00:02:18,800 --> 00:02:16,829

news that recently came to me very soon

29

00:02:21,229 --> 00:02:18,810

41

00:02:59,960 --> 00:02:55,980

was with Rex hair about my four year

42

00:03:02,030 --> 00:02:59,970

experience with an alien-human hybrid by

43

00:03:05,650 --> 00:03:02,040

the name of nucleus eight who is head of

44

00:03:08,870 --> 00:03:05,660

46

00:03:15,140 --> 00:03:11,569

is four years of my life that I was

47

00:03:18,530 --> 00:03:15,150

befriended by this particular being have

48

00:03:21,650 --> 00:03:18,540

him doing things to me threw me in front

49

00:03:24,140 --> 00:03:21,660

of me with me um all in waking states of

50

00:03:25,400 --> 00:03:24,150

61
00:03:57,260 --> 00:03:53,790

179

00:09:14,880 --> 00:09:12,630

Watson hi Keith thanks for having me

180

00:09:17,180 --> 00:09:14,890

thanks for being here is that whether

181

00:09:20,790 --> 00:09:17,190

whipping up pretty good in Chicago now

182

00:09:23,370 --> 00:09:20,800

it was a little while ago um the view

183

00:09:26,250 --> 00:09:23,380

from my hotel room is a brick wall so I

184

00:09:27,840 --> 00:09:26,260

really can't see much but I don't I

185

00:09:31,470 --> 00:09:27,850

don't see any lightning now so I guess

186

00:09:35,100 --> 00:09:31,480

that's a good sign again it's a great to

187

00:09:36,300 --> 00:09:35,110

talk to you on the arrogant um how do

188

00:09:38,450 --> 00:09:36,310

you want to dive into this thing Laura

189

00:09:40,770 --> 00:09:38,460

we got lots to talk about angels I

190

00:09:43,770 --> 00:09:40,780

fascinated they're everywhere all the

191

00:09:45,540 --> 00:09:43,780

time in everyone has probably three two

192

00:09:48,360 --> 00:09:45,550

and three between two and four maybe

193

00:09:50,220 --> 00:09:48,370

sometimes exceptional five guides but

194

00:09:52,170 --> 00:09:50,230

what about the angels do we have one

195

00:09:53,780 --> 00:09:52,180

who's assigned to us on all our lives

196

00:09:57,480 --> 00:09:53,790

who did they bounce us around like

197

00:10:00,120 --> 00:09:57,490

children in an Indian family having how

198

00:10:03,240 --> 00:10:00,130

do they umbrella over us how do they do

199

00:10:06,000 --> 00:10:03,250

that when i took my training with Doreen

200

00:10:08,040 --> 00:10:06,010

Virtue we were taught that

201
00:10:09,810 --> 00:10:08,050
at the time of our birth and actually

202
00:10:12,420 --> 00:10:09,820
before our birth we have two guardian

203
00:10:14,340 --> 00:10:12,430
angels assigned to us and they travel

204
00:10:18,440 --> 00:10:14,350
with us our entire life and they're

205
00:10:21,990 --> 00:10:18,450
always with us my experience is that

206
00:10:24,690 --> 00:10:22,000
typically when I do angel readings

207
00:10:26,640 --> 00:10:24,700
especially when I do group angel

208
00:10:28,380 --> 00:10:26,650
readings which are really fun i do angel

209
00:10:29,640 --> 00:10:28,390
parties sometimes and so a group of

210
00:10:32,270 --> 00:10:29,650
people will come and I just go around

211
00:10:35,490 --> 00:10:32,280
the room and I read give you know angel

212
00:10:38,610 --> 00:10:35,500
readings for everyone typically i do see

213
00:10:41,070 --> 00:10:38,620

two guardian angels oftentimes one is a

214

00:10:44,880 --> 00:10:41,080

little more active or a little bit of a

215

00:10:47,730 --> 00:10:44,890

stronger personality but typically i do

216

00:10:50,400 --> 00:10:47,740

see to those angels stay with us through

217

00:10:52,920 --> 00:10:50,410

our whole life as we live our life

218

00:10:54,240 --> 00:10:52,930

though special circumstances come up

219

00:10:57,570 --> 00:10:54,250

maybe we're recovering from an illness

220

00:11:01,230 --> 00:10:57,580

maybe we've just been through a divorce

221

00:11:03,390 --> 00:11:01,240

or just having a baby or death of a

222

00:11:06,630 --> 00:11:03,400

loved one something like that we will

223

00:11:09,420 --> 00:11:06,640

have additional specialty angels so to

224

00:11:11,370 --> 00:11:09,430

speak who come in and help us

225

00:11:14,850 --> 00:11:11,380

specifically during those times so we

226

00:11:17,220 --> 00:11:14,860

have we have a lot of spiritual support

227

00:11:20,070 --> 00:11:17,230

from the angelic realm in addition the

228

00:11:22,800 --> 00:11:20,080

Guardian I'm sorry the Archangels are

229

00:11:24,900 --> 00:11:22,810

also available to us I generally

230

00:11:28,260 --> 00:11:24,910

generally work with what I call the big

231

00:11:33,200 --> 00:11:28,270

four gaara Archangels so archangel

232

00:11:36,000 --> 00:11:33,210

gabriel raphael Micahel and Uriel and

233

00:11:38,460 --> 00:11:36,010

they are all available to us as well and

234

00:11:39,900 --> 00:11:38,470

they just kind of come in and out

235

00:11:42,450 --> 00:11:39,910

depending on what we're currently

236

00:11:44,280 --> 00:11:42,460

needing and of course they're available

237

00:11:49,710 --> 00:11:44,290

if we ask them to come they will

238

00:11:52,580 --> 00:11:49,720

certainly come running to our side is

239

00:11:57,630 --> 00:11:52,590

there a place where the angelic realm

240

00:12:00,060 --> 00:11:57,640

cross fades into the realm of nature

241

00:12:02,940 --> 00:12:00,070

spirits for example like fairies and all

242

00:12:07,320 --> 00:12:02,950

those isn't there a place where this

243

00:12:09,780 --> 00:12:07,330

actually comes together well I think

244

00:12:13,320 --> 00:12:09,790

this is my experience when I work with

245

00:12:16,380 --> 00:12:13,330

my clients and work with myself we have

246

00:12:19,350 --> 00:12:16,390

all of this happening for us at all

247

00:12:22,800 --> 00:12:19,360

times and some of us depending on

248

00:12:25,110 --> 00:12:22,810

what Dorian calls during virtue calls or

249

00:12:28,139 --> 00:12:25,120

soul realm like what realm weren't from

250

00:12:31,610 --> 00:12:28,149

some of us have a stronger connection to

251
00:12:34,560 --> 00:12:31,620
the angelic realm or the nature realm

252
00:12:36,900 --> 00:12:34,570
then than others and so sometimes

253
00:12:39,860 --> 00:12:36,910
because of who we are where our soul or

254
00:12:43,230 --> 00:12:39,870
originates from we will be especially

255
00:12:50,340 --> 00:12:43,240
open and receptive to nature spirits

256
00:12:52,829 --> 00:12:50,350
angels star energy and so on um but they

257
00:12:54,990 --> 00:12:52,839
do interact really well my experience is

258
00:12:58,410 --> 00:12:55,000
that the vibration is slightly different

259
00:13:03,139 --> 00:12:58,420
between nature spirits like fairies and

260
00:13:06,840 --> 00:13:03,149
gnomes and all of you know water nymphs

261
00:13:09,690 --> 00:13:06,850
the vibration is different from angels

262
00:13:11,610 --> 00:13:09,700
and archangels ascended masters I like

263
00:13:17,100 --> 00:13:11,620

to tell my clients that it's a little

264

00:13:18,720 --> 00:13:17,110

bit like playing a song on the piano you

265

00:13:20,730 --> 00:13:18,730

can play the same melody at the very

266

00:13:22,920 --> 00:13:20,740

high octave or the middle octave or a

267

00:13:26,100 --> 00:13:22,930

low octave it's the same song it has a

268

00:13:28,380 --> 00:13:26,110

little different sound because of the

269

00:13:30,060 --> 00:13:28,390

vibration of the strings so this is what

270

00:13:33,509 --> 00:13:30,070

it's like for me when I work with

271

00:13:35,220 --> 00:13:33,519

clients and I can tell this is more

272

00:13:38,400 --> 00:13:35,230

fairly energy and this is more angel

273

00:13:42,750 --> 00:13:38,410

energy but sometimes depending on how

274

00:13:45,900 --> 00:13:42,760

the client what their soul you know like

275

00:13:48,540 --> 00:13:45,910

I said their soul origin they the two

276

00:13:50,699 --> 00:13:48,550

will feel very similar and it takes a

277

00:13:52,470 --> 00:13:50,709

very fine ear to be able to discern the

278

00:13:54,449 --> 00:13:52,480

difference and a lot of times it doesn't

279

00:13:56,730 --> 00:13:54,459

really matter too much because the

280

00:13:59,240 --> 00:13:56,740

guidance is very similar and very

281

00:14:02,579 --> 00:13:59,250

reliable does that answer your question

282

00:14:04,110 --> 00:14:02,589

it's a yes and the reason I asked was a

283

00:14:08,460 --> 00:14:04,120

couple years ago I was driving my car

284

00:14:11,579 --> 00:14:08,470

and this presence of a fairy came over

285

00:14:14,880 --> 00:14:11,589

me so it I was overwhelmed her name was

286

00:14:16,620 --> 00:14:14,890

Fabrice guy and we begin to talk and I

287

00:14:19,980 --> 00:14:16,630

asked her what it's like from where

288

00:14:21,750 --> 00:14:19,990

she's speaking to me from she said it's

289

00:14:24,300 --> 00:14:21,760

so beautiful here it's like a baby

290

00:14:27,150 --> 00:14:24,310

sister it's pink soft gentle new fresh

291

00:14:29,490 --> 00:14:27,160

warm perfect it is the place where all

292

00:14:31,040 --> 00:14:29,500

your woes troubles difficulties concerns

293

00:14:33,740 --> 00:14:31,050

and eggs or rap

294

00:14:37,040 --> 00:14:33,750

little pink bubbles softening all year

295

00:14:39,470 --> 00:14:37,050

haha softening all you're paying it is

296

00:14:42,400 --> 00:14:39,480

your Divine mother's bosom where you lay

297

00:14:45,530 --> 00:14:42,410

to rest and be nurtured loved and child

298

00:14:47,840 --> 00:14:45,540

this place is what you know as Christ it

299

00:14:51,620 --> 00:14:47,850

is the place of divine grace the place

300

00:14:53,960 --> 00:14:51,630

where everything is all right don't ever

301
00:14:56,360 --> 00:14:53,970
kid yourself she said this place is more

302
00:14:58,370 --> 00:14:56,370
real than you imagined as I tell you

303
00:15:00,530 --> 00:14:58,380
about it you begin to think of it and

304
00:15:02,810 --> 00:15:00,540
that puts you there as you begin to

305
00:15:05,660 --> 00:15:02,820
create it's very possibility you have

306
00:15:08,060 --> 00:15:05,670
just been blessed with fairy dust and I

307
00:15:10,190 --> 00:15:08,070
asked what is your reality like what's

308
00:15:13,160 --> 00:15:10,200
its vibration and she said it's where

309
00:15:15,440 --> 00:15:13,170
fairylend begins to overlap the angelic

310
00:15:18,440 --> 00:15:15,450
realms it's a very simple place here all

311
00:15:20,810 --> 00:15:18,450
is in order and a nice neat tidy little

312
00:15:26,630 --> 00:15:20,820
way without stress by strain in a

313
00:15:28,910 --> 00:15:26,640

lullaby kind of way hmm Wow what I love

314

00:15:31,550 --> 00:15:28,920

that I do find that with fairies you

315

00:15:35,150 --> 00:15:31,560

know like sometimes the imagery that I

316

00:15:36,260 --> 00:15:35,160

get there will be some nature spirit

317

00:15:38,210 --> 00:15:36,270

guides you know like for example the

318

00:15:41,230 --> 00:15:38,220

animal spirit guides they walk with

319

00:15:44,120 --> 00:15:41,240

their feet on the ground you know

320

00:15:46,760 --> 00:15:44,130

animals birds of course is a different

321

00:15:48,380 --> 00:15:46,770

energy because their they can fly and

322

00:15:50,120 --> 00:15:48,390

make sure they actually actually do boat

323

00:15:54,319 --> 00:15:50,130

they can walk on the ground and they can

324

00:15:57,380 --> 00:15:54,329

fly fairies sort of the same they kind

325

00:15:59,210 --> 00:15:57,390

of flits at the tops of you know like as

326

00:16:01,430 --> 00:15:59,220

a maybe the flower garden they will be

327

00:16:04,850 --> 00:16:01,440

kind of flooding across the top there so

328

00:16:06,350 --> 00:16:04,860

it is true their energy like their

329

00:16:09,910 --> 00:16:06,360

energy their vibration would be a little

330

00:16:12,740 --> 00:16:09,920

higher than some of the more earthy

331

00:16:14,750 --> 00:16:12,750

nature spirits so yeah that really

332

00:16:17,680 --> 00:16:14,760

pretty the way she said that to you I

333

00:16:20,500 --> 00:16:17,690

like that place I'd like to go there

334

00:16:23,269 --> 00:16:20,510

actually I do go there it's not

335

00:16:24,590 --> 00:16:23,279

remembered listen to us the phone number

336

00:16:26,480 --> 00:16:24,600

to dial if you want to call into the

337

00:16:28,180 --> 00:16:26,490

show let me grab that note real quick if

338

00:16:31,490 --> 00:16:28,190

you want to get a reading from my

339

00:16:32,780 --> 00:16:31,500

phenomenal guest tonight oh gosh what

340

00:16:34,810 --> 00:16:32,790

does that fund them i'll call it up here

341

00:16:37,850 --> 00:16:34,820

shortly while I ask Laura a question

342

00:16:41,810 --> 00:16:37,860

Laura went when your angels guide you I

343

00:16:43,760 --> 00:16:41,820

know they're not ones for offering ideas

344

00:16:44,690 --> 00:16:43,770

that are not of a high vibrational

345

00:16:47,960 --> 00:16:44,700

nature

346

00:16:51,320 --> 00:16:47,970

do you ever get glimpses promptings from

347

00:16:53,090 --> 00:16:51,330

them about the condition of the world

348

00:16:54,980 --> 00:16:53,100

and when I mean condition I don't mean

349

00:16:57,200 --> 00:16:54,990

of course they're seeing in a total

350

00:16:59,690 --> 00:16:57,210

different way than we do down here in

351

00:17:01,370 --> 00:16:59,700

the human way but or do they prompt you

352

00:17:03,620 --> 00:17:01,380

to say okay Laura some things about to

353

00:17:09,260 --> 00:17:03,630

transpire did he ever give you a heads

354

00:17:11,210 --> 00:17:09,270

up on some of the not-so-good things you

355

00:17:15,189 --> 00:17:11,220

may like advance notice that something's

356

00:17:18,380 --> 00:17:15,199

coming something's coming but also that

357

00:17:20,840 --> 00:17:18,390

maybe in you work you can press to use

358

00:17:24,319 --> 00:17:20,850

word a little harder or deliver a

359

00:17:26,870 --> 00:17:24,329

message a little more um powerfully

360

00:17:28,850 --> 00:17:26,880

about the importance of a certain

361

00:17:30,350 --> 00:17:28,860

condition in other words they fry guess

362

00:17:32,810 --> 00:17:30,360

you would say give us a forewarning

363

00:17:37,480 --> 00:17:32,820

through you do you ever get those kinds

364

00:17:41,710 --> 00:17:37,490

of glimpses I typically don't get a

365

00:17:47,860 --> 00:17:41,720

glimpses of large you know like um

366

00:17:55,880 --> 00:17:52,310

earthy kind of events what does tend to

367

00:17:58,070 --> 00:17:55,890

happen is the angels will sort of show

368

00:18:00,440 --> 00:17:58,080

me how some of our collective

369

00:18:05,240 --> 00:18:00,450

consciousness which sometimes is a

370

00:18:08,840 --> 00:18:05,250

reflection of big earthy events may be

371

00:18:12,920 --> 00:18:08,850

for example fear a division because of

372

00:18:15,950 --> 00:18:12,930

prejudice or hatred jealousy these kinds

373

00:18:20,830 --> 00:18:15,960

of things they will show me how some of

374

00:18:24,590 --> 00:18:20,840

those societal views or shared

375

00:18:28,700 --> 00:18:24,600

experiences start to kind of infect us

376

00:18:31,040 --> 00:18:28,710

and they do draw our attention to it be

377

00:18:33,020 --> 00:18:31,050

aware of this this is going on there's a

378

00:18:35,630 --> 00:18:33,030

lot of dense energy because of you know

379

00:18:38,740 --> 00:18:35,640

it's usually not really a premonition or

380

00:18:40,790 --> 00:18:38,750

something that's going to happen I'm

381

00:18:42,770 --> 00:18:40,800

pausing a second because I'm thinking of

382

00:18:44,510 --> 00:18:42,780

actually that has happened now and then

383

00:18:46,160 --> 00:18:44,520

where they might just not that they'll

384

00:18:47,600 --> 00:18:46,170

be specific like all there's going to be

385

00:18:49,970 --> 00:18:47,610

an earthquake in this part of the world

386

00:18:51,650 --> 00:18:49,980

but more like you know the world needs a

387

00:18:53,300 --> 00:18:51,660

lot of love right now they need a lot of

388

00:18:55,310 --> 00:18:53,310

caring they need a lot of gentleness

389

00:18:59,960 --> 00:18:55,320

remind everyone how much they're loved

390

00:19:01,820 --> 00:18:59,970

to remind everyone that the god is with

391

00:19:03,080 --> 00:19:01,830

them the angels are with them and that

392

00:19:04,460 --> 00:19:03,090

everything's going to be okay so

393

00:19:07,370 --> 00:19:04,470

sometimes you know they would speak and

394

00:19:09,680 --> 00:19:07,380

on those kinds of terms to help us

395

00:19:14,360 --> 00:19:09,690

especially overcome our fears because

396

00:19:16,880 --> 00:19:14,370

our fears divide us they divide us from

397

00:19:18,770 --> 00:19:16,890

each other for human to human but they

398

00:19:24,260 --> 00:19:18,780

divide us in our relationship with a

399

00:19:26,240 --> 00:19:24,270

divine as well and so as we heal and get

400

00:19:27,560 --> 00:19:26,250

perspective over our fear and start to

401
00:19:31,340 --> 00:19:27,570
be able to forgive ourselves and others

402
00:19:33,770 --> 00:19:31,350
you know that creates a gentleness and a

403
00:19:36,560 --> 00:19:33,780
shared experience so they do they do

404
00:19:39,230 --> 00:19:36,570
definitely want I want us to overcome

405
00:19:42,350 --> 00:19:39,240
that collective consciousness stuff that

406
00:19:45,950 --> 00:19:42,360
happens out there listening audience

407
00:19:49,940 --> 00:19:45,960
that Colin number is 8 8 8 9 192 355

408
00:19:51,230 --> 00:19:49,950
that's triple 8 9 192 355 Laura I'm

409
00:19:55,430 --> 00:19:51,240
gonna ask you a question you probably

410
00:19:57,770 --> 00:19:55,440
never had put to you in an interview are

411
00:20:01,580 --> 00:19:57,780
you an angel seriously I mean is good

412
00:20:04,340 --> 00:20:01,590
are you an angel incarnated and if so or

413
00:20:08,000 --> 00:20:04,350

if you're not sure do you have memories

414

00:20:10,400 --> 00:20:08,010

of coming to the earth particularly for

415

00:20:13,070 --> 00:20:10,410

a mission and my next question would be

416

00:20:16,430 --> 00:20:13,080

do angels incarnate because there's a

417

00:20:19,730 --> 00:20:16,440

some confuso angels never incarnate and

418

00:20:21,770 --> 00:20:19,740

me on the flip of that do earth beings

419

00:20:26,600 --> 00:20:21,780

once they cross over do they become

420

00:20:28,190 --> 00:20:26,610

angels and or guides Oh Keith that's so

421

00:20:29,810 --> 00:20:28,200

many questions I will do my best to try

422

00:20:31,220 --> 00:20:29,820

to answer all of it let's say whatever

423

00:20:34,070 --> 00:20:31,230

let's go with the first one the first

424

00:20:36,250 --> 00:20:34,080

one is do you have memory or knowing

425

00:20:41,600 --> 00:20:36,260

that you have incarnated on this earth

426
00:20:45,850 --> 00:20:41,610
from the angelic realm I would say no

427
00:20:49,070 --> 00:20:45,860
not specifically though I do not feel

428
00:20:51,070 --> 00:20:49,080
that Earth is my true home I mean I

429
00:20:55,280 --> 00:20:51,080
guess it's nobody's true home anyway but

430
00:20:59,540 --> 00:20:55,290
but um no this isn't my real place I

431
00:21:03,590 --> 00:20:59,550
guess um it's really difficult sometimes

432
00:21:05,030 --> 00:21:03,600
the density of earth and human

433
00:21:09,110 --> 00:21:05,040
experience that kind of thing I

434
00:21:10,920 --> 00:21:09,120
definitely no more than remember I guess

435
00:21:13,800 --> 00:21:10,930
I definitely know

436
00:21:16,110 --> 00:21:13,810
of a different way like a different way

437
00:21:19,980 --> 00:21:16,120
of being something much more gentle much

438
00:21:24,540 --> 00:21:19,990

more fluid I've had um definitely had a

439

00:21:29,460 --> 00:21:24,550

memory of a time when bodies are not so

440

00:21:32,670 --> 00:21:29,470

solid and as we and we can actually sort

441

00:21:36,390 --> 00:21:32,680

of merge together in this sort of body

442

00:21:40,340 --> 00:21:36,400

list kind of way and and as two would

443

00:21:43,380 --> 00:21:40,350

merge you have a complete and total

444

00:21:46,830 --> 00:21:43,390

understanding of each other and so

445

00:21:49,170 --> 00:21:46,840

there's so much curiosity and you know

446

00:21:51,990 --> 00:21:49,180

we we enjoy each other and there's

447

00:21:53,820 --> 00:21:52,000

really no need for competition and

448

00:21:56,970 --> 00:21:53,830

rivalry and that feeling of separateness

449

00:22:00,360 --> 00:21:56,980

because there are no there are no

450

00:22:04,830 --> 00:22:00,370

physical bodies as barriers and that is

451
00:22:06,090 --> 00:22:04,840
a really nice way of being so and I'm

452
00:22:08,310 --> 00:22:06,100
not sure that's my origin but I

453
00:22:11,070 --> 00:22:08,320
certainly have a memory of a time that

454
00:22:14,670 --> 00:22:11,080
things were like that and um that's

455
00:22:18,030 --> 00:22:14,680
really nice so I would say there are

456
00:22:20,850 --> 00:22:18,040
times that the density of the human

457
00:22:22,950 --> 00:22:20,860
existence is foreign to me and so that

458
00:22:25,230 --> 00:22:22,960
requires me a little bit you know my

459
00:22:29,310 --> 00:22:25,240
grounding techniques you know feeling

460
00:22:30,810 --> 00:22:29,320
happy as a human and you know yoga

461
00:22:31,950 --> 00:22:30,820
definitely helps meditation helps with

462
00:22:35,850 --> 00:22:31,960
that but I spent some time with my

463
00:22:38,520 --> 00:22:35,860

angels to you know just to be here and

464

00:22:42,240 --> 00:22:38,530

be effective and be a good human Oh

465

00:22:44,100 --> 00:22:42,250

while I'm here well I can definitely say

466

00:22:46,380 --> 00:22:44,110

you would be an extension of angelic

467

00:22:48,960 --> 00:22:46,390

energy I mean look at you I mean I mean

468

00:22:52,470 --> 00:22:48,970

this honestly looking at you you have an

469

00:22:54,180 --> 00:22:52,480

Angelica appeal you you your talk your

470

00:22:56,310 --> 00:22:54,190

voice everything you're about so you're

471

00:23:00,060 --> 00:22:56,320

definitely an expression of that energy

472

00:23:02,160 --> 00:23:00,070

for sure what about the fact that I and

473

00:23:04,320 --> 00:23:02,170

we hear many many stories that angels

474

00:23:06,690 --> 00:23:04,330

will actually embody themselves for a

475

00:23:09,750 --> 00:23:06,700

moment to stop something from happening

476
00:23:11,550 --> 00:23:09,760
to save someone or to do that I'm listen

477
00:23:14,010 --> 00:23:11,560
I was years ago I was in a bookstore I

478
00:23:15,600 --> 00:23:14,020
was in the metaphysical section and at

479
00:23:18,180 --> 00:23:15,610
this time I was really interested in the

480
00:23:21,060 --> 00:23:18,190
Hindu spirituality and so I'm looking at

481
00:23:22,430 --> 00:23:21,070
the Bhagavad Gita and some guy next to

482
00:23:24,799 --> 00:23:22,440
me I said man you have

483
00:23:26,539 --> 00:23:24,809
really have an open mind to digest his

484
00:23:30,740 --> 00:23:26,549
stuff in this lady sitting on the stool

485
00:23:34,190 --> 00:23:30,750
down the aisle she says are an open

486
00:23:36,049 --> 00:23:34,200
heart and I turned away for a second

487
00:23:38,330 --> 00:23:36,059
when I look back she was gone I went up

488
00:23:40,700 --> 00:23:38,340

and down every possible I'll this lady

489

00:23:43,669 --> 00:23:40,710

was not in the store to be found was not

490

00:23:46,850 --> 00:23:43,679

in the store I've seen videos are posted

491

00:23:48,830 --> 00:23:46,860

on social media where this car was about

492

00:23:51,049 --> 00:23:48,840

to get smashed and it disappears and

493

00:23:53,990 --> 00:23:51,059

there's a being standing and in all

494

00:23:56,869 --> 00:23:54,000

these things but that being said do

495

00:23:59,240 --> 00:23:56,879

angels actually incarnate in a human

496

00:24:03,139 --> 00:23:59,250

life for the duration of the human life

497

00:24:05,869 --> 00:24:03,149

any knowledge about that generally

498

00:24:08,799 --> 00:24:05,879

Doreen Virtue I believe says no angels

499

00:24:12,769 --> 00:24:08,809

usually do not incarnate into a body a

500

00:24:16,340 --> 00:24:12,779

very with a few very rare exceptions a

501
00:24:18,850 --> 00:24:16,350
couple of the Archangels have taken

502
00:24:22,519 --> 00:24:18,860
human form for an entire lifetime

503
00:24:26,060 --> 00:24:22,529
generally she would say no that said our

504
00:24:28,519 --> 00:24:26,070
souls can originate from different

505
00:24:31,820 --> 00:24:28,529
realms so again the angelic realm is one

506
00:24:35,930 --> 00:24:31,830
of those realms and so some people will

507
00:24:38,629 --> 00:24:35,940
carry angel like attributes um and thank

508
00:24:41,090 --> 00:24:38,639
you for that really you love well it's a

509
00:24:44,919 --> 00:24:41,100
lovely compliment i'm blushing over here

510
00:24:49,220 --> 00:24:44,929
I'll deserve it except now oh thank you

511
00:24:52,070 --> 00:24:49,230
um yeah a little embarrassed no but so

512
00:24:56,480 --> 00:24:52,080
people can and actually Andorian virtues

513
00:24:59,210 --> 00:24:56,490

book it's called angel realms and the

514

00:25:01,999 --> 00:24:59,220

the actual title is escaping me at the

515

00:25:04,879 --> 00:25:02,009

moment but you can actually take a

516

00:25:06,769 --> 00:25:04,889

little quiz and sort of figure out what

517

00:25:09,680 --> 00:25:06,779

your realm is in when I was that my

518

00:25:12,919 --> 00:25:09,690

training with doreen virtue and that was

519

00:25:15,980 --> 00:25:12,929

one of the most fun exercises where we

520

00:25:19,220 --> 00:25:15,990

had to I think there were maybe like 350

521

00:25:24,080 --> 00:25:19,230

people in my training and yeah I was big

522

00:25:27,350 --> 00:25:24,090

and we had to figure out and group

523

00:25:30,919 --> 00:25:27,360

together with our realms and so there

524

00:25:34,249 --> 00:25:30,929

are some kind of guidelines and they

525

00:25:35,549 --> 00:25:34,259

evolve over time and some oh do calm

526
00:25:38,249 --> 00:25:35,559
like subgroup

527
00:25:40,739 --> 00:25:38,259
and some hybrids have emerged and you

528
00:25:43,519 --> 00:25:40,749
know we ATP's angel angel therapy

529
00:25:46,409 --> 00:25:43,529
practitioners we love this conversation

530
00:25:51,299 --> 00:25:46,419
doing round types and stuff like that

531
00:25:53,700 --> 00:25:51,309
but so some of the angelic realm folks

532
00:25:56,369 --> 00:25:53,710
have some physical attributes that they

533
00:25:58,350 --> 00:25:56,379
typically share and as do the other

534
00:26:01,830 --> 00:25:58,360
realms as well and then there are some

535
00:26:06,419 --> 00:26:01,840
you know personality traits as well so

536
00:26:09,869 --> 00:26:06,429
some people regular humans their

537
00:26:14,489 --> 00:26:09,879
spiritual essence will carry angelic

538
00:26:16,590 --> 00:26:14,499

energy and so that's that's neat so some

539

00:26:19,159 --> 00:26:16,600

people and they do there are people out

540

00:26:21,869 --> 00:26:19,169

there they are just absolute angels and

541

00:26:24,570 --> 00:26:21,879

we just thank God that they are living

542

00:26:28,080 --> 00:26:24,580

and breathing people because it gives us

543

00:26:30,779 --> 00:26:28,090

so much hope as humanity none though as

544

00:26:34,080 --> 00:26:30,789

you are talking about angels are

545

00:26:36,180 --> 00:26:34,090

guardian angels typically do not

546

00:26:39,960 --> 00:26:36,190

interfere with our life unless we ask

547

00:26:44,359 --> 00:26:39,970

them specifically for help so um because

548

00:26:48,899 --> 00:26:44,369

they help right right there there there

549

00:26:51,119 --> 00:26:48,909

right at your beck and call um so that's

550

00:26:52,470 --> 00:26:51,129

why they are so anxious to create a

551

00:26:54,299 --> 00:26:52,480

relationship with us because they're

552

00:26:57,180 --> 00:26:54,309

there is so much that they can do for us

553

00:26:59,369 --> 00:26:57,190

but they won't and can't unless we ask

554

00:27:03,359 --> 00:26:59,379

first because of the law free will that

555

00:27:06,600 --> 00:27:03,369

said if we are in danger of dying too

556

00:27:10,739 --> 00:27:06,610

early our guardian angels can step in

557

00:27:12,419 --> 00:27:10,749

and take on a human body momentarily to

558

00:27:14,149 --> 00:27:12,429

save us you know those car crashes you

559

00:27:17,430 --> 00:27:14,159

hear those stories all the time of

560

00:27:20,039 --> 00:27:17,440

somehow the baby who was locked in the

561

00:27:23,730 --> 00:27:20,049

car seat one second ago with a closed

562

00:27:26,129 --> 00:27:23,740

window somehow got unbuckled flew

563

00:27:30,480 --> 00:27:26,139

through the window that was closed and

564

00:27:33,060 --> 00:27:30,490

landed safely in the grass Wow right um

565

00:27:35,820 --> 00:27:33,070

and a lot of times I yeah and a lot of

566

00:27:38,159 --> 00:27:35,830

times that crash scenes there's that you

567

00:27:41,090 --> 00:27:38,169

know mysterious person who saved the day

568

00:27:43,919 --> 00:27:41,100

and then poof gone nobody can find them

569

00:27:46,649 --> 00:27:43,929

you know a lot of people would say and I

570

00:27:49,560 --> 00:27:46,659

believe that those those truly are

571

00:27:52,560 --> 00:27:49,570

guardian angels who step in take a human

572

00:27:54,660 --> 00:27:52,570

for a moment help us and then leave and

573

00:27:57,120 --> 00:27:54,670

they have no ego they have no need for

574

00:28:01,920 --> 00:27:57,130

thanks they have no need for recognition

575

00:28:03,930 --> 00:28:01,930

they simply are created to help us as

576

00:28:07,650 --> 00:28:03,940

humans and then if I can just share one

577

00:28:12,240 --> 00:28:07,660

more little thing um typically I don't

578

00:28:15,240 --> 00:28:12,250

see angels with my physical eyes um one

579

00:28:16,590 --> 00:28:15,250

time though and I mean I have a couple

580

00:28:18,720 --> 00:28:16,600

of times but generally that's not the

581

00:28:20,670 --> 00:28:18,730

way I work with them and it works well

582

00:28:23,070 --> 00:28:20,680

but I work with them so no problem but

583

00:28:25,500 --> 00:28:23,080

this was even before I was formally

584

00:28:28,110 --> 00:28:25,510

working with the angels I was drifting

585

00:28:30,720 --> 00:28:28,120

off to sleep I was on vacation I was

586

00:28:33,210 --> 00:28:30,730

drifting off to sleep and I opened my

587

00:28:37,350 --> 00:28:33,220

eyes and at the foot of my bed there was

588

00:28:39,330 --> 00:28:37,360

a very tall male guardian angel and I

589

00:28:42,450 --> 00:28:39,340

never saw the face but I could see the

590

00:28:46,560 --> 00:28:42,460

body very tall wearing you know very

591

00:28:49,200 --> 00:28:46,570

simple-looking linen garment and I

592

00:28:51,690 --> 00:28:49,210

blinked my eyes and when I open them

593

00:28:53,490 --> 00:28:51,700

again he was gone and I think I snuck up

594

00:28:55,080 --> 00:28:53,500

like I think he wasn't expecting me to

595

00:28:58,290 --> 00:28:55,090

open my eyes I caught a glimpse of him

596

00:29:03,090 --> 00:28:58,300

and it was really cool um and I wasn't

597

00:29:05,370 --> 00:29:03,100

you smell like cookies no no I wish he

598

00:29:08,820 --> 00:29:05,380

hadn't revolta smell like cookies wow

599

00:29:12,150 --> 00:29:08,830

that's right and Michael let me ask you

600

00:29:14,580 --> 00:29:12,160

um when people pass to the other side do

601
00:29:15,990 --> 00:29:14,590
they can they have they just from your

602
00:29:17,820 --> 00:29:16,000
knowledge and what you've learned in

603
00:29:21,060 --> 00:29:17,830
this magnificent field of work that you

604
00:29:23,580 --> 00:29:21,070
do can we become guides can we and I

605
00:29:27,690 --> 00:29:23,590
know that our loved ones quote guide us

606
00:29:31,460 --> 00:29:27,700
but can they be deemed guides or can

607
00:29:35,790 --> 00:29:31,470
they move into angelic properties I

608
00:29:37,620 --> 00:29:35,800
generally they do not become angels and

609
00:29:40,470 --> 00:29:37,630
I know that sad news for a lot of us

610
00:29:42,960 --> 00:29:40,480
because we think we think Graham is an

611
00:29:45,240 --> 00:29:42,970
angel and she is she's an angel to us

612
00:29:47,490 --> 00:29:45,250
for sure without a doubt but no the

613
00:29:52,380 --> 00:29:47,500

vibration is different my experience and

614

00:29:54,150 --> 00:29:52,390

I do do some mediumship though I think

615

00:29:56,820 --> 00:29:54,160

that there are much more talented

616

00:29:58,380 --> 00:29:56,830

mediums out there so i only do little

617

00:30:01,500 --> 00:29:58,390

bits and pieces of mediumship but

618

00:30:03,000 --> 00:30:01,510

typically what i find is right after our

619

00:30:07,830 --> 00:30:03,010

loved ones pass away

620

00:30:10,830 --> 00:30:07,840

a they're usually greeted by other loved

621

00:30:13,800 --> 00:30:10,840

ones and teachers and guides and angels

622

00:30:16,050 --> 00:30:13,810

and they spend a little bit of time like

623

00:30:17,880 --> 00:30:16,060

family or class reunion like oh my

624

00:30:20,760 --> 00:30:17,890

goodness look at your hair I love you

625

00:30:22,740 --> 00:30:20,770

wow I'm so nice to see you again and

626

00:30:24,660 --> 00:30:22,750

it's really a joyful thing and they're a

627

00:30:26,790 --> 00:30:24,670

little bit busy for a little while for

628

00:30:29,670 --> 00:30:26,800

so sometimes I have found that there

629

00:30:31,110 --> 00:30:29,680

that they're not really available to

630

00:30:34,350 --> 00:30:31,120

chat much right at the beginning I'm

631

00:30:36,690 --> 00:30:34,360

very busy after a lot of those

632

00:30:41,280 --> 00:30:36,700

reintroductions have been made they are

633

00:30:45,480 --> 00:30:41,290

available to us and they do offer lovely

634

00:30:49,830 --> 00:30:45,490

perspective um that said not everyone

635

00:30:51,720 --> 00:30:49,840

who lives a human life gives really

636

00:30:57,780 --> 00:30:51,730

great advice when they're living and

637

00:31:00,960 --> 00:30:57,790

although everyone is evolving and in the

638

00:31:04,560 --> 00:31:00,970

time between our lifetimes we have

639

00:31:07,170 --> 00:31:04,570

access to the highest form of wisdom the

640

00:31:10,910 --> 00:31:07,180

greatest source of light there's a lot

641

00:31:13,160 --> 00:31:10,920

of work that we do on forgiveness and

642

00:31:15,990 --> 00:31:13,170

reconciliations and that kind of stuff

643

00:31:17,400 --> 00:31:16,000

but you know most of us humans with a

644

00:31:19,680 --> 00:31:17,410

little bit more work to do and the

645

00:31:23,490 --> 00:31:19,690

angels just don't they have no ego so

646

00:31:25,520 --> 00:31:23,500

for a lot of us overcoming the ego takes

647

00:31:29,670 --> 00:31:25,530

definitely more than one lifetime

648

00:31:34,290 --> 00:31:29,680

usually many and so that's what we do

649

00:31:38,840 --> 00:31:34,300

after we pass away as we move into I

650

00:31:43,350 --> 00:31:38,850

find move into a study space where we

651
00:31:45,720 --> 00:31:43,360
evolved yet more but they can be our

652
00:31:48,150 --> 00:31:45,730
guides you know they love us and a lot

653
00:31:52,290 --> 00:31:48,160
of times they can help us sort through

654
00:31:53,610 --> 00:31:52,300
some family and ancestral patterns we're

655
00:31:55,560 --> 00:31:53,620
at the bottom of the hour would you give

656
00:31:57,450 --> 00:31:55,570
your contact information out to the

657
00:31:59,880 --> 00:31:57,460
audience so they can find more about you

658
00:32:02,070 --> 00:31:59,890
and your awesome angelic work all the

659
00:32:05,310 --> 00:32:02,080
other cool things that you do okay cool

660
00:32:06,720 --> 00:32:05,320
um well I have a website and I confess

661
00:32:10,860 --> 00:32:06,730

say hi we'd love to hear from you triple

671

00:32:46,260 --> 00:32:43,690

8 9 192 355 I have a fantastic story I

672

00:32:49,890 --> 00:32:46,270

want to share um friend of mine some

673

00:32:51,990 --> 00:32:49,900

years ago was out listening to a concert

674

00:32:53,960 --> 00:32:52,000

with a friend of hers and they were

675

00:32:56,040 --> 00:32:53,970

gonna go over to the other friends house

676

00:32:57,390 --> 00:32:56,050

just to hang out and listen to music

677

00:33:02,100 --> 00:32:57,400

whatever have some dinner or something

678

00:33:03,870 --> 00:33:02,110

and as soon as she gets there mm-hmm she

679

00:33:06,090 --> 00:33:03,880

says oh my god I have to leave and he

680

00:33:08,669 --> 00:33:06,100

says what he says he says I have to

681

00:33:10,530 --> 00:33:08,679

leave and he says why she says I have no

682

00:33:12,960 --> 00:33:10,540

idea but i have to leave and have to

683

00:33:15,900 --> 00:33:12,970

lead now she grabs a purse gets in a car

684

00:33:18,870 --> 00:33:15,910

proceeds to go she has no idea he's

685

00:33:20,549 --> 00:33:18,880

going and she just finds her body I

686

00:33:23,100 --> 00:33:20,559

wouldn't say being taken over but she

687

00:33:26,460 --> 00:33:23,110

finds her body just weaving in and out

688

00:33:28,230 --> 00:33:26,470

of traffic um-hmm so she realizes that

689

00:33:30,510 --> 00:33:28,240

she's going to her house so she thinks

690

00:33:32,580 --> 00:33:30,520

so she gets in the right lane to make

691

00:33:35,400 --> 00:33:32,590

the turn to go towards her house and

692

00:33:36,780 --> 00:33:35,410

somehow she passed up the turn and she

693

00:33:38,190 --> 00:33:36,790

kept going so instead of turning around

694

00:33:39,720 --> 00:33:38,200

she said well I'm just gonna take the

695

00:33:41,460 --> 00:33:39,730

next turn and go a little longer and

696

00:33:43,260 --> 00:33:41,470

i'll get there that way somehow she

697

00:33:46,290 --> 00:33:43,270

passed that one up and took the third

698

00:33:48,900 --> 00:33:46,300

right when she took that right she

699

00:33:51,990 --> 00:33:48,910

screams out loud what is it I'm looking

700

00:33:54,210 --> 00:33:52,000

for and out and that she ended up in an

701
00:33:56,700 --> 00:33:54,220
area where normal people just do not

702
00:33:59,669 --> 00:33:56,710
hang out or do want to trek down this

703
00:34:01,440 --> 00:33:59,679
particular Road and there's a field when

704
00:34:04,620 --> 00:34:01,450
each side the road and the grass is

705
00:34:07,200 --> 00:34:04,630
pretty tall to say about waist high and

706
00:34:09,419 --> 00:34:07,210
as she says out loud what is it I'm

707
00:34:12,840 --> 00:34:09,429
looking for and I keep in mind it's

708
00:34:15,899 --> 00:34:12,850
raining like cats and dogs and it's

709
00:34:18,840 --> 00:34:15,909
somewhat cold and out of nowhere out of

710
00:34:22,500 --> 00:34:18,850
the the field comes this three-year-old

711
00:34:25,109 --> 00:34:22,510
child only in a diaper and she slams on

712
00:34:26,970 --> 00:34:25,119
the brakes she gets out of her car grabs

713
00:34:29,680 --> 00:34:26,980

his child and brings him into her car

714

00:34:32,409 --> 00:34:29,690

there is no 10

715

00:34:35,589 --> 00:34:32,419

from she calls the police department the

716

00:34:36,909 --> 00:34:35,599

police shows up and come to find out on

717

00:34:38,919 --> 00:34:36,919

the police officer says give me the

718

00:34:42,760 --> 00:34:38,929

child she says uh you ain't getting this

719

00:34:44,379 --> 00:34:42,770

child until her parents get here they

720

00:34:47,109 --> 00:34:44,389

call the parents come to find out what

721

00:34:49,409 --> 00:34:47,119

happened was family was on in in town

722

00:34:52,720 --> 00:34:49,419

visiting from I think New Hampshire and

723

00:34:54,970 --> 00:34:52,730

somehow the three-year-old child in the

724

00:34:59,319 --> 00:34:54,980

middle of the night let himself out and

725

00:35:01,809 --> 00:34:59,329

walk a mile in a half with no shoes

726

00:35:04,450 --> 00:35:01,819

through god knows what through this

727

00:35:06,520 --> 00:35:04,460

field of grass only for her to be

728

00:35:08,440 --> 00:35:06,530

perfectly placed when this child came

729

00:35:13,870 --> 00:35:08,450

out for her to stop and see it and

730

00:35:15,640 --> 00:35:13,880

collect this little kid Wow yeah oh that

731

00:35:20,890 --> 00:35:15,650

gives me goosebumps gives me angel bumps

732

00:35:23,559 --> 00:35:20,900

right that's wow the she was just in

733

00:35:27,040 --> 00:35:23,569

beautiful service to spirit into that

734

00:35:28,450 --> 00:35:27,050

child in the family Wow yeah and she

735

00:35:30,520 --> 00:35:28,460

called me and says keith i didn't know

736

00:35:33,670 --> 00:35:30,530

who to tell this to you probably the

737

00:35:35,620 --> 00:35:33,680

only one that would get it but even

738

00:35:37,900 --> 00:35:35,630

though i got it and understand such

739

00:35:40,359 --> 00:35:37,910

things it's still like you it took me

740

00:35:42,700 --> 00:35:40,369

back i bawled my eyes out such a

741

00:35:48,010 --> 00:35:42,710

beautiful story let me let me ask you

742

00:35:51,040 --> 00:35:48,020

this um can you ask for future shows do

743

00:35:57,849 --> 00:35:51,050

you know the answer to when we go to the

744

00:35:59,710 --> 00:35:57,859

other side do we sleep oh just hang out

745

00:36:03,130 --> 00:35:59,720

all the time with something to do

746

00:36:05,920 --> 00:36:03,140

forever uh do we sleep I mean do we take

747

00:36:09,910 --> 00:36:05,930

so to speak conscious pauses we watch a

748

00:36:14,050 --> 00:36:09,920

good one Keith conscious pauses oh boy

749

00:36:15,579 --> 00:36:14,060

um so this is not something I've ever

750

00:36:20,319 --> 00:36:15,589

asked angels before so I'm just going to

751

00:36:22,599 --> 00:36:20,329

ask them and um what they're saying to

752

00:36:25,270 --> 00:36:22,609

me is that it's it's also perfectly

753

00:36:27,700 --> 00:36:25,280

balanced um we don't we wouldn't have

754

00:36:30,220 --> 00:36:27,710

the same needs for rest like we do in a

755

00:36:32,559 --> 00:36:30,230

human body because the human body with

756

00:36:35,829 --> 00:36:32,569

the vibration being so dense compared to

757

00:36:37,630 --> 00:36:35,839

you know a spirit a spirit self there

758

00:36:41,890 --> 00:36:37,640

are certain physical needs that we just

759

00:36:43,569 --> 00:36:41,900

have as a human we have fewer of those

760

00:36:47,680 --> 00:36:43,579

needs but the

761

00:36:50,650 --> 00:36:47,690

experience is so much more balanced that

762

00:36:54,249 --> 00:36:50,660

things are effortless there that require

763

00:36:57,969 --> 00:36:54,259

a lot of efforts and energy and you know

764

00:37:01,930 --> 00:36:57,979

deliberate choice and things here there

765

00:37:03,759 --> 00:37:01,940

things are there more fluid and so the

766

00:37:08,769 --> 00:37:03,769

it's a totally different type of

767

00:37:10,599 --> 00:37:08,779

experience that said it's all it's all

768

00:37:14,829 --> 00:37:10,609

just in perfect balance so there are

769

00:37:18,279 --> 00:37:14,839

times that we do we do work typically

770

00:37:20,890 --> 00:37:18,289

with my the work that I do and how I

771

00:37:24,459 --> 00:37:20,900

interact with my clients it has more to

772

00:37:25,989 --> 00:37:24,469

do with spiritual evolution though the

773

00:37:27,969 --> 00:37:25,999

angels are telling me now that there is

774

00:37:32,440 --> 00:37:27,979

there's other work to be done in

775

00:37:34,329 --> 00:37:32,450

addition to study and kind of like

776

00:37:36,489 --> 00:37:34,339

advising sessions that we would have

777

00:37:39,880 --> 00:37:36,499

with our spiritual mentors there there's

778

00:37:41,979 --> 00:37:39,890

work that we do i should say

779

00:37:43,539 --> 00:37:41,989

contributions that we make for each

780

00:37:46,749 --> 00:37:43,549

other and that's all done really

781

00:37:50,229 --> 00:37:46,759

joyfully so in the work quote unquote

782

00:37:52,180 --> 00:37:50,239

work it actually recharges the batteries

783

00:37:53,739 --> 00:37:52,190

like a self-contained system it's like

784

00:37:55,989 --> 00:37:53,749

the more you offer you know being in

785

00:37:58,689 --> 00:37:55,999

service the more you're in service the

786

00:37:59,920 --> 00:37:58,699

more fulfilled you are and it does seem

787

00:38:01,120 --> 00:37:59,930

that there are some specialties that

788

00:38:02,859 --> 00:38:01,130

happen there are things that we are

789

00:38:05,949 --> 00:38:02,869

naturally good at in a well-suited to

790

00:38:08,400 --> 00:38:05,959

contribute with and they all sort of

791

00:38:10,779 --> 00:38:08,410

work seamlessly and there's no

792

00:38:12,549 --> 00:38:10,789

competition like this is more important

793

00:38:16,529 --> 00:38:12,559

work than that and this you get paid

794

00:38:24,009 --> 00:38:20,109

would you can or angels considered God

795

00:38:26,979 --> 00:38:24,019

God's thoughts on they way they act only

796

00:38:28,749 --> 00:38:26,989

by promptings of creator and if that

797

00:38:30,880 --> 00:38:28,759

would be the case they would be without

798

00:38:36,249 --> 00:38:30,890

free will would they be considered the

799

00:38:42,039 --> 00:38:36,259

thoughts of God that is such a pretty

800

00:38:47,370 --> 00:38:42,049

thing to say that sounds right typically

801
00:38:50,799 --> 00:38:47,380
the way I would say it would be it's a l

802
00:38:52,930 --> 00:38:50,809
like it as a two-way communication so

803
00:38:55,809 --> 00:38:52,940
the thoughts of God but also it's like a

804
00:38:57,070 --> 00:38:55,819
conversation with God they are like the

805
00:39:02,470 --> 00:38:57,080
translator

806
00:39:05,920 --> 00:39:02,480
so that things are easier because we

807
00:39:08,770 --> 00:39:05,930
oftentimes have blocks around talking to

808
00:39:11,200 --> 00:39:08,780
God of course we all can and God loves

809
00:39:12,400 --> 00:39:11,210
that but a lot of us because of the way

810
00:39:14,260 --> 00:39:12,410
we were raised or the collective

811
00:39:17,770 --> 00:39:14,270
consciousness and conventional religious

812
00:39:21,880 --> 00:39:17,780
views it's too intimidating to talk to

813
00:39:23,800 --> 00:39:21,890

God but the angels were designed to be

814

00:39:25,990 --> 00:39:23,810

completely approachable they're

815

00:39:29,440 --> 00:39:26,000

beautiful they're gentle they're

816

00:39:33,400 --> 00:39:29,450

non-threatening and they're spiritual

817

00:39:36,580 --> 00:39:33,410

power is sort of toned down a bit so

818

00:39:39,190 --> 00:39:36,590

like how soft lighting in a room makes

819

00:39:42,220 --> 00:39:39,200

us feel comfortable and safe and cozy as

820

00:39:45,220 --> 00:39:42,230

opposed to bright glaring light can

821

00:39:47,640 --> 00:39:45,230

sometimes be you know like you it's hard

822

00:39:51,130 --> 00:39:47,650

to relax in that setting so the angels

823

00:39:52,570 --> 00:39:51,140

are kind of there just well they're very

824

00:39:55,150 --> 00:39:52,580

powerful I wouldn't say that just as

825

00:39:57,220 --> 00:39:55,160

powerful as God they they hold an

826

00:40:00,250 --> 00:39:57,230

enormous amount of spiritual power but

827

00:40:03,160 --> 00:40:00,260

they usually tone it down for us so that

828

00:40:05,110 --> 00:40:03,170

it's so it's easy and comfortable so

829

00:40:08,460 --> 00:40:05,120

it's not that we would never look at

830

00:40:12,780 --> 00:40:08,470

angels as really as separate from God

831

00:40:15,310 --> 00:40:12,790

it's some that they are designed to be

832

00:40:17,350 --> 00:40:15,320

to be the helper of communication there

833

00:40:20,620 --> 00:40:17,360

the word angel translates to messenger

834

00:40:22,300 --> 00:40:20,630

of god so but it's back and forth so

835

00:40:24,310 --> 00:40:22,310

when I have a spiritual question I i

836

00:40:25,930 --> 00:40:24,320

mean i touch my angels all day angels

837

00:40:27,880 --> 00:40:25,940

would show you about this thing and they

838

00:40:30,400 --> 00:40:27,890

answer me immediately like okay great

839

00:40:31,960 --> 00:40:30,410

thanks this morning for example small

840

00:40:33,820 --> 00:40:31,970

example but like you were kind of

841

00:40:37,210 --> 00:40:33,830

laughing about the parking the parking

842

00:40:40,120 --> 00:40:37,220

spot thing but the angels love to do

843

00:40:41,980 --> 00:40:40,130

that stuff for us because first of all

844

00:40:44,560 --> 00:40:41,990

it's a it's an easy way to make a

845

00:40:46,120 --> 00:40:44,570

connection with us and to gain a little

846

00:40:48,460 --> 00:40:46,130

bit of experience and trust with them

847

00:40:50,890 --> 00:40:48,470

but so for example this morning i was

848

00:40:56,410 --> 00:40:50,900

getting ready to go to my yoga training

849

00:40:58,810 --> 00:40:56,420

and we always get a book that we would

850

00:41:01,420 --> 00:40:58,820

write notes in and so I knew that we

851

00:41:02,920 --> 00:41:01,430

always get one but today and usually

852

00:41:03,970 --> 00:41:02,930

there's no need for additional paper

853

00:41:05,950 --> 00:41:03,980

because I would want to write all my

854

00:41:08,290 --> 00:41:05,960

notes in the book that we receive any

855

00:41:09,550 --> 00:41:08,300

way from our teacher well today the

856

00:41:10,890 --> 00:41:09,560

Angels just said you don't bring your

857

00:41:13,690 --> 00:41:10,900

notebook and pen with you

858

00:41:15,220 --> 00:41:13,700

okay so I threw it in the bag well our

859

00:41:18,220 --> 00:41:15,230

book wasn't ready it'll be ready

860

00:41:19,800 --> 00:41:18,230

tomorrow so yay for the angels telling

861

00:41:21,940 --> 00:41:19,810

me to bring my notebook so it's like uh

862

00:41:26,200 --> 00:41:21,950

you know the little stuff it's not all

863

00:41:28,900 --> 00:41:26,210

like totally profound big spiritual wow

864

00:41:31,570 --> 00:41:28,910

you know a lot of times it's just making

865

00:41:33,310 --> 00:41:31,580

our life a little better day by day and

866

00:41:36,070 --> 00:41:33,320

then you know if we have a good

867

00:41:37,900 --> 00:41:36,080

relationship with the little stuff we

868

00:41:42,790 --> 00:41:37,910

feel because you know we humans were so

869

00:41:44,020 --> 00:41:42,800

fearful we're so skeptical and so now

870

00:41:45,850 --> 00:41:44,030

I'm like wow they were right about the

871

00:41:47,350 --> 00:41:45,860

notebook maybe I'll ask about hey what

872

00:41:49,990 --> 00:41:47,360

should I do about forgetting my sister

873

00:41:53,050 --> 00:41:50,000

Oh angels that's a good idea i'll do

874

00:41:55,840 --> 00:41:53,060

that so you know they like to interact

875

00:41:59,800 --> 00:41:55,850

with us in all ways little in

876

00:42:02,170 --> 00:41:59,810

significant ways big life-changing when

877

00:42:04,150 --> 00:42:02,180

she so we're all we really need to do is

878

00:42:05,230 --> 00:42:04,160

show the intention of making contact you

879

00:42:07,960 --> 00:42:05,240

know just why you're putting your makeup

880

00:42:09,630 --> 00:42:07,970

on or making some food just hey you know

881

00:42:11,950 --> 00:42:09,640

who's hanging around can you know

882

00:42:13,600 --> 00:42:11,960

da-da-da-da and begin this dialogue

883

00:42:15,340 --> 00:42:13,610

and of course and then thoughts probably

884

00:42:18,130 --> 00:42:15,350

show up in your mind that never would

885

00:42:21,450 --> 00:42:18,140

have if you not never you know stated

886

00:42:25,840 --> 00:42:21,460

the intention for such contact um

887

00:42:27,670 --> 00:42:25,850

because we had no phone calls um it

888

00:42:30,970 --> 00:42:27,680

leaves a window open for me would you

889

00:42:33,520 --> 00:42:30,980

give me a small angel reading would be

890

00:42:35,770 --> 00:42:33,530

just like really really awesome oh I

891

00:42:38,710 --> 00:42:35,780

would love to do you have a specific

892

00:42:40,150 --> 00:42:38,720

question or do you want to general let

893

00:42:44,680 --> 00:42:40,160

they know what they're doing it seem

894

00:42:47,070 --> 00:42:44,690

like they have to say okay well i mean i

895

00:42:53,130 --> 00:42:47,080

know that you've got a connection with

896

00:42:55,870 --> 00:42:53,140

indian teachers gurus and the angels are

897

00:42:58,540 --> 00:42:55,880

confer not that you need confirmation on

898

00:43:02,590 --> 00:42:58,550

that of course but they're just showing

899

00:43:06,790 --> 00:43:02,600

like one of the indian goddess is I I

900

00:43:10,780 --> 00:43:06,800

think it's Lakshmi anyway she's very

901
00:43:12,790 --> 00:43:10,790
beautiful I'm trying to discern so hang

902
00:43:20,190 --> 00:43:12,800
tight for a second if it's Lakshmi or if

903
00:43:22,990 --> 00:43:20,200
it is Kali it appears to be Lakshmi with

904
00:43:24,700 --> 00:43:23,000
the power of Kali so it could be that

905
00:43:26,829 --> 00:43:24,710
they're working together to support you

906
00:43:30,490 --> 00:43:26,839
so not sure how well you know these

907
00:43:32,950 --> 00:43:30,500
these are Martha goddesses but so

908
00:43:34,930 --> 00:43:32,960
Lakshmi has to do with endings and

909
00:43:37,420 --> 00:43:34,940
beginnings and obviously you know what

910
00:43:39,280 --> 00:43:37,430
the growth of your work out in the world

911
00:43:42,339 --> 00:43:39,290
and some new things that are coming for

912
00:43:46,030 --> 00:43:42,349
you she is definitely present in helping

913
00:43:48,820 --> 00:43:46,040

you transition from the old into the new

914

00:43:53,349 --> 00:43:48,830

and it's really a supercharged beginning

915

00:43:55,750 --> 00:43:53,359

like totally amped up um where it's like

916

00:43:57,970 --> 00:43:55,760

I mean I'm not an electrical and

917

00:44:02,410 --> 00:43:57,980

electronic type person but you know like

918

00:44:04,060 --> 00:44:02,420

the outlet that you plug you plug a lamp

919

00:44:06,550 --> 00:44:04,070

in two totally different from the one

920

00:44:08,410 --> 00:44:06,560

that you plug the refrigerator into and

921

00:44:10,690 --> 00:44:08,420

that's the transition they're saying

922

00:44:11,859 --> 00:44:10,700

it's like the bandwidth that you're

923

00:44:13,630 --> 00:44:11,869

working with that you were going to be

924

00:44:18,420 --> 00:44:13,640

stepping into it's much more powerful

925

00:44:21,790 --> 00:44:18,430

and Kali is there to help with the

926

00:44:25,810 --> 00:44:21,800

integration of the upgrade I guess like

927

00:44:29,470 --> 00:44:25,820

the the expansion she's a very powerful

928

00:44:34,450 --> 00:44:29,480

oh and in fact her for me when I work

929

00:44:36,820 --> 00:44:34,460

with her her power her intensity and her

930

00:44:41,050 --> 00:44:36,830

ability is very similar to Pele who is

931

00:44:45,480 --> 00:44:41,060

the the goddess of Hawaii with the the

932

00:44:48,640 --> 00:44:45,490

fiery creation energy of the volcanoes

933

00:44:51,880 --> 00:44:48,650

in it's a major connection for me hawaii

934

00:44:55,870 --> 00:44:51,890

by the way and being validated to you

935

00:44:58,329 --> 00:44:55,880

now lots of things in my life or doors

936

00:45:00,339 --> 00:44:58,339

completely shutting an amazing

937

00:45:03,099 --> 00:45:00,349

opportunities just being blasted open so

938

00:45:05,380 --> 00:45:03,109

i really appreciate that yes good well

939

00:45:07,599 --> 00:45:05,390

they in addition to that then though is

940

00:45:10,839 --> 00:45:07,609

that Lakshmi is also present and Lakshmi

941

00:45:12,370 --> 00:45:10,849

ah you know what I'm sorry I think it

942

00:45:14,290 --> 00:45:12,380

sarasvati I think I'm getting a little

943

00:45:17,410 --> 00:45:14,300

confused hang tight on they're both

944

00:45:19,870 --> 00:45:17,420

beautiful I think it's sarasvati though

945

00:45:22,750 --> 00:45:19,880

the arts she's very much helping you

946

00:45:24,640 --> 00:45:22,760

with your art and your craft so let me

947

00:45:27,760 --> 00:45:24,650

just make sure that I'm got the right

948

00:45:32,050 --> 00:45:27,770

name for you because I want to make make

949

00:45:35,440 --> 00:45:32,060

sure it's a really good reading i'm

950

00:45:37,180 --> 00:45:35,450

looking through my well okay so you got

951
00:45:38,500 --> 00:45:37,190
all three and that's what they're saying

952
00:45:41,410 --> 00:45:38,510
so lakshmi

953
00:45:43,860 --> 00:45:41,420
is saying bright future you're very

954
00:45:48,460 --> 00:45:43,870
bright future she's just covered in gold

955
00:45:51,790 --> 00:45:48,470
but then there's also sarswati so you

956
00:45:54,100 --> 00:45:51,800
have a lot of feminine Indian energy

957
00:45:57,370 --> 00:45:54,110
with you so our swathi as the arts so as

958
00:45:59,740 --> 00:45:57,380
you express yourself artfully in all

959
00:46:01,780 --> 00:45:59,750
aspects obviously is you a musician and

960
00:46:04,420 --> 00:46:01,790
you're an artist um you know your

961
00:46:08,050 --> 00:46:04,430
spiritual work it is an art form and the

962
00:46:11,800 --> 00:46:08,060
way you share it so all three of these

963
00:46:14,110 --> 00:46:11,810

goddesses are working with you and so at

964

00:46:17,500 --> 00:46:14,120

this point the angels are helping you to

965

00:46:18,760 --> 00:46:17,510

integrate feminine principles now you

966

00:46:20,230 --> 00:46:18,770

know that's a concept that's very

967

00:46:23,590 --> 00:46:20,240

comfortable and familiar to you that

968

00:46:25,750 --> 00:46:23,600

that divine feminine force that runs

969

00:46:29,160 --> 00:46:25,760

through each of us and through the

970

00:46:33,280 --> 00:46:29,170

universe and through the divine source

971

00:46:38,740 --> 00:46:33,290

you are being assisted by three really

972

00:46:40,810 --> 00:46:38,750

powerful feminine goddesses in addition

973

00:46:46,210 --> 00:46:40,820

to that they all you know they typically

974

00:46:49,840 --> 00:46:46,220

will show themselves as young ish women

975

00:46:52,780 --> 00:46:49,850

may be middle-aged max but the truth of

976

00:46:56,470 --> 00:46:52,790

the matter is as you are integrating

977

00:46:58,570 --> 00:46:56,480

this feminine energy the three phases of

978

00:47:03,340 --> 00:46:58,580

the goddess of course are made in mother

979

00:47:05,620 --> 00:47:03,350

and Crone and so you know all of those

980

00:47:07,570 --> 00:47:05,630

phases of the goddess in addition to the

981

00:47:10,240 --> 00:47:07,580

personalities of these three Hindu

982

00:47:14,250 --> 00:47:10,250

goddesses are all working with you and

983

00:47:17,110 --> 00:47:14,260

the angels are they are definitely

984

00:47:19,270 --> 00:47:17,120

helping to pave the way and the thing

985

00:47:22,960 --> 00:47:19,280

about the goddesses versus the angels

986

00:47:24,910 --> 00:47:22,970

the energy is similar but the goddesses

987

00:47:27,640 --> 00:47:24,920

are a little bit more earthy because

988

00:47:30,220 --> 00:47:27,650

they they would have lived many of the

989

00:47:32,350 --> 00:47:30,230

ascended masters and goddesses would

990

00:47:34,750 --> 00:47:32,360

have been seen as a little more like

991

00:47:38,740 --> 00:47:34,760

feet touching the earth type what's nice

992

00:47:42,100 --> 00:47:38,750

about that for you is with you being a

993

00:47:45,010 --> 00:47:42,110

man having that grounded feminine

994

00:47:47,140 --> 00:47:45,020

presence integrates a little bit easier

995

00:47:48,700 --> 00:47:47,150

for you certainly are very spiritual

996

00:47:51,550 --> 00:47:48,710

person and very in tune with higher

997

00:47:52,160 --> 00:47:51,560

vibrations but having the woman's feet

998

00:47:54,020 --> 00:47:52,170

on

999

00:47:58,549 --> 00:47:54,030

ground that seems to be a significant

1000

00:48:01,250 --> 00:47:58,559

part of what works well for you well

1001
00:48:07,180 --> 00:48:01,260
that's lovely I've always said a man can

1002
00:48:12,109 --> 00:48:09,620
Laura we're getting a close to the top

1003
00:48:14,359 --> 00:48:12,119
of ya we have about 15 minutes and this

1004
00:48:16,309 --> 00:48:14,369
show would not be complete without

1005
00:48:20,870 --> 00:48:16,319
sharing with the listening audience how

1006
00:48:22,220 --> 00:48:20,880
they can begin to make contact we talked

1007
00:48:24,620 --> 00:48:22,230
about you know just talking out loud

1008
00:48:26,569 --> 00:48:24,630
which didn't initiate contact with

1009
00:48:28,760 --> 00:48:26,579
someone really wants to delve into this

1010
00:48:31,700 --> 00:48:28,770
work work someone really wants to double

1011
00:48:33,920 --> 00:48:31,710
to this play um how does one go about

1012
00:48:37,280 --> 00:48:33,930
that so there's a couple of ways that

1013
00:48:41,150 --> 00:48:37,290

work really well um like you said first

1014

00:48:43,010 --> 00:48:41,160

thing is um asking just asking for a

1015

00:48:45,500 --> 00:48:43,020

relationship with the Angels now when i

1016

00:48:48,319 --> 00:48:45,510

did that the very first time i was

1017

00:48:52,579 --> 00:48:48,329

blessed with an incredible clairvoyant

1018

00:48:57,230 --> 00:48:52,589

experience where I saw a glimpse of

1019

00:49:00,319 --> 00:48:57,240

heaven that blew my mind evidently most

1020

00:49:02,599 --> 00:49:00,329

people don't have that I was one of the

1021

00:49:05,480 --> 00:49:02,609

very lucky few from what I understand

1022

00:49:08,450 --> 00:49:05,490

from people and even my ATP colleagues

1023

00:49:11,839 --> 00:49:08,460

what typically is a good way to do it is

1024

00:49:13,130 --> 00:49:11,849

um show an interest in the Angels you

1025

00:49:16,069 --> 00:49:13,140

don't have to go buy a bunch of stuff

1026

00:49:19,130 --> 00:49:16,079

just show an interest like a recognition

1027

00:49:21,380 --> 00:49:19,140

that that you're that the angel was

1028

00:49:24,140 --> 00:49:21,390

there and that you're wanting to create

1029

00:49:26,450 --> 00:49:24,150

a relationship and then they will start

1030

00:49:29,390 --> 00:49:26,460

talking back a lot of times you'll start

1031

00:49:31,280 --> 00:49:29,400

to see coins and feathers you might like

1032

00:49:34,160 --> 00:49:31,290

look up into the sky you might see an

1033

00:49:37,339 --> 00:49:34,170

angel cloud you might just start to

1034

00:49:39,770 --> 00:49:37,349

notice that pictures of angels angel

1035

00:49:42,170 --> 00:49:39,780

figurines are sir are starting to show

1036

00:49:47,450 --> 00:49:42,180

up everywhere angels like to use the

1037

00:49:49,819 --> 00:49:47,460

number 444 and 444 as a symbol that

1038

00:49:52,430 --> 00:49:49,829

they're nearby so maybe you're driving

1039

00:49:55,789 --> 00:49:52,440

in traffic and you're feeling tense and

1040

00:49:58,099 --> 00:49:55,799

then you say uh angels ah can you help

1041

00:50:00,079 --> 00:49:58,109

calm me down can you help traffic clear

1042

00:50:03,430 --> 00:50:00,089

up all of a sudden you notice the car in

1043

00:50:06,310 --> 00:50:03,440

front of you has the 444

1044

00:50:08,290 --> 00:50:06,320

and that's really fun that's really a

1045

00:50:10,990 --> 00:50:08,300

sign that they're there you might start

1046

00:50:14,980 --> 00:50:11,000

to hear songs being played on the radio

1047

00:50:19,180 --> 00:50:14,990

something about angels or she talks to

1048

00:50:21,040 --> 00:50:19,190

angels yeah yeah there's a you know

1049

00:50:24,070 --> 00:50:21,050

there's a lot of songs on the radio but

1050

00:50:27,130 --> 00:50:24,080

talk about angels it's amazing um for

1051
00:50:30,370 --> 00:50:27,140
Sarah McLachlan song in the arms of the

1052
00:50:32,770 --> 00:50:30,380
angel it is so powerful yeah that's a

1053
00:50:34,390 --> 00:50:32,780
beautiful song um but they also

1054
00:50:36,070 --> 00:50:34,400
sometimes you know if you ask a question

1055
00:50:38,280 --> 00:50:36,080
hand really like some guidance about

1056
00:50:40,750 --> 00:50:38,290
this challenge that I'm going through

1057
00:50:42,730 --> 00:50:40,760
then you hear a song on the radio it

1058
00:50:46,000 --> 00:50:42,740
might not be about angels but it might

1059
00:50:49,510 --> 00:50:46,010
be the very answer it kind of inspires

1060
00:50:51,070 --> 00:50:49,520
you to take action they work with stuff

1061
00:50:53,410 --> 00:50:51,080
like that like maybe you're having lunch

1062
00:50:56,860 --> 00:50:53,420
and you overhear a conversation at the

1063
00:50:59,140 --> 00:50:56,870

table beside you and there you just

1064

00:51:00,880 --> 00:50:59,150

suddenly get exactly what you need the

1065

00:51:03,160 --> 00:51:00,890

angels are going to work in many ways

1066

00:51:04,660 --> 00:51:03,170

it's not all going to be heavens opening

1067

00:51:08,500 --> 00:51:04,670

up and you know getting this amazing

1068

00:51:10,620 --> 00:51:08,510

vision a lot of times just a little more

1069

00:51:13,930 --> 00:51:10,630

subtle than that a little bit more

1070

00:51:16,930 --> 00:51:13,940

earthy but delight in that anyway I

1071

00:51:18,340 --> 00:51:16,940

always um feel a lot of gratitude when

1072

00:51:21,010 --> 00:51:18,350

my angels show up and they help me I

1073

00:51:22,420 --> 00:51:21,020

just I love them and I'm so grateful for

1074

00:51:25,090 --> 00:51:22,430

them gratitude is a really high

1075

00:51:28,740 --> 00:51:25,100

vibration and it just keeps us receptive

1076

00:51:31,750 --> 00:51:28,750

to messages from the divine so

1077

00:51:35,440 --> 00:51:31,760

cultivating gratitudes a good way to go

1078

00:51:37,360 --> 00:51:35,450

anyway um I'm gonna take the vibration

1079

00:51:38,950 --> 00:51:37,370

so we can actually participate and

1080

00:51:41,200 --> 00:51:38,960

connect with them in a conscious way so

1081

00:51:44,500 --> 00:51:41,210

are you saying it's really that simple

1082

00:51:46,530 --> 00:51:44,510

that there's not this long protocol that

1083

00:51:49,090 --> 00:51:46,540

a person has to follow it's just

1084

00:51:51,610 --> 00:51:49,100

intending speaking out loud speaking

1085

00:51:55,300 --> 00:51:51,620

from your heart inside or however maybe

1086

00:51:57,760 --> 00:51:55,310

it's just the want or the desire to say

1087

00:51:59,410 --> 00:51:57,770

you know chime in let me know you're

1088

00:52:01,000 --> 00:51:59,420

there I know you're there but I want to

1089

00:52:02,770 --> 00:52:01,010

know that this is something from you

1090

00:52:05,800 --> 00:52:02,780

that's a juicy tidbit that I can

1091

00:52:09,580 --> 00:52:05,810

implement my life and create that which

1092

00:52:12,130 --> 00:52:09,590

brings me joy oh yeah it is it is that

1093

00:52:13,600 --> 00:52:12,140

simple it really is the one thing to

1094

00:52:16,780 --> 00:52:13,610

think about cuz I know a lot of people a

1095

00:52:18,340 --> 00:52:16,790

lot of my clients and students

1096

00:52:21,130 --> 00:52:18,350

are worried that well what if I make

1097

00:52:22,360 --> 00:52:21,140

mistake what if what if I think it's got

1098

00:52:24,580 --> 00:52:22,370

you know what if I think the message is

1099

00:52:27,070 --> 00:52:24,590

from an angel but it's really not some

1100

00:52:28,390 --> 00:52:27,080

of us get really worried of you know

1101
00:52:30,430 --> 00:52:28,400
about negative energies that kind of

1102
00:52:33,370 --> 00:52:30,440
thing and I always remind people angels

1103
00:52:36,490 --> 00:52:33,380
are always loving they're always always

1104
00:52:39,640 --> 00:52:36,500
loving they will always be gentle they

1105
00:52:41,020 --> 00:52:39,650
will always love you if they ever you

1106
00:52:42,940 --> 00:52:41,030
know if you ever feeling like there's a

1107
00:52:45,520 --> 00:52:42,950
message of oh you should really you know

1108
00:52:48,340 --> 00:52:45,530
take revenge on someone well an angel

1109
00:52:50,620 --> 00:52:48,350
would never say that so the angels are

1110
00:52:52,540 --> 00:52:50,630
consistently loving they're very patient

1111
00:52:54,250 --> 00:52:52,550
for example if they're advising you to

1112
00:52:56,020 --> 00:52:54,260
make a good health change like maybe

1113
00:52:58,510 --> 00:52:56,030

you've been smoking and they want to

1114

00:53:00,700 --> 00:52:58,520

tell you you know probably stop smoking

1115

00:53:02,500 --> 00:53:00,710

they're not going to criticize you

1116

00:53:04,120 --> 00:53:02,510

harshly for smoking they're not going to

1117

00:53:07,350 --> 00:53:04,130

make you feel bad they'll probably say

1118

00:53:10,300 --> 00:53:07,360

something like dear one we love you and

1119

00:53:12,610 --> 00:53:10,310

we know that you would enjoy a healthier

1120

00:53:14,890 --> 00:53:12,620

body and healthier experience with your

1121

00:53:17,200 --> 00:53:14,900

body if you gave up smoking so let us

1122

00:53:20,500 --> 00:53:17,210

help you give up smoking they would

1123

00:53:22,240 --> 00:53:20,510

never judge or criticize so that's

1124

00:53:24,340 --> 00:53:22,250

something to think in or keys keep in

1125

00:53:26,950 --> 00:53:24,350

mind too and you know honestly sometimes

1126

00:53:29,170 --> 00:53:26,960

we are so harsh with our own criticism

1127

00:53:31,300 --> 00:53:29,180

of ourselves but sometimes we are not

1128

00:53:32,890 --> 00:53:31,310

equipped to hear such loving and gentle

1129

00:53:35,380 --> 00:53:32,900

messages from our angels so we have to

1130

00:53:38,290 --> 00:53:35,390

be open to the idea that someone would

1131

00:53:40,480 --> 00:53:38,300

love us and we have to do nothing in

1132

00:53:42,880 --> 00:53:40,490

return we can just accept their love so

1133

00:53:47,380 --> 00:53:42,890

sometimes we just have to be open to the

1134

00:53:49,960 --> 00:53:47,390

idea that such love exists knowing what

1135

00:53:53,290 --> 00:53:49,970

I know having had the experiences I've

1136

00:53:55,300 --> 00:53:53,300

had aliens aboard their craft hanging

1137

00:53:58,300 --> 00:53:55,310

out with an alien-human hybrid for four

1138

00:54:01,470 --> 00:53:58,310

years who was in my every fiber of my

1139

00:54:04,450 --> 00:54:01,480

being no doubt is who he says he is

1140

00:54:06,760 --> 00:54:04,460

having experiences with divine avatars

1141

00:54:08,170 --> 00:54:06,770

getting messages in my sleep come to

1142

00:54:09,790 --> 00:54:08,180

India two weeks later I get a phone call

1143

00:54:12,070 --> 00:54:09,800

from someone I never met giving me a

1144

00:54:14,140 --> 00:54:12,080

first class round trip ticket to India

1145

00:54:16,720 --> 00:54:14,150

to go see the divine man that invited me

1146

00:54:18,730 --> 00:54:16,730

to his ashram in a dream these kinds of

1147

00:54:23,460 --> 00:54:18,740

things I am blessed to say I've had that

1148

00:54:27,130 --> 00:54:23,470

being said I still find myself in

1149

00:54:28,960 --> 00:54:27,140

situations of doubt it's seems that Wow

1150

00:54:30,520 --> 00:54:28,970

eat you really had all these experience

1151

00:54:33,610 --> 00:54:30,530

how can doubt ever be pressed

1152

00:54:36,070 --> 00:54:33,620

it's part of the human process and you

1153

00:54:40,530 --> 00:54:36,080

know I still have phantom well let me

1154

00:54:44,680 --> 00:54:40,540

make that's not so affirming I've had

1155

00:54:46,870 --> 00:54:44,690

recently don't you know and and of

1156

00:54:49,630 --> 00:54:46,880

course it what follows that doubt is

1157

00:54:52,540 --> 00:54:49,640

come on now Keith you've had the

1158

00:54:53,950 --> 00:54:52,550

opportunity to be blown wide open seeing

1159

00:54:56,470 --> 00:54:53,960

the birth of creation while I was in

1160

00:54:59,410 --> 00:54:56,480

India by Sathya Sai Baba touching me on

1161

00:55:03,630 --> 00:54:59,420

my hand giving him a prayer bead to

1162

00:55:06,340 --> 00:55:03,640

bless a japa mala but yet these um

1163

00:55:10,990 --> 00:55:06,350

energies of doubt still want to creep in

1164

00:55:12,880 --> 00:55:11,000

any and so when we connect to higher

1165

00:55:15,670 --> 00:55:12,890

energies higher consciousness the divine

1166

00:55:19,810 --> 00:55:15,680

language how does one begin the process

1167

00:55:22,570 --> 00:55:19,820

of removing that doubt that seems to

1168

00:55:25,150 --> 00:55:22,580

want to always crop up when we truly

1169

00:55:27,300 --> 00:55:25,160

truly want to believe that our

1170

00:55:31,300 --> 00:55:27,310

intentions to make that connection is

1171

00:55:33,670 --> 00:55:31,310

happening well I'll share with you what

1172

00:55:36,310 --> 00:55:33,680

what has worked for me especially early

1173

00:55:39,700 --> 00:55:36,320

on my path because I was raised

1174

00:55:44,350 --> 00:55:39,710

Christian Protestant and pretty strict

1175

00:55:47,080 --> 00:55:44,360

form of Lutheran and it you know some of

1176

00:55:48,880 --> 00:55:47,090

this stuff is just really not accepted

1177

00:55:51,630 --> 00:55:48,890

from the faith tradition I grew up in

1178

00:55:56,200 --> 00:55:51,640

and so as things were starting to happen

1179

00:55:59,500 --> 00:55:56,210

to me got into the energy healing which

1180

00:56:02,410 --> 00:55:59,510

is Taoist and philosophy and kind of

1181

00:56:04,840 --> 00:56:02,420

pulling in aspects of eastern thought

1182

00:56:07,090 --> 00:56:04,850

like past lives and this idea that you

1183

00:56:10,030 --> 00:56:07,100

can heal yourself without medicine you

1184

00:56:12,730 --> 00:56:10,040

some of this crazy stuff and then

1185

00:56:16,210 --> 00:56:12,740

working with the angels I thought oh my

1186

00:56:20,950 --> 00:56:16,220

gosh how can I keep my grounding so I

1187

00:56:23,800 --> 00:56:20,960

don't kind of lose myself so I just kind

1188

00:56:26,800 --> 00:56:23,810

of went back to my roots and I looked at

1189

00:56:29,140 --> 00:56:26,810

the fruits of the spirit which shows up

1190

00:56:31,690 --> 00:56:29,150

I think it's in Galatians in the New

1191

00:56:34,810 --> 00:56:31,700

Testament and I rate it talks about when

1192

00:56:36,760 --> 00:56:34,820

you are you know going to use new agey

1193

00:56:39,480 --> 00:56:36,770

wording because I don't remember that

1194

00:56:42,910 --> 00:56:39,490

the text verbatim but when you are in

1195

00:56:44,200 --> 00:56:42,920

communion with God here's all the good

1196

00:56:48,190 --> 00:56:44,210

stuff that starts to have

1197

00:56:50,560 --> 00:56:48,200

too and so I would say so I would look

1198

00:56:53,620 --> 00:56:50,570

back at that and so okay if I pursue

1199

00:56:57,070 --> 00:56:53,630

this energy healing if I pursue working

1200

00:56:58,839 --> 00:56:57,080

with the angels is my is the fruit of my

1201
00:57:02,140 --> 00:56:58,849
spirit is like the fruit coming off my

1202
00:57:03,880 --> 00:57:02,150
tree is it better or is it worse am I

1203
00:57:08,910 --> 00:57:03,890
more patient am I more loving and more

1204
00:57:12,490 --> 00:57:08,920
generous tolerant or am i less so I

1205
00:57:14,980 --> 00:57:12,500
found consistently that I was more so so

1206
00:57:16,930 --> 00:57:14,990
I think I was on the right track so for

1207
00:57:18,190 --> 00:57:16,940
me it was helpful to actually go back to

1208
00:57:19,480 --> 00:57:18,200
my roots and I know for some people that

1209
00:57:21,220 --> 00:57:19,490
would be hurtful because they've been

1210
00:57:23,470 --> 00:57:21,230
hurt by conventional religion or

1211
00:57:26,050 --> 00:57:23,480
whatever but for me that was a

1212
00:57:28,390 --> 00:57:26,060
touchstone so whenever I start to doubt

1213
00:57:30,250 --> 00:57:28,400

I would go back to the very basic

1214

00:57:33,849 --> 00:57:30,260

question so these things that are

1215

00:57:38,589 --> 00:57:33,859

happening to me is it making me more

1216

00:57:40,660 --> 00:57:38,599

able to be in service to people or is it

1217

00:57:43,359 --> 00:57:40,670

making me less able or you know whatever

1218

00:57:45,490 --> 00:57:43,369

my value is a mai-mai more patient am I

1219

00:57:47,670 --> 00:57:45,500

better listener am I more forgiving that

1220

00:57:50,349 --> 00:57:47,680

kind of stuff that's what works for me

1221

00:57:51,910 --> 00:57:50,359
