

Exposing the Truth, One Secret at a Time

# NIGHT VISION

Host: René Barnett

# RADIO

# Lyn Buchanan

1  
00:00:10,759 --> 00:00:02,419  
you're locked into Inception Radio

2  
00:00:14,120 --> 00:00:10,769  
Network superior Wisconsin your tool in

3  
00:00:18,200 --> 00:00:14,130  
tonight vision radio exposing the truth

4  
00:00:20,300 --> 00:00:18,210  
one secret at a time prepare yourself as

5  
00:00:22,580 --> 00:00:20,310  
we explore the shadow worlds of

6  
00:00:26,000 --> 00:00:22,590  
suppressed history these secret

7  
00:00:28,429 --> 00:00:26,010  
knowledge forbidden religion and shine a

8  
00:01:10,510 --> 00:00:28,439  
light on the conspiracies to keep it all

9  
00:01:10,520 --> 00:01:17,389  
welcome to night-vision radio

10  
00:01:22,649 --> 00:01:21,060  
all right that's Johnny - you guys

11  
00:01:25,649 --> 00:01:22,659  
probably know at least if you're an

12  
00:01:27,690 --> 00:01:25,659  
oldie like me you know that anyhow that

13  
00:01:31,499 --> 00:01:27,700

song is apropos for our show tonight

14

00:01:33,240 --> 00:01:31,509

because we have the fantastic Lynn

15

00:01:36,419 --> 00:01:33,250

Buchanan with us tonight he's one of the

16

00:01:39,840 --> 00:01:36,429

original remote viewers recruited by the

17

00:01:41,819 --> 00:01:39,850

US military for psychic spying but

18

00:01:43,380 --> 00:01:41,829

before we bring Lynn on and I'm so

19

00:01:44,999 --> 00:01:43,390

anxious to do that because it's been a

20

00:01:47,279 --> 00:01:45,009

long time since I've had a chance to

21

00:01:48,630 --> 00:01:47,289

talk with Lynn at any great length I

22

00:01:50,969 --> 00:01:48,640

want to make a couple quick

23

00:01:54,719 --> 00:01:50,979

announcements I have actually a triple

24

00:01:58,169 --> 00:01:54,729

ready alert coming because next week on

25

00:02:00,719 --> 00:01:58,179

the premiere show of Patricia Baker and

26

00:02:03,270 --> 00:02:00,729

Supernatural girls her first guest is

27

00:02:05,339 --> 00:02:03,280

going to be author Patrice chaplain and

28

00:02:07,589 --> 00:02:05,349

some of you may know about the

29

00:02:10,380 --> 00:02:07,599

connections that Patrice has made

30

00:02:12,479 --> 00:02:10,390

between the rimless Chateau mystery and

31

00:02:15,059 --> 00:02:12,489

Girona Spain and I'm sure she'll be

32

00:02:17,640 --> 00:02:15,069

talking about that and in lots lots more

33

00:02:18,809 --> 00:02:17,650

and then on night vision next week now

34

00:02:20,940 --> 00:02:18,819

that's I'm sorry

35

00:02:24,390 --> 00:02:20,950

supernatural Girls is on Wednesday night

36

00:02:26,879 --> 00:02:24,400

it's 7:30 Eastern and then on this show

37

00:02:29,039 --> 00:02:26,889

on night vision next week we'll have

38

00:02:31,650 --> 00:02:29,049

best-selling author Tim Wallace Murphy

39

00:02:35,309 --> 00:02:31,660

talking about the Knights Templar the

40

00:02:37,140 --> 00:02:35,319

Holy Grail with a sort of a dash of

41

00:02:40,199 --> 00:02:37,150

rennes-le-chateau mystery thrown in and

42

00:02:42,840 --> 00:02:40,209

then on the following week another

43

00:02:46,229 --> 00:02:42,850

Rennie alert where we will be revealing

44

00:02:49,500 --> 00:02:46,239

a new discovery and those revelations

45

00:02:52,349 --> 00:02:49,510

will be made by author court Lindell and

46

00:02:55,110 --> 00:02:52,359

actress Laura Lombardi you you may

47

00:02:58,050 --> 00:02:55,120

remember miss Liberty from the movie Red

48

00:02:59,759 --> 00:02:58,060

Sonja but boy is she much much more than

49

00:03:01,830 --> 00:02:59,769

an actress that she's smart lady and a

50

00:03:03,870 --> 00:03:01,840

great researcher and you guys a lot of

51  
00:03:06,030 --> 00:03:03,880  
you know about courts research so I'm

52  
00:03:08,370 --> 00:03:06,040  
really excited they've made some amazing

53  
00:03:10,470 --> 00:03:08,380  
tie-ins and discoveries on the ground

54  
00:03:13,379 --> 00:03:10,480  
over in Europe and we're going to reveal

55  
00:03:17,580 --> 00:03:13,389  
them for the first time anywhere right

56  
00:03:19,949 --> 00:03:17,590  
here on night-vision radio and two weeks

57  
00:03:21,750 --> 00:03:19,959  
from tonight so I hope they'll be here

58  
00:03:26,250 --> 00:03:21,760  
mark it down on your calendars now

59  
00:03:28,770 --> 00:03:26,260  
tonight Lynn Buchanan is with us he is a

60  
00:03:31,440 --> 00:03:28,780  
former member of the project star

61  
00:03:33,470 --> 00:03:31,450  
our gate team that was set up I believe

62  
00:03:38,100 --> 00:03:33,480  
if I'm not mistaken on my dates about

63  
00:03:40,020 --> 00:03:38,110

1978 at Fort Meade by the US military or

64

00:03:42,000 --> 00:03:40,030

Department of Defense and Lynn you can

65

00:03:45,510 --> 00:03:42,010

jump in anytime and if I'm telling a lie

66

00:03:49,020 --> 00:03:45,520

about anything which was supposedly shut

67

00:03:50,880 --> 00:03:49,030

down in 1995 now I don't really believe

68

00:03:53,699 --> 00:03:50,890

that they stopped that program

69

00:03:57,180 --> 00:03:53,709

completely I believe that the program

70

00:03:58,979 --> 00:03:57,190

probably went a little bit blacker but

71

00:04:01,229 --> 00:03:58,989

anyway and I'll see if Lynn wants to

72

00:04:03,330 --> 00:04:01,239

opine on that if not we'll all

73

00:04:04,410 --> 00:04:03,340

understand why but Lynn Buchanan thanks

74

00:04:06,630 --> 00:04:04,420

so much for being here

75

00:04:07,620 --> 00:04:06,640

well thank you for inviting me that is

76

00:04:11,040 --> 00:04:07,630

very kind of you

77

00:04:12,960 --> 00:04:11,050

well it's great as always to speak with

78

00:04:14,610 --> 00:04:12,970

you and I was just shocked when we

79

00:04:16,680 --> 00:04:14,620

talked on the phone yesterday and

80

00:04:19,770 --> 00:04:16,690

figured out that it had to be at least

81

00:04:24,090 --> 00:04:19,780

more than 10 years since we've even

82

00:04:26,760 --> 00:04:24,100

spoken it's crazy how time goes it

83

00:04:28,650 --> 00:04:26,770

really really is but I do remember our

84

00:04:29,879 --> 00:04:28,660

last conversation I remember some of the

85

00:04:32,070 --> 00:04:29,889

things we were talking about they were

86

00:04:35,100 --> 00:04:32,080

pretty wild they kind of stuck in my

87

00:04:36,840 --> 00:04:35,110

mind when we met at the airport I think

88

00:04:39,060 --> 00:04:36,850

you were on your way to Australia and

89

00:04:40,860 --> 00:04:39,070

you had a few hours to layover and I

90

00:04:43,950 --> 00:04:40,870

came over there and kept you company at

91

00:04:46,170 --> 00:04:43,960

dinnertime and we talked about a few

92

00:04:47,550 --> 00:04:46,180

projects and different things and you

93

00:04:49,710 --> 00:04:47,560

talked about some of the things that you

94

00:04:53,760 --> 00:04:49,720

had been into and I'm gonna leave it to

95

00:04:57,750 --> 00:04:53,770

you to reveal as much or as little as

96

00:05:00,840 --> 00:04:57,760

you want to or as you can about what we

97

00:05:04,440 --> 00:05:00,850

talked about or also about anything to

98

00:05:07,500 --> 00:05:04,450

do with the project but I think first of

99

00:05:10,110 --> 00:05:07,510

all I was reading today about when you

100

00:05:12,390 --> 00:05:10,120

were sort of drafted into the project

101  
00:05:14,370 --> 00:05:12,400  
and I saw something on your website that

102  
00:05:17,070 --> 00:05:14,380  
said some of the details of how that

103  
00:05:22,290 --> 00:05:17,080  
occurred are are still classified

104  
00:05:26,040 --> 00:05:22,300  
yeah hmm what can you tell us about how

105  
00:05:28,580 --> 00:05:26,050  
it was that they found you and drafted

106  
00:05:32,790 --> 00:05:28,590  
you into this program okay

107  
00:05:35,719 --> 00:05:32,800  
ever since I was around 12 I well you've

108  
00:05:39,230 --> 00:05:35,729  
heard of the poltergeist children right

109  
00:05:42,180 --> 00:05:39,240  
the poltergeist children yeah the

110  
00:05:43,650 --> 00:05:42,190  
children that when they

111  
00:05:46,610 --> 00:05:43,660  
get emotionally upset or something

112  
00:05:49,710 --> 00:05:46,620  
things yes the room yeah

113  
00:05:52,770 --> 00:05:49,720

that's they always get the rap of being

114

00:05:55,260 --> 00:05:52,780

mentally disturbed and all that but

115

00:05:57,840 --> 00:05:55,270

there are a lot of poltergeist children

116

00:05:59,370 --> 00:05:57,850

who are not mentally disturbed it's a

117

00:06:04,070 --> 00:05:59,380

phase they go through and they grow out

118

00:06:14,730 --> 00:06:10,620

never totally grew out of it and anyway

119

00:06:20,160 --> 00:06:14,740

I was over in Augsburg Germany doing

120

00:06:24,780 --> 00:06:20,170

programming for the u.s. army field

121

00:06:28,440 --> 00:06:24,790

station over there and they have they

122

00:06:30,810 --> 00:06:28,450

had at the time 12 countries all in the

123

00:06:34,160 --> 00:06:30,820

same field station with all their

124

00:06:36,750 --> 00:06:34,170

security computers and and all of their

125

00:06:39,960 --> 00:06:36,760

classified stuff and everything else and

126  
00:06:43,740 --> 00:06:39,970  
nothing tied the computers together so I

127  
00:06:45,540 --> 00:06:43,750  
got the job of tying the computer

128  
00:06:47,250 --> 00:06:45,550  
writing the software that would tie the

129  
00:06:48,350 --> 00:06:47,260  
computers together for 12 different

130  
00:06:51,870 --> 00:06:48,360  
countries

131  
00:06:56,159 --> 00:06:51,880  
another sergeant wanted that job but I

132  
00:07:00,030 --> 00:06:56,169  
got it because humbly here uh-huh I was

133  
00:07:02,070 --> 00:07:00,040  
a better programmer and so anyway this

134  
00:07:09,990 --> 00:07:02,080  
had to be back you know in the early

135  
00:07:13,080 --> 00:07:10,000  
days of computers this was in 1980

136  
00:07:14,880 --> 00:07:13,090  
oh okay 83 actually yeah oh I was

137  
00:07:17,760 --> 00:07:14,890  
thinking it was in the 70s but actually

138  
00:07:19,890 --> 00:07:17,770

83 was still fairly early as for the

139

00:07:21,840 --> 00:07:19,900

internet anyway but I know that a lot of

140

00:07:23,610 --> 00:07:21,850

businesses and the government were using

141

00:07:28,920 --> 00:07:23,620

computers by that time for sure

142

00:07:31,050 --> 00:07:28,930

yeah that's right yeah and we had a like

143

00:07:36,180 --> 00:07:31,060

a five-acre building that was wall to

144

00:07:38,670 --> 00:07:36,190

wall computers and so anyway the day

145

00:07:42,420 --> 00:07:38,680

came when I was to demonstrate my

146

00:07:45,230 --> 00:07:42,430

program and we had the high mucky-muck

147

00:07:47,480 --> 00:07:45,240

brass from 12 different countries

148

00:07:53,850 --> 00:07:47,490

commanding generals everything else

149

00:07:55,710 --> 00:07:53,860

sitting there in the room and I started

150

00:08:01,680 --> 00:07:55,720

my little tap dance and then

151

00:08:05,760 --> 00:08:01,690

I hit enter to show the program and the

152

00:08:09,150 --> 00:08:05,770

computer went dead and everybody in the

153

00:08:10,950 --> 00:08:09,160

room was chuckling and I turned around

154

00:08:13,920 --> 00:08:10,960

and here was this other sergeant

155

00:08:17,250 --> 00:08:13,930

standing at the doorway and he mouthed

156

00:08:23,250 --> 00:08:17,260

he pointed at me and mouthed I got you

157

00:08:28,800 --> 00:08:23,260

and I got flaming flaming me and when I

158

00:08:33,630 --> 00:08:28,810

did oh this is the classic still

159

00:08:39,380 --> 00:08:33,640

classified part an untold number of

160

00:08:45,710 --> 00:08:39,390

computers have fried all up and down the

161

00:08:50,570 --> 00:08:45,720

Russian border and the and for a still

162

00:08:56,220 --> 00:08:50,580

unclassified amount of time we had no

163

00:09:00,990 --> 00:08:56,230

surveillance against the Russians or the

164

00:09:05,370 --> 00:09:01,000

Communists or you know the whole Eastern

165

00:09:09,180 --> 00:09:05,380

Bloc and come to find out later there's

166

00:09:14,700 --> 00:09:09,190

head fried to and so anyway for an

167

00:09:18,090 --> 00:09:14,710

untold amount of time we had people

168

00:09:20,640 --> 00:09:18,100

going to shift work you know on the

169

00:09:22,380 --> 00:09:20,650

shift bus and they would report on time

170

00:09:25,710 --> 00:09:22,390

and of course they bring their crossword

171

00:09:27,150 --> 00:09:25,720

puzzle books with them or or novels or

172

00:09:29,700 --> 00:09:27,160

something and sit there for eight hours

173

00:09:32,990 --> 00:09:29,710

and read but you had to do that because

174

00:09:37,200 --> 00:09:33,000

of the sky and the sky satellites were

175

00:09:39,450 --> 00:09:37,210

always looking at us come to find out

176

00:09:41,100 --> 00:09:39,460

the Russians were doing the same because

177

00:09:43,950 --> 00:09:41,110

our spy in the sky satellites were

178

00:09:47,630 --> 00:09:43,960

always looking at them had to make it

179

00:09:53,270 --> 00:09:47,640

look like business as usual and so

180

00:09:55,290 --> 00:09:53,280

anyway the commanding general of the

181

00:09:59,780 --> 00:09:55,300

Intelligence and Security Command

182

00:10:03,600 --> 00:09:59,790

general Stubblebine got wind of it and

183

00:10:07,500 --> 00:10:03,610

he had trained people to look for

184

00:10:08,930 --> 00:10:07,510

psychic ability and one of those trained

185

00:10:12,380 --> 00:10:08,940

people just happened

186

00:10:15,530 --> 00:10:12,390

be at that meeting with the generals

187

00:10:21,350 --> 00:10:15,540

from the 12 countries and identified it

188

00:10:24,920 --> 00:10:21,360

and so anyway general Stubblebine came

189

00:10:26,660 --> 00:10:24,930

out to the field station and stood me at

190

00:10:30,350 --> 00:10:26,670

attention and got right up in my face

191

00:10:35,570 --> 00:10:30,360

with a scowl and said did you kill my

192

00:10:38,150 --> 00:10:35,580

computer's with your mind and all of a

193

00:10:42,500 --> 00:10:38,160

sudden it dawned on me that he already

194

00:10:44,540 --> 00:10:42,510

knew the answer and that my great great

195

00:10:48,740 --> 00:10:44,550

great grandchildren would still be

196

00:10:50,960 --> 00:10:48,750

paying for computers and and so I

197

00:10:54,200 --> 00:10:50,970

decided to lie about it and say no sir

198

00:11:01,130 --> 00:10:54,210

and I heard myself say yes sir I did

199

00:11:05,180 --> 00:11:01,140

oh and this grin came across his face

200

00:11:10,400 --> 00:11:05,190

and he said far Evon out

201  
00:11:14,600 --> 00:11:10,410  
have I ever got a job for you so anyway

202  
00:11:19,720 --> 00:11:14,610  
he took me back to DC and he wanted to

203  
00:11:22,430 --> 00:11:19,730  
start a unit that would use pique

204  
00:11:26,510 --> 00:11:22,440  
psychokinesis mmm-hmm first of all

205  
00:11:31,790 --> 00:11:26,520  
destroy enemy computers but with the

206  
00:11:34,970 --> 00:11:31,800  
long-term goal of controlling what's in

207  
00:11:37,160 --> 00:11:34,980  
those computers in the foreign computers

208  
00:11:39,830 --> 00:11:37,170  
so that you know if they fire missile at

209  
00:11:44,240 --> 00:11:39,840  
us we can just turn the thing around and

210  
00:11:49,100 --> 00:11:44,250  
send it back at him or our sinking into

211  
00:11:52,190 --> 00:11:49,110  
the ocean or whatever and so he then had

212  
00:11:55,070 --> 00:11:52,200  
to have that funded and approved by

213  
00:11:59,590 --> 00:11:55,080

Congress and all and Congress said not

214

00:12:02,300 --> 00:11:59,600

no but Elmo smites of mind control and

215

00:12:08,440 --> 00:12:02,310

so they wouldn't fund it and there was

216

00:12:12,320 --> 00:12:08,450

in DC no job you know no assignment and

217

00:12:17,810 --> 00:12:12,330

so he took me over to the remote viewing

218

00:12:21,320 --> 00:12:17,820

unit and put me in there and they read

219

00:12:22,700 --> 00:12:21,330

me on you know you reading your own is

220

00:12:25,910 --> 00:12:22,710

where you

221

00:12:28,370 --> 00:12:25,920

get told highly classified information

222

00:12:31,430 --> 00:12:28,380

and have to sign a paper saying you know

223

00:12:36,500 --> 00:12:31,440

if I ever tell anything classified it's

224

00:12:41,000 --> 00:12:36,510

ten years in jail and \$10,000 fine so

225

00:12:44,180 --> 00:12:41,010

anyway they tell me what they did and I

226  
00:12:47,510 --> 00:12:44,190  
thought I'm on candid camera here by the

227  
00:12:51,620 --> 00:12:47,520  
way it was April April Fool's Day nog

228  
00:12:53,449 --> 00:12:51,630  
loss and they were reading me on to all

229  
00:12:58,190 --> 00:12:53,459  
this stuff that you know they were

230  
00:13:02,900 --> 00:12:58,200  
psychic spies and all that and and the

231  
00:13:06,800 --> 00:13:02,910  
theater the comic of the whole thing was

232  
00:13:10,010 --> 00:13:06,810  
just inexpressible but anyway that's how

233  
00:13:14,079 --> 00:13:10,020  
I got into the unit and if you saw the

234  
00:13:19,460 --> 00:13:14,089  
movie the men who stare at goats yeah

235  
00:13:23,420 --> 00:13:19,470  
we're Lyn Cassady guild computers and

236  
00:13:23,840 --> 00:13:23,430  
general Hapgood I think it is in the

237  
00:13:26,900 --> 00:13:23,850  
movie

238  
00:13:29,570 --> 00:13:26,910

general good says did you kill my

239

00:13:33,050 --> 00:13:29,580

computer that was me yeah oh that's

240

00:13:35,360 --> 00:13:33,060

funny that is wild

241

00:13:37,550 --> 00:13:35,370

well yeah I was gonna say when you were

242

00:13:40,160 --> 00:13:37,560

talking about that computer stuff that

243

00:13:43,460 --> 00:13:40,170

sounded a lot more like psychokinesis

244

00:13:45,949 --> 00:13:43,470

yeah it is it is yeah yeah absolutely

245

00:13:48,710 --> 00:13:45,959

and so which I would have I would

246

00:13:52,519 --> 00:13:48,720

imagine had would come in very handy in

247

00:13:57,590 --> 00:13:52,529

the sort of area of remote influencing

248

00:14:01,610 --> 00:13:57,600

well the fact is that Congress got

249

00:14:04,850 --> 00:14:01,620

caught back in the 60s with mind control

250

00:14:07,610 --> 00:14:04,860

and stuff like that and there are

251  
00:14:10,400 --> 00:14:07,620  
actually laws against it now and this is

252  
00:14:16,910 --> 00:14:10,410  
why they refused to let general

253  
00:14:22,160 --> 00:14:16,920  
Stubblebine set up that PK unit and we

254  
00:14:24,470 --> 00:14:22,170  
were never allowed to do what they what

255  
00:14:29,660 --> 00:14:24,480  
they now term active mental work

256  
00:14:32,240 --> 00:14:29,670  
it was always passive mental work like

257  
00:14:36,350 --> 00:14:32,250  
viewing like viewing and collecting

258  
00:14:40,370 --> 00:14:36,360  
intelligence yeah but we were we were

259  
00:14:45,440 --> 00:14:40,380  
Pressley forbidden to do active mental

260  
00:14:48,250 --> 00:14:45,450  
work remote influencing and all hmm well

261  
00:14:51,860 --> 00:14:48,260  
what what would there be besides

262  
00:14:53,120 --> 00:14:51,870  
influencing and viewing is there

263  
00:14:57,199 --> 00:14:53,130

something else that they would have

264

00:15:01,430 --> 00:14:57,209

considered active mental work I'm sure

265

00:15:05,860 --> 00:15:01,440

I'm sure there is but probably most of

266

00:15:14,120 --> 00:15:09,940

the influent or of influencing yeah yeah

267

00:15:16,970 --> 00:15:14,130

general Stubblebine of course was he got

268

00:15:22,130 --> 00:15:16,980

the nickname spoon bender Stubblebine oh

269

00:15:25,310 --> 00:15:22,140

gosh I have seen the forks and things

270

00:15:29,180 --> 00:15:25,320

that he has bent with his mind where

271

00:15:33,170 --> 00:15:29,190

each time on the fork is not curled

272

00:15:38,180 --> 00:15:33,180

around it's twisted and a circle I mean

273

00:15:40,250 --> 00:15:38,190

twisted as though it spirals outward and

274

00:15:44,389 --> 00:15:40,260

he would do this with his thumb and

275

00:15:46,340 --> 00:15:44,399

finger he would get the the forks so

276

00:15:48,470 --> 00:15:46,350

pliable that he could think his thumb

277

00:15:53,920 --> 00:15:48,480

and finger and just corkscrew one of

278

00:15:56,900 --> 00:15:53,930

these you know the tines yeah and and

279

00:16:00,560 --> 00:15:56,910

I'm sure that that would come under

280

00:16:05,060 --> 00:16:00,570

active mental work anytime there's been

281

00:16:07,069 --> 00:16:05,070

a thing about something like that the

282

00:16:09,410 --> 00:16:07,079

question always comes up in military

283

00:16:13,579 --> 00:16:09,420

circles of well can you bend two tank

284

00:16:18,920 --> 00:16:13,589

barrels can you bend the barrels of

285

00:16:21,800 --> 00:16:18,930

weapons can you affect the triggering

286

00:16:26,269 --> 00:16:21,810

mechanism of torpedoes and things like

287

00:16:29,800 --> 00:16:26,279

that and so this again comes under pique

288

00:16:35,269 --> 00:16:29,810

you know yeah that good mental work yeah

289

00:16:37,370 --> 00:16:35,279

now I mean you said just a few minutes

290

00:16:40,100 --> 00:16:37,380

ago that part of the story that you were

291

00:16:43,490 --> 00:16:40,110

telling is part of the unclassified

292

00:16:47,630 --> 00:16:43,500

stuff I mean a part of the classified

293

00:16:50,030 --> 00:16:47,640

stuff so it's no longer classified the

294

00:16:53,120 --> 00:16:50,040

parts that are still classified

295

00:16:55,129 --> 00:16:53,130

I still don't tell okay that's what I

296

00:16:59,480 --> 00:16:55,139

was getting is you know telling the

297

00:17:01,939 --> 00:16:59,490

classified part now what you know let's

298

00:17:04,159 --> 00:17:01,949

say are we looking at like an iceberg

299

00:17:05,449 --> 00:17:04,169

where we only know a tip of what it is

300

00:17:08,240 --> 00:17:05,459

and there's this huge amount of

301  
00:17:10,100 --> 00:17:08,250  
information that we don't know or won't

302  
00:17:16,059 --> 00:17:10,110  
be able to know because of its

303  
00:17:19,460 --> 00:17:16,069  
classification the information about the

304  
00:17:22,460 --> 00:17:19,470  
controlled remote viewing unit has been

305  
00:17:26,059 --> 00:17:22,470  
made available to the Freedom of

306  
00:17:27,980 --> 00:17:26,069  
Information Act and I think for forty

307  
00:17:31,789 --> 00:17:27,990  
seven dollars or something like that you

308  
00:17:34,820 --> 00:17:31,799  
can get I think it's seven disks that

309  
00:17:40,360 --> 00:17:34,830  
have all the information on it that has

310  
00:17:45,169 --> 00:17:40,370  
been unclassified but yeah there's a lot

311  
00:17:50,150 --> 00:17:45,179  
that's not on it for example who were

312  
00:17:52,250 --> 00:17:50,160  
our customers right you know and and

313  
00:17:57,919 --> 00:17:52,260

what work would did we do for those

314

00:18:00,289 --> 00:17:57,929

customers and what major military and

315

00:18:03,940 --> 00:18:00,299

governmental projects did we work on by

316

00:18:08,630 --> 00:18:03,950

name that's that's never gonna come out

317

00:18:11,590 --> 00:18:08,640

yeah well and you know in 1995 obviously

318

00:18:14,960 --> 00:18:11,600

they did their best to sort of minimize

319

00:18:19,280 --> 00:18:14,970

what had been accomplished by Project

320

00:18:21,799 --> 00:18:19,290

Star Gate in the remote viewing team but

321

00:18:25,909 --> 00:18:21,809

of course they would have done that had

322

00:18:27,850 --> 00:18:25,919

they wanted to keep secrets so it's like

323

00:18:30,740 --> 00:18:27,860

a lot of people say oh they never

324

00:18:34,390 --> 00:18:30,750

accomplished anything but of course

325

00:18:36,610 --> 00:18:34,400

they're a large number of us who say

326

00:18:38,930 --> 00:18:36,620

wait a minute if they were accomplishing

327

00:18:41,899 --> 00:18:38,940

something we wouldn't have known so much

328

00:18:47,110 --> 00:18:41,909

about it that's right yeah and we had to

329

00:18:53,360 --> 00:18:47,120

be funded every year or else every year

330

00:18:59,210 --> 00:18:53,370

we just we went away and for I think a

331

00:19:03,020 --> 00:18:59,220

total of close to about 22 years we had

332

00:19:05,680 --> 00:19:03,030

to prove ourselves with actual

333

00:19:10,310 --> 00:19:05,690

facts actual records and actual

334

00:19:19,210 --> 00:19:10,320

demonstrations in fact and every year

335

00:19:25,190 --> 00:19:23,120

1992-93 somewhere around there the CIA

336

00:19:28,640 --> 00:19:25,200

came out and said yes there was a

337

00:19:31,790 --> 00:19:28,650

project like that but it was ineffective

338

00:19:39,700 --> 00:19:31,800

and you know ineffective and didn't work

339

00:19:42,740 --> 00:19:39,710

and all and you know what a crock yeah

340

00:19:44,990 --> 00:19:42,750

we had actually one of the highest

341

00:19:47,590 --> 00:19:45,000

accuracy rates of any intelligence

342

00:19:53,780 --> 00:19:47,600

service in the field of intelligence

343

00:19:58,250 --> 00:19:53,790

really oh yeah and part of that was

344

00:20:03,070 --> 00:19:58,260

because you know satellites can't see

345

00:20:06,050 --> 00:20:03,080

inside of a building well we can write

346

00:20:09,380 --> 00:20:06,060

satellites can't tell the plans and

347

00:20:11,540 --> 00:20:09,390

intentions or even ground agents can

348

00:20:16,340 --> 00:20:11,550

always tell the plans and intentions of

349

00:20:19,880 --> 00:20:16,350

foreign leaders for tomorrow's battle

350

00:20:22,850 --> 00:20:19,890

plan or whatever what we can and with a

351  
00:20:27,950 --> 00:20:22,860  
high rate of accuracy and so basically

352  
00:20:36,010 --> 00:20:27,960  
what it was was that all of the gaps in

353  
00:20:38,570 --> 00:20:36,020  
the intelligence field we could fill and

354  
00:20:40,730 --> 00:20:38,580  
and not only that but for the

355  
00:20:45,860 --> 00:20:40,740  
intelligence field you know every unit

356  
00:20:48,140 --> 00:20:45,870  
has to have equipment and personnel well

357  
00:20:52,060 --> 00:20:48,150  
in our unit the personnel were the

358  
00:20:57,170 --> 00:20:52,070  
equipment so they got is really cheap

359  
00:20:57,710 --> 00:20:57,180  
they got more bang for their buck that's

360  
00:21:00,860 --> 00:20:57,720  
funny

361  
00:21:03,290 --> 00:21:00,870  
well you know you said it was

362  
00:21:06,320 --> 00:21:03,300  
interesting you said you you had to sort

363  
00:21:08,090 --> 00:21:06,330

of make the grade in order to get that

364

00:21:09,710 --> 00:21:08,100

funding every year that makes perfect

365

00:21:10,400 --> 00:21:09,720

sense because we know how these things

366

00:21:13,430 --> 00:21:10,410

go

367

00:21:15,670 --> 00:21:13,440

now you said part of the classified

368

00:21:16,940 --> 00:21:15,680

information was who your clients were

369

00:21:21,020 --> 00:21:16,950

was

370

00:21:23,330 --> 00:21:21,030

also classified as to how you were

371

00:21:26,120 --> 00:21:23,340

getting paid I guess it would have been

372

00:21:28,700 --> 00:21:26,130

by those very clients that you can't

373

00:21:30,800 --> 00:21:28,710

really name well I have no idea about

374

00:21:34,130 --> 00:21:30,810

that I mean it was all military and

375

00:21:40,100 --> 00:21:34,140

government so whatever money passed back

376

00:21:42,830 --> 00:21:40,110

and forth between units I you know I was

377

00:21:47,900 --> 00:21:42,840

a viewer I was the database manager and

378

00:21:51,640 --> 00:21:47,910

and trainer in the unit and so that

379

00:21:57,320 --> 00:21:51,650

stuff was so far above my paygrade that

380

00:22:00,410 --> 00:21:57,330

then you know thought about that in fact

381

00:22:02,270 --> 00:22:00,420

I wonder if anyone has ever followed the

382

00:22:05,570 --> 00:22:02,280

money trail or tried to probably be

383

00:22:08,750 --> 00:22:05,580

impossible I imagine it would you by

384

00:22:13,760 --> 00:22:08,760

this time I should by this time well I

385

00:22:17,060 --> 00:22:13,770

want to get into some of the projects

386

00:22:20,600 --> 00:22:17,070

that you worked on if you can for the

387

00:22:22,370 --> 00:22:20,610

military you know I know there's some

388

00:22:25,970 --> 00:22:22,380

pretty exciting things that you were

389

00:22:29,150 --> 00:22:25,980

able to accomplish can you tell us about

390

00:22:34,430 --> 00:22:29,160

maybe one instance where you applied

391

00:22:42,380 --> 00:22:34,440

remote viewing in a in a case for the US

392

00:22:48,530 --> 00:22:42,390

military okay the battle in Grenada yes

393

00:22:51,530 --> 00:22:48,540

the landing and and all that we we gave

394

00:22:56,300 --> 00:22:51,540

guidance in that as to where to land

395

00:23:01,610 --> 00:22:56,310

we're not to land where the defenses

396

00:23:05,750 --> 00:23:01,620

were and where they weren't we did a lot

397

00:23:09,200 --> 00:23:05,760

of drug interdiction and in fact one

398

00:23:12,350 --> 00:23:09,210

time in the period of two weeks we were

399

00:23:16,670 --> 00:23:12,360

directly responsible for eighty two

400

00:23:23,420 --> 00:23:16,680

million dollars in drug seizures over

401  
00:23:30,189 --> 00:23:23,430  
and above the norm mm-hmm of course we

402  
00:23:39,829 --> 00:23:30,199  
did military we did look inside

403  
00:23:43,149 --> 00:23:39,839  
developments one that I did when they

404  
00:23:49,129 --> 00:23:43,159  
were driving Hussein's troops out of

405  
00:23:50,959 --> 00:23:49,139  
Kuwait they had basically two or three

406  
00:23:55,609 --> 00:23:50,969  
different routes that they could have

407  
00:23:59,709 --> 00:23:55,619  
done it and I said I did the what would

408  
00:24:04,219 --> 00:23:59,719  
happen in each of those routes and the

409  
00:24:06,679 --> 00:24:04,229  
stuff I turned in said do not drive them

410  
00:24:10,759 --> 00:24:06,689  
straight north because if you do they're

411  
00:24:14,899 --> 00:24:10,769  
going to set all of those oil wells on

412  
00:24:18,859 --> 00:24:14,909  
fire and they just didn't believe that

413  
00:24:21,379 --> 00:24:18,869

they would do that and sure enough they

414

00:24:24,229 --> 00:24:21,389

did and this is what happened that is

415

00:24:28,339 --> 00:24:24,239

what happened and you know I had turned

416

00:24:33,019 --> 00:24:28,349

it in as a warning now the fact is

417

00:24:35,029 --> 00:24:33,029

though that the intelligence effort is

418

00:24:37,309 --> 00:24:35,039

not going to send the troops out on any

419

00:24:39,319 --> 00:24:37,319

one person or one event or anything like

420

00:24:41,659 --> 00:24:39,329

that you know they have to have backup

421

00:24:46,099 --> 00:24:41,669

with fine the sky satellites ground

422

00:24:48,349 --> 00:24:46,109

agents yeah radio radio traffic and

423

00:24:53,319 --> 00:24:48,359

stuff like that and it's all got to

424

00:24:59,299 --> 00:24:53,329

match before they will really act so

425

00:25:02,299 --> 00:24:59,309

they never you know people say well what

426

00:25:04,519 --> 00:25:02,309

operations did you do we did a lot of

427

00:25:09,649 --> 00:25:04,529

operations but our intelligence went

428

00:25:15,679 --> 00:25:09,659

into a big pot here and that big melting

429

00:25:17,989 --> 00:25:15,689

pot you know if we said something they

430

00:25:20,059 --> 00:25:17,999

would look at their other forms of

431

00:25:23,139 --> 00:25:20,069

intelligence gathering to see if there

432

00:25:27,919 --> 00:25:23,149

was any confirmation and all that and so

433

00:25:32,329 --> 00:25:27,929

we acted many times as a guide to

434

00:25:34,729 --> 00:25:32,339

intelligence collection but they would

435

00:25:37,909 --> 00:25:34,739

never send the troops out on the word of

436

00:25:40,579 --> 00:25:37,919

the psychic spy killer and I personally

437

00:25:43,189 --> 00:25:40,589

glad because you know we didn't have a

438

00:25:43,910 --> 00:25:43,199

hundred percent accuracy rate well that

439

00:25:46,580 --> 00:25:43,920

would have been a hell

440

00:25:48,380 --> 00:25:46,590

load to carry wouldn't it knowing that

441

00:25:50,990 --> 00:25:48,390

you know you were going to be calling

442

00:25:53,240 --> 00:25:51,000

the shots yeah it makes sense that they

443

00:25:55,910 --> 00:25:53,250

would you know combine it with other

444

00:25:58,400 --> 00:25:55,920

intelligence-gathering methods you know

445

00:26:01,370 --> 00:25:58,410

perfect sense and then it's also a good

446

00:26:04,160 --> 00:26:01,380

way of testing it out overtime junket

447

00:26:06,800 --> 00:26:04,170

well that guy was right on that one this

448

00:26:09,410 --> 00:26:06,810

other this other line didn't produce

449

00:26:10,550 --> 00:26:09,420

correct information but these guys did

450

00:26:13,850 --> 00:26:10,560

now

451  
00:26:15,700 --> 00:26:13,860  
how many were there actually on the team

452  
00:26:20,930 --> 00:26:15,710  
when you were there that were actual

453  
00:26:24,680 --> 00:26:20,940  
viewers at any one time through all of

454  
00:26:28,040 --> 00:26:24,690  
those all of those years I think the

455  
00:26:30,020 --> 00:26:28,050  
most we ever had was six viewers I knew

456  
00:26:33,110 --> 00:26:30,030  
it was a very small number I mean it

457  
00:26:35,360 --> 00:26:33,120  
seems to be some confusion out there as

458  
00:26:38,090 --> 00:26:35,370  
to you know who was a viewer who was a

459  
00:26:42,530 --> 00:26:38,100  
monitor who was this who was that well

460  
00:26:44,780 --> 00:26:42,540  
yeah I mean we were we were in an

461  
00:26:50,360 --> 00:26:44,790  
abandoned building over an abandoned

462  
00:26:52,130 --> 00:26:50,370  
partner made and I mean the the building

463  
00:26:56,420 --> 00:26:52,140

we were in had been condemned after

464

00:26:58,330 --> 00:26:56,430

World War two we had to bring in our own

465

00:27:07,880 --> 00:26:58,340

air conditioners and things like that

466

00:27:11,360 --> 00:27:07,890

and so we didn't exist and so like I was

467

00:27:13,430 --> 00:27:11,370

the property book holder I was

468

00:27:17,270 --> 00:27:13,440

responsible for all the property that

469

00:27:19,040 --> 00:27:17,280

was there and in fact a lot of the

470

00:27:22,340 --> 00:27:19,050

property that was there we had to go

471

00:27:26,920 --> 00:27:22,350

down to property disposal and bid

472

00:27:33,700 --> 00:27:29,360

are you trying to tell me you guys had

473

00:27:35,270 --> 00:27:33,710

to wear different hearts yeah I was the

474

00:27:38,390 --> 00:27:35,280

company driver

475

00:27:42,080 --> 00:27:38,400

I was the company database manager I was

476  
00:27:51,440 --> 00:27:42,090  
a teach the trainer of new people coming

477  
00:27:54,080 --> 00:27:51,450  
in and a fewer and a monitor and project

478  
00:27:57,250 --> 00:27:54,090  
manager and you know everybody had to

479  
00:28:00,430 --> 00:27:57,260  
wear every hat in the office at one time

480  
00:28:01,630 --> 00:28:00,440  
or another yeah oh I see what you're

481  
00:28:05,890 --> 00:28:01,640  
saying well maybe that's why the

482  
00:28:08,020 --> 00:28:05,900  
confusion because I admittedly you know

483  
00:28:09,670 --> 00:28:08,030  
had some confusion about what what

484  
00:28:11,950 --> 00:28:09,680  
different people did but you know what

485  
00:28:14,020 --> 00:28:11,960  
we're gonna take a break and when we

486  
00:28:17,020 --> 00:28:14,030  
come back we're gonna have more from

487  
00:28:20,290 --> 00:28:17,030  
Lynne Buchanan and controlled remote

488  
00:28:23,080 --> 00:28:20,300

viewing and his experiences both with

489

00:28:24,910 --> 00:28:23,090

the military and since the military with

490

00:28:51,540 --> 00:28:24,920

some really interesting stuff so hang in

491

00:28:58,240 --> 00:28:55,510

hello everyone Lorien Fenton here hosted

492

00:29:00,490 --> 00:28:58,250

the California MUFON radio show asking

493

00:29:03,790 --> 00:29:00,500

if you'd like special access to

494

00:29:07,030 --> 00:29:03,800

exclusive and amazing information about

495

00:29:10,390 --> 00:29:07,040

UFOs the paranormal and all things

496

00:29:13,990 --> 00:29:10,400

unexplained if you're nodding yes then

497

00:29:15,760 --> 00:29:14,000

join our ends insider Club as an insider

498

00:29:18,760 --> 00:29:15,770

club member you'll get an all-access

499

00:29:23,170 --> 00:29:18,770

pass to premiere inception radio network

500

00:29:25,960 --> 00:29:23,180

content for only \$4.99 a month this

501  
00:29:28,900 --> 00:29:25,970  
includes live UFO and paranormal

502  
00:29:32,080 --> 00:29:28,910  
conferences live streaming UFO sky

503  
00:29:35,170 --> 00:29:32,090  
watches exclusive irn radio and TV

504  
00:29:38,290 --> 00:29:35,180  
productions and of course paying radio

505  
00:29:38,890 --> 00:29:38,300  
with MJ and Ken Storch so don't wait any

506  
00:29:41,530 --> 00:29:38,900  
longer

507  
00:29:45,010 --> 00:29:41,540  
visit inception radio network comm and

508  
00:29:48,070 --> 00:29:45,020  
click on member log in to join our ends

509  
00:29:51,640 --> 00:29:48,080  
insider Club and get your VIP access

510  
00:29:53,770 --> 00:29:51,650  
today are you a fan of inception radio

511  
00:29:55,480 --> 00:29:53,780  
network do you reckon it's the best all

512  
00:29:57,810 --> 00:29:55,490  
sentences talk radio station on the

513  
00:30:00,340 --> 00:29:57,820

planet well if you do head to

514

00:30:03,220 --> 00:30:00,350

facebook-dot-com forward-slash inception

515

00:30:05,050 --> 00:30:03,230

radio network like the page tell your

516

00:30:08,170 --> 00:30:05,060

friends spread the word and keep

517

00:30:12,650 --> 00:30:10,340

do you have a smartphone

518

00:30:15,080 --> 00:30:12,660

if so inception radio network is the

519

00:30:17,810 --> 00:30:15,090

best app for you available on iTunes

520

00:30:20,060 --> 00:30:17,820

Android Samsung and most of the rap

521

00:30:22,460 --> 00:30:20,070

storms just search inception radio

522

00:30:24,860 --> 00:30:22,470

network with the app you can listen live

523

00:30:27,410 --> 00:30:24,870

to check out podcast of recent and par

524

00:30:29,660 --> 00:30:27,420

shows a few our videos see what shows

525

00:30:32,210 --> 00:30:29,670

are coming up and who the guests are and

526

00:30:34,700 --> 00:30:32,220

via the chat room to send live questions

527

00:30:37,550 --> 00:30:34,710

to those guests you know it makes sense

528

00:30:44,870 --> 00:30:37,560

check your App Store now inception radio

529

00:30:46,910 --> 00:30:44,880

network see you there hey IRA listeners

530

00:30:49,310 --> 00:30:46,920

make sure you tune in to night vision

531

00:30:51,470 --> 00:30:49,320

radio with Renee Barnett where they will

532

00:30:53,750 --> 00:30:51,480

be exposing the truth one secret at a

533

00:30:56,630 --> 00:30:53,760

time when Thursday's every thursday

534

00:31:02,450 --> 00:30:56,640

10:30 p.m. Eastern sub-30 p.m. Pacific

535

00:31:05,120 --> 00:31:02,460

where right here in Iraq hello ayran

536

00:31:07,100 --> 00:31:05,130

listeners this is MJ say hello and

537

00:31:10,730 --> 00:31:07,110

sharing boss and secret I discovered

538

00:31:12,770 --> 00:31:10,740

it's called dream Lodge comm fresh raw

539

00:31:15,530 --> 00:31:12,780

organic ingredients are used to create

540

00:31:17,420 --> 00:31:15,540

all their products they are made in very

541

00:31:20,840 --> 00:31:17,430

small batches to ensure quality and

542

00:31:22,620 --> 00:31:20,850

freshness and made in the USA each

543

00:31:24,260 --> 00:31:22,630

product is created with

544

00:31:26,790 --> 00:31:24,270

and with the finest organic ingredients

545

00:31:29,280 --> 00:31:26,800

there are no preservatives dyes or

546

00:31:33,620 --> 00:31:29,290

chemicals of any product and stop by

547

00:31:44,230 --> 00:31:33,630

dream Lodge and laughs that's d-r-e am

548

00:32:26,710 --> 00:31:47,270

you're locked into Inception Radio

549

00:32:31,099 --> 00:32:29,269

welcome back to night vision radio I'm

550

00:32:34,580 --> 00:32:31,109

your host Renee Barnett and tonight

551  
00:32:37,220 --> 00:32:34,590  
we're talking with wind buchanan he was

552  
00:32:41,450 --> 00:32:37,230  
a remote viewer for the US military in

553  
00:32:45,379 --> 00:32:41,460  
Project Star Gate and he's also carried

554  
00:32:48,200 --> 00:32:45,389  
that practice on into civilian life and

555  
00:32:49,729 --> 00:32:48,210  
we're gonna get into some of that and

556  
00:32:51,379 --> 00:32:49,739  
maybe a little bit more of the military

557  
00:32:59,210 --> 00:32:51,389  
but also what he's been doing since the

558  
00:33:05,479 --> 00:32:59,220  
military so Lynn when you you you left

559  
00:33:10,009 --> 00:33:05,489  
before 95 right or yeah I retired in 92

560  
00:33:14,509 --> 00:33:10,019  
92 and then when you heard about were

561  
00:33:16,639 --> 00:33:14,519  
you contacted at all before they went

562  
00:33:19,669 --> 00:33:16,649  
public and said okay yeah we had this

563  
00:33:23,989 --> 00:33:19,679

program but we're not doing it anymore

564

00:33:28,159 --> 00:33:23,999

in 1995 did you have some kind of had

565

00:33:30,739 --> 00:33:28,169

heads-up on that okay when you said

566

00:33:34,879 --> 00:33:30,749

contacted I was going to say by whom but

567

00:33:38,539 --> 00:33:34,889

no I didn't have any heads-up on that it

568

00:33:43,310 --> 00:33:38,549

was kind of a surprise to me but when I

569

00:33:45,489 --> 00:33:43,320

read the CIA statement you know that was

570

00:33:50,499 --> 00:33:45,499

no surprise they were just saying that

571

00:33:56,989 --> 00:33:53,599

that's really wild yeah it's exactly

572

00:33:59,899 --> 00:33:56,999

what you would expect him to say to deny

573

00:34:02,930 --> 00:33:59,909

things you know but just the fact that

574

00:34:04,999 --> 00:34:02,940

they were actually you know admitting

575

00:34:08,299 --> 00:34:05,009

that they had had such a program I guess

576

00:34:11,089 --> 00:34:08,309

was a surprise to some people but nobody

577

00:34:15,260 --> 00:34:11,099

said to you hey get ready because this

578

00:34:17,539 --> 00:34:15,270

is all going to come out now no I would

579

00:34:21,980 --> 00:34:17,549

I would have imagined that you would

580

00:34:24,379 --> 00:34:21,990

have started to get contacted by media

581

00:34:27,409 --> 00:34:24,389

people and things like that or other

582

00:34:29,690 --> 00:34:27,419

interested people or when they made that

583

00:34:31,430 --> 00:34:29,700

public was it a while before your names

584

00:34:37,789 --> 00:34:31,440

your individual names started leaking

585

00:34:38,180 --> 00:34:37,799

out no it was pretty soon finding out

586

00:34:42,619 --> 00:34:38,190

who

587

00:34:46,760 --> 00:34:42,629

and so on and I started the first

588

00:34:49,809 --> 00:34:46,770

remote-viewing website trying to get

589

00:34:56,089 --> 00:34:49,819

some real fact out there but that was

590

00:34:57,620 --> 00:34:56,099

swamped by all they only told about

591

00:35:00,950 --> 00:34:57,630

remote viewing was that it was a

592

00:35:05,210 --> 00:35:00,960

scientifically proven form of psychic

593

00:35:07,220 --> 00:35:05,220

work and so all of a sudden every

594

00:35:09,859 --> 00:35:07,230

psychic in the world was a remote viewer

595

00:35:13,400 --> 00:35:09,869

and they had no idea what remote viewing

596

00:35:16,430 --> 00:35:13,410

was but it was scientific so they jumped

597

00:35:19,490 --> 00:35:16,440

on that bandwagon and we had crystal

598

00:35:22,609 --> 00:35:19,500

ball remote viewers and palm remote

599

00:35:25,940 --> 00:35:22,619

viewers and pendulum remote viewers and

600

00:35:30,109 --> 00:35:25,950

and a lot of that still going on today

601  
00:35:33,160 --> 00:35:30,119  
oh by people who have never really taken

602  
00:35:36,859 --> 00:35:33,170  
the time to learn what remote viewing

603  
00:35:42,280 --> 00:35:36,869  
actually is and it is a scientific

604  
00:35:45,140 --> 00:35:42,290  
method there's no voodoo no whoo-who no

605  
00:35:48,140 --> 00:35:45,150  
your head doesn't spin around your eyes

606  
00:35:50,800 --> 00:35:48,150  
don't row back you know no trances don't

607  
00:35:53,809 --> 00:35:50,810  
don't take all the fun out of it when

608  
00:35:56,510 --> 00:35:53,819  
when when people come to learn

609  
00:35:59,380 --> 00:35:56,520  
controlled remote viewing for me and

610  
00:36:03,140 --> 00:35:59,390  
they come with all these preconceptions

611  
00:36:05,000 --> 00:36:03,150  
they they really get disappointed when

612  
00:36:07,660 --> 00:36:05,010  
they have to drop those perceptions and

613  
00:36:11,480 --> 00:36:07,670

then they tried the remote viewing and

614

00:36:15,800 --> 00:36:11,490

they're so glad they hate and they they

615

00:36:19,190 --> 00:36:15,810

dump those perceptions because it is so

616

00:36:22,370 --> 00:36:19,200

much more fascinating than voodoo and

617

00:36:26,930 --> 00:36:22,380

woowoo and you know it's amazing what

618

00:36:29,569 --> 00:36:26,940

the human mind can do I do remember

619

00:36:33,170 --> 00:36:29,579

back in the 90s when you're right

620

00:36:36,980 --> 00:36:33,180

suddenly everyone was a remote viewer

621

00:36:40,510 --> 00:36:36,990

and then I remember I did have friends

622

00:36:45,500 --> 00:36:40,520

that really got into interested in

623

00:36:47,599 --> 00:36:45,510

remote viewing you know from some of the

624

00:36:50,220 --> 00:36:47,609

information that had been released about

625

00:36:52,349 --> 00:36:50,230

the government program

626

00:36:53,819 --> 00:36:52,359

and I knew people that were taking

627

00:36:56,130 --> 00:36:53,829

training and some that we're taking

628

00:37:00,060 --> 00:36:56,140

training from you and I quickly found

629

00:37:02,700 --> 00:37:00,070

out wasn't easy wasn't easy and it was

630

00:37:04,589 --> 00:37:02,710

time-consuming and I thought oh my god

631

00:37:06,930 --> 00:37:04,599

oh never I would never be able to do it

632

00:37:09,630 --> 00:37:06,940

because I my attention span would you

633

00:37:11,400 --> 00:37:09,640

know be too big because a lot of the

634

00:37:16,290 --> 00:37:11,410

controlled remote viewing is actually

635

00:37:18,690 --> 00:37:16,300

based on the martial arts because one of

636

00:37:20,339 --> 00:37:18,700

the major concepts behind controlled

637

00:37:26,609 --> 00:37:20,349

remote viewing is that your subconscious

638

00:37:29,099 --> 00:37:26,619

has access not only to your own past and

639

00:37:30,540 --> 00:37:29,109

your own present and why you do the

640

00:37:33,000 --> 00:37:30,550

things you don't want to do but you do

641

00:37:37,710 --> 00:37:33,010

anyway you know and where your car keys

642

00:37:40,230 --> 00:37:37,720

are but also to the universe the problem

643

00:37:47,819 --> 00:37:40,240

is that the subconscious rarely ever

644

00:37:50,069 --> 00:37:47,829

talks to the conscious mind but the the

645

00:37:52,410 --> 00:37:50,079

thing that Ingo Swann found out about

646

00:37:55,890 --> 00:37:52,420

was that the subconscious talks to the

647

00:38:00,000 --> 00:37:55,900

body and the conscious talks to the body

648

00:38:03,450 --> 00:38:00,010

and so you know the old karate wax on

649

00:38:05,910 --> 00:38:03,460

wipe off and all that mm-hmm and you

650

00:38:07,349 --> 00:38:05,920

learn that consciously but you get in

651  
00:38:10,500 --> 00:38:07,359  
the fight and your subconscious takes

652  
00:38:15,059 --> 00:38:10,510  
over and and the movements that you have

653  
00:38:18,240 --> 00:38:15,069  
practiced save you you know and and so

654  
00:38:24,210 --> 00:38:18,250  
the control room of viewing is actually

655  
00:38:26,099 --> 00:38:24,220  
based on getting the body to act as a

656  
00:38:27,990 --> 00:38:26,109  
communicator between the conscious and

657  
00:38:32,069 --> 00:38:28,000  
subconscious mind and we have a way

658  
00:38:35,160 --> 00:38:32,079  
where we can think of a question do a

659  
00:38:37,980 --> 00:38:35,170  
physical act and that gets a question

660  
00:38:41,130 --> 00:38:37,990  
over to the subconscious it will come

661  
00:38:44,059 --> 00:38:41,140  
back with the physical act and we say

662  
00:38:47,520 --> 00:38:44,069  
okay I know the meaning of that and

663  
00:38:50,760 --> 00:38:47,530

consciously write it down so it's very

664

00:38:57,390 --> 00:38:50,770

much a martial art and when you get into

665

00:39:04,160 --> 00:38:57,400

the higher stages on even mid a basic

666

00:39:12,059 --> 00:39:07,890

not textual information or anything like

667

00:39:14,579 --> 00:39:12,069

that or or you know put the envelope to

668

00:39:17,040 --> 00:39:14,589

your forehead and say the answer is what

669

00:39:22,079 --> 00:39:17,050

you get back is colors and smells and

670

00:39:24,750 --> 00:39:22,089

tastes and textures but you learn to you

671

00:39:30,390 --> 00:39:24,760

learn in the training that you can say

672

00:39:33,270 --> 00:39:30,400

okay now move to this other desk what's

673

00:39:35,069 --> 00:39:33,280

going on there and you hear the sounds

674

00:39:37,010 --> 00:39:35,079

you hear the people talking you hear the

675

00:39:40,589 --> 00:39:37,020

their voices

676

00:39:42,180 --> 00:39:40,599

you can smell their smells oh this

677

00:39:45,660 --> 00:39:42,190

person likes pizza for lunch

678

00:39:48,240 --> 00:39:45,670

you know or whatever and and you can

679

00:39:53,010 --> 00:39:48,250

collect a ton of intelligence that will

680

00:39:56,069 --> 00:39:53,020

then go to an analyst somewhere and they

681

00:39:59,040 --> 00:39:56,079

could do personality profiles and all

682

00:40:02,730 --> 00:39:59,050

kinds of information that helps in the

683

00:40:08,400 --> 00:40:02,740

intelligence center mmm Isis so

684

00:40:10,530 --> 00:40:08,410

interesting now in working for the the

685

00:40:16,640 --> 00:40:10,540

military I know that you said you were

686

00:40:20,640 --> 00:40:18,150

remote viewing

687

00:40:24,030 --> 00:40:20,650

not in remote influencing or anything

688

00:40:26,359 --> 00:40:24,040

like that there's now yeah right

689

00:40:31,740 --> 00:40:26,369

right past the mental work excuse me so

690

00:40:36,870 --> 00:40:31,750

were you ever asked if you can say to

691

00:40:41,430 --> 00:40:36,880

look at anything that was like the alien

692

00:40:46,260 --> 00:40:41,440

questioned by the military oh okay that

693

00:40:49,859 --> 00:40:46,270

last little clause there by the military

694

00:40:50,460 --> 00:40:49,869

absolutely not the government okay the

695

00:40:52,049 --> 00:40:50,470

government

696

00:40:54,030 --> 00:40:52,059

that's right er I've been saying

697

00:40:58,049 --> 00:40:54,040

military too much tonight cuz it wasn't

698

00:41:02,630 --> 00:40:58,059

just the military no it was the whole

699

00:41:08,539 --> 00:41:02,640

government yeah yeah by the government

700

00:41:13,349 --> 00:41:08,549

we were never officially tasked with

701  
00:41:16,080 --> 00:41:13,359  
alien stuff and I'm choosing my words

702  
00:41:23,940 --> 00:41:19,440  
and so if the question comes up were we

703  
00:41:27,200 --> 00:41:23,950  
ever tasked with alien stuff then the

704  
00:41:29,640 --> 00:41:27,210  
answer is we were never officially

705  
00:41:34,620 --> 00:41:29,650  
tasked with aliens

706  
00:41:38,010 --> 00:41:34,630  
okay now the analogy here is let's say

707  
00:41:40,140 --> 00:41:38,020  
you have a car repair shop in DC and a

708  
00:41:42,030 --> 00:41:40,150  
congressman comes in and your work on

709  
00:41:46,470 --> 00:41:42,040  
his car does that mean you're working

710  
00:41:48,600 --> 00:41:46,480  
for the government right okay then

711  
00:41:50,910 --> 00:41:48,610  
you're working for the congressman and

712  
00:41:55,350 --> 00:41:50,920  
if a congressman comes in and privately

713  
00:41:57,630 --> 00:41:55,360

ask you a question you're not officially

714

00:42:01,650 --> 00:41:57,640

tasked with it

715

00:42:04,830 --> 00:42:01,660

got it okay so let's say that you might

716

00:42:08,660 --> 00:42:04,840

have been unofficially looking into

717

00:42:13,470 --> 00:42:08,670

something but at the request of someone

718

00:42:18,560 --> 00:42:13,480

who may or may not be connected with and

719

00:42:22,380 --> 00:42:18,570

you're learning here are you able to

720

00:42:28,380 --> 00:42:22,390

give them a satisfactory response that

721

00:42:33,990 --> 00:42:28,390

contained content about alien contact

722

00:42:39,800 --> 00:42:34,000

well sure yeah what can you say about

723

00:42:44,250 --> 00:42:39,810

that that it was extremely interesting

724

00:42:48,780 --> 00:42:44,260

and we found a lot of stuff that once

725

00:42:54,360 --> 00:42:48,790

again was provided for guidance and

726

00:43:00,690 --> 00:42:54,370

further studies our further research or

727

00:43:03,060 --> 00:43:00,700

further to further to guide and further

728

00:43:09,690 --> 00:43:03,070

the interest of the person who had asked

729

00:43:14,970 --> 00:43:09,700

mm-hmm and they for no answer well yeah

730

00:43:20,210 --> 00:43:14,980

that thanks a lot no the what is it if

731

00:43:23,390 --> 00:43:20,220

anything that you can say about an

732

00:43:27,000 --> 00:43:23,400

extraterrestrial or alien

733

00:43:29,760 --> 00:43:27,010

other-dimensional presence on the planet

734

00:43:33,360 --> 00:43:29,770

is there information that you

735

00:43:39,210 --> 00:43:33,370

feel you've been able to glean that you

736

00:43:42,140 --> 00:43:39,220

can share well yeah there's alien

737

00:43:48,810 --> 00:43:42,150

presence on our planet yeah of course

738

00:43:53,490 --> 00:43:48,820

and the 80s are real the flying saucers

739

00:44:03,600 --> 00:43:53,500

if you want to have it is real and a lot

740

00:44:05,910 --> 00:44:03,610

of the physics as in physics class in

741

00:44:10,440 --> 00:44:05,920

school you know a lot of the physical

742

00:44:14,910 --> 00:44:10,450

principles and scientific principles can

743

00:44:18,560 --> 00:44:14,920

be uncovered that way and we've gained

744

00:44:22,710 --> 00:44:18,570

some pretty good understanding actually

745

00:44:35,900 --> 00:44:22,720

from alien intelligence are you sure

746

00:44:39,240 --> 00:44:35,910

yeah what's the big secret I mean why

747

00:44:40,950 --> 00:44:39,250

you know if when I ask you is there an

748

00:44:42,360 --> 00:44:40,960

alien presence you said well of course

749

00:44:45,510 --> 00:44:42,370

there is

750

00:44:48,540 --> 00:44:45,520

well if of course and what's the big

751

00:44:49,800 --> 00:44:48,550

secret why is it I mean it's like oh

752

00:44:51,960 --> 00:44:49,810

well they don't want to frighten people

753

00:44:53,190 --> 00:44:51,970

well I'm sorry I just don't believe they

754

00:44:55,770 --> 00:44:53,200

care that much

755

00:44:57,690 --> 00:44:55,780

no they don't about the population and

756

00:44:59,460 --> 00:44:57,700

then it's like oh well you know people

757

00:45:02,040 --> 00:44:59,470

would be worrying and focusing on that

758

00:45:03,960 --> 00:45:02,050

enemy what they do nobody seems to be

759

00:45:09,600 --> 00:45:03,970

worried about all the other enemies that

760

00:45:11,640 --> 00:45:09,610

we're focusing on so what is it why is

761

00:45:14,970 --> 00:45:11,650

it that it's being kept a big secret

762

00:45:18,600 --> 00:45:14,980

still well there there's a lot of

763

00:45:20,000 --> 00:45:18,610

technology for one thing that is

764

00:45:23,040 --> 00:45:20,010

different from ours

765

00:45:27,630 --> 00:45:23,050

now notice I didn't say more advanced I

766

00:45:31,410 --> 00:45:27,640

said different from ours and on their

767

00:45:36,000 --> 00:45:31,420

part there's a lot of human technology

768

00:45:40,320 --> 00:45:36,010

that's different from theirs and so this

769

00:45:42,120 --> 00:45:40,330

is sort of a mutual mutual friendship

770

00:45:50,609 --> 00:45:42,130

type Club

771

00:45:53,940 --> 00:45:50,619

and I'm sure there are all kinds of

772

00:45:56,430 --> 00:45:53,950

reasons I haven't been told all of them

773

00:46:00,299 --> 00:45:56,440

but I do know about the technology

774

00:46:02,999 --> 00:46:00,309

transfer and that it's very interesting

775

00:46:07,789 --> 00:46:03,009

some some good stuff is being

776

00:46:12,900 --> 00:46:07,799

transferred some good understandings and

777

00:46:14,819 --> 00:46:12,910

is there going to be a time when we are

778

00:46:20,150 --> 00:46:14,829

going to know this are we able to work

779

00:46:23,099 --> 00:46:20,160

with these other intelligences or is I

780

00:46:25,289 --> 00:46:23,109

mean are they gonna be part of us being

781

00:46:27,989 --> 00:46:25,299

able to colonize and other on other

782

00:46:30,180 --> 00:46:27,999

planets and that sort of thing or is it

783

00:46:31,410 --> 00:46:30,190

going to be an adversarial situation it

784

00:46:33,170 --> 00:46:31,420

would seem like if it was going to be

785

00:46:37,140 --> 00:46:33,180

adversarial we would already know that

786

00:46:43,019 --> 00:46:37,150

yeah they asked me to do a paper one

787

00:46:45,120 --> 00:46:43,029

time and I was given the information

788

00:46:47,789 --> 00:46:45,130

that never made it into the blue book

789

00:46:50,190 --> 00:46:47,799

because they couldn't just sort of

790

00:46:56,819 --> 00:46:50,200

explain it away as swamp gas and yeah

791

00:47:00,690 --> 00:46:56,829

the real stuff and to the tasking on

792

00:47:02,549 --> 00:47:00,700

this paper was very specific it was the

793

00:47:09,769 --> 00:47:02,559

different types of aliens that they know

794

00:47:13,459 --> 00:47:09,779

about and as relates to psychic ability

795

00:47:16,529 --> 00:47:13,469

now that's all the paper was about and

796

00:47:21,829 --> 00:47:16,539

what I found out going through all of

797

00:47:26,269 --> 00:47:21,839

these records and and you know

798

00:47:31,349 --> 00:47:26,279

interviews and things like that was that

799

00:47:36,479 --> 00:47:31,359

you can basically divide the aliens into

800

00:47:38,249 --> 00:47:36,489

four groups that's not so you know the

801  
00:47:41,069 --> 00:47:38,259  
greys are going to be in each group and

802  
00:47:43,430 --> 00:47:41,079  
the insectoids and all that or whatever

803  
00:47:47,819 --> 00:47:43,440  
are going to be in each group but

804  
00:47:49,559 --> 00:47:47,829  
according to psychic ability among the

805  
00:47:54,209 --> 00:47:49,569  
aliens you can divide them into four

806  
00:47:55,920 --> 00:47:54,219  
groups one is the friendly versus the

807  
00:47:59,400 --> 00:47:55,930  
unfriendly

808  
00:48:01,769 --> 00:47:59,410  
and in each of those two groups

809  
00:48:07,289 --> 00:48:01,779  
you've got the psychic and the non

810  
00:48:11,220 --> 00:48:07,299  
psychic and the non psychic unfriendly

811  
00:48:13,440 --> 00:48:11,230  
ones tend not to come here we have guns

812  
00:48:19,589 --> 00:48:13,450  
and we shoot them down and that's

813  
00:48:22,769 --> 00:48:19,599

happened the friendly non-psychic ones

814

00:48:25,140 --> 00:48:22,779

come here for trade and there are a lot

815

00:48:30,029 --> 00:48:25,150

of them here and we're making trades and

816

00:48:37,200 --> 00:48:30,039

we're doing deals what confused me was

817

00:48:40,410 --> 00:48:37,210

the the friendly psychic ones they're

818

00:48:45,599 --> 00:48:40,420

doing trades too but but they want us to

819

00:48:47,309 --> 00:48:45,609

develop our psychic ability and I you

820

00:48:48,839 --> 00:48:47,319

know and they're the ones who keep

821

00:48:51,299 --> 00:48:48,849

saying oh you've got to have peace

822

00:48:54,079 --> 00:48:51,309

you've got to you know you've got to

823

00:48:56,370 --> 00:48:54,089

change humanity and all that the

824

00:48:58,410 --> 00:48:56,380

unfriendly psychic so they're they're

825

00:49:01,319 --> 00:48:58,420

really are extraterrestrials that are

826  
00:49:04,760 --> 00:49:01,329  
saying that oh yeah yeah and what do

827  
00:49:07,950 --> 00:49:04,770  
they look like like I say there's

828  
00:49:11,160 --> 00:49:07,960  
different ones different different types

829  
00:49:15,240 --> 00:49:11,170  
in each of these groups oh I see okay

830  
00:49:18,799 --> 00:49:15,250  
and the unfriendly psychic ones they

831  
00:49:23,910 --> 00:49:18,809  
just want us dead wiped off the planet

832  
00:49:28,200 --> 00:49:23,920  
no questions asked no excuses just kill

833  
00:49:32,150 --> 00:49:28,210  
every human on the planet and I couldn't

834  
00:49:37,490 --> 00:49:32,160  
figure out why until I came to this one

835  
00:49:40,559 --> 00:49:37,500  
encounter and I won't go into it but

836  
00:49:46,559 --> 00:49:40,569  
what I found out from this one encounter

837  
00:49:49,220 --> 00:49:46,569  
was that the psychic aliens have

838  
00:49:53,640 --> 00:49:49,230

stronger psychic abilities than we have

839

00:49:56,099 --> 00:49:53,650

hmm but they don't have any range the

840

00:50:01,680 --> 00:49:56,109

ship has to be right over the top of you

841

00:50:05,490 --> 00:50:01,690

or right next to you in order to control

842

00:50:09,480 --> 00:50:05,500

you psychically and all this and you

843

00:50:12,870 --> 00:50:09,490

know at any range their ability is

844

00:50:16,560 --> 00:50:12,880

just diminishes and drastically well

845

00:50:20,520 --> 00:50:16,570

humans have very weak psychic ability

846

00:50:23,330 --> 00:50:20,530

but we can see across the universe as

847

00:50:29,100 --> 00:50:23,340

easily as we can see across the room and

848

00:50:31,680 --> 00:50:29,110

so the friendly ones know that if we

849

00:50:35,400 --> 00:50:31,690

develop our psychic ability we will be a

850

00:50:40,170 --> 00:50:35,410

formidable power in the universe once we

851  
00:50:43,940 --> 00:50:40,180  
get out there the unruly ones know the

852  
00:50:46,109 --> 00:50:43,950  
same thing that's why they want us dead

853  
00:50:51,600 --> 00:50:46,119  
they don't want us out there

854  
00:50:57,359 --> 00:50:51,610  
and so because you know we can see him

855  
00:51:00,960 --> 00:50:57,369  
coming years and miles away Wow and so

856  
00:51:02,580 --> 00:51:00,970  
and so this was the paper this was the

857  
00:51:07,520 --> 00:51:02,590  
conclusion I wrote in that paper and

858  
00:51:10,200 --> 00:51:07,530  
turned it in and it disappeared into the

859  
00:51:14,370 --> 00:51:10,210  
the government paperwork somewhere I've

860  
00:51:16,980 --> 00:51:14,380  
never heard of that paper again but and

861  
00:51:20,820 --> 00:51:16,990  
when when did you do that Lin

862  
00:51:23,130 --> 00:51:20,830  
this was back actually after I got out

863  
00:51:27,510 --> 00:51:23,140

of service oh okay

864

00:51:31,830 --> 00:51:27,520

I was still doing once I got out of

865

00:51:34,830 --> 00:51:31,840

service many of the people in government

866

00:51:38,660 --> 00:51:34,840

who wanted this training and knew that

867

00:51:43,230 --> 00:51:38,670

we were doing it and couldn't get it

868

00:51:45,780 --> 00:51:43,240

started contacting me and so well I was

869

00:51:51,359 --> 00:51:45,790

I was able to do the training for

870

00:51:53,460 --> 00:51:51,369

government and military leaders who were

871

00:52:00,570 --> 00:51:53,470

not able to get it while I was in

872

00:52:04,830 --> 00:52:00,580

service the there was great interest in

873

00:52:07,170 --> 00:52:04,840

it hmm that's really well do you mind if

874

00:52:12,599 --> 00:52:07,180

I toss a question to you from the chat

875

00:52:15,930 --> 00:52:12,609

room no great duress he said ask him

876

00:52:18,540 --> 00:52:15,940

about the one item they created it

877

00:52:23,410 --> 00:52:18,550

cannot be viewed I believe he has it in

878

00:52:27,160 --> 00:52:23,420

his possession yes I do what is it

879

00:52:31,289 --> 00:52:27,170

it's called the story stone and it sits

880

00:52:35,170 --> 00:52:31,299

in a it sits in my bookcase in here and

881

00:52:38,319 --> 00:52:35,180

the thing is from the first day I got

882

00:52:42,990 --> 00:52:38,329

there I found out that one of the

883

00:52:47,049 --> 00:52:43,000

reasons the remote-viewing project was

884

00:52:49,599 --> 00:52:47,059

started was not in order to collect

885

00:52:53,440 --> 00:52:49,609

intelligence but to find out how to

886

00:52:56,410 --> 00:52:53,450

block the already very proficient

887

00:52:58,750 --> 00:52:56,420

russian effort Russia and her secrets

888

00:53:02,559 --> 00:52:58,760

yeah and they were stealing our secrets

889

00:53:05,680 --> 00:53:02,569

with their psychic spies and so one of

890

00:53:09,329 --> 00:53:05,690

the major reasons for us starting the

891

00:53:13,740 --> 00:53:09,339

unit was to find out how to prevent a

892

00:53:20,650 --> 00:53:13,750

psychic from getting information and and

893

00:53:23,890 --> 00:53:20,660

so anyway we developed a method for

894

00:53:29,069 --> 00:53:23,900

doing that and we use that methodology

895

00:53:34,000 --> 00:53:29,079

on one place one person and one object

896

00:53:37,120 --> 00:53:34,010

you know place people and things and as

897

00:53:40,420 --> 00:53:37,130

a as a test well the object was a

898

00:53:43,539 --> 00:53:40,430

personal possession of mine and people

899

00:53:46,480 --> 00:53:43,549

can view the object and physically

900

00:53:49,059 --> 00:53:46,490

describe it extremely well in fact there

901  
00:53:51,520 --> 00:53:49,069  
are pictures of it there's a picture of

902  
00:53:56,020 --> 00:53:51,530  
it in my book and there are pictures of

903  
00:54:01,859 --> 00:53:56,030  
it on the internet and all that but the

904  
00:54:06,539 --> 00:54:01,869  
history of that object is what we

905  
00:54:11,339 --> 00:54:06,549  
decided on as the specific thing and

906  
00:54:13,960 --> 00:54:11,349  
when a even in an advanced remote viewer

907  
00:54:17,200 --> 00:54:13,970  
will try to get the history of that

908  
00:54:20,230 --> 00:54:17,210  
object first of all they run into just

909  
00:54:23,799 --> 00:54:20,240  
about every problem that they can well

910  
00:54:28,569 --> 00:54:23,809  
that's going to knock 90% of the viewers

911  
00:54:33,460 --> 00:54:28,579  
out they'll just give up if viewer

912  
00:54:37,170 --> 00:54:33,470  
continues going they'll generally get

913  
00:54:41,640 --> 00:54:37,180

the giggles and you know

914

00:54:45,470 --> 00:54:41,650

I see it as white and just giggle and

915

00:54:48,690 --> 00:54:45,480

Google and that destroys their session

916

00:54:52,290 --> 00:54:48,700

for the remaining ones that stick all

917

00:54:57,420 --> 00:54:52,300

the way through that all of a sudden the

918

00:55:01,320 --> 00:54:57,430

viewing gets to be great and and it goes

919

00:55:05,210 --> 00:55:01,330

smoothly they get information and they

920

00:55:09,750 --> 00:55:05,220

get an entire history of the story stone

921

00:55:11,640 --> 00:55:09,760

that's completely wrong and the reason

922

00:55:14,150 --> 00:55:11,650

we call it the story stone is because

923

00:55:18,330 --> 00:55:14,160

it's a different story every single time

924

00:55:21,210 --> 00:55:18,340

and you view the history of the story

925

00:55:23,220 --> 00:55:21,220

stone and I've had a lot of people say

926

00:55:25,710 --> 00:55:23,230

okay well tell me what's right and what

927

00:55:27,840 --> 00:55:25,720

I found and what's wrong and no I'm not

928

00:55:32,280 --> 00:55:27,850

going to let people nickel and dime me

929

00:55:35,370 --> 00:55:32,290

to death you know and so I've made the

930

00:55:37,760 --> 00:55:35,380

the deal that if somebody remote views

931

00:55:42,240 --> 00:55:37,770

the history of the story stone

932

00:55:46,710 --> 00:55:42,250

accurately if they will tell me how they

933

00:55:50,190 --> 00:55:46,720

did it I will give them the whole entire

934

00:55:53,310 --> 00:55:50,200

history of the story stone and we've had

935

00:55:55,170 --> 00:55:53,320

people tried to go back in time before

936

00:55:58,140 --> 00:55:55,180

there was protection put on the stone

937

00:56:02,430 --> 00:55:58,150

that doesn't work they've tried to go

938

00:56:05,130 --> 00:56:02,440

forward in time to after the history is

939

00:56:10,980 --> 00:56:05,140

known that doesn't work they they've

940

00:56:14,760 --> 00:56:10,990

tried every neat thing and and none of

941

00:56:18,000 --> 00:56:14,770

it works and in fact if somebody puts

942

00:56:20,160 --> 00:56:18,010

like the story stone on a sheet of paper

943

00:56:23,940 --> 00:56:20,170

drops it into an envelope and seals it

944

00:56:28,860 --> 00:56:23,950

and unexpectedly I get that

945

00:56:32,510 --> 00:56:28,870

I can't view it either I mean it is the

946

00:56:35,130 --> 00:56:32,520

history of the story stone is unviewable

947

00:56:35,730 --> 00:56:35,140

what is this stone where did it come

948

00:56:39,750 --> 00:56:35,740

from

949

00:56:44,010 --> 00:56:39,760

oh you want the history of it oh I see

950

00:56:47,460 --> 00:56:44,020

okay I get it and he said there's a

951  
00:56:48,000 --> 00:56:47,470  
picture of it in my book the seventh

952  
00:56:49,819 --> 00:56:48,010  
sense

953  
00:56:54,960 --> 00:56:49,829  
plug plug

954  
00:56:57,450 --> 00:56:54,970  
the the book is the seventh sense and it

955  
00:57:02,609 --> 00:56:57,460  
is the only book out I think right now

956  
00:57:05,880 --> 00:57:02,619  
that has any guidance as to how to

957  
00:57:09,599 --> 00:57:05,890  
actually practice for the remote viewing

958  
00:57:14,339 --> 00:57:09,609  
and so on it's very factual and it's

959  
00:57:19,650 --> 00:57:14,349  
actually a history of my time in the

960  
00:57:22,890 --> 00:57:19,660  
unit and things that happened the ways

961  
00:57:27,930 --> 00:57:22,900  
it changed my life because this will I

962  
00:57:32,990 --> 00:57:27,940  
mean this really will and it's just my

963  
00:57:38,299 --> 00:57:33,000

story of my experience of being in the

964

00:57:40,710 --> 00:57:38,309

US military's remote viewing unit wow

965

00:57:43,859 --> 00:57:40,720

that's amazing well I'm gonna have to

966

00:57:46,289 --> 00:57:43,869

take another break that went so fast

967

00:57:48,539 --> 00:57:46,299

MJ if he hadn't reminded me over blown

968

00:58:17,650 --> 00:57:48,549

right through it but we'll be right back

969

00:58:24,350 --> 00:58:21,620

hello everyone Lorien Fenton here hosted

970

00:58:26,810 --> 00:58:24,360

the California MUFON radio show asking

971

00:58:29,420 --> 00:58:26,820

if you'd like special access to

972

00:58:33,140 --> 00:58:29,430

exclusive and amazing information about

973

00:58:36,500 --> 00:58:33,150

UFOs the paranormal and all things

974

00:58:40,100 --> 00:58:36,510

unexplained if you're nodding yes then

975

00:58:41,870 --> 00:58:40,110

join our ends insider Club as an insider

976  
00:58:44,870 --> 00:58:41,880  
club member you'll get an all-access

977  
00:58:49,250 --> 00:58:44,880  
pass to premiere inception radio network

978  
00:58:52,070 --> 00:58:49,260  
content for only \$4.99 a month this

979  
00:58:55,010 --> 00:58:52,080  
includes live UFO and paranormal

980  
00:58:58,190 --> 00:58:55,020  
conferences live streaming UFO sky

981  
00:59:01,280 --> 00:58:58,200  
watches exclusive irn radio and TV

982  
00:59:04,400 --> 00:59:01,290  
productions and of course paying radio

983  
00:59:05,000 --> 00:59:04,410  
with MJ and Ken Storch so don't wait any

984  
00:59:07,640 --> 00:59:05,010  
longer

985  
00:59:11,090 --> 00:59:07,650  
visit inception radio network comm and

986  
00:59:14,180 --> 00:59:11,100  
click on member login to join our ends

987  
00:59:17,810 --> 00:59:14,190  
insider club and get your VIP access

988  
00:59:19,790 --> 00:59:17,820

today are you a fan of inception radio

989

00:59:21,650 --> 00:59:19,800

network do you reckon it's the best

990

00:59:22,190 --> 00:59:21,660

alternative talk radio station on the

991

00:59:24,980 --> 00:59:22,200

planet

992

00:59:27,230 --> 00:59:24,990

well if you do head to facebook-dot-com

993

00:59:30,260 --> 00:59:27,240

forward-slash inception radio network

994

00:59:34,450 --> 00:59:30,270

like the page tell your friends spread

995

00:59:39,349 --> 00:59:37,099

do you have a smartphone if so

996

00:59:41,359 --> 00:59:39,359

inception radio network is the best app

997

00:59:44,089 --> 00:59:41,369

for you available on iTunes

998

00:59:44,720 --> 00:59:44,099

Android Samsung and most of their app

999

00:59:47,150 --> 00:59:44,730

stores

1000

00:59:49,549 --> 00:59:47,160

just search inception radio network with

1001  
00:59:52,130 --> 00:59:49,559  
the app you can listen live check out

1002  
00:59:54,289 --> 00:59:52,140  
podcast of recent and past shows and few

1003  
00:59:57,230 --> 00:59:54,299  
our videos see what shows are coming up

1004  
00:59:59,269 --> 00:59:57,240  
who the guests are via the chat room

1005  
01:00:01,609 --> 00:59:59,279  
decend live questions to those guests

1006  
01:00:04,249 --> 01:00:01,619  
you know it makes sense and check your

1007  
01:00:09,009 --> 01:00:04,259  
app store now inception radio network

1008  
01:00:14,900 --> 01:00:12,230  
hey IRA listeners make sure you tune in

1009  
01:00:16,430 --> 01:00:14,910  
to night vision radio with Renee Barnett

1010  
01:00:18,890 --> 01:00:16,440  
where they will be exposing the truth

1011  
01:00:21,920 --> 01:00:18,900  
one secret at a time when Thursday's

1012  
01:00:23,720 --> 01:00:21,930  
every thursday 10:30 p.m. Eastern sub-30

1013  
01:00:29,870 --> 01:00:23,730

p.m. Pacific we're right here

1014

01:00:32,329 --> 01:00:29,880

IRA hello Irene listeners this is MJ

1015

01:00:34,220 --> 01:00:32,339

saying hello and sharing an awesome

1016

01:00:38,089 --> 01:00:34,230

secret I discovered it's called dream

1017

01:00:39,890 --> 01:00:38,099

Lodge calm fresh raw organic ingredients

1018

01:00:42,769 --> 01:00:39,900

are used to create all their products

1019

01:00:45,680 --> 01:00:42,779

they are made in very small batches to

1020

01:00:48,760 --> 01:00:45,690

ensure quality and freshness and made in

1021

01:00:50,460 --> 01:00:48,770

the USA each product is created with

1022

01:00:52,990 --> 01:00:50,470

and with the finest organic ingredients

1023

01:00:55,450 --> 01:00:53,000

there are no preservatives dyes or

1024

01:00:59,050 --> 01:00:55,460

chemicals in any product and stop by

1025

01:01:10,680 --> 01:00:59,060

dream Lodge and laughs that's the are ll

1026  
01:01:53,760 --> 01:01:13,470  
you're locked into Inception Radio

1027  
01:01:58,120 --> 01:01:55,900  
thanks for joining us here on night

1028  
01:02:00,970 --> 01:01:58,130  
vision radio I'm your host Renee Barnett

1029  
01:02:03,580 --> 01:02:00,980  
and if you're just tuning in we've been

1030  
01:02:06,280 --> 01:02:03,590  
talking and hearing some fascinating

1031  
01:02:09,310 --> 01:02:06,290  
information from remote viewer Lynn

1032  
01:02:12,280 --> 01:02:09,320  
Buchanan he's been talking about his

1033  
01:02:15,190 --> 01:02:12,290  
experiences with the US government and

1034  
01:02:18,820 --> 01:02:15,200  
the military and also some of his

1035  
01:02:21,370 --> 01:02:18,830  
private experiences now Lynn I I know

1036  
01:02:24,670 --> 01:02:21,380  
you and I had connected at one point

1037  
01:02:26,650 --> 01:02:24,680  
back in 1996 when I was working on a

1038  
01:02:31,840 --> 01:02:26,660

television show called strange universe

1039

01:02:34,510 --> 01:02:31,850

and you had a group that you headed up

1040

01:02:35,920 --> 01:02:34,520

at that time called you were calling the

1041

01:02:40,600 --> 01:02:35,930

assigned witness program

1042

01:02:44,490 --> 01:02:40,610

yeah that program at the request of a

1043

01:02:47,230 --> 01:02:44,500

law-enforcement agency would aid in

1044

01:02:51,490 --> 01:02:47,240

missing children's cases and murder

1045

01:02:55,720 --> 01:02:51,500

cases right yeah that name came about

1046

01:02:58,090 --> 01:02:55,730

when I was working for a doing remote

1047

01:03:02,560 --> 01:02:58,100

viewing for a detective on a police case

1048

01:03:04,720 --> 01:03:02,570

and detectives are great about getting

1049

01:03:07,600 --> 01:03:04,730

information but they're usually terrible

1050

01:03:08,980 --> 01:03:07,610

about giving it and we were back and

1051  
01:03:11,250 --> 01:03:08,990  
forth and back and forth of what do you

1052  
01:03:15,190 --> 01:03:11,260  
need what do you need good evening and

1053  
01:03:18,010 --> 01:03:15,200  
finally I said look if you could only

1054  
01:03:19,750 --> 01:03:18,020  
have one thing to help you solve this

1055  
01:03:24,690 --> 01:03:19,760  
case what would it be and he said a

1056  
01:03:28,240 --> 01:03:24,700  
witness and I said I can provide one and

1057  
01:03:31,240 --> 01:03:28,250  
you can see the light go on in here you

1058  
01:03:34,810 --> 01:03:31,250  
can see is his light go on is it eyes

1059  
01:03:37,720 --> 01:03:34,820  
and he said you can do that can't you

1060  
01:03:40,150 --> 01:03:37,730  
and I said yes we can go back in time

1061  
01:03:42,700 --> 01:03:40,160  
and witness things tell you what

1062  
01:03:45,810 --> 01:03:42,710  
happened give you details report and

1063  
01:03:49,420 --> 01:03:45,820

timeline and all that and in the process

1064

01:03:51,430 --> 01:03:49,430

that can guide your investigation in the

1065

01:03:55,210 --> 01:03:51,440

way it needs to go we can find the

1066

01:04:00,150 --> 01:03:55,220

location of evidence we can find you

1067

01:04:04,990 --> 01:04:00,160

know all that stuff and so we helped him

1068

01:04:07,810 --> 01:04:05,000

but out of that one of the viewers that

1069

01:04:10,240 --> 01:04:07,820

I was using said hey why don't we make

1070

01:04:14,770 --> 01:04:10,250

this an official thing and you know just

1071

01:04:19,900 --> 01:04:14,780

call it the assigned witness program and

1072

01:04:23,800 --> 01:04:19,910

so we did that and we we wound up we

1073

01:04:27,130 --> 01:04:23,810

never advertised but the police that we

1074

01:04:28,750 --> 01:04:27,140

helped would tell their their buddies

1075

01:04:31,270 --> 01:04:28,760

and their other police departments and

1076

01:04:32,350 --> 01:04:31,280

all that we wind up with more work than

1077

01:04:36,670 --> 01:04:32,360

we can handle

1078

01:04:40,480 --> 01:04:36,680

I remember a case that I called you

1079

01:04:44,620 --> 01:04:40,490

about we were working on that program

1080

01:04:48,070 --> 01:04:44,630

and I guess I had contacted you before

1081

01:04:51,100 --> 01:04:48,080

when we were doing some articles on the

1082

01:04:53,380 --> 01:04:51,110

remote viewing program for UFO magazine

1083

01:04:55,390 --> 01:04:53,390

when I was there and then the next thing

1084

01:04:59,950 --> 01:04:55,400

I ended up doing was working on this TV

1085

01:05:03,610 --> 01:04:59,960

show and so I contacted this police

1086

01:05:06,310 --> 01:05:03,620

department who was looking for a missing

1087

01:05:10,630 --> 01:05:06,320

girl and it was in Virginia

1088

01:05:12,820 --> 01:05:10,640

and spoke with the and I think it was

1089

01:05:14,770 --> 01:05:12,830

lieutenant there or it was a lieutenant

1090

01:05:16,840 --> 01:05:14,780

or captain and I remember him because

1091

01:05:20,610 --> 01:05:16,850

his last name was Barnett just like mine

1092

01:05:23,950 --> 01:05:20,620

yeah and Spotsylvania case was

1093

01:05:26,380 --> 01:05:23,960

pottsylvania that's right and so I said

1094

01:05:28,810 --> 01:05:26,390

you know would you be interested and he

1095

01:05:32,290 --> 01:05:28,820

says absolutely so he invited you in I

1096

01:05:35,460 --> 01:05:32,300

remember you had your team do sessions

1097

01:05:40,510 --> 01:05:35,470

on this missing girl and you came up

1098

01:05:42,780 --> 01:05:40,520

with quite a amount of detail not only

1099

01:05:46,030 --> 01:05:42,790

that unfortunately that the little girl

1100

01:05:47,980 --> 01:05:46,040

would have been found dead but also the

1101  
01:05:49,840 --> 01:05:47,990  
way that she would be found what the

1102  
01:05:51,400 --> 01:05:49,850  
location looked like in the fact that

1103  
01:05:55,740 --> 01:05:51,410  
there was going to be a red cloth

1104  
01:05:58,390 --> 01:05:55,750  
hanging from a tree nearby well actually

1105  
01:06:01,930 --> 01:05:58,400  
that was not the girl we were looking

1106  
01:06:06,430 --> 01:06:01,940  
for originally we found two girls in

1107  
01:06:10,900 --> 01:06:06,440  
that case and the girl that was under

1108  
01:06:12,640 --> 01:06:10,910  
the leaves that had been burned they

1109  
01:06:16,690 --> 01:06:12,650  
were they were wet leaves so they didn't

1110  
01:06:18,609 --> 01:06:16,700  
burn completely and she had been left on

1111  
01:06:20,739 --> 01:06:18,619  
the ground

1112  
01:06:22,870 --> 01:06:20,749  
leaves have been piled up over and they

1113  
01:06:26,019 --> 01:06:22,880

tried to burn the leaves it didn't but

1114

01:06:29,319 --> 01:06:26,029

there was a red cloth hanging on the

1115

01:06:32,079 --> 01:06:29,329

fence right near by that one they didn't

1116

01:06:36,309 --> 01:06:32,089

even know that girl was missing oh my

1117

01:06:40,650 --> 01:06:36,319

goodness was that Sofia

1118

01:06:43,269 --> 01:06:40,660

or was that another girl oh I don't

1119

01:06:45,819 --> 01:06:43,279

there have been so many of these cases

1120

01:06:48,819 --> 01:06:45,829

oh my bad well I've only worked on one

1121

01:06:52,059 --> 01:06:48,829

with you so it's easier for me to

1122

01:06:53,680 --> 01:06:52,069

remember somebody but I do remember that

1123

01:06:57,279 --> 01:06:53,690

you talked about a guy who would be

1124

01:06:59,529 --> 01:06:57,289

driving like a kind of a beat-up white

1125

01:07:02,430 --> 01:06:59,539

pickup truck or something like that

1126

01:07:05,410 --> 01:07:02,440

and then they did arrest the guy and

1127

01:07:08,440 --> 01:07:05,420

nothing really seemed to match up you

1128

01:07:11,650 --> 01:07:08,450

know to the details it and I thought wow

1129

01:07:14,140 --> 01:07:11,660

that's that's too bad but then what you

1130

01:07:15,579 --> 01:07:14,150

had also told the police at the time was

1131

01:07:16,450 --> 01:07:15,589

this was going to turn out to be a

1132

01:07:20,259 --> 01:07:16,460

serial killer

1133

01:07:23,410 --> 01:07:20,269

and so shortly after that two other

1134

01:07:26,589 --> 01:07:23,420

little girls were approached by the guy

1135

01:07:28,900 --> 01:07:26,599

and they managed to get away but their

1136

01:07:32,739 --> 01:07:28,910

description of him and of the vehicle

1137

01:07:35,140 --> 01:07:32,749

matched exactly what you're assigned

1138

01:07:37,299 --> 01:07:35,150

witness program had come up with and his

1139

01:07:40,809 --> 01:07:37,309

later arrest then proved everything else

1140

01:07:44,950 --> 01:07:40,819

out as well yeah and the funny part on

1141

01:07:47,859 --> 01:07:44,960

that is that I had told them where and

1142

01:07:52,239 --> 01:07:47,869

when he would approach his next victim

1143

01:07:54,160 --> 01:07:52,249

and so they had it was at a park and so

1144

01:07:58,509 --> 01:07:54,170

they had the park surrounded with cop

1145

01:08:00,819 --> 01:07:58,519

cars on the day that he that we had

1146

01:08:04,749 --> 01:08:00,829

predicted well duh

1147

01:08:07,539 --> 01:08:04,759

you know nothing happened and so they

1148

01:08:09,910 --> 01:08:07,549

decided oh well this was a fluke it's

1149

01:08:11,859 --> 01:08:09,920

not gonna happen so the next day they

1150

01:08:17,340 --> 01:08:11,869

weren't there and the next day he came

1151

01:08:23,890 --> 01:08:20,740

and you know I said he's gonna come up

1152

01:08:26,950 --> 01:08:23,900

with a to a part that's surrounded by a

1153

01:08:29,140 --> 01:08:26,960

whole you know surrounded all the way

1154

01:08:31,839 --> 01:08:29,150

with police cars and and do something

1155

01:08:38,289 --> 01:08:34,660

you know maybe shifting gears a little

1156

01:08:42,899 --> 01:08:38,299

bit again since you know since your time

1157

01:08:45,280 --> 01:08:42,909

in private life civilian life I remember

1158

01:08:46,990 --> 01:08:45,290

the last time I did see you which we

1159

01:08:50,499 --> 01:08:47,000

figured out had to be in excess of ten

1160

01:08:54,039 --> 01:08:50,509

years ago we had a conversation and I

1161

01:08:56,649 --> 01:08:54,049

remember it got pretty philosophical and

1162

01:08:59,050 --> 01:08:56,659

a little on the spiritual side yeah

1163

01:09:04,300 --> 01:08:59,060

and I've noticed that a lot of people

1164

01:09:08,890 --> 01:09:04,310

that are involved heavily in military

1165

01:09:11,530 --> 01:09:08,900

secrets and things like that sort of do

1166

01:09:15,220 --> 01:09:11,540

take that sort of turn it seems like and

1167

01:09:17,859 --> 01:09:15,230

see a more spiritual connection and

1168

01:09:21,220 --> 01:09:17,869

maybe that's because we've sort of lost

1169

01:09:23,439 --> 01:09:21,230

the connection between the spiritual and

1170

01:09:26,890 --> 01:09:23,449

science which you know really should

1171

01:09:30,789 --> 01:09:26,900

still be in there but do you feel that

1172

01:09:33,729 --> 01:09:30,799

that happens because of the information

1173

01:09:36,249 --> 01:09:33,739

to which you've been privy and so like

1174

01:09:37,930 --> 01:09:36,259

for instance you you don't seem to have

1175

01:09:41,260 --> 01:09:37,940

any doubt at all you seem to be

1176

01:09:43,720 --> 01:09:41,270

perfectly assured at saying yes the ETS

1177

01:09:47,079 --> 01:09:43,730

are here I know that and I know this

1178

01:09:48,970 --> 01:09:47,089

that the other so that would allow you

1179

01:09:51,550 --> 01:09:48,980

then to have certain other thoughts

1180

01:09:55,149 --> 01:09:51,560

about that it's it because of what you

1181

01:09:57,160 --> 01:09:55,159

know for a fact that has sort of had an

1182

01:10:02,950 --> 01:09:57,170

influence on you in that direction or is

1183

01:10:07,660 --> 01:10:02,960

it well in that direction there is it's

1184

01:10:13,899 --> 01:10:07,670

not only the unit and what we did in the

1185

01:10:20,620 --> 01:10:13,909

unit I had had a an abduction experience

1186

01:10:22,390 --> 01:10:20,630

and full memory of it but then before I

1187

01:10:30,520 --> 01:10:22,400

went to the remote viewing unit

1188

01:10:35,350 --> 01:10:30,530

I had clearances just out you know up

1189

01:10:38,800 --> 01:10:35,360

the ying-yang and and I could program

1190

01:10:42,370 --> 01:10:38,810

computers and I was you know working the

1191

01:10:44,470 --> 01:10:42,380

computers and all in and at the time

1192

01:10:48,580 --> 01:10:44,480

computers were just coming into

1193

01:10:51,190 --> 01:10:48,590

military units and they didn't have

1194

01:10:55,030 --> 01:10:51,200

people who had clearances who could

1195

01:11:00,460 --> 01:10:55,040

program and some of these extremely

1196

01:11:03,280 --> 01:11:00,470

black projects they they couldn't just

1197

01:11:04,990 --> 01:11:03,290

read a programmer on for a day and let

1198

01:11:09,640 --> 01:11:05,000

him do the program and all that and so

1199

01:11:15,360 --> 01:11:09,650

anyway I got called to go around to many

1200

01:11:20,890 --> 01:11:18,130

you know do the programming for them the

1201

01:11:24,280 --> 01:11:20,900

databasing set up and and all this other

1202

01:11:27,520 --> 01:11:24,290

stuff on their brand-new computers which

1203

01:11:33,520 --> 01:11:27,530

they you know were basically in his

1204

01:11:38,170 --> 01:11:33,530

doorstops at the time and so I got the

1205

01:11:46,330 --> 01:11:38,180

chance to meet a few of the aliens I

1206

01:11:53,110 --> 01:11:46,340

have seen too easily officially no they

1207

01:11:58,110 --> 01:11:53,120

don't exist okay but you know I got I

1208

01:12:06,280 --> 01:11:58,120

got a chance to be exposed in a non

1209

01:12:11,050 --> 01:12:06,290

abductee way to too many of the things

1210

01:12:13,570 --> 01:12:11,060

that make it to where you ask if there's

1211

01:12:17,830 --> 01:12:13,580

aliens and ETS and you know flying

1212

01:12:21,340 --> 01:12:17,840

saucers and I can say yeah sure and you

1213

01:12:25,270 --> 01:12:21,350

know the thing is there's a mystique

1214

01:12:29,560 --> 01:12:25,280

about it with everyone but once you made

1215

01:12:35,800 --> 01:12:29,570

them once you see the equipment once you

1216

01:12:38,110 --> 01:12:35,810

see all of that stuff it becomes it

1217

01:12:47,200 --> 01:12:38,120

becomes more commonplace unless mystical

1218

01:12:51,700 --> 01:12:47,210

and so I have no mystical whew about the

1219

01:12:56,140 --> 01:12:51,710

aliens or anything like that there's no

1220

01:12:57,459 --> 01:12:56,150

need for it they're you know they're

1221

01:12:59,739 --> 01:12:57,469

beans

1222

01:13:04,359 --> 01:12:59,749

there do other beings from other places

1223

01:13:07,089 --> 01:13:04,369

and yeah they're just you know when you

1224

01:13:11,229 --> 01:13:07,099

were able to meet them did you

1225

01:13:13,330 --> 01:13:11,239

communicate with them or did you just

1226

01:13:18,520 --> 01:13:13,340

like looking at them through a glass or

1227

01:13:21,399 --> 01:13:18,530

know one or two hmm and how did it make

1228

01:13:26,259 --> 01:13:21,409

you feel it in the moment I thought it

1229

01:13:30,669 --> 01:13:26,269

neat I really did think it was neat

1230

01:13:33,100 --> 01:13:30,679

it wasn't like terrifying or no because

1231

01:13:37,500 --> 01:13:33,110

the ones who deal with the friendly ones

1232

01:13:41,259 --> 01:13:37,510

hmm we tend to shoot at the enemy ones

1233

01:13:45,910 --> 01:13:41,269

and and everybody everybody who watches

1234

01:13:50,620 --> 01:13:45,920

TV I think has seen a shooter at one of

1235

01:13:57,370 --> 01:13:50,630

the unfriendly ones coming in you've

1236

01:14:03,520 --> 01:13:57,380

seen that movie out of the space I think

1237

01:14:07,029 --> 01:14:03,530

I don't think it's out of the cap so I'm

1238

01:14:09,669 --> 01:14:07,039

not sure who took the movie but it's

1239

01:14:11,560 --> 01:14:09,679

there's this light coming across and

1240

01:14:14,049 --> 01:14:11,570

coming toward the earth and all of a

1241

01:14:16,029 --> 01:14:14,059

sudden the thing turns around and heads

1242

01:14:19,600 --> 01:14:16,039

back out just as something shoots across

1243

01:14:23,410 --> 01:14:19,610

the screen mm-hmm do you do you remember

1244

01:14:25,600 --> 01:14:23,420

that one I don't think so it's on TV

1245

01:14:32,109 --> 01:14:25,610

quite often it's on TV more than

1246

01:14:34,180 --> 01:14:32,119

probably any other thing but yeah we we

1247

01:14:35,709 --> 01:14:34,190

shooted the bad guys you know we try to

1248

01:14:40,959 --> 01:14:35,719

keep them oh you're not talking about

1249

01:14:45,819 --> 01:14:40,969

the real footage of the sts-48 it's real

1250

01:14:48,129 --> 01:14:45,829

footage I don't know that there's a you

1251

01:14:51,819 --> 01:14:48,139

know in sts-48 where you see something

1252

01:14:53,589 --> 01:14:51,829

coming out of the ship and then you or

1253

01:14:55,839 --> 01:14:53,599

you see something flying by and it looks

1254

01:15:00,100 --> 01:14:55,849

like the ship is shooting at it yeah

1255

01:15:01,660 --> 01:15:00,110

that's it yeah that's the S no oh it

1256

01:15:05,709 --> 01:15:01,670

doesn't look like the ship is shooting

1257

01:15:08,020 --> 01:15:05,719

at it it looks like the the craft is

1258

01:15:10,060 --> 01:15:08,030

shooting back at the ship no it looks

1259

01:15:12,069 --> 01:15:10,070

like whatever is

1260

01:15:16,930 --> 01:15:12,079

shooting at the ship comes from the

1261

01:15:19,120 --> 01:15:16,940

earth oh oh oh there's across the screen

1262

01:15:23,020 --> 01:15:19,130

and that thing turns around and heads

1263

01:15:25,120 --> 01:15:23,030

back out to get out of the way right oh

1264

01:15:29,229 --> 01:15:25,130

yeah I think I know what you're talking

1265

01:15:30,129 --> 01:15:29,239

about yeah that one you know that's

1266

01:15:32,770 --> 01:15:30,139

crazy

1267

01:15:37,149 --> 01:15:32,780

oh we protect ourselves you know yeah is

1268

01:15:38,919 --> 01:15:37,159

that the like the Battle of LA I don't

1269

01:15:41,859 --> 01:15:38,929

know if you've seen that that happened

1270

01:15:44,350 --> 01:15:41,869

in 1952 I think here in Los Angeles

1271

01:15:47,500 --> 01:15:44,360

where there was you know craft coming in

1272

01:15:50,470 --> 01:15:47,510

and lights shot at it yeah the other

1273

01:15:52,569 --> 01:15:50,480

some actual photographs from the

1274

01:15:54,819 --> 01:15:52,579

newspapers on that yeah it's called

1275

01:16:01,390 --> 01:15:54,829

there was they made a couple films out

1276

01:16:04,720 --> 01:16:01,400

of it called the Battle of LA and along

1277

01:16:08,290 --> 01:16:04,730

that line the chatroom duress if you

1278

01:16:11,410 --> 01:16:08,300

think that Eisenhower cut a deal with ET

1279

01:16:19,109 --> 01:16:11,420

to inhabit earth and perhaps take humans

1280

01:16:25,209 --> 01:16:22,750

I've accepted it I know it's real and

1281

01:16:26,250 --> 01:16:25,219

all that and I also know that I can't do

1282

01:16:30,390 --> 01:16:26,260

anything about it

1283

01:16:34,479 --> 01:16:30,400

and you know it doesn't involve me and

1284

01:16:38,850 --> 01:16:34,489

you know I would like to abduct one of

1285

01:16:47,229 --> 01:16:42,370

it just it's not really an interest of

1286

01:16:57,640 --> 01:16:47,239

mine been there done that seen it didn't

1287

01:17:00,879 --> 01:16:57,650

get a t-shirt a t-shirt you know as my

1288

01:17:06,600 --> 01:17:00,889

day goes I'm interested in bringing kids

1289

01:17:11,189 --> 01:17:06,610

home I'm interested in we do a lot of I

1290

01:17:15,819 --> 01:17:11,199

personally do a lot of space exploration

1291

01:17:23,250 --> 01:17:15,829

sessions projects lunar development

1292

01:17:28,570 --> 01:17:23,260

projects and so on and for clients yes

1293

01:17:31,390 --> 01:17:28,580

are you able to say who no this is one

1294

01:17:33,670 --> 01:17:31,400

thing you know Oh out on the internet

1295

01:17:34,450 --> 01:17:33,680

people say well how come we never heard

1296

01:17:36,160 --> 01:17:34,460

of any of this

1297

01:17:39,970 --> 01:17:36,170

well have you ever heard of

1298

01:17:41,440 --> 01:17:39,980

non-disclosure agreements yeah you know

1299

01:17:44,890 --> 01:17:41,450

nobody's gonna pay you if you're gonna

1300

01:17:48,610 --> 01:17:44,900

go out and talk all over the place so

1301

01:17:51,490 --> 01:17:48,620

mainly you're still interested in you

1302

01:17:55,120 --> 01:17:51,500

know in helping agencies bring home

1303

01:17:56,890 --> 01:17:55,130

missing kids and yes murder cases things

1304

01:17:59,860 --> 01:17:56,900

like that kind of bring some peace to

1305

01:18:01,840 --> 01:17:59,870

some families yeah and get bad guys off

1306

01:18:05,530 --> 01:18:01,850

the street this is this is something I

1307

01:18:09,310 --> 01:18:05,540

can do something about so they're flying

1308

01:18:13,810 --> 01:18:09,320

saucers going over okay what does that

1309

01:18:17,520 --> 01:18:13,820

involve with me that doesn't really so

1310

01:18:20,980 --> 01:18:17,530

do you say that you're you've been also

1311

01:18:25,000 --> 01:18:20,990

involved in space exploration and is

1312

01:18:28,030 --> 01:18:25,010

that for various reasons one of them

1313

01:18:31,810 --> 01:18:28,040

possibly being like colonization or oh

1314

01:18:36,400 --> 01:18:31,820

yeah looking for places to go yeah one

1315

01:18:41,290 --> 01:18:36,410

of the one of the earliest we got was

1316

01:18:44,650 --> 01:18:41,300

they wanted to know how to build a

1317

01:18:48,520 --> 01:18:44,660

temporary structure that would be fairly

1318

01:18:50,140 --> 01:18:48,530

safe on the moon to house the people who

1319

01:18:55,540 --> 01:18:50,150

were then going to build a permanent

1320

01:18:59,440 --> 01:18:55,550

structure on the moon and so we kind of

1321

01:19:02,380 --> 01:18:59,450

cheated actually what we did was we went

1322

01:19:04,000 --> 01:19:02,390

forward in time and described the

1323

01:19:08,650 --> 01:19:04,010

temporary structure that was already

1324

01:19:12,610 --> 01:19:08,660

built in the future and and that's what

1325

01:19:17,490 --> 01:19:12,620

we reported and it winds up that if you

1326

01:19:22,180 --> 01:19:17,500

take properly constructed plastic and

1327

01:19:26,680 --> 01:19:22,190

stretch it over a small crater you can

1328

01:19:28,750 --> 01:19:26,690

fill the crater with with air and you

1329

01:19:32,290 --> 01:19:28,760

know you tie the plastic down and seal

1330

01:19:36,190 --> 01:19:32,300

it but you you have a working space

1331

01:19:39,340 --> 01:19:36,200

inside and it has to be

1332

01:19:41,200 --> 01:19:39,350

plastic you know that will specialized

1333

01:19:44,650 --> 01:19:41,210

plastic that would get rid of radiation

1334

01:19:49,650 --> 01:19:44,660

and all and if a small meteorite comes

1335

01:19:58,350 --> 01:19:52,930

you you take duct tape of the Heron and

1336

01:20:02,730 --> 01:19:58,360

seal the hole and and this company that

1337

01:20:05,140 --> 01:20:02,740

that had tasked us with that was just

1338

01:20:07,810 --> 01:20:05,150

ecstatic over the fact that they could

1339

01:20:09,640 --> 01:20:07,820

take a roll of plastic and a bunch of

1340

01:20:15,490 --> 01:20:09,650

rolls of duct tape up there and have a

1341

01:20:17,400 --> 01:20:15,500

temporary station and in fact oh I don't

1342

01:20:21,970 --> 01:20:17,410

know if I should say this or not but

1343

01:20:26,950 --> 01:20:21,980

friend of mine works at JPL and last

1344

01:20:32,170 --> 01:20:26,960

time I was there he showed me a video of

1345

01:20:35,470 --> 01:20:32,180

a recent flyover and he said he said

1346

01:20:38,200 --> 01:20:35,480

watch watch the surface and I said wait

1347

01:20:40,150 --> 01:20:38,210

a minute wait a minute back up and he

1348

01:20:45,940 --> 01:20:40,160

backed it up and there is a crater with

1349

01:20:50,050 --> 01:20:45,950

a big plastic cover over it oh wow isn't

1350

01:20:52,560 --> 01:20:50,060

that something that is wild now we're

1351  
01:20:55,240 --> 01:20:52,570  
getting close to the end of the show but

1352  
01:20:57,880 --> 01:20:55,250  
the chat rooms buzzing so I wanted to

1353  
01:21:01,060 --> 01:20:57,890  
get in a couple more questions one of

1354  
01:21:02,650 --> 01:21:01,070  
them being about time travel asking if

1355  
01:21:05,170 --> 01:21:02,660  
you can time travel and remote well I

1356  
01:21:08,290 --> 01:21:05,180  
know that you can you can you can remote

1357  
01:21:11,200 --> 01:21:08,300  
view past present and future is that

1358  
01:21:14,650 --> 01:21:11,210  
right you can remote view the past with

1359  
01:21:19,090 --> 01:21:14,660  
a great amount of frequency of accuracy

1360  
01:21:26,050 --> 01:21:19,100  
and also the present now the future has

1361  
01:21:31,020 --> 01:21:26,060  
what we call a paradoxical tasking if if

1362  
01:21:33,460 --> 01:21:31,030  
I look at myself tomorrow afternoon and

1363  
01:21:37,630 --> 01:21:33,470

I find that I'm laying in the morgue

1364

01:21:40,810 --> 01:21:37,640

because I was in a car wreck I'm not

1365

01:21:43,960 --> 01:21:40,820

getting in the car right I'm staying

1366

01:21:47,880 --> 01:21:43,970

home tomorrow okay well change that will

1367

01:21:49,530 --> 01:21:47,890

change you can change the future and and

1368

01:21:52,820 --> 01:21:49,540

many

1369

01:21:57,209 --> 01:21:52,830

simply viewing the future will change it

1370

01:21:59,790 --> 01:21:57,219

it's just like the weatherman predicts

1371

01:22:01,350 --> 01:21:59,800

the weather and then he has updates well

1372

01:22:04,740 --> 01:22:01,360

you have to do the same thing in remote

1373

01:22:07,770 --> 01:22:04,750

viewing and so you know I can predict

1374

01:22:10,830 --> 01:22:07,780

something with a great amount of

1375

01:22:14,280 --> 01:22:10,840

accuracy if nobody acts on it that if

1376

01:22:16,350 --> 01:22:14,290

somebody acts on that prediction then

1377

01:22:18,780 --> 01:22:16,360

you've saved lives

1378

01:22:22,500 --> 01:22:18,790

you've saved money you've made right

1379

01:22:26,300 --> 01:22:22,510

decisions and so on whereas you would

1380

01:22:30,660 --> 01:22:26,310

have made a wrong decision and and

1381

01:22:34,979 --> 01:22:30,670

you're better off for it but the viewing

1382

01:22:38,700 --> 01:22:34,989

was wrong got it yeah one last question

1383

01:22:41,780 --> 01:22:38,710

from the chat room is ask Lynn about

1384

01:22:45,450 --> 01:22:41,790

remote viewing the events of 9/11

1385

01:22:50,390 --> 01:22:45,460

anybody to ask you with that they

1386

01:22:53,760 --> 01:22:50,400

haven't asked me with it and in fact I

1387

01:22:59,700 --> 01:22:53,770

volunteered for that and they shied away

1388

01:23:02,790 --> 01:22:59,710

from tasking me with it people it was to

1389

01:23:07,740 --> 01:23:02,800

me yeah people have done it on their own

1390

01:23:14,280 --> 01:23:07,750

and come up with wildly varying things

1391

01:23:15,990 --> 01:23:14,290

but there's a lot of agreement and what

1392

01:23:19,979 --> 01:23:16,000

many of the people who do it on their

1393

01:23:22,500 --> 01:23:19,989

own find the the question I have for a

1394

01:23:26,250 --> 01:23:22,510

person who does it on their own and then

1395

01:23:29,370 --> 01:23:26,260

reports what they kind did they know

1396

01:23:31,350 --> 01:23:29,380

what the target was and that logic led

1397

01:23:34,290 --> 01:23:31,360

them to you know pollute their own

1398

01:23:38,640 --> 01:23:34,300

session what is their training and

1399

01:23:42,089 --> 01:23:38,650

experience oh did they really do remote

1400

01:23:44,189 --> 01:23:42,099

viewing or did they do crystal ball

1401

01:23:49,350 --> 01:23:44,199

remote viewing or something else you

1402

01:23:52,919 --> 01:23:49,360

know so generally when somebody comes

1403

01:23:57,229 --> 01:23:52,929

and says i remote viewed the 911 I

1404

01:24:02,700 --> 01:24:01,109

so since you weren't asked to do it you

1405

01:24:05,100 --> 01:24:02,710

didn't do it

1406

01:24:06,660 --> 01:24:05,110

right that's right yeah because you

1407

01:24:08,130 --> 01:24:06,670

couldn't just do it on your own because

1408

01:24:09,900 --> 01:24:08,140

then you would know already what the

1409

01:24:11,880 --> 01:24:09,910

target is and that would pollute the

1410

01:24:14,459 --> 01:24:11,890

session actually that's one of the

1411

01:24:16,020 --> 01:24:14,469

fallacies about remote viewing is that

1412

01:24:17,430 --> 01:24:16,030

if you know what the target is you're

1413

01:24:21,440 --> 01:24:17,440

going to pollute and that's true for

1414

01:24:24,360 --> 01:24:21,450

beginners and experienced remote viewer

1415

01:24:27,570 --> 01:24:24,370

can be told all kinds of stuff about the

1416

01:24:33,890 --> 01:24:27,580

target and can weed that stuff out of

1417

01:24:40,890 --> 01:24:37,470

because the unknown is what nobody's

1418

01:24:43,140 --> 01:24:40,900

told him about or they've told him what

1419

01:24:45,810 --> 01:24:43,150

they believe the unknown is when you

1420

01:24:48,360 --> 01:24:45,820

dump all that stuff too you know you you

1421

01:24:49,979 --> 01:24:48,370

tell yourself hey if they knew what the

1422

01:24:54,570 --> 01:24:49,989

answer was they wouldn't be here asking

1423

01:24:58,800 --> 01:24:54,580

me yeah yeah that's true

1424

01:25:01,350 --> 01:24:58,810

now we've got just about looks like

1425

01:25:03,360 --> 01:25:01,360

three and a half minutes to go I want to

1426

01:25:06,810 --> 01:25:03,370

remind everyone about your book the

1427

01:25:11,010 --> 01:25:06,820

seventh sense and also your website is

1428

01:25:14,220 --> 01:25:11,020

see our viewer com so look look Lynn up

1429

01:25:16,860 --> 01:25:14,230

and find out about training and all that

1430

01:25:19,740 --> 01:25:16,870

kind of stuff and history and by the

1431

01:25:22,410 --> 01:25:19,750

book and do all that really good stuff

1432

01:25:25,790 --> 01:25:22,420

what have you got coming up are you

1433

01:25:29,310 --> 01:25:25,800

working on a particular thing right now

1434

01:25:33,330 --> 01:25:29,320

due to my wife's health and all I have

1435

01:25:37,590 --> 01:25:33,340

quit teaching classes and going out you

1436

01:25:40,459 --> 01:25:37,600

know on teaching tours but I am now

1437

01:25:44,459 --> 01:25:40,469

developing online training and

1438

01:25:50,010 --> 01:25:44,469

instructional videos the online training

1439

01:25:52,110 --> 01:25:50,020

is going to be just hundreds of short

1440

01:25:55,380 --> 01:25:52,120

short videos each one about a certain

1441

01:25:57,090 --> 01:25:55,390

topic so that a person if they want to

1442

01:26:00,630 --> 01:25:57,100

review it will not have to wade through

1443

01:26:05,370 --> 01:26:00,640

two hours of a video to find the one-act

1444

01:26:08,070 --> 01:26:05,380

they want and I am convinced that you

1445

01:26:11,580 --> 01:26:08,080

cannot learn controlled remote viewing

1446

01:26:13,650 --> 01:26:11,590

without some interaction with the

1447

01:26:16,190 --> 01:26:13,660

teacher and soon buddy who takes the

1448

01:26:20,430 --> 01:26:16,200

online training where

1449

01:26:25,650 --> 01:26:20,440

watch the videos and then we will have a

1450

01:26:27,570 --> 01:26:25,660

class on them and so this you know and

1451

01:26:29,460 --> 01:26:27,580

it will that be an online class or will

1452

01:26:32,430 --> 01:26:29,470

that be where they'll travel to you and

1453

01:26:35,430 --> 01:26:32,440

know it'll be an online class that will

1454

01:26:39,510 --> 01:26:35,440

let me stay home with my family yeah and

1455

01:26:42,770 --> 01:26:39,520

and also I've got a lifetime's worth of

1456

01:26:46,470 --> 01:26:42,780

inventions waiting to be invented and

1457

01:26:49,680 --> 01:26:46,480

poems and stories and books waiting to

1458

01:26:53,370 --> 01:26:49,690

be written and and a garden that needs

1459

01:26:56,190 --> 01:26:53,380

to be grown and it's time I'm 78 years

1460

01:26:59,370 --> 01:26:56,200

old oh you gotta be kidding me

1461

01:27:03,180 --> 01:26:59,380

76 hey I'm yesterday used to be you're

1462

01:27:06,020 --> 01:27:03,190

younger and you thought yeah and you

1463

01:27:12,650 --> 01:27:06,030

know it's it's time to to stop and

1464

01:27:17,820 --> 01:27:12,660

besides that by now I have six extremely

1465

01:27:20,310 --> 01:27:17,830

good teachers and they're experienced in

1466

01:27:22,050 --> 01:27:20,320

the remote viewing and they all have

1467

01:27:26,220 --> 01:27:22,060

companies of their own so I don't get

1468

01:27:29,160 --> 01:27:26,230

anything from referring people to them

1469

01:27:31,800 --> 01:27:29,170

but I know that if I refer people to

1470

01:27:34,760 --> 01:27:31,810

them they're going to get the real stuff

1471

01:27:38,610 --> 01:27:34,770

and it's going to be well trained well

1472

01:27:41,820 --> 01:27:38,620

the music's rolling land at a time thank

1473

01:27:43,680 --> 01:27:41,830

you so much Lynn Buchanan for taking the

1474

01:27:45,860 --> 01:27:43,690

time to join us please give our love to

1475

01:27:48,210 --> 01:27:45,870

Linda you're a real lovely wife and

1476

01:27:51,870 --> 01:27:48,220

we're wishing her all the best in
