

EPIC VOYAGES RADIO

EXTRAORDINARY PHENOMENA INVESTIGATIONS COUNCIL

Jim Marrs 4.0

1
00:00:06,290 --> 00:00:03,290
you're listening to IRA the inception

2
00:00:23,160 --> 00:00:13,680
[Music]

3
00:00:29,690 --> 00:00:24,330
[Applause]

4
00:01:08,580 --> 00:00:35,030
[Music]

5
00:01:10,770 --> 00:01:08,590
the extraordinary phenomenon

6
00:01:11,700 --> 00:01:10,780
investigations council presents epic

7
00:01:14,219 --> 00:01:11,710
voyages

8
00:01:16,230 --> 00:01:14,229
come join us as we hitler and experience

9
00:01:29,680 --> 00:01:16,240
the great mysteries of the world with

10
00:02:04,859 --> 00:01:39,050
[Music]

11
00:02:09,719 --> 00:02:07,319
hey everybody welcome to epic voyages

12
00:02:12,210 --> 00:02:09,729
radio and thank you for joining us

13
00:02:14,070 --> 00:02:12,220

around this paranormal campfire my name

14

00:02:16,530 --> 00:02:14,080

is Alan B Smith and I'm your guest host

15

00:02:19,440 --> 00:02:16,540

tonight and my guests later on is Jim

16

00:02:22,800 --> 00:02:19,450

Mars author of Ellen agenda and our

17

00:02:24,300 --> 00:02:22,810

coltd history but before we get into the

18

00:02:26,850 --> 00:02:24,310

amazing Jim Marrs I just wanna give a

19

00:02:30,270 --> 00:02:26,860

couple of interesting updates that I'd

20

00:02:34,199 --> 00:02:30,280

come across on the old internet from

21

00:02:37,050 --> 00:02:34,209

above top-secret comm via UFO case

22

00:02:39,030 --> 00:02:37,060

book.com there's a really really

23

00:02:42,270 --> 00:02:39,040

interesting video just a quick quote

24

00:02:44,699 --> 00:02:42,280

from the site a youtube UFO hunter

25

00:02:48,240 --> 00:02:44,709

claims he found an old nasa video clip

26
00:02:50,940 --> 00:02:48,250
from the 1971 Apollo 15 mission which

27
00:02:53,250 --> 00:02:50,950
shows a flying saucer UFO presumably an

28
00:02:56,039 --> 00:02:53,260
alien UFO parked on the lunar surface

29
00:02:58,110 --> 00:02:56,049
apparently observing the Apollo 15 moon

30
00:03:00,000 --> 00:02:58,120
landing I'm going to put that link in

31
00:03:02,369 --> 00:03:00,010
the chat room for y'all to see because

32
00:03:04,759 --> 00:03:02,379
it's really fascinating generally I'm a

33
00:03:07,619 --> 00:03:04,769
little little skeptic about a lot of the

34
00:03:11,460 --> 00:03:07,629
the photos and videos that are taken

35
00:03:13,349 --> 00:03:11,470
from Moon and Mars and artifacts I tend

36
00:03:15,509 --> 00:03:13,359
to lean on The Skeptical side there's

37
00:03:19,800 --> 00:03:15,519
definitely some some really great stuff

38
00:03:21,990 --> 00:03:19,810

out there but I think there's a lot of

39

00:03:23,339 --> 00:03:22,000

stuff out there that admittedly I I

40

00:03:25,080 --> 00:03:23,349

think that I'm still completely

41

00:03:27,569 --> 00:03:25,090

open-minded I think is is some wishful

42

00:03:28,620 --> 00:03:27,579

thinking but this is really really cool

43

00:03:33,030 --> 00:03:28,630

this will blow your mind I think if you

44

00:03:34,979 --> 00:03:33,040

take a look at it also earth flag from

45

00:03:36,690 --> 00:03:34,989

the Smithsonian calm and I'll if you

46

00:03:39,120 --> 00:03:36,700

guys heard about this but there's this

47

00:03:42,120 --> 00:03:39,130

ongoing discussion about creating a flag

48

00:03:44,870 --> 00:03:42,130

for Earth to represent earth in all its

49

00:03:47,699 --> 00:03:44,880

people and just quick quote from that

50

00:03:50,280 --> 00:03:47,709

article quote astronauts have planted

51
00:03:52,710 --> 00:03:50,290
six u.s. flags on the moon but earth is

52
00:03:54,539 --> 00:03:52,720
divided into nearly 200 individual

53
00:03:56,430 --> 00:03:54,549
countries in the event that an

54
00:03:58,800 --> 00:03:56,440
extraterrestrial group stumbled upon the

55
00:04:00,420 --> 00:03:58,810
flags of Earth's resident countries out

56
00:04:02,699 --> 00:04:00,430
in solar system things could get a

57
00:04:05,039 --> 00:04:02,709
little confusing one graphic designer

58
00:04:06,569 --> 00:04:05,049
has a solution why not devise a flag to

59
00:04:08,970 --> 00:04:06,579
represent planet earth and all its

60
00:04:11,009 --> 00:04:08,980
residents now while the idea might seem

61
00:04:13,380 --> 00:04:11,019
like it's from outer space the premise

62
00:04:15,479 --> 00:04:13,390
of intergalactic organizations uniting

63
00:04:16,840 --> 00:04:15,489

under one banner is quite common in

64

00:04:19,120 --> 00:04:16,850

science fiction as

65

00:04:21,400 --> 00:04:19,130

Shawn Thor points out for the Washington

66

00:04:23,490 --> 00:04:21,410

Post Robert Heinlein Starship Troopers

67

00:04:25,930 --> 00:04:23,500

book series has the Terran Federation

68

00:04:28,420 --> 00:04:25,940

Star Wars has the Galactic Empire and

69

00:04:30,040 --> 00:04:28,430

the Rebel Alliance and so why shouldn't

70

00:04:31,840 --> 00:04:30,050

we have our own flag it's a really

71

00:04:34,270 --> 00:04:31,850

interesting article and again I'll post

72

00:04:37,560 --> 00:04:34,280

that link right now into the chatroom if

73

00:04:40,020 --> 00:04:37,570

you guys wanna gonna check that out

74

00:04:42,700 --> 00:04:40,030

yes so again thank you for being with us

75

00:04:44,980 --> 00:04:42,710

we want to encourage you to go to our

76
00:04:47,530 --> 00:04:44,990
epic YouTube channel and check out all

77
00:04:49,150 --> 00:04:47,540
the amazing videos there Jim Marrs is

78
00:04:50,890 --> 00:04:49,160
there I guess just a whole slew of

79
00:04:55,540 --> 00:04:50,900
videos that he did some of his

80
00:04:57,130 --> 00:04:55,550
presentations dr. ray lewis and so many

81
00:05:01,180 --> 00:04:57,140
more but thank you very loved that also

82
00:05:04,090 --> 00:05:01,190
our epic voyagers twitter account you

83
00:05:05,650 --> 00:05:04,100
can go there we could definitely use

84
00:05:08,020 --> 00:05:05,660
some more followers there we're always

85
00:05:10,360 --> 00:05:08,030
posting up some updates and then our

86
00:05:13,780 --> 00:05:10,370
Instagram Instagram account which is

87
00:05:16,660 --> 00:05:13,790
epic voyages for radio that epic voyages

88
00:05:18,580 --> 00:05:16,670

or radio so and actually I think a few

89

00:05:20,620 --> 00:05:18,590

people that I had come across on the

90

00:05:23,290 --> 00:05:20,630

epic voyagers account will actually be

91

00:05:24,280 --> 00:05:23,300

for the Instagram account will be in the

92

00:05:26,350 --> 00:05:24,290

chat room tonight I don't think they're

93

00:05:30,010 --> 00:05:26,360

here yet but I'm looking for them rhino

94

00:05:32,050 --> 00:05:30,020

horn 25 wraiths in time prestige multi

95

00:05:34,150 --> 00:05:32,060

universum and plebian plus hope you guys

96

00:05:35,710 --> 00:05:34,160

are out there at least listening and if

97

00:05:39,370 --> 00:05:35,720

you guys have any questions later in the

98

00:05:42,550 --> 00:05:39,380

show feel free to use the chat room to

99

00:05:45,040 --> 00:05:42,560

post all your questions we can also dial

100

00:05:47,920 --> 00:05:45,050

in in the last hour and that number is

101
00:05:49,660 --> 00:05:47,930
eight eight eight nine one nine two

102
00:05:52,240 --> 00:05:49,670
three five five that's eight eight eight

103
00:05:54,700 --> 00:05:52,250
nine one nine Bell and then press option

104
00:05:58,600 --> 00:05:54,710
one to connect to the studio and all

105
00:06:01,210 --> 00:05:58,610
right so our guest Jim Marrs Jim Marrs

106
00:06:02,380 --> 00:06:01,220
is sort of like the real-life x-files

107
00:06:04,510 --> 00:06:02,390
conspiracy

108
00:06:06,040 --> 00:06:04,520
investigators Oh which reminds me and

109
00:06:07,810 --> 00:06:06,050
sure all of you are really excited about

110
00:06:10,330 --> 00:06:07,820
the x-files if you haven't heard yet I

111
00:06:12,850 --> 00:06:10,340
know I'm totally ecstatic and I know dr.

112
00:06:15,910 --> 00:06:12,860
Laura Blythe tag is is a huge fan of the

113
00:06:17,800 --> 00:06:15,920

x-files as well so the good news is it's

114

00:06:21,580 --> 00:06:17,810

definitely happening in I believe

115

00:06:23,050 --> 00:06:21,590

January 24th will be the air date and

116

00:06:25,750 --> 00:06:23,060

actually I'll be doing a show August

117

00:06:27,640 --> 00:06:25,760

10th with the author of behind the

118

00:06:29,999 --> 00:06:27,650

science of the x-files and behind the

119

00:06:32,519 --> 00:06:30,009

signs of Star Wars - awesome

120

00:06:35,459 --> 00:06:32,529

awesome science fiction chronicles that

121

00:06:37,890 --> 00:06:35,469

we all love so I think you'll love that

122

00:06:39,389 --> 00:06:37,900

show but anyway back to Jim so Jim Marrs

123

00:06:40,379 --> 00:06:39,399

doesn't really need introduction but you

124

00:06:41,609 --> 00:06:40,389

know what I'm gonna go ahead and give

125

00:06:43,109 --> 00:06:41,619

him traduction anyway just in case

126

00:06:46,529 --> 00:06:43,119

there's somebody out there that hasn't

127

00:06:48,869 --> 00:06:46,539

heard of Jim so Jim is a native of Fort

128

00:06:50,670 --> 00:06:48,879

Worth Texas he's earned a Bachelor of

129

00:06:53,489 --> 00:06:50,680

Arts degrees in journalism from the

130

00:06:56,040 --> 00:06:53,499

University of North Texas in 1966 and

131

00:06:59,070 --> 00:06:56,050

attended graduate school at Texas Tech's

132

00:07:00,600 --> 00:06:59,080

in Lubbock for two years more he has

133

00:07:02,459 --> 00:07:00,610

worked for several Texas newspapers

134

00:07:05,459 --> 00:07:02,469

including the Fort Worth star-telegram

135

00:07:07,950 --> 00:07:05,469

where beginning in 1968 he served as

136

00:07:09,959 --> 00:07:07,960

police reporter and general assignments

137

00:07:12,450 --> 00:07:09,969

reporter covering stories locally in

138

00:07:14,459 --> 00:07:12,460

Europe and the Middle East after a leave

139

00:07:16,379 --> 00:07:14,469

of absence to serve with a fourth Army

140

00:07:18,869 --> 00:07:16,389

Intelligence Unit during the Vietnam War

141

00:07:20,939 --> 00:07:18,879

he became military and aerospace writer

142

00:07:21,600 --> 00:07:20,949

for the newspaper and an investigative

143

00:07:25,049 --> 00:07:21,610

reporter

144

00:07:26,639 --> 00:07:25,059

since 1980 mr. Mars has been a freelance

145

00:07:29,219 --> 00:07:26,649

writer author and public relations

146

00:07:31,409 --> 00:07:29,229

consultant Mars has authored over 10

147

00:07:35,040 --> 00:07:31,419

books including crossfire the plot that

148

00:07:36,749 --> 00:07:35,050

killed Kennedy above top secret and his

149

00:07:40,769 --> 00:07:36,759

new book which I know dr. Laura Blythe

150

00:07:43,889 --> 00:07:40,779

tagged will be covering in July on July

151

00:07:46,079 --> 00:07:43,899

6 and that new book is population

152

00:07:47,999 --> 00:07:46,089

control how corporations are killing us

153

00:07:50,670 --> 00:07:48,009

but tonight we're gonna focus on two of

154

00:07:53,939 --> 00:07:50,680

his classics as I would call it alien

155

00:07:56,009 --> 00:07:53,949

agenda and our quilted history Jim

156

00:07:58,980 --> 00:07:56,019

welcome to the show hey Allen it's great

157

00:08:03,509 --> 00:07:58,990

to be with you and all my friends in

158

00:08:04,920 --> 00:08:03,519

that great epic organization yeah it's

159

00:08:07,769 --> 00:08:04,930

my honor to have you on I'm really

160

00:08:10,290 --> 00:08:07,779

excited about this and I wanted to go

161

00:08:13,649 --> 00:08:10,300

back to alien agenda again because this

162

00:08:16,409 --> 00:08:13,659

whole x-files obsession that I have that

163

00:08:18,149 --> 00:08:16,419

came out in I believe 97 and that was at

164

00:08:20,159 --> 00:08:18,159

the height of the x-files when I was

165

00:08:22,290 --> 00:08:20,169

really really entrenched in all things

166

00:08:24,989 --> 00:08:22,300

you have phone conspiracies and I think

167

00:08:27,480 --> 00:08:24,999

so much of what you discuss in that book

168

00:08:29,279 --> 00:08:27,490

is so prevalent now and I think with the

169

00:08:30,959 --> 00:08:29,289

release of the x-files coming out again

170

00:08:31,980 --> 00:08:30,969

so many more people are going to go out

171

00:08:37,680 --> 00:08:31,990

to the store and pick up that book

172

00:08:41,909 --> 00:08:37,690

because it explains the real-life story

173

00:08:43,620 --> 00:08:41,919

that the x-files has built it's

174

00:08:45,750 --> 00:08:43,630

mythology around

175

00:08:49,140 --> 00:08:45,760

you know I think fashion stories around

176

00:08:51,720 --> 00:08:49,150

these incidents and yeah I'm kind of

177

00:08:54,810 --> 00:08:51,730

honored to realize that this late date

178

00:08:59,100 --> 00:08:54,820

that everything that I'm putting there

179

00:09:01,500 --> 00:08:59,110

in in the 1990s is still very valid in

180

00:09:04,650 --> 00:09:01,510

fact there's only a handful of things

181

00:09:07,950 --> 00:09:04,660

such as well I think the Phoenix flyover

182

00:09:10,200 --> 00:09:07,960

happened that very summers as an agenda

183

00:09:12,000 --> 00:09:10,210

was being published and then of course

184

00:09:15,630 --> 00:09:12,010

we've got the Stephenville thing back

185

00:09:19,050 --> 00:09:15,640

man 2013 and then there was a incident

186

00:09:21,570 --> 00:09:19,060

over O'Hare Airport but with those few

187

00:09:24,930 --> 00:09:21,580

exceptions I think that everything in my

188

00:09:28,860 --> 00:09:24,940

book I mean an agenda is pretty much up

189

00:09:33,030 --> 00:09:28,870

to date and and is still being studied

190

00:09:35,640 --> 00:09:33,040

by students of the UFOs in fact I've

191

00:09:39,090 --> 00:09:35,650

been told that my book alien agenda is

192

00:09:42,570 --> 00:09:39,100

now the top-selling nonfiction book on

193

00:09:45,440 --> 00:09:42,580

UFOs in the world because it's been

194

00:09:48,690 --> 00:09:45,450

translated into about a dozen languages

195

00:09:51,000 --> 00:09:48,700

yeah and in the world of ufology I mean

196

00:09:52,620 --> 00:09:51,010

you know there's a few names out there

197

00:09:54,870 --> 00:09:52,630

that everybody knows and yours is

198

00:09:56,490 --> 00:09:54,880

definitely on the top of the list and I

199

00:09:59,370 --> 00:09:56,500

just think it's testament to the work

200

00:10:04,020 --> 00:09:59,380

that you've done you know you really

201
00:10:06,990 --> 00:10:04,030
helped legitimize I think the you know

202
00:10:08,460 --> 00:10:07,000
the ufologist you know and people people

203
00:10:10,230 --> 00:10:08,470
who didn't even use that term some time

204
00:10:12,330 --> 00:10:10,240
ago and now people use it confidently

205
00:10:15,870 --> 00:10:12,340
you know I'm a florist and I think you

206
00:10:18,270 --> 00:10:15,880
helped us buy legitimacy that's true I

207
00:10:19,910 --> 00:10:18,280
have seen over my lifetime and over my

208
00:10:22,530 --> 00:10:19,920
professional career

209
00:10:27,330 --> 00:10:22,540
UFOs used to be something you scoffed at

210
00:10:30,540 --> 00:10:27,340
and today as you say you apologist UFO

211
00:10:32,430 --> 00:10:30,550
mythology people just kind of yeah

212
00:10:36,450 --> 00:10:32,440
except that is at least a legitimate

213
00:10:39,630 --> 00:10:36,460

topic of conversation if not their firm

214

00:10:41,340 --> 00:10:39,640

belief you're and when you mention the

215

00:10:44,460 --> 00:10:41,350

x-files I got to tell you one of the

216

00:10:47,220 --> 00:10:44,470

things that really sticks in my mind is

217

00:10:54,690 --> 00:10:47,230

of course the brainchild of the x-files

218

00:10:56,050 --> 00:10:54,700

was Chris Carter and in 2001 March early

219

00:11:01,960 --> 00:10:56,060

March I think it's mark

220

00:11:05,580 --> 00:11:01,970

the 3rd 2001 Chris Carter put a pilot on

221

00:11:08,860 --> 00:11:05,590

TV and it was a spinoff of the x-files

222

00:11:14,230 --> 00:11:08,870

about the the three computer geeks you

223

00:11:16,020 --> 00:11:14,240

know that the lone gunman yeah and since

224

00:11:18,520 --> 00:11:16,030

you followed the x-files you know that

225

00:11:20,050 --> 00:11:18,530

Scully and Mulder they really didn't

226

00:11:22,270 --> 00:11:20,060

come up with anything on their own they

227

00:11:24,040 --> 00:11:22,280

mostly were told stuff by the lone

228

00:11:27,160 --> 00:11:24,050

gunman and then they went out and did

229

00:11:30,670 --> 00:11:27,170

the the gumshoe work to prove it all up

230

00:11:34,840 --> 00:11:30,680

or disprove it well so in March a third

231

00:11:38,620 --> 00:11:34,850

of 2001 they put out this pilot for the

232

00:11:41,650 --> 00:11:38,630

lone gunman and in it it's incredible

233

00:11:43,570 --> 00:11:41,660

Allen because the basic plot was that

234

00:11:45,700 --> 00:11:43,580

one of the lone gunman Father they

235

00:11:47,530 --> 00:11:45,710

thought got killed in a car crash and it

236

00:11:49,900 --> 00:11:47,540

turned out that no he hadn't actually

237

00:11:51,790 --> 00:11:49,910

died and in fact they caught up with him

238

00:11:53,500 --> 00:11:51,800

and it turns out that the Hitman had

239

00:11:56,170 --> 00:11:53,510

come and tried to kill him but he got

240

00:11:59,140 --> 00:11:56,180

the drop on the man and managed to kill

241

00:12:00,970 --> 00:11:59,150

him and then to cover his tracks and to

242

00:12:03,070 --> 00:12:00,980

protect himself he took the half man put

243

00:12:05,350 --> 00:12:03,080

him in his car crashed it into an

244

00:12:07,030 --> 00:12:05,360

embankment or whatever set on fire so

245

00:12:09,850 --> 00:12:07,040

that everybody think he was dead and of

246

00:12:12,370 --> 00:12:09,860

course the lone gunman son says well you

247

00:12:13,510 --> 00:12:12,380

know why why would you want people to

248

00:12:15,940 --> 00:12:13,520

think you're dead he said because

249

00:12:18,190 --> 00:12:15,950

they're still after me for what I what I

250

00:12:20,410 --> 00:12:18,200

know he says well what do you know he

251

00:12:22,030 --> 00:12:20,420

says well I know what's going on with

252

00:12:23,290 --> 00:12:22,040

the government he says yeah but you work

253

00:12:25,420 --> 00:12:23,300

for the government he said that's right

254

00:12:27,430 --> 00:12:25,430

that's why I know this stuff and it

255

00:12:29,140 --> 00:12:27,440

turns out what did he know and why were

256

00:12:31,870 --> 00:12:29,150

they trying to kill him because he knew

257

00:12:36,360 --> 00:12:31,880

that people within the defense

258

00:12:39,850 --> 00:12:36,370

intelligence community were planning to

259

00:12:44,130 --> 00:12:39,860

hijack a commercial airliner using

260

00:12:47,260 --> 00:12:44,140

computer capture Global Hawk technology

261

00:12:50,380 --> 00:12:47,270

do this under the guise of a military

262

00:12:53,020 --> 00:12:50,390

exercise and then guide the airplane

263

00:12:55,780 --> 00:12:53,030

into one of the World Trade Centers to

264

00:12:57,820 --> 00:12:55,790

blow it up the blame of Middle Eastern

265

00:13:01,600 --> 00:12:57,830

terrorists so they could get their

266

00:13:04,990 --> 00:13:01,610

budget increased yeah and I tell me I'm

267

00:13:07,330 --> 00:13:05,000

telling you this was done months before

268

00:13:08,420 --> 00:13:07,340

the 9/11 attacks on September the 11th

269

00:13:11,270 --> 00:13:08,430

2001

270

00:13:13,490 --> 00:13:11,280

yeah well yeah and yet that's just about

271

00:13:15,140 --> 00:13:13,500

what happened yeah well a lot of people

272

00:13:18,470 --> 00:13:15,150

actually attribute the show going off

273

00:13:21,800 --> 00:13:18,480

the air because of the conspiracy aspect

274

00:13:24,190 --> 00:13:21,810

of non gunmen and you know everything in

275

00:13:26,810 --> 00:13:24,200

those shows the x-files and lone gunman

276

00:13:30,670 --> 00:13:26,820

fringe later on I mean they were basing

277

00:13:33,800 --> 00:13:30,680

all their stories on real life factual

278

00:13:35,990 --> 00:13:33,810

exactly and so I think there is in this

279

00:13:39,080 --> 00:13:36,000

case though it's kind of Pro fake you

280

00:13:40,490 --> 00:13:39,090

know and it makes you wonder who where

281

00:13:43,190 --> 00:13:40,500

some of these writers are getting their

282

00:13:45,410 --> 00:13:43,200

inspiration are they truly just dreaming

283

00:13:48,200 --> 00:13:45,420

up these wild plots or do they have a

284

00:13:51,080 --> 00:13:48,210

pipeline and actually here what's gonna

285

00:13:53,090 --> 00:13:51,090

go on well I can't speak for a lot of

286

00:13:54,590 --> 00:13:53,100

shows out there but for the x-files

287

00:13:57,110 --> 00:13:54,600

there's definitely intelligent writers

288

00:13:59,630 --> 00:13:57,120

in the show you know there yeah yeah

289

00:14:03,410 --> 00:13:59,640

that they they really do some good

290

00:14:05,180 --> 00:14:03,420

digging and everything they say I said

291

00:14:08,780 --> 00:14:05,190

at the time was was revelant to what was

292

00:14:10,940 --> 00:14:08,790

going on in the real world you know and

293

00:14:13,220 --> 00:14:10,950

it's actually it's really interesting

294

00:14:15,350 --> 00:14:13,230

that well interesting and maybe not the

295

00:14:18,260 --> 00:14:15,360

best word but you know this is this idea

296

00:14:22,700 --> 00:14:18,270

of keeping this secrecy keeping all this

297

00:14:25,640 --> 00:14:22,710

under wraps my love of my life and I we

298

00:14:27,980 --> 00:14:25,650

actually went to new four with a little

299

00:14:31,910 --> 00:14:27,990

help of Peter Davenport and we

300

00:14:34,640 --> 00:14:31,920

calculated that approximately since 1561

301

00:14:37,190 --> 00:14:34,650

up until now there's been ninety seven

302

00:14:40,490 --> 00:14:37,200

thousand UFOs reported in the US and

303

00:14:42,920 --> 00:14:40,500

just the US and Canada so it's a wonder

304

00:14:44,450 --> 00:14:42,930

that that people think that they can

305

00:14:47,570 --> 00:14:44,460

really keep this a secret

306

00:14:51,110 --> 00:14:47,580

do you know hey it's a wonder that

307

00:14:53,210 --> 00:14:51,120

they're trying so hard so Jim I guess my

308

00:14:56,060 --> 00:14:53,220

leading question is why why are they

309

00:14:58,670 --> 00:14:56,070

trying so hard well first off they can't

310

00:15:00,950 --> 00:14:58,680

keep it a secret and and you can go back

311

00:15:02,960 --> 00:15:00,960

to you can take 9/11 you can go back to

312

00:15:04,580 --> 00:15:02,970

the Kennedy assassination they can't

313

00:15:06,950 --> 00:15:04,590

keep it's not like there's a lack of

314

00:15:09,350 --> 00:15:06,960

information okay and which is usually

315

00:15:11,540 --> 00:15:09,360

what we think of as a cover-up is when

316

00:15:13,520 --> 00:15:11,550

you can't get to the information but and

317

00:15:15,980 --> 00:15:13,530

those instances isn't many others and

318

00:15:17,930 --> 00:15:15,990

UFOs the same way it's not a question of

319

00:15:21,590 --> 00:15:17,940

no information it's a question of

320

00:15:23,629 --> 00:15:21,600

obfuscation okay if they can muddy the

321

00:15:26,870 --> 00:15:23,639

if they can just keep everybody confused

322

00:15:28,340 --> 00:15:26,880

then that's the cover-up okay because if

323

00:15:31,009 --> 00:15:28,350

everybody's confused then you have

324

00:15:33,079 --> 00:15:31,019

controversy you have controversy then

325

00:15:35,840 --> 00:15:33,089

everybody squabbles with everybody else

326

00:15:37,790 --> 00:15:35,850

and nothing gets done about it well then

327

00:15:39,499 --> 00:15:37,800

that's what they've done with UFOs I

328

00:15:43,090 --> 00:15:39,509

mean all the way back in fifties if you

329

00:15:45,740 --> 00:15:43,100

actually check the the information and

330

00:15:47,569 --> 00:15:45,750

went back and studied the history and

331

00:15:50,030 --> 00:15:47,579

everything else you quickly came to the

332

00:15:51,499 --> 00:15:50,040

understanding the efo for real but you

333

00:15:53,749 --> 00:15:51,509

couldn't tell the general public that

334

00:15:57,170 --> 00:15:53,759

because every time they listened to the

335

00:15:59,509 --> 00:15:57,180

TV or the radio the announcement snicker

336

00:16:01,999 --> 00:15:59,519

snicker snicker and they got the idea

337

00:16:04,850 --> 00:16:02,009

that it was just not a legitimate topic

338

00:16:07,009 --> 00:16:04,860

of conversation in fact Allen I can

339

00:16:10,850 --> 00:16:07,019

remember when one of the primary

340

00:16:13,550 --> 00:16:10,860

arguments against the reality of UFOs

341

00:16:15,019 --> 00:16:13,560

was that there were no such things and

342

00:16:17,509 --> 00:16:15,029

there was nothing like that in the sky

343

00:16:20,600 --> 00:16:17,519

they were simply hallucinations or

344

00:16:23,720 --> 00:16:20,610

perhaps some kind of mass psychosis and

345

00:16:27,670 --> 00:16:23,730

of course even as a young journalist I

346

00:16:31,040 --> 00:16:27,680

thought wow a heretofore unknown

347

00:16:34,910 --> 00:16:31,050

undiagnosed contagious mass psychosis

348

00:16:37,430 --> 00:16:34,920

what a story yeah but obviously you

349

00:16:40,490 --> 00:16:37,440

don't hear that anymore because with the

350

00:16:43,819 --> 00:16:40,500

advent of the camcorder and the the cell

351

00:16:46,340 --> 00:16:43,829

phone camera you can't take a picture of

352

00:16:48,500 --> 00:16:46,350

a psychosis or I'll lose the nation so

353

00:16:50,660 --> 00:16:48,510

that arguments over with they're real

354

00:16:53,449 --> 00:16:50,670

they're here and so we need to start

355

00:16:56,870 --> 00:16:53,459

thinking with that fact alone and like

356

00:16:59,449 --> 00:16:56,880

okay who are they were they from as you

357

00:17:02,240 --> 00:16:59,459

I'm sure well-known and most epic people

358

00:17:04,819 --> 00:17:02,250

know the UFO issue is nothing new it

359

00:17:07,730 --> 00:17:04,829

didn't start in 1947 it didn't even

360

00:17:10,250 --> 00:17:07,740

start in 1897 with the Aurora spaceship

361

00:17:14,419 --> 00:17:10,260

crash or the great airship mystery of

362

00:17:17,090 --> 00:17:14,429

1896 it goes all the way back to the

363

00:17:19,640 --> 00:17:17,100

earliest writings the Vedas of the

364

00:17:22,159 --> 00:17:19,650

Hindus that talk about those by omens

365

00:17:25,360 --> 00:17:22,169

the flying machines it could destroy a

366

00:17:29,750 --> 00:17:25,370

city with a single blast you've got the

367

00:17:31,970 --> 00:17:29,760

the Sumerians of ancient Sumer which

368

00:17:32,900 --> 00:17:31,980

predates the Egyptians predates the

369

00:17:34,340 --> 00:17:32,910

Bible by

370

00:17:36,710 --> 00:17:34,350

thousands of years and they were talking

371

00:17:38,420 --> 00:17:36,720

about people that were flying around in

372

00:17:40,700 --> 00:17:38,430

the sky and that came and landed and

373

00:17:42,470 --> 00:17:40,710

taught on thing and then you even go to

374

00:17:45,260 --> 00:17:42,480

the Bible of the Old Testament you got a

375

00:17:47,090 --> 00:17:45,270

Zico you know who says the fiery wheel

376

00:17:48,830 --> 00:17:47,100

came and it lifted him up and it took

377

00:17:51,380 --> 00:17:48,840

him somewhere and it let him off in a

378

00:17:53,660 --> 00:17:51,390

city and you know obviously he's talking

379

00:17:55,850 --> 00:17:53,670

about some material thing he didn't say

380

00:17:58,940 --> 00:17:55,860

that you know that I was eating

381

00:18:00,860 --> 00:17:58,950

mushrooms and had a vision he says but

382

00:18:02,930 --> 00:18:00,870

he did call it a vision of God because

383

00:18:05,000 --> 00:18:02,940

he couldn't explain what it was so

384

00:18:08,780 --> 00:18:05,010

anyway this is a phenomena that's been

385

00:18:11,060 --> 00:18:08,790

with us you know from millennia we can

386

00:18:13,850 --> 00:18:11,070

we can circle around back to that and

387

00:18:18,950 --> 00:18:13,860

then get to the why a little later but

388

00:18:22,070 --> 00:18:18,960

um I think let's let's start with Donald

389

00:18:25,790 --> 00:18:22,080

keyhole major Donald keyhole I think

390

00:18:29,620 --> 00:18:25,800

that he's at his opponent story because

391

00:18:33,050 --> 00:18:29,630

what happened to Donald keyhole

392

00:18:35,780 --> 00:18:33,060

parallels the ongoing debunking battle

393

00:18:39,220 --> 00:18:35,790

between you know over the decades the

394

00:18:42,500 --> 00:18:39,230

new and the modern investigators and

395

00:18:45,410 --> 00:18:42,510

believers and can you just take us back

396

00:18:48,080 --> 00:18:45,420

to Donald Kehoe and just and just give

397

00:18:50,150 --> 00:18:48,090

us a little enlightenment on that well

398

00:18:51,890 --> 00:18:50,160

that goes all the way back and you gotta

399

00:18:55,310 --> 00:18:51,900

understand that in the late 40s early

400

00:18:57,740 --> 00:18:55,320

50s when the whole UFO topic began to

401
00:19:00,440 --> 00:18:57,750
reach public consciousness there was

402
00:19:02,600 --> 00:19:00,450
there was actually a greater acceptance

403
00:19:04,550 --> 00:19:02,610
they I think most people kind of went

404
00:19:06,440 --> 00:19:04,560
yeah there's something going on here it

405
00:19:07,940 --> 00:19:06,450
took a real concerted effort on the part

406
00:19:12,100 --> 00:19:07,950
of the federal government the United

407
00:19:17,540 --> 00:19:12,110
States to to slow that down and to to

408
00:19:20,690 --> 00:19:17,550
distract it and derail it in fact are

409
00:19:26,630 --> 00:19:20,700
you aware of what I consider the UFO war

410
00:19:30,800 --> 00:19:26,640
of about 1952 and about the time of the

411
00:19:32,750 --> 00:19:30,810
Washington DC flyover if a military put

412
00:19:35,540 --> 00:19:32,760
out orders and said you know if you see

413
00:19:39,050 --> 00:19:35,550

a UFO fire on it well they did or they

414

00:19:41,240 --> 00:19:39,060

tried to and what happened over the

415

00:19:46,120 --> 00:19:41,250

space of several months almost a year

416

00:19:48,700 --> 00:19:46,130

there was a rash of airline crash

417

00:19:50,799 --> 00:19:48,710

and it was almost and of course nobody

418

00:19:53,799 --> 00:19:50,809

was they weren't putting it in this

419

00:19:55,539 --> 00:19:53,809

context but to me it's when the military

420

00:19:57,010 --> 00:19:55,549

was trying to shoot down UFOs they began

421

00:19:59,350 --> 00:19:57,020

to shoot back and they begin to shoot

422

00:20:01,780 --> 00:19:59,360

airliners and these things were crashing

423

00:20:04,000 --> 00:20:01,790

all over the place and then apparently

424

00:20:05,830 --> 00:20:04,010

cooler heads prevailed and all of a

425

00:20:10,360 --> 00:20:05,840

sudden the military sent out the orders

426

00:20:13,000 --> 00:20:10,370

okay do not shoot UFOs said just simply

427

00:20:16,750 --> 00:20:13,010

report them and at that point these this

428

00:20:19,150 --> 00:20:16,760

rash of airline crashes stopped and so I

429

00:20:22,930 --> 00:20:19,160

myself figure that's that was the

430

00:20:25,200 --> 00:20:22,940

beginning of a covert UFO war and Kehoe

431

00:20:27,390 --> 00:20:25,210

and the members of these early

432

00:20:29,650 --> 00:20:27,400

organizations that were look into that

433

00:20:31,570 --> 00:20:29,660

we're getting real serious about this

434

00:20:34,680 --> 00:20:31,580

but unfortunately of course at the same

435

00:20:38,200 --> 00:20:34,690

time the government was taking steps to

436

00:20:41,590 --> 00:20:38,210

to institute a policy of denial and

437

00:20:43,630 --> 00:20:41,600

ridicule which has been until recently

438

00:20:47,830 --> 00:20:43,640

was quite effective and keeping people

439

00:20:50,380 --> 00:20:47,840

quiet about UFOs the basic idea was is

440

00:20:53,169 --> 00:20:50,390

that there's nothing there okay and if

441

00:20:55,299 --> 00:20:53,179

you persist and saying that there is

442

00:20:59,289 --> 00:20:55,309

something there then you know you

443

00:21:01,240 --> 00:20:59,299

probably need psychiatric help and even

444

00:21:03,549 --> 00:21:01,250

to this very day I run across people who

445

00:21:05,500 --> 00:21:03,559

tell me incredible stories when I say

446

00:21:07,539 --> 00:21:05,510

why didn't you have you told make that

447

00:21:09,789 --> 00:21:07,549

public er you told anybody about that

448

00:21:13,330 --> 00:21:09,799

they go no no no I didn't want ridicule

449

00:21:15,789 --> 00:21:13,340

so the the government laid that down as

450

00:21:18,010 --> 00:21:15,799

an official policy and it was quite

451
00:21:20,169 --> 00:21:18,020
effective right up until just within the

452
00:21:22,419 --> 00:21:20,179
past I don't know five or ten years I

453
00:21:26,350 --> 00:21:22,429
suppose right but before that I mean

454
00:21:28,870 --> 00:21:26,360
there was actually a period where there

455
00:21:31,900 --> 00:21:28,880
was no silence policy people apply about

456
00:21:35,049 --> 00:21:31,910
it openly that's very cool

457
00:21:37,030 --> 00:21:35,059
that's when Kehoe published his book on

458
00:21:39,970 --> 00:21:37,040
the UFO conspiracy and others and

459
00:21:43,600 --> 00:21:39,980
actually was trying to point readers to

460
00:21:44,110 --> 00:21:43,610
be to the actual information that was

461
00:21:47,950 --> 00:21:44,120
available

462
00:21:52,210 --> 00:21:47,960
right right right and then and then and

463
00:21:53,049 --> 00:21:52,220

then there was a people's Curtis Peebles

464

00:21:55,299 --> 00:21:53,059

who

465

00:21:58,779 --> 00:21:55,309

sort of became his arch enemy I think

466

00:22:01,180 --> 00:21:58,789

right he came along he came along a

467

00:22:04,119 --> 00:22:01,190

little bit later I think and he took

468

00:22:06,700 --> 00:22:04,129

people stood upon himself to to be the

469

00:22:09,279 --> 00:22:06,710

head debunker and no matter what it was

470

00:22:11,769 --> 00:22:09,289

that he always had some excuse for you

471

00:22:13,960 --> 00:22:11,779

know what it was going to be in fact I

472

00:22:16,570 --> 00:22:13,970

addressed that somewhat yeah I know when

473

00:22:19,830 --> 00:22:16,580

I wrote alien agenda I took some of

474

00:22:22,720 --> 00:22:19,840

people's most blatant examples of

475

00:22:25,749 --> 00:22:22,730

nothing their folks and and pretty well

476

00:22:28,210 --> 00:22:25,759

turned it on him because he obviously I

477

00:22:31,359 --> 00:22:28,220

had an agenda and his agenda was to

478

00:22:34,690 --> 00:22:31,369

debunk UFOs the same way with Edward

479

00:22:37,509 --> 00:22:34,700

Condon who was in charge of the common

480

00:22:41,200 --> 00:22:37,519

report there at the University of

481

00:22:43,629 --> 00:22:41,210

Colorado and he supposedly was doing

482

00:22:45,789 --> 00:22:43,639

this great steady on UFOs and yet I've

483

00:22:48,070 --> 00:22:45,799

talked to people who worked with him and

484

00:22:52,749 --> 00:22:48,080

they said he made no bones about it he

485

00:22:56,769 --> 00:22:52,759

said my job is to debunk UFOs the report

486

00:22:59,470 --> 00:22:56,779

was around what's 1970 72 1669 I believe

487

00:23:02,440 --> 00:22:59,480

yeah six nights it was a year-long study

488

00:23:03,970 --> 00:23:02,450

or was a little longer than that got a

489

00:23:08,700 --> 00:23:03,980

little bit longer than that but it never

490

00:23:12,460 --> 00:23:08,710

was a steady it was just but that was

491

00:23:15,180 --> 00:23:12,470

even then his own report it was was

492

00:23:18,100 --> 00:23:15,190

trying to debunk UFOs nevertheless

493

00:23:20,409 --> 00:23:18,110

admitted that there were several dozen

494

00:23:21,999 --> 00:23:20,419

cases that they could not truly explain

495

00:23:24,970 --> 00:23:22,009

and that's really saying something

496

00:23:27,820 --> 00:23:24,980

because they went to great lengths to

497

00:23:30,190 --> 00:23:27,830

debunk almost any sighting huh for

498

00:23:32,560 --> 00:23:30,200

example if they said they had the

499

00:23:34,690 --> 00:23:32,570

experience saw this UFO and they say you

500

00:23:36,399 --> 00:23:34,700

know what direction was him well it was

501
00:23:38,820 --> 00:23:36,409
in the West they go oh well then that

502
00:23:42,609 --> 00:23:38,830
was Venus you know and they would just

503
00:23:44,529 --> 00:23:42,619
go for the simplest quickest answer

504
00:23:47,950 --> 00:23:44,539
rather than get serious about

505
00:23:50,649 --> 00:23:47,960
investigating UFOs well yeah the before

506
00:23:54,009 --> 00:23:50,659
all that fear-mongering happened there

507
00:23:56,980 --> 00:23:54,019
was the US meteorologist dr. James E

508
00:23:59,710 --> 00:23:56,990
McDonald who told a congressional

509
00:24:01,299 --> 00:23:59,720
committee quote I must stress that much

510
00:24:04,299 --> 00:24:01,309
checking on my part has convinced me

511
00:24:06,820 --> 00:24:04,309
that Kehoe's repertory all accuracy was

512
00:24:07,030 --> 00:24:06,830
uniformly high as rural island did rely

513
00:24:08,710 --> 00:24:07,040

of

514

00:24:10,930 --> 00:24:08,720

ability must be recognized as impressive

515

00:24:14,440 --> 00:24:10,940

there's nowhere to get a meteorologist

516

00:24:16,270 --> 00:24:14,450

to say that today no they won't even

517

00:24:18,640 --> 00:24:16,280

admit that chemtrails are up there and

518

00:24:21,430 --> 00:24:18,650

yet all you have to do is look see the

519

00:24:23,860 --> 00:24:21,440

difference between a con condensation

520

00:24:25,690 --> 00:24:23,870

trail which evaporates fairly quickly

521

00:24:29,020 --> 00:24:25,700

and then on chem trail which goes from

522

00:24:32,230 --> 00:24:29,030

Ryan's horizon does not dissipate yeah I

523

00:24:34,450 --> 00:24:32,240

interviewed J Allen Hynek one time and

524

00:24:36,220 --> 00:24:34,460

there's another good case he starts off

525

00:24:40,540 --> 00:24:36,230

working for the government and he

526

00:24:44,500 --> 00:24:40,550

basically tried to debunk UFOs there was

527

00:24:49,090 --> 00:24:44,510

a thing up in Illinois I guess or no

528

00:24:51,700 --> 00:24:49,100

Michigan Michigan and that was cited at

529

00:24:54,070 --> 00:24:51,710

some girls college in the administrators

530

00:24:56,500 --> 00:24:54,080

and teachers and the students and they

531

00:24:58,930 --> 00:24:56,510

all saw this thing and they were all

532

00:24:59,230 --> 00:24:58,940

telling very spectacular stories about

533

00:25:02,080 --> 00:24:59,240

it

534

00:25:04,570 --> 00:25:02,090

so Hynek goes up there and he's the one

535

00:25:06,400 --> 00:25:04,580

who made the famous press conference and

536

00:25:10,780 --> 00:25:06,410

said that what they had seen was swamp

537

00:25:14,290 --> 00:25:10,790

gas and they're so incensed their

538

00:25:16,780 --> 00:25:14,300

Congressman Jarrell our forward that

539

00:25:19,170 --> 00:25:16,790

Ford got up and said he was going to

540

00:25:23,500 --> 00:25:19,180

launch a congressional investigation

541

00:25:25,720 --> 00:25:23,510

into UFOs but apparently somebody got to

542

00:25:28,420 --> 00:25:25,730

him because he never did follow through

543

00:25:31,420 --> 00:25:28,430

on that and but he was well rewarded

544

00:25:34,330 --> 00:25:31,430

because he became our only unelected

545

00:25:36,400 --> 00:25:34,340

president sure well in Hynek I mean that

546

00:25:37,840 --> 00:25:36,410

the the whole swamp gas thing you know I

547

00:25:41,410 --> 00:25:37,850

obviously haunted him for a long time

548

00:25:43,480 --> 00:25:41,420

but he actually didn't say it wasn't in

549

00:25:45,010 --> 00:25:43,490

the report that that was the cause it

550

00:25:46,840 --> 00:25:45,020

was a part of a list of possibilities

551
00:25:50,230 --> 00:25:46,850
and they just picked that one out right

552
00:25:53,830 --> 00:25:50,240
and then and right well the people who

553
00:25:56,530 --> 00:25:53,840
had had the experience I knew excuse me

554
00:26:00,220 --> 00:25:56,540
they knew it wasn't swamp gas

555
00:26:03,070 --> 00:26:00,230
and you're right I think Hynek came to

556
00:26:04,960 --> 00:26:03,080
regret his role and trying to debunk

557
00:26:07,420 --> 00:26:04,970
UFOs because I know by the time I

558
00:26:11,040 --> 00:26:07,430
interviewed you he had already he was

559
00:26:14,640 --> 00:26:11,050
already writing a probe UFO books and

560
00:26:19,700 --> 00:26:14,650
getting that the government had been

561
00:26:24,060 --> 00:26:19,710
skewing the evidence no against so then

562
00:26:25,410 --> 00:26:24,070
okay so we've got Kehoe so I hey I think

563
00:26:27,990 --> 00:26:25,420

that should tell us something right

564

00:26:29,910 --> 00:26:28,000

there the J Allen Hynek a very

565

00:26:32,930 --> 00:26:29,920

respectable scientist who is hired by

566

00:26:35,700 --> 00:26:32,940

the government basically to debunk UFOs

567

00:26:36,960 --> 00:26:35,710

eventually comes around to saying that's

568

00:26:38,460 --> 00:26:36,970

what they're trying to do and it's not

569

00:26:39,660 --> 00:26:38,470

right because there's something very

570

00:26:41,430 --> 00:26:39,670

real going-over

571

00:26:43,440 --> 00:26:41,440

right well the trigger for that - for

572

00:26:48,180 --> 00:26:43,450

him was the Condon report I think I

573

00:26:49,770 --> 00:26:48,190

think that that once he saw the reality

574

00:26:54,540 --> 00:26:49,780

of what was what was going on and the

575

00:26:56,610 --> 00:26:54,550

the misuse of and information where they

576

00:26:58,170 --> 00:26:56,620

were actually holding back some of the

577

00:27:00,330 --> 00:26:58,180

better reports I think the Project Blue

578

00:27:02,670 --> 00:27:00,340

Book was doing a similar thing they held

579

00:27:04,860 --> 00:27:02,680

back the better reports and only

580

00:27:06,980 --> 00:27:04,870

reported on the ones that were you know

581

00:27:09,960 --> 00:27:06,990

more easily they could explain yeah

582

00:27:12,480 --> 00:27:09,970

exactly that's that's that's what I'm

583

00:27:14,790 --> 00:27:12,490

saying it was not an investigation it

584

00:27:19,260 --> 00:27:14,800

was just a government pronouncement and

585

00:27:21,210 --> 00:27:19,270

erroneous one at that yeah okay so so

586

00:27:23,430 --> 00:27:21,220

you have that this you know earlier

587

00:27:26,250 --> 00:27:23,440

generation let's say you know early

588

00:27:28,800 --> 00:27:26,260

nineteen hundreds up until the beginning

589

00:27:30,360 --> 00:27:28,810

of the 50s where there was an open

590

00:27:33,090 --> 00:27:30,370

dialogue I mean the the public

591

00:27:34,830 --> 00:27:33,100

newspapers were reporting on this and it

592

00:27:36,110 --> 00:27:34,840

wasn't it wasn't necessarily taboo even

593

00:27:39,420 --> 00:27:36,120

the military

594

00:27:41,550 --> 00:27:39,430

it wasn't taboo yet and then so that

595

00:27:47,460 --> 00:27:41,560

that transition where it was shoot them

596

00:27:50,310 --> 00:27:47,470

down - they don't exist what what why

597

00:27:52,470 --> 00:27:50,320

would they do that why what's the reason

598

00:27:55,800 --> 00:27:52,480

for them to say okay we need to make

599

00:28:01,530 --> 00:27:55,810

this hush-hush well I think it's pretty

600

00:28:04,080 --> 00:28:01,540

simple it's because what is the purpose

601
00:28:05,820 --> 00:28:04,090
of government okay are they relevant and

602
00:28:07,860 --> 00:28:05,830
do we really want government there so

603
00:28:10,860 --> 00:28:07,870
they can keep taxing us more and more

604
00:28:13,020 --> 00:28:10,870
so then keep curtailing our liberties so

605
00:28:16,350 --> 00:28:13,030
they can keep you know lording over us

606
00:28:19,410 --> 00:28:16,360
no no the basic excuse for government is

607
00:28:21,870 --> 00:28:19,420
for the common defense okay the

608
00:28:24,120 --> 00:28:21,880
government will defend you well if they

609
00:28:25,530 --> 00:28:24,130
admit these things are flying around and

610
00:28:28,170 --> 00:28:25,540
particularly that they're flying over

611
00:28:30,940 --> 00:28:28,180
our military installations and in fact

612
00:28:33,220 --> 00:28:30,950
back a 60s and early 70s they repair

613
00:28:36,669 --> 00:28:33,230

were messing with our nuclear launch

614

00:28:38,919 --> 00:28:36,679

codes well then you know that's that's

615

00:28:40,600 --> 00:28:38,929

hostile and yet there's nothing we can

616

00:28:42,310 --> 00:28:40,610

do about it well if there's nothing we

617

00:28:44,560 --> 00:28:42,320

can do about it and these things can fly

618

00:28:46,990 --> 00:28:44,570

through our airspace airspace unhindered

619

00:28:48,940 --> 00:28:47,000

then why do we need the military why do

620

00:28:53,799 --> 00:28:48,950

we need to keep paying more taxes to the

621

00:28:57,039 --> 00:28:53,809

government they can't not admit that

622

00:28:59,710 --> 00:28:57,049

yeah so you have to understand that up

623

00:29:01,720 --> 00:28:59,720

until fairly recently the intelligence

624

00:29:04,360 --> 00:29:01,730

agencies and the military have been on

625

00:29:07,180 --> 00:29:04,370

the control of people with a world war

626

00:29:09,190 --> 00:29:07,190

two mindset you know the enemies are out

627

00:29:11,200 --> 00:29:09,200

there we got a protected country and

628

00:29:13,330 --> 00:29:11,210

it's up to the military and the

629

00:29:15,639 --> 00:29:13,340

intelligence agencies to do whatever

630

00:29:17,620 --> 00:29:15,649

they can to protect the country and I'm

631

00:29:21,519 --> 00:29:17,630

reminding you of an interview I had with

632

00:29:24,399 --> 00:29:21,529

Colonel Corso who wrote the book today

633

00:29:26,950 --> 00:29:24,409

after Roswell and kind of broke the

634

00:29:29,019 --> 00:29:26,960

story on how that we've gotten alien

635

00:29:31,389 --> 00:29:29,029

technology and had fitted into our

636

00:29:33,310 --> 00:29:31,399

military industrial complex but when I

637

00:29:36,370 --> 00:29:33,320

was talking to Colonel core so I said

638

00:29:39,190 --> 00:29:36,380

well Colonel I said I said you know the

639

00:29:42,340 --> 00:29:39,200

tone of your book is that these UFOs are

640

00:29:45,850 --> 00:29:42,350

hostile you know and that we need to be

641

00:29:48,279 --> 00:29:45,860

worried if not amendable to them I said

642

00:29:51,340 --> 00:29:48,289

why do you think they want to consider

643

00:29:53,409 --> 00:29:51,350

them enemies or hostile he says well

644

00:29:55,269 --> 00:29:53,419

they would fly over our military

645

00:29:59,710 --> 00:29:55,279

installations we'd order him stop and

646

00:30:01,870 --> 00:29:59,720

they wouldn't stop you know laughs I

647

00:30:03,810 --> 00:30:01,880

laugh but you know he said that all

648

00:30:06,820 --> 00:30:03,820

seriousness that was yeah yeah that's

649

00:30:08,710 --> 00:30:06,830

world war ii military industrial

650

00:30:11,620 --> 00:30:08,720

thinking you know if you don't stop and

651

00:30:13,210 --> 00:30:11,630

you're in your you're wrong and yet I

652

00:30:15,789 --> 00:30:13,220

can't help think I don't know about you

653

00:30:19,210 --> 00:30:15,799

Alan but I'm thinking back in the 60s

654

00:30:21,310 --> 00:30:19,220

70s when there are documented instances

655

00:30:23,950 --> 00:30:21,320

of UFOs coming over some of our nikkor

656

00:30:26,139 --> 00:30:23,960

facilities and and apparently messing

657

00:30:28,779 --> 00:30:26,149

with the launch codes for those nuclear

658

00:30:31,299 --> 00:30:28,789

ICBM missiles I'm thinking you know

659

00:30:35,710 --> 00:30:31,309

perhaps there's they were saving us from

660

00:30:37,120 --> 00:30:35,720

blowing ourselves up yeah yeah and I

661

00:30:39,369 --> 00:30:37,130

understand that point of view but I I

662

00:30:42,730 --> 00:30:39,379

also wonder you know if we can draw a

663

00:30:44,380 --> 00:30:42,740

parallel to the the Cold War it was the

664

00:30:47,110 --> 00:30:44,390

fact that we knew

665

00:30:49,200 --> 00:30:47,120

the Russians had advanced technology was

666

00:30:52,000 --> 00:30:49,210

the fact that we knew that they had

667

00:30:53,860 --> 00:30:52,010

nuclear capabilities that the government

668

00:30:56,770 --> 00:30:53,870

just like nine I know laughter 9/11 the

669

00:30:58,440 --> 00:30:56,780

government used that to get more money

670

00:31:00,910 --> 00:30:58,450

to pump more money into the

671

00:31:02,410 --> 00:31:00,920

military-industrial complex so you would

672

00:31:04,300 --> 00:31:02,420

think that this other threat would be

673

00:31:07,450 --> 00:31:04,310

just one more reason like hey we need to

674

00:31:09,550 --> 00:31:07,460

you know we need to pump more money and

675

00:31:12,460 --> 00:31:09,560

we don't you know you're comparing a

676
00:31:14,740 --> 00:31:12,470
known threat with an unknown threat in

677
00:31:17,650 --> 00:31:14,750
fact I would disagree with you on this

678
00:31:20,440 --> 00:31:17,660
knowledge during the Cold War you know I

679
00:31:22,510 --> 00:31:20,450
did a book called sigh spies this the

680
00:31:25,390 --> 00:31:22,520
true story of America's psychic warfare

681
00:31:27,940 --> 00:31:25,400
program this is where that our military

682
00:31:30,670 --> 00:31:27,950
was experimenting with and then using

683
00:31:33,010 --> 00:31:30,680
operationally the psychic ability known

684
00:31:36,100 --> 00:31:33,020
as remote viewing okay we're there other

685
00:31:37,300 --> 00:31:36,110
Minds out and we'll get to that in a

686
00:31:39,190 --> 00:31:37,310
minute there's an interesting thing

687
00:31:42,400 --> 00:31:39,200
there because they all went out looking

688
00:31:45,250 --> 00:31:42,410

for Russian or Chinese super weapons and

689

00:31:47,710 --> 00:31:45,260

they found UFOs but my point is is that

690

00:31:51,520 --> 00:31:47,720

I think the Cold War actually was built

691

00:31:53,230 --> 00:31:51,530

on secrecy we didn't know for sure what

692

00:31:54,760 --> 00:31:53,240

the Russians had we know they had some

693

00:31:57,190 --> 00:31:54,770

advanced stuff we know they were the

694

00:31:59,050 --> 00:31:57,200

first into space and so we were very

695

00:32:01,090 --> 00:31:59,060

concerned but we didn't know for sure

696

00:32:03,220 --> 00:32:01,100

what they had and they certainly didn't

697

00:32:05,110 --> 00:32:03,230

know for sure what we had and as a

698

00:32:07,690 --> 00:32:05,120

result I personally happen to believe

699

00:32:10,210 --> 00:32:07,700

that the Cold War ended largely because

700

00:32:12,580 --> 00:32:10,220

of this psychic warfare program because

701
00:32:15,010 --> 00:32:12,590
they have documented this proving it up

702
00:32:16,870 --> 00:32:15,020
and used it operationally to spy on each

703
00:32:19,570 --> 00:32:16,880
other what happened was the Russians

704
00:32:23,560 --> 00:32:19,580
also had their remote viewers but they

705
00:32:25,210 --> 00:32:23,570
were called extra censors and they both

706
00:32:27,130 --> 00:32:25,220
sides were looking to see what the other

707
00:32:29,260 --> 00:32:27,140
one had and they all found out the truth

708
00:32:33,100 --> 00:32:29,270
and we found out the Russians didn't

709
00:32:34,420 --> 00:32:33,110
weren't near as militarily advanced as

710
00:32:36,640 --> 00:32:34,430
we thought they were and they certainly

711
00:32:38,560 --> 00:32:36,650
didn't have any depth and then they

712
00:32:40,840 --> 00:32:38,570
found out that we had everything we said

713
00:32:44,110 --> 00:32:40,850

we had plus more plus working on more

714

00:32:45,970 --> 00:32:44,120

stuff and so with the secrecy ended so

715

00:32:49,030 --> 00:32:45,980

did the Cold War you know there's just

716

00:32:52,120 --> 00:32:49,040

never mind go do something else and they

717

00:32:54,940 --> 00:32:52,130

did so perhaps then they could have

718

00:32:56,770 --> 00:32:54,950

thought because like you said you know

719

00:32:57,710 --> 00:32:56,780

we don't know what this is perhaps

720

00:33:00,260 --> 00:32:57,720

they're thinking

721

00:33:01,940 --> 00:33:00,270

was let's keep it a secret because if we

722

00:33:04,420 --> 00:33:01,950

can capture this technology we don't

723

00:33:06,620 --> 00:33:04,430

want anyone to know what we've captured

724

00:33:09,440 --> 00:33:06,630

exactly it's a potential military

725

00:33:11,140 --> 00:33:09,450

weaponry okay and that's been a big part

726

00:33:14,150 --> 00:33:11,150

of it but then I will tell you what my

727

00:33:18,470 --> 00:33:14,160

overlying reason for the secrecy of

728

00:33:20,960 --> 00:33:18,480

UFOs to my mind is because of what I

729

00:33:23,300 --> 00:33:20,970

would call the globalist actually that's

730

00:33:25,400 --> 00:33:23,310

their self-styled globalist they call

731

00:33:26,900 --> 00:33:25,410

themselves globalist and these are

732

00:33:29,720 --> 00:33:26,910

people who are so wealthy that they

733

00:33:33,680 --> 00:33:29,730

consider their business playing field

734

00:33:35,300 --> 00:33:33,690

the entire world okay and they look on

735

00:33:38,240 --> 00:33:35,310

Paul in the United States is simply a

736

00:33:42,080 --> 00:33:38,250

not so profitable branch of their world

737

00:33:43,430 --> 00:33:42,090

holdings and I think they are the ones

738

00:33:44,990 --> 00:33:43,440

because they're the ones who actually

739

00:33:47,060 --> 00:33:45,000

can run the government and learn the

740

00:33:49,100 --> 00:33:47,070

economies they were in the banking

741

00:33:50,840 --> 00:33:49,110

systems and they run Wall Street and

742

00:33:54,050 --> 00:33:50,850

then they were unwashed and they run the

743

00:33:55,610 --> 00:33:54,060

Kremlin and these are the I don't know

744

00:33:58,760 --> 00:33:55,620

some people call them the New World

745

00:34:02,750 --> 00:33:58,770

Order people but the point is is that

746

00:34:04,430 --> 00:34:02,760

they owe their power to their wealth and

747

00:34:06,740 --> 00:34:04,440

they owe their wealth to their

748

00:34:09,430 --> 00:34:06,750

monopolies over energy

749

00:34:12,470 --> 00:34:09,440

telecommunications transportation

750

00:34:15,310 --> 00:34:12,480

pharmaceuticals and I don't think they

751
00:34:17,540 --> 00:34:15,320
truly care if we know that there's

752
00:34:19,640 --> 00:34:17,550
extraterrestrials visiting the earth or

753
00:34:21,260 --> 00:34:19,650
that there's aliens although the world's

754
00:34:23,900 --> 00:34:21,270
out there they don't care about that but

755
00:34:26,900 --> 00:34:23,910
what they care about is that if we know

756
00:34:29,600 --> 00:34:26,910
for certain that there's a spacecraft

757
00:34:32,000 --> 00:34:29,610
able able to travel from other galaxies

758
00:34:34,100 --> 00:34:32,010
or other solar systems and then we're

759
00:34:36,760 --> 00:34:34,110
gonna know for sure that there's

760
00:34:39,470 --> 00:34:36,770
alternative technologies out there and

761
00:34:42,080 --> 00:34:39,480
we're going to not continue to pay

762
00:34:45,860 --> 00:34:42,090
increasing prices for petroleum-based

763
00:34:49,220 --> 00:34:45,870

fuels and for pharmaceuticals etc etc

764

00:34:52,430 --> 00:34:49,230

because we would know that there are

765

00:34:54,200 --> 00:34:52,440

alternatives to their monopolies right

766

00:34:56,210 --> 00:34:54,210

right and if you're just tuning in this

767

00:34:58,490 --> 00:34:56,220

is a epic voyages radio I'm your host

768

00:35:01,820 --> 00:34:58,500

Alan Smith and we are with the great Jim

769

00:35:03,860 --> 00:35:01,830

Marrs tonight Jim going back to one of

770

00:35:05,060 --> 00:35:03,870

your points neutron in the chat room he

771

00:35:08,000 --> 00:35:05,070

wanted to ask a question

772

00:35:09,980 --> 00:35:08,010

he said Jim why did Russia always fail

773

00:35:11,849 --> 00:35:09,990

any attempts to go to the moon in your

774

00:35:14,609 --> 00:35:11,859

opinion

775

00:35:16,140 --> 00:35:14,619

well first off we don't know for sure

776

00:35:18,240 --> 00:35:16,150

that they fail

777

00:35:21,329 --> 00:35:18,250

we simply have not been told that they

778

00:35:23,250 --> 00:35:21,339

succeeded in fact that there is some

779

00:35:26,069 --> 00:35:23,260

evidence that they may have actually

780

00:35:28,380 --> 00:35:26,079

launched some moon probes but maybe they

781

00:35:30,930 --> 00:35:28,390

they didn't they failed and they didn't

782

00:35:33,000 --> 00:35:30,940

quite make it and so they they it was

783

00:35:35,099 --> 00:35:33,010

such a closed society in the Soviet

784

00:35:37,290 --> 00:35:35,109

Union that you know rather than admit

785

00:35:39,210 --> 00:35:37,300

failure then they just won't admit that

786

00:35:42,000 --> 00:35:39,220

anything like that happened but

787

00:35:44,190 --> 00:35:42,010

basically your in your opinion you think

788

00:35:47,970 --> 00:35:44,200

that maybe a proven not necessarily a

789

00:35:50,730 --> 00:35:47,980

man mission has made it there it's it's

790

00:35:52,680 --> 00:35:50,740

possible that so many things are

791

00:35:58,290 --> 00:35:52,690

possible I mean you know there's even

792

00:36:01,170 --> 00:35:58,300

questions about Apollo 11 you know on

793

00:36:04,500 --> 00:36:01,180

the list of which is if that happened if

794

00:36:06,630 --> 00:36:04,510

that in 1969 we landed Armstrong on the

795

00:36:10,230 --> 00:36:06,640

moon you know that was one of the

796

00:36:13,380 --> 00:36:10,240

greatest leaps for mankind in history

797

00:36:14,730 --> 00:36:13,390

and yet NASA said they they lost all the

798

00:36:16,050 --> 00:36:14,740

films for that they don't have that

799

00:36:19,020 --> 00:36:16,060

anymore we didn't think that was that

800

00:36:21,780 --> 00:36:19,030

important what give me a break

801
00:36:25,010 --> 00:36:21,790
so wait a minute what was all this mean

802
00:36:29,250 --> 00:36:25,020
and even now you know apparent I mean

803
00:36:31,020 --> 00:36:29,260
officially we made six trips of men but

804
00:36:33,030 --> 00:36:31,030
I can I'm old enough to remember before

805
00:36:35,190 --> 00:36:33,040
we went to the moon the whole talk was

806
00:36:37,349 --> 00:36:35,200
this is that we were going to colonize

807
00:36:38,940 --> 00:36:37,359
the moon we're gonna set their colony we

808
00:36:41,819 --> 00:36:38,950
were going to mine the minerals on the

809
00:36:44,160 --> 00:36:41,829
moon and they were gonna pay for the

810
00:36:46,050 --> 00:36:44,170
space program and we're gonna use the

811
00:36:49,109 --> 00:36:46,060
moon as a launching point to then go on

812
00:36:51,750 --> 00:36:49,119
to Mars or have colonies on Mars and

813
00:36:53,970 --> 00:36:51,760

being certain all of a sudden is that

814

00:36:56,460 --> 00:36:53,980

never mind about that oh it's just dead

815

00:36:58,589 --> 00:36:56,470

world we don't wanna go there even

816

00:37:00,359 --> 00:36:58,599

though they had it makes sense that the

817

00:37:03,180 --> 00:37:00,369

on the front of it because it's it's a

818

00:37:05,010 --> 00:37:03,190

return of investment yeah well that's it

819

00:37:08,309 --> 00:37:05,020

they would have gotten a return but no

820

00:37:10,349 --> 00:37:08,319

we didn't go back in fact in fact they

821

00:37:11,880 --> 00:37:10,359

said they said well it's just too

822

00:37:13,620 --> 00:37:11,890

expensive so we're not gonna do that

823

00:37:17,250 --> 00:37:13,630

it's and there's nothing there

824

00:37:20,730 --> 00:37:17,260

and supposedly we've never gone back and

825

00:37:22,740 --> 00:37:20,740

yet they had 22 of those Atlas Rockets

826

00:37:24,010 --> 00:37:22,750

that put our guys on the moon they had

827

00:37:26,950 --> 00:37:24,020

them all ready to go

828

00:37:30,040 --> 00:37:26,960

so it's it's kind of it's a situation

829

00:37:32,260 --> 00:37:30,050

kind of like you you build a Rolls Royce

830

00:37:33,880 --> 00:37:32,270

in your garage but then you don't drive

831

00:37:35,970 --> 00:37:33,890

it because you can't afford the gasoline

832

00:37:38,470 --> 00:37:35,980

you know it's it doesn't make sense

833

00:37:40,480 --> 00:37:38,480

frankly I think we were warned off the

834

00:37:42,760 --> 00:37:40,490

moon I think we're quarantined here on

835

00:37:48,359 --> 00:37:42,770

earth until we can get our act together

836

00:37:49,990 --> 00:37:48,369

and and be good members of a galactic

837

00:37:53,290 --> 00:37:50,000

community

838

00:37:56,470 --> 00:37:53,300

yeah well that's that link that I put up

839

00:37:58,810 --> 00:37:56,480

there in the chat room this video from

840

00:38:03,070 --> 00:37:58,820

NASA stock footage from the Apollo 15

841

00:38:04,810 --> 00:38:03,080

it's it's it's crazy it was one of those

842

00:38:08,920 --> 00:38:04,820

fun those videos where it just really

843

00:38:13,300 --> 00:38:08,930

stopped me in my tracks it was so to me

844

00:38:14,920 --> 00:38:13,310

so clear a non-natural object in the

845

00:38:21,880 --> 00:38:14,930

background and it looked almost exactly

846

00:38:23,859 --> 00:38:21,890

like a saucer UFO it was crazy I think

847

00:38:25,990 --> 00:38:23,869

the question is though is that truly an

848

00:38:27,670 --> 00:38:26,000

alien ship or could that be one of our

849

00:38:29,890 --> 00:38:27,680

secret stuff that we're not talking

850

00:38:33,700 --> 00:38:29,900

about I'm sure you've heard the argument

851
00:38:36,820 --> 00:38:33,710
about the the presence of a secret space

852
00:38:39,150 --> 00:38:36,830
fleet you know and there's no question

853
00:38:43,270 --> 00:38:39,160
that we've had billions if not trillions

854
00:38:46,480 --> 00:38:43,280
of dollars you know missing okay in fact

855
00:38:48,370 --> 00:38:46,490
the day before the 9/11 attacks Donald

856
00:38:51,130 --> 00:38:48,380
Rumsfeld announced that the Pentagon

857
00:38:53,620 --> 00:38:51,140
could not account for 2.3 trillion

858
00:38:56,410 --> 00:38:53,630
dollars which was like four or five

859
00:38:58,960 --> 00:38:56,420
times more than what that yearly defense

860
00:39:01,450 --> 00:38:58,970
budget was now that's a whole pot load

861
00:39:06,720 --> 00:39:01,460
of money where does that money go to you

862
00:39:13,540 --> 00:39:10,960
know this there's all this money and all

863
00:39:15,700 --> 00:39:13,550

of this effort and yet at a time when

864

00:39:17,530 --> 00:39:15,710

there's on two point three trade missing

865

00:39:19,840 --> 00:39:17,540

that it was just at one year and there's

866

00:39:22,810 --> 00:39:19,850

been more since then or is it all going

867

00:39:24,609 --> 00:39:22,820

to it's not going to rebuild the

868

00:39:28,720 --> 00:39:24,619

infrastructure of this country because

869

00:39:32,349 --> 00:39:28,730

the American civil engineer Society

870

00:39:35,200 --> 00:39:32,359

gives gives our infrastructure a grade

871

00:39:36,780 --> 00:39:35,210

of D plus you know we did we got

872

00:39:39,240 --> 00:39:36,790

buildings and

873

00:39:40,860 --> 00:39:39,250

bridges and dams and roads that are all

874

00:39:43,020 --> 00:39:40,870

deteriorating and they don't seem to

875

00:39:44,970 --> 00:39:43,030

have the money to fix those but we got

876

00:39:46,740 --> 00:39:44,980

these trillions that go missing and of

877

00:39:50,310 --> 00:39:46,750

course that kind of brings us to the

878

00:39:53,670 --> 00:39:50,320

theory of alternative three which is

879

00:39:57,540 --> 00:39:53,680

that the wealthy elite are preparing to

880

00:40:02,100 --> 00:39:57,550

go offworld if natural disasters or war

881

00:40:03,900 --> 00:40:02,110

starts well the mainstream media in your

882

00:40:07,290 --> 00:40:03,910

memory do they ever get back to that

883

00:40:09,000 --> 00:40:07,300

Ronald rums Donald Rumsfeld statement

884

00:40:09,600 --> 00:40:09,010

about millions of dollars they never got

885

00:40:12,690 --> 00:40:09,610

back all right

886

00:40:16,020 --> 00:40:12,700

no no it's just and kind of drop that in

887

00:40:18,870 --> 00:40:16,030

fact if you want to get your suspicions

888

00:40:20,670 --> 00:40:18,880

aroused the very next day the Pentagon's

889

00:40:22,770 --> 00:40:20,680

hit on the side that they've been

890

00:40:26,280 --> 00:40:22,780

renovating and there was hardly anybody

891

00:40:28,170 --> 00:40:26,290

in there except the Army's Accounting

892

00:40:30,780 --> 00:40:28,180

Office the very people who would be

893

00:40:33,480 --> 00:40:30,790

tasked with finding out what happened to

894

00:40:39,510 --> 00:40:33,490

that 2.3 trillion and all but one of

895

00:40:40,890 --> 00:40:39,520

them got killed in the blast mm-hmm well

896

00:40:44,400 --> 00:40:40,900

actually I got another question from

897

00:40:47,700 --> 00:40:44,410

Neutron he was asking is the rumored

898

00:40:49,530 --> 00:40:47,710

Apollo 19 Monalisa mission true in your

899

00:40:53,310 --> 00:40:49,540

pitch and in your opinion bringing back

900

00:40:55,140 --> 00:40:53,320

a body have you heard of that that I

901
00:40:59,130 --> 00:40:55,150
have no idea whether that's true or not

902
00:41:00,720 --> 00:40:59,140
but in the past I would be tempted to

903
00:41:03,000 --> 00:41:00,730
say no I don't think that probably

904
00:41:04,860 --> 00:41:03,010
happened but I'll tell you what the way

905
00:41:06,780 --> 00:41:04,870
things are going today the secrecy that

906
00:41:08,640 --> 00:41:06,790
they lay on the way the government

907
00:41:11,730 --> 00:41:08,650
sometimes a lot to you when they really

908
00:41:13,530 --> 00:41:11,740
have no reason to do so I don't know I

909
00:41:16,410 --> 00:41:13,540
think all bets are off I'm willing to

910
00:41:21,930 --> 00:41:16,420
listen to anything today yeah I say

911
00:41:25,230 --> 00:41:21,940
listen I didn't say believe it yes yeah

912
00:41:27,000 --> 00:41:25,240
they have a cake everybody just you know

913
00:41:28,560 --> 00:41:27,010

you want to keep an open mind but you

914

00:41:31,050 --> 00:41:28,570

don't want it so open that your brain

915

00:41:33,120 --> 00:41:31,060

falls out well look since around the

916

00:41:36,450 --> 00:41:33,130

moon anyway can you explain to us this

917

00:41:39,330 --> 00:41:36,460

idea of the hollow moon theory or the

918

00:41:40,710 --> 00:41:39,340

spaceship moon theory I know that in

919

00:41:44,490 --> 00:41:40,720

your book you gave some points of

920

00:41:47,550 --> 00:41:44,500

evidence you know like that the 1972

921

00:41:52,380 --> 00:41:49,800

and since aquas to the center of the

922

00:41:54,210 --> 00:41:52,390

moon no waves returned and scientists

923

00:41:57,270 --> 00:41:54,220

were just just baffled by that you know

924

00:41:59,160 --> 00:41:57,280

so oldest I've just yeah NASA scientist

925

00:42:02,010 --> 00:41:59,170

said that when that Lander crashed back

926

00:42:04,890 --> 00:42:02,020

over the moon the moon vibrated and rang

927

00:42:08,730 --> 00:42:04,900

like a bell in their own words for hours

928

00:42:10,350 --> 00:42:08,740

for like six hours or seven hours and of

929

00:42:12,060 --> 00:42:10,360

course that's not the first time that

930

00:42:15,240 --> 00:42:12,070

people came up with the idea that maybe

931

00:42:17,520 --> 00:42:15,250

when the moon's is hollow Carl Sagan

932

00:42:19,830 --> 00:42:17,530

early in his career along with some

933

00:42:22,230 --> 00:42:19,840

Russian scientists were studying Phobos

934

00:42:25,290 --> 00:42:22,240

to the moon of one of the moons of Mars

935

00:42:28,910 --> 00:42:25,300

and they swarmed down it had the

936

00:42:33,600 --> 00:42:28,920

characteristics of a natural satellite

937

00:42:35,610 --> 00:42:33,610

and then it might be Hollow what's

938

00:42:39,090 --> 00:42:35,620

interesting is is at one point I was

939

00:42:41,910 --> 00:42:39,100

talking with dr. Edgar Mitchell the

940

00:42:43,470 --> 00:42:41,920

sixth man to walk on the moon and I

941

00:42:44,820 --> 00:42:43,480

asked him I said you know what do you

942

00:42:47,400 --> 00:42:44,830

think but this idea that the moon's

943

00:42:49,740 --> 00:42:47,410

Hollow and he kind of laughed he said oh

944

00:42:52,230 --> 00:42:49,750

no no the moon's not Hollow but then he

945

00:42:54,900 --> 00:42:52,240

had to go on he said well of course we

946

00:42:57,900 --> 00:42:54,910

do know that the denser materials are on

947

00:43:00,300 --> 00:42:57,910

the outside and that it's lighter on the

948

00:43:02,310 --> 00:43:00,310

inside in fact he said scientists are

949

00:43:05,790 --> 00:43:02,320

thinking that perhaps there are these

950

00:43:07,970 --> 00:43:05,800

giant caverns inside the moon

951
00:43:10,380 --> 00:43:07,980
well of course here's here's one of our

952
00:43:12,390 --> 00:43:10,390
astronauts I didn't want to I didn't

953
00:43:15,000 --> 00:43:12,400
want to get his face but I'm thinking to

954
00:43:16,590 --> 00:43:15,010
myself wait a minute our Moon giant

955
00:43:20,460 --> 00:43:16,600
caverns in the moon what's the

956
00:43:22,350 --> 00:43:20,470
difference right well there's also as

957
00:43:25,110 --> 00:43:22,360
you know in the book alien agenda and

958
00:43:27,480 --> 00:43:25,120
again if anybody listening wants to dig

959
00:43:32,040 --> 00:43:27,490
more into this please go out and get

960
00:43:35,070 --> 00:43:32,050
alien agenda you can go to Jim Marrs com

961
00:43:36,150 --> 00:43:35,080
this book is just it's dense it is so

962
00:43:39,870 --> 00:43:36,160
dense it's packed with so much

963
00:43:41,490 --> 00:43:39,880

information I love it you don't have to

964

00:43:44,010 --> 00:43:41,500

read it straight through you just read a

965

00:43:45,060 --> 00:43:44,020

little bit of the time well in it you

966

00:43:47,030 --> 00:43:45,070

know it's a good book to keep on your

967

00:43:49,860 --> 00:43:47,040

shelf you know it's a little

968

00:43:59,010 --> 00:43:49,870

encyclopedia keep it in the bathroom

969

00:44:00,510 --> 00:43:59,020

read a little bit everybody so I want to

970

00:44:05,250 --> 00:44:00,520

get to the

971

00:44:07,830 --> 00:44:05,260

to this idea of a moon not being there

972

00:44:09,780 --> 00:44:07,840

that there was a time when there wasn't

973

00:44:12,510 --> 00:44:09,790

a moon which actually might support this

974

00:44:16,050 --> 00:44:12,520

whole spaceship moon moon base satellite

975

00:44:18,720 --> 00:44:16,060

theory well let me tell you Alan I think

976

00:44:21,960 --> 00:44:18,730

the biggest argument for the moon is

977

00:44:25,530 --> 00:44:21,970

that it should not be where it is even

978

00:44:27,810 --> 00:44:25,540

Isaac Asimov who in addition to being a

979

00:44:30,090 --> 00:44:27,820

great science fiction writer also was a

980

00:44:33,110 --> 00:44:30,100

great scientist and he said the moon

981

00:44:35,490 --> 00:44:33,120

should not be where it is but it is so

982

00:44:37,050 --> 00:44:35,500

here's the thing when I was a kid in

983

00:44:38,820 --> 00:44:37,060

school and we were kind of taught that

984

00:44:41,190 --> 00:44:38,830

the moon had broken away from the earth

985

00:44:43,140 --> 00:44:41,200

but now since we've been to the moon we

986

00:44:45,660 --> 00:44:43,150

know that the composition of moon rocks

987

00:44:48,150 --> 00:44:45,670

is not the same as on the earth in fact

988

00:44:50,040 --> 00:44:48,160

they have found rocks on the moon that

989

00:44:51,960 --> 00:44:50,050

go back more than ten billion years

990

00:44:55,650 --> 00:44:51,970

which makes them older than the earth

991

00:44:59,010 --> 00:44:55,660

which is only about eight years old and

992

00:45:02,100 --> 00:44:59,020

so picture this so obviously the moon

993

00:45:04,290 --> 00:45:02,110

then came from somewhere else and so it

994

00:45:06,780 --> 00:45:04,300

comes out of space and it passes by the

995

00:45:08,820 --> 00:45:06,790

earth and the gravitational field of the

996

00:45:11,130 --> 00:45:08,830

earth pulls it back and then it goes

997

00:45:13,950 --> 00:45:11,140

past again gets caught the field comes

998

00:45:16,680 --> 00:45:13,960

back so over time it eventually goes

999

00:45:20,010 --> 00:45:16,690

into orbit around the Earth well it

1000

00:45:23,570 --> 00:45:20,020

should it be in a wobbly oblong orbit

1001

00:45:26,970 --> 00:45:23,580

see but it's not it's in a near-perfect

1002

00:45:30,870 --> 00:45:26,980

circular orbit that circles the equator

1003

00:45:33,720 --> 00:45:30,880

of the earth in a stationary Orion orbit

1004

00:45:35,970 --> 00:45:33,730

one side always facing the earth how is

1005

00:45:39,300 --> 00:45:35,980

that possible naturally and the answer

1006

00:45:43,290 --> 00:45:39,310

is it's not okay which means that some

1007

00:45:45,930 --> 00:45:43,300

intelligence guided and parked the moon

1008

00:45:48,930 --> 00:45:45,940

where it is and not only is in a

1009

00:45:50,880 --> 00:45:48,940

near-perfect circular orbit stationary

1010

00:45:53,880 --> 00:45:50,890

around the equator of the earth but it's

1011

00:45:57,360 --> 00:45:53,890

at just the proper distance so when it

1012

00:46:00,060 --> 00:45:57,370

eclipses the Sun it neatly covers the

1013

00:46:03,000 --> 00:46:00,070

corona of the Sun you know that now

1014

00:46:04,680 --> 00:46:03,010

that's a very specific distance and how

1015

00:46:07,320 --> 00:46:04,690

does something naturally get that way

1016

00:46:09,870 --> 00:46:07,330

well it really can't with this kind of I

1017

00:46:12,099 --> 00:46:09,880

guess gives a clue as to how our

1018

00:46:14,380 --> 00:46:12,109

thinking goes because

1019

00:46:16,599 --> 00:46:14,390

we know that the moon has been there as

1020

00:46:19,479 --> 00:46:16,609

far back as recorded history for the

1021

00:46:21,640 --> 00:46:19,489

most part and so we know that in the

1022

00:46:23,739 --> 00:46:21,650

past we didn't have space flash so we

1023

00:46:25,359 --> 00:46:23,749

couldn't have parked it there but we

1024

00:46:26,199 --> 00:46:25,369

also know there's no such thing as

1025

00:46:29,289 --> 00:46:26,209

aliens

1026

00:46:33,519 --> 00:46:29,299

so therefore well let's just don't talk

1027

00:46:34,929 --> 00:46:33,529

about that yeah and it's been some time

1028

00:46:37,419 --> 00:46:34,939

since you actually wrote the book I'm

1029

00:46:39,910 --> 00:46:37,429

wondering has any um as the

1030

00:46:42,609 --> 00:46:39,920

mathematician anywhere out there done

1031

00:46:45,549 --> 00:46:42,619

the actual statistical data find out

1032

00:46:47,859 --> 00:46:45,559

what what the odds are that these all

1033

00:46:52,359 --> 00:46:47,869

these things would coalesce on this one

1034

00:46:54,729 --> 00:46:52,369

satellite has anyone I don't think so I

1035

00:46:57,549 --> 00:46:54,739

think the idea is it's like so many of

1036

00:46:59,439 --> 00:46:57,559

these anomalies on the earth you know

1037

00:47:05,349 --> 00:46:59,449

and of course I love that word anomalies

1038

00:47:07,839 --> 00:47:05,359

that's a scientific jargon for WTF no I

1039

00:47:10,209 --> 00:47:07,849

don't know so we won't talk about it

1040

00:47:12,549 --> 00:47:10,219

okay so no as far as I know they haven't

1041

00:47:15,069 --> 00:47:12,559

done that but I do know that the most

1042

00:47:17,469 --> 00:47:15,079

current thinking on the moon and this is

1043

00:47:19,509 --> 00:47:17,479

really real interesting to me is what

1044

00:47:24,429 --> 00:47:19,519

they are they're calling the big whack

1045

00:47:26,620 --> 00:47:24,439

which is that somebody came in our solar

1046

00:47:29,769 --> 00:47:26,630

system and collided with another body

1047

00:47:32,650 --> 00:47:29,779

possibly a moon or or whatever and it

1048

00:47:34,959 --> 00:47:32,660

broke apart and then it caliste and when

1049

00:47:37,539 --> 00:47:34,969

an armored around the earth and that's

1050

00:47:39,519 --> 00:47:37,549

where the moon came from and the reason

1051

00:47:42,999 --> 00:47:39,529

I find that very fascinating is because

1052

00:47:45,249 --> 00:47:43,009

the ancient Sumerian tablets that tell

1053

00:47:48,809 --> 00:47:45,259

us about the Anunnaki who came to the

1054

00:47:51,370 --> 00:47:48,819

earth and colonized also gave a

1055

00:47:53,019 --> 00:47:51,380

allegorical history of our solar system

1056

00:47:56,049 --> 00:47:53,029

and said there was a big planet called

1057

00:47:59,140 --> 00:47:56,059

tioman it was about four times the size

1058

00:48:03,819 --> 00:47:59,150

of Earth that lay out in the orbit past

1059

00:48:06,279 --> 00:48:03,829

Mars and that when this planet nibiru

1060

00:48:08,620 --> 00:48:06,289

with its attendant moons came through

1061

00:48:11,979 --> 00:48:08,630

the solar system when the moon's hit TMI

1062

00:48:15,370 --> 00:48:11,989

and shattered it and a half that world

1063

00:48:18,249 --> 00:48:15,380

just went to pieces but remained in the

1064

00:48:21,370 --> 00:48:18,259

orbit past Mars which of course would be

1065

00:48:24,450 --> 00:48:21,380

the asteroid belt and at the other part

1066

00:48:28,410 --> 00:48:24,460

of 10th Mark was knocked past nurses are

1067

00:48:30,750 --> 00:48:28,420

and went into orbit at the third place

1068

00:48:32,310 --> 00:48:30,760

around the Sun and Moon Calliste

1069

00:48:35,460 --> 00:48:32,320

into the earth that's what the earth

1070

00:48:37,770 --> 00:48:35,470

came from this also explain why they are

1071

00:48:42,030 --> 00:48:37,780

continually finding these meteorites are

1072

00:48:45,660 --> 00:48:42,040

pieces rock that originated on the

1073

00:48:47,550 --> 00:48:45,670

planet there's stop spirit dip a little

1074

00:48:49,109 --> 00:48:47,560

bit because you first amidst the

1075

00:48:51,480 --> 00:48:49,119

computer and our do you need to give up

1076

00:48:53,520 --> 00:48:51,490

well I'm sorry I'm hopefully I'm right

1077

00:48:55,020 --> 00:48:53,530

here in this computer I don't even know

1078

00:48:57,630 --> 00:48:55,030

where the microphone yes I don't know

1079

00:48:59,339 --> 00:48:57,640

how to get to it actually I'm trying to

1080

00:49:01,589 --> 00:48:59,349

stay home here in space yes and they

1081

00:49:05,310 --> 00:49:01,599

does a lot better now already yeah okay

1082

00:49:06,570 --> 00:49:05,320

okay cool so anyway you got that though

1083

00:49:08,609 --> 00:49:06,580

yeah and I think you're aware of the

1084

00:49:11,160 --> 00:49:08,619

fact that they've got these meteorites

1085

00:49:12,690 --> 00:49:11,170

with are they've got rocks and materials

1086

00:49:16,760 --> 00:49:12,700

that they found on the earth it

1087

00:49:19,710 --> 00:49:16,770

obviously apparently originated on Mars

1088

00:49:22,079 --> 00:49:19,720

in fact that is led to some theories

1089

00:49:26,040 --> 00:49:22,089

that life on the earth was actually

1090

00:49:29,940 --> 00:49:26,050

seeded from other places perhaps Mars

1091

00:49:32,130 --> 00:49:29,950

perhaps other planets yeah and you know

1092

00:49:33,810 --> 00:49:32,140

I from what I've seen I think the

1093

00:49:38,190 --> 00:49:33,820

evidence does look pretty good for

1094

00:49:40,410 --> 00:49:38,200

Planet X or Nibiru but well I think what

1095

00:49:42,000 --> 00:49:40,420

the issue that I have is that every so

1096

00:49:44,940 --> 00:49:42,010

many years somebody comes up and says

1097

00:49:47,820 --> 00:49:44,950

it's coming this year or it's coming in

1098

00:49:48,450 --> 00:49:47,830

two years and and you know when that

1099

00:49:50,070 --> 00:49:48,460

happens

1100

00:49:52,650 --> 00:49:50,080

there's just no way that mainstream

1101
00:49:55,620 --> 00:49:52,660
media's gonna take it seriously I don't

1102
00:49:57,480 --> 00:49:55,630
and so what's your take on that well I'm

1103
00:49:59,880 --> 00:49:57,490
not sure the day's seriously even if

1104
00:50:01,410 --> 00:49:59,890
they took it seriously I mean put

1105
00:50:04,349 --> 00:50:01,420
yourself in the position of president

1106
00:50:06,030 --> 00:50:04,359
United States and the scientists came to

1107
00:50:08,430 --> 00:50:06,040
you and said well this planets kind of

1108
00:50:10,680 --> 00:50:08,440
be coming back in through our solar

1109
00:50:12,690 --> 00:50:10,690
system in in a few years and it's gonna

1110
00:50:15,240 --> 00:50:12,700
disrupt everything and we're liable to

1111
00:50:17,609 --> 00:50:15,250
have a pole shift and 500 mile an hour

1112
00:50:19,220 --> 00:50:17,619
winds and you know it's going to level

1113
00:50:22,589 --> 00:50:19,230

everything there's going to be titled

1114

00:50:25,320 --> 00:50:22,599

shifts and tsunamis that are engulf the

1115

00:50:27,840 --> 00:50:25,330

West and East Coast you

1116

00:50:30,240 --> 00:50:27,850

would you really tell the people you

1117

00:50:32,970 --> 00:50:30,250

know would you get everybody panicked

1118

00:50:37,620 --> 00:50:32,980

fearful run around there's nothing

1119

00:50:40,890 --> 00:50:37,630

anybody about it we're going right up to

1120

00:50:42,870 --> 00:50:40,900

the very end it's good question

1121

00:50:45,930 --> 00:50:42,880

I'm glad I'm not the position of knowing

1122

00:50:49,410 --> 00:50:45,940

for sure then trying to decide if it's

1123

00:50:55,080 --> 00:50:49,420

my obligation tell public or keep them

1124

00:50:57,990 --> 00:50:55,090

happy in the dark right and there's

1125

00:51:01,470 --> 00:50:58,000

actually so much more to this moon

1126

00:51:02,760 --> 00:51:01,480

theory entity and Mott that we just

1127

00:51:06,750 --> 00:51:02,770

can't possibly cover tonight there

1128

00:51:09,000 --> 00:51:06,760

there's so much evidence but until you

1129

00:51:12,470 --> 00:51:09,010

mentioned my my one of my latest books

1130

00:51:14,760 --> 00:51:12,480

the the Arab culture history and

1131

00:51:17,190 --> 00:51:14,770

personally point out when I use the term

1132

00:51:19,200 --> 00:51:17,200

occulted don't worry you're not gonna

1133

00:51:22,110 --> 00:51:19,210

have to read about devil worshiper

1134

00:51:24,240 --> 00:51:22,120

zombies or anything that we normally

1135

00:51:27,200 --> 00:51:24,250

think it was the occult I use it in the

1136

00:51:29,460 --> 00:51:27,210

astronomical sense in that when the moon

1137

00:51:32,250 --> 00:51:29,470

eclipses the Sun that's called an

1138

00:51:34,530 --> 00:51:32,260

occultation in cults the Sun which

1139

00:51:37,620 --> 00:51:34,540

simply means it hides or masks the Sun

1140

00:51:43,770 --> 00:51:37,630

so what I'm actually talking about here

1141

00:51:46,320 --> 00:51:43,780

is the our hidden history and the first

1142

00:51:49,470 --> 00:51:46,330

part of that book I deal with evidence

1143

00:51:56,400 --> 00:51:49,480

that indicates that we there may have

1144

00:51:59,430 --> 00:51:56,410

been intelligent life extraterrestrial

1145

00:52:02,430 --> 00:51:59,440

life visiting all through our solar

1146

00:52:04,620 --> 00:52:02,440

system not just on there because you got

1147

00:52:07,560 --> 00:52:04,630

the pyramids on Mars you got the face on

1148

00:52:10,710 --> 00:52:07,570

Mars you got all of this intriguing

1149

00:52:13,470 --> 00:52:10,720

things all these things on the moon and

1150

00:52:17,400 --> 00:52:13,480

again we find pyramids of Mars the moon

1151
00:52:19,830 --> 00:52:17,410
all over the earth keep finding kids all

1152
00:52:23,160 --> 00:52:19,840
the time and I think it's points to

1153
00:52:25,110 --> 00:52:23,170
amazing super non-technical civilization

1154
00:52:31,080 --> 00:52:25,120
it was on this planet long before we

1155
00:52:33,140 --> 00:52:31,090
came along and then maybe say before we

1156
00:52:38,850 --> 00:52:33,150
came along I just want to get to this

1157
00:52:41,220 --> 00:52:38,860
topic of the moon not being there well

1158
00:52:46,110 --> 00:52:41,230
when you look at the province right and

1159
00:52:49,830 --> 00:52:46,120
and this is a the claim to Arcadia what

1160
00:52:52,080 --> 00:52:49,840
is that well there are certain tribes

1161
00:52:55,080 --> 00:52:52,090
and certain legends that have been

1162
00:52:57,060 --> 00:52:55,090
handed down since the earliest times

1163
00:53:00,660 --> 00:52:57,070

where they claimed there was a time when

1164

00:53:02,610 --> 00:53:00,670

there was no moon in the sky I don't

1165

00:53:05,370 --> 00:53:02,620

know and I'm not sure anybody's done the

1166

00:53:08,100 --> 00:53:05,380

the proper amount of scientific study on

1167

00:53:10,140 --> 00:53:08,110

that but I think all I can say is is

1168

00:53:12,210 --> 00:53:10,150

that I think the moon has been with us

1169

00:53:14,370 --> 00:53:12,220

as far back as our written history goes

1170

00:53:17,070 --> 00:53:14,380

now before that when we start getting

1171

00:53:19,410 --> 00:53:17,080

back into the you know past 10,000 years

1172

00:53:22,760 --> 00:53:19,420

ago past 20,000 years ago

1173

00:53:25,830 --> 00:53:22,770

everything is just hand-me-down you know

1174

00:53:28,320 --> 00:53:25,840

verbal communication and a lot of that's

1175

00:53:29,910 --> 00:53:28,330

been garbled and been lost so I don't

1176

00:53:32,400 --> 00:53:29,920

think we'd be able to prove much of

1177

00:53:34,680 --> 00:53:32,410

anything but all we know is the moon

1178

00:53:37,500 --> 00:53:34,690

been there as far back as we have

1179

00:53:39,690 --> 00:53:37,510

recorded history and we know that at

1180

00:53:41,550 --> 00:53:39,700

that point in time there was not the

1181

00:53:43,530 --> 00:53:41,560

technology to go the moon and do

1182

00:53:45,420 --> 00:53:43,540

anything on the moon again this

1183

00:53:50,130 --> 00:53:45,430

indicates that there were other

1184

00:53:55,730 --> 00:53:50,140

intelligences operating besides us right

1185

00:53:59,640 --> 00:53:55,740

so it's it's it's hard for people to

1186

00:54:04,190 --> 00:53:59,650

accept that Jim you know it's well it's

1187

00:54:07,050 --> 00:54:04,200

not conventional you know education

1188

00:54:10,440 --> 00:54:07,060

meant so much of what we're taught is

1189

00:54:13,050 --> 00:54:10,450

not true right but you know even even

1190

00:54:14,790 --> 00:54:13,060

from an instinctual place almost I mean

1191

00:54:18,150 --> 00:54:14,800

you grow up with the moon it's there

1192

00:54:20,700 --> 00:54:18,160

it's just it's a part of your your world

1193

00:54:22,530 --> 00:54:20,710

your reality it seems natural because

1194

00:54:24,450 --> 00:54:22,540

you were born and you look up at the sky

1195

00:54:26,580 --> 00:54:24,460

and there was all the time you know so

1196

00:54:29,160 --> 00:54:26,590

for someone to say to you well it's not

1197

00:54:32,700 --> 00:54:29,170

really a moon you know it's not what you

1198

00:54:34,170 --> 00:54:32,710

think it is it's people are gonna have a

1199

00:54:36,060 --> 00:54:34,180

hard time swallowing that you know it

1200

00:54:39,350 --> 00:54:36,070

because that's a is a sacred thing for

1201
00:54:42,330 --> 00:54:39,360
them to I mean especially you know yeah

1202
00:54:44,340 --> 00:54:42,340
there's whole legends even religions

1203
00:54:45,960 --> 00:54:44,350
have grown up around the moon what

1204
00:54:50,430 --> 00:54:45,970
you're actually dealing with Allen is

1205
00:54:53,470 --> 00:54:50,440
what they call normal normalcy bias look

1206
00:54:56,259 --> 00:54:53,480
yeah you go and you turn on the kitchen

1207
00:54:59,400 --> 00:54:56,269
sink and water comes out now just a

1208
00:55:02,170 --> 00:54:59,410
hundred years ago or maybe even less

1209
00:55:04,930 --> 00:55:02,180
that would have been a miracle you turn

1210
00:55:08,079 --> 00:55:04,940
a a valve and water comes out holy cow

1211
00:55:10,120 --> 00:55:08,089
good water drinkable water that was a

1212
00:55:13,390 --> 00:55:10,130
miracle and today though through

1213
00:55:15,640 --> 00:55:13,400

normalcy bias I mean today if no water

1214

00:55:18,339 --> 00:55:15,650

comes out then we get concerned it's

1215

00:55:20,140 --> 00:55:18,349

like what's going on because we are so

1216

00:55:21,970 --> 00:55:20,150

used to it you're used to going and turn

1217

00:55:23,620 --> 00:55:21,980

on the water you're used to flushing

1218

00:55:26,410 --> 00:55:23,630

you're tall and it just flushes more

1219

00:55:29,289 --> 00:55:26,420

water comes in you know and most people

1220

00:55:32,109 --> 00:55:29,299

do not think that how miraculous that

1221

00:55:35,109 --> 00:55:32,119

really is and how that you know with

1222

00:55:37,989 --> 00:55:35,119

just some slight perturbation in our

1223

00:55:42,249 --> 00:55:37,999

little complicated civilization all that

1224

00:55:45,430 --> 00:55:42,259

could end right you got a pipe right you

1225

00:55:46,660 --> 00:55:45,440

got a pipe break you got no water and of

1226

00:55:48,759 --> 00:55:46,670

course of course we have the

1227

00:55:50,829 --> 00:55:48,769

infrastructure in place where plumbing

1228

00:55:53,259 --> 00:55:50,839

will be right out the city work on it

1229

00:55:54,759 --> 00:55:53,269

and by them within few hours or day

1230

00:55:56,710 --> 00:55:54,769

you're gonna have your water back but

1231

00:55:58,690 --> 00:55:56,720

what if the whole city goes down what if

1232

00:56:01,599 --> 00:55:58,700

the state goes down what if the country

1233

00:56:04,329 --> 00:56:01,609

goes down well we're not prepared for

1234

00:56:05,859 --> 00:56:04,339

that no the vast majority are definitely

1235

00:56:07,779 --> 00:56:05,869

not prepared for that that's for sure

1236

00:56:09,339 --> 00:56:07,789

but you know for you and I and probably

1237

00:56:13,029 --> 00:56:09,349

most of the listeners out there you know

1238

00:56:15,940 --> 00:56:13,039

the satellite moon theory spaceship moon

1239

00:56:18,190 --> 00:56:15,950

theory is is you know something that

1240

00:56:21,249 --> 00:56:18,200

we've heard about we looked into but I

1241

00:56:24,160 --> 00:56:21,259

guess a parallel for me would be if I

1242

00:56:26,019 --> 00:56:24,170

were to tell somebody that the water

1243

00:56:27,640 --> 00:56:26,029

coming out of this natural spring is

1244

00:56:29,470 --> 00:56:27,650

actually coming out there's an

1245

00:56:30,819 --> 00:56:29,480

underground civilization they're making

1246

00:56:32,650 --> 00:56:30,829

water and they're pumping it out through

1247

00:56:34,749 --> 00:56:32,660

the string if I told that to somebody

1248

00:56:36,160 --> 00:56:34,759

they would look at me like I have five

1249

00:56:39,640 --> 00:56:36,170

hundred heads you know

1250

00:56:41,140 --> 00:56:39,650

so have you you know who what is your

1251

00:56:43,479 --> 00:56:41,150

approach when you come up to somebody

1252

00:56:45,039 --> 00:56:43,489

and you say and they ask you about this

1253

00:56:46,569 --> 00:56:45,049

but for the first time and they're

1254

00:56:48,910 --> 00:56:46,579

they're just learning about this where

1255

00:56:53,049 --> 00:56:48,920

you start so that as to not sort of blow

1256

00:56:54,849 --> 00:56:53,059

them away and turn them off well what I

1257

00:56:57,519 --> 00:56:54,859

tell people and I'm telling you and I'm

1258

00:57:00,670 --> 00:56:57,529

telling your audience don't believe me

1259

00:57:01,809 --> 00:57:00,680

don't trust me I'm not a preacher I'm

1260

00:57:03,579 --> 00:57:01,819

not a politician

1261

00:57:05,559 --> 00:57:03,589

I'm not here to say

1262

00:57:08,380 --> 00:57:05,569

I'm sitting here to give you some

1263

00:57:10,809 --> 00:57:08,390

information if you read my book alien

1264

00:57:12,519 --> 00:57:10,819

agenda and read the whole chapter on the

1265

00:57:15,009 --> 00:57:12,529

moon and then go and study back

1266

00:57:17,380 --> 00:57:15,019

background lad find out you know is this

1267

00:57:20,049 --> 00:57:17,390

true her it's not then you go find other

1268

00:57:22,660 --> 00:57:20,059

instances and so what you do is you just

1269

00:57:24,519 --> 00:57:22,670

take a statement well let me tell you

1270

00:57:26,950 --> 00:57:24,529

about my high file okay

1271

00:57:29,469 --> 00:57:26,960

when I get some information it comes in

1272

00:57:31,390 --> 00:57:29,479

and it flies in the face of what I had

1273

00:57:35,160 --> 00:57:31,400

previously believed or what I've been

1274

00:57:37,599 --> 00:57:35,170

taught you know I go huh and I do not

1275

00:57:40,029 --> 00:57:37,609

automatically believe it but I don't

1276

00:57:43,690 --> 00:57:40,039

automatically disbelieve it I simply

1277

00:57:45,789 --> 00:57:43,700

when I say put it in my file okay and

1278

00:57:48,819 --> 00:57:45,799

then I file it away and just remember

1279

00:57:51,789 --> 00:57:48,829

that and then keep it in mind until I

1280

00:57:53,200 --> 00:57:51,799

get further input now as further input

1281

00:57:54,789 --> 00:57:53,210

comes in there's going to be more and

1282

00:57:57,249 --> 00:57:54,799

more information that supports that

1283

00:58:00,789 --> 00:57:57,259

thesis or it's going to be a lot of

1284

00:58:03,609 --> 00:58:00,799

information that debunks it and destroys

1285

00:58:05,769 --> 00:58:03,619

it so if what you do is you don't

1286

00:58:08,680 --> 00:58:05,779

believe anything you don't disbelieve

1287

00:58:12,400 --> 00:58:08,690

anything you just form your file and

1288

00:58:15,009 --> 00:58:12,410

wait for further information all right

1289

00:58:16,539 --> 00:58:15,019

bull Jim we're coming up on a break just

1290

00:58:18,969 --> 00:58:16,549

a reminder to anybody who's tuning in

1291

00:58:21,370 --> 00:58:18,979

this is epic voyages radio live on

1292

00:58:23,140 --> 00:58:21,380

inception radio network and is also

1293

00:58:26,499 --> 00:58:23,150

rebroadcast on Fridays on the Dark

1294

00:58:28,509 --> 00:58:26,509

Matter radio network.com tonight we're

1295

00:58:32,170 --> 00:58:28,519

talking to Jim Mars about alien agenda

1296

00:58:34,029 --> 00:58:32,180

and his book our coltd history we've put

1297

00:58:35,910 --> 00:58:34,039

some links in the chatroom if you're

1298

00:58:39,910 --> 00:58:35,920

just joining us you can check those out

1299

00:58:49,320 --> 00:58:39,920

Jim's book out online we will be back in

1300

00:59:08,450 --> 00:59:04,450

[Music]

1301
00:59:18,849 --> 00:59:08,460
you're listening to IRA the inception

1302
00:59:24,410 --> 00:59:21,650
hello inception Radio Network listeners

1303
00:59:26,539 --> 00:59:24,420
this is Amanda remember you can take

1304
00:59:28,429 --> 00:59:26,549
your inception radio shows on the go

1305
00:59:31,249 --> 00:59:28,439
just download the inception Radio

1306
00:59:33,859 --> 00:59:31,259
Network app for your iPhone iPad or

1307
00:59:36,349 --> 00:59:33,869
Android smartphones and access live

1308
00:59:38,599 --> 00:59:36,359
shows past shows guest lineups and much

1309
00:59:40,640 --> 00:59:38,609
more just visit the iTunes Store or the

1310
00:59:45,960 --> 00:59:40,650
Google Play marketplace and download it

1311
00:59:49,589 --> 00:59:48,240
don't have a computer does your internet

1312
00:59:51,210 --> 00:59:49,599
connection down don't worry

1313
00:59:53,790 --> 00:59:51,220

use your trusty cell phone or landline

1314

00:59:56,730 --> 00:59:53,800

and call in to our listen line at 401 to

1315

00:59:59,520 --> 00:59:56,740

a3 6700 to listen to the inception radio

1316

01:00:03,300 --> 00:59:59,530

network 24/7 again that caller number is

1317

01:00:08,410 --> 01:00:03,310

401 to a three six seven zero zero four

1318

01:00:12,790 --> 01:00:11,080

are you a fan of Inception Radio Network

1319

01:00:15,610 --> 01:00:12,800

do you reckon it's the best alternative

1320

01:00:17,800 --> 01:00:15,620

talk radio station on the planet well if

1321

01:00:20,050 --> 01:00:17,810

you do head to facebook-dot-com

1322

01:00:23,020 --> 01:00:20,060

forward-slash inception radio network

1323

01:00:28,200 --> 01:00:23,030

like the page tell your friends spread

1324

01:00:31,060 --> 01:00:30,220

you didn't forget what's coming up

1325

01:00:32,950 --> 01:00:31,070

tonight did you

1326

01:00:35,290 --> 01:00:32,960

hi inception radio network listeners

1327

01:00:36,790 --> 01:00:35,300

this is Amanda never miss that interview

1328

01:00:39,220 --> 01:00:36,800

you were looking forward to or the show

1329

01:00:42,130 --> 01:00:39,230

on your favorite topic follow irn on

1330

01:00:44,110 --> 01:00:42,140

twitter i underscore our underscore n

1331

01:00:46,180 --> 01:00:44,120

and get reminders about the evenings

1332

01:00:48,370 --> 01:00:46,190

live shows as well as fun and important

1333

01:00:51,130 --> 01:00:48,380

updates throughout the week that's I

1334

01:00:53,050 --> 01:00:51,140

underscore our underscore N and never

1335

01:01:01,960 --> 01:00:53,060

miss a great show again

1336

01:01:01,970 --> 01:01:30,040

you

1337

01:01:41,500 --> 01:01:35,010

by dream lodge and relax that's d-r-e am

1338

01:01:46,250 --> 01:01:41,510

nu a GE calm simple raw organic

1339

01:01:48,750 --> 01:01:46,260

[Music]

1340

01:01:50,730 --> 01:01:48,760

looking for a cure for boredom never

1341

01:01:52,740 --> 01:01:50,740

worry I our ends interactive website

1342

01:01:54,120 --> 01:01:52,750

introduces a number of ways to pass time

1343

01:01:57,060 --> 01:01:54,130

while you listen to your favorite show

1344

01:01:59,370 --> 01:01:57,070

choose anything from the irn chat lounge

1345

01:02:01,890 --> 01:01:59,380

game lounge video lounge with a movie

1346

01:02:03,810 --> 01:02:01,900

lounge these fun exciting features let

1347

01:02:06,660 --> 01:02:03,820

you chat in real time with fellow

1348

01:02:09,330 --> 01:02:06,670

listeners view live sky watches play

1349

01:02:11,340 --> 01:02:09,340

daily posted online games or take a show

1350

01:02:14,070 --> 01:02:11,350

based on topic the choices are endless

1351

01:02:17,040 --> 01:02:14,080

though use your time wisely but keeping

1352

01:02:20,010 --> 01:02:17,050

it all on irn howdy this Joe Mars I'm

1353

01:02:24,090 --> 01:02:20,020

inviting you to tune in to epic voyages

1354

01:02:26,730 --> 01:02:24,100

8:00 p.m. central 9 p.m. Eastern Monday

1355

01:02:29,580 --> 01:02:26,740

nights right here on inception radio

1356

01:02:31,470 --> 01:02:29,590

network to find out more about epic and

1357

01:02:36,300 --> 01:02:31,480

how you can become a member

1358

01:02:45,390 --> 01:02:36,310

visit epic voyagers dot-com that's epi c

1359

01:02:49,100 --> 01:02:45,400

vo y AG e AR s dot-com I'm your guest

1360

01:02:51,540 --> 01:02:49,110

host tonight our guest is Jim Mars and

1361

01:02:54,090 --> 01:02:51,550

taking us out of the break was living on

1362

01:02:56,250 --> 01:02:54,100

the edge by Aerosmith and we're

1363

01:02:59,070 --> 01:02:56,260

definitely living on the edge with Jim

1364

01:03:01,800 --> 01:02:59,080

Mars because as you are part of the

1365

01:03:04,550 --> 01:03:01,810

mainstream then this is not what you

1366

01:03:08,040 --> 01:03:04,560

talked about around the the watering

1367

01:03:09,960 --> 01:03:08,050

this is a great great night with Jim

1368

01:03:16,500 --> 01:03:09,970

he's always full of amazing information

1369

01:03:21,780 --> 01:03:16,510

that well blow your mind so Jim I want

1370

01:03:24,420 --> 01:03:21,790

to get back to the moon and this whole

1371

01:03:26,880 --> 01:03:24,430

idea that it didn't exist at some point

1372

01:03:30,330 --> 01:03:26,890

in time I'm really stuck on this admit

1373

01:03:33,270 --> 01:03:30,340

but it blows my mind well it is a

1374

01:03:37,650 --> 01:03:33,280

fascinating topic but I think it's kind

1375

01:03:41,700 --> 01:03:37,660

of a exercise in futility because if if

1376

01:03:45,180 --> 01:03:41,710

we had to go back in and document a time

1377

01:03:47,790 --> 01:03:45,190

when the moon was not there you're going

1378

01:03:50,130 --> 01:03:47,800

to find very very scant evidence there's

1379

01:03:51,849 --> 01:03:50,140

just some bad mentions in old legends

1380

01:03:54,339 --> 01:03:51,859

about time before

1381

01:03:55,749 --> 01:03:54,349

okay big deal but as far as we know

1382

01:03:57,839 --> 01:03:55,759

everything has ever been documented

1383

01:04:02,130 --> 01:03:57,849

everything anything's been written about

1384

01:04:05,620 --> 01:04:02,140

back to the Old Testament and even the

1385

01:04:06,249 --> 01:04:05,630

Sumerian tablets you know this mention

1386

01:04:08,799 --> 01:04:06,259

of the moon

1387

01:04:11,950 --> 01:04:08,809

so the moon's been with us certainly all

1388

01:04:13,390 --> 01:04:11,960

our loan history right well if it goes

1389

01:04:15,180 --> 01:04:13,400

back to that time then we're also

1390

01:04:18,910 --> 01:04:15,190

talking about the time of the Anunnaki

1391

01:04:21,759 --> 01:04:18,920

right so it would be here by the time

1392

01:04:23,109 --> 01:04:21,769

that they're here right right and also

1393

01:04:25,120 --> 01:04:23,119

though if you go back to the town of the

1394

01:04:27,880 --> 01:04:25,130

Anunnaki if you followed their numbering

1395

01:04:29,680 --> 01:04:27,890

system they talk not just once but

1396

01:04:31,779 --> 01:04:29,690

several times when they talk about when

1397

01:04:34,809 --> 01:04:31,789

it all started they go back more than

1398

01:04:36,700 --> 01:04:34,819

three hundred thousand years ago and you

1399

01:04:39,880 --> 01:04:36,710

know that was even before my time

1400

01:04:43,359 --> 01:04:39,890

sure well but there's also a lot of

1401
01:04:45,640 --> 01:04:43,369
evidence out there to say that humans

1402
01:04:48,279 --> 01:04:45,650
are way more advanced and had

1403
01:04:49,690 --> 01:04:48,289
full-fledged civilizations even far as

1404
01:04:52,479 --> 01:04:49,700
as back as three hundred thousand a

1405
01:04:54,130 --> 01:04:52,489
million years exactly and we're and

1406
01:04:56,710 --> 01:04:54,140
we're learning stuff all the time today

1407
01:05:01,089 --> 01:04:56,720
our military and even some police forces

1408
01:05:04,539 --> 01:05:01,099
have sound cannons okay it's a weapons

1409
01:05:07,089 --> 01:05:04,549
that fire blasts of of intense sounds

1410
01:05:09,279 --> 01:05:07,099
enough to set up vibration that can

1411
01:05:11,890 --> 01:05:09,289
break up crowds that can even knock down

1412
01:05:13,989 --> 01:05:11,900
walls you know can do this stuff and we

1413
01:05:15,910 --> 01:05:13,999

think the ones who know about this

1414

01:05:18,130 --> 01:05:15,920

technology you know we think wow look at

1415

01:05:19,749 --> 01:05:18,140

this modern technology we have but all

1416

01:05:21,999 --> 01:05:19,759

you gotta do is go back to the Bible to

1417

01:05:23,680 --> 01:05:22,009

read about Joshua and Battle of Jericho

1418

01:05:26,170 --> 01:05:23,690

it said that they march around the city

1419

01:05:27,849 --> 01:05:26,180

seven times they blew their horns and

1420

01:05:30,099 --> 01:05:27,859

they all started shouting and the walls

1421

01:05:32,950 --> 01:05:30,109

came down so I think I think there was

1422

01:05:37,299 --> 01:05:32,960

an understanding of sonic weapons way

1423

01:05:41,319 --> 01:05:37,309

back in biblical times right yeah and

1424

01:05:43,870 --> 01:05:41,329

that brings up another question of mine

1425

01:05:46,180 --> 01:05:43,880

is that okay let's assume then that

1426

01:05:48,099 --> 01:05:46,190

there's this technology this super

1427

01:05:50,799 --> 01:05:48,109

advanced technology that was in

1428

01:05:54,039 --> 01:05:50,809

existence it was working there is the

1429

01:05:56,349 --> 01:05:54,049

whole society using this advanced

1430

01:05:57,170 --> 01:05:56,359

technology but is it really the same

1431

01:06:00,980 --> 01:05:57,180

kind of

1432

01:06:02,930 --> 01:06:00,990

advanced society as we are because I can

1433

01:06:05,900 --> 01:06:02,940

only imagine we have a lot of junk we

1434

01:06:08,480 --> 01:06:05,910

have a lot of trash you know if our

1435

01:06:10,849 --> 01:06:08,490

society you know dwindles away and is

1436

01:06:12,559 --> 01:06:10,859

covered by time I would still imagine

1437

01:06:17,210 --> 01:06:12,569

that there would be plastics there would

1438

01:06:18,440 --> 01:06:17,220

be metals you know calling Rock and the

1439

01:06:22,670 --> 01:06:18,450

whole planet would literally literally

1440

01:06:24,349 --> 01:06:22,680

be littered yeah that thousand years

1441

01:06:26,930 --> 01:06:24,359

from now someone's gonna dig up a coke

1442

01:06:30,559 --> 01:06:26,940

bottle and say gee I wonder what this

1443

01:06:34,569 --> 01:06:30,569

was and his his compadres is going to

1444

01:06:43,660 --> 01:06:34,579

say I don't know but I obviously it's a

1445

01:06:51,079 --> 01:06:48,290

yeah so so if you look back then you

1446

01:06:53,180 --> 01:06:51,089

know where you know where is all that

1447

01:06:56,140 --> 01:06:53,190

evidence I know we have pieces well if

1448

01:06:58,370 --> 01:06:56,150

they're using if you're using natural

1449

01:07:01,190 --> 01:06:58,380

technologies as opposed to our

1450

01:07:04,220 --> 01:07:01,200

mechanical technologies for example they

1451
01:07:08,589 --> 01:07:04,230
have founded in South Africa thousands

1452
01:07:11,630 --> 01:07:08,599
and thousands of these stone circular

1453
01:07:12,799 --> 01:07:11,640
Oedipus's and they try to explain the

1454
01:07:15,109 --> 01:07:12,809
way is saying well these are just

1455
01:07:17,210 --> 01:07:15,119
Corral's you know where they kept their

1456
01:07:19,579 --> 01:07:17,220
maybe twenty thousand years ago they

1457
01:07:21,349 --> 01:07:19,589
kept their cattle but wait a minute

1458
01:07:23,089 --> 01:07:21,359
there's no durable place you know and

1459
01:07:25,039 --> 01:07:23,099
plus there's circles connected to

1460
01:07:27,380 --> 01:07:25,049
circles and you know what's that all

1461
01:07:32,329 --> 01:07:27,390
about and what they've actually found it

1462
01:07:38,710 --> 01:07:32,339
is within these circle it actually set

1463
01:07:41,420 --> 01:07:38,720

up and enhances earth energy because

1464

01:07:43,730 --> 01:07:41,430

side of these circles if you dig back

1465

01:07:46,039 --> 01:07:43,740

hello I'm sixty feet the average

1466

01:07:48,140 --> 01:07:46,049

temperature is about 42 degrees but

1467

01:07:50,809 --> 01:07:48,150

within these circles we dig down to

1468

01:07:52,670 --> 01:07:50,819

average temperature goes up to 132 so

1469

01:07:55,069 --> 01:07:52,680

they're drawing energy and morph out of

1470

01:07:56,750 --> 01:07:55,079

the earth and they do this we don't know

1471

01:08:01,280 --> 01:07:56,760

how to do this we're just uh figuring

1472

01:08:03,230 --> 01:08:01,290

out that that's the case so again yes I

1473

01:08:04,819 --> 01:08:03,240

see what your point is and I think it's

1474

01:08:06,799 --> 01:08:04,829

right I think you're building metal

1475

01:08:09,620 --> 01:08:06,809

things and that lots of plastic and look

1476

01:08:10,920 --> 01:08:09,630

like we do that thousands of years later

1477

01:08:12,150 --> 01:08:10,930

we be fine

1478

01:08:14,760 --> 01:08:12,160

this stuff but I think they were using

1479

01:08:17,849 --> 01:08:14,770

natural forces I think the pier of the

1480

01:08:20,939 --> 01:08:17,859

Great Pyramid I agree with Christopher

1481

01:08:22,499 --> 01:08:20,949

Dunn the British engineer who says he

1482

01:08:24,599 --> 01:08:22,509

thinks the Great Pyramid was a power

1483

01:08:27,120 --> 01:08:24,609

generator and I think these other

1484

01:08:30,090 --> 01:08:27,130

pyramids around the world go back before

1485

01:08:33,360 --> 01:08:30,100

our recorded history and I think they

1486

01:08:35,640 --> 01:08:33,370

event say a highly advanced civilization

1487

01:08:38,099 --> 01:08:35,650

that was using pyramids to transmit

1488

01:08:41,430 --> 01:08:38,109

power all around the world but today

1489

01:08:43,559 --> 01:08:41,440

it's they've fallen away they've got

1490

01:08:46,260 --> 01:08:43,569

into disuse the land is gobbling up

1491

01:08:49,289 --> 01:08:46,270

seasonal for a month and today we only

1492

01:08:52,200 --> 01:08:49,299

have a few worn down little and big

1493

01:08:53,840 --> 01:08:52,210

pyramids and what they're all about you

1494

01:08:57,720 --> 01:08:53,850

know I went all of us in all of the

1495

01:08:59,910 --> 01:08:57,730

palaces and the Egyptian hieroglyphics

1496

01:09:02,970 --> 01:08:59,920

are graphics up there and yeah I'm not

1497

01:09:05,070 --> 01:09:02,980

sure you know I mean we're told that it

1498

01:09:06,630 --> 01:09:05,080

was a burial chamber but it doesn't seem

1499

01:09:09,090 --> 01:09:06,640

to hold true because it's not like you

1500

01:09:11,400 --> 01:09:09,100

need the other burial chambers also we

1501
01:09:14,130 --> 01:09:11,410
know that the Great Pyramid contains

1502
01:09:16,620 --> 01:09:14,140
some sort of machinery because when

1503
01:09:19,519 --> 01:09:16,630
Napoleon's troops took over Egypt back

1504
01:09:22,380 --> 01:09:19,529
in the early eighteenth century they

1505
01:09:24,059 --> 01:09:22,390
thought these devices in the Great

1506
01:09:25,890 --> 01:09:24,069
Pyramid they thought that they were of

1507
01:09:28,380 --> 01:09:25,900
the devil so they hauled him out broke

1508
01:09:30,450 --> 01:09:28,390
the bernal so we don't know what it was

1509
01:09:34,229 --> 01:09:30,460
all in there or what their original

1510
01:09:36,300 --> 01:09:34,239
purpose was all yeah actually

1511
01:09:38,880 --> 01:09:36,310
but there are some artifacts you know

1512
01:09:43,950 --> 01:09:38,890
there's the Antikythera mechanism the

1513
01:09:46,530 --> 01:09:43,960

Baghdad batteries Voynich manuscript and

1514

01:09:48,059 --> 01:09:46,540

what like you said about the the Great

1515

01:09:50,610 --> 01:09:48,069

Pyramid and I know a lot of people are

1516

01:09:52,620 --> 01:09:50,620

familiar with this already but the fact

1517

01:09:57,750 --> 01:09:52,630

that it's completely blank on the inside

1518

01:10:00,660 --> 01:09:57,760

as far as our graphics go and they based

1519

01:10:03,000 --> 01:10:00,670

their whole theory that it's Khufu's

1520

01:10:05,280 --> 01:10:03,010

chamber because there was a graffiti

1521

01:10:09,479 --> 01:10:05,290

with his name on it it just seems to me

1522

01:10:12,919 --> 01:10:09,489

even evil oh wait well one little piece

1523

01:10:15,840 --> 01:10:12,929

with the name curfew on it that was

1524

01:10:18,750 --> 01:10:15,850

fortuitously found by a guy named bys

1525

01:10:19,919 --> 01:10:18,760

who's about to lose his a grant money

1526

01:10:22,380 --> 01:10:19,929

because he hadn't come up with anything

1527

01:10:24,420 --> 01:10:22,390

the Great Pyramid and there's a pretty

1528

01:10:27,330 --> 01:10:24,430

considerable argument that that was a

1529

01:10:30,060 --> 01:10:27,340

that's the only that suggests that it

1530

01:10:32,430 --> 01:10:30,070

was a tune yeah and it's it's a wonder

1531

01:10:35,010 --> 01:10:32,440

why scientists would mainstream

1532

01:10:36,720 --> 01:10:35,020

archeologists would you know just look

1533

01:10:38,940 --> 01:10:36,730

past this I mean the mainstream

1534

01:10:40,470 --> 01:10:38,950

archeology or not you know they're not

1535

01:10:42,810 --> 01:10:40,480

the ones that are covering up the alien

1536

01:10:46,140 --> 01:10:42,820

agenda or you know they're not part of

1537

01:10:50,280 --> 01:10:46,150

the secret society so what is it that

1538

01:10:52,110 --> 01:10:50,290

that keeps them ultra against without

1539

01:10:55,140 --> 01:10:52,120

being able to look bad look at the

1540

01:10:57,030 --> 01:10:55,150

actual fact thing well geologically and

1541

01:10:59,310 --> 01:10:57,040

I read this and when I was in Egypt I

1542

01:11:03,210 --> 01:10:59,320

checked it out it's absolutely true on

1543

01:11:05,760 --> 01:11:03,220

both the Sphinx and the great I mean

1544

01:11:09,120 --> 01:11:05,770

there is very obvious vertical erosion

1545

01:11:11,700 --> 01:11:09,130

which mean is that the geologists will

1546

01:11:14,520 --> 01:11:11,710

tell you that that means they both the

1547

01:11:18,200 --> 01:11:14,530

structures set out under very any rains

1548

01:11:20,400 --> 01:11:18,210

for a very long time and yet the

1549

01:11:21,990 --> 01:11:20,410

Egyptologists in the archaeologists been

1550

01:11:24,120 --> 01:11:22,000

arguing no no that can't be right

1551

01:11:29,130 --> 01:11:24,130

because it was all built by the

1552

01:11:31,230 --> 01:11:29,140

Egyptians well you know again the

1553

01:11:33,510 --> 01:11:31,240

geology there's not been significant

1554

01:11:35,100 --> 01:11:33,520

rainfall in the Giza Plateau for more

1555

01:11:37,560 --> 01:11:35,110

than ten thousand five hundred years

1556

01:11:40,650 --> 01:11:37,570

which means at least the Sphinx and the

1557

01:11:42,240 --> 01:11:40,660

Great Pyramid set out it to the elements

1558

01:11:45,060 --> 01:11:42,250

more than ten thousand five hundred

1559

01:11:47,040 --> 01:11:45,070

years ago which leaves out the Egyptians

1560

01:11:49,410 --> 01:11:47,050

which only go back about five thousand

1561

01:11:51,960 --> 01:11:49,420

years and of course the problem there is

1562

01:11:54,780 --> 01:11:51,970

is that having been in Egypt their whole

1563

01:11:56,730 --> 01:11:54,790

economy is based on tourism and that

1564

01:11:59,130 --> 01:11:56,740

there's all kinds of reputable

1565

01:12:01,620 --> 01:11:59,140

scientists and archaeologists and

1566

01:12:04,710 --> 01:12:01,630

authors and you know who's based their

1567

01:12:07,020 --> 01:12:04,720

entire career writing about the majesty

1568

01:12:09,210 --> 01:12:07,030

of Egypt and how that the slaves the

1569

01:12:12,810 --> 01:12:09,220

Egyptian dragged stones through the

1570

01:12:16,650 --> 01:12:12,820

desert to build the pyramids and never

1571

01:12:20,240 --> 01:12:16,660

underestimate the power of the status

1572

01:12:23,340 --> 01:12:20,250

quo nobody wants to give all that up

1573

01:12:27,000 --> 01:12:23,350

true to me it would be way more

1574

01:12:32,540 --> 01:12:27,010

tantalizing if the theory said wait this

1575

01:12:42,220 --> 01:12:34,380

yeah then they're gonna have to start

1576

01:12:47,000 --> 01:12:44,540

people people particularly people are

1577

01:12:49,520 --> 01:12:47,010

making their living off of certain

1578

01:12:52,040 --> 01:12:49,530

conventional knowledge they do not want

1579

01:12:54,110 --> 01:12:52,050

to change say you and me we don't care

1580

01:12:56,900 --> 01:12:54,120

if somebody to come up and as the

1581

01:12:59,660 --> 01:12:56,910

evidence to show that the Sphinx and the

1582

01:13:02,930 --> 01:12:59,670

Great Pyramid were bit were built by

1583

01:13:05,330 --> 01:13:02,940

some earlier civilization that predated

1584

01:13:07,910 --> 01:13:05,340

the Egyptians maybe even predated the

1585

01:13:09,860 --> 01:13:07,920

Sumerians I would be very interested we

1586

01:13:12,560 --> 01:13:09,870

go wow that's cool I don't know about it

1587

01:13:15,110 --> 01:13:12,570

but you know if we had published books

1588

01:13:17,120 --> 01:13:15,120

all our lives on ancient Egypt and all

1589

01:13:19,250 --> 01:13:17,130

of their wonders we would be very

1590

01:13:22,160 --> 01:13:19,260

hesitant to say well gee I guess that's

1591

01:13:25,430 --> 01:13:22,170

not right right yeah and I understand

1592

01:13:28,390 --> 01:13:25,440

that to a degree but you know there's

1593

01:13:31,430 --> 01:13:28,400

there's I have to wonder if there is

1594

01:13:34,850 --> 01:13:31,440

affection behind that I mean you know

1595

01:13:40,070 --> 01:13:34,860

there's suspicions that the Smithsonian

1596

01:13:41,870 --> 01:13:40,080

you know hides away evidence there's a

1597

01:13:46,520 --> 01:13:41,880

faction behind some of the universities

1598

01:13:49,220 --> 01:13:46,530

the encourages the stay away from you

1599

01:13:51,830 --> 01:13:49,230

know from those theories exactly and

1600

01:13:54,830 --> 01:13:51,840

that's exactly true I've spoken with

1601
01:13:56,840 --> 01:13:54,840
some relatives archaeologists and they

1602
01:13:59,870 --> 01:13:56,850
say you know you can get grant money to

1603
01:14:02,810 --> 01:13:59,880
go study things at a certain distance

1604
01:14:04,970 --> 01:14:02,820
back in time or even a little bit

1605
01:14:08,120 --> 01:14:04,980
further but there are some areas

1606
01:14:11,210 --> 01:14:08,130
particularly in prehistory and going

1607
01:14:13,760 --> 01:14:11,220
back more than 20,000 years that you

1608
01:14:15,979 --> 01:14:13,770
just can't get grant money for and yet

1609
01:14:18,080 --> 01:14:15,989
that there are people at the top of the

1610
01:14:20,540 --> 01:14:18,090
power structure who obviously interested

1611
01:14:23,530 --> 01:14:20,550
in that at the beginning of the 20th

1612
01:14:26,390 --> 01:14:23,540
century who was it that one or two

1613
01:14:30,290 --> 01:14:26,400

Mesopotamia and was buying up a lot

1614

01:14:32,150 --> 01:14:30,300

that's Sumerian artwork and skills and a

1615

01:14:34,640 --> 01:14:32,160

lot of that information and bringing it

1616

01:14:37,400 --> 01:14:34,650

back over here john d rockefeller that's

1617

01:14:39,470 --> 01:14:37,410

- and so in certain levels these people

1618

01:14:41,390 --> 01:14:39,480

know these things they were really

1619

01:14:43,310 --> 01:14:41,400

fascinated with it but they don't want

1620

01:14:48,200 --> 01:14:43,320

us to know about it because it might

1621

01:14:51,050 --> 01:14:48,210

interfere with their monopolies yeah

1622

01:14:54,350 --> 01:14:51,060

which brings us to

1623

01:14:58,610 --> 01:14:54,360

Iraq and the Baghdad I think with the

1624

01:15:01,670 --> 01:14:58,620

National Museum so we know that only

1625

01:15:04,250 --> 01:15:01,680

invaded bag bag there seemed to be some

1626

01:15:08,210 --> 01:15:04,260

sort of gag order on protecting the the

1627

01:15:09,440 --> 01:15:08,220

National Museum there let's look at the

1628

01:15:13,170 --> 01:15:09,450

timeline okay

1629

01:15:14,470 --> 01:15:13,180

prior to our invasion of Iraq in 2003

1630

01:15:17,180 --> 01:15:14,480

[Music]

1631

01:15:20,210 --> 01:15:17,190

was a run up if you remember there were

1632

01:15:21,950 --> 01:15:20,220

anti-war demonstrations that were even

1633

01:15:24,080 --> 01:15:21,960

larger and greater than during the

1634

01:15:25,670 --> 01:15:24,090

Vietnam War yeah and not only in the

1635

01:15:29,240 --> 01:15:25,680

United States but in Europe in other

1636

01:15:31,700 --> 01:15:29,250

countries against us invading Iraq so it

1637

01:15:33,200 --> 01:15:31,710

wasn't like that was a surprise it you

1638

01:15:35,420 --> 01:15:33,210

know there was a buildup everybody knew

1639

01:15:37,250 --> 01:15:35,430

that we were getting ready to do that so

1640

01:15:38,330 --> 01:15:37,260

there were museum directors from all

1641

01:15:40,490 --> 01:15:38,340

around the world that went to the

1642

01:15:42,890 --> 01:15:40,500

Pentagon or contacted Pentagon and said

1643

01:15:45,040 --> 01:15:42,900

you know it is very very important that

1644

01:15:49,370 --> 01:15:45,050

you protect the Iraqi National Museum

1645

01:15:51,820 --> 01:15:49,380

because after all that that is the area

1646

01:15:54,770 --> 01:15:51,830

is the cradle of you of human

1647

01:15:59,300 --> 01:15:54,780

civilization and not only that but I

1648

01:16:02,150 --> 01:15:59,310

have in my files from 1999 2000 2001 at

1649

01:16:05,360 --> 01:16:02,160

French and German archeological teams

1650

01:16:08,360 --> 01:16:05,370

were making quote amazing new

1651

01:16:11,390 --> 01:16:08,370

discoveries in quote in the ancient

1652

01:16:14,090 --> 01:16:11,400

Sumerian cities there in Iraq and as I

1653

01:16:16,130 --> 01:16:14,100

mentioned earlier even Saddam Hussein

1654

01:16:18,590 --> 01:16:16,140

believed himself through incarnated and

1655

01:16:22,190 --> 01:16:18,600

African Esser and was trying to go back

1656

01:16:25,520 --> 01:16:22,200

and regain the glories of Babylon and so

1657

01:16:28,070 --> 01:16:25,530

all of a sudden we invade after

1658

01:16:30,200 --> 01:16:28,080

guaranteeing the safety of the National

1659

01:16:33,590 --> 01:16:30,210

Museum and yet what actually happened

1660

01:16:36,650 --> 01:16:33,600

was is that somebody stirred up a crowd

1661

01:16:39,200 --> 01:16:36,660

of looters and they ran in and broke

1662

01:16:41,570 --> 01:16:39,210

into the National Museum some of the

1663

01:16:43,520 --> 01:16:41,580

United States troops were called to try

1664

01:16:45,560 --> 01:16:43,530

to break that up and protect the museum

1665

01:16:48,440 --> 01:16:45,570

but then were called back by their

1666

01:16:49,880 --> 01:16:48,450

superiors and withdrawn and the looters

1667

01:16:52,450 --> 01:16:49,890

went through the whole place and just

1668

01:16:56,420 --> 01:16:52,460

looted hundreds of thousands of items

1669

01:16:58,850 --> 01:16:56,430

destroyed more but the key it is a lot

1670

01:17:00,740 --> 01:16:58,860

of that was returned within months

1671

01:17:02,630 --> 01:17:00,750

because it would turn up in local flea

1672

01:17:02,990 --> 01:17:02,640

markets and markets and people would buy

1673

01:17:07,550 --> 01:17:03,000

it

1674

01:17:11,210 --> 01:17:07,560

museum but Colonel Matthew Bakke knows

1675

01:17:13,570 --> 01:17:11,220

who investigated this Iraqi National

1676

01:17:16,700 --> 01:17:13,580

Museum break-in for general Tommy Franks

1677

01:17:20,150 --> 01:17:16,710

wrote later that the basement was an

1678

01:17:23,180 --> 01:17:20,160

inside job so they used this looting

1679

01:17:25,580 --> 01:17:23,190

crowd as just cover while operatives

1680

01:17:28,910 --> 01:17:25,590

went in had keys to some of the exhibits

1681

01:17:31,460 --> 01:17:28,920

they had knowledge of the exhibits they

1682

01:17:33,740 --> 01:17:31,470

bypassed expensive looking fakes and

1683

01:17:36,020 --> 01:17:33,750

went right for the basement and where

1684

01:17:38,510 --> 01:17:36,030

they took out all of this new stuff and

1685

01:17:40,310 --> 01:17:38,520

what was the new stuff well the word is

1686

01:17:43,310 --> 01:17:40,320

is that they were getting some of this

1687

01:17:45,920 --> 01:17:43,320

ancient technology that probably was

1688

01:17:48,230 --> 01:17:45,930

passed down from the Anunnaki and in

1689

01:17:50,630 --> 01:17:48,240

fact my sources tell me that yes they

1690

01:17:52,130 --> 01:17:50,640

got an ET technology problem is they

1691

01:17:54,620 --> 01:17:52,140

couldn't figure out how to make it work

1692

01:17:56,480 --> 01:17:54,630

but but that's what the that's what the

1693

01:17:59,180 --> 01:17:56,490

invasion of Iraq may have been about

1694

01:18:01,730 --> 01:17:59,190

because I've been in the military and I

1695

01:18:04,760 --> 01:18:01,740

know military strategy and tactics and

1696

01:18:07,850 --> 01:18:04,770

you don't just run into a country and go

1697

01:18:10,280 --> 01:18:07,860

right to the to the capital you have to

1698

01:18:11,600 --> 01:18:10,290

take your objectives and then you can

1699

01:18:13,790 --> 01:18:11,610

solid ate your winnings

1700

01:18:15,410 --> 01:18:13,800

you control the countryside and then you

1701

01:18:18,050 --> 01:18:15,420

move on to your next objective

1702

01:18:19,910 --> 01:18:18,060

until you subdued the whole country we

1703

01:18:24,200 --> 01:18:19,920

never did do that we made a beeline for

1704

01:18:26,000 --> 01:18:24,210

Baghdad we failed to pacify and control

1705

01:18:27,560 --> 01:18:26,010

the countryside which is why they're

1706

01:18:31,820 --> 01:18:27,570

still having trouble over there today

1707

01:18:35,300 --> 01:18:31,830

and the only outcome of that was the

1708

01:18:38,720 --> 01:18:35,310

looting of the Iraqi National Museum but

1709

01:18:42,110 --> 01:18:38,730

a lot of people can accept us going to

1710

01:18:43,460 --> 01:18:42,120

get oil but I think it's harder to

1711

01:18:47,120 --> 01:18:43,470

accept that there's an ancient

1712

01:18:49,130 --> 01:18:47,130

technology but technology is that

1713

01:18:50,810 --> 01:18:49,140

something that was a new discovery or is

1714

01:18:53,000 --> 01:18:50,820

that something that was in there for

1715

01:18:56,900 --> 01:18:53,010

some time no this was the new

1716

01:18:58,730 --> 01:18:56,910

discoveries okay okay and and I did that

1717

01:19:02,320 --> 01:18:58,740

we went in for the oil is ridiculous

1718

01:19:05,000 --> 01:19:02,330

because we were only getting 16% of our

1719

01:19:07,220 --> 01:19:05,010

imported foreign oil out of Iraq to

1720

01:19:08,780 --> 01:19:07,230

begin with and after we invaded because

1721

01:19:10,850 --> 01:19:08,790

of the fighting and the burning oil

1722

01:19:13,550 --> 01:19:10,860

wells and the everything else we didn't

1723

01:19:16,230 --> 01:19:13,560

even get that 16% so the idea that we

1724

01:19:19,180 --> 01:19:16,240

would get oil is ridicu

1725

01:19:20,770 --> 01:19:19,190

yeah it's about it that as good as we

1726

01:19:22,660 --> 01:19:20,780

went in there to get those weapons of

1727

01:19:27,040 --> 01:19:22,670

mass destruction in which we never good

1728

01:19:30,190 --> 01:19:27,050

fine so there has to be another reason

1729

01:19:33,640 --> 01:19:30,200

and as far as I'm concerned loading the

1730

01:19:38,380 --> 01:19:33,650

Iraqi National Museum of et technologies

1731

01:19:41,140 --> 01:19:38,390

as good as any yeah and assuming that

1732

01:19:45,130 --> 01:19:41,150

there was technology there then that we

1733

01:19:47,020 --> 01:19:45,140

needed or wanted what has been done with

1734

01:19:50,260 --> 01:19:47,030

that you know what were what have we

1735

01:19:52,540 --> 01:19:50,270

turned that into do ya or can we even

1736

01:19:55,830 --> 01:19:52,550

make it work well again let's go back

1737

01:19:58,120 --> 01:19:55,840

since the dama same believed himself the

1738

01:20:00,010 --> 01:19:58,130

reincarnated Nebuchadnezzar let's go

1739

01:20:02,470 --> 01:20:00,020

take a look at Nebuchadnezzar and what

1740

01:20:05,080 --> 01:20:02,480

he was doing he of course built the

1741

01:20:07,150 --> 01:20:05,090

glory of ancient Babylon Hanging Gardens

1742

01:20:11,680 --> 01:20:07,160

and you know this is a wonderful place

1743

01:20:14,620 --> 01:20:11,690

with even had a flowing water aqueducts

1744

01:20:17,410 --> 01:20:14,630

all kinds of what we think of as modern

1745

01:20:19,930 --> 01:20:17,420

conveniences but apparently he had even

1746

01:20:21,610 --> 01:20:19,940

more exotic technology because if you go

1747

01:20:25,360 --> 01:20:21,620

to the old testament read the book of

1748

01:20:28,980 --> 01:20:25,370

daniel you'll find that nebuchadnezzar

1749

01:20:32,530 --> 01:20:28,990

built based on knowledge he had of

1750

01:20:35,050 --> 01:20:32,540

ancient knowledge built to what has been

1751

01:20:36,970 --> 01:20:35,060

called a fiery furnace but obviously it

1752

01:20:39,190 --> 01:20:36,980

wasn't it was made out of gold and he

1753

01:20:42,690 --> 01:20:39,200

gives the dimensions and it was just

1754

01:20:45,400 --> 01:20:42,700

kind of a large cabinet or little room

1755

01:20:49,870 --> 01:20:45,410

made with gold which is a highly

1756

01:20:51,490 --> 01:20:49,880

conductive metal and when his people

1757

01:20:55,000 --> 01:20:51,500

would go in there and they would get

1758

01:20:56,740 --> 01:20:55,010

sick and die and so obviously as they

1759

01:20:59,380 --> 01:20:56,750

were generating some sort of force field

1760

01:21:01,600 --> 01:20:59,390

or energy field there that was harmful

1761

01:21:04,090 --> 01:21:01,610

to his people so he goes down to

1762

01:21:06,760 --> 01:21:04,100

palestine and gets the three Hebrew

1763

01:21:08,800 --> 01:21:06,770

priest Shadrach Meshach Abednego and he

1764

01:21:11,380 --> 01:21:08,810

brings him up to Babel it and he says

1765

01:21:13,330 --> 01:21:11,390

okay now you have access to the ancient

1766

01:21:15,370 --> 01:21:13,340

records maybe you know how to make this

1767

01:21:16,960 --> 01:21:15,380

thing work and they said well you're not

1768

01:21:19,000 --> 01:21:16,970

our King you don't believe in our God

1769

01:21:20,590 --> 01:21:19,010

and we're not gonna work for you so he

1770

01:21:21,970 --> 01:21:20,600

said well you either gonna make it work

1771

01:21:24,040 --> 01:21:21,980

you're gonna die because I'm going to

1772

01:21:26,200 --> 01:21:24,050

put you in it and but he didn't just

1773

01:21:27,240 --> 01:21:26,210

immediately toss them in there it says

1774

01:21:29,250 --> 01:21:27,250

first they die

1775

01:21:31,890 --> 01:21:29,260

raiments and their cloaks and their ads

1776

01:21:33,480 --> 01:21:31,900

you know what's they got to do with

1777

01:21:35,520 --> 01:21:33,490

anything why would they make record of

1778

01:21:37,950 --> 01:21:35,530

that unless they were putting on some

1779

01:21:40,320 --> 01:21:37,960

kind of radiation suits some kind of

1780

01:21:43,440 --> 01:21:40,330

protective clothing so they give the

1781

01:21:45,480 --> 01:21:43,450

three priests go in this the structure

1782

01:21:47,340 --> 01:21:45,490

that they call on a fiery furnace which

1783

01:21:49,770 --> 01:21:47,350

obviously went to find sir they would

1784

01:21:51,750 --> 01:21:49,780

have burned up and the King

1785

01:21:54,090 --> 01:21:51,760

Nebuchadnezzar get anymore get close to

1786

01:21:55,920 --> 01:21:54,100

it so he hollers to his minions and says

1787

01:21:57,960 --> 01:21:55,930

you know or are all three of them in

1788

01:21:59,610 --> 01:21:57,970

there and they said yes O king all

1789

01:22:02,460 --> 01:21:59,620

threes in there in fact there's a fourth

1790

01:22:04,650 --> 01:22:02,470

in there I'm why they put three people

1791

01:22:06,090 --> 01:22:04,660

in and now there's a fourth and

1792

01:22:08,190 --> 01:22:06,100

Nebuchadnezzar says well who's the

1793

01:22:10,890 --> 01:22:08,200

fourth one they said it's a son of God

1794

01:22:12,630 --> 01:22:10,900

so obviously some kind of really you

1795

01:22:13,980 --> 01:22:12,640

know here's something going for him

1796

01:22:16,560 --> 01:22:13,990

because he didn't approve it you know

1797

01:22:18,330 --> 01:22:16,570

they knew wasn't human and so anyway

1798

01:22:21,870 --> 01:22:18,340

what are we talking about they're an

1799

01:22:24,750 --> 01:22:21,880

energy field maybe a wormhole or a time

1800

01:22:26,430 --> 01:22:24,760

tunnel or who knows but the three people

1801
01:22:28,380 --> 01:22:26,440
went in and then there were four and of

1802
01:22:29,610 --> 01:22:28,390
course you never heard even more about

1803
01:22:32,490 --> 01:22:29,620
it that's the end of that story

1804
01:22:34,740 --> 01:22:32,500
except that Nebuchadnezzar made the

1805
01:22:36,330 --> 01:22:34,750
three priests and put them in charge of

1806
01:22:38,160 --> 01:22:36,340
Babylon that's how much that's how

1807
01:22:42,780 --> 01:22:38,170
impressed he was with what they were

1808
01:22:45,020 --> 01:22:42,790
able to do so is this a hint that they

1809
01:22:50,880 --> 01:22:45,030
had ancient energy manipulation

1810
01:22:52,140 --> 01:22:50,890
technology I would suspect so but we may

1811
01:22:55,160 --> 01:22:52,150
actually have some of that technology

1812
01:22:57,660 --> 01:22:55,170
even before we'd gone into Baghdad

1813
01:22:59,610 --> 01:22:57,670

obviously if you believe in the secret

1814

01:23:01,440 --> 01:22:59,620

space program you know I don't think

1815

01:23:03,780 --> 01:23:01,450

that it would make sense that the secret

1816

01:23:06,030 --> 01:23:03,790

space program is just purely based on

1817

01:23:07,650 --> 01:23:06,040

rocket technology you know there are

1818

01:23:08,880 --> 01:23:07,660

remote places in the world but you can

1819

01:23:11,100 --> 01:23:08,890

only launch so many Rockets before

1820

01:23:13,500 --> 01:23:11,110

somebody notices so they're getting into

1821

01:23:15,900 --> 01:23:13,510

space they're using some other advanced

1822

01:23:18,060 --> 01:23:15,910

technology well before there was a

1823

01:23:21,180 --> 01:23:18,070

blackout over the information in the

1824

01:23:23,100 --> 01:23:21,190

early 50s and right after war - some

1825

01:23:26,100 --> 01:23:23,110

prominent aviation people were talking

1826

01:23:28,050 --> 01:23:26,110

about anti-gravity craft and I think

1827

01:23:29,340 --> 01:23:28,060

that's where they win and I think that's

1828

01:23:31,590 --> 01:23:29,350

what they developed but they wanted to

1829

01:23:33,510 --> 01:23:31,600

keep that secret and Allen you're right

1830

01:23:35,610 --> 01:23:33,520

they couldn't very well be launching a

1831

01:23:36,900 --> 01:23:35,620

great heavy lift for Rockets you know

1832

01:23:38,510 --> 01:23:36,910

around the world without somebody

1833

01:23:41,720 --> 01:23:38,520

spotting that but

1834

01:23:43,850 --> 01:23:41,730

how about while we are all fixated on

1835

01:23:46,220 --> 01:23:43,860

watching those giant Rockets take off

1836

01:23:48,590 --> 01:23:46,230

from Cape Canaveral why

1837

01:23:51,680 --> 01:23:48,600

you know we tons of smoke and flame and

1838

01:23:55,820 --> 01:23:51,690

roaring sounds everything meanwhile over

1839

01:23:58,580 --> 01:23:55,830

in the Okefenokee Swamp they just lift

1840

01:24:03,110 --> 01:23:58,590

it off you know with using anti-gravity

1841

01:24:06,830 --> 01:24:03,120

technology yeah that would be our most

1842

01:24:11,150 --> 01:24:06,840

you know sensitive weapons technology so

1843

01:24:13,640 --> 01:24:11,160

you have to keep all that secret yeah

1844

01:24:15,140 --> 01:24:13,650

and that's that's the key here a secret

1845

01:24:18,590 --> 01:24:15,150

and that's what your book our quilted

1846

01:24:22,700 --> 01:24:18,600

history is really focused on what it how

1847

01:24:25,130 --> 01:24:22,710

in goodness name can can you keep a

1848

01:24:27,680 --> 01:24:25,140

secret like this for for so long for so

1849

01:24:30,670 --> 01:24:27,690

many generations I mean if you think

1850

01:24:34,250 --> 01:24:30,680

about just let's say a UFO recovery

1851

01:24:36,440 --> 01:24:34,260

crash recovery or development even if

1852

01:24:39,470 --> 01:24:36,450

it's compartmentalized the development

1853

01:24:41,360 --> 01:24:39,480

of a technology or secret space program

1854

01:24:45,170 --> 01:24:41,370

I mean you have to hire personnel you

1855

01:24:48,830 --> 01:24:45,180

have to have human beings so how do you

1856

01:24:50,720 --> 01:24:48,840

keep all these people under wraps well

1857

01:24:52,420 --> 01:24:50,730

let me offer you two things number one

1858

01:24:55,760 --> 01:24:52,430

was thinking about the Manhattan Project

1859

01:24:57,620 --> 01:24:55,770

you know something like 25 or 30,000

1860

01:24:59,600 --> 01:24:57,630

people worked on the Manhattan Project

1861

01:25:01,880 --> 01:24:59,610

and yet nobody broke the silence

1862

01:25:04,640 --> 01:25:01,890

nobody knew we had an atomic bomb until

1863

01:25:07,490 --> 01:25:04,650

we set one off and announced it so yes

1864

01:25:10,270 --> 01:25:07,500

the government can keep secrets number

1865

01:25:13,160 --> 01:25:10,280

two it's not really secret in any way

1866

01:25:15,770 --> 01:25:13,170

there's been plenty of people who's who

1867

01:25:17,840 --> 01:25:15,780

whistleblowers who've talked about the

1868

01:25:19,310 --> 01:25:17,850

space fleet who talks about the Kennedy

1869

01:25:22,550 --> 01:25:19,320

assassination who talked about the

1870

01:25:24,680 --> 01:25:22,560

insiders of 9/11 blah blah blah but the

1871

01:25:26,930 --> 01:25:24,690

problem is is that it hasn't hit the

1872

01:25:29,210 --> 01:25:26,940

mainstream media the corporate control

1873

01:25:30,890 --> 01:25:29,220

media they don't acknowledge these

1874

01:25:33,740 --> 01:25:30,900

whistleblowers and they don't

1875

01:25:36,460 --> 01:25:33,750

acknowledge the information that's out

1876

01:25:39,230 --> 01:25:36,470

there you and I can go find things but

1877

01:25:42,890 --> 01:25:39,240

for most people unless they hear it on

1878

01:25:45,590 --> 01:25:42,900

CNN or see it on the NBC news it's just

1879

01:25:47,660 --> 01:25:45,600

not real and so again I mentioned this

1880

01:25:49,400 --> 01:25:47,670

early in the program they don't have to

1881

01:25:51,890 --> 01:25:49,410

really keeping them secret they just

1882

01:25:53,690 --> 01:25:51,900

have to keep it muddied you know

1883

01:25:55,760 --> 01:25:53,700

in controversy and then nothing gets

1884

01:25:58,670 --> 01:25:55,770

done about it and you still got plenty

1885

01:25:59,810 --> 01:25:58,680

of people that go oh I can't be true and

1886

01:26:01,550 --> 01:25:59,820

they don't want to listen to it they

1887

01:26:03,890 --> 01:26:01,560

don't want to listen to believe it and

1888

01:26:05,840 --> 01:26:03,900

so you know you just nothing happens and

1889

01:26:08,900 --> 01:26:05,850

nothing you know yet

1890

01:26:12,290 --> 01:26:08,910

everybody are for instance on the

1891

01:26:15,080 --> 01:26:12,300

disclosure of UFOs and of the cruising

1892

01:26:17,810 --> 01:26:15,090

of extraterrestrials anyone who is

1893

01:26:19,580 --> 01:26:17,820

seriously studied the issue comes to the

1894

01:26:22,790 --> 01:26:19,590

realization that that's all very real

1895

01:26:24,890 --> 01:26:22,800

and that yes they're here okay now we

1896

01:26:27,620 --> 01:26:24,900

don't know precisely how many we don't

1897

01:26:29,300 --> 01:26:27,630

know precisely who where they are but we

1898

01:26:31,400 --> 01:26:29,310

know that they're here and it's

1899

01:26:34,130 --> 01:26:31,410

happening you know almost every thinking

1900

01:26:36,350 --> 01:26:34,140

person is there but yet it has not been

1901

01:26:39,170 --> 01:26:36,360

officially acknowledged and there are

1902

01:26:41,240 --> 01:26:39,180

those who unless the president United

1903

01:26:44,090 --> 01:26:41,250

States so the Secretary of Defense got

1904

01:26:45,710 --> 01:26:44,100

up publicly and said yes folks there are

1905

01:26:48,560 --> 01:26:45,720

aliens and even then they probably

1906

01:26:52,760 --> 01:26:48,570

wouldn't believe them you know so it's

1907

01:26:55,310 --> 01:26:52,770

just a question of keeping things I'm

1908

01:26:58,490 --> 01:26:55,320

fisk added okay and then that way

1909

01:27:00,290 --> 01:26:58,500

nothing gets done about it and all right

1910

01:27:02,950 --> 01:27:00,300

I'm sorry to interrupt but we're coming

1911

01:27:05,420 --> 01:27:02,960

up on a break here our last dance break

1912

01:27:07,760 --> 01:27:05,430

will be back everybody this epic voyage

1913

01:27:15,570 --> 01:27:07,770

is radio I'm allen Smith with jim marrs

1914

01:27:34,290 --> 01:27:30,260

[Music]

1915

01:27:44,410 --> 01:27:34,300

you're listening to IRA the inception

1916

01:27:48,760 --> 01:27:46,510

do you have a smartphone if so

1917

01:27:50,110 --> 01:27:48,770

conception radio network is the best app

1918

01:27:53,350 --> 01:27:50,120

for you available

1919

01:27:55,720 --> 01:27:53,360

I choose Android Samsung and most of the

1920

01:27:58,750 --> 01:27:55,730

rap storms just search inception radio

1921

01:28:01,240 --> 01:27:58,760

network with the applicants entire check

1922

01:28:03,280 --> 01:28:01,250

out podcast of recent amp our shows and

1923

01:28:06,190 --> 01:28:03,290

view our videos see what shows are

1924

01:28:08,140 --> 01:28:06,200

coming up who the guests are and via the

1925

01:28:10,570 --> 01:28:08,150

chat room send live questions to those

1926

01:28:11,800 --> 01:28:10,580

guests do you know it makes sense and

1927

01:28:14,710 --> 01:28:11,810

check your App Store now

1928

01:28:20,950 --> 01:28:14,720

inception radio network I'll see you

1929

01:28:22,780 --> 01:28:20,960

there don't have a computer is your

1930

01:28:24,250 --> 01:28:22,790

internet connection down don't worry

1931

01:28:25,990 --> 01:28:24,260

use your trusty cell phone or landline

1932

01:28:27,970 --> 01:28:26,000

and call in to our listen line at four

1933

01:28:29,800 --> 01:28:27,980

oh one two eight three six seven zero

1934

01:28:32,560 --> 01:28:29,810

zero to listen to the inception radio

1935

01:28:36,370 --> 01:28:32,570

network 24/7 again that caller number is

1936

01:28:41,330 --> 01:28:36,380

401 to a three six seven zero zero for

1937

01:28:48,170 --> 01:28:46,130

Oh Irene listeners this is MJ saying

1938

01:28:51,010 --> 01:28:48,180

hello and sharing boss and secret I

1939

01:28:53,660 --> 01:28:51,020

discovered it's called dream Lodge calm

1940

01:28:56,270 --> 01:28:53,670

fresh raw organic ingredients are used

1941

01:28:58,460 --> 01:28:56,280

to create all their products they are

1942

01:29:01,100 --> 01:28:58,470

made in very small batches to ensure

1943

01:29:04,220 --> 01:29:01,110

quality and freshness and made in the

1944

01:29:05,860 --> 01:29:04,230

USA each product is created with care

1945

01:29:08,360 --> 01:29:05,870

and with the finest organic ingredients

1946

01:29:10,850 --> 01:29:08,370

there are no preservatives dyes or

1947

01:29:15,220 --> 01:29:10,860

chemicals in any product and stop by

1948

01:29:20,730 --> 01:29:15,230

dream Lodge and laughs that's d-r-e am

1949

01:29:28,760 --> 01:29:20,740

nu AG e calm simple Rob organic

1950

01:29:29,880 --> 01:29:28,770

[Music]

1951

01:29:34,370 --> 01:29:29,890

[Applause]

1952

01:29:37,370 --> 01:29:34,380

[Music]

1953

01:29:39,050 --> 01:29:37,380

hello inception radio network would you

1954

01:29:40,250 --> 01:29:39,060

like your favorite show to be played

1955

01:29:42,229 --> 01:29:40,260

again live on air

1956

01:29:44,990 --> 01:29:42,239

well now the choice is in your hands

1957

01:29:47,060 --> 01:29:45,000

with ir ends live request portal an easy

1958

01:29:50,030 --> 01:29:47,070

way to request your favorite show with a

1959

01:29:52,250 --> 01:29:50,040

simple click ir ends live request portal

1960

01:29:55,129 --> 01:29:52,260

now gives you exclusive access to all

1961

01:29:57,709 --> 01:29:55,139

the shows how easy is it simply type a

1962

01:30:00,080 --> 01:29:57,719

show name or a guest name click request

1963

01:30:00,709 --> 01:30:00,090

even write a dedication message and

1964

01:30:02,930 --> 01:30:00,719

that's it

1965

01:30:05,479 --> 01:30:02,940

try it now simply visit inception Radio

1966

01:30:08,360 --> 01:30:05,489

Network comm click on the live requests

1967

01:30:10,350 --> 01:30:08,370

tab under the show menu now playing your

1968

01:30:12,939 --> 01:30:10,360

favorite show is just a mouse click away

1969

01:30:15,530 --> 01:30:12,949

[Music]

1970

01:30:17,419 --> 01:30:15,540

hi inception radio network listeners

1971

01:30:19,640 --> 01:30:17,429

this is Amanda just a reminder that

1972

01:30:23,240 --> 01:30:19,650

inception radio network is on Twitter

1973

01:30:25,550 --> 01:30:23,250

follow us at I underscore our underscore

1974

01:30:26,030 --> 01:30:25,560

end and keep up to date about who's on

1975

01:30:27,800 --> 01:30:26,040

tonight

1976

01:30:29,629 --> 01:30:27,810

what interviews they'll be doing whose

1977

01:30:31,040 --> 01:30:29,639

guest spotting what topics they'll be

1978

01:30:32,930 --> 01:30:31,050

covering tweet to us

1979

01:30:35,180 --> 01:30:32,940

tweet about us retweet topics to your

1980

01:30:37,340 --> 01:30:35,190

friends and most importantly never miss

1981

01:30:42,590 --> 01:30:37,350

a great show again that's I underscore

1982

01:30:49,170 --> 01:30:46,710

hi can you hear my voice imagine how

1983

01:30:50,670 --> 01:30:49,180

many other people can hear it too if you

1984

01:30:53,070 --> 01:30:50,680

have advertising needs then look no

1985

01:30:54,660 --> 01:30:53,080

further the inception radio network

1986

01:30:56,370 --> 01:30:54,670

currently has openings for on-air

1987

01:30:58,770 --> 01:30:56,380

advertisements and radio show

1988

01:31:01,410 --> 01:30:58,780

sponsorships giving any thought to your

1989

01:31:04,290 --> 01:31:01,420

target demographic inception has you

1990

01:31:06,480 --> 01:31:04,300

covered there - advertising on a network

1991

01:31:08,250 --> 01:31:06,490

gives you multiple opportunities to

1992

01:31:10,530 --> 01:31:08,260

advertise on a wide variety of radio

1993

01:31:13,140 --> 01:31:10,540

show broadcasts and we have one to fit

1994

01:31:15,300 --> 01:31:13,150

every advertising need you know in

1995

01:31:17,250 --> 01:31:15,310

recent years internet radio has

1996

01:31:20,040 --> 01:31:17,260

exhibited a phenomenal listener growth

1997

01:31:23,130 --> 01:31:20,050

in Arbitron Edison survey shows that

1998

01:31:25,860 --> 01:31:23,140

online radio boosts at least 33 million

1999

01:31:28,230 --> 01:31:25,870

unique visitors each week and 54 million

2000

01:31:30,480 --> 01:31:28,240

each month and that number amazingly

2001

01:31:32,100 --> 01:31:30,490

continues to grow and these listeners

2002

01:31:34,920 --> 01:31:32,110

are a part of many businesses core

2003

01:31:36,930 --> 01:31:34,930

demographics and surveys have shown that

2004

01:31:38,790 --> 01:31:36,940

internet radio listeners are far more

2005

01:31:40,290 --> 01:31:38,800

likely than regular radio listeners to

2006

01:31:42,300 --> 01:31:40,300

spend money on a whole range of

2007

01:31:44,490 --> 01:31:42,310

activities you know Internet listeners

2008

01:31:47,070 --> 01:31:44,500

folks they dine out and eat fast food

2009

01:31:49,230 --> 01:31:47,080

and they grab a cup of coffee and here's

2010

01:31:51,210 --> 01:31:49,240

the interesting one they buy items

2011

01:31:53,790 --> 01:31:51,220

online at a much higher rate than all

2012

01:31:56,040 --> 01:31:53,800

other market segments combined internet

2013

01:31:58,800 --> 01:31:56,050

radio also enables businesses to connect

2014

01:32:00,690 --> 01:31:58,810

with consumers during work hours

2015

01:32:03,510 --> 01:32:00,700

where increasingly more lifestyle

2016

01:32:05,790 --> 01:32:03,520

decisions are being made advertised with

2017

01:32:07,920 --> 01:32:05,800

the best the inception radio network

2018

01:32:09,750 --> 01:32:07,930

offers competitive advertising rates to

2019

01:32:14,220 --> 01:32:09,760

fit just about anyone's advertising

2020

01:32:17,130 --> 01:32:14,230

budget stop by today at WWE inception

2021

01:32:20,400 --> 01:32:17,140

radio network comm or call us toll free

2022

01:32:23,760 --> 01:32:20,410

at one triple eight nine one nine two

2023

01:32:30,650 --> 01:32:23,770

three five five get the word out get

2024

01:32:36,660 --> 01:32:34,500

[Music]

2025

01:32:38,820 --> 01:32:36,670

epoch is extraordinary phenomenon

2026

01:32:40,979 --> 01:32:38,830

investigations council the forum for

2027

01:32:42,810 --> 01:32:40,989

scholars experts and those fascinated by

2028

01:32:46,140 --> 01:32:42,820

and involved in study of ancient

2029

01:32:49,620 --> 01:32:46,150

civilizations conspiracies cryptozoology

2030

01:32:51,630 --> 01:32:49,630

ETS and UFOs fringe science repair all

2031

01:32:53,850 --> 01:32:51,640

in all manner of extraordinary phenomena

2032

01:32:55,680 --> 01:32:53,860

please join fbi's we examine the

2033

01:32:58,290 --> 01:32:55,690

mysteries of the world and beyond one

2034

01:32:59,640 --> 01:32:58,300

epic voyage is calm and for updates on

2035

01:33:02,280 --> 01:32:59,650

the upcoming interactive video

2036

01:33:04,440 --> 01:33:02,290

presentations latest news and discussion

2037

01:33:05,970 --> 01:33:04,450

on the epic forum as well as research

2038

01:33:08,520 --> 01:33:05,980

investigations and membership

2039

01:33:10,620 --> 01:33:08,530

opportunities epic voyages program

2040

01:33:11,580 --> 01:33:10,630

schedules on the inception radio network

2041

01:33:28,020 --> 01:33:11,590

thank you for joining

2042

01:33:28,030 --> 01:33:53,880

you

2043

01:33:59,530 --> 01:33:57,490

hey this Allenby Smith from epic voyages

2044

01:34:01,810 --> 01:33:59,540

radio live on inception radio network

2045

01:34:03,520 --> 01:34:01,820

welcome back our guest tonight is Jim

2046

01:34:06,730 --> 01:34:03,530

Marrs and taking us out of the break was

2047

01:34:08,860 --> 01:34:06,740

why by enigma one of my um my favorite

2048

01:34:11,710 --> 01:34:08,870

groups and that's all we're asking

2049

01:34:15,250 --> 01:34:11,720

tonight is why why why why what when and

2050

01:34:17,140 --> 01:34:15,260

where and Jim is just a store of

2051
01:34:18,400 --> 01:34:17,150
information it's an absolute pleasure to

2052
01:34:20,110 --> 01:34:18,410
talk with him tonight I don't glad you

2053
01:34:23,680 --> 01:34:20,120
guys are here with us to share in this

2054
01:34:28,000 --> 01:34:23,690
conversation but Jim I saw a comment in

2055
01:34:30,460 --> 01:34:28,010
the chat room and you know some people

2056
01:34:33,550 --> 01:34:30,470
actually have some suspicions of you

2057
01:34:35,380 --> 01:34:33,560
this just popped up says Jim is

2058
01:34:37,870 --> 01:34:35,390
convinced that the elite is tied in with

2059
01:34:40,240 --> 01:34:37,880
the entities in my opinion serving as

2060
01:34:42,820 --> 01:34:40,250
their minion in exchange for knowledge

2061
01:34:44,140 --> 01:34:42,830
for their selfish occultic controls so

2062
01:34:46,930 --> 01:34:44,150
if I got that right it sounds like

2063
01:34:48,520 --> 01:34:46,940

they're they're suspecting you let me

2064

01:34:50,470 --> 01:34:48,530

know if I'm wrong new trauma that sounds

2065

01:34:52,330 --> 01:34:50,480

like they're suspecting you of having

2066

01:35:00,580 --> 01:34:52,340

some sort of insider information because

2067

01:35:03,250 --> 01:35:00,590

you're playing toward their hand yes I

2068

01:35:05,080 --> 01:35:03,260

do have insider information things I

2069

01:35:08,650 --> 01:35:05,090

cannot you know I can't always tell what

2070

01:35:10,480 --> 01:35:08,660

I know because knowing improving or

2071

01:35:12,640 --> 01:35:10,490

sometimes two different things and I

2072

01:35:14,680 --> 01:35:12,650

always pretty well stick to writing and

2073

01:35:17,080 --> 01:35:14,690

making public statements about things I

2074

01:35:19,360 --> 01:35:17,090

can prove or that I'm certain in my mind

2075

01:35:21,510 --> 01:35:19,370

is true but I have reason to believe

2076

01:35:24,670 --> 01:35:21,520

that at the very top of the food chain

2077

01:35:27,940 --> 01:35:24,680

you know in fact I raise the question in

2078

01:35:32,070 --> 01:35:27,950

my book are cultured history what I did

2079

01:35:35,950 --> 01:35:32,080

in this book is yes good sense to me

2080

01:35:38,830 --> 01:35:35,960

okay Jim good right what I did was

2081

01:35:41,260 --> 01:35:38,840

connect two topics that heretofore I

2082

01:35:43,390 --> 01:35:41,270

don't think you've been connected one is

2083

01:35:46,720 --> 01:35:43,400

the idea of ancient astronauts which

2084

01:35:49,780 --> 01:35:46,730

thanks to that TV show has has gained

2085

01:35:52,360 --> 01:35:49,790

more and more credence in the minds of a

2086

01:35:55,180 --> 01:35:52,370

lot of people and I think that talking

2087

01:35:58,270 --> 01:35:55,190

with some of my fellow investigators and

2088

01:35:59,860 --> 01:35:58,280

writers and researchers we have come to

2089

01:36:03,640 --> 01:35:59,870

the conclusion that the evidence for

2090

01:36:07,180 --> 01:36:03,650

ancient astronauts is certainly

2091

01:36:10,090 --> 01:36:07,190

compelling if not overwhelming so you've

2092

01:36:13,060 --> 01:36:10,100

got that topic the next topic of course

2093

01:36:16,090 --> 01:36:13,070

is the New World Order but so the idea

2094

01:36:18,100 --> 01:36:16,100

that a a clique of very wealthy powerful

2095

01:36:20,169 --> 01:36:18,110

people today are trying to run the world

2096

01:36:24,300 --> 01:36:20,179

and actually this has been pretty well

2097

01:36:27,570 --> 01:36:24,310

documented by 2011 study by Swiss

2098

01:36:30,669 --> 01:36:27,580

institution that found that after out of

2099

01:36:32,740 --> 01:36:30,679

43,000 multinational corporations it all

2100

01:36:34,510 --> 01:36:32,750

devolves down to about twenty banks they

2101

01:36:37,380 --> 01:36:34,520

control them all with interlocking

2102

01:36:39,760 --> 01:36:37,390

directorships and ownerships so yes

2103

01:36:41,950 --> 01:36:39,770

well-documented it is the idea that

2104

01:36:45,010 --> 01:36:41,960

today there's a small handful of people

2105

01:36:47,560 --> 01:36:45,020

who are at least are trying to run the

2106

01:36:49,360 --> 01:36:47,570

world and my question going into our

2107

01:36:53,020 --> 01:36:49,370

occult in history is can these two

2108

01:36:55,390 --> 01:36:53,030

topics be connected yes they can because

2109

01:36:57,370 --> 01:36:55,400

the two tie modern methods of

2110

01:37:00,729 --> 01:36:57,380

controlling the human population

2111

01:37:05,350 --> 01:37:00,739

our first religion and then money our

2112

01:37:08,560 --> 01:37:05,360

finances and in fact when Jesus you know

2113

01:37:10,840 --> 01:37:08,570

the Lord of peace when the one time he's

2114

01:37:12,820 --> 01:37:10,850

documented is getting very angry and

2115

01:37:15,850 --> 01:37:12,830

actually getting violent is when he

2116

01:37:18,160 --> 01:37:15,860

chased the money changers oh okay now

2117

01:37:20,770 --> 01:37:18,170

did he do that did he go to the bank no

2118

01:37:24,250 --> 01:37:20,780

they were in the temple and this means

2119

01:37:27,430 --> 01:37:24,260

that religion and money finances have

2120

01:37:28,300 --> 01:37:27,440

been intertwined going all the way back

2121

01:37:31,720 --> 01:37:28,310

through history

2122

01:37:33,340 --> 01:37:31,730

now religion is what ran the show up

2123

01:37:36,430 --> 01:37:33,350

through the Middle Ages you know and the

2124

01:37:39,070 --> 01:37:36,440

universal Church and answered that

2125

01:37:41,200 --> 01:37:39,080

nobody in fact they loaned money to the

2126
01:37:44,350 --> 01:37:41,210
kings and queens they control over the

2127
01:37:46,620 --> 01:37:44,360
royalty but then with the invention of

2128
01:37:49,240 --> 01:37:46,630
the printing press and Gutenberg Bible

2129
01:37:52,540 --> 01:37:49,250
and a lot of people don't forget how

2130
01:37:55,180 --> 01:37:52,550
they don't know that the first really

2131
01:37:57,070 --> 01:37:55,190
truly banned book was the Bible for

2132
01:37:59,110 --> 01:37:57,080
about a hundred years it was illegal to

2133
01:38:01,510 --> 01:37:59,120
possess a Bible or to sell a Bible

2134
01:38:02,530 --> 01:38:01,520
alright and so they were bootleg copies

2135
01:38:03,910 --> 01:38:02,540
passed all around

2136
01:38:05,680 --> 01:38:03,920
well this led to the Age of

2137
01:38:08,560 --> 01:38:05,690
Enlightenment when more and more people

2138
01:38:10,270 --> 01:38:08,570

began to realize that the teachings of

2139

01:38:12,939 --> 01:38:10,280

the church we do not always coincide

2140

01:38:15,570 --> 01:38:12,949

with the teachings of the Bible and so

2141

01:38:18,540 --> 01:38:15,580

the power of religion began to wane

2142

01:38:21,150 --> 01:38:18,550

as it continues to do today but the

2143

01:38:23,880 --> 01:38:21,160

power money thing rose to take it place

2144

01:38:25,770 --> 01:38:23,890

because today most people America like

2145

01:38:28,020 --> 01:38:25,780

to think of themselves is free but if

2146

01:38:30,330 --> 01:38:28,030

you really stop check your thing they

2147

01:38:32,610 --> 01:38:30,340

can't walk off their job they can't move

2148

01:38:35,100 --> 01:38:32,620

to another town really nilly they can't

2149

01:38:37,710 --> 01:38:35,110

just be free because they got to make

2150

01:38:39,570 --> 01:38:37,720

those monthly payments for utilities and

2151

01:38:42,270 --> 01:38:39,580

for their credit cards and all their

2152

01:38:45,030 --> 01:38:42,280

credit and so today it's money that

2153

01:38:48,200 --> 01:38:45,040

controls everything and who controls the

2154

01:38:50,910 --> 01:38:48,210

money so that I think we see now that

2155

01:38:52,830 --> 01:38:50,920

yes this goes all the way back in the

2156

01:38:54,630 --> 01:38:52,840

people at the very top understand that

2157

01:38:57,000 --> 01:38:54,640

for example I was kind of blown away

2158

01:38:59,220 --> 01:38:57,010

when I found out that the Rothschilds

2159

01:39:01,710 --> 01:38:59,230

who many people feel like that

2160

01:39:03,390 --> 01:39:01,720

Rothschild banking dynasty is it pretty

2161

01:39:07,260 --> 01:39:03,400

much close to the top of the power

2162

01:39:09,090 --> 01:39:07,270

pyramid on this world they believe

2163

01:39:13,740 --> 01:39:09,100

themselves the descendants of the

2164

01:39:15,090 --> 01:39:13,750

Sumerian Anunnaki God King Nimrod okay

2165

01:39:17,940 --> 01:39:15,100

and they even named one of their

2166

01:39:19,500 --> 01:39:17,950

children Emeline a few years back so you

2167

01:39:22,580 --> 01:39:19,510

know they know about this stuff and they

2168

01:39:24,720 --> 01:39:22,590

don't laugh at all it's only the

2169

01:39:26,780 --> 01:39:24,730

conventional thinking people who watch

2170

01:39:30,540 --> 01:39:26,790

TV that don't know these things

2171

01:39:32,220 --> 01:39:30,550

yeah actually Neutron was not saying

2172

01:39:33,630 --> 01:39:32,230

that you were a part of this he was

2173

01:39:37,110 --> 01:39:33,640

actually saying that the elite

2174

01:39:45,510 --> 01:39:37,120

themselves were the minions of alien so

2175

01:39:48,510 --> 01:39:45,520

I apologized to Neutron for that well

2176

01:39:50,340 --> 01:39:48,520

what I end up after a tie and in the

2177

01:39:52,110 --> 01:39:50,350

ancient astronauts and tracing them up

2178

01:39:53,880 --> 01:39:52,120

through the secret societies the Knights

2179

01:39:56,250 --> 01:39:53,890

Templars the Rosicrucians

2180

01:39:59,880 --> 01:39:56,260

you know all the Merovingians all the

2181

01:40:02,430 --> 01:39:59,890

way I would I come up with this three

2182

01:40:05,280 --> 01:40:02,440

possibilities either the people trying

2183

01:40:08,670 --> 01:40:05,290

to run the world today are trying to

2184

01:40:11,270 --> 01:40:08,680

seek communication in contact with these

2185

01:40:15,570 --> 01:40:11,280

ancient Anunnaki these ancient creator

2186

01:40:17,730 --> 01:40:15,580

ETS or number two they are already in

2187

01:40:22,200 --> 01:40:17,740

contact with them and are being guided

2188

01:40:25,680 --> 01:40:22,210

or controlled by them or number three

2189

01:40:29,580 --> 01:40:25,690

they are the ancient creators the

2190

01:40:31,859 --> 01:40:29,590

Anunnaki the these same people who have

2191

01:40:35,790 --> 01:40:31,869

incredible lifespans and some of them

2192

01:40:37,649 --> 01:40:35,800

may still be alive today so it's one of

2193

01:40:40,739 --> 01:40:37,659

those possibilities and I tend to lead

2194

01:40:44,219 --> 01:40:40,749

them towards that there are hybrids on

2195

01:40:48,109 --> 01:40:44,229

this world that are the result of the

2196

01:40:50,370 --> 01:40:48,119

hybridization between the original PT

2197

01:40:53,640 --> 01:40:50,380

colonizers of the earth and then the

2198

01:40:56,719 --> 01:40:53,650

earth primitives and and they improve

2199

01:41:00,149 --> 01:40:56,729

the breed to the point of having a

2200

01:41:02,189 --> 01:41:00,159

cro-magnon or modern man and that at the

2201
01:41:05,699 --> 01:41:02,199
very top of the food chain some of these

2202
01:41:09,120 --> 01:41:05,709
people realized this as a reality and

2203
01:41:12,810 --> 01:41:09,130
are either in contact or want to be in

2204
01:41:14,819 --> 01:41:12,820
contact with the ancient creators and

2205
01:41:16,560 --> 01:41:14,829
you're listening to epic voyages radio

2206
01:41:19,020 --> 01:41:16,570
live on inception radio network our

2207
01:41:24,930 --> 01:41:19,030
guest is Jim Mars author of alien agenda

2208
01:41:28,859 --> 01:41:24,940
and our occulted history and Jim what

2209
01:41:33,540 --> 01:41:28,869
you know if are you in the excuse me are

2210
01:41:38,779 --> 01:41:33,550
you in the camp of David Icke as far as

2211
01:41:42,359 --> 01:41:38,789
shape-shifting in this in this you know

2212
01:41:44,669 --> 01:41:42,369
hybridization or is it just you know

2213
01:41:50,129 --> 01:41:44,679

these are biological hybrids we can't

2214

01:41:53,520 --> 01:41:50,139

tell the difference that's mostly in my

2215

01:41:55,949 --> 01:41:53,530

file I don't want to step out make some

2216

01:41:58,049 --> 01:41:55,959

statement here that I'm not entirely

2217

01:42:00,239 --> 01:41:58,059

sure of and I'm not entirely sure of all

2218

01:42:03,629 --> 01:42:00,249

that but I think the only difference

2219

01:42:06,620 --> 01:42:03,639

between me and David Icke is is that I

2220

01:42:09,359 --> 01:42:06,630

have had enough of a public relations

2221

01:42:11,850 --> 01:42:09,369

background that I don't think I'm gonna

2222

01:42:14,160 --> 01:42:11,860

win too many friends and influence too

2223

01:42:16,620 --> 01:42:14,170

many people by calling the Queen Mother

2224

01:42:21,899 --> 01:42:16,630

of England a 200 year old reptilian

2225

01:42:24,029 --> 01:42:21,909

cannibal but having said that I'm not

2226

01:42:27,299 --> 01:42:24,039

prepared to say categorically that he's

2227

01:42:29,669 --> 01:42:27,309

wrong I think we just need more

2228

01:42:32,219 --> 01:42:29,679

information in fact when I first heard

2229

01:42:35,110 --> 01:42:32,229

the story of shape-shifting reptilians I

2230

01:42:37,270 --> 01:42:35,120

pretty well roll my eyes and kind of

2231

01:42:40,180 --> 01:42:37,280

I heard up my sleeve but I want to ke

2232

01:42:42,250 --> 01:42:40,190

something I have since had several

2233

01:42:44,470 --> 01:42:42,260

experiences including maybe about a half

2234

01:42:46,270 --> 01:42:44,480

dozen people who come to me

2235

01:42:49,060 --> 01:42:46,280

you know unbeknownst to each other and

2236

01:42:51,910 --> 01:42:49,070

told me some pretty incredible stories

2237

01:42:54,220 --> 01:42:51,920

and it makes me think that I don't think

2238

01:42:56,140 --> 01:42:54,230

all these people are just delusional I

2239

01:42:58,810 --> 01:42:56,150

think there's something going on there

2240

01:43:00,490 --> 01:42:58,820

but I'm not a position to try to tell

2241

01:43:04,120 --> 01:43:00,500

somebody this is what it is because I'm

2242

01:43:06,910 --> 01:43:04,130

not sure myself what it is yeah I can't

2243

01:43:13,860 --> 01:43:06,920

rule out the possibility but I don't

2244

01:43:17,650 --> 01:43:13,870

sell evidence there yet supply yeah okay

2245

01:43:23,560 --> 01:43:17,660

but one woman I talked to who claimed to

2246

01:43:25,420 --> 01:43:23,570

be one said that when you that you're

2247

01:43:26,980 --> 01:43:25,430

not born that other than you're born

2248

01:43:30,160 --> 01:43:26,990

that way but you don't realize it until

2249

01:43:32,800 --> 01:43:30,170

your teenage years at which time you

2250

01:43:35,170 --> 01:43:32,810

become aware of your connection to the

2251

01:43:37,510 --> 01:43:35,180

reptilians kind of like the Borg I guess

2252

01:43:40,750 --> 01:43:37,520

you know a mastermind and that you're

2253

01:43:43,600 --> 01:43:40,760

given the choice of joining them and

2254

01:43:45,670 --> 01:43:43,610

becoming one of them or turning your

2255

01:43:49,450 --> 01:43:45,680

back on it and saying no I think I'll

2256

01:43:52,660 --> 01:43:49,460

just stay human and this woman said that

2257

01:43:54,550 --> 01:43:52,670

she decided she wouldn't stay human do

2258

01:43:58,030 --> 01:43:54,560

only thing do with it and at that point

2259

01:43:59,560 --> 01:43:58,040

normally she would have forgotten all

2260

01:44:01,990 --> 01:43:59,570

about that and would have gone on and

2261

01:44:04,650 --> 01:44:02,000

lived her life as a as a normal human

2262

01:44:08,470 --> 01:44:04,660

being she said but because she had a

2263

01:44:11,320 --> 01:44:08,480

teenage history of drug use and being

2264

01:44:13,780 --> 01:44:11,330

kind of a wild a child and and she

2265

01:44:16,720 --> 01:44:13,790

thinks that her brain got kind of

2266

01:44:21,510 --> 01:44:16,730

rewired and although she has remained

2267

01:44:25,300 --> 01:44:21,520

human she is can still access the

2268

01:44:28,030 --> 01:44:25,310

reptilian board mind if you will and so

2269

01:44:30,670 --> 01:44:28,040

she knows that they are there and and

2270

01:44:32,860 --> 01:44:30,680

kind of what they're doing and you know

2271

01:44:35,050 --> 01:44:32,870

fascinating stuff I don't know I don't

2272

01:44:37,300 --> 01:44:35,060

know what to tell you other than that

2273

01:44:40,210 --> 01:44:37,310

there's I think there's some weird stuff

2274

01:44:45,430 --> 01:44:40,220

going on that we don't know the truth

2275

01:44:47,560 --> 01:44:45,440

about example for example another woman

2276

01:44:50,470 --> 01:44:47,570

told me an experience she had in

2277

01:44:52,870 --> 01:44:50,480

Texas with a good friend of hers that

2278

01:44:55,120 --> 01:44:52,880

she saw shipped into a reptilian form

2279

01:44:57,580 --> 01:44:55,130

and the woman actually acknowledged that

2280

01:44:59,830 --> 01:44:57,590

and said I'm sorry you saw it my the way

2281

01:45:01,330 --> 01:44:59,840

I really am and said you know you

2282

01:45:03,460 --> 01:45:01,340

weren't supposed to do that and I can't

2283

01:45:05,320 --> 01:45:03,470

be friends with you anymore and so she

2284

01:45:06,790 --> 01:45:05,330

tried to duck this woman for a long time

2285

01:45:08,980 --> 01:45:06,800

but she finally caught up with her and

2286

01:45:11,670 --> 01:45:08,990

asked her some questions and one of them

2287

01:45:14,470 --> 01:45:11,680

was well how many of you are there and

2288

01:45:17,710 --> 01:45:14,480

the woman told her well not very many

2289

01:45:19,900 --> 01:45:17,720

okay but then as I asked this woman I'm

2290

01:45:21,760 --> 01:45:19,910

talking to who had asked the question I

2291

01:45:23,380 --> 01:45:21,770

said well what do you think she meant

2292

01:45:25,630 --> 01:45:23,390

does she mean they're there weren't very

2293

01:45:28,060 --> 01:45:25,640

many in this little town where she lived

2294

01:45:29,680 --> 01:45:28,070

or there's not very many in Texas or not

2295

01:45:31,360 --> 01:45:29,690

there meaning the United States or it's

2296

01:45:33,730 --> 01:45:31,370

not very meaning in the world and Lauren

2297

01:45:35,710 --> 01:45:33,740

says I don't know I didn't know I didn't

2298

01:45:37,270 --> 01:45:35,720

ask her any follow-up questions so we

2299

01:45:39,310 --> 01:45:37,280

don't know we don't know if that means

2300

01:45:41,230 --> 01:45:39,320

it's just one very many and there's one

2301

01:45:44,520 --> 01:45:41,240

little Texas town or if there's not very

2302

01:45:47,460 --> 01:45:44,530

many in our world do I have another

2303

01:45:50,500 --> 01:45:47,470

question from the chat room

2304

01:45:53,380 --> 01:45:50,510

do you have any findings to support

2305

01:45:55,300 --> 01:45:53,390

William Lin's claims that the trilateral

2306

01:45:59,680 --> 01:45:55,310

group at the end of the Second World War

2307

01:46:01,690 --> 01:45:59,690

were up to no good well one thing the

2308

01:46:05,140 --> 01:46:01,700

trilateral commission was not formed

2309

01:46:09,010 --> 01:46:05,150

until 1973 they were around it in the

2310

01:46:13,540 --> 01:46:09,020

war or two and the trilateral group was

2311

01:46:16,390 --> 01:46:13,550

formed by zbigniew brzezinski and David

2312

01:46:18,730 --> 01:46:16,400

Rockefeller as is really kind of a more

2313

01:46:21,310 --> 01:46:18,740

public extension of the more secretive

2314

01:46:23,230 --> 01:46:21,320

Council on Foreign Relations and the

2315

01:46:26,500 --> 01:46:23,240

main reason for it was to bring the

2316

01:46:29,140 --> 01:46:26,510

Asian economies in which is what trial

2317

01:46:31,270 --> 01:46:29,150

stands for the trilateral it is Japan

2318

01:46:33,760 --> 01:46:31,280

the economy of Japan North America and

2319

01:46:36,070 --> 01:46:33,770

Europe so no I don't think the

2320

01:46:38,050 --> 01:46:36,080

trilateral commission hey they do that

2321

01:46:40,780 --> 01:46:38,060

but then David Rockefeller is a presence

2322

01:46:45,100 --> 01:46:40,790

key and many others particularly John J

2323

01:46:46,600 --> 01:46:45,110

McCloy that does cetera that were

2324

01:46:48,570 --> 01:46:46,610

members of the Council on Foreign

2325

01:46:52,750 --> 01:46:48,580

Relations at the end of World War two

2326

01:46:54,820 --> 01:46:52,760

yes they they had designs on number one

2327

01:46:57,040 --> 01:46:54,830

trying to set up a one-world government

2328

01:46:59,410 --> 01:46:57,050

they were the same ones and their

2329

01:47:01,189 --> 01:46:59,420

families were the same ones behind the

2330

01:47:03,680 --> 01:47:01,199

effort to form the League of nation

2331

01:47:07,479 --> 01:47:03,690

about the time of World War one and

2332

01:47:15,530 --> 01:47:12,650

the president United States was actually

2333

01:47:17,990 --> 01:47:15,540

pushing for that in fact withdraw Wilson

2334

01:47:20,479 --> 01:47:18,000

at Versailles was trying to get this

2335

01:47:22,850 --> 01:47:20,489

going and I almost think got it going

2336

01:47:24,380 --> 01:47:22,860

except for the United States Senate that

2337

01:47:26,510 --> 01:47:24,390

said I don't think we're ready to give

2338

01:47:27,919 --> 01:47:26,520

up our national sovereignty and they

2339

01:47:32,060 --> 01:47:27,929

wouldn't sign on for the League of

2340

01:47:34,760 --> 01:47:32,070

Nations and so these one worlders formed

2341

01:47:37,250 --> 01:47:34,770

the Council on Foreign Relations and its

2342

01:47:39,350 --> 01:47:37,260

sister organization the Royal Institute

2343

01:47:41,570 --> 01:47:39,360

of International Affairs right there at

2344

01:47:43,700 --> 01:47:41,580

the time of the Versailles Treaty and

2345

01:47:46,040 --> 01:47:43,710

though the end of World War one for the

2346

01:47:48,890 --> 01:47:46,050

express purpose of conditioning the

2347

01:47:50,540 --> 01:47:48,900

public to one world government and then

2348

01:47:52,669 --> 01:47:50,550

they really made their headway during

2349

01:47:54,890 --> 01:47:52,679

World War two when the very same people

2350

01:47:58,459 --> 01:47:54,900

began to push the idea of the United

2351
01:48:00,050 --> 01:47:58,469
Nations and of course even towards the

2352
01:48:02,900 --> 01:48:00,060
end of the war and war still going on

2353
01:48:04,490 --> 01:48:02,910
but the ally early on it was the Allies

2354
01:48:06,350 --> 01:48:04,500
and by the end of the war they kept

2355
01:48:08,720 --> 01:48:06,360
talking and referring to the United

2356
01:48:10,640 --> 01:48:08,730
Nations and then of course they formed

2357
01:48:13,910 --> 01:48:10,650
the United Nations and there's been a

2358
01:48:16,280 --> 01:48:13,920
squabble over that ever since but yes

2359
01:48:19,450 --> 01:48:16,290
that's that's the same bunch and their

2360
01:48:23,270 --> 01:48:19,460
same goal is to try to unify the world

2361
01:48:24,709 --> 01:48:23,280
well Jim what can what can we do so

2362
01:48:26,180 --> 01:48:24,719
you're doing all this hard work you're

2363
01:48:27,260 --> 01:48:26,190

getting a lot of the evidence you're

2364

01:48:30,770 --> 01:48:27,270

gathering together you're writing these

2365

01:48:33,470 --> 01:48:30,780

great books but what can we do because

2366

01:48:35,240 --> 01:48:33,480

the mass media is not going to run with

2367

01:48:38,930 --> 01:48:35,250

this we know that at least for now well

2368

01:48:41,060 --> 01:48:38,940

they want to change but the mass media

2369

01:48:43,550 --> 01:48:41,070

can't tell you any of this stuff because

2370

01:48:45,740 --> 01:48:43,560

they are owned and controlled by these

2371

01:48:47,419 --> 01:48:45,750

very people that's where they really

2372

01:48:51,740 --> 01:48:47,429

that's where they really have an upper

2373

01:48:54,350 --> 01:48:51,750

hand because they control the attention

2374

01:48:56,270 --> 01:48:54,360

span of the public okay they can't

2375

01:48:57,830 --> 01:48:56,280

really tell you how to think but they

2376

01:49:00,290 --> 01:48:57,840

can certainly tell you what to think

2377

01:49:03,169 --> 01:49:00,300

about okay and they keep us distracted

2378

01:49:04,820 --> 01:49:03,179

and you know off worrying about Isis and

2379

01:49:09,979 --> 01:49:04,830

worrying about this that the other thing

2380

01:49:13,850 --> 01:49:09,989

and plus divided and fight with each

2381

01:49:14,439 --> 01:49:13,860

other over sex matters safe same-sex

2382

01:49:17,830 --> 01:49:14,449

marriage

2383

01:49:20,199 --> 01:49:17,840

agent stem cell research and racial

2384

01:49:22,120 --> 01:49:20,209

matters ethnic manner anything they can

2385

01:49:24,489 --> 01:49:22,130

to keep us fighting with each other so

2386

01:49:27,370 --> 01:49:24,499

what do we do okay well again let me

2387

01:49:29,560 --> 01:49:27,380

reiterate I am NOT asking for anybody's

2388

01:49:32,529 --> 01:49:29,570

beliefs but read my books particularly

2389

01:49:34,509 --> 01:49:32,539

read my new book the being out at the

2390

01:49:37,359 --> 01:49:34,519

end of this month called population

2391

01:49:40,299 --> 01:49:37,369

control how corporate owners are killing

2392

01:49:42,609 --> 01:49:40,309

us okay now you need to read about what

2393

01:49:44,680 --> 01:49:42,619

all is in the food what's in the water

2394

01:49:48,129 --> 01:49:44,690

what's in the aspartame what's in the

2395

01:49:51,430 --> 01:49:48,139

the fluoride what's in the the

2396

01:49:54,069 --> 01:49:51,440

herbicides the bad air bad water bad

2397

01:49:56,620 --> 01:49:54,079

food all of this and basically it's to

2398

01:49:57,129 --> 01:49:56,630

call the population now what can you do

2399

01:49:58,750 --> 01:49:57,139

about it

2400

01:50:00,459 --> 01:49:58,760

well you can't change the national

2401

01:50:02,680 --> 01:50:00,469

government and you can't change some of

2402

01:50:05,979 --> 01:50:02,690

those giant corporations but what you

2403

01:50:08,080 --> 01:50:05,989

can do is educate yourself as to what

2404

01:50:11,620 --> 01:50:08,090

the true issues are and then act

2405

01:50:13,390 --> 01:50:11,630

accordingly grow yourself a garden so

2406

01:50:15,520 --> 01:50:13,400

you have your own garden vegetables and

2407

01:50:17,379 --> 01:50:15,530

you don't have to worry about GMO you

2408

01:50:20,500 --> 01:50:17,389

don't have to worry about Monsanto's

2409

01:50:23,319 --> 01:50:20,510

Roundup herbicide that is now being

2410

01:50:26,169 --> 01:50:23,329

outlawed everywhere but here because it

2411

01:50:29,080 --> 01:50:26,179

causes cancer among other things you

2412

01:50:32,049 --> 01:50:29,090

know and so keep yourself informed by

2413

01:50:33,399 --> 01:50:32,059

organic materials start it get away from

2414

01:50:35,439 --> 01:50:33,409

the drugs and I'm not talking about

2415

01:50:37,120 --> 01:50:35,449

illegal drugs if you think we have a

2416

01:50:39,609 --> 01:50:37,130

problem with the illegal drugs you ought

2417

01:50:41,949 --> 01:50:39,619

to see what kind of problem and with

2418

01:50:44,830 --> 01:50:41,959

legal drugs it used to be against the

2419

01:50:47,500 --> 01:50:44,840

law to advertise drugs on TV but today

2420

01:50:49,479 --> 01:50:47,510

if you watch broadcast TV if they're not

2421

01:50:52,390 --> 01:50:49,489

selling your car truck that's only a

2422

01:50:54,100 --> 01:50:52,400

drug okay and figure out what these

2423

01:50:56,290 --> 01:50:54,110

drugs are actually doing for don't

2424

01:50:59,080 --> 01:50:56,300

listen to the advertisers were the

2425

01:51:02,199 --> 01:50:59,090

pretty girls you know flitting through

2426

01:51:03,879 --> 01:51:02,209

the field full of flowers and start

2427

01:51:06,819 --> 01:51:03,889

listening to all this stuff about if you

2428

01:51:09,969 --> 01:51:06,829

take this and it'll cause this this this

2429

01:51:11,949 --> 01:51:09,979

this and the death you know and start

2430

01:51:17,529 --> 01:51:11,959

paying attention educate yourself and

2431

01:51:19,390 --> 01:51:17,539

just say no that's good advice you know

2432

01:51:22,419 --> 01:51:19,400

that's something that we can't really do

2433

01:51:25,669 --> 01:51:22,429

ourselves yeah when they say let's go

2434

01:51:28,130 --> 01:51:25,679

have a war with Iran just say no

2435

01:51:29,750 --> 01:51:28,140

do that you know in fact let me tell you

2436

01:51:32,959 --> 01:51:29,760

something here's my here's my solution

2437

01:51:37,310 --> 01:51:32,969

for timbo war okay and I'm saying two

2438

01:51:40,880 --> 01:51:37,320

words stay home if everybody stayed home

2439

01:51:43,520 --> 01:51:40,890

it wouldn't be a war well yeah but there

2440

01:51:46,490 --> 01:51:43,530

was an attempt to do that in the 60s and

2441

01:51:51,740 --> 01:51:46,500

you know how that went down and and it

2442

01:51:53,870 --> 01:51:51,750

kind of worked I mean it was but yeah

2443

01:51:56,180 --> 01:51:53,880

but but the thing is with you know the

2444

01:51:58,939 --> 01:51:56,190

with as far as conspiracy theories and

2445

01:52:03,169 --> 01:51:58,949

an alien presence and ancient aliens

2446

01:52:04,700 --> 01:52:03,179

this is all information you know organic

2447

01:52:06,439 --> 01:52:04,710

food and that sort of thing I can do

2448

01:52:10,070 --> 01:52:06,449

that myself I can I can learn about it I

2449

01:52:13,630 --> 01:52:10,080

can take care of it but this overarching

2450

01:52:15,770 --> 01:52:13,640

issue of who's really behind everything

2451
01:52:19,100 --> 01:52:15,780
if the mainstream media is not gonna

2452
01:52:23,390 --> 01:52:19,110
touch it then how how do we make a

2453
01:52:26,419 --> 01:52:23,400
change how do we open that box well

2454
01:52:27,680 --> 01:52:26,429
that's when you have to study and read

2455
01:52:30,260 --> 01:52:27,690
on your own

2456
01:52:32,450 --> 01:52:30,270
okay read my books read other people's

2457
01:52:35,060 --> 01:52:32,460
books get on the internet surf all

2458
01:52:37,790 --> 01:52:35,070
around there's lots of answers of course

2459
01:52:40,640 --> 01:52:37,800
now here's my here's my warning about

2460
01:52:42,979 --> 01:52:40,650
the Internet the outside of the Internet

2461
01:52:45,979 --> 01:52:42,989
is that anybody and everybody has access

2462
01:52:48,620 --> 01:52:45,989
to the Internet the downside is that

2463
01:52:49,220 --> 01:52:48,630

anybody and everybody has access to the

2464

01:52:51,649 --> 01:52:49,230

Internet

2465

01:52:53,540 --> 01:52:51,659

so you have to be discerning you have to

2466

01:52:55,729 --> 01:52:53,550

really just look over everything and

2467

01:52:57,919 --> 01:52:55,739

don't buy into every little thing that

2468

01:53:00,290 --> 01:52:57,929

comes along but then don't just discard

2469

01:53:02,630 --> 01:53:00,300

it either just study you start thinking

2470

01:53:05,120 --> 01:53:02,640

for yourself use that god-given computer

2471

01:53:07,130 --> 01:53:05,130

in your head called a brain and then and

2472

01:53:09,050 --> 01:53:07,140

like number one when you read something

2473

01:53:10,700 --> 01:53:09,060

and some statement you know all they're

2474

01:53:13,399 --> 01:53:10,710

doing this or we got to do this or

2475

01:53:16,250 --> 01:53:13,409

whatever I stop ask yourself who's

2476

01:53:18,680 --> 01:53:16,260

saying that and what reason what is

2477

01:53:20,209 --> 01:53:18,690

their motivation for saying that you

2478

01:53:22,399 --> 01:53:20,219

know and if you get somebody that says

2479

01:53:24,350 --> 01:53:22,409

oh we need to build more new plants and

2480

01:53:26,270 --> 01:53:24,360

then you find out that they're a member

2481

01:53:28,820 --> 01:53:26,280

of the atomic industrial forum which is

2482

01:53:30,320 --> 01:53:28,830

a pro industry organization then you

2483

01:53:31,760 --> 01:53:30,330

know where they're coming from they and

2484

01:53:32,419 --> 01:53:31,770

it more build more new plants because

2485

01:53:34,850 --> 01:53:32,429

this and then

2486

01:53:37,160 --> 01:53:34,860

good money because you don't certainly

2487

01:53:38,959 --> 01:53:37,170

want to buy into that yeah yeah it comes

2488

01:53:39,379 --> 01:53:38,969

full circle because the education is not

2489

01:53:41,540 --> 01:53:39,389

there

2490

01:53:42,979 --> 01:53:41,550

do you know me exactl thinking is not

2491

01:53:45,229 --> 01:53:42,989

something that's really taught in

2492

01:53:47,569 --> 01:53:45,239

schools I mean it was less so enough

2493

01:53:50,060 --> 01:53:47,579

that's why exactly and that's why you

2494

01:53:52,459 --> 01:53:50,070

got to do that on your own you got study

2495

01:53:55,250 --> 01:53:52,469

on your own here's the thing if you can

2496

01:53:58,100 --> 01:53:55,260

read at all then you're a hit a game

2497

01:54:00,259 --> 01:53:58,110

because you can get online or you can go

2498

01:54:02,449 --> 01:54:00,269

to the library and you've read on any

2499

01:54:04,250 --> 01:54:02,459

topic you want if you want to go into

2500

01:54:06,319 --> 01:54:04,260

history if you want to go into physics

2501

01:54:08,959 --> 01:54:06,329

if you want to go into anything if you

2502

01:54:11,449 --> 01:54:08,969

can read just seriously apply yourself

2503

01:54:14,689 --> 01:54:11,459

read the material delve into the subject

2504

01:54:17,029 --> 01:54:14,699

until you feel like you have a working

2505

01:54:19,580 --> 01:54:17,039

knowledge of that and then that is the

2506

01:54:23,270 --> 01:54:19,590

road to wisdom the road to wisdom is

2507

01:54:25,850 --> 01:54:23,280

education balanced with experience and

2508

01:54:28,489 --> 01:54:25,860

so if you can get a little experience

2509

01:54:31,790 --> 01:54:28,499

and study at the same time you're going

2510

01:54:33,850 --> 01:54:31,800

to become wise so Jim do you have

2511

01:54:39,229 --> 01:54:33,860

anything coming up as far as talks or

2512

01:54:41,179 --> 01:54:39,239

presentations conferences in October I'm

2513

01:54:44,270 --> 01:54:41,189

going to New Orleans for our king of the

2514

01:54:48,020 --> 01:54:44,280

assassination type thing but oh and then

2515

01:54:51,500 --> 01:54:48,030

I may be going to Toronto and early

2516

01:54:53,449 --> 01:54:51,510

October to speak up there those people

2517

01:55:02,089 --> 01:54:53,459

are really awake they're really going

2518

01:55:04,850 --> 01:55:02,099

after it and no but until then I guess

2519

01:55:08,750 --> 01:55:04,860

I'm mostly focusing on promoting the new

2520

01:55:10,399 --> 01:55:08,760

book population control and I think it's

2521

01:55:12,229 --> 01:55:10,409

really really important for people to

2522

01:55:14,689 --> 01:55:12,239

read the information in population

2523

01:55:18,949 --> 01:55:14,699

control because I think that we are

2524

01:55:23,060 --> 01:55:18,959

getting past the politics that passed

2525

01:55:25,069 --> 01:55:23,070

the theologies I think it's becoming a

2526

01:55:27,589 --> 01:55:25,079

matter of self preservation

2527

01:55:29,029 --> 01:55:27,599

if you want to survive stop it right

2528

01:55:31,279 --> 01:55:29,039

there we are getting to the end of the

2529

01:55:33,199 --> 01:55:31,289

show thank you so much for being on the

2530

01:55:36,830 --> 01:55:33,209

show Jim everybody should check out his

2531

01:55:38,540 --> 01:55:36,840

books Jim Marrs dot-com actually dr.

2532

01:55:40,699 --> 01:55:38,550

Laura Blythe tag July 6 we'll be

2533

01:55:42,439 --> 01:55:40,709

interviewing on his new book population

2534

01:55:43,259 --> 01:55:42,449

control how corporate owners are killing

2535

01:55:47,699 --> 01:55:43,269

us

2536

01:55:50,310 --> 01:55:47,709

dr. Aaron Judkins with Jason Offutt book

2537

01:55:53,339 --> 01:55:50,320

what lurks beyond the paranormal in your

2538

01:55:54,719 --> 01:55:53,349

backyard and Jim again thank you so much

2539

01:55:57,839 --> 01:55:54,729

and have a wonderful evening

2540

01:56:00,060 --> 01:55:57,849

Thank You Alan you're not everyone all

2541

01:56:01,799 --> 01:56:00,070

right cheers B woman all right so that's

2542

01:56:03,120 --> 01:56:01,809

it for epic voyages radio tonight thank

2543

01:56:06,029 --> 01:56:03,130

you for everybody in the chat rooms

2544

01:56:06,779 --> 01:56:06,039

social media everybody out there thanks

2545

01:56:08,580 --> 01:56:06,789

for joining us

2546

01:56:11,850 --> 01:56:08,590

be sure to tune in next week on Iran

2547

01:56:15,390 --> 01:56:11,860

live and also dark matter radio on

2548

01:56:17,549 --> 01:56:15,400

Friday nights at 8:00 p.m. and remember

2549

01:56:19,259 --> 01:56:17,559

that if the spirit moves you you can

2550

01:56:22,140 --> 01:56:19,269

follow us on twitter at epic voyageurs

2551

01:56:24,989 --> 01:56:22,150

or you can do epic voyageurs radio on

2552

01:56:27,299 --> 01:56:24,999

instagram special thanks to dr. laura

2553

01:56:30,229 --> 01:56:27,309

blithe tag can cherry the founder of

2554

01:56:33,149 --> 01:56:30,239

epic and our irn producer joe champion

2555

01:56:36,010 --> 01:56:33,159

everybody thank you and have a good

2556

01:56:37,380 --> 01:56:36,020

night and let the mystery take it

2557

01:56:43,730 --> 01:56:37,390

[Applause]

2558

01:56:45,750 --> 01:56:43,740

[Music]

2559

01:56:48,180 --> 01:56:45,760

thank you for being with us tonight

2560

01:56:49,650 --> 01:56:48,190

please join us again next Monday evening

2561

01:56:52,410 --> 01:56:49,660

for extraordinary phenomenon

2562

01:56:55,470 --> 01:56:52,420

investigations Council's epic voyages
