

HEIDI HOLLIS
THE OUTLANDER

Marie D. Jones

1
00:00:08,720 --> 00:00:02,389
you're locked into inception radio

2
00:00:13,610 --> 00:00:08,730
network superior Wisconsin for aliens to

3
00:00:19,609 --> 00:00:13,620
ghosts demons a dream from shadow people

4
00:00:40,430 --> 00:00:19,619
to the Outlands heidi hollis the outlet

5
00:00:45,599 --> 00:00:43,549
welcome welcome everybody to my awesome

6
00:00:48,270 --> 00:00:45,609
friday evening you are listening to me

7
00:00:51,360 --> 00:00:48,280
honey how's the outlander welcome to the

8
00:00:53,700 --> 00:00:51,370
show put your feet up don't put it up on

9
00:00:56,369 --> 00:00:53,710
my table that was okay though huh grab

10
00:00:59,539 --> 00:00:56,379
some popcorn tell a friend oh my god

11
00:01:02,569 --> 00:00:59,549
that girl IDs on she's so awesome I

12
00:01:05,160 --> 00:01:02,579
don't even know I'm talking about so I

13
00:01:07,550 --> 00:01:05,170

kind of tell you guys who do not know

14

00:01:10,920 --> 00:01:07,560

what this shows about this show is about

15

00:01:13,080 --> 00:01:10,930

outlandish topics of course mm-hmm

16

00:01:15,270 --> 00:01:13,090

what's outlandish everything angels

17

00:01:18,389 --> 00:01:15,280

ghosts demons holy encounters shadow

18

00:01:20,940 --> 00:01:18,399

people to Bigfoot to the outlandish I

19

00:01:22,919 --> 00:01:20,950

say if it's weird we're here and now you

20

00:01:26,340 --> 00:01:22,929

are too so you are among friends people

21

00:01:27,930 --> 00:01:26,350

that nice don't you feel good I'll tell

22

00:01:30,539 --> 00:01:27,940

you a little bit about myself if you do

23

00:01:32,490 --> 00:01:30,549

not know who I am that's a shame it's

24

00:01:35,580 --> 00:01:32,500

really a shame but when it comes to the

25

00:01:37,949 --> 00:01:35,590

outlandish from visions of Jesus's to

26
00:01:39,600 --> 00:01:37,959
naming the shadow people I'm someone who

27
00:01:41,219 --> 00:01:39,610
has been there seen that experienced it

28
00:01:43,889 --> 00:01:41,229
freaked out phone some answers wrote

29
00:01:45,449 --> 00:01:43,899
about it got over it and now I'm hoping

30
00:01:48,949 --> 00:01:45,459
to help others do the same darn thing

31
00:01:52,559 --> 00:01:48,959
and understand this various various and

32
00:01:55,529 --> 00:01:52,569
widely strange world of ours if you want

33
00:01:58,650 --> 00:01:55,539
go to my main website which is heidi

34
00:02:01,559 --> 00:01:58,660
hollis calm just sound it out it's yeah

35
00:02:04,800 --> 00:02:01,569
mm-hmm it's a german idhe is I've had

36
00:02:08,669 --> 00:02:04,810
people spell it hide I and he D and it's

37
00:02:10,740 --> 00:02:08,679
very interesting but um my website you

38
00:02:14,220 --> 00:02:10,750

will see a gallery of alien shadow

39

00:02:17,699 --> 00:02:14,230

people youtube anything and everything

40

00:02:20,190 --> 00:02:17,709

and i want to tell you guys this network

41

00:02:24,420 --> 00:02:20,200

that i am on has some fantastic ways to

42

00:02:26,550 --> 00:02:24,430

hear the show get the irn app inception

43

00:02:28,199 --> 00:02:26,560

radio network app and my goodness you

44

00:02:30,059 --> 00:02:28,209

could just like hear me everywhere i

45

00:02:32,040 --> 00:02:30,069

love when it gets his emails for people

46

00:02:36,479 --> 00:02:32,050

like i feel asleep listening to like

47

00:02:39,300 --> 00:02:36,489

five hours of you i'm like cool that's a

48

00:02:42,240 --> 00:02:39,310

good thing or you could also just dial a

49

00:02:46,140 --> 00:02:42,250

number this how my parents listen 401

50

00:02:48,059 --> 00:02:46,150

283 6700 imeem just dial a number like

51
00:02:50,190 --> 00:02:48,069
say you're not close to any place that

52
00:02:52,500 --> 00:02:50,200
you could hear me just do that and then

53
00:02:53,160 --> 00:02:52,510
that's nice isn't it and I also want to

54
00:02:56,160 --> 00:02:53,170
let you guys know

55
00:02:57,990 --> 00:02:56,170
that you can join me in the chat room

56
00:03:00,210 --> 00:02:58,000
I'm in the chat room hello everybody how

57
00:03:03,120 --> 00:03:00,220
you doing every sweeping hello I see

58
00:03:08,580 --> 00:03:03,130
them they can also feel free to call it

59
00:03:10,949 --> 00:03:08,590
to the show 1 888 919 2355 or if you

60
00:03:12,930 --> 00:03:10,959
want you can even just skype your

61
00:03:14,880 --> 00:03:12,940
comments and questions to inception

62
00:03:16,229 --> 00:03:14,890
radio network one skype and just type

63
00:03:19,559 --> 00:03:16,239

that in and you will find us and that

64

00:03:23,610 --> 00:03:19,569

kool mmhmm yep MJ's here he's working

65

00:03:26,729 --> 00:03:23,620

the the production tonight so yay he'll

66

00:03:28,470 --> 00:03:26,739

be able to tell us what is going on if

67

00:03:31,320 --> 00:03:28,480

anybody's chattering out there it's all

68

00:03:32,460 --> 00:03:31,330

good it's all good now i want to tell

69

00:03:34,650 --> 00:03:32,470

you guys something you know at the

70

00:03:36,600 --> 00:03:34,660

beginning of all my shows I always do

71

00:03:40,050 --> 00:03:36,610

something called here comes my special

72

00:03:41,789 --> 00:03:40,060

effects the outlandish corner oh yeah

73

00:03:43,320 --> 00:03:41,799

that's spooky sounding isn't it

74

00:03:46,410 --> 00:03:43,330

outlandish corner what is outlandish

75

00:03:48,479 --> 00:03:46,420

corner this is where I take your emails

76

00:03:51,300 --> 00:03:48,489

about anything that you've experienced

77

00:03:53,970 --> 00:03:51,310

out there I don't care what is happening

78

00:03:56,309 --> 00:03:53,980

I mean I'm not a guru I'm not a psychic

79

00:03:57,870 --> 00:03:56,319

I again I'm just somebody has dealt with

80

00:04:00,509 --> 00:03:57,880

a lot of stuff and wrote about a lot of

81

00:04:02,130 --> 00:04:00,519

stuff and you know just kind of level

82

00:04:05,099 --> 00:04:02,140

headed and approaching this stuff and

83

00:04:07,080 --> 00:04:05,109

yeah so feel free to write me I don't

84

00:04:09,120 --> 00:04:07,090

care what it is and we will just go

85

00:04:12,030 --> 00:04:09,130

there i will read this stuff off and i

86

00:04:14,520 --> 00:04:12,040

will give you some advice as I figure it

87

00:04:18,390 --> 00:04:14,530

out as we go along and I don't generally

88

00:04:19,920 --> 00:04:18,400

read the emails so um it makes for a lot

89

00:04:21,569 --> 00:04:19,930

of fun and meet like doing a lot of

90

00:04:25,440 --> 00:04:21,579

editing as I'm going along because

91

00:04:27,390 --> 00:04:25,450

people swear a lot go figure I don't get

92

00:04:29,340 --> 00:04:27,400

it you see Bigfoot your living room and

93

00:04:33,450 --> 00:04:29,350

you're gonna put an effort and the email

94

00:04:36,060 --> 00:04:33,460

okay so yeah I understand that um so I

95

00:04:39,990 --> 00:04:36,070

welcome you guys to feel free to write

96

00:04:41,850 --> 00:04:40,000

me at dusk Outlander @ gmail.com or go

97

00:04:44,070 --> 00:04:41,860

to my facebook page just put a one in

98

00:04:47,130 --> 00:04:44,080

front of heidi hollis or go to Twitter

99

00:04:49,320 --> 00:04:47,140

and at one heidi hollis as well send me

100

00:04:51,390 --> 00:04:49,330

your questions and your stories that's I

101

00:04:54,360 --> 00:04:51,400

dig it it's it's all good it really is

102

00:04:56,430 --> 00:04:54,370

so um and you know what I have an

103

00:04:59,010 --> 00:04:56,440

awesome awesome guest this evening who

104

00:05:00,930 --> 00:04:59,020

has also written a ton of books on

105

00:05:04,350 --> 00:05:00,940

anything and everything odd and I will

106

00:05:05,880 --> 00:05:04,360

officially introduce her after we do the

107

00:05:06,660 --> 00:05:05,890

outlandish corner together how about

108

00:05:09,240 --> 00:05:06,670

that

109

00:05:12,080 --> 00:05:09,250

have marie d jones here woohoo hey Marie

110

00:05:19,430 --> 00:05:12,090

how you doing did you just call me off

111

00:05:22,200 --> 00:05:19,440

ha no not really that's a compliment

112

00:05:24,000 --> 00:05:22,210

it's all good you and I are going to

113

00:05:26,610 --> 00:05:24,010

delve into the outlandish corner here

114

00:05:28,650 --> 00:05:26,620

tonight together and I'm gonna I'm just

115

00:05:30,510 --> 00:05:28,660

gonna like dig into this magic purple

116

00:05:33,150 --> 00:05:30,520

fuzzy hat and I'm gonna just read

117

00:05:35,580 --> 00:05:33,160

something off here and let's just throw

118

00:05:38,430 --> 00:05:35,590

our our pieces of advice at it how about

119

00:05:40,950 --> 00:05:38,440

that Marie is that cool alright okay

120

00:05:42,690 --> 00:05:40,960

alright okay that oh this is this is

121

00:05:45,180 --> 00:05:42,700

funny cuz somebody like already spelled

122

00:05:48,420 --> 00:05:45,190

my name funny its hide I move this body

123

00:05:50,940 --> 00:05:48,430

yeah and they call me dear Miss hide I

124

00:05:55,590 --> 00:05:50,950

that's it looks very formal and love it

125

00:05:58,170 --> 00:05:55,600

okay so here we go here we go Marie dear

126

00:05:59,910 --> 00:05:58,180

Miss hide I I would be willing to pay

127

00:06:02,130 --> 00:05:59,920

for your time for a counseling phone

128

00:06:04,860 --> 00:06:02,140

call mmm don't have it for free i'm

129

00:06:08,430 --> 00:06:04,870

doing it right now um I'm feeling a call

130

00:06:12,360 --> 00:06:08,440

to practice love and light anchoring

131

00:06:15,180 --> 00:06:12,370

ceremony specifically on satanic ritual

132

00:06:17,340 --> 00:06:15,190

cycles hmm I've been looking at two

133

00:06:21,000 --> 00:06:17,350

white magic but honestly it does not

134

00:06:23,520 --> 00:06:21,010

feel right I do not buy it okay i am a

135

00:06:25,440 --> 00:06:23,530

yogini for 25 years now i have been

136

00:06:28,560 --> 00:06:25,450

having visions for years leading me into

137

00:06:31,110 --> 00:06:28,570

this direction i did have a demonic

138

00:06:33,930 --> 00:06:31,120

infestation in my apartment it did

139

00:06:36,270 --> 00:06:33,940

battle with unseen demon that were

140

00:06:39,720 --> 00:06:36,280

eventually removed from the invocation

141

00:06:42,270 --> 00:06:39,730

of Lord Jesus Christ amen brother okay I

142

00:06:45,210 --> 00:06:42,280

am an absolute believer and Lord

143

00:06:47,610 --> 00:06:45,220

Christ's divinity your interview on

144

00:06:50,880 --> 00:06:47,620

coast to coast am was helpful to my

145

00:06:52,680 --> 00:06:50,890

realization that's cool this entity did

146

00:06:55,440 --> 00:06:52,690

try to possess me I was suddenly

147

00:06:57,990 --> 00:06:55,450

awakened with a scream for myself whoo

148

00:07:02,130 --> 00:06:58,000

that gives me chills with an extreme

149

00:07:06,180 --> 00:07:02,140

feeling of invasion and me screaming no

150

00:07:10,040 --> 00:07:06,190

and knew it was on the ceiling ah ok I

151

00:07:17,430 --> 00:07:13,980

feeling yeah no that's just not cool I

152

00:07:19,540 --> 00:07:17,440

mean maybe it's a plant but okay it

153

00:07:21,880 --> 00:07:19,550

continues I am nervous

154

00:07:24,520 --> 00:07:21,890

about this calling I do not take it

155

00:07:26,410 --> 00:07:24,530

lightly I know that it is a serious

156

00:07:28,990 --> 00:07:26,420

request but i also know through visions

157

00:07:31,480 --> 00:07:29,000

that even a few of the love and light

158

00:07:34,600 --> 00:07:31,490

vibration can offset the many evil

159

00:07:36,760 --> 00:07:34,610

selfishness so far my plan is to sit in

160

00:07:39,490 --> 00:07:36,770

meditation with God in spirit and see

161

00:07:41,470 --> 00:07:39,500

what I am directed to do what advice our

162

00:07:46,900 --> 00:07:41,480

direction do you have I trust your

163

00:07:48,460 --> 00:07:46,910

opinion Mohini mmm interesting okay I'm

164

00:07:52,690 --> 00:07:48,470

gonna take a stab first Murray okay oh

165

00:07:55,420 --> 00:07:52,700

yeah okay okay alright so so this is

166

00:07:59,800 --> 00:07:55,430

cool I think this is awesome I mean to

167

00:08:02,590 --> 00:07:59,810

feel drawn to something positive I don't

168

00:08:05,590 --> 00:08:02,600

quite know what love light anchoring

169

00:08:08,200 --> 00:08:05,600

ceremonies reflecting on satanic ritual

170

00:08:11,110 --> 00:08:08,210

cycles is about I don't get that but

171

00:08:14,110 --> 00:08:11,120

white magic that word magic always makes

172

00:08:17,260 --> 00:08:14,120

me a little nervous and the sensors out

173

00:08:19,060 --> 00:08:17,270

there I think um it's so it's like magic

174

00:08:21,040 --> 00:08:19,070

it's like even like the sensors hey

175

00:08:22,720 --> 00:08:21,050

Harry Potter of the Christian sensors I

176
00:08:26,590 --> 00:08:22,730
should say because they say well you

177
00:08:29,380 --> 00:08:26,600
know magic is all dark um but i don't i

178
00:08:30,910 --> 00:08:29,390
don't really like magic so to speak

179
00:08:32,710 --> 00:08:30,920
either because it's like you're invoking

180
00:08:34,960 --> 00:08:32,720
somebody to do something against their

181
00:08:38,380 --> 00:08:34,970
own will or to encourage something in

182
00:08:39,760 --> 00:08:38,390
the wrong way or in a positive way even

183
00:08:43,090 --> 00:08:39,770
but it's still against somebody's will

184
00:08:44,920 --> 00:08:43,100
so I'm it when it comes to you the more

185
00:08:47,440 --> 00:08:44,930
positive stuff you know Lord Christ's

186
00:08:49,660 --> 00:08:47,450
divinity hey you know prayer that's

187
00:08:51,760 --> 00:08:49,670
that's pretty magical right there so I

188
00:08:54,100 --> 00:08:51,770

say go with the flow of that mahinian

189

00:08:55,570 --> 00:08:54,110

you know live it up and follow your

190

00:08:58,210 --> 00:08:55,580

heart i think i think we're born with

191

00:09:01,960 --> 00:08:58,220

that gut instinct for a reason to follow

192

00:09:05,140 --> 00:09:01,970

a path and it you're feeling drawn to it

193

00:09:06,970 --> 00:09:05,150

25 years it's pulling you that way you

194

00:09:09,430 --> 00:09:06,980

know there's nobody on this green earth

195

00:09:12,310 --> 00:09:09,440

that can say do this because i said so

196

00:09:17,140 --> 00:09:12,320

and anybody that does say they know all

197

00:09:19,480 --> 00:09:17,150

the answers run mohandie just run so

198

00:09:22,780 --> 00:09:19,490

Marie what's your what's your pick on

199

00:09:25,360 --> 00:09:22,790

that I think she answered her own

200

00:09:29,230 --> 00:09:25,370

question I mean she really already knows

201
00:09:31,390 --> 00:09:29,240
in her heart from this from what she's

202
00:09:32,809 --> 00:09:31,400
been doing all along for so many years

203
00:09:38,150 --> 00:09:32,819
and

204
00:09:39,829 --> 00:09:38,160
whenever you get a situation like that

205
00:09:43,879 --> 00:09:39,839
something's best to trust your heart

206
00:09:46,249 --> 00:09:43,889
trust your gut and what comes natural to

207
00:09:48,229 --> 00:09:46,259
you it's no trying to be somebody else

208
00:09:51,289 --> 00:09:48,239
or do something that you think you

209
00:09:54,679 --> 00:09:51,299
should do take your own gifts in your

210
00:09:56,719 --> 00:09:54,689
own talents and use those if your goal

211
00:09:58,819 --> 00:09:56,729
is to spread more light and love in the

212
00:10:01,549 --> 00:09:58,829
world you know you've got built-in

213
00:10:03,019 --> 00:10:01,559

inherent gifts and talents and obviously

214

00:10:05,749 --> 00:10:03,029

it's something she's been using them for

215

00:10:06,979 --> 00:10:05,759

a long time so like you said it's just

216

00:10:09,619 --> 00:10:06,989

kind of go with what you're already

217

00:10:13,099 --> 00:10:09,629

doing and don't try to you don't have to

218

00:10:15,369 --> 00:10:13,109

label or categorize it just it's your

219

00:10:19,099 --> 00:10:15,379

own authenticity that is going to be a

220

00:10:21,129 --> 00:10:19,109

fool you have to change yourself to

221

00:10:24,769 --> 00:10:21,139

change others to change the situation

222

00:10:27,199 --> 00:10:24,779

right right yeah I feel you on that too

223

00:10:28,489 --> 00:10:27,209

i mean it's spooky to think that you

224

00:10:30,559 --> 00:10:28,499

know they they were dealing with

225

00:10:32,539 --> 00:10:30,569

something demonic but apparently you

226

00:10:40,129 --> 00:10:32,549

know Jesus cleaned the house there for

227

00:10:41,840 --> 00:10:40,139

him so yay yeah yeah I mean shoot that

228

00:10:44,569 --> 00:10:41,850

that was that was an interesting one

229

00:10:47,960 --> 00:10:44,579

mohini go go with the flow do your thing

230

00:10:50,599 --> 00:10:47,970

and let rameau heaney mojo go that was

231

00:10:52,909 --> 00:10:50,609

monkey energy there you go there he go

232

00:10:54,649 --> 00:10:52,919

black so what I hope this was helpful

233

00:10:57,889 --> 00:10:54,659

for you Mohini we're gonna move on to

234

00:11:02,629 --> 00:10:57,899

the next one all right dear Heidi that's

235

00:11:04,849 --> 00:11:02,639

me in 2011 I attempted to kill myself oh

236

00:11:07,849 --> 00:11:04,859

that's horrible it was brought back all

237

00:11:09,439 --> 00:11:07,859

three times goodness three times all

238

00:11:11,869 --> 00:11:09,449

three times that I passed away ever

239

00:11:13,759 --> 00:11:11,879

since that time I've seen and felt vibes

240

00:11:18,019 --> 00:11:13,769

from some things that usually end up

241

00:11:19,849 --> 00:11:18,029

being a shadow person or a ghost ah now

242

00:11:22,009 --> 00:11:19,859

the reason why I don't think they're the

243

00:11:23,960 --> 00:11:22,019

same is because of the different

244

00:11:26,629 --> 00:11:23,970

feelings I get from them shadow people

245

00:11:28,489 --> 00:11:26,639

vibes are always bad and to me always

246

00:11:30,919 --> 00:11:28,499

have a changing color around them where

247

00:11:35,379 --> 00:11:30,929

ghosts are just like passing through the

248

00:11:37,309 --> 00:11:35,389

area from a young age I was labeled

249

00:11:40,340 --> 00:11:37,319

hypersensitive and prone to feel

250

00:11:43,399 --> 00:11:40,350

people's vibes to the people and became

251
00:11:44,879 --> 00:11:43,409
an agoraphobic because of the amount of

252
00:11:47,699 --> 00:11:44,889
feelings I was taking in

253
00:11:50,220 --> 00:11:47,709
that's what led me to the 2011 suicide

254
00:11:53,340 --> 00:11:50,230
attempt that then made me open to other

255
00:11:55,530 --> 00:11:53,350
things so I'm learning to live with the

256
00:11:58,349 --> 00:11:55,540
changes I have to make in my life to

257
00:12:00,269 --> 00:11:58,359
feel safe with not much luck but I

258
00:12:03,749 --> 00:12:00,279
wanted to send you a picture I took I

259
00:12:06,449 --> 00:12:03,759
don't see a picture here what to see if

260
00:12:09,840 --> 00:12:06,459
you see what I see I for some reason I

261
00:12:12,809 --> 00:12:09,850
find graveyards very calming and visit

262
00:12:15,689 --> 00:12:12,819
many in this picture was taken at one

263
00:12:17,789 --> 00:12:15,699

that is one that is not so comforting so

264

00:12:19,710 --> 00:12:17,799

I hope you can see it it's kind of lower

265

00:12:21,119 --> 00:12:19,720

center against the stone would probably

266

00:12:23,789 --> 00:12:21,129

have to zoom in a little tell me what

267

00:12:26,749 --> 00:12:23,799

you think east well he's I'm sorry but

268

00:12:31,979 --> 00:12:26,759

there was nothing attached to the email

269

00:12:35,519 --> 00:12:31,989

anything here but thanks for the thought

270

00:12:37,259 --> 00:12:35,529

um I don't know anybody named Heath I

271

00:12:39,119 --> 00:12:37,269

liked Heath Ledger the actor but that's

272

00:12:43,379 --> 00:12:39,129

that's an interesting name and I like

273

00:12:46,220 --> 00:12:43,389

the candy bar um it weighs 2011 haven't

274

00:12:50,069 --> 00:12:46,230

tried to kill yourself you know I

275

00:12:52,889 --> 00:12:50,079

understand that hypersensitivity to

276

00:12:55,439 --> 00:12:52,899

other people's feelings like I mean

277

00:12:57,869 --> 00:12:55,449

there are such people that i will call

278

00:13:00,720 --> 00:12:57,879

energy vampires and those who dumped

279

00:13:02,069 --> 00:13:00,730

upon you and oh don't you know what i'm

280

00:13:06,090 --> 00:13:02,079

talking about marine isn't that like I

281

00:13:08,669 --> 00:13:06,100

was like a lot of this oh gosh you feel

282

00:13:11,429 --> 00:13:08,679

it it's heavy in the room and you could

283

00:13:14,729 --> 00:13:11,439

come in perky as heck and these e yours

284

00:13:17,909 --> 00:13:14,739

of all the world you don't know who your

285

00:13:21,809 --> 00:13:17,919

is look at when it's too um it's just

286

00:13:23,999 --> 00:13:21,819

like I don't know it's like so downing

287

00:13:25,739 --> 00:13:24,009

and I mean I've had people literally say

288

00:13:27,299 --> 00:13:25,749

to me catch any why you so chipper you

289

00:13:29,039 --> 00:13:27,309

know it's like oh so irritating or

290

00:13:31,679 --> 00:13:29,049

something I'm like um because I'm

291

00:13:34,409 --> 00:13:31,689

breathing I'm having a good time for me

292

00:13:36,659 --> 00:13:34,419

I wish I apologize that I'm not you know

293

00:13:40,379 --> 00:13:36,669

dragging my my knuckles on the ground I

294

00:13:42,900 --> 00:13:40,389

don't know um but I totally understand

295

00:13:45,749 --> 00:13:42,910

that but I also understand people who

296

00:13:47,359 --> 00:13:45,759

have had you know those near death

297

00:13:51,059 --> 00:13:47,369

experiences and they come back with

298

00:13:52,979 --> 00:13:51,069

gifts if you will so I know that's it's

299

00:13:56,129 --> 00:13:52,989

pretty fascinating but I'm sorry I can't

300

00:13:58,440 --> 00:13:56,139

see this this picture but I don't I

301
00:14:00,060 --> 00:13:58,450
don't have any other questions on

302
00:14:02,310 --> 00:14:00,070
email except for look at the picture and

303
00:14:03,510 --> 00:14:02,320
I mean even if there was a picture I

304
00:14:04,800 --> 00:14:03,520
have to say this Marie I don't know if

305
00:14:06,060 --> 00:14:04,810
you get these but like I'll get these

306
00:14:11,700 --> 00:14:06,070
pictures of people like do you see it

307
00:14:14,250 --> 00:14:11,710
and I'm like no I don't see see so ok fo

308
00:14:16,200 --> 00:14:14,260
pits yeah I had people get really

309
00:14:17,760 --> 00:14:16,210
belligerent when I couldn't see anything

310
00:14:20,340 --> 00:14:17,770
and it's like you know what you showed

311
00:14:24,210 --> 00:14:20,350
me your phone its pitch black there's

312
00:14:25,650 --> 00:14:24,220
nothing there and you know people see

313
00:14:27,390 --> 00:14:25,660

what they want to see it's a matter of

314

00:14:30,240 --> 00:14:27,400

perception I guess it's really

315

00:14:34,230 --> 00:14:30,250

interesting that this gal said she was

316

00:14:36,710 --> 00:14:34,240

saved from suicide attempts or death

317

00:14:39,600 --> 00:14:36,720

literally three times i think that's

318

00:14:43,460 --> 00:14:39,610

proof that she needs to stick around and

319

00:14:46,260 --> 00:14:43,470

then her job was not done you know that

320

00:14:49,440 --> 00:14:46,270

something was telling her uh-uh they're

321

00:14:51,150 --> 00:14:49,450

not going anywhere so it there because a

322

00:14:53,250 --> 00:14:51,160

matter of learning how to take your

323

00:14:58,230 --> 00:14:53,260

ultra sensitivity to the world around

324

00:14:59,820 --> 00:14:58,240

you and treated as a gift but also find

325

00:15:01,890 --> 00:14:59,830

a way to shield yourself from the

326

00:15:04,020 --> 00:15:01,900

negative energy sort of build a little

327

00:15:07,050 --> 00:15:04,030

invisible shield around yourself to be

328

00:15:09,450 --> 00:15:07,060

able to deflect all the BS of which we

329

00:15:12,780 --> 00:15:09,460

know there is so so much out there to

330

00:15:14,880 --> 00:15:12,790

deflect but just you know again that's a

331

00:15:18,810 --> 00:15:14,890

gift just like the other game with such

332

00:15:22,470 --> 00:15:18,820

a gift right right a lot of people are

333

00:15:24,470 --> 00:15:22,480

afraid of those gifts they're rare and I

334

00:15:28,410 --> 00:15:24,480

think it does take a little bit of

335

00:15:30,600 --> 00:15:28,420

practice to try to you know know what

336

00:15:34,320 --> 00:15:30,610

kind of entities or whatever kind of

337

00:15:38,430 --> 00:15:34,330

energies to avoid and which ones to sort

338

00:15:40,980 --> 00:15:38,440

of embrace or allow it your space it's

339

00:15:44,370 --> 00:15:40,990

fine I don't have those problems I had

340

00:15:46,770 --> 00:15:44,380

nothing ever happens to owe really

341

00:15:49,740 --> 00:15:46,780

you're lucky I mean I've had things

342

00:15:53,250 --> 00:15:49,750

happen but I'm always in such awe of

343

00:15:54,600 --> 00:15:53,260

people that you know they say all these

344

00:16:00,330 --> 00:15:54,610

things have to me all the time I'm

345

00:16:04,290 --> 00:16:00,340

thinking what am i a freak are you well

346

00:16:05,940 --> 00:16:04,300

I guess it would save that you are more

347

00:16:07,920 --> 00:16:05,950

paranormal because I think it's more

348

00:16:11,129 --> 00:16:07,930

normal that people now are seeing things

349

00:16:13,400 --> 00:16:11,139

it's like the veil is growing thin some

350

00:16:16,710 --> 00:16:13,410

shock the fence time on the other side

351

00:16:19,679 --> 00:16:16,720

exactly holy smokes holy cannoli well

352

00:16:21,499 --> 00:16:19,689

yeah that's that's interesting but that

353

00:16:24,749 --> 00:16:21,509

was good advice though I you know to

354

00:16:26,369 --> 00:16:24,759

find a way to protect oneself from these

355

00:16:28,949 --> 00:16:26,379

more you know if you're super-sensitive

356

00:16:31,470 --> 00:16:28,959

you do have to build up you know a wall

357

00:16:34,429 --> 00:16:31,480

of some sort that's not just for the

358

00:16:38,159 --> 00:16:34,439

entities that's for other people yes I

359

00:16:40,619 --> 00:16:38,169

mean really isn't that the truth I mean

360

00:16:43,319 --> 00:16:40,629

oh my gosh I mean the idea of shadow

361

00:16:46,139 --> 00:16:43,329

people is this frightening but tell you

362

00:16:51,960 --> 00:16:46,149

the truth I think I'm more concerned

363

00:16:55,259 --> 00:16:51,970

with you know my fellow humans they were

364

00:16:57,419 --> 00:16:55,269

cheap from you oh my goodness yeah I

365

00:17:00,239 --> 00:16:57,429

totally gets it you know I always tell

366

00:17:03,659 --> 00:17:00,249

people give me the biggest bad as nasty

367

00:17:06,269 --> 00:17:03,669

as stinky rotten alien instead of a

368

00:17:09,600 --> 00:17:06,279

ghost you know because I get to be a

369

00:17:14,100 --> 00:17:09,610

human yeah they still may have this

370

00:17:15,629 --> 00:17:14,110

human traits that yeah yeah yeah why

371

00:17:19,379 --> 00:17:15,639

don't you take this with you to that

372

00:17:20,610 --> 00:17:19,389

first oh yeah exactly oh my gosh yeah

373

00:17:22,590 --> 00:17:20,620

and I'm totally on board with that

374

00:17:25,019 --> 00:17:22,600

alright so we're gonna move on to the

375

00:17:26,970 --> 00:17:25,029

next one Thank You Heath for that lovely

376

00:17:30,240 --> 00:17:26,980

little email I've got another little

377

00:17:31,759 --> 00:17:30,250

doozy it says dear Heidi here's my story

378

00:17:34,289 --> 00:17:31,769

I've been waiting to share with you I

379

00:17:38,220 --> 00:17:34,299

went to California for my nephew's

380

00:17:42,180 --> 00:17:38,230

wedding up I love this with people don't

381

00:17:45,590 --> 00:17:42,190

edit for my nephew's wedding a purple of

382

00:17:49,310 --> 00:17:45,600

months ago a couple of months ago a

383

00:17:52,320 --> 00:17:49,320

purple okay I'm purple a month ago uh

384

00:17:54,539 --> 00:17:52,330

following day of the wedding we got

385

00:17:56,820 --> 00:17:54,549

together my brother-in-law's house on my

386

00:17:58,889 --> 00:17:56,830

last visit I had shared some stories of

387

00:18:01,019 --> 00:17:58,899

the strange and unknown that lurks out

388

00:18:02,460 --> 00:18:01,029

there so I'm standing outside by the

389

00:18:03,899 --> 00:18:02,470

grill keeping an eye out for my

390

00:18:06,240 --> 00:18:03,909

brother-in-law and my nieces boyfriend

391

00:18:08,430 --> 00:18:06,250

approaches me it starts talking to me

392

00:18:11,519 --> 00:18:08,440

about what my niece had shared about my

393

00:18:13,680 --> 00:18:11,529

interest in the world of questions the

394

00:18:16,230 --> 00:18:13,690

world of questions okay he starts

395

00:18:19,289 --> 00:18:16,240

sharing a story about encounters his

396

00:18:22,200 --> 00:18:19,299

sibling in him have had with the shadow

397

00:18:24,180 --> 00:18:22,210

person when it encounters that caught my

398

00:18:24,870 --> 00:18:24,190

attention was when his brother opened

399

00:18:27,480 --> 00:18:24,880

the door

400

00:18:31,110 --> 00:18:27,490

or to his room only to encounter a

401
00:18:33,420 --> 00:18:31,120
shadow standing by his bed his reaction

402
00:18:37,380 --> 00:18:33,430
was to run out of the room a man I'd do

403
00:18:41,370 --> 00:18:37,390
the same and downstairs to safety but

404
00:18:44,820 --> 00:18:41,380
what happened next intrigued me as he

405
00:18:46,980 --> 00:18:44,830
was running down the hall a lady oh my

406
00:18:50,340 --> 00:18:46,990
gosh came through the ceiling of the

407
00:18:53,430 --> 00:18:50,350
hallway and pinned him to the wall oh

408
00:18:57,900 --> 00:18:53,440
boy they're so stealing things yeah the

409
00:19:00,240 --> 00:18:57,910
cousin of the rest he didn't share why I

410
00:19:11,100 --> 00:19:00,250
have no idea well he probably crapped

411
00:19:13,230 --> 00:19:11,110
his pants I'm just a fan what oh land

412
00:19:16,800 --> 00:19:13,240
stuff like that doesn't happen to me you

413
00:19:21,600 --> 00:19:16,810

know yeah we count your lucky stars what

414

00:19:23,280 --> 00:19:21,610

on earth that is um men a woman I gosh I

415

00:19:25,170 --> 00:19:23,290

want more details gotta wanna know more

416

00:19:27,630 --> 00:19:25,180

what happened so the woman sends you

417

00:19:30,660 --> 00:19:27,640

I'll tell you know what is he not

418

00:19:32,310 --> 00:19:30,670

telling than happen yeah then he had to

419

00:19:34,800 --> 00:19:32,320

grab a mop and clean the mess up off the

420

00:19:37,500 --> 00:19:34,810

floor I mean whatever but you know

421

00:19:41,430 --> 00:19:37,510

obviously this woman seemed very solid

422

00:19:43,350 --> 00:19:41,440

in it and it makes you wonder okay so he

423

00:19:45,720 --> 00:19:43,360

sees his big baddie this big shadow

424

00:19:47,610 --> 00:19:45,730

person he bolts he runs down the stairs

425

00:19:50,220 --> 00:19:47,620

and pinned I mean it's like the worst

426

00:19:52,410 --> 00:19:50,230

nightmare you getting tackled you're

427

00:19:54,840 --> 00:19:52,420

trying to run from the monster in the in

428

00:20:00,980 --> 00:19:54,850

the monster has a backup team a little

429

00:20:03,690 --> 00:20:00,990

lady or something when Lady charity I'm

430

00:20:07,280 --> 00:20:03,700

interesting how some of these you know

431

00:20:10,530 --> 00:20:07,290

the shadow person is just sort of a

432

00:20:12,000 --> 00:20:10,540

transparent non physical entity but then

433

00:20:14,490 --> 00:20:12,010

just when you think you're out of the

434

00:20:16,560 --> 00:20:14,500

woods you literally have something

435

00:20:18,930 --> 00:20:16,570

physical that can can literally knock

436

00:20:20,820 --> 00:20:18,940

you down and I don't know if I would

437

00:20:24,480 --> 00:20:20,830

call that a ghost or some kind of

438

00:20:27,510 --> 00:20:24,490

interdimensional sing that is somehow

439

00:20:29,760 --> 00:20:27,520

found the ability to take physical form

440

00:20:32,040 --> 00:20:29,770

in their world and then take it in this

441

00:20:34,560 --> 00:20:32,050

one that is really creepy to think that

442

00:20:37,830 --> 00:20:34,570

yes no you hear about cases now there

443

00:20:38,580 --> 00:20:37,840

were people are hit or pushed or there's

444

00:20:43,200 --> 00:20:38,590

some kind of

445

00:20:45,000 --> 00:20:43,210

physical contact yeah I like those from

446

00:20:46,890 --> 00:20:45,010

the ceiling either through the darn

447

00:20:53,130 --> 00:20:46,900

ceiling it's like you cannot see that

448

00:20:57,779 --> 00:20:53,140

coming no no the blind side oh man hey

449

00:21:00,659 --> 00:20:57,789

does she know I'm to say this hey yeah

450

00:21:03,600 --> 00:21:00,669

that was it under this is an anonymous

451

00:21:06,779 --> 00:21:03,610

email I'm like pls this german people

452

00:21:09,000 --> 00:21:06,789

yes smell give me more we want to know

453

00:21:12,570 --> 00:21:09,010

the rest of the story go and pin your

454

00:21:17,340 --> 00:21:12,580

cousin down and ask hopefully he's okay

455

00:21:20,460 --> 00:21:17,350

oh my goodness well I'm gonna get on to

456

00:21:24,960 --> 00:21:20,470

the next one then cuz I'm jeez I I don't

457

00:21:27,659 --> 00:21:24,970

know what to say okay this one says dear

458

00:21:29,700 --> 00:21:27,669

Heidi about 12 years ago I encountered a

459

00:21:32,370 --> 00:21:29,710

shadow person although I've always

460

00:21:35,370 --> 00:21:32,380

called it a demonic spirit yeah that's

461

00:21:38,639 --> 00:21:35,380

fine you to give you a little background

462

00:21:41,279 --> 00:21:38,649

I'm 32 and I'm a Christian of over 20

463

00:21:43,080 --> 00:21:41,289

years I received Christ at 12 and I'm a

464

00:21:48,060 --> 00:21:43,090

Baptist preacher oh this is getting

465

00:21:49,710 --> 00:21:48,070

juicy Marie ah ok I slept over at my

466

00:21:51,840 --> 00:21:49,720

mom's one night in a room where my

467

00:21:54,360 --> 00:21:51,850

cousin had previously been staying she

468

00:21:56,700 --> 00:21:54,370

was agnostic a troubled teen and had

469

00:21:58,260 --> 00:21:56,710

moved back to stay with her mom I'm not

470

00:21:59,580 --> 00:21:58,270

sure if her staying in the room has

471

00:22:02,279 --> 00:21:59,590

anything to do with the presence of a

472

00:22:05,100 --> 00:22:02,289

shadow person person or not my mom has

473

00:22:07,860 --> 00:22:05,110

since told me she encountered a shadow

474

00:22:10,289 --> 00:22:07,870

person as a child more than once she

475

00:22:12,419 --> 00:22:10,299

also had a troubled childhood it was

476

00:22:15,269 --> 00:22:12,429

night I don't know what time it was and

477

00:22:18,120 --> 00:22:15,279

I lay in bed awake I became aware that

478

00:22:19,500 --> 00:22:18,130

it was very cold I thought it seemed a

479

00:22:22,409 --> 00:22:19,510

lot colder than it should have been

480

00:22:24,690 --> 00:22:22,419

trying to sleep was uncomfortable the

481

00:22:29,210 --> 00:22:24,700

room is small just to the right of the

482

00:22:33,060 --> 00:22:29,220

bed hovering about ceiling height

483

00:22:35,730 --> 00:22:33,070

because this Selig again Marie there's a

484

00:22:37,380 --> 00:22:35,740

comment right here yep what's going on

485

00:22:42,060 --> 00:22:37,390

you say I don't like ceilings

486

00:22:46,260 --> 00:22:42,070

everything's both feelings to feel their

487

00:22:48,240 --> 00:22:46,270

eco ceiling encounters okay says the

488

00:22:50,070 --> 00:22:48,250

room is small just to pop to the right

489

00:22:52,010 --> 00:22:50,080

of the bed hovering about ceiling height

490

00:22:55,130 --> 00:22:52,020

I saw a large he

491

00:23:01,250 --> 00:22:55,140

annoyed shadow with pale white embers

492

00:23:03,500 --> 00:23:01,260

for eyes nasty it appeared very suddenly

493

00:23:06,890 --> 00:23:03,510

and i bristled with fear fully awake in

494

00:23:08,930 --> 00:23:06,900

my mind I said Jesus help me but I

495

00:23:10,850 --> 00:23:08,940

didn't call out I could feel this

496

00:23:14,060 --> 00:23:10,860

sinking feeling as I was seemingly

497

00:23:16,160 --> 00:23:14,070

engulfed in sleep I slept dreamless Lee

498

00:23:18,260 --> 00:23:16,170

for I don't know how long when I came to

499

00:23:20,750 --> 00:23:18,270

I opened my eyes expecting that whatever

500

00:23:25,640 --> 00:23:20,760

I had seen before it was just a dream

501
00:23:29,510 --> 00:23:25,650
but to my astonishment was still

502
00:23:31,550 --> 00:23:29,520
hovering in the same place Oh God worst

503
00:23:35,090 --> 00:23:31,560
nightmare you wake up from the nightmare

504
00:23:38,450 --> 00:23:35,100
in the nightmare stalker oh my gosh for

505
00:23:40,730 --> 00:23:38,460
real okay and this is but it seemed much

506
00:23:43,640 --> 00:23:40,740
less menacing now I was able to regard

507
00:23:47,360 --> 00:23:43,650
it without any fear it was just a big

508
00:23:50,390 --> 00:23:47,370
dark shadow with no legs and broad

509
00:23:58,040 --> 00:23:50,400
shoulders it seemed to drift upwards out

510
00:24:00,770 --> 00:23:58,050
of the ceiling this is too funny I have

511
00:24:02,870 --> 00:24:00,780
always supposed it went away defeated by

512
00:24:05,480 --> 00:24:02,880
some spiritual warfare that took place

513
00:24:07,700 --> 00:24:05,490

while I was out I slept peacefully the

514

00:24:09,980 --> 00:24:07,710

rest of the night until no one for a

515

00:24:12,350 --> 00:24:09,990

long time I have sent read about the

516

00:24:14,630 --> 00:24:12,360

shadow that appeared to one of jobs

517

00:24:17,690 --> 00:24:14,640

friends in the night these shadows are

518

00:24:21,170 --> 00:24:17,700

what I call lying spirits because they

519

00:24:24,110 --> 00:24:21,180

also told job jobs friends truth about

520

00:24:26,690 --> 00:24:24,120

God that were couched that were couched

521

00:24:29,450 --> 00:24:26,700

in lies I've never heard that although I

522

00:24:31,820 --> 00:24:29,460

seemingly saw it with my eyes I still

523

00:24:34,520 --> 00:24:31,830

have never been sure if I perceive the

524

00:24:36,830 --> 00:24:34,530

spirit in my mind or if it had a true

525

00:24:39,440 --> 00:24:36,840

physical form no this helps your

526

00:24:43,090 --> 00:24:39,450

research god bless you Kyle well thank

527

00:24:46,790 --> 00:24:43,100

you kyle god bless you too my goodness

528

00:24:50,450 --> 00:24:46,800

terrifying yeah the stealing thing think

529

00:24:53,090 --> 00:24:50,460

I wonder if people hear about other

530

00:24:55,670 --> 00:24:53,100

shadow people sightings that happen to

531

00:25:00,490 --> 00:24:55,680

have involved the ceiling and it just

532

00:25:03,710 --> 00:25:00,500

becomes some sort of viral you know

533

00:25:04,490 --> 00:25:03,720

mental urban legend in a sense it gets

534

00:25:06,260 --> 00:25:04,500

past or

535

00:25:08,390 --> 00:25:06,270

it's just kind of unusual that you would

536

00:25:11,450 --> 00:25:08,400

hear so much about stefka I mean why

537

00:25:14,390 --> 00:25:11,460

what is what is the point what is the

538

00:25:17,480 --> 00:25:14,400

big deal if something can manifest in

539

00:25:20,300 --> 00:25:17,490

our reality it can certainly do so in

540

00:25:22,370 --> 00:25:20,310

any number of ways but why is it coming

541

00:25:25,010 --> 00:25:22,380

downward from the ceiling maybe that's

542

00:25:27,950 --> 00:25:25,020

scarier to us I don't know it's just

543

00:25:30,320 --> 00:25:27,960

weird it's wild to me you know when it

544

00:25:32,750 --> 00:25:30,330

comes to the shadowpeople topic I mean

545

00:25:36,170 --> 00:25:32,760

this is like totally the thing that I

546

00:25:37,970 --> 00:25:36,180

just cover quite a bit because I I first

547

00:25:42,530 --> 00:25:37,980

put it out there chatting on this stuff

548

00:25:45,920 --> 00:25:42,540

and I was stunned when I got thousands

549

00:25:48,260 --> 00:25:45,930

of emails in response to oh my god you

550

00:25:51,410 --> 00:25:48,270

know I experienced it when did it and

551

00:25:53,300 --> 00:25:51,420

it's and it's like it's interesting to

552

00:25:55,160 --> 00:25:53,310

me because here's this a preacher a

553

00:25:59,020 --> 00:25:55,170

Baptist preacher no less now I know

554

00:26:02,420 --> 00:25:59,030

Baptist um it's don't tolerate

555

00:26:04,970 --> 00:26:02,430

paranormal snow too well oh and they

556

00:26:07,430 --> 00:26:04,980

surely don't talk about this in this

557

00:26:09,380 --> 00:26:07,440

sense so it's like it's interesting to

558

00:26:12,920 --> 00:26:09,390

me that you know this thing came as it

559

00:26:14,930 --> 00:26:12,930

did and you know it stayed there like if

560

00:26:17,210 --> 00:26:14,940

I'm still here I just want to get the

561

00:26:19,460 --> 00:26:17,220

message I didn't wonder to some of these

562

00:26:21,020 --> 00:26:19,470

religious beliefs put that spin on it

563

00:26:23,930 --> 00:26:21,030

where they automatically think it's

564

00:26:25,910 --> 00:26:23,940

demonic because you know if it didn't

565

00:26:28,550 --> 00:26:25,920

hurt the person then to me that's just

566

00:26:31,130 --> 00:26:28,560

neutral I mean there's nothing demonic

567

00:26:33,710 --> 00:26:31,140

necessarily about a shadow person

568

00:26:37,310 --> 00:26:33,720

appearing in your home on your ceiling

569

00:26:39,940 --> 00:26:37,320

ah yes it does something really nasty to

570

00:26:42,350 --> 00:26:39,950

you oh wait you know the demonic thing

571

00:26:45,320 --> 00:26:42,360

yeah I definitely think you hear about

572

00:26:47,570 --> 00:26:45,330

that a lot more for people who have that

573

00:26:49,720 --> 00:26:47,580

the judeo-christian Bonita sir and they

574

00:26:53,180 --> 00:26:49,730

believe in and that's a part of their

575

00:26:55,370 --> 00:26:53,190

spiritual belief system but [h__h] but

576

00:26:57,350 --> 00:26:55,380

it's interesting because that was still

577

00:27:00,110 --> 00:26:57,360

there then it's morning and it was just

578

00:27:03,140 --> 00:27:00,120

a very neutral is that spot on the

579

00:27:05,150 --> 00:27:03,150

ceiling yeah yeah that's what I found

580

00:27:07,670 --> 00:27:05,160

interesting too is like felt you know

581

00:27:09,500 --> 00:27:07,680

menacing and it's not quite a typical

582

00:27:11,990 --> 00:27:09,510

shadow person the shape of it sounds

583

00:27:13,940 --> 00:27:12,000

typical but not the white eyes I don't

584

00:27:16,070 --> 00:27:13,950

hear but that's not a creepy but yeah

585

00:27:17,990 --> 00:27:16,080

yes up to wonder are people mistaking

586

00:27:20,870 --> 00:27:18,000

that

587

00:27:23,510 --> 00:27:20,880

in between state you know between waking

588

00:27:26,330 --> 00:27:23,520

reality and the dream state where

589

00:27:28,460 --> 00:27:26,340

everything seems a bit surreal because

590

00:27:30,590 --> 00:27:28,470

you do have a lot of hallucinations then

591

00:27:32,390 --> 00:27:30,600

you can hear things everything is a

592

00:27:34,700 --> 00:27:32,400

little bit amplified you can have all

593

00:27:36,950 --> 00:27:34,710

kinds of visions but and you're not

594

00:27:38,930 --> 00:27:36,960

quite asleep you're not quite awake so

595

00:27:41,150 --> 00:27:38,940

you know what what I find really

596

00:27:43,760 --> 00:27:41,160

fascinating about that though I've heard

597

00:27:46,580 --> 00:27:43,770

about that a lot but it's like this

598

00:27:48,290 --> 00:27:46,590

happened 12 years ago and a person will

599

00:27:50,330 --> 00:27:48,300

experience something like this and it

600

00:27:53,150 --> 00:27:50,340

will stay with them for a lifetime yeah

601
00:27:55,130 --> 00:27:53,160
I a dream you know it's like hold on

602
00:27:57,740 --> 00:27:55,140
this a whole other level because it's

603
00:27:59,390 --> 00:27:57,750
like yeah it's like you gotta you know

604
00:28:01,070 --> 00:27:59,400
it has a lot more weight to it I think

605
00:28:03,230 --> 00:28:01,080
we have thousands of Dreams in our

606
00:28:05,120 --> 00:28:03,240
lifetime but that when 12 years ago you

607
00:28:09,560 --> 00:28:05,130
know it's like oh there's something to

608
00:28:11,830 --> 00:28:09,570
it is not you have been collecting these

609
00:28:14,030 --> 00:28:11,840
sightings and stories for a long time so

610
00:28:17,930 --> 00:28:14,040
what are you know what are some of the

611
00:28:19,940 --> 00:28:17,940
common things that keep showing up over

612
00:28:22,490 --> 00:28:19,950
and over yeah oh wait it would you know

613
00:28:23,930 --> 00:28:22,500

it's they like to pounce on people when

614

00:28:25,550 --> 00:28:23,940

they're at their most vulnerable so when

615

00:28:28,820 --> 00:28:25,560

they're sleeping so they do like to

616

00:28:30,800 --> 00:28:28,830

creep up and take advantage and it's

617

00:28:32,780 --> 00:28:30,810

it's a horrible thing so it's like it

618

00:28:34,570 --> 00:28:32,790

sounds typical but then it's it's a

619

00:28:36,650 --> 00:28:34,580

little different just the way that it's

620

00:28:39,770 --> 00:28:36,660

appearing as I guess you could say but

621

00:28:41,840 --> 00:28:39,780

we got to get to our first break oh my

622

00:28:43,850 --> 00:28:41,850

goodness listen to me Heidi how is the

623

00:29:15,290 --> 00:28:43,860

Outlander on inception radio network and

624

00:29:21,810 --> 00:29:18,330

you're locked into inception radio

625

00:29:23,100 --> 00:29:21,820

network superior Wisconsin you didn't

626
00:29:25,290 --> 00:29:23,110
forget what's coming up tonight did you

627
00:29:27,660 --> 00:29:25,300
hi inception radio network listeners

628
00:29:29,130 --> 00:29:27,670
this is Amanda never miss that interview

629
00:29:31,560 --> 00:29:29,140
you were looking forward to or the show

630
00:29:34,500 --> 00:29:31,570
on your favorite topic follow irn on

631
00:29:36,750 --> 00:29:34,510
twitter i underscore our underscore and

632
00:29:38,520 --> 00:29:36,760
I get reminders about the evenings live

633
00:29:40,740 --> 00:29:38,530
shows as well as fun and important

634
00:29:43,470 --> 00:29:40,750
updates throughout the week that's i

635
00:29:53,010 --> 00:29:43,480
underscore our underscore n and never

636
00:29:55,830 --> 00:29:53,020
miss a great show again hi Bob tarmac

637
00:29:58,169 --> 00:29:55,840
for MJ's healthy way Tom are you two

638
00:30:01,919 --> 00:29:58,179

fighting as nutrition meal replacements

639

00:30:04,169 --> 00:30:01,929

health shakes keeping your body in good

640

00:30:06,650 --> 00:30:04,179

shape your internal engine going yeah

641

00:30:10,020 --> 00:30:06,660

why do I have a perfect place for you

642

00:30:12,090 --> 00:30:10,030

MJ's healthy wacom they offer the best

643

00:30:13,830 --> 00:30:12,100

service and products and they'll tell

644

00:30:15,960 --> 00:30:13,840

you anything you need to know about any

645

00:30:18,720 --> 00:30:15,970

product they I have to offer I can all

646

00:30:22,040 --> 00:30:18,730

my vitamins meal replacement shakes from

647

00:30:25,770 --> 00:30:22,050

MJ's healthy wacom that spelled MJS

648

00:30:28,770 --> 00:30:25,780

healthy wacom there's so much more the

649

00:30:36,170 --> 00:30:28,780

website go check it out MJ's healthy way

650

00:30:41,760 --> 00:30:38,970

hello inception radio network listeners

651
00:30:43,590 --> 00:30:41,770
this is Amanda remember you can take

652
00:30:45,750 --> 00:30:43,600
your inception radio shows on the go

653
00:30:48,570 --> 00:30:45,760
just download the inception radio

654
00:30:51,180 --> 00:30:48,580
network app for your iPhone iPad or

655
00:30:53,670 --> 00:30:51,190
Android smartphones and access live

656
00:30:56,190 --> 00:30:53,680
shows past shows guest lineups and much

657
00:30:57,960 --> 00:30:56,200
more just visit the itunes store or the

658
00:31:02,670 --> 00:30:57,970
google play marketplace and download it

659
00:31:05,070 --> 00:31:02,680
today for free are you a fan of

660
00:31:06,750 --> 00:31:05,080
inception radio network do you reckon

661
00:31:08,910 --> 00:31:06,760
it's the best alternative talk radio

662
00:31:11,240 --> 00:31:08,920
station on the planet well if you do

663
00:31:15,030 --> 00:31:11,250

head to facebook.com forward slash

664

00:31:16,950 --> 00:31:15,040

conception radio network like page tell

665

00:31:23,280 --> 00:31:16,960

your friends spread the word and keep

666

00:31:25,680 --> 00:31:23,290

listening to the best hello everyone

667

00:31:28,560 --> 00:31:25,690

Lori and Fenton here hosted the

668

00:31:31,080 --> 00:31:28,570

California MUFON radio show asking if

669

00:31:35,190 --> 00:31:31,090

you'd like special access to exclusive

670

00:31:38,880 --> 00:31:35,200

and amazing information about UFOs the

671

00:31:41,520 --> 00:31:38,890

paranormal and all things unexplained if

672

00:31:44,820 --> 00:31:41,530

you're nodding yes then join our ends

673

00:31:47,310 --> 00:31:44,830

insider club as an insider club member

674

00:31:50,190 --> 00:31:47,320

you'll get an all-access pass to premier

675

00:31:52,350 --> 00:31:50,200

inception radio network content for only

676
00:31:55,620 --> 00:31:52,360
four dollars and ninety-nine cents a

677
00:31:58,110 --> 00:31:55,630
month this includes live UFO and

678
00:32:01,770 --> 00:31:58,120
paranormal conferences live streaming

679
00:32:04,910 --> 00:32:01,780
UFO sky watches exclusive I are in radio

680
00:32:07,910 --> 00:32:04,920
and TV productions and of course

681
00:32:10,340 --> 00:32:07,920
Radio with MJ and Ken Storch so don't

682
00:32:14,150 --> 00:32:10,350
wait any longer visit inception radio

683
00:32:17,120 --> 00:32:14,160
network com and click on member login to

684
00:32:21,860 --> 00:32:17,130
join I rn's insider club and get your

685
00:32:23,870 --> 00:32:21,870
VIP access today hello folks heidi

686
00:32:25,700 --> 00:32:23,880
hollis is rocking the airwaves every

687
00:32:27,500 --> 00:32:25,710
friday at nine p.m. eastern right here

688
00:32:29,630 --> 00:32:27,510

on ir in but if you want to learn more

689

00:32:34,370 --> 00:32:29,640

about Heidi check out her amazing

690

00:32:42,560 --> 00:32:34,380

website at WWE Hollis com or I r and

691

00:32:46,750 --> 00:32:42,570

this is MJ aliens to ghosts demons a

692

00:33:12,480 --> 00:32:46,760

jerky from shadow people to the Outlands

693

00:33:17,320 --> 00:33:15,190

welcome back everybody you listen to me

694

00:33:19,539 --> 00:33:17,330

heidi hollis the outlander remembering

695

00:33:21,700 --> 00:33:19,549

always if it's weird we're here and so

696

00:33:23,260 --> 00:33:21,710

are you so stop staring at me okay we're

697

00:33:25,360 --> 00:33:23,270

giving you advice and insight on

698

00:33:29,830 --> 00:33:25,370

outlandish topics phone lines are always

699

00:33:31,510 --> 00:33:29,840

open 1 888 919 2355 but i do realize

700

00:33:33,940 --> 00:33:31,520

that most of you guys listen to us

701

00:33:36,220 --> 00:33:33,950

through the app and not live so it's

702

00:33:37,600 --> 00:33:36,230

okay it's all good I don't mind and I've

703

00:33:40,330 --> 00:33:37,610

got my buddies here in the chat room who

704

00:33:43,149 --> 00:33:40,340

are just applauding like crazy so

705

00:33:45,340 --> 00:33:43,159

anyways just before the break we did the

706

00:33:47,380 --> 00:33:45,350

outlandish corner together me and my

707

00:33:50,710 --> 00:33:47,390

guests marie d jones and i'm going to

708

00:33:52,330 --> 00:33:50,720

now officially introduce her everybody

709

00:33:54,930 --> 00:33:52,340

brace yourselves marie d jones is the

710

00:33:57,130 --> 00:33:54,940

best-selling author of over a dozen

711

00:34:00,039 --> 00:33:57,140

non-fiction books on cutting-edge

712

00:34:02,529 --> 00:34:00,049

science paranormal unknown anomalies and

713

00:34:04,299 --> 00:34:02,539

ancient knowledge that does not mean

714

00:34:06,880 --> 00:34:04,309

she's old okay everybody just don't

715

00:34:08,649 --> 00:34:06,890

think that she is also i'm just kidding

716

00:34:12,639 --> 00:34:08,659

yet novelist with several titles

717

00:34:16,149 --> 00:34:12,649

releasing in 2015 including two wow

718

00:34:18,669 --> 00:34:16,159

you're busy why a series she works on

719

00:34:23,169 --> 00:34:18,679

macs co-authored a middle grade novel

720

00:34:25,510 --> 00:34:23,179

series evil kid hunting organization ekh

721

00:34:27,159 --> 00:34:25,520

oh and she is also a screenwriter and

722

00:34:30,190 --> 00:34:27,169

producer murray has appeared on over a

723

00:34:31,680 --> 00:34:30,200

thousand radio shows worldwide and on

724

00:34:34,149 --> 00:34:31,690

the History Channel's nostradamus effect

725

00:34:36,399 --> 00:34:34,159

ancient aliens and she also writes

726

00:34:40,480 --> 00:34:36,409

regularly for magazines like new dawn

727

00:34:42,430 --> 00:34:40,490

intrepid fate paranora paranoia the

728

00:34:46,720 --> 00:34:42,440

conspiracy reader everybody round of

729

00:34:48,280 --> 00:34:46,730

applause for marie d jones oh gosh every

730

00:34:54,460 --> 00:34:48,290

calm down the red carpets out almost

731

00:34:56,889 --> 00:34:54,470

there on the stomach what applause I

732

00:34:59,560 --> 00:34:56,899

read this buttons depressed you know it

733

00:35:01,359 --> 00:34:59,570

sounded before oh I'm sure it's being

734

00:35:04,480 --> 00:35:01,369

pushed all over the world for all we

735

00:35:09,430 --> 00:35:04,490

know since we writers as you know we we

736

00:35:11,680 --> 00:35:09,440

get such quiet attention with really

737

00:35:17,589 --> 00:35:11,690

movie stars you know where people had a

738

00:35:21,430 --> 00:35:17,599

few fans hounding us yeah it does how

739

00:35:23,350 --> 00:35:21,440

that's a little problem I've had been

740

00:35:25,930 --> 00:35:23,360

thrown at me if that counts I'm scared

741

00:35:32,200 --> 00:35:25,940

lovich well listen it dropped from the

742

00:35:35,380 --> 00:35:32,210

ceiling ya know stealing robbing ends so

743

00:35:38,260 --> 00:35:35,390

I've Marie my goodness you are busy I

744

00:35:40,330 --> 00:35:38,270

mean what what on earth okay you're

745

00:35:43,240 --> 00:35:40,340

saying that you don't experience these

746

00:35:45,490 --> 00:35:43,250

odd things paranormal things yourself so

747

00:35:49,330 --> 00:35:45,500

what got your interest even look that

748

00:35:53,680 --> 00:35:49,340

way then you know it's ever since I was

749

00:35:56,560 --> 00:35:53,690

old enough to walk and talk I was

750

00:35:59,950 --> 00:35:56,570

telling ghost stories and believed in

751
00:36:01,990 --> 00:35:59,960
UFOs and Bigfoot and I wanted to read

752
00:36:05,950 --> 00:36:02,000
everything I could get it just is really

753
00:36:07,810 --> 00:36:05,960
into that stuff from birth um and I

754
00:36:09,580 --> 00:36:07,820
don't and you know I mean I don't know

755
00:36:11,140 --> 00:36:09,590
something may have happened Roman ah but

756
00:36:12,880 --> 00:36:11,150
I mean I've asked my mom dad and they

757
00:36:16,060 --> 00:36:12,890
said no nothing really you're just a

758
00:36:18,850 --> 00:36:16,070
really weird really that's a good kid

759
00:36:21,580 --> 00:36:18,860
thanks mom my dad was a scientist so I

760
00:36:23,710 --> 00:36:21,590
also kind of grew up with this you know

761
00:36:25,570 --> 00:36:23,720
a lot of exposure to science and I

762
00:36:28,090 --> 00:36:25,580
always loved science and I always felt

763
00:36:30,940 --> 00:36:28,100

like the two went together my interest

764

00:36:33,940 --> 00:36:30,950

in the hidden spooky stuff and then

765

00:36:37,030 --> 00:36:33,950

science but I've had a few experiences

766

00:36:40,840 --> 00:36:37,040

mostly when I was younger um in my teens

767

00:36:44,860 --> 00:36:40,850

and early 20s nothing is in your face is

768

00:36:48,520 --> 00:36:44,870

what your readers have sent in and that

769

00:36:53,200 --> 00:36:48,530

um you know just always reminded me that

770

00:36:55,450 --> 00:36:53,210

there's more to reality than what my

771

00:36:58,270 --> 00:36:55,460

five senses and what my very limited

772

00:37:01,750 --> 00:36:58,280

brain could perceive it was just a very

773

00:37:03,580 --> 00:37:01,760

natural knowing and so I started writing

774

00:37:05,920 --> 00:37:03,590

when I was really young and I always

775

00:37:07,630 --> 00:37:05,930

know is gonna be a writer and I started

776

00:37:10,210 --> 00:37:07,640

writing a lot about the paranormal and I

777

00:37:14,050 --> 00:37:10,220

wrote like horror and sci-fi short

778

00:37:16,270 --> 00:37:14,060

stories and stuff such that that subject

779

00:37:19,360 --> 00:37:16,280

matter was always there always around

780

00:37:23,530 --> 00:37:19,370

and then as I got older you know I got

781

00:37:26,500 --> 00:37:23,540

more serious about researching and

782

00:37:30,160 --> 00:37:26,510

studying and trying to figure out what

783

00:37:32,320 --> 00:37:30,170

the science was behind the supernatural

784

00:37:34,570 --> 00:37:32,330

because I there is a science to it we

785

00:37:36,720 --> 00:37:34,580

just don't know what it is yet you know

786

00:37:40,800 --> 00:37:36,730

to me the science of something

787

00:37:43,190 --> 00:37:40,810

simply how it works and I want no I mean

788

00:37:46,200 --> 00:37:43,200

I want to know how everything works in

789

00:37:48,450 --> 00:37:46,210

reality that we take for granted or I

790

00:37:49,950 --> 00:37:48,460

always find that fascinating like with

791

00:37:52,830 --> 00:37:49,960

you know especially an author like

792

00:37:55,920 --> 00:37:52,840

yourself who's written so much on so

793

00:37:59,250 --> 00:37:55,930

many you know peculiar topics even and

794

00:38:01,590 --> 00:37:59,260

to not have always in your face type of

795

00:38:03,480 --> 00:38:01,600

you know Reese you know think saying

796

00:38:05,910 --> 00:38:03,490

that you know this is really happening

797

00:38:09,120 --> 00:38:05,920

so it's really a leap of faith and an

798

00:38:11,760 --> 00:38:09,130

enduring faith to be able to do what you

799

00:38:15,360 --> 00:38:11,770

do so that's that gives me just like

800

00:38:17,550 --> 00:38:15,370

very very much to pause about and think

801
00:38:19,830 --> 00:38:17,560
like what an interesting person that you

802
00:38:22,890 --> 00:38:19,840
know you just were really you know so

803
00:38:24,570 --> 00:38:22,900
passionate without that hardcore proof

804
00:38:27,060 --> 00:38:24,580
sitting in your living room like some of

805
00:38:30,630 --> 00:38:27,070
us have what but you know it would

806
00:38:33,480 --> 00:38:30,640
happen it would happen often enough um

807
00:38:35,790 --> 00:38:33,490
and I had some really strange things it

808
00:38:38,850 --> 00:38:35,800
when I was in junior high school I moved

809
00:38:41,660 --> 00:38:38,860
um I moved to San Diego from New York

810
00:38:45,750 --> 00:38:41,670
and one of the first friends that I had

811
00:38:46,950 --> 00:38:45,760
who sort of took me in because I didn't

812
00:38:49,680 --> 00:38:46,960
have any friends when I first went there

813
00:38:53,820 --> 00:38:49,690

obviously and her family was suffering

814

00:38:57,270 --> 00:38:53,830

from a very disturbing poltergeist

815

00:38:59,610 --> 00:38:57,280

experience and it was ongoing these were

816

00:39:01,530 --> 00:38:59,620

good Lutheran Church going people who

817

00:39:03,030 --> 00:39:01,540

had gone to the church for help and and

818

00:39:05,340 --> 00:39:03,040

didn't get any help you know obviously

819

00:39:08,610 --> 00:39:05,350

the lutheran church at the time it was

820

00:39:10,650 --> 00:39:08,620

like oh we don't know what to do these

821

00:39:13,500 --> 00:39:10,660

were honest people they were not lying

822

00:39:18,570 --> 00:39:13,510

they did not want publicity I only found

823

00:39:20,460 --> 00:39:18,580

out because my friend told me she wanted

824

00:39:24,120 --> 00:39:20,470

me to come over and stay the night you

825

00:39:29,430 --> 00:39:24,130

know sleep oh yes they needed bait marie

826

00:39:31,830 --> 00:39:29,440

i feel really bad i kept turning her

827

00:39:33,480 --> 00:39:31,840

down and goodness built if she had told

828

00:39:35,730 --> 00:39:33,490

me she wanted to be open with me because

829

00:39:39,180 --> 00:39:35,740

she said you know something might have

830

00:39:40,740 --> 00:39:39,190

and it probably won't happen to you but

831

00:39:42,600 --> 00:39:40,750

she said there are things that happened

832

00:39:44,790 --> 00:39:42,610

like in the upstairs hallway they'll be

833

00:39:46,920 --> 00:39:44,800

closed pins flying across the whole

834

00:39:49,170 --> 00:39:46,930

range acceptan if you get up in the

835

00:39:50,870 --> 00:39:49,180

middle and i just go to the bathroom be

836

00:39:54,150 --> 00:39:50,880

aware of

837

00:39:55,769 --> 00:39:54,160

highest all this other stuff well the

838

00:39:57,569 --> 00:39:55,779

funny thing is is finally I agreed to

839

00:39:59,219 --> 00:39:57,579

stay overnight so I just felt so bad I

840

00:40:02,400 --> 00:39:59,229

was always asking her to come to my

841

00:40:04,169 --> 00:40:02,410

house and I went there and nothing

842

00:40:06,329 --> 00:40:04,179

happened luckily but I will tell you

843

00:40:08,339 --> 00:40:06,339

that I had to go to the bathroom really

844

00:40:10,919 --> 00:40:08,349

bad in the middle of the night I did not

845

00:40:14,189 --> 00:40:10,929

leave her bed I did not leave him I did

846

00:40:16,829 --> 00:40:14,199

not go into the hole nothing happened

847

00:40:18,959 --> 00:40:16,839

the whole night I just could barely

848

00:40:21,120 --> 00:40:18,969

sleep I felt kind of I'm a little

849

00:40:23,339 --> 00:40:21,130

sensitive to to that kind of stuffs I

850

00:40:25,979 --> 00:40:23,349

can kind of feel a little bit of a sense

851

00:40:28,589 --> 00:40:25,989

of foreboding or you know sort of a

852

00:40:31,919 --> 00:40:28,599

downturn and energy and so I kind of

853

00:40:34,919 --> 00:40:31,929

felt it so the next morning we were

854

00:40:36,359 --> 00:40:34,929

watching an old movie again and she was

855

00:40:39,749 --> 00:40:36,369

sitting on the couch Tommy and I was

856

00:40:45,150 --> 00:40:39,759

sitting on the just kicking back of a

857

00:40:48,209 --> 00:40:45,160

sudden I felt this something passed

858

00:40:52,739 --> 00:40:48,219

through every cell of my body it just

859

00:40:55,259 --> 00:40:52,749

passed and i stiffen enjoy musta gasped

860

00:40:59,399 --> 00:40:55,269

or something and she said you'd you did

861

00:41:05,779 --> 00:40:59,409

you just feel it and I was like yeah can

862

00:41:10,289 --> 00:41:05,789

I go home now I was a smart yeah well

863

00:41:14,219 --> 00:41:10,299

it's dead [h__h] I never thought that it

864

00:41:18,149 --> 00:41:14,229

was no it's not you know that sort of

865

00:41:23,009 --> 00:41:18,159

we're walking over grey goose it was

866

00:41:24,539 --> 00:41:23,019

nothing like never oh we're having a

867

00:41:26,579 --> 00:41:24,549

little difficulty hearing yeah but

868

00:41:29,729 --> 00:41:26,589

they're Maria don't know what's going on

869

00:41:31,769 --> 00:41:29,739

yeah and here you know yeah I could hear

870

00:41:35,479 --> 00:41:31,779

you now it sounds set there yeah that's

871

00:41:38,839 --> 00:41:35,489

weird it's their spirits and the wires

872

00:41:41,549 --> 00:41:38,849

gremlin x way to make a long story short

873

00:41:43,739 --> 00:41:41,559

they continue to have a lot of activity

874

00:41:46,919 --> 00:41:43,749

until her older sister moved out of the

875

00:41:48,659 --> 00:41:46,929

house and her older sister was very

876

00:41:50,819 --> 00:41:48,669

rebellious a lot of negative energy

877

00:41:53,149 --> 00:41:50,829

stuff how they talk about in poltergeist

878

00:41:56,279 --> 00:41:53,159

activity there's always one person

879

00:41:59,789 --> 00:41:56,289

running a female but the interesting

880

00:42:01,919 --> 00:41:59,799

thing is after they Carol and I lost

881

00:42:04,049 --> 00:42:01,929

touch I moved to LA for a while when I

882

00:42:06,509 --> 00:42:04,059

was a older teenager

883

00:42:08,729 --> 00:42:06,519

and she later told me when we

884

00:42:11,880 --> 00:42:08,739

reconnected again that they left the

885

00:42:14,400 --> 00:42:11,890

house the new owners came in and they

886

00:42:16,459 --> 00:42:14,410

literally tore the house down to you

887

00:42:18,989 --> 00:42:16,469

know the foundation have rebuilt it and

888

00:42:23,929 --> 00:42:18,999

she said we never really found out why

889

00:42:27,390 --> 00:42:23,939

they did that so but you know this the

890

00:42:30,569 --> 00:42:27,400

activity didn't follow my friend and her

891

00:42:32,819 --> 00:42:30,579

family that's a good thing which again

892

00:42:35,339 --> 00:42:32,829

makes me feel very comfortable in saying

893

00:42:37,019 --> 00:42:35,349

it was classic poltergeist activity and

894

00:42:39,959 --> 00:42:37,029

not it goes for something that would

895

00:42:42,839 --> 00:42:39,969

follow them and um but it was just

896

00:42:46,109 --> 00:42:42,849

really interesting to see how the church

897

00:42:49,109 --> 00:42:46,119

the Lutheran Church her hands were tied

898

00:42:51,539 --> 00:42:49,119

to the point where i was telling Carol

899

00:42:56,609 --> 00:42:51,549

let me see if I can figure out how to do

900

00:43:01,109 --> 00:42:56,619

an exorcism and any stupid thing I was

901
00:43:02,339 --> 00:43:01,119
like 15 or 16 I mean what an idiot so

902
00:43:04,199 --> 00:43:02,349
I'm getting all these books out of the

903
00:43:08,400 --> 00:43:04,209
library because this is back when we had

904
00:43:11,339 --> 00:43:08,410
libraries folks what a farm trying to

905
00:43:13,289 --> 00:43:11,349
cast a circle in my bedroom and just

906
00:43:15,479 --> 00:43:13,299
getting a real bad show like you know

907
00:43:17,759 --> 00:43:15,489
what I can't this is not right I better

908
00:43:19,650 --> 00:43:17,769
not mess with this stuff so it's stuff

909
00:43:23,309 --> 00:43:19,660
like that so it didn't happen directly

910
00:43:27,239 --> 00:43:23,319
to me but I feel something was wrong or

911
00:43:29,400 --> 00:43:27,249
I felt something i remember in hollywood

912
00:43:32,309 --> 00:43:29,410
going to a halloween party at a mansion

913
00:43:34,079 --> 00:43:32,319

that we didn't find out to later one of

914

00:43:36,839 --> 00:43:34,089

the rooms somebody had been murdered and

915

00:43:39,929 --> 00:43:36,849

i remember going to put my coat in the

916

00:43:44,069 --> 00:43:39,939

room my purse and just like whoa this

917

00:43:45,689 --> 00:43:44,079

wall of bad and and you know i just sort

918

00:43:47,519 --> 00:43:45,699

of backed up and close the door and then

919

00:43:49,319 --> 00:43:47,529

somebody came up to me and said don't

920

00:43:50,789 --> 00:43:49,329

put anything in there you really know we

921

00:43:55,140 --> 00:43:50,799

don't want anybody going in that room

922

00:43:56,969 --> 00:43:55,150

and then they told me y know oh well I'm

923

00:43:59,370 --> 00:43:56,979

not putting my person there because if I

924

00:44:03,509 --> 00:43:59,380

I'll never get it back that kind of

925

00:44:05,910 --> 00:44:03,519

stuff yeah really really jealous I I

926

00:44:09,289 --> 00:44:05,920

kind of thought after time maybe it was

927

00:44:12,199 --> 00:44:09,299

because I grew up with a science

928

00:44:15,410 --> 00:44:12,209

scientists father that maybe I had

929

00:44:17,319 --> 00:44:15,420

adopted a sort of real left brain

930

00:44:19,870 --> 00:44:17,329

over-analytical

931

00:44:22,839 --> 00:44:19,880

all but maybe kept the stuff away I

932

00:44:28,509 --> 00:44:22,849

don't know it's really weird but now

933

00:44:31,059 --> 00:44:28,519

nothing happens to me well it's but you

934

00:44:33,880 --> 00:44:31,069

did get a little reinforcement to be

935

00:44:36,519 --> 00:44:33,890

like there is something so yes the

936

00:44:38,589 --> 00:44:36,529

second left the lifetime I didn't need

937

00:44:40,900 --> 00:44:38,599

the reinforcement but it did you know

938

00:44:43,239 --> 00:44:40,910

obviously it did help and gave me some

939

00:44:45,400 --> 00:44:43,249

clues about things every now and then

940

00:44:47,319 --> 00:44:45,410

something where it'll happen where I

941

00:44:49,599 --> 00:44:47,329

just know somebody's going to email me

942

00:44:51,789 --> 00:44:49,609

that happened in you know three years or

943

00:44:54,969 --> 00:44:51,799

just that kind of thing I just remind

944

00:44:58,989 --> 00:44:54,979

you that there is this invisible reality

945

00:45:00,969 --> 00:44:58,999

back we're seeing the effects of we

946

00:45:03,910 --> 00:45:00,979

don't see the causes and so it looks

947

00:45:06,309 --> 00:45:03,920

very paranormal and very super natural

948

00:45:10,120 --> 00:45:06,319

to us but on the level that it's all

949

00:45:12,729 --> 00:45:10,130

occurring it's it's quite normal yeah

950

00:45:14,920 --> 00:45:12,739

indeed if you know it it's interesting

951
00:45:17,699 --> 00:45:14,930
to me to though it's like I've had

952
00:45:20,349 --> 00:45:17,709
people who are such hardcore

953
00:45:24,069 --> 00:45:20,359
investigators who have just had the

954
00:45:27,759 --> 00:45:24,079
single event yeah last them a lifetime

955
00:45:29,920 --> 00:45:27,769
and they they're like look I'm set I

956
00:45:33,309 --> 00:45:29,930
don't I don't need any more i had enough

957
00:45:35,380 --> 00:45:33,319
wait i just want to be the one to look

958
00:45:37,479 --> 00:45:35,390
for the answers now you know like it's

959
00:45:39,309 --> 00:45:37,489
I've seen it shake up people's reality

960
00:45:42,339 --> 00:45:39,319
when they've experienced something so

961
00:45:43,839 --> 00:45:42,349
out of out of the norm and and it's like

962
00:45:46,900 --> 00:45:43,849
even people that I thought were really

963
00:45:50,769 --> 00:45:46,910

truly prepared for such a thing and not

964

00:45:52,630 --> 00:45:50,779

deal with it very well so it's it's kind

965

00:45:54,189 --> 00:45:52,640

of it's really interesting and said but

966

00:45:56,349 --> 00:45:54,199

you know one of the things that I think

967

00:45:59,079 --> 00:45:56,359

is is important and I I want to get your

968

00:46:02,079 --> 00:45:59,089

take on this but when it comes to people

969

00:46:05,199 --> 00:46:02,089

you know general in the population that

970

00:46:08,170 --> 00:46:05,209

have not experienced things I'm of the

971

00:46:11,890 --> 00:46:08,180

mindset that at some point they just

972

00:46:13,959 --> 00:46:11,900

might and I want to be the one to try to

973

00:46:16,509 --> 00:46:13,969

help them prepare for that moment

974

00:46:18,789 --> 00:46:16,519

because nine times out of ten they're

975

00:46:20,499 --> 00:46:18,799

going to not know what to do it's going

976

00:46:22,779 --> 00:46:20,509

to shake them up they're going to be

977

00:46:25,749 --> 00:46:22,789

looking around and I want to like reach

978

00:46:28,329 --> 00:46:25,759

those people to let them know the person

979

00:46:30,510 --> 00:46:28,339

that is probably in their life already

980

00:46:32,970 --> 00:46:30,520

has experienced something and hope

981

00:46:35,880 --> 00:46:32,980

encourage them to like share their story

982

00:46:37,890 --> 00:46:35,890

so when not if but when something

983

00:46:41,130 --> 00:46:37,900

happens to another this other person

984

00:46:43,080 --> 00:46:41,140

they'll be like Oh cousin cousin it had

985

00:46:45,240 --> 00:46:43,090

something happen let me go talk to

986

00:46:47,340 --> 00:46:45,250

cousin it you know I mean what's your

987

00:46:50,580 --> 00:46:47,350

take there's not that sense of isolation

988

00:46:55,490 --> 00:46:50,590

that I think occurred you know 10 years

989

00:47:00,540 --> 00:46:55,500

ago 15 20 years ago um before advent of

990

00:47:03,980 --> 00:47:00,550

the mail just like this and the TV shin

991

00:47:06,660 --> 00:47:03,990

and also breaking up a little bit again

992

00:47:09,300 --> 00:47:06,670

you know the social networking to the

993

00:47:11,460 --> 00:47:09,310

ability for somebody now to post I had

994

00:47:14,430 --> 00:47:11,470

something happen to me here it is and

995

00:47:17,010 --> 00:47:14,440

then get 50 responses of people saying

996

00:47:20,640 --> 00:47:17,020

oh my god you know my friend George did

997

00:47:23,250 --> 00:47:20,650

or my brother had that happen so we're

998

00:47:26,580 --> 00:47:23,260

so much more connected now that we can

999

00:47:28,740 --> 00:47:26,590

find those other people and help them

1000

00:47:32,010 --> 00:47:28,750

not be so afraid or help them figure out

1001
00:47:34,860 --> 00:47:32,020
how to deal with it exactly I mean it's

1002
00:47:37,890 --> 00:47:34,870
it is kind of cool to see the expansion

1003
00:47:39,990 --> 00:47:37,900
of these topics out on the web or you

1004
00:47:42,270 --> 00:47:40,000
know with the groups in the Facebook and

1005
00:47:44,580 --> 00:47:42,280
the the videos and then we got the TV

1006
00:47:48,090 --> 00:47:44,590
and the radio shows that's right so cool

1007
00:47:49,740 --> 00:47:48,100
yeah totally mainstream now yes and

1008
00:47:51,900 --> 00:47:49,750
before the internet people you actually

1009
00:47:53,460 --> 00:47:51,910
had to leave your house to go meet other

1010
00:47:56,040 --> 00:47:53,470
people have experienced things so you

1011
00:47:58,230 --> 00:47:56,050
could vent because you couldn't vent to

1012
00:48:00,270 --> 00:47:58,240
just anybody for a while you know just

1013
00:48:02,790 --> 00:48:00,280

people can't even imagine that we had

1014

00:48:04,980 --> 00:48:02,800

going to library look up information we

1015

00:48:06,930 --> 00:48:04,990

didn't have google we don't have cell

1016

00:48:08,610 --> 00:48:06,940

phones you know oh how the heck did we

1017

00:48:11,700 --> 00:48:08,620

survive but you know you bought a

1018

00:48:14,460 --> 00:48:11,710

something that a confessional make live

1019

00:48:17,490 --> 00:48:14,470

on your show I do you know when I was

1020

00:48:19,950 --> 00:48:17,500

little I was terrified of everything

1021

00:48:22,560 --> 00:48:19,960

that I was interested in I was terrified

1022

00:48:24,900 --> 00:48:22,570

of ghosts I was terrified of aliens I

1023

00:48:27,180 --> 00:48:24,910

was so afraid of the dark that I had to

1024

00:48:30,030 --> 00:48:27,190

sleep with a light on I'm still a big

1025

00:48:31,500 --> 00:48:30,040

chicken and you know and that's the

1026

00:48:34,140 --> 00:48:31,510

thing if something happened to me I'd

1027

00:48:38,220 --> 00:48:34,150

probably have a meltdown yet at the same

1028

00:48:40,980 --> 00:48:38,230

time there's that part of me that wants

1029

00:48:43,980 --> 00:48:40,990

to know what it is where it comes from

1030

00:48:44,170 --> 00:48:43,990

how it got here you know I want to know

1031

00:48:49,780 --> 00:48:44,180

the

1032

00:48:52,780 --> 00:48:49,790

mechanics of it so I'll risk pooping my

1033

00:48:54,790 --> 00:48:52,790

pants and terror oh dear God I'm not

1034

00:48:58,020 --> 00:48:54,800

going on a hunt with you ever Marie ya

1035

00:49:00,970 --> 00:48:58,030

ever and i really hate that clear I

1036

00:49:03,430 --> 00:49:00,980

totally can't sleep ender have to have

1037

00:49:06,490 --> 00:49:03,440

light or a TV on I really am a big

1038

00:49:08,680 --> 00:49:06,500

chicken but at the same but that's okay

1039

00:49:10,960 --> 00:49:08,690

you know believe it or not I i bet i

1040

00:49:13,450 --> 00:49:10,970

went through that stage two and i always

1041

00:49:16,359 --> 00:49:13,460

recommend and i do this too i have a

1042

00:49:17,980 --> 00:49:16,369

lighthouse on somewhere in my place so I

1043

00:49:20,470 --> 00:49:17,990

do see a trickle of light because I do

1044

00:49:22,299 --> 00:49:20,480

experience a lot of odd things and I

1045

00:49:26,109 --> 00:49:22,309

want to see what's coming gosh darn you

1046

00:49:27,760 --> 00:49:26,119

know [h__\h] yeah it's like I want to see

1047

00:49:29,559 --> 00:49:27,770

what's cuz it's happened to me where I

1048

00:49:31,780 --> 00:49:29,569

didn't have a light on and I resented

1049

00:49:33,760 --> 00:49:31,790

and regretted it ever since I'm like and

1050

00:49:35,470 --> 00:49:33,770

it helps to keep the negative things

1051
00:49:37,690 --> 00:49:35,480
away they don't like that you could see

1052
00:49:40,329 --> 00:49:37,700
him coming so I I always encourage it

1053
00:49:42,670 --> 00:49:40,339
hey flip a light on I'm a grown woman I

1054
00:49:44,410 --> 00:49:42,680
don't care how much I'm light on yeah I

1055
00:49:46,420 --> 00:49:44,420
have a hard time sleeping like with my

1056
00:49:49,480 --> 00:49:46,430
back to the door it's because you know

1057
00:49:51,910 --> 00:49:49,490
what's out there I want to be it's like

1058
00:49:54,700 --> 00:49:51,920
well okay so I guess I want to see

1059
00:49:57,280 --> 00:49:54,710
what's coming I don't rather see it and

1060
00:50:01,809 --> 00:49:57,290
be able to react ya got the baby back

1061
00:50:05,589 --> 00:50:01,819
yeah amazing fear probably is behind a

1062
00:50:07,539 --> 00:50:05,599
lot of curiosity that we all feel you

1063
00:50:11,440 --> 00:50:07,549

know we don't there's something I want

1064

00:50:13,780 --> 00:50:11,450

to understand it and if we understand it

1065

00:50:16,420 --> 00:50:13,790

then maybe that can remove that element

1066

00:50:19,480 --> 00:50:16,430

fear not in every instance I think that

1067

00:50:22,150 --> 00:50:19,490

there are things to be afraid of but the

1068

00:50:24,819 --> 00:50:22,160

unknown is always so terrifying to us

1069

00:50:29,079 --> 00:50:24,829

even when it may be something you know

1070

00:50:32,559 --> 00:50:29,089

amazingly beneficial or really positive

1071

00:50:36,039 --> 00:50:32,569

or fun I mean some of these entities may

1072

00:50:39,520 --> 00:50:36,049

be a blasting out with but being at that

1073

00:50:41,200 --> 00:50:39,530

sort of block of fear oh yeah oh yeah so

1074

00:50:43,539 --> 00:50:41,210

tell us I mean you've got so many books

1075

00:50:45,430 --> 00:50:43,549

out there tell us some of these books

1076
00:50:48,069 --> 00:50:45,440
some of the topics that you've written

1077
00:50:50,589 --> 00:50:48,079
on and why the heck did you go in those

1078
00:50:55,180 --> 00:50:50,599
directions because it's so multi layers

1079
00:50:57,140 --> 00:50:55,190
I'm like what she did that do you know

1080
00:50:59,299 --> 00:50:57,150
what I my

1081
00:51:02,720 --> 00:50:59,309
tension when I was younger was to write

1082
00:51:04,970 --> 00:51:02,730
novels is what I'm now kind of we're

1083
00:51:06,760 --> 00:51:04,980
transitioning and putting more before I

1084
00:51:10,490 --> 00:51:06,770
drop you know get too old to do anything

1085
00:51:12,470 --> 00:51:10,500
I started out writing fiction short

1086
00:51:15,650 --> 00:51:12,480
stories I wrote horror and science

1087
00:51:20,589 --> 00:51:15,660
fiction's what I liked and as I got

1088
00:51:23,299 --> 00:51:20,599

older it started articles for some

1089

00:51:25,069 --> 00:51:23,309

paranormal magazines that existed a long

1090

00:51:28,490 --> 00:51:25,079

time ago one of them was called beyond

1091

00:51:31,250 --> 00:51:28,500

reality there was alternate dimensions

1092

00:51:34,670 --> 00:51:31,260

these are all the magazine's folks um

1093

00:51:37,279 --> 00:51:34,680

and then screenwriting so I was the

1094

00:51:38,690 --> 00:51:37,289

writer so I was kind of getting my feet

1095

00:51:41,630 --> 00:51:38,700

wet and all these different types of

1096

00:51:43,940 --> 00:51:41,640

writing I really had no intention of

1097

00:51:46,069 --> 00:51:43,950

ever writing a nonfiction book it just

1098

00:51:50,480 --> 00:51:46,079

wasn't something that turned me on and

1099

00:51:52,549 --> 00:51:50,490

then just one day about 10 12 years ago

1100

00:51:54,170 --> 00:51:52,559

I just thought I feel like writing

1101
00:51:56,210 --> 00:51:54,180
always see if i could write them on this

1102
00:51:59,029 --> 00:51:56,220
is me I'll just gonna see if I can do

1103
00:52:01,730 --> 00:51:59,039
this and I'll do it no I want to see if

1104
00:52:03,109 --> 00:52:01,740
I can make a children's video and I went

1105
00:52:06,710 --> 00:52:03,119
he did that and I want to see if I

1106
00:52:09,410 --> 00:52:06,720
needed and I wrote a book looking for

1107
00:52:11,660 --> 00:52:09,420
God in all the wrong places yes I guess

1108
00:52:14,480 --> 00:52:11,670
the only way to describe it it's virtual

1109
00:52:19,220 --> 00:52:14,490
humor you know sort of commentary and

1110
00:52:22,700 --> 00:52:19,230
humor it's old maybe five copies but it

1111
00:52:24,769 --> 00:52:22,710
got me Lisa Hagen my patient who you

1112
00:52:26,660 --> 00:52:24,779
know were talking about earlier who was

1113
00:52:29,539 --> 00:52:26,670

awesome that was the gift that that book

1114

00:52:31,400 --> 00:52:29,549

brought into my life nice at least a

1115

00:52:32,930 --> 00:52:31,410

nice bird working together she said what

1116

00:52:34,430 --> 00:52:32,940

do you want a break and I said I want to

1117

00:52:37,190 --> 00:52:34,440

write about quantum physics in the

1118

00:52:40,730 --> 00:52:37,200

paranormal and I mean she must have

1119

00:52:42,829 --> 00:52:40,740

thought I was nuts I didn't have a

1120

00:52:46,640 --> 00:52:42,839

platform nobody knew who I was and I was

1121

00:52:49,789 --> 00:52:46,650

not HD and yet Lisa believed in me I

1122

00:52:52,130 --> 00:52:49,799

believed in me we put together I put

1123

00:52:54,500 --> 00:52:52,140

together a proposal immediately and

1124

00:52:58,940 --> 00:52:54,510

within three months I had the book

1125

00:53:00,620 --> 00:52:58,950

science p SI nce a deal was new page

1126

00:53:02,779 --> 00:53:00,630

books and there was no looking back

1127

00:53:08,870 --> 00:53:02,789

after that I mean they just wanted one

1128

00:53:10,550 --> 00:53:08,880

book after another and I was permitted

1129

00:53:13,700 --> 00:53:10,560

by them too

1130

00:53:16,810 --> 00:53:13,710

write about whatever I wanted well holy

1131

00:53:19,820 --> 00:53:16,820

smokes i would just roll with it yeah

1132

00:53:21,500 --> 00:53:19,830

amazing you know as all you don't have

1133

00:53:24,170 --> 00:53:21,510

to kind of stay within the parameters of

1134

00:53:28,220 --> 00:53:24,180

what their company published but I had

1135

00:53:30,910 --> 00:53:28,230

such freedom and so you know how hard it

1136

00:53:33,770 --> 00:53:30,920

is to write a nonfiction book it is

1137

00:53:35,780 --> 00:53:33,780

grueling to do the research and then get

1138

00:53:37,730 --> 00:53:35,790

it all down in the right way and edit it

1139

00:53:40,610 --> 00:53:37,740

blah blah if you're going to do that you

1140

00:53:42,740 --> 00:53:40,620

have got to love your subject matter

1141

00:53:44,780 --> 00:53:42,750

true and then you're going to live with

1142

00:53:46,100 --> 00:53:44,790

it for a long time after its out you're

1143

00:53:49,090 --> 00:53:46,110

going to be promoting and doing radio

1144

00:53:51,260 --> 00:53:49,100

and talking to people about it so I

1145

00:53:53,900 --> 00:53:51,270

realized pretty quickly that if I'm

1146

00:53:55,880 --> 00:53:53,910

gonna do all this work it's gonna have

1147

00:53:59,960 --> 00:53:55,890

to be subjects that really turned me on

1148

00:54:02,630 --> 00:53:59,970

and I wrote a book with my dad my dad

1149

00:54:05,750 --> 00:54:02,640

again was a geophysicist we wrote a book

1150

00:54:09,110 --> 00:54:05,760

about super volcanoes after that I wrote

1151
00:54:12,770 --> 00:54:09,120
a book about the 2012 mythologies an igg

1152
00:54:17,330 --> 00:54:12,780
mccall 2013 was a hugely successful book

1153
00:54:20,870 --> 00:54:17,340
and if I may say so myself probably the

1154
00:54:22,820 --> 00:54:20,880
best objective look at that whole

1155
00:54:25,700 --> 00:54:22,830
phenomenon because that's what it was it

1156
00:54:29,710 --> 00:54:25,710
was a phenomenon don't want a false

1157
00:54:32,930 --> 00:54:29,720
mythology finish and then Larry flaxman

1158
00:54:34,970 --> 00:54:32,940
got a hold of me email me he had read

1159
00:54:36,590 --> 00:54:34,980
science and we sort of hit it off really

1160
00:54:41,000 --> 00:54:36,600
well and decided to write some books

1161
00:54:43,010 --> 00:54:41,010
together so we did 1111 the time prep

1162
00:54:45,320 --> 00:54:43,020
phenomenon which was and actually

1163
00:54:47,360 --> 00:54:45,330

eccentric that our publisher new page

1164

00:54:49,700 --> 00:54:47,370

books came to us with and said hey have

1165

00:54:53,930 --> 00:54:49,710

you guys ever heard about this we're

1166

00:54:55,820 --> 00:54:53,940

like huh no wow um but we looked into

1167

00:54:57,620 --> 00:54:55,830

and it was amazing they just that

1168

00:55:00,140 --> 00:54:57,630

triggered you know a whole series of

1169

00:55:02,300 --> 00:55:00,150

books that he and I wrote but you know

1170

00:55:06,200 --> 00:55:02,310

it got to the point where you get really

1171

00:55:09,020 --> 00:55:06,210

addicted to being able to write about

1172

00:55:11,210 --> 00:55:09,030

what fascinates you because you get your

1173

00:55:13,340 --> 00:55:11,220

research and then you get to write about

1174

00:55:17,600 --> 00:55:13,350

it you have a book that comes down then

1175

00:55:21,110 --> 00:55:17,610

you get to talk about it we turned in

1176

00:55:24,430 --> 00:55:21,120

our our eighth book together and my 13th

1177

00:55:26,589 --> 00:55:24,440

book a couple of weeks ago called mind

1178

00:55:29,410 --> 00:55:26,599

where's the history of mind control and

1179

00:55:32,410 --> 00:55:29,420

electronic surveillance which is way off

1180

00:55:34,210 --> 00:55:32,420

in a different tangent yeah Wow you know

1181

00:55:35,920 --> 00:55:34,220

I was kind of feeling like calm man I

1182

00:55:39,220 --> 00:55:35,930

really want to get back to my fiction

1183

00:55:40,870 --> 00:55:39,230

roots and luckily I signed but a year

1184

00:55:43,599 --> 00:55:40,880

and a half ago with a literary manager

1185

00:55:46,540 --> 00:55:43,609

who handles fiction in film and got a

1186

00:55:49,780 --> 00:55:46,550

lot of that stuff going and that's been

1187

00:55:52,290 --> 00:55:49,790

really awesome so I'll keep doing

1188

00:55:55,890 --> 00:55:52,300

nonfiction but I won't pump out as many

1189

00:56:02,170 --> 00:55:55,900

as before because it really is

1190

00:56:06,460 --> 00:56:02,180

exhausting people don't realize it's a

1191

00:56:08,680 --> 00:56:06,470

thing of passion it has to be be yes it

1192

00:56:10,359 --> 00:56:08,690

really is and it's like you've got to

1193

00:56:14,230 --> 00:56:10,369

have the interest you've got to have the

1194

00:56:16,630 --> 00:56:14,240

desire and and it's it really it does it

1195

00:56:20,800 --> 00:56:16,640

takes over your mind takes over your

1196

00:56:24,250 --> 00:56:20,810

life or a bit yeah people don't realize

1197

00:56:26,589 --> 00:56:24,260

that after about the book are you you

1198

00:56:30,849 --> 00:56:26,599

know prepared to talk about it over and

1199

00:56:33,190 --> 00:56:30,859

over again for the dude who knows how

1200

00:56:35,440 --> 00:56:33,200

long and I think a lot of people don't

1201

00:56:38,470 --> 00:56:35,450

they don't realize that there's the

1202

00:56:41,170 --> 00:56:38,480

marketing side of things and that's the

1203

00:56:42,849 --> 00:56:41,180

last a long time so yeah you dang well

1204

00:56:45,130 --> 00:56:42,859

better like the subject you're writing

1205

00:56:49,210 --> 00:56:45,140

about yeah I just say though isn't it a

1206

00:56:52,300 --> 00:56:49,220

blast I mean I tell people it's like try

1207

00:56:54,760 --> 00:56:52,310

not to go above where you are at in your

1208

00:56:56,890 --> 00:56:54,770

life and how you express yourself if you

1209

00:56:59,710 --> 00:56:56,900

choose to put your story together in a

1210

00:57:01,300 --> 00:56:59,720

book yeah i right as I speak so i might

1211

00:57:04,990 --> 00:57:01,310

say the word crap in a book because

1212

00:57:07,630 --> 00:57:05,000

that's how I talk so I know it's like

1213

00:57:08,859 --> 00:57:07,640

I'm very casual it's like but when some

1214

00:57:10,180 --> 00:57:08,869

people you know I've had a lot of

1215

00:57:12,370 --> 00:57:10,190

friends a lot of people that I know is

1216

00:57:13,870 --> 00:57:12,380

just like I didn't wrote this book and

1217

00:57:16,240 --> 00:57:13,880

would you take a look at it and I see

1218

00:57:19,510 --> 00:57:16,250

all this these fancy words that I have

1219

00:57:22,030 --> 00:57:19,520

never heard them say before I like you

1220

00:57:24,430 --> 00:57:22,040

know what that's wrong no you don't just

1221

00:57:26,349 --> 00:57:24,440

be yourself and just relate it as if

1222

00:57:28,599 --> 00:57:26,359

you're telling a friend over coffee

1223

00:57:31,839 --> 00:57:28,609

having a good old time I mean that the

1224

00:57:34,420 --> 00:57:31,849

station ille yeah find your own voice

1225

00:57:35,950 --> 00:57:34,430

because there's the there's home well

1226

00:57:37,220 --> 00:57:35,960

now there's millions of writers out

1227

00:57:39,620 --> 00:57:37,230

there because there's

1228

00:57:43,010 --> 00:57:39,630

a whole world of self-publishing oh yeah

1229

00:57:45,740 --> 00:57:43,020

and yeah you got to find your own voice

1230

00:57:49,220 --> 00:57:45,750

but I've been really lucky that I got to

1231

00:57:53,060 --> 00:57:49,230

write so many books that had something

1232

00:57:54,950 --> 00:57:53,070

to do with the side of life that we

1233

00:57:57,440 --> 00:57:54,960

don't know as much about because not all

1234

00:57:59,390 --> 00:57:57,450

my books are paranormal I wrote a book

1235

00:58:01,700 --> 00:57:59,400

called destiny versus choice the

1236

00:58:03,349 --> 00:58:01,710

scientific and spiritual evidence behind

1237

00:58:07,849 --> 00:58:03,359

Satan free will I have the longest

1238

00:58:11,030 --> 00:58:07,859

subtitles in the world and but you know

1239

00:58:12,800 --> 00:58:11,040

cuz I i always have felt that I have a

1240

00:58:14,750 --> 00:58:12,810

destiny always since I was a very little

1241

00:58:17,270 --> 00:58:14,760

girl and I was talking to so many people

1242

00:58:19,130 --> 00:58:17,280

at the time who wanted to know Marie do

1243

00:58:20,480 --> 00:58:19,140

you think do you believe in destiny do

1244

00:58:22,250 --> 00:58:20,490

you think I have a destiny do you

1245

00:58:23,599 --> 00:58:22,260

believe in fate and so I thought you

1246

00:58:26,210 --> 00:58:23,609

know I want to write a book about this

1247

00:58:29,330 --> 00:58:26,220

and the funny thing is as I'm writing

1248

00:58:31,940 --> 00:58:29,340

about that subject there are these sort

1249

00:58:37,040 --> 00:58:31,950

of paranormal elements that sneak in you

1250

00:58:40,220 --> 00:58:37,050

know talking about talking to a tarot

1251
00:58:42,080 --> 00:58:40,230
readers and astrologers and [\h__\h] if

1252
00:58:44,300 --> 00:58:42,090
anybody who reads the different

1253
00:58:47,210 --> 00:58:44,310
divination systems or anybody who reads

1254
00:58:49,250 --> 00:58:47,220
the pitch to leave what palm readers we

1255
00:58:52,430 --> 00:58:49,260
gonna get to their left brake here Marie

1256
00:58:53,960 --> 00:58:52,440
oh boy listen to me honey hey Outlander

1257
00:59:11,790 --> 00:58:53,970
on deception radio network and we will

1258
00:59:11,800 --> 00:59:24,870
I'm

1259
00:59:31,510 --> 00:59:27,910
you're locked into inception radio

1260
00:59:32,800 --> 00:59:31,520
network superior Wisconsin you didn't

1261
00:59:35,020 --> 00:59:32,810
forget what's coming up tonight did you

1262
00:59:37,360 --> 00:59:35,030
hi inception radio network listeners

1263
00:59:38,830 --> 00:59:37,370

this is Amanda never miss that interview

1264

00:59:41,260 --> 00:59:38,840

you were looking forward to or the show

1265

00:59:44,200 --> 00:59:41,270

on your favorite topic follow in on

1266

00:59:46,180 --> 00:59:44,210

twitter i underscore our underscore n

1267

00:59:48,220 --> 00:59:46,190

and get reminders about the evenings

1268

00:59:50,440 --> 00:59:48,230

live shows as well as fun and important

1269

00:59:53,170 --> 00:59:50,450

updates throughout the week that's i

1270

01:00:02,710 --> 00:59:53,180

underscore our underscore n and never

1271

01:00:05,770 --> 01:00:02,720

miss a great show again hi Bob tarmac

1272

01:00:07,870 --> 01:00:05,780

for mj's healthy wacom are you to fight

1273

01:00:11,650 --> 01:00:07,880

immense nutrition meal replacements

1274

01:00:13,870 --> 01:00:11,660

health shakes keeping your body in good

1275

01:00:16,350 --> 01:00:13,880

shape your internal engine going yeah

1276

01:00:19,720 --> 01:00:16,360

why do I have a perfect place for you

1277

01:00:21,850 --> 01:00:19,730

MJ's healthy wacom they offer the best

1278

01:00:23,530 --> 01:00:21,860

service and products and they'll tell

1279

01:00:25,660 --> 01:00:23,540

you anything you need to know about any

1280

01:00:28,420 --> 01:00:25,670

product they I have to offer I can all

1281

01:00:31,740 --> 01:00:28,430

my vitamins meal replacement shakes from

1282

01:00:35,470 --> 01:00:31,750

MJ's healthy wacom that spelled MJ s

1283

01:00:38,470 --> 01:00:35,480

healthy wacom there's so much more the

1284

01:00:45,870 --> 01:00:38,480

website go check it out MJ's healthy way

1285

01:00:51,430 --> 01:00:48,670

hello inception radio network listeners

1286

01:00:53,289 --> 01:00:51,440

this is Amanda remember you can take

1287

01:00:55,420 --> 01:00:53,299

your inception radio shows on the go

1288

01:00:58,239 --> 01:00:55,430

just download the inception radio

1289

01:01:00,849 --> 01:00:58,249

network app for your iPhone iPad or

1290

01:01:03,370 --> 01:01:00,859

Android smartphones and access live

1291

01:01:05,859 --> 01:01:03,380

shows past shows guest lineups and much

1292

01:01:07,630 --> 01:01:05,869

more just visit the itunes store or the

1293

01:01:12,339 --> 01:01:07,640

google play marketplace and download it

1294

01:01:14,739 --> 01:01:12,349

today for free are you a fan of

1295

01:01:16,450 --> 01:01:14,749

inception radio network do you reckon

1296

01:01:18,579 --> 01:01:16,460

it's the best alternative talk radio

1297

01:01:20,940 --> 01:01:18,589

station on the planet well if you do

1298

01:01:23,700 --> 01:01:20,950

head to facebook.com forward slash

1299

01:01:26,349 --> 01:01:23,710

inception radio network like the page

1300

01:01:32,349 --> 01:01:26,359

tell your friends spread the word and

1301

01:01:35,380 --> 01:01:32,359

keep listening to the best hello

1302

01:01:38,380 --> 01:01:35,390

everyone Lori and fenton here hosted the

1303

01:01:40,779 --> 01:01:38,390

California MUFON radio show asking if

1304

01:01:44,890 --> 01:01:40,789

you'd like special access to exclusive

1305

01:01:48,549 --> 01:01:44,900

and amazing information about UFOs the

1306

01:01:51,190 --> 01:01:48,559

paranormal and all things unexplained if

1307

01:01:54,519 --> 01:01:51,200

you're nodding yes then join I rn's

1308

01:01:57,009 --> 01:01:54,529

insider club as an insider club member

1309

01:01:59,859 --> 01:01:57,019

you'll get an all-access pass to premier

1310

01:02:02,019 --> 01:01:59,869

inception radio network content for only

1311

01:02:05,319 --> 01:02:02,029

four dollars and ninety-nine cents a

1312

01:02:07,809 --> 01:02:05,329

month this includes live UFO and

1313

01:02:10,030 --> 01:02:07,819

paranormal conferences live streaming

1314

01:02:12,640 --> 01:02:10,040

UFO sky watches

1315

01:02:16,060 --> 01:02:12,650

Lucis I are in radio and TV productions

1316

01:02:18,850 --> 01:02:16,070

and of course paying radio with MJ and

1317

01:02:21,340 --> 01:02:18,860

Ken starch so don't wait any longer this

1318

01:02:24,760 --> 01:02:21,350

is an inception radio network com and

1319

01:02:27,850 --> 01:02:24,770

click on member login to join our ends

1320

01:02:32,230 --> 01:02:27,860

insider club and get your VIP access

1321

01:02:34,120 --> 01:02:32,240

today hello folks heidi hollis is

1322

01:02:36,280 --> 01:02:34,130

rocking the airwaves every friday at

1323

01:02:37,420 --> 01:02:36,290

nine p.m. eastern right here on ir in

1324

01:02:40,770 --> 01:02:37,430

but if you want to learn more about

1325

01:02:48,660 --> 01:02:40,780

Heidi check out her amazing website at

1326

01:02:57,430 --> 01:02:53,860

aliens to ghosts demons a jerky from

1327

01:03:21,420 --> 01:02:57,440

shadow people to the outlandish party

1328

01:03:25,930 --> 01:03:23,710

welcome back everybody listen to me

1329

01:03:28,059 --> 01:03:25,940

heidi hollis the outlander remembering

1330

01:03:29,529 --> 01:03:28,069

always if it's weird we're here we're

1331

01:03:31,569 --> 01:03:29,539

giving you advice and insight and

1332

01:03:32,799 --> 01:03:31,579

outlandish topics and the phone lines

1333

01:03:35,380 --> 01:03:32,809

are always open but i know you guys

1334

01:03:37,990 --> 01:03:35,390

mostly listen to us through the app so

1335

01:03:40,539 --> 01:03:38,000

it's all good I forgive you I have my

1336

01:03:42,099 --> 01:03:40,549

awesome guest here Marie d jones and i

1337

01:03:45,819 --> 01:03:42,109

want you guys to go to our website which

1338

01:03:50,109 --> 01:03:45,829

is marie d jones com correct that's

1339

01:03:52,180 --> 01:03:50,119

right yes so special hi just like you

1340

01:03:56,500 --> 01:03:52,190

the nip there you go just put your name

1341

01:03:59,740 --> 01:03:56,510

up there are you spell it right it's not

1342

01:04:03,190 --> 01:03:59,750

marry it's Marie oh gosh and not Maria

1343

01:04:05,440 --> 01:04:03,200

please yes not Maria either so my

1344

01:04:07,599 --> 01:04:05,450

goodness we were talking about your your

1345

01:04:10,839 --> 01:04:07,609

work and so much that you've been doing

1346

01:04:14,770 --> 01:04:10,849

and it's such a broad range of things

1347

01:04:17,289 --> 01:04:14,780

but you have a new book viral mythology

1348

01:04:20,079 --> 01:04:17,299

what on earth is that about please

1349

01:04:23,020 --> 01:04:20,089

please tell that long subtitle for us oh

1350

01:04:27,400 --> 01:04:23,030

my gosh okay here we go ready it's viral

1351
01:04:31,990 --> 01:04:27,410
mythology how the truth of the Ancients

1352
01:04:36,039 --> 01:04:32,000
was encoded and passed down through

1353
01:04:40,720 --> 01:04:36,049
legend art and architecture probably the

1354
01:04:42,339 --> 01:04:40,730
longest title ever holy it does tell the

1355
01:04:45,609 --> 01:04:42,349
story though it gives you a good idea

1356
01:04:48,519 --> 01:04:45,619
huh so you know it does I mean that's it

1357
01:04:50,589 --> 01:04:48,529
subtitle search for yes is this sounds

1358
01:04:54,900 --> 01:04:50,599
like ancient aliens material for the TV

1359
01:04:57,069 --> 01:04:54,910
series it is is about I've absolutely

1360
01:05:00,279 --> 01:04:57,079
fascinated with how things go viral

1361
01:05:02,559 --> 01:05:00,289
whether it's in the news or Facebook or

1362
01:05:05,380 --> 01:05:02,569
Twitter or I love that there is

1363
01:05:08,500 --> 01:05:05,390

literally a science behind how you take

1364

01:05:13,029 --> 01:05:08,510

a piece of information or a an image or

1365

01:05:15,460 --> 01:05:13,039

what have you viral and when Larry and I

1366

01:05:18,069 --> 01:05:15,470

set out to write the book we were asking

1367

01:05:20,740 --> 01:05:18,079

questions such as how did things go

1368

01:05:22,900 --> 01:05:20,750

viral in the olden days you know right

1369

01:05:24,880 --> 01:05:22,910

hey I'll just uh they threw a stone and

1370

01:05:28,059 --> 01:05:24,890

hit somebody with a note on it that's

1371

01:05:30,960 --> 01:05:28,069

what exactly and because if you think

1372

01:05:33,730 --> 01:05:30,970

about it the stuff that went viral

1373

01:05:34,480 --> 01:05:33,740

thousands of years ago ended up becoming

1374

01:05:40,780 --> 01:05:34,490

our

1375

01:05:42,790 --> 01:05:40,790

textbooks that were taught in school the

1376

01:05:44,830 --> 01:05:42,800

stuff that didn't go viral that got

1377

01:05:48,130 --> 01:05:44,840

suppressed or buried or forgotten or

1378

01:05:50,770 --> 01:05:48,140

ignored that's our hidden history and we

1379

01:05:54,160 --> 01:05:50,780

were just so fascinated by how do we

1380

01:05:56,320 --> 01:05:54,170

piece together our history based on the

1381

01:06:00,220 --> 01:05:56,330

stuff that has gone viral enough to

1382

01:06:04,000 --> 01:06:00,230

stand the test of time and is a lot of

1383

01:06:07,300 --> 01:06:04,010

it hidden in legends and folklore and

1384

01:06:10,510 --> 01:06:07,310

stories and myths and religious texts

1385

01:06:13,720 --> 01:06:10,520

isn't hidden in art whether we're

1386

01:06:17,410 --> 01:06:13,730

talking primitive rock etchings and you

1387

01:06:19,630 --> 01:06:17,420

know sprawls on inside of cave walls is

1388

01:06:22,770 --> 01:06:19,640

it hidden in buildings like the pyramids

1389

01:06:25,600 --> 01:06:22,780

and different monuments and temples is

1390

01:06:26,890 --> 01:06:25,610

all of that stuff from primitive and

1391

01:06:31,630 --> 01:06:26,900

ancient times trying to tell us

1392

01:06:33,940 --> 01:06:31,640

something and if so what because that's

1393

01:06:37,570 --> 01:06:33,950

our history you know I'm if you think

1394

01:06:41,320 --> 01:06:37,580

about today we embed truth in our novels

1395

01:06:44,950 --> 01:06:41,330

and movies in TV series you can watch a

1396

01:06:47,200 --> 01:06:44,960

TV series like breaking bad and you'll

1397

01:06:49,630 --> 01:06:47,210

say well that's fiction but there's so

1398

01:06:53,050 --> 01:06:49,640

much truth about the human condition in

1399

01:06:56,890 --> 01:06:53,060

that story good point that you could

1400

01:06:59,380 --> 01:06:56,900

make assumptions about human beings from

1401
01:07:01,390 --> 01:06:59,390
that and you know I'm a massive walking

1402
01:07:04,000 --> 01:07:01,400
dead freak fan not because I like

1403
01:07:06,250 --> 01:07:04,010
zombies I actually us better not be real

1404
01:07:08,980 --> 01:07:06,260
that's all I'm gonna say yeah I hate

1405
01:07:12,640 --> 01:07:08,990
zombies but what I love about that show

1406
01:07:15,580 --> 01:07:12,650
is how much truth there is about human

1407
01:07:17,859 --> 01:07:15,590
behavior under those types of conditions

1408
01:07:21,849 --> 01:07:17,869
and I love family guy there's a lot of

1409
01:07:24,670 --> 01:07:21,859
issues I'm scared is hey you know odd my

1410
01:07:27,190 --> 01:07:24,680
son and he got me hooked on that and I

1411
01:07:30,130 --> 01:07:27,200
don't funny they touch on truths

1412
01:07:32,620 --> 01:07:30,140
sometimes you know tricks that make you

1413
01:07:34,630 --> 01:07:32,630

look comfortable yeah it's just like oh

1414

01:07:36,880 --> 01:07:34,640

my he really went there how do they get

1415

01:07:38,380 --> 01:07:36,890

away with that that's really what the

1416

01:07:41,020 --> 01:07:38,390

book is about so we talk about

1417

01:07:44,109 --> 01:07:41,030

everything from you know ancient are

1418

01:07:46,780 --> 01:07:44,119

ancient and primitive types of art how

1419

01:07:47,530 --> 01:07:46,790

writing came about and how information

1420

01:07:51,610 --> 01:07:47,540

got

1421

01:07:53,740 --> 01:07:51,620

down from where death went to today can

1422

01:07:55,780 --> 01:07:53,750

we really discern what our true history

1423

01:07:58,450 --> 01:07:55,790

is from it what pieces might we be

1424

01:08:01,120 --> 01:07:58,460

missing can you read myths you know

1425

01:08:03,070 --> 01:08:01,130

Greek Roman Norse myths is there any

1426

01:08:06,220 --> 01:08:03,080

truth in there how do you find what it

1427

01:08:07,990 --> 01:08:06,230

is all that kind of stuff who do tell do

1428

01:08:11,880 --> 01:08:08,000

you have any juicy ones for us what's up

1429

01:08:15,820 --> 01:08:11,890

with a good viral myth the flood miss

1430

01:08:18,070 --> 01:08:15,830

the flood shows that in you know the

1431

01:08:21,099 --> 01:08:18,080

Bible obviously is the story know what

1432

01:08:25,420 --> 01:08:21,109

it shows up in the Epic of Gilgamesh it

1433

01:08:27,700 --> 01:08:25,430

shows up in a lot of different origin

1434

01:08:31,720 --> 01:08:27,710

stories from different regions all over

1435

01:08:33,670 --> 01:08:31,730

the world so and and if you kind of do

1436

01:08:35,110 --> 01:08:33,680

the comparative religion and comparative

1437

01:08:38,020 --> 01:08:35,120

mythology thing where you look for

1438

01:08:42,490 --> 01:08:38,030

common symbols and motifs you start to

1439

01:08:44,650 --> 01:08:42,500

see that this flood is everywhere and it

1440

01:08:48,099 --> 01:08:44,660

seems to have happened within a certain

1441

01:08:51,130 --> 01:08:48,109

timeframe which was 10 to 12,000 years

1442

01:08:54,570 --> 01:08:51,140

ago so then what you do is you turn to

1443

01:08:59,250 --> 01:08:54,580

the scientific community which could be

1444

01:09:01,809 --> 01:08:59,260

archeologists anthropologists geologists

1445

01:09:05,470 --> 01:09:01,819

climatologist and you say what evidence

1446

01:09:07,750 --> 01:09:05,480

do you guys have that a major global

1447

01:09:10,500 --> 01:09:07,760

flood could have occurred at that time

1448

01:09:13,930 --> 01:09:10,510

and believe it or not there's a lot of

1449

01:09:15,820 --> 01:09:13,940

real good scientific evidence that there

1450

01:09:17,620 --> 01:09:15,830

was a flood you know they can look at

1451

01:09:20,380 --> 01:09:17,630

different layers of sediment and they

1452

01:09:23,260 --> 01:09:20,390

can say oh here you go about 11,000

1453

01:09:26,470 --> 01:09:23,270

years ago this happened so it does well

1454

01:09:28,510 --> 01:09:26,480

in a place with the timings yeah yeah I

1455

01:09:32,800 --> 01:09:28,520

mean that's really the only way that we

1456

01:09:34,570 --> 01:09:32,810

have to prove that a biblical story or a

1457

01:09:38,890 --> 01:09:34,580

story that you read in the bhagavad-gita

1458

01:09:41,230 --> 01:09:38,900

or a myth of old might have some truth

1459

01:09:43,809 --> 01:09:41,240

to it isn't God I was getting a little

1460

01:09:45,190 --> 01:09:43,819

worried that God didn't get rid of these

1461

01:09:46,809 --> 01:09:45,200

horrible people because I'm really

1462

01:09:49,510 --> 01:09:46,819

hoping for another good cleansing oh

1463

01:09:52,030 --> 01:09:49,520

there's another flood only all the

1464

01:09:56,080 --> 01:09:52,040

politicians it's all yeah they'll be the

1465

01:09:58,480 --> 01:09:56,090

first ones on the hooks here we go what

1466

01:10:00,760 --> 01:09:58,490

to think that you can read a myth cuz i

1467

01:10:03,160 --> 01:10:00,770

loved mythology in high school and

1468

01:10:05,830 --> 01:10:03,170

oh yeah and that there might be some

1469

01:10:08,950 --> 01:10:05,840

truth in this outlandish and embellished

1470

01:10:10,210 --> 01:10:08,960

you know fascinating stories that there

1471

01:10:11,950 --> 01:10:10,220

might have actually then might have

1472

01:10:15,370 --> 01:10:11,960

actually been talking about some real

1473

01:10:17,410 --> 01:10:15,380

people Zeus sound yeah someone I mean

1474

01:10:19,600 --> 01:10:17,420

they didn't understand the concept of

1475

01:10:23,080 --> 01:10:19,610

thunder and lightning so what did they

1476

01:10:26,020 --> 01:10:23,090

do they daya find it they wrote a a you

1477

01:10:29,710 --> 01:10:26,030

know amazing beautiful dark violent

1478

01:10:31,840 --> 01:10:29,720

story about gods and goddesses around

1479

01:10:33,370 --> 01:10:31,850

the things that happened that they

1480

01:10:36,280 --> 01:10:33,380

didn't understand and now it's our job

1481

01:10:38,470 --> 01:10:36,290

all these years later when we understand

1482

01:10:41,950 --> 01:10:38,480

what was going on like volcanoes and

1483

01:10:43,660 --> 01:10:41,960

earthquakes excuse me to go back and

1484

01:10:45,070 --> 01:10:43,670

look at those stories and go okay you

1485

01:10:47,320 --> 01:10:45,080

know that's what they may have been

1486

01:10:49,480 --> 01:10:47,330

talking about there and then what other

1487

01:10:51,250 --> 01:10:49,490

truths might they been be trying to tell

1488

01:10:53,680 --> 01:10:51,260

us that we haven't figured out yet and

1489

01:10:57,940 --> 01:10:53,690

also you know you said the ancient

1490

01:11:02,800 --> 01:10:57,950

aliens words and that's one of the most

1491

01:11:04,660 --> 01:11:02,810

popular theories behind how a lot of

1492

01:11:08,320 --> 01:11:04,670

this information may have been passed

1493

01:11:10,540 --> 01:11:08,330

down how we may have received a lot of

1494

01:11:13,300 --> 01:11:10,550

very sophisticated information that we

1495

01:11:16,290 --> 01:11:13,310

didn't have because you know if you

1496

01:11:19,750 --> 01:11:16,300

lived five thousand years ago let's say

1497

01:11:23,830 --> 01:11:19,760

it would take forever for you to get a

1498

01:11:26,230 --> 01:11:23,840

piece of information 500 miles away how

1499

01:11:30,010 --> 01:11:26,240

I me I had to go by foot you know camel

1500

01:11:32,110 --> 01:11:30,020

whatever crude boat if you had it let's

1501

01:11:34,750 --> 01:11:32,120

somehow throughout our history there

1502

01:11:38,320 --> 01:11:34,760

have been these regional and global

1503

01:11:41,400 --> 01:11:38,330

leaps in advancement and understanding

1504

01:11:44,740 --> 01:11:41,410

and technology and did somebody give us

1505

01:11:47,140 --> 01:11:44,750

the information and did they kind of

1506

01:11:50,380 --> 01:11:47,150

give it to everybody the same time and

1507

01:11:53,320 --> 01:11:50,390

it so that's one of the big theories and

1508

01:11:56,020 --> 01:11:53,330

there's a lot of really cool evidence if

1509

01:11:58,080 --> 01:11:56,030

you want to call it that for the fact

1510

01:12:04,960 --> 01:11:58,090

that we may have been visited by our

1511

01:12:07,420 --> 01:12:04,970

friends from the ceiling oh it was your

1512

01:12:09,160 --> 01:12:07,430

fault that was there I mean you called

1513

01:12:11,380 --> 01:12:09,170

it and then all of a sudden it just fell

1514

01:12:12,670 --> 01:12:11,390

in row like that I'm like looking from

1515

01:12:13,870 --> 01:12:12,680

up above they had to come through the

1516

01:12:16,300 --> 01:12:13,880

ceiling

1517

01:12:19,209 --> 01:12:16,310

you're like I really hate stuff to the

1518

01:12:23,290 --> 01:12:19,219

silica and boom boom boom my gosh that's

1519

01:12:24,939 --> 01:12:23,300

it happen you are gonna get I can almost

1520

01:12:26,740 --> 01:12:24,949

guarantee you're gonna have to keep me

1521

01:12:29,530 --> 01:12:26,750

posted on this you're gonna it's fun of

1522

01:12:32,800 --> 01:12:29,540

emails and messages from people who have

1523

01:12:35,020 --> 01:12:32,810

had ceiling out because it's like

1524

01:12:36,910 --> 01:12:35,030

totally open the door to all the people

1525

01:12:38,860 --> 01:12:36,920

that thought they were total freaks I

1526

01:12:44,470 --> 01:12:38,870

didn't want to talk about their ceiling

1527

01:12:47,229 --> 01:12:44,480

encounter my gosh it that NASA the

1528

01:12:49,270 --> 01:12:47,239

portal is I don't know the portals are

1529

01:12:52,959 --> 01:12:49,280

all above our heads people don't look up

1530

01:12:58,000 --> 01:12:52,969

keep your head down down all this under

1531

01:13:00,100 --> 01:12:58,010

our feet gay person in our series you

1532

01:13:02,260 --> 01:13:00,110

know I I wanted to touch a little bit

1533

01:13:04,899 --> 01:13:02,270

too on this is this kind of an odd

1534

01:13:06,850 --> 01:13:04,909

coincidence because okay i call myself

1535

01:13:11,830 --> 01:13:06,860

weird and I'm sorry but your little

1536

01:13:15,160 --> 01:13:11,840

strange to Marie it's okay i'm aware but

1537

01:13:17,649 --> 01:13:15,170

this is so weird here you have EK HOA

1538

01:13:19,959 --> 01:13:17,659

will kill kid hunting organization i

1539

01:13:22,540 --> 01:13:19,969

have diary blog of the fickle finders

1540

01:13:24,220 --> 01:13:22,550

and it's kind of like the investigative

1541

01:13:26,800 --> 01:13:24,230

like thing having kids look into

1542

01:13:30,399 --> 01:13:26,810

different stuff it is that what your

1543

01:13:34,840 --> 01:13:30,409

your story is here this why a title that

1544

01:13:36,399 --> 01:13:34,850

echo well I have another series that my

1545

01:13:40,000 --> 01:13:36,409

manager were trying to get out call

1546

01:13:44,169 --> 01:13:40,010

mythology USA which is similar but echo

1547

01:13:47,709 --> 01:13:44,179

is when my son was in elementary school

1548

01:13:49,570 --> 01:13:47,719

my son has a disability hmm and he

1549

01:13:51,070 --> 01:13:49,580

walked with a limp it was in a

1550

01:13:54,280 --> 01:13:51,080

wheelchair walk you know all this stuff

1551
01:13:58,840 --> 01:13:54,290
he was being bullied in grade school and

1552
01:14:00,850 --> 01:13:58,850
I wasn't aware of it at first and then I

1553
01:14:04,720 --> 01:14:00,860
kind of became aware of it after the

1554
01:14:06,550 --> 01:14:04,730
fact however I discovered that he had a

1555
01:14:08,950 --> 01:14:06,560
real creative way this is a true this is

1556
01:14:10,470 --> 01:14:08,960
a you know a real story so the book is

1557
01:14:14,590 --> 01:14:10,480
based on something that really happened

1558
01:14:18,129 --> 01:14:14,600
my son unbeknownst to me had started a

1559
01:14:22,959 --> 01:14:18,139
spy organization at his school called

1560
01:14:24,520 --> 01:14:22,969
echo knife hunting organization they he

1561
01:14:26,200 --> 01:14:24,530
and other kids that were bullied and

1562
01:14:26,859 --> 01:14:26,210
friends of his and other kids that

1563
01:14:30,069 --> 01:14:26,869

eventually

1564

01:14:33,369 --> 01:14:30,079

to join echo created a very

1565

01:14:35,739 --> 01:14:33,379

sophisticated system of rankings you

1566

01:14:38,199 --> 01:14:35,749

know you could be a private and elite a

1567

01:14:40,029 --> 01:14:38,209

commander inner the heavies like system

1568

01:14:42,819 --> 01:14:40,039

of rankings that you went through here a

1569

01:14:45,959 --> 01:14:42,829

member of echo they had a website that

1570

01:14:48,580 --> 01:14:45,969

my son had designed he was very young

1571

01:14:50,199 --> 01:14:48,590

that had ambitions on it so every

1572

01:14:52,569 --> 01:14:50,209

morning before they went to school the

1573

01:14:55,419 --> 01:14:52,579

echo kids would get on the website get

1574

01:14:57,790 --> 01:14:55,429

their mission for the day and they would

1575

01:15:00,609 --> 01:14:57,800

carry that mission out and you know I

1576

01:15:02,859 --> 01:15:00,619

didn't know all this until all right but

1577

01:15:04,689 --> 01:15:02,869

I kept hearing in whispering echo at

1578

01:15:06,729 --> 01:15:04,699

orem are some masters your homework no

1579

01:15:09,759 --> 01:15:06,739

I'm working on echo I thought he was

1580

01:15:13,060 --> 01:15:09,769

just writing a story or something it was

1581

01:15:14,919 --> 01:15:13,070

so incredibly sophisticated that they

1582

01:15:16,600 --> 01:15:14,929

ended up having like hundreds of kids

1583

01:15:19,739 --> 01:15:16,610

that wanted to be an echo and the

1584

01:15:23,549 --> 01:15:19,749

bullies form their own group called eek

1585

01:15:26,439 --> 01:15:23,559

destroy echo kids everywhere no come on

1586

01:15:29,799 --> 01:15:26,449

absolutely not kidding you and I mine

1587

01:15:32,290 --> 01:15:29,809

echoes team yeah you know and the school

1588

01:15:38,439 --> 01:15:32,300

kind of knew about it but it was um it

1589

01:15:41,949 --> 01:15:38,449

was not violent or it actually gave kids

1590

01:15:44,560 --> 01:15:41,959

like my son so much confidence oh my

1591

01:15:47,759 --> 01:15:44,570

lord he became like the ringleader he

1592

01:15:50,889 --> 01:15:47,769

became so popular for being this kid

1593

01:15:54,279 --> 01:15:50,899

that took his that my son is brilliant

1594

01:15:57,069 --> 01:15:54,289

with technology and so he took what he

1595

01:16:01,270 --> 01:15:57,079

was good at and used it as a tool to

1596

01:16:03,009 --> 01:16:01,280

help fight bullies and basically what

1597

01:16:04,810 --> 01:16:03,019

echo did was they spied on the bullies

1598

01:16:06,699 --> 01:16:04,820

and they stayed one step ahead of them

1599

01:16:09,279 --> 01:16:06,709

everything the bullies were planning at

1600

01:16:14,500 --> 01:16:09,289

go knew about Nick kind of sabotage it

1601

01:16:17,350 --> 01:16:14,510

and stop it love it couple years later

1602

01:16:20,439 --> 01:16:17,360

because my son is 13 now so a couple of

1603

01:16:24,369 --> 01:16:20,449

years after all of that was going on and

1604

01:16:26,979 --> 01:16:24,379

I met a TV producer named Wendy cram and

1605

01:16:29,049 --> 01:16:26,989

we became friends we work together on a

1606

01:16:31,330 --> 01:16:29,059

few things and I just off the top of my

1607

01:16:32,889 --> 01:16:31,340

head mentioned oh you're gonna get the

1608

01:16:35,830 --> 01:16:32,899

biggest kick out of what my son's been

1609

01:16:38,949 --> 01:16:35,840

doing and I told her and she went nuts

1610

01:16:41,109 --> 01:16:38,959

and she said you know let's write up a

1611

01:16:43,000 --> 01:16:41,119

treatment and then it turned out that i

1612

01:16:45,459 --> 01:16:43,010

had to have a book first everybody

1613

01:16:47,259 --> 01:16:45,469

wanted a book series Wow I had other

1614

01:16:49,330 --> 01:16:47,269

things going on I just kind of let it go

1615

01:16:52,149 --> 01:16:49,340

and then work so i went to talia

1616

01:16:54,609 --> 01:16:52,159

Gandolfo my literary manager that was

1617

01:16:56,949 --> 01:16:54,619

the first thing she said to me sit your

1618

01:17:01,239 --> 01:16:56,959

butt down and write that before you and

1619

01:17:02,649 --> 01:17:01,249

Max forget it now what happened Wow my

1620

01:17:05,169 --> 01:17:02,659

son is still friends with all the echo

1621

01:17:08,409 --> 01:17:05,179

kids by the way so I wrote it and got to

1622

01:17:12,250 --> 01:17:08,419

deal and we're Metzner working on book

1623

01:17:13,810 --> 01:17:12,260

too but we've taken that reality you

1624

01:17:16,719 --> 01:17:13,820

know what happened but we're adding a

1625

01:17:20,529 --> 01:17:16,729

sci-fi spin to it to make it even bigger

1626

01:17:23,529 --> 01:17:20,539

and cooler and creepier it isn't but

1627

01:17:25,149 --> 01:17:23,539

yeah that it like that those middle

1628

01:17:27,429 --> 01:17:25,159

grade books i gotta tell you and you

1629

01:17:30,599 --> 01:17:27,439

know she written one middle grade kids

1630

01:17:33,279 --> 01:17:30,609

are so sophisticated now that they want

1631

01:17:37,330 --> 01:17:33,289

you know they want to be entertained and

1632

01:17:39,909 --> 01:17:37,340

they want it to be good stuff right all

1633

01:17:42,369 --> 01:17:39,919

right mmm but yeah right you're you know

1634

01:17:44,229 --> 01:17:42,379

you're on the right track but i've got a

1635

01:17:46,060 --> 01:17:44,239

question here that's coming in from the

1636

01:17:48,699 --> 01:17:46,070

chat room they're asking if you're

1637

01:17:50,739 --> 01:17:48,709

writing a screenplay for this and then

1638

01:17:53,709 --> 01:17:50,749

they say never mind so this is getting

1639

01:17:55,989 --> 01:17:53,719

written into you know to inspire other

1640

01:17:58,659 --> 01:17:55,999

kids to be on television or something or

1641

01:18:01,029 --> 01:17:58,669

a filmer eventually our plans are with

1642

01:18:02,500 --> 01:18:01,039

echo though it's going to we originally

1643

01:18:05,439 --> 01:18:02,510

were going to do a trilogy now it's

1644

01:18:08,259 --> 01:18:05,449

going to be a six book series and it's a

1645

01:18:11,040 --> 01:18:08,269

Beca will grow and evolve as my son and

1646

01:18:13,419 --> 01:18:11,050

his friends have been new issues come up

1647

01:18:15,369 --> 01:18:13,429

but like I said that we're adding in

1648

01:18:18,509 --> 01:18:15,379

this sci-fi element that is going to be

1649

01:18:22,330 --> 01:18:18,519

absolutely phenomenal and it is being

1650

01:18:26,020 --> 01:18:22,340

shopped for a film series or a

1651

01:18:29,560 --> 01:18:26,030

television series so whatever happens

1652

01:18:32,739 --> 01:18:29,570

first it isn't it a slow process it's

1653

01:18:35,830 --> 01:18:32,749

like oh my goodness people have no idea

1654

01:18:38,229 --> 01:18:35,840

i mean the passion has to drag for years

1655

01:18:39,729 --> 01:18:38,239

in you because everybody doesn't catch

1656

01:18:41,379 --> 01:18:39,739

up to where you really want to see it

1657

01:18:43,810 --> 01:18:41,389

things go and you know what you better

1658

01:18:46,389 --> 01:18:43,820

have the thickest skin on the planet cuz

1659

01:18:48,729 --> 01:18:46,399

you're gonna be rejected you're going to

1660

01:18:52,030 --> 01:18:48,739

come so close to something and then have

1661

01:18:53,920 --> 01:18:52,040

it fall through oh yeah honestly that I

1662

01:19:00,390 --> 01:18:53,930

have not shot myself in the head yet is

1663

01:19:03,310 --> 01:19:00,400

such a into my thick italian skin but i

1664

01:19:04,930 --> 01:19:03,320

understand no I know you've been on a

1665

01:19:07,000 --> 01:19:04,940

couple of different shows you also were

1666

01:19:08,890 --> 01:19:07,010

on nastradamus effect what were you

1667

01:19:11,620 --> 01:19:08,900

talking about on history channel there

1668

01:19:14,710 --> 01:19:11,630

that was a series that thing and I'm not

1669

01:19:16,930 --> 01:19:14,720

a big fan of TV shows I'm kind of

1670

01:19:19,780 --> 01:19:16,940

self-conscious I do whether I talked up

1671

01:19:21,400 --> 01:19:19,790

a good storm but um and also I tend to

1672

01:19:23,700 --> 01:19:21,410

talk too much so it's kind of like all

1673

01:19:26,320 --> 01:19:23,710

right when you show no no you're good

1674

01:19:30,040 --> 01:19:26,330

nostradamus effect was a series that

1675

01:19:32,500 --> 01:19:30,050

history channel did before 2000 December

1676

01:19:35,620 --> 01:19:32,510

21st 2012 to kind of play upon that

1677

01:19:40,980 --> 01:19:35,630

whole hype and the mythology and I was

1678

01:19:45,880 --> 01:19:40,990

interviewed to talk about the web bought

1679

01:19:50,430 --> 01:19:45,890

in some of the ways that information

1680

01:19:54,160 --> 01:19:50,440

excuse me it was being could sort of

1681

01:19:57,010 --> 01:19:54,170

evolve and expand beyond 2012 as

1682

01:19:59,260 --> 01:19:57,020

technology expanded and I got to talk

1683

01:20:01,570 --> 01:19:59,270

more about that kind of stuff but they

1684

01:20:04,540 --> 01:20:01,580

also did ask me about Nostradamus

1685

01:20:07,990 --> 01:20:04,550

himself and what methodologies he might

1686

01:20:10,330 --> 01:20:08,000

have used to get his information about

1687

01:20:12,250 --> 01:20:10,340

the future so one of the things that I

1688

01:20:16,030 --> 01:20:12,260

talked about was the collective

1689

01:20:17,950 --> 01:20:16,040

unconscious the zero-point field as

1690

01:20:20,680 --> 01:20:17,960

Larry and I call it the grid where you

1691

01:20:23,740 --> 01:20:20,690

have information like a sea of

1692

01:20:26,800 --> 01:20:23,750

information past present and future that

1693

01:20:29,860 --> 01:20:26,810

can be tapped into and I think that

1694

01:20:32,350 --> 01:20:29,870

probably is what psychics and remote

1695

01:20:34,060 --> 01:20:32,360

viewers are tapping into to get their

1696

01:20:37,060 --> 01:20:34,070

information about the past present

1697

01:20:39,130 --> 01:20:37,070

future so that's kinda stuff I got to

1698

01:20:42,190 --> 01:20:39,140

talk about well that's interesting so

1699

01:20:45,100 --> 01:20:42,200

you think that that is where this info

1700

01:20:47,830 --> 01:20:45,110

is all coming from I all have that

1701

01:20:50,590 --> 01:20:47,840

ability some really a lot better than

1702

01:20:54,370 --> 01:20:50,600

others to you know I think every now and

1703

01:20:56,320 --> 01:20:54,380

then we all get those times where we

1704

01:20:58,480 --> 01:20:56,330

know something is to happen and it

1705

01:21:01,120 --> 01:20:58,490

happens or we have some kind of

1706

01:21:03,250 --> 01:21:01,130

flashback to the past that wasn't the

1707

01:21:05,200 --> 01:21:03,260

past that we're living now but you know

1708

01:21:05,640 --> 01:21:05,210

may have very well have been a past life

1709

01:21:08,880 --> 01:21:05,650

of our

1710

01:21:11,430 --> 01:21:08,890

then the human brain is is the only

1711

01:21:13,770 --> 01:21:11,440

thing that stand between us and the fact

1712

01:21:16,200 --> 01:21:13,780

that time is not linear beyond the

1713

01:21:18,420 --> 01:21:16,210

construct of the human brain so if that

1714

01:21:20,820 --> 01:21:18,430

field of information is out there now

1715

01:21:22,770 --> 01:21:20,830

perhaps there are times that we have

1716

01:21:24,930 --> 01:21:22,780

that ability to tap into it and some

1717

01:21:27,120 --> 01:21:24,940

people obviously are a lot better than

1718

01:21:31,620 --> 01:21:27,130

others a lot of people tend to rely to

1719

01:21:34,680 --> 01:21:31,630

tap into Google search yeah all you have

1720

01:21:36,570 --> 01:21:34,690

to say is go Google or something now

1721

01:21:38,610 --> 01:21:36,580

it's just so funny you don't even have

1722

01:21:43,860 --> 01:21:38,620

to touch the screen or anything anymore

1723

01:21:46,290 --> 01:21:43,870

the fiddle is google almost has a the

1724

01:21:49,080 --> 01:21:46,300

ability to predict the future based on

1725

01:21:53,400 --> 01:21:49,090

the information that it's taking in and

1726

01:21:55,200 --> 01:21:53,410

I know that it like in terms of trying

1727

01:21:57,180 --> 01:21:55,210

to protect a terrorist attack and you're

1728

01:22:00,300 --> 01:21:57,190

listening to the chatter and stuff oh

1729

01:22:02,400 --> 01:22:00,310

yeah but these these web search engines

1730

01:22:06,660 --> 01:22:02,410

and web bots which is this big sort of

1731

01:22:08,100 --> 01:22:06,670

search engine dump where people have

1732

01:22:10,770 --> 01:22:08,110

been able to actually predict things

1733

01:22:13,190 --> 01:22:10,780

that were going to happen based upon

1734

01:22:15,240 --> 01:22:13,200

just global chatter and global

1735

01:22:17,520 --> 01:22:15,250

conversations and keywords that were

1736

01:22:19,200 --> 01:22:17,530

being searched more often and I'm not

1737

01:22:21,750 --> 01:22:19,210

just talking about terrorist attacks i'm

1738

01:22:23,880 --> 01:22:21,760

talking about historical events there's

1739

01:22:26,370 --> 01:22:23,890

something happening that oh wow we saw

1740

01:22:29,400 --> 01:22:26,380

that coming because enough of the

1741

01:22:31,980 --> 01:22:29,410

collective unconscious out there was

1742

01:22:33,900 --> 01:22:31,990

kind of you know merging and people were

1743

01:22:35,610 --> 01:22:33,910

i hope you know i want to know about

1744

01:22:36,870 --> 01:22:35,620

this what's going on with this let's go

1745

01:22:39,140 --> 01:22:36,880

now with that and all sort of merge

1746

01:22:43,590 --> 01:22:39,150

together it's almost like there's some

1747

01:22:45,540 --> 01:22:43,600

hidden web connecting everybody and you

1748

01:22:48,360 --> 01:22:45,550

know there's I get what you're what

1749

01:22:50,760 --> 01:22:48,370

you're saying i have heard you know like

1750

01:22:52,980 --> 01:22:50,770

you know just before like 911 happened a

1751

01:22:55,530 --> 01:22:52,990

lot of people were having dreams of you

1752

01:22:58,980 --> 01:22:55,540

know horrible things and I i even did

1753

01:23:01,080 --> 01:22:58,990

and I dreamt I'd I'd seen a plane at a

1754

01:23:03,000 --> 01:23:01,090

building I really oh my god are you

1755

01:23:05,100 --> 01:23:03,010

probably totally but you probably didn't

1756

01:23:08,580 --> 01:23:05,110

tell anybody right I did you know this

1757

01:23:10,320 --> 01:23:08,590

is the funny part right I told a group

1758

01:23:13,080 --> 01:23:10,330

of friends of mine and I totally forgot

1759

01:23:15,690 --> 01:23:13,090

about it and you know after it happened

1760

01:23:17,100 --> 01:23:15,700

my friends go oh my god hide it you were

1761

01:23:18,729 --> 01:23:17,110

right I'm like I was right about what

1762

01:23:21,790 --> 01:23:18,739

don't you remember the dream about the

1763

01:23:23,890 --> 01:23:21,800

the plane I'm like oh oh I did didn't I

1764

01:23:25,569 --> 01:23:23,900

you know it's just like I totally forgot

1765

01:23:28,299 --> 01:23:25,579

about it but i remember it was really

1766

01:23:30,790 --> 01:23:28,309

traumatic you know but just amazing that

1767

01:23:33,129 --> 01:23:30,800

you told somebody yeah somebody that had

1768

01:23:35,560 --> 01:23:33,139

a better memory than I did yeah but if

1769

01:23:38,799 --> 01:23:35,570

we do that all the time and how often

1770

01:23:40,810 --> 01:23:38,809

must we ignore important messages that

1771

01:23:42,970 --> 01:23:40,820

we're getting from that field of

1772

01:23:46,180 --> 01:23:42,980

information you know cuz we're just

1773

01:23:47,950 --> 01:23:46,190

small minds on other things you know I I

1774

01:23:49,479 --> 01:23:47,960

think it's so important like you're

1775

01:23:51,700 --> 01:23:49,489

talking about this hidden web that may

1776

01:23:53,859 --> 01:23:51,710

be connecting all of us and but then

1777

01:23:56,049 --> 01:23:53,869

there's that apparent web that human

1778

01:23:58,149 --> 01:23:56,059

connection where we should be reaching

1779

01:23:59,799 --> 01:23:58,159

out to people and enlightening each

1780

01:24:02,259 --> 01:23:59,809

other and it's a crying shame that's

1781

01:24:05,169 --> 01:24:02,269

still there's a level of ridicule that

1782

01:24:07,089 --> 01:24:05,179

comes along with these odd topics that I

1783

01:24:09,520 --> 01:24:07,099

think just needs to be shaken down

1784

01:24:11,350 --> 01:24:09,530

already it's like come on o people might

1785

01:24:13,720 --> 01:24:11,360

laugh at me you know really it's it's

1786

01:24:15,669 --> 01:24:13,730

really not that big of a deal you know I

1787

01:24:18,129 --> 01:24:15,679

laugh harder than anybody else can in

1788

01:24:21,129 --> 01:24:18,139

the room so oh well you know it's like

1789

01:24:22,779 --> 01:24:21,139

just it needs to be broken down people

1790

01:24:24,729 --> 01:24:22,789

need to start opening up and sharing

1791

01:24:26,979 --> 01:24:24,739

more often and it's like I really

1792

01:24:29,709 --> 01:24:26,989

commend you you know for someone that

1793

01:24:31,660 --> 01:24:29,719

has not been necessarily right in the

1794

01:24:33,790 --> 01:24:31,670

nest of the paranormal but she sure did

1795

01:24:35,620 --> 01:24:33,800

help explain it and I wanted to ask you

1796

01:24:38,109 --> 01:24:35,630

did you you know it's kind of convenient

1797

01:24:40,479 --> 01:24:38,119

to have a dad with the mind that he does

1798

01:24:42,629 --> 01:24:40,489

I mean did you pick at his brain to be

1799

01:24:46,779 --> 01:24:42,639

like okay dad what do you think yeah

1800

01:24:49,149 --> 01:24:46,789

yeah that's cool died of ALS of juniors

1801
01:24:51,040 --> 01:24:49,159
though that horrible disease oh sorry to

1802
01:24:52,569 --> 01:24:51,050
hear that yeah oh and that was hard

1803
01:24:54,580 --> 01:24:52,579
because we wanted to write another book

1804
01:24:57,009 --> 01:24:54,590
together after we wrote super volcano

1805
01:24:59,709 --> 01:24:57,019
but I picked my dad's brain there's a

1806
01:25:04,149 --> 01:24:59,719
physicist so I picked his brain when i

1807
01:25:08,169 --> 01:25:04,159
wrote science my dad believed in ghosts

1808
01:25:11,259 --> 01:25:08,179
and UFOs he was we loved UFOs as a child

1809
01:25:13,950 --> 01:25:11,269
growing up my dad and some of his

1810
01:25:16,540 --> 01:25:13,960
scientific colleagues he was you know

1811
01:25:17,560 --> 01:25:16,550
professors with at fairfield university

1812
01:25:20,370 --> 01:25:17,570
when happy they would get together

1813
01:25:23,529 --> 01:25:20,380

around the kitchen table drinking beer

1814

01:25:25,600 --> 01:25:23,539

brilliant oceanographer you know

1815

01:25:30,459 --> 01:25:25,610

climatologist business is what happy i

1816

01:25:31,600 --> 01:25:30,469

talk about your us so my dad was so open

1817

01:25:33,100 --> 01:25:31,610

minded you

1818

01:25:36,160 --> 01:25:33,110

he might not be able to talk about that

1819

01:25:38,500 --> 01:25:36,170

Bohol's about the dead you know they

1820

01:25:41,680 --> 01:25:38,510

love that stuff and he's the one who

1821

01:25:43,720 --> 01:25:41,690

really got me hooked on the next between

1822

01:25:45,879 --> 01:25:43,730

quantum in theoretical physics and the

1823

01:25:48,459 --> 01:25:45,889

paranormal and also the importance of

1824

01:25:51,850 --> 01:25:48,469

numbers in mathematics as sort of

1825

01:25:54,310 --> 01:25:51,860

foundation of reality wow those 16 that

1826
01:25:57,370 --> 01:25:54,320
my dad really pushed now learn about

1827
01:26:00,669 --> 01:25:57,380
this learn oh I'm so jealous that's so

1828
01:26:02,379 --> 01:26:00,679
awesome yeah i did have most of my

1829
01:26:04,120 --> 01:26:02,389
family poke a stick at me as they are

1830
01:26:09,100 --> 01:26:04,130
you real are you really seriously going

1831
01:26:10,660 --> 01:26:09,110
there what's your problem Heidi and now

1832
01:26:12,100 --> 01:26:10,670
there's some of them are kind of strange

1833
01:26:14,590 --> 01:26:12,110
like myself that have experience on

1834
01:26:17,830 --> 01:26:14,600
things too so it's ok I'm on I'm among

1835
01:26:19,930 --> 01:26:17,840
friends and family there ah but you know

1836
01:26:22,890 --> 01:26:19,940
I would ask you do you do you do events

1837
01:26:25,209 --> 01:26:22,900
is there anything coming up soon I

1838
01:26:28,390 --> 01:26:25,219

unfortunately the last few months have

1839

01:26:30,459 --> 01:26:28,400

not been able to do anything my son was

1840

01:26:33,700 --> 01:26:30,469

supposed to be having some surgeries but

1841

01:26:36,129 --> 01:26:33,710

that all got shuffled around hmm um so I

1842

01:26:39,070 --> 01:26:36,139

have a couple of things that are being

1843

01:26:41,439 --> 01:26:39,080

wind up for february March of next year

1844

01:26:43,660 --> 01:26:41,449

and then we'll see what comes up and the

1845

01:26:45,310 --> 01:26:43,670

really cool thing is now making a little

1846

01:26:46,899 --> 01:26:45,320

bit of transition into fiction I'm

1847

01:26:50,050 --> 01:26:46,909

hopefully gonna be at some of the big

1848

01:26:52,600 --> 01:26:50,060

cons yet comic-con and Dragon Con oh

1849

01:26:55,540 --> 01:26:52,610

like that doesn't go through their the

1850

01:27:01,240 --> 01:26:55,550

mother no oh my god I'm like such a

1851

01:27:03,160 --> 01:27:01,250

dorky fangirl oh my god I you know even

1852

01:27:05,649 --> 01:27:03,170

with my paranormal books I've spoken at

1853

01:27:08,140 --> 01:27:05,659

some of those i have had the best time

1854

01:27:11,020 --> 01:27:08,150

at those oh my god i totally feel you

1855

01:27:12,729 --> 01:27:11,030

trinity yeah cuz you get exposed to a

1856

01:27:15,040 --> 01:27:12,739

lot of people who you know may not go to

1857

01:27:17,080 --> 01:27:15,050

a paranormal quote-unquote conference

1858

01:27:19,899 --> 01:27:17,090

but we're gonna be exposed to them

1859

01:27:21,729 --> 01:27:19,909

they're so oh how much fun my goodness

1860

01:27:23,410 --> 01:27:21,739

what I want you to put out you know your

1861

01:27:25,629 --> 01:27:23,420

website again and how can people get a

1862

01:27:30,580 --> 01:27:25,639

hold of you and share their minds with

1863

01:27:34,959 --> 01:27:30,590

you share your mind let's build the

1864

01:27:37,390 --> 01:27:34,969

website is marie d jones calm and i'm on

1865

01:27:40,089 --> 01:27:37,400

facebook and twitter and linkedin all

1866

01:27:41,709 --> 01:27:40,099

that stuff in the books are sold

1867

01:27:43,390 --> 01:27:41,719

everywhere they should be in your

1868

01:27:45,190 --> 01:27:43,400

brick-and-mortar stores if you don't

1869

01:27:48,040 --> 01:27:45,200

like buying online if not

1870

01:27:51,310 --> 01:27:48,050

I have to order it let's save those

1871

01:27:52,960 --> 01:27:51,320

bookstores people yeah you're an Amazon

1872

01:27:54,910 --> 01:27:52,970

and books million and all that stuff

1873

01:27:58,560 --> 01:27:54,920

barnes and noble barnes and noble has

1874

01:28:01,630 --> 01:27:58,570

been my champion they have always taken

1875

01:28:03,940 --> 01:28:01,640

books and Everton from your page and

1876

01:28:06,700 --> 01:28:03,950

done special promotions and I'm so

1877

01:28:08,320 --> 01:28:06,710

grateful to barnes noble very cool well

1878

01:28:10,720 --> 01:28:08,330

I want to thank you so much for coming

1879

01:28:13,240 --> 01:28:10,730

on my show we got to do this again oh we

1880

01:28:15,700 --> 01:28:13,250

do we barely scratched the surface your

1881

01:28:16,840 --> 01:28:15,710

god yeah i mean this is this is just the

1882

01:28:19,510 --> 01:28:16,850

beginning Murray I don't know if you

1883

01:28:22,750 --> 01:28:19,520

knew that but yeah so we'll do a part

1884

01:28:26,860 --> 01:28:22,760

two okay well do perform ceiling stories

1885

01:28:28,720 --> 01:28:26,870

you go well you guys we have comes at

1886

01:28:30,880 --> 01:28:28,730

the bottom of the show once again I'm so

1887

01:28:32,380 --> 01:28:30,890

sorry goes so fast remember you can

1888

01:28:33,730 --> 01:28:32,390

catch me here every Friday 9 p.m.

1889

01:28:35,050 --> 01:28:33,740

Eastern a p.m. central you've been

1890

01:28:36,910 --> 01:28:35,060

listening to me heidi hollis the

1891

01:28:39,460 --> 01:28:36,920

Outlander on inception radio network
