'm sorry I don't remember

1235

01:05:21,080 --> 01:05:18,360

well my alarm bells go off when I hear

1236

01:05:23,000 --> 01:05:21,090

what any one of the two eight words one

1237

01:05:28,690 --> 01:05:23,010

is aliens from outer space and the other

1238

01:05:33,280 --> 01:05:28,700

is Atlantis now of the two possibilities

1239

01:05:37,490 --> 01:05:33,290

aliens is more porous important and

1240

01:05:39,650 --> 01:05:37,500

there is no proof yet of any contact

1241

01:05:42,920 --> 01:05:39,660

with anybody from other planets that

1242

01:05:45,260 --> 01:05:42,930

doesn't mean to say it's not possible or

1243

01:05:46,970 --> 01:05:45,270

that it isn't true is just that we have

1244

01:05:49,640 --> 01:05:46,980

no proof and I can only talk about

1245

01:05:52,550 --> 01:05:49,650

things which I can see touch and feel

1246

01:05:55,550 --> 01:05:52,560

and prove so I'm afraid you'll have to

1247

01:05:57,320 --> 01:05:55,560

include me out on that one okay all

1248

01:05:59,990 --> 01:05:57,330

right well thank you

1249

01:06:01,940 --> 01:06:00,000

what a neutron another question from

1250

01:06:05,380 --> 01:06:01,950

Neutron what was the relationship

1251
01:06:07,610 --> 01:06:05,390
between the Templars Freemasons the

1252
01:06:14,120 --> 01:06:07,620
Templars and Freemasons with the

1253
01:06:20,090 --> 01:06:14,130
Rosicrucians first of all they all

1254
01:06:24,020 --> 01:06:20,100
followed spiritual paths and according

1255
01:06:26,120 --> 01:06:24,030
to one modern Sufi writer spirituality

1256
01:06:29,390 --> 01:06:26,130
is a river that descended to earth

1257
01:06:31,640 --> 01:06:29,400
through Adam may God grant him peace it

1258
01:06:35,120 --> 01:06:31,650
was refreshed by the great prophets such

1259
01:06:37,850 --> 01:06:35,130
as Abraham Moses Elijah and Jesus may

1260
01:06:40,010 --> 01:06:37,860
God grant empty's but the great prophet

1261
01:06:43,220 --> 01:06:40,020
muhammad may his name be blessed may God

1262
01:06:46,460 --> 01:06:43,230
grant him peace it is a river that knows

1263
01:06:49,020 --> 01:06:46,470

no boundaries in space or culture or

1264

01:06:51,970 --> 01:06:49,030

time and yeah

1265

01:06:54,550 --> 01:06:51,980

each race each creed each contract

1266

01:06:57,550 --> 01:06:54,560

claims it for its own my brethren it is

1267

01:07:02,800 --> 01:06:57,560

always the same river that's the key

1268

01:07:07,740 --> 01:07:02,810

thing it is always the same the Knights

1269

01:07:13,570 --> 01:07:11,650

the Templars were suppressed in 1314 and

1270

01:07:15,820 --> 01:07:13,580

that was the end of them and anybody who

1271

01:07:19,180 --> 01:07:15,830

tells you that they continued its

1272

01:07:21,190 --> 01:07:19,190

talking nonsense there is no direct

1273

01:07:24,880 --> 01:07:21,200

continuity between the medieval Knights

1274

01:07:27,250 --> 01:07:24,890

Templar in any modern organisation the

1275

01:07:30,190 --> 01:07:27,260

teaching continued within the families

1276

01:07:34,120 --> 01:07:30,200

and was transmitted to a very large

1277

01:07:38,020 --> 01:07:34,130

extent into Freemasonry in with in

1278

01:07:41,050 --> 01:07:38,030

Freemasonry people are taught by ritual

1279

01:07:44,620 --> 01:07:41,060

and early brain and they're taught to

1280

01:07:47,320 --> 01:07:44,630

listen so they can listen to learn and

1281

01:07:50,820 --> 01:07:47,330

once they start learning they develop

1282

01:07:54,460 --> 01:07:50,830

thank God an insatiable curiosity about

1283

01:07:56,590 --> 01:07:54,470

spiritual values and as a part of that

1284

01:08:00,460 --> 01:07:56,600

many of them end up studying

1285

01:08:05,410 --> 01:08:00,470

Rosicrucianism and other paths Kabbalah

1286

01:08:07,710 --> 01:08:05,420

for example they're all interlinked and

1287

01:08:09,880 --> 01:08:07,720

they all reinforce each other

1288

01:08:17,530 --> 01:08:09,890

fundamentally there's no real difference

1289

01:08:21,070 --> 01:08:17,540

and at the risk of being incendiary sky

1290

01:08:26,250 --> 01:08:21,080

asked does mr. Murphy think there will

1291

01:08:31,930 --> 01:08:28,890

ultimately I'm an optimist

1292

01:08:32,680 --> 01:08:31,940

it won't happen in my lifetime that's

1293

01:08:36,610 --> 01:08:32,690

for sure

1294

01:08:40,870 --> 01:08:36,620

but I am 85 it may happen in his and I

1295

01:08:42,610 --> 01:08:40,880

don't know but there has to be peace we

1296

01:08:49,990 --> 01:08:42,620

are not put on this earth to destroy

1297

01:08:54,070 --> 01:08:50,000

each other and ultimately in the Middle

1298

01:08:58,300 --> 01:08:54,080

East the main Nexus of problem is Israel

1299

01:09:01,120 --> 01:08:58,310

of course and the Palestinians there is

1300

01:09:03,340 --> 01:09:01,130

room for both people on that there

1301

01:09:06,670 --> 01:09:03,350

and they will ultimately have to learn

1302

01:09:08,710 --> 01:09:06,680

to live in Brotherhood well as long as

1303

01:09:11,470 --> 01:09:08,720

they are preaching hatred night as a

1304

01:09:14,190 --> 01:09:11,480

jewel I hate to say this but most of the

1305

01:09:19,270 --> 01:09:14,200

hatred has been preached by the Israelis

1306

01:09:21,520 --> 01:09:19,280

and it's based on racialism as long as

1307

01:09:25,270 --> 01:09:21,530

that goes on it's going to take a hell

1308

01:09:28,870 --> 01:09:25,280

of a long time to solve one of the

1309

01:09:32,200 --> 01:09:28,880

obscene things about that situation is

1310

01:09:36,430 --> 01:09:32,210

the fact that if you were Israel claims

1311

01:09:38,349 --> 01:09:36,440

to be a democratic state but if you try

1312

01:09:40,180 --> 01:09:38,359

and judge it by the same standards as

1313

01:09:44,200 --> 01:09:40,190

any other democratic state you're

1314

01:09:47,950 --> 01:09:44,210

accused of being anti-semitic and then

1315

01:09:52,390 --> 01:09:47,960

they finally play the Holocaust card now

1316

01:09:54,430 --> 01:09:52,400

I think that the most obscene insult to

1317

01:09:56,530 --> 01:09:54,440

the memory of the millions of people who

1318

01:10:01,060 --> 01:09:56,540

are so brutally exterminated during the

1319

01:10:03,730 --> 01:10:01,070

world war is to use their suffering as

1320

01:10:06,190 --> 01:10:03,740

an excuse to impose the same sort of

1321

01:10:09,490 --> 01:10:06,200

suffering or other people that is an

1322

01:10:14,530 --> 01:10:09,500

obscurity ultimately there must be peace

1323

01:10:16,690 --> 01:10:14,540

I think it will take about 30 years and

1324

01:10:20,890 --> 01:10:16,700

it will only come about when there is

1325

01:10:23,440 --> 01:10:20,900

one unified country wherein all citizens

1326

01:10:26,710 --> 01:10:23,450

have the same rights and obligations be

1327

01:10:28,150 --> 01:10:26,720

their arrows be their Jewish so you

1328

01:10:31,870 --> 01:10:28,160

don't believe that the separate

1329

01:10:35,050 --> 01:10:31,880

Palestinian state is the answer I would

1330

01:10:37,480 --> 01:10:35,060

love to but I'm afraid the actions of

1331

01:10:41,940 --> 01:10:37,490

successive Israeli governments have made

1332

01:10:49,930 --> 01:10:45,820

well now let's just move on to another

1333

01:10:53,080 --> 01:10:49,940

question court says are you aware of the

1334

01:10:55,660 --> 01:10:53,090

bloodline coming to America well I would

1335

01:10:58,440 --> 01:10:55,670

imagine it seeped over here but do you

1336

01:11:03,010 --> 01:10:58,450

think that there was a purposeful

1337

01:11:06,490 --> 01:11:03,020

migration of these families no it

1338

01:11:08,260 --> 01:11:06,500

happened there are legitimate people

1339

01:11:12,130 --> 01:11:08,270

from the bloodline in the American

1340

01:11:13,720 --> 01:11:12,140

America would I be quite blunt

1341

01:11:16,090 --> 01:11:13,730

I think the blood liners

1342

01:11:18,280 --> 01:11:16,100

lost its importance I think that with

1343

01:11:21,340 --> 01:11:18,290

the foundation of the worldwide craft of

1344

01:11:27,010 --> 01:11:21,350

Freemasonry it had achieved its

1345

01:11:29,860 --> 01:11:27,020

effective and if I was looking for a

1346

01:11:32,200 --> 01:11:29,870

force a vibrant force for good in this

1347

01:11:35,470 --> 01:11:32,210

world I would look at the various

1348

01:11:39,430 --> 01:11:35,480

aspects of Freemasonry which is a

1349

01:11:43,050 --> 01:11:39,440

worldwide Brotherhood which preaches

1350

01:11:46,479 --> 01:11:43,060

tolerance of all the religions and

1351

01:11:51,610 --> 01:11:46,489

practices spiritual principles therein

1352

01:11:54,850 --> 01:11:51,620

lies the hope it's a powerful good but I

1353

01:11:59,110 --> 01:11:54,860

don't think I read it repent suppose

1354

01:12:03,190 --> 01:11:59,120

have any relative importance today at

1355

01:12:06,130 --> 01:12:03,200

all I think you know I know Kourt and

1356

01:12:08,800 --> 01:12:06,140

he's a researcher into these areas and I

1357

01:12:11,500 --> 01:12:08,810

think he was asking in terms of some of

1358

01:12:13,620 --> 01:12:11,510

his research of these families that have

1359

01:12:17,200 --> 01:12:13,630

connections to these other families that

1360

01:12:19,780 --> 01:12:17,210

have done things like built certain

1361

01:12:23,140 --> 01:12:19,790

structures in America that line up with

1362

01:12:27,010 --> 01:12:23,150

with other things and so he's finding

1363

01:12:29,260 --> 01:12:27,020

that in some of these sites all the same

1364

01:12:31,510 --> 01:12:29,270

family names just keep coming up over

1365

01:12:33,160 --> 01:12:31,520

and over again who had something to do

1366

01:12:35,229 --> 01:12:33,170

with the construction of these in fact

1367

01:12:37,540 --> 01:12:35,239

Court is actually going to be on my show

1368

01:12:40,510 --> 01:12:37,550

next week it's Court Lindell and he's

1369

01:12:43,210 --> 01:12:40,520

gonna be on beyond with the with actress

1370

01:12:48,280 --> 01:12:43,220

Laura Lombardi who's also a researcher

1371

01:12:51,310 --> 01:12:48,290

and Lara has discovered what she and

1372

01:12:53,860 --> 01:12:51,320

court feel are a twin to the great cross

1373

01:12:56,560 --> 01:12:53,870

it on day that's about 15 minutes away

1374

01:12:57,910 --> 01:12:56,570

from that same location and so we're

1375

01:12:59,680 --> 01:12:57,920

gonna be talking about that next week

1376

01:13:02,290 --> 01:12:59,690

but that's why he's asking not

1377

01:13:04,750 --> 01:13:02,300

necessarily for you know this special

1378

01:13:06,580 --> 01:13:04,760

bloodline people but he's tracing back

1379

01:13:09,370 --> 01:13:06,590

these families and trying to find out

1380

01:13:11,350 --> 01:13:09,380

why these certain there's a lot of

1381

01:13:14,530 --> 01:13:11,360

octagonal towers things like that are

1382

01:13:17,470 --> 01:13:14,540

put in these locations by these same

1383

01:13:22,209 --> 01:13:17,480

families over and over that's that's not

1384

01:13:24,130 --> 01:13:22,219

surprising today I had read the true

1385

01:13:27,230 --> 01:13:24,140

principle it doesn't matter much but

1386

01:13:29,630 --> 01:13:27,240

over the centuries there are

1387

01:13:32,330 --> 01:13:29,640

our three groups of families most of

1388

01:13:34,940 --> 01:13:32,340

them are connected loosely or directly

1389

01:13:39,500 --> 01:13:34,950

to the Rex dance families who have left

1390

01:13:42,410 --> 01:13:39,510

us physical reminders architectural

1391

01:13:45,770 --> 01:13:42,420

triggers to make us think and to focus

1392

01:13:48,230 --> 01:13:45,780

us on to spiritual themes that it does

1393

01:13:50,900 --> 01:13:48,240

not surprise me and that is a worldwide

1394

01:13:53,390 --> 01:13:50,910

phenomena because it's not just out of

1395

01:13:55,580 --> 01:13:53,400

the judeo-christian culture that this

1396

01:14:02,600 --> 01:13:55,590

sort of thing happens it happens in

1397

01:14:06,020 --> 01:14:02,610

other cultures too yeah and I think I

1398

01:14:09,020 --> 01:14:06,030

had one more question for Kourt

1399

01:14:11,470 --> 01:14:09,030

and it's kind of backtracking a little

1400

01:14:15,920 --> 01:14:11,480

bit how important is the legend and

1401

01:14:19,130 --> 01:14:15,930

imagery of Samara delamare how does this

1402

01:14:20,320 --> 01:14:19,140

all figure into the to your theories if

1403

01:14:23,600 --> 01:14:20,330

at all

1404

01:14:25,900 --> 01:14:23,610

Sun greater than that I tend to look at

1405

01:14:29,120 --> 01:14:25,910

as a separate issue it said it's vaguely

1406

01:14:31,910 --> 01:14:29,130

interlinked first of all the Sun way

1407

01:14:34,820 --> 01:14:31,920

that I'm Arab tradition did not seem to

1408

01:14:39,320 --> 01:14:34,830

arise until about the ninth or 10th

1409

01:14:39,920 --> 01:14:39,330

century then it took hold in a very very

1410

01:14:44,480 --> 01:14:39,930

big way

1411

01:14:46,370 --> 01:14:44,490

in fact the road up still Sanborn the

1412

01:14:48,920 --> 01:14:46,380

Bosphorus and born is known as the

1413

01:14:51,860 --> 01:14:48,930

chemin de WA the pathway of the Kings

1414

01:14:56,450 --> 01:14:51,870

because the kings of France used to make

1415

01:14:59,990 --> 01:14:56,460

us both homage there but the tradition

1416

01:15:02,450 --> 01:15:00,000

of the Mary's landing at sacre de la Mer

1417

01:15:05,540 --> 01:15:02,460

which is celebrated twice a year by the

1418

01:15:09,950 --> 01:15:05,550

European Gypsy community is one of the

1419

01:15:12,980 --> 01:15:09,960

most colorful and intriguing places on

1420

01:15:17,180 --> 01:15:12,990

God's earth the whole place comes alive

1421

01:15:19,820 --> 01:15:17,190

with different cultures anybody who's

1422

01:15:22,430 --> 01:15:19,830

been there and has experienced the

1423

01:15:25,340 --> 01:15:22,440

further and the devotion of the Gypsy

1424

01:15:29,930 --> 01:15:25,350

people particularly the ladies will be

1425

01:15:31,970 --> 01:15:29,940

impressed by it but you can't trace the

1426

01:15:35,240 --> 01:15:31,980

tradition back that far then that's the

1427

01:15:38,150 --> 01:15:35,250

puzzling thing how did this arise what

1428

01:15:40,299 --> 01:15:38,160

does the tradition means the Gypsy

1429

01:15:43,899 --> 01:15:40,309

people they're not telling us they

1430

01:15:46,510 --> 01:15:43,909

very required about that I have close

1431

01:15:49,779 --> 01:15:46,520

friends amongst them and they just will

1432

01:15:53,529 --> 01:15:49,789

not talk it's their deal and they're

1433

01:15:56,200 --> 01:15:53,539

keeping it to themselves is it true not

1434

01:16:00,520 --> 01:15:56,210

as it based on truth or not I would like

1435

01:16:03,279 --> 01:16:00,530

to think it is but I'm not sure yeah I

1436

01:16:06,970 --> 01:16:03,289

don't remember asking a priest it's in

1437

01:16:09,669 --> 01:16:06,980

gone I said have you any actual proof

1438

01:16:12,100 --> 01:16:09,679

that the mainland was ever here and he

1439

01:16:17,500 --> 01:16:12,110

said no sir we haven't but I can tell

1440

01:16:20,410 --> 01:16:17,510

you something she's here now there's a

1441

01:16:23,500 --> 01:16:20,420

tangible presence there but does that

1442

01:16:25,660 --> 01:16:23,510

come from truth of physical being

1443

01:16:27,970 --> 01:16:25,670

physically being there or is it just a

1444

01:16:30,669 --> 01:16:27,980

reflection of the thousand years of

1445

01:16:32,799 --> 01:16:30,679

eneration I don't know

1446

01:16:34,750 --> 01:16:32,809

and then the Margaret starboard claimed

1447

01:16:37,810 --> 01:16:34,760

a few years ago that she found a

1448

01:16:41,770 --> 01:16:37,820

tapestry dated to the third century

1449

01:16:46,209 --> 01:16:41,780

which tended to confirm the story in

1450

01:16:47,950 --> 01:16:46,219

Central America sent me illustrate was

1451

01:16:51,580 --> 01:16:47,960

that the Jeremy Pines

1452

01:16:54,040 --> 01:16:51,590

I promise tree I honestly don't know but

1453

01:16:57,760 --> 01:16:54,050

she sent me illustrations of it and her

1454

01:16:58,390 --> 01:16:57,770

explanation of those the symbolism and

1455

01:17:02,140 --> 01:16:58,400

I'm sorry

1456

01:17:06,339 --> 01:17:02,150

I could not see it at all like there was

1457

01:17:10,419 --> 01:17:06,349

wishful thinking I don't notice the

1458

01:17:12,879 --> 01:17:10,429

short answer unfastening it's and then

1459

01:17:15,580 --> 01:17:12,889

of course if you don't know then you

1460

01:17:18,310 --> 01:17:15,590

don't know whether that is really her

1461

01:17:22,060 --> 01:17:18,320

skull that they have in in and encase it

1462

01:17:24,430 --> 01:17:22,070

in the gold look reliquary and paraded

1463

01:17:27,939 --> 01:17:24,440

ourselves that I'll be awfully careful

1464

01:17:33,339 --> 01:17:27,949

about relics my mother yes oh absolutely

1465

01:17:35,799 --> 01:17:33,349

rice to Flint the bloody Titanic pieces

1466

01:17:39,419 --> 01:17:35,809

of the true cross to reinforce the

1467

01:17:41,169 --> 01:17:39,429

Cedars of Lebanon it was an industry

1468

01:17:43,569 --> 01:17:41,179

manufacturing them there are at least

1469

01:17:46,240 --> 01:17:43,579

two claimants to have the head of John

1470

01:17:53,290 --> 01:17:46,250

the Baptist and there are four skins of

1471

01:17:54,069 --> 01:17:53,300

Jesus scattered all over Europe relics

1472

01:17:57,339 --> 01:17:54,079

were a money

1473

01:18:00,009 --> 01:17:57,349

ranking for the judge

1474

01:18:02,949 --> 01:18:00,019

you know Chartres Cathedral got burnt

1475

01:18:06,369 --> 01:18:02,959

down in the late 1100 and they thought

1476

01:18:08,790 --> 01:18:06,379

they'd lost the Virgin's tunic that she

1477

01:18:12,459 --> 01:18:08,800

was wearing when she gave birth to Jesus

1478

01:18:15,040 --> 01:18:12,469

and then three days after the fire two

1479

01:18:17,919 --> 01:18:15,050

monks were seen covered in soot coming

1480

01:18:23,229 --> 01:18:17,929

out of a part of the crypt bearing the

1481

01:18:25,209 --> 01:18:23,239

relic ray oh my god I mean yeah let's

1482

01:18:26,819 --> 01:18:25,219

talk about something real jelly yeah

1483

01:18:30,879 --> 01:18:26,829

absolutely

1484

01:18:33,009 --> 01:18:30,889

well thanks so much for indulging us and

1485

01:18:36,399 --> 01:18:33,019

answering our questions

1486

01:18:38,679 --> 01:18:36,409

everyone is so so jazzed up about your

1487

01:18:41,679 --> 01:18:38,689

appearance here getting all kinds of

1488

01:18:46,389 --> 01:18:41,689

compliments in the chat room they they

1489

01:18:48,159 --> 01:18:46,399

love listening to you as I do and it's

1490

01:18:52,509 --> 01:18:48,169

always been that way you're just such a

1491

01:18:54,750 --> 01:18:52,519

wonderful speaker now let's see person

1492

01:18:59,859 --> 01:18:54,760

oh I had one last question from Neutron

1493

01:19:02,679 --> 01:18:59,869

asking which of the two groups the

1494

01:19:06,639 --> 01:19:02,689

Freemasons or the Templars did the

1495

01:19:10,779 --> 01:19:06,649

Jesuits involve themselves with very

1496

01:19:13,359 --> 01:19:10,789

hard to know the Jesuits to a certain

1497

01:19:17,379 --> 01:19:13,369

degree modeled themselves on Templar

1498

01:19:21,459 --> 01:19:17,389

tradition there is no discernible link

1499

01:19:24,239 --> 01:19:21,469

between the Jesuits and either the

1500

01:19:28,719 --> 01:19:24,249

Knights Templar or the lesser Freemasons

1501

01:19:32,529 --> 01:19:28,729

however having said that when the

1502

01:19:34,540 --> 01:19:32,539

Inquisition went to Malta to try and

1503

01:19:36,699 --> 01:19:34,550

root out Freemasonry the Knights of

1504

01:19:38,679 --> 01:19:36,709

Malta chased them away at some speed

1505

01:19:41,079 --> 01:19:38,689

because the Knights of Malta was very

1506

01:19:43,959 --> 01:19:41,089

heavily involved with Freemasonry and

1507

01:19:47,979 --> 01:19:43,969

who is to say that certain leading

1508

01:19:50,229 --> 01:19:47,989

Jesuits may not have been it was

1509

01:19:52,419 --> 01:19:50,239

theoretically a capital offense in the

1510

01:19:55,589 --> 01:19:52,429

magical States to be a freemason you

1511

01:20:00,549 --> 01:19:55,599

could be executed merely for membership

1512

01:20:01,839 --> 01:20:00,559

so the whole thing is confused just

1513

01:20:05,490 --> 01:20:01,849

because something that's forbidden

1514

01:20:09,200 --> 01:20:05,500

doesn't mean to say it doesn't

1515

01:20:11,520 --> 01:20:09,210

but proof that's a different program

1516

01:20:13,530 --> 01:20:11,530

indeed

1517

01:20:16,169 --> 01:20:13,540

now before we run out of time we've only

1518

01:20:17,879 --> 01:20:16,179

got about 6 minutes left it looks like I

1519

01:20:19,950 --> 01:20:17,889

want to make sure that everyone knows

1520

01:20:22,740 --> 01:20:19,960

how they can get your books I want to

1521

01:20:29,220 --> 01:20:22,750

make sure they know that your name is

1522

01:20:32,790 --> 01:20:29,230

Tim Wallace wal la C e - Murphy and he

1523

01:20:34,770 --> 01:20:32,800

does have a lot of interesting books out

1524

01:20:37,649 --> 01:20:34,780

there one of my favorites I know is

1525

01:20:41,339 --> 01:20:37,659

hidden wisdom I don't know if that's one

1526

01:20:43,830 --> 01:20:41,349

of your favorites Tim or not but it was

1527

01:20:46,109 --> 01:20:43,840

fun to write because that's a living

1528

01:20:48,600 --> 01:20:46,119

caption that's a little bit of all the

1529

01:20:51,899 --> 01:20:48,610

different traditions and one book and it

1530

01:20:55,020 --> 01:20:51,909

gives you an overview some of your books

1531

01:20:58,560 --> 01:20:55,030

are a little bit hard to come by you can

1532

01:21:01,080 --> 01:20:58,570

get them off Amazon can you Rex dais and

1533

01:21:02,970 --> 01:21:01,090

I'll Rex terraces aren't French in

1534

01:21:05,100 --> 01:21:02,980

English you can get it in French you can

1535

01:21:06,780 --> 01:21:05,110

get it in Italian I think you can still

1536

01:21:09,000 --> 01:21:06,790

get it in Spanish

1537

01:21:12,870 --> 01:21:09,010

but the English publisher went bankrupt

1538

01:21:14,490 --> 01:21:12,880

some years ago and because the three of

1539

01:21:16,080 --> 01:21:14,500

us were involved in it we could never

1540

01:21:19,560 --> 01:21:16,090

reach full agreement about the

1541

01:21:22,620 --> 01:21:19,570

publication which is wrong but it is

1542

01:21:26,010 --> 01:21:22,630

available secondhand by various sellers

1543

01:21:28,560 --> 01:21:26,020

using the Amazon site yeah I would

1544

01:21:34,220 --> 01:21:28,570

definitely recommend a seeded by a Mesa

1545

01:21:38,160 --> 01:21:34,230

book called custodians of truth yes and

1546

01:21:41,390 --> 01:21:38,170

if someone was starting out in in this

1547

01:21:44,669 --> 01:21:41,400

whole area I know a lot of our listeners

1548

01:21:47,550 --> 01:21:44,679

are seekers of truth and researchers

1549

01:21:49,790 --> 01:21:47,560

themselves but if you're just someone

1550

01:21:52,890 --> 01:21:49,800

who's just starting out on this path

1551

01:21:57,930 --> 01:21:52,900

what would you suggest the first book of

1552

01:22:00,839 --> 01:21:57,940

yours that they should read I would

1553

01:22:05,010 --> 01:22:00,849

suggest are the custodians of truth all

1554

01:22:07,589 --> 01:22:05,020

hidden wisdoms but it's not important

1555

01:22:10,890 --> 01:22:07,599

that they necessarily read my work or

1556

01:22:13,140 --> 01:22:10,900

any other particular individuals what is

1557

01:22:14,560 --> 01:22:13,150

important is that they develop

1558

01:22:20,800 --> 01:22:14,570

discernment

1559

01:22:25,510 --> 01:22:20,810

a [h__\h] detector because don't think

1560

01:22:28,209 --> 01:22:25,520

that all modern books are necessarily

1561

01:22:34,839 --> 01:22:28,219

true or well-intentioned

1562

01:22:39,510 --> 01:22:34,849

some are just written for this learn to

1563

01:22:42,609 --> 01:22:39,520

resonate with your inner beings your

1564

01:22:47,290 --> 01:22:42,619

soul will vibrate in a different way

1565

01:22:50,290 --> 01:22:47,300

when it descends truth and truth is an

1566

01:22:52,020 --> 01:22:50,300

elusive commodity it changes over time

1567

01:22:54,780 --> 01:22:52,030

there's no such thing as an absolute

1568

01:22:58,089 --> 01:22:54,790

independent truth it's always subjective

1569

01:23:00,040 --> 01:22:58,099

and what you feel to be true today I

1570

01:23:02,589 --> 01:23:00,050

which will lead you in the right

1571

01:23:05,560 --> 01:23:02,599

direction in 10 years time you may

1572

01:23:06,430 --> 01:23:05,570

reject it it's done its purpose it's got

1573

01:23:09,430 --> 01:23:06,440

you going

1574

01:23:12,399 --> 01:23:09,440

the trick is to be curious to question

1575

01:23:15,669 --> 01:23:12,409

when you read something say who benefits

1576

01:23:17,890 --> 01:23:15,679

from this what's it all about why why

1577

01:23:24,010 --> 01:23:17,900

was it described in this way I'm not in

1578

01:23:27,780 --> 01:23:24,020

there question everything never believe

1579

01:23:30,280 --> 01:23:27,790

a word I write or anybody else does

1580

01:23:33,129 --> 01:23:30,290

double-check it go back to the sources

1581

01:23:36,250 --> 01:23:33,139

if the writer is trying to be honest

1582

01:23:39,310 --> 01:23:36,260

they will footnote that statements and

1583

01:23:45,180 --> 01:23:39,320

tell you where the stuff comes from go

1584

01:23:48,209 --> 01:23:45,190

back and double-check see for yourself

1585

01:23:51,189 --> 01:23:48,219

don't take anybody's word for anything

1586

01:23:51,609 --> 01:23:51,199

just use it as a starting point it's a

1587

01:23:54,399 --> 01:23:51,619

trigger

1588

01:23:56,770 --> 01:23:54,409

I'm not there to educate anybody or to

1589

01:23:58,720 --> 01:23:56,780

inform them I certainly not there to

1590

01:24:01,660 --> 01:23:58,730

convert them from one flawed belief

1591

01:24:06,609 --> 01:24:01,670

system to another my job is to make you

1592

01:24:11,229 --> 01:24:06,619

buggers think not accept blindly a

1593

01:24:15,879 --> 01:24:11,239

church dogma or political Dogma but make

1594

01:24:17,800 --> 01:24:15,889

your own mind up go for it well we

1595

01:24:19,689 --> 01:24:17,810

appreciate it to him thank you so much

1596

01:24:22,379 --> 01:24:19,699

think thanks for all your work and I do

1597

01:24:24,970 --> 01:24:22,389

recommend that you read Tim's books

1598

01:24:28,300 --> 01:24:24,980

because I have in

1599

01:24:30,880 --> 01:24:28,310

I they're not only enlightening and

1600

01:24:33,520 --> 01:24:30,890

educational but entertaining it's it's

1601

01:24:36,850 --> 01:24:33,530

all such great information I mean I love

1602

01:24:40,990 --> 01:24:36,860

this material but you do such a good job

1603

01:24:42,940 --> 01:24:41,000

and I love when you come on the show or

1604

01:24:44,710 --> 01:24:42,950

when we have a chance to talk or see

1605

01:24:47,380 --> 01:24:44,720

each other in France and you speak to

1606

01:24:49,900 --> 01:24:47,390

our groups and everyone always comes

1607

01:24:53,830 --> 01:24:49,910

away with something of benefit so we

1608

01:24:58,120 --> 01:24:53,840

really appreciate that well and just

1609

01:25:00,790 --> 01:24:58,130

keep going yes just keep on keeping on

1610

01:25:03,490 --> 01:25:00,800

and that's what we'll try to do and I

1611

01:25:05,920 --> 01:25:03,500

guess you know it's like you you said

1612

01:25:07,360 --> 01:25:05,930

something earlier about you know these

1613

01:25:09,880 --> 01:25:07,370

different beliefs it really doesn't

1614

01:25:13,540 --> 01:25:09,890

matter you know as long as you're doing

1615

01:25:16,000 --> 01:25:13,550

it and I remember Henry always said

1616

01:25:16,690 --> 01:25:16,010

Henry Lincoln always said years and

1617

01:25:20,080 --> 01:25:16,700

years ago

1618

01:25:21,820 --> 01:25:20,090

one door is all that's needed and when

1619

01:25:24,820 --> 01:25:21,830

he said it I didn't really know what

1620

01:25:27,520 --> 01:25:24,830

that meant but I think I figured it out

1621

01:25:29,920 --> 01:25:27,530

now doesn't matter what your starting

1622

01:25:32,860 --> 01:25:29,930

point is the destination is always the

1623

01:25:35,440 --> 01:25:32,870

same that's right and with that the

1624

01:25:37,000 --> 01:25:35,450

music is rolling and we're all at a time

1625

01:25:40,000 --> 01:25:37,010

but I want to thank you once again

1626

01:25:43,420 --> 01:25:40,010

especially for getting up and doing the

1627

01:25:46,330 --> 01:25:43,430

show at 4:30 a.m. I appreciate it love

1628

01:25:47,560 --> 01:25:46,340

to Cindy and we'll hopefully see you

1629

01:25:50,440 --> 01:25:47,570

soon yeah

1630

01:25:53,440 --> 01:25:50,450

and everyone join us next week we have

1631

01:25:55,030 --> 01:25:53,450

port Lindell and lara Lamberty we're

1632

01:25:58,630 --> 01:25:55,040

gonna be talking about the great cross
